(1935), 42 U.S.C.A. 1396r(e)(5), as amended, for the following 95065
residents: 95066

(i) When determining ~~semi-annual~~ semiannual case-mix scores, 95067
each resident who is a medicaid recipient; 95068

(ii) When determining annual average case-mix scores, each 95069

resident regardless of payment source. 95070

(b) Except as provided in rules authorized by ~~division~~ 95071
divisions (A)(2)(a) and (b) of this section, the case-mix values 95072
established by the United States department of health and human 95073
services; 95074

(c) Except as modified in rules authorized by division 95075
(A)(2)(c) of this section, the grouper methodology used on June 95076
30, 1999, by the United States department of health and human 95077
services for prospective payment of skilled nursing facilities 95078
under the medicare program established by Title XVIII. 95079

(2) The director of job and family services may adopt rules 95080
under section 5111.02 of the Revised Code that do any of the 95081
following: 95082

(a) Adjust the case-mix values specified in division 95083
(A)(1)(b) of this section to reflect changes in relative wage 95084
differentials that are specific to this state; 95085

(b) Express all of those case-mix values in numeric terms 95086
that are different from the terms specified by the United States 95087
department of health and human services but that do not alter the 95088
relationship of the case-mix values to one another; 95089

(c) Modify the grouper methodology specified in division 95090
(A)(1)(c) of this section as follows: 95091

(i) Establish a different hierarchy for assigning residents 95092
to case-mix categories under the methodology; 95093

(ii) Prohibit the use of the index maximizer element of the 95094
methodology; 95095

(iii) Incorporate changes to the methodology the United 95096
States department of health and human services makes after June 95097
30, 1999; 95098

(iv) Make other changes the department determines are 95099

necessary. 95100

(B) The department shall determine case-mix scores for 95101
intermediate care facilities for the mentally retarded using data 95102
for each resident, regardless of payment source, from a resident 95103
assessment instrument and grouper methodology prescribed in rules 95104
adopted under section 5111.02 of the Revised Code and expressed in 95105
case-mix values established by the department in those rules. 95106

(C) Each calendar quarter, each provider shall compile 95107
complete assessment data, from the resident assessment instrument 95108
specified in rules authorized by division (A) or (B) of this 95109
section, for each resident of each of the provider's facilities, 95110
regardless of payment source, who was in the facility or on 95111
hospital or therapeutic leave from the facility on the last day of 95112
the quarter. Providers of a nursing facility shall submit the data 95113
to the department of health and, if required by rules, the 95114
department of job and family services. Providers of an 95115
intermediate care facility for the mentally retarded shall submit 95116
the data to the department of job and family services. The data 95117
shall be submitted not later than fifteen days after the end of 95118
the calendar quarter for which the data is compiled. 95119

Except as provided in division (D) of this section, the 95120
department, every six months and after the end of each calendar 95121
year, shall calculate a semiannual and annual average case-mix 95122
score for each nursing facility using the facility's quarterly 95123
case-mix scores for that six-month period or calendar year. Also 95124
except as provided in division (D) of this section, the 95125
department, after the end of each calendar year, shall calculate 95126
an annual average case-mix score for each intermediate care 95127
facility for the mentally retarded using the facility's quarterly 95128
case-mix scores for that calendar year. The department shall make 95129
the calculations pursuant to procedures specified in rules adopted 95130
under section 5111.02 of the Revised Code. 95131

(D)(1) If a provider does not timely submit information for a 95132
calendar quarter necessary to calculate a facility's case-mix 95133
score, or submits incomplete or inaccurate information for a 95134
calendar quarter, the department may assign the facility a 95135
quarterly average case-mix score that is five per cent less than 95136
the facility's quarterly average case-mix score for the preceding 95137
calendar quarter. If the facility was subject to an exception 95138
review under division (C) of section 5111.27 of the Revised Code 95139
for the preceding calendar quarter, the department may assign a 95140
quarterly average case-mix score that is five per cent less than 95141
the score determined by the exception review. If the facility was 95142
assigned a quarterly average case-mix score for the preceding 95143
quarter, the department may assign a quarterly average case-mix 95144
score that is five per cent less than that score assigned for the 95145
preceding quarter. 95146

The department may use a quarterly average case-mix score 95147
assigned under division (D)(1) of this section, instead of a 95148
quarterly average case-mix score calculated based on the 95149
provider's submitted information, to calculate the facility's rate 95150
for direct care costs being established under section 5111.23 or 95151
5111.231 of the Revised Code for one or more months, as specified 95152
in rules authorized by division (E) of this section, of the 95153
quarter for which the rate established under section 5111.23 or 95154
5111.231 of the Revised Code will be paid. 95155

Before taking action under division (D)(1) of this section, 95156
the department shall permit the provider a reasonable period of 95157
time, specified in rules authorized by division (E) of this 95158
section, to correct the information. In the case of an 95159
intermediate care facility for the mentally retarded, the 95160
department shall not assign a quarterly average case-mix score due 95161
to late submission of corrections to assessment information unless 95162
the provider fails to submit corrected information prior to the 95163

eighty-first day after the end of the calendar quarter to which 95164
the information pertains. In the case of a nursing facility, the 95165
department shall not assign a quarterly average case-mix score due 95166
to late submission of corrections to assessment information unless 95167
the provider fails to submit corrected information prior to the 95168
earlier of the ~~eighty-first~~ forty-sixth day after the end of the 95169
calendar quarter to which the information pertains or the deadline 95170
for submission of such corrections established by regulations 95171
adopted by the United States department of health and human 95172
services under Titles XVIII and XIX. 95173

(2) If a provider is paid a rate for a facility calculated 95174
using a quarterly average case-mix score assigned under division 95175
(D)(1) of this section for more than six months in a calendar 95176
year, the department may assign the facility a cost per case-mix 95177
unit that is five per cent less than the facility's actual or 95178
assigned cost per case-mix unit for the preceding calendar year. 95179
The department may use the assigned cost per case-mix unit, 95180
instead of calculating the facility's actual cost per case-mix 95181
unit in accordance with section 5111.23 or 5111.231 of the Revised 95182
Code, to establish the facility's rate for direct care costs for 95183
the following fiscal year. 95184

(3) The department shall take action under division (D)(1) or 95185
(2) of this section only in accordance with rules authorized by 95186
division (E) of this section. The department shall not take an 95187
action that affects rates for prior payment periods except in 95188
accordance with sections 5111.27 and 5111.28 of the Revised Code. 95189

(E) The director shall adopt rules under section 5111.02 of 95190
the Revised Code that do all of the following: 95191

(1) Specify whether providers of a nursing facility must 95192
submit the assessment data to the department of job and family 95193
services; 95194

(2) Specify the medium or media through which the completed assessment data shall be submitted; 95195
95196

(3) Establish procedures under which the assessment data shall be reviewed for accuracy and providers shall be notified of any data that requires correction; 95197
95198
95199

(4) Establish procedures for providers to correct assessment data and specify a reasonable period of time by which providers shall submit the corrections. The procedures may limit the content of corrections by providers of nursing facilities in the manner required by regulations adopted by the United States department of health and human services under Titles XVIII and XIX. 95200
95201
95202
95203
95204
95205

(5) Specify when and how the department will assign case-mix scores or costs per case-mix unit under division (D) of this section if information necessary to calculate the facility's case-mix score is not provided or corrected in accordance with the procedures established by the rules. Notwithstanding any other provision of sections 5111.20 to 5111.33 of the Revised Code, the rules also may provide for the following: 95206
95207
95208
95209
95210
95211
95212

(a) Exclusion of case-mix scores assigned under division (D) of this section from calculation of an intermediate care facility for the mentally retarded's annual average case-mix score and the maximum cost per case-mix unit for the facility's peer group; 95213
95214
95215
95216

(b) Exclusion of case-mix scores assigned under division (D) of this section from calculation of a nursing facility's semiannual or annual average case-mix score and the cost per case-mix unit for the facility's peer group. 95217

Sec. 5111.236. (A) As used in this section, "medically fragile child" means an individual under eighteen years of age who requires both of the following: 95221
95222
95223

<u>retarded. The medicaid program shall cover such oxygen services</u>	95232
<u>regardless of any of the following:</u>	95233
<u>(1) The percentage of the medicaid recipient's arterial</u>	95234
<u>oxygen saturation at rest, exercise, or sleep;</u>	95235
<u>(2) The type of system used in delivering the oxygen to the</u>	95236
<u>medicaid recipient;</u>	95237
<u>(3) Whether the intermediate care facility for the mentally</u>	95238
<u>retarded in which the medicaid recipient resides purchases or</u>	95239

<u>recipient.</u>	95241
<u>(C) A medical supplier of an oxygen service shall bill the</u>	95242
<u>department of job and family services directly for oxygen services</u>	95243
<u>the medicaid program covers under this section. The provider of an</u>	95244
<u>intermediate care facility for the mentally retarded may not</u>	95245
<u>include the cost of an oxygen service covered by the medicaid</u>	95246
<u>program under this section in the facility's cost report unless</u>	95247
<u>the facility is the medical supplier of the oxygen service.</u>	95248
Sec. 5111.24. (A) As used in this section, "applicable	95249
calendar year" means the following:	95250

calendar year 2003;	95254

(2) For the purpose of the department's subsequent 95255
determinations under division (D) of this section of each peer 95256
group's rate for ancillary and support costs, the calendar year 95257
the department selects. 95258

(B) The department of job and family services shall pay a 95259
provider for each of the provider's eligible nursing facilities a 95260
per resident per day rate for ancillary and support costs 95261
determined for the nursing facility's peer group under division 95262
(D) of this section. 95263

for ancillary and support costs, the department shall establish 95265
six peer groups. 95266

counties shall be placed in peer group one or two: Brown, Butler, 95268

located in any of those counties that has fewer than one hundred 95270
beds shall be placed in peer group one. Each nursing facility 95271
located in any of those counties that has one hundred or more beds 95272
shall be placed in peer group two. 95273

Each nursing facility located in any of the following 95274
counties shall be placed in peer group three or four: Ashtabula, 95275

(D)(1) At least once every ten years, the department shall 95298
determine the rate for ancillary and support costs for each peer 95299
group established under division (C) of this section. The rate for 95300
ancillary and support costs determined under this division for a 95301
peer group shall be used for subsequent years until the department 95302
redetermines it. To determine a peer group's rate for ancillary 95303
and support costs, the department shall do all of the following: 95304

(a) Determine the rate for ancillary and support costs for 95305
each nursing facility in the peer group for the applicable 95306
calendar year by using the greater of the nursing facility's 95307
actual inpatient days for the applicable calendar year or the 95308
inpatient days the nursing facility would have had for the 95309
applicable calendar year if its occupancy rate had been ninety per 95310
cent. For the purpose of determining a nursing facility's 95311
occupancy rate under division (D)(1)(a) of this section, the 95312

applicable calendar year determined under division (D)(1)(a) of 95319
this section. 95320

(c) Calculate the amount that is three per cent above the 95321
rate for ancillary and support costs determined under division 95322
(D)(1)(a) of this section for the nursing facility identified 95323
under division (D)(1)(b) of this section. 95324

(d) Multiply the amount calculated under division (D)(1)(c) 95325
of this section by the rate of inflation for the eighteen-month 95326
period beginning on the first day of July of the applicable 95327
calendar year and ending the last day of December of the calendar 95328
year immediately following the applicable calendar year using the 95329
~~consumer price index for all items for all urban consumers for the~~ 95330
~~north central region, published by the United States bureau of~~ 95331
~~labor statistics~~ inflation measuring system or inflation factor 95332
the director of job and family services shall specify in rules 95333

this section, the department shall exclude both of the following: 95336

(a) Nursing facilities that participated in the medicaid 95337
program under the same provider for less than twelve months in the 95338
applicable calendar year; 95339

(b) Nursing facilities whose ancillary and support costs are 95340
more than one standard deviation from the mean desk-reviewed, 95341

nursing facilities in the nursing facility's peer group for the 95343
applicable calendar year. 95344

(3) The department shall not redetermine a peer group's rate 95345
for ancillary and support costs under this division based on 95346
additional information that it receives after the rate is 95347
determined. The department shall redetermine a peer group's rate 95348

for ancillary and support costs only if it made an error in 95349
determining the rate based on information available to the 95350
department at the time of the original determination. 95351

Sec. 5111.25. (A) As used in this section, "applicable 95352
calendar year" means the following: 95353

of whether the nursing facility has undergone a change of 95372
operator, as defined in section 5111.65 of the Revised Code, after 95373
that date or, if the nursing facility did not have a medicaid 95374
reimbursement per diem rate on June 30, 2005, the capital costs 95375
portion of the nursing facility's initial rate established under 95376
section 5111.254 of the Revised Code; 95377

(D)(1) At least once every ten years, the department shall 95416

established under division (C) of this section. The median rate 95418
for capital costs determined under this division for a peer group 95419
shall be used for subsequent years until the department 95420
redetermines it. To determine a peer group's median rate for 95421

(a) Subject to division (D)(2) of this section, use the 95423
greater of each nursing facility's actual inpatient days for the 95424

department shall include any beds that the nursing facility 95438
removes from its medicaid-certified capacity after June 30, 2005, 95439
unless the nursing facility also removes the beds from its 95440

(E) Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department. Components and equipment shall be depreciated using the straight-line method over a period designated in rules adopted under section 5111.02 of the Revised Code, consistent with the guidelines of the American hospital association, or over a different period approved by the department. Any rules authorized by this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in capital costs unless that part of the payment under sections 5111.20 to 5111.33 of the Revised Code is used to reimburse the government agency.

(F) The capital cost basis of nursing facility assets shall be determined in the following manner:

(1) Except as provided in division (F)(3) of this section, for purposes of calculating the rates to be paid for facilities with dates of licensure on or before June 30, 1993, the capital cost basis of each asset shall be equal to the desk-reviewed, actual, allowable, capital cost basis that is listed on the facility's cost report for the calendar year preceding the fiscal year during which the rate will be paid.

(2) For facilities with dates of licensure after June 30, 1993, the capital cost basis shall be determined in accordance with the principles of the medicare program established under Title XVIII, except as otherwise provided in sections 5111.20 to 5111.33 of the Revised Code.

(3) Except as provided in division (F)(4) of this section, if a provider transfers an interest in a facility to another provider after June 30, 1993, there shall be no increase in the capital cost basis of the asset if the providers are related parties or the provider to which the interest is transferred authorizes the

provider that transferred the interest to continue to operate the 95474
facility under a lease, management agreement, or other 95475
arrangement. If the previous sentence does not prohibit the 95476
adjustment of the capital cost basis under this division, the 95477
basis of the asset shall be adjusted by the lesser of the 95478
following: 95479

(a) One-half of the change in construction costs during the 95480
time that the transferor held the asset, as calculated by the 95481
department of job and family services using the "Dodge building 95482
cost indexes, northeastern and north central states," published by 95483
Marshall and Swift; 95484

(b) One-half of the change in the consumer price index for 95485
all items for all urban consumers, as published by the United 95486
States bureau of labor statistics, during the time that the 95487
transferor held the asset. 95488

(4) If a provider transfers an interest in a facility to 95489
another provider who is a related party, the capital cost basis of 95490
the asset shall be adjusted as specified in division (F)(3) of 95491
this section if all of the following conditions are met: 95492

(a) The related party is a relative of owner; 95493

(b) Except as provided in division (F)(4)(c)(ii) of this 95494
section, the provider making the transfer retains no ownership 95495
interest in the facility; 95496

(c) The department of job and family services determines that 95497
the transfer is an arm's length transaction pursuant to rules 95498
adopted under section 5111.02 of the Revised Code. The rules shall 95499
provide that a transfer is an arm's length transaction if all of 95500
the following apply: 95501

(i) Once the transfer goes into effect, the provider that 95502
made the transfer has no direct or indirect interest in the 95503
provider that acquires the facility or the facility itself, 95504

including interest as an owner, officer, director, employee, 95505
independent contractor, or consultant, but excluding interest as a 95506
creditor. 95507

(ii) The provider that made the transfer does not reacquire 95508
an interest in the facility except through the exercise of a 95509
creditor's rights in the event of a default. If the provider 95510
reacquires an interest in the facility in this manner, the 95511
department shall treat the facility as if the transfer never 95512
occurred when the department calculates its reimbursement rates 95513
for capital costs. 95514

(iii) The transfer satisfies any other criteria specified in 95515
the rules. 95516

(d) Except in the case of hardship caused by a catastrophic 95517
event, as determined by the department, or in the case of a 95518
provider making the transfer who is at least sixty-five years of 95519
age, not less than twenty years have elapsed since, for the same 95520
facility, the capital cost basis was adjusted most recently under 95521
division (F)(4) of this section or actual, allowable cost of 95522
ownership was determined most recently under division (G)(9) of 95523
this section. 95524

(G) As used in this division: 95525

"Imputed interest" means the lesser of the prime rate plus 95526
two per cent or ten per cent. 95527

"Lease expense" means lease payments in the case of an 95528
operating lease and depreciation expense and interest expense in 95529
the case of a capital lease. 95530

"New lease" means a lease, to a different lessee, of a 95531
nursing facility that previously was operated under a lease. 95532

(1) Subject to division (B) of this section, for a lease of a 95533
facility that was effective on May 27, 1992, the entire lease 95534

expense is an actual, allowable capital cost during the term of 95535
the existing lease. The entire lease expense also is an actual, 95536
allowable capital cost if a lease in existence on May 27, 1992, is 95537
renewed under either of the following circumstances: 95538

(a) The renewal is pursuant to a renewal option that was in 95539
existence on May 27, 1992; 95540

(b) The renewal is for the same lease payment amount and 95541
between the same parties as the lease in existence on May 27, 95542
1992. 95543

(2) Subject to division (B) of this section, for a lease of a 95544
facility that was in existence but not operated under a lease on 95545
May 27, 1992, actual, allowable capital costs shall include the 95546
lesser of the annual lease expense or the annual depreciation 95547
expense and imputed interest expense that would be calculated at 95548
the inception of the lease using the lessor's entire historical 95549
capital asset cost basis, adjusted by the lesser of the following 95550
amounts: 95551

(a) One-half of the change in construction costs during the 95552
time the lessor held each asset until the beginning of the lease, 95553
as calculated by the department using the "Dodge building cost 95554
indexes, northeastern and north central states," published by 95555
Marshall and Swift; 95556

(b) One-half of the change in the consumer price index for 95557
all items for all urban consumers, as published by the United 95558
States bureau of labor statistics, during the time the lessor held 95559
each asset until the beginning of the lease. 95560

(3) Subject to division (B) of this section, for a lease of a 95561
facility with a date of licensure on or after May 27, 1992, that 95562
is initially operated under a lease, actual, allowable capital 95563
costs shall include the annual lease expense if there was a 95564
substantial commitment of money for construction of the facility 95565

after December 22, 1992, and before July 1, 1993. If there was not 95566
a substantial commitment of money after December 22, 1992, and 95567
before July 1, 1993, actual, allowable capital costs shall include 95568
the lesser of the annual lease expense or the sum of the 95569
following: 95570

(a) The annual depreciation expense that would be calculated 95571
at the inception of the lease using the lessor's entire historical 95572
capital asset cost basis; 95573

(b) The greater of the lessor's actual annual amortization of 95574
financing costs and interest expense at the inception of the lease 95575
or the imputed interest expense calculated at the inception of the 95576
lease using seventy per cent of the lessor's historical capital 95577
asset cost basis. 95578

(4) Subject to division (B) of this section, for a lease of a 95579
facility with a date of licensure on or after May 27, 1992, that 95580
was not initially operated under a lease and has been in existence 95581
for ten years, actual, allowable capital costs shall include the 95582
lesser of the annual lease expense or the annual depreciation 95583
expense and imputed interest expense that would be calculated at 95584
the inception of the lease using the entire historical capital 95585
asset cost basis of the lessor, adjusted by the lesser of the 95586
following: 95587

(a) One-half of the change in construction costs during the 95588
time the lessor held each asset until the beginning of the lease, 95589
as calculated by the department using the "Dodge building cost 95590
indexes, northeastern and north central states," published by 95591
Marshall and Swift; 95592

(b) One-half of the change in the consumer price index for 95593
all items for all urban consumers, as published by the United 95594
States bureau of labor statistics, during the time the lessor held 95595
each asset until the beginning of the lease. 95596

(5) Subject to division (B) of this section, for a new lease of a facility that was operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual new lease expense or the annual old lease payment. If the old lease was in effect for ten years or longer, the old lease payment from the beginning of the old lease shall be adjusted by the lesser of the following:

(a) One-half of the change in construction costs from the beginning of the old lease to the beginning of the new lease, as calculated by the department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift;

(b) One-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

(6) Subject to division (B) of this section, for a new lease of a facility that was not in existence or that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of annual new lease expense or the annual amount calculated for the old lease under division (G)(2), (3), (4), or (6) of this section, as applicable. If the old lease was in effect for ten years or longer, the lessor's historical capital asset cost basis shall be adjusted by the lesser of the following for purposes of calculating the annual amount under division (G)(2), (3), (4), or (6) of this section:

(a) One-half of the change in construction costs from the beginning of the old lease to the beginning of the new lease, as calculated by the department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift;

(b) One-half of the change in the consumer price index for 95628
all items for all urban consumers, as published by the United 95629
States bureau of labor statistics, from the beginning of the old 95630
lease to the beginning of the new lease. 95631

In the case of a lease under division (G)(3) of this section 95632
of a facility for which a substantial commitment of money was made 95633
after December 22, 1992, and before July 1, 1993, the old lease 95634
payment shall be adjusted for the purpose of determining the 95635
annual amount. 95636

(7) For any revision of a lease described in division (G)(1), 95637
(2), (3), (4), (5), or (6) of this section, or for any subsequent 95638
lease of a facility operated under such a lease, other than 95639
execution of a new lease, the portion of actual, allowable capital 95640
costs attributable to the lease shall be the same as before the 95641
revision or subsequent lease. 95642

(8) Except as provided in division (G)(9) of this section, if 95643
a provider leases an interest in a facility to another provider 95644
who is a related party or previously operated the facility, the 95645
related party's or previous operator's actual, allowable capital 95646
costs shall include the lesser of the annual lease expense or the 95647
reasonable cost to the lessor. 95648

(9) If a provider leases an interest in a facility to another 95649
provider who is a related party, regardless of the date of the 95650
lease, the related party's actual, allowable capital costs shall 95651
include the annual lease expense, subject to the limitations 95652
specified in divisions (G)(1) to (7) of this section, if all of 95653
the following conditions are met: 95654

(a) The related party is a relative of owner; 95655

(b) If the lessor retains an ownership interest, it is, 95656
except as provided in division (G)(9)(c)(ii) of this section, in 95657
only the real property and any improvements on the real property; 95658

(c) The department of job and family services determines that 95659
the lease is an arm's length transaction pursuant to rules adopted 95660
under section 5111.02 of the Revised Code. The rules shall provide 95661
that a lease is an arm's length transaction if all of the 95662
following apply: 95663

(i) Once the lease goes into effect, the lessor has no direct 95664
or indirect interest in the lessee or, except as provided in 95665
division (G)(9)(b) of this section, the facility itself, including 95666
interest as an owner, officer, director, employee, independent 95667
contractor, or consultant, but excluding interest as a lessor. 95668

(ii) The lessor does not reacquire an interest in the 95669
facility except through the exercise of a lessor's rights in the 95670
event of a default. If the lessor reacquires an interest in the 95671
facility in this manner, the department shall treat the facility 95672
as if the lease never occurred when the department calculates its 95673
reimbursement rates for capital costs. 95674

(iii) The lease satisfies any other criteria specified in the 95675
rules. 95676

(d) Except in the case of hardship caused by a catastrophic 95677
event, as determined by the department, or in the case of a lessor 95678
who is at least sixty-five years of age, not less than twenty 95679
years have elapsed since, for the same facility, the capital cost 95680
basis was adjusted most recently under division (F)(4) of this 95681
section or actual, allowable capital costs were determined most 95682
recently under division (G)(9) of this section. 95683

(10) This division does not apply to leases of specific items 95684
of equipment. 95685

(H) After the date on which a transaction of sale is closed, 95686
the provider shall refund to the department the amount of excess 95687
depreciation paid to the provider for the facility by the 95688
department for each year the provider has operated the facility 95689

under a provider agreement and prorated according to the number of 95690
medicaid patient days for which the provider has received payment 95691
for the facility. The provider of a facility that is sold or that 95692
voluntarily terminates participation in the medicaid program also 95693
shall refund any other amount that the department properly finds 95694
to be due after the audit conducted under this division. For the 95695
purposes of this division, "depreciation paid to the provider for 95696
the facility" means the amount paid to the provider for the 95697
nursing facility for capital costs pursuant to this section less 95698
any amount paid for interest costs, amortization of financing 95699
costs, and lease expenses. For the purposes of this division, 95700
"excess depreciation" is the nursing facility's depreciated basis, 95701
which is the provider's cost less accumulated depreciation, 95702
subtracted from the purchase price net of selling costs but not 95703
exceeding the amount of depreciation paid to the provider for the 95704
facility. 95705

Sec. 5111.261. Except as otherwise provided in section 95706
5111.264 of the Revised Code, the department of job and family 95707
services, in determining whether an intermediate care facility for 95708
the mentally retarded's direct care costs and indirect care costs 95709
are allowable, shall place no limit on specific categories of 95710
reasonable costs other than compensation of owners, compensation 95711
of relatives of owners, and compensation of administrators and 95712
~~costs for resident meals that are prepared and consumed outside~~ 95713
~~the facility.~~ 95714

Compensation cost limits for owners and relatives of owners 95715
shall be based on compensation costs for individuals who hold 95716
comparable positions but who are not owners or relatives of 95717
owners, as reported on facility cost reports. As used in this 95718
section, "comparable position" means the position that is held by 95719
the owner or the owner's relative, if that position is listed 95720
separately on the cost report form, or if the position is not 95721

listed separately, the group of positions that is listed on the 95722
cost report form and that includes the position held by the owner 95723
or the owner's relative. In the case of an owner or owner's 95724
relative who serves the facility in a capacity such as corporate 95725
officer, proprietor, or partner for which no comparable position 95726
or group of positions is listed on the cost report form, the 95727
compensation cost limit shall be based on civil service 95728
equivalents and shall be specified in rules adopted under section 95729
5111.02 of the Revised Code. 95730

Compensation cost limits for administrators shall be based on 95731
compensation costs for administrators who are not owners or 95732
relatives of owners, as reported on facility cost reports. 95733
Compensation cost limits for administrators of four or more 95734
intermediate care facilities for the mentally retarded shall be 95735
the same as the limits for administrators of intermediate care 95736
facilities for the mentally retarded with one hundred fifty or 95737
more beds. 95738

Sec. 5111.65. As used in sections 5111.65 to ~~5111.688~~ 95739

real property or personal property associated with the facility is 95752
also transferred; 95753

(c) A lease of the facility to the entering operator or the 95754
exiting operator's termination of the exiting operator's lease; 95755

the partnership; 95757

(e) If the exiting operator is a partnership, a change in 95758
composition of the partnership unless both of the following apply: 95759

(i) The change in composition does not cause the 95760
partnership's dissolution under state law. 95761

(ii) The partners agree that the change in composition does 95762
not constitute a change in operator. 95763

(f) If the operator is a corporation, dissolution of the 95764
corporation, a merger of the corporation into another corporation 95765
that is the survivor of the merger, or a consolidation of one or 95766
more other corporations to form a new corporation. 95767

(2) The following, alone, do not constitute a change of 95768
operator: 95769

intermediate care facility for the mentally retarded as the 95771
operator's agent, subject to the operator's approval of daily 95772
operating and management decisions; 95773

(b) A change of ownership, lease, or termination of a lease 95774

if an entering operator does not become the operator in place of 95777
an exiting operator; 95778

(c) If the operator is a corporation, a change of one or more 95779

the intermediate care facility for the mentally retarded ceases to 95791
accept medicaid patients. 95792

(E) "Effective date of a voluntary withdrawal of 95793
participation" means the day the nursing facility ceases to accept 95794
new medicaid patients other than the individuals who reside in the 95795
nursing facility on the day before the effective date of the 95796
voluntary withdrawal of participation. 95797

(F) "Entering operator" means the person or government entity 95798
that will become the operator of a nursing facility or 95799
intermediate care facility for the mentally retarded when a change 95800
of operator occurs. 95801

(G) "Exiting operator" means any of the following: 95802

(1) An operator that will cease to be the operator of a 95803
nursing facility or intermediate care facility for the mentally 95804
retarded on the effective date of a change of operator; 95805

(2) An operator that will cease to be the operator of a 95806
nursing facility or intermediate care facility for the mentally 95807
retarded on the effective date of a facility closure; 95808

Revised Code and shall not disburse pursuant to division (B) of 98719
section 5139.41 of the Revised Code the applicable allocation 98720

filed, the director of the department shall render a decision on 98770
the appeal and shall notify the appellant county or its juvenile 98771
court of that decision within forty-five days after the date that 98772
the appeal is filed. If the director denies an appeal, the 98773
county's fiscal agent shall repay the amount of the unauthorized 98774
expenditures from the county general revenue fund to the state's 98775
general revenue fund within thirty days after receiving the 98776

of the certificate of abatement shall be transmitted to the 99166
attorney general, and if the attorney general finds it to be 99167
correct the attorney general shall so certify on each copy, and 99168
deliver one copy to the taxpayer, one copy to the commissioner, 99169
and the third copy to the treasurer of state. Except as provided 99170
in sections 5725.08 and 5725.16 of the Revised Code the taxpayer's 99171

such revenue of possible changes in existing laws, and the 99192
possible enactment of measures providing for other forms of 99193
taxation. For this purpose the commissioner may establish and 99194

person. The commissioner may designate not more than two of the 99221
deputy commissioners to act as commissioner in case of the 99222
absence, disability, or recusal of the commissioner or vacancy in 99223

Sec. 5703.37. ~~Whenever (A)(1) Except as provided in division 99250
(B) of this section, whenever service of a notice or order is 99251

section, including, but not limited to, delivery by secure 99265
electronic mail. Delivery by such means satisfies the requirements 99266
for delivery under this section. 99267

(B)(1)(a) If certified mail is returned because of an 99268
undeliverable address, the commissioner shall first utilize 99269
reasonable means to ascertain a new last known address, including 99270

returned for some cause other than an undeliverable address, the 99290

sends the notice or order and include the following statement: 99293

was mailed by the commissioner as shown on the notice or order, 99296
and all periods within which an appeal may be filed apply from and 99297
after that date." 99298

Unless the mailing is returned because of an undeliverable 99299
address, the mailing of that information is prima-facie evidence 99300
that delivery of the notice or order was completed ten days after 99301
the commissioner sent the notice or order by ordinary mail and 99302

purpose, provided that prior to such appropriation the board of 99721
education has authorized the expenditure of all amounts 99722
appropriated for contingencies under section 5705.40 of the 99723
Revised Code. Upon request by the board of education, the county 99724
auditor shall draw a warrant on the district's account in the 99725
county treasury payable to the district in the amount requested. 99726

(F)(1) A board of education may include a spending reserve in 99727
its budget for fiscal years ending on or before June 30, 2002. The 99728
spending reserve shall consist of an estimate of expenditures not 99729
to exceed the district's spending reserve balance. A district's 99730
spending reserve balance is the amount by which the designated 99731
percentage of the district's estimated personal property taxes to 99732
be settled during the calendar year in which the fiscal year ends 99733
exceeds the estimated amount of personal property taxes to be so 99734
settled and received by the district during that fiscal year. 99735
Moneys from a spending reserve shall be appropriated in accordance 99736
with section 133.301 of the Revised Code. 99737

(2) For the purposes of computing a school district's 99738
spending reserve balance for a fiscal year, the designated 99739

percentage shall be as follows:		99740
Fiscal year ending in:	Designated percentage	99741
1998	50%	99742
1999	40%	99743
2000	30%	99744
2001	20%	99745
2002	10%	99746

(G) Except as otherwise provided in this division, the county budget commission shall not reduce the taxing authority of a subdivision as a result of the creation of a reserve balance account. Except as otherwise provided in this division, the county budget commission shall not consider the amount in a reserve balance account of a township, county, or municipal corporation as an unencumbered balance or as revenue for the purposes of division (E)(3) or (4) of section 5747.51 of the Revised Code. The county budget commission may require documentation of the reasonableness of the reserve balance held in any reserve balance account. The commission shall consider any amount in a reserve balance account that it determines to be unreasonable as unencumbered and as revenue for the purposes of section 5747.51 of the Revised Code and may take such amounts into consideration when determining whether to reduce the taxing authority of a subdivision.

Sec. 5705.341. Any person required to pay taxes on real, public utility, or tangible personal property in any taxing district or other political subdivision of this state may appeal to the board of tax appeals from the action of the county budget commission of any county which relates to the fixing of uniform rates of taxation and the rate necessary to be levied by each taxing authority within its subdivision or taxing unit and which action has been certified by the county budget commission to the taxing authority of any political subdivision or other taxing district within the county.

Such appeal shall be in writing and shall set forth the tax rate complained of and the reason that such a tax rate is not necessary to produce the revenue needed by the taxing district or political subdivision for the ensuing fiscal year as those needs are set out in the tax budget of said taxing unit or, if adoption of a tax budget was waived under section 5705.281 of the Revised Code, as set out in such other information the district or subdivision was required to provide under that section, or that the action of the budget commission appealed from does not otherwise comply with sections 5705.01 to 5705.47 of the Revised Code. The notice of appeal shall be filed with the board of tax appeals, and a true copy thereof shall be filed with the tax commissioner, the county auditor, and with the fiscal officer of each taxing district or political subdivision authorized to levy the tax complained of, and such notice of appeal and copies thereof must be filed within thirty days after the budget commission has certified its action as provided by section 5705.34 of the Revised Code. Such notice of appeal and the copies thereof may be filed either in person or by certified mail. If filed by certified mail, the date of the United States postmark placed on the sender's receipt by the postal employee to whom the notice of appeal is presented shall be treated as the date of filing.

Prior to filing the appeal provided by this section, the appellant shall deposit with the county auditor of the county or, in the event the appeal concerns joint taxing districts in two or more counties, with the county auditor of the county with the greatest valuation of taxable property the sum of five hundred dollars to cover the costs of the proceeding. The county auditor shall forthwith issue a pay-in order and pay such money into the county treasury to the credit of the general fund. The appellant shall produce the receipt of the county treasurer for such deposit and shall file such receipt with the notice of appeal.

The board of tax appeals shall forthwith consider the matter 99804
presented on appeal from the action of the county budget 99805
commission and may modify any action of the commission with 99806
reference to the fixing of tax rates, to the end that no tax rate 99807
shall be levied above that necessary to produce the revenue needed 99808
by the taxing district or political subdivision for the ensuing 99809
fiscal year and to the end that the action of the budget 99810
commission appealed from shall otherwise be in conformity with 99811
sections 5705.01 to 5705.47 of the Revised Code. The findings of 99812
the board of tax appeals shall be substituted for the findings of 99813
the budget commission and shall be ~~certified~~ sent to the county 99814
auditor and the taxing authority of the taxing district or 99815
political subdivision affected as the action of such budget 99816
commission under sections 5705.01 to 5705.47 of the Revised Code 99817
and to the tax commissioner. 99818

The board of tax appeals shall promptly prepare a cost bill 99819
listing the expenses incurred by the board in conducting any 99820
hearing on the appeal and certify the cost bill to the county 99821
auditor of the county receiving the deposit for costs, who shall 99822
forthwith draw a warrant on the general fund of the county in 99823
favor of the person or persons named in the bill of costs 99824
certified by the board of tax appeals. 99825

In the event the appellant prevails, the board of tax appeals 99826
promptly shall direct the county auditor to refund the deposit to 99827
the appellant and the costs shall be taxed to the taxing district 99828
or political subdivision involved in the appeal. The county 99829
auditor shall withhold from any funds then or thereafter in the 99830
auditor's possession belonging to the taxing district or political 99831
subdivision named in the order of the board of tax appeals and 99832
shall reimburse the general fund of the county. 99833

If the appellant fails, the costs shall be deducted from the 99834
deposit provided for in this section and any balance which remains 99835

shall be refunded promptly to the appellant by warrant of the 99836
county auditor drawn on the general fund of the county. 99837

Nothing in this section or any section of the Revised Code 99838
shall permit or require the levying of any rate of taxation, 99839
whether within the ten-mill limitation or whether the levy has 99840
been approved by the electors of the taxing district, the 99841
political subdivision, or the charter of a municipal corporation 99842
in excess of such ten-mill limitation, unless such rate of 99843
taxation for the ensuing fiscal year is clearly required by a 99844
budget of the taxing district or political subdivision properly 99845
and lawfully adopted under this chapter, or by other information 99846
that must be provided under section 5705.281 of the Revised Code 99847
if a tax budget was waived. 99848

In the event more than one appeal is filed involving the same 99849
taxing district or political subdivision, all such appeals may be 99850
consolidated by the board of tax appeals and heard at the same 99851
time. 99852

Nothing herein contained shall be construed to bar or 99853
prohibit the tax commissioner from initiating an investigation or 99854
hearing on the commissioner's own motion. 99855

The tax commissioner shall adopt and issue such orders, 99856
rules, and instructions, not inconsistent with law, as the 99857
commissioner deems necessary, as to the exercise of the powers and 99858
the discharge of the duties of any particular county budget 99859
commission, county auditor, or other officer which relate to the 99860
budget, the assessment of property, or the levy and collection of 99861
taxes. The commissioner shall cause the orders and instructions 99862
issued by the commissioner to be obeyed. 99863

Sec. 5705.37. The taxing authority of any subdivision, or the 99864
board of trustees of any public library, nonprofit corporation, or 99865
library association maintaining a free public library that has 99866

adopted and certified rules under section 5705.28 of the Revised Code, that is dissatisfied with any action of the county budget commission may, through its fiscal officer, appeal to the board of tax appeals within thirty days after the receipt by the subdivision of the official certificate or notice of the commission's action. In like manner, but through its clerk, any park district may appeal to the board of tax appeals. An appeal under this section shall be taken by the filing of a notice of appeal, either in person or by certified mail, express mail, or authorized delivery service as provided in section 5703.056 of the Revised Code, with the board and with the commission. If notice of appeal is filed by certified mail, express mail, or authorized delivery service, date of the United States postmark placed on the sender's receipt by the postal service or the date of receipt recorded by the authorized delivery service shall be treated as the date of filing. Upon receipt of the notice of appeal, the commission, by certified mail, shall notify all persons who were parties to the proceeding before the commission of the filing of the notice of appeal and shall file proof of notice with the board of tax appeals. The secretary of the commission shall forthwith certify to the board a transcript of the full and accurate record of all proceedings before the commission, together with all evidence presented in the proceedings or considered by the commission, pertaining to the action from which the appeal is taken. The secretary of the commission also shall certify to the board any additional information that the board may request.

