(9)(a) In the case of an expedited review, the independent 32093
review organization shall issue a written decision not later than 32094
seven days after the filing of the request for review. In all 32095
other cases, the independent review organization shall issue a 32096
written decision not later than thirty days after the filing of 32097
the request. The independent review organization shall send a copy 32098
of its decision to the health insuring corporation and the 32099
enrollee. If the enrollee's provider or the health care facility 32100
rendering health care services to the enrollee requested the 32101
review, the independent review organization shall also send a copy 32102
of its decision to the enrollee's provider or the health care 32103
facility. 32104

(b) The independent review organization's decision shall 32105
include a description of the enrollee's condition and the 32106
principal reasons for the decision and an explanation of the 32107
clinical rationale for the decision. 32108

(E) The independent review organization shall base its 32109
decision on the information submitted under division (D)(8) of 32110
this section. In making its decision, the independent review 32111
organization shall consider safety, efficacy, appropriateness, and 32112
cost effectiveness. 32113

(F) The health insuring corporation shall provide any 32114
coverage determined by the independent review organization's 32115
decision to be medically necessary, subject to the other terms, 32116
limitations, and conditions of the enrollee's contract. The 32117
decision shall apply only to the individual enrollee's external 32118
review. 32119

Sec. 1751.85. (A) Each health insuring corporation shall 32120

establish a reasonable external, independent review process to 32121
examine the health insuring corporation's coverage decisions for 32122
enrollees who meet all of the following criteria: 32123

(1) The enrollee has a terminal condition that, according to 32124
the current diagnosis of the enrollee's physician, has a high 32125
probability of causing death within two years. 32126

(2) The enrollee requests a review not later than ~~sixty one~~ 32127
hundred eighty days after receipt by the enrollee of notice of the 32128
result of an internal review under section 1751.83 of the Revised 32129
Code. 32130

(3) The enrollee's physician certifies that the enrollee has 32131
the condition described in division (A)(1) of this section and any 32132
of the following situations are applicable: 32133

(a) Standard therapies have not been effective in improving 32134
the condition of the enrollee; 32135

(b) Standard therapies are not medically appropriate for the 32136
enrollee; 32137

(c) There is no standard therapy covered by the health 32138
insuring corporation that is more beneficial than therapy 32139
described in division (A)(4) of this section. 32140

(4) The enrollee's physician has recommended a drug, device, 32141
procedure, or other therapy that the physician certifies, in 32142
writing, is likely to be more beneficial to the enrollee, in the 32143
physician's opinion, than standard therapies, or, the enrollee has 32144
requested a therapy that has been found in a preponderance of 32145
peer-reviewed published studies to be associated with effective 32146
clinical outcomes for the same condition. 32147

(5) The enrollee has been denied coverage by the health 32148
insuring corporation for a drug, device, procedure, or other 32149
therapy recommended or requested pursuant to division (A)(4) of 32150

this section, and has exhausted the health insuring corporation's 32151
internal review process established pursuant to section 1751.83 of 32152
the Revised Code. 32153

(6) The drug, device, procedure, or other therapy, for which 32154
coverage has been denied would be a covered health care service 32155
except for the health insuring corporation's determination that 32156
the drug, device, procedure, or other therapy is experimental or 32157
investigational. 32158

(B) A review shall be requested in writing, except that if 32159
the enrollee's physician determines that a therapy would be 32160
significantly less effective if not promptly initiated, the review 32161
may be requested orally or by electronic means. When an oral or 32162
electronic request for review is made, written confirmation of the 32163
request shall be submitted to the health insuring corporation not 32164
later than five days after the oral or written request is 32165
submitted. 32166

(C) The external, independent review process established by a 32167
health insuring corporation shall meet all of the following 32168
criteria: 32169

(1) Except as provided in division (E) of this section, the 32170
process shall afford all enrollees who meet the criteria set forth 32171
in division (A) of this section the opportunity to have the health 32172
insuring corporation's decision to deny coverage of the 32173
recommended or requested therapy reviewed under the process. 32174

(2) The review shall be conducted by an independent review 32175
organization assigned by the superintendent of insurance under 32176
section 3901.80 of the Revised Code. 32177

The independent review organization shall select a panel to 32178
conduct the review, which panel shall be composed of at least 32179
three physicians or other providers who, through clinical 32180
experience in the past three years, are experts in the treatment 32181

of the enrollee's medical condition and knowledgeable about the 32182
recommended or requested therapy. 32183

In either of the following circumstances, an exception may be 32184
made to the requirement that the review be conducted by an expert 32185
panel composed of a minimum of three physicians or other 32186
providers: 32187

(a) A review may be conducted by an expert panel composed of 32188
only two physicians or other providers if an enrollee has 32189
consented in writing to a review by the smaller panel; 32190

(b) A review may be conducted by a single expert physician or 32191
other provider if only one expert physician or other provider is 32192
available for the review. 32193

(3) Neither the health insuring corporation nor the enrollee 32194
shall choose, or control the choice of, the physician or other 32195
provider experts. 32196

(4) The selected experts, any health care facility with which 32197
an expert is affiliated, and the independent review organization 32198
arranging for the experts' review, shall not have any 32199
professional, familial, or financial affiliation with any of the 32200
following: 32201

(a) The health insuring corporation or any officer, director, 32202
or managerial employee of the health insuring corporation; 32203

(b) The enrollee, the enrollee's physician, or the practice 32204
group of the enrollee's physician; 32205

(c) The health care facility at which the recommended or 32206
requested therapy would be provided; 32207

(d) The development or manufacture of the principal drug, 32208
device, procedure, or therapy involved in the recommended or 32209
requested therapy. 32210

However, experts affiliated with academic medical centers who 32211

provide health care services to enrollees of the health insuring corporation may serve as experts on the review panel. Further, experts with staff privileges at a health care facility that provides health care services to enrollees of the health insuring corporation, as well as experts who are participating providers, but who were not involved with the health insuring corporation's denial of coverage for the therapy under review, may serve as experts on the review panel. These nonaffiliation provisions do not preclude a health insuring corporation from paying for the experts' review, as specified in division (C)(5) of this section.

(5) Enrollees shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the health insuring corporation.

(6) The health insuring corporation shall provide to the independent review organization arranging for the experts' review a copy of those records in the health insuring corporation's possession that are relevant to the enrollee's medical condition and the review. The records shall be disclosed solely to the expert reviewers and shall be used solely for the purpose of this section. At the request of the expert reviewers, the health insuring corporation or the physician recommending the therapy shall provide any additional information that the expert reviewers request to complete the review. An expert reviewer is not required to render an opinion if the reviewer has not received any requested information that the reviewer considers necessary to complete the review.

(7)(a) The opinions of the experts on the panel shall be rendered within thirty days after the enrollee's request for review. If the enrollee's physician determines that a therapy would be significantly less effective if not promptly initiated, the opinions shall be rendered within seven days after the enrollee's request for review.

(b) In conducting the review, the experts on the panel shall	32244
take into account all of the following:	32245
(i) Information submitted by the health insuring corporation,	32246
the enrollee, and the enrollee's physician, including the	32247
enrollee's medical records and the standards, criteria, and	32248
clinical rationale used by the health insuring corporation to	32249
reach its coverage decision;	32250
(ii) Findings, studies, research, and other relevant	32251
documents of government agencies and nationally recognized	32252
organizations;	32253
(iii) Relevant findings in peer-reviewed medical or	32254
scientific literature and published opinions of nationally	32255
recognized medical experts;	32256
(iv) Clinical guidelines adopted by relevant national medical	32257
societies;	32258
(v) Safety, efficacy, appropriateness, and cost	32259
effectiveness.	32260
(8) Each expert on the panel shall provide the independent	32261
review organization with a professional opinion as to whether	32262
there is sufficient evidence to demonstrate that the recommended	32263
or requested therapy is likely to be more beneficial to the	32264
enrollee than standard therapies.	32265
(9) Each expert's opinion shall be presented in written form	32266
and shall include the following information:	32267
(a) A description of the enrollee's condition;	32268
(b) A description of the indicators relevant to determining	32269
whether there is sufficient evidence to demonstrate that the	32270
recommended or requested therapy is more likely than not to be	32271
more beneficial to the enrollee than standard therapies;	32272
(c) A description and analysis of any relevant findings	32273

published in peer-reviewed medical or scientific literature or the 32274
published opinions of medical experts or specialty societies; 32275

(d) A description of the enrollee's suitability to receive 32276
the recommended or requested therapy according to a treatment 32277
protocol in a clinical trial, if applicable. 32278

(10) The independent review organization shall provide the 32279
health insuring corporation with the opinions of the experts. The 32280
health insuring corporation shall make the experts' opinions 32281
available to the enrollee and the enrollee's physician, upon 32282
request. 32283

(11) The opinion of the majority of the experts on the panel, 32284
rendered pursuant to division (C)(8) of this section, is binding 32285
on the health insuring corporation with respect to that enrollee. 32286
If the opinions of the experts on the panel are evenly divided as 32287
to whether the therapy should be covered, then the health insuring 32288
corporation's final decision shall be in favor of coverage. If 32289
less than a majority of the experts on the panel recommend 32290
coverage of the therapy, the health insuring corporation may, in 32291
its discretion, cover the therapy. However, any coverage provided 32292
pursuant to division (C)(11) of this section is subject to the 32293
terms, limitations, and conditions of the enrollee's contract with 32294
the health insuring corporation. 32295

(12) The health insuring corporation shall have written 32296
policies describing the external, independent review process. 32297

(D) At any time during the external, independent review 32298
process, the health insuring corporation may elect to cover the 32299
recommended or requested health care service and terminate the 32300
review. The health insuring corporation shall notify the enrollee 32301
and all other parties involved by mail or, with the consent or 32302
approval of the enrollee, by electronic means. 32303

(E) If a health insuring corporation's initial denial of 32304

coverage for a therapy recommended or requested pursuant to 32305
division (A)(4) of this section is based upon an external, 32306
independent review of that therapy meeting the requirements of 32307
division (C) of this section, this section shall not be a basis 32308
for requiring a second external, independent review of the 32309
recommended or requested therapy. 32310

(F) The health insuring corporation shall annually file a 32311
certificate with the superintendent of insurance certifying its 32312
compliance with the requirements of this section. 32313

Sec. 1753.09. (A) Except as provided in division (D) of this 32314
section, prior to terminating the participation of a provider on 32315
the basis of the participating provider's failure to meet the 32316
health insuring corporation's standards for quality or utilization 32317
in the delivery of health care services, a health insuring 32318
corporation shall give the participating provider notice of the 32319
reason or reasons for its decision to terminate the provider's 32320
participation and an opportunity to take corrective action. The 32321
health insuring corporation shall develop a performance 32322
improvement plan in conjunction with the participating provider. 32323
If after being afforded the opportunity to comply with the 32324
performance improvement plan, the participating provider fails to 32325
do so, the health insuring corporation may terminate the 32326
participation of the provider. 32327

(B)(1) A participating provider whose participation has been 32328
terminated under division (A) of this section may appeal the 32329
termination to the appropriate medical director of the health 32330
insuring corporation. The medical director shall give the 32331
participating provider an opportunity to discuss with the medical 32332
director the reason or reasons for the termination. 32333

(2) If a satisfactory resolution of a participating 32334
provider's appeal cannot be reached under division (B)(1) of this 32335

section, the participating provider may appeal the termination to 32336
a panel composed of participating providers who have comparable or 32337
higher levels of education and training than the participating 32338
provider making the appeal. A representative of the participating 32339
provider's specialty shall be a member of the panel, if possible. 32340
This panel shall hold a hearing, and shall render its 32341
recommendation in the appeal within thirty days after holding the 32342
hearing. The recommendation shall be presented to the medical 32343
director and to the participating provider. 32344

(3) The medical director shall review and consider the 32345
panel's recommendation before making a decision. The decision 32346
rendered by the medical director shall be final. 32347

(C) A provider's status as a participating provider shall 32348
remain in effect during the appeal process set forth in division 32349
(B) of this section unless the termination was based on any of the 32350
reasons listed in division (D) of this section. 32351

(D) Notwithstanding division (A) of this section, a 32352
provider's participation may be immediately terminated if the 32353
participating provider's conduct presents an imminent risk of harm 32354
to an enrollee or enrollees; or if there has occurred unacceptable 32355
quality of care, fraud, patient abuse, loss of clinical 32356
privileges, loss of professional liability coverage, incompetence, 32357
or loss of authority to practice in the participating provider's 32358
field; or if a governmental action has impaired the participating 32359
provider's ability to practice. 32360

(E) Divisions (A) to (D) of this section apply only to 32361
providers who are natural persons. 32362

(F)(1) Nothing in this section prohibits a health insuring 32363
corporation from rejecting a provider's application for 32364
participation, or from terminating a participating provider's 32365
contract, if the health insuring corporation determines that the 32366

health care needs of its enrollees are being met and no need 32367
exists for the provider's or participating provider's services. 32368

(2) Nothing in this section shall be construed as prohibiting 32369
a health insuring corporation from terminating a participating 32370
provider who does not meet the terms and conditions of the 32371
participating provider's contract. 32372

(3) Nothing in this section shall be construed as prohibiting 32373
a health insuring corporation from terminating a participating 32374
provider's contract pursuant to any provision of the contract 32375
described in division (E)(2) of section 3963.02 of the Revised 32376
Code, except that, notwithstanding any provision of a contract 32377
described in that division, this section applies to the 32378
termination of a participating provider's contract for any of the 32379
causes described in divisions (A), (D), and (F)(1) and (2) of this 32380
section. 32381

(G) The superintendent of insurance may adopt rules as 32382
necessary to implement and enforce sections 1753.06, 1753.07, and 32383
1753.09 of the Revised Code. Such rules shall be adopted in 32384
accordance with Chapter 119. of the Revised Code. ~~The director of 32385
health may make recommendations to the superintendent for rules 32386
necessary to implement and enforce sections 1753.06, 1753.07, and 32387
1753.09 of the Revised Code. In adopting any rules pursuant to 32388
this division, the superintendent shall consider the 32389
recommendations of the director.~~ 32390

Sec. 1901.26. (A) Subject to division (E) of this section, 32391
costs in a municipal court shall be fixed and taxed as follows: 32392

(1)(a) The municipal court shall require an advance deposit 32393
for the filing of any new civil action or proceeding when required 32394
by division (C) of this section, and in all other cases, by rule, 32395
shall establish a schedule of fees and costs to be taxed in any 32396
civil or criminal action or proceeding. 32397

(b)(i) The legislative authority of a municipal corporation 32398
may by ordinance establish a schedule of fees to be taxed as costs 32399
in any civil, criminal, or traffic action or proceeding in a 32400
municipal court for the performance by officers or other employees 32401
of the municipal corporation's police department or marshal's 32402
office of any of the services specified in sections 311.17 and 32403
509.15 of the Revised Code. No fee in the schedule shall be higher 32404
than the fee specified in section 311.17 of the Revised Code for 32405
the performance of the same service by the sheriff. If a fee 32406
established in the schedule conflicts with a fee for the same 32407
service established in another section of the Revised Code or a 32408
rule of court, the fee established in the other section of the 32409
Revised Code or the rule of court shall apply. 32410

(ii) When an officer or employee of a municipal police 32411
department or marshal's office performs in a civil, criminal, or 32412
traffic action or proceeding in a municipal court a service 32413
specified in section 311.17 or 509.15 of the Revised Code for 32414
which a taxable fee has been established under this or any other 32415
section of the Revised Code, the applicable legal fees and any 32416
other extraordinary expenses, including overtime, provided for the 32417
service shall be taxed as costs in the case. The clerk of the 32418
court shall pay those legal fees and other expenses, when 32419
collected, into the general fund of the municipal corporation that 32420
employs the officer or employee. 32421

(iii) If a bailiff of a municipal court performs in a civil, 32422
criminal, or traffic action or proceeding in that court a service 32423
specified in section 311.17 or 509.15 of the Revised Code for 32424
which a taxable fee has been established under this section or any 32425
other section of the Revised Code, the fee for the service is the 32426
same and is taxable to the same extent as if the service had been 32427
performed by an officer or employee of the police department or 32428
marshal's office of the municipal corporation in which the court 32429

is located. The clerk of that court shall pay the fee, when 32430
collected, into the general fund of the entity or entities that 32431
fund the bailiff's salary, in the same prorated amount as the 32432
salary is funded. 32433

(iv) Division (A)(1)(b) of this section does not authorize or 32434
require any officer or employee of a police department or 32435
marshal's office of a municipal corporation or any bailiff of a 32436
municipal court to perform any service not otherwise authorized by 32437
law. 32438

(2) The municipal court, by rule, may require an advance 32439
deposit for the filing of any civil action or proceeding and 32440
publication fees as provided in section 2701.09 of the Revised 32441
Code. The court may waive the requirement for advance deposit upon 32442
affidavit or other evidence that a party is unable to make the 32443
required deposit. 32444

(3) When a jury trial is demanded in any civil action or 32445
proceeding, the party making the demand may be required to make an 32446
advance deposit as fixed by rule of court, unless, upon affidavit 32447
or other evidence, the court concludes that the party is unable to 32448
make the required deposit. If a jury is called, the fees of a jury 32449
shall be taxed as costs. 32450

(4) In any civil or criminal action or proceeding, each 32451
witness shall receive twelve dollars for each full day's 32452
attendance and six dollars for each half day's attendance. Each 32453
witness in a municipal court that is not a county-operated 32454
municipal court also shall receive fifty and one-half cents for 32455
each mile necessarily traveled to and from the witness's place of 32456
residence to the action or proceeding. 32457

(5) A reasonable charge for driving, towing, carting, 32458
storing, keeping, and preserving motor vehicles and other personal 32459
property recovered or seized in any proceeding may be taxed as 32460

part of the costs in a trial of the cause, in an amount that shall 32461
be fixed by rule of court. 32462

(6) Chattel property seized under any writ or process issued 32463
by the court shall be preserved pending final disposition for the 32464
benefit of all persons interested and may be placed in storage 32465
when necessary or proper for that preservation. The custodian of 32466
any chattel property so stored shall not be required to part with 32467
the possession of the property until a reasonable charge, to be 32468
fixed by the court, is paid. 32469

(7) The municipal court, as it determines, may refund all 32470
deposits and advance payments of fees and costs, including those 32471
for jurors and summoning jurors, when they have been paid by the 32472
losing party. 32473

(8) Charges for the publication of legal notices required by 32474
statute or order of court may be taxed as part of the costs, as 32475
provided by section 7.13 of the Revised Code. 32476

(B)(1) The municipal court may determine that, for the 32477
efficient operation of the court, additional funds are necessary 32478
to acquire and pay for special projects of the court including, 32479
but not limited to, the acquisition of additional facilities or 32480
the rehabilitation of existing facilities, the acquisition of 32481
equipment, the hiring and training of staff, community service 32482
programs, mediation or dispute resolution services, the employment 32483
of magistrates, the training and education of judges, acting 32484
judges, and magistrates, and other related services. Upon that 32485
determination, the court by rule may charge a fee, in addition to 32486
all other court costs, on the filing of each criminal cause, civil 32487
action or proceeding, or judgment by confession. 32488

If the municipal court offers a special program or service in 32489
cases of a specific type, the municipal court by rule may assess 32490
an additional charge in a case of that type, over and above court 32491

costs, to cover the special program or service. The municipal 32492
court shall adjust the special assessment periodically, but not 32493
retroactively, so that the amount assessed in those cases does not 32494
exceed the actual cost of providing the service or program. 32495

All moneys collected under division (B) of this section shall 32496
be paid to the county treasurer if the court is a county-operated 32497
municipal court or to the city treasurer if the court is not a 32498
county-operated municipal court for deposit into either a general 32499
special projects fund or a fund established for a specific special 32500
project. Moneys from a fund of that nature shall be disbursed upon 32501
an order of the court in an amount no greater than the actual cost 32502
to the court of a project. If a specific fund is terminated 32503
because of the discontinuance of a program or service established 32504
under division (B) of this section, the municipal court may order 32505
that moneys remaining in the fund be transferred to an account 32506
established under this division for a similar purpose. 32507

(2) As used in division (B) of this section: 32508

(a) "Criminal cause" means a charge alleging the violation of 32509
a statute or ordinance, or subsection of a statute or ordinance, 32510
that requires a separate finding of fact or a separate plea before 32511
disposition and of which the defendant may be found guilty, 32512
whether filed as part of a multiple charge on a single summons, 32513
citation, or complaint or as a separate charge on a single 32514
summons, citation, or complaint. "Criminal cause" does not include 32515
separate violations of the same statute or ordinance, or 32516
subsection of the same statute or ordinance, unless each charge is 32517
filed on a separate summons, citation, or complaint. 32518

(b) "Civil action or proceeding" means any civil litigation 32519
that must be determined by judgment entry. 32520

(c) The municipal court shall collect in all its divisions 32521
except the small claims division the sum of ~~twenty-six~~ thirty-one 32522

dollars as additional filing fees in each new civil action or 32523
proceeding for the charitable public purpose of providing 32524
financial assistance to legal aid societies that operate within 32525
the state and to support the office of the state public defender. 32526
The municipal court shall collect in its small claims division the 32527
sum of eleven dollars as additional filing fees in each new civil 32528
action or proceeding for the charitable public purpose of 32529
providing financial assistance to legal aid societies that operate 32530

division (C) of this section and, in all other cases, shall 33061
establish a schedule of fees and costs to be taxed in any civil or 33062
criminal action or proceeding. 33063

(2) The county court by rule may require an advance deposit 33064
for the filing of a civil action or proceeding and publication 33065
fees as provided in section 2701.09 of the Revised Code. The court 33066

may waive an advance deposit requirement upon the presentation of 33067
an affidavit or other evidence that establishes that a party is 33068
unable to make the requisite deposit. 33069

(3) When a party demands a jury trial in a civil action or 33070
proceeding, the county court may require the party to make an 33071
advance deposit as fixed by rule of court, unless the court 33072
concludes, on the basis of an affidavit or other evidence 33073
presented by the party, that the party is unable to make the 33074
requisite deposit. If a jury is called, the county court shall tax 33075
the fees of a jury as costs. 33076

(4) In a civil or criminal action or proceeding, the county 33077
court shall fix the fees of witnesses in accordance with sections 33078
2335.06 and 2335.08 of the Revised Code. 33079

(5) A county court may tax as part of the costs in a trial of 33080
the cause, in an amount fixed by rule of court, a reasonable 33081
charge for driving, towing, carting, storing, keeping, and 33082
preserving motor vehicles and other personal property recovered or 33083
seized in a proceeding. 33084

(6) The court shall preserve chattel property seized under a 33085
writ or process issued by the court pending final disposition for 33086
the benefit of all interested persons. The court may place the 33087
chattel property in storage when necessary or proper for its 33088
preservation. The custodian of chattel property so stored shall 33089
not be required to part with the possession of the property until 33090
a reasonable charge, to be fixed by the court, is paid. 33091

(7) The county court, as it determines, may refund all 33092
deposits and advance payments of fees and costs, including those 33093
for jurors and summoning jurors, when they have been paid by the 33094
losing party. 33095

(8) The court may tax as part of costs charges for the 33096
publication of legal notices required by statute or order of 33097

court, as provided by section 7.13 of the Revised Code. 33098

(B)(1) The county court may determine that, for the efficient 33099
operation of the court, additional funds are necessary to acquire 33100
and pay for special projects of the court including, but not 33101
limited to, the acquisition of additional facilities or the 33102
rehabilitation of existing facilities, the acquisition of 33103

determination, the court by rule may charge a fee, in addition to 33108
all other court costs, on the filing of each criminal cause, civil 33109
action or proceeding, or judgment by confession. 33110

If the county court offers a special program or service in 33111
cases of a specific type, the county court by rule may assess an 33112
additional charge in a case of that type, over and above court 33113
costs, to cover the special program or service. The county court 33114
shall adjust the special assessment periodically, but not 33115
retroactively, so that the amount assessed in those cases does not 33116
exceed the actual cost of providing the service or program. 33117

All moneys collected under division (B) of this section shall 33118
be paid to the county treasurer for deposit into either a general 33119
special projects fund or a fund established for a specific special 33120
project. Moneys from a fund of that nature shall be disbursed upon 33121
an order of the court in an amount no greater than the actual cost 33122
to the court of a project. If a specific fund is terminated 33123
because of the discontinuance of a program or service established 33124
under division (B) of this section, the county court may order 33125
that moneys remaining in the fund be transferred to an account 33126
established under this division for a similar purpose. 33127

The filing fees required to be collected under this division shall be in addition to any other court costs imposed in the action or proceeding and shall be collected at the time of the filing of the action or proceeding. The court shall not waive the payment of the additional filing fees in a new civil action or proceeding unless

the court waives the advanced payment of all filing fees in the 33161
action or proceeding. All such moneys collected during a month 33162
except for an amount equal to up to one per cent of those moneys 33163
retained to cover administrative costs shall be transmitted on or 33164

division to the credit of the legal aid fund established under 33172

collects under this division to cover administrative costs, 33175
including the hiring of any additional personnel necessary to 33176
implement this division. If the court fails to transmit to the 33177
treasurer of state the moneys the court collects under this 33178
division in a manner prescribed by the treasurer of state or by 33179
the Ohio legal assistance foundation, the court shall forfeit the 33180
moneys the court retains under this division to cover 33181
administrative costs, including the hiring of any additional 33182
personnel necessary to implement this division, and shall transmit 33183
to the treasurer of state all moneys collected under this 33184
division, including the forfeited amount retained for 33185
administrative costs, for deposit in the legal aid fund. 33186

(D) The county court shall establish by rule a schedule of 33187
fees for miscellaneous services performed by the county court or 33188

of common pleas perform similar services, the fees prescribed in 33190
the schedule shall not exceed the fees for those services 33191
prescribed by the court of common pleas. 33192

board of county commissioners of that county may issue one or more 35283

other filing fees imposed in the action or proceeding and shall be 35312
collected at the time of the filing of the action or proceeding. 35313
The court shall not waive the payment of the additional filing 35314

proceeding. All such moneys collected during a month except for an 35317
amount equal to up to one per cent of those moneys retained to 35318

The court may retain up to one per cent of the moneys it 35329
collects under this division to cover administrative costs, 35330
including the hiring of any additional personnel necessary to 35331
implement this division. If the court fails to transmit to the 35332
treasurer of state the moneys the court collects under this 35333

division in a manner prescribed by the treasurer of state or by 35334
the Ohio legal assistance foundation, the court shall forfeit the 35335
moneys the court retains under this division to cover 35336
administrative costs, including the hiring of any additional 35337
personnel necessary to implement this division, and shall transmit 35338
to the treasurer of state all moneys collected under this 35339

(D) On and after the thirtieth day after December 9, 1994, 35342
the court of common pleas shall collect the sum of thirty-two 35343
dollars as additional filing fees in each new action or proceeding 35344
for annulment, divorce, or dissolution of marriage for the purpose 35345
of funding shelters for victims of domestic violence pursuant to 35346
sections 3113.35 to 3113.39 of the Revised Code. The filing fees 35347
required to be collected under this division shall be in addition 35348

shall be retained in the fund and expended only as described in 35361
section 3113.34 of the Revised Code. 35362

(E)(1) The court of common pleas may determine that, for the 35363

determination, the court by rule may charge a fee, in addition to 35372
all other court costs, on the filing of each criminal cause, civil 35373
action or proceeding, or judgment by confession. 35374

If the court of common pleas offers a special program or 35375
service in cases of a specific type, the court by rule may assess 35376
an additional charge in a case of that type, over and above court 35377
costs, to cover the special program or service. The court shall 35378
adjust the special assessment periodically, but not retroactively, 35379
so that the amount assessed in those cases does not exceed the 35380
actual cost of providing the service or program. 35381

All moneys collected under division (E) of this section shall 35382
be paid to the county treasurer for deposit into either a general 35383
special projects fund or a fund established for a specific special 35384
project. Moneys from a fund of that nature shall be disbursed upon 35385
an order of the court in an amount no greater than the actual cost 35386
to the court of a project. If a specific fund is terminated 35387
because of the discontinuance of a program or service established 35388
under division (E) of this section, the court may order that 35389
moneys remaining in the fund be transferred to an account 35390
established under this division for a similar purpose. 35391

~~any test~~ an assessment administered under this section or make up 37851

conduct an audit of a school district's data reporting practices 38554
any time the department has reason to believe the district has not 38555
made a good faith effort to report data as required by this 38556
section. If any audit conducted by an outside entity under 38557

district. If the referee affirms the department's contention that 38571
the district did not make a good faith effort to report data as 38572
required by this section, the district shall bear the full cost of 38573
conducting the hearing and of issuing any revised report card. 38574

(7) If the department determines that any inaccurate data 38575

reported under this section caused a school district to receive 38576
excess state funds in any fiscal year, the district shall 38577
reimburse the department an amount equal to the excess funds, in 38578
accordance with a payment schedule determined by the department. 38579

be on the district to demonstrate that it made a good faith effort 38588
to report data as required by this section. 38589

Sec. 3306.052. Each city, local, and exempted village school district shall receive funding for career-technical education teachers and career-technical education program operations for fiscal years 2010 and 2011 as follows:

(A) For fiscal year 2010, each district shall receive an amount equal to the amount the district received for fiscal year 2009 under division (E) of section 3317.022 of the Revised Code, as that section existed for that fiscal year, less any amounts attributable to community school students and net of any additions or deductions attributable to open enrollment students, times 1.019.

(B) For fiscal year 2011, each district shall receive an amount equal to the amount the district received for fiscal year 2010 under division (A) of this section times 1.019.

Sec. 3306.06. (A) The additional services support component of the adequacy amount for each city, local, and exempted village school district is the sum of the following:

<u>(1) The family and community liaison factor;</u>	40948
<u>(2) The counselor factor;</u>	40949
<u>(3) The summer remediation factor;</u>	40950
<u>(4) The school nurse wellness coordinator factor;</u>	40951
<u>(5) The district health professional factor.</u>	40952
<u>(B)(1) The family and community liaison factor shall be</u>	40953
<u>calculated by multiplying the school district's formula ADM times</u>	40954
<u>its targeted poverty indicator and dividing the product by</u>	40955
<u>seventy-five, and then multiplying the quotient by the product of</u>	40956
<u>the applicable Ohio educational challenge factor times \$38,633, in</u>	40957
<u>fiscal year 2010, and times \$39,381, in fiscal year 2011.</u>	40958
<u>(2) The counselor factor shall be calculated by dividing the</u>	40959

<u>each fiscal year established by law. No counselor factor shall be</u>	40962
<u>calculated and paid for fiscal years 2010 and 2011.</u>	40963
<u>(3) The summer remediation program factor shall be calculated</u>	40964

<u>\$3,000 times the applicable Ohio educational challenge factor.</u>	40970
<u>(4) The school nurse wellness coordinator factor shall be</u>	40971

<u>nurse wellness coordinator factor shall be calculated and paid for</u>	40976
<u>fiscal years 2010 and 2011.</u>	40977

(5) The district health professional factor for each district equals a dollar amount specified by law for each fiscal year. No district health professional factor shall be calculated and paid for fiscal years 2010 and 2011. 40978
40979
40980
40981

(C) In adopting expenditure and reporting standards under section 3306.25 of the Revised Code, the superintendent of public instruction shall include standards that encourage school districts to give preference to employing or obtaining the services of licensed school nurses with funds received for the school nurse wellness coordinator factor and the district health professional factor. 40982
40983
40984
40985
40986
40987
40988

(D) Each school district shall account separately for expenditures of the amounts received for additional services support under this section and report that information to the department of education. 40989
40990
40991
40992

Sec. 3306.07. (A) The administrative services support component of the adequacy amount for each city, local, and exempted village school district is the sum of the following: 40993
40994
40995

(1) The district administration factor; 40996

(2) The principal factor; 40997

(3) The administrative support personnel factor; 40998

(B)(1) The district administration factor equals \$187,176 in fiscal year 2010 and \$190,801 in fiscal year 2011. 40999
41000

(2) The principal factor shall be calculated by multiplying the number of the district's organizational units times \$89,563 in fiscal year 2010 and \$91,297 in fiscal year 2011. However, each type 1 or type 2 school district shall receive for a principal factor an amount not less than the applicable dollar amount specified in this paragraph times the number of school buildings in the district for which the department of education issued a 41001
41002
41003
41004
41005
41006
41007

report card under section 3302.03 of the Revised Code for the 41008
prior school year. As used in this division, "type 1 school 41009
district" means a school district characterized as a type 1 41010
(rural/agricultural, high poverty, low median income) district, 41011
and "type 2 school district" means a school district characterized 41012
as a type 2 (rural/agricultural, small student population, low 41013
poverty, low to moderate median income), in the typology of 41014
districts published by the department in July 2007. 41015

(3) The administrative support personnel factor is funding 41016
determined for building managers, secretaries, and 41017
noninstructional aides. 41018

(a) The funding for building managers shall be calculated by 41019
multiplying \$33,624 in fiscal year 2010 and \$34,275 in fiscal year 41020
2011 times the number of the district's organizational units. 41021

(b) The funding for secretaries shall be calculated by 41022
multiplying \$33,624 in fiscal year 2010 and \$34,275 in fiscal year 41023
2011 times the number of the district's organizational units, 41024
where two additional secretaries shall be funded for each high 41025
school organizational unit. 41026

(c) The funding for noninstructional aides shall be a dollar 41027
amount set by law for each fiscal year times the number of the 41028
district's organizational units, where the organizational units 41029
are multiplied by two in the case of elementary school and middle 41030
school organizational units and by three in case of high school 41031
organizational units. 41032

However, each small school district shall receive funding for 41033
one building manager, one secretary, and one noninstructional 41034
aide. Every other city, local, and exempted village school 41035
district shall receive funding for at least one building manager, 41036
one secretary, and one noninstructional aide. 41037

No funding shall be calculated and paid for noninstructional 41038

aides for fiscal years 2010 and 2011. 41039

(C) Each school district shall account separately for the 41040
amounts received for administrative services support under this 41041
section and report that information to the department of 41042
education. 41043

Sec. 3306.08. (A) The operations and maintenance support 41044
component of the adequacy amount for each city, local, and 41045
exempted village school district shall be calculated by 41046
multiplying the district's formula ADM times \$884. 41047

(B) The operations and maintenance support for each city, 41048
local, and exempted village school district shall be adjusted by 41049
multiplying the calculated amount by 0.45 in fiscal years 2010 and 41050
2011, and by 0.75 in fiscal years 2012 and 2013. 41051

(C) Each school district shall account separately for 41052
expenditures of the amounts received for operations and 41053
maintenance support under this section and report that information 41054
to the department of education. 41055

Sec. 3306.09. (A) The gifted education support component of 41056
the adequacy amount for each city, local, and exempted village 41057
school district is the sum of the following: 41058

(1) The gifted identification factor; 41059

(2) The gifted coordinator factor; 41060

(3) The gifted intervention specialist factor; 41061

(4) The gifted intervention specialist professional 41062
development factor. 41063

(B)(1) The gifted identification factor shall be calculated 41064
by multiplying the district's formula ADM times \$5. 41065

(2) The gifted coordinator factor shall be calculated by 41066

multiplying \$66,375 in fiscal year 2010 and \$67,660 in fiscal year 41067
2011 times the quotient of the district's formula ADM divided by 41068
two thousand five hundred. 41069

(3) The gifted intervention specialist factor shall be 41070
calculated by multiplying the number of the district's 41071
organizational units times the Ohio educational challenge factor 41072
specified for the district in section 3306.051 of the Revised Code 41073
times the statewide base teacher salary specified in section 41074
3306.05 of the Revised Code. 41075

(4) The gifted intervention specialist professional 41076
development factor shall be calculated by multiplying the number 41077
of the district's organizational units times the 41078
per-teaching-position dollar amount specified for the professional 41079
development factor in division (A)(7) of section 3306.03 of the 41080

each city, local, and exempted village school district shall 41278
report to the department of education its qualifying ridership, 41279

nontraditional ridership, number of qualifying riders per assigned bus, and any other information requested by the department. 41280
41281
Subsequent adjustments to the reported numbers shall be made only in accordance with rules adopted by the department. 41282
41283

(C) The department shall calculate the statewide transportation cost per student as follows: 41284
41285

(1) Determine each city, local, and exempted village school district's transportation cost per student by dividing the district's total costs for school bus service in the previous fiscal year by its qualifying ridership in the previous fiscal year. 41286
41287
41288
41289
41290

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per student and the ten districts with the lowest transportation costs per student, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate qualifying ridership of those districts in the previous fiscal year. 41291
41292
41293
41294
41295
41296
41297

(D) The department shall calculate the statewide transportation cost per mile as follows: 41298
41299

(1) Determine each city, local, and exempted village school district's transportation cost per mile by dividing the district's total costs for school bus service in the previous fiscal year by its total number of miles driven for school bus service in the previous fiscal year. 41300
41301
41302
41303
41304

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per mile and the ten districts with the lowest transportation costs per mile, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate miles driven for school bus service 41305
41306
41307
41308
41309
41310

in those districts in the previous fiscal year. 41311

(E) The department shall calculate each city, local, and 41312
exempted village school district's transportation base payment as 41313
follows: 41314

(1) Multiply the statewide transportation cost per student by 41315
the district's qualifying ridership for the current fiscal year. 41316

(2) Multiply the statewide transportation cost per mile by 41317
the district's total number of miles driven for school bus service 41318
in the current fiscal year. 41319

(3) Multiply the greater of the amounts calculated under 41320
divisions (E)(1) and (2) of this section by the greater of sixty 41321
per cent or the district's state share percentage. 41322

(F) The department shall calculate each city, local, and 41323
exempted village school district's nontraditional ridership 41324
adjustment according to the following formula: 41325

(nontraditional ridership for the current fiscal year / 41326
qualifying ridership for the current fiscal year) X 0.1 X 41327
transportation base payment 41328

(G) If a city, local, and exempted village school district 41329
offers school bus service to all resident students who are 41330
enrolled in regular education in district schools in grades nine 41331
to twelve and who live more than one mile from the school they 41332
attend, the department shall calculate the district's high school 41333
ridership adjustment according to the following formula: 41334

0.025 X transportation base payment 41335

(H) If a city, local, and exempted village school district 41336
offers school bus service to students enrolled in grades 41337

assigned bus and a description of how the target number was 41352
determined. 41353

(2) The department shall determine each school district's 41354
efficiency index by dividing the district's median number of 41355
qualifying riders per assigned bus by its target number of 41356
qualifying riders per assigned bus. 41357

(3) The department shall determine each city, local, and 41358
exempted village school district's efficiency adjustment as 41359
follows: 41360

(a) If the district's efficiency index is equal to or greater 41361
than 1.5, the efficiency adjustment shall be calculated according 41362
to the following formula: 41363

0.1 X transportation base payment 41364

(b) If the district's efficiency index is less than 1.5 but 41365
equal to or greater than 1.0, the efficiency adjustment shall be 41366
calculated according to the following formula: 41367

[(efficiency index - 1) / 5] X transportation base payment 41368

(c) If the district's efficiency index is less than 1.0, the 41369
efficiency adjustment shall be zero. 41370

(J) The department shall pay each city, local, and exempted 41371

per cent of the following difference: 41791

(a) The sum of the district's state share of the adequacy 41792
amount calculated under section 3306.13 of the Revised Code plus 41793

of the Revised Code permitting open enrollment for the prior 41805
fiscal year, but for the current fiscal year has altered its 41806
policy so that students who enrolled in the district in the prior 41807
year under the district's policy no longer are eligible to enroll 41808
in the district in the current year under its new policy, the 41809
amount attributable to such students affected by the change in the 41810
district's policy paid to the district for the prior fiscal year 41811
shall not be included in the district's transitional aid base for 41812
the current fiscal year. 41813

(B) Notwithstanding any provision of this chapter to the 41814
contrary: 41815

(1) The combination of the state share of the adequacy amount 41816
plus the prorated transportation funding under division (L)(1) of 41817
section 3306.12 of the Revised Code for any city, local, or 41818
exempted village school district for fiscal year 2010 shall not 41819

division (A)(1)(d) of this section. 41822

(2) The combination of the state share of the adequacy amount 41823

Code. 41830

Sec. 3306.191. The department of education shall calculate 41831
and pay additional transitional aid in fiscal year 2011 to a city, 41832
local, and exempted village school district equal to the 41833
following: 41834

(0.98 X the district's state education aid for fiscal year 2010) - 41835
the district's state education aid for fiscal year 2011 41836

If the result is a negative number, no payment shall be paid 41837
under this section. 41838

As used in this section, "state education aid" has the same 41839
meaning as in section 5751.20 of the Revised Code. 41840

Sec. 3306.192. In fiscal year 2012 and in each fiscal year 41841
thereafter, the department of education shall pay a city, local, 41842
or exempted village school district additional funds computed as 41843

Revised Code/its formula ADM); times 41848

(B) The district's formula ADM. 41849

If the result is a negative number, no payment shall be made 41850
under this section. 41851

for chartered nonpublic school for students" means the statewide 41853
per pupil amount paid under sections 3317.06 and 3317.063 of the 41854
Revised Code, combined, for the current fiscal year, as calculated 41855
by the department. 41856

Sec. 3306.21. Nothing in this chapter shall be construed to 41857
affect or limit the authority of a school district, community 41858

3326.45 of the Revised Code, for the provision of any services for 41861
which funds are calculated and paid under this chapter. 41862

Sec. 3306.22. Nothing in this chapter shall be construed to 41863
prohibit a school district from using funds calculated and paid 41864
under this chapter to establish, operate, or participate in a 41865

Code. 41867

shall adopt rules, in accordance with Chapter 119. of the Revised 41869
Code, prescribing standards for the expenditure of funds 41870
calculated under this chapter and for the reporting of 41871
expenditures of those funds for particular funded components, as 41872
determined by the superintendent, so that those funds are directed 41873
toward the purposes for which they were calculated. 41874

The superintendent shall classify the components into the 41875
following categories: 41876

(2) Academic improvement components, which shall be 41880
considered those components that have been demonstrated to make 41881
the greatest improvement in the academic achievement of 41882
underperforming students; 41883

(3) Other components. 41884

The superintendent shall determine the funded components 41885
included in each category. 41886

guidelines established by the governor's closing the achievement 42120
gap initiative, who shall work with and who is the primary mentor, 42121
coach, and motivator for students identified as at risk of not 42122
graduating, as defined by the governor's closing the achievement 42123
gap initiative, and who coordinates those students' participation 42124
in academic programs, social service programs, out-of-school 42125
cultural and work-related experiences, and in-school and 42126
out-of-school mentoring programs, based on the students' needs. 42127
The linkage coordinator shall coordinate remedial disciplinary 42128
plans as needed and work with school personnel to gather student 42129
academic information and to engage parents of targeted students. 42130
The linkage coordinator shall serve as a liaison between the 42131
school and the governor's closing the achievement gap initiative 42132
and shall participate in all professional development activities 42133
as directed by the closing the achievement gap initiative. The 42134
linkage coordinator shall establish and coordinate the work of 42135

which this section applies to assess the progress in implementing 42144
prescribed activities, as required under division (B) of this 42145
section, and shall assist linkage coordinators, administrators, 42146

If they disapprove those items in the plan, the state superintendent shall do one of the following:

The district board shall modify the plan according to the state superintendent's instructions or recommendations and return the modified plan by a date specified by the state superintendent.

