- (3) The summer remediation factor;
- (4) The school nurse wellness coordinator factor;
- (5) The district health professional factor.

(B)(1) The family and community liaison factor shall be calculated by multiplying the school district's formula ADM times its targeted poverty indicator and dividing the product by seventy-five, and then multiplying the quotient by the product of

the applicable Ohio educational challenge factor times \$38,633, in 31793
fiscal year 2010, and times \$39,381, in fiscal year 2011. 31794

(2) The counselor factor shall be calculated by dividing the 31795
district's formula ADM for grades six to twelve by two hundred 31796
fifty, and then multiplying the quotient by a dollar amount for 31797
each fiscal year established by law. No counselor factor shall be 31798
calculated and paid for fiscal years 2010 and 2011. 31799

(3) The summer remediation program factor shall be calculated 31800
by multiplying the district's formula ADM times its targeted 31801
poverty indicator times fifty per cent, which represents the 31802
anticipated participation rate, dividing that product by thirty, 31803
which is the assumed student-to-teacher ratio for summer 31804
remediation, and multiplying that quotient by the product of 31805
\$3,000 times the applicable Ohio educational challenge factor. 31806

(4) The school nurse wellness coordinator factor shall be 31807
calculated by multiplying the number of the district's 31808
organizational units times a dollar amount for each fiscal year 31809
established by law, except that in a small school district, the 31810
school nurse wellness coordinator factor shall be zero. No school 31811
nurse wellness coordinator factor shall be calculated and paid for 31812
fiscal years 2010 and 2011. 31813

(5) The district health professional factor for each district 31814
equals a dollar amount specified by law for each fiscal year. No 31815
district health professional factor shall be calculated and paid 31816
for fiscal years 2010 and 2011. 31817

(C) In adopting expenditure and reporting standards under 31818
section 3306.25 of the Revised Code, the superintendent of public 31819
instruction shall include standards that encourage school 31820
districts to give preference to employing or obtaining the 31821
services of licensed school nurses with funds received for the 31822
school nurse wellness coordinator factor and the district health 31823

professional factor. 31824

(D) Each school district shall account separately for 31825
expenditures of the amounts received for additional services 31826
support under this section and report that information to the 31827
department of education. 31828

Sec. 3306.07. (A) The administrative services support 31829
component of the adequacy amount for each city, local, and 31830
exempted village school district is the sum of the following: 31831

(1) The district administration factor; 31832

(2) The principal factor; 31833

(3) The administrative support personnel factor; 31834

(B)(1) The district administration factor equals \$187,176 in 31835
fiscal year 2010 and \$190,801 in fiscal year 2011. 31836

(2) The principal factor shall be calculated by multiplying 31837
the number of the district's organizational units times \$89,563 in 31838
fiscal year 2010 and \$91,297 in fiscal year 2011. However, each 31839
type 1 or type 2 school district shall receive for a principal 31840
factor an amount not less than the applicable dollar amount 31841
specified in this paragraph times the number of school buildings 31842
in the district for which the department of education issued a 31843
report card under section 3302.03 of the Revised Code for the 31844
prior school year. As used in this division, "type 1 school 31845
district" means a school district characterized as a type 1 31846
(rural/agricultural, high poverty, low median income) district, 31847
and "type 2 school district" means a school district characterized 31848
as a type 2 (rural/agricultural, small student population, low 31849
poverty, low to moderate median income), in the typology of 31850
districts published by the department in July 2007. 31851

(3) The administrative support personnel factor is funding 31852
determined for building managers, secretaries, and 31853

noninstructional aides. 31854

(a) The funding for building managers shall be calculated by multiplying \$33,624 in fiscal year 2010 and \$34,275 in fiscal year 2011 times the number of the district's organizational units. 31855
31856
31857

(b) The funding for secretaries shall be calculated by multiplying \$33,624 in fiscal year 2010 and \$34,275 in fiscal year 2011 times the number of the district's organizational units, where two additional secretaries shall be funded for each high school organizational unit. 31858
31859
31860
31861
31862

(c) The funding for noninstructional aides shall be a dollar amount set by law for each fiscal year times the number of the district's organizational units, where the organizational units are multiplied by two in the case of elementary school and middle school organizational units and by three in case of high school organizational units. 31863
31864
31865
31866
31867
31868

However, each small school district shall receive funding for one building manager, one secretary, and one noninstructional aide. Every other city, local, and exempted village school district shall receive funding for at least one building manager, one secretary, and one noninstructional aide. 31869
31870
31871
31872
31873

No funding shall be calculated and paid for noninstructional aides for fiscal years 2010 and 2011. 31874
31875

(C) Each school district shall account separately for the amounts received for administrative services support under this section and report that information to the department of education. 31876
31877
31878
31879

Sec. 3306.08. (A) The operations and maintenance support component of the adequacy amount for each city, local, and exempted village school district shall be calculated by multiplying the district's formula ADM times \$884. 31880
31881
31882
31883

(B) The operations and maintenance support for each city, local, and exempted village school district shall be adjusted by multiplying the calculated amount by 0.45 in fiscal years 2010 and 2011, and by 0.75 in fiscal years 2012 and 2013.

(C) Each school district shall account separately for expenditures of the amounts received for operations and maintenance support under this section and report that information to the department of education.

Sec. 3306.09. (A) The gifted education support component of the adequacy amount for each city, local, and exempted village school district is the sum of the following:

(1) The gifted identification factor;

(2) The gifted coordinator factor;

(3) The gifted intervention specialist factor;

(4) The gifted intervention specialist professional development factor.

(B)(1) The gifted identification factor shall be calculated by multiplying the district's formula ADM times \$5.

(2) The gifted coordinator factor shall be calculated by multiplying \$66,375 in fiscal year 2010 and \$67,660 in fiscal year 2011 times the quotient of the district's formula ADM divided by two thousand five hundred.

(3) The gifted intervention specialist factor shall be calculated by multiplying the number of the district's organizational units times the Ohio educational challenge factor specified for the district in section 3306.051 of the Revised Code times the statewide base teacher salary specified in section 3306.05 of the Revised Code.

(4) The gifted intervention specialist professional

development factor shall be calculated by multiplying the number 31913
of the district's organizational units times the 31914
per-teaching-position dollar amount specified for the professional 31915
development factor in division (A)(7) of section 3306.03 of the 31916
Revised Code. 31917

(C) The gifted intervention specialist factor and the gifted 31918
intervention specialist professional development factor for each 31919
city, local, and exempted village school district, shall be 31920
adjusted by multiplying the calculated amount by 0.20 in fiscal 31921
year 2010, by 0.30 in fiscal year 2011, by 0.40 in fiscal years 31922
2012 and 2013, by 0.60 in fiscal years 2014 and 2015, and by 0.80 31923
in fiscal years 2016 and 2017. 31924

(D) A school district that does not submit an annual report 31925
under section 3324.05 of the Revised Code, or that reports zero 31926
students identified as gifted, shall receive zero funding for the 31927
gifted coordinator factor, the gifted intervention specialist 31928
factor, and the gifted intervention specialist professional 31929
development factor. 31930

(E) Each school district shall expend the funds calculated 31931
under the gifted education support component in accordance with 31932
rules adopted under section 3306.25 of the Revised Code. Those 31933
rules shall require that such funds be spent only for the 31934
employment of staff to serve students identified as gifted, in 31935
accordance with Chapter 3324. of the Revised Code, or for other 31936
services to such students. The rules shall be aligned with the 31937
operating standards for identifying and serving gifted students 31938
prescribed in rules adopted by the state board of education. 31939
Notwithstanding anything to the contrary in section 3306.25 of the 31940
Revised Code, the rules regarding the expenditure and reporting of 31941
funds for the gifted education support component adopted under 31942
that section shall take effect July 1, 2011. 31943

Subject to approval by the department of education, a school 31944

district may use up to fifteen per cent of the portion of the 31945
gifted intervention specialist factor attributable to the grade 31946
six through twelve formula ADM to support access to services 31947
provided by the district that are not services described in 31948
Chapter 3324. of the Revised Code but are specified in gifted 31949
students' written education plans prepared in accordance with the 31950
state board's operating standards for identifying and serving 31951
gifted students. 31952

(F) Each school district shall account separately for 31953
expenditures of the amounts received for gifted identification, 31954
gifted coordinators, gifted intervention specialists, and gifted 31955
intervention specialist professional development under this 31956
section and report that information to the department of 31957
education. 31958

(G) Each city, local, and exempted village school district 31959
that received for fiscal year 2009 unit funding for gifted student 31960
services under division (L) of section 3317.024 and division (E) 31961
of section 3317.05 of the Revised Code, as those sections existed 31962
for that fiscal year, shall spend in each fiscal year thereafter 31963
for services to identified gifted students from the funds received 31964
under this chapter an amount not less than the aggregate amount 31965
received for such gifted unit funding for fiscal year 2009. No 31966
district to which this division applies shall apply for or receive 31967
a waiver under section 3306.40 of the Revised Code from the 31968
spending requirements prescribed in this division or under 31969
division (E) of this section. 31970

(H) A District that did not receive for fiscal year 2009 unit 31971
funding for gifted student services under division (L) of section 31972
3317.024 and division (E) of section 3317.05 of the Revised Code, 31973
as those sections existed for that fiscal year, may apply for a 31974
waiver under section 3306.40 of the Revised Code from any 31975
expenditure requirements prescribed under division (E) of this 31976

section. Notwithstanding anything to the contrary in section 31977
3306.40 of the Revised Code, the first waiver granted to a 31978
district pursuant to this division shall not be effective for 31979
longer than two years, and any subsequent renewal of that waiver 31980
shall not be effective for longer than one year. 31981

adequacy amount for each city, local, and exempted village school 31983
district shall be calculated by multiplying the district's formula 31984
ADM times \$100 times the Ohio educational challenge factor. 31985

(B) The enrichment support for each city, local, and exempted 31986
village school district shall be adjusted by multiplying the 31987
calculated amount by 0.20 in fiscal year 2010, by 0.30 in fiscal 31988
year 2011, by 0.40 in fiscal years 2012 and 2013, by 0.60 in 31989
fiscal years 2014 and 2015, and by 0.80 in fiscal years 2016 and 31990
2017. 31991

(C) The enrichment support component shall be used for 31992
purposes other than the employment of staff to serve students 31993
identified as gifted, in accordance with Chapter 3324. of the 31994
Revised Code, or other services to such students. A district may 31995
spend the enrichment support component to pay for enrichment 31996
activities that may encourage the intellectual and creative 31997
pursuits of all students, including the fine arts. 31998

(D) Each school district shall account separately for 31999
expenditures of the amounts received for enrichment support under 32000
this section and report that information to the department of 32001
education. 32002

Sec. 3306.10. (A) The technology resources support component 32003
of the adequacy amount for each city, local, and exempted village 32004
school district is the sum of the following: 32005

<u>(B)(1) The number of special education teacher positions shall be calculated by multiplying the sum of the weighted number of children with disabilities calculated under division (C) of this section times nine-tenths, and then dividing that product by twenty.</u>	32031 32032 32033 32034 32035
<u>(2) The number of special education teacher's aide positions</u>	32036

shall be calculated by dividing the number of special education 32037
teacher positions calculated under division (B)(1) of this section 32038
by two, and multiplying that quotient by 0.50 in fiscal years 2010 32039
and 2011. 32040

(C) The weighted number of children with disabilities for a 32041
school district is the sum of: 32042

expenditures of the amounts received for resources for children 32056
with disabilities under this section and section 3306.05 of the 32057
Revised Code and report that information to the department of 32058
education. Those amounts may be used to pay for providers of 32059
related services, as defined in section 3323.01 of the Revised 32060
Code, for children with disabilities. 32061

Sec. 3306.12. (A) As used in this section: 32062

(1) "Assigned bus" means a school bus used to transport 32063
qualifying riders. 32064

(2) "Nontraditional ridership" means the average number of 32065

qualifying riders who are enrolled in a community school 32066
established under Chapter 3314. of the Revised Code, in a STEM 32067
school established under Chapter 3326. of the Revised Code, or in 32068
a nonpublic school and are provided school bus service by a school 32069
district during the first full week of October. 32070

(3) "Qualifying riders" means resident students enrolled in 32071
regular education in grades kindergarten to twelve who are 32072
provided school bus service by a school district and who live more 32073
than one mile from the school they attend, including students with 32074
dual enrollment in a joint vocational school district or a 32075
cooperative education school district, and students enrolled in a 32076
community school, STEM school, or nonpublic school. 32077

(4) "Qualifying ridership" means the average number of 32078
qualifying riders who are provided school bus service by a school 32079
district during the first full week of October. 32080

(5) "Rider density" means the number of qualifying riders per 32081
square mile of a school district. 32082

(6) "School bus service" means a school district's 32083
transportation of qualifying riders in any of the following types 32084
of vehicles: 32085

(a) School buses owned or leased by the district; 32086

(b) School buses operated by a private contractor hired by 32087
the district; 32088

(c) School buses operated by another school district or 32089
entity with which the district has contracted, either as part of a 32090
consortium for the provision of transportation or otherwise. 32091

(B) Not later than the fifteenth day of October each year, 32092
each city, local, and exempted village school district shall 32093
report to the department of education its qualifying ridership, 32094
nontraditional ridership, number of qualifying riders per assigned 32095

bus, and any other information requested by the department. 32096

Subsequent adjustments to the reported numbers shall be made only 32097

in accordance with rules adopted by the department. 32098

(C) The department shall calculate the statewide 32099

transportation cost per student as follows: 32100

(1) Determine each city, local, and exempted village school 32101

district's transportation cost per student by dividing the 32102

district's total costs for school bus service in the previous 32103

fiscal year by its qualifying ridership in the previous fiscal 32104

year. 32105

(2) After excluding districts that do not provide school bus 32106

service and the ten districts with the highest transportation 32107

costs per student and the ten districts with the lowest 32108

transportation costs per student, divide the aggregate cost for 32109

school bus service for the remaining districts in the previous 32110

fiscal year by the aggregate qualifying ridership of those 32111

districts in the previous fiscal year. 32112

(D) The department shall calculate the statewide 32113

transportation cost per mile as follows: 32114

(1) Determine each city, local, and exempted village school 32115

district's transportation cost per mile by dividing the district's 32116

total costs for school bus service in the previous fiscal year by 32117

its total number of miles driven for school bus service in the 32118

previous fiscal year. 32119

(2) After excluding districts that do not provide school bus 32120

service and the ten districts with the highest transportation 32121

costs per mile and the ten districts with the lowest 32122

transportation costs per mile, divide the aggregate cost for 32123

school bus service for the remaining districts in the previous 32124

fiscal year by the aggregate miles driven for school bus service 32125

in those districts in the previous fiscal year. 32126

(E) The department shall calculate each city, local, and 32127
exempted village school district's transportation base payment as 32128
follows: 32129

(1) Multiply the statewide transportation cost per student by 32130
the district's qualifying ridership for the current fiscal year. 32131

(2) Multiply the statewide transportation cost per mile by 32132
the district's total number of miles driven for school bus service 32133
in the current fiscal year. 32134

(3) Multiply the greater of the amounts calculated under 32135
divisions (E)(1) and (2) of this section by the greater of sixty 32136
per cent or the district's state share percentage. 32137

(F) The department shall calculate each city, local, and 32138
exempted village school district's nontraditional ridership 32139
adjustment according to the following formula: 32140

(nontraditional ridership for the current fiscal year / 32141
qualifying ridership for the current fiscal year) X 0.1 X 32142
transportation base payment 32143

(G) If a city, local, and exempted village school district 32144
offers school bus service to all resident students who are 32145
enrolled in regular education in district schools in grades nine 32146
to twelve and who live more than one mile from the school they 32147
attend, the department shall calculate the district's high school 32148
ridership adjustment according to the following formula: 32149

0.025 X transportation base payment 32150

(H) If a city, local, and exempted village school district 32151
offers school bus service to students enrolled in grades 32152
kindergarten to eight who live more than one mile, but two miles 32153
or less, from the school they attend, the department shall 32154
calculate an additional adjustment according to the following 32155
formula: 32156

0.025 X transportation base payment 32157

(I)(1) The department annually shall establish a target number of qualifying riders per assigned bus for each city, local, and exempted village school district. The department shall use the most recently available data in establishing the target number. The target number shall be based on the statewide median number of qualifying riders per assigned bus as adjusted to reflect the district's rider density in comparison to the rider density of all other districts. The department shall post on the department's web site each district's target number of qualifying riders per assigned bus and a description of how the target number was determined.

(2) The department shall determine each school district's efficiency index by dividing the district's median number of qualifying riders per assigned bus by its target number of qualifying riders per assigned bus.

(3) The department shall determine each city, local, and exempted village school district's efficiency adjustment as follows:

(a) If the district's efficiency index is equal to or greater than 1.5, the efficiency adjustment shall be calculated according to the following formula:

$0.1 \times \text{transportation base payment}$

(b) If the district's efficiency index is less than 1.5 but equal to or greater than 1.0, the efficiency adjustment shall be calculated according to the following formula:

$[(\text{efficiency index} - 1) / 5] \times \text{transportation base payment}$

(c) If the district's efficiency index is less than 1.0, the efficiency adjustment shall be zero.

(J) The department shall pay each city, local, and exempted village school district the lesser of the following:

(1) The sum of the amounts calculated under divisions (E) to

(H) and (I)(3) of this section; 32189

(2) The district's total costs for school bus service for the prior fiscal year. 32190
32191

(K) In addition to funds paid under division (J) of this section, each city, local, and exempted village district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than school bus service and whose transportation is not funded under division (G) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students. 32192
32193
32194
32195
32196
32197
32198
32199

(L)(1) In fiscal years 2010 and 2011, the department shall pay each district a pro rata portion of the amounts calculated under division (J) of this section and described in division (K) of this section, based on state appropriations. 32200
32201
32202
32203

(2) In addition to the prorated payment under division (L)(1) of this section, in fiscal years 2010 and 2011, the department shall pay each school district that meets the conditions prescribed in division (L)(3) of this section an additional amount equal to the following product: 32204
32205
32206
32207
32208

(a) The difference of (i) the amounts calculated under division (J) of this section and prescribed in division (K) of this section minus (ii) that prorated payment; times 32209
32210
32211

(b) 0.30 in fiscal year 2010 and 0.70 in fiscal year 2011. 32212

(3) Division (L)(2) of this section applies to each school district that meets all of the following conditions: 32213
32214

(a) The district qualifies for the calculation of a payment under division (J) of this section because it transports students on board-owned or contractor-owned school buses. 32215
32216
32217

(b) The district's local wealth per pupil, calculated as 32218

prescribed in section 3317.0217 of the Revised Code, is at or 32219

Sec. 3306.25. (A) The superintendent of public instruction shall adopt rules, in accordance with Chapter 119. of the Revised Code, prescribing standards for the expenditure of funds calculated under this chapter and for the reporting of expenditures of those funds for particular funded components, as determined by the superintendent, so that those funds are directed toward the purposes for which they were calculated.

The superintendent shall classify the components into the following categories:

(1) Core academic strategy components, which shall be considered those components that are fundamental to successful education practices in the twenty-first century for all students;

(2) Academic improvement components, which shall be considered those components that have been demonstrated to make the greatest improvement in the academic achievement of underperforming students;

governmental functions of the state. A commission shall be known 33137
as the "accountability compliance commission for 33138
(name of school district, community school, or STEM school)," and, 33139
in that name, may exercise all authority vested in such a 33140
commission by this section. A separate commission shall be 33141
established for each school district, community school, or STEM 33142
school for which the superintendent of public instruction opts to 33143
establish a commission under division (D) of section 3306.33 of 33144
the Revised Code. 33145

(B) Each accountability commission shall consist of three 33146
members, one of whom shall be appointed by the governor, one of 33147
whom shall be appointed by the superintendent of public 33148
instruction, and one of whom shall be appointed by the auditor of 33149
state. 33150

All members shall serve at the pleasure of the appointing 33151
authority during the life of the commission. In the event of the 33152

death, resignation, incapacity, removal, or ineligibility to serve 33153
of a member, the appointing authority shall appoint a successor 33154
within fifteen days after the vacancy occurs. Members shall serve 33155
without compensation, but shall be paid by the commission their 33156
necessary and actual expenses incurred while engaged in the 33157
business of the commission. 33158

(C) Immediately after appointment of the initial members of 33159
an accountability compliance commission, the state superintendent 33160
shall call the first meeting of the commission and shall cause 33161
written notice of the time, date, and place of that meeting to be 33162
given to each member of the commission at least forty-eight hours 33163
in advance of the meeting. The first meeting shall include an 33164
overview of the commission's roles and responsibilities, the 33165
requirements of section 2921.42 and Chapter 102. of the Revised 33166
Code as they pertain to commission members, the requirements of 33167
section 121.22 of the Revised Code, and the provisions of division 33168
(F) of this section. At its first meeting, the commission shall 33169
adopt temporary bylaws in accordance with division (D) of this 33170
section to govern its operations until the adoption of permanent 33171
bylaws. 33172

The state superintendent shall designate a chairperson for 33173
the commission from among the members. The chairperson shall call 33174
and conduct meetings, set meeting agendas, and serve as a liaison 33175
between the commission and the district board of education, the 33176
community school governing authority, or STEM school governing 33177
body. The chairperson also shall appoint a secretary, who shall 33178
not be a member of the commission. 33179

The department of education shall provide administrative 33180
support for the commission, provide data requested by the 33181
commission, and inform the commission of available state resources 33182
that could assist the commission in its work. 33183

(D) Each accountability compliance commission may adopt and 33184

alter bylaws and rules, which shall not be subject to section 33185
111.15 or Chapter 119. of the Revised Code, for the conduct of its 33186
affairs and for the manner, subject to this section, in which its 33187
powers and functions shall be exercised and embodied. 33188

(E) Two members of an accountability compliance commission 33189
constitute a quorum of the commission. The affirmative vote of two 33190
members of the commission is necessary for any action taken by 33191
vote of the commission. No vacancy in the membership of the 33192
commission shall impair the rights of a quorum by such vote to 33193
exercise all the rights and perform all the duties of the 33194
commission. Members of the commission are not disqualified from 33195
voting by reason of the functions of any other office they hold 33196
and are not disqualified from exercising the functions of the 33197
other office with respect to the school district or community 33198
school or STEM school, its officers, or the commission. 33199

(F) The members of an accountability compliance commission, 33200
the state superintendent, and any person authorized to act on 33201
behalf of or assist them shall not be personally liable or subject 33202
to any suit, judgment, or claim for damages resulting from the 33203
exercise of or failure to exercise the powers, duties, and 33204
functions granted to them in regard to their functioning under 33205
this section, but the commission, state superintendent, and such 33206
other persons shall be subject to mandamus proceedings to compel 33207
performance of their duties under this section. 33208

(G) Each member of an accountability compliance commission 33209
shall file the statement described in section 102.02 of the 33210
Revised Code with the Ohio ethics commission. The statement shall 33211
be confidential, subject to review, as described in division (B) 33212
of that section. 33213

(H) Meetings of each accountability compliance commission 33214
shall be subject to section 121.22 of the Revised Code. 33215

(I) Each accountability compliance commission shall seek 33216
input from the district board of education, community school 33217
governing authority, or STEM school governing body regarding ways 33218
to improve the district's or school's operations and compliance 33219
with the requirements of this chapter and the expenditure and 33220
reporting standards prescribed by rule adopted under section 33221
3306.25 of the Revised Code, but any decision of the commission 33222
related to any authority granted to the commission under this 33223
section shall be final. 33224

The commission may do any of the following: 33225

(1) Prepare and submit the school district's, community 33226

(4) Contract with a private entity to perform school or 33235
district management functions; 33236

(5) Establish a budget for the district or school and approve 33237
district or school appropriations and expenditures, unless, in the 33238
case of a school district, a financial planning and supervision 33239
commission has been established for the district pursuant to 33240
section 3316.05 of the Revised Code; 33241

(6) Exercise the powers, duties, and functions with respect 33242
to the district, community school, or STEM school as are granted 33243
to a financial planning and supervision commission with respect to 33244
a school district under divisions (A)(1) to (4) of section 3316.07 33245
of the Revised Code, unless a financial planning and supervision 33246

commission has been established for the district. 33247

(J) If the board of education of a school district, governing authority of a community school, or governing body of a STEM school for which an accountability compliance commission has been established renews any collective bargaining agreement under Chapter 4117. of the Revised Code during the existence of the commission, the board, governing authority, or governing body shall not enter into any agreement that would render any decision of the commission unenforceable. 33248

33251
33252
33253
33254
33255

The department annually shall issue and publish on its web site a FACT form for each city, local, and exempted village school district, community school established under Chapter 3314. of the Revised Code, and STEM school established under Chapter 3326. of the Revised Code. The form shall compare the payments to the district or school under each component prescribed by this chapter with the district's or school's deployment of those payments as indicated in its spending plan submitted under section 3306.30 and, if applicable, 3306.31 of the Revised Code. The form shall not be the basis of any actions under section 3306.33 of the Revised Code but shall be a public document to inform parents, students, and taxpayers about the district's or school's spending. 33261

The state board of education shall adopt standards for the approval or disapproval of waivers under this section. The state superintendent shall consider every application for a waiver, and shall determine whether to grant or deny a waiver in accordance with the state board's standards. For each waiver granted, the state superintendent shall specify the period of time during which the waiver is in effect, which shall not exceed five years. A district, community school, or STEM school may apply to renew a waiver.

Sec. 3306.50. (A) The Harmon commission is hereby created.

(1) The commission shall consist of twenty-one members, each of whom must be one of the following:

with the minority leader of the house of representatives and the 33307
minority leader of the senate; 33308

(b) Ten persons appointed by the governor. 33309

In making their respective appointments under this section, 33310
the appointing authorities shall consult with each other so that 33311
of the twenty-one members appointed to the commission, there are 33312
at least five members from each of the categories prescribed in 33313
divisions (A)(1)(a) to (c) of this section. 33314

(B) The chairperson of the commission shall be selected by 33323
the governor from among the members of the commission. 33324

(C) The members of the commission shall serve without 33325
compensation but shall be paid by the department of education 33326
their necessary and actual expenses incurred while engaged in the 33327

Sec. 3306.51. The Harmon commission shall review and approve 33329
or disapprove applications from city, exempted village, and local 33330
school districts and community schools established under Chapter 33331
3314. of the Revised Code for individual classrooms to be 33332
designated as creative learning environments. To be eligible for 33333
designation of one or more of its classrooms as a creative 33334
learning environment, a community school shall enter into a 33335

memorandum of understanding, approved by the center for creativity 33336
and innovation in the department of education, with one or more 33337
school districts that specifies a collaborative agreement to share 33338
programming and resources to promote successful academic 33339
achievement for students and academic and fiscal efficiencies. 33340

The commission shall designate a classroom as a creative 33341
learning environment if the commission determines that the 33342
classroom supports and emphasizes innovation in instruction 33343
methods and lesson plans and operates in accordance with the 33344
guidelines adopted by the state board of education under section 33345
3306.52 of the Revised Code. Beginning July 1, 2010, a district or 33346
community school that has a classroom that is designated a 33347
creative learning environment may qualify for the pilot subsidy 33348
prescribed by section 3306.57 of the Revised Code. 33349

Sec. 3306.52. The state board of education shall do both of 33350
the following: 33351

(A) Adopt guidelines for the Harmon commission to use in 33352
reviewing applications for creative learning environments. 33353

(B) Direct the department of education, through the center 33354

city, exempted village, or local school district and a community 33359
school may submit to the Harmon commission an unlimited number of 33360
applications for first-time designation of individual classrooms 33361
as creative learning environments. No applications may be 33362
submitted between April 15, 2010, and July 1, 2010. After July 1, 33363
2011, each city, exempted village, or local school district and 33364
each eligible community school may submit only one application per 33365

fiscal year for first-time designation of one classroom as a 33366
creative learning environment. 33367

Sec. 3306.54. Not later than the first day of May each year, 33368
the Harmon commission shall begin meeting to review pending 33369
applications for first-time designations submitted under section 33370
3306.53 of the Revised Code. The commission shall approve or 33371
disapprove all pending applications by the first day of July. The 33372
decision of the commission is final. 33373

Sec. 3306.55. (A) The Harmon commission's first-time 33374
designation of a classroom as a creative learning environment is 33375
valid for one fiscal year. A school district or community school 33376
may apply to have the designation renewed. The commission shall 33377
renew the designation for the next two fiscal years if the school 33378
district or community school applies for the renewal and the 33379
commission finds that the classroom continues to meet the 33380
guidelines adopted under section 3306.52 of the Revised Code. The 33381
commission shall not renew the designation if the school district 33382
or community school does not apply for renewal or if the 33383
commission determines that the classroom no longer meets those 33384
guidelines. 33385

(B) At the end of a two-year renewal granted under division 33386
(A) of this section, and every two fiscal years thereafter, the 33387
designation of a classroom as a creative learning environment is 33388

(C) If the department of education at any time finds that the 33392

first day of July following the department's appeal. 33399

(D) The decision of the commission under divisions (A) to (C) 33400
of this section is final. 33401

(E) If the commission does not renew a designation of a 33402
classroom under division (A) of this section or revokes that 33403
designation under division (C) of this section, the district or 33404
community school may reapply for designation of the classroom 33405

creative learning environment may apply for the pilot subsidy. 33426
Each district and community school electing to apply shall do so 33427
in the manner and by the deadline established by the department. 33428
If more eligible districts and community schools apply for the 33429
subsidy than can be supported by the amount appropriated for the 33430
subsidy, the department shall select districts and community 33431
schools to receive the subsidy on a first-come, first served 33432
basis. 33433

(C) Each school district or community school selected by the 33434
department for the pilot subsidy shall receive for fiscal year 33435

conduct of an enterprise of a like character and with like aims; 33456

and by diversifying the investments of the system so as to 33457
minimize the risk of large losses, unless under the circumstances 33458
it is clearly prudent not to do so. 33459

establish a partnership, trust, limited liability company, 33461
corporation, including a corporation exempt from taxation under 33462
the Internal Revenue Code, 100 Stat. 2085, 26 U.S.C. 1, as 33463

in this state. 33465

(B) In exercising its fiduciary responsibility with respect 33466
to the investment of the funds, it shall be the intent of the 33467
board to give consideration to investments that enhance the 33468
general welfare of the state and its citizens where the 33469
investments offer quality, return, and safety comparable to other 33470
investments currently available to the board. In fulfilling this 33471
intent, equal consideration shall also be given to investments 33472
otherwise qualifying under this section that involve minority 33473
owned and controlled firms and firms owned and controlled by 33474
women, either alone or in joint venture with other firms. 33475

The board shall adopt, in regular meeting, policies, 33476
objectives, or criteria for the operation of the investment 33477
program that include asset allocation targets and ranges, risk 33478

policies and criteria for the selection of agents and investment 33481
managers with whom the board may contract for the administration 33482
of the funds, the board shall comply with sections 3307.152 and 33483

Amendments and additions to the policies and criteria shall be 33490
adopted in regular meeting. The board shall publish its policies, 33491
objectives, and criteria under this provision no less often than 33492
annually and shall make copies available to interested parties. 33493

When reporting on the performance of investments, the board 33494
shall comply with the performance presentation standards 33495
established by the association for investment management and 33496
research. 33497

(C) All bonds, notes, certificates, stocks, or other 33498
evidences of investments purchased by the board shall be delivered 33499
to the treasurer of state, who is hereby designated as custodian 33500
thereof, or to the treasurer of state's authorized agent, and the 33501
treasurer of state or the agent shall collect the principal, 33502
interest, dividends, and distributions that become due and payable 33503
and place them when so collected into the custodial funds. 33504
Evidences of title of the investments may be deposited by the 33505
treasurer of state for safekeeping with an authorized agent, 33506
selected by the treasurer of state, who is a qualified trustee 33507
under section 135.18 of the Revised Code. The treasurer of state 33508
shall pay for the investments purchased by the board on receipt of 33509
written or electronic instructions from the board or the board's 33510
designated agent authorizing the purchase and pending receipt of 33511
the evidence of title of the investment by the treasurer of state 33512
or the treasurer of state's authorized agent. The board may sell 33513
investments held by the board, and the treasurer of state or the 33514
treasurer of state's authorized agent shall accept payment from 33515
the purchaser and deliver evidence of title of the investment to 33516
the purchaser on receipt of written or electronic instructions 33517
from the board or the board's designated agent authorizing the 33518
sale, and pending receipt of the moneys for the investments. The 33519
amount received shall be placed into the custodial funds. The 33520

board and the treasurer of state may enter into agreements to 33521
establish procedures for the purchase and sale of investments 33522
under this division and the custody of the investments. 33523

(D) No purchase or sale of any investment shall be made under 33524
this section except as authorized by the board. 33525

(E) Any statement of financial position distributed by the 33526
board shall include the fair value, as of the statement date, of 33527

(3) "Women's business enterprise" means a business, or a 33536
partnership, corporation, limited liability company, or joint 33537

United States citizens and residents of this state. 33539

(B) The state teachers retirement board shall submit annually 33540
to the governor, to the general assembly (under section 101.68 of 33541
the Revised Code), and to the Ohio retirement study council a 33542
report containing the following information: 33543

Ohio-qualified investment managers that are minority business 33553
enterprises or women's business enterprises. 33554

Sec. 3307.31. (A) Payments by boards of education and 33555
governing authorities of community schools to the state teachers 33556
retirement system, as provided in sections 3307.29 and 3307.291 of 33557
the Revised Code, shall be made from the amount allocated under 33558
section 3314.08, Chapter 3306., or Chapter 3317. of the Revised 33559
Code prior to its distribution to the individual school districts 33560
or community schools. The amount due from each school district or 33561
community school shall be certified by the secretary of the system 33562
to the superintendent of public instruction monthly, or at such 33563
times as may be determined by the state teachers retirement board. 33564
33565

The superintendent shall deduct, from the amount allocated to 33566
each district or community school under section 3314.08, Chapter 33567
3306., or Chapter 3317. of the Revised Code, the entire amounts 33568
due to the system from such district or school upon the 33569
certification to the superintendent by the secretary thereof. 33570

The superintendent shall certify to the director of budget 33571
and management the amounts thus due the system for payment. 33572

(B) Payments to the state teachers retirement system by a 33573
science, technology, engineering, and mathematics school shall be 33574
deducted from the amount allocated under section 3326.33 of the 33575
Revised Code and shall be made in the same manner as payments by 33576
boards of education under this section. 33577

Sec. 3307.64. A disability benefit recipient, notwithstanding 33578
section 3319.13 of the Revised Code, shall retain membership in 33579
the state teachers retirement system and shall be considered on 33580

leave of absence during the first five years following the 33581
effective date of a disability benefit. 33582

The state teachers retirement board shall require any 33583
disability benefit recipient to submit to an annual medical 33584
examination by a physician selected by the board, except that the 33585
board may waive the medical examination if the board's physician 33586
certifies that the recipient's disability is ongoing. If a 33587
disability benefit recipient refuses to submit to a medical 33588
examination, the recipient's disability benefit shall be suspended 33589
until the recipient withdraws the refusal. If the refusal 33590
continues for one year, all the recipient's rights under and to 33591
the disability benefit shall be terminated as of the effective 33592
date of the original suspension. 33593

After the examination, the examiner shall report and certify 33594
to the board whether the disability benefit recipient is no longer 33595
physically and mentally incapable of resuming the service from 33596
which the recipient was found disabled. If the board concurs in a 33597
report by the examining physician that the disability benefit 33598
recipient is no longer incapable, the payment of a disability 33599
benefit shall be terminated not later than the following 33600
thirty-first day of August or upon employment as a teacher prior 33601
thereto. If the leave of absence has not expired, the board shall 33602
so certify to the disability benefit recipient's last employer 33603
before being found disabled that the recipient is no longer 33604
physically and mentally incapable of resuming service that is the 33605
same or similar to that from which the recipient was found 33606
disabled. If the recipient was under contract at the time the 33607
recipient was found disabled, the employer by the first day of the 33608
next succeeding year shall restore the recipient to the 33609
recipient's previous position and salary or to a position and 33610
salary similar thereto, unless the recipient was dismissed or 33611
resigned in lieu of dismissal for dishonesty, misfeasance, 33612

malfeasance, or conviction of a felony. 33613

A disability benefit shall terminate if the disability 33614
benefit recipient becomes employed as a teacher in any public or 33615
private school or institution in this state or elsewhere. An 33616
individual receiving a disability benefit from the system shall be 33617
ineligible for any employment as a teacher and it shall be 33618
unlawful for any employer to employ the individual as a teacher. 33619
If any employer should employ or reemploy the individual prior to 33620
the termination of a disability benefit, the employer shall file 33621
notice of employment with the board designating the date of the 33622
employment. If the individual should be paid both a disability 33623
benefit and also compensation for teaching service for all or any 33624
part of the same month, the secretary of the board shall certify 33625
to the employer or to the superintendent of public instruction the 33626
amount of the disability benefit received by the individual during 33627
the employment, which amount shall be deducted from any amount due 33628
the employing district under ~~Chapter~~ Chapters 3306. and 3317. of 33629
the Revised Code or shall be paid by the employer to the annuity 33630
and pension reserve fund. 33631

Each disability benefit recipient shall file with the board 33632
an annual statement of earnings, current medical information on 33633
the recipient's condition, and any other information required in 33634
rules adopted by the board. The board may waive the requirement 33635
that a disability benefit recipient file an annual statement of 33636
earnings or current medical information if the board's physician 33637
certifies that the recipient's disability is ongoing. 33638

The board shall annually examine the information submitted by 33639
the recipient. If a disability benefit recipient refuses to file 33640
the statement or information, the disability benefit shall be 33641
suspended until the statement and information are filed. If the 33642
refusal continues for one year, the recipient's right to the 33643
disability benefit shall be terminated as of the effective date of 33644

the original suspension. 33645

A disability benefit also may be terminated by the board at 33646
the request of the disability benefit recipient. 33647

If disability retirement under section 3307.63 of the Revised 33648
Code is terminated for any reason, the annuity and pension 33649
reserves at that time in the annuity and pension reserve fund 33650
shall be transferred to the teachers' savings fund and the 33651
employers' trust fund, respectively. If the total disability 33652
benefit paid was less than the amount of the accumulated 33653
contributions of the member transferred to the annuity and pension 33654
reserve fund at the time of the member's disability retirement, 33655
then the difference shall be transferred from the annuity and 33656
pension reserve fund to another fund as required. In determining 33657
the amount of a member's account following the termination of 33658
disability retirement for any reason, the total amount paid shall 33659
be charged against the member's refundable account. 33660

If a disability allowance paid under section 3307.631 of the 33661
Revised Code is terminated for any reason, the reserve on the 33662
allowance at that time in the annuity and pension reserve fund 33663
shall be transferred from that fund to the employers' trust fund. 33664

If a former disability benefit recipient again becomes a 33665
contributor, other than as an other system retirant under section 33666
3307.35 of the Revised Code, to this retirement system, the school 33667
employees retirement system, or the public employees retirement 33668
system, and completes at least two additional years of service 33669
credit, the former disability benefit recipient shall receive 33670
credit for the period as a disability benefit recipient. 33671

Sec. 3309.15. (A) The members of the school employees 33672
retirement board shall be the trustees of the funds created by 33673
section 3309.60 of the Revised Code. The board shall have full 33674
power to invest the funds. The board and other fiduciaries shall 33675

discharge their duties with respect to the funds solely in the 33676
interest of the participants and beneficiaries; for the exclusive 33677
purpose of providing benefits to participants and their 33678
beneficiaries and defraying reasonable expenses of administering 33679
the school employees retirement system; with care, skill, 33680
prudence, and diligence under the circumstances then prevailing 33681
that a prudent person acting in a like capacity and familiar with 33682
such matters would use in the conduct of an enterprise of a like 33683
character and with like aims; and by diversifying the investments 33684
of the system so as to minimize the risk of large losses, unless 33685
under the circumstances it is clearly prudent not to do so. 33686

The board may establish a partnership, trust, limited 33687
liability company, corporation, including a corporation exempt 33688
from taxation under the Internal Revenue Code, 100 Stat. 2085, 26 33689
U.S.C.A. 1, as amended, or any other legal entity authorized to 33690
transact business in this state. 33691

(B) In exercising its fiduciary responsibility with respect 33692
to the investment of the funds, it shall be the intent of the 33693
board to give consideration to investments that enhance the 33694
general welfare of the state and its citizens where the 33695
investments offer quality, return, and safety comparable to other 33696
investments currently available to the board. In fulfilling this 33697
intent, equal consideration shall also be given to investments 33698
otherwise qualifying under this section that involve minority 33699
owned and controlled firms and firms owned and controlled by 33700
women, either alone or in joint venture with other firms. 33701

The board shall adopt, in regular meeting, policies, 33702
objectives, or criteria for the operation of the investment 33703
program that include asset allocation targets and ranges, risk 33704
factors, asset class benchmarks, time horizons, total return 33705
objectives, and performance evaluation guidelines. In adopting 33706
policies and criteria for the selection of agents and investment 33707

managers with whom the board may contract for the administration 33708
of the funds, the board shall comply with sections 3309.157 and 33709
3309.159 of the Revised Code and ~~shall~~ may also ~~give equal~~ 33710
~~consideration to~~ set aside approximately fifteen per cent of the 33711
contracts for minority owned and controlled firms, firms owned and 33712
controlled by women, and ventures involving minority owned and 33713
controlled firms and firms owned and controlled by women that 33714
otherwise meet the policies and criteria established by the board. 33715
Amendments and additions to the policies and criteria shall be 33716
adopted in regular meeting. The board shall publish its policies, 33717
objectives, and criteria under this provision no less often than 33718
annually and shall make copies available to interested parties. 33719

When reporting on the performance of investments, the board 33720
shall comply with the performance presentation standards 33721
established by the association for investment management and 33722
research. 33723

(C) All evidences of title of investments purchased by the 33724
board under this section shall be delivered to the treasurer of 33725
state, who is hereby designated as custodian thereof, or to the 33726
treasurer of state's authorized agent, and the treasurer of state 33727
or the agent shall collect principal, interest, dividends, and 33728
distributions that become due and payable and place the same when 33729
so collected into the custodial funds. Evidences of title of the 33730
investments may be deposited by the treasurer of state for 33731
safekeeping with an authorized agent, selected by the treasurer of 33732
state, who is a qualified trustee under section 135.18 of the 33733
Revised Code. The treasurer of state shall pay for the investments 33734
purchased by the board pending receipt of the evidence of title of 33735
the investments by the treasurer of state or to the treasurer of 33736
state's authorized agent, and on receipt of written or electronic 33737
instructions from the board or the board's designated agent 33738
authorizing the purchase. The board may sell any investments held 33739

by the board, and the treasurer of state or the treasurer of 33740
state's authorized agent shall accept payment from the purchaser 33741
and deliver evidence of title of the investment to the purchaser 33742
on receipt of written or electronic instructions from the board or 33743
the board's designated agent authorizing the sale, and pending 33744
receipt of the moneys for the investments. The amount received 33745
shall be placed into the custodial funds. The board and the 33746
treasurer of state may enter into agreements to establish 33747
procedures for the purchase and sale of investments under this 33748
division and the custody of the investment. 33749

(D) No purchase or sale of any investment shall be made under 33750
this section except as authorized by the school employees 33751
retirement board. 33752

(E) Any statement of financial position distributed by the 33753
board shall include the fair value, as of the statement date, of 33754
all investments held by the board under this section. 33755

disability benefit recipient is no longer incapable, the payment 33803
of the disability benefit shall be terminated not later than three 33804
months after the date of the board's concurrence or upon 33805
employment as an employee. If the leave of absence has not 33806
expired, the retirement board shall certify to the disability 33807
benefit recipient's last employer before being found disabled that 33808
the recipient is no longer physically and mentally incapable of 33809
resuming service that is the same or similar to that from which 33810
the recipient was found disabled. The employer shall restore the 33811
recipient to the recipient's previous position and salary or to a 33812
position and salary similar thereto not later than the first day 33813
of the first month following termination of the disability 33814
benefit, unless the recipient was dismissed or resigned in lieu of 33815
dismissal for dishonesty, misfeasance, malfeasance, or conviction 33816
of a felony. 33817

(D) Each disability benefit recipient shall file with the 33818
board an annual statement of earnings, current medical information 33819
on the recipient's condition, and any other information required 33820
in rules adopted by the board. The board may waive the requirement 33821

condition if the board's physician or physicians certify that the 33824
recipient's disability is ongoing. 33825

The board shall annually examine the information submitted by 33826
the recipient. If a disability benefit recipient refuses to file 33827

refusal continues for one year, the recipient's right to the 33830
disability benefit shall be terminated as of the effective date of 33831

the original suspension. 33832

(E) If a disability benefit recipient is employed by an 33833

reserves at that time in the annuity and pension reserve fund 33838
shall be transferred to the employees' savings fund and the 33839
employers' trust fund, respectively. If the total disability 33840
benefit paid is less than the amount of the accumulated 33841
contributions of the member transferred into the annuity and 33842
pension reserve fund at the time of the member's disability 33843
retirement, the difference shall be transferred from the annuity 33844
and pension reserve fund to another fund as may be required. In 33845
determining the amount of a member's account following the 33846
termination of disability retirement for any reason, the amount 33847
paid shall be charged against the member's refundable account. 33848

If a disability allowance paid under section 3309.401 of the 33849
Revised Code is terminated for any reason, the reserve on the 33850
allowance at that time in the annuity and pension reserve fund 33851
shall be transferred from that fund to the employers' trust fund. 33852

The board may terminate a disability benefit at the request 33853
of the recipient. 33854

(G) If a disability benefit is terminated and a former 33855

the Revised Code, to this system, the public employees retirement 33858

the disability benefit, the former disability benefit recipient 33861
shall be entitled to full service credit for the period as a 33862

disability benefit recipient. 33863

(H) If any employer employs any member who is receiving a 33864

with the retirement board, designating the date of employment. In 33866
case the notice is not filed, the total amount of the benefit paid 33867
during the period of employment prior to notice shall be paid from 33868
amounts allocated under ~~Chapter~~ Chapters 3306. and 3317. of the 33869

form provided by the retirement board is received in the office of 33884
the retirement system. The total service credit granted under this 33885
section shall not exceed ten years for any such employee. 33886

The liability incurred by the retirement board because of the 33887
service credit granted under this section shall be determined by 33888
the retirement board, the cost of which shall be equal to an 33889
amount that is determined by applying the combined employee and 33890
employer rates of contribution against the compensation of such 33891
employee at the rates of contribution and maximum salary 33892
provisions in effect during such employment for each year for 33893

which credit is granted, together with interest at the rate to be 33894

(6) "Preschool scholarship ADM" means the number of preschool children with disabilities reported under division (B)(3)(h) of section 3317.03 of the Revised Code.	34243 34244 34245
(7) "Qualified special education child" is a child for whom all of the following conditions apply:	34246 34247
(a) The school district in which the child is entitled to attend school has identified the child as autistic. A child who has been identified as having a "pervasive developmental disorder - not otherwise specified (PPD-NOS)" shall be considered to be an autistic child for purposes of this section.	34248 34249 34250 34251 34252

a scholarship to the parent of each qualified special education 34274
child upon application of that parent pursuant to procedures and 34275
deadlines established by rule of the state board of education. 34276
Each scholarship shall be used only to pay tuition for the child 34277

the child is entitled to attend school and another school district 34300
or other public provider, or for a child to attend a community 34301
school established under Chapter 3314. of the Revised Code. 34302
However, nothing in this section or in any rule adopted by the 34303
state board shall prohibit a parent whose child attends a public 34304
special education program under a contract, compact, or other 34305
bilateral agreement, or a parent whose child attends a community 34306
school, from applying for and accepting a scholarship under this 34307
section so that the parent may withdraw the child from that 34308
program or community school and use the scholarship for the child 34309
to attend a special education program for which the parent is 34310
required to pay for services for the child. A child attending a 34311
special education program with a scholarship under this section 34312
shall continue to be entitled to transportation to and from that 34313

awarded under this section shall be counted in the formula ADM and 34318

this section shall be counted in the preschool scholarship ADM and 34325
category six special education ADM of the school district in which 34326
the child is entitled to attend school and not in the preschool 34327
scholarship ADM or category six special education ADM of any other 34328
school district. 34329

(2) In each fiscal year, the department shall deduct from the 34330
amounts paid to each school district under ~~Chapter~~ Chapters 3306. 34331
and 3317. of the Revised Code, and, if necessary, sections 321.24 34332
and 323.156 of the Revised Code, the aggregate amount of 34333

education children included in the formula ADM, or preschool 34335

the school ~~district's compliance with division (C)(5) of section~~ 34344
~~3317.022 of the Revised Code~~ district. 34345

(3) From time to time, the department shall make a payment to 34346
the parent of each qualified special education child for whom a 34347
scholarship has been awarded under this section. The scholarship 34348
amount shall be proportionately reduced in the case of any such 34349
child who is not enrolled in the special education program for 34350
which a scholarship was awarded under this section for the entire 34351
school year. The department shall make no payments to the parent 34352
of a child while any administrative or judicial mediation or 34353
proceedings with respect to the content of the child's 34354
individualized education program are pending. 34355

(D) A scholarship shall not be paid to a parent for payment of tuition owed to a nonpublic entity unless that entity is a registered private provider. The department shall approve entities that meet the standards established by rule of the state board for the program established under this section.

(E) The state board shall adopt rules under Chapter 119. of the Revised Code prescribing procedures necessary to implement this section, including, but not limited to, procedures and deadlines for parents to apply for scholarships, standards for registered private providers, and procedures for approval of entities as registered private providers.

Sec. 3311.0510. (A) If all of the local school districts that make up the territory of an educational service center have severed from the territory of that service center pursuant to section 3311.059 of the Revised Code, upon the effective date of the severance of the last remaining local school district to make up the territory of the service center, the governing board of that service center shall be abolished and such service center shall be dissolved by order of the superintendent of public instruction. The superintendent's order shall provide for the equitable division and disposition of the assets, property, debts, and obligations of the service center among the local school districts, of which the territory of the service center is or previously was made up, and shall provide that the tax duplicate of each of those local school districts shall be bound for and assume the district's equitable share of the outstanding indebtedness of the service center. The superintendent's order is final and is not appealable.

