(8) In granting a certificate of need, the director shall 63603
specify as the maximum capital expenditure the certificate holder 63604
may obligate under the certificate a figure equal to one hundred 63605

ten per cent of the approved project cost. 63606

(9) In granting a certificate of need, the director may grant 63607

119.09 of the Revised Code, subpoenas duces tecum to compel the 63624
production of documents relevant to review of the application or 63625
monitoring of the activities. In addition, the director or the 63626
director's designee, which may include a health service agency, 63627

Sec. 3702.524. (A) Except as provided in division (B) ~~or (C)~~ 63648
of this section, a certificate of need granted on or after April 63649
20, 1995, is not transferable prior to the completion of the 63650
reviewable activity for which it was granted. If any person 63651
holding a certificate of need issued on or after that date 63652
transfers the certificate of need to another person before the 63653
reviewable activity is completed, or enters into an agreement that 63654
contemplates the transfer of the certificate of need on the 63655
completion of the reviewable activity, the certificate of need is 63656
void. If the controlling interest in an entity that holds a 63657
certificate of need issued on or after that date is transferred 63658
prior to the completion of the reviewable activity, the 63659
certificate of need is void. 63660

(B) Division (A) of this section does not prohibit the 63661
transfer of a certificate of need issued on or after April 20, 63662
1995, between affiliated or related persons, as defined in rules 63663
adopted under section 3702.57 of the Revised Code, if the transfer 63664
does not result in a change in the person that holds the ultimate 63665
controlling interest, as defined in the rules, in the certificate 63666
of need. 63667

The transfer of a health care facility after the completion of a reviewable activity for which a certificate of need was issued on or after April 20, 1995, is not a transfer of the certificate of need, unless the facility is transferred pursuant to an agreement entered into prior to the completion of the reviewable activity.

~~(C) Division (A) of this section does not apply to a transfer of a certificate of need that meets all of the following conditions:~~

~~(1) The certificate of need is transferred for no more than the amount of money the person transferring the certificate expended for reasonable and necessary expenses incurred in applying for and obtaining the certificate;~~

~~(2) The person holding the certificate of need is unable to complete the reviewable activity for which it was issued due to circumstances beyond the person's control, including zoning restrictions, natural disasters, or comparable events;~~

~~(3) The director, after reviewing documentation supplied by the person transferring the certificate of need, certifies in writing prior to the transfer that the transfer meets the conditions specified in divisions (C)(1) and (2) of this section.~~

~~If the person that acquires a certificate of need under this division intends to implement the project other than in substantial compliance with the approved application for the certificate, that change is a reviewable activity for which the person must obtain another certificate of need.~~

Sec. 3702.525. (A) Not later than twenty-four months after the date the director of health mails the notice that the certificate of need has been granted or, if the grant or denial of the certificate of need is appealed under section 3702.60 of the

Revised Code, not later than twenty-four months after issuance of 63698
an order granting the certificate that is not subject to further 63699
appeal, each person holding a certificate of need granted on or 63700
after April 20, 1995, shall: 63701

(1) If the project for which the certificate of need was 63702
granted primarily involves construction and is to be financed 63703
primarily through external borrowing of funds, secure financial 63704
commitment for the stated purpose of developing the project and 63705
commence construction that continues uninterrupted except for 63706
interruptions or delays that are unavoidable due to reasons beyond 63707
the person's control, including labor strikes, natural disasters, 63708
material shortages, or comparable events; 63709

(2) If the project for which the certificate of need was 63710
granted primarily involves construction and is to be financed 63711
primarily internally, receive formal approval from the holder's 63712
board of directors or trustees or other governing authority to 63713
commit specified funds for implementation of the project and 63714
commence construction that continues uninterrupted except for 63715
interruptions or delays that are unavoidable due to reasons beyond 63716
the person's control, including labor strikes, natural disasters, 63717
material shortages, or comparable events; 63718

(3) If the project for which the certificate of need was 63719
granted primarily involves acquisition of medical equipment, enter 63720
into a contract to purchase or lease the equipment and to accept 63721

to existing structures, provide the health service or activity by 63725
the means specified in the approved application for the 63726
certificate; 63727

(5) If the project for which the certificate of need was 63728

granted primarily involves leasing a building or space that 63729
requires only minor renovations to the existing space, execute a 63730
lease and provide the health service or activity by the means 63731
specified in the approved application for the certificate; 63732

(6) If the project for which the certificate of need was 63733
granted primarily involves leasing a building or space that has 63734
not been constructed or requires substantial renovations to 63735
existing space, commence construction for the purpose of 63736
implementing the reviewable activity that continues uninterrupted 63737
except for interruptions or delays that are unavoidable due to 63738
reasons beyond the person's control, including labor strikes, 63739
natural disasters, material shortages, or comparable events. 63740

(B) The twenty-four-month period specified in division (A) of 63741
this section shall not be extended by any means, including the 63742
~~transfer of a certificate of need under division (C) of section~~ 63743

shall use certified scales to determine the tonnage of 66622
construction and demolition debris that is transported to the 66623
facility for disposal. 66624

(3) The owner or operator of a construction and demolition 66625
debris facility or a solid waste facility shall collect the fee 66626

fee under division (B) of section 3734.57 of the Revised Code. 66732

The board of county commissioners may appropriate the money 66733
from the fee by adopting a resolution establishing the amount of 66734
the fee to be appropriated. Upon doing so, the board of county 66735
commissioners shall mail a certified copy of the resolution to the 66736
board of health of the health district in which the construction 66737

Sec. 3722.08. (A) If the director of health determines that an adult care facility is in violation of this chapter or rules adopted under it, the director may impose a civil penalty on the owner of the facility, pursuant to rules adopted by the public health council under this chapter, ~~on the owner of the facility~~. The director shall determine the classification and amount of the penalty by considering the following factors:

(2) Actions taken by the owner or manager to correct the violation;

(3) The number, if any, of previous violations by the adult care facility.

(B) The director shall give written notice of the order imposing a civil penalty to the adult care facility by certified mail, return receipt requested, or shall provide for delivery of the notice in person. working days after it has received the notice, the director shall 68672
hold a conference with representatives of the facility concerning 68673
the civil penalty. The conference shall be held not later than 68674
seven days after the director receives the request. The conference 68675
shall be conducted as prescribed in division (C) of section 68676

in the time prescribed by the director, the director shall issue 68691
an order upholding the penalty, plus interest at the rate 68692
specified in section 1343.03 of the Revised Code for each day 68693
beyond the date set for payment of the penalty. The director may 68694
waive the interest payment for the period prior to the conference 68695
if the director concludes that the conference was necessitated by 68696
a legitimate dispute. 68697

(E) The director may cancel or reduce the penalty for a class 68698
I violation if the facility corrects the violation within the time 68699
specified in the notice ~~unless~~, except that the director shall 68700

impose the penalty even though the facility has corrected the violation if a resident suffers physical harm because of the violation or ~~unless~~ the facility has been cited previously for the same violation, ~~in which case the director shall impose the penalty even though the facility has corrected the violation.~~ The director ~~shall~~ may cancel the penalty for a class II or class III violation if the facility corrects the violation within the time specified in the notice ~~unless~~ and the facility has not been cited previously for the same violation. license, the director may petition the court of common pleas in 68734

Code by holding a valid and current hotel license. Each person 69422
proposing to open an agricultural labor camp shall submit with the 69423
application for a license any plans required by any rule adopted 69424
under section 3733.42 of the Revised Code. The For any license 69425
issued on or after July 1, 2009, the annual license fee is 69426
~~seventy-five~~ one hundred fifty dollars, unless the application for 69427
a license is made on or after the fifteenth day of April in any 69428
given year, in which case the annual license fee is one hundred 69429
sixty-six dollars. ~~An~~ For any license issued on or after July 1, 69430
2009, an additional fee of ~~ten~~ twenty dollars per housing unit per 69431
year shall be assessed to defray the costs of enforcing sections 69432
3733.41 to 3733.49 of the Revised Code, unless the application for 69433

a license is made on or after the fifteenth day of April in any 69434
given year, in which case an additional fee of ~~fifteen~~ forty-two 69435
dollars and fifty cents per housing unit shall be assessed. All 69436
fees collected under this division shall be deposited in the state 69437
treasury to the credit of the general operations fund created in 69438
section 3701.83 of the Revised Code and shall be used for the 69439
administration and enforcement of sections 3733.41 to 3733.49 of 69440
the Revised Code and rules adopted thereunder. 69441

(B) Any license under this section may be denied, suspended, 69442
or revoked by the licensor for violation of sections 3733.41 to 69443
3733.49 of the Revised Code or the rules adopted thereunder. 69444
Unless there is an immediate serious public health hazard, no 69445
denial, suspension, or revocation of a license shall be made 69446
effective until the person operating the agricultural labor camp 69447
has been given notice in writing of the specific violations and a 69448
reasonable time to make corrections. When the licensor determines 69449
that an immediate serious public health hazard exists, the 69450
licensor shall issue an order denying or suspending the license 69451
without a prior hearing. 69452

(C) All proceedings under this section are subject to Chapter 69453
119. of the Revised Code except as provided in section 3733.431 of 69454
the Revised Code. 69455

(D) Every occupant of an agricultural labor camp shall keep 69456
that part of the dwelling unit, and premises thereof, that the 69457
occupant occupies and controls in a clean and sanitary condition. 69458

Sec. 3734.05. (A)(1) Except as provided in divisions (A)(4), 69459
(8), and (9) of this section, no person shall operate or maintain 69460
a solid waste facility without a license issued under this 69461
division by the board of health of the health district in which 69462
the facility is located or by the director of environmental 69463
protection when the health district in which the facility is 69464

located is not on the approved list under section 3734.08 of the Revised Code. 69465
69466

During the month of December, but before the first day of 69467
January of the next year, every person proposing to continue to 69468
operate an existing solid waste facility shall procure a license 69469
under this division to operate the facility for that year from the 69470
board of health of the health district in which the facility is 69471
located or, if the health district is not on the approved list 69472
under section 3734.08 of the Revised Code, from the director. The 69473
application for such a license shall be submitted to the board of 69474
health or to the director, as appropriate, on or before the last 69475
day of September of the year preceding that for which the license 69476
is sought. In addition to the application fee prescribed in 69477
division (A)(2) of this section, a person who submits an 69478
application after that date shall pay an additional ten per cent 69479
of the amount of the application fee for each week that the 69480
application is late. Late payment fees accompanying an application 69481
submitted to the board of health shall be credited to the special 69482
fund of the health district created in division (B) of section 69483
3734.06 of the Revised Code, and late payment fees accompanying an 69484
application submitted to the director shall be credited to the 69485
general revenue fund. A person who has received a license, upon 69486
sale or disposition of a solid waste facility, and upon consent of 69487
the board of health and the director, may have the license 69488
transferred to another person. The board of health or the director 69489
may include such terms and conditions in a license or revision to 69490
a license as are appropriate to ensure compliance with this 69491
chapter and rules adopted under it. The terms and conditions may 69492
establish the authorized maximum daily waste receipts for the 69493
facility. Limitations on maximum daily waste receipts shall be 69494
specified in cubic yards of volume for the purpose of regulating 69495
the design, construction, and operation of solid waste facilities. 69496
Terms and conditions included in a license or revision to a 69497

license by a board of health shall be consistent with, and pertain 69498
only to the subjects addressed in, the rules adopted under 69499
division (A) of section 3734.02 and division (D) of section 69500
3734.12 of the Revised Code. 69501

(2)(a) Except as provided in divisions (A)(2)(b), (8), and 69502
(9) of this section, each person proposing to open a new solid 69503
waste facility or to modify an existing solid waste facility shall 69504
submit an application for a permit with accompanying detail plans 69505
and specifications to the environmental protection agency for 69506
required approval under the rules adopted by the director pursuant 69507
to division (A) of section 3734.02 of the Revised Code and 69508
applicable rules adopted under division (D) of section 3734.12 of 69509
the Revised Code at least two hundred seventy days before proposed 69510
operation of the facility and shall concurrently make application 69511
for the issuance of a license under division (A)(1) of this 69512
section with the board of health of the health district in which 69513
the proposed facility is to be located. 69514

(b) On and after the effective date of the rules adopted 69515
under division (A) of section 3734.02 of the Revised Code and 69516
division (D) of section 3734.12 of the Revised Code governing 69517
solid waste transfer facilities, each person proposing to open a 69518
new solid waste transfer facility or to modify an existing solid 69519
waste transfer facility shall submit an application for a permit 69520
with accompanying engineering detail plans, specifications, and 69521
information regarding the facility and its method of operation to 69522
the environmental protection agency for required approval under 69523
those rules at least two hundred seventy days before commencing 69524
proposed operation of the facility and concurrently shall make 69525
application for the issuance of a license under division (A)(1) of 69526
this section with the board of health of the health district in 69527
which the facility is located or proposed. 69528

(c) Each application for a permit under division (A)(2)(a) or 69529

(b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (A)(1) or (2) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special fund of the health district created in division (B) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (A)(1), (2), (3), or (4) of section 3734.06 of the Revised Code.

(d) As used in divisions (A)(2)(d), (e), and (f) of this section, "modify" means any of the following:

(i) Any increase of more than ten per cent in the total capacity of a solid waste facility;

(ii) Any expansion of the limits of solid waste placement at a solid waste facility;

(iii) Any increase in the depth of excavation at a solid waste facility;

(iv) Any change in the technique of waste receipt or type of waste received at a solid waste facility that may endanger human health, as determined by the director by rules adopted in accordance with Chapter 119. of the Revised Code.

Not later than thirty-five days after submitting an application under division (A)(2)(a) or (b) of this section for a

permit to open a new or modify an existing solid waste facility, 69561
the applicant, in conjunction with an officer or employee of the 69562
environmental protection agency, shall hold a public meeting on 69563
the application within the county in which the new or modified 69564
solid waste facility is or is proposed to be located or within a 69565
contiguous county. Not less than thirty days before holding the 69566
public meeting on the application, the applicant shall publish 69567
notice of the meeting in each newspaper of general circulation 69568
that is published in the county in which the facility is or is 69569
proposed to be located. If no newspaper of general circulation is 69570
published in the county, the applicant shall publish the notice in 69571
a newspaper of general circulation in the county. The notice shall 69572
contain the date, time, and location of the public meeting and a 69573
general description of the proposed new or modified facility. Not 69574
later than five days after publishing the notice, the applicant 69575
shall send by certified mail a copy of the notice and the date the 69576
notice was published to the director and the legislative authority 69577
of each municipal corporation, township, and county, and to the 69578
chief executive officer of each municipal corporation, in which 69579
the facility is or is proposed to be located. At the public 69580
meeting, the applicant shall provide information and describe the 69581
application and respond to comments or questions concerning the 69582
application, and the officer or employee of the agency shall 69583
describe the permit application process. At the public meeting, 69584
any person may submit written or oral comments on or objections to 69585
the application. Not more than thirty days after the public 69586
meeting, the applicant shall provide the director with a copy of a 69587
transcript of the full meeting, copies of any exhibits, displays, 69588
or other materials presented by the applicant at the meeting, and 69589
the original copy of any written comments submitted at the 69590
meeting. 69591

(e) Except as provided in division (A)(2)(f) of this section, 69592
prior to taking an action, other than a proposed or final denial, 69593

upon an application submitted under division (A)(2)(a) of this 69594
section for a permit to open a new or modify an existing solid 69595
waste facility, the director shall hold a public information 69596
session and a public hearing on the application within the county 69597
in which the new or modified solid waste facility is or is 69598
proposed to be located or within a contiguous county. If the 69599
application is for a permit to open a new solid waste facility, 69600
the director shall hold the hearing not less than fourteen days 69601
after the information session. If the application is for a permit 69602
to modify an existing solid waste facility, the director may hold 69603
both the information session and the hearing on the same day 69604
unless any individual affected by the application requests in 69605
writing that the information session and the hearing not be held 69606
on the same day, in which case the director shall hold the hearing 69607
not less than fourteen days after the information session. The 69608
director shall publish notice of the public information session or 69609
public hearing not less than thirty days before holding the 69610
information session or hearing, as applicable. The notice shall be 69611
published in each newspaper of general circulation that is 69612
published in the county in which the facility is or is proposed to 69613
be located. If no newspaper of general circulation is published in 69614
the county, the director shall publish the notice in a newspaper 69615
of general circulation in the county. The notice shall contain the 69616
date, time, and location of the information session or hearing, as 69617
applicable, and a general description of the proposed new or 69618
modified facility. At the public information session, an officer 69619
or employee of the environmental protection agency shall describe 69620
the status of the permit application and be available to respond 69621
to comments or questions concerning the application. At the public 69622
hearing, any person may submit written or oral comments on or 69623
objections to the approval of the application. The applicant, or a 69624
representative of the applicant who has knowledge of the location, 69625
construction, and operation of the facility, shall attend the 69626

information session and public hearing to respond to comments or 69627
questions concerning the facility directed to the applicant or 69628
representative by the officer or employee of the environmental 69629
protection agency presiding at the information session and 69630
hearing. 69631

(f) The solid waste management policy committee of a county 69632
or joint solid waste management district may adopt a resolution 69633
requesting expeditious consideration of a specific application 69634
submitted under division (A)(2)(a) of this section for a permit to 69635
modify an existing solid waste facility within the district. The 69636
resolution shall make the finding that expedited consideration of 69637
the application without the public information session and public 69638
hearing under division (A)(2)(e) of this section is in the public 69639
interest and will not endanger human health, as determined by the 69640
director by rules adopted in accordance with Chapter 119. of the 69641
Revised Code. Upon receiving such a resolution, the director, at 69642
the director's discretion, may issue a final action upon the 69643
application without holding a public information session or public 69644
hearing pursuant to division (A)(2)(e) of this section. 69645

(3) Except as provided in division (A)(10) of this section, 69646
and unless the owner or operator of any solid waste facility, 69647
other than a solid waste transfer facility or a compost facility 69648
that accepts exclusively source separated yard wastes, that 69649
commenced operation on or before July 1, 1968, has obtained an 69650
exemption from the requirements of division (A)(3) of this section 69651
in accordance with division (G) of section 3734.02 of the Revised 69652
Code, the owner or operator shall submit to the director an 69653
application for a permit with accompanying engineering detail 69654
plans, specifications, and information regarding the facility and 69655
its method of operation for approval under rules adopted under 69656
division (A) of section 3734.02 of the Revised Code and applicable 69657
rules adopted under division (D) of section 3734.12 of the Revised 69658

Code in accordance with the following schedule:	69659
(a) Not later than September 24, 1988, if the facility is located in the city of Garfield Heights or Parma in Cuyahoga county;	69660 69661 69662
(b) Not later than December 24, 1988, if the facility is located in Delaware, Greene, Guernsey, Hamilton, Madison, Mahoning, Ottawa, or Vinton county;	69663 69664 69665
(c) Not later than March 24, 1989, if the facility is located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or Washington county, or is located in the city of Brooklyn or Cuyahoga Heights in Cuyahoga county;	69666 69667 69668 69669
(d) Not later than June 24, 1989, if the facility is located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or Summit county or is located in Cuyahoga county outside the cities of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights;	69670 69671 69672 69673
(e) Not later than September 24, 1989, if the facility is located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross county;	69674 69675 69676
(f) Not later than December 24, 1989, if the facility is located in a county not listed in divisions (A)(3)(a) to (e) of this section;	69677 69678 69679
(g) Notwithstanding divisions (A)(3)(a) to (f) of this section, not later than December 31, 1990, if the facility is a solid waste facility owned by a generator of solid wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated and if the facility disposes of more than one hundred thousand tons of solid wastes per year, provided that any such facility shall be subject to division (A)(5) of this section.	69680 69681 69682 69683 69684 69685 69686 69687 69688 69689

(4) Except as provided in divisions (A)(8), (9), and (10) of this section, unless the owner or operator of any solid waste facility for which a permit was issued after July 1, 1968, but before January 1, 1980, has obtained an exemption from the requirements of division (A)(4) of this section under division (G) of section 3734.02 of the Revised Code, the owner or operator shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under those rules.

(5) The director may issue an order in accordance with Chapter 3745. of the Revised Code to the owner or operator of a solid waste facility requiring the person to submit to the director updated engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under division (A) of section 3734.02 of the Revised Code and applicable rules adopted under division (D) of section 3734.12 of the Revised Code if, in the director's judgment, conditions at the facility constitute a substantial threat to public health or safety or are causing or contributing to or threatening to cause or contribute to air or water pollution or soil contamination. Any person who receives such an order shall submit the updated engineering detail plans, specifications, and information to the director within one hundred eighty days after the effective date of the order.

(6) The director shall act upon an application submitted under division (A)(3) or (4) of this section and any updated engineering plans, specifications, and information submitted under division (A)(5) of this section within one hundred eighty days after receiving them. If the director denies any such permit application, the order denying the application or disapproving the plans shall include the requirements that the owner or operator

submit a plan for closure and post-closure care of the facility to 69722
the director for approval within six months after issuance of the 69723
order, cease accepting solid wastes for disposal or transfer at 69724
the facility, and commence closure of the facility not later than 69725
one year after issuance of the order. If the director determines 69726
that closure of the facility within that one-year period would 69727
result in the unavailability of sufficient solid waste management 69728
facility capacity within the county or joint solid waste 69729
management district in which the facility is located to dispose of 69730
or transfer the solid waste generated within the district, the 69731
director in the order of denial or disapproval may postpone 69732
commencement of closure of the facility for such period of time as 69733
the director finds necessary for the board of county commissioners 69734
or directors of the district to secure access to or for there to 69735
be constructed within the district sufficient solid waste 69736
management facility capacity to meet the needs of the district, 69737
provided that the director shall certify in the director's order 69738
that postponing the date for commencement of closure will not 69739
endanger ground water or any property surrounding the facility, 69740
allow methane gas migration to occur, or cause or contribute to 69741
any other type of environmental damage. 69742

If an emergency need for disposal capacity that may affect 69743
public health and safety exists as a result of closure of a 69744
facility under division (A)(6) of this section, the director may 69745
issue an order designating another solid waste facility to accept 69746
the wastes that would have been disposed of at the facility to be 69747
closed. 69748

(7) If the director determines that standards more stringent 69749
than those applicable in rules adopted under division (A) of 69750
section 3734.02 of the Revised Code and division (D) of section 69751
3734.12 of the Revised Code, or standards pertaining to subjects 69752
not specifically addressed by those rules, are necessary to ensure 69753

that a solid waste facility constructed at the proposed location 69754
will not cause a nuisance, cause or contribute to water pollution, 69755
or endanger public health or safety, the director may issue a 69756
permit for the facility with such terms and conditions as the 69757
director finds necessary to protect public health and safety and 69758
the environment. If a permit is issued, the director shall state 69759
in the order issuing it the specific findings supporting each such 69760
term or condition. 69761

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 69762
not apply to a solid waste compost facility that accepts 69763
exclusively source separated yard wastes and that is registered 69764
under division (C) of section 3734.02 of the Revised Code or, 69765
unless otherwise provided in rules adopted under division (N)(3) 69766
of section 3734.02 of the Revised Code, to a solid waste compost 69767
facility if the director has adopted rules establishing an 69768
alternative system for authorizing the establishment, operation, 69769
or modification of a solid waste compost facility under that 69770
division. 69771

(9) Divisions (A)(1) to (7) of this section do not apply to 69772
scrap tire collection, storage, monocell, monofill, and recovery 69773
facilities. The approval of plans and specifications, as 69774
applicable, and the issuance of registration certificates, 69775
permits, and licenses for those facilities are subject to sections 69776
3734.75 to 3734.78 of the Revised Code, as applicable, and section 69777
3734.81 of the Revised Code. 69778

(10) Divisions (A)(3) and (4) of this section do not apply to 69779
a solid waste incinerator that was placed into operation on or 69780
before October 12, 1994, and that is not authorized to accept and 69781
treat infectious wastes pursuant to division (B) of this section. 69782

(B)(1) Each person who is engaged in the business of treating 69783
infectious wastes for profit at a treatment facility located off 69784
the premises where the wastes are generated that is in operation 69785

on August 10, 1988, and who proposes to continue operating the 69786
facility shall submit to the board of health of the health 69787
district in which the facility is located an application for a 69788
license to operate the facility. 69789

Thereafter, no person shall operate or maintain an infectious 69790
waste treatment facility without a license issued by the board of 69791
health of the health district in which the facility is located or 69792
by the director when the health district in which the facility is 69793
located is not on the approved list under section 3734.08 of the 69794
Revised Code. 69795

(2)(a) During the month of December, but before the first day 69796
of January of the next year, every person proposing to continue to 69797
operate an existing infectious waste treatment facility shall 69798
procure a license to operate the facility for that year from the 69799
board of health of the health district in which the facility is 69800
located or, if the health district is not on the approved list 69801
under section 3734.08 of the Revised Code, from the director. The 69802
application for such a license shall be submitted to the board of 69803
health or to the director, as appropriate, on or before the last 69804
day of September of the year preceding that for which the license 69805
is sought. In addition to the application fee prescribed in 69806
division (B)(2)(c) of this section, a person who submits an 69807
application after that date shall pay an additional ten per cent 69808
of the amount of the application fee for each week that the 69809
application is late. Late payment fees accompanying an application 69810
submitted to the board of health shall be credited to the special 69811
infectious waste fund of the health district created in division 69812
(C) of section 3734.06 of the Revised Code, and late payment fees 69813
accompanying an application submitted to the director shall be 69814
credited to the general revenue fund. A person who has received a 69815
license, upon sale or disposition of an infectious waste treatment 69816
facility and upon consent of the board of health and the director, 69817

may have the license transferred to another person. The board of 69818
health or the director may include such terms and conditions in a 69819
license or revision to a license as are appropriate to ensure 69820
compliance with the infectious waste provisions of this chapter 69821
and rules adopted under them. 69822

(b) Each person proposing to open a new infectious waste 69823
treatment facility or to modify an existing infectious waste 69824
treatment facility shall submit an application for a permit with 69825
accompanying detail plans and specifications to the environmental 69826
protection agency for required approval under the rules adopted by 69827
the director pursuant to section 3734.021 of the Revised Code two 69828
hundred seventy days before proposed operation of the facility and 69829
concurrently shall make application for a license with the board 69830
of health of the health district in which the facility is or is 69831
proposed to be located. Not later than ninety days after receiving 69832
a completed application under division (B)(2)(b) of this section 69833
for a permit to open a new infectious waste treatment facility or 69834
modify an existing infectious waste treatment facility to expand 69835
its treatment capacity, or receiving a completed application under 69836
division (A)(2)(a) of this section for a permit to open a new 69837
solid waste incineration facility, or modify an existing solid 69838
waste incineration facility to also treat infectious wastes or to 69839
increase its infectious waste treatment capacity, that pertains to 69840
a facility for which a notation authorizing infectious waste 69841
treatment is included or proposed to be included in the solid 69842
waste incineration facility's license pursuant to division (B)(3) 69843
of this section, the director shall hold a public hearing on the 69844
application within the county in which the new or modified 69845
infectious waste or solid waste facility is or is proposed to be 69846
located or within a contiguous county. Not less than thirty days 69847
before holding the public hearing on the application, the director 69848
shall publish notice of the hearing in each newspaper that has 69849
general circulation and that is published in the county in which 69850

the facility is or is proposed to be located. If there is no newspaper that has general circulation and that is published in the county, the director shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the public hearing and a general description of the proposed new or modified facility. At the public hearing, any person may submit written or oral comments on or objections to the approval or disapproval of the application. The applicant, or a representative of the applicant who has knowledge of the location, construction, and operation of the facility, shall attend the public hearing to respond to comments or questions concerning the facility directed to the applicant or representative by the officer or employee of the environmental protection agency presiding at the hearing.

(c) Each application for a permit under division (B)(2)(b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (B)(2)(a) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (C) of section 3734.06 of the Revised Code.

(d) The owner or operator of any infectious waste treatment facility that commenced operation on or before July 1, 1968, shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under section 3734.021 of the Revised Code in accordance with the following schedule:

(i) Not later than December 24, 1988, if the facility is located in Delaware, Greene, Guernsey, Hamilton, Madison, Mahoning, Ottawa, or Vinton county;

(ii) Not later than March 24, 1989, if the facility is located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or Washington county, or is located in the city of Brooklyn, Cuyahoga Heights, or Parma in Cuyahoga county;

(iii) Not later than June 24, 1989, if the facility is located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or Summit county or is located in Cuyahoga county outside the cities of Brooklyn, Cuyahoga Heights, and Parma;

(iv) Not later than September 24, 1989, if the facility is located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross county;

(v) Not later than December 24, 1989, if the facility is located in a county not listed in divisions (B)(2)(d)(i) to (iv) of this section.

The owner or operator of an infectious waste treatment facility required to submit a permit application under division (B)(2)(d) of this section is not required to pay any permit application fee under division (B)(2)(c) of this section, or permit fee under division (Q) of section 3745.11 of the Revised Code, with respect thereto unless the owner or operator also proposes to modify the facility.

(e) The director may issue an order in accordance with 69914
Chapter 3745. of the Revised Code to the owner or operator of an 69915
infectious waste treatment facility requiring the person to submit 69916
to the director updated engineering detail plans, specifications, 69917
and information regarding the facility and its method of operation 69918
for approval under rules adopted under section 3734.021 of the 69919
Revised Code if, in the director's judgment, conditions at the 69920
facility constitute a substantial threat to public health or 69921
safety or are causing or contributing to or threatening to cause 69922
or contribute to air or water pollution or soil contamination. Any 69923
person who receives such an order shall submit the updated 69924
engineering detail plans, specifications, and information to the 69925
director within one hundred eighty days after the effective date 69926
of the order. 69927

(f) The director shall act upon an application submitted 69928
under division (B)(2)(d) of this section and any updated 69929
engineering plans, specifications, and information submitted under 69930
division (B)(2)(e) of this section within one hundred eighty days 69931
after receiving them. If the director denies any such permit 69932
application or disapproves any such updated engineering plans, 69933
specifications, and information, the director shall include in the 69934
order denying the application or disapproving the plans the 69935
requirement that the owner or operator cease accepting infectious 69936
wastes for treatment at the facility. 69937

(3) Division (B) of this section does not apply to an 69938
infectious waste treatment facility that meets any of the 69939
following conditions: 69940

(a) Is owned or operated by the generator of the wastes and 69941
exclusively treats, by methods, techniques, and practices 69942
established by rules adopted under division (C)(1) or (3) of 69943
section 3734.021 of the Revised Code, wastes that are generated at 69944
any premises owned or operated by that generator regardless of 69945

whether the wastes are generated on the same premises where the generator's treatment facility is located or, if the generator is a hospital as defined in section 3727.01 of the Revised Code, infectious wastes that are described in division (A)(1)(g), (h), or (i) of section 3734.021 of the Revised Code;

(b) Holds a license or renewal of a license to operate a crematory facility issued under Chapter 4717. and a permit issued under Chapter 3704. of the Revised Code;

(c) Treats or disposes of dead animals or parts thereof, or the blood of animals, and is subject to any of the following:

(i) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended;

(ii) Chapter 918. of the Revised Code;

(iii) Chapter 953. of the Revised Code.

Nothing in division (B) of this section requires a facility that holds a license issued under division (A) of this section as a solid waste facility and that also treats infectious wastes by the same method, technique, or process to obtain a license under division (B) of this section as an infectious waste treatment facility. However, the solid waste facility license for the facility shall include the notation that the facility also treats infectious wastes.

On and after the effective date of the amendments to the rules adopted under division (C)(2) of section 3734.021 of the Revised Code that are required by Section 6 of Substitute House Bill No. 98 of the 120th General Assembly, the director shall not issue a permit to open a new solid waste incineration facility unless the proposed facility complies with the requirements for the location of new infectious waste incineration facilities established in the required amendments to those rules.