(G) The department shall work with the governor's closing the achievement gap initiative in reconciling, under division (B) of section 3306.30 of the Revised Code, the spending plan submitted by a district to which this section applies with the district's actual spending.

recommendations from the office of school resource management, the 42187
state board of education and the auditor of state jointly shall 42188
adopt rules in accordance with Chapter 119. of the Revised Code 42189
prescribing the scope of the performance reviews. 42190

(C) The department may contract with the auditor of state, 42191
any other governmental entity, or any private entity to conduct 42192
performance reviews under this section. 42193

(D) Upon the conclusion of a performance review under this 42194

examine the service center's delivery of services to local school 42229
districts and client districts as required by law and any 42230
contracts it has with those districts and whether that delivery of 42231
services comports with the requirements and specifications for 42232
those services, including the quality standards recommended by the 42233
state regional alliance advisory board under section 3312.12 of 42234
the Revised Code. 42235

(B) The department of education shall review the final report 42236

Sec. 3306.34. (A) Each accountability compliance commission 42365
appointed under division (D) of section 3306.33 of the Revised 42366
Code is a body both corporate and politic, constituting an agency 42367
and instrumentality of the state and performing essential 42368
governmental functions of the state. A commission shall be known 42369
as the "accountability compliance commission for 42370
(name of school district, community school, or STEM school)," and, 42371
in that name, may exercise all authority vested in such a 42372
commission by this section. A separate commission shall be 42373
established for each school district, community school, or STEM 42374
school for which the superintendent of public instruction opts to 42375
establish a commission under division (D) of section 3306.33 of 42376
the Revised Code. 42377

(B) Each accountability commission shall consist of three 42378
members, one of whom shall be appointed by the governor, one of 42379
whom shall be appointed by the superintendent of public 42380
instruction, and one of whom shall be appointed by the auditor of 42381
state. 42382

All members shall serve at the pleasure of the appointing 42383
authority during the life of the commission. In the event of the 42384
death, resignation, incapacity, removal, or ineligibility to serve 42385
of a member, the appointing authority shall appoint a successor 42386
within fifteen days after the vacancy occurs. Members shall serve 42387
without compensation, but shall be paid by the commission their 42388
necessary and actual expenses incurred while engaged in the 42389
business of the commission. 42390

(C) Immediately after appointment of the initial members of 42391
an accountability compliance commission, the state superintendent 42392
shall call the first meeting of the commission and shall cause 42393
written notice of the time, date, and place of that meeting to be 42394
given to each member of the commission at least forty-eight hours 42395

in advance of the meeting. The first meeting shall include an 42396
overview of the commission's roles and responsibilities, the 42397
requirements of section 2921.42 and Chapter 102. of the Revised 42398
Code as they pertain to commission members, the requirements of 42399
section 121.22 of the Revised Code, and the provisions of division 42400
(F) of this section. At its first meeting, the commission shall 42401
adopt temporary bylaws in accordance with division (D) of this 42402
section to govern its operations until the adoption of permanent 42403
bylaws. 42404

The state superintendent shall designate a chairperson for 42405
the commission from among the members. The chairperson shall call 42406
and conduct meetings, set meeting agendas, and serve as a liaison 42407
between the commission and the district board of education, the 42408
community school governing authority, or STEM school governing 42409
body. The chairperson also shall appoint a secretary, who shall 42410
not be a member of the commission. 42411

The department of education shall provide administrative 42412
support for the commission, provide data requested by the 42413
commission, and inform the commission of available state resources 42414
that could assist the commission in its work. 42415

(D) Each accountability compliance commission may adopt and 42416
alter bylaws and rules, which shall not be subject to section 42417
111.15 or Chapter 119. of the Revised Code, for the conduct of its 42418
affairs and for the manner, subject to this section, in which its 42419
powers and functions shall be exercised and embodied. 42420

(E) Two members of an accountability compliance commission 42421
constitute a quorum of the commission. The affirmative vote of two 42422
members of the commission is necessary for any action taken by 42423
vote of the commission. No vacancy in the membership of the 42424
commission shall impair the rights of a quorum by such vote to 42425
exercise all the rights and perform all the duties of the 42426
commission. Members of the commission are not disqualified from 42427

voting by reason of the functions of any other office they hold 42428
and are not disqualified from exercising the functions of the 42429
other office with respect to the school district or community 42430
school or STEM school, its officers, or the commission. 42431

(F) The members of an accountability compliance commission, 42432
the state superintendent, and any person authorized to act on 42433
behalf of or assist them shall not be personally liable or subject 42434
to any suit, judgment, or claim for damages resulting from the 42435
exercise of or failure to exercise the powers, duties, and 42436
functions granted to them in regard to their functioning under 42437
this section, but the commission, state superintendent, and such 42438
other persons shall be subject to mandamus proceedings to compel 42439
performance of their duties under this section. 42440

(G) Each member of an accountability compliance commission 42441
shall file the statement described in section 102.02 of the 42442
Revised Code with the Ohio ethics commission. The statement shall 42443
be confidential, subject to review, as described in division (B) 42444
of that section. 42445

(H) Meetings of each accountability compliance commission 42446
shall be subject to section 121.22 of the Revised Code. 42447

(I) Each accountability compliance commission shall seek 42448
input from the district board of education, community school 42449
governing authority, or STEM school governing body regarding ways 42450
to improve the district's or school's operations and compliance 42451
with the requirements of this chapter and the expenditure and 42452
reporting standards prescribed by rule adopted under section 42453
3306.25 of the Revised Code, but any decision of the commission 42454
related to any authority granted to the commission under this 42455
section shall be final. 42456

<u>section 3316.05 of the Revised Code;</u>	42473
<u>(6) Exercise the powers, duties, and functions with respect</u>	42474

<u>(J) If the board of education of a school district, governing</u>	42480

<u>of the commission unenforceable.</u>	42487
<u>(K) An accountability compliance commission shall cease to</u>	42488
<u>exist at the beginning of the first year that none of the</u>	42489

circumstances described in division (A) of section 3306.33 of the 42490
Revised Code apply to the district, community school, or STEM 42491
school. 42492

Sec. 3306.35. The department of education shall develop a 42493
form, which shall be known as the "Formula ACcountability and 42494
Transparency" form or "FACT" form. The department annually shall 42495
issue and publish on its web site a FACT form for each city, 42496
local, and exempted village school district, community school 42497
established under Chapter 3314. of the Revised Code, and STEM 42498
school established under Chapter 3326. of the Revised Code. The 42499
form shall compare the payments to the district or school under 42500
each component prescribed by this chapter with the district's or 42501
school's deployment of those payments as indicated in its spending 42502
plan submitted under section 3306.30 and, if applicable, 3306.31 42503
of the Revised Code. The form shall not be the basis of any 42504
actions under section 3306.33 of the Revised Code but shall be a 42505
public document to inform parents, students, and taxpayers about 42506
the district's or school's spending. 42507

Sec. 3306.40. The board of education of a school district, 42508
the governing authority of a community school established under 42509
Chapter 3314. of the Revised Code, or the governing body of a STEM 42510
school established under Chapter 3326. of the Revised Code may 42511
apply to the superintendent of public instruction for a waiver of 42512
any standard or requirement of this chapter, including any 42513
applicable expenditure or reporting standard prescribed by rule 42514
adopted under section 3306.25 of the Revised Code. The board of 42515
education of any school district also may apply to the state 42516
superintendent for a waiver of any operating standard adopted 42517
under division (D)(3) of section 3301.07 of the Revised Code. 42518

The state board of education shall adopt standards for the 42519
approval or disapproval of waivers under this section. The state 42520

superintendent shall consider every application for a waiver, and 42521
shall determine whether to grant or deny a waiver in accordance 42522
with the state board's standards. For each waiver granted, the 42523
state superintendent shall specify the period of time during which 42524
the waiver is in effect, which shall not exceed five years. A 42525
district, community school, or STEM school may apply to renew a 42526

Sec. 3306.50. (A) The Harmon commission is hereby created. 42528

In making their respective appointments under this section, 42542
the appointing authorities shall consult with each other so that 42543

Sec. 3306.51. The Harmon commission shall review and approve or disapprove applications from city, exempted village, and local school districts and community schools established under Chapter 3314. of the Revised Code for individual classrooms to be designated as creative learning environments. To be eligible for designation of one or more of its classrooms as a creative learning environment, a community school shall enter into a memorandum of understanding, approved by the center for creativity and innovation in the department of education, with one or more school districts that specifies a collaborative agreement to share programming and resources to promote successful academic achievement for students and academic and fiscal efficiencies. 42561

The commission shall designate a classroom as a creative learning environment if the commission determines that the classroom supports and emphasizes innovation in instruction methods and lesson plans and operates in accordance with the guidelines adopted by the state board of education under section 3306.52 of the Revised Code. Beginning July 1, 2010, a district or community school that has a classroom that is designated a creative learning environment may qualify for the pilot subsidy 42573

prescribed by section 3306.57 of the Revised Code. 42581

Sec. 3306.52. The state board of education shall do both of 42582
the following: 42583

(A) Adopt guidelines for the Harmon commission to use in 42584
reviewing applications for creative learning environments. 42585

(B) Direct the department of education, through the center 42586

Sec. 3306.53. From January 1, 2010, through April 14, 2010, a 42590
city, exempted village, or local school district and a community 42591
school may submit to the Harmon commission an unlimited number of 42592
applications for first-time designation of individual classrooms 42593
as creative learning environments. No applications may be 42594
submitted between April 15, 2010, and July 1, 2010. After July 1, 42595
2011, each city, exempted village, or local school district and 42596
each eligible community school may submit only one application per 42597
fiscal year for first-time designation of one classroom as a 42598
creative learning environment. 42599

Sec. 3306.54. Not later than the first day of May each year, 42600
the Harmon commission shall begin meeting to review pending 42601
applications for first-time designations submitted under section 42602
3306.53 of the Revised Code. The commission shall approve or 42603
disapprove all pending applications by the first day of July. The 42604
decision of the commission is final. 42605

Sec. 3306.55. (A) The Harmon commission's first-time 42606
designation of a classroom as a creative learning environment is 42607
valid for one fiscal year. A school district or community school 42608
may apply to have the designation renewed. The commission shall 42609

renew the designation for the next two fiscal years if the school district or community school applies for the renewal and the commission finds that the classroom continues to meet the guidelines adopted under section 3306.52 of the Revised Code. The commission shall not renew the designation if the school district or community school does not apply for renewal or if the commission determines that the classroom no longer meets those guidelines.

(B) At the end of a two-year renewal granted under division (A) of this section, and every two fiscal years thereafter, the designation of a classroom as a creative learning environment is automatically renewed, without need for application, for the next two fiscal years, unless the designation is revoked under division (C) of this section.

(C) If the department of education at any time finds that the classroom is no longer operating in accordance with the standards adopted under section 3306.52 of the Revised Code, the department shall appeal the designation to the commission not later than the fifteenth day of February. The commission shall review the operation of the classroom and either continue the designation or revoke the designation. A revocation shall take effect on the first day of July following the department's appeal.

(D) The decision of the commission under divisions (A) to (C) of this section is final.

(E) If the commission does not renew a designation of a classroom under division (A) of this section or revokes that designation under division (C) of this section, the district or community school may reapply for designation of the classroom under section 3306.53 of the Revised Code. That application shall be treated as a new application for first-time designation.

Sec. 3306.56. The city, exempted village, or local school district or community school that operates a classroom designated by the Harmon commission as a creative learning environment shall submit periodic progress reports on the operation and performance of the classroom to the department of education in the manner and by the deadlines prescribed by the department.

Sec. 3306.57. (A) To facilitate the pilot subsidy prescribed by this section, the department of education annually shall rank each city, exempted village, or local school district according to income factor, as defined in section 3317.02 of the Revised Code, from lowest to highest income factor.

(B) Any school district that has one or more classrooms designated by the Harmon commission as a creative learning environment may apply for the pilot subsidy under this section if it is ranked in the lowest quintile according to income factor under division (A) of this section. Any community school established under Chapter 3314. of the Revised Code that has one or more classrooms designated by the Harmon commission as a creative learning environment may apply for the pilot subsidy. Each district and community school electing to apply shall do so in the manner and by the deadline established by the department. If more eligible districts and community schools apply for the subsidy than can be supported by the amount appropriated for the subsidy, the department shall select districts and community schools to receive the subsidy on a first-come, first served basis.

(C) Each school district or community school selected by the department for the pilot subsidy shall receive for fiscal year 2011 an amount equal to one hundred dollars for each student enrolled in a classroom operated by the district or community school that is designated as a creative learning environment.

(D) The department shall require each school district and community school that applies for a subsidy under this section to provide to the department, in the manner prescribed by the department, any data the department determines is necessary to process the district's or community school's application or subsidy payment.

Sec. 3307.31. (A) Payments by boards of education and governing authorities of community schools to the state teachers retirement system, as provided in sections 3307.29 and 3307.291 of the Revised Code, shall be made from the amount allocated under section 3314.08, Chapter 3306., or Chapter 3317. of the Revised Code prior to its distribution to the individual school districts or community schools. The amount due from each school district or community school shall be certified by the secretary of the system to the superintendent of public instruction monthly, or at such times as may be determined by the state teachers retirement board.

The superintendent shall deduct, from the amount allocated to each district or community school under section 3314.08, Chapter 3306., or Chapter 3317. of the Revised Code, the entire amounts due to the system from such district or school upon the certification to the superintendent by the secretary thereof.

The superintendent shall certify to the director of budget and management the amounts thus due the system for payment.

(B) Payments to the state teachers retirement system by a science, technology, engineering, and mathematics school shall be deducted from the amount allocated under section 3326.33 of the Revised Code and shall be made in the same manner as payments by boards of education under this section.

Sec. 3307.64. A disability benefit recipient, notwithstanding

section 3319.13 of the Revised Code, shall retain membership in 42701
the state teachers retirement system and shall be considered on 42702
leave of absence during the first five years following the 42703
effective date of a disability benefit. 42704

The state teachers retirement board shall require any 42705
disability benefit recipient to submit to an annual medical 42706
examination by a physician selected by the board, except that the 42707
board may waive the medical examination if the board's physician 42708
certifies that the recipient's disability is ongoing. If a 42709
disability benefit recipient refuses to submit to a medical 42710
examination, the recipient's disability benefit shall be suspended 42711
until the recipient withdraws the refusal. If the refusal 42712
continues for one year, all the recipient's rights under and to 42713
the disability benefit shall be terminated as of the effective 42714
date of the original suspension. 42715

After the examination, the examiner shall report and certify 42716
to the board whether the disability benefit recipient is no longer 42717
physically and mentally incapable of resuming the service from 42718
which the recipient was found disabled. If the board concurs in a 42719
report by the examining physician that the disability benefit 42720
recipient is no longer incapable, the payment of a disability 42721
benefit shall be terminated not later than the following 42722
thirty-first day of August or upon employment as a teacher prior 42723
thereto. If the leave of absence has not expired, the board shall 42724
so certify to the disability benefit recipient's last employer 42725
before being found disabled that the recipient is no longer 42726
physically and mentally incapable of resuming service that is the 42727
same or similar to that from which the recipient was found 42728
disabled. If the recipient was under contract at the time the 42729
recipient was found disabled, the employer by the first day of the 42730
next succeeding year shall restore the recipient to the 42731
recipient's previous position and salary or to a position and 42732

salary similar thereto, unless the recipient was dismissed or 42733
resigned in lieu of dismissal for dishonesty, misfeasance, 42734
malfeasance, or conviction of a felony. 42735

A disability benefit shall terminate if the disability 42736
benefit recipient becomes employed as a teacher in any public or 42737
private school or institution in this state or elsewhere. An 42738
individual receiving a disability benefit from the system shall be 42739
ineligible for any employment as a teacher and it shall be 42740
unlawful for any employer to employ the individual as a teacher. 42741
If any employer should employ or reemploy the individual prior to 42742
the termination of a disability benefit, the employer shall file 42743
notice of employment with the board designating the date of the 42744
employment. If the individual should be paid both a disability 42745
benefit and also compensation for teaching service for all or any 42746
part of the same month, the secretary of the board shall certify 42747
to the employer or to the superintendent of public instruction the 42748
amount of the disability benefit received by the individual during 42749
the employment, which amount shall be deducted from any amount due 42750
the employing district under ~~Chapter~~ Chapters 3306. and 3317. of 42751
the Revised Code or shall be paid by the employer to the annuity 42752
and pension reserve fund. 42753

Each disability benefit recipient shall file with the board 42754
an annual statement of earnings, current medical information on 42755
the recipient's condition, and any other information required in 42756
rules adopted by the board. The board may waive the requirement 42757
that a disability benefit recipient file an annual statement of 42758
earnings or current medical information if the board's physician 42759
certifies that the recipient's disability is ongoing. 42760

The board shall annually examine the information submitted by 42761
the recipient. If a disability benefit recipient refuses to file 42762
the statement or information, the disability benefit shall be 42763
suspended until the statement and information are filed. If the 42764

refusal continues for one year, the recipient's right to the 42765
disability benefit shall be terminated as of the effective date of 42766
the original suspension. 42767

A disability benefit also may be terminated by the board at 42768
the request of the disability benefit recipient. 42769

If disability retirement under section 3307.63 of the Revised 42770
Code is terminated for any reason, the annuity and pension 42771
reserves at that time in the annuity and pension reserve fund 42772
shall be transferred to the teachers' savings fund and the 42773
employers' trust fund, respectively. If the total disability 42774
benefit paid was less than the amount of the accumulated 42775
contributions of the member transferred to the annuity and pension 42776
reserve fund at the time of the member's disability retirement, 42777
then the difference shall be transferred from the annuity and 42778
pension reserve fund to another fund as required. In determining 42779
the amount of a member's account following the termination of 42780
disability retirement for any reason, the total amount paid shall 42781
be charged against the member's refundable account. 42782

If a disability allowance paid under section 3307.631 of the 42783
Revised Code is terminated for any reason, the reserve on the 42784
allowance at that time in the annuity and pension reserve fund 42785
shall be transferred from that fund to the employers' trust fund. 42786

If a former disability benefit recipient again becomes a 42787
contributor, other than as an other system retirant under section 42788
3307.35 of the Revised Code, to this retirement system, the school 42789
employees retirement system, or the public employees retirement 42790
system, and completes at least two additional years of service 42791
credit, the former disability benefit recipient shall receive 42792
credit for the period as a disability benefit recipient. 42793

Sec. 3309.41. (A) A disability benefit recipient shall retain 42794
membership status and shall be considered on leave of absence from 42795

employment during the first five years following the effective 42796
date of a disability benefit, notwithstanding any contrary 42797
provisions in Chapter 124. or 3319. of the Revised Code. 42798

(B) The school employees retirement board shall require a 42799
disability benefit recipient to undergo an annual medical 42800
examination, except that the board may waive the medical 42801
examination if the board's physician or physicians certify that 42802
the recipient's disability is ongoing. Should any disability 42803
benefit recipient refuse to submit to a medical examination, the 42804
recipient's disability benefit shall be suspended until withdrawal 42805
of the refusal. Should the refusal continue for one year, all the 42806
recipient's rights in and to the disability benefit shall be 42807
terminated as of the effective date of the original suspension. 42808

(C) On completion of the examination by an examining 42809
physician or physicians selected by the board, the physician or 42810
physicians shall report and certify to the board whether the 42811
disability benefit recipient is no longer physically and mentally 42812
incapable of resuming the service from which the recipient was 42813
found disabled. If the board concurs in the report that the 42814
disability benefit recipient is no longer incapable, the payment 42815
of the disability benefit shall be terminated not later than three 42816
months after the date of the board's concurrence or upon 42817
employment as an employee. If the leave of absence has not 42818
expired, the retirement board shall certify to the disability 42819
benefit recipient's last employer before being found disabled that 42820
the recipient is no longer physically and mentally incapable of 42821
resuming service that is the same or similar to that from which 42822
the recipient was found disabled. The employer shall restore the 42823
recipient to the recipient's previous position and salary or to a 42824
position and salary similar thereto not later than the first day 42825
of the first month following termination of the disability 42826
benefit, unless the recipient was dismissed or resigned in lieu of 42827

dismissal for dishonesty, misfeasance, malfeasance, or conviction 42828
of a felony. 42829

(D) Each disability benefit recipient shall file with the 42830
board an annual statement of earnings, current medical information 42831
on the recipient's condition, and any other information required 42832
in rules adopted by the board. The board may waive the requirement 42833
that a disability benefit recipient file an annual statement of 42834
earnings or current medical information on the recipient's 42835
condition if the board's physician or physicians certify that the 42836
recipient's disability is ongoing. 42837

The board shall annually examine the information submitted by 42838
the recipient. If a disability benefit recipient refuses to file 42839
the statement or information, the disability benefit shall be 42840
suspended until the statement and information are filed. If the 42841
refusal continues for one year, the recipient's right to the 42842
disability benefit shall be terminated as of the effective date of 42843
the original suspension. 42844

(E) If a disability benefit recipient is employed by an 42845
employer covered by this chapter, the recipient's disability 42846
benefit shall cease. 42847

(F) If disability retirement under section 3309.40 of the 42848
Revised Code is terminated for any reason, the annuity and pension 42849
reserves at that time in the annuity and pension reserve fund 42850
shall be transferred to the employees' savings fund and the 42851
employers' trust fund, respectively. If the total disability 42852
benefit paid is less than the amount of the accumulated 42853
contributions of the member transferred into the annuity and 42854
pension reserve fund at the time of the member's disability 42855
retirement, the difference shall be transferred from the annuity 42856
and pension reserve fund to another fund as may be required. In 42857
determining the amount of a member's account following the 42858
termination of disability retirement for any reason, the amount 42859

paid shall be charged against the member's refundable account. 42860

If a disability allowance paid under section 3309.401 of the 42861
Revised Code is terminated for any reason, the reserve on the 42862
allowance at that time in the annuity and pension reserve fund 42863
shall be transferred from that fund to the employers' trust fund. 42864

The board may terminate a disability benefit at the request 42865
of the recipient. 42866

(G) If a disability benefit is terminated and a former 42867
disability benefit recipient again becomes a contributor, other 42868

the Revised Code, to this system, the public employees retirement 42870
system, or the state teachers retirement system, and completes an 42871
additional two years of service credit after the termination of 42872
the disability benefit, the former disability benefit recipient 42873
shall be entitled to full service credit for the period as a 42874
disability benefit recipient. 42875

(H) If any employer employs any member who is receiving a 42876
disability benefit, the employer shall file notice of employment 42877
with the retirement board, designating the date of employment. In 42878
case the notice is not filed, the total amount of the benefit paid 42879
during the period of employment prior to notice shall be paid from 42880
amounts allocated under ~~Chapter~~ Chapters 3306. and 3317. of the 42881
Revised Code prior to its distribution to the school district in 42882
which the disability benefit recipient was so employed. 42883

Sec. 3309.48. Any employee who left the service of an 42884
employer after attaining age sixty-five or over and such employer 42885

membership was compulsory as determined by the school employees 42889
retirement board, shall be granted service credit without cost, 42890

retirement date following the date such employment terminated, but 42894
shall not be paid until formal application for such allowance on a 42895
form provided by the retirement board is received in the office of 42896
the retirement system. The total service credit granted under this 42897
section shall not exceed ten years for any such employee. 42898

The liability incurred by the retirement board because of the 42899
service credit granted under this section shall be determined by 42900
the retirement board, the cost of which shall be equal to an 42901
amount that is determined by applying the combined employee and 42902
employer rates of contribution against the compensation of such 42903
employee at the rates of contribution and maximum salary 42904
provisions in effect during such employment for each year for 42905
which credit is granted, together with interest at the rate to be 42906
credited accumulated contributions at retirement, compounded 42907

of public instruction, who shall deduct the amount due the system 42912

installments as the school employees retirement board requires, an 42922

amount certified by the school employees retirement board, which 42923
shall be as required by Chapter 3309. of the Revised Code. 42924

(7) "Qualified special education child" is a child for whom 43258

all of the following conditions apply: 43259

autistic child for purposes of this section. 43264

(b) The school district in which the child is entitled to 43265

the child is entitled to attend school and another school district 43312
or other public provider, or for a child to attend a community 43313
school established under Chapter 3314. of the Revised Code. 43314
However, nothing in this section or in any rule adopted by the 43315
state board shall prohibit a parent whose child attends a public 43316
special education program under a contract, compact, or other 43317
bilateral agreement, or a parent whose child attends a community 43318
school, from applying for and accepting a scholarship under this 43319
section so that the parent may withdraw the child from that 43320
program or community school and use the scholarship for the child 43321

to attend a special education program for which the parent is 43322
required to pay for services for the child. A child attending a 43323
special education program with a scholarship under this section 43324
shall continue to be entitled to transportation to and from that 43325
program in the manner prescribed by law. 43326

(C)(1) As prescribed in divisions (A)(2)(h), (B)(3)(g), and 43327

this section shall be counted in the preschool scholarship ADM and 43337
category six special education ADM of the school district in which 43338
the child is entitled to attend school and not in the preschool 43339
scholarship ADM or category six special education ADM of any other 43340
school district. 43341

(2) In each fiscal year, the department shall deduct from the 43342
amounts paid to each school district under ~~Chapter~~ Chapters 3306. 43343

education children included in the formula ADM, or preschool 43347

the school ~~district's compliance with division (C)(5) of section~~ 43356
~~3317.022 of the Revised Code~~ district. 43357

(3) From time to time, the department shall make a payment to 43358
the parent of each qualified special education child for whom a 43359
scholarship has been awarded under this section. The scholarship 43360
amount shall be proportionately reduced in the case of any such 43361
child who is not enrolled in the special education program for 43362
which a scholarship was awarded under this section for the entire 43363
school year. The department shall make no payments to the parent 43364
of a child while any administrative or judicial mediation or 43365
proceedings with respect to the content of the child's 43366
individualized education program are pending. 43367

(D) A scholarship shall not be paid to a parent for payment 43368
of tuition owed to a nonpublic entity unless that entity is a 43369
registered private provider. The department shall approve entities 43370
that meet the standards established by rule of the state board for 43371
the program established under this section. 43372

(E) The state board shall adopt rules under Chapter 119. of 43373
the Revised Code prescribing procedures necessary to implement 43374
this section, including, but not limited to, procedures and 43375
deadlines for parents to apply for scholarships, standards for 43376
registered private providers, and procedures for approval of 43377
entities as registered private providers. 43378

Sec. 3311.0510. (A) If all of the local school districts that 43379
make up the territory of an educational service center have 43380
severed from the territory of that service center pursuant to 43381
section 3311.059 of the Revised Code, upon the effective date of 43382
the severance of the last remaining local school district to make 43383
up the territory of the service center, the governing board of 43384

that service center shall be abolished and such service center 43385
shall be dissolved by order of the superintendent of public 43386
instruction. The superintendent's order shall provide for the 43387
equitable division and disposition of the assets, property, debts, 43388
and obligations of the service center among the local school 43389
districts, of which the territory of the service center is or 43390
previously was made up, and shall provide that the tax duplicate 43391
of each of those local school districts shall be bound for and 43392
assume the district's equitable share of the outstanding 43393
indebtedness of the service center. The superintendent's order is 43394
final and is not appealable. 43395

Immediately upon the abolishment of the service center 43396
governing board pursuant to this section, the superintendent shall 43397
appoint a qualified individual to administer the dissolution of 43398
the service center and to implement the terms of the 43399
superintendent's dissolution order. Prior to distributing assets 43400
to any local school district, but after paying in full other debts 43401
and obligations of the service center, the superintendent of 43402
public instruction may assess against the remaining assets of the 43403
service center the amount of the costs incurred by the department 43404
of education in performing the superintendent's duties under this 43405
division, including the fees, if any, owed to the individual 43406
appointed to administer the superintendent's dissolution order. 43407
Any excess cost incurred by the department under this division 43408
shall be divided equitably among the local school districts, of 43409
which the territory of the service center is or previously was 43410
made up, and each district's share of that excess cost shall be 43411
bound against the tax duplicate of that district. 43412

43413
(B) A final audit of the former service center shall be 43414
performed in accordance with procedures established by the auditor 43415
of state. 43416

(C) The public records of an educational service center that is dissolved under this section shall be transferred in accordance with this division. Public records maintained by the service center in connection with services provided by the service center to local school districts shall be transferred to each of the respective local school districts. Public records maintained by the service center in connection with services provided under an agreement with a city or exempted village school district pursuant to section 3313.843 of the Revised Code shall be transferred to each of the respective city or exempted village school districts. All other public records maintained by the service center at the time the service center ceases operations shall be transferred to the Ohio historical society for analysis and disposition by the society in its capacity as archives administrator for the state and its political subdivisions pursuant to division (C) of section 149.30 and section 149.31 of the Revised Code.

(3) "Urban school district" means a city school district with an average daily membership for the 1985-1986 school year in excess of twenty thousand that is the school district of a city that contains annexed territory.

(4) "Annexation agreement" means an agreement entered into under division (F) of this section that has been approved by the state board of education or an agreement entered into prior to September 24, 1986, that meets the requirements of division (F) of

this section and has been filed with the state board. 43448

(B) The territory included within the boundaries of a city, 43449
local, exempted village, or joint vocational school district shall 43450
be contiguous except where a natural island forms an integral part 43451
of the district, where the state board of education authorizes a 43452
noncontiguous school district, as provided in division (E)(1) of 43453
this section, or where a local school district is created pursuant 43454
to section 3311.26 of the Revised Code from one or more local 43455
school districts, one of which has entered into an agreement under 43456
section 3313.42 of the Revised Code. 43457

(C)(1) When all of the territory of a school district is 43458
annexed to a city or village, such territory thereby becomes a 43459
part of the city school district or the school district of which 43460
the village is a part, and the legal title to school property in 43461
such territory for school purposes shall be vested in the board of 43462
education of the city school district or the school district of 43463
which the village is a part. 43464

(2) When the territory so annexed to a city or village 43465
comprises part but not all of the territory of a school district, 43466
the said territory becomes part of the city school district or the 43467
school district of which the village is a part only upon approval 43468
by the state board of education, unless the district in which the 43469
territory is located is a party to an annexation agreement with 43470
the city school district. 43471

Any urban school district that has not entered into an 43472
annexation agreement with any other school district whose 43473
territory would be affected by any transfer under this division 43474
and that desires to negotiate the terms of transfer with any such 43475
district shall conduct any negotiations under division (F) of this 43476
section as part of entering into an annexation agreement with such 43477
a district. 43478

Any school district, except an urban school district, 43479
desiring state board approval of a transfer under this division 43480
shall make a good faith effort to negotiate the terms of transfer 43481
with any other school district whose territory would be affected 43482
by the transfer. Before the state board may approve any transfer 43483
of territory to a school district, except an urban school 43484
district, under this section, it must receive the following: 43485

(a) A resolution requesting approval of the transfer, passed 43486
by at least one of the school districts whose territory would be 43487
affected by the transfer; 43488

(b) Evidence determined to be sufficient by the state board 43489

district requesting the transfer has made a good faith effort to 43491
hold such negotiations; 43492

(c) If any negotiations took place, a statement signed by all 43493
boards that participated in the negotiations, listing the terms 43494
agreed on and the points on which no agreement could be reached. 43495

(D) The state board of education shall adopt rules governing 43496
negotiations held by any school district except an urban school 43497
district pursuant to division (C)(2) of this section. The rules 43498
shall encourage the realization of the following goals: 43499

(1) A discussion by the negotiating districts of the present 43500
and future educational needs of the pupils in each district; 43501

(2) The educational, financial, and territorial stability of 43502
each district affected by the transfer; 43503

(3) The assurance of appropriate educational programs, 43504
services, and opportunities for all the pupils in each 43505
participating district, and adequate planning for the facilities 43506
needed to provide these programs, services, and opportunities. 43507

Districts involved in negotiations under such rules may agree 43508

to share revenues from the property included in the territory to 43509
be transferred, establish cooperative programs between the 43510
participating districts, and establish mechanisms for the 43511
settlement of any future boundary disputes. 43512

(E)(1) If territory annexed after September 24, 1986, is part 43513
of a school district that is a party to an annexation agreement 43514
with the urban school district serving the annexing city, the 43515
transfer of such territory shall be governed by the agreement. If 43516
the agreement does not specify how the territory is to be dealt 43517
with, the boards of education of the district in which the 43518
territory is located and the urban school district shall negotiate 43519
with regard to the transfer of the territory which shall be 43520
transferred to the urban school district unless, not later than 43521
ninety days after the effective date of municipal annexation, the 43522
boards of education of both districts, by resolution adopted by a 43523
majority of the members of each board, agree that the territory 43524
will not be transferred and so inform the state board of 43525
education. 43526

If territory is transferred under this division the transfer 43527
shall take effect on the first day of July occurring not sooner 43528
than ninety-one days after the effective date of the municipal 43529
annexation. Territory transferred under this division need not be 43530
contiguous to the district to which it is transferred. 43531

(2) Territory annexed prior to September 24, 1986, by a city 43532
served by an urban school district shall not be subject to 43533
transfer under this section if the district in which the territory 43534
is located is a party to an annexation agreement or becomes a 43535
party to such an agreement not later than ninety days after 43536
September 24, 1986. If the district does not become a party to an 43537
annexation agreement within the ninety-day period, transfer of 43538
territory shall be governed by division (C)(2) of this section. If 43539
the district subsequently becomes a party to an agreement, 43540

territory annexed prior to September 24, 1986, other than 43541
territory annexed under division (C)(2) of this section prior to 43542
the effective date of the agreement, shall not be subject to 43543
transfer under this section. 43544

(F) An urban school district may enter into a comprehensive 43545
agreement with one or more school districts under which transfers 43546
of territory annexed by the city served by the urban school 43547
district after September 24, 1986, shall be governed by the 43548
agreement. Such agreement must provide for the establishment of a 43549
cooperative education program under section 3313.842 of the 43550
Revised Code in which all the parties to the agreement are 43551
participants and must be approved by resolution of the majority of 43552
the members of each of the boards of education of the school 43553
districts that are parties to it. An agreement may provide for 43554
interdistrict payments based on local revenue growth resulting 43555
from development in any territory annexed by the city served by 43556
the urban school district. 43557

An agreement entered into under this division may be altered, 43558
modified, or terminated only by agreement, by resolution approved 43559
by the majority of the members of each board of education, of all 43560
school districts that are parties to the agreement, except that 43561
with regard to any provision that affects only the urban school 43562
district and one of the other districts that is a party, that 43563
district and the urban district may modify or alter the agreement 43564
by resolution approved by the majority of the members of the board 43565
of that district and the urban district. Alterations, 43566
modifications, terminations, and extensions of an agreement 43567
entered into under this division do not require approval of the 43568
state board of education, but shall be filed with the board after 43569
approval and execution by the parties. 43570

If an agreement provides for interdistrict payments, each 43571
party to the agreement, except any school district specifically 43572

exempted by the agreement, shall agree to make an annual payment 43573
to the urban school district with respect to any of its territory 43574
that is annexed territory in an amount not to exceed the amount 43575
certified for that year under former section 3317.029 of the 43576
Revised Code as that section existed prior to July 1, 1998; except 43577
that such limitation of annual payments to amounts certified under 43578
former section 3317.029 of the Revised Code does not apply to 43579
agreements or extensions of agreements entered into on or after 43580
June 1, 1992, unless such limitation is expressly agreed to by the 43581
parties. The agreement may provide that all or any part of the 43582
payment shall be waived if the urban school district receives its 43583
payment with respect to such annexed territory under former 43584
section 3317.029 of the Revised Code and that all or any part of 43585
such payment may be waived if the urban school district does not 43586
receive its payment with respect to such annexed territory under 43587
such section. 43588

With respect to territory that is transferred to the urban 43589
school district after September 24, 1986, the agreement may 43590
provide for annual payments by the urban school district to the 43591
school district whose territory is transferred to the urban school 43592
district subsequent to annexation by the city served by the urban 43593
school district. 43594

(G) In the event territory is transferred from one school 43595
district to another under this section, an equitable division of 43596
the funds and indebtedness between the districts involved shall be 43597
made under the supervision of the state board of education and 43598
that board's decision shall be final. Such division shall not 43599
include funds payable to or received by a school district under 43600
Chapter 3306. or 3317. of the Revised Code or payable to or 43601
received by a school district from the United States or any 43602
department or agency thereof. In the event such transferred 43603
territory includes real property owned by a school district, the 43604

state board of education, as part of such division of funds and 43605
indebtedness, shall determine the true value in money of such real 43606
property and all buildings or other improvements thereon. The 43607
board of education of the school district receiving such territory 43608
shall forthwith pay to the board of education of the school 43609
district losing such territory such true value in money of such 43610
real property, buildings, and improvements less such percentage of 43611
the true value in money of each school building located on such 43612
real property as is represented by the ratio of the total 43613
enrollment in day classes of the pupils residing in the territory 43614
transferred enrolled at such school building in the school year in 43615
which such annexation proceedings were commenced to the total 43616
enrollment in day classes of all pupils residing in the school 43617
district losing such territory enrolled at such school building in 43618
such school year. The school district receiving such payment shall 43619
place the proceeds thereof in its sinking fund or bond retirement 43620
fund. 43621

(H) The state board of education, before approving such 43622
transfer of territory, shall determine that such payment has been 43623
made and shall apportion to the acquiring school district such 43624
percentage of the indebtedness of the school district losing the 43625
territory as is represented by the ratio that the assessed 43626
valuation of the territory transferred bears to the total assessed 43627
valuation of the entire school district losing the territory as of 43628
the effective date of the transfer, provided that in ascertaining 43629
the indebtedness of the school district losing the territory the 43630
state board of education shall disregard such percentage of the 43631
par value of the outstanding and unpaid bonds and notes of said 43632
school district issued for construction or improvement of the 43633
school building or buildings for which payment was made by the 43634
acquiring district as is equal to the percentage by which the true 43635
value in money of such building or buildings was reduced in fixing 43636
the amount of said payment. 43637

(I) No transfer of school district territory or division of funds and indebtedness incident thereto, pursuant to the annexation of territory to a city or village shall be completed in any other manner than that prescribed by this section regardless of the date of the commencement of such annexation proceedings, and this section applies to all proceedings for such transfers and divisions of funds and indebtedness pending or commenced on or after October 2, 1959.

