The administrative agent for a county council may do any of 3858
the following on behalf of the council: 3859

(i) Enter into agreements or administer contracts with public 3860
or private entities to fulfill specific council business. Such 3861
agreements and contracts are exempt from the competitive bidding 3862
requirements of section 307.86 of the Revised Code if they have 3863
been approved by the county council and they are for the purchase 3864
of family and child welfare or child protection services or other 3865

social or job and family services for families and children. The 3866
approval of the county council is not required to exempt 3867

bidding requirements of section 307.86 of the Revised Code. 3870

expenses related to council activity; 3873

(iii) Receive by gift, grant, devise, or bequest any moneys, 3874
lands, or other property for the purposes for which the council is 3875
established. The agent shall hold, apply, and dispose of the 3876
moneys, lands, or other property according to the terms of the 3877
gift, grant, devise, or bequest. Any interest or earnings shall be 3878
treated in the same manner and are subject to the same terms as 3879
the gift, grant, devise, or bequest from which it accrues. 3880

(b)(i) If the county council designates the board of county 3881
commissioners as its administrative agent, the board may, by 3882
resolution, delegate any of its powers and duties as 3883
administrative agent to an executive committee the board 3884
establishes from the membership of the county council. The board 3885
shall name to the executive committee at least the individuals 3886
described in divisions (B)(1)(b) to (h) of this section and may 3887

an annual budget to the board for approval and may amend or repeal 3901
the resolution that delegated to the executive committee its 3902
authority as the county council's administrative agent. 3903

(6) Two or more county councils may enter into an agreement 3904
to administer their county councils jointly by creating a regional 3905
family and children first council. A regional council possesses 3906
the same duties and authority possessed by a county council, 3907
except that the duties and authority apply regionally rather than 3908
to individual counties. Prior to entering into an agreement to 3909
create a regional council, the members of each county council to 3910
be part of the regional council shall meet to determine whether 3911
all or part of the members of each county council will serve as 3912
members of the regional council. 3913

(7) A board of county commissioners may approve a resolution 3914
by a majority vote of the board's members that requires the county 3915
council to submit a statement to the board each time the council 3916
proposes to enter into an agreement, adopt a plan, or make a 3917
decision, other than a decision pursuant to section 121.38 of the 3918
Revised Code, that requires the expenditure of funds for two or 3919
more families. The statement shall describe the proposed 3920
agreement, plan, or decision. 3921

Not later than fifteen days after the board receives the 3922
statement, it shall, by resolution approved by a majority of its 3923
members, approve or disapprove the agreement, plan, or decision. 3924
Failure of the board to pass a resolution during that time period 3925
shall be considered approval of the agreement, plan, or decision. 3926

An agreement, plan, or decision for which a statement is 3927
required to be submitted to the board shall be implemented only if 3928

it is approved by the board. 3929

(C) Each county shall develop a county service coordination 3930

organization, the endorsing municipality or endorsing county may 4594
apply to the director of development, on a form and in the manner 4595
prescribed by the director, for a grant based on the projected 4596
incremental increase in the receipts from the tax imposed under 4597
section 5739.02 of the Revised Code within the market area 4598

designated under division (C) of this section, for the two-week 4599
period that ends at the end of the day after the date on which a 4600

the director, to the preparation for and presentation of the game. 4602
The director shall determine the projected incremental increase in 4603

notify the director of budget and management of the filing. Within 4627

revenue fund to such endorsing municipality or endorsing county 4630

payments that total the amount certified by the director of 4631
development under division (A) of this section, but in no event 4632
shall the total amount disbursed exceed five hundred thousand 4633

sponsoring one or more games. 4643

(C) For the purposes of division (A) of this section, the 4644
director of development, in consultation with the tax 4645
commissioner, shall designate as a market area for a game each 4646
area in which they determine there is a reasonable likelihood of 4647
measurable economic impact directly attributable to the 4648
preparation for and presentation of the game and related events, 4649
including areas likely to provide venues, accommodations, and 4650
services in connection with the game based on the information and 4651
the copy of the joinder undertaking provided to the director under 4652
divisions (A) and (B) of this section. The director and 4653
commissioner shall determine the geographic boundaries of each 4654
market area. An endorsing municipality or endorsing county that 4655
has been selected as the site for a game must be included in a 4656
market area for the game. 4657

(D) A local organizing committee, endorsing municipality, or 4658

records required by a site selection organization and data 4663

municipality, or endorsing county relating to attendance at a game 4665
and to the economic impact of the game. A local organizing 4666
committee, an endorsing municipality, or an endorsing county shall 4667
provide an annual audited financial statement if so required by 4668
the director and commissioner, not later than the end of the 4669
fourth month after the date the period covered by the financial 4670
statement ends. 4671

(E) Within sixty days after the game, the endorsing 4672
municipality or the endorsing county shall report to the director 4673
of development about the economic impact of the game. The report 4674
shall be in the form and substance required by the director, 4675
including, but not limited to, a final income statement for the 4676
event showing total revenue and expenditures and revenue and 4677
expenditures in the market area for the game, and ticket sales for 4678
the game and any related activities for which admission was 4679
charged. The director of development shall determine, based on the 4680
reported information and the exercise of reasonable judgment, the 4681
incremental increase in receipts from the tax imposed under 4682
section 5739.02 of the Revised Code directly attributable to the 4683
game. If the actual incremental increase in such receipts is less 4684
than the projected incremental increase in receipts, the director 4685
may require the endorsing municipality or the endorsing county to 4686
refund to the state all or a portion of the grant. 4687

(F) No disbursement may be made under this section if the 4688
director of development determines that it would be used for the 4689
purpose of soliciting the relocation of a professional sports 4690
franchise located in this state. 4691

(G) This section may not be construed as creating or 4692
requiring a state guarantee of obligations imposed on an endorsing 4693
municipality or endorsing county under a game support contract or 4694

any other agreement relating to hosting one or more games in this 4695
state. 4696

Sec. 122.151. (A) An investor who proposes to make an 4697
investment of money in an Ohio entity may apply to an Edison 4698
center for a tax credit under this section. The Edison center 4699
shall prescribe the form of the application and any information 4700
that the investor must submit with the application. The investor 4701
shall include with the application a fee of two hundred dollars. 4702
The center, within three weeks after receiving the application, 4703
shall review it, determine whether the investor should be 4704
recommended for the tax credit, and send written notice of its 4705
initial determination to the industrial technology and enterprise 4706
advisory council and to the investor. If the center determines the 4707
investor should not be recommended for the tax credit, it shall 4708
include in the notice the reasons for the determination. Subject 4709
to divisions (C) and (D) of this section, an investor is eligible 4710
for a tax credit if all of the following requirements are met: 4711

(2) The Ohio entity had less than two million five hundred 4714
thousand dollars of gross revenue during its most recently 4715
completed fiscal year or had a net book value of less than two 4716
million five hundred thousand dollars at the end of that fiscal 4717
year. 4718

(3) The investment takes the form of the purchase of common 4719
or preferred stock, a membership interest, a partnership interest, 4720
or any other ownership interest. 4721

(4) The amount of the investment for which the credit is 4722
being claimed does not exceed three hundred thousand dollars in 4723
the case of an investment in an EDGE business enterprise or in an 4724
Ohio entity located in a distressed area, or two hundred fifty 4725

thousand dollars in the case of an investment in any other Ohio 4726
entity. 4727

(5) The money invested is entirely at risk of loss, where 4728
repayment depends upon the success of the business operations of 4729
the Ohio entity. 4730

(6) No repayment of principal invested will be made for at 4731
least three years from the date the investment is made. 4732

(7) The annual combined amount of any dividend and interest 4733
payments to be made to the investor will not exceed ten per cent 4734
of the amount of the investment for at least three years from the 4735
date the investment is made. 4736

(8) The investor is not an employee with proprietary 4737
decision-making authority of the Ohio entity in which the 4738
investment of money is proposed, or related to such an individual. 4739
The Ohio entity is not an individual related to the investor. For 4740
purposes of this division, the industrial technology and 4741
enterprise advisory council shall define "an employee with 4742
proprietary decision-making authority." 4743

(9) The investor is not an insider. 4744

For the purposes of determining the net book value of an Ohio 4745
entity under division (A)(1) or (2) of this section, if the entity 4746
is a member of an affiliated group, the combined net book values 4747
of all of the members of that affiliated group shall be used. 4748

Nothing in division (A)(6) or (7) of this section limits or 4749
disallows the distribution to an investor in a pass-through entity 4750
of a portion of the entity's profits equal to the investor's 4751
federal, state, and local income tax obligations attributable to 4752
the investor's allocable share of the entity's profits. Nothing in 4753
division (A)(6) or (7) of this section limits or disallows the 4754
sale by an investor of part or all of the investor's interests in 4755
an Ohio entity by way of a public offering of shares in the Ohio 4756

entity. 4757

(B) A group of two but not more than twenty investors, each 4758
of whom proposes to make an investment of money in the same Ohio 4759
entity, may submit an application for tax credits under division 4760
(A) of this section. The group shall include with the application 4761
a fee of eight hundred dollars. The application shall identify 4762
each investor in the group and the amount of money each investor 4763
proposes to invest in the Ohio entity, and shall name a contact 4764
person for the group. The Edison center, within three weeks after 4765
receiving the application, shall review it, determine whether each 4766
investor of the group should be recommended for a tax credit under 4767
the conditions set forth in division (A) of this section, and send 4768
written notice of its determination to the industrial technology 4769
and enterprise advisory council and to the contact person. The 4770
center shall not recommend that a group of investors receive a tax 4771
credit unless each investor is eligible under those conditions. 4772
The center may disqualify from a group any investor who is not 4773
eligible under the conditions and recommend that the remaining 4774
group of investors receive the tax credit. If the center 4775
determines the group should not be recommended for the tax credit, 4776
it shall include in the notice the reasons for the determination. 4777

(C) The industrial technology and enterprise advisory council 4778
shall establish from among its members a three-person committee. 4779
Within four weeks after the council receives a notice of 4780
recommendation from an Edison center, the committee shall review 4781
the recommendation and issue a final determination of whether the 4782
investor or group is eligible for a tax credit under the 4783
conditions set forth in division (A) of this section. The 4784
committee may require the investor or group to submit additional 4785
information to support the application. The vote of at least two 4786
members of the committee is necessary for the issuance of a final 4787
determination or any other action of the committee. Upon making 4788

the final determination, the committee shall send written notice 4789
of approval or disapproval of the tax credit to the investor or 4790
group contact person, the director of development, and the Edison 4791
center. If the committee disapproves the tax credit, it shall 4792
include in the notice the reasons for the disapproval. 4793

(D)(1) The industrial technology and enterprise advisory 4794
council committee shall not approve more than one million five 4795
hundred thousand dollars of investments in any one Ohio entity. 4796
However, if a proposed investment of money in an Ohio entity has 4797
been approved but the investor does not actually make the 4798
investment, the committee may reassign the amount of that 4799
investment to another investor, as long as the total amount 4800
invested in the entity under this section does not exceed one 4801
million five hundred thousand dollars. 4802

If the one-million-five-hundred-thousand-dollar limit for an 4803
Ohio entity has not yet been reached and an application proposes 4804
an investment of money that would exceed the limit for that 4805
entity, the committee shall send written notice to the investor, 4806
or for a group, the contact person, that the investment cannot be 4807
approved as requested. Upon receipt of the notice, the investor or 4808
group may amend the application to propose an investment of money 4809
that does not exceed the limit. 4810

(2) Not more than ~~thirty~~ forty-five million dollars of tax 4811
credits shall be issued under sections 122.15 to 122.154 of the 4812
Revised Code. 4813

(E) If an investor makes an approved investment of less than 4814
two hundred fifty thousand dollars in any Ohio entity other than 4815
an EDGE business enterprise or in an Ohio entity located in a 4816
distressed area, the investor may apply for approval of another 4817
investment of money in that entity, as long as the total amount 4818
invested in that entity by the investor under this section does 4819
not exceed two hundred fifty thousand dollars. If an investor 4820

makes an approved investment of less than three hundred thousand 4821
dollars in an EDGE business enterprise or in an Ohio entity 4822
located in a distressed area, the investor may apply for approval 4823
of another investment of money in that entity, as long as the 4824
total amount invested in that entity by the investor under this 4825
section does not exceed three hundred thousand dollars. An 4826
investor who receives approval of an investment of money as part 4827
of a group may subsequently apply on an individual basis for 4828
approval of an additional investment of money in the Ohio entity. 4829

(F) The industrial technology and enterprise advisory council 4830
committee shall approve or disapprove tax credit applications 4831
under this section in the order in which they are received by the 4832
council. 4833

(G) The director of development may disapprove any 4834
application recommended by an Edison center and approved by the 4835
industrial technology and enterprise advisory council committee, 4836
or may disapprove a credit for which a tax credit certificate has 4837
been issued under section 122.152 of the Revised Code, if the 4838
director determines that the entity in which the applicant 4839
proposes to invest or has invested is not an Ohio entity eligible 4840
to receive investments that qualify for the credit. If the 4841
director disapproves an application, the director shall certify 4842
the action to the investor, the Edison center that recommended the 4843
application, the industrial technology and enterprise advisory 4844
council, and the tax commissioner, together with a written 4845
explanation of the reasons for the disapproval. If the director 4846
disapproves a tax credit after a tax credit certificate is issued, 4847
the investor shall not claim the credit for the taxable year that 4848
includes the day the director disapproves the credit, or for any 4849
subsequent taxable year. 4850

The director of development, in accordance with section 4851
111.15 of the Revised Code and with the advice of the industrial 4852

technology and enterprise advisory council, may adopt, amend, and 4853
rescind rules necessary to implement sections 122.15 to 122.154 of 4854
the Revised Code. 4855

(H) An Edison center shall use application fees received 4856
under this section only for the costs of administering sections 4857
122.15 to 122.154 of the Revised Code. 4858

Sec. 122.17. (A) As used in this section: 4859

~~(1) "Full time employee" means an individual who is employed 4860
for consideration for at least an average of thirty five hours a 4861
week, who renders any other standard of service generally accepted 4862
by custom or specified by contract as full time employment, or who 4863
is employed for consideration for such time or renders such 4864
service but is on family or medical leave under the federal Family 4865
and Medical Leave Act of 1993, Pub. L. No. 103-3, 107 Stat. 6, as 4866
amended, or on active duty reserve or Ohio national guard service. 4867~~

~~(2) "New employee" means one of the following: 4869~~

~~(a) A full time employee first employed by a taxpayer in the 4870
project that is the subject of the agreement after the taxpayer 4871
enters into a tax credit agreement with the tax credit authority 4872
under this section; 4873~~

~~(b) A full time employee first employed by a taxpayer in the 4874
project that is the subject of the tax credit after the tax credit 4875
authority approves a project for a tax credit under this section 4876
in a public meeting, as long as the taxpayer enters into the tax 4877
credit agreement prepared by the department of development after 4878
such meeting within sixty days after receiving the agreement from 4879
the department. If the taxpayer fails to enter into the agreement 4880
within sixty days, "new employee" has the same meaning as under 4881
division (A)(2)(a) of this section. A full time employee may be 4882~~

~~considered a "new employee" of a taxpayer, despite previously 4883
having been employed by a related member of the taxpayer, if all 4884
of the following apply: 4885~~

~~(i) The related member is a party to the tax credit agreement 4886
at the time the employee is first employed with the taxpayer; 4887~~

~~(ii) The related member will remain subject to the tax 4888
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 4889
under Chapter 5751. of the Revised Code for the remainder of the 4890
term of the tax credit, and the tax credit is taken against 4891
liability for that same tax through the remainder of the term of 4892
the tax credit; and 4893~~

~~(iii) The employee was considered a new employee of the 4894
related member prior to employment with the taxpayer. 4895~~

~~Under division (A)(2)(a) or (b) of this section, if the tax 4896
credit authority determines it appropriate, "new employee" also 4897
may include an employee re hired or called back from lay off to 4898
work in a new facility or on a new product or service established 4899
or produced by the taxpayer after entering into the agreement 4900
under this section or after the tax credit authority approves the 4901
tax credit in a public meeting. Except as otherwise provided in 4902
this paragraph, "new employee" does not include any employee of 4903
the taxpayer who was previously employed in this state by a 4904
related member of the taxpayer and whose employment was shifted to 4905
the taxpayer after the taxpayer entered into the tax credit 4906
agreement or after the tax credit authority approved the credit in 4907
a public meeting, or any employee of the taxpayer for which the 4908
taxpayer has been granted a certificate under division (B) of 4909
section 5709.66 of the Revised Code. However, if the taxpayer is 4910
engaged in the enrichment and commercialization of uranium or 4911
uranium products or is engaged in research and development 4912
activities related thereto and if the tax credit authority 4913
determines it appropriate, "new employee" may include an employee 4914~~

~~of the taxpayer who was previously employed in this state by a 4915
related member of the taxpayer and whose employment was shifted to 4916
the taxpayer after the taxpayer entered into the tax credit 4917
agreement or after the tax credit authority approved the credit in 4918
a public meeting. "New employee" does not include an employee of 4919
the taxpayer who is employed in an employment position that was 4920
relocated to a project from other operations of the taxpayer in 4921
this state or from operations of a related member of the taxpayer 4922
in this state. In addition, "new employee" does not include a 4923
child, grandchild, parent, or spouse, other than a spouse who is 4924
legally separated from the individual, of any individual who is an 4925
employee of the taxpayer and who has a direct or indirect 4926
ownership interest of at least five per cent in the profits, 4927
capital, or value of the taxpayer. Such ownership interest shall 4928
be determined in accordance with section 1563 of the Internal 4929
Revenue Code and regulations prescribed thereunder. 4930~~

~~(3) "New income Income tax revenue" means the total amount 4931
withheld under section 5747.06 of the Revised Code by the taxpayer 4932
during the taxable year, or during the calendar year that includes 4933
the tax period, from the compensation of ~~new employees for the tax~~ 4934
~~levied under Chapter 5747. of the Revised Code.~~ 4935~~

~~(4) "Related member" has the same meaning as under division 4937
(A)(6) of section 5733.042 of the Revised Code without regard to 4938
division (B) of that section each employee employed in the project 4939
to the extent the employee's withholdings are not used to 4940
determine the credit under section 122.171 of the Revised Code. 4941
"Income tax revenue" excludes amounts withheld before the day the 4942
taxpayer becomes eligible for the credit. 4943~~

~~(2) "Baseline income tax revenue" means income tax revenue 4944
except that the applicable withholding period is the twelve months 4945
immediately preceding the date the tax credit authority approves 4946~~

the taxpayer's application multiplied by the sum of one plus an 4947
annual pay increase factor to be determined by the tax credit 4948
authority. If the taxpayer becomes eligible for the credit after 4949
the first day of the taxpayer's taxable year or after the first 4950
day of the calendar year that includes the tax period, the 4951
taxpayer's baseline income tax revenue for the first such taxable 4952
or calendar year of credit eligibility shall be reduced in 4953
proportion to the number of days during the taxable or calendar 4954
year for which the taxpayer was not eligible for the credit. For 4955
subsequent taxable or calendar years, "baseline income tax 4956
revenue" equals the unreduced baseline income tax revenue for the 4957
preceding taxable or calendar year multiplied by the sum of one 4958
plus the pay increase factor. 4959

(3) "Excess income tax revenue" means income tax revenue 4960
minus baseline income tax revenue. 4961

(B) The tax credit authority may make grants under this 4962
section to foster job creation in this state. Such a grant shall 4963
take the form of a refundable credit allowed against the tax 4964
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 4965
under Chapter 5751. of the Revised Code. The credit shall be 4966
claimed for the taxable years or tax periods specified in the 4967
taxpayer's agreement with the tax credit authority under division 4968
(D) of this section. With respect to taxes imposed under section 4969
5733.06 or 5747.02 or Chapter 5751. of the Revised Code, the 4970
credit shall be claimed in the order required under section 4971
5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of 4972
the credit available for a taxable year or for a calendar year 4973
that includes a tax period equals the ~~new~~ excess income tax 4974
revenue for that year multiplied by the percentage specified in 4975
the agreement with the tax credit authority. Any credit granted 4976
under this section against the tax imposed by section 5733.06 or 4977
5747.02 of the Revised Code, to the extent not fully utilized 4978

against such tax for taxable years ending prior to 2008, shall 4979
automatically be converted without any action taken by the tax 4980
credit authority to a credit against the tax levied under Chapter 4981
5751. of the Revised Code for tax periods beginning on or after 4982
July 1, 2008, provided that the person to whom the credit was 4983
granted is subject to such tax. The converted credit shall apply 4984
to those calendar years in which the remaining taxable years 4985
specified in the agreement end. 4986

(C) A taxpayer or potential taxpayer who proposes a project 4987
to create new jobs in this state may apply to the tax credit 4988
authority to enter into an agreement for a tax credit under this 4989
section. The director of development shall prescribe the form of 4990
the application. After receipt of an application, the authority 4991
may enter into an agreement with the taxpayer for a credit under 4992
this section if it determines all of the following: 4993

(1) The taxpayer's project will ~~create new jobs in this state~~ 4994
increase payroll and income tax revenue; 4995

(2) The taxpayer's project is economically sound and will 4996
benefit the people of this state by increasing opportunities for 4997
employment and strengthening the economy of this state; 4998

(3) Receiving the tax credit is a major factor in the 4999
taxpayer's decision to go forward with the project. 5000

(D) An agreement under this section shall include all of the 5001
following: 5002

(1) A detailed description of the project that is the subject 5003
of the agreement; 5004

(2) The term of the tax credit, which shall not exceed 5005
fifteen years, and the first taxable year, or first calendar year 5006
that includes a tax period, for which the credit may be claimed; 5007

(3) A requirement that the taxpayer shall maintain operations 5008

at the project location for at least ~~twice the number of years as~~ 5009
~~the term of the tax credit~~ the greater of seven years or the term 5010
of the credit plus three years; 5011

(4) The percentage, as determined by the tax credit 5012
authority, of ~~new~~ excess income tax revenue that will be allowed 5013
as the amount of the credit for each taxable year or for each 5014
calendar year that includes a tax period; 5015

(5) ~~A specific method for determining how many new employees~~ 5016
~~are employed during a taxable year or during a calendar year that~~ 5017
~~includes a tax period~~ The pay increase factor to be applied to the 5018
taxpayer's baseline income tax revenue; 5019

(6) A requirement that the taxpayer annually shall report to 5020
the director of development ~~the number of new employees, the new~~ 5021
~~income tax revenue withheld in connection with the new employees,~~ 5022
~~and any employment, tax withholding, investment, and other~~ 5023
information the director needs to perform the director's duties 5024
under this section; 5025

(7) A requirement that the director of development annually 5026
~~shall verify the amounts~~ review the information reported under 5027
division (D)(6) of this section, ~~and after doing so shall issue a~~ 5028
~~certificate to the taxpayer stating that the amounts have been~~ 5029
verified and verify compliance with the agreement; if the taxpayer 5030
is in compliance, a requirement that the director issue a 5031
certificate to the taxpayer stating that the information has been 5032
verified and identifying the amount of the credit that may be 5033
claimed for the taxable or calendar year; 5034

(8)(a) ~~A provision requiring that the taxpayer, except as~~ 5035
~~otherwise provided in division (D)(8)(b) of this section, shall~~ 5036
~~not relocate employment positions from elsewhere in this state to~~ 5037
~~the project site that is the subject of the agreement for the~~ 5038
~~lesser of five years from the date the agreement is entered into~~ 5039

~~or the number of years the taxpayer is entitled to claim the tax credit.~~ 5040
5041

~~(b) The taxpayer may relocate employment positions from elsewhere in this state to the project site that is the subject of the agreement if the director of development determines both of the following:~~ 5042
5043
5044
5045

~~(i) That the site from which the employment positions would be relocated is inadequate to meet market and industry conditions, expansion plans, consolidation plans, or other business considerations affecting the taxpayer;~~ 5046
5047
5048
5049

~~(ii) That A provision providing that the taxpayer may not relocate a substantial number of employment positions from elsewhere in this state to the project location unless the director of development determines that the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated has been notified by the taxpayer of the relocation.~~ 5050
5051
5052
5053
5054
5055
5056

For purposes of this section, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position, ~~but the transfer of an individual employee from one political subdivision to another political subdivision shall not be considered a relocation of an employment position as long as the individual's employment position in the first political subdivision is refilled unless the employment position in the first political subdivision is replaced.~~ 5057

5060
5061
5062
5063
5064
5065

(E) If a taxpayer fails to meet or comply with any condition or requirement set forth in a tax credit agreement, the tax credit authority may amend the agreement to reduce the percentage or term of the tax credit. The reduction of the percentage or term ~~shall take effect (1) in the taxable year immediately following the~~ 5066

5068
5069
5070

~~taxable year in which the authority amends the agreement or the 5071
director of development notifies the taxpayer in writing of such 5072
failure, or (2) in the first tax period beginning in the calendar 5073
year immediately following the calendar year in which the 5074
authority amends the agreement or the director notifies the 5075
taxpayer in writing of such failure. If the taxpayer fails to 5076
annually report any of the information required by division (D)(6) 5077
of this section within the time required by the director, the 5078
reduction of the percentage or term may take effect in the current 5079
taxable year. If the taxpayer relocates employment positions in 5080
violation of the provision required under division (D)(8)(a) of 5081
this section, the taxpayer shall not claim the tax credit under 5082
section 5733.0610 of the Revised Code for any tax years following 5083
the calendar year in which the relocation occurs, or shall not 5084
claim the tax credit under section 5725.32, 5729.032, or 5747.058 5085
of the Revised Code for the taxable year in which the relocation 5086
occurs and any subsequent taxable years, and shall not claim the 5087
tax credit under division (A) of section 5751.50 of the Revised 5088
Code for any tax period in the calendar year in which the 5089
relocation occurs and any subsequent tax periods may take effect 5090
in the current taxable or calendar year. 5091~~

(F) Projects that consist solely of point-of-final-purchase 5092
retail facilities are not eligible for a tax credit under this 5093
section. If a project consists of both point-of-final-purchase 5094
retail facilities and nonretail facilities, only the portion of 5095
the project consisting of the nonretail facilities is eligible for 5096
a tax credit and only the ~~new~~ excess income tax revenue from ~~new~~ 5097
~~employees~~ of the nonretail facilities shall be considered when 5098
computing the amount of the tax credit. If a warehouse facility is 5099
part of a point-of-final-purchase retail facility and supplies 5100
only that facility, the warehouse facility is not eligible for a 5101
tax credit. Catalog distribution centers are not considered 5102
point-of-final-purchase retail facilities for the purposes of this 5103

division, and are eligible for tax credits under this section. 5104

(G) Financial statements and other information submitted to 5105
the department of development or the tax credit authority by an 5106
applicant or recipient of a tax credit under this section, and any 5107
information taken for any purpose from such statements or 5108
information, are not public records subject to section 149.43 of 5109
the Revised Code. However, the chairperson of the authority may 5110
make use of the statements and other information for purposes of 5111
issuing public reports or in connection with court proceedings 5112
concerning tax credit agreements under this section. Upon the 5113
request of the tax commissioner or, if the applicant or recipient 5114
is an insurance company, upon the request of the superintendent of 5115
insurance, the chairperson of the authority shall provide to the 5116
commissioner or superintendent any statement or information 5117
submitted by an applicant or recipient of a tax credit in 5118
connection with the credit. The commissioner or superintendent 5119
shall preserve the confidentiality of the statement or 5120
information. 5121

(H) A taxpayer claiming a credit under this section shall 5122
submit to the tax commissioner or, if the taxpayer is an insurance 5123
company, to the superintendent of insurance, a copy of the 5124
director of development's certificate of verification under 5125
division (D)(7) of this section with the taxpayer's tax report or 5126
return for the taxable year or for the calendar year that includes 5127
the tax period. Failure to submit a copy of the certificate with 5128
the report or return does not invalidate a claim for a credit if 5129
the taxpayer submits a copy of the certificate to the commissioner 5130
or superintendent within sixty days after the commissioner or 5131
superintendent requests it. 5132

(I) The director of development, after consultation with the 5133
tax commissioner and the superintendent of insurance and in 5134
accordance with Chapter 119. of the Revised Code, shall adopt 5135

rules necessary to implement this section. The rules may provide 5136
for recipients of tax credits under this section to be charged 5137
fees to cover administrative costs of the tax credit program. The 5138
fees collected shall be credited to the tax incentive programs 5139
operating fund created in section 122.174 of the Revised Code. At 5140
the time the director gives public notice under division (A) of 5141
section 119.03 of the Revised Code of the adoption of the rules, 5142
the director shall submit copies of the proposed rules to the 5143
chairpersons of the standing committees on economic development in 5144
the senate and the house of representatives. 5145

(J) For the purposes of this section, a taxpayer may include 5146
a partnership, a corporation that has made an election under 5147
subchapter S of chapter one of subtitle A of the Internal Revenue 5148
Code, or any other business entity through which income flows as a 5149
distributive share to its owners. A partnership, S-corporation, or 5150
other such business entity may elect to pass the credit received 5151
under this section through to the persons to whom the income or 5152
profit of the partnership, S-corporation, or other entity is 5153
distributed. The election shall be made on the annual report 5154
required under division (D)(6) of this section. The election 5155
applies to and is irrevocable for the credit for which the report 5156
is submitted. If the election is made, the credit shall be 5157
apportioned among those persons in the same proportions as those 5158
in which the income or profit is distributed. 5159

(K) If the director of development determines that a taxpayer 5160
who has received a credit under this section is not complying with 5161
the requirement under division (D)(3) of this section, the 5162
director shall notify the tax credit authority of the 5163
noncompliance. After receiving such a notice, and after giving the 5164
taxpayer an opportunity to explain the noncompliance, the tax 5165
credit authority may require the taxpayer to refund to this state 5166
a portion of the credit in accordance with the following: 5167

(1) If the taxpayer maintained operations at the project 5168
location for ~~at least one and one half times the number of years~~ 5169
~~of the term of the tax credit, an amount not exceeding twenty five~~ 5170
~~per cent of the sum of any previously allowed credits under this~~ 5171
~~section;~~ 5172

~~(2) If the taxpayer maintained operations at the project 5173
location for at least the number of years of the term of the tax 5174
credit, an amount not exceeding fifty per cent of the sum of any 5175
previously allowed credits under this section;~~ 5176

~~(3) If the taxpayer maintained operations at the project 5177
location for less than the number of years of the term of the tax 5178
credit, an amount not exceeding one hundred per cent of the sum of 5179
any previously allowed credits under this section a period less 5180
than or equal to the term of the credit, an amount not exceeding 5181
one hundred per cent of the sum of any credits allowed and 5182
received under this section; 5183~~

(2) If the taxpayer maintained operations at the project 5184
location for a period longer than the term of the credit, but less 5185
than the greater of seven years or the term of the credit plus 5186
three years, an amount not exceeding seventy-five per cent of the 5187
sum of any credits allowed and received under this section. 5188

In determining the portion of the tax credit to be refunded 5189
to this state, the tax credit authority shall consider the effect 5190
of market conditions on the taxpayer's project and whether the 5191
taxpayer continues to maintain other operations in this state. 5192
After making the determination, the authority shall certify the 5193
amount to be refunded to the tax commissioner or superintendent of 5194
insurance, as appropriate. If the amount is certified to the 5195
commissioner, the commissioner shall make an assessment for that 5196
amount against the taxpayer under Chapter 5733., 5747., or 5751. 5197
of the Revised Code. If the amount is certified to the 5198
superintendent, the superintendent shall make an assessment for 5199

that amount against the taxpayer under Chapter 5725. or 5729. of 5200
the Revised Code. The time limitations on assessments under those 5201
chapters do not apply to an assessment under this division, but 5202
the commissioner or superintendent, as appropriate, shall make the 5203
assessment within one year after the date the authority certifies 5204
to the commissioner or superintendent the amount to be refunded. 5205

(L) On or before the ~~thirty-first~~ first day of ~~March~~ August 5206
each year, the director of development shall submit a report to 5207
the governor, the president of the senate, and the speaker of the 5208
house of representatives on the tax credit program under this 5209
section. The report shall include information on the number of 5210
agreements that were entered into under this section during the 5211
preceding calendar year, a description of the project that is the 5212
subject of each such agreement, and an update on the status of 5213
projects under agreements entered into before the preceding 5214
calendar year. 5215

(M) There is hereby created the tax credit authority, which 5216
consists of the director of development and four other members 5217
appointed as follows: the governor, the president of the senate, 5218
and the speaker of the house of representatives each shall appoint 5219
one member who shall be a specialist in economic development; the 5220
governor also shall appoint a member who is a specialist in 5221
taxation. Of the initial appointees, the members appointed by the 5222
governor shall serve a term of two years; the members appointed by 5223
the president of the senate and the speaker of the house of 5224
representatives shall serve a term of four years. Thereafter, 5225
terms of office shall be for four years. Initial appointments to 5226
the authority shall be made within thirty days after January 13, 5227
1993. Each member shall serve on the authority until the end of 5228
the term for which the member was appointed. Vacancies shall be 5229
filled in the same manner provided for original appointments. Any 5230
member appointed to fill a vacancy occurring prior to the 5231

expiration of the term for which the member's predecessor was 5232
appointed shall hold office for the remainder of that term. 5233
Members may be reappointed to the authority. Members of the 5234
authority shall receive their necessary and actual expenses while 5235
engaged in the business of the authority. The director of 5236
development shall serve as chairperson of the authority, and the 5237
members annually shall elect a vice-chairperson from among 5238
themselves. Three members of the authority constitute a quorum to 5239
transact and vote on the business of the authority. The majority 5240
vote of the membership of the authority is necessary to approve 5241
any such business, including the election of the vice-chairperson. 5242

The director of development may appoint a professional 5243
employee of the department of development to serve as the 5244
director's substitute at a meeting of the authority. The director 5245
shall make the appointment in writing. In the absence of the 5246
director from a meeting of the authority, the appointed substitute 5247
shall serve as chairperson. In the absence of both the director 5248
and the director's substitute from a meeting, the vice-chairperson 5249
shall serve as chairperson. 5250

(N) For purposes of the credits granted by this section 5251
against the taxes imposed under sections 5725.18 and 5729.03 of 5252
the Revised Code, "taxable year" means the period covered by the 5253
taxpayer's annual statement to the superintendent of insurance. 5254

Sec. 122.171. (A) As used in this section: 5255

(1) "Capital investment project" means a plan of investment 5256
at a project site for the acquisition, construction, renovation, 5257
or repair of buildings, machinery, or equipment, or for 5258
capitalized costs of basic research and new product development 5259
determined in accordance with generally accepted accounting 5260
principles, but does not include any of the following: 5261

(a) Payments made for the acquisition of personal property 5262

through operating leases; 5263

the sum of the following, subject to the limitation in division 6144
(C)(4) of this section: 6145

(i) Twenty-five per cent of the least of such budgeted or 6146
actual eligible expenditure amounts excluding budgeted or actual 6147
eligible expenditures for resident cast and crew wages; 6148

(ii) Thirty-five per cent of budgeted or actual eligible 6149
expenditures for resident cast and crew wages. 6150

(2) Except as provided in division (C)(4) of this section, if 6151
the director of development approves a motion picture company's 6152
application for a credit, the director shall issue a tax credit 6153
certificate to the company. The director in consultation with the 6154
tax commissioner shall prescribe the form and manner of issuing 6155
certificates. The director shall assign a unique identifying 6156
number to each tax credit certificate and shall record the 6157
certificate in a register devised and maintained by the director 6158
for that purpose. The certificate shall state the amount of the 6159
eligible production expenditures on which the credit is based and 6160
the amount of the credit. Upon the issuance of a certificate, the 6161
director shall certify to the tax commissioner the name of the 6162
applicant, the amount of eligible production expenditures shown on 6163
the certificate, and any other information required by the rules 6164
adopted to administer this section. 6165

(3) The amount of eligible production expenditures for which 6166

a tax credit may be claimed is subject to inspection and 6167
examination by the tax commissioner or employees of the 6168
commissioner under section 5703.19 of the Revised Code and any 6169
other applicable law. Once the eligible production expenditures 6170
are finally determined under section 5703.19 of the Revised Code 6171
and division (D) of this section, the credit amount is not subject 6172
to adjustment unless the director determines an error was 6173
committed in the computation of the credit amount. 6174

(4) No tax credit certificate may be issued before the 6175
completion of the tax credit-eligible production. Not more than 6176
twenty million dollars of tax credit may be allowed per fiscal 6177
biennium, and not more than ten million dollars may be allowed in 6178
the first year of the biennium. Not more than five million dollars 6179
of tax credit may be allowed per tax credit-eligible production. 6180

(D) A motion picture company whose motion picture has been 6181
certified as a tax credit-eligible production shall engage, at the 6182
company's expense, an independent certified public accountant to 6183
examine the company's production expenditures to identify the 6184
expenditures that qualify as eligible production expenditures. The 6185
certified public accountant shall issue a report to the company 6186
and to the director of development certifying the company's 6187
eligible production expenditures and any other information 6188
required by the director. Upon receiving and examining the report, 6189
the director may disallow any expenditure the director determines 6190
is not an eligible production expenditure. If the director 6191
disallows an expenditure, the director shall issue a written 6192
notice to the motion picture production company stating that the 6193
expenditure is disallowed and the reason for the disallowance. 6194
Upon examination of the report and disallowance of any 6195
expenditures, the director shall determine finally the lesser of 6196
the total budgeted eligible production expenditures stated in the 6197
application submitted under division (B) of this section or the 6198

actual eligible production expenditures for the purpose of 6199
computing the amount of the credit. 6200

(E) No credit shall be allowed under section 5733.59 or 6201
5747.66 of the Revised Code unless the director has reviewed the 6202
report and made the determination prescribed by division (D) of 6203
this section. 6204

(F) This state reserves the right to refuse the use of this 6205
state's name in the credits of any tax credit-eligible motion 6206
picture production. 6207

(G)(1) The director of development in consultation with the 6208
tax commissioner shall adopt rules for the administration of this 6209
section, including rules setting forth and governing the criteria 6210
for determining whether a motion picture production is a tax 6211
credit-eligible production; activities that constitute the 6212
production of a motion picture; reporting sufficient evidence of 6213
reviewable progress; expenditures that qualify as eligible 6214
production expenditures; a competitive process for approving 6215
credits; and consideration of geographic distribution of credits. 6216
The rules shall be adopted under Chapter 119. of the Revised Code. 6217

(2) The director may require a reasonable application fee to 6218
cover administrative costs of the tax credit program. The fees 6219
collected shall be credited to the motion picture tax credit 6220
program operating fund, which is hereby created in the state 6221
treasury. The motion picture tax credit program operating fund 6222
shall consist of all grants, gifts, fees, and contributions made 6223
to the director of development for marketing and promotion of the 6224
motion picture industry within this state. The director of 6225
development shall use money in the fund to pay expenses related to 6226
the administration of the Ohio film office and the credit 6227
authorized by this section and sections 5733.59 and 5747.66 of the 6228
Revised Code. 6229

Sec. 122.89. (A) The director of development may execute 6230
bonds as surety for minority businesses as principals, on 6231
contracts with the state, any political subdivision or 6232
instrumentality thereof, or any person as the obligee. The 6233
director as surety may exercise all the rights and powers of a 6234
company authorized by the department of insurance to execute bonds 6235

the department of insurance. 6238

(B) The director, with the advice of the minority development 6239
financing advisory board, shall adopt rules under Chapter 119. of 6240
the Revised Code establishing procedures for application for 6241

applications. The board shall review each application in 6243
accordance with the rules and, based on the bond worthiness of 6244
each applicant, shall refer all qualified applicants to the 6245
director. Based on the recommendation of the board, the director 6246
shall determine whether or not the applicant shall receive 6247
bonding. 6248

~~(C) The rules of the board shall provide that the minority 6249
business, in order to make an application for a bond to the 6250
director, shall submit documentation, as the director requires, to 6251
demonstrate either that a minority business shall have been denied 6252
a bond by two surety companies or that the minority business has 6253
applied to two surety companies for a bond and, at the expiration 6254
of sixty days after making the application, has neither received 6255
nor been denied a bond. 6256~~

~~(D)~~ The rules of the board shall require the minority 6257
business to pay a premium in advance for the bond to be 6258
established by the director, with the advice of the board after 6259
the director receives advice from the superintendent of insurance 6260

regarding the standard market rates for premiums for similar 6261
bonds. All premiums paid by minority businesses shall be paid into 6262
the minority business bonding program administrative and loss 6263
reserve fund. 6264

division (B) of section 169.05 of the Revised Code. 6268

~~(F)~~(E) The superintendent of insurance shall provide such 6269
technical and professional assistance as is considered necessary 6270
by the director, including providing advice regarding the standard 6271
market rates for bond premiums as described under division ~~(D)~~(C) 6272
of this section. 6273

~~board's~~ decisions of the state personnel board of review shall be 6790

employ of the state and the several counties, cities, city health 7188
districts, general health districts, and city school districts of 7189
the state, not specifically included in the unclassified service. 7190
Upon the creation by the board of trustees of a civil service 7191
township civil service commission, the classified service shall 7192
also comprise, except as otherwise provided in division (A)(17) or 7193

(C) of this section, all persons in the employ of a civil service township police or fire department having ten or more full-time paid employees. The classified service consists of two classes, which shall be designated as the competitive class and the unskilled labor class.

(1) The competitive class shall include all positions and employments in the state and the counties, cities, city health districts, general health districts, and city school districts of the state, and, upon the creation by the board of trustees of a civil service township of a township civil service commission, all positions in a civil service township police or fire department having ten or more full-time paid employees, for which it is practicable to determine the merit and fitness of applicants by competitive examinations. Appointments shall be made to, or employment shall be given in, all positions in the competitive class that are not filled by promotion, reinstatement, transfer, or reduction, as provided in this chapter, and the rules of the director of administrative services, by appointment from those certified to the appointing officer in accordance with this chapter.