The board of tax appeals, in a de novo proceeding, shall forthwith consider the matter presented to the commission, and may modify any action of the commission with reference to the budget, the estimate of revenues and balances, the allocation of the public library fund, or the fixing of tax rates. The finding of the board of tax appeals shall be substituted for the findings of

the commission, and shall be ~~certified~~ sent to the tax 99900
commissioner, the county auditor, and the taxing authority of the 99901
subdivision affected, or to the board of public library trustees 99902
affected, as the action of the commission under sections 5705.01 99903
to 5705.47 of the Revised Code. 99904

This section does not give the board of tax appeals any 99905
authority to place any tax levy authorized by law within the 99906
ten-mill limitation outside of that limitation, or to reduce any 99907
levy below any minimum fixed by law. 99908

Sec. 5709.62. (A) In any municipal corporation that is 99909
defined by the United States office of management and budget as a 99910
principal city of a metropolitan statistical area, the legislative 99911
authority of the municipal corporation may designate one or more 99912
areas within its municipal corporation as proposed enterprise 99913
zones. Upon designating an area, the legislative authority shall 99914
petition the director of development for certification of the area 99915
as having the characteristics set forth in division (A)(1) of 99916
section 5709.61 of the Revised Code as amended by Substitute 99917
Senate Bill No. 19 of the 120th general assembly. Except as 99918
otherwise provided in division (E) of this section, on and after 99919
July 1, 1994, legislative authorities shall not enter into 99920
agreements under this section unless the legislative authority has 99921
petitioned the director and the director has certified the zone 99922
under this section as amended by that act; however, all agreements 99923
entered into under this section as it existed prior to July 1, 99924
1994, and the incentives granted under those agreements shall 99925
remain in effect for the period agreed to under those agreements. 99926
Within sixty days after receiving such a petition, the director 99927
shall determine whether the area has the characteristics set forth 99928
in division (A)(1) of section 5709.61 of the Revised Code, and 99929
shall forward the findings to the legislative authority of the 99930
municipal corporation. If the director certifies the area as 99931

having those characteristics, and thereby certifies it as a zone, 99932
the legislative authority may enter into an agreement with an 99933
enterprise under division (C) of this section. 99934

(B) Any enterprise that wishes to enter into an agreement 99935
with a municipal corporation under division (C) of this section 99936
shall submit a proposal to the legislative authority of the 99937
municipal corporation on a form prescribed by the director of 99938
development, together with the application fee established under 99939
section 5709.68 of the Revised Code. The form shall require the 99940
following information: 99941

(1) An estimate of the number of new employees whom the 99942
enterprise intends to hire, or of the number of employees whom the 99943
enterprise intends to retain, within the zone at a facility that 99944
is a project site, and an estimate of the amount of payroll of the 99945
enterprise attributable to these employees; 99946

(2) An estimate of the amount to be invested by the 99947
enterprise to establish, expand, renovate, or occupy a facility, 99948
including investment in new buildings, additions or improvements 99949
to existing buildings, machinery, equipment, furniture, fixtures, 99950
and inventory; 99951

(3) A listing of the enterprise's current investment, if any, 99952
in a facility as of the date of the proposal's submission. 99953

The enterprise shall review and update the listings required 99954
under this division to reflect material changes, and any agreement 99955
entered into under division (C) of this section shall set forth 99956
final estimates and listings as of the time the agreement is 99957
entered into. The legislative authority may, on a separate form 99958
and at any time, require any additional information necessary to 99959
determine whether an enterprise is in compliance with an agreement 99960
and to collect the information required to be reported under 99961
section 5709.68 of the Revised Code. 99962

(C) Upon receipt and investigation of a proposal under 99963
division (B) of this section, if the legislative authority finds 99964
that the enterprise submitting the proposal is qualified by 99965
financial responsibility and business experience to create and 99966
preserve employment opportunities in the zone and improve the 99967
economic climate of the municipal corporation, the legislative 99968
authority, on or before October 15, ~~2009~~ 2010, may do one of the 99969
following: 99970

(1) Enter into an agreement with the enterprise under which 99971
the enterprise agrees to establish, expand, renovate, or occupy a 99972
facility and hire new employees, or preserve employment 99973
opportunities for existing employees, in return for one or more of 99974
the following incentives: 99975

(a) Exemption for a specified number of years, not to exceed 99976
fifteen, of a specified portion, up to seventy-five per cent, of 99977
the assessed value of tangible personal property first used in 99978
business at the project site as a result of the agreement. If an 99979
exemption for inventory is specifically granted in the agreement 99980
pursuant to this division, the exemption applies to inventory 99981
required to be listed pursuant to sections 5711.15 and 5711.16 of 99982
the Revised Code, except that, in the instance of an expansion or 99983
other situations in which an enterprise was in business at the 99984
facility prior to the establishment of the zone, the inventory 99985
that is exempt is that amount or value of inventory in excess of 99986
the amount or value of inventory required to be listed in the 99987
personal property tax return of the enterprise in the return for 99988
the tax year in which the agreement is entered into. 99989

(b) Exemption for a specified number of years, not to exceed 99990
fifteen, of a specified portion, up to seventy-five per cent, of 99991
the increase in the assessed valuation of real property 99992
constituting the project site subsequent to formal approval of the 99993
agreement by the legislative authority; 99994

(c) Provision for a specified number of years, not to exceed 99995
fifteen, of any optional services or assistance that the municipal 99996
corporation is authorized to provide with regard to the project 99997
site. 99998

(2) Enter into an agreement under which the enterprise agrees 99999
to remediate an environmentally contaminated facility, to spend an 100000
amount equal to at least two hundred fifty per cent of the true 100001
value in money of the real property of the facility prior to 100002
remediation as determined for the purposes of property taxation to 100003
establish, expand, renovate, or occupy the remediated facility, 100004
and to hire new employees or preserve employment opportunities for 100005
existing employees at the remediated facility, in return for one 100006
or more of the following incentives: 100007

(a) Exemption for a specified number of years, not to exceed 100008
fifteen, of a specified portion, not to exceed fifty per cent, of 100009
the assessed valuation of the real property of the facility prior 100010
to remediation; 100011

(b) Exemption for a specified number of years, not to exceed 100012
fifteen, of a specified portion, not to exceed one hundred per 100013
cent, of the increase in the assessed valuation of the real 100014
property of the facility during or after remediation; 100015

(c) The incentive under division (C)(1)(a) of this section, 100016
except that the percentage of the assessed value of such property 100017
exempted from taxation shall not exceed one hundred per cent; 100018

(d) The incentive under division (C)(1)(c) of this section. 100019

(3) Enter into an agreement with an enterprise that plans to 100020
purchase and operate a large manufacturing facility that has 100021
ceased operation or announced its intention to cease operation, in 100022
return for exemption for a specified number of years, not to 100023
exceed fifteen, of a specified portion, up to one hundred per 100024
cent, of the assessed value of tangible personal property used in 100025

business at the project site as a result of the agreement, or of 100026
the assessed valuation of real property constituting the project 100027
site, or both. 100028

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this 100029
section, the portion of the assessed value of tangible personal 100030
property or of the increase in the assessed valuation of real 100031
property exempted from taxation under those divisions may exceed 100032
seventy-five per cent in any year for which that portion is 100033
exempted if the average percentage exempted for all years in which 100034
the agreement is in effect does not exceed sixty per cent, or if 100035
the board of education of the city, local, or exempted village 100036
school district within the territory of which the property is or 100037
will be located approves a percentage in excess of seventy-five 100038
per cent. 100039

(2) Notwithstanding any provision of the Revised Code to the 100040
contrary, the exemptions described in divisions (C)(1)(a), (b), 100041
and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may 100042
be for up to fifteen years if the board of education of the city, 100043
local, or exempted village school district within the territory of 100044
which the property is or will be located approves a number of 100045
years in excess of ten. 100046

(3) For the purpose of obtaining the approval of a city, 100047
local, or exempted village school district under division (D)(1) 100048
or (2) of this section, the legislative authority shall deliver to 100049
the board of education a notice not later than forty-five days 100050
prior to approving the agreement, excluding Saturdays, Sundays, 100051
and legal holidays as defined in section 1.14 of the Revised Code. 100052
The notice shall state the percentage to be exempted, an estimate 100053
of the true value of the property to be exempted, and the number 100054
of years the property is to be exempted. The board of education, 100055
by resolution adopted by a majority of the board, shall approve or 100056
disapprove the agreement and certify a copy of the resolution to 100057

the legislative authority not later than fourteen days prior to 100058
the date stipulated by the legislative authority as the date upon 100059
which approval of the agreement is to be formally considered by 100060
the legislative authority. The board of education may include in 100061
the resolution conditions under which the board would approve the 100062
agreement, including the execution of an agreement to compensate 100063
the school district under division (B) of section 5709.82 of the 100064
Revised Code. The legislative authority may approve the agreement 100065
at any time after the board of education certifies its resolution 100066
approving the agreement to the legislative authority, or, if the 100067
board approves the agreement conditionally, at any time after the 100068
conditions are agreed to by the board and the legislative 100069
authority. 100070

If a board of education has adopted a resolution waiving its 100071
right to approve agreements and the resolution remains in effect, 100072
approval of an agreement by the board is not required under this 100073
division. If a board of education has adopted a resolution 100074
allowing a legislative authority to deliver the notice required 100075
under this division fewer than forty-five business days prior to 100076
the legislative authority's approval of the agreement, the 100077
legislative authority shall deliver the notice to the board not 100078
later than the number of days prior to such approval as prescribed 100079
by the board in its resolution. If a board of education adopts a 100080
resolution waiving its right to approve agreements or shortening 100081
the notification period, the board shall certify a copy of the 100082
resolution to the legislative authority. If the board of education 100083
rescinds such a resolution, it shall certify notice of the 100084
rescission to the legislative authority. 100085

(4) The legislative authority shall comply with section 100086
5709.83 of the Revised Code unless the board of education has 100087
adopted a resolution under that section waiving its right to 100088
receive such notice. 100089

(E) This division applies to zones certified by the director 100090
of development under this section prior to July 22, 1994. 100091

On or before October 15, ~~2009~~ 2010, the legislative authority 100092
that designated a zone to which this division applies may enter 100093
into an agreement with an enterprise if the legislative authority 100094
finds that the enterprise satisfies one of the criteria described 100095
in divisions (E)(1) to (5) of this section: 100096

(1) The enterprise currently has no operations in this state 100097
and, subject to approval of the agreement, intends to establish 100098
operations in the zone; 100099

(2) The enterprise currently has operations in this state 100100
and, subject to approval of the agreement, intends to establish 100101
operations at a new location in the zone that would not result in 100102
a reduction in the number of employee positions at any of the 100103
enterprise's other locations in this state; 100104

(3) The enterprise, subject to approval of the agreement, 100105
intends to relocate operations, currently located in another 100106
state, to the zone; 100107

(4) The enterprise, subject to approval of the agreement, 100108
intends to expand operations at an existing site in the zone that 100109
the enterprise currently operates; 100110

(5) The enterprise, subject to approval of the agreement, 100111
intends to relocate operations, currently located in this state, 100112
to the zone, and the director of development has issued a waiver 100113
for the enterprise under division (B) of section 5709.633 of the 100114
Revised Code. 100115

The agreement shall require the enterprise to agree to 100116
establish, expand, renovate, or occupy a facility in the zone and 100117
hire new employees, or preserve employment opportunities for 100118
existing employees, in return for one or more of the incentives 100119
described in division (C) of this section. 100120

(F) All agreements entered into under this section shall be 100121
in the form prescribed under section 5709.631 of the Revised Code. 100122
After an agreement is entered into under this section, if the 100123
legislative authority revokes its designation of a zone, or if the 100124
director of development revokes a zone's certification, any 100125
entitlements granted under the agreement shall continue for the 100126
number of years specified in the agreement. 100127

(G) Except as otherwise provided in this division, an 100128
agreement entered into under this section shall require that the 100129
enterprise pay an annual fee equal to the greater of one per cent 100130
of the dollar value of incentives offered under the agreement or 100131
five hundred dollars; provided, however, that if the value of the 100132
incentives exceeds two hundred fifty thousand dollars, the fee 100133
shall not exceed two thousand five hundred dollars. The fee shall 100134
be payable to the legislative authority once per year for each 100135
year the agreement is effective on the days and in the form 100136
specified in the agreement. Fees paid shall be deposited in a 100137
special fund created for such purpose by the legislative authority 100138
and shall be used by the legislative authority exclusively for the 100139
purpose of complying with section 5709.68 of the Revised Code and 100140
by the tax incentive review council created under section 5709.85 100141
of the Revised Code exclusively for the purposes of performing the 100142
duties prescribed under that section. The legislative authority 100143
may waive or reduce the amount of the fee charged against an 100144
enterprise, but such a waiver or reduction does not affect the 100145
obligations of the legislative authority or the tax incentive 100146
review council to comply with section 5709.68 or 5709.85 of the 100147
Revised Code. 100148

(H) When an agreement is entered into pursuant to this 100149
section, the legislative authority authorizing the agreement shall 100150
forward a copy of the agreement to the director of development and 100151
to the tax commissioner within fifteen days after the agreement is 100152

entered into. If any agreement includes terms not provided for in 100153
section 5709.631 of the Revised Code affecting the revenue of a 100154
city, local, or exempted village school district or causing 100155
revenue to be foregone by the district, including any compensation 100156
to be paid to the school district pursuant to section 5709.82 of 100157
the Revised Code, those terms also shall be forwarded in writing 100158
to the director of development along with the copy of the 100159
agreement forwarded under this division. 100160

(I) After an agreement is entered into, the enterprise shall 100161
file with each personal property tax return required to be filed, 100162
or annual report required to be filed under section 5727.08 of the 100163
Revised Code, while the agreement is in effect, an informational 100164
return, on a form prescribed by the tax commissioner for that 100165
purpose, setting forth separately the property, and related costs 100166
and values, exempted from taxation under the agreement. 100167

(J) Enterprises may agree to give preference to residents of 100168
the zone within which the agreement applies relative to residents 100169
of this state who do not reside in the zone when hiring new 100170
employees under the agreement. 100171

(K) An agreement entered into under this section may include 100172
a provision requiring the enterprise to create one or more 100173
temporary internship positions for students enrolled in a course 100174
of study at a school or other educational institution in the 100175
vicinity, and to create a scholarship or provide another form of 100176
educational financial assistance for students holding such a 100177
position in exchange for the student's commitment to work for the 100178
enterprise at the completion of the internship. 100179

(L) The tax commissioner's authority in determining the 100180
accuracy of any exemption granted by an agreement entered into 100181
under this section is limited to divisions (C)(1)(a) and (b), 100182
(C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and 100183
divisions (B)(1) to (10) of section 5709.631 of the Revised Code 100184

and, as authorized by law, to enforcing any modification to, or 100185
revocation of, that agreement by the legislative authority of a 100186
municipal corporation or the director of development. 100187

Sec. 5709.63. (A) With the consent of the legislative 100188
authority of each affected municipal corporation or of a board of 100189
township trustees, a board of county commissioners may, in the 100190
manner set forth in section 5709.62 of the Revised Code, designate 100191
one or more areas in one or more municipal corporations or in 100192
unincorporated areas of the county as proposed enterprise zones. A 100193
board of county commissioners may designate no more than one area 100194
within a township, or within adjacent townships, as a proposed 100195
enterprise zone. The board shall petition the director of 100196
development for certification of the area as having the 100197
characteristics set forth in division (A)(1) or (2) of section 100198
5709.61 of the Revised Code as amended by Substitute Senate Bill 100199
No. 19 of the 120th general assembly. Except as otherwise provided 100200
in division (D) of this section, on and after July 1, 1994, boards 100201
of county commissioners shall not enter into agreements under this 100202
section unless the board has petitioned the director and the 100203
director has certified the zone under this section as amended by 100204
that act; however, all agreements entered into under this section 100205
as it existed prior to July 1, 1994, and the incentives granted 100206
under those agreements shall remain in effect for the period 100207
agreed to under those agreements. The director shall make the 100208
determination in the manner provided under section 5709.62 of the 100209
Revised Code. 100210

Any enterprise wishing to enter into an agreement with the 100211
board under division (B) or (D) of this section shall submit a 100212
proposal to the board on the form and accompanied by the 100213
application fee prescribed under division (B) of section 5709.62 100214
of the Revised Code. The enterprise shall review and update the 100215
estimates and listings required by the form in the manner required 100216

under that division. The board may, on a separate form and at any 100217
time, require any additional information necessary to determine 100218
whether an enterprise is in compliance with an agreement and to 100219
collect the information required to be reported under section 100220
5709.68 of the Revised Code. 100221

(B) If the board of county commissioners finds that an 100222
enterprise submitting a proposal is qualified by financial 100223
responsibility and business experience to create and preserve 100224
employment opportunities in the zone and to improve the economic 100225
climate of the municipal corporation or municipal corporations or 100226
the unincorporated areas in which the zone is located and to which 100227
the proposal applies, the board, on or before October 15, ~~2009~~ 100228
2010, and with the consent of the legislative authority of each 100229
affected municipal corporation or of the board of township 100230
trustees may do either of the following: 100231

(1) Enter into an agreement with the enterprise under which 100232
the enterprise agrees to establish, expand, renovate, or occupy a 100233
facility in the zone and hire new employees, or preserve 100234
employment opportunities for existing employees, in return for the 100235
following incentives: 100236

(a) When the facility is located in a municipal corporation, 100237
the board may enter into an agreement for one or more of the 100238
incentives provided in division (C) of section 5709.62 of the 100239
Revised Code, subject to division (D) of that section; 100240

(b) When the facility is located in an unincorporated area, 100241
the board may enter into an agreement for one or more of the 100242
following incentives: 100243

(i) Exemption for a specified number of years, not to exceed 100244
fifteen, of a specified portion, up to sixty per cent, of the 100245
assessed value of tangible personal property first used in 100246
business at a project site as a result of the agreement. If an 100247

exemption for inventory is specifically granted in the agreement 100248
pursuant to this division, the exemption applies to inventory 100249
required to be listed pursuant to sections 5711.15 and 5711.16 of 100250
the Revised Code, except, in the instance of an expansion or other 100251
situations in which an enterprise was in business at the facility 100252
prior to the establishment of the zone, the inventory that is 100253
exempt is that amount or value of inventory in excess of the 100254
amount or value of inventory required to be listed in the personal 100255
property tax return of the enterprise in the return for the tax 100256
year in which the agreement is entered into. 100257

(ii) Exemption for a specified number of years, not to exceed 100258
fifteen, of a specified portion, up to sixty per cent, of the 100259
increase in the assessed valuation of real property constituting 100260
the project site subsequent to formal approval of the agreement by 100261
the board; 100262

(iii) Provision for a specified number of years, not to 100263
exceed fifteen, of any optional services or assistance the board 100264
is authorized to provide with regard to the project site; 100265

(iv) The incentive described in division (C)(2) of section 100266
5709.62 of the Revised Code. 100267

(2) Enter into an agreement with an enterprise that plans to 100268
purchase and operate a large manufacturing facility that has 100269
ceased operation or has announced its intention to cease 100270
operation, in return for exemption for a specified number of 100271
years, not to exceed fifteen, of a specified portion, up to one 100272
hundred per cent, of tangible personal property used in business 100273
at the project site as a result of the agreement, or of real 100274
property constituting the project site, or both. 100275

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of 100276
this section, the portion of the assessed value of tangible 100277
personal property or of the increase in the assessed valuation of 100278

real property exempted from taxation under those divisions may 100279
exceed sixty per cent in any year for which that portion is 100280
exempted if the average percentage exempted for all years in which 100281
the agreement is in effect does not exceed fifty per cent, or if 100282
the board of education of the city, local, or exempted village 100283
school district within the territory of which the property is or 100284
will be located approves a percentage in excess of sixty per cent. 100285

(b) Notwithstanding any provision of the Revised Code to the 100286
contrary, the exemptions described in divisions (B)(1)(b)(i), 100287
(ii), (iii), and (iv) and (B)(2) of this section may be for up to 100288
fifteen years if the board of education of the city, local, or 100289
exempted village school district within the territory of which the 100290
property is or will be located approves a number of years in 100291
excess of ten. 100292

(c) For the purpose of obtaining the approval of a city, 100293
local, or exempted village school district under division 100294
(C)(1)(a) or (b) of this section, the board of county 100295
commissioners shall deliver to the board of education a notice not 100296
later than forty-five days prior to approving the agreement, 100297
excluding Saturdays, Sundays, and legal holidays as defined in 100298
section 1.14 of the Revised Code. The notice shall state the 100299
percentage to be exempted, an estimate of the true value of the 100300
property to be exempted, and the number of years the property is 100301
to be exempted. The board of education, by resolution adopted by a 100302
majority of the board, shall approve or disapprove the agreement 100303
and certify a copy of the resolution to the board of county 100304
commissioners not later than fourteen days prior to the date 100305
stipulated by the board of county commissioners as the date upon 100306
which approval of the agreement is to be formally considered by 100307
the board of county commissioners. The board of education may 100308
include in the resolution conditions under which the board would 100309
approve the agreement, including the execution of an agreement to 100310

compensate the school district under division (B) of section 100311
5709.82 of the Revised Code. The board of county commissioners may 100312
approve the agreement at any time after the board of education 100313
certifies its resolution approving the agreement to the board of 100314
county commissioners, or, if the board of education approves the 100315
agreement conditionally, at any time after the conditions are 100316
agreed to by the board of education and the board of county 100317
commissioners. 100318

If a board of education has adopted a resolution waiving its 100319
right to approve agreements and the resolution remains in effect, 100320
approval of an agreement by the board of education is not required 100321
under division (C) of this section. If a board of education has 100322
adopted a resolution allowing a board of county commissioners to 100323
deliver the notice required under this division fewer than 100324
forty-five business days prior to approval of the agreement by the 100325
board of county commissioners, the board of county commissioners 100326
shall deliver the notice to the board of education not later than 100327
the number of days prior to such approval as prescribed by the 100328
board of education in its resolution. If a board of education 100329
adopts a resolution waiving its right to approve agreements or 100330
shortening the notification period, the board of education shall 100331
certify a copy of the resolution to the board of county 100332
commissioners. If the board of education rescinds such a 100333
resolution, it shall certify notice of the rescission to the board 100334
of county commissioners. 100335

(2) The board of county commissioners shall comply with 100336
section 5709.83 of the Revised Code unless the board of education 100337
has adopted a resolution under that section waiving its right to 100338
receive such notice. 100339

(D) This division applies to zones certified by the director 100340
of development under this section prior to July 22, 1994. 100341

On or before October 15, ~~2009~~ 2010, and with the consent of 100342

the legislative authority of each affected municipal corporation 100343
or board of township trustees of each affected township, the board 100344
of county commissioners that designated a zone to which this 100345
division applies may enter into an agreement with an enterprise if 100346
the board finds that the enterprise satisfies one of the criteria 100347
described in divisions (D)(1) to (5) of this section: 100348

(1) The enterprise currently has no operations in this state 100349
and, subject to approval of the agreement, intends to establish 100350
operations in the zone; 100351

(2) The enterprise currently has operations in this state 100352
and, subject to approval of the agreement, intends to establish 100353
operations at a new location in the zone that would not result in 100354
a reduction in the number of employee positions at any of the 100355
enterprise's other locations in this state; 100356

(3) The enterprise, subject to approval of the agreement, 100357
intends to relocate operations, currently located in another 100358
state, to the zone; 100359

(4) The enterprise, subject to approval of the agreement, 100360
intends to expand operations at an existing site in the zone that 100361
the enterprise currently operates; 100362

(5) The enterprise, subject to approval of the agreement, 100363
intends to relocate operations, currently located in this state, 100364
to the zone, and the director of development has issued a waiver 100365
for the enterprise under division (B) of section 5709.633 of the 100366
Revised Code. 100367

The agreement shall require the enterprise to agree to 100368
establish, expand, renovate, or occupy a facility in the zone and 100369
hire new employees, or preserve employment opportunities for 100370
existing employees, in return for one or more of the incentives 100371
described in division (B) of this section. 100372

(E) All agreements entered into under this section shall be 100373

in the form prescribed under section 5709.631 of the Revised Code. 100374
After an agreement under this section is entered into, if the 100375
board of county commissioners revokes its designation of a zone, 100376
or if the director of development revokes a zone's certification, 100377
any entitlements granted under the agreement shall continue for 100378
the number of years specified in the agreement. 100379

(F) Except as otherwise provided in this division, an 100380
agreement entered into under this section shall require that the 100381
enterprise pay an annual fee equal to the greater of one per cent 100382
of the dollar value of incentives offered under the agreement or 100383
five hundred dollars; provided, however, that if the value of the 100384
incentives exceeds two hundred fifty thousand dollars, the fee 100385
shall not exceed two thousand five hundred dollars. The fee shall 100386
be payable to the board of county commissioners once per year for 100387
each year the agreement is effective on the days and in the form 100388
specified in the agreement. Fees paid shall be deposited in a 100389
special fund created for such purpose by the board and shall be 100390
used by the board exclusively for the purpose of complying with 100391
section 5709.68 of the Revised Code and by the tax incentive 100392
review council created under section 5709.85 of the Revised Code 100393
exclusively for the purposes of performing the duties prescribed 100394
under that section. The board may waive or reduce the amount of 100395
the fee charged against an enterprise, but such waiver or 100396
reduction does not affect the obligations of the board or the tax 100397
incentive review council to comply with section 5709.68 or 5709.85 100398
of the Revised Code, respectively. 100399

(G) With the approval of the legislative authority of a 100400
municipal corporation or the board of township trustees of a 100401
township in which a zone is designated under division (A) of this 100402
section, the board of county commissioners may delegate to that 100403
legislative authority or board any powers and duties of the board 100404
of county commissioners to negotiate and administer agreements 100405

with regard to that zone under this section. 100406

(H) When an agreement is entered into pursuant to this 100407
section, the board of county commissioners authorizing the 100408
agreement or the legislative authority or board of township 100409
trustees that negotiates and administers the agreement shall 100410
forward a copy of the agreement to the director of development and 100411
to the tax commissioner within fifteen days after the agreement is 100412
entered into. If any agreement includes terms not provided for in 100413
section 5709.631 of the Revised Code affecting the revenue of a 100414
city, local, or exempted village school district or causing 100415
revenue to be foregone by the district, including any compensation 100416
to be paid to the school district pursuant to section 5709.82 of 100417
the Revised Code, those terms also shall be forwarded in writing 100418
to the director of development along with the copy of the 100419
agreement forwarded under this division. 100420

(I) After an agreement is entered into, the enterprise shall 100421
file with each personal property tax return required to be filed, 100422
or annual report that is required to be filed under section 100423
5727.08 of the Revised Code, while the agreement is in effect, an 100424
informational return, on a form prescribed by the tax commissioner 100425
for that purpose, setting forth separately the property, and 100426
related costs and values, exempted from taxation under the 100427
agreement. 100428

(J) Enterprises may agree to give preference to residents of 100429
the zone within which the agreement applies relative to residents 100430
of this state who do not reside in the zone when hiring new 100431
employees under the agreement. 100432

(K) An agreement entered into under this section may include 100433
a provision requiring the enterprise to create one or more 100434
temporary internship positions for students enrolled in a course 100435
of study at a school or other educational institution in the 100436
vicinity, and to create a scholarship or provide another form of 100437

educational financial assistance for students holding such a 100438
position in exchange for the student's commitment to work for the 100439
enterprise at the completion of the internship. 100440

(L) The tax commissioner's authority in determining the 100441
accuracy of any exemption granted by an agreement entered into 100442
under this section is limited to divisions (B)(1)(b)(i) and (ii), 100443
(B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of 100444
this section as it pertains to divisions (C)(2)(a), (b), and (c) 100445
of section 5709.62 of the Revised Code, and divisions (B)(1) to 100446
(10) of section 5709.631 of the Revised Code and, as authorized by 100447
law, to enforcing any modification to, or revocation of, that 100448
agreement by the board of county commissioners or the director of 100449
development or, if the board's powers and duties are delegated 100450
under division (G) of this section, by the legislative authority 100451
of a municipal corporation or board of township trustees. 100452

Sec. 5709.632. (A)(1) The legislative authority of a 100453
municipal corporation defined by the United States office of 100454
management and budget as a principal city of a metropolitan 100455
statistical area may, in the manner set forth in section 5709.62 100456
of the Revised Code, designate one or more areas in the municipal 100457
corporation as a proposed enterprise zone. 100458

(2) With the consent of the legislative authority of each 100459
affected municipal corporation or of a board of township trustees, 100460
a board of county commissioners may, in the manner set forth in 100461
section 5709.62 of the Revised Code, designate one or more areas 100462
in one or more municipal corporations or in unincorporated areas 100463
of the county as proposed urban jobs and enterprise zones, except 100464
that a board of county commissioners may designate no more than 100465
one area within a township, or within adjacent townships, as a 100466
proposed urban jobs and enterprise zone. 100467

(3) The legislative authority or board of county 100468

commissioners may petition the director of development for 100469
certification of the area as having the characteristics set forth 100470
in division (A)(3) of section 5709.61 of the Revised Code. Within 100471
sixty days after receiving such a petition, the director shall 100472
determine whether the area has the characteristics set forth in 100473
that division and forward the findings to the legislative 100474
authority or board of county commissioners. If the director 100475
certifies the area as having those characteristics and thereby 100476
certifies it as a zone, the legislative authority or board may 100477
enter into agreements with enterprises under division (B) of this 100478
section. Any enterprise wishing to enter into an agreement with a 100479
legislative authority or board of county commissioners under this 100480
section and satisfying one of the criteria described in divisions 100481
(B)(1) to (5) of this section shall submit a proposal to the 100482
legislative authority or board on the form prescribed under 100483
division (B) of section 5709.62 of the Revised Code and shall 100484
review and update the estimates and listings required by the form 100485
in the manner required under that division. The legislative 100486
authority or board may, on a separate form and at any time, 100487
require any additional information necessary to determine whether 100488
an enterprise is in compliance with an agreement and to collect 100489
the information required to be reported under section 5709.68 of 100490
the Revised Code. 100491

(B) Prior to entering into an agreement with an enterprise, 100492
the legislative authority or board of county commissioners shall 100493
determine whether the enterprise submitting the proposal is 100494
qualified by financial responsibility and business experience to 100495
create and preserve employment opportunities in the zone and to 100496
improve the economic climate of the municipal corporation or 100497
municipal corporations or the unincorporated areas in which the 100498
zone is located and to which the proposal applies, and whether the 100499
enterprise satisfies one of the following criteria: 100500

(1) The enterprise currently has no operations in this state 100501
and, subject to approval of the agreement, intends to establish 100502
operations in the zone; 100503

(2) The enterprise currently has operations in this state 100504
and, subject to approval of the agreement, intends to establish 100505
operations at a new location in the zone that would not result in 100506
a reduction in the number of employee positions at any of the 100507
enterprise's other locations in this state; 100508

(3) The enterprise, subject to approval of the agreement, 100509
intends to relocate operations, currently located in another 100510
state, to the zone; 100511

(4) The enterprise, subject to approval of the agreement, 100512
intends to expand operations at an existing site in the zone that 100513
the enterprise currently operates; 100514

(5) The enterprise, subject to approval of the agreement, 100515
intends to relocate operations, currently located in this state, 100516
to the zone, and the director of development has issued a waiver 100517
for the enterprise under division (B) of section 5709.633 of the 100518
Revised Code. 100519

(C) If the legislative authority or board determines that the 100520
enterprise is so qualified and satisfies one of the criteria 100521
described in divisions (B)(1) to (5) of this section, the 100522
legislative authority or board may, after complying with section 100523
5709.83 of the Revised Code and on or before October 15, ~~2009~~ 100524
2010, and, in the case of a board of commissioners, with the 100525
consent of the legislative authority of each affected municipal 100526
corporation or of the board of township trustees, enter into an 100527
agreement with the enterprise under which the enterprise agrees to 100528
establish, expand, renovate, or occupy a facility in the zone and 100529
hire new employees, or preserve employment opportunities for 100530
existing employees, in return for the following incentives: 100531

(1) When the facility is located in a municipal corporation, 100532
a legislative authority or board of commissioners may enter into 100533
an agreement for one or more of the incentives provided in 100534
division (C) of section 5709.62 of the Revised Code, subject to 100535
division (D) of that section; 100536

(2) When the facility is located in an unincorporated area, a 100537
board of commissioners may enter into an agreement for one or more 100538
of the incentives provided in divisions (B)(1)(b), (B)(2), and 100539
(B)(3) of section 5709.63 of the Revised Code, subject to division 100540
(C) of that section. 100541

(D) All agreements entered into under this section shall be 100542
in the form prescribed under section 5709.631 of the Revised Code. 100543
After an agreement under this section is entered into, if the 100544
legislative authority or board of county commissioners revokes its 100545
designation of the zone, or if the director of development revokes 100546
the zone's certification, any entitlements granted under the 100547
agreement shall continue for the number of years specified in the 100548
agreement. 100549

(E) Except as otherwise provided in this division, an 100550
agreement entered into under this section shall require that the 100551

five hundred dollars; provided, however, that if the value of the 100554
incentives exceeds two hundred fifty thousand dollars, the fee 100555
shall not exceed two thousand five hundred dollars. The fee shall 100556
be payable to the legislative authority or board of commissioners 100557

The legislative authority or board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the legislative authority or board or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code, respectively.

(F) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A)(2) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board to negotiate and administer agreements with regard to that zone under this section.

(G) When an agreement is entered into pursuant to this section, the legislative authority or board of commissioners authorizing the agreement shall forward a copy of the agreement to the director of development and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be foregone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development along with the copy of the agreement forwarded under this division.

(H) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting

forth separately the property, and related costs and values, 100596
exempted from taxation under the agreement. 100597

(I) An agreement entered into under this section may include 100598
a provision requiring the enterprise to create one or more 100599
temporary internship positions for students enrolled in a course 100600
of study at a school or other educational institution in the 100601
vicinity, and to create a scholarship or provide another form of 100602
educational financial assistance for students holding such a 100603
position in exchange for the student's commitment to work for the 100604
enterprise at the completion of the internship. 100605

Sec. 5711.33. (A)(1) When a county treasurer receives a 100606
certificate from a county auditor pursuant to division (A) of 100607
section 5711.32 of the Revised Code charging the treasurer with 100608
the collection of an amount of taxes due as the result of a 100609
deficiency assessment, the treasurer shall immediately prepare and 100610
mail a tax bill to the taxpayer owing such tax. The tax bill shall 100611
contain the name of the taxpayer; the taxable value, tax rate, and 100612
taxes charged for each year being assessed; the total amount of 100613
taxes due; the final date payment may be made without additional 100614
penalty; and any other information the treasurer considers 100615
pertinent or necessary. Taxes due and payable as a result of a 100616
deficiency assessment, less any amount specifically excepted from 100617
collection under division (B) of section 5711.32 of the Revised 100618
Code, shall be paid with interest thereon as prescribed by section 100619
5719.041 of the Revised Code on or before the sixtieth day 100620
following the date of issuance of the certificate by the county 100621
auditor. The balance of taxes found due and payable after a final 100622
determination by the tax commissioner or a final judgment of the 100623
board of tax appeals or any court to which such final judgment may 100624
be appealed shall be paid with interest thereon as prescribed by 100625
section 5719.041 of the Revised Code on or before the sixtieth day 100626
following the date of certification by the auditor to the 100627

treasurer pursuant to division (C) of section 5711.32 of the 100628
Revised Code of such final determination or judgment. Such final 100629
dates for payment shall be determined and exhibited on the tax 100630
bill by the treasurer. 100631

(2) If, on or before the sixtieth day following the date of a 100632
certification of a deficiency assessment under division (A) of 100633
section 5711.32 of the Revised Code or of a certification of a 100634
final determination or judgment under division (C) of section 100635
5711.32 of the Revised Code, the taxpayer pays the full amount of 100636
taxes and interest due at the time of the receipt of certification 100637
with respect to that assessment, determination, or judgment, no 100638
interest shall accrue or be charged with respect to that 100639
assessment, determination, or judgment for the period that begins 100640
on the first day of the month in which the certification is made 100641
and that ends on the last day of the month preceding the month in 100642
which such sixtieth day occurs. 100643

(B) When the taxes charged, as mentioned in division (A) of 100644
this section, are not paid within the time prescribed by such 100645
division, a penalty of ten per cent of the amount due and unpaid 100646
and interest for the period described in division (A)(2) of this 100647
section shall accrue at the time the treasurer closes the 100648
treasurer's office for business on the last day so prescribed, but 100649
if the taxes are paid within ten days subsequent to the last day 100650
prescribed, the treasurer shall waive the collection of and the 100651
auditor shall remit one-half of the penalty. The treasurer shall 100652
not thereafter accept less than the full amount of taxes and 100653
penalty except as otherwise authorized by law. Such penalty shall 100654
be distributed in the same manner and at the same time as the tax 100655
upon which it has accrued. The whole amount collected shall be 100656
included in the next succeeding settlement of appropriate taxes. 100657

(C) When the taxes charged, as mentioned in division (A) of 100658
this section, remain unpaid after the final date for payment 100659

prescribed by such division, such charges shall be deemed to be 100660
delinquent taxes. The county auditor shall cause such charges, 100661
including the penalty that has accrued pursuant to this section, 100662
to be added to the delinquent tax duplicate in accordance with 100663
section 5719.04 of the Revised Code. 100664

(D) The county auditor, upon consultation with the county 100665
treasurer, shall remit a penalty imposed under division (B) of 100666
this section or division ~~(C)~~(D) of section 5719.03 of the Revised 100667
Code for the late payment of taxes when: 100668

(1) The taxpayer could not make timely payment of the tax 100669
because of the negligence or error of the county auditor or county 100670
treasurer in the performance of a statutory duty relating to the 100671
levy or collection of such tax. 100672

(2) In cases other than those described in division (D)(1) of 100673
this section, the taxpayer failed to receive a tax bill or a 100674

obtain such bill within thirty days after the last day for payment 100676
of the tax. 100677

(3) The tax was not timely paid because of the death or 100678
serious injury of the taxpayer, or the taxpayer's confinement in a 100679
hospital within sixty days preceding the last day for payment of 100680
the tax if, in any case, the tax was subsequently paid within 100681
sixty days after the last day for payment of such tax. 100682

(4) The taxpayer demonstrates that the full payment was 100683
properly deposited in the mail in sufficient time for the envelope 100684
to be postmarked by the United States postal service on or before 100685
the last day for payment of such tax. A private meter postmark on 100686
an envelope is not a valid postmark for purposes of establishing 100687
the date of payment of such tax. 100688

(5) In cases other than those described in divisions (D)(1) 100689
to (4) of this section, the taxpayer's failure to make timely 100690

payment of the tax is due to reasonable cause and not willful neglect. 100691
100692

(E) The taxpayer, upon application within sixty days after the mailing of the county auditor's decision, may request the tax commissioner to review the denial of the remission of a penalty by the county auditor. The application may be filed in person or by certified mail. If the application is filed by certified mail, the date of the United States postmark placed on the sender's receipt by the postal service shall be treated as the date of filing. The commissioner shall consider the application, determine whether the penalty should be remitted, and certify the determination to the taxpayer and to the county treasurer and county auditor, who shall correct the tax list and duplicate accordingly. The commissioner may issue orders and instructions for the uniform implementation of this section by all county auditors and county treasurers, and such orders and instructions shall be followed by such officers. 100693

than in a qualified active low-income community business, all or a 101167
portion of the credit received on account of that investment shall 101168
be paid by the insurance company that received the credit to the 101169

under this division shall be credited as revenue from the tax 101183
levied under section 5725.18 of the Revised Code. 101184

development, in consultation with the tax commissioner and the 101189
superintendent of insurance, pursuant to Chapter 119. of the 101190
Revised Code, shall adopt rules for the administration of this 101191
section and sections 5729.16 and 5733.58 of the Revised Code. The 101192

Any such fees collected shall be credited to the fund. The 101205

(2) The total taxable value in tax year 1999 less the tax value loss in each school district, joint vocational school district, and local taxing unit multiplied by one-fourth of one mill.

If the amount computed under division (H) of this section for any school district, joint vocational school district, or local taxing unit is greater than zero, that amount shall equal the fixed-sum levy loss reimbursed pursuant to division (E) of section 5727.85 of the Revised Code or division (A)(2) of section 5727.86

of the Revised Code, and the one-fourth of one mill that is 101503
subtracted under division (H)(2) of this section shall be 101504
apportioned among all contributing fixed-sum levies in the 101505
proportion of each levy to the sum of all fixed-sum levies within 101506
each school district, joint vocational school district, or local 101507
taxing unit. 101508

(I) Notwithstanding divisions (D), (E), (G), and (H) of this 101509

and fixed-sum levy loss, the tax commissioner shall use the 101511

levy losses associated with the electric company tax value loss, 101513
but the 1999 tax rate shall not include for this purpose any tax 101514
levy approved by the voters after June 30, 1999, and the tax 101515
commissioner shall use the greater of the 1999 or the 2000 tax 101516
rate in the case of levy losses associated with the natural gas 101517
company tax value loss. 101518

(J) Not later than January 1, 2002, the tax commissioner 101519

(c) For the purposes of computing the amount of a credit that 101806
may be carried forward to a subsequent tax year under division 101807
(G)(2) of this section, a credit is utilized against the tax for a 101808
tax year to the extent the credit applies against the tax for that 101809

applicable fraction under division (G)(2)(a) of this section. 101811

(3) Nothing in division (G) of this section eliminates or 101812

interest in such nonprofit corporations, and with respect to a 101820
financial institution that does not have capital stock, "issued 101821
and outstanding shares of stock" includes, but is not limited to, 101822
ownership interests of depositors in the capital employed in such 101823
an institution. 101824

by section 5733.06 of the Revised Code. 101826

(C) "Resident" means a corporation organized under the laws 101827
of this state. 101828

(D) "Commercial domicile" means the principal place from 101829
which the trade or business of the taxpayer is directed or 101830

(E) "Taxable year" means the period prescribed by division 101832
(A) of section 5733.031 of the Revised Code upon the net income of 101833
which the value of the taxpayer's issued and outstanding shares of 101834
stock is determined under division (B) of section 5733.05 of the 101835
Revised Code or the period prescribed by division (A) of section 101836
5733.031 of the Revised Code that immediately precedes the date as 101837

of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as amended. 101844

(H) "Federal income tax" means the income tax imposed by the 101845
Internal Revenue Code. 101846

(I) Except as provided in section 5733.058 of the Revised 101847
Code, "net income" means the taxpayer's taxable income before 101848
operating loss deduction and special deductions, as required to be 101849
reported for the taxpayer's taxable year under the Internal 101850
Revenue Code, subject to the following adjustments: 101851

(1)(a) Deduct any net operating loss incurred in any taxable 101852
years ending in 1971 or thereafter, but exclusive of any net 101853
operating loss incurred in taxable years ending prior to January 101854
1, 1971. This deduction shall not be allowed in any tax year 101855
commencing before December 31, 1973, but shall be carried over and 101856
allowed in tax years commencing after December 31, 1973, until 101857
fully utilized in the next succeeding taxable year or years in 101858
which the taxpayer has net income, but in no case for more than 101859
the designated carryover period as described in division (I)(1)(b) 101860
of this section. The amount of such net operating loss, as 101861
determined under the allocation and apportionment provisions of 101862
section 5733.051 and division (B) of section 5733.05 of the 101863
Revised Code for the year in which the net operating loss occurs, 101864
shall be deducted from net income, as determined under the 101865
allocation and apportionment provisions of section 5733.051 and 101866
division (B) of section 5733.05 of the Revised Code, to the extent 101867
necessary to reduce net income to zero with the remaining unused 101868
portion of the deduction, if any, carried forward to the remaining 101869
years of the designated carryover period as described in division 101870
(I)(1)(b) of this section, or until fully utilized, whichever 101871
occurs first. 101872

(b) For losses incurred in taxable years ending on or before 101873
December 31, 1981, the designated carryover period shall be the 101874
five consecutive taxable years after the taxable year in which the 101875

net operating loss occurred. For losses incurred in taxable years 101876
ending on or after January 1, 1982, and beginning before August 6, 101877
1997, the designated carryover period shall be the fifteen 101878
consecutive taxable years after the taxable year in which the net 101879
operating loss occurs. For losses incurred in taxable years 101880
beginning on or after August 6, 1997, the designated carryover 101881
period shall be the twenty consecutive taxable years after the 101882
taxable year in which the net operating loss occurs. 101883

(c) The tax commissioner may require a taxpayer to furnish 101884
any information necessary to support a claim for deduction under 101885
division (I)(1)(a) of this section and no deduction shall be 101886
allowed unless the information is furnished. 101887

(2) Deduct any amount included in net income by application 101888
of section 78 or 951 of the Internal Revenue Code, amounts 101889
received for royalties, technical or other services derived from 101890
sources outside the United States, and dividends received from a 101891
subsidiary, associate, or affiliated corporation that neither 101892
transacts any substantial portion of its business nor regularly 101893
maintains any substantial portion of its assets within the United 101894
States. For purposes of determining net foreign source income 101895
deductible under division (I)(2) of this section, the amount of 101896
gross income from all such sources other than dividend income and 101897
income derived by application of section 78 or 951 of the Internal 101898
Revenue Code shall be reduced by: 101899

(a) The amount of any reimbursed expenses for personal 101900
services performed by employees of the taxpayer for the 101901
subsidiary, associate, or affiliated corporation; 101902

(b) Ten per cent of the amount of royalty income and 101903
technical assistance fees; 101904

(c) Fifteen per cent of the amount of all other income. 101905

The amounts described in divisions (I)(2)(a) to (c) of this 101906

section are deemed to be the expenses attributable to the 101907
production of deductible foreign source income unless the taxpayer 101908
shows, by clear and convincing evidence, less actual expenses, or 101909
the tax commissioner shows, by clear and convincing evidence, more 101910
actual expenses. 101911

(3) Add any loss or deduct any gain resulting from the sale, 101912
exchange, or other disposition of a capital asset, or an asset 101913
described in section 1231 of the Internal Revenue Code, to the 101914
extent that such loss or gain occurred prior to the first taxable 101915
year on which the tax provided for in section 5733.06 of the 101916
Revised Code is computed on the corporation's net income. For 101917
purposes of division (I)(3) of this section, the amount of the 101918
prior loss or gain shall be measured by the difference between the 101919
original cost or other basis of the asset and the fair market 101920
value as of the beginning of the first taxable year on which the 101921
tax provided for in section 5733.06 of the Revised Code is 101922
computed on the corporation's net income. At the option of the 101923
taxpayer, the amount of the prior loss or gain may be a percentage 101924
of the gain or loss, which percentage shall be determined by 101925
multiplying the gain or loss by a fraction, the numerator of which 101926
is the number of months from the acquisition of the asset to the 101927
beginning of the first taxable year on which the fee provided in 101928
section 5733.06 of the Revised Code is computed on the 101929
corporation's net income, and the denominator of which is the 101930
number of months from the acquisition of the asset to the sale, 101931
exchange, or other disposition of the asset. The adjustments 101932
described in this division do not apply to any gain or loss where 101933
the gain or loss is recognized by a qualifying taxpayer, as 101934
defined in section 5733.0510 of the Revised Code, with respect to 101935
a qualifying taxable event, as defined in that section. 101936

(4) Deduct the dividend received deduction provided by 101937
section 243 of the Internal Revenue Code. 101938

(5) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent included in federal taxable income. As used in divisions (I)(5) and (6) of this section, "public obligations," "purchase obligations," and "interest or interest equivalent" have the same meanings as in section 5709.76 of the Revised Code.