Sec. 3311.19. (A) The management and control of a joint vocational school district shall be vested in the joint vocational school district board of education. Where a joint vocational school district is composed only of two or more local school districts located in one county, or when all the participating districts are in one county and the boards of such participating districts so choose, the educational service center governing board of the county in which the joint vocational school district is located shall serve as the joint vocational school district board of education. Where a joint vocational school district is composed of local school districts of more than one county, or of any combination of city, local, or exempted village school districts or educational service centers, unless administration by the educational service center governing board has been chosen by all the participating districts in one county pursuant to this section, the board of education of the joint vocational school district shall be composed of one or more persons who are members of the boards of education from each of the city or exempted village school districts or members of the educational service centers' governing boards affected to be appointed by the boards of education or governing boards of such school districts and educational service centers. In such joint vocational school districts the number and terms of members of the joint vocational school district board of education and the allocation of a given

number of members to each of the city and exempted village 43670
districts and educational service centers shall be determined in 43671
the plan for such district, provided that each such joint 43672
vocational school district board of education shall be composed of 43673
an odd number of members. 43674

(B) Notwithstanding division (A) of this section, a governing 43675
board of an educational service center that has members of its 43676
governing board serving on a joint vocational school district 43677
board of education may make a request to the joint vocational 43678
district board that the joint vocational school district plan be 43679
revised to provide for one or more members of boards of education 43680
of local school districts that are within the territory of the 43681
educational service district and within the joint vocational 43682
school district to serve in the place of or in addition to its 43683
educational service center governing board members. If agreement 43684
is obtained among a majority of the boards of education and 43685
governing boards that have a member serving on the joint 43686
vocational school district board of education and among a majority 43687
of the local school district boards of education included in the 43688
district and located within the territory of the educational 43689
service center whose board requests the substitution or addition, 43690
the state board of education may revise the joint vocational 43691
school district plan to conform with such agreement. 43692

(C) If the board of education of any school district or 43693
educational service center governing board included within a joint 43694
vocational district that has had its board or governing board 43695
membership revised under division (B) of this section requests the 43696
joint vocational school district board to submit to the state 43697
board of education a revised plan under which one or more joint 43698
vocational board members chosen in accordance with a plan revised 43699
under such division would again be chosen in the manner prescribed 43700
by division (A) of this section, the joint vocational board shall 43701

submit the revised plan to the state board of education, provided 43702
the plan is agreed to by a majority of the boards of education 43703
represented on the joint vocational board, a majority of the local 43704
school district boards included within the joint vocational 43705
district, and each educational service center governing board 43706
affected by such plan. The state board of education may revise the 43707
joint vocational school district plan to conform with the revised 43708
plan. 43709

(D) The vocational schools in such joint vocational school 43710
district shall be available to all youth of school age within the 43711
joint vocational school district subject to the rules adopted by 43712
the joint vocational school district board of education in regard 43713
to the standards requisite to admission. A joint vocational school 43714
district board of education shall have the same powers, duties, 43715
and authority for the management and operation of such joint 43716
vocational school district as is granted by law, except by this 43717
chapter and Chapters 124., 3306., 3317., 3323., and 3331. of the 43718
Revised Code, to a board of education of a city school district, 43719
and shall be subject to all the provisions of law that apply to a 43720
city school district, except such provisions in this chapter and 43721
Chapters 124., 3306., 3317., 3323., and 3331. of the Revised Code. 43722

(E) Where a governing board of an educational service center 43723
has been designated to serve as the joint vocational school 43724
district board of education, the educational service center 43725
superintendent shall be the executive officer for the joint 43726
vocational school district, and the governing board may provide 43727
for additional compensation to be paid to the educational service 43728
center superintendent by the joint vocational school district, but 43729
the educational service center superintendent shall have no 43730
continuing tenure other than that of educational service center 43731
superintendent. The superintendent of schools of a joint 43732
vocational school district shall exercise the duties and authority 43733

vested by law in a superintendent of schools pertaining to the 43734
operation of a school district and the employment and supervision 43735
of its personnel. The joint vocational school district board of 43736
education shall appoint a treasurer of the joint vocational school 43737
district who shall be the fiscal officer for such district and who 43738
shall have all the powers, duties, and authority vested by law in 43739
a treasurer of a board of education. Where a governing board of an 43740
educational service center has been designated to serve as the 43741
joint vocational school district board of education, such board 43742
may appoint the educational service center superintendent as the 43743
treasurer of the joint vocational school district. 43744

(F) Each member of a joint vocational school district board 43745
of education may be paid such compensation as the board provides 43746
by resolution, but it shall not exceed one hundred twenty-five 43747
dollars per member for each meeting attended plus mileage, at the 43748
rate per mile provided by resolution of the board, to and from 43749
meetings of the board. 43750

The board may provide by resolution for the deduction of 43751
amounts payable for benefits under section 3313.202 of the Revised 43752
Code. 43753

Each member of a joint vocational school district board may 43754
be paid such compensation as the board provides by resolution for 43755
attendance at an approved training program, provided that such 43756
compensation shall not exceed sixty dollars per day for attendance 43757
at a training program three hours or fewer in length and one 43758
hundred twenty-five dollars a day for attendance at a training 43759
program longer than three hours in length. However, no board 43760
member shall be compensated for the same training program under 43761
this section and section 3313.12 of the Revised Code. 43762

Sec. 3311.21. (A) In addition to the resolutions authorized 43763
by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of 43764

the Revised Code, the board of education of a joint vocational or 43765
cooperative education school district by a vote of two-thirds of 43766
its full membership may at any time adopt a resolution declaring 43767
the necessity to levy a tax in excess of the ten-mill limitation 43768
for a period not to exceed ten years to provide funds for any one 43769
or more of the following purposes, which may be stated in the 43770
following manner in such resolution, the ballot, and the notice of 43771
election: purchasing a site or enlargement thereof and for the 43772
erection and equipment of buildings; for the purpose of enlarging, 43773
improving, or rebuilding thereof; for the purpose of providing for 43774
the current expenses of the joint vocational or cooperative school 43775
district; or for a continuing period for the purpose of providing 43776
for the current expenses of the joint vocational or cooperative 43777
education school district. The resolution shall specify the amount 43778
of the proposed rate and, if a renewal, whether the levy is to 43779
renew all, or a portion of, the existing levy, and shall specify 43780
the first year in which the levy will be imposed. If the levy 43781
provides for but is not limited to current expenses, the 43782
resolution shall apportion the annual rate of the levy between 43783
current expenses and the other purpose or purposes. Such 43784
apportionment may but need not be the same for each year of the 43785
levy, but the respective portions of the rate actually levied each 43786
year for current expenses and the other purpose or purposes shall 43787
be limited by such apportionment. The portion of any such rate 43788
actually levied for current expenses of a joint vocational or 43789
cooperative education school district shall be used in applying 43790
division (A)(1) of section 3306.01 and division (A) of section 43791
3317.01 of the Revised Code. The portion of any such rate not 43792
apportioned to the current expenses of a joint vocational or 43793
cooperative education school district shall be used in applying 43794
division (B) of this section. On the adoption of such resolution, 43795
the joint vocational or cooperative education school district 43796
board of education shall certify the resolution to the board of 43797

elections of the county containing the most populous portion of 43798
the district, which board shall receive resolutions for filing and 43799
send them to the boards of elections of each county in which 43800
territory of the district is located, furnish all ballots for the 43801
election as provided in section 3505.071 of the Revised Code, and 43802
prepare the election notice; and the board of elections of each 43803
county in which the territory of such district is located shall 43804
make the other necessary arrangements for the submission of the 43805
question to the electors of the joint vocational or cooperative 43806
education school district at the next primary or general election 43807
occurring not less than seventy-five days after the resolution was 43808
received from the joint vocational or cooperative education school 43809
district board of education, or at a special election to be held 43810
at a time designated by the district board of education consistent 43811
with the requirements of section 3501.01 of the Revised Code, 43812
which date shall not be earlier than seventy-five days after the 43813
adoption and certification of the resolution. 43814

The board of elections of the county or counties in which 43815
territory of the joint vocational or cooperative education school 43816
district is located shall cause to be published in one or more 43817
newspapers of general circulation in that district an 43818
advertisement of the proposed tax levy question together with a 43819
statement of the amount of the proposed levy once a week for two 43820
consecutive weeks, prior to the election at which the question is 43821
to appear on the ballot, and, if the board of elections operates 43822
and maintains a web site, the board also shall post a similar 43823
advertisement on its web site for thirty days prior to that 43824
election. 43825

If a majority of the electors voting on the question of 43826
levying such tax vote in favor of the levy, the joint vocational 43827
or cooperative education school district board of education shall 43828
annually make the levy within the district at the rate specified 43829

in the resolution and ballot or at any lesser rate, and the county auditor of each affected county shall annually place the levy on the tax list and duplicate of each school district in the county having territory in the joint vocational or cooperative education school district. The taxes realized from the levy shall be collected at the same time and in the same manner as other taxes on the duplicate, and the taxes, when collected, shall be paid to the treasurer of the joint vocational or cooperative education school district and deposited to a special fund, which shall be established by the joint vocational or cooperative education school district board of education for all revenue derived from any tax levied pursuant to this section and for the proceeds of anticipation notes which shall be deposited in such fund. After the approval of the levy, the joint vocational or cooperative education school district board of education may anticipate a fraction of the proceeds of the levy and from time to time, during the life of the levy, but in any year prior to the time when the tax collection from the levy so anticipated can be made for that year, issue anticipation notes in an amount not exceeding fifty per cent of the estimated proceeds of the levy to be collected in each year up to a period of five years after the date of the issuance of the notes, less an amount equal to the proceeds of the levy obligated for each year by the issuance of anticipation notes, provided that the total amount maturing in any one year shall not exceed fifty per cent of the anticipated proceeds of the levy for that year. Each issue of notes shall be sold as provided in Chapter 133. of the Revised Code, and shall, except for such limitation that the total amount of such notes maturing in any one year shall not exceed fifty per cent of the anticipated proceeds of the levy for that year, mature serially in substantially equal installments, during each year over a period not to exceed five years after their issuance.

(B) Prior to the application of section 319.301 of the

Revised Code, the rate of a levy that is limited to, or to the extent that it is apportioned to, purposes other than current expenses shall be reduced in the same proportion in which the district's total valuation increases during the life of the levy because of additions to such valuation that have resulted from improvements added to the tax list and duplicate.

(C) The form of ballot cast at an election under division (A) of this section shall be as prescribed by section 5705.25 of the Revised Code.

Sec. 3311.29. (A) Except as provided under division (B) or (C) of this section, no school district shall be created and no school district shall exist which does not maintain within such district public schools consisting of grades kindergarten through twelve and any such existing school district not maintaining such schools shall be dissolved and its territory joined with another school district or districts by order of the state board of education if no agreement is made among the surrounding districts voluntarily, which order shall provide an equitable division of the funds, property, and indebtedness of the dissolved school district among the districts receiving its territory. The state board of education may authorize exceptions to school districts where topography, sparsity of population, and other factors make compliance impracticable.

The superintendent of public instruction is without authority to distribute funds under ~~sections 3317.022 to 3317.025~~ Chapter 3306. or 3317. of the Revised Code to any school district that does not maintain schools with grades kindergarten through twelve and to which no exception has been granted by the state board of education.

(B) Division (A) of this section does not apply to any joint vocational school district or any cooperative education school

district established pursuant to divisions (A) to (C) of section 43894
3311.52 of the Revised Code. 43895

(C)(1)(a) Except as provided in division (C)(3) of this 43896
section, division (A) of this section does not apply to any 43897
cooperative education school district established pursuant to 43898
section 3311.521 of the Revised Code nor to the city, exempted 43899
village, or local school districts that have territory within such 43900
a cooperative education district. 43901

(b) The cooperative district and each city, exempted village, 43902
or local district with territory within the cooperative district 43903
shall maintain the grades that the resolution adopted or amended 43904
pursuant to section 3311.521 of the Revised Code specifies. 43905

(2) Any cooperative education school district described under 43906
division (C)(1) of this section that fails to maintain the grades 43907
it is specified to operate shall be dissolved by order of the 43908
state board of education unless prior to such an order the 43909
cooperative district is dissolved pursuant to section 3311.54 of 43910
the Revised Code. Any such order shall provide for the equitable 43911
adjustment, division, and disposition of the assets, property, 43912
debts, and obligations of the district among each city, local, and 43913
exempted village school district whose territory is in the 43914
cooperative district and shall provide that the tax duplicate of 43915
each city, local, and exempted village school district whose 43916
territory is in the cooperative district shall be bound for and 43917
assume its share of the outstanding indebtedness of the 43918
cooperative district. 43919

(3) If any city, exempted village, or local school district 43920
described under division (C)(1) of this section fails to maintain 43921
the grades it is specified to operate the cooperative district 43922
within which it has territory shall be dissolved in accordance 43923
with division (C)(2) of this section and upon that dissolution any 43924
city, exempted village, or local district failing to maintain 43925

grades kindergarten through twelve shall be subject to the 43926
provisions for dissolution in division (A) of this section. 43927

Sec. 3311.52. A cooperative education school district may be 43928
established pursuant to divisions (A) to (C) of this section or 43929
pursuant to section 3311.521 of the Revised Code. 43930

(A) A cooperative education school district may be 43931
established upon the adoption of identical resolutions within a 43932
sixty-day period by a majority of the members of the board of 43933
education of each city, local, and exempted village school 43934
district that is within the territory of a county school financing 43935
district. 43936

A copy of each resolution shall be filed with the governing 43937
board ~~of education~~ of the educational service center which created 43938
the county school financing district. Upon the filing of the last 43939
such resolution, the educational service center governing board 43940
shall immediately notify each board of education filing such a 43941
resolution of the date on which the last resolution was filed. 43942

Ten days after the date on which the last resolution is filed 43943
with the educational service center governing board or ten days 43944
after the last of any notices required under division (C) of this 43945
section is received by the educational service center governing 43946
board, whichever is later, the county school financing district 43947
shall be dissolved and the new cooperative education school 43948
district and the board of education of the cooperative education 43949
school district shall be established. 43950

On the date that any county school financing district is 43951
dissolved and a cooperative education school district is 43952
established under this section, each of the following shall apply: 43953

(1) The territory of the dissolved district becomes the 43954
territory of the new district. 43955

(2) Any outstanding tax levy in force in the dissolved district shall be spread over the territory of the new district and shall remain in force in the new district until the levy expires or is renewed.

(3) Any funds of the dissolved district shall be paid over in full to the new district.

(4) Any net indebtedness of the dissolved district shall be assumed in full by the new district. As used in division (A)(4) of this section, "net indebtedness" means the difference between the par value of the outstanding and unpaid bonds and notes of the dissolved district and the amount held in the sinking fund and other indebtedness retirement funds for their redemption.

When a county school financing district is dissolved and a cooperative education school district is established under this section, the governing board of the educational service center that created the dissolved district shall give written notice of this fact to the county auditor and the board of elections of each county having any territory in the new district.

(B) The resolutions adopted under division (A) of this section shall include all of the following provisions:

(4) A statement of the annual amount, or the method for determining that amount, of funds or services or facilities that each city, local, and exempted village school district within the territory of the cooperative district is required to pay to or provide for the use of the board of education of the cooperative education school district;

(5) Provision for adopting amendments to the provisions of 44019
divisions (B)(2) to (4) of this section. 44020

(C) If the resolutions adopted under division (A) of this 44021

or exempted village school district and the governing board of the 44026
educational service center within the territory of the cooperative 44027

center governing board. Each such board shall immediately notify 44033
the educational ~~services~~ service center governing board of each 44034
such selection. 44035

(D) Except for the powers and duties in this chapter and 44036
Chapters 124., 3306., 3317., 3318., 3323., and 3331. of the 44037

section 3311.521 of the Revised Code has all the powers of a city 44040
school district and its board of education has all the powers and 44041

education school district and its board. 44049

The treasurer and superintendent of a cooperative education 44050

school district shall have the same respective duties and powers 44051
as a treasurer and superintendent of a city school district, 44052
except for any powers and duties in this chapter and Chapters 44053
124., 3306., 3317., 3318., 3323., and 3331. of the Revised Code. 44054

(E) For purposes of this title, any student included in the 44055

virtue of being counted, in whole or in part, in the average daily 44058

chief executive officer the state superintendent of public 44069
instruction may exempt a municipal school district from any rules 44070
adopted under Title XXXVIII of the Revised Code except for any rule 44071
adopted under Chapter 3307. or 3309., sections 3319.07 to 3319.21, 44072
or Chapter 3323. of the Revised Code, and may authorize a 44073

under ~~Chapter~~ Chapters 3306. and 3317. of the Revised Code, except 44075
those specifically allocated to purposes other than current 44076
expenses, to the payment of debt charges on the district's public 44077
obligations. The request must specify the provisions from which 44078
the district is seeking exemption or the application requested and 44079
the reasons for the request. The state superintendent shall 44080
approve the request if the superintendent finds the requested 44081
exemption or application is in the best interest of the district's 44082

students. The superintendent shall approve or disapprove the 44083
request within thirty days and shall notify the district board and 44084
the district chief executive officer of approval or reasons for 44085
disapproving the request. 44086

(B) In addition to the rights, authority, and duties 44087
conferred upon a municipal school district and its board of 44088
education in sections 3311.71 to 3311.76 of the Revised Code, a 44089
municipal school district and its board shall have all of the 44090
rights, authority, and duties conferred upon a city school 44091
district and its board by law that are not inconsistent with 44092
sections 3311.71 to 3311.76 of the Revised Code. 44093

Sec. 3313.41. (A) Except as provided in divisions (C), (D), 44094
and (F), ~~and (G)~~ of this section, when a board of education 44095
decides to dispose of real or personal property that it owns in 44096
its corporate capacity and that exceeds in value ten thousand 44097
dollars, it shall sell the property at public auction, after 44098
giving at least thirty days' notice of the auction by publication 44099
in a newspaper of general circulation or by posting notices in 44100
five of the most public places in the school district in which the 44101
property, if it is real property, is situated, or, if it is 44102
personal property, in the school district of the board of 44103
education that owns the property. The board may offer real 44104
property for sale as an entire tract or in parcels. 44105

(B) When the board of education has offered real or personal 44106
property for sale at public auction at least once pursuant to 44107
division (A) of this section, and the property has not been sold, 44108
the board may sell it at a private sale. Regardless of how it was 44109
offered at public auction, at a private sale, the board shall, as 44110
it considers best, sell real property as an entire tract or in 44111
parcels, and personal property in a single lot or in several lots. 44112

(C) If a board of education decides to dispose of real or 44113

personal property that it owns in its corporate capacity and that 44114
exceeds in value ten thousand dollars, it may sell the property to 44115
the adjutant general; to any subdivision or taxing authority as 44116
respectively defined in divisions (A) and (C) of section 5705.01 44117
of the Revised Code, township park district, board of park 44118

or park district established under Chapter 1545. of the Revised 44120
Code; to a wholly or partially tax-supported university, 44121
university branch, or college; or to the board of trustees of a 44122
school district library, upon such terms as are agreed upon. The 44123
sale of real or personal property to the board of trustees of a 44124
school district library is limited, in the case of real property, 44125
to a school district library within whose boundaries the real 44126
property is situated, or, in the case of personal property, to a 44127
school district library whose boundaries lie in whole or in part 44128
within the school district of the selling board of education. 44129

(D) When a board of education decides to trade as a part or 44130
an entire consideration, an item of personal property on the 44131
purchase price of an item of similar personal property, it may 44132
trade the same upon such terms as are agreed upon by the parties 44133
to the trade. 44134

(E) The president and the treasurer of the board of education 44135
shall execute and deliver deeds or other necessary instruments of 44136
conveyance to complete any sale or trade under this section. 44137

(F) When a board of education has identified a parcel of real 44138
property that it determines is needed for school purposes, the 44139
board may, upon a majority vote of the members of the board, 44140
acquire that property by exchanging real property that the board 44141
owns in its corporate capacity for the identified real property or 44142
by using real property that the board owns in its corporate 44143
capacity as part or an entire consideration for the purchase price 44144
of the identified real property. Any exchange or acquisition made 44145

pursuant to this division shall be made by a conveyance executed 44146
by the president and the treasurer of the board. 44147

~~(G)(1) When a school district board of education decides to 44148
dispose of real property suitable for use as classroom space, 44149
prior to disposing of that property under divisions (A) to (F) of 44150
this section, it shall first offer that property for sale to the 44151
governing authorities of the start-up community schools 44152
established under Chapter 3314. of the Revised Code located within 44153
the territory of the school district, at a price that is not 44154
higher than the appraised fair market value of that property. If 44155
more than one community school governing authority accepts the 44156
offer made by the school district board, the board shall sell the 44157
property to the governing authority that accepted the offer first 44158
in time. If no community school governing authority accepts the 44159
offer within sixty days after the offer is made by the school 44160
district board, the board may dispose of the property in the 44161
applicable manner prescribed under divisions (A) to (F) of this 44162
section. 44163~~

~~(2) When a school district board of education has not used 44164
real property suitable for classroom space for academic 44165
instruction, administration, storage, or any other educational 44166
purpose for one full school year and has not adopted a resolution 44167
outlining a plan for using that property for any of those purposes 44168
within the next three school years, it shall offer that property 44169
for sale to the governing authorities of the start-up community 44170
schools established under Chapter 3314. of the Revised Code 44171
located within the territory of the school district, at a price 44172
that is not higher than the appraised fair market value of that 44173
property. If more than one community school governing authority 44174
accepts the offer made by the school district board, the board 44175
shall sell the property to the governing authority that accepted 44176
the offer first in time. 44177~~

~~(H)~~ When a school district board of education has property 44178
that the board, by resolution, finds is not needed for school 44179
district use, is obsolete, or is unfit for the use for which it 44180
was acquired, the board may donate that property in accordance 44181
with this division if the fair market value of the property is, in 44182
the opinion of the board, two thousand five hundred dollars or 44183
less. 44184

The property may be donated to an eligible nonprofit 44185
organization that is located in this state and is exempt from 44186
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 44187
Before donating any property under this division, the board shall 44188
adopt a resolution expressing its intent to make unneeded, 44189
obsolete, or unfit-for-use school district property available to 44190
these organizations. The resolution shall include guidelines and 44191
procedures the board considers to be necessary to implement the 44192
donation program and shall indicate whether the school district 44193
will conduct the donation program or the board will contract with 44194
a representative to conduct it. If a representative is known when 44195
the resolution is adopted, the resolution shall provide contact 44196
information such as the representative's name, address, and 44197
telephone number. 44198

The resolution shall include within its procedures a 44199
requirement that any nonprofit organization desiring to obtain 44200
donated property under this division shall submit a written notice 44201
to the board or its representative. The written notice shall 44202
include evidence that the organization is a nonprofit organization 44203
that is located in this state and is exempt from federal income 44204
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 44205
the organization's primary purpose; a description of the type or 44206
types of property the organization needs; and the name, address, 44207
and telephone number of a person designated by the organization's 44208
governing board to receive donated property and to serve as its 44209

agent. 44210

After adoption of the resolution, the board shall publish, in 44211
a newspaper of general circulation in the school district, notice 44212
of its intent to donate unneeded, obsolete, or unfit-for-use 44213
school district property to eligible nonprofit organizations. The 44214
notice shall include a summary of the information provided in the 44215
resolution and shall be published at least twice. The second and 44216
any subsequent notice shall be published not less than ten nor 44217
more than twenty days after the previous notice. A similar notice 44218
also shall be posted continually in the board's office, and, if 44219
the school district maintains a web site on the internet, the 44220
notice shall be posted continually at that web site. 44221

The board or its representatives shall maintain a list of all 44222
nonprofit organizations that notify the board or its 44223
representative of their desire to obtain donated property under 44224
this division and that the board or its representative determines 44225
to be eligible, in accordance with the requirements set forth in 44226
this section and in the donation program's guidelines and 44227
procedures, to receive donated property. 44228

The board or its representative also shall maintain a list of 44229
all school district property the board finds to be unneeded, 44230
obsolete, or unfit for use and to be available for donation under 44231
this division. The list shall be posted continually in a 44232
conspicuous location in the board's office, and, if the school 44233
district maintains a web site on the internet, the list shall be 44234
posted continually at that web site. An item of property on the 44235
list shall be donated to the eligible nonprofit organization that 44236
first declares to the board or its representative its desire to 44237
obtain the item unless the board previously has established, by 44238
resolution, a list of eligible nonprofit organizations that shall 44239
be given priority with respect to the item's donation. Priority 44240
may be given on the basis that the purposes of a nonprofit 44241

organization have a direct relationship to specific school 44242
district purposes of programs provided or administered by the 44243
board. A resolution giving priority to certain nonprofit 44244
organizations with respect to the donation of an item of property 44245
shall specify the reasons why the organizations are given that 44246
priority. 44247

Members of the board shall consult with the Ohio ethics 44248
commission, and comply with Chapters 102. and 2921. of the Revised 44249
Code, with respect to any donation under this division to a 44250
nonprofit organization of which a board member, any member of a 44251
board member's family, or any business associate of a board member 44252
is a trustee, officer, board member, or employee. 44253

The following shall be considered as time during which the schools are open for instruction for a pupil enrolled in such a school, or for a pupil enrolled in a school that is not on a staggered attendance schedule but that operates under this section: 44333

may adopt a resolution to amend the plan, but in no case shall the 44379
amended plan provide for making up less than five full learning 44380

day, the school district may increase the length of one or more 44396
other ~~school~~ learning days for the school that was closed or 44397
evacuated, in increments of one-half hour, to make up the number 44398
of hours or days that the school building in question was so 44399
closed or evacuated for the purpose of satisfying the requirements 44400
of those sections regarding the number of days schools must be 44401

building for any of the reasons specified in division ~~(B)~~(A) of 44406
this section ~~3317.01 of the Revised Code~~, and if for that school 44407
the total number of full ~~school~~ learning days specified in the 44408

must be in the ~~school~~ learning day, the school district may 44416
increase the length of one or more other ~~school~~ learning days for 44417
the school that was closed or evacuated, in increments of one-half 44418
hour, to make up the number of hours or days that the school 44419
building in question was so closed or evacuated for the purpose of 44420
satisfying the requirements of those sections regarding the number 44421
of days schools must be open for instruction or the requirements 44422
of those standards regarding the number of hours there must be in 44423
the ~~school~~ learning day. The district shall not be required to 44424
actually make up any of the days specified in the district's 44425
contingency plan prior to increasing the length of one or more 44426

~~school~~ learning days to make up the shortage of hours or days 44427
caused by the school's closure or evacuation, but in no case shall 44428
the district fail to make up the total number of full ~~school~~ 44429
learning days specified in the contingency plan in accordance with 44430
that plan. 44431

(D) If a school district closes or evacuates a school 44432
building as a result of a bomb threat or any other report of an 44433
alleged or impending explosion and also closes or evacuates that 44434
school building on a different day for any of the reasons 44435
specified in division ~~(B)~~(A) of this section ~~3317.01 of the~~ 44436
~~Revised Code~~, division (B) of this section applies regarding the 44437

division (C) of this section applies regarding the closing or 44440
evacuation of the school building for the reason specified in 44441
division ~~(B)~~(A) of this section ~~3317.01 of the Revised Code~~. 44442

Notwithstanding the provisions of sections 3306.01, 3313.48, 44443
3313.481, and 3317.01 of the Revised Code and the requirements of 44444
the state minimum standards for the ~~school~~ learning day that are 44445
established by the department of education and notwithstanding the 44446
content of the contingency plan it adopts under division (A) of 44447
this section regarding the closing or evacuation of a school 44448
building as a result of a bomb threat or any other report of an 44449
alleged or impending explosion, a school district that makes up, 44450
as described in division (B) or (C) of this section, all of the 44451
hours or days that its school buildings were closed or evacuated 44452
for any of the reasons identified in division (B) or (C) of this 44453
section shall be deemed to have complied with the requirements of 44454
those sections regarding the number of days schools must be open 44455
for instruction and the requirements of those minimum standards 44456

a resolution stating that it may be financially unable to open on 44460
the day or to remain open for instruction on all days set forth in 44461
its adopted school calendar and pay all obligated expenses, or the 44462
superintendent of public instruction upon the issuance of written 44463

Code, shall request the auditor of state to determine whether such 44465
situation exists. The auditor shall deliver a copy of each request 44466
from a board of education to the superintendent of public 44467
instruction. In the case of a school district not under a fiscal 44468
emergency pursuant to Chapter 3316. of the Revised Code the 44469
auditor shall not issue a finding under this section until written 44470
notification is received from the superintendent pursuant to 44471
section 3313.487 of the Revised Code. 44472

(B) If the auditor of state finds that the board of education 44473
has attempted to avail itself to the fullest extent authorized by 44474
law of all lawful revenue sources available to it except those 44475
authorized by section 5705.21 of the Revised Code, the auditor 44476
shall certify that finding to the superintendent of public 44477

year if it commences or continues operating its instructional 44480
program in accordance with its adopted school calendar and pays 44481
all obligated expenses. 44482

(C) No board of education may delay the opening of its 44483
schools or close its schools for financial reasons. Upon the 44484
request of the superintendent of public instruction, the attorney 44485

to enforce this prohibition in the court of common pleas of 44487
Franklin county. The court of common pleas of Franklin county has 44488
exclusive original jurisdiction over all such actions. 44489

(D) Upon the receipt of any certification of an operating deficit from the auditor of state, a board of education shall make application to a commercial bank, underwriter, or other prospective lender or purchaser of its obligations for a loan in an amount sufficient to enable the district to open or remain open for instruction on all days set forth in its adopted school calendar but not to exceed the amount of the deficit certified.

(E)(1) Any board of education that has applied for and been denied a loan from a commercial bank, underwriter, or other prospective lender or purchaser of its obligations pursuant to division (D) of this section shall submit to the superintendent of public instruction a plan for implementing reductions in the school district's budget; apply for a loan from a commercial bank, underwriter, or other prospective lender or purchaser of its obligations in an amount not to exceed its certified deficit; and provide the superintendent such information as the superintendent requires concerning its application for such a loan. The board of education of a school district declared to be under a fiscal watch pursuant to division (A) of section 3316.03 of the Revised Code may, upon approval of the superintendent, utilize the financial plan required by section 3316.04 of the Revised Code, or applicable parts thereof, as the plan required under this division. The board of education of a school district declared to be under a fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code may utilize the financial recovery plan for the district, or applicable parts thereof, as the plan required under this division. Except for the plan of a school district under a fiscal emergency, the superintendent shall evaluate, make recommendations concerning, and approve or disapprove each plan. When a plan is submitted, the superintendent shall immediately notify the members of the general assembly whose legislative districts include any or all of the territory of the school district submitting the plan.

(2) The superintendent shall submit to the controlling board 44523
a copy of each plan the superintendent approves, or each plan 44524
submitted by a district under a fiscal emergency pursuant to 44525
division (B) of section 3316.03 of the Revised Code, and the 44526
general terms of each proposed loan, and shall make 44527
recommendations regarding the plan and whether a proposed loan to 44528
the board of education should be approved for payment as provided 44529
in division (E)(3) of this section. The controlling board shall 44530
approve or disapprove the plan and the proposed loan presented to 44531
it by the superintendent. In the case of a district not under a 44532
fiscal emergency pursuant to division (B) of section 3316.03 of 44533
the Revised Code, the controlling board may require a board of 44534
education to implement the superintendent's recommendations for 44535
expenditure reductions or impose other requirements. Loan 44536
repayments shall be in accordance with a schedule approved by the 44537
superintendent, except that the principal amount of the loan shall 44538
be payable in monthly, semiannual, or annual installments of 44539
principal and interest that are substantially equal principal and 44540
interest installments. Except as otherwise provided in division 44541
(E)(2) of this section, repayment shall be made no later than the 44542
fifteenth day of June of the second fiscal year following the 44543
approval of the loan. A school district with a certified deficit 44544
in excess of either twenty-five million dollars or fifteen per 44545
cent of the general fund expenditures of the district during the 44546
fiscal year shall repay the loan no later than the fifteenth day 44547
of June of the tenth fiscal year following the approval of the 44548
loan. In deciding whether to approve or disapprove a proposed 44549
loan, the controlling board shall consider the deficit certified 44550
by the auditor of state pursuant to this section. A board of 44551
education that has an outstanding loan approved pursuant to this 44552
section with a repayment date of more than two fiscal years after 44553
the date of approval of such loan may not apply for another loan 44554
with such a repayment date until the outstanding loan has been 44555

repaid. 44556

(3) If a board of education has submitted and received 44557
controlling board approval of a plan and proposed loan in 44558
accordance with this section, the superintendent of public 44559
instruction shall report to the controlling board the actual 44560
amounts loaned to the board of education. Such board of education 44561
shall request the superintendent to pay any funds the board of 44562
education would otherwise receive pursuant to ~~sections 3317.022 to~~ 44563
~~3317.025~~ Chapter 3306. of the Revised Code first directly to the 44564
holders of the board of education's notes, or an agent thereof, 44565
such amounts as are specified under the terms of the loan. Such 44566
payments shall be made only from and to the extent of money 44567
appropriated by the general assembly for purposes of such 44568
sections. No note or other obligation of the board of education 44569
under the loan constitutes an obligation nor a debt or a pledge of 44570
the faith, credit, or taxing power of the state, and the holder or 44571
owner of such note or obligation has no right to have taxes levied 44572
by the general assembly for the payment of such note or 44573
obligation, and such note or obligation shall contain a statement 44574
to that effect. 44575

(4) Pursuant to the terms of such a loan, a board of 44576
education may issue its notes in anticipation of the collection of 44577
its voted levies for current expenses or its receipt of such state 44578
funds or both. Such notes shall be issued in accordance with 44579
division (E) of section 133.10 of the Revised Code and constitute 44580
Chapter 133. securities to the extent such division and the 44581
otherwise applicable provisions of Chapter 133. of the Revised 44582
Code are not inconsistent with this section, provided that in any 44583
event sections 133.24 and 5705.21 and divisions (A), (B), (C), and 44584
(E)(2) of section 133.10 of the Revised Code do not apply to such 44585
notes. 44586

(5) Notwithstanding section 133.36 or 3313.17, any other 44587

section of the Revised Code, or any other provision of law, a 44588
board of education that has received a loan under this section may 44589
not declare bankruptcy, so long as any portion of such loan 44590
remains unpaid. 44591

(F) Under this section and sections 3313.4810 and 3313.4811, 44592
"board of education" or "district board" includes the financial 44593
planning and supervision commission of a school district under a 44594
fiscal emergency pursuant to Chapter 3316. of the Revised Code 44595
where such commission chooses to exercise the powers and duties 44596
otherwise required of the district board of education under this 44597
section and sections 3313.4810 and 3313.4811 of the Revised Code. 44598

Sec. 3313.485. Notwithstanding any provision to the contrary 44599
in sections 3313.48 and 3313.481 or in Chapter 4117. of the 44600

determine whether to agree to the request and shall inform the 44891
respondent in writing of its decision. If the board agrees to 44892
nondisclosure of specified information in a proposal, such 44893
information shall not become a public record under section 149.43 44894
of the Revised Code. If the respondent withdraws its proposal at 44895

any time prior to the execution of a contract, the proposal shall 44896
not be a public record under section 149.43 of the Revised Code. 44897

(I) Upon a recommendation from the department and in 44898
accordance with section 3301.16 of the Revised Code, the state 44899
board of education may revoke the charter of any alternative 44900
school operated by a school district that violates this section. 44901

Sec. 3313.536. (A) The board of education of each city, 44902
exempted village, and local school district and the governing 44903
authority of each chartered nonpublic school shall adopt a 44904
comprehensive school safety plan for each school building under 44905
the board's or governing authority's control. The board or 44906
governing authority shall examine the environmental conditions and 44907
operations of each building to determine potential hazards to 44908
student and staff safety and shall propose operating changes to 44909
promote the prevention of potentially dangerous problems and 44910
circumstances. In developing the plan for each building, the board 44911
or governing authority shall involve community law enforcement and 44912
safety officials, parents of students who are assigned to the 44913
building, and teachers and nonteaching employees who are assigned 44914
to the building. The board or governing authority shall consider 44915
incorporating remediation strategies into the plan for any 44916
building where documented safety problems have occurred. 44917

The board or governing authority shall incorporate into the 44918
plan both of the following: 44919

(1) A protocol for addressing serious threats to the safety 44920
of school property, students, employees, or administrators; 44921

(2) A protocol for responding to any emergency events that do 44922
occur and that compromise the safety of school property, students, 44923
employees, or administrators. 44924

Each protocol shall include procedures deemed appropriate by 44925

the board or governing authority for responding to threats and 44926
emergency events, respectively, including such things as 44927
notification of appropriate law enforcement personnel, calling 44928
upon specified emergency response personnel for assistance, and 44929
informing parents of affected students. Prior to the opening day 44930
of each school year, the board or governing authority shall inform 44931
each student enrolled in the school and the student's parent of 44932
the parental notification procedures included in the protocol. 44933

(B) The board or governing authority shall update the safety 44934
plan at least once every three years and whenever a major 44935
modification to the building requires changes in the procedures 44936
outlined in the plan. 44937

(C) The board or governing authority shall file a copy of the 44938
current safety plan and building blueprint with each law 44939
enforcement agency that has jurisdiction over the school building 44940
and, upon request, the fire department that serves the political 44941
subdivision in which the school building is located. The board or 44942
governing authority also shall file a copy of the current safety 44943
plan and a floor plan of the building, but not a building 44944
blueprint, with the attorney general, who shall post that 44945
information on the Ohio law enforcement gateway or its successor. 44946

Copies of safety plans, building blueprints, and floor plans 44947
shall be filed as described in this division not later than the 44948
ninety-first day after ~~the effective date of this amendment~~ March 44949
30, 2007. If a board or governing authority revises a safety plan, 44950
building blueprint, or floor plan after the initial filing, the 44951
board or governing authority shall file copies of the revised 44952
safety plan, building blueprint, or floor plan in the manner 44953
described in this division not later than the ninety-first day 44954
after the revision is adopted. 44955

Copies of the safety plan and building blueprint are not a 44956
public record pursuant to section 149.433 of the Revised Code. 44957

Notwithstanding section 149.433 of the Revised Code, a 44958
building floor plan filed with the attorney general pursuant to 44959
this division is not a public record to the extent it is a record 44960
kept by the attorney general. This paragraph does not affect the 44961
status of a floor plan kept as a record by another public office. 44962

The board or governing authority, each law enforcement agency 44963
and fire department to which copies of the safety plan and 44964
building blueprint are provided, and the attorney general shall 44965
keep the copies in a secure place. 44966

(D) The board or governing authority shall grant access to 44967
each school building under its control to law enforcement 44968
personnel to enable the personnel to hold training sessions for 44969
responding to threats and emergency events affecting the building, 44970
provided that the access occurs outside of student instructional 44971
hours and an employee of the board or governing authority is 44972
present in the building during the training sessions. 44973

Sec. 3313.55. The board of education of any school district 44974
in which is located a state, district, county, or municipal 44975
hospital for children with epilepsy or any public institution, 44976
except state institutions for the care and treatment of 44977
delinquent, unstable, or socially maladjusted children, shall make 44978
provision for the education of all educable children therein; 44979
except that in the event another school district within the same 44980
county or an adjoining county is the source of sixty per cent or 44981
more of the children in said hospital or institution, the board of 44982
that school district shall make provision for the education of all 44983
the children therein. In any case in which a board provides 44984
educational facilities under this section, the board that provides 44985
the facilities shall be entitled to all moneys authorized for the 44986
attendance of pupils as provided in Chapter 3306. or 3317. of the 44987
Revised Code, tuition as provided in section 3317.08 of the 44988

Revised Code, and such additional compensation as is provided for 44989
crippled children in sections 3323.01 to 3323.12 of the Revised 44990
Code. Any board that provides the educational facilities for 44991
children in county or municipal institutions established for the 44992
care and treatment of children who are delinquent, unstable, or 44993
socially maladjusted shall not be entitled to any moneys provided 44994
for crippled children in sections 3323.01 to 3323.12 of the 44995
Revised Code. 44996

Sec. 3313.60. Notwithstanding division (D) of section 3311.52 44997
of the Revised Code, divisions (A) to (E) of this section do not 44998

Code. 45001

(A) The board of education of each city and exempted village 45002
school district, the governing board of each educational service 45003
center, and the board of each cooperative education school 45004
district established pursuant to section 3311.521 of the Revised 45005
Code shall prescribe a curriculum for all schools under their 45006

adopted pursuant to divisions (A) to (D) of this section shall 45074

operated by each such school district. The curriculums for such 45076

districts all of the subjects required under divisions (A) to (D) 45078
of this section. 45079

(F) The board of education of any cooperative education 45080

those concepts. In developing the curriculum required by this 45169
paragraph, schools shall use available public-private partnerships 45170
and resources and materials that exist in business, industry, and 45171
through the centers for economics education at institutions of 45172
higher education in the state. 45173

(7) Five units consisting of one or any combination of 45174
foreign language, fine arts, business, career-technical education, 45175
family and consumer sciences, technology, agricultural education, 45176
or English language arts, mathematics, science, or social studies 45177
courses not otherwise required under division (C) of this section. 45178

Ohioans must be prepared to apply increased knowledge and 45179
skills in the workplace and to adapt their knowledge and skills 45180
quickly to meet the rapidly changing conditions of the 45181
twenty-first century. National studies indicate that all high 45182
school graduates need the same academic foundation, regardless of 45183
the opportunities they pursue after graduation. The goal of Ohio's 45184
system of elementary and secondary education is to prepare all 45185
students for and seamlessly connect all students to success in 45186
life beyond high school graduation, regardless of whether the next 45187
step is entering the workforce, beginning an apprenticeship, 45188
engaging in post-secondary training, serving in the military, or 45189
pursuing a college degree. 45190

The Ohio core curriculum is the standard expectation for all 45191
students entering ninth grade for the first time at a public or 45192
chartered nonpublic high school on or after July 1, 2010. A 45193
student may satisfy this expectation through a variety of methods, 45194
including, but not limited to, integrated, applied, 45195
career-technical, and traditional coursework. 45196

Whereas teacher quality is essential for student success in 45197
completing the Ohio core curriculum, the general assembly shall 45198
appropriate funds for strategic initiatives designed to strengthen 45199
schools' capacities to hire and retain highly qualified teachers 45200

in the subject areas required by the curriculum. Such initiatives 45201
are expected to require an investment of \$120,000,000 over five 45202
years. 45203

Stronger coordination between high schools and institutions 45204
of higher education is necessary to prepare students for more 45205
challenging academic endeavors and to lessen the need for academic 45206
remediation in college, thereby reducing the costs of higher 45207
education for Ohio's students, families, and the state. The state 45208
board of education, the Ohio board of regents, and the partnership 45209
for continued learning shall develop policies to ensure that only 45210
in rare instances will students who complete the Ohio core 45211
curriculum require academic remediation after high school. 45212

School districts, community schools, and chartered nonpublic 45213
schools shall integrate technology into learning experiences 45214
whenever practicable across the curriculum in order to maximize 45215
efficiency, enhance learning, and prepare students for success in 45216
the technology-driven twenty-first century. Districts and schools 45217
may use distance and web-based course delivery as a method of 45218
providing or augmenting all instruction required under this 45219
division, including laboratory experience in science. Districts 45220
and schools shall whenever practicable utilize technology access 45221
and electronic learning opportunities provided by the eTech Ohio 45222
commission, the Ohio learning network, education technology 45223
centers, public television stations, and other public and private 45224
providers. 45225

(D) Except as provided in division (E) of this section, a 45226
student who enters ninth grade on or after July 1, 2010, and 45227
before July 1, 2014, may qualify for graduation from a public or 45228
chartered nonpublic high school even though the student has not 45229
completed the Ohio core curriculum prescribed in division (C) of 45230
this section if all of the following conditions are satisfied: 45231

(1) After the student has attended high school for two years, 45232

as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under division (D)(1) of this section.

