requests for review from or on behalf of enrollees who, under 31838  
section 1751.83 of the Revised Code, have been denied coverage of 31839  
a health care service or had coverage reduced or terminated when 31840  
the grounds for the denial, reduction, or termination is that the 31841  
service is not a service covered under the terms of the enrollee's 31842  
policy, contract, or agreement. 31843

On receipt of a written request from an enrollee or 31844  
authorized person, the superintendent shall consider whether the 31845  
health care service is a service covered under the terms of the 31846  
enrollee's policy, contract, or agreement, except that the 31847

superintendent shall not conduct a review under this section 31848

the superintendent with any information required by the 31853  
superintendent that is in their possession and is germane to the 31854

the determination requires resolution of a medical issue, the 31857  
superintendent shall determine whether the health care service at 31858  
issue is a service covered under the terms of the enrollee's 31859  
contract, policy, or agreement. The superintendent shall notify 31860  
the enrollee, or authorized person, and the health insuring 31861  
corporation of the superintendent's determination or that the 31862  
superintendent is not able to make a determination. 31863

If the superintendent notifies the health insuring 31864

health service is a covered service, the health insuring 31870

health insuring corporation that the health care service is not a 31874  
covered service, the health insuring corporation is not required 31875  
to cover the service or afford the enrollee an external review. 31876

**Sec. 1751.84.** (A) Except as provided in divisions (B) and (C) 31877

following are the case: 31880

(1) The health insuring corporation has denied, reduced, or 31881  
terminated coverage for what would be a covered health care 31882  
service except for the fact that the health insuring corporation 31883  
has determined that the health care service is not medically 31884  
necessary; 31885

(2) Except in the case of an expedited review, the service, 31886  
plus any ancillary services and follow-up care, will cost the 31887  
enrollee more than five hundred dollars if the proposed service is 31888  
not covered by the health insuring corporation. 31889

External review shall be conducted in accordance with this 31890  
section, except that if an enrollee with a terminal condition 31891  
meets all of the criteria of division (A) of section 1751.85 of 31892  
the Revised Code, an external review shall be conducted under that 31893  
section. 31894

section in any of the following circumstances: 31896

(1) The superintendent of insurance has determined under 31897  
section 1751.831 of the Revised Code that the health care service 31898  
is not a service covered under the terms of the enrollee's policy, 31899  
contract, or agreement. 31900

(2) Except as provided in section 1751.811 of the Revised 31901  
Code, the enrollee has failed to exhaust the health insuring 31902  
corporation's internal review process established pursuant to 31903  
section 1751.83 of the Revised Code. 31904

(3) The enrollee has previously been afforded an external 31905  
review for the same adverse determination and no new clinical 31906  
information has been submitted to the health insuring corporation. 31907

(C)(1) A health insuring corporation may deny a request for 31908

an external review of an adverse determination if it is requested 31909  
later than ~~sixty~~ one hundred eighty days after the enrollee's 31910

under section 1751.83 of the Revised Code. An external review may 31912  
be requested by the enrollee, an authorized person, the enrollee's 31913  
provider, or a health care facility rendering health care service 31914  
to the enrollee. The enrollee may request a review without the 31915  
approval of the provider or the health care facility rendering the 31916  
health care service. The provider or health care facility may not 31917  
request a review without the prior consent of the enrollee. 31918

(2) An external review must be requested in writing, except 31919  
that if the enrollee has a condition that requires expedited 31920  
review, the review may be requested orally or by electronic means. 31921  
When an oral or electronic request for review is made, written 31922  
confirmation of the request shall be submitted to the health 31923  
insuring corporation not later than five days after the oral or 31924  
written request is submitted. 31925

Except in the case of an expedited review, a request for an 31926  
external review must be accompanied by written certification from 31927  
the enrollee's provider or the health care facility rendering the 31928  
health care service to the enrollee that the proposed service, 31929  
plus any ancillary services and follow-up care, will cost the 31930  
enrollee more than five hundred dollars if the proposed service is 31931  
not covered by the health insuring corporation. 31932

(3) For an expedited review, the enrollee's provider must 31933  
certify that the enrollee's condition could, in the absence of 31934  
immediate medical attention, result in any of the following: 31935

(a) Placing the health of the enrollee or, with respect to a 31936  
pregnant woman, the health of the enrollee or the unborn child, in 31937  
serious jeopardy; 31938

(b) Serious impairment to bodily functions; 31939

(2) Except as provided in division (D)(3) and (4) of this section, neither the clinical peer nor any health care facility with which the clinical peer is affiliated shall have any professional, familial, or financial affiliation with any of the following:	31946 31947 31948 31949 31950
(a) The health insuring corporation or any officer, director, or managerial employee of the health insuring corporation;	31951 31952
(b) The enrollee, the enrollee's provider, or the practice group of the enrollee's provider;	31953 31954
(c) The health care facility at which the health care service requested by the enrollee would be provided;	31955 31956
(d) The development or manufacture of the principal drug, device, procedure, or therapy proposed for the enrollee.	31957 31958
(3) Division (D)(2) of this section does not prohibit a clinical peer from conducting a review under any of the following circumstances:	31959 31960 31961
(a) The clinical peer is affiliated with an academic medical center that provides health care services to enrollees of the health insuring corporation.	31962 31963 31964
(b) The clinical peer has staff privileges at a health care facility that provides health care services to enrollees of the health insuring corporation.	31965 31966 31967
(c) The clinical peer is a participating provider but was not involved with the health insuring corporation's adverse	31968 31969

(4) Division (D)(2) of this section does not prohibit the 31971  
health insuring corporation from paying the independent review 31972  
organization for the conduct of the review. 31973

(5) An enrollee shall not be required to pay for any part of 31974  
the cost of the review. The cost of the review shall be borne by 31975  
the health insuring corporation. 31976

(6)(a) The health insuring corporation shall provide to the 31977  
independent review organization conducting the review a copy of 31978  
those records in its possession that are relevant to the 31979  
enrollee's medical condition and the review. The records shall be 31980  
used solely for the purpose of this division. 31981

At the request of the independent review organization, the 31982  
health insuring corporation, enrollee, or the provider or health 31983  
care facility rendering health care services to the enrollee shall 31984  
provide any additional information the independent review 31985  
organization requests to complete the review. A request for 31986  
additional information may be made in writing, orally, or by 31987  
electronic means. The independent review organization shall submit 31988  
the request to the enrollee and health insuring corporation. If a 31989  
request is submitted orally or by electronic means to an enrollee 31990  
or health insuring corporation, not later than five days after the 31991  
request is submitted, the independent review organization shall 31992  
provide written confirmation of the request. If the review was 31993  
initiated by a provider or health care facility, a copy of the 31994  
request shall be submitted to the provider or health care 31995  
facility. 31996

(b) An independent review organization is not required to 31997  
make a decision if it has not received any requested information 31998  
that it considers necessary to complete a review. An independent 31999  
review organization that does not make a decision for this reason 32000

shall notify the enrollee and the health insuring corporation that 32001  
a decision is not being made. The notice may be made in writing, 32002  
orally, or by electronic means. An oral or electronic notice shall 32003  
be confirmed in writing not later than five days after the oral or 32004  
electronic notice is made. If the review was initiated by a 32005  
provider or health care facility, a copy of the notice shall be 32006  
submitted to the provider or health care facility. 32007

(7) The health insuring corporation may elect to cover the 32008  
service requested and terminate the review. The health insuring 32009  
corporation shall notify the enrollee and all other parties 32010  
involved with the decision by mail or, with the consent or 32011  
approval of the enrollee, by electronic means. 32012

(8) In making its decision, an independent review 32013  
organization conducting the review shall take into account all of 32014  
the following: 32015

(a) Information submitted by the health insuring corporation, 32016

literature, published opinions of nationally recognized medical 32032  
experts, and clinical guidelines adopted by relevant national 32033

review organization shall issue a written decision not later than 32036  
seven days after the filing of the request for review. In all 32037

the request. The independent review organization shall send a copy 32040

rendering health care services to the enrollee requested the 32043  
review, the independent review organization shall also send a copy 32044  
of its decision to the enrollee's provider or the health care 32045  
facility. 32046

(b) The independent review organization's decision shall 32047  
include a description of the enrollee's condition and the 32048  
principal reasons for the decision and an explanation of the 32049  
clinical rationale for the decision. 32050

(E) The independent review organization shall base its 32051  
decision on the information submitted under division (D)(8) of 32052  
this section. In making its decision, the independent review 32053  
organization shall consider safety, efficacy, appropriateness, and 32054  
cost effectiveness. 32055

(F) The health insuring corporation shall provide any 32056  
coverage determined by the independent review organization's 32057  
decision to be medically necessary, subject to the other terms, 32058  
limitations, and conditions of the enrollee's contract. The 32059  
decision shall apply only to the individual enrollee's external 32060  
review. 32061

**Sec. 1751.85.** (A) Each health insuring corporation shall 32062

establish a reasonable external, independent review process to 32063  
examine the health insuring corporation's coverage decisions for 32064  
enrollees who meet all of the following criteria: 32065

(1) The enrollee has a terminal condition that, according to 32066  
the current diagnosis of the enrollee's physician, has a high 32067  
probability of causing death within two years. 32068

(2) The enrollee requests a review not later than ~~sixty one~~ 32069  
hundred eighty days after receipt by the enrollee of notice of the 32070  
result of an internal review under section 1751.83 of the Revised 32071  
Code. 32072

(3) The enrollee's physician certifies that the enrollee has 32073  
the condition described in division (A)(1) of this section and any 32074  
of the following situations are applicable: 32075

(a) Standard therapies have not been effective in improving 32076  
the condition of the enrollee; 32077

(b) Standard therapies are not medically appropriate for the 32078  
enrollee; 32079

(c) There is no standard therapy covered by the health 32080  
insuring corporation that is more beneficial than therapy 32081  
described in division (A)(4) of this section. 32082

(4) The enrollee's physician has recommended a drug, device, 32083  
procedure, or other therapy that the physician certifies, in 32084  
writing, is likely to be more beneficial to the enrollee, in the 32085  
physician's opinion, than standard therapies, or, the enrollee has 32086  
requested a therapy that has been found in a preponderance of 32087  
peer-reviewed published studies to be associated with effective 32088  
clinical outcomes for the same condition. 32089

(5) The enrollee has been denied coverage by the health 32090  
insuring corporation for a drug, device, procedure, or other 32091  
therapy recommended or requested pursuant to division (A)(4) of 32092

this section, and has exhausted the health insuring corporation's 32093  
internal review process established pursuant to section 1751.83 of 32094  
the Revised Code. 32095

(6) The drug, device, procedure, or other therapy, for which 32096  
coverage has been denied would be a covered health care service 32097  
except for the health insuring corporation's determination that 32098  
the drug, device, procedure, or other therapy is experimental or 32099  
investigational. 32100

(B) A review shall be requested in writing, except that if 32101  
the enrollee's physician determines that a therapy would be 32102  
significantly less effective if not promptly initiated, the review 32103  
may be requested orally or by electronic means. When an oral or 32104  
electronic request for review is made, written confirmation of the 32105  
request shall be submitted to the health insuring corporation not 32106  
later than five days after the oral or written request is 32107  
submitted. 32108

(C) The external, independent review process established by a 32109  
health insuring corporation shall meet all of the following 32110  
criteria: 32111

(1) Except as provided in division (E) of this section, the 32112  
process shall afford all enrollees who meet the criteria set forth 32113  
in division (A) of this section the opportunity to have the health 32114  
insuring corporation's decision to deny coverage of the 32115  
recommended or requested therapy reviewed under the process. 32116

(2) The review shall be conducted by an independent review 32117  
organization assigned by the superintendent of insurance under 32118  
section 3901.80 of the Revised Code. 32119

The independent review organization shall select a panel to 32120  
conduct the review, which panel shall be composed of at least 32121  
three physicians or other providers who, through clinical 32122  
experience in the past three years, are experts in the treatment 32123

of the enrollee's medical condition and knowledgeable about the 32124  
recommended or requested therapy. 32125

In either of the following circumstances, an exception may be 32126  
made to the requirement that the review be conducted by an expert 32127  
panel composed of a minimum of three physicians or other 32128  
providers: 32129

(a) A review may be conducted by an expert panel composed of 32130  
only two physicians or other providers if an enrollee has 32131  
consented in writing to a review by the smaller panel; 32132

(b) A review may be conducted by a single expert physician or 32133  
other provider if only one expert physician or other provider is 32134  
available for the review. 32135

(3) Neither the health insuring corporation nor the enrollee 32136  
shall choose, or control the choice of, the physician or other 32137  
provider experts. 32138

(4) The selected experts, any health care facility with which 32139  
an expert is affiliated, and the independent review organization 32140  
arranging for the experts' review, shall not have any 32141  
professional, familial, or financial affiliation with any of the 32142  
following: 32143

(a) The health insuring corporation or any officer, director, 32144  
or managerial employee of the health insuring corporation; 32145

(b) The enrollee, the enrollee's physician, or the practice 32146  
group of the enrollee's physician; 32147

(c) The health care facility at which the recommended or 32148  
requested therapy would be provided; 32149

(d) The development or manufacture of the principal drug, 32150  
device, procedure, or therapy involved in the recommended or 32151  
requested therapy. 32152

However, experts affiliated with academic medical centers who 32153

provide health care services to enrollees of the health insuring corporation may serve as experts on the review panel. Further, experts with staff privileges at a health care facility that provides health care services to enrollees of the health insuring corporation, as well as experts who are participating providers, but who were not involved with the health insuring corporation's denial of coverage for the therapy under review, may serve as experts on the review panel. These nonaffiliation provisions do not preclude a health insuring corporation from paying for the experts' review, as specified in division (C)(5) of this section.

(5) Enrollees shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the health insuring corporation.

(6) The health insuring corporation shall provide to the independent review organization arranging for the experts' review a copy of those records in the health insuring corporation's possession that are relevant to the enrollee's medical condition and the review. The records shall be disclosed solely to the expert reviewers and shall be used solely for the purpose of this section. At the request of the expert reviewers, the health insuring corporation or the physician recommending the therapy shall provide any additional information that the expert reviewers request to complete the review. An expert reviewer is not required to render an opinion if the reviewer has not received any requested information that the reviewer considers necessary to complete the review.

(7)(a) The opinions of the experts on the panel shall be rendered within thirty days after the enrollee's request for review. If the enrollee's physician determines that a therapy would be significantly less effective if not promptly initiated, the opinions shall be rendered within seven days after the enrollee's request for review.

(b) In conducting the review, the experts on the panel shall	32186
take into account all of the following:	32187
(i) Information submitted by the health insuring corporation,	32188
the enrollee, and the enrollee's physician, including the	32189
enrollee's medical records and the standards, criteria, and	32190
clinical rationale used by the health insuring corporation to	32191
reach its coverage decision;	32192
(ii) Findings, studies, research, and other relevant	32193
documents of government agencies and nationally recognized	32194
organizations;	32195
(iii) Relevant findings in peer-reviewed medical or	32196
scientific literature and published opinions of nationally	32197
recognized medical experts;	32198
(iv) Clinical guidelines adopted by relevant national medical	32199
societies;	32200
(v) Safety, efficacy, appropriateness, and cost	32201
effectiveness.	32202
(8) Each expert on the panel shall provide the independent	32203
review organization with a professional opinion as to whether	32204
there is sufficient evidence to demonstrate that the recommended	32205
or requested therapy is likely to be more beneficial to the	32206
enrollee than standard therapies.	32207
(9) Each expert's opinion shall be presented in written form	32208
and shall include the following information:	32209
(a) A description of the enrollee's condition;	32210
(b) A description of the indicators relevant to determining	32211
whether there is sufficient evidence to demonstrate that the	32212
recommended or requested therapy is more likely than not to be	32213
more beneficial to the enrollee than standard therapies;	32214
(c) A description and analysis of any relevant findings	32215

published in peer-reviewed medical or scientific literature or the 32216  
published opinions of medical experts or specialty societies; 32217

(d) A description of the enrollee's suitability to receive 32218  
the recommended or requested therapy according to a treatment 32219  
protocol in a clinical trial, if applicable. 32220

(10) The independent review organization shall provide the 32221  
health insuring corporation with the opinions of the experts. The 32222  
health insuring corporation shall make the experts' opinions 32223  
available to the enrollee and the enrollee's physician, upon 32224  
request. 32225

(11) The opinion of the majority of the experts on the panel, 32226  
rendered pursuant to division (C)(8) of this section, is binding 32227  
on the health insuring corporation with respect to that enrollee. 32228  
If the opinions of the experts on the panel are evenly divided as 32229  
to whether the therapy should be covered, then the health insuring 32230  
corporation's final decision shall be in favor of coverage. If 32231  
less than a majority of the experts on the panel recommend 32232  
coverage of the therapy, the health insuring corporation may, in 32233  
its discretion, cover the therapy. However, any coverage provided 32234  
pursuant to division (C)(11) of this section is subject to the 32235  
terms, limitations, and conditions of the enrollee's contract with 32236  
the health insuring corporation. 32237

(12) The health insuring corporation shall have written 32238  
policies describing the external, independent review process. 32239

(D) At any time during the external, independent review 32240  
process, the health insuring corporation may elect to cover the 32241  
recommended or requested health care service and terminate the 32242  
review. The health insuring corporation shall notify the enrollee 32243  
and all other parties involved by mail or, with the consent or 32244  
approval of the enrollee, by electronic means. 32245

(E) If a health insuring corporation's initial denial of 32246

coverage for a therapy recommended or requested pursuant to 32247  
division (A)(4) of this section is based upon an external, 32248  
independent review of that therapy meeting the requirements of 32249  
division (C) of this section, this section shall not be a basis 32250  
for requiring a second external, independent review of the 32251  
recommended or requested therapy. 32252

(F) The health insuring corporation shall annually file a 32253  
certificate with the superintendent of insurance certifying its 32254  
compliance with the requirements of this section. 32255

**Sec. 1753.09.** (A) Except as provided in division (D) of this 32256  
section, prior to terminating the participation of a provider on 32257  
the basis of the participating provider's failure to meet the 32258  
health insuring corporation's standards for quality or utilization 32259  
in the delivery of health care services, a health insuring 32260  
corporation shall give the participating provider notice of the 32261  
reason or reasons for its decision to terminate the provider's 32262  
participation and an opportunity to take corrective action. The 32263  
health insuring corporation shall develop a performance 32264  
improvement plan in conjunction with the participating provider. 32265  
If after being afforded the opportunity to comply with the 32266  
performance improvement plan, the participating provider fails to 32267  
do so, the health insuring corporation may terminate the 32268  
participation of the provider. 32269

(B)(1) A participating provider whose participation has been 32270  
terminated under division (A) of this section may appeal the 32271  
termination to the appropriate medical director of the health 32272  
insuring corporation. The medical director shall give the 32273  
participating provider an opportunity to discuss with the medical 32274  
director the reason or reasons for the termination. 32275

(2) If a satisfactory resolution of a participating 32276  
provider's appeal cannot be reached under division (B)(1) of this 32277

section, the participating provider may appeal the termination to 32278  
a panel composed of participating providers who have comparable or 32279  
higher levels of education and training than the participating 32280  
provider making the appeal. A representative of the participating 32281  
provider's specialty shall be a member of the panel, if possible. 32282  
This panel shall hold a hearing, and shall render its 32283  
recommendation in the appeal within thirty days after holding the 32284  
hearing. The recommendation shall be presented to the medical 32285  
director and to the participating provider. 32286

(3) The medical director shall review and consider the 32287  
panel's recommendation before making a decision. The decision 32288  
rendered by the medical director shall be final. 32289

(C) A provider's status as a participating provider shall 32290  
remain in effect during the appeal process set forth in division 32291  
(B) of this section unless the termination was based on any of the 32292  
reasons listed in division (D) of this section. 32293

(D) Notwithstanding division (A) of this section, a 32294  
provider's participation may be immediately terminated if the 32295  
participating provider's conduct presents an imminent risk of harm 32296  
to an enrollee or enrollees; or if there has occurred unacceptable 32297  
quality of care, fraud, patient abuse, loss of clinical 32298  
privileges, loss of professional liability coverage, incompetence, 32299  
or loss of authority to practice in the participating provider's 32300  
field; or if a governmental action has impaired the participating 32301  
provider's ability to practice. 32302

(E) Divisions (A) to (D) of this section apply only to 32303  
providers who are natural persons. 32304

(F)(1) Nothing in this section prohibits a health insuring 32305  
corporation from rejecting a provider's application for 32306  
participation, or from terminating a participating provider's 32307  
contract, if the health insuring corporation determines that the 32308

health care needs of its enrollees are being met and no need 32309  
exists for the provider's or participating provider's services. 32310

(2) Nothing in this section shall be construed as prohibiting 32311  
a health insuring corporation from terminating a participating 32312  
provider who does not meet the terms and conditions of the 32313  
participating provider's contract. 32314

(3) Nothing in this section shall be construed as prohibiting 32315  
a health insuring corporation from terminating a participating 32316  
provider's contract pursuant to any provision of the contract 32317  
described in division (E)(2) of section 3963.02 of the Revised 32318  
Code, except that, notwithstanding any provision of a contract 32319  
described in that division, this section applies to the 32320  
termination of a participating provider's contract for any of the 32321  
causes described in divisions (A), (D), and (F)(1) and (2) of this 32322  
section. 32323

(G) The superintendent of insurance may adopt rules as 32324  
necessary to implement and enforce sections 1753.06, 1753.07, and 32325  
1753.09 of the Revised Code. Such rules shall be adopted in 32326  
accordance with Chapter 119. of the Revised Code. ~~The director of 32327  
health may make recommendations to the superintendent for rules 32328  
necessary to implement and enforce sections 1753.06, 1753.07, and 32329  
1753.09 of the Revised Code. In adopting any rules pursuant to 32330  
this division, the superintendent shall consider the 32331  
recommendations of the director.~~ 32332

**Sec. 1901.26.** (A) Subject to division (E) of this section, 32333  
costs in a municipal court shall be fixed and taxed as follows: 32334

(1)(a) The municipal court shall require an advance deposit 32335  
for the filing of any new civil action or proceeding when required 32336  
by division (C) of this section, and in all other cases, by rule, 32337  
shall establish a schedule of fees and costs to be taxed in any 32338  
civil or criminal action or proceeding. 32339

(b)(i) The legislative authority of a municipal corporation 32340  
may by ordinance establish a schedule of fees to be taxed as costs 32341  
in any civil, criminal, or traffic action or proceeding in a 32342  
municipal court for the performance by officers or other employees 32343  
of the municipal corporation's police department or marshal's 32344  
office of any of the services specified in sections 311.17 and 32345  
509.15 of the Revised Code. No fee in the schedule shall be higher 32346  
than the fee specified in section 311.17 of the Revised Code for 32347  
the performance of the same service by the sheriff. If a fee 32348  
established in the schedule conflicts with a fee for the same 32349  
service established in another section of the Revised Code or a 32350  
rule of court, the fee established in the other section of the 32351  
Revised Code or the rule of court shall apply. 32352

(ii) When an officer or employee of a municipal police 32353  
department or marshal's office performs in a civil, criminal, or 32354  
traffic action or proceeding in a municipal court a service 32355  
specified in section 311.17 or 509.15 of the Revised Code for 32356  
which a taxable fee has been established under this or any other 32357  
section of the Revised Code, the applicable legal fees and any 32358  
other extraordinary expenses, including overtime, provided for the 32359  
service shall be taxed as costs in the case. The clerk of the 32360  
court shall pay those legal fees and other expenses, when 32361  
collected, into the general fund of the municipal corporation that 32362  
employs the officer or employee. 32363

(iii) If a bailiff of a municipal court performs in a civil, 32364  
criminal, or traffic action or proceeding in that court a service 32365  
specified in section 311.17 or 509.15 of the Revised Code for 32366  
which a taxable fee has been established under this section or any 32367  
other section of the Revised Code, the fee for the service is the 32368  
same and is taxable to the same extent as if the service had been 32369  
performed by an officer or employee of the police department or 32370  
marshal's office of the municipal corporation in which the court 32371

is located. The clerk of that court shall pay the fee, when 32372  
collected, into the general fund of the entity or entities that 32373  
fund the bailiff's salary, in the same prorated amount as the 32374  
salary is funded. 32375

(iv) Division (A)(1)(b) of this section does not authorize or 32376  
require any officer or employee of a police department or 32377  
marshal's office of a municipal corporation or any bailiff of a 32378  
municipal court to perform any service not otherwise authorized by 32379  
law. 32380

(2) The municipal court, by rule, may require an advance 32381  
deposit for the filing of any civil action or proceeding and 32382  
publication fees as provided in section 2701.09 of the Revised 32383  
Code. The court may waive the requirement for advance deposit upon 32384  
affidavit or other evidence that a party is unable to make the 32385  
required deposit. 32386

(3) When a jury trial is demanded in any civil action or 32387  
proceeding, the party making the demand may be required to make an 32388  
advance deposit as fixed by rule of court, unless, upon affidavit 32389  
or other evidence, the court concludes that the party is unable to 32390  
make the required deposit. If a jury is called, the fees of a jury 32391  
shall be taxed as costs. 32392

(4) In any civil or criminal action or proceeding, each 32393  
witness shall receive twelve dollars for each full day's 32394  
attendance and six dollars for each half day's attendance. Each 32395  
witness in a municipal court that is not a county-operated 32396  
municipal court also shall receive fifty and one-half cents for 32397  
each mile necessarily traveled to and from the witness's place of 32398  
residence to the action or proceeding. 32399

(5) A reasonable charge for driving, towing, carting, 32400  
storing, keeping, and preserving motor vehicles and other personal 32401  
property recovered or seized in any proceeding may be taxed as 32402

part of the costs in a trial of the cause, in an amount that shall 32403  
be fixed by rule of court. 32404

(6) Chattel property seized under any writ or process issued 32405  
by the court shall be preserved pending final disposition for the 32406  
benefit of all persons interested and may be placed in storage 32407  
when necessary or proper for that preservation. The custodian of 32408  
any chattel property so stored shall not be required to part with 32409  
the possession of the property until a reasonable charge, to be 32410  
fixed by the court, is paid. 32411

(7) The municipal court, as it determines, may refund all 32412  
deposits and advance payments of fees and costs, including those 32413  
for jurors and summoning jurors, when they have been paid by the 32414  
losing party. 32415

(8) Charges for the publication of legal notices required by 32416  
statute or order of court may be taxed as part of the costs, as 32417  
provided by section 7.13 of the Revised Code. 32418

(B)(1) The municipal court may determine that, for the 32419  
efficient operation of the court, additional funds are necessary 32420  
to acquire and pay for special projects of the court including, 32421  
but not limited to, the acquisition of additional facilities or 32422  
the rehabilitation of existing facilities, the acquisition of 32423  
equipment, the hiring and training of staff, community service 32424  
programs, mediation or dispute resolution services, the employment 32425  
of magistrates, the training and education of judges, acting 32426  
judges, and magistrates, and other related services. Upon that 32427  
determination, the court by rule may charge a fee, in addition to 32428  
all other court costs, on the filing of each criminal cause, civil 32429  
action or proceeding, or judgment by confession. 32430

If the municipal court offers a special program or service in 32431  
cases of a specific type, the municipal court by rule may assess 32432  
an additional charge in a case of that type, over and above court 32433

costs, to cover the special program or service. The municipal 32434  
court shall adjust the special assessment periodically, but not 32435  
retroactively, so that the amount assessed in those cases does not 32436  
exceed the actual cost of providing the service or program. 32437

All moneys collected under division (B) of this section shall 32438  
be paid to the county treasurer if the court is a county-operated 32439  
municipal court or to the city treasurer if the court is not a 32440  
county-operated municipal court for deposit into either a general 32441  
special projects fund or a fund established for a specific special 32442  
project. Moneys from a fund of that nature shall be disbursed upon 32443  
an order of the court in an amount no greater than the actual cost 32444  
to the court of a project. If a specific fund is terminated 32445  
because of the discontinuance of a program or service established 32446  
under division (B) of this section, the municipal court may order 32447  
that moneys remaining in the fund be transferred to an account 32448  
established under this division for a similar purpose. 32449

(2) As used in division (B) of this section: 32450

(a) "Criminal cause" means a charge alleging the violation of 32451  
a statute or ordinance, or subsection of a statute or ordinance, 32452  
that requires a separate finding of fact or a separate plea before 32453  
disposition and of which the defendant may be found guilty, 32454  
whether filed as part of a multiple charge on a single summons, 32455  
citation, or complaint or as a separate charge on a single 32456  
summons, citation, or complaint. "Criminal cause" does not include 32457  
separate violations of the same statute or ordinance, or 32458  
subsection of the same statute or ordinance, unless each charge is 32459  
filed on a separate summons, citation, or complaint. 32460

(b) "Civil action or proceeding" means any civil litigation 32461  
that must be determined by judgment entry. 32462

(C) The municipal court shall collect in all its divisions 32463  
except the small claims division the sum of ~~twenty-six~~ thirty-one 32464

dollars as additional filing fees in each new civil action or 32465  
proceeding for the charitable public purpose of providing 32466  
financial assistance to legal aid societies that operate within 32467  
the state and to support the office of the state public defender. 32468  
The municipal court shall collect in its small claims division the 32469  
sum of eleven dollars as additional filing fees in each new civil 32470  
action or proceeding for the charitable public purpose of 32471  
providing financial assistance to legal aid societies that operate 32472  
within the state and to support the office of the state public 32473  
defender. This division does not apply to any execution on a 32474  
judgment, proceeding in aid of execution, or other post-judgment 32475  
proceeding arising out of a civil action. The filing fees required 32476  
to be collected under this division shall be in addition to any 32477  
other court costs imposed in the action or proceeding and shall be 32478  
collected at the time of the filing of the action or proceeding. 32479  
The court shall not waive the payment of the additional filing 32480  
fees in a new civil action or proceeding unless the court waives 32481  
the advanced payment of all filing fees in the action or 32482  
proceeding. All such moneys collected during a month except for an 32483  
amount equal to up to one per cent of those moneys retained to 32484  
cover administrative costs shall be transmitted on or before the 32485  
twentieth day of the following month by the clerk of the court to 32486  
the treasurer of state in a manner prescribed by the treasurer of 32487  
state or by the Ohio legal assistance foundation. The treasurer of 32488  
state shall deposit four per cent of the funds collected under 32489  
this division to the credit of the civil case filing fee fund 32490  
established under section 120.07 of the Revised Code and 32491  
ninety-six per cent of the funds collected under this division to 32492  
the credit of the legal aid fund established under section 120.52 32493  
of the Revised Code. 32494

The court may retain up to one per cent of the moneys it 32495  
collects under this division to cover administrative costs, 32496  
including the hiring of any additional personnel necessary to 32497

implement this division. If the court fails to transmit to the 32498  
treasurer of state the moneys the court collects under this 32499  
division in a manner prescribed by the treasurer of state or by 32500  
the Ohio legal assistance foundation, the court shall forfeit the 32501  
moneys the court retains under this division to cover 32502  
administrative costs, including the hiring of any additional 32503  
personnel necessary to implement this division, and shall transmit 32504  
to the treasurer of state all moneys collected under this 32505  
division, including the forfeited amount retained for 32506  
administrative costs, for deposit in the legal aid fund. 32507

(D) In the Cleveland municipal court, reasonable charges for 32508  
investigating titles of real estate to be sold or disposed of 32509  
under any writ or process of the court may be taxed as part of the 32510  
costs. 32511

(E) Under the circumstances described in sections 2969.21 to 32512  
2969.27 of the Revised Code, the clerk of the municipal court 32513  
shall charge the fees and perform the other duties specified in 32514  
those sections. 32515

(F) As used in this section: 32516

(1) "Full day's attendance" means a day on which a witness is 32517  
required or requested to be present at an action or proceeding 32518  
before and after twelve noon, regardless of whether the witness 32519  
actually testifies. 32520

(2) "Half day's attendance" means a day on which a witness is 32521  
required or requested to be present at an action or proceeding 32522  
either before or after twelve noon, but not both, regardless of 32523  
whether the witness actually testifies. 32524

**Sec. 1901.31.** The clerk and deputy clerks of a municipal 32525  
court shall be selected, be compensated, give bond, and have 32526  
powers and duties as follows: 32527

(A) There shall be a clerk of the court who is appointed or  
elected as follows:

(1)(a) Except in the Akron, Barberton, Toledo, Hamilton  
county, Portage county, and Wayne county municipal courts and  
through December 31, 2008, the Cuyahoga Falls municipal court, if  
the population of the territory equals or exceeds one hundred  
thousand at the regular municipal election immediately preceding  
the expiration of the term of the present clerk, the clerk shall  
be nominated and elected by the qualified electors of the  
territory in the manner that is provided for the nomination and  
election of judges in section 1901.07 of the Revised Code.