(C) Except for a facility or activity described in division 69976
(E)(3) of section 3734.02 of the Revised Code, a person who 69977
proposes to establish or operate a hazardous waste facility shall 69978
submit a complete application for a hazardous waste facility 69979
installation and operation permit and accompanying detail plans, 69980
specifications, and such information as the director may require 69981
to the environmental protection agency at least one hundred eighty 69982
days before the proposed beginning of operation of the facility. 69983
The applicant shall notify by certified mail the legislative 69984
authority of each municipal corporation, township, and county in 69985
which the facility is proposed to be located of the submission of 69986
the application within ten days after the submission or at such 69987
earlier time as the director may establish by rule. If the 69988
application is for a proposed new hazardous waste disposal or 69989
thermal treatment facility, the applicant also shall give actual 69990
notice of the general design and purpose of the facility to the 69991
legislative authority of each municipal corporation, township, and 69992
county in which the facility is proposed to be located at least 69993
ninety days before the permit application is submitted to the 69994
environmental protection agency. 69995

In accordance with rules adopted under section 3734.12 of the 69996
Revised Code, prior to the submission of a complete application 69997
for a hazardous waste facility installation and operation permit, 69998
the applicant shall hold at least one meeting in the township or 69999
municipal corporation in which the facility is proposed to be 70000
located, whichever is geographically closer to the proposed 70001
location of the facility. The meeting shall be open to the public 70002
and shall be held to inform the community of the proposed 70003
hazardous waste management activities and to solicit questions 70004
from the community concerning the activities. 70005

(D)(1) Except as provided in section 3734.123 of the Revised 70006
Code, upon receipt of a complete application for a hazardous waste 70007

facility installation and operation permit under division (C) of 70008
this section, the director shall consider the application and 70009
accompanying information to determine whether the application 70010
complies with agency rules and the requirements of division (D)(2) 70011
of this section. After making a determination, the director shall 70012
issue either a draft permit or a notice of intent to deny the 70013
permit. The director, in accordance with rules adopted under 70014
section 3734.12 of the Revised Code or with rules adopted to 70015
implement Chapter 3745. of the Revised Code, shall provide public 70016
notice of the application and the draft permit or the notice of 70017
intent to deny the permit, provide an opportunity for public 70018
comments, and, if significant interest is shown, schedule a public 70019
meeting in the county in which the facility is proposed to be 70020
located and give public notice of the date, time, and location of 70021
the public meeting in a newspaper of general circulation in that 70022
county. 70023

(2) The director shall not approve an application for a 70024
hazardous waste facility installation and operation permit or an 70025
application for a modification under division (I)(3) of this 70026
section unless the director finds and determines as follows: 70027

(a) The nature and volume of the waste to be treated, stored, 70028
or disposed of at the facility; 70029

(b) That the facility complies with the director's hazardous 70030
waste standards adopted pursuant to section 3734.12 of the Revised 70031
Code; 70032

(c) That the facility represents the minimum adverse 70033
environmental impact, considering the state of available 70034
technology and the nature and economics of various alternatives, 70035
and other pertinent considerations; 70036

(d) That the facility represents the minimum risk of all of 70037
the following: 70038

(i) Fires or explosions from treatment, storage, or disposal methods;	70039 70040
(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility;	70041 70042
(iii) Adverse impact on the public health and safety.	70043
(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them;	70044 70045 70046
(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from which the person may influence the installation and operation of the facility has been involved in any prior activity involving transportation, treatment, storage, or disposal of hazardous waste, that person has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of other states if any such prior operation was located in another state that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under the applicable provisions of this chapter and Chapters 3704. and 6111. of the Revised Code, the applicable rules and standards adopted under them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential for harm to the public health and safety and the environment that could result from the irresponsible operation of the facility. For off-site facilities, as defined in section 3734.41 of the Revised Code, the director may use the investigative reports of the attorney general prepared pursuant to section 3734.42 of the Revised Code as a basis for making a finding and determination under division (D)(2)(f) of this section.	70047 70048 70049 70050 70051 70052 70053 70054 70055 70056 70057 70058 70059 70060 70061 70062 70063 70064 70065 70066 70067 70068 70069 70070

(g) That the active areas within a new hazardous waste facility where acute hazardous waste as listed in 40 C.F.R. 261.33 (e), as amended, or organic waste that is toxic and is listed under 40 C.F.R. 261, as amended, is being stored, treated, or disposed of and where the aggregate of the storage design capacity and the disposal design capacity of all hazardous waste in those areas is greater than two hundred fifty thousand gallons, are not located or operated within any of the following:

(i) Two thousand feet of any residence, school, hospital, jail, or prison;

(ii) Any naturally occurring wetland;

(iii) Any flood hazard area if the applicant cannot show that the facility will be designed, constructed, operated, and maintained to prevent washout by a one-hundred-year flood.

Division (D)(2)(g) of this section does not apply to the facility of any applicant who demonstrates to the director that the limitations specified in that division are not necessary because of the nature or volume of the waste and the manner of management applied, the facility will impose no substantial danger to the health and safety of persons occupying the structures listed in division (D)(2)(g)(i) of this section, and the facility is to be located or operated in an area where the proposed hazardous waste activities will not be incompatible with existing land uses in the area.

(h) That the facility will not be located within the boundaries of a state park established or dedicated under Chapter 1541. of the Revised Code, a state park purchase area established under section 1541.02 of the Revised Code, any unit of the national park system, or any property that lies within the boundaries of a national park or recreation area, but that has not been acquired or is not administered by the secretary of the

United States department of the interior, located in this state, 70102
or any candidate area located in this state identified for 70103
potential inclusion in the national park system in the edition of 70104
the "national park system plan" submitted under paragraph (b) of 70105
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 70106
U.S.C.A. 1a-5, as amended, current at the time of filing of the 70107
application for the permit, unless the facility will be used 70108
exclusively for the storage of hazardous waste generated within 70109
the park or recreation area in conjunction with the operation of 70110
the park or recreation area. Division (D)(2)(h) of this section 70111
does not apply to the facility of any applicant for modification 70112
of a permit unless the modification application proposes to 70113
increase the land area included in the facility or to increase the 70114
quantity of hazardous waste that will be treated, stored, or 70115
disposed of at the facility. 70116

(3) Not later than one hundred eighty days after the end of 70117
the public comment period, the director, without prior hearing, 70118
shall issue or deny the permit in accordance with Chapter 3745. of 70119
the Revised Code. If the director approves an application for a 70120
hazardous waste facility installation and operation permit, the 70121
director shall issue the permit, upon such terms and conditions as 70122
the director finds are necessary to ensure the construction and 70123
operation of the hazardous waste facility in accordance with the 70124
standards of this section. 70125

(E)÷ No political subdivision of this state shall require any 70126
additional zoning or other approval, consent, permit, certificate, 70127
or condition for the construction or operation of a hazardous 70128
waste facility authorized by a hazardous waste facility 70129
installation and operation permit issued pursuant to this chapter, 70130
nor shall any political subdivision adopt or enforce any law, 70131
ordinance, or rule that in any way alters, impairs, or limits the 70132
authority granted in the permit. 70133

(F) The director may issue a single hazardous waste facility installation and operation permit to a person who operates two or more adjoining facilities where hazardous waste is stored, treated, or disposed of if the application includes detail plans, specifications, and information on all facilities. For the purposes of this section, "adjoining" means sharing a common boundary, separated only by a public road, or in such proximity that the director determines that the issuance of a single permit will not create a hazard to the public health or safety or the environment.

(G) No person shall falsify or fail to keep or submit any plans, specifications, data, reports, records, manifests, or other information required to be kept or submitted to the director by this chapter or the rules adopted under it.

(H)(1) Each person who holds an installation and operation permit issued under this section and who wishes to obtain a permit renewal shall submit a completed application for an installation and operation permit renewal and any necessary accompanying general plans, detail plans, specifications, and such information as the director may require to the director no later than one hundred eighty days prior to the expiration date of the existing permit or upon a later date prior to the expiration of the existing permit if the permittee can demonstrate good cause for the late submittal. The director shall consider the application and accompanying information, inspection reports of the facility, results of performance tests, a report regarding the facility's compliance or noncompliance with the terms and conditions of its permit and rules adopted by the director under this chapter, and such other information as is relevant to the operation of the facility and shall issue a draft renewal permit or a notice of intent to deny the renewal permit. The director, in accordance with rules adopted under this section or with rules adopted to

implement Chapter 3745. of the Revised Code, shall give public 70166
notice of the application and draft renewal permit or notice of 70167
intent to deny the renewal permit, provide for the opportunity for 70168
public comments within a specified time period, schedule a public 70169
meeting in the county in which the facility is located if 70170
significant interest is shown, and give public notice of the 70171
public meeting. 70172

(2) Within sixty days after the public meeting or close of 70173
the public comment period, the director, without prior hearing, 70174
shall issue or deny the renewal permit in accordance with Chapter 70175
3745. of the Revised Code. The director shall not issue a renewal 70176
permit unless the director determines that the facility under the 70177
existing permit has a history of compliance with this chapter, 70178
rules adopted under it, the existing permit, or orders entered to 70179
enforce such requirements that demonstrates sufficient 70180
reliability, expertise, and competency to operate the facility 70181
henceforth under this chapter, rules adopted under it, and the 70182
renewal permit. If the director approves an application for a 70183
renewal permit, the director shall issue the permit subject to the 70184
payment of the annual permit fee required under division (E) of 70185
section 3734.02 of the Revised Code and upon such terms and 70186
conditions as the director finds are reasonable to ensure that 70187
continued operation, maintenance, closure, and post-closure care 70188
of the hazardous waste facility are in accordance with the rules 70189
adopted under section 3734.12 of the Revised Code. 70190

(3) An installation and operation permit renewal application 70191
submitted to the director that also contains or would constitute 70192
an application for a modification shall be acted upon by the 70193
director in accordance with division (I) of this section in the 70194
same manner as an application for a modification. In approving or 70195
disapproving the renewal portion of a permit renewal application 70196
containing an application for a modification, the director shall 70197

apply the criteria established under division (H)(2) of this section. 70198
70199

(4) An application for renewal or modification of a permit that does not contain an application for a modification as described in divisions (I)(3)(a) to (d) of this section shall not be subject to division (D)(2) of this section. 70200
70201
70202
70203

(I)(1) As used in this section, "modification" means a change or alteration to a hazardous waste facility or its operations that is inconsistent with or not authorized by its existing permit or authorization to operate. Modifications shall be classified as Class 1, 2, or 3 modifications in accordance with rules adopted under division (K) of this section. Modifications classified as Class 3 modifications, in accordance with rules adopted under that division, shall be further classified by the director as either Class 3 modifications that are to be approved or disapproved by the director under divisions (I)(3)(a) to (d) of this section or as Class 3 modifications that are to be approved or disapproved by the director under division (I)(5) of this section. Not later than thirty days after receiving a request for a modification under division (I)(4) of this section that is not listed in Appendix I to 40 C.F.R. 270.42 or in rules adopted under division (K) of this section, the director shall classify the modification and shall notify the owner or operator of the facility requesting the modification of the classification. Notwithstanding any other law to the contrary, any modification that involves the transfer of a hazardous waste facility installation and operation permit to a new owner or operator for an off-site facility as defined in section 3734.41 of the Revised Code shall be classified as a Class 3 modification. The transfer of a hazardous waste facility installation and operation permit to a new owner or operator for a facility that is not an off-site facility shall be classified as a Class 1 modification requiring prior approval of the director. 70204

(2) Except as provided in section 3734.123 of the Revised Code, a hazardous waste facility installation and operation permit may be modified at the request of the director or upon the written request of the permittee only if any of the following applies:

(a) The permittee desires to accomplish alterations, additions, or deletions to the permitted facility or to undertake alterations, additions, deletions, or activities that are inconsistent with or not authorized by the existing permit;

(b) New information or data justify permit conditions in addition to or different from those in the existing permit;

(c) The standards, criteria, or rules upon which the existing permit is based have been changed by new, amended, or rescinded standards, criteria, or rules, or by judicial decision after the existing permit was issued, and the change justifies permit conditions in addition to or different from those in the existing permit;

(d) The permittee proposes to transfer the permit to another person.

(3) The director shall approve or disapprove an application for a modification in accordance with division (D)(2) of this section and rules adopted under division (K) of this section for all of the following categories of Class 3 modifications:

(a) Authority to conduct treatment, storage, or disposal at a site, location, or tract of land that has not been authorized for the proposed category of treatment, storage, or disposal activity by the facility's permit;

(b) Modification or addition of a hazardous waste management unit, as defined in rules adopted under section 3734.12 of the Revised Code, that results in an increase in a facility's storage capacity of more than twenty-five per cent over the capacity authorized by the facility's permit, an increase in a facility's

treatment rate of more than twenty-five per cent over the rate so 70261
authorized, or an increase in a facility's disposal capacity over 70262
the capacity so authorized. The authorized disposal capacity for a 70263
facility shall be calculated from the approved design plans for 70264
the disposal units at that facility. In no case during a five-year 70265
period shall a facility's storage capacity or treatment rate be 70266
modified to increase by more than twenty-five per cent in the 70267
aggregate without the director's approval in accordance with 70268
division (D)(2) of this section. Notwithstanding any provision of 70269
division (I) of this section to the contrary, a request for 70270
modification of a facility's annual total waste receipt limit 70271
shall be classified and approved or disapproved by the director 70272
under division (I)(5) of this section. 70273

(c) Authority to add any of the following categories of 70274
regulated activities not previously authorized at a facility by 70275
the facility's permit: storage at a facility not previously 70276
authorized to store hazardous waste, treatment at a facility not 70277
previously authorized to treat hazardous waste, or disposal at a 70278
facility not previously authorized to dispose of hazardous waste; 70279
or authority to add a category of hazardous waste management unit 70280
not previously authorized at the facility by the facility's 70281
permit. Notwithstanding any provision of division (I) of this 70282
section to the contrary, a request for authority to add or to 70283
modify an activity or a hazardous waste management unit for the 70284
purposes of performing a corrective action shall be classified and 70285
approved or disapproved by the director under division (I)(5) of 70286
this section. 70287

(d) Authority to treat, store, or dispose of waste types 70288
listed or characterized as reactive or explosive, in rules adopted 70289
under section 3734.12 of the Revised Code, or any acute hazardous 70290
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 70291
previously authorized to treat, store, or dispose of those types 70292

of wastes by the facility's permit unless the requested authority 70293
is limited to wastes that no longer exhibit characteristics 70294
meeting the criteria for listing or characterization as reactive 70295
or explosive wastes, or for listing as acute hazardous waste, but 70296
still are required to carry those waste codes as established in 70297
rules adopted under section 3734.12 of the Revised Code because of 70298
the requirements established in 40 C.F.R. 261(a) and (e), as 70299
amended, that is, the "mixture," "derived-from," or "contained-in" 70300
regulations. 70301

(4) A written request for a modification from the permittee 70302
shall be submitted to the director and shall contain such 70303
information as is necessary to support the request. Requests for 70304
modifications shall be acted upon by the director in accordance 70305
with this section and rules adopted under it. 70306

(5) Class 1 modification applications that require prior 70307
approval of the director, as provided in division (I)(1) of this 70308
section or as determined in accordance with rules adopted under 70309
division (K) of this section, Class 2 modification applications, 70310
and Class 3 modification applications that are not described in 70311
divisions (I)(3)(a) to (d) of this section shall be approved or 70312
disapproved by the director in accordance with rules adopted under 70313
division (K) of this section. The board of county commissioners of 70314
the county, the board of township trustees of the township, and 70315
the city manager or mayor of the municipal corporation in which a 70316

disposal or resource recovery, the nature of industrial activities 70574
within the district, and the effect of newly regulated waste 70575

streams, solid waste minimization activities, and solid waste recycling and reuse activities on solid waste generation rates. For each year of the forecast period, projections of waste quantities shall be compiled as an aggregate quantity of wastes.

(12) Such other projections as the district considers necessary or appropriate to ascertain and meet the solid waste management needs of the district during the period covered by the plan;

(13) A schedule for implementation of the plan that, when applicable, contains all of the following:

(a) An identification of the solid waste disposal, transfer, and resource recovery facilities and recycling activities contained in the plan where solid wastes generated within or

order; 70716

(b) No new solid waste facilities will begin operation during 70717
those six months in the district in which the wastes were 70718
generated and, despite good faith efforts to do so, it is 70719
impossible to site new solid waste facilities within the district 70720
because of its high population density; 70721

(c) The district in which the wastes were generated has made 70722
good faith efforts to negotiate with other districts to 70723
incorporate its disposal needs within those districts' solid waste 70724
management plans, including efforts to develop joint facilities 70725
authorized under section 343.02 of the Revised Code, and the 70726
efforts have been unsuccessful; 70727

(d) The district in which the wastes were generated has 70728
located a facility willing to accept the district's solid wastes 70729
for disposal within the receiving district; 70730

(e) The district in which the wastes were generated has 70731

demonstrated to the director that the conditions specified in 70732
divisions (C)(1)(a) to (d) of this section have been met; 70733

(f) The director finds that the issuance of the order will be 70734
consistent with the state solid waste management plan and that 70735
receipt of the out-of-district wastes will not limit the capacity 70736
of the receiving district to dispose of its in-district wastes to 70737
less than eight years. Any order issued under division (C)(1) of 70738
this section shall not become final until thirty days after it has 70739
been served by certified mail upon the county or joint solid waste 70740
management district that will receive the out-of-district wastes. 70741

(2) Governing the maintenance, protection, and use of solid 70742
waste collection, storage, disposal, transfer, recycling, 70743
processing, and resource recovery facilities within the district 70744
and requiring the submission of general plans and specifications 70745
for the construction, enlargement, or modification of any such 70746
facility to the board of county commissioners or board of 70747
directors of the district for review and approval as complying 70748
with the plan or amended plan of the district; 70749

(3) Governing development and implementation of a program for 70750
the inspection of solid wastes generated outside the boundaries of 70751
the state that are being disposed of at solid waste facilities 70752
included in the district's plan; 70753

(4) Exempting the owner or operator of any existing or 70754
proposed solid waste facility provided for in the plan from 70755
compliance with any amendment to a township zoning resolution 70756
adopted under section 519.12 of the Revised Code or to a county 70757
rural zoning resolution adopted under section 303.12 of the 70758
Revised Code that rezoned or redistricted the parcel or parcels 70759
upon which the facility is to be constructed or modified and that 70760
became effective within two years prior to the filing of an 70761
application for a permit required under division (A)(2)(a) of 70762
section 3734.05 of the Revised Code to open a new or modify an 70763

existing solid waste facility. 70764

(D) Except for the inventories required by divisions (A)(1), 70765
(2), and (4) of this section and the projections required by 70766
division (A)(6) of this section, neither this section nor the 70767
solid waste management plan of a county or joint district applies 70768
to the construction, operation, use, repair, or maintenance of 70769
either of the following: 70770

(1) A solid waste facility owned by a generator of solid 70771
wastes when the solid waste facility exclusively disposes of solid 70772
wastes generated at one or more premises owned by the generator 70773
regardless of whether the facility is located on a premises where 70774
the wastes are generated; 70775

(2) A facility that exclusively disposes of wastes that are 70776
generated from the combustion of coal, or from the combustion of 70777
primarily coal in combination with scrap tires, that is not 70778
combined in any way with garbage at one or more premises owned by 70779
the generator. 70780

(E)(1) The initial solid waste management plans prepared by 70781
county or joint districts under section 3734.521 of the Revised 70782
Code and the amended plans prepared under section 3734.521 or 70783
3734.56 of the Revised Code shall contain a clear statement as to 70784
whether the board of county commissioners or directors is 70785
authorized to or precluded from establishing facility designations 70786
under section 343.014 of the Revised Code. 70787

(2) A policy committee that is preparing a draft or revised 70788
draft plan under section 3734.55 of the Revised Code on October 70789
29, 1993, may include in the draft or revised draft plan only one 70790
of the following pertaining to the solid waste facilities or 70791
recycling activities where solid wastes generated within or 70792
transported into the district are to be taken for disposal, 70793
transfer, resource recovery, or recycling: 70794

(a) The designations required under former division	70795
(A)(12)(a) of this section as it existed prior to October 29,	70796
1993;	70797
(b) The identifications required in division (A)(12)(a) of	70798
this section and the statement required under division (E)(1) of	70799
this section;	70800
(c) Both of the following:	70801
(i) The designations required under former division	70802
(A)(12)(a) of this section as it existed prior to October 29,	70803
1993, except that those designations only shall pertain to solid	70804
waste disposal, transfer, or resource recovery facilities or	70805
recycling activities that are owned by a municipal corporation,	70806
county, county or joint solid waste management district, township,	70807
or township waste disposal district created under section 505.28	70808
of the Revised Code for which debt issued under Chapter 133.,	70809
343., or 6123. of the Revised Code is outstanding;	70810
(ii) The identifications required under division (A)(12)(a)	70811
of this section, and the statement required under division (E)(1)	70812
of this section, pertaining to the solid waste facilities and	70813
recycling activities described in division (A) of section 343.014	70814
of the Revised Code.	70815
(F) Notwithstanding section 3734.01 of the Revised Code,	70816
"solid wastes" does not include scrap tires and "facility" does	70817
not include any scrap tire collection, storage, monocell,	70818
monofill, or recovery facility in either of the following	70819
circumstances:	70820
(1) For the purposes of an initial plan prepared and ordered	70821
to be implemented by the director under section 3734.55 of the	70822
Revised Code;	70823
(2) For the purposes of an initial or amended plan prepared	70824
and ordered to be implemented by the director under division (D)	70825

or (F)(1) or (2) of section 3734.521 of the Revised Code in 70826
connection with a change in district composition as defined in 70827
that section that involves an existing district that is operating 70828
under either an initial plan approved or prepared and ordered to 70829
be implemented under section 3734.55 of the Revised Code or an 70830
initial or amended plan approved or prepared and ordered to be 70831
implemented under section 3734.521 of the Revised Code that does 70832
not provide for the management of scrap tires and scrap tire 70833
facilities. 70834

(G) Notwithstanding section 3734.01 of the Revised Code, and 70835
except as provided in division (A)(4) of this section, "solid 70836
wastes" need not include scrap tires and "facility" need not 70837
include any scrap tire collection, storage, monocell, monofill, or 70838
recovery facility in either of the following circumstances: 70839

(1) For the purposes of an initial plan prepared under 70840
sections 3734.54 and 3734.55 of the Revised Code unless the solid 70841
waste management policy committee preparing the initial plan 70842
chooses to include the management of scrap tires and scrap tire 70843
facilities in the plan; 70844

(2) For the purposes of a preliminary demonstration of 70845
capacity as defined in section 3734.521 of the Revised Code, if 70846
any, and an initial or amended plan prepared under that section by 70847
the solid waste management policy committee of a solid waste 70848
management district resulting from proceedings for a change in 70849
district composition under sections 343.012 and 3734.521 of the 70850
Revised Code that involves an existing district that is operating 70851
either under an initial plan approved or prepared and ordered to 70852
be implemented under section 3734.55 of the Revised Code or under 70853
an initial or amended plan approved or prepared and ordered to be 70854
implemented under section 3734.521 of the Revised Code that does 70855
not provide for the management of scrap tires and scrap tire 70856
facilities unless the solid waste management policy committee of 70857

the district resulting from the change chooses to include the 70858
management of scrap tires and scrap tire facilities in the 70859
preliminary demonstration of capacity, if any, and the initial or 70860
amended plan prepared under section 3734.521 of the Revised Code 70861
in connection with the change proceedings. 70862

If a policy committee chooses to include the management of 70863
scrap tires and scrap tire facilities in an initial plan pursuant 70864
to division (G)(1) of this section, the initial plan shall 70865
incorporate all of the elements required under this section, and 70866
may incorporate any of the elements authorized under this section, 70867
for the purpose of managing solid wastes that consist of scrap 70868
tires and solid waste facilities that are scrap tire collection, 70869
storage, monocell, monofill, or recovery facilities. If a policy 70870
committee chooses to provide for the management of scrap tires and 70871
scrap tire facilities pursuant to division (G)(2) of this section, 70872
the preliminary demonstration of capacity, if one is required, 70873
shall incorporate all of the elements required under division 70874
(E)(1) or (2) of section 3734.521 of the Revised Code, as 70875
appropriate, for the purpose of managing solid wastes that consist 70876
of scrap tires and solid waste facilities that are scrap tire 70877
collection, storage, monocell, monofill, or recovery facilities. 70878
The initial or amended plan also shall incorporate all of the 70879
elements required under this section, and may incorporate any of 70880
the elements authorized under this section, for the purpose of 70881
managing solid wastes that consist of scrap tires and solid waste 70882
facilities that are scrap tire collection, storage, monocell, 70883
monofill, or recovery facilities. 70884

(H) Neither this section nor the solid waste management plan 70885
of a county or joint district applies to the construction, 70886
operation, use, repair, or maintenance of any compost facility 70887
that exclusively composts raw rendering material. 70888

Sec. 3734.57. (A) The following fees are hereby levied on the 70889
transfer or disposal of solid wastes in this state: 70890

(1) One dollar per ton on and after July 1, 2003, through 70891
June 30, ~~2010~~ 2012, one-half of the proceeds of which shall be 70892
deposited in the state treasury to the credit of the hazardous 70893
waste facility management fund created in section 3734.18 of the 70894
Revised Code and one-half of the proceeds of which shall be 70895
deposited in the state treasury to the credit of the hazardous 70896
waste clean-up fund created in section 3734.28 of the Revised 70897
Code; 70898

(2) An additional one dollar per ton on and after July 1, 70899
2003, through June 30, ~~2010~~ 2012, the proceeds of which shall be 70900
deposited in the state treasury to the credit of the solid waste 70901
fund, which is hereby created. The environmental protection agency 70902
shall use money in the solid waste fund to pay the costs of 70903
administering and enforcing the laws pertaining to solid wastes, 70904
infectious wastes, and construction and demolition debris, 70905
including, without limitation, ground water evaluations related to 70906
solid wastes, infectious wastes, and construction and demolition 70907
debris, under this chapter and Chapter 3714. of the Revised Code 70908
and any rules adopted under them, providing compliance assistance 70909
to small businesses, and paying a share of the administrative 70910
costs of the environmental protection agency pursuant to section 70911
3745.014 of the Revised Code. 70912

(3) An additional one dollar and fifty cents per ton on and 70913
after July 1, 2005, through June 30, ~~2010~~ 2012, the proceeds of 70914
which shall be deposited in the state treasury to the credit of 70915
the environmental protection fund created in section 3745.015 of 70916
the Revised Code; 70917

(4) An additional one dollar per ton on and after August 1, 70918
2009, through June 30, 2012, the proceeds of which shall be 70919

deposited in the state treasury to the credit of the environmental 70920
protection fund; 70921

(5) An additional twenty-five cents per ton on and after 70922
August 1, 2009, through June 30, 2012, the proceeds of which shall 70923
be deposited in the state treasury to the credit of the soil and 70924
water conservation district assistance fund created in section 70925
1515.14 of the Revised Code. 70926

In the case of solid wastes that are taken to a solid waste 70927
transfer facility located in this state prior to being transported 70928
for disposal at a solid waste disposal facility located in this 70929
state or outside of this state, the fees levied under this 70930
division shall be collected by the owner or operator of the 70931
transfer facility as a trustee for the state. The amount of fees 70932
required to be collected under this division at such a transfer 70933
facility shall equal the total tonnage of solid wastes received at 70934
the facility multiplied by the fees levied under this division. In 70935
the case of solid wastes that are not taken to a solid waste 70936
transfer facility located in this state prior to being transported 70937
to a solid waste disposal facility, the fees shall be collected by 70938
the owner or operator of the solid waste disposal facility as a 70939
trustee for the state. The amount of fees required to be collected 70940
under this division at such a disposal facility shall equal the 70941
total tonnage of solid wastes received at the facility that was 70942
not previously taken to a solid waste transfer facility located in 70943
this state multiplied by the fees levied under this division. Fees 70944
levied under this division do not apply to materials separated 70945
from a mixed waste stream for recycling by a generator or 70946
materials removed from the solid waste stream through recycling, 70947
as "recycling" is defined in rules adopted under section 3734.02 70948
of the Revised Code. 70949

The owner or operator of a solid waste transfer facility or 70950
disposal facility, as applicable, shall prepare and file with the 70951

director of environmental protection each month a return 70952
indicating the total tonnage of solid wastes received at the 70953
facility during that month and the total amount of the fees 70954
required to be collected under this division during that month. In 70955
addition, the owner or operator of a solid waste disposal facility 70956
shall indicate on the return the total tonnage of solid wastes 70957
received from transfer facilities located in this state during 70958
that month for which the fees were required to be collected by the 70959
transfer facilities. The monthly returns shall be filed on a form 70960
prescribed by the director. Not later than thirty days after the 70961
last day of the month to which a return applies, the owner or 70962
operator shall mail to the director the return for that month 70963
together with the fees required to be collected under this 70964
division during that month as indicated on the return or may 70965
submit the return and fees electronically in a manner approved by 70966
the director. If the return is filed and the amount of the fees 70967
due is paid in a timely manner as required in this division, the 70968
owner or operator may retain a discount of three-fourths of one 70969
per cent of the total amount of the fees that are required to be 70970
paid as indicated on the return. 70971

The owner or operator may request an extension of not more 70972
than thirty days for filing the return and remitting the fees, 70973
provided that the owner or operator has submitted such a request 70974
in writing to the director together with a detailed description of 70975
why the extension is requested, the director has received the 70976
request not later than the day on which the return is required to 70977
be filed, and the director has approved the request. If the fees 70978
are not remitted within thirty days after the last day of the 70979
month to which the return applies or are not remitted by the last 70980
day of an extension approved by the director, the owner or 70981
operator shall not retain the three-fourths of one per cent 70982
discount and shall pay an additional ten per cent of the amount of 70983
the fees for each month that they are late. For purposes of 70984

calculating the late fee, the first month in which fees are late 70985
begins on the first day after the deadline has passed for timely 70986
submitting the return and fees, and one additional month shall be 70987
counted every thirty days thereafter. 70988

The owner or operator of a solid waste facility may request a 70989
refund or credit of fees levied under this division and remitted 70990
to the director that have not been paid to the owner or operator. 70991
Such a request shall be made only if the fees have not been 70992
collected by the owner or operator, have become a debt that has 70993
become worthless or uncollectable for a period of six months or 70994
more, and may be claimed as a deduction, including a deduction 70995
claimed if the owner or operator keeps accounts on an accrual 70996
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 70997
U.S.C. 166, as amended, and regulations adopted under it. Prior to 70998
making a request for a refund or credit, an owner or operator 70999
shall make reasonable efforts to collect the applicable fees. A 71000
request for a refund or credit shall not include any costs 71001
resulting from those efforts to collect unpaid fees. 71002

A request for a refund or credit of fees shall be made in 71003
writing, on a form prescribed by the director, and shall be 71004
supported by evidence that may be required in rules adopted by the 71005
director under this chapter. After reviewing the request, and if 71006
the request and evidence submitted with the request indicate that 71007
a refund or credit is warranted, the director shall grant a refund 71008
to the owner or operator or shall permit a credit to be taken by 71009
the owner or operator on a subsequent monthly return submitted by 71010
the owner or operator. The amount of a refund or credit shall not 71011
exceed an amount that is equal to ninety days' worth of fees owed 71012
to an owner or operator by a particular debtor of the owner or 71013
operator. A refund or credit shall not be granted by the director 71014
to an owner or operator more than once in any twelve-month period 71015
for fees owed to the owner or operator by a particular debtor. 71016

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or allow such payment regardless of whether the contract was entered prior to or after the effective date of this amendment. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the following activities:

(1) The disposal at a solid waste disposal facility located 71049
in the district of solid wastes generated within the district; 71050

(2) The disposal at a solid waste disposal facility within 71051
the district of solid wastes generated outside the boundaries of 71052
the district, but inside this state; 71053

(3) The disposal at a solid waste disposal facility within 71054
the district of solid wastes generated outside the boundaries of 71055
this state. 71056

The solid waste management plan of the county or joint 71057
district approved under section 3734.521 or 3734.55 of the Revised 71058
Code and any amendments to it, or the resolution adopted under 71059
this division, as appropriate, shall establish the rates of the 71060
fees levied under divisions (B)(1), (2), and (3) of this section, 71061
if any, and shall specify whether the fees are levied on the basis 71062
of tons or cubic yards as the unit of measurement. A solid waste 71063
management district that levies fees under this division on the 71064
basis of cubic yards shall do so in accordance with division (A) 71065
of this section. 71066

The fee levied under division (B)(1) of this section shall be 71067
not less than one dollar per ton nor more than two dollars per 71068
ton, the fee levied under division (B)(2) of this section shall be 71069
not less than two dollars per ton nor more than four dollars per 71070
ton, and the fee levied under division (B)(3) of this section 71071
shall be not more than the fee levied under division (B)(1) of 71072
this section. 71073

Prior to the approval of the solid waste management plan of a 71074
district under section 3734.55 of the Revised Code, the solid 71075
waste management policy committee of a district may levy fees 71076
under this division by adopting a resolution establishing the 71077
proposed amount of the fees. Upon adopting the resolution, the 71078
committee shall deliver a copy of the resolution to the board of 71079

county commissioners of each county forming the district and to 71080
the legislative authority of each municipal corporation and 71081
township under the jurisdiction of the district and shall prepare 71082
and publish the resolution and a notice of the time and location 71083
where a public hearing on the fees will be held. Upon adopting the 71084
resolution, the committee shall deliver written notice of the 71085
adoption of the resolution; of the amount of the proposed fees; 71086
and of the date, time, and location of the public hearing to the 71087
director and to the fifty industrial, commercial, or institutional 71088
generators of solid wastes within the district that generate the 71089
largest quantities of solid wastes, as determined by the 71090
committee, and to their local trade associations. The committee 71091
shall make good faith efforts to identify those generators within 71092
the district and their local trade associations, but the 71093
nonprovision of notice under this division to a particular 71094
generator or local trade association does not invalidate the 71095
proceedings under this division. The publication shall occur at 71096
least thirty days before the hearing. After the hearing, the 71097
committee may make such revisions to the proposed fees as it 71098
considers appropriate and thereafter, by resolution, shall adopt 71099
the revised fee schedule. Upon adopting the revised fee schedule, 71100
the committee shall deliver a copy of the resolution doing so to 71101
the board of county commissioners of each county forming the 71102
district and to the legislative authority of each municipal 71103
corporation and township under the jurisdiction of the district. 71104
Within sixty days after the delivery of a copy of the resolution 71105
adopting the proposed revised fees by the policy committee, each 71106
such board and legislative authority, by ordinance or resolution, 71107
shall approve or disapprove the revised fees and deliver a copy of 71108
the ordinance or resolution to the committee. If any such board or 71109
legislative authority fails to adopt and deliver to the policy 71110
committee an ordinance or resolution approving or disapproving the 71111
revised fees within sixty days after the policy committee 71112

delivered its resolution adopting the proposed revised fees, it 71113
shall be conclusively presumed that the board or legislative 71114
authority has approved the proposed revised fees. The committee 71115
shall determine if the resolution has been ratified in the same 71116
manner in which it determines if a draft solid waste management 71117
plan has been ratified under division (B) of section 3734.55 of 71118
the Revised Code. 71119

The committee may amend the schedule of fees levied pursuant 71120
to a resolution adopted and ratified under this division by 71121
adopting a resolution establishing the proposed amount of the 71122
amended fees. The committee may repeal the fees levied pursuant to 71123
such a resolution by adopting a resolution proposing to repeal 71124
them. Upon adopting such a resolution, the committee shall proceed 71125
to obtain ratification of the resolution in accordance with this 71126
division. 71127

Not later than fourteen days after declaring the new fees to 71128
be ratified or the fees to be repealed under this division, the 71129
committee shall notify by certified mail the owner or operator of 71130
each solid waste disposal facility that is required to collect the 71131
fees of the ratification and the amount of the fees or of the 71132
repeal of the fees. Collection of any fees shall commence or 71133
collection of repealed fees shall cease on the first day of the 71134
second month following the month in which notification is sent to 71135
the owner or operator. 71136