(3) The student and the student's parent, guardian, or custodian and a representative of the student's high school jointly develop an individual career plan for the student that specifies the student matriculating to a two-year degree program, acquiring a business and industry credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5) The student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

The partnership for continued learning, in collaboration with the department of education and the Ohio board of regents, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2014. The partnership shall submit its findings and any recommendations not later than

August 1, 2014, to the speaker and minority leader of the house of 45264
representatives, the president and minority leader of the senate, 45265
the chairpersons and ranking minority members of the standing 45266
committees of the house of representatives and the senate that 45267
consider education legislation, the state board of education, and 45268
the superintendent of public instruction. 45269

(E) Each school district and chartered nonpublic school 45270
retains the authority to require an even more rigorous minimum 45271
curriculum for high school graduation than specified in division 45272
(B) or (C) of this section. A school district board of education, 45273
through the adoption of a resolution, or the governing authority 45274
of a chartered nonpublic school may stipulate any of the 45275
following: 45276

(1) A minimum high school curriculum that requires more than 45277
twenty units of academic credit to graduate; 45278

(2) An exception to the district's or school's minimum high 45279
school curriculum that is comparable to the exception provided in 45280
division (D) of this section but with additional requirements, 45281
which may include a requirement that the student successfully 45282
complete more than the minimum curriculum prescribed in division 45283
(B) of this section; 45284

(3) That no exception comparable to that provided in division 45285
(D) of this section is available. 45286

(F) A student enrolled in a dropout prevention and recovery 45287
program, which program has received a waiver from the department 45288
of education, may qualify for graduation from high school by 45289
successfully completing a competency-based instructional program 45290
administered by the dropout prevention and recovery program in 45291
lieu of completing the Ohio core curriculum prescribed in division 45292
(C) of this section. The department shall grant a waiver to a 45293
dropout prevention and recovery program, within sixty days after 45294

the program applies for the waiver, if the program meets all of 45295
the following conditions: 45296

(1) The program serves only students not younger than sixteen 45297
years of age and not older than twenty-one years of age. 45298

(2) The program enrolls students who, at the time of their 45299
initial enrollment, either, or both, are at least one grade level 45300
behind their cohort age groups or experience crises that 45301
significantly interfere with their academic progress such that 45302
they are prevented from continuing their traditional programs. 45303

(3) The program requires students to attain at least the 45304
applicable score designated for each of the ~~tests~~ assessments 45305
prescribed under division (B)(1) of section 3301.0710 of the 45306
Revised Code or, to the extent prescribed by rule of the state 45307
board of education under division (E)(6) of section 3301.0712 of 45308
the Revised Code, division (B)(2) of that section. 45309

(4) The program develops an individual career plan for the 45310
student that specifies the student's matriculating to a two-year 45311
degree program, acquiring a business and industry credential, or 45312
entering an apprenticeship. 45313

(5) The program provides counseling and support for the 45314
student related to the plan developed under division (F)(4) of 45315
this section during the remainder of the student's high school 45316
experience. 45317

(6) The program requires the student and the student's 45318
parent, guardian, or custodian to sign and file, in accordance 45319
with procedural requirements stipulated by the program, a written 45320
statement asserting the parent's, guardian's, or custodian's 45321
consent to the student's graduating without completing the Ohio 45322
core curriculum and acknowledging that one consequence of not 45323
completing the Ohio core curriculum is ineligibility to enroll in 45324
most state universities in Ohio without further coursework. 45325

(7) Prior to receiving the waiver, the program has submitted 45326
to the department an instructional plan that demonstrates how the 45327
academic content standards adopted by the state board of education 45328
under section 3301.079 of the Revised Code will be taught and 45329
assessed. 45330

If the department does not act either to grant the waiver or 45331
to reject the program application for the waiver within sixty days 45332

vested legal or permanent custody of the child in the person or 46241
government agency, whichever occurred first, one parent was in a 46242
residential or correctional facility or a juvenile residential 46243

tuition shall be paid by the district determined under division 46246
(D) of section 3313.65 of the Revised Code as the district 46247
required to pay any tuition while the parent was in such facility 46248
or placement; 46249

(e) If the department of education has determined, pursuant 46250
to division (A)(2) of section 2151.362 of the Revised Code, that a 46251

(1) All persons at least eighteen but under twenty-two years of age who live apart from their parents, support themselves by their own labor, and have not successfully completed the high school curriculum or the individualized education program developed for the person by the high school pursuant to section 3323.08 of the Revised Code, are entitled to attend school in the district in which they reside.

The statement shall be supported by such other evidence as the board may require.

(4) Any child residing with a person other than the child's parent is entitled, for a period not to exceed twelve months, to attend school in the district in which that person resides if the child's parent files an affidavit with the superintendent of the district in which the person with whom the child is living resides stating all of the following:

(a) That the parent is serving outside of the state in the armed services of the United States;

(b) That the parent intends to reside in the district upon returning to this state;

(c) The name and address of the person with whom the child is living while the parent is outside the state.

(5) Any child under the age of twenty-two years who, after

the death of a parent, resides in a school district other than the 46318
district in which the child attended school at the time of the 46319
parent's death is entitled to continue to attend school in the 46320
district in which the child attended school at the time of the 46321
parent's death for the remainder of the school year, subject to 46322
approval of that district board. 46323

(6) A child under the age of twenty-two years who resides 46324
with a parent who is having a new house built in a school district 46325
outside the district where the parent is residing is entitled to 46326
attend school for a period of time in the district where the new 46327
house is being built. In order to be entitled to such attendance, 46328
the parent shall provide the district superintendent with the 46329
following: 46330

waiting upon the date of closing of the mortgage loan for the 46340
purchase of such house is entitled to attend school for a period 46341
of time in the district where the house is being purchased. In 46342
order to be entitled to such attendance, the parent shall provide 46343
the district superintendent with the following: 46344

mortgage loan, and that the house is at the location indicated in 46351
the parent's statement. 46352

The district superintendent shall establish a period of time 46353
not to exceed ninety days during which the child entitled to 46354
attend school under division (F)(6) or (7) of this section may 46355
attend without tuition obligation. A student attending a school 46356
under division (F)(6) or (7) of this section shall be eligible to 46357
participate in interscholastic athletics under the auspices of 46358
that school, provided the board of education of the school 46359
district where the student's parent resides, by a formal action, 46360
releases the student to participate in interscholastic athletics 46361
at the school where the student is attending, and provided the 46362
student receives any authorization required by a public agency or 46363
private organization of which the school district is a member 46364
exercising authority over interscholastic sports. 46365

(8) A child whose parent is a full-time employee of a city, 46366
local, or exempted village school district, or of an educational 46367
service center, may be admitted to the schools of the district 46368
where the child's parent is employed, or in the case of a child 46369
whose parent is employed by an educational service center, in the 46370
district that serves the location where the parent's job is 46371
primarily located, provided the district board of education 46372
establishes such an admission policy by resolution adopted by a 46373
majority of its members. Any such policy shall take effect on the 46374
first day of the school year and the effective date of any 46375
amendment or repeal may not be prior to the first day of the 46376
subsequent school year. The policy shall be uniformly applied to 46377
all such children and shall provide for the admission of any such 46378
child upon request of the parent. No child may be admitted under 46379
this policy after the first day of classes of any school year. 46380

(9) A child who is with the child's parent under the care of a shelter for victims of domestic violence, as defined in section 3113.33 of the Revised Code, is entitled to attend school free in the district in which the child is with the child's parent, and no other school district shall be required to pay tuition for the child's attendance in that school district.

The enrollment of a child in a school district under this division shall not be denied due to a delay in the school district's receipt of any records required under section 3313.672 of the Revised Code or any other records required for enrollment. Any days of attendance and any credits earned by a child while enrolled in a school district under this division shall be transferred to and accepted by any school district in which the child subsequently enrolls. The state board of education shall adopt rules to ensure compliance with this division.

(10) Any child under the age of twenty-two years whose parent has moved out of the school district after the commencement of classes in the child's senior year of high school is entitled, subject to the approval of that district board, to attend school in the district in which the child attended school at the time of the parental move for the remainder of the school year and for one additional semester or equivalent term. A district board may also adopt a policy specifying extenuating circumstances under which a student may continue to attend school under division (F)(10) of this section for an additional period of time in order to successfully complete the high school curriculum for the individualized education program developed for the student by the high school pursuant to section 3323.08 of the Revised Code.

(11) As used in this division, "grandparent" means a parent of a parent of a child. A child under the age of twenty-two years who is in the custody of the child's parent, resides with a grandparent, and does not require special education is entitled to

attend the schools of the district in which the child's 46413
grandparent resides, provided that, prior to such attendance in 46414
any school year, the board of education of the school district in 46415
which the child's grandparent resides and the board of education 46416
of the school district in which the child's parent resides enter 46417
into a written agreement specifying that good cause exists for 46418
such attendance, describing the nature of this good cause, and 46419
consenting to such attendance. 46420

In lieu of a consent form signed by a parent, a board of 46421
education may request the grandparent of a child attending school 46422
in the district in which the grandparent resides pursuant to 46423
division (F)(11) of this section to complete any consent form 46424
required by the district, including any authorization required by 46425
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 46426
Code. Upon request, the grandparent shall complete any consent 46427
form required by the district. A school district shall not incur 46428
any liability solely because of its receipt of a consent form from 46429
a grandparent in lieu of a parent. 46430

Division (F)(11) of this section does not create, and shall 46431
not be construed as creating, a new cause of action or substantive 46432
legal right against a school district, a member of a board of 46433
education, or an employee of a school district. This section does 46434
not affect, and shall not be construed as affecting, any 46435
immunities from defenses to tort liability created or recognized 46436
by Chapter 2744. of the Revised Code for a school district, 46437
member, or employee. 46438

(12) A child under the age of twenty-two years is entitled to 46439
attend school in a school district other than the district in 46440
which the child is entitled to attend school under division (B), 46441
(C), or (E) of this section provided that, prior to such 46442
attendance in any school year, both of the following occur: 46443

(a) The superintendent of the district in which the child is 46444

entitled to attend school under division (B), (C), or (E) of this 46445
section contacts the superintendent of another district for 46446
purposes of this division; 46447

(b) The superintendents of both districts enter into a 46448
written agreement that consents to the attendance and specifies 46449
that the purpose of such attendance is to protect the student's 46450
physical or mental well-being or to deal with other extenuating 46451
circumstances deemed appropriate by the superintendents. 46452

While an agreement is in effect under this division for a 46453
student who is not receiving special education under Chapter 3323. 46454
of the Revised Code and notwithstanding Chapter 3327. of the 46455
Revised Code, the board of education of neither school district 46456
involved in the agreement is required to provide transportation 46457
for the student to and from the school where the student attends. 46458

A student attending a school of a district pursuant to this 46459
division shall be allowed to participate in all student 46460
activities, including interscholastic athletics, at the school 46461
where the student is attending on the same basis as any student 46462
who has always attended the schools of that district while of 46463
compulsory school age. 46464

(13) All school districts shall comply with the 46465
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 46466
seq., for the education of homeless children. Each city, local, 46467
and exempted village school district shall comply with the 46468
requirements of that act governing the provision of a free, 46469
appropriate public education, including public preschool, to each 46470
homeless child. 46471

When a child loses permanent housing and becomes a homeless 46472
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 46473
such a homeless person changes temporary living arrangements, the 46474
child's parent or guardian shall have the option of enrolling the 46475

child in either of the following: 46476

(a) The child's school of origin, as defined in 42 U.S.C.A. 46477
11432(g)(3)(C); 46478

(b) The school that is operated by the school district in 46479
which the shelter where the child currently resides is located and 46480
that serves the geographic area in which the shelter is located. 46481

(14) A child under the age of twenty-two years who resides 46482
with a person other than the child's parent is entitled to attend 46483
school in the school district in which that person resides if both 46484
of the following apply: 46485

(a) That person has been appointed, through a military power 46486
of attorney executed under section 574(a) of the "National Defense 46487
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 46488
U.S.C. 1044b, or through a comparable document necessary to 46489
complete a family care plan, as the parent's agent for the care, 46490
custody, and control of the child while the parent is on active 46491
duty as a member of the national guard or a reserve unit of the 46492
armed forces of the United States or because the parent is a 46493
member of the armed forces of the United States and is on a duty 46494
assignment away from the parent's residence. 46495

(b) The military power of attorney or comparable document 46496
includes at least the authority to enroll the child in school. 46497

The entitlement to attend school in the district in which the 46498
parent's agent under the military power of attorney or comparable 46499
document resides applies until the end of the school year in which 46500
the military power of attorney or comparable document expires. 46501

(G) A board of education, after approving admission, may 46502
waive tuition for students who will temporarily reside in the 46503
district and who are either of the following: 46504

(1) Residents or domiciliaries of a foreign nation who 46505

request admission as foreign exchange students; 46506

(2) Residents or domiciliaries of the United States but not 46507
of Ohio who request admission as participants in an exchange 46508
program operated by a student exchange organization. 46509

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 46510
3327.04, and 3327.06 of the Revised Code, a child may attend 46511
school or participate in a special education program in a school 46512
district other than in the district where the child is entitled to 46513
attend school under division (B) of this section. 46514

(I)(1) Notwithstanding anything to the contrary in this 46515
section or section 3313.65 of the Revised Code, a child under 46516
twenty-two years of age may attend school in the school district 46517
in which the child, at the end of the first full week of October 46518
of the school year, was entitled to attend school as otherwise 46519
provided under this section or section 3313.65 of the Revised 46520
Code, if at that time the child was enrolled in the schools of the 46521
district but since that time the child or the child's parent has 46522
relocated to a new address located outside of that school district 46523
and within the same county as the child's or parent's address 46524
immediately prior to the relocation. The child may continue to 46525
attend school in the district, and at the school to which the 46526
child was assigned at the end of the first full week of October of 46527
the current school year, for the balance of the school year. 46528
Division (I)(1) of this section applies only if both of the 46529
following conditions are satisfied: 46530

(a) The board of education of the school district in which 46531
the child was entitled to attend school at the end of the first 46532
full week in October and of the district to which the child or 46533
child's parent has relocated each has adopted a policy to enroll 46534
children described in division (I)(1) of this section. 46535

(b) The child's parent provides written notification of the 46536

relocation outside of the school district to the superintendent of 46537
each of the two school districts. 46538

(2) At the beginning of the school year following the school 46539
year in which the child or the child's parent relocated outside of 46540
the school district as described in division (I)(1) of this 46541
section, the child is not entitled to attend school in the school 46542
district under that division. 46543

(3) Any person or entity owing tuition to the school district 46544
on behalf of the child at the end of the first full week in 46545
October, as provided in division (C) of this section, shall 46546
continue to owe such tuition to the district for the child's 46547
attendance under division (I)(1) of this section for the lesser of 46548
the balance of the school year or the balance of the time that the 46549
child attends school in the district under division (I)(1) of this 46550
section. 46551

(4) A pupil who may attend school in the district under 46552
division (I)(1) of this section shall be entitled to 46553
transportation services pursuant to an agreement between the 46554
district and the district in which the child or child's parent has 46555
relocated unless the districts have not entered into such 46556
agreement, in which case the child shall be entitled to 46557
transportation services in the same manner as a pupil attending 46558
school in the district under interdistrict open enrollment as 46559
described in division ~~(H)~~(D) of section 3313.981 of the Revised 46560
Code, regardless of whether the district has adopted an open 46561
enrollment policy as described in division (B)(1)(b) or (c) of 46562
section 3313.98 of the Revised Code. 46563

(J) This division does not apply to a child receiving special 46564
education. 46565

A school district required to pay tuition pursuant to 46566
division (C)(2) or (3) of this section or section 3313.65 of the 46567

Revised Code shall have an amount deducted under division (F) of 46568
section 3317.023 of the Revised Code equal to its own tuition rate 46569
for the same period of attendance. A school district entitled to 46570
receive tuition pursuant to division (C)(2) or (3) of this section 46571
or section 3313.65 of the Revised Code shall have an amount 46572
credited under division (F) of section 3317.023 of the Revised 46573
Code equal to its own tuition rate for the same period of 46574
attendance. If the tuition rate credited to the district of 46575
attendance exceeds the rate deducted from the district required to 46576
pay tuition, the department of education shall pay the district of 46577
attendance the difference from amounts deducted from all 46578
districts' payments under division (F) of section 3317.023 of the 46579
Revised Code but not credited to other school districts under such 46580
division and from appropriations made for such purpose. The 46581
treasurer of each school district shall, by the fifteenth day of 46582
January and July, furnish the superintendent of public instruction 46583
a report of the names of each child who attended the district's 46584
schools under divisions (C)(2) and (3) of this section or section 46585
3313.65 of the Revised Code during the preceding six calendar 46586
months, the duration of the attendance of those children, the 46587
school district responsible for tuition on behalf of the child, 46588
and any other information that the superintendent requires. 46589

Upon receipt of the report the superintendent, pursuant to 46590
division (F) of section 3317.023 of the Revised Code, shall deduct 46591
each district's tuition obligations under divisions (C)(2) and (3) 46592
of this section or section 3313.65 of the Revised Code and pay to 46593
the district of attendance that amount plus any amount required to 46594
be paid by the state. 46595

(K) In the event of a disagreement, the superintendent of 46596
public instruction shall determine the school district in which 46597
the parent resides. 46598

(L) Nothing in this section requires or authorizes, or shall 46599

be construed to require or authorize, the admission to a public 46600
school in this state of a pupil who has been permanently excluded 46601
from public school attendance by the superintendent of public 46602
instruction pursuant to sections 3301.121 and 3313.662 of the 46603
Revised Code. 46604

(M) In accordance with division (B)(1) of this section, a 46605
child whose parent is a member of the national guard or a reserve 46606

in the district in which the child's parent lived before being 46611
called to active duty or ordered to a temporary duty assignment 46612

to be a resident of that district, and regardless of where the 46614
child lives as a result of the parent's active duty status or 46615
temporary duty assignment. However, the district is not 46616
responsible for providing transportation for the child if the 46617
child lives outside of the district as a result of the parent's 46618
active duty status or temporary duty assignment. 46619

Sec. 3313.642. (A) Except as provided in division (B) of this 46620
section and notwithstanding the provisions of sections 3313.48 and 46621
3313.64 of the Revised Code, the board of education of a city, 46622
exempted village, or local school district shall not be required 46623
to furnish, free of charge, to the pupils attending the public 46624
schools any materials used in a course of instruction with the 46625
exception of the necessary textbooks or electronic textbooks 46626
required to be furnished without charge pursuant to section 46627
3329.06 of the Revised Code. The board may, however, make 46628

42 U.S.C. 1771, as amended, for any materials needed to enable the 46639
~~recipient~~ pupil to participate fully in a course of instruction. 46640
The prohibition in this division against charging a fee does not 46641
apply to any fee charged for any materials needed to enable a 46642
~~recipient~~ pupil to participate fully in extracurricular activities 46643
or in any pupil enrichment program that is not a course of 46644
instruction. 46645

(C) Boards of education may adopt rules and regulations 46646
prescribing a schedule of fees for materials used in a course of 46647
instruction and prescribing a schedule of charges which may be 46648
imposed upon pupils for the loss, damage, or destruction of school 46649
apparatus, equipment, musical instruments, library material, 46650
textbooks, or electronic textbooks required to be furnished 46651
without charge, and for damage to school buildings, and may 46652
enforce the payment of such fees and charges by withholding the 46653
grades and credits of the pupils concerned. 46654

Sec. 3313.6410. This section applies to any school that is 46655
operated by a school district and in which the enrolled students 46656

The school shall report any such student's data verification code, as assigned pursuant to section 3301.0714 of the Revised Code, to the department of education to be added to the list maintained by the department under section 3314.26 of the Revised Code.

time the parent was admitted to the facility from which the parent 46776
first was transferred; 46777

(4) In the event of a disagreement as to which school 46778

of this section, the superintendent of public instruction shall 46780

Sec. 3313.671. (A)(1) Except as otherwise provided in 46788
division (B) of this section, no pupil, at the time of initial 46789
entry or at the beginning of each school year, to an elementary or 46790
high school for which the state board of education prescribes 46791
minimum standards pursuant to division (D) of section 3301.07 of 46792
the Revised Code, shall be permitted to remain in school for more 46793
than fourteen days unless the pupil presents written evidence 46794
satisfactory to the person in charge of admission, that the pupil 46795
has been immunized by a method of immunization approved by the 46796
department of health pursuant to section 3701.13 of the Revised 46797
Code against mumps, poliomyelitis, diphtheria, pertussis, tetanus, 46798

pupil who begins kindergarten at an elementary school subject to 46801
the state board of education's minimum standards shall be 46802
permitted to remain in school for more than fourteen days unless 46803
the pupil presents written evidence satisfactory to the person in 46804
charge of admission that the pupil has been immunized by a 46805
department of health-approved method of immunization or is in the 46806
process of being immunized against both of the following: 46807

(a) During or after the school year beginning in 1999, 46808

(b) During or after the school year beginning in 2006, 46810
chicken pox. 46811

(3) As used in divisions (A)(1) and (2) of this section, "in 46812
the process of being immunized" means the pupil has been immunized 46813
against mumps, rubeola, rubella, and chicken pox, and if the pupil 46814
has not been immunized against poliomyelitis, diphtheria, 46815

pertussis, tetanus, and hepatitis B, the pupil has received at 46816
least the first dose of the immunization sequence, and presents 46817
written evidence to the pupil's building principal or chief 46818
administrative officer of each subsequent dose required to obtain 46819
immunization at the intervals prescribed by the director of 46820
health. Any student previously admitted under the "in process of 46821
being immunized" provision and who has not complied with the 46822
immunization intervals prescribed by the director of health shall 46823
be excluded from school on the fifteenth day of the following 46824
school year. Any student so excluded shall be readmitted upon 46825
showing evidence to the student's building principal or chief 46826
administrative officer of progress on the director of health's 46827
interval schedule. 46828

(4) Beginning in the 2010-2011 school year, except as 46829
provided in division (B) of this section, no pupil who begins 46830
seventh grade at a school subject to the state board of 46831
education's minimum standards shall be permitted to remain in 46832
school for more than fourteen days unless the pupil presents 46833

(B)(1) A pupil who has had natural rubeola, and presents a 46837
signed statement from the pupil's parent, guardian, or physician 46838
to that effect, is not required to be immunized against rubeola. 46839

(2) A pupil who has had natural mumps, and presents a signed 46840
statement from the pupil's parent, guardian, or physician to that 46841
effect, is not required to be immunized against mumps. 46842

(3) A pupil who has had natural chicken pox, and presents a 46843
signed statement from the pupil's parent, guardian, or physician 46844
to that effect, is not required to be immunized against chicken 46845
pox. 46846

(4) A pupil who presents a written statement of the pupil's parent or guardian in which the parent or guardian declines to have the pupil immunized for reasons of conscience, including religious convictions, is not required to be immunized.

(5) A child whose physician certifies in writing that such immunization against any disease is medically contraindicated is not required to be immunized against that disease.

(C) As used in this division, "chicken pox epidemic" means the occurrence of cases of chicken pox in numbers greater than expected in the school's population or for a particular period of time.

Notwithstanding division (B) of this section, a school may deny admission to a pupil otherwise exempted from the chicken pox immunization requirement if the director of the state department of health notifies the school's principal or chief administrative officer that a chicken pox epidemic exists in the school's population. The denial of admission shall cease when the director notifies the principal or officer that the epidemic no longer exists.

The board of education or governing body of each school subject to this section shall adopt a policy that prescribes methods whereby the academic standing of a pupil who is denied admission during a chicken pox epidemic may be preserved.

(D) Boards of health, legislative authorities of municipal corporations, and boards of township trustees on application of the board of education of the district or proper authority of any school affected by this section, shall provide at the public expense, without delay, the means of immunization against mumps, poliomyelitis, rubeola, rubella, diphtheria, pertussis, tetanus, and hepatitis B, and the booster vaccination required by division (A)(4) of this section, to pupils who are not so provided by their

parents or guardians. 46878

Sec. 3313.673. (A) Except as provided in division (B) of this 46879
section, prior to the first day of November of the school year in 46880
which a pupil is enrolled for the first time in either 46881
kindergarten or first grade, the pupil shall be screened for 46882
hearing, vision, speech and communications, and health or medical 46883
problems and for any developmental disorders. If the results of 46884
any screening reveal the possibility of special learning needs, 46885
the board of education of the school district shall conduct 46886
further assessment in accordance with Chapter 3323. of the Revised 46887
Code. The board may provide any of the elements of the screening 46888
program itself, contract with any person or governmental entity to 46889
provide any such elements, or request the parent to obtain any 46890
such elements from a provider selected by the parent. If the board 46891
conducts hearing and vision screening itself or contracts for 46892
hearing and vision screening, such screening shall be conducted 46893
pursuant to sections 3313.50, 3313.69, and 3313.73 of the Revised 46894
Code. 46895

(B) Prior to the first day of August of the school year in 46896
which a pupil is required to be screened under this section, the 46897
board shall provide parents with information about the district's 46898
screening program. If the board chooses to request parents to 46899
obtain any screening services, it shall provide lists of providers 46900
to parents together with information about such screening services 46901
available in the community to parents who cannot afford them. Any 46902
parent requested to obtain any screening services under this 46903
division may sign a written statement to the effect that ~~he~~ the 46904
parent does not wish to have ~~his~~ the parent's child receive such 46905
screening. 46906

(C) Each district shall report the aggregate results of the 46907
screenings required under this section in the manner prescribed by 46908

guidelines established for that purpose by the state board of 46909
education under division (B)(1)(o) of section 3301.0714 of the 46910
Revised Code. 46911

Sec. 3313.68. The board of education of each city, exempted 46912
village, or local school district may appoint one or more school 46913
physicians and one or more school dentists. Two or more school 46914
districts may unite and employ one such physician and at least one 46915
such dentist whose duties shall be such as are prescribed by law. 46916
Said school physician shall hold a license to practice medicine in 46917
Ohio, and each school dentist shall be licensed to practice in 46918
this state. School physicians and dentists may be discharged at 46919
any time by the board of education. School physicians and dentists 46920
shall serve one year and until their successors are appointed and 46921

nurses under ~~section 3319.22~~ Chapter 3319. of the Revised Code, to 46925
aid in such inspection in such ways as are prescribed by it, and 46926
to aid in the conduct and coordination of the school health 46927
service program. The school dentists shall make such examinations 46928
and diagnoses and render such remedial or corrective treatment for 46929
the school children as is prescribed by the board of education; 46930
provided that all such remedial or corrective treatment shall be 46931
limited to the children whose parents cannot otherwise provide for 46932
same, and then only with the written consent of the parents or 46933
guardians of such children. School dentists may also conduct such 46934
oral hygiene educational work as is authorized by the board of 46935
education. 46936

The board of education may delegate the duties and powers 46937
provided for in this section to the board of health or officer 46938
performing the functions of a board of health within the school 46939
district, if such board or officer is willing to assume the same. 46940

Boards of education shall co-operate with boards of health in the 46941
prevention and control of epidemics. 46942

governing authorities, and sponsors, conduct training sessions and 47873
distribute informational materials; 47874

~~(3)~~(4) By December thirty-first of each year, issue a report 47879
to the governor, the speaker of the house of representatives, the 47880
president of the senate, and the chairpersons of the house and 47881
senate committees principally responsible for education matters 47882
regarding the effectiveness of academic programs, operations, and 47883

(B)(1) ~~No~~ Except as provided in sections 3314.021 and 47890
3314.027 of the Revised Code, no entity listed in division (C)(1) 47891
of section 3314.02 of the Revised Code shall enter into a 47892

chapter and has entered into a written agreement with the 47896
department regarding the manner in which the entity will conduct 47897
such sponsorship. The department shall adopt in accordance with 47898
Chapter 119. of the Revised Code rules containing criteria, 47899

evidence of the entity's ability and willingness to comply with 47904
the provisions of division (D) of section 3314.03 of the Revised 47905
Code. The rules also shall require entities approved as sponsors 47906
on and after June 30, 2005, to demonstrate a record of financial 47907
responsibility and successful implementation of educational 47908
programs. If an entity seeking approval on or after June 30, 2005, 47909
to sponsor community schools in this state sponsors or operates 47910
schools in another state, at least one of the schools sponsored or 47911

performance of Ohio schools in need of continuous improvement 47913
under section 3302.03 of the Revised Code, as determined by the 47914
department. 47915

(2) An entity that sponsors community schools may enter into 47916
preliminary agreements and sponsor schools as follows, provided 47917
each school and the contract for sponsorship meets the 47918

(b) An entity that sponsored more than fifty but not more 47923
than seventy-five schools that were open for operation as of May 47924
1, 2005, may sponsor not more than the number of schools the 47925
entity sponsored that were open for operation as of May 1, 2005. 47926

(c) Until June 30, 2006, an entity that sponsored more than 47927

seventy-five schools that were open for operation as of May 1, 47928
2005, may sponsor not more than the number of schools the entity 47929
sponsored that were open for operation as of May 1, 2005. After 47930
June 30, 2006, such an entity may sponsor not more than 47931
seventy-five schools. 47932

~~Upon approval of an entity to be a sponsor under this~~ 47933
~~division, the~~ The department shall notify ~~the~~ each entity of the 47934
number of schools the entity may sponsor. 47935

Notwithstanding the limits imposed by division (B)(2) of this 47936
section, no entity shall initially enter into a contract with a 47937
school under section 3314.03 of the Revised Code if more than 47938
thirty-three per cent of the Ohio schools currently sponsored by 47939
the entity have a performance rating of academic watch or academic 47940
emergency under section 3302.03 of the Revised Code. 47941

The limit imposed on an entity ~~to which~~ by division (B)~~(1)~~(2) 47942
of this section ~~applies~~ shall be decreased by one for each school 47943
sponsored by the entity that permanently closes. 47944

If at any time an entity exceeds the number of schools it may 47945
sponsor under this division, the department shall assist the 47946
schools in excess of the entity's limit in securing new sponsors. 47947
If a school is unable to secure a new sponsor, the department 47948
shall assume sponsorship of the school in accordance with division 47949
(C) of this section. Those schools for which another sponsor or 47950
the department assumes sponsorship shall be the schools that most 47951
recently entered into contracts with the entity under section 47952
3314.03 of the Revised Code. 47953

~~(2)~~(3) The department of education shall determine, pursuant 47954
to criteria adopted by rule of the department, whether the mission 47955
proposed to be specified in the contract of a community school to 47956
be sponsored by a state university board of trustees or the 47957
board's designee under division (C)(1)(e) of section 3314.02 of 47958

the Revised Code complies with the requirements of that division. 47959
Such determination of the department is final. 47960

~~(3)~~(4) The department of education shall determine, pursuant 47961
to criteria adopted by rule of the department, if any tax-exempt 47962
entity under section 501(c)(3) of the Internal Revenue Code that 47963
is proposed to be a sponsor of a community school is an 47964
education-oriented entity for purpose of satisfying the condition 47965
prescribed in division (C)(1)(f)(iii) of section 3314.02 of the 47966
Revised Code. Such determination of the department is final. 47967

(C) If at any time the state board of education finds that a 47968
sponsor is not in compliance or is no longer willing to comply 47969
with its contract with any community school or with the 47970
department's rules for sponsorship, the state board or designee 47971
shall conduct a hearing in accordance with Chapter 119. of the 47972
Revised Code on that matter. If after the hearing, the state board 47973
or designee has confirmed the original finding, the department of 47974
education may revoke the sponsor's ~~approval~~ authority to sponsor 47975
community schools and may assume the sponsorship of any schools 47976
with which the sponsor has contracted until the earlier of the 47977
expiration of two school years or until a new sponsor as described 47978
in division (C)(1) of section 3314.02 of the Revised Code is 47979
secured by the school's governing authority. The department may 47980
extend the term of the contract in the case of a school for which 47981
it has assumed sponsorship under this division as necessary to 47982
accommodate the term of the department's authorization to sponsor 47983
the school specified in this division. 47984

(D)(1) The department may declare any sponsor, including any 47985
sponsor that is exempt pursuant to section 3314.021 or 3314.027 of 47986
the Revised Code from obtaining the department's initial approval 47987
to sponsor, to be in a probationary status if at any time the 47988
sponsor has failed to take any of the following actions, which 47989
actions the department determines are warranted: 47990

<u>notification stating the department's declaration, the length of</u>	48003
<u>the probationary status, the reasons for the declaration, and a</u>	48004
<u>requirement that the sponsor submit to the department an offer of</u>	48005

<u>remedies offered by the sponsor satisfactory, the sponsor shall</u>	48008
<u>take the actions necessary to implement them. The department shall</u>	48009
<u>monitor the sponsor's actions to implement the remedies.</u>	48010
<u>(3) If the department finds that the remedies offered by the</u>	48011

required by law. 48022

(4) If the department suspends or restricts a sponsor's authority to sponsor schools under division (D)(3) of this section, the department shall assign another sponsor that is approved by the department and that agrees to do so to sponsor any school affected by the suspension or restriction until the department rescinds the suspension or restriction, another permanent sponsor is secured, or the school's contract under section 3314.03 of the Revised Code expires, whichever occurs first. 48023

Sec. 3314.016. (A) After June 30, 2007, a new start-up school may be established under this chapter only if the school's governing authority enters into a contract with an operator that 48050

The governing authority of the community school may sign a contract with an operator only if the operator has fewer contracts with the governing authorities of new start-up schools established under this chapter after June 30, 2007, than the number of schools managed by the operator in the United States that perform at a level higher than academic watch, as determined by the department of education. However, the governing authority shall not contract with an operator that currently manages any community schools in Ohio for which the department issues annual report cards under section 3314.012 of the Revised Code, unless the latest report card issued for at least one of those schools designates a performance rating under section 3302.03 of the Revised Code of in need of continuous improvement or higher.

(1) The governing authority entered into another contract with the same sponsor or a different sponsor described in divisions (C)(1)(b) to (f) of section 3314.02 of the Revised Code and filed a copy of that contract with the superintendent of public instruction prior to March 15, 2006.

(2) The governing authority's current school satisfies all of the following conditions:

(a) The school currently is rated as excellent or effective pursuant to section 3302.03 of the Revised Code.

(b) The school made adequate yearly progress, as defined in section 3302.01 of the Revised Code, for the previous school year.	48085 48086
(c) The school has been in operation for at least four school years.	48087 48088
(d) The school is not managed by an operator.	48089
(C) Notwithstanding division (A) of this section, the governing authority of a start-up school sponsored by the big eight school district in which the school is located may establish one additional start-up school that is located in the same school district and that provides a general educational program to students in any or all of grades kindergarten through five to facilitate their transition to the current start-up school, and may open the additional start-up school in the 2009-2010 school year, if both of the following conditions are met:	48090 48091 48092 48093 48094 48095 48096 48097 48098
(1) The governing authority enters into another contract with the same sponsor and files a copy of the contract with the superintendent of public instruction prior to March 15, 2009.	48099 48100 48101
(2) The governing authority's current school satisfies all of the following conditions:	48102 48103

distance from the school, for students to have their 49450
transportation provided or arranged. 49451

(3) The transportation provided by the community school is 49452
subject to all provisions of the Revised Code and all rules 49453
adopted under the Revised Code pertaining to pupil transportation. 49454

(4) The sponsor of the community school also has signed the 49455
agreement. 49456

(B)(1) For the school year that begins on July 1, 2007, a 49457
school district is not required to provide transportation for any 49458
native student enrolled in a community school, if the community 49459
school during the previous school year transported the students 49460
enrolled in the school or arranged for the students' 49461
transportation, even if that arrangement consisted of having 49462
parents transport their children to and from the school, but did 49463
not enter into an agreement to transport or arrange for 49464
transportation for those students under division (A) of this 49465
section, and if the governing authority of the community school by 49466
July 15, 2007, submits written notification to the district board 49467
of education stating that the governing authority is accepting 49468
responsibility for providing or arranging for the transportation 49469
of the district's native students to and from the community 49470
school. 49471

(2) For any school year subsequent to the school year that 49472
begins on July 1, 2007, a school district is not required to 49473

provide transportation for any native student enrolled in a 49474
community school if the governing authority of the community 49475
school, by the thirty-first day of January of the previous school 49476
year, submits written notification to the district board of 49477
education stating that the governing authority is accepting 49478
responsibility for providing or arranging for the transportation 49479
of the district's native students to and from the community 49480
school. If the governing authority of the community school has 49481
previously accepted responsibility for providing or arranging for 49482
the transportation of a district's native students to and from the 49483
community school, under division (B)(1) or (2) of this section, 49484
and has since relinquished that responsibility under division 49485
(B)(3) of this section, the governing authority shall not accept 49486
that responsibility again unless the district board consents to 49487
the governing authority's acceptance of that responsibility. 49488

(3) A governing authority's acceptance of responsibility 49489
under division (B)(1) or (2) of this section shall cover an entire 49490
school year, and shall remain in effect for subsequent school 49491
years unless the governing authority submits written notification 49492
to the district board that the governing authority is 49493
relinquishing the responsibility. However, a governing authority 49494
shall not relinquish responsibility for transportation before the 49495
end of a school year, and shall submit the notice relinquishing 49496
responsibility by the thirty-first day of January, in order to 49497
allow the school district reasonable time to prepare 49498
transportation for its native students enrolled in the school. 49499

(C)(1) A community school governing authority that enters 49500
into an agreement under division (A) of this section, or that 49501
accepts responsibility under division (B) of this section, shall 49502
provide or arrange transportation free of any charge for each of 49503
its enrolled students who is required to be transported under 49504
section 3327.01 of the Revised Code or who would otherwise be 49505

transported by the school district under the district's 49506
transportation policy. The governing authority shall report to the 49507
department of education the number of students transported or for 49508
whom transportation is arranged under this section in accordance 49509
with rules adopted by the state board of education. 49510

(2) The governing authority may provide or arrange 49511
transportation for any other enrolled student who is not eligible 49512
for transportation in accordance with division (C)(1) of this 49513
section and may charge a fee for such service up to the actual 49514
cost of the service. 49515

(3) Notwithstanding anything to the contrary in division 49516
(C)(1) or (2) of this section, a community school governing 49517
authority shall provide or arrange transportation free of any 49518
charge for any disabled student enrolled in the school for whom 49519
the student's individualized education program developed under 49520
Chapter 3323. of the Revised Code specifies transportation. 49521

(D)(1) If a school district board and a community school 49522
governing authority elect to enter into an agreement under 49523
division (A) of this section, the department of education shall 49524
make payments to the community school according to the terms of 49525
the agreement for each student actually transported under division 49526
(C)(1) of this section. 49527

If a community school governing authority accepts 49528
transportation responsibility under division (B) of this section, 49529
the department shall make payments to the community school for 49530
each student actually transported or for whom transportation is 49531
arranged by the community school under division (C)(1) of this 49532
section, calculated as follows: 49533

(a) For any fiscal year which the general assembly has 49534
specified that transportation payments to school districts be 49535
based on an across-the-board percentage of the district's payment 49536

for the previous school year, the per pupil payment to the 49537
community school shall be the following quotient: 49538

(i) The total amount calculated for the school district in 49539
which the child is entitled to attend school for student 49540
transportation other than transportation of children with 49541
disabilities; divided by 49542

(ii) The number of students included in the district's 49543
transportation ADM for the current fiscal year, as reported under 49544
division (B)(13) of section 3317.03 of the Revised Code, plus the 49545
number of students enrolled in the community school not counted in 49546
the district's transportation ADM who are transported under 49547
division (B)(1) or (2) of this section. 49548

(b) For any fiscal year which the general assembly has 49549
specified that the transportation payments to school districts be 49550
calculated in accordance with ~~division (D) of section 3317.022~~ 49551
3306.12 of the Revised Code and any rules of the state board of 49552
education implementing that ~~division section~~, the payment to the 49553
community school shall be the amount so calculated that otherwise 49554
would be paid to the school district in which the student is 49555
entitled to attend school by the method of transportation the 49556
district would have used. The community school, however, is not 49557
required to use the same method to transport that student. 49558

As used in this division "entitled to attend school" means 49559
entitled to attend school under section 3313.64 or 3313.65 of the 49560
Revised Code. 49561

(2) The department shall deduct the payment under division 49562
(D)(1) of this section from the state education aid, as defined in 49563
section ~~3314.08~~ 5751.20 of the Revised Code, and, if necessary, 49564
the payment under sections 321.14 and 323.156 of the Revised Code, 49565
that is otherwise paid to the school district in which the student 49566
enrolled in the community school is entitled to attend school. The 49567

department shall include the number of the district's native 49568
students for whom payment is made to a community school under 49569
division (D)(1) of this section in the calculation of the 49570
district's transportation payment under ~~division (D) of~~ section 49571
~~3317.022~~ 3306.12 of the Revised Code and the operating 49572
appropriations act. 49573

(3) A community school shall be paid under division (D)(1) of 49574
this section only for students who are eligible as specified in 49575
section 3327.01 of the Revised Code and division (C)(1) of this 49576
section, and whose transportation to and from school is actually 49577
provided, who actually utilized transportation arranged, or for 49578
whom a payment in lieu of transportation is made by the community 49579
school's governing authority. To qualify for the payments, the 49580
community school shall report to the department, in the form and 49581
manner required by the department, data on the number of students 49582
transported or whose transportation is arranged, the number of 49583
miles traveled, cost to transport, and any other information 49584
requested by the department. 49585

(4) A community school shall use payments received under this 49586
section solely to pay the costs of providing or arranging for the 49587
transportation of students who are eligible as specified in 49588
section 3327.01 of the Revised Code and division (C)(1) of this 49589
section, which may include payments to a parent, guardian, or 49590
other person in charge of a child in lieu of transportation. 49591

(E) Except when arranged through payment to a parent, 49592
guardian, or person in charge of a child, transportation provided 49593
or arranged for by a community school pursuant to an agreement 49594
under this section is subject to all provisions of the Revised 49595
Code, and all rules adopted under the Revised Code, pertaining to 49596
the construction, design, equipment, and operation of school buses 49597
and other vehicles transporting students to and from school. The 49598
drivers and mechanics of the vehicles are subject to all 49599

provisions of the Revised Code, and all rules adopted under the 49600
Revised Code, pertaining to drivers and mechanics of such 49601
vehicles. The community school also shall comply with sections 49602
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 49603
of section 3327.16 of the Revised Code and, subject to division 49604
(C)(1) of this section, sections 3327.01 and 3327.02 of the 49605
Revised Code, as if it were a school district. 49606

Sec. 3314.10. (A)(1) The governing authority of any community 49607
school established under this chapter may employ teachers and 49608
nonteaching employees necessary to carry out its mission and 49609
fulfill its contract. 49610