The clerk so elected shall hold office for a term of six  
years, which term shall commence on the first day of January  
following the clerk's election and continue until the clerk's  
successor is elected and qualified.

(b) In the Hamilton county municipal court, the clerk of  
courts of Hamilton county shall be the clerk of the municipal  
court and may appoint an assistant clerk who shall receive the  
compensation, payable out of the treasury of Hamilton county in  
semimonthly installments, that the board of county commissioners  
prescribes. The clerk of courts of Hamilton county, acting as the  
clerk of the Hamilton county municipal court and assuming the  
duties of that office, shall receive compensation at one-fourth  
the rate that is prescribed for the clerks of courts of common  
pleas as determined in accordance with the population of the  
county and the rates set forth in sections 325.08 and 325.18 of  
the Revised Code. This compensation shall be paid from the county  
treasury in semimonthly installments and is in addition to the  
annual compensation that is received for the performance of the  
duties of the clerk of courts of Hamilton county, as provided in  
sections 325.08 and 325.18 of the Revised Code.

(c) In the Portage county and Wayne county municipal courts,

the clerks of courts of Portage county and Wayne county shall be 32560  
the clerks, respectively, of the Portage county and Wayne county 32561  
municipal courts and may appoint a chief deputy clerk for each 32562  
branch that is established pursuant to section 1901.311 of the 32563  
Revised Code and assistant clerks as the judges of the municipal 32564  
court determine are necessary, all of whom shall receive the 32565

establish a schedule of fees and costs to be taxed in any civil or 33004

(2) The county court by rule may require an advance deposit 33006  
for the filing of a civil action or proceeding and publication 33007  
fees as provided in section 2701.09 of the Revised Code. The court 33008

may waive an advance deposit requirement upon the presentation of 33009  
an affidavit or other evidence that establishes that a party is 33010  
unable to make the requisite deposit. 33011

(3) When a party demands a jury trial in a civil action or 33012  
proceeding, the county court may require the party to make an 33013  
advance deposit as fixed by rule of court, unless the court 33014  
concludes, on the basis of an affidavit or other evidence 33015  
presented by the party, that the party is unable to make the 33016  
requisite deposit. If a jury is called, the county court shall tax 33017  
the fees of a jury as costs. 33018

(4) In a civil or criminal action or proceeding, the county 33019  
court shall fix the fees of witnesses in accordance with sections 33020  
2335.06 and 2335.08 of the Revised Code. 33021

(5) A county court may tax as part of the costs in a trial of 33022  
the cause, in an amount fixed by rule of court, a reasonable 33023  
charge for driving, towing, carting, storing, keeping, and 33024  
preserving motor vehicles and other personal property recovered or 33025  
seized in a proceeding. 33026

(6) The court shall preserve chattel property seized under a 33027  
writ or process issued by the court pending final disposition for 33028  
the benefit of all interested persons. The court may place the 33029  
chattel property in storage when necessary or proper for its 33030  
preservation. The custodian of chattel property so stored shall 33031  
not be required to part with the possession of the property until 33032  
a reasonable charge, to be fixed by the court, is paid. 33033

(7) The county court, as it determines, may refund all 33034  
deposits and advance payments of fees and costs, including those 33035  
for jurors and summoning jurors, when they have been paid by the 33036  
losing party. 33037

(8) The court may tax as part of costs charges for the 33038  
publication of legal notices required by statute or order of 33039

court, as provided by section 7.13 of the Revised Code. 33040

(B)(1) The county court may determine that, for the efficient 33041  
operation of the court, additional funds are necessary to acquire 33042

judges, and magistrates, and other related services. Upon that 33049  
determination, the court by rule may charge a fee, in addition to 33050  
all other court costs, on the filing of each criminal cause, civil 33051  
action or proceeding, or judgment by confession. 33052

If the county court offers a special program or service in 33053  
cases of a specific type, the county court by rule may assess an 33054  
additional charge in a case of that type, over and above court 33055  
costs, to cover the special program or service. The county court 33056  
shall adjust the special assessment periodically, but not 33057  
retroactively, so that the amount assessed in those cases does not 33058  
exceed the actual cost of providing the service or program. 33059

All moneys collected under division (B) of this section shall 33060  
be paid to the county treasurer for deposit into either a general 33061  
special projects fund or a fund established for a specific special 33062

an order of the court in an amount no greater than the actual cost 33064

because of the discontinuance of a program or service established 33066  
under division (B) of this section, the county court may order 33067  
that moneys remaining in the fund be transferred to an account 33068

Notwithstanding any other provision of any section of the Revised 35151

county, domestic relations-juvenile-probate division, and the 35154

(2) On and after February 9, 2009, all references in law to 35162  
"the probate court," "the probate judge," "the juvenile court," or 35163  
"the judge of the juvenile court" shall be construed with respect 35164  
to Champaign county as being references to the "domestic 35165

relations-juvenile-probate division. 35173

(EE) If a judge of the court of common pleas, division of 35174  
domestic relations, or juvenile judge, of any of the counties 35175  
mentioned in this section is sick, absent, or unable to perform 35176  
that judge's judicial duties or the volume of cases pending in the 35177  
judge's division necessitates it, the duties of that judge shall 35178  
be performed by another judge of the court of common pleas of that 35179

county, assigned for that purpose by the presiding judge of the 35180  
court of common pleas of that county to act in place of or in 35181  
conjunction with that judge, as the case may require. 35182

**Sec. 2303.201.** (A)(1) The court of common pleas of any county 35183  
may determine that for the efficient operation of the court 35184  
additional funds are required to computerize the court, to make 35185  
available computerized legal research services, or to do both. 35186  
Upon making a determination that additional funds are required for 35187  
either or both of those purposes, the court shall authorize and 35188  
direct the clerk of the court of common pleas to charge one 35189  
additional fee, not to exceed three dollars, on the filing of each 35190  
cause of action or appeal under divisions (A), (Q), and (U) of 35191  
section 2303.20 of the Revised Code. 35192

(2) All fees collected under division (A)(1) of this section 35193  
shall be paid to the county treasurer. The treasurer shall place 35194  
the funds from the fees in a separate fund to be disbursed, upon 35195  
an order of the court, in an amount not greater than the actual 35196  
cost to the court of procuring and maintaining computerization of 35197  
the court, computerized legal research services, or both. 35198

(3) If the court determines that the funds in the fund 35199  
described in division (A)(2) of this section are more than 35200  
sufficient to satisfy the purpose for which the additional fee 35201  
described in division (A)(1) of this section was imposed, the 35202  
court may declare a surplus in the fund and expend those surplus 35203  
funds for other appropriate technological expenses of the court. 35204

(B)(1) The court of common pleas of any county may determine 35205  
that, for the efficient operation of the court, additional funds 35206  
are required to computerize the office of the clerk of the court 35207  
of common pleas and, upon that determination, authorize and direct 35208  
the clerk of the court of common pleas to charge an additional 35209  
fee, not to exceed ten dollars, on the filing of each cause of 35210

action or appeal, on the filing, docketing, and endorsing of each 35211  
certificate of judgment, or on the docketing and indexing of each 35212  
aid in execution or petition to vacate, revive, or modify a 35213  
judgment under divisions (A), (P), (Q), (T), and (U) of section 35214  
2303.20 of the Revised Code. Subject to division (B)(2) of this 35215  
section, all moneys collected under division (B)(1) of this 35216  
section shall be paid to the county treasurer to be disbursed, 35217  
upon an order of the court of common pleas and subject to 35218  
appropriation by the board of county commissioners, in an amount 35219  
no greater than the actual cost to the court of procuring and 35220  
maintaining computer systems for the office of the clerk of the 35221  
court of common pleas. 35222

(2) If the court of common pleas of a county makes the 35223  
determination described in division (B)(1) of this section, the 35224  
board of county commissioners of that county may issue one or more 35225  
general obligation bonds for the purpose of procuring and 35226  
maintaining the computer systems for the office of the clerk of 35227  
the court of common pleas. In addition to the purposes stated in 35228  
division (B)(1) of this section for which the moneys collected 35229  
under that division may be expended, the moneys additionally may 35230  
be expended to pay debt charges on and financing costs related to 35231  
any general obligation bonds issued pursuant to division (B)(2) of 35232  
this section as they become due. General obligation bonds issued 35233  
pursuant to division (B)(2) of this section are Chapter 133. 35234  
securities. 35235

(C) The court of common pleas shall collect the sum of 35236  
~~twenty-six~~ thirty-one dollars as additional filing fees in each 35237  
new civil action or proceeding for the charitable public purpose 35238  
of providing financial assistance to legal aid societies that 35239  
operate within the state and to support the office of the state 35240  
public defender. This division does not apply to a domestic 35241  
relations division of a court of common pleas, except that the 35242

additional filing fee shall apply to proceedings concerning 35243  
annulments, dissolutions of marriage, divorces, and legal 35244  
~~separation, spousal support, marital property or separate property~~ 35245  
~~distribution, support, or other domestic relations matters;~~ to a 35246  
juvenile division of a court of common pleas; to a probate 35247  
division of a court of common pleas, except that the additional 35248  
filing fees shall apply to name change, guardianship, adoption, 35249  
and decedents' estate proceedings; or to an execution on a 35250  
judgment, proceeding in aid of execution, or other post-judgment 35251  
proceeding arising out of a civil action. The filing fees required 35252  
to be collected under this division shall be in addition to any 35253  
other filing fees imposed in the action or proceeding and shall be 35254  
collected at the time of the filing of the action or proceeding. 35255  
The court shall not waive the payment of the additional filing 35256  
fees in a new civil action or proceeding unless the court waives 35257  
the advanced payment of all filing fees in the action or 35258  
proceeding. All such moneys collected during a month except for an 35259  
amount equal to up to one per cent of those moneys retained to 35260  
cover administrative costs shall be transmitted on or before the 35261  
twentieth day of the following month by the clerk of the court to 35262  
the treasurer of state in a manner prescribed by the treasurer of 35263  
state or by the Ohio legal assistance foundation. The treasurer of 35264  
state shall deposit four per cent of the funds collected under 35265  
this division to the credit of the civil case filing fee fund 35266  
established under section 120.07 of the Revised Code and 35267  
ninety-six per cent of the funds collected under this division to 35268  
the credit of the legal aid fund established under section 120.52 35269  
of the Revised Code. 35270

The court may retain up to one per cent of the moneys it 35271  
collects under this division to cover administrative costs, 35272  
including the hiring of any additional personnel necessary to 35273  
implement this division. If the court fails to transmit to the 35274  
treasurer of state the moneys the court collects under this 35275

division in a manner prescribed by the treasurer of state or by 35276  
the Ohio legal assistance foundation, the court shall forfeit the 35277  
moneys the court retains under this division to cover 35278  
administrative costs, including the hiring of any additional 35279  
personnel necessary to implement this division, and shall transmit 35280  
to the treasurer of state all moneys collected under this 35281  
division, including the forfeited amount retained for 35282  
administrative costs, for deposit in the legal aid fund. 35283

(D) On and after the thirtieth day after December 9, 1994, 35284  
the court of common pleas shall collect the sum of thirty-two 35285  
dollars as additional filing fees in each new action or proceeding 35286  
for annulment, divorce, or dissolution of marriage for the purpose 35287  
of funding shelters for victims of domestic violence pursuant to 35288  
sections 3113.35 to 3113.39 of the Revised Code. The filing fees 35289  
required to be collected under this division shall be in addition 35290  
to any other filing fees imposed in the action or proceeding and 35291  
shall be collected at the time of the filing of the action or 35292  
proceeding. The court shall not waive the payment of the 35293  
additional filing fees in a new action or proceeding for 35294  
annulment, divorce, or dissolution of marriage unless the court 35295  
waives the advanced payment of all filing fees in the action or 35296  
proceeding. On or before the twentieth day of each month, all 35297  
moneys collected during the immediately preceding month pursuant 35298  
to this division shall be deposited by the clerk of the court into 35299  
the county treasury in the special fund used for deposit of 35300  
additional marriage license fees as described in section 3113.34 35301  
of the Revised Code. Upon their deposit into the fund, the moneys 35302  
shall be retained in the fund and expended only as described in 35303  
section 3113.34 of the Revised Code. 35304

(E)(1) The court of common pleas may determine that, for the 35305  
efficient operation of the court, additional funds are necessary 35306  
to acquire and pay for special projects of the court, including, 35307

but not limited to, the acquisition of additional facilities or 35308  
the rehabilitation of existing facilities, the acquisition of 35309  
equipment, the hiring and training of staff, community service 35310  
programs, mediation or dispute resolution services, the employment 35311  
of magistrates, the training and education of judges, acting 35312  
judges, and magistrates, and other related services. Upon that 35313  
determination, the court by rule may charge a fee, in addition to 35314  
all other court costs, on the filing of each criminal cause, civil 35315  
action or proceeding, or judgment by confession. 35316

If the court of common pleas offers a special program or 35317  
service in cases of a specific type, the court by rule may assess 35318  
an additional charge in a case of that type, over and above court 35319  
costs, to cover the special program or service. The court shall 35320  
adjust the special assessment periodically, but not retroactively, 35321  
so that the amount assessed in those cases does not exceed the 35322  
actual cost of providing the service or program. 35323

All moneys collected under division (E) of this section shall 35324  
be paid to the county treasurer for deposit into either a general 35325  
special projects fund or a fund established for a specific special 35326  
project. Moneys from a fund of that nature shall be disbursed upon 35327  
an order of the court in an amount no greater than the actual cost 35328  
to the court of a project. If a specific fund is terminated 35329  
because of the discontinuance of a program or service established 35330  
under division (E) of this section, the court may order that 35331  
moneys remaining in the fund be transferred to an account 35332  
established under this division for a similar purpose. 35333

(2) As used in division (E) of this section: 35334

(a) "Criminal cause" means a charge alleging the violation of 35335  
a statute or ordinance, or subsection of a statute or ordinance, 35336  
that requires a separate finding of fact or a separate plea before 35337  
disposition and of which the defendant may be found guilty, 35338  
whether filed as part of a multiple charge on a single summons, 35339

citation, or complaint or as a separate charge on a single 35340  
summons, citation, or complaint. "Criminal cause" does not include 35341  
separate violations of the same statute or ordinance, or 35342

filed on a separate summons, citation, or complaint. 35344

(b) "Civil action or proceeding" means any civil litigation 35345  
that must be determined by judgment entry. 35346

Sec. 2315.50. (A) This section applies to an action 35347  
maintained as a class action in which the settlement agreement or 35348  
judgment includes a monetary award, including compensatory or 35349  
punitive and exemplary damages, restitution, or any other payment 35350  
of money due from each defendant to the members of the class. 35351

(B) It is the policy of this state, insofar as it is not 35352  
inconsistent with federal law, that all unpaid moneys remaining 35353  
after the distribution to the members of the class of monetary 35354  
awards in class actions described in division (A) of this section 35355  
shall be used for the charitable public purpose of providing 35356  
financial assistance to legal aid societies that operate within 35357  
this state. Not later than the twentieth day of the month 35358  
immediately following the month during which the amount of unpaid 35359  
moneys, if any, remaining after that distribution of the monetary 35360  
award in the class action is identified, each defendant from whom 35361  
the unpaid moneys are due, in a manner and form prescribed in the 35362  
rules established by the Ohio legal assistance foundation under 35363  
section 120.52 of the Revised Code, shall do both of the 35364  
following: 35365

(1) Remit the sum of the unpaid moneys to the treasurer of 35366  
state for deposit in the legal aid fund established under section 35367  
120.52 of the Revised Code; 35368

certification identifying such records, giving the mode and time 35387  
of their preparation, and stating that they were prepared in the 35388  
usual course of the business of the institution. Such records, 35389  
copies, or photographs may not be qualified by certification as 35390  
provided in this section unless the party intending to offer them 35391  
delivers a copy of them, or of their relevant portions, to the 35392  
attorney of record for each adverse party not less than five days 35393

the right of any party to call the custodian, person who made such 35395  
records, or person under whose supervision they were made, as a 35396  
witness. 35397

(B) Division (A) of this section does not apply to any 35398  
certified copy of the results of any test given to determine the 35399  
presence or concentration of alcohol, a drug of abuse, a 35400  
combination of them, a controlled substance, or a metabolite of a 35401

of this section to be designed so that each of them may be 38275  
compiled and reported in terms of average expenditure per pupil 38276  
receiving the service in the school district as a whole and 38277

require school districts to collect information about individual 38297  
students, staff members, or both in connection with any data 38298

required by division (B) or (C) of this section or other reporting 38299  
requirements established in the Revised Code. The guidelines may 38300  
also require school districts to report information about 38301  
individual staff members in connection with any data required by 38302  
division (B) or (C) of this section or other reporting 38303

contracts for the scoring of ~~tests~~ assessments administered under 38318  
section 3301.0711 ~~or 3301.0712~~ of the Revised Code. The guidelines 38319  
may require school districts to provide the social security 38320  
numbers of individual staff members. 38321

(2) The guidelines shall provide for each school district or 38322  
community school to assign a data verification code that is unique 38323  
on a statewide basis over time to each student whose initial Ohio 38324  
enrollment is in that district or school and to report all 38325  
required individual student data for that student utilizing such 38326  
code. The guidelines shall also provide for assigning data 38327  
verification codes to all students enrolled in districts or 38328  
community schools on the effective date of the guidelines 38329  
established under this section. 38330

Individual student data shall be reported to the department 38331  
through the information technology centers utilizing the code but, 38332  
except as provided in sections 3310.11, 3310.42, 3313.978, and 38333  
3317.20 of the Revised Code, at no time shall the state board or 38334  
the department have access to information that would enable any 38335  
data verification code to be matched to personally identifiable 38336  
student data. 38337

Each school district shall ensure that the data verification 38338  
code is included in the student's records reported to any 38339  
subsequent school district or community school in which the 38340  
student enrolls. Any such subsequent district or school shall 38341  
utilize the same identifier in its reporting of data under this 38342  
section. 38343

The director of health shall request and receive, pursuant to 38344  
sections 3301.0723 and 3701.62 of the Revised Code, a data 38345  
verification code for a child who is receiving services under 38346  
division (A)(2) of section 3701.61 of the Revised Code. 38347

(E) The guidelines adopted under this section may require 38348  
school districts to collect and report data, information, or 38349  
reports other than that described in divisions (A), (B), and (C) 38350  
of this section for the purpose of complying with other reporting 38351  
requirements established in the Revised Code. The other data, 38352  
information, or reports may be maintained in the education 38353  
management information system but are not required to be compiled 38354  
as part of the profile formats required under division (G) of this 38355  
section or the annual statewide report required under division (H) 38356  
of this section. 38357

notwithstanding section 2151.357 or 3319.321 of the Revised Code. 38363

(G) The state board shall, in accordance with the procedures 38364  
it adopts, annually compile the data reported by each school 38365  
district pursuant to division (D) of this section. The state board 38366  
shall design formats for profiling each school district as a whole 38367  
and each school building within each district and shall compile 38368  
the data in accordance with these formats. These profile formats 38369  
shall: 38370

(1) Include all of the data gathered under this section in a 38371  
manner that facilitates comparison among school districts and 38372  
among school buildings within each school district; 38373

(2) Present the data on academic achievement levels as 38374  
assessed by the testing of student achievement maintained pursuant 38375  
to division (B)(1)(d) of this section. 38376

(H)(1) The state board shall, in accordance with the 38377  
procedures it adopts, annually prepare a statewide report for all 38378  
school districts and the general public that includes the profile 38379  
of each of the school districts developed pursuant to division (G) 38380  
of this section. Copies of the report shall be sent to each school 38381  
district. 38382

(2) The state board shall, in accordance with the procedures 38383  
it adopts, annually prepare an individual report for each school 38384  
district and the general public that includes the profiles of each 38385  
of the school buildings in that school district developed pursuant 38386  
to division (G) of this section. Copies of the report shall be 38387  
sent to the superintendent of the district and to each member of 38388  
the district board of education. 38389

(3) Copies of the reports received from the state board under 38390  
divisions (H)(1) and (2) of this section shall be made available 38391  
to the general public at each school district's offices. Each 38392  
district board of education shall make copies of each report 38393

available to any person upon request and payment of a reasonable 38394  
fee for the cost of reproducing the report. The board shall 38395  
annually publish in a newspaper of general circulation in the 38396  
school district, at least twice during the two weeks prior to the 38397  
week in which the reports will first be available, a notice 38398  
containing the address where the reports are available and the 38399  
date on which the reports will be available. 38400

(I) Any data that is collected or maintained pursuant to this 38401  
section and that identifies an individual pupil is not a public 38402

(1) "School district" means any city, local, exempted 38405  
village, or joint vocational school district and, in accordance 38406  
with section 3314.17 of the Revised Code, any community school. As 38407  
used in division (L) of this section, "school district" also 38408

the Revised Code. 38416

(K) Any person who removes data from the information system 38417  
established under this section for the purpose of releasing it to 38418  
any person not entitled under law to have access to such 38419  
information is subject to section 2913.42 of the Revised Code 38420  
prohibiting tampering with data. 38421

(L)(1) In accordance with division (L)(2) of this section and 38422  
the rules adopted under division (L)(10) of this section, the 38423  
department of education may sanction any school district that 38424

reports incomplete or inaccurate data, reports data that does not conform to data requirements and descriptions published by the department, fails to report data in a timely manner, or otherwise does not make a good faith effort to report data as required by this section.

(2) If the department decides to sanction a school district under this division, the department shall take the following sequential actions:

(a) Notify the district in writing that the department has determined that data has not been reported as required under this section and require the district to review its data submission and submit corrected data by a deadline established by the department. The department also may require the district to develop a corrective action plan, which shall include provisions for the district to provide mandatory staff training on data reporting procedures.