Fees levied under this division also may be established, 71137
amended, or repealed by a solid waste management policy committee 71138
through the adoption of a new district solid waste management 71139
plan, the adoption of an amended plan, or the amendment of the 71140
plan or amended plan in accordance with sections 3734.55 and 71141
3734.56 of the Revised Code or the adoption or amendment of a 71142
district plan in connection with a change in district composition 71143
under section 3734.521 of the Revised Code. 71144

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees

or amended fees levied under divisions (B)(1) to (3) of this 71178
section pursuant to the district's initial or amended plan as so 71179
approved or, if appropriate, the repeal of the district's fees by 71180
that initial or amended plan. Collection of any fees set forth in 71181
such a plan or amended plan shall commence on the first day of 71182
January immediately following the issuance of the notice. If such 71183
an initial or amended plan repeals a schedule of fees, collection 71184
of the fees shall cease on that first day of January. 71185

If, in the case of a change in district composition involving 71186
the withdrawal of a county from a joint district, the director 71187
completes the actions required under division (G)(1) or (3) of 71188
section 3734.521 of the Revised Code, as appropriate, less than 71189
forty-five days before the beginning of a calendar year, the 71190
director, on behalf of each of the districts resulting from the 71191
change that obtained the director's approval of an initial or 71192
amended plan in connection with the change proceedings, shall 71193
notify by certified mail the owner or operator of each solid waste 71194
disposal facility that is required to collect the district's fees 71195
that the change is to take effect on the first day of January 71196
immediately following the mailing of the notice and of the amount 71197
of the fees or amended fees levied under divisions (B)(1) to (3) 71198
of this section pursuant to the district's initial or amended plan 71199
as so approved or, if appropriate, the repeal of the district's 71200
fees by that initial or amended plan. Collection of any fees set 71201
forth in such a plan or amended plan shall commence on the first 71202
day of the second month following the month in which notification 71203
is sent to the owner or operator. If such an initial or amended 71204
plan repeals a schedule of fees, collection of the fees shall 71205
cease on the first day of the second month following the month in 71206
which notification is sent to the owner or operator. 71207

If the schedule of fees that a solid waste management 71208
district is levying under divisions (B)(1) to (3) of this section 71209

is amended or repealed, the fees in effect immediately prior to 71210
the amendment or repeal shall continue to be collected until 71211
collection of the amended fees commences or collection of the 71212
repealed fees ceases, as applicable, as specified in this 71213
division. In the case of a change in district composition, money 71214
so received from the collection of the fees of the former 71215
districts shall be divided among the resulting districts in 71216
accordance with division (B) of section 343.012 of the Revised 71217
Code and the agreements entered into under division (B) of section 71218
343.01 of the Revised Code to establish the former and resulting 71219
districts and any amendments to those agreements. 71220

For the purposes of the provisions of division (B) of this 71221
section establishing the times when newly established or amended 71222
fees levied by a district are required to commence and the 71223
collection of fees that have been amended or repealed is required 71224
to cease, "fees" or "schedule of fees" includes, in addition to 71225
fees levied under divisions (B)(1) to (3) of this section, those 71226
levied under section 3734.573 or 3734.574 of the Revised Code. 71227

(C) For the purposes of defraying the added costs to a 71228
municipal corporation or township of maintaining roads and other 71229
public facilities and of providing emergency and other public 71230
services, and compensating a municipal corporation or township for 71231
reductions in real property tax revenues due to reductions in real 71232
property valuations resulting from the location and operation of a 71233
solid waste disposal facility within the municipal corporation or 71234
township, a municipal corporation or township in which such a 71235
solid waste disposal facility is located may levy a fee of not 71236
more than twenty-five cents per ton on the disposal of solid 71237
wastes at a solid waste disposal facility located within the 71238
boundaries of the municipal corporation or township regardless of 71239
where the wastes were generated. 71240

The legislative authority of a municipal corporation or 71241

township may levy fees under this division by enacting an 71242
ordinance or adopting a resolution establishing the amount of the 71243
fees. Upon so doing the legislative authority shall mail a 71244
certified copy of the ordinance or resolution to the board of 71245
county commissioners or directors of the county or joint solid 71246
waste management district in which the municipal corporation or 71247
township is located or, if a regional solid waste management 71248
authority has been formed under section 343.011 of the Revised 71249
Code, to the board of trustees of that regional authority, the 71250
owner or operator of each solid waste disposal facility in the 71251
municipal corporation or township that is required to collect the 71252
fee by the ordinance or resolution, and the director of 71253
environmental protection. Although the fees levied under this 71254
division are levied on the basis of tons as the unit of 71255
measurement, the legislative authority, in its ordinance or 71256
resolution levying the fees under this division, may direct that 71257
the fees be levied on the basis of cubic yards as the unit of 71258
measurement based upon a conversion factor of three cubic yards 71259
per ton generally or one cubic yard per ton for baled wastes. 71260

Not later than five days after enacting an ordinance or 71261
adopting a resolution under this division, the legislative 71262
authority shall so notify by certified mail the owner or operator 71263
of each solid waste disposal facility that is required to collect 71264
the fee. Collection of any fee levied on or after March 24, 1992, 71265
shall commence on the first day of the second month following the 71266
month in which notification is sent to the owner or operator. 71267

(D)(1) The fees levied under divisions (A), (B), and (C) of 71268
this section do not apply to the disposal of solid wastes that: 71269

(a) Are disposed of at a facility owned by the generator of 71270
the wastes when the solid waste facility exclusively disposes of 71271
solid wastes generated at one or more premises owned by the 71272
generator regardless of whether the facility is located on a 71273

premises where the wastes are generated; 71274

(b) Are disposed of at facilities that exclusively dispose of 71275
wastes that are generated from the combustion of coal, or from the 71276
combustion of primarily coal in combination with scrap tires, that 71277
is not combined in any way with garbage at one or more premises 71278
owned by the generator. 71279

(2) Except as provided in section 3734.571 of the Revised 71280
Code, any fees levied under division (B)(1) of this section apply 71281
to solid wastes originating outside the boundaries of a county or 71282
joint district that are covered by an agreement for the joint use 71283
of solid waste facilities entered into under section 343.02 of the 71284
Revised Code by the board of county commissioners or board of 71285
directors of the county or joint district where the wastes are 71286
generated and disposed of. 71287

(3) When solid wastes, other than solid wastes that consist 71288
of scrap tires, are burned in a disposal facility that is an 71289
incinerator or energy recovery facility, the fees levied under 71290
divisions (A), (B), and (C) of this section shall be levied upon 71291
the disposal of the fly ash and bottom ash remaining after burning 71292
of the solid wastes and shall be collected by the owner or 71293
operator of the sanitary landfill where the ash is disposed of. 71294

(4) When solid wastes are delivered to a solid waste transfer 71295
facility, the fees levied under divisions (B) and (C) of this 71296
section shall be levied upon the disposal of solid wastes 71297
transported off the premises of the transfer facility for disposal 71298
and shall be collected by the owner or operator of the solid waste 71299
disposal facility where the wastes are disposed of. 71300

(5) The fees levied under divisions (A), (B), and (C) of this 71301
section do not apply to sewage sludge that is generated by a waste 71302
water treatment facility holding a national pollutant discharge 71303
elimination system permit and that is disposed of through 71304

incineration, land application, or composting or at another 71305
resource recovery or disposal facility that is not a landfill. 71306

(6) The fees levied under divisions (A), (B), and (C) of this 71307
section do not apply to solid wastes delivered to a solid waste 71308
composting facility for processing. When any unprocessed solid 71309
waste or compost product is transported off the premises of a 71310
composting facility and disposed of at a landfill, the fees levied 71311
under divisions (A), (B), and (C) of this section shall be 71312
collected by the owner or operator of the landfill where the 71313
unprocessed waste or compost product is disposed of. 71314

(7) When solid wastes that consist of scrap tires are 71315
processed at a scrap tire recovery facility, the fees levied under 71316
divisions (A), (B), and (C) of this section shall be levied upon 71317
the disposal of the fly ash and bottom ash or other solid wastes 71318
remaining after the processing of the scrap tires and shall be 71319
collected by the owner or operator of the solid waste disposal 71320
facility where the ash or other solid wastes are disposed of. 71321

(8) The director of environmental protection may issue an 71322
order exempting from the fees levied under this section solid 71323
wastes, including, but not limited to, scrap tires, that are 71324
generated, transferred, or disposed of as a result of a contract 71325
providing for the expenditure of public funds entered into by the 71326
administrator or regional administrator of the United States 71327
environmental protection agency, the director of environmental 71328
protection, or the director of administrative services on behalf 71329
of the director of environmental protection for the purpose of 71330
remediating conditions at a hazardous waste facility, solid waste 71331
facility, or other location at which the administrator or regional 71332
administrator or the director of environmental protection has 71333
reason to believe that there is a substantial threat to public 71334
health or safety or the environment or that the conditions are 71335
causing or contributing to air or water pollution or soil 71336

contamination. An order issued by the director of environmental 71337
protection under division (D)(8) of this section shall include a 71338
determination that the amount of the fees not received by a solid 71339
waste management district as a result of the order will not 71340
adversely impact the implementation and financing of the 71341
district's approved solid waste management plan and any approved 71342
amendments to the plan. Such an order is a final action of the 71343
director of environmental protection. 71344

(E) The fees levied under divisions (B) and (C) of this 71345
section shall be collected by the owner or operator of the solid 71346
waste disposal facility where the wastes are disposed of as a 71347
trustee for the county or joint district and municipal corporation 71348
or township where the wastes are disposed of. Moneys from the fees 71349
levied under division (B) of this section shall be forwarded to 71350
the board of county commissioners or board of directors of the 71351
district in accordance with rules adopted under division (H) of 71352
this section. Moneys from the fees levied under division (C) of 71353
this section shall be forwarded to the treasurer or such other 71354
officer of the municipal corporation as, by virtue of the charter, 71355
has the duties of the treasurer or to the fiscal officer of the 71356
township, as appropriate, in accordance with those rules. 71357

(F) Moneys received by the treasurer or other officer of the 71358
municipal corporation under division (E) of this section shall be 71359
paid into the general fund of the municipal corporation. Moneys 71360
received by the fiscal officer of the township under that division 71361
shall be paid into the general fund of the township. The treasurer 71362
or other officer of the municipal corporation or the township 71363
fiscal officer, as appropriate, shall maintain separate records of 71364
the moneys received from the fees levied under division (C) of 71365
this section. 71366

(G) Moneys received by the board of county commissioners or 71367
board of directors under division (E) of this section or section 71368

shall be paid to the county treasurer, or other official acting in 71370
a similar capacity under a county charter, in a county district or 71371
to the county treasurer or other official designated by the board 71372
of directors in a joint district and kept in a separate and 71373
distinct fund to the credit of the district. If a regional solid 71374
waste management authority has been formed under section 343.011 71375
of the Revised Code, moneys received by the board of trustees of 71376
that regional authority under division (E) of this section shall 71377
be kept by the board in a separate and distinct fund to the credit 71378
of the district. Moneys in the special fund of the county or joint 71379
district arising from the fees levied under division (B) of this 71380
section and the fee levied under division (A) of section 3734.573 71381
of the Revised Code shall be expended by the board of county 71382
commissioners or directors of the district in accordance with the 71383
district's solid waste management plan or amended plan approved 71384
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 71385
exclusively for the following purposes: 71386

(1) Preparation of the solid waste management plan of the 71387
district under section 3734.54 of the Revised Code, monitoring 71388
implementation of the plan, and conducting the periodic review and 71389
amendment of the plan required by section 3734.56 of the Revised 71390
Code by the solid waste management policy committee; 71391

(2) Implementation of the approved solid waste management 71392

limitation, the development and implementation of solid waste 71394
recycling or reduction programs; 71395

(3) Providing financial assistance to boards of health within 71396
the district, if solid waste facilities are located within the 71397
district, for enforcement of this chapter and rules, orders, and 71398
terms and conditions of permits, licenses, and variances adopted 71399
or issued under it, other than the hazardous waste provisions of 71400

this chapter and rules adopted and orders and terms and conditions 71401
of permits issued under those provisions; 71402

(4) Providing financial assistance to each county within the 71403
district to defray the added costs of maintaining roads and other 71404
public facilities and of providing emergency and other public 71405
services resulting from the location and operation of a solid 71406
waste facility within the county under the district's approved 71407
solid waste management plan or amended plan; 71408

(5) Pursuant to contracts entered into with boards of health 71409
within the district, if solid waste facilities contained in the 71410
district's approved plan or amended plan are located within the 71411
district, for paying the costs incurred by those boards of health 71412
for collecting and analyzing samples from public or private water 71413
wells on lands adjacent to those facilities; 71414

(6) Developing and implementing a program for the inspection 71415
of solid wastes generated outside the boundaries of this state 71416
that are disposed of at solid waste facilities included in the 71417
district's approved solid waste management plan or amended plan; 71418

(7) Providing financial assistance to boards of health within 71419
the district for the enforcement of section 3734.03 of the Revised 71420

ordinances; 71423

(8) Providing financial assistance to boards of health of 71424
health districts within the district that are on the approved list 71425
under section 3734.08 of the Revised Code to defray the costs to 71426
the health districts for the participation of their employees 71427
responsible for enforcement of the solid waste provisions of this 71428
chapter and rules adopted and orders and terms and conditions of 71429
permits, licenses, and variances issued under those provisions in 71430
the training and certification program as required by rules 71431

adopted under division (L) of section 3734.02 of the Revised Code; 71432

(9) Providing financial assistance to individual municipal 71433
corporations and townships within the district to defray their 71434
added costs of maintaining roads and other public facilities and 71435
of providing emergency and other public services resulting from 71436
the location and operation within their boundaries of a 71437
composting, energy or resource recovery, incineration, or 71438
recycling facility that either is owned by the district or is 71439
furnishing solid waste management facility or recycling services 71440
to the district pursuant to a contract or agreement with the board 71441
of county commissioners or directors of the district; 71442

(10) Payment of any expenses that are agreed to, awarded, or 71443
ordered to be paid under section 3734.35 of the Revised Code and 71444
of any administrative costs incurred pursuant to that section. In 71445
the case of a joint solid waste management district, if the board 71446
of county commissioners of one of the counties in the district is 71447
negotiating on behalf of affected communities, as defined in that 71448
section, in that county, the board shall obtain the approval of 71449
the board of directors of the district in order to expend moneys 71450
for administrative costs incurred. 71451

Prior to the approval of the district's solid waste 71452
management plan under section 3734.55 of the Revised Code, moneys 71453
in the special fund of the district arising from the fees shall be 71454
expended for those purposes in the manner prescribed by the solid 71455
waste management policy committee by resolution. 71456

Notwithstanding division (G)(6) of this section as it existed 71457
prior to October 29, 1993, or any provision in a district's solid 71458
waste management plan prepared in accordance with division 71459
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 71460
prior to that date, any moneys arising from the fees levied under 71461
division (B)(3) of this section prior to January 1, 1994, may be 71462
expended for any of the purposes authorized in divisions (G)(1) to 71463

(10) of this section. 71464

(H) The director shall adopt rules in accordance with Chapter 71465
119. of the Revised Code prescribing procedures for collecting and 71466
forwarding the fees levied under divisions (B) and (C) of this 71467
section to the boards of county commissioners or directors of 71468
county or joint solid waste management districts and to the 71469
treasurers or other officers of municipal corporations and the 71470
fiscal officers of townships. The rules also shall prescribe the 71471
dates for forwarding the fees to the boards and officials and may 71472
prescribe any other requirements the director considers necessary 71473
or appropriate to implement and administer divisions (A), (B), and 71474
(C) of this section. 71475

Sec. 3734.573. (A) For the purposes specified in division (G) 71476
of section 3734.57 of the Revised Code, the solid waste management 71477
policy committee of a county or joint solid waste management 71478
district may levy a fee on the generation of solid wastes within 71479
the district. 71480

The initial or amended solid waste management plan of the 71481
county or joint district approved under section 3734.521, 3734.55, 71482
or 3734.56 of the Revised Code, an amendment to the district's 71483
plan adopted under division (E) of section 3734.56 of the Revised 71484
Code, or the resolution adopted and ratified under division (B) of 71485
this section shall establish the rate of the fee levied under this 71486
division and shall specify whether the fee is levied on the basis 71487
of tons or cubic yards as the unit of measurement. 71488

(B) Prior to the approval under division (A) of section 71489
3734.56 of the Revised Code of the first amended plan that the 71490
district is required to submit for approval under that section, 71491
the approval of an initial plan under section 3734.521 of the 71492
Revised Code, the approval of an amended plan under section 71493
3734.521 or division (D) of section 3734.56 of the Revised Code, 71494

or the amendment of the district's plan under division (E) of 71495
section 3734.56 of the Revised Code, the solid waste management 71496
policy committee of a county or joint district that is operating 71497
under an initial plan approved under section 3734.55 of the 71498
Revised Code, or one for which approval of its initial plan is 71499
pending before the director of environmental protection on October 71500
29, 1993, under section 3734.55 of the Revised Code, may levy a 71501
fee under division (A) of this section by adopting and obtaining 71502
ratification of a resolution establishing the amount of the fee. A 71503
policy committee that, after December 1, 1993, concurrently 71504
proposes to levy a fee under division (A) of this section and to 71505
amend the fees levied by the district under divisions (B)(1) to 71506
(3) of section 3734.57 of the Revised Code may adopt and obtain 71507
ratification of one resolution proposing to do both. The 71508
requirements and procedures set forth in division (B) of section 71509
3734.57 of the Revised Code governing the adoption, amendment, and 71510
repeal of resolutions levying fees under divisions (B)(1) to (3) 71511
of that section, the ratification of those resolutions, and the 71512
notification of owners and operators of solid waste facilities 71513
required to collect fees levied under those divisions govern the 71514
adoption of the resolutions authorized to be adopted under this 71515
division, the ratification thereof, and the notification of owners 71516
and operators required to collect the fees, except as otherwise 71517
specifically provided in division (C) of this section. 71518

(C) Any initial or amended plan of a district adopted under 71520
section 3734.521 or 3734.56 of the Revised Code, or resolution 71521
adopted under division (B) of this section, that proposes to levy 71522
a fee under division (A) of this section that exceeds five dollars 71523
per ton shall be ratified in accordance with the provisions of 71524
section 3734.55 or division (B) of section 3734.57 of the Revised 71525
Code, as applicable, except that such an initial or amended plan 71526
or resolution shall be approved by a combination of municipal 71527

corporations and townships with a combined population within the 71528
boundaries of the district comprising at least seventy-five per 71529
cent, rather than at least sixty per cent, of the total population 71530
of the district. 71531

(D) The policy committee of a county or joint district may 71532
amend the fee levied by the district under division (A) of this 71533
section by adopting and obtaining ratification of a resolution 71534
establishing the amount of the amended fee. The policy committee 71535
may abolish the fee or an amended fee established under this 71536
division by adopting and obtaining ratification of a resolution 71537
proposing to repeal it. The requirements and procedures under 71538
division (B) and, if applicable, division (C) of this section 71539
govern the adoption and ratification of a resolution authorized to 71540
be adopted under this division and the notification of owners and 71541
operators of solid waste facilities required to collect the fees. 71542

(E) Collection of a fee or amended fee levied under division 71543
(A) or (D) of this section shall commence or cease in accordance 71544

Air Act prior to calendar year 2000. Those fees shall be assessed 72371
on the emissions from such a generating unit commencing in 72372
calendar year 2001 based upon the total actual emissions from the 72373
generating unit during calendar year 2000 and shall continue to be 72374
assessed each subsequent calendar year based on the total actual 72375

emissions from the generating unit during the preceding calendar year. 72376

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2010~~ 2012, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (C)(1) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for

the purposes of division (C)(1) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average of the consumer price index for all urban consumers published by the United States department of labor as of the close of the twelve-month period ending on the thirty-first day of August of that year.

(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most consistent with that for calendar year 1989.

any fee required by this section; 73178

(3) Provide for the waiver of any fee, or any part thereof, 73179
otherwise required by this section whenever the director 73180
determines that the imposition of the fee would constitute an 73181
unreasonable cost of doing business for any applicant, class of 73182
applicants, or other person subject to the fee; 73183

(4) Prescribe measures that the director considers necessary 73184

install, license, variance, plan approval, or certification 73188
exceeds the fee for the issuance or review specified by this 73189
section, the director may condition the issuance or review on the 73190
payment by the person receiving the issuance or review of, in 73191
addition to the fee specified by this section, the amount, or any 73192
portion thereof, in excess of the fee specified under this 73193
section. The director shall not so condition issuances for which 73194

fees are prescribed in divisions (B)(7) and (L)(1)(b) of this section. 73195

section, each sewage sludge facility shall pay a minimum annual 73258
sewage sludge fee of one hundred dollars. 73259

(b) The annual sludge fee required to be paid by a sewage 73260
sludge facility that treats or disposes of exceptional quality 73261
sludge in this state shall be thirty-five per cent less per dry 73262
ton of exceptional quality sludge than the fee assessed under 73263
division (Y)(1) of this section, subject to the following 73264

division (Y)(3) of this section. 73278

(c) A sewage sludge facility that transfers sewage sludge to 73279
another sewage sludge facility in this state for further treatment 73280
prior to disposal in this state shall not be required to pay the 73281
annual sludge fee for the tons of sewage sludge that have been 73282
transferred. In such a case, the sewage sludge facility that 73283
disposes of the sewage sludge shall pay the annual sludge fee. 73284
However, the facility transferring the sewage sludge shall pay the 73285
one-hundred-dollar minimum fee required under division (Y)(2)(a) 73286

of this section. 73287

In the case of a sewage sludge facility that treats sewage sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state shall be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred. 73288

the entity generating the sewage sludge, and not the landfill or 73323
sewage sludge facility, shall pay the annual sludge fee for the 73324
tons of sewage sludge that are transferred. 73325

(5) Not later than the first day of April of the calendar 73326
year following March 17, 2000, and each first day of April 73327
thereafter, the director shall issue invoices to persons who are 73328
required to pay the annual sludge fee. The invoice shall identify 73329
the nature and amount of the annual sludge fee assessed and state 73330
the first day of May as the deadline for receipt by the director 73331
of objections regarding the amount of the fee and the first day of 73332
July as the deadline for payment of the fee. 73333

Not later than the first day of May following receipt of an 73334
invoice, a person required to pay the annual sludge fee may submit 73335
objections to the director concerning the accuracy of information 73336
regarding the number of dry tons of sewage sludge used to 73337
calculate the amount of the annual sludge fee or regarding whether 73338
the sewage sludge qualifies for the exceptional quality sludge 73339
discount established in division (Y)(2)(b) of this section. The 73340
director may consider the objections and adjust the amount of the 73341
fee to ensure that it is accurate. 73342

If the director does not adjust the amount of the annual 73343
sludge fee in response to a person's objections, the person may 73344
appeal the director's determination in accordance with Chapter 73345
119. of the Revised Code. 73346

Not later than the first day of June, the director shall 73347
notify the objecting person regarding whether the director has 73348

found the objections to be valid and the reasons for the finding. 73349
If the director finds the objections to be valid and adjusts the 73350
amount of the annual sludge fee accordingly, the director shall 73351
issue with the notification a new invoice to the person 73352
identifying the amount of the annual sludge fee assessed and 73353
stating the first day of July as the deadline for payment. 73354

Not later than the first day of July, any person who is 73355
required to do so shall pay the annual sludge fee. Any person who 73356
is required to pay the fee, but who fails to do so on or before 73357
that date shall pay an additional amount that equals ten per cent 73358
of the required annual sludge fee. 73359

(6) The director shall transmit all moneys collected under 73360
division (Y) of this section to the treasurer of state for deposit 73361
into the surface water protection fund created in section 6111.038 73362
of the Revised Code. The moneys shall be used to defray the costs 73363
of administering and enforcing provisions in Chapter 6111. of the 73364
Revised Code and rules adopted under it that govern the use, 73365
storage, treatment, or disposal of sewage sludge. 73366

(7) Beginning in fiscal year 2001, and every two years 73367
thereafter, the director shall review the total amount of moneys 73368
generated by the annual sludge fees to determine if that amount 73369
exceeded six hundred thousand dollars in either of the two 73370
preceding fiscal years. If the total amount of moneys in the fund 73371
exceeded six hundred thousand dollars in either fiscal year, the 73372
director, after review of the fee structure and consultation with 73373
affected persons, shall issue an order reducing the amount of the 73374
fees levied under division (Y) of this section so that the 73375
estimated amount of moneys resulting from the fees will not exceed 73376
six hundred thousand dollars in any fiscal year. 73377

If, upon review of the fees under division (Y)(7) of this 73378
section and after the fees have been reduced, the director 73379
determines that the total amount of moneys collected and 73380

accumulated is less than six hundred thousand dollars, the 73381
director, after review of the fee structure and consultation with 73382
affected persons, may issue an order increasing the amount of the 73383
fees levied under division (Y) of this section so that the 73384
estimated amount of moneys resulting from the fees will be 73385
approximately six hundred thousand dollars. Fees shall never be 73386
increased to an amount exceeding the amount specified in division 73387
(Y)(7) of this section. 73388

Notwithstanding section 119.06 of the Revised Code, the 73389
director may issue an order under division (Y)(7) of this section 73390
without the necessity to hold an adjudicatory hearing in 73391
connection with the order. The issuance of an order under this 73392
division is not an act or action for purposes of section 3745.04 73393
of the Revised Code. 73394

sales agent receives from lottery ticket sales, only the amounts 74189
the lottery sales agent receives as compensation from the state 74190
lottery commission for selling lottery tickets shall be considered 74191
to be amounts the lottery sales agent receives from the retail 74192
sales the lottery sales agent makes, for the purpose of computing 74193

lawful minimum requirements specified for those buildings and 74438
industrialized units, except that no rule other than as provided 74439
in division (C) of section 3781.108 of the Revised Code that 74440
specifies a higher requirement than is imposed by any section of 74441
the Revised Code is enforceable. The rules governing residential 74442
buildings are uniform requirements for residential buildings in 74443
any area with a building department certified to enforce the state 74444
residential building code. In no case shall any local code or 74445
regulation differ from the state residential building code unless 74446
that code or regulation addresses subject matter not addressed by 74447
the state residential building code or is adopted pursuant to 74448

section 3781.01 of the Revised Code. 74449

(3) The rules adopted pursuant to this section are complete, 74450
lawful alternatives to any requirements specified for buildings or 74451
industrialized units in any section of the Revised Code. The board 74452
shall, on its own motion or on application made under sections 74453
3781.12 and 3781.13 of the Revised Code, formulate, propose, 74454
adopt, modify, amend, or repeal the rules to the extent necessary 74455
or desirable to effectuate the purposes of sections 3781.06 to 74456
3781.18 of the Revised Code. 74457

(B) The board shall report to the general assembly proposals 74458
for amendments to existing statutes relating to the purposes 74459
declared in section 3781.06 of the Revised Code that public health 74460
and safety and the development of the arts require and shall 74461
recommend any additional legislation to assist in carrying out 74462
fully, in statutory form, the purposes declared in that section. 74463
The board shall prepare and submit to the general assembly a 74464
summary report of the number, nature, and disposition of the 74465
petitions filed under sections 3781.13 and 3781.14 of the Revised 74466
Code. 74467

(C) On its own motion or on application made under sections 74468
3781.12 and 3781.13 of the Revised Code, and after thorough 74469
testing and evaluation, the board shall determine by rule that any 74470
particular fixture, device, material, process of manufacture, 74471
manufactured unit or component, method of manufacture, system, or 74472
method of construction complies with performance standards adopted 74473
pursuant to section 3781.11 of the Revised Code. The board shall 74474
make its determination with regard to adaptability for safe and 74475
sanitary erection, use, or construction, to that described in any 74476
section of the Revised Code, wherever the use of a fixture, 74477
device, material, method of manufacture, system, or method of 74478
construction described in that section of the Revised Code is 74479
permitted by law. The board shall amend or annul any rule or issue 74480

an authorization for the use of a new material or manufactured unit on any like application. No department, officer, board, or commission of the state other than the board of building standards or the board of building appeals shall permit the use of any fixture, device, material, method of manufacture, newly designed product, system, or method of construction at variance with what is described in any rule the board of building standards adopts or issues or that is authorized by any section of the Revised Code. Nothing in this section shall be construed as requiring approval, by rule, of plans for an industrialized unit that conforms with the rules the board of building standards adopts pursuant to section 3781.11 of the Revised Code.

(D) The board shall recommend rules, codes, and standards to help carry out the purposes of section 3781.06 of the Revised Code and to help secure uniformity of state administrative rulings and local legislation and administrative action to the bureau of workers' compensation, the director of commerce, any other department, officer, board, or commission of the state, and to legislative authorities and building departments of counties, townships, and municipal corporations, and shall recommend that they audit those recommended rules, codes, and standards by any appropriate action that they are allowed pursuant to law or the constitution.

(E)(1) The board shall certify municipal, township, and county building departments and the personnel of those building departments, and persons and employees of individuals, firms, or corporations as described in division (E)(7) of this section to exercise enforcement authority, to accept and approve plans and specifications, and to make inspections, pursuant to sections 3781.03, 3791.04, and 4104.43 of the Revised Code.

(2) The board shall certify departments, personnel, and persons to enforce the state residential building code, to enforce

the nonresidential building code, or to enforce both the 74513
residential and the nonresidential building codes. Any department, 74514
personnel, or person may enforce only the type of building code 74515
for which certified. 74516

(3) The board shall not require a building department, its 74517
personnel, or any persons that it employs to be certified for 74518
residential building code enforcement if that building department 74519
does not enforce the state residential building code. The board 74520
shall specify, in rules adopted pursuant to Chapter 119. of the 74521
Revised Code, the requirements for certification for residential 74522
and nonresidential building code enforcement, which shall be 74523
consistent with this division. The requirements for residential 74524
and nonresidential certification may differ. Except as otherwise 74525
provided in this division, the requirements shall include, but are 74526
not limited to, the satisfactory completion of an initial 74527
examination and, to remain certified, the completion of a 74528
specified number of hours of continuing building code education 74529
within each three-year period following the date of certification 74530
which shall be not less than thirty hours. The rules shall provide 74531
that continuing education credits and certification issued by the 74532
council of American building officials, national model code 74533
organizations, and agencies or entities the board recognizes are 74534
acceptable for purposes of this division. The rules shall specify 74535
requirements that are compatible, to the extent possible, with 74536
requirements the council of American building officials and 74537
national model code organizations establish. 74538

(4) The board shall establish and collect a certification and 74539
renewal fee for building department personnel, and persons and 74540
employees of persons, firms, or corporations as described in this 74541
section, who are certified pursuant to this division. 74542

(5) Any individual certified pursuant to this division shall 74543
complete the number of hours of continuing building code education 74544

that the board requires or, for failure to do so, forfeit 74545
certification. 74546

(6) This division does not require or authorize the board to 74547
certify personnel of municipal, township, and county building 74548
departments, and persons and employees of persons, firms, or 74549
corporations as described in this section, whose responsibilities 74550
do not include the exercise of enforcement authority, the approval 74551
of plans and specifications, or making inspections under the state 74552
residential and nonresidential building codes. 74553

(7) Enforcement authority for approval of plans and 74554
specifications and enforcement authority for inspections may be 74555
exercised, and plans and specifications may be approved and 74556
inspections may be made on behalf of a municipal corporation, 74557
township, or county, by any of the following who the board of 74558
building standards certifies: 74559

(a) Officers or employees of the municipal corporation, 74560
township, or county; 74561

(b) Persons, or employees of persons, firms, or corporations, 74562
pursuant to a contract to furnish architectural, engineering, or 74563
other services to the municipal corporation, township, or county; 74564

(c) Officers or employees of, and persons under contract 74565
with, a municipal corporation, township, county, health district, 74566
or other political subdivision, pursuant to a contract to furnish 74567
architectural, engineering, or other services. 74568

(8) Municipal, township, and county building departments have 74569
jurisdiction within the meaning of sections 3781.03, 3791.04, and 74570
4104.43 of the Revised Code, only with respect to the types of 74571
buildings and subject matters for which they are certified under 74572
this section. 74573

(9) Certification shall be granted upon application by the 74574
municipal corporation, the board of township trustees, or the 74575

board of county commissioners and approval of that application by 74576

nonresidential buildings, or both; 74579

department. 74590

(10) The board of building standards shall adopt rules 74591
governing all of the following: 74592

(a) The certification of building department personnel and 74593
persons and employees of persons, firms, or corporations 74594
exercising authority pursuant to division (E)(7) of this section. 74595
The rules shall disqualify any employee of the department or 74596
person who contracts for services with the department from 74597
performing services for the department when that employee or 74598
person would have to pass upon, inspect, or otherwise exercise 74599
authority over any labor, material, or equipment the employee or 74600
person furnishes for the construction, alteration, or maintenance 74601
of a building or the preparation of working drawings or 74602
specifications for work within the jurisdictional area of the 74603
department. The department shall provide other similarly qualified 74604
personnel to enforce the residential and nonresidential building 74605
codes as they pertain to that work. 74606

(b) The minimum services to be provided by a certified building department. 74607
74608

(11) The board of building standards may revoke or suspend certification to enforce the residential and nonresidential building codes, on petition to the board by any person affected by that enforcement or approval of plans, or by the board on its own motion. Hearings shall be held and appeals permitted on any proceedings for certification or revocation or suspension of certification in the same manner as provided in section 3781.101 of the Revised Code for other proceedings of the board of building standards. 74609

installation sought to be used under the rules the board adopts 74884
pursuant to section 3781.10 of the Revised Code. 74885

(C) If the board, after hearing, determines it advisable to 74886
adopt the rule, amendment, or annulment, or to permit the use of 74887
the materials or assemblages petitioned for, it shall give at 74888
least thirty days' notice of the time and place of a public 74889

authorization by the board, be filed with the secretary of state 74897
and published as the board determines. The issuance of the 74898
authorization for the use of the materials or assemblages 74899
described in the petition constitutes approval for their use 74900
anywhere in this state. Any rule, amendment, or annulment does not 74901
take effect until a date the board fixes and states. No rule, 74902
amendment, or annulment applies to any building for which the 74903

this state, one shall be a fire prevention officer qualified under 74926
section 3737.66 of the Revised Code, and one shall be a person 74927

No member of the board of building standards shall be a member of 74929
the board of building appeals. Each member shall be paid an amount 74930

processing appeals. A full and complete record of all proceedings 74939
of the board shall be kept and be open to public inspection. 74940

In the enforcement by any department of the state or any 74941
political subdivision of this chapter and Chapter 3791., and 74942
sections 3737.41, 3737.42, 4104.02, 4104.06, 4104.43, 4104.44, 74943
4104.45, 4105.011, and 4105.11 of the Revised Code and any rule 74944
made thereunder, such department is the agency referred to in 74945
sections 119.07, 119.08, and 119.10 of the Revised Code. 74946

The appropriate municipal or county board of appeals, where 74947
one exists, certified pursuant to section 3781.20 of the Revised 74948
Code shall conduct the adjudication hearing referred to in 74949

sections 119.09 to 119.13 and required by section 3781.031 of the Revised Code. If there is no certified municipal or county board of appeals, the board of building appeals shall conduct the adjudication hearing. If the adjudication hearing concerns section 3781.111 of the Revised Code or any rule made thereunder, reasonable notice of the time, date, place, and subject of the hearing shall be given to any local corporation, association, or other organization composed of or representing handicapped persons, as defined in section 3781.111 of the Revised Code, or if there is no local organization, then to any statewide corporation, association, or other organization composed of or representing handicapped persons.