101946
101947

(7) To the extent not otherwise allowed, deduct any dividends or distributions received by a taxpayer from a public utility, excluding an electric company and a combined company, and, for tax years 2005 and thereafter, a telephone company, if the taxpayer owns at least eighty per cent of the issued and outstanding common stock of the public utility. As used in division (I)(7) of this section, "public utility" means a public utility as defined in Chapter 5727. of the Revised Code, whether or not the public utility is doing business in the state.

As used in division (I)(8) of this section, "insurance company" means an insurance company that is taxable under Chapter 5725. or 5729. of the Revised Code.

101960
101961
101962

(9) Deduct expenditures for modifying existing buildings or structures to meet American national standards institute standard A-117.1-1961 (R-1971), as amended; provided, that no deduction shall be allowed to the extent that such deduction is not permitted under federal law or under rules of the tax commissioner. Those deductions as are allowed may be taken over a period of five years. The tax commissioner shall adopt rules under Chapter 119. of the Revised Code establishing reasonable

buildings or structures are attributable to the purpose of making 101972
the buildings or structures accessible to and usable by physically 101973
handicapped persons. 101974

(10) Deduct the amount of wages and salaries, if any, not 101975
otherwise allowable as a deduction but that would have been 101976
allowable as a deduction in computing federal taxable income 101977
before operating loss deduction and special deductions for the 101978
taxable year, had the targeted jobs credit allowed and determined 101979
under sections 38, 51, and 52 of the Internal Revenue Code not 101980
been in effect. 101981

(11) Deduct net interest income on obligations of the United 101982
States and its territories and possessions or of any authority, 101983
commission, or instrumentality of the United States to the extent 101984
the laws of the United States prohibit inclusion of the net 101985
interest for purposes of determining the value of the taxpayer's 101986
issued and outstanding shares of stock under division (B) of 101987
section 5733.05 of the Revised Code. As used in division (I)(11) 101988
of this section, "net interest" means interest net of any expenses 101989
taken on the federal income tax return that would not have been 101990
allowed under section 265 of the Internal Revenue Code if the 101991
interest were exempt from federal income tax. 101992

(12)(a) Except as set forth in division (I)(12)(d) of this 101993
section, to the extent not included in computing the taxpayer's 101994
federal taxable income before operating loss deduction and special 101995
deductions, add gains and deduct losses from direct or indirect 101996
sales, exchanges, or other dispositions, made by a related entity 101997
who is not a taxpayer, of the taxpayer's indirect, beneficial, or 101998
constructive investment in the stock or debt of another entity, 101999
unless the gain or loss has been included in computing the federal 102000
taxable income before operating loss deduction and special 102001
deductions of another taxpayer with a more closely related 102002

investment in the stock or debt of the other entity. The amount of 102003
gain added or loss deducted shall not exceed the product obtained 102004
by multiplying such gain or loss by the taxpayer's proportionate 102005
share, directly, indirectly, beneficially, or constructively, of 102006
the outstanding stock of the related entity immediately prior to 102007
the direct or indirect sale, exchange, or other disposition. 102008

(b) Except as set forth in division (I)(12)(e) of this 102009
section, to the extent not included in computing the taxpayer's 102010
federal taxable income before operating loss deduction and special 102011
deductions, add gains and deduct losses from direct or indirect 102012
sales, exchanges, or other dispositions made by a related entity 102013
who is not a taxpayer, of intangible property other than stock, 102014
securities, and debt, if such property was owned, or used in whole 102015
or in part, at any time prior to or at the time of the sale, 102016
exchange, or disposition by either the taxpayer or by a related 102017
entity that was a taxpayer at any time during the related entity's 102018
ownership or use of such property, unless the gain or loss has 102019
been included in computing the federal taxable income before 102020
operating loss deduction and special deductions of another 102021
taxpayer with a more closely related ownership or use of such 102022
intangible property. The amount of gain added or loss deducted 102023
shall not exceed the product obtained by multiplying such gain or 102024
loss by the taxpayer's proportionate share, directly, indirectly, 102025
beneficially, or constructively, of the outstanding stock of the 102026
related entity immediately prior to the direct or indirect sale, 102027
exchange, or other disposition. 102028

(c) As used in division (I)(12) of this section, "related 102029
entity" means those entities described in divisions (I)(12)(c)(i) 102030
to (iii) of this section: 102031

(i) An individual stockholder, or a member of the 102032
stockholder's family enumerated in section 318 of the Internal 102033
Revenue Code, if the stockholder and the members of the 102034

stockholder's family own, directly, indirectly, beneficially, or 102035
constructively, in the aggregate, at least fifty per cent of the 102036
value of the taxpayer's outstanding stock; 102037

(ii) A stockholder, or a stockholder's partnership, estate, 102038
trust, or corporation, if the stockholder and the stockholder's 102039
partnerships, estates, trusts, and corporations own directly, 102040
indirectly, beneficially, or constructively, in the aggregate, at 102041
least fifty per cent of the value of the taxpayer's outstanding 102042
stock; 102043

(iii) A corporation, or a party related to the corporation in 102044
a manner that would require an attribution of stock from the 102045
corporation to the party or from the party to the corporation 102046
under division (I)(12)(c)(iv) of this section, if the taxpayer 102047
owns, directly, indirectly, beneficially, or constructively, at 102048
least fifty per cent of the value of the corporation's outstanding 102049
stock. 102050

(iv) The attribution rules of section 318 of the Internal 102051
Revenue Code apply for purposes of determining whether the 102052
ownership requirements in divisions (I)(12)(c)(i) to (iii) of this 102053
section have been met. 102054

(d) For purposes of the adjustments required by division 102055
(I)(12)(a) of this section, the term "investment in the stock or 102056
debt of another entity" means only those investments where the 102057
taxpayer and the taxpayer's related entities directly, indirectly, 102058
beneficially, or constructively own, in the aggregate, at any time 102059
during the twenty-four month period commencing one year prior to 102060
the direct or indirect sale, exchange, or other disposition of 102061
such investment at least fifty per cent or more of the value of 102062
either the outstanding stock or such debt of such other entity. 102063

(e) For purposes of the adjustments required by division 102064

Revised Code, the add-back shall be allocated to the same location 102143
as the income or loss generated by that property. Otherwise, the 102144
add-back shall be apportioned, subject to division (B)(2)(d) of 102145

succeeding five tax years. 102150

(b) If the amount deducted under division (I)(18)(a) of this 102151
section is attributable to an add-back allocated under division 102152
(I)(17)(c) of this section, the amount deducted shall be allocated 102153
to the same location. Otherwise, the amount shall be apportioned 102154
using the apportionment factors for the taxable year in which the 102155
deduction is taken, subject to division (B)(2)(d) of section 102156
5733.05 of the Revised Code. 102157

director of development. The credit amount equals the amount 102361

order required under section 5733.98 of the Revised Code. If the 102363
credit amount exceeds the tax otherwise due under section 5733.06 102364

Sec. 5739.03. (A) Except as provided in section 5739.05 or section 5739.051 of the Revised Code, the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code shall be paid by the consumer to the vendor, and each vendor shall collect from the consumer, as a trustee for the state of Ohio, the full and exact amount of the tax payable on each taxable sale, in the manner and at the times provided as follows:

104167
104168
104169
104170
104171
104172
104173
104174

(1) If the price is, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, paid in currency passed from hand to hand by the consumer or the consumer's agent to the vendor or the vendor's agent, the vendor or the vendor's agent shall collect the tax with and at the same time as the price;

(2) If the price is otherwise paid or to be paid, the vendor or the vendor's agent shall, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, charge the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code to the account of the consumer, which amount shall be collected by the vendor from the consumer in addition to the price. Such sale shall be reported on and the amount of the tax applicable thereto shall be remitted with the return for the period in which the sale is made, and the amount of the tax shall become a legal charge in favor of the vendor and against the consumer.

(B)(1)(a) If any sale is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to (11) or (28) of section 5739.02 of the Revised Code, the consumer must provide to the vendor, and the vendor must obtain from the consumer, a certificate specifying the reason that the sale is not legally subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A vendor that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under section 5739.02, 5739.021, 5739.023, or 5739.026 or Chapter

5741. of the Revised Code. Relief under this division from	104207
liability does not apply to any of the following:	104208
(i) A vendor that fraudulently fails to collect tax;	104209
(ii) A vendor that solicits consumers to participate in the unlawful claim of an exemption;	104210 104211
(iii) A vendor that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the vendor in this state, and this state has posted to its website an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;	104212 104213 104214 104215 104216 104217 104218 104219
(iv) A vendor that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.	104220 104221 104222 104223 104224
(2) The vendor shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.	104225 104226 104227
(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.	104228 104229 104230 104231 104232
(4) If no certificate is provided or obtained within ninety days after the date on which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a vendor, within one hundred twenty days after the tax commissioner gives written	104233 104234 104235 104236 104237

notice of intent to levy an assessment, from either establishing 104238
that the sale is not subject to the tax, or obtaining, in good 104239
faith, a fully completed exemption certificate. 104240

(5) Certificates need not be obtained nor provided where the 104241
identity of the consumer is such that the transaction is never 104242
subject to the tax imposed or where the item of tangible personal 104243
property sold or the service provided is never subject to the tax 104244
imposed, regardless of use, or when the sale is in interstate 104245
commerce. 104246

(6) If a transaction is claimed to be exempt under division 104247
(B)(13) of section 5739.02 of the Revised Code, the contractor 104248
shall obtain certification of the claimed exemption from the 104249
contractee. This certification shall be in addition to an 104250
exemption certificate provided by the contractor to the vendor. A 104251
contractee that provides a certification under this division shall 104252
be deemed to be the consumer of all items purchased by the 104253
contractor under the claim of exemption, if it is subsequently 104254
determined that the exemption is not properly claimed. The 104255
certification shall be in such form as the tax commissioner 104256
prescribes. 104257

(C) As used in this division, "contractee" means a person who 104258
seeks to enter or enters into a contract or agreement with a 104259
contractor or vendor for the construction of real property or for 104260
the sale and installation onto real property of tangible personal 104261
property. 104262

Any contractor or vendor may request from any contractee a 104263
certification of what portion of the property to be transferred 104264
under such contract or agreement is to be incorporated into the 104265
realty and what portion will retain its status as tangible 104266
personal property after installation is completed. The contractor 104267
or vendor shall request the certification by certified mail 104268
delivered to the contractee, return receipt requested. Upon 104269

receipt of such request and prior to entering into the contract or 104270
agreement, the contractee shall provide to the contractor or 104271
vendor a certification sufficiently detailed to enable the 104272
contractor or vendor to ascertain the resulting classification of 104273
all materials purchased or fabricated by the contractor or vendor 104274
and transferred to the contractee. This requirement applies to a 104275
contractee regardless of whether the contractee holds a direct 104276
payment permit under section 5739.031 of the Revised Code or 104277
provides to the contractor or vendor an exemption certificate as 104278
provided under this section. 104279

For the purposes of the taxes levied by this chapter and 104280
Chapter 5741. of the Revised Code, the contractor or vendor may in 104281
good faith rely on the contractee's certification. Notwithstanding 104282
division (B) of section 5739.01 of the Revised Code, if the tax 104283
commissioner determines that certain property certified by the 104284
contractee as tangible personal property pursuant to this division 104285
is, in fact, real property, the contractee shall be considered to 104286
be the consumer of all materials so incorporated into that real 104287
property and shall be liable for the applicable tax, and the 104288
contractor or vendor shall be excused from any liability on those 104289
materials. 104290

If a contractee fails to provide such certification upon the 104291
request of the contractor or vendor, the contractor or vendor 104292
shall comply with the provisions of this chapter and Chapter 5741. 104293
of the Revised Code without the certification. If the tax 104294
commissioner determines that such compliance has been performed in 104295
good faith and that certain property treated as tangible personal 104296
property by the contractor or vendor is, in fact, real property, 104297
the contractee shall be considered to be the consumer of all 104298
materials so incorporated into that real property and shall be 104299
liable for the applicable tax, and the construction contractor or 104300
vendor shall be excused from any liability on those materials. 104301

This division does not apply to any contract or agreement 104302
where the tax commissioner determines as a fact that a 104303
certification under this division was made solely on the decision 104304
or advice of the contractor or vendor. 104305

(D) Notwithstanding division (B) of section 5739.01 of the 104306
Revised Code, whenever the total rate of tax imposed under this 104307
chapter is increased after the date after a construction contract 104308
is entered into, the contractee shall reimburse the construction 104309
contractor for any additional tax paid on tangible property 104310
consumed or services received pursuant to the contract. 104311

(E) A vendor who files a petition for reassessment contesting 104312
the assessment of tax on sales for which the vendor obtained no 104313
valid exemption certificates and for which the vendor failed to 104314
establish that the sales were properly not subject to the tax 104315
during the one-hundred-twenty-day period allowed under division 104316
(B) of this section, may present to the tax commissioner 104317
additional evidence to prove that the sales were properly subject 104318
to a claim of exception or exemption. The vendor shall file such 104319
evidence within ninety days of the receipt by the vendor of the 104320
notice of assessment, except that, upon application and for 104321
reasonable cause, the period for submitting such evidence shall be 104322
extended thirty days. 104323

The commissioner shall consider such additional evidence in 104324
reaching the final determination on the assessment and petition 104325
for reassessment. 104326

(F) Whenever a vendor refunds the price, minus any separately 104327
stated delivery charge, of an item of tangible personal property 104328
on which the tax imposed under this chapter has been paid, the 104329
vendor shall also refund the amount of tax paid, minus the amount 104330
of tax attributable to the delivery charge. 104331

Sec. 5739.033. (A) Except as provided in division (B) of this 104332

section, divisions (C) to (I) of this section apply to sales made 104333
on and after January 1, 2008. Any vendor previously required to 104334
comply with divisions (C) to (I) of this section and any vendor 104335
that irrevocably elects to comply with divisions (C) to (I) of 104336
this section for all of the vendor's sales and places of business 104337
in this state shall continue to source its sales under those 104338
divisions. 104339

The amount of tax due pursuant to sections 5739.02, 5739.021, 104340
5739.023, and 5739.026 of the Revised Code is the sum of the taxes 104341
imposed pursuant to those sections at the sourcing location of the 104342
sale as determined under this section or, if applicable, under 104343
division (C) of section 5739.031 or section 5739.034 of the 104344
Revised Code, or at the situs of the sale as determined under 104345
section 5739.035 of the Revised Code. This section applies only to 104346
a vendor's or seller's obligation to collect and remit sales taxes 104347
under section 5739.02, 5739.021, 5739.023, or 5739.026 of the 104348
Revised Code or use taxes under section 5741.02, 5741.021, 104349
5741.022, or 5741.023 of the Revised Code. Division (A) of this 104350
section does not apply in determining the jurisdiction for which 104351
sellers are required to collect the use tax under section 5741.05 104352
of the Revised Code. This section does not affect the obligation 104353
of a consumer to remit use taxes on the storage, use, or other 104354
consumption of tangible personal property or on the benefit 104355
realized of any service provided, to the jurisdiction of that 104356
storage, use, or consumption, or benefit realized. 104357

(B)(1) As used in this division: 104358

(a) "Delivery sale" means the taxable sale of tangible 104359
personal property or a service that is received by a consumer, or 104360
a donee designated by the consumer, in a taxing jurisdiction that 104361
is not the taxing jurisdiction in which the vendor has a fixed 104362
place of business. 104363

(b) "Agreement" has the same meaning as in section 5740.01 of 104364

the Revised Code. 104365

(c) "Governing board" has the same meaning as in section 104366
5740.02 of the Revised Code. 104367

(2) If the tax commissioner does not make the certification 104368
under section 5740.10 of the Revised Code, a vendor that is not 104369
required by division (A) of this section to situs sales under 104370
divisions (C) to (I) of this section on the date of the 104371
commissioner's certification may continue after that date to situs 104372
its sales under section 5739.035 of the Revised Code unless it is 104373
required, under division (B)(5) of this section, to situs its 104374
sales under divisions (C) to (I) of this section. 104375

(3) Except as otherwise provided in divisions (B)(4) and (5) 104376
of this section, a vendor with total delivery sales within this 104377
state in prior calendar years, beginning with calendar year 2007, 104378
of less than five hundred thousand dollars may situs its sales 104379
under section 5739.035 of the Revised Code. 104380

(4) Once a vendor has total delivery sales in this state of 104381
five hundred thousand dollars or more for a prior calendar year, 104382
the vendor shall source its sales under divisions (C) to (I) of 104383
this section and shall continue to source its sales under those 104384
divisions regardless of the amount of the vendor's total delivery 104385
sales in future years. 104386

(5) A vendor permitted under division (B)(3) of this section 104387
to situs its sales under section 5739.035 of the Revised Code that 104388
fails to provide, absent a clerical error, the notices required 104389
under division (I)(1) of section 5739.035 of the Revised Code 104390
shall situs all subsequent sales as required under divisions (C) 104391
to (I) of this section. 104392

(C) Except for sales, other than leases, of titled motor 104393
vehicles, titled watercraft, or titled outboard motors as provided 104394
in section 5741.05 of the Revised Code, or as otherwise provided 104395

in this section and section 5739.034 of the Revised Code, all 104396
sales shall be sourced as follows: 104397

(1) If the consumer or a donee designated by the consumer 104398
receives tangible personal property or a service at a vendor's 104399
place of business, the sale shall be sourced to that place of 104400
business. 104401

(2) When the tangible personal property or service is not 104402
received at a vendor's place of business, the sale shall be 104403
sourced to the location known to the vendor where the consumer or 104404
the donee designated by the consumer receives the tangible 104405
personal property or service, including the location indicated by 104406
instructions for delivery to the consumer or the consumer's donee. 104407

(3) If divisions (C)(1) and (2) of this section do not apply, 104408
the sale shall be sourced to the location indicated by an address 104409
for the consumer that is available from the vendor's business 104410
records that are maintained in the ordinary course of the vendor's 104411
business, when use of that address does not constitute bad faith. 104412
104413

(4) If divisions (C)(1), (2), and (3) of this section do not 104414
apply, the sale shall be sourced to the location indicated by an 104415
address for the consumer obtained during the consummation of the 104416
sale, including the address associated with the consumer's payment 104417
instrument, if no other address is available, when use of that 104418
address does not constitute bad faith. 104419

(5) If divisions (C)(1), (2), (3), and (4) of this section do 104420
not apply, including in the circumstance where the vendor is 104421
without sufficient information to apply any of those divisions, 104422
the sale shall be sourced to the address from which tangible 104423
personal property was shipped, or from which the service was 104424
provided, disregarding any location that merely provided the 104425
electronic transfer of the property sold or service provided. 104426

(6) As used in division (C) of this section, "receive" means 104427
taking possession of tangible personal property or making first 104428
use of a service. "Receive" does not include possession by a 104429
shipping company on behalf of a consumer. 104430

(D)(1)(a) Notwithstanding divisions (C)(1) to (5) of this 104431
section, a business consumer that is not a holder of a direct 104432
payment permit granted under section 5739.031 of the Revised Code, 104433
that purchases a digital good, computer software, except computer 104434
software received in person by a business consumer at a vendor's 104435
place of business, or a service, and that knows at the time of 104436
purchase that such digital good, software, or service will be 104437
concurrently available for use in more than one taxing 104438
jurisdiction shall deliver to the vendor in conjunction with its 104439
purchase an exemption certificate claiming multiple points of use, 104440
or shall meet the requirements of division (D)(2) of this section. 104441
On receipt of the exemption certificate claiming multiple points 104442
of use, the vendor is relieved of its obligation to collect, pay, 104443
or remit the tax due, and the business consumer must pay the tax 104444
directly to the state. 104445

(b) A business consumer that delivers the exemption 104446
certificate claiming multiple points of use to a vendor may use 104447
any reasonable, consistent, and uniform method of apportioning the 104448
tax due on the digital good, computer software, or service that is 104449
supported by the consumer's business records as they existed at 104450
the time of the sale. The business consumer shall report and pay 104451
the appropriate tax to each jurisdiction where concurrent use 104452
occurs. The tax due shall be calculated as if the apportioned 104453
amount of the digital good, computer software, or service had been 104454
delivered to each jurisdiction to which the sale is apportioned 104455
under this division. 104456

(c) The exemption certificate claiming multiple points of use 104457
shall remain in effect for all future sales by the vendor to the 104458

business consumer until it is revoked in writing by the business consumer, except as to the business consumer's specific apportionment of a subsequent sale under division (D)(1)(b) of this section and the facts existing at the time of the sale.

(2) When the vendor knows that a digital good, computer software, or service sold will be concurrently available for use by the business consumer in more than one jurisdiction, but the business consumer does not provide an exemption certificate claiming multiple points of use as required by division (D)(1) of this section, the vendor may work with the business consumer to produce the correct apportionment. Governed by the principles of division (D)(1)(b) of this section, the vendor and business consumer may use any reasonable, but consistent and uniform, method of apportionment that is supported by the vendor's and business consumer's books and records as they exist at the time the sale is reported for purposes of the taxes levied under this chapter. If the business consumer certifies to the accuracy of the apportionment and the vendor accepts the certification, the vendor shall collect and remit the tax accordingly. In the absence of bad faith, the vendor is relieved of any further obligation to collect tax on any transaction where the vendor has collected tax pursuant to the information certified by the business consumer.

(3) When the vendor knows that the digital good, computer software, or service will be concurrently available for use in more than one jurisdiction, and the business consumer does not have a direct pay permit and does not provide to the vendor an exemption certificate claiming multiple points of use as required in division (D)(1) of this section, or certification pursuant to division (D)(2) of this section, the vendor shall collect and remit the tax based on division (C) of this section.

(4) Nothing in this section shall limit a person's obligation for sales or use tax to any state in which a digital good,

computer software, or service is concurrently available for use, 104491
nor limit a person's ability under local, state, or federal law, 104492
to claim a credit for sales or use taxes legally due and paid to 104493
other jurisdictions. 104494

(E) A person who holds a direct payment permit issued under 104495
section 5739.031 of the Revised Code is not required to deliver an 104496
exemption certificate claiming multiple points of use to a vendor. 104497
But such permit holder shall comply with division (D)(2) of this 104498
section in apportioning the tax due on a digital good, computer 104499
software, or a service for use in business that will be 104500
concurrently available for use in more than one taxing 104501
jurisdiction. 104502

(F)(1) Notwithstanding divisions (C)(1) to (5) of this 104503
section, the consumer of direct mail that is not a holder of a 104504
direct payment permit shall provide to the vendor in conjunction 104505
with the sale either an exemption certificate claiming direct mail 104506
prescribed by the tax commissioner, or information to show the 104507
jurisdictions to which the direct mail is delivered to recipients. 104508

(2) Upon receipt of such exemption certificate, the vendor is 104509
relieved of all obligations to collect, pay, or remit the 104510
applicable tax and the consumer is obligated to pay that tax on a 104511
direct pay basis. An exemption certificate claiming direct mail 104512
shall remain in effect for all future sales of direct mail by the 104513
vendor to the consumer until it is revoked in writing. 104514

(3) Upon receipt of information from the consumer showing the 104515
jurisdictions to which the direct mail is delivered to recipients, 104516
the vendor shall collect the tax according to the delivery 104517
information provided by the consumer. In the absence of bad faith, 104518
the vendor is relieved of any further obligation to collect tax on 104519
any transaction where the vendor has collected tax pursuant to the 104520
delivery information provided by the consumer. 104521

(4) If the consumer of direct mail does not have a direct payment permit and does not provide the vendor with either an exemption certificate claiming direct mail or delivery information as required by division (F)(1) of this section, the vendor shall collect the tax according to division (C)(5) of this section. regulations may prescribe the time for payment of the tax, and may 104639
provide for the imposition of a penalty or interest, or both, for 104640
late payments, provided that the penalty does not exceed ten per 104641

municipal corporation or in the unincorporated portion of the 104650
township from each transaction, not to exceed thirty-three and 104651
one-third per cent. The remainder of the revenue arising from the 104652

county as defined in section 307.695 of the Revised Code adopts a 104659
resolution amending a resolution levying a tax under this division 104660
to provide that the revenue from the tax shall be used by the 104661
board as described in division (H) of section 307.695 of the 104662
Revised Code, the remainder of the revenue shall be used as 104663
described in the resolution making that amendment. Except as 104664
provided in division (A)(2), (3), (4), (5), (6), or (7) or (H) of 104665

commissioners may not levy an excise tax pursuant to this division 104667
in any municipal corporation or township located wholly or partly 104668
within the county that has in effect an ordinance or resolution 104669
levying an excise tax pursuant to division (B) of this section. 104670
The board of a county that has levied a tax under division (C) of 104671

the resolution levying a tax under this division to provide for a 104674
portion of that tax to be pledged and contributed in accordance 104675
with an agreement entered into under section 307.695 of the 104676
Revised Code. A tax, any revenue from which is pledged pursuant to 104677

such an agreement, shall remain in effect at the rate at which it 104678
is imposed for the duration of the period for which the revenue 104679
from the tax has been so pledged. 104680

The board of county commissioners of an eligible county as 104681
defined in section 307.695 of the Revised Code may, by resolution 104682
adopted by a majority of the members of the board, amend a 104683
resolution levying a tax under this division to provide that the 104684
revenue from the tax shall be used by the board as described in 104685
division (H) of section 307.695 of the Revised Code, in which case 104686
the tax shall remain in effect at the rate at which it was imposed 104687
for the duration of any agreement entered into by the board under 104688
section 307.695 of the Revised Code, the duration during which any 104689
securities issued by the board under that section are outstanding, 104690
or the duration of the period during which the board owns a 104691
project as defined in section 307.695 of the Revised Code, 104692
whichever duration is longest. 104693

(2) A board of county commissioners that levies an excise tax 104694
under division (A)(1) of this section on June 30, 1997, at a rate 104695
of three per cent, and that has pledged revenue from the tax to an 104696
agreement entered into under section 307.695 of the Revised Code 104697
or, in the case of the board of county commissioners of an 104698
eligible county as defined in section 307.695 of the Revised Code, 104699
has amended a resolution levying a tax under division (C) of this 104700
section to provide that proceeds from the tax shall be used by the 104701
board as described in division (H) of section 307.695 of the 104702
Revised Code, may, at any time by a resolution adopted by a 104703
majority of the members of the board, amend the resolution levying 104704
a tax under division (A)(1) of this section to provide for an 104705
increase in the rate of that tax up to seven per cent on each 104706
transaction; to provide that revenue from the increase in the rate 104707
shall be used as described in division (H) of section 307.695 of 104708
the Revised Code or be spent solely to make contributions to the 104709

convention and visitors' bureau operating within the county to be 104710
used specifically for promotion, advertising, and marketing of the 104711
region in which the county is located; and to provide that the 104712
rate in excess of the three per cent levied under division (A)(1) 104713
of this section shall remain in effect at the rate at which it is 104714
imposed for the duration of the period during which any agreement 104715
is in effect that was entered into under section 307.695 of the 104716
Revised Code by the board of county commissioners levying a tax 104717
under division (A)(1) of this section, the duration of the period 104718
during which any securities issued by the board under division (I) 104719
of section 307.695 of the Revised Code are outstanding, or the 104720
duration of the period during which the board owns a project as 104721
defined in section 307.695 of the Revised Code, whichever duration 104722
is longest. The amendment also shall provide that no portion of 104723
that revenue need be returned to townships or municipal 104724
corporations as would otherwise be required under division (A)(1) 104725
of this section. 104726

(3) A board of county commissioners that levies a tax under 104727
division (A)(1) of this section on March 18, 1999, at a rate of 104728
three per cent may, by resolution adopted not later than 104729
forty-five days after March 18, 1999, amend the resolution levying 104730
the tax to provide for all of the following: 104731

(a) That the rate of the tax shall be increased by not more 104732
than an additional four per cent on each transaction; 104733

(b) That all of the revenue from the increase in the rate 104734
shall be pledged and contributed to a convention facilities 104735
authority established by the board of county commissioners under 104736
Chapter 351. of the Revised Code on or before November 15, 1998, 104737
and used to pay costs of constructing, maintaining, operating, and 104738
promoting a facility in the county, including paying bonds, or 104739
notes issued in anticipation of bonds, as provided by that 104740
chapter; 104741

(c) That no portion of the revenue arising from the increase 104742
in rate need be returned to municipal corporations or townships as 104743
otherwise required under division (A)(1) of this section; 104744

(d) That the increase in rate shall not be subject to 104745
diminution by initiative or referendum or by law while any bonds, 104746
or notes in anticipation of bonds, issued by the authority under 104747
Chapter 351. of the Revised Code to which the revenue is pledged, 104748
remain outstanding in accordance with their terms, unless 104749
provision is made by law or by the board of county commissioners 104750
for an adequate substitute therefor that is satisfactory to the 104751
trustee if a trust agreement secures the bonds. 104752

Division (A)(3) of this section does not apply to the board 104753
of county commissioners of any county in which a convention center 104754
or facility exists or is being constructed on November 15, 1998, 104755
or of any county in which a convention facilities authority levies 104756
a tax pursuant to section 351.021 of the Revised Code on that 104757
date. 104758

As used in division (A)(3) of this section, "cost" and 104759
"facility" have the same meanings as in section 351.01 of the 104760
Revised Code, and "convention center" has the same meaning as in 104761
section 307.695 of the Revised Code. 104762

(4)(a) A board of county commissioners that levies a tax 104763
under division (A)(1) of this section on June 30, 2002, at a rate 104764
of three per cent may, by resolution adopted not later than 104765
September 30, 2002, amend the resolution levying the tax to 104766
provide for all of the following: 104767

that chapter; 104778

(iii) That no portion of the revenue arising from the 104779
increase in rate need be returned to municipal corporations or 104780
townships as otherwise required under division (A)(1) of this 104781
section; 104782

(iv) That the increase in rate shall not be subject to 104783
diminution by initiative or referendum or by law while any bonds, 104784
or notes in anticipation of bonds, issued by the authority under 104785
Chapter 351. of the Revised Code to which the revenue is pledged, 104786
remain outstanding in accordance with their terms, unless 104787
provision is made by law or by the board of county commissioners 104788
for an adequate substitute therefor that is satisfactory to the 104789
trustee if a trust agreement secures the bonds. 104790

(b) Any board of county commissioners that, pursuant to 104791
division (A)(4)(a) of this section, has amended a resolution 104792
levying the tax authorized by division (A)(1) of this section may 104793
further amend the resolution to provide that the revenue referred 104794
to in division (A)(4)(a)(ii) of this section shall be pledged and 104795
contributed both to a convention facilities authority to pay the 104796

more convention centers in the county, including paying bonds, or 104798
notes issued in anticipation of bonds, as provided in Chapter 351. 104799
of the Revised Code, and to a convention and visitors' bureau to 104800
pay the costs of promoting one or more convention centers in the 104801
county. 104802

As used in division (A)(4) of this section, "cost" has the 104803
same meaning as in section 351.01 of the Revised Code, and 104804

"convention center" has the same meaning as in section 307.695 of the Revised Code. 104805
104806

(5)(a) As used in division (A)(5) of this section: 104807

(i) "Port authority" means a port authority created under Chapter 4582. of the Revised Code. 104808

104811
104812
104813
104814
104815
104816

(b) For the purpose of contributing revenue to pay operating expenses of a port authority that operates a port authority military-use facility, the board of county commissioners of a county that created, participated in the creation of, or has joined such a port authority may do one or both of the following: 104817
104818
104819

104827
104828
104829

(c) If a board of county commissioners amends a resolution to increase the rate of a tax as authorized in division (A)(5)(b)(ii) of this section, the board also may amend the resolution to specify that the increase in rate of the tax does not apply to "hotels," as otherwise defined in section 5739.01 of the Revised Code, having fewer rooms used for the accommodation of guests than 104830
104831
104832
104833

104835

a number of rooms specified by the board. 104836

(6) A board of county commissioners of a county organized 104837
under a county charter adopted pursuant to Article X, Section 3, 104838
Ohio Constitution, and that levies an excise tax under division 104839
(A)(1) of this section at a rate of three per cent and levies an 104840
additional excise tax under division (E) of this section at a rate 104841
of one and one-half per cent may, by resolution adopted not later 104842
than January 1, 2008, by a majority of the members of the board, 104843
amend the resolution levying a tax under division (A)(1) of this 104844
section to provide for an increase in the rate of that tax by not 104845
more than an additional one per cent on transactions by which 104846
lodging by a hotel is or is to be furnished to transient guests. 104847
Notwithstanding divisions (A)(1) and (E) of this section, the 104848
resolution shall provide that all of the revenue from the increase 104849
in rate, after deducting the real and actual costs of 104850
administering the tax, shall be used to pay the costs of 104851
improving, expanding, equipping, financing, or operating a 104852
convention center by a convention and visitors' bureau in the 104853
county. The increase in rate shall remain in effect for the period 104854
specified in the resolution, not to exceed ten years. The increase 104855
in rate shall be subject to the regulations adopted under division 104856
(A)(1) of this section, except that the resolution may provide 104857
that no portion of the revenue from the increase in the rate shall 104858
be returned to townships or municipal corporations as would 104859
otherwise be required under that division. 104860

(7) Division (A)(7) of this section applies only to a county 104861
with a population greater than sixty-five thousand and less than 104862
seventy thousand according to the most recent federal decennial 104863
census and in which, on December 31, 2006, an excise tax is levied 104864
under division (A)(1) of this section at a rate not less than and 104865
not greater than three per cent, and in which the most recent 104866
increase in the rate of that tax was enacted or took effect in 104867

November 1984. 104868

The board of county commissioners of a county to which this 104869
division applies, by resolution adopted by a majority of the 104870
members of the board, may increase the rate of the tax by not more 104871
than one per cent on transactions by which lodging by a hotel is 104872
or is to be furnished to transient guests. The increase in rate 104873
shall be for the purpose of paying expenses deemed necessary by 104874
the convention and visitors' bureau operating in the county to 104875
promote travel and tourism. The increase in rate shall remain in 104876
effect for the period specified in the resolution, not to exceed 104877
twenty years, provided that the increase in rate may not continue 104878
beyond the time when the purpose for which the increase is levied 104879
ceases to exist. If revenue from the increase in rate is pledged 104880
to the payment of debt charges on securities, the increase in rate 104881
is not subject to diminution by initiative or referendum or by law 104882
for so long as the securities are outstanding, unless provision is 104883
made by law or by the board of county commissioners for an 104884
adequate substitute for that revenue that is satisfactory to the 104885
trustee if a trust agreement secures payment of the debt charges. 104886
The increase in rate shall be subject to the regulations adopted 104887
under division (A)(1) of this section, except that the resolution 104888
may provide that no portion of the revenue from the increase in 104889
the rate shall be returned to townships or municipal corporations 104890
as would otherwise be required under division (A)(1) of this 104891
section. A resolution adopted under division (A)(7) of this 104892
section is subject to referendum under sections 305.31 to 305.99 104893
of the Revised Code. 104894

(B)(1) The legislative authority of a municipal corporation 104895
or the board of trustees of a township that is not wholly or 104896
partly located in a county that has in effect a resolution levying 104897
an excise tax pursuant to division (A)(1) of this section may, by 104898
ordinance or resolution, levy an excise tax not to exceed three 104899

per cent on transactions by which lodging by a hotel is or is to 104900
be furnished to transient guests. The legislative authority of the 104901
municipal corporation or the board of trustees of the township 104902
shall deposit at least fifty per cent of the revenue from the tax 104903
levied pursuant to this division into a separate fund, which shall 104904
be spent solely to make contributions to convention and visitors' 104905
bureaus operating within the county in which the municipal 104906
corporation or township is wholly or partly located, and the 104907
balance of that revenue shall be deposited in the general fund. 104908
The municipal corporation or township shall establish all 104909
regulations necessary to provide for the administration and 104910
allocation of the tax. The regulations may prescribe the time for 104911
payment of the tax, and may provide for the imposition of a 104912
penalty or interest, or both, for late payments, provided that the 104913
penalty does not exceed ten per cent of the amount of tax due, and 104914
the rate at which interest accrues does not exceed the rate per 104915
annum prescribed pursuant to section 5703.47 of the Revised Code. 104916
The levy of a tax under this division is in addition to any tax 104917
imposed on the same transaction by a municipal corporation or a 104918
township as authorized by division (A) of section 5739.08 of the 104919
Revised Code. 104920

(2)(a) The legislative authority of the most populous 104921
municipal corporation located wholly or partly in a county in 104922
which the board of county commissioners has levied a tax under 104923
division (A)(4) of this section may amend, on or before September 104924
30, 2002, that municipal corporation's ordinance or resolution 104925
that levies an excise tax on transactions by which lodging by a 104926
hotel is or is to be furnished to transient guests, to provide for 104927
all of the following: 104928

(i) That the rate of the tax shall be increased by not more 104929
than an additional one per cent on each transaction; 104930

(ii) That all of the revenue from the increase in rate shall 104931

be pledged and contributed to a convention facilities authority 104932
established by the board of county commissioners under Chapter 104933
351. of the Revised Code on or before May 15, 2002, and be used to 104934
pay costs of constructing, expanding, maintaining, operating, or 104935
promoting a convention center in the county, including paying 104936
bonds, or notes issued in anticipation of bonds, as provided by 104937
that chapter; 104938

(iii) That the increase in rate shall not be subject to 104939
diminution by initiative or referendum or by law while any bonds, 104940
or notes in anticipation of bonds, issued by the authority under 104941
Chapter 351. of the Revised Code to which the revenue is pledged, 104942
remain outstanding in accordance with their terms, unless 104943
provision is made by law, by the board of county commissioners, or 104944
by the legislative authority, for an adequate substitute therefor 104945
that is satisfactory to the trustee if a trust agreement secures 104946
the bonds. 104947

(b) The legislative authority of a municipal corporation 104948
that, pursuant to division (B)(2)(a) of this section, has amended 104949
its ordinance or resolution to increase the rate of the tax 104950
authorized by division (B)(1) of this section may further amend 104951
the ordinance or resolution to provide that the revenue referred 104952
to in division (B)(2)(a)(ii) of this section shall be pledged and 104953
contributed both to a convention facilities authority to pay the 104954
costs of constructing, expanding, maintaining, or operating one or 104955
more convention centers in the county, including paying bonds, or 104956
notes issued in anticipation of bonds, as provided in Chapter 351. 104957
of the Revised Code, and to a convention and visitors' bureau to 104958
pay the costs of promoting one or more convention centers in the 104959
county. 104960

As used in division (B)(2) of this section, "cost" has the 104961
same meaning as in section 351.01 of the Revised Code, and 104962
"convention center" has the same meaning as in section 307.695 of 104963

the Revised Code. 104964

(C) For the purposes described in section 307.695 of the 104965
Revised Code and to cover the costs of administering the tax, a 104966
board of county commissioners of a county where a tax imposed 104967
under division (A)(1) of this section is in effect may, by 104968
resolution adopted within ninety days after July 15, 1985, by a 104969
majority of the members of the board, levy an additional excise 104970
tax not to exceed three per cent on transactions by which lodging 104971
by a hotel is or is to be furnished to transient guests. The tax 104972
authorized by this division shall be in addition to any tax that 104973
is levied pursuant to division (A) of this section, but it shall 104974
not apply to transactions subject to a tax levied by a municipal 104975
corporation or township pursuant to the authorization granted by 104976
division (A) of section 5739.08 of the Revised Code. The board 104977
shall establish all regulations necessary to provide for the 104978
administration and allocation of the tax. The regulations may 104979
prescribe the time for payment of the tax, and may provide for the 104980
imposition of a penalty or interest, or both, for late payments, 104981
provided that the penalty does not exceed ten per cent of the 104982
amount of tax due, and the rate at which interest accrues does not 104983
exceed the rate per annum prescribed pursuant to section 5703.47 104984
of the Revised Code. All revenues arising from the tax shall be 104985
expended in accordance with section 307.695 of the Revised Code. 104986
The board of county commissioners of an eligible county as defined 104987
in section 307.695 of the Revised Code may, by resolution adopted 104988
by a majority of the members of the board, amend the resolution 104989
levying a tax under this division to provide that the revenue from 104990
the tax shall be used by the board as described in division (H) of 104991
section 307.695 of the Revised Code. A tax imposed under this 104992
division shall remain in effect at the rate at which it is imposed 104993
for the duration of the period during which any agreement entered 104994
into by the board under section 307.695 of the Revised Code is in 104995
effect, the duration of the period during which any securities 104996

issued by the board under division (I) of section 307.695 of the Revised Code are outstanding, or the duration of the period during which the board owns a project as defined in section 307.695 of the Revised Code, whichever duration is longest.