(b) Withhold up to ten per cent of the total amount of state funds due to the district for the current fiscal year and, if not previously required under division (L)(2)(a) of this section, require the district to develop a corrective action plan in accordance with that division;

(c) Withhold an additional amount of up to twenty per cent of the total amount of state funds due to the district for the current fiscal year;

(i) Arrange for an audit of the district's data reporting practices by department staff or an outside entity;

(ii) Conduct a site visit and evaluation of the district;

(iii) Withhold an additional amount of up to thirty per cent of the total amount of state funds due to the district for the current fiscal year;	38456 38457 38458

(v) Assign department staff to supervise the district's data management system;	38460 38461
(vi) Conduct an investigation to determine whether to suspend or revoke the license of any district employee in accordance with division (N) of this section;	38462 38463 38464
(vii) If the district is issued a report card under section 3302.03 of the Revised Code, indicate on the report card that the district has been sanctioned for failing to report data as required by this section;	38465 38466 38467 38468
(viii) If the district is issued a report card under section 3302.03 of the Revised Code and incomplete or inaccurate data submitted by the district likely caused the district to receive a higher performance rating than it deserved under that section, issue a revised report card for the district;	38469 38470 38471 38472 38473
(ix) Any other action designed to correct the district's data reporting problems.	38474 38475

The department shall send a copy of the report to the district superintendent or chief administrator and maintain a copy of the report in its files.	38476 38477 38478 38479 38480 38481

shall not release the funds withheld under division (L)(2)(b) or 38492  
(c) of this section. 38493

(5) Notwithstanding anything in this section to the contrary, 38494  
the department may use its own staff or an outside entity to 38495  
conduct an audit of a school district's data reporting practices 38496  
any time the department has reason to believe the district has not 38497  
made a good faith effort to report data as required by this 38498  
section. If any audit conducted by an outside entity under 38499  
division (L)(2)(d)(i) or (5) of this section confirms that a 38500  
district has not made a good faith effort to report data as 38501  
required by this section, the district shall reimburse the 38502  
department for the full cost of the audit. The department may 38503  
withhold state funds due to the district for this purpose. 38504

(6) Prior to issuing a revised report card for a school 38505  
district under division (L)(2)(d)(viii) of this section, the 38506  
department may hold a hearing to provide the district with an 38507  
opportunity to demonstrate that it made a good faith effort to 38508  
report data as required by this section. The hearing shall be 38509  
conducted by a referee appointed by the department. Based on the 38510  
information provided in the hearing, the referee shall recommend 38511  
whether the department should issue a revised report card for the 38512  
district. If the referee affirms the department's contention that 38513  
the district did not make a good faith effort to report data as 38514  
required by this section, the district shall bear the full cost of 38515  
conducting the hearing and of issuing any revised report card. 38516

(7) If the department determines that any inaccurate data 38517

reported under this section caused a school district to receive 38518  
excess state funds in any fiscal year, the district shall 38519  
reimburse the department an amount equal to the excess funds, in 38520  
accordance with a payment schedule determined by the department. 38521  
The department may withhold state funds due to the district for 38522  
this purpose. 38523

(8) Any school district that has funds withheld under 38524  
division (L)(2) of this section may appeal the withholding in 38525  
accordance with Chapter 119. of the Revised Code. 38526

(9) In all cases of a disagreement between the department and 38527  
a school district regarding the appropriateness of an action taken 38528  
under division (L)(2) of this section, the burden of proof shall 38529  
be on the district to demonstrate that it made a good faith effort 38530  
to report data as required by this section. 38531

(10) The state board of education shall adopt rules under 38532  
Chapter 119. of the Revised Code to implement division (L) of this 38533  
section. 38534

(M) No information technology center or school district shall 38535  
acquire, change, or update its student administration software 38536  
package to manage and report data required to be reported to the 38537  
department unless it converts to a student software package that 38538  
is certified by the department. 38539

(N) The state board of education, in accordance with sections 38540  
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 38541  
license as defined under division (A) of section 3319.31 of the 38542  
Revised Code that has been issued to any school district employee 38543  
found to have willfully reported erroneous, inaccurate, or 38544  
incomplete data to the education management information system. 38545

(O) No person shall release or maintain any information about 38546  
any student in violation of this section. Whoever violates this 38547  
division is guilty of a misdemeanor of the fourth degree. 38548

(P) The department shall disaggregate the data collected 38549  
under division (B)(1)~~(e)~~(n) of this section according to the race 38550  
and socioeconomic status of the students assessed. No data 38551  
collected under that division shall be included on the report 38552  
cards required by section 3302.03 of the Revised Code. 38553

(Q) If the department cannot compile any of the information 38554  
required by division (C)(5) of section 3302.03 of the Revised Code 38555  
based upon the data collected under this section, the department 38556  
shall develop a plan and a reasonable timeline for the collection 38557  
of any data necessary to comply with that division. 38558

**Sec. 3301.0715.** (A) Except as provided in division (E) of 38559

teachers and career-technical education program operations for 40881  
fiscal years 2010 and 2011 as follows: 40882

(A) For fiscal year 2010, each district shall receive an 40883  
amount equal to the amount the district received for fiscal year 40884  
2009 under division (E) of section 3317.022 of the Revised Code, 40885  
as that section existed for that fiscal year, less any amounts 40886  
attributable to community school students and net of any additions 40887

<u>(5) The district health professional factor.</u>	40900
<u>(B)(1) The family and community liaison factor shall be</u>	40901

school nurse wellness coordinator factor shall be zero. No school 40923  
nurse wellness coordinator factor shall be calculated and paid for 40924  
fiscal years 2010 and 2011. 40925

(5) The district health professional factor for each district 40926  
equals a dollar amount specified by law for each fiscal year. No 40927

(2) The principal factor shall be calculated by multiplying the number of the district's organizational units times \$89,563 in fiscal year 2010 and \$91,297 in fiscal year 2011. However, each type 1 or type 2 school district shall receive for a principal factor an amount not less than the applicable dollar amount specified in this paragraph times the number of school buildings in the district for which the department of education issued a report card under section 3302.03 of the Revised Code for the prior school year. 40966

(a) The funding for building managers shall be calculated by multiplying \$33,624 in fiscal year 2010 and \$34,275 in fiscal year 2011 times the number of the district's organizational units. 40967  
40968  
40969

(b) The funding for secretaries shall be calculated by multiplying \$33,624 in fiscal year 2010 and \$34,275 in fiscal year 2011 times the number of the district's organizational units, where two additional secretaries shall be funded for each high school organizational unit. 40970  
40971  
40972  
40973  
40974

(c) The funding for noninstructional aides shall be a dollar amount set by law for each fiscal year times the number of the district's organizational units, where the organizational units are multiplied by two in the case of elementary school and middle 40975

education. 40991

**Sec. 3306.08.** (A) The operations and maintenance support 40992  
component of the adequacy amount for each city, local, and 40993  
exempted village school district shall be calculated by 40994  
multiplying the district's formula ADM times \$884. 40995

(B) The operations and maintenance support for each city, 40996  
local, and exempted village school district shall be adjusted by 40997  
multiplying the calculated amount by 0.45 in fiscal years 2010 and 40998  
2011, and by 0.75 in fiscal years 2012 and 2013. 40999

(C) Each school district shall account separately for 41000

(E) Each school district shall expend the funds calculated 41043  
under the gifted education support component in accordance with 41044  
rules adopted under section 3306.25 of the Revised Code. Those 41045  
rules shall require that such funds be spent only for the 41046  
employment of staff to serve students identified as gifted, in 41047

**Sec. 3306.11.** (A) For the purpose of calculating a school 41157  
district's instructional services support under section 3306.05 of 41158  
the Revised Code, the number of special education teacher 41159  
positions used in calculating the special education teacher 41160

factor, and the number of special education teacher's aide 41161

factor shall be calculated as set forth in this section. 41163

(B)(1) The number of special education teacher positions 41164  
shall be calculated by multiplying the sum of the weighted number 41165  
of children with disabilities calculated under division (C) of 41166  
this section times nine-tenths, and then dividing that product by 41167  
twenty. 41168

(2) The number of special education teacher's aide positions 41169  
shall be calculated by dividing the number of special education 41170  
teacher positions calculated under division (B)(1) of this section 41171  
by two, and multiplying that quotient by 0.50 in fiscal years 2010 41172  
and 2011. 41173

(C) The weighted number of children with disabilities for a 41174  
school district is the sum of: 41175

education ADM. 41187

(D) Each school district shall account separately for 41188  
expenditures of the amounts received for resources for children 41189

with disabilities under this section and section 3306.05 of the 41190  
Revised Code and report that information to the department of 41191  
education. Those amounts may be used to pay for providers of 41192  
related services, as defined in section 3323.01 of the Revised 41193  
Code, for children with disabilities. 41194

**Sec. 3306.12.** (A) As used in this section: 41195

(1) "Assigned bus" means a school bus used to transport 41196  
qualifying riders. 41197

qualifying riders who are enrolled in a community school 41199  
established under Chapter 3314. of the Revised Code, in a STEM 41200  
school established under Chapter 3326. of the Revised Code, or in 41201  
a nonpublic school and are provided school bus service by a school 41202  
district during the first full week of October. 41203

(3) "Qualifying riders" means resident students enrolled in 41204  
regular education in grades kindergarten to twelve who are 41205  
provided school bus service by a school district and who live more 41206  
than one mile from the school they attend, including students with 41207  
dual enrollment in a joint vocational school district or a 41208  
cooperative education school district, and students enrolled in a 41209  
community school, STEM school, or nonpublic school. 41210

(4) "Qualifying ridership" means the average number of 41211  
qualifying riders who are provided school bus service by a school 41212  
district during the first full week of October. 41213

(5) "Rider density" means the number of qualifying riders per 41214  
square mile of a school district. 41215

(6) "School bus service" means a school district's 41216  
transportation of qualifying riders in any of the following types 41217  
of vehicles: 41218

(a) School buses owned or leased by the district; 41219

(b) School buses operated by a private contractor hired by 41220

(B) Not later than the fifteenth day of October each year, 41225  
each city, local, and exempted village school district shall 41226  
report to the department of education its qualifying ridership, 41227  
nontraditional ridership, number of qualifying riders per assigned 41228  
bus, and any other information requested by the department. 41229  
Subsequent adjustments to the reported numbers shall be made only 41230  
in accordance with rules adopted by the department. 41231

(C) The department shall calculate the statewide 41232  
transportation cost per student as follows: 41233

(1) Determine each city, local, and exempted village school 41234  
district's transportation cost per student by dividing the 41235  
district's total costs for school bus service in the previous 41236  
fiscal year by its qualifying ridership in the previous fiscal 41237  
year. 41238

(2) After excluding districts that do not provide school bus 41239  
service and the ten districts with the highest transportation 41240  
costs per student and the ten districts with the lowest 41241  
transportation costs per student, divide the aggregate cost for 41242  
school bus service for the remaining districts in the previous 41243  
fiscal year by the aggregate qualifying ridership of those 41244  
districts in the previous fiscal year. 41245

(D) The department shall calculate the statewide 41246  
transportation cost per mile as follows: 41247

(1) Determine each city, local, and exempted village school 41248  
district's transportation cost per mile by dividing the district's 41249  
total costs for school bus service in the previous fiscal year by 41250

its total number of miles driven for school bus service in the 41251  
previous fiscal year. 41252

(2) After excluding districts that do not provide school bus 41253  
service and the ten districts with the highest transportation 41254  
costs per mile and the ten districts with the lowest 41255  
transportation costs per mile, divide the aggregate cost for 41256  
school bus service for the remaining districts in the previous 41257  
fiscal year by the aggregate miles driven for school bus service 41258  
in those districts in the previous fiscal year. 41259

(E) The department shall calculate each city, local, and 41260  
exempted village school district's transportation base payment as 41261  
follows: 41262

(1) Multiply the statewide transportation cost per student by 41263  
the district's qualifying ridership for the current fiscal year. 41264

(2) Multiply the statewide transportation cost per mile by 41265  
the district's total number of miles driven for school bus service 41266  
in the current fiscal year. 41267

(3) Multiply the greater of the amounts calculated under 41268  
divisions (E)(1) and (2) of this section by the greater of sixty 41269  
per cent or the district's state share percentage. 41270

(F) The department shall calculate each city, local, and 41271  
exempted village school district's nontraditional ridership 41272  
adjustment according to the following formula: 41273

(nontraditional ridership for the current fiscal year / 41274  
qualifying ridership for the current fiscal year) X 0.1 X 41275  
transportation base payment 41276

(G) If a city, local, and exempted village school district 41277  
offers school bus service to all resident students who are 41278  
enrolled in regular education in district schools in grades nine 41279  
to twelve and who live more than one mile from the school they 41280  
attend, the department shall calculate the district's high school 41281

ridership adjustment according to the following formula: 41282

0.025 X transportation base payment 41283

(H) If a city, local, and exempted village school district offers school bus service to students enrolled in grades kindergarten to eight who live more than one mile, but two miles or less, from the school they attend, the department shall calculate an additional adjustment according to the following formula: 41284  
41285  
41286  
41287  
41288  
41289

0.025 X transportation base payment 41290

(I)(1) The department annually shall establish a target number of qualifying riders per assigned bus for each city, local, and exempted village school district. The department shall use the most recently available data in establishing the target number. The target number shall be based on the statewide median number of qualifying riders per assigned bus as adjusted to reflect the district's rider density in comparison to the rider density of all other districts. The department shall post on the department's web site each district's target number of qualifying riders per assigned bus and a description of how the target number was determined. 41291  
41292  
41293  
41294  
41295  
41296  
41297  
41298  
41299  
41300  
41301

(2) The department shall determine each school district's efficiency index by dividing the district's median number of qualifying riders per assigned bus by its target number of qualifying riders per assigned bus. 41302  
41303  
41304  
41305

(3) The department shall determine each city, local, and exempted village school district's efficiency adjustment as follows: 41306  
41307  
41308

(a) If the district's efficiency index is equal to or greater than 1.5, the efficiency adjustment shall be calculated according to the following formula: 41309  
41310  
41311

0.1 X transportation base payment 41312

(b) If the district's efficiency index is less than 1.5 but equal to or greater than 1.0, the efficiency adjustment shall be calculated according to the following formula:

[(efficiency index - 1) / 5] X transportation base payment

(c) If the district's efficiency index is less than 1.0, the efficiency adjustment shall be zero.

(J) The department shall pay each city, local, and exempted village school district the lesser of the following:

(1) The sum of the amounts calculated under divisions (E) to (H) and (I)(3) of this section;

(2) The district's total costs for school bus service for the prior fiscal year.

(K) In addition to funds paid under division (J) of this section, each city, local, and exempted village district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than school bus service and whose transportation is not funded under division (G) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students.

(L)(1) In fiscal years 2010 and 2011, the department shall pay each district a pro rata portion of the amounts calculated under division (J) of this section and described in division (K) of this section, based on state appropriations.

(2) In addition to the prorated payment under division (L)(1) of this section, in fiscal years 2010 and 2011, the department shall pay each school district that meets the conditions prescribed in division (L)(3) of this section an additional amount equal to the following product:

(a) The difference of (i) the amounts calculated under

division (J) of this section and prescribed in division (K) of 41343  
this section minus (ii) that prorated payment; times 41344

(b) 0.30 in fiscal year 2010 and 0.70 in fiscal year 2011. 41345

(3) Division (L)(2) of this section applies to each school 41346  
district that meets all of the following conditions: 41347

(a) The district qualifies for the calculation of a payment 41348  
under division (J) of this section because it transports students 41349  
on board-owned or contractor-owned school buses. 41350

(b) The district's local wealth per pupil, calculated as 41351  
prescribed in section 3317.0217 of the Revised Code, is at or 41352  
below the median local wealth per pupil of all districts that 41353  
qualify for calculation of a payment under division (J) of this 41354  
section. 41355

(c) The district's rider density is at or below the median 41356  
rider density of all districts that qualify for calculation of a 41357  
payment under division (J) of this section. 41358

**Sec. 3306.13.** (A) The department of education shall compute 41359  
and distribute to each city, local, and exempted village school 41360  
district the state share of the adequacy amount for the fiscal 41361  
year by subtracting the district's charge-off amount calculated 41362  
under division (B) of this section from its adequacy amount 41363  
calculated under section 3306.03 of the Revised Code. 41364

(B)(1) For districts with a class one effective operating tax 41365  
rate that is less than twenty and one-tenth effective mills as of 41366  
the first day of July of the current fiscal year, the charge-off 41367  
amount equals the applicable charge-off rate, prescribed in 41368  
division (C) of this section, times the sum of the district's 41369  
total taxable value plus its property exemption value. 41370

(2) For districts with a class one effective operating tax 41371  
rate that is greater than or equal to twenty and one-tenth class 41372

one effective mills as of the first day of July of the current 41373  
fiscal year, the charge-off amount equals the applicable 41374  
charge-off rate, prescribed in division (C) of this section, times 41375  
the sum of the district's recognized valuation plus its property 41376  
exemption value. 41377

If the difference obtained from the calculation is a negative 41378  
number, the state share shall be zero. 41379

(3)(a) For each school district for which the tax exempt 41380  
value of the district equals or exceeds twenty-five per cent of 41381  
the potential value of the district, the department shall 41382  
calculate the difference between the district's tax exempt value 41383  
and twenty-five per cent of the district's potential value. 41384

(b) For each school district to which division (B)(3)(a) of 41385  
this section applies, the department shall adjust the total 41386  
taxable value used in the calculation under division (B)(1) of 41387  
this section or the recognized valuation used in the calculation 41388  
under division (B)(2) of this section by subtracting from it the 41389  
amount calculated under division (B)(3)(a) of this section. 41390

(C) The charge-off rate shall be as follows: 41391

(1) In fiscal years 2010 and 2011, 0.022; 41392

(2) In fiscal years 2012 and 2013, 0.021; 41393

(3) In fiscal year 2014 and in each fiscal year thereafter, 41394  
0.020. 41395

(D) The department shall use the information obtained under 41396  
section 3317.021 of the Revised Code during the calendar year in 41397  
which the fiscal year begins to calculate the district state 41398  
shares under this section. 41399

(C) The board of education of each school district to which 42068  
this section applies shall work with the department of education 42069

gap initiative, and who coordinates those students' participation 42083  
in academic programs, social service programs, out-of-school 42084  
cultural and work-related experiences, and in-school and 42085

which this section applies to assess the progress in implementing 42103  
prescribed activities, as required under division (B) of this 42104  
section, and shall assist linkage coordinators, administrators, 42105  
and other school staff in ensuring compliance with the district's 42106

which this section applies are subject to the approval of the 42110  
superintendent of public instruction and the governor's closing 42111  
the achievement gap initiative. If they disapprove those items in 42112  
the plan, the state superintendent shall do one of the following: 42113

(1) Modify the items related to implementing divisions (B) 42114

modifications. The district board shall comply with the plan as 42117  
modified by the state superintendent. 42118

(2) Return the spending plan and require the district board 42119

to modify the items related to implementing divisions (B) and (D) 42120  
of this section in the plan according to the state 42121  
superintendent's instructions or recommendations. The district 42122  
board shall modify the plan according to the state 42123  
superintendent's instructions or recommendations and return the 42124  
modified plan by a date specified by the state superintendent. 42125

achievement gap initiative in reconciling, under division (B) of 42127  
section 3306.30 of the Revised Code, the spending plan submitted 42128  
by a district to which this section applies with the district's 42129  
actual spending. 42130

of the Revised Code shall undergo a performance review under this 42135  
section at least once every five fiscal years under the direction 42136  
of the department of education. If a school district board of 42137

section, the contractor conducting the performance review shall 42154  
submit a final review report to the state board, the office of 42155  
school resource management, and the board, governing authority, or 42156  
governing body of the district, service center, community school, 42157  
or STEM school. 42158

(E) Not later than ninety days after the date of the final 42159  
review report, the board, governing authority, or governing body 42160  
of the district, community school, or STEM school shall submit to 42161  
the office of school resource management a response to the report. 42162  
The response shall address the findings and recommendations 42163  
specified in the final review report and shall specify a timeline 42164  
for implementing recommendations listed in the report. This 42165  
division does not apply to any educational service center. 42166

(F) At the end of the timeline specified in the response, the 42168  
board, governing authority, or governing body shall submit a 42169  
report to the office of school resource management. The report 42170  
shall explain the progress made in implementing each 42171  
recommendation of the review report, specify the steps taken to 42172  
implement each recommendation, and indicate for each 42173  
recommendation whether and to what extent the recommendation has 42174  
been implemented. This division does not apply to any educational 42175  
service center. 42176

(G) If a district, community school, or STEM school fails to 42177  
cooperate with a performance review under this section, or fails 42178  
timely to submit a response or report under division (E) or (F) of 42179  
this section that the office of school resource management finds 42180  
satisfactory, the department shall proceed to take action under 42181  
section 3306.33 of the Revised Code. This division does not apply 42182

to any educational service center. 42183

(H) The department shall pay the cost of each performance 42184

review under this section. 42185

Sec. 3306.321. (A) A performance review of an educational 42186

examine the service center's delivery of services to local school 42188

districts and client districts as required by law and any 42189

contracts it has with those districts and whether that delivery of 42190

services comports with the requirements and specifications for 42191

those services, including the quality standards recommended by the 42192

state regional alliance advisory board under section 3312.12 of 42193

the Revised Code. 42194

(B) The department of education shall review the final report 42195

of the performance review of each educational service center and, 42196

if the findings indicate that the service center's services do not 42197

comport with the requirements and specifications for those 42198

services prescribed by law or contract, shall provide technical 42199

assistance to the service center in aligning its services with 42200

those requirements and specifications. 42201

(C) As used in this section, "client district" has the same 42202

meaning as in section 3317.11 of the Revised Code. 42203

reporting standard prescribed by rule adopted under section 42216  
3306.25 of the Revised Code. 42217

(2) The district, community school, or STEM school fails to 42218

42338  
42339  
42340  
42341

All members shall serve at the pleasure of the appointing authority during the life of the commission. In the event of the death, resignation, incapacity, removal, or ineligibility to serve of a member, the appointing authority shall appoint a successor within fifteen days after the vacancy occurs. The first meeting shall include an overview of the commission's roles and responsibilities, the requirements of section 2921.42 and Chapter 102. of the Revised Code as they pertain to commission members, the requirements of section 121.22 of the Revised Code, and the provisions of division (F) of this section. (E) Two members of an accountability compliance commission 42380  
constitute a quorum of the commission. The affirmative vote of two 42381  
members of the commission is necessary for any action taken by 42382  
vote of the commission. No vacancy in the membership of the 42383  
commission shall impair the rights of a quorum by such vote to 42384  
exercise all the rights and perform all the duties of the 42385  
commission. Members of the commission are not disqualified from 42386  
voting by reason of the functions of any other office they hold 42387

other office with respect to the school district or community 42389  
school or STEM school, its officers, or the commission. 42390

to any suit, judgment, or claim for damages resulting from the 42394  
exercise of or failure to exercise the powers, duties, and 42395  
functions granted to them in regard to their functioning under 42396  
this section, but the commission, state superintendent, and such 42397  
other persons shall be subject to mandamus proceedings to compel 42398  
performance of their duties under this section. 42399

(G) Each member of an accountability compliance commission shall file the statement described in section 102.02 of the Revised Code with the Ohio ethics commission. The statement shall be confidential, subject to review, as described in division (B) of that section. 42400

(H) Meetings of each accountability compliance commission shall be subject to section 121.22 of the Revised Code. 42405  
42406

(I) Each accountability compliance commission shall seek input from the district board of education, community school governing authority, or STEM school governing body regarding ways to improve the district's or school's operations and compliance with the requirements of this chapter and the expenditure and reporting standards prescribed by rule adopted under section 3306.25 of the Revised Code, but any decision of the commission related to any authority granted to the commission under this section shall be final. 42407  
42408

42419

(2) Appoint school building administrators and reassign administrative personnel; 42420  
42421

42425

(4) Contract with a private entity to perform school or district management functions; 42426  
42427

(5) Establish a budget for the district or school and approve district or school appropriations and expenditures, unless, in the 42428  
42429

case of a school district, a financial planning and supervision 42430  
commission has been established for the district pursuant to 42431  
section 3316.05 of the Revised Code; 42432

(6) Exercise the powers, duties, and functions with respect 42433

to a financial planning and supervision commission with respect to 42435  
a school district under divisions (A)(1) to (4) of section 3316.07 42436  
of the Revised Code, unless a financial planning and supervision 42437  
commission has been established for the district. 42438

(J) If the board of education of a school district, governing 42439  
authority of a community school, or governing body of a STEM 42440  
school for which an accountability compliance commission has been 42441  
established renews any collective bargaining agreement under 42442  
Chapter 4117. of the Revised Code during the existence of the 42443  
commission, the board, governing authority, or governing body 42444  
shall not enter into any agreement that would render any decision 42445  
of the commission unenforceable. 42446

(K) An accountability compliance commission shall cease to 42447  
exist at the beginning of the first year that none of the 42448  
circumstances described in division (A) of section 3306.33 of the 42449  
Revised Code apply to the district, community school, or STEM 42450  
school. 42451

**Sec. 3306.35.** The department of education shall develop a 42452  
form, which shall be known as the "Formula ACcountability and 42453  
Transparency" form or "FACT" form. The department annually shall 42454  
issue and publish on its web site a FACT form for each city, 42455  
local, and exempted village school district, community school 42456

each component prescribed by this chapter with the district's or 42460

school's deployment of those payments as indicated in its spending 42461  
plan submitted under section 3306.30 and, if applicable, 3306.31 42462  
of the Revised Code. The form shall not be the basis of any 42463  
actions under section 3306.33 of the Revised Code but shall be a 42464  
public document to inform parents, students, and taxpayers about 42465  
the district's or school's spending. 42466

**Sec. 3306.40.** The board of education of a school district, 42467  
the governing authority of a community school established under 42468  
Chapter 3314. of the Revised Code, or the governing body of a STEM 42469  
school established under Chapter 3326. of the Revised Code may 42470  
apply to the superintendent of public instruction for a waiver of 42471  
any standard or requirement of this chapter, including any 42472  
applicable expenditure or reporting standard prescribed by rule 42473  
adopted under section 3306.25 of the Revised Code. The board of 42474  
education of any school district also may apply to the state 42475  
superintendent for a waiver of any operating standard adopted 42476  
under division (D)(3) of section 3301.07 of the Revised Code. 42477

The state board of education shall adopt standards for the 42478  
approval or disapproval of waivers under this section. The state 42479  
superintendent shall consider every application for a waiver, and 42480  
shall determine whether to grant or deny a waiver in accordance 42481  
with the state board's standards. For each waiver granted, the 42482  
state superintendent shall specify the period of time during which 42483  
the waiver is in effect, which shall not exceed five years. A 42484  
district, community school, or STEM school may apply to renew a 42485  
waiver. 42486

**Sec. 3306.50.** (A) The Harmon commission is hereby created. 42487

Sec. 3306.51. The Harmon commission shall review and approve 42520  
or disapprove applications from city, exempted village, and local 42521  
school districts and community schools established under Chapter 42522  
3314. of the Revised Code for individual classrooms to be 42523  
designated as creative learning environments. To be eligible for 42524  
designation of one or more of its classrooms as a creative 42525  
learning environment, a community school shall enter into a 42526  
memorandum of understanding, approved by the center for creativity 42527  
and innovation in the department of education, with one or more 42528  
school districts that specifies a collaborative agreement to share 42529  
programming and resources to promote successful academic 42530  
achievement for students and academic and fiscal efficiencies. 42531

The commission shall designate a classroom as a creative 42532  
learning environment if the commission determines that the 42533  
classroom supports and emphasizes innovation in instruction 42534  
methods and lesson plans and operates in accordance with the 42535  
guidelines adopted by the state board of education under section 42536  
3306.52 of the Revised Code. Beginning July 1, 2010, a district or 42537  
community school that has a classroom that is designated a 42538  
creative learning environment may qualify for the pilot subsidy 42539  
prescribed by section 3306.57 of the Revised Code. 42540

Sec. 3306.52. The state board of education shall do both of 42541  
the following: 42542

(A) Adopt guidelines for the Harmon commission to use in 42543  
reviewing applications for creative learning environments. 42544

(B) Direct the department of education, through the center 42545  
for creativity and innovation, to provide staff to assist the 42546  
commission in carrying out the commission's duties under sections 42547  
3306.50 to 3306.56 of the Revised Code. 42548

Sec. 3306.53. From January 1, 2010, through April 14, 2010, a 42549

city, exempted village, or local school district and a community 42550  
school may submit to the Harmon commission an unlimited number of 42551  
applications for first-time designation of individual classrooms 42552  
as creative learning environments. No applications may be 42553  
submitted between April 15, 2010, and July 1, 2010. After July 1, 42554  
2011, each city, exempted village, or local school district and 42555  
each eligible community school may submit only one application per 42556  
fiscal year for first-time designation of one classroom as a 42557  
creative learning environment. 42558

Sec. 3306.54. Not later than the first day of May each year, 42559  
the Harmon commission shall begin meeting to review pending 42560  
applications for first-time designations submitted under section 42561  
3306.53 of the Revised Code. The commission shall approve or 42562  
disapprove all pending applications by the first day of July. The 42563  
decision of the commission is final. 42564

Sec. 3306.55. (A) The Harmon commission's first-time 42565  
designation of a classroom as a creative learning environment is 42566  
valid for one fiscal year. A school district or community school 42567  
may apply to have the designation renewed. The commission shall 42568  
renew the designation for the next two fiscal years if the school 42569  
district or community school applies for the renewal and the 42570  
commission finds that the classroom continues to meet the 42571  
guidelines adopted under section 3306.52 of the Revised Code. The 42572  
commission shall not renew the designation if the school district 42573  
or community school does not apply for renewal or if the 42574  
commission determines that the classroom no longer meets those 42575  
guidelines. 42576

(B) At the end of a two-year renewal granted under division 42577  
(A) of this section, and every two fiscal years thereafter, the 42578  
designation of a classroom as a creative learning environment is 42579

automatically renewed, without need for application, for the next 42580  
two fiscal years, unless the designation is revoked under division 42581  
(C) of this section. 42582

(C) If the department of education at any time finds that the 42583  
classroom is no longer operating in accordance with the standards 42584  
adopted under section 3306.52 of the Revised Code, the department 42585  
shall appeal the designation to the commission not later than the 42586  
fifteenth day of February. The commission shall review the 42587  
operation of the classroom and either continue the designation or 42588  
revoke the designation. A revocation shall take effect on the 42589  
first day of July following the department's appeal. 42590

(D) The decision of the commission under divisions (A) to (C) 42591  
of this section is final. 42592

(E) If the commission does not renew a designation of a 42593  
classroom under division (A) of this section or revokes that 42594  
designation under division (C) of this section, the district or 42595  
community school may reapply for designation of the classroom 42596  
under section 3306.53 of the Revised Code. That application shall 42597  
be treated as a new application for first-time designation. 42598

**Sec. 3306.56.** The city, exempted village, or local school 42599  
district or community school that operates a classroom designated 42600  
by the Harmon commission as a creative learning environment shall 42601  
submit periodic progress reports on the operation and performance 42602  
of the classroom to the department of education in the manner and 42603  
by the deadlines prescribed by the department. 42604

**Sec. 3306.57.** (A) To facilitate the pilot subsidy prescribed 42605  
by this section, the department of education annually shall rank 42606  
each city, exempted village, or local school district according to 42607  
income factor, as defined in section 3317.02 of the Revised Code, 42608  
from lowest to highest income factor. 42609

(B) Any school district that has one or more classrooms designated by the Harmon commission as a creative learning environment may apply for the pilot subsidy under this section if it is ranked in the lowest quintile according to income factor under division (A) of this section. Any community school established under Chapter 3314. of the Revised Code that has one or more classrooms designated by the Harmon commission as a creative learning environment may apply for the pilot subsidy. Each district and community school electing to apply shall do so in the manner and by the deadline established by the department. If more eligible districts and community schools apply for the subsidy than can be supported by the amount appropriated for the subsidy, the department shall select districts and community schools to receive the subsidy on a first-come, first served basis.