(2) Except as provided under division (A)(3) of this section, 49611
employees hired under this section may organize and collectively 49612
bargain pursuant to Chapter 4117. of the Revised Code. 49613
Notwithstanding division (D)(1) of section 4117.06 of the Revised 49614
Code, a unit containing teaching and nonteaching employees 49615
employed under this section shall be considered an appropriate 49616
unit. As applicable, employment under this section is subject to 49617
either Chapter 3307. or 3309. of the Revised Code. 49618

(3) If a school is created by converting all or part of an 49619
existing public school rather than by establishment of a new 49620
start-up school, at the time of conversion, the employees of the 49621
community school shall remain part of any collective bargaining 49622
unit in which they were included immediately prior to the 49623
conversion and shall remain subject to any collective bargaining 49624
agreement for that unit in effect on the first day of July of the 49625
year in which the community school initially begins operation and 49626
shall be subject to any subsequent collective bargaining agreement 49627
for that unit, unless a petition is certified as sufficient under 49628
division (A)(6) of this section with regard to those employees. 49629
Any new employees of the community school shall also be included 49630

in the unit to which they would have been assigned had not the 49631
conversion taken place and shall be subject to the collective 49632
bargaining agreement for that unit unless a petition is certified 49633
as sufficient under division (A)(6) of this section with regard to 49634
those employees. 49635

Notwithstanding division (B) of section 4117.01 of the 49636
Revised Code, the board of education of a school district and not 49637
the governing authority of a community school shall be regarded, 49638
for purposes of Chapter 4117. of the Revised Code, as the "public 49639
employer" of the employees of a conversion community school 49640
subject to a collective bargaining agreement pursuant to division 49641
(A)(3) of this section unless a petition is certified under 49642
division (A)(6) of this section with regard to those employees. 49643
Only on and after the effective date of a petition certified as 49644
sufficient under division (A)(6) of this section shall division 49645
(A)(2) of this section apply to those employees of that community 49646
school and only on and after the effective date of that petition 49647
shall Chapter 4117. of the Revised Code apply to the governing 49648
authority of that community school with regard to those employees. 49649

(4) Notwithstanding sections 4117.03 to 4117.18 of the 49650
Revised Code and Section 4 of Amended Substitute Senate Bill No. 49651
133 of the 115th general assembly, the employees of a conversion 49652
community school who are subject to a collective bargaining 49653
agreement pursuant to division (A)(3) of this section shall cease 49654
to be subject to that agreement and all subsequent agreements 49655
pursuant to that division and shall cease to be part of the 49656
collective bargaining unit that is subject to that and all 49657
subsequent agreements, if a majority of the employees of that 49658
community school who are subject to that collective bargaining 49659
agreement sign and submit to the state employment relations board 49660
a petition requesting all of the following: 49661

(a) That all the employees of the community school who are 49662

subject to that agreement be removed from the bargaining unit that 49663
is subject to that agreement and be designated by the state 49664
employment relations board as a new and separate bargaining unit 49665
for purposes of Chapter 4117. of the Revised Code; 49666

(b) That the employee organization certified as the exclusive 49667
representative of the employees of the bargaining unit from which 49668
the employees are to be removed be certified as the exclusive 49669
representative of the new and separate bargaining unit for 49670
purposes of Chapter 4117. of the Revised Code; 49671

(c) That the governing authority of the community school be 49672
regarded as the "public employer" of these employees for purposes 49673
of Chapter 4117. of the Revised Code. 49674

(5) Notwithstanding sections 4117.03 to 4117.18 of the 49675
Revised Code and Section 4 of Amended Substitute Senate Bill No. 49676
133 of the 115th general assembly, the employees of a conversion 49677
community school who are subject to a collective bargaining 49678
agreement pursuant to division (A)(3) of this section shall cease 49679
to be subject to that agreement and all subsequent agreements 49680
pursuant to that division, shall cease to be part of the 49681
collective bargaining unit that is subject to that and all 49682
subsequent agreements, and shall cease to be represented by any 49683
exclusive representative of that collective bargaining unit, if a 49684
majority of the employees of the community school who are subject 49685
to that collective bargaining agreement sign and submit to the 49686
state employment relations board a petition requesting all of the 49687
following: 49688

(a) That all the employees of the community school who are 49689
subject to that agreement be removed from the bargaining unit that 49690
is subject to that agreement; 49691

(b) That any employee organization certified as the exclusive 49692
representative of the employees of that bargaining unit be 49693

decertified as the exclusive representative of the employees of 49694
the community school who are subject to that agreement; 49695

(c) That the governing authority of the community school be 49696
regarded as the "public employer" of these employees for purposes 49697
of Chapter 4117. of the Revised Code. 49698

(6) Upon receipt of a petition under division (A)(4) or (5) 49699
of this section, the state employment relations board shall check 49700
the sufficiency of the signatures on the petition. If the 49701
signatures are found sufficient, the board shall certify the 49702
sufficiency of the petition and so notify the parties involved, 49703
including the board of education, the governing authority of the 49704
community school, and any exclusive representative of the 49705
bargaining unit. The changes requested in a certified petition 49706
shall take effect on the first day of the month immediately 49707
following the date on which the sufficiency of the petition is 49708
certified under division (A)(6) of this section. 49709

(B)(1) The board of education of each city, local, and 49710
exempted village school district sponsoring a community school and 49711
the governing board of each educational service center in which a 49712
community school is located shall adopt a policy that provides a 49713
leave of absence of at least three years to each teacher or 49714
nonteaching employee of the district or service center who is 49715
employed by a conversion or new start-up community school 49716
sponsored by the district or located in the district or center for 49717
the period during which the teacher or employee is continuously 49718
employed by the community school. The policy shall also provide 49719
that any teacher or nonteaching employee may return to employment 49720
by the district or service center if the teacher or employee 49721
leaves or is discharged from employment with the community school 49722
for any reason, unless, in the case of a teacher, the board of the 49723
district or service center determines that the teacher was 49724
discharged for a reason for which the board would have sought to 49725

discharge the teacher under section 3319.16 of the Revised Code, 49726
in which case the board may proceed to discharge the teacher 49727
utilizing the procedures of that section. Upon termination of such 49728
a leave of absence, any seniority that is applicable to the person 49729
shall be calculated to include all of the following: all 49730
employment by the district or service center prior to the leave of 49731
absence; all employment by the community school during the leave 49732
of absence; and all employment by the district or service center 49733
after the leave of absence. The policy shall also provide that if 49734
any teacher holding valid certification returns to employment by 49735
the district or service center upon termination of such a leave of 49736
absence, the teacher shall be restored to the previous position 49737
and salary or to a position and salary similar thereto. If, as a 49738
result of teachers returning to employment upon termination of 49739
such leaves of absence, a school district or educational service 49740
center reduces the number of teachers it employs, it shall make 49741
such reductions in accordance with section 3319.17 or, if 49742
applicable, 3319.171 of the Revised Code. 49743

Unless a collective bargaining agreement providing otherwise 49744
is in effect for an employee of a conversion community school 49745
pursuant to division (A)(3) of this section, an employee on a 49746
leave of absence pursuant to this division shall remain eligible 49747
for any benefits that are in addition to benefits under Chapter 49748
3307. or 3309. of the Revised Code provided by the district or 49749
service center to its employees provided the employee pays the 49750
entire cost associated with such benefits, except that personal 49751
leave and vacation leave cannot be accrued for use as an employee 49752
of a school district or service center while in the employ of a 49753
community school unless the district or service center board 49754
adopts a policy expressly permitting this accrual. 49755

(2) While on a leave of absence pursuant to division (B)(1) 49756
of this section, a conversion community school shall permit a 49757

teacher to use sick leave accrued while in the employ of the 49758
school district from which the leave of absence was taken and 49759
prior to commencing such leave. If a teacher who is on such a 49760
leave of absence uses sick leave so accrued, the cost of any 49761
salary paid by the community school to the teacher for that time 49762
shall be reported to the department of education. The cost of 49763
employing a substitute teacher for that time shall be paid by the 49764
community school. The department of education shall add amounts to 49765
the payments made to a community school under this chapter and 49766
section 3306.16 of the Revised Code as necessary to cover the cost 49767
of salary reported by a community school as paid to a teacher 49768
using sick leave so accrued pursuant to this section. The 49769
department shall subtract the amounts of any payments made to 49770
community schools under this division from payments made to such 49771
sponsoring school district under ~~Chapter~~ Chapters 3306. and 3317. 49772
of the Revised Code. 49773

A school district providing a leave of absence and employee 49774
benefits to a person pursuant to this division is not liable for 49775
any action of that person while the person is on such leave and 49776
employed by a community school. 49777

Sec. 3314.102. Each community school shall do both of the 49778
following in the same manner as required of a school district: 49779

(A) Comply with the provisions of section 3319.074 of the 49780
Revised Code, except that the prohibition in division (B) of that 49781
section shall apply only to teachers hired by the school on or 49782
after the effective date of this section; 49783

(B) Employ as classroom teachers only persons who are 49784
licensed under sections 3319.22 to 3319.31 of the Revised Code in 49785
a manner that is in compliance with any rules of the state board 49786
of education that either implement those sections or otherwise 49787
require teachers to teach in the subject areas or grade levels for 49788

which they are licensed. 49789

A community school may engage persons issued permits under 49790
section 3319.301 of the Revised Code in the same manner as may 49791
school districts. 49792

Sec. 3314.19. The sponsor of each community school annually 49793

department of education not later than ten business days prior to 49795
the opening of the school: 49796

(C) The school's failure to submit any corrective action plan 50262
required by the department to the chief administrative officer of 50263
the school's sponsor or to implement all of the provisions of a 50264
corrective action plan may be considered by the sponsor when 50265
determining whether to take any action under section 3314.07, 50266
3314.072, or 3314.073 of the Revised Code. 50267

Sec. 3314.43. For purposes of section 3319.321 of the Revised 50268
Code, the sponsor of a community school established under this 50269
chapter shall be an "educational institution," to which the 50270
records of a pupil enrolled in the school may be released for a 50271
legitimate educational purpose without the consent of the pupil or 50272
the pupil's parent, guardian, or custodian in accordance with that 50273
section. The sponsor shall handle any educational records released 50274
to the sponsor in accordance with the requirements of that section 50275

and the "Family Educational Rights and Privacy Act of 1974," 20 50276
U.S.C. 1232g. 50277

Sec. 3314.44. (A) If a community school established under 50278
this chapter closes for any reason, the chief administrative 50279
officer of the school at the time the school closes shall in good 50280
faith take all reasonable steps necessary to collect and assemble 50281
in an orderly manner the educational records of each student who 50282
is or has been enrolled in the school so that those records may be 50283
transmitted in accordance with this division. The chief 50284
administrative officer shall transmit the records to the 50285
department of education, in the manner and by the date prescribed 50286
by the department. 50287

(B) No person required to collect, assemble, and transmit 50288
student records under division (A) of this section shall fail to 50289
comply with that division. 50290

(C) Whoever violates division (B) of this section is guilty 50291
of a misdemeanor in the third degree. 50292

Sec. 3315.17. (A) The board of education of each city, 50293
exempted village, local, and joint vocational school district 50294
shall establish a textbook and instructional materials fund. Each 50295
board annually shall deposit into that fund an amount derived from 50296
revenues received by the district for operating expenses that is 50297
equal to three per cent of the formula amount for the preceding 50298
fiscal year, as defined in section 3317.02 of the Revised Code, or 50299
another percentage if established by the auditor of state under 50300
division (C) of this section, multiplied by the district's student 50301
population for the preceding fiscal year. Money in the fund shall 50302
be used solely for textbooks, instructional software, and 50303
instructional materials, supplies, and equipment. Any money in the 50304
fund that is not used in any fiscal year shall carry forward to 50305

the next fiscal year. 50306

(B)(1) Notwithstanding division (A) of this section, if in a 50307
fiscal year a district board deposits in the textbook and 50308
instructional materials fund an amount of money greater than the 50309
amount required to be deposited by this section or the rules 50310
adopted under division (C) of this section, the board may deduct 50311
the excess amount of money from the amount of money required to be 50312
deposited in succeeding fiscal years. 50313

(2) Notwithstanding division (A) of this section, in any year 50314
a district is in fiscal emergency status as declared pursuant to 50315
section 3316.03 of the Revised Code, the district may deposit an 50316
amount less than required by division (A) of this section, or make 50317
no deposit, into the district textbook and instructional materials 50318
fund for that year. 50319

(3) Notwithstanding division (A) of this section, in any 50320
fiscal year that a school district is either in fiscal watch 50321
status, as declared pursuant to section 3316.03 of the Revised 50322
Code, or in fiscal caution status, as declared pursuant to section 50323
3316.031 of the Revised Code, the district may apply to the 50324
superintendent of public instruction for a waiver from the 50325
requirements of division (A) of this section, under which the 50326
district may be permitted to deposit an amount less than required 50327
by that division or permitted to make no deposit into the district 50328
textbook and instructional materials fund for that year. The 50329
superintendent may grant a waiver under division (B)(3) of this 50330
section if the district demonstrates to the satisfaction of the 50331
superintendent that compliance with division (A) of this section 50332
that year will create an undue financial hardship on the district. 50333

(4) Notwithstanding division (A) of this section, not more 50334
often than one fiscal year in every three consecutive fiscal 50335
years, any school district that does not satisfy the conditions 50336

for the exemption described in division (B)(2) of this section or 50337
the conditions to apply for the waiver described in division 50338
(B)(3) of this section may apply to the superintendent of public 50339
instruction for a waiver from the requirements of division (A) of 50340
this section, under which the district may be permitted to deposit 50341
an amount less than required by that division or permitted to make 50342
no deposit into the district textbook and instructional materials 50343
fund for that year. The superintendent may grant a waiver under 50344
division (B)(4) of this section if the district demonstrates to 50345
the satisfaction of the superintendent that compliance with 50346
division (A) of this section that year will necessitate the 50347
reduction or elimination of a program currently offered by the 50348
district that is critical to the academic success of students of 50349
the district and that no reasonable alternatives exist for 50350
spending reductions in other areas of operation within the 50351
district that negate the necessity of the reduction or elimination 50352
of that program. 50353

(C) The state superintendent of public instruction and the 50354
auditor of state jointly shall adopt rules in accordance with 50355
Chapter 119. of the Revised Code defining what constitutes 50356
textbooks, instructional software, and instructional materials, 50357
supplies, and equipment for which money in a school district's 50358
textbook and instructional materials fund may be used. The auditor 50359
of state also may designate a percentage, other than three per 50360
cent, of the formula amount multiplied by the district's student 50361
population that must be deposited into the fund. 50362

(D) Notwithstanding division (A) of this section, a district 50363
board of education in any fiscal year may appropriate money in the 50364
district textbook and instructional materials fund for purposes 50365
other than those permitted by that division if both of the 50366
following occur during that fiscal year: 50367

(1) All of the following certify to the district board in 50368

writing that the district has sufficient textbooks, instructional software, and instructional materials, supplies, and equipment to ensure a thorough and efficient education within the district:

(a) The district superintendent;

(b) ~~In districts required to have a business advisory council,~~ a A person designated by vote of the district's business advisory council;

(c) If the district teachers are represented by an exclusive bargaining representative for purposes of Chapter 4117. of the Revised Code, the president of that organization or the president's designee.

(2) The district board adopts, by unanimous vote of all members of the board, a resolution stating that the district has sufficient textbooks, instructional software, and instructional materials, supplies, and equipment to ensure a thorough and efficient education within the district.

(E) Notwithstanding any provision to the contrary in Chapter 4117. of the Revised Code, the requirements of this section prevail over any conflicting provisions of agreements between employee organizations and public employers entered into on or after November 21, 1997.

(F) As used in this section and in section 3315.18 of the Revised Code, "student population" means the average, daily, full-time-equivalent number of students in kindergarten through twelfth grade receiving any educational services from the school district during the first full school week in October, excluding students enrolled in adult education classes, but including all of the following:

(1) Adjacent or other district students enrolled in the district under an open enrollment policy pursuant to section 3313.98 of the Revised Code;

(2) Students receiving services in the district pursuant to a compact, cooperative education agreement, or a contract, but who are entitled to attend school in another district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(3) Students for whom tuition is payable pursuant to sections 3317.081 and 3323.141 of the Revised Code.

The department of education shall determine a district's student population using data reported to it under section 3317.03 of the Revised Code for the applicable fiscal year.

Sec. 3315.37. The board of education of a school district may establish a teacher education loan program and may expend school funds for the program. The program shall be for the purpose of making loans to students who are residents of the school district or graduates of schools in the school district, who are enrolled in teacher preparation programs at institutions approved by the ~~state board~~ chancellor of the Ohio board of regents pursuant to section ~~3319.23~~ 3333.048 of the Revised Code, and who indicate an intent to teach in the school district providing the loan. The district board may forgive the obligation to repay any or all of the principal and interest on the loan if the borrower teaches in that school district.

The district board shall adopt rules establishing eligibility criteria, application procedures, procedures for review of applications, loan amounts, interest, repayment schedules, conditions under which principal and interest obligations incurred under the program will be forgiven, and any other matter incidental to the operation of the program.

The board may contract with a private, nonprofit foundation, one or more institutions of higher education, or other educational agencies to administer the program.

The receipt of a loan under this section does not affect a 50430
student's eligibility for assistance, or the amount of such 50431
assistance, granted under section 3315.33, 3333.12, 3333.122, 50432
3333.22, 3333.26, ~~3333.27~~, 5910.04, or 5919.34 of the Revised 50433
Code, but the board's rules may provide for taking such assistance 50434
into consideration when determining a student's eligibility for a 50435
loan under this section. 50436

Sec. 3316.041. (A) Notwithstanding any provision of Chapter 50437
133. or sections 3313.483 to 3313.4811 of the Revised Code, and 50438
subject to the approval of the superintendent of public 50439
instruction, a school district that is in a state of fiscal watch 50440
declared under section 3316.03 of the Revised Code may restructure 50441
or refinance loans obtained or in the process of being obtained 50442
under section 3313.483 of the Revised Code if all of the following 50443
requirements are met: 50444

(1) The operating deficit certified for the school district 50445
for the current or preceding fiscal year under section 3313.483 of 50446
the Revised Code exceeds fifteen per cent of the district's 50447
general revenue fund for the fiscal year preceding the year for 50448
which the certification of the operating deficit is made. 50449

(2) The school district voters have, during the period of the 50450
fiscal watch, approved the levy of a tax under section 718.09, 50451
718.10, 5705.194, 5705.21, or 5748.02 of the Revised Code that is 50452
not a renewal or replacement levy, or a levy under section 50453
5705.199 of the Revised Code, and that will provide new operating 50454
revenue. 50455

(3) The board of education of the school district has adopted 50456
or amended the financial plan required by section 3316.04 of the 50457
Revised Code to reflect the restructured or refinanced loans, and 50458
sets forth the means by which the district will bring projected 50459
operating revenues and expenditures, and projected debt service 50460

obligations, into balance for the life of any such loan. 50461

(B) Subject to the approval of the superintendent of public 50462
instruction, the school district may issue securities to evidence 50463
the restructuring or refinancing authorized by this section. Such 50464
securities may extend the original period for repayment not to 50465
exceed ten years, and may alter the frequency and amount of 50466
repayments, interest or other financing charges, and other terms 50467
or agreements under which the loans were originally contracted, 50468
provided the loans received under sections 3313.483 of the Revised 50469
Code are repaid from funds the district would otherwise receive 50470
under ~~sections 3317.022 to 3317.025~~ Chapter 3306. of the Revised 50471
Code, as required under division (E)(3) of section 3313.483 of the 50472
Revised Code. Securities issued for the purpose of restructuring 50473
or refinancing under this section shall be repaid in equal 50474
payments and at equal intervals over the term of the debt and are 50475
not eligible to be included in any subsequent proposal to 50476
restructure or refinance. 50477

(C) Unless the district is declared to be in a state of 50478
fiscal emergency under division (D) of section 3316.04 of the 50479
Revised Code, a school district shall remain in a state of fiscal 50480
watch for the duration of the repayment period of any loan 50481
restructured or refinanced under this section. 50482

Sec. 3316.06. (A) Within one hundred twenty days after the 50483
first meeting of a school district financial planning and 50484
supervision commission, the commission shall adopt a financial 50485
recovery plan regarding the school district for which the 50486
commission was created. During the formulation of the plan, the 50487
commission shall seek appropriate input from the school district 50488
board and from the community. This plan shall contain the 50489
following: 50490

(1) Actions to be taken to: 50491

(a) Eliminate all fiscal emergency conditions declared to exist pursuant to division (B) of section 3316.03 of the Revised Code; 50492
50493
50494

(b) Satisfy any judgments, past-due accounts payable, and all past-due and payable payroll and fringe benefits; 50495
50496

(c) Eliminate the deficits in all deficit funds, except that any prior year deficits in the textbook and instructional materials fund established pursuant to section 3315.17 of the Revised Code and the capital and maintenance fund established pursuant to section 3315.18 of the Revised Code shall be forgiven; 50497
50498
50499
50500
50501

(d) Restore to special funds any moneys from such funds that were used for purposes not within the purposes of such funds, or borrowed from such funds by the purchase of debt obligations of the school district with the moneys of such funds, or missing from the special funds and not accounted for, if any; 50502
50503
50504
50505
50506

(e) Balance the budget, avoid future deficits in any funds, and maintain on a current basis payments of payroll, fringe benefits, and all accounts; 50507
50508
50509

(f) Avoid any fiscal emergency condition in the future; 50510

(g) Restore the ability of the school district to market long-term general obligation bonds under provisions of law applicable to school districts generally. 50511
50512

(2) The management structure that will enable the school district to take the actions enumerated in division (A)(1) of this section. The plan shall specify the level of fiscal and management control that the commission will exercise within the school district during the period of fiscal emergency, and shall enumerate respectively, the powers and duties of the commission and the powers and duties of the school board during that period. The commission may elect to assume any of the powers and duties of the school board it considers necessary, including all powers 50514
50515
50516
50517
50518
50519
50520
50521
50522

successfully implement the actions described in division (A)(1) of 50524
this section. 50525

(3) The target dates for the commencement, progress upon, and 50526
completion of the actions enumerated in division (A)(1) of this 50527
section and a reasonable period of time expected to be required to 50528
implement the plan. The commission shall prepare a reasonable time 50529
schedule for progress toward and achievement of the requirements 50530
for the plan, and the plan shall be consistent with that time 50531
schedule. 50532

(4) The amount and purpose of any issue of debt obligations 50533
that will be issued, together with assurances that any such debt 50534
obligations that will be issued will not exceed debt limits 50535
supported by appropriate certifications by the fiscal officer of 50536
the school district and the county auditor. Debt obligations 50537
issued pursuant to section 133.301 of the Revised Code shall 50538
include assurances that such debt shall be in an amount not to 50539
exceed the amount certified under division (B) of such section. If 50540
the commission considers it necessary in order to maintain or 50541
improve educational opportunities of pupils in the school 50542
district, the plan may include a proposal to restructure or 50543
refinance outstanding debt obligations incurred by the board under 50544
section 3313.483 of the Revised Code contingent upon the approval, 50545
during the period of the fiscal emergency, by district voters of a 50546
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 50547
5748.02, or 5748.08 of the Revised Code that is not a renewal or 50548
replacement levy, or a levy under section 5705.199 of the Revised 50549
Code, and that will provide new operating revenue. Notwithstanding 50550
any provision of Chapter 133. or sections 3313.483 to 3313.4811 of 50551
the Revised Code, following the required approval of the district 50552
voters and with the approval of the commission, the school 50553
district may issue securities to evidence the restructuring or 50554

refinancing. Those securities may extend the original period for 50555
repayment, not to exceed ten years, and may alter the frequency 50556
and amount of repayments, interest or other financing charges, and 50557
other terms of agreements under which the debt originally was 50558
contracted, at the discretion of the commission, provided that any 50559
loans received pursuant to section 3313.483 of the Revised Code 50560
shall be paid from funds the district would otherwise receive 50561
under ~~sections 3317.022 to 3317.025~~ Chapter 3306. of the Revised 50562
Code, as required under division (E)(3) of section 3313.483 of the 50563
Revised Code. The securities issued for the purpose of 50564
restructuring or refinancing the debt shall be repaid in equal 50565
payments and at equal intervals over the term of the debt and are 50566
not eligible to be included in any subsequent proposal for the 50567
purpose of restructuring or refinancing debt under this section. 50568

(B) Any financial recovery plan may be amended subsequent to 50569
its adoption. Each financial recovery plan shall be updated 50570
annually. 50571

(C) Each school district financial planning and supervision 50572
commission shall submit the financial recovery plan it adopts or 50573
updates under this section to the state superintendent of public 50574
instruction for approval immediately following its adoption or 50575
updating. The state superintendent shall evaluate the plan and 50576
either approve or disapprove it within thirty calendar days from 50577
the date of its submission. If the plan is disapproved, the state 50578
superintendent shall recommend modifications that will render it 50579
acceptable. No financial planning and supervision commission shall 50580
implement a financial recovery plan that is adopted or updated on 50581
or after April 10, 2001, unless the state superintendent has 50582
approved it. 50583

Sec. 3316.20. (A)(1) The school district solvency assistance 50584
fund is hereby created in the state treasury, to consist of such 50585

amounts designated for the purposes of the fund by the general 50586
assembly. The fund shall be used to provide assistance and grants 50587
to school districts to enable them to remain solvent and to pay 50588
~~unforseeable~~ unforeseeable expenses of a temporary or emergency 50589
nature that they are unable to pay from existing resources. 50590

(2) There is hereby created within the fund an account known 50591
as the school district shared resource account, which shall 50592
consist of money appropriated to it by the general assembly. The 50593
money in the account shall be used solely for solvency assistance 50594
to school districts that have been declared under division (B) of 50595
section 3316.03 of the Revised Code to be in a state of fiscal 50596
emergency. 50597

(3) There is hereby created within the fund an account known 50598
as the catastrophic expenditures account, which shall consist of 50599
money appropriated to the account by the general assembly plus all 50600
investment earnings of the fund. Money in the account shall be 50601
used solely for the following: 50602

(a) Solvency assistance to school districts that have been 50603
declared under division (B) of section 3316.03 of the Revised Code 50604
to be in a state of fiscal emergency, in the event that all money 50605
in the shared resource account is utilized for solvency 50606
assistance; 50607

(b) Grants to school districts under division (C) of this 50608
section. 50609

(B) Solvency assistance payments under division (A)(2) or 50610
(3)(a) of this section shall be made from the fund by the 50611
superintendent of public instruction in accordance with rules 50612
adopted by the director of budget and management, after consulting 50613
with the superintendent, specifying approval criteria and 50614
procedures necessary for administering the fund. 50615

The fund shall be reimbursed for any solvency assistance 50616

amounts paid under division (A)(2) or (3)(a) of this section not 50617
later than the end of the second fiscal year following the fiscal 50618
year in which the solvency assistance payment was made. If not 50619
made directly by the school district, such reimbursement shall be 50620
made by the director of budget and management from the amounts the 50621
school district would otherwise receive pursuant to ~~sections~~ 50622
~~3317.022 to 3317.025~~ Chapter 3306. of the Revised Code, or from 50623
any other funds appropriated for the district by the general 50624
assembly. Reimbursements shall be credited to the respective 50625
account from which the solvency assistance paid to the district 50626
was deducted. 50627

(C) The superintendent of public instruction may make 50628
recommendations, and the controlling board may grant money from 50629
the catastrophic expenditures account to any school district that 50630
suffers an unforeseen catastrophic event that severely depletes 50631
the district's financial resources. The superintendent shall make 50632
recommendations for the grants in accordance with rules adopted by 50633
the director of budget and management, after consulting with the 50634
superintendent. A school district shall not be required to repay 50635
any grant awarded to the district under this division, unless the 50636
district receives money from this state or a third party, 50637
including an agency of the government of the United States, 50638
specifically for the purpose of compensating the district for 50639
revenue lost or expenses incurred as a result of the unforeseen 50640
catastrophic event. If a school district receives a grant from the 50641
catastrophic expenditures account on the basis of the same 50642
circumstances for which an adjustment or recomputation is 50643
authorized under section 3317.025, 3317.026, 3317.027, 3317.028, 50644
3317.0210, or 3317.0211 of the Revised Code, the department of 50645
education shall reduce the adjustment or recomputation by an 50646
amount not to exceed the total amount of the grant, and an amount 50647
equal to the reduction shall be transferred, from the funding 50648
source from which the adjustment or recomputation would be paid, 50649

to the catastrophic expenditures account. Any adjustment or 50650
recomputation under such sections that is in excess of the total 50651
amount of the grant shall be paid to the school district. 50652

Sec. 3317.01. As used in this section and section 3317.011 of 50653
the Revised Code, "school district," unless otherwise specified, 50654
means any city, local, exempted village, joint vocational, or 50655
cooperative education school district and any educational service 50656
center. 50657

This chapter shall be administered by the state board of 50658
education. The superintendent of public instruction shall 50659
calculate the amounts payable to each school district and shall 50660
certify the amounts payable to each eligible district to the 50661
treasurer of the district as provided by this chapter. As soon as 50662
possible after such amounts are calculated, the superintendent 50663
shall certify to the treasurer of each school district the 50664
district's adjusted charge-off increase, as defined in section 50665
5705.211 of the Revised Code. No moneys shall be distributed 50666
pursuant to this chapter without the approval of the controlling 50667
board. 50668

The state board of education shall, in accordance with 50669
appropriations made by the general assembly, meet the financial 50670
obligations of this chapter. 50671

~~Annually, the department of education shall calculate and 50672
report to each school district the district's total state and 50673
local funds for providing an adequate basic education to the 50674
district's nondisabled students, utilizing the determination in 50675
section 3317.012 of the Revised Code. In addition, the department 50676
shall calculate and report separately for each school district the 50677
district's total state and local funds for providing an adequate 50678
education for its students with disabilities, utilizing the 50679
determinations in both sections 3317.012 and 3317.013 of the 50680~~

~~Revised Code.~~ 50681

~~Not later than the thirty first day of August of each fiscal year, the department of education shall provide to each school district and county MR/DD board a preliminary estimate of the amount of funding that the department calculates the district will receive under each of divisions (C)(1) and (4) of section 3317.022 of the Revised Code. threshold catastrophic cost for serving the student, the district 51529
may submit to the superintendent of public instruction 51530
documentation, as prescribed by the superintendent, of all its 51531
costs for that student. Upon submission of documentation for a 51532
student of the type and in the manner prescribed, the department 51533

(ii) The product of one-half of the district's costs for the 51538
student in excess of the threshold catastrophic cost multiplied by 51539

(c) The district shall only report under division (C)(3)(a) 51549
of this section, and the department shall only pay for, the costs 51550
of educational expenses and the related services provided to the 51551
student in accordance with the student's individualized education 51552
program. Any legal fees, court costs, or other costs associated 51553

with any cause of action relating to the student may not be 51554

(4)(a) As used in this division, the "personnel allowance" 51556
means thirty thousand dollars in fiscal years 2008 and 2009. 51557

(b) For the provision of speech language pathology services 51558
to students, including students who do not have individualized 51559
education programs prepared for them under Chapter 3323. of the 51560

education shall pay each school district an amount calculated 51562
under the following formula: 51563

(formula ADM divided by 2000) X 51564

the personnel allowance X 51565

the state share percentage 51566

(5) In any fiscal year, a school district shall spend for 51567
purposes that the department designates as approved for special 51568
education and related services expenses at least the amount 51569
calculated as follows: 51570

(formula amount X the sum of categories 51571

one through six special education ADM) + 51572

(total special education weight X formula amount) 51573

The purposes approved by the department for special education 51574
expenses shall include, but shall not be limited to, 51575
identification of children with disabilities, compliance with 51576
state rules governing the education of children with disabilities 51577
and prescribing the continuum of program options for children with 51578
disabilities, provision of speech language pathology services, and 51579
the portion of the school district's overall administrative and 51580
overhead costs that are attributable to the district's special 51581
education student population. 51582

The scholarships deducted from the school district's account 51583
under section 3310.41 of the Revised Code shall be considered to 51584

be an approved special education and related services expense for 51585
the purpose of the school district's compliance with division 51586
(C)(5) of this section. 51587

The department shall require school districts to report data 51588
annually to allow for monitoring compliance with division (C)(5) 51589
of this section. The department shall annually report to the 51590
governor and the general assembly the amount of money spent by 51591
each school district for special education and related services. 51592

(6) In any fiscal year, a school district shall spend for the 51593
provision of speech language pathology services not less than the 51594
sum of the amount calculated under division (C)(1) of this section 51595

ADM and the amount calculated under division (C)(4) of this 51597
section. 51598

(D)(1) As used in this division: 51599

(a) "Daily bus miles per student" equals the number of bus 51600
miles traveled per day, divided by transportation base. 51601

(b) "Transportation base" equals total student count as 51602
defined in section 3301.011 of the Revised Code, minus the number 51603
of students enrolled in units for preschool children with 51604
disabilities, plus the number of nonpublic school students 51605
included in transportation ADM. 51606

(c) "Transported student percentage" equals transportation 51607
ADM divided by transportation base. 51608

(d) "Transportation cost per student" equals total operating 51609
costs for board-owned or contractor-operated school buses divided 51610
by transportation base. 51611

(2) Analysis of student transportation cost data has resulted 51612
in a finding that an average efficient transportation use cost per 51613
student can be calculated by means of a regression formula that 51614

has as its two independent variables the number of daily bus miles 51615
per student and the transported student percentage. For fiscal 51616
year 1998 transportation cost data, the average efficient 51617
transportation use cost per student is expressed as follows: 51618
$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + 51619$$
$$(116.25573 \times \text{transported student percentage}) 51620$$

The department of education shall annually determine the 51621
average efficient transportation use cost per student in 51622
accordance with the principles stated in division (D)(2) of this 51623
section, updating the intercept and regression coefficients of the 51624
regression formula modeled in this division, based on an annual 51625
statewide analysis of each school district's daily bus miles per 51626
student, transported student percentage, and transportation cost 51627
per student data. The department shall conduct the annual update 51628
using data, including daily bus miles per student, transported 51629
student percentage, and transportation cost per student data, from 51630
the prior fiscal year. The department shall notify the office of 51631
budget and management of such update by the fifteenth day of 51632
February of each year. 51633

(3) In addition to funds paid under divisions (A), (C), and 51634
(E) of this section, each district with a transported student 51635
percentage greater than zero shall receive a payment equal to a 51636
percentage of the product of the district's transportation base 51637
from the prior fiscal year times the annually updated average 51638
efficient transportation use cost per student, times an inflation 51639
factor of two and eight-tenths per cent to account for the 51640
one-year difference between the data used in updating the formula 51641
and calculating the payment and the year in which the payment is 51642
made. The percentage shall be the following percentage of that 51643
product specified for the corresponding fiscal year: 51644

FISCAL YEAR	PERCENTAGE	
2000	52.5%	51645 51646

2001	55%	51647
2002	57.5%	51648
2003 and thereafter	The greater of 60% or the district's state share percentage	51649

The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula.

(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply:

(a) Its county rough road percentage is higher than the statewide rough road percentage, as those terms are defined in division (D)(5) of this section;

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division.

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula:

$$\begin{aligned} & (\text{per rough mile subsidy} \times \text{total rough road miles}) \\ & \quad \times \text{density multiplier} \end{aligned}$$

where:

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula:

$$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$$

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state.

(ii) "County rough road percentage" equals the percentage of

the mileage of state, municipal, county, and township roads that 51675
is rated by the department of transportation as type A, B, C, E2, 51676
or F in the county in which the school district is located or, if 51677
the district is located in more than one county, the county to 51678
which it is assigned for purposes of determining its 51679
cost-of-doing-business factor. 51680

(iii) "Statewide rough road percentage" means the percentage 51681
of the statewide total mileage of state, municipal, county, and 51682
township roads that is rated as type A, B, C, E2, or F by the 51683
department of transportation. 51684

(b) "Total rough road miles" means a school district's total 51685
bus miles traveled in one year times its county rough road 51686
percentage. 51687

(c) "Density multiplier" means a figure calculated in 51688
accordance with the following formula: 51689

$$1 - \left[\frac{\text{minimum student density} - \text{district student}}{\text{minimum student density} - \text{statewide student density}} \right]$$

51690
51691
51692

(i) "Minimum student density" means the lowest district 51693
student density in the state. 51694

(ii) "District student density" means a school district's 51695
transportation base divided by the number of square miles in the 51696
district. 51697

(iii) "Statewide student density" means the sum of the 51698
transportation bases for all school districts divided by the sum 51699
of the square miles in all school districts. 51700

(6) In addition to funds paid under divisions (D)(2) to (5) 51701
of this section, each district shall receive in accordance with 51702
rules adopted by the state board of education a payment for 51703
students transported by means other than board-owned or 51704
contractor-operated buses and whose transportation is not funded 51705

under division (G) of section 3317.024 of the Revised Code. The 51706
rules shall include provisions for school district reporting of 51707
such students. 51708

(E)(1) The department shall compute and distribute state 51709
vocational education additional weighted costs funds to each 51710
school district in accordance with the following formula: 51711

state share percentage X 51712
the formula amount X 51713
total vocational education weight 51714

In any fiscal year, a school district receiving funds under 51715
division (E)(1) of this section shall spend those funds only for 51716
the purposes that the department designates as approved for 51717
vocational education expenses. Vocational educational expenses 51718
approved by the department shall include only expenses connected 51719
to the delivery of career-technical programming to 51720
career-technical students. The department shall require the school 51721
district to report data annually so that the department may 51722
monitor the district's compliance with the requirements regarding 51723
the manner in which funding received under division (E)(1) of this 51724
section may be spent. 51725

(2) The department shall compute for each school district 51726
state funds for vocational education associated services in 51727
accordance with the following formula: 51728

state share percentage X .05 X the formula amount X 51729
the sum of categories one and two vocational education ADM 51730

In any fiscal year, a school district receiving funds under 51731
division (E)(2) of this section, or through a transfer of funds 51732
pursuant to division (L) of section 3317.023 of the Revised Code, 51733
shall spend those funds only for the purposes that the department 51734
designates as approved for vocational education associated 51735
services expenses, which may include such purposes as 51736
apprenticeship coordinators, coordinators for other vocational 51737

education services, vocational evaluation, and other purposes 51738
designated by the department. The department may deny payment 51739
under division (E)(2) of this section to any district that the 51740
department determines is not operating those services or is using 51741
funds paid under division (E)(2) of this section, or through a 51742
transfer of funds pursuant to division (L) of section 3317.023 of 51743
the Revised Code, for other purposes. 51744

(F) The actual local share in any fiscal year for the 51745
combination of special education and related services additional 51746
weighted costs funding calculated under division (C)(1) of this 51747
section, transportation funding calculated under divisions (D)(2) 51748
and (3) of this section, and vocational education and associated 51749
services additional weighted costs funding calculated under 51750
divisions (E)(1) and (2) of this section shall not exceed for any 51751
school district the product of three and three-tenths mills times 51752
the district's recognized valuation. The department annually shall 51753
pay each school district as an excess cost supplement any amount 51754
by which the sum of the district's attributed local shares for 51755
that funding exceeds that product. For purposes of calculating the 51756
excess cost supplement: 51757

(1) The attributed local share for special education and 51758
related services additional weighted costs funding is the amount 51759
specified in division (C)(2) of this section. 51760

(2) The attributed local share of transportation funding 51761
equals the difference of the total amount calculated for the 51762
district using the formula developed under division (D)(2) of this 51763
section minus the actual amount paid to the district after 51764
applying the percentage specified in division (D)(3) of this 51765
section. 51766

(3) The attributed local share of vocational education and 51767
associated services additional weighted costs funding is the 51768
amount determined as follows: 51769

(1 - state share percentage) X 51770
[(total vocational education weight X 51771
the formula amount) + the payment under 51772
division (E)(2) of this section] 51773

Sec. 3317.023. (A) ~~Notwithstanding section 3317.022 of the~~ 51774
~~Revised Code, the~~ The amounts required to be paid to a district 51775
under this chapter and Chapter 3306. of the Revised Code shall be 51776
adjusted by the amount of the computations made under divisions 51777
(B) to (N) of this section. The department of education shall not 51778
make payments or adjustments under divisions (B), (C), and (D) of 51779

(B) If the district employs less than one full-time 51820
equivalent classroom teacher for each twenty-five pupils in the 51821
regular student population in any school district, deduct the sum 51822
of the amounts obtained from the following computations: 51823

(1) Divide the number of the district's full-time equivalent 51824

following computations if the district employs fewer than five 51852
full-time equivalent educational service personnel, including 51853
elementary school art, music, and physical education teachers, 51854
counselors, librarians, visiting teachers, school social workers, 51855
and school nurses for each one thousand pupils in the regular 51856

funding" for any school district means the sum of the district's 52326
attributed local shares described in divisions (F)(1) to (3) of 52327
section 3317.022 of the Revised Code. Beginning in fiscal year 52328

2003, the "actual local share of special education,
transportation, and vocational education funding" means that sum
minus the amount of any excess cost supplement payment calculated
for the district under division (F) of section 3317.022 of the
Revised Code.

(B) Upon receiving the certifications under section 3317.021
of the Revised Code, the department of education shall determine
for each city, local, and exempted village school district whether
the district's charge-off amount is greater than the district's
total taxes charged and payable for current expenses, and if the
charge-off amount is greater, shall pay the district the amount of
the difference. A payment shall not be made to any school district
for which the computation under division (A) of section 3317.022
of the Revised Code equals zero.

(C)(1) If a district's charge-off amount is equal to or
greater than its total taxes charged and payable for current
expenses, the department shall, in addition to the payment
required under division (B) of this section, pay the district the
amount of its actual local share of special education,
transportation, and vocational education funding.

(2) If a district's charge-off amount is less than its total
taxes charged and payable for current expenses, the department
shall pay the district any amount by which its actual local share
of special education, transportation, and vocational education
funding exceeds its total taxes charged and payable for current
expenses minus its charge-off amount.