Immediately upon the abolishment of the service center governing board pursuant to this section, the superintendent shall appoint a qualified individual to administer the dissolution of

the service center and to implement the terms of the 34387
superintendent's dissolution order. Prior to distributing assets 34388
to any local school district, but after paying in full other debts 34389
and obligations of the service center, the superintendent of 34390
public instruction may assess against the remaining assets of the 34391
service center the amount of the costs incurred by the department 34392
of education in performing the superintendent's duties under this 34393
division, including the fees, if any, owed to the individual 34394
appointed to administer the superintendent's dissolution order. 34395
Any excess cost incurred by the department under this division 34396
shall be divided equitably among the local school districts, of 34397
which the territory of the service center is or previously was 34398
made up, and each district's share of that excess cost shall be 34399
bound against the tax duplicate of that district. 34400

34401

(B) A final audit of the former service center shall be 34402
performed in accordance with procedures established by the auditor 34403
of state. 34404

(C) The public records of an educational service center that 34405
is dissolved under this section shall be transferred in accordance 34406
with this division. Public records maintained by the service 34407
center in connection with services provided by the service center 34408
to local school districts shall be transferred to each of the 34409
respective local school districts. Public records maintained by 34410
the service center in connection with services provided under an 34411
agreement with a city or exempted village school district pursuant 34412
to section 3313.843 of the Revised Code shall be transferred to 34413
each of the respective city or exempted village school districts. 34414
All other public records maintained by the service center at the 34415
time the service center ceases operations shall be transferred to 34416
the Ohio historical society for analysis and disposition by the 34417
society in its capacity as archives administrator for the state 34418

and its political subdivisions pursuant to division (C) of section 34419
149.30 and section 149.31 of the Revised Code. 34420

Sec. 3311.06. (A) As used in this section: 34421

(1) "Annexation" and "annexed" mean annexation for municipal 34422
purposes under sections 709.02 to 709.37 of the Revised Code. 34423

(2) "Annexed territory" means territory that has been annexed 34424
for municipal purposes to a city served by an urban school 34425
district, but on September 24, 1986, has not been transferred to 34426
the urban school district. 34427

(3) "Urban school district" means a city school district with 34428
an average daily membership for the 1985-1986 school year in 34429
excess of twenty thousand that is the school district of a city 34430
that contains annexed territory. 34431

(4) "Annexation agreement" means an agreement entered into 34432
under division (F) of this section that has been approved by the 34433
state board of education or an agreement entered into prior to 34434
September 24, 1986, that meets the requirements of division (F) of 34435
this section and has been filed with the state board. 34436

(B) The territory included within the boundaries of a city, 34437
local, exempted village, or joint vocational school district shall 34438
be contiguous except where a natural island forms an integral part 34439
of the district, where the state board of education authorizes a 34440
noncontiguous school district, as provided in division (E)(1) of 34441
this section, or where a local school district is created pursuant 34442
to section 3311.26 of the Revised Code from one or more local 34443
school districts, one of which has entered into an agreement under 34444
section 3313.42 of the Revised Code. 34445

(C)(1) When all of the territory of a school district is 34446
annexed to a city or village, such territory thereby becomes a 34447
part of the city school district or the school district of which 34448

the village is a part, and the legal title to school property in 34449
such territory for school purposes shall be vested in the board of 34450
education of the city school district or the school district of 34451
which the village is a part. 34452

(2) When the territory so annexed to a city or village 34453
comprises part but not all of the territory of a school district, 34454
the said territory becomes part of the city school district or the 34455
school district of which the village is a part only upon approval 34456
by the state board of education, unless the district in which the 34457
territory is located is a party to an annexation agreement with 34458
the city school district. 34459

Any urban school district that has not entered into an 34460
annexation agreement with any other school district whose 34461
territory would be affected by any transfer under this division 34462
and that desires to negotiate the terms of transfer with any such 34463
district shall conduct any negotiations under division (F) of this 34464
section as part of entering into an annexation agreement with such 34465
a district. 34466

Any school district, except an urban school district, 34467
desiring state board approval of a transfer under this division 34468
shall make a good faith effort to negotiate the terms of transfer 34469
with any other school district whose territory would be affected 34470
by the transfer. Before the state board may approve any transfer 34471
of territory to a school district, except an urban school 34472
district, under this section, it must receive the following: 34473

(a) A resolution requesting approval of the transfer, passed 34474
by at least one of the school districts whose territory would be 34475
affected by the transfer; 34476

(b) Evidence determined to be sufficient by the state board 34477

district requesting the transfer has made a good faith effort to 34479

hold such negotiations; 34480

(c) If any negotiations took place, a statement signed by all 34481
boards that participated in the negotiations, listing the terms 34482
agreed on and the points on which no agreement could be reached. 34483

(D) The state board of education shall adopt rules governing 34484
negotiations held by any school district except an urban school 34485
district pursuant to division (C)(2) of this section. The rules 34486
shall encourage the realization of the following goals: 34487

(1) A discussion by the negotiating districts of the present 34488
and future educational needs of the pupils in each district; 34489

(2) The educational, financial, and territorial stability of 34490
each district affected by the transfer; 34491

(3) The assurance of appropriate educational programs, 34492
services, and opportunities for all the pupils in each 34493
participating district, and adequate planning for the facilities 34494
needed to provide these programs, services, and opportunities. 34495

Districts involved in negotiations under such rules may agree 34496
to share revenues from the property included in the territory to 34497
be transferred, establish cooperative programs between the 34498
participating districts, and establish mechanisms for the 34499
settlement of any future boundary disputes. 34500

(E)(1) If territory annexed after September 24, 1986, is part 34501
of a school district that is a party to an annexation agreement 34502
with the urban school district serving the annexing city, the 34503
transfer of such territory shall be governed by the agreement. If 34504
the agreement does not specify how the territory is to be dealt 34505
with, the boards of education of the district in which the 34506
territory is located and the urban school district shall negotiate 34507
with regard to the transfer of the territory which shall be 34508
transferred to the urban school district unless, not later than 34509
ninety days after the effective date of municipal annexation, the 34510

boards of education of both districts, by resolution adopted by a 34511
majority of the members of each board, agree that the territory 34512
will not be transferred and so inform the state board of 34513
education. 34514

If territory is transferred under this division the transfer 34515
shall take effect on the first day of July occurring not sooner 34516
than ninety-one days after the effective date of the municipal 34517
annexation. Territory transferred under this division need not be 34518
contiguous to the district to which it is transferred. 34519

(2) Territory annexed prior to September 24, 1986, by a city 34520
served by an urban school district shall not be subject to 34521
transfer under this section if the district in which the territory 34522
is located is a party to an annexation agreement or becomes a 34523
party to such an agreement not later than ninety days after 34524
September 24, 1986. If the district does not become a party to an 34525
annexation agreement within the ninety-day period, transfer of 34526
territory shall be governed by division (C)(2) of this section. If 34527
the district subsequently becomes a party to an agreement, 34528
territory annexed prior to September 24, 1986, other than 34529
territory annexed under division (C)(2) of this section prior to 34530
the effective date of the agreement, shall not be subject to 34531
transfer under this section. 34532

(F) An urban school district may enter into a comprehensive 34533
agreement with one or more school districts under which transfers 34534
of territory annexed by the city served by the urban school 34535
district after September 24, 1986, shall be governed by the 34536
agreement. Such agreement must provide for the establishment of a 34537
cooperative education program under section 3313.842 of the 34538
Revised Code in which all the parties to the agreement are 34539
participants and must be approved by resolution of the majority of 34540
the members of each of the boards of education of the school 34541
districts that are parties to it. An agreement may provide for 34542

interdistrict payments based on local revenue growth resulting 34543
from development in any territory annexed by the city served by 34544
the urban school district. 34545

An agreement entered into under this division may be altered, 34546
modified, or terminated only by agreement, by resolution approved 34547
by the majority of the members of each board of education, of all 34548
school districts that are parties to the agreement, except that 34549
with regard to any provision that affects only the urban school 34550
district and one of the other districts that is a party, that 34551
district and the urban district may modify or alter the agreement 34552
by resolution approved by the majority of the members of the board 34553
of that district and the urban district. Alterations, 34554
modifications, terminations, and extensions of an agreement 34555
entered into under this division do not require approval of the 34556
state board of education, but shall be filed with the board after 34557
approval and execution by the parties. 34558

If an agreement provides for interdistrict payments, each 34559
party to the agreement, except any school district specifically 34560
exempted by the agreement, shall agree to make an annual payment 34561
to the urban school district with respect to any of its territory 34562
that is annexed territory in an amount not to exceed the amount 34563
certified for that year under former section 3317.029 of the 34564
Revised Code as that section existed prior to July 1, 1998; except 34565
that such limitation of annual payments to amounts certified under 34566
former section 3317.029 of the Revised Code does not apply to 34567
agreements or extensions of agreements entered into on or after 34568
June 1, 1992, unless such limitation is expressly agreed to by the 34569
parties. The agreement may provide that all or any part of the 34570
payment shall be waived if the urban school district receives its 34571
payment with respect to such annexed territory under former 34572
section 3317.029 of the Revised Code and that all or any part of 34573
such payment may be waived if the urban school district does not 34574

receive its payment with respect to such annexed territory under 34575
such section. 34576

With respect to territory that is transferred to the urban 34577
school district after September 24, 1986, the agreement may 34578
provide for annual payments by the urban school district to the 34579
school district whose territory is transferred to the urban school 34580
district subsequent to annexation by the city served by the urban 34581
school district. 34582

(G) In the event territory is transferred from one school 34583
district to another under this section, an equitable division of 34584
the funds and indebtedness between the districts involved shall be 34585
made under the supervision of the state board of education and 34586
that board's decision shall be final. Such division shall not 34587
include funds payable to or received by a school district under 34588
Chapter 3306. or 3317. of the Revised Code or payable to or 34589
received by a school district from the United States or any 34590
department or agency thereof. In the event such transferred 34591
territory includes real property owned by a school district, the 34592
state board of education, as part of such division of funds and 34593
indebtedness, shall determine the true value in money of such real 34594
property and all buildings or other improvements thereon. The 34595
board of education of the school district receiving such territory 34596
shall forthwith pay to the board of education of the school 34597
district losing such territory such true value in money of such 34598
real property, buildings, and improvements less such percentage of 34599
the true value in money of each school building located on such 34600
real property as is represented by the ratio of the total 34601
enrollment in day classes of the pupils residing in the territory 34602
transferred enrolled at such school building in the school year in 34603
which such annexation proceedings were commenced to the total 34604
enrollment in day classes of all pupils residing in the school 34605
district losing such territory enrolled at such school building in 34606

such school year. The school district receiving such payment shall 34607
place the proceeds thereof in its sinking fund or bond retirement 34608
fund. 34609

(H) The state board of education, before approving such 34610
transfer of territory, shall determine that such payment has been 34611
made and shall apportion to the acquiring school district such 34612
percentage of the indebtedness of the school district losing the 34613
territory as is represented by the ratio that the assessed 34614
valuation of the territory transferred bears to the total assessed 34615
valuation of the entire school district losing the territory as of 34616
the effective date of the transfer, provided that in ascertaining 34617
the indebtedness of the school district losing the territory the 34618
state board of education shall disregard such percentage of the 34619
par value of the outstanding and unpaid bonds and notes of said 34620
school district issued for construction or improvement of the 34621
school building or buildings for which payment was made by the 34622
acquiring district as is equal to the percentage by which the true 34623
value in money of such building or buildings was reduced in fixing 34624
the amount of said payment. 34625

(I) No transfer of school district territory or division of 34626
funds and indebtedness incident thereto, pursuant to the 34627
annexation of territory to a city or village shall be completed in 34628
any other manner than that prescribed by this section regardless 34629
of the date of the commencement of such annexation proceedings, 34630
and this section applies to all proceedings for such transfers and 34631
divisions of funds and indebtedness pending or commenced on or 34632
after October 2, 1959. 34633

Sec. 3311.19. (A) The management and control of a joint 34634
vocational school district shall be vested in the joint vocational 34635
school district board of education. Where a joint vocational 34636
school district is composed only of two or more local school 34637

districts located in one county, or when all the participating 34638
districts are in one county and the boards of such participating 34639
districts so choose, the educational service center governing 34640
board of the county in which the joint vocational school district 34641
is located shall serve as the joint vocational school district 34642
board of education. Where a joint vocational school district is 34643
composed of local school districts of more than one county, or of 34644
any combination of city, local, or exempted village school 34645
districts or educational service centers, unless administration by 34646
the educational service center governing board has been chosen by 34647
all the participating districts in one county pursuant to this 34648
section, the board of education of the joint vocational school 34649
district shall be composed of one or more persons who are members 34650
of the boards of education from each of the city or exempted 34651
village school districts or members of the educational service 34652
centers' governing boards affected to be appointed by the boards 34653
of education or governing boards of such school districts and 34654
educational service centers. In such joint vocational school 34655
districts the number and terms of members of the joint vocational 34656
school district board of education and the allocation of a given 34657
number of members to each of the city and exempted village 34658
districts and educational service centers shall be determined in 34659
the plan for such district, provided that each such joint 34660
vocational school district board of education shall be composed of 34661
an odd number of members. 34662

(B) Notwithstanding division (A) of this section, a governing 34663
board of an educational service center that has members of its 34664
governing board serving on a joint vocational school district 34665
board of education may make a request to the joint vocational 34666
district board that the joint vocational school district plan be 34667
revised to provide for one or more members of boards of education 34668
of local school districts that are within the territory of the 34669
educational service district and within the joint vocational 34670

school district to serve in the place of or in addition to its 34671
educational service center governing board members. If agreement 34672
is obtained among a majority of the boards of education and 34673
governing boards that have a member serving on the joint 34674
vocational school district board of education and among a majority 34675
of the local school district boards of education included in the 34676
district and located within the territory of the educational 34677
service center whose board requests the substitution or addition, 34678
the state board of education may revise the joint vocational 34679
school district plan to conform with such agreement. 34680

(C) If the board of education of any school district or 34681
educational service center governing board included within a joint 34682
vocational district that has had its board or governing board 34683
membership revised under division (B) of this section requests the 34684
joint vocational school district board to submit to the state 34685
board of education a revised plan under which one or more joint 34686
vocational board members chosen in accordance with a plan revised 34687
under such division would again be chosen in the manner prescribed 34688
by division (A) of this section, the joint vocational board shall 34689
submit the revised plan to the state board of education, provided 34690
the plan is agreed to by a majority of the boards of education 34691
represented on the joint vocational board, a majority of the local 34692
school district boards included within the joint vocational 34693
district, and each educational service center governing board 34694
affected by such plan. The state board of education may revise the 34695
joint vocational school district plan to conform with the revised 34696
plan. 34697

(D) The vocational schools in such joint vocational school 34698
district shall be available to all youth of school age within the 34699
joint vocational school district subject to the rules adopted by 34700
the joint vocational school district board of education in regard 34701
to the standards requisite to admission. A joint vocational school 34702

district board of education shall have the same powers, duties, 34703
and authority for the management and operation of such joint 34704
vocational school district as is granted by law, except by this 34705
chapter and Chapters 124., 3306., 3317., 3323., and 3331. of the 34706
Revised Code, to a board of education of a city school district, 34707
and shall be subject to all the provisions of law that apply to a 34708
city school district, except such provisions in this chapter and 34709
Chapters 124., 3306., 3317., 3323., and 3331. of the Revised Code. 34710

(E) Where a governing board of an educational service center 34711
has been designated to serve as the joint vocational school 34712
district board of education, the educational service center 34713
superintendent shall be the executive officer for the joint 34714
vocational school district, and the governing board may provide 34715
for additional compensation to be paid to the educational service 34716
center superintendent by the joint vocational school district, but 34717
the educational service center superintendent shall have no 34718
continuing tenure other than that of educational service center 34719
superintendent. The superintendent of schools of a joint 34720
vocational school district shall exercise the duties and authority 34721
vested by law in a superintendent of schools pertaining to the 34722
operation of a school district and the employment and supervision 34723
of its personnel. The joint vocational school district board of 34724
education shall appoint a treasurer of the joint vocational school 34725
district who shall be the fiscal officer for such district and who 34726
shall have all the powers, duties, and authority vested by law in 34727
a treasurer of a board of education. Where a governing board of an 34728
educational service center has been designated to serve as the 34729
joint vocational school district board of education, such board 34730
may appoint the educational service center superintendent as the 34731
treasurer of the joint vocational school district. 34732

(F) Each member of a joint vocational school district board 34733
of education may be paid such compensation as the board provides 34734

by resolution, but it shall not exceed one hundred twenty-five 34735
dollars per member for each meeting attended plus mileage, at the 34736
rate per mile provided by resolution of the board, to and from 34737
meetings of the board. 34738

The board may provide by resolution for the deduction of 34739
amounts payable for benefits under section 3313.202 of the Revised 34740
Code. 34741

Each member of a joint vocational school district board may 34742
be paid such compensation as the board provides by resolution for 34743
attendance at an approved training program, provided that such 34744
compensation shall not exceed sixty dollars per day for attendance 34745
at a training program three hours or fewer in length and one 34746
hundred twenty-five dollars a day for attendance at a training 34747
program longer than three hours in length. However, no board 34748
member shall be compensated for the same training program under 34749
this section and section 3313.12 of the Revised Code. 34750

Sec. 3311.21. (A) In addition to the resolutions authorized 34751
by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of 34752
the Revised Code, the board of education of a joint vocational or 34753
cooperative education school district by a vote of two-thirds of 34754
its full membership may at any time adopt a resolution declaring 34755
the necessity to levy a tax in excess of the ten-mill limitation 34756
for a period not to exceed ten years to provide funds for any one 34757
or more of the following purposes, which may be stated in the 34758
following manner in such resolution, the ballot, and the notice of 34759
election: purchasing a site or enlargement thereof and for the 34760
erection and equipment of buildings; for the purpose of enlarging, 34761
improving, or rebuilding thereof; for the purpose of providing for 34762
the current expenses of the joint vocational or cooperative school 34763
district; or for a continuing period for the purpose of providing 34764
for the current expenses of the joint vocational or cooperative 34765

education school district. The resolution shall specify the amount 34766
of the proposed rate and, if a renewal, whether the levy is to 34767
renew all, or a portion of, the existing levy, and shall specify 34768
the first year in which the levy will be imposed. If the levy 34769
provides for but is not limited to current expenses, the 34770
resolution shall apportion the annual rate of the levy between 34771
current expenses and the other purpose or purposes. Such 34772
apportionment may but need not be the same for each year of the 34773
levy, but the respective portions of the rate actually levied each 34774
year for current expenses and the other purpose or purposes shall 34775
be limited by such apportionment. The portion of any such rate 34776
actually levied for current expenses of a joint vocational or 34777
cooperative education school district shall be used in applying 34778
division (A)(1) of section 3306.01 and division (A) of section 34779
3317.01 of the Revised Code. The portion of any such rate not 34780
apportioned to the current expenses of a joint vocational or 34781
cooperative education school district shall be used in applying 34782
division (B) of this section. On the adoption of such resolution, 34783
the joint vocational or cooperative education school district 34784
board of education shall certify the resolution to the board of 34785
elections of the county containing the most populous portion of 34786
the district, which board shall receive resolutions for filing and 34787
send them to the boards of elections of each county in which 34788
territory of the district is located, furnish all ballots for the 34789
election as provided in section 3505.071 of the Revised Code, and 34790
prepare the election notice; and the board of elections of each 34791
county in which the territory of such district is located shall 34792
make the other necessary arrangements for the submission of the 34793
question to the electors of the joint vocational or cooperative 34794
education school district at the next primary or general election 34795
occurring not less than seventy-five days after the resolution was 34796
received from the joint vocational or cooperative education school 34797
district board of education, or at a special election to be held 34798

at a time designated by the district board of education consistent 34799
with the requirements of section 3501.01 of the Revised Code, 34800
which date shall not be earlier than seventy-five days after the 34801
adoption and certification of the resolution. 34802

The board of elections of the county or counties in which 34803
territory of the joint vocational or cooperative education school 34804
district is located shall cause to be published in one or more 34805
newspapers of general circulation in that district an 34806
advertisement of the proposed tax levy question together with a 34807
statement of the amount of the proposed levy once a week for two 34808
consecutive weeks, prior to the election at which the question is 34809
to appear on the ballot, and, if the board of elections operates 34810
and maintains a web site, the board also shall post a similar 34811
advertisement on its web site for thirty days prior to that 34812
election. 34813

If a majority of the electors voting on the question of 34814
levying such tax vote in favor of the levy, the joint vocational 34815
or cooperative education school district board of education shall 34816
annually make the levy within the district at the rate specified 34817
in the resolution and ballot or at any lesser rate, and the county 34818
auditor of each affected county shall annually place the levy on 34819
the tax list and duplicate of each school district in the county 34820
having territory in the joint vocational or cooperative education 34821
school district. The taxes realized from the levy shall be 34822
collected at the same time and in the same manner as other taxes 34823
on the duplicate, and the taxes, when collected, shall be paid to 34824
the treasurer of the joint vocational or cooperative education 34825
school district and deposited to a special fund, which shall be 34826
established by the joint vocational or cooperative education 34827
school district board of education for all revenue derived from 34828
any tax levied pursuant to this section and for the proceeds of 34829
anticipation notes which shall be deposited in such fund. After 34830

the approval of the levy, the joint vocational or cooperative 34831
education school district board of education may anticipate a 34832
fraction of the proceeds of the levy and from time to time, during 34833
the life of the levy, but in any year prior to the time when the 34834
tax collection from the levy so anticipated can be made for that 34835
year, issue anticipation notes in an amount not exceeding fifty 34836
per cent of the estimated proceeds of the levy to be collected in 34837
each year up to a period of five years after the date of the 34838
issuance of the notes, less an amount equal to the proceeds of the 34839
levy obligated for each year by the issuance of anticipation 34840
notes, provided that the total amount maturing in any one year 34841
shall not exceed fifty per cent of the anticipated proceeds of the 34842
levy for that year. Each issue of notes shall be sold as provided 34843
in Chapter 133. of the Revised Code, and shall, except for such 34844
limitation that the total amount of such notes maturing in any one 34845
year shall not exceed fifty per cent of the anticipated proceeds 34846
of the levy for that year, mature serially in substantially equal 34847
installments, during each year over a period not to exceed five 34848
years after their issuance. 34849

(B) Prior to the application of section 319.301 of the 34850
Revised Code, the rate of a levy that is limited to, or to the 34851
extent that it is apportioned to, purposes other than current 34852
expenses shall be reduced in the same proportion in which the 34853
district's total valuation increases during the life of the levy 34854
because of additions to such valuation that have resulted from 34855
improvements added to the tax list and duplicate. 34856

(C) The form of ballot cast at an election under division (A) 34857
of this section shall be as prescribed by section 5705.25 of the 34858
Revised Code. 34859

Sec. 3311.29. (A) Except as provided under division (B) or 34860
(C) of this section, no school district shall be created and no 34861

school district shall exist which does not maintain within such 34862
district public schools consisting of grades kindergarten through 34863
twelve and any such existing school district not maintaining such 34864
schools shall be dissolved and its territory joined with another 34865
school district or districts by order of the state board of 34866
education if no agreement is made among the surrounding districts 34867
voluntarily, which order shall provide an equitable division of 34868
the funds, property, and indebtedness of the dissolved school 34869
district among the districts receiving its territory. The state 34870
board of education may authorize exceptions to school districts 34871
where topography, sparsity of population, and other factors make 34872
compliance impracticable. 34873

The superintendent of public instruction is without authority 34874
to distribute funds under ~~sections 3317.022 to 3317.025~~ Chapter 34875
3306. or 3317. of the Revised Code to any school district that 34876
does not maintain schools with grades kindergarten through twelve 34877
and to which no exception has been granted by the state board of 34878
education. 34879

(B) Division (A) of this section does not apply to any joint 34880
vocational school district or any cooperative education school 34881
district established pursuant to divisions (A) to (C) of section 34882
3311.52 of the Revised Code. 34883

(C)(1)(a) Except as provided in division (C)(3) of this 34884
section, division (A) of this section does not apply to any 34885
cooperative education school district established pursuant to 34886
section 3311.521 of the Revised Code nor to the city, exempted 34887
village, or local school districts that have territory within such 34888
a cooperative education district. 34889

(b) The cooperative district and each city, exempted village, 34890
or local district with territory within the cooperative district 34891
shall maintain the grades that the resolution adopted or amended 34892
pursuant to section 3311.521 of the Revised Code specifies. 34893

(2) Any cooperative education school district described under 34894
division (C)(1) of this section that fails to maintain the grades 34895
it is specified to operate shall be dissolved by order of the 34896
state board of education unless prior to such an order the 34897
cooperative district is dissolved pursuant to section 3311.54 of 34898
the Revised Code. Any such order shall provide for the equitable 34899
adjustment, division, and disposition of the assets, property, 34900
debts, and obligations of the district among each city, local, and 34901
exempted village school district whose territory is in the 34902
cooperative district and shall provide that the tax duplicate of 34903
each city, local, and exempted village school district whose 34904
territory is in the cooperative district shall be bound for and 34905
assume its share of the outstanding indebtedness of the 34906
cooperative district. 34907

(3) If any city, exempted village, or local school district 34908
described under division (C)(1) of this section fails to maintain 34909
the grades it is specified to operate the cooperative district 34910
within which it has territory shall be dissolved in accordance 34911
with division (C)(2) of this section and upon that dissolution any 34912
city, exempted village, or local district failing to maintain 34913
grades kindergarten through twelve shall be subject to the 34914
provisions for dissolution in division (A) of this section. 34915

Sec. 3311.52. A cooperative education school district may be 34916
established pursuant to divisions (A) to (C) of this section or 34917
pursuant to section 3311.521 of the Revised Code. 34918

(A) A cooperative education school district may be 34919
established upon the adoption of identical resolutions within a 34920
sixty-day period by a majority of the members of the board of 34921
education of each city, local, and exempted village school 34922
district that is within the territory of a county school financing 34923
district. 34924

A copy of each resolution shall be filed with the governing 34925
board ~~of education~~ of the educational service center which created 34926
the county school financing district. Upon the filing of the last 34927
such resolution, the educational service center governing board 34928
shall immediately notify each board of education filing such a 34929
resolution of the date on which the last resolution was filed. 34930

Ten days after the date on which the last resolution is filed 34931
with the educational service center governing board or ten days 34932
after the last of any notices required under division (C) of this 34933
section is received by the educational service center governing 34934
board, whichever is later, the county school financing district 34935
shall be dissolved and the new cooperative education school 34936
district and the board of education of the cooperative education 34937
school district shall be established. 34938

On the date that any county school financing district is 34939
dissolved and a cooperative education school district is 34940
established under this section, each of the following shall apply: 34941

(1) The territory of the dissolved district becomes the 34942
territory of the new district. 34943

(2) Any outstanding tax levy in force in the dissolved 34944
district shall be spread over the territory of the new district 34945
and shall remain in force in the new district until the levy 34946
expires or is renewed. 34947

(3) Any funds of the dissolved district shall be paid over in 34948
full to the new district. 34949

(4) Any net indebtedness of the dissolved district shall be 34950
assumed in full by the new district. As used in division (A)(4) of 34951
this section, "net indebtedness" means the difference between the 34952
par value of the outstanding and unpaid bonds and notes of the 34953
dissolved district and the amount held in the sinking fund and 34954
other indebtedness retirement funds for their redemption. 34955

When a county school financing district is dissolved and a cooperative education school district is established under this section, the governing board of the educational service center that created the dissolved district shall give written notice of this fact to the county auditor and the board of elections of each county having any territory in the new district.

(B) The resolutions adopted under division (A) of this section shall include all of the following provisions:

(b) The selection of one person as the treasurer and another person as the superintendent of the cooperative district, which provision may require either one or both such persons to be treasurers or superintendents of any city, local, or exempted village school districts or educational service center within the territory of the cooperative district.

(3) A statement of the educational program the board of education of the cooperative education school district will conduct, including but not necessarily limited to the type of educational program, the grade levels proposed for inclusion in the program, the timetable for commencing operation of the program, and the facilities proposed to be used or constructed to be used by the program;

center governing board. Each such board shall immediately notify 35021
the educational ~~services~~ service center governing board of each 35022
such selection. 35023

(D) Except for the powers and duties in this chapter and 35024
Chapters 124., 3306., 3317., 3318., 3323., and 3331. of the 35025
Revised Code, a cooperative education school district established 35026
pursuant to divisions (A) to (C) of this section or pursuant to 35027
section 3311.521 of the Revised Code has all the powers of a city 35028
school district and its board of education has all the powers and 35029
duties of a board of education of a city school district with 35030
respect to the educational program specified in the resolutions 35031
adopted under division (A) of this section. All laws applicable to 35032
a city school district or the board of education or the members of 35033
the board of education of a city school district, except such laws 35034

education school district and its board. 35037

The treasurer and superintendent of a cooperative education 35038

except for any powers and duties in this chapter and Chapters 35041
124., 3306., 3317., 3318., 3323., and 3331. of the Revised Code. 35042

(E) For purposes of this title, any student included in the 35043
formula ADM certified for any city, exempted village, or local 35044

virtue of being counted, in whole or in part, in the average daily 35046
membership of a cooperative education school district under 35047
division (A)(2)~~(f)~~(d) of that section shall be construed to be 35048
enrolled both in that city, exempted village, or ~~village~~ local 35049
school district and in that cooperative education school district. 35050
This division shall not be construed to mean that any such 35051

individual student may be counted more than once for purposes of 35052
determining the average daily membership of any one school 35053
district. 35054

Sec. 3311.76. (A) Notwithstanding Chapters 3302., 3306., and 35055
3317. of the Revised Code, upon written request of the district 35056

request within thirty days and shall notify the district board and 35072
the district chief executive officer of approval or reasons for 35073
disapproving the request. 35074

(B) In addition to the rights, authority, and duties 35075
conferred upon a municipal school district and its board of 35076

Sec. 3313.41. (A) Except as provided in divisions (C), (D), 35082

~~and (F), and (G)~~ of this section, when a board of education 35083
decides to dispose of real or personal property that it owns in 35084
its corporate capacity and that exceeds in value ten thousand 35085
dollars, it shall sell the property at public auction, after 35086
giving at least thirty days' notice of the auction by publication 35087
in a newspaper of general circulation or by posting notices in 35088
five of the most public places in the school district in which the 35089
property, if it is real property, is situated, or, if it is 35090
personal property, in the school district of the board of 35091
education that owns the property. The board may offer real 35092
property for sale as an entire tract or in parcels. 35093

(B) When the board of education has offered real or personal 35094
property for sale at public auction at least once pursuant to 35095
division (A) of this section, and the property has not been sold, 35096
the board may sell it at a private sale. Regardless of how it was 35097
offered at public auction, at a private sale, the board shall, as 35098
it considers best, sell real property as an entire tract or in 35099
parcels, and personal property in a single lot or in several lots. 35100

(C) If a board of education decides to dispose of real or 35101

commissioners established under Chapter 755. of the Revised Code, 35107
or park district established under Chapter 1545. of the Revised 35108
Code; to a wholly or partially tax-supported university, 35109
university branch, or college; or to the board of trustees of a 35110
school district library, upon such terms as are agreed upon. The 35111
sale of real or personal property to the board of trustees of a 35112
school district library is limited, in the case of real property, 35113
to a school district library within whose boundaries the real 35114

property is situated, or, in the case of personal property, to a 35115
school district library whose boundaries lie in whole or in part 35116
within the school district of the selling board of education. 35117

(D) When a board of education decides to trade as a part or 35118

purchase price of an item of similar personal property, it may 35120
trade the same upon such terms as are agreed upon by the parties 35121
to the trade. 35122

(E) The president and the treasurer of the board of education 35123
shall execute and deliver deeds or other necessary instruments of 35124
conveyance to complete any sale or trade under this section. 35125

(F) When a board of education has identified a parcel of real 35126
property that it determines is needed for school purposes, the 35127
board may, upon a majority vote of the members of the board, 35128
acquire that property by exchanging real property that the board 35129
owns in its corporate capacity for the identified real property or 35130
by using real property that the board owns in its corporate 35131
capacity as part or an entire consideration for the purchase price 35132
of the identified real property. Any exchange or acquisition made 35133
pursuant to this division shall be made by a conveyance executed 35134
by the president and the treasurer of the board. 35135

~~(G)(1) When a school district board of education decides to 35136
dispose of real property suitable for use as classroom space, 35137
prior to disposing of that property under divisions (A) to (F) of 35138
this section, it shall first offer that property for sale to the 35139
governing authorities of the start up community schools 35140
established under Chapter 3314. of the Revised Code located within 35141
the territory of the school district, at a price that is not 35142
higher than the appraised fair market value of that property. If 35143
more than one community school governing authority accepts the 35144
offer made by the school district board, the board shall sell the 35145
property to the governing authority that accepted the offer first 35146~~

~~in time. If no community school governing authority accepts the offer within sixty days after the offer is made by the school district board, the board may dispose of the property in the applicable manner prescribed under divisions (A) to (F) of this section.~~

~~(2) When a school district board of education has not used real property suitable for classroom space for academic instruction, administration, storage, or any other educational purpose for one full school year and has not adopted a resolution outlining a plan for using that property for any of those purposes within the next three school years, it shall offer that property for sale to the governing authorities of the start up community schools established under Chapter 3314. of the Revised Code located within the territory of the school district, at a price that is not higher than the appraised fair market value of that property. If more than one community school governing authority accepts the offer made by the school district board, the board shall sell the property to the governing authority that accepted the offer first in time.~~

~~(H) When a school district board of education has property that the board, by resolution, finds is not needed for school district use, is obsolete, or is unfit for the use for which it was acquired, the board may donate that property in accordance with this division if the fair market value of the property is, in the opinion of the board, two thousand five hundred dollars or less.~~

The property may be donated to an eligible nonprofit organization that is located in this state and is exempt from federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). Before donating any property under this division, the board shall adopt a resolution expressing its intent to make unneeded, obsolete, or unfit-for-use school district property available to

these organizations. The resolution shall include guidelines and 35179
procedures the board considers to be necessary to implement the 35180
donation program and shall indicate whether the school district 35181
will conduct the donation program or the board will contract with 35182
a representative to conduct it. If a representative is known when 35183
the resolution is adopted, the resolution shall provide contact 35184
information such as the representative's name, address, and 35185
telephone number. 35186

The resolution shall include within its procedures a 35187
requirement that any nonprofit organization desiring to obtain 35188
donated property under this division shall submit a written notice 35189
to the board or its representative. The written notice shall 35190
include evidence that the organization is a nonprofit organization 35191
that is located in this state and is exempt from federal income 35192
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 35193
the organization's primary purpose; a description of the type or 35194
types of property the organization needs; and the name, address, 35195
and telephone number of a person designated by the organization's 35196
governing board to receive donated property and to serve as its 35197
agent. 35198

After adoption of the resolution, the board shall publish, in 35199
a newspaper of general circulation in the school district, notice 35200
of its intent to donate unneeded, obsolete, or unfit-for-use 35201
school district property to eligible nonprofit organizations. The 35202
notice shall include a summary of the information provided in the 35203
resolution and shall be published at least twice. The second and 35204
any subsequent notice shall be published not less than ten nor 35205
more than twenty days after the previous notice. A similar notice 35206
also shall be posted continually in the board's office, and, if 35207
the school district maintains a web site on the internet, the 35208
notice shall be posted continually at that web site. 35209

The board or its representatives shall maintain a list of all 35210

nonprofit organizations that notify the board or its 35211
representative of their desire to obtain donated property under 35212
this division and that the board or its representative determines 35213
to be eligible, in accordance with the requirements set forth in 35214
this section and in the donation program's guidelines and 35215
procedures, to receive donated property. 35216

The board or its representative also shall maintain a list of 35217
all school district property the board finds to be unneeded, 35218
obsolete, or unfit for use and to be available for donation under 35219
this division. The list shall be posted continually in a 35220
conspicuous location in the board's office, and, if the school 35221
district maintains a web site on the internet, the list shall be 35222
posted continually at that web site. An item of property on the 35223
list shall be donated to the eligible nonprofit organization that 35224
first declares to the board or its representative its desire to 35225
obtain the item unless the board previously has established, by 35226
resolution, a list of eligible nonprofit organizations that shall 35227
be given priority with respect to the item's donation. Priority 35228
may be given on the basis that the purposes of a nonprofit 35229
organization have a direct relationship to specific school 35230
district purposes of programs provided or administered by the 35231
board. A resolution giving priority to certain nonprofit 35232
organizations with respect to the donation of an item of property 35233
shall specify the reasons why the organizations are given that 35234
priority. 35235

Members of the board shall consult with the Ohio ethics 35236
commission, and comply with Chapters 102. and 2921. of the Revised 35237
Code, with respect to any donation under this division to a 35238
nonprofit organization of which a board member, any member of a 35239
board member's family, or any business associate of a board member 35240
is a trustee, officer, board member, or employee. 35241

(C) For purposes of determining whether a school that is on a 35321
staggered attendance schedule is in compliance with this section 35322
in any ~~school~~ learning year, the department of education may 35323
include days the school was open for instruction with pupils in 35324
attendance for not more than the first seventy days of the ensuing 35325

will make up days on which it was necessary to close schools ~~for~~ 35354
~~any of the reasons specified in division (B) of section 3317.01 of~~ 35355
~~the Revised Code~~ because of disease epidemic, hazardous weather 35356

day of September, the board determines that the district is unable 35365
to implement the contingency plan as originally adopted, the board 35366
may adopt a resolution to amend the plan, but in no case shall the 35367
amended plan provide for making up less than five full learning 35368
days. No resolution adopted pursuant to this division shall 35369
conflict with any collective bargaining agreement into which a 35370
board has entered pursuant to Chapter 4117. of the Revised Code 35371
and that is in effect in the district. 35372

(B) Notwithstanding the content of the contingency plan it 35373
adopts under division (A) of this section, if a school district 35374
closes or evacuates any school building as a result of a bomb 35375

district would be unable to meet the requirements of sections 35378
3306.01, 3313.48, 3313.481, and 3317.01 of the Revised Code 35379
regarding the number of days schools must be open for instruction 35380
or the requirements of the state minimum standards for the ~~school~~ 35381
learning day that are established by the department of education 35382
regarding the number of hours there must be in the ~~school~~ learning 35383
day, the school district may increase the length of one or more 35384
other ~~school~~ learning days for the school that was closed or 35385
evacuated, in increments of one-half hour, to make up the number 35386
of hours or days that the school building in question was so 35387
closed or evacuated for the purpose of satisfying the requirements 35388
of those sections regarding the number of days schools must be 35389
open for instruction or the requirements of those standards 35390
regarding the number of hours there must be in the ~~school~~ learning 35391
day. 35392

(C) If a school district closes or evacuates any school 35393

building for any of the reasons specified in division ~~(B)~~(A) of 35394
this section 3317.01 ~~of the Revised Code~~, and if for that school 35395
the total number of full ~~school~~ learning days specified in the 35396
district's contingency plan adopted under that division ~~(A)~~ of 35397
~~this section~~ is insufficient to enable the school district to meet 35398
the requirements of sections 3306.01, 3313.48, 3313.481, and 35399
3317.01 of the Revised Code regarding the number of days schools 35400
must be open for instruction or the requirements of the state 35401
minimum standards for the ~~school~~ learning day that are established 35402
by the department of education regarding the number of hours there 35403
must be in the ~~school~~ learning day, the school district may 35404
increase the length of one or more other ~~school~~ learning days for 35405
the school that was closed or evacuated, in increments of one-half 35406
hour, to make up the number of hours or days that the school 35407
building in question was so closed or evacuated for the purpose of 35408
satisfying the requirements of those sections regarding the number 35409
of days schools must be open for instruction or the requirements 35410
of those standards regarding the number of hours there must be in 35411
the ~~school~~ learning day. The district shall not be required to 35412
actually make up any of the days specified in the district's 35413
contingency plan prior to increasing the length of one or more 35414
~~school~~ learning days to make up the shortage of hours or days 35415
caused by the school's closure or evacuation, but in no case shall 35416
the district fail to make up the total number of full ~~school~~ 35417
learning days specified in the contingency plan in accordance with 35418
that plan. 35419

(D) If a school district closes or evacuates a school 35420
building as a result of a bomb threat or any other report of an 35421
alleged or impending explosion and also closes or evacuates that 35422
school building on a different day for any of the reasons 35423
specified in division ~~(B)~~(A) of this section 3317.01 ~~of the~~ 35424
~~Revised Code~~, division (B) of this section applies regarding the 35425
closing or evacuation of the school building as a result of the 35426

bomb threat or report of an alleged or impending explosion and 35427
division (C) of this section applies regarding the closing or 35428
evacuation of the school building for the reason specified in 35429
division ~~(B)~~(A) of this section ~~3317.01 of the Revised Code.~~ 35430

Notwithstanding the provisions of sections 3306.01, 3313.48, 35431
3313.481, and 3317.01 of the Revised Code and the requirements of 35432
the state minimum standards for the ~~school~~ learning day that are 35433
established by the department of education and notwithstanding the 35434
content of the contingency plan it adopts under division (A) of 35435
this section regarding the closing or evacuation of a school 35436
building as a result of a bomb threat or any other report of an 35437
alleged or impending explosion, a school district that makes up, 35438
as described in division (B) or (C) of this section, all of the 35439
hours or days that its school buildings were closed or evacuated 35440
for any of the reasons identified in division (B) or (C) of this 35441
section shall be deemed to have complied with the requirements of 35442
those sections regarding the number of days schools must be open 35443
for instruction and the requirements of those minimum standards 35444
regarding the number of hours there must be in the ~~school~~ learning 35445
day. 35446

Sec. 3313.483. (A) A board of education, upon the adoption of 35447
a resolution stating that it may be financially unable to open on 35448
the day or to remain open for instruction on all days set forth in 35449
its adopted school calendar and pay all obligated expenses, or the 35450
superintendent of public instruction upon the issuance of written 35451
notification under division (B) of section 3313.489 of the Revised 35452
Code, shall request the auditor of state to determine whether such 35453
situation exists. The auditor shall deliver a copy of each request 35454
from a board of education to the superintendent of public 35455
instruction. In the case of a school district not under a fiscal 35456
emergency pursuant to Chapter 3316. of the Revised Code the 35457
auditor shall not issue a finding under this section until written 35458

notification is received from the superintendent pursuant to 35459
section 3313.487 of the Revised Code. 35460

(B) If the auditor of state finds that the board of education 35461
has attempted to avail itself to the fullest extent authorized by 35462
law of all lawful revenue sources available to it except those 35463
authorized by section 5705.21 of the Revised Code, the auditor 35464
shall certify that finding to the superintendent of public 35465
instruction and the state board of education and shall certify the 35466
operating deficit the district will have at the end of the fiscal 35467
year if it commences or continues operating its instructional 35468
program in accordance with its adopted school calendar and pays 35469
all obligated expenses. 35470

(C) No board of education may delay the opening of its 35471
schools or close its schools for financial reasons. Upon the 35472
request of the superintendent of public instruction, the attorney 35473
general shall seek injunctive relief and any other relief required 35474
to enforce this prohibition in the court of common pleas of 35475
Franklin county. The court of common pleas of Franklin county has 35476
exclusive original jurisdiction over all such actions. 35477

(D) Upon the receipt of any certification of an operating 35478
deficit from the auditor of state, a board of education shall make 35479
application to a commercial bank, underwriter, or other 35480
prospective lender or purchaser of its obligations for a loan in 35481
an amount sufficient to enable the district to open or remain open 35482

Sec. 3313.536. (A) The board of education of each city, exempted village, and local school district and the governing authority of each chartered nonpublic school shall adopt a comprehensive school safety plan for each school building under 35890
35891
35892
35893

the board's or governing authority's control. The board or 35894
governing authority shall examine the environmental conditions and 35895
operations of each building to determine potential hazards to 35896
student and staff safety and shall propose operating changes to 35897
promote the prevention of potentially dangerous problems and 35898
circumstances. In developing the plan for each building, the board 35899
or governing authority shall involve community law enforcement and 35900
safety officials, parents of students who are assigned to the 35901
building, and teachers and nonteaching employees who are assigned 35902
to the building. The board or governing authority shall consider 35903
incorporating remediation strategies into the plan for any 35904
building where documented safety problems have occurred. 35905

The board or governing authority shall incorporate into the 35906
plan both of the following: 35907

(1) A protocol for addressing serious threats to the safety 35908
of school property, students, employees, or administrators; 35909

(2) A protocol for responding to any emergency events that do 35910
occur and that compromise the safety of school property, students, 35911
employees, or administrators. 35912

Each protocol shall include procedures deemed appropriate by 35913
the board or governing authority for responding to threats and 35914
emergency events, respectively, including such things as 35915
notification of appropriate law enforcement personnel, calling 35916
upon specified emergency response personnel for assistance, and 35917
informing parents of affected students. Prior to the opening day 35918
of each school year, the board or governing authority shall inform 35919
each student enrolled in the school and the student's parent of 35920
the parental notification procedures included in the protocol. 35921

(B) The board or governing authority shall update the safety 35922
plan at least once every three years and whenever a major 35923
modification to the building requires changes in the procedures 35924

outlined in the plan. 35925

(C) The board or governing authority shall file a copy of the 35926
current safety plan and building blueprint with each law 35927
enforcement agency that has jurisdiction over the school building 35928
and, upon request, the fire department that serves the political 35929
subdivision in which the school building is located. The board or 35930
governing authority also shall file a copy of the current safety 35931
plan and a floor plan of the building, but not a building 35932
blueprint, with the attorney general, who shall post that 35933
information on the Ohio law enforcement gateway or its successor. 35934

Copies of safety plans, building blueprints, and floor plans 35935
shall be filed as described in this division not later than the 35936
ninety-first day after ~~the effective date of this amendment~~ March 35937
30, 2007. If a board or governing authority revises a safety plan, 35938
building blueprint, or floor plan after the initial filing, the 35939
board or governing authority shall file copies of the revised 35940
safety plan, building blueprint, or floor plan in the manner 35941
described in this division not later than the ninety-first day 35942
after the revision is adopted. 35943

Copies of the safety plan and building blueprint are not a 35944
public record pursuant to section 149.433 of the Revised Code. 35945

Notwithstanding section 149.433 of the Revised Code, a 35946
building floor plan filed with the attorney general pursuant to 35947
this division is not a public record to the extent it is a record 35948
kept by the attorney general. This paragraph does not affect the 35949
status of a floor plan kept as a record by another public office. 35950

The board or governing authority, each law enforcement agency 35951
and fire department to which copies of the safety plan and 35952
building blueprint are provided, and the attorney general shall 35953
keep the copies in a secure place. 35954

(D) The board or governing authority shall grant access to 35955

each school building under its control to law enforcement 35956
personnel to enable the personnel to hold training sessions for 35957
responding to threats and emergency events affecting the building, 35958
provided that the access occurs outside of student instructional 35959
hours and an employee of the board or governing authority is 35960
present in the building during the training sessions. 35961

Sec. 3313.55. The board of education of any school district 35962
in which is located a state, district, county, or municipal 35963
hospital for children with epilepsy or any public institution, 35964
except state institutions for the care and treatment of 35965
delinquent, unstable, or socially maladjusted children, shall make 35966
provision for the education of all educable children therein; 35967
except that in the event another school district within the same 35968
county or an adjoining county is the source of sixty per cent or 35969
more of the children in said hospital or institution, the board of 35970
that school district shall make provision for the education of all 35971
the children therein. In any case in which a board provides 35972
educational facilities under this section, the board that provides 35973
the facilities shall be entitled to all moneys authorized for the 35974
attendance of pupils as provided in Chapter 3306. or 3317. of the 35975
Revised Code, tuition as provided in section 3317.08 of the 35976
Revised Code, and such additional compensation as is provided for 35977
crippled children in sections 3323.01 to 3323.12 of the Revised 35978
Code. Any board that provides the educational facilities for 35979
children in county or municipal institutions established for the 35980
care and treatment of children who are delinquent, unstable, or 35981
socially maladjusted shall not be entitled to any moneys provided 35982
for crippled children in sections 3323.01 to 3323.12 of the 35983
Revised Code. 35984

Sec. 3313.60. Notwithstanding division (D) of section 3311.52 35985
of the Revised Code, divisions (A) to (E) of this section do not 35986

apply to any cooperative education school district established 35987

Ohioans must be prepared to apply increased knowledge and 36167
skills in the workplace and to adapt their knowledge and skills 36168
quickly to meet the rapidly changing conditions of the 36169
twenty-first century. National studies indicate that all high 36170
school graduates need the same academic foundation, regardless of 36171
the opportunities they pursue after graduation. The goal of Ohio's 36172
system of elementary and secondary education is to prepare all 36173
students for and seamlessly connect all students to success in 36174
life beyond high school graduation, regardless of whether the next 36175
step is entering the workforce, beginning an apprenticeship, 36176
engaging in post-secondary training, serving in the military, or 36177
pursuing a college degree. 36178

The Ohio core curriculum is the standard expectation for all 36179
students entering ninth grade for the first time at a public or 36180
chartered nonpublic high school on or after July 1, 2010. A 36181
student may satisfy this expectation through a variety of methods, 36182
including, but not limited to, integrated, applied, 36183
career-technical, and traditional coursework. 36184

Whereas teacher quality is essential for student success in 36185
completing the Ohio core curriculum, the general assembly shall 36186
appropriate funds for strategic initiatives designed to strengthen 36187
schools' capacities to hire and retain highly qualified teachers 36188
in the subject areas required by the curriculum. Such initiatives 36189
are expected to require an investment of \$120,000,000 over five 36190
years. 36191

Stronger coordination between high schools and institutions 36192
of higher education is necessary to prepare students for more 36193
challenging academic endeavors and to lessen the need for academic 36194
remediation in college, thereby reducing the costs of higher 36195
education for Ohio's students, families, and the state. The state 36196
board of education, the Ohio board of regents, and the partnership 36197
for continued learning shall develop policies to ensure that only 36198

in rare instances will students who complete the Ohio core 36199
curriculum require academic remediation after high school. 36200

School districts, community schools, and chartered nonpublic 36201
schools shall integrate technology into learning experiences 36202
whenever practicable across the curriculum in order to maximize 36203
efficiency, enhance learning, and prepare students for success in 36204
the technology-driven twenty-first century. Districts and schools 36205
may use distance and web-based course delivery as a method of 36206
providing or augmenting all instruction required under this 36207
division, including laboratory experience in science. Districts 36208
and schools shall whenever practicable utilize technology access 36209
and electronic learning opportunities provided by the eTech Ohio 36210
commission, the Ohio learning network, education technology 36211
centers, public television stations, and other public and private 36212
providers. 36213

(D) Except as provided in division (E) of this section, a 36214
student who enters ninth grade on or after July 1, 2010, and 36215
before July 1, 2014, may qualify for graduation from a public or 36216
chartered nonpublic high school even though the student has not 36217
completed the Ohio core curriculum prescribed in division (C) of 36218
this section if all of the following conditions are satisfied: 36219

(1) After the student has attended high school for two years, 36220
as determined by the school, the student and the student's parent, 36221
guardian, or custodian sign and file with the school a written 36222
statement asserting the parent's, guardian's, or custodian's 36223
consent to the student's graduating without completing the Ohio 36224
core curriculum and acknowledging that one consequence of not 36225
completing the Ohio core curriculum is ineligibility to enroll in 36226
most state universities in Ohio without further coursework. 36227

(2) The student and parent, guardian, or custodian fulfill 36228
any procedural requirements the school stipulates to ensure the 36229
student's and parent's, guardian's, or custodian's informed 36230

consent and to facilitate orderly filing of statements under 36231
division (D)(1) of this section. 36232