(C) Each school district or community school selected by the department for the pilot subsidy shall receive for fiscal year 2011 an amount equal to one hundred dollars for each student enrolled in a classroom operated by the district or community school that is designated as a creative learning environment.

(D) The department shall require each school district and community school that applies for a subsidy under this section to provide to the department, in the manner prescribed by the department, any data the department determines is necessary to process the district's or community school's application or subsidy payment.

**Sec. 3307.31.** (A) Payments by boards of education and governing authorities of community schools to the state teachers retirement system, as provided in sections 3307.29 and 3307.291 of the Revised Code, shall be made from the amount allocated under section 3314.08, Chapter 3306., or Chapter 3317. of the Revised

Code prior to its distribution to the individual school districts 42641  
or community schools. The amount due from each school district or 42642  
community school shall be certified by the secretary of the system 42643  
to the superintendent of public instruction monthly, or at such 42644  
times as may be determined by the state teachers retirement board. 42645  
42646

The superintendent shall deduct, from the amount allocated to 42647  
each district or community school under section 3314.08, Chapter 42648  
3306., or Chapter 3317. of the Revised Code, the entire amounts 42649  
due to the system from such district or school upon the 42650  
certification to the superintendent by the secretary thereof. 42651

The superintendent shall certify to the director of budget 42652  
and management the amounts thus due the system for payment. 42653

(B) Payments to the state teachers retirement system by a 42654  
science, technology, engineering, and mathematics school shall be 42655  
deducted from the amount allocated under section 3326.33 of the 42656  
Revised Code and shall be made in the same manner as payments by 42657  
boards of education under this section. 42658

**Sec. 3307.64.** A disability benefit recipient, notwithstanding 42659  
section 3319.13 of the Revised Code, shall retain membership in 42660  
the state teachers retirement system and shall be considered on 42661  
leave of absence during the first five years following the 42662  
effective date of a disability benefit. 42663

The state teachers retirement board shall require any 42664  
disability benefit recipient to submit to an annual medical 42665  
examination by a physician selected by the board, except that the 42666  
board may waive the medical examination if the board's physician 42667  
certifies that the recipient's disability is ongoing. If a 42668  
disability benefit recipient refuses to submit to a medical 42669  
examination, the recipient's disability benefit shall be suspended 42670  
until the recipient withdraws the refusal. If the refusal 42671

continues for one year, all the recipient's rights under and to 42672  
the disability benefit shall be terminated as of the effective 42673  
date of the original suspension. 42674

After the examination, the examiner shall report and certify 42675  
to the board whether the disability benefit recipient is no longer 42676  
physically and mentally incapable of resuming the service from 42677  
which the recipient was found disabled. If the board concurs in a 42678  
report by the examining physician that the disability benefit 42679  
recipient is no longer incapable, the payment of a disability 42680  
benefit shall be terminated not later than the following 42681  
thirty-first day of August or upon employment as a teacher prior 42682  
thereto. If the leave of absence has not expired, the board shall 42683  
so certify to the disability benefit recipient's last employer 42684  
before being found disabled that the recipient is no longer 42685  
physically and mentally incapable of resuming service that is the 42686  
same or similar to that from which the recipient was found 42687  
disabled. If the recipient was under contract at the time the 42688  
recipient was found disabled, the employer by the first day of the 42689  
next succeeding year shall restore the recipient to the 42690  
recipient's previous position and salary or to a position and 42691  
salary similar thereto, unless the recipient was dismissed or 42692  
resigned in lieu of dismissal for dishonesty, misfeasance, 42693  
malfeasance, or conviction of a felony. 42694

A disability benefit shall terminate if the disability 42695  
benefit recipient becomes employed as a teacher in any public or 42696  
private school or institution in this state or elsewhere. An 42697  
individual receiving a disability benefit from the system shall be 42698  
ineligible for any employment as a teacher and it shall be 42699  
unlawful for any employer to employ the individual as a teacher. 42700  
If any employer should employ or reemploy the individual prior to 42701  
the termination of a disability benefit, the employer shall file 42702  
notice of employment with the board designating the date of the 42703

employment. If the individual should be paid both a disability 42704  
benefit and also compensation for teaching service for all or any 42705  
part of the same month, the secretary of the board shall certify 42706  
to the employer or to the superintendent of public instruction the 42707  
amount of the disability benefit received by the individual during 42708  
the employment, which amount shall be deducted from any amount due 42709  
the employing district under ~~Chapter~~ Chapters 3306. and 3317. of 42710  
the Revised Code or shall be paid by the employer to the annuity 42711  
and pension reserve fund. 42712

Each disability benefit recipient shall file with the board 42713  
an annual statement of earnings, current medical information on 42714  
the recipient's condition, and any other information required in 42715  
rules adopted by the board. The board may waive the requirement 42716  
that a disability benefit recipient file an annual statement of 42717  
earnings or current medical information if the board's physician 42718  
certifies that the recipient's disability is ongoing. 42719

The board shall annually examine the information submitted by 42720  
the recipient. If a disability benefit recipient refuses to file 42721  
the statement or information, the disability benefit shall be 42722  
suspended until the statement and information are filed. If the 42723  
refusal continues for one year, the recipient's right to the 42724  
disability benefit shall be terminated as of the effective date of 42725  
the original suspension. 42726

A disability benefit also may be terminated by the board at 42727  
the request of the disability benefit recipient. 42728

If disability retirement under section 3307.63 of the Revised 42729  
Code is terminated for any reason, the annuity and pension 42730  
reserves at that time in the annuity and pension reserve fund 42731  
shall be transferred to the teachers' savings fund and the 42732  
employers' trust fund, respectively. If the total disability 42733  
benefit paid was less than the amount of the accumulated 42734  
contributions of the member transferred to the annuity and pension 42735

reserve fund at the time of the member's disability retirement, 42736  
then the difference shall be transferred from the annuity and 42737  
pension reserve fund to another fund as required. In determining 42738  
the amount of a member's account following the termination of 42739  
disability retirement for any reason, the total amount paid shall 42740  
be charged against the member's refundable account. 42741

If a disability allowance paid under section 3307.631 of the 42742  
Revised Code is terminated for any reason, the reserve on the 42743  
allowance at that time in the annuity and pension reserve fund 42744  
shall be transferred from that fund to the employers' trust fund. 42745

If a former disability benefit recipient again becomes a 42746  
contributor, other than as an other system retirant under section 42747  
3307.35 of the Revised Code, to this retirement system, the school 42748  
employees retirement system, or the public employees retirement 42749  
system, and completes at least two additional years of service 42750  
credit, the former disability benefit recipient shall receive 42751  
credit for the period as a disability benefit recipient. 42752

**Sec. 3309.41.** (A) A disability benefit recipient shall retain 42753  
membership status and shall be considered on leave of absence from 42754  
employment during the first five years following the effective 42755  
date of a disability benefit, notwithstanding any contrary 42756  
provisions in Chapter 124. or 3319. of the Revised Code. 42757

(B) The school employees retirement board shall require a 42758  
disability benefit recipient to undergo an annual medical 42759  
examination, except that the board may waive the medical 42760  
examination if the board's physician or physicians certify that 42761  
the recipient's disability is ongoing. Should any disability 42762  
benefit recipient refuse to submit to a medical examination, the 42763  
recipient's disability benefit shall be suspended until withdrawal 42764  
of the refusal. Should the refusal continue for one year, all the 42765  
recipient's rights in and to the disability benefit shall be 42766

terminated as of the effective date of the original suspension. 42767

(C) On completion of the examination by an examining 42768  
physician or physicians selected by the board, the physician or 42769  
physicians shall report and certify to the board whether the 42770  
disability benefit recipient is no longer physically and mentally 42771  
incapable of resuming the service from which the recipient was 42772  
found disabled. If the board concurs in the report that the 42773  
disability benefit recipient is no longer incapable, the payment 42774  
of the disability benefit shall be terminated not later than three 42775  
months after the date of the board's concurrence or upon 42776  
employment as an employee. If the leave of absence has not 42777  
expired, the retirement board shall certify to the disability 42778  
benefit recipient's last employer before being found disabled that 42779  
the recipient is no longer physically and mentally incapable of 42780  
resuming service that is the same or similar to that from which 42781  
the recipient was found disabled. The employer shall restore the 42782  
recipient to the recipient's previous position and salary or to a 42783  
position and salary similar thereto not later than the first day 42784  
of the first month following termination of the disability 42785  
benefit, unless the recipient was dismissed or resigned in lieu of 42786  
dismissal for dishonesty, misfeasance, malfeasance, or conviction 42787  
of a felony. 42788

(D) Each disability benefit recipient shall file with the 42789  
board an annual statement of earnings, current medical information 42790  
on the recipient's condition, and any other information required 42791  
in rules adopted by the board. The board may waive the requirement 42792  
that a disability benefit recipient file an annual statement of 42793  
earnings or current medical information on the recipient's 42794  
condition if the board's physician or physicians certify that the 42795  
recipient's disability is ongoing. 42796

The board shall annually examine the information submitted by 42797  
the recipient. If a disability benefit recipient refuses to file 42798

the statement or information, the disability benefit shall be 42799  
suspended until the statement and information are filed. If the 42800  
refusal continues for one year, the recipient's right to the 42801  
disability benefit shall be terminated as of the effective date of 42802  
the original suspension. 42803

(E) If a disability benefit recipient is employed by an 42804  
employer covered by this chapter, the recipient's disability 42805  
benefit shall cease. 42806

(F) If disability retirement under section 3309.40 of the 42807  
Revised Code is terminated for any reason, the annuity and pension 42808  
reserves at that time in the annuity and pension reserve fund 42809  
shall be transferred to the employees' savings fund and the 42810  
employers' trust fund, respectively. If the total disability 42811  
benefit paid is less than the amount of the accumulated 42812  
contributions of the member transferred into the annuity and 42813  
pension reserve fund at the time of the member's disability 42814  
retirement, the difference shall be transferred from the annuity 42815  
and pension reserve fund to another fund as may be required. In 42816  
determining the amount of a member's account following the 42817  
termination of disability retirement for any reason, the amount 42818  
paid shall be charged against the member's refundable account. 42819

If a disability allowance paid under section 3309.401 of the 42820  
Revised Code is terminated for any reason, the reserve on the 42821  
allowance at that time in the annuity and pension reserve fund 42822  
shall be transferred from that fund to the employers' trust fund. 42823

The board may terminate a disability benefit at the request 42824  
of the recipient. 42825

(G) If a disability benefit is terminated and a former 42826  
disability benefit recipient again becomes a contributor, other 42827  
than as an other system retirant as defined in section 3309.341 of 42828  
the Revised Code, to this system, the public employees retirement 42829

system, or the state teachers retirement system, and completes an 42830  
additional two years of service credit after the termination of 42831  
the disability benefit, the former disability benefit recipient 42832  
shall be entitled to full service credit for the period as a 42833  
disability benefit recipient. 42834

(H) If any employer employs any member who is receiving a 42835  
disability benefit, the employer shall file notice of employment 42836  
with the retirement board, designating the date of employment. In 42837  
case the notice is not filed, the total amount of the benefit paid 42838  
during the period of employment prior to notice shall be paid from 42839  
amounts allocated under ~~Chapter~~ Chapters 3306. and 3317. of the 42840  
Revised Code prior to its distribution to the school district in 42841  
which the disability benefit recipient was so employed. 42842

**Sec. 3309.48.** Any employee who left the service of an 42843  
employer after attaining age sixty-five or over and such employer 42844  
had failed or refused to deduct and transmit to the school 42845  
employees retirement system the employee contributions as required 42846  
by section 3309.47 of the Revised Code during any year for which 42847  
membership was compulsory as determined by the school employees 42848

which shall be considered as total service credit for the purposes 42850  
of meeting the qualifications for service retirement provided by 42851  
the law in effect on and retroactive to the first eligible 42852  
retirement date following the date such employment terminated, but 42853  
shall not be paid until formal application for such allowance on a 42854  
form provided by the retirement board is received in the office of 42855  
the retirement system. The total service credit granted under this 42856  
section shall not exceed ten years for any such employee. 42857

The liability incurred by the retirement board because of the 42858  
service credit granted under this section shall be determined by 42859  
the retirement board, the cost of which shall be equal to an 42860

amount that is determined by applying the combined employee and 42861  
employer rates of contribution against the compensation of such 42862  
employee at the rates of contribution and maximum salary 42863  
provisions in effect during such employment for each year for 42864  
which credit is granted, together with interest at the rate to be 42865  
credited accumulated contributions at retirement, compounded 42866  
annually from the first day of the month payment was due the 42867  
retirement system to and including the month of deposit, the total 42868  
amount of which shall be collected from the employer. Such amounts 42869  
shall be certified by the retirement board to the superintendent 42870  
of public instruction, who shall deduct the amount due the system 42871  
from any funds due the affected school district under ~~Chapter~~ 42872  
Chapters 3306. and 3317. of the Revised Code. The superintendent 42873  
shall certify to the director of budget and management the amount 42874  
due the system for payment. The total amount paid shall be 42875  
deposited into the employers' trust fund, and shall not be 42876  
considered as accumulated contributions of the employee in the 42877  
event of ~~his~~ the employee's death or withdrawal of funds. 42878

This comparison shall display both the aggregate difference 43072  
between the amounts described in divisions (D)(1) and (2) of this 43073

or other public provider, or for a child to attend a community 43272  
school established under Chapter 3314. of the Revised Code. 43273

school, from applying for and accepting a scholarship under this 43278  
section so that the parent may withdraw the child from that 43279  
program or community school and use the scholarship for the child 43280  
to attend a special education program for which the parent is 43281  
required to pay for services for the child. A child attending a 43282  
special education program with a scholarship under this section 43283

the district's formula ADM. 43312

The scholarships deducted shall be considered as an approved 43313  
special education and related services expense ~~for the purpose~~ of 43314  
the school ~~district's compliance with division (C)(5) of section~~ 43315

(3) From time to time, the department shall make a payment to 43317  
the parent of each qualified special education child for whom a 43318  
scholarship has been awarded under this section. The scholarship 43319  
amount shall be proportionately reduced in the case of any such 43320  
child who is not enrolled in the special education program for 43321  
which a scholarship was awarded under this section for the entire 43322

school year. The department shall make no payments to the parent 43323  
of a child while any administrative or judicial mediation or 43324  
proceedings with respect to the content of the child's 43325  
individualized education program are pending. 43326

(D) A scholarship shall not be paid to a parent for payment 43327

Any urban school district that has not entered into an 43431  
annexation agreement with any other school district whose 43432  
territory would be affected by any transfer under this division 43433  
and that desires to negotiate the terms of transfer with any such 43434  
district shall conduct any negotiations under division (F) of this 43435  
section as part of entering into an annexation agreement with such 43436  
a district. 43437

Any school district, except an urban school district, 43438  
desiring state board approval of a transfer under this division 43439  
shall make a good faith effort to negotiate the terms of transfer 43440  
with any other school district whose territory would be affected 43441  
by the transfer. Before the state board may approve any transfer 43442  
of territory to a school district, except an urban school 43443  
district, under this section, it must receive the following: 43444

(a) A resolution requesting approval of the transfer, passed 43445

by at least one of the school districts whose territory would be 43446  
affected by the transfer; 43447

(b) Evidence determined to be sufficient by the state board 43448  
to show that good faith negotiations have taken place or that the 43449  
district requesting the transfer has made a good faith effort to 43450  
hold such negotiations; 43451

(c) If any negotiations took place, a statement signed by all 43452  
boards that participated in the negotiations, listing the terms 43453  
agreed on and the points on which no agreement could be reached. 43454

(D) The state board of education shall adopt rules governing 43455  
negotiations held by any school district except an urban school 43456  
district pursuant to division (C)(2) of this section. The rules 43457  
shall encourage the realization of the following goals: 43458

(1) A discussion by the negotiating districts of the present 43459  
and future educational needs of the pupils in each district; 43460

(2) The educational, financial, and territorial stability of 43461  
each district affected by the transfer; 43462

(3) The assurance of appropriate educational programs, 43463  
services, and opportunities for all the pupils in each 43464  
participating district, and adequate planning for the facilities 43465  
needed to provide these programs, services, and opportunities. 43466

Districts involved in negotiations under such rules may agree 43467  
to share revenues from the property included in the territory to 43468  
be transferred, establish cooperative programs between the 43469  
participating districts, and establish mechanisms for the 43470  
settlement of any future boundary disputes. 43471

(E)(1) If territory annexed after September 24, 1986, is part 43472  
of a school district that is a party to an annexation agreement 43473  
with the urban school district serving the annexing city, the 43474  
transfer of such territory shall be governed by the agreement. If 43475

the agreement does not specify how the territory is to be dealt 43476  
with, the boards of education of the district in which the 43477  
territory is located and the urban school district shall negotiate 43478  
with regard to the transfer of the territory which shall be 43479  
transferred to the urban school district unless, not later than 43480  
ninety days after the effective date of municipal annexation, the 43481  
boards of education of both districts, by resolution adopted by a 43482  
majority of the members of each board, agree that the territory 43483  
will not be transferred and so inform the state board of 43484  
education. 43485

If territory is transferred under this division the transfer 43486  
shall take effect on the first day of July occurring not sooner 43487  
than ninety-one days after the effective date of the municipal 43488  
annexation. Territory transferred under this division need not be 43489  
contiguous to the district to which it is transferred. 43490

(2) Territory annexed prior to September 24, 1986, by a city 43491  
served by an urban school district shall not be subject to 43492  
transfer under this section if the district in which the territory 43493  
is located is a party to an annexation agreement or becomes a 43494  
party to such an agreement not later than ninety days after 43495  
September 24, 1986. If the district does not become a party to an 43496  
annexation agreement within the ninety-day period, transfer of 43497  
territory shall be governed by division (C)(2) of this section. If 43498  
the district subsequently becomes a party to an agreement, 43499  
territory annexed prior to September 24, 1986, other than 43500  
territory annexed under division (C)(2) of this section prior to 43501  
the effective date of the agreement, shall not be subject to 43502  
transfer under this section. 43503

(F) An urban school district may enter into a comprehensive 43504  
agreement with one or more school districts under which transfers 43505  
of territory annexed by the city served by the urban school 43506  
district after September 24, 1986, shall be governed by the 43507

agreement. Such agreement must provide for the establishment of a 43508  
cooperative education program under section 3313.842 of the 43509  
Revised Code in which all the parties to the agreement are 43510  
participants and must be approved by resolution of the majority of 43511  
the members of each of the boards of education of the school 43512  
districts that are parties to it. An agreement may provide for 43513  
interdistrict payments based on local revenue growth resulting 43514  
from development in any territory annexed by the city served by 43515  
the urban school district. 43516

An agreement entered into under this division may be altered, 43517  
modified, or terminated only by agreement, by resolution approved 43518  
by the majority of the members of each board of education, of all 43519  
school districts that are parties to the agreement, except that 43520  
with regard to any provision that affects only the urban school 43521  
district and one of the other districts that is a party, that 43522  
district and the urban district may modify or alter the agreement 43523  
by resolution approved by the majority of the members of the board 43524  
of that district and the urban district. Alterations, 43525  
modifications, terminations, and extensions of an agreement 43526  
entered into under this division do not require approval of the 43527  
state board of education, but shall be filed with the board after 43528  
approval and execution by the parties. 43529

If an agreement provides for interdistrict payments, each 43530  
party to the agreement, except any school district specifically 43531  
exempted by the agreement, shall agree to make an annual payment 43532  
to the urban school district with respect to any of its territory 43533  
that is annexed territory in an amount not to exceed the amount 43534  
certified for that year under former section 3317.029 of the 43535  
Revised Code as that section existed prior to July 1, 1998; except 43536  
that such limitation of annual payments to amounts certified under 43537  
former section 3317.029 of the Revised Code does not apply to 43538  
agreements or extensions of agreements entered into on or after 43539

June 1, 1992, unless such limitation is expressly agreed to by the parties. The agreement may provide that all or any part of the payment shall be waived if the urban school district receives its payment with respect to such annexed territory under former section 3317.029 of the Revised Code and that all or any part of such payment may be waived if the urban school district does not receive its payment with respect to such annexed territory under such section.

With respect to territory that is transferred to the urban school district after September 24, 1986, the agreement may provide for annual payments by the urban school district to the school district whose territory is transferred to the urban school district subsequent to annexation by the city served by the urban school district.

(G) In the event territory is transferred from one school district to another under this section, an equitable division of the funds and indebtedness between the districts involved shall be made under the supervision of the state board of education and that board's decision shall be final. Such division shall not include funds payable to or received by a school district under Chapter 3306. or 3317. of the Revised Code or payable to or received by a school district from the United States or any department or agency thereof. In the event such transferred territory includes real property owned by a school district, the state board of education, as part of such division of funds and indebtedness, shall determine the true value in money of such real property and all buildings or other improvements thereon. The board of education of the school district receiving such territory shall forthwith pay to the board of education of the school district losing such territory such true value in money of such real property, buildings, and improvements less such percentage of the true value in money of each school building located on such

real property as is represented by the ratio of the total 43572  
enrollment in day classes of the pupils residing in the territory 43573  
transferred enrolled at such school building in the school year in 43574  
which such annexation proceedings were commenced to the total 43575  
enrollment in day classes of all pupils residing in the school 43576  
district losing such territory enrolled at such school building in 43577  
such school year. The school district receiving such payment shall 43578  
place the proceeds thereof in its sinking fund or bond retirement 43579  
fund. 43580

(H) The state board of education, before approving such 43581  
transfer of territory, shall determine that such payment has been 43582  
made and shall apportion to the acquiring school district such 43583  
percentage of the indebtedness of the school district losing the 43584  
territory as is represented by the ratio that the assessed 43585  
valuation of the territory transferred bears to the total assessed 43586  
valuation of the entire school district losing the territory as of 43587  
the effective date of the transfer, provided that in ascertaining 43588  
the indebtedness of the school district losing the territory the 43589  
state board of education shall disregard such percentage of the 43590  
par value of the outstanding and unpaid bonds and notes of said 43591  
school district issued for construction or improvement of the 43592  
school building or buildings for which payment was made by the 43593  
acquiring district as is equal to the percentage by which the true 43594  
value in money of such building or buildings was reduced in fixing 43595  
the amount of said payment. 43596

(I) No transfer of school district territory or division of 43597  
funds and indebtedness incident thereto, pursuant to the 43598  
annexation of territory to a city or village shall be completed in 43599  
any other manner than that prescribed by this section regardless 43600  
of the date of the commencement of such annexation proceedings, 43601  
and this section applies to all proceedings for such transfers and 43602  
divisions of funds and indebtedness pending or commenced on or 43603

after October 2, 1959. 43604

**Sec. 3311.19.** (A) The management and control of a joint 43605  
vocational school district shall be vested in the joint vocational 43606  
school district board of education. Where a joint vocational 43607  
school district is composed only of two or more local school 43608  
districts located in one county, or when all the participating 43609  
districts are in one county and the boards of such participating 43610  
districts so choose, the educational service center governing 43611  
board of the county in which the joint vocational school district 43612  
is located shall serve as the joint vocational school district 43613  
board of education. Where a joint vocational school district is 43614  
composed of local school districts of more than one county, or of 43615  
any combination of city, local, or exempted village school 43616  
districts or educational service centers, unless administration by 43617  
the educational service center governing board has been chosen by 43618  
all the participating districts in one county pursuant to this 43619  
section, the board of education of the joint vocational school 43620  
district shall be composed of one or more persons who are members 43621  
of the boards of education from each of the city or exempted 43622  
village school districts or members of the educational service 43623  
centers' governing boards affected to be appointed by the boards 43624  
of education or governing boards of such school districts and 43625  
educational service centers. In such joint vocational school 43626  
districts the number and terms of members of the joint vocational 43627  
school district board of education and the allocation of a given 43628  
number of members to each of the city and exempted village 43629  
districts and educational service centers shall be determined in 43630  
the plan for such district, provided that each such joint 43631  
vocational school district board of education shall be composed of 43632  
an odd number of members. 43633

(B) Notwithstanding division (A) of this section, a governing 43634  
board of an educational service center that has members of its 43635

governing board serving on a joint vocational school district 43636  
board of education may make a request to the joint vocational 43637  
district board that the joint vocational school district plan be 43638  
revised to provide for one or more members of boards of education 43639  
of local school districts that are within the territory of the 43640  
educational service district and within the joint vocational 43641  
school district to serve in the place of or in addition to its 43642  
educational service center governing board members. If agreement 43643  
is obtained among a majority of the boards of education and 43644  
governing boards that have a member serving on the joint 43645  
vocational school district board of education and among a majority 43646  
of the local school district boards of education included in the 43647  
district and located within the territory of the educational 43648  
service center whose board requests the substitution or addition, 43649  
the state board of education may revise the joint vocational 43650  
school district plan to conform with such agreement. 43651

(C) If the board of education of any school district or 43652  
educational service center governing board included within a joint 43653  
vocational district that has had its board or governing board 43654  
membership revised under division (B) of this section requests the 43655  
joint vocational school district board to submit to the state 43656  
board of education a revised plan under which one or more joint 43657  
vocational board members chosen in accordance with a plan revised 43658  
under such division would again be chosen in the manner prescribed 43659  
by division (A) of this section, the joint vocational board shall 43660  
submit the revised plan to the state board of education, provided 43661  
the plan is agreed to by a majority of the boards of education 43662  
represented on the joint vocational board, a majority of the local 43663  
school district boards included within the joint vocational 43664  
district, and each educational service center governing board 43665  
affected by such plan. The state board of education may revise the 43666  
joint vocational school district plan to conform with the revised 43667  
plan. 43668

(D) The vocational schools in such joint vocational school district shall be available to all youth of school age within the joint vocational school district subject to the rules adopted by the joint vocational school district board of education in regard to the standards requisite to admission. A joint vocational school district board of education shall have the same powers, duties, and authority for the management and operation of such joint vocational school district as is granted by law, except by this chapter and Chapters 124., 3306., 3317., 3323., and 3331. of the Revised Code, to a board of education of a city school district, and shall be subject to all the provisions of law that apply to a city school district, except such provisions in this chapter and Chapters 124., 3306., 3317., 3323., and 3331. of the Revised Code.