(D) For the purpose of providing contributions under division (B)(1) of section 307.671 of the Revised Code to enable the acquisition, construction, and equipping of a port authority educational and cultural facility in the county and, to the extent provided for in the cooperative agreement authorized by that section, for the purpose of paying debt service charges on bonds, or notes in anticipation of bonds, described in division (B)(1)(b) of that section, a board of county commissioners, by resolution adopted within ninety days after December 22, 1992, by a majority of the members of the board, may levy an additional excise tax not to exceed one and one-half per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The excise tax authorized by this division shall be in addition to any tax that is levied pursuant to divisions (A), (B), and (C) of this section, to any excise tax levied pursuant to section 5739.08 of the Revised Code, and to any excise tax levied pursuant to section 351.021 of the Revised Code. The board of county commissioners shall establish all regulations necessary to provide for the administration and allocation of the tax that are not inconsistent with this section or section 307.671 of the Revised Code. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. All revenues arising from the tax shall be expended in accordance with section 307.671 of the Revised Code and division (D) of this section. The levy of a tax imposed under this division may not

commence prior to the first day of the month next following the 105030
execution of the cooperative agreement authorized by section 105031
307.671 of the Revised Code by all parties to that agreement. The 105032
tax shall remain in effect at the rate at which it is imposed for 105033
the period of time described in division (C) of section 307.671 of 105034
the Revised Code for which the revenue from the tax has been 105035
pledged by the county to the corporation pursuant to that section, 105036
but, to any extent provided for in the cooperative agreement, for 105037
no lesser period than the period of time required for payment of 105038
the debt service charges on bonds, or notes in anticipation of 105039
bonds, described in division (B)(1)(b) of that section. 105040

(E) For the purpose of paying the costs of acquiring, 105041
constructing, equipping, and improving a municipal educational and 105042
cultural facility, including debt service charges on bonds 105043
provided for in division (B) of section 307.672 of the Revised 105044
Code, and for any additional purposes determined by the county in 105045
the resolution levying the tax or amendments to the resolution, 105046
including subsequent amendments providing for paying costs of 105047
acquiring, constructing, renovating, rehabilitating, equipping, 105048
and improving a port authority educational and cultural performing 105049
arts facility, as defined in section 307.674 of the Revised Code, 105050
and including debt service charges on bonds provided for in 105051
division (B) of section 307.674 of the Revised Code, the 105052
legislative authority of a county, by resolution adopted within 105053
ninety days after June 30, 1993, by a majority of the members of 105054
the legislative authority, may levy an additional excise tax not 105055
to exceed one and one-half per cent on transactions by which 105056
lodging by a hotel is or is to be furnished to transient guests. 105057
The excise tax authorized by this division shall be in addition to 105058
any tax that is levied pursuant to divisions (A), (B), (C), and 105059
(D) of this section, to any excise tax levied pursuant to section 105060
5739.08 of the Revised Code, and to any excise tax levied pursuant 105061
to section 351.021 of the Revised Code. The legislative authority 105062

of the county shall establish all regulations necessary to provide 105063
for the administration and allocation of the tax. The regulations 105064
may prescribe the time for payment of the tax, and may provide for 105065
the imposition of a penalty or interest, or both, for late 105066
payments, provided that the penalty does not exceed ten per cent 105067
of the amount of tax due, and the rate at which interest accrues 105068
does not exceed the rate per annum prescribed pursuant to section 105069
5703.47 of the Revised Code. All revenues arising from the tax 105070
shall be expended in accordance with section 307.672 of the 105071
Revised Code and this division. The levy of a tax imposed under 105072
this division shall not commence prior to the first day of the 105073
month next following the execution of the cooperative agreement 105074
authorized by section 307.672 of the Revised Code by all parties 105075
to that agreement. The tax shall remain in effect at the rate at 105076
which it is imposed for the period of time determined by the 105077
legislative authority of the county. That period of time shall not 105078
exceed fifteen years, except that the legislative authority of a 105079
county with a population of less than two hundred fifty thousand 105080
according to the most recent federal decennial census, by 105081
resolution adopted by a majority of its members before the 105082
original tax expires, may extend the duration of the tax for an 105083
additional period of time. The additional period of time by which 105084
a legislative authority extends a tax levied under this division 105085
shall not exceed fifteen years. 105086

(F) The legislative authority of a county that has levied a 105087
tax under division (E) of this section may, by resolution adopted 105088
within one hundred eighty days after January 4, 2001, by a 105089
majority of the members of the legislative authority, amend the 105090
resolution levying a tax under that division to provide for the 105091
use of the proceeds of that tax, to the extent that it is no 105092
longer needed for its original purpose as determined by the 105093
parties to a cooperative agreement amendment pursuant to division 105094
(D) of section 307.672 of the Revised Code, to pay costs of 105095

acquiring, constructing, renovating, rehabilitating, equipping, 105096
and improving a port authority educational and cultural performing 105097
arts facility, including debt service charges on bonds provided 105098
for in division (B) of section 307.674 of the Revised Code, and to 105099
pay all obligations under any guaranty agreements, reimbursement 105100
agreements, or other credit enhancement agreements described in 105101
division (C) of section 307.674 of the Revised Code. The 105102
resolution may also provide for the extension of the tax at the 105103
same rate for the longer of the period of time determined by the 105104
legislative authority of the county, but not to exceed an 105105
additional twenty-five years, or the period of time required to 105106
pay all debt service charges on bonds provided for in division (B) 105107
of section 307.672 of the Revised Code and on port authority 105108
revenue bonds provided for in division (B) of section 307.674 of 105109
the Revised Code. All revenues arising from the amendment and 105110
extension of the tax shall be expended in accordance with section 105111
307.674 of the Revised Code, this division, and division (E) of 105112
this section. 105113

(G) For purposes of a tax levied by a county, township, or 105114
municipal corporation under this section or section 5739.08 of the 105115
Revised Code, a board of county commissioners, board of township 105116
trustees, or the legislative authority of a municipal corporation 105117
may adopt a resolution or ordinance at any time specifying that 105118
"hotel," as otherwise defined in section 5739.01 of the Revised 105119

accessible through the same keyed entry; and, in determining the 105126
number of rooms, all rooms are included regardless of the number 105127

of structures in which the rooms are situated or the number of 105128
parcels of land on which the structures are located if the 105129
structures are under the same ownership and the structures are not 105130
identified in advertisements of the accommodations as distinct 105131
establishments. For the purposes of division (G)(2) of this 105132
section, two or more structures are under the same ownership if 105133
they are owned by the same person, or if they are owned by two or 105134
more persons the majority of the ownership interests of which are 105135

The resolution or ordinance may apply to a tax imposed 105137
pursuant to this section prior to the adoption of the resolution 105138
or ordinance if the resolution or ordinance so states, but the tax 105139
shall not apply to transactions by which lodging by such an 105140

population of one million or more according to the most recent 105150
federal decennial census that has levied a tax under division (D) 105151
of this section may, by resolution adopted by a majority of the 105152
members of the legislative authority, provide for the extension of 105153
such levy and may provide that the proceeds of that tax, to the 105154
extent that they are no longer needed for their original purpose 105155
as defined by a cooperative agreement entered into under section 105156
307.671 of the Revised Code, shall be deposited into the county 105157
general revenue fund. The resolution shall provide for the 105158

extension of the tax at a rate not to exceed the rate specified in 105159

the real and actual costs of administering the tax, shall be 105173
deposited in the county general fund. 105174

2004, by a majority of the members of the legislative authority, 105178
provide that all or a portion of the proceeds of the tax levied 105179
under division (A)(1) of this section, after deducting the real 105180

which the convention center is to be operated by that convention 105195
facilities authority, corporation, or other entity has consented 105196
to the creation of that convention facilities authority, 105197

the direct and indirect costs of constructing, improving, 105209
expanding, equipping, financing, or operating a convention center 105210
and for the real and actual costs of administering the tax, 105211

provide that the amounts to be used for purposes other than paying 105219
the convention center or administrative costs described in 105220
division (H)(6)(a) of this section be used only for the direct and 105221
indirect costs of capital improvements, including the financing of 105222
capital improvements. 105223

legislative authority, provide that all or a portion of the 105283

Sec. 5747.01. Except as otherwise expressly provided or 105601

clearly appearing from the context, any term used in this chapter 105602
that is not otherwise defined in this section has the same meaning 105603
as when used in a comparable context in the laws of the United 105604
States relating to federal income taxes or if not used in a 105605
comparable context in those laws, has the same meaning as in 105606
section 5733.40 of the Revised Code. Any reference in this chapter 105607
to the Internal Revenue Code includes other laws of the United 105608
States relating to federal income taxes. 105609

As used in this chapter: 105610

(A) "Adjusted gross income" or "Ohio adjusted gross income" 105611
means federal adjusted gross income, as defined and used in the 105612
Internal Revenue Code, adjusted as provided in this section: 105613

(1) Add interest or dividends on obligations or securities of 105614
any state or of any political subdivision or authority of any 105615
state, other than this state and its subdivisions and authorities. 105616

(2) Add interest or dividends on obligations of any 105617
authority, commission, instrumentality, territory, or possession 105618
of the United States to the extent that the interest or dividends 105619
are exempt from federal income taxes but not from state income 105620
taxes. 105621

(3) Deduct interest or dividends on obligations of the United 105622
States and its territories and possessions or of any authority, 105623
commission, or instrumentality of the United States to the extent 105624
that the interest or dividends are included in federal adjusted 105625
gross income but exempt from state income taxes under the laws of 105626
the United States. 105627

(4) Deduct disability and survivor's benefits to the extent 105628
included in federal adjusted gross income. 105629

(5) Deduct benefits under Title II of the Social Security Act 105630

federal adjusted gross income under section 86 of the Internal 105632

Revenue Code. 105633

(6) In the case of a taxpayer who is a beneficiary of a trust 105634
that makes an accumulation distribution as defined in section 665 105635
of the Internal Revenue Code, add, for the beneficiary's taxable 105636
years beginning before 2002, the portion, if any, of such 105637
distribution that does not exceed the undistributed net income of 105638
the trust for the three taxable years preceding the taxable year 105639
in which the distribution is made to the extent that the portion 105640
was not included in the trust's taxable income for any of the 105641
trust's taxable years beginning in 2002 or thereafter. 105642
"Undistributed net income of a trust" means the taxable income of 105643
the trust increased by (a)(i) the additions to adjusted gross 105644
income required under division (A) of this section and (ii) the 105645

to such income, and (iii) the amount of taxable income that has 105650
been included in the adjusted gross income of a beneficiary by 105651

income included in the adjusted gross income of a beneficiary 105653
shall reduce the undistributed net income of the trust commencing 105654
with the earliest years of the accumulation period. 105655

(7) Deduct the amount of wages and salaries, if any, not 105656
otherwise allowable as a deduction but that would have been 105657
allowable as a deduction in computing federal adjusted gross 105658
income for the taxable year, had the targeted jobs credit allowed 105659
and determined under sections 38, 51, and 52 of the Internal 105660
Revenue Code not been in effect. 105661

(8) Deduct any interest or interest equivalent on public 105662
obligations and purchase obligations to the extent that the 105663
interest or interest equivalent is included in federal adjusted 105664

gross income. 105665

(9) Add any loss or deduct any gain resulting from the sale, 105666
exchange, or other disposition of public obligations to the extent 105667
that the loss has been deducted or the gain has been included in 105668
computing federal adjusted gross income. 105669

(10) Deduct or add amounts, as provided under section 5747.70 105670
of the Revised Code, related to contributions to variable college 105671
savings program accounts made or tuition units purchased pursuant 105672

(11)(a) Deduct, to the extent not otherwise allowable as a 105674

the taxable year for medical care insurance and qualified 105677
long-term care insurance for the taxpayer, the taxpayer's spouse, 105678
and dependents. No deduction for medical care insurance under 105679
division (A)(11) of this section shall be allowed either to any 105680
taxpayer who is eligible to participate in any subsidized health 105681
plan maintained by any employer of the taxpayer or of the 105682
taxpayer's spouse, or to any taxpayer who is entitled to, or on 105683

in computing federal or Ohio adjusted gross income during the 105694
taxable year, the amount the taxpayer paid during the taxable 105695
year, not compensated for by any insurance or otherwise, for 105696

medical care of the taxpayer, the taxpayer's spouse, and dependents, to the extent the expenses exceed seven and one-half per cent of the taxpayer's federal adjusted gross income.

(c) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income, any amount included in federal adjusted gross income under section 105 or not excluded under section 106 of the Internal Revenue Code solely because it relates to an accident and health plan for a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(d) For purposes of division (A)(11) of this section, "medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(12)(a) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or refund of expenses that in any year the taxpayer had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under division (A)(12)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted gross income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio adjusted gross income in any taxable year. 105729
105730
105731
105732
105733

(13) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements: 105734
105735
105736
105737

(a) It is allowable for repayment of an item that was included in the taxpayer's adjusted gross income for a prior taxable year and did not qualify for a credit under division (A) or (B) of section 5747.05 of the Revised Code for that year; 105738
105739
105740
105741

(b) It does not otherwise reduce the taxpayer's adjusted gross income for the current or any other taxable year. 105742
105743

(14) Deduct an amount equal to the deposits made to, and net investment earnings of, a medical savings account during the taxable year, in accordance with section 3924.66 of the Revised Code. The deduction allowed by division (A)(14) of this section does not apply to medical savings account deposits and earnings otherwise deducted or excluded for the current or any other taxable year from the taxpayer's federal adjusted gross income. 105744
105745
105746
105747
105748
105749
105750

(15)(a) Add an amount equal to the funds withdrawn from a medical savings account during the taxable year, and the net investment earnings on those funds, when the funds withdrawn were used for any purpose other than to reimburse an account holder for, or to pay, eligible medical expenses, in accordance with section 3924.66 of the Revised Code; 105751
105752
105753
105754
105755
105756

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year. 105757
105758
105759

(16) Add any amount claimed as a credit under section 105760
5747.059 of the Revised Code to the extent that such amount 105761
satisfies either of the following: 105762

(a) The amount was deducted or excluded from the computation 105763
of the taxpayer's federal adjusted gross income as required to be 105764
reported for the taxpayer's taxable year under the Internal 105765
Revenue Code; 105766

(b) The amount resulted in a reduction of the taxpayer's 105767
federal adjusted gross income as required to be reported for any 105768
of the taxpayer's taxable years under the Internal Revenue Code. 105769

(17) Deduct the amount contributed by the taxpayer to an 105770
individual development account program established by a county 105771
department of job and family services pursuant to sections 329.11 105772
to 329.14 of the Revised Code for the purpose of matching funds 105773
deposited by program participants. On request of the tax 105774
commissioner, the taxpayer shall provide any information that, in 105775
the tax commissioner's opinion, is necessary to establish the 105776
amount deducted under division (A)(17) of this section. 105777

(18) Beginning in taxable year 2001 but not for any taxable 105778
year beginning after December 31, 2005, if the taxpayer is married 105779
and files a joint return and the combined federal adjusted gross 105780
income of the taxpayer and the taxpayer's spouse for the taxable 105781
year does not exceed one hundred thousand dollars, or if the 105782
taxpayer is single and has a federal adjusted gross income for the 105783
taxable year not exceeding fifty thousand dollars, deduct amounts 105784
paid during the taxable year for qualified tuition and fees paid 105785
to an eligible institution for the taxpayer, the taxpayer's 105786
spouse, or any dependent of the taxpayer, who is a resident of 105787
this state and is enrolled in or attending a program that 105788
culminates in a degree or diploma at an eligible institution. The 105789
deduction may be claimed only to the extent that qualified tuition 105790
and fees are not otherwise deducted or excluded for any taxable 105791

year from federal or Ohio adjusted gross income. The deduction may 105792
not be claimed for educational expenses for which the taxpayer 105793
claims a credit under section 5747.27 of the Revised Code. 105794

(19) Add any reimbursement received during the taxable year 105795
of any amount the taxpayer deducted under division (A)(18) of this 105796
section in any previous taxable year to the extent the amount is 105797
not otherwise included in Ohio adjusted gross income. 105798

(20)(a)(i) Add five-sixths of the amount of depreciation 105799
expense allowed by subsection (k) of section 168 of the Internal 105800
Revenue Code, including the taxpayer's proportionate or 105801
distributive share of the amount of depreciation expense allowed 105802
by that subsection to a pass-through entity in which the taxpayer 105803
has a direct or indirect ownership interest. 105804

(ii) Add five-sixths of the amount of qualifying section 179 105805
depreciation expense, including a person's proportionate or 105806
distributive share of the amount of qualifying section 179 105807
depreciation expense allowed to any pass-through entity in which 105808
the person has a direct or indirect ownership. For the purposes of 105809
this division, "qualifying section 179 depreciation expense" means 105810
the difference between (I) the amount of depreciation expense 105811
directly or indirectly allowed to the taxpayer under section 179 105812
of the Internal Revenue Code, and (II) the amount of depreciation 105813
expense directly or indirectly allowed to the taxpayer under 105814
section 179 of the Internal Revenue Code as that section existed 105815
on December 31, 2002. 105816

The tax commissioner, under procedures established by the 105817
commissioner, may waive the add-backs related to a pass-through 105818
entity if the taxpayer owns, directly or indirectly, less than 105819
five per cent of the pass-through entity. 105820

(b) Nothing in division (A)(20) of this section shall be 105821
construed to adjust or modify the adjusted basis of any asset. 105822

(c) To the extent the add-back required under division 105823
(A)(20)(a) of this section is attributable to property generating 105824
nonbusiness income or loss allocated under section 5747.20 of the 105825
Revised Code, the add-back shall be sitused to the same location 105826
as the nonbusiness income or loss generated by the property for 105827
the purpose of determining the credit under division (A) of 105828
section 5747.05 of the Revised Code. Otherwise, the add-back shall 105829
be apportioned, subject to one or more of the four alternative 105830
methods of apportionment enumerated in section 5747.21 of the 105831
Revised Code. 105832

(d) For the purposes of division (A) of this section, net 105833
operating loss carryback and carryforward shall not include 105834
five-sixths of the allowance of any net operating loss deduction 105835
carryback or carryforward to the taxable year to the extent such 105836
loss resulted from depreciation allowed by section 168(k) of the 105837
Internal Revenue Code and by the qualifying section 179 105838
depreciation expense amount. 105839

(21)(a) If the taxpayer was required to add an amount under 105840
division (A)(20)(a) of this section for a taxable year, deduct 105841
one-fifth of the amount so added for each of the five succeeding 105842
taxable years. 105843

(b) If the amount deducted under division (A)(21)(a) of this 105844
section is attributable to an add-back allocated under division 105845
(A)(20)(c) of this section, the amount deducted shall be sitused 105846
to the same location. Otherwise, the add-back shall be apportioned 105847
using the apportionment factors for the taxable year in which the 105848
deduction is taken, subject to one or more of the four alternative 105849
methods of apportionment enumerated in section 5747.21 of the 105850
Revised Code. 105851

(c) No deduction is available under division (A)(21)(a) of 105852
this section with regard to any depreciation allowed by section 105853
168(k) of the Internal Revenue Code and by the qualifying section 105854

179 depreciation expense amount to the extent that such 105855
depreciation resulted in or increased a federal net operating loss 105856
carryback or carryforward to a taxable year to which division 105857
(A)(20)(d) of this section does not apply. 105858

(22) Deduct, to the extent not otherwise deducted or excluded 105859
in computing federal or Ohio adjusted gross income for the taxable 105860
year, the amount the taxpayer received during the taxable year as 105861
reimbursement for life insurance premiums under section 5919.31 of 105862
the Revised Code. 105863

(23) Deduct, to the extent not otherwise deducted or excluded 105864
in computing federal or Ohio adjusted gross income for the taxable 105865
year, the amount the taxpayer received during the taxable year as 105866
a death benefit paid by the adjutant general under section 5919.33 105867
of the Revised Code. 105868

(24) Deduct, to the extent included in federal adjusted gross 105869
income and not otherwise allowable as a deduction or exclusion in 105870
computing federal or Ohio adjusted gross income for the taxable 105871
year, military pay and allowances received by the taxpayer during 105872
the taxable year for active duty service in the United States 105873
army, air force, navy, marine corps, or coast guard or reserve 105874
components thereof or the national guard. The deduction may not be 105875
claimed for military pay and allowances received by the taxpayer 105876
while the taxpayer is stationed in this state. 105877

(25) Deduct, to the extent not otherwise allowable as a 105878
deduction or exclusion in computing federal or Ohio adjusted gross 105879
income for the taxable year and not otherwise compensated for by 105880
any other source, the amount of qualified organ donation expenses 105881
incurred by the taxpayer during the taxable year, not to exceed 105882
ten thousand dollars. A taxpayer may deduct qualified organ 105883
donation expenses only once for all taxable years beginning with 105884
taxable years beginning in 2007. 105885

For the purposes of division (A)(25) of this section: 105886

(a) "Human organ" means all or any portion of a human liver, 105887
pancreas, kidney, intestine, or lung, and any portion of human 105888
bone marrow. 105889

(b) "Qualified organ donation expenses" means travel 105890
expenses, lodging expenses, and wages and salary forgone by a 105891
taxpayer in connection with the taxpayer's donation, while living, 105892
of one or more of the taxpayer's human organs to another human 105893
being. 105894

(26) Deduct, to the extent not otherwise deducted or excluded 105895
in computing federal or Ohio adjusted gross income for the taxable 105896
year, amounts received by the taxpayer as retired military 105897
personnel pay for service in the United States army, navy, air 105898
force, coast guard, or marine corps or reserve components thereof, 105899
or the national guard, or received by the surviving spouse or 105900
former spouse of such a taxpayer under the survivor benefit plan 105901
on account of such a taxpayer's death. If the taxpayer receives 105902
income on account of retirement paid under the federal civil 105903
service retirement system or federal employees retirement system, 105904
or under any successor retirement program enacted by the congress 105905
of the United States that is established and maintained for 105906
retired employees of the United States government, and such 105907
retirement income is based, in whole or in part, on credit for the 105908
taxpayer's military service, the deduction allowed under this 105909
division shall include only that portion of such retirement income 105910
that is attributable to the taxpayer's military service, to the 105911
extent that portion of such retirement income is otherwise 105912
included in federal adjusted gross income and is not otherwise 105913
deducted under this section. Any amount deducted under division 105914
(A)(26) of this section is not included in a taxpayer's adjusted 105915
gross income for the purposes of section 5747.055 of the Revised 105916
Code. No amount may be deducted under division (A)(26) of this 105917

section on the basis of which a credit was claimed under section 105918
5747.055 of the Revised Code. 105919

(27) Deduct, to the extent not otherwise deducted or excluded 105920
in computing federal or Ohio adjusted gross income for the taxable 105921
year, the amount the taxpayer received during the taxable year 105922
from the military injury relief fund created in section 5101.98 of 105923
the Revised Code. 105924

(B) "Business income" means income, including gain or loss, 105925
arising from transactions, activities, and sources in the regular 105926
course of a trade or business and includes income, gain, or loss 105927
from real property, tangible property, and intangible property if 105928
the acquisition, rental, management, and disposition of the 105929
property constitute integral parts of the regular course of a 105930
trade or business operation. "Business income" includes income, 105931
including gain or loss, from a partial or complete liquidation of 105932
a business, including, but not limited to, gain or loss from the 105933
sale or other disposition of goodwill. 105934

in any fiduciary capacity for any individual, trust, or estate. 105944

(F) "Fiscal year" means an accounting period of twelve months 105945
ending on the last day of any month other than December. 105946

(G) "Individual" means any natural person. 105947

(H) "Internal Revenue Code" means the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as amended.

(1) An individual who is domiciled in this state, subject to section 5747.24 of the Revised Code;

(2) The estate of a decedent who at the time of death was domiciled in this state. The domicile tests of section 5747.24 of the Revised Code are not controlling for purposes of division (I)(2) of this section.

(3) A trust that, in whole or part, resides in this state. If only part of a trust resides in this state, the trust is a resident only with respect to that part.

For the purposes of division (I)(3) of this section:

(a) A trust resides in this state for the trust's current taxable year to the extent, as described in division (I)(3)(d) of this section, that the trust consists directly or indirectly, in whole or in part, of assets, net of any related liabilities, that were transferred, or caused to be transferred, directly or indirectly, to the trust by any of the following:

(i) A person, a court, or a governmental entity or instrumentality on account of the death of a decedent, but only if the trust is described in division (I)(3)(e)(i) or (ii) of this section;

of the trust's current taxable year; 105978

(iii) A person who was domiciled in this state for the 105979
purposes of this chapter when the trust document or instrument or 105980
part of the trust document or instrument became irrevocable, but 105981
only if at least one of the trust's qualifying beneficiaries is a 105982
resident domiciled in this state for the purposes of this chapter 105983
during all or some portion of the trust's current taxable year. If 105984
a trust document or instrument became irrevocable upon the death 105985
of a person who at the time of death was domiciled in this state 105986
for purposes of this chapter, that person is a person described in 105987
division (I)(3)(a)(iii) of this section. 105988

(b) A trust is irrevocable to the extent that the transferor 105989
is not considered to be the owner of the net assets of the trust 105990
under sections 671 to 678 of the Internal Revenue Code. 105991

(c) With respect to a trust other than a charitable lead 105992
trust, "qualifying beneficiary" has the same meaning as "potential 105993
current beneficiary" as defined in section 1361(e)(2) of the 105994
Internal Revenue Code, and with respect to a charitable lead trust 105995
"qualifying beneficiary" is any current, future, or contingent 105996
beneficiary, but with respect to any trust "qualifying 105997
beneficiary" excludes a person or a governmental entity or 105998
instrumentality to any of which a contribution would qualify for 105999
the charitable deduction under section 170 of the Internal Revenue 106000
Code. 106001

(d) For the purposes of division (I)(3)(a) of this section, 106002
the extent to which a trust consists directly or indirectly, in 106003
whole or in part, of assets, net of any related liabilities, that 106004
were transferred directly or indirectly, in whole or part, to the 106005
trust by any of the sources enumerated in that division shall be 106006
ascertained by multiplying the fair market value of the trust's 106007
assets, net of related liabilities, by the qualifying ratio, which 106008
shall be computed as follows: 106009

(i) The first time the trust receives assets, the numerator 106010
of the qualifying ratio is the fair market value of those assets 106011
at that time, net of any related liabilities, from sources 106012
enumerated in division (I)(3)(a) of this section. The denominator 106013
of the qualifying ratio is the fair market value of all the 106014
trust's assets at that time, net of any related liabilities. 106015

(ii) Each subsequent time the trust receives assets, a 106016
revised qualifying ratio shall be computed. The numerator of the 106017
revised qualifying ratio is the sum of (1) the fair market value 106018
of the trust's assets immediately prior to the subsequent 106019
transfer, net of any related liabilities, multiplied by the 106020
qualifying ratio last computed without regard to the subsequent 106021
transfer, and (2) the fair market value of the subsequently 106022
transferred assets at the time transferred, net of any related 106023
liabilities, from sources enumerated in division (I)(3)(a) of this 106024
section. The denominator of the revised qualifying ratio is the 106025
fair market value of all the trust's assets immediately after the 106026
subsequent transfer, net of any related liabilities. 106027

(iii) Whether a transfer to the trust is by or from any of 106028
the sources enumerated in division (I)(3)(a) of this section shall 106029
be ascertained without regard to the domicile of the trust's 106030
beneficiaries. 106031

(e) For the purposes of division (I)(3)(a)(i) of this 106032
section: 106033

(i) A trust is described in division (I)(3)(e)(i) of this 106034
section if the trust is a testamentary trust and the testator of 106035
that testamentary trust was domiciled in this state at the time of 106036
the testator's death for purposes of the taxes levied under 106037
Chapter 5731. of the Revised Code. 106038

(ii) A trust is described in division (I)(3)(e)(ii) of this 106039
section if the transfer is a qualifying transfer described in any 106040

of divisions (I)(3)(f)(i) to (vi) of this section, the trust is an 106041
irrevocable inter vivos trust, and at least one of the trust's 106042
qualifying beneficiaries is domiciled in this state for purposes 106043
of this chapter during all or some portion of the trust's current 106044
taxable year. 106045

(f) For the purposes of division (I)(3)(e)(ii) of this 106046
section, a "qualifying transfer" is a transfer of assets, net of 106047
any related liabilities, directly or indirectly to a trust, if the 106048
transfer is described in any of the following: 106049

(i) The transfer is made to a trust, created by the decedent 106050
before the decedent's death and while the decedent was domiciled 106051
in this state for the purposes of this chapter, and, prior to the 106052
death of the decedent, the trust became irrevocable while the 106053
decedent was domiciled in this state for the purposes of this 106054
chapter. 106055

(ii) The transfer is made to a trust to which the decedent, 106056
prior to the decedent's death, had directly or indirectly 106057
transferred assets, net of any related liabilities, while the 106058
decedent was domiciled in this state for the purposes of this 106059
chapter, and prior to the death of the decedent the trust became 106060
irrevocable while the decedent was domiciled in this state for the 106061
purposes of this chapter. 106062

(iii) The transfer is made on account of a contractual 106063
relationship existing directly or indirectly between the 106064
transferor and either the decedent or the estate of the decedent 106065
at any time prior to the date of the decedent's death, and the 106066
decedent was domiciled in this state at the time of death for 106067
purposes of the taxes levied under Chapter 5731. of the Revised 106068
Code. 106069

(iv) The transfer is made to a trust on account of a 106070
contractual relationship existing directly or indirectly between 106071

the transferor and another person who at the time of the 106072
decedent's death was domiciled in this state for purposes of this 106073
chapter. 106074

(v) The transfer is made to a trust on account of the will of 106075
a testator. 106076

(vi) The transfer is made to a trust created by or caused to 106077
be created by a court, and the trust was directly or indirectly 106078
created in connection with or as a result of the death of an 106079
individual who, for purposes of the taxes levied under Chapter 106080
5731. of the Revised Code, was domiciled in this state at the time 106081
of the individual's death. 106082

(g) The tax commissioner may adopt rules to ascertain the 106083
part of a trust residing in this state. 106084

(J) "Nonresident" means an individual or estate that is not a 106085
resident. An individual who is a resident for only part of a 106086
taxable year is a nonresident for the remainder of that taxable 106087
year. 106088

required. 106094

(M) "Taxable year" means the calendar year or the taxpayer's 106095

(N) "Taxpayer" means any person subject to the tax imposed by 106099
section 5747.02 of the Revised Code or any pass-through entity 106100

income, on obligations of any authority, commission, 106141
instrumentality, territory, or possession of the United States to 106142
the extent that the interest or dividends are exempt from federal 106143

deducted in computing federal taxable income, on obligations of 106151
the United States and its territories and possessions or of any 106152

that such amount is included in federal taxable income and is 106156
described in either division (S)(1)(a) or (b) of this section; 106157

(5) Deduct the amount of wages and salaries, if any, not 106158
otherwise allowable as a deduction but that would have been 106159
allowable as a deduction in computing federal taxable income for 106160
the taxable year, had the targeted jobs credit allowed under 106161
sections 38, 51, and 52 of the Internal Revenue Code not been in 106162

effect, but only to the extent such amount relates either to 106163

(6) Deduct any interest or interest equivalent, net of 106167

(8) Except in the case of the final return of an estate, add 106178

(9)(a) Deduct any amount included in federal taxable income 106182
solely because the amount represents a reimbursement or refund of 106183
expenses that in a previous year the decedent had deducted as an 106184
itemized deduction pursuant to section 63 of the Internal Revenue 106185
Code and applicable treasury regulations. The deduction otherwise 106186
allowed under division (S)(9)(a) of this section shall be reduced 106187
to the extent the reimbursement is attributable to an amount the 106188
taxpayer or decedent deducted under this section in any taxable 106189
year. 106190

(b) Add any amount not otherwise included in Ohio taxable 106191
income for any taxable year to the extent that the amount is 106192
attributable to the recovery during the taxable year of any amount 106193

deducted or excluded in computing federal or Ohio taxable income 106194
in any taxable year, but only to the extent such amount has not 106195
been distributed to beneficiaries for the taxable year. 106196

(10) Deduct any portion of the deduction described in section 106197
1341(a)(2) of the Internal Revenue Code, for repaying previously 106198
reported income received under a claim of right, that meets both 106199
of the following requirements: 106200

(a) It is allowable for repayment of an item that was 106201
included in the taxpayer's taxable income or the decedent's 106202
adjusted gross income for a prior taxable year and did not qualify 106203
for a credit under division (A) or (B) of section 5747.05 of the 106204
Revised Code for that year. 106205

(b) It does not otherwise reduce the taxpayer's taxable 106206
income or the decedent's adjusted gross income for the current or 106207
any other taxable year. 106208

(11) Add any amount claimed as a credit under section 106209
5747.059 of the Revised Code to the extent that the amount 106210
satisfies either of the following: 106211

(a) The amount was deducted or excluded from the computation 106212
of the taxpayer's federal taxable income as required to be 106213
reported for the taxpayer's taxable year under the Internal 106214
Revenue Code; 106215

(b) The amount resulted in a reduction in the taxpayer's 106216
federal taxable income as required to be reported for any of the 106217
taxpayer's taxable years under the Internal Revenue Code. 106218

(12) Deduct any amount, net of related expenses deducted in 106219
computing federal taxable income, that a trust is required to 106220
report as farm income on its federal income tax return, but only 106221
if the assets of the trust include at least ten acres of land 106222
satisfying the definition of "land devoted exclusively to 106223
agricultural use" under section 5713.30 of the Revised Code, 106224

regardless of whether the land is valued for tax purposes as such 106225
land under sections 5713.30 to 5713.38 of the Revised Code. If the 106226
trust is a pass-through entity investor, section 5747.231 of the 106227
Revised Code applies in ascertaining if the trust is eligible to 106228
claim the deduction provided by division (S)(12) of this section 106229
in connection with the pass-through entity's farm income. 106230

Except for farm income attributable to the S portion of an 106231
electing small business trust, the deduction provided by division 106232
(S)(12) of this section is allowed only to the extent that the 106233
trust has not distributed such farm income. Division (S)(12) of 106234
this section applies only to taxable years of a trust beginning in 106235
2002 or thereafter. 106236

(13) Add the net amount of income described in section 641(c) 106237
of the Internal Revenue Code to the extent that amount is not 106238
included in federal taxable income. 106239

(14) Add or deduct the amount the taxpayer would be required 106240
to add or deduct under division (A)(20) or (21) of this section if 106241
the taxpayer's Ohio taxable income were computed in the same 106242
manner as an individual's Ohio adjusted gross income is computed 106243
under this section. In the case of a trust, division (S)(14) of 106244
this section applies only to any of the trust's taxable years 106245
beginning in 2002 or thereafter. 106246

(T) "School district income" and "school district income tax" 106247
have the same meanings as in section 5748.01 of the Revised Code. 106248

(U) As used in divisions (A)(8), (A)(9), (S)(6), and (S)(7) 106249
of this section, "public obligations," "purchase obligations," and 106250
"interest or interest equivalent" have the same meanings as in 106251
section 5709.76 of the Revised Code. 106252

(V) "Limited liability company" means any limited liability 106253
company formed under Chapter 1705. of the Revised Code or under 106254
the laws of any other state. 106255

(W) "Pass-through entity investor" means any person who, 106256
during any portion of a taxable year of a pass-through entity, is 106257
a partner, member, shareholder, or equity investor in that 106258
pass-through entity. 106259

(X) "Banking day" has the same meaning as in section 1304.01 106260
of the Revised Code. 106261

(Y) "Month" means a calendar month. 106262

(Z) "Quarter" means the first three months, the second three 106263
months, the third three months, or the last three months of the 106264
taxpayer's taxable year. 106265

(AA)(1) "Eligible institution" means a state university or 106266
state institution of higher education as defined in section 106267
3345.011 of the Revised Code, or a private, nonprofit college, 106268
university, or other post-secondary institution located in this 106269
state that possesses a certificate of authorization issued by the 106270
Ohio board of regents pursuant to Chapter 1713. of the Revised 106271
Code or a certificate of registration issued by the state board of 106272
career colleges and schools under Chapter 3332. of the Revised 106273
Code. 106274

(2) "Qualified tuition and fees" means tuition and fees 106275
imposed by an eligible institution as a condition of enrollment or 106276
attendance, not exceeding two thousand five hundred dollars in 106277
each of the individual's first two years of post-secondary 106278
education. If the individual is a part-time student, "qualified 106279
tuition and fees" includes tuition and fees paid for the academic 106280
equivalent of the first two years of post-secondary education 106281
during a maximum of five taxable years, not exceeding a total of 106282
five thousand dollars. "Qualified tuition and fees" does not 106283
include: 106284

(a) Expenses for any course or activity involving sports, 106285
games, or hobbies unless the course or activity is part of the 106286

individual's degree or diploma program;	106287
(b) The cost of books, room and board, student activity fees, athletic fees, insurance expenses, or other expenses unrelated to the individual's academic course of instruction;	106288 106289 106290
(c) Tuition, fees, or other expenses paid or reimbursed through an employer, scholarship, grant in aid, or other educational benefit program.	106291 106292 106293
(BB)(1) "Modified business income" means the business income included in a trust's Ohio taxable income after such taxable income is first reduced by the qualifying trust amount, if any.	106294 106295 106296
(2) "Qualifying trust amount" of a trust means capital gains and losses from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, a qualifying investee to the extent included in the trust's Ohio taxable income, but only if the following requirements are satisfied:	106297 106298 106299 106300 106301
(a) The book value of the qualifying investee's physical assets in this state and everywhere, as of the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, is available to the trust.	106302 106303 106304 106305 106306
(b) The requirements of section 5747.011 of the Revised Code are satisfied for the trust's taxable year in which the trust recognizes the gain or loss.	106307 106308 106309
Any gain or loss that is not a qualifying trust amount is modified business income, qualifying investment income, or modified nonbusiness income, as the case may be.	106310 106311 106312
(3) "Modified nonbusiness income" means a trust's Ohio taxable income other than modified business income, other than the qualifying trust amount, and other than qualifying investment income, as defined in section 5747.012 of the Revised Code, to the	106313 106314 106315 106316

extent such qualifying investment income is not otherwise part of 106317
modified business income. 106318

(4) "Modified Ohio taxable income" applies only to trusts, 106319
and means the sum of the amounts described in divisions (BB)(4)(a) 106320
to (c) of this section: 106321

(a) The fraction, calculated under section 5747.013, and 106322
applying section 5747.231 of the Revised Code, multiplied by the 106323
sum of the following amounts: 106324

(i) The trust's modified business income; 106325

(ii) The trust's qualifying investment income, as defined in 106326
section 5747.012 of the Revised Code, but only to the extent the 106327
qualifying investment income does not otherwise constitute 106328
modified business income and does not otherwise constitute a 106329
qualifying trust amount. 106330

(b) The qualifying trust amount multiplied by a fraction, the 106331
numerator of which is the sum of the book value of the qualifying 106332
investee's physical assets in this state on the last day of the 106333
qualifying investee's fiscal or calendar year ending immediately 106334
prior to the day on which the trust recognizes the qualifying 106335
trust amount, and the denominator of which is the sum of the book 106336
value of the qualifying investee's total physical assets 106337
everywhere on the last day of the qualifying investee's fiscal or 106338
calendar year ending immediately prior to the day on which the 106339
trust recognizes the qualifying trust amount. If, for a taxable 106340
year, the trust recognizes a qualifying trust amount with respect 106341
to more than one qualifying investee, the amount described in 106342
division (BB)(4)(b) of this section shall equal the sum of the 106343
products so computed for each such qualifying investee. 106344

(c)(i) With respect to a trust or portion of a trust that is 106345
a resident as ascertained in accordance with division (I)(3)(d) of 106346
this section, its modified nonbusiness income. 106347

(ii) With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the amount of its modified nonbusiness income satisfying the descriptions in divisions (B)(2) to (5) of section 5747.20 of the Revised Code, except as otherwise provided in division (BB)(4)(c)(ii) of this section. With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the trust's portion of modified nonbusiness income recognized from the sale, exchange, or other disposition of a debt interest in or equity interest in a section 5747.212 entity, as defined in section 5747.212 of the Revised Code, without regard to division (A) of that section, shall not be allocated to this state in accordance with section 5747.20 of the Revised Code but shall be apportioned to this state in accordance with division (B) of section 5747.212 of the Revised Code without regard to division (A) of that section.