(D) If a school district that received a payment under
division (B) or (C) of this section in the prior fiscal year is
ineligible for payment under those divisions in the current fiscal
year, the department shall determine if the ineligibility is the
result of a property tax or income tax levy approved by the
district's voters to take effect in tax year 2005 or thereafter.

If the department determines that is the case, and calculates that the levy causing the ineligibility exceeded by at least one mill the equivalent millage of the prior year's payment under divisions (B) and (C) of this section, the department shall make a payment to the district for the first three years that the district loses eligibility for payment under divisions (B) and (C) of this section, as follows:

(1) In the first year of ineligibility, the department shall pay the district seventy-five per cent of the amount it last paid the district under divisions (B) and (C) of this section.

(2) In the second year of ineligibility, the department shall pay the district fifty per cent of the amount it last paid the district under those divisions.

(3) In the third year of ineligibility, the department shall pay the district twenty-five per cent of the amount it last paid the district under those divisions.

(E) A district that receives payment under division (D) of this section and subsequently qualifies for payment under division (B) or (C) of this section is ineligible for future payments under division (D) of this section.

(F) To enable the department of education to make the determinations and to calculate payments under division (D) of this section, on March 30, 2006, and on or before the first day of March of each year thereafter, the department shall send to the tax commissioner a list of school districts receiving payments under division (B) or (C) of this section for the current fiscal year. On or before the first day of the following June, the tax commissioner shall certify to the department of education for those school districts the information required by division (A)(8) of section 3317.021 of the Revised Code.

for the year under that division, the superintendent of schools of 52892
any city, exempted village, or cooperative education school 52893
district or educational service center shall make the 52894
certifications required by this section for that day. If the 52895

chapter and Chapter 3306. of the Revised Code for the entire 52914
fiscal year on the basis of that adjusted formula ADM. This 52915
requirement applies regardless of whether the student was 52916
enrolled, as defined in division (E) of this section, in ~~the~~ 52917
~~community school or~~ the science, technology, engineering, and 52918
mathematics school during the week for which the formula ADM is 52919
being certified. 52920

that division, the superintendent shall make the certification 52973
required by this section for that day. 52974

(b) If the department determines that additional classes or 52975

Revised Code, and for no other purpose, the department shall pay 53590
each joint vocational school district an amount calculated under 53591

(total special education weight X 53602

The purposes approved by the department for special education 53604

division (D)(2) of this section. 53624

(E)(1) If a joint vocational school district's costs for a 53625

serving the student, as specified in division (C)(3)(b) of section 53628
3317.022 of the Revised Code, the district may submit to the 53629
superintendent of public instruction documentation, as prescribed 53630
by the superintendent, of all of its costs for that student. Upon 53631
submission of documentation for a student of the type and in the 53632
manner prescribed, the department shall pay to the district an 53633
amount equal to the sum of the following: 53634

(a) One-half of the district's costs for the student in 53635
excess of the threshold catastrophic cost; 53636

(2) The district shall only report under division (E)(1) of this section, and the department shall only pay for, the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount.

(2) For each student with a disability receiving special education and related services under an individualized education program, as defined in section 3323.01 of the Revised Code, at a joint vocational district, the resident district or, if the student is enrolled in a community school, the community school shall be responsible for the amount of any costs of providing those special education and related services to that student that exceed the sum of the amount calculated for those services attributable to that student under divisions (B), (D), (E), and (G)(1) of this section.

Those excess costs shall be calculated by subtracting the sum of the following from the actual cost to provide special education

and related services to the student:	53668
(a) The formula amount;	53669
(b) The product of the formula amount times the applicable multiple specified in section 3317.013 <u>3306.11</u> of the Revised Code;	53670 53671 53672
(c) Any funds paid under division (E) of this section for the student;	53673 53674

133. securities," "credit enhancement facilities," "debt charges," 53698
"general obligation," "legislation," "public obligations," and 53699
"securities" have the same meanings as in section 133.01 of the 53700
Revised Code. 53701

(B) The board of education of any school district authorizing 53702
the issuance of securities under section 133.10, 133.301, or 53703
3313.372 of the Revised Code or general obligation Chapter 133. 53704
securities may adopt legislation requesting the state department 53705
of education to approve, and enter into an agreement with the 53706
school district and the primary paying agent or fiscal agent for 53707
such securities providing for, the withholding and deposit of 53708
funds, otherwise due the district under ~~Chapter~~ Chapters 3306. and 53709
3317. of the Revised Code, for the payment of debt service charges 53710
on such securities. 53711

The board of education shall deliver to the state department 53712
a copy of such resolution and any additional pertinent information 53713
the state department may require. 53714

The department of education and the office of budget and 53715
management shall evaluate each request received from a school 53716
district under this section and the department, with the advice 53717
and consent of the director of budget and management, shall 53718
approve or deny each request based on all of the following: 53719

(1) Whether approval of the request will enhance the 53720
marketability of the securities for which the request is made; 53721

(2) Any other pertinent factors or limitations established in 53722
rules made under division (I) of this section, including: 53723

(a) Current and projected obligations of funds due to the 53724
requesting school district under ~~Chapter~~ Chapters 3306. and 3317. 53725
of the Revised Code including obligations of those funds to public 53726
obligations or relevant credit enhancement facilities under this 53727
section, Chapter 133. and section 3313.483 of the Revised Code, 53728

and under any other similar provisions of law; 53729

(b) Whether the department of education or the office of 53730
budget and management has any reason to believe the requesting 53731
school district will be unable to pay when due the debt charges on 53732
the securities for which the request is made. 53733

The department may require a school district to establish 53734
schedules for the payment of all debt charges that take into 53735
account the amount and timing of anticipated distributions of 53736
funds to the district under Chapter 3317. of the Revised Code. 53737

(C) If the department approves the request of a school 53738
district to withhold and deposit funds pursuant to this section, 53739
the department shall enter into a written agreement with the 53740
district and the primary paying agent or fiscal agent for the 53741
securities which shall provide for the withholding of funds 53742
pursuant to this section for the payment of debt charges on those 53743
securities, and may include both of the following: 53744

(1) Provisions for certification by the district to the 53745
department, at a time prior to any date for the payment of 53746
applicable debt charges, whether the district is able to pay those 53747
debt charges when due; 53748

(2) Requirements that the district deposit amounts for the 53749
payment of debt charges on the securities with the primary paying 53750
agent or fiscal agent for the securities prior to the date on 53751
which those debt charge payments are due to the owners or holders 53752
of the securities. 53753

(D) Whenever a district notifies the department of education 53754
that it will be unable to pay debt charges when they are due, 53755
subject to the withholding provisions of this section, or whenever 53756
the applicable paying agent or fiscal agent notifies the 53757
department that it has not timely received from a school district 53758
the full amount needed for the payment when due of those debt 53759

charges to the holders or owners of such securities, the 53760
department shall immediately contact the school district and the 53761
paying agent or fiscal agent to confirm or determine whether the 53762
district is unable to make the required payment by the date on 53763
which it is due. 53764

Upon demand of the treasurer of state while holding a school 53765
district obligation purchased under division (G)(1) of section 53766
135.143 of the Revised Code, the state department of education, 53767
without a request of the school district, shall withhold and 53768
deposit funds pursuant to this section for payment of debt service 53769
charges on that obligation. 53770

If the department confirms or determines that the district 53771
will be unable to make such payment and payment will not be made 53772
pursuant to a credit enhancement facility, the department shall 53773
promptly pay to the applicable primary paying agent or fiscal 53774
agent the lesser of the amount due for debt charges or the amount 53775
due the district for the remainder of the fiscal year under 53776
Chapter 3317. of the Revised Code. If this amount is insufficient 53777
to pay the total amount then due the agent for the payment of debt 53778
charges, the department shall pay to the agent each fiscal year 53779
thereafter, and until the full amount due the agent for unpaid 53780
debt charges is paid in full, the lesser of the remaining amount 53781
due the agent for debt charges or the amount due the district for 53782
the fiscal year under Chapter 3317. of the Revised Code. 53783

(E) The state department may make any payments under this 53784
division by direct deposit of funds by electronic transfer. 53785

Any amount received by a paying agent or fiscal agent under 53786
this section shall be applied only to the payment of debt charges 53787
on the securities of the school district subject to this section 53788
or to the reimbursement to the provider of a credit enhancement 53789
facility that has paid such debt charges. 53790

(F) To the extent a school district whose securities are 53791
subject to this section is unable to pay applicable debt charges 53792
because of the failure to collect property taxes levied for the 53793
payment of those debt charges, the district may transfer to or 53794
deposit into any fund that would have received payments under 53795
~~Chapter 3306.~~ or 3317. of the Revised Code that were withheld 53796
under this section any such delinquent property taxes when later 53797
collected, provided that transfer or deposit shall be limited to 53798
the amounts withheld from that fund under this section. 53799

(G) The department may make payments under this section to 53800
paying agents or fiscal agents only from and to the extent that 53801
money is appropriated by the general assembly for Chapter 3317. of 53802
the Revised Code or for the purposes of this section. No 53803
securities of a school district to which this section is made 53804
applicable constitute an obligation or a debt or a pledge of the 53805
faith, credit, or taxing power of the state, and the holders or 53806
owners of such securities have no right to have taxes levied or 53807
appropriations made by the general assembly for the payment of 53808
debt charges on those securities, and those securities, if the 53809
department requires, shall contain a statement to that effect. The 53810
agreement for or the actual withholding and payment of moneys 53811
under this section does not constitute the assumption by the state 53812
of any debt of a school district. 53813

(H) In the case of securities subject to the withholding 53814
provisions of this section, the issuing board of education shall 53815
appoint a paying agent or fiscal agent who is not an officer or 53816
employee of the school district. 53817

(I) The department of education, with the advice of the 53818
office of budget and management, may adopt reasonable rules not 53819
inconsistent with this section for the implementation of this 53820
section and division (B) of section 133.25 of the Revised Code as 53821
it relates to the withholding and depositing of payments under 53822

~~Chapter~~ Chapters 3306. and 3317. of the Revised Code to secure 53823
payment of debt charges on school district securities. Those rules 53824
shall include criteria for the evaluation and approval or denial 53825
of school district requests for withholding under this section and 53826
limits on the obligation for the purpose of paying debt charges or 53827
reimbursing credit enhancement facilities of funds otherwise to be 53828
paid to school districts under Chapter 3317. of the Revised Code. 53829

(J) The authority granted by this section is in addition to 53830
and not a limitation on any other authorizations granted by or 53831
pursuant to law for the same or similar purposes. 53832

Sec. 3317.20. This section does not apply to preschool 53833
children with disabilities. 53834

(A) As used in this section: 53835

(1) "Applicable weight" means the multiple specified in 53836
section ~~3317.013~~ 3306.11 of the Revised Code for a disability 53837
described in that section. 53838

(2) "Child's school district" means the school district in 53839
which a child is entitled to attend school pursuant to section 53840
3313.64 or 3313.65 of the Revised Code. 53841

~~(3) "State share percentage" means the state share percentage 53842
of the child's school district as defined in section 3317.022 of 53843
the Revised Code. 53844~~

(B) Except as provided in division (C) of this section, the 53845
department shall annually pay each county MR/DD board for each 53846
child with a disability, other than a preschool child with a 53847
disability, for whom the county MR/DD board provides special 53848
education and related services an amount equal to the formula 53849
amount + (state share percentage X formula amount X the applicable 53850
weight). 53851

(C) If any school district places with a county MR/DD board 53852

more children with disabilities than it had placed with a county MR/DD board in fiscal year 1998, the department shall not make a payment under division (B) of this section for the number of children exceeding the number placed in fiscal year 1998. The department instead shall deduct from the district's payments under this chapter and Chapter 3306. of the Revised Code, and pay to the county MR/DD board, an amount calculated in accordance with the formula prescribed in division (B) of this section for each child over the number of children placed in fiscal year 1998.

(D) The department shall calculate for each county MR/DD board receiving payments under divisions (B) and (C) of this section the following amounts:

(1) The amount received by the county MR/DD board for approved special education and related services units, other than units for preschool children with disabilities, in fiscal year 1998, divided by the total number of children served in the units that year;

(2) The product of the quotient calculated under division (D)(1) of this section times the number of children for whom payments are made under divisions (B) and (C) of this section.

If the amount calculated under division (D)(2) of this section is greater than the total amount calculated under divisions (B) and (C) of this section, the department shall pay the county MR/DD board one hundred per cent of the difference in addition to the payments under divisions (B) and (C) of this section.

(E) Each county MR/DD board shall report to the department, in the manner specified by the department, the name of each child for whom the county MR/DD board provides special education and related services and the child's school district.

(F)(1) For the purpose of verifying the accuracy of the 53884
payments under this section, the department may request from 53885
either of the following entities the data verification code 53886
assigned under division (D)(2) of section 3301.0714 of the Revised 53887
Code to any child who is placed with a county MR/DD board: 53888

(a) The child's school district; 53889

(b) The independent contractor engaged to create and maintain 53890
data verification codes. 53891

(2) Upon a request by the department under division (F)(1) of 53892
this section for the data verification code of a child, the 53893
child's school district shall submit that code to the department 53894
in the manner specified by the department. If the child has not 53895
been assigned a code, the district shall assign a code to that 53896
child and submit the code to the department by a date specified by 53897
the department. If the district does not assign a code to the 53898
child by the specified date, the department shall assign a code to 53899
the child. 53900

The department annually shall submit to each school district 53901
the name and data verification code of each child residing in the 53902
district for whom the department has assigned a code under this 53903
division. 53904

(3) The department shall not release any data verification 53905
code that it receives under division (F) of this section to any 53906
person except as provided by law. 53907

(G) Any document relative to special education and related 53908
services provided by a county MR/DD board that the department 53909
holds in its files that contains both a student's name or other 53910
personally identifiable information and the student's data 53911
verification code shall not be a public record under section 53912
149.43 of the Revised Code. 53913

Sec. 3317.201. This section does not apply to preschool 53914
children with disabilities. 53915

(A) As used in this section, the "total special education 53916
weight" for an institution means the sum of the following amounts: 53917

(1) The number of children reported by the institution under 53918
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53919
receiving services for a disability described in division 53920

multiplied by the multiple specified in that division; 53927

(3) The number of children reported by the institution under 53928
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53929
receiving services for a disability described in division 53930
~~(C)~~(D)(3) of section ~~3317.013~~ 3306.02 of the Revised Code 53931
multiplied by the multiple specified in that division; 53932

(4) The number of children reported by the institution under 53933
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53934
receiving services for a disability described in division (D)(4) 53935
of section ~~3317.013~~ 3306.02 of the Revised Code multiplied by the 53936
multiple specified in that division; 53937

(5) The number of children reported by the institution under 53938
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53939
receiving services for a disability described in division 53940
~~(E)~~(D)(5) of section ~~3317.013~~ 3306.02 of the Revised Code 53941
multiplied by the multiple specified in that division; 53942

(6) The number of children reported by the institution under 53943

division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53944

multiplied by the multiple specified in that division. 53947

(B) For each fiscal year, the department of education shall 53948
pay each state institution required to provide special education 53949
services under division (A) of section 3323.091 of the Revised 53950
Code an amount equal to the greater of: 53951

(1) The formula amount times the institution's total special 53952
education weight; 53953

(2) The aggregate amount of special education and related 53954
services unit funding the institution received for all children 53955
with disabilities other than preschool children with disabilities 53956
in fiscal year 2005 under sections 3317.052 and 3317.053 of the 53957
Revised Code, as those sections existed prior to June 30, 2005. 53958

Sec. 3318.011. For purposes of providing assistance under 53959
sections 3318.01 to 3318.20 of the Revised Code, the department of 53960
education shall annually do all of the following: 53961

(A) Calculate the adjusted valuation per pupil of each city, 53962
local, and exempted village school district according to the 53963
following formula: 53964

The district's valuation per pupil - 53965

[\$30,000 X (1 - the district's income factor)]. 53966

For purposes of this calculation: 53967

~~(1)(a) Except for a district with an open enrollment net gain~~ 53968
~~that is ten per cent or more of its formula ADM as provided in~~ 53969
~~division (A)(1)(b) of this section, "valuation per pupil" for a~~ 53970
district means its average taxable value, divided by its formula 53971
ADM for the previous fiscal year. ~~"Valuation per pupil,"~~ 53972

(b) For calculations in which the formula ADM reported for 53973

fiscal year 2009 or earlier is a factor, for a district with an 53974
open enrollment net gain that is ten per cent or more of its 53975
formula ADM, "valuation per pupil" means its average taxable 53976
value, divided by the sum of its formula ADM for the previous 53977
fiscal year plus its open enrollment net gain for the previous 53978
fiscal year. 53979

Consideration of net open enrollment gain is not added to the 53980
calculation of valuation per pupil for calculations in which the 53981
formula ADM is reported for a fiscal year after fiscal year 2009, 53982
to account for the fact that beginning with the report of formula 53983
ADM in October 2009 open enrollment students are counted in the 53984
formula ADM of the school districts in which they are enrolled. 53985

(2) "Average taxable value" means the average of the amounts 53986
certified for a district in the second, third, and fourth 53987
preceding fiscal years under divisions (A)(1) and (2) of section 53988
3317.021 of the Revised Code. 53989

(3) "Entitled to attend school" means entitled to attend 53990
school in a city, local, or exempted village school district under 53991
section 3313.64 or 3313.65 of the Revised Code. 53992

(4) "Formula ADM" and "income factor" have the same meanings 53993
as in section 3317.02 of the Revised Code. 53994

(5) "Native student" has the same meaning as in section 53995
3313.98 of the Revised Code. 53996

(6) "Open enrollment net gain" for a district means (a) the 53997
number of the students entitled to attend school in another 53998
district but who are enrolled in the schools of the district under 53999
its open enrollment policy minus (b) the number of the district's 54000
native students who are enrolled in the schools of another 54001
district under the other district's open enrollment policy, both 54002
numbers as certified to the department under section 3313.981 of 54003
the Revised Code. If the difference is a negative number, the 54004

district's "open enrollment net gain" is zero. 54005

(7) "Open enrollment policy" means an interdistrict open 54006
enrollment policy adopted under section 3313.98 of the Revised 54007
Code. 54008

(B) Calculate for each district the three-year average of the 54009

an agreement under which the board, in each of twenty-three 54039
consecutive years beginning in the year in which the board and the 54040
commission enter into the project agreement under section 3318.08 54041
of the Revised Code, shall transfer into the maintenance fund 54042

to the auditor of state's satisfaction that the board has made the 54060
deposit required in the notice, the auditor of state shall notify 54061
the department of education. At that time, the department shall 54062

classroom facilities acquired under the district's project and 54085
that levy continues to be collected as approved by the electors. 54086

of that tax beyond the expiration of that tax as originally 54102
approved under that section. The school district board may include 54103
in the resolution a proposal to extend the term of that tax at the 54104
rate of not less than one-half mill for each dollar of valuation 54105
for a period of twenty-three years from the year in which the 54106
school district board and the Ohio school facilities commission 54107
enter into an agreement under division (B)(2) of section 3318.04 54108
of the Revised Code or in the following year, as specified in the 54109

~~in which the last segment is undertaken.~~ Such a resolution may be 54112
adopted at any time before such an agreement is entered into and 54113
before the tax levied pursuant to section 3318.06 of the Revised 54114
Code expires. If the resolution is combined with a resolution to 54115
issue bonds to pay the school district's portion of the basic 54116

(A)(1), (2), and (3) of section 3318.06 of the Revised Code, 54118
except that the resolution also shall state that the tax levy 54119
proposed in the resolution is an extension of an existing tax 54120

adopted under this section does not take effect until it is 54122
approved by a majority of electors voting in favor of the 54123
resolution at a general, primary, or special election as provided 54124
in this section. 54125

A tax levy extended under this section is subject to the same 54126
terms and limitations to which the original tax levied under 54127
section 3318.06 of the Revised Code is subject under that section, 54128
except the term of the extension shall be as specified in this 54129
section. 54130

The school district board shall certify a copy of the 54131
 resolution adopted under this section to the proper county board 54132
 of elections not later than seventy-five days before the date set 54133
 in the resolution as the date of the election at which the 54134

Section 3318.07 of the Revised Code applies to ballot 54154
 questions under this section. 54155

Sec. 3318.08. Except in the case of a joint vocational school 54156
 district that receives assistance under sections 3318.40 to 54157
 3318.45 of the Revised Code, if the requisite favorable vote on 54158
 the election is obtained, or if the school district board has 54159
 resolved to apply the proceeds of a property tax levy or the 54160

proceeds of an income tax, or a combination of proceeds from such 54161
taxes, as authorized in section 3318.052 of the Revised Code, the 54162
Ohio school facilities commission, upon certification to it of 54163
either the results of the election or the resolution under section 54164
3318.052 of the Revised Code, shall enter into a written agreement 54165
with the school district board for the construction and sale of 54166
the project. In the case of a joint vocational school district 54167
that receives assistance under sections 3318.40 to 3318.45 of the 54168
Revised Code, if the school district board of education and the 54169
school district electors have satisfied the conditions prescribed 54170
in division (D)(1) of section 3318.41 of the Revised Code, the 54171
commission shall enter into an agreement with the school district 54172
board for the construction and sale of the project. In either 54173
case, the agreement shall include, but need not be limited to, the 54174
following provisions: 54175

(A) The sale and issuance of bonds or notes in anticipation 54176
thereof, as soon as practicable after the execution of the 54177
agreement, in an amount equal to the school district's portion of 54178
the basic project cost, including any securities authorized under 54179
division (J) of section 133.06 of the Revised Code and dedicated 54180
by the school district board to payment of the district's portion 54181
of the basic project cost of the project; provided, that if at 54182
that time the county treasurer of each county in which the school 54183
district is located has not commenced the collection of taxes on 54184
the general duplicate of real and public utility property for the 54185
year in which the controlling board approved the project, the 54186
school district board shall authorize the issuance of a first 54187
installment of bond anticipation notes in an amount specified by 54188
the agreement, which amount shall not exceed an amount necessary 54189
to raise the net bonded indebtedness of the school district as of 54190
the date of the controlling board's approval to within five 54191
thousand dollars of the required level of indebtedness for the 54192
preceding year. In the event that a first installment of bond 54193

anticipation notes is issued, the school district board shall, as 54194
soon as practicable after the county treasurer of each county in 54195
which the school district is located has commenced the collection 54196
of taxes on the general duplicate of real and public utility 54197
property for the year in which the controlling board approved the 54198
project, authorize the issuance of a second and final installment 54199
of bond anticipation notes or a first and final issue of bonds. 54200

The combined value of the first and second installment of 54201
bond anticipation notes or the value of the first and final issue 54202
of bonds shall be equal to the school district's portion of the 54203
basic project cost. The proceeds of any such bonds shall be used 54204
first to retire any bond anticipation notes. Otherwise, the 54205
proceeds of such bonds and of any bond anticipation notes, except 54206
the premium and accrued interest thereon, shall be deposited in 54207
the school district's project construction fund. In determining 54208
the amount of net bonded indebtedness for the purpose of fixing 54209
the amount of an issue of either bonds or bond anticipation notes, 54210
gross indebtedness shall be reduced by moneys in the bond 54211
retirement fund only to the extent of the moneys therein on the 54212
first day of the year preceding the year in which the controlling 54213
board approved the project. Should there be a decrease in the tax 54214
valuation of the school district so that the amount of 54215
indebtedness that can be incurred on the tax duplicates for the 54216
year in which the controlling board approved the project is less 54217
than the amount of the first installment of bond anticipation 54218
notes, there shall be paid from the school district's project 54219
construction fund to the school district's bond retirement fund to 54220
be applied against such notes an amount sufficient to cause the 54221
net bonded indebtedness of the school district, as of the first 54222
day of the year following the year in which the controlling board 54223
approved the project, to be within five thousand dollars of the 54224
required level of indebtedness for the year in which the 54225
controlling board approved the project. The maximum amount of 54226

indebtedness to be incurred by any school district board as its 54227
share of the cost of the project is either an amount that will 54228
cause its net bonded indebtedness, as of the first day of the year 54229
following the year in which the controlling board approved the 54230
project, to be within five thousand dollars of the required level 54231
of indebtedness, or an amount equal to the required percentage of 54232
the basic project costs, whichever is greater. All bonds and bond 54233
anticipation notes shall be issued in accordance with Chapter 133. 54234
of the Revised Code, and notes may be renewed as provided in 54235
section 133.22 of the Revised Code. 54236

(B) The transfer of such funds of the school district board 54237
available for the project, together with the proceeds of the sale 54238
of the bonds or notes, except premium, accrued interest, and 54239
interest included in the amount of the issue, to the school 54240
district's project construction fund; 54241

(C) For all school districts except joint vocational school 54242
districts that receive assistance under sections 3318.40 to 54243
3318.45 of the Revised Code, the following provisions as 54244
applicable: 54245

improvements, or the proceeds of a school district income tax 54250
levied under Chapter 5748. of the Revised Code, or the proceeds 54251
from a combination of those two taxes, in an amount to pay all or 54252
part of the service charges on bonds issued to pay the school 54253

part of the tax required under division (B) of section 3318.05 of 54255
the Revised Code; 54256

(2) If section 3318.052 of the Revised Code does not apply, 54257
one of the following: 54258

(B) of section 3318.05 of the Revised Code, the commission has 54269
approved the transfer of money to the maintenance fund in 54270
accordance with section 3318.051 of the Revised Code, a 54271
requirement that the district board comply with the provisions 54272
prescribed under that section. The district board may rescind the 54273
provision prescribed under division (C)(2)(c) of this section only 54274
so long as the electors of the district have approved, in 54275
accordance with section 3318.063 of the Revised Code, the levy of 54276
a tax for the maintenance of the classroom facilities acquired 54277
under the district's project and that levy continues to be 54278

(E) Dedication of any local donated contribution as provided 54285
for under section 3318.084 of the Revised Code, including a 54286

section 3318.05 of the Revised Code as required under division 54289
(D)(2) of section 3318.084 of the Revised Code; 54290

any obligations issued for the project under section 3318.26 of 54296
the Revised Code are no longer outstanding; 54297

risks as the commission shall require; provided, that the cost of 54302
any required insurance until the project is completed shall be a 54303
part of the basic project cost; 54304

(a) "Ohio school facilities commission," "classroom 54406
facilities," "school district," "school district board," "net 54407
bonded indebtedness," "required percentage of the basic project 54408
costs," "basic project cost," "valuation," and "percentile" have 54409
the same meanings as in section 3318.01 of the Revised Code. 54410

(b) "Required level of indebtedness" means five per cent of 54411
the school district's valuation for the year preceding the year in 54412
which the commission and school district enter into an agreement 54413
under division (B) of this section, plus [two one-hundredths of 54414

one per cent multiplied by (the percentile in which the district ranks minus one)].

(c) "Local resources" means any moneys generated in any manner permitted for a school district board to raise the school district portion of a project undertaken with assistance under sections 3318.01 to 3318.20 of the Revised Code.

(2) For purposes of determining ~~either~~ the required level of indebtedness, ~~as defined in division (A)(1)(b) of this section, or~~ the required percentage of the basic project costs, under division (C)(1) of this section, and priority for assistance under sections 3318.01 to 3318.20 of the Revised Code, the percentile ranking of a school district with which the commission has entered into an agreement under this section between the first day of July and the thirty-first day of August in each fiscal year is the percentile ranking calculated for that district for the immediately preceding fiscal year, and the percentile ranking of a school district with which the commission has entered into such agreement between the first day of September and the thirtieth day of June in each fiscal year is the percentile ranking calculated for that district for the current fiscal year.

(B)(1) There is hereby established the school building assistance expedited local partnership program. Under the program, the Ohio school facilities commission may enter into an agreement with the school district board of any school district under which the school district board may proceed with the new construction or major repairs of a part of the school district's classroom facilities needs, as determined under sections 3318.01 to 3318.20 of the Revised Code, through the expenditure of local resources prior to the school district's eligibility for state assistance under those ~~sections 3318.01 to 3318.20 of the Revised Code~~ and may apply that expenditure toward meeting the school district's portion of the basic project cost of the total of the school

district's classroom facilities needs, as determined under 54447
sections 3318.01 to 3318.20 of the Revised Code and as 54448
recalculated under division (E) of this section, that are eligible 54449
for state assistance under sections 3318.01 to 3318.20 of the 54450
Revised Code when the school district becomes eligible for ~~such~~ 54451
~~state~~ that assistance. Any school district that is reasonably 54452
expected to receive assistance under sections 3318.01 to 3318.20 54453
of the Revised Code within two fiscal years from the date the 54454
school district adopts its resolution under division (B) of this 54455
section shall not be eligible to participate in the program 54456
established under this section. 54457

(2) To participate in the program, a school district board 54458
shall first adopt a resolution certifying to the commission the 54459
board's intent to participate in the program. 54460

The resolution shall specify the approximate date that the 54461
board intends to seek elector approval of any bond or tax measures 54462
or to apply other local resources to use to pay the cost of 54463
classroom facilities to be constructed under this section. The 54464
resolution may specify the application of local resources or 54465
elector-approved bond or tax measures after the resolution is 54466
adopted by the board, and in such case the board may proceed with 54467
a discrete portion of its project under this section as soon as 54468
the commission and the controlling board have approved the basic 54469
project cost of the district's classroom facilities needs as 54470
specified in division (D) of this section. The board shall submit 54471
its resolution to the commission not later than ten days after the 54472
date the resolution is adopted by the board. 54473

The commission shall not consider any resolution that is 54474
submitted pursuant to division (B)(2) of this section, as amended 54475
by this amendment, sooner than September 14, 2000. 54476

(3) For purposes of determining when a district that enters 54477
into an agreement under this section becomes eligible for 54478

assistance under sections 3318.01 to 3318.20 of the Revised Code, 54479
the commission shall use the district's percentile ranking 54480
determined at the time the district entered into the agreement 54481
under this section, as prescribed by division (A)(2) of this 54482
section. 54483

(4) Any project under this section shall comply with section 54484
3318.03 of the Revised Code and with any specifications for plans 54485
and materials for classroom facilities adopted by the commission 54486
under section 3318.04 of the Revised Code. 54487

~~(4)~~(5) If a school district that enters into an agreement 54488
under this section has not begun a project applying local 54489
resources as provided for under that agreement at the time the 54490
district is notified by the commission that it is eligible to 54491
receive state assistance under sections 3318.01 to 3318.20 of the 54492
Revised Code, all assessment and agreement documents entered into 54493
under this section are void. 54494

~~(5)~~(6) Only construction of or repairs to classroom 54495
facilities that have been approved by the commission and have been 54496
therefore included as part of a district's basic project cost 54497
qualify for application of local resources under this section. 54498

(C) Based on the results of ~~the~~ on-site visits and assessment 54499
~~conducted under division (B)(2) of this section,~~ the commission 54500
shall determine the basic project cost of the school district's 54501
classroom facilities needs. The commission shall determine the 54502
school district's portion of such basic project cost, which shall 54503
be the greater of: 54504

(1) The required percentage of the basic project costs, 54505
determined based on the school district's percentile ranking; 54506

(2) An amount necessary to raise the school district's net 54507
bonded indebtedness, as of the fiscal year the commission and the 54508
school district enter into the agreement under division (B) of 54509

this section, to within five thousand dollars of the required 54510
level of indebtedness. 54511

(D)(1) When the commission determines the basic project cost 54512
of the classroom facilities needs of a school district and the 54513
school district's portion of that basic project cost under 54514
division (C) of this section, the project shall be conditionally 54515
approved. Such conditional approval shall be submitted to the 54516
controlling board for approval thereof. The controlling board 54517
shall forthwith approve or reject the commission's determination, 54518
conditional approval, and the amount of the state's portion of the 54519
basic project cost; however, no state funds shall be encumbered 54520
under this section. Upon approval by the controlling board, the 54521
school district board may identify a discrete part of its 54522
classroom facilities needs, which shall include only new 54523
construction of or additions or major repairs to a particular 54524
building, to address with local resources. Upon identifying a part 54525
of the school district's basic project cost to address with local 54526
resources, the school district board may allocate any available 54527
school district moneys to pay the cost of that identified part, 54528
including the proceeds of an issuance of bonds if approved by the 54529
electors of the school district. 54530

All local resources utilized under this division shall first 54531
be deposited in the project construction account required under 54532
section 3318.08 of the Revised Code. 54533

(2) Unless the school district board exercises its option 54534
under division (D)(3) of this section, for a school district to 54535
qualify for participation in the program authorized under this 54536
section, one of the following conditions shall be satisfied: 54537

(a) The electors of the school district by a majority vote 54538
shall approve the levy of taxes outside the ten-mill limitation 54539
for a period of twenty-three years at the rate of not less than 54540
one-half mill for each dollar of valuation to be used to pay the 54541

cost of maintaining the classroom facilities included in the basic 54542
project cost as determined by the commission. The form of the 54543
ballot to be used to submit the question whether to approve the 54544
tax required under this division to the electors of the school 54545
district shall be the form for an additional levy of taxes 54546
prescribed in section 3318.361 of the Revised Code, which may be 54547
combined in a single ballot question with the questions prescribed 54548
under section 5705.218 of the Revised Code. 54549

(b) As authorized under division (C) of section 3318.05 of 54550
the Revised Code, the school district board shall earmark from the 54551
proceeds of a permanent improvement tax levied under section 54552
5705.21 of the Revised Code, an amount equivalent to the 54553
additional tax otherwise required under division (D)(2)(a) of this 54554
section for the maintenance of the classroom facilities included 54555
in the basic project cost as determined by the commission. 54556

(c) As authorized under section 3318.051 of the Revised Code, 54557
the school district board shall, if approved by the commission, 54558
annually transfer into the maintenance fund required under section 54559
3318.05 of the Revised Code the amount prescribed in section 54560
3318.051 of the Revised Code in lieu of the tax otherwise required 54561
under division (D)(2)(a) of this section for the maintenance of 54562
the classroom facilities included in the basic project cost as 54563
determined by the commission. 54564

(d) If the school district board has rescinded the agreement 54565
to make transfers under section 3318.051 of the Revised Code, as 54566
provided under division (F) of that section, the electors of the 54567
school district, in accordance with section 3318.063 of the 54568
Revised Code, first shall approve the levy of taxes outside the 54569
ten-mill limitation for the period specified in that section at a 54570
rate of not less than one-half mill for each dollar of valuation. 54571

(e) The school district board shall apply the proceeds of a 54572
tax to leverage bonds as authorized under section 3318.052 of the 54573

Revised Code or dedicate a local donated contribution in the 54574
manner described in division (B) of section 3318.084 of the 54575
Revised Code in an amount equivalent to the additional tax 54576
otherwise required under division (D)(2)(a) of this section for 54577
the maintenance of the classroom facilities included in the basic 54578
project cost as determined by the commission. 54579

(3) A school district board may opt to delay taking any of 54580
the actions described in division (D)(2) of this section until 54581
~~such time as~~ the school district becomes eligible for state 54582
assistance under sections 3318.01 to 3318.20 of the Revised Code. 54583
In order to exercise this option, the board shall certify to the 54584
commission a resolution indicating the board's intent to do so 54585
prior to entering into an agreement under division (B) of this 54586
section. 54587

(4) If pursuant to division (D)(3) of this section a district 54588
board opts to delay levying an additional tax until the district 54589
becomes eligible for state assistance, it shall submit the 54590
question of levying that tax to the district electors as follows: 54591

(a) In accordance with section 3318.06 of the Revised Code if 54592
it will also be necessary pursuant to division (E) of this section 54593
to submit a proposal for approval of a bond issue; 54594

(b) In accordance with section 3318.361 of the Revised Code 54595
if it is not necessary to also submit a proposal for approval of a 54596
bond issue pursuant to division (E) of this section. 54597

(5) No state assistance under sections 3318.01 to 3318.20 of 54598
the Revised Code shall be released until a school district board 54599
that adopts and certifies a resolution under division (D) of this 54600
section also demonstrates to the satisfaction of the commission 54601
compliance with the provisions of division (D)(2) of this section. 54602

Any amount required for maintenance under division (D)(2) of 54603
this section shall be deposited into a separate fund as specified 54604

in division (B) of section 3318.05 of the Revised Code. 54605

(E)(1) If the school district becomes eligible for state 54606
assistance under sections 3318.01 to 3318.20 of the Revised Code 54607
based on its percentile ranking ~~as determined~~ under division 54608
(B)(3) of this section, the commission shall conduct a new 54609
assessment of the school district's classroom facilities needs and 54610
shall recalculate the basic project cost based on this new 54611
assessment. The basic project cost recalculated under this 54612
division shall include the amount of expenditures made by the 54613
school district board under division (D)(1) of this section. The 54614
commission shall then recalculate the school district's portion of 54615
the new basic project cost, which shall be the percentage of the 54616
original basic project cost assigned to the school district as its 54617
portion under division (C) of this section. The commission shall 54618
deduct the expenditure of school district moneys made under 54619
division (D)(1) of this section from the school district's portion 54620
of the basic project cost as recalculated under this division. If 54621
the amount of school district resources applied by the school 54622
district board to the school district's portion of the basic 54623
project cost under this section is less than the total amount of 54624
such portion as recalculated under this division, the school 54625
district board by a majority vote of all of its members shall, if 54626
it desires to seek state assistance under sections 3318.01 to 54627
3318.20 of the Revised Code, adopt a resolution as specified in 54628
section 3318.06 of the Revised Code to submit to the electors of 54629
the school district the question of approval of a bond issue in 54630
order to pay any additional amount of school district portion 54631
required for state assistance. Any tax levy approved under 54632
division (D) of this section satisfies the requirements to levy 54633
the additional tax under section 3318.06 of the Revised Code. 54634

54635

(2) If the amount of school district resources applied by the 54636

school district board to the school district's portion of the 54637
basic project cost under this section is more than the total 54638
amount of such portion as recalculated under this division, within 54639
one year after the school district's portion is recalculated under 54640
division (E)(1) of this section the commission may grant to the 54641
school district the difference between the two calculated 54642
portions, but at no time shall the commission expend any state 54643
funds on a project in an amount greater than the state's portion 54644
of the basic project cost as recalculated under this division. 54645

Any reimbursement under this division shall be only for local 54646
resources the school district has applied toward construction cost 54647
expenditures for the classroom facilities approved by the 54648
commission, which shall not include any financing costs associated 54649
with that construction. 54650

The school district board shall use any moneys reimbursed to 54651
the district under this division to pay off any debt service the 54652
district owes for classroom facilities constructed under its 54653
project under this section before such moneys are applied to any 54654
other purpose. However, the district board first may deposit 54655
moneys reimbursed under this division into the district's general 54656
fund or a permanent improvement fund to replace local resources 54657
the district withdrew from those funds, as long as, and to the 54658
extent that, those local resources were used by the district for 54659
constructing classroom facilities included in the district's basic 54660
project cost. 54661

Sec. 3318.38. (A) As used in this section, "big-eight school 54662
district" has the same meaning as in section 3314.02 of the 54663
Revised Code. 54664

(B) There is hereby established the accelerated urban school 54665
building assistance program. Under the program, notwithstanding 54666
section 3318.02 of the Revised Code, any big-eight school district 54667

that has not been approved to receive assistance under sections 54668
3318.01 to 3318.20 of the Revised Code by July 1, 2002, may 54669
beginning on that date apply for approval of and be approved for 54670
such assistance. Except as otherwise provided in this section, any 54671
project approved and undertaken pursuant to this section shall 54672
comply with all provisions of sections 3318.01 to 3318.20 of the 54673
Revised Code. 54674

The Ohio school facilities commission shall provide 54675
assistance to any big-eight school district eligible for 54676
assistance under this section in the following manner: 54677

(1) Notwithstanding section 3318.02 of the Revised Code: 54678

(a) Not later than June 30, 2002, the commission shall 54679
conduct an on-site visit and shall assess the classroom facilities 54680
needs of each big-eight school district eligible for assistance 54681
under this section; 54682

(b) Beginning July 1, 2002, any big-eight school district 54683
eligible for assistance under this section may apply to the 54684
commission for conditional approval of its project as determined 54685
by the assessment conducted under division (B)(1)(a) of this 54686
section. The commission may conditionally approve that project and 54687
submit it to the controlling board for approval pursuant to 54688
section 3318.04 of the Revised Code. 54689

(2) If the controlling board approves the project of a 54690
big-eight school district eligible for assistance under this 54691
section, the commission and the school district shall enter into 54692
an agreement as prescribed in section 3318.08 of the Revised Code. 54693
Any agreement executed pursuant to this division shall include any 54694
applicable segmentation provisions as approved by the commission 54695
under division (B)(3) of this section. 54696

(3) Notwithstanding any provision to the contrary in sections 54697
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 54698

school district eligible for assistance under this section may 54699
with the approval of the commission opt to divide the project as 54700
approved under division (B)(1)(b) of this section into discrete 54701
segments to be completed sequentially. Any project divided into 54702
segments shall comply with all other provisions of sections 54703
3318.05, 3318.06, and 3318.08 of the Revised Code except as 54704
otherwise specified in this division. 54705

If a project is divided into segments under this division: 54706

(a) The school district need raise only the amount equal to 54707
its proportionate share, as determined under section 3318.032 of 54708
the Revised Code, of each segment at any one time and may seek 54709
voter approval of each segment separately; 54710

(b) The state's proportionate share, as determined under 54711
section 3318.032 of the Revised Code, of only the segment which 54712
has been approved by the school district electors or for which the 54713
district has applied a local donated contribution under section 54714
3318.084 of the Revised Code shall be encumbered in accordance 54715
with section 3318.11 of the Revised Code. Encumbrance of 54716
additional amounts to cover the state's proportionate share of 54717
later segments shall be approved separately as they are approved 54718
by the school district electors or as the district applies a local 54719
donated contribution to the segments under section 3318.084 of the 54720
Revised Code. 54721

~~(c) If it is necessary to levy the additional tax for 54722
maintenance under division (B) of section 3318.05 of the Revised 54723
Code with respect to any segment of the project, the district may 54724
utilize the provisions of section 3318.061 of the Revised Code to 54725
ensure that the maintenance tax extends for twenty three years 54726
after the last segment of the project is undertaken. The school 54727
district's maintenance levy requirement, as defined in section 54728
3318.18 of the Revised Code, shall run for twenty-three years from 54729
the date the first segment is undertaken. 54730~~

(4) For any project under this section, the state funds reserved and encumbered and the funds provided by the school district to pay the basic project cost of any segment of the project, or of the entire project if it is not divided into segments, shall be spent on the construction and acquisition of the project simultaneously in proportion to the state's and the school district's respective shares of that basic project cost as determined under section 3318.032 of the Revised Code.