(3) The student and the student's parent, guardian, or 36233
custodian and a representative of the student's high school 36234
jointly develop an individual career plan for the student that 36235
specifies the student matriculating to a two-year degree program, 36236
acquiring a business and industry credential, or entering an 36237
apprenticeship. 36238

(4) The student's high school provides counseling and support 36239
for the student related to the plan developed under division 36240
(D)(3) of this section during the remainder of the student's high 36241
school experience. 36242

(5) The student successfully completes, at a minimum, the 36243
curriculum prescribed in division (B) of this section. 36244

The partnership for continued learning, in collaboration with 36245
the department of education and the Ohio board of regents, shall 36246
analyze student performance data to determine if there are 36247
mitigating factors that warrant extending the exception permitted 36248
by division (D) of this section to high school classes beyond 36249
those entering ninth grade before July 1, 2014. The partnership 36250
shall submit its findings and any recommendations not later than 36251
August 1, 2014, to the speaker and minority leader of the house of 36252
representatives, the president and minority leader of the senate, 36253
the chairpersons and ranking minority members of the standing 36254
committees of the house of representatives and the senate that 36255
consider education legislation, the state board of education, and 36256
the superintendent of public instruction. 36257

(E) Each school district and chartered nonpublic school 36258
retains the authority to require an even more rigorous minimum 36259
curriculum for high school graduation than specified in division 36260
(B) or (C) of this section. A school district board of education, 36261

through the adoption of a resolution, or the governing authority 36262
of a chartered nonpublic school may stipulate any of the 36263
following: 36264

(1) A minimum high school curriculum that requires more than 36265
twenty units of academic credit to graduate; 36266

(2) An exception to the district's or school's minimum high 36267
school curriculum that is comparable to the exception provided in 36268
division (D) of this section but with additional requirements, 36269
which may include a requirement that the student successfully 36270
complete more than the minimum curriculum prescribed in division 36271
(B) of this section; 36272

(3) That no exception comparable to that provided in division 36273
(D) of this section is available. 36274

(F) A student enrolled in a dropout prevention and recovery 36275
program, which program has received a waiver from the department 36276
of education, may qualify for graduation from high school by 36277
successfully completing a competency-based instructional program 36278
administered by the dropout prevention and recovery program in 36279
lieu of completing the Ohio core curriculum prescribed in division 36280
(C) of this section. The department shall grant a waiver to a 36281
dropout prevention and recovery program, within sixty days after 36282
the program applies for the waiver, if the program meets all of 36283
the following conditions: 36284

(1) The program serves only students not younger than sixteen 36285
years of age and not older than twenty-one years of age. 36286

(2) The program enrolls students who, at the time of their 36287
initial enrollment, either, or both, are at least one grade level 36288
behind their cohort age groups or experience crises that 36289
significantly interfere with their academic progress such that 36290
they are prevented from continuing their traditional programs. 36291

(3) The program requires students to attain at least the 36292

applicable score designated for each of the ~~tests~~ assessments 36293
prescribed under division (B)(1) of section 3301.0710 of the 36294
Revised Code or, to the extent prescribed by rule of the state 36295
board of education under division (E)(6) of section 3301.0712 of 36296
the Revised Code, division (B)(2) of that section. 36297

(4) The program develops an individual career plan for the 36298
student that specifies the student's matriculating to a two-year 36299
degree program, acquiring a business and industry credential, or 36300
entering an apprenticeship. 36301

(5) The program provides counseling and support for the 36302
student related to the plan developed under division (F)(4) of 36303
this section during the remainder of the student's high school 36304
experience. 36305

(6) The program requires the student and the student's 36306
parent, guardian, or custodian to sign and file, in accordance 36307
with procedural requirements stipulated by the program, a written 36308
statement asserting the parent's, guardian's, or custodian's 36309
consent to the student's graduating without completing the Ohio 36310
core curriculum and acknowledging that one consequence of not 36311
completing the Ohio core curriculum is ineligibility to enroll in 36312
most state universities in Ohio without further coursework. 36313

(7) Prior to receiving the waiver, the program has submitted 36314
to the department an instructional plan that demonstrates how the 36315
academic content standards adopted by the state board of education 36316
under section 3301.079 of the Revised Code will be taught and 36317
assessed. 36318

If the department does not act either to grant the waiver or 36319
to reject the program application for the waiver within sixty days 36320

the course satisfied the requirements of division (G) of this 36384
section. In that case, the high school shall award the student 36385
high school credit for the course and count the course toward the 36386

five units required under division (C)(7) of this section. If the
course in grade seven or eight did not satisfy the requirements of

in the district in which the child attended school at the time of 37388
the parental move for the remainder of the school year and for one 37389
additional semester or equivalent term. A district board may also 37390
adopt a policy specifying extenuating circumstances under which a 37391
student may continue to attend school under division (F)(10) of 37392
this section for an additional period of time in order to 37393

grandparent resides, provided that, prior to such attendance in 37402
any school year, the board of education of the school district in 37403
which the child's grandparent resides and the board of education 37404
of the school district in which the child's parent resides enter 37405
into a written agreement specifying that good cause exists for 37406
such attendance, describing the nature of this good cause, and 37407
consenting to such attendance. 37408

In lieu of a consent form signed by a parent, a board of 37409

education may request the grandparent of a child attending school 37410
in the district in which the grandparent resides pursuant to 37411
division (F)(11) of this section to complete any consent form 37412
required by the district, including any authorization required by 37413
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 37414
Code. Upon request, the grandparent shall complete any consent 37415

a grandparent in lieu of a parent. 37418

Division (F)(11) of this section does not create, and shall 37419
not be construed as creating, a new cause of action or substantive 37420
legal right against a school district, a member of a board of 37421
education, or an employee of a school district. This section does 37422
not affect, and shall not be construed as affecting, any 37423
immunities from defenses to tort liability created or recognized 37424
by Chapter 2744. of the Revised Code for a school district, 37425
member, or employee. 37426

(12) A child under the age of twenty-two years is entitled to 37427
attend school in a school district other than the district in 37428

attendance in any school year, both of the following occur: 37431

(a) The superintendent of the district in which the child is 37432
entitled to attend school under division (B), (C), or (E) of this 37433
section contacts the superintendent of another district for 37434
purposes of this division; 37435

(b) The superintendents of both districts enter into a 37436
written agreement that consents to the attendance and specifies 37437
that the purpose of such attendance is to protect the student's 37438
physical or mental well-being or to deal with other extenuating 37439
circumstances deemed appropriate by the superintendents. 37440

While an agreement is in effect under this division for a 37441
student who is not receiving special education under Chapter 3323. 37442
of the Revised Code and notwithstanding Chapter 3327. of the 37443
Revised Code, the board of education of neither school district 37444
involved in the agreement is required to provide transportation 37445
for the student to and from the school where the student attends. 37446

A student attending a school of a district pursuant to this 37447
division shall be allowed to participate in all student 37448
activities, including interscholastic athletics, at the school 37449
where the student is attending on the same basis as any student 37450
who has always attended the schools of that district while of 37451
compulsory school age. 37452

(13) All school districts shall comply with the 37453
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 37454
seq., for the education of homeless children. Each city, local, 37455
and exempted village school district shall comply with the 37456
requirements of that act governing the provision of a free, 37457
appropriate public education, including public preschool, to each 37458
homeless child. 37459

When a child loses permanent housing and becomes a homeless 37460
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 37461
such a homeless person changes temporary living arrangements, the 37462
child's parent or guardian shall have the option of enrolling the 37463
child in either of the following: 37464

(a) The child's school of origin, as defined in 42 U.S.C.A. 37465
11432(g)(3)(C); 37466

(b) The school that is operated by the school district in 37467
which the shelter where the child currently resides is located and 37468
that serves the geographic area in which the shelter is located. 37469

(14) A child under the age of twenty-two years who resides 37470
with a person other than the child's parent is entitled to attend 37471

school in the school district in which that person resides if both 37472
of the following apply: 37473

(a) That person has been appointed, through a military power 37474
of attorney executed under section 574(a) of the "National Defense 37475
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 37476
U.S.C. 1044b, or through a comparable document necessary to 37477
complete a family care plan, as the parent's agent for the care, 37478
custody, and control of the child while the parent is on active 37479
duty as a member of the national guard or a reserve unit of the 37480
armed forces of the United States or because the parent is a 37481
member of the armed forces of the United States and is on a duty 37482
assignment away from the parent's residence. 37483

(b) The military power of attorney or comparable document 37484
includes at least the authority to enroll the child in school. 37485

The entitlement to attend school in the district in which the 37486
parent's agent under the military power of attorney or comparable 37487
document resides applies until the end of the school year in which 37488
the military power of attorney or comparable document expires. 37489

(G) A board of education, after approving admission, may 37490
waive tuition for students who will temporarily reside in the 37491
district and who are either of the following: 37492

(1) Residents or domiciliaries of a foreign nation who 37493
request admission as foreign exchange students; 37494

(2) Residents or domiciliaries of the United States but not 37495
of Ohio who request admission as participants in an exchange 37496
program operated by a student exchange organization. 37497

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 37498
3327.04, and 3327.06 of the Revised Code, a child may attend 37499
school or participate in a special education program in a school 37500
district other than in the district where the child is entitled to 37501
attend school under division (B) of this section. 37502

(I)(1) Notwithstanding anything to the contrary in this 37503
section or section 3313.65 of the Revised Code, a child under 37504
twenty-two years of age may attend school in the school district 37505
in which the child, at the end of the first full week of October 37506
of the school year, was entitled to attend school as otherwise 37507
provided under this section or section 3313.65 of the Revised 37508

division (I)(1) of this section shall be entitled to 37541

agreement, in which case the child shall be entitled to 37545
transportation services in the same manner as a pupil attending 37546
school in the district under interdistrict open enrollment as 37547
described in division ~~(H)~~(D) of section 3313.981 of the Revised 37548
Code, regardless of whether the district has adopted an open 37549

to be a resident of that district, and regardless of where the 37602
child lives as a result of the parent's active duty status or 37603
temporary duty assignment. However, the district is not 37604
responsible for providing transportation for the child if the 37605
child lives outside of the district as a result of the parent's 37606
active duty status or temporary duty assignment. 37607

Sec. 3313.642. (A) Except as provided in division (B) of this 37608

fee does not apply to any fee charged for any materials needed to 37627
enable a recipient to participate fully in extracurricular 37628
activities or in any pupil enrichment program that is not a course 37629

(C) Boards of education may adopt rules and regulations 37631

section 3301.0711 of the Revised Code, regardless of whether a 37651
waiver was granted for the student under division (E) of section 37652
3317.03 of the Revised Code. The school shall report any such 37653
student's data verification code, as assigned pursuant to section 37654

instruction, related services, and transportation costs of 38255
educating such students. 38256

(3) In the case of tutorial assistance grants, the grant 38257
amount shall not exceed the lesser of the provider's actual 38258

governing authorities, and sponsors, conduct training sessions and 38754
distribute informational materials; 38755

to the governor, the speaker of the house of representatives, the 38761

3314.027 of the Revised Code, no entity listed in division (C)(1) 38772
of section 3314.02 of the Revised Code shall enter into a 38773

department of education to sponsor community schools under this 38776
chapter and has entered into a written agreement with the 38777
department regarding the manner in which the entity will conduct 38778
such sponsorship. The department shall adopt in accordance with 38779
Chapter 119. of the Revised Code rules containing criteria, 38780
procedures, and deadlines for processing applications for such 38781
approval, for oversight of sponsors, for revocation of the 38782
approval of sponsors, and for entering into written agreements 38783
with sponsors. The rules shall require an entity to submit 38784
evidence of the entity's ability and willingness to comply with 38785
the provisions of division (D) of section 3314.03 of the Revised 38786
Code. The rules also shall require entities approved as sponsors 38787
on and after June 30, 2005, to demonstrate a record of financial 38788
responsibility and successful implementation of educational 38789
programs. If an entity seeking approval on or after June 30, 2005, 38790
to sponsor community schools in this state sponsors or operates 38791
schools in another state, at least one of the schools sponsored or 38792
operated by the entity must be comparable to or better than the 38793
performance of Ohio schools in need of continuous improvement 38794
under section 3302.03 of the Revised Code, as determined by the 38795
department. 38796

(2) An entity that sponsors community schools may enter into 38797
preliminary agreements and sponsor schools as follows, provided 38798
each school and the contract for sponsorship meets the 38799

than seventy-five schools that were open for operation as of May 38805
1, 2005, may sponsor not more than the number of schools the 38806
entity sponsored that were open for operation as of May 1, 2005. 38807

(c) Until June 30, 2006, an entity that sponsored more than 38808
seventy-five schools that were open for operation as of May 1, 38809
2005, may sponsor not more than the number of schools the entity 38810
sponsored that were open for operation as of May 1, 2005. After 38811
June 30, 2006, such an entity may sponsor not more than 38812
seventy-five schools. 38813

~~Upon approval of an entity to be a sponsor under this~~ 38814
~~division, the~~ The department shall notify ~~the~~ each entity of the 38815
number of schools the entity may sponsor. 38816

Notwithstanding the limits imposed by division (B)(2) of this 38817
section, no entity shall initially enter into a contract with a 38818
school under section 3314.03 of the Revised Code if more than 38819
thirty-three per cent of the schools currently sponsored by the 38820
entity have a performance rating of academic watch or academic 38821
emergency under section 3302.03 of the Revised Code. 38822

The limit imposed on an entity ~~to which~~ by division (B)~~(1)~~(2) 38823
of this section ~~applies~~ shall be decreased by one for each school 38824
sponsored by the entity that permanently closes. 38825

If at any time an entity exceeds the number of schools it may 38826
sponsor under this division, the department shall assist the 38827
schools in excess of the entity's limit in securing new sponsors. 38828
If a school is unable to secure a new sponsor, the department 38829
shall assume sponsorship of the school in accordance with division 38830
(C) of this section. Those schools for which another sponsor or 38831

the department assumes sponsorship shall be the schools that most 38832
recently entered into contracts with the entity under section 38833
3314.03 of the Revised Code. 38834

~~(2)~~(3) The department of education shall determine, pursuant 38835
to criteria adopted by rule of the department, whether the mission 38836
proposed to be specified in the contract of a community school to 38837
be sponsored by a state university board of trustees or the 38838
board's designee under division (C)(1)(e) of section 3314.02 of 38839
the Revised Code complies with the requirements of that division. 38840
Such determination of the department is final. 38841

~~(3)~~(4) The department of education shall determine, pursuant 38842
to criteria adopted by rule of the department, if any tax-exempt 38843
entity under section 501(c)(3) of the Internal Revenue Code that 38844
is proposed to be a sponsor of a community school is an 38845
education-oriented entity for purpose of satisfying the condition 38846
prescribed in division (C)(1)(f)(iii) of section 3314.02 of the 38847
Revised Code. Such determination of the department is final. 38848

(C) If at any time the state board of education finds that a 38849
sponsor is not in compliance or is no longer willing to comply 38850
with its contract with any community school or with the 38851
department's rules for sponsorship, the state board or designee 38852
shall conduct a hearing in accordance with Chapter 119. of the 38853
Revised Code on that matter. If after the hearing, the state board 38854
or designee has confirmed the original finding, the department of 38855
education may revoke the sponsor's ~~approval~~ authority to sponsor 38856
community schools and may assume the sponsorship of any schools 38857
with which the sponsor has contracted until the earlier of the 38858
expiration of two school years or until a new sponsor as described 38859
in division (C)(1) of section 3314.02 of the Revised Code is 38860
secured by the school's governing authority. The department may 38861
extend the term of the contract in the case of a school for which 38862
it has assumed sponsorship under this division as necessary to 38863

accommodate the term of the department's authorization to sponsor 38864
the school specified in this division. 38865

(D)(1) The department may declare any sponsor, including any 38866
sponsor that is exempt pursuant to section 3314.021 or 3314.027 of 38867
the Revised Code from obtaining the department's initial approval 38868
to sponsor, to be in a probationary status if at any time the 38869
sponsor has failed to take any of the following actions, which 38870
actions the department determines are warranted: 38871

(a) Take steps to intervene in a school's operation to 38872
correct problems in the school's performance, including the 38873
monitoring and enforcement of the implementation of a school's 38874
corrective action plan required by the department; 38875

(b) Declare a school to be in a probationary status pursuant 38876
to section 3314.073 of the Revised Code; 38877

(c) Suspend the operation of a school pursuant to section 38878
3314.072 of the Revised Code; 38879

(d) Terminate a school's contract pursuant to section 3314.07 38880
of the Revised Code. 38881

(2) If the department declares a sponsor to be in a 38882
probationary status, the department shall send a written 38883
notification stating the department's declaration, the length of 38884
the probationary status, the reasons for the declaration, and a 38885
requirement that the sponsor submit to the department an offer of 38886
reasonable remedies within ten business days after the date of the 38887
department's notice to the sponsor. If the department finds the 38888
remedies offered by the sponsor satisfactory, the sponsor shall 38889
take the actions necessary to implement them. The department shall 38890
monitor the sponsor's actions to implement the remedies. 38891

(3) If the department finds that the remedies offered by the 38892
sponsor under division (D)(2) of this section are not 38893
satisfactory, or if the department finds that the sponsor is not 38894

taking the actions necessary to implement those remedies, the 38895
department may suspend the sponsor's authority to sponsor schools 38896
or may partially restrict the sponsor's authority to sponsor 38897
schools by limiting the geographic territory within which the 38898
sponsor may sponsor schools, reducing the number of schools the 38899
sponsor may sponsor, or restricting the types of schools the 38900
sponsor may sponsor. The department also may require the sponsor 38901
to submit additional reports above and beyond those otherwise 38902
required by law. 38903

(4) If the department suspends or restricts a sponsor's 38904
authority to sponsor schools under division (D)(3) of this 38905
section, the department shall assign another sponsor that is 38906
approved by the department and that agrees to do so to sponsor any 38907
school affected by the suspension or restriction until the 38908
department rescinds the suspension or restriction, another 38909
permanent sponsor is secured, or the school's contract under 38910
section 3314.03 of the Revised Code expires, whichever occurs 38911
first. 38912

(E) The decision of the department to disapprove an entity 38913
for sponsorship of a community school or, to revoke approval 38914
authority for such sponsorship, as provided in under division (C) 38915
of this section, or to suspend or restrict an entity's authority 38916
to sponsor schools under division (D) of this section, may be 38917
appealed by the entity in accordance with section 119.12 of the 38918
Revised Code. 38919

~~(E)~~(F) The department shall adopt procedures for use by a 38920
community school governing authority and sponsor when the school 38921
permanently closes and ceases operation, which shall include at 38922
least procedures for data reporting to the department, handling of 38923
student records, distribution of assets in accordance with section 38924
3314.074 of the Revised Code, and other matters related to ceasing 38925
operation of the school. 38926

~~(F)~~(G) In carrying out its duties under this chapter, the 38927
department shall not impose requirements on community schools or 38928
their sponsors that are not permitted by law or duly adopted 38929
rules. 38930

Sec. 3314.016. (A) After June 30, 2007, a new start-up school 38931
may be established under this chapter only if the school's 38932
governing authority enters into a contract with an operator that 38933
manages other schools in the United States that perform at a level 38934
higher than academic watch. The governing authority of the 38935
community school may sign a contract with an operator only if the 38936
operator has fewer contracts with the governing authorities of new 38937
start-up schools established under this chapter after June 30, 38938
2007, than the number of schools managed by the operator in the 38939
United States that perform at a level higher than academic watch, 38940
as determined by the department of education. However, the 38941
governing authority shall not contract with an operator that 38942
currently manages any community schools in Ohio for which the 38943
department issues annual report cards under section 3314.012 of 38944
the Revised Code, unless the latest report card issued for at 38945
least one of those schools designates a performance rating under 38946
section 3302.03 of the Revised Code of in need of continuous 38947
improvement or higher. 38948

(B) Notwithstanding division (A) of this section, the 38949
governing authority of a start-up school sponsored by an entity 38950
described in divisions (C)(1)(b) to (f) of section 3314.02 of the 38951
Revised Code may establish one additional school serving the same 38952
grade levels and providing the same educational program as the 38953

with the same sponsor or a different sponsor described in 38958
divisions (C)(1)(b) to (f) of section 3314.02 of the Revised Code 38959
and filed a copy of that contract with the superintendent of 38960

section 3302.01 of the Revised Code, for the previous school year. 38967

(c) The school has been in operation for at least four school 38968
years. 38969

(d) The school is not managed by an operator. 38970

(C) Notwithstanding division (A) of this section, the 38971
governing authority of a start-up school sponsored by the big 38972
eight school district in which the school is located may establish 38973
one additional start-up school that is located in the same school 38974
district and that provides a general educational program to 38975
students in any or all of grades kindergarten through five to 38976
facilitate their transition to the current start-up school, and 38977
may open the additional start-up school in the 2009-2010 school 38978
year, if both of the following conditions are met: 38979

(1) The governing authority enters into another contract with 38980
the same sponsor and files a copy of the contract with the 38981

the following conditions: 38984

(a) The school provided instruction to students for eleven 38985

classes described in division (A) or (B) of section 3317.014 of 40279
the Revised Code in which a student is enrolled. 40280

(2) "Formula ADM," "category one or two vocational education 40281
ADM," and "FTE basis" have the same meanings as in section 3317.02 40282

Code. 40287

(B) Notwithstanding anything to the contrary in this chapter 40288
or Chapter 3306. or 3317. of the Revised Code, a student enrolled 40289
in a community school may simultaneously enroll in the 40290
career-technical program operated by the student's resident school 40291
district. On an FTE basis, the student's resident school district 40292
shall count the student in the category one or two vocational 40293
education ADM for the proportion of the time the student is 40294
enrolled in the district's career-technical program and, 40295
accordingly, the department of education shall calculate funds 40296
under Chapter 3317. for the district attributable to the student 40297
for the proportion of time the student attends the 40298
career-technical program. The community school shall count the 40299
student in its enrollment report under section 3314.08 of the 40300
Revised Code and shall report to the department the proportion of 40301
time that the student attends classes at the community school. The 40302

student under section ~~3314.08~~ 3306.16 of the Revised Code in 40305

student attends classes at the community school. "Full-time 40307
equivalency" for a community school student, as defined in 40308
division ~~(I)~~ (J) of section 3314.08 of the Revised Code, does not 40309
apply to the student. 40310

Sec. 3314.091. (A) A school district is not required to 40311
provide transportation for any native student enrolled in a 40312
community school if the district board of education has entered 40313
into an agreement with the community school's governing authority 40314
that designates the community school as responsible for providing 40315
or arranging for the transportation of the district's native 40316

students to and from the community school. For any such agreement 40317
to be effective, it must be certified by the superintendent of 40318
public instruction as having met all of the following 40319
requirements: 40320

(1) It is submitted to the department of education by a 40321
deadline which shall be established by the department. 40322

(2) In accordance with divisions (C)(1) and (2) of this 40323
section, it specifies qualifications, such as residing a minimum 40324
distance from the school, for students to have their 40325
transportation provided or arranged. 40326

(3) The transportation provided by the community school is 40327
subject to all provisions of the Revised Code and all rules 40328
adopted under the Revised Code pertaining to pupil transportation. 40329

(4) The sponsor of the community school also has signed the 40330
agreement. 40331

(B)(1) For the school year that begins on July 1, 2007, a 40332
school district is not required to provide transportation for any 40333
native student enrolled in a community school, if the community 40334
school during the previous school year transported the students 40335
enrolled in the school or arranged for the students' 40336
transportation, even if that arrangement consisted of having 40337
parents transport their children to and from the school, but did 40338
not enter into an agreement to transport or arrange for 40339
transportation for those students under division (A) of this 40340
section, and if the governing authority of the community school by 40341
July 15, 2007, submits written notification to the district board 40342
of education stating that the governing authority is accepting 40343
responsibility for providing or arranging for the transportation 40344
of the district's native students to and from the community 40345
school. 40346

(2) For any school year subsequent to the school year that 40347

begins on July 1, 2007, a school district is not required to 40348
provide transportation for any native student enrolled in a 40349
community school if the governing authority of the community 40350
school, by the thirty-first day of January of the previous school 40351
year, submits written notification to the district board of 40352
education stating that the governing authority is accepting 40353
responsibility for providing or arranging for the transportation 40354
of the district's native students to and from the community 40355
school. If the governing authority of the community school has 40356
previously accepted responsibility for providing or arranging for 40357
the transportation of a district's native students to and from the 40358
community school, under division (B)(1) or (2) of this section, 40359
and has since relinquished that responsibility under division 40360
(B)(3) of this section, the governing authority shall not accept 40361
that responsibility again unless the district board consents to 40362
the governing authority's acceptance of that responsibility. 40363

(3) A governing authority's acceptance of responsibility 40364
under division (B)(1) or (2) of this section shall cover an entire 40365
school year, and shall remain in effect for subsequent school 40366
years unless the governing authority submits written notification 40367
to the district board that the governing authority is 40368
relinquishing the responsibility. However, a governing authority 40369
shall not relinquish responsibility for transportation before the 40370
end of a school year, and shall submit the notice relinquishing 40371
responsibility by the thirty-first day of January, in order to 40372
allow the school district reasonable time to prepare 40373
transportation for its native students enrolled in the school. 40374

(C)(1) A community school governing authority that enters 40375
into an agreement under division (A) of this section, or that 40376
accepts responsibility under division (B) of this section, shall 40377
provide or arrange transportation free of any charge for each of 40378
its enrolled students who is required to be transported under 40379

section 3327.01 of the Revised Code or who would otherwise be 40380
transported by the school district under the district's 40381
transportation policy. The governing authority shall report to the 40382
department of education the number of students transported or for 40383
whom transportation is arranged under this section in accordance 40384
with rules adopted by the state board of education. 40385

(2) The governing authority may provide or arrange 40386
transportation for any other enrolled student who is not eligible 40387

(C)(1) or (2) of this section, a community school governing 40392
authority shall provide or arrange transportation free of any 40393
charge for any disabled student enrolled in the school for whom 40394
the student's individualized education program developed under 40395
Chapter 3323. of the Revised Code specifies transportation. 40396

(D)(1) If a school district board and a community school 40397
governing authority elect to enter into an agreement under 40398
division (A) of this section, the department of education shall 40399
make payments to the community school according to the terms of 40400
the agreement for each student actually transported under division 40401
(C)(1) of this section. 40402

If a community school governing authority accepts 40403
transportation responsibility under division (B) of this section, 40404
the department shall make payments to the community school for 40405
each student actually transported or for whom transportation is 40406
arranged by the community school under division (C)(1) of this 40407
section, calculated as follows: 40408

(a) For any fiscal year which the general assembly has 40409
specified that transportation payments to school districts be 40410

based on an across-the-board percentage of the district's payment 40411
for the previous school year, the per pupil payment to the 40412
community school shall be the following quotient: 40413

(i) The total amount calculated for the school district in 40414
which the child is entitled to attend school for student 40415

3306.12 of the Revised Code and any rules of the state board of 40427
education implementing that ~~division section~~, the payment to the 40428
community school shall be the amount so calculated that otherwise 40429
would be paid to the school district in which the student is 40430
entitled to attend school by the method of transportation the 40431
district would have used. The community school, however, is not 40432
required to use the same method to transport that student. 40433

As used in this division "entitled to attend school" means 40434
entitled to attend school under section 3313.64 or 3313.65 of the 40435
Revised Code. 40436

~~3317.022~~ 3306.12 of the Revised Code and the operating 40447

(3) A community school shall be paid under division (D)(1) of 40449
this section only for students who are eligible as specified in 40450
section 3327.01 of the Revised Code and division (C)(1) of this 40451
section, and whose transportation to and from school is actually 40452
provided, who actually utilized transportation arranged, or for 40453
whom a payment in lieu of transportation is made by the community 40454
school's governing authority. To qualify for the payments, the 40455
community school shall report to the department, in the form and 40456
manner required by the department, data on the number of students 40457
transported or whose transportation is arranged, the number of 40458
miles traveled, cost to transport, and any other information 40459
requested by the department. 40460

(4) A community school shall use payments received under this 40461
section solely to pay the costs of providing or arranging for the 40462
transportation of students who are eligible as specified in 40463
section 3327.01 of the Revised Code and division (C)(1) of this 40464

the construction, design, equipment, and operation of school buses 40472
and other vehicles transporting students to and from school. The 40473

drivers and mechanics of the vehicles are subject to all 40474
provisions of the Revised Code, and all rules adopted under the 40475

3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 40478
of section 3327.16 of the Revised Code and, subject to division 40479
(C)(1) of this section, sections 3327.01 and 3327.02 of the 40480
Revised Code, as if it were a school district. 40481

Sec. 3314.10. (A)(1) The governing authority of any community 40482
school established under this chapter may employ teachers and 40483
nonteaching employees necessary to carry out its mission and 40484

(2) Except as provided under division (A)(3) of this section, 40486
employees hired under this section may organize and collectively 40487
bargain pursuant to Chapter 4117. of the Revised Code. 40488
Notwithstanding division (D)(1) of section 4117.06 of the Revised 40489
Code, a unit containing teaching and nonteaching employees 40490
employed under this section shall be considered an appropriate 40491
unit. As applicable, employment under this section is subject to 40492
either Chapter 3307. or 3309. of the Revised Code. 40493

(3) If a school is created by converting all or part of an 40494
existing public school rather than by establishment of a new 40495
start-up school, at the time of conversion, the employees of the 40496
community school shall remain part of any collective bargaining 40497
unit in which they were included immediately prior to the 40498
conversion and shall remain subject to any collective bargaining 40499
agreement for that unit in effect on the first day of July of the 40500
year in which the community school initially begins operation and 40501

for that unit, unless a petition is certified as sufficient under 40503
division (A)(6) of this section with regard to those employees. 40504

Any new employees of the community school shall also be included 40505
in the unit to which they would have been assigned had not the 40506

as sufficient under division (A)(6) of this section with regard to 40509
those employees. 40510

Notwithstanding division (B) of section 4117.01 of the 40511
Revised Code, the board of education of a school district and not 40512
the governing authority of a community school shall be regarded, 40513
for purposes of Chapter 4117. of the Revised Code, as the "public 40514
employer" of the employees of a conversion community school 40515
subject to a collective bargaining agreement pursuant to division 40516
(A)(3) of this section unless a petition is certified under 40517
division (A)(6) of this section with regard to those employees. 40518
Only on and after the effective date of a petition certified as 40519
sufficient under division (A)(6) of this section shall division 40520
(A)(2) of this section apply to those employees of that community 40521
school and only on and after the effective date of that petition 40522
shall Chapter 4117. of the Revised Code apply to the governing 40523
authority of that community school with regard to those employees. 40524

(4) Notwithstanding sections 4117.03 to 4117.18 of the 40525
Revised Code and Section 4 of Amended Substitute Senate Bill No. 40526
133 of the 115th general assembly, the employees of a conversion 40527
community school who are subject to a collective bargaining 40528
agreement pursuant to division (A)(3) of this section shall cease 40529
to be subject to that agreement and all subsequent agreements 40530
pursuant to that division and shall cease to be part of the 40531
collective bargaining unit that is subject to that and all 40532
subsequent agreements, if a majority of the employees of that 40533
community school who are subject to that collective bargaining 40534
agreement sign and submit to the state employment relations board 40535
a petition requesting all of the following: 40536

(a) That all the employees of the community school who are 40537
subject to that agreement be removed from the bargaining unit that 40538
is subject to that agreement and be designated by the state 40539
employment relations board as a new and separate bargaining unit 40540
for purposes of Chapter 4117. of the Revised Code; 40541

(b) That the employee organization certified as the exclusive 40542
representative of the employees of the bargaining unit from which 40543
the employees are to be removed be certified as the exclusive 40544
representative of the new and separate bargaining unit for 40545
purposes of Chapter 4117. of the Revised Code; 40546

(c) That the governing authority of the community school be 40547
regarded as the "public employer" of these employees for purposes 40548
of Chapter 4117. of the Revised Code. 40549

(5) Notwithstanding sections 4117.03 to 4117.18 of the 40550
Revised Code and Section 4 of Amended Substitute Senate Bill No. 40551
133 of the 115th general assembly, the employees of a conversion 40552
community school who are subject to a collective bargaining 40553
agreement pursuant to division (A)(3) of this section shall cease 40554
to be subject to that agreement and all subsequent agreements 40555
pursuant to that division, shall cease to be part of the 40556
collective bargaining unit that is subject to that and all 40557
subsequent agreements, and shall cease to be represented by any 40558
exclusive representative of that collective bargaining unit, if a 40559
majority of the employees of the community school who are subject 40560
to that collective bargaining agreement sign and submit to the 40561
state employment relations board a petition requesting all of the 40562
following: 40563

(a) That all the employees of the community school who are 40564
subject to that agreement be removed from the bargaining unit that 40565
is subject to that agreement; 40566

(b) That any employee organization certified as the exclusive 40567

representative of the employees of that bargaining unit be 40568
decertified as the exclusive representative of the employees of 40569
the community school who are subject to that agreement; 40570

(c) That the governing authority of the community school be 40571
regarded as the "public employer" of these employees for purposes 40572
of Chapter 4117. of the Revised Code. 40573

(6) Upon receipt of a petition under division (A)(4) or (5) 40574
of this section, the state employment relations board shall check 40575
the sufficiency of the signatures on the petition. If the 40576
signatures are found sufficient, the board shall certify the 40577
sufficiency of the petition and so notify the parties involved, 40578
including the board of education, the governing authority of the 40579
community school, and any exclusive representative of the 40580
bargaining unit. The changes requested in a certified petition 40581
shall take effect on the first day of the month immediately 40582
following the date on which the sufficiency of the petition is 40583
certified under division (A)(6) of this section. 40584

(B)(1) The board of education of each city, local, and 40585
exempted village school district sponsoring a community school and 40586
the governing board of each educational service center in which a 40587
community school is located shall adopt a policy that provides a 40588
leave of absence of at least three years to each teacher or 40589
nonteaching employee of the district or service center who is 40590
employed by a conversion or new start-up community school 40591
sponsored by the district or located in the district or center for 40592
the period during which the teacher or employee is continuously 40593
employed by the community school. The policy shall also provide 40594
that any teacher or nonteaching employee may return to employment 40595
by the district or service center if the teacher or employee 40596
leaves or is discharged from employment with the community school 40597
for any reason, unless, in the case of a teacher, the board of the 40598
district or service center determines that the teacher was 40599

discharged for a reason for which the board would have sought to 40600
discharge the teacher under section 3319.16 of the Revised Code, 40601
in which case the board may proceed to discharge the teacher 40602
utilizing the procedures of that section. Upon termination of such 40603
a leave of absence, any seniority that is applicable to the person 40604
shall be calculated to include all of the following: all 40605
employment by the district or service center prior to the leave of 40606
absence; all employment by the community school during the leave 40607
of absence; and all employment by the district or service center 40608
after the leave of absence. The policy shall also provide that if 40609
any teacher holding valid certification returns to employment by 40610
the district or service center upon termination of such a leave of 40611
absence, the teacher shall be restored to the previous position 40612
and salary or to a position and salary similar thereto. If, as a 40613
result of teachers returning to employment upon termination of 40614
such leaves of absence, a school district or educational service 40615
center reduces the number of teachers it employs, it shall make 40616
such reductions in accordance with section 3319.17 or, if 40617
applicable, 3319.171 of the Revised Code. 40618

Unless a collective bargaining agreement providing otherwise 40619
is in effect for an employee of a conversion community school 40620
pursuant to division (A)(3) of this section, an employee on a 40621
leave of absence pursuant to this division shall remain eligible 40622
for any benefits that are in addition to benefits under Chapter 40623
3307. or 3309. of the Revised Code provided by the district or 40624
service center to its employees provided the employee pays the 40625
entire cost associated with such benefits, except that personal 40626
leave and vacation leave cannot be accrued for use as an employee 40627
of a school district or service center while in the employ of a 40628
community school unless the district or service center board 40629
adopts a policy expressly permitting this accrual. 40630

(2) While on a leave of absence pursuant to division (B)(1) 40631

of this section, a conversion community school shall permit a 40632
teacher to use sick leave accrued while in the employ of the 40633
school district from which the leave of absence was taken and 40634
prior to commencing such leave. If a teacher who is on such a 40635
leave of absence uses sick leave so accrued, the cost of any 40636
salary paid by the community school to the teacher for that time 40637
shall be reported to the department of education. The cost of 40638
employing a substitute teacher for that time shall be paid by the 40639
community school. The department of education shall add amounts to 40640
the payments made to a community school under this chapter and 40641
section 3306.16 of the Revised Code as necessary to cover the cost 40642
of salary reported by a community school as paid to a teacher 40643
using sick leave so accrued pursuant to this section. The 40644
department shall subtract the amounts of any payments made to 40645
community schools under this division from payments made to such 40646
sponsoring school district under ~~Chapter~~ Chapters 3306. and 3317. 40647
of the Revised Code. 40648

A school district providing a leave of absence and employee 40649

employed by a community school. 40652

of education that either implement those sections or otherwise 40662

require teachers to teach in the subject areas or grade levels for 40663
which they are licensed. 40664

A community school may engage persons issued permits under 40665
section 3319.301 of the Revised Code in the same manner as may 40666
school districts. 40667

instructional materials, supplies, and equipment. Any money in the 41179

fund that is not used in any fiscal year shall carry forward to 41180
the next fiscal year. 41181

(B)(1) Notwithstanding division (A) of this section, if in a 41182
fiscal year a district board deposits in the textbook and 41183
instructional materials fund an amount of money greater than the 41184
amount required to be deposited by this section or the rules 41185
adopted under division (C) of this section, the board may deduct 41186
the excess amount of money from the amount of money required to be 41187
deposited in succeeding fiscal years. 41188

(2) Notwithstanding division (A) of this section, in any year 41189
a district is in fiscal emergency status as declared pursuant to 41190
section 3316.03 of the Revised Code, the district may deposit an 41191
amount less than required by division (A) of this section, or make 41192
no deposit, into the district textbook and instructional materials 41193
fund for that year. 41194

(3) Notwithstanding division (A) of this section, in any 41195
fiscal year that a school district is either in fiscal watch 41196
status, as declared pursuant to section 3316.03 of the Revised 41197
Code, or in fiscal caution status, as declared pursuant to section 41198
3316.031 of the Revised Code, the district may apply to the 41199
superintendent of public instruction for a waiver from the 41200
requirements of division (A) of this section, under which the 41201
district may be permitted to deposit an amount less than required 41202
by that division or permitted to make no deposit into the district 41203
textbook and instructional materials fund for that year. The 41204
superintendent may grant a waiver under division (B)(3) of this 41205
section if the district demonstrates to the satisfaction of the 41206
superintendent that compliance with division (A) of this section 41207
that year will create an undue financial hardship on the district. 41208

(4) Notwithstanding division (A) of this section, not more 41209
often than one fiscal year in every three consecutive fiscal 41210

years, any school district that does not satisfy the conditions 41211
for the exemption described in division (B)(2) of this section or 41212
the conditions to apply for the waiver described in division 41213
(B)(3) of this section may apply to the superintendent of public 41214
instruction for a waiver from the requirements of division (A) of 41215
this section, under which the district may be permitted to deposit 41216
an amount less than required by that division or permitted to make 41217
no deposit into the district textbook and instructional materials 41218
fund for that year. The superintendent may grant a waiver under 41219
division (B)(4) of this section if the district demonstrates to 41220
the satisfaction of the superintendent that compliance with 41221
division (A) of this section that year will necessitate the 41222
reduction or elimination of a program currently offered by the 41223
district that is critical to the academic success of students of 41224
the district and that no reasonable alternatives exist for 41225
spending reductions in other areas of operation within the 41226
district that negate the necessity of the reduction or elimination 41227
of that program. 41228

(C) The state superintendent of public instruction and the 41229
auditor of state jointly shall adopt rules in accordance with 41230
Chapter 119. of the Revised Code defining what constitutes 41231
textbooks, instructional software, and instructional materials, 41232
supplies, and equipment for which money in a school district's 41233
textbook and instructional materials fund may be used. The auditor 41234
of state also may designate a percentage, other than three per 41235
cent, of the formula amount multiplied by the district's student 41236
population that must be deposited into the fund. 41237

(D) Notwithstanding division (A) of this section, a district 41238
board of education in any fiscal year may appropriate money in the 41239
district textbook and instructional materials fund for purposes 41240
other than those permitted by that division if both of the 41241
following occur during that fiscal year: 41242

(1) All of the following certify to the district board in writing that the district has sufficient textbooks, instructional software, and instructional materials, supplies, and equipment to ensure a thorough and efficient education within the district:

(a) The district superintendent;

~~(b) In districts required to have a business advisory council, a~~ A person designated by vote of the district's business advisory council;

(c) If the district teachers are represented by an exclusive bargaining representative for purposes of Chapter 4117. of the Revised Code, the president of that organization or the president's designee.

(2) The district board adopts, by unanimous vote of all members of the board, a resolution stating that the district has sufficient textbooks, instructional software, and instructional materials, supplies, and equipment to ensure a thorough and efficient education within the district.

(E) Notwithstanding any provision to the contrary in Chapter 4117. of the Revised Code, the requirements of this section prevail over any conflicting provisions of agreements between employee organizations and public employers entered into on or after November 21, 1997.

(F) As used in this section and in section 3315.18 of the Revised Code, "student population" means the average, daily, full-time-equivalent number of students in kindergarten through twelfth grade receiving any educational services from the school district during the first full school week in October, excluding students enrolled in adult education classes, but including all of the following:

(1) Adjacent or other district students enrolled in the district under an open enrollment policy pursuant to section

3313.98 of the Revised Code;	41274
(2) Students receiving services in the district pursuant to a compact, cooperative education agreement, or a contract, but who are entitled to attend school in another district pursuant to section 3313.64 or 3313.65 of the Revised Code;	41275 41276 41277 41278
(3) Students for whom tuition is payable pursuant to sections 3317.081 and 3323.141 of the Revised Code.	41279 41280
The department of education shall determine a district's student population using data reported to it under section 3317.03 of the Revised Code for the applicable fiscal year.	41281 41282 41283
Sec. 3315.37. The board of education of a school district may establish a teacher education loan program and may expend school funds for the program. The program shall be for the purpose of making loans to students who are residents of the school district or graduates of schools in the school district, who are enrolled in teacher preparation programs at institutions approved by the state board <u>chancellor of the Ohio board of regents</u> pursuant to section 3319.23 <u>3333.048</u> of the Revised Code, and who indicate an intent to teach in the school district providing the loan. The district board may forgive the obligation to repay any or all of the principal and interest on the loan if the borrower teaches in that school district.	41284 41285 41286 41287 41288 41289 41290 41291 41292 41293 41294 41295
The district board shall adopt rules establishing eligibility criteria, application procedures, procedures for review of applications, loan amounts, interest, repayment schedules, conditions under which principal and interest obligations incurred under the program will be forgiven, and any other matter incidental to the operation of the program.	41296 41297 41298 41299 41300 41301
The board may contract with a private, nonprofit foundation, one or more institutions of higher education, or other educational	41302 41303

agencies to administer the program. 41304

The receipt of a loan under this section does not affect a 41305
student's eligibility for assistance, or the amount of such 41306
assistance, granted under section 3315.33, 3333.12, 3333.122, 41307
3333.22, 3333.26, ~~3333.27~~, 5910.04, or 5919.34 of the Revised 41308
Code, but the board's rules may provide for taking such assistance 41309
into consideration when determining a student's eligibility for a 41310
loan under this section. 41311

Sec. 3316.041. (A) Notwithstanding any provision of Chapter 41312
133. or sections 3313.483 to 3313.4811 of the Revised Code, and 41313
subject to the approval of the superintendent of public 41314
instruction, a school district that is in a state of fiscal watch 41315
declared under section 3316.03 of the Revised Code may restructure 41316
or refinance loans obtained or in the process of being obtained 41317
under section 3313.483 of the Revised Code if all of the following 41318
requirements are met: 41319

(1) The operating deficit certified for the school district 41320
for the current or preceding fiscal year under section 3313.483 of 41321
the Revised Code exceeds fifteen per cent of the district's 41322
general revenue fund for the fiscal year preceding the year for 41323
which the certification of the operating deficit is made. 41324

(2) The school district voters have, during the period of the 41325
fiscal watch, approved the levy of a tax under section 718.09, 41326
718.10, 5705.194, 5705.21, or 5748.02 of the Revised Code that is 41327
not a renewal or replacement levy, or a levy under section 41328
5705.199 of the Revised Code, and that will provide new operating 41329
revenue. 41330

(3) The board of education of the school district has adopted 41331
or amended the financial plan required by section 3316.04 of the 41332
Revised Code to reflect the restructured or refinanced loans, and 41333
sets forth the means by which the district will bring projected 41334

operating revenues and expenditures, and projected debt service obligations, into balance for the life of any such loan.

(B) Subject to the approval of the superintendent of public instruction, the school district may issue securities to evidence the restructuring or refinancing authorized by this section. Such securities may extend the original period for repayment not to exceed ten years, and may alter the frequency and amount of repayments, interest or other financing charges, and other terms or agreements under which the loans were originally contracted, provided the loans received under sections 3313.483 of the Revised Code are repaid from funds the district would otherwise receive under ~~sections 3317.022 to 3317.025~~ Chapter 3306. of the Revised Code, as required under division (E)(3) of section 3313.483 of the Revised Code. Securities issued for the purpose of restructuring or refinancing under this section shall be repaid in equal payments and at equal intervals over the term of the debt and are not eligible to be included in any subsequent proposal to restructure or refinance.

(C) Unless the district is declared to be in a state of fiscal emergency under division (D) of section 3316.04 of the Revised Code, a school district shall remain in a state of fiscal watch for the duration of the repayment period of any loan restructured or refinanced under this section.

Sec. 3316.06. (A) Within one hundred twenty days after the first meeting of a school district financial planning and supervision commission, the commission shall adopt a financial recovery plan regarding the school district for which the commission was created. During the formulation of the plan, the commission shall seek appropriate input from the school district board and from the community. This plan shall contain the following:

(1) Actions to be taken to:	41366
(a) Eliminate all fiscal emergency conditions declared to exist pursuant to division (B) of section 3316.03 of the Revised Code;	41367 41368 41369
(b) Satisfy any judgments, past-due accounts payable, and all past-due and payable payroll and fringe benefits;	41370 41371
(c) Eliminate the deficits in all deficit funds, except that any prior year deficits in the textbook and instructional materials fund established pursuant to section 3315.17 of the Revised Code and the capital and maintenance fund established pursuant to section 3315.18 of the Revised Code shall be forgiven;	41372 41373 41374 41375 41376
(d) Restore to special funds any moneys from such funds that were used for purposes not within the purposes of such funds, or borrowed from such funds by the purchase of debt obligations of the school district with the moneys of such funds, or missing from the special funds and not accounted for, if any;	41377 41378 41379 41380 41381
(e) Balance the budget, avoid future deficits in any funds, and maintain on a current basis payments of payroll, fringe benefits, and all accounts;	41382 41383 41384
(f) Avoid any fiscal emergency condition in the future;	41385
(g) Restore the ability of the school district to market long-term general obligation bonds under provisions of law applicable to school districts generally.	41386 41387 41388
(2) The management structure that will enable the school district to take the actions enumerated in division (A)(1) of this section. The plan shall specify the level of fiscal and management control that the commission will exercise within the school district during the period of fiscal emergency, and shall enumerate respectively, the powers and duties of the commission and the powers and duties of the school board during that period.	41389 41390 41391 41392 41393 41394 41395

The commission may elect to assume any of the powers and duties of the school board it considers necessary, including all powers related to personnel, curriculum, and legal issues in order to successfully implement the actions described in division (A)(1) of this section.

(3) The target dates for the commencement, progress upon, and completion of the actions enumerated in division (A)(1) of this section and a reasonable period of time expected to be required to implement the plan. The commission shall prepare a reasonable time schedule for progress toward and achievement of the requirements for the plan, and the plan shall be consistent with that time schedule.

(4) The amount and purpose of any issue of debt obligations that will be issued, together with assurances that any such debt obligations that will be issued will not exceed debt limits supported by appropriate certifications by the fiscal officer of the school district and the county auditor. Debt obligations issued pursuant to section 133.301 of the Revised Code shall include assurances that such debt shall be in an amount not to exceed the amount certified under division (B) of such section. If the commission considers it necessary in order to maintain or improve educational opportunities of pupils in the school district, the plan may include a proposal to restructure or refinance outstanding debt obligations incurred by the board under section 3313.483 of the Revised Code contingent upon the approval, during the period of the fiscal emergency, by district voters of a tax levied under section 718.09, 718.10, 5705.194, 5705.21, 5748.02, or 5748.08 of the Revised Code that is not a renewal or replacement levy, or a levy under section 5705.199 of the Revised Code, and that will provide new operating revenue. Notwithstanding any provision of Chapter 133. or sections 3313.483 to 3313.4811 of the Revised Code, following the required approval of the district

voters and with the approval of the commission, the school 41428
district may issue securities to evidence the restructuring or 41429
refinancing. Those securities may extend the original period for 41430
repayment, not to exceed ten years, and may alter the frequency 41431
and amount of repayments, interest or other financing charges, and 41432
other terms of agreements under which the debt originally was 41433
contracted, at the discretion of the commission, provided that any 41434
loans received pursuant to section 3313.483 of the Revised Code 41435
shall be paid from funds the district would otherwise receive 41436
under ~~sections 3317.022 to 3317.025~~ Chapter 3306. of the Revised 41437
Code, as required under division (E)(3) of section 3313.483 of the 41438
Revised Code. The securities issued for the purpose of 41439
restructuring or refinancing the debt shall be repaid in equal 41440
payments and at equal intervals over the term of the debt and are 41441
not eligible to be included in any subsequent proposal for the 41442
purpose of restructuring or refinancing debt under this section. 41443

(B) Any financial recovery plan may be amended subsequent to 41444
its adoption. Each financial recovery plan shall be updated 41445
annually. 41446

(C) Each school district financial planning and supervision 41447
commission shall submit the financial recovery plan it adopts or 41448
updates under this section to the state superintendent of public 41449
instruction for approval immediately following its adoption or 41450
updating. The state superintendent shall evaluate the plan and 41451
either approve or disapprove it within thirty calendar days from 41452
the date of its submission. If the plan is disapproved, the state 41453
superintendent shall recommend modifications that will render it 41454
acceptable. No financial planning and supervision commission shall 41455
implement a financial recovery plan that is adopted or updated on 41456
or after April 10, 2001, unless the state superintendent has 41457
approved it. 41458

Sec. 3316.20. (A)(1) The school district solvency assistance fund is hereby created in the state treasury, to consist of such amounts designated for the purposes of the fund by the general assembly. The fund shall be used to provide assistance and grants to school districts to enable them to remain solvent and to pay ~~unforseeable~~ unforeseeable expenses of a temporary or emergency nature that they are unable to pay from existing resources.