If the allocation and apportionment of a trust's income under divisions (BB)(4)(a) and (c) of this section do not fairly represent the modified Ohio taxable income of the trust in this state, the alternative methods described in division (C) of section 5747.21 of the Revised Code may be applied in the manner and to the same extent provided in that section.

(5)(a) Except as set forth in division (BB)(5)(b) of this section, "qualifying investee" means a person in which a trust has an equity or ownership interest, or a person or unit of government the debt obligations of either of which are owned by a trust. For the purposes of division (BB)(2)(a) of this section and for the purpose of computing the fraction described in division (BB)(4)(b) of this section, all of the following apply:

(i) If the qualifying investee is a member of a qualifying controlled group on the last day of the qualifying investee's

fiscal or calendar year ending immediately prior to the date on 106380
which the trust recognizes the gain or loss, then "qualifying 106381
investee" includes all persons in the qualifying controlled group 106382
on such last day. 106383

(ii) If the qualifying investee, or if the qualifying 106384
investee and any members of the qualifying controlled group of 106385
which the qualifying investee is a member on the last day of the 106386
qualifying investee's fiscal or calendar year ending immediately 106387
prior to the date on which the trust recognizes the gain or loss, 106388
separately or cumulatively own, directly or indirectly, on the 106389
last day of the qualifying investee's fiscal or calendar year 106390
ending immediately prior to the date on which the trust recognizes 106391
the qualifying trust amount, more than fifty per cent of the 106392
equity of a pass-through entity, then the qualifying investee and 106393
the other members are deemed to own the proportionate share of the 106394
pass-through entity's physical assets which the pass-through 106395
entity directly or indirectly owns on the last day of the 106396
pass-through entity's calendar or fiscal year ending within or 106397
with the last day of the qualifying investee's fiscal or calendar 106398
year ending immediately prior to the date on which the trust 106399
recognizes the qualifying trust amount. 106400

(iii) For the purposes of division (BB)(5)(a)(iii) of this 106401
section, "upper level pass-through entity" means a pass-through 106402
entity directly or indirectly owning any equity of another 106403
pass-through entity, and "lower level pass-through entity" means 106404
that other pass-through entity. 106405

An upper level pass-through entity, whether or not it is also 106406
a qualifying investee, is deemed to own, on the last day of the 106407
upper level pass-through entity's calendar or fiscal year, the 106408
proportionate share of the lower level pass-through entity's 106409
physical assets that the lower level pass-through entity directly 106410
or indirectly owns on the last day of the lower level pass-through 106411

entity's calendar or fiscal year ending within or with the last 106412
day of the upper level pass-through entity's fiscal or calendar 106413
year. If the upper level pass-through entity directly and 106414
indirectly owns less than fifty per cent of the equity of the 106415
lower level pass-through entity on each day of the upper level 106416
pass-through entity's calendar or fiscal year in which or with 106417
which ends the calendar or fiscal year of the lower level 106418
pass-through entity and if, based upon clear and convincing 106419
evidence, complete information about the location and cost of the 106420
physical assets of the lower pass-through entity is not available 106421
to the upper level pass-through entity, then solely for purposes 106422
of ascertaining if a gain or loss constitutes a qualifying trust 106423
amount, the upper level pass-through entity shall be deemed as 106424
owning no equity of the lower level pass-through entity for each 106425
day during the upper level pass-through entity's calendar or 106426
fiscal year in which or with which ends the lower level 106427
pass-through entity's calendar or fiscal year. Nothing in division 106428
(BB)(5)(a)(iii) of this section shall be construed to provide for 106429
any deduction or exclusion in computing any trust's Ohio taxable 106430
income. 106431

(b) With respect to a trust that is not a resident for the 106432
taxable year and with respect to a part of a trust that is not a 106433
resident for the taxable year, "qualifying investee" for that 106434
taxable year does not include a C corporation if both of the 106435
following apply: 106436

(i) During the taxable year the trust or part of the trust 106437
recognizes a gain or loss from the sale, exchange, or other 106438
disposition of equity or ownership interests in, or debt 106439
obligations of, the C corporation. 106440

(ii) Such gain or loss constitutes nonbusiness income. 106441

(6) "Available" means information is such that a person is 106442
able to learn of the information by the due date plus extensions, 106443

if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.

(CC) "Qualifying controlled group" has the same meaning as in section 5733.04 of the Revised Code.

(DD) "Related member" has the same meaning as in section 5733.042 of the Revised Code.

(EE)(1) For the purposes of division (EE) of this section:

(a) "Qualifying person" means any person other than a qualifying corporation.

(b) "Qualifying corporation" means any person classified for federal income tax purposes as an association taxable as a corporation, except either of the following:

(i) A corporation that has made an election under subchapter S, chapter one, subtitle A, of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year;

(ii) A subsidiary that is wholly owned by any corporation that has made an election under subchapter S, chapter one, subtitle A of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year.

(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly or indirectly owned by any qualifying corporation.

(FF) For purposes of this chapter and Chapter 5751. of the Revised Code:

(1) "Trust" does not include a qualified pre-income tax trust.

(2) A "qualified pre-income tax trust" is any pre-income tax trust that makes a qualifying pre-income tax trust election as described in division (FF)(3) of this section.

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. The election, if timely made, shall be effective on and after January 1, 2006, and shall apply for all tax periods and tax years until revoked by the trustee of the trust.

(4) A "pre-income tax trust" is a trust that satisfies all of the following requirements:

(a) The document or instrument creating the trust was executed by the grantor before January 1, 1972;

(b) The trust became irrevocable upon the creation of the trust; and

(c) The grantor was domiciled in this state at the time the trust was created.

Sec. 5747.113. (A) Any taxpayer claiming a refund under section 5747.11 of the Revised Code ~~for taxable years ending on or after October 14, 1983,~~ who wishes to contribute any part of the taxpayer's refund to the natural areas and preserves fund created in section 1517.11 of the Revised Code, the nongame and endangered wildlife fund created in section 1531.26 of the Revised Code, the military injury relief fund created in section 5101.98 of the Revised Code, the Ohio historical society income tax contribution fund created in section 149.308 of the Revised Code, or all of those funds, may designate on the taxpayer's income tax return the amount that the taxpayer wishes to contribute to the fund or funds. A designated contribution is irrevocable upon the filing of

the return and shall be made in the full amount designated if the 106505
refund found due the taxpayer upon the initial processing of the 106506
taxpayer's return, after any deductions including those required 106507
by section 5747.12 of the Revised Code, is greater than or equal 106508
to the designated contribution. If the refund due as initially 106509
determined is less than the designated contribution, the 106510
contribution shall be made in the full amount of the refund. The 106511
tax commissioner shall subtract the amount of the contribution 106512
from the amount of the refund initially found due the taxpayer and 106513
shall certify the difference to the director of budget and 106514
management and treasurer of state for payment to the taxpayer in 106515
accordance with section 5747.11 of the Revised Code. For the 106516
purpose of any subsequent determination of the taxpayer's net tax 106517
payment, the contribution shall be considered a part of the refund 106518

of the Revised Code, the taxpayer is personally liable for the 106597

An assessment issued against either the employer or the 106611
taxpayer pursuant to this section shall not be considered an 106612
election of remedies or a bar to an assessment against the other 106613
for failure to report or pay the same tax. No assessment shall be 106614
issued against any person if the tax actually has been paid by 106615
another. 106616

of section 5747.05 of the Revised Code. Such time limits may be 106630
extended if both the employer, taxpayer, or qualifying entity and 106631

the commissioner consent in writing to the extension or if an 106632
agreement waiving or extending the time limits has been entered 106633
into pursuant to section 122.171 of the Revised Code. Any such 106634
extension shall extend the four-year time limit in division (B) of 106635
section 5747.11 of the Revised Code for the same period of time. 106636
There shall be no bar or limit to an assessment against an 106637
employer for taxes withheld from employees and not remitted to the 106638
state, against an employer, taxpayer, or qualifying entity that 106639

payable to the treasurer of state. The petition shall indicate the 106655
objections of the party assessed, but additional objections may be 106656
raised in writing if received by the commissioner prior to the 106657

the entry. The judgment shall be filed by the clerk in one of two 106673
loose-leaf books, one entitled "special judgments for state and 106674

the same effect as other judgments. Execution shall issue upon the 106677
judgment upon the request of the tax commissioner, and all laws 106678
applicable to sales on execution shall apply to sales made under 106679
the judgment. 106680

The portion of the assessment not paid within sixty days 106681
after the assessment was issued shall bear interest at the rate 106682
per annum prescribed by section 5703.47 of the Revised Code from 106683
the day the tax commissioner issues the assessment until it is 106684

(A) The board of education of any school district, except a joint vocational school district, may declare, by resolution, the necessity of raising annually a specified amount of money for school district purposes. The resolution shall specify whether the income that is to be subject to the tax is taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised Code or taxable income of individuals as defined in division (E)(1)(b) of that section. A copy of the resolution shall be certified to the tax commissioner no later than eighty-five days prior to the date of the election at which the board intends to propose a levy under this section. Upon receipt of the copy of the resolution, the tax commissioner shall estimate both of the following:

106928

Within ten days of receiving the copy of the board's resolution, the commissioner shall prepare these estimates and certify them to the board. Upon receipt of the certification, the board may adopt a resolution proposing an income tax under division (B) of this section at the estimated rate contained in the certification rounded to the nearest one-fourth of one per cent. The commissioner's certification applies only to the board's proposal to levy an income tax at the election for which the board requested the certification. If the board intends to submit a

proposal to levy an income tax at any other election, it shall 106938

prescribed in this division. 106940

(B)(1) Upon the receipt of a certification from the tax 106941
commissioner under division (A) of this section, a majority of the 106942
members of a board of education may adopt a resolution proposing 106943
the levy of an annual tax for school district purposes on school 106944
district income. The proposed levy may be for a continuing period 106945
of time or for a specified number of years. The resolution shall 106946
set forth the purpose for which the tax is to be imposed, the rate 106947
of the tax, which shall be the rate set forth in the 106948
commissioner's certification rounded to the nearest one-fourth of 106949
one per cent, the number of years the tax will be levied or that 106950
it will be levied for a continuing period of time, the date on 106951
which the tax shall take effect, which shall be the first day of 106952
January of any year following the year in which the question is 106953
submitted, and the date of the election at which the proposal 106954
shall be submitted to the electors of the district, which shall be 106955
on the date of a primary, general, or special election the date of 106956
which is consistent with section 3501.01 of the Revised Code. The 106957
resolution shall specify whether the income that is to be subject 106958
to the tax is taxable income of individuals and estates as defined 106959
in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised 106960
Code or taxable income of individuals as defined in division 106961
(E)(1)(b) of that section. The specification shall be the same as 106962
the specification in the resolution adopted and certified under 106963
division (A) of this section. 106964

If the tax is to be levied for current expenses and permanent 106965
improvements, the resolution shall apportion the annual rate of 106966
the tax. The apportionment may be the same or different for each 106967
year the tax is levied, but the respective portions of the rate 106968
actually levied each year for current expenses and for permanent 106969

improvements shall be limited by the apportionment. 106970

If the board of education currently imposes an income tax 106971
pursuant to this chapter that is due to expire and a question is 106972
submitted under this section for a proposed income tax to take 106973
effect upon the expiration of the existing tax, the board may 106974
specify in the resolution that the proposed tax renews the 106975
expiring tax ~~and is not an additional income tax, provided that,~~ 106976
Two or more expiring income taxes may be renewed under this 106977
paragraph if the taxes are due to expire on the same date. If the 106978
tax rate being proposed is no higher than the total tax rate ~~that~~ 106979
~~is currently~~ imposed by the expiring tax or taxes, the resolution 106980
may state that the proposed tax is not an additional income tax. 106981

(2) A board of education adopting a resolution under division 106982
(B)(1) of this section proposing a school district income tax for 106983
a continuing period of time and limited to the purpose of current 106984
expenses may propose in that resolution to reduce the rate or 106985
rates of one or more of the school district's property taxes 106986
levied for a continuing period of time in excess of the ten-mill 106987
limitation for the purpose of current expenses. The reduction in 106988
the rate of a property tax may be any amount, expressed in mills 106989
per one dollar in valuation, not exceeding the rate at which the 106990
tax is authorized to be levied. The reduction in the rate of a tax 106991
shall first take effect for the tax year that includes the day on 106992
which the school district income tax first takes effect, and shall 106993
continue for each tax year that both the school district income 106994
tax and the property tax levy are in effect. 106995

In addition to the matters required to be set forth in the 106996
resolution under division (B)(1) of this section, a resolution 106997
containing a proposal to reduce the rate of one or more property 106998
taxes shall state for each such tax the maximum rate at which it 106999
currently may be levied and the maximum rate at which the tax 107000
could be levied after the proposed reduction, expressed in mills 107001

per one dollar in valuation, and that the tax is levied for a 107002
continuing period of time. 107003

If a board of education proposes to reduce the rate of one or 107004
more property taxes under division (B)(2) of this section, the 107005
board, when it makes the certification required under division (A) 107006
of this section, shall designate the specific levy or levies to be 107007
reduced, the maximum rate at which each levy currently is 107008
authorized to be levied, and the rate by which each levy is 107009
proposed to be reduced. The tax commissioner, when making the 107010
certification to the board under division (A) of this section, 107011
also shall certify the reduction in the total effective tax rate 107012
for current expenses for each class of property that would have 107013
resulted if the proposed reduction in the rate or rates had been 107014
in effect the previous tax year. As used in this paragraph, 107015
"effective tax rate" has the same meaning as in section 323.08 of 107016
the Revised Code. 107017

(C) A resolution adopted under division (B) of this section 107018
shall go into immediate effect upon its passage, and no 107019
publication of the resolution shall be necessary other than that 107020
provided for in the notice of election. Immediately after its 107021
adoption and at least seventy-five days prior to the election at 107022
which the question will appear on the ballot, a copy of the 107023
resolution shall be certified to the board of elections of the 107024
proper county, which shall submit the proposal to the electors on 107025
the date specified in the resolution. The form of the ballot shall 107026
be as provided in section 5748.03 of the Revised Code. Publication 107027
of notice of the election shall be made in one or more newspapers 107028
of general circulation in the county once a week for two 107029
consecutive weeks prior to the election, and, if the board of 107030
elections operates and maintains a web site, the board of 107031
elections shall post notice of the election on its web site for 107032
thirty days prior to the election. The notice shall contain the 107033

time and place of the election and the question to be submitted to 107034
the electors. The question covered by the resolution shall be 107035
submitted as a separate proposition, but may be printed on the 107036
same ballot with any other proposition submitted at the same 107037
election, other than the election of officers. 107038

(D) No board of education shall submit the question of a tax 107039
on school district income to the electors of the district more 107040
than twice in any calendar year. If a board submits the question 107041
twice in any calendar year, one of the elections on the question 107042
shall be held on the date of the general election. 107043

(E)(1) No board of education may submit to the electors of 107044
the district the question of a tax on school district income on 107045
the taxable income of individuals as defined in division (E)(1)(b) 107046
of section 5748.01 of the Revised Code if that tax would be in 107047
addition to an existing tax on the taxable income of individuals 107048
and estates as defined in divisions (E)(1)(a) and (2) of that 107049
section. 107050

(2) No board of education may submit to the electors of the 107051
district the question of a tax on school district income on the 107052
taxable income of individuals and estates as defined in divisions 107053
(E)(1)(a) and (2) of section 5748.01 of the Revised Code if that 107054
tax would be in addition to an existing tax on the taxable income 107055
of individuals as defined in division (E)(1)(b) of that section. 107056

Sec. 5748.03. (A) The form of the ballot on a question 107057
submitted to the electors under section 5748.02 of the Revised 107058
Code shall be as follows: 107059

"Shall an annual income tax of (state the proposed 107060
rate of tax) on the school district income of individuals and of 107061
estates be imposed by (state the name of the school 107062

If a board of education proposes a reduction in the rates of more 107097
than one tax, the ballot language shall be modified accordingly to 107098
express the rates at which those taxes currently are levied and 107099
the rates to which the taxes will be reduced. 107100

(C) The board of elections shall certify the results of the 107101
election to the board of education and to the tax commissioner. If 107102
a majority of the electors voting on the question vote in favor of 107103
it, the income tax, the applicable provisions of Chapter 5747. of 107104
the Revised Code, and the reduction in the rate or rates of 107105
existing property taxes if the question included such a reduction 107106
shall take effect on the date specified in the resolution. If the 107107
question approved by the voters includes a reduction in the rate 107108
of a school district property tax, the board of education shall 107109
not levy the tax at a rate greater than the rate to which the tax 107110
is reduced, unless the school district income tax is repealed in 107111
an election under section 5748.04 of the Revised Code. 107112

(D) If the rate at which a property tax is levied and 107113
collected is reduced pursuant to a question approved under this 107114
section, the tax commissioner shall compute the percentage 107115
required to be computed for that tax under division (D) of section 107116
319.301 of the Revised Code each year the rate is reduced as if 107117
the tax had been levied in the preceding year at the rate at which 107118
it has been reduced. If the rate of a property tax increases due 107119
to the repeal of the school district income tax pursuant to 107120
section 5748.04 of the Revised Code, the tax commissioner, for the 107121
first year for which the rate increases, shall compute the 107122
percentage as if the tax in the preceding year had been levied at 107123
the rate at which the tax was authorized to be levied prior to any 107124
rate reduction. 107125

Sec. 5749.02. (A) For the purpose of providing revenue to 107126

of natural resources from the soil or water of this state. The tax 107131
shall be imposed upon the severer and shall be: 107132

(1) Ten cents per ton of coal; 107133

2007, if at the end of a fiscal biennium the balance of the 107149

commissioner, and the tax levied under division (A)(8) of this 107216
section shall cease to be imposed after the last day of that 107217

(z) Qualifying distribution center receipts. 107539

(i) For purposes of division (F)(2)(z) of this section: 107540

(I) "Qualifying distribution center receipts" means receipts 107541
of a supplier from qualified property that is delivered to a 107542
qualified distribution center, multiplied by a quantity that 107543
equals one minus the Ohio delivery percentage. 107544

(II) "Qualified property" means tangible personal property 107545
delivered to a qualified distribution center that is shipped to 107546
that qualified distribution center solely for further shipping by 107547
the qualified distribution center to another location in this 107548
state or elsewhere. "Further shipping" includes storing and 107549
repackaging such property into smaller or larger bundles, so long 107550
as such property is not subject to further manufacturing or 107551
processing. 107552

(III) "Qualified distribution center" means a warehouse or 107553
other similar facility in this state that, for the qualifying 107554
year, is operated by a person that is not part of a combined 107555
taxpayer group and that has a qualifying certificate. However, all 107556
warehouses or other similar facilities that are operated by 107557
persons in the same taxpayer group and that are located within one 107558
mile of each other shall be treated as one qualified distribution 107559
center. 107560

(IV) "Qualifying year" means the calendar year to which the 107561
qualifying certificate applies. 107562

(V) "Qualifying period" means the period of the first day of July of the second year preceding the qualifying year through the thirtieth day of June of the year preceding the qualifying year.

(VI) "Qualifying certificate" means the certificate issued by the tax commissioner after the operator of a distribution center files an annual application approved by the tax commissioner from an operator of a distribution center that has filed an application as prescribed by the commissioner and paid the annual fee for the qualifying certificate on or before the first day of September prior to the qualifying year or forty five days after the opening of the distribution center, whichever is later with the commissioner. The application and annual fee shall be filed and paid for each qualified distribution center on or before the first day of September before the qualifying year or within forty-five days after the distribution center opens, whichever is later.

The applicant must substantiate to the commissioner's satisfaction that, for the qualifying period, all persons operating the distribution center have more than fifty per cent of the cost of the qualified property shipped to a location such that it would be situated outside this state under the provisions of division (E) of section 5751.033 of the Revised Code. The applicant must also substantiate that the distribution center cumulatively had costs from its suppliers equal to or exceeding five hundred million dollars during the qualifying period. (For purposes of division (F)(2)(z)(i)(VI) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.) The commissioner may require the applicant to have an independent certified public accountant certify that the calculation of the minimum thresholds required for a qualified distribution center by the operator of a distribution center has been made in accordance with generally accepted accounting

principles. The commissioner shall issue or deny the issuance of a certificate within sixty days after the receipt of the application. A denial is subject to appeal under section 5717.02 of the Revised Code. If the operator files a timely appeal under section 5717.02 of the Revised Code, the operator shall be granted a qualifying certificate, provided that the operator is liable for any tax, interest, or penalty upon amounts claimed as qualifying distribution center receipts, other than those receipts exempt under division (C)(1) of section 5751.011 of the Revised Code, that would have otherwise not been owed by its suppliers if the qualifying certificate was valid.

(VII) "Ohio delivery percentage" means the proportion of the total property delivered to a destination inside Ohio from the qualified distribution center during the qualifying period compared with total deliveries from such distribution center everywhere during the qualifying period.

(ii) If the distribution center is new and was not open for the entire qualifying period, the operator of the distribution center may request that the commissioner grant a qualifying certificate. If the certificate is granted and it is later determined that more than fifty per cent of the qualified property during that year was not shipped to a location such that it would be situated outside of this state under the provisions of division (E) of section 5751.033 of the Revised Code or if it is later determined that the person that operates the distribution center had average monthly costs from its suppliers of less than forty million dollars during that year, then the operator of the distribution center shall be liable for any tax, interest, or penalty upon amounts claimed as qualifying distribution center receipts, other than those receipts exempt under division (C)(1) of section 5751.011 of the Revised Code, that would have not otherwise been owed by its suppliers during the qualifying year if

the qualifying certificate was valid. (For purposes of division 107627
(F)(2)(z)(ii) of this section, "supplier" excludes any person that 107628
is part of the consolidated elected taxpayer group, if applicable, 107629
of the operator of the qualified distribution center.) 107630

(iii) When filing an application for a qualifying certificate 107631
under division (F)(2)(z)(i)(VI) of this section, the operator of a 107632
qualified distribution center also shall provide documentation, as 107633
the commissioner requires, for the commissioner to ascertain the 107634
Ohio delivery percentage. The commissioner, upon issuing the 107635
qualifying certificate, also shall certify the Ohio delivery 107636
percentage. The operator of the qualified distribution center may 107637
appeal the commissioner's certification of the Ohio delivery 107638
percentage in the same manner as an appeal is taken from the 107639
denial of a qualifying certificate under division (F)(2)(z)(i)(VI) 107640
of this section. 107641

Within thirty days after all appeals have been exhausted, the 107642
operator of the qualified distribution center shall notify the 107643
affected suppliers of qualified property that such suppliers are 107644
required to file, within sixty days after receiving notice from 107645
the operator of the qualified distribution center, amended reports 107646
for the impacted calendar quarter or quarters or calendar year, 107647
whichever the case may be. Any additional tax liability or tax 107648
overpayment shall be subject to interest but shall not be subject 107649
to the imposition of any penalty so long as the amended returns 107650
are timely filed. The supplier of tangible personal property 107651
delivered to the qualified distribution center shall include in 107652
its report of taxable gross receipts the receipts from the total 107653
sales of property delivered to the qualified distribution center 107654
for the calendar quarter or calendar year, whichever the case may 107655
be, multiplied by the Ohio delivery percentage for the qualifying 107656
year. Nothing in division (F)(2)(z)(iii) of this section shall be 107657
construed as imposing liability on the operator of a qualified 107658

distribution center for the tax imposed by this chapter arising 107659
from any change to the Ohio delivery percentage. 107660

(iv) In the case where the distribution center is new and not 107661
open for the entire qualifying period, the operator shall make a 107662
good faith estimate of an Ohio delivery percentage for use by 107663
suppliers in their reports of taxable gross receipts for the 107664
remainder of the qualifying period. The operator of the facility 107665
shall disclose to the suppliers that such Ohio delivery percentage 107666
is an estimate and is subject to recalculation. By the due date of 107667
the next application for a qualifying certificate, the operator 107668
shall determine the actual Ohio delivery percentage for the 107669
estimated qualifying period and proceed as provided in division 107670
(F)(2)(z)(iii) of this section with respect to the calculation and 107671
recalculation of the Ohio delivery percentage. The supplier is 107672
required to file, within sixty days after receiving notice from 107673
the operator of the qualified distribution center, amended reports 107674
for the impacted calendar quarter or quarters or calendar year, 107675
whichever the case may be. Any additional tax liability or tax 107676
overpayment shall be subject to interest but shall not be subject 107677
to the imposition of any penalty so long as the amended returns 107678
are timely filed. 107679

(v) Qualifying certificates and Ohio delivery percentages 107680
issued by the commissioner shall be open to public inspection and 107681
shall be timely published by the commissioner. A supplier relying 107682
in good faith on a certificate issued under this division shall 107683
not be subject to tax on the qualifying distribution center 107684
receipts under division (F)(2)(z) of this section. A person 107685
receiving a qualifying certificate is responsible for paying the 107686
tax, interest, and penalty upon amounts claimed as qualifying 107687
distribution center receipts that would not otherwise have been 107688
owed by the supplier if the qualifying certificate were available 107689
when it is later determined that the qualifying certificate should 107690

not have been issued because the statutory requirements were in fact not met.

(vi) The annual fee for a qualifying certificate shall be one hundred thousand dollars for each qualified distribution center. If a qualifying certificate is not issued, the annual fee is subject to refund after the exhaustion of all appeals provided for in division (F)(2)(z)(i)(VI) of this section. The fee imposed under this division may be assessed in the same manner as the tax imposed under this chapter. The first one hundred thousand dollars of the annual application fees collected each calendar year shall be credited to the commercial activity tax administrative fund. The remainder of the annual application fees collected shall be distributed in the same manner required under section 5751.20 of the Revised Code.

(vii) The tax commissioner may require that adequate security be posted by the operator of the distribution center on appeal when the commissioner disagrees that the applicant has met the minimum thresholds for a qualified distribution center as set forth in divisions (F)(2)(z)(i)(VI) and (F)(2)(z)(ii) of this section.

(aa) Receipts of an employer from payroll deductions relating to the reimbursement of the employer for advancing moneys to an unrelated third party on an employee's behalf;

(bb) Cash discounts allowed and taken;

(cc) Returns and allowances;

(dd) Bad debts from receipts on the basis of which the tax imposed by this chapter was paid in a prior quarterly tax payment period. For the purpose of this division, "bad debts" means any debts that have become worthless or uncollectible between the preceding and current quarterly tax payment periods, have been uncollected for at least six months, and that may be claimed as a

deduction under section 166 of the Internal Revenue Code and the 107722
regulations adopted under that section, or that could be claimed 107723
as such if the taxpayer kept its accounts on the accrual basis. 107724
"Bad debts" does not include repossessed property, uncollectible 107725
amounts on property that remains in the possession of the taxpayer 107726
until the full purchase price is paid, or expenses in attempting 107727
to collect any account receivable or for any portion of the debt 107728
recovered; 107729

(ee) Any amount realized from the sale of an account 107730
receivable to the extent the receipts from the underlying 107731
transaction giving rise to the account receivable were included in 107732
the gross receipts of the taxpayer; 107733

(ff) Any receipts for which the tax imposed by this chapter 107734
is prohibited by the Constitution or laws of the United States or 107735
the Constitution of Ohio. 107736

(3) In the case of a taxpayer when acting as a real estate 107737
broker, "gross receipts" includes only the portion of any fee for 107738
the service of a real estate broker, or service of a real estate 107739
salesperson associated with that broker, that is retained by the 107740
broker and not paid to an associated real estate salesperson or 107741
another real estate broker. For the purposes of this division, 107742
"real estate broker" and "real estate salesperson" have the same 107743
meanings as in section 4735.01 of the Revised Code. 107744

(4) A taxpayer's method of accounting for gross receipts for 107745
a tax period shall be the same as the taxpayer's method of 107746
accounting for federal income tax purposes for the taxpayer's 107747
federal taxable year that includes the tax period. If a taxpayer's 107748

107851

Sec. 5751.011. (A) A group of two or more persons may elect to be a consolidated elected taxpayer for the purposes of this chapter if the group satisfies all of the following requirements: 107852
107853
107854

(1) The group elects to include all persons, including persons enumerated in divisions (E)(2) to (10) of section 5751.01 of the Revised Code, having at least eighty per cent, or having at least fifty per cent, of the value of their ownership interests owned or controlled, directly or constructively through related interests, by common owners during all or any portion of the tax period, together with the common owners. ~~At~~ 107855
107856
107857
107858
107859
107860
107861

A group making its initial election on the basis of the eighty per cent ownership test may change its election so that its consolidated elected taxpayer group is formed on the basis of the fifty per cent ownership test if all of the following are satisfied: 107862
107863
107864
107865
107866

(a) When the initial election was made, the group did not have any persons satisfying the fifty per cent ownership test; 107867
107868

(b) One or more of the persons in the initial group subsequently acquires ownership interests in a person such that the fifty per cent ownership test is satisfied, the eighty per cent ownership test is not satisfied, and the acquired person 107869

date of the acquisition; 107878

(d) The group has not previously changed its election. 107879

At the election of the group, all entities that are not 107880
incorporated or formed under the laws of a state or of the United 107881
States and that meet the consolidated elected ownership test shall 107882
either be included in the group or all shall be excluded from the 107883
group. The If, at the time of registration, the group does not 107884
include any such entities that meet the consolidated elected 107885
ownership test, the group shall elect to either include or exclude 107886
the newly acquired entities before the due date of the first 107887
return due after the date of the acquisition. 107888

Each group shall notify the tax commissioner of the foregoing 107889
elections before the due date of the return ~~in which the election~~ 107890

include in the group's taxable gross receipts fifty per cent of 107897
that person's taxable gross receipts. Otherwise, all of that 107898
person's taxable gross receipts shall be included in the taxable 107899
gross receipts of the consolidated elected taxpayer group of which 107900
the person is a member. In no event shall the ownership or control 107901
of fifty per cent of the value of a person's ownership interests 107902
by two otherwise unrelated groups form the basis for consolidating 107903
the groups into a single consolidated elected taxpayer group or 107904

permit any exclusion under division (C) of this section of taxable gross receipts between members of the two groups. Division (A)(3) of this section applies with respect to the elections described in this division.

(2) The group makes the election to be treated as a consolidated elected taxpayer in the manner prescribed under division (D) of this section.

(3) Subject to review and audit by the tax commissioner, the group agrees that all of the following apply:

(a) The group shall file reports as a single taxpayer for at least the next eight calendar quarters following the election so long as at least two or more of the members of the group meet the requirements of division (A)(1) of this section.

(b) Before the expiration of the eighth such calendar quarter, the group shall notify the commissioner if it elects to cancel its designation as a consolidated elected taxpayer. If the group does not so notify the tax commissioner, the election remains in effect for another eight calendar quarters.

(c) If, at any time during any of those eight calendar quarters following the election, a former member of the group no longer meets the requirements under division (A)(1) of this section, that member shall report and pay the tax imposed under this chapter separately, as a member of a combined taxpayer, or, if the former member satisfies such requirements with respect to another consolidated elected group, as a member of that consolidated elected group.

(d) The group agrees to the application of division (B) of this section.

(B) A group of persons making the election under this section shall report and pay tax on all of the group's taxable gross receipts even if substantial nexus with this state does not exist

for one or more persons in the group. 107936

(C)(1)(a) Members of a consolidated elected taxpayer group 107937
shall exclude gross receipts among persons included in the 107938
consolidated elected taxpayer group. 107939

(b) Subject to divisions (C)(1)(c) and (C)(2) of this 107940
section, nothing in this section shall have the effect of 107941
requiring a consolidated elected taxpayer group to include gross 107942
receipts received by a person enumerated in divisions (E)(2) to 107943
(10) of section 5751.01 of the Revised Code if that person is a 107944
member of the group pursuant to the elections made by the group 107945
under division (A)(1) of this section. 107946

(c)(i) As used in division (C)(1)(c) of this section, "dealer 107947
transfer" means a transfer of property that satisfies both of the 107948
following: (I) the property is directly transferred by any means 107949
from one member of the group to another member of the group that 107950
is a dealer in intangibles but is not a qualifying dealer as 107951
defined in section 5725.24 of the Revised Code; and (II) the 107952
property is subsequently delivered by the dealer in intangibles to 107953
a person that is not a member of the group. 107954

(ii) In the event of a dealer transfer, a consolidated 107955
elected taxpayer group shall not exclude, under division (C) of 107956
this section, gross receipts from the transfer described in 107957
division (C)(1)(c)(i)(I) of this section. 107958

(2) Gross receipts related to the sale or transmission of 107959
electricity through the use of an intermediary regional 107960
transmission organization approved by the federal energy 107961
regulatory commission shall be excluded from taxable gross 107962
receipts under division (C)(1) of this section if all other 107963
requirements of that division are met, even if the receipts are 107964
from and to the same member of the group. 107965

(D) To make the election to be a consolidated elected 107966

taxpayer, a group of persons shall notify the tax commissioner of 107967
the election in the manner prescribed by the commissioner and pay 107968
the commissioner a registration fee equal to the lesser of two 107969
hundred dollars or twenty dollars for each person in the group. No 107970
additional fee shall be imposed for the addition of new members to 107971
the group once the group has remitted a fee in the amount of two 107972
hundred dollars. The election shall be made and the fee paid 107973
before ~~the later of~~ the beginning of the first calendar quarter to 107974
which the election applies ~~or November 15, 2005~~. The fee shall be 107975
collected and used in the same manner as provided in section 107976
5751.04 of the Revised Code. 107977

The election shall be made on a form prescribed by the tax 107978
commissioner for that purpose and shall be signed by one or more 107979
individuals with authority, separately or together, to make a 107980
binding election on behalf of all persons in the group. 107981

Any person acquired or formed after the filing of the 107982
registration shall be included in the group if the person meets 107983
the requirements of division (A)(1) of this section, and the group 107984
shall notify the tax commissioner of any additions to the group 107985
with the next tax return it files with the commissioner. 107986

~~(E) Each member of a consolidated elected taxpayer is jointly 107987
and severally liable for the tax imposed by this chapter and any 107988
penalties or interest thereon. The tax commissioner may require 107989
one person in the group to be the taxpayer for purposes of 107990
registration and remittance of the tax, but all members of the 107991
group are subject to assessment under section 5751.09 of the 107992
Revised Code. 107993~~

Sec. 5751.012. (A) All persons, other than persons enumerated 107994
in divisions (E)(2) to (10) of section 5751.01 of the Revised 107995
Code, having more than fifty per cent of the value of their 107996
ownership interest owned or controlled, directly or constructively 107997

through related interests, by common owners during all or any 107998
portion of the tax period, together with the common owners, shall 107999
be members of a combined taxpayer if those persons are not members 108000
of a consolidated elected taxpayer pursuant to an election under 108001
section 5751.011 of the Revised Code. 108002

(B) A combined taxpayer shall register, file returns, and pay 108003
taxes under this chapter as a single taxpayer. 108004

(C) A combined taxpayer shall neither exclude taxable gross 108005
receipts between its members nor from others that are not members. 108006

(D) A combined taxpayer shall pay to the tax commissioner a 108007
registration fee equal to the lesser of two hundred dollars or 108008
twenty dollars for each person in the group. No additional fee 108009
shall be imposed for the addition of new members to the group once 108010
the group has remitted a fee in the amount of two hundred dollars. 108011
The fee shall be timely paid before the later of the beginning of 108012
the first calendar quarter or November 15, 2005. The fee shall be 108013
collected and used in the same manner as provided in section 108014
5751.04 of the Revised Code. 108015

Any person acquired or formed after the filing of the 108016
registration shall be included in the group if the person meets 108017
the requirements of division (A) of this section, and the group 108018
must notify the tax commissioner of any additions with the next 108019
quarterly tax return it files with the commissioner. 108020

~~(E) Each member of a combined taxpayer is jointly and 108021
severally liable for the tax imposed by this chapter and any 108022

group are subject to assessment under section 5751.09 of the 108026

108038
108039

(B) Property brought into this state within one year after it is received outside this state by a person or group described in division (A)(1) or (2) of this section shall not be included as taxable gross receipts as required under those divisions if the tax commissioner ascertains that the property's receipt outside this state by the person or group followed by its transfer into this state within one year was not intended in whole or in part to avoid in whole or in part the tax imposed under this chapter. 108040
108041
108042
108043
108044
108045
108046
108047

(C) The tax commissioner may adopt rules necessary to administer this section. 108048
108049

Sec. 5751.014. All members of a consolidated elected taxpayer or combined taxpayer group during the tax period or periods for which additional tax, penalty, or interest is owed are jointly and severally liable for the tax imposed by this chapter. period shall be the product of two and six-tenths mills per dollar 108061
times the remainder of the taxpayer's taxable gross receipts for 108062
the tax period after subtracting the exclusion amount provided for 108063
in division (C) of this section. 108064

(B) Notwithstanding division (C) of this section, the tax on 108065

year 2006, the tax imposed under this division shall be paid not 108068
later than May 10, 2006, by both calendar year taxpayers and 108069
calendar quarter taxpayers. For calendar ~~year~~ years 2007 ~~and~~ 108070
~~thereafter, 2008, and 2009~~, the tax imposed under this division 108071
shall be paid with the fourth-quarter tax return or annual tax 108072

year. The tax rate shall be based on the rate imposed that 108088

calendar quarter when the taxpayer switches from a calendar year 108089
to a calendar quarter tax period. 108090

(D) There is hereby allowed a credit against the tax imposed 108091

a ~~registration fee is not paid when due~~ person does not register 108144
within the time prescribed by this section, an additional fee is 108145
imposed in the amount of one hundred dollars per month or part 108146
thereof that the fee is outstanding, not to exceed one thousand 108147
dollars. The tax commissioner may abate the additional fee. The 108148
fee imposed under this division may be assessed in the same manner 108149

as the tax imposed under this chapter. Proceeds from the fee shall 108150
be credited to the commercial activity tax administrative fund, 108151
which is hereby created in the state treasury for the commissioner 108152
to use in implementing and administering the tax imposed under 108153
this chapter. 108154

~~No registration fee is payable by a person for a calendar 108155
year if the person first begins business operations in this state 108156
after the thirtieth day of November of that calendar year or if 108157
the person's taxable gross receipts for the calendar year exceed 108158
one hundred fifty thousand dollars but do not exceed one hundred 108159
fifty thousand dollars as of the first day of December of the 108160
calendar year. 108161~~

Registration fees paid under this section, excluding any 108162
additional fee imposed for ~~late payment of the registration fee a~~ 108163
person's failure to timely register, shall be credited against the 108164
first payment of tax payable under section 5751.03 of the Revised 108165
Code ~~after the registration fee is paid.~~ 108166

~~(C)~~(D) If a person that has registered under this section is 108167
no longer a taxpayer subject to this chapter, including no longer 108168
being a taxpayer because of the application of division (E)(1) of 108169
section 5751.01 of the Revised Code, the person shall notify the 108170
commissioner that the person's registration should be cancelled. 108171

(E) With respect to registrations received by the 108172
commissioner before the effective date of the amendment of this 108173
section by the main operating appropriations act of the 128th 108174
general assembly, the taxpayer listed as the primary taxpayer on 108175
the registration shall be the reporting person until the taxpayer 108176
notifies the commissioner otherwise. 108177

Sec. 5751.05. (A) If a person subject to this chapter 108178
anticipates that the person's taxable gross receipts will be more 108179
than one million dollars ~~or less~~ in a calendar year ~~2006~~, the 108180

person may elect to be a calendar year taxpayer. If a person is 108181
not required to be registered under this section for calendar year 108182
2006 and anticipates that the person's taxable gross receipts will 108183
be one million dollars or less in the first calendar year the 108184
person is required to register under this section, the person may 108185
elect to be a calendar year taxpayer shall notify the tax 108186
commissioner on the person's initial registration form and file on 108187
a quarterly basis as a calendar quarter taxpayer. Any taxpayer 108188
with taxable gross receipts of less than one million dollars shall 108189
register as a calendar year taxpayer and shall file annually. 108190

(B) Any person that is a calendar year taxpayer ~~pursuant to~~ 108192
~~an election~~ under division (A) of this section shall become a 108193
calendar quarter taxpayer in the subsequent calendar year if the 108194
person's taxable gross receipts for the prior calendar year are 108195
more than one million dollars, and shall remain a calendar quarter 108196
taxpayer until the person notifies the tax commissioner, and 108197
receives approval in writing from the tax commissioner, to switch 108198
back to being a calendar year taxpayer. Nothing in this division 108199
prohibits a person that has elected to be a calendar year taxpayer 108200
from notifying the tax commissioner, using the procedures 108201
prescribed by the commissioner, that it is switching back to being 108202
a calendar quarter taxpayer. 108203