(2) The unskilled labor class shall include ordinary unskilled laborers. Vacancies in the labor class for positions in service of the state shall be filled by appointment from lists of applicants registered by the director. Vacancies in the labor class for all other positions shall be filled by appointment from lists of applicants registered by a commission. The director or the commission, as applicable, by rule, shall require an applicant for registration in the labor class to furnish evidence or take tests as the director or commission considers proper with respect to age, residence, physical condition, ability to labor, honesty, sobriety, industry, capacity, and experience in the work or employment for which application is made. Laborers who fulfill the

requirements shall be placed on the eligible list for the kind of 7226
labor or employment sought, and preference shall be given in 7227
employment in accordance with the rating received from that 7228
evidence or in those tests. Upon the request of an appointing 7229
officer, stating the kind of labor needed, the pay and probable 7230
length of employment, and the number to be employed, the director 7231
or commission, as applicable, shall certify from the highest on 7232
the list double the number to be employed; from this number, the 7233
appointing officer shall appoint the number actually needed for 7234
the particular work. If more than one applicant receives the same 7235
rating, priority in time of application shall determine the order 7236
in which their names shall be certified for appointment. 7237

(C) A municipal or civil service township civil service 7238
commission may place volunteer firefighters who are paid on a 7239
fee-for-service basis in either the classified or the unclassified 7240
civil service. 7241

(D) This division does not apply to persons in the 7242
unclassified service who have the right to resume positions in the 7243
classified service under sections 4121.121, 5119.071, 5120.38, 7244
5120.381, 5120.382, 5123.08, 5139.02, and 5501.19 of the Revised 7245
Code. 7246

An appointing authority whose employees are paid directly by 7247
warrant of the director of budget and management may appoint a 7248
person who holds a ~~certified~~ permanent position in the classified 7249
service within the appointing authority's agency to a position in 7250
the unclassified service within that agency. A person appointed 7251
pursuant to this division to a position in the unclassified 7252
service shall retain the right to resume the position and status 7253
held by the person in the classified service immediately prior to 7254
the person's appointment to the position in the unclassified 7255
service, regardless of the number of positions the person held in 7256
the unclassified service. An employee's right to resume a position 7257

in the classified service may only be exercised when an appointing 7258
authority demotes the employee to a pay range lower than the 7259
employee's current pay range or revokes the employee's appointment 7260
to the unclassified service. An employee forfeits the right to 7261
resume a position in the classified service when the employee is 7262
removed from the position in the unclassified service due to 7263
incompetence, inefficiency, dishonesty, drunkenness, immoral 7264
conduct, insubordination, discourteous treatment of the public, 7265
neglect of duty, violation of this chapter or the rules of the 7266
director of administrative services, any other failure of good 7267
behavior, any other acts of misfeasance, malfeasance, or 7268
nonfeasance in office, or conviction of a felony. An employee also 7269
forfeits the right to resume a position in the classified service 7270
upon transfer to a different agency. 7271

Reinstatement to a position in the classified service shall 7272
be to a position substantially equal to that position in the 7273
classified service held previously, as certified by the director 7274
of administrative services. If the position the person previously 7275
held in the classified service has been placed in the unclassified 7276
service or is otherwise unavailable, the person shall be appointed 7277
to a position in the classified service within the appointing 7278
authority's agency that the director of administrative services 7279
certifies is comparable in compensation to the position the person 7280
previously held in the classified service. Service in the position 7281
in the unclassified service shall be counted as service in the 7282
position in the classified service held by the person immediately 7283
prior to the person's appointment to the position in the 7284
unclassified service. When a person is reinstated to a position in 7285
the classified service as provided in this division, the person is 7286
entitled to all rights, status, and benefits accruing to the 7287
position in the classified service during the person's time of 7288
service in the position in the unclassified service. 7289

Sec. 124.134. (A) Each full-time permanent state employee 7290
paid in accordance with section 124.152 of the Revised Code and 7291
those employees listed in divisions (B)(2) and (4) of section 7292
124.14 of the Revised Code, ~~after service of one year, shall have~~ 7293
~~earned and will be due upon the attainment of the first year of~~ 7294
~~employment, and annually thereafter, eighty hours of vacation~~ 7295
~~leave with full pay. One year of service shall be computed on the~~ 7296
~~basis of twenty six biweekly pay periods. A full time permanent~~ 7297
~~state employee with five or more years of service shall have~~ 7298
~~earned and is entitled to one hundred twenty hours of vacation~~ 7299
~~leave with full pay. A full time permanent state employee with ten~~ 7300
~~or more years of service shall have earned and is entitled to one~~ 7301
~~hundred sixty hours of vacation leave with full pay. A full time~~ 7302
~~permanent state employee with fifteen or more years of service~~ 7303
~~shall have earned and is entitled to one hundred eighty hours of~~ 7304
~~vacation leave with full pay. A full time permanent state employee~~ 7305
~~with twenty or more years of service shall have earned and is~~ 7306
~~entitled to two hundred hours of vacation leave with full pay. A~~ 7307
~~full time permanent state employee with twenty five or more years~~ 7308
~~of service shall have earned and is entitled to two hundred forty~~ 7309
~~hours of vacation leave with full pay. Such vacation leave shall~~ 7310
~~accrue to the employee at the rate of three and one tenth hours~~ 7311
~~each biweekly period for those entitled to eighty hours per year;~~ 7312
~~four and six tenths hours each biweekly period for those entitled~~ 7313
~~to one hundred twenty hours per year; six and two tenths hours~~ 7314
~~each biweekly period for those entitled to one hundred sixty hours~~ 7315
~~per year; six and nine tenths hours each biweekly period for those~~ 7316
~~entitled to one hundred eighty hours per year; seven and~~ 7317
~~seven tenths hours each biweekly period for those entitled to two~~ 7318
~~hundred hours per year; and nine and two tenths hours each~~ 7319
~~biweekly period for those entitled to two hundred forty hours per~~ 7320
~~year shall be credited with vacation leave with full pay according~~ 7321

to length of service and accruing at a corresponding rate per 7322
biweekly pay period, as follows: 7323

<u>Length of Service</u>	<u>Accrual Rate Per Pay Period</u>	7324
<u>Less than 4 years</u>	<u>3.1 hours</u>	7325
<u>4 but less than 9 years</u>	<u>4.6 hours</u>	7326
<u>9 but less than 14 years</u>	<u>6.2 hours</u>	7327
<u>14 but less than 19 years</u>	<u>6.9 hours</u>	7328
<u>19 but less than 24 years</u>	<u>7.7 hours</u>	7329
<u>24 years or more</u>	<u>9.2 hours</u>	7330

Fifty-two weeks equal one year of service. 7331

The amount of an employee's service shall be determined in 7332
accordance with the standard specified in section 9.44 of the 7333
Revised Code. Credit for prior service, including an increased 7334
vacation accrual rate and longevity supplement, shall take effect 7335
during the first pay period that begins immediately following the 7336
date the director of administrative services approves granting 7337
credit for that prior service. No employee, other than an employee 7338
who submits proof of prior service within ninety days after the 7339
date of the employee's hiring, shall receive any amount of 7340
vacation leave for the period prior to the date of the director's 7341
approval of the grant of credit for prior service. 7342

Part-time permanent employees who are paid in accordance with 7343
section 124.152 of the Revised Code and full-time permanent 7344
employees subject to this section who are in active pay status for 7345
less than eighty hours in a pay period shall earn vacation leave 7346
on a prorated basis. The ratio between the hours worked and the 7347
vacation hours earned by these classes of employees shall be the 7348
same as the ratio between the hours worked and the vacation hours 7349
earned by a full-time permanent employee with the same amount of 7350
service as provided for in this section. 7351

Vacation leave is not available for use until it appears on 7352
the employee's earning statement and the compensation described in 7353

the earning statement is available to the employee. An employee 7354
may begin using accrued vacation leave upon completion of the 7355
employee's initial probation period. 7356

(B) Employees granted leave under this section shall forfeit 7357
their right to take or to be paid for any vacation leave to their 7358
credit which is in excess of the accrual for three years. Any 7359
excess leave shall be eliminated from the employees' leave 7360
balance. If an employee's vacation leave credit is at, or will 7361
reach in the immediately following pay period, the maximum of the 7362
accrual for three years and the employee has been denied the use 7363
of vacation leave during the immediately preceding twelve months, 7364
the employee, at the employee's request, shall be paid in a pay 7365
period for the vacation leave the employee was denied, up to the 7366
maximum amount the employee would be entitled to be paid for in 7367
any pay period. An employee is not entitled to receive payment for 7368
vacation leave denied in any pay period in which the employee's 7369
vacation leave credit is not at, or will not reach in the 7370
immediately following pay period, the maximum of accrual for three 7371
years. Any vacation leave for which an employee receives payment 7372
shall be deducted from the employee's vacation leave balance. 7373
Payment shall not be made for any leave accrued in the same 7374
calendar year in which the payment is made. 7375

(C) Upon separation from state service, an employee granted 7376
leave under this section is entitled to compensation at the 7377
employee's current rate of pay for all unused vacation leave 7378
accrued under this section or section 124.13 of the Revised Code 7379
to the employee's credit. In case of transfer of an employee from 7380
one state agency to another, the employee shall retain the accrued 7381
and unused vacation leave. In case of the death of an employee, 7382
the unused vacation leave shall be paid in accordance with section 7383
2113.04 of the Revised Code, or to the employee's estate. An 7384
employee serving in a temporary work level who is eligible to 7385

receive compensation under this division shall be compensated at 7386
the base rate of pay of the employee's normal classification. 7387

Sec. 124.14. (A)(1) The director of administrative services 7388
shall establish, and may modify or rescind, by rule, a job 7389
classification plan for all positions, offices, and employments 7390
the salaries of which are paid in whole or in part by the state. 7391
The director shall group jobs within a classification so that the 7392
positions are similar enough in duties and responsibilities to be 7393
described by the same title, to have the same pay assigned with 7394
equity, and to have the same qualifications for selection applied. 7395
The director shall, by rule, assign a classification title to each 7396
classification within the classification plan. However, the 7397
director shall consider in establishing classifications, including 7398
classifications with parenthetical titles, and assigning pay 7399
ranges such factors as duties performed only on one shift, special 7400
skills in short supply in the labor market, recruitment problems, 7401
separation rates, comparative salary rates, the amount of training 7402
required, and other conditions affecting employment. The director 7403
shall describe the duties and responsibilities of the class, 7404
establish the qualifications for being employed in each position 7405
in the class, and file with the secretary of state a copy of 7406
specifications for all of the classifications. The director shall 7407
file new, additional, or revised specifications with the secretary 7408
of state before they are used. 7409

The director shall, by rule, assign each classification, 7410
either on a statewide basis or in particular counties or state 7411
institutions, to a pay range established under section 124.15 or 7412
section 124.152 of the Revised Code. The director may assign a 7413
classification to a pay range on a temporary basis for a period of 7414
six months. The director may establish, by rule adopted under 7415
Chapter 119. of the Revised Code, experimental classification 7416
plans for some or all employees paid directly by warrant of the 7417

director of budget and management. The rule shall include 7418
specifications for each classification within the plan and shall 7419
specifically address compensation ranges, and methods for 7420
advancing within the ranges, for the classifications, which may be 7421
assigned to pay ranges other than the pay ranges established under 7422
section 124.15 or 124.152 of the Revised Code. 7423

(2) The director of administrative services may reassign to a 7424
proper classification those positions that have been assigned to 7425
an improper classification. If the compensation of an employee in 7426
such a reassigned position exceeds the maximum rate of pay for the 7427
employee's new classification, the employee shall be placed in pay 7428
step X and shall not receive an increase in compensation until the 7429
maximum rate of pay for that classification exceeds the employee's 7430
compensation. 7431

(3) The director may reassign an exempt employee, as defined 7432
in section 124.152 of the Revised Code, to a bargaining unit 7433
classification if the director determines that the bargaining unit 7434
classification is the proper classification for that employee. 7435
Notwithstanding Chapter 4117. of the Revised Code or instruments 7436
and contracts negotiated under it, these placements are at the 7437
director's discretion. 7438

(4) The director shall, by rule, assign related 7439
classifications, which form a career progression, to a 7440
classification series. The director shall, by rule, assign each 7441
classification in the classification plan a five-digit number, the 7442
first four digits of which shall denote the classification series 7443
to which the classification is assigned. When a career progression 7444
encompasses more than ten classifications, the director shall, by 7445
rule, identify the additional classifications belonging to a 7446
classification series. The additional classifications shall be 7447
part of the classification series, notwithstanding the fact that 7448
the first four digits of the number assigned to the additional 7449

classifications do not correspond to the first four digits of the 7450
numbers assigned to other classifications in the classification 7451
series. 7452

(5) The director, ~~in accordance with rules adopted under~~ 7453
~~Chapter 119. of the Revised Code, shall establish, and may~~ 7454
establish, modify, or rescind, a classification plan for county 7455
agencies that elect not to use the services and facilities of a 7456
county personnel department. The director shall establish any such 7457
classification plan by means of rules adopted under Chapter 119. 7458
of the Revised Code. The rules shall include a methodology for the 7459
establishment of titles unique to county agencies, the use of 7460
state classification titles and classification specifications for 7461
common positions, the criteria for a county to meet in 7462
establishing its own classification plan, and the establishment of 7463
what constitutes a classification series for county agencies. The 7464
director may assess a county agency that chooses to use the 7465
classification plan a usage fee the director determines. All usage 7466
fees the department of administrative services receives shall be 7467
paid into the state treasury to the credit of the human resources 7468
fund created in section 124.07 of the Revised Code. 7469

(B) Division (A) of this section and sections 124.15 and 7470
124.152 of the Revised Code do not apply to the following persons, 7471
positions, offices, and employments: 7472

(1) Elected officials; 7473

(2) Legislative employees, employees of the legislative 7474
service commission, employees in the office of the governor, 7475
employees who are in the unclassified civil service and exempt 7476
from collective bargaining coverage in the office of the secretary 7477
of state, auditor of state, treasurer of state, and attorney 7478
general, and employees of the supreme court; 7479

(3) Employees of a county children services board that 7480

establishes compensation rates under section 5153.12 of the Revised Code;

(4) Any position for which the authority to determine compensation is given by law to another individual or entity;

(5) Employees of the bureau of workers' compensation whose compensation the administrator of workers' compensation establishes under division (B) of section 4121.121 of the Revised Code.

(C) The director may employ a consulting agency to aid and assist the director in carrying out this section.

(D)(1) When the director proposes to modify a classification or the assignment of classes to appropriate pay ranges, the director shall send written notice of the proposed rule to the appointing authorities of the affected employees thirty days before a hearing on the proposed rule. The appointing authorities shall notify the affected employees regarding the proposed rule. The director also shall send those appointing authorities notice of any final rule that is adopted within ten days after adoption.

(2) When the director proposes to reclassify any employee so that the employee is adversely affected, the director shall give to the employee affected and to the employee's appointing authority a written notice setting forth the proposed new classification, pay range, and salary. Upon the request of any classified employee who is not serving in a probationary period, the director shall perform a job audit to review the classification of the employee's position to determine whether the position is properly classified. The director shall give to the employee affected and to the employee's appointing authority a written notice of the director's determination whether or not to reclassify the position or to reassign the employee to another classification. An employee or appointing authority desiring a

hearing shall file a written request for the hearing with the 7512
state personnel board of review within thirty days after receiving 7513
the notice. The board shall set the matter for a hearing and 7514
notify the employee and appointing authority of the time and place 7515

approval of the director of budget and management, may provide to 7896
some or all of these employees any payment or benefit, except for 7897

salary, contained in such a collective bargaining agreement even 7898
if it is similar to a payment or benefit already provided by law 7899
to some or all of these employees. Any payment or benefit so 7900
provided shall not exceed the highest level for that payment or 7901
benefit specified in such a collective bargaining agreement. The 7902
director of administrative services shall not provide, and the 7903
director of budget and management shall not approve, any payment 7904
or benefit to such an employee under this division unless the 7905
payment or benefit is provided pursuant to a collective bargaining 7906
agreement to a state employee who is in a position with similar 7907
duties as, is supervised by, or is employed by the same appointing 7908
authority as, the employee to whom the benefit or payment is to be 7909
provided. 7910

As used in this division, "payment or benefit already 7911
provided by law" includes, but is not limited to, bereavement, 7912
personal, vacation, administrative, and sick leave, disability 7913
benefits, holiday pay, and pay supplements provided under the 7914
Revised Code, but does not include wages or salary. 7915

(E) New employees paid in accordance with schedule B of 7916
division (A) of this section or schedule E-1 of section 124.152 of 7917
the Revised Code shall be employed at the minimum rate established 7918
for the range unless otherwise provided. Employees with 7919
qualifications that are beyond the minimum normally required for 7920
the position and that are determined by the director to be 7921
exceptional may be employed in, or may be transferred or promoted 7922
to, a position at an advanced step of the range. Further, in time 7923
of a serious labor market condition when it is relatively 7924
impossible to recruit employees at the minimum rate for a 7925
particular classification, the entrance rate may be set at an 7926
advanced step in the range by the director of administrative 7927
services. This rate may be limited to geographical regions of the 7928
state. Appointments made to an advanced step under the provision 7929

regarding exceptional qualifications shall not affect the step 7930
assignment of employees already serving. However, anytime the 7931
hiring rate of an entire classification is advanced to a higher 7932
step, all incumbents of that classification being paid at a step 7933
lower than that being used for hiring, shall be advanced beginning 7934
at the start of the first pay period thereafter to the new hiring 7935
rate, and any time accrued at the lower step will be used to 7936
calculate advancement to a succeeding step. If the hiring rate of 7937
a classification is increased for only a geographical region of 7938
the state, only incumbents who work in that geographical region 7939
shall be advanced to a higher step. When an employee in the 7940
unclassified service changes from one state position to another or 7941
is appointed to a position in the classified service, or if an 7942
employee in the classified service is appointed to a position in 7943
the unclassified service, the employee's salary or wage in the new 7944
position shall be determined in the same manner as if the employee 7945
were an employee in the classified service. When an employee in 7946
the unclassified service who is not eligible for step increases is 7947
appointed to a classification in the classified service under 7948
which step increases are provided, future step increases shall be 7949
based on the date on which the employee last received a pay 7950
increase. If the employee has not received an increase during the 7951
previous year, the date of the appointment to the classified 7952
service shall be used to determine the employee's annual step 7953
advancement eligibility date. In reassigning any employee to a 7954
classification resulting in a pay range increase or to a new pay 7955
range as a result of a promotion, an increase pay range 7956
adjustment, or other classification change resulting in a pay 7957
range increase, the director shall assign such employee to the 7958
step in the new pay range that will provide an increase of 7959
approximately four per cent if the new pay range can accommodate 7960
the increase. When an employee is being assigned to a 7961
classification or new pay range as the result of a class plan 7962

change, if the employee has completed a probationary period, the 7963
employee shall be placed in a step no lower than step two of the 7964
new pay range. If the employee has not completed a probationary 7965
period, the employee may be placed in step one of the new pay 7966
range. Such new salary or wage shall become effective on such date 7967
as the director determines. 7968

(F) If employment conditions and the urgency of the work 7969
require such action, the director of administrative services may, 7970
upon the application of a department head, authorize payment at 7971
any rate established within the range for the class of work, for 7972
work of a casual or intermittent nature or on a project basis. 7973
Payment at such rates shall not be made to the same individual for 7974
more than three calendar months in any one calendar year. Any such 7975
action shall be subject to the approval of the director of budget 7976
and management as to the availability of funds. This section and 7977
sections 124.14 and 124.152 of the Revised Code do not repeal any 7978
authority of any department or public official to contract with or 7979
fix the compensation of professional persons who may be employed 7980
temporarily for work of a casual nature or for work on a project 7981
basis. 7982

(G)(1) Except as provided in ~~division~~ divisions (G)(2) and 7983
(3) of this section, each state employee paid in accordance with 7984
schedule B of this section or schedule E-1 of section 124.152 of 7985
the Revised Code shall be eligible for advancement to succeeding 7986
steps in the range for the employee's class or grade according to 7987
the schedule established in this division. Beginning on the first 7988
day of the pay period within which the employee completes the 7989
prescribed probationary period in the employee's classification 7990
with the state, each employee shall receive an automatic salary 7991
adjustment equivalent to the next higher step within the pay range 7992
for the employee's class or grade. 7993

~~Each~~ Except as provided in divisions (G)(2) and (3) of this 7994

section, each employee paid in accordance with schedule E-1 of 7995
section 124.152 of the Revised Code shall be eligible to advance 7996
to the next higher step until the employee reaches the top step in 7997
the range for the employee's class or grade, if the employee has 7998
maintained satisfactory performance in accordance with criteria 7999
established by the employee's appointing authority. Those step 8000
advancements shall not occur more frequently than once in any 8001
twelve-month period. 8002

~~When an employee is promoted or reassigned to a higher pay~~ 8003
~~range, the employee's step indicator shall return to "0" or be~~ 8004
~~adjusted to account for a probationary period, as appropriate.~~ 8005
When an employee is promoted, the step entry date shall be set to 8006
account for a probationary period. When an employee is reassigned 8007
to a higher pay range, the step entry date shall be set to allow 8008
an employee who is not at the highest step of the range to receive 8009
a step advancement one year from the reassignment date. Step 8010
advancement shall not be affected by demotion. A promoted employee 8011
shall advance to the next higher step of the pay range on the 8012
first day of the pay period in which the required probationary 8013
period is completed. Step advancement shall become effective at 8014
the beginning of the pay period within which the employee attains 8015
the necessary length of service. Time spent on authorized leave of 8016
absence shall be counted for this purpose. 8017

If determined to be in the best interest of the state 8018
service, the director of administrative services may, either 8019
statewide or in selected agencies, adjust the dates on which 8020
annual step advancements are received by employees paid in 8021
accordance with schedule E-1 of section 124.152 of the Revised 8022
Code. 8023

~~(2)(a)(i) Except as provided in division (G)(2)(a)(ii) of~~ 8024
~~this section, there~~ There shall be a moratorium on annual step 8025
advancements under division (G)(1) of this section ~~from the pay~~ 8026

~~period beginning June 29, 2003~~ June 21, 2009, through ~~the pay~~ 8027
~~period ending June 25, 2005~~ June 20, 2011. Step advancements shall 8028
resume with the pay period beginning ~~June 26, 2005~~ June 21, 2011. 8029
Upon the resumption of step advancements, there shall be no 8030
retroactive step advancements for the period the moratorium was in 8031
effect. The moratorium shall not affect an employee's performance 8032
evaluation schedule. 8033

~~(ii) During the moratorium under division (G)(2)(a)(i) of~~ 8034
~~this section, an employee who is hired or promoted and serves a~~ 8035
~~probationary period in the employee's new position shall advance~~ 8036
~~to the next step in the employee's pay range upon successful~~ 8037
~~completion of the employee's probationary period. Thereafter, the~~ 8038
~~employee is subject to the moratorium. An employee who begins a~~ 8039
probationary period before June 21, 2009, shall advance to the 8040
next step in the employee's pay range at the end of probation, and 8041
then become subject to the moratorium. An employee who is hired, 8042
promoted, or reassigned to a higher pay range between June 21, 8043
2009, through June 20, 2011, shall not advance to the next step in 8044
the employee's pay range until the next anniversary of the 8045
employee's date of hire, promotion, or reassignment that occurs on 8046
or after June 21, 2011. 8047

(b) The moratorium under division (G)(2)(a)~~(i)~~ of this 8048
section shall apply to the employees of the secretary of state, 8049
the auditor of state, the treasurer of state, and the attorney 8050
general, who are subject to this section unless the secretary of 8051
state, the auditor of state, the treasurer of state, or the 8052
attorney general decides to exempt the office's employees from the 8053
moratorium and so notifies the director of administrative services 8054
in writing on or before ~~July 1, 2003~~ July 1, 2009. 8055

(3) Employees in intermittent positions shall be employed at 8056
the minimum rate established for the pay range for their 8057
classification and are not eligible for step advancements. 8058

(H) Employees in appointive managerial or professional 8059
positions paid in accordance with schedule C of this section or 8060
schedule E-2 of section 124.152 of the Revised Code may be 8061
appointed at any rate within the appropriate pay range. This rate 8062
of pay may be adjusted higher or lower within the respective pay 8063
range at any time the appointing authority so desires as long as 8064
the adjustment is based on the employee's ability to successfully 8065
administer those duties assigned to the employee. Salary 8066
adjustments shall not be made more frequently than once in any 8067
six-month period under this provision to incumbents holding the 8068
same position and classification. 8069

(I) When an employee is assigned to duty outside this state, 8070
the employee may be compensated, upon request of the department 8071
head and with the approval of the director of administrative 8072
services, at a rate not to exceed fifty per cent in excess of the 8073
employee's current base rate for the period of time spent on that 8074
duty. 8075

(J) Unless compensation for members of a board or commission 8076
is otherwise specifically provided by law, the director of 8077
administrative services shall establish the rate and method of 8078
payment for members of boards and commissions pursuant to the pay 8079
schedules listed in section 124.152 of the Revised Code. 8080

(K) Regular full-time employees in positions assigned to 8081
classes within the instruction and education administration series 8082
under the rules of the director of administrative services, except 8083
certificated employees on the instructional staff of the state 8084
school for the blind or the state school for the deaf, whose 8085
positions are scheduled to work on the basis of an academic year 8086
rather than a full calendar year, shall be paid according to the 8087
pay range assigned by such rules but only during those pay periods 8088
included in the academic year of the school where the employee is 8089
located. 8090

(1) Part-time or substitute teachers or those whose period of employment is other than the full academic year shall be compensated for the actual time worked at the rate established by this section.

(2) Employees governed by this division are exempt from sections 124.13 and 124.19 of the Revised Code.

(3) Length of service for the purpose of determining eligibility for step advancements as provided by division (G) of this section and for the purpose of determining eligibility for longevity pay supplements as provided by division (E) of section 124.181 of the Revised Code shall be computed on the basis of one full year of service for the completion of each academic year.

(L) The superintendent of the state school for the deaf and the superintendent of the state school for the blind shall, subject to the approval of the superintendent of public instruction, carry out both of the following:

(1) Annually, between the first day of April and the last day of June, establish for the ensuing fiscal year a schedule of hourly rates for the compensation of each certificated employee on the instructional staff of that superintendent's respective school constructed as follows:

(a) Determine for each level of training, experience, and other professional qualification for which an hourly rate is set forth in the current schedule, the per cent that rate is of the rate set forth in such schedule for a teacher with a bachelor's degree and no experience. If there is more than one such rate for such a teacher, the lowest rate shall be used to make the computation.

(b) Determine which six city, local, and exempted village school districts with territory in Franklin county have in effect on, or have adopted by, the first day of April for the school year

that begins on the ensuing first day of July, teacher salary 8122
schedules with the highest minimum salaries for a teacher with a 8123
bachelor's degree and no experience; 8124

(c) Divide the sum of such six highest minimum salaries by 8125
ten thousand five hundred sixty; 8126

(d) Multiply each per cent determined in division (L)(1)(a) 8127
of this section by the quotient obtained in division (L)(1)(c) of 8128
this section; 8129

(e) One hundred five per cent of each product thus obtained 8130
shall be the hourly rate for the corresponding level of training, 8131
experience, or other professional qualification in the schedule 8132
for the ensuing fiscal year. 8133

(2) Annually, assign each certificated employee on the 8134
instructional staff of the superintendent's respective school to 8135
an hourly rate on the schedule that is commensurate with the 8136
employee's training, experience, and other professional 8137
qualifications. 8138

If an employee is employed on the basis of an academic year, 8139
the employee's annual salary shall be calculated by multiplying 8140
the employee's assigned hourly rate times one thousand seven 8141
hundred sixty. If an employee is not employed on the basis of an 8142
academic year, the employee's annual salary shall be calculated in 8143
accordance with the following formula: 8144

(a) Multiply the number of days the employee is required to 8145
work pursuant to the employee's contract by eight; 8146

(b) Multiply the product of division (L)(2)(a) of this 8147
section by the employee's assigned hourly rate. 8148

Each employee shall be paid an annual salary in biweekly 8149
installments. The amount of each installment shall be calculated 8150
by dividing the employee's annual salary by the number of biweekly 8151

installments to be paid during the year. 8152

Sections 124.13 and 124.19 of the Revised Code do not apply 8153
to an employee who is paid under this division. 8154

As used in this division, "academic year" means the number of 8155
days in each school year that the schools are required to be open 8156
for instruction with pupils in attendance. Upon completing an 8157
academic year, an employee paid under this division shall be 8158
deemed to have completed one year of service. An employee paid 8159

Code for which the employee qualifies, but is not eligible to 8162
receive a pay supplement under division (L)(4) or (5) of that 8163
section. An employee paid under this division is eligible to 8164
receive a pay supplement under division (L)(6) of section 124.181 8165
of the Revised Code for which the employee qualifies, except that 8166
the supplement is not limited to a maximum of five per cent of the 8167
employee's regular base salary in a calendar year. 8168

(M) Division (A) of this section does not apply to "exempt 8169
employees," as defined in section 124.152 of the Revised Code, who 8170
are paid under that section. 8171

Notwithstanding any other provisions of this chapter, when an 8172
employee transfers between bargaining units or transfers out of or 8173
into a bargaining unit, the director of administrative services 8174
shall establish the employee's compensation and adjust the maximum 8175
leave accrual schedule as the director deems equitable. 8176

schedule E-2 of division (B), or (C), ~~(D), (E), (F), or (G)~~ of 8185
this section, as applicable. 8186

~~(H)~~(D) As used in this section, "exempt employee" means a 8472

permanent full-time or permanent part-time employee paid directly 8473
by warrant of the director of budget and management whose position 8474
is included in the job classification plan established under 8475
division (A) of section 124.14 of the Revised Code but who is not 8476
considered a public employee for the purposes of Chapter 4117. of 8477
the Revised Code. As used in this section, "exempt employee" also 8478
includes a permanent full-time or permanent part-time employee of 8479
the secretary of state, auditor of state, treasurer of state, or 8480
attorney general who has not been placed in an appropriate 8481
bargaining unit by the state employment relations board. 8482

Sec. 124.18. (A) Forty hours shall be the standard work week 8483
for all employees whose salary or wage is paid in whole or in part 8484
by the state or by any state-supported college or university. When 8485
any employee whose salary or wage is paid in whole or in part by 8486
the state or by any state-supported college or university is 8487
required by an authorized administrative authority to be in an 8488
active pay status more than forty hours in any calendar week, the 8489
employee shall be compensated for such time over forty hours, 8490
except as otherwise provided in this section, at one and one-half 8491
times the employee's regular rate of pay. The use of sick leave or 8492
any leave used in lieu of sick leave shall not be considered to be 8493
active pay status for the purposes of earning overtime or 8494
compensatory time by employees whose wages are paid directly by 8495
warrant of the director of budget and management. A flexible-hours 8496
employee is not entitled to compensation for overtime work unless 8497
the employee's authorized administrative authority required the 8498
employee to be in active pay status for more than forty hours in a 8499
calendar week, regardless of the number of hours the employee 8500
works on any day in the same calendar week. 8501

Such compensation for overtime work shall be paid no later 8502
than at the conclusion of the next succeeding pay period. 8503

If the employee elects to take compensatory time off in lieu of overtime pay for any overtime worked, such compensatory time shall be granted by the employee's administrative superior, on a time and one-half basis, at a time mutually convenient to the employee and the administrative superior. Compensatory time is not available for use until it appears on the employee's earning statement and the compensation described in the earning statement is available to the employee.

An employee may accrue compensatory time to a maximum of two hundred forty hours, except that public safety employees and other employees who meet the criteria established in the "Federal Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended, may accrue a maximum of four hundred eighty hours of compensatory time. An employee shall be paid at the employee's regular rate of pay for any hours of compensatory time accrued in excess of these maximum amounts if the employee has not used the compensatory time within ~~one~~ three hundred ~~eighty~~ sixty-five days after it is granted, if the employee transfers to another agency of the state, or if a change in the employee's status exempts the employee from the payment of overtime compensation. Upon the termination of employment, any employee with accrued but unused compensatory time shall be paid for that time at a rate that is the greater of the employee's final regular rate of pay or the employee's average regular rate of pay during the employee's last three years of employment with the state.

No overtime, as described in this section, can be paid unless it has been authorized by the authorized administrative authority. Employees may be exempted from the payment of compensation as required by this section only under the criteria for exemption from the payment of overtime compensation established in the "Federal Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended. With the approval of the director

of administrative services, the appointing authority may establish 8536
a policy to grant compensatory time or to pay compensation to 8537
state employees who are exempt from overtime compensation. With 8538
the approval of the board of county commissioners, a county human 8539
services department may establish a policy to grant compensatory 8540
time or to pay compensation to employees of the department who are 8541
exempt from overtime compensation. 8542

(B)(1) An employee, whose salary or wage is paid in whole or 8543
in part by the state, shall be paid for the holidays declared in 8544
section 124.19 of the Revised Code and shall not be required to 8545
work on those holidays, unless, in the opinion of the employee's 8546
responsible administrative authority, failure to work on those 8547
holidays would impair the public service. ~~An~~ 8548

(2) An employee paid directly by warrant of the director of 8549
budget and management who is scheduled to work on a holiday the 8550
first day of January, the commemoration of memorial day, the 8551
fourth day of July, the fourth Thursday in November, or the 8552
twenty-fifth day of December and who does not report to work the 8553
day before, the day of, or the day after the holiday due to an 8554
illness of the employee or of a member of the employee's immediate 8555
family shall not receive holiday pay as provided by this division, 8556
unless the employee can provide documentation of extenuating 8557
circumstances that prohibited the employee from so reporting to 8558
work. ~~An~~ If the employee works a shift between the employee's 8559
scheduled shift and the holiday, the employee shall be paid for 8560
the holiday. 8561

(3) An employee also shall not be paid for a holiday unless 8562
the employee was in active pay status on the scheduled work day 8563
immediately preceding the holiday, except that an employee need 8564
not be in active pay status on that work day in order to be paid 8565
for the holiday if the employee is participating in a mandatory or 8566
voluntary cost savings day under section 124.392 of the Revised 8567

Code. 8568

~~(2)~~(4) If any of the holidays declared in section 124.19 of 8569
the Revised Code falls on Saturday, the Friday immediately 8570
preceding shall be observed as the holiday. If any of the holidays 8571
declared in section 124.19 of the Revised Code falls on Sunday, 8572
the Monday immediately succeeding shall be observed as the 8573
holiday. Employees whose work schedules are based on the 8574
requirements of a seven-days-a-week work operation shall observe 8575
holidays on the actual days specified in section 124.19 of the 8576
Revised Code. 8577

~~(3)~~(5) If an employee's work schedule is other than Monday 8578
through Friday, the employee shall be entitled to eight hours of 8579
holiday pay for holidays observed on the employee's day off 8580
regardless of the day of the week on which they are observed. 8581

~~(4)~~(6) A full-time permanent employee is entitled to a 8582
minimum of eight hours of pay for each holiday regardless of the 8583
employee's work shift and work schedule. A flexible-hours 8584
employee, who is normally scheduled to work in excess of eight 8585
hours on a day on which a holiday falls, either shall be required 8586
to work an alternate schedule for that week or shall receive 8587
additional holiday pay for the hours the employee is normally 8588
scheduled to work. Such an alternate schedule may require a 8589
flexible-hours employee to work five shifts consisting of eight 8590
hours each during the week including the holiday, and, in that 8591
case, the employee shall receive eight hours of holiday pay for 8592
the day the holiday is observed. 8593

~~(5) Part-time (7) Except as provided under section 124.392 of 8594
the Revised Code, part-time permanent employees shall receive four 8595
hours of holiday pay on a pro-rated basis, based upon the daily 8596
average of actual hours worked, excluding overtime hours worked, 8597
in the previous calendar quarter. The figure shall be calculated 8598
for the preceding calendar quarter on the first day of January, 8599~~

~~April, July, and October of each year regardless of the employee's~~ 8600
~~work shift and work schedule.~~ 8601

~~(6)~~(8) When an employee who is eligible for overtime pay 8602
under this section is required by the employee's responsible 8603
administrative authority to work on the day observed as a holiday, 8604
the employee shall be entitled to pay for such time worked at one 8605
and one-half times the employee's regular rate of pay in addition 8606
to the employee's regular pay, or to be granted compensatory time 8607
off at time and one-half thereafter, at the employee's option. 8608
Payment at such rate shall be excluded in the calculation of hours 8609
in active pay status. 8610

(C) Each appointing authority may designate the number of 8611
employees in an agency who are flexible-hours employees. The 8612
appointing authority may establish for each flexible-hours 8613
employee a specified minimum number of hours to be worked each day 8614
that is consistent with the "Federal Fair Labor Standards Act of 8615
1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended. 8616

(D) This section shall be uniformly administered for 8617
employees as defined in section 124.01 of the Revised Code and by 8618
the personnel departments of state-supported colleges and 8619
universities for employees of state-supported colleges and 8620
universities. If employees are not paid directly by warrant of the 8621
director of budget and management, the political subdivision shall 8622
determine whether the use of sick leave shall be considered to be 8623
active pay status for purposes of those employees earning overtime 8624
or compensatory time. 8625

(E) Policies relating to the payment of overtime pay or the 8626
granting of compensatory time off shall be adopted by the chief 8627
administrative officer of the house of representatives for 8628
employees of the house of representatives, by the clerk of the 8629
senate for employees of the senate, and by the director of the 8630
legislative service commission for all other legislative 8631

employees. 8632

(F) As used in this section, "regular rate of pay" means the 8633
base rate of pay an employee receives plus any pay supplements 8634
received pursuant to section 124.181 of the Revised Code. 8635

Sec. 124.181. (A) Except as provided in ~~division~~ divisions 8636
(M) and (P) of this section, any employee paid in accordance with 8637
schedule B of section 124.15 or schedule E-1 or schedule E-1 for 8638
step seven only of section 124.152 of the Revised Code is eligible 8639
for the pay supplements provided in this section upon application 8640
by the appointing authority substantiating the employee's 8641
qualifications for the supplement and with the approval of the 8642
director of administrative services except as provided in division 8643
(E) of this section. 8644

(B)(1) Except as provided in section 124.183 of the Revised 8645
Code, in computing any of the pay supplements provided in this 8646
section for an employee paid in accordance with schedule B of 8647
section 124.15 of the Revised Code, the classification salary base 8648
shall be the minimum hourly rate of the pay range, provided in 8649
that section, in which the employee is assigned at the time of 8650
computation. 8651

(2) Except as provided in section 124.183 of the Revised 8652
Code, in computing any of the pay supplements provided in this 8653
section for an employee paid in accordance with schedule E-1 of 8654
section 124.152 of the Revised Code, the classification salary 8655
base shall be the minimum hourly rate of the pay range, provided 8656
in that section, in which the employee is assigned at the time of 8657
computation. 8658

(3) Except as provided in section 124.183 of the Revised 8659
Code, in computing any of the pay supplements provided in this 8660
section for an employee paid in accordance with schedule E-1 for 8661
step seven only of section 124.152 of the Revised Code, the 8662

classification salary base shall be the minimum hourly rate in the 8663
corresponding pay range, provided in schedule E-1 of that section, 8664
to which the employee is assigned at the time of the computation. 8665

(C) The effective date of any pay supplement, except as 8666
provided in section 124.183 of the Revised Code or unless 8667
otherwise provided in this section, shall be determined by the 8668
director. 8669

(D) The director shall, by rule, establish standards 8670
regarding the administration of this section. 8671

(E)(1) Except as otherwise provided in this division, 8672
beginning on the first day of the pay period within which the 8673
employee completes five years of total service with the state 8674
government or any of its political subdivisions, each employee in 8675
positions paid in accordance with schedule B of section 124.15 of 8676
the Revised Code or in accordance with schedule E-1 or schedule 8677
E-1 for step seven only of section 124.152 of the Revised Code 8678
shall receive an automatic salary adjustment equivalent to two and 8679
one-half per cent of the classification salary base, to the 8680
nearest whole cent. Each employee shall receive thereafter an 8681
annual adjustment equivalent to one-half of one per cent of the 8682
employee's classification salary base, to the nearest whole cent, 8683
for each additional year of qualified employment until a maximum 8684
of ten per cent of the employee's classification salary base is 8685
reached. The granting of longevity adjustments shall not be 8686
affected by promotion, demotion, or other changes in 8687
classification held by the employee, nor by any change in pay 8688
range for the employee's class or grade. Longevity pay adjustments 8689
shall become effective at the beginning of the pay period within 8690
which the employee completes the necessary length of service, 8691
except that when an employee requests credit for prior service, 8692
the effective date of the prior service credit and of any 8693
longevity adjustment shall be the first day of the pay period 8694

following approval of the credit by the director of administrative 8695
services. No employee, other than an employee who submits proof of 8696
prior service within ninety days after the date of the employee's 8697
hiring, shall receive any longevity adjustment for the period 8698
prior to the director's approval of a prior service credit. Time 8699
spent on authorized leave of absence shall be counted for this 8700

(2) An employee who has retired in accordance with the 8702
provisions of any retirement system offered by the state and who 8703
is employed by the state or any political subdivision of the state 8704
on or after June 24, 1987, shall not have prior service with the 8705
state or any political subdivision of the state counted for the 8706
purpose of determining the amount of the salary adjustment 8707
provided under this division. 8708

(3) There shall be a moratorium on employees' receipt under 8709
this division of credit for service with the state government or 8710
any of its political subdivisions during the period from July 1, 8711
2003, through June 30, 2005. In calculating the number of years of 8712
total service under this division, no credit shall be included for 8713
service during the moratorium. The moratorium shall apply to the 8714
employees of the secretary of state, the auditor of state, the 8715
treasurer of state, and the attorney general, who are subject to 8716
this section unless the secretary of state, the auditor of state, 8717
the treasurer of state, or the attorney general decides to exempt 8718
the office's employees from the moratorium and so notifies the 8719
director of administrative services in writing on or before July 8720
1, 2003. 8721

If an employee is exempt from the moratorium, receives credit 8722
for a period of service during the moratorium, and takes a 8723
position with another entity in the state government or any of its 8724
political subdivisions, either during or after the moratorium, and 8725
if that entity's employees are or were subject to the moratorium, 8726

the employee shall continue to retain the credit. However, if the moratorium is in effect upon the taking of the new position, the employee shall cease receiving additional credit as long as the employee is in the position, until the moratorium expires.

(F) When an exceptional condition exists that creates a temporary or a permanent hazard for one or more positions in a class paid in accordance with schedule B of section 124.15 of the Revised Code or in accordance with schedule E-1 or schedule E-1 for step seven only of section 124.152 of the Revised Code, a special hazard salary adjustment may be granted for the time the employee is subjected to the hazardous condition. All special hazard conditions shall be identified for each position and incidence from information submitted to the director on an appropriate form provided by the director and categorized into standard conditions of: some unusual hazard not common to the class; considerable unusual hazard not common to the class; and exceptional hazard not common to the class.

(1) A hazardous salary adjustment of five per cent of the employee's classification salary base may be applied in the case of some unusual hazardous condition not common to the class for those hours worked, or a fraction of those hours worked, while the employee was subject to the unusual hazard condition.

(2) A hazardous salary adjustment of seven and one-half per cent of the employee's classification salary base may be applied in the case of some considerable hazardous condition not common to the class for those hours worked, or a fraction of those hours worked, while the employee was subject to the considerable hazard condition.