(E) Where a governing board of an educational service center has been designated to serve as the joint vocational school district board of education, the educational service center superintendent shall be the executive officer for the joint vocational school district, and the governing board may provide for additional compensation to be paid to the educational service center superintendent by the joint vocational school district, but the educational service center superintendent shall have no continuing tenure other than that of educational service center superintendent. The superintendent of schools of a joint vocational school district shall exercise the duties and authority vested by law in a superintendent of schools pertaining to the operation of a school district and the employment and supervision of its personnel. The joint vocational school district board of education shall appoint a treasurer of the joint vocational school district who shall be the fiscal officer for such district and who shall have all the powers, duties, and authority vested by law in a treasurer of a board of education. Where a governing board of an educational service center has been designated to serve as the joint vocational school district board of education, such board

may appoint the educational service center superintendent as the 43702  
treasurer of the joint vocational school district. 43703

(F) Each member of a joint vocational school district board 43704  
of education may be paid such compensation as the board provides 43705  
by resolution, but it shall not exceed one hundred twenty-five 43706  
dollars per member for each meeting attended plus mileage, at the 43707  
rate per mile provided by resolution of the board, to and from 43708  
meetings of the board. 43709

The board may provide by resolution for the deduction of 43710  
amounts payable for benefits under section 3313.202 of the Revised 43711  
Code. 43712

Each member of a joint vocational school district board may 43713  
be paid such compensation as the board provides by resolution for 43714  
attendance at an approved training program, provided that such 43715  
compensation shall not exceed sixty dollars per day for attendance 43716  
at a training program three hours or fewer in length and one 43717  
hundred twenty-five dollars a day for attendance at a training 43718  
program longer than three hours in length. However, no board 43719  
member shall be compensated for the same training program under 43720  
this section and section 3313.12 of the Revised Code. 43721

**Sec. 3311.21.** (A) In addition to the resolutions authorized 43722  
by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of 43723  
the Revised Code, the board of education of a joint vocational or 43724  
cooperative education school district by a vote of two-thirds of 43725  
its full membership may at any time adopt a resolution declaring 43726  
the necessity to levy a tax in excess of the ten-mill limitation 43727  
for a period not to exceed ten years to provide funds for any one 43728  
or more of the following purposes, which may be stated in the 43729  
following manner in such resolution, the ballot, and the notice of 43730  
election: purchasing a site or enlargement thereof and for the 43731  
erection and equipment of buildings; for the purpose of enlarging, 43732

improving, or rebuilding thereof; for the purpose of providing for 43733  
the current expenses of the joint vocational or cooperative school 43734  
district; or for a continuing period for the purpose of providing 43735  
for the current expenses of the joint vocational or cooperative 43736  
education school district. The resolution shall specify the amount 43737  
of the proposed rate and, if a renewal, whether the levy is to 43738  
renew all, or a portion of, the existing levy, and shall specify 43739  
the first year in which the levy will be imposed. If the levy 43740  
provides for but is not limited to current expenses, the 43741  
resolution shall apportion the annual rate of the levy between 43742  
current expenses and the other purpose or purposes. Such 43743  
apportionment may but need not be the same for each year of the 43744  
levy, but the respective portions of the rate actually levied each 43745  
year for current expenses and the other purpose or purposes shall 43746  
be limited by such apportionment. The portion of any such rate 43747  
actually levied for current expenses of a joint vocational or 43748  
cooperative education school district shall be used in applying 43749  
division (A)(1) of section 3306.01 and division (A) of section 43750  
3317.01 of the Revised Code. The portion of any such rate not 43751  
apportioned to the current expenses of a joint vocational or 43752  
cooperative education school district shall be used in applying 43753  
division (B) of this section. On the adoption of such resolution, 43754  
the joint vocational or cooperative education school district 43755  
board of education shall certify the resolution to the board of 43756  
elections of the county containing the most populous portion of 43757  
the district, which board shall receive resolutions for filing and 43758  
send them to the boards of elections of each county in which 43759  
territory of the district is located, furnish all ballots for the 43760  
election as provided in section 3505.071 of the Revised Code, and 43761  
prepare the election notice; and the board of elections of each 43762  
county in which the territory of such district is located shall 43763  
make the other necessary arrangements for the submission of the 43764  
question to the electors of the joint vocational or cooperative 43765

education school district at the next primary or general election 43766  
occurring not less than seventy-five days after the resolution was 43767  
received from the joint vocational or cooperative education school 43768  
district board of education, or at a special election to be held 43769  
at a time designated by the district board of education consistent 43770  
with the requirements of section 3501.01 of the Revised Code, 43771  
which date shall not be earlier than seventy-five days after the 43772  
adoption and certification of the resolution. 43773

The board of elections of the county or counties in which 43774  
territory of the joint vocational or cooperative education school 43775  
district is located shall cause to be published in one or more 43776  
newspapers of general circulation in that district an 43777  
advertisement of the proposed tax levy question together with a 43778  
statement of the amount of the proposed levy once a week for two 43779  
consecutive weeks, prior to the election at which the question is 43780  
to appear on the ballot, and, if the board of elections operates 43781  
and maintains a web site, the board also shall post a similar 43782  
advertisement on its web site for thirty days prior to that 43783  
election. 43784

If a majority of the electors voting on the question of 43785  
levying such tax vote in favor of the levy, the joint vocational 43786  
or cooperative education school district board of education shall 43787  
annually make the levy within the district at the rate specified 43788  
in the resolution and ballot or at any lesser rate, and the county 43789  
auditor of each affected county shall annually place the levy on 43790  
the tax list and duplicate of each school district in the county 43791  
having territory in the joint vocational or cooperative education 43792  
school district. The taxes realized from the levy shall be 43793  
collected at the same time and in the same manner as other taxes 43794  
on the duplicate, and the taxes, when collected, shall be paid to 43795  
the treasurer of the joint vocational or cooperative education 43796  
school district and deposited to a special fund, which shall be 43797

established by the joint vocational or cooperative education 43798  
school district board of education for all revenue derived from 43799  
any tax levied pursuant to this section and for the proceeds of 43800  
anticipation notes which shall be deposited in such fund. After 43801  
the approval of the levy, the joint vocational or cooperative 43802  
education school district board of education may anticipate a 43803  
fraction of the proceeds of the levy and from time to time, during 43804  
the life of the levy, but in any year prior to the time when the 43805  
tax collection from the levy so anticipated can be made for that 43806  
year, issue anticipation notes in an amount not exceeding fifty 43807  
per cent of the estimated proceeds of the levy to be collected in 43808  
each year up to a period of five years after the date of the 43809  
issuance of the notes, less an amount equal to the proceeds of the 43810  
levy obligated for each year by the issuance of anticipation 43811  
notes, provided that the total amount maturing in any one year 43812  
shall not exceed fifty per cent of the anticipated proceeds of the 43813  
levy for that year. Each issue of notes shall be sold as provided 43814  
in Chapter 133. of the Revised Code, and shall, except for such 43815  
limitation that the total amount of such notes maturing in any one 43816  
year shall not exceed fifty per cent of the anticipated proceeds 43817  
of the levy for that year, mature serially in substantially equal 43818  
installments, during each year over a period not to exceed five 43819  
years after their issuance. 43820

(B) Prior to the application of section 319.301 of the 43821  
Revised Code, the rate of a levy that is limited to, or to the 43822  
extent that it is apportioned to, purposes other than current 43823  
expenses shall be reduced in the same proportion in which the 43824  
district's total valuation increases during the life of the levy 43825  
because of additions to such valuation that have resulted from 43826  
improvements added to the tax list and duplicate. 43827

(C) The form of ballot cast at an election under division (A) 43828  
of this section shall be as prescribed by section 5705.25 of the 43829

Revised Code. 43830

**Sec. 3311.29.** (A) Except as provided under division (B) or 43831  
(C) of this section, no school district shall be created and no 43832  
school district shall exist which does not maintain within such 43833  
district public schools consisting of grades kindergarten through 43834  
twelve and any such existing school district not maintaining such 43835  
schools shall be dissolved and its territory joined with another 43836  
school district or districts by order of the state board of 43837  
education if no agreement is made among the surrounding districts 43838  
voluntarily, which order shall provide an equitable division of 43839  
the funds, property, and indebtedness of the dissolved school 43840  
district among the districts receiving its territory. The state 43841  
board of education may authorize exceptions to school districts 43842  
where topography, sparsity of population, and other factors make 43843  
compliance impracticable. 43844

established pursuant to divisions (A) to (C) of this section or 43888  
pursuant to section 3311.521 of the Revised Code. 43889

(A) A cooperative education school district may be 43890  
established upon the adoption of identical resolutions within a 43891

sixty-day period by a majority of the members of the board of 43892

district. 43895

A copy of each resolution shall be filed with the governing 43896  
board ~~of education~~ of the educational service center which created 43897

resolution of the date on which the last resolution was filed. 43901

Ten days after the date on which the last resolution is filed 43902  
with the educational service center governing board or ten days 43903

par value of the outstanding and unpaid bonds and notes of the 43924  
dissolved district and the amount held in the sinking fund and 43925  
other indebtedness retirement funds for their redemption. 43926

When a county school financing district is dissolved and a 43927  
cooperative education school district is established under this 43928  
section, the governing board of the educational service center 43929  
that created the dissolved district shall give written notice of 43930

shall require one of the following: 43953

service center within the territory of the cooperative district; 43958

(b) The selection of one person as the treasurer and another 43959

conduct, including but not necessarily limited to the type of 43967  
educational program, the grade levels proposed for inclusion in 43968  
the program, the timetable for commencing operation of the 43969  
program, and the facilities proposed to be used or constructed to 43970  
be used by the program; 43971

(4) A statement of the annual amount, or the method for 43972  
determining that amount, of funds or services or facilities that 43973  
each city, local, and exempted village school district within the 43974  
territory of the cooperative district is required to pay to or 43975  
provide for the use of the board of education of the cooperative 43976  
education school district; 43977

(5) Provision for adopting amendments to the provisions of 43978  
divisions (B)(2) to (4) of this section. 43979

(C) If the resolutions adopted under division (A) of this 43980  
section provide for a board of education of the cooperative 43981  
education school district that is not the governing board of the 43982  
educational service center that created the county school 43983  
financing district, each board of education of each city, local, 43984

educational service center within the territory of the cooperative 43986  
district shall, within thirty days after the date on which the 43987  
last resolution is filed with the educational service center 43988  
governing board under division (A) of this section, select one or 43989  
more members of the board of education of the cooperative district 43990  
as provided in the resolutions filed with the educational service 43991

the educational ~~services~~ service center governing board of each 43993  
such selection. 43994

(D) Except for the powers and duties in this chapter and 43995  
Chapters 124., 3306., 3317., 3318., 3323., and 3331. of the 43996

adopted under division (A) of this section. All laws applicable to 44003  
a city school district or the board of education or the members of 44004  
the board of education of a city school district, except such laws 44005

The treasurer and superintendent of a cooperative education 44009  
school district shall have the same respective duties and powers 44010  
as a treasurer and superintendent of a city school district, 44011  
except for any powers and duties in this chapter and Chapters 44012

The request must specify the provisions from which the district is seeking exemption or the application requested and the reasons for the request. The state superintendent shall approve the request if the superintendent finds the requested exemption or application is in the best interest of the district's students. The superintendent shall approve or disapprove the request within thirty days and shall notify the district board and the district chief executive officer of approval or reasons for disapproving the request.

(B) In addition to the rights, authority, and duties conferred upon a municipal school district and its board of education in sections 3311.71 to 3311.76 of the Revised Code, a

municipal school district and its board shall have all of the 44049  
rights, authority, and duties conferred upon a city school 44050  
district and its board by law that are not inconsistent with 44051  
sections 3311.71 to 3311.76 of the Revised Code. 44052

**Sec. 3313.41.** (A) Except as provided in divisions (C), (D), 44053  
and (F), ~~and (G)~~ of this section, when a board of education 44054  
decides to dispose of real or personal property that it owns in 44055  
its corporate capacity and that exceeds in value ten thousand 44056  
dollars, it shall sell the property at public auction, after 44057  
giving at least thirty days' notice of the auction by publication 44058  
in a newspaper of general circulation or by posting notices in 44059  
five of the most public places in the school district in which the 44060  
property, if it is real property, is situated, or, if it is 44061  
personal property, in the school district of the board of 44062  
education that owns the property. The board may offer real 44063  
property for sale as an entire tract or in parcels. 44064

(B) When the board of education has offered real or personal 44065  
property for sale at public auction at least once pursuant to 44066  
division (A) of this section, and the property has not been sold, 44067  
the board may sell it at a private sale. Regardless of how it was 44068  
offered at public auction, at a private sale, the board shall, as 44069  
it considers best, sell real property as an entire tract or in 44070  
parcels, and personal property in a single lot or in several lots. 44071

(C) If a board of education decides to dispose of real or 44072  
personal property that it owns in its corporate capacity and that 44073  
exceeds in value ten thousand dollars, it may sell the property to 44074  
the adjutant general; to any subdivision or taxing authority as 44075  
respectively defined in divisions (A) and (C) of section 5705.01 44076

Code; to a wholly or partially tax-supported university, 44080  
university branch, or college; or to the board of trustees of a 44081  
school district library, upon such terms as are agreed upon. The 44082  
sale of real or personal property to the board of trustees of a 44083  
school district library is limited, in the case of real property, 44084  
to a school district library within whose boundaries the real 44085  
property is situated, or, in the case of personal property, to a 44086  
school district library whose boundaries lie in whole or in part 44087  
within the school district of the selling board of education. 44088

(D) When a board of education decides to trade as a part or 44089  
an entire consideration, an item of personal property on the 44090  
purchase price of an item of similar personal property, it may 44091  
trade the same upon such terms as are agreed upon by the parties 44092  
to the trade. 44093

(E) The president and the treasurer of the board of education 44094  
shall execute and deliver deeds or other necessary instruments of 44095  
conveyance to complete any sale or trade under this section. 44096

(F) When a board of education has identified a parcel of real 44097  
property that it determines is needed for school purposes, the 44098  
board may, upon a majority vote of the members of the board, 44099  
acquire that property by exchanging real property that the board 44100  
owns in its corporate capacity for the identified real property or 44101  
by using real property that the board owns in its corporate 44102  
capacity as part or an entire consideration for the purchase price 44103  
of the identified real property. Any exchange or acquisition made 44104  
pursuant to this division shall be made by a conveyance executed 44105  
by the president and the treasurer of the board. 44106

~~(G)(1) When a school district board of education decides to 44107  
dispose of real property suitable for use as classroom space, 44108  
prior to disposing of that property under divisions (A) to (F) of 44109  
this section, it shall first offer that property for sale to the 44110  
governing authorities of the start-up community schools 44111~~

~~established under Chapter 3314. of the Revised Code located within 44112  
the territory of the school district, at a price that is not 44113  
higher than the appraised fair market value of that property. If 44114  
more than one community school governing authority accepts the 44115  
offer made by the school district board, the board shall sell the 44116  
property to the governing authority that accepted the offer first 44117  
in time. If no community school governing authority accepts the 44118  
offer within sixty days after the offer is made by the school 44119  
district board, the board may dispose of the property in the 44120  
applicable manner prescribed under divisions (A) to (F) of this 44121  
section. 44122~~

~~(2) When a school district board of education has not used 44123  
real property suitable for classroom space for academic 44124  
instruction, administration, storage, or any other educational 44125  
purpose for one full school year and has not adopted a resolution 44126  
outlining a plan for using that property for any of those purposes 44127  
within the next three school years, it shall offer that property 44128  
for sale to the governing authorities of the start up community 44129  
schools established under Chapter 3314. of the Revised Code 44130  
located within the territory of the school district, at a price 44131  
that is not higher than the appraised fair market value of that 44132  
property. If more than one community school governing authority 44133  
accepts the offer made by the school district board, the board 44134  
shall sell the property to the governing authority that accepted 44135  
the offer first in time. 44136~~

~~(H) When a school district board of education has property 44137  
that the board, by resolution, finds is not needed for school 44138  
district use, is obsolete, or is unfit for the use for which it 44139  
was acquired, the board may donate that property in accordance 44140  
with this division if the fair market value of the property is, in 44141  
the opinion of the board, two thousand five hundred dollars or 44142  
less. 44143~~

The property may be donated to an eligible nonprofit organization that is located in this state and is exempt from federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). Before donating any property under this division, the board shall adopt a resolution expressing its intent to make unneeded, obsolete, or unfit-for-use school district property available to these organizations. The resolution shall include guidelines and procedures the board considers to be necessary to implement the donation program and shall indicate whether the school district will conduct the donation program or the board will contract with a representative to conduct it. If a representative is known when the resolution is adopted, the resolution shall provide contact information such as the representative's name, address, and telephone number.

The resolution shall include within its procedures a requirement that any nonprofit organization desiring to obtain donated property under this division shall submit a written notice to the board or its representative. The written notice shall include evidence that the organization is a nonprofit organization that is located in this state and is exempt from federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of the organization's primary purpose; a description of the type or types of property the organization needs; and the name, address, and telephone number of a person designated by the organization's governing board to receive donated property and to serve as its agent.

After adoption of the resolution, the board shall publish, in a newspaper of general circulation in the school district, notice of its intent to donate unneeded, obsolete, or unfit-for-use school district property to eligible nonprofit organizations. The notice shall include a summary of the information provided in the resolution and shall be published at least twice. The second and

any subsequent notice shall be published not less than ten nor 44176  
more than twenty days after the previous notice. A similar notice 44177  
also shall be posted continually in the board's office, and, if 44178  
the school district maintains a web site on the internet, the 44179  
notice shall be posted continually at that web site. 44180

The board or its representatives shall maintain a list of all 44181  
nonprofit organizations that notify the board or its 44182  
representative of their desire to obtain donated property under 44183  
this division and that the board or its representative determines 44184  
to be eligible, in accordance with the requirements set forth in 44185  
this section and in the donation program's guidelines and 44186  
procedures, to receive donated property. 44187

The board or its representative also shall maintain a list of 44188  
all school district property the board finds to be unneeded, 44189  
obsolete, or unfit for use and to be available for donation under 44190  
this division. The list shall be posted continually in a 44191  
conspicuous location in the board's office, and, if the school 44192  
district maintains a web site on the internet, the list shall be 44193  
posted continually at that web site. An item of property on the 44194  
list shall be donated to the eligible nonprofit organization that 44195  
first declares to the board or its representative its desire to 44196  
obtain the item unless the board previously has established, by 44197  
resolution, a list of eligible nonprofit organizations that shall 44198  
be given priority with respect to the item's donation. Priority 44199  
may be given on the basis that the purposes of a nonprofit 44200  
organization have a direct relationship to specific school 44201  
district purposes of programs provided or administered by the 44202  
board. A resolution giving priority to certain nonprofit 44203  
organizations with respect to the donation of an item of property 44204  
shall specify the reasons why the organizations are given that 44205  
priority. 44206

Members of the board shall consult with the Ohio ethics 44207

commission, and comply with Chapters 102. and 2921. of the Revised 44208  
Code, with respect to any donation under this division to a 44209  
nonprofit organization of which a board member, any member of a 44210  
board member's family, or any business associate of a board member 44211  
is a trustee, officer, board member, or employee. 44212

**Sec. 3313.48.** (A) The board of education of each city, 44213

may adopt a resolution to amend the plan, but in no case shall the 44338  
amended plan provide for making up less than five full learning 44339

conflict with any collective bargaining agreement into which a 44341  
board has entered pursuant to Chapter 4117. of the Revised Code 44342  
and that is in effect in the district. 44343

(B) Notwithstanding the content of the contingency plan it 44344

district would be unable to meet the requirements of sections 44349  
3306.01, 3313.48, 3313.481, and 3317.01 of the Revised Code 44350  
regarding the number of days schools must be open for instruction 44351  
or the requirements of the state minimum standards for the ~~school~~ 44352  
learning day that are established by the department of education 44353  
regarding the number of hours there must be in the ~~school~~ learning 44354  
day, the school district may increase the length of one or more 44355  
other ~~school~~ learning days for the school that was closed or 44356  
evacuated, in increments of one-half hour, to make up the number 44357  
of hours or days that the school building in question was so 44358  
closed or evacuated for the purpose of satisfying the requirements 44359  
of those sections regarding the number of days schools must be 44360

open for instruction or the requirements of those standards 44361  
regarding the number of hours there must be in the ~~school~~ learning 44362  
day. 44363

(C) If a school district closes or evacuates any school 44364  
building for any of the reasons specified in division ~~(B)~~(A) of 44365  
this section ~~3317.01 of the Revised Code~~, and if for that school 44366  
the total number of full ~~school~~ learning days specified in the 44367  
district's contingency plan adopted under that division ~~(A)~~ of 44368  
~~this section~~ is insufficient to enable the school district to meet 44369  
the requirements of sections 3306.01, 3313.48, 3313.481, and 44370  
3317.01 of the Revised Code regarding the number of days schools 44371  
must be open for instruction or the requirements of the state 44372  
minimum standards for the ~~school~~ learning day that are established 44373  
by the department of education regarding the number of hours there 44374  
must be in the ~~school~~ learning day, the school district may 44375  
increase the length of one or more other ~~school~~ learning days for 44376  
the school that was closed or evacuated, in increments of one-half 44377  
hour, to make up the number of hours or days that the school 44378  
building in question was so closed or evacuated for the purpose of 44379  
satisfying the requirements of those sections regarding the number 44380  
of days schools must be open for instruction or the requirements 44381  
of those standards regarding the number of hours there must be in 44382  
the ~~school~~ learning day. The district shall not be required to 44383  
actually make up any of the days specified in the district's 44384  
contingency plan prior to increasing the length of one or more 44385  
~~school~~ learning days to make up the shortage of hours or days 44386  
caused by the school's closure or evacuation, but in no case shall 44387  
the district fail to make up the total number of full ~~school~~ 44388  
learning days specified in the contingency plan in accordance with 44389  
that plan. 44390

(D) If a school district closes or evacuates a school 44391  
building as a result of a bomb threat or any other report of an 44392

alleged or impending explosion and also closes or evacuates that 44393  
school building on a different day for any of the reasons 44394  
specified in division ~~(B)(A)~~ of this section ~~3317.01~~ of the 44395  
~~Revised Code~~, division (B) of this section applies regarding the 44396  
closing or evacuation of the school building as a result of the 44397  
bomb threat or report of an alleged or impending explosion and 44398  
division (C) of this section applies regarding the closing or 44399  
evacuation of the school building for the reason specified in 44400  
division ~~(B)(A)~~ of this section ~~3317.01~~ of the ~~Revised Code~~. 44401

Notwithstanding the provisions of sections 3306.01, 3313.48, 44402  
3313.481, and 3317.01 of the Revised Code and the requirements of 44403  
the state minimum standards for the ~~school~~ learning day that are 44404  
established by the department of education and notwithstanding the 44405  
content of the contingency plan it adopts under division (A) of 44406  
this section regarding the closing or evacuation of a school 44407  
building as a result of a bomb threat or any other report of an 44408  
alleged or impending explosion, a school district that makes up, 44409  
as described in division (B) or (C) of this section, all of the 44410  
hours or days that its school buildings were closed or evacuated 44411  
for any of the reasons identified in division (B) or (C) of this 44412  
section shall be deemed to have complied with the requirements of 44413  
those sections regarding the number of days schools must be open 44414  
for instruction and the requirements of those minimum standards 44415  
regarding the number of hours there must be in the ~~school~~ learning 44416  
day. 44417

**Sec. 3313.483.** (A) A board of education, upon the adoption of 44418  
a resolution stating that it may be financially unable to open on 44419  
the day or to remain open for instruction on all days set forth in 44420  
its adopted school calendar and pay all obligated expenses, or the 44421  
superintendent of public instruction upon the issuance of written 44422  
notification under division (B) of section 3313.489 of the Revised 44423  
Code, shall request the auditor of state to determine whether such 44424

situation exists. The auditor shall deliver a copy of each request 44425  
from a board of education to the superintendent of public 44426  
instruction. In the case of a school district not under a fiscal 44427  
emergency pursuant to Chapter 3316. of the Revised Code the 44428  
auditor shall not issue a finding under this section until written 44429  
notification is received from the superintendent pursuant to 44430  
section 3313.487 of the Revised Code. 44431

(B) If the auditor of state finds that the board of education 44432  
has attempted to avail itself to the fullest extent authorized by 44433  
law of all lawful revenue sources available to it except those 44434  
authorized by section 5705.21 of the Revised Code, the auditor 44435  
shall certify that finding to the superintendent of public 44436  
instruction and the state board of education and shall certify the 44437  
operating deficit the district will have at the end of the fiscal 44438  
year if it commences or continues operating its instructional 44439  
program in accordance with its adopted school calendar and pays 44440  
all obligated expenses. 44441

(C) No board of education may delay the opening of its 44442  
schools or close its schools for financial reasons. Upon the 44443  
request of the superintendent of public instruction, the attorney 44444  
general shall seek injunctive relief and any other relief required 44445  
to enforce this prohibition in the court of common pleas of 44446  
Franklin county. The court of common pleas of Franklin county has 44447  
exclusive original jurisdiction over all such actions. 44448

(D) Upon the receipt of any certification of an operating 44449  
deficit from the auditor of state, a board of education shall make 44450  
application to a commercial bank, underwriter, or other 44451  
prospective lender or purchaser of its obligations for a loan in 44452  
an amount sufficient to enable the district to open or remain open 44453  
for instruction on all days set forth in its adopted school 44454  
calendar but not to exceed the amount of the deficit certified. 44455

(E)(1) Any board of education that has applied for and been 44456

denied a loan from a commercial bank, underwriter, or other 44457  
prospective lender or purchaser of its obligations pursuant to 44458  
division (D) of this section shall submit to the superintendent of 44459  
public instruction a plan for implementing reductions in the 44460  
school district's budget; apply for a loan from a commercial bank, 44461  
underwriter, or other prospective lender or purchaser of its 44462  
obligations in an amount not to exceed its certified deficit; and 44463  
provide the superintendent such information as the superintendent 44464  
requires concerning its application for such a loan. The board of 44465  
education of a school district declared to be under a fiscal watch 44466  
pursuant to division (A) of section 3316.03 of the Revised Code 44467  
may, upon approval of the superintendent, utilize the financial 44468  
plan required by section 3316.04 of the Revised Code, or 44469  
applicable parts thereof, as the plan required under this 44470  
division. The board of education of a school district declared to 44471  
be under a fiscal emergency pursuant to division (B) of section 44472  
3316.03 of the Revised Code may utilize the financial recovery 44473  
plan for the district, or applicable parts thereof, as the plan 44474  
required under this division. Except for the plan of a school 44475  
district under a fiscal emergency, the superintendent shall 44476  
evaluate, make recommendations concerning, and approve or 44477  
disapprove each plan. When a plan is submitted, the superintendent 44478  
shall immediately notify the members of the general assembly whose 44479  
legislative districts include any or all of the territory of the 44480  
school district submitting the plan. 44481

(2) The superintendent shall submit to the controlling board 44482  
a copy of each plan the superintendent approves, or each plan 44483  
submitted by a district under a fiscal emergency pursuant to 44484  
division (B) of section 3316.03 of the Revised Code, and the 44485  
general terms of each proposed loan, and shall make 44486  
recommendations regarding the plan and whether a proposed loan to 44487  
the board of education should be approved for payment as provided 44488  
in division (E)(3) of this section. The controlling board shall 44489

approve or disapprove the plan and the proposed loan presented to 44490  
it by the superintendent. In the case of a district not under a 44491  
fiscal emergency pursuant to division (B) of section 3316.03 of 44492  
the Revised Code, the controlling board may require a board of 44493  
education to implement the superintendent's recommendations for 44494  
expenditure reductions or impose other requirements. Loan 44495  
repayments shall be in accordance with a schedule approved by the 44496  
superintendent, except that the principal amount of the loan shall 44497  
be payable in monthly, semiannual, or annual installments of 44498  
principal and interest that are substantially equal principal and 44499  
interest installments. Except as otherwise provided in division 44500  
(E)(2) of this section, repayment shall be made no later than the 44501  
fifteenth day of June of the second fiscal year following the 44502  
approval of the loan. A school district with a certified deficit 44503  
in excess of either twenty-five million dollars or fifteen per 44504  
cent of the general fund expenditures of the district during the 44505  
fiscal year shall repay the loan no later than the fifteenth day 44506  
of June of the tenth fiscal year following the approval of the 44507  
loan. In deciding whether to approve or disapprove a proposed 44508  
loan, the controlling board shall consider the deficit certified 44509  
by the auditor of state pursuant to this section. A board of 44510  
education that has an outstanding loan approved pursuant to this 44511  
section with a repayment date of more than two fiscal years after 44512  
the date of approval of such loan may not apply for another loan 44513  
with such a repayment date until the outstanding loan has been 44514  
repaid. 44515

(3) If a board of education has submitted and received 44516  
controlling board approval of a plan and proposed loan in 44517  
accordance with this section, the superintendent of public 44518  
instruction shall report to the controlling board the actual 44519  
amounts loaned to the board of education. Such board of education 44520  
shall request the superintendent to pay any funds the board of 44521  
education would otherwise receive pursuant to ~~sections 3317.022 to~~ 44522

~~3317.025~~ Chapter 3306. of the Revised Code first directly to the 44523  
holders of the board of education's notes, or an agent thereof, 44524  
such amounts as are specified under the terms of the loan. Such 44525  
payments shall be made only from and to the extent of money 44526  
appropriated by the general assembly for purposes of such 44527  
sections. No note or other obligation of the board of education 44528  
under the loan constitutes an obligation nor a debt or a pledge of 44529  
the faith, credit, or taxing power of the state, and the holder or 44530  
owner of such note or obligation has no right to have taxes levied 44531  
by the general assembly for the payment of such note or 44532  
obligation, and such note or obligation shall contain a statement 44533  
to that effect. 44534

(4) Pursuant to the terms of such a loan, a board of 44535  
education may issue its notes in anticipation of the collection of 44536  
its voted levies for current expenses or its receipt of such state 44537  
funds or both. Such notes shall be issued in accordance with 44538  
division (E) of section 133.10 of the Revised Code and constitute 44539  
Chapter 133. securities to the extent such division and the 44540  
otherwise applicable provisions of Chapter 133. of the Revised 44541  
Code are not inconsistent with this section, provided that in any 44542  
event sections 133.24 and 5705.21 and divisions (A), (B), (C), and 44543  
(E)(2) of section 133.10 of the Revised Code do not apply to such 44544  
notes. 44545

(5) Notwithstanding section 133.36 or 3313.17, any other 44546  
section of the Revised Code, or any other provision of law, a 44547  
board of education that has received a loan under this section may 44548  
not declare bankruptcy, so long as any portion of such loan 44549  
remains unpaid. 44550

(F) Under this section and sections 3313.4810 and 3313.4811, 44551  
"board of education" or "district board" includes the financial 44552  
planning and supervision commission of a school district under a 44553  
fiscal emergency pursuant to Chapter 3316. of the Revised Code 44554

where such commission chooses to exercise the powers and duties 44555  
otherwise required of the district board of education under this 44556  
section and sections 3313.4810 and 3313.4811 of the Revised Code. 44557