Sec. 3318.44. (A) A joint vocational school district board of education may generate the school district's portion of the basic project cost of its project under sections 3318.40 to 3318.45 of the Revised Code using any combination of the following means if lawfully employed for the acquisition of classroom facilities:

(1) The issuance of securities in accordance with Chapter 133. and section 3311.20 of the Revised Code;

(2) Local donated contributions as authorized under section 3318.084 of the Revised Code;

(3) A levy for permanent improvements under section 3311.21 or 5705.21 of the Revised Code;

(4) Bonds issued pursuant to division (B) of this section.

(B) By resolution adopted by a majority of all its members, a school district board, in order to pay all or part of the school district's portion of its basic project cost, may apply the proceeds of a tax levied under section 5705.21 of the Revised Code for general permanent improvements if the proceeds of that levy lawfully may be used for general construction, renovation, repair, or maintenance of classroom facilities to leverage pay debt charges on and financing costs related to bonds adequate issued to pay all or part of the school district portion of the basic project cost of the school district's project under sections

3318.40 to 3318.45 of the Revised Code or to generate an amount 54761
equivalent to all or part of the amount required under section 54762
3318.43 of the Revised Code to be used for maintenance of 54763
classroom facilities acquired under the project. Bonds issued 54764
under this division shall be Chapter 133. securities, and may be 54765
issued as general obligation securities, but the issuance of the 54766
bonds shall not be subject to a vote of the electors of the school 54767
district as long as the tax proceeds earmarked for payment of the 54768
service debt charges on the bonds may lawfully be used for that 54769
purpose. Such bonds shall not be included in the calculation of 54770
net indebtedness under section 133.06 of the Revised Code if the 54771
resolution authorizing their issuance includes covenants to 54772
appropriate annually, from lawfully available proceeds of a 54773
property tax levied under section 5705.21 of the Revised Code, and 54774
to continue to levy that tax in amounts necessary to pay the debt 54775
charges on and financing costs related to the bonds as they become 54776
due. No property tax levied under section 5705.21 of the Revised 54777
Code that is pledged, or that the school district has covenanted 54778
to levy, collect, and appropriate annually to pay the debt charges 54779
on and financing costs related to the bonds under this section may 54780
be repealed while those bonds are outstanding. If such a tax is 54781
reduced by electors of the district or by the board of education 54782
while the bonds are outstanding, the board of education shall 54783
continue to levy and collect the tax under the authority of the 54784
original election authorizing the tax at a rate in each year that 54785
the board reasonably estimates will produce an amount in that year 54786
equal to the debt charges on the bonds in that year. 54787

No state moneys shall be released for a project to which this 54788
division applies until the proceeds of any bonds issued under this 54789
division that are dedicated for payment of the school district's 54790
portion of the basic project cost are first deposited into the 54791
school district's project construction fund. 54792

(C) A school district board of education may adopt a resolution proposing that any of the following questions be combined with a question specified in section 3318.45 of the Revised Code:

(1) A bond issue question under section 133.18 of the Revised Code;

(2) A tax levy question under section 3311.21 of the Revised Code;

(3) A tax levy question under section 5705.21 of the Revised Code.

Any question described in divisions (C)(1) to (3) of this section that is combined with a question proposed under section 3318.45 of the Revised Code shall be for the purpose of either paying for any permanent improvement, as defined in section 133.01 of the Revised Code, or generating operating revenue specifically for the facilities acquired under the school district's project under Chapter 3318. of the Revised Code or for both to the extent such purposes are permitted by the sections of law under which each is proposed.

(D) The board of education of a joint vocational school district that receives assistance under this section may enter into an agreement for joint issuance of bonds as provided for in section 3318.085 of the Revised Code.

Sec. 3319.073. (A) The board of education of each city and exempted village school district and the governing board of each educational service center shall adopt or adapt the curriculum developed by the department of education for, or shall develop, in consultation with public or private agencies or persons involved in child abuse prevention or intervention programs, a program of in-service training ~~for persons employed by any school district or~~

~~service center to work in an elementary school as a nurse,~~ 54823
~~teacher, counselor, school psychologist, or administrator in the~~ 54824
~~prevention of child abuse, violence, and substance abuse and the~~ 54825
~~promotion of positive youth development.~~ Each person employed by 54826
any school district or service center to work in ~~an elementary a~~ 54827
school as a nurse, teacher, counselor, school psychologist, or 54828
administrator shall complete at least four hours of the in-service 54829
training ~~in the prevention of child abuse, violence, and substance~~ 54830
~~abuse and the promotion of positive youth development~~ within two 54831
years of commencing employment with the district or center, and 54832

If a board adopts a motion or resolution to employ a teacher 54873

date of this amendment. Nothing in that division shall be 54946
construed to void or otherwise affect a continuing contract 54947
entered into prior to that date. 54948

Notwithstanding any provision to the contrary in Chapter 54949
4117. of the Revised Code, the requirements of division (D)(3) of 54950
this section prevail over any conflicting provisions of a 54951
collective bargaining agreement entered into on or after the 54952
effective date of this amendment. 54953

(F) Wherever the term "educator license" is used in this 54954
section without reference to a specific type of educator license, 54955

Sec. 3319.081. Except as otherwise provided in division (G) 54958
of this section, in all school districts wherein the provisions of 54959
Chapter 124. of the Revised Code do not apply, the following 54960
employment contract system shall control for employees whose 54961
contracts of employment are not otherwise provided by law: 54962

(A) Newly hired regular nonteaching school employees, 54963
including regular hourly rate and per diem employees, shall enter 54964
into written contracts for their employment which shall be for a 54965
period of not more than one year. If such employees are rehired, 54966
their subsequent contract shall be for a period of two years. 54967

(B) After the termination of the two-year contract provided 54968
in division (A) of this section, if the contract of a nonteaching 54969
employee is renewed, the employee shall be continued in 54970
employment, and the salary provided in the contract may be 54971
increased but not reduced unless such reduction is a part of a 54972
uniform plan affecting the nonteaching employees of the entire 54973
district. 54974

(C) The contracts as provided for in this section may be 54975

terminated by a majority vote of the board of education. Except as 54976

written rules and regulations as set forth by the board of 54979
education or for incompetency, inefficiency, dishonesty, 54980
drunkenness, immoral conduct, insubordination, discourteous 54981
treatment of the public, neglect of duty, or any other acts of 54982
misfeasance, malfeasance, or nonfeasance. In addition to the right 54983
of the board of education to terminate the contract of an 54984
employee, the board may suspend an employee for a definite period 54985
of time or demote the employee for the reasons set forth in this 54986
division. The action of the board of education terminating the 54987
contract of an employee or suspending or demoting the employee 54988
shall be served upon the employee by certified mail. Within ten 54989
days following the receipt of such notice by the employee, the 54990
employee may file an appeal, in writing, with the court of common 54991
pleas of the county in which such school board is situated. After 54992
hearing the appeal the common pleas court may affirm, disaffirm, 54993
or modify the action of the school board. 54994

A violation of division (A)(7) of section 2907.03 of the 54995
Revised Code is grounds for termination of employment of a 54996
nonteaching employee under this division. 54997

(D) All employees who have been employed by a school district 54998
where the provisions of Chapter 124. of the Revised Code do not 54999
apply, for a period of at least three years on November 24, 1967, 55000
shall hold continuing contracts of employment pursuant to this 55001
section. 55002

(E) Any nonteaching school employee may terminate the 55003
nonteaching school employee's contract of employment thirty days 55004
subsequent to the filing of a written notice of such termination 55005
with the treasurer of the board. 55006

(F) A person hired exclusively for the purpose of replacing a 55007

nonteaching school employee while such employee is on leave of 55008
absence granted under section 3319.13 of the Revised Code is not a 55009
regular nonteaching school employee under this section. 55010

(G) All nonteaching employees employed pursuant to this 55011
section and Chapter 124. of the Revised Code shall be paid for all 55012
time lost when the schools in which they are employed are closed 55013
owing to an epidemic or other public calamity. Nothing in this 55014
division shall be construed as requiring payment in excess of an 55015
employee's regular wage rate or salary for any time worked while 55016
the school in which the employee is employed is officially closed 55017
for the reasons set forth in this division. 55018

Sec. 3319.088. As used in this section, "educational 55019
assistant" means any nonteaching employee in a school district who 55020
directly assists a teacher as defined in section 3319.09 of the 55021
Revised Code, by performing duties for which a license issued 55022
pursuant to sections 3319.22 to 3319.30 of the Revised Code is not 55023
required. 55024

(A) The state board of education shall issue educational aide 55025
permits and educational paraprofessional licenses for educational 55026
assistants and shall adopt rules for the issuance and renewal of 55027
such permits and licenses which shall be consistent with the 55028
provisions of this section. Educational aide permits and 55029
educational paraprofessional licenses may be of several types and 55030
the rules shall prescribe the minimum qualifications of education, 55031
health, and character for the service to be authorized under each 55032
type. The prescribed minimum qualifications may require special 55033
training or educational courses designed to qualify a person to 55034
perform effectively the duties authorized under an educational 55035
aide permit or educational paraprofessional license. 55036

(B)(1) Any application for a permit or license, or a renewal 55037
or duplicate of a permit or license, under this section shall be 55038

accompanied by the payment of a fee in the amount established 55039
under division (A) of section 3319.51 of the Revised Code. Any 55040
fees received under this division shall be paid into the state 55041
treasury to the credit of the state board of education licensure 55042
fund established under division (B) of section 3319.51 of the 55043
Revised Code. 55044

(2) Any person applying for or holding a permit or license 55045
pursuant to this section is subject to sections 3123.41 to 3123.50 55046
of the Revised Code and any applicable rules adopted under section 55047
3123.63 of the Revised Code and sections 3319.31 and 3319.311 of 55048
the Revised Code. 55049

(C) Educational assistants shall at all times while in the 55050
performance of their duties be under the supervision and direction 55051
of a teacher as defined in section 3319.09 of the Revised Code. 55052
Educational assistants may assist a teacher to whom assigned in 55053
the supervision of pupils, in assisting with instructional tasks, 55054
and in the performance of duties which, in the judgment of the 55055
teacher to whom the assistant is assigned, may be performed by a 55056
person not licensed pursuant to sections 3319.22 to 3319.30 of the 55057
Revised Code and for which a teaching license, issued pursuant to 55058
sections 3319.22 to 3319.30 of the Revised Code is not required. 55059
The duties of an educational assistant shall not include the 55060
assignment of grades to pupils. The duties of an educational 55061
~~assistants~~ assistant need not be performed in the physical 55062
presence of the teacher to whom assigned, but the activity of an 55063
educational assistant shall at all times be under the direction of 55064
the teacher to whom assigned. The assignment of an educational 55065
assistant need not be limited to assisting a single teacher. In 55066
the event an educational assistant is assigned to assist more than 55067
one teacher the assignments shall be clearly delineated and so 55068
arranged that the educational assistant shall never be subject to 55069
simultaneous supervision or direction by more than one teacher. 55070

Educational assistants assigned to supervise children shall, 55071
when the teacher to whom assigned is not physically present, 55072
maintain the degree of control and discipline ~~which~~ that would be 55073
maintained by the teacher, ~~but an educational assistant may not~~ 55074
~~render corporal punishment.~~ 55075

~~Except when expressly permitted solely for the purposes of~~ 55076
~~section 3317.029 of the Revised Code, educational~~ Educational 55077
assistants may not be used in place of classroom teachers or other 55078
employees and any payment of compensation by boards of education 55079
to educational assistants for such services is prohibited. The 55080
ratio between the number of licensed teachers and the pupils in a 55081
school district may not be decreased by utilization of educational 55082
assistants and no grouping, or other organization of pupils, for 55083
utilization of educational assistants shall be established which 55084
is inconsistent with sound educational practices and procedures. A 55085
school district may employ up to one full time equivalent 55086
educational assistant for each six full time equivalent licensed 55087
employees of the district. Educational assistants shall not be 55088
counted as licensed employees for purposes of state support in the 55089
school foundation program and no grouping or regrouping of pupils 55090
with educational assistants may be counted as a class or unit for 55091
school foundation program purposes. Neither special courses 55092
required by the regulations of the state board of education, 55093
prescribing minimum qualifications of education for an educational 55094
assistant, nor years of service as an educational assistant shall 55095
be counted in any way toward qualifying for a teacher license, for 55096
a teacher contract of any type, or for determining placement on a 55097
salary schedule in a school district as a teacher. 55098

(D) Educational assistants employed by a board of education 55100
shall have all rights, benefits, and legal protection available to 55101
other nonteaching employees in the school district, except that 55102

provisions of Chapter 124. of the Revised Code shall not apply to 55103
any person employed as an educational assistant, and shall be 55104
members of the school employees retirement system. Educational 55105
assistants shall be compensated according to a salary plan adopted 55106
annually by the board. 55107

Except as provided in this section nonteaching employees 55108
shall not serve as educational assistants without first obtaining 55109
an appropriate educational aide permit or educational 55110
paraprofessional license from the state board of education. A 55111
nonteaching employee who is the holder of a valid educational aide 55112
permit or educational paraprofessional license shall neither 55113
render nor be required to render services inconsistent with the 55114
type of services authorized by the permit or license held. No 55115
person shall receive compensation from a board of education for 55116
services rendered as an educational assistant in violation of this 55117
provision. 55118

Nonteaching employees whose functions are solely 55119
secretarial-clerical and who do not perform any other duties as 55120
educational assistants, even though they assist a teacher and work 55121
under the direction of a teacher shall not be required to hold a 55122
permit or license issued pursuant to this section. Students 55123
preparing to become licensed teachers or educational assistants 55124
shall not be required to hold an educational aide permit or 55125
paraprofessional license for such periods of time as such students 55126
are assigned, as part of their training program, to work with a 55127
teacher in a school district. Such students shall not be 55128
compensated for such services. 55129

Following the determination of the assignment and general job 55130
description of an educational assistant and subject to supervision 55131
by the teacher's immediate administrative officer, a teacher to 55132
whom an educational assistant is assigned shall make all final 55133
determinations of the duties to be assigned to such assistant. 55134

Teachers shall not be required to hold a license designated for 55135
being a supervisor or administrator in order to perform the 55136
necessary supervision of educational assistants. 55137

(E) No person who is, or who has been employed as an 55138
educational assistant shall divulge, except to the teacher to whom 55139
assigned, or the administrator of the school in the absence of the 55140
teacher to whom assigned, or when required to testify in a court 55141
or proceedings, any personal information concerning any pupil in 55142
the school district which was obtained or obtainable by the 55143
educational assistant while so employed. Violation of this 55144
provision is grounds for disciplinary action or dismissal, or 55145
both. 55146

Sec. 3319.11. (A) As used in this section: 55147

(1) "Evaluation procedures" means the procedures adopted 55148
pursuant to division (B) of section 3319.111 of the Revised Code. 55149

(2) "Limited contract" means a limited contract, as described 55150
in section 3319.08 of the Revised Code, that a school district 55151
board of education or governing board of an educational service 55152
center enters into with a teacher who is not eligible for 55153
continuing service status. 55154

(3) "Extended limited contract" means a limited contract, as 55155
described in section 3319.08 of the Revised Code, that a board of 55156
education or governing board enters into with a teacher who is 55157
eligible for continuing service status. 55158

(B) Teachers eligible for continuing service status in any 55159
city, exempted village, local, or joint vocational school district 55160
or educational service center shall be those teachers qualified as 55161
described in division ~~(B)(1) or (2)~~(D) of section 3319.08 of the 55162
Revised Code, who within the last five years have taught for at 55163
least three years in the district or center, and those teachers 55164

who, having attained continuing contract status elsewhere, have 55165
served two years in the district or center, but the board, upon 55166
the recommendation of the superintendent, may at the time of 55167
employment or at any time within such two-year period, declare any 55168
of the latter teachers eligible. 55169

(1) Upon the recommendation of the superintendent that a 55170
teacher eligible for continuing service status be reemployed, a 55171
continuing contract shall be entered into between the board and 55172
the teacher unless the board by a three-fourths vote of its full 55173
membership rejects the recommendation of the superintendent. If 55174
the board rejects by a three-fourths vote of its full membership 55175
the recommendation of the superintendent that a teacher eligible 55176
for continuing service status be reemployed and the superintendent 55177
makes no recommendation to the board pursuant to division (C) of 55178
this section, the board may declare its intention not to reemploy 55179
the teacher by giving the teacher written notice on or before the 55180
thirtieth day of April of its intention not to reemploy the 55181
teacher. If evaluation procedures have not been complied with 55182
pursuant to division (A) of section 3319.111 of the Revised Code 55183
or the board does not give the teacher written notice on or before 55184
the thirtieth day of April of its intention not to reemploy the 55185
teacher, the teacher is deemed reemployed under an extended 55186
limited contract for a term not to exceed one year at the same 55187
salary plus any increment provided by the salary schedule. The 55188
teacher is presumed to have accepted employment under the extended 55189
limited contract for a term not to exceed one year unless such 55190
teacher notifies the board in writing to the contrary on or before 55191
the first day of June, and an extended limited contract for a term 55192
not to exceed one year shall be executed accordingly. Upon any 55193
subsequent reemployment of the teacher only a continuing contract 55194
may be entered into. 55195

(2) If the superintendent recommends that a teacher eligible 55196

for continuing service status not be reemployed, the board may 55197
declare its intention not to reemploy the teacher by giving the 55198
teacher written notice on or before the thirtieth day of April of 55199
its intention not to reemploy the teacher. If evaluation 55200
procedures have not been complied with pursuant to division (A) of 55201
section 3319.111 of the Revised Code or the board does not give 55202
the teacher written notice on or before the thirtieth day of April 55203
of its intention not to reemploy the teacher, the teacher is 55204
deemed reemployed under an extended limited contract for a term 55205
not to exceed one year at the same salary plus any increment 55206
provided by the salary schedule. The teacher is presumed to have 55207
accepted employment under the extended limited contract for a term 55208
not to exceed one year unless such teacher notifies the board in 55209
writing to the contrary on or before the first day of June, and an 55210
extended limited contract for a term not to exceed one year shall 55211
be executed accordingly. Upon any subsequent reemployment of a 55212
teacher only a continuing contract may be entered into. 55213

(3) Any teacher receiving written notice of the intention of 55214
a board not to reemploy such teacher pursuant to this division is 55215
entitled to the hearing provisions of division (G) of this 55216
section. 55217

(C)(1) If a board rejects the recommendation of the 55218
superintendent for reemployment of a teacher pursuant to division 55219
(B)(1) of this section, the superintendent may recommend 55220
reemployment of the teacher, if continuing service status has not 55221
previously been attained elsewhere, under an extended limited 55222
contract for a term not to exceed two years, provided that written 55223
notice of the superintendent's intention to make such 55224
recommendation has been given to the teacher with reasons directed 55225
at the professional improvement of the teacher on or before the 55226
thirtieth day of April. Upon subsequent reemployment of the 55227
teacher only a continuing contract may be entered into. 55228

(2) If a board of education takes affirmative action on a superintendent's recommendation, made pursuant to division (C)(1) of this section, of an extended limited contract for a term not to exceed two years but the board does not give the teacher written notice of its affirmative action on the superintendent's recommendation of an extended limited contract on or before the thirtieth day of April, the teacher is deemed reemployed under a continuing contract at the same salary plus any increment provided by the salary schedule. The teacher is presumed to have accepted employment under such continuing contract unless such teacher notifies the board in writing to the contrary on or before the first day of June, and a continuing contract shall be executed accordingly.

(3) A board shall not reject a superintendent's recommendation, made pursuant to division (C)(1) of this section, of an extended limited contract for a term not to exceed two years except by a three-fourths vote of its full membership. If a board rejects by a three-fourths vote of its full membership the recommendation of the superintendent of an extended limited contract for a term not to exceed two years, the board may declare its intention not to reemploy the teacher by giving the teacher written notice on or before the thirtieth day of April of its intention not to reemploy the teacher. If evaluation procedures have not been complied with pursuant to division (A) of section 3319.111 of the Revised Code or if the board does not give the teacher written notice on or before the thirtieth day of April of its intention not to reemploy the teacher, the teacher is deemed reemployed under an extended limited contract for a term not to exceed one year at the same salary plus any increment provided by the salary schedule. The teacher is presumed to have accepted employment under the extended limited contract for a term not to exceed one year unless such teacher notifies the board in writing to the contrary on or before the first day of June, and an

extended limited contract for a term not to exceed one year shall 55262
be executed accordingly. Upon any subsequent reemployment of the 55263
teacher only a continuing contract may be entered into. 55264

Any teacher receiving written notice of the intention of a 55265
board not to reemploy such teacher pursuant to this division is 55266
entitled to the hearing provisions of division (G) of this 55267
section. 55268

(D) A teacher eligible for continuing contract status 55269
employed under an extended limited contract pursuant to division 55270
(B) or (C) of this section, is, at the expiration of such extended 55271
limited contract, deemed reemployed under a continuing contract at 55272
the same salary plus any increment granted by the salary schedule, 55273
unless evaluation procedures have been complied with pursuant to 55274
division (A) of section 3319.111 of the Revised Code and the 55275
employing board, acting on the superintendent's recommendation 55276
that the teacher not be reemployed, gives the teacher written 55277
notice on or before the thirtieth day of April of its intention 55278
not to reemploy such teacher. A teacher who does not have 55279
evaluation procedures applied in compliance with division (A) of 55280
section 3319.111 of the Revised Code or who does not receive 55281
notice on or before the thirtieth day of April of the intention of 55282
the board not to reemploy such teacher is presumed to have 55283
accepted employment under a continuing contract unless such 55284
teacher notifies the board in writing to the contrary on or before 55285
the first day of June, and a continuing contract shall be executed 55286
accordingly. 55287

Any teacher receiving a written notice of the intention of a 55288
board not to reemploy such teacher pursuant to this division is 55289
entitled to the hearing provisions of division (G) of this 55290
section. 55291

(E) A limited contract may be entered into by each board with 55292
each teacher who has not been in the employ of the board for at 55293

least three years and shall be entered into, regardless of length 55294
of previous employment, with each teacher employed by the board 55295
who ~~holds a provisional, temporary, or associate license, or who~~ 55296
~~holds a professional license and~~ is not eligible to be considered 55297
for a continuing contract. 55298

Any teacher employed under a limited contract, and not 55299
eligible to be considered for a continuing contract, is, at the 55300
expiration of such limited contract, considered reemployed under 55301
the provisions of this division at the same salary plus any 55302
increment provided by the salary schedule unless evaluation 55303
procedures have been complied with pursuant to division (A) of 55304
section 3319.111 of the Revised Code and the employing board, 55305
acting upon the superintendent's written recommendation that the 55306
teacher not be reemployed, gives such teacher written notice of 55307
its intention not to reemploy such teacher on or before the 55308
thirtieth day of April. A teacher who does not have evaluation 55309
procedures applied in compliance with division (A) of section 55310
3319.111 of the Revised Code or who does not receive notice of the 55311
intention of the board not to reemploy such teacher on or before 55312
the thirtieth day of April is presumed to have accepted such 55313
employment unless such teacher notifies the board in writing to 55314
the contrary on or before the first day of June, and a written 55315
contract for the succeeding school year shall be executed 55316
accordingly. 55317

Any teacher receiving a written notice of the intention of a 55318
board not to reemploy such teacher pursuant to this division is 55319
entitled to the hearing provisions of division (G) of this 55320
section. 55321

(F) The failure of a superintendent to make a recommendation 55322
to the board under any of the conditions set forth in divisions 55323
(B) to (E) of this section, or the failure of the board to give 55324
such teacher a written notice pursuant to divisions (C) to (E) of 55325

this section shall not prejudice or prevent a teacher from being 55326
deemed reemployed under either a limited or continuing contract as 55327
the case may be under the provisions of this section. A failure of 55328
the parties to execute a written contract shall not void any 55329
automatic reemployment provisions of this section. 55330

(G)(1) Any teacher receiving written notice of the intention 55331
of a board of education not to reemploy such teacher pursuant to 55332
division (B), (C)(3), (D), or (E) of this section may, within ten 55333
days of the date of receipt of the notice, file with the treasurer 55334
of the board a written demand for a written statement describing 55335
the circumstances that led to the board's intention not to 55336
reemploy the teacher. 55337

(2) The treasurer of a board, on behalf of the board, shall, 55338
within ten days of the date of receipt of a written demand for a 55339
written statement pursuant to division (G)(1) of this section, 55340
provide to the teacher a written statement describing the 55341
circumstances that led to the board's intention not to reemploy 55342
the teacher. 55343

(3) Any teacher receiving a written statement describing the 55344
circumstances that led to the board's intention not to reemploy 55345
the teacher pursuant to division (G)(2) of this section may, 55346
within five days of the date of receipt of the statement, file 55347
with the treasurer of the board a written demand for a hearing 55348
before the board pursuant to divisions (G)(4) to (6) of this 55349
section. 55350

(4) The treasurer of a board, on behalf of the board, shall, 55351
within ten days of the date of receipt of a written demand for a 55352
hearing pursuant to division (G)(3) of this section, provide to 55353
the teacher a written notice setting forth the time, date, and 55354
place of the hearing. The board shall schedule and conclude the 55355
hearing within forty days of the date on which the treasurer of 55356
the board receives a written demand for a hearing pursuant to 55357

division (G)(3) of this section. 55358

(5) Any hearing conducted pursuant to this division shall be 55359
conducted by a majority of the members of the board. The hearing 55360
shall be held in executive session of the board unless the board 55361
and the teacher agree to hold the hearing in public. The 55362
superintendent, assistant superintendent, the teacher, and any 55363
person designated by either party to take a record of the hearing 55364
may be present at the hearing. The board may be represented by 55365
counsel and the teacher may be represented by counsel or a 55366
designee. A record of the hearing may be taken by either party at 55367
the expense of the party taking the record. 55368

(6) Within ten days of the conclusion of a hearing conducted 55369
pursuant to this division, the board shall issue to the teacher a 55370
written decision containing an order affirming the intention of 55371
the board not to reemploy the teacher reported in the notice given 55372
to the teacher pursuant to division (B), (C)(3), (D), or (E) of 55373
this section or an order vacating the intention not to reemploy 55374
and expunging any record of the intention, notice of the 55375
intention, and the hearing conducted pursuant to this division. 55376

(7) A teacher may appeal an order affirming the intention of 55377
the board not to reemploy the teacher to the court of common pleas 55378
of the county in which the largest portion of the territory of the 55379
school district or service center is located, within thirty days 55380
of the date on which the teacher receives the written decision, on 55381
the grounds that the board has not complied with this section 55382
~~3319.11~~ or section 3319.111 of the Revised Code. 55383

Notwithstanding section 2506.04 of the Revised Code, the 55384
court in an appeal under this division is limited to the 55385
determination of procedural errors and to ordering the correction 55386
of procedural errors and shall have no jurisdiction to order a 55387
board to reemploy a teacher, except that the court may order a 55388
board to reemploy a teacher in compliance with the requirements of 55389

division (B), (C)(3), (D), or (E) of this section when the court 55390
determines that evaluation procedures have not been complied with 55391
pursuant to division (A) of section 3319.111 of the Revised Code 55392
or the board has not given the teacher written notice on or before 55393
the thirtieth day of April of its intention not to reemploy the 55394
teacher pursuant to division (B), (C)(3), (D), or (E) of this 55395
section. Otherwise, the determination whether to reemploy or not 55396
reemploy a teacher is solely a board's determination and not a 55397
proper subject of judicial review and, except as provided in this 55398
division, no decision of a board whether to reemploy or not 55399
reemploy a teacher shall be invalidated by the court on any basis, 55400
including that the decision was not warranted by the results of 55401
any evaluation or was not warranted by any statement given 55402
pursuant to division (G)(2) of this section. 55403

No appeal of an order of a board may be made except as 55404
specified in this division. 55405

(H)(1) In giving a teacher any notice required by division 55406
(B), (C), (D), or (E) of this section, the board or the 55407

teacher's place of residence. 55414

(2) In giving a board any notice required by division (B), 55415
(C), (D), or (E) of this section, the teacher shall do either of 55416
the following: 55417

(a) Deliver the notice by personal delivery to the office of 55418
the superintendent during regular business hours; 55419

(b) Deliver the notice by certified mail, return receipt 55420

deliver a copy of the notice by certified mail, return receipt 55422
requested, addressed to the president of the board at the 55423
president's place of residence. 55424

(3) When any notice and copy of the notice are mailed 55425
pursuant to division (H)(1)(b) or (2)(b) of this section, the 55426
notice or copy of the notice with the earlier date of receipt 55427
shall constitute the notice for the purposes of division (B), (C), 55428
(D), or (E) of this section. 55429

(I) The provisions of this section shall not apply to any 55430
supplemental written contracts entered into pursuant to section 55431
3319.08 of the Revised Code. 55432

Sec. 3319.151. (A) No person shall reveal to any student any 55433

(B) On a finding by the state board of education, after 55438
investigation, that a school employee who holds a license issued 55439
under sections 3319.22 to 3319.31 of the Revised Code has violated 55440
division (A) of this section, the license of such teacher shall be 55441
suspended for one year. Prior to commencing an investigation, the 55442
board shall give the teacher notice of the allegation and an 55443
opportunity to respond and present a defense. 55444

(C)(1) Violation of division (A) of this section is grounds 55445
for termination of employment of a nonteaching employee under 55446
division (C) of section 3319.081 or section 124.34 of the Revised 55447
Code. 55448

(2) Violation of division (A) of this section is grounds for 55449
termination of a teacher contract under section 3319.16 of the 55450

Revised Code. 55451

Sec. 3319.16. The contract of any teacher employed by the 55452
board of education of any city, exempted village, local, county, 55453
or joint vocational school district may not be terminated except 55454
~~for gross inefficiency or immorality; for willful and persistent~~ 55455
~~violations of reasonable regulations of the board of education; or~~ 55456
for ~~other~~ good and just cause. ~~Before~~ Notwithstanding any 55457
provision to the contrary in Chapter 4117. of the Revised Code, 55458
the provisions of this section relating to the grounds for 55459
termination of the contract of a teacher prevail over any 55460
conflicting provisions of a collective bargaining agreement 55461
entered into after the effective date of this amendment. 55462

Before terminating any contract, the employing board shall 55463
furnish the teacher a written notice signed by its treasurer of 55464
its intention to consider the termination of ~~his~~ the teacher's 55465
contract with full specification of the grounds for such 55466
consideration. The board shall not proceed with formal action to 55467
terminate the contract until after the tenth day after receipt of 55468
the notice by the teacher. Within ten days after receipt of the 55469
notice from the treasurer of the board, the teacher may file with 55470
the treasurer a written demand for a hearing before the board or 55471
before a referee, and the board shall set a time for the hearing 55472
which shall be within thirty days from the date of receipt of the 55473
written demand, and the treasurer shall give the teacher at least 55474
twenty days' notice in writing of the time and place of the 55475
hearing. If a referee is demanded by either the teacher or board, 55476
the treasurer also shall give twenty days' notice to the 55477
superintendent of public instruction. No hearing shall be held 55478
during the summer vacation without the teacher's consent. The 55479
hearing shall be private unless the teacher requests a public 55480
hearing. The hearing shall be conducted by a referee appointed 55481
pursuant to section 3319.161 of the Revised Code, if demanded; 55482

otherwise, it shall be conducted by a majority of the members of 55483
the board and shall be confined to the grounds given for the 55484
termination. The board shall provide for a complete stenographic 55485
record of the proceedings, a copy of the record to be furnished to 55486
the teacher. The board may suspend a teacher pending final action 55487
to terminate ~~his~~ the teacher's contract if, in its judgment, the 55488
character of the charges warrants such action. 55489

Both parties may be present at such hearing, be represented 55490
by counsel, require witnesses to be under oath, cross-examine 55491
witnesses, take a record of the proceedings, and require the 55492
presence of witnesses in their behalf upon subpoena to be issued 55493
by the treasurer of the board. In case of the failure of any 55494
person to comply with a subpoena, a judge of the court of common 55495
pleas of the county in which the person resides, upon application 55496
of any interested party, shall compel attendance of the person by 55497
attachment proceedings as for contempt. Any member of the board or 55498
the referee may administer oaths to witnesses. After a hearing by 55499
a referee, the referee shall file ~~his~~ a report within ten days 55500
after the termination of the hearing. After consideration of the 55501
referee's report, the board, by a majority vote, may accept or 55502
reject the referee's recommendation on the termination of the 55503
teacher's contract. After a hearing by the board, the board, by 55504
majority vote, may enter its determination upon its minutes. Any 55505
order of termination of a contract shall state the grounds for 55506
termination. If the decision, after hearing, is against 55507
termination of the contract, the charges and the record of the 55508
hearing shall be physically expunged from the minutes, and, if the 55509
teacher has suffered any loss of salary by reason of being 55510
suspended, ~~he~~ the teacher shall be paid ~~his~~ the teacher's full 55511
salary for the period of such suspension. 55512

Any teacher affected by an order of termination of contract 55513
may appeal to the court of common pleas of the county in which the 55514

school is located within thirty days after receipt of notice of 55515
the entry of such order. The appeal shall be an original action in 55516
the court and shall be commenced by the filing of a complaint 55517
against the board, in which complaint the facts shall be alleged 55518
upon which the teacher relies for a reversal or modification of 55519
such order of termination of contract. Upon service or waiver of 55520
summons in that appeal, the board immediately shall transmit to 55521
the clerk of the court for filing a transcript of the original 55522
papers filed with the board, a certified copy of the minutes of 55523
the board into which the termination finding was entered, and a 55524
certified transcript of all evidence adduced at the hearing or 55525
hearings before the board or a certified transcript of all 55526
evidence adduced at the hearing or hearings before the referee, 55527
whereupon the cause shall be at issue without further pleading and 55528
shall be advanced and heard without delay. The court shall examine 55529
the transcript and record of the hearing and shall hold such 55530
additional hearings as it considers advisable, at which it may 55531
consider other evidence in addition to the transcript and record. 55532

Upon final hearing, the court shall grant or deny the relief 55533
prayed for in the complaint as may be proper in accordance with 55534
the evidence adduced in the hearing. Such an action is a special 55535
proceeding, and either the teacher or the board may appeal from 55536
the decision of the court of common pleas pursuant to the Rules of 55537
Appellate Procedure and, to the extent not in conflict with those 55538
rules, Chapter 2505. of the Revised Code. 55539

In any court action, the board may utilize the services of 55540
the prosecuting attorney, village solicitor, city director of law, 55541
or other chief legal officer of a municipal corporation as 55542
authorized by section 3313.35 of the Revised Code, or may employ 55543
other legal counsel. 55544

A violation of division (A)(7) of section 2907.03 of the 55545
Revised Code is grounds for termination of a teacher contract 55546

under this section. 55547

Sec. 3319.17. (A) As used in this section, "interdistrict 55548
contract" means any contract or agreement entered into by an 55549
educational service center governing board and another board or 55550
other public entity pursuant to section 3313.17, 3313.841, 55551
3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the 55552
Revised Code, including any such contract or agreement for the 55553
provision of services funded under division (I) of section 55554
3317.024 of the Revised Code or provided in any unit approved 55555
under section 3317.05 of the Revised Code. 55556

(B) When, for any of the following reasons that apply to any 55557
city, exempted village, local, or joint vocational school district 55558
or any educational service center, the board decides that it will 55559
be necessary to reduce the number of teachers it employs, it may 55560
make a reasonable reduction: 55561

(1) In the case of any district or service center, return to 55562
duty of regular teachers after leaves of absence including leaves 55563
provided pursuant to division (B) of section 3314.10 of the 55564
Revised Code, suspension of schools, or territorial changes 55565
affecting the district or center, ~~or financial reasons;~~ 55566

(2) In the case of any city, exempted village, local, or 55567
joint vocational school district, decreased enrollment of pupils 55568
in the district; 55569

(3) In the case of any governing board of a service center 55570
providing any particular service directly to pupils pursuant to 55571
one or more interdistrict contracts requiring such service, 55572
reduction in the total number of pupils the governing board is 55573
required to provide with the service under all interdistrict 55574
contracts as a result of the termination or nonrenewal of one or 55575
more of these interdistrict contracts; 55576

(4) In the case of any governing board providing any 55577
particular service that it does not provide directly to pupils 55578
pursuant to one or more interdistrict contracts requiring such 55579
service, reduction in the total level of the service the governing 55580
board is required to provide under all interdistrict contracts as 55581
a result of the termination or nonrenewal of one or more of these 55582
interdistrict contracts. 55583

(C) In making any such reduction, any city, exempted village, 55584
local, or joint vocational school board shall proceed to suspend 55585
contracts in accordance with the recommendation of the 55586
superintendent of schools who shall, within each teaching field 55587
affected, give preference first to teachers on continuing 55588
contracts and then to teachers who have greater seniority. In 55589
making any such reduction, any governing board of a service center 55590
shall proceed to suspend contracts in accordance with the 55591
recommendation of the superintendent who shall, within each 55592
teaching field or service area affected, give preference first to 55593
teachers on continuing contracts and then to teachers who have 55594
greater seniority. 55595

On a case-by-case basis, in lieu of suspending a contract in 55596
whole, a board may suspend a contract in part, so that an 55597
individual is required to work a percentage of the time the 55598
employee otherwise is required to work under the contract and 55599
receives a commensurate percentage of the full compensation the 55600
employee otherwise would receive under the contract. 55601

The teachers whose continuing contracts are suspended by any 55602
board pursuant to this section shall have the right of restoration 55603
to continuing service status by that board in the order of 55604
seniority of service in the district or service center if and when 55605
teaching positions become vacant or are created for which any of 55606
such teachers are or become qualified. No teacher whose continuing 55607
contract has been suspended pursuant to this section shall lose 55608

that right of restoration to continuing service status by reason 55609
of having declined recall to a position that is less than 55610
full-time or, if the teacher was not employed full-time just prior 55611
to suspension of the teacher's continuing contract, to a position 55612
requiring a lesser percentage of full-time employment than the 55613
position the teacher last held while employed in the district or 55614
service center. 55615

~~(D) Notwithstanding any provision to the contrary in Chapter 55616
4117. of the Revised Code, the requirements of this section 55617
prevail over any conflicting provisions of agreements between 55618
employee organizations and public employers entered into after 55619
September 29, 2005. 55620~~

Sec. 3319.172. The board of education of each school district 55621
wherein the provisions of Chapter 124. of the Revised Code do not 55622
apply and the governing board of each educational service center 55623
may adopt a resolution ordering reasonable reductions in the 55624
number of nonteaching employees for any of the reasons for which 55625
the board of education or governing board may make reductions in 55626
teaching employees, as set forth in division (B) of section 55627
3319.17 of the Revised Code. 55628

In making any reduction under this section, the board of 55629
education or governing board shall proceed to suspend contracts in 55630
accordance with the recommendation of the superintendent of the 55631
district or service center who shall, within each pay 55632
classification affected, give preference first to employees under 55633
continuing contracts and then to employees on the basis of 55634
seniority. On a case-by-case basis, in lieu of suspending a 55635
contract in whole, a board may suspend a contract in part, so that 55636
an individual is required to work a percentage of the time the 55637
employee otherwise is required to work under the contract and 55638
receives a commensurate percentage of the full compensation the 55639

employee otherwise would receive under the contract. 55640

Any nonteaching employee whose continuing contract is 55641
suspended under this section shall have the right of restoration 55642
to continuing service status by the board of education or 55643
governing board that suspended that contract in order of seniority 55644
of service in the district or service center, if and when a 55645
nonteaching position for which the employee is qualified becomes 55646
vacant or is created. No nonteaching employee whose continuing 55647
contract has been suspended under this section shall lose that 55648
right of restoration to continuing service status by reason of 55649
having declined recall to a position requiring fewer regularly 55650
scheduled hours of work than required by the position the employee 55651
last held while employed in the district or service center. 55652

~~Notwithstanding any provision to the contrary in Chapter 55653
4117. of the Revised Code, the requirements of this section 55654

license is designated. 55786

Each professional development committee shall consist of at 55787

teacher members shall be elected by majority vote of the classroom 55795
teachers of the district, and the principal member shall be 55796
elected by a majority vote of the principals of the district, 55797

teachers serve. The district superintendent shall appoint a 55805
replacement to fill any vacancy that occurs on a professional 55806
development committee, except in the case of vacancies among the 55807
elected classroom teacher members, which shall be filled by vote 55808
of the remaining members of the committee so selected. 55809

the committees. A professional development committee may include 55814
additional members, except that the majority of members on each 55815
such committee shall be classroom teachers employed by the 55816
district. Any member appointed to fill a vacancy occurring prior 55817
to the expiration date of the term for which a predecessor was 55818

term. 55820

necessary, and shall adopt rules for the conduct of its meetings. 55826
Thereafter, the committee shall meet at the call of the 55827
chairperson or upon the filing of a petition with the district 55828
superintendent signed by a majority of the committee members 55829

(3) In the case of a school district in which an exclusive 55831
representative has been established pursuant to Chapter 4117. of 55832
the Revised Code, professional development committees shall be 55833
established in accordance with any collective bargaining agreement 55834
in effect in the district that includes provisions for such 55835
committees. 55836

If the collective bargaining agreement does not specify a 55837
different method for the selection of teacher members of the 55838
committees, the exclusive representative of the district's 55839
teachers shall select the teacher members. 55840