In addition to the provisions of Chapter 119. of the Revised Code, the municipal, county, or state board of building appeals, as the agency conducting the adjudication hearing, may reverse or modify the order of the enforcing agency if it finds that the order is contrary to this chapter and Chapters 3791. and 4104., and sections 3737.41, 3737.42, 4105.011, and 4105.11 of the Revised Code and any rule made thereunder or to a fair interpretation or application of such laws or any rule made thereunder, or that a variance from the provisions of such laws or any rule made thereunder, in the specific case, will not be contrary to the public interest where a literal enforcement of such provisions will result in unnecessary hardship.

The state board of building appeals or a certified municipal or county board of appeals shall render its decision within thirty days after the date of the adjudication hearing. Following the adjudication hearing, any municipal or county officer, official municipal or county board, or person who was a party to the hearing before the municipal or county board of appeals may apply to the state board of appeals for a de novo hearing before the state board, or may appeal directly to the court of common pleas

pursuant to section 3781.031 of the Revised Code. 74982

defined in section 3781.111 of the Revised Code, or, if no local 74985
corporation, association, or organization exists, then any 74986
statewide corporation, association, or other organization composed 74987
of or representing handicapped persons may apply for the de novo 74988
hearing or appeal to the court of common pleas from any decision 74989
of a certified municipal or county board of appeals interpreting, 74990
applying, or granting a variance from section 3781.111 of the 74991
Revised Code and any rule made thereunder. Application for a de 74992
novo hearing before the state board shall be made no later than 74993
thirty days after the municipal or county board renders its 74994
decision. 74995

The state board of building appeals or the appropriate 74996
certified local board of building appeals shall grant variances 74997
and exemptions from the requirements of section 3781.108 of the 74998
Revised Code in accordance with rules adopted by the board of 74999
building standards pursuant to division ~~(J)~~(K) of section 3781.10 75000
of the Revised Code. 75001

The state board of building appeals or the appropriate 75002
certified local board of building appeals shall, in granting a 75003
variance or exemption from section 3781.108 of the Revised Code, 75004
in addition to any other considerations the state or the 75005
appropriate local board determines appropriate, consider the 75006
architectural and historical significance of the building. 75007

Sec. 3783.05. The board of building standards, in accordance 75008
with Chapters 119., 3781., and 3791. of the Revised Code, shall 75009
adopt, amend, or repeal such rules as may be reasonably necessary 75010
to administer this chapter. All fees collected by the board 75011
pursuant to this chapter shall be paid into the state treasury to 75012

the credit of the ~~industrial compliance~~ labor operating fund 75013
created in section 121.084 of the Revised Code. 75014

Sec. 3791.02. No owner, or person having the control as an 75015

health of city and general health districts, the building 75022
inspector or commissioner in cities having a building inspection 75023
department, or the superintendent of ~~the division of industrial~~ 75024
~~compliance~~ labor in the department of commerce under Chapters 75025
3781. and 3791. of the Revised Code or rules or regulations 75026
adopted pursuant thereto. 75027

Whoever violates this section shall be fined not more than 75028
one thousand dollars. 75029

Sec. 3791.04. (A)(1) Before beginning the construction, 75030
erection, or manufacture of any building to which section 3781.06 75031
of the Revised Code applies, including all industrialized units, 75032
the owner of that building, in addition to any other submission 75033
required by law, shall submit plans or drawings, specifications, 75034
and data prepared for the construction, erection, equipment, 75035
alteration, or addition that indicate the portions that have been 75036
approved pursuant to section 3781.12 of the Revised Code and for 75037
which no further approval is required, to the municipal, township, 75038
or county building department having jurisdiction unless one of 75039
the following applies: 75040

(a) If no municipal, township, or county building department 75041
certified for nonresidential buildings pursuant to division (E) of 75042

section 3781.10 of the Revised Code has jurisdiction, the owner 75043
shall make the submissions described in division (A)(1) of this 75044
section to the superintendent of ~~the division of industrial~~ 75045
~~compliance~~ labor. 75046

(b) If no certified municipal, township, or county building 75047
department certified for residential buildings pursuant to 75048
division (E) of section 3781.10 of the Revised Code has 75049
jurisdiction, the owner is not required to make the submissions 75050
described in division (A)(1) of this section. 75051

(2)(a) The seal of an architect registered under Chapter 75052
4703. of the Revised Code or an engineer registered under Chapter 75053
4733. of the Revised Code is required for any plans, drawings, 75054
specifications, or data submitted for approval, unless the plans, 75055
drawings, specifications, or data are permitted to be prepared by 75056
persons other than registered architects pursuant to division (C) 75057
or (D) of section 4703.18 of the Revised Code, or by persons other 75058
than registered engineers pursuant to division (C) or (D) of 75059
section 4733.18 of the Revised Code. 75060

(b) No seal is required for any plans, drawings, 75061
specifications, or data submitted for approval for any residential 75062
buildings, as defined in section 3781.06 of the Revised Code, or 75063
erected as industrialized one-, two-, or three-family units or 75064
structures within the meaning of "industrialized unit" as defined 75065
in section 3781.06 of the Revised Code. 75066

(c) No seal is required for approval of the installation of 75067
replacement equipment or systems that are similar in type or 75068
capacity to the equipment or systems being replaced. No seal is 75069
required for approval for any new construction, improvement, 75070
alteration, repair, painting, decorating, or other modification of 75071
any buildings or structures subject to sections 3781.06 to 3781.18 75072
and 3791.04 of the Revised Code if the proposed work does not 75073
involve technical design analysis, as defined by rule adopted by 75074

the board of building standards. 75075

(B) No owner shall proceed with the construction, erection, 75076
alteration, or equipment of any building until the plans or 75077
drawings, specifications, and data have been approved as this 75078
section requires, or the industrialized unit inspected at the 75079
point of origin. No plans or specifications shall be approved or 75080
inspection approval given unless the building represented would, 75081
if constructed, repaired, erected, or equipped, comply with 75082
Chapters 3781. and 3791. of the Revised Code and any rule made 75083
under those chapters. 75084

(C) The approval of plans or drawings and specifications or 75085
data pursuant to this section is invalid if construction, 75086
erection, alteration, or other work upon the building has not 75087
commenced within twelve months of the approval of the plans or 75088
drawings and specifications. One extension shall be granted for an 75089
additional twelve-month period if the owner requests at least ten 75090
days in advance of the expiration of the permit and upon payment 75091
of a fee not to exceed one hundred dollars. If in the course of 75092
construction, work is delayed or suspended for more than six 75093
months, the approval of plans or drawings and specifications or 75094
data is invalid. Two extensions shall be granted for six months 75095
each if the owner requests at least ten days in advance of the 75096
expiration of the permit and upon payment of a fee for each 75097
extension of not more than one hundred dollars. Before any work 75098
may continue on the construction, erection, alteration, or 75099
equipment of any building for which the approval is invalid, the 75100
owner of the building shall resubmit the plans or drawings and 75101
specifications for approval pursuant to this section. 75102

(D) Subject to section 3791.042 of the Revised Code, the 75103
board of building standards or the legislative authority of a 75104
municipal corporation, township, or county, by rule, may regulate 75105
the requirements for the submission of plans and specifications to 75106

the respective enforcing departments and for processing by those 75107
departments. The board of building standards or the legislative 75108
authority of a municipal corporation, township, or county may 75109
adopt rules to provide for the approval, subject to section 75110
3791.042 of the Revised Code, by the department having 75111
jurisdiction of the plans for construction of a foundation or any 75112
other part of a building or structure before the complete plans 75113
and specifications for the entire building or structure are 75114
submitted. When any plans are approved by the department having 75115
jurisdiction, the structure and every particular represented by 75116
and disclosed in those plans shall, in the absence of fraud or a 75117
serious safety or sanitation hazard, be conclusively presumed to 75118
comply with Chapters 3781. and 3791. of the Revised Code and any 75119
rule issued pursuant to those chapters, if constructed, altered, 75120
or repaired in accordance with those plans and any rule in effect 75121
at the time of approval. 75122

(E) The approval of plans and specifications, including 75123
inspection of industrialized units, under this section is a 75124
"license" and the failure to approve plans or specifications as 75125
submitted or to inspect the unit at the point of origin within 75126
thirty days after the plans or specifications are filed or the 75127
request to inspect the industrialized unit is made, the 75128
disapproval of plans and specifications, or the refusal to approve 75129
an industrialized unit following inspection at the point of origin 75130
is "an adjudication order denying the issuance of a license" 75131
requiring an "adjudication hearing" as provided by sections 119.07 75132
to 119.13 of the Revised Code and as modified by sections 3781.031 75133
and 3781.19 of the Revised Code. An adjudication order denying the 75134
issuance of a license shall specify the reasons for that denial. 75135

(F) The board of building standards shall not require the 75136
submission of site preparation plans or plot plans to the division 75137
of ~~industrial-compliance~~ labor when industrialized units are used 75138

exclusively as one-, two-, or three-family dwellings. 75139

(G) Notwithstanding any procedures the board establishes, if 75140
the agency having jurisdiction objects to any portion of the plans 75141
or specifications, the owner or the owner's representative may 75142
request the agency to issue conditional approval to proceed with 75143
construction up to the point of the objection. Approval shall be 75144
issued only when the objection results from conflicting 75145
interpretations of the rules of the board of building standards 75146
rather than the application of specific technical requirements of 75147
the rules. Approval shall not be issued where the correction of 75148
the objection would cause extensive changes in the building design 75149
or construction. The giving of conditional approval is a 75150
"conditional license" to proceed with construction up to the point 75151
where the construction or materials objected to by the agency are 75152
to be incorporated into the building. No construction shall 75153
proceed beyond that point without the prior approval of the agency 75154
or another agency that conducts an adjudication hearing relative 75155
to the objection. The agency having jurisdiction shall specify its 75156
objections to the plans or specifications, which is an 75157
"adjudication order denying the issuance of a license" and may be 75158
appealed pursuant to sections 119.07 to 119.13 of the Revised Code 75159
and as modified by sections 3781.031 and 3781.19 of the Revised 75160
Code. 75161

(H) A certified municipal, township, or county building 75162
department having jurisdiction, or the superintendent ~~of the~~ 75163
~~division of industrial compliance~~, as appropriate, shall review 75164
any plans, drawings, specifications, or data described in this 75165
section that are submitted to it or to the superintendent. 75166

(I) No owner or persons having control as an officer, or as a 75167
member of a board or committee, or otherwise, of a building to 75168
which section 3781.06 of the Revised Code is applicable, and no 75169
architect, designer, engineer, builder, contractor, subcontractor, 75170

or any officer or employee of a municipal, township, or county building department shall violate this section. 75171
75172

(J) Whoever violates this section shall be fined not more than five hundred dollars. 75173
75174

Sec. 3791.05. No owner, lessee, agent, factor, architect, or contractor engaged in and having supervision or charge of the building, erection, or construction of a block, building, or structure, shall neglect or refuse to place or have placed upon the joists of each story thereof, as soon as joists are in position, counter floors of such quality and strength as to render perfectly safe the going to and from thereon of all mechanics, laborers, and other persons engaged upon the work of construction or supervision, or in placing materials for such construction. 75175
75176
75177
75178
75179
75180
75181
75182
75183

Whoever violates this section shall be fined not less than twenty-five nor more than two hundred dollars. 75184
75185

Each day that such person neglects or refuses to have such counter floors so placed, after notice is given by a building inspector, a chief inspector, or deputy inspector of the city building inspection department in cities where such department is organized, or by the superintendent of ~~the division of industrial compliance labor~~ of the state, in cities where such departments are not organized, or from a person whose life or personal safety may be endangered by such neglect or refusal, is a separate offense. 75186

75193
75194

Sec. 3791.07. (A) The board of building standards may establish such reasonable inspection fee schedules as it determines necessary or desirable relating to the inspection of all plans and specifications submitted for approval to the division of ~~industrial compliance labor~~, and all industrialized units inspected at the point of origin and at the construction 75195
75196
75197
75198
75199
75200

site of the building. The inspection fee schedule established 75201
shall bear some reasonable relationship to the cost of 75202
administering and enforcing the provisions of Chapters 3781. and 75203
3791. of the Revised Code. 75204

(B) In addition to the fee assessed in division (A) of this 75205
section, the board shall assess a fee of not more than five 75206
dollars for each application for acceptance and approval of plans 75207
and specifications and for making inspections pursuant to section 75208
3791.04 of the Revised Code. The board shall adopt rules, in 75209
accordance with Chapter 119. of the Revised Code, specifying the 75210
manner by which the superintendent of ~~the division of industrial~~ 75211
~~compliance~~ labor shall collect and remit to the board the fees 75212
assessed under this division and requiring that remittance of the 75213
fees be made at least quarterly. 75214

(C) Any person who fails to pay an inspection fee required 75215
for any inspection conducted by the department of commerce 75216
pursuant to Chapters 3781. and 3791. of the Revised Code, except 75217
for fees charged for the inspection of plans and specifications, 75218
within forty-five days after the inspection is conducted, shall 75219
pay a late payment fee equal to twenty-five per cent of the 75220
inspection fee. 75221

(D) The board shall pay the fees assessed under this section 75222
into the state treasury to the credit of the ~~industrial compliance~~ 75223
labor operating fund created in section 121.084 of the Revised 75224
Code. 75225

for a converted policy under division (D)(2) or (D)(3) of this 75962
section, a policyholder shall not be responsible for presenting or 75963
mailing such notice, unless such policyholder has actual knowledge 75964
of the person's eligibility for a converted policy. 75965

If an additional period is allowed by an employee or member 75966

for the exercise of a conversion privilege, and if written 75967
application for the converted policy, accompanied by at least the 75968
first quarterly premium, is made after the expiration of the 75969
thirty-one-day conversion period, but within the additional period 75970
allowed an employee or member in accordance with this division, 75971
the effective date of the converted policy shall be the date of 75972
application. 75973

(I) The converted policy may provide that any hospital, 75974
surgical, or medical expense benefits otherwise payable with 75975
respect to any person may be reduced by the amount of any such 75976
benefits payable under the group policy for the same loss after 75977
termination of coverage. 75978

(K) The time limit specified in a converted policy for 75988
certain defenses with respect to any person who was covered by a 75989
group policy shall commence on the effective date of such person's 75990
coverage under the group policy. 75991

(L) No insurer shall use deterioration of health as the basis 75992
for refusing to renew a converted policy. 75993

(M) No insurer shall use age or health status as the basis 75994
for refusing to renew a converted policy. 75995

(N) A converted policy made available pursuant to this 75996

section shall, if delivery of the policy is to be made in this 75997
state, comply with this section. If delivery of a converted policy 75998

76148

(E) As used in this section, "health benefit plan" has the 76149

same meaning as in section 3924.01 of the Revised Code and also 76150
includes both of the following: 76151

(1) A public employee benefit plan; 76152

(2) A health benefit plan as regulated under the "Employee 76153
Retirement Income Security Act of 1974," 29 U.S.C. 1001, et seq. 76154

Sec. 3923.57. Notwithstanding any provision of this chapter, 76155
every individual policy of sickness and accident insurance that is 76156
delivered, issued for delivery, or renewed in this state is 76157
subject to the following conditions, as applicable: 76158

(A) Pre-existing conditions provisions shall not exclude or 76159
limit coverage for a period beyond twelve months following the 76160
policyholder's effective date of coverage and may only relate to 76161
conditions during the six months immediately preceding the 76162
effective date of coverage. 76163

(B) In determining whether a pre-existing conditions 76164
provision applies to a policyholder or dependent, each policy 76165
shall credit the time the policyholder or dependent was covered 76166
under a previous policy, contract, or plan if the previous 76167
coverage was continuous to a date not more than ~~thirty~~ sixty-three 76168
days prior to the effective date of the new coverage, exclusive of 76169
any applicable service waiting period under the policy. 76170

(C)(1) Except as otherwise provided in division (C) of this 76171
section, an insurer that provides an individual sickness and 76172
accident insurance policy to an individual shall renew or continue 76173
in force such coverage at the option of the individual. 76174

(2) An insurer may nonrenew or discontinue coverage of an 76175
individual in the individual market based only on one or more of 76176
the following reasons: 76177

(a) The individual failed to pay premiums or contributions in 76178
accordance with the terms of the policy or the insurer has not 76179

received timely premium payments. 76180

(b) The individual performed an act or practice that 76181
constitutes fraud or made an intentional misrepresentation of 76182
material fact under the terms of the policy. 76183

(c) The insurer is ceasing to offer coverage in the 76184
individual market in accordance with division (D) of this section 76185
and the applicable laws of this state. 76186

(d) If the insurer offers coverage in the market through a 76187
network plan, the individual no longer resides, lives, or works in 76188
the service area, or in an area for which the insurer is 76189
authorized to do business; provided, however, that such coverage 76190
is terminated uniformly without regard to any health 76191
status-related factor of covered individuals. 76192

(e) If the coverage is made available in the individual 76193
market only through one or more bona fide associations, the 76194
membership of the individual in the association, on the basis of 76195
which the coverage is provided, ceases; provided, however, that 76196
such coverage is terminated under division (C)(2)(e) of this 76197
section uniformly without regard to any health status-related 76198
factor of covered individuals. 76199

An insurer offering coverage to individuals solely through 76200
membership in a bona fide association shall not be deemed, by 76201
virtue of that offering, to be in the individual market for 76202
purposes of sections 3923.58 and 3923.581 of the Revised Code. 76203
Such an insurer shall not be required to accept applicants for 76204
coverage in the individual market pursuant to sections 3923.58 and 76205
3923.581 of the Revised Code unless the insurer also offers 76206
coverage to individuals other than through bona fide associations. 76207

(3) An insurer may cancel or decide not to renew the coverage 76208
of a dependent of an individual if the dependent has performed an 76209
act or practice that constitutes fraud or made an intentional 76210

misrepresentation of material fact under the terms of the coverage 76211
and if the cancellation or nonrenewal is not based, either 76212
directly or indirectly, on any health status-related factor in 76213
relation to the dependent. 76214

(D)(1) If an insurer decides to discontinue offering a 76215
particular type of health insurance coverage offered in the 76216
individual market, coverage of such type may be discontinued by 76217
the insurer if the insurer does all of the following: 76218

(a) Provides notice to each individual provided coverage of 76219
this type in such market of the discontinuation at least ninety 76220
days prior to the date of the discontinuation of the coverage; 76221

(b) Offers to each individual provided coverage of this type 76222
in such market, the option to purchase any other individual health 76223
insurance coverage currently being offered by the insurer for 76224
individuals in that market; 76225

(c) In exercising the option to discontinue coverage of this 76226
type and in offering the option of coverage under division 76227

(D)(1)(b) of this section, acts uniformly without regard to any 76228
health status-related factor of covered individuals or of 76229
individuals who may become eligible for such coverage. 76230

(2) If an insurer elects to discontinue offering all health 76231
insurance coverage in the individual market in this state, health 76232
insurance coverage may be discontinued by the insurer only if both 76233
of the following apply: 76234

(a) The insurer provides notice to the department of 76235
insurance and to each individual of the discontinuation at least 76236
one hundred eighty days prior to the date of the expiration of the 76237
coverage. 76238

(b) All health insurance delivered or issued for delivery in 76239
this state in such market is discontinued and coverage under that 76240
health insurance in that market is not renewed. 76241

(3) In the event of a discontinuation under division (D)(2) 76242
of this section in the individual market, the insurer shall not 76243
provide for the issuance of any health insurance coverage in the 76244
market and this state during the five-year period beginning on the 76245
date of the discontinuation of the last health insurance coverage 76246
not so renewed. 76247

(E) Notwithstanding divisions (C) and (D) of this section, an 76248
insurer may, at the time of coverage renewal, modify the health 76249
insurance coverage for a policy form offered to individuals in the 76250
individual market if the modification is consistent with the law 76251
of this state and effective on a uniform basis among all 76252
individuals with that policy form. 76253

(F) Such policies are subject to sections 2743 and 2747 of 76254
the "Health Insurance Portability and Accountability Act of 1996," 76255
Pub. L. No. 104-191, 110 Stat. 1955, 42 U.S.C.A. 300gg-43 and 76256
300gg-47, as amended. 76257

(G) Sections 3924.031 and 3924.032 of the Revised Code shall 76258
apply to sickness and accident insurance policies offered in the 76259
individual market in the same manner as they apply to health 76260
benefit plans offered in the small employer market. 76261

In accordance with 45 C.F.R. 148.102, divisions (C) to (G) of 76262
this section also apply to all group sickness and accident 76263
insurance policies that are not sold in connection with an 76264
employment-related group health plan and that provide more than 76265
short-term, limited duration coverage. 76266

In applying divisions (C) to (G) of this section with respect 76267
to health insurance coverage that is made available by an insurer 76268
in the individual market to individuals only through one or more 76269
associations, the term "individual" includes the association of 76270
which the individual is a member. 76271

For purposes of this section, any policy issued pursuant to 76272

division (C) of section 3923.13 of the Revised Code in connection 76273
with a public or private college or university student health 76274
insurance program is considered to be issued to a bona fide 76275
association. 76276

As used in this section, "bona fide association" has the same 76277
meaning as in section 3924.03 of the Revised Code, and "health 76278
status-related factor" and "network plan" have the same meanings 76279
as in section 3924.031 of the Revised Code. 76280

This section does not apply to any policy that provides 76281
coverage for specific diseases or accidents only, or to any 76282
hospital indemnity, medicare supplement, long-term care, 76283
disability income, one-time-limited-duration policy of no longer 76284
than six months, or other policy that offers only supplemental 76285
benefits. 76286

~~(2)~~(3) "Insurer" means any sickness and accident insurance 76297

provision that excludes or limits coverage for charges or expenses 76305
incurred during a specified period following the insured's 76306
effective date of coverage as to a condition which, during a 76307
specified period immediately preceding the effective date of 76308
coverage, had manifested itself in such a manner as would cause an 76309
ordinarily prudent person to seek medical advice, diagnosis, care, 76310
or treatment or for which medical advice, diagnosis, care, or 76311
treatment was recommended or received, or a pregnancy existing on 76312
the effective date of coverage. 76313

(B) Beginning in January of each year, insurers in the 76314
business of issuing individual policies of sickness and accident 76315
insurance as contemplated by section 3923.021 of the Revised Code, 76316
except individual policies issued pursuant to section 3923.122 of 76317
the Revised Code, shall accept applicants for open enrollment 76318
coverage, as set forth in this division, in the order in which 76319
they apply for coverage and subject to the limitation set forth in 76320
division (G) of this section. Insurers shall accept for coverage 76321
pursuant to this section individuals to whom both of the following 76322

any medicare supplement policy, or any continuation of coverage 76334

policy under state or federal law. 76335

(C) An insurer shall offer to any individual accepted under 76336
this section the Ohio health care basic and standard plans 76337
~~established by the board of directors of the Ohio health~~ 76338
~~reinsurance program under division (A) of section 3924.10 of the~~ 76339
~~Revised Code~~ or health benefit plans that are substantially 76340
similar to the Ohio health care basic and standard plans in 76341
benefit plan design and scope of covered services. 76342

An insurer may offer other health benefit plans in addition 76343
to, but not in lieu of, the plans required to be offered under 76344
this division. A basic health benefit plan shall provide, at a 76345

For purposes of this division, the superintendent of 76354

substantially similar to the Ohio health care basic and standard 76356
plans in benefit plan design and scope of covered services. 76357

(D)(1) Health benefit plans issued under this section may 76358
establish pre-existing conditions provisions that exclude or limit 76359
coverage for a period of up to twelve months following the 76360
individual's effective date of coverage and that may relate only 76361
to conditions during the six months immediately preceding the 76362
effective date of coverage. 76363

(2) In determining whether a pre-existing conditions 76364
provision applies to a policyholder or dependent, each policy 76365

shall credit the time the policyholder or dependent was covered 76366
under a previous policy, contract, or plan if the previous 76367
coverage was continuous to a date not more than sixty-three days 76368
prior to the effective date of the new coverage, exclusive of any 76369
applicable service waiting period under the policy. 76370

(E) Premiums charged to individuals under this section may 76371
not exceed an amount that is ~~two~~ one and one-half times the 76372
~~highest base rate charged for coverage offered to~~ any other 76373
individual to which the insurer is currently accepting new 76374
business, and for which similar copayments and deductibles are 76375
applied. 76376

(F) In offering health benefit plans under this section, an 76377
insurer may require the purchase of health benefit plans that 76378
condition the reimbursement of health services upon the use of a 76379
specific network of providers. 76380

(G)(1) ~~In no event shall an~~ An insurer shall not be required 76381
to accept new applicants under this section if the total number of 76382
new insureds accepted annually under this section ~~individuals who,~~ 76383
~~in the aggregate, would cause the insurer to have a total number~~ 76384
~~of new insureds that is more than~~ and section 3923.581 of the 76385
Revised Code exceeds four and one-half per cent of ~~its~~ the 76386
insurer's total number of insured individuals and nonemployer 76387
group insureds in this state per year, ~~as contemplated by section~~ 76388
~~3923.021 of the Revised Code,~~ calculated as of the immediately 76389
preceding thirty-first day of December and excluding the insurer's 76390
medicare supplement policies and conversion or continuation of 76391
coverage policies under state or federal law and any policies 76392
described in division (L) of this section. 76393

(2) An officer of the insurer shall certify to the department 76394
of insurance when it has met the enrollment limit set forth in 76395
division (G)(1) of this section. Upon providing such 76396
certification, the insurer shall be relieved of its open 76397

enrollment requirement under this section for the remainder of the 76398
calendar year. 76399

(H) An insurer shall not be required to accept under this 76400

the insurer if the applicants were accepted,~~or~~. An insurer shall 76404
not be required to make the effective date of benefits for 76405
individuals accepted under this section earlier than ninety days 76406
after the date of acceptance, except that when the individual had 76407
prior coverage with a health benefit plan that was terminated by a 76408
carrier because the carrier exited the market and the individual 76409
was accepted for open enrollment under this section within 76410
sixty-three days of that termination, the effective date of 76411
benefits shall be the date of enrollment. 76412

(I) The requirements of this section do not apply to any 76413
insurer that is currently in a state of supervision, insolvency, 76414
or liquidation. If an insurer demonstrates to the satisfaction of 76415
the superintendent that the requirements of this section would 76416
place the insurer in a state of supervision, insolvency, or 76417
liquidation, the superintendent may waive or modify the 76418
requirements of division (B) or (G) of this section. The actions 76419
of the superintendent under this division shall be effective for a 76420
period of not more than one year. At the expiration of such time, 76421
a new showing of need for a waiver or modification by the insurer 76422
shall be made before a new waiver or modification is issued or 76423
imposed. 76424

(J) No hospital, health care facility, or health care 76425
practitioner, and no person who employs any health care 76426
practitioner, shall balance bill any individual or dependent of an 76427

The hospital, health care facility, or health care practitioner, or any person that employs the health care practitioner, shall accept payments made to it by the insurer under the terms of the policy or contract insuring or covering such individual as payment in full for such health care supplies or services.

As used in this division, "hospital" has the same meaning as in section 3727.01 of the Revised Code; "health care practitioner" has the same meaning as in section 4769.01 of the Revised Code; and "balance bill" means charging or collecting an amount in excess of the amount reimbursable or payable under the policy or health care service contract issued to an individual under this section for such health care supply or service. "Balance bill" does not include charging for or collecting copayments or deductibles required by the policy or contract.

(K) An insurer ~~shall~~ may pay an agent a commission in the amount of not more than five per cent of the premium charged for initial placement or for otherwise securing the issuance of a policy or contract issued to an individual under this section, and not more than four per cent of the premium charged for the renewal of such a policy or contract. The superintendent may adopt, in accordance with Chapter 119. of the Revised Code, such rules as are necessary to enforce this division.

(L) This section does not apply to any policy that provides coverage for specific diseases or accidents only, or to any hospital indemnity, medicare supplement, long-term care, disability income, one-time-limited-duration policy of no longer than six months, or other policy that offers only supplemental benefits.