(2) There is hereby created within the fund an account known as the school district shared resource account, which shall consist of money appropriated to it by the general assembly. The money in the account shall be used solely for solvency assistance to school districts that have been declared under division (B) of section 3316.03 of the Revised Code to be in a state of fiscal emergency.

(3) There is hereby created within the fund an account known as the catastrophic expenditures account, which shall consist of money appropriated to the account by the general assembly plus all investment earnings of the fund. Money in the account shall be used solely for the following:

(a) Solvency assistance to school districts that have been declared under division (B) of section 3316.03 of the Revised Code to be in a state of fiscal emergency, in the event that all money in the shared resource account is utilized for solvency assistance;

(b) Grants to school districts under division (C) of this section.

(B) Solvency assistance payments under division (A)(2) or (3)(a) of this section shall be made from the fund by the superintendent of public instruction in accordance with rules adopted by the director of budget and management, after consulting with the superintendent, specifying approval criteria and

procedures necessary for administering the fund. 41490

The fund shall be reimbursed for any solvency assistance 41491
amounts paid under division (A)(2) or (3)(a) of this section not 41492
later than the end of the second fiscal year following the fiscal 41493
year in which the solvency assistance payment was made. If not 41494
made directly by the school district, such reimbursement shall be 41495
made by the director of budget and management from the amounts the 41496
school district would otherwise receive pursuant to ~~sections~~ 41497
~~3317.022 to 3317.025~~ Chapter 3306. of the Revised Code, or from 41498
any other funds appropriated for the district by the general 41499
assembly. Reimbursements shall be credited to the respective 41500
account from which the solvency assistance paid to the district 41501
was deducted. 41502

(C) The superintendent of public instruction may make 41503
recommendations, and the controlling board may grant money from 41504
the catastrophic expenditures account to any school district that 41505
suffers an unforeseen catastrophic event that severely depletes 41506
the district's financial resources. The superintendent shall make 41507
recommendations for the grants in accordance with rules adopted by 41508
the director of budget and management, after consulting with the 41509
superintendent. A school district shall not be required to repay 41510
any grant awarded to the district under this division, unless the 41511
district receives money from this state or a third party, 41512
including an agency of the government of the United States, 41513
specifically for the purpose of compensating the district for 41514
revenue lost or expenses incurred as a result of the unforeseen 41515
catastrophic event. If a school district receives a grant from the 41516
catastrophic expenditures account on the basis of the same 41517
circumstances for which an adjustment or recomputation is 41518
authorized under section 3317.025, 3317.026, 3317.027, 3317.028, 41519
3317.0210, or 3317.0211 of the Revised Code, the department of 41520
education shall reduce the adjustment or recomputation by an 41521

amount not to exceed the total amount of the grant, and an amount 41522
equal to the reduction shall be transferred, from the funding 41523
source from which the adjustment or recomputation would be paid, 41524
to the catastrophic expenditures account. Any adjustment or 41525
recomputation under such sections that is in excess of the total 41526
amount of the grant shall be paid to the school district. 41527

Sec. 3317.01. As used in this section and section 3317.011 of 41528
the Revised Code, "school district," unless otherwise specified, 41529
means any city, local, exempted village, joint vocational, or 41530
cooperative education school district and any educational service 41531
center. 41532

This chapter shall be administered by the state board of 41533
education. The superintendent of public instruction shall 41534
calculate the amounts payable to each school district and shall 41535
certify the amounts payable to each eligible district to the 41536
treasurer of the district as provided by this chapter. As soon as 41537
possible after such amounts are calculated, the superintendent 41538
shall certify to the treasurer of each school district the 41539
district's adjusted charge-off increase, as defined in section 41540
5705.211 of the Revised Code. No moneys shall be distributed 41541
pursuant to this chapter without the approval of the controlling 41542
board. 41543

The state board of education shall, in accordance with 41544
appropriations made by the general assembly, meet the financial 41545
obligations of this chapter. 41546

~~Annually, the department of education shall calculate and 41547
report to each school district the district's total state and 41548
local funds for providing an adequate basic education to the 41549
district's nondisabled students, utilizing the determination in 41550
section 3317.012 of the Revised Code. In addition, the department 41551
shall calculate and report separately for each school district the 41552~~

~~district's total state and local funds for providing an adequate education for its students with disabilities, utilizing the determinations in both sections 3317.012 and 3317.013 of the Revised Code.~~

~~Not later than the thirty first day of August of each fiscal year, the department of education shall provide to each school district and county MR/DD board a preliminary estimate of the amount of funding that the department calculates the district will receive under each of divisions (C)(1) and (4) of section 3317.022 of the Revised Code. No later than the first day of December of each fiscal year, the department shall update that preliminary estimate.~~

Moneys distributed pursuant to this chapter shall be calculated and paid on a fiscal year basis, beginning with the first day of July and extending through the thirtieth day of June. The moneys appropriated for each fiscal year shall be distributed ~~at least monthly~~ periodically to each school district unless otherwise provided for. The state board shall submit a yearly distribution plan to the controlling board at its first meeting in July. The state board shall submit any proposed midyear revision of the plan to the controlling board in January. Any year-end revision of the plan shall be submitted to the controlling board in June. If moneys appropriated for each fiscal year are distributed other than monthly, such distribution shall be on the same basis for each school district.

~~The total amounts paid each month shall constitute, as nearly as possible, one twelfth of the total amount payable for the entire year.~~

~~Until fiscal year 2007, payments made during the first six months of the fiscal year may be based on an estimate of the amounts payable for the entire year. Payments made in the last six months shall be based on the final calculation of the amounts~~

~~payable to each school district for that fiscal year. Payments 41585
made in the last six months may be adjusted, if necessary, to 41586
correct the amounts distributed in the first six months, and to 41587
reflect enrollment increases when such are at least three per 41588
cent. 41589~~

~~Beginning in fiscal year 2007, payments shall be calculated 41590
to reflect the biannual reporting of average daily membership. In 41591
fiscal year 2007 and in each fiscal year thereafter, annualized 41592
periodic payments for each school district shall be based on the 41593
district's final student counts verified by the superintendent of 41594
public instruction based on reports under section 3317.03 of the 41595
Revised Code, as adjusted, if so ordered, under division (K) of 41596
that section, as follows: 41597~~

~~the sum of one half of the number of students verified 41598
and adjusted for the first full week in October 41599
plus one half of the average of the numbers 41600
verified and adjusted for the first full week 41601
in October and for the first full week in February 41602~~

Except as otherwise provided, payments under this chapter 41603
shall be made only to those school districts in which: 41604

(A) The school district, except for any educational service 41605
center and any joint vocational or cooperative education school 41606
district, levies for current operating expenses at least twenty 41607
mills. Levies for joint vocational or cooperative education school 41608
districts or county school financing districts, limited to or to 41609
the extent apportioned to current expenses, shall be included in 41610
this qualification requirement. School district income tax levies 41611
under Chapter 5748. of the Revised Code, limited to or to the 41612
extent apportioned to current operating expenses, shall be 41613
included in this qualification requirement to the extent 41614
determined by the tax commissioner under division (D) of section 41615
3317.021 of the Revised Code. 41616

(B) The ~~school~~ learning year next preceding the fiscal year 41617
for which such payments are authorized meets the requirement of 41618
section 3313.48 or 3313.481 of the Revised Code, with regard to 41619
the minimum number of days or hours school must be open for 41620
instruction with pupils in attendance, for individualized 41621
parent-teacher conference and reporting periods, and for 41622
professional meetings of teachers. ~~This requirement shall be~~ 41623
~~waived by the~~ The superintendent of public instruction ~~if~~ shall 41624
waive a number of days on which it had been necessary for a school 41625
to be closed because of disease epidemic, hazardous weather 41626
conditions, inoperability of school buses or other equipment 41627
necessary to the school's operation, damage to a school building, 41628
or other temporary circumstances due to utility failure rendering 41629
the school building unfit for school use, ~~provided that for those~~ 41630
~~school districts operating pursuant to section 3313.48 of the~~ 41631
~~Revised Code the number of days the school was actually open for~~ 41632

~~than fifty nine days in any quarter, or for those school districts~~ 41641
~~operating on a pentamester plan the number of days the school was~~ 41642
~~actually open for instruction with pupils in attendance not less~~ 41643

in lieu of taxes required to be paid to the school district under 42029
division (D)(1) or (2) of section 5709.40, division (D) of section 42030

Code to the extent those amounts were not previously reported or 42039
included in division (A)(6)(a) of this section, and so that any 42040
such amount is reported only once under division (A)(6)(b) of this 42041
section, in relation to exemptions from taxation granted pursuant 42042
to an ordinance or resolution adopted under division (C) of 42043
section 5709.40, division (C) of section 5709.73, or division (B) 42044

reductions required by section 319.301 of the Revised Code. 42048

(c) The portion of school district compensation value or 42049

other compensation value that was exempted from taxation pursuant 42050
to such an ordinance or resolution for the preceding tax year, if 42051
the ordinance or resolution is adopted prior to January 1, 2006, 42052

provided to the school district under division (D)(1) of section 42063
5709.40 of the Revised Code. 42064

(e) The portion of school district compensation value that 42065
was exempted from taxation for the preceding tax year pursuant to 42066
such an ordinance or resolution, if and to the extent that, on or 42067
before April 1, 2006, the fiscal officer of the municipal 42068
corporation that adopted the ordinance, or of the township or 42069
county that adopted the resolution, certifies and provides 42070
appropriate supporting documentation to the tax commissioner and 42071

a population that exceeds one hundred thousand, as shown by the 42089
most recent federal decennial census, that includes a major 42090
employment center and that is adjacent to historically distressed 42091
neighborhoods, if the legislative authority of the municipal 42092
corporation that exempted the property prepares an economic 42093
analysis that demonstrates that all taxes generated within the 42094
incentive district accruing to the state by reason of improvements 42095
constructed within the district during its existence exceed the 42096
amount the state pays the school district under section 3317.022 42097
of the Revised Code attributable to such property exemption from 42098
the school district's recognized valuation. The analysis shall be 42099
submitted to and approved by the department of development prior 42100
to January 1, 2006, and the department shall not unreasonably 42101
withhold approval. 42102

(g) The portion of school district compensation value that 42103
was exempted from taxation for the preceding tax year under such 42104
an ordinance or resolution, if the ordinance or resolution is 42105

was exempted from taxation for the preceding tax year under such 42120
an ordinance or resolution if the legislative authority of a 42121
municipal corporation, board of township trustees, or board of 42122
county commissioners have, by January 1, 2006, pledged proceeds 42123
for designated transportation improvement projects that involve 42124
federal funds for which the proceeds are used to meet a local 42125
share match requirement for such funding. 42126

As used in division (A)(6) of this section, "project" has the 42127
same meaning as in section 5709.40 of the Revised Code. 42128

(7) The aggregate value of real property in the school 42129

value of the real property in the school district exempted from 42138
taxation for the preceding tax year under any of the chapters or 42139
sections specified in this division, by (b) a fraction, the 42140
numerator of which is the difference between (i) the amount of 42141
anticipated revenue such school district would have received for 42142
the preceding tax year if the real property exempted from taxation 42143
had not been exempted from taxation and (ii) the aggregate amount 42144
of payments in lieu of taxes on the exempt real property for the 42145

preceding tax year and other compensation received for the 42146
preceding tax year by the school district pursuant to any 42147
agreements entered into on or after January 1, 2006, under section 42148

denominator of which is the amount of anticipated revenue such 42153
school district would have received in the preceding fiscal year 42154
if the real property exempted from taxation had not been exempted. 42155

~~(8) For each school district receiving payments under 42156

(F) of that section, the following: 42160~~

~~(a) The portion of the total amount of taxes charged and 42161
payable for current expenses certified under division (A)(3)(a) of 42162
this section that is attributable to each new levy approved and 42163

as provided in division (B)(1) or (2) of section 5727.47 of the 42188
Revised Code. 42189

specified in division (A)(1) of section 3306.01 and division (A) 42193
of section 3317.01 of the Revised Code, the department shall 42194
immediately request the tax commissioner to determine the extent 42195
to which any school district income tax levied by the district 42196
under Chapter 5748. of the Revised Code shall be included in 42197
meeting that requirement. Within five days of receiving such a 42198

determination required by this division and report the quotient 42200
obtained under division (D)(3) of this section to the department 42201
and the office of budget and management. This quotient represents 42202

the district, excluding any income tax receipts allocated for the 42215
project cost, debt service, or maintenance set-aside associated 42216
with a state-assisted classroom facilities project as authorized 42217
by section 3318.052 of the Revised Code; 42218

(3) Divide the amount estimated under division (D)(2) of this 42219
section by the product obtained under division (D)(1) of this 42220
section. 42221

(E)(1) On or before June 1, 2006, and the first day of April 42222
of each year thereafter, the director of development shall report 42223
to the department of education, the tax commissioner, and the 42224
director of budget and management the total amounts of payments 42225
received by each city, local, exempted village, or joint 42226

by the legislative authority of a municipal corporation under 42232
division (C) of section 5709.40 of the Revised Code, or a 42233

division (B) of section 5709.78 of the Revised Code, respectively. 42236
On or before April 1, 2006, and the first day of March of each 42237
year thereafter, the treasurer of each city, local, exempted 42238
village, or joint vocational school district that has entered into 42239
such an agreement shall report to the director of development the 42240

If the difference obtained is a negative number, the 42283
district's computation shall be zero. 42284

value of the district equals or exceeds twenty-five per cent of 42286
the potential value of the district, the department of education 42287
shall calculate the difference between the district's tax exempt 42288
value and twenty-five per cent of the district's potential value. 42289

calculated as follows: 42424

(formula amount X the sum of categories 42425
one through six special education ADM) + 42426

(total special education weight X formula amount) 42427

The purposes approved by the department for special education 42428
expenses shall include, but shall not be limited to, 42429
identification of children with disabilities, compliance with 42430
state rules governing the education of children with disabilities 42431
and prescribing the continuum of program options for children with 42432
disabilities, provision of speech language pathology services, and 42433
the portion of the school district's overall administrative and 42434
overhead costs that are attributable to the district's special 42435
education student population. 42436

The scholarships deducted from the school district's account 42437
under section 3310.41 of the Revised Code shall be considered to 42438
be an approved special education and related services expense for 42439
the purpose of the school district's compliance with division 42440
(C)(5) of this section. 42441

The department shall require school districts to report data 42442
annually to allow for monitoring compliance with division (C)(5) 42443
of this section. The department shall annually report to the 42444
governor and the general assembly the amount of money spent by 42445
each school district for special education and related services. 42446

(6) In any fiscal year, a school district shall spend for the 42447
provision of speech language pathology services not less than the 42448
sum of the amount calculated under division (C)(1) of this section 42449
for the students in the district's category one special education 42450
ADM and the amount calculated under division (C)(4) of this 42451
section. 42452

(D)(1) As used in this division: 42453

(a) "Daily bus miles per student" equals the number of bus 42454
miles traveled per day, divided by transportation base. 42455

(b) "Transportation base" equals total student count as 42456
defined in section 3301.011 of the Revised Code, minus the number 42457

of students enrolled in units for preschool children with 42458
disabilities, plus the number of nonpublic school students 42459
included in transportation ADM. 42460

(c) "Transported student percentage" equals transportation 42461
ADM divided by transportation base. 42462

(d) "Transportation cost per student" equals total operating 42463
costs for board-owned or contractor-operated school buses divided 42464
by transportation base. 42465

(2) Analysis of student transportation cost data has resulted 42466
in a finding that an average efficient transportation use cost per 42467
student can be calculated by means of a regression formula that 42468
has as its two independent variables the number of daily bus miles 42469
per student and the transported student percentage. For fiscal 42470
year 1998 transportation cost data, the average efficient 42471
transportation use cost per student is expressed as follows: 42472

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + 42473 \\ (116.25573 \times \text{transported student percentage}) 42474$$

The department of education shall annually determine the 42475
average efficient transportation use cost per student in 42476
accordance with the principles stated in division (D)(2) of this 42477
section, updating the intercept and regression coefficients of the 42478
regression formula modeled in this division, based on an annual 42479
statewide analysis of each school district's daily bus miles per 42480
student, transported student percentage, and transportation cost 42481
per student data. The department shall conduct the annual update 42482
using data, including daily bus miles per student, transported 42483
student percentage, and transportation cost per student data, from 42484
the prior fiscal year. The department shall notify the office of 42485
budget and management of such update by the fifteenth day of 42486
February of each year. 42487

(3) In addition to funds paid under divisions (A), (C), and 42488

(E) of this section, each district with a transported student 42489
percentage greater than zero shall receive a payment equal to a 42490
percentage of the product of the district's transportation base 42491
from the prior fiscal year times the annually updated average 42492
efficient transportation use cost per student, times an inflation 42493
factor of two and eight_tenths per cent to account for the 42494
one-year difference between the data used in updating the formula 42495
and calculating the payment and the year in which the payment is 42496
made. The percentage shall be the following percentage of that 42497
product specified for the corresponding fiscal year: 42498

FISCAL YEAR	PERCENTAGE	
2000	52.5%	42500
2001	55%	42501
2002	57.5%	42502
2003 and thereafter	The greater of 60% or the district's state share percentage	42503

The payments made under division (D)(3) of this section each 42504
year shall be calculated based on all of the same prior year's 42505
data used to update the formula. 42506

(4) In addition to funds paid under divisions (D)(2) and (3) 42507
of this section, a school district shall receive a rough road 42508
subsidy if both of the following apply: 42509

(a) Its county rough road percentage is higher than the 42510
statewide rough road percentage, as those terms are defined in 42511
division (D)(5) of this section; 42512

(b) Its district student density is lower than the statewide 42513
student density, as those terms are defined in that division. 42514

(5) The rough road subsidy paid to each district meeting the 42515
qualifications of division (D)(4) of this section shall be 42516
calculated in accordance with the following formula: 42517

(per rough mile subsidy X total rough road miles) 42518

X density multiplier 42519

where: 42520

(a) "Per rough mile subsidy" equals the amount calculated in 42521
accordance with the following formula: 42522

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} -$ 42523

$\text{county rough road percentage}) / (\text{maximum rough road}$ 42524

$\text{percentage} - \text{statewide rough road percentage})\}$ 42525

(i) "Maximum rough road percentage" means the highest county 42526
rough road percentage in the state. 42527

(ii) "County rough road percentage" equals the percentage of 42528
the mileage of state, municipal, county, and township roads that 42529
is rated by the department of transportation as type A, B, C, E2, 42530
or F in the county in which the school district is located or, if 42531
the district is located in more than one county, the county to 42532
which it is assigned for purposes of determining its 42533
cost-of-doing-business factor. 42534

(iii) "Statewide rough road percentage" means the percentage 42535
of the statewide total mileage of state, municipal, county, and 42536
township roads that is rated as type A, B, C, E2, or F by the 42537
department of transportation. 42538

(b) "Total rough road miles" means a school district's total 42539
bus miles traveled in one year times its county rough road 42540
percentage. 42541

(c) "Density multiplier" means a figure calculated in 42542
accordance with the following formula: 42543

$1 - [(\text{minimum student density} - \text{district student}$ 42544

$\text{density}) / (\text{minimum student density} -$ 42545

$\text{statewide student density})]$ 42546

(i) "Minimum student density" means the lowest district 42547
student density in the state. 42548

(ii) "District student density" means a school district's transportation base divided by the number of square miles in the district. 42549
42550
42551

(iii) "Statewide student density" means the sum of the transportation bases for all school districts divided by the sum of the square miles in all school districts. 42552
42553
42554

(6) In addition to funds paid under divisions (D)(2) to (5) of this section, each district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than board-owned or contractor-operated buses and whose transportation is not funded under division (G) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students. 42555

(E)(1) The department shall compute and distribute state vocational education additional weighted costs funds to each school district in accordance with the following formula: 42563
42564
42565

state share percentage X 42566
the formula amount X 42567
total vocational education weight 42568

In any fiscal year, a school district receiving funds under division (E)(1) of this section shall spend those funds only for the purposes that the department designates as approved for vocational education expenses. Vocational educational expenses approved by the department shall include only expenses connected to the delivery of career-technical programming to career-technical students. The department shall require the school district to report data annually so that the department may monitor the district's compliance with the requirements regarding the manner in which funding received under division (E)(1) of this section may be spent. 42569

(2) The department shall compute for each school district 42580
state funds for vocational education associated services in 42581
accordance with the following formula: 42582
state share percentage X .05 X the formula amount X 42583
the sum of categories one and two vocational education ADM 42584

In any fiscal year, a school district receiving funds under 42585
division (E)(2) of this section, or through a transfer of funds 42586
pursuant to division (L) of section 3317.023 of the Revised Code, 42587
shall spend those funds only for the purposes that the department 42588
designates as approved for vocational education associated 42589
services expenses, which may include such purposes as 42590
apprenticeship coordinators, coordinators for other vocational 42591
education services, vocational evaluation, and other purposes 42592
designated by the department. The department may deny payment 42593
under division (E)(2) of this section to any district that the 42594
department determines is not operating those services or is using 42595
funds paid under division (E)(2) of this section, or through a 42596
transfer of funds pursuant to division (L) of section 3317.023 of 42597
the Revised Code, for other purposes. 42598

(F) The actual local share in any fiscal year for the 42599
combination of special education and related services additional 42600
weighted costs funding calculated under division (C)(1) of this 42601
section, transportation funding calculated under divisions (D)(2) 42602
and (3) of this section, and vocational education and associated 42603
services additional weighted costs funding calculated under 42604
divisions (E)(1) and (2) of this section shall not exceed for any 42605
school district the product of three and three-tenths mills times 42606
the district's recognized valuation. The department annually shall 42607
pay each school district as an excess cost supplement any amount 42608
by which the sum of the district's attributed local shares for 42609
that funding exceeds that product. For purposes of calculating the 42610
excess cost supplement: 42611

(1) The attributed local share for special education and related services additional weighted costs funding is the amount specified in division (C)(2) of this section. 42612
42613
42614

(2) The attributed local share of transportation funding equals the difference of the total amount calculated for the district using the formula developed under division (D)(2) of this section minus the actual amount paid to the district after applying the percentage specified in division (D)(3) of this section. 42615
42616
42617
42618
42619
42620

(3) The attributed local share of vocational education and associated services additional weighted costs funding is the amount determined as follows: 42621
42622
42623

(1 - state share percentage) X 42624
[(total vocational education weight X 42625

excluding the amount allocated or apportioned for the project 43171
cost, debt service, or maintenance set-aside associated with a 43172
state-assisted classroom facilities project as authorized by 43173
section 3318.052 of the Revised Code. 43174

(2) "Charge-off amount" means two and three-tenths per cent 43175
multiplied by (the sum of recognized valuation and property 43176
exemption value). 43177

(3) Until fiscal year 2003, the "actual local share of 43178
special education, transportation, and vocational education 43179
funding" for any school district means the sum of the district's 43180
attributed local shares described in divisions (F)(1) to (3) of 43181
section 3317.022 of the Revised Code. Beginning in fiscal year 43182
2003, the "actual local share of special education, 43183
transportation, and vocational education funding" means that sum 43184

for each city, local, and exempted village school district whether 43190
the district's charge-off amount is greater than the district's 43191

greater than its total taxes charged and payable for current 43198
expenses, the department shall, in addition to the payment 43199

required under division (B) of this section, pay the district the amount of its actual local share of special education, transportation, and vocational education funding.

(2) If a district's charge-off amount is less than its total taxes charged and payable for current expenses, the department shall pay the district any amount by which its actual local share of special education, transportation, and vocational education funding exceeds its total taxes charged and payable for current expenses minus its charge-off amount.

(D) If a school district that received a payment under division (B) or (C) of this section in the prior fiscal year is ineligible for payment under those divisions in the current fiscal year, the department shall determine if the ineligibility is the result of a property tax or income tax levy approved by the district's voters to take effect in tax year 2005 or thereafter. If the department determines that is the case, and calculates that the levy causing the ineligibility exceeded by at least one mill the equivalent millage of the prior year's payment under divisions (B) and (C) of this section, the department shall make a payment to the district for the first three years that the district loses eligibility for payment under divisions (B) and (C) of this section, as follows:

(1) In the first year of ineligibility, the department shall pay the district seventy-five per cent of the amount it last paid the district under divisions (B) and (C) of this section.

(2) In the second year of ineligibility, the department shall pay the district fifty per cent of the amount it last paid the district under those divisions.

(3) In the third year of ineligibility, the department shall pay the district twenty-five per cent of the amount it last paid the district under those divisions.

(E) A district that receives payment under division (D) of 43231
this section and subsequently qualifies for payment under division 43232
(B) or (C) of this section is ineligible for future payments under 43233
division (D) of this section. 43234

(F) To enable the department of education to make the 43235
determinations and to calculate payments under division (D) of 43236
this section, on March 30, 2006, and on or before the first day of 43237
March of each year thereafter, the department shall send to the 43238
tax commissioner a list of school districts receiving payments 43239
under division (B) or (C) of this section for the current fiscal 43240
year. On or before the first day of the following June, the tax 43241
commissioner shall certify to the department of education for 43242
those school districts the information required by division (A)(8) 43243
of section 3317.021 of the Revised Code. 43244

Sec. 3317.03. ~~Notwithstanding divisions (A)(1), (B)(1), and 43245
(C) of this section, except as provided in division (A)(2)(h) of 43246

section 3317.022 or 3317.16 of the Revised Code. In no event shall 43737

for the year under that division, the superintendent of schools of 43746
any city, exempted village, or cooperative education school 43747

serving the student, as specified in division (C)(3)(b) of section 44482
3317.022 of the Revised Code, the district may submit to the 44483
superintendent of public instruction documentation, as prescribed 44484

(2) The district shall only report under division (E)(1) of 44494
this section, and the department shall only pay for, the costs of 44495

student in accordance with the student's individualized education 44497
program. Any legal fees, court costs, or other costs associated 44498
with any cause of action relating to the student may not be 44499
included in the amount. 44500

(F) Each fiscal year, the department shall pay each joint 44501
vocational school district an amount for adult technical and 44502

(G)(1) A joint vocational school district's local share of 44504
special education and related services additional weighted costs 44505
equals: 44506

(1 - state share percentage) X 44507
Total special education weight X 44508
the formula amount 44509

(2) For each student with a disability receiving special 44510

education and related services under an individualized education 44511
program, as defined in section 3323.01 of the Revised Code, at a 44512
joint vocational district, the resident district or, if the 44513
student is enrolled in a community school, the community school 44514
shall be responsible for the amount of any costs of providing 44515
those special education and related services to that student that 44516
exceed the sum of the amount calculated for those services 44517
attributable to that student under divisions (B), (D), (E), and 44518
(G)(1) of this section. 44519

Those excess costs shall be calculated by subtracting the sum 44520
of the following from the actual cost to provide special education 44521
and related services to the student: 44522

(a) The formula amount; 44523

(b) The product of the formula amount times the applicable 44524
multiple specified in section ~~3317.013~~ 3306.11 of the Revised 44525
Code; 44526

(c) Any funds paid under division (E) of this section for the 44527

(d) Any other funds received by the joint vocational school 44529
district under this chapter to provide special education and 44530

(3) The board of education of the joint vocational school 44533
district may report the excess costs calculated under division 44534

133. securities," "credit enhancement facilities," "debt charges," 44552
"general obligation," "legislation," "public obligations," and 44553
"securities" have the same meanings as in section 133.01 of the 44554
Revised Code. 44555

(B) The board of education of any school district authorizing 44556
the issuance of securities under section 133.10, 133.301, or 44557
3313.372 of the Revised Code or general obligation Chapter 133. 44558
securities may adopt legislation requesting the state department 44559
of education to approve, and enter into an agreement with the 44560
school district and the primary paying agent or fiscal agent for 44561
such securities providing for, the withholding and deposit of 44562
funds, otherwise due the district under ~~Chapter~~ Chapters 3306. and 44563
3317. of the Revised Code, for the payment of debt service charges 44564
on such securities. 44565

The board of education shall deliver to the state department 44566
a copy of such resolution and any additional pertinent information 44567
the state department may require. 44568

The department of education and the office of budget and 44569
management shall evaluate each request received from a school 44570
district under this section and the department, with the advice 44571

and consent of the director of budget and management, shall 44572
approve or deny each request based on all of the following: 44573

(1) Whether approval of the request will enhance the 44574
marketability of the securities for which the request is made; 44575

(2) Any other pertinent factors or limitations established in 44576
rules made under division (I) of this section, including: 44577

(a) Current and projected obligations of funds due to the 44578
requesting school district under ~~Chapter~~ Chapters 3306. and 3317. 44579
of the Revised Code including obligations of those funds to public 44580
obligations or relevant credit enhancement facilities under this 44581
section, Chapter 133. and section 3313.483 of the Revised Code, 44582
and under any other similar provisions of law; 44583

(b) Whether the department of education or the office of 44584
budget and management has any reason to believe the requesting 44585
school district will be unable to pay when due the debt charges on 44586
the securities for which the request is made. 44587

The department may require a school district to establish 44588
schedules for the payment of all debt charges that take into 44589
account the amount and timing of anticipated distributions of 44590
funds to the district under Chapter 3317. of the Revised Code. 44591

(C) If the department approves the request of a school 44592
district to withhold and deposit funds pursuant to this section, 44593
the department shall enter into a written agreement with the 44594
district and the primary paying agent or fiscal agent for the 44595
securities which shall provide for the withholding of funds 44596
pursuant to this section for the payment of debt charges on those 44597
securities, and may include both of the following: 44598

(1) Provisions for certification by the district to the 44599
department, at a time prior to any date for the payment of 44600
applicable debt charges, whether the district is able to pay those 44601
debt charges when due; 44602

(2) Requirements that the district deposit amounts for the 44603
payment of debt charges on the securities with the primary paying 44604
agent or fiscal agent for the securities prior to the date on 44605
which those debt charge payments are due to the owners or holders 44606
of the securities. 44607

(D) Whenever a district notifies the department of education 44608
that it will be unable to pay debt charges when they are due, 44609
subject to the withholding provisions of this section, or whenever 44610
the applicable paying agent or fiscal agent notifies the 44611
department that it has not timely received from a school district 44612
the full amount needed for the payment when due of those debt 44613
charges to the holders or owners of such securities, the 44614
department shall immediately contact the school district and the 44615
paying agent or fiscal agent to confirm or determine whether the 44616
district is unable to make the required payment by the date on 44617
which it is due. 44618

Upon demand of the treasurer of state while holding a school 44619
district obligation purchased under division (G)(1) of section 44620
135.143 of the Revised Code, the state department of education, 44621
without a request of the school district, shall withhold and 44622
deposit funds pursuant to this section for payment of debt service 44623
charges on that obligation. 44624

If the department confirms or determines that the district 44625
will be unable to make such payment and payment will not be made 44626
pursuant to a credit enhancement facility, the department shall 44627
promptly pay to the applicable primary paying agent or fiscal 44628
agent the lesser of the amount due for debt charges or the amount 44629
due the district for the remainder of the fiscal year under 44630
Chapter 3317. of the Revised Code. If this amount is insufficient 44631
to pay the total amount then due the agent for the payment of debt 44632
charges, the department shall pay to the agent each fiscal year 44633
thereafter, and until the full amount due the agent for unpaid 44634

debt charges is paid in full, the lesser of the remaining amount 44635
due the agent for debt charges or the amount due the district for 44636
the fiscal year under Chapter 3317. of the Revised Code. 44637

(E) The state department may make any payments under this 44638
division by direct deposit of funds by electronic transfer. 44639

Any amount received by a paying agent or fiscal agent under 44640
this section shall be applied only to the payment of debt charges 44641
on the securities of the school district subject to this section 44642
or to the reimbursement to the provider of a credit enhancement 44643
facility that has paid such debt charges. 44644

(F) To the extent a school district whose securities are 44645
subject to this section is unable to pay applicable debt charges 44646
because of the failure to collect property taxes levied for the 44647
payment of those debt charges, the district may transfer to or 44648
deposit into any fund that would have received payments under 44649
~~Chapter 3306.~~ or 3317. of the Revised Code that were withheld 44650
under this section any such delinquent property taxes when later 44651
collected, provided that transfer or deposit shall be limited to 44652
the amounts withheld from that fund under this section. 44653

(G) The department may make payments under this section to 44654
paying agents or fiscal agents only from and to the extent that 44655
money is appropriated by the general assembly for Chapter 3317. of 44656
the Revised Code or for the purposes of this section. No 44657
securities of a school district to which this section is made 44658
applicable constitute an obligation or a debt or a pledge of the 44659
faith, credit, or taxing power of the state, and the holders or 44660
owners of such securities have no right to have taxes levied or 44661
appropriations made by the general assembly for the payment of 44662
debt charges on those securities, and those securities, if the 44663
department requires, shall contain a statement to that effect. The 44664
agreement for or the actual withholding and payment of moneys 44665
under this section does not constitute the assumption by the state 44666

of any debt of a school district. 44667

(H) In the case of securities subject to the withholding 44668
provisions of this section, the issuing board of education shall 44669
appoint a paying agent or fiscal agent who is not an officer or 44670
employee of the school district. 44671

(I) The department of education, with the advice of the 44672
office of budget and management, may adopt reasonable rules not 44673
inconsistent with this section for the implementation of this 44674
section and division (B) of section 133.25 of the Revised Code as 44675
it relates to the withholding and depositing of payments under 44676
~~Chapter~~ Chapters 3306. and 3317. of the Revised Code to secure 44677
payment of debt charges on school district securities. Those rules 44678
shall include criteria for the evaluation and approval or denial 44679
of school district requests for withholding under this section and 44680
limits on the obligation for the purpose of paying debt charges or 44681
reimbursing credit enhancement facilities of funds otherwise to be 44682
paid to school districts under Chapter 3317. of the Revised Code. 44683

(J) The authority granted by this section is in addition to 44684
and not a limitation on any other authorizations granted by or 44685
pursuant to law for the same or similar purposes. 44686

Sec. 3317.20. This section does not apply to preschool 44687
children with disabilities. 44688

(1) "Applicable weight" means the multiple specified in 44690
section ~~3317.013~~ 3306.11 of the Revised Code for a disability 44691
described in that section. 44692

(2) "Child's school district" means the school district in 44693
which a child is entitled to attend school pursuant to section 44694

~~of the child's school district as defined in section 3317.022 of
the Revised Code.~~ 44697
44698

(B) Except as provided in division (C) of this section, the 44699
department shall annually pay each county MR/DD board for each 44700
child with a disability, other than a preschool child with a 44701
disability, for whom the county MR/DD board provides special 44702
education and related services an amount equal to the formula 44703
amount + (state share percentage X formula amount X the applicable 44704
weight). 44705

(C) If any school district places with a county MR/DD board 44706
more children with disabilities than it had placed with a county 44707
MR/DD board in fiscal year 1998, the department shall not make a 44708
payment under division (B) of this section for the number of 44709
children exceeding the number placed in fiscal year 1998. The 44710
department instead shall deduct from the district's payments under 44711
this chapter and Chapter 3306. of the Revised Code, and pay to the 44712
county MR/DD board, an amount calculated in accordance with the 44713
formula prescribed in division (B) of this section for each child 44714
over the number of children placed in fiscal year 1998. 44715
44716

(D) The department shall calculate for each county MR/DD 44717
board receiving payments under divisions (B) and (C) of this 44718
section the following amounts: 44719

(2) The product of the quotient calculated under division 44725
(D)(1) of this section times the number of children for whom 44726
payments are made under divisions (B) and (C) of this section. 44727

If the amount calculated under division (D)(2) of this section is greater than the total amount calculated under divisions (B) and (C) of this section, the department shall pay the county MR/DD board one hundred per cent of the difference in addition to the payments under divisions (B) and (C) of this section.

(E) Each county MR/DD board shall report to the department, in the manner specified by the department, the name of each child for whom the county MR/DD board provides special education and related services and the child's school district.

(F)(1) For the purpose of verifying the accuracy of the payments under this section, the department may request from either of the following entities the data verification code assigned under division (D)(2) of section 3301.0714 of the Revised Code to any child who is placed with a county MR/DD board:

(a) The child's school district;

(b) The independent contractor engaged to create and maintain data verification codes.

(2) Upon a request by the department under division (F)(1) of this section for the data verification code of a child, the child's school district shall submit that code to the department in the manner specified by the department. If the child has not been assigned a code, the district shall assign a code to that child and submit the code to the department by a date specified by the department. If the district does not assign a code to the child by the specified date, the department shall assign a code to the child.

The department annually shall submit to each school district the name and data verification code of each child residing in the district for whom the department has assigned a code under this division.

(3) The department shall not release any data verification code that it receives under division (F) of this section to any person except as provided by law. 44759
44760
44761

(G) Any document relative to special education and related services provided by a county MR/DD board that the department holds in its files that contains both a student's name or other personally identifiable information and the student's data verification code shall not be a public record under section 149.43 of the Revised Code. 44762

44783
44784
44785
44786

(4) The number of children reported by the institution under division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 44787
44788

receiving services for a disability described in division 44789
~~(D)~~(C)(4) of section ~~3317.013~~ 3306.02 of the Revised Code 44790
multiplied by the multiple specified in that division; 44791

(5) The number of children reported by the institution under 44792
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 44793

(B) For each fiscal year, the department of education shall 44802
pay each state institution required to provide special education 44803
services under division (A) of section 3323.091 of the Revised 44804
Code an amount equal to the greater of: 44805

(1) The formula amount times the institution's total special 44806
education weight; 44807

(2) The aggregate amount of special education and related 44808
services unit funding the institution received for all children 44809
with disabilities other than preschool children with disabilities 44810
in fiscal year 2005 under sections 3317.052 and 3317.053 of the 44811
Revised Code, as those sections existed prior to June 30, 2005. 44812

Sec. 3318.011. For purposes of providing assistance under 44813
sections 3318.01 to 3318.20 of the Revised Code, the department of 44814
education shall annually do all of the following: 44815

(A) Calculate the adjusted valuation per pupil of each city, 44816
local, and exempted village school district according to the 44817
following formula: 44818

The district's valuation per pupil - 44819
[\$30,000 X (1 - the district's income factor)]. 44820

For purposes of this calculation: 44821

(1)(a) ~~Except for a district with an open enrollment net gain~~ 44822
~~that is ten per cent or more of its formula ADM as provided in~~ 44823
~~division (A)(1)(b) of this section,~~ "valuation per pupil" for a 44824
district means its average taxable value, divided by its formula 44825
ADM for the previous fiscal year. ~~"Valuation per pupil,"~~ 44826

(b) For calculations in which the formula ADM reported for 44827
fiscal year 2009 or earlier is a factor, for a district with an 44828
open enrollment net gain that is ten per cent or more of its 44829
formula ADM, "valuation per pupil" means its average taxable 44830
value, divided by the sum of its formula ADM for the previous 44831
fiscal year plus its open enrollment net gain for the previous 44832
fiscal year. 44833

Consideration of net open enrollment gain is not added to the 44834
calculation of valuation per pupil for calculations in which the 44835
formula ADM is reported for a fiscal year after fiscal year 2009, 44836
to account for the fact that beginning with the report of formula 44837
ADM in October 2009 open enrollment students are counted in the 44838
formula ADM of the school districts in which they are enrolled. 44839

(2) "Average taxable value" means the average of the amounts 44840
certified for a district in the second, third, and fourth 44841

(3) "Entitled to attend school" means entitled to attend 44844
school in a city, local, or exempted village school district under 44845
section 3313.64 or 3313.65 of the Revised Code. 44846

(4) "Formula ADM" and "income factor" have the same meanings 44847
as in section 3317.02 of the Revised Code. 44848

(5) "Native student" has the same meaning as in section 44849

3313.98 of the Revised Code. 44850

(6) "Open enrollment net gain" for a district means (a) the 44851
number of the students entitled to attend school in another 44852
district but who are enrolled in the schools of the district under 44853
its open enrollment policy minus (b) the number of the district's 44854
native students who are enrolled in the schools of another 44855
district under the other district's open enrollment policy, both 44856
numbers as certified to the department under section 3313.981 of 44857
the Revised Code. If the difference is a negative number, the 44858
district's "open enrollment net gain" is zero. 44859

(7) "Open enrollment policy" means an interdistrict open 44860
enrollment policy adopted under section 3313.98 of the Revised 44861
Code. 44862

(B) Calculate for each district the three-year average of the 44863
adjusted valuations per pupil calculated for the district for the 44864
current and two preceding fiscal years; 44865

(C) Rank all such districts in order of adjusted valuation 44866
per pupil from the district with the lowest three-year average 44867
adjusted valuation per pupil to the district with the highest 44868
three-year average adjusted valuation per pupil; 44869

(D) Divide such ranking into percentiles with the first 44870
percentile containing the one per cent of school districts having 44871
the lowest three-year average adjusted valuations per pupil and 44872

Sec. 3318.051. (A) Any city, exempted village, or local 44883
school district that commences a project under sections 3318.01 to 44884
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 44885
after ~~the effective date of this section~~ September 5, 2006, need 44886

3318.05 of the Revised Code, if the district board of education 44888
adopts a resolution petitioning the Ohio school facilities 44889
commission to approve the transfer of money in accordance with 44890
this section and the commission approves that transfer. If so 44891
approved, the commission and the district board shall enter into 44892
an agreement under which the board, in each of twenty-three 44893
consecutive years beginning in the year in which the board and the 44894
commission enter into the project agreement under section 3318.08 44895
of the Revised Code, shall transfer into the maintenance fund 44896
required by division (D) of section 3318.05 of the Revised Code 44897

auditor of state finds that less than the required amount has been 44908
deposited into a district's maintenance fund, the auditor of state 44909
shall notify the district board of education in writing of that 44910
fact and require the board to deposit into the fund, within ninety 44911
days after the date of the notice, the amount by which the fund is 44912

to the auditor of state's satisfaction that the board has made the 44914
deposit required in the notice, the auditor of state shall notify 44915
the department of education. At that time, the department shall 44916
withhold an amount equal to ten per cent of the district's funds 44917
calculated for the current fiscal year under ~~Chapter~~ Chapters 44918

(E) Any decision by the commission to approve or not approve 44929
the transfer of money under this section is final and not subject 44930
to appeal. The commission shall not be responsible for errors or 44931
miscalculations made in deciding whether to approve a petition to 44932
make transfers under this section. 44933

(F) If the district board determines that it no longer can 44934
continue making the transfers agreed to under this section, the 44935
board may rescind the agreement only so long as the electors of 44936
the district have approved, in accordance with section 3318.063 of 44937
the Revised Code, the levy of a tax for the maintenance of the 44938
classroom facilities acquired under the district's project and 44939

difference between twenty-three years and the number of years that 44942
the district made transfers under this section and shall be at the 44943
rate of not less than one-half mill for each dollar of the 44944

resolution by vote of a majority of its members to extend the term 44955
of that tax beyond the expiration of that tax as originally 44956
approved under that section. The school district board may include 44957
in the resolution a proposal to extend the term of that tax at the 44958
rate of not less than one-half mill for each dollar of valuation 44959
for a period of twenty-three years from the year in which the 44960
school district board and the Ohio school facilities commission 44961
enter into an agreement under division (B)(2) of section 3318.04 44962
of the Revised Code or in the following year, as specified in the 44963
resolution ~~or, as applicable in the case of a district segmenting~~ 44964
~~a project under section 3318.38 of the Revised Code, from the year~~ 44965
~~in which the last segment is undertaken.~~ Such a resolution may be 44966
adopted at any time before such an agreement is entered into and 44967
before the tax levied pursuant to section 3318.06 of the Revised 44968
Code expires. If the resolution is combined with a resolution to 44969
issue bonds to pay the school district's portion of the basic 44970
project cost, it shall conform with the requirements of divisions 44971
(A)(1), (2), and (3) of section 3318.06 of the Revised Code, 44972
except that the resolution also shall state that the tax levy 44973
proposed in the resolution is an extension of an existing tax 44974
levied under that section. A resolution proposing an extension 44975
adopted under this section does not take effect until it is 44976

approved by a majority of electors voting in favor of the 44977
resolution at a general, primary, or special election as provided 44978
in this section. 44979

A tax levy extended under this section is subject to the same 44980
terms and limitations to which the original tax levied under 44981
section 3318.06 of the Revised Code is subject under that section, 44982
except the term of the extension shall be as specified in this 44983
section. 44984

The school district board shall certify a copy of the 44985
resolution adopted under this section to the proper county board 44986
of elections not later than seventy-five days before the date set 44987
in the resolution as the date of the election at which the 44988
question will be submitted to electors. The notice of the election 44989

tax levy. 44993

The form of the ballot shall be as follows: 44994

following year)? 45003

Section 3318.07 of the Revised Code applies to ballot 45008
questions under this section. 45009

Sec. 3318.08. Except in the case of a joint vocational school 45010
district that receives assistance under sections 3318.40 to 45011
3318.45 of the Revised Code, if the requisite favorable vote on 45012
the election is obtained, or if the school district board has 45013
resolved to apply the proceeds of a property tax levy or the 45014
proceeds of an income tax, or a combination of proceeds from such 45015
taxes, as authorized in section 3318.052 of the Revised Code, the 45016
Ohio school facilities commission, upon certification to it of 45017
either the results of the election or the resolution under section 45018
3318.052 of the Revised Code, shall enter into a written agreement 45019
with the school district board for the construction and sale of 45020
the project. In the case of a joint vocational school district 45021
that receives assistance under sections 3318.40 to 3318.45 of the 45022
Revised Code, if the school district board of education and the 45023
school district electors have satisfied the conditions prescribed 45024
in division (D)(1) of section 3318.41 of the Revised Code, the 45025
commission shall enter into an agreement with the school district 45026
board for the construction and sale of the project. In either 45027
case, the agreement shall include, but need not be limited to, the 45028
following provisions: 45029

(A) The sale and issuance of bonds or notes in anticipation 45030
thereof, as soon as practicable after the execution of the 45031
agreement, in an amount equal to the school district's portion of 45032
the basic project cost, including any securities authorized under 45033
division (J) of section 133.06 of the Revised Code and dedicated 45034
by the school district board to payment of the district's portion 45035
of the basic project cost of the project; provided, that if at 45036
that time the county treasurer of each county in which the school 45037
district is located has not commenced the collection of taxes on 45038
the general duplicate of real and public utility property for the 45039

year in which the controlling board approved the project, the 45040
school district board shall authorize the issuance of a first 45041
installment of bond anticipation notes in an amount specified by 45042
the agreement, which amount shall not exceed an amount necessary 45043
to raise the net bonded indebtedness of the school district as of 45044
the date of the controlling board's approval to within five 45045
thousand dollars of the required level of indebtedness for the 45046
preceding year. In the event that a first installment of bond 45047
anticipation notes is issued, the school district board shall, as 45048
soon as practicable after the county treasurer of each county in 45049
which the school district is located has commenced the collection 45050
of taxes on the general duplicate of real and public utility 45051
property for the year in which the controlling board approved the 45052
project, authorize the issuance of a second and final installment 45053
of bond anticipation notes or a first and final issue of bonds. 45054

The combined value of the first and second installment of 45055
bond anticipation notes or the value of the first and final issue 45056
of bonds shall be equal to the school district's portion of the 45057
basic project cost. The proceeds of any such bonds shall be used 45058
first to retire any bond anticipation notes. Otherwise, the 45059
proceeds of such bonds and of any bond anticipation notes, except 45060
the premium and accrued interest thereon, shall be deposited in 45061
the school district's project construction fund. In determining 45062
the amount of net bonded indebtedness for the purpose of fixing 45063
the amount of an issue of either bonds or bond anticipation notes, 45064
gross indebtedness shall be reduced by moneys in the bond 45065
retirement fund only to the extent of the moneys therein on the 45066
first day of the year preceding the year in which the controlling 45067
board approved the project. Should there be a decrease in the tax 45068
valuation of the school district so that the amount of 45069
indebtedness that can be incurred on the tax duplicates for the 45070
year in which the controlling board approved the project is less 45071
than the amount of the first installment of bond anticipation 45072

notes, there shall be paid from the school district's project 45073
construction fund to the school district's bond retirement fund to 45074
be applied against such notes an amount sufficient to cause the 45075
net bonded indebtedness of the school district, as of the first 45076
day of the year following the year in which the controlling board 45077
approved the project, to be within five thousand dollars of the 45078
required level of indebtedness for the year in which the 45079
controlling board approved the project. The maximum amount of 45080
indebtedness to be incurred by any school district board as its 45081
share of the cost of the project is either an amount that will 45082
cause its net bonded indebtedness, as of the first day of the year 45083
following the year in which the controlling board approved the 45084
project, to be within five thousand dollars of the required level 45085
of indebtedness, or an amount equal to the required percentage of 45086
the basic project costs, whichever is greater. All bonds and bond 45087
anticipation notes shall be issued in accordance with Chapter 133. 45088
of the Revised Code, and notes may be renewed as provided in 45089
section 133.22 of the Revised Code. 45090

(B) The transfer of such funds of the school district board 45091
available for the project, together with the proceeds of the sale 45092
of the bonds or notes, except premium, accrued interest, and 45093
interest included in the amount of the issue, to the school 45094
district's project construction fund; 45095

(C) For all school districts except joint vocational school 45096
districts that receive assistance under sections 3318.40 to 45097
3318.45 of the Revised Code, the following provisions as 45098
applicable: 45099

part of the tax required under division (B) of section 3318.05 of 45109
the Revised Code; 45110

(2) If section 3318.052 of the Revised Code does not apply, 45111
one of the following: 45112

(B) of section 3318.05 of the Revised Code, the commission has 45123
approved the transfer of money to the maintenance fund in 45124
accordance with section 3318.051 of the Revised Code, a 45125
requirement that the district board comply with the provisions 45126
prescribed under that section. The district board may rescind the 45127
provision prescribed under division (C)(2)(c) of this section only 45128
so long as the electors of the district have approved, in 45129
accordance with section 3318.063 of the Revised Code, the levy of 45130
a tax for the maintenance of the classroom facilities acquired 45131
under the district's project and that levy continues to be 45132

(E) Dedication of any local donated contribution as provided 45139
for under section 3318.084 of the Revised Code, including a 45140

section 3318.05 of the Revised Code as required under division 45143
(D)(2) of section 3318.084 of the Revised Code; 45144

(F) Ownership of or interest in the project during the period 45145

any obligations issued for the project under section 3318.26 of 45150
the Revised Code are no longer outstanding; 45151

shares of that basic project cost as determined under section 45219
3318.032 of the Revised Code or, if the district is a joint 45220

which the commission and school district enter into an agreement 45267
under division (B) of this section, plus [two one-hundredths of 45268
one per cent multiplied by (the percentile in which the district 45269
ranks minus one)]. 45270

(c) "Local resources" means any moneys generated in any 45271
manner permitted for a school district board to raise the school 45272
district portion of a project undertaken with assistance under 45273
sections 3318.01 to 3318.20 of the Revised Code. 45274