(3) A hazardous salary adjustment of ten per cent of the employee's classification salary base may be applied in the case of some exceptional hazardous condition not common to the class for those hours worked, or a fraction of those hours worked, when

the employee was subject to the exceptional hazard condition. 8759

(4) Each claim for temporary hazard pay shall be submitted as 8760
a separate payment and shall be subject to an administrative audit 8761
by the director as to the extent and duration of the employee's 8762
exposure to the hazardous condition. 8763

(G) When a full-time employee whose salary or wage is paid 8764
directly by warrant of the director of budget and management and 8765
who also is eligible for overtime under the "Fair Labor Standards 8766
Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended, is 8767
ordered by the appointing authority to report back to work after 8768
termination of the employee's regular work schedule and the 8769
employee reports, the employee shall be paid for such time. The 8770
employee shall be entitled to four hours at the employee's total 8771
rate of pay or overtime compensation for the actual hours worked, 8772
whichever is greater. This division does not apply to work that is 8773
a continuation of or immediately preceding an employee's regular 8774
work schedule. 8775

(H) When a certain position or positions paid in accordance 8776
with schedule B of section 124.15 of the Revised Code or in 8777
accordance with schedule E-1 or schedule E-1 for step seven only 8778
of section 124.152 of the Revised Code require the ability to 8779
speak or write a language other than English, a special pay 8780
supplement may be granted to attract bilingual individuals, to 8781
encourage present employees to become proficient in other 8782
languages, or to retain qualified bilingual employees. The 8783
bilingual pay supplement provided in this division may be granted 8784
in the amount of five per cent of the employee's classification 8785
salary base for each required foreign language and shall remain in 8786
effect as long as the bilingual requirement exists. 8787

(I) The director of administrative services may establish a 8788
shift differential for employees. The differential shall be paid 8789
to employees in positions working in other than the regular or 8790

first shift. In those divisions or agencies where only one shift 8791
prevails, no shift differential shall be paid regardless of the 8792
hours of the day that are worked. The director and the appointing 8793
authority shall designate which positions shall be covered by this 8794
division. 8795

(J) Whenever an employee is assigned to work in a higher 8796
level position for a continuous period of more than two weeks but 8797
no more than two years because of a vacancy, the employee's pay 8798
may be established at a rate that is approximately four per cent 8799
above the employee's current base rate for the period the employee 8800
occupies the position, provided that this temporary occupancy is 8801

sections, shall be made only from those persons whose names are 9124
certified to the appointing authority, and no employment, except 9125
as provided in those sections, shall be otherwise given in the 9126
classified service of this state or any political subdivision of 9127
the state. 9128

(C) All original and promotional appointments, including 9129
appointments made pursuant to section 124.30 of the Revised Code, 9130
but not intermittent appointments, shall be for a probationary 9131
period, not less than sixty days nor more than one year, to be 9132
fixed by the rules of the director, except as provided in section 9133
124.231 of the Revised Code, and except for original appointments 9134
to a police department as a police officer or to a fire department 9135
as a firefighter which shall be for a probationary period of one 9136
year. No appointment or promotion is final until the appointee has 9137
satisfactorily served the probationary period. If the service of 9138
the probationary employee is unsatisfactory, the employee may be 9139

removed or reduced at any time during the probationary period. If 9140
the appointing authority decides to remove a probationary employee 9141
in the service of the state, the appointing authority shall 9142
communicate to the director the reason for that decision. A 9143
probationary employee duly removed or reduced in position for 9144
unsatisfactory service does not have the right to appeal the 9145
removal or reduction under section 124.34 of the Revised Code. 9146

Sec. 124.321. (A) Whenever it becomes necessary for an 9147
appointing authority to reduce its work force, the appointing 9148
authority shall lay off employees or abolish their positions in 9149

and. If the affected work force is in the service of the state, 9151
the reduction shall also be in compliance with the rules of the 9152
director of administrative services. 9153

(B)(1) Employees may be laid off as a result of a lack of 9154
funds within an appointing authority. For appointing authorities 9155
that employ persons whose salary or wage is paid by warrant of the 9156
director of budget and management, the director of budget and 9157
management shall be responsible for determining, consistent with 9158
the rules adopted under division (B)(3) of this section, whether a 9159
lack of funds exists. For appointing authorities that employ 9160
persons whose salary or wage is paid other than by warrant of the 9161
director of budget and management, the appointing authority itself 9162
shall determine whether a lack of funds exists ~~and shall file a~~ 9163
~~statement of rationale and supporting documentation with the~~ 9164
~~director of administrative services prior to sending the layoff~~ 9165
~~notice.~~ 9166

(2) As used in this division, a "lack of funds" means an 9167
appointing authority has a current or projected deficiency of 9168
funding to maintain current, or to sustain projected, levels of 9169
staffing and operations. This section does not require any 9170

transfer of money between funds in order to offset a deficiency or 9171
projected deficiency of funding for programs funded by the federal 9172
government, special revenue accounts, or proprietary accounts. 9173
Whenever a program receives funding through a grant or similar 9174
mechanism, a lack of funds shall be presumed for the positions 9175
assigned to and the employees who work under the grant or similar 9176
mechanism if, for any reason, the funding is reduced or withdrawn. 9177

(3) The director of budget and management shall adopt rules, 9178
under Chapter 119. of the Revised Code, for agencies whose 9179
employees are paid by warrant of the director of budget and 9180
management, for determining whether a lack of funds exists. 9181
9182

(C)(1) Employees may be laid off as a result of lack of work 9183
within an appointing authority. For appointing authorities whose 9184
employees are paid by warrant of the director of budget and 9185
management, the director of administrative services shall 9186
determine, consistent with the rules adopted under division (F) of 9187
this section, whether a lack of work exists. All other appointing 9188
authorities shall themselves determine whether a lack of work 9189
exists ~~and shall file a statement of rationale and supporting~~ 9190
~~documentation with the director of administrative services prior~~ 9191
~~to sending the layoff notice.~~ 9192

(2) As used in this division, a "lack of work" means an 9193
appointing authority has a current or projected decrease in 9194
workload that requires a reduction of current or projected 9195
staffing levels in its organization or structure. The 9196
determination of a lack of work shall indicate the current or 9197
projected decrease in workload and whether the current or 9198
projected staffing levels of the appointing authority will be 9199
excessive. 9200

(D)(1) Employees may be laid off as a result of abolishment 9201
of positions. As used in this division, "abolishment" means the 9202

deletion of a position or positions from the organization or 9203
structure of an appointing authority. 9204

For purposes of this division, an appointing authority may 9205
abolish positions for any one or any combination of the following 9206
reasons: as a result of a reorganization for the efficient 9207
operation of the appointing authority, for reasons of economy, or 9208
for lack of work. 9209

(2)(a) Reasons of economy permitting an appointing authority 9210
to abolish a position and to lay off the holder of that position 9211
under this division shall be determined at the time the appointing 9212
authority proposes to abolish the position. The reasons of economy 9213
shall be based on the appointing authority's estimated amount of 9214
savings with respect to salary, benefits, and other matters 9215
associated with the abolishment of the position, except that the 9216
reasons of economy associated with the position's abolishment 9217
instead may be based on the appointing authority's estimated 9218
amount of savings with respect to salary and benefits only, if: 9219

(i) Either the appointing authority's operating appropriation 9220
has been reduced by an executive or legislative action, or the 9221
appointing authority has a current or projected deficiency in 9222
funding to maintain current or projected levels of staffing and 9223
operations; and 9224

(ii) In the case of a position in the service of the state, 9225
it files a notice of the position's abolishment with the director 9226
of administrative services within one year of the occurrence of 9227
the applicable circumstance described in division (D)(2)(a)(i) of 9228
this section. 9229

(b) The following principles apply when a circumstance 9230
described in division (D)(2)(a)(i) of this section would serve to 9231
authorize an appointing authority to abolish a position and to lay 9232
off the holder of the position under this division based on the 9233

appointing authority's estimated amount of savings with respect to 9234
salary and benefits only: 9235

(i) The position's abolishment shall be done in good faith 9236
and not as a subterfuge for discipline. 9237

(ii) If a circumstance affects a specific program only, the 9238
appointing authority only may abolish a position within that 9239
program. 9240

(iii) If a circumstance does not affect a specific program 9241
only, the appointing authority may identify a position that it 9242
considers appropriate for abolishment based on the reasons of 9243
economy. 9244

(3) Each appointing authority shall determine itself whether 9245
any position should be abolished. An appointing authority 9246
abolishing any position in the service of the state shall file a 9247
statement of rationale and supporting documentation with the 9248
director of administrative services prior to sending the notice of 9249
abolishment. 9250

If an abolishment results in a reduction of the work force, 9251
the appointing authority shall follow the procedures for laying 9252
off employees, subject to the following modifications: 9253

(a) The employee whose position has been abolished shall have 9254
the right to fill an available vacancy within the employee's 9255
classification. 9256

(b) If the employee whose position has been abolished has 9257
more retention points than any other employee serving in the same 9258
classification, the employee with the fewest retention points 9259
shall be displaced. 9260

(c) If the employee whose position has been abolished has the 9261
fewest retention points in the classification, the employee shall 9262
have the right to fill an available vacancy in a lower 9263

classification in the classification series. 9264

(d) If the employee whose position has been abolished has the 9265
fewest retention points in the classification, the employee shall 9266
displace the employee with the fewest retention points in the next 9267
or successively lower classification in the classification series. 9268

(E) Notwithstanding any contrary provision of the 9269
displacement procedure described in section 124.324 of the Revised 9270
Code for employees to displace other employees during a layoff, 9271
the director of administrative services or a county appointing 9272
authority may establish a paper lay-off process under which 9273
employees who are to be laid off or displaced may be required, 9274
before the date of their paper layoff, to preselect their options 9275
for displacing other employees. 9276

(F) The director of administrative services shall adopt rules 9277
under Chapter 119. of the Revised Code for the determination of 9278
lack of work within an appointing authority, for the abolishment 9279
of positions by an appointing authority, and for the 9280
implementation of this section as it relates to positions in the 9281
service of the state. 9282

Sec. 124.324. (A) A laid-off employee has the right to 9283
displace the employee with the fewest retention points in the 9284
following order: 9285

(1) Within the classification and appointment category from 9286
which the employee was laid off; 9287

(2) Within the classification series and appointment category 9288
from which the employee was laid off; 9289

(3) Within the classification and appointment category the 9290
employee held immediately prior to holding the classification from 9291
which the employee was laid off, except that the employee may not 9292
displace employees in a classification if the employee does not 9293

meet the minimum qualifications of the classification or if the 9294
employee last held the classification more than three years prior 9295
to the date on which the employee was laid off. 9296

If, after exercising displacement rights, an employee is 9297
subject to further layoff action, the employee's displacement 9298
rights shall be in accordance with the classification from which 9299
the employee was first laid off. 9300

The director of administrative services shall verify the 9301
calculation of the retention points of all employees in the 9302
service of the state in an affected classification in accordance 9303
with section 124.325 of the Revised Code. 9304

(B) Following the order of layoff as stated in section 9305
124.323 of the Revised Code, an employee laid off in the 9306
classified civil service shall displace another employee within 9307
the same appointing authority or independent institution and 9308
layoff jurisdiction in the following manner: 9309

(1) Each laid-off employee possessing more retention points 9310
shall displace the employee with the fewest retention points in 9311
the next lower classification or successively lower classification 9312
in the same classification series. 9313

(2) Any employee displaced by an employee possessing more 9314
retention points shall displace the employee with the fewest 9315
retention points in the next lower classification or successively 9316
lower classification in the same classification series. This 9317
process shall continue, if necessary, until the employee with the 9318
fewest retention points in the lowest classification of the 9319
classification series of the same appointing authority or 9320
independent institution has been reached and, if necessary, laid 9321
off. 9322

(C) Employees shall notify the appointing authority of their 9323
intention to exercise their displacement rights, within five days 9324

after receiving notice of layoff. This division does not apply if 9325
the director of administrative services has established a paper 9326
lay-off process pursuant to division (E) of section 124.321 of the 9327
Revised Code that includes a different notification requirement 9328
for employees exercising their displacement rights under that 9329
process. 9330

(D) No employee shall displace an employee for whose position 9331
or classification there are certain position-specific minimum 9332
qualifications, as established by the appointing authority and 9333
reviewed for validity by the department of administrative 9334
services, or as established by bona fide occupational 9335
qualification, unless the employee desiring to displace another 9336
employee possesses the requisite position-specific minimum 9337
qualifications for the position or classification. 9338

(E) If an employee exercising displacement rights must 9339
displace an employee in another county within the same layoff 9340
district, the displacement shall not be construed to be a 9341
transfer. 9342

(F) The director of administrative services shall adopt rules 9343
under Chapter 119. of the Revised Code for the implementation of 9344
this section as it relates to positions in the service of the 9345
state. 9346

Sec. 124.325. (A) Retention points to reflect the length of 9347
continuous service and efficiency in service for all employees 9348
affected by a layoff shall be verified by the director of 9349
administrative services for positions in the service of the state. 9350

(B) An employee's length of continuous service will be 9351
carried from one layoff jurisdiction to another so long as no 9352
break in service occurs between transfers or appointments. 9353

(C) If two or more employees have an identical number of 9354

retention points, employees having the shortest period of 9355
continuous service shall be laid off first. 9356

(D)(1) As used in this division, "affected employee" means a 9357
city employee who becomes a county employee, or a county employee 9358
who becomes a city employee, as the result of any of the 9359
following: 9360

(a) The merger of a city and a county office; 9361

(b) The merger of city and county functions or duties; 9362

(c) The transfer of functions or duties between a city and 9363
county. 9364

(2) For purposes of this section, the new employer of any 9365
affected employee shall treat the employee's prior service with a 9366
former employer as if it had been served with the new employer. 9367

(E) The director of administrative services shall adopt rules 9368
in accordance with Chapter 119. of the Revised Code to establish a 9369
system for the assignment of retention points for each employee in 9370
the service of the state in a classification affected by a layoff 9371
and for determining, in those instances where employees in the 9372
service of the state have identical retention points, which 9373
employee shall be laid off first. 9374

Sec. 124.34. (A) The tenure of every officer or employee in 9375
the classified service of the state and the counties, civil 9376
service townships, cities, city health districts, general health 9377
districts, and city school districts of the state, holding a 9378
position under this chapter, shall be during good behavior and 9379
efficient service. No officer or employee shall be reduced in pay 9380
or position, fined, suspended, or removed, or have the officer's 9381
or employee's longevity reduced or eliminated, except as provided 9382
in section 124.32 of the Revised Code, and for incompetency, 9383
inefficiency, dishonesty, drunkenness, immoral conduct, 9384

insubordination, discourteous treatment of the public, neglect of 9385
duty, violation of any policy or work rule of the officer's or 9386
employee's appointing authority, violation of this chapter or the 9387
rules of the director of administrative services or the 9388
commission, any other failure of good behavior, any other acts of 9389
misfeasance, malfeasance, or nonfeasance in office, or conviction 9390
of a felony. The denial of a one-time pay supplement or a bonus to 9391
an officer or employee is not a reduction in pay for purposes of 9392
this section. 9393

This section does not apply to any modifications or 9394
reductions in pay authorized by section 124.392 of the Revised 9395
Code. 9396

An appointing authority may require an employee who is 9397
suspended to report to work to serve the suspension. An employee 9398
serving a suspension in this manner shall continue to be 9399
compensated at the employee's regular rate of pay for hours 9400
worked. The disciplinary action shall be recorded in the 9401
employee's personnel file in the same manner as other disciplinary 9402
actions and has the same effect as a suspension without pay for 9403
the purpose of recording disciplinary actions. 9404

A finding by the appropriate ethics commission, based upon a 9405
preponderance of the evidence, that the facts alleged in a 9406
complaint under section 102.06 of the Revised Code constitute a 9407
violation of Chapter 102., section 2921.42, or section 2921.43 of 9408
the Revised Code may constitute grounds for dismissal. Failure to 9409
file a statement or falsely filing a statement required by section 9410
102.02 of the Revised Code may also constitute grounds for 9411
dismissal. The tenure of an employee in the career professional 9412
service of the department of transportation is subject to section 9413
5501.20 of the Revised Code. 9414

Conviction of a felony is a separate basis for reducing in 9415
pay or position, suspending, or removing an officer or employee, 9416

even if the officer or employee has already been reduced in pay or 9417
position, suspended, or removed for the same conduct that is the 9418
basis of the felony. An officer or employee may not appeal to the 9419
state personnel board of review or the commission any disciplinary 9420
action taken by an appointing authority as a result of the 9421
officer's or employee's conviction of a felony. If an officer or 9422
employee removed under this section is reinstated as a result of 9423
an appeal of the removal, any conviction of a felony that occurs 9424
during the pendency of the appeal is a basis for further 9425
disciplinary action under this section upon the officer's or 9426
employee's reinstatement. 9427

A person convicted of a felony immediately forfeits the 9428
person's status as a classified employee in any public employment 9429
on and after the date of the conviction for the felony. If an 9430
officer or employee is removed under this section as a result of 9431
being convicted of a felony or is subsequently convicted of a 9432
felony that involves the same conduct that was the basis for the 9433
removal, the officer or employee is barred from receiving any 9434
compensation after the removal notwithstanding any modification or 9435
disaffirmance of the removal, unless the conviction for the felony 9436
is subsequently reversed or annulled. 9437

Any person removed for conviction of a felony is entitled to 9438
a cash payment for any accrued but unused sick, personal, and 9439
vacation leave as authorized by law. If subsequently reemployed in 9440
the public sector, the person shall qualify for and accrue these 9441
forms of leave in the manner specified by law for a newly 9442
appointed employee and shall not be credited with prior public 9443
service for the purpose of receiving these forms of leave. 9444

As used in this division, "felony" means any of the 9445
following: 9446

(1) A felony that is an offense of violence as defined in 9447
section 2901.01 of the Revised Code; 9448

(2) A felony that is a felony drug abuse offense as defined 9449
in section 2925.01 of the Revised Code; 9450

(3) A felony under the laws of this or any other state or the 9451
United States that is a crime of moral turpitude; 9452

(4) A felony involving dishonesty, fraud, or theft; 9453

(5) A felony that is a violation of section 2921.05, 2921.32, 9454
or 2921.42 of the Revised Code. 9455

(B) In case of a reduction, a suspension of more than forty 9456
~~or more~~ work hours in the case of an employee exempt from the 9457
payment of overtime compensation, a suspension of more than 9458
twenty-four ~~or more~~ work hours in the case of an employee required 9459
to be paid overtime compensation, a fine of more than forty ~~or~~ 9460
~~more~~ hours' pay in the case of an employee exempt from the payment 9461
of overtime compensation, a fine of more than twenty-four ~~or more~~ 9462
hours' pay in the case of an employee required to be paid overtime 9463
compensation, or removal, except for the reduction or removal of a 9464
probationary employee, the appointing authority shall serve the 9465
employee with a copy of the order of reduction, fine, suspension, 9466
or removal, which order shall state the reasons for the action. 9467

9468
Within ten days following the date on which the order is 9469
served or, in the case of an employee in the career professional 9470
service of the department of transportation, within ten days 9471
following the filing of a removal order, the employee, except as 9472
otherwise provided in this section, may file an appeal of the 9473
order in writing with the state personnel board of review or the 9474
commission. For purposes of this section, the date on which an 9475
order is served is the date of hand delivery of the order or the 9476
date of delivery of the order by certified United States mail, 9477
whichever occurs first. If an appeal is filed, the board or 9478
commission shall forthwith notify the appointing authority and 9479

shall hear, or appoint a trial board to hear, the appeal within 9480
thirty days from and after its filing with the board or 9481
commission. The board, commission, or trial board may affirm, 9482
disaffirm, or modify the judgment of the appointing authority. 9483
However, in an appeal of a removal order based upon a violation of 9484
a last chance agreement, the board, commission, or trial board may 9485
only determine if the employee violated the agreement and thus 9486
affirm or disaffirm the judgment of the appointing authority. 9487

In cases of removal or reduction in pay for disciplinary 9488
reasons, either the appointing authority or the officer or 9489
employee may appeal from the decision of the state personnel board 9490
of review or the commission, and any such appeal shall be to the 9491
court of common pleas of the county in which the appointing 9492
authority is located, or to the court of common pleas of Franklin 9493
county, as provided by section 119.12 of the Revised Code. 9494

(C) In the case of the suspension for any period of time, or 9495
a fine, demotion, or removal, of a chief of police, a chief of a 9496
fire department, or any member of the police or fire department of 9497
a city or civil service township, who is in the classified civil 9498
service, the appointing authority shall furnish the chief or 9499
member with a copy of the order of suspension, fine, demotion, or 9500
removal, which order shall state the reasons for the action. The 9501
order shall be filed with the municipal or civil service township 9502
civil service commission. Within ten days following the filing of 9503
the order, the chief or member may file an appeal, in writing, 9504
with the commission. If an appeal is filed, the commission shall 9505
forthwith notify the appointing authority and shall hear, or 9506
appoint a trial board to hear, the appeal within thirty days from 9507
and after its filing with the commission, and it may affirm, 9508
disaffirm, or modify the judgment of the appointing authority. An 9509
appeal on questions of law and fact may be had from the decision 9510
of the commission to the court of common pleas in the county in 9511

which the city or civil service township is situated. The appeal 9512
shall be taken within thirty days from the finding of the 9513
commission. 9514

(D) A violation of division (A)(7) of section 2907.03 of the 9515
Revised Code is grounds for termination of employment of a 9516
nonteaching employee under this section. 9517

(E) As used in this section, "last chance agreement" means an 9518
agreement signed by both an appointing authority and an officer or 9519
employee of the appointing authority that describes the type of 9520
behavior or circumstances that, if it occurs, will automatically 9521
lead to removal of the officer or employee without the right of 9522
appeal to the state personnel board of review or the appropriate 9523
commission. 9524

Sec. 124.381. ~~Each~~ (A)(1) Each employee paid in accordance 9525
with section 124.152 of the Revised Code and each employee listed 9526
in division (B)(2) or (4) of section 124.14 of the Revised Code, 9527
including an employee who is not eligible for occupational injury 9528
leave under division (A)(2) of this section, shall receive salary 9529
continuation not to exceed four hundred eighty hours at the 9530
employee's total rate of pay for absence as a result of injury 9531
incurred during the performance of, or arising out of, state 9532
employment. An employee is ineligible to receive salary 9533
continuation until the implementation date established in rules 9534
adopted under division (C)(1) of this section. In any case when an 9535
employee's absence as a result of such an injury extends beyond 9536
four hundred eighty hours, the employee immediately becomes 9537
subject to sections 124.382 and 124.385 of the Revised Code 9538
regarding sick leave and disability leave benefits. 9539

(2) Each employee of the department of rehabilitation and 9540
correction, the department of mental health, the department of 9541
mental retardation and developmental disabilities, or the Ohio 9542

~~veteran's home agency~~ department of veterans services, or each 9543
employee of the department of education who works at the Ohio 9544
schools for the deaf and blind, and each employee of the 9545
department of youth services as established in division (A) of 9546
section 124.14 of the Revised Code who ~~suffers bodily injury~~ 9547
~~inflicted by an inmate, patient, client, youth, or student in the~~ 9548
~~facilities~~ sustains a qualifying physical condition inflicted by a 9549
ward of these agencies during the time the employee is lawfully 9550
carrying out the assigned duties of the employee's position shall 9551
be paid occupational injury leave at the employee's total rate of 9552
pay during the period the employee is disabled as a result of that 9553
~~injury~~ qualifying physical condition, but in no case to exceed ~~one~~ 9554
~~hundred twenty work days~~ nine hundred sixty hours, in lieu of 9555
workers' compensation. Pay made according to this ~~section~~ division 9556
shall not be charged to the employee's accumulation of sick leave 9557
credit. In any case when an employee's disability as a result of 9558
such a qualifying physical condition extends beyond nine hundred 9559
sixty hours, the employee immediately becomes subject to sections 9560
124.382 and 124.385 of the Revised Code regarding sick leave and 9561
disability leave benefits. 9562

(B) An employee who is receiving salary continuation or 9563
occupational injury leave under division (A)(1) or (2) of this 9564
section is not eligible for other paid leave, including holiday 9565
pay, while receiving benefits under either division. While an 9566
employee is receiving salary continuation or occupational injury 9567
leave under division (A)(1) or (2) of this section, vacation leave 9568
credit ceases to accrue to the employee under section 124.134 of 9569
the Revised Code, but sick leave credit and personal leave credit 9570
continue to accrue to the employee under sections 124.382 and 9571
124.386 of the Revised Code. 9572

(C)(1) The director of administrative services shall adopt 9573
rules for the administration of both the salary continuation 9574

program and the occupational injury leave program. The rules shall 9575
include, but not be limited to, provisions for determining a 9576
disability, for filing a claim for leave under this section, and 9577
for allowing or denying claims for the leave. 9578

~~During the time an employee is receiving injury compensation 9579
as provided in this section, the employee shall be exempt from the 9580
accumulation of vacation leave credit under section 124.134 of the 9581
Revised Code but shall continue to receive sick leave credit and 9582
personal leave credit under sections 124.382 and 124.386 of the 9583
Revised Code. 9584~~

~~In any case when an employee's disability, as covered by this 9585
section, extends beyond one hundred twenty work days, the employee 9586
shall immediately become subject to sections 124.382 and 124.385 9587
of the Revised Code regarding sick leave and disability leave 9588
benefits. 9589~~

(2) The director also may adopt rules for the payment of 9590
health benefits while an employee is on workers' compensation 9591
leave. 9592

(D) An appointing authority may apply to the director of 9593
administrative services to grant salary continuation under 9594
division (A)(1) of this section or occupational injury leave in 9595
accordance with under division (A)(2) of this section to law 9596
enforcement personnel employed by the agency. 9597

Sec. 124.382. (A) As used in this section and sections 9598
124.383, 124.386, 124.387, and 124.388 of the Revised Code: 9599

(1) "Pay period" means the fourteen-day period of time during 9600
which the payroll is accumulated, as determined by the director of 9601
administrative services. 9602

(2) "Active pay status" means the conditions under which an 9603
employee is eligible to receive pay, and includes, but is not 9604

limited to, vacation leave, sick leave, personal leave, 9605
bereavement leave, and administrative leave. 9606

(3) "No pay status" means the conditions under which an 9607
employee is ineligible to receive pay and includes, but is not 9608
limited to, leave without pay, leave of absence, and disability 9609
leave. 9610

(4) "Disability leave" means the leave granted pursuant to 9611
section 124.385 of the Revised Code. 9612

(5) "Full-time permanent employee" means an employee whose 9613
regular hours of duty total eighty hours in a pay period in a 9614
state agency and whose appointment is not for a limited period of 9615
time. 9616

(6) "Base rate of pay" means the rate of pay established 9617
under schedule B or C of section 124.15 of the Revised Code or 9618
under schedule E-1, schedule E-1 for step seven only, or schedule 9619
E-2 of section 124.152 of the Revised Code, plus any supplement 9620
provided under section 124.181 of the Revised Code, plus any 9621
supplements enacted into law which are added to schedule B or C of 9622
section 124.15 of the Revised Code or to schedule E-1, schedule 9623
E-1 for step seven only, or schedule E-2 of section 124.152 of the 9624
Revised Code. 9625

(7) "Part-time permanent employee" means an employee whose 9626
regular hours of duty total less than eighty hours in a pay period 9627
in a state agency and whose appointment is not for a limited 9628
period of time. 9629

(B) Each full-time permanent and part-time permanent employee 9630
whose salary or wage is paid directly by warrant of the director 9631
of budget and management shall be credited with sick leave of 9632
three and one-tenth hours for each completed eighty hours of 9633
service, excluding overtime hours worked. Sick leave is not 9634
available for use until it appears on the employee's earning 9635

statement and the compensation described in the earning statement 9636
is available to the employee. 9637

(C) Any sick leave credit provided pursuant to division (B) 9638
of this section, remaining as of the last day of the pay period 9639
preceding the first paycheck the employee receives in December, 9640
shall be converted pursuant to section 124.383 of the Revised 9641
Code. 9642

(D) Employees may use sick leave, provided a credit balance 9643
is available, upon approval of the responsible administrative 9644
officer of the employing unit, for absence due to personal 9645
illness, pregnancy, injury, exposure to contagious disease that 9646
could be communicated to other employees, and illness, injury, or 9647
death in the employee's immediate family. When sick leave is used, 9648
it shall be deducted from the employee's credit on the basis of 9649
absence from previously scheduled work in such increments of an 9650
hour and at such a compensation rate as the director of 9651
administrative services determines. The appointing authority of 9652
each employing unit may require an employee to furnish a 9653
satisfactory, signed statement to justify the use of sick leave. 9654

If, after having utilized the credit provided by this 9655
section, an employee utilizes sick leave that was accumulated 9656
prior to November 15, 1981, compensation for such sick leave used 9657
shall be at a rate as the director determines. 9658

(E)(1) The previously accumulated sick leave balance of an 9659
employee who has been separated from the public service, for which 9660
separation payments pursuant to section 124.384 of the Revised 9661
Code have not been made, shall be placed to the employee's credit 9662
upon the employee's reemployment in the public service, if the 9663
reemployment takes place within ten years of the date on which the 9664
employee was last terminated from public service. 9665

(2) The previously accumulated sick leave balance of an 9666

any compensation that remains payable to the employee, or from the 9878
cash conversion value of any vacation or sick leave that remains 9879

(D) If the average per transaction cost the director of 10501
budget and management incurs in making direct deposits for a state 10502

incurs in drawing paper warrants for all public offices during the 10504
same period of time, the director may certify the difference in 10505
cost and the number of direct deposits for the agency to the 10506
director of administrative services. The director of 10507
administrative services shall reimburse the director of budget and 10508
management for such additional costs and add the amount to the 10509

As used in divisions (A)(7) and (B)(9) of this section, "peace officer" has the same meaning as in section 109.71 of the Revised Code and also includes the superintendent and troopers of the state highway patrol; it does not include the sheriff of a county or a supervisory employee who, in the absence of the sheriff, is authorized to stand in for, exercise the authority of, and perform the duties of the sheriff.

As used in divisions (A)(7) and (B)(5) of this section, "correctional employee" means any employee of the department of rehabilitation and correction who in the course of performing the employee's job duties has or has had contact with inmates and persons under supervision.

As used in divisions (A)(7) and (B)(5) of this section, "youth services employee" means any employee of the department of youth services who in the course of performing the employee's job duties has or has had contact with children committed to the custody of the department of youth services.

As used in divisions (A)(7) and (B)(9) of this section, "firefighter" means any regular, paid or volunteer, member of a

lawfully constituted fire department of a municipal corporation, 11788
township, fire district, or village. 11789

As used in divisions (A)(7) and (B)(9) of this section, "EMT" 11790
means EMTs-basic, EMTs-I, and paramedics that provide emergency 11791
medical services for a public emergency medical service 11792
organization. "Emergency medical service organization," 11793
"EMT-basic," "EMT-I," and "paramedic" have the same meanings as in 11794
section 4765.01 of the Revised Code. 11795

(8) "Information pertaining to the recreational activities of 11796
a person under the age of eighteen" means information that is kept 11797
in the ordinary course of business by a public office, that 11798
pertains to the recreational activities of a person under the age 11799
of eighteen years, and that discloses any of the following: 11800

(a) The address or telephone number of a person under the age 11801
of eighteen or the address or telephone number of that person's 11802
parent, guardian, custodian, or emergency contact person; 11803

(b) The social security number, birth date, or photographic 11804
image of a person under the age of eighteen; 11805

(c) Any medical record, history, or information pertaining to 11806
a person under the age of eighteen; 11807

(d) Any additional information sought or required about a 11808
person under the age of eighteen for the purpose of allowing that 11809
person to participate in any recreational activity conducted or 11810
sponsored by a public office or to use or obtain admission 11811
privileges to any recreational facility owned or operated by a 11812
public office. 11813

(9) "Community control sanction" has the same meaning as in 11814
section 2929.01 of the Revised Code. 11815

(10) "Post-release control sanction" has the same meaning as 11816
in section 2967.01 of the Revised Code. 11817

(11) "Redaction" means obscuring or deleting any information 11818
that is exempt from the duty to permit public inspection or 11819
copying from an item that otherwise meets the definition of a 11820
"record" in section 149.011 of the Revised Code. 11821

(12) "Designee" and "elected official" have the same meanings 11822
as in section 109.43 of the Revised Code. 11823

(B)(1) Upon request and subject to division (B)(8) of this 11824
section, all public records responsive to the request shall be 11825
promptly prepared and made available for inspection to any person 11826
at all reasonable times during regular business hours. Subject to 11827
division (B)(8) of this section, upon request, a public office or 11828
person responsible for public records shall make copies of the 11829
requested public record available at cost and within a reasonable 11830
period of time. If a public record contains information that is 11831
exempt from the duty to permit public inspection or to copy the 11832
public record, the public office or the person responsible for the 11833
public record shall make available all of the information within 11834
the public record that is not exempt. When making that public 11835
record available for public inspection or copying that public 11836
record, the public office or the person responsible for the public 11837
record shall notify the requester of any redaction or make the 11838
redaction plainly visible. A redaction shall be deemed a denial of 11839
a request to inspect or copy the redacted information, except if 11840
federal or state law authorizes or requires a public office to 11841
make the redaction. 11842

(2) To facilitate broader access to public records, a public 11843
office or the person responsible for public records shall organize 11844
and maintain public records in a manner that they can be made 11845
available for inspection or copying in accordance with division 11846
(B) of this section. A public office also shall have available a 11847
copy of its current records retention schedule at a location 11848
readily available to the public. If a requester makes an ambiguous 11849

or overly broad request or has difficulty in making a request for 11850
copies or inspection of public records under this section such 11851
that the public office or the person responsible for the requested 11852
public record cannot reasonably identify what public records are 11853
being requested, the public office or the person responsible for 11854
the requested public record may deny the request but shall provide 11855
the requester with an opportunity to revise the request by 11856
informing the requester of the manner in which records are 11857
maintained by the public office and accessed in the ordinary 11858
course of the public office's or person's duties. 11859

(3) If a request is ultimately denied, in part or in whole, 11860
the public office or the person responsible for the requested 11861
public record shall provide the requester with an explanation, 11862
including legal authority, setting forth why the request was 11863
denied. If the initial request was provided in writing, the 11864
explanation also shall be provided to the requester in writing. 11865
The explanation shall not preclude the public office or the person 11866
responsible for the requested public record from relying upon 11867
additional reasons or legal authority in defending an action 11868
commenced under division (C) of this section. 11869

(4) Unless specifically required or authorized by state or 11870
federal law or in accordance with division (B) of this section, no 11871
public office or person responsible for public records may limit 11872
or condition the availability of public records by requiring 11873
disclosure of the requester's identity or the intended use of the 11874
requested public record. Any requirement that the requester 11875
disclose the requestor's identity or the intended use of the 11876
requested public record constitutes a denial of the request. 11877

(5) A public office or person responsible for public records 11878
may ask a requester to make the request in writing, may ask for 11879
the requester's identity, and may inquire about the intended use 11880
of the information requested, but may do so only after disclosing 11881

to the requester that a written request is not mandatory and that 11882
the requester may decline to reveal the requester's identity or 11883
the intended use and when a written request or disclosure of the 11884
identity or intended use would benefit the requester by enhancing 11885
the ability of the public office or person responsible for public 11886
records to identify, locate, or deliver the public records sought 11887
by the requester. 11888

(6) If any person chooses to obtain a copy of a public record 11889
in accordance with division (B) of this section, the public office 11890
or person responsible for the public record may require that 11891
person to pay in advance the cost involved in providing the copy 11892
of the public record in accordance with the choice made by the 11893
person seeking the copy under this division. The public office or 11894
the person responsible for the public record shall permit that 11895
person to choose to have the public record duplicated upon paper, 11896
upon the same medium upon which the public office or person 11897
responsible for the public record keeps it, or upon any other 11898
medium upon which the public office or person responsible for the 11899
public record determines that it reasonably can be duplicated as 11900
an integral part of the normal operations of the public office or 11901
person responsible for the public record. When the person seeking 11902
the copy makes a choice under this division, the public office or 11903
person responsible for the public record shall provide a copy of 11904
it in accordance with the choice made by the person seeking the 11905
copy. Nothing in this section requires a public office or person 11906
responsible for the public record to allow the person seeking a 11907
copy of the public record to make the copies of the public record. 11908

(7) Upon a request made in accordance with division (B) of 11909
this section and subject to division (B)(6) of this section, a 11910
public office or person responsible for public records shall 11911
transmit a copy of a public record to any person by United States 11912
mail or by any other means of delivery or transmission within a 11913

reasonable period of time after receiving the request for the 11914
copy. The public office or person responsible for the public 11915
record may require the person making the request to pay in advance 11916
the cost of postage if the copy is transmitted by United States 11917
mail or the cost of delivery if the copy is transmitted other than 11918
by United States mail, and to pay in advance the costs incurred 11919
for other supplies used in the mailing, delivery, or transmission. 11920

Any public office may adopt a policy and procedures that it 11921
will follow in transmitting, within a reasonable period of time 11922
after receiving a request, copies of public records by United 11923
States mail or by any other means of delivery or transmission 11924
pursuant to this division. A public office that adopts a policy 11925
and procedures under this division shall comply with them in 11926
performing its duties under this division. 11927

In any policy and procedures adopted under this division, a 11928
public office may limit the number of records requested by a 11929
person that the office will transmit by United States mail to ten 11930
per month, unless the person certifies to the office in writing 11931
that the person does not intend to use or forward the requested 11932
records, or the information contained in them, for commercial 11933
purposes. For purposes of this division, "commercial" shall be 11934
narrowly construed and does not include reporting or gathering 11935
news, reporting or gathering information to assist citizen 11936
oversight or understanding of the operation or activities of 11937
government, or nonprofit educational research. 11938

(8) A public office or person responsible for public records 11939
is not required to permit a person who is incarcerated pursuant to 11940
a criminal conviction or a juvenile adjudication to inspect or to 11941
obtain a copy of any public record concerning a criminal 11942
investigation or prosecution or concerning what would be a 11943
criminal investigation or prosecution if the subject of the 11944
investigation or prosecution were an adult, unless the request to 11945

inspect or to obtain a copy of the record is for the purpose of 11946
acquiring information that is subject to release as a public 11947
record under this section and the judge who imposed the sentence 11948
or made the adjudication with respect to the person, or the 11949
judge's successor in office, finds that the information sought in 11950
the public record is necessary to support what appears to be a 11951
justiciable claim of the person. 11952

(9) Upon written request made and signed by a journalist on 11953
or after December 16, 1999, a public office, or person responsible 11954
for public records, having custody of the records of the agency 11955
employing a specified peace officer, parole officer, prosecuting 11956
attorney, assistant prosecuting attorney, correctional employee, 11957
youth services employee, firefighter, or EMT shall disclose to the 11958
journalist the address of the actual personal residence of the 11959
peace officer, parole officer, prosecuting attorney, assistant 11960
prosecuting attorney, correctional employee, youth services 11961
employee, firefighter, or EMT and, if the peace officer's, parole 11962
officer's, prosecuting attorney's, assistant prosecuting 11963
attorney's, correctional employee's, youth services employee's, 11964
firefighter's, or EMT's spouse, former spouse, or child is 11965
employed by a public office, the name and address of the employer 11966
of the peace officer's, parole officer's, prosecuting attorney's, 11967
assistant prosecuting attorney's, correctional employee's, youth 11968
services employee's, firefighter's, or EMT's spouse, former 11969
spouse, or child. The request shall include the journalist's name 11970
and title and the name and address of the journalist's employer 11971
and shall state that disclosure of the information sought would be 11972
in the public interest. 11973

As used in this division, "journalist" means a person engaged 11974
in, connected with, or employed by any news medium, including a 11975
newspaper, magazine, press association, news agency, or wire 11976
service, a radio or television station, or a similar medium, for 11977

the purpose of gathering, processing, transmitting, compiling, 11978
editing, or disseminating information for the general public. 11979

(C)(1) If a person allegedly is aggrieved by the failure of a 11980
public office or the person responsible for public records to 11981
promptly prepare a public record and to make it available to the 11982
person for inspection in accordance with division (B) of this 11983
section or by any other failure of a public office or the person 11984
responsible for public records to comply with an obligation in 11985
accordance with division (B) of this section, the person allegedly 11986
aggrieved may commence a mandamus action to obtain a judgment that 11987
orders the public office or the person responsible for the public 11988
record to comply with division (B) of this section, that awards 11989
court costs and reasonable attorney's fees to the person that 11990
instituted the mandamus action, and, if applicable, that includes 11991
an order fixing statutory damages under division (C)(1) of this 11992
section. The mandamus action may be commenced in the court of 11993
common pleas of the county in which division (B) of this section 11994
allegedly was not complied with, in the supreme court pursuant to 11995
its original jurisdiction under Section 2 of Article IV, Ohio 11996
Constitution, or in the court of appeals for the appellate 11997
district in which division (B) of this section allegedly was not 11998
complied with pursuant to its original jurisdiction under Section 11999
3 of Article IV, Ohio Constitution. 12000

If a requestor transmits a written request by hand delivery 12001
or certified mail to inspect or receive copies of any public 12002
record in a manner that fairly describes the public record or 12003
class of public records to the public office or person responsible 12004
for the requested public records, except as otherwise provided in 12005
this section, the requestor shall be entitled to recover the 12006
amount of statutory damages set forth in this division if a court 12007
determines that the public office or the person responsible for 12008
public records failed to comply with an obligation in accordance 12009

with division (B) of this section. 12010

The amount of statutory damages shall be fixed at one hundred 12011
dollars for each business day during which the public office or 12012
person responsible for the requested public records failed to 12013
comply with an obligation in accordance with division (B) of this 12014
section, beginning with the day on which the requester files a 12015
mandamus action to recover statutory damages, up to a maximum of 12016
one thousand dollars. The award of statutory damages shall not be 12017
construed as a penalty, but as compensation for injury arising 12018
from lost use of the requested information. The existence of this 12019
injury shall be conclusively presumed. The award of statutory 12020
damages shall be in addition to all other remedies authorized by 12021
this section. 12022

The court may reduce an award of statutory damages or not 12023
award statutory damages if the court determines both of the 12024
following: 12025

(a) That, based on the ordinary application of statutory law 12026
and case law as it existed at the time of the conduct or 12027
threatened conduct of the public office or person responsible for 12028
the requested public records that allegedly constitutes a failure 12029
to comply with an obligation in accordance with division (B) of 12030
this section and that was the basis of the mandamus action, a 12031
well-informed public office or person responsible for the 12032
requested public records reasonably would believe that the conduct 12033
or threatened conduct of the public office or person responsible 12034
for the requested public records did not constitute a failure to 12035
comply with an obligation in accordance with division (B) of this 12036
section; 12037

(b) That a well-informed public office or person responsible 12038
for the requested public records reasonably would believe that the 12039
conduct or threatened conduct of the public office or person 12040
responsible for the requested public records would serve the 12041

public policy that underlies the authority that is asserted as 12042
permitting that conduct or threatened conduct. 12043

(2)(a) If the court issues a writ of mandamus that orders the 12044
public office or the person responsible for the public record to 12045
comply with division (B) of this section and determines that the 12046
circumstances described in division (C)(1) of this section exist, 12047
the court shall determine and award to the relator all court 12048
costs. 12049

(b) If the court renders a judgment that orders the public 12050
office or the person responsible for the public record to comply 12051
with division (B) of this section, the court may award reasonable 12052
attorney's fees subject to reduction as described in division 12053
(C)(2)(c) of this section. The court shall award reasonable 12054
attorney's fees, subject to reduction as described in division 12055
(C)(2)(c) of this section when either of the following applies: 12056

(i) The public office or the person responsible for the 12057
public records failed to respond affirmatively or negatively to 12058
the public records request in accordance with the time allowed 12059
under division (B) of this section. 12060

(ii) The public office or the person responsible for the 12061
public records promised to permit the relator to inspect or 12062
receive copies of the public records requested within a specified 12063
period of time but failed to fulfill that promise within that 12064
specified period of time. 12065

(c) Court costs and reasonable attorney's fees awarded under 12066
this section shall be construed as remedial and not punitive. 12067
Reasonable attorney's fees shall include reasonable fees incurred 12068
to produce proof of the reasonableness and amount of the fees and 12069
to otherwise litigate entitlement to the fees. The court may 12070
reduce an award of attorney's fees to the relator or not award 12071
attorney's fees to the relator if the court determines both of the 12072

following: 12073

(i) That, based on the ordinary application of statutory law 12074
and case law as it existed at the time of the conduct or 12075
threatened conduct of the public office or person responsible for 12076
the requested public records that allegedly constitutes a failure 12077
to comply with an obligation in accordance with division (B) of 12078
this section and that was the basis of the mandamus action, a 12079
well-informed public office or person responsible for the 12080
requested public records reasonably would believe that the conduct 12081
or threatened conduct of the public office or person responsible 12082
for the requested public records did not constitute a failure to 12083
comply with an obligation in accordance with division (B) of this 12084
section; 12085

(ii) That a well-informed public office or person responsible 12086
for the requested public records reasonably would believe that the 12087
conduct or threatened conduct of the public office or person 12088
responsible for the requested public records as described in 12089
division (C)(2)(c)(i) of this section would serve the public 12090
policy that underlies the authority that is asserted as permitting 12091
that conduct or threatened conduct. 12092

(D) Chapter 1347. of the Revised Code does not limit the 12093
provisions of this section. 12094

(E)(1) To ensure that all employees of public offices are 12095
appropriately educated about a public office's obligations under 12096
division (B) of this section, all elected officials or their 12097
appropriate designees shall attend training approved by the 12098
attorney general as provided in section 109.43 of the Revised 12099
Code. In addition, all public offices shall adopt a public records 12100
policy in compliance with this section for responding to public 12101
records requests. In adopting a public records policy under this 12102
division, a public office may obtain guidance from the model 12103
public records policy developed and provided to the public office 12104

by the attorney general under section 109.43 of the Revised Code. 12105
Except as otherwise provided in this section, the policy may not 12106
limit the number of public records that the public office will 12107
make available to a single person, may not limit the number of 12108
public records that it will make available during a fixed period 12109
of time, and may not establish a fixed period of time before it 12110
will respond to a request for inspection or copying of public 12111
records, unless that period is less than eight hours. 12112

(2) The public office shall distribute the public records 12113
policy adopted by the public office under division (E)(1) of this 12114
section to the employee of the public office who is the records 12115
custodian or records manager or otherwise has custody of the 12116
records of that office. The public office shall require that 12117
employee to acknowledge receipt of the copy of the public records 12118
policy. The public office shall create a poster that describes its 12119
public records policy and shall post the poster in a conspicuous 12120
place in the public office and in all locations where the public 12121
office has branch offices. The public office may post its public 12122
records policy on the internet web site of the public office if 12123
the public office maintains an internet web site. A public office 12124
that has established a manual or handbook of its general policies 12125
and procedures for all employees of the public office shall 12126
include the public records policy of the public office in the 12127
manual or handbook. 12128

(F)(1) The bureau of motor vehicles may adopt rules pursuant 12129
to Chapter 119. of the Revised Code to reasonably limit the number 12130
of bulk commercial special extraction requests made by a person 12131
for the same records or for updated records during a calendar 12132
year. The rules may include provisions for charges to be made for 12133
bulk commercial special extraction requests for the actual cost of 12134
the bureau, plus special extraction costs, plus ten per cent. The 12135
bureau may charge for expenses for redacting information, the 12136

release of which is prohibited by law. 12137

(2) As used in division (F)(1) of this section: 12138

(a) "Actual cost" means the cost of depleted supplies, 12139
records storage media costs, actual mailing and alternative 12140
delivery costs, or other transmitting costs, and any direct 12141
equipment operating and maintenance costs, including actual costs 12142
paid to private contractors for copying services. 12143

(b) "Bulk commercial special extraction request" means a 12144
request for copies of a record for information in a format other 12145
than the format already available, or information that cannot be 12146
extracted without examination of all items in a records series, 12147
class of records, or data base by a person who intends to use or 12148
forward the copies for surveys, marketing, solicitation, or resale 12149
for commercial purposes. "Bulk commercial special extraction 12150
request" does not include a request by a person who gives 12151
assurance to the bureau that the person making the request does 12152
not intend to use or forward the requested copies for surveys, 12153
marketing, solicitation, or resale for commercial purposes. 12154

(c) "Commercial" means profit-seeking production, buying, or 12155
selling of any good, service, or other product. 12156

(d) "Special extraction costs" means the cost of the time 12157
spent by the lowest paid employee competent to perform the task, 12158
the actual amount paid to outside private contractors employed by 12159
the bureau, or the actual cost incurred to create computer 12160
programs to make the special extraction. "Special extraction 12161
costs" include any charges paid to a public agency for computer or 12162
records services. 12163

(3) For purposes of divisions (F)(1) and (2) of this section, 12164
"surveys, marketing, solicitation, or resale for commercial 12165
purposes" shall be narrowly construed and does not include 12166
reporting or gathering news, reporting or gathering information to 12167

assist citizen oversight or understanding of the operation or 12168
activities of government, or nonprofit educational research. 12169

Sec. 150.01. (A) As used in this chapter: 12170

(1) "Authority" means the Ohio venture capital authority 12171
created under section 150.02 of the Revised Code. 12172

(2) "Issuer" means a port authority organized and existing 12173
under applicable provisions of Chapter 4582. of the Revised Code 12174
that, pursuant to an agreement entered into under division (E) of 12175
section 150.02 of the Revised Code, issues or issued obligations 12176
to fund one or more loans to the program fund. 12177

(3) "Lender" means any person that lends money to the program 12178
fund as provided in this chapter and includes any lender and any 12179
trustee. 12180

~~(3)~~(4) "Loss" means a loss incurred with respect to a 12181
lender's loan to the program fund. Such a loss is incurred only if 12182
and to the extent a program administrator fails to satisfy its 12183
obligations to the lender to make timely payments of principal or 12184
interest as provided in the loan agreement between the lender and 12185
the program administrator. "Loss" does not include either of the 12186
following: 12187

(a) Any loss incurred by the program fund, including a loss 12188
attributable to any investment made by a program administrator; 12189

(b) Any loss of the capital required to be provided by a 12190
program administrator, or income accruing to that capital, under 12191

full-time or part-time basis at a place of business in this state, 12196
including a person engaged in business if that person is a 12197

self-employed individual, and that is in the seed or early stage 12198
of business development requiring initial or early stage funding 12199
or is an established business enterprise developing new methods or 12200
technologies. 12201

~~(5)~~(6) "Ohio-based venture capital fund" means a venture 12202
capital fund having its principal office in this state, where the 12203

experience in venture capital investment. 12206

~~(6)~~(7) "Ohio co-investment fund" means an Ohio-based venture 12207

constitutes a quorum, and the affirmative vote of a majority of 12282
the voting members present is necessary for any action taken by 12283
the authority. A vacancy in the voting membership of the authority 12284
does not impair the right of a quorum to exercise all rights and 12285

administrator is carrying out the investment policy; 12574

pursuant to division (B) of section 156.02 of the Revised Code, 13388

pursuant to division (B) of section 156.02 of the Revised Code, no 13407

(b) A payment term longer than fifteen years. 13456

(C) Any installment payment contract entered into under this 13457
section shall terminate no later than the last day of the fiscal 13458
biennium for which funds have been appropriated to the department 13459
of administrative services by the general assembly and shall be 13460
renewed in each succeeding fiscal biennium in which any balance of 13461
the contract remains unpaid, provided that both an appropriation 13462
for that succeeding fiscal biennium and the certification required 13463
by section 126.07 of the Revised Code are made. 13464

Sec. 166.07. (A) The director of development, with the 13465
approval of the controlling board and subject to the other 13466
applicable provisions of this chapter, may lend moneys in the 13467
facilities establishment fund to persons for the purpose of paying 13468

that: 13470

(1) The project is an eligible project and is economically 13471
sound; 13472

(2) The borrower is unable to finance the necessary allowable 13473
costs through ordinary financial channels upon comparable terms; 13474