(J)(1) Except as provided in division (J)(2) of this section, 76558
a carrier shall not be required to accept ~~annually new applicants~~ 76559
under this section ~~federally eligible individuals who, in the~~ 76560
~~aggregate, would cause the carrier to have a total number of new~~ 76561

(2) An officer of the carrier shall certify to the department 76572

division (J)(1) of this section. Upon providing such 76574
certification, the carrier shall be relieved of its open 76575
enrollment requirement under this section for the remainder of the 76576
calendar year unless, prior to the end of the calendar year, all 76577
the carriers subject to this section have individually met the 76578
enrollment limit set forth in division (J)(1) of this section. In 76579
that event, carriers shall again accept applicants for open 76580
enrollment coverage pursuant to this section, subject to ~~the~~ an 76581

additional enrollment limit equal to that set forth in division 76582
(J)(1) of this section. 76583

(K) The superintendent may provide for the application of 76584
this section on a service-area-specific basis. 76585

(L) The requirements of this section do not apply to any 76586
health benefit plan described in division ~~(M)~~(L) of section 76587
3923.58 of the Revised Code. 76588

(M) A carrier may pay an agent a commission in the amount of 76589
not more than five per cent of the premium charged for initial 76590
placement or for otherwise securing the issuance of a policy or 76591
contract issued to an individual under this section, and not more 76592
than four per cent of the premium charged for the renewal of such 76593
a policy or contract. The superintendent may adopt, in accordance 76594
with Chapter 119. of the Revised Code, such rules as are necessary 76595
to enforce this division. 76596

Sec. 3923.66. (A) As used in sections 3923.66 to 3923.70 of 76597
the Revised Code: 76598

(1) "Clinical peer" and "physician" have the same meanings as 76599
in section 1751.77 of the Revised Code. 76600

(2) "Authorized person" means a parent, guardian, or other 76601
person authorized to act on behalf of an insured with respect to 76602
health care decisions. 76603

(B) Sections 3923.66 to 3923.70 of the Revised Code do not 76604
apply to any individual or group policy of sickness and accident 76605
insurance covering only accident, credit, dental, disability 76606
income, long-term care, hospital indemnity, medicare supplement, 76607
medicare, tricare, specified disease, or vision care; coverage 76608
issued as a supplement to liability insurance; insurance arising 76609
out of workers' compensation or similar law; automobile medical 76610
payment insurance; or insurance under which benefits are payable 76611

with or without regard to fault and which is statutorily required 76612
to be contained in any liability insurance policy or equivalent 76613
self-insurance. 76614

(C) The superintendent of insurance shall establish and 76615
maintain a system for receiving and reviewing requests for review 76616
from insureds who have been denied coverage of a health care 76617
service on the grounds that the service is not a service covered 76618
under the terms of the insured's policy or certificate. 76619

On receipt of a written request from an insured or authorized 76620
person, the superintendent shall consider whether the health care 76621
service is a service covered under the terms of the insured's 76622
policy or certificate, except that the superintendent shall not 76623
conduct a review under this section unless the insured has 76624
exhausted the insurer's internal review process. The insurer and 76625
the insured or authorized person shall provide the superintendent 76626
with any information required by the superintendent that is in 76627
their possession and is germane to the review. 76628

Unless the superintendent is not able to do so because making 76629
the determination requires resolution of a medical issue, the 76630
superintendent shall determine whether the health care service at 76631
issue is a service covered under the terms of the insured's policy 76632
or certificate. The superintendent shall notify the insured, or 76633
authorized person, and the insurer of its determination or that it 76634
is not able to make a determination because the determination 76635
requires the resolution of a medical issue. 76636

If the superintendent notifies the insurer that making the 76637
determination requires the resolution of a medical issue, the 76638
insurer shall ~~afford the insured an opportunity for~~ initiate an 76639
external review under section 3923.67 or 3923.68 of the Revised 76640
Code. If the superintendent notifies the insurer that the health 76641
care service is not a covered service, the insurer is not required 76642
to cover the service or afford the insured an external review. 76643

Sec. 3923.67. (A) Except as provided in divisions (B) and (C) 76644
of this section, an insurer shall afford an insured an opportunity 76645
for an external review of a coverage denial when requested by the 76646
insured or authorized person, if both of the following are the 76647
case: 76648

(1) The insurer has denied, reduced, or terminated coverage 76649
for what would be a covered health care service except that the 76650
insurer has determined that the health care service is not 76651
medically necessary. 76652

(2) Except in the case of expedited review, the proposed 76653
service, plus any ancillary services and follow-up care, will cost 76654
the insured more than five hundred dollars if the proposed service 76655
is not covered by the insurer. 76656

External review shall be conducted in accordance with this 76657
section, except that if an insured with a terminal condition meets 76658
all of the criteria of division (A) of section 3923.68 of the 76659
Revised Code, an external review shall be conducted under that 76660
section. 76661

(B) An insured need not be afforded a review under this 76662
section in any of the following circumstances: 76663

(1) The superintendent of insurance has determined under 76664
section 3923.66 of the Revised Code that the health care service 76665
is not a service covered under the terms of the insured's policy 76666
or certificate. 76667

(2) The insured has failed to exhaust the insurer's internal 76668
review process. 76669

(3) The insured has previously afforded an external review 76670
for the same denial of coverage, and no new clinical information 76671
has been submitted to the insurer. 76672

(C)(1) An insurer may deny a request from an insured for an 76673

external review of an adverse decision from the insurer's internal 76674
appeal process if it is requested later than ~~sixty one hundred~~ 76675
eighty days after receipt ~~by the insured~~ of notice ~~from the~~ 76676
~~superintendent of insurance under section 3923.66 of the Revised~~ 76677
~~Code that making a determination requires the resolution of a~~ 76678
~~medical issue~~ from the insurer of the adverse decision. An 76679
external review may be requested by the insured, an authorized 76680
person, the insured's provider, or a health care facility 76681
rendering health care service to the insured. The insured may 76682
request a review without the approval of the provider or the 76683
health care facility rendering the health care service. The 76684
provider or health care facility may not request a review without 76685
the prior consent of the insured. 76686

(2) An external review must be requested in writing, except 76687
that if the insured has a condition that requires expedited 76688
review, the review may be requested orally or by electronic means. 76689
When an oral or electronic request for review is made, written 76690
confirmation of the request must be submitted to the insurer not 76691
later than five days after the request is made. 76692

Except in the case of an expedited review, a request for an 76693
external review must be accompanied by written certification from 76694
the insured's provider or the health care facility rendering the 76695
health care service to the insured that the proposed service, plus 76696
any ancillary services and follow-up care, will cost the insured 76697
more than five hundred dollars if the proposed service is not 76698
covered by the insurer. 76699

(3) For an expedited review, the insured's provider must 76700
certify that the insured's condition could, in the absence of 76701
immediate medical attention, result in any of the following: 76702

(a) Placing the health of the insured or, with respect to a 76703
pregnant woman, the health of the insured or the unborn child, in 76704
serious jeopardy; 76705

(b) Serious impairment to bodily functions;	76706
(c) Serious dysfunction of any bodily organ or part.	76707
(D) The procedures used in conducting an external review	76708
shall include all of the following:	76709
(1) The review shall be conducted by an independent review	76710
organization assigned by the superintendent of insurance under	76711
section 3901.80 of the Revised Code.	76712
(2) Except as provided in divisions (D)(3) and (4) of this	76713
section, neither the clinical peer nor any health care facility	76714
with which the clinical peer is affiliated shall have any	76715
professional, familial, or financial affiliation with any of the	76716
following:	76717
(a) The insurer or any officer, director, or managerial	76718
employee of the insurer;	76719
(b) The insured, the insured's provider, or the practice	76720
group of the insured's provider;	76721
(c) The health care facility at which the health care service	76722
requested by the insured would be provided;	76723
(d) The development or manufacture of the principal drug,	76724
device, procedure, or therapy proposed for the insured.	76725
(3) Division (D)(2) of this section does not prohibit a	76726
clinical peer from conducting a review under any of the following	76727
circumstances:	76728
(a) The clinical peer is affiliated with an academic medical	76729
center that provides health care services to insureds of the	76730
insurer.	76731
(b) The clinical peer has staff privileges at a health care	76732
facility that provides health care services to insureds of the	76733
insurer.	76734

(c) The clinical peer has a contractual relationship with the insurer but was not involved with the insurer's coverage decision. 76735
76736

(4) Division (D)(2) of this section does not prohibit the insurer from paying the independent review organization for the conduct of the review. 76737
76738
76739

(5) An insured shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the insurer. 76740
76741
76742

(6)(a) The insurer shall provide to the independent review organization conducting the review a copy of those records in its possession that are relevant to the insured's medical condition and the review. 76743
76744
76745
76746

Records shall be used solely for the purpose of this division. At the request of the independent review organization, the insurer, insured, provider, or health care facility rendering health care services to the insured shall provide any additional information the independent review organization requests to complete the review. A request for additional information may be made in writing, orally, or by electronic means. The independent review organization shall submit the request to the insured and insurer. If a request is submitted orally or by electronic means to an insured or insurer, not later than five days after the request is submitted, the independent review organization shall provide written confirmation of the request. If the review was initiated by a provider or health care facility, a copy of the request shall be submitted to the provider or health care facility. 76747

76752
76753
76754
76755
76756
76757
76758
76759
76760
76761

(b) An independent review organization is not required to make a decision if it has not received any requested information that it considers necessary to complete a review. An independent review organization that does not make a decision for this reason 76762
76763
76764
76765

shall notify the insured and the insurer that a decision is not being made. The notice may be made in writing, orally, or by electronic means. An oral or electronic notice shall be confirmed in writing not later than five days after the oral or electronic notice is made. If the review was initiated by a provider or health care facility, a copy of the notice shall be submitted to the provider or health care facility.

(7) The insurer may elect to cover the service requested and terminate the review. The insurer shall notify the insured and all other parties involved with the decision by mail, or with the consent or approval of the insured, by electronic means.

(8) In making its decision, an independent review organization conducting the review shall take into account all of the following:

(a) Information submitted by the insurer, the insured, the insured's provider, and the health care facility rendering the health care service, including the following:

(i) The insured's medical records;

(ii) The standards, criteria, and clinical rationale used by the insurer to make its decision.

(b) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations, including the national institutes of health or any board recognized by the national institutes of health, the national cancer institute, the national academy of sciences, the United States food and drug administration, the health care financing administration of the United States department of health and human services, and the agency for health care policy and research;

(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national

medical societies. 76797

(9)(a) In the case of an expedited review, the independent 76798
review organization shall issue a written decision not later than 76799
seven days after the filing of the request for review. In all 76800
other cases, the independent review organization shall issue a 76801
written decision not later than thirty days after the filing of 76802
the request. The independent review organization shall send a copy 76803
of its decision to the insurer and the insured. If the insured's 76804
provider or the health care facility rendering health care 76805
services to the insured requested the review, the independent 76806
review organization shall also send a copy of its decision to the 76807
insured's provider or the health care facility. 76808

(b) The independent review organization's decision shall 76809
include a description of the insured's condition and the principal 76810
reasons for the decision and an explanation of the clinical 76811
rationale for the decision. 76812

(E) The independent review organization shall base its 76813
decision on the information submitted under division (D)(8) of 76814
this section. In making its decision, the independent review 76815
organization shall consider safety, efficacy, appropriateness, and 76816
cost-effectiveness. 76817

(F) The insurer shall provide any coverage determined by the 76818
independent review organization's decision to be medically 76819
necessary, subject to the other terms, limitations, and conditions 76820
of the insured's policy or certificate. 76821

Sec. 3923.68. (A) Each insurer shall establish a reasonable 76822
external, independent review process to examine the insurer's 76823
coverage decisions for insureds who meet all of the following 76824
criteria: 76825

(1) The insured has a terminal condition that, according to 76826

the current diagnosis of the insured's physician, has a high 76827
probability of causing death within two years. 76828

(2) The insured requests a review not later than ~~sixty one~~ sixty one 76829
hundred eighty days after receipt by the insured of notice from 76830
the ~~superintendent of insurance under section 3923.66 of the~~ 76831
~~Revised Code that making a determination requires resolution of a~~ 76832
~~medical issue~~ insurer of the adverse decision. 76833

(3) The insured's physician certifies that the insured has 76834
the condition described in division (A)(1) of this section and any 76835
of the following situations are applicable: 76836

(a) Standard therapies have not been effective in improving 76837
the condition of the insured. 76838

(b) Standard therapies are not medically appropriate for the 76839
insured. 76840

(c) There is no standard therapy covered by the insurer that 76841
is more beneficial than therapy described in division (A)(4) of 76842
this section. 76843

(4) The insured's physician has recommended a drug, device, 76844
procedure, or other therapy that the physician certifies, in 76845
writing, is likely to be more beneficial to the insured, in the 76846
physician's opinion, than standard therapies, or the insured has 76847
requested a therapy that has been found in a preponderance of 76848
peer-reviewed published studies to be associated with effective 76849
clinical outcomes for the same condition. 76850

(5) The insured has been denied coverage by the insurer for a 76851
drug, device, procedure, or other therapy recommended or requested 76852
pursuant to division (A)(4) of this section, and has exhausted the 76853
insurer's internal review process. 76854

(6) The drug, device, procedure, or other therapy, for which 76855
coverage has been denied, would be a covered health care service 76856

except for the insurer's determination that the drug, device, 76857
procedure, or other therapy is experimental or investigational. 76858

(B) A review shall be requested in writing, except that if 76859
the insured's physician determines that a therapy would be 76860
significantly less effective if not promptly initiated, the review 76861
may be requested orally or by electronic means. When an oral or 76862
electronic request for review is made, written confirmation of the 76863
request shall be submitted to the insurer not later than five days 76864
after the oral or written request is submitted. 76865

(C) The external, independent review process established by 76866
an insurer shall meet all of the following criteria: 76867

(1) Except as provided in division (E) of this section, the 76868
process shall afford all insureds who meet the criteria set forth 76869
in division (A) of this section the opportunity to have the 76870
insurer's decision to deny coverage of the recommended or 76871
requested therapy reviewed under the process. Each eligible 76872
insured shall be notified of that opportunity within thirty 76873
business days after the insurer denies coverage. 76874

(2) The review shall be conducted by an independent review 76875
organization assigned by the superintendent of insurance under 76876
section 3901.80 of the Revised Code. 76877

The independent review organization shall select a panel to 76878
conduct the review, which panel shall be composed of at least 76879
three physicians or other providers who, through clinical 76880
experience in the past three years, are experts in the treatment 76881
of the insured's medical condition and knowledgeable about the 76882
recommended or requested therapy. 76883

In either of the following circumstances, an exception may be 76884
made to the requirement that the review be conducted by an expert 76885
panel composed of a minimum of three physicians or other 76886
providers: 76887

(a) A review may be conducted by an expert panel composed of 76888
only two physicians or other providers if an insured has consented 76889
in writing to a review by the smaller panel. 76890

(b) A review may be conducted by a single expert physician or 76891
other provider if only the expert physician or other provider is 76892
available for the review. 76893

(3) Neither the insurer nor the insured shall choose, or 76894
control the choice of, the physician or other provider experts. 76895

(4) The selected experts, any health care facility with which 76896
an expert is affiliated, and the independent review organization 76897
arranging for the experts' review shall not have any professional, 76898
familial, or financial affiliation with any of the following: 76899

(a) The insurer or any officer, director, or managerial 76900
employee of the insurer; 76901

(b) The insured, the insured's physician, ~~of~~ or the practice 76902
group of the insured's physician; 76903

(c) The health care facility at which the recommended or 76904
requested therapy would be provided; 76905

(d) The development or manufacture of the principal drug, 76906
device, procedure, or therapy involved in the recommended or 76907
requested therapy. 76908

However, experts affiliated with academic medical centers who 76909
provide health care services to insureds of the insurer may serve 76910
as experts on the review panel. Further, experts with staff 76911
privileges at a health care facility that provides health care 76912
services to insureds of the insurer, as well as experts who have a 76913
contractual relationship with the insurer, but who were not 76914
involved with the insurer's denial of coverage for the therapy 76915
under review, may serve as experts on the review panel. These 76916
nonaffiliation provisions do not preclude an insurer from paying 76917

for the experts' review, as specified in division (C)(5) of this section. 76918
76919

(5) Insureds shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the insurer. 76920
76921
76922

(6) The insurer shall provide to the independent review organization arranging for the experts' review a copy of those records in the insurer's possession that are relevant to the insured's medical condition and the review. The records shall be disclosed solely to the expert reviewers and shall be used solely for the purpose of this section. At the request of the expert reviewers, the insurer or the physician requesting the therapy shall provide any additional information that the expert reviewers request to complete the review. An expert reviewer is not required to render an opinion if the reviewer has not received any requested information that the reviewer considers necessary to complete the review. 76923
76924
76925
76926
76927
76928
76929
76930
76931
76932
76933
76934

(7)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the insurer and the insured. If the insured's provider or the health care facility rendering health care services to the insured requested the review, the independent review organization shall also send a copy of its decision to the insured's provider or the health care facility. 76935
76936
76937
76938
76939
76940
76941
76942
76943
76944
76945

(b) In conducting the review, the experts on the panel shall take into account all of the following: 76946
76947

(i) Information submitted by the insurer, the insured, and 76948

the insured's physician, including the insured's medical records 76949
and the standards, criteria, and clinical rationale used by the 76950
insurer to reach its coverage decision; 76951

(ii) Findings, studies, research, and other relevant 76952
documents of government agencies and nationally recognized 76953
organizations; 76954

(iii) Relevant findings in peer-reviewed medical or 76955
scientific literature and published opinions of nationally 76956
recognized medical experts; 76957

(iv) Clinical guidelines adopted by relevant national medical 76958
societies; 76959

(v) Safety, efficacy, appropriateness, and cost 76960
effectiveness. 76961

(8) Each expert on the panel shall provide the independent 76962
review organization with a professional opinion as to whether 76963
there is sufficient evidence to demonstrate that the recommended 76964
or requested therapy is likely to be more beneficial to the 76965
insured than standard therapies. 76966

(9) Each expert's opinion shall be presented in written form 76967
and shall include the following information: 76968

(a) A description of the insured's condition; 76969

(b) A description of the indicators relevant to determining 76970
whether there is sufficient evidence to demonstrate that the 76971
recommended or requested therapy is more likely than not to be 76972
more beneficial to the insured than standard therapies; 76973

(c) A description and analysis of any relevant findings 76974
published in peer-reviewed medical or scientific literature or the 76975
published opinions of medical experts or specialty societies; 76976

(d) A description of the insured's suitability to receive the 76977
recommended or requested therapy according to a treatment protocol 76978

in a clinical trial, if applicable. 76979

(10) The independent review organization shall provide the 76980
insurer with the opinions of the experts. The insurer shall make 76981
the experts' opinions available to the insured and the insured's 76982
physician, upon request. 76983

(11) The opinion of the majority of the experts on the panel, 76984
rendered pursuant to division (C)(8) of this section, is binding 76985
on the insurer with respect to that insured. If the opinions of 76986
the experts on the panel are evenly divided as to whether the 76987
therapy should be covered, the insurer's final decision shall be 76988
in favor of coverage. If less than a majority of the experts on 76989
the panel recommend coverage of the therapy, the insurer may, in 76990
its discretion, cover the therapy. However, any coverage provided 76991
pursuant to division (C)(11) of this section is subject to the 76992
terms, limitations, and conditions of the insured's policy or 76993
certificate with the insurer. 76994

(12) The insurer shall have written policies describing the 76995
external, independent review process. 76996

(D) If an insurer's initial denial of coverage for a therapy 76997
recommended or requested pursuant to division (A)(3) of this 76998
section is based upon an external, independent review of that 76999
therapy meeting the requirements of division (C) of this section, 77000
this section shall not be a basis for requiring a second external, 77001
independent review of the recommended or requested therapy. 77002

(E) At any time during the external, independent review 77003
process, the insurer may elect to cover the recommended or 77004
requested health care service and terminate the review. The 77005
insurer shall notify the insured and all other parties involved by 77006
mail or, with consent or approval of the insured, by electronic 77007
means. 77008

(F) The insurer shall annually file a certificate with the 77009

superintendent of insurance certifying its compliance with the 77010
requirements of this section. 77011

Sec. 3923.75. (A) As used in sections 3923.75 to 3923.79 of 77012
the Revised Code: 77013

(1) "Clinical peer" and "physician" have the same meanings as 77014
in section 1751.77 of the Revised Code. 77015

(2) "Authorized person" means a parent, guardian, or other 77016
person authorized to act on behalf of a plan member with respect 77017
to health care decisions. 77018

(B) Sections 3923.75 to 3923.79 of the Revised Code do not 77019
apply to any public employee benefit plan covering only accident, 77020
credit, dental, disability income, long-term care, hospital 77021
indemnity, medicare supplement, medicare, tricare, specified 77022
disease, or vision care; coverage issued as a supplement to 77023
liability insurance; insurance arising out of workers' 77024
compensation or similar law; automobile medical payment insurance; 77025
or insurance under which benefits are payable with or without 77026
regard to fault and which is statutorily required to be contained 77027
in any liability insurance policy or equivalent self-insurance. 77028

(C) The superintendent of insurance shall establish and 77029
maintain a system for receiving and reviewing requests for review 77030
from plan members who have been denied coverage of a health care 77031
service on the grounds that the service is not a service covered 77032
under the terms of the public employee benefit plan. 77033

On receipt of a written request from a plan member or 77034
authorized person, the superintendent shall consider whether the 77035
health care service is a service covered under the terms of the 77036
plan, except that the superintendent shall not conduct a review 77037
under this section unless the plan member has exhausted the plan's 77038
internal review process. The plan and the plan member or 77039

authorized person shall provide the superintendent with any 77040
information required by the superintendent that is in their 77041
possession and is germane to the review. 77042

Unless the superintendent is not able to do so because making 77043
the determination requires resolution of a medical issue, the 77044
superintendent shall determine whether the health care service at 77045
issue is a service covered under the terms of the plan. The 77046
superintendent shall notify the plan member, or authorized person, 77047
and the plan of its determination or that it is not able to make a 77048
determination because the determination requires the resolution of 77049
a medical issue. 77050

If the superintendent notifies the plan that making the 77051
determination requires the resolution of a medical issue, the plan 77052
shall ~~afford the plan member~~ initiate an ~~opportunity for~~ external 77053
review under section 3923.76 or 3923.77 of the Revised Code. If 77054
the superintendent notifies the plan that the health care service 77055
is not a covered service, the plan is not required to cover the 77056
service or afford the plan member an external review. 77057

Sec. 3923.76. (A) Except as provided in divisions (B) and (C) 77058
of this section, a public employee benefit plan shall afford a 77059
plan member an opportunity for an external review of a coverage 77060
denial when requested by the plan member or authorized person, if 77061
both of the following are the case: 77062

(1) The plan has denied, reduced, or terminated coverage for 77063
what would be a covered health care service except that the plan 77064
has determined that the health care service is not medically 77065
necessary. 77066

(2) Except in the case of expedited review, the proposed 77067
service, plus any ancillary services and follow-up care, will cost 77068
the plan member more than five hundred dollars if the proposed 77069
service is not covered by the plan. 77070

External review shall be conducted in accordance with this 77071
section, except that if a plan member with a terminal condition 77072
meets all of the criteria of division (A) of section 3923.77 of 77073
the Revised Code, an external review shall be conducted under that 77074
section. 77075

(B) A plan member need not be afforded a review under this 77076
section in any of the following circumstances: 77077

(1) The superintendent of insurance has determined under 77078
section 3923.75 of the Revised Code that the health care service 77079
is not a service covered under the terms of the plan. 77080

(2) The plan member has failed to exhaust the plan's internal 77081
review process. 77082

(3) The plan member has previously been afforded an external 77083
review for the same denial of coverage, and no new clinical 77084
information has been submitted to the plan. 77085

(C)(1) A plan may deny a request from a plan member for an 77086
external review of an adverse decision from the plan's internal 77087
appeal process if it is requested later than ~~sixty~~ one hundred 77088
eighty days after receipt by the plan member of notice from the 77089
~~superintendent of insurance under section 3923.75 of the Revised~~ 77090
~~Code that making the determination requires the resolution of a~~ 77091
medical issue plan of the adverse decision. An external review may 77092
be requested by the plan member, an authorized person, the plan 77093
member's provider, or a health care facility rendering health care 77094
service to the plan member. The plan member may request a review 77095
without the approval of the provider or the health care facility 77096
rendering the health care service. The provider or health care 77097
facility may not request a review without the prior consent of the 77098
plan member. 77099

(2) An external review must be requested in writing, except 77100
that if the plan member has a condition that requires expedited 77101

review, the review may be requested orally or by electronic means. 77102
When an oral or electronic request for review is made, written 77103
confirmation of the request must be submitted to the plan not 77104
later than five days after the request is made. 77105

Except in the case of an expedited review, a request for an 77106
external review must be accompanied by written certification from 77107
the plan member's provider or the health care facility rendering 77108
the health care service to the plan member that the proposed 77109
service, plus any ancillary services and follow-up care, will cost 77110
the plan member more than five hundred dollars if the proposed 77111
service is not covered by the plan. 77112

(3) For an expedited review, the plan member's provider must 77113
certify that the plan member's condition could, in the absence of 77114
immediate medical attention, result in any of the following: 77115

(a) Placing the health of the plan member or, with respect to 77116
a pregnant woman, the health of the plan member or the unborn 77117
child, in serious jeopardy; 77118

(b) Serious impairment to bodily functions; 77119

(c) Serious dysfunction of any bodily organ or part. 77120

(D) The procedures used in conducting an external review 77121
shall include all of the following: 77122

(1) The review shall be conducted by an independent review 77123
organization assigned by the superintendent of insurance under 77124
section 3901.80 of the Revised Code. 77125

(2) Except as provided in divisions (D)(3) and (4) of this 77126
section, neither the clinical peer nor any health care facility 77127
with which the clinical peer is affiliated shall have any 77128
professional, familial, or financial affiliation with any of the 77129
following: 77130

(a) The plan or any officer, director, or managerial employee 77131

of the plan; 77132

(b) The plan member, the plan member's provider, or the 77133
practice group of the plan member's provider; 77134

(c) The health care facility at which the health care service 77135
requested by the plan member would be provided; 77136

(d) The development or manufacture of the principal drug, 77137
device, procedure, or therapy proposed for the plan member. 77138

(3) Division (D)(2) of this section does not prohibit a 77139
clinical peer from conducting a review under any of the following 77140
circumstances: 77141

(a) The clinical peer is affiliated with an academic medical 77142
center that provides health care services to members of the plan. 77143

(b) The clinical peer has staff privileges at a health care 77144
facility that provides health care services to members of the 77145
plan. 77146

(c) The clinical peer has a contractual relationship with the 77147
plan but was not involved with the plan's coverage decision. 77148

(4) Division (D)(2) of this section does not prohibit the 77149
plan from paying the independent review organization for the 77150
conduct of the review. 77151

(5) A plan member shall not be required to pay for any part 77152
of the cost of the review. The cost of the review shall be borne 77153
by the plan. 77154

(6)(a) The plan shall provide to the independent review 77155
organization conducting the review a copy of those records in its 77156
possession that are relevant to the plan member's medical 77157
condition and the review. 77158

Records shall be used solely for the purpose of this 77159
division. At the request of the independent review organization, 77160
the plan, plan member, provider, or health care facility rendering 77161

health care services to the plan member shall provide any 77162
additional information the independent review organization 77163
requests to complete the review. A request for additional 77164
information may be made in writing, orally, or by electronic 77165
means. The independent review organization shall submit the 77166
request to the plan member and the plan. If a request is submitted 77167
orally or by electronic means to a plan member or plan, not later 77168
than five days after the request is submitted, the independent 77169
review organization shall provide written confirmation of the 77170
request. If the review was initiated by a provider or health care 77171
facility, a copy of the request shall be submitted to the provider 77172
or health care facility. 77173

(b) An independent review organization is not required to 77174
make a decision if it has not received any requested information 77175
that it considers necessary to complete a review. An independent 77176
review organization that does not make a decision for this reason 77177
shall notify the plan member and the plan that a decision is not 77178
being made. The notice may be made in writing, orally, or by 77179
electronic means. An oral or electronic notice shall be confirmed 77180
in writing not later than five days after the oral or electronic 77181
notice is made. If the review was initiated by a provider or 77182
health care facility, a copy of the notice shall be submitted to 77183
the provider or health care facility. 77184

(7) The plan may elect to cover the service requested and 77185
terminate the review. The plan shall notify the plan member and 77186
all other parties involved with the decision by mail, or with the 77187
consent or approval of the plan member, by electronic means. 77188

(8) In making its decision, an independent review 77189
organization conducting the review shall take into account all of 77190
the following: 77191

(a) Information submitted by the plan, the plan member, the 77192
plan member's provider, and the health care facility rendering the 77193

health care service, including the following:	77194
(i) The plan member's medical records;	77195
(ii) The standards, criteria, and clinical rationale used by the plan to make its decision.	77196 77197
(b) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations, including the national institutes of health or any board recognized by the national institutes of health, the national cancer institute, the national academy of sciences, the United States food and drug administration, the health care financing administration of the United States department of health and human services, and the agency for health care policy and research;	77198 77199 77200 77201 77202 77203 77204 77205
(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national medical societies.	77206 77207 77208 77209
(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the plan and the plan member. If the plan member's provider or the health care facility rendering health care services to the plan member requested the review, the independent review organization shall also send a copy of its decision to the plan member's provider or the health care facility.	77210 77211 77212 77213 77214 77215 77216 77217 77218 77219 77220 77221
(b) The independent review organization's decision shall include a description of the plan member's condition and the principal reasons for the decision and an explanation of the	77222 77223 77224

clinical rationale for the decision. 77225

(E) The independent review organization shall base its 77226
decision on the information submitted under division (D)(8) of 77227
this section. In making its decision, the independent review 77228
organization shall consider safety, efficacy, appropriateness, and 77229
cost-effectiveness. 77230

(F) The plan shall provide any coverage determined by the 77231
independent review organization's decision to be medically 77232
necessary, subject to the other terms, limitations, and conditions 77233
of the plan. 77234

Sec. 3923.77. (A) Each public employee benefit plan shall 77235
establish a reasonable external review process to examine the 77236
plan's coverage decisions for plan members who meet all of the 77237
following criteria: 77238

(1) The plan member has a terminal condition that, according 77239
to the current diagnosis of the plan member's physician, has a 77240
high probability of causing death within two years. 77241

(2) The plan member requests a review not later than ~~sixty~~ 77242
one hundred eighty days after receipt by the plan member of notice 77243
from the ~~superintendent of insurance under section 3923.75 of the~~ 77244
~~Revised Code that making a determination requires resolution of a~~ 77245
medical issue plan of the adverse decision. 77246

(3) The plan member's physician certifies that the plan 77247
member has the condition described in division (A)(1) of this 77248
section and any of the following situations are applicable: 77249

(a) Standard therapies have not been effective in improving 77250
the condition of the plan member. 77251

(b) Standard therapies are not medically appropriate for the 77252
plan member. 77253

(c) There is no standard therapy covered by the plan that is 77254

more beneficial than therapy described in division (A)(4) of this section. 77255
77256

(4) The plan member's physician has recommended a drug, device, procedure, or other therapy that the physician certifies, in writing, is likely to be more beneficial to the plan member, in the physician's opinion, than standard therapies, or the plan member has requested a therapy that has been found in a preponderance of peer-reviewed published studies to be associated with effective clinical outcomes for the same condition. 77257
77258
77259
77260
77261
77262
77263

(5) The plan member has been denied coverage by the plan for a drug, device, procedure, or other therapy recommended or requested pursuant to division (A)(4) of this section, and has exhausted all internal appeals. 77264
77265
77266
77267

(6) The drug, device, procedure, or other therapy, for which coverage has been denied, would be a covered health care service except for the plan's determination that the drug, device, procedure, or other therapy is experimental or investigational. 77268
77269
77270
77271

(B) A review shall be requested in writing, except that if the plan member's physician determines that a therapy would be significantly less effective if not promptly initiated, the review may be requested orally or by electronic means. When an oral or electronic request for review is made, written confirmation of the request shall be submitted to the plan not later than five days after the oral or written request is submitted. For an expedited review, the plan member's provider must certify that the requested or recommended therapy would be significantly less effective if not promptly initiated. 77272
77273
77274
77275
77276
77277
77278
77279
77280
77281

(C) The external review process established by a plan shall meet all of the following criteria: 77282
77283

(1) Except as provided in division (E) of this section, the process shall afford all plan members who meet the criteria set 77284
77285

forth in division (A) of this section the opportunity to have the 77286
plan's decision to deny coverage of the recommended or requested 77287
therapy reviewed under the process. Each eligible plan member 77288
shall be notified of that opportunity within thirty business days 77289
after the plan denies coverage. 77290

(2) The review shall be conducted by an independent review 77291
organization assigned by the superintendent of insurance under 77292
section 3901.80 of the Revised Code. The independent review 77293
organization shall select a panel to conduct the review, which 77294
panel shall be composed of at least three physicians or other 77295
providers who, through clinical experience in the past three 77296
years, are experts in the treatment of the plan member's medical 77297
condition and knowledgeable about the recommended or requested 77298
therapy. If the independent review organization retained by the 77299
plan is an academic medical center, the panel may include experts 77300
affiliated with or employed by the academic medical center. 77301

In either of the following circumstances, an exception may be 77302
made to the requirement that the review be conducted by an expert 77303
panel composed of a minimum of three physicians or other 77304
providers: 77305

(a) A review may be conducted by an expert panel composed of 77306
only two physicians or other providers if a plan member has 77307
consented in writing to a review by the smaller panel. 77308

(b) A review may be conducted by a single expert physician or 77309
other provider if only the expert physician or other provider is 77310
available for the review. 77311

(3) Neither the plan nor the plan member shall choose, or 77312
control the choice of, the physician or other provider experts. 77313

(4) The selected experts, any health care facility with which 77314
an expert is affiliated, and the independent review organization 77315
arranging for the experts' review shall not have any professional, 77316

familial, or financial affiliation with any of the following: 77317

(a) The plan or any officer, director, or managerial employee 77318
of the plan; 77319

(b) The plan member, the plan member's physician, or the 77320
practice group of the plan member's physician; 77321

(c) The health care facility at which the recommended or 77322
requested therapy would be provided; 77323

(d) The development or manufacture of the principal drug, 77324
device, procedure, or therapy involved in the recommended or 77325
requested therapy. However, experts affiliated with academic 77326
medical centers who provide health care services to members of the 77327
plan may serve as experts on the review panel. Further, experts 77328
with staff privileges at a health care facility that provides 77329
health care services to members of the plan, as well as experts 77330
who have a contractual relationship with the plan, but who were 77331
not involved with the plan's denial of coverage for the therapy 77332
under review, may serve as experts on the review panel. These 77333
nonaffiliation provisions do not preclude a plan from paying for 77334
the experts' review, as specified in division (C)(5) of this 77335
section. 77336

(5) Plan members shall not be required to pay for any part of 77337
the cost of the review. The cost of the review shall be borne by 77338
the plan. 77339

(6) The plan shall provide to the independent review 77340
organization arranging for the experts' review a copy of those 77341
records in the plan's possession that are relevant to the plan 77342
member's medical condition and the review. The records shall be 77343
disclosed solely to the expert reviewers and shall be used solely 77344
for the purpose of this section. At the request of the expert 77345
reviewers, the plan or the physician requesting the therapy shall 77346
provide any additional information that the expert reviewers 77347

request to complete the review. An expert reviewer is not required 77348
to render an opinion if the reviewer has not received any 77349
requested information that the reviewer considers necessary to 77350
complete the review. 77351

(7)(a) In the case of an expedited review, the independent 77352
review organization shall issue a written decision not later than 77353
seven days after the filing of the request for review. In all 77354
other cases, the independent review organization shall issue a 77355
written decision not later than thirty days after the filing of 77356
the request. The independent review organization shall send a copy 77357
of its decision to the plan and the plan member. If the plan 77358
member's provider or the health care facility rendering health 77359
care services to the plan member requested the review, the 77360
independent review organization shall also send a copy of its 77361
decision to the plan member's provider or the health care 77362
facility. 77363

(b) In conducting the review, the experts on the panel shall 77364
take into account all of the following: 77365

(i) Information submitted by the plan, the plan member, and 77366
the plan member's physician, including the plan member's medical 77367
records and the standards, criteria, and clinical rationale used 77368
by the plan to reach its coverage decision; 77369

(ii) Findings, studies, research, and other relevant 77370
documents of government agencies and nationally recognized 77371
organizations; 77372

(iii) Relevant findings in peer-reviewed medical or 77373
scientific literature and published opinions of nationally 77374
recognized medical experts; 77375

(iv) Clinical guidelines adopted by relevant national medical 77376
societies; 77377

(v) Safety, efficacy, appropriateness, and 77378

cost_effectiveness. 77379

(8) Each expert on the panel shall provide the independent 77380
review organization with a professional opinion as to whether 77381
there is sufficient evidence to demonstrate that the recommended 77382
or requested therapy is likely to be more beneficial to the plan 77383
member than standard therapies. 77384

(9) Each expert's opinion shall be presented in written form 77385
and shall include the following information: 77386

(a) A description of the plan member's condition; 77387

(b) A description of the indicators relevant to determining 77388
whether there is sufficient evidence to demonstrate that the 77389
recommended or requested therapy is more likely than not to be 77390
more beneficial to the plan member than standard therapies; 77391

(c) A description and analysis of any relevant findings 77392
published in peer-reviewed medical or scientific literature or the 77393
published opinions of medical experts or specialty societies; 77394

(d) A description of the plan member's suitability to receive 77395
the recommended or requested therapy according to a treatment 77396
protocol in a clinical trial, if applicable. 77397

(10) The independent review organization shall provide the 77398
plan with the opinions of the experts. The plan shall make the 77399
experts' opinions available to the plan member and the plan 77400
member's physician, upon request. 77401