(C) Any taxpayer that is not a calendar ~~year~~ quarter taxpayer 108204
pursuant to this section is a calendar ~~quarter~~ year taxpayer. The 108205
~~tax~~ commissioner may grant written approval for a calendar quarter 108206
taxpayer to use an alternative reporting schedule or estimate the 108207
amount of tax due for a calendar quarter if the taxpayer 108208
demonstrates to the commissioner the need for such a deviation. 108209
The commissioner may adopt a rule to apply division (C) of this 108210
section to a group of taxpayers without the taxpayers having to 108211
receive written approval from the commissioner. 108212

Sec. 5751.051. (A)(1) Not later than ~~forty days~~ the tenth day 108213
of the second month after the end of each calendar quarter, every 108214
taxpayer other than a calendar year taxpayer shall file with the 108215
tax commissioner a tax return in such form as the commissioner 108216
prescribes. The return shall include, but is not limited to, the 108217
amount of the taxpayer's taxable gross receipts for the calendar 108218
quarter and shall indicate the amount of tax due under section 108219
5751.03 of the Revised Code for the calendar quarter. 108220

(2)(a) Subject to division (C) of section 5751.05 of the 108221
Revised Code, a calendar quarter taxpayer shall report the taxable 108222
gross receipts for that calendar quarter. 108223

(b) With respect to taxable gross receipts incorrectly 108224
reported in a calendar quarter that has a lower tax rate, the tax 108225
shall be computed at the tax rate in effect for the quarterly 108226
return in which such receipts should have been reported. Nothing 108227
in division (A)(2)(b) of this section prohibits a taxpayer from 108228
filing an application for refund under section 5751.08 of the 108229
Revised Code with regard to the incorrect reporting of taxable 108230
gross receipts discovered after filing the annual return described 108231
in division (A)(3) of this section. 108232

A tax return shall not be deemed to be an incorrect reporting 108233
of taxable gross receipts for the purposes of division (A)(2)(b) 108234
of this section if the return reflects between ninety-five and one 108235
hundred five per cent of the actual taxable gross receipts for the 108236
calendar quarter. 108237

(3) ~~The~~ For the purposes of division (A)(2)(b) of this 108238
section, the tax return filed for the fourth calendar quarter of a 108239
calendar year is the annual return for the privilege tax imposed 108240
by this chapter. Such return shall report any additional taxable 108241
gross receipts not previously reported in the calendar year and 108242
shall adjust for any over-reported taxable gross receipts in the 108243

calendar year. If the taxpayer ceases to be a taxpayer before the 108244
end of the calendar year, the last return the taxpayer is required 108245
to file shall be the annual return for the taxpayer and the 108246
taxpayer shall report any additional taxable gross receipts not 108247
previously reported in the calendar year and shall adjust for any 108248
over-reported taxable gross receipts in the calendar year. 108249

(4) Because the tax imposed by this chapter is a privilege 108250
tax, the tax rate with respect to taxable gross receipts for a 108251
calendar quarter is not fixed until the end of the measurement 108252
period for each calendar quarter. Subject to division (A)(2)(b) of 108253
this section, the total amount of taxable gross receipts reported 108254
for a given calendar quarter shall be subject to the tax rate in 108255
effect in that quarter. 108256

(5) Not later than ~~forty days after~~ the tenth day of May 108257
following the end of each calendar year, every calendar year 108258
taxpayer shall file with the tax commissioner a tax return in such 108259
form as the commissioner prescribes. The return shall include, but 108260
is not limited to, the amount of the taxpayer's taxable gross 108261
receipts for the calendar year and shall indicate the amount of 108262
tax due under section 5751.03 of the Revised Code for the calendar 108263
year. 108264

(B)(1) A person that first becomes subject to the tax imposed 108265
under this chapter shall pay the minimum tax imposed under 108266
division (B) of section 5751.03 of the Revised Code along with the 108267
registration fee imposed under this section, if applicable, on or 108268
before the day the return is required to be filed for that quarter 108269
under division (A)(1) of this section, regardless of whether the 108270
person elects to be a calendar year taxpayer under section 5751.05 108271
of the Revised Code. 108272

(2) The amount of the minimum tax for a person subject to 108273
division (B)(1) of this section shall be reduced to seventy-five 108274
dollars if the registration is timely filed after the first day of 108275

May and before the first day of January of the following calendar 108276
year. 108277

Sec. 5751.06. (A) Any taxpayer that fails to file a return or 108278
pay the full amount of the tax due within the period prescribed 108279
therefor under this chapter shall pay a penalty in an amount not 108280
exceeding the greater of fifty dollars or ten per cent of the tax 108281
required to be paid for the tax period. 108282

(B)(1) If any additional tax is found to be due, the tax 108283
commissioner may impose an additional penalty of up to fifteen per 108284
cent on the additional tax found to be due. 108285

(2) Any delinquent payments of the tax made after a taxpayer 108286
is notified of an audit or a tax discrepancy by the commissioner 108287
is subject to the penalty imposed by division (B) of this section. 108288
If an assessment is issued under section ~~5751.10~~ 5751.09 of the 108289
Revised Code in connection with such delinquent payments, the 108290
payments shall be credited to the assessment. 108291

(C) After calendar year 2008, the tax commissioner may impose 108292
an additional penalty against a taxpayer that fails to switch to 108293
being a calendar quarter taxpayer at the time it had over two 108294
million in taxable gross receipts in the calendar year, as 108295
required under section 5751.04 of the Revised Code. The penalty 108296
may be imposed in an amount not to exceed ten per cent of the tax 108297
due above two million dollars in taxable gross receipts for the 108298
calendar year. Any penalty imposed under this division is in 108299
addition to any other penalties imposed under this section. 108300

(D) If the tax commissioner notifies a person required to 108301
register under section 5751.05 of the Revised Code of such 108302
requirement and of the requirement to remit the tax due under this 108303
chapter, and the person fails to so register and remit the tax 108304
within sixty days after such notice, the tax commissioner may 108305
impose an additional penalty of up to thirty-five per cent of the 108306

tax due. The penalty imposed under this division is in addition to 108307
any other penalties imposed under this section. 108308

(E) The tax commissioner may collect any penalty or interest 108309
imposed by this section in the same manner as the tax imposed 108310
under this chapter. Penalties and interest so collected shall be 108311
considered as revenue arising from the tax imposed under this 108312
chapter. 108313

(F) The tax commissioner may abate all or a portion of any 108314
penalties imposed under this section and may adopt rules governing 108315
such abatements. 108316

(G) If any tax due is not timely paid in accordance with this 108317
chapter, the taxpayer shall pay interest, calculated at the rate 108318
per annum prescribed by section 5703.47 of the Revised Code, from 108319
the date the tax payment was due to the date of payment or to the 108320
date an assessment was issued, whichever occurs first. 108321

(H) The tax commissioner may impose a penalty of up to ten 108322
per cent for any additional tax that is due under division 108323
(A)(2)(b) of section 5751.051 of the Revised Code from a taxpayer 108324
incorrectly reporting its taxable gross receipts. 108325

Sec. 5751.08. (A) An application for refund to the taxpayer 108326
of the amount of taxes imposed under this chapter that are 108327
overpaid, paid illegally or erroneously, or paid on any illegal or 108328
erroneous assessment shall be filed by the reporting person with 108329
the tax commissioner, on the form prescribed by the commissioner, 108330
within four years after the date of the illegal or erroneous 108331
payment of the tax. The applicant shall provide the amount of the 108332
requested refund along with the claimed reasons for, and 108333
documentation to support, the issuance of a refund. 108334

(B) On the filing of the refund application, the tax 108335
commissioner shall determine the amount of refund to which the 108336

applicant is entitled. If the amount is not less than that 108337
claimed, the commissioner shall certify the amount to the director 108338
of budget and management and treasurer of state for payment from 108339
the tax refund fund created under section 5703.052 of the Revised 108340
Code. If the amount is less than that claimed, the commissioner 108341
shall proceed in accordance with section 5703.70 of the Revised 108342
Code. 108343

(C) Interest on a refund applied for under this section, 108344
computed at the rate provided for in section 5703.47 of the 108345
Revised Code, shall be allowed from the later of the date the tax 108346
was paid or when the tax payment was due. 108347

(D) A calendar quarter taxpayer with more than one million 108348
dollars in taxable gross receipts in a calendar year other than 108349
calendar year 2005 and that is not able to exclude one million 108350
dollars in taxable gross receipts because of the operation of the 108351
taxpayer's business in that calendar year may file for a refund 108352
under this section to obtain the full exclusion of one million 108353
dollars in taxable gross receipts for that calendar year. 108354

(E) No person with an active registration as a taxpayer under 108355
this chapter may claim a refund under this section for the tax 108356
imposed under division (B) of section 5751.03 of the Revised Code 108357
unless the person cancelled the registration before the tenth day 108358
of ~~February~~ May of the current calendar year pursuant to division 108359
~~(C)~~ (D) of section 5751.04 of the Revised Code. 108360

(F) Except as provided in section 5751.091 of the Revised 108361
Code, the tax commissioner may, with the consent of the taxpayer, 108362
provide for the crediting against tax due for a tax year the 108363
amount of any refund due the taxpayer under this chapter for a 108364
preceding tax year. 108365

Sec. 5751.09. (A) The tax commissioner may make an 108366
assessment, based on any information in the commissioner's 108367

possession, against any person that fails to file a return or pay 108368
any tax as required by this chapter. The commissioner shall give 108369
the person assessed written notice of the assessment as provided 108370
in section 5703.37 of the Revised Code. With the notice, the 108371
commissioner shall provide instructions on the manner in which to 108372
petition for reassessment and request a hearing with respect to 108373
the petition. The commissioner shall send any assessments against 108374
consolidated elected taxpayer and combined taxpayer groups under 108375
section 5751.011 or 5751.012 of the Revised Code to the taxpayer's 108376
"reporting person" as defined under division (R) of section 108377
5751.01 of the Revised Code. The reporting person shall notify all 108378
members of the group of the assessment and all outstanding taxes, 108379
interest, and penalties for which the assessment is issued. 108380

(B) Unless the person assessed, within sixty days after 108381
service of the notice of assessment, files with the tax 108382
commissioner, either personally or by certified mail, a written 108383
petition signed by the person or the person's authorized agent 108384
having knowledge of the facts, the assessment becomes final, and 108385
the amount of the assessment is due and payable from the person 108386
assessed to the treasurer of state. The petition shall indicate 108387
the objections of the person assessed, but additional objections 108388
may be raised in writing if received by the commissioner prior to 108389
the date shown on the final determination. 108390

If a petition for reassessment has been properly filed, the 108391
commissioner shall proceed under section 5703.60 of the Revised 108392
Code. 108393

(C)(1) After an assessment becomes final, if any portion of 108394
the assessment, including accrued interest, remains unpaid, a 108395
certified copy of the tax commissioner's entry making the 108396
assessment final may be filed in the office of the clerk of the 108397
court of common pleas in the county in which the person resides or 108398

has its principal place of business in this state, or in the 108399
office of the clerk of court of common pleas of Franklin county. 108400

(2) Immediately upon the filing of the entry, the clerk shall 108401
enter judgment for the state against the person assessed in the 108402
amount shown on the entry. The judgment may be filed by the clerk 108403
in a loose-leaf book entitled, "special judgments for the 108404
commercial activity tax" and shall have the same effect as other 108405
judgments. Execution shall issue upon the judgment at the request 108406
of the tax commissioner, and all laws applicable to sales on 108407
execution shall apply to sales made under the judgment. 108408

(3) The portion of the assessment not paid within sixty days 108409
after the day the assessment was issued shall bear interest at the 108410
rate per annum prescribed by section 5703.47 of the Revised Code 108411
from the day the tax commissioner issues the assessment until it 108412
is paid. Interest shall be paid in the same manner as the tax and 108413
may be collected by the issuance of an assessment under this 108414
section. 108415

(D) If the tax commissioner believes that collection of the 108416
tax will be jeopardized unless proceedings to collect or secure 108417
collection of the tax are instituted without delay, the 108418
commissioner may issue a jeopardy assessment against the person 108419
liable for the tax. Immediately upon the issuance of the jeopardy 108420
assessment, the commissioner shall file an entry with the clerk of 108421
the court of common pleas in the manner prescribed by division (C) 108422
of this section. Notice of the jeopardy assessment shall be served 108423
on the person assessed or the person's authorized agent in the 108424
manner provided in section 5703.37 of the Revised Code within five 108425
days of the filing of the entry with the clerk. The total amount 108426
assessed is immediately due and payable, unless the person 108427
assessed files a petition for reassessment in accordance with 108428
division (B) of this section and provides security in a form 108429
satisfactory to the commissioner and in an amount sufficient to 108430

satisfy the unpaid balance of the assessment. Full or partial 108431
payment of the assessment does not prejudice the commissioner's 108432
consideration of the petition for reassessment. 108433

(E) The tax commissioner shall immediately forward to the 108434
treasurer of state all amounts the commissioner receives under 108435
this section, and such amounts shall be considered as revenue 108436
arising from the tax imposed under this chapter. 108437

(F) Except as otherwise provided in this division, no 108438
assessment shall be made or issued against a taxpayer for the tax 108439
imposed under this chapter more than four years after the due date 108440
for the filing of the return for the tax period for which the tax 108441
was reported, or more than four years after the return for the tax 108442
period was filed, whichever is later. Nothing in this division 108443
bars an assessment against a taxpayer that fails to file a return 108444
required by this chapter or that files a fraudulent return. 108445

(G) If the tax commissioner possesses information that 108446
indicates that the amount of tax a taxpayer is required to pay 108447
under this chapter exceeds the amount the taxpayer paid, the tax 108448
commissioner may audit a sample of the taxpayer's gross receipts 108449
over a representative period of time to ascertain the amount of 108450
tax due, and may issue an assessment based on the audit. The tax 108451
commissioner shall make a good faith effort to reach agreement 108452
with the taxpayer in selecting a representative sample. The tax 108453
commissioner may apply a sampling method only if the commissioner 108454
has prescribed the method by rule. 108455

(H) If the whereabouts of a person subject to this chapter is 108456
not known to the tax commissioner, the ~~secretary of state is~~ 108457
~~hereby deemed to be that person's agent for purposes of service of~~ 108458
~~process of notice of any assessment, action, or proceedings~~ 108459
~~instituted in this state against the person under this chapter.~~ 108460
~~Such process or notice shall be served on such person by the~~ 108461
~~commissioner or by one of the commissioner's agents by leaving at~~ 108462

~~the office of the secretary of state, at least fifteen days before~~ 108463
~~the return day of such process or notice, a true and attested copy~~ 108464
~~of the notice, and by sending to such person by ordinary mail,~~ 108465
~~with an endorsement thereon of the service upon the secretary of~~ 108466
~~state, addressed to such person at the person's last known address~~ 108467
commissioner shall follow the procedures under section 5703.37 of 108468
the Revised Code. 108469

joint vocational school district, or local taxing unit to which 108650
division (C)(5) of this section applies, the taxable value of such 108651
property as listed on the general tax list of personal property 108652
for tax year 2000 shall be substituted for the taxable value of 108653
such property as reported by taxpayers for tax year 2004, in the 108654
taxing district containing the uranium facility, if the taxable 108655
value listed for tax year 2000 is greater than the taxable value 108656
reported by taxpayers for tax year 2004. For the purpose of making 108657
the computations under divisions (D)(1), (2), and (3) of this 108658
section, the tax year 2000 valuation is to be allocated to 108659
machinery and equipment, inventory, and furniture and fixtures 108660
property in the same proportions as the tax year 2004 values. For 108661
the purpose of the calculations in division (A) of section 5751.21 108662
of the Revised Code, the tax year 2004 taxable values shall be 108663
used. 108664

To facilitate the calculations required under division (C) of 108665
this section, the county auditor, upon request from the tax 108666
commissioner, shall provide by August 1, 2005, the values of 108667
machinery and equipment, inventory, and furniture and fixtures for 108668
all single-county personal property taxpayers for tax year 2004. 108669

(D) Not later than September 15, 2005, the tax commissioner 108670
shall determine for each tax year from 2006 through 2009 for each 108671
school district, joint vocational school district, and local 108672
taxing unit its machinery and equipment, inventory, and furniture 108673

and fixtures fixed-rate levy losses, and for each tax year from 108674
2006 through 2011 its telephone property fixed-rate levy loss, 108675
~~which. Except as provided in division (F) of this section, such~~ 108676
losses are the applicable amounts described in divisions (D)(1), 108677
(2), (3), and (4) of this section: 108678

(1) The machinery and equipment fixed-rate levy loss is the 108679
machinery and equipment property tax value loss multiplied by the 108680
sum of the tax rates of fixed-rate qualifying levies. 108681

(2) The inventory fixed-rate loss is the inventory property 108682
tax value loss multiplied by the sum of the tax rates of 108683
fixed-rate qualifying levies. 108684

(3) The furniture and fixtures fixed-rate levy loss is the 108685
furniture and fixture property tax value loss multiplied by the 108686
sum of the tax rates of fixed-rate qualifying levies. 108687

(4) The telephone property fixed-rate levy loss is the 108688
telephone property tax value loss multiplied by the sum of the tax 108689
rates of fixed-rate qualifying levies. 108690

(E) Not later than September 15, 2005, the tax commissioner 108691
shall determine for each school district, joint vocational school 108692
district, and local taxing unit its fixed-sum levy loss. The 108693
fixed-sum levy loss is the amount obtained by subtracting the 108694
amount described in division (E)(2) of this section from the 108695
amount described in division (E)(1) of this section: 108696

(1) The sum of the machinery and equipment property tax value 108697
loss, the inventory property tax value loss, and the furniture and 108698
fixtures property tax value loss, and, for 2008 through 2017 the 108699
telephone property tax value loss of the district or unit 108700
multiplied by the sum of the fixed-sum tax rates of qualifying 108701
levies. For 2006 through 2010, this computation shall include all 108702
qualifying levies remaining in effect for the current tax year and 108703
any school district levies imposed under section 5705.194 or 108704

5705.213 of the Revised Code that are qualifying levies not 108705
remaining in effect for the current year. For 2011 through 2017 in 108706
the case of qualifying school district levies imposed under 108707
section 5705.194 or 5705.213 of the Revised Code and for all years 108708
after 2010 in the case of other fixed-sum levies, this computation 108709
shall include only qualifying levies remaining in effect for the 108710
current year. For purposes of this computation, a qualifying 108711
school district levy imposed under section 5705.194 or 5705.213 of 108712
the Revised Code remains in effect in a year after 2010 only if, 108713
for that year, the board of education levies a school district 108714
levy imposed under section 5705.194 ~~or~~, 5705.199, 5705.213, or 108715
5705.219 of the Revised Code for an annual sum at least equal to 108716
the annual sum levied by the board in tax year 2004 less the 108717
amount of the payment certified under this division for 2006. 108718
108719

(2) The total taxable value in tax year 2004 less the sum of 108720
the machinery and equipment, inventory, furniture and fixtures, 108721
and telephone property tax value losses in each school district, 108722
joint vocational school district, and local taxing unit multiplied 108723
by one-half of one mill per dollar. 108724

(3) For the calculations in divisions (E)(1) and (2) of this 108725
section, the tax value losses are those that would be calculated 108726
for tax year 2009 under divisions (C)(1), (2), and (3) of this 108727
section and for tax year 2011 under division (C)(4) of this 108728
section. 108729

(4) To facilitate the calculation under divisions (D) and (E) 108730
of this section, not later than September 1, 2005, any school 108731
district, joint vocational school district, or local taxing unit 108732
that has a qualifying levy that was approved at an election 108733
conducted during 2005 before September 1, 2005, shall certify to 108734
the tax commissioner a copy of the county auditor's certificate of 108735
estimated property tax millage for such levy as required under 108736

division (B) of section 5705.03 of the Revised Code, which is the 108737
rate that shall be used in the calculations under such divisions. 108738

If the amount determined under division (E) of this section 108739
for any school district, joint vocational school district, or 108740
local taxing unit is greater than zero, that amount shall equal 108741
the reimbursement to be paid pursuant to division (E) of section 108742
5751.21 or division (A)(3) of section 5751.22 of the Revised Code, 108743
and the one-half of one mill that is subtracted under division 108744
(E)(2) of this section shall be apportioned among all contributing 108745
fixed-sum levies in the proportion that each levy bears to the sum 108746
of all fixed-sum levies within each school district, joint 108747
vocational school district, or local taxing unit. 108748

(F) If a school district levies a tax under section 5705.219 108749
of the Revised Code, the fixed-rate levy loss for qualifying 108750
levies, to the extent repealed under that section, shall equal the 108751
sum of the following amounts in lieu of the amounts computed for 108752
such levies under division (D) of this section: 108753

(1) The sum of the rates of qualifying levies to the extent 108754
so repealed multiplied by the sum of the machinery and equipment, 108755
inventory, and furniture and fixtures tax value losses for 2009 as 108756
determined under that division; 108757

(2) The sum of the rates of qualifying levies to the extent 108758
so repealed multiplied by the telephone property tax value loss 108759
for 2011 as determined under that division. 108760

The fixed-rate levy losses for qualifying levies to the 108761
extent not repealed under section 5705.219 of the Revised Code 108762
shall be as determined under division (D) of this section. The 108763
revised fixed-rate levy losses determined under this division and 108764
division (D) of this section first apply in the year following the 108765
first year the district levies the tax under section 5705.219 of 108766
the Revised Code. 108767

(G) Not later than October 1, 2005, the tax commissioner 108768
shall certify to the department of education for every school 108769
district and joint vocational school district the machinery and 108770

property tax value losses determined under division (C) of this 108772
section, the machinery and equipment, inventory, furniture and 108773
fixtures, and telephone fixed-rate levy losses determined under 108774
division (D) of this section, and the fixed-sum levy losses 108775
calculated under division (E) of this section. The calculations 108776
under divisions (D) and (E) of this section shall separately 108777
display the levy loss for each levy eligible for reimbursement. 108778

~~(G)~~(H) Not later than October 1, 2005, the tax commissioner 108779
shall certify the amount of the fixed-sum levy losses to the 108780
county auditor of each county in which a school district, joint 108781
vocational school district, or local taxing unit with a fixed-sum 108782
levy loss reimbursement has territory. 108783

(I) Not later than the twenty-eighth day of February each 108784
year beginning in 2011 and ending in 2014, the tax commissioner 108785
shall certify to the department of education for each school 108786
district first levying a tax under section 5705.219 of the Revised 108787

of this section from the amount described in division (A)(1)(a) of 108798

this section: 108799

(a) The state education aid computed for the school district 108800
or joint vocational school district for the current fiscal year as 108801

(b) The state education aid that would be computed for the 108803
school district or joint vocational school district for the 108804

recognized valuation included the machinery and equipment, 108806
inventory, furniture and fixtures, and telephone property tax 108807
value losses for the school district or joint vocational school 108808
district for the second preceding tax year, and if taxes charged 108809

division (C) of this section in the preceding fiscal year using 108830
the offset calculated under this division. If the payments 108831

108945
108946
108947
108948

Any qualifying levy that is a fixed-rate levy that is not applicable to a tax year after 2010 does not qualify for any reimbursement after the tax year to which it is last applicable. 108949
108950
108951

(D) For taxes levied within the ten-mill limitation for debt purposes in tax year 2005, payments shall be made equal to one 108952
108953

hundred per cent of the loss computed as if the tax were a 108954
fixed-rate levy, but those payments shall extend from fiscal year 108955
2006 through fiscal year 2018, as long as the qualifying levy 108956
continues to be used for debt purposes. If the purpose of such a 108957
qualifying levy is changed, that levy becomes subject to the 108958
payments determined in division (C) of this section. 108959

(E)(1) Not later than January 1, 2006, for each fixed-sum 108960
levy of each school district or joint vocational school district 108961
and for each year for which a determination is made under division 108962
~~(F)~~(E) of section 5751.20 of the Revised Code that a fixed-sum 108963
levy loss is to be reimbursed, the tax commissioner shall certify 108964
to the department of education the fixed-sum levy loss determined 108965
under that division. The certification shall cover a time period 108966
sufficient to include all fixed-sum levies for which the 108967
commissioner made such a determination. The department shall pay 108968
from the school district property tax replacement fund to the 108969
school district or joint vocational school district one-third of 108970
the fixed-sum levy loss so certified for each year, plus one-third 108971
of the amount certified under division (I) of section 5751.20 of 108972
the Revised Code, on or before the last day of May, August, and 108973
October of the current year. Payments under this division of the 108974
amounts certified under division (I) of section 5751.20 of the 108975
Revised Code shall continue through the earlier of calendar year 108976
2017 or until the levy adopted under section 5705.219 of the 108977
Revised Code expires. 108978

(2) Beginning in 2006, by the first day of January of each 108979
year, the tax commissioner shall review the certification 108980
originally made under division (E)(1) of this section. If the 108981
commissioner determines that a debt levy that had been scheduled 108982
to be reimbursed in the current year has expired, a revised 108983
certification for that and all subsequent years shall be made to 108984
the department of education. 108985

(F) Beginning in September 2007 and through June 2018, the director of budget and management shall transfer from the school district tangible property tax replacement fund to the general revenue fund each of the following:

(2) On the first day of December, one-fourth of the amount determined for that fiscal year under division (A)(1) of this section;

(3) On the first day of March, one-fourth of the amount determined for that fiscal year under division (A)(1) of this section;

(4) On the first day of June, one-fourth of the amount determined for that fiscal year under division (A)(1) of this section.

If, when a transfer is required under division (F)(1), (2), (3), or (4) of this section, there is not sufficient money in the school district tangible property tax replacement fund to make the transfer in the required amount, the director shall transfer the balance in the fund to the general revenue fund and may make additional transfers on later dates as determined by the director in a total amount that does not exceed one-fourth of the amount determined for the fiscal year.

(G) For each of the fiscal years 2006 through 2018, if the total amount in the school district tangible property tax replacement fund is insufficient to make all payments under divisions (C), (D), and (E) of this section at the times the payments are to be made, the director of budget and management shall transfer from the general revenue fund to the school district tangible property tax replacement fund the difference

between the total amount to be paid and the amount in the school 109017
district tangible property tax replacement fund. For each fiscal 109018
year after 2018, at the time payments under division (E) of this 109019
section are to be made, the director of budget and management 109020
shall transfer from the general revenue fund to the school 109021
district property tax replacement fund the amount necessary to 109022
make such payments. 109023

(H)(1) On the fifteenth day of June of 2006 through 2011, the 109024
director of budget and management may transfer any balance in the 109025
school district tangible property tax replacement fund to the 109026
general revenue fund. At the end of fiscal years 2012 through 109027
2018, any balance in the school district tangible property tax 109028
replacement fund shall remain in the fund to be used in future 109029
fiscal years for school purposes. 109030

(2) In each fiscal year beginning with fiscal year 2019, all 109031
amounts credited to the school district tangible personal property 109032
tax replacement fund shall be appropriated for school purposes. 109033

(I) If all of the territory of a school district or joint 109034
vocational school district is merged with another district, or if 109035
a part of the territory of a school district or joint vocational 109036
school district is transferred to an existing or newly created 109037
district, the department of education, in consultation with the 109038
tax commissioner, shall adjust the payments made under this 109039
section as follows: 109040

(1) For a merger of two or more districts, the machinery and 109041
equipment, inventory, furniture and fixtures, and telephone 109042
property fixed-rate levy losses and the fixed-sum levy losses of 109043
the successor district shall be equal to the sum of the machinery 109044
and equipment, inventory, furniture and fixtures, and telephone 109045
property fixed-rate levy losses and debt levy losses as determined 109046
in section 5751.20 of the Revised Code, for each of the districts 109047
involved in the merger. 109048

(2) If property is transferred from one district to a previously existing district, the amount of machinery and equipment, inventory, furniture and fixtures, and telephone property tax value losses and fixed-rate levy losses that shall be transferred to the recipient district shall be an amount equal to the total machinery and equipment, inventory, furniture and fixtures, and telephone property fixed-rate levy losses times a fraction, the numerator of which is the value of business tangible personal property on the land being transferred in the most recent year for which data are available, and the denominator of which is the total value of business tangible personal property in the district from which the land is being transferred in the most recent year for which data are available. For each of the first five years after the property is transferred, but not after fiscal year 2012, if the tax rate in the recipient district is less than the tax rate of the district from which the land was transferred, one-half of the payments arising from the amount of fixed-rate levy losses so transferred to the recipient district shall be paid to the recipient district and one-half of the payments arising from the fixed-rate levy losses so transferred shall be paid to the district from which the land was transferred. Fixed-rate levy losses so transferred shall be computed on the basis of the sum of the rates of fixed-rate qualifying levies of the district from which the land was transferred, notwithstanding division (E) of this section.

(3) After December 31, 2004, if property is transferred from one or more districts to a district that is newly created out of the transferred property, the newly created district shall be deemed not to have any machinery and equipment, inventory, furniture and fixtures, or telephone property fixed-rate levy losses and the districts from which the property was transferred shall have no reduction in their machinery and equipment, inventory, furniture and fixtures, and telephone property

fixed-rate levy losses. 109082

(4) If the recipient district under division (I)(2) of this 109083
section or the newly created district under divisions (I)(3) of 109084
this section is assuming debt from one or more of the districts 109085

education, in consultation with the tax commissioner, shall make 109088
an equitable division of the fixed-sum levy loss reimbursements. 109089

and charges, and the establishment and use of security deposits to 109283
the extent considered necessary to ensure the payment of county 109284
water rates and charges. The rules shall not be inconsistent with 109285
the laws of the state or any applicable rules of the director of 109286
environmental protection. 109287

(D) No public water supply facilities shall be constructed in 109288
any county outside municipal corporations by any person, except 109289
for the purpose of supplying water to those municipal 109290
corporations, until the plans and specifications for the 109291
facilities have been approved by the board. Construction shall be 109292
done under the supervision of the county sanitary engineer. Any 109293
person constructing public water supply facilities shall pay to 109294
the county all expenses incurred by the board in connection with 109295

the construction. 109296

(E) The county sanitary engineer or the county sanitary 109297
engineer's authorized assistants or agents, when properly 109298
identified in writing or otherwise and after written notice is 109299
delivered to the owner at least five days in advance or mailed at 109300
least five days in advance by first class or certified mail to the 109301
owner's tax mailing address, may enter upon any public or private 109302
property for the purpose of making, and may make, surveys or 109303
inspections necessary for the design or evaluation of county 109304
public water supply facilities. This entry is not a trespass and 109305
is not to be considered an entry in connection with any 109306
appropriation of property proceedings under sections 163.01 to 109307
163.22 of the Revised Code that may be pending. No person or 109308
public agency shall forbid the county sanitary engineer or the 109309
county sanitary engineer's authorized assistants or agents to 109310
enter, or interfere with their entry, upon the property for the 109311
purpose of making the surveys or inspections. If actual damage is 109312
done to property by the making of the surveys or inspections, the 109313
board shall pay the reasonable value of the damage to the property 109314
owner, and the cost shall be included in the cost of the 109315
facilities and may be included in any special assessments levied 109316
and collected to pay that cost. 109317

(F) The board shall fix reasonable rates, including penalties 109318
for late payments, for water supplied to public agencies and 109319
persons when the source of supply or the facilities for its 109320
distribution are owned or operated by the county and may change 109321
the rates from time to time as it considers advisable. When the 109322
source of the water supply to be used by the county is owned by 109323
another public agency or person, the schedule of rates to be 109324
charged by the public agency or person shall be approved by the 109325
board at the time it enters into a contract for the use of water 109326
from the public agency or person. ~~When~~ 109327

When the distribution facilities are owned by the county, the board also may fix reasonable charges to be collected for the privilege of connecting to the distribution facilities and may require that, prior to the connection, the charges be paid in full or, if determined by the board to be equitable in a resolution relating to the payment of the charges, may require their payment in installments, as considered adequate by the board, at the times, in the amounts, and with the security, carrying charges, and penalties as may be determined by the board in that resolution to be fair and appropriate. No public agency or person shall be permitted to connect to those facilities until the charges have been paid in full or provision for their payment in installments has been made. If the connection charges are to be paid in installments, the board shall certify, to the county auditor, information sufficient to identify each parcel of property served by a connection and, with respect to each parcel, the total of the charges to be paid in installments, the amount of each installment, and the total number of installments to be paid. The county auditor shall record and maintain the information so supplied in the waterworks record provided for in section 6103.16 of the Revised Code until the connection charges are paid in full. The board may include amounts attributable to connection charges being paid in installments in its billings of rates and other charges for water supplied. In addition, the board may consider payments made to a school district under section 6103.25 of the Revised Code when the board establishes rates and other charges for water supplied.

A board may establish discounted rates or charges or may establish another mechanism for providing a reduction in rates or charges for persons who are sixty-five years of age or older. The board shall establish eligibility requirements for such discounted or reduced rates or charges, including a requirement that a person be eligible for the homestead exemption or qualify as a low- and

moderate-income person. 109361

(G) When any rates or charges are not paid when due, the 109362
board may do any or all of the following: 109363

(1) Certify the unpaid rates or charges, together with any 109364
penalties, to the county auditor. The county auditor shall place 109365
the certified amount upon the real property tax list and duplicate 109366
against the property served by the connection. The certified 109367
amount shall be a lien on the property from the date placed on the 109368
real property tax list and duplicate and shall be collected in the 109369
same manner as taxes, except that, notwithstanding section 323.15 109370
of the Revised Code, a county treasurer shall accept a payment in 109371
that amount when separately tendered as payment for the full 109372
amount of the unpaid rates or charges and associated penalties. 109373
The lien shall be released immediately upon payment in full of the 109374
certified amount. 109375

(2) Collect the unpaid rates or charges, together with any 109376
penalties, by actions at law in the name of the county from an 109377
owner, tenant, or other person or public agency that is liable for 109378
the payment of the rates or charges; 109379

(3) Terminate, in accordance with established rules, the 109380
water service to the particular property unless and until the 109381
unpaid rates or charges, together with any penalties, are paid in 109382
full; 109383

(4) Apply, to the extent required, any security deposit made 109384
in accordance with established rules to the payment of the unpaid 109385
rates and charges, together with any penalties, for water service 109386
to the particular property. 109387

All moneys collected as rates, charges, or penalties fixed or 109388
established in accordance with division (F) of this section for 109389
water supply purposes in or for any sewer district shall be paid 109390
to the county treasurer and kept in a separate and distinct water 109391

fund established by the board to the credit of the district. 109392

Each board that fixes water rates or charges may render 109393
estimated bills periodically, provided that at least quarterly it 109394
shall schedule an actual reading of each customer's meter so as to 109395
render a bill for the actual amount shown by the meter reading to 109396
be due, with credit for prior payments of any estimated bills 109397
submitted for any part of the billing period, except that 109398
estimated bills may be rendered if a customer's meter is not 109399
accessible for a timely reading or if the circumstances preclude a 109400
scheduled reading. Each board also shall establish procedures 109401
providing a fair and reasonable opportunity for the resolution of 109402
billing disputes. 109403

When property to which water service is provided is about to 109404
be sold, any party to the sale or an agent of a party may request 109405
the board to have the meter at that property read and to render, 109406
within ten days following the date on which the request is made, a 109407
final bill for all outstanding rates and charges for water 109408
service. The request shall be made at least fourteen days prior to 109409
the transfer of the title of the property. 109410

At any time prior to a certification under division (G)(1) of 109411
this section, the board shall accept any partial payment of unpaid 109412
water rates or charges in the amount of ten dollars or more. 109413

Except as otherwise provided in any proceedings authorizing 109414
or providing for the security for and payment of any public 109415
obligations, or in any indenture or trust or other agreement 109416
securing public obligations, moneys in the water fund shall be 109417
applied first to the payment of the cost of the management, 109418
maintenance, and operation of the water supply facilities of, or 109419
used or operated for, the sewer district, which cost may include 109420
the county's share of management, maintenance, and operation costs 109421
under cooperative contracts for the acquisition, construction, or 109422
use of water supply facilities and, in accordance with a cost 109423

allocation plan adopted under division (H) of this section, 109424
payment of all allowable direct and indirect costs of the 109425
district, the county sanitary engineer or sanitary engineering 109426
department, or a federal or state grant program, incurred for the 109427
purposes of this chapter, and shall be applied second to the 109428
payment of debt charges payable on any outstanding public 109429
obligations issued or incurred for the acquisition or construction 109430
of water supply facilities for or serving the district, or for the 109431
funding of a bond retirement or other fund established for the 109432
payment of or security for the obligations. Any surplus remaining 109433
may be applied to the acquisition or construction of those 109434
facilities or for the payment of contributions to be made, or 109435
costs incurred, for the acquisition or construction of those 109436
facilities under cooperative contracts. Moneys in the water fund 109437
shall not be expended other than for the use and benefit of the 109438
district. 109439

(H) A board of county commissioners may adopt a cost 109440
allocation plan that identifies, accumulates, and distributes 109441
allowable direct and indirect costs that may be paid from the 109442
water fund of the sewer district created pursuant to division (G) 109443
of this section, and that prescribes methods for allocating those 109444
costs. The plan shall authorize payment from the fund of only 109445
those costs incurred by the district, the county sanitary engineer 109446
or sanitary engineering department, or a federal or state grant 109447
program, and those costs incurred by the general and other funds 109448
of the county for a common or joint purpose, that are necessary 109449
and reasonable for the proper and efficient administration of the 109450
district under this chapter. The plan shall not authorize payment 109451
from the fund of any general government expense required to carry 109452
out the overall governmental responsibilities of a county. The 109453
plan shall conform to United States office of management and 109454
budget Circular A-87, "Cost Principles for State, Local, and 109455
Indian Tribal Governments," published May 17, 1995. 109456

Sec. 6109.21. (A) Except as provided in divisions (D) and (E) 109457
of this section, on and after January 1, 1994, no person shall 109458
operate or maintain a public water system in this state without a 109459
license issued by the director of environmental protection. A 109460
person who operates or maintains a public water system on January 109461
1, 1994, shall obtain an initial license under this section in 109462
accordance with the following schedule: 109463

(1) If the public water system is a community water system, 109464
not later than January 31, 1994; 109465

(2) If the public water system is not a community water 109466
system and serves a nontransient population, not later than 109467
January 31, 1994; 109468

(3) If the public water system is not a community water 109469
system and serves a transient population, not later than January 109470
31, 1995. 109471

A person proposing to operate or maintain a new public water 109472
system after January 1, 1994, in addition to complying with 109473
section 6109.07 of the Revised Code and rules adopted under it, 109474
shall submit an application for an initial license under this 109475
section to the director prior to commencing operation of the 109476
system. 109477

A license or license renewal issued under this section shall 109478
be renewed annually. Such a license or license renewal shall 109479
expire on the thirtieth day of January in the year following its 109480
issuance. A license holder that proposes to continue operating the 109481
public water system for which the license or license renewal was 109482
issued shall apply for a license renewal at least thirty days 109483
prior to that expiration date. 109484

The director shall adopt, and may amend and rescind, rules in 109485
accordance with Chapter 119. of the Revised Code establishing 109486

procedures governing and information to be included on 109487
applications for licenses and license renewals under this section. 109488
Through June 30, ~~2010~~ 2012, each application shall be accompanied 109489
by the appropriate fee established under division (M) of section 109490
3745.11 of the Revised Code, provided that an applicant for an 109491
initial license who is proposing to operate or maintain a new 109492
public water system after January 1, 1994, shall submit a fee that 109493
equals a prorated amount of the appropriate fee established under 109494
that division for the remainder of the licensing year. 109495

(B) Not later than thirty days after receiving a completed 109496
application and the appropriate license fee for an initial license 109497
under division (A) of this section, the director shall issue the 109498
license for the public water system. Not later than thirty days 109499
after receiving a completed application and the appropriate 109500
license fee for a license renewal under division (A) of this 109501
section, the director shall do one of the following: 109502

(1) Issue the license renewal for the public water system; 109503

(2) Issue the license renewal subject to terms and conditions 109504
that the director determines are necessary to ensure compliance 109505
with this chapter and rules adopted under it; 109506

(3) Deny the license renewal if the director finds that the 109507
public water system was not operated in substantial compliance 109508
with this chapter and rules adopted under it. 109509

(C) The director may suspend or revoke a license or license 109510
renewal issued under this section if the director finds that the 109511
public water system was not operated in substantial compliance 109512
with this chapter and rules adopted under it. The director shall 109513
adopt, and may amend and rescind, rules in accordance with Chapter 109514
119. of the Revised Code governing such suspensions and 109515
revocations. 109516

(D)(1) As used in division (D) of this section, "church" 109517

means a fellowship of believers, congregation, society, 109518
corporation, convention, or association that is formed primarily 109519
or exclusively for religious purposes and that is not formed or 109520
operated for the private profit of any person. 109521

(2) This section does not apply to a church that operates or 109522
maintains a public water system solely to provide water for that 109523
church or for a campground that is owned by the church and 109524
operated primarily or exclusively for members of the church and 109525
their families. A church that, on or before March 5, 1996, has 109526
obtained a license under this section for such a public water 109527
system need not obtain a license renewal under this section. 109528

(E) This section does not apply to any public or nonpublic 109529
school that meets minimum standards of the state board of 109530
education that operates or maintains a public water system solely 109531
to provide water for that school. 109532

(F) The environmental protection agency shall collect well 109533
log filing fees on behalf of the division of soil and water 109534
resources in the department of natural resources in accordance 109535
with section 1521.05 of the Revised Code and rules adopted under 109536
it. The fees shall be submitted to the division quarterly as 109537
provided in those rules. 109538

Sec. 6111.044. Upon receipt of an application for an 109539
injection well drilling permit, an injection well operating 109540
permit, a renewal of an injection well operating permit, or a 109541
modification of an injection well drilling permit, operating 109542
permit, or renewal of an operating permit, the director of 109543
environmental protection shall determine whether the application 109544
is complete and demonstrates that the activities for which the 109545
permit, renewal permit, or modification is requested will comply 109546
with the Federal Water Pollution Control Act and regulations 109547
adopted under it; the "Safe Drinking Water Act," 88 Stat. 1661 109548

(1974), 42 U.S.C.A. 300(f), as amended, and regulations adopted 109549
under it; and this chapter and the rules adopted under it. If the 109550
application demonstrates that the proposed activities will not 109551
comply or will pose an unreasonable risk of inducing seismic 109552
activity, inducing geologic fracturing, or contamination of an 109553
underground source of drinking water, the director shall deny the 109554
application. If the application does not make the required 109555
demonstrations, the director shall return it to the applicant with 109556
an indication of those matters about which a required 109557
demonstration was not made. If the director determines that the 109558
application makes the required demonstrations, the director shall 109559
transmit copies of the application and all of the accompanying 109560
maps, data, samples, and information to the chief of the division 109561
of mineral resources management, the chief of the division of 109562
geological survey, and the chief of the division of soil and water 109563
resources in the department of natural resources. 109564

The chief of the division of geological survey shall comment 109565
upon the application if the chief determines that the proposed 109566
well or injection will present an unreasonable risk of loss or 109567
damage to valuable mineral resources. If the chief submits 109568
comments on the application, those comments shall be accompanied 109569
by an evaluation of the geological factors upon which the comments 109570
are based, including fractures, faults, earthquake potential, and 109571
the porosity and permeability of the injection zone and confining 109572
zone, and by the documentation supporting the evaluation. The 109573
director shall take into consideration the chief's comments, and 109574
the accompanying evaluation of geologic factors and supporting 109575
documentation, when considering the application. The director 109576
shall provide written notice to the chief of the director's 109577
decision on the application and, if the chief's comments are not 109578
included in the permit, renewal permit, or modification, of the 109579
director's rationale for not including them. 109580

The chief of the division of mineral resources management 109581
shall comment upon the application if the chief determines that 109582
the proposed well or injection will present an unreasonable risk 109583
that waste or contamination of recoverable oil or gas in the earth 109584
will occur. If the chief submits comments on the application, 109585
those comments shall be accompanied by an evaluation of the oil or 109586
gas reserves that, in the best professional judgment of the chief, 109587
are recoverable and will be adversely affected by the proposed 109588
well or injection, and by the documentation supporting the 109589
evaluation. The director shall take into consideration the chief's 109590
comments, and the accompanying evaluation and supporting 109591
documentation, when considering the application. The director 109592
shall provide written notice to the chief of the director's 109593
decision on the application and, if the chief's comments are not 109594
included in the permit, renewal permit, or modification, of the 109595
director's rationale for not including them. 109596

The chief of the division of soil and water resources shall 109597
assist the director in determining whether all underground sources 109598
of drinking water in the area of review of the proposed well or 109599
injection have been identified and correctly delineated in the 109600
application. If the application fails to identify or correctly 109601
delineate an underground source of drinking water, the chief shall 109602
provide written notice of that fact to the director. 109603

The chief of the division of mineral resources management 109604
also shall review the application as follows: 109605

If the application concerns the drilling or conversion of a 109606
well or the injection into a well that is not or is not to be 109607
located within five thousand feet of the excavation and workings 109608
of a mine, the chief of the division of mineral resources 109609
management shall note upon the application that it has been 109610
examined by the division of mineral resources management, retain a 109611
copy of the application and map, and immediately return a copy of 109612

the application to the director. 109613

If the application concerns the drilling or conversion of a well or the injection into a well that is or is to be located within five thousand feet, but more than five hundred feet from the surface excavations and workings of a mine, the chief of the division of mineral resources management immediately shall notify the owner or lessee of the mine that the application has been filed and send to the owner or lessee a copy of the map accompanying the application setting forth the location of the well. The chief of the division of mineral resources management shall note on the application that the notice has been sent to the owner or lessee of the mine, retain a copy of the application and map, and immediately return a copy of the application to the director with the chief's notation on it.