Sec. 3313.485. Notwithstanding any provision to the contrary 44558  
in sections 3313.48 and 3313.481 or in Chapter 4117. of the 44559  
Revised Code, the requirements of divisions (B)(2) to (5) of 44560  
section 3313.48 and divisions (B)(2) to (5) of section 3313.481 of 44561

valid collective bargaining agreement entered into prior to the 44563  
effective date of this section. However, any collective bargaining 44564  
agreement entered into, renewed, or amended on or after the 44565

Ohioans must be prepared to apply increased knowledge and 45138  
skills in the workplace and to adapt their knowledge and skills 45139  
quickly to meet the rapidly changing conditions of the 45140  
twenty-first century. National studies indicate that all high 45141  
school graduates need the same academic foundation, regardless of 45142  
the opportunities they pursue after graduation. The goal of Ohio's 45143  
system of elementary and secondary education is to prepare all 45144  
students for and seamlessly connect all students to success in 45145  
life beyond high school graduation, regardless of whether the next 45146  
step is entering the workforce, beginning an apprenticeship, 45147  
engaging in post-secondary training, serving in the military, or 45148  
pursuing a college degree. 45149

The Ohio core curriculum is the standard expectation for all 45150  
students entering ninth grade for the first time at a public or 45151  
chartered nonpublic high school on or after July 1, 2010. A 45152  
student may satisfy this expectation through a variety of methods, 45153  
including, but not limited to, integrated, applied, 45154  
career-technical, and traditional coursework. 45155

Whereas teacher quality is essential for student success in 45156  
completing the Ohio core curriculum, the general assembly shall 45157  
appropriate funds for strategic initiatives designed to strengthen 45158  
schools' capacities to hire and retain highly qualified teachers 45159  
in the subject areas required by the curriculum. Such initiatives 45160  
are expected to require an investment of \$120,000,000 over five 45161  
years. 45162

Stronger coordination between high schools and institutions 45163  
of higher education is necessary to prepare students for more 45164  
challenging academic endeavors and to lessen the need for academic 45165  
remediation in college, thereby reducing the costs of higher 45166  
education for Ohio's students, families, and the state. The state 45167

board of education, the Ohio board of regents, and the partnership 45168  
for continued learning shall develop policies to ensure that only 45169  
in rare instances will students who complete the Ohio core 45170  
curriculum require academic remediation after high school. 45171

School districts, community schools, and chartered nonpublic 45172  
schools shall integrate technology into learning experiences 45173  
whenever practicable across the curriculum in order to maximize 45174  
efficiency, enhance learning, and prepare students for success in 45175  
the technology-driven twenty-first century. Districts and schools 45176  
may use distance and web-based course delivery as a method of 45177  
providing or augmenting all instruction required under this 45178  
division, including laboratory experience in science. Districts 45179  
and schools shall whenever practicable utilize technology access 45180  
and electronic learning opportunities provided by the eTech Ohio 45181  
commission, the Ohio learning network, education technology 45182  
centers, public television stations, and other public and private 45183  
providers. 45184

(D) Except as provided in division (E) of this section, a 45185  
student who enters ninth grade on or after July 1, 2010, and 45186  
before July 1, 2014, may qualify for graduation from a public or 45187  
chartered nonpublic high school even though the student has not 45188  
completed the Ohio core curriculum prescribed in division (C) of 45189  
this section if all of the following conditions are satisfied: 45190

(1) After the student has attended high school for two years, 45191  
as determined by the school, the student and the student's parent, 45192  
guardian, or custodian sign and file with the school a written 45193  
statement asserting the parent's, guardian's, or custodian's 45194  
consent to the student's graduating without completing the Ohio 45195  
core curriculum and acknowledging that one consequence of not 45196  
completing the Ohio core curriculum is ineligibility to enroll in 45197  
most state universities in Ohio without further coursework. 45198

(2) The student and parent, guardian, or custodian fulfill 45199

any procedural requirements the school stipulates to ensure the 45200  
student's and parent's, guardian's, or custodian's informed 45201  
consent and to facilitate orderly filing of statements under 45202  
division (D)(1) of this section. 45203

(3) The student and the student's parent, guardian, or 45204  
custodian and a representative of the student's high school 45205  
jointly develop an individual career plan for the student that 45206  
specifies the student matriculating to a two-year degree program, 45207  
acquiring a business and industry credential, or entering an 45208  
apprenticeship. 45209

(4) The student's high school provides counseling and support 45210  
for the student related to the plan developed under division 45211  
(D)(3) of this section during the remainder of the student's high 45212  
school experience. 45213

(5) The student successfully completes, at a minimum, the 45214  
curriculum prescribed in division (B) of this section. 45215

The partnership for continued learning, in collaboration with 45216  
the department of education and the Ohio board of regents, shall 45217  
analyze student performance data to determine if there are 45218  
mitigating factors that warrant extending the exception permitted 45219  
by division (D) of this section to high school classes beyond 45220  
those entering ninth grade before July 1, 2014. The partnership 45221  
shall submit its findings and any recommendations not later than 45222  
August 1, 2014, to the speaker and minority leader of the house of 45223  
representatives, the president and minority leader of the senate, 45224  
the chairpersons and ranking minority members of the standing 45225  
committees of the house of representatives and the senate that 45226  
consider education legislation, the state board of education, and 45227  
the superintendent of public instruction. 45228

(E) Each school district and chartered nonpublic school 45229  
retains the authority to require an even more rigorous minimum 45230

curriculum for high school graduation than specified in division 45231  
(B) or (C) of this section. A school district board of education, 45232  
through the adoption of a resolution, or the governing authority 45233  
of a chartered nonpublic school may stipulate any of the 45234  
following: 45235

(1) A minimum high school curriculum that requires more than 45236  
twenty units of academic credit to graduate; 45237

(2) An exception to the district's or school's minimum high 45238  
school curriculum that is comparable to the exception provided in 45239  
division (D) of this section but with additional requirements, 45240  
which may include a requirement that the student successfully 45241  
complete more than the minimum curriculum prescribed in division 45242  
(B) of this section; 45243

(3) That no exception comparable to that provided in division 45244  
(D) of this section is available. 45245

(F) A student enrolled in a dropout prevention and recovery 45246  
program, which program has received a waiver from the department 45247  
of education, may qualify for graduation from high school by 45248  
successfully completing a competency-based instructional program 45249  
administered by the dropout prevention and recovery program in 45250  
lieu of completing the Ohio core curriculum prescribed in division 45251  
(C) of this section. The department shall grant a waiver to a 45252  
dropout prevention and recovery program, within sixty days after 45253  
the program applies for the waiver, if the program meets all of 45254  
the following conditions: 45255

(1) The program serves only students not younger than sixteen 45256  
years of age and not older than twenty-one years of age. 45257

(2) The program enrolls students who, at the time of their 45258  
initial enrollment, either, or both, are at least one grade level 45259  
behind their cohort age groups or experience crises that 45260  
significantly interfere with their academic progress such that 45261

they are prevented from continuing their traditional programs. 45262

(3) The program requires students to attain at least the 45263  
applicable score designated for each of the ~~tests~~ assessments 45264  
prescribed under division (B)(1) of section 3301.0710 of the 45265  
Revised Code or, to the extent prescribed by rule of the state 45266  
board of education under division (E)(6) of section 3301.0712 of 45267  
the Revised Code, division (B)(2) of that section. 45268

(4) The program develops an individual career plan for the 45269  
student that specifies the student's matriculating to a two-year 45270  
degree program, acquiring a business and industry credential, or 45271  
entering an apprenticeship. 45272

(5) The program provides counseling and support for the 45273  
student related to the plan developed under division (F)(4) of 45274  
this section during the remainder of the student's high school 45275  
experience. 45276

(6) The program requires the student and the student's 45277  
parent, guardian, or custodian to sign and file, in accordance 45278  
with procedural requirements stipulated by the program, a written 45279  
statement asserting the parent's, guardian's, or custodian's 45280  
consent to the student's graduating without completing the Ohio 45281  
core curriculum and acknowledging that one consequence of not 45282  
completing the Ohio core curriculum is ineligibility to enroll in 45283  
most state universities in Ohio without further coursework. 45284

(7) Prior to receiving the waiver, the program has submitted 45285  
to the department an instructional plan that demonstrates how the 45286  
academic content standards adopted by the state board of education 45287  
under section 3301.079 of the Revised Code will be taught and 45288  
assessed. 45289

If the department does not act either to grant the waiver or 45290  
to reject the program application for the waiver within sixty days 45291  
as required under this section, the waiver shall be considered to 45292

be granted. 45293

(G) Every high school may permit students below the ninth 45294  
grade to take advanced work ~~for~~. If a high school so permits, it 45295  
shall award high school credit. ~~A high school for successful~~ 45296  
completion of the advanced work and shall count such advanced work 45297  
toward the graduation requirements of division (B) or (C) of this 45298  
section if the advanced work was both: 45299

(1) Taught by a person who possesses a license or certificate 45300  
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 45301  
Code that is valid for teaching high school; 45302

(2) Designated by the board of education of the city, local, 45303  
or exempted village school district, the board of the cooperative 45304  
education school district, or the governing authority of the 45305  
chartered nonpublic school as meeting the high school curriculum 45306  
requirements. 45307

Each high school shall record on the student's high school 45308  
transcript all high school credit awarded under division (G) of 45309  
this section. In addition, if the student completed a seventh- or 45310  
eighth-grade fine arts course described in division (K) of this 45311  
section and the course qualified for high school credit under that 45312  
division, the high school shall record that course on the 45313  
student's high school transcript. 45314

(H) The department shall make its individual academic career 45315  
plan available through its Ohio career information system web site 45316  
for districts and schools to use as a tool for communicating with 45317  
and providing guidance to students and families in selecting high 45318  
school courses. 45319

(I) Units earned in English language arts, mathematics, 45320  
science, and social studies that are delivered through integrated 45321  
academic and career-technical instruction are eligible to meet the 45322  
graduation requirements of division (B) or (C) of this section. 45323

(J) The state board of education, in consultation with the Ohio board of regents and the partnership for continued learning, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. The state board shall adopt the plan not later than March 31, 2009, and commence phasing in the plan during the 2009-2010 school year. The plan shall include a standard method for recording demonstrated proficiency on high school transcripts. Each school district, community school, and chartered nonpublic school shall comply with the state board's plan adopted under this division and award units of high school credit in accordance with the plan. The state board may adopt existing methods for earning high school credit based on a demonstration of subject area competency as necessary prior to the 2009-2010 school year.

(K) This division does not apply to students who qualify for graduation from high school under division (D) or (F) of this section, or to students pursuing a career-technical instructional track as determined by the school district board of education or the chartered nonpublic school's governing authority. Nevertheless, the general assembly encourages such students to consider enrolling in a fine arts course as an elective.

Beginning with students who enter ninth grade for the first time on or after July 1, 2010, each student enrolled in a public or chartered nonpublic high school shall complete two semesters or the equivalent of fine arts to graduate from high school. The coursework may be completed in any of grades seven to twelve. Each student who completes a fine arts course in grade seven or eight may elect to count that course toward the five units of electives required for graduation under division (C)(7) of this section, if the course satisfied the requirements of division (G) of this

section. In that case, the high school shall award the student 45356  
high school credit for the course and count the course toward the 45357  
five units required under division (C)(7) of this section. If the 45358  
course in grade seven or eight did not satisfy the requirements of 45359  
division (G) of this section, the high school shall not award the 45360  
student high school credit for the course but shall count the 45361  
course toward the two semesters or the equivalent of fine arts 45362  
required by this division. 45363

(L) Notwithstanding anything to the contrary in this section, 45364  
the board of education of each school district and the governing 45365  
authority of each chartered nonpublic school may adopt a policy to 45366  
excuse from the high school physical education requirement each 45367  
student who, during high school, has participated in 45368  
interscholastic athletics, marching band, or cheerleading for at 45369  
least two full seasons. If the board or authority adopts such a 45370  
policy, the board or authority shall not require the student to 45371  
complete any physical education course as a condition to graduate. 45372  
However, the student shall be required to complete one-half unit, 45373  
consisting of at least sixty hours of instruction, in another 45374  
course of study. 45375

(B) This section does not apply to either of the following: 45888

Revised Code, no limited English proficient student who has not 45910

"fulfills the curriculum requirement for a diploma" at the time 45917  
one of the following conditions is satisfied: 45918

curriculum of a school district, a community school, a chartered 45920  
nonpublic school, or a correctional institution. 45921

(2) The person successfully completes the individualized 45922  
education program developed for the person under section 3323.08 45923

section 3313.611 of the Revised Code that the person qualifies as 45926  
having successfully completed the curriculum required by the 45927  
district. 45928

(B) This division specifies the ~~testing~~ assessment 45929  
requirements that must be fulfilled as a condition toward granting 45930  
high school diplomas under sections 3313.61, 3313.611, 3313.612, 45931  
and 3325.08 of the Revised Code. 45932

(1) A person who fulfills the curriculum requirement for a 45933  
diploma before September 15, 2000, is not required to pass any 45934

division (B)(1) of section 3301.0710 or any assessment prescribed 45939  
under division (B)(2) of that section in any subject as a 45940  
condition to receiving a diploma once the person has passed the 45941  
ninth grade proficiency test in the same subject, so long as the 45942  
person passed the ninth grade proficiency test prior to September 45943  
15, 2008. However, any such person who passes the Ohio graduation 45944

test in any subject prior to passing the ninth grade proficiency 45945

does not pass a ninth grade proficiency test or the Ohio 45951  
graduation test in a particular subject before September 15, 2008, 45952  
and passage of a test in that subject is a condition for the 45953

in a school district, community school, or chartered nonpublic 45958

prescribed by the state board of education under division (E)(5) 45966  
of section 3301.0712 of the Revised Code is not eligible to 45967

graduation from high school under either division (D) or (F) of 45983  
section 3313.603 of the Revised Code. 45984

(2) Once a person fulfills the curriculum requirement for a 45985  
diploma, the person is never required, as a condition of receiving 45986  
a diploma, to meet any different curriculum requirements that take 45987  
effect pending the person's passage of proficiency tests or 45988  
achievement tests or assessments, including changes mandated by 45989  
section 3313.603 of the Revised Code, the state board, a school 45990  
district board of education, or a governing authority of a 45991  
community school or chartered nonpublic school. 45992

the scores designated under division (B)(1) of section 3301.0710 45998  
of the Revised Code on all the ~~tests~~ assessments required under 45999

the Revised Code or for a diploma of adult education under section 46002  
3313.611 of the Revised Code, a person who has attained at least 46003  
the applicable scores designated under division (B)(1) of section 46004  
3301.0710 of the Revised Code on all but one of the ~~tests~~ 46005

this policy after the first day of classes of any school year. 46339

(9) A child who is with the child's parent under the care of 46340

child's attendance in that school district. 46345

The enrollment of a child in a school district under this 46346  
division shall not be denied due to a delay in the school 46347

district's receipt of any records required under section 3313.672 46348  
of the Revised Code or any other records required for enrollment. 46349  
Any days of attendance and any credits earned by a child while 46350

adopt rules to ensure compliance with this division. 46354

(10) Any child under the age of twenty-two years whose parent 46355  
has moved out of the school district after the commencement of 46356  
classes in the child's senior year of high school is entitled, 46357  
subject to the approval of that district board, to attend school 46358  
in the district in which the child attended school at the time of 46359  
the parental move for the remainder of the school year and for one 46360  
additional semester or equivalent term. A district board may also 46361  
adopt a policy specifying extenuating circumstances under which a 46362  
student may continue to attend school under division (F)(10) of 46363  
this section for an additional period of time in order to 46364  
successfully complete the high school curriculum for the 46365

high school pursuant to section 3323.08 of the Revised Code. 46367

(11) As used in this division, "grandparent" means a parent 46368  
of a parent of a child. A child under the age of twenty-two years 46369  
who is in the custody of the child's parent, resides with a 46370  
grandparent, and does not require special education is entitled to 46371  
attend the schools of the district in which the child's 46372  
grandparent resides, provided that, prior to such attendance in 46373  
any school year, the board of education of the school district in 46374  
which the child's grandparent resides and the board of education 46375  
of the school district in which the child's parent resides enter 46376  
into a written agreement specifying that good cause exists for 46377  
such attendance, describing the nature of this good cause, and 46378  
consenting to such attendance. 46379

In lieu of a consent form signed by a parent, a board of education may request the grandparent of a child attending school in the district in which the grandparent resides pursuant to division (F)(11) of this section to complete any consent form required by the district, including any authorization required by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised Code. Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F)(11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. This section does not affect, and shall not be construed as affecting, any immunities from defenses to tort liability created or recognized by Chapter 2744. of the Revised Code for a school district, member, or employee.

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a 46412  
student who is not receiving special education under Chapter 3323. 46413  
of the Revised Code and notwithstanding Chapter 3327. of the 46414  
Revised Code, the board of education of neither school district 46415  
involved in the agreement is required to provide transportation 46416  
for the student to and from the school where the student attends. 46417

A student attending a school of a district pursuant to this 46418  
division shall be allowed to participate in all student 46419  
activities, including interscholastic athletics, at the school 46420  
where the student is attending on the same basis as any student 46421  
who has always attended the schools of that district while of 46422  
compulsory school age. 46423

(13) All school districts shall comply with the 46424  
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 46425  
seq., for the education of homeless children. Each city, local, 46426  
and exempted village school district shall comply with the 46427  
requirements of that act governing the provision of a free, 46428  
appropriate public education, including public preschool, to each 46429  
homeless child. 46430

When a child loses permanent housing and becomes a homeless 46431  
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 46432  
such a homeless person changes temporary living arrangements, the 46433  
child's parent or guardian shall have the option of enrolling the 46434  
child in either of the following: 46435

(a) The child's school of origin, as defined in 42 U.S.C.A. 46436  
11432(g)(3)(C); 46437

(b) The school that is operated by the school district in 46438  
which the shelter where the child currently resides is located and 46439  
that serves the geographic area in which the shelter is located. 46440

(14) A child under the age of twenty-two years who resides 46441  
with a person other than the child's parent is entitled to attend 46442

school in the school district in which that person resides if both 46443  
of the following apply: 46444

(a) That person has been appointed, through a military power 46445  
of attorney executed under section 574(a) of the "National Defense 46446  
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 46447  
U.S.C. 1044b, or through a comparable document necessary to 46448  
complete a family care plan, as the parent's agent for the care, 46449  
custody, and control of the child while the parent is on active 46450  
duty as a member of the national guard or a reserve unit of the 46451  
armed forces of the United States or because the parent is a 46452  
member of the armed forces of the United States and is on a duty 46453  
assignment away from the parent's residence. 46454

(b) The military power of attorney or comparable document 46455  
includes at least the authority to enroll the child in school. 46456

The entitlement to attend school in the district in which the 46457  
parent's agent under the military power of attorney or comparable 46458  
document resides applies until the end of the school year in which 46459  
the military power of attorney or comparable document expires. 46460

(G) A board of education, after approving admission, may 46461  
waive tuition for students who will temporarily reside in the 46462  
district and who are either of the following: 46463

(1) Residents or domiciliaries of a foreign nation who 46464  
request admission as foreign exchange students; 46465

(2) Residents or domiciliaries of the United States but not 46466

3327.04, and 3327.06 of the Revised Code, a child may attend 46470  
school or participate in a special education program in a school 46471  
district other than in the district where the child is entitled to 46472  
attend school under division (B) of this section. 46473

(I)(1) Notwithstanding anything to the contrary in this section or section 3313.65 of the Revised Code, a child under twenty-two years of age may attend school in the school district in which the child, at the end of the first full week of October of the school year, was entitled to attend school as otherwise provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall

continue to owe such tuition to the district for the child's 46506  
attendance under division (I)(1) of this section for the lesser of 46507  
the balance of the school year or the balance of the time that the 46508  
child attends school in the district under division (I)(1) of this 46509  
section. 46510

(4) A pupil who may attend school in the district under 46511  
division (I)(1) of this section shall be entitled to 46512  
transportation services pursuant to an agreement between the 46513  
district and the district in which the child or child's parent has 46514  
relocated unless the districts have not entered into such 46515  
agreement, in which case the child shall be entitled to 46516  
transportation services in the same manner as a pupil attending 46517  
school in the district under interdistrict open enrollment as 46518  
described in division ~~(H)~~(D) of section 3313.981 of the Revised 46519  
Code, regardless of whether the district has adopted an open 46520  
enrollment policy as described in division (B)(1)(b) or (c) of 46521  
section 3313.98 of the Revised Code. 46522

(J) This division does not apply to a child receiving special 46523  
education. 46524

A school district required to pay tuition pursuant to 46525  
division (C)(2) or (3) of this section or section 3313.65 of the 46526  
Revised Code shall have an amount deducted under division (F) of 46527  
section 3317.023 of the Revised Code equal to its own tuition rate 46528

or section 3313.65 of the Revised Code shall have an amount 46531  
credited under division (F) of section 3317.023 of the Revised 46532  
Code equal to its own tuition rate for the same period of 46533  
attendance. If the tuition rate credited to the district of 46534  
attendance exceeds the rate deducted from the district required to 46535  
pay tuition, the department of education shall pay the district of 46536  
attendance the difference from amounts deducted from all 46537

districts' payments under division (F) of section 3317.023 of the Revised Code but not credited to other school districts under such division and from appropriations made for such purpose. The treasurer of each school district shall, by the fifteenth day of January and July, furnish the superintendent of public instruction a report of the names of each child who attended the district's schools under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code during the preceding six calendar months, the duration of the attendance of those children, the school district responsible for tuition on behalf of the child, and any other information that the superintendent requires.

Upon receipt of the report the superintendent, pursuant to division (F) of section 3317.023 of the Revised Code, shall deduct each district's tuition obligations under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code and pay to the district of attendance that amount plus any amount required to be paid by the state.

(K) In the event of a disagreement, the superintendent of public instruction shall determine the school district in which the parent resides.

(L) Nothing in this section requires or authorizes, or shall be construed to require or authorize, the admission to a public school in this state of a pupil who has been permanently excluded from public school attendance by the superintendent of public instruction pursuant to sections 3301.121 and 3313.662 of the Revised Code.

(M) In accordance with division (B)(1) of this section, a child whose parent is a member of the national guard or a reserve unit of the armed forces of the United States and is called to active duty, or a child whose parent is a member of the armed forces of the United States and is ordered to a temporary duty assignment outside of the district, may continue to attend school

in the district in which the child's parent lived before being 46570  
called to active duty or ordered to a temporary duty assignment 46571  
outside of the district, as long as the child's parent continues 46572  
to be a resident of that district, and regardless of where the 46573  
child lives as a result of the parent's active duty status or 46574  
temporary duty assignment. However, the district is not 46575  
responsible for providing transportation for the child if the 46576  
child lives outside of the district as a result of the parent's 46577  
active duty status or temporary duty assignment. 46578

The prohibition in this division against charging a fee does not 46600  
apply to any fee charged for any materials needed to enable a 46601

or in any pupil enrichment program that is not a course of 46603  
instruction. 46604

(C) Boards of education may adopt rules and regulations 46605  
prescribing a schedule of fees for materials used in a course of 46606  
instruction and prescribing a schedule of charges which may be 46607  
imposed upon pupils for the loss, damage, or destruction of school 46608

than fourteen days unless the pupil presents written evidence 46753

written evidence to the pupil's building principal or chief 46777  
administrative officer of each subsequent dose required to obtain 46778  
immunization at the intervals prescribed by the director of 46779

the occurrence of cases of chicken pox in numbers greater than 46814  
expected in the school's population or for a particular period of 46815  
time. 46816

Notwithstanding division (B) of this section, a school may deny admission to a pupil otherwise exempted from the chicken pox immunization requirement if the director of the state department of health notifies the school's principal or chief administrative officer that a chicken pox epidemic exists in the school's population. The denial of admission shall cease when the director notifies the principal or officer that the epidemic no longer exists.

The board of education or governing body of each school subject to this section shall adopt a policy that prescribes methods whereby the academic standing of a pupil who is denied admission during a chicken pox epidemic may be preserved.

(D) Boards of health, legislative authorities of municipal corporations, and boards of township trustees on application of the board of education of the district or proper authority of any school affected by this section, shall provide at the public expense, without delay, the means of immunization against mumps, poliomyelitis, rubeola, rubella, diphtheria, pertussis, tetanus, and hepatitis B, and the booster vaccination required by division (A)(4) of this section, to pupils who are not so provided by their parents or guardians.