(11) The opinion of the majority of the experts on the panel, 77402
rendered pursuant to division (C)(8) of this section, is binding 77403
on the plan with respect to that plan member. If the opinions of 77404
the experts on the panel are evenly divided as to whether the 77405
therapy should be covered, the plan's final decision shall be in 77406
favor of coverage. If less than a majority of the experts on the 77407
panel recommend coverage of the therapy, the plan may, in its 77408

discretion, cover the therapy. However, any coverage provided 77409
pursuant to division (C)(11) of this section is subject to the 77410
terms, limitations, and conditions of the plan. 77411

(12) The plan shall have written policies describing the 77412
external review process. 77413

(D) If a plan's initial denial of coverage for a therapy 77414
recommended or requested pursuant to division (A)(3) of this 77415
section is based upon an external review of that therapy meeting 77416
the requirements of division (C) of this section, this section 77417
shall not be a basis for requiring a second external review of the 77418
recommended or requested therapy. 77419

(E) At any time during the external review process, the plan 77420
may elect to cover the recommended or requested health care 77421
service and terminate the review. The plan shall notify the plan 77422
member and all other parties involved by mail or, with consent or 77423
approval of the plan member, by electronic means. 77424

(F) The plan shall annually file a certificate with the 77425
superintendent of insurance certifying its compliance with the 77426

homeowners insurance, and to formulate and administer a program 78004
for the equitable apportionment of basic property insurance or 78005
homeowners insurance which cannot be obtained in the normal 78006
market. Every such insurer shall be a member of the association 78007
and shall remain a member as a condition of its authority to write 78008
any of such insurance in this state. 78009

(B) The association, pursuant to sections 3929.41 to 3929.49 78010

(C) The board of governors of the association shall submit to 78014
the superintendent of insurance, for ~~his~~ approval, a proposed plan 78015

~~shall be subject to the approval of the superintendent in the same~~ 78038
~~manner as other deviations under Chapter 3935. of the Revised~~ 78039
~~Code.~~ The plan of operation may also provide for assessment of all 78040
members in amounts sufficient to operate the association, maximum 78041
limits of liability per location to be placed through the program, 78042

a risk, and the commission to be paid to the licensed producer 78044
designated by the applicant. The superintendent shall adopt such 78045
plan and all amendments thereto pursuant to Chapter 119. of the 78046
Revised Code. 78047

If the superintendent disapproves the proposed plan of 78048
operation, the board of governors shall, within fifteen days, 78049
submit for approval an appropriately revised plan of operation and 78050
if the board of governors fails to do so, or if the revised plan 78051

If such amendments are not approved by the superintendent, the board of governors shall, within fifteen days, submit for approval an appropriately revised amendment. Such a provision is subject to the approval of the superintendent. Member insurers of the association implementing a change in rates pursuant to this section shall file such changes with the superintendent. Such changes shall not increase rates more than the amount authorized by the association and approved by the superintendent pursuant to the plan. The association may consult with member insurers or

operation of any such provision. 78085

(E) Any insurer which is a member of the association shall 78086
participate in the writings, expenses, profits, and losses of the 78087
association in the proportion that its premiums written bear to 78088
the aggregate premiums written by all members of the association, 78089
except that this division shall not be construed to preclude the 78090
board of governors from taking action to adjust assessments in 78091

section. 78093

(F) Such plan shall require the issuance of a binder 78094
providing coverage for which the applicant tenders an amount equal 78095

for which ~~his~~ the member's predecessor was appointed shall hold 78120
office for the remainder of such term. Any appointed member shall 78121
continue in office subsequent to the expiration date of ~~his~~ the 78122
member's term until ~~his~~ the member's successor takes office, or 78123
until a period of sixty days has elapsed, whichever occurs first. 78124
The remaining eight members shall be representatives from member 78125
companies, at least five of whom shall be Ohio domiciled members, 78126
elected annually by accumulated voting by members of the 78127
association whose votes shall be weighed in accordance with each 78128

(H) The plan shall be administered under the supervision of 78136
the superintendent. 78137

(I) The board of governors shall adopt a written program for 78138
decreasing the overall utilization of the association as a source 78139
of insurance. The program shall set forth actions that the board 78140
shall take to decrease such utilization, including actions 78141
intended to reduce the number of policies issued, the number of 78142
persons whose properties are insured, and the total amount and 78143
kinds of insurance written by the association, provided this 78144
division does not authorize the board to take action intended to 78145
decrease utilization of the association as a source of insurance 78146
if such action would substantially conflict with the purposes set 78147

that case, the ballot shall provide for a selection between the 80471
two choices or parties receiving the highest and the second 80472
highest number of ballots cast in the election. 80473

(6) The board may not conduct an election under this section 80474
in any appropriate bargaining unit within which a board-conducted 80475

(B) When anyone files a charge with the board alleging that 80489
an unfair labor practice has been committed, the board or its 80490
designated agent shall investigate the charge. If the board has 80491
probable cause for believing that a violation has occurred, the 80492
board shall issue a complaint and shall conduct a hearing 80493
concerning the charge. The board shall cause the complaint to be 80494
served upon the charged party which shall contain a notice of the 80495
time at which the hearing on the complaint will be held either 80496

ninety days prior to the filing of the charge with the board, 80500
unless the person aggrieved thereby is prevented from filing the 80501
charge by reason of service in the armed forces, in which event 80502
the ninety-day period shall be computed from the day of ~~his~~ the 80503
person's discharge. If the board dismisses a complaint as 80504

its standards governing such matters, and for that purpose, the 80506
board shall adopt a rule defining the standards by which the board 80507

shall within ten days from receipt of the complaint or amendment 80515
to the complaint, file an answer to the complaint or amendment to 80516
the complaint. The charged party may file an answer to an original 80517
or amended complaint. The agents of the board and the person 80518
charged are parties and may appear or otherwise give evidence at 80519
the hearing. At the discretion of the board, board member, or 80520
~~hearing officer~~ administrative law judge, any interested party may 80521

service thereof, the recommended order becomes the order of the 80534
board effective as therein prescribed. If the parties file 80535

~~officer~~ administrative law judge; however, if the board determines 80539
that the exceptions do not raise substantial issues of fact or 80540
law, it may refuse to grant review, and the recommended order 80541
becomes effective as therein prescribed. 80542

(3) If upon the preponderance of the evidence taken, the 80543
board believes that any person named in the complaint has engaged 80544
in any unfair labor practice, the board shall state its findings 80545
of fact and issue and cause to be served on the person an order 80546

requiring that ~~he~~ the person cease and desist from these unfair 80547

procedure contained in the collective bargaining agreement 80565
governing suspension or discharge was followed. The order of the 80566

complied with the order. 80569

(D) Not later than the sixty-eighth day before the day of the 81297
next general or primary election, whichever occurs first, the 81298
board shall examine and determine the sufficiency of the 81299
signatures and the validity of the petition. If the board finds 81300
that the petition contains sufficient signatures and in other 81301
respects is valid, it shall order the holding of an election in 81302
the precinct on the day of the next general or primary election, 81303
whichever occurs first, for the submission of the question or 81304
questions set forth in section 4301.355 of the Revised Code. 81305

section shall be open to public inspection under rules adopted by 81307
the board. 81308

The protest shall be in writing and shall be filed with the election officials with whom the petition was filed. Upon the filing of the protest, the election officials with whom it is filed shall promptly establish a time and place for hearing the protest and shall mail notice of the time and place for the hearing to the applicant for, or the holder of, the liquor permit who is specified in the petition and to the elector who filed the protest. At the time and place established in the notice, the election officials shall hear the protest and determine the validity of the petition.

Sec. 4301.334. (A) The privilege of local option conferred by section 4301.324 of the Revised Code may be exercised if, not later than four p.m. of the seventy-fifth day before the day of a general or primary election, a petition and other information required by division (B) of this section are presented to the board of elections of the county in which the community facility named in the petition is located. The petition shall be signed by electors of the municipal corporation or unincorporated area of the township in which the community facility is located equal in number to at least ten per cent of the total number of votes cast in the municipal corporation or unincorporated area of the township in which the community facility is located for the office of governor at the most recent general election for that office and shall contain both of the following:

(1) A notice that the petition is for the submission of the question set forth in section 4301.356 of the Revised Code and a

statement indicating whether the hours of Sunday sales sought in 81341
the local option election are between ten a.m. and midnight or 81342
between eleven a.m. and midnight; 81343

(2) The name and address of the community facility for which 81344
the local option election is sought and, if the community facility 81345
is a community entertainment district, the boundaries of the 81346
district. 81347

(B) Upon the request of a petitioner, a board of elections of 81348
a county shall furnish to the petitioner a copy of the 81349
instructions prepared by the secretary of state under division (P) 81350
of section 3501.05 of the Revised Code and, within fifteen days 81351
after the request, a certificate indicating the number of valid 81352
signatures that will be required on a petition to hold an election 81353
in the municipal corporation or unincorporated area of the 81354
township in which the community facility is located on the 81355
question specified in section 4301.356 of the Revised Code. 81356

The petitioner shall, not less than thirty days before the 81357
petition-filing deadline for an election on the question specified 81358
in section 4301.356 of the Revised Code, specify to the division 81359
of liquor control the name and address of the community facility 81360
for which the election is sought and, if the community facility is 81361
a community entertainment district, the boundaries of the 81362
district, the municipal corporation or unincorporated area of a 81363
township in which the election is sought, and the filing deadline. 81364
The division shall, within a reasonable period of time and not 81365
later than ten days before the filing deadline, supply the 81366
petitioner with the name and address of any permit holder for or 81367
within the community facility. 81368

The petitioner shall file the name and address of any permit 81369
holder who would be affected by the election at the time the 81370
petitioner files the petition with the board of elections. Within 81371
five days after receiving the petition, the board shall give 81372

notice by certified mail to any permit holder within the community 81373
facility that it has received the petition. Failure of the 81374
petitioner to supply the name and address of any permit holder for 81375
or within the community facility as furnished to the petitioner by 81376
the division invalidates the petition. 81377

(C) Not later than the sixty-eighth day before the day of the 81378
next general or primary election, whichever occurs first, the 81379
board shall examine and determine the sufficiency of the 81380
signatures on the petition. If the board finds that the petition 81381
is valid, it shall order the holding of an election in the 81382
municipal corporation or unincorporated area of a township on the 81383
day of the next general or primary election, whichever occurs 81384
first, for the submission of the question set forth in section 81385
4301.356 of the Revised Code. 81386

(D) A petition filed with a board of elections under this 81387
section shall be open to public inspection under rules adopted by 81388
the board. 81389

(E) An elector who is eligible to vote on the question set 81390

for or within the community facility may, not later than four p.m. 81392
of the sixty-fourth day before the day of the election at which 81393
the question will be submitted to the electors, file a written 81394
protest against the local option petition with the board of 81395
elections with which the petition was filed. Upon the filing of 81396
the protest, the board shall promptly fix a time and place for 81397
hearing the protest and shall mail notice of the time and place to 81398
the person who filed the petition and to the person who filed the 81399
protest. At the time and place fixed, the board shall hear the 81400
protest and determine the validity of the petition. 81401

Sec. 4301.351. (A) If a petition is for submission of the 81402
question of whether the sale of intoxicating liquor shall be 81403

permitted on Sunday, a special election shall be held in the 81404
precinct at the time fixed as provided in section 4301.33 of the 81405
Revised Code. The expenses of holding the election shall be 81406
charged to the municipal corporation or township of which the 81407
precinct is a part. 81408

(B) At the election, one or more of the following questions, 81409
question (B)(1), (B)(2), or (B)(3) as designated in a valid 81410
petition or question (B)(4) as submitted by the legislative 81411
authority of a municipal corporation or the board of trustees of a 81412
township, shall be submitted to the electors of the precinct: 81413

(1) "Shall the sale of intoxicating liquor, of the same types 81414

on Sunday, at licensed premises where the sale of food and other 81423
goods and services exceeds fifty per cent of the total gross 81424

outdoor performing arts centers, as defined in section 4303.182 of the Revised Code, that have been issued a D-6 permit?"

Question (B)(4) shall be presented to the electors of a precinct in which an outdoor performing arts center is located only if the legislative authority of the municipal corporation in which, or the board of trustees of the township in which, the outdoor performing arts center is located submits, not later than four p.m. of the seventy-fifth day before the day of a primary or general election that occurs within two years after ~~the effective date of this amendment~~ April 9, 2001, to the board of elections of the county in which the precinct is located, a copy of an ordinance or resolution requesting the submission of that question to the electors of the precinct. (C) At the election, one or more of the following questions, as designated in a valid petition, shall be submitted to the electors of the precinct:

(1) "Shall the sale of intoxicating liquor, of the same types as may be legally sold in this precinct on other days of the week, be permitted in this for consumption on the premises where sold, between the hours of ten a.m. and midnight on Sunday?"

(2) "Shall the sale of intoxicating liquor, of the same types as may be legally sold in this precinct on other days of the week, be permitted in this for consumption on the premises where sold, between the hours of ten a.m. and midnight on Sunday, at licensed premises where the sale of food and other goods and services exceeds fifty per cent of the total gross receipts of the permit holder at the premises?"

(3) "Shall the sale of wine and mixed beverages, of the same types as may be legally sold in this precinct on other days of the

week, be permitted in this for consumption off the 81466

Sunday?" 81468

(D) No C or D permit holder who first applied for such a 81469
permit after April 15, 1982, shall sell beer on Sunday unless the 81470
sale of intoxicating liquor is authorized in the precinct or 81471

of this section, on question (B)(1), (B)(2), or (B)(3) of section 81474
4301.354 of the Revised Code, on question (C)(1), (C)(2), or 81475

(B)(2) of section 4301.355 of the Revised Code. No D-6 permit is 81477
required for the sale of beer on Sunday. 81478

The board of elections to which the petition is presented 81479
shall furnish printed ballots at the election in accordance with 81480
section 3505.06 of the Revised Code, and separate ballots shall be 81481
used for the special election under this section. One or more of 81482
the questions prescribed by divisions (B) and (C) of this section, 81483
as designated in the petition, shall be set forth on each ballot, 81484
and the board shall insert in each question the name or an 81485
accurate description of the precinct in which the election is to 81486

Revised Code. 81488

Sec. 4301.354. (A) If a petition is filed under section 81489
4301.332 of the Revised Code for the submission of one or more 81490
questions set forth in this section, a special election shall be 81491
held in the precinct as ordered by the board of elections under 81492
that section. The expense of holding the special election shall be 81493
charged to the municipal corporation or township of which the 81494
precinct is a part. 81495

(B) At the election, one or more of the following questions, 81496

as designated in a valid petition, shall be submitted to the 81497

of the precinct?" 81504

(2) "Shall the sale of intoxicating liquor be permitted in a 81505

and midnight on Sunday for consumption on the premises where sold 81507
at licensed premises where the sale of food and other goods 81508
exceeds fifty per cent of the total gross receipts of the permit 81509
holder at the premises, where the status of such Sunday sales as 81510
allowed or prohibited is inconsistent with the status of such 81511
Sunday sales in the remainder of the precinct?" 81512

(3) "Shall the sale of wine and mixed beverages be permitted 81513
in a portion of this precinct between the hours of ~~one p.m.~~ eleven 81514
a.m. and midnight on Sunday for consumption off the premises where 81515
sold, where the status of such Sunday sales as allowed or 81516
prohibited is inconsistent with the status of such Sunday sales in 81517
the remainder of the precinct?" 81518

(C) At the election, one or more of the following questions, 81519
as designated in a valid petition, shall be submitted to the 81520
electors of the precinct concerning Sunday sales: 81521

(1) "Shall the sale of intoxicating liquor be permitted in a 81522
portion of this precinct between the hours of ten a.m. and 81523

of the precinct?" 81527

(2) "Shall the sale of intoxicating liquor be permitted in a 81528
portion of this precinct between the hours of ten a.m. and 81529

where the status of such Sunday sales as allowed or prohibited is 81539
inconsistent with the status of such Sunday sales in the remainder 81540
of the precinct?" 81541

(D) The board of elections shall furnish printed ballots at 81542
the special election as provided under section 3505.06 of the 81543
Revised Code, except that a separate ballot shall be used for the 81544
special election. The one or more questions set forth in divisions 81545
(B) and (C) of this section shall be printed on each ballot, and 81546
the board shall insert in the ~~question and statement~~ questions 81547
appropriate words to complete each and a description of the 81548
portion of the precinct that would be affected by the results of 81549
the election. 81550

portion of the precinct by street name or by another name 81554
generally known by the residents of the portion of the precinct. 81555
If other than a full street listing is used, the full street 81556
listing also shall be posted in each polling place in a location 81557
that is easily accessible to all voters. Failure of the board of 81558
elections to completely and accurately list all street addresses 81559

in the affected area of the precinct does not affect the validity 81560
of the election at which the failure occurred and is not grounds 81561
for contesting an election under section 3515.08 of the Revised 81562
Code. Votes shall be cast as provided under section 3505.06 of the 81563
Revised Code. 81564

Sec. 4301.355. (A) If a petition is filed under section 81565
4301.333 of the Revised Code for the submission of the question or 81566

precinct as ordered by the board of elections under that section. 81568
The expense of holding the election shall be charged to the 81569
municipal corporation or township of which the precinct is a part. 81570

(B) At the election, one or more of the following questions, 81571
as designated in a valid petition, shall be submitted to the 81572
electors of the precinct: 81573

words "liquor agency store for the State of Ohio"), who is engaged 81583
in the business of (insert general nature of the 81584
business in which applicant or liquor permit holder is engaged or 81585
will be engaged in at the particular location, as described in the 81586

within the precinct as set forth in the petition) in this 81588
precinct?" 81589

(2) "Shall the sale of (insert beer, wine and 81590

D-5f, D-5g, D-5h, D-5i, D-5j, D-5k, D-5l, D-5m, or D-7 liquor 81601

agency store") who is engaged in the business of 81603
(insert general nature of the business in which applicant or 81604
liquor permit holder is engaged or will be engaged in at the 81605
particular location, as described in the petition) at 81606
(insert address of the particular location within the precinct) in 81607
this precinct?" 81608

(C) The board of elections shall furnish printed ballots at 81609
the election as provided under section 3505.06 of the Revised 81610
Code, except that a separate ballot shall be used for the election 81611
under this section. The question set forth in this section shall 81612
be printed on each ballot, and the board shall insert in the 81613
question appropriate words to complete it. Votes shall be cast as 81614
provided under section 3505.06 of the Revised Code. 81615

Sec. 4301.356. If a petition is filed under section 4301.334 81616
of the Revised Code for the submission of the question set forth 81617
in this section, an election shall be held in the municipal 81618
corporation or unincorporated area of a township as ordered by the 81619
board of elections under that section. 81620

Except as otherwise provided in this section, if the 81621

legislative authority of a municipal corporation in whose 81622
territory, or the board of township trustees of a township in 81623
whose unincorporated area, a community facility is located 81624
submits, not later than four p.m. of the seventy-fifth day before 81625
the day of a primary or general election, to the board of 81626
elections of the county in which the community facility is located 81627

board of elections shall order that an election be held on that 81631
question in the municipal corporation or the unincorporated area 81632
of the township on the day of the next primary or general 81633
election, whichever occurs first. The legislative authority or 81634
board of township trustees shall submit the name and address of 81635
any permit holder who would be affected by the results of the 81636
election to the board of elections at the same time it submits the 81637
ordinance or resolution. The board of elections, within five days 81638
after receiving the name and address, shall give notice by 81639
certified mail to each permit holder that it has received the 81640
ordinance or resolution. Failure of the legislative authority or 81641
board of township trustees to supply the name and address of each 81642
permit holder to the board of elections invalidates the effect of 81643
the ordinance or resolution. 81644

At the election, the following question shall be submitted to 81645
the electors of the municipal corporation or unincorporated area 81646
of a township: 81647

"Shall the sale of beer and intoxicating liquor be permitted 81648

community facility as defined by section 4301.01 of the Revised 81652
Code, and located at (insert the address of the community 81653

facility and, if the community facility is a community 81654
entertainment district, the boundaries of the district, as set 81655
forth in the petition)?" 81656

The board of elections shall furnish printed ballots at the 81657
election as provided under section 3505.06 of the Revised Code, 81658
except that a separate ballot shall be used for the election under 81659
this section. The question set forth in this section shall be 81660
printed on each ballot, and the board shall insert in the question 81661
appropriate words to complete ~~each~~ it, subject to the approval of 81662
the secretary of state. Votes shall be cast as provided under 81663

questions set forth in section 4301.351 of the Revised Code in a 81666
precinct vote "yes" on question (B)(1) or (C)(1), or, if both 81667
questions (B)(1) and (B)(2), or questions (C)(1) and (C)(2), are 81668
submitted, "yes" on both questions or "yes" on question (B)(1) or 81669
(C)(1) but "no" on question (B)(2) or (C)(2), sales of 81670
intoxicating liquor shall be allowed on Sunday in the manner and 81671
under the conditions specified in question (B)(1) or (C)(1), under 81672
a D-6 permit, within the precinct concerned, during the hours 81673
specified in division (A) of section 4303.182 of the Revised Code 81674
and during the period the election is in effect as defined in 81675
section 4301.37 of the Revised Code. 81676

(B) If only question (B)(2) or (C)(2) is submitted to the 81677
voters or if questions (B)(2) and (B)(3) or (C)(2) and (C)(3) are 81678
submitted and a majority of the electors voting in a precinct vote 81679
"yes" on question (B)(2) or (C)(2) as set forth in section 81680
4301.351 of the Revised Code, sales of intoxicating liquor shall 81681
be allowed on Sunday in the manner and under the conditions 81682
specified in question (B)(2) or (C)(2), under a D-6 permit, within 81683
the precinct concerned, during the hours specified in division (A) 81684

of section 4303.182 of the Revised Code and during the period the 81685
election is in effect as defined in section 4301.37 of the Revised 81686
Code, even if question (B)(1) or (C)(1) was also submitted and a 81687
majority of the electors voting in the precinct voted "no." 81688

(C) If question (B)(3) or (C)(3) is submitted and a majority 81689
of electors voting on question (B)(3) or (C)(3) as set forth in 81690
section 4301.351 of the Revised Code in a precinct vote "yes," 81691

the manner and under the conditions specified in question (B)(3) 81693
or (C)(3), under a D-6 permit, within the precinct concerned, 81694
during the hours specified in division (A) of section 4303.182 of 81695
the Revised Code and during the period the election is in effect 81696
as defined in section 4301.37 of the Revised Code. 81697

(D) If questions (B)(1), (B)(2), and (B)(3), or questions 81698
(C)(1), (C)(2), and (C)(3), as set forth in section 4301.351 of 81699
the Revised Code, are all submitted and a majority of the electors 81700
voting in such precinct vote "no" on all three questions, no sales 81701
of intoxicating liquor shall be made within the precinct concerned 81702

ability to walk, if required, and payment of a service fee equal 83032
to the amount specified in division (D) or (G) of section 4503.10 83033
of the Revised Code, the registrar or deputy registrar shall issue 83034
to the applicant a removable windshield placard, which shall bear 83035
the date of expiration on both sides of the placard and shall be 83036
valid until expired, revoked, or surrendered. Every removable 83037
windshield placard expires as described in division (D)(2) of this 83038
section, but in no case shall a removable windshield placard be 83039
valid for a period of less than sixty days. Removable windshield 83040
placards shall be renewable upon application as provided in 83041
division (B) of this section, and a service fee equal to the 83042
amount specified in division (D) or (G) of section 4503.10 of the 83043

surrender, and proper display of such placards. Any placard issued 83051
after October 14, 1999, shall be manufactured in a manner that 83052
allows the expiration date of the placard to be indicated on it 83053
through the punching, drilling, boring, or creation by any other 83054
means of holes in the placard. 83055

(2) At the time a removable windshield placard is issued to a 83056
person with a disability that limits or impairs the ability to 83057
walk, the registrar or deputy registrar shall enter into the 83058
records of the bureau of motor vehicles the last date on which the 83059
person will have that disability, as indicated on the accompanying 83060
prescription. Not less than thirty days prior to that date and all 83061
removable windshield placard renewal dates, the bureau shall send 83062
a renewal notice to that person at the person's last known address 83063
as shown in the records of the bureau, informing the person that 83064
the person's removable windshield placard will expire on the 83065
indicated date not to exceed five years from the date of issuance, 83066
and that the person is required to renew the placard by submitting 83067
to the registrar or a deputy registrar another prescription, as 83068
described in division (B) of this section, and by complying with 83069
the renewal provisions prescribed in division (D)(1) of this 83070
section. If such a prescription is not received by the registrar 83071
or a deputy registrar by that date, the placard issued to that 83072
person expires and no longer is valid, and this fact shall be 83073
recorded in the records of the bureau. 83074

(3) At least once every year, on a date determined by the 83075
registrar, the bureau shall examine the records of the office of 83076

vital statistics, located within the department of health, that 83077
pertain to deceased persons, and also the bureau's records of all 83078
persons who have been issued removable windshield placards and 83079
temporary removable windshield placards. If the records of the 83080
office of vital statistics indicate that a person to whom a 83081
removable windshield placard or temporary removable windshield 83082
placard has been issued is deceased, the bureau shall cancel that 83083
placard, and note the cancellation in its records. 83084

The office of vital statistics shall make available to the 83085
bureau all information necessary to enable the bureau to comply 83086
with division (D)(3) of this section. 83087

(4) Nothing in this section shall be construed to require a 83088
person or organization to apply for a removable windshield placard 83089
or special license plates if the parking card or special license 83090
plates issued to the person or organization under prior law have 83091
not expired or been surrendered or revoked. 83092

(E)(1)(a) Any person with a disability that limits or impairs 83093
the ability to walk may apply to the registrar or a deputy 83094
registrar for a temporary removable windshield placard. The 83095
application for a temporary removable windshield placard shall be 83096
accompanied by a prescription from the applicant's health care 83097
provider prescribing such a placard for the applicant, provided 83098
that the applicant meets at least one of the criteria contained in 83099
division (A)(1) of this section and that the disability is 83100
expected to continue for six consecutive months or less. The 83101
health care provider shall state on the prescription the length of 83102
time the health care provider expects the applicant to have the 83103
disability that limits or impairs the applicant's ability to walk, 83104
which cannot exceed six months from the date of the prescription. 83105
Upon receipt of an application for a temporary removable 83106
windshield placard, presentation of the prescription from the 83107
applicant's health care provider, and payment of a service fee 83108

equal to the amount specified in division (D) or (G) of section 83109
4503.10 of the Revised Code, the registrar or deputy registrar 83110
shall issue to the applicant a temporary removable windshield 83111
placard. 83112

(b) Any active-duty member of the armed forces of the United 83113
States, including the reserve components of the armed forces and 83114
the national guard, who has an illness or injury that limits or 83115
impairs the ability to walk may apply to the registrar or a deputy 83116
registrar for a temporary removable windshield placard. With the 83117
application, the person shall present evidence of the person's 83118
active-duty status and the illness or injury. Evidence of the 83119
illness or injury may include a current department of defense 83120
convalescent leave statement, any department of defense document 83121
indicating that the person currently has an ill or injured 83122
casualty status or has limited duties, or a prescription from any 83123
health care provider prescribing the placard for the applicant. 83124
Upon receipt of the application and the necessary evidence, the 83125
registrar or deputy registrar shall issue the applicant the 83126
temporary removable windshield placard without the payment of any 83127
service fee. 83128

(2) The temporary removable windshield placard shall be of 83129
the same size and form as the removable windshield placard, shall 83130
be printed in white on a red-colored background, and shall bear 83131
the word "temporary" in letters of such size as the registrar 83132
shall prescribe. A temporary removable windshield placard also 83133
shall bear the date of expiration on the front and back of the 83134
placard, and shall be valid until expired, surrendered, or 83135
revoked, but in no case shall such a placard be valid for a period 83136
of less than sixty days. The registrar shall provide the 83137
application form and shall determine the information to be 83138
included on it, provided that the registrar shall not require a 83139
health care provider's prescription or certification for a person 83140

applying under division (E)(1)(b) of this section. The registrar 83141
also shall determine the material of which the temporary removable 83142
windshield placard is to be made and any other information to be 83143
included on the placard and shall adopt rules relating to the 83144
issuance, expiration, surrender, revocation, and proper display of 83145
those placards. Any temporary removable windshield placard issued 83146
after October 14, 1999, shall be manufactured in a manner that 83147
allows for the expiration date of the placard to be indicated on 83148
it through the punching, drilling, boring, or creation by any 83149
other means of holes in the placard. 83150

(F) If an applicant for a removable windshield placard is a 83151
veteran of the armed forces of the United States whose disability, 83152
as defined in division (A)(1) of this section, is 83153
service-connected, the registrar or deputy registrar, upon receipt 83154
of the application, presentation of a signed statement from the 83155
applicant's health care provider certifying the applicant's 83156

registrar may require by rule, but without the payment of any 83161
service fee, shall issue the applicant a removable windshield 83162
placard that is valid until expired, surrendered, or revoked. 83163

send the placard or parking card, if available, to the registrar, 83166
who thereupon shall revoke the privilege of using the placard or 83167
parking card and send notice in writing to the placardholder or 83168
cardholder at that holder's last known address as shown in the 83169
records of the bureau, and the placardholder or cardholder shall 83170
return the placard or card if not previously surrendered to the 83171
court, to the registrar within ten days following mailing of the 83172

notice. 83173

parking card has been issued moves to another state, the person 83175

an organization to which a placard or card has been issued changes 83177
its place of operation to another state, the organization shall 83178
surrender the placard or card to the registrar. 83179

procurement, use, and display of removable windshield placards and 83282
temporary removable windshield placards issued under this section. 83283

~~(P)~~(O) Whoever violates this section is guilty of a 83284
misdemeanor of the fourth degree. 83285

Sec. 4503.563. (A) The owner or lessee of any passenger car, 83286
noncommercial motor vehicle, recreational vehicle, or other 83287
vehicle of a class approved by the registrar of motor vehicles may 83288
apply to the registrar for the registration of the vehicle and 83289
issuance of Ohio nature preserves license plates. The application 83290
for Ohio nature preserves license plates may be combined with a 83291
request for a special reserved license plate under section 4503.40 83292
or 4503.42 of the Revised Code. Upon receipt of the completed 83293
application and compliance with division (B) of this section, the 83294
registrar shall issue to the applicant the appropriate vehicle 83295

registration and a set of Ohio nature preserves license plates 83296
with a validation sticker or a validation sticker alone when 83297
required by section 4503.191 of the Revised Code. 83298

In addition to the letters and numbers ordinarily inscribed 83299
thereon, Ohio nature preserves license plates shall be inscribed 83300
with identifying words or markings designed by the department of 83301
natural resources and approved by the registrar. Ohio nature 83302
preserves license plates shall bear county identification stickers 83303
that identify the county of registration by name or number. 83304

(B) The Ohio nature preserves license plates and validation 83305
sticker shall be issued upon receipt of a contribution as provided 83306
in division (C) of this section and upon payment of the regular 83307
license fees as prescribed under section 4503.04 of the Revised 83308
Code, a bureau of motor vehicles administrative fee of ten 83309
dollars, any applicable motor vehicle tax levied under Chapter 83310
4504. of the Revised Code, and compliance with all other 83311
applicable laws relating to the registration of motor vehicles. If 83312
the application for Ohio nature preserves license plates is 83313
combined with a request for a special reserved license plate under 83314
section 4503.40 or 4503.42 of the Revised Code, the license plates 83315
and validation sticker shall be issued upon payment of the 83316
contribution, fees, and taxes contained in this division and the 83317
additional fee prescribed under section 4503.40 or 4503.42 of the 83318
Revised Code. 83319

(C) For each application for registration and registration 83320
renewal submitted under this section, the registrar shall collect 83321
a contribution in an amount not to exceed forty dollars as 83322
determined by the department. The registrar shall transmit this 83323
contribution to the treasurer of state for deposit in the Ohio 83324
nature preserves fund created in section 4501.243 of the Revised 83325
Code. 83326

The registrar shall deposit the ten-dollar bureau administrative fee, the purpose of which is to compensate the bureau for additional services required in issuing Ohio nature preserves license plates, in the state bureau of motor vehicles fund created in section 4501.25 of the Revised Code. 83327

83339

(4) "Mobile home" has the same meaning as in section 4501.01 of the Revised Code. 83340
83341

83350
83351
83352
83353

Sec. 4505.06. (A)(1) Application for a certificate of title shall be made in a form prescribed by the registrar of motor 83354
83355

vehicles and shall be sworn to before a notary public or other 83356
officer empowered to administer oaths. The application shall be 83357
filed with the clerk of any court of common pleas. An application 83358
for a certificate of title may be filed electronically by any 83359
electronic means approved by the registrar in any county with the 83360
clerk of the court of common pleas of that county. Any payments 83361
required by this chapter shall be considered as accompanying any 83362
electronically transmitted application when payment actually is 83363
received by the clerk. Payment of any fee or taxes may be made by 83364
electronic transfer of funds. 83365

(2) The application for a certificate of title shall be 83366
accompanied by the fee prescribed in section 4505.09 of the 83367
Revised Code. The fee shall be retained by the clerk who issues 83368
the certificate of title and shall be distributed in accordance 83369
with that section. If a clerk of a court of common pleas, other 83370
than the clerk of the court of common pleas of an applicant's 83371
county of residence, issues a certificate of title to the 83372
applicant, the clerk shall transmit data related to the 83373
transaction to the automated title processing system. 83374