(2) For purposes of determining ~~either~~ the required level of 45275
indebtedness, ~~as defined in division (A)(1)(b) of this section, or~~ 45276
the required percentage of the basic project costs, ~~under division~~ 45277
(C)(1) of this section, and priority for assistance under sections 45278
3318.01 to 3318.20 of the Revised Code, the percentile ranking of 45279
a school district with which the commission has entered into an 45280
agreement under this section between the first day of July and the 45281
thirty-first day of August in each fiscal year is the percentile 45282
ranking calculated for that district for the immediately preceding 45283
fiscal year, and the percentile ranking of a school district with 45284
which the commission has entered into such agreement between the 45285
first day of September and the thirtieth day of June in each 45286
fiscal year is the percentile ranking calculated for that district 45287
for the current fiscal year. 45288

(B)(1) There is hereby established the school building 45289

assistance expedited local partnership program. Under the program, 45290
the Ohio school facilities commission may enter into an agreement 45291
with the school district board of any school district under which 45292
the school district board may proceed with the new construction or 45293
major repairs of a part of the school district's classroom 45294
facilities needs, as determined under sections 3318.01 to 3318.20 45295
of the Revised Code, through the expenditure of local resources 45296
prior to the school district's eligibility for state assistance 45297
under those sections ~~3318.01 to 3318.20~~ of the Revised Code and 45298
may apply that expenditure toward meeting the school district's 45299
portion of the basic project cost of the total of the school 45300
district's classroom facilities needs, as determined under 45301
sections 3318.01 to 3318.20 of the Revised Code and as 45302
recalculated under division (E) of this section, that are eligible 45303
for state assistance under sections 3318.01 to 3318.20 of the 45304
Revised Code when the school district becomes eligible for ~~such~~ 45305
~~state~~ that assistance. Any school district that is reasonably 45306
expected to receive assistance under sections 3318.01 to 3318.20 45307
of the Revised Code within two fiscal years from the date the 45308
school district adopts its resolution under division (B) of this 45309
section shall not be eligible to participate in the program 45310
established under this section. 45311

(2) To participate in the program, a school district board 45312
shall first adopt a resolution certifying to the commission the 45313
board's intent to participate in the program. 45314

The resolution shall specify the approximate date that the 45315
board intends to seek elector approval of any bond or tax measures 45316
or to apply other local resources to use to pay the cost of 45317
classroom facilities to be constructed under this section. The 45318
resolution may specify the application of local resources or 45319
elector-approved bond or tax measures after the resolution is 45320
adopted by the board, and in such case the board may proceed with 45321

a discrete portion of its project under this section as soon as 45322
the commission and the controlling board have approved the basic 45323
project cost of the district's classroom facilities needs as 45324
specified in division (D) of this section. The board shall submit 45325
its resolution to the commission not later than ten days after the 45326
date the resolution is adopted by the board. 45327

The commission shall not consider any resolution that is 45328
submitted pursuant to division (B)(2) of this section, as amended 45329
by this amendment, sooner than September 14, 2000. 45330

(3) For purposes of determining when a district that enters 45331
into an agreement under this section becomes eligible for 45332
assistance under sections 3318.01 to 3318.20 of the Revised Code, 45333
the commission shall use the district's percentile ranking 45334
determined at the time the district entered into the agreement 45335
under this section, as prescribed by division (A)(2) of this 45336
section. 45337

(4) Any project under this section shall comply with section 45338
3318.03 of the Revised Code and with any specifications for plans 45339
and materials for classroom facilities adopted by the commission 45340
under section 3318.04 of the Revised Code. 45341

~~(4)~~(5) If a school district that enters into an agreement 45342
under this section has not begun a project applying local 45343
resources as provided for under that agreement at the time the 45344
district is notified by the commission that it is eligible to 45345
receive state assistance under sections 3318.01 to 3318.20 of the 45346
Revised Code, all assessment and agreement documents entered into 45347
under this section are void. 45348

~~(5)~~(6) Only construction of or repairs to classroom 45349
facilities that have been approved by the commission and have been 45350
therefore included as part of a district's basic project cost 45351
qualify for application of local resources under this section. 45352

(C) Based on the results of ~~the~~ on-site visits and assessment 45353
~~conducted under division (B)(2) of this section,~~ the commission 45354
shall determine the basic project cost of the school district's 45355
classroom facilities needs. The commission shall determine the 45356
school district's portion of such basic project cost, which shall 45357
be the greater of: 45358

(1) The required percentage of the basic project costs, 45359
determined based on the school district's percentile ranking; 45360

(2) An amount necessary to raise the school district's net 45361
bonded indebtedness, as of the fiscal year the commission and the 45362
school district enter into the agreement under division (B) of 45363
this section, to within five thousand dollars of the required 45364
level of indebtedness. 45365

(D)(1) When the commission determines the basic project cost 45366
of the classroom facilities needs of a school district and the 45367
school district's portion of that basic project cost under 45368
division (C) of this section, the project shall be conditionally 45369
approved. Such conditional approval shall be submitted to the 45370
controlling board for approval thereof. The controlling board 45371
shall forthwith approve or reject the commission's determination, 45372
conditional approval, and the amount of the state's portion of the 45373
basic project cost; however, no state funds shall be encumbered 45374
under this section. Upon approval by the controlling board, the 45375
school district board may identify a discrete part of its 45376
classroom facilities needs, which shall include only new 45377
construction of or additions or major repairs to a particular 45378
building, to address with local resources. Upon identifying a part 45379
of the school district's basic project cost to address with local 45380
resources, the school district board may allocate any available 45381
school district moneys to pay the cost of that identified part, 45382
including the proceeds of an issuance of bonds if approved by the 45383
electors of the school district. 45384

All local resources utilized under this division shall first 45385
be deposited in the project construction account required under 45386
section 3318.08 of the Revised Code. 45387

(2) Unless the school district board exercises its option 45388
under division (D)(3) of this section, for a school district to 45389
qualify for participation in the program authorized under this 45390
section, one of the following conditions shall be satisfied: 45391

(a) The electors of the school district by a majority vote 45392
shall approve the levy of taxes outside the ten-mill limitation 45393
for a period of twenty-three years at the rate of not less than 45394
one-half mill for each dollar of valuation to be used to pay the 45395
cost of maintaining the classroom facilities included in the basic 45396
project cost as determined by the commission. The form of the 45397
ballot to be used to submit the question whether to approve the 45398
tax required under this division to the electors of the school 45399
district shall be the form for an additional levy of taxes 45400
prescribed in section 3318.361 of the Revised Code, which may be 45401
combined in a single ballot question with the questions prescribed 45402
under section 5705.218 of the Revised Code. 45403

(b) As authorized under division (C) of section 3318.05 of 45404
the Revised Code, the school district board shall earmark from the 45405
proceeds of a permanent improvement tax levied under section 45406
5705.21 of the Revised Code, an amount equivalent to the 45407
additional tax otherwise required under division (D)(2)(a) of this 45408
section for the maintenance of the classroom facilities included 45409
in the basic project cost as determined by the commission. 45410

(c) As authorized under section 3318.051 of the Revised Code, 45411
the school district board shall, if approved by the commission, 45412
annually transfer into the maintenance fund required under section 45413
3318.05 of the Revised Code the amount prescribed in section 45414
3318.051 of the Revised Code in lieu of the tax otherwise required 45415
under division (D)(2)(a) of this section for the maintenance of 45416

the classroom facilities included in the basic project cost as 45417
determined by the commission. 45418

(d) If the school district board has rescinded the agreement 45419
to make transfers under section 3318.051 of the Revised Code, as 45420
provided under division (F) of that section, the electors of the 45421
school district, in accordance with section 3318.063 of the 45422
Revised Code, first shall approve the levy of taxes outside the 45423
ten-mill limitation for the period specified in that section at a 45424
rate of not less than one-half mill for each dollar of valuation. 45425

(e) The school district board shall apply the proceeds of a 45426
tax to leverage bonds as authorized under section 3318.052 of the 45427
Revised Code or dedicate a local donated contribution in the 45428
manner described in division (B) of section 3318.084 of the 45429
Revised Code in an amount equivalent to the additional tax 45430
otherwise required under division (D)(2)(a) of this section for 45431
the maintenance of the classroom facilities included in the basic 45432
project cost as determined by the commission. 45433

(3) A school district board may opt to delay taking any of 45434
the actions described in division (D)(2) of this section until 45435
~~such time as~~ the school district becomes eligible for state 45436
assistance under sections 3318.01 to 3318.20 of the Revised Code. 45437
In order to exercise this option, the board shall certify to the 45438
commission a resolution indicating the board's intent to do so 45439
prior to entering into an agreement under division (B) of this 45440
section. 45441

(4) If pursuant to division (D)(3) of this section a district 45442
board opts to delay levying an additional tax until the district 45443
becomes eligible for state assistance, it shall submit the 45444
question of levying that tax to the district electors as follows: 45445

(a) In accordance with section 3318.06 of the Revised Code if 45446
it will also be necessary pursuant to division (E) of this section 45447

to submit a proposal for approval of a bond issue; 45448

(b) In accordance with section 3318.361 of the Revised Code 45449
if it is not necessary to also submit a proposal for approval of a 45450
bond issue pursuant to division (E) of this section. 45451

(5) No state assistance under sections 3318.01 to 3318.20 of 45452
the Revised Code shall be released until a school district board 45453
that adopts and certifies a resolution under division (D) of this 45454
section also demonstrates to the satisfaction of the commission 45455
compliance with the provisions of division (D)(2) of this section. 45456

Any amount required for maintenance under division (D)(2) of 45457
this section shall be deposited into a separate fund as specified 45458
in division (B) of section 3318.05 of the Revised Code. 45459

(E)(1) If the school district becomes eligible for state 45460
assistance under sections 3318.01 to 3318.20 of the Revised Code 45461
based on its percentile ranking ~~as determined~~ under division 45462
(B)(3) of this section, the commission shall conduct a new 45463
assessment of the school district's classroom facilities needs and 45464
shall recalculate the basic project cost based on this new 45465
assessment. The basic project cost recalculated under this 45466
division shall include the amount of expenditures made by the 45467
school district board under division (D)(1) of this section. The 45468
commission shall then recalculate the school district's portion of 45469
the new basic project cost, which shall be the percentage of the 45470
original basic project cost assigned to the school district as its 45471
portion under division (C) of this section. The commission shall 45472
deduct the expenditure of school district moneys made under 45473
division (D)(1) of this section from the school district's portion 45474
of the basic project cost as recalculated under this division. If 45475
the amount of school district resources applied by the school 45476
district board to the school district's portion of the basic 45477
project cost under this section is less than the total amount of 45478
such portion as recalculated under this division, the school 45479

district board by a majority vote of all of its members shall, if 45480
it desires to seek state assistance under sections 3318.01 to 45481
3318.20 of the Revised Code, adopt a resolution as specified in 45482
section 3318.06 of the Revised Code to submit to the electors of 45483
the school district the question of approval of a bond issue in 45484
order to pay any additional amount of school district portion 45485
required for state assistance. Any tax levy approved under 45486
division (D) of this section satisfies the requirements to levy 45487
the additional tax under section 3318.06 of the Revised Code. 45488

45489

(2) If the amount of school district resources applied by the 45490
school district board to the school district's portion of the 45491
basic project cost under this section is more than the total 45492
amount of such portion as recalculated under this division, within 45493
one year after the school district's portion is recalculated under 45494
division (E)(1) of this section the commission may grant to the 45495
school district the difference between the two calculated 45496
portions, but at no time shall the commission expend any state 45497
funds on a project in an amount greater than the state's portion 45498
of the basic project cost as recalculated under this division. 45499

Any reimbursement under this division shall be only for local 45500
resources the school district has applied toward construction cost 45501
expenditures for the classroom facilities approved by the 45502
commission, which shall not include any financing costs associated 45503
with that construction. 45504

The school district board shall use any moneys reimbursed to 45505
the district under this division to pay off any debt service the 45506
district owes for classroom facilities constructed under its 45507
project under this section before such moneys are applied to any 45508
other purpose. However, the district board first may deposit 45509
moneys reimbursed under this division into the district's general 45510
fund or a permanent improvement fund to replace local resources 45511

the district withdrew from those funds, as long as, and to the extent that, those local resources were used by the district for constructing classroom facilities included in the district's basic project cost.

Sec. 3318.38. (A) As used in this section, "big-eight school district" has the same meaning as in section 3314.02 of the Revised Code.

(B) There is hereby established the accelerated urban school building assistance program. Under the program, notwithstanding section 3318.02 of the Revised Code, any big-eight school district that has not been approved to receive assistance under sections 3318.01 to 3318.20 of the Revised Code by July 1, 2002, may beginning on that date apply for approval of and be approved for such assistance. Except as otherwise provided in this section, any project approved and undertaken pursuant to this section shall comply with all provisions of sections 3318.01 to 3318.20 of the Revised Code.

The Ohio school facilities commission shall provide assistance to any big-eight school district eligible for assistance under this section in the following manner:

(1) Notwithstanding section 3318.02 of the Revised Code:

(a) Not later than June 30, 2002, the commission shall conduct an on-site visit and shall assess the classroom facilities needs of each big-eight school district eligible for assistance under this section;

(b) Beginning July 1, 2002, any big-eight school district eligible for assistance under this section may apply to the commission for conditional approval of its project as determined by the assessment conducted under division (B)(1)(a) of this section. The commission may conditionally approve that project and

submit it to the controlling board for approval pursuant to 45542
section 3318.04 of the Revised Code. 45543

(2) If the controlling board approves the project of a 45544
big-eight school district eligible for assistance under this 45545
section, the commission and the school district shall enter into 45546
an agreement as prescribed in section 3318.08 of the Revised Code. 45547
Any agreement executed pursuant to this division shall include any 45548
applicable segmentation provisions as approved by the commission 45549
under division (B)(3) of this section. 45550

(3) Notwithstanding any provision to the contrary in sections 45551
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 45552
school district eligible for assistance under this section may 45553
with the approval of the commission opt to divide the project as 45554
approved under division (B)(1)(b) of this section into discrete 45555
segments to be completed sequentially. Any project divided into 45556
segments shall comply with all other provisions of sections 45557
3318.05, 3318.06, and 3318.08 of the Revised Code except as 45558
otherwise specified in this division. 45559

If a project is divided into segments under this division: 45560

(a) The school district need raise only the amount equal to 45561
its proportionate share, as determined under section 3318.032 of 45562
the Revised Code, of each segment at any one time and may seek 45563
voter approval of each segment separately; 45564

(b) The state's proportionate share, as determined under 45565
section 3318.032 of the Revised Code, of only the segment which 45566
has been approved by the school district electors or for which the 45567
district has applied a local donated contribution under section 45568
3318.084 of the Revised Code shall be encumbered in accordance 45569
with section 3318.11 of the Revised Code. Encumbrance of 45570
additional amounts to cover the state's proportionate share of 45571
later segments shall be approved separately as they are approved 45572

by the school district electors or as the district applies a local 45573
donated contribution to the segments under section 3318.084 of the 45574
Revised Code. 45575

~~(c) If it is necessary to levy the additional tax for 45576
maintenance under division (B) of section 3318.05 of the Revised 45577
Code with respect to any segment of the project, the district may 45578
utilize the provisions of section 3318.061 of the Revised Code to 45579
ensure that the maintenance tax extends for twenty three years 45580
after the last segment of the project is undertaken The school 45581
district's maintenance levy requirement, as defined in section 45582
3318.18 of the Revised Code, shall run for twenty-three years from 45583
the date the first segment is undertaken. 45584~~

(4) For any project under this section, the state funds 45585
reserved and encumbered and the funds provided by the school 45586
district to pay the basic project cost of any segment of the 45587
project, or of the entire project if it is not divided into 45588
segments, shall be spent on the construction and acquisition of 45589
the project simultaneously in proportion to the state's and the 45590
school district's respective shares of that basic project cost as 45591
determined under section 3318.032 of the Revised Code. 45592

Sec. 3318.44. (A) A joint vocational school district board of 45593
education may generate the school district's portion of the basic 45594
project cost of its project under sections 3318.40 to 3318.45 of 45595
the Revised Code using any combination of the following means if 45596
lawfully employed for the acquisition of classroom facilities: 45597

(1) The issuance of securities in accordance with Chapter 45598
133. and section 3311.20 of the Revised Code; 45599

(2) Local donated contributions as authorized under section 45600
3318.084 of the Revised Code; 45601

(3) A levy for permanent improvements under section 3311.21 45602

or 5705.21 of the Revised Code; 45603

(4) Bonds issued pursuant to division (B) of this section. 45604

(B) By resolution adopted by a majority of all its members, a 45605
school district board, in order to pay all or part of the school 45606
district's portion of its basic project cost, may apply the 45607
proceeds of a tax levied under section 5705.21 of the Revised Code 45608
for general permanent improvements if the proceeds of that levy 45609
lawfully may be used for general construction, renovation, repair, 45610
or maintenance of classroom facilities to ~~leverage~~ pay debt 45611
charges on and financing costs related to bonds adequate issued to 45612
pay all or part of the school district portion of the basic 45613
project cost of the school district's project under sections 45614
3318.40 to 3318.45 of the Revised Code or to generate an amount 45615
equivalent to all or part of the amount required under section 45616
3318.43 of the Revised Code to be used for maintenance of 45617
classroom facilities acquired under the project. Bonds issued 45618
under this division shall be Chapter 133. securities, and may be 45619
issued as general obligation securities, but the issuance of the 45620
bonds shall not be subject to a vote of the electors of the school 45621
district as long as the tax proceeds earmarked for payment of the 45622
~~service debt~~ charges on the bonds may lawfully be used for that 45623
purpose. Such bonds shall not be included in the calculation of 45624
net indebtedness under section 133.06 of the Revised Code if the 45625
resolution authorizing their issuance includes covenants to 45626
appropriate annually, from lawfully available proceeds of a 45627
property tax levied under section 5705.21 of the Revised Code, and 45628
to continue to levy that tax in amounts necessary to pay the debt 45629
charges on and financing costs related to the bonds as they become 45630
due. No property tax levied under section 5705.21 of the Revised 45631
Code that is pledged, or that the school district has covenanted 45632
to levy, collect, and appropriate annually to pay the debt charges 45633
on and financing costs related to the bonds under this section may 45634

be repealed while those bonds are outstanding. If such a tax is 45635
reduced by electors of the district or by the board of education 45636
while the bonds are outstanding, the board of education shall 45637
continue to levy and collect the tax under the authority of the 45638
original election authorizing the tax at a rate in each year that 45639
the board reasonably estimates will produce an amount in that year 45640
equal to the debt charges on the bonds in that year. 45641

No state moneys shall be released for a project to which this 45642
division applies until the proceeds of any bonds issued under this 45643
division that are dedicated for payment of the school district's 45644
portion of the basic project cost are first deposited into the 45645
school district's project construction fund. 45646

(C) A school district board of education may adopt a 45647
resolution proposing that any of the following questions be 45648
combined with a question specified in section 3318.45 of the 45649
Revised Code: 45650

(1) A bond issue question under section 133.18 of the Revised 45651
Code; 45652

(2) A tax levy question under section 3311.21 of the Revised 45653
Code; 45654

(3) A tax levy question under section 5705.21 of the Revised 45655
Code. 45656

Any question described in divisions (C)(1) to (3) of this 45657
section that is combined with a question proposed under section 45658
3318.45 of the Revised Code shall be for the purpose of either 45659
paying for any permanent improvement, as defined in section 133.01 45660
of the Revised Code, or generating operating revenue specifically 45661
for the facilities acquired under the school district's project 45662
under Chapter 3318. of the Revised Code or for both to the extent 45663
such purposes are permitted by the sections of law under which 45664
each is proposed. 45665

(D) The board of education of a joint vocational school 45666
district that receives assistance under this section may enter 45667
into an agreement for joint issuance of bonds as provided for in 45668
section 3318.085 of the Revised Code. 45669

date of this amendment. Nothing in that division shall be 45800
construed to void or otherwise affect a continuing contract 45801
entered into prior to that date. 45802

Notwithstanding any provision to the contrary in Chapter 45803
4117. of the Revised Code, the requirements of division (D)(3) of 45804
this section prevail over any conflicting provisions of a 45805
collective bargaining agreement entered into on or after the 45806

including regular hourly rate and per diem employees, shall enter 45818

into written contracts for their employment which shall be for a 45819
period of not more than one year. If such employees are rehired, 45820
their subsequent contract shall be for a period of two years. 45821

(B) After the termination of the two-year contract provided 45822
in division (A) of this section, if the contract of a nonteaching 45823

increased but not reduced unless such reduction is a part of a 45826
uniform plan affecting the nonteaching employees of the entire 45827
district. 45828

(C) The contracts as provided for in this section may be 45829
terminated by a majority vote of the board of education. Except as 45830

written rules and regulations as set forth by the board of 45833
education or for incompetency, inefficiency, dishonesty, 45834
drunkenness, immoral conduct, insubordination, discourteous 45835
treatment of the public, neglect of duty, or any other acts of 45836
misfeasance, malfeasance, or nonfeasance. In addition to the right 45837
of the board of education to terminate the contract of an 45838
employee, the board may suspend an employee for a definite period 45839
of time or demote the employee for the reasons set forth in this 45840
division. The action of the board of education terminating the 45841
contract of an employee or suspending or demoting the employee 45842

days following the receipt of such notice by the employee, the 45844
employee may file an appeal, in writing, with the court of common 45845
pleas of the county in which such school board is situated. After 45846
hearing the appeal the common pleas court may affirm, disaffirm, 45847
or modify the action of the school board. 45848

A violation of division (A)(7) of section 2907.03 of the 45849
Revised Code is grounds for termination of employment of a 45850

nonteaching employee under this division. 45851

(D) All employees who have been employed by a school district 45852
where the provisions of Chapter 124. of the Revised Code do not 45853

shall hold continuing contracts of employment pursuant to this 45855
section. 45856

(E) Any nonteaching school employee may terminate the 45857
nonteaching school employee's contract of employment thirty days 45858
subsequent to the filing of a written notice of such termination 45859
with the treasurer of the board. 45860

(F) A person hired exclusively for the purpose of replacing a 45861
nonteaching school employee while such employee is on leave of 45862
absence granted under section 3319.13 of the Revised Code is not a 45863
regular nonteaching school employee under this section. 45864

(G) All nonteaching employees employed pursuant to this 45865
section and Chapter 124. of the Revised Code shall be paid for all 45866
time lost when the schools in which they are employed are closed 45867
owing to an epidemic or other public calamity. Nothing in this 45868
division shall be construed as requiring payment in excess of an 45869
employee's regular wage rate or salary for any time worked while 45870
the school in which the employee is employed is officially closed 45871
for the reasons set forth in this division. 45872

Sec. 3319.088. As used in this section, "educational 45873
assistant" means any nonteaching employee in a school district who 45874
directly assists a teacher as defined in section 3319.09 of the 45875
Revised Code, by performing duties for which a license issued 45876
pursuant to sections 3319.22 to 3319.30 of the Revised Code is not 45877
required. 45878

(A) The state board of education shall issue educational aide 45879
permits and educational paraprofessional licenses for educational 45880

assistants and shall adopt rules for the issuance and renewal of 45881
such permits and licenses which shall be consistent with the 45882
provisions of this section. Educational aide permits and 45883
educational paraprofessional licenses may be of several types and 45884
the rules shall prescribe the minimum qualifications of education, 45885
health, and character for the service to be authorized under each 45886
type. The prescribed minimum qualifications may require special 45887
training or educational courses designed to qualify a person to 45888
perform effectively the duties authorized under an educational 45889
aide permit or educational paraprofessional license. 45890

(B)(1) Any application for a permit or license, or a renewal 45891
or duplicate of a permit or license, under this section shall be 45892
accompanied by the payment of a fee in the amount established 45893
under division (A) of section 3319.51 of the Revised Code. Any 45894
fees received under this division shall be paid into the state 45895
treasury to the credit of the state board of education licensure 45896
fund established under division (B) of section 3319.51 of the 45897

pursuant to this section is subject to sections 3123.41 to 3123.50 45900
of the Revised Code and any applicable rules adopted under section 45901
3123.63 of the Revised Code and sections 3319.31 and 3319.311 of 45902
the Revised Code. 45903

(C) Educational assistants shall at all times while in the 45904
performance of their duties be under the supervision and direction 45905
of a teacher as defined in section 3319.09 of the Revised Code. 45906
Educational assistants may assist a teacher to whom assigned in 45907
the supervision of pupils, in assisting with instructional tasks, 45908
and in the performance of duties which, in the judgment of the 45909
teacher to whom the assistant is assigned, may be performed by a 45910
person not licensed pursuant to sections 3319.22 to 3319.30 of the 45911
Revised Code and for which a teaching license, issued pursuant to 45912

sections 3319.22 to 3319.30 of the Revised Code is not required. 45913
The duties of an educational assistant shall not include the 45914
assignment of grades to pupils. The duties of an educational 45915
~~assistants~~ assistant need not be performed in the physical 45916
presence of the teacher to whom assigned, but the activity of an 45917
educational assistant shall at all times be under the direction of 45918
the teacher to whom assigned. The assignment of an educational 45919
assistant need not be limited to assisting a single teacher. In 45920
the event an educational assistant is assigned to assist more than 45921
one teacher the assignments shall be clearly delineated and so 45922
arranged that the educational assistant shall never be subject to 45923
simultaneous supervision or direction by more than one teacher. 45924

Educational assistants assigned to supervise children shall, 45925
when the teacher to whom assigned is not physically present, 45926
maintain the degree of control and discipline ~~which~~ that would be 45927
maintained by the teacher, ~~but an educational assistant may not~~ 45928
~~render corporal punishment.~~ 45929

~~Except when expressly permitted solely for the purposes of~~ 45930
~~section 3317.029 of the Revised Code, educational~~ Educational 45931
assistants may not be used in place of classroom teachers or other 45932
employees and any payment of compensation by boards of education 45933
to educational assistants for such services is prohibited. The 45934
ratio between the number of licensed teachers and the pupils in a 45935
school district may not be decreased by utilization of educational 45936
assistants and no grouping, or other organization of pupils, for 45937
utilization of educational assistants shall be established which 45938
is inconsistent with sound educational practices and procedures. A 45939
school district may employ up to one full time equivalent 45940
educational assistant for each six full time equivalent licensed 45941
employees of the district. Educational assistants shall not be 45942
counted as licensed employees for purposes of state support in the 45943
school foundation program and no grouping or regrouping of pupils 45944

with educational assistants may be counted as a class or unit for 45945
school foundation program purposes. Neither special courses 45946
required by the regulations of the state board of education, 45947
prescribing minimum qualifications of education for an educational 45948
assistant, nor years of service as an educational assistant shall 45949
be counted in any way toward qualifying for a teacher license, for 45950
a teacher contract of any type, or for determining placement on a 45951
salary schedule in a school district as a teacher. 45952

45953

(D) Educational assistants employed by a board of education 45954
shall have all rights, benefits, and legal protection available to 45955
other nonteaching employees in the school district, except that 45956
provisions of Chapter 124. of the Revised Code shall not apply to 45957
any person employed as an educational assistant, and shall be 45958

shall not serve as educational assistants without first obtaining 45963
an appropriate educational aide permit or educational 45964
paraprofessional license from the state board of education. A 45965
nonteaching employee who is the holder of a valid educational aide 45966
permit or educational paraprofessional license shall neither 45967
render nor be required to render services inconsistent with the 45968
type of services authorized by the permit or license held. No 45969
person shall receive compensation from a board of education for 45970
services rendered as an educational assistant in violation of this 45971
provision. 45972

permit or license issued pursuant to this section. Students 45977
preparing to become licensed teachers or educational assistants 45978
shall not be required to hold an educational aide permit or 45979
paraprofessional license for such periods of time as such students 45980
are assigned, as part of their training program, to work with a 45981
teacher in a school district. Such students shall not be 45982
compensated for such services. 45983

Following the determination of the assignment and general job 45984
description of an educational assistant and subject to supervision 45985
by the teacher's immediate administrative officer, a teacher to 45986
whom an educational assistant is assigned shall make all final 45987
determinations of the duties to be assigned to such assistant. 45988
Teachers shall not be required to hold a license designated for 45989
being a supervisor or administrator in order to perform the 45990
necessary supervision of educational assistants. 45991

(E) No person who is, or who has been employed as an 45992
educational assistant shall divulge, except to the teacher to whom 45993
assigned, or the administrator of the school in the absence of the 45994
teacher to whom assigned, or when required to testify in a court 45995
or proceedings, any personal information concerning any pupil in 45996
the school district which was obtained or obtainable by the 45997
educational assistant while so employed. Violation of this 45998
provision is grounds for disciplinary action or dismissal, or 45999
both. 46000

Sec. 3319.11. (A) As used in this section: 46001

(1) "Evaluation procedures" means the procedures adopted 46002
pursuant to division (B) of section 3319.111 of the Revised Code. 46003

(2) "Limited contract" means a limited contract, as described 46004
in section 3319.08 of the Revised Code, that a school district 46005
board of education or governing board of an educational service 46006
center enters into with a teacher who is not eligible for 46007

continuing service status. 46008

(3) "Extended limited contract" means a limited contract, as 46009
described in section 3319.08 of the Revised Code, that a board of 46010
education or governing board enters into with a teacher who is 46011
eligible for continuing service status. 46012

(B) Teachers eligible for continuing service status in any 46013
city, exempted village, local, or joint vocational school district 46014
or educational service center shall be those teachers qualified as 46015
described in division ~~(B)(1) or (2)~~(D) of section 3319.08 of the 46016
Revised Code, who within the last five years have taught for at 46017
least three years in the district or center, and those teachers 46018
who, having attained continuing contract status elsewhere, have 46019
served two years in the district or center, but the board, upon 46020
the recommendation of the superintendent, may at the time of 46021
employment or at any time within such two-year period, declare any 46022
of the latter teachers eligible. 46023

(1) Upon the recommendation of the superintendent that a 46024
teacher eligible for continuing service status be reemployed, a 46025
continuing contract shall be entered into between the board and 46026
the teacher unless the board by a three-fourths vote of its full 46027
membership rejects the recommendation of the superintendent. If 46028
the board rejects by a three-fourths vote of its full membership 46029
the recommendation of the superintendent that a teacher eligible 46030
for continuing service status be reemployed and the superintendent 46031
makes no recommendation to the board pursuant to division (C) of 46032
this section, the board may declare its intention not to reemploy 46033
the teacher by giving the teacher written notice on or before the 46034
thirtieth day of April of its intention not to reemploy the 46035
teacher. If evaluation procedures have not been complied with 46036
pursuant to division (A) of section 3319.111 of the Revised Code 46037
or the board does not give the teacher written notice on or before 46038
the thirtieth day of April of its intention not to reemploy the 46039

teacher, the teacher is deemed reemployed under an extended 46040
limited contract for a term not to exceed one year at the same 46041
salary plus any increment provided by the salary schedule. The 46042
teacher is presumed to have accepted employment under the extended 46043
limited contract for a term not to exceed one year unless such 46044
teacher notifies the board in writing to the contrary on or before 46045
the first day of June, and an extended limited contract for a term 46046
not to exceed one year shall be executed accordingly. Upon any 46047
subsequent reemployment of the teacher only a continuing contract 46048
may be entered into. 46049

(2) If the superintendent recommends that a teacher eligible 46050
for continuing service status not be reemployed, the board may 46051
declare its intention not to reemploy the teacher by giving the 46052
teacher written notice on or before the thirtieth day of April of 46053
its intention not to reemploy the teacher. If evaluation 46054
procedures have not been complied with pursuant to division (A) of 46055
section 3319.111 of the Revised Code or the board does not give 46056
the teacher written notice on or before the thirtieth day of April 46057
of its intention not to reemploy the teacher, the teacher is 46058
deemed reemployed under an extended limited contract for a term 46059
not to exceed one year at the same salary plus any increment 46060
provided by the salary schedule. The teacher is presumed to have 46061
accepted employment under the extended limited contract for a term 46062
not to exceed one year unless such teacher notifies the board in 46063
writing to the contrary on or before the first day of June, and an 46064
extended limited contract for a term not to exceed one year shall 46065
be executed accordingly. Upon any subsequent reemployment of a 46066
teacher only a continuing contract may be entered into. 46067

(3) Any teacher receiving written notice of the intention of 46068
a board not to reemploy such teacher pursuant to this division is 46069
entitled to the hearing provisions of division (G) of this 46070
section. 46071

(C)(1) If a board rejects the recommendation of the 46072
superintendent for reemployment of a teacher pursuant to division 46073
(B)(1) of this section, the superintendent may recommend 46074
reemployment of the teacher, if continuing service status has not 46075
previously been attained elsewhere, under an extended limited 46076
contract for a term not to exceed two years, provided that written 46077
notice of the superintendent's intention to make such 46078
recommendation has been given to the teacher with reasons directed 46079
at the professional improvement of the teacher on or before the 46080
thirtieth day of April. Upon subsequent reemployment of the 46081
teacher only a continuing contract may be entered into. 46082

(2) If a board of education takes affirmative action on a 46083
superintendent's recommendation, made pursuant to division (C)(1) 46084
of this section, of an extended limited contract for a term not to 46085
exceed two years but the board does not give the teacher written 46086
notice of its affirmative action on the superintendent's 46087
recommendation of an extended limited contract on or before the 46088
thirtieth day of April, the teacher is deemed reemployed under a 46089
continuing contract at the same salary plus any increment provided 46090
by the salary schedule. The teacher is presumed to have accepted 46091
employment under such continuing contract unless such teacher 46092
notifies the board in writing to the contrary on or before the 46093
first day of June, and a continuing contract shall be executed 46094
accordingly. 46095

(3) A board shall not reject a superintendent's 46096
recommendation, made pursuant to division (C)(1) of this section, 46097
of an extended limited contract for a term not to exceed two years 46098
except by a three-fourths vote of its full membership. If a board 46099
rejects by a three-fourths vote of its full membership the 46100
recommendation of the superintendent of an extended limited 46101
contract for a term not to exceed two years, the board may declare 46102
its intention not to reemploy the teacher by giving the teacher 46103

written notice on or before the thirtieth day of April of its 46104
intention not to reemploy the teacher. If evaluation procedures 46105
have not been complied with pursuant to division (A) of section 46106
3319.111 of the Revised Code or if the board does not give the 46107
teacher written notice on or before the thirtieth day of April of 46108
its intention not to reemploy the teacher, the teacher is deemed 46109
reemployed under an extended limited contract for a term not to 46110
exceed one year at the same salary plus any increment provided by 46111
the salary schedule. The teacher is presumed to have accepted 46112
employment under the extended limited contract for a term not to 46113
exceed one year unless such teacher notifies the board in writing 46114
to the contrary on or before the first day of June, and an 46115
extended limited contract for a term not to exceed one year shall 46116
be executed accordingly. Upon any subsequent reemployment of the 46117
teacher only a continuing contract may be entered into. 46118

Any teacher receiving written notice of the intention of a 46119
board not to reemploy such teacher pursuant to this division is 46120
entitled to the hearing provisions of division (G) of this 46121
section. 46122

(D) A teacher eligible for continuing contract status 46123
employed under an extended limited contract pursuant to division 46124
(B) or (C) of this section, is, at the expiration of such extended 46125
limited contract, deemed reemployed under a continuing contract at 46126
the same salary plus any increment granted by the salary schedule, 46127
unless evaluation procedures have been complied with pursuant to 46128
division (A) of section 3319.111 of the Revised Code and the 46129
employing board, acting on the superintendent's recommendation 46130
that the teacher not be reemployed, gives the teacher written 46131
notice on or before the thirtieth day of April of its intention 46132
not to reemploy such teacher. A teacher who does not have 46133
evaluation procedures applied in compliance with division (A) of 46134
section 3319.111 of the Revised Code or who does not receive 46135

notice on or before the thirtieth day of April of the intention of 46136
the board not to reemploy such teacher is presumed to have 46137
accepted employment under a continuing contract unless such 46138
teacher notifies the board in writing to the contrary on or before 46139
the first day of June, and a continuing contract shall be executed 46140
accordingly. 46141

Any teacher receiving a written notice of the intention of a 46142
board not to reemploy such teacher pursuant to this division is 46143
entitled to the hearing provisions of division (G) of this 46144
section. 46145

(E) A limited contract may be entered into by each board with 46146
each teacher who has not been in the employ of the board for at 46147
least three years and shall be entered into, regardless of length 46148
of previous employment, with each teacher employed by the board 46149
who ~~holds a provisional, temporary, or associate license, or who~~ 46150
~~holds a professional license and~~ is not eligible to be considered 46151
for a continuing contract. 46152

Any teacher employed under a limited contract, and not 46153
eligible to be considered for a continuing contract, is, at the 46154
expiration of such limited contract, considered reemployed under 46155
the provisions of this division at the same salary plus any 46156
increment provided by the salary schedule unless evaluation 46157
procedures have been complied with pursuant to division (A) of 46158
section 3319.111 of the Revised Code and the employing board, 46159
acting upon the superintendent's written recommendation that the 46160
teacher not be reemployed, gives such teacher written notice of 46161
its intention not to reemploy such teacher on or before the 46162
thirtieth day of April. A teacher who does not have evaluation 46163
procedures applied in compliance with division (A) of section 46164
3319.111 of the Revised Code or who does not receive notice of the 46165
intention of the board not to reemploy such teacher on or before 46166
the thirtieth day of April is presumed to have accepted such 46167

employment unless such teacher notifies the board in writing to 46168
the contrary on or before the first day of June, and a written 46169
contract for the succeeding school year shall be executed 46170
accordingly. 46171

Any teacher receiving a written notice of the intention of a 46172
board not to reemploy such teacher pursuant to this division is 46173
entitled to the hearing provisions of division (G) of this 46174
section. 46175

(F) The failure of a superintendent to make a recommendation 46176
to the board under any of the conditions set forth in divisions 46177
(B) to (E) of this section, or the failure of the board to give 46178
such teacher a written notice pursuant to divisions (C) to (E) of 46179
this section shall not prejudice or prevent a teacher from being 46180
deemed reemployed under either a limited or continuing contract as 46181
the case may be under the provisions of this section. A failure of 46182
the parties to execute a written contract shall not void any 46183
automatic reemployment provisions of this section. 46184

(G)(1) Any teacher receiving written notice of the intention 46185
of a board of education not to reemploy such teacher pursuant to 46186
division (B), (C)(3), (D), or (E) of this section may, within ten 46187
days of the date of receipt of the notice, file with the treasurer 46188
of the board a written demand for a written statement describing 46189
the circumstances that led to the board's intention not to 46190
reemploy the teacher. 46191

(2) The treasurer of a board, on behalf of the board, shall, 46192
within ten days of the date of receipt of a written demand for a 46193
written statement pursuant to division (G)(1) of this section, 46194
provide to the teacher a written statement describing the 46195
circumstances that led to the board's intention not to reemploy 46196
the teacher. 46197

(3) Any teacher receiving a written statement describing the 46198

circumstances that led to the board's intention not to reemploy 46199
the teacher pursuant to division (G)(2) of this section may, 46200
within five days of the date of receipt of the statement, file 46201
with the treasurer of the board a written demand for a hearing 46202
before the board pursuant to divisions (G)(4) to (6) of this 46203
section. 46204

(4) The treasurer of a board, on behalf of the board, shall, 46205
within ten days of the date of receipt of a written demand for a 46206
hearing pursuant to division (G)(3) of this section, provide to 46207
the teacher a written notice setting forth the time, date, and 46208
place of the hearing. The board shall schedule and conclude the 46209
hearing within forty days of the date on which the treasurer of 46210
the board receives a written demand for a hearing pursuant to 46211
division (G)(3) of this section. 46212

(5) Any hearing conducted pursuant to this division shall be 46213
conducted by a majority of the members of the board. The hearing 46214
shall be held in executive session of the board unless the board 46215
and the teacher agree to hold the hearing in public. The 46216
superintendent, assistant superintendent, the teacher, and any 46217
person designated by either party to take a record of the hearing 46218
may be present at the hearing. The board may be represented by 46219
counsel and the teacher may be represented by counsel or a 46220
designee. A record of the hearing may be taken by either party at 46221
the expense of the party taking the record. 46222

(6) Within ten days of the conclusion of a hearing conducted 46223
pursuant to this division, the board shall issue to the teacher a 46224
written decision containing an order affirming the intention of 46225
the board not to reemploy the teacher reported in the notice given 46226
to the teacher pursuant to division (B), (C)(3), (D), or (E) of 46227
this section or an order vacating the intention not to reemploy 46228
and expunging any record of the intention, notice of the 46229
intention, and the hearing conducted pursuant to this division. 46230

(7) A teacher may appeal an order affirming the intention of the board not to reemploy the teacher to the court of common pleas of the county in which the largest portion of the territory of the school district or service center is located, within thirty days of the date on which the teacher receives the written decision, on the grounds that the board has not complied with this section ~~3319.11~~ or section 3319.111 of the Revised Code.

Notwithstanding section 2506.04 of the Revised Code, the court in an appeal under this division is limited to the determination of procedural errors and to ordering the correction of procedural errors and shall have no jurisdiction to order a board to reemploy a teacher, except that the court may order a board to reemploy a teacher in compliance with the requirements of division (B), (C)(3), (D), or (E) of this section when the court determines that evaluation procedures have not been complied with pursuant to division (A) of section 3319.111 of the Revised Code or the board has not given the teacher written notice on or before the thirtieth day of April of its intention not to reemploy the teacher pursuant to division (B), (C)(3), (D), or (E) of this section. Otherwise, the determination whether to reemploy or not reemploy a teacher is solely a board's determination and not a proper subject of judicial review and, except as provided in this division, no decision of a board whether to reemploy or not reemploy a teacher shall be invalidated by the court on any basis, including that the decision was not warranted by the results of any evaluation or was not warranted by any statement given pursuant to division (G)(2) of this section.

No appeal of an order of a board may be made except as specified in this division.

(H)(1) In giving a teacher any notice required by division (B), (C), (D), or (E) of this section, the board or the superintendent shall do either of the following:

- (a) Deliver the notice by personal service upon the teacher; 46263
- (b) Deliver the notice by certified mail, return receipt 46264
requested, addressed to the teacher at the teacher's place of 46265

teacher's place of residence. 46268
- (2) In giving a board any notice required by division (B), 46269
(C), (D), or (E) of this section, the teacher shall do either of 46270

- (a) Deliver the notice by personal delivery to the office of 46272
the superintendent during regular business hours; 46273
- (b) Deliver the notice by certified mail, return receipt 46274
requested, addressed to the office of the superintendent and 46275
deliver a copy of the notice by certified mail, return receipt 46276
requested, addressed to the president of the board at the 46277
president's place of residence. 46278
- (3) When any notice and copy of the notice are mailed 46279
pursuant to division (H)(1)(b) or (2)(b) of this section, the 46280
notice or copy of the notice with the earlier date of receipt 46281
shall constitute the notice for the purposes of division (B), (C), 46282
(D), or (E) of this section. 46283
- (I) The provisions of this section shall not apply to any 46284
supplemental written contracts entered into pursuant to section 46285
3319.08 of the Revised Code. 46286
- Sec. 3319.151.** (A) No person shall reveal to any student any 46287
specific question that the person knows is part of ~~a test~~ an 46288
assessment to be administered under section 3301.0711 of the 46289
Revised Code or in any other way assist a pupil to cheat on such a 46290
~~test~~ an assessment. 46291
- (B) On a finding by the state board of education, after 46292

investigation, that a school employee who holds a license issued 46293
under sections 3319.22 to 3319.31 of the Revised Code has violated 46294
division (A) of this section, the license of such teacher shall be 46295
suspended for one year. Prior to commencing an investigation, the 46296
board shall give the teacher notice of the allegation and an 46297
opportunity to respond and present a defense. 46298

(C)(1) Violation of division (A) of this section is grounds 46299
for termination of employment of a nonteaching employee under 46300
division (C) of section 3319.081 or section 124.34 of the Revised 46301
Code. 46302

(2) Violation of division (A) of this section is grounds for 46303
termination of a teacher contract under section 3319.16 of the 46304
Revised Code. 46305

Sec. 3319.16. The contract of any teacher employed by the 46306
board of education of any city, exempted village, local, county, 46307
or joint vocational school district may not be terminated except 46308
~~for gross inefficiency or immorality; for willful and persistent~~ 46309
~~violations of reasonable regulations of the board of education; or~~ 46310
for ~~other~~ good and just cause. Before Notwithstanding any 46311
provision to the contrary in Chapter 4117. of the Revised Code, 46312
the provisions of this section relating to the grounds for 46313
termination of the contract of a teacher prevail over any 46314
conflicting provisions of a collective bargaining agreement 46315
entered into after the effective date of this amendment. 46316

Before terminating any contract, the employing board shall 46317
furnish the teacher a written notice signed by its treasurer of 46318
its intention to consider the termination of ~~his~~ the teacher's 46319
contract with full specification of the grounds for such 46320
consideration. The board shall not proceed with formal action to 46321
terminate the contract until after the tenth day after receipt of 46322
the notice by the teacher. Within ten days after receipt of the 46323

notice from the treasurer of the board, the teacher may file with 46324
the treasurer a written demand for a hearing before the board or 46325
before a referee, and the board shall set a time for the hearing 46326
which shall be within thirty days from the date of receipt of the 46327
written demand, and the treasurer shall give the teacher at least 46328
twenty days' notice in writing of the time and place of the 46329
hearing. If a referee is demanded by either the teacher or board, 46330
the treasurer also shall give twenty days' notice to the 46331
superintendent of public instruction. No hearing shall be held 46332
during the summer vacation without the teacher's consent. The 46333
hearing shall be private unless the teacher requests a public 46334
hearing. The hearing shall be conducted by a referee appointed 46335
pursuant to section 3319.161 of the Revised Code, if demanded; 46336
otherwise, it shall be conducted by a majority of the members of 46337
the board and shall be confined to the grounds given for the 46338
termination. The board shall provide for a complete stenographic 46339
record of the proceedings, a copy of the record to be furnished to 46340
the teacher. The board may suspend a teacher pending final action 46341
to terminate ~~his~~ the teacher's contract if, in its judgment, the 46342
character of the charges warrants such action. 46343

Both parties may be present at such hearing, be represented 46344
by counsel, require witnesses to be under oath, cross-examine 46345
witnesses, take a record of the proceedings, and require the 46346
presence of witnesses in their behalf upon subpoena to be issued 46347
by the treasurer of the board. In case of the failure of any 46348
person to comply with a subpoena, a judge of the court of common 46349
pleas of the county in which the person resides, upon application 46350
of any interested party, shall compel attendance of the person by 46351
attachment proceedings as for contempt. Any member of the board or 46352
the referee may administer oaths to witnesses. After a hearing by 46353
a referee, the referee shall file ~~his~~ a report within ten days 46354
after the termination of the hearing. After consideration of the 46355
referee's report, the board, by a majority vote, may accept or 46356

reject the referee's recommendation on the termination of the 46357
teacher's contract. After a hearing by the board, the board, by 46358
majority vote, may enter its determination upon its minutes. Any 46359
order of termination of a contract shall state the grounds for 46360
termination. If the decision, after hearing, is against 46361
termination of the contract, the charges and the record of the 46362
hearing shall be physically expunged from the minutes, and, if the 46363
teacher has suffered any loss of salary by reason of being 46364
suspended, ~~he~~ the teacher shall be paid ~~his~~ the teacher's full 46365
salary for the period of such suspension. 46366

Any teacher affected by an order of termination of contract 46367
may appeal to the court of common pleas of the county in which the 46368
school is located within thirty days after receipt of notice of 46369
the entry of such order. The appeal shall be an original action in 46370
the court and shall be commenced by the filing of a complaint 46371
against the board, in which complaint the facts shall be alleged 46372
upon which the teacher relies for a reversal or modification of 46373
such order of termination of contract. Upon service or waiver of 46374
summons in that appeal, the board immediately shall transmit to 46375
the clerk of the court for filing a transcript of the original 46376
papers filed with the board, a certified copy of the minutes of 46377
the board into which the termination finding was entered, and a 46378
certified transcript of all evidence adduced at the hearing or 46379
hearings before the board or a certified transcript of all 46380
evidence adduced at the hearing or hearings before the referee, 46381
whereupon the cause shall be at issue without further pleading and 46382
shall be advanced and heard without delay. The court shall examine 46383
the transcript and record of the hearing and shall hold such 46384
additional hearings as it considers advisable, at which it may 46385
consider other evidence in addition to the transcript and record. 46386

Upon final hearing, the court shall grant or deny the relief 46387
prayed for in the complaint as may be proper in accordance with 46388

the evidence adduced in the hearing. Such an action is a special proceeding, and either the teacher or the board may appeal from the decision of the court of common pleas pursuant to the Rules of Appellate Procedure and, to the extent not in conflict with those rules, Chapter 2505. of the Revised Code.

In any court action, the board may utilize the services of the prosecuting attorney, village solicitor, city director of law, or other chief legal officer of a municipal corporation as authorized by section 3313.35 of the Revised Code, or may employ other legal counsel.

A violation of division (A)(7) of section 2907.03 of the Revised Code is grounds for termination of a teacher contract under this section.

Sec. 3319.17. (A) As used in this section, "interdistrict contract" means any contract or agreement entered into by an educational service center governing board and another board or other public entity pursuant to section 3313.17, 3313.841, 3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the Revised Code, including any such contract or agreement for the provision of services funded under division (I) of section 3317.024 of the Revised Code or provided in any unit approved under section 3317.05 of the Revised Code.