If the results of any screening reveal the possibility of special learning needs, the board of education of the school district shall conduct further assessment in accordance with Chapter 3323. of the Revised Code. The board may provide any of the elements of the screening

program itself, contract with any person or governmental entity to 46848

such elements from a provider selected by the parent. If the board 46850  
conducts hearing and vision screening itself or contracts for 46851  
hearing and vision screening, such screening shall be conducted 46852  
pursuant to sections 3313.50, 3313.69, and 3313.73 of the Revised 46853  
Code. 46854

(B) Prior to the first day of August of the school year in 46855  
which a pupil is required to be screened under this section, the 46856  
board shall provide parents with information about the district's 46857  
screening program. If the board chooses to request parents to 46858  
obtain any screening services, it shall provide lists of providers 46859  
to parents together with information about such screening services 46860  
available in the community to parents who cannot afford them. Any 46861  
parent requested to obtain any screening services under this 46862  
division may sign a written statement to the effect that ~~he~~ the 46863

preliminary agreement under division (C)(2) of section 3314.02 of 47852  
the Revised Code until it has received approval from the 47853

under section 3302.03 of the Revised Code, as determined by the 47873  
department. 47874

(2) An entity that sponsors community schools may enter into 47875

If a school is unable to secure a new sponsor, the department shall assume sponsorship of the school in accordance with division (C) of this section. Those schools for which another sponsor or the department assumes sponsorship shall be the schools that most recently entered into contracts with the entity under section 3314.03 of the Revised Code. 47904

~~(3)~~(4) The department of education shall determine, pursuant to criteria adopted by rule of the department, if any tax-exempt entity under section 501(c)(3) of the Internal Revenue Code that is proposed to be a sponsor of a community school is an education-oriented entity for purpose of satisfying the condition prescribed in division (C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such determination of the department is final. 47920  
47921  
47922  
47923  
47924  
47925  
47926

(C) If at any time the state board of education finds that a sponsor is not in compliance or is no longer willing to comply with its contract with any community school or with the 47927  
47928  
47929

department's rules for sponsorship, the state board or designee 47930  
shall conduct a hearing in accordance with Chapter 119. of the 47931  
Revised Code on that matter. If after the hearing, the state board 47932  
or designee has confirmed the original finding, the department of 47933  
education may revoke the sponsor's ~~approval~~ authority to sponsor 47934  
community schools and may assume the sponsorship of any schools 47935  
with which the sponsor has contracted until the earlier of the 47936  
expiration of two school years or until a new sponsor as described 47937  
in division (C)(1) of section 3314.02 of the Revised Code is 47938  
secured by the school's governing authority. The department may 47939  
extend the term of the contract in the case of a school for which 47940  
it has assumed sponsorship under this division as necessary to 47941  
accommodate the term of the department's authorization to sponsor 47942  
the school specified in this division. 47943

(D)(1) The department may declare any sponsor, including any 47944  
sponsor that is exempt pursuant to section 3314.021 or 3314.027 of 47945  
the Revised Code from obtaining the department's initial approval 47946  
to sponsor, to be in a probationary status if at any time the 47947  
sponsor has failed to take any of the following actions, which 47948  
actions the department determines are warranted: 47949

(a) Take steps to intervene in a school's operation to 47950  
correct problems in the school's performance, including the 47951  
monitoring and enforcement of the implementation of a school's 47952  
corrective action plan required by the department; 47953

(b) Declare a school to be in a probationary status pursuant 47954  
to section 3314.073 of the Revised Code; 47955

(c) Suspend the operation of a school pursuant to section 47956  
3314.072 of the Revised Code; 47957

(d) Terminate a school's contract pursuant to section 3314.07 47958  
of the Revised Code. 47959

(2) If the department declares a sponsor to be in a 47960

probationary status, the department shall send a written 47961  
notification stating the department's declaration, the length of 47962  
the probationary status, the reasons for the declaration, and a 47963  
requirement that the sponsor submit to the department an offer of 47964  
reasonable remedies within ten business days after the date of the 47965  
department's notice to the sponsor. If the department finds the 47966  
remedies offered by the sponsor satisfactory, the sponsor shall 47967  
take the actions necessary to implement them. The department shall 47968  
monitor the sponsor's actions to implement the remedies. 47969

(3) If the department finds that the remedies offered by the 47970  
sponsor under division (D)(2) of this section are not 47971  
satisfactory, or if the department finds that the sponsor is not 47972  
taking the actions necessary to implement those remedies, the 47973  
department may suspend the sponsor's authority to sponsor schools 47974  
or may partially restrict the sponsor's authority to sponsor 47975  
schools by limiting the geographic territory within which the 47976  
sponsor may sponsor schools, reducing the number of schools the 47977  
sponsor may sponsor, or restricting the types of schools the 47978  
sponsor may sponsor. The department also may require the sponsor 47979  
to submit additional reports above and beyond those otherwise 47980  
required by law. 47981

(4) If the department suspends or restricts a sponsor's 47982  
authority to sponsor schools under division (D)(3) of this 47983  
section, the department shall assign another sponsor that is 47984  
approved by the department and that agrees to do so to sponsor any 47985  
school affected by the suspension or restriction until the 47986  
department rescinds the suspension or restriction, another 47987  
permanent sponsor is secured, or the school's contract under 47988  
section 3314.03 of the Revised Code expires, whichever occurs 47989  
first. 47990

(E) The decision of the department to disapprove an entity 47991  
for sponsorship of a community school ~~or~~, to revoke ~~approval~~ 47992

authority for such sponsorship, ~~as provided in~~ under division (C) 47993  
of this section, or to suspend or restrict an entity's authority 47994  
to sponsor schools under division (D) of this section, may be 47995  
appealed by the entity in accordance with section 119.12 of the 47996  
Revised Code. 47997

~~(E)~~(F) The department shall adopt procedures for use by a 47998  
community school governing authority and sponsor when the school 47999  
permanently closes and ceases operation, which shall include at 48000  
least procedures for data reporting to the department, handling of 48001  
student records, distribution of assets in accordance with section 48002  
3314.074 of the Revised Code, and other matters related to ceasing 48003  
operation of the school. 48004

~~(F)~~(G) In carrying out its duties under this chapter, the 48005  
department shall not impose requirements on community schools or 48006  
their sponsors that are not permitted by law or duly adopted 48007  
rules. 48008

improvement or higher. 48026

governing authority of a start-up school sponsored by an entity 48028  
described in divisions (C)(1)(b) to (f) of section 3314.02 of the 48029  
Revised Code may establish one additional school serving the same 48030  
grade levels and providing the same educational program as the 48031

one additional start-up school that is located in the same school 48052  
district and that provides a general educational program to 48053

students in any or all of grades kindergarten through five to 48054  
facilitate their transition to the current start-up school, and 48055

not take one or more of the ~~tests~~ assessments required by that 49294  
section and was not excused pursuant to division (C)(1) or (3) of 49295

education and related services to a student with a disability who 49317

the Revised Code in which a student is enrolled. 49364

(2) "Formula ADM," "category one or two vocational education 49365  
ADM," and "FTE basis" have the same meanings as in section 3317.02 49366

to attend school under section 3313.64 or 3313.65 of the Revised 49370  
Code. 49371

(B) Notwithstanding anything to the contrary in this chapter 49372  
or Chapter 3306. or 3317. of the Revised Code, a student enrolled 49373  
in a community school may simultaneously enroll in the 49374  
career-technical program operated by the student's resident school 49375  
district. On an FTE basis, the student's resident school district 49376  
shall count the student in the category one or two vocational 49377

student attends classes at the community school. "Full-time 49391  
equivalency" for a community school student, as defined in 49392  
division ~~(I)~~(J) of section 3314.08 of the Revised Code, does not 49393  
apply to the student. 49394

**Sec. 3314.091.** (A) A school district is not required to 49395  
provide transportation for any native student enrolled in a 49396  
community school if the district board of education has entered 49397  
into an agreement with the community school's governing authority 49398  
that designates the community school as responsible for providing 49399  
or arranging for the transportation of the district's native 49400  
students to and from the community school. For any such agreement 49401  
to be effective, it must be certified by the superintendent of 49402  
public instruction as having met all of the following 49403  
requirements: 49404

(1) It is submitted to the department of education by a 49405  
deadline which shall be established by the department. 49406

(2) In accordance with divisions (C)(1) and (2) of this 49407  
section, it specifies qualifications, such as residing a minimum 49408  
distance from the school, for students to have their 49409  
transportation provided or arranged. 49410

(3) The transportation provided by the community school is 49411  
subject to all provisions of the Revised Code and all rules 49412  
adopted under the Revised Code pertaining to pupil transportation. 49413

(4) The sponsor of the community school also has signed the 49414  
agreement. 49415

(B)(1) For the school year that begins on July 1, 2007, a 49416  
school district is not required to provide transportation for any 49417  
native student enrolled in a community school, if the community 49418  
school during the previous school year transported the students 49419  
enrolled in the school or arranged for the students' 49420  
transportation, even if that arrangement consisted of having 49421  
parents transport their children to and from the school, but did 49422  
not enter into an agreement to transport or arrange for 49423  
transportation for those students under division (A) of this 49424  
section, and if the governing authority of the community school by 49425  
July 15, 2007, submits written notification to the district board 49426  
of education stating that the governing authority is accepting 49427  
responsibility for providing or arranging for the transportation 49428  
of the district's native students to and from the community 49429  
school. 49430

(2) For any school year subsequent to the school year that 49431  
begins on July 1, 2007, a school district is not required to 49432  
provide transportation for any native student enrolled in a 49433  
community school if the governing authority of the community 49434  
school, by the thirty-first day of January of the previous school 49435  
year, submits written notification to the district board of 49436  
education stating that the governing authority is accepting 49437  
responsibility for providing or arranging for the transportation 49438  
of the district's native students to and from the community 49439  
school. If the governing authority of the community school has 49440  
previously accepted responsibility for providing or arranging for 49441  
the transportation of a district's native students to and from the 49442

community school, under division (B)(1) or (2) of this section, 49443  
and has since relinquished that responsibility under division 49444  
(B)(3) of this section, the governing authority shall not accept 49445  
that responsibility again unless the district board consents to 49446  
the governing authority's acceptance of that responsibility. 49447

(3) A governing authority's acceptance of responsibility 49448  
under division (B)(1) or (2) of this section shall cover an entire 49449  
school year, and shall remain in effect for subsequent school 49450  
years unless the governing authority submits written notification 49451  
to the district board that the governing authority is 49452  
relinquishing the responsibility. However, a governing authority 49453  
shall not relinquish responsibility for transportation before the 49454  
end of a school year, and shall submit the notice relinquishing 49455  
responsibility by the thirty-first day of January, in order to 49456  
allow the school district reasonable time to prepare 49457  
transportation for its native students enrolled in the school. 49458

(C)(1) A community school governing authority that enters 49459  
into an agreement under division (A) of this section, or that 49460  
accepts responsibility under division (B) of this section, shall 49461  
provide or arrange transportation free of any charge for each of 49462  
its enrolled students who is required to be transported under 49463  
section 3327.01 of the Revised Code or who would otherwise be 49464  
transported by the school district under the district's 49465  
transportation policy. The governing authority shall report to the 49466  
department of education the number of students transported or for 49467  
whom transportation is arranged under this section in accordance 49468  
with rules adopted by the state board of education. 49469

(2) The governing authority may provide or arrange 49470  
transportation for any other enrolled student who is not eligible 49471  
for transportation in accordance with division (C)(1) of this 49472  
section and may charge a fee for such service up to the actual 49473  
cost of the service. 49474

(3) Notwithstanding anything to the contrary in division 49475  
(C)(1) or (2) of this section, a community school governing 49476  
authority shall provide or arrange transportation free of any 49477  
charge for any disabled student enrolled in the school for whom 49478  
the student's individualized education program developed under 49479  
Chapter 3323. of the Revised Code specifies transportation. 49480

(D)(1) If a school district board and a community school 49481  
governing authority elect to enter into an agreement under 49482  
division (A) of this section, the department of education shall 49483  
make payments to the community school according to the terms of 49484  
the agreement for each student actually transported under division 49485  
(C)(1) of this section. 49486

If a community school governing authority accepts 49487  
transportation responsibility under division (B) of this section, 49488  
the department shall make payments to the community school for 49489  
each student actually transported or for whom transportation is 49490  
arranged by the community school under division (C)(1) of this 49491  
section, calculated as follows: 49492

(a) For any fiscal year which the general assembly has 49493  
specified that transportation payments to school districts be 49494  
based on an across-the-board percentage of the district's payment 49495  
for the previous school year, the per pupil payment to the 49496  
community school shall be the following quotient: 49497

(i) The total amount calculated for the school district in 49498  
which the child is entitled to attend school for student 49499  
transportation other than transportation of children with 49500  
disabilities; divided by 49501

(ii) The number of students included in the district's 49502  
transportation ADM for the current fiscal year, as reported under 49503  
division (B)(13) of section 3317.03 of the Revised Code, plus the 49504  
number of students enrolled in the community school not counted in 49505

the district's transportation ADM who are transported under 49506  
division (B)(1) or (2) of this section. 49507

(b) For any fiscal year which the general assembly has 49508  
specified that the transportation payments to school districts be 49509  
calculated in accordance with ~~division (D) of section 3317.022~~ 49510  
3306.12 of the Revised Code and any rules of the state board of 49511  
education implementing that ~~division section~~, the payment to the 49512  
community school shall be the amount so calculated that otherwise 49513  
would be paid to the school district in which the student is 49514  
entitled to attend school by the method of transportation the 49515  
district would have used. The community school, however, is not 49516  
required to use the same method to transport that student. 49517

As used in this division "entitled to attend school" means 49518  
entitled to attend school under section 3313.64 or 3313.65 of the 49519  
Revised Code. 49520

(2) The department shall deduct the payment under division 49521  
(D)(1) of this section from the state education aid, as defined in 49522  
section ~~3314.08~~ 5751.20 of the Revised Code, and, if necessary, 49523  
the payment under sections 321.14 and 323.156 of the Revised Code, 49524  
that is otherwise paid to the school district in which the student 49525  
enrolled in the community school is entitled to attend school. The 49526  
department shall include the number of the district's native 49527  
students for whom payment is made to a community school under 49528  
division (D)(1) of this section in the calculation of the 49529  
district's transportation payment under ~~division (D) of section~~ 49530  
~~3317.022~~ 3306.12 of the Revised Code and the operating 49531  
appropriations act. 49532

(3) A community school shall be paid under division (D)(1) of 49533  
this section only for students who are eligible as specified in 49534  
section 3327.01 of the Revised Code and division (C)(1) of this 49535  
section, and whose transportation to and from school is actually 49536  
provided, who actually utilized transportation arranged, or for 49537

whom a payment in lieu of transportation is made by the community 49538  
school's governing authority. To qualify for the payments, the 49539  
community school shall report to the department, in the form and 49540  
manner required by the department, data on the number of students 49541  
transported or whose transportation is arranged, the number of 49542  
miles traveled, cost to transport, and any other information 49543  
requested by the department. 49544

(4) A community school shall use payments received under this 49545  
section solely to pay the costs of providing or arranging for the 49546  
transportation of students who are eligible as specified in 49547  
section 3327.01 of the Revised Code and division (C)(1) of this 49548  
section, which may include payments to a parent, guardian, or 49549  
other person in charge of a child in lieu of transportation. 49550

(E) Except when arranged through payment to a parent, 49551  
guardian, or person in charge of a child, transportation provided 49552  
or arranged for by a community school pursuant to an agreement 49553  
under this section is subject to all provisions of the Revised 49554  
Code, and all rules adopted under the Revised Code, pertaining to 49555  
the construction, design, equipment, and operation of school buses 49556  
and other vehicles transporting students to and from school. The 49557  
drivers and mechanics of the vehicles are subject to all 49558  
provisions of the Revised Code, and all rules adopted under the 49559  
Revised Code, pertaining to drivers and mechanics of such 49560  
vehicles. The community school also shall comply with sections 49561  
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 49562  
of section 3327.16 of the Revised Code and, subject to division 49563  
(C)(1) of this section, sections 3327.01 and 3327.02 of the 49564  
Revised Code, as if it were a school district. 49565

**Sec. 3314.10.** (A)(1) The governing authority of any community 49566  
school established under this chapter may employ teachers and 49567  
nonteaching employees necessary to carry out its mission and 49568

fulfill its contract. 49569

(2) Except as provided under division (A)(3) of this section, 49570  
employees hired under this section may organize and collectively 49571  
bargain pursuant to Chapter 4117. of the Revised Code. 49572  
Notwithstanding division (D)(1) of section 4117.06 of the Revised 49573  
Code, a unit containing teaching and nonteaching employees 49574  
employed under this section shall be considered an appropriate 49575  
unit. As applicable, employment under this section is subject to 49576  
either Chapter 3307. or 3309. of the Revised Code. 49577

(3) If a school is created by converting all or part of an 49578  
existing public school rather than by establishment of a new 49579  
start-up school, at the time of conversion, the employees of the 49580  
community school shall remain part of any collective bargaining 49581  
unit in which they were included immediately prior to the 49582  
conversion and shall remain subject to any collective bargaining 49583  
agreement for that unit in effect on the first day of July of the 49584  
year in which the community school initially begins operation and 49585  
shall be subject to any subsequent collective bargaining agreement 49586  
for that unit, unless a petition is certified as sufficient under 49587  
division (A)(6) of this section with regard to those employees. 49588  
Any new employees of the community school shall also be included 49589  
in the unit to which they would have been assigned had not the 49590  
conversion taken place and shall be subject to the collective 49591  
bargaining agreement for that unit unless a petition is certified 49592  
as sufficient under division (A)(6) of this section with regard to 49593  
those employees. 49594

Notwithstanding division (B) of section 4117.01 of the 49595  
Revised Code, the board of education of a school district and not 49596  
the governing authority of a community school shall be regarded, 49597  
for purposes of Chapter 4117. of the Revised Code, as the "public 49598  
employer" of the employees of a conversion community school 49599  
subject to a collective bargaining agreement pursuant to division 49600

(A)(3) of this section unless a petition is certified under 49601

amount required to be deposited by this section or the rules 50269  
adopted under division (C) of this section, the board may deduct 50270  
the excess amount of money from the amount of money required to be 50271  
deposited in succeeding fiscal years. 50272

no deposit, into the district textbook and instructional materials 50277  
fund for that year. 50278

(3) Notwithstanding division (A) of this section, in any 50279  
fiscal year that a school district is either in fiscal watch 50280  
status, as declared pursuant to section 3316.03 of the Revised 50281  
Code, or in fiscal caution status, as declared pursuant to section 50282  
3316.031 of the Revised Code, the district may apply to the 50283  
superintendent of public instruction for a waiver from the 50284  
requirements of division (A) of this section, under which the 50285  
district may be permitted to deposit an amount less than required 50286

textbook and instructional materials fund for that year. The 50288  
superintendent may grant a waiver under division (B)(3) of this 50289  
section if the district demonstrates to the satisfaction of the 50290  
superintendent that compliance with division (A) of this section 50291

(4) Notwithstanding division (A) of this section, not more 50293  
often than one fiscal year in every three consecutive fiscal 50294  
years, any school district that does not satisfy the conditions 50295

an amount less than required by that division or permitted to make 50301  
no deposit into the district textbook and instructional materials 50302  
fund for that year. The superintendent may grant a waiver under 50303  
division (B)(4) of this section if the district demonstrates to 50304  
the satisfaction of the superintendent that compliance with 50305

division (A) of this section that year will necessitate the 50306  
reduction or elimination of a program currently offered by the 50307  
district that is critical to the academic success of students of 50308  
the district and that no reasonable alternatives exist for 50309  
spending reductions in other areas of operation within the 50310  
district that negate the necessity of the reduction or elimination 50311  
of that program. 50312

(C) The state superintendent of public instruction and the 50313  
auditor of state jointly shall adopt rules in accordance with 50314  
Chapter 119. of the Revised Code defining what constitutes 50315  
textbooks, instructional software, and instructional materials, 50316  
supplies, and equipment for which money in a school district's 50317  
textbook and instructional materials fund may be used. The auditor 50318  
of state also may designate a percentage, other than three per 50319  
cent, of the formula amount multiplied by the district's student 50320  
population that must be deposited into the fund. 50321

(D) Notwithstanding division (A) of this section, a district 50322  
board of education in any fiscal year may appropriate money in the 50323

Revised Code, the president of that organization or the 50337  
president's designee. 50338

(2) The district board adopts, by unanimous vote of all 50339  
members of the board, a resolution stating that the district has 50340  
sufficient textbooks, instructional software, and instructional 50341  
materials, supplies, and equipment to ensure a thorough and 50342  
efficient education within the district. 50343

(E) Notwithstanding any provision to the contrary in Chapter 50344  
4117. of the Revised Code, the requirements of this section 50345  
prevail over any conflicting provisions of agreements between 50346  
employee organizations and public employers entered into on or 50347  
after November 21, 1997. 50348

(F) As used in this section and in section 3315.18 of the 50349  
Revised Code, "student population" means the average, daily, 50350  
full-time-equivalent number of students in kindergarten through 50351

students enrolled in adult education classes, but including all of 50354  
the following: 50355

(1) Adjacent or other district students enrolled in the 50356  
district under an open enrollment policy pursuant to section 50357  
3313.98 of the Revised Code; 50358

one or more institutions of higher education, or other educational 50387

The receipt of a loan under this section does not affect a 50389  
student's eligibility for assistance, or the amount of such 50390  
assistance, granted under section 3315.33, 3333.12, 3333.122, 50391

**Sec. 3316.041.** (A) Notwithstanding any provision of Chapter 50396  
133. or sections 3313.483 to 3313.4811 of the Revised Code, and 50397

subject to the approval of the superintendent of public 50398  
instruction, a school district that is in a state of fiscal watch 50399  
declared under section 3316.03 of the Revised Code may restructure 50400  
or refinance loans obtained or in the process of being obtained 50401  
under section 3313.483 of the Revised Code if all of the following 50402  
requirements are met: 50403

(1) The operating deficit certified for the school district 50404  
for the current or preceding fiscal year under section 3313.483 of 50405  
the Revised Code exceeds fifteen per cent of the district's 50406  
general revenue fund for the fiscal year preceding the year for 50407  
which the certification of the operating deficit is made. 50408

(2) The school district voters have, during the period of the 50409  
fiscal watch, approved the levy of a tax under section 718.09, 50410

not a renewal or replacement levy, or a levy under section 50412  
5705.199 of the Revised Code, and that will provide new operating 50413  
revenue. 50414

(3) The board of education of the school district has adopted 50415  
or amended the financial plan required by section 3316.04 of the 50416  
Revised Code to reflect the restructured or refinanced loans, and 50417  
sets forth the means by which the district will bring projected 50418  
operating revenues and expenditures, and projected debt service 50419  
obligations, into balance for the life of any such loan. 50420

(B) Subject to the approval of the superintendent of public 50421  
instruction, the school district may issue securities to evidence 50422  
the restructuring or refinancing authorized by this section. Such 50423  
securities may extend the original period for repayment not to 50424  
exceed ten years, and may alter the frequency and amount of 50425  
repayments, interest or other financing charges, and other terms 50426  
or agreements under which the loans were originally contracted, 50427  
provided the loans received under sections 3313.483 of the Revised 50428  
Code are repaid from funds the district would otherwise receive 50429

under ~~sections 3317.022 to 3317.025~~ Chapter 3306. of the Revised 50430  
Code, as required under division (E)(3) of section 3313.483 of the 50431  
Revised Code. Securities issued for the purpose of restructuring 50432  
or refinancing under this section shall be repaid in equal 50433  
payments and at equal intervals over the term of the debt and are 50434  
not eligible to be included in any subsequent proposal to 50435  
restructure or refinance. 50436

(C) Unless the district is declared to be in a state of 50437  
fiscal emergency under division (D) of section 3316.04 of the 50438  
Revised Code, a school district shall remain in a state of fiscal 50439  
watch for the duration of the repayment period of any loan 50440  
restructured or refinanced under this section. 50441

**Sec. 3316.06.** (A) Within one hundred twenty days after the 50442  
first meeting of a school district financial planning and 50443  
supervision commission, the commission shall adopt a financial 50444  
recovery plan regarding the school district for which the 50445  
commission was created. During the formulation of the plan, the 50446  
commission shall seek appropriate input from the school district 50447  
board and from the community. This plan shall contain the 50448  
following: 50449

(1) Actions to be taken to: 50450

(a) Eliminate all fiscal emergency conditions declared to 50451  
exist pursuant to division (B) of section 3316.03 of the Revised 50452  
Code; 50453

(b) Satisfy any judgments, past-due accounts payable, and all 50454  
past-due and payable payroll and fringe benefits; 50455

(c) Eliminate the deficits in all deficit funds, except that 50456  
any prior year deficits in the textbook and instructional 50457  
materials fund established pursuant to section 3315.17 of the 50458  
Revised Code and the capital and maintenance fund established 50459

pursuant to section 3315.18 of the Revised Code shall be forgiven; 50460

were used for purposes not within the purposes of such funds, or 50462  
borrowed from such funds by the purchase of debt obligations of 50463  
the school district with the moneys of such funds, or missing from 50464  
the special funds and not accounted for, if any; 50465

(e) Balance the budget, avoid future deficits in any funds, 50466  
and maintain on a current basis payments of payroll, fringe 50467  
benefits, and all accounts; 50468

(f) Avoid any fiscal emergency condition in the future; 50469

(g) Restore the ability of the school district to market 50470  
long-term general obligation bonds under provisions of law 50471  
applicable to school districts generally. 50472

(2) The management structure that will enable the school 50473  
district to take the actions enumerated in division (A)(1) of this 50474  
section. The plan shall specify the level of fiscal and management 50475  
control that the commission will exercise within the school 50476  
district during the period of fiscal emergency, and shall 50477  
enumerate respectively, the powers and duties of the commission 50478  
and the powers and duties of the school board during that period. 50479  
The commission may elect to assume any of the powers and duties of 50480  
the school board it considers necessary, including all powers 50481  
related to personnel, curriculum, and legal issues in order to 50482  
successfully implement the actions described in division (A)(1) of 50483  
this section. 50484

(3) The target dates for the commencement, progress upon, and 50485  
completion of the actions enumerated in division (A)(1) of this 50486  
section and a reasonable period of time expected to be required to 50487  
implement the plan. The commission shall prepare a reasonable time 50488  
schedule for progress toward and achievement of the requirements 50489  
for the plan, and the plan shall be consistent with that time 50490

schedule. 50491

(4) The amount and purpose of any issue of debt obligations 50492  
that will be issued, together with assurances that any such debt 50493  
obligations that will be issued will not exceed debt limits 50494  
supported by appropriate certifications by the fiscal officer of 50495  
the school district and the county auditor. Debt obligations 50496  
issued pursuant to section 133.301 of the Revised Code shall 50497  
include assurances that such debt shall be in an amount not to 50498  
exceed the amount certified under division (B) of such section. If 50499  
the commission considers it necessary in order to maintain or 50500  
improve educational opportunities of pupils in the school 50501  
district, the plan may include a proposal to restructure or 50502  
refinance outstanding debt obligations incurred by the board under 50503  
section 3313.483 of the Revised Code contingent upon the approval, 50504  
during the period of the fiscal emergency, by district voters of a 50505  
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 50506  
5748.02, or 5748.08 of the Revised Code that is not a renewal or 50507  
replacement levy, or a levy under section 5705.199 of the Revised 50508  
Code, and that will provide new operating revenue. Notwithstanding 50509  
any provision of Chapter 133. or sections 3313.483 to 3313.4811 of 50510  
the Revised Code, following the required approval of the district 50511  
voters and with the approval of the commission, the school 50512  
district may issue securities to evidence the restructuring or 50513  
refinancing. Those securities may extend the original period for 50514  
repayment, not to exceed ten years, and may alter the frequency 50515  
and amount of repayments, interest or other financing charges, and 50516  
other terms of agreements under which the debt originally was 50517  
contracted, at the discretion of the commission, provided that any 50518  
loans received pursuant to section 3313.483 of the Revised Code 50519  
shall be paid from funds the district would otherwise receive 50520  
under ~~sections 3317.022 to 3317.025~~ Chapter 3306. of the Revised 50521  
Code, as required under division (E)(3) of section 3313.483 of the 50522  
Revised Code. The securities issued for the purpose of 50523

restructuring or refinancing the debt shall be repaid in equal 50524  
payments and at equal intervals over the term of the debt and are 50525  
not eligible to be included in any subsequent proposal for the 50526  
purpose of restructuring or refinancing debt under this section. 50527

(B) Any financial recovery plan may be amended subsequent to 50528  
its adoption. Each financial recovery plan shall be updated 50529  
annually. 50530

(C) Each school district financial planning and supervision 50531  
commission shall submit the financial recovery plan it adopts or 50532  
updates under this section to the state superintendent of public 50533  
instruction for approval immediately following its adoption or 50534  
updating. The state superintendent shall evaluate the plan and 50535  
either approve or disapprove it within thirty calendar days from 50536  
the date of its submission. If the plan is disapproved, the state 50537  
superintendent shall recommend modifications that will render it 50538  
acceptable. No financial planning and supervision commission shall 50539  
implement a financial recovery plan that is adopted or updated on 50540  
or after April 10, 2001, unless the state superintendent has 50541  
approved it. 50542

**Sec. 3316.20.** (A)(1) The school district solvency assistance 50543  
fund is hereby created in the state treasury, to consist of such 50544  
amounts designated for the purposes of the fund by the general 50545  
assembly. The fund shall be used to provide assistance and grants 50546  
to school districts to enable them to remain solvent and to pay 50547  
~~unforseeable~~ unforeseeable expenses of a temporary or emergency 50548  
nature that they are unable to pay from existing resources. 50549

(2) There is hereby created within the fund an account known 50550  
as the school district shared resource account, which shall 50551  
consist of money appropriated to it by the general assembly. The 50552  
money in the account shall be used solely for solvency assistance 50553  
to school districts that have been declared under division (B) of 50554

section 3316.03 of the Revised Code to be in a state of fiscal 50555  
emergency. 50556

(3) There is hereby created within the fund an account known 50557  
as the catastrophic expenditures account, which shall consist of 50558  
money appropriated to the account by the general assembly plus all 50559  
investment earnings of the fund. Money in the account shall be 50560  
used solely for the following: 50561

(a) Solvency assistance to school districts that have been 50562  
declared under division (B) of section 3316.03 of the Revised Code 50563  
to be in a state of fiscal emergency, in the event that all money 50564  
in the shared resource account is utilized for solvency 50565  
assistance; 50566

(b) Grants to school districts under division (C) of this 50567  
section. 50568

(B) Solvency assistance payments under division (A)(2) or 50569  
(3)(a) of this section shall be made from the fund by the 50570  
superintendent of public instruction in accordance with rules 50571  
adopted by the director of budget and management, after consulting 50572  
with the superintendent, specifying approval criteria and 50573  
procedures necessary for administering the fund. 50574

The fund shall be reimbursed for any solvency assistance 50575  
amounts paid under division (A)(2) or (3)(a) of this section not 50576  
later than the end of the second fiscal year following the fiscal 50577  
year in which the solvency assistance payment was made. If not 50578  
made directly by the school district, such reimbursement shall be 50579  
made by the director of budget and management from the amounts the 50580  
school district would otherwise receive pursuant to ~~sections~~ 50581  
~~3317.022 to 3317.025~~ Chapter 3306. of the Revised Code, or from 50582  
any other funds appropriated for the district by the general 50583  
assembly. Reimbursements shall be credited to the respective 50584  
account from which the solvency assistance paid to the district 50585

was deducted. 50586

(C) The superintendent of public instruction may make 50587  
recommendations, and the controlling board may grant money from 50588  
the catastrophic expenditures account to any school district that 50589  
suffers an unforeseen catastrophic event that severely depletes 50590  
the district's financial resources. The superintendent shall make 50591  
recommendations for the grants in accordance with rules adopted by 50592  
the director of budget and management, after consulting with the 50593  
superintendent. A school district shall not be required to repay 50594  
any grant awarded to the district under this division, unless the 50595  
district receives money from this state or a third party, 50596  
including an agency of the government of the United States, 50597  
specifically for the purpose of compensating the district for 50598  
revenue lost or expenses incurred as a result of the unforeseen 50599  
catastrophic event. If a school district receives a grant from the 50600  
catastrophic expenditures account on the basis of the same 50601  
circumstances for which an adjustment or recomputation is 50602  
authorized under section 3317.025, 3317.026, 3317.027, 3317.028, 50603  
3317.0210, or 3317.0211 of the Revised Code, the department of 50604  
education shall reduce the adjustment or recomputation by an 50605  
amount not to exceed the total amount of the grant, and an amount 50606  
equal to the reduction shall be transferred, from the funding 50607  
source from which the adjustment or recomputation would be paid, 50608  
to the catastrophic expenditures account. Any adjustment or 50609  
recomputation under such sections that is in excess of the total 50610  
amount of the grant shall be paid to the school district. 50611

**Sec. 3317.01.** As used in this section and section 3317.011 of 50612  
the Revised Code, "school district," unless otherwise specified, 50613  
means any city, local, exempted village, joint vocational, or 50614  
cooperative education school district and any educational service 50615  
center. 50616

This chapter shall be administered by the state board of education. The superintendent of public instruction shall calculate the amounts payable to each school district and shall certify the amounts payable to each eligible district to the treasurer of the district as provided by this chapter. As soon as possible after such amounts are calculated, the superintendent shall certify to the treasurer of each school district the district's adjusted charge-off increase, as defined in section 5705.211 of the Revised Code. No moneys shall be distributed pursuant to this chapter without the approval of the controlling board.