If the collective bargaining agreement does not specify a 55841
different structure for the committees, the board of education of 55842
the school district shall establish the structure, including the 55843
number of committees and the number of teacher and administrative 55844
members on each committee; the specific administrative members to 55845
be part of each committee; whether the scope of the committees 55846
will be district levels, building levels, or by type of grade or 55847
age levels for which educator licenses are designated; the lengths 55848
of terms for members; the manner of filling vacancies on the 55849
committees; and the frequency and time and place of meetings. 55850

this section, there shall be a majority of teacher members of any 55852
professional development committee, there shall be at least five 55853
total members of any professional development committee, and the 55854
exclusive representative shall designate replacement members in 55855
the case of vacancies among teacher members, unless the collective 55856
bargaining agreement specifies a different method of selecting 55857

such replacements. 55858

(4) Whenever an administrator's coursework plan is being 55859
discussed or voted upon, the local professional development 55860
committee shall, at the request of one of its administrative 55861
members, cause a majority of the committee to consist of 55862
administrative members by reducing the number of teacher members 55863
voting on the plan. 55864

education regional resource centers, college and university 55868
departments of education, head start programs, the eTech Ohio 55869
commission, and the Ohio education computer network may establish 55870
local professional development committees to determine whether the 55871
coursework proposed by their employees who are licensed or 55872

child under division (A) of section 3317.08 of the Revised Code 57548

district of residence shall pay to the board of the school 57551
district that is providing the special education such excess cost 57552

as is determined by using a formula approved by the department of 57553

section, the department shall pay that amount of excess cost to 57576
the district providing the services and shall deduct that amount 57577

Revised Code and the child is not a resident of the territory 57593
served by the county MR/DD board, the board may charge the 57594
district responsible for tuition with the educational costs in 57595
excess of the per pupil amount received by the board under ~~Chapter~~ 57596
Chapters 3306. and 3317. of the Revised Code. The amount of the 57597
excess cost shall be determined by the formula established by rule 57598
of the department of education under section 3323.14 of the 57599
Revised Code, and the payment for such excess cost shall be made 57600
by the school district directly to the county MR/DD board. 57601

assign its district employees to the STEM school, in which case 58022
section 3326.18 of the Revised Code shall not apply. The district 58023
and board may apply any other resources of the district to the 58024

(9) The treasurer of the STEM school sponsoring district or, 58041
if the STEM school sponsoring district is a municipal school 58042
district, the chief financial officer of the district, shall have 58043
all of the respective rights, authority, exemptions, and duties 58044
otherwise conferred upon the treasurer or chief financial officer 58045

Sec. 3327.02. (A) After considering each of the following 58047
factors, the board of education of a city, exempted village, or 58048
local school district may determine that it is impractical to 58049
transport a pupil who is eligible for transportation to and from a 58050
school under section 3327.01 of the Revised Code: 58051

(5) Whether and to what extent the additional service 58059
unavoidably disrupts current transportation schedules; 58060

(6) Whether other reimbursable types of transportation are 58061
available. 58062

(B)(1) Based on its consideration of the factors established 58063
in division (A) of this section, the board may pass a resolution 58064
declaring the impracticality of transportation. The resolution 58065
shall include each pupil's name and the reason for impracticality. 58066

additionally shall submit the resolution for concurrence to the 58070
educational service center that contains the local district's 58071
territory. If the educational service center governing board 58072
considers transportation by school conveyance practicable, it 58073
shall so inform the local board and transportation shall be 58074
provided by such local board. If the educational service center 58075
board agrees with the view of the local board, the local board may 58076
offer payment in lieu of transportation as provided in this 58077
section. 58078

(C) After passing the resolution declaring the impracticality 58079
of transportation, the district board shall offer to provide 58080
payment in lieu of transportation by doing the following: 58081

(1) In accordance with guidelines established by the 58082
department of education, informing the pupil's parent, guardian, 58083
or other person in charge of the pupil of both of the following: 58084

charge of the pupil a contract or other form on which the parent, 58091
guardian, or other person in charge of the pupil is given the 58092
option to accept or reject the board's offer of payment in lieu of 58093
transportation. 58094

(D) If the parent, guardian, or other person in charge of the 58095
pupil accepts the offer of payment in lieu of providing 58096
transportation, the board shall pay the parent, guardian, or other 58097
person in charge of the child an amount that shall be not less 58098
than the amount determined by the department of education as the 58099

minimum for payment in lieu of transportation, and not more than 58100
the amount determined by the department as the average cost of 58101
pupil transportation for the previous school year. Payment may be 58102
prorated if the time period involved is only a part of the school 58103

(E)(1)(a) Upon the request of a parent, guardian, or other 58105
person in charge of the pupil who rejected the payment in lieu of 58106
transportation, the department shall conduct mediation procedures. 58107

(b) If the mediation does not resolve the dispute, the state 58108
board of education shall conduct a hearing in accordance with 58109
Chapter 119. of the Revised Code. The state board may approve the 58110
payment in lieu of transportation or may order the board of 58111
education to provide transportation. The decision of the state 58112
board is binding in subsequent years and on future parties in 58113
interest provided the facts of the determination remain 58114
comparable. 58115

(2) The school district shall provide transportation for the 58116
pupil from the time the parent, guardian, or other person in 58117
charge of the pupil requests mediation until the matter is 58118
resolved under division (E)(1)(a) or (b) of this section. 58119

(F)(1) If the department determines that a school district 58120
board has failed or is failing to provide transportation as 58121
required by division (E)(2) of this section or as ordered by the 58122
state board under division (E)(1)(b) of this section, the 58123
department shall order the school district board to pay to the 58124

year. The school district board shall make payments on a schedule 58128
ordered by the department. 58129

(2) If the department subsequently finds that a school 58130

district board is not in compliance with an order issued under 58131

agreed upon by such boards. 58157

(B) The boards of two school districts may enter into a 58158
contract under this section to share the provision of 58159

such child under ~~division (D) of section 3317.022~~ 3306.12 of the 58163
Revised Code and may agree to pay any portion of such subsidy to 58164
the other district sharing the provision of transportation to that 58165
child. The contract shall delineate the transportation 58166
responsibilities of each district. 58167

A school district that enters into a contract under this 58168
section is not liable for any injury, death, or loss to the person 58169

into an agreement with one or more boards maintaining such school 58174
for the schooling of all its high school pupils, the board making 58175
such agreement is exempt from the payment of tuition at other high 58176
schools of pupils living within three miles of the school 58177

section 3313.98 of the Revised Code or the board of the other 58186
district has given its written consent thereto. If the board of 58187
any school district files with the state board of education a 58188
written complaint that transportation for resident pupils is being 58189

Upon receipt of the request to provide transportation, the 58214
board shall review the request and determine whether the board 58215
will accommodate the request. If the board agrees to transport the 58216
pupil, the board may transport the pupil to and from the nonpublic 58217
school and a collection point in the district, as determined by 58218
the board. If the board transports the pupil, the board may 58219

the superintendent shall notify the school district of this 58233

(1) "The Ohio college opportunity grant program" means the 58892
program established under section 3333.122 of the Revised Code. 58893

(2) "Rules for the Ohio college opportunity grant program" 58894
means the rules authorized in division (S) of section 3333.04 of 58895
the Revised Code for the implementation of the program. 58896

(B) In adopting rules for the Ohio college opportunity grant 58897
program, the chancellor of the Ohio board of regents may include 58898
provisions that give preferential or priority funding to 58899
low-income students who in their primary and secondary school work 58900
participate in or complete rigorous academic coursework, attain 58901
passing scores on the ~~tests~~ assessments prescribed in section 58902
3301.0710 of the Revised Code, or meet other high academic 58903

need for remediation and ensure academic success at the 58905
postsecondary education level. Any such rules shall include a 58906
specification of procedures needed to certify student achievement 58907
of primary and secondary standards as well as the timeline for 58908
implementation of the provisions authorized by this section. 58909

Sec. 3333.16. As used in this section "state institution of 58910
higher education" means an institution of higher education as 58911
defined in section 3345.12 of the Revised Code. 58912

(A) The chancellor of the Ohio board of regents shall do all 58913

institutions of higher education that ensure that students can 58916
begin higher education at any state institution of higher 58917
education and transfer coursework and degrees to any other state 58918
institution of higher education without unnecessary duplication or 58919
institutional barriers. The purpose of this requirement is to 58920
allow students to attain their highest educational aspirations in 58921
the most efficient and effective manner for the students and the 58922
state. These policies and procedures shall require state 58923
institutions of higher education to make changes or modifications, 58924

equivalency for that course at any state institution of higher 58926
education. 58927

(2) Develop and implement a universal course equivalency 58928
classification system for state institutions of higher education 58929
so that the transfer of students and the transfer and articulation 58930
of equivalent courses or specified learning modules or units 58931
completed by students are not inhibited by inconsistent judgment 58932
about the application of transfer credits. Coursework completed 58933
within such a system at one state institution of higher education 58934
and transferred to another institution shall be applied to the 58935
student's degree objective in the same manner as equivalent 58936
coursework completed at the receiving institution. 58937

(3) Develop a system of transfer policies that ensure that 58938
graduates with associate degrees which include completion of 58939
approved transfer modules shall be admitted to a state institution 58940
of higher education, shall be able to compete for admission to 58941
specific programs on the same basis as students native to the 58942
institution, and shall have priority over out-of-state associate 58943
degree graduates and transfer students. To assist a student in 58944
advising and transferring, all state institutions of higher 58945
education shall fully implement the ~~course applicability~~ 58946
information system for advising and transferring selected by, 58947

contracted for, or developed by the chancellor. 58948

(4) Examine the feasibility of developing a transfer 58949
marketing agenda that includes materials and interactive 58950
technology to inform the citizens of Ohio about the availability 58951
of transfer options at state institutions of higher education and 58952
to encourage adults to return to colleges and universities for 58953
additional education; 58954

(5) Study, in consultation with the state board of career 58955
colleges and schools, and in light of existing criteria and any 58956
other criteria developed by the articulation and transfer advisory 58957
council, the feasibility of credit recognition and transferability 58958
to state institutions of higher education for graduates who have 58959
received associate degrees from a career college or school with a 58960
certificate of registration from the state board of career 58961
colleges and schools under Chapter 3332. of the Revised Code. 58962

(B) All provisions of the existing articulation and transfer 58963
policy developed by the Ohio board of regents shall remain in 58964

The fund shall be used by the chancellor for loans made under 58979
division (A) of this section and for expenses of administering the 58980
loan program. 58981

loans received under division (C)(1)(a) of this section at a rate 58997
of twenty-five per cent per year, for a maximum of four years, for 58998
each year in which the borrower is so employed. A deferment of the 58999
service obligation, and other conditions regarding the forgiveness 59000
of loans may be granted as provided by the rules adopted under 59001
division (D)(7) of this section. 59002

(c) Loans awarded under division (C)(1)(a) of this section 59003
shall be awarded on the basis of the student's expected family 59004
contribution, with preference given to those applicants with the 59005
lowest expected family contribution. However, the chancellor may 59006
consider other factors the chancellor determines relevant in 59007
ranking the applications. 59008

(d) Each loan awarded to a student under division (C)(1)(a) 59009

of this section shall be not less than five thousand dollars per 59010

manner in which to distribute loans under this section. 59023

chancellor under the rule adopted under division (D)(7) of this 59048
section, in the case of other loans awarded under this section. 59049

college savings bond issue under division (A) of section 3334.04 60142
of the Revised Code only after ~~it~~ the chancellor has determined 60143
that the issuance would comply with section 3334.04 of the Revised 60144

Code. 60145

(C) The ~~authority~~ chancellor shall cooperate with all state 60146
issuing authorities in identifying potential bond issues which may 60147
be appropriate for designation as college savings bonds and shall 60148

fund appropriations for administrative costs. The sales period to 60164
which such price applies shall consist of twelve months, and the 60165
~~authority~~ chancellor by rule shall establish the date on which the 60166

tuition units to be insufficient to ensure the actuarial soundness 60169
of the Ohio tuition trust fund, the ~~authority~~ chancellor may 60170
adjust the price of tuition units purchased during the remainder 60171
of the sales period. To promote the purchase of tuition units and 60172
in accordance with actuarially sound principles, the ~~authority~~ 60173
chancellor may adjust the sales price as part of incentive 60174

multi-year installment plans at a fixed rate of purchase. 60176

Code. 60575

(K) The ~~authority~~ chancellor and other fiduciaries shall 60576
discharge their duties with respect to the funds with care, skill, 60577
prudence, and diligence under the circumstances then prevailing 60578
that a prudent person acting in a like capacity and familiar with 60579

such matters would use in the conduct of an enterprise of a like 60580

(B) The chancellor of the board of regents shall submit 60664

the ~~authority~~ chancellor sets the price for tuition units, 60685

the actuarial soundness of the fund, the ~~authority~~ chancellor 60691
shall adjust the price of subsequent purchases of tuition units to 60692
the extent necessary to help restore the actuarial soundness of 60693
the fund. If, at any time, the adjustment is likely, in the 60694
opinion of the ~~authority~~ chancellor, to diminish the marketability 60695
of tuition units to an extent that the continued sale of the units 60696
likely would not restore the actuarial soundness of the fund and 60697
external economic factors continue to negatively impact the 60698
soundness of the program, the ~~authority~~ chancellor may suspend 60699
sales, either permanently or temporarily, of tuition units. During 60700
any suspension, the ~~authority~~ chancellor shall continue to service 60701
existing college savings program accounts. 60702

(B) Upon termination of the program or liquidation of the 60703
Ohio tuition trust fund, the Ohio tuition trust reserve fund, and 60704

the ~~Ohio tuition trust authority~~ chancellor under this chapter 60711
within ninety days of the end of the fiscal year. The ~~authority~~ 60712
chancellor shall transmit a copy of the audited financial report 60713

prospective purchasers of tuition units and prospective 60719

Sec. 3334.16. The general assembly hereby finds that the 60721
prepaid tuition program providing for the sale of tuition ~~credits~~ 60722
units by the chancellor of the Ohio ~~tuition trust authority~~ board 60723
of regents is an official state function, offered through an 60724
agency of this state, which agency receives state appropriations. 60725
Therefore, the ~~authority~~ chancellor is directed by the state of 60726
Ohio to assume ~~it~~ the program is exempt from federal tax 60727
liability. 60728

Sec. 3334.17. (A) The state, any political subdivision of the 60729
state, and any organization that is exempt from federal income 60730

under this section shall be registered with the ~~authority~~ 60737
chancellor. The ~~authority~~ chancellor shall be notified of the name 60738
and address of each scholarship beneficiary under the program, the 60739
amounts awarded, and the institution of higher education in which 60740
the beneficiary is enrolled. Scholarship beneficiaries shall be 60741
selected by the entity establishing the scholarship program, in 60742
accordance with criteria established by the entity. 60743

(B) Any person or governmental entity may purchase tuition 60744
units on behalf of a scholarship program that is or is to be 60745
established in accordance with division (A) of this section at the 60746
same price as is established for the purchase of units for named 60747

the same value to the beneficiary of a scholarship awarded 60749
pursuant to this section as they would have to any other 60750
beneficiary pursuant to division (B) of section 3334.09 of the 60751
Revised Code. 60752

(C) The entity establishing and maintaining a scholarship 60753
program shall specify whether a scholarship beneficiary may 60754
receive a refund or payment for the amount awarded under the 60755

chancellor only to the institution of higher education in which 60758
the student is enrolled. 60759

(D) If a scholarship beneficiary does not use the amount 60760
awarded within a length of time specified under the scholarship 60761
program, the amount may be awarded to another beneficiary. 60762

Sec. 3334.18. (A) A variable college savings program 60763
established by the chancellor of the Ohio ~~tuition trust~~ authority 60764
board of regents shall include provisions for a contract to be 60765
entered into between a contributor and the ~~authority~~ chancellor 60766

that will authorize the contributor to open an account for a 60767
beneficiary and authorize the contributor to substitute a new 60768
beneficiary for one originally named in the contract, to the 60769
extent permitted by section 529 of the Internal Revenue Code. 60770

(B) The ~~authority~~ chancellor shall provide adequate 60771
safeguards to prevent total contributions to a variable college 60772
savings program account or purchases of tuition units, either 60773
separately or combined, that are made on behalf of a beneficiary 60774
from exceeding the amount necessary to provide for the tuition and 60775
other higher education expenses of the beneficiary, consistent 60776
with the maximum contributions permitted by section 529 of the 60777
Internal Revenue Code. However, in no event shall contributions or 60778
purchases exceed the allowable limit for a qualified tuition 60779
program under section 529 of the Internal Revenue Code. 60780

(C)(1) Participation in the variable college savings program 60781
does not guarantee that contributions and the investment return on 60782
contributions, if any, will be adequate to cover future tuition 60783
and other higher education expenses or that a beneficiary will be 60784
admitted to or permitted to continue to attend an institution of 60785
higher education. 60786

(2) Returns on contributors' investments in the variable 60787
college savings program are not guaranteed by the state and the 60788
contributors to the variable college savings program assume all 60789
investment risk, including the potential loss of principal and 60790
liability for penalties such as those levied for noneducational 60791
withdrawals. 60792

(3) The state shall have no debt or obligation to any 60793
contributor, beneficiary, or any other person as a result of the 60794
establishment of the program, and the state assumes no risk or 60795
liability for funds invested in the variable college savings 60796

have no right to have excises or taxes levied by the general 61093

that effect and to the effect that the right to such payment is 61096
limited to the available receipts and special funds pledged to 61097
such purpose under the bond proceedings. 61098

All pledged available receipts and funds and the proceeds of 61099

education as provided in division (C) of this section, and a 61117
pledge of and lien on such fund or funds provided in the bond 61118
proceedings arising from available receipts, which pledges and 61119
liens may provide for parity with obligations or assurances 61120
theretofore or thereafter issued by the institution. The available 61121
receipts so pledged and thereafter received by the institution and 61122
the funds so pledged are immediately subject to the lien of such 61123
pledge without any physical delivery thereof or further act, and 61124

parties having claims of any kind against the institution, 61126
irrespective of whether such parties have notice thereof, and 61127
shall create a perfected security interest for all purposes of 61128
Chapter 1309. of the Revised Code, without the necessity for 61129
separation or delivery of funds or for the filing or recording of 61130

certificate, statement, or other document with respect thereto; 61132
and the pledge of such available receipts and funds shall be 61133

the purposes for which pledged without necessity for any act of 61135
appropriation. 61136

(E) The bond proceedings may contain additional provisions 61137
customary or appropriate to the financing or to the obligations or 61138
assurances or to particular obligations and assurances, including: 61139

higher education with reference thereto; 61145

(2) The terms of the obligations or assurances, including 61146
provisions for their redemption prior to maturity at the option of 61147
the institution of higher education at such price or prices and 61148
under such terms and conditions as are provided in the bond 61149
proceedings; 61150

(3) Limitations on the purposes to which the proceeds of the 61151
obligations or assurances may be applied; 61152

(4) The rates or rentals or other charges for the use of or 61153

by the obligations or assurances, or other properties the revenues 61155
or receipts from which are pledged to the obligations or 61156
assurances, and rules for assuring any applicable use and 61157
occupancy thereof, including limitations upon the right to modify 61158
such rates, rentals, other charges, or regulations; 61159

(5) The use and expenditure of the pledged available receipts 61160
in such manner and to such extent as shall be determined, which 61161
may include provision for the payment of the expenses of 61162

entrepreneurial projects so that such expenses, or part thereof, 61164
shall be paid or provided as a charge prior or subsequent to the 61165
payment of bond service charges and any other payments required to 61166
be made by the bond proceedings; 61167

(6) Limitations on the issuance of additional obligations or 61168
assurances; 61169

(7) The terms of any trust agreement or indenture securing 61170
the obligations or assurances or under which the same may be 61171

issued; 61172

the safeguarding of funds on hand or on deposit without regard to 61174
Chapter 131. or 135. of the Revised Code, and any bank or trust 61175
company or other financial institution that acts as depository of 61176
any moneys under the bond proceedings shall furnish such 61177
indemnifying bonds or pledge such securities as required by the 61178
bond proceedings or otherwise by the institution of higher 61179
education; 61180

(9) The binding effect of any or every provision of the bond 61181
proceedings upon such officer, board, commission, authority, 61182
agency, department, or other person or body as may from time to 61183
time have the authority under law to take such actions as may be 61184
necessary to perform all or any part of the duty required by such 61185
provision; 61186

(10) Any provision that may be made in a trust agreement or 61187
indenture; 61188

facilities of the institution of higher education or its 61190
entrepreneurial projects, their operation, the available receipts 61191
and funds pledged, and insurance of facilities or entrepreneurial 61192
projects and of the institution, its officers and employees. 61193

(F) Such obligations or assurances may have the seal of the 61194
institution of higher education or a facsimile thereof affixed 61195
thereto or printed thereon and shall be executed by such officers 61196
as are designated in the bond proceedings, which execution may be 61197
by facsimile signatures. Any obligations or assurances may be 61198
executed by an officer who, on the date of execution, is the 61199
proper officer although on the date of such obligations or 61200
assurances such person was not the proper officer. In case any 61201
officer whose signature or a facsimile of whose signature appears 61202

on any such obligation or assurance ceases to be such officer 61203
before delivery thereof, such signature or facsimile is 61204
nevertheless valid and sufficient for all purposes as if the 61205
person had remained such officer until such delivery; and in case 61206
the seal of the institution has been changed after a facsimile of 61207
the seal has been imprinted on such obligations or assurances, 61208
such facsimile seal continues to be sufficient as to such 61209
obligations or assurances and obligations or assurances issued in 61210
substitution or exchange therefor. 61211

(G) All such obligations or assurances are negotiable 61212
instruments and securities under Chapter 1308. of the Revised 61213
Code, subject to the provisions of the bond proceedings as to 61214
registration. The obligations or assurances may be issued in 61215
coupon or in registered form, or both. Provision may be made for 61216
the registration of any obligations or assurances with coupons 61217
attached thereto as to principal alone or as to both principal and 61218
interest, their exchange for obligations or assurances so 61219
registered, and for the conversion or reconversion into 61220
obligations or assurances with coupons attached thereto of any 61221
obligations or assurances registered as to both principal and 61222
interest, and for reasonable charges for such registration, 61223
exchange, conversion, and reconversion. 61224

(H) Pending preparation of definitive obligations or 61225
assurances, the institution of higher education may issue interim 61226
receipts or certificates which shall be exchanged for such 61227
definitive obligations or assurances. 61228

(I) Such obligations or assurances may be secured 61229
additionally by a trust agreement or indenture between the 61230
institution of higher education and a corporate trustee, which may 61231
be any trust company or bank having the powers of a trust company 61232
within or without this state but authorized to exercise trust 61233
powers within this state. Any such agreement or indenture may 61234

contain the resolution authorizing the issuance of the obligations 61235
or assurances, any provisions that may be contained in the bond 61236
proceedings as authorized by this section, and other provisions 61237
which are customary or appropriate in an agreement or indenture of 61238
such type, including: 61239

(1) Maintenance of each pledge, trust agreement, and 61240
indenture, or other instrument comprising part of the bond 61241

secured thereby, or provision therefor has been made; 61244

(2) In the event of default in any payments required to be 61245
made by the bond proceedings, or any other agreement of the 61246
institution of higher education made as a part of the contract 61247

receiver, suit in equity, action at law, or any combination of the 61250
foregoing; 61251

(4) The replacement of any obligations or assurances that 61256
become mutilated or are destroyed, lost, or stolen; 61257

officers or employees, undertaken pursuant to the bond proceedings 61262
or any related agreement or lease made under authority of law, is 61263
hereby established as a duty of such institution, and of each such 61264
officer or employee having authority to perform such duty, 61265

61266 specially enjoined by law resulting from an office, trust, or
61267 station within the meaning of section 2731.01 of the Revised Code.
61268 The persons who are at the time the members of the board of
61269 trustees or the managing directors of the institution or its
61270 officers or employees are not liable in their personal capacities
61271 on such obligations or assurances, or lease, or other agreement of
61272 the institution.

61273 (K) The authority to issue obligations or assurances includes
61274 authority to:

61275 (1) Issue obligations or assurances in the form of bond
61276 anticipation notes and to renew them from time to time by the
61277 issuance of new notes. Such notes are payable solely from the
61278 available receipts and funds that may be pledged to the payment of
61279 such bonds, or from the proceeds of such bonds or renewal notes,
61280 or both, as the institution of higher education provides in its
61281 resolution authorizing such notes. Such notes may be additionally
61282 secured by covenants of the institution to the effect that it will
61283 do such or all things necessary for the issuance of such bonds or
61284 renewal notes in appropriate amount, and either exchange such
61285 bonds or renewal notes therefor or apply the proceeds thereof to
61286 the extent necessary, to make full payment of the bond service
61287 charges on such notes at the time or times contemplated, as

61289 division, all references to obligations or assurances in this
61290 section apply to such anticipation notes.

obligations or assurances, and any expenses incurred or to be 61301
incurred in connection with such refunding or the issuance of the 61302
obligations or assurances. 61303

(L) Obligations and assurances are lawful investments for 61304
banks, societies for savings, savings and loan associations, 61305

(P) Except where costs of facilities or entrepreneurial 61347
projects are to be paid in whole or in part from funds 61348
appropriated by the general assembly, section 125.81 of the 61349
Revised Code and the requirement for certification with respect 61350
thereto under section 153.04 of the Revised Code do not apply to 61351
such facilities or entrepreneurial projects. 61352

(Q) A state university or college may sell or lease lands or 61353

for such appraised value, or leased, and on such terms as the 61364
board of trustees determines. All deeds or other instruments 61365
relating to such sales or leases shall be executed by such officer 61366
of the state university or college as the board of trustees 61367
designates. The state university or college shall hold, invest, or 61368

elapsed, whichever occurs first. 61844

longer in place or a conversion under division (H) of this section 61846
has occurred, the governor shall fill the vacancy with a person 61847
residing within the eastern gateway community college district. 61848

(D) The board of trustees of the eastern gateway community 61849
college district shall continue to comply with division (G) of 61850

section 3354.09 of the Revised Code regarding tuition for students 61851
who are residents of Ohio but not residents of the district, and 61852
for students who are nonresidents of Ohio. The tuition rate shall 61853
be based on the student's county of residence and shall apply to 61854
all eastern gateway community college district classes in all 61855
district locations. Except as provided in division (F)(3) of this 61856
section, students who are residents of Columbiana, Mahoning, or 61857

division (F)(3) of this section that is equivalent to the tax levy 61871
approved by the electors of Jefferson county for the support of 61872
the former community college district of Jefferson county on the 61873
effective date of this section. For the purposes of this division, 61874
the tax levy is an equivalent tax levy if either: 61875

(a) In the first tax year for which the tax is collected, it 61876
yields revenue per capita equal to or greater than the yield per 61877
capita of levies of the community college district in effect that 61878
year in Jefferson county, as jointly determined by the county 61879
auditors of Jefferson, Columbiana, Mahoning, and Trumbull 61880
counties; or 61881

(b) In the first tax year for which the tax is collected, the effective tax rate of the tax is equal to or greater than the effective tax rate of levies of the community college district in effect that tax year in Jefferson county, as jointly determined by the county auditors of Jefferson, Columbiana, Mahoning, and Trumbull counties. 61882

61903
61904
61905

(c) "Tax duplicate" means the tax duplicate of only the appropriate taxing subdistrict and not the tax duplicate of the entire eastern gateway community college district. 61906
61907
61908

(2) The board of trustees may propose to levy a tax on taxable property in Jefferson county to be voted on by the electors of Jefferson county as provided in division (F)(1) of this section. An affirmative vote by a majority of the electors of 61909

the subdistrict voting on the question is necessary for passage. 61913
Any money raised by a tax levied by the former community college 61914
district of Jefferson county or a subsequent tax levied in 61915
Jefferson county in accordance with division (F)(1) of this 61916
section shall be used solely for the benefit of Jefferson county 61917
residents attending the eastern gateway community college in the 61918
form of student tuition subsidies, student scholarships, and 61919
instructional facilities, equipment, and support services located 61920
within Jefferson county, or for any purpose approved by the 61921
electors. Such amounts shall be deposited into a separate fund of 61922
the taxing subdistrict, and shall be budgeted separately. 61923

(3) The board of trustees may propose to levy a tax on 61924
taxable property in Columbiana, Mahoning, and Trumbull counties to 61925

division (F)(1) of this section. An affirmative vote by a majority 61927
of the electors of the subdistrict voting on the question is 61928
necessary for passage. Any amounts raised by such a tax in the tax 61929
subdistrict shall be used solely for the benefit of residents of 61930
the subdistrict attending the eastern gateway community college in 61931
the form of student tuition subsidies, student scholarships, and 61932

within Columbiana, Mahoning, and Trumbull counties, or for any 61934
purpose approved by the electors. Amounts collected shall be 61935
deposited into a separate fund from all other revenues collected 61936
by each taxing subdistrict. 61937

The board of trustees may adjust the rate of tuition charged 61938
to each taxing subdistrict's residents to an amount commensurate 61939
with the amount of tax the board of trustees dedicates for 61940
instructional and general services provided to the residents of 61941
the subdistrict. 61942

(G) The board of trustees of the eastern gateway community 61943
college district may issue bonds in accordance with section 61944

3354.11 of the Revised Code, but the board may limit the question 61945
of approval of the issue of those bonds to the electors of only 61946
one of the two taxing subdistricts, in which case the board also 61947
may limit the use of the property or improvements to the residents 61948
of that subdistrict. 61949

(H) If the tax levy in Jefferson county expires, is not 61950
renewed, or is not approved by the electors of Jefferson county 61951
and the other taxing subdistrict does not levy a tax for the 61952
purposes of this section, the board of trustees of the eastern 61953
gateway community college district shall submit a proposal to the 61954
chancellor of the board of regents to convert to a state community 61955
college and, upon the chancellor's approval of the proposal, enter 61956
into a transition agreement with the chancellor following the 61957
procedures set forth in section 3358.05 of the Revised Code for a 61958
technical college district. 61959

(A) The student may elect at the time of enrollment to be responsible for payment of all tuition and the cost of all textbooks, materials, and fees associated with the course. The college shall notify the student about payment of tuition and fees in the customary manner followed by the college. A student electing this option also shall elect, at the time of enrollment, whether to receive only college credit or high school credit and college credit for the course.

(1) The student may elect to receive only college credit for the course. Except as provided in section 3365.041 of the Revised Code, if the student successfully completes the course, the college shall award the student full credit for the course, but the board of education, community school governing authority, STEM school, or nonpublic participating school shall not award the high school credit.

Sec. 3365.041. (A) When a school district superintendent, the 62054
governing authority of a community school, or the chief 62055

The notice shall indicate the date the expulsion is scheduled to 62062

school has adopted a policy under section 3313.613 of the Revised 62065
Code to deny high school credit for post-secondary courses taken 62066

school under division (B) of section 3313.66 of the Revised Code. 62074
As provided in section 3365.03 of the Revised Code, regardless of 62075
whether the college withdraws its acceptance of the student for 62076
the college term in which the student is expelled, the student is 62077
ineligible to enroll in a college under that section for 62078
subsequent college terms during the period of the expulsion, 62079
unless the student enrolls in another school district or community 62080
school, or a participating nonpublic school during that period. 62081

If a college withdraws its acceptance of an expelled student 62082
who elected either option of division (A)(1) or (2) of section 62083
3365.04 of the Revised Code, the college shall refund tuition and 62084
fees paid by the student in the same proportion that it refunds 62085
tuition and fees to students who voluntarily withdraw from the 62086
college at the same time in the term. 62087

If a college withdraws its acceptance of an expelled student 62088
who elected the option of division (B) of section 3365.04 of the 62089
Revised Code, the school district, community school, or STEM 62090
school shall not award high school credit for the college courses 62091

its acceptance, and any reimbursement under section 3365.07 of the 62093
Revised Code or through alternative funding agreements entered 62094
into under rules adopted under section 3365.12 of the Revised Code 62095
for the student's attendance prior to the withdrawal shall be the 62096
same as would be paid for a student who voluntarily withdrew from 62097
the college at the same time in the term. If the withdrawal 62098
results in the college's receiving no reimbursement, the college 62099
may require the student to return or pay for the textbooks and 62100

materials it provided the student free of charge under section 62101
3365.08 of the Revised Code. 62102

(C) When a student who elected the option of division (B) of 62103
section 3365.04 of the Revised Code is expelled under division (B) 62104
of section 3313.66 of the Revised Code from a school district, 62105
community school, or STEM school that has adopted a policy under 62106
section 3313.613 of the Revised Code, that election is 62107
automatically revoked for all college courses in which the student 62108
is enrolled during the college term in which the expulsion is 62109
imposed. Any reimbursement under section 3365.07 of the Revised 62110
Code or through alternative funding agreements entered into under 62111
rules adopted under section 3365.12 of the Revised Code for the 62112
student's attendance prior to the expulsion shall be the same as 62113
would be paid for a student who voluntarily withdrew from the 62114
college at the same time in the term. If the revocation results in 62115
the college's receiving no reimbursement, the college may require 62116
the student to return or pay for the textbooks and materials it 62117
provided the student free of charge under section 3365.08 of the 62118
Revised Code. 62119

No later than five days after receiving an expulsion notice 62120
from the superintendent of a district, the governing authority of 62121
a community school, or the chief administrative officer of a STEM 62122
school that has adopted a policy under section 3313.613 of the 62123
Revised Code, the college shall send a written notice to the 62124
expelled student that the student's election of division (B) of 62125
section 3365.04 of the Revised Code is revoked. If the college 62126
elects not to withdraw its acceptance of the student, the student 62127
shall pay all applicable tuition and fees for the college courses 62128
and shall pay for the textbooks and materials that the college 62129
provided under section 3365.08 of the Revised Code. 62130

Sec. 3365.07. (A) The rules adopted under section 3365.02 of 62131

the Revised Code shall specify a method for each of the following: 62132

percentage of a full-time educational program constituted by the 62134
participant's total educational program. That percentage shall be 62135
the participant's full-time equivalency percentage for purposes of 62136
the computation required by division (B)(1) of this section. 62137

(2) In the case of a participant who is not enrolled in a 62138
participating nonpublic school, determining the percentage of a 62139
participant's school day during which the participant is 62140
participating in each of the following: 62141

(a) Programs provided by the city, local, or exempted village 62142
school district, a community school, or a STEM school; 62143

(b) Programs provided by a joint vocational school district; 62144

(c) Programs provided by a college under division (B) of 62145
section 3365.04 of the Revised Code. 62146

The sum of divisions (A)(2)(a) to (c) of this section shall equal 62147
one hundred per cent. 62148

(3) In the case of a participant who is not enrolled in a 62149
participating nonpublic school, determining the percentage of a 62150
participant's enrollment that shall be deemed to be enrollment in 62151
a joint vocational school district and the percentage that shall 62152
be deemed to be enrollment in a city, local, or exempted village 62153
school district. The sum of such percentages shall equal one 62154
hundred per cent. 62155

(4) In the case of a participant who is enrolled in a 62156
participating nonpublic school, determining the percentage of a 62157
participant's school day during which the participant is 62158
participating in programs provided by a college under division (B) 62159
of section 3365.04 of the Revised Code. 62160

(B) Each July, unless provided otherwise in an alternative 62161

funding agreement entered into under rules adopted under section 62162
3365.12 of the Revised Code, the department of education shall pay 62163
each college for any participant enrolled in the college in the 62164
prior school year under division (B) of section 3365.04 of the 62165
Revised Code an amount computed as follows: 62166

(1) Multiply the tuition base by the participant's full-time 62167
equivalency percentage and multiply the resulting amount by a 62168
percentage equal to the percentage of the participant's school day 62169
apportioned to the college under division (A)(2)(c) or (4) of this 62170
section, as applicable. 62171

(2) Pay the college the lesser of: 62172

(a) The amount computed under division (B)(1) of this 62173
section; 62174

(b) The actual costs that would have been the responsibility 62175
of the participant had the participant elected to enroll under 62176
division (A) of section 3365.04 of the Revised Code, as verified 62177
by the department, of tuition, textbooks, materials, and fees 62178
directly related to any courses elected by the participant during 62179
the prior school year under division (B) of section 3365.04 of the 62180
Revised Code. 62181

(C) The department shall not reimburse any college for any 62182
course taken by a participant under division (A) of section 62183
3365.04 of the Revised Code. 62184

(D) If the participant was not enrolled in a participating 62185
nonpublic school, the amount paid under division (B) of this 62186
section for each participant shall be subtracted from the school 62187
foundation payments made to the participant's school district or, 62188
if the participant was enrolled in a community school or a STEM 62189
school, from the payments made to the participant's school under 62190
section 3314.08 or 3326.33 of the Revised Code. If the participant 62191
was enrolled in a joint vocational school district, a portion of 62192

the amount shall be subtracted from the payments to the joint vocational school district and a portion shall be subtracted from the payments to the participant's city, local, or exempted village school district. The amount of the payment subtracted from the city, local, or exempted village school district shall be computed as follows:

(1) Add the following:

(a) The percentage of the participant's enrollment in the school district, determined under division (A)(3) of this section; and

(b) Twenty-five per cent times the percentage of the participant's enrollment in the joint vocational school district, determined under division (A)(3) of this section.

(2) Multiply the sum obtained under division (D)(1) of this section by the amount computed under division (B)(2) of this section.

The balance of the payment shall be subtracted from the joint vocational district's school foundation payments.

(E) If the participant was enrolled in a participating nonpublic school, the amount paid under division (B) of this section shall be subtracted from moneys set aside by the general assembly for such purpose from funds appropriated for the purposes of section 3317.06 of the Revised Code.

Sec. 3365.08. (A) A college that expects to receive or receives reimbursement under section 3365.07 of the Revised Code or through alternative funding agreements entered into under rules adopted under section 3365.12 of the Revised Code shall furnish to a participant all textbooks and materials directly related to a course taken by the participant under division (B) of section 3365.04 of the Revised Code. No college shall charge such

participant for tuition, textbooks, materials, or other fees 62223
directly related to any such course. 62224

(B) No student enrolled under this chapter in a course for 62225
which credit toward high school graduation is awarded shall 62226
receive direct financial aid through any state or federal program. 62227

school students in grades eleven and twelve under section 3327.01 62229
of the Revised Code, a parent of a pupil enrolled in a course 62230
under division (A)(2) or (B) of section 3365.04 of the Revised 62231
Code may apply to the board of education for full or partial 62232
reimbursement for the necessary costs of transporting the student 62233
between the secondary school the student attends and the college 62234
in which the student is enrolled. Reimbursement may be paid solely 62235
from funds received by the district under ~~division (D) of section~~ 62236
~~3317.022~~ 3306.12 of the Revised Code. The state board of education 62237
shall establish guidelines, based on financial need, under which a 62238
district may provide such reimbursement. 62239

authority of the community school for full or partial 62245
reimbursement of the necessary costs of transporting the student 62246
between the community school and the college. The governing 62247
authority may pay the reimbursement in accordance with the state 62248
board's rules adopted under division (C) of this section solely 62249
from funds paid to it under section 3314.091 of the Revised Code. 62250

college course in which a student is enrolled if during the term 62254
such student is enrolled in the college course the student is also 62255
a full-time student in the student's district, community school, 62256
STEM school, or nonpublic school. The rules adopted under section 62257

(C) If such a subtraction under division (B) of this section results in a positive number, the department shall notify the applicant within three weeks of the receipt of ~~his~~ the application that ~~he~~ such applicant may participate in the post-secondary enrollment options program to the extent indicated in the application.

(D) If such a subtraction under division (B) of this section results in a negative number, the department shall, within one week of the receipt of such application, notify the applicant, the applicant's nonpublic school, and the college accepting the applicant that funds will not be available for the applicant's participation in the program during the year for which the application was made. The department shall also notify all applicants whose applications for that year are subsequently received, their nonpublic schools, and the colleges accepting them of the same fact.

applicant in such year. 62319

Sec. 3365.12. The superintendent of public instruction and 62320

number of precincts participating in such election, in order to 62416
fix the cost per precinct; third, the cost per precinct shall be 62417

division (E) of section 3501.01 of the Revised Code for the 62438
holding of a primary election, for the purpose of submitting to 62439
the voters of the state constitutional amendments proposed by the 62440

general assembly, and a subdivision conducts a special election on 62441
the same day, the entire cost of the special election shall be 62442
divided proportionally between the state and the subdivision based 62443
upon a ratio determined by the number of issues placed on the 62444
ballot by each, except as otherwise provided in division (G) of 62445
this section. Such proportional division of cost shall be made 62446
only to the extent funds are available for such purpose from 62447
amounts appropriated by the general assembly to the secretary of 62448
state. If a primary election is also being conducted in the 62449
subdivision, the costs shall be apportioned as otherwise provided 62450
in this section. 62451

(F) When a precinct is open during a general, primary, or 62452
special election solely for the purpose of submitting to the 62453
voters a statewide ballot issue, the state shall bear the entire 62454
cost of the election in that precinct and shall reimburse the 62455
county for all expenses incurred in opening the precinct. 62456

the secretary of state to pay the costs of advertising state 62469
ballot issues as required under division (G)(1) of this section. 62470
Any such transfers may be requested from and approved by the 62471

(H) The cost of renting, heating, and lighting registration 62474
places; the cost of the necessary books, forms, and supplies for 62475
the conduct of registration; and the cost of printing and posting 62476
precinct registration lists shall be charged to the subdivision in 62477
which such registration is held. 62478

this section for the payment of any expense related to the duties 62484

Revised Code, upon approval of a majority of the members of the 62486

board's offices, other than compensation for overtime worked. 62491

Notwithstanding sections 5705.14, 5705.15, and 5705.16 of the 62492
Revised Code, the board of county commissioners may, by 62493
resolution, transfer money to the elections revenue fund from any 62494
other fund of the political subdivision from which such payments 62495
lawfully may be made. Following an affirmative vote of a majority 62496
of the members of the board of elections, the board of county 62497
commissioners may, by resolution, rescind an elections revenue 62498
fund established under this division. If an elections revenue fund 62499
is rescinded, money that has accumulated in the fund shall be 62500
transferred to the county general fund. 62501