If the application concerns the drilling or conversion of a well or the injection into a well that is or is to be located within five thousand feet of the underground excavations and workings of a mine or within five hundred feet of the surface excavations and workings of a mine, the chief of the division of mineral resources management immediately shall notify the owner or lessee of the mine that the application has been filed and send to the owner or lessee a copy of the map accompanying the application setting forth the location of the well. If the owner or lessee objects to the application, the owner or lessee shall notify the chief of the division of mineral resources management of the objection, giving the reasons, within six days after the receipt of the notice. If the chief of the division of mineral resources management receives no objections from the owner or lessee of the mine within ten days after the receipt of the notice by the owner or lessee, or if in the opinion of the chief of the division of mineral resources management the objections offered by the owner or lessee are not sufficiently ~~well-founded~~ well founded, the

chief shall retain a copy of the application and map and return a 109645
copy of the application to the director with any applicable notes 109646
concerning it. 109647

If the chief of the division of mineral resources management 109648
receives an objection from the owner or lessee of the mine as to 109649
the application, within ten days after receipt of the notice by 109650
the owner or lessee, and if in the opinion of the chief the 109651
objection is ~~well-founded~~ well founded, the chief shall disapprove 109652
the application and immediately return it to the director together 109653
with the chief's reasons for the disapproval. The director 109654
promptly shall notify the applicant for the permit, renewal 109655
permit, or modification of the disapproval. The applicant may 109656
appeal the disapproval of the application by the chief of the 109657
division of mineral resources management to the reclamation 109658
commission created under section 1513.05 of the Revised Code, and 109659
the commission shall hear the appeal in accordance with section 109660
1513.13 of the Revised Code. The appeal shall be filed within 109661
thirty days from the date the applicant receives notice of the 109662
disapproval. No comments concerning or disapproval of an 109663
application shall be delayed by the chief of the division of 109664
mineral resources management for more than fifteen days from the 109665
date of sending of notice to the mine owner or lessee as required 109666
by this section. 109667

The director shall not approve an application for an 109668
injection well drilling permit, an injection well operating 109669
permit, a renewal of an injection well operating permit, or a 109670
modification of an injection well drilling permit, operating 109671
permit, or renewal of an operating permit for a well that is or is 109672
to be located within three hundred feet of any opening of any mine 109673
used as a means of ingress, egress, or ventilation for persons 109674
employed in the mine, nor within one hundred feet of any building 109675
or flammable structure connected with the mine and actually used 109676

as a part of the operating equipment of the mine, unless the chief 109677
of the division of mineral resources management determines that 109678
life or property will not be endangered by drilling and operating 109679
the well in that location. 109680

Upon review by the chief of the division of mineral resources 109681
management, the chief of the division of geological survey, and 109682
the chief of the division of soil and water resources, and if the 109683
chief of the division of mineral resources management has not 109684
disapproved the application, the director shall issue a permit, 109685
renewal permit, or modification with any terms and conditions that 109686
may be necessary to comply with the Federal Water Pollution 109687
Control Act and regulations adopted under it; the "Safe Drinking 109688
Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f) as amended, 109689
and regulations adopted under it; and this chapter and the rules 109690
adopted under it. The director shall not issue a permit, renewal 109691
permit, or modification to an applicant if the applicant or 109692
persons associated with the applicant have engaged in or are 109693
engaging in a substantial violation of this chapter that is 109694
endangering or may endanger human health or the environment or if, 109695
in the case of an applicant for an injection well drilling permit, 109696
the applicant, at the time of applying for the permit, did not 109697
hold an injection well operating permit or renewal of an injection 109698
well drilling permit and failed to demonstrate sufficient 109699
expertise and competency to operate the well in compliance with 109700
the applicable provisions of this chapter. 109701

If the director receives a disapproval from the chief of the 109702
division of mineral resources management regarding an application 109703
for an injection well drilling or operating permit, renewal 109704
permit, or modification, if required, the director shall issue an 109705
order denying the application. 109706

The director need not issue a proposed action under section 109707
3745.07 of the Revised Code or hold an adjudication hearing under 109708

that section and Chapter 119. of the Revised Code before issuing 109709
or denying a permit, renewal permit, or modification of a permit 109710
or renewal permit. Before issuing or renewing a permit to drill or 109711
operate a class I injection well or a modification of it, the 109712
director shall propose the permit, renewal permit, or modification 109713
in draft form and shall hold a public hearing to receive public 109714
comment on the draft permit, renewal permit, or modification. At 109715
least fifteen days before the public hearing on a draft permit, 109716
renewal permit, or modification, the director shall publish notice 109717
of the date, time, and location of the public hearing in at least 109718
one newspaper of general circulation serving the area where the 109719
well is or is to be located. The proposing of such a draft permit, 109720
renewal permit, or modification does not constitute the issuance 109721
of a proposed action under section 3745.07 of the Revised Code, 109722
and the holding of the public hearing on such a draft permit, 109723
renewal permit, or modification does not constitute the holding of 109724
an adjudication hearing under that section and Chapter 119. of the 109725
Revised Code. Appeals of orders other than orders of the chief of 109726
the division of mineral resources management shall be taken under 109727
sections 3745.04 to 3745.08 of the Revised Code. 109728

The director may order that an injection well drilling permit 109729
or an injection well operating permit or renewal permit be 109730
suspended and that activities under it cease after determining 109731
that those activities are occurring in violation of law, rule, 109732
order, or term or condition of the permit. Upon service of a copy 109733
of the order upon the permit holder or the permit holder's 109734
authorized agent or assignee, the permit and activities under it 109735
shall be suspended immediately without prior hearing and shall 109736
remain suspended until the violation is corrected and the order of 109737
suspension is lifted. If a violation is the second within a 109738
one-year period, the director, after a hearing, may revoke the 109739
permit. 109740

The director may order that an injection well drilling permit 109741
or an injection well operating permit or renewal permit be 109742
suspended and that activities under it cease if the director has 109743
reasonable cause to believe that the permit would not have been 109744
issued if the information available at the time of suspension had 109745
been available at the time a determination was made by one of the 109746
agencies acting under authority of this section. Upon service of a 109747
copy of the order upon the permit holder or the permit holder's 109748
authorized agent or assignee, the permit and activities under it 109749
shall be suspended immediately without prior hearing, but a permit 109750
may not be suspended for that reason without prior hearing unless 109751
immediate suspension is necessary to prevent waste or 109752
contamination of oil or gas, comply with the Federal Water 109753
Pollution Control Act and regulations adopted under it; the "Safe 109754
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as 109755
amended, and regulations adopted under it; and this chapter and 109756
the rules adopted under it, or prevent damage to valuable mineral 109757
resources, prevent contamination of an underground source of 109758
drinking water, or prevent danger to human life or health. If 109759
after a hearing the director determines that the permit would not 109760
have been issued if the information available at the time of the 109761
hearing had been available at the time a determination was made by 109762
one of the agencies acting under authority of this section, the 109763
director shall revoke the permit. 109764

When a permit has been revoked, the permit holder or other 109765
person responsible for it immediately shall plug the well in the 109766
manner required by the director. 109767

The director may issue orders to prevent or require cessation 109768
of violations of this section, section 6111.043, 6111.045, 109769
6111.046, or 6111.047 of the Revised Code, rules adopted under any 109770
of those sections, and terms or conditions of permits issued under 109771
any of them. The orders may require the elimination of conditions 109772

caused by the violation. 109773

(B)(1) For the purpose of preserving and promoting the public health and welfare, a board of county commissioners may lay out, establish, consolidate, or otherwise modify the boundaries of, and maintain, one or more sewer districts within the county and outside municipal corporations and may have a registered professional engineer make the surveys necessary for the determination of the proper boundaries of each district, which shall be designated by an appropriate name or number. The board may acquire, construct, maintain, and operate within any district sanitary or drainage facilities that it determines to be necessary or appropriate for the collection of sewage and other wastes originating in or entering the district, to comply with the provisions of a contract entered into for the purposes described in sections 6117.41 to 6117.44 of the Revised Code and pursuant to those sections or other applicable provisions of law, or for the collection, control, or abatement of waters originating or accumulating in, or flowing in, into, or through, the district,

and other sanitary or drainage facilities, within or outside of 109866
the district, that it determines to be necessary or appropriate to 109867
conduct the wastes and waters to a proper outlet and to provide 109868
for their proper treatment, disposal, and disposition. The board 109869
may provide for the protection of the sanitary and drainage 109870
facilities and may negotiate and enter into a contract with any 109871
public agency or person for the management, maintenance, 109872
operation, and repair of any of the facilities on behalf of the 109873
county upon the terms and conditions that may be agreed upon with 109874
the agency or person and that may be determined by the board to be 109875
in the best interests of the county. By contract with any public 109876
agency or person operating sanitary or drainage facilities within 109877
or outside of the county, the board may provide a proper outlet 109878
for any of the wastes and waters and for their proper treatment, 109879
disposal, and disposition. 109880

(2) For purposes of preventing storm water from entering a 109881
combined sewer and causing an overflow or an inflow to a sanitary 109882
sewer, the board may acquire, design, construct, operate, repair, 109883
maintain, and provide for a project or program that separates 109884
storm water from a combined sewer or for a prevention or 109885
replacement facility that prevents or minimizes storm water from 109886
entering a combined sewer or a sanitary sewer. 109887

(C) The board of county commissioners may employ a registered 109888
professional engineer to be the county sanitary engineer for the 109889
time and on the terms it considers best and may authorize the 109890
county sanitary engineer to employ necessary assistants upon the 109891
terms fixed by the board. Prior to the initial assignment of 109892
drainage facilities duties to the county sanitary engineer, if the 109893
county sanitary engineer is not the county engineer, the board 109894
first shall offer to enter into an agreement with the county 109895
engineer pursuant to section 315.14 of the Revised Code for 109896
assistance in the performance of those duties of the board 109897

pertaining to drainage facilities, and the county engineer shall 109898
accept or reject the offer within thirty days after the date the 109899
offer is made. 109900

The board may create and maintain a sanitary engineering 109901
department, which shall be under its supervision and which shall 109902
be headed by the county sanitary engineer, for the purpose of 109903
aiding it in the performance of its duties under this chapter and 109904
Chapter 6103. of the Revised Code or its other duties regarding 109905
sanitation, drainage, and water supply provided by law. The board 109906
shall provide suitable facilities for the use of the department 109907
and shall provide for and pay the compensation of the county 109908
sanitary engineer and all authorized necessary expenses of the 109909
county sanitary engineer and the sanitary engineering department. 109910
The county sanitary engineer, with the approval of the board, may 109911
appoint necessary assistants and clerks, and the compensation of 109912
those assistants and clerks shall be provided for and paid by the 109913
board. 109914

(D) The board of county commissioners may adopt, publish, 109915
administer, and enforce rules for the construction, maintenance, 109916
protection, and use of county-owned or county-operated sanitary 109917
and drainage facilities and prevention or replacement facilities 109918
outside municipal corporations, and of sanitary and drainage 109919
facilities and prevention or replacement facilities within 109920
municipal corporations that are owned or operated by the county or 109921
that discharge into sanitary or drainage facilities or prevention 109922
or replacement facilities owned or operated by the county, 109923
including, but not limited to, rules for the establishment and use 109924
of any connections, the termination in accordance with reasonable 109925
procedures of sanitary service for the nonpayment of county 109926
sanitary rates and charges and, if so determined, the concurrent 109927
termination of any county water service for the nonpayment of 109928
those rates and charges, the termination in accordance with 109929

reasonable procedures of drainage service for the nonpayment of 109930
county drainage rates and charges, and the establishment and use 109931
of security deposits to the extent considered necessary to ensure 109932
the payment of county sanitary or drainage rates and charges. The 109933
rules shall not be inconsistent with the laws of this state or any 109934
applicable rules of the director of environmental protection. 109935

109936

(E) No sanitary or drainage facilities or prevention or 109937
replacement facilities shall be constructed in any county outside 109938
municipal corporations by any person until the plans and 109939
specifications have been approved by the board of county 109940
commissioners, and any construction shall be done under the 109941
supervision of the county sanitary engineer. Not less than thirty 109942
days before the date drainage plans are submitted to the board for 109943
its approval, the plans shall be submitted to the county engineer. 109944
If the county engineer is of the opinion after review that the 109945
facilities will have a significant adverse effect on roads, 109946
culverts, bridges, or existing maintenance within the county, the 109947
county engineer may submit a written opinion to the board not 109948
later than thirty days after the date the plans are submitted to 109949
the county engineer. The board may take action relative to the 109950
drainage plans only after the earliest of receiving the written 109951
opinion of the county engineer, receiving a written waiver of 109952
submission of an opinion from the county engineer, or passage of 109953
thirty days from the date the plans are submitted to the county 109954
engineer. Any person constructing the facilities shall pay to the 109955
county all expenses incurred by the board in connection with the 109956
construction. 109957

(F) The county sanitary engineer or the county sanitary 109958
engineer's authorized assistants or agents, when properly 109959
identified in writing or otherwise and after written notice is 109960
delivered to the owner at least five days in advance or is mailed 109961

at least five days in advance by first class or certified mail to 109962
the owner's tax mailing address, may enter upon any public or 109963
private property for the purpose of making, and may make, surveys 109964
or inspections necessary for the laying out of sewer districts or 109965
the design or evaluation of county sanitary or drainage facilities 109966
or prevention or replacement facilities. This entry is not a 109967
trespass and is not to be considered an entry in connection with 109968
any appropriation of property proceedings under sections 163.01 to 109969
163.22 of the Revised Code that may be pending. No person or 109970
public agency shall forbid the county sanitary engineer or the 109971
county sanitary engineer's authorized assistants or agents to 109972
enter, or interfere with their entry, upon the property for that 109973
purpose or forbid or interfere with their making of surveys or 109974
inspections. If actual damage is done to property by the making of 109975
the surveys and inspections, the board shall pay the reasonable 109976
value of the damage to the property owner, and the cost shall be 109977
included in the cost of the facilities and may be included in any 109978
special assessments to be levied and collected to pay that cost. 109979

Sec. 6117.02. (A) The board of county commissioners shall fix 109980
reasonable rates, including penalties for late payments, for the 109981
use, or the availability for use, of the sanitary facilities of a 109982
sewer district to be paid by every person and public agency whose 109983
premises are served, or capable of being served, by a connection 109984
directly or indirectly to those facilities when those facilities 109985
are owned or operated by the county and may change the rates from 109986
time to time as it considers advisable. When the sanitary 109987
facilities to be used by the county are owned by another public 109988
agency or person, the schedule of rates to be charged by the 109989
public agency or person for the use of the facilities by the 109990
county, or the formula or other procedure for their determination, 109991
shall be approved by the board at the time it enters into a 109992
contract for that use. 109993

(B) The board also shall establish reasonable charges to be collected for the privilege of connecting to the sanitary facilities of the district, with the requirement that, prior to the connection, the charges shall be paid in full, or, if determined by the board to be equitable in a resolution relating to the payment of the charges, provision considered adequate by the board shall be made for their payment in installments at the times, in the amounts, and with the security, carrying charges, and penalties as may be found by the board in that resolution to be fair and appropriate. No public agency or person shall be permitted to connect to those facilities until the charges have been paid in full or provision for their payment in installments has been made. If the connection charges are to be paid in installments, the board shall certify to the county auditor information sufficient to identify each parcel of property served by a connection and, with respect to each parcel, the total of the charges to be paid in installments, the amount of each installment, and the total number of installments to be paid. The auditor shall record and maintain the information supplied in the sewer improvement record provided for in section 6117.33 of the Revised Code until the connection charges are paid in full. The board may include amounts attributable to connection charges being paid in installments in its billings of rates and charges for the use of sanitary facilities.

(C) When any of the sanitary rates or charges are not paid when due, the board may do any or all of the following as it considers appropriate:

(1) Certify the unpaid rates or charges, together with any penalties, to the county auditor, who shall place them upon the real property tax list and duplicate against the property served by the connection. The certified amount shall be a lien on the property from the date placed on the real property tax list and

duplicate and shall be collected in the same manner as taxes, 110026
except that, notwithstanding section 323.15 of the Revised Code, a 110027
county treasurer shall accept a payment in that amount when 110028
separately tendered as payment for the full amount of the unpaid 110029
sanitary rates or charges and associated penalties. The lien shall 110030
be released immediately upon payment in full of the certified 110031
amount. 110032

(2) Collect the unpaid rates or charges, together with any 110033
penalties, by actions at law in the name of the county from an 110034
owner, tenant, or other person or public agency that is liable for 110035
the payment of the rates or charges; 110036

(3) Terminate, in accordance with established rules, the 110037
sanitary service to the particular property and, if so determined, 110038
any county water service to that property, unless and until the 110039
unpaid sanitary rates or charges, together with any penalties, are 110040
paid in full; 110041

(4) Apply, to the extent required, any security deposit made 110042
in accordance with established rules to the payment of sanitary 110043
rates and charges for service to the particular property. 110044

All moneys collected as sanitary rates, charges, or penalties 110045
fixed or established in accordance with divisions (A) and (B) of 110046
this section for any sewer district shall be paid to the county 110047
treasurer and kept in a separate and distinct sanitary fund 110048
established by the board to the credit of the district. Except as 110049
otherwise provided in any proceedings authorizing or providing for 110050
the security for and payment of any public obligations, or in any 110051
indenture or trust or other agreement securing public obligations, 110052
moneys in the sanitary fund shall be applied first to the payment 110053
of the cost of the management, maintenance, and operation of the 110054
sanitary facilities of, or used or operated for, the district, 110055
which cost may include the county's share of management, 110056
maintenance, and operation costs under cooperative contracts for 110057

the acquisition, construction, or use of sanitary facilities and, 110058
in accordance with a cost allocation plan adopted under division 110059
(E) of this section, payment of all allowable direct and indirect 110060
costs of the district, the county sanitary engineer or sanitary 110061
engineering department, or a federal or state grant program, 110062
incurred for sanitary purposes under this chapter, and shall be 110063
applied second to the payment of debt charges payable on any 110064
outstanding public obligations issued or incurred for the 110065
acquisition or construction of sanitary facilities for or serving 110066
the district, or for the funding of a bond retirement or other 110067
fund established for the payment of or security for the 110068
obligations. Any surplus remaining may be applied to the 110069
acquisition or construction of those facilities or for the payment 110070
of contributions to be made, or costs incurred, for the 110071
acquisition or construction of those facilities under cooperative 110072
contracts. Moneys in the sanitary fund shall not be expended other 110073
than for the use and benefit of the district. 110074

(D) The board may fix reasonable rates and charges, including 110075
connection charges and penalties for late payments, to be paid by 110076
any person or public agency owning or having possession or control 110077
of any properties that are connected with, capable of being served 110078
by, or otherwise served directly or indirectly by, drainage 110079
facilities owned or operated by or under the jurisdiction of the 110080
county, including, but not limited to, properties requiring, or 110081
lying within an area of the district requiring, in the judgment of 110082
the board, the collection, control, or abatement of waters 110083
originating or accumulating in, or flowing in, into, or through, 110084
the district, and may change those rates and charges from time to 110085
time as it considers advisable. In addition, the board may fix the 110086
rates and charges in order to pay the costs of complying with the 110087
requirements of phase II of the storm water program of the 110088
national pollutant discharge elimination system established in 40 110089
C.F.R. part 122. 110090

The rates and charges shall be payable periodically as 110091
determined by the board, except that any connection charges shall 110092
be paid in full in one payment, or, if determined by the board to 110093
be equitable in a resolution relating to the payment of those 110094
charges, provision considered adequate by the board shall be made 110095
for their payment in installments at the times, in the amounts, 110096
and with the security, carrying charges, and penalties as may be 110097
found by the board in that resolution to be fair and appropriate. 110098
The board may include amounts attributable to connection charges 110099
being paid in installments in its billings of rates and charges 110100
for the services provided by the drainage facilities. In the case 110101
of rates and charges that are fixed in order to pay the costs of 110102
complying with the requirements of phase II of the storm water 110103
program of the national pollutant discharge elimination system 110104
established in 40 C.F.R. part 122, the rates and charges may be 110105
paid annually or semiannually with real property taxes, provided 110106
that the board certifies to the county auditor information that is 110107
sufficient for the auditor to identify each parcel of property for 110108
which a rate or charge is levied and the amount of the rate or 110109
charge. 110110

When any of the drainage rates or charges are not paid when 110111
due, the board may do any or all of the following as it considers 110112
appropriate: 110113

(1) Certify the unpaid rates or charges, together with any 110114
penalties, to the county auditor, who shall place them upon the 110115
real property tax list and duplicate against the property to which 110116
the rates or charges apply. The certified amount shall be a lien 110117
on the property from the date placed on the real property tax list 110118
and duplicate and shall be collected in the same manner as taxes, 110119
except that notwithstanding section 323.15 of the Revised Code, a 110120
county treasurer shall accept a payment in that amount when 110121
separately tendered as payment for the full amount of the unpaid 110122

drainage rates or charges and associated penalties. The lien shall 110123
be released immediately upon payment in full of the certified 110124
amount. 110125

(2) Collect the unpaid rates or charges, together with any 110126
penalties, by actions at law in the name of the county from an 110127
owner, tenant, or other person or public agency that is liable for 110128
the payment of the rates or charges; 110129

(5) "Community control sanction" has the same meaning as in 110607

(B) Unless the court, in accordance with division (C) of this 110609
section, enters in the record of the case a different method of 110610
assigning payments, if a person who is charged with a misdemeanor 110611
is convicted of or pleads guilty to the offense, if the court 110612

(3) If the court ordered the offender to pay any restitution 110627

(4) If the court ordered the offender to pay any fine and if 110632
all of the court costs, state fines or costs, and restitution that 110633
the court ordered the offender to pay have been paid, the 110634

Section 110.11. That the existing version of section 2949.111 110653
of the Revised Code that is scheduled to take effect January 1, 110654
2010, is hereby repealed. 110655

Section 110.12. Sections 110.10 and 110.11 of this act take effect January 1, 2010.

Section 110.20. That the version of section 5739.033 of the Revised Code that is scheduled to take effect January 1, 2010, be amended to read as follows:

Sec. 5739.033. (A) The amount of tax due pursuant to sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised Code is the sum of the taxes imposed pursuant to those sections at the sourcing location of the sale as determined under this section or, if applicable, under division (C) of section 5739.031 or section 5739.034 of the Revised Code. This section applies only to a vendor's or seller's obligation to collect and remit sales taxes under section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code or use taxes under section 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code. Division (A) of this section does not apply in determining the jurisdiction for which sellers are required to collect the use tax under section 5741.05 of the Revised Code. This section does not affect the obligation of a consumer to remit use taxes on the storage, use, or other consumption of tangible personal property or on the benefit realized of any service provided, to the jurisdiction of that storage, use, or consumption, or benefit realized.

(B)(1) Beginning January 1, 2010, retail sales, excluding the lease or rental, of tangible personal property or digital goods shall be sourced to the location where the vendor receives an order for the sale of such property or goods if:

(a) The vendor receives the order in this state and the consumer receives the property or goods in this state;

(b) The location where the consumer receives the property or goods is determined under division (C)(2), (3), or (4) of this

section; and 110686

(c) The record-keeping system used by the vendor to calculate 110687
the tax imposed captures the location where the order is received 110688
at the time the order is received. 110689

(2) A consumer has no additional liability to this state 110690
under this chapter or Chapter 5741. of the Revised Code for tax, 110691
penalty, or interest on a sale for which the consumer remits tax 110692
to the vendor in the amount invoiced by the vendor if the invoice 110693
amount is calculated at either the rate applicable to the location 110694
where the consumer receives the property or digital good or at the 110695
rate applicable to the location where the order is received by the 110696
vendor. A consumer may rely on a written representation by the 110697
vendor as to the location where the order for the sale was 110698
received by the vendor. If the consumer does not have a written 110699
representation by the vendor as to the location where the order 110700
was received by the vendor, the consumer may use a location 110701
indicated by a business address for the vendor that is available 110702
from records that are maintained in the ordinary course of the 110703
consumer's business to determine the rate applicable to the 110704
location where the order was received. 110705

(3) For the purposes of division (B) of this section, the 110706
location where an order is received by or on behalf of a vendor 110707
means the physical location of the vendor or a third party such as 110708
an established outlet, office location, or automated order receipt 110709
system operated by or on behalf of the vendor, where an order is 110710
initially received by or on behalf of the vendor, and not where 110711
the order may be subsequently accepted, completed, or fulfilled. 110712
An order is received when all necessary information to determine 110713
whether the order can be accepted has been received by or on 110714
behalf of the vendor. The location from which the property or 110715
digital good is shipped shall not be used to determine the 110716
location where the order is received by the vendor. 110717

(4) For the purposes of division (B) of this section, if services subject to taxation under this chapter or Chapter 5741. of the Revised Code are sold with tangible personal property or digital goods pursuant to a single contract or in the same transaction, the services are billed on the same billing statement or invoice, and, because of the application of division (B) of this section, the transaction would be sourced to more than one jurisdiction, the situs of the transaction shall be the location where the order is received by or on behalf of the vendor.

(C) Except for sales, other than leases, of titled motor vehicles, titled watercraft, or titled outboard motors as provided in section 5741.05 of the Revised Code, or as otherwise provided in this section and section 5739.034 of the Revised Code, all sales shall be sourced as follows:

(1) If the consumer or a donee designated by the consumer receives tangible personal property or a service at a vendor's place of business, the sale shall be sourced to that place of business.

(2) When the tangible personal property or service is not received at a vendor's place of business, the sale shall be sourced to the location known to the vendor where the consumer or the donee designated by the consumer receives the tangible personal property or service, including the location indicated by instructions for delivery to the consumer or the consumer's donee.

(3) If divisions (C)(1) and (2) of this section do not apply, the sale shall be sourced to the location indicated by an address for the consumer that is available from the vendor's business records that are maintained in the ordinary course of the vendor's business, when use of that address does not constitute bad faith.

(4) If divisions (C)(1), (2), and (3) of this section do not

apply, the sale shall be sourced to the location indicated by an address for the consumer obtained during the consummation of the sale, including the address associated with the consumer's payment instrument, if no other address is available, when use of that address does not constitute bad faith.

(5) If divisions (C)(1), (2), (3), and (4) of this section do not apply, including in the circumstance where the vendor is without sufficient information to apply any of those divisions, the sale shall be sourced to the address from which tangible personal property was shipped, or from which the service was provided, disregarding any location that merely provided the electronic transfer of the property sold or service provided.

(6) As used in division (C) of this section, "receive" means taking possession of tangible personal property or making first use of a service. "Receive" does not include possession by a shipping company on behalf of a consumer.

(D)(1)(a) Notwithstanding divisions (C)(1) to (5) of this section, a business consumer that is not a holder of a direct payment permit granted under section 5739.031 of the Revised Code, that purchases a digital good, computer software, except computer software received in person by a business consumer at a vendor's place of business, or a service, and that knows at the time of purchase that such digital good, software, or service will be concurrently available for use in more than one taxing jurisdiction shall deliver to the vendor in conjunction with its purchase an exemption certificate claiming multiple points of use, or shall meet the requirements of division (D)(2) of this section. On receipt of the exemption certificate claiming multiple points of use, the vendor is relieved of its obligation to collect, pay, or remit the tax due, and the business consumer must pay the tax directly to the state.

(b) A business consumer that delivers the exemption

certificate claiming multiple points of use to a vendor may use 110781
any reasonable, consistent, and uniform method of apportioning the 110782
tax due on the digital good, computer software, or service that is 110783
supported by the consumer's business records as they existed at 110784
the time of the sale. The business consumer shall report and pay 110785
the appropriate tax to each jurisdiction where concurrent use 110786
occurs. The tax due shall be calculated as if the apportioned 110787
amount of the digital good, computer software, or service had been 110788
delivered to each jurisdiction to which the sale is apportioned 110789
under this division. 110790

(c) The exemption certificate claiming multiple points of use 110791
shall remain in effect for all future sales by the vendor to the 110792
business consumer until it is revoked in writing by the business 110793
consumer, except as to the business consumer's specific 110794
apportionment of a subsequent sale under division (D)(1)(b) of 110795
this section and the facts existing at the time of the sale. 110796

(2) When the vendor knows that a digital good, computer 110797
software, or service sold will be concurrently available for use 110798
by the business consumer in more than one jurisdiction, but the 110799
business consumer does not provide an exemption certificate 110800
claiming multiple points of use as required by division (D)(1) of 110801
this section, the vendor may work with the business consumer to 110802
produce the correct apportionment. Governed by the principles of 110803
division (D)(1)(b) of this section, the vendor and business 110804
consumer may use any reasonable, but consistent and uniform, 110805
method of apportionment that is supported by the vendor's and 110806
business consumer's books and records as they exist at the time 110807
the sale is reported for purposes of the taxes levied under this 110808
chapter. If the business consumer certifies to the accuracy of the 110809
apportionment and the vendor accepts the certification, the vendor 110810
shall collect and remit the tax accordingly. In the absence of bad 110811
faith, the vendor is relieved of any further obligation to collect 110812

tax on any transaction where the vendor has collected tax pursuant 110813
to the information certified by the business consumer. 110814

(3) When the vendor knows that the digital good, computer 110815
software, or service will be concurrently available for use in 110816
more than one jurisdiction, and the business consumer does not 110817
have a direct pay permit and does not provide to the vendor an 110818
exemption certificate claiming multiple points of use as required 110819
in division (D)(1) of this section, or certification pursuant to 110820
division (D)(2) of this section, the vendor shall collect and 110821
remit the tax based on division (C) of this section. 110822

(4) Nothing in this section shall limit a person's obligation 110823
for sales or use tax to any state in which a digital good, 110824
computer software, or service is concurrently available for use, 110825
nor limit a person's ability under local, state, or federal law, 110826
to claim a credit for sales or use taxes legally due and paid to 110827
other jurisdictions. 110828

(E) A person who holds a direct payment permit issued under 110829
section 5739.031 of the Revised Code is not required to deliver an 110830
exemption certificate claiming multiple points of use to a vendor. 110831
But such permit holder shall comply with division (D)(2) of this 110832
section in apportioning the tax due on a digital good, computer 110833
software, or a service for use in business that will be 110834
concurrently available for use in more than one taxing 110835
jurisdiction. 110836

(F)(1) Notwithstanding divisions (C)(1) to (5) of this 110837
section, the consumer of direct mail that is not a holder of a 110838
direct payment permit shall provide to the vendor in conjunction 110839
with the sale either an exemption certificate claiming direct mail 110840
prescribed by the tax commissioner, or information to show the 110841
jurisdictions to which the direct mail is delivered to recipients. 110842

(2) Upon receipt of such exemption certificate, the vendor is 110843

relieved of all obligations to collect, pay, or remit the 110844
applicable tax and the consumer is obligated to pay that tax on a 110845
direct pay basis. An exemption certificate claiming direct mail 110846
shall remain in effect for all future sales of direct mail by the 110847
vendor to the consumer until it is revoked in writing. 110848

(3) Upon receipt of information from the consumer showing the 110849
jurisdictions to which the direct mail is delivered to recipients, 110850
the vendor shall collect the tax according to the delivery 110851
information provided by the consumer. In the absence of bad faith, 110852
the vendor is relieved of any further obligation to collect tax on 110853
any transaction where the vendor has collected tax pursuant to the 110854
delivery information provided by the consumer. 110855

(4) If the consumer of direct mail does not have a direct 110856
payment permit and does not provide the vendor with either an 110857
exemption certificate claiming direct mail or delivery information 110858
as required by division (F)(1) of this section, the vendor shall 110859
collect the tax according to division (C)(5) of this section. 110860
Nothing in division (F)(4) of this section shall limit a 110861
consumer's obligation to pay sales or use tax to any state to 110862
which the direct mail is delivered. 110863

(5) If a consumer of direct mail provides the vendor with 110864
documentation of direct payment authority, the consumer shall not 110865
be required to provide an exemption certificate claiming direct 110866
mail or delivery information to the vendor. 110867

(G) If the vendor provides lodging to transient guests as 110868

MANDATE ASSISTANCE	113128
(A) The foregoing appropriation item 911404, Mandate	113129
Assistance, shall be used to provide financial assistance to local	113130
units of government and school districts for the cost of the	113131
following two state mandates:	113132
(1) The cost to county prosecutors for prosecuting certain	113133
felonies that occur on the grounds of state institutions operated	113134
by the Department of Rehabilitation and Correction and the	113135

(C) Subject to the total amount appropriated in each fiscal year for appropriation item 911404, Mandate Assistance, the Division of Criminal Justice Services and the Department of Education may request from the Controlling Board that amounts smaller or larger than these estimated annual amounts be transferred to each program.

(D) In addition to making the initial transfers requested by the Division of Criminal Justice Services and the Department of Education, the Controlling Board may transfer appropriations received by a state agency under this section back to appropriation item 911404, Mandate Assistance, or to the other program of state financial assistance identified under this section.

(E) It is expected that not all costs incurred by local units of government and school districts under each of the two programs of state financial assistance identified in this section will be fully reimbursed by the state. Reimbursement levels may vary by program and shall be based on: the relationship between the appropriation transfers requested by the Division of Criminal Justice Services and the Department of Education and provided by the Controlling Board for each of the programs; the rules and procedures established for each program by the administering state agency; and the actual costs incurred by local units of government and school districts.