(3) If a certificate of title previously has been issued for 83375
a motor vehicle in this state, the application for a certificate 83376
of title also shall be accompanied by that certificate of title 83377
duly assigned, unless otherwise provided in this chapter. If a 83378
certificate of title previously has not been issued for the motor 83379
vehicle in this state, the application, unless otherwise provided 83380
in this chapter, shall be accompanied by a manufacturer's or 83381
importer's certificate or by a certificate of title of another 83382
state from which the motor vehicle was brought into this state. If 83383
the application refers to a motor vehicle last previously 83384
registered in another state, the application also shall be 83385
accompanied by the physical inspection certificate required by 83386
section 4505.061 of the Revised Code. If the application is made 83387

by two persons regarding a motor vehicle in which they wish to 83388
establish joint ownership with right of survivorship, they may do 83389
so as provided in section 2131.12 of the Revised Code. If the 83390
applicant requests a designation of the motor vehicle in 83391
beneficiary form so that upon the death of the owner of the motor 83392
vehicle, ownership of the motor vehicle will pass to a designated 83393
transfer-on-death beneficiary or beneficiaries, the applicant may 83394
do so as provided in section 2131.13 of the Revised Code. A person 83395
who establishes ownership of a motor vehicle that is transferable 83396
on death in accordance with section 2131.13 of the Revised Code 83397
may terminate that type of ownership or change the designation of 83398
the transfer-on-death beneficiary or beneficiaries by applying for 83399
a certificate of title pursuant to this section. The clerk shall 83400
retain the evidence of title presented by the applicant and on 83401
which the certificate of title is issued, except that, if an 83402
application for a certificate of title is filed electronically by 83403
an electronic motor vehicle dealer on behalf of the purchaser of a 83404
motor vehicle, the clerk shall retain the completed electronic 83405
record to which the dealer converted the certificate of title 83406
application and other required documents. The registrar, after 83407
consultation with the attorney general, shall adopt rules that 83408
govern the location at which, and the manner in which, are stored 83409
the actual application and all other documents relating to the 83410
sale of a motor vehicle when an electronic motor vehicle dealer 83411
files the application for a certificate of title electronically on 83412
behalf of the purchaser. 83413

The clerk shall use reasonable diligence in ascertaining 83414
whether or not the facts in the application for a certificate of 83415
title are true by checking the application and documents 83416
accompanying it or the electronic record to which a dealer 83417
converted the application and accompanying documents with the 83418
records of motor vehicles in the clerk's office. If the clerk is 83419
satisfied that the applicant is the owner of the motor vehicle and 83420

that the application is in the proper form, the clerk, within five 83421
business days after the application is filed and except as 83422
provided in section 4505.021 of the Revised Code, shall issue a 83423
physical certificate of title over the clerk's signature and 83424
sealed with the clerk's seal, unless the applicant specifically 83425
requests the clerk not to issue a physical certificate of title 83426
and instead to issue an electronic certificate of title. For 83427
purposes of the transfer of a certificate of title, if the clerk 83428
is satisfied that the secured party has duly discharged a lien 83429
notation but has not canceled the lien notation with a clerk, the 83430
clerk may cancel the lien notation on the automated title 83431
processing system and notify the clerk of the county of origin. 83432

(4) In the case of the sale of a motor vehicle to a general 83433
buyer or user by a dealer, by a motor vehicle leasing dealer 83434
selling the motor vehicle to the lessee or, in a case in which the 83435
leasing dealer subleased the motor vehicle, the sublessee, at the 83436
end of the lease agreement or sublease agreement, or by a 83437
manufactured ~~home~~ housing broker, the certificate of title shall 83438
be obtained in the name of the buyer by the dealer, leasing 83439
dealer, or manufactured ~~home~~ housing broker, as the case may be, 83440
upon application signed by the buyer. The certificate of title 83441
shall be issued, or the process of entering the certificate of 83442
title application information into the automated title processing 83443
system if a physical certificate of title is not to be issued 83444
shall be completed, within five business days after the 83445
application for title is filed with the clerk. If the buyer of the 83446
motor vehicle previously leased the motor vehicle and is buying 83447
the motor vehicle at the end of the lease pursuant to that lease, 83448
the certificate of title shall be obtained in the name of the 83449
buyer by the motor vehicle leasing dealer who previously leased 83450
the motor vehicle to the buyer or by the motor vehicle leasing 83451
dealer who subleased the motor vehicle to the buyer under a 83452
sublease agreement. 83453

In all other cases, except as provided in section 4505.032 83454
and division (D)(2) of section 4505.11 of the Revised Code, such 83455
certificates shall be obtained by the buyer. 83456

(5)(a)(i) If the certificate of title is being obtained in 83457
the name of the buyer by a motor vehicle dealer or motor vehicle 83458
leasing dealer and there is a security interest to be noted on the 83459
certificate of title, the dealer or leasing dealer shall submit 83460
the application for the certificate of title and payment of the 83461
applicable tax to a clerk within seven business days after the 83462
later of the delivery of the motor vehicle to the buyer or the 83463
date the dealer or leasing dealer obtains the manufacturer's or 83464
importer's certificate, or certificate of title issued in the name 83465
of the dealer or leasing dealer, for the motor vehicle. Submission 83466
of the application for the certificate of title and payment of the 83467
applicable tax within the required seven business days may be 83468
indicated by postmark or receipt by a clerk within that period. 83469

(ii) Upon receipt of the certificate of title with the 83470
security interest noted on its face, the dealer or leasing dealer 83471
shall forward the certificate of title to the secured party at the 83472
location noted in the financing documents or otherwise specified 83473
by the secured party. 83474

(iii) A motor vehicle dealer or motor vehicle leasing dealer 83475
is liable to a secured party for a late fee of ten dollars per day 83476
for each certificate of title application and payment of the 83477
applicable tax that is submitted to a clerk more than seven 83478
business days but less than twenty-one days after the later of the 83479
delivery of the motor vehicle to the buyer or the date the dealer 83480
or leasing dealer obtains the manufacturer's or importer's 83481
certificate, or certificate of title issued in the name of the 83482
dealer or leasing dealer, for the motor vehicle and, from then on, 83483
twenty-five dollars per day until the application and applicable 83484
tax are submitted to a clerk. 83485

(b) In all cases of transfer of a motor vehicle except the transfer of a manufactured home, the application for certificate of title shall be filed within thirty days after the assignment or delivery of the motor vehicle. ~~If~~

(c) An application for a certificate of title for a new manufactured home shall be filed within thirty days after the delivery of the new manufactured home to the purchaser. The date of the delivery shall be the date on which an occupancy permit for the manufactured home is delivered to the purchaser of the home by the appropriate legal authority.

(d) An application for a certificate of title for a used manufactured home or a used mobile home shall be filed as follows:

(i) If a certificate of title for the used manufactured home or used mobile home was issued to the motor vehicle dealer prior to the sale of the manufactured or mobile home to the purchaser, the application for certificate of title shall be filed within thirty days after the date on which an occupancy permit for the manufactured or mobile home is delivered to the purchaser by the appropriate legal authority.

(ii) If the motor vehicle dealer has been designated by a secured party to display the manufactured or mobile home for sale, or to sell the manufactured or mobile home under section 4505.20 of the Revised Code, but the certificate of title has not been transferred by the secured party to the motor vehicle dealer, and the dealer has complied with the requirements of division (A) of section 4505.181 of the Revised Code, the application for certificate of title shall be filed within thirty days after the date on which the motor vehicle dealer obtains the certificate of title for the home from the secured party or the date on which an occupancy permit for the manufactured or mobile home is delivered to the purchaser by the appropriate legal authority, whichever occurs later.

(6) If an application for a certificate of title is not filed 83518
within the period specified in division (A)(5)(b), (c), or (d) of 83519
this section, the clerk shall collect a fee of five dollars for 83520
the issuance of the certificate, except that no such fee shall be 83521
required from a motor vehicle salvage dealer, as defined in 83522
division (A) of section 4738.01 of the Revised Code, who 83523
immediately surrenders the certificate of title for cancellation. 83524
The fee shall be in addition to all other fees established by this 83525
chapter, and shall be retained by the clerk. The registrar shall 83526
provide, on the certificate of title form prescribed by section 83527
4505.07 of the Revised Code, language necessary to give evidence 83528
of the date on which the assignment or delivery of the motor 83529
vehicle was made. 83530

~~(6)~~(7) As used in division (A) of this section, "lease 83531
agreement," "lessee," and "sublease agreement" have the same 83532
meanings as in section 4505.04 of the Revised Code and "new 83533
manufactured home," "used manufactured home," and "used mobile 83534
home" have the same meanings as in section 5739.021 of the Revised 83535
Code. 83536

(B)(1) The clerk, except as provided in this section, shall 83537
refuse to accept for filing any application for a certificate of 83538
title and shall refuse to issue a certificate of title unless the 83539
dealer ~~or manufactured home broker~~ or the applicant, in cases in 83540
which the certificate shall be obtained by the buyer, submits with 83541
the application payment of the tax levied by or pursuant to 83542
Chapters 5739. and 5741. of the Revised Code based on the 83543
purchaser's county of residence. Upon payment of the tax in 83544
accordance with division (E) of this section, the clerk shall 83545
issue a receipt prescribed by the registrar and agreed upon by the 83546
tax commissioner showing payment of the tax or a receipt issued by 83547
the commissioner showing the payment of the tax. When submitting 83548
payment of the tax to the clerk, a dealer shall retain any 83549

discount to which the dealer is entitled under section 5739.12 of the Revised Code. 83550
83551

(2) For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent, and the clerk shall pay the poundage fee into the certificate of title administration fund created by section 325.33 of the Revised Code. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county. 83552

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county. 83559

(3) In the case of casual sales of motor vehicles, as defined in section 4517.01 of the Revised Code, the price for the purpose of determining the tax shall be the purchase price on the assigned certificate of title executed by the seller and filed with the clerk by the buyer on a form to be prescribed by the registrar, which shall be prima-facie evidence of the amount for the determination of the tax. 83570

(4) Each county clerk shall forward to the treasurer of state all sales and use tax collections resulting from sales of motor vehicles, off-highway motorcycles, and all-purpose vehicles during a calendar week on or before the Friday following the close of that week. If, on any Friday, the offices of the clerk of courts 83577

or the state are not open for business, the tax shall be forwarded 83582
to the treasurer of state on or before the next day on which the 83583
offices are open. Every remittance of tax under division (B)(4) of 83584
this section shall be accompanied by a remittance report in such 83585
form as the tax commissioner prescribes. Upon receipt of a tax 83586
remittance and remittance report, the treasurer of state shall 83587
date stamp the report and forward it to the tax commissioner. If 83588
the tax due for any week is not remitted by a clerk of courts as 83589
required under division (B)(4) of this section, the commissioner 83590
may require the clerk to forfeit the poundage fees for the sales 83591
made during that week. The treasurer of state may require the 83592
clerks of courts to transmit tax collections and remittance 83593
reports electronically. 83594

(C)(1) If the transferor indicates on the certificate of 83595
title that the odometer reflects mileage in excess of the designed 83596
mechanical limit of the odometer, the clerk shall enter the phrase 83597
"exceeds mechanical limits" following the mileage designation. If 83598
the transferor indicates on the certificate of title that the 83599
odometer reading is not the actual mileage, the clerk shall enter 83600
the phrase "nonactual: warning - odometer discrepancy" following 83601
the mileage designation. The clerk shall use reasonable care in 83602
transferring the information supplied by the transferor, but is 83603
not liable for any errors or omissions of the clerk or those of 83604
the clerk's deputies in the performance of the clerk's duties 83605
created by this chapter. 83606

The registrar shall prescribe an affidavit in which the 83607
transferor shall swear to the true selling price and, except as 83608
provided in this division, the true odometer reading of the motor 83609
vehicle. The registrar may prescribe an affidavit in which the 83610
seller and buyer provide information pertaining to the odometer 83611
reading of the motor vehicle in addition to that required by this 83612
section, as such information may be required by the United States 83613

secretary of transportation by rule prescribed under authority of 83614
subchapter IV of the "Motor Vehicle Information and Cost Savings 83615
Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 83616

(2) Division (C)(1) of this section does not require the 83617
giving of information concerning the odometer and odometer reading 83618
of a motor vehicle when ownership of a motor vehicle is being 83619
transferred as a result of a bequest, under the laws of intestate 83620
succession, to a survivor pursuant to section 2106.18, 2131.12, or 83621
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 83622
beneficiaries pursuant to section 2131.13 of the Revised Code, in 83623
connection with the creation of a security interest or for a 83624
vehicle with a gross vehicle weight rating of more than sixteen 83625
thousand pounds. 83626

(D) When the transfer to the applicant was made in some other 83627
state or in interstate commerce, the clerk, except as provided in 83628
this section, shall refuse to issue any certificate of title 83629
unless the tax imposed by or pursuant to Chapter 5741. of the 83630
Revised Code based on the purchaser's county of residence has been 83631
paid as evidenced by a receipt issued by the tax commissioner, or 83632
unless the applicant submits with the application payment of the 83633
tax. Upon payment of the tax in accordance with division (E) of 83634
this section, the clerk shall issue a receipt prescribed by the 83635
registrar and agreed upon by the tax commissioner, showing payment 83636
of the tax. 83637

For receiving and disbursing such taxes paid to the clerk by 83638
a resident of the clerk's county, the clerk may retain a poundage 83639
fee of one and one one-hundredth per cent. The clerk shall not 83640
retain a poundage fee from payments of taxes by persons who do not 83641
reside in the clerk's county. 83642

A clerk, however, may retain from the taxes paid to the clerk 83643
an amount equal to the poundage fees associated with certificates 83644
of title issued by other clerks of courts of common pleas to 83645

applicants who reside in the first clerk's county. The registrar, 83646
in consultation with the tax commissioner and the clerks of the 83647
courts of common pleas, shall develop a report from the automated 83648
title processing system that informs each clerk of the amount of 83649
the poundage fees that the clerk is permitted to retain from those 83650
taxes because of certificates of title issued by the clerks of 83651
other counties to applicants who reside in the first clerk's 83652
county. 83653

When the vendor is not regularly engaged in the business of 83654
selling motor vehicles, the vendor shall not be required to 83655
purchase a vendor's license or make reports concerning those 83656
sales. 83657

(E) The clerk shall accept any payment of a tax in cash, or 83658
by cashier's check, certified check, draft, money order, or teller 83659
check issued by any insured financial institution payable to the 83660
clerk and submitted with an application for a certificate of title 83661
under division (B) or (D) of this section. The clerk also may 83662
accept payment of the tax by corporate, business, or personal 83663
check, credit card, electronic transfer or wire transfer, debit 83664
card, or any other accepted form of payment made payable to the 83665
clerk. The clerk may require bonds, guarantees, or letters of 83666
credit to ensure the collection of corporate, business, or 83667
personal checks. Any service fee charged by a third party to a 83668
clerk for the use of any form of payment may be paid by the clerk 83669
from the certificate of title administration fund created in 83670
section 325.33 of the Revised Code, or may be assessed by the 83671
clerk upon the applicant as an additional fee. Upon collection, 83672
the additional fees shall be paid by the clerk into that 83673
certificate of title administration fund. 83674

The clerk shall make a good faith effort to collect any 83675
payment of taxes due but not made because the payment was returned 83676
or dishonored, but the clerk is not personally liable for the 83677

payment of uncollected taxes or uncollected fees. The clerk shall 83678
notify the tax commissioner of any such payment of taxes that is 83679
due but not made and shall furnish the information to the 83680
commissioner that the commissioner requires. The clerk shall 83681
deduct the amount of taxes due but not paid from the clerk's 83682
periodic remittance of tax payments, in accordance with procedures 83683
agreed upon by the tax commissioner. The commissioner may collect 83684
taxes due by assessment in the manner provided in section 5739.13 83685
of the Revised Code. 83686

Any person who presents payment that is returned or 83687
dishonored for any reason is liable to the clerk for payment of a 83688
penalty over and above the amount of the taxes due. The clerk 83689
shall determine the amount of the penalty, and the penalty shall 83690
be no greater than that amount necessary to compensate the clerk 83691
for banking charges, legal fees, or other expenses incurred by the 83692
clerk in collecting the returned or dishonored payment. The 83693
remedies and procedures provided in this section are in addition 83694
to any other available civil or criminal remedies. Subsequently 83695
collected penalties, poundage fees, and title fees, less any title 83696
fee due the state, from returned or dishonored payments collected 83697

of the dealer complies with divisions (A)(1)(a) and (2) of this 83925
section, or divisions (A)(1)(b) and (2) of this section, as 83926

motor vehicle for which the dealer has not obtained a certificate 83932
of title in the name of the dealer, or if the attorney general has 83933

amount of not less than twenty-five thousand dollars, to be used 83938

period prior to the date on which the dealer or person acting on 83950
behalf of the dealer displays, offers for sale, or sells the used 83951
motor vehicle, used manufactured home, or used mobile home for 83952
which the dealer has not obtained a certificate of title in the 83953
name of the dealer and the attorney general has not paid a retail 83954
purchaser of the dealer under division (C) of this section within 83955
three years prior to such date, the dealer pays one hundred fifty 83956
dollars to the attorney general for deposit into the title defect 83957
recision fund created by section 1345.52 of the Revised Code. 83958

(2) The dealer or person acting on behalf of the dealer 83959
possesses a bill of sale for each motor vehicle, used manufactured 83960
home, and used mobile home proposed to be displayed, offered for 83961
sale, or sold under this section and a properly executed power of 83962
attorney or other related documents from the prior owner of the 83963
motor vehicle, manufactured home, or mobile home giving the dealer 83964
or person acting on behalf of the dealer authority to have a 83965
certificate of title to the motor vehicle, manufactured home, or 83966
mobile home issued in the name of the dealer, and retains copies 83967
of all such documents in the dealer's or person's files until such 83968

manufactured home, or used mobile home for which the dealer, 83975
pursuant to and in accordance with division (A) of this section, 83976
does not have a certificate of title issued in the name of the 83977
dealer at the time of the sale, the retail purchaser has an 83978
unconditional right to rescind the transaction and the dealer has 83979
an obligation to refund to the retail purchaser the full purchase 83980
price of the vehicle, if one of the following applies: 83981

(1) The dealer fails, on or before the fortieth day following 83982
the date of the sale, to obtain a title in the name of the retail 83983
purchaser. 83984

(2) The title for the vehicle indicates that it is a rebuilt 83985
salvage vehicle, and the fact that it is a rebuilt salvage vehicle 83986
was not disclosed to the retail purchaser in writing prior to the 83987
execution of the purchase agreement. 83988

(3) The title for the vehicle indicates that the dealer has 83989
made an inaccurate odometer disclosure to the retail purchaser. 83990

(4) The motor vehicle is a used manufactured home or used mobile home, as defined by section 5739.021 of the Revised Code, that has been repossessed under Chapter 1309. or 1317. of the Revised Code, but a certificate of title for the repossessed home has not yet been transferred by the repossessing party to the dealer on the date the retail purchaser purchases the used manufactured home or used mobile home from the dealer, and the dealer fails to obtain a certificate of title on or before the fortieth day after the dealer obtains the certificate of title for the home from the repossessing party or the date on which an occupancy permit for the home is delivered to the purchaser by the appropriate legal authority, whichever occurs later.

If any of the circumstances described in divisions (B)(1) to ~~(3)~~(4) of this section applies, a retail purchaser or the retail purchaser's representative shall notify the dealer and afford the dealer the opportunity to comply with the dealer's obligation to refund the full purchase price of the motor vehicle. Nothing in this division shall be construed as prohibiting the dealer and the retail purchaser or their representatives from negotiating a compromise resolution that is satisfactory to both parties.

(C) If a retail purchaser notifies a dealer of one or more of the circumstances listed in division (B) of this section and the dealer fails to refund to the retail purchaser the full purchase price of the vehicle or reach a satisfactory compromise with the retail purchaser within three business days of presentation of the retail purchaser's recision claim, the retail purchaser may apply to the attorney general for payment from the fund of the full purchase price to the retail purchaser.

(D) Upon application by a retail purchaser for payment from the fund, if the attorney general is satisfied that one or more of the circumstances contained in divisions (B)(1) to ~~(3)~~(4) of this section exist, the attorney general shall cause the full purchase

price of the vehicle, manufactured home, or mobile home to be paid 84023
to the retail purchaser from the fund after delivery of the 84024
vehicle, manufactured home, or mobile home to the attorney 84025
general. The attorney general may sell or otherwise dispose of any 84026
vehicle, manufactured home, or mobile home that is delivered to 84027
the attorney general under this section, and may collect the 84028
proceeds of any bond posted under division (A) of this section by 84029
a dealer who has failed to comply with division (C) of this 84030
section. The proceeds from all such sales and collections shall be 84031
deposited into the title defect recision fund for use as specified 84032
in section 1345.52 of the Revised Code. 84033

(E) Failure by a dealer to comply with division (A) or (B) of 84034
this section constitutes a deceptive act or practice in connection 84035
with a consumer transaction, and is a violation of section 1345.02 84036
of the Revised Code. 84037

(F) The remedy provided in this section to retail purchasers 84038
is in addition to any remedies otherwise available to the retail 84039
purchaser for the same conduct of the dealer or person acting on 84040
behalf of the dealer under federal law or the laws of this state 84041
or a political subdivision of this state. 84042

(G) All motor vehicle dealers licensed under Chapter 4517. of 84043
the Revised Code and manufactured housing dealers licensed under 84044
Chapter 4781. of the Revised Code shall pay to the attorney 84045
general for deposit into the title defect recision fund the amount 84046
described in division (A)(1)(b) of this section beginning with the 84047
calendar year during which this section becomes effective and each 84048
year subsequent to that year until the balance in the fund is not 84049
less than three hundred thousand dollars. All such dealers also 84050
shall pay to the attorney general for deposit into the fund that 84051
amount during any year and subsequent years during which the 84052
balance in the fund is less than three hundred thousand dollars 84053
until the balance in the fund reaches three hundred thousand 84054

dollars. 84055

If a motor vehicle dealer or manufactured housing dealer 84056
fails to comply with this division, the attorney general may bring 84057
a civil action in a court of competent jurisdiction to collect the 84058
amount the dealer failed to pay to the attorney general for 84059
deposit into the fund. 84060

under this division. No dealer may display or offer for sale a 84078
recreational vehicle under this division unless the dealer 84079
maintains insurance or the bond of a surety company authorized to 84080
transact business within this state in an amount sufficient to 84081
satisfy the fair market value of the vehicle. 84082

(C) The registrar of motor vehicles may adopt rules in 84083
accordance with Chapter 119. of the Revised Code prescribing the 84084
maximum number of manufactured or mobile homes that have come into 84085

the possession of a secured party by a default in the terms of a 84086

at any time. The registrar may adopt other reasonable rules 84088
regarding the resale of such manufactured homes, mobile homes, and 84089

showing of proof of financial responsibility that the operator or 84411
owner of the motor vehicle was in compliance with division (A)(1) 84412
of this section at the time of the traffic offense, motor vehicle 84413
inspection, or accident that resulted in the order against the 84414
person. A determination may be made without a hearing. This 84415
division does not apply unless the person shows good cause for the 84416
person's failure to present satisfactory proof of financial 84417
responsibility to the registrar prior to the issuance of the 84418
order. 84419

(D)(1) For the purpose of enforcing this section, every peace 84420

circumstances as failure to respond to a financial responsibility 84439
random verification. 84440

(2) A peace officer shall request the owner or operator of a 84441
motor vehicle to produce proof of financial responsibility in a 84442
manner described in division (G) of this section at the time the 84443
peace officer acts to enforce the traffic laws of this state and 84444
during motor vehicle inspections conducted pursuant to section 84445
4513.02 of the Revised Code. 84446

(3) A peace officer shall indicate on every traffic ticket 84447
whether the person receiving the traffic ticket produced proof of 84448
the maintenance of financial responsibility in response to the 84449
officer's request under division (D)(2) of this section. The peace 84450
officer shall inform every person who receives a traffic ticket 84451
and who has failed to produce proof of the maintenance of 84452
financial responsibility that the person must submit proof to the 84453
traffic violations bureau with any payment of a fine and costs for 84454
the ticketed violation or, if the person is to appear in court for 84455
the violation, the person must submit proof to the court. 84456

(4)(a) If a person who has failed to produce proof of the 84457
maintenance of financial responsibility appears in court for a 84458
ticketed violation, the court may permit the defendant to present 84459

evidence of proof of financial responsibility to the court at such 84460
time and in such manner as the court determines to be necessary or 84461
appropriate. In a manner prescribed by the registrar, the clerk of 84462
courts shall provide the registrar with the identity of any person 84463
who fails to submit proof of the maintenance of financial 84464
responsibility pursuant to division (D)(3) of this section. 84465

(b) If a person who has failed to produce proof of the 84466
maintenance of financial responsibility also fails to submit that 84467
proof to the traffic violations bureau with payment of a fine and 84468
costs for the ticketed violation, the traffic violations bureau, 84469
in a manner prescribed by the registrar, shall notify the 84470
registrar of the identity of that person. 84471

(5)(a) Upon receiving notice from a clerk of courts or 84472
traffic violations bureau pursuant to division (D)(4) of this 84473
section, the registrar shall order the suspension of the license 84474
of the person required under division (A)(2)(a), (b), or (c) of 84475
this section and the impoundment of the person's certificate of 84476
registration and license plates required under division (A)(2)(d) 84477
of this section, effective thirty days after the date of the 84478
mailing of notification. The registrar also shall notify the 84479
person that the person must present the registrar with proof of 84480
financial responsibility in accordance with this section, 84481
surrender to the registrar the person's certificate of 84482
registration, license plates, and license, or submit a statement 84483
subject to section 2921.13 of the Revised Code that the person did 84484
not operate or permit the operation of the motor vehicle at the 84485
time of the offense. Notification shall be in writing and shall be 84486
sent to the person at the person's last known address as shown on 84487
the records of the bureau of motor vehicles. The person, within 84488
fifteen days after the date of the mailing of notification, shall 84489
present proof of financial responsibility, surrender the 84490
certificate of registration, license plates, and license to the 84491

registrar in a manner set forth in division (A)(4) of this 84492
section, or submit the statement required under this section 84493
together with other information the person considers appropriate. 84494

If the registrar does not receive proof or the person does 84495
not surrender the certificate of registration, license plates, and 84496
license, in accordance with this division, the registrar shall 84497
permit the order for the suspension of the license of the person 84498
and the impoundment of the person's certificate of registration 84499
and license plates to take effect. 84500

(b) In the case of a person who presents, within the 84501
fifteen-day period, documents to show proof of financial 84502
responsibility, the registrar shall terminate the order of 84503
suspension and the impoundment of the registration and license 84504
plates required under division (A)(2)(d) of this section and shall 84505
send written notification to the person, at the person's last 84506
known address as shown on the records of the bureau. 84507

(c) Any person adversely affected by the order of the 84508
registrar under division (D)(5)(a) or (b) of this section, within 84509
ten days after the issuance of the order, may request an 84510
administrative hearing before the registrar, who shall provide the 84511
person with an opportunity for a hearing in accordance with this 84512
paragraph. A request for a hearing does not operate as a 84513
suspension of the order. The scope of the hearing shall be limited 84514
to whether, at the time of the hearing, the person presents proof 84515
of financial responsibility covering the vehicle and whether the 84516
person is eligible for an exemption in accordance with this 84517
section or any rule adopted under it. The registrar shall 84518
determine the date, time, and place of any hearing; provided, that 84519
the hearing shall be held, and an order issued or findings made, 84520
within thirty days after the registrar receives a request for a 84521
hearing. If requested by the person in writing, the registrar may 84522
designate as the place of hearing the county seat of the county in 84523

which the person resides or a place within fifty miles of the 84524
person's residence. Such person shall pay the cost of the hearing 84525
before the registrar, if the registrar's order of suspension or 84526
impoundment under division (D)(5)(a) or (b) of this section is 84527
upheld. 84528

(6) A peace officer may charge an owner or operator of a 84529
motor vehicle with a violation of section 4510.16 of the Revised 84530
Code when the owner or operator fails to show proof of the 84531
maintenance of financial responsibility pursuant to a peace 84532
officer's request under division (D)(2) of this section, if a 84533
check of the owner or operator's driving record indicates that the 84534
owner or operator, at the time of the operation of the motor 84535
vehicle, is required to file and maintain proof of financial 84536
responsibility under section 4509.45 of the Revised Code for a 84537
previous violation of this chapter. 84538

(7) Any forms used by law enforcement agencies in 84539
administering this section shall be prescribed, supplied, and paid 84540
for by the registrar. 84541

(8) No peace officer, law enforcement agency employing a 84542
peace officer, or political subdivision or governmental agency 84543
that employs a peace officer shall be liable in a civil action for 84544
damages or loss to persons arising out of the performance of any 84545
duty required or authorized by this section. 84546

(9) As used in this division and divisions (E) and (G) of 84547
this section, "peace officer" has the meaning set forth in section 84548
2935.01 of the Revised Code. 84549

(E) All fees, except court costs and those portions of the 84550
financial responsibility reinstatement fees as otherwise specified 84551
in this division, collected under this section shall be paid into 84552
the state treasury to the credit of the financial responsibility 84553
compliance fund. The financial responsibility compliance fund 84554

shall be used exclusively to cover costs incurred by the bureau in 84555
the administration of this section and sections 4503.20, 4507.212, 84556
and 4509.81 of the Revised Code, and by any law enforcement agency 84557
employing any peace officer who returns any license, certificate 84558
of registration, and license plates to the registrar pursuant to 84559
division (C) of this section, except that the director of budget 84560
and management may transfer excess money from the financial 84561
responsibility compliance fund to the state bureau of motor 84562
vehicles fund if the registrar determines that the amount of money 84563
in the financial responsibility compliance fund exceeds the amount 84564
required to cover such costs incurred by the bureau or a law 84565
enforcement agency and requests the director to make the transfer. 84566

Of each financial responsibility reinstatement fee the 84567
registrar collects pursuant to division (A)(5)(a) of this section, 84568
the registrar shall deposit twenty-five dollars of each 84569
one-hundred-dollar reinstatement fee, fifty dollars of each 84570
three-hundred-dollar reinstatement fee, and one hundred dollars of 84571
each six-hundred-dollar reinstatement fee into the state treasury 84572
to the credit of the indigent defense support fund created by 84573
section 120.08 of the Revised Code. 84574

All investment earnings of the financial responsibility 84575
compliance fund shall be credited to the fund. 84576

(F) Chapter 119. of the Revised Code applies to this section 84577
only to the extent that any provision in that chapter is not 84578
clearly inconsistent with this section. 84579

(G)(1) The registrar, court, traffic violations bureau, or 84580
peace officer may require proof of financial responsibility to be 84581
demonstrated by use of a standard form prescribed by the 84582
registrar. If the use of a standard form is not required, a person 84583
may demonstrate proof of financial responsibility under this 84584
section by presenting to the traffic violations bureau, court, 84585
registrar, or peace officer any of the following documents or a 84586

(2) If a person fails to demonstrate proof of financial responsibility in a manner described in division (G)(1) of this section, the person may demonstrate proof of financial responsibility under this section by any other method that the court or the bureau, by reason of circumstances in a particular case, may consider appropriate.	84604 84605 84606 84607 84608 84609
(3) A motor carrier certificated by the interstate commerce commission or by the public utilities commission may demonstrate proof of financial responsibility by providing a statement designating the motor carrier's operating authority and averring that the insurance coverage required by the certificating authority is in full force and effect.	84610 84611 84612 84613 84614 84615
(4)(a) A finding by the registrar or court that a person is	84616

covered by proof of financial responsibility in the form of an 84617
insurance policy or surety bond is not binding upon the named 84618
insurer or surety or any of its officers, employees, agents, or 84619
representatives and has no legal effect except for the purpose of 84620
administering this section. 84621

(b) The preparation and delivery of a financial 84622
responsibility identification card or any other document 84623
authorized to be used as proof of financial responsibility under 84624
this division does not do any of the following: 84625

(i) Create any liability or estoppel against an insurer or 84626
surety, or any of its officers, employees, agents, or 84627
representatives; 84628

(ii) Constitute an admission of the existence of, or of any 84629
liability or coverage under, any policy or bond; 84630

(iii) Waive any defenses or counterclaims available to an 84631
insurer, surety, agent, employee, or representative in an action 84632
commenced by an insured or third-party claimant upon a cause of 84633
action alleged to have arisen under an insurance policy or surety 84634
bond or by reason of the preparation and delivery of a document 84635
for use as proof of financial responsibility. 84636

(c) Whenever it is determined by a final judgment in a 84637
judicial proceeding that an insurer or surety, which has been 84638
named on a document accepted by a court or the registrar as proof 84639
of financial responsibility covering the operation of a motor 84640
vehicle at the time of an accident or offense, is not liable to 84641
pay a judgment for injuries or damages resulting from such 84642
operation, the registrar, notwithstanding any previous contrary 84643
finding, shall forthwith suspend the operating privileges and 84644
registration rights of the person against whom the judgment was 84645
rendered as provided in division (A)(2) of this section. 84646

(H) In order for any document described in division (G)(1)(b) 84647

of this section to be used for the demonstration of proof of 84648
financial responsibility under this section, the document shall 84649
state the name of the insured or obligor, the name of the insurer 84650
or surety company, and the effective and expiration dates of the 84651
financial responsibility, and designate by explicit description or 84652
by appropriate reference all motor vehicles covered which may 84653
include a reference to fleet insurance coverage. 84654

(I) For purposes of this section, "owner" does not include a 84655
licensed motor vehicle leasing dealer as defined in section 84656
4517.01 of the Revised Code, but does include a motor vehicle 84657
renting dealer as defined in section 4549.65 of the Revised Code. 84658
Nothing in this section or in section 4509.51 of the Revised Code 84659
shall be construed to prohibit a motor vehicle renting dealer from 84660
entering into a contractual agreement with a person whereby the 84661
person renting the motor vehicle agrees to be solely responsible 84662
for maintaining proof of financial responsibility, in accordance 84663
with this section, with respect to the operation, maintenance, or 84664
use of the motor vehicle during the period of the motor vehicle's 84665
rental. 84666

(J) The purpose of this section is to require the maintenance 84667
of proof of financial responsibility with respect to the operation 84668
of motor vehicles on the highways of this state, so as to minimize 84669
those situations in which persons are not compensated for injuries 84670
and damages sustained in motor vehicle accidents. The general 84671
assembly finds that this section contains reasonable civil 84672
penalties and procedures for achieving this purpose. 84673

(K) Nothing in this section shall be construed to be subject 84674
to section 4509.78 of the Revised Code. 84675