(3) The amount to be lent from the facilities establishment 13475
fund will not exceed seventy-five per cent of the total allowable 13476
costs of the eligible project, except that if any part of the 13477
amount to be lent from the facilities establishment fund is 13478
derived from the issuance and sale of project financing 13479
obligations the amount to be lent will not exceed ninety per cent 13480

of the total allowable costs of the eligible project; 13481

(4) The eligible project could not be achieved in the local 13482
area in which it is to be located if the portion of the project to 13483
be financed by the loan instead were to be financed by a loan 13484
guaranteed under section 166.06 of the Revised Code; 13485

(5) The repayment of the loan from the facilities 13486
establishment fund will be adequately secured by a mortgage, 13487
assignment, pledge, or lien provided for under section 9.661 of 13488
the Revised Code, at such level of priority as the director may 13489
require; 13490

(6) The borrower will hold at least a ten per cent equity 13491
interest in the eligible project at the time the loan is made. 13492

(B) The determinations of the director under division (A) of 13493
this section shall be conclusive for purposes of the validity of a 13494
loan commitment evidenced by a loan agreement signed by the 13495
director. 13496

(C) In furtherance of the public policy of this chapter, 13497
there is hereby established the micro-lending program for the 13498
purpose of paying the allowable costs of eligible projects of 13499
eligible small businesses. From any amount of the facilities 13500
establishment fund that the general assembly designates for the 13501
purpose of the micro-lending program, the director of development 13502
shall, either directly or indirectly, make loans under this 13503
section to eligible small businesses. The director shall establish 13504
eligibility criteria and loan terms for the program that 13505
supplement eligibility criteria and loan terms otherwise 13506
prescribed for loans under this section, and may prescribe reduced 13507
service charges and fees. For the purpose of lending under the 13508
micro-lending program, the director of development shall give 13509
precedence to projects of eligible small businesses that foster 13510
the development of small entrepreneurial enterprises, 13511

notwithstanding the considerations prescribed by divisions 13512
(A)(1)(a) and (b) of section 166.05 of the Revised Code to the 13513
extent those considerations otherwise may have the effect of 13514
disqualifying projects of eligible small businesses. The director 13515
may enter into agreements with for-profit or non-profit 13516
organizations in this state to originate and administer loans made 13517
under the micro-lending program. 13518

(D) Fees, charges, rates of interest, times of payment of 13519
interest and principal, and other terms, conditions, and 13520
provisions of and security for loans made from the facilities 13521
establishment fund pursuant to this section shall be such as the 13522
director determines to be appropriate and in furtherance of the 13523
purpose for which the loans are made. The moneys used in making 13524
such loans shall be disbursed from the facilities establishment 13525
fund upon order of the director. The director shall give special 13526
consideration in setting the required job creation ratios and 13527
interest rates for loans that are for voluntary actions. 13528

~~(D)~~(E) The director may take actions necessary or appropriate 13529
to collect or otherwise deal with any loan made under this 13530
section, including any action authorized by section 9.661 of the 13531
Revised Code. 13532

~~(E)~~(F) The director may fix service charges for the making of 13533
a loan. Such charges shall be payable at such times and place and 13534
in such amounts and manner as may be prescribed by the director. 13535

Sec. 169.08. (A) Any person claiming a property interest in 13536
unclaimed funds delivered or reported to the state under Chapter 13537
169. of the Revised Code, including the office of child support in 13538
the department of job and family services, pursuant to section 13539
3123.88 of the Revised Code, may file a claim thereto on the form 13540
prescribed by the director of commerce. 13541

(B) The director shall consider matters relevant to any claim 13542

filed under division (A) of this section and shall hold a formal 13543
hearing if requested or considered necessary and receive evidence 13544
concerning such claim. A finding and decision in writing on each 13545
claim filed shall be prepared, stating the substance of any 13546
evidence received or heard and the reasons for allowance or 13547
disallowance of the claim. The evidence and decision shall be a 13548
public record. No statute of limitations shall bar the allowance 13549
of a claim. 13550

(C) For the purpose of conducting any hearing, the director 13551
may require the attendance of such witnesses and the production of 13552
such books, records, and papers as the director desires, and the 13553
director may take the depositions of witnesses residing within or 13554
without this state in the same manner as is prescribed by law for 13555
the taking of depositions in civil actions in the court of common 13556
pleas, and for that purpose the director may issue a subpoena for 13557
any witness or a subpoena duces tecum to compel the production of 13558
any books, records, or papers, directed to the sheriff of the 13559
county where such witness resides or is found, which shall be 13560
served and returned. The fees of the sheriff shall be the same as 13561
that allowed in the court of common pleas in criminal cases. 13562
Witnesses shall be paid the fees and mileage provided for under 13563
section 119.094 of the Revised Code. Fees and mileage shall be 13564
paid from the unclaimed funds trust fund. 13565

(D) Interest is not payable to claimants of unclaimed funds 13566
held by the state. Claims shall be paid from the trust fund. If 13567
the amount available in the trust fund is not sufficient to pay 13568
pending claims, or other amounts disburseable from the trust fund, 13569
the treasurer of state shall certify such fact to the director, 13570
who shall then withdraw such amount of funds from the mortgage 13571
accounts as the director determines necessary to reestablish the 13572
trust fund to a level required to pay anticipated claims but not 13573
more than ten per cent of the net unclaimed funds reported to 13574

date. 13575

The director ~~shall retain in the trust fund, as a fee for~~ 13576
~~administering the funds, five per cent of the total amount of~~ 13577
~~unclaimed funds payable to the claimant and~~ may withdraw the funds 13578
paid to the director by the holders and deposited by the director 13579
with the treasurer of state or in a financial institution as agent 13580
for such funds. Whenever these funds are inadequate to meet the 13581
requirements for the trust fund, the director shall provide for a 13582
withdrawal of funds, within a reasonable time, in such amount as 13583
is necessary to meet the requirements, from financial institutions 13584
in which such funds were retained or placed by a holder and from 13585
other holders who have retained funds, in an equitable manner as 13586
prescribed by the director. In the event that the amount to be 13587
withdrawn from any one such holder is less than five hundred 13588
dollars, the amount to be withdrawn shall be at the discretion of 13589
the director. Such funds may be reimbursed in the amounts 13590
withdrawn when the trust fund has a surplus over the amount 13591
required to pay anticipated claims. Whenever the trust fund has a 13592
surplus over the amount required to pay anticipated claims, the 13593
director may transfer such surplus to the mortgage accounts. 13594

(E) If a claim which is allowed under this section relates to 13595
funds which have been retained by the reporting holder, and if the 13596
funds, on deposit with the treasurer of state pursuant to this 13597
chapter, are insufficient to pay claims, the director may notify 13598
such holder in writing of the payment of the claim and such holder 13599
shall immediately reimburse the state in the amount of such claim. 13600
The reimbursement shall be credited to the unclaimed funds trust 13601
fund. 13602

(F) Any person, including the office of child support, 13603
adversely affected by a decision of the director may appeal such 13604
decision in the manner provided in Chapter 119. of the Revised 13605
Code. 13606

In the event the claimant prevails, the claimant shall be 13607
reimbursed for reasonable attorney's fees and costs. 13608

(G) Notwithstanding anything to the contrary in this chapter, 13609
any holder who has paid moneys to or entered into an agreement 13610
with the director pursuant to section 169.05 of the Revised Code 13611
on certified checks, cashiers' checks, bills of exchange, letters 13612
of credit, drafts, money orders, or travelers' checks, may make 13613
payment to any person entitled thereto, including the office of 13614
child support, and upon surrender of the document, except in the 13615
case of travelers' checks, and proof of such payment, the director 13616
shall reimburse the holder for such payment without interest. 13617

live in financially assisted rental housing complexes, and assist 13622
those tenants in identifying and obtaining community and program 13623
services and other benefits for which they are eligible. 13624

(B) The resident services coordinator program fund is hereby 13625
created in the state treasury to support the resident services 13626
coordinator program established pursuant to this section. The fund 13627
consists of all moneys the department of development sets aside 13628
pursuant to division (A)~~(4)~~(3) of section 174.02 of the Revised 13629
Code and moneys the general assembly appropriates to the fund. 13630

means the occurrence of a violation with respect to a resident or 13632
recipient, as those terms are defined in section 173.14 of the 13633
Revised Code. A violation is a separate incident for each day it 13634
occurs and for each resident who is subject to it. 13635

In lieu of the fine that may be imposed under division (A) of 13636

section 173.99 of the Revised Code, the director of aging may, 13637
under Chapter 119. of the Revised Code, fine a long-term care 13638
provider or other entity, or a person employed by a long-term care 13639
provider or other entity, for a violation of division (C) of 13640
section 173.24 of the Revised Code. The fine shall not exceed one 13641
thousand dollars per incident. 13642

Chapter 119. of the Revised Code, fine a long-term care provider 13645
or other entity, or a person employed by a long-term care provider 13646
or other entity, for violating division (E) of section 173.19 of 13647
the Revised Code by denying a representative of the office of the 13648
state long-term care ombudsperson program the access required by 13649
that division. The fine shall not exceed five hundred dollars for 13650
each day the violation continued. 13651

(B) On request of the director, the attorney general shall 13652
bring and prosecute to judgment a civil action to collect any fine 13653
imposed under division (A)(1) or (2) of this section that remains 13654
unpaid thirty days after the violator's final appeal is exhausted. 13655

(C) All fines collected under this section shall be deposited 13656
into the state treasury to the credit of the state long-term care 13657
ombudsperson program fund created under section 173.26 of the 13658
Revised Code. 13659

adjusting the eligibility requirements concerning the level of 13726
impairment a person must have so that the amount appropriated for 13727
the program by the general assembly is adequate for the number of 13728
eligible individuals. The rules shall not limit the eligibility of 13729
disabled persons solely on a basis classifying disabilities as 13730

physical or mental. The director of job and family services also 13731
shall adopt rules that establish eligibility standards for aged, 13732
blind, or disabled individuals who reside in one of the homes or 13733

specifying priorities may give priority to individuals placed on 13773
the waiting list on or after July 1, 2006, who receive 13774
supplemental security income benefits under Title XVI of the 13775
"Social Security Act," 86 Stat. 1475 (1972), 42 U.S.C. 1381, as 13776
amended. The rules shall not affect the place on the waiting list 13777
of any person who was on the list on July 1, 2006. The rules 13778
specifying priorities may also set additional priorities based on 13779
living arrangement, such as whether an individual resides in a 13780
facility listed in division (C)(1) of this section or has been 13781
admitted to a nursing facility. 13782

in the living arrangement in which the individual resided on 13788
November 15, 1990. 13789

(H) The department of aging shall notify each person denied 13790

granting relief, the court of common pleas may order the 15026
construction of sediment control improvements or implementation of 15027

both the preceding year and the current year.	15152
(3) "Effective tax rate" means with respect to each class of	15153
property:	15154
(a) The sum of the total taxes that would have been charged	15155
and payable for current expenses against real property in that	15156
class if each of the district's taxes were reduced for the current	15157
year under division (D)(1) of this section without regard to the	15158

application of division (E)(3) of this section divided by 15159

(b) The taxable value of all real property in that class. 15160

(4) "Taxes charged and payable" means the taxes charged and 15161
payable prior to any reduction required by section 319.302 of the 15162
Revised Code. 15163

(C) The tax commissioner shall make the determinations 15164
required by this section each year, without regard to whether a 15165
taxing district has territory in a county to which section 5715.24 15166
of the Revised Code applies for that year. Separate determinations 15167
shall be made for each of the two classes established pursuant to 15168
section 5713.041 of the Revised Code. 15169

(D) With respect to each tax authorized to be levied by each 15170
taxing district, the tax commissioner, annually, shall do both of 15171
the following: 15172

(1) Determine by what percentage, if any, the sums levied by 15173
such tax against the carryover property in each class would have 15174
to be reduced for the tax to levy the same number of dollars 15175
against such property in that class in the current year as were 15176
charged against such property by such tax in the preceding year 15177
subsequent to the reduction made under this section but before the 15178
reduction made under section 319.302 of the Revised Code. In the 15179
case of a tax levied for the first time that is not a renewal of 15180
an existing tax, the commissioner shall determine by what 15181
percentage the sums that would otherwise be levied by such tax 15182
against carryover property in each class would have to be reduced 15183
to equal the amount that would have been levied if the full rate 15184
thereof had been imposed against the total taxable value of such 15185
property in the preceding tax year. A tax or portion of a tax that 15186
is designated a replacement levy under section 5705.192 of the 15187
Revised Code is not a renewal of an existing tax for purposes of 15188
this division. 15189

(2) Certify each percentage determined in division (D)(1) of this section, as adjusted under division (E) of this section, and the class of property to which that percentage applies to the auditor of each county in which the district has territory. The auditor, after complying with section 319.30 of the Revised Code, shall reduce the sum to be levied by such tax against each parcel of real property in the district by the percentage so certified for its class. Certification shall be made by the first day of September except in the case of a tax levied for the first time, in which case certification shall be made within fifteen days of the date the county auditor submits the information necessary to make the required determination.

(E)(1) As used in division (E)(2) of this section, "pre-1982 joint vocational taxes" means, with respect to a class of property, the difference between the following amounts:

(a) The taxes charged and payable in tax year 1981 against the property in that class for the current expenses of the joint vocational school district of which the school district is a part after making all reductions under this section;

(b) The following percentage of the taxable value of all real property in that class:

(i) In 1987, five one-hundredths of one per cent;

(ii) In 1988, one-tenth of one per cent;

(iii) In 1989, fifteen one-hundredths of one per cent;

(iv) In 1990 and each subsequent year, two-tenths of one per cent.

If the amount in division (E)(1)(b) of this section exceeds the amount in division (E)(1)(a) of this section, the pre-1982 joint vocational taxes shall be zero.

As used in divisions (E)(2) and (3) of this section, "taxes

charged and payable" has the same meaning as in division (B)(4) of 15220
this section and excludes any tax charged and payable in 1985 or 15221
thereafter under sections 5705.194 to 5705.197 or section 5705.199 15222
~~or~~ 5705.213, or 5705.219 of the Revised Code. 15223

(2) If in the case of a school district other than a joint 15224
vocational or cooperative education school district any percentage 15225
required to be used in division (D)(2) of this section for either 15226
class of property could cause the total taxes charged and payable 15227
for current expenses to be less than two per cent of the taxable 15228
value of all real property in that class that is subject to 15229
taxation by the district, the commissioner shall determine what 15230
percentages would cause the district's total taxes charged and 15231
payable for current expenses against that class, after all 15232
reductions that would otherwise be made under this section, to 15233
equal, when combined with the pre-1982 joint vocational taxes 15234
against that class, the lesser of the following: 15235

(a) The sum of the rates at which those taxes are authorized 15236
to be levied; 15237

(b) Two per cent of the taxable value of the property in that 15238
class. The auditor shall use such percentages in making the 15239
reduction required by this section for that class. 15240

(3)(a) If in the case of a joint vocational school district 15241
any percentage required to be used in division (D)(2) of this 15242
section for either class of property could cause the total taxes 15243
charged and payable for current expenses for that class to be less 15244
than the designated amount, the commissioner shall determine what 15245
percentages would cause the district's total taxes charged and 15246
payable for current expenses for that class, after all reductions 15247
that would otherwise be made under this section, to equal the 15248
designated amount. The auditor shall use such percentages in 15249
making the reductions required by this section for that class. 15250

(b) As used in division (E)(3)(a) of this section, the
designated amount shall equal the taxable value of all real
property in the class that is subject to taxation by the district
times the lesser of the following:

(i) Two-tenths of one per cent;

(ii) The district's effective rate plus the following
percentage for the year indicated:

WHEN COMPUTING THE	ADD THE FOLLOWING	
TAXES CHARGED FOR	PERCENTAGE:	
1987	0.025%	
1988	0.05%	
1989	0.075%	
1990	0.1%	
1991	0.125%	
1992	0.15%	
1993	0.175%	
1994 and thereafter	0.2%	

(F) No reduction shall be made under this section in the rate
at which any tax is levied.

(G) The commissioner may order a county auditor to furnish
any information the commissioner needs to make the determinations
required under division (D) or (E) of this section, and the
auditor shall supply the information in the form and by the date
specified in the order. If the auditor fails to comply with an
order issued under this division, except for good cause as
determined by the commissioner, the commissioner shall withhold
from such county or taxing district therein fifty per cent of
state revenues to local governments pursuant to section 5747.50 of
the Revised Code or shall direct the department of education to
withhold therefrom fifty per cent of state revenues to school
districts pursuant to ~~Chapter~~ Chapters 3306. and 3317. of the
Revised Code. The commissioner shall withhold the distribution of

such revenues until the county auditor has complied with this 15283
division, and the department shall withhold the distribution of 15284
such revenues until the commissioner has notified the department 15285
that the county auditor has complied with this division. 15286

(H) If the commissioner is unable to certify a tax reduction 15287
factor for either class of property in a taxing district located 15288
in more than one county by the last day of November because 15289
information required under division (G) of this section is 15290
unavailable, the commissioner may compute and certify an estimated 15291
tax reduction factor for that district for that class. The 15292
estimated factor shall be based upon an estimate of the 15293
unavailable information. Upon receipt of the actual information 15294
for a taxing district that received an estimated tax reduction 15295
factor, the commissioner shall compute the actual tax reduction 15296
factor and use that factor to compute the taxes that should have 15297
been charged and payable against each parcel of property for the 15298
year for which the estimated reduction factor was used. The amount 15299
by which the estimated factor resulted in an overpayment or 15300
underpayment in taxes on any parcel shall be added to or 15301
subtracted from the amount due on that parcel in the ensuing tax 15302
year. 15303

A percentage or a tax reduction factor determined or computed 15304
by the commissioner under this section shall be used solely for 15305
the purpose of reducing the sums to be levied by the tax to which 15306
it applies for the year for which it was determined or computed. 15307
It shall not be used in making any tax computations for any 15308
ensuing tax year. 15309

(I) In making the determinations under division (D)(1) of 15310
this section, the tax commissioner shall take account of changes 15311
in the taxable value of carryover property resulting from 15312
complaints filed under section 5715.19 of the Revised Code for 15313
determinations made for the tax year in which such changes are 15314

reported to the commissioner. Such changes shall be reported to 15315
the commissioner on the first abstract of real property filed with 15316
the commissioner under section 5715.23 of the Revised Code 15317
following the date on which the complaint is finally determined by 15318
the board of revision or by a court or other authority with 15319
jurisdiction on appeal. The tax commissioner shall account for 15320
such changes in making the determinations only for the tax year in 15321
which the change in valuation is reported. Such a valuation change 15322
shall not be used to recompute the percentages determined under 15323
division (D)(1) of this section for any prior tax year. 15324

Sec. 319.302. (A)(1) Real property that is not intended 15325
primarily for use in a business activity shall qualify for a 15326
partial exemption from real property taxation. For purposes of 15327
this partial exemption, "business activity" includes all uses of 15328
real property, except farming; leasing property for farming; 15329
occupying or holding property improved with single-family, 15330
two-family, or three-family dwellings; leasing property improved 15331
with single-family, two-family, or three-family dwellings; or 15332
holding vacant land that the county auditor determines will be 15333
used for farming or to develop single-family, two-family, or 15334
three-family dwellings. For purposes of this partial exemption, 15335
"farming" does not include land used for the commercial production 15336
of timber that is receiving the tax benefit under section 5713.23 15337
or 5713.31 of the Revised Code and all improvements connected with 15338
such commercial production of timber. 15339

(2) Each year, the county auditor shall review each parcel of 15340
real property to determine whether it qualifies for the partial 15341
exemption provided for by this section as of the first day of 15342
January of the current tax year. 15343

(B) After complying with section 319.301 of the Revised Code, 15344
the county auditor shall reduce the remaining sums to be levied 15345

against each parcel of real property that is listed on the general 15346
tax list and duplicate of real and public utility property for the 15347
current tax year and that qualifies for partial exemption under 15348
division (A) of this section, and against each manufactured and 15349
mobile home that is taxed pursuant to division (D)(2) of section 15350
4503.06 of the Revised Code and that is on the manufactured home 15351
tax list for the current tax year, by ten per cent, to provide a 15352
partial exemption for that parcel or home. Except as otherwise 15353
provided in sections 323.152, 323.158, 505.06, and 715.263 of the 15354
Revised Code, the amount of the taxes remaining after any such 15355
reduction shall be the real and public utility property taxes 15356
charged and payable on each parcel of real property, including 15357
property that does not qualify for partial exemption under 15358
division (A) of this section, and the manufactured home tax 15359
charged and payable on each manufactured or mobile home, and shall 15360
be the amounts certified to the county treasurer for collection. 15361
Upon receipt of the real and public utility property tax 15362
duplicate, the treasurer shall certify to the tax commissioner the 15363
total amount by which the real property taxes were reduced under 15364
this section, as shown on the duplicate. Such reduction shall not 15365
directly or indirectly affect the determination of the principal 15366
amount of notes that may be issued in anticipation of any tax 15367
levies or the amount of bonds or notes for any planned 15368
improvements. If after application of sections 5705.31 and 5705.32 15369
of the Revised Code and other applicable provisions of law, 15370
including divisions (F) and (I) of section 321.24 of the Revised 15371
Code, there would be insufficient funds for payment of debt 15372
charges on bonds or notes payable from taxes reduced by this 15373
section, the reduction of taxes provided for in this section shall 15374
be adjusted to the extent necessary to provide funds from such 15375
taxes. 15376

(C) The tax commissioner may adopt rules governing the 15377
administration of the partial exemption provided for by this 15378

section. 15379

(D) The determination of whether property qualifies for 15380
partial exemption under division (A) of this section is solely for 15381
the purpose of allowing the partial exemption under division (B) 15382
of this section. 15383

Sec. 319.54. (A) On all moneys collected by the county 15384
treasurer on any tax duplicate of the county, other than estate 15385
tax duplicates, and on all moneys received as advance payments of 15386
personal property and classified property taxes, the county 15387
auditor, on settlement with the treasurer and tax commissioner, on 15388
or before the date prescribed by law for such settlement or any 15389
lawful extension of such date, shall be allowed as compensation 15390
for the county auditor's services the following percentages: 15391

(1) On the first one hundred thousand dollars, two and 15392
one-half per cent; 15393

(2) On the next two million dollars, eight thousand three 15394
hundred eighteen ten-thousandths of one per cent; 15395

(3) On the next two million dollars, six thousand six hundred 15396
fifty-five ten-thousandths of one per cent; 15397

(4) On all further sums, one thousand six hundred sixty-three 15398
ten-thousandths of one per cent. 15399

If any settlement is not made on or before the date 15400
prescribed by law for such settlement or any lawful extension of 15401
such date, the aggregate compensation allowed to the auditor shall 15402
be reduced one per cent for each day such settlement is delayed 15403
after the prescribed date. No penalty shall apply if the auditor 15404
and treasurer grant all requests for advances up to ninety per 15405
cent of the settlement pursuant to section 321.34 of the Revised 15406
Code. The compensation allowed in accordance with this section on 15407
settlements made before the dates prescribed by law, or the 15408

reduced compensation allowed in accordance with this section on 15409
settlements made after the date prescribed by law or any lawful 15410
extension of such date, shall be apportioned ratably by the 15411
auditor and deducted from the shares or portions of the revenue 15412
payable to the state as well as to the county, townships, 15413
municipal corporations, and school districts. 15414

(B) For the purpose of reimbursing county auditors for the 15415
expenses associated with the increased number of applications for 15416
reductions in real property taxes under sections 323.152 and 15417
4503.065 of the Revised Code that ~~results~~ result from the 15418
amendment of those sections by Am. Sub. H.B. 119 of the 127th 15419
general assembly, ~~on the first day of August of each year~~ there 15420
shall be paid from the state's general revenue fund to the county 15421
treasury, to the credit of the real estate assessment fund created 15422
by section 325.31 of the Revised Code, an amount equal to one per 15423
cent of the total annual amount of property tax relief 15424
reimbursement paid to that county under sections 323.156 and 15425
4503.068 of the Revised Code for the preceding tax year. Payments 15426
made under this division shall be made at the same times and in 15427
the same manner as payments made under section 323.156 of the 15428
Revised Code. 15429

(C) From all moneys collected by the county treasurer on any 15430
tax duplicate of the county, other than estate tax duplicates, and 15431
on all moneys received as advance payments of personal property 15432
and classified property taxes, there shall be paid into the county 15433
treasury to the credit of the real estate assessment fund created 15434
by section 325.31 of the Revised Code, an amount to be determined 15435
by the county auditor, which shall not exceed the percentages 15436
prescribed in divisions (C)(1) and (2) of this section. 15437

(1) For payments made after June 30, 2007, and before 2011, 15438

(2) The department shall not give a board its approval to operate a program under division (F)(1)(c) of this section unless it determines that the board's program will provide greater administrative efficiency and more or better services than would be available if the board contracted with a program for provision of the services.

(3) The department shall not give a board its approval to operate a program previously operated by a public or private entity unless the board has established to the department's satisfaction that the entity cannot effectively operate the program, or that the entity has requested the board to take over operation of the program.

(4) The department shall review and evaluate the operation of each program operated by a board under this division.

(5) Nothing in this division authorizes a board to administer or direct the daily operation of any program other than a program operated by the board under this division, but a program may contract with a board to receive administrative services or staff

direction from the board under the direction of the governing body 16209
of the program. 16210

(G) If an investigation conducted pursuant to division 16211
(A)(10) of this section substantiates a charge of abuse or 16212
neglect, the board shall take whatever action it determines is 16213
necessary to correct the situation, including notification of the 16214
appropriate authorities. On request, the board shall provide 16215
information about such investigations to the department. 16216

(H) When the board sets priorities and develops plans for the 16217
operation of alcohol and drug addiction programs under division 16218
(A)(2) of this section, the board shall consult with the county 16219
commissioners of the counties in the board's service district 16220
regarding the services described in section 340.15 of the Revised 16221
Code and shall give a priority to those services, except that 16222
those services shall not have priority over services provided to 16223
pregnant women under programs developed in relation to the mandate 16224
established in section 3793.15 of the Revised Code. The plans 16225
shall identify funds the board and public children services 16226
agencies in the board's service district have available to fund 16227
jointly the services described in section 340.15 of the Revised 16228
Code. 16229

Sec. 343.01. (A) In order to comply with division (B) of 16230
section 3734.52 of the Revised Code, the board of county 16231
commissioners of each county shall do one of the following: 16232

(1) Establish, by resolution, and maintain a county solid 16233
waste management district under this chapter that consists of all 16234
the incorporated and unincorporated territory within the county 16235
except as otherwise provided in division (A) of this section; 16236

(2) With the boards of county commissioners of one or more 16237
other counties establish, by agreement, and maintain a joint solid 16238
waste management district under this chapter that consists of all 16239

the incorporated and unincorporated territory within the counties 16240
forming the joint district except as otherwise provided in 16241
division (A) of this section. 16242

If a municipal corporation is located in more than one solid 16243
waste management district, the entire municipal corporation shall 16244
be considered to be included in and shall be under the 16245
jurisdiction of the district in which a majority of the population 16246
of the municipal corporation resides. 16247

A county and joint district established to comply with 16248
division (B) of section 3734.52 of the Revised Code shall have a 16249
population of not less than one hundred twenty thousand unless, in 16250
the instance of a county district, the board of county 16251
commissioners has obtained an exemption from that requirement 16252
under division (C)(1) or (2) of that section. Each joint district 16253
established to comply with an order issued under division (D) of 16254
that section shall have a population of at least one hundred 16255
twenty thousand. 16256

(B) The boards of county commissioners of the counties 16257
establishing a joint district constitute, collectively, the board 16258
of directors of the joint district, except that if a county with a 16259
form of legislative authority other than a board of county 16260
commissioners participates, it shall be represented on the board 16261
of directors by three persons appointed by the legislative 16262
authority. 16263

The agreement to establish and maintain a joint district 16264
shall be ratified by resolution of the board of county 16265
commissioners of each participating county. Upon ratification, the 16266
board of directors shall take control of and manage the joint 16267
district subject to this chapter, except that, in the case of a 16268
joint district formed pursuant to division (C), (D), or (E) of 16269
section 343.012 of the Revised Code, the board of directors shall 16270
take control of and manage the district when the formation of the 16271

district becomes final under the applicable division. A majority 16272
of the board of directors constitutes a quorum, and a majority 16273
vote is required for the board to act. 16274

A county participating in a joint district may contribute 16275
lands or rights or interests therein, money, other personal 16276
property or rights or interests therein, or services to the 16277
district. The agreement shall specify any contributions of 16278
participating counties and the rights of the participating 16279
counties in lands or personal property, or rights or interests 16280
therein, contributed to or otherwise acquired by the joint 16281
district. The agreement may be amended or added to by a majority 16282
vote of the board of directors, but no amendment or addition shall 16283
divest a participating county of any right or interest in lands or 16284
personal property without its consent. 16285

The board of directors may appoint and fix the compensation 16286
of employees of, accept gifts, devises, and bequests for, and take 16287
other actions necessary to control and manage the joint district. 16288
Employees of the district shall be considered county employees for 16289
the purposes of Chapter 124. of the Revised Code and other 16290
provisions of state law applicable to employees. Instead of or in 16291
addition to appointing employees of the district, the board of 16292
directors may agree to use employees of one or more of the 16293
participating counties in the service of the joint district and to 16294
share in their compensation in any manner that may be agreed upon. 16295

The board of directors shall do one of the following: 16296

(1) Designate the county auditor, including any other 16297
official acting in a capacity similar to a county auditor under a 16298
county charter, of a county participating in the joint district as 16299
the fiscal officer of the district, and the county treasurer, or 16300
other official acting in a capacity similar to a county treasurer 16301
under a county charter, of that county as the treasurer of the 16302
district. The designated county officials shall perform any 16303

applicable duties for the district as each typically performs for 16304
the county of which he the individual is an official, except as 16305
otherwise may be provided in any bylaws or resolutions adopted by 16306
the board of directors. The board of directors may pay to that 16307
county any amount agreed upon by the board of directors and the 16308
board of county commissioners of that county to reimburse that 16309
county for the cost properly allocable to the service of its 16310
officials as fiscal officer and treasurer of the joint district. 16311

(2) Appoint one individual who is neither a county auditor 16312
nor a county treasurer, and who may be an employee of the 16313
district, to serve as both the treasurer of the district and its 16314
fiscal officer. That individual shall act as custodian of the 16315
funds of the board and the district and shall maintain all 16316
accounts of the district. Any reference in this chapter or Chapter 16317
3734. of the Revised Code to a county auditor or county treasurer 16318
serving as fiscal officer of a district or custodian of any funds 16319
of a board or district is deemed to refer to an individual 16320
appointed under division (B)(2) of this section. 16321

The fiscal officer of a district shall establish a general 16322
fund and any other necessary funds for the district. 16323

(C) A board of county commissioners of a county district or 16324
board of directors of a joint district may acquire, by purchase or 16325
lease, construct, improve, enlarge, replace, maintain, and operate 16326
such solid waste collection systems within their respective 16327
districts and such solid waste facilities within or outside their 16328
respective districts as are necessary for the protection of the 16329
public health. A board of county commissioners may acquire within 16330
its county real property or any estate, interest, or right 16331
therein, by appropriation or any other method, for use by a county 16332
or joint district in connection with such facilities. 16333
Appropriation proceedings shall be conducted in accordance with 16334
sections 163.01 to 163.22 of the Revised Code. 16335

(D) The sanitary engineer or sanitary engineering department 16336
of a county maintaining a district and any sanitary engineer or 16337
sanitary engineering department of a county in a joint district, 16338
as determined by the board of directors, in addition to other 16339
duties assigned to that engineer or department, shall assist the 16340
board of county commissioners or directors in the performance of 16341
their duties under this chapter and sections 3734.52 to 3734.575 16342
of the Revised Code and shall be charged with any other duties and 16343
services in relation thereto that the board prescribes. A board 16344
may employ registered professional engineers to assist the 16345
sanitary engineer in those duties and also may employ financial 16346
advisers and any other professional services it considers 16347
necessary to assist it in the construction, financing, and 16348
maintenance of solid waste collection or other solid waste 16349
facilities. Such contracts of employment shall not require the 16350
certificate provided in section 5705.41 of the Revised Code. 16351
Payment for such services may be made from the general fund or any 16352
other fund legally available for that use at times that are agreed 16353
upon or as determined by the board of county commissioners or 16354
directors, and the funds may be reimbursed from the proceeds of 16355
bonds or notes issued to pay the cost of any improvement to which 16356
the services related. 16357

(E)(1) The prosecuting attorney of the county shall serve as 16358
the legal advisor of a county district and shall provide such 16359
services to the board of county commissioners of the district as 16360
are required or authorized to be provided to other county boards 16361
under Chapter 309. of the Revised Code, except that, if the board 16362
considers it to be necessary or appropriate, the board, on its own 16363
initiative, may employ an attorney or other legal counsel on an 16364
annual basis to serve as the legal advisor of the district in 16365
place of the prosecuting attorney. When the prosecuting attorney 16366
is serving as the district's legal advisor and the board considers 16367
it to be necessary or appropriate, the board, on its own 16368

initiative, may employ an attorney or other legal counsel to 16369
represent or advise the board regarding a particular matter in 16370
place of the prosecuting attorney. The employment of an attorney 16371
or other legal counsel on an annual basis or in a particular 16372
matter is not subject to or governed by sections 305.14 and 309.09 16373
of the Revised Code. 16374

Notwithstanding the employment of an attorney or other legal 16375
counsel on an annual basis to serve as the district's legal 16376
advisor, the board may require written opinions or instructions 16377
from the prosecuting attorney under section 309.09 of the Revised 16378
Code in matters connected with its official duties as though the 16379
prosecuting attorney were serving as the legal advisor of the 16380
district. 16381

(2) The board of directors of a joint district may designate 16382
the prosecuting attorney of one of the counties forming the 16383
district to serve as the legal advisor of the district. When so 16384
designated, the prosecuting attorney shall provide such services 16385
to the joint district as are required or authorized to be provided 16386
to county boards under Chapter 309. of the Revised Code. The board 16387
of directors may pay to that county any amount agreed upon by the 16388
board of directors and the board of county commissioners of that 16389
county to reimburse that county for the cost properly allocable to 16390
the services of its prosecuting attorney as the legal advisor of 16391
the joint district. When that prosecuting attorney is so serving 16392
and the board considers it to be necessary or appropriate, the 16393
board, on its own initiative, may employ an attorney or other 16394
legal counsel to represent or advise the board regarding a 16395
particular matter in place of the prosecuting attorney. 16396

Instead of designating the prosecuting attorney of one of the 16397
counties forming the district to be the legal advisor of the 16398
district, the board of directors may employ on an annual basis an 16399
attorney or other legal counsel to serve as the district's legal 16400

advisor. Notwithstanding the employment of an attorney or other 16401
legal counsel as the district's legal advisor, the board of 16402
directors may require written opinions or instructions from the 16403
prosecuting attorney of any of the counties forming the district 16404
in matters connected with the board's official duties, and the 16405
prosecuting attorney shall provide the written opinion or 16406
instructions as though ~~he~~ the prosecuting attorney had been 16407
designated to serve as the district's legal advisor under division 16408
(E)(2) of this section. 16409

(F) A board of county commissioners may issue bonds or bond 16410
anticipation notes of the county to pay the cost of preparing 16411
general and detailed plans and other data required for the 16412
construction of solid waste facilities in connection with a county 16413
or joint district. A board of directors of a joint solid waste 16414
management district may issue bonds or bond anticipation notes of 16415
the joint solid waste management district to pay the cost of 16416
preparing general and detailed plans and other data required for 16417
the construction of solid waste facilities in connection with a 16418
joint district. The bonds and notes shall be issued in accordance 16419
with Chapter 133. of the Revised Code, except that the maximum 16420
maturity of bonds issued for that purpose shall not exceed ten 16421
years. Bond anticipation notes may be paid from the proceeds of 16422
bonds issued either to pay the cost of the solid waste facilities 16423
or to pay the cost of the plans and other data. 16424

(G) To the extent authorized by the solid waste management 16425
plan of the district approved under section 3734.521 or 3734.55 of 16426
the Revised Code or subsequent amended plans of the district 16427
approved under section 3734.521 or 3734.56 of the Revised Code, 16428
the board of county commissioners of a county district or board of 16429
directors of a joint district may adopt, publish, and enforce 16430
rules doing any of the following: 16431

(1) Prohibiting or limiting the receipt of solid wastes 16432

generated outside the district or outside a service area 16433
prescribed in the solid waste management plan or amended plan, at 16434
facilities ~~covered by the plan~~ located within the solid waste 16435
management district, consistent with the projections contained in 16436
the plan or amended plan under divisions (A)(6) and (7) of section 16437
3734.53 of the Revised Code, ~~except that~~. However, rules adopted 16438
by a board under division (G)(1) of this section may be adopted 16439
and enforced with respect to facilities in the solid waste 16440
management district that are not owned by a county or the solid 16441
waste management district only if the board submits an application 16442
to the director of environmental protection that demonstrates that 16443
there is insufficient capacity to dispose of all solid wastes that 16444
are generated within the district at the facilities located within 16445
the district and the director approves the application. The 16446
demonstration in the application shall be based on projections 16447
contained in the plan or amended plan of the district. The 16448
director shall establish the form of the application. The approval 16449
or disapproval of such an application by the director is an action 16450
that is appealable under section 3745.04 of the Revised Code. 16451

In addition, the director of environmental protection may 16452
issue an order modifying a rule adopted under division (G)(1) of 16453
this section to allow the disposal in the district of solid wastes 16454
from another county or joint solid waste management district if 16455
all of the following apply: 16456

(a) The district in which the wastes were generated does not 16457
have sufficient capacity to dispose of solid wastes generated 16458
within it for six months following the date of the director's 16459
order; 16460

(b) No new solid waste facilities will begin operation during 16461
those six months in the district in which the wastes were 16462
generated and, despite good faith efforts to do so, it is 16463
impossible to site new solid waste facilities within the district 16464

because of its high population density; 16465

(c) The district in which the wastes were generated has made 16466
good faith efforts to negotiate with other districts to 16467
incorporate its disposal needs within those districts' solid waste 16468
management plans, including efforts to develop joint facilities 16469
authorized under section 343.02 of the Revised Code, and the 16470
efforts have been unsuccessful; 16471

(d) The district in which the wastes were generated has 16472
located a facility willing to accept the district's solid wastes 16473
for disposal within the receiving district; 16474

(e) The district in which the wastes were generated has 16475
demonstrated to the director that the conditions specified in 16476
divisions (G)(1)(a) to (d) of this section have been met; 16477

(f) The director finds that the issuance of the order will be 16478
consistent with the state solid waste management plan and that 16479
receipt of the out-of-district wastes will not limit the capacity 16480
of the receiving district to dispose of its in-district wastes to 16481
less than eight years. 16482

Any order issued under division (G)(1) of this section shall 16483
not become final until thirty days after it has been served by 16484
certified mail upon the county or joint solid waste management 16485
district that will receive the out-of-district wastes. 16486

(2) Governing the maintenance, protection, and use of solid 16487
waste collection or other solid waste facilities located within 16488
its district. The rules adopted under division (G)(2) of this 16489
section shall not establish design standards for solid waste 16490
facilities and shall be consistent with the solid waste provisions 16491
of Chapter 3734. of the Revised Code and the rules adopted under 16492
those provisions. The rules adopted under division (G)(2) of this 16493
section may prohibit any person, municipal corporation, township, 16494
or other political subdivision from constructing, enlarging, or 16495

modifying any solid waste facility until general plans and 16496
specifications for the proposed improvement have been submitted to 16497
and approved by the board of county commissioners or board of 16498
directors as complying with the solid waste management plan or 16499
amended plan of the district. The construction of such a facility 16500
shall be done under the supervision of the county sanitary 16501
engineer or, in the case of a joint district, a county sanitary 16502
engineer designated by the board of directors, and any person, 16503
municipal corporation, township, or other political subdivision 16504
proposing or constructing such improvements shall pay to the 16505
county or joint district all expenses incurred by the board in 16506
connection therewith. The sanitary engineer may enter upon any 16507
public or private property for the purpose of making surveys or 16508
examinations necessary for designing solid waste facilities or for 16509
supervising the construction, enlargement, modification, or 16510
operation of any such facilities. No person, municipal 16511
corporation, township, or other political subdivision shall forbid 16512
or interfere with the sanitary engineer or ~~his~~ the sanitary 16513
engineer's authorized assistants entering upon such property for 16514
that purpose. If actual damage is done to property by the making 16515
of the surveys and examinations, a board shall pay the reasonable 16516
value of that damage to the owner of the property damaged, and the 16517
cost shall be included in the financing of the improvement for 16518
which the surveys and examinations are made. 16519

(3) Governing the development and implementation of a program 16520
for the inspection of solid wastes generated outside the 16521
boundaries of this state that are disposed of at solid waste 16522
facilities included in the district's solid waste management plan 16523
or amended plan. A board of county commissioners or board of 16524
directors or its authorized representative may enter upon the 16525
premises of any solid waste facility included in the district's 16526
solid waste management plan or amended plan for the purpose of 16527
conducting the inspections required or authorized by the rules 16528

adopted under division (G)(3) of this section. No person, 16529
municipal corporation, township, or other political subdivision 16530
shall forbid or interfere with a board of county commissioners or 16531
directors or its authorized representative entering upon the 16532
premises of any such solid waste facility for that purpose. 16533

(4) Exempting the owner or operator of any existing or 16534
proposed solid waste facility provided for in the plan or amended 16535
plan from compliance with any amendment to a township zoning 16536
resolution adopted under section 519.12 of the Revised Code or to 16537
a county rural zoning resolution adopted under section 303.12 of 16538
the Revised Code that rezoned or redistricted the parcel or 16539
parcels upon which the facility is to be constructed or modified 16540
and that became effective within two years prior to the filing of 16541
an application for a permit required under division (A)(2)(a) of 16542
section 3734.05 of the Revised Code to open a new or modify an 16543
existing solid waste facility. 16544

(H) A board of county commissioners or board of directors may 16545
enter into a contract with any person, municipal corporation, 16546
township, or other political subdivision for the operation and 16547
maintenance of any solid waste facilities regardless of whether 16548
the facilities are owned or leased by the county or joint district 16549
or the contractor. 16550

(I)(1) No person, municipal corporation, township, or other 16551
political subdivision shall tamper with or damage any solid waste 16552
facility constructed under this chapter or any apparatus or 16553
accessory connected therewith or pertaining thereto, fail or 16554
refuse to comply with the applicable rules adopted by a board of 16555
county commissioners or directors under division (G)(1), (2), (3), 16556
or (4) of this section, refuse to permit an inspection or 16557
examination by a sanitary engineer as authorized under division 16558
(G)(2) of this section, or refuse to permit an inspection by a 16559
board of county commissioners or directors or its authorized 16560

representative as required or authorized by rules adopted under 16561
division (G)(3) of this section. 16562

(2) If the board of county commissioners of a county district 16563
or board of directors of a joint district has established facility 16564
designations under section 343.013, 343.014, or 343.015 of the 16565
Revised Code, or the director has established facility 16566
designations in the initial or amended plan of the district 16567
prepared and ordered to be implemented under section 3734.521, 16568
3734.55, or 3734.56 of the Revised Code, no person, municipal 16569
corporation, township, or other political subdivision shall 16570
deliver, or cause the delivery of, any solid wastes generated 16571
within a county or joint district to any solid waste facility 16572
other than the facility designated under section 343.013, 343.014, 16573
or 343.015 of the Revised Code, or in the initial or amended plan 16574
of the district prepared and ordered to be implemented under 16575
section 3734.521, 3734.55, or 3734.56 of the Revised Code, as 16576
applicable. Upon the request of a person or the legislative 16577
authority of a municipal corporation or township, the board of 16578
county commissioners of a county district or board of directors of 16579
a joint district may grant a waiver authorizing the delivery of 16580
all or any portion of the solid wastes generated in a municipal 16581
corporation or township to a solid waste facility other than the 16582
facility designated under section 343.013, 343.014, or 343.015 of 16583
the Revised Code, or in the initial or amended plan of the 16584
district prepared and ordered to be implemented under section 16585
3734.521, 3734.55, or 3734.56 of the Revised Code, as applicable, 16586
regardless of whether the other facility is located within or 16587
outside of the district, if the board finds that delivery of those 16588
solid wastes to the other facility is not inconsistent with the 16589
projections contained in the district's initial or amended plan 16590
under divisions (A)(6) and (7) of section 3734.53 of the Revised 16591
Code as approved or ordered to be implemented and will not 16592
adversely affect the implementation and financing of the 16593

district's initial or amended plan pursuant to the implementation 16594
schedule contained in it under divisions (A)(12)(a) to (d) of that 16595
section. The board shall act on a request for such a waiver within 16596
ninety days after receiving the request. Upon granting such a 16597
waiver, the board shall send notice of that fact to the director. 16598
The notice shall indicate to whom the waiver was granted. Any 16599
waiver or authorization granted by a board on or before October 16600
29, 1993, shall continue in force until the board takes action 16601
concerning the same entity under this division or until action is 16602
taken under division (G) of section 343.014 of the Revised Code. 16603

(J) Divisions (G)(1) to (4) and (I)(2) of this section do not 16604
apply to the construction, operation, use, repair, enlargement, or 16605
modification of either of the following: 16606

(1) A solid waste facility owned by a generator of solid 16607
wastes when the solid waste facility exclusively disposes of solid 16608

regardless of whether the facility is located on a premises where 16610
the wastes are generated; 16611

(2) A facility that exclusively disposes of wastes that are 16612
generated from the combustion of coal, or from the combustion of 16613
primarily coal in combination with scrap tires, that is not 16614

county solid waste management district, member of the board of 16618
directors of a joint solid waste management district, member of 16619

district, or officer or employee of any solid waste management 16622
district, for the purposes of sections 102.03, 102.04, 2921.41, 16623

(2) A solid waste management district, county, municipal 16663

section shall not be construed to be the business associate of a 16666
person who is concurrently a member of the board of county 16667
commissioners, directors, or trustees, or an officer or employee, 16668

(L) As used in this chapter:

(1) "Board of health," "disposal," "health district," "scrap tires," and "solid waste transfer facility" have the same meanings as in section 3734.01 of the Revised Code.