(F) Each of these programs of state financial assistance shall be carried out as follows:

- (1) PROSECUTION COSTS

(a) Appropriations may be transferred to the Division of 113180
Criminal Justice Services to cover local prosecution costs for 113181
aggravated murder, murder, felonies of the first degree, and 113182
felonies of the second degree that occur on the grounds of 113183
institutions operated by the Department of Rehabilitation and 113184
Correction and the Department of Youth Services. 113185

(b) Upon a delinquency filing in juvenile court or the return 113186
of an indictment for aggravated murder, murder, or any felony of 113187
the first or second degree that was committed at a Department of 113188
Youth Services or a Department of Rehabilitation and Correction 113189
institution, the affected county may, in accordance with rules 113190
that the Division of Criminal Justice Services shall adopt, apply 113191
to the Division of Criminal Justice Services for a grant to cover 113192
all documented costs that are incurred by the county prosecutor's 113193
office. 113194

(c) Twice each year, the Division of Criminal Justice 113195
Services shall designate counties to receive grants from those 113196
counties that have submitted one or more applications in 113197
compliance with the rules that have been adopted by the Division 113198
of Criminal Justice Services for the receipt of such grants. In 113199
each year's first round of grant awards, if sufficient 113200
appropriations have been made, up to a total of \$100,000 may be 113201
awarded. In each year's second round of grant awards, the 113202
remaining appropriations available for this purpose may be 113203
awarded. 113204

(d) If for a given round of grants there are insufficient 113205
appropriations to make grant awards to all the eligible counties, 113206
the first priority shall be given to counties with cases involving 113207
aggravated murder and murder; second priority shall be given to 113208
counties with cases involving a felony of the first degree; and 113209
third priority shall be given to counties with cases involving a 113210
felony of the second degree. Within these priorities, the grant 113211

awards shall be based on the order in which the applications were 113212
received, except that applications for cases involving a felony of 113213
the first or second degree shall not be considered in more than 113214
two consecutive rounds of grant awards. 113215

(2) CHILD ABUSE DETECTION TRAINING COSTS 113216

Appropriations may be transferred to the Department of 113217
Education for payment to local school districts as full or partial 113218
reimbursement for the cost of providing in-service training for 113219
child abuse detection. In accordance with rules that the 113220
Department shall adopt, a local school district may apply to the 113221
Department for a grant to cover all documented costs that are 113222
incurred to provide in-service training for child abuse detection. 113223
The department shall make grants within the limits of the funding 113224
provided. 113225

(G) Any moneys allocated within appropriation item 911404, 113226
Mandate Assistance, not fully utilized may, upon application of 113227
the Ohio Public Defender Commission, and with the approval of the 113228
Controlling Board, be paid to boards of county commissioners to 113229
provide additional reimbursement for the costs incurred by 113230
counties in providing defense to indigent defendants pursuant to 113231
Chapter 120. of the Revised Code. Application for the unutilized 113232
funds shall be made by the Ohio Public Defender Commission at the 113233
first June meeting of the Controlling Board. 113234

The amount to be paid to each county shall be allocated 113235
proportionately on the basis of the total amount of reimbursement 113236
paid to each county as a percentage of the amount of reimbursement 113237
paid to all of the counties during the most recent state fiscal 113238
year for which data is available and as calculated by the Ohio 113239
Public Defender Commission. 113240

inability to meet financial or early learning program guidelines. 114322
The approved provider shall administer and use such property and 114323
funds for the purposes specified. 114324

(F) The Department may examine a provider's financial and 114325

by the early childhood education program. The Department may 114340
withhold funding pending corrective action. If an early childhood 114341
education program fails to satisfactorily complete a corrective 114342
action plan, the Department may deny expansion funding to the 114343
program or withdraw all or part of the funding to the program and 114344
establish a new eligible provider through a selection process 114345
established by the Department. 114346

(G) Each early childhood education program shall do all of 114347

Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the statewide average length of the school day or that exceed the minimum school year. For any provider for which a standard early childhood education does not meet the local need or creates a hardship, the provider may submit a waiver to the Department requesting an alternate schedule. If the Department approves a waiver for an alternate schedule that provides services for less time than the standard early childhood education schedule, the Department shall reduce the provider's annual allocation proportionately. (B) Discretionary changes in formulas for distributing	115505
federal appropriations;	115506

Section 265.50.10. EDUCATIONAL SERVICE CENTERS FUNDING	115511
(A) As used in this section:	115512
(1) "Internet- or computer-based community school" has the	115513
same meaning as in section 3314.02 of the Revised Code.	115514
(2) "Service center ADM" has the same meaning as in section	115515
3317.11 of the Revised Code.	115516
(3) "STEM school" means a science, technology, engineering,	115517
and mathematics school established under Chapter 3326. of the	115518
Revised Code.	115519
(B) Notwithstanding division (F) of section 3317.11 of the	115520
Revised Code, no funds shall be provided under that division to an	115521
educational service center in either fiscal year for any pupils of	115522
a city or exempted village school district unless an agreement to	115523
provide services under section 3313.843 of the Revised Code was	115524
entered into by January 1, 1997, except that funds shall be	115525
provided to an educational service center for any pupils of a city	115526

school district if the agreement to provide services was entered 115527
into within one year of the date upon which such district changed 115528
from a local school district to a city school district. 115529

If an educational service center that entered into an 115530
agreement by January 1, 1997, with a city or exempted village 115531
school district to provide services under section 3313.843 of the 115532
Revised Code ceases to operate because all of the local school 115533
districts that constituted the territory of the service center 115534
have severed from the service center pursuant to section 3311.059 115535
of the Revised Code, another educational service center, by 115536
resolution of its governing board, may assume the obligations of 115537
the original service center to provide services to the city or 115538
exempted village school district under that agreement. If that 115539
other service center assumes those obligations to provide services 115540
to the city or exempted village school district, that service 115541
center shall be considered to be the service center that entered 115542
into the agreement by January 1, 1997, and, accordingly, may 115543
receive funds under division (F) of section 3317.11 of the Revised 115544
Code in accordance with this section in fiscal years 2010 and 2011 115545
for pupils of that city or exempted village school district. 115546

(C) Notwithstanding any provision of the Revised Code to the 115547

school under Chapter 3314. of the Revised Code in either fiscal 115549
year may include the students of that community school in its 115550
service center ADM for purposes of state funding under division 115551
(F) of section 3317.11 of the Revised Code, unless the community 115552
school is an Internet- or computer-based community school. A 115553
service center shall include the community school students in its 115554
service center ADM only to the extent that the students are not 115555
already so included, and only in accordance with guidelines issued 115556
by the Department of Education. If the students of a community 115557
school sponsored by an educational service center are included in 115558

the service center ADM of another educational service center, 115559
those students shall be removed from the service center ADM of the 115560
other educational service center and added to the service center 115561
ADM of the community school's sponsoring service center. The 115562
General Assembly authorizes this procedure as an incentive for 115563
educational service centers to take over sponsorship of community 115564
schools from the State Board of Education as the State Board's 115565
sponsorship is phased out in accordance with Sub. H.B. 364 of the 115566
124th General Assembly. No student of an Internet- or 115567
computer-based community school shall be counted in the service 115568
center ADM of any educational service center. The Department shall 115569
pay educational service centers under division (F) of section 115570
3317.11 of the Revised Code for community school students included 115571
in their service center ADMs under this division only if 115572
sufficient funds earmarked within appropriation item 200550, 115573
Foundation Funding, for payments under that division remain after 115574
first paying for students attributable to their local and client 115575
school districts, in accordance with divisions (B) and (E) of this 115576
section. 115577

(D) Notwithstanding division (C) of section 3326.45 of the 115578
Revised Code, the Department shall pay educational service centers 115579
under division (H) of section 3317.11 of the Revised Code for 115580
services provided to STEM schools only if sufficient funds 115581
earmarked within appropriation item 200550, Foundation Funding, 115582
for payments under that division remain after first paying for 115583
students attributable to the local and client school districts of 115584
the service centers and for community school students in their 115585
service center ADMs, in accordance with divisions (B), (C), and 115586
(E) of this section. 115587

(E) If insufficient funds are earmarked within appropriation 115588
item 200550, Foundation Funding, for payments under divisions (F) 115589
and (H) of section 3317.11 of the Revised Code and division (C) of 115590

this section in fiscal year 2010 or fiscal year 2011, the 115591
Department shall prioritize the distribution of the earmarked 115592
funds as follows: 115593

(1) The Department shall first distribute to each educational 115594
service center the per-student amount specified in division (F) of 115595
section 3317.11 of the Revised Code for each student in its 115596
service center ADM attributable to the local school districts 115597
within the service center's territory. 115598

(2) The Department shall distribute the remaining funds in 115599
each fiscal year to each educational service center for the 115600
students in its service center ADM attributable to each city and 115601
exempted village school district that had entered into an 115602
agreement with an educational service center for that fiscal year 115603
under section 3313.843 of the Revised Code by January 1, 1997, up 115604
to the per-student amount specified in division (F) of section 115605
3317.11 of the Revised Code. If insufficient funds remain to pay 115606
each service center the full amount specified in division (F) of 115607
that section for each such student, the Department shall 115608
distribute the remaining funds to each service center 115609
proportionally, on a per-student basis for each such student, 115610
unless that proportional per-student amount exceeds the amount 115611
specified in division (F)(1) of that section. In that case, the 115612
Department shall distribute the per-student amount specified in 115613
division (F)(1) of that section to each service center for each 115614
such student and shall distribute the remainder proportionally, on 115615
a per-student basis for each such student, to the multicounty 115616
service centers described in division (F)(2) of that section. 115617

(3) If the Department has paid each service center under 115618
divisions (E)(1) and (2) of this section the full amount specified 115619
in division (F) of section 3317.11 of the Revised Code for each 115620
student attributable to its local school districts and its client 115621
school districts described in division (E)(2) of this section, the 115622

Department shall distribute any remaining funds proportionally, on 115623
a per-student basis, to each service center that sponsors a 115624
community school, other than an Internet- or computer-based 115625
community school, for the students included in the service center 115626
ADM under division (C) of this section. These payments shall not 115627
exceed per student the amount specified in division (F) of section 115628
3317.11 of the Revised Code. 115629

(4) If the Department has paid each educational service 115630
center that sponsors a community school, other than an Internet- 115631
or computer-based community school, the full amount specified in 115632
division (F) of section 3317.11 of the Revised Code for each 115633
community school student included in the service center ADM under 115634
division (C) of this section, the Department shall distribute any 115635
remaining funds to each service center that is owed money under 115636
division (H) of section 3317.11 of the Revised Code for services 115637
provided to a STEM school. If insufficient funds remain to pay 115638
each service center the full amount calculated for it under 115639
division (H) of section 3317.11 of the Revised Code, the 115640
Department shall distribute the remaining funds proportionally, on 115641
a per-student basis, to each service center owed money under that 115642
division, unless that proportional per-student amount exceeds the 115643
per-student amount specified in any service center's contract 115644
entered into under section 3326.45 of the Revised Code. In that 115645
case, the Department shall distribute the lowest per-student 115646
amount specified in the service center contracts entered into 115647
under that section to each service center owed money under 115648
division (H) of section 3317.11 of the Revised Code and shall 115649
distribute the remainder proportionally, on a per-student basis, 115650
to service centers with contracts under section 3326.45 of the 115651
Revised Code that specify higher per-student amounts, but in no 115652
case shall the payments to any service center exceed the 115653
per-student amount specified in the service center's contract with 115654
the STEM school. 115655

the board of education demonstrates to the satisfaction of the 115667
Superintendent of Public Instruction that providing the facilities 115668

school hours with pupils in attendance would impose an extreme 115670
hardship on the district. 115671

(C) The board of education provides assurances that are 115672
satisfactory to the Superintendent of Public Instruction that the 115673
board will act in good faith to meet the required ratio as soon as 115674

(A) As used in this section: 117422

(1) "Children's hospital" means a hospital that primarily 117423
serves patients eighteen years of age and younger and is excluded 117424
from Medicare prospective payment in accordance with 42 C.F.R. 117425
412.23(d). 117426

(2) "Medicaid inpatient cost-to-charge ratio" means the 117427
historic Medicaid inpatient cost-to-charge ratio applicable to a 117428
hospital as described in rules adopted by the Director of Job and 117429
Family Services in paragraph (B)(2) of rule 5101:3-2-22 of the 117430
Administrative Code. 117431

(B) Notwithstanding paragraph (C)(5) of rule 5101:3-2-07.9 of the Administrative Code and except as provided in division (C) of this section, the Director of Job and Family Services shall pay a children's hospital that meets the criteria in paragraphs (E)(1) and (2) of rule 5101:3-2-07.9 of the Administrative Code, for each cost outlier claim made in fiscal years 2010 and 2011, an amount that is the product of the hospital's allowable charges and the hospital's Medicaid inpatient cost-to-charge ratio.

Sub. H.B. 66 of the 126th General Assembly if the difference between the total amount the Director has paid according to the methodology in division (B) of this section for cost outlier claims and the total amount the Director would have paid according to the methodology in paragraph (A)(6) or (C)(5) of rule 5101:3-2-07.9 of the Administrative Code

section for cost outlier claims. 117474

(F) Of the foregoing appropriation item, 600537, Children's 117475

The Director of Mental Retardation and Developmental 119301

fiscal years 2010 and 2011 to estimate the quarterly amount each county board of mental retardation and developmental disabilities is to pay of the nonfederal share of home and community-based services that section 5126.0510 of the Revised Code requires county boards to pay. Each quarter, the Director shall submit to a county board written notice of the amount the county board is to pay for that quarter. The notice shall specify when the payment is due.

If a county board fails to make the full payment by the time it is due, the Director of Mental Retardation and Developmental Disabilities may withhold the amount the county board fails to pay from one or more of the state subsidies that the Department of Mental Retardation and Developmental Disabilities would otherwise provide to the county board. Each quarter, the Director may use one or more of the following appropriation items to transfer cash from the General Revenue Fund to the County Board Waiver Match Fund (Fund 5Z10) equal to the amount the county board failed to pay:

(A) Appropriation item 322413, Residential and Support Services;

(B) Appropriation item 322451, Family Support Services;

(C) Appropriation item 322501, County Boards Subsidies;

(D) Appropriation item 322503, Tax Equity.

disabilities an amount that is equal to the amount the board 119333
received for fiscal year 2009. If the Director determines that 119334
there is not sufficient appropriation available for this purpose, 119335
the Department shall pay to each county board an amount that is 119336
proportionate to the amount the board received for fiscal year 119337
2009. Proportionality shall be determined by dividing the total 119338
tax equity payments distributed to county boards for fiscal year 119339
2009 by the tax equity payment a county board received for fiscal 119340
year 2009. 119341

Section 337.30.80. MEDICAID WAIVER - STATE MATCH (FUND 4K80) 119342

the General Revenue Fund to the Home and Community-Based 119357
Services/Mental Retardation Fund (Fund 4K80), used by the 119358
Department of Mental Retardation and Developmental Disabilities. 119359
Upon completion of the transfer, appropriation item 600525, Health 119360
Care/Medicaid, is hereby reduced by the amount transferred under 119361
this section plus the corresponding federal share. The amount 119362

transferred to Fund 4K80 is hereby appropriated to appropriation 119363
item 322604, Medicaid Waiver - State Match. 119364

(C) If receipts credited to the Medicaid Waiver Fund (Fund 119365

Developmental Disabilities shall withhold any amount owed to the 119384
Department from subsequent payments from any appropriation item or 119385
money otherwise due to a nonpaying county. 119386

The Directors of Mental Retardation and Developmental 119387

YEARS 2010 AND 2011 120405

The boards of trustees of state-assisted institutions of 120406
higher education shall restrain increases in in-state 120407
undergraduate instructional and general fees. For the 2009-2010 120408
academic year, each state-assisted institution shall not increase 120409
its in-state undergraduate instructional and general fees over 120410

what the institution charged for the 2008-2009 academic year. For 120411
the 2010-2011 academic year, each state-assisted community 120412
college, state community college, technical college, and regional 120413
campus of a state-assisted university shall not increase its 120414
in-state undergraduate instructional and general fees over what 120415
the institution charged for the 2009-2010 academic year. 120416

These limitations shall not apply to increases required to 120417
comply with institutional covenants related to their obligations 120418
or to meet unfunded legal mandates or legally binding obligations 120419
incurred or commitments made prior to the effective date of this 120420
section with respect to which the institution had identified such 120421
fee increases as the source of funds. Any increase required by 120422
such covenants and any such mandates, obligations, or commitments 120423
shall be reported by the Chancellor of the Board of Regents to the 120424
Controlling Board. These limitations may also be modified by the 120425
Chancellor of the Board of Regents, with the approval of the 120426
Controlling Board, to respond to exceptional circumstances as 120427
identified by the Chancellor of the Board of Regents. 120428

Section 371.30.10. HIGHER EDUCATION - BOARD OF TRUSTEES 120429

(A) Funds appropriated for instructional subsidies at 120430
colleges and universities may be used to provide such branch or 120431
other off-campus undergraduate courses of study and such master's 120432
degree courses of study as may be approved by the Chancellor of 120433
the Board of Regents. 120434

(B) In providing instructional and other services to 120435
students, boards of trustees of state-assisted institutions of 120436
higher education shall supplement state subsidies with income from 120437
charges to students. Except as otherwise provided in this Section, 120438
each board shall establish the fees to be charged to all students, 120439
including an instructional fee for educational and associated 120440
operational support of the institution and a general fee for 120441

noninstructional services, including locally financed student 120442
services facilities used for the benefit of enrolled students. The 120443
instructional fee and the general fee shall encompass all charges 120444
for services assessed uniformly to all enrolled students. Each 120445
board may also establish special purpose fees, service charges, 120446
and fines as required; such special purpose fees and service 120447
charges shall be for services or benefits furnished individual 120448
students or specific categories of students and shall not be 120449
applied uniformly to all enrolled students. A tuition surcharge 120450
shall be paid by all students who are not residents of Ohio. 120451

The board of trustees of a state-assisted institution of 120452
higher education shall not authorize a waiver or nonpayment of 120453
instructional fees or general fees for any particular student or 120454
any class of students other than waivers specifically authorized 120455
by law or approved by the Chancellor. This prohibition is not 120456
intended to limit the authority of boards of trustees to provide 120457
for payments to students for services rendered the institution, 120458
nor to prohibit the budgeting of income for staff benefits or for 120459
student assistance in the form of payment of such instructional 120460
and general fees. 120461

Each state-assisted institution of higher education in its 120462
statement of charges to students shall separately identify the 120463
instructional fee, the general fee, the tuition charge, and the 120464
tuition surcharge. Fee charges to students for instruction shall 120465
not be considered to be a price of service but shall be considered 120466
to be an integral part of the state government financing program 120467
in support of higher educational opportunity for students. 120468

(C) Notwithstanding any provision of law to the contrary, if 120469
the Chancellor of the Board of Regents intends to work with a 120470
state-assisted institution of higher education to adjust the 120471
instructional and general fee amounts charged for an associate 120472
degree program at the institution for the 2009-2010 academic year 120473

or the 2010-2011 academic year, the Chancellor shall proceed as follows: 120474
120475

(1) Notify the institution's board of trustees of the Chancellor's intent to work with the institution to adjust the instructional and general fee amounts charged for an associate degree program for the applicable academic year; 120476
120477
120478
120479

(2) Request the board of trustees to do both of the following: 120480
120481

(a) Provide access to data and to administrators and other employees of the institution, as specified by the Chancellor, for the purpose of analyzing the instructional and general fee amounts; 120482
120483
120484
120485

(b) Prepare and submit to the Chancellor, within thirty days after the request, a report justifying the current instructional and general fee amounts or proposing an adjustment to those amounts. 120486
120487
120488
120489

The board of trustees shall comply with each request of the Chancellor under division (C)(2) of this section. 120490
120491

(3) Convene a meeting with the board of trustees to reach an agreement on adjusting the instructional and general fee amounts and on a plan to implement the adjustments. The Chancellor or the board of trustees may designate employees of the institution to participate in the meeting. If an agreement is reached, the board of trustees shall take action to implement the plan to adjust the fee amounts. 120492
120493
120494
120495
120496
120497
120498

(4) If no agreement is reached under division (C)(3) of this section, make a recommendation to the board of trustees for an adjustment to the instructional and general fee amounts. In making the recommendation, the Chancellor shall specify the actions that should be taken to make the adjustment viable and shall demonstrate that the adjustment will not adversely impact the 120499
120500
120501
120502
120503
120504

financial or educational condition of the institution. The 120505
Chancellor shall not make a recommendation that, if implemented, 120506
would cause the composite result of the ratio analysis performed 120507
of the financial condition of the institution under paragraph 120508
(A)(4) of rule 126:3-1-01 of the Ohio Administrative Code to place 120509
the institution in fiscal watch under paragraph (B) of that rule. 120510
Not later than ten days after receipt of the Chancellor's 120511
recommendation, the board of trustees shall act either to adopt 120512
the recommendation or to reject the recommendation. 120513

(5) If the board of trustees rejects the recommendation made 120514
under division (C)(4) of this section, determine whether to submit 120515
the recommendation to the Controlling Board for approval. If the 120516
Chancellor elects to submit the recommendation to the Controlling 120517
Board and the Controlling Board approves the recommendation, the 120518
board of trustees shall implement the recommendation and shall 120519
adjust the instructional and general fee amounts accordingly. 120520

Unless a law enacted after the effective date of this section 120521
requires otherwise, any restriction on tuition increases for an 120522
associate degree program applicable to a state-assisted 120523
institution of higher education in fiscal year 2012 or fiscal year 120524
2013 shall be applied to the instructional and general fee amounts 120525
charged for the program immediately prior to any adjustment under 120526
division (C) of this section. 120527

(D) The boards of trustees of state-assisted institutions of 120528
higher education shall ensure that faculty members devote a proper 120529
and judicious part of their work week to the actual instruction of 120530
students. Total class credit hours of production per quarter per 120531
full-time faculty member is expected to meet the standards set 120532
forth in the budget data submitted by the Chancellor of the Board 120533
of Regents. 120534

(E) The authority of government vested by law in the boards 120535
of trustees of state-assisted institutions of higher education 120536

shall in fact be exercised by those boards. Boards of trustees may 120537
consult extensively with appropriate student and faculty groups. 120538
Administrative decisions about the utilization of available 120539
resources, about organizational structure, about disciplinary 120540
procedure, about the operation and staffing of all auxiliary 120541
facilities, and about administrative personnel shall be the 120542
exclusive prerogative of boards of trustees. Any delegation of 120543
authority by a board of trustees in other areas of responsibility 120544
shall be accompanied by appropriate standards of guidance 120545
concerning expected objectives in the exercise of such delegated 120546
authority and shall be accompanied by periodic review of the 120547
exercise of this delegated authority to the end that the public 120548
interest, in contrast to any institutional or special interest, 120549
shall be served. 120550

incur disproportionate costs in the provision of support services 120555
to disabled students. 120556

Section 371.30.30. WAR ORPHANS SCHOLARSHIPS 120557

The foregoing appropriation item 235504, War Orphans 120558

Section 385.50. EXTREME ENVIRONMENTAL CONTAMINATION OF SCHOOL FACILITIES 121676
121677

Notwithstanding any other provision of law to the contrary, 121678
the Ohio School Facilities Commission may provide assistance under 121679
the Exceptional Needs School Facilities Program established in 121680
section 3318.37 of the Revised Code to any school district, and 121681
not exclusively to a school district in the lowest seventy-five 121682
per cent of adjusted valuation per pupil on the current ranking of 121683
school districts established under section 3318.011 of the Revised 121684
Code, for the purpose of the relocation or replacement of school 121685
facilities required as a result of extreme environmental 121686
contamination. 121687

The school district's portion of a project to replace a 121688
contaminated facility undertaken pursuant to this section shall 121689
not exceed seventy-five per cent of the cost of the project. This 121690
paragraph does not affect the district's portion of the cost of 121691
subsequent classroom facilities projects the district may 121692
undertake under Chapter 3318. of the Revised Code. 121693

The Ohio School Facilities Commission shall contract with an 121694
independent environmental consultant to conduct a study and to 121695
report to the Commission as to the seriousness of the 121696
environmental contamination, whether the contamination violates 121697
applicable state and federal standards, and whether the facilities 121698
are no longer suitable for use as school facilities. The 121699
Commission then shall make a determination regarding funding for 121700
the relocation or replacement of the school facilities. If the 121701
federal government or other public or private entity provides 121702
funds for restitution of costs incurred by the state or school 121703
district in the relocation or replacement of the school 121704
facilities, the school district shall use such funds in excess of 121705

the school district's share to refund the state for the state's 121706
contribution to the environmental contamination portion of the 121707
project. The school district may apply an amount of such 121708
restitution funds up to an amount equal to the school district's 121709
portion of the project, as defined by the Commission, toward 121710
paying its portion of that project to reduce the amount of bonds 121711
the school district otherwise must issue to receive state 121712
assistance under sections 3318.01 to 3318.20 of the Revised Code. 121713

Section 385.60. CANTON CITY SCHOOL DISTRICT PROJECT 121714

(A) The Ohio School Facilities Commission may commit up to 121715
thirty-five million dollars to the Canton City School District for 121716
construction of a facility described in this section, in lieu of a 121717
high school that would otherwise be authorized under Chapter 3318. 121718
of the Revised Code. The Commission shall not commit funds under 121719
this section unless all of the following conditions are met: 121720

(1) The District has entered into a cooperative agreement 121721
with a state-assisted technical college; 121722

(2) The District has received an irrevocable commitment of 121723
additional funding from nonpublic sources; and 121724

(3) The facility is intended to serve both secondary and 121725
postsecondary instructional purposes. 121726

(B) The Commission shall enter into an agreement with the 121727
District for the construction of the facility authorized under 121728
this section that is separate from and in addition to the 121729
agreement required for the District's participation in the 121730
Classroom Facilities Assistance Program under section 3318.08 of 121731
the Revised Code. Notwithstanding that section and sections 121732
3318.03, 3318.04, and 3318.083 of the Revised Code, the additional 121733
agreement shall provide, but not be limited to, the following: 121734

(1) The Commission shall not have any oversight 121735

responsibilities over the construction of the facility. 121736

(2) The facility need not comply with the specifications for 121737
plans and materials for high schools adopted by the Commission. 121738

(3) The Commission may decrease the basic project cost that 121739
would otherwise be calculated for a high school under Chapter 121740
3318. of the Revised Code. 121741

(4) The state shall not share in any increases in the basic 121742
project cost for the facility above the amount authorized under 121743
this section. 121744

All other provisions of Chapter 3318. of the Revised Code 121745
apply to the approval and construction of a facility authorized 121746
under this section. 121747

The state funds committed to the facility authorized by this 121748
section shall be part of the total amount the state commits to the 121749
Canton City School District under Chapter 3318. of the Revised 121750
Code. All additional state funds committed to the Canton City 121751
School District for classroom facilities assistance shall be 121752
subject to all provisions of Chapter 3318. of the Revised Code. 121753

Section 385.70. Notwithstanding section 3318.05 of the 121754
Revised Code, for each school district whose project under 121755
sections 3318.01 to 3318.20 of the Revised Code was conditionally 121756
approved by the Ohio School Facilities Commission in July 2008, 121757
that conditional approval shall lapse and the amount reserved and 121758
encumbered for the project shall be released on December 31, 2009. 121759

Section 385.80. Notwithstanding any provision of Chapter 121760
3318. of the Revised Code to the contrary, and notwithstanding the 121761
agreement between the Cincinnati City School District and the Ohio 121762
School Facilities Commission under section 3318.08 of the Revised 121763
Code, the Commission shall encumber and pay state funds to the 121764
District in the amount of \$4,000,000, in addition to the amount 121765

prescribed in that agreement, for the purpose of dedicating 121766
additional state funding toward the acquisition of the School for 121767
the Creative and Performing Arts, as that building is included in 121768
the District's project under section 3318.38 of the Revised Code. 121769
The District shall use the funds paid under this section solely 121770
for that purpose. The School for the Creative and Performing Arts 121771
need not comply with the specifications included in the Ohio 121772
Design Manual adopted by the Commission to implement classroom 121773
facilities projects under Chapter 3318. of the Revised Code. This 121774
section shall not affect any other building included in the 121775
District's project under section 3318.38 of the Revised Code, nor 121776
shall it affect the state's portion of funding for the remainder 121777
of that project. 121778

The Commission shall use funds appropriated to it for 121779
classroom facilities projects to pay the funds required under this 121780
section. The Commission shall encumber the funds required under 121781
this section in accordance with section 3318.11 of the Revised 121782
Code. 121783

Section 385.90. (A) As used in this section: 121784

(1) "Basic project cost," "percentile," and "project" have 121785
the same meanings as in section 3318.01 of the Revised Code. 121786

(2) "Equity list" means the school district percentile 121787
rankings calculated under section 3318.011 of the Revised Code. 121788

(3) A school district's "portion of the basic project cost" 121789
means the amount calculated under section 3318.032 of the Revised 121790
Code. 121791

(B) Notwithstanding any provision of Chapter 3318. of the 121792
Revised Code to the contrary, in the case of a school district 121793
that received in fiscal year 2008 elector approval for a bond 121794
issue for its portion of the basic project cost of a project under 121795

sections 3318.01 to 3318.20 of the Revised Code, based on a 121796
preliminary estimated equity list projecting rankings of school 121797
districts if amendments to section 3318.011 of the Revised Code 121798
enacted by Am. Sub. H.B. 119 of the 127th General Assembly had 121799
been effective for projects in that fiscal year, and which 121800
district on the alternate equity list for fiscal year 2009 funding 121801
required by Section 733.13 of Am. Sub. H.B. 562 of the 127th 121802
General Assembly, retroactively applying those amendments, was 121803
ranked one percentile higher than on the preliminary estimated 121804
equity list, resulting in the district's calculated portion being 121805
one per cent higher than the amount projected at the time of the 121806
bond issue election, the Ohio School Facilities Commission shall 121807
reduce the district's portion to that projected on the preliminary 121808
estimated equity list. 121809

Section 503.30. CAPITAL PROJECT SETTLEMENTS 122397

This section specifies an additional and supplemental 122398
procedure to provide for payments of judgments and settlements if 122399
the Director of Budget and Management determines, pursuant to 122400

sufficient unencumbered moneys do not exist in the fund to support 122402
a particular appropriation to pay the amount of a final judgment 122403
rendered against the state or a state agency, including the 122404
settlement of a claim approved by a court, in an action upon and 122405
arising out of a contractual obligation for the construction or 122406

were payable in whole or in part from a state capital projects 122408
appropriation. In such a case, the Director may either proceed 122409
pursuant to division (C)(4) of section 2743.19 of the Revised Code 122410
or apply to the Controlling Board to increase an appropriation or 122411
create an appropriation out of any unencumbered moneys in the 122412
state treasury to the credit of the capital projects fund from 122413

increase in appropriation or new appropriation approved by the 122415
Controlling Board is hereby appropriated from the applicable 122416
capital projects fund and made available for the payment of the 122417
judgment or settlement. 122418

this section or the Controlling Board disapproves the application, 122420
and the Director does not make application under division (C)(4) 122421
of section 2743.19 of the Revised Code, the Director shall for the 122422

expended or for a period of two years, whichever is less; 122455

(4) For an encumbrance for any other expense, for such period 122456
as the Director approves, provided such period does not exceed two 122457

of the fiscal year, an agency shall, not later than November 1 of 122461

reappropriated. If the request is not received by November 1, or 122466
if the request is not approved, the Director shall cancel the 122467
encumbrance. 122468

(C) Any operating appropriations for which unexpended 122469
balances are reappropriated beyond a five-month period from the 122470
end of the fiscal year by division (A)(2) of this section shall be 122471

quarterly basis for encumbrances remaining open. 122476

the expiration of the reappropriation period set out in division 122478
(A) or (B) of this section, a reappropriation made by this section 122479
lapses, and the Director of Budget and Management shall cancel the 122480
encumbrance of the unexpended reappropriation not later than the 122481
end of the weekend following the expiration of the reappropriation 122482

reappropriated by this section for a period specified in division 122486
(A)(3) or (4) of this section and that remains encumbered at the 122487

accounting errors committed by the staff of the Office of Budget 122495
and Management, such as re-establishing encumbrances or 122496
appropriations cancelled in error, during the cancellation of 122497
operating encumbrances in November and of nonoperating 122498
encumbrances in December. 122499

make that purchase remains encumbered. 122502

The Department of Development, the Board of Regents, the Air 123916

To the extent permitted by law, the Air Quality Development 123926
Authority shall assure that coal research and development 123927
programs, proposals, and projects consider or incorporate 123928
collaborations with Third Frontier Project programs and grantees 123929
and with Technology-based Economic Development Programs and 123930

Technology Investment Tax Credit programs. 123944

Technology-based Economic Development Programs shall be 123945
managed and administered in accordance with the following 123946
objectives: (1) to build on existing competitive research 123947
strengths; (2) to encourage new and emerging discoveries and 123948
commercialization of products and ideas that will benefit the Ohio 123949
economy; and (3) to assure improved collaboration among programs 123950
administered by the Third Frontier Commission and with other state 123951
programs that are intended to improve economic growth and job 123952
creation. As directed by the Third Frontier Commission, 123953
Technology-based Economic Development Program managers shall 123954
report to the Commission or the Third Frontier Advisory Board 123955
regarding the contributions of their programs to achieving these 123956
objectives. 123957

Each Technology-based Economic Development Program shall be 123958
reviewed annually by the Third Frontier Commission with respect to 123959
its development of complementary relationships within a combined 123960
state science and technology investment portfolio, and with 123961
respect to its overall contribution to the state's science and 123962
technology strategy, including the adoption of appropriately 123963
consistent criteria for: (1) the scientific and technical merit 123964
and relationship to Ohio's research strengths of activities 123965
supported by the program; (2) the relevance of the program's 123966

activities to commercial opportunities in the private sector; (3) 123967
the private sector's involvement in a process that continually 123968
evaluates commercial opportunities to use the work supported by 123969
the program; and (4) the ability of the program and recipients of 123970
grant funding from the program to engage in activities that are 123971
collaborative, complementary, and efficient in the expenditure of 123972
state funds. Each Technology-based Economic Development Program 123973
shall provide an annual report to the Third Frontier Commission 123974
that discusses existing, planned, or possible collaborations 123975
between programs and between recipients of grant funding related 123976
to technology, development, commercialization, and the support of 123977
Ohio's economic development. The annual review conducted by the 123978
Third Frontier Commission shall be a comprehensive review of the 123979
entire state science and technology program portfolio rather than 123980
a review of individual programs. 123981

Applicants for Third Frontier and Technology-based Economic 123982
Development Programs funding shall identify their requirements for 123983
high-performance computing facilities and services, including both 123984
hardware and software, in all proposals. If an applicant's 123985
requirements exceed approximately \$100,000 for a proposal, the 123986
Ohio Supercomputer Center shall convene a panel of experts. The 123987
panel shall review the proposal to determine whether the 123988
proposal's requirements can be met through Ohio Supercomputer 123989
Center facilities or through other means and report such 123990
information to the Third Frontier Commission. 123991

To ensure that the state receives the maximum benefit from 123992
its investment in the Third Frontier Project and the NextGen 123993
Network, organizations receiving Third Frontier awards and 123994
Technology-based Economic Development Programs awards shall, as 123995
appropriate, be expected to have a connection to the NextGen 123996
Network that enables them and their collaborators to achieve award 123997
objectives through the NextGen Network. 123998

Section 701.40. The General Assembly intends that all funds 123999
appropriated or otherwise made available by the state for fiscal 124000
stabilization or recovery purposes, or by the American Recovery 124001
and Reinvestment Act of 2009, shall be used, to the extent 124002
possible, in accordance with the preferences established in 124003
section 125.09 of the Revised Code to purchase products made and 124004
services performed in the United States and in this state. The 124005
General Assembly further recognizes that a preference for buying 124006
goods and materials that are produced, and services that are 124007
performed, in the United States for projects is important for 124008
maximizing the creation of American jobs and restoring economic 124009
growth and opportunity. 124010

If any person requests or obtains a waiver of the preferences 124011
referred to in the first paragraph of this section, the Director 124012
of Administrative Services shall publish information identifying 124013
the person and the product or service with regard to which the 124014
waiver was requested or obtained. The purpose of publishing this 124015
identifying information is to enhance opportunities for producers, 124016
service providers, and workers to identify and provide products 124017
made and services performed in the United States and this state, 124018
and thereby to maximize the success of the fiscal stabilization 124019
and economic recovery program. The director shall publish the 124020
identifying information on an internet web site maintained by the 124021
Department of Administrative Services. 124022

Section 701.50. If a state agency, including a state 124023
university as defined in section 3345.011 of the Revised Code and 124024
the Ohio Housing Finance Agency, the Third Frontier Commission, 124025
the Clean Ohio Council, and the Ohio School Facilities Commission, 124026
has failed to comply with the set-aside requirement in division 124027
(B) of section 125.081 of the Revised Code, or to comply with the 124028
procurement goals specified under division (B)(2) or (14) of 124029

section 123.152 of the Revised Code, the state agency shall 124030
establish, not later than December 31, 2009, a long-term plan for 124031
complying with those provisions. 124032

Section 701.60. As soon as possible after this section takes 124033
effect, the Speaker of the House of Representatives and the 124034
President of the Senate shall make or remake appointments of ex 124035
officio members to the Commission on Hispanic-Latino Affairs as 124036
may be necessary to bring the ex officio membership of the 124037
commission into conformity with the amendments by this act to 124038
section 121.31 of the Revised Code. 124039

Section 701.70. It is the intent of the General Assembly that 124040
the Superintendent of Financial Institutions take any action 124041
necessary to provide for an orderly transition for those persons 124042
who, on the effective date of this section, hold mortgage lender 124043
certificates of registration under sections 1321.51 to 1321.60 of 124044
the Revised Code, mortgage broker certificates of registration 124045
under sections 1322.01 to 1322.12 of the Revised Code, or loan 124046
officer licenses under sections 1322.01 to 1322.12 of the Revised 124047
Code, and for those persons who, on the effective date of this 124048
section, perform the functions or duties of loan originators, as 124049
specified in this act. 124050

any agency or instrumentality of the United States, but excluding 124852
any state, territory, or possession of the United States, the 124853
District of Columbia, or any political subdivision thereof that is 124854
referred to as a "State or local governmental unit" in Treasury 124855
Regulation § 1.103-1(a) and any person that is acting solely and 124856
directly as an officer or employee of or on behalf of any such 124857
governmental unit. 124858

(H) This section expires two years after its effective date. 124859

Section 757.10. (A) This section is intended as remedial 124860
legislation authorizing the exemption of airport property for 124861
which a port authority applied for tax exemption, but was denied 124862
because the applicant was a lessee and not the owner of the 124863
property, as required under section 5715.27 of the Revised Code as 124864
that section existed before its amendment by Sub. H.B. 160 of the 124865
127th General Assembly. 124866

(B) As used in this section: 124867

(1) "Eligible year" means any year for which taxes, 124868
penalties, and interest could have been remitted or abated, and 124869
the property placed on the exempt tax list, under a previous 124870

application for exemption if the application had not been 124871
dismissed as provided under division (A) of this section. 124872

(2) "Qualified property" means real property owned by a 124873
subdivision of this state, leased to a port authority created 124874
under Chapter 4582. of the Revised Code, and used as an airport, 124875
and that currently qualifies for exemption from taxation under any 124876
section of the Revised Code, but for which the application for 124877
exemption for an eligible year was dismissed by the Tax 124878
Commissioner as provided in division (A) of this section. 124879

(3) "Subdivision," "taxing authority," and "taxing unit" have 124880
the same meanings as in section 5705.01 of the Revised Code. 124881

(C) Notwithstanding section 5713.081 of the Revised Code, if 124882
an application for exemption from and abatement or remission of 124883
property taxes for qualified property was dismissed because of 124884
failure to comply with Chapter 5713., or section 5715.27 of the 124885
Revised Code as that section existed before its amendment by Sub. 124886
H.B. 160 of the 127th General Assembly, the current owner of 124887
qualified property, on or before January 1, 2010, may file with 124888
the Tax Commissioner an application requesting that the property 124889
be placed on the exempt tax list and that all paid or unpaid 124890
taxes, penalties, and interest on the property be abated or 124891
remitted, as appropriate, for each eligible year. The application 124892
shall be filed on the form prescribed by the Commissioner under 124893
section 5715.27 of the Revised Code. The owner shall include with 124894
the application a copy of the Commissioner's final determination 124895
dismissing the previous application and the certificate issued by 124896
the county treasurer under division (F) of this section. Failure 124897
to include the Commissioner's final determination that dismissed 124898
the previous application for exemption or the treasurer's 124899
certificate shall result in dismissal of the application filed 124900
under this section. 124901

(D) Upon receiving an application under this section, the Tax 124902

Commissioner shall determine if the applicant and the applicant's 124903
property satisfy the requirements for exemption, abatement, and 124904
remission under this section. If the requirements are satisfied, 124905
the Commissioner shall issue an order directing the auditor to 124906
place the property on the exempt tax list of the county and 124907
ordering that all paid or unpaid taxes, penalties, and interest be 124908
abated or remitted for every eligible year the property was 124909
qualified property. If the Commissioner determines that the 124910
property does not satisfy the requirements for exemption for one 124911
or more years, the Commissioner shall deny the application for 124912
those years and certify the finding to the county treasurer of the 124913
county in which the property is located for collection of all 124914
taxes, penalties, and interest and distribution thereof to the 124915
appropriate subdivisions. Tax payments for eligible years shall 124916
not be considered unpaid taxes for purposes of establishing 124917
jurisdiction to consider an application under this section. 124918

(E) The county auditor shall notify the county treasurer that 124919
any tax payments for eligible years that have not been distributed 124920
shall be held in a special fund pending a decision by the Tax 124921
Commissioner on an application filed under this section. No 124922
subdivision or other taxing unit is entitled to advance payment of 124923
such amounts under section 321.34 of the Revised Code. After the 124924
Commissioner issues a decision, the county auditor shall either 124925
remit the taxes, penalties, and interest to the applicant if the 124926
application is approved or distribute the taxes, penalties, and 124927
interest to the proper taxing authorities if the application for 124928
exemption is denied. 124929

(F) Upon request by the applicant, the county treasurer shall 124930
determine whether all taxes, penalties, and interest that were 124931
levied for all tax years that are not eligible years and whether 124932
all special assessments charged against the property have been 124933
paid in full. If so, the treasurer shall issue a certificate to 124934

the applicant stating that all such amounts have been paid, or, if 124935
not, the certificate shall list the tax years for which such 124936
taxes, penalties, interest, and special assessments remain unpaid. 124937

Section 759.10. Notwithstanding division (B)(1) of section 124938
5919.34 of the Revised Code, the number of participants in the 124939
Ohio National Guard Scholarship Program for the summer term 124940
occurring in the year 2009 shall be limited to the equivalent of 124941
one thousand full-time participants. 124942

Section 761.10. A wild, scenic, or recreational river area 124943
that was declared as such by the Director of Natural Resources 124944
under Chapter 1517. of the Revised Code prior to the effective 124945
date of this section shall retain its declaration as a wild, 124946
scenic, or recreational river area for purposes of sections 124947
1547.81 to 1547.84 of the Revised Code, as amended by this act. In 124948
addition, an advisory council for a wild, scenic, or recreational 124949
river area that was appointed by the Director under Chapter 1517. 124950
of the Revised Code prior to the effective date of this section 124951
shall continue to be the advisory council for the applicable wild, 124952
scenic, or recreational river area for purposes of sections 124953
1547.81 to 1547.84 of the Revised Code, as amended by this act. 124954
124955

Section 803.10. Section 1751.14 of the Revised Code, as 124956
amended by this act, shall apply only to policies, contracts, and 124957
agreements that are delivered, issued for delivery, or renewed in 124958
this state on or after July 1, 2010; section 3923.24 of the 124959
Revised Code, as amended by this act, shall apply only to policies 124960
of sickness and accident insurance and plans of health coverage 124961
that are established or modified in this state on or after July 1, 124962
2010; and section 3923.241, as enacted by this act, shall apply 124963
only to public employee health plans established or modified in 124964

this state on or after July 1, 2010. 124965

Section 803.12. Sections 1739.05, 1751.68, and 3923.84 of the 124966
Revised Code as amended or enacted by this act shall apply only to 124967
policies, contracts, agreements, or plans that are delivered, 124968
issued for delivery, or renewed in this state on or after six 124969
months after the effective date of this section. 124970

Section 803.20. Sections 718.04 and 5747.01 of the Revised 124971
Code, as amended by this act, first apply to taxable years 124972
beginning on or after January 1, 2010. 124973

Section 5747.113 of the Revised Code, as amended by this act, 124974
first applies to taxable years beginning on or after January 1, 124975
2009. 124976

Section 803.30. In anticipation of the amendments to section 124977
124.134 of the Revised Code taking effect on August 30, 2009, the 124978
Director of Administrative Services shall determine an additional, 124979
prorated amount of vacation leave for employees who are in their 124980
fourth, ninth, fourteenth, nineteenth, or twenty-fourth year of 124981
service to receive as a result of the transition occurring on that 124982
date. The additional, prorated amount shall be such that the 124983
affected employees are not harmed as a result of the transition, 124984
and shall be added to the vacation leave balances of the affected 124985
employees on August 30, 2009. 124986

Section 806.10. The items of law contained in this act, and 124987
their applications, are severable. If any item of law contained in 124988
this act, or if any application of any item of law contained in 124989
this act, is held invalid, the invalidity does not affect other 124990
items of law contained in this act and their applications that can 124991
be given effect without the invalid item of law or application. 124992
124993

Section 809.10. An item of law, other than an amending, 124994
enacting, or repealing clause, that composes the whole or part of 124995
an uncodified section contained in this act has no effect after 124996
June 30, 2011, unless its context clearly indicates otherwise. 124997

Section 812.10. Except as otherwise provided in this act, the 124998