(L)(1) The registrar may terminate any suspension imposed 84676
under this section and not require the owner to comply with 84677
divisions (A)(5)(a), (b), and (c) of this section if the registrar 84678
with or without a hearing determines that the owner of the vehicle 84679

has established by clear and convincing evidence that all of the 84680
following apply: 84681

(a) The owner customarily maintains proof of financial 84682
responsibility. 84683

(b) Proof of financial responsibility was not in effect for 84684
the vehicle on the date in question for one of the following 84685
reasons: 84686

(i) The vehicle was inoperable. 84687

(ii) The vehicle is operated only seasonally, and the date in 84688
question was outside the season of operation. 84689

(iii) A person other than the vehicle owner or driver was at 84690
fault for the lapse of proof of financial responsibility through 84691
no fault of the owner or driver. 84692

(iv) The lapse of proof of financial responsibility was 84693
caused by excusable neglect under circumstances that are not 84694
likely to recur and do not suggest a purpose to evade the 84695
requirements of this chapter. 84696

(2) The registrar may grant an owner or driver relief for a 84697
reason specified in division (L)(1)(b)(i) or (ii) of this section 84698
whenever the owner or driver is randomly selected to verify the 84699
existence of proof of financial responsibility for such a vehicle. 84700
However, the registrar may grant an owner or driver relief for a 84701
reason specified in division (L)(1)(b)(iii) or (iv) of this 84702
section only if the owner or driver has not previously been 84703
granted relief under division (L)(1)(b)(iii) or (iv) of this 84704
section. 84705

(M) The registrar shall adopt rules in accordance with 84706
Chapter 119. of the Revised Code that are necessary to administer 84707
and enforce this section. The rules shall include procedures for 84708
the surrender of license plates upon failure to maintain proof of 84709

financial responsibility and provisions relating to reinstatement 84710
of registration rights, acceptable forms of proof of financial 84711
responsibility, and verification of the existence of financial 84712
responsibility during the period of registration. 84713

Sec. 4510.22. (A) If a person who has a current valid Ohio 84714
driver's, commercial driver's license, or temporary instruction 84715
permit is charged with a violation of any provision in sections 84716
4511.01 to 4511.76, 4511.84, 4513.01 to 4513.65, or 4549.01 to 84717
4549.65 of the Revised Code that is classified as a misdemeanor of 84718
the first, second, third, or fourth degree or with a violation of 84719
any substantially equivalent municipal ordinance and if the person 84720
either fails to appear in court at the required time and place to 84721
answer the charge or pleads guilty to or is found guilty of the 84722
violation and fails within the time allowed by the court to pay 84723
the fine imposed by the court, the court shall declare the 84724
forfeiture of the person's license. Thirty days after the 84725
declaration of forfeiture, the court shall inform the registrar of 84726
motor vehicles of the forfeiture by entering information relative 84727
to the of forfeiture on a form approved and furnished by the 84728
registrar and sending the form to the registrar. The court also 84729
shall forward the person's license, if it is in the possession of 84730
the court, to the registrar. 84731

The registrar shall impose a class F suspension of the 84732
person's driver's or commercial driver's license, or temporary 84733
instruction permit for the period of time specified in division 84734
(B)(6) of section 4510.02 of the Revised Code on any person who is 84735
named in a declaration received by the registrar under this 84736
section. The registrar shall send written notification of the 84737
suspension to the person at the person's last known address and, 84738
if the person is in possession of the license, order the person to 84739
surrender the person's license or permit to the registrar within 84740
forty-eight hours. 84741

No valid driver's or commercial driver's license shall be 84742
granted to the person after the suspension, unless the court 84743
having jurisdiction of the offense that led to the suspension 84744
orders that the forfeiture be terminated. The court shall order 84745
the termination of the forfeiture if the person thereafter appears 84746
to answer the charge and pays any fine imposed by the court or 84747
pays the fine originally imposed by the court. The court shall 84748
inform the registrar of the termination of the forfeiture by 84749
entering information relative to the termination on a form 84750
approved and furnished by the registrar and sending the form to 84751
the registrar. The person shall pay to the bureau of motor 84752
vehicles a ~~fifteen-dollar~~ twenty-five-dollar reinstatement fee ~~to~~ 84753
~~cover the costs of the bureau in administering this section.~~ The 84754
registrar shall deposit fifteen dollars of the fee into the state 84755
treasury to the credit of the state bureau of motor vehicles fund 84756
created by section 4501.25 of the Revised Code to cover the costs 84757
of the bureau in administering this section and shall deposit ten 84758
dollars of the fee into the state treasury to the credit of the 84759
indigent defense support fund created by section 120.08 of the 84760
Revised Code. 84761

(B) In addition to suspending the driver's or commercial 84762
driver's license or permit of the person named in a declaration of 84763
forfeiture, the registrar, upon receipt from the court of the copy 84764
of the declaration of forfeiture, shall take any measures that may 84765
be necessary to ensure that neither the registrar nor any deputy 84766
registrar accepts any application for the registration or transfer 84767
of registration of any motor vehicle owned or leased by the person 84768
named in the declaration of forfeiture. However, for a motor 84769
vehicle leased by a person named in a declaration of forfeiture, 84770
the registrar shall not implement the preceding sentence until the 84771
registrar adopts procedures for that implementation under section 84772
4503.39 of the Revised Code. The period of denial of registration 84773
or transfer shall continue until such time as the court having 84774

jurisdiction of the offense that led to the suspension orders the 84775
forfeiture be terminated. Upon receipt by the registrar of an 84776
order terminating the forfeiture, the registrar also shall take 84777
any measures that may be necessary to permit the person to 84778
register a motor vehicle owned or leased by the person or to 84779
transfer the registration of such a motor vehicle, if the person 84780
later makes application to take such action and otherwise is 84781
eligible to register the motor vehicle or to transfer its 84782
registration. 84783

The registrar shall not be required to give effect to any 84784
declaration of forfeiture or order terminating a forfeiture 84785
provided by a court under this section unless the information 84786
contained in the declaration or order is transmitted to the 84787
registrar by means of an electronic transfer system. The registrar 84788
shall not restore the person's driving or vehicle registration 84789
privileges until the person pays the reinstatement fee as provided 84790
in this section. 84791

The period of denial relating to the issuance or transfer of 84792
a certificate of registration for a motor vehicle imposed pursuant 84793
to this division remains in effect until the person pays any fine 84794
imposed by the court relative to the offense. 84795

Sec. 4511.191. (A)(1) As used in this section: 84796

(a) "Physical control" has the same meaning as in section 84797
4511.194 of the Revised Code. 84798

(b) "Alcohol monitoring device" means any device that 84799
provides for continuous alcohol monitoring, any ignition interlock 84800
device, any immobilizing or disabling device other than an 84801
ignition interlock device that is constantly available to monitor 84802
the concentration of alcohol in a person's system, or any other 84803
device that provides for the automatic testing and periodic 84804
reporting of alcohol consumption by a person and that a court 84805

orders a person to use as a sanction imposed as a result of the 84806
person's conviction of or plea of guilty to an offense. 84807

(2) Any person who operates a vehicle, streetcar, or 84808
trackless trolley upon a highway or any public or private property 84809
used by the public for vehicular travel or parking within this 84810
state or who is in physical control of a vehicle, streetcar, or 84811
trackless trolley shall be deemed to have given consent to a 84812
chemical test or tests of the person's whole blood, blood serum or 84813
plasma, breath, or urine to determine the alcohol, drug of abuse, 84814
controlled substance, metabolite of a controlled substance, or 84815
combination content of the person's whole blood, blood serum or 84816
plasma, breath, or urine if arrested for a violation of division 84817
(A) or (B) of section 4511.19 of the Revised Code, section 84818
4511.194 of the Revised Code or a substantially equivalent 84819
municipal ordinance, or a municipal OVI ordinance. 84820

(3) The chemical test or tests under division (A)(2) of this 84821
section shall be administered at the request of a law enforcement 84822
officer having reasonable grounds to believe the person was 84823
operating or in physical control of a vehicle, streetcar, or 84824
trackless trolley in violation of a division, section, or 84825
ordinance identified in division (A)(2) of this section. The law 84826
enforcement agency by which the officer is employed shall 84827
designate which of the tests shall be administered. 84828

(4) Any person who is dead or unconscious, or who otherwise 84829
is in a condition rendering the person incapable of refusal, shall 84830
be deemed to have consented as provided in division (A)(2) of this 84831
section, and the test or tests may be administered, subject to 84832
sections 313.12 to 313.16 of the Revised Code. 84833

(5)(a) If a law enforcement officer arrests a person for a 84834
violation of division (A) or (B) of section 4511.19 of the Revised 84835
Code, section 4511.194 of the Revised Code or a substantially 84836
equivalent municipal ordinance, or a municipal OVI ordinance and 84837

if the person if convicted would be required to be sentenced under 84838
division (G)(1)(c), (d), or (e) of section 4511.19 of the Revised 84839
Code, the law enforcement officer shall request the person to 84840
submit, and the person shall submit, to a chemical test or tests 84841
of the person's whole blood, blood serum or plasma, breath, or 84842
urine for the purpose of determining the alcohol, drug of abuse, 84843
controlled substance, metabolite of a controlled substance, or 84844
combination content of the person's whole blood, blood serum or 84845
plasma, breath, or urine. A law enforcement officer who makes a 84846
request pursuant to this division that a person submit to a 84847
chemical test or tests is not required to advise the person of the 84848
consequences of submitting to, or refusing to submit to, the test 84849
or tests and is not required to give the person the form described 84850
in division (B) of section 4511.192 of the Revised Code, but the 84851
officer shall advise the person at the time of the arrest that if 84852
the person refuses to take a chemical test the officer may employ 84853
whatever reasonable means are necessary to ensure that the person 84854
submits to a chemical test of the person's whole blood or blood 84855
serum or plasma. The officer shall also advise the person at the 84856
time of the arrest that the person may have an independent 84857
chemical test taken at the person's own expense. Divisions (A)(3) 84858
and (4) of this section apply to the administration of a chemical 84859
test or tests pursuant to this division. 84860

84861

(b) If a person refuses to submit to a chemical test upon a 84862
request made pursuant to division (A)(5)(a) of this section, the 84863
law enforcement officer who made the request may employ whatever 84864
reasonable means are necessary to ensure that the person submits 84865
to a chemical test of the person's whole blood or blood serum or 84866
plasma. A law enforcement officer who acts pursuant to this 84867
division to ensure that a person submits to a chemical test of the 84868
person's whole blood or blood serum or plasma is immune from 84869
criminal and civil liability based upon a claim for assault and 84870

battery or any other claim for the acts, unless the officer so 84871
acted with malicious purpose, in bad faith, or in a wanton or 84872
reckless manner. 84873

(B)(1) Upon receipt of the sworn report of a law enforcement 84874
officer who arrested a person for a violation of division (A) or 84875
(B) of section 4511.19 of the Revised Code, section 4511.194 of 84876
the Revised Code or a substantially equivalent municipal 84877
ordinance, or a municipal OVI ordinance that was completed and 84878
sent to the registrar and a court pursuant to section 4511.192 of 84879
the Revised Code in regard to a person who refused to take the 84880
designated chemical test, the registrar shall enter into the 84881
registrar's records the fact that the person's driver's or 84882
commercial driver's license or permit or nonresident operating 84883
privilege was suspended by the arresting officer under this 84884
division and that section and the period of the suspension, as 84885
determined under this section. The suspension shall be subject to 84886
appeal as provided in section 4511.197 of the Revised Code. The 84887
suspension shall be for whichever of the following periods 84888
applies: 84889

(a) Except when division (B)(1)(b), (c), or (d) of this 84890
section applies and specifies a different class or length of 84891
suspension, the suspension shall be a class C suspension for the 84892
period of time specified in division (B)(3) of section 4510.02 of 84893
the Revised Code. 84894

(b) If the arrested person, within six years of the date on 84895
which the person refused the request to consent to the chemical 84896
test, had refused one previous request to consent to a chemical 84897
test or had been convicted of or pleaded guilty to one violation 84898
of division (A) or (B) of section 4511.19 of the Revised Code or 84899
one other equivalent offense, the suspension shall be a class B 84900
suspension imposed for the period of time specified in division 84901
(B)(2) of section 4510.02 of the Revised Code. 84902

(c) If the arrested person, within six years of the date on 84903
which the person refused the request to consent to the chemical 84904
test, had refused two previous requests to consent to a chemical 84905
test, had been convicted of or pleaded guilty to two violations of 84906
division (A) or (B) of section 4511.19 of the Revised Code or 84907
other equivalent offenses, or had refused one previous request to 84908
consent to a chemical test and also had been convicted of or 84909
pleaded guilty to one violation of division (A) or (B) of section 84910
4511.19 of the Revised Code or other equivalent offenses, which 84911
violation or offense arose from an incident other than the 84912
incident that led to the refusal, the suspension shall be a class 84913
A suspension imposed for the period of time specified in division 84914
(B)(1) of section 4510.02 of the Revised Code. 84915

(d) If the arrested person, within six years of the date on 84916
which the person refused the request to consent to the chemical 84917
test, had refused three or more previous requests to consent to a 84918
chemical test, had been convicted of or pleaded guilty to three or 84919
more violations of division (A) or (B) of section 4511.19 of the 84920
Revised Code or other equivalent offenses, or had refused a number 84921
of previous requests to consent to a chemical test and also had 84922
been convicted of or pleaded guilty to a number of violations of 84923
division (A) or (B) of section 4511.19 of the Revised Code or 84924
other equivalent offenses that cumulatively total three or more 84925
such refusals, convictions, and guilty pleas, the suspension shall 84926
be for five years. 84927

(2) The registrar shall terminate a suspension of the 84928

necessary by the treatment program and when the court determines 85314
that the offender or juvenile traffic offender is unable to pay 85315
all or part of the daily monitoring or cost of the device; 85316

offender is unable to pay all or part of the daily monitoring or 85323
cost of the device. The moneys may be used for a device as 85324
described in this division if the use of the device is in 85325
conjunction with a treatment program approved by the department of 85326
alcohol and drug addiction services, when the use of the device is 85327
determined clinically necessary by the treatment program, but the 85328
use of a device is not required to be in conjunction with a 85329

consultation with the alcohol and drug addiction services board or 85333
the board of alcohol, drug addiction, and mental health services 85334
established pursuant to section 340.02 or 340.021 of the Revised 85335

indigent drivers alcohol treatment fund under the control of the 85340
court are more than sufficient to satisfy the purpose for which 85341
the fund was established, as specified in divisions (H)(1) to (3) 85342
of this section, the court may declare a surplus in the fund. If 85343
the court declares a surplus in the fund, the court may expend the 85344
amount of the surplus in the fund for: 85345

(i) The court determines that substance abuse was a 85351
contributing factor leading to the criminal or delinquent activity 85352
or the juvenile traffic offense with which the person is charged. 85353

(ii) The court determines that the person is unable to pay 85354
the cost of the alcohol and drug abuse assessment and treatment 85355
for which the surplus money will be used. 85356

(b) All or part of the cost of purchasing alcohol monitoring 85357
devices to be used in conjunction with division (H)(3) of this 85358
section, upon exhaustion of moneys in the indigent drivers 85359
interlock and alcohol monitoring fund for the use of an alcohol 85360

a staff member of the Ohio civil rights commission who is 88316

submit proof satisfactory to the superintendent, on forms made 88357
available by the superintendent, of completion, at an institution 88358
of higher education or any other institution approved by the 88359
commission, of ten hours of classroom instruction in real estate 88360
courses that cover current issues regarding consumers, real estate 88361
practice, ethics, and real estate law. 88362

If proof of completion of the required instruction is not 88363
submitted within twelve months of the date a license is issued 88364
under this section, the licensee's license is suspended 88365
automatically without the taking of any action by the 88366
superintendent. The superintendent immediately shall notify the 88367
broker with whom such salesperson is associated of the suspension 88368
of the salesperson's license. A salesperson whose license has been 88369
suspended under this division shall have twelve months after the 88370
date of the suspension of the salesperson's license to submit 88371
proof of successful completion of the instruction required under 88372
this division. No such license shall be reactivated by the 88373
superintendent until it is established, to the satisfaction of the 88374
superintendent, that the requirements of this division have been 88375
met and that the licensee is in compliance with this chapter. A 88376
licensee's license is revoked automatically without the taking of 88377
any action by the superintendent when the licensee fails to submit 88378
the required proof of completion of the education requirements 88379
under division (G) of this section within twelve months of the 88380
date the license is suspended. 88381

classroom instructional requirements of division (F)(6) or (7) of 88388
this section at the time of application shall be examined no later 88389
than twelve months after the applicant is notified of the 88390
applicant's admission to the examination. 88391

Sec. 4735.12. (A) The real estate recovery fund is hereby 88392
created in the state treasury, to be administered by the 88393
superintendent of real estate. Amounts collected by the 88394
superintendent as prescribed in this section and interest earned 88395
on the assets of the fund shall be credited by the treasurer of 88396
state to the fund. The amount of money in the fund shall be 88397
ascertained by the superintendent as of the first day of July of 88398
each year. 88399

The commission, in accordance with rules adopted under 88400
division (A)(2)(g) of section 4735.10 of the Revised Code, shall 88401
impose a special assessment not to exceed ten dollars per year for 88402
each year of a licensing period on each licensee filing a notice 88403
of renewal under section 4735.14 of the Revised Code if the amount 88404
available in the fund is less than ~~one million~~ five hundred
thousand dollars on the first day of July preceding that filing. 88405
The commission may impose a special assessment not to exceed five 88406
dollars per year for each year of a licensing period if the amount 88407
available in the fund is greater than one million dollars, but 88408
less than two million dollars on the first day of July preceding 88409
that filing. The commission shall not impose a special assessment 88410
if the amount available in the fund exceeds two million dollars on 88411
the first day of July preceding that filing. 88412
88413

(B)(1) Any person who obtains a final judgment in any court 88414
of competent jurisdiction against any broker or salesperson 88415
licensed under this chapter, on the grounds of conduct that is in 88416
violation of this chapter or the rules adopted under it, and that 88417
is associated with an act or transaction that only a licensed real 88418

estate broker or licensed real estate salesperson is authorized to 88419
perform as specified in division (A) or (C) of section 4735.01 of 88420
the Revised Code, may file a verified application, as described in 88421
division (B)(3) of this section, in ~~any~~ the court of common pleas 88422
of Franklin county for an order directing payment out of the real 88423
estate recovery fund of the portion of the judgment that remains 88424
unpaid and that represents the actual and direct loss sustained by 88425
the applicant. 88426

(2) Punitive damages, attorney's fees, and interest on a 88427
judgment are not recoverable from the fund. In the discretion of 88428
the superintendent of real estate, court costs may be recovered 88429
from the fund, and, if the superintendent authorizes the recovery 88430
of court costs, the order of the court of common pleas then may 88431
direct their payment from the fund. 88432

(3) The application shall specify the nature of the act or 88433
transaction upon which the underlying judgment was based, the 88434
activities of the applicant in pursuit of remedies available under 88435
law for the collection of judgments, and the actual and direct 88436
losses, attorney's fees, and the court costs sustained or incurred 88437
by the applicant. The applicant shall attach to the application a 88438
copy of each pleading and order in the underlying court action. 88439

(4) The court shall order the superintendent to make such 88440
payments out of the fund when the person seeking the order has 88441
shown all of the following: 88442

(a) The person has obtained a judgment, as provided in this 88443
division; 88444

(b) All appeals from the judgment have been exhausted and the 88445
person has given notice to the superintendent, as required by 88446
division (C) of this section; 88447

(c) The person is not a spouse of the judgment debtor, or the 88448
personal representative of such spouse; 88449

(d) The person has diligently pursued the person's remedies 88450
against all the judgment debtors and all other persons liable to 88451
the person in the transaction for which the person seeks recovery 88452
from the fund; 88453

(e) The person is making the person's application not more 88454
than one year after termination of all proceedings, including 88455
appeals, in connection with the judgment. 88456

(5) Divisions (B)(1) to (4) of this section do not apply to 88457
any of the following: 88458

(a) Actions arising from property management accounts 88459
maintained in the name of the property owner; 88460

(b) A bonding company when it is not a principal in a real 88461
estate transaction; 88462

(c) A person in an action for the payment of a commission or 88463
fee for the performance of an act or transaction specified or 88464
comprehended in division (A) or (C) of section 4735.01 of the 88465
Revised Code; 88466

(d) Losses incurred by investors in real estate if the 88467
applicant and the licensee are principals in the investment. 88468

(C) A person who applies to a court of common pleas for an 88469
order directing payment out of the fund shall file notice of the 88470
application with the superintendent. The superintendent may defend 88471
any such action on behalf of the fund and shall have recourse to 88472
all appropriate means of defense and review, including examination 88473
of witnesses, verification of actual and direct losses, and 88474
challenges to the underlying judgment required in division 88475
(B)(4)(a) of this section to determine whether the underlying 88476
judgment is based on activity only a licensed broker or licensed 88477
salesperson is permitted to perform. The superintendent may move 88478
the court at any time to dismiss the application when it appears 88479
there are no triable issues and the application is without merit. 88480

The motion may be supported by affidavit of any person having 88481
knowledge of the facts and may be made on the basis that the 88482
application, including the judgment referred to in it, does not 88483
form the basis for a meritorious recovery claim; provided, that 88484
the superintendent shall give written notice to the applicant at 88485
least ten days before such motion. The superintendent may, subject 88486
to court approval, compromise a claim based upon the application 88487
of an aggrieved party. The superintendent shall not be bound by 88488
any prior compromise or stipulation of the judgment debtor. 88489

(D) Notwithstanding any other provision of this section, the 88490
liability of the fund shall not exceed forty thousand dollars for 88491
any one licensee. If a licensee's license is reactivated as 88492
provided in division (E) of this section, the liability of the 88493
fund for the licensee under this section shall again be forty 88494
thousand dollars, but only for transactions that occur subsequent 88495
to the time of reactivation. 88496

If the forty-thousand-dollar liability of the fund is 88497
insufficient to pay in full the valid claims of all aggrieved 88498
persons by whom claims have been filed against any one licensee, 88499
the forty thousand dollars shall be distributed among them in the 88500
ratio that their respective claims bear to the aggregate of valid 88501
claims or in such other manner as the court finds equitable. 88502
Distribution of moneys shall be among the persons entitled to 88503
share in it, without regard to the order of priority in which 88504
their respective judgments may have been obtained or their claims 88505
have been filed. Upon petition of the superintendent, the court 88506
may require all claimants and prospective claimants against one 88507
licensee to be joined in one action, to the end that the 88508
respective rights of all such claimants to the fund may be 88509
equitably adjudicated and settled. 88510

(E) If the superintendent pays from the fund any amount in 88511
settlement of a claim or toward satisfaction of a judgment against 88512

a licensed broker or salesperson, the license of the broker or 88513
salesperson shall be automatically suspended upon the date of 88514
payment from the fund. The superintendent shall not reactivate the 88515
suspended license of that broker or salesperson until the broker 88516
or salesperson has repaid in full, plus interest per annum at the 88517
rate specified in division (A) of section 1343.03 of the Revised 88518
Code, the amount paid from the fund on the broker's or 88519
salesperson's account. A discharge in bankruptcy does not relieve 88520
a person from the suspension and requirements for reactivation 88521
provided in this section unless the underlying judgment has been 88522
included in the discharge and has not been reaffirmed by the 88523
debtor. 88524

(F) If, at any time, the money deposited in the fund is 88525
insufficient to satisfy any duly authorized claim or portion of a 88526
claim, the superintendent shall, when sufficient money has been 88527
deposited in the fund, satisfy such unpaid claims or portions, in 88528
the order that such claims or portions were originally filed, plus 88529
accumulated interest per annum at the rate specified in division 88530
(A) of section 1343.03 of the Revised Code. 88531

(G) When, upon the order of the court, the superintendent has 88532
paid from the fund any sum to the judgment creditor, the 88533
superintendent shall be subrogated to all of the rights of the 88534
judgment creditor to the extent of the amount so paid, and the 88535
judgment creditor shall assign all the judgment creditor's right, 88536
title, and interest in the judgment to the superintendent to the 88537
extent of the amount so paid. Any amount and interest so recovered 88538
by the superintendent on the judgment shall be deposited in the 88539
fund. 88540

(H) Nothing contained in this section shall limit the 88541
authority of the superintendent to take disciplinary action 88542
against any licensee under other provisions of this chapter; nor 88543
shall the repayment in full of all obligations to the fund by any 88544

licensee nullify or modify the effect of any other disciplinary 88545
proceeding brought pursuant to this chapter. 88546

(I) The superintendent shall collect from the fund a service 88547
fee in an amount equivalent to the interest rate specified in 88548
division (A) of section 1343.03 of the Revised Code multiplied by 88549
the annual interest earned on the assets of the fund, to defray 88550
the expenses incurred in the administration of the fund. 88551

Sec. 4735.13. (A) The license of a real estate broker shall 88552
be prominently displayed in the office or place of business of the 88553
broker, and no license shall authorize the licensee to do business 88554
except from the location specified in it. If the broker maintains 88555
more than one place of business within the state, the broker shall 88556
apply for and procure a duplicate license for each branch office 88557
maintained by the broker. Each branch office shall be in the 88558
charge of a licensed broker or salesperson. The branch office 88559
license shall be prominently displayed at the branch office 88560
location. 88561

(B) The license of each real estate salesperson shall be 88562
mailed to and remain in the possession of the licensed broker with 88563
whom the salesperson is or is to be associated until the licensee 88564
places the license on inactive, voluntary hold, or resigned status 88565
or until the salesperson leaves the brokerage or is terminated. 88566
The broker shall keep each salesperson's license in a way that it 88567
can, and shall on request, be made immediately available for 88568
public inspection at the office or place of business of the 88569
broker. Except as provided in divisions (G) and (H) of this 88570
section, immediately upon the salesperson's leaving the 88571
association or termination of the association of a real estate 88572
salesperson with the broker, the broker shall return the 88573
salesperson's license to the superintendent of real estate. 88574

The failure of a broker to return the license of a real 88575

estate salesperson or broker who leaves or who is terminated, via 88576
certified mail return receipt requested, within three business 88577
days of the receipt of a written request from the superintendent 88578
for the return of the license, is prima-facie evidence of 88579
misconduct under division (A)(6) of section 4735.18 of the Revised 88580
Code. 88581

(C) Any licensee who is convicted of a felony or a crime 88582
involving moral turpitude or of violating any federal, state, or 88583
municipal civil rights law pertaining to discrimination in 88584
housing, or any court that issues a finding of an unlawful 88585
discriminatory practice pertaining to housing accommodations 88586
described in division (H) of section 4112.02 of the Revised Code 88587
or that convicts a licensee of a violation of any municipal civil 88588
rights law pertaining to housing discrimination, shall notify the 88589
superintendent of the conviction or finding within fifteen days. 88590
If a licensee fails to notify the superintendent within the 88591
required time, the superintendent immediately may revoke the 88592
license of the licensee. 88593

Any court that convicts a licensee of a violation of any 88594
municipal civil rights law pertaining to housing discrimination 88595
also shall notify the Ohio civil rights commission within fifteen 88596
days of the conviction. 88597

(D) In case of any change of business location, a broker 88598
shall give notice in writing to the superintendent, whereupon the 88599
superintendent shall issue new licenses for the unexpired period 88600
without charge. If a broker changes a business location without 88601
giving the required notice and without receiving new licenses that 88602
action is prima-facie evidence of misconduct under division (A)(6) 88603
of section 4735.18 of the Revised Code. 88604

(E) If a real estate broker desires to associate with another 88605
real estate broker in the capacity of a real estate salesperson, 88606
the broker shall apply to the superintendent to deposit the 88607

broker's real estate broker's license with the superintendent and 88608
for the issuance of a real estate salesperson's license. The 88609
application shall be made on a form prescribed by the 88610
superintendent and shall be accompanied by the recommendation of 88611
the real estate broker with whom the applicant intends to become 88612
associated and a fee of twenty-five dollars for the real estate 88613
salesperson's license. ~~Four dollars~~ One dollar of the fee shall be 88614
credited to the real estate education and research fund. If the 88615
superintendent is satisfied that the applicant is honest, 88616
truthful, and of good reputation, has not been convicted of a 88617
felony or a crime involving moral turpitude, and has not been 88618
finally adjudged by a court to have violated any municipal, state, 88619
or federal civil rights laws relevant to the protection of 88620
purchasers or sellers of real estate, and that the association of 88621
the real estate broker and the applicant will be in the public 88622
interest, the superintendent shall grant the application and issue 88623
a real estate salesperson's license to the applicant. Any license 88624
so deposited with the superintendent shall be subject to this 88625
chapter. A broker who intends to deposit the broker's license with 88626
the superintendent, as provided in this section, shall give 88627
written notice of this fact in a format prescribed by the 88628
superintendent to all salespersons associated with the broker when 88629
applying to place the broker's license on deposit. 88630

(F) If a real estate broker desires to become a member or 88631
officer of a partnership, association, limited liability company, 88632
limited liability partnership, or corporation that is or intends 88633
to become a licensed real estate broker, the broker shall notify 88634
the superintendent of the broker's intentions. The notice of 88635
intention shall be on a form prescribed by the superintendent and 88636
shall be accompanied by a fee of twenty-five dollars. ~~Four dollars~~ 88637
One dollar of the fee shall be credited to the real estate 88638
education and research fund. 88639

No real estate broker who is a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation that is a licensed real estate broker shall perform any acts as a real estate broker other than as the agent of the partnership, association, limited liability company, limited liability partnership, or corporation, and such broker shall not have any real estate salespersons associated with the broker.

(G) If a real estate broker or salesperson enters the armed forces, the broker or salesperson may place the broker's or salesperson's license on deposit with the Ohio real estate commission. The licensee shall not be required to renew the license until the renewal date that follows the date of discharge from the armed forces. Any license deposited with the commission shall be subject to this chapter. Any licensee whose license is on deposit under this division and who fails to meet the continuing education requirements of section 4735.141 of the Revised Code because the licensee is in the armed forces shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months of the licensee's discharge. The commission shall notify the licensee of the licensee's obligations under section 4735.141 of the Revised Code at the time the licensee applies for reactivation of the licensee's license.

(H) If a licensed real estate salesperson submits an application to the superintendent to leave the association of one broker to associate with a different broker, the broker possessing the licensee's license need not return the salesperson's license to the superintendent. The superintendent may process the application regardless of whether the licensee's license is returned to the superintendent.

Sec. 4735.15. (A) The fees for reactivation or transfer of a license shall be as follows:

(1) Reactivation or transfer of a broker's license into or out of a partnership, association, limited liability company, limited liability partnership, or corporation or from one partnership, association, limited liability company, limited liability partnership, or corporation to another partnership, association, limited liability company, limited liability partnership, or corporation, twenty-five dollars. An application for such transfer shall be made to the superintendent of real estate on forms provided by the superintendent.

(2) Reactivation or transfer of a license by a real estate salesperson, ~~twenty~~ twenty-five dollars.

(B) Except as may otherwise be specified pursuant to division (F) of this section, the nonrefundable fees for a branch office license, license renewal, late filing, and foreign real estate dealer and salesperson license are as follows per year for each year of a licensing period:

(1) Branch office license, ~~eight~~ fifteen dollars;

(2) Renewal of a real estate broker's license, ~~forty-nine~~ sixty dollars. If the licensee is a partnership, association, limited liability company, limited liability partnership, or corporation, the full broker's renewal fee shall be required for each member of such partnership, association, limited liability company, limited liability partnership, or corporation that is a real estate broker. If the real estate broker has not less than eleven nor more than twenty real estate salespersons associated with the broker, an additional fee of sixty-four dollars shall be assessed to the brokerage. For every additional ten real estate salespersons or fraction of that number, the brokerage assessment fee shall be increased in the amount of thirty-seven dollars.

(3) Renewal of a real estate salesperson's license, 88702
~~thirty-nine~~ forty-five dollars; 88703

(4) Renewal of a real estate broker's or salesperson's 88704
license filed within twelve months after the licensee's renewal 88705
date, an additional late filing penalty of fifty per cent of the 88706
required fee; 88707

(5) Foreign real estate dealer's license and each renewal of 88708
the license, thirty dollars per salesperson employed by the 88709
dealer, but not less than one hundred fifty dollars; 88710

(6) Foreign real estate salesperson's license and each 88711
renewal of the license, fifty dollars. 88712

(C) All fees collected under this section shall be paid to 88713
the treasurer of state. ~~Four dollars~~ One dollar of each such fee 88714
shall be credited to the real estate education and research fund, 88715
except that for fees that are assessed only once every three 88716
years, ~~twelve~~ three dollars of each triennial fee shall be 88717
credited to the real estate education and research fund. 88718

(D) In all cases, the fee and any penalty shall accompany the 88719
application for the license, license transfer, or license 88720
reactivation or shall accompany the filing of the renewal. 88721

(E) The commission may establish by rule reasonable fees for 88722
services not otherwise established by this chapter. 88723

(F) The commission may adopt rules that provide for a 88724
reduction in the fees established in divisions (B)(2) and (3) of 88725
this section. 88726

Sec. 4740.03. (A) The administrative section of the Ohio 88727
construction industry licensing board annually shall elect from 88728
among its members a chairperson and other officers as the board, 88729
by rule, designates. The chairperson shall preside over meetings 88730
of the administrative section or designate another member to 88731

preside in the chairperson's absence. The administrative section 88732

or been convicted of such an offense, the superintendent shall not 89695

superintendent, by a preponderance of the evidence, that the 89697
applicant's activities and employment record since the conviction 89698

care, it may provide the funds to each county department, up to 93695

reimbursements. The rules may establish a method under which the 93699
department may determine which county expenditures for child care 93700
services are allowable for use of and federal funds. 93701

The rules may establish procedures that a county department 93702

anticipated future expenditures for publicly funded child care 93704
services will exceed the amount of state and federal funds 93705
allocated by the state department. The procedures may include 93706