(2) "Change in district composition" and "change" have the same meaning as in section 3734.521 of the Revised Code.

(3)(a) Except as provided in division (L)(3)(b) or (c), and (d), of this section, "solid wastes" has the same meaning as in section 3734.01 of the Revised Code.

(b) If the solid waste management district is not one that

resulted from proceedings for a change in district composition 16722
under sections 343.012 and 3734.521 of the Revised Code, until 16723
such time as an amended solid waste management plan is approved 16724
under section 3734.56 of the Revised Code, "solid wastes" need not 16725
include scrap tires unless the solid waste management policy 16726
committee established under section 3734.54 of the Revised Code 16727
for the district chooses to include the management of scrap tires 16728
in the district's initial solid waste management plan prepared 16729
under sections 3734.54 and 3734.55 of the Revised Code. 16730

(c) If the solid waste management district is one resulting 16731
from proceedings for a change in district composition under 16732
sections 343.012 and 3734.521 of the Revised Code and if the 16733
change involves an existing district that is operating under 16734
either an initial solid waste management plan approved or prepared 16735
and ordered to be implemented under section 3734.55 of the Revised 16736
Code or an initial or amended plan approved or prepared and 16737
ordered to be implemented under section 3734.521 of the Revised 16738
Code that does not provide for the management of scrap tires and 16739
scrap tire facilities, until such time as the amended plan of the 16740
district resulting from the change is approved under section 16741
3734.56 of the Revised Code, "solid wastes" need not include scrap 16742
tires unless the solid waste management policy committee 16743
established under division (C) of section 3734.521 of the Revised 16744
Code for the district chooses to include the management of scrap 16745
tires in the district's initial or amended solid waste management 16746
plan prepared under section 3734.521 of the Revised Code in 16747
connection with the change proceedings. 16748

(d) If the policy committee chooses to include the management 16749
of scrap tires in an initial plan prepared under sections 3734.54 16750
and 3734.55 of the Revised Code or in an initial or amended plan 16751
prepared under section 3734.521 of the Revised Code, the board of 16752
county commissioners or directors shall execute all of the duties 16753

imposed and may exercise any or all of the rights granted under 16754
this section for the purpose of managing solid wastes that consist 16755
of scrap tires. 16756

(4)(a) Except as provided in division (L)(4)(b) or (c), and 16757
(d) of this section, "facility" has the same meaning as in section 16758
3734.01 of the Revised Code and also includes any solid waste 16759

resulted from proceedings for a change in district composition 16762
under sections 343.012 and 3734.521 of the Revised Code, until 16763
such time as an amended solid waste management plan is approved 16764
under section 3734.56 of the Revised Code, "facility" need not 16765
include any scrap tire collection, storage, monocell, monofill, or 16766
recovery facility unless the solid waste management policy 16767
committee established under section 3734.54 of the Revised Code 16768
for the district chooses to include the management of scrap tire 16769
facilities in the district's initial solid waste management plan 16770
prepared under sections 3734.54 and 3734.55 of the Revised Code. 16771

(c) If the solid waste management district is one resulting 16772
from proceedings for a change in district composition under 16773
sections 343.012 and 3734.521 of the Revised Code and if the 16774
change involves an existing district that is operating under 16775
either an initial solid waste management plan approved under 16776
section 3734.55 of the Revised Code or an initial or amended plan 16777
approved or prepared and ordered to be implemented under section 16778
3734.521 of the Revised Code that does not provide for the 16779
management of scrap tires and scrap tire facilities, until such 16780
time as the amended plan of the district resulting from the change 16781
is approved under section 3734.56 of the Revised Code, "facility" 16782
need not include scrap tires unless the solid waste management 16783
policy committee established under division (C) of section 16784
3734.521 of the Revised Code for the district chooses to include 16785

the management of scrap tires in the district's initial or amended 16786
solid waste management plan prepared under section 3734.521 of the 16787
Revised Code in connection with the change proceedings. 16788

(d) If the policy committee chooses to include the management 16789
of scrap tires in an initial plan prepared under sections 3734.54 16790
and 3734.55 of the Revised Code or in an initial or amended plan 16791
prepared under section 3734.521 of the Revised Code, the board of 16792
county commissioners or directors shall execute all of the duties 16793
imposed and may exercise any or all of the rights granted under 16794
this section for the purpose of managing solid waste facilities 16795
that are scrap tire collection, storage, monocell, monofill, or 16796
recovery facilities. 16797

Sec. 504.21. (A) The board of township trustees of a township 16798
that has adopted a limited home rule government may, for the 16799
unincorporated territory in the township, adopt, amend, and 16800
rescind rules establishing technically feasible and economically 16801
reasonable standards to achieve a level of management and 16802
conservation practices that will abate wind or water erosion of 16803
the soil or abate the degradation of the waters of the state by 16804
soil sediment in conjunction with land grading, excavating, 16805
filling, or other soil disturbing activities on land used or being 16806
developed in the township for nonfarm commercial, industrial, 16807
residential, or other nonfarm purposes, and establish criteria for 16808
determination of the acceptability of those management and 16809
conservation practices. The rules shall be designed to implement 16810
the applicable areawide waste treatment management plan prepared 16811
under section 208 of the "Federal Water Pollution Control Act," 86 16812
Stat. 816 (1972), 33 U.S.C.A. 1228, as amended, and to implement 16813
phase II of the storm water program of the national pollutant 16814
discharge elimination system established in 40 C.F.R. Part 122. 16815
The rules to implement phase II of the storm water program of the 16816
national pollutant discharge elimination system shall not be 16817

inconsistent with, more stringent than, or broader in scope than 16818
the rules or regulations adopted by the environmental protection 16819
agency under 40 C.F.R. Part 122. The rules adopted under this 16820
section shall not apply inside the limits of municipal 16821
corporations, to lands being used in a strip mine operation as 16822
defined in section 1513.01 of the Revised Code, or to land being 16823
used in a surface mine operation as defined in section 1514.01 of 16824
the Revised Code. 16825

The rules adopted under this section may require persons to 16826
file plans governing erosion control, sediment control, and water 16827
management before clearing, grading, excavating, filling, or 16828
otherwise wholly or partially disturbing one or more contiguous 16829
acres of land owned by one person or operated as one development 16830
unit for the construction of nonfarm buildings, structures, 16831
utilities, recreational areas, or other similar nonfarm uses. If 16832
the rules require plans to be filed, the rules shall do all of the 16833
following: 16834

(1) Designate the board itself, its employees, or another 16835
agency or official to review and approve or disapprove the plans; 16836

(2) Establish procedures and criteria for the review and 16837
approval or disapproval of the plans; 16838

(3) Require the designated entity to issue a permit to a 16839
person for the clearing, grading, excavating, filling, or other 16840
project for which plans are approved and to deny a permit to a 16841
person whose plans have been disapproved; 16842

(4) Establish procedures for the issuance of the permits; 16843

(5) Establish procedures under which a person may appeal the 16844
denial of a permit. 16845

Areas of less than one contiguous acre shall not be exempt 16846
from compliance with other provisions of this section or rules 16847
adopted under this section. The rules adopted under this section 16848

may impose reasonable filing fees for plan review, permit 16849
processing, and field inspections. 16850

No permit or plan shall be required for a public highway, 16851
transportation, or drainage improvement or maintenance project 16852
undertaken by a government agency or political subdivision in 16853

policies that is approved by the board or the chief of the 16855
division of soil and water ~~conservation~~ resources in the 16856

published, in a newspaper of general circulation in the township, 16861
notice of the public hearings, including time, date, and place, 16862
once a week for two weeks immediately preceding the hearings. The 16863
proposed rules or amendments shall be made available by the board 16864
to the public at the board office or other location indicated in 16865
the notice. The rules or amendments shall take effect on the 16866
thirty-first day following the date of their adoption. 16867

(C) The board of township trustees may employ personnel to 16868
assist in the administration of this section and the rules adopted 16869
under it. The board also, if the action does not conflict with the 16870
rules, may delegate duties to review sediment control and water 16871
management plans to its employees, and may enter into agreements 16872
with one or more political subdivisions, other township officials, 16873
or other government agencies, in any combination, in order to 16874
obtain reviews and comments on plans governing erosion control, 16875
sediment control, and water management or to obtain other services 16876
for the administration of the rules adopted under this section. 16877

(D) The board of township trustees or any duly authorized 16878
representative of the board may, upon identification to the owner 16879
or person in charge, enter any land upon obtaining agreement with 16880

the owner, tenant, or manager of the land in order to determine 16881
whether there is compliance with the rules adopted under this 16882
section. If the board or its duly authorized representative is 16883

may apply for, and a judge of the court of common pleas for the 16885
county where the land is located may issue, an appropriate 16886

issue an immediate stop work order if the violator failed to 16892
obtain any federal, state, or local permit necessary for sediment 16893
and erosion control, earth movement, clearing, or cut and fill 16894
activity. In addition, if the board or representative determines 16895
such a rule violation exists, regardless of whether or not the 16896
violator has obtained the proper permits, the board or 16897
representative may authorize the issuance of a notice of 16898
violation. If, after a period of not less than thirty days has 16899
elapsed following the issuance of the notice of violation, the 16900
violation continues, the board or its duly authorized 16901
representative shall issue a second notice of violation. Except as 16902
provided in division (E)(3) of this section, if, after a period of 16903
not less than fifteen days has elapsed following the issuance of 16904
the second notice of violation, the violation continues, the board 16905
or its duly authorized representative may issue a stop work order 16906
after first obtaining the written approval of the prosecuting 16907
attorney of the county in which the township is located if, in the 16908
opinion of the prosecuting attorney, the violation is egregious. 16909

Once a stop work order is issued, the board or its duly 16910
authorized representative shall request, in writing, the 16911
prosecuting attorney to seek an injunction or other appropriate 16912

relief in the court of common pleas to abate excessive erosion or 16913
sedimentation and secure compliance with the rules adopted under 16914
this section. If the prosecuting attorney seeks an injunction or 16915
other appropriate relief, then, in granting relief, the court of 16916
common pleas may order the construction of sediment control 16917
improvements or implementation of other control measures and may 16918
assess a civil fine of not less than one hundred or more than five 16919
hundred dollars. Each day of violation of a rule or stop work 16920
order issued under this section shall be considered a separate 16921
violation subject to a civil fine. 16922

(2) The person to whom a stop work order is issued under this 16923
section may appeal the order to the court of common pleas of the 16924
county in which it was issued, seeking any equitable or other 16925
appropriate relief from that order. 16926

(3) No stop work order shall be issued under this section 16927
against any public highway, transportation, or drainage 16928
improvement or maintenance project undertaken by a government 16929
agency or political subdivision in accordance with a statement of 16930
its standard sediment control policies that is approved by the 16931
board or the chief of the division of soil and water ~~conservation~~ 16932
resources in the department of natural resources. 16933

(F) No person shall violate any rule adopted or order issued 16934
under this section. Notwithstanding division (E) of this section, 16935
if the board of township trustees determines that a violation of 16936
any rule adopted or administrative order issued under this section 16937
exists, the board may request, in writing, the prosecuting 16938
attorney of the county in which the township is located, to seek 16939
an injunction or other appropriate relief in the court of common 16940
pleas to abate excessive erosion or sedimentation and secure 16941
compliance with the rules or order. In granting relief, the court 16942
of common pleas may order the construction of sediment control 16943
improvements or implementation of other control measures and may 16944

assess a civil fine of not less than one hundred or more than five 16945
hundred dollars. Each day of violation of a rule adopted or 16946
administrative order issued under this section shall be considered 16947
a separate violation subject to a civil fine. 16948

locations within the district, received as a result of services 16963
rendered as a judge. 16964

Sec. 721.15. (A) Personal property not needed for municipal 16965
purposes, the estimated value of which is less than one thousand 16966
dollars, may be sold by the board or officer having supervision or 16967
management of that property. If the estimated value of that 16968
property is one thousand dollars or more, it shall be sold only 16969
when authorized by an ordinance of the legislative authority of 16970
the municipal corporation and approved by the board, officer, or 16971
director having supervision or management of that property. When 16972
so authorized, the board, officer, or director shall make a 16973
written contract with the highest and best bidder after 16974

(B) When the legislative authority finds, by resolution, that 16980
the municipal corporation has vehicles, equipment, or machinery 16981
which is obsolete, or is not needed or is unfit for public use, 16982
that the municipal corporation has need of other vehicles, 16983
equipment, or machinery of the same type, and that it will be in 16984
the best interest of the municipal corporation that the sale of 16985
obsolete, unneeded, or unfit vehicles, equipment, or machinery be 16986
made simultaneously with the purchase of the new vehicles, 16987
equipment, or machinery of the same type, the legislative 16988
authority may offer to sell, or authorize a board, officer, or 16989
director of the municipal corporation having supervision or 16990
management of the property to offer to sell, those vehicles, 16991

against the purchase price of other vehicles, equipment, or 16993
machinery and to consummate the sale and purchase by a single 16994
contract with the lowest and best bidder to be determined by 16995
subtracting from the selling price of the vehicles, equipment, or 16996
machinery to be purchased by the municipal corporation the 16997
purchase price offered for the municipally-owned vehicles, 16998
equipment, or machinery. When the legislative authority or the 16999
authorized board, officer, or director of a municipal corporation 17000
advertises for bids for the sale of new vehicles, equipment, or 17001
machinery to the municipal corporation, they may include in the 17002
same advertisement a notice of willingness to accept bids for the 17003
purchase of municipally-owned vehicles, equipment, or machinery 17004

and to have the amount of those bids subtracted from the selling 17006
price as a means of determining the lowest and best bidder. 17007

(C) If the legislative authority of the municipal corporation determines that municipal personal property is not needed for public use, or is obsolete or unfit for the use for which it was acquired, and that the property has no value, the legislative authority may discard or salvage that property.

minimum price that will be accepted for specific items and may 17050
establish any other terms and conditions for the particular sale, 17051
including requirements for pick-up or delivery, method of payment, 17052
and sales tax. This type of information shall be provided on the 17053

twenty-five cents per ton or twenty-eight cents per metric ton. 17384
Licensees and registrants shall specify on an invoice whether the 17385
per ton inspection fee has been paid or whether payment of the fee 17386
is the responsibility of the purchaser of the fertilizer. The 17387
payment of this inspection fee by a licensee or registrant shall 17388
exempt all other persons from the payment of this fee. 17389

(B) Every licensee or registrant shall file with the director 17390
an annual tonnage report that includes the number of net tons or 17391
metric tons of fertilizer distributed to nonlicensees or 17392

a penalty of fifteen per cent of the amount due shall be assessed 17410
against the licensee or registrant and shall constitute a debt and 17411

17413

(C) No information furnished under this section shall be 17414
disclosed by any employee of the department of agriculture in such 17415
a way as to divulge the operation of any person required to make 17416
such a report. The filing by a licensee or registrant of a sales 17417
volume tonnage statement required by division (B) of this section 17418
thereby grants permission to the director to verify the same with 17419
the records of the licensee or registrant. 17420

(D) All money collected under this section shall be credited 17421
to the pesticide, fertilizer, and lime program fund created in 17422
section 921.22 of the Revised Code. 17423

Sec. 905.50. If the director of agriculture has taken an 17424
official sample of a fertilizer or mixed fertilizer and determined 17425
that it constitutes mislabeled fertilizer pursuant to rules 17426
adopted under section 905.40 of the Revised Code, the person who 17427
labeled the fertilizer or mixed fertilizer shall pay a penalty to 17428
the consumer of the mislabeled fertilizer or, if the consumer 17429
cannot be determined with reasonable diligence or is not 17430
available, to the director ~~for deposit into~~ to be credited to the 17431
~~commercial feed pesticide, fertilizer, seed, and lime inspection~~ 17432
~~and laboratory program~~ fund created under section ~~905.38~~ 921.22 of 17433
the Revised Code. The amount of the penalty shall be calculated in 17434
accordance with either division (A) or (B) of this section, 17435
whichever method of calculation yields the largest amount. 17436

(A)(1) A penalty required to be paid under this section may 17437

be calculated as follows: 17438

(a) Five dollars for each percentage point of total nitrogen 17439
or phosphorus in the fertilizer that is below the percentage of 17440
nitrogen or phosphorus guaranteed on the label, multiplied by the 17441
number of tons of mislabeled fertilizer that have been sold to the 17442
consumer; 17443

(b) Three dollars for each percentage point of potash in the 17444
fertilizer that is below the percentage of potash guaranteed on 17445
the label, multiplied by the number of tons of mislabeled 17446
fertilizer that have been sold to the consumer. 17447

(2) In the case of a fertilizer that contains a quantity of 17448
nitrogen, phosphorus, or potash that is more than five percentage 17449
points below the percentages guaranteed on the label, the 17450
penalties calculated under division (A)(1) of this section shall 17451
be tripled. 17452

(3) No penalty calculated under division (A) of this section 17453
shall be less than twenty-five dollars. 17454

(B) A penalty required to be paid under this section may be 17455
calculated by multiplying the market value of one unit of the 17456
mislabeled fertilizer by the number of units of the mislabeled 17457
fertilizer that have been sold to the consumer. 17458

(C) Upon making a determination under this section that a 17459
person has mislabeled fertilizer or mixed fertilizer, the director 17460
shall determine the parties to whom the penalty imposed by this 17461
section is required to be paid and, in accordance with division 17462
(A) or (B) of this section, as applicable, shall calculate the 17463
amount of the penalty required to be paid to each such party. 17464
After completing those determinations and calculations, the 17465
director shall issue to the person who allegedly mislabeled the 17466
fertilizer or mixed fertilizer a notice of violation. The notice 17467
shall be accompanied by an order requiring, and specifying the 17468

manner of, payment of the penalty imposed by this section to the 17469
parties in the amounts set forth in the determinations and 17470
calculations required by this division. The order shall be issued 17471
in accordance with Chapter 119. of the Revised Code. 17472

No person shall violate a term or condition of an order 17473
issued under this division. 17474

section, ten cents per one hundred pounds. 17684

If the total amount of the seed fee that is due is less than 17685

of ten per cent of the amount due or fifty dollars, whichever is 17691

thirty days after the due date is cause for suspension or 17693
revocation by the director of the seed labeler permit or refusal, 17694
without a hearing, to issue a subsequent seed labeler permit for 17695
which the person applies. 17696

Chapter 119. of the Revised Code. The license shall expire 17771
annually on the thirty-first day of March and, if the director 17772

and rules adopted under it, shall be renewed according to the 17774
standard renewal procedure of sections 4745.01 to 4745.03 of the 17775

under this section shall be deposited into the poultry and meat 17779

(C) If after inspection the director determines that an 17781
establishment licensed under division (A) of this section is 17782
operating in violation of this chapter or the rules adopted 17783
thereunder, the director shall notify the licensee in writing of 17784
the violation and give the licensee ten days from the date of 17785
notice to cease or correct the conditions causing the violation. 17786
If the conditions causing the violation continue after the 17787
expiration of the ten-day period, the director may do either of 17788
the following: 17789

(1) Impose progressive enforcement actions as provided in 17790
division (D)(1) of this section in the same manner as inspectors; 17791

(2) Suspend or revoke the establishment's license in 17792
accordance with Chapter 119. of the Revised Code. 17793

(D)(1) If an inspector determines that an establishment 17794
licensed under division (A) of this section is operating in 17795
violation of sections 918.01 to 918.12 of the Revised Code and 17796
rules adopted under those sections, the inspector may notify the 17797
licensee in writing of the violation. The inspector immediately 17798
may impose progressive enforcement actions, including withholding 17799

the mark of inspection, suspension of inspection, suspension of 17800
inspection held in abeyance, and withdrawal of inspection. The 17801
progressive enforcement actions may be taken prior to affording 17802
the licensee an opportunity for a hearing. As authorized in 17803
division (C) of section 119.06 of the Revised Code, a decision to 17804
impose a progressive enforcement action is immediately appealable 17805
to a higher authority within the department who is classified by 17806
the director as a district supervisor and who is designated by the 17807
director to hear the appeal. If the district supervisor affirms 17808
the enforcement action of the inspector, the licensee may appeal 17809
the enforcement action in accordance with Chapter 119. of the 17810
Revised Code. 17811

(2) As used in division (D)(1) of this section, "suspension 17812
of inspection held in abeyance" means a period of time during 17813
which a suspension of inspection is lifted because an 17814
establishment has presented the director with a corrective action 17815
plan that, if implemented properly, would bring the establishment 17816
into compliance with this chapter and rules adopted under it. 17817

(E) If in the opinion of the director the establishment is 17818
being operated under such insanitary conditions as to be a hazard 17819
to public health, or if the director determines that an 17820
establishment is not in compliance with its hazard analysis 17821
critical control point plan as required by rules, the director may 17822
condemn or retain the product on hand and immediately withdraw 17823
inspection from the establishment until the insanitary conditions 17824
are corrected or until the establishment is in compliance with its 17825
hazard analysis critical control point plan, as applicable. The 17826
director may take those actions prior to an adjudication hearing 17827
as required under section 119.06 of the Revised Code. The director 17828
subsequently shall afford a hearing upon the request of the owner 17829
or operator of the establishment. 17830

(F) Any person operating an establishment as defined in 17831

section 918.01 of the Revised Code who also operates on the same 17832
premises an establishment as defined in section 918.21 of the 17833
Revised Code shall apply either for licensure under section 918.08 17834
of the Revised Code or for licensure under section 918.28 of the 17835
Revised Code, but not for both, as the director shall determine. 17836

(G) If the director determines that the owner or operator of 17837
or any person employed by an establishment licensed under division 17838
(A) of this section forcibly assaulted, resisted, opposed, 17839
impeded, intimidated, or interfered with any person while that 17840
person was engaged in, or because of the person's performance of, 17841
official duties under sections 918.01 to 918.12 of the Revised 17842
Code or the rules adopted under those sections, the director 17843
immediately may withdraw inspection from the establishment prior 17844
to an adjudication hearing as required under section 119.06 of the 17845
Revised Code. 17846

(H) In addition to any remedies provided by law and 17847
irrespective of whether or not there exists an adequate remedy at 17848
law, the director may apply to the court of common pleas of the 17849
county in which a violation of sections 918.01 to 918.12 of the 17850
Revised Code or rules adopted under those sections occurs for a 17851
temporary or permanent injunction or other appropriate relief 17852
concerning the violation. 17853

Sec. 918.28. (A) Except as provided in division (F) of 17854
section 918.08 of the Revised Code, application for a license to 17855
operate an establishment shall be made to the director of 17856
agriculture on forms provided by the department of agriculture. 17857
The director shall inspect the establishment and if, upon 17858
inspection, the establishment is found to be in compliance with 17859
this chapter and rules adopted under it, the director shall so 17860
notify the owner of the establishment and, upon receipt of the 17861
annual license fee of ~~fifty~~ one hundred dollars, shall issue the 17862

owner a license. However, if after inspection the director finds 17863
that an establishment is not in compliance with this chapter and 17864
rules adopted under it, the director shall deny the license 17865
application. The applicant may appeal the denial of the license 17866
application in accordance with Chapter 119. of the Revised Code. 17867
The license shall expire on the thirty-first day of March of each 17868
year and, if the director finds that the establishment is in 17869
compliance with this chapter and rules adopted under it, shall be 17870
renewed according to the standard renewal procedures of sections 17871
4745.01 to 4745.03 of the Revised Code. 17872

(B) If after inspection the director determines that an 17873
establishment licensed under this section is operating in 17874
violation of this chapter or a rule or order adopted or issued 17875
under authority thereof, the director shall notify the licensee in 17876
writing of the violation, giving the licensee ten days from the 17877
date of the notice to correct the conditions causing the 17878
violation. If the conditions are not corrected within the ten-day 17879
period, the director may do either of the following: 17880

(1) Impose progressive enforcement actions as provided in 17881
division (C)(1) of this section in the same manner as inspectors; 17882

(2) Suspend or revoke the license in accordance with Chapter 17883
119. of the Revised Code. 17884

(C)(1) If an inspector determines that an establishment 17885
licensed under division (A) of this section is operating in 17886
violation of sections 918.21 to 918.31 of the Revised Code and 17887
rules adopted under those sections, the inspector may notify the 17888
licensee in writing of the violation. The inspector immediately 17889
may impose progressive enforcement actions, including withholding 17890
the mark of inspection, suspension of inspection, suspension of 17891
inspection held in abeyance, and withdrawal of inspection. The 17892
progressive enforcement actions may be taken prior to affording 17893

the licensee an opportunity for a hearing. As authorized in 17894
division (C) of section 119.06 of the Revised Code, a decision to 17895
impose a progressive enforcement action is immediately appealable 17896
to a higher authority within the department who is classified by 17897
the director as a district supervisor and who is designated by the 17898
director to hear the appeal. If the district supervisor affirms 17899
the enforcement action of the inspector, the licensee may appeal 17900
the enforcement action in accordance with Chapter 119. of the 17901
Revised Code. 17902

(2) As used in division (C)(1) of this section, "suspension 17903
of inspection held in abeyance" means a period of time during 17904
which a suspension of inspection is lifted because an 17905
establishment has presented the director with a corrective action 17906
plan that, if implemented properly, would bring the establishment 17907
into compliance with this chapter and rules adopted under it. 17908

(D) If in the opinion of the director the establishment is 17909
being operated under such insanitary conditions as to be a hazard 17910
to public health, or if the director determines that an 17911
establishment is not in compliance with its hazard analysis 17912
critical control point plan as required by rules, the director may 17913
condemn or retain the product on hand and immediately withdraw 17914
inspection from the establishment until such time as the 17915
insanitary conditions are corrected or until the establishment is 17916
in compliance with its hazard analysis critical control point 17917
plan, as applicable. 17918

(E) If the director determines that the owner or operator of 17919
or any person employed by an establishment licensed under division 17920
(A) of this section forcibly assaulted, resisted, opposed, 17921
impeded, intimidated, or interfered with any person while that 17922
person was engaged in, or because of the person's performance of, 17923
official duties under sections 918.21 to 918.31 of the Revised 17924
Code or the rules adopted under those sections, the director 17925

immediately may withdraw inspection from the establishment prior 17926
to an adjudication hearing as required under section 119.06 of the 17927
Revised Code. 17928

(F) In addition to any remedies provided by law and 17929
irrespective of whether or not there exists an adequate remedy at 17930
law, the director may apply to the court of common pleas of the 17931
county in which a violation of sections 918.21 to 918.31 of the 17932
Revised Code or rules adopted under those sections occurs for a 17933
temporary or permanent injunction or other appropriate relief 17934
concerning the violation. 17935

Sec. 921.02. (A) No person shall distribute a pesticide 17936
within this state unless the pesticide is registered with the 17937
director of agriculture under this chapter. Registrations shall be 17938
issued for a period of time established by rule and shall be 17939
renewed in accordance with deadlines established by rule. 17940
Registration is not required if a pesticide is shipped from one 17941
plant or warehouse to another plant or warehouse operated by the 17942
same person and used solely at that plant or warehouse as a 17943
constituent part to make a pesticide that is registered under this 17944
chapter, or if the pesticide is distributed under the provisions 17945
of an experimental use permit issued under section 921.03 of the 17946
Revised Code or an experimental use permit issued by the United 17947
States environmental protection agency. 17948

(B) The applicant for registration of a pesticide shall file 17949
a statement with the director on a form provided by the director, 17950
which shall include all of the following: 17951

(1) The name and address of the applicant and the name and 17952
address of the person whose name will appear on the label, if 17953
other than the applicant's name; 17954

(2) The brand and product name of the pesticide; 17955

(3) Any necessary information required for completion of the 17956
department of agriculture's application for registration, 17957
including the agency registration number; 17958

(4) A complete copy of the labeling accompanying the 17959
pesticide and a statement of all claims to be made for it, 17960
including the directions for use and the use classification as 17961
provided for in the federal act. 17962

(C) The director, when the director considers it necessary in 17963
the administration of this chapter, may require the submission of 17964
the complete formula of any pesticide including the active and 17965
inert ingredients. 17966

(D) The director may require a full description of the tests 17967
made and the results thereof upon which the claims are based for 17968
any pesticide. The director shall not consider any data submitted 17969
in support of an application, without permission of the applicant, 17970
in support of any other application for registration unless the 17971
other applicant first has offered to pay reasonable compensation 17972
for producing the test data to be relied upon and the data are not 17973
protected from disclosure by section 921.04 of the Revised Code. 17974
In the case of a renewal of registration, a statement shall be 17975
required only with respect to information that is different from 17976
that furnished when the pesticide was registered or last 17977
registered. 17978

(E) The director may require any other information to be 17979
submitted with an application. 17980

Any applicant may designate any portion of the required 17981
registration information as a trade secret or confidential 17982
business information. Upon receipt of any required registration 17983
information designated as a trade secret or confidential business 17984
information, the director shall consider the designated 17985
information as confidential and shall not reveal or cause to be 17986

revealed any such designated information without the consent of 17987
the applicants, except to persons directly involved in the 17988
registration process described in this section or as required by 17989
law. 17990

(F) Beginning January 1, 2007, each applicant shall pay a 17991
registration and inspection fee of one hundred fifty dollars for 17992
each product name and brand registered for the company whose name 17993
appears on the label. If an applicant files for a renewal of 17994
registration after the deadline established by rule, the applicant 17995
shall pay a penalty fee of seventy-five dollars for each product 17996
name and brand registered for the applicant. The penalty fee shall 17997
be added to the original fee and paid before the renewal 17998
registration is issued. In addition to any other remedy available 17999
under this chapter, if a pesticide that is not registered pursuant 18000
to this section is distributed within this state, the person 18001
required to register the pesticide shall do so and shall pay a 18002
penalty fee of seventy-five dollars for each product name and 18003
brand registered for the applicant. The penalty fee shall be added 18004
to the original fee of one hundred fifty dollars and paid before 18005
the registration is issued. 18006

(G) Provided that the state is authorized by the 18007
administrator of the United States environmental protection agency 18008
to register pesticides to meet special local needs, the director 18009
shall require the information set forth under divisions (B), (C), 18010
(D), and (E) of this section and shall register any such pesticide 18011
after determining that all of the following conditions are met: 18012

(1) Its composition is such as to warrant the proposed claims 18013
for it. 18014

(2) Its labeling and other material required to be submitted 18015
comply with the requirements of the federal act and of this 18016
chapter, and rules adopted thereunder. 18017

(3) It will perform its intended function without 18018
unreasonable adverse effects on the environment. 18019

(4) When used in accordance with widespread and commonly 18020
recognized practice, it will not generally cause unreasonable 18021
adverse effects on the environment. 18022

(5) The classification for general or restricted use is in 18023
conformity with the federal act. 18024

The director shall not make any lack of essentiality a 18025
criterion for denying the registration of any pesticide. When two 18026
pesticides meet the requirements of division (G) of this section, 18027
the director shall not register one in preference to the other. 18028

(H)(1) The director may refuse to register a pesticide if the 18029
application for registration fails to comply with this section. 18030

(2) The director may suspend or revoke a pesticide 18031
registration after a hearing in accordance with Chapter 119. of 18032
the Revised Code for a pesticide that fails to meet the claims 18033
made for it on its label. 18034

(3) The director may immediately suspend a pesticide 18035
registration, prior to a hearing, when the director believes that 18036
the pesticide poses an immediate hazard to human or animal health 18037
or a hazard to the environment. Not later than fifteen days after 18038
suspending the registration, the director shall determine whether 18039
the pesticide poses such a hazard. If the director determines that 18040
no hazard exists, the director shall lift the suspension of the 18041
registration. If the director determines that a hazard exists, the 18042
director shall revoke the registration in accordance with Chapter 18043
119. of the Revised Code. 18044

(I) All money collected under this section shall be credited 18045
to the pesticide, fertilizer, and lime program fund created in 18046
section 921.22 of the Revised Code. 18047

Sec. 921.06. (A)(1) No individual shall do any of the	18048
following without having a commercial applicator license issued by	18049
the director of agriculture:	18050
(a) Apply pesticides for a pesticide business without direct	18051
supervision;	18052
(b) Apply pesticides as part of the individual's duties while	18053
acting as an employee of the United States government, a state,	18054
county, township, or municipal corporation, or a park district,	18055
port authority, or sanitary district created under Chapter 1545.,	18056
4582., or 6115. of the Revised Code, respectively;	18057
(c) Apply restricted use pesticides. Division (A)(1)(c) of	18058
this section does not apply to a private applicator or an	18059
immediate family member or a subordinate employee of a private	18060
applicator who is acting under the direct supervision of that	18061
private applicator.	18062
(d) If the individual is the owner of a business other than a	18063
pesticide business or an employee of such an owner, apply	18064
pesticides at any of the following publicly accessible sites that	18065
are located on the property:	18066
(i) Food service operations that are licensed under Chapter	18067
3717. of the Revised Code;	18068
(ii) Retail food establishments that are licensed under	18069
Chapter 3717. of the Revised Code;	18070
(iii) Golf courses;	18071
(iv) Rental properties of more than four apartment units at	18072
one location;	18073
(v) Hospitals or medical facilities as defined in section	18074
3701.01 of the Revised Code;	18075
(vi) Child day-care centers or school child day-care centers	18076

(vii) Facilities owned or operated by a school district 18078
established under Chapter 3311. of the Revised Code, including an 18079
education service center, a community school established under 18080
Chapter 3314. of the Revised Code, or a chartered or nonchartered 18081
nonpublic school that meets minimum standards established by the 18082
state board of education; 18083

(viii) Colleges as defined in section 3365.01 of the Revised 18084

(x) Any other site designated by rule. 18088

(e) Conduct authorized diagnostic inspections. 18089

(2) Divisions (A)(1)(a) to (d) of this section do not apply 18090
to an individual who is acting as a trained serviceperson under 18091
the direct supervision of a commercial applicator. 18092

(3) Licenses shall be issued for a period of time established 18093
by rule and shall be renewed in accordance with deadlines 18094
established by rule. The fee for each such license shall be 18095
established by rule. If a license is not issued or renewed, the 18096
application fee shall be retained by the state as payment for the 18097
reasonable expense of processing the application. The director 18098
shall by rule classify by pesticide-use category licenses to be 18099
issued under this section. A single license may include more than 18100
one pesticide-use category. No individual shall be required to pay 18101
an additional license fee if the individual is licensed for more 18102
than one category. 18103

The fee for each license or renewal does not apply to an 18104
applicant who is an employee of the department of agriculture 18105
whose job duties require licensure as a commercial applicator as a 18106

condition of employment. 18107

(B) Application for a commercial applicator license shall be 18108
made on a form prescribed by the director. Each application for a 18109
license shall state the pesticide-use category or categories of 18110
license for which the applicant is applying and other information 18111
that the director determines essential to the administration of 18112
this chapter. 18113

(C) If the director finds that the applicant is competent to 18114
apply pesticides and conduct diagnostic inspections and that the 18115
applicant has passed both the general examination and each 18116
applicable pesticide-use category examination as required under 18117
division (A) of section 921.12 of the Revised Code, the director 18118
shall issue a commercial applicator license limited to the 18119
pesticide-use category or categories for which the applicant is 18120
found to be competent. If the director rejects an application, the 18121
director may explain why the application was rejected, describe 18122
the additional requirements necessary for the applicant to obtain 18123
a license, and return the application. The applicant may resubmit 18124
the application without payment of any additional fee. 18125

(D)(1) A person who is a commercial applicator shall be 18126
deemed to hold a private applicator's license for purposes of 18127
applying pesticides on agricultural commodities that are produced 18128
by the commercial applicator. 18129

(2) A commercial applicator shall apply pesticides only in 18130
the pesticide-use category or categories in which the applicator 18131
is licensed under this chapter. 18132

(E) All money collected under this section shall be credited 18133
to the pesticide, fertilizer, and lime program fund created in 18134
section 921.22 of the Revised Code. 18135

Sec. 921.09. (A)(1) No person shall own or operate a 18136

pesticide business without obtaining a license from the director 18137
of agriculture. Licenses shall be issued for a period of time 18138

(2) The information described in division (C)(1) of this section shall remain confidential for all purposes except when it is necessary for the superintendent to take official action regarding the affairs of a registrant or licensee, or in connection with criminal or civil proceedings to be initiated by a prosecuting attorney or the attorney general. This information may also be introduced into evidence or disclosed when and in the manner authorized by section 1181.25 of the Revised Code.

(D) All application information, except social security numbers, employer identification numbers, financial account numbers, the identity of the institution where financial accounts are maintained, personal financial information, fingerprint cards and the information contained on such cards, and criminal background information, is a public record as defined in section 149.43 of the Revised Code.

(E) This section does not prevent the division of financial institutions from releasing to or exchanging with other financial institution regulatory authorities information relating to registrants and licensees. For this purpose, a "financial institution regulatory authority" includes a regulator of a

business activity in which a registrant or licensee is engaged, or 20673
has applied to engage in, to the extent that the regulator has 20674
jurisdiction over a registrant or licensee engaged in that 20675
business activity. A registrant or licensee is engaged in a 20676
business activity, and a regulator of that business activity has 20677
jurisdiction over the registrant or licensee, whether the 20678
registrant or licensee conducts the activity directly or a 20679
subsidiary or affiliate of the registrant or licensee conducts the 20680
activity. 20681

(1) Any confidentiality or privilege arising under federal or 20682
state law with respect to any information or material provided to 20683
the nationwide mortgage licensing system and registry shall 20684
continue to apply to the information or material after the 20685
information or material has been provided to the nationwide 20686
mortgage licensing system and registry. The information and 20687
material so provided may be shared with all state and federal 20688
regulatory officials with mortgage industry oversight authority 20689
without the loss of confidentiality or privilege protections 20690
provided by federal law or the law of any state. Information or 20691
material described in division (E)(1) of this section to which 20692
confidentiality or privilege applies shall not be subject to any 20693
of the following: 20694

(a) Disclosure under any federal or state law governing 20695
disclosure to the public of information held by an officer or an 20696
agency of the federal government or of the respective state; 20697

(b) Subpoena or discovery, or admission into evidence, in any 20698
private civil action or administrative process, unless the person 20699
to whom such information or material pertains waives, in whole or 20700
in part and at the discretion of the person, any privilege held by 20701
the nationwide mortgage licensing system and registry with respect 20702
to that information or material. 20703

(2) The superintendent, in order to promote more effective 20704

regulation and reduce regulatory burden through supervisory 20705
information sharing, may enter into sharing arrangements with 20706
other governmental agencies, the conference of state bank 20707
supervisors, and the American association of residential mortgage 20708
regulators. 20709

(3) Any state law, including the public records law, relating 20710
to the disclosure of confidential supervisory information or any 20711
information or material described in division (E)(1) of this 20712
section that is inconsistent with that division shall be 20713
superseded by the requirements of that division. 20714

(F) This section shall not apply with respect to information 20715
or material relating to the employment history of, and publicly 20716
adjudicated disciplinary and enforcement actions against, mortgage 20717
loan originators that is included in the nationwide mortgage 20718
licensing system and registry for access by the public. 20719

(G) This section does not prevent the division from releasing 20720
information relating to registrants and licensees to the attorney 20721
general, to the superintendent of real estate and professional 20722
licensing for purposes relating to the administration of Chapters 20723
4735. and 4763. of the Revised Code, to the superintendent of 20724
insurance for purposes relating to the administration of Chapter 20725
3953. of the Revised Code, to the commissioner of securities for 20726
purposes relating to the administration of Chapter 1707. of the 20727
Revised Code, or to local law enforcement agencies and local 20728
prosecutors. Information the division releases pursuant to this 20729
section remains confidential. 20730

(H) The superintendent of financial institutions shall, by 20731
rule adopted in accordance with Chapter 119. of the Revised Code, 20732
establish a process by which mortgage loan originators may 20733
challenge information provided to the nationwide mortgage 20734
licensing system and registry by the superintendent. 20735

(I) No person, in connection with any examination or investigation conducted by the superintendent under sections 1321.51 to 1321.60 of the Revised Code, shall knowingly do any of the following: 20736
20737
20738
20739

(1) Circumvent, interfere with, obstruct, or fail to cooperate, including making a false or misleading statement, failing to produce records, or intimidating or suborning any witness; 20740
20741
20742
20743

(2) Withhold, abstract, remove, mutilate, destroy, or secrete any books, records, computer records, or other information; 20744
20745

(3) Tamper with, alter, or manufacture any evidence. 20746

Sec. 1321.551. (A) No registrant shall conduct the business of making loans under sections 1321.51 to 1321.60 of the Revised Code in any office, room, or place of business in which any other business is solicited or engaged in, or in association or conjunction with any other such business, if the superintendent of financial institutions finds, pursuant to a hearing conducted in accordance with Chapter 119. of the Revised Code, that the other business is of such a nature that the conduct tends to conceal evasion of sections 1321.51 to 1321.60 of the Revised Code or of the rules adopted under those sections, and orders the registrant in writing to desist from the conduct. 20747

Each original mortgage loan originator license shall be deposited with and maintained at the registrant's main office. (C) If a mortgage loan originator's employment or association is terminated for any reason, the registrant shall return the original mortgage loan originator license to the superintendent within five business days after the termination. The licensee may request the transfer of the license to another registrant by submitting a transfer application, along with a fifteen dollar fee and any fee required by the national mortgage licensing system and registry, to the superintendent, or may request in writing that the superintendent hold the license in escrow. A licensee whose license is held in escrow shall cease activity as a mortgage loan originator. A licensee whose license is held in escrow shall be required to apply for renewal annually and to comply with the annual continuing education requirement.

(D) A registrant may employ or be associated with a mortgage loan originator on a temporary basis pending the transfer of the mortgage loan originator's license to the registrant, if the registrant receives written confirmation from the superintendent that the mortgage loan originator is licensed under sections 1321.51 to 1321.60 of the Revised Code.

(E)(1) Notwithstanding divisions (B), (C), and (D) of this section, if a mortgage loan originator is employed by or associated with a person claiming an exception under division (D) of section 1321.53 of the Revised Code, the mortgage loan originator shall maintain and display the original mortgage loan originator license at the office where the mortgage loan originator principally transacts business.

(2) If a mortgage loan originator's employment or association is terminated for any reason, the licensee shall return the original mortgage loan originator license to the superintendent within five business days after the termination. The licensee may request the transfer of the license to a mortgage broker or other person claiming an exception under division (D) of section 1321.53

of the Revised Code by submitting a transfer application, along 20799
with a fifteen dollar fee and any fee required by the national 20800
mortgage licensing system and registry, to the superintendent, or 20801
may request the superintendent in writing to hold the license in 20802
escrow. A licensee whose license is held in escrow shall cease 20803
activity as a mortgage loan originator. A licensee whose license 20804
is held in escrow shall be required to apply for renewal annually 20805
and to comply with the annual continuing education requirement. 20806

(3) The licensee may seek to be employed or associated with a 20807
mortgage broker or other person claiming an exception under 20808
division (D) of section 1321.53 of the Revised Code if the 20809
mortgage broker or person receives written confirmation from the 20810
superintendent that the mortgage loan originator is licensed under 20811
sections 1321.51 to 1321.60 of the Revised Code. 20812

(F)(1) No registrant, through its operations manager or 20813
otherwise, shall fail to reasonably supervise a mortgage loan 20814
originator or other persons employed by or associated with the 20815
registrant. 20816

(2) No registrant shall fail to establish reasonable 20817
procedures designed to avoid violations of sections 1321.51 to 20818
1321.60 of the Revised Code or rules adopted thereunder, or 20819
violations of applicable state and federal consumer and lending 20820
laws or rules, by mortgage loan originators or other persons 20821
employed by or associated with the registrant. 20822

(G) A license, or the authority granted under that license, 20823
is not assignable and cannot be franchised by contract or any 20824
other means. 20825

Sec. 1321.552. (A) Notwithstanding any provision of sections 20826
1321.51 to 1321.60 of the Revised Code, or any rule adopted 20827
thereunder, if the "Secure and Fair Enforcement for Mortgage 20828
Licensing Act of 2008," 122 Stat. 2810, 12 U.S.C. 5101, as 20829

amended, is modified after the effective date of this section, or 20830
any regulation, statement, or position is adopted under that act, 20831
and the item modified or adopted affects any matter within the 20832
scope of sections 1321.51 to 1321.60 of the Revised Code, the 20833
superintendent of financial institutions may by rule adopt a 20834
similar provision. 20835

(B) The superintendent shall adopt the rules authorized by 20836
this section in accordance with section 111.15 of the Revised 20837
Code. Chapter 119. of the Revised Code does not apply to rules 20838
adopted under the authority of this section. 20839

(C) A rule adopted by the superintendent under the authority 20840
of this section is effective on the later of the following dates: 20841

(1) The date the superintendent issues the rule; 20842

(2) The date the regulation, rule, interpretation, procedure, 20843
or guideline the superintendent's rule is based on becomes 20844
effective. 20845

(D) The superintendent may, upon thirty days' written notice, 20846
revoke any rule adopted under the authority of this section. A 20847
rule adopted under the authority of this section, and not revoked 20848
by the superintendent, lapses and has no further force and effect 20849
eighteen months after the rule's effective date. 20850

Sec. 1321.57. (A) Notwithstanding any other provisions of the 20851
Revised Code, a registrant may contract for and receive interest, 20852
calculated according to the actuarial method, at a rate or rates 20853
not exceeding twenty-one per cent per year on the unpaid principal 20854
balances of the loan. Loans may be interest-bearing or 20855
precomputed. 20856

(B) For purposes of computation of time on interest-bearing 20857
and precomputed loans, including, but not limited to, the 20858
calculation of interest, a month is considered one-twelfth of a 20859

year, and a day is considered one three hundred sixty-fifth of a 20860
year when calculation is made for a fraction of a month. A year is 20861
as defined in section 1.44 of the Revised Code. A month is that 20862
period described in section 1.45 of the Revised Code. 20863
Alternatively, a registrant may consider a day as one three 20864
hundred sixtieth of a year and each month as having thirty days. 20865

(C) With respect to interest-bearing loans: 20866

(1)(a) Interest shall be computed on unpaid principal 20867
balances outstanding from time to time, for the time outstanding. 20868

(b) As an alternative to the method of computing interest set 20869
forth in division (C)(1)(a) of this section, a registrant may 20870
charge and collect interest for the first installment period based 20871
on elapsed time from the date of the loan to the first scheduled 20872
payment due date, and for each succeeding installment period from 20873
the scheduled payment due date to the next scheduled payment due 20874
date, regardless of the date or dates the payments are actually 20875
made. 20876

(c) Whether a registrant computes interest pursuant to 20877
division (C)(1)(a) or (b) of this section, each payment shall be 20878
applied first to unpaid charges, then to interest, and the 20879
remainder to the unpaid principal balance. However, if the amount 20880
of the payment is insufficient to pay the accumulated interest, 20881
the unpaid interest continues to accumulate to be paid from the 20882
proceeds of subsequent payments and is not added to the principal 20883
balance. 20884

(2) Interest shall not be compounded, collected, or paid in 20885
advance. However, both of the following apply: 20886

(a) Interest may be charged to extend the first monthly 20887
installment period by not more than fifteen days, and the interest 20888
charged for the extension may be added to the principal amount of 20889
the loan. 20890

(b) If part or all of the consideration for a new loan contract is the unpaid principal balance of a prior loan, the principal amount payable under the new loan contract may include any unpaid interest that has accrued. The resulting loan contract shall be deemed a new and separate loan transaction for purposes of this section. The unpaid principal balance of a precomputed loan is the balance due after refund or credit of unearned interest as provided in division (D)(3) of this section.