(B) When, for any of the following reasons that apply to any city, exempted village, local, or joint vocational school district or any educational service center, the board decides that it will be necessary to reduce the number of teachers it employs, it may make a reasonable reduction:

(1) In the case of any district or service center, return to duty of regular teachers after leaves of absence including leaves provided pursuant to division (B) of section 3314.10 of the Revised Code, suspension of schools, or territorial changes

affecting the district or center, ~~or financial reasons;~~ 46420

(2) In the case of any city, exempted village, local, or 46421
joint vocational school district, decreased enrollment of pupils 46422
in the district; 46423

(3) In the case of any governing board of a service center 46424
providing any particular service directly to pupils pursuant to 46425
one or more interdistrict contracts requiring such service, 46426
reduction in the total number of pupils the governing board is 46427
required to provide with the service under all interdistrict 46428
contracts as a result of the termination or nonrenewal of one or 46429
more of these interdistrict contracts; 46430

(4) In the case of any governing board providing any 46431
particular service that it does not provide directly to pupils 46432
pursuant to one or more interdistrict contracts requiring such 46433
service, reduction in the total level of the service the governing 46434
board is required to provide under all interdistrict contracts as 46435
a result of the termination or nonrenewal of one or more of these 46436
interdistrict contracts. 46437

(C) In making any such reduction, any city, exempted village, 46438
local, or joint vocational school board shall proceed to suspend 46439
contracts in accordance with the recommendation of the 46440
superintendent of schools who shall, within each teaching field 46441
affected, give preference first to teachers on continuing 46442
contracts and then to teachers who have greater seniority. In 46443
making any such reduction, any governing board of a service center 46444
shall proceed to suspend contracts in accordance with the 46445
recommendation of the superintendent who shall, within each 46446
teaching field or service area affected, give preference first to 46447
teachers on continuing contracts and then to teachers who have 46448
greater seniority. 46449

On a case-by-case basis, in lieu of suspending a contract in 46450

whole, a board may suspend a contract in part, so that an 46451
individual is required to work a percentage of the time the 46452
employee otherwise is required to work under the contract and 46453
receives a commensurate percentage of the full compensation the 46454
employee otherwise would receive under the contract. 46455

The teachers whose continuing contracts are suspended by any 46456
board pursuant to this section shall have the right of restoration 46457
to continuing service status by that board in the order of 46458
seniority of service in the district or service center if and when 46459
teaching positions become vacant or are created for which any of 46460
such teachers are or become qualified. No teacher whose continuing 46461
contract has been suspended pursuant to this section shall lose 46462
that right of restoration to continuing service status by reason 46463
of having declined recall to a position that is less than 46464
full-time or, if the teacher was not employed full-time just prior 46465
to suspension of the teacher's continuing contract, to a position 46466
requiring a lesser percentage of full-time employment than the 46467
position the teacher last held while employed in the district or 46468
service center. 46469

~~(D) Notwithstanding any provision to the contrary in Chapter 46470
4117. of the Revised Code, the requirements of this section 46471
prevail over any conflicting provisions of agreements between 46472
employee organizations and public employers entered into after 46473
September 29, 2005. 46474~~

Sec. 3319.172. The board of education of each school district 46475
wherein the provisions of Chapter 124. of the Revised Code do not 46476
apply and the governing board of each educational service center 46477
may adopt a resolution ordering reasonable reductions in the 46478
number of nonteaching employees for any of the reasons for which 46479
the board of education or governing board may make reductions in 46480
teaching employees, as set forth in division (B) of section 46481

3319.17 of the Revised Code. 46482

In making any reduction under this section, the board of 46483
education or governing board shall proceed to suspend contracts in 46484
accordance with the recommendation of the superintendent of the 46485
district or service center who shall, within each pay 46486
classification affected, give preference first to employees under 46487
continuing contracts and then to employees on the basis of 46488
seniority. On a case-by-case basis, in lieu of suspending a 46489
contract in whole, a board may suspend a contract in part, so that 46490
an individual is required to work a percentage of the time the 46491
employee otherwise is required to work under the contract and 46492
receives a commensurate percentage of the full compensation the 46493
employee otherwise would receive under the contract. 46494

Any nonteaching employee whose continuing contract is 46495
suspended under this section shall have the right of restoration 46496
to continuing service status by the board of education or 46497
governing board that suspended that contract in order of seniority 46498
of service in the district or service center, if and when a 46499
nonteaching position for which the employee is qualified becomes 46500
vacant or is created. No nonteaching employee whose continuing 46501
contract has been suspended under this section shall lose that 46502
right of restoration to continuing service status by reason of 46503
having declined recall to a position requiring fewer regularly 46504
scheduled hours of work than required by the position the employee 46505
last held while employed in the district or service center. 46506

~~Notwithstanding any provision to the contrary in Chapter 46507

If the collective bargaining agreement does not specify a 46687
different method for the selection of teacher members of the 46688
committees, the exclusive representative of the district's 46689
teachers shall select the teacher members. 46690

If the collective bargaining agreement does not specify a 46691
different structure for the committees, the board of education of 46692
the school district shall establish the structure, including the 46693
number of committees and the number of teacher and administrative 46694

child under division (A) of section 3317.08 of the Revised Code 48393

education for that child, then the board of education of the 48395
district of residence shall pay to the board of the school 48396
district that is providing the special education such excess cost 48397
as is determined by using a formula approved by the department of 48398
education and agreed upon in contracts entered into by the boards 48399
of the districts concerned at the time the district providing such 48400
special education accepts the child for enrollment. The department 48401

district providing the child with special education and related 48410
services may charge to the child's district of residence the 48411

contract with the district providing the services. If the district 48414

section, the department shall pay that amount of excess cost to 48421
the district providing the services and shall deduct that amount 48422

Revised Code and the child is not a resident of the territory 48438
served by the county MR/DD board, the board may charge the 48439
district responsible for tuition with the educational costs in 48440
excess of the per pupil amount received by the board under ~~Chapter~~ 48441
Chapters 3306. and 3317. of the Revised Code. The amount of the 48442
excess cost shall be determined by the formula established by rule 48443
of the department of education under section 3323.14 of the 48444
Revised Code, and the payment for such excess cost shall be made 48445
by the school district directly to the county MR/DD board. 48446

continued learning approves that proposal, that school district 48816
board shall govern and control the STEM school as one of the 48817

(6) A STEM school sponsoring district and its board may 48865
assign its district employees to the STEM school, in which case 48866
section 3326.18 of the Revised Code shall not apply. The district 48867
and board may apply any other resources of the district to the 48868

(9) The treasurer of the STEM school sponsoring district or, 48885
if the STEM school sponsoring district is a municipal school 48886
district, the chief financial officer of the district, shall have 48887
all of the respective rights, authority, exemptions, and duties 48888
otherwise conferred upon the treasurer or chief financial officer 48889
by the Revised Code. 48890

Sec. 3327.02. (A) After considering each of the following 48891
factors, the board of education of a city, exempted village, or 48892
local school district may determine that it is impractical to 48893
transport a pupil who is eligible for transportation to and from a 48894
school under section 3327.01 of the Revised Code: 48895

(1) The time and distance required to provide the 48896
transportation; 48897

(6) Whether other reimbursable types of transportation are 48905
available. 48906

(B)(1) Based on its consideration of the factors established 48907

in division (A) of this section, the board may pass a resolution 48908
declaring the impracticality of transportation. The resolution 48909
shall include each pupil's name and the reason for impracticality. 48910

(2) The board shall report its determination to the state 48911
board of education in a manner determined by the state board. 48912

(3) The board of education of a local school district 48913
additionally shall submit the resolution for concurrence to the 48914
educational service center that contains the local district's 48915
territory. If the educational service center governing board 48916
considers transportation by school conveyance practicable, it 48917
shall so inform the local board and transportation shall be 48918
provided by such local board. If the educational service center 48919
board agrees with the view of the local board, the local board may 48920
offer payment in lieu of transportation as provided in this 48921
section. 48922

(C) After passing the resolution declaring the impracticality 48923
of transportation, the district board shall offer to provide 48924
payment in lieu of transportation by doing the following: 48925

(1) In accordance with guidelines established by the 48926
department of education, informing the pupil's parent, guardian, 48927
or other person in charge of the pupil of both of the following: 48928

(2) Issuing the pupil's parent, guardian, or other person in 48934
charge of the pupil a contract or other form on which the parent, 48935
guardian, or other person in charge of the pupil is given the 48936
option to accept or reject the board's offer of payment in lieu of 48937
transportation. 48938

(D) If the parent, guardian, or other person in charge of the pupil accepts the offer of payment in lieu of providing transportation, the board shall pay the parent, guardian, or other person in charge of the child an amount that shall be not less than the amount determined by the department of education as the minimum for payment in lieu of transportation, and not more than the amount determined by the department as the average cost of pupil transportation for the previous school year. Payment may be prorated if the time period involved is only a part of the school year.

(E)(1)(a) Upon the request of a parent, guardian, or other person in charge of the pupil who rejected the payment in lieu of transportation, the department shall conduct mediation procedures.

(b) If the mediation does not resolve the dispute, the state board of education shall conduct a hearing in accordance with Chapter 119. of the Revised Code. The state board may approve the payment in lieu of transportation or may order the board of education to provide transportation. The decision of the state board is binding in subsequent years and on future parties in interest provided the facts of the determination remain comparable.

(2) The school district shall provide transportation for the pupil from the time the parent, guardian, or other person in charge of the pupil requests mediation until the matter is resolved under division (E)(1)(a) or (b) of this section.

(F)(1) If the department determines that a school district board has failed or is failing to provide transportation as required by division (E)(2) of this section or as ordered by the state board under division (E)(1)(b) of this section, the department shall order the school district board to pay to the pupil's parent, guardian, or other person in charge of the pupil, an amount equal to the state average daily cost of transportation

as determined by the state board of education for the previous 48971
year. The school district board shall make payments on a schedule 48972
ordered by the department. 48973

(2) If the department subsequently finds that a school 48974
district board is not in compliance with an order issued under 48975
division (F)(1) of this section and the affected pupils are 48976
enrolled in a nonpublic or community school, the department shall 48977
deduct the amount that the board is required to pay under that 48978
order from any payments the department makes to the school 48979
district board under ~~division (D) of section 3317.022~~ 3306.12 of 48980
the Revised Code. The department shall use the moneys so deducted 48981
to make payments to the nonpublic or community school attended by 48982
the pupil. The department shall continue to make the deductions 48983
and payments required under this division until the school 48984
district board either complies with the department's order issued 48985
under division (F)(1) of this section or begins providing 48986
transportation. 48987

(G) A nonpublic or community school that receives payments 48988
from the department under division (F)(2) of this section shall do 48989

transportation; 48994

(2) Use the entire amount of the payments to provide 48995
acceptable transportation for the affected pupil. 48996

Sec. 3327.04. (A) The board of education of any city, 48997
exempted village, or local school district may contract with the 48998
board of another district for the admission or transportation, or 48999
both, of pupils into any school in such other district, on terms 49000
agreed upon by such boards. 49001

(B) The boards of two school districts may enter into a contract under this section to share the provision of transportation to a child who resides in one school district and attends school in the other district. Under such an agreement, one district may claim the total transportation subsidy available for such child under ~~division (D) of section 3317.022~~ 3306.12 of the Revised Code and may agree to pay any portion of such subsidy to the other district sharing the provision of transportation to that child. The contract shall delineate the transportation responsibilities of each district.

A school district that enters into a contract under this section is not liable for any injury, death, or loss to the person or property of a student that may occur while the student is being furnished transportation by the other school district that is a party to the contract.

(C) Whenever a board not maintaining a high school enters into an agreement with one or more boards maintaining such school for the schooling of all its high school pupils, the board making such agreement is exempt from the payment of tuition at other high schools of pupils living within three miles of the school designated in the agreement. In case no such agreement is entered into, the high school to be attended can be selected by the pupil holding an eighth grade diploma, and the tuition shall be paid by the board of the district of school residence.

Sec. 3327.05. (A) Except as provided in division (B) of this section, no board of education of any school district shall provide transportation for any pupil who is a school resident of another school district unless the pupil is enrolled pursuant to section 3313.98 of the Revised Code or the board of the other district has given its written consent thereto. If the board of any school district files with the state board of education a

written complaint that transportation for resident pupils is being 49033
provided by the board of another school district contrary to this 49034
division, the state board of education shall make an investigation 49035
of such complaint. If the state board of education finds that 49036
transportation is being provided contrary to this section, it may 49037
withdraw from state funds due the offending district any part of 49038
the amount that has been approved for transportation pursuant to 49039
~~division (D) of section 3317.022~~ 3306.12 of the Revised Code. 49040

(B) Notwithstanding division (D) of section 3311.19 and 49041
division (D) of section 3311.52 of the Revised Code, this division 49042
does not apply to any joint vocational or cooperative education 49043
school district. 49044

the transportation that are not reimbursed pursuant to Chapter 49049
3306. or 3317. of the Revised Code; 49050

(2) The pupil's school district of residence does not provide 49051
transportation for public school pupils of the same grade as the 49052
pupil being transported under this division, or that district is 49053
not required under section 3327.01 of the Revised Code to 49054
transport the pupil to and from the nonpublic school because the 49055
direct travel time to the nonpublic school is more than thirty 49056
minutes. 49057

Upon receipt of the request to provide transportation, the 49058
board shall review the request and determine whether the board 49059
will accommodate the request. If the board agrees to transport the 49060
pupil, the board may transport the pupil to and from the nonpublic 49061
school and a collection point in the district, as determined by 49062
the board. If the board transports the pupil, the board may 49063

include the pupil in the district's transportation ADM reported to 49064
the department of education under section 3317.03 of the Revised 49065
Code and, accordingly, may receive a state payment under ~~division~~ 49066
(D) of section ~~3317.022~~ 3306.12 of the Revised Code for 49067
transporting the pupil. 49068

If the board declines to transport the pupil, the board, in a 49069
written communication to the parent, guardian, or other person in 49070
charge of the pupil, shall state the reasons for declining the 49071
request. 49072

Sec. 3329.16. If the superintendent of public instruction 49073
determines that a school district has expended for other purposes 49074
any moneys appropriated by the general assembly for the specific 49075
purpose of purchasing textbooks or other instructional materials, 49076
the superintendent shall notify the school district of this 49077
determination within seven days and shall deduct the amount so 49078
expended from payments otherwise due to the district under Chapter 49079
3306. or 3317. of the Revised Code. 49080

Sec. 3333.04. The chancellor of the Ohio board of regents 49081

state-assisted institutions of higher education graduate or	49106

could be eliminated because they constitute unnecessary	49109
duplication, as shall be determined using the process developed	49110
pursuant to this division, or for other good and sufficient cause.	49111
Prior to recommending a program for elimination, the chancellor	49112
shall request the board of regents to hold at least one public	49113
hearing on the matter and advise the chancellor on whether the	49114

Sec. 3333.123. (A) As used in this section: 49733

(1) "The Ohio college opportunity grant program" means the 49734
program established under section 3333.122 of the Revised Code. 49735

(2) "Rules for the Ohio college opportunity grant program" 49736
means the rules authorized in division (S) of section 3333.04 of 49737
the Revised Code for the implementation of the program. 49738

(B) In adopting rules for the Ohio college opportunity grant 49739
program, the chancellor of the Ohio board of regents may include 49740
provisions that give preferential or priority funding to 49741
low-income students who in their primary and secondary school work 49742
participate in or complete rigorous academic coursework, attain 49743
passing scores on the ~~tests~~ assessments prescribed in section 49744
3301.0710 of the Revised Code, or meet other high academic 49745
performance standards determined by the chancellor to reduce the 49746
need for remediation and ensure academic success at the 49747
postsecondary education level. Any such rules shall include a 49748
specification of procedures needed to certify student achievement 49749
of primary and secondary standards as well as the timeline for 49750
implementation of the provisions authorized by this section. 49751

Sec. 3333.16. As used in this section "state institution of 49752
higher education" means an institution of higher education as 49753
defined in section 3345.12 of the Revised Code. 49754

(A) The chancellor of the Ohio board of regents shall do all 49755
of the following: 49756

(1) Establish policies and procedures applicable to all state 49757
institutions of higher education that ensure that students can 49758
begin higher education at any state institution of higher 49759
education and transfer coursework and degrees to any other state 49760
institution of higher education without unnecessary duplication or 49761
institutional barriers. The purpose of this requirement is to 49762
allow students to attain their highest educational aspirations in 49763
the most efficient and effective manner for the students and the 49764
state. These policies and procedures shall require state 49765
institutions of higher education to make changes or modifications, 49766
as needed, to strengthen course content so as to ensure 49767
equivalency for that course at any state institution of higher 49768
education. 49769

(2) Develop and implement a universal course equivalency 49770
classification system for state institutions of higher education 49771
so that the transfer of students and the transfer and articulation 49772
of equivalent courses or specified learning modules or units 49773
completed by students are not inhibited by inconsistent judgment 49774
about the application of transfer credits. Coursework completed 49775
within such a system at one state institution of higher education 49776

total amount then due the agent for the payment of bond service 50318
charges, the chancellor shall continue to pay to the agent from 50319
each periodic distribution thereafter, and until the full amount 50320

pledge of the faith, credit, or taxing power of the state, and the 50344
holders or owners of those obligations have no right to have 50345
excises or taxes levied or appropriations made by the general 50346
assembly for the payment of bond service charges on the 50347
obligations, and the obligations shall contain a statement to that 50348

district or the community or technical college it operates. Those 50368
rules shall include criteria for the evaluation and approval or 50369
denial of community or technical college district requests for 50370
withholding under this section. 50371

incurred by the treasurer of ~~the~~ state in performing the powers 50781
and duties, are payable as provided in the bond proceedings from 50782
the bond proceeds, special funds, or other moneys available. 50783

of this section, the issuer, with the approval of the ~~authority~~ 50785

and remedies accorded to such holders under the provisions of the 50796
law pursuant to which such bonds are issued, whether or not 50797

state pursuant to division (B) of this section. In addition, the 50799
bond proceedings or other documents pertaining to the bonds may 50800
contain such covenants of the issuer and other matters deemed 50801
advisable by the issuer in consultation with the ~~authority~~ 50802
chancellor, including the terms and conditions for creating and 50803
maintaining sinking funds, reserve funds, and any other special 50804
funds as may be created in the bond proceedings separate and apart 50805

authority. 50807

(F) In advertising or promoting the sale of college savings 50808

bonds, the issuer and the ~~authority~~ chancellor jointly may 50809
encourage purchasers to apply the value at maturity of college 50810
savings bonds toward the cost of tuition at an institution of 50811
higher education; however, neither the ~~authority~~ chancellor, the 50812
treasurer of state, nor the issuing authority or the issuer shall 50813
provide any guarantee, nor shall any guarantee be inferred, to the 50814
effect that the value at maturity of the bonds held by a person 50815
shall be an amount sufficient to pay for the cost of tuition at 50816
any institution of higher education attended by that person for 50817
such purposes as ~~he~~ the person determines. 50818

Sec. 3334.06. (A) The chancellor of the Ohio ~~tuition trust~~ 50819

responsibility for the plan. 50828

(B) The ~~authority~~ chancellor shall approve the sale of a 50829
college savings bond issue under division (A) of section 3334.04 50830

the current calendar year, and shall establish the price of a 50846
tuition unit in the ensuing sales period. Such price shall be 50847
based on sound actuarial principles, and shall, to the extent 50848
actuarially possible, reasonably approximate one per cent of the 50849
weighted average tuition for that academic year plus the costs of 50850
administering the program that are in excess of general revenue 50851
fund appropriations for administrative costs. The sales period to 50852
which such price applies shall consist of twelve months, and the 50853
authority chancellor by rule shall establish the date on which the 50854
sales period begins. If circumstances arise during a sales period 50855
that the authority chancellor determines causes the price of 50856
tuition units to be insufficient to ensure the actuarial soundness 50857
of the Ohio tuition trust fund, the authority chancellor may 50858
adjust the price of tuition units purchased during the remainder 50859
of the sales period. To promote the purchase of tuition units and 50860
in accordance with actuarially sound principles, the authority 50861
chancellor may adjust the sales price as part of incentive 50862
programs, such as discounting for lump sum purchases and 50863
multi-year installment plans at a fixed rate of purchase. 50864

treasury, and shall be known as the Ohio tuition trust reserve 51216
fund, and an operating fund that shall be part of the state 51217
treasury, and shall be known as the Ohio tuition trust operating 51218

chancellor determines is not actuarially necessary for the payment 51222
of obligations ~~of the authority~~ pursuant to tuition payment 51223
contracts, any interest and investment income earned by the 51224
reserve fund, any administrative charges and fees imposed by the 51225

may be invested in the same manner and subject to the same 51232
limitations set forth in divisions (D), (E), and (K) to (M) of 51233
this section and sections 145.112 and 145.113 of the Revised Code. 51234

Code. 51263

(K) The ~~authority~~ chancellor and other fiduciaries shall 51264
discharge their duties with respect to the funds with care, skill, 51265
prudence, and diligence under the circumstances then prevailing 51266
that a prudent person acting in a like capacity and familiar with 51267
such matters would use in the conduct of an enterprise of a like 51268
character and with like aims; and by diversifying the investments 51269
of the assets of the funds so as to minimize the risk of large 51270
losses, unless under the circumstances it is clearly prudent not 51271
to do so. 51272

To facilitate investment of the funds, the ~~authority~~ 51273
chancellor may establish a partnership, trust, limited liability 51274
company, corporation, including a corporation exempt from taxation 51275
under the Internal Revenue Code, 100 Stat. 2085, 26 U.S.C. 1, as 51276
amended, or any other legal entity authorized to transact business 51277
in this state. 51278

(L) In exercising ~~its~~ the chancellor's fiduciary 51279
responsibility with respect to the investment of the assets of the 51280
funds, it shall be the intent of the ~~authority~~ chancellor to give 51281
consideration to investments that enhance the general welfare of 51282
the state and its citizens where the investments offer quality, 51283
return, and safety comparable to other investments currently 51284
available to the ~~authority~~ chancellor. In fulfilling this intent, 51285
equal consideration shall also be given to investments otherwise 51286
qualifying under this section that involve minority owned and 51287

~~adopted in regular meeting.~~ The ~~authority~~ chancellor shall publish 51305
~~its~~ the policies, objectives, and criteria under this provision no 51306
less often than annually and shall make copies available to 51307
interested parties. 51308

investment management and research. 51312

(M) All investments shall be purchased at current market 51313
prices and the evidences of title of the investments shall be 51314
placed in the hands of the treasurer of state, who is hereby 51315
designated as custodian thereof, or in the hands of the treasurer 51316
of state's authorized agent. The treasurer of state or the agent 51317
shall collect the principal, dividends, distributions, and 51318
interest thereon as they become due and payable and place them 51319
when so collected into the custodial funds. 51320

The treasurer of state shall pay for investments purchased by 51321
the ~~authority~~ chancellor on receipt of written or electronic 51322
instructions from the ~~authority~~ chancellor or the ~~authority's~~ 51323

designated agent authorizing the sale, and pending receipt of the 51333
moneys for the investments. The amount received shall be placed in 51334
the custodial funds. The ~~authority~~ chancellor and the treasurer of 51335
state may enter into agreements to establish procedures for the 51336

purchase and sale of investments under this division and the 51337
custody of the investments. 51338

No purchase or sale of any investment shall be made under 51339
this section except as authorized by the ~~authority~~ chancellor. 51340

Any statement of financial position distributed by the 51341
~~authority~~ chancellor shall include fair value, as of the statement 51342
date, of all investments held by the ~~authority~~ chancellor under 51343
this section. 51344

Sec. 3334.111. (A) As used in this section: 51345

(1) "Minority business enterprise" has the meaning defined in 51346
section 122.71 of the Revised Code. 51347

(2) "Women's business enterprise" means a business, or a 51348
partnership, corporation, limited liability company, or joint 51349
venture of any kind, that is owned and controlled by women who are 51350
United States citizens and residents of this state. 51351

(B) The chancellor of the board of regents shall submit 51352
annually to the governor and to the general assembly (under 51353
section 101.68 of the Revised Code) a report containing the 51354
following information: 51355

(1) The name of each investment manager that is a minority 51356
business enterprise or a women's business enterprise with which 51357
the chancellor contracts; 51358

(2) The amount of assets managed by investment managers that 51359
are minority business enterprises or women's business enterprises, 51360
expressed as a percentage of assets managed by investment managers 51361
with which the chancellor has contracted; 51362

(3) Efforts by the chancellor to increase utilization of 51363
investment managers that are minority business enterprises or 51364
women's business enterprises. 51365

Sec. 3334.12. Notwithstanding anything to the contrary in 51366
sections 3334.07 and 3334.09 of the Revised Code: 51367

(A) Annually, the chancellor of the Ohio tuition trust 51368
~~authority~~ board of regents shall have the actuarial soundness of 51369
the Ohio tuition trust fund evaluated by a nationally recognized 51370
actuary and shall determine whether additional assets are 51371
necessary to defray ~~the obligations of the authority~~. If, after 51372
the ~~authority~~ chancellor sets the price for tuition units, 51373
circumstances arise that the ~~executive director~~ chancellor 51374
determines necessitate an additional evaluation of the actuarial 51375
soundness of the fund, the ~~executive director~~ chancellor shall 51376
have a nationally recognized actuary conduct the necessary 51377
evaluation. If the assets of the fund are insufficient to ensure 51378
the actuarial soundness of the fund, the ~~authority~~ chancellor 51379
shall adjust the price of subsequent purchases of tuition units to 51380
the extent necessary to help restore the actuarial soundness of 51381
the fund. If, at any time, the adjustment is likely, in the 51382
opinion of the ~~authority~~ chancellor, to diminish the marketability 51383
of tuition units to an extent that the continued sale of the units 51384
likely would not restore the actuarial soundness of the fund and 51385
external economic factors continue to negatively impact the 51386
soundness of the program, the ~~authority~~ chancellor may suspend 51387
sales, either permanently or temporarily, of tuition units. During 51388
any suspension, the ~~authority~~ chancellor shall continue to service 51389
existing college savings program accounts. 51390

(B) Upon termination of the program or liquidation of the 51391
Ohio tuition trust fund, the Ohio tuition trust reserve fund, and 51392
the Ohio tuition trust operating fund, any remaining assets of the 51393
funds after all obligations of the funds have been satisfied 51394
pursuant to division (B) of section 3334.11 of the Revised Code 51395
shall be transferred to the general revenue fund of the state. 51396

(C) The ~~authority~~ chancellor shall prepare and cause to have 51397
audited an annual financial report on all financial activity of 51398
the ~~Ohio tuition trust authority~~ chancellor under this chapter 51399
within ninety days of the end of the fiscal year. The ~~authority~~ 51400
chancellor shall transmit a copy of the audited financial report 51401
to the governor, the president of the senate, the speaker of the 51402
house of representatives, and the minority leaders of the senate 51403
and the house of representatives. Copies of the audited financial 51404
report also shall be made available, upon request, to the persons 51405
entering into contracts with the ~~authority~~ chancellor and to 51406
prospective purchasers of tuition units and prospective 51407
contributors to variable college savings program accounts. 51408

Sec. 3334.16. The general assembly hereby finds that the 51409
prepaid tuition program providing for the sale of tuition ~~credits~~ 51410
units by the chancellor of the Ohio ~~tuition trust authority~~ board 51411
of regents is an official state function, offered through an 51412
agency of this state, which agency receives state appropriations. 51413
Therefore, the ~~authority~~ chancellor is directed by the state of 51414
Ohio to assume ~~it~~ the program is exempt from federal tax 51415
liability. 51416

Sec. 3334.17. (A) The state, any political subdivision of the 51417
state, and any organization that is exempt from federal income 51418
taxation under section 501 (a) and described in section 501 (c)(3) 51419
of the Internal Revenue Code, including the chancellor of the Ohio 51420
~~tuition trust authority~~ board of regents if this is authorized 51421
under federal tax law, may establish a scholarship program to 51422
award scholarships consisting of contributions made to any college 51423
savings program for students. Any scholarship program established 51424
under this section shall be registered with the ~~authority~~ 51425
chancellor. The ~~authority~~ chancellor shall be notified of the name 51426
and address of each scholarship beneficiary under the program, the 51427

amounts awarded, and the institution of higher education in which 51428
the beneficiary is enrolled. Scholarship beneficiaries shall be 51429
selected by the entity establishing the scholarship program, in 51430
accordance with criteria established by the entity. 51431

(B) Any person or governmental entity may purchase tuition 51432
units on behalf of a scholarship program that is or is to be 51433
established in accordance with division (A) of this section at the 51434
same price as is established for the purchase of units for named 51435
beneficiaries pursuant to this chapter. Tuition units shall have 51436
the same value to the beneficiary of a scholarship awarded 51437
pursuant to this section as they would have to any other 51438
beneficiary pursuant to division (B) of section 3334.09 of the 51439
Revised Code. 51440

(C) The entity establishing and maintaining a scholarship 51441
program shall specify whether a scholarship beneficiary may 51442
receive a refund or payment for the amount awarded under the 51443
scholarship program directly from the ~~authority~~ chancellor, or 51444

operating costs in buildings owned by cost savings, or avoided 52300
capital costs for the institution. The report shall include 52301
estimates of all costs of such installations, including the costs 52302
of design, engineering, installation, maintenance, repairs, and 52303
debt service, and estimates of the ~~amounts by which~~ energy 52304

Sec. 3345.63. If the board of trustees of a state institution 52308
of higher education wishes to enter into a contract, other than an 52309
installment payment contract provided under section 3345.64 of the 52310
Revised Code, to implement one or more energy or water saving 52311
measures, the board may proceed under the applicable competitive 52312
bidding requirements in Chapter 153. or section 3354.16, 3355.12, 52313
3357.16, or 3358.10 of the Revised Code or, notwithstanding those 52314
requirements, may enter into such a contract as provided in 52315
section 3345.65 of the Revised Code. 52316

Sec. 3345.64. In accordance with this section, the board of 52317
trustees of a state institution of higher education may enter into 52318
an installment payment contract for the implementation of one or 52319
more energy or water saving measures. Any such contract shall be 52320
subject to the competitive bidding requirements of Chapter 153. or 52321
section 3354.16, 3355.12, 3357.16, or 3358.10 of the Revised Code, 52322
as applicable to each such board, except as follows: 52323

(A) If the board does not exempt the entire installment 52324
payment contract from the applicable competitive bidding 52325
requirements pursuant to division (B) of this section, the 52326
provisions of the contract dealing with interest charges and 52327
financing terms shall not be subject to the applicable competitive 52328
bidding requirements. Each such contract shall require repayment 52329

on the following terms: 52330

~~the case of an installment payment contract for a cogeneration~~ 52334
~~system described in division (B)(8) of section 3345.61 of the~~ 52335
~~Revised Code,~~ shall be paid within ~~five~~ fifteen years from the 52336
date of purchase. 52337

~~(b)~~ The remaining balance of the costs of the contract, ~~in~~ 52338
~~the case of an installment payment contract for an energy saving~~ 52339
~~measure that is not a cogeneration system,~~ shall be paid within 52340
~~ten years from the date of purchase.~~ 52341

(B) The board by majority vote may exempt from the applicable 52342
competitive bidding requirements an entire installment payment 52343
contract for the implementation of energy or water saving measures 52344
pursuant to this section and instead of those requirements shall 52345
enter into the contract as provided in section 3345.65 of the 52346
Revised Code. 52347

Sec. 3345.65. To enter into a contract under this section 52348

its intent to request proposals for the implementation of energy 52356

parties to submit proposals for consideration and shall be 52358
published at least thirty days prior to the date for accepting 52359
proposals. 52360

Upon receiving the proposals, the board shall analyze them. 52361
After considering the cost estimates of each proposal, how 52362
qualified each party submitting a proposal is to implement its 52363
proposal, and the institution's ability to pay for each with 52364
current revenues or by financing the cost of each, the board may 52365
select one or more proposals or, instead, reject all proposals. In 52366
selecting proposals, the board shall select the proposal or 52367
proposals most likely to result in the greatest savings when the 52368
cost of the proposal is compared to the ~~reduced energy and, water,~~ 52369
or wastewater cost savings, operating cost savings, and avoided 52370
capital costs that will result from implementing the proposal. 52371

No board shall award a contract to implement energy or water 52372
saving measures under this section unless the board finds that ~~one~~ 52373
~~or both of the following circumstances exists, as applicable:~~ 52374

~~(A) In the case of a contract for a cogeneration system~~ 52375

of ~~money the board would save in energy and, water, or wastewater~~ 52378
savings, operating cost savings, and avoided capital costs over no 52379
more than ~~five~~ fifteen years. 52380

~~(B) In the case of any contract for any energy saving measure~~ 52381
~~other than a cogeneration system, the cost of the contract is not~~ 52382
~~likely to exceed the amount of money the board would save in~~ 52383
~~energy and operating costs over no more than ten years.~~ 52384

Sec. 3345.66. The board of trustees of a state institution of 52385
higher education may issue notes of the institution signed by the 52386

the payments provided in section 3345.64 of the Revised Code, 52389
payable at the times provided and bearing interest at a rate not 52390
exceeding a rate determined under section 9.95 of the Revised 52391

Code. The notes may contain an option for prepayment and are not 52392
subject to Chapter 133. of the Revised Code. Revenues derived from 52393
any source, other than money appropriated by the general assembly, 52394
that may be used for the purpose of ~~conserving~~ implementing energy 52395
or water saving measures or for defraying the current operating 52396
expenses of the institution may be pledged to the payment of 52397
interest and the retirement of such notes. The notes may be sold 52398
at private sale or given to the contractor under the installment 52399
payment contract authorized by section 3345.64 of the Revised 52400
Code. 52401

Sec. 3349.242. Any agreement authorized by section 3349.241 52402
of the Revised Code may provide for the amounts of such 52403
participation by such school district or districts in the 52404

university, but no funds granted to school districts under Chapter 52406
3306. or 3317. of the Revised Code shall be used for such 52407
purposes. By the terms of any such agreement the school district 52408
or districts and their residents shall be entitled to the 52409
educational advantages of said municipal university at the same 52410
rate of tuition, fees, and other charges as are provided for the 52411
residents of the municipal corporation in which such municipal 52412

year free of charge for all high schools operated by school 52427
districts. The courses offered shall include two advanced 52428
placement courses and one foreign language course. 52429

for the curriculum of each course selected. 52454

pilot project. 52460

(E) Each high school shall determine the manner in which and 52461
facilities at which students may participate in courses consistent 52462
with specifications for technology and connectivity required by 52463
the commission. 52464

(F) The grade for a student enrolled in a course offered 52465

Sec. 3354.24. (A) The provisions of this section prevail over 52474
conflicting provisions of this chapter; however, except as 52475
otherwise provided in this section, the eastern gateway community 52476
college district and its board of trustees shall comply with the 52477
provisions of this chapter. 52478

(B) The territory of Columbiana, Mahoning, and Trumbull 52479
counties is hereby added to the territory of the community college 52480
district of Jefferson county, creating a new community college 52481
district to replace the former community college district of 52482

Jefferson county. The district created under this section shall be 52483
known as and operate under the name of "eastern gateway community 52484
college district," and its charter shall be amended to this name. 52485
The Jefferson county campus is hereby part of the eastern gateway 52486
community college district and shall remain in operation unless 52487
otherwise specified by the board of trustees of the community 52488
college. 52489

The eastern gateway community college district is divided 52490
into two taxing subdistricts, one consisting of the territory of 52491
Jefferson county, and the other consisting of the territories of 52492
Columbiana, Mahoning, and Trumbull counties. 52493

(C) On the effective date of this section as enacted by H.B. 52494
1 of the 128th general assembly, the government of the eastern 52495
gateway community college district shall be vested in a board of 52496
eleven trustees to be appointed by the governor, with the advice 52497
and consent of the senate. The board of trustees of the former 52498
community college district of Jefferson county is abolished on 52499
that date. 52500

The governor shall appoint the members of the board of 52501
trustees of the eastern gateway community college district as 52502
successors to the board of trustees of Jefferson community college 52503
as follows: Three members of the board of trustees shall be 52504
residents of Jefferson county. (The initial Jefferson county 52505
members shall be members of the board of trustees of the former 52506
community college district of Jefferson county, as it existed 52507
before the effective date of this section.) Eight members of the 52508
board of trustees shall be residents of Columbiana, Mahoning, and 52509
Trumbull counties. 52510

The initial board of trustees shall be appointed within 52511
ninety days after the effective date of this section for terms as 52512
follows: Of the trustees who are residents of Jefferson county, 52513
one trustee shall be appointed for a one-year term, one trustee 52514

shall be appointed for a three-year term, and one trustee shall be 52515
appointed for a five-year term. Of the trustees who are residents 52516
of Columbiana, Mahoning, and Trumbull counties, one trustee shall 52517
be appointed for a one-year term, two trustees shall be appointed 52518
for two-year terms, two trustees shall be appointed for three-year 52519
terms, two trustees shall be appointed for four-year terms, and 52520
one trustee shall be appointed for a five-year term. 52521

At the conclusion of each initial term, the term of office of 52522
each trustee shall be five years, each term ending on the same day 52523
of the same month of the year as did the term that it succeeds. 52524

Each trustee shall hold office from the date of the trustee's 52525
appointment until the end of the term for which the trustee was 52526
appointed. Any trustee appointed to fill a vacancy occurring 52527
before the expiration of the term for which the trustee's 52528
predecessor was appointed shall hold office for the remainder of 52529
that term. Any trustee shall continue in office subsequent to the 52530
expiration date of the trustee's term until the trustee's 52531
successor takes office, or until a period of sixty days has 52532
elapsed, whichever occurs first. 52533

If a vacancy occurs and the Jefferson county tax levy is no 52534
longer in place or a conversion under division (H) of this section 52535
has occurred, the governor shall fill the vacancy with a person 52536
residing within the eastern gateway community college district. 52537

(D) The board of trustees of the eastern gateway community 52538
college district shall continue to comply with division (G) of 52539
section 3354.09 of the Revised Code regarding tuition for students 52540
who are residents of Ohio but not residents of the district, and 52541
for students who are nonresidents of Ohio. The tuition rate shall 52542
be based on the student's county of residence and shall apply to 52543
all eastern gateway community college district classes in all 52544
district locations. Except as provided in division (F)(3) of this 52545
section, students who are residents of Columbiana, Mahoning, or 52546

Trumbull county shall continue to be charged tuition at the same 52547
rate as Ohio residents who are not residents of the district. 52548

(E)(1) Except as provided in divisions (E)(2) and (3) of this 52549
section, each member of the board of trustees shall have full 52550
voting rights on all matters that come before the board. 52551

(2) The three trustees representing Jefferson county shall 52552
have sole authority to vote on the following matters: 52553

(a) The Jefferson county tax levy; 52554

(b) The expenditure of revenue from that tax levy; 52555

(c) Levy-subsidized tuition rates. 52556

(3) The voting restrictions under division (E)(2) of this 52557
section apply until the electors of the Columbiana, Mahoning, and 52558
Trumbull county taxing subdistrict approve a tax levy under 52559
division (F)(3) of this section that is equivalent to the tax levy 52560
approved by the electors of Jefferson county for the support of 52561
the former community college district of Jefferson county on the 52562
effective date of this section. For the purposes of this division, 52563
the tax levy is an equivalent tax levy if either: 52564

(a) In the first tax year for which the tax is collected, it 52565
yields revenue per capita equal to or greater than the yield per 52566
capita of levies of the community college district in effect that 52567
year in Jefferson county, as jointly determined by the county 52568
auditors of Jefferson, Columbiana, Mahoning, and Trumbull 52569
counties; or 52570

(b) In the first tax year for which the tax is collected, the 52571
effective tax rate of the tax is equal to or greater than the 52572
effective tax rate of levies of the community college district in 52573
effect that tax year in Jefferson county, as jointly determined by 52574
the county auditors of Jefferson, Columbiana, Mahoning, and 52575
Trumbull counties. 52576

As used in this division, "effective tax rate" means the 52577
quotient obtained by dividing the total taxes charged and payable 52578
for a taxing subdistrict for a tax year after the reduction 52579
prescribed by section 319.301 of the Revised Code but before the 52580
reduction prescribed by section 319.302 or 323.152 of the Revised 52581
Code, by the taxable value for the taxing subdistrict for that tax 52582
year. 52583

(F)(1) For each taxing subdistrict of the eastern gateway 52584
community college district, the board of trustees may propose to 52585
levy a tax in accordance with the procedures prescribed in section 52586
3354.12 of the Revised Code, except the following terms used in 52587
that section shall have the meanings given them in this section: 52588

(a) "District" and "community college district" mean the 52589
appropriate taxing subdistrict defined in this section; 52590

(b) "Board of trustees of the community college district" 52591
means the board of trustees for the entire eastern gateway 52592
community college district. That board of trustees may propose 52593
separate levies for either of the two taxing subdistricts. 52594

(c) "Tax duplicate" means the tax duplicate of only the 52595
appropriate taxing subdistrict and not the tax duplicate of the 52596
entire eastern gateway community college district. 52597

(2) The board of trustees may propose to levy a tax on 52598
taxable property in Jefferson county to be voted on by the 52599
electors of Jefferson county as provided in division (F)(1) of 52600
this section. An affirmative vote by a majority of the electors of 52601
the subdistrict voting on the question is necessary for passage. 52602
Any money raised by a tax levied by the former community college 52603
district of Jefferson county or a subsequent tax levied in 52604
Jefferson county in accordance with division (F)(1) of this 52605
section shall be used solely for the benefit of Jefferson county 52606
residents attending the eastern gateway community college in the 52607

form of student tuition subsidies, student scholarships, and 52608
instructional facilities, equipment, and support services located 52609
within Jefferson county, or for any purpose approved by the 52610
electors. Such amounts shall be deposited into a separate fund of 52611
the taxing subdistrict, and shall be budgeted separately. 52612

(3) The board of trustees may propose to levy a tax on 52613
taxable property in Columbiana, Mahoning, and Trumbull counties to 52614
be voted on by the electors of the counties as provided in 52615
division (F)(1) of this section. An affirmative vote by a majority 52616
of the electors of the subdistrict voting on the question is 52617
necessary for passage. Any amounts raised by such a tax in the tax 52618
subdistrict shall be used solely for the benefit of residents of 52619
the subdistrict attending the eastern gateway community college in 52620
the form of student tuition subsidies, student scholarships, and 52621
instructional facilities, equipment, and support services located 52622
within Columbiana, Mahoning, and Trumbull counties, or for any 52623
purpose approved by the electors. Amounts collected shall be 52624
deposited into a separate fund from all other revenues collected 52625
by each taxing subdistrict. 52626

The board of trustees may adjust the rate of tuition charged 52627
to each taxing subdistrict's residents to an amount commensurate 52628
with the amount of tax the board of trustees dedicates for 52629
instructional and general services provided to the residents of 52630
the subdistrict. 52631

(G) The board of trustees of the eastern gateway community 52632
college district may issue bonds in accordance with section 52633
3354.11 of the Revised Code, but the board may limit the question 52634
of approval of the issue of those bonds to the electors of only 52635
one of the two taxing subdistricts, in which case the board also 52636
may limit the use of the property or improvements to the residents 52637
of that subdistrict. 52638

(H) If the tax levy in Jefferson county expires, is not 52639

renewed, or is not approved by the electors of Jefferson county 52640
and the other taxing subdistrict does not levy a tax for the 52641
purposes of this section, the board of trustees of the eastern 52642
gateway community college district shall submit a proposal to the 52643
chancellor of the board of regents to convert to a state community 52644
college and, upon the chancellor's approval of the proposal, enter 52645
into a transition agreement with the chancellor following the 52646
procedures set forth in section 3358.05 of the Revised Code for a 52647
technical college district. 52648

either of the following options: 52700

(A) The student may elect at the time of enrollment to be 52701
responsible for payment of all tuition and the cost of all 52702
textbooks, materials, and fees associated with the course. The 52703
college shall notify the student about payment of tuition and fees 52704
in the customary manner followed by the college. A student 52705
electing this option also shall elect, at the time of enrollment, 52706
whether to receive only college credit or high school credit and 52707
college credit for the course. 52708

(1) The student may elect to receive only college credit for 52709
the course. Except as provided in section 3365.041 of the Revised 52710
Code, if the student successfully completes the course, the 52711
college shall award the student full credit for the course, but 52712
the board of education, community school governing authority, STEM 52713
school, or nonpublic participating school shall not award the high 52714
school credit. 52715

(2) The student may elect to receive both high school credit 52716
and college credit for the course. Except as provided in section 52717
3365.041 of the Revised Code, if the student successfully 52718
completes the course, the college shall award the student full 52719
credit for the course and the board of education, community school 52720
governing authority, STEM school, or nonpublic school shall award 52721
the student high school credit. 52722

(B) The student may elect at the time of enrollment for each 52723
course to have the college reimbursed under section 3365.07 of the 52724
Revised Code or as provided in alternative funding agreements 52725
entered into under rules adopted under section 3365.12 of the 52726
Revised Code. Except as provided in section 3365.041 of the 52727
Revised Code, if the student successfully completes the course, 52728
the college shall award the student full credit for the course, 52729
the board of education, community school governing authority, STEM 52730
school, or nonpublic school shall award the student high school 52731

credit, and the college shall be reimbursed in accordance with 52732
section 3365.07 of the Revised Code or alternative funding 52733
agreements entered into under rules adopted under section 3365.12 52734
of the Revised Code. 52735

When determining a school district's formula ADM under 52736
section 3317.03 of the Revised Code, the time a participant is 52737
attending courses under division (A) of this section shall be 52738
considered as time the participant is not attending or enrolled in 52739
school anywhere, and the time a participant is attending courses 52740
under division (B) of this section shall be considered as time the 52741
participant is attending or enrolled in the district's schools. 52742

Sec. 3365.041. (A) When a school district superintendent, the 52743
governing authority of a community school, or the chief 52744
administrative officer of a STEM school expels a student under 52745
division (B) of section 3313.66 of the Revised Code, the district 52746
superintendent, governing authority, or chief administrative 52747
officer shall send a written notice of the expulsion to any 52748
college in which the expelled student is enrolled under section 52749
3365.03 of the Revised Code at the time the expulsion is imposed. 52750
The notice shall indicate the date the expulsion is scheduled to 52751
expire. The notice also shall indicate whether the district board 52752
of education, community school governing authority, or the STEM 52753
school has adopted a policy under section 3313.613 of the Revised 52754
Code to deny high school credit for post-secondary courses taken 52755
during an expulsion. If the expulsion is extended under division 52756
(F) of section 3313.66 of the Revised Code, the district 52757
superintendent, community school governing authority, or STEM 52758
school chief administrative officer shall notify the college of 52759
the extension. 52760

(B) A college may withdraw its acceptance under section 52761
3365.03 of the Revised Code of a student who is expelled from 52762

school under division (B) of section 3313.66 of the Revised Code. 52763
As provided in section 3365.03 of the Revised Code, regardless of 52764
whether the college withdraws its acceptance of the student for 52765
the college term in which the student is expelled, the student is 52766
ineligible to enroll in a college under that section for 52767
subsequent college terms during the period of the expulsion, 52768
unless the student enrolls in another school district or community 52769
school, or a participating nonpublic school during that period. 52770

If a college withdraws its acceptance of an expelled student 52771
who elected either option of division (A)(1) or (2) of section 52772
3365.04 of the Revised Code, the college shall refund tuition and 52773
fees paid by the student in the same proportion that it refunds 52774
tuition and fees to students who voluntarily withdraw from the 52775
college at the same time in the term. 52776

If a college withdraws its acceptance of an expelled student 52777
who elected the option of division (B) of section 3365.04 of the 52778
Revised Code, the school district, community school, or STEM 52779
school shall not award high school credit for the college courses 52780
in which the student was enrolled at the time the college withdrew 52781
its acceptance, and any reimbursement under section 3365.07 of the 52782
Revised Code or through alternative funding agreements entered 52783
into under rules adopted under section 3365.12 of the Revised Code 52784
for the student's attendance prior to the withdrawal shall be the 52785
same as would be paid for a student who voluntarily withdrew from 52786
the college at the same time in the term. If the withdrawal 52787
results in the college's receiving no reimbursement, the college 52788
may require the student to return or pay for the textbooks and 52789
materials it provided the student free of charge under section 52790
3365.08 of the Revised Code. 52791

(C) When a student who elected the option of division (B) of 52792
section 3365.04 of the Revised Code is expelled under division (B) 52793
of section 3313.66 of the Revised Code from a school district, 52794

community school, or STEM school that has adopted a policy under 52795
section 3313.613 of the Revised Code, that election is 52796
automatically revoked for all college courses in which the student 52797
is enrolled during the college term in which the expulsion is 52798
imposed. Any reimbursement under section 3365.07 of the Revised 52799
Code or through alternative funding agreements entered into under 52800
rules adopted under section 3365.12 of the Revised Code for the 52801
student's attendance prior to the expulsion shall be the same as 52802
would be paid for a student who voluntarily withdrew from the 52803
college at the same time in the term. If the revocation results in 52804
the college's receiving no reimbursement, the college may require 52805
the student to return or pay for the textbooks and materials it 52806
provided the student free of charge under section 3365.08 of the 52807
Revised Code. 52808

No later than five days after receiving an expulsion notice 52809
from the superintendent of a district, the governing authority of 52810
a community school, or the chief administrative officer of a STEM 52811
school that has adopted a policy under section 3313.613 of the 52812
Revised Code, the college shall send a written notice to the 52813
expelled student that the student's election of division (B) of 52814
section 3365.04 of the Revised Code is revoked. If the college 52815
elects not to withdraw its acceptance of the student, the student 52816
shall pay all applicable tuition and fees for the college courses 52817
and shall pay for the textbooks and materials that the college 52818
provided under section 3365.08 of the Revised Code. 52819

Sec. 3365.07. (A) The rules adopted under section 3365.02 of 52820
the Revised Code shall specify a method for each of the following: 52821

(1) Determining, with respect to any participant, the 52822
percentage of a full-time educational program constituted by the 52823
participant's total educational program. That percentage shall be 52824
the participant's full-time equivalency percentage for purposes of 52825

the computation required by division (B)(1) of this section. 52826

(2) In the case of a participant who is not enrolled in a 52827
participating nonpublic school, determining the percentage of a 52828
participant's school day during which the participant is 52829
participating in each of the following: 52830

(a) Programs provided by the city, local, or exempted village 52831
school district, a community school, or a STEM school; 52832

(b) Programs provided by a joint vocational school district; 52833

(c) Programs provided by a college under division (B) of 52834
section 3365.04 of the Revised Code. 52835

The sum of divisions (A)(2)(a) to (c) of this section shall equal 52836
one hundred per cent. 52837

(3) In the case of a participant who is not enrolled in a 52838
participating nonpublic school, determining the percentage of a 52839
participant's enrollment that shall be deemed to be enrollment in 52840
a joint vocational school district and the percentage that shall 52841
be deemed to be enrollment in a city, local, or exempted village 52842
school district. The sum of such percentages shall equal one 52843
hundred per cent. 52844

(4) In the case of a participant who is enrolled in a 52845
participating nonpublic school, determining the percentage of a 52846
participant's school day during which the participant is 52847
participating in programs provided by a college under division (B) 52848
of section 3365.04 of the Revised Code. 52849

(B) Each July, unless provided otherwise in an alternative 52850
funding agreement entered into under rules adopted under section 52851
3365.12 of the Revised Code, the department of education shall pay 52852
each college for any participant enrolled in the college in the 52853
prior school year under division (B) of section 3365.04 of the 52854
Revised Code an amount computed as follows: 52855

(1) Multiply the tuition base by the participant's full-time 52856
equivalency percentage and multiply the resulting amount by a 52857
percentage equal to the percentage of the participant's school day 52858
apportioned to the college under division (A)(2)(c) or (4) of this 52859
section, as applicable. 52860

(2) Pay the college the lesser of: 52861

(a) The amount computed under division (B)(1) of this 52862
section; 52863

(b) The actual costs that would have been the responsibility 52864
of the participant had the participant elected to enroll under 52865
division (A) of section 3365.04 of the Revised Code, as verified 52866
by the department, of tuition, textbooks, materials, and fees 52867
directly related to any courses elected by the participant during 52868
the prior school year under division (B) of section 3365.04 of the 52869
Revised Code. 52870

(C) The department shall not reimburse any college for any 52871
course taken by a participant under division (A) of section 52872
3365.04 of the Revised Code. 52873

(D) If the participant was not enrolled in a participating 52874
nonpublic school, the amount paid under division (B) of this 52875
section for each participant shall be subtracted from the school 52876
foundation payments made to the participant's school district or, 52877
if the participant was enrolled in a community school or a STEM 52878
school, from the payments made to the participant's school under 52879
section 3314.08 or 3326.33 of the Revised Code. If the participant 52880
was enrolled in a joint vocational school district, a portion of 52881
the amount shall be subtracted from the payments to the joint 52882
vocational school district and a portion shall be subtracted from 52883
the payments to the participant's city, local, or exempted village 52884
school district. The amount of the payment subtracted from the 52885
city, local, or exempted village school district shall be computed 52886

as follows: 52887

(1) Add the following: 52888

(a) The percentage of the participant's enrollment in the 52889
school district, determined under division (A)(3) of this section; 52890
and 52891

(b) Twenty-five per cent times the percentage of the 52892
participant's enrollment in the joint vocational school district, 52893
determined under division (A)(3) of this section. 52894

(2) Multiply the sum obtained under division (D)(1) of this 52895
section by the amount computed under division (B)(2) of this 52896
section. 52897

The balance of the payment shall be subtracted from the joint 52898
vocational district's school foundation payments. 52899

(E) If the participant was enrolled in a participating 52900
nonpublic school, the amount paid under division (B) of this 52901
section shall be subtracted from moneys set aside by the general 52902
assembly for such purpose from funds appropriated for the purposes 52903
of section 3317.06 of the Revised Code. 52904

Sec. 3365.08. (A) A college that expects to receive or 52905
receives reimbursement under section 3365.07 of the Revised Code 52906
or through alternative funding agreements entered into under rules 52907
adopted under section 3365.12 of the Revised Code shall furnish to 52908
a participant all textbooks and materials directly related to a 52909
course taken by the participant under division (B) of section 52910
3365.04 of the Revised Code. No college shall charge such 52911
participant for tuition, textbooks, materials, or other fees 52912
directly related to any such course. 52913

(B) No student enrolled under this chapter in a course for 52914
which credit toward high school graduation is awarded shall 52915
receive direct financial aid through any state or federal program. 52916

(C) If a school district provides transportation for resident school students in grades eleven and twelve under section 3327.01 of the Revised Code, a parent of a pupil enrolled in a course under division (A)(2) or (B) of section 3365.04 of the Revised Code may apply to the board of education for full or partial reimbursement for the necessary costs of transporting the student between the secondary school the student attends and the college in which the student is enrolled. Reimbursement may be paid solely from funds received by the district under ~~division (D) of section 3317.022~~ 3306.12 of the Revised Code. The state board of education shall establish guidelines, based on financial need, under which a district may provide such reimbursement.