(D) With respect to precomputed loans:

(1) Loans shall be repayable in monthly installments of principal and interest combined, except that the first installment period may exceed one month by not more than fifteen days, and the first installment payment amount may be larger than the remaining payments by the amount of interest charged for the extra days; and provided further that monthly installment payment dates may be omitted to accommodate borrowers with seasonal income.

(2) Payments may be applied to the combined total of principal and precomputed interest until maturity of the loan. A registrant may charge interest after the original or deferred maturity of a precomputed loan at the rate specified in division (A) of this section on all unpaid principal balances for the time outstanding.

(3) When any loan contract is paid in full by cash, renewal, refinancing, or a new loan, one month or more before the final installment due date, the registrant shall refund, or credit the borrower with, the total of the applicable charges for all fully unexpired installment periods, as originally scheduled or as deferred, that follow the day of prepayment. If the prepayment is made other than on a scheduled installment due date, the nearest scheduled installment due date shall be used in such computation. If the prepayment occurs prior to the first installment due date, the registrant may retain one-thirtieth of the applicable charge

for a first installment period of one month for each day from date 20923
of loan to date of prepayment, and shall refund, or credit the 20924
borrower with, the balance of the total interest contracted for. 20925
If the maturity of the loan is accelerated for any reason and 20926
judgment is entered, the registrant shall credit the borrower with 20927
the same refund as if prepayment in full had been made on the date 20928
the judgment is entered. 20929

(4) If the parties agree in writing, either in the loan 20930
contract or in a subsequent agreement, to a deferment of wholly 20931
unpaid installments, a registrant may grant a deferment and may 20932
collect a deferment charge as provided in this section. A 20933
deferment postpones the scheduled due date of the earliest unpaid 20934
installment and all subsequent installments as originally 20935
scheduled, or as previously deferred, for a period equal to the 20936
deferment period. The deferment period is that period during which 20937
no installment is scheduled to be paid by reason of the deferment. 20938
The deferment charge for a one-month period may not exceed the 20939
applicable charge for the installment period immediately following 20940
the due date of the last undeferred installment. A proportionate 20941
charge may be made for deferment for periods of more or less than 20942
one month. A deferment charge is earned pro rata during the 20943
deferment period and is fully earned on the last day of the 20944
deferment period. If a loan is prepaid in full during a deferment 20945
period, the registrant shall make, or credit to the borrower, a 20946
refund of the unearned deferment charge in addition to any other 20947
refund or credit made for prepayment of the loan in full. 20948

(E) A registrant, at the request of the borrower, may obtain, 20949
on one or more borrowers, credit life insurance, credit accident 20950
and health insurance, and unemployment insurance. The premium or 20951
identifiable charge for the insurance may be included in the 20952
principal amount of the loan and may not exceed the premium rate 20953
filed by the insurer with the superintendent of insurance and not 20954

disapproved by the superintendent. If a registrant obtains the 20955
insurance at the request of the borrower, the borrower shall have 20956
the right to cancel the insurance for a period of twenty-five days 20957
after the loan is made. If the borrower chooses to cancel the 20958
insurance, the borrower shall give the registrant written notice 20959
of this choice and shall return all of the policies or 20960
certificates of insurance or notices of proposed insurance to the 20961
registrant during such period, and the full premium or 20962
identifiable charge for the insurance shall be refunded to the 20963
borrower by the registrant. If the borrower requests, in the 20964
notice to cancel the insurance, that this refund be applied to 20965
reduce the balance of a precomputed loan, the registrant shall 20966
credit the amount of the refund plus the amount of interest 20967
applicable to the refund to the loan balance. 20968

If the registrant obtains the insurance at the request of the 20969
borrower, the registrant shall not charge or collect interest on 20970
any insured amount that remains unpaid after the insured 20971
borrower's date of death. 20972

(F) A registrant may require the borrower to provide 20973
insurance or a loss payable endorsement covering reasonable risks 20974
of loss, damage, and destruction of property used as security for 20975
the loan and with the consent of the borrower such insurance may 20976
cover property other than that which is security for the loan. The 20977
amount and term of required property insurance shall be reasonable 20978
in relation to the amount and term of the loan contract and the 20979
type and value of the security, and the insurance shall be 20980
procured in accordance with the insurance laws of this state. The 20981
purchase of this insurance through the registrant or an agent or 20982
broker designated by the registrant shall not be a condition 20983
precedent to the granting of the loan. If the borrower purchases 20984
the insurance from or through the registrant or from another 20985
source, the premium may be included in the principal amount of the 20986

loan. 20987

(G) On loans secured by an interest in real estate, all of 20988
the following apply: 20989

(1) A registrant, if not prohibited by section 1343.011 of 20990
the Revised Code, may charge and receive up to two points, and a 20991
prepayment penalty not in excess of one per cent of the original 20992
principal amount of the loan. Points may be paid by the borrower 20993
at the time of the loan or may be included in the principal amount 20994
of the loan. On a refinancing, a registrant may not charge under 20995
division (G)(1) of this section either of the following: 20996

(a) Points on the portion of the principal amount that is 20997
applied to the unpaid principal amount of the refinanced loan, if 20998
the refinancing occurs within one year after the date of the 20999
refinanced loan on which points were charged; 21000

(b) A prepayment penalty. 21001

(2) As an alternative to the prepayment penalty described in 21002
division (G)(1) of this section, a registrant may contract for, 21003
charge, and receive the prepayment penalty described in division 21004
(G)(2) of this section for the prepayment of a loan prior to two 21005
years after the date the loan contract is executed. This 21006
prepayment penalty shall not exceed two per cent of the original 21007
principal amount of the loan if the loan is paid in full prior to 21008
one year after the date the loan contract is executed. The penalty 21009
shall not exceed one per cent of the original principal amount of 21010
the loan if the loan is paid in full at any time from one year, 21011
but prior to two years, after the date the loan contract is 21012
executed. A registrant shall not charge or receive a prepayment 21013
penalty under division (G)(2) of this section if any of the 21014
following applies: 21015

(a) The loan is a refinancing by the same registrant or a 21016
registrant to whom the loan has been assigned; 21017

(b) The loan is paid in full as a result of the sale of the real estate that secures the loan;

(c) The loan is paid in full with the proceeds of an insurance claim against an insurance policy that insures the life of the borrower or an insurance policy that covers loss, damage, or destruction of the real estate that secures the loan.

(3) Division (G) of this section is not a limitation on discount points or other charges for purposes of section 501(b)(4) of the "Depository Institutions Deregulation and Monetary Control Act of 1980," 94 Stat. 161, 12 U.S.C.A. 1735f-7 note.

(H)(1) In addition to the interest and charges provided for by this section, no further or other amount, whether in the form of broker fees, placement fees, or any other fees whatsoever, shall be charged or received by the registrant, except costs and disbursements in connection with any suit to collect a loan or any lawful activity to realize on a security interest or mortgage after default, including reasonable attorney fees, as limited by division (H)(3) of this section, incurred by the registrant as a result of the suit or activity and to which the registrant becomes entitled by law, and except the following additional charges which may be included in the principal amount of the loan or collected at any time after the loan is made:

(a) The amounts of fees authorized by law to record, file, or release security interests and mortgages on a loan;

(b) With respect to a loan secured by an interest in real estate, the following closing costs, if they are bona fide, reasonable in amount, paid to third parties, and not for the purpose of circumvention or evasion of this section:

(i) Fees or premiums for title examination, abstract of title, title insurance, surveys, title endorsements, title binders, title commitments, home inspections, or pest inspections;

settlement or closing costs paid by unaffiliated third parties, 21049
provided the costs are not for underwriting or processing 21050
services; courier fees; and any federally mandated flood plain 21051
certification fee; 21052

(ii) If not paid to the registrant, an employee of the 21053
registrant, or a person ~~related to~~ affiliated with the registrant, 21054
fees for preparation of a mortgage, settlement statement, or other 21055
documents, fees for notarizing mortgages and other documents, 21056
appraisal fees, and fees for any federally mandated inspection of 21057
home improvement work financed by a second mortgage loan; 21058

(c) Fees for credit investigations not exceeding ten dollars. 21059

(2) Division (H)(1) of this section does not limit the rights 21060
of registrants to engage in other transactions with borrowers, 21061
provided the transactions are not a condition of the loan. 21062

(I) If the loan contract or security instrument contains 21063
covenants by the borrower to perform certain duties pertaining to 21064
insuring or preserving security and the registrant pursuant to the 21065
loan contract or security instrument pays for performance of the 21066
duties on behalf of the borrower, the registrant may add the 21067
amounts paid to the unpaid principal balance of the loan or 21068
collect them separately. A charge for interest may be made for 21069
sums advanced not exceeding the rate of interest permitted by 21070
division (A) of this section. Within a reasonable time after 21071
advancing a sum, the registrant shall notify the borrower in 21072
writing of the amount advanced, any interest charged with respect 21073
to the amount advanced, any revised payment schedule, and shall 21074
include a brief description of the reason for the advance. 21075

(J)(1) In addition to points authorized under division (G) of 21076
this section, a registrant may charge and receive the following: 21077

(a) With respect to ~~secured~~ loans secured by goods or real 21078
estate: if the principal amount of the loan is ~~less than~~ five 21079

hundred dollars or less, loan origination charges not exceeding 21080
fifteen dollars; if the principal amount of the loan is ~~at least~~ 21081
more than five hundred dollars but less than one thousand dollars, 21082
loan origination charges not exceeding thirty dollars; if the 21083
principal amount of the loan is at least one thousand dollars but 21084
less than two thousand dollars, loan origination charges not 21085
exceeding one hundred dollars; if the principal amount of the loan 21086
is at least two thousand dollars but less than five thousand 21087
dollars, loan origination charges not exceeding two hundred 21088
dollars; and if the principal amount of the loan is at least five 21089
thousand dollars, loan origination charges not exceeding the 21090
greater of two hundred fifty dollars or one per cent of the 21091
principal amount of the loan. 21092

(b) With respect to ~~unsecured~~ loans that are not secured by 21093
goods or real estate: if the principal amount of the loan is ~~less~~ 21094
~~than~~ five hundred dollars or less, loan origination charges not 21095
exceeding fifteen dollars; if the principal amount of the loan is 21096
~~at least~~ more than five hundred dollars but less than one thousand 21097
dollars, loan origination charges not exceeding thirty dollars; if 21098
the principal amount of the loan is at least one thousand dollars 21099
but less than five thousand dollars, loan origination charges not 21100
exceeding one hundred dollars; and if the principal amount of the 21101
loan is at least five thousand dollars, loan origination charges 21102
not exceeding the greater of two hundred fifty dollars or one per 21103
cent of the principal amount of the loan. 21104

(2) If a refinancing occurs within ninety days after the date 21105

wetlands, watercourses, waterways, wells, springs, irrigation 25178
systems, drainage systems, and all other bodies or accumulations 25179
of water, surface and underground, natural or artificial, 25180
regardless of the depth of the strata in which underground water 25181
is located, that are situated wholly or partly within, or border 25182
upon, this state or are within its jurisdiction, except those 25183
private waters that do not combine or effect a junction with 25184
natural surface or underground waters. 25185

(F) "Operation and management plan" means a written record, 25186
developed or approved by the district board of supervisors or the 25187
chief, for the owner or operator of agricultural land or a 25188
concentrated animal feeding ~~operations~~ operation that contains 25189
implementation schedules and operational procedures for a level of 25190
management and pollution abatement practices that will abate the 25191
degradation of the waters of the state by animal waste and by soil 25192
sediment including attached pollutants. 25193

(G) "Animal waste" means animal excreta, discarded products, 25194
bedding, wash waters, waste feed, and silage drainage. "Animal 25195
waste" also includes the compost products resulting from the 25196

composting of dead animals in operations subject to section	25197
1511.022 of the Revised Code when either of the following applies:	25198
(1) The composting is conducted by the person who raises the	25199
animals and the compost product is used in agricultural operations	25200
owned or operated by that person, regardless of whether the person	25201
owns the animals;	25202
(2) The composting is conducted by the person who owns the	25203
animals, but does not raise them and the compost product is used	25204
in agricultural operations either by a person who raises the	25205
animals or by a person who raises grain that is used to feed them	25206
and that is supplied by the owner of the animals.	25207
(H) "Composting" means the controlled decomposition of	25208
organic solid material consisting of dead animals that stabilizes	25209
the organic fraction of the material.	25210
Sec. 1511.02. The chief of the division of soil and water	25211
conservation <u>resources</u> , subject to the approval of the director of	25212
natural resources, shall do all of the following:	25213
(A) Provide administrative leadership to local soil and water	25214
conservation districts in planning, budgeting, staffing, and	25215

supervisors and personnel in their duties, responsibilities, and	25217
authorities as prescribed in this chapter and Chapter 1515. of the	25218
Revised Code;	25219
(B) Administer this chapter and Chapter 1515. of the Revised	25220

assistance to the Ohio soil and water conservation commission in	25222
exercising its statutory responsibilities;	25223
(C) Assist in expediting state responsibilities for watershed	25224
development and other natural resource conservation works of	25225
improvement;	25226

(D) Coordinate the development and implementation of 25227
cooperative programs and working agreements between local soil and 25228
water conservation districts and divisions or sections of the 25229
department of natural resources, or other agencies of local, 25230
state, and federal government; 25231

(E) Subject to the approval of the Ohio soil and water 25232
conservation commission, adopt, amend, or rescind rules pursuant 25233
to Chapter 119. of the Revised Code. Rules adopted pursuant to 25234
this section: 25235

(1) Shall establish technically feasible and economically 25236
reasonable standards to achieve a level of management and 25237
conservation practices in farming or silvicultural operations that 25238
will abate wind or water erosion of the soil or abate the 25239
degradation of the waters of the state by animal waste or by soil 25240
sediment including substances attached thereto, and establish 25241
criteria for determination of the acceptability of such management 25242
and conservation practices; 25243

(2) Shall establish technically feasible and economically 25244
reasonable standards to achieve a level of management and 25245
conservation practices that will abate wind or water erosion of 25246
the soil or abate the degradation of the waters of the state by 25247
soil sediment in conjunction with land grading, excavating, 25248
filling, or other soil-disturbing activities on land used or being 25249
developed for nonfarm commercial, industrial, residential, or 25250
other nonfarm purposes, and establish criteria for determination 25251
of the acceptability of such management and conservation 25252
practices. The standards shall be designed to implement applicable 25253
areawide waste treatment management plans prepared under section 25254
208 of the "Federal Water Pollution Control Act," 86 Stat. 816 25255
(1972), 33 U.S.C.A. 1288, as amended. The standards and criteria 25256
shall not apply in any municipal corporation or county that adopts 25257
ordinances or rules pertaining to sediment control, nor to lands 25258

being used in a strip mine operation as defined in section 1513.01 25259
of the Revised Code, nor to lands being used in a surface mining 25260
operation as defined in section 1514.01 of the Revised Code. 25261

(3) May recommend criteria and procedures for the approval of 25262
urban sediment pollution abatement plans and issuance of permits 25263
prior to any grading, excavating, filling, or other whole or 25264
partial disturbance of five or more contiguous acres of land owned 25265
by one person or operated as one development unit and require 25266
implementation of such a plan. Areas of less than five contiguous 25267
acres are not exempt from compliance with other provisions of this 25268
chapter and rules adopted under them. 25269

(4) Shall establish procedures for administration of rules 25270
for agricultural pollution abatement and urban sediment pollution 25271
abatement and for enforcement of rules for agricultural pollution 25272
abatement; 25273

(5) Shall specify the pollution abatement practices eligible 25274
for state cost sharing and determine the conditions for 25275
eligibility, the construction standards and specifications, the 25276
useful life, the maintenance requirements, and the limits of cost 25277
sharing for those practices. Eligible practices shall be limited 25278
to practices that address agricultural or silvicultural operations 25279
and that require expenditures that are likely to exceed the 25280
economic returns to the owner or operator and that abate soil 25281
erosion or degradation of the waters of the state by animal waste 25282
or soil sediment including pollutants attached thereto. 25283

~~(6) Until June 1, 1996, shall specify the multiflora rose 25284
control practices eligible for state cost sharing, the conditions 25285
of eligibility for state cost sharing, the limits of cost sharing 25286
for those practices, specifications for carrying out those 25287
practices to ensure effective control of the multiflora rose and 25288
to safeguard the health and safety of human beings and domestic 25289
animals and the environment, and the contract provisions to be 25290~~

included in cost sharing agreements with landowners;	25291
(7) Until June 1, 1996, shall establish procedures for	25292
administering grants to soil and water conservation districts for	25293
control of multiflora rose;	25294
(8) Shall establish procedures for administering grants to	25295
owners or operators of agricultural land or concentrated animal	25296
feeding operations for the implementation of operation and	25297
management plans;	25298
(9)(7) Shall establish procedures for administering grants to	25299
soil and water conservation districts for urban sediment pollution	25300
abatement programs, specify the types of projects eligible for	25301
grants, establish limits on the availability of grants, and	25302
establish requirements governing the execution of projects to	25303
encourage the reduction of erosion and sedimentation associated	25304
with soil-disturbing activities;	25305
(10)(8) Shall do all of the following with regard to	25306
composting conducted in conjunction with agricultural operations:	25307
(a) Provide for the distribution of educational material	25308
concerning composting to the offices of the Ohio cooperative	25309
extension service for the purposes of section 1511.022 of the	25310
Revised Code;	25311
(b) Establish methods, techniques, or practices for	25312
composting dead animals, or particular types of dead animals, that	25313
are to be used at such operations, as the chief considers to be	25314
necessary or appropriate;	25315
(c) Establish requirements and procedures governing the	25316
review and approval or disapproval of composting plans by the	25317
supervisors of soil and water conservation districts under	25318
division (U)(Q) of section 1515.08 of the Revised Code.	25319
(11)(9) Shall be adopted, amended, or rescinded after the	25320

chief does all of the following: 25321

(a) Mails notice to each statewide organization that the 25322
chief determines represents persons or local governmental agencies 25323
who would be affected by the proposed rule, amendment thereto, or 25324
rescission thereof at least thirty-five days before any public 25325
hearing thereon; 25326

(b) Mails a copy of each proposed rule, amendment thereto, or 25327
rescission thereof to any person who requests a copy, within five 25328
days after receipt of the request; 25329

(c) Consults with appropriate state and local governmental 25330
agencies or their representatives, including statewide 25331
organizations of local governmental officials, industrial 25332
representatives, and other interested persons; 25333

(d) If the rule relates to agricultural pollution abatement, 25334
develops an economic impact statement concerning the effect of the 25335
proposed rule or amendment. 25336

~~(12)~~(10) Shall not conflict with air or water quality 25337
standards adopted pursuant to section 3704.03 or 6111.041 of the 25338
Revised Code. Compliance with rules adopted pursuant to this 25339
section does not affect liability for noncompliance with air or 25340
water quality standards adopted pursuant to section 3704.03 or 25341
6111.041 of the Revised Code. The application of a level of 25342
management and conservation practices recommended under this 25343
section to control windblown soil from farming operations creates 25344
a presumption of compliance with section 3704.03 of the Revised 25345
Code as that section applies to windblown soil. 25346

~~(13)~~(11) Insofar as the rules relate to urban sediment 25347
pollution, shall not be applicable in a municipal corporation or 25348
county that adopts ordinances or rules for urban sediment control, 25349
except that a municipal corporation or county that adopts such 25350
ordinances or rules may receive moneys for urban sediment control 25351

that are disbursed by the board of supervisors of the applicable 25352
soil and water conservation district under division ~~(R)~~(N) of 25353
section 1515.08 of the Revised Code. The rules shall not exempt 25354
any person from compliance with municipal ordinances enacted 25355
pursuant to Section 3 of Article XVIII, Ohio Constitution. 25356

(F) Cost share with landowners on practices established 25357
pursuant to division (E)(5) of this section as moneys are 25358
appropriated and available for that purpose. Any practice for 25359
which cost share is provided shall be maintained for its useful 25360
life. Failure to maintain a cost share practice for its useful 25361
life shall subject the landowner to full repayment to the 25362
division. 25363

(G) Issue orders requiring compliance with any rule adopted 25364
under division (E)(1) of this section or with section 1511.022 of 25365
the Revised Code. Before the chief issues an order, the chief 25366
shall afford each person allegedly liable an adjudication hearing 25367
under Chapter 119. of the Revised Code. The chief may require in 25368
an order that a person who has caused agricultural pollution by 25369
failure to comply with the standards established under division 25370
(E)(1) of this section operate under an operation and management 25371
plan approved by the chief under this section. The chief shall 25372
require in an order that a person who has failed to comply with 25373
division (A) of section 1511.022 of the Revised Code prepare a 25374
composting plan in accordance with rules adopted under division 25375
(E)(10)(c) of this section and operate in accordance with that 25376
plan or that a person who has failed to operate in accordance with 25377
such a plan begin to operate in accordance with it. Each order 25378
shall be issued in writing and contain a finding by the chief of 25379
the facts upon which the order is based and the standard that is 25380
not being met. 25381

(H) Employ field assistants and such other employees as are 25382
necessary for the performance of the work prescribed by Chapter 25383

1515. of the Revised Code, for performance of work of the 25384
division, and as agreed to under working agreements or contractual 25385
arrangements with local soil and water conservation districts, 25386
prescribe their duties, and fix their compensation in accordance 25387
with such schedules as are provided by law for the compensation of 25388
state employees. 25389

All employees of the division, unless specifically exempted 25390
by law, shall be employed subject to the classified civil service 25391
laws in force at the time of employment. 25392

(I) In connection with new or relocated projects involving 25393
highways, underground cables, pipelines, railroads, and other 25394
improvements affecting soil and water resources, including surface 25395
and subsurface drainage: 25396

(1) Provide engineering service as is mutually agreeable to 25397
the Ohio soil and water conservation commission and the director 25398
to aid in the design and installation of soil and water 25399
conservation practices as a necessary component of such projects; 25400

(2) Maintain close liaison between the owners of lands on 25401
which the projects are executed, local soil and water conservation 25402
districts, and authorities responsible for such projects; 25403

(3) Review plans for such projects to ensure their compliance 25404
with standards developed under division (E) of this section in 25405
cooperation with the department of transportation or with any 25406
other interested agency that is engaged in soil or water 25407
conservation projects in the state in order to minimize adverse 25408
impacts on soil and water resources adjacent to or otherwise 25409
affected by these projects; 25410

(4) Recommend measures to retard erosion and protect soil and 25411
water resources through the installation of water impoundment or 25412
other soil and water conservation practices; 25413

(5) Cooperate with other agencies and subdivisions of the 25414

state to protect the agricultural status of rural lands adjacent 25415
to such projects and control adverse impacts on soil and water 25416
resources. 25417

(J) Collect, analyze, inventory, and interpret all available 25418
information pertaining to the origin, distribution, extent, use, 25419
and conservation of the soil resources of the state; 25420

(K) Prepare and maintain up-to-date reports, maps, and other 25421
materials pertaining to the soil resources of the state and their 25422
use and make that information available to governmental agencies, 25423
public officials, conservation entities, and the public; 25424

(L) Provide soil and water conservation districts with 25425
technical assistance including on-site soil investigations and 25426
soil interpretation reports on the suitability or limitations of 25427
soil to support a particular use or to plan soil conservation 25428
measures. The assistance shall be upon such terms as are mutually 25429
agreeable to the districts and the department of natural 25430
resources. 25431

(M) Assist local government officials in utilizing land use 25432
planning and zoning, current agricultural use value assessment, 25433
development reviews, and land management activities; 25434

(N) When necessary for the purposes of this chapter or 25435
Chapter 1515. of the Revised Code, develop or approve operation 25436
and management plans. 25437

This section does not restrict the excrement of domestic or 25438
farm animals defecated on land outside a concentrated animal 25439
feeding operation or runoff therefrom into the waters of the 25440
state. 25441

Sec. 1511.021. (A) Any person who owns or operates 25442
agricultural land or a concentrated animal feeding operation may 25443
develop and operate under an operation and management plan 25444

approved by the chief of the division of soil and water 25445
~~conservation~~ resources under section 1511.02 of the Revised Code 25446
or by the supervisors of the local soil and water conservation 25447
district under section 1515.08 of the Revised Code. 25448

(B) Any person who wishes to make a complaint regarding 25449
nuisances involving agricultural pollution may do so orally or by 25450
submitting a written, signed, and dated complaint to the chief or 25451
to the chief's designee. After receiving an oral complaint, the 25452
chief or the chief's designee may cause an investigation to be 25453
conducted to determine whether agricultural pollution has occurred 25454
or is imminent. After receiving a written, signed, and dated 25455
complaint, the chief or the chief's designee shall cause such an 25456
investigation to be conducted. 25457

(C) In a private civil action for nuisances involving 25458
agricultural pollution, it is an affirmative defense if the person 25459
owning, operating, or otherwise responsible for agricultural land 25460
or a concentrated animal feeding operation is operating under and 25461
in substantial compliance with an approved operation and 25462
management plan developed under division (A) of this section, with 25463
an operation and management plan developed by the chief under 25464
section 1511.02 of the Revised Code or by the supervisors of the 25465
local soil and water conservation district under section 1515.08 25466
of the Revised Code, or with an operation and management plan 25467
required by an order issued by the chief under division (G) of 25468
section 1511.02 of the Revised Code. Nothing in this section is in 25469
derogation of the authority granted to the chief in division (E) 25470
of section 1511.02 and in section 1511.07 of the Revised Code. 25471

Sec. 1511.022. (A) Any person who owns or operates an 25472
agricultural operation, or owns the animals raised by the owner or 25473
operator of an agricultural operation, and who wishes to conduct 25474
composting of dead animals resulting from the agricultural 25475

operation shall do both of the following: 25476

composting conducted by the Ohio cooperative extension service and 25478
obtain a certificate of completion for the course; 25479

(2) Use the appropriate method, technique, or practice of 25480
composting established in rules adopted under division (E)~~(10)~~(8) 25481
of section 1511.02 of the Revised Code. 25482

(B) Any person who fails to comply with division (A) of this 25483
section shall prepare and operate under a composting plan in 25484
accordance with an order issued by the chief of the division of 25485
soil and water ~~conservation~~ resources under division (G) of 25486
section 1511.02 of the Revised Code. If the person's proposed 25487
composting plan is disapproved by the board of supervisors of the 25488
appropriate soil and water conservation district under division 25489
~~(U)~~(Q)(3) of section 1515.08 of the Revised Code, the person may 25490
appeal the plan disapproval to the chief, who shall afford the 25491
person a hearing. Following the hearing, the chief shall uphold 25492
the plan disapproval or reverse it. If the chief reverses the 25493
disapproval, the plan shall be deemed approved. 25494

Sec. 1511.03. The chief of the division of soil and water 25495
~~conservation~~ resources may enter into contracts or agreements, 25496
with the approval of the director of natural resources, with any 25497

cooperative projects within the designated duties of the division. 25501

Sec. 1511.04. The chief of the division of soil and water 25502
~~conservation~~ resources may accept, on behalf of the department of 25503
natural resources, donations, grants and contributions in money, 25504
service, or equipment to enlarge or expedite the prescribed work 25505

of the division. 25506

Sec. 1511.05. The chief of the division of soil and water 25507
~~conservation~~ resources, subject to approval of the terms of the 25508
agreement by the soil and water conservation commission, shall 25509
enter into cooperative agreements with the board of supervisors of 25510
any soil and water conservation district desiring to enter into 25511
such agreements pursuant to section 1515.08 of the Revised Code. 25512
Such agreements shall be entered into to obtain compliance with 25513
rules and orders of the chief pertaining to agricultural pollution 25514
abatement and urban sediment pollution abatement. 25515

The chief or any person designated by the chief may upon 25516
obtaining agreement with the owner, tenant, or manager of any 25517
land, public or private, enter thereon to make inspections to 25518
determine whether or not there is compliance with the rules 25519
adopted under division (E)(1) of section 1511.02 of the Revised 25520
Code. Upon reason to believe there is a violation, the chief or 25521
~~his~~ the chief's designee may apply for and a judge of the court of 25522
common pleas for the county where the land is located may issue an 25523
appropriate inspection warrant as necessary to achieve the 25524
purposes of this chapter. 25525

Sec. 1511.06. The chief of the division of soil and water 25526
~~conservation~~ resources may enter into agreements with local 25527

order of the chief of the division of soil and water ~~conservation~~ 25531
resources issued pursuant to division (G) of section 1511.02 of 25532
the Revised Code. 25533

(2) In addition to the remedies provided and irrespective of 25534
whether an adequate remedy at law exists, the chief may apply to 25535

the court of common pleas in the county where a violation of a 25536
standard established under division (E)(1) or ~~(10)~~(8)(b) of 25537
section 1511.02 of the Revised Code causes pollution of the waters 25538
of the state for an order to compel the violator to cease the 25539
violation and to remove the agricultural pollutant or to comply 25540
with the rules adopted under division (E)~~(10)~~(8)(b) of that 25541
section, as appropriate. 25542

(3) In addition to the remedies provided and irrespective of 25543
whether an adequate remedy at law exists, whenever the chief 25544
officially determines that an emergency exists because of an 25545
unauthorized release, spill, or discharge of animal waste, or a 25546
violation of a rule adopted under division (E)~~(10)~~(8)(b) of 25547
section 1511.02 of the Revised Code, that causes pollution of the 25548
waters of the state, the chief may, without notice or hearing, 25549
issue an order reciting the existence of the emergency and 25550
requiring that necessary action be taken to meet the emergency. 25551
The order shall be effective immediately. Any person to whom the 25552
order is directed shall comply with the order immediately, but on 25553
application to the chief shall be afforded a hearing as soon as 25554
possible, but not later than twenty days after making the 25555
application. On the basis of the hearing, the chief shall continue 25556
the order in effect, revoke it, or modify it. No emergency order 25557
shall remain in effect for more than sixty days after its 25558
issuance. If a person to whom an order is issued does not comply 25559
with the order within a reasonable period, as determined by the 25560
chief, the chief or the chief's designee may enter upon private or 25561
public lands and take action to mitigate, minimize, remove, or 25562
abate the release, spill, discharge, or conditions caused by the 25563
violation of the rule. 25564

(B) The attorney general, upon the written request of the 25565
chief, shall bring appropriate legal action in Franklin county 25566
against any person who fails to comply with an order of the chief 25567

~~conservation~~ resources. The fund may be used to pay costs incurred 25573
by the division under division (A)(3) of section 1511.07 of the 25574
Revised Code in investigating, mitigating, minimizing, removing, 25575
or abating any pollution of the waters of the state caused by an 25576
unauthorized release, spill, or discharge of animal waste into or 25577
upon the environment that requires emergency action to protect the 25578
public health. 25579

Any person responsible for causing or allowing an 25580
unauthorized release, spill, or discharge is liable to the chief 25581
for any costs incurred by the division and soil and water 25582
conservation districts in investigating, mitigating, minimizing, 25583
removing, or abating the release, spill, or discharge, regardless 25584
of whether those costs were paid out of the agricultural pollution 25585
abatement fund or any other fund of the division or a district. 25586
Upon the request of the chief, the attorney general shall bring a 25587
civil action against the responsible person to recover those 25588
costs. Moneys recovered under this section shall be paid into the 25589
agricultural pollution abatement fund. 25590

Sec. 1511.08. Any person claiming to be deprived of a right 25591
or protection afforded ~~him~~ the person by law by an order of the 25592
chief of the division of soil and water ~~conservation~~ resources, 25593
except an order which adopts a rule, may appeal to the court of 25594
common pleas of Franklin county or the court of common pleas of 25595
the county in which the alleged violation exists. 25596

If the court finds that the order of the chief appealed from 25597

was lawful and reasonable, it shall affirm such order. If the court finds that such order was unreasonable or unlawful, it shall vacate such order and make the order which it finds the chief should have made. The judgment of the court is final unless reversed, vacated, or modified on appeal.

Sec. 1513.021. (A) As used in this section, "ton" means two thousand pounds of coal that is measured at the point and time of extraction after the removal of any impurities.

(B) Except as otherwise provided in division (D) of this section, there is charged to an operator an energy resource extraction fee of eight cents per ton of coal. The fee that is charged under this section is to provide funding for the division of mineral resources management to administer the coal mining and reclamation program, satisfy the regulatory, environmental, and natural resources management requirements of this state, and reclaim land affected by mining.

(C) In accordance with rules adopted under this section, the chief of the division of mineral resources management shall collect from each operator the fee that is charged under this section. The chief shall transmit all money collected under this section to the treasurer of state to be credited to the coal mining administration and reclamation reserve fund created in section 1513.181 of the Revised Code.

(D) Beginning July 1, 2013, and thereafter not later than thirty days after the end of a fiscal biennium, the director of natural resources shall examine the balance of the coal mining administration and reclamation reserve fund to determine if the fund contains sufficient money to fulfill the purposes specified in division (B) of this section for the fiscal biennium in which the examination is conducted. The director shall certify the director's determination to the director of budget and management

and the treasurer of state. If the director of natural resources 25629
determines that the fund contains sufficient money for that fiscal 25630
biennium, the energy resource extraction fee shall be four cents 25631
per ton of coal. If the director determines that the fund does not 25632
contain sufficient money, the energy resource extraction fee shall 25633
be eight cents per ton of coal. 25634

(E) The chief, with the approval of the director of natural 25635
resources, shall adopt rules in accordance with Chapter 119. of 25636
the Revised Code for the administration of this section. 25637

(F) In any fiscal year, the director of natural resources may 25638
request the director of budget and management to transfer from the 25639
coal mining administration and reclamation reserve fund to the 25640
geological mapping fund created in section 1505.09 of the Revised 25641
Code a portion of the money credited to the coal mining 25642
administration and reclamation reserve fund resulting from the 25643
energy resource extraction fee that is collected under this 25644
section. 25645

(G) Not later than January 1, 2015, the chief shall complete 25646
a study to determine the solvency of the coal mining 25647
administration and reclamation fund and shall report the 25648
determination to the director of budget and management and make 25649
recommendations to the director concerning the rate of the energy 25650
resource extraction fee charged under this section. 25651

Sec. 1514.08. (A) The chief of the division of mineral 25652
resources management may adopt, amend, and rescind rules in 25653
accordance with Chapter 119. of the Revised Code in order to 25654
prescribe procedures for submitting applications for permits, 25655
amendments to permits, and amendments to plans of mining and 25656
reclamation; filing annual reports and final reports; requesting 25657
inspection and approval of reclamation; paying permit and filing 25658
fees; and filing and obtaining the release of performance bonds 25659

deposited with the state. For the purpose of preventing damage to 25660
adjoining property or achieving one or more of the performance 25661
standards established in division (A)(10) of section 1514.02 of 25662
the Revised Code, the chief may establish classes of mining 25663
industries, based upon industrial categories, combinations of 25664
minerals produced, and geological conditions in which surface or 25665
in-stream mining operations occur, and may prescribe different 25666
rules consistent with the performance standards for each class. 25667
For the purpose of apportioning the workload of the division of 25668
mineral resources management among the quarters of the year, the 25669
rules may require that applications for permits and annual reports 25670
be filed in different quarters of the year, depending upon the 25671
county in which the operation is located. 25672

(B) The chief shall adopt rules under this section that do 25673
all of the following: 25674

(1) With respect to in-stream mining, and in consultation 25675
with the chief of the division of soil and water resources, 25676
determine periods of low flow, which are the only time periods 25677
during which in-stream mining is allowed, and develop and 25678
implement any criteria, in addition to the criteria established in 25679
section 1514.02 of the Revised Code, that the chief determines are 25680
necessary for the permitting of in-stream mining; 25681

(2) Establish criteria and procedures for approving or 25682
disapproving the transfer of a surface or in-stream mining permit 25683
under division (F) of section 1514.02 of the Revised Code; 25684

(3) Define when any of the following may be considered to be 25685
"significant" for purposes of section 1514.022 of the Revised 25686
Code: 25687

(a) An amendment to a permit issued under section 1514.02 of 25688
the Revised Code for a surface or in-stream mining operation; 25689

(b) An amendment to the plan of mining and reclamation that 25690
must be filed with an application for either permit under section 25691
1514.02 of the Revised Code; 25692

(c) Changes to that plan of mining and reclamation that are 25693
proposed in a permit renewal application filed under section 25694
1514.021 of the Revised Code. 25695

In defining "significant," the chief shall focus on changes 25696
that increase the likelihood that the mining operation may have a 25697
negative impact on the public. 25698

(4) Establish a framework and procedures under which the 25699
amount of any bond required to be filed under this chapter to 25700
ensure the satisfactory performance of the reclamation measures 25701
required under this chapter may be reduced by subtracting a credit 25702
based on the operator's past compliance with this chapter and 25703
rules adopted and orders issued under it. The rules also shall 25704
apply to cash, an irrevocable letter of credit, or a certificate 25705
of deposit that is on deposit in lieu of a bond. In establishing 25706
the amount of credit that an operator or applicant may receive 25707
based on past compliance, the chief may consider past compliance 25708
with respect to any permit for a surface or in-stream mining 25709
operation that has been issued in this state to the operator or 25710
applicant. 25711

(5) Establish criteria and procedures for granting a variance 25712
from compliance with the prohibitions established in divisions 25713
(E)(3) and (F)(3) of section 1514.10 of the Revised Code. The 25714
criteria shall ensure that an operator may obtain a variance only 25715
if compliance with the applicable prohibition is not necessary to 25716
prevent damage to the watercourse or surrounding areas. 25717

Sec. 1514.13. (A) The chief of the division of mineral 25718
resources management shall use the compilation of data for ground 25719
water modeling submitted under section 1514.02 of the Revised Code 25720

to establish a projected cone of depression for any surface mining 25721
operation that may result in dewatering. The chief shall consult 25722
with the chief of the division of soil and water resources when 25723
projecting a cone of depression. An applicant for a surface mining 25724
permit for such an operation may submit ground water modeling that 25725
shows a projected cone of depression for that operation to the 25726
chief, provided that the modeling complies with rules adopted by 25727
the chief regarding ground water modeling. However, the chief 25728
shall establish the projected cone of depression for the purposes 25729
of this section. 25730

The chief shall adopt, and may amend and rescind, rules in 25731
accordance with Chapter 119. of the Revised Code establishing 25732
requirements and standards governing both of the following: 25733

(1) Ground water modeling for establishing a projected cone 25734
of depression. A ground water model shall be generally accepted in 25735
the scientific community. 25736

(2) Replacement of water supplies. 25737

(B)(1) If an owner of real property who obtains all or part 25738
of the owner's water supply for domestic, agricultural, 25739
industrial, or other legitimate use from ground water has a 25740
diminution, contamination, or interruption of that water supply 25741
and the owner's real property is located within the projected cone 25742
of depression of a surface mining operation established under this 25743
section, the owner may submit a written complaint to the operator 25744
of that operation or to the chief informing the operator or the 25745
chief that there is a diminution, contamination, or interruption 25746
of the owner's water supply. The complaint shall include the 25747
owner's name, address, and telephone number. 25748

If the chief receives a written complaint, the chief 25749
immediately shall send a copy of the complaint to the operator, 25750
and the operator immediately shall respond by sending the chief a 25751

statement that explains how the operator resolved or will resolve 25752
the complaint. If the operator receives a written complaint, the 25753
operator immediately shall send to the chief a copy of the 25754
complaint and include a statement that explains how the operator 25755
resolved or will resolve the complaint. Not later than seventy-two 25756
hours after receipt of the complaint, the operator shall provide 25757
the owner a supply of water that is comparable, in quantity and 25758
quality, to the owner's water supply prior to the diminution, 25759
contamination, or interruption of the owner's water supply. The 25760
operator shall maintain that water supply until the operator 25761
provides a permanent replacement water supply to the owner under 25762
division (B)(3) of this section or until the division of mineral 25763
resources management completes the evaluation under division 25764
(B)(2) of this section, whichever is applicable. 25765

(2) A rebuttable presumption exists that the operation caused 25766
the diminution, contamination, or interruption of the owner's 25767
water supply. However, not later than fourteen days after receipt 25768
of the complaint, the operator may submit to the division 25769
information showing that the operation is not the proximate cause 25770
of the diminution, contamination, or interruption of the owner's 25771
water supply. The division shall evaluate the information 25772
submitted by the operator to determine if the presumption is 25773
rebutted. If the operator fails to rebut the presumption, the 25774
division immediately shall notify the operator that the operator 25775
failed to rebut the presumption. Not later than fourteen days 25776
after receipt of that notice, the operator shall provide the owner 25777
a permanent replacement water supply that is comparable, in 25778
quantity and quality, to the owner's water supply prior to the 25779
diminution, contamination, or interruption of the owner's water 25780
supply. If the operator rebuts the presumption, the division 25781
immediately shall notify the operator that the operator rebutted 25782
the presumption, and, upon receipt of that notice, the operator 25783
may cease providing a supply of water to the owner under division 25784

(B)(1) of this section. 25785

(3) If, within fourteen days after receipt of the complaint, 25786
the operator does not submit to the division information showing 25787
that the operation is not the proximate cause of the diminution, 25788
contamination, or interruption of the owner's water supply, the 25789
operator shall provide the owner, not later than twenty-eight days 25790
after receipt of the complaint, a permanent replacement water 25791
supply that is comparable, in quantity and quality, to the owner's 25792
water supply prior to the diminution, contamination, or 25793
interruption of the owner's water supply. 25794

(4) The division may investigate a complaint under division 25795
(B) of this section. 25796

(C) If an owner of real property who obtains all or part of 25797
the owner's water supply for domestic, agricultural, industrial, 25798
or other legitimate use from ground water has a diminution, 25799
contamination, or interruption of that water supply and the 25800
owner's real property is not located within the projected cone of 25801
depression of a surface mining operation established under this 25802
section, the owner may submit a written complaint to the operator 25803
of that operation or to the chief informing the operator or the 25804
chief that there is a diminution, contamination, or interruption 25805
of the owner's water supply. The complaint shall include the 25806
owner's name, address, and telephone number. 25807

If the operator receives a written complaint, the operator 25808
immediately shall send the chief a copy of the complaint. If the 25809
chief receives a written complaint, the chief immediately shall 25810
send the operator a copy of the complaint. The chief shall 25811
investigate any complaint submitted under this division and, upon 25812
completion of the investigation, immediately shall send the 25813
results of the investigation to the operator and to the owner that 25814
filed the complaint. 25815

An owner that submits a written complaint under this division 25816
may resolve the diminution, contamination, or interruption of the 25817
owner's water supply with the operator of that operation or may 25818
commence a civil action for that purpose. 25819

(D) An operator may request the chief to amend the plan of 25820
mining and reclamation filed with the application under section 25821
1514.02 of the Revised Code when a ground water user may affect 25822
the projected cone of depression established for the operation 25823
under division (A) of this section. The operator shall submit 25824
additional data that reflect the ground water user's impact on the 25825
ground water. The chief shall perform ground water modeling using 25826
the additional data and may establish a revised projected cone of 25827
depression for that operation. 25828

(E) This section shall not be construed as creating, 25829
modifying, or affecting any right, liability, or remedy of surface 25830
riparian owners. 25831

Sec. 1515.08. The supervisors of a soil and water 25832
conservation district have the following powers in addition to 25833
their other powers: 25834

(A) To conduct surveys, investigations, and research relating 25835
to the character of soil erosion, floodwater and sediment damages, 25836
and the preventive and control measures and works of improvement 25837

program except in cooperation or after consultation with the Ohio 25842
agricultural research and development center; 25843

(B) To develop plans for the conservation of soil resources, 25844
for the control and prevention of soil erosion, and for works of 25845
improvement for flood prevention and the conservation, 25846

district, and to publish those plans and information; 25848

(C) To implement, construct, repair, maintain, and operate 25849
preventive and control measures and other works of improvement for 25850
natural resource conservation and development and flood 25851
prevention, and the conservation, development, utilization, and 25852
disposal of water within the district on lands owned or controlled 25853
by this state or any of its agencies and on any other lands within 25854
the district, which works may include any facilities authorized 25855
under state or federal programs, and to acquire, by purchase or 25856
gift, to hold, encumber, or dispose of, and to lease real and 25857
personal property or interests in such property for those 25858
purposes; 25859

(D) To cooperate or enter into agreements with any occupier 25860
of lands within the district in the carrying on of natural 25861
resource conservation operations and works of improvement for 25862
flood prevention and the conservation, development, utilization, 25863
and management of natural resources within the district, subject 25864
to such conditions as the supervisors consider necessary; 25865

(E) To accept donations, gifts, grants, and contributions in 25866
money, service, materials, or otherwise, and to use or expend them 25867

the purposes and powers of the district; 25870

(G) To sue and plead in the name of the district, and be sued 25871
and impleaded in the name of the district, with respect to its 25872
contracts and, as indicated in section 1515.081 of the Revised 25873
Code, certain torts of its officers, employees, or agents acting 25874
within the scope of their employment or official responsibilities, 25875
or with respect to the enforcement of its obligations and 25876
covenants made under this chapter; 25877

(H) To make and enter into all contracts, leases, and 25878
agreements and execute all instruments necessary or incidental to 25879
the performance of the duties and the execution of the powers of 25880
the district under this chapter, provided that all of the 25881
following apply: 25882

(1) Except as provided in section 307.86 of the Revised Code 25883
regarding expenditures by boards of county commissioners, when the 25884
cost under any such contract, lease, or agreement, other than 25885
compensation for personal services or rental of office space, 25886
involves an expenditure of more than the amount established in 25887
that section regarding expenditures by boards of county 25888
commissioners, the supervisors shall make a written contract with 25889
the lowest and best bidder after advertisement, for not less than 25890
two nor more than four consecutive weeks preceding the day of the 25891
opening of bids, in a newspaper of general circulation within the 25892
district and in such other publications as the supervisors 25893
determine. The notice shall state the general character of the 25894
work and materials to be furnished, the place where plans and 25895
specifications may be examined, and the time and place of 25896
receiving bids. 25897

alteration, repair, or reconstruction of an improvement shall meet 25901
the requirements of section 153.54 of the Revised Code. 25902

(4) Each bid for a contract, other than a contract for the 25903
construction, demolition, alteration, repair, or reconstruction of 25904
an improvement, at the discretion of the supervisors, may be 25905
accompanied by a bond or certified check on a solvent bank in an 25906
amount not to exceed five per cent of the bid, conditioned that, 25907
if the bid is accepted, a contract shall be entered into. 25908

(5) The supervisors may reject any and all bids.	25909
(I) To make agreements with the department of natural resources giving it control over lands of the district for the purpose of construction of improvements by the department under section 1501.011 of the Revised Code;	25910 25911 25912 25913
(J) To charge, alter, and collect rentals and other charges for the use or services of any works of the district;	25914 25915

(N) Until June 1, 1996, to conduct surveys and investigations relating to the incidence of the multiflora rose within the district and of the nature and extent of the adverse effects of the multiflora rose on agriculture, forestry, recreation, and other beneficial land uses;	25931 25932 25933 25934 25935
(O) Until June 1, 1996, to develop plans for the control of the multiflora rose within the district and to publish those plans and information related to control of the multiflora rose;	25936 25937 25938

If an operation and management plan is disapproved, the board shall provide a written explanation to the person who submitted the plan. The person may appeal the plan disapproval to the chief, who shall afford the person a hearing. Following the hearing, the chief shall uphold the plan disapproval or reverse it. If the chief reverses the plan disapproval, the plan shall be deemed approved~~

under this division. In the event that any person operating or 25971
owning agricultural land or a concentrated animal feeding 25972
operation in accordance with an approved operation and management 25973
plan who, in good faith, is following that plan, causes 25974
agricultural pollution, the plan shall be revised in a fashion 25975
necessary to mitigate the agricultural pollution, as determined 25976
and approved by the board of supervisors of the soil and water 25977
conservation district. 25978

~~(U)~~(Q) With regard to composting conducted in conjunction 25979
with agricultural operations, to do all of the following: 25980

(1) Upon request or upon their own initiative, inspect 25981
composting at any such operation to determine whether the 25982
composting is being conducted in accordance with section 1511.022 25983
of the Revised Code; 25984

(2) If the board determines that composting is not being so 25985
conducted, request the chief to issue an order under division (G) 25986
of section 1511.02 of the Revised Code requiring the person who is 25987
conducting the composting to prepare a composting plan in 25988
accordance with rules adopted under division (E)~~(10)~~(8)(c) of that 25989
section and to operate in accordance with that plan or to operate 25990
in accordance with a previously prepared plan, as applicable; 25991

(3) In accordance with rules adopted under division 25992
(E)~~(10)~~(8)(c) of section 1511.02 of the Revised Code, review and 25993

disapproved, the board shall provide a written explanation to the 25995
person who submitted the plan. 25996

As used in division ~~(U)~~(Q) of this section, "composting" has 25997
the same meaning as in section 1511.01 of the Revised Code. 25998

~~(V)~~(R) With regard to conservation activities that are 25999
conducted in conjunction with agricultural operations, to assist 26000
the county auditor, upon request, in determining whether a 26001

conservation activity is a conservation practice for purposes of 26002
Chapter 929. or sections 5713.30 to 5713.37 and 5715.01 of the 26003
Revised Code. 26004

As used in this division, "conservation practice" has the 26005
same meaning as in section 5713.30 of the Revised Code. 26006

~~(W)~~(S) To do all acts necessary or proper to carry out the 26007
powers granted in this chapter. 26008

The director of natural resources shall make recommendations 26009
to reduce the adverse environmental effects of each project that a 26010
soil and water conservation district plans to undertake under 26011
division (A), (B), (C), or (D) of this section and that will be 26012
funded in whole or in part by moneys authorized under section 26013
1515.16 of the Revised Code and shall disapprove any such project 26014
that the director finds will adversely affect the environment 26015
without equal or greater benefit to the public. The director's 26016
disapproval or recommendations, upon the request of the district 26017
filed in accordance with rules adopted by the Ohio soil and water 26018
conservation commission, shall be reviewed by the commission, 26019
which may confirm the director's decision, modify it, or add 26020
recommendations to or approve a project the director has 26021
disapproved. 26022

Any instrument by which real property is acquired pursuant to 26023
this section shall identify the agency of the state that has the 26024
use and benefit of the real property as specified in section 26025
5301.012 of the Revised Code. 26026

Sec. 1515.14. Within the limits of funds appropriated to the 26027
department of natural resources and the soil and water 26028
conservation district assistance fund created in this section, 26029
there shall be paid in each calendar year to each local soil and 26030
water conservation district an amount not to exceed one dollar for 26031
each one dollar received in accordance with section 1515.10 of the 26032

conservation, and replenishment of the ground and surface waters 26453
in the state in coordination with other agencies of this state; 26454

(H) Primarily with regard to water quantity and availability, 26455

natural resources the Ohio water advisory council. The council 26462
shall consist of seven members appointed by the governor with the 26463
advice and consent of the senate. No more than four of the members 26464

shall be of the same political party. Members shall be persons who 26465
have a demonstrated interest in water management and whose 26466
expertise reflects the various responsibilities of the division of 26467
soil and water resources under this chapter and Chapter 1523. of 26468
the Revised Code, including, but not limited to, dam safety, 26469
surface water, groundwater, and flood plain management. The chief 26470
of the division of soil and water resources may participate in the 26471
deliberations of the council, but shall not vote. 26472

Terms of office of members shall be for two years commencing 26473

on the council does not constitute holding a public office or 26486
position of employment under the Revised Code and is not grounds 26487
for removal of public officers or employees from their offices or 26488
positions of employment. 26489

The council annually shall select from its members a ~~chairman~~ 26490
chairperson and a ~~vice-chairman~~ vice-chairperson. The council 26491
shall hold at least one meeting each calendar quarter and shall 26492
keep a record of its proceedings, which shall be open to the 26493
public for inspection. Special meetings may be called by the 26494
~~chairman~~ chairperson and shall be called upon the written request 26495
of two or more members. A majority of the members constitutes a 26496

quorum. The division shall furnish clerical, technical, legal, and 26497
other services required by the council in the performance of its 26498
duties. 26499

Members shall receive no compensation, but shall be 26500
reimbursed from the appropriations for the division for the actual 26501
and necessary expenses incurred by them in the performance of 26502
their official duties. 26503

The council shall: 26504

(A) Advise the chief of the division of soil and water 26505
resources in carrying out the duties of the division under this 26506
chapter and Chapter 1523. of the Revised Code; 26507

(B) Recommend such policy and legislation with respect to 26508
water management and conservation as will promote the economic, 26509
industrial, and social development of the state while minimizing 26510
threats to the state's natural environment; 26511

(C) Review and make recommendations on the development of 26512
plans and programs for long-term, comprehensive water management 26513
throughout the state; and 26514

(D) Recommend ways to enhance cooperation among governmental 26515
agencies having an interest in water to encourage wise use and 26516
protection of the state's ground and surface waters. To this end, 26517
the council shall request nonvoting representation from 26518
appropriate governmental agencies. 26519

Sec. 1521.04. The chief of the division of soil and water 26520
resources, with the approval of the director of natural resources, 26521
may make loans and grants from the water management fund created 26522
in section 1501.32 of the Revised Code to governmental agencies 26523
for water management, water supply improvements, and planning and 26524
may administer grants from the federal government and from other 26525
public or private sources for carrying out those functions and for 26526

the performance of any acts that may be required by the United States or by any agency or department thereof as a condition for the participation by any governmental agency in any federal financial or technical assistance program. Direct and indirect costs of administration may be paid from the fund.

The chief may use the water management fund for the purposes of administering the water diversion and consumptive use permit programs established in sections 1501.30 to 1501.35 of the Revised Code; to perform watershed and water resources studies for the purposes of water management planning; and to acquire, construct, reconstruct, improve, equip, maintain, operate, and dispose of water management improvements. The chief may fix, alter, charge, and collect rates, fees, rentals, and other charges to be paid into the fund by governmental agencies and persons who are supplied with water by facilities constructed or operated by the department of natural resources in order to amortize and defray the cost of the construction, maintenance, and operation of those facilities.

Sec. 1521.05. (A) As used in this section:

(1) "Construct" or "construction" includes drilling, boring, digging, deepening, altering, and logging.

(2) "Altering" means changing the configuration of a well, including, without limitation, deepening a well, extending or replacing any portion of the inside or outside casing or wall of a well that extends below ground level, plugging a portion of a well back to a certain depth, and reaming out a well to enlarge its original diameter.

(3) "Logging" means describing the lithology, grain size, color, and texture of the formations encountered during the drilling, boring, digging, deepening, or altering of a well.

(4) "Grouting" means neat cement; bentonite products in slurry, granular, or pelletized form, excluding drilling mud or fluids; or any combination of neat cement and bentonite products that is placed within a well to seal the annular space or to seal an abandoned well and that is impervious to and capable of preventing the movement of water.

(6) "Sealing" means the complete filling of an abandoned well with grouting or other approved materials in order to permanently prevent the vertical movement of water in the well and thus prevent the contamination of ground water or the intermixing of water between aquifers.

(B) Any person that constructs a well shall keep a careful and accurate log of the construction of the well. The log shall show all of the following:

(1) The character, including, without limitation, the lithology, color, texture, and grain size, the name, if known, and the depth of all formations passed through or encountered;

(2) The depths at which water is encountered;

(3) The static water level of the completed well;

(4) A copy of the record of all pumping tests and analyses related to those tests, if any;

(5) Construction details, including lengths, diameters, and thicknesses of casing and screening and the volume, type of material, and method of introducing gravel packing and grouting into the well;

(C) Any person that seals a well shall keep a careful and accurate report of the sealing of the well. The sealing report shall show all of the following:	26599 26600 26601
(1) The name of the owner of the well, the address of the location where the well was constructed, and either the state plane coordinates or the latitude and longitude of the well;	26602 26603 26604
(2) The depth of the well, the size and length of its casing, and the static water level of the well;	26605 26606
(3) The sealing procedures, including the volume and type of sealing material or materials and the method and depth of placement of each material;	26607 26608 26609

The sealing report shall be furnished to <u>filed with</u> the division within thirty days after the completion of the sealing of	26614 26615

the well on forms prescribed and prepared by the division. 26616

(D) In accordance with Chapter 119. of the Revised Code, the 26617
chief may adopt, amend, and rescind rules requiring other persons 26618
that are involved in the construction or subsequent development of 26619
a well to submit well logs under division (B) of this section 26620
containing any or all of the information specified in divisions 26621
(B)(1) to (9) of this section and specifying additional 26622
information to be included in sealing reports required under 26623
division (C) of this section. The chief shall adopt rules 26624
establishing procedures and requirements governing the payment and 26625
collection of water well log filing fees, including the amount of 26626
any filing fee to be imposed as an alternative to the 26627
twenty-dollar filing fee established in division (G) of this 26628
section and including procedures for the quarterly transfer of 26629
filing fees by boards of health and the director of environmental 26630
protection under that division. 26631

(E)(1) No person shall fail to keep and ~~submit~~ file a well 26632
log or a sealing report as required by this section. 26633

(2) No person shall make a false statement in any well log or 26634
sealing report required to be kept and ~~submitted~~ filed under this 26635
section. Violation of division (E)(2) of this section is 26636
falsification under section 2921.13 of the Revised Code. 26637

(F) For the purposes of prosecution of a violation of 26638
division (E)(1) of this section, a prima-facie case is established 26639
when the division obtains either of the following: 26640

(1) A certified copy of a permit for a private water system 26641
issued in accordance with rules adopted under section 3701.344 of 26642
the Revised Code, or a certified copy of the invoice or a canceled 26643
check from the owner of a well indicating the construction or 26644
sealing services performed; 26645

(2) A certified copy of any permit issued under Chapter 3734. 26646

or 6111. of the Revised Code or plan approval granted under 26647
Chapter 6109. of the Revised Code for any activity that includes 26648
the construction or sealing of a well as applicable. 26649

(G) In accordance with rules adopted under this section, a 26650
person or entity that constructs a well for the purpose of 26651
extracting potable water as part of a private water system that is 26652
subject to rules adopted under section 3701.344 of the Revised 26653
Code or a public water system that is required to be licensed 26654
under Chapter 6109. of the Revised Code shall pay a well log 26655
filing fee of twenty dollars per well log or, if the chief has 26656
adopted rules establishing an alternative fee amount, the fee 26657
amount established under rules. The fee shall be collected by a 26658
board of health under section 3701.344 of the Revised Code or the 26659
environmental protection agency under section 6109.22 of the 26660
Revised Code, as applicable. 26661

Each calendar quarter, a board of health or the environmental 26662
protection agency, as applicable, shall forward all well log 26663
filing fees collected during the previous calendar quarter to the 26664
division of soil and water resources. The fees shall be forwarded 26665
in accordance with procedures established in rules adopted under 26666
this section. 26667

Proceeds of well log filing fees shall be used by the 26668
division of soil and water resources for the purposes of 26669
acquiring, maintaining, and dispensing digital and paper records 26670
of well logs that are filed with the division. 26671

Sec. 1521.06. (A) No dam may be constructed for the purpose 26672
of storing, conserving, or retarding water, or for any other 26673
purpose, nor shall any levee be constructed for the purpose of 26674
diverting or retaining flood water, unless the person or 26675
governmental agency desiring the construction has a construction 26676
permit for the dam or levee issued by the chief of the division of 26677

soil and water resources. 26678

A construction permit is not required under this section for: 26679

(1) A dam that is or will be less than ten feet in height and 26680
that has or will have a storage capacity of not more than fifty 26681
acre-feet at the elevation of the top of the dam, as determined by 26682
the chief. For the purposes of this section, the height of a dam 26683
shall be measured from the natural stream bed or lowest ground 26684
elevation at the downstream or outside limit of the dam to the 26685
elevation of the top of the dam. 26686

(2) A dam, regardless of height, that has or will have a 26687
storage capacity of not more than fifteen acre-feet at the 26688
elevation of the top of the dam, as determined by the chief; 26689

(3) A dam, regardless of storage capacity, that is or will be 26690
six feet or less in height, as determined by the chief; 26691

(4) A dam or levee that belongs to a class exempted by the 26692
chief; 26693

(5) The repair, maintenance, improvement, alteration, or 26694
removal of a dam or levee that is subject to section 1521.062 of 26695
the Revised Code, unless the construction constitutes an 26696
enlargement or reconstruction of the structure as determined by 26697
the chief; 26698

(6) A dam or impoundment constructed under Chapter 1513. of 26699
the Revised Code. 26700

(B) Before a construction permit may be issued, three copies 26701
of the plans and specifications, including a detailed cost 26702
estimate, for the proposed construction, prepared by a registered 26703
professional engineer, together with the filing fee specified by 26704
this section and the bond or other security required by section 26705
1521.061 of the Revised Code, shall be filed with the chief. The 26706
detailed estimate of the cost shall include all costs associated 26707

with the construction of the dam or levee, including supervision 26708
and inspection of the construction by a registered professional 26709
engineer. The filing fee shall be based on the detailed cost 26710
estimate for the proposed construction as filed with and approved 26711
by the chief, and shall be determined by the following schedule 26712
unless otherwise provided by rules adopted under this section: 26713

(1) For the first one hundred thousand dollars of estimated 26714
cost, a fee of four per cent; 26715

(2) For the next four hundred thousand dollars of estimated 26716
cost, a fee of three per cent; 26717

(3) For the next five hundred thousand dollars of estimated 26718
cost, a fee of two per cent; 26719

(4) For all costs in excess of one million dollars, a fee of 26720
one-half of one per cent. 26721

In no case shall the filing fee be less than one thousand 26722
five hundred dollars or more than ~~one~~ five hundred thousand 26723
dollars. If the actual cost exceeds the estimated cost by more 26724
than fifteen per cent, an additional filing fee shall be required 26725
equal to the fee determined by the preceding schedule less the 26726
original filing fee. All fees collected pursuant to this section, 26727
and all fines collected pursuant to section 1521.99 of the Revised 26728
Code, shall be deposited in the state treasury to the credit of 26729
the dam safety fund, which is hereby created. Expenditures from 26730
the fund shall be made by the chief for the purpose of 26731
administering this section and sections 1521.061 and 1521.062 of 26732
the Revised Code. 26733

(C) The chief shall, within thirty days from the date of the 26734
receipt of the application, fee, and bond or other security, issue 26735
or deny a construction permit for the construction or may issue a 26736
construction permit conditioned upon the making of such changes in 26737
the plans and specifications for the construction as the chief 26738

considers advisable if the chief determines that the construction 26739
of the proposed dam or levee, in accordance with the plans and 26740
specifications filed, would endanger life, health, or property. 26741

(D) The chief may deny a construction permit after finding 26742
that a dam or levee built in accordance with the plans and 26743
specifications would endanger life, health, or property, because 26744
of improper or inadequate design, or for such other reasons as the 26745
chief may determine. 26746

In the event the chief denies a permit for the construction 26747
of the dam or levee, or issues a permit conditioned upon a making 26748
of changes in the plans or specifications for the construction, 26749
the chief shall state the reasons therefor and so notify, in 26750
writing, the person or governmental agency making the application 26751
for a permit. If the permit is denied, the chief shall return the 26752
bond or other security to the person or governmental agency making 26753
application for the permit. 26754

The decision of the chief conditioning or denying a 26755
construction permit is subject to appeal as provided in Chapter 26756
119. of the Revised Code. A dam or levee built substantially at 26757
variance from the plans and specifications upon which a 26758
construction permit was issued is in violation of this section. 26759
The chief may at any time inspect any dam or levee, or site upon 26760
which any dam or levee is to be constructed, in order to determine 26761
whether it complies with this section. 26762

(E) A registered professional engineer shall inspect the 26763
construction for which the permit was issued during all phases of 26764
construction and shall furnish to the chief such regular reports 26765
of the engineer's inspections as the chief may require. When the 26766
chief finds that construction has been fully completed in 26767
accordance with the terms of the permit and the plans and 26768
specifications approved by the chief, the chief shall approve the 26769
construction. When one year has elapsed after approval of the 26770

completed construction, and the chief finds that within this 26771
period no fact has become apparent to indicate that the 26772
construction was not performed in accordance with the terms of the 26773
permit and the plans and specifications approved by the chief, or 26774
that the construction as performed would endanger life, health, or 26775
property, the chief shall release the bond or other security. No 26776
bond or other security shall be released until one year after 26777
final approval by the chief, unless the dam or levee has been 26778
modified so that it will not retain water and has been approved as 26779
nonhazardous after determination by the chief that the dam or 26780
levee as modified will not endanger life, health, or property. 26781

(F) When inspections required by this section are not being 26782
performed, the chief shall notify the person or governmental 26783
agency to which the permit has been issued that inspections are 26784
not being performed by the registered professional engineer and 26785
that the chief will inspect the remainder of the construction. 26786
Thereafter, the chief shall inspect the construction and the cost 26787
of inspection shall be charged against the owner. Failure of the 26788
registered professional engineer to submit required inspection 26789
reports shall be deemed notice that the engineer's inspections are 26790
not being performed. 26791

(G) The chief may order construction to cease on any dam or 26792
levee that is being built in violation of this section, and may 26793
prohibit the retention of water behind any dam or levee that has 26794
been built in violation of this section. The attorney general, 26795
upon written request of the chief, may bring an action for an 26796
injunction against any person who violates this section or to 26797
enforce an order or prohibition of the chief made pursuant to this 26798
section. 26799

(H) The chief may adopt rules in accordance with Chapter 119. 26800
of the Revised Code, for the design and construction of dams and 26801
levees for which a construction permit is required by this section 26802

or for which periodic inspection is required by section 1521.062 26803
of the Revised Code, for establishing a filing fee schedule in 26804
lieu of the schedule established under division (B) of this 26805
section and for establishing the minimum and maximum amounts of a 26806
filing fee in lieu of the amounts established in that division, 26807
for deposit and forfeiture of bonds and other securities required 26808
by section 1521.061 of the Revised Code, for the periodic 26809
inspection, operation, repair, improvement, alteration, or removal 26810
of all dams and levees, as specified in section 1521.062 of the 26811
Revised Code, and for establishing classes of dams or levees that 26812
are exempt from the requirements of this section and section 26813
1521.062 of the Revised Code as being of a size, purpose, or 26814
situation that does not present a substantial hazard to life, 26815
health, or property. The chief may, by rule, limit the period 26816
during which a construction permit issued under this section is 26817
valid. The rules may allow for the extension of the period during 26818
which a permit is valid upon written request, provided that the 26819
written request includes a revised construction cost estimate, and 26820
may require the payment of an additional filing fee for the 26821
requested extension. If a construction permit expires without an 26822
extension before construction is completed, the person or agency 26823
shall apply for a new permit, and shall not continue construction 26824
until the new permit is issued. 26825

Sec. 1521.061. Except as otherwise provided in this section, 26826
a construction permit shall not be issued under section 1521.06 of 26827
the Revised Code unless the person or governmental agency applying 26828
for the permit executes and files a surety bond conditioned on 26829
completion of the dam or levee in accordance with the terms of the 26830
permit and the plans and specifications approved by the chief of 26831
the division of soil and water resources, in an amount equal to 26832
fifty per cent of the estimated cost of the project. 26833

If a permittee requests an extension of the time period 26834

during which a construction permit is valid in accordance with 26835
rules adopted under section 1521.06 of the Revised Code, the chief 26836
shall determine whether the revised construction cost estimate 26837
provided with the request exceeds the original construction cost 26838
estimate that was filed with the chief by more than twenty-five 26839
per cent. If the revised construction cost estimate exceeds the 26840
original construction cost estimate by more than twenty-five per 26841
cent, the chief may require an additional surety bond to be filed 26842
so that the total amount of the surety bonds equals at least fifty 26843
per cent of the revised construction cost estimate. 26844

The chief shall not approve any bond until it is personally 26845
signed and acknowledged by both principal and surety, or as to 26846
either by the attorney in fact thereof, with a certified copy of 26847
the power of attorney attached. The chief shall not approve the 26848
bond unless there is attached a certificate of the superintendent 26849
of insurance that the company is authorized to transact a fidelity 26850
and surety business in this state. 26851

All bonds shall be given in a form prescribed by the chief 26852
and shall run to the state as obligee. 26853

The applicant may deposit, in lieu of a bond, cash in an 26854
amount equal to the amount of the bond or United States government 26855
securities or negotiable certificates of deposit issued by any 26856
bank organized or transacting business in this state having a par 26857
value equal to or greater than the amount of the bond. Such cash 26858
or securities shall be deposited upon the same terms as bonds. If 26859
one or more certificates of deposit are deposited in lieu of a 26860
bond, the chief shall require the bank that issued any such 26861
certificate to pledge securities of the aggregate market value 26862
equal to the amount of the certificate that is in excess of the 26863
amount insured by the federal deposit insurance corporation. The 26864
securities to be pledged shall be those designated as eligible 26865
under section 135.18 of the Revised Code. The securities shall be 26866

security for the repayment of the certificate of deposit. 26867

Immediately upon a deposit of cash, securities, or 26868
certificates of deposit, the chief shall deliver them to the 26869
treasurer of state, who shall hold them in trust for the purposes 26870
for which they have been deposited. The treasurer of state is 26871
responsible for the safekeeping of such deposits. An applicant 26872
making a deposit of cash, securities, or certificates of deposit 26873
may withdraw and receive from the treasurer of state, on the 26874
written order of the chief, all or any portion of the cash, 26875
securities, or certificates of deposit, upon depositing with the 26876
treasurer of state cash, other United States government 26877
securities, or negotiable certificates of deposit issued by any 26878
bank organized or transacting business in this state equal in par 26879
value to the par value of the cash, securities, or certificates of 26880
deposit withdrawn. An applicant may demand and receive from the 26881
treasurer of state all interest or other income from any such 26882
securities or certificates as it becomes due. If securities so 26883
deposited with and in the possession of the treasurer of state 26884
mature or are called for payment by the issuer thereof, the 26885
treasurer of state, at the request of the applicant who deposited 26886
them, shall convert the proceeds of the redemption or payment of 26887
the securities into such other United States government 26888
securities, negotiable certificates of deposit issued by any bank 26889
organized or transacting business in this state, or cash as the 26890
applicant designates. 26891

When the chief finds that a person or governmental agency has 26892
failed to comply with the conditions of the person's or agency's 26893
bond, the chief shall make a finding of that fact and declare the 26894
bond, cash, securities, or certificates of deposit forfeited in 26895
the amount set by rule of the chief. The chief shall thereupon 26896
certify the total forfeiture to the attorney general, who shall 26897
proceed to collect that amount. 26898

In lieu of total forfeiture, the surety, at its option, may 26899
cause the dam or levee to be completed as required by section 26900
1521.06 of the Revised Code and rules of the chief, or otherwise 26901
rendered nonhazardous, or pay to the treasurer of state the cost 26902
thereof. 26903

All moneys collected on account of forfeitures of bonds, 26904
cash, securities, and certificates of deposit under this section 26905
shall be credited to the dam safety fund created in section 26906
1521.06 of the Revised Code. The chief shall make expenditures 26907
from the fund to complete dams and levees for which bonds have 26908
been forfeited or to otherwise render them nonhazardous. 26909

Expenditures from the fund for those purposes shall be made 26910
pursuant to contracts entered into by the chief with persons who 26911
agree to furnish all of the materials, equipment, work, and labor 26912
as specified and provided in the contract. 26913

A surety bond shall not be required for a permit for a dam or 26914
levee that is to be designed and constructed by an agency of the 26915
United States government, if the agency files with the chief 26916
written assurance of the agency's financial responsibility for the 26917
structure during the one-year period following the chief's 26918
approval of the completed construction provided for under division 26919
(E) of section 1521.06 of the Revised Code. 26920

Sec. 1521.062. (A) All dams and levees constructed in this 26921
state and not exempted by this section or by the chief of the 26922
division of soil and water resources under section 1521.06 of the 26923
Revised Code shall be inspected periodically by the chief, except 26924
for classes of dams that, in accordance with rules adopted under 26925
this section, are required to be inspected by registered 26926
professional engineers who have been approved for that purpose by 26927
the chief. The inspection shall ensure that continued operation 26928
and use of the dam or levee does not constitute a hazard to life, 26929

health, or property. Periodic inspections shall not be required of 26930
the following structures: 26931

(1) A dam that is less than ten feet in height and has a 26932
storage capacity of not more than fifty acre-feet at the elevation 26933
of the top of the dam, as determined by the chief. For the 26934
purposes of this section, the height of a dam shall be measured 26935
from the natural stream bed or lowest ground elevation at the 26936
downstream or outside limit of the dam to the elevation of the top 26937
of the dam. 26938

(2) A dam, regardless of height, that has a storage capacity 26939
of not more than fifteen acre-feet at the elevation of the top of 26940
the dam, as determined by the chief; 26941

(3) A dam, regardless of storage capacity, that is six feet 26942
or less in height, as determined by the chief; 26943

(4) A dam or levee belonging to a class exempted by the 26944
chief; 26945

(5) A dam or levee that has been exempted in accordance with 26946
rules adopted under section 1521.064 of the Revised Code. 26947

(B) In accordance with rules adopted under this section, the 26948
owner of a dam that is in a class of dams that is designated in 26949
the rules for inspection by registered professional engineers 26950
shall obtain the services of a registered professional engineer 26951
who has been approved by the chief to conduct the periodic 26952
inspection of dams pursuant to schedules and other standards and 26953
procedures established in the rules. The registered professional 26954
engineer shall prepare a report of the inspection in accordance 26955
with the rules and provide the inspection report to the dam owner 26956
who shall submit it to the chief. A dam that is designated under 26957
the rules for inspection by a registered professional engineer, 26958
but that is not inspected within a five-year period may be 26959
inspected by the chief at the owner's expense. 26960

(C) Intervals between periodic inspections shall be 26961
determined by the chief, but shall not exceed five years. 26962

(D) In the case of a dam or levee that the chief inspects, 26963
the chief shall furnish a report of the inspection to the owner of 26964
the dam or levee. With regard to a dam or levee that has been 26965
inspected, either by the chief or by a registered professional 26966
engineer, and that is the subject of an inspection report prepared 26967
or received by the chief, the chief shall inform the owner of any 26968
required repairs, maintenance, investigations, and other remedial 26969
and operational measures. The chief shall order the owner to 26970
perform such repairs, maintenance, investigations, or other 26971
remedial or operational measures as the chief considers necessary 26972
to safeguard life, health, or property. The order shall permit the 26973
owner a reasonable time in which to perform the needed repairs, 26974
maintenance, investigations, or other remedial measures, and the 26975
cost thereof shall be borne by the owner. All orders of the chief 26976
are subject to appeal as provided in Chapter 119. of the Revised 26977
Code. The attorney general, upon written request of the chief, may 26978
bring an action for an injunction against any person who violates 26979
this section or to enforce an order of the chief made pursuant to 26980
this section. 26981

(E) The owner of a dam or levee shall monitor, maintain, and 26982
operate the structure and its appurtenances safely in accordance 26983
with state rules, terms and conditions of permits, orders, and 26984
other requirements issued pursuant to this section or section 26985
1521.06 of the Revised Code. The owner shall fully and promptly 26986
notify the division of soil and water resources and other 26987
responsible authorities of any condition that threatens the safety 26988
of the structure and shall take all necessary actions to safeguard 26989
life, health, and property. 26990

(F) Before commencing the repair, improvement, alteration, or 26991
removal of a dam or levee, the owner shall file an application 26992

including plans, specifications, and other required information 26993
with the division and shall secure written approval of the 26994
application by the chief. Emergency actions by the owner required 26995
to safeguard life, health, or property are exempt from this 26996
requirement. The chief may, by rule, define maintenance, repairs, 26997
or other remedial measures of a routine nature that are exempt 26998
from this requirement. 26999

(G) The chief may remove or correct, at the expense of the 27000
owner, any unsafe structures found to be constructed or maintained 27001
in violation of this section or section 1521.06 of the Revised 27002
Code. In the case of an owner other than a governmental agency, 27003
the cost of removal or correction of any unsafe structure, 27004
together with a description of the property on which the unsafe 27005
structure is located, shall be certified by the chief to the 27006
county auditor and placed by the county auditor upon the tax 27007
duplicate. This cost is a lien upon the lands from the date of 27008
entry and shall be collected as other taxes and returned to the 27009
division. In the case of an owner that is a governmental agency, 27010
the cost of removal or correction of any unsafe structure shall be 27011
recoverable from the owner by appropriate action in a court of 27012
competent jurisdiction. 27013

(H) If the condition of any dam or levee is found, in the 27014
judgment of the chief, to be so dangerous to the safety of life, 27015
health, or property as not to permit time for the issuance and 27016
enforcement of an order relative to repair, maintenance, or 27017
operation, the chief shall employ any of the following remedial 27018
means necessary to protect life, health, and property: 27019

(1) Lower the water level of the lake or reservoir by 27020
releasing water; 27021

(2) Completely drain the lake or reservoir; 27022

(3) Take such other measures or actions as the chief 27023

considers necessary to safeguard life, health, and property. 27024

The chief shall continue in full charge and control of the 27025
dam or levee until the structure is rendered safe. The cost of the 27026
remedy shall be recoverable from the owner of the structure by 27027
appropriate action in a court of competent jurisdiction. 27028

(I) The chief may accept and expend gifts, bequests, and 27029
grants from the United States government or from any other public 27030
or private source and may contract with the United States 27031
government or any other agency or entity for the purpose of 27032
carrying out the dam safety functions set forth in this section 27033
and section 1521.06 of the Revised Code. 27034

(J) In accordance with Chapter 119. of the Revised Code, the 27035
chief may adopt, and may amend or rescind, rules that do all of 27036
the following: 27037

(1) Designate classes of dams for which dam owners must 27038
obtain the services of a registered professional engineer to 27039
periodically inspect the dams and to prepare reports of the 27040
inspections for submittal to the chief; 27041

(2) Establish standards in accordance with which the chief 27042
must approve or disapprove registered professional engineers to 27043
inspect dams together with procedures governing the approval 27044
process; 27045

(3) Establish schedules, standards, and procedures governing 27046
periodic inspections and standards and procedures governing the 27047
preparation and submittal of inspection reports; 27048

(4) Establish provisions regarding the enforcement of this 27049
section and rules adopted under it. 27050

(K) The owner of a dam or levee shall notify the chief in 27051
writing of a change in ownership of the dam or levee prior to the 27052
exchange of the property. 27053

Sec. 1521.063. (A) Except for the federal government, the owner of any a dam, that is classified as a class I, class II, or class III dam under rules adopted under section 1521.06 of the Revised Code and subject to section 1521.062 of the Revised Code shall pay an annual fee, based upon the height of the dam, the linear foot length of the dam, and the per-acre foot of volume of water impounded by the dam. The fee shall be paid to the division of soil and water ~~on or before June 30, 1988,~~ and resources on or before the thirtieth day of June of each ~~succeeding~~ year. The annual fee shall be as follows until otherwise provided by rules adopted under this section:

(1) For any dam classified as a class I dam under rules adopted by the chief of the division of soil and water resources under section 1521.06 of the Revised Code, ~~thirty three hundred~~ thirty three hundred dollars plus ten dollars per foot of height of dam, five cents per foot of length of the dam and five cents per-acre foot of water impounded by the dam;

(2) For any dam classified as a class II dam under those rules, ~~thirty ninety~~ thirty ninety dollars plus ~~one dollar~~ six dollars per foot of height of dam, five cents per foot of length of the dam and five cents per-acre foot of water impounded by the dam;

(3) For any dam classified as a class III dam under those rules, ~~thirty ninety~~ thirty ninety dollars plus four dollars per foot of height of the dam, five cents per foot of length of the dam, and five cents per-acre foot of volume of water impounded by the dam.

For purposes of this section, the height of a dam is the vertical height, to the nearest foot, as determined by the division under section 1521.062 of the Revised Code.

All fees collected under this section shall be deposited in the dam safety fund created in section 1521.06 of the Revised Code. Any owner who fails to pay any annual fee required by this

section within sixty days after the due date shall be assessed a 27085
penalty of ten per cent of the annual fee plus interest at the 27086
rate of one-half per cent per month from the due date until the 27087
date of payment. 27088

There is hereby created the compliant dam discount program to 27089
be administered by the chief. Under the program, the chief may 27090
reduce the amount of the annual fee that an owner of a dam is 27091
required to pay under division (A)(1), (2), or (3) of this section 27092
if the owner is in compliance with section 1521.062 of the Revised 27093
Code and has developed an emergency action plan pursuant to 27094
standards established in rules adopted under this section. The 27095
chief shall not discount an annual fee by more than twenty-five 27096
per cent of the total annual fee that is due. In addition, the 27097
chief shall not discount the annual fee that is due from the owner 27098
of a dam who has been assessed a penalty under this section. 27099

27100

(B) The chief shall, in accordance with Chapter 119. of the 27101
Revised Code and subject to the prior approval of the director of 27102
natural resources, adopt, and may amend or rescind, rules for the 27103
collection of fees and the administration, implementation, and 27104
enforcement of this section and for the establishment of an annual 27105
fee schedule in lieu of the schedule established ~~under~~ in division 27106
(A) of this section. 27107

(C)(1) No person, political subdivision, or state 27108
governmental agency shall violate or fail to comply with this 27109
section or any rule or order adopted or issued under it. 27110

may commence an action against any such violator. Any action under 27112
division (C)(2) of this section is a civil action. 27113

resources, in accordance with Chapter 119. of the Revised Code, 27119
shall adopt, and may amend and rescind, rules establishing a 27120
program under which dams and levees may be exempted from 27121
inspections under section 1521.062 of the Revised Code if the 27122
continued operation and use of, and any rupturing of or other 27123
structural damage to, the dams and levees will not constitute a 27124
hazard to life, health, or property. The rules shall establish, 27125
without limitation, all of the following: 27126

(A) A procedure by which the owner of such a dam or levee may 27127
apply for an exemption under this section; 27128

(B) The standards that a dam or levee shall meet in order to 27129
be exempted under this section; 27130

(C) A procedure by which the chief shall periodically review 27131
the status of a dam or levee that has been exempted under this 27132
section to determine if the exemption should be rescinded; 27133

under this section shall agree, in writing, to accept liability 27135
for any injury, death, or loss to persons or property caused by 27136
the rupturing of or other structural damage to the dam or levee. 27137

Sec. 1521.07. The chief of the division of soil and water 27138
resources or any employee in the service of the division may enter 27139
upon lands to make surveys and inspections in accordance with this 27140
chapter, when necessary in the discharge of the duties enumerated 27141
in this chapter. 27142

Sec. 1521.10. In order to be entitled to the compensation 27143

water resources complete plans for the dam provided for in such 27146
section. The plans shall have the approval of the chief of the 27147
division of soil and water resources and the dam shall be 27148
constructed in accordance with such plans before compensation can 27149
be claimed. 27150

Sec. 1521.11. Upon the completion of the dam referred to in 27151
section 1521.09 of the Revised Code to the satisfaction of the 27152
division of soil and water resources, it shall certify the 27153
completion and the capacity thereof to the county auditor who 27154
shall thereupon make such reduction in the assessed valuation of 27155
the contiguous landowner as ~~he~~ the contiguous landowner is 27156
entitled to receive under sections 1521.09 to 1521.12, ~~inclusive,~~ 27157

plans are submitted to and approved by the division of soil and 27160
water resources as required by section 1521.10 of the Revised 27161
Code, the landowner may submit plans of the dam ~~he~~ the landowner 27162
has built, showing the area of the drainage basin above the dam, a 27163
cross section of the dam site, a cross section, plan, and 27164
elevation of the dam, a map of the spillway, a topographic map of 27165
the reservoir basin, and such other data and information as the 27166
division requires. If the plans receive the approval of the 27167
division, and upon examination the dam is found to be 27168
satisfactorily completed in accordance with such plans, ~~said~~ the 27169
division shall certify the completion and capacity thereof to the 27170
county auditor. If the plans fail to meet the requirements of the 27171
division, the owner may submit revised plans, and when such 27172
revised plans have been approved and the dam rebuilt to conform to 27173
such plans, the completion of the dam and its capacity shall then 27174

national flood insurance program. This division does not preclude 27183
a state agency or political subdivision from establishing flood 27184
protection standards that are more restrictive than this division. 27185

(B) Prior to the expenditure of money for or the construction 27186
of buildings, structures, roads, bridges, or other facilities in 27187
locations that may be subject to flooding or flood damage, all 27188
state agencies and political subdivisions shall notify and consult 27189
with the division of soil and water resources and shall furnish 27190
information that the division reasonably requires in order to 27191

such sections. The interest coupons attached to such bonds shall 27711
bear the signature of the treasurer of state, executed by the 27712

payable at the office of the treasurer of state in Columbus, and 27715
shall be paid by the treasurer of state, without warrant or 27716
authority of the director of budget and management, to the owner 27717

the chief shall within sixty days thereafter readvertise for bids 27745
for the construction of such improvements, as provided in this 27746
section, and may continue to readvertise for bids every sixty days 27747
until bids are received which are made to the chief's satisfaction 27748
and in conformity to sections 1523.01 to 1523.13 of the Revised 27749
Code. 27750

The chief may award separate contracts to bidders for each 27751
part of the labor to be done or material to be furnished for the 27752
construction of such improvements, provided that the amount of the 27753
contract, if awarded as a whole, or the aggregate of ~~said the~~ the 27754
several contracts, if awarded separately, shall not, together with 27755
the cost of the land necessary for such improvements and the 27756
estimated damages to remaining property, be in excess of the 27757
estimated cost of the construction thereof, including such land 27758
and damages. Such contracts shall provide that all payments 27759
thereunder shall be made only from the proceeds of the sale of the 27760
bonds issued for the construction of such improvements. No 27761
contractor shall receive payment for any work or labor performed 27762
or material furnished for such improvements unless the contract 27763
therefor was, at the time of its execution, approved by the 27764
governor by the governor's written indorsement on such contract. 27765

Sec. 1523.04. When estimates or statements for either 27766
material theretofore furnished or labor theretofore performed 27767
under a contract entered into as provided in section 1523.03 of 27768

the Revised Code are presented to the chief of the division of 27769
soil and water ~~of the department of natural~~ resources by the 27770
contractor, certified as to the correctness thereof under oath by 27771
~~him~~ the contractor or ~~his~~ the contractor's authorized agent and 27772
approved in writing by the chief, the chief shall pay the amount 27773
of such estimates or statements from the water conservation 27774
improvement fund. 27775

Sec. 1523.05. The chief of the division of soil and water 27776
resources shall by contract in writing sell or lease for 27777
agricultural, commercial, manufacturing, or other lawful purposes, 27778
for any term not exceeding fifty years, the water, or any part 27779
thereof, conserved and stored by the improvements then existing, 27780
or that will be conserved and stored by any improvements 27781
thereafter to be constructed by ~~him~~ the chief. The chief may lease 27782
the land surrounding ~~said~~ the water for a term not exceeding fifty 27783
years, as shown by the plans and specifications prepared by ~~him~~ 27784
the chief and approved by the governor as provided in section 27785
1523.01 of the Revised Code. Such agreements shall be for a 27786
certain price or rental for the water or lands furnished to or 27787
used by the grantees, lessees, or their assigns, to be paid 27788
quarterly, semiannually, or annually as the chief deems advisable. 27789

~~Said~~ The chief may, for a term not exceeding fifty years, 27790
sell or lease power generated by any head of water raised or 27791
maintained by any such improvement, or ~~he~~ the chief may sell or 27792
lease the right to use such head of water for generating power or 27793
other hydraulic purposes. 27794

All such contracts of sale or lease, whether for water or 27795
power, shall contain such reservations or restrictions as the 27796
chief deems necessary and proper in furtherance of the purposes of 27797
sections 1523.01 to 1523.13, ~~inclusive,~~ of the Revised Code, and 27798
the preservation of the use of such waters for navigation in case 27799

they are required therefor. 27800

Such contracts or leases ~~must~~ shall be approved by the 27801
attorney general as to their general form and legality and, before 27802
becoming binding obligations on the state, they shall be approved 27803
by the governor by ~~his~~ the governor's written indorsement thereon. 27804

Sec. 1523.06. (A) The chief of the division of soil and water 27805
resources before selling bonds as provided in section 1523.02 of 27806
the Revised Code or before receiving bids for the construction of 27807
improvements as authorized by section 1523.03 of the Revised Code 27808
may enter into tentative agreements for the sale or lease of water 27809
or power to: 27810

(1) Ascertain whether the public interest and welfare 27811
reasonably require the proposed improvements in the proposed 27812
locality; 27813

(2) Determine whether the revenues which the state may derive 27814
from the lease of lands and the lease and sale of the waters which 27815
are estimated will be conserved, impounded, and stored, or from 27816
the sale or lease of the power generated by such improvements, 27817
will be sufficient: 27818

(a) To pay the interest on bonds issued under section 1523.02 27819
of the Revised Code; 27820

(b) To create a sinking fund to retire ~~said~~ the bonds at 27821
their maturity; 27822

(c) To maintain and keep ~~said~~ the improvements in repair. 27823

(B) The performance and carrying out of such tentative 27824
agreements shall be conditioned upon the ability of such chief to: 27825

(1) Sell ~~said~~ the proposed bonds at not less than par and 27826
accrued interest; 27827

(2) Secure bids for the furnishing of all the labor and 27828

material necessary in the construction of such improvements, 27829
including all real estate required and damages incurred, at such a 27830
price that the rentals or compensation to be paid will provide 27831
during the terms of such contracts or leases a sum sufficient to 27832
pay ~~said~~ the interest, retire ~~said~~ the bonds, and maintain and 27833
keep ~~said~~ the improvements in repair. 27834