(D) If a community school provides or arranges transportation for its pupils in grades nine through twelve under section 3314.091 of the Revised Code, a parent of a pupil of the community school who is enrolled in a course under division (A)(2) or (B) of section 3365.04 of the Revised Code may apply to the governing authority of the community school for full or partial reimbursement of the necessary costs of transporting the student between the community school and the college. The governing authority may pay the reimbursement in accordance with the state board's rules adopted under division (C) of this section solely from funds paid to it under section 3314.091 of the Revised Code.

Sec. 3365.09. Section 3365.07 ~~and~~, divisions (A) and (C) of section 3365.08, and agreements entered into under rules adopted under section 3365.12 of the Revised Code do not apply to any college course in which a student is enrolled if during the term such student is enrolled in the college course the student is also a full-time student in the student's district, community school, STEM school, or nonpublic school. The rules adopted under section 3365.02 of the Revised Code shall prescribe a method for determining whether a student is enrolled full-time in the

student's district, community school, STEM school, or nonpublic school. 52949
52950

Sec. 3365.10. As used in this section, the "base amount" for any school year is one million dollars. "Full-time equivalency percentage" and "percentage of the school day" enrolled in college shall be determined under the rules described by divisions (A)(1) and (4) of section 3365.07 of the Revised Code or the rules adopted under section 3365.12 of the Revised Code. 52951
52952
52953
52954
52955
52956

(A) Each nonpublic school student who wishes to become a participant in any school year shall send to the department of education a copy of ~~his~~ the student's acceptance from a college and an application. The application shall be made on forms provided by the state board and shall include information about the student's proposed participation, including the school year in which ~~he~~ the student wishes to participate; the semesters or terms the student wishes to enroll during such year; the student's expected full-time equivalency percentage for each such semester or term; and the percentage of the school day each such semester or term that the student expects to be enrolled in programs provided by a college under division (B) of section 3365.04 of the Revised Code. 52972

Upon receipt of an application under division (A) of this section, the department shall calculate the amount the college would be paid under division (B) of section 3365.07 of the Revised Code or through alternative funding agreements entered into under rules adopted under section 3365.12 of the Revised Code for the student's expected participation. ~~The~~ For calculations made under division (B) of section 3365.07 of the Revised Code, the 52973

department shall subtract each such calculated amount from the 52980
base amount for that year, or the amount remaining for that year 52981
after the subtraction from the base amount of amounts previously 52982
calculated under this division as a result of prior applications 52983
for participation in that year, whichever is the lesser amount. 52984

(C) If such a subtraction under division (B) of this section 52985
results in a positive number, the department shall notify the 52986
applicant within three weeks of the receipt of ~~his~~ the application 52987
that ~~he~~ such applicant may participate in the post-secondary 52988
enrollment options program to the extent indicated in the 52989

(D) If such a subtraction under division (B) of this section 52991
results in a negative number, the department shall, within one 52992
week of the receipt of such application, notify the applicant, the 52993
applicant's nonpublic school, and the college accepting the 52994
applicant that funds will not be available for the applicant's 52995
participation in the program during the year for which the 52996
application was made. The department shall also notify all 52997
applicants whose applications for that year are subsequently 52998
received, their nonpublic schools, and the colleges accepting them 52999
of the same fact. 53000

(E) No applicant receiving notification under division (D) of 53001

section 3365.04 of the Revised Code for the year for which ~~he~~ the 53003
applicant applied and no college shall be paid under division (B) 53004

applicant in such year. 53008

Sec. 3365.12. The superintendent of public instruction and 53009
the chancellor of the Ohio board of regents jointly may adopt 53010

rules in accordance with Chapter 119. of the Revised Code 53011
permitting a board of education of a school district or joint 53012
vocational school district, governing authority of a community 53013
school, governing body of a STEM school, or governing authority of 53014
a participating nonpublic school to enter into an agreement with a 53015
college or university to use an alternate funding formula to 53016
calculate, or an alternate method to transmit, the amount the 53017
college or university would be paid for a student participating in 53018
a program under this chapter, including the program known as 53019
seniors to sophomores. 53020

Rules adopted under this section may include, but need not be 53021
limited to, any of the following alternative funding options: 53022

(A) Direct payment of funds necessary to support students 53023
participating in a program under this chapter, including the 53024
seniors to sophomores program, by the school district, joint 53025

provided in this section, and the amount chargeable to each 53063
subdivision shall be withheld by the auditor from the moneys 53064
payable thereto at the time of the next tax settlement. At the 53065
time of submitting budget estimates in each year, the board of 53066

(B) Except as otherwise provided in division (F) of this 53071
section, the compensation of the members of the board of elections 53072

county; and all other expenses of the board which are not 53082
chargeable to a political subdivision in accordance with this 53083
section shall be paid in the same manner as other county expenses 53084
are paid. 53085

(C) The compensation of judges of elections and intermittent 53086
employees in the board's offices; the cost of renting, moving, 53087

voting machines, marking devices, and automatic tabulating 53090
equipment; the cost of printing and delivering ballots, cards of 53091
instructions, registration lists required under section 3503.23 of 53092
the Revised Code, and other election supplies, including the 53093
supplies required to comply with division (H) of section 3506.01 53094

primaries or elections are held. The charge for each primary or 53100
general election in odd-numbered years for each subdivision shall 53101
be determined in the following manner: first, the total cost of 53102
all chargeable items used in conducting such elections shall be 53103
ascertained; second, the total charge shall be divided by the 53104
number of precincts participating in such election, in order to 53105

fix the cost per precinct; third, the cost per precinct shall be 53106
prorated by the board of elections to the subdivisions conducting 53107
elections for the nomination or election of offices in such 53108
precinct; fourth, the total cost for each subdivision shall be 53109
determined by adding the charges prorated to it in each precinct 53110
within the subdivision. 53111

(D) The entire cost of special elections held on a day other 53112

of the members of the board of elections, the board of county 53186
commissioners may, by resolution, rescind an elections revenue 53187
fund established under this division. If an elections revenue fund 53188

conducted in the same or different health service areas. 54180

(3) If the director receives written objections to an 54181

shall pay a penalty of ten per cent of the amount of the money due 57248
for each month that it is late. 57249

administered by the director, and money credited to the fund shall 57265
be used exclusively for the administration and enforcement of this 57266
chapter and rules adopted under it. 57267

may enter into an agreement with the owner or operator of a 57269
construction and demolition debris facility or a solid waste 57270

township, the municipal corporation or township may appropriate up 57285
to four cents per cubic yard or up to eight cents per ton of the 57286
disposal fee required to be paid by the facility under division 57287
(A) of this section for the same purposes that a municipal 57288
corporation or township may levy a fee under division (C) of 57289
section 3734.57 of the Revised Code. 57290

The legislative authority of the municipal corporation or 57291
township may appropriate the money from the fee by enacting an 57292
ordinance or adopting a resolution establishing the amount of the 57293
fee to be appropriated. Upon doing so, the legislative authority 57294
shall mail a certified copy of the ordinance or resolution to the 57295
board of health of the health district in which the construction 57296
and demolition debris facility or the solid waste facility is 57297
located or, if the facility is located in a health district that 57298

township may cease collecting money under this division by 57317
repealing the ordinance or resolution that was enacted or adopted 57318
under this division. 57319

119. of the Revised Code establishing requirements for prorating 57321
the amount of the fee that may be appropriated under this division 57322
by a municipal corporation or township in which only a portion of 57323
a construction and demolition debris facility is located within 57324
the territorial boundaries of the municipal corporation or 57325
township. 57326

(D) The board of county commissioners of a county in which a 57327
construction and demolition debris facility or a solid waste 57328

paid by the facility under division (A) of this section for the 57331
same purposes that a solid waste management district may levy a 57332
fee under division (B) of section 3734.57 of the Revised Code. 57333

The board of county commissioners may appropriate the money 57334
from the fee by adopting a resolution establishing the amount of 57335

is not on the approved list under section 3714.09 of the Revised 57341
Code, to the director. Upon receipt of the copy of the resolution 57342
and not later than forty-five days after receipt of money 57343
collected from the fee, the board of health or the director, as 57344

portion of the money collected from the disposal fee by the owner 57346
or operator of the facility that is required by the resolution to 57347
be paid to that county. 57348

Money received by a county treasurer under this division 57349

treasurer shall maintain separate records of the money received 57351
under this division. 57352

The part or unit of a home for the aging that provides 58254

of how the facility holds itself out to the public. 58265

(C) For purposes of this chapter, personal care services or 58266
skilled nursing care shall be considered to be provided by a 58267

nor the resident's sponsor is a party. 58271

construed to permit skilled nursing care to be imposed on an 58273
individual who does not require skilled nursing care. 58274

Nothing in division (A)(5) of this section shall be construed 58275
to permit personal care services to be imposed on an individual 58276

assistance. 58278

(E) Division (A)(1)(c)~~(*)~~(ix) of this section does not 58279
prohibit a facility, infirmary, or other entity described in that 58280
division from seeking licensure under sections 3721.01 to 3721.09 58281
of the Revised Code or certification under Title XVIII or XIX of 58282
the "Social Security Act." However, such a facility, infirmary, or 58283
entity that applies for licensure or certification must meet the 58284
requirements of those sections or titles and the rules adopted 58285
under them and obtain a certificate of need from the director of 58286
health under section 3702.52 of the Revised Code. 58287

(F) Nothing in this chapter, or rules adopted pursuant to it, 58288
shall be construed as authorizing the supervision, regulation, or 58289
control of the spiritual care or treatment of residents or 58290
patients in any home who rely upon treatment by prayer or 58291

recognized church or religious denomination. 58293

Sec. 3721.02. (A) The director of health shall license homes 58294

home shall be inspected by the director at least once prior to the 58297
issuance of a license and at least once every fifteen months 58298
thereafter. The state fire marshal or a township, municipal, or 58299
other legally constituted fire department approved by the marshal 58300
shall also inspect a home prior to issuance of a license, at least 58301
once every fifteen months thereafter, and at any other time 58302
requested by the director. A home does not have to be inspected 58303
prior to issuance of a license by the director, state fire 58304
marshal, or a fire department if ownership of the home is assigned 58305
or transferred to a different person and the home was licensed 58306
under this chapter immediately prior to the assignment or 58307
transfer. The director may enter at any time, for the purposes of 58308
investigation, any institution, residence, facility, or other 58309
structure that has been reported to the director or that the 58310
director has reasonable cause to believe is operating as a nursing 58311
home, residential care facility, or home for the aging without a 58312
valid license required by section 3721.05 of the Revised Code or, 58313
in the case of a county home or district home, is operating 58314
despite the revocation of its residential care facility license. 58315
The director may delegate the director's authority and duties 58316
under this chapter to any division, bureau, agency, or official of 58317
the department of health. 58318

(B) A single facility may be licensed both as a nursing home 58319
pursuant to this chapter and as an adult care facility pursuant to 58320
Chapter 3722. of the Revised Code if the director determines that 58321
the part or unit to be licensed as a nursing home can be 58322
maintained separate and discrete from the part or unit to be 58323
licensed as an adult care facility. 58324

(C) In determining the number of residents in a home for the 58325

purpose of licensing, the director shall consider all the 58326
individuals for whom the home provides accommodations as one group 58327
unless one of the following is the case: 58328

(1) The home is a home for the aging, in which case all the 58329
individuals in the part or unit licensed as a nursing home shall 58330
be considered as one group, and all the individuals in the part or 58331
unit licensed as a rest home shall be considered as another group. 58332

(2) The home is both a nursing home and an adult care 58333
facility. In that case, all the individuals in the part or unit 58334
licensed as a nursing home shall be considered as one group, and 58335
all the individuals in the part or unit licensed as an adult care 58336
facility shall be considered as another group. 58337

(3) The home maintains, in addition to a nursing home or 58338
residential care facility, a separate and discrete part or unit 58339
that provides accommodations to individuals who do not require or 58340
receive skilled nursing care and do not receive personal care 58341
services from the home, in which case the individuals in the 58342
separate and discrete part or unit shall not be considered in 58343
determining the number of residents in the home if the separate 58344
and discrete part or unit is in compliance with the Ohio basic 58345
building code established by the board of building standards under 58346
Chapters 3781. and 3791. of the Revised Code and the home permits 58347
the director, on request, to inspect the separate and discrete 58348
part or unit and speak with the individuals residing there, if 58349
they consent, to determine whether the separate and discrete part 58350
or unit meets the requirements of this division. 58351

(D)(1) The director of health shall charge ~~an~~ the following 58352
application fee and ~~an~~ annual renewal licensing and inspection fee 58353
~~of one hundred seventy dollars~~ for each fifty persons or part 58354
thereof of a home's licensed capacity: 58355

(a) For state fiscal year 2010, two hundred twenty dollars; 58356

(b) For state fiscal year 2011, two hundred seventy dollars; 58357

the credit of the general operations fund created in section 58362
3701.83 of the Revised Code for use only in administering and 58363
enforcing this chapter and rules adopted under it. 58364

(E)(1) Except as otherwise provided in this section, the 58365
results of an inspection or investigation of a home that is 58366
conducted under this section, including any statement of 58367
deficiencies and all findings and deficiencies cited in the 58368
statement on the basis of the inspection or investigation, shall 58369
be used solely to determine the home's compliance with this 58370
chapter or another chapter of the Revised Code in any action or 58371
proceeding other than an action commenced under division (I) of 58372
section 3721.17 of the Revised Code. Those results of an 58373
inspection or investigation, that statement of deficiencies, and 58374
the findings and deficiencies cited in that statement shall not be 58375
used in any court or in any action or proceeding that is pending 58376
in any court and are not admissible in evidence in any action or 58377
proceeding unless that action or proceeding is an appeal of an 58378
action by the department of health under this chapter or is an 58379
action by any department or agency of the state to enforce this 58380
chapter or another chapter of the Revised Code. 58381

(2) Nothing in division (E)(1) of this section prohibits the 58382

section from being used in a criminal investigation or 58384
prosecution. 58385

carried out to reduce the possibility of a fire; 58400

(2) Provides evidence that the home has entered into an 58401
agreement for a fire safety inspection to be conducted not less 58402

may issue a temporary license if the requirements of divisions 59040
(C), (D), and (F) of section 3722.02 of the Revised Code have been 59041
met. A temporary license shall be valid for a period of ninety 59042
days and, except as otherwise provided in division (A)(3) of 59043
section 3722.05 of the Revised Code, may be renewed, without 59044
payment of an additional application fee, for an additional ninety 59045
days.~~ 59046

(B) The director shall renew a license for a two-year period 59047
if the facility continues to be in compliance with the 59048
requirements of this chapter and in substantial compliance with 59049
the rules adopted under this chapter. The owner shall submit a 59050
nonrefundable license renewal application fee in an amount 59051
established in rules adopted by the public health council pursuant 59052

renewed, if any alterations have been made to the buildings, a 59054
certificate of occupancy for the facility shall have been issued 59055
by the division of ~~industrial compliance~~ labor in the department 59056

of commerce or a local certified building department. The facility 59057
shall have water and sewage system approvals, if required by law, 59058
and, in the case of an adult group home, documentation of 59059
continued compliance with the rules adopted by the state fire 59060
marshal under division (F) of section 3737.83 of the Revised Code. 59061

director considers necessary. Other inspections may be made at any 59067
time that the director considers appropriate. ~~The~~ 59068

The director shall determine whether an inspection is to be 59069
conducted as an announced or unannounced inspection. In the case 59070
of an unannounced inspection, the director shall take all 59071

once annually thereafter, and at any other time at the request of 59082
the director, to determine compliance with the rules adopted under 59083
division (F) of section 3737.83 of the Revised Code. 59084

having to do with fire and safety requirements or building 59086
standards established by rule adopted by the public health council 59087

pursuant to this chapter upon written request of the facility. The 59088
director may grant a waiver if the director determines that the 59089
strict application of the licensing requirement would cause undue 59090
hardship to the facility and that granting the waiver would not 59091
jeopardize the health or safety of any resident. The director may 59092
provide a facility with an informal hearing concerning the denial 59093
of a waiver request, but the facility shall not be entitled to a 59094
hearing under Chapter 119. of the Revised Code unless the director 59095
takes an action that requires a hearing to be held under section 59096
3722.05 of the Revised Code. 59097

(E)(1) Not later than thirty days after each of the 59098
following, the owner of an adult care facility shall submit an 59099
inspection fee of twenty dollars for each bed for which the 59100
facility is licensed: 59101

(a) Issuance or renewal of a license, ~~other than a temporary~~ 59102

(c) If, during an inspection conducted in addition to the two 59107
inspections required by division (C)(1) of this section, the 59108

period. 59114

(3) All inspection fees received by the director, all civil 59115
penalties assessed under section 3722.08 of the Revised Code, all 59116
fines imposed under section 3722.99 of the Revised Code, and all 59117
license application and renewal application fees received under 59118

division (F) of section 3722.02 of the Revised Code or under 59119
division (B) of this section shall be deposited into the general 59120
operations fund created in section 3701.83 of the Revised Code and 59121

section 3722.08 of the Revised Code for violations that occur 59132
before the date of transfer of ownership or during any period in 59133
which the seller or the seller's agent operates the facility; 59134

(b) Any outstanding liability to the state, unless the buyer 59135
or transferee has agreed, as a condition of the sale or transfer, 59136
to accept the outstanding liabilities and to guarantee their 59137
payment, except that if the buyer or transferee fails to meet 59138
these obligations the seller or transferor shall remain 59139
responsible for the outstanding liability. 59140

(G) The director shall annually publish a list of licensed 59141
adult care facilities, facilities ~~whose~~ for which licenses have 59142
been revoked ~~or not renewed~~, facilities for which license renewal 59143
has been refused, any facilities under an order suspending 59144
admissions pursuant to section 3722.07 of the Revised Code, and 59145

any person upon request. The director shall annually send a copy 59149

of the list to the department of job and family services, to the 59150
department of mental health, and to the department of aging. 59151

Sec. 3722.041. (A) Sections 3781.06 to 3781.18 and 3791.04 of 59152
the Revised Code do not apply to an adult family home for which 59153
application is made to the director of health for licensure as an 59154
adult care facility under this chapter. Adult family homes shall 59155
not be required to submit evidence to the director of health that 59156
the home has been inspected by a local certified building 59157
department or the division of ~~industrial compliance~~ labor in the 59158
department of commerce or by the state fire marshal or a fire 59159
prevention officer under section 3722.02 of the Revised Code, but 59160
shall be inspected by the director of health to determine 59161
compliance with this section. An inspection made under this 59162
section may be made at the same time as an inspection made under 59163
section 3722.04 of the Revised Code. 59164

(B) The director shall not license or renew the license of an 59165
adult family home unless it meets the fire protection standards 59166
established by rules adopted by the public health council pursuant 59167
to this chapter. 59168

Sec. 3722.05. ~~(A)(1)~~ If an adult care facility fails to 59169
comply with any requirement of this chapter or with any rule 59170
adopted pursuant to this chapter, the director of health may do 59171
any one or all of the following: 59172

~~(a)~~(A) In accordance with Chapter 119. of the Revised Code, 59173
deny, revoke, or refuse to renew the license of the facility; 59174

~~(b)~~(B) Give the facility an opportunity to correct the 59175
violation, in accordance with section 3722.06 of the Revised Code; 59176

~~(c)~~(C) Issue an order suspending the admission of residents 59177
to the facility, in accordance with section 3722.07 of the Revised 59178
Code; 59179

~~(d)~~(D) Impose a civil penalty in accordance with section 59180
3722.08 of the Revised Code; 59181

~~(e)~~(E) Petition the court of common pleas for injunctive 59182
relief in accordance with section 3722.09 of the Revised Code. 59183

~~(2) The director may refuse to renew the temporary license of 59184
any adult care facility for failure to make reasonable progress 59185
toward compliance with the requirements for licensure under 59186
section 3722.02 of the Revised Code and rules adopted by the 59187
public health council pursuant to this chapter. The director may 59188
revoke a temporary license upon a finding that the facility 59189
jeopardizes the health or safety of any of its residents. 59190
Proceedings initiated to deny, revoke, or refuse to renew a 59191
temporary license are not subject to Chapter 119. of the Revised 59192
Code. 59193~~

~~(3) The director may renew a temporary license for the 59194
duration of proceedings under Chapter 119. of the Revised Code 59195
regarding the denial of a permanent license if he determines that 59196
the continued operation of the facility will not jeopardize the 59197
health or safety of the residents. 59198~~

Sec. 3722.06. Except as otherwise provided in sections 59199
3722.07 to 3722.09 of the Revised Code and except in cases of 59200
violations that jeopardize the health and safety of any of the 59201
residents, if the director determines that a licensed adult care 59202
facility is in violation of this chapter or of rules adopted 59203
pursuant to this chapter, ~~he~~ the director shall give the facility 59204
an opportunity to correct the violation. The director shall notify 59205
the facility of the violation, ~~prescribe the steps necessary to~~ 59206
~~correct the condition,~~ and specify a reasonable time for making 59207
the corrections. Notice of the violation ~~and the prescribed~~ 59208
~~corrections~~ shall be in writing and shall include a citation to 59209
the statute or rule violated. The director shall state the action 59210

that ~~he~~ the director will take if the corrections are not made 59211
within the specified period of time. 59212

The facility shall submit to the director a plan of 59213
correction stating the actions that will be taken to correct the 59214
violation. The director shall conduct an inspection to determine 59215
whether the facility has corrected the violation in accordance 59216
with the plan of correction. 59217

If the director determines that the facility has failed to 59218
correct the violation in accordance with the plan of correction, 59219
the director may impose a penalty under section 3722.08 of the 59220
Revised Code. If the director ~~subsequently~~ determines that the 59221
license of the facility should be revoked or should not be renewed 59222
because the facility has failed to correct the violation within 59223
the time specified or because the violation jeopardizes the health 59224
or safety of any of the residents, the director shall revoke or 59225
refuse to renew the license in accordance with Chapter 119. of the 59226
Revised Code. 59227

Sec. 3722.08. (A) If the director of health determines that 59228
an adult care facility is in violation of this chapter or rules 59229
adopted under it, the director may impose a civil penalty on the 59230
owner of the facility, pursuant to rules adopted by the public 59231
health council under this chapter, ~~on the owner of the facility.~~ 59232
The director shall determine the classification and amount of the 59233
penalty by considering the following factors: 59234

(1) The gravity of the violation, the severity of the actual 59235
or potential harm, and the extent to which the provisions of this 59236
chapter or rules adopted under it were violated; 59237

(2) Actions taken by the owner or manager to correct the 59238
violation; 59239

(3) The number, if any, of previous violations by the adult 59240

care facility. 59241

(B) The director shall give written notice of the order 59242
imposing a civil penalty to the adult care facility by certified 59243
mail, return receipt requested, or shall provide for delivery of 59244
the notice in person. The notice shall specify the classification 59245
of the violation as determined by rules adopted by the public 59246
health council pursuant to this chapter, the amount of the penalty 59247
and the rate of interest, the action that is required to be taken 59248
to correct the violation, the time within which it is to be 59249
corrected as specified in division (C) of this section, and the 59250
procedures for the facility to follow to request a conference on 59251
the order imposing a civil penalty. If the facility requests a 59252
conference in a letter mailed or delivered not later than two 59253
working days after it has received the notice, the director shall 59254
hold a conference with representatives of the facility concerning 59255
the civil penalty. The conference shall be held not later than 59256
seven days after the director receives the request. The conference 59257
shall be conducted as prescribed in division (C) of section 59258
3722.07 of the Revised Code. If the director issues an order 59259
upholding the civil penalty, the facility may request an 59260
adjudication hearing pursuant to Chapter 119. of the Revised Code, 59261
but the order of the director shall be in effect during 59262
proceedings instituted pursuant to that chapter until a final 59263
adjudication is made. 59264

(C) The director shall order that the condition or practice 59265
constituting a class I violation be abated or eliminated within 59266
twenty-four hours or any longer period that the director considers 59267
reasonable. The notice for a class II or a class III violation 59268
shall specify a time within which the violation is required to be 59269
corrected. 59270

(D) If the facility does not request a conference or if, 59271
after a conference, it fails to take action to correct a violation 59272

in the time prescribed by the director, the director shall issue 59273
an order upholding the penalty, plus interest at the rate 59274
specified in section 1343.03 of the Revised Code for each day 59275
beyond the date set for payment of the penalty. The director may 59276
waive the interest payment for the period prior to the conference 59277
if the director concludes that the conference was necessitated by 59278
a legitimate dispute. 59279

(E) The director may cancel or reduce the penalty for a class 59280
I violation if the facility corrects the violation within the time 59281
specified in the notice ~~unless, except that the director shall~~ 59282
~~impose the penalty even though the facility has corrected the~~ 59283
~~violation if~~ a resident suffers physical harm because of the 59284
violation or ~~unless~~ the facility has been cited previously for the 59285
same violation, ~~in which case the director shall impose the~~ 59286
~~penalty even though the facility has corrected the violation.~~ The 59287
director ~~shall~~ may cancel the penalty for a class II or class III 59288
violation if the facility corrects the violation within the time 59289
specified in the notice ~~unless~~ and the facility has not been cited 59290
previously for the same violation. Each day of a violation of any 59291
class, after the date the director sets for abatement or 59292
elimination, constitutes a separate and additional violation. 59293

(F) If an adult care facility fails to pay a penalty imposed 59294
under this section, the director may commence a civil action to 59295
collect the penalty. The license of an adult care facility that 59296
has failed to pay a penalty imposed under this section shall not 59297
be renewed until the penalty has been paid. 59298

(G) If a penalty is imposed under this section, a fine shall 59299
not be imposed under section 3722.99 of the Revised Code for the 59300
same violation. 59301

~~(H) Notwithstanding any other division of this section, the~~ 59302
~~director shall not impose a penalty for a class I violation if all~~ 59303
~~of the following apply:~~ 59304

~~(1) A resident has not suffered physical harm because of the violation;~~ 59305
59306

~~(2) The violation has been corrected and is no longer occurring;~~ 59307
59308

~~(3) The violation is discovered by an inspector authorized to inspect an adult care facility pursuant to this chapter by an examination of the records of the facility.~~ 59309
59310
59311

the operation of an adult care facility jeopardizes the health or 59313
safety of any of the residents of the facility or if the director 59314
determines that an adult care facility is operating without a 59315
license, the director may petition the court of common pleas in 59316
the county in which the facility is located for appropriate 59317
injunctive relief against the facility. The If injunctive relief 59318
is granted against a facility for operating without a license and 59319

shall grant injunctive relief upon a showing that the operation of 59323
the facility jeopardizes the health or safety of any of the 59324

issue, at a minimum, an order enjoining the facility from 59328

establish the authorized maximum daily waste receipts for the 60042
facility. Limitations on maximum daily waste receipts shall be 60043
specified in cubic yards of volume for the purpose of regulating 60044
the design, construction, and operation of solid waste facilities. 60045

unless any individual affected by the application requests in 60154
writing that the information session and the hearing not be held 60155

requesting expeditious consideration of a specific application 60183
submitted under division (A)(2)(a) of this section for a permit to 60184

resolution shall make the finding that expedited consideration of 60186
the application without the public information session and public 60187
hearing under division (A)(2)(e) of this section is in the public 60188

plans shall include the requirements that the owner or operator 60270
submit a plan for closure and post-closure care of the facility to 60271
the director for approval within six months after issuance of the 60272
order, cease accepting solid wastes for disposal or transfer at 60273
the facility, and commence closure of the facility not later than 60274
one year after issuance of the order. If the director determines 60275
that closure of the facility within that one-year period would 60276
result in the unavailability of sufficient solid waste management 60277
facility capacity within the county or joint solid waste 60278
management district in which the facility is located to dispose of 60279
or transfer the solid waste generated within the district, the 60280
director in the order of denial or disapproval may postpone 60281
commencement of closure of the facility for such period of time as 60282
the director finds necessary for the board of county commissioners 60283
or directors of the district to secure access to or for there to 60284
be constructed within the district sufficient solid waste 60285
management facility capacity to meet the needs of the district, 60286
provided that the director shall certify in the director's order 60287
that postponing the date for commencement of closure will not 60288
endanger ground water or any property surrounding the facility, 60289
allow methane gas migration to occur, or cause or contribute to 60290
any other type of environmental damage. 60291

If an emergency need for disposal capacity that may affect 60292
public health and safety exists as a result of closure of a 60293
facility under division (A)(6) of this section, the director may 60294

issue an order designating another solid waste facility to accept 60295
the wastes that would have been disposed of at the facility to be 60296
closed. 60297

(7) If the director determines that standards more stringent 60298
than those applicable in rules adopted under division (A) of 60299
section 3734.02 of the Revised Code and division (D) of section 60300
3734.12 of the Revised Code, or standards pertaining to subjects 60301
not specifically addressed by those rules, are necessary to ensure 60302
that a solid waste facility constructed at the proposed location 60303
will not cause a nuisance, cause or contribute to water pollution, 60304
or endanger public health or safety, the director may issue a 60305
permit for the facility with such terms and conditions as the 60306
director finds necessary to protect public health and safety and 60307
the environment. If a permit is issued, the director shall state 60308
in the order issuing it the specific findings supporting each such 60309
term or condition. 60310

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 60311
not apply to a solid waste compost facility that accepts 60312
exclusively source separated yard wastes and that is registered 60313
under division (C) of section 3734.02 of the Revised Code or, 60314
unless otherwise provided in rules adopted under division (N)(3) 60315
of section 3734.02 of the Revised Code, to a solid waste compost 60316
facility if the director has adopted rules establishing an 60317
alternative system for authorizing the establishment, operation, 60318
or modification of a solid waste compost facility under that 60319
division. 60320

(9) Divisions (A)(1) to (7) of this section do not apply to 60321
scrap tire collection, storage, monocell, monofill, and recovery 60322
facilities. The approval of plans and specifications, as 60323
applicable, and the issuance of registration certificates, 60324
permits, and licenses for those facilities are subject to sections 60325
3734.75 to 3734.78 of the Revised Code, as applicable, and section 60326

3734.81 of the Revised Code. 60327

(10) Divisions (A)(3) and (4) of this section do not apply to 60328
a solid waste incinerator that was placed into operation on or 60329
before October 12, 1994, and that is not authorized to accept and 60330
treat infectious wastes pursuant to division (B) of this section. 60331

(B)(1) Each person who is engaged in the business of treating 60332
infectious wastes for profit at a treatment facility located off 60333
the premises where the wastes are generated that is in operation 60334
on August 10, 1988, and who proposes to continue operating the 60335
facility shall submit to the board of health of the health 60336
district in which the facility is located an application for a 60337
license to operate the facility. 60338

Thereafter, no person shall operate or maintain an infectious 60339
waste treatment facility without a license issued by the board of 60340
health of the health district in which the facility is located or 60341
by the director when the health district in which the facility is 60342
located is not on the approved list under section 3734.08 of the 60343
Revised Code. 60344

(2)(a) During the month of December, but before the first day 60345
of January of the next year, every person proposing to continue to 60346
operate an existing infectious waste treatment facility shall 60347
procure a license to operate the facility for that year from the 60348
board of health of the health district in which the facility is 60349
located or, if the health district is not on the approved list 60350
under section 3734.08 of the Revised Code, from the director. The 60351
application for such a license shall be submitted to the board of 60352
health or to the director, as appropriate, on or before the last 60353
day of September of the year preceding that for which the license 60354
is sought. In addition to the application fee prescribed in 60355
division (B)(2)(c) of this section, a person who submits an 60356
application after that date shall pay an additional ten per cent 60357
of the amount of the application fee for each week that the 60358

application is late. Late payment fees accompanying an application 60359
submitted to the board of health shall be credited to the special 60360
infectious waste fund of the health district created in division 60361
(C) of section 3734.06 of the Revised Code, and late payment fees 60362
accompanying an application submitted to the director shall be 60363
credited to the general revenue fund. A person who has received a 60364
license, upon sale or disposition of an infectious waste treatment 60365
facility and upon consent of the board of health and the director, 60366
may have the license transferred to another person. The board of 60367
health or the director may include such terms and conditions in a 60368
license or revision to a license as are appropriate to ensure 60369
compliance with the infectious waste provisions of this chapter 60370
and rules adopted under them. 60371

(b) Each person proposing to open a new infectious waste 60372
treatment facility or to modify an existing infectious waste 60373
treatment facility shall submit an application for a permit with 60374
accompanying detail plans and specifications to the environmental 60375
protection agency for required approval under the rules adopted by 60376
the director pursuant to section 3734.021 of the Revised Code two 60377
hundred seventy days before proposed operation of the facility and 60378
concurrently shall make application for a license with the board 60379
of health of the health district in which the facility is or is 60380
proposed to be located. Not later than ninety days after receiving 60381
a completed application under division (B)(2)(b) of this section 60382
for a permit to open a new infectious waste treatment facility or 60383
modify an existing infectious waste treatment facility to expand 60384
its treatment capacity, or receiving a completed application under 60385
division (A)(2)(a) of this section for a permit to open a new 60386
solid waste incineration facility, or modify an existing solid 60387
waste incineration facility to also treat infectious wastes or to 60388
increase its infectious waste treatment capacity, that pertains to 60389
a facility for which a notation authorizing infectious waste 60390
treatment is included or proposed to be included in the solid 60391

waste incineration facility's license pursuant to division (B)(3) 60392
of this section, the director shall hold a public hearing on the 60393
application within the county in which the new or modified 60394
infectious waste or solid waste facility is or is proposed to be 60395
located or within a contiguous county. Not less than thirty days 60396
before holding the public hearing on the application, the director 60397
shall publish notice of the hearing in each newspaper that has 60398
general circulation and that is published in the county in which 60399
the facility is or is proposed to be located. If there is no 60400
newspaper that has general circulation and that is published in 60401
the county, the director shall publish the notice in a newspaper 60402
of general circulation in the county. The notice shall contain the 60403
date, time, and location of the public hearing and a general 60404
description of the proposed new or modified facility. At the 60405
public hearing, any person may submit written or oral comments on 60406
or objections to the approval or disapproval of the application. 60407
The applicant, or a representative of the applicant who has 60408
knowledge of the location, construction, and operation of the 60409
facility, shall attend the public hearing to respond to comments 60410
or questions concerning the facility directed to the applicant or 60411
representative by the officer or employee of the environmental 60412
protection agency presiding at the hearing. 60413

(c) Each application for a permit under division (B)(2)(b) of 60414
this section shall be accompanied by a nonrefundable application 60415
fee of four hundred dollars that shall be credited to the general 60416
revenue fund. Each application for an annual license under 60417
division (B)(2)(a) of this section shall be accompanied by a 60418
nonrefundable application fee of one hundred dollars. If the 60419
application for an annual license is submitted to a board of 60420
health on the approved list under section 3734.08 of the Revised 60421
Code, the application fee shall be credited to the special 60422
infectious waste fund of the health district created in division 60423
(C) of section 3734.06 of the Revised Code. If the application for 60424

an annual license is submitted to the director, the application 60425
fee shall be credited to the general revenue fund. If a permit or 60426
license is issued, the amount of the application fee paid shall be 60427
deducted from the amount of the permit fee due under division (Q) 60428
of section 3745.11 of the Revised Code or the amount of the 60429
license fee due under division (C) of section 3734.06 of the 60430
Revised Code. 60431

(d) The owner or operator of any infectious waste treatment 60432
facility that commenced operation on or before July 1, 1968, shall 60433
submit to the director an application for a permit with 60434
accompanying engineering detail plans, specifications, and 60435
information regarding the facility and its method of operation for 60436
approval under rules adopted under section 3734.021 of the Revised 60437
Code in accordance with the following schedule: 60438

(i) Not later than December 24, 1988, if the facility is 60439
located in Delaware, Greene, Guernsey, Hamilton, Madison, 60440
Mahoning, Ottawa, or Vinton county; 60441

(ii) Not later than March 24, 1989, if the facility is 60442
located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, 60443
or Washington county, or is located in the city of Brooklyn, 60444
Cuyahoga Heights, or Parma in Cuyahoga county; 60445

(iii) Not later than June 24, 1989, if the facility is 60446
located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, 60447
Lucas, or Summit county or is located in Cuyahoga county outside 60448
the cities of Brooklyn, Cuyahoga Heights, and Parma; 60449

(iv) Not later than September 24, 1989, if the facility is 60450
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 60451
county; 60452

(v) Not later than December 24, 1989, if the facility is 60453
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 60454
of this section. 60455

The owner or operator of an infectious waste treatment facility required to submit a permit application under division (B)(2)(d) of this section is not required to pay any permit application fee under division (B)(2)(c) of this section, or permit fee under division (Q) of section 3745.11 of the Revised Code, with respect thereto unless the owner or operator also proposes to modify the facility.

(e) The director may issue an order in accordance with Chapter 3745. of the Revised Code to the owner or operator of an infectious waste treatment facility requiring the person to submit to the director updated engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under section 3734.021 of the Revised Code if, in the director's judgment, conditions at the facility constitute a substantial threat to public health or safety or are causing or contributing to or threatening to cause or contribute to air or water pollution or soil contamination. Any person who receives such an order shall submit the updated engineering detail plans, specifications, and information to the director within one hundred eighty days after the effective date of the order.

(f) The director shall act upon an application submitted under division (B)(2)(d) of this section and any updated engineering plans, specifications, and information submitted under division (B)(2)(e) of this section within one hundred eighty days after receiving them. If the director denies any such permit application or disapproves any such updated engineering plans, specifications, and information, the director shall include in the order denying the application or disapproving the plans the requirement that the owner or operator cease accepting infectious wastes for treatment at the facility.

(3) Division (B) of this section does not apply to an

infectious waste treatment facility that meets any of the 60488
following conditions: 60489

(a) Is owned or operated by the generator of the wastes and 60490
exclusively treats, by methods, techniques, and practices 60491
established by rules adopted under division (C)(1) or (3) of 60492
section 3734.021 of the Revised Code, wastes that are generated at 60493
any premises owned or operated by that generator regardless of 60494
whether the wastes are generated on the same premises where the 60495
generator's treatment facility is located or, if the generator is 60496
a hospital as defined in section 3727.01 of the Revised Code, 60497
infectious wastes that are described in division (A)(1)(g), (h), 60498
or (i) of section 3734.021 of the Revised Code; 60499

(b) Holds a license or renewal of a license to operate a 60500
crematory facility issued under Chapter 4717. and a permit issued 60501
under Chapter 3704. of the Revised Code; 60502

(c) Treats or disposes of dead animals or parts thereof, or 60503
the blood of animals, and is subject to any of the following: 60504

(i) Inspection under the "Federal Meat Inspection Act," 81 60505
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 60506

(ii) Chapter 918. of the Revised Code; 60507

(iii) Chapter 953. of the Revised Code. 60508

Nothing in division (B) of this section requires a facility 60509
that holds a license issued under division (A) of this section as 60510
a solid waste facility and that also treats infectious wastes by 60511
the same method, technique, or process to obtain a license under 60512
division (B) of this section as an infectious waste treatment 60513
facility. However, the solid waste facility license for the 60514
facility shall include the notation that the facility also treats 60515
infectious wastes. 60516

On and after the effective date of the amendments to the 60517

rules adopted under division (C)(2) of section 3734.021 of the Revised Code that are required by Section 6 of Substitute House Bill No. 98 of the 120th General Assembly, the director shall not issue a permit to open a new solid waste incineration facility unless the proposed facility complies with the requirements for the location of new infectious waste incineration facilities established in the required amendments to those rules.

(C) Except for a facility or activity described in division (E)(3) of section 3734.02 of the Revised Code, a person who proposes to establish or operate a hazardous waste facility shall submit a complete application for a hazardous waste facility installation and operation permit and accompanying detail plans, specifications, and such information as the director may require to the environmental protection agency at least one hundred eighty days before the proposed beginning of operation of the facility. The applicant shall notify by certified mail the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located of the submission of the application within ten days after the submission or at such earlier time as the director may establish by rule. If the application is for a proposed new hazardous waste disposal or thermal treatment facility, the applicant also shall give actual notice of the general design and purpose of the facility to the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located at least ninety days before the permit application is submitted to the environmental protection agency.

In accordance with rules adopted under section 3734.12 of the Revised Code, prior to the submission of a complete application for a hazardous waste facility installation and operation permit, the applicant shall hold at least one meeting in the township or municipal corporation in which the facility is proposed to be

located, whichever is geographically closer to the proposed 60550
location of the facility. The meeting shall be open to the public 60551
and shall be held to inform the community of the proposed 60552
hazardous waste management activities and to solicit questions 60553
from the community concerning the activities. 60554

(D)(1) Except as provided in section 3734.123 of the Revised 60555
Code, upon receipt of a complete application for a hazardous waste 60556
facility installation and operation permit under division (C) of 60557
this section, the director shall consider the application and 60558
accompanying information to determine whether the application 60559
complies with agency rules and the requirements of division (D)(2) 60560
of this section. After making a determination, the director shall 60561
issue either a draft permit or a notice of intent to deny the 60562
permit. The director, in accordance with rules adopted under 60563
section 3734.12 of the Revised Code or with rules adopted to 60564
implement Chapter 3745. of the Revised Code, shall provide public 60565
notice of the application and the draft permit or the notice of 60566
intent to deny the permit, provide an opportunity for public 60567
comments, and, if significant interest is shown, schedule a public 60568
meeting in the county in which the facility is proposed to be 60569
located and give public notice of the date, time, and location of 60570
the public meeting in a newspaper of general circulation in that 60571
county. 60572

(2) The director shall not approve an application for a 60573
hazardous waste facility installation and operation permit or an 60574
application for a modification under division (I)(3) of this 60575
section unless the director finds and determines as follows: 60576

(a) The nature and volume of the waste to be treated, stored, 60577
or disposed of at the facility; 60578

(b) That the facility complies with the director's hazardous 60579
waste standards adopted pursuant to section 3734.12 of the Revised 60580
Code; 60581

(c) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of various alternatives, and other pertinent considerations;

(d) That the facility represents the minimum risk of all of the following:

(i) Fires or explosions from treatment, storage, or disposal methods;

(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility;

(iii) Adverse impact on the public health and safety.

(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them;

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from which the person may influence the installation and operation of the facility has been involved in any prior activity involving transportation, treatment, storage, or disposal of hazardous waste, that person has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of other states if any such prior operation was located in another state that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under the applicable provisions of this chapter and Chapters 3704. and 6111. of the Revised Code, the applicable rules and standards adopted under them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential

for harm to the public health and safety and the environment that 60613
could result from the irresponsible operation of the facility. For 60614
off-site facilities, as defined in section 3734.41 of the Revised 60615
Code, the director may use the investigative reports of the 60616
attorney general prepared pursuant to section 3734.42 of the 60617
Revised Code as a basis for making a finding and determination 60618
under division (D)(2)(f) of this section. 60619

(g) That the active areas within a new hazardous waste 60620
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 60621
(e), as amended, or organic waste that is toxic and is listed 60622
under 40 C.F.R. 261, as amended, is being stored, treated, or 60623
disposed of and where the aggregate of the storage design capacity 60624
and the disposal design capacity of all hazardous waste in those 60625
areas is greater than two hundred fifty thousand gallons, are not 60626
located or operated within any of the following: 60627

(i) Two thousand feet of any residence, school, hospital, 60628
jail, or prison; 60629

(ii) Any naturally occurring wetland; 60630

(iii) Any flood hazard area if the applicant cannot show that 60631
the facility will be designed, constructed, operated, and 60632
maintained to prevent washout by a one-hundred-year flood. 60633

Division (D)(2)(g) of this section does not apply to the 60634
facility of any applicant who demonstrates to the director that 60635
the limitations specified in that division are not necessary 60636
because of the nature or volume of the waste and the manner of 60637
management applied, the facility will impose no substantial danger 60638
to the health and safety of persons occupying the structures 60639
listed in division (D)(2)(g)(i) of this section, and the facility 60640
is to be located or operated in an area where the proposed 60641
hazardous waste activities will not be incompatible with existing 60642
land uses in the area. 60643

(h) That the facility will not be located within the 60644
boundaries of a state park established or dedicated under Chapter 60645
1541. of the Revised Code, a state park purchase area established 60646
under section 1541.02 of the Revised Code, any unit of the 60647
national park system, or any property that lies within the 60648
boundaries of a national park or recreation area, but that has not 60649
been acquired or is not administered by the secretary of the 60650
United States department of the interior, located in this state, 60651
or any candidate area located in this state identified for 60652
potential inclusion in the national park system in the edition of 60653
the "national park system plan" submitted under paragraph (b) of 60654
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 60655
U.S.C.A. 1a-5, as amended, current at the time of filing of the 60656
application for the permit, unless the facility will be used 60657
exclusively for the storage of hazardous waste generated within 60658
the park or recreation area in conjunction with the operation of 60659
the park or recreation area. Division (D)(2)(h) of this section 60660
does not apply to the facility of any applicant for modification 60661
of a permit unless the modification application proposes to 60662
increase the land area included in the facility or to increase the 60663
quantity of hazardous waste that will be treated, stored, or 60664
disposed of at the facility. 60665

(3) Not later than one hundred eighty days after the end of 60666
the public comment period, the director, without prior hearing, 60667
shall issue or deny the permit in accordance with Chapter 3745. of 60668
the Revised Code. If the director approves an application for a 60669
hazardous waste facility installation and operation permit, the 60670
director shall issue the permit, upon such terms and conditions as 60671
the director finds are necessary to ensure the construction and 60672
operation of the hazardous waste facility in accordance with the 60673
standards of this section. 60674

(E)÷ No political subdivision of this state shall require any 60675

additional zoning or other approval, consent, permit, certificate, 60676
or condition for the construction or operation of a hazardous 60677
waste facility authorized by a hazardous waste facility 60678
installation and operation permit issued pursuant to this chapter, 60679
nor shall any political subdivision adopt or enforce any law, 60680
ordinance, or rule that in any way alters, impairs, or limits the 60681
authority granted in the permit. 60682

(F) The director may issue a single hazardous waste facility 60683
installation and operation permit to a person who operates two or 60684
more adjoining facilities where hazardous waste is stored, 60685
treated, or disposed of if the application includes detail plans, 60686
specifications, and information on all facilities. For the 60687
purposes of this section, "adjoining" means sharing a common 60688
boundary, separated only by a public road, or in such proximity 60689
that the director determines that the issuance of a single permit 60690
will not create a hazard to the public health or safety or the 60691
environment. 60692

(G) No person shall falsify or fail to keep or submit any 60693
plans, specifications, data, reports, records, manifests, or other 60694
information required to be kept or submitted to the director by 60695
this chapter or the rules adopted under it. 60696

(H)(1) Each person who holds an installation and operation 60697
permit issued under this section and who wishes to obtain a permit 60698
renewal shall submit a completed application for an installation 60699
and operation permit renewal and any necessary accompanying 60700
general plans, detail plans, specifications, and such information 60701
as the director may require to the director no later than one 60702
hundred eighty days prior to the expiration date of the existing 60703
permit or upon a later date prior to the expiration of the 60704
existing permit if the permittee can demonstrate good cause for 60705
the late submittal. The director shall consider the application 60706
and accompanying information, inspection reports of the facility, 60707

results of performance tests, a report regarding the facility's 60708
compliance or noncompliance with the terms and conditions of its 60709
permit and rules adopted by the director under this chapter, and 60710
such other information as is relevant to the operation of the 60711
facility and shall issue a draft renewal permit or a notice of 60712
intent to deny the renewal permit. The director, in accordance 60713
with rules adopted under this section or with rules adopted to 60714
implement Chapter 3745. of the Revised Code, shall give public 60715
notice of the application and draft renewal permit or notice of 60716
intent to deny the renewal permit, provide for the opportunity for 60717
public comments within a specified time period, schedule a public 60718
meeting in the county in which the facility is located if 60719
significant interest is shown, and give public notice of the 60720
public meeting. 60721

(2) Within sixty days after the public meeting or close of 60722
the public comment period, the director, without prior hearing, 60723
shall issue or deny the renewal permit in accordance with Chapter 60724
3745. of the Revised Code. The director shall not issue a renewal 60725
permit unless the director determines that the facility under the 60726
existing permit has a history of compliance with this chapter, 60727
rules adopted under it, the existing permit, or orders entered to 60728
enforce such requirements that demonstrates sufficient 60729
reliability, expertise, and competency to operate the facility 60730
henceforth under this chapter, rules adopted under it, and the 60731
renewal permit. If the director approves an application for a 60732
renewal permit, the director shall issue the permit subject to the 60733
payment of the annual permit fee required under division (E) of 60734
section 3734.02 of the Revised Code and upon such terms and 60735
conditions as the director finds are reasonable to ensure that 60736
continued operation, maintenance, closure, and post-closure care 60737
of the hazardous waste facility are in accordance with the rules 60738
adopted under section 3734.12 of the Revised Code. 60739

(3) An installation and operation permit renewal application submitted to the director that also contains or would constitute an application for a modification shall be acted upon by the director in accordance with division (I) of this section in the same manner as an application for a modification. In approving or disapproving the renewal portion of a permit renewal application containing an application for a modification, the director shall apply the criteria established under division (H)(2) of this section.