Sec. 1523.07. The treasurer of state shall be treasurer and 27835
the auditor of state shall be auditor of all moneys derived from 27836
the use of the improvements authorized by sections 1523.01 to 27837
1523.13, ~~inclusive,~~ of the Revised Code. The treasurer of state 27838
shall hold ~~said~~ the moneys as trustee for the maintenance of any 27839
improvements constructed under such sections, and for the holders 27840
of any bonds issued in accordance with section 1523.02 of the 27841
Revised Code. ~~Said~~ The moneys shall not be turned into the state 27842
treasury, but shall be deposited and disbursed by the treasurer of 27843
state in the manner provided in this section. All such moneys 27844
shall be collected by the treasurer of state on statements to be 27845
furnished by the chief of the division of soil and water resources 27846
and when so collected shall be deposited in solvent banks in the 27847
state upon the same terms as state funds are now loaned. ~~Said~~ The 27848
funds shall be kept by such banks in a fund known as the "water 27849
conservation fund" and shall be used, first, to maintain and keep 27850
in repair the dams, reservoirs, storage basins, and other 27851
improvements, and, second, to pay the interest upon and principal 27852
of the bonds issued and sold pursuant to section 1523.02 of the 27853
Revised Code, as such interest falls due or ~~said~~ the bonds mature. 27854

The banks in which the treasurer of state deposits any of the 27855
moneys belonging either to the water conservation improvement fund 27856
provided for in section 1523.02 of the Revised Code or the water 27857
conservation fund provided for in this section shall be state 27858
depository banks as provided for in sections 135.01 to 135.21, ~~inclusive,~~ 27859
~~inclusive,~~ of the Revised Code. An amount not to exceed fifty 27860

thousand dollars of the money on deposit at any one time in the 27861
water conservation improvement fund, and an amount not to exceed 27862
ten thousand dollars in the water conservation fund shall be held 27863
by any of ~~said~~ the banks as an active deposit, and ~~said~~ the banks 27864
shall pay the treasurer of state on such deposits, both active and 27865
inactive, the same rate of interest then being paid by them upon 27866
the funds of the state then deposited with them by the treasurer 27867
of state. All such payments of interest shall be credited to the 27868
respective funds upon which such interest is paid. 27869

Sec. 1523.08. When the cost of any repairs to the 27870
improvements authorized by section 1523.01 of the Revised Code 27871
does not exceed one thousand dollars, the chief of the division of 27872
soil and water ~~of the department of natural~~ resources either may 27873
make such repairs ~~himself~~ or may let a contract therefor without 27874
advertising for bids. If the cost of any such repairs is in excess 27875
of one thousand dollars, the chief shall advertise for bids for 27876
the making of such repairs and let a contract therefor as provided 27877
in section 1523.03 of the Revised Code. 27878

When itemized statements are presented to the chief showing 27879
the amount of labor performed and material furnished in the making 27880
of such repairs, verified by the person making them and approved 27881
in writing by the chief, the chief shall pay the amount of such 27882
statement from the water conservation fund. 27883

Sec. 1523.09. If a reservoir, dam, storage basin, or other 27884
improvement constructed or enlarged by the chief of the division 27885
of soil and water resources as provided in sections 1523.01 to 27886
1523.13 of the Revised Code constitutes a part of the canal system 27887
of the state or is located upon any river, stream, or body of 27888
water formerly used as a feeder for the canal system, no water 27889
shall be sold or leased from the improvement ~~by the chief~~ except 27890
in accordance with section 1520.03 of the Revised Code. 27891

Sec. 1523.10. The funds derived from the sale, use, or lease 27892
of the water impounded and conserved or the power generated by the 27893
improvements constructed pursuant to sections 1523.01 to 1523.13~~7~~ 27894
~~inclusive~~, of the Revised Code, or from the lease of the lands and 27895
improvements adjacent thereto are hereby expressly pledged for the 27896
purpose of maintaining and keeping ~~said the~~ the improvements in repair 27897
and for the payment of the interest on and principal of the bonds 27898
issued under section 1523.02 of the Revised Code, as the same fall 27899
due and mature. The owners of such bonds are hereby given a lien 27900
for the payment of the principal and interest of such bonds upon 27901
any dam, reservoir, storage basin, or other improvements, or any 27902
part thereof, with the appurtenances belonging thereto, 27903
constructed by the chief of the division of soil and water 27904
resources with the funds derived from the sale of such bonds. 27905

If default is made in the payment of the interest on any of 27906
~~said the~~ the bonds for three or more successive years, or if bonds, 27907
aggregating in par value not less than ten per cent of the total 27908
amount of such bonds then outstanding are not paid at maturity, 27909
then all of ~~said the~~ the bonds, both principal and interest, shall 27910
become due and payable, and the owners of any of ~~said the~~ the bonds, 27911
aggregating in par value not less than ten per cent of the total 27912
amount of such bonds then outstanding, may institute proceedings 27913
to foreclose such lien against the state in the court of common 27914
pleas of the county in which is located any of ~~said the~~ the 27915
improvements, constructed, altered, or enlarged out of the 27916
proceeds of the sale of such bonds. 27917

~~Said The~~ The court shall have jurisdiction of such action with 27918
full power to foreclose such lien and to make an order to the 27919
sheriff of ~~said the~~ the county, acting as a master commissioner, 27920
directing ~~him~~ the sheriff to make a sale of such improvements or 27921
part thereof at not less than two-thirds of the appraised value 27922
thereof, and upon such terms and in manner and form as provided 27923

for in ~~said~~ the order, and to pay the proceeds of such sale to the 27924
clerk of the court of common pleas. Upon motion of the purchaser 27925
of such improvements at such sale, the court, if such sale is 27926
found to be regular in all respects and according to law, shall 27927
confirm the sale and order the sheriff to execute a deed to such 27928
purchaser and ~~his~~ the purchaser's assigns, conveying to ~~him~~ the 27929
purchaser and the purchaser's assigns all the right, title, and 27930
interest of the holders of ~~said~~ the bonds in and to ~~said~~ the 27931
improvements, and all the right, title, and interest of the state, 27932
for a period of not more than fifty years from the date of such 27933
conveyance, in the same, with full right and franchise, for ~~said~~ 27934
the period of not to exceed fifty years, to operate ~~said~~ the 27935
improvements and dispose of the water conserved or the power 27936
generated thereby, with the further right, for ~~said~~ the period of 27937
fifty years, to flow, transport, and convey ~~said~~ the water from 27938
~~said~~ the improvements, or to conduct and transmit power generated 27939
thereby through, over, and upon any of the lands of the state or 27940
channels or beds of any of its reservoirs, lakes, canals, races, 27941
aqueducts, or watercourses. In the exercise of such rights, such 27942
purchaser or ~~his~~ the purchaser's assigns shall at all times during 27943
the term of ~~said~~ the grant maintain the improvements so conveyed 27944
to them in a good state of repair and shall not interfere with the 27945
navigation of the canals of the state or with the control and 27946
maintenance thereof or with the sale of water by the state from 27947
its dams, reservoirs, and improvements other than those so 27948
constructed. The state does not incur any liability by reason of 27949
such sale and the rights granted thereunder to continue to 27950
maintain such canals, races, channels, or watercourses, or to 27951
continue the use thereof. Such conveyance or grant by the sheriff 27952
as such master commissioner shall contain a clause giving the 27953
chief such control of waste gates and wickets as to regulate the 27954
flow of water in the state reservoirs or canals, in such manner as 27955
to maintain the proper level therein and to prevent the flowing 27956

into such reservoirs and canals of such quantities of water as 27957
might impair any of the property of the state or its lessees, 27958
except as otherwise provided in section 1520.03 of the Revised 27959
Code. 27960

Upon the foreclosure of ~~said~~ the lien and the sale of ~~said~~ 27961
the improvements, all contracts or leases for the sale, use, or 27962
lease of water, the lands and improvements adjacent thereto, or 27963
power rights then outstanding shall become void, and the rights of 27964
the state and the several lessees thereunder, shall cease. 27965

Upon the making of an order by the court for the sale of such 27966
improvements, and before they are offered for sale by the sheriff, 27967
the court shall appoint three disinterested appraisers, one of 27968
whom shall be a water-works or hydraulic engineer with at least 27969
five years' experience in the practice of ~~his~~ the engineer's 27970
profession, and two of whom shall be freeholders residing in the 27971
county in which any of such improvements are located. ~~Said~~ The 27972
appraisers shall appraise ~~said~~ the improvements and shall, within 27973
the time fixed by the court, file such appraisal in writing with 27974
the clerk. If the lien given by this section as security for the 27975
payment of ~~said~~ the bonds covers a part only of ~~said~~ the 27976
improvements, ~~said~~ the appraisers shall appraise ~~said~~ the 27977
improvements as an entirety, and shall also appraise separately 27978
the part constructed from the proceeds of the sale of ~~said~~ the 27979
bonds, the lien of which is being foreclosed in such proceeding. 27980

In making such appraisal and fixing the value of ~~said~~ the 27981
improvements or of such part thereof, ~~said~~ the appraisers shall 27982
have access to all papers and documents on file in the office of 27983
the chief relating to such improvements, including the plans and 27984
specifications therefor, and the bids made and contracts entered 27985
into for the construction thereof, and all leases and contracts 27986
for the sale of water impounded therein and power generated 27987
thereby. The order of the court shall direct the sale only of such 27988

part of ~~said~~ the improvements as have been constructed from the 27989
proceeds of the sale of ~~said~~ the bonds. The purchaser at such 27990
sale, in the operation of such improvements during the term of the 27991
franchise granted to ~~him~~ the purchaser by this section, shall draw 27992
from the dam or reservoir impounding such water only such portion 27993
thereof as the appraised value of that part of such improvements, 27994
constructed from the proceeds of the sale of such bonds and sold 27995
to ~~him~~ the purchaser under the order of the court, bears to the 27996
entire appraised value of such improvements. 27997

If at any time during the term of the franchise granted to 27998
the purchaser of such improvements at such foreclosure sale any 27999
controversy arises between ~~him~~ the purchaser or ~~his~~ the 28000
purchaser's assigns and the chief as to the operation of such 28001
improvements, or as to the amount of water which ~~said~~ the 28002
purchaser is drawing or is entitled to draw therefrom, either ~~said~~ 28003
the purchaser or ~~said~~ the chief may file a petition in ~~said~~ the 28004
court, setting forth the facts connected with such controversy. 28005

Notice in writing of the filing of such petition shall be 28006
given to the opposite party to ~~said~~ the controversy within thirty 28007
days from the date of the filing thereof, either by service of 28008
such notice personally upon such opposite party by the sheriff of 28009
such county or by service by mail by the clerk. Such notice shall 28010
be mailed to the name and address which the purchaser filed with 28011
~~said~~ the clerk at the time of the delivery to the purchaser by the 28012
sheriff of the deed. Within thirty days from the serving or 28013
mailing of such notice, the opposite party to ~~said~~ the controversy 28014
shall file ~~his~~ an answer in ~~said~~ the court, and thereupon the 28015
court shall hear and determine ~~said~~ the controversy and make such 28016
order in regard to it as is just and proper, which order shall be 28017
binding upon all the parties to ~~said~~ the controversy. 28018

At the termination of ~~said~~ the period of not to exceed fifty 28019
years, all of the rights and privileges conveyed to ~~said~~ the 28020

purchaser by the deed and grant of such sheriff as master 28021
commissioner shall cease and ~~said~~ the improvements, with all the 28022
appurtenances belonging thereto, shall revert to and become the 28023
property of the state, free and clear of any claims whatever 28024
against them. 28025

The clerk shall distribute and pay the money received by ~~him~~ 28026
the clerk from the sheriff as such master commissioner from the 28027
sale of such improvements to the holders of ~~said~~ the bonds pro 28028
rata, and upon such payment to any of ~~said~~ the bondholders, they 28029
shall surrender to the ~~said~~ the clerk their bonds, with all unpaid 28030
interest coupons thereon. The clerk shall thereupon cancel the 28031
same and deliver them, so canceled, to the treasurer of the water 28032
conservation improvement fund. 28033

Sec. 1523.11. All appropriations of property made by the 28034
chief of the division of soil and water resources in carrying out 28035
sections 1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, shall 28036
be made in accordance with sections 163.01 to 163.22, ~~inclusive~~, 28037
of the Revised Code, provided that possession of any property so 28038
appropriated shall not be taken by the state or the chief before 28039
the compensation and damages awarded therefor in the appropriation 28040
proceedings have been paid into court. 28041

Sec. 1523.12. Sections 1523.01 to 1523.13, ~~inclusive~~, of the 28042
Revised Code do not authorize any reduction in the quantity or any 28043
impairment in the quality of the water in any watershed, stream, 28044
or basin, developed or undeveloped, from which any political 28045
subdivision is, at the time the chief of the division of soil and 28046
water resources proposes and is proceeding to construct in such 28047
watershed, stream, or basin any of the improvements authorized by 28048
such sections, taking water for the use of itself or its 28049
inhabitants, or has plans under way, or has made or begun 28050
appropriation of any property or rights in such watershed, stream, 28051

or basin for the purpose of acquiring a water supply for itself or 28052
its inhabitants for either domestic, industrial, or other uses. 28053
Such sections do not authorize the chief to sell or lease the 28054
right to use water at any time for any purpose or to such an 28055
extent as to prejudice, abrogate, or supersede any of the water 28056
rights granted by the state to the city of Akron as provided in 28057
volume 102, Ohio Laws, page 175, sections 1 to 3, ~~inclusive~~. 28058

Sec. 1523.13. If by reason of severe drought or other causes 28059
the water supply of any political subdivision is, in the judgment 28060
of the chief of the division of soil and water resources, at any 28061
time so reduced or impaired as to endanger the property of such 28062
political subdivision, or the health, safety, or property of the 28063
inhabitants thereof, then the chief, under such regulations as ~~he~~ 28064
the chief prescribes, may grant to such political subdivision the 28065
right, during the continuance of such emergency, to draw or take 28066
such quantity of water as is necessary to protect the property of 28067
such political subdivision and the health, safety, or property of 28068
its inhabitants from any improvement constructed under sections 28069
1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, before any of 28070
the lessees or grantees of the state using the water for 28071
industrial purposes take water therefrom. Such political 28072
subdivision shall pay such price per thousand gallons for the 28073
water so taken by it as is fixed by the chief and the governor. 28074
The price so fixed shall not exceed the maximum price then being 28075
paid for water to the state by any of its lessees or grantees. 28076
Such grant by the chief to such political subdivision shall not 28077
modify the terms or impair the validity of any leases then 28078
existing between the state and other persons, firms, or 28079
corporations, except as expressly provided in this section. 28080

Sec. 1523.14. The director of transportation in constructing 28081
highways, bridges, and culverts as provided by law; the board of 28082

county commissioners in constructing highways, bridges, and culverts as provided by law; the board of township trustees of any township in constructing highways, bridges, and culverts as provided by law; and any municipal corporation constructing or improving viaducts, bridges, and culverts under section 717.01 of the Revised Code, either severally or jointly, upon request of the chief of the division of soil and water resources and with the approval of the director of transportation, may construct and maintain slack-water dams in connection with ~~said~~ the highway, highway bridge, or culvert so as to create reservoirs, ponds, water parks, basins, lakes, or other incidental works to conserve the water supply of the state.

Sec. 1523.15. The chief of the division of soil and water ~~of the department of natural~~ resources may request the public authority having charge of the construction of state, county, or township highways, highway bridges, and culverts, or municipal streets, for the construction of slack-water dams in connection with the construction of any such highway, street, highway bridge, or culvert whenever, in ~~his~~ the chief's opinion, the construction of such dam is desirable and feasible for the economical creation and construction of reservoirs, ponds, water parks, basins, lakes, or other incidental works for the conservation of the water supply of the state.

The public authority having charge of such construction may approve such request when, in its opinion, the construction of such dams will not unnecessarily delay or hinder the construction of the highway, street, highway bridge, or culvert, or will not interfere with its value or use for highway purposes.

If such request is approved, the chief, in cooperation with the department of transportation and the public authority participating in the project, shall make a survey and prepare

plans, specifications, and estimates for the construction of such 28114
dams and the reservoir, pond, water park, basin, lake, or other 28115
incidental works in connection therewith. 28116

Upon approval of the plans and specifications and 28117
determination to proceed with the project, the chief shall enter 28118
into an agreement with the public authority on the distribution of 28119
the cost and expense of the construction of such dams and 28120
incidental works in connection therewith. The portion of the cost 28121
to be paid by the division of soil and water resources shall be 28122
paid from any funds appropriated for or paid into the division and 28123
available for such purpose. 28124

Such dams shall be constructed under and subject to any laws 28125
governing the construction of state, county, or township highways, 28126
bridges, or culverts. Any public authority undertaking 28127
construction under sections 1523.14 to 1523.20 of the Revised Code 28128
shall proceed in the same manner as provided for the construction 28129
of highway or street improvements. 28130

Sec. 1523.16. Any department or division of the state 28131
government, or any county, township, municipal corporation, park 28132
board, or district, or any organization, club, corporation, or 28133
private person may petition the chief of the division of soil and 28134
water resources for the construction of dams and reservoir 28135
projects in connection with the construction of any highway, 28136
highway bridge, or culvert. 28137

Upon receipt of such a petition and its approval by the 28138
chief, ~~he~~ the chief shall proceed as authorized by section 1523.15 28139
of the Revised Code. If the public authority having charge of the 28140
construction of such highway, street, highway bridge, or culvert 28141
approves the request, then the chief shall enter into an agreement 28142
with the public authority, organization, or person petitioning for 28143
the construction of such dam or reservoir on the apportionment of 28144

the cost and expense of construction. The cost and expense of such 28145

resources or the director's representative may create, supervise, 29576
operate, protect, and maintain wild, scenic, and recreational 29577
river areas ~~under the classifications established in section~~ 29578
~~1517.15 of the Revised Code. In creating wild, scenic, and~~ 29579
~~recreational river areas, the director shall classify each such~~ 29580

representative may prepare and maintain a plan for the 29583
establishment, development, use, and administration of those areas 29584
as a part of the comprehensive state plans for water management 29585
and outdoor recreation. The director or the director's 29586

watercourse unless an additional width is necessary to preserve 29600
water conservation, scenic, fish, wildlife, historic, or outdoor 29601
recreation values. 29602

The director shall publish the intention to declare an area a 29603
wild, scenic, or recreational river area at least once in a 29604

obtained approval of the plans for the highway, road, or structure 29648
or channel modification from the director of natural resources or 29649
~~his~~ the director's representative. The court of common pleas 29650
having jurisdiction, upon petition by the director, shall enjoin 29651
work on any highway, road, or structure or channel modification 29652
for which such approval has not been obtained. 29653

by the division of watercraft not to exceed four per cent of all 29668
money accruing to the fund. The chief may condition any 29669
expenditures, maintenance activities, or construction of 29670
facilities on the adoption and enforcement of adequate floodplain 29671
zoning or land use rules. 29672

~~The director of natural resources may make a lease or~~ 29673
~~agreement with a political subdivision to administer all or part~~ 29674
~~of a wild, scenic, or recreational river area.~~ 29675

~~The director may acquire real property or any estate, right,~~ 29676
~~or interest therein for protection and public recreational use as~~ 29677

division (G) of section 1547.30, or section 1547.131, 1547.25, 29759
1547.33, 1547.38, 1547.39, 1547.40, 1547.65, 1547.69, or 1547.92 29760
of the Revised Code or a rule adopted under division (A)(2) of 29761
section 1547.52 of the Revised Code is guilty of a misdemeanor of 29762
the fourth degree. 29763

(G) Whoever violates section 1547.11 of the Revised Code is 29764
guilty of a misdemeanor of the first degree and shall be punished 29765
as provided in division (G)(1), (2), or (3) of this section. 29766

(1) Except as otherwise provided in division (G)(2) or (3) of 29767
this section, the court shall sentence the offender to a jail term 29768
of three consecutive days and may sentence the offender pursuant 29769
to section 2929.24 of the Revised Code to a longer jail term. In 29770
addition, the court shall impose upon the offender a fine of not 29771
less than one hundred fifty nor more than one thousand dollars. 29772

The court may suspend the execution of the mandatory jail 29773
term of three consecutive days that it is required to impose by 29774
division (G)(1) of this section if the court, in lieu of the 29775
suspended jail term, places the offender under a community control 29776
sanction pursuant to section 2929.25 of the Revised Code and 29777
requires the offender to attend, for three consecutive days, a 29778
drivers' intervention program that is certified pursuant to 29779
section 3793.10 of the Revised Code. The court also may suspend 29780

the execution of any part of the mandatory jail term of three 29781
consecutive days that it is required to impose by division (G)(1) 29782
of this section if the court places the offender under a community 29783
control sanction pursuant to section 2929.25 of the Revised Code 29784
for part of the three consecutive days; requires the offender to 29785
attend, for that part of the three consecutive days, a drivers' 29786
intervention program that is certified pursuant to section 3793.10 29787
of the Revised Code; and sentences the offender to a jail term 29788
equal to the remainder of the three consecutive days that the 29789
offender does not spend attending the drivers' intervention 29790
program. The court may require the offender, as a condition of 29791
community control, to attend and satisfactorily complete any 29792
treatment or education programs, in addition to the required 29793
attendance at a drivers' intervention program, that the operators 29794
of the drivers' intervention program determine that the offender 29795
should attend and to report periodically to the court on the 29796
offender's progress in the programs. The court also may impose any 29797
other conditions of community control on the offender that it 29798
considers necessary. 29799

(2) If, within six years of the offense, the offender has 29800
been convicted of or pleaded guilty to one violation of section 29801
1547.11 of the Revised Code or one other equivalent offense, the 29802
court shall sentence the offender to a jail term of ten 29803
consecutive days and may sentence the offender pursuant to section 29804
2929.24 of the Revised Code to a longer jail term. In addition, 29805
the court shall impose upon the offender a fine of not less than 29806
one hundred fifty nor more than one thousand dollars. 29807

In addition to any other sentence that it imposes upon the 29808
offender, the court may require the offender to attend a drivers' 29809
intervention program that is certified pursuant to section 3793.10 29810
of the Revised Code. 29811

(3) If, within six years of the offense, the offender has 29812

been convicted of or pleaded guilty to more than one violation or 29813
offense identified in division (G)(2) of this section, the court 29814
shall sentence the offender to a jail term of thirty consecutive 29815
days and may sentence the offender to a longer jail term of not 29816
more than one year. In addition, the court shall impose upon the 29817
offender a fine of not less than one hundred fifty nor more than 29818
one thousand dollars. 29819

In addition to any other sentence that it imposes upon the 29820
offender, the court may require the offender to attend a drivers' 29821
intervention program that is certified pursuant to section 3793.10 29822
of the Revised Code. 29823

(4) Upon a showing that serving a jail term would seriously 29824
affect the ability of an offender sentenced pursuant to division 29825
(G)(1), (2), or (3) of this section to continue the offender's 29826
employment, the court may authorize that the offender be granted 29827
work release after the offender has served the mandatory jail term 29828
of three, ten, or thirty consecutive days that the court is 29829
required by division (G)(1), (2), or (3) of this section to 29830
impose. No court shall authorize work release during the mandatory 29831
jail term of three, ten, or thirty consecutive days that the court 29832
is required by division (G)(1), (2), or (3) of this section to 29833
impose. The duration of the work release shall not exceed the time 29834
necessary each day for the offender to commute to and from the 29835
place of employment and the place in which the jail term is served 29836
and the time actually spent under employment. 29837

(5) Notwithstanding any section of the Revised Code that 29838
authorizes the suspension of the imposition or execution of a 29839
sentence or the placement of an offender in any treatment program 29840
in lieu of being imprisoned or serving a jail term, no court shall 29841
suspend the mandatory jail term of ten or thirty consecutive days 29842
required to be imposed by division (G)(2) or (3) of this section 29843
or place an offender who is sentenced pursuant to division (G)(2) 29844

or (3) of this section in any treatment program in lieu of being 29845
imprisoned or serving a jail term until after the offender has 29846
served the mandatory jail term of ten or thirty consecutive days 29847
required to be imposed pursuant to division (G)(2) or (3) of this 29848
section. Notwithstanding any section of the Revised Code that 29849
authorizes the suspension of the imposition or execution of a 29850
sentence or the placement of an offender in any treatment program 29851
in lieu of being imprisoned or serving a jail term, no court, 29852
except as specifically authorized by division (G)(1) of this 29853
section, shall suspend the mandatory jail term of three 29854
consecutive days required to be imposed by division (G)(1) of this 29855
section or place an offender who is sentenced pursuant to division 29856
(G)(1) of this section in any treatment program in lieu of 29857
imprisonment until after the offender has served the mandatory 29858
jail term of three consecutive days required to be imposed 29859
pursuant to division (G)(1) of this section. 29860

assessed any costs incurred by the state or a county, township, 29868
municipal corporation, or other political subdivision in disposing 29869

of the Revised Code is guilty of a minor misdemeanor. 29874

(J) Whoever violates section 1547.31 of the Revised Code is 29875

guilty of a misdemeanor of the fourth degree on a first offense. 29876
On each subsequent offense, the person is guilty of a misdemeanor 29877
of the third degree. 29878

(K) Whoever violates section 1547.05 or 1547.051 of the 29879
Revised Code is guilty of a misdemeanor of the fourth degree if 29880
the violation is not related to a collision, injury to a person, 29881
or damage to property and a misdemeanor of the third degree if the 29882
violation is related to a collision, injury to a person, or damage 29883
to property. 29884

under this section for a violation of this chapter or a rule 29886
adopted under it that involves a powercraft powered by more than 29887

incorporation in the secretary of state's office. 30182

In addition to meeting the requirements for articles of 30183
incorporation set forth in Chapter 1702. of the Revised Code, the 30184
articles of incorporation for the nonprofit corporation governing 30185
a district formed under this chapter shall provide all the 30186

following:	30187
(1) The name for the district, which shall include the name of each participating political subdivision of the district;	30188 30189
(2) A description of the territory within the district, which may be all or part of each participating political subdivision. The description shall be specific enough to enable real property owners to determine if their property is located within the district.	30190 30191 30192 30193 30194
(3) A description of the procedure by which the articles of incorporation may be amended. The procedure shall include receiving approval of the amendment, by resolution, from the legislative authority of each participating political subdivision and filing the approved amendment and resolution with the secretary of state.	30195 30196 30197 30198 30199 30200
(4) The reasons for creating the district, plus an explanation of how the district will be conducive to the public health, safety, peace, convenience, and welfare of the district.	30201 30202 30203
(E) The articles of incorporation for a nonprofit corporation governing a district created under this chapter and amendments to them shall be submitted to the municipal executive, if any, and the legislative authority of each municipal corporation or township in which the proposed district is to be located ⁷ . <u>Except in the case of a district created by an existing qualified nonprofit corporation, the articles or amendments shall be</u> accompanied by a petition signed either by the owners of at least sixty per cent of the front footage of all real property located in the proposed district that abuts upon any street, alley, public road, place, boulevard, parkway, park entrance, easement, or other existing public improvement within the proposed district, excluding church property or property owned by the state, county, township, municipal, or federal government, unless a church,	30204 30205 30206 30207 30208 30209 30210 30211 30212 30213 30214 30215 30216 30217

county, township, or municipal corporation has specifically 30218
requested in writing that the property be included in the 30219
district, or by the owners of at least seventy-five per cent of 30220
the area of all real property located within the proposed 30221
district, excluding church property or property owned by the 30222
state, county, township, municipal, or federal government, unless 30223
a church, county, township, or municipal corporation has 30224
specifically requested in writing that the property be included in 30225
the district. For purposes of determining compliance with these 30226
requirements, the area of the district, or the front footage and 30227
ownership of property, shall be as shown in the most current 30228
records available at the county recorder's office and the county 30229
engineer's office sixty days prior to the date on which the 30230
petition is filed. 30231

Each municipal corporation or township with which the 30232
petition is filed has sixty days to approve or disapprove, by 30233
resolution, the petition, including the articles of incorporation. 30234
In the case of a district created by an existing qualified 30235
nonprofit corporation, each municipal corporation or township has 30236
sixty days to approve or disapprove the creation of the district 30237
after the corporation submits the articles of incorporation or 30238
amendments thereto. This chapter does not prohibit or restrict the 30239
rights of municipal corporations under Article XVIII of the Ohio 30240
Constitution or the right of the municipal legislative authority 30241
to impose reasonable conditions in a resolution of approval. 30242

(F) Persons proposing creation and operation of the district 30243
may propose an initial plan for public services or public 30244
improvements that benefit all or any part of the district. Any 30245
initial plan shall be submitted as part of the petition proposing 30246
creation of the district or, in the case of a district created by 30247
an existing qualified nonprofit corporation, shall be submitted 30248
with the articles of incorporation or amendments thereto. 30249

An initial plan may include provisions for the following:	30250
(1) Creation and operation of the district and of the nonprofit corporation to govern the district under this chapter;	30251 30252
(2) Hiring employees and professional services;	30253
(3) Contracting for insurance;	30254
(4) Purchasing or leasing office space and office equipment;	30255
(5) Other actions necessary initially to form, operate, or organize the district and the nonprofit corporation to govern the district;	30256 30257 30258
(6) A plan for public improvements or public services that benefit all or part of the district, which plan shall comply with the requirements of division (A) of section 1710.06 of the Revised Code and may include, but is not limited to, any of the permissive provisions described in the fourth sentence of that division or listed in divisions (A)(1) to (5) of that section.	30259 30260 30261 30262 30263 30264
After the initial plan is approved by all municipal corporations and townships to which it is submitted for approval and the district is created, each participating subdivision shall levy a special assessment within its boundaries to pay for the costs of the initial plan. The levy shall be for no more than ten years from the date of the approval of the initial plan. For purposes of levying an assessment for this initial plan, the services or improvements included in the initial plan shall be deemed a special benefit to property owners within the district.	30265 30266 30267 30268 30269 30270 30271 30272 30273
(G) Each nonprofit corporation governing a district under this chapter may do the following:	30274 30275
(1) Exercise all powers of nonprofit corporations granted under Chapter 1702. of the Revised Code that do not conflict with this chapter;	30276 30277 30278
(2) Develop, adopt, revise, implement, and repeal plans for	30279

public improvements and public services for all or any part of the 30280
district; 30281

(3) Contract with any person, political subdivision as 30282
defined in section 2744.01 of the Revised Code, or state agency as 30283
defined in section 1.60 of the Revised Code to develop and 30284
implement plans for public improvements or public services within 30285
the district; 30286

(4) Contract and pay for insurance for the district and for 30287
directors, officers, agents, contractors, employees, or members of 30288
the district for any consequences of the implementation of any 30289
plan adopted by the district or any actions of the district. 30290

Sec. 1710.03. (A) ~~Each owner, other than a church or the~~ 30291
~~state, county, township, municipal, or federal government, unless~~ 30292
~~a church or county, township, or municipal corporation has~~ 30293
~~specifically requested in writing that the property be included in~~ 30294
~~the district, Except as otherwise provided in this division, each~~ 30295
owner of real property within a special improvement district other 30296
than the state or federal government is a member of the district, 30297
and the real property of each member of the district is subject to 30298
special assessment under division (C) of section 1710.06 of the 30299
Revised Code. ~~The~~ A church is not a member of the district unless 30300
the church specifically requested in writing that its property be 30301
included in the district or unless, in the case of a district 30302
created by an existing qualified nonprofit corporation, the church 30303
is a member of the corporation at the time the district is 30304
created. A county, township, or municipal corporation owning real 30305
property in the district is not a member of the district unless 30306
such entity specifically requested in writing that its property be 30307
included in the district. 30308

The identity and address of the owners shall be determined 30309
for any particular action of the nonprofit corporation that 30310

governs the district, including notice of meetings of the 30311
district, no more than sixty days prior to the date of the action, 30312
from the most current records available at the county auditor's 30313
office. For purposes of this chapter, the persons shown on such 30314
records as having common or joint ownership interests in a parcel 30315
of real property collectively shall constitute the owner of the 30316
real property. 30317

(B) A member may file a written statement with the district's 30318
secretary at least three days prior to any meeting of the entire 30319
membership of the district to appoint a proxy to carry out the 30320
member's rights and responsibilities under this chapter at that 30321
meeting. 30322

(C) A member also may appoint a designee to carry out the 30323
member's rights and responsibilities under this chapter by filing 30324
a written designation form with the district's secretary. This 30325
form shall include the name and address of the member, the name 30326
and address of the designee, and the expiration date, if any, of 30327
the designation and may authorize the designee to vote at any 30328
meeting of the district. 30329

(D) A proxy or designee need not be an elector or resident of 30330
any participating political subdivision of the district or a 30331
member of the district. The appointment of a proxy or a designee 30332
may be changed by filing a new form with the district's secretary. 30333
The most current form filed with the secretary is the valid 30334
appointment. Service of any notice upon a proxy or designee at the 30335
proxy's or designee's address as shown on that form satisfies any 30336
requirements for notification of the member. 30337

Sec. 1710.04. (A) A special improvement district created 30338
under this chapter shall be governed by the board of directors of 30339
the special improvement district. The board shall consist of at 30340
least five directors. The board shall include a person appointed 30341

by the legislative authority of each participating political 30342
subdivision and the municipal executive of each municipal 30343
corporation with territory within the boundaries of the special 30344
improvement district. The remainder of the board's members shall 30345
be members of the district. Except for the municipal executives 30346
and the appointees of the legislative authorities, and except as 30347
otherwise provided in this division, members of the board of 30348
directors shall be elected at a meeting of the entire membership 30349
of the district. The initial election of directors may occur at 30350
the first meeting of the entire membership of the district after 30351
its creation. All subsequent elections shall be held at a November 30352
meeting of the membership. 30353

Each municipal executive may designate one person who is an 30354
employee of the municipal corporation involved with its planning 30355
or economic development functions to serve in the municipal 30356
executive's stead. This designee shall serve at the pleasure of 30357
the municipal executive. 30358

In the case of a district created by an existing qualified 30359
nonprofit corporation, the corporation's board of trustees or 30360
other governing board, however denominated, shall be the board of 30361
directors of the special improvement district for the purposes of 30362
this chapter. The election of directors otherwise required by this 30363
division shall not be required, and the requirement that municipal 30364
executives and appointees of the legislative authorities be 30365
members of the district's board of directors may be satisfied by 30366
the membership on the corporation's governing board of 30367
representatives of such participating political subdivisions, or 30368
may be waived if approved by resolution of the legislative 30369
authorities of the participating political subdivisions. 30370

(B) A director may file a written statement with the 30371
district's secretary at least three days prior to any meeting of 30372
the board to have a person act as proxy to carry out the 30373

director's rights and responsibilities under this chapter at that meeting. 30374
30375

A director may also appoint a designee to carry out the director's rights and responsibilities under this chapter by filing a written designation form with the district's secretary. This form shall include the name and address of the director, the name and address of the designee, and the expiration date, if any, of the designation. 30376
30377
30378
30379
30380
30381

A proxy or designee need not be an elector or resident of a participating political subdivision of the district or a member of the district. The appointment of a proxy or designee may be changed by filing a new form with the district's secretary. The most current form filed with the secretary is the valid appointment. Service of any notice upon a proxy or designee at the proxy's or designee's address as shown on that form satisfies any requirements for notification of the director. 30382

30384
30385
30386
30387
30388
30389

(C) Notice of the time, date, place, and agenda for any meeting of the board of directors shall be by written notice to each director, transmitted by certified mail, personal service, or electronic device prior to the meeting. If possible, the notice shall be served at least one week prior to the meeting. 30390
30391
30392
30393
30394

The board shall act by a majority vote of those present and authorized to vote at any meeting where proper notice has been served. 30395
30396
30397

(D) The board shall elect a chairperson, vice-chairperson, secretary, and treasurer of the board. These officers shall serve at the board's pleasure. A director may be elected to more than one office, except that the director elected as treasurer shall not be elected to any other office of the board. 30398
30399
30400
30401
30402

By the first day of March of each year, the treasurer shall submit to each member of the district and to the municipal 30403
30404

executive, chief fiscal officer, and legislative authority of each 30405
municipal corporation with territory within the boundaries of the 30406
special improvement district and the board of township trustees of 30407
each township with territory within the boundaries of the special 30408
improvement district, a report of the district's activities and 30409
financial condition for the previous year. 30410

(E) Divisions (B), (C), and (D) of this section do not apply 30411
to a district created by an existing qualified nonprofit 30412
corporation to the extent those divisions are not consistent with 30413
the regulations of the corporation, in which case the regulations 30414
of the corporation shall govern. 30415

Sec. 1710.06. (A) The board of directors of a special 30416
improvement district may develop and adopt one or more written 30417
plans for public improvements or public services that benefit all 30418
or any part of the district. Each plan shall set forth the 30419
specific public improvements or public services that are to be 30420
provided, identify the area in which they will be provided, and 30421
specify the method of assessment to be used. Each plan for public 30422
improvements or public services shall indicate the period of time 30423
the assessments are to be levied for the improvements and services 30424
and, if public services are included in the plan, the period of 30425
time the services are to remain in effect. Plans for public 30426
improvements may include the planning, design, construction, 30427
reconstruction, enlargement, or alteration of any public 30428
improvements and the acquisition of land for the improvements. 30429
Plans for public improvements or public services may also include, 30430
but are not limited to, provisions for the following: 30431

(1) Creating and operating the district and the nonprofit 30432
corporation under this chapter, including hiring employees and 30433
professional services, contracting for insurance, and purchasing 30434
or leasing office space and office equipment and other 30435

requirements of the district;	30436
(2) Planning, designing, and implementing a public	30437
improvements or public services plan, including hiring	30438
architectural, engineering, legal, appraisal, insurance, and	30439
planning services, and, for public services, managing, protecting,	30440
and maintaining public and private facilities, including public	30441
improvements;	30442
(3) Conducting court proceedings to carry out this chapter;	30443
(4) Paying damages resulting from the provision of public	30444
improvements or public services and implementing the plans;	30445
(5) Paying the costs of issuing, paying interest on, and	30446
redeeming notes and bonds issued for funding public improvements	30447
and public services plans.	30448
(B) Once the board of directors adopts a plan, it shall	30449
submit the plan to the legislative authority of each participating	30450
political subdivision and the municipal executive of each	30451
municipal corporation in which the district is located, if any.	30452
The legislative authorities and municipal executives shall review	30453
the plan and, within sixty days after receiving it, may submit	30454
their comments and recommendations about it to the district. After	30455
reviewing these comments and recommendations, the board of	30456
directors may amend the plan. It may then submit the plan, amended	30457
or otherwise, in the form of a petition to members of the district	30458
whose property may be assessed for the plan. Once the petition is	30459
signed by those members who own at least sixty per cent of the	30460
front footage of property that is to be assessed and that abuts	30461
upon a street, alley, public road, place, boulevard, parkway, park	30462
entrance, easement, or other public improvement, or those members	30463
who own at least seventy-five per cent of the area to be assessed	30464
for the improvement or service, the petition may be submitted to	30465
each legislative authority for approval.	30466

Each legislative authority shall, by resolution, approve or 30467
reject the petition within sixty days after receiving it. If the 30468
petition is approved by the legislative authority of each 30469
participating political subdivision, the plan contained in the 30470
petition shall be effective at the earliest date on which a 30471
nonemergency resolution of the legislative authority with the 30472
latest effective date may become effective. A plan may not be 30473
resubmitted to the legislative authorities and municipal 30474
executives more than three times in any twelve-month period. 30475

(C) Each participating political subdivision shall levy, by 30476
special assessment upon specially benefited property located 30477
within the district, the costs of any public improvements or 30478
public services plan contained in a petition approved by the 30479
participating political subdivisions under this section or 30480
division (F) of section 1710.02 of the Revised Code. The levy 30481
shall be made in accordance with the procedures set forth in 30482
Chapter 727. of the Revised Code, except that: 30483

(1) The assessment for each improvements or services plan may 30484
be levied by any one or any combination of the methods of 30485
assessment listed in section 727.01 of the Revised Code, provided 30486
that the assessment is uniformly applied. 30487

(2) For the purpose of levying an assessment, the board of 30488
directors may combine one or more improvements or services plans 30489
or parts of plans and levy a single assessment against specially 30490
benefited property. 30491

(3) For purposes of special assessments levied by a township 30492
pursuant to this chapter, references in Chapter 727. of the 30493
Revised Code to the municipal corporation shall be deemed to refer 30494
to the township, and references to the legislative authority of 30495
the municipal corporation shall be deemed to refer to the board of 30496
township trustees. 30497

Church property or property owned by a political subdivision, 30498
including any participating political subdivision in which a 30499
special improvement district is located, shall be included in and 30500
be subject to special assessments made pursuant to a plan adopted 30501
under this section or division (F) of section 1710.02 of the 30502
Revised Code, if the church or political subdivision has 30503
specifically requested in writing that its property be included 30504
within the special improvement district and the church or 30505
political subdivision is a member of the district or, in the case 30506
of a district created by an existing qualified nonprofit 30507
corporation, if the church is a member of the corporation. 30508

(D) All rights and privileges of property owners who are 30509
assessed under Chapter 727. of the Revised Code shall be granted 30510
to property owners assessed under this chapter, including those 30511
rights and privileges specified in sections 727.15 to 727.17 and 30512
727.18 to 727.22 of the Revised Code and the right to notice of 30513
the resolution of necessity and the filing of the estimated 30514
assessment under section 727.13 of the Revised Code. Property 30515
owners assessed for public services under this chapter shall have 30516
the same rights and privileges as property owners assessed for 30517
public improvements under this chapter. 30518

Sec. 1710.10. (A) When a participating political subdivision 30519
contracts to provide improvements or services to a special 30520
improvement district, the participating political subdivision 30521
shall charge only its additional cost of providing the improvement 30522
or service, without any allocation of overhead costs, fixed costs, 30523
or assignment of costs at rates higher than those at which the 30524
participating political subdivision assigns costs for similar 30525
improvements or services for political subdivision purposes. 30526

(B) ~~Any~~ Except in the case of a district created by an 30527
existing qualified nonprofit corporation, any law enforcement or 30528

fire protection service to be provided under a district's public 30529
service plan shall be provided only by contract with a 30530
participating political subdivision of the district. ~~The~~ In the 30531
case of a district created by an existing qualified nonprofit 30532
corporation, the corporation may provide law enforcement service 30533
as provided under section 1702.80 of the Revised Code. 30534

The district shall reimburse the participating political 30535
subdivision for any additional cost incurred in providing that law 30536
enforcement or fire protection service. This additional cost shall 30537
not include any overhead, fixed costs, or assignment of costs at 30538
rates higher than those at which the political subdivision assigns 30539
costs for these services for political subdivision purposes. 30540

30541

(C) Any liability for providing fire or police services under 30542
this section by a participating political subdivision shall remain 30543
with the participating political subdivision and shall not be 30544
assumed by the district. 30545

Sec. 1710.13. ~~The~~ This section does not apply to a special 30546
improvement district created by an existing qualified nonprofit 30547
corporation. 30548

The process for dissolving a special improvement district or 30549
repealing an improvements or services plan may be initiated by a 30550
petition signed by members of the district who own at least twenty 30551
per cent of the appraised value of the real property located in 30552
the district, excluding church property or real property owned by 30553
the federal government, the state, or a county, township, or 30554
municipal corporation, unless the church, county, township, or 30555
municipal corporation has specifically requested in writing that 30556
the property be included in the district, and filed with the 30557
municipal executive, if any, and the legislative authorities of 30558
all the participating political subdivisions of the district. As 30559

used in this section, "appraised value" means the taxable value 30560
established by the county auditor for purposes of real estate 30561
taxation. 30562

No later than forty-five days after such a petition is filed, 30563
the members of the district shall meet to consider it. Notice of 30564
the meeting shall be given as provided in section 1710.05 of the 30565
Revised Code. Upon the affirmative vote of members who 30566
collectively own more than fifty per cent of the appraised value 30567
of the real property in the district that may be subject to 30568
assessment under division (C) of section 1710.06 of the Revised 30569
Code, the district shall be dissolved, or the plan shall be 30570
repealed, as applicable. 30571

No rights or obligations of any person under any contract, or 30572
in relation to any bonds, notes, or assessments made under this 30573
chapter, shall be affected by the dissolution of the district or 30574
the repeal of a plan, except with the consent of that person or by 30575
order of a court with jurisdiction over the matter. Upon 30576
dissolution of a district, any assets or rights of the district, 30577
after payment of all bonds, notes, or other obligations of the 30578
district, shall be deposited in a special account in the treasury 30579
of each participating political subdivision, prorated among all 30580
participating political subdivisions to reflect the percentage of 30581
the district's territory within that political subdivision, to be 30582
used for the benefit of the territory that made up the district. 30583

Once the members have approved the repeal of a plan, all 30584
bonds, notes, and other obligations of the district associated 30585
with the plan shall be paid. Thereafter, the plan shall be 30586
repealed. Upon receipt of proof that all bonds, notes, and other 30587
obligations have been paid and that the plan has been repealed, 30588
the participating political subdivisions shall terminate any 30589
levies imposed to pay for costs of the plan. 30590

Sec. 1724.04. A county ~~having a population of more than one million two hundred thousand as of the most recent decennial census~~ that elects under section 5722.02 of the Revised Code to adopt and implement the procedures set forth in sections 5722.02 to 5722.15 of the Revised Code may organize a county land reutilization corporation under this chapter and Chapter 1702. of the Revised Code for the purpose of exercising the powers granted to a county under Chapter 5722. of the Revised Code. The county treasurer of the county for the benefit of which the corporation is being organized shall be the incorporator of the county land reutilization corporation. The form of the articles of incorporation of the corporation shall be approved by resolution of the board of county commissioners of the county. A county land reutilization corporation may not be organized under this chapter after the day that is one year after ~~the effective date of the amendment of this section by S.B. 353 of the 127th General Assembly~~ April 7, 2009.

When the articles of incorporation of any community improvement corporation, or any amendment, amended articles, merger, or consolidation which provides for the creation of such a corporation, are deposited for filing and recording in the office of the secretary of state, the secretary of state shall submit them to the attorney general for examination. If such articles, amendment, amended articles, merger, or consolidation, are found by the attorney general to be in accordance with Chapter 1724. of the Revised Code, and not inconsistent with the constitution and laws of the United States and of this state, the attorney general shall endorse thereon the attorney general's approval and deliver them to the secretary of state, who shall file and record them pursuant to section 1702.07 of the Revised Code.