(4) An application for renewal or modification of a permit that does not contain an application for a modification as described in divisions (I)(3)(a) to (d) of this section shall not be subject to division (D)(2) of this section.

(I)(1) As used in this section, "modification" means a change or alteration to a hazardous waste facility or its operations that is inconsistent with or not authorized by its existing permit or authorization to operate. Modifications shall be classified as Class 1, 2, or 3 modifications in accordance with rules adopted under division (K) of this section. Modifications classified as Class 3 modifications, in accordance with rules adopted under that division, shall be further classified by the director as either Class 3 modifications that are to be approved or disapproved by the director under divisions (I)(3)(a) to (d) of this section or as Class 3 modifications that are to be approved or disapproved by the director under division (I)(5) of this section. Not later than thirty days after receiving a request for a modification under division (I)(4) of this section that is not listed in Appendix I to 40 C.F.R. 270.42 or in rules adopted under division (K) of this section, the director shall classify the modification and shall notify the owner or operator of the facility requesting the modification of the classification. Notwithstanding any other law to the contrary, any modification that involves the transfer of a

hazardous waste facility installation and operation permit to a 60772
new owner or operator for an off-site facility as defined in 60773
section 3734.41 of the Revised Code shall be classified as a Class 60774
3 modification. The transfer of a hazardous waste facility 60775
installation and operation permit to a new owner or operator for a 60776
facility that is not an off-site facility shall be classified as a 60777
Class 1 modification requiring prior approval of the director. 60778

(2) Except as provided in section 3734.123 of the Revised 60779
Code, a hazardous waste facility installation and operation permit 60780
may be modified at the request of the director or upon the written 60781
request of the permittee only if any of the following applies: 60782

(a) The permittee desires to accomplish alterations, 60783
additions, or deletions to the permitted facility or to undertake 60784
alterations, additions, deletions, or activities that are 60785
inconsistent with or not authorized by the existing permit; 60786

(b) New information or data justify permit conditions in 60787
addition to or different from those in the existing permit; 60788

(c) The standards, criteria, or rules upon which the existing 60789
permit is based have been changed by new, amended, or rescinded 60790
standards, criteria, or rules, or by judicial decision after the 60791
existing permit was issued, and the change justifies permit 60792
conditions in addition to or different from those in the existing 60793
permit; 60794

(d) The permittee proposes to transfer the permit to another 60795
person. 60796

(3) The director shall approve or disapprove an application 60797
for a modification in accordance with division (D)(2) of this 60798
section and rules adopted under division (K) of this section for 60799
all of the following categories of Class 3 modifications: 60800

(a) Authority to conduct treatment, storage, or disposal at a 60801
site, location, or tract of land that has not been authorized for 60802

the proposed category of treatment, storage, or disposal activity 60803
by the facility's permit; 60804

(b) Modification or addition of a hazardous waste management 60805
unit, as defined in rules adopted under section 3734.12 of the 60806
Revised Code, that results in an increase in a facility's storage 60807
capacity of more than twenty-five per cent over the capacity 60808
authorized by the facility's permit, an increase in a facility's 60809
treatment rate of more than twenty-five per cent over the rate so 60810
authorized, or an increase in a facility's disposal capacity over 60811
the capacity so authorized. The authorized disposal capacity for a 60812
facility shall be calculated from the approved design plans for 60813
the disposal units at that facility. In no case during a five-year 60814
period shall a facility's storage capacity or treatment rate be 60815
modified to increase by more than twenty-five per cent in the 60816
aggregate without the director's approval in accordance with 60817
division (D)(2) of this section. Notwithstanding any provision of 60818
division (I) of this section to the contrary, a request for 60819
modification of a facility's annual total waste receipt limit 60820
shall be classified and approved or disapproved by the director 60821
under division (I)(5) of this section. 60822

(c) Authority to add any of the following categories of 60823
regulated activities not previously authorized at a facility by 60824
the facility's permit: storage at a facility not previously 60825
authorized to store hazardous waste, treatment at a facility not 60826
previously authorized to treat hazardous waste, or disposal at a 60827
facility not previously authorized to dispose of hazardous waste; 60828
or authority to add a category of hazardous waste management unit 60829
not previously authorized at the facility by the facility's 60830
permit. Notwithstanding any provision of division (I) of this 60831
section to the contrary, a request for authority to add or to 60832
modify an activity or a hazardous waste management unit for the 60833
purposes of performing a corrective action shall be classified and 60834

approved or disapproved by the director under division (I)(5) of 60835
this section. 60836

(d) Authority to treat, store, or dispose of waste types 60837
listed or characterized as reactive or explosive, in rules adopted 60838
under section 3734.12 of the Revised Code, or any acute hazardous 60839
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 60840
previously authorized to treat, store, or dispose of those types 60841
of wastes by the facility's permit unless the requested authority 60842
is limited to wastes that no longer exhibit characteristics 60843
meeting the criteria for listing or characterization as reactive 60844
or explosive wastes, or for listing as acute hazardous waste, but 60845
still are required to carry those waste codes as established in 60846
rules adopted under section 3734.12 of the Revised Code because of 60847
the requirements established in 40 C.F.R. 261(a) and (e), as 60848
amended, that is, the "mixture," "derived-from," or "contained-in" 60849
regulations. 60850

(4) A written request for a modification from the permittee 60851
shall be submitted to the director and shall contain such 60852
information as is necessary to support the request. Requests for 60853
modifications shall be acted upon by the director in accordance 60854
with this section and rules adopted under it. 60855

(5) Class 1 modification applications that require prior 60856
approval of the director, as provided in division (I)(1) of this 60857
section or as determined in accordance with rules adopted under 60858
division (K) of this section, Class 2 modification applications, 60859
and Class 3 modification applications that are not described in 60860
divisions (I)(3)(a) to (d) of this section shall be approved or 60861
disapproved by the director in accordance with rules adopted under 60862
division (K) of this section. The board of county commissioners of 60863
the county, the board of township trustees of the township, and 60864
the city manager or mayor of the municipal corporation in which a 60865
hazardous waste facility is located shall receive notification of 60866

any application for a modification for that facility and shall be considered as interested persons with respect to the director's consideration of the application.

~~For those modification applications for a transfer of a permit to a new owner or operator of a facility, the director also shall determine that, if the transferee owner or operator has been involved in any prior activity involving the transportation, treatment, storage, or disposal of hazardous waste, the transferee owner or operator has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of another state if the transferee owner or operator owns or operates a facility in that state, that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under this chapter and Chapters 3704. and 6111. of the Revised Code, all rules and standards adopted under them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential for harm to the public health and safety and the environment that could result from the irresponsible operation of the facility. A permit may be transferred to a new owner or operator only pursuant to a Class 3 permit modification.~~

~~As used in division (I)(5) of this section:~~

~~(a) "Owner" means the person who owns a majority or controlling interest in a facility.~~

~~(b) "Operator" means the person who is responsible for the overall operation of a facility.~~

The director shall approve or disapprove an application for a Class 1 modification that requires the director's approval within

sixty days after receiving the request for modification. The 60898
director shall approve or disapprove an application for a Class 2 60899
modification within three hundred days after receiving the request 60900
for modification. The director shall approve or disapprove an 60901
application for a Class 3 modification within three hundred 60902
sixty-five days after receiving the request for modification. 60903

(6) The approval or disapproval by the director of a Class 1 60904
modification application is not a final action that is appealable 60905
under Chapter 3745. of the Revised Code. The approval or 60906
disapproval by the director of a Class 2 modification or a Class 3 60907
modification is a final action that is appealable under that 60908
chapter. In approving or disapproving a request for a 60909
modification, the director shall consider all comments pertaining 60910
to the request that are received during the public comment period 60911
and the public meetings. The administrative record for appeal of a 60912
final action by the director in approving or disapproving a 60913
request for a modification shall include all comments received 60914
during the public comment period relating to the request for 60915
modification, written materials submitted at the public meetings 60916
relating to the request, and any other documents related to the 60917
director's action. 60918

(7) Notwithstanding any other provision of law to the 60919
contrary, a change or alteration to a hazardous waste facility 60920
described in division (E)(3)(a) or (b) of section 3734.02 of the 60921
Revised Code, or its operations, is a modification for the 60922
purposes of this section. An application for a modification at 60923
such a facility shall be submitted, classified, and approved or 60924
disapproved in accordance with divisions (I)(1) to (6) of this 60925
section in the same manner as a modification to a hazardous waste 60926
facility installation and operation permit. 60927

(J)(1) Except as provided in division (J)(2) of this section, 60928
an owner or operator of a hazardous waste facility that is 60929

operating in accordance with a permit by rule under rules adopted 60930
by the director under division (E)(3)(b) of section 3734.02 of the 60931
Revised Code shall submit either a hazardous waste facility 60932
installation and operation permit application for the facility or 60933
a modification application, whichever is required under division 60934
(J)(1)(a) or (b) of this section, within one hundred eighty days 60935
after the director has requested the application or upon a later 60936
date if the owner or operator demonstrates to the director good 60937
cause for the late submittal. 60938

(a) If the owner or operator does not have a hazardous waste 60939
facility installation and operation permit for any hazardous waste 60940
treatment, storage, or disposal activities at the facility, the 60941
owner or operator shall submit an application for such a permit to 60942
the director for the activities authorized by the permit by rule. 60943
Notwithstanding any other provision of law to the contrary, the 60944
director shall approve or disapprove the application for the 60945
permit in accordance with the procedures governing the approval or 60946
disapproval of permit renewals under division (H) of this section. 60947

(b) If the owner or operator has a hazardous waste facility 60948
installation and operation permit for hazardous waste treatment, 60949
storage, or disposal activities at the facility other than those 60950
authorized by the permit by rule, the owner or operator shall 60951
submit to the director a request for modification in accordance 60952
with division (I) of this section. Notwithstanding any other 60953
provision of law to the contrary, the director shall approve or 60954
disapprove the modification application in accordance with 60955
division (I)(5) of this section. 60956

(2) The owner or operator of a boiler or industrial furnace 60957
that is conducting thermal treatment activities in accordance with 60958
a permit by rule under rules adopted by the director under 60959
division (E)(3)(b) of section 3734.02 of the Revised Code shall 60960
submit a hazardous waste facility installation and operation 60961

permit application if the owner or operator does not have such a 60962
permit for any hazardous waste treatment, storage, or disposal 60963
activities at the facility or, if the owner or operator has such a 60964
permit for hazardous waste treatment, storage, or disposal 60965
activities at the facility other than thermal treatment activities 60966
authorized by the permit by rule, a modification application to 60967
add those activities authorized by the permit by rule, whichever 60968
is applicable, within one hundred eighty days after the director 60969
has requested the submission of the application or upon a later 60970
date if the owner or operator demonstrates to the director good 60971
cause for the late submittal. The application shall be accompanied 60972
by information necessary to support the request. The director 60973
shall approve or disapprove an application for a hazardous waste 60974
facility installation and operation permit in accordance with 60975
division (D) of this section and approve or disapprove an 60976
application for a modification in accordance with division (I)(3) 60977
of this section, except that the director shall not disapprove an 60978
application for the thermal treatment activities on the basis of 60979
the criteria set forth in division (D)(2)(g) or (h) of this 60980
section. 60981

(3) As used in division (J) of this section: 60982

(a) "Modification application" means a request for a 60983
modification submitted in accordance with division (I) of this 60984
section. 60985

(b) "Thermal treatment," "boiler," and "industrial furnace" 60986
have the same meanings as in rules adopted under section 3734.12 60987
of the Revised Code. 60988

(K) The director shall adopt, and may amend, suspend, or 60989
rescind, rules in accordance with Chapter 119. of the Revised Code 60990
in order to implement divisions (H) and (I) of this section. 60991
Except when in actual conflict with this section, rules governing 60992
the classification of and procedures for the modification of 60993

hazardous waste facility installation and operation permits shall 60994
be substantively and procedurally identical to the regulations 60995
governing hazardous waste facility permitting and permit 60996
modifications adopted under the "Resource Conservation and 60997
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 60998

Sec. 3734.53. (A) The solid waste management plan of any 61081
county or joint solid waste management district shall be prepared 61082
in a format prescribed by the director of environmental protection 61083
and shall provide for compliance with the objectives of the state 61084
solid waste management plan and rules adopted under section 61085
3734.50 of the Revised Code. The plan shall provide for, 61086
demonstrate, and certify the availability of and access to 61087
sufficient solid waste management facility capacity to meet the 61088

solid waste management needs of the district for the ten-year 61089
period covered by the plan. The solid waste management policy 61090
committee of a county or joint district created in section 3734.54 61091
of the Revised Code may prepare and submit a solid waste 61092
management plan that covers and makes the required demonstration 61093
for a longer period of time. 61094

The solid waste management plan shall contain all of the 61095
following: 61096

(1) An inventory of the sources, composition, and quantities 61097
of solid wastes generated in the district during the current year; 61098

(2) An inventory of all existing facilities where solid 61099
wastes are being disposed of, all resource recovery facilities, 61100
and all recycling activities within the district. The inventory 61101
shall identify each such facility or activity and, for each 61102
disposal facility, shall estimate the remaining disposal capacity 61103
available at the facility. The inventory shall be accompanied by a 61104
map that shows the location of each such existing facility or 61105
activity. 61106

(3) An inventory of existing solid waste collection systems 61107
and routes, transportation systems and routes, and transfer 61108
facilities within the district. The inventory shall identify the 61109
entities engaging in solid waste collection within the district. 61110

(4) An inventory of open dumping sites for solid wastes, 61111
including solid wastes consisting of scrap tires, and facilities 61112
for the disposal of fly ash and bottom ash, foundry sand, and slag 61113
within the district. The inventory shall identify each such site 61114
or facility and shall be accompanied by a map that shows the 61115
location of each of them. 61116

(5) A projection of population changes within the district 61117
during the next ten years; 61118

(6) For each year of the forecast period, projections of the 61119

amounts and composition of solid wastes that will be generated 61120
within the district, the amounts of solid wastes originating 61121
outside the district that will be brought into the district for 61122
disposal or resource recovery, the nature of industrial activities 61123
within the district, and the effect of newly regulated waste 61124
streams, solid waste minimization activities, and solid waste 61125
recycling and reuse activities on solid waste generation rates. 61126
For each year of the forecast period, projections of waste 61127
quantities shall be compiled as an aggregate quantity of wastes. 61128

(7) An identification of the additional solid waste 61129
management facilities and the amount of additional capacity needed 61130

(8) A strategy for identification of sites for the additional 61133
solid waste management facilities and capacity identified under 61134
division (A)(7) of this section; 61135

costs of the solid waste disposal facilities, solid waste resource 61137
recovery facilities, and solid waste recycling and reuse 61138
activities necessary to meet the solid waste management needs of 61139
the district, projected in five- and ten-year increments; 61140

(10) An analysis of expenses for which the district is liable 61141
under section 3734.35 of the Revised Code; 61142

plan; 61149

(13) A schedule for implementation of the plan that, when 61150

applicable, contains all of the following: 61151

(a) An identification of the solid waste disposal, transfer, 61152
and resource recovery facilities and recycling activities 61153
contained in the plan where solid wastes generated within or 61154
transported into the district will be taken for disposal, 61155

under section 505.28 of the Revised Code for which debt issued 61163
under Chapter 133., 343., or 6123. of the Revised Code is 61164

into the district shall be taken for disposal, transfer, resource 61166
recovery, or recycling. 61167

(b) A schedule for closure of existing solid waste 61168
facilities, expansion of existing facilities, and establishment of 61169

limitation, the approximate dates for filing applications for 61172
appropriate permits to install or modify those facilities under 61173
section 3734.05 of the Revised Code. 61174

(B) In addition to the information, projections, demonstrations, and certification required by division (A) of this section, a plan shall do all of the following:

(1) Establish the schedule of fees, if any, to be levied under divisions (B)(1) to (3) of section 3734.57 of the Revised Code;

(2) Establish the fee, if any, to be levied under division (A) of section 3734.573 of the Revised Code;

(3) Contain provisions governing the allocation among the purposes enumerated in divisions (G)(1) to (10) of section 3734.57 of the Revised Code of the moneys credited to the special fund of the district under division (G) of that section that are available for expenditure by the district under that division. The plan shall do all of the following:

(a) Ensure that sufficient of the moneys so credited to and available from the special fund are available for use by the solid waste management policy committee of the district at the time the moneys are needed to monitor implementation of the plan and conduct its periodic review and amendment as required under section 3734.56 of the Revised Code;

(b) Contain provisions governing the allocation and distribution of moneys credited to and available from the special fund of the district to health districts within the county or

joint district that have approved programs under section 3734.08 61214
of the Revised Code for the purposes of division (G)(3) of section 61215
3734.57 of the Revised Code; 61216

(c) Contain provisions governing the allocation and 61217

Code; 61222

Code. 61229

(4) Incorporate all solid waste recycling activities that 61230
were in operation within the district on the effective date of the 61231
plan. 61232

(C) The solid waste management plan of a county or joint 61233
district may provide for the adoption of rules under division (G) 61234
of section 343.01 of the Revised Code after approval of the plan 61235
under section 3734.521 or 3734.55 of the Revised Code doing any or 61236
all of the following: 61237

(1) Prohibiting or limiting the receipt at facilities ~~covered~~ 61238
by the plan located within the solid waste management district of 61239
solid wastes generated outside the district or outside a 61240
prescribed service area consistent with the projections under 61241
divisions (A)(6) and (7) of this section, ~~except that.~~ However, 61242
rules adopted by a board under division (C)(1) of this section may 61243
be adopted and enforced with respect to facilities in the solid 61244

waste management district that are not owned by a county or the 61245
solid waste management district only if the board submits an 61246
application to the director of environmental protection that 61247
demonstrates that there is insufficient capacity to dispose of all 61248
solid wastes that are generated within the district at the 61249
facilities located within the district and the director approves 61250
the application. The demonstration in the application shall be 61251
based on projections contained in the plan or amended plan of the 61252
district. The director shall establish the form of the 61253
application. The approval or disapproval of such an application by 61254
the director is an action that is appealable under section 3745.04 61255
of the Revised Code. 61256

In addition, the director of environmental protection may 61257
issue an order modifying a rule authorized to be adopted under 61258
division (C)(1) of this section to allow the disposal in the 61259
district of wastes from another county or joint solid waste 61260
management district if all of the following apply: 61261

(a) The district in which the wastes were generated does not 61262
have sufficient capacity to dispose of solid wastes generated 61263
within it for six months following the date of the director's 61264
order; 61265

(b) No new solid waste facilities will begin operation during 61266
those six months in the district in which the wastes were 61267
generated and, despite good faith efforts to do so, it is 61268
impossible to site new solid waste facilities within the district 61269
because of its high population density; 61270

(c) The district in which the wastes were generated has made 61271
good faith efforts to negotiate with other districts to 61272
incorporate its disposal needs within those districts' solid waste 61273
management plans, including efforts to develop joint facilities 61274
authorized under section 343.02 of the Revised Code, and the 61275
efforts have been unsuccessful; 61276

(d) The district in which the wastes were generated has 61277
located a facility willing to accept the district's solid wastes 61278
for disposal within the receiving district; 61279

(e) The district in which the wastes were generated has 61280
demonstrated to the director that the conditions specified in 61281
divisions (C)(1)(a) to (d) of this section have been met; 61282

(f) The director finds that the issuance of the order will be 61283
consistent with the state solid waste management plan and that 61284
receipt of the out-of-district wastes will not limit the capacity 61285
of the receiving district to dispose of its in-district wastes to 61286
less than eight years. Any order issued under division (C)(1) of 61287
this section shall not become final until thirty days after it has 61288
been served by certified mail upon the county or joint solid waste 61289
management district that will receive the out-of-district wastes. 61290

(2) Governing the maintenance, protection, and use of solid 61291
waste collection, storage, disposal, transfer, recycling, 61292
processing, and resource recovery facilities within the district 61293
and requiring the submission of general plans and specifications 61294
for the construction, enlargement, or modification of any such 61295
facility to the board of county commissioners or board of 61296
directors of the district for review and approval as complying 61297
with the plan or amended plan of the district; 61298

(3) Governing development and implementation of a program for 61299
the inspection of solid wastes generated outside the boundaries of 61300
the state that are being disposed of at solid waste facilities 61301
included in the district's plan; 61302

(4) Exempting the owner or operator of any existing or 61303
proposed solid waste facility provided for in the plan from 61304
compliance with any amendment to a township zoning resolution 61305
adopted under section 519.12 of the Revised Code or to a county 61306
rural zoning resolution adopted under section 303.12 of the 61307

Revised Code that rezoned or redistricted the parcel or parcels 61308
upon which the facility is to be constructed or modified and that 61309
became effective within two years prior to the filing of an 61310
application for a permit required under division (A)(2)(a) of 61311
section 3734.05 of the Revised Code to open a new or modify an 61312
existing solid waste facility. 61313

(D) Except for the inventories required by divisions (A)(1), 61314
(2), and (4) of this section and the projections required by 61315
division (A)(6) of this section, neither this section nor the 61316
solid waste management plan of a county or joint district applies 61317
to the construction, operation, use, repair, or maintenance of 61318
either of the following: 61319

(1) A solid waste facility owned by a generator of solid 61320
wastes when the solid waste facility exclusively disposes of solid 61321
wastes generated at one or more premises owned by the generator 61322
regardless of whether the facility is located on a premises where 61323
the wastes are generated; 61324

(2) A facility that exclusively disposes of wastes that are 61325
generated from the combustion of coal, or from the combustion of 61326
primarily coal in combination with scrap tires, that is not 61327
combined in any way with garbage at one or more premises owned by 61328
the generator. 61329

(E)(1) The initial solid waste management plans prepared by 61330
county or joint districts under section 3734.521 of the Revised 61331
Code and the amended plans prepared under section 3734.521 or 61332
3734.56 of the Revised Code shall contain a clear statement as to 61333
whether the board of county commissioners or directors is 61334
authorized to or precluded from establishing facility designations 61335
under section 343.014 of the Revised Code. 61336

(2) A policy committee that is preparing a draft or revised 61337
draft plan under section 3734.55 of the Revised Code on October 61338

29, 1993, may include in the draft or revised draft plan only one 61339
of the following pertaining to the solid waste facilities or 61340
recycling activities where solid wastes generated within or 61341
transported into the district are to be taken for disposal, 61342
transfer, resource recovery, or recycling: 61343

(a) The designations required under former division 61344
(A)(12)(a) of this section as it existed prior to October 29, 61345
1993; 61346

waste disposal, transfer, or resource recovery facilities or 61354
recycling activities that are owned by a municipal corporation, 61355
county, county or joint solid waste management district, township, 61356
or township waste disposal district created under section 505.28 61357
of the Revised Code for which debt issued under Chapter 133., 61358
343., or 6123. of the Revised Code is outstanding; 61359

(ii) The identifications required under division (A)(12)(a) 61360
of this section, and the statement required under division (E)(1) 61361

61374
61375
61376
61377
61378
61379
61380
61381
61382
61383

(G) Notwithstanding section 3734.01 of the Revised Code, and except as provided in division (A)(4) of this section, "solid wastes" need not include scrap tires and "facility" need not include any scrap tire collection, storage, monocell, monofill, or recovery facility in either of the following circumstances: 61384
61385
61386
61387
61388

(1) For the purposes of an initial plan prepared under sections 3734.54 and 3734.55 of the Revised Code unless the solid waste management policy committee preparing the initial plan chooses to include the management of scrap tires and scrap tire facilities in the plan; 61389
61390
61391
61392
61393

(2) For the purposes of a preliminary demonstration of capacity as defined in section 3734.521 of the Revised Code, if any, and an initial or amended plan prepared under that section by the solid waste management policy committee of a solid waste management district resulting from proceedings for a change in district composition under sections 343.012 and 3734.521 of the Revised Code that involves an existing district that is operating either under an initial plan approved or prepared and ordered to 61394

an initial or amended plan approved or prepared and ordered to be 61403
implemented under section 3734.521 of the Revised Code that does 61404
not provide for the management of scrap tires and scrap tire 61405
facilities unless the solid waste management policy committee of 61406
the district resulting from the change chooses to include the 61407
management of scrap tires and scrap tire facilities in the 61408
preliminary demonstration of capacity, if any, and the initial or 61409
amended plan prepared under section 3734.521 of the Revised Code 61410
in connection with the change proceedings. 61411

If a policy committee chooses to include the management of 61412
scrap tires and scrap tire facilities in an initial plan pursuant 61413
to division (G)(1) of this section, the initial plan shall 61414
incorporate all of the elements required under this section, and 61415
may incorporate any of the elements authorized under this section, 61416
for the purpose of managing solid wastes that consist of scrap 61417
tires and solid waste facilities that are scrap tire collection, 61418
storage, monocell, monofill, or recovery facilities. If a policy 61419
committee chooses to provide for the management of scrap tires and 61420
scrap tire facilities pursuant to division (G)(2) of this section, 61421
the preliminary demonstration of capacity, if one is required, 61422
shall incorporate all of the elements required under division 61423
(E)(1) or (2) of section 3734.521 of the Revised Code, as 61424
appropriate, for the purpose of managing solid wastes that consist 61425
of scrap tires and solid waste facilities that are scrap tire 61426

managing solid wastes that consist of scrap tires and solid waste 61431
facilities that are scrap tire collection, storage, monocell, 61432
monofill, or recovery facilities. 61433

(H) Neither this section nor the solid waste management plan 61434

that exclusively composts raw rendering material. 61437

Sec. 3734.57. (A) The following fees are hereby levied on the 61438
transfer or disposal of solid wastes in this state: 61439

waste facility management fund created in section 3734.18 of the 61443
Revised Code and one-half of the proceeds of which shall be 61444
deposited in the state treasury to the credit of the hazardous 61445
waste clean-up fund created in section 3734.28 of the Revised 61446
Code; 61447

(2) An additional one dollar per ton on and after July 1, 61448
2003, through June 30, ~~2010~~ 2012, the proceeds of which shall be 61449

fund, which is hereby created. The environmental protection agency 61451
shall use money in the solid waste fund to pay the costs of 61452
administering and enforcing the laws pertaining to solid wastes, 61453
infectious wastes, and construction and demolition debris, 61454
including, without limitation, ground water evaluations related to 61455
solid wastes, infectious wastes, and construction and demolition 61456
debris, under this chapter and Chapter 3714. of the Revised Code 61457
and any rules adopted under them, providing compliance assistance 61458
to small businesses, and paying a share of the administrative 61459
costs of the environmental protection agency pursuant to section 61460
3745.014 of the Revised Code. 61461

(3) An additional ~~one dollar~~ two dollars and fifty cents per 61462

1515.14 of the Revised Code. 61471

In the case of solid wastes that are taken to a solid waste 61472
transfer facility located in this state prior to being transported 61473
for disposal at a solid waste disposal facility located in this 61474
state or outside of this state, the fees levied under this 61475
division shall be collected by the owner or operator of the 61476
transfer facility as a trustee for the state. The amount of fees 61477
required to be collected under this division at such a transfer 61478
facility shall equal the total tonnage of solid wastes received at 61479
the facility multiplied by the fees levied under this division. In 61480
the case of solid wastes that are not taken to a solid waste 61481
transfer facility located in this state prior to being transported 61482
to a solid waste disposal facility, the fees shall be collected by 61483
the owner or operator of the solid waste disposal facility as a 61484
trustee for the state. The amount of fees required to be collected 61485
under this division at such a disposal facility shall equal the 61486
total tonnage of solid wastes received at the facility that was 61487
not previously taken to a solid waste transfer facility located in 61488
this state multiplied by the fees levied under this division. Fees 61489
levied under this division do not apply to materials separated 61490
from a mixed waste stream for recycling by a generator or 61491
materials removed from the solid waste stream through recycling, 61492
as "recycling" is defined in rules adopted under section 3734.02 61493
of the Revised Code. 61494

The owner or operator of a solid waste transfer facility or 61495
disposal facility, as applicable, shall prepare and file with the 61496

director of environmental protection each month a return 61497
indicating the total tonnage of solid wastes received at the 61498
facility during that month and the total amount of the fees 61499
required to be collected under this division during that month. In 61500
addition, the owner or operator of a solid waste disposal facility 61501
shall indicate on the return the total tonnage of solid wastes 61502
received from transfer facilities located in this state during 61503
that month for which the fees were required to be collected by the 61504
transfer facilities. The monthly returns shall be filed on a form 61505
prescribed by the director. Not later than thirty days after the 61506
last day of the month to which a return applies, the owner or 61507
operator shall mail to the director the return for that month 61508
together with the fees required to be collected under this 61509
division during that month as indicated on the return or may 61510
submit the return and fees electronically in a manner approved by 61511
the director. If the return is filed and the amount of the fees 61512
due is paid in a timely manner as required in this division, the 61513
owner or operator may retain a discount of three-fourths of one 61514
per cent of the total amount of the fees that are required to be 61515
paid as indicated on the return. 61516

The owner or operator may request an extension of not more 61517
than thirty days for filing the return and remitting the fees, 61518
provided that the owner or operator has submitted such a request 61519
in writing to the director together with a detailed description of 61520
why the extension is requested, the director has received the 61521
request not later than the day on which the return is required to 61522
be filed, and the director has approved the request. If the fees 61523
are not remitted within thirty days after the last day of the 61524
month to which the return applies or are not remitted by the last 61525
day of an extension approved by the director, the owner or 61526
operator shall not retain the three-fourths of one per cent 61527
discount and shall pay an additional ten per cent of the amount of 61528
the fees for each month that they are late. For purposes of 61529

calculating the late fee, the first month in which fees are late 61530
begins on the first day after the deadline has passed for timely 61531
submitting the return and fees, and one additional month shall be 61532
counted every thirty days thereafter. 61533

The owner or operator of a solid waste facility may request a 61534
refund or credit of fees levied under this division and remitted 61535
to the director that have not been paid to the owner or operator. 61536
Such a request shall be made only if the fees have not been 61537
collected by the owner or operator, have become a debt that has 61538
become worthless or uncollectable for a period of six months or 61539
more, and may be claimed as a deduction, including a deduction 61540
claimed if the owner or operator keeps accounts on an accrual 61541
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 61542
U.S.C. 166, as amended, and regulations adopted under it. Prior to 61543
making a request for a refund or credit, an owner or operator 61544
shall make reasonable efforts to collect the applicable fees. A 61545
request for a refund or credit shall not include any costs 61546
resulting from those efforts to collect unpaid fees. 61547

A request for a refund or credit of fees shall be made in 61548
writing, on a form prescribed by the director, and shall be 61549
supported by evidence that may be required in rules adopted by the 61550
director under this chapter. After reviewing the request, and if 61551
the request and evidence submitted with the request indicate that 61552
a refund or credit is warranted, the director shall grant a refund 61553
to the owner or operator or shall permit a credit to be taken by 61554
the owner or operator on a subsequent monthly return submitted by 61555
the owner or operator. The amount of a refund or credit shall not 61556
exceed an amount that is equal to ninety days' worth of fees owed 61557
to an owner or operator by a particular debtor of the owner or 61558
operator. A refund or credit shall not be granted by the director 61559
to an owner or operator more than once in any twelve-month period 61560
for fees owed to the owner or operator by a particular debtor. 61561

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or allow such payment regardless of whether the contract was entered prior to or after the effective date of this amendment. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the following activities:

(1) The disposal at a solid waste disposal facility located 61594
in the district of solid wastes generated within the district; 61595

(2) The disposal at a solid waste disposal facility within 61596
the district of solid wastes generated outside the boundaries of 61597
the district, but inside this state; 61598

(3) The disposal at a solid waste disposal facility within 61599
the district of solid wastes generated outside the boundaries of 61600
this state. 61601

The solid waste management plan of the county or joint 61602
district approved under section 3734.521 or 3734.55 of the Revised 61603
Code and any amendments to it, or the resolution adopted under 61604
this division, as appropriate, shall establish the rates of the 61605
fees levied under divisions (B)(1), (2), and (3) of this section, 61606
if any, and shall specify whether the fees are levied on the basis 61607
of tons or cubic yards as the unit of measurement. A solid waste 61608
management district that levies fees under this division on the 61609
basis of cubic yards shall do so in accordance with division (A) 61610
of this section. 61611

The fee levied under division (B)(1) of this section shall be 61612
not less than one dollar per ton nor more than two dollars per 61613
ton, the fee levied under division (B)(2) of this section shall be 61614
not less than two dollars per ton nor more than four dollars per 61615
ton, and the fee levied under division (B)(3) of this section 61616
shall be not more than the fee levied under division (B)(1) of 61617
this section. 61618

Prior to the approval of the solid waste management plan of a 61619
district under section 3734.55 of the Revised Code, the solid 61620
waste management policy committee of a district may levy fees 61621
under this division by adopting a resolution establishing the 61622
proposed amount of the fees. Upon adopting the resolution, the 61623
committee shall deliver a copy of the resolution to the board of 61624

county commissioners of each county forming the district and to 61625
the legislative authority of each municipal corporation and 61626
township under the jurisdiction of the district and shall prepare 61627
and publish the resolution and a notice of the time and location 61628
where a public hearing on the fees will be held. Upon adopting the 61629
resolution, the committee shall deliver written notice of the 61630
adoption of the resolution; of the amount of the proposed fees; 61631
and of the date, time, and location of the public hearing to the 61632
director and to the fifty industrial, commercial, or institutional 61633
generators of solid wastes within the district that generate the 61634
largest quantities of solid wastes, as determined by the 61635
committee, and to their local trade associations. The committee 61636
shall make good faith efforts to identify those generators within 61637
the district and their local trade associations, but the 61638
nonprovision of notice under this division to a particular 61639
generator or local trade association does not invalidate the 61640
proceedings under this division. The publication shall occur at 61641
least thirty days before the hearing. After the hearing, the 61642
committee may make such revisions to the proposed fees as it 61643
considers appropriate and thereafter, by resolution, shall adopt 61644
the revised fee schedule. Upon adopting the revised fee schedule, 61645
the committee shall deliver a copy of the resolution doing so to 61646
the board of county commissioners of each county forming the 61647
district and to the legislative authority of each municipal 61648
corporation and township under the jurisdiction of the district. 61649
Within sixty days after the delivery of a copy of the resolution 61650
adopting the proposed revised fees by the policy committee, each 61651
such board and legislative authority, by ordinance or resolution, 61652
shall approve or disapprove the revised fees and deliver a copy of 61653
the ordinance or resolution to the committee. If any such board or 61654
legislative authority fails to adopt and deliver to the policy 61655
committee an ordinance or resolution approving or disapproving the 61656
revised fees within sixty days after the policy committee 61657

delivered its resolution adopting the proposed revised fees, it 61658
shall be conclusively presumed that the board or legislative 61659
authority has approved the proposed revised fees. The committee 61660
shall determine if the resolution has been ratified in the same 61661
manner in which it determines if a draft solid waste management 61662
plan has been ratified under division (B) of section 3734.55 of 61663
the Revised Code. 61664

The committee may amend the schedule of fees levied pursuant 61665
to a resolution adopted and ratified under this division by 61666
adopting a resolution establishing the proposed amount of the 61667
amended fees. The committee may repeal the fees levied pursuant to 61668
such a resolution by adopting a resolution proposing to repeal 61669
them. Upon adopting such a resolution, the committee shall proceed 61670
to obtain ratification of the resolution in accordance with this 61671
division. 61672

Not later than fourteen days after declaring the new fees to 61673
be ratified or the fees to be repealed under this division, the 61674
committee shall notify by certified mail the owner or operator of 61675
each solid waste disposal facility that is required to collect the 61676
fees of the ratification and the amount of the fees or of the 61677
repeal of the fees. Collection of any fees shall commence or 61678
collection of repealed fees shall cease on the first day of the 61679
second month following the month in which notification is sent to 61680
the owner or operator. 61681

Fees levied under this division also may be established, 61682
amended, or repealed by a solid waste management policy committee 61683
through the adoption of a new district solid waste management 61684
plan, the adoption of an amended plan, or the amendment of the 61685
plan or amended plan in accordance with sections 3734.55 and 61686
3734.56 of the Revised Code or the adoption or amendment of a 61687
district plan in connection with a change in district composition 61688
under section 3734.521 of the Revised Code. 61689

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees

or amended fees levied under divisions (B)(1) to (3) of this 61723
section pursuant to the district's initial or amended plan as so 61724
approved or, if appropriate, the repeal of the district's fees by 61725
that initial or amended plan. Collection of any fees set forth in 61726
such a plan or amended plan shall commence on the first day of 61727
January immediately following the issuance of the notice. If such 61728
an initial or amended plan repeals a schedule of fees, collection 61729
of the fees shall cease on that first day of January. 61730

If, in the case of a change in district composition involving 61731
the withdrawal of a county from a joint district, the director 61732
completes the actions required under division (G)(1) or (3) of 61733
section 3734.521 of the Revised Code, as appropriate, less than 61734
forty-five days before the beginning of a calendar year, the 61735
director, on behalf of each of the districts resulting from the 61736
change that obtained the director's approval of an initial or 61737
amended plan in connection with the change proceedings, shall 61738
notify by certified mail the owner or operator of each solid waste 61739
disposal facility that is required to collect the district's fees 61740
that the change is to take effect on the first day of January 61741
immediately following the mailing of the notice and of the amount 61742
of the fees or amended fees levied under divisions (B)(1) to (3) 61743
of this section pursuant to the district's initial or amended plan 61744
as so approved or, if appropriate, the repeal of the district's 61745
fees by that initial or amended plan. Collection of any fees set 61746
forth in such a plan or amended plan shall commence on the first 61747
day of the second month following the month in which notification 61748
is sent to the owner or operator. If such an initial or amended 61749
plan repeals a schedule of fees, collection of the fees shall 61750
cease on the first day of the second month following the month in 61751
which notification is sent to the owner or operator. 61752

If the schedule of fees that a solid waste management 61753
district is levying under divisions (B)(1) to (3) of this section 61754

is amended or repealed, the fees in effect immediately prior to 61755
the amendment or repeal shall continue to be collected until 61756
collection of the amended fees commences or collection of the 61757
repealed fees ceases, as applicable, as specified in this 61758
division. In the case of a change in district composition, money 61759
so received from the collection of the fees of the former 61760
districts shall be divided among the resulting districts in 61761
accordance with division (B) of section 343.012 of the Revised 61762
Code and the agreements entered into under division (B) of section 61763
343.01 of the Revised Code to establish the former and resulting 61764
districts and any amendments to those agreements. 61765

For the purposes of the provisions of division (B) of this 61766
section establishing the times when newly established or amended 61767
fees levied by a district are required to commence and the 61768
collection of fees that have been amended or repealed is required 61769
to cease, "fees" or "schedule of fees" includes, in addition to 61770
fees levied under divisions (B)(1) to (3) of this section, those 61771
levied under section 3734.573 or 3734.574 of the Revised Code. 61772

(C) For the purposes of defraying the added costs to a 61773
municipal corporation or township of maintaining roads and other 61774
public facilities and of providing emergency and other public 61775
services, and compensating a municipal corporation or township for 61776
reductions in real property tax revenues due to reductions in real 61777
property valuations resulting from the location and operation of a 61778
solid waste disposal facility within the municipal corporation or 61779
township, a municipal corporation or township in which such a 61780
solid waste disposal facility is located may levy a fee of not 61781
more than twenty-five cents per ton on the disposal of solid 61782
wastes at a solid waste disposal facility located within the 61783
boundaries of the municipal corporation or township regardless of 61784
where the wastes were generated. 61785

The legislative authority of a municipal corporation or 61786

township may levy fees under this division by enacting an 61787
ordinance or adopting a resolution establishing the amount of the 61788
fees. Upon so doing the legislative authority shall mail a 61789
certified copy of the ordinance or resolution to the board of 61790
county commissioners or directors of the county or joint solid 61791
waste management district in which the municipal corporation or 61792
township is located or, if a regional solid waste management 61793
authority has been formed under section 343.011 of the Revised 61794
Code, to the board of trustees of that regional authority, the 61795
owner or operator of each solid waste disposal facility in the 61796
municipal corporation or township that is required to collect the 61797
fee by the ordinance or resolution, and the director of 61798
environmental protection. Although the fees levied under this 61799
division are levied on the basis of tons as the unit of 61800
measurement, the legislative authority, in its ordinance or 61801
resolution levying the fees under this division, may direct that 61802
the fees be levied on the basis of cubic yards as the unit of 61803
measurement based upon a conversion factor of three cubic yards 61804
per ton generally or one cubic yard per ton for baled wastes. 61805

Not later than five days after enacting an ordinance or 61806
adopting a resolution under this division, the legislative 61807
authority shall so notify by certified mail the owner or operator 61808
of each solid waste disposal facility that is required to collect 61809
the fee. Collection of any fee levied on or after March 24, 1992, 61810
shall commence on the first day of the second month following the 61811
month in which notification is sent to the owner or operator. 61812

(D)(1) The fees levied under divisions (A), (B), and (C) of 61813
this section do not apply to the disposal of solid wastes that: 61814

(a) Are disposed of at a facility owned by the generator of 61815
the wastes when the solid waste facility exclusively disposes of 61816
solid wastes generated at one or more premises owned by the 61817
generator regardless of whether the facility is located on a 61818

premises where the wastes are generated; 61819

(b) Are disposed of at facilities that exclusively dispose of 61820
wastes that are generated from the combustion of coal, or from the 61821
combustion of primarily coal in combination with scrap tires, that 61822
is not combined in any way with garbage at one or more premises 61823
owned by the generator. 61824

(2) Except as provided in section 3734.571 of the Revised 61825
Code, any fees levied under division (B)(1) of this section apply 61826
to solid wastes originating outside the boundaries of a county or 61827
joint district that are covered by an agreement for the joint use 61828
of solid waste facilities entered into under section 343.02 of the 61829
Revised Code by the board of county commissioners or board of 61830
directors of the county or joint district where the wastes are 61831
generated and disposed of. 61832

(3) When solid wastes, other than solid wastes that consist 61833
of scrap tires, are burned in a disposal facility that is an 61834
incinerator or energy recovery facility, the fees levied under 61835
divisions (A), (B), and (C) of this section shall be levied upon 61836
the disposal of the fly ash and bottom ash remaining after burning 61837
of the solid wastes and shall be collected by the owner or 61838
operator of the sanitary landfill where the ash is disposed of. 61839

(4) When solid wastes are delivered to a solid waste transfer 61840
facility, the fees levied under divisions (B) and (C) of this 61841
section shall be levied upon the disposal of solid wastes 61842
transported off the premises of the transfer facility for disposal 61843
and shall be collected by the owner or operator of the solid waste 61844
disposal facility where the wastes are disposed of. 61845

(5) The fees levied under divisions (A), (B), and (C) of this 61846
section do not apply to sewage sludge that is generated by a waste 61847
water treatment facility holding a national pollutant discharge 61848
elimination system permit and that is disposed of through 61849

incineration, land application, or composting or at another 61850
resource recovery or disposal facility that is not a landfill. 61851

(6) The fees levied under divisions (A), (B), and (C) of this 61852
section do not apply to solid wastes delivered to a solid waste 61853
composting facility for processing. When any unprocessed solid 61854
waste or compost product is transported off the premises of a 61855
composting facility and disposed of at a landfill, the fees levied 61856
under divisions (A), (B), and (C) of this section shall be 61857
collected by the owner or operator of the landfill where the 61858
unprocessed waste or compost product is disposed of. 61859

(7) When solid wastes that consist of scrap tires are 61860
processed at a scrap tire recovery facility, the fees levied under 61861
divisions (A), (B), and (C) of this section shall be levied upon 61862
the disposal of the fly ash and bottom ash or other solid wastes 61863
remaining after the processing of the scrap tires and shall be 61864
collected by the owner or operator of the solid waste disposal 61865
facility where the ash or other solid wastes are disposed of. 61866

(8) The director of environmental protection may issue an 61867
order exempting from the fees levied under this section solid 61868
wastes, including, but not limited to, scrap tires, that are 61869
generated, transferred, or disposed of as a result of a contract 61870
providing for the expenditure of public funds entered into by the 61871
administrator or regional administrator of the United States 61872
environmental protection agency, the director of environmental 61873
protection, or the director of administrative services on behalf 61874
of the director of environmental protection for the purpose of 61875
remediating conditions at a hazardous waste facility, solid waste 61876
facility, or other location at which the administrator or regional 61877
administrator or the director of environmental protection has 61878
reason to believe that there is a substantial threat to public 61879
health or safety or the environment or that the conditions are 61880
causing or contributing to air or water pollution or soil 61881

contamination. An order issued by the director of environmental 61882
protection under division (D)(8) of this section shall include a 61883
determination that the amount of the fees not received by a solid 61884
waste management district as a result of the order will not 61885
adversely impact the implementation and financing of the 61886
district's approved solid waste management plan and any approved 61887
amendments to the plan. Such an order is a final action of the 61888
director of environmental protection. 61889

(E) The fees levied under divisions (B) and (C) of this 61890
section shall be collected by the owner or operator of the solid 61891
waste disposal facility where the wastes are disposed of as a 61892
trustee for the county or joint district and municipal corporation 61893
or township where the wastes are disposed of. Moneys from the fees 61894
levied under division (B) of this section shall be forwarded to 61895
the board of county commissioners or board of directors of the 61896
district in accordance with rules adopted under division (H) of 61897
this section. Moneys from the fees levied under division (C) of 61898
this section shall be forwarded to the treasurer or such other 61899
officer of the municipal corporation as, by virtue of the charter, 61900
has the duties of the treasurer or to the fiscal officer of the 61901
township, as appropriate, in accordance with those rules. 61902

(F) Moneys received by the treasurer or other officer of the 61903
municipal corporation under division (E) of this section shall be 61904
paid into the general fund of the municipal corporation. Moneys 61905
received by the fiscal officer of the township under that division 61906
shall be paid into the general fund of the township. The treasurer 61907
or other officer of the municipal corporation or the township 61908
fiscal officer, as appropriate, shall maintain separate records of 61909
the moneys received from the fees levied under division (C) of 61910
this section. 61911

(G) Moneys received by the board of county commissioners or 61912
board of directors under division (E) of this section or section 61913

3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 61914
shall be paid to the county treasurer, or other official acting in 61915
a similar capacity under a county charter, in a county district or 61916
to the county treasurer or other official designated by the board 61917
of directors in a joint district and kept in a separate and 61918
distinct fund to the credit of the district. If a regional solid 61919
waste management authority has been formed under section 343.011 61920
of the Revised Code, moneys received by the board of trustees of 61921
that regional authority under division (E) of this section shall 61922
be kept by the board in a separate and distinct fund to the credit 61923
of the district. Moneys in the special fund of the county or joint 61924
district arising from the fees levied under division (B) of this 61925
section and the fee levied under division (A) of section 3734.573 61926
of the Revised Code shall be expended by the board of county 61927
commissioners or directors of the district in accordance with the 61928
district's solid waste management plan or amended plan approved 61929
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 61930
exclusively for the following purposes: 61931

(1) Preparation of the solid waste management plan of the 61932
district under section 3734.54 of the Revised Code, monitoring 61933
implementation of the plan, and conducting the periodic review and 61934
amendment of the plan required by section 3734.56 of the Revised 61935
Code by the solid waste management policy committee; 61936

(2) Implementation of the approved solid waste management 61937
plan or amended plan of the district, including, without 61938
limitation, the development and implementation of solid waste 61939
recycling or reduction programs; 61940

(3) Providing financial assistance to boards of health within 61941
the district, if solid waste facilities are located within the 61942
district, for enforcement of this chapter and rules, orders, and 61943
terms and conditions of permits, licenses, and variances adopted 61944
or issued under it, other than the hazardous waste provisions of 61945

this chapter and rules adopted and orders and terms and conditions 61946
of permits issued under those provisions; 61947

(4) Providing financial assistance to each county within the 61948
district to defray the added costs of maintaining roads and other 61949
public facilities and of providing emergency and other public 61950
services resulting from the location and operation of a solid 61951
waste facility within the county under the district's approved 61952
solid waste management plan or amended plan; 61953

(5) Pursuant to contracts entered into with boards of health 61954
within the district, if solid waste facilities contained in the 61955
district's approved plan or amended plan are located within the 61956
district, for paying the costs incurred by those boards of health 61957
for collecting and analyzing samples from public or private water 61958
wells on lands adjacent to those facilities; 61959

(6) Developing and implementing a program for the inspection 61960
of solid wastes generated outside the boundaries of this state 61961
that are disposed of at solid waste facilities included in the 61962
district's approved solid waste management plan or amended plan; 61963

(7) Providing financial assistance to boards of health within 61964
the district for the enforcement of section 3734.03 of the Revised 61965
Code or to local law enforcement agencies having jurisdiction 61966
within the district for enforcing anti-littering laws and 61967
ordinances; 61968

(8) Providing financial assistance to boards of health of 61969
health districts within the district that are on the approved list 61970
under section 3734.08 of the Revised Code to defray the costs to 61971
the health districts for the participation of their employees 61972
responsible for enforcement of the solid waste provisions of this 61973
chapter and rules adopted and orders and terms and conditions of 61974
permits, licenses, and variances issued under those provisions in 61975
the training and certification program as required by rules 61976

adopted under division (L) of section 3734.02 of the Revised Code; 61977

(9) Providing financial assistance to individual municipal 61978

The following fees shall be assessed on the total actual 62892
emissions from a source in tons per year of the regulated 62893
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 62894
organic compounds, and lead: 62895

(a) Fifteen dollars per ton on the total actual emissions of 62896
each such regulated pollutant during the period July through 62897

Air Act prior to calendar year 2000. Those fees shall be assessed 62916
on the emissions from such a generating unit commencing in 62917
calendar year 2001 based upon the total actual emissions from the 62918
generating unit during calendar year 2000 and shall continue to be 62919
assessed each subsequent calendar year based on the total actual 62920

emissions from the generating unit during the preceding calendar year. 62921

The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (C)(1) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for

the purposes of division (C)(1) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average of the consumer price index for all urban consumers published by the United States department of labor as of the close of the twelve-month period ending on the thirty-first day of August of that year.

(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most consistent with that for calendar year 1989.