The state board of education shall, in accordance with appropriations made by the general assembly, meet the financial obligations of this chapter.

~~Annually, the department of education shall calculate and report to each school district the district's total state and local funds for providing an adequate basic education to the district's nondisabled students, utilizing the determination in section 3317.012 of the Revised Code. In addition, the department shall calculate and report separately for each school district the district's total state and local funds for providing an adequate education for its students with disabilities, utilizing the determinations in both sections 3317.012 and 3317.013 of the Revised Code.~~

~~Not later than the thirty first day of August of each fiscal year, the department of education shall provide to each school district and county MR/DD board a preliminary estimate of the amount of funding that the department calculates the district will receive under each of divisions (C)(1) and (4) of section 3317.022 of the Revised Code. No later than the first day of December of each fiscal year, the department shall update that preliminary estimate.~~

Moneys distributed pursuant to this chapter shall be 50649  
calculated and paid on a fiscal year basis, beginning with the 50650  
first day of July and extending through the thirtieth day of June. 50651  
The moneys appropriated for each fiscal year shall be distributed 50652  
~~at least monthly~~ periodically to each school district unless 50653  
otherwise provided for. The state board shall submit a yearly 50654  
distribution plan to the controlling board at its first meeting in 50655  
July. The state board shall submit any proposed midyear revision 50656  
of the plan to the controlling board in January. Any year-end 50657  
revision of the plan shall be submitted to the controlling board 50658  
in June. If moneys appropriated for each fiscal year are 50659  
distributed other than monthly, such distribution shall be on the 50660  
same basis for each school district. 50661

~~The total amounts paid each month shall constitute, as nearly 50662  
as possible, one twelfth of the total amount payable for the 50663  
entire year. 50664~~

~~Until fiscal year 2007, payments made during the first six 50665  
months of the fiscal year may be based on an estimate of the 50666  
amounts payable for the entire year. Payments made in the last six 50667  
months shall be based on the final calculation of the amounts 50668  
payable to each school district for that fiscal year. Payments 50669  
made in the last six months may be adjusted, if necessary, to 50670  
correct the amounts distributed in the first six months, and to 50671  
reflect enrollment increases when such are at least three per 50672  
cent. 50673~~

~~Beginning in fiscal year 2007, payments shall be calculated 50674  
to reflect the biannual reporting of average daily membership. In 50675  
fiscal year 2007 and in each fiscal year thereafter, annualized 50676  
periodic payments for each school district shall be based on the 50677  
district's final student counts verified by the superintendent of 50678  
public instruction based on reports under section 3317.03 of the 50679  
Revised Code, as adjusted, if so ordered, under division (K) of 50680~~

~~that section, as follows:~~ 50681  
    ~~the sum of one half of the number of students verified~~ 50682  
        ~~and adjusted for the first full week in October~~ 50683  
            ~~plus one half of the average of the numbers~~ 50684  
                ~~verified and adjusted for the first full week~~ 50685  
                    ~~in October and for the first full week in February~~ 50686

Except as otherwise provided, payments under this chapter 50687  
shall be made only to those school districts in which: 50688

center and any joint vocational or cooperative education school 50690  
district, levies for current operating expenses at least twenty 50691  
mills. Levies for joint vocational or cooperative education school 50692  
districts or county school financing districts, limited to or to 50693  
the extent apportioned to current expenses, shall be included in 50694  
this qualification requirement. School district income tax levies 50695  
under Chapter 5748. of the Revised Code, limited to or to the 50696  
extent apportioned to current operating expenses, shall be 50697  
included in this qualification requirement to the extent 50698  
determined by the tax commissioner under division (D) of section 50699  
3317.021 of the Revised Code. 50700

(B) The ~~school~~ learning year next preceding the fiscal year 50701

the minimum number of days or hours school must be open for 50704

(2) In determining eligibility for payments under this 50732  
chapter for fiscal year 2011, up to three days for the 2009-2010 50733

The state board shall adopt standards for the superintendent 50738  
to apply in determining the waiver of days or hours for schools 50739

because schools were open for instruction but either twelfth grade 50743

students were excused from attendance for up to three days or only 50744  
a portion of the kindergarten students were in attendance for up 50745  
to three days in order to allow for the gradual orientation to 50746

results from dividing (i) the dollar value of compensation 51135  
received by the school district during the preceding tax year 51136  
pursuant to division (B), (C), or (D) of section 5709.82 of the 51137

included in division (A)(6)(a) of this section, and so that any 51142

such amount is reported only once under division (A)(6)(b) of this 51143

to such an ordinance or resolution for the preceding tax year, if 51153  
the ordinance or resolution is adopted prior to January 1, 2006, 51154  
and the legislative authority or board of township trustees or 51155  
county commissioners, prior to January 1, 2006, executes a 51156  
contract or agreement with a developer, whether for-profit or 51157  
not-for-profit, with respect to the development of a project 51158

resolution, and upon which parcels such project is being, or will 51160  
be, undertaken; 51161

(d) The portion of school district compensation value that 51162  
was exempted from taxation for the preceding tax year and for 51163

5709.40 of the Revised Code. 51166

(e) The portion of school district compensation value that 51167  
was exempted from taxation for the preceding tax year pursuant to 51168

before April 1, 2006, the fiscal officer of the municipal 51170  
corporation that adopted the ordinance, or of the township or 51171  
county that adopted the resolution, certifies and provides 51172  
appropriate supporting documentation to the tax commissioner and 51173  
the director of development that, based on hold-harmless 51174

provisions in any agreement between the school district and the 51175

township trustees, or board of county commissioners that was 51177  
entered into on or before June 1, 2005, the ability or obligation 51178  
of the municipal corporation, township, or county to repay bonds, 51179  
notes, or other financial obligations issued or entered into prior 51180  
to January 1, 2006, will be impaired, including obligations to or 51181  
of any other body corporate and politic with whom the legislative 51182  
authority of the municipal corporation or board of township 51183

such an ordinance or resolution, if the ordinance or resolution is 51189  
adopted prior to January 1, 2006, in a municipal corporation with 51190  
a population that exceeds one hundred thousand, as shown by the 51191  
most recent federal decennial census, that includes a major 51192  
employment center and that is adjacent to historically distressed 51193  
neighborhoods, if the legislative authority of the municipal 51194  
corporation that exempted the property prepares an economic 51195  
analysis that demonstrates that all taxes generated within the 51196  
incentive district accruing to the state by reason of improvements 51197  
constructed within the district during its existence exceed the 51198  
amount the state pays the school district under section 3317.022 51199  
of the Revised Code attributable to such property exemption from 51200  
the school district's recognized valuation. The analysis shall be 51201  
submitted to and approved by the department of development prior 51202  
to January 1, 2006, and the department shall not unreasonably 51203  
withhold approval. 51204

(g) The portion of school district compensation value that 51205  
was exempted from taxation for the preceding tax year under such 51206

an ordinance or resolution, if the ordinance or resolution is 51207  
adopted prior to January 1, 2006, and if service payments have 51208  
been pledged to be used for mixed-use riverfront entertainment 51209  
development in any county with a population that exceeds six 51210  
hundred thousand, as shown by the most recent federal decennial 51211  
census; 51212

(h) The portion of school district compensation value that 51213  
was exempted from taxation for the preceding tax year under such 51214  
an ordinance or resolution, if, prior to January 1, 2006, the 51215  
legislative authority of a municipal corporation, board of 51216  
township trustees, or board of county commissioners has pledged 51217

approved by the transportation review advisory council under 51219  
Chapter 5512. of the Revised Code; 51220

(i) The portion of school district compensation value that 51221

county commissioners have, by January 1, 2006, pledged proceeds 51225  
for designated transportation improvement projects that involve 51226  
federal funds for which the proceeds are used to meet a local 51227  
share match requirement for such funding. 51228

same meaning as in section 5709.40 of the Revised Code. 51230

(7) The aggregate value of real property in the school 51231  
district for which an exemption from taxation is granted by an 51232

Chapter 725. or 1728., sections 3735.65 to 3735.70, or section 51234  
5709.62, 5709.63, 5709.632, 5709.84, or 5709.88 of the Revised 51235  
Code, as indicated on the list of exempted property for the 51236  
preceding tax year under section 5713.08 of the Revised Code and 51237  
as if such property had been assessed for taxation that year, 51238

minus the product determined by multiplying (a) the aggregate 51239  
value of the real property in the school district exempted from 51240  
taxation for the preceding tax year under any of the chapters or 51241  
sections specified in this division, by (b) a fraction, the 51242  
numerator of which is the difference between (i) the amount of 51243  
anticipated revenue such school district would have received for 51244  
the preceding tax year if the real property exempted from taxation 51245  
had not been exempted from taxation and (ii) the aggregate amount 51246  
of payments in lieu of taxes on the exempt real property for the 51247  
preceding tax year and other compensation received for the 51248  
preceding tax year by the school district pursuant to any 51249  
agreements entered into on or after January 1, 2006, under section 51250  
5709.82 of the Revised Code between the school district and the 51251  
legislative authority of a political subdivision that acted under 51252  
the authority of a chapter or statute specified in this division, 51253  
that were entered into in relation to such exemption, and the 51254  
denominator of which is the amount of anticipated revenue such 51255  
school district would have received in the preceding fiscal year 51256  
if the real property exempted from taxation had not been exempted. 51257

~~(8) For each school district receiving payments under 51258  
division (B) or (C) of section 3317.0216 of the Revised Code 51259  
during the current fiscal year, as included on the most recent 51260  
list of such districts sent to the tax commissioner under division 51261  
(F) of that section, the following: 51262~~

~~(a) The portion of the total amount of taxes charged and 51263  
payable for current expenses certified under division (A)(3)(a) of 51264  
this section that is attributable to each new levy approved and 51265  
charged in the preceding tax year and the respective tax rate of 51266  
each of those new levies: 51267~~

~~(b) The portion of the total taxes collected for current 51268

(B) On or before the first day of May each year, the tax 51275  
commissioner shall certify to the department of education and the 51276

value of railroads and, separately, the total taxable tangible 51278  
personal property value of all public utilities for the preceding 51279  
tax year, by school district and by county of location. 51280

(C) If a public utility has properly and timely filed a 51281  
petition for reassessment under section 5727.47 of the Revised 51282  
Code with respect to an assessment issued under section 5727.23 of 51283  
the Revised Code affecting taxable property apportioned by the tax 51284

utility tangible personal property included in the certification 51286  
under divisions (A)(2) and (B) of this section for the school 51287  
district shall include only the amount of taxable value on the 51288  
basis of which the public utility paid tax for the preceding year 51289  
as provided in division (B)(1) or (2) of section 5727.47 of the 51290  
Revised Code. 51291

specified in division (A)(1) of section 3306.01 and division (A) 51295  
of section 3317.01 of the Revised Code, the department shall 51296  
immediately request the tax commissioner to determine the extent 51297  
to which any school district income tax levied by the district 51298  
under Chapter 5748. of the Revised Code shall be included in 51299  
meeting that requirement. Within five days of receiving such a 51300  
request from the department, the tax commissioner shall make the 51301  
determination required by this division and report the quotient 51302

obtained under division (D)(3) of this section to the department 51303  
and the office of budget and management. This quotient represents 51304  
the number of mills that the department shall include in 51305  
determining whether the district meets the qualification 51306  
requirement of division (A)(1) of section 3306.01 and division (A) 51307  
of section 3317.01 of the Revised Code. 51308

The tax commissioner shall make the determination required by 51309

district as determined in divisions (A)(1) and (2) of this 51312  
section; 51313

(2) Estimate the total amount of tax liability for the 51314

the district, excluding any income tax receipts allocated for the 51317  
project cost, debt service, or maintenance set-aside associated 51318  
with a state-assisted classroom facilities project as authorized 51319  
by section 3318.052 of the Revised Code; 51320

(3) Divide the amount estimated under division (D)(2) of this 51321  
section by the product obtained under division (D)(1) of this 51322  
section. 51323

(E)(1) On or before June 1, 2006, and the first day of April 51324  
of each year thereafter, the director of development shall report 51325  
to the department of education, the tax commissioner, and the 51326  
director of budget and management the total amounts of payments 51327  
received by each city, local, exempted village, or joint 51328

division (B) of section 5709.78 of the Revised Code, respectively. 51338  
On or before April 1, 2006, and the first day of March of each 51339  
year thereafter, the treasurer of each city, local, exempted 51340  
village, or joint vocational school district that has entered into 51341  
such an agreement shall report to the director of development the 51342  
total amounts of such payments the district received for the 51343  
preceding tax year as provided in this section. The state board of 51344  
education, in accordance with sections 3319.31 and 3319.311 of the 51345

following formula: 51375

{[the formula amount X (formula ADM + 51376

the amounts calculated for the district under 51383  
sections 3317.029 and 3317.0217 of the Revised Code 51384

If the difference obtained is a negative number, the 51385

(b) For each school district to which division (A)(2)(a) of 51392  
this section applies, the department shall adjust the recognized 51393

division (O)(1) of section 3317.024 of the Revised Code; 51453

(e) Any other related service needed by children with 51454  
disabilities in accordance with their individualized education 51455  
programs. 51456

~~(4)~~(3) The "total vocational education weight" for a district 51457  
means the sum of the following amounts: 51458

(a) The district's category one vocational education ADM multiplied by the multiple specified in division (A) of section 3317.014 of the Revised Code;

(b) The district's category two vocational education ADM multiplied by the multiple specified in division (B) of section 3317.014 of the Revised Code.

~~(5)~~(4) "Preschool scholarship ADM" means the number of preschool children with disabilities reported under division (B)(3)(h) of section 3317.03 of the Revised Code.

(C)(1) The department shall compute and distribute state special education and related services additional weighted costs funds to each school district in accordance with the following formula:

The district's state share percentage X  
the formula amount for the year for which  
the aid is calculated X the district's  
total special education weight

(2) The attributed local share of special education and related services additional weighted costs equals:

(1 - the district's state share percentage) X the district's  
total special education weight X the formula amount

(3)(a) The department shall compute and pay in accordance with this division additional state aid to school districts for students in categories two through six special education ADM. If a district's costs for the fiscal year for a student in its categories two through six special education ADM exceed the threshold catastrophic cost for serving the student, the district may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department

shall pay to the district an amount equal to the sum of the 51490

excess of the threshold catastrophic cost; 51493

(ii) The product of one-half of the district's costs for the 51494  
student in excess of the threshold catastrophic cost multiplied by 51495  
the district's state share percentage. 51496

(b) For purposes of division (C)(3)(a) of this section, the 51497  
threshold catastrophic cost for serving a student equals: 51498

(i) For a student in the school district's category two, 51499  
three, four, or five special education ADM, twenty-seven thousand 51500  
three hundred seventy-five dollars ~~in fiscal years 2008 and 2009;~~ 51501

(ii) For a student in the district's category six special 51502  
education ADM, thirty-two thousand eight hundred fifty dollars ~~in~~ 51503  
~~fiscal years 2008 and 2009.~~ 51504

(c) The district shall only report under division (C)(3)(a) 51505  
of this section, and the department shall only pay for, the costs 51506  
of educational expenses and the related services provided to the 51507  
student in accordance with the student's individualized education 51508  
program. Any legal fees, court costs, or other costs associated 51509  
with any cause of action relating to the student may not be 51510  
included in the amount. 51511

(4)(a) As used in this division, the "personnel allowance" 51512  
means thirty thousand dollars in fiscal years 2008 and 2009. 51513

(b) For the provision of speech language pathology services 51514  
to students, including students who do not have individualized 51515  
education programs prepared for them under Chapter 3323. of the 51516  
Revised Code, and for no other purpose, the department of 51517  
education shall pay each school district an amount calculated 51518  
under the following formula: 51519

(formula ADM divided by 2000) X 51520  
the personnel allowance X 51521  
the state share percentage 51522

(5) In any fiscal year, a school district shall spend for 51523  
purposes that the department designates as approved for special 51524  
education and related services expenses at least the amount 51525  
calculated as follows: 51526

(formula amount X the sum of categories 51527  
one through six special education ADM) + 51528  
(total special education weight X formula amount) 51529

The purposes approved by the department for special education 51530  
expenses shall include, but shall not be limited to, 51531  
identification of children with disabilities, compliance with 51532  
state rules governing the education of children with disabilities 51533  
and prescribing the continuum of program options for children with 51534  
disabilities, provision of speech language pathology services, and 51535  
the portion of the school district's overall administrative and 51536  
overhead costs that are attributable to the district's special 51537  
education student population. 51538

The scholarships deducted from the school district's account 51539  
under section 3310.41 of the Revised Code shall be considered to 51540  
be an approved special education and related services expense for 51541  
the purpose of the school district's compliance with division 51542  
(C)(5) of this section. 51543

The department shall require school districts to report data 51544  
annually to allow for monitoring compliance with division (C)(5) 51545  
of this section. The department shall annually report to the 51546  
governor and the general assembly the amount of money spent by 51547  
each school district for special education and related services. 51548

(6) In any fiscal year, a school district shall spend for the 51549  
provision of speech language pathology services not less than the 51550  
sum of the amount calculated under division (C)(1) of this section 51551

for the students in the district's category one special education 51552  
ADM and the amount calculated under division (C)(4) of this 51553  
section. 51554

(D)(1) As used in this division: 51555

(a) "Daily bus miles per student" equals the number of bus 51556  
miles traveled per day, divided by transportation base. 51557

(b) "Transportation base" equals total student count as 51558  
defined in section 3301.011 of the Revised Code, minus the number 51559  
of students enrolled in units for preschool children with 51560  
disabilities, plus the number of nonpublic school students 51561  
included in transportation ADM. 51562

(c) "Transported student percentage" equals transportation 51563  
ADM divided by transportation base. 51564

(d) "Transportation cost per student" equals total operating 51565  
costs for board-owned or contractor-operated school buses divided 51566  
by transportation base. 51567

(2) Analysis of student transportation cost data has resulted 51568  
in a finding that an average efficient transportation use cost per 51569  
student can be calculated by means of a regression formula that 51570  
has as its two independent variables the number of daily bus miles 51571  
per student and the transported student percentage. For fiscal 51572  
year 1998 transportation cost data, the average efficient 51573  
transportation use cost per student is expressed as follows: 51574

51.79027 + (139.62626 X daily bus miles per student) + 51575

(116.25573 X transported student percentage) 51576

The department of education shall annually determine the 51577  
average efficient transportation use cost per student in 51578  
accordance with the principles stated in division (D)(2) of this 51579  
section, updating the intercept and regression coefficients of the 51580  
regression formula modeled in this division, based on an annual 51581  
statewide analysis of each school district's daily bus miles per 51582

student, transported student percentage, and transportation cost 51583  
per student data. The department shall conduct the annual update 51584  
using data, including daily bus miles per student, transported 51585  
student percentage, and transportation cost per student data, from 51586  
the prior fiscal year. The department shall notify the office of 51587  
budget and management of such update by the fifteenth day of 51588  
February of each year. 51589

(3) In addition to funds paid under divisions (A), (C), and 51590  
(E) of this section, each district with a transported student 51591  
percentage greater than zero shall receive a payment equal to a 51592  
percentage of the product of the district's transportation base 51593  
from the prior fiscal year times the annually updated average 51594  
efficient transportation use cost per student, times an inflation 51595  
factor of two and eight\_tenths per cent to account for the 51596  
one-year difference between the data used in updating the formula 51597  
and calculating the payment and the year in which the payment is 51598  
made. The percentage shall be the following percentage of that 51599  
product specified for the corresponding fiscal year: 51600

FISCAL YEAR	PERCENTAGE	
2000	52.5%	51602
2001	55%	51603
2002	57.5%	51604
2003 and thereafter	The greater of 60% or the district's state share percentage	51605

The payments made under division (D)(3) of this section each 51606  
year shall be calculated based on all of the same prior year's 51607  
data used to update the formula. 51608

(4) In addition to funds paid under divisions (D)(2) and (3) 51609  
of this section, a school district shall receive a rough road 51610  
subsidy if both of the following apply: 51611

(a) Its county rough road percentage is higher than the 51612

statewide rough road percentage, as those terms are defined in 51613  
division (D)(5) of this section; 51614

(b) Its district student density is lower than the statewide 51615  
student density, as those terms are defined in that division. 51616

(5) The rough road subsidy paid to each district meeting the 51617  
qualifications of division (D)(4) of this section shall be 51618  
calculated in accordance with the following formula: 51619

(per rough mile subsidy X total rough road miles) 51620  
X density multiplier 51621

where: 51622

(a) "Per rough mile subsidy" equals the amount calculated in 51623  
accordance with the following formula: 51624

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} -$  51625  
 $\text{county rough road percentage}) / (\text{maximum rough road}$  51626  
 $\text{percentage} - \text{statewide rough road percentage})]\}$  51627

(i) "Maximum rough road percentage" means the highest county 51628  
rough road percentage in the state. 51629

(ii) "County rough road percentage" equals the percentage of 51630  
the mileage of state, municipal, county, and township roads that 51631  
is rated by the department of transportation as type A, B, C, E2, 51632  
or F in the county in which the school district is located or, if 51633  
the district is located in more than one county, the county to 51634  
which it is assigned for purposes of determining its 51635  
cost-of-doing-business factor. 51636

(iii) "Statewide rough road percentage" means the percentage 51637  
of the statewide total mileage of state, municipal, county, and 51638  
township roads that is rated as type A, B, C, E2, or F by the 51639  
department of transportation. 51640

(b) "Total rough road miles" means a school district's total 51641  
bus miles traveled in one year times its county rough road 51642

percentage. 51643

(c) "Density multiplier" means a figure calculated in 51644  
accordance with the following formula: 51645

1 - [(minimum student density - district student 51646  
density)/(minimum student density - 51647  
statewide student density)] 51648

(i) "Minimum student density" means the lowest district 51649  
student density in the state. 51650

(ii) "District student density" means a school district's 51651  
transportation base divided by the number of square miles in the 51652  
district. 51653

(iii) "Statewide student density" means the sum of the 51654  
transportation bases for all school districts divided by the sum 51655  
of the square miles in all school districts. 51656

(6) In addition to funds paid under divisions (D)(2) to (5) 51657  
of this section, each district shall receive in accordance with 51658  
rules adopted by the state board of education a payment for 51659  
students transported by means other than board-owned or 51660  
contractor-operated buses and whose transportation is not funded 51661  
under division (G) of section 3317.024 of the Revised Code. The 51662  
rules shall include provisions for school district reporting of 51663  
such students. 51664

(E)(1) The department shall compute and distribute state 51665  
vocational education additional weighted costs funds to each 51666  
school district in accordance with the following formula: 51667

state share percentage X 51668  
the formula amount X 51669  
total vocational education weight 51670

In any fiscal year, a school district receiving funds under 51671  
division (E)(1) of this section shall spend those funds only for 51672  
the purposes that the department designates as approved for 51673

vocational education expenses. Vocational educational expenses 51674  
approved by the department shall include only expenses connected 51675  
to the delivery of career-technical programming to 51676  
career-technical students. The department shall require the school 51677  
district to report data annually so that the department may 51678  
monitor the district's compliance with the requirements regarding 51679  
the manner in which funding received under division (E)(1) of this 51680  
section may be spent. 51681

(2) The department shall compute for each school district 51682  
state funds for vocational education associated services in 51683  
accordance with the following formula: 51684

state share percentage X .05 X the formula amount X 51685  
the sum of categories one and two vocational education ADM 51686

In any fiscal year, a school district receiving funds under 51687  
division (E)(2) of this section, or through a transfer of funds 51688  
pursuant to division (L) of section 3317.023 of the Revised Code, 51689  
shall spend those funds only for the purposes that the department 51690  
designates as approved for vocational education associated 51691  
services expenses, which may include such purposes as 51692  
apprenticeship coordinators, coordinators for other vocational 51693  
education services, vocational evaluation, and other purposes 51694  
designated by the department. The department may deny payment 51695  
under division (E)(2) of this section to any district that the 51696  
department determines is not operating those services or is using 51697  
funds paid under division (E)(2) of this section, or through a 51698  
transfer of funds pursuant to division (L) of section 3317.023 of 51699  
the Revised Code, for other purposes. 51700

(F) The actual local share in any fiscal year for the 51701  
combination of special education and related services additional 51702  
weighted costs funding calculated under division (C)(1) of this 51703  
section, transportation funding calculated under divisions (D)(2) 51704  
and (3) of this section, and vocational education and associated 51705

services additional weighted costs funding calculated under 51706  
divisions (E)(1) and (2) of this section shall not exceed for any 51707  
school district the product of three and three-tenths mills times 51708  
the district's recognized valuation. The department annually shall 51709  
pay each school district as an excess cost supplement any amount 51710  
by which the sum of the district's attributed local shares for 51711  
that funding exceeds that product. For purposes of calculating the 51712  
excess cost supplement: 51713

(1) The attributed local share for special education and 51714  
related services additional weighted costs funding is the amount 51715  
specified in division (C)(2) of this section. 51716

(2) The attributed local share of transportation funding 51717  
equals the difference of the total amount calculated for the 51718  
district using the formula developed under division (D)(2) of this 51719  
section minus the actual amount paid to the district after 51720  
applying the percentage specified in division (D)(3) of this 51721  
section. 51722

(3) The attributed local share of vocational education and 51723  
associated services additional weighted costs funding is the 51724  
amount determined as follows: 51725

(1 - state share percentage) X 51726  
[(total vocational education weight X 51727  
the formula amount) + the payment under 51728  
division (E)(2) of this section] 51729

**Sec. 3317.023.** (A) ~~Notwithstanding section 3317.022 of the~~ 51730

adjusted by the amount of the computations made under divisions 51733  
(B) to (N) of this section. The department of education shall not 51734  
make payments or adjustments under divisions (B), (C), and (D) of 51735

in the eight specialist areas in a pattern approved by the 51746  
department of education under guidelines established by the state 51747  
board of education. 51748

(3) "Annual salary" means the annual base salary stated in 51749  
the state minimum salary schedule for the performance of the 51750  
teacher's regular teaching duties that the teacher earns for 51751  
services rendered for the first full week of October of the fiscal 51752  
year for which the adjustment is made under division (C) of this 51753  
section. It shall not include any salary payments for supplemental 51754  
teachers contracts. 51755

the number of students reported as enrolled in the district 51757  
pursuant to division (A)(1) of section 3313.981 of the Revised 51758  
Code; minus the number of students reported under division (A)(2) 51759  
of section 3317.03 of the Revised Code; minus the FTE of students 51760  
reported under division (B)(6), (7), (8), (9), (10), (11), or (12) 51761

~~(7)~~(6) "Lead district" means a school district, including a joint vocational school district, designated by the department as a VEPD, or designated to provide primary vocational education leadership within a VEPD composed of a group of districts.

(B) If the district employs less than one full-time equivalent classroom teacher for each twenty-five pupils in the regular student population in any school district, deduct the sum of the amounts obtained from the following computations:

(1) Divide the number of the district's full-time equivalent classroom teachers employed by one twenty-fifth;

(2) Subtract the quotient in (1) from the district's regular student population;

(3) Multiply the difference in (2) by seven hundred fifty-two dollars.

(C) If a positive amount, add one-half of the amount obtained by multiplying the number of full-time equivalent classroom teachers by:

(1) The mean annual salary of all full-time equivalent classroom teachers employed by the district at their respective training and experience levels minus;

(2) The mean annual salary of all such teachers at their respective levels in all school districts receiving payments under this section.

The number of full-time equivalent classroom teachers used in this computation shall not exceed one twenty-fifth of the district's regular student population. In calculating the

district's mean salary under this division, those full-time 51798  
equivalent classroom teachers with the highest training level 51799  
shall be counted first, those with the next highest training level 51800  
second, and so on, in descending order. Within the respective 51801  
training levels, teachers with the highest years of service shall 51802  
be counted first, the next highest years of service second, and so 51803  
on, in descending order. 51804

(D) This division does not apply to a school district that 51805  
has entered into an agreement under division (A) of section 51806

elementary school art, music, and physical education teachers, 51810  
counselors, librarians, visiting teachers, school social workers, 51811  
and school nurses for each one thousand pupils in the regular 51812  
student population: 51813

(1) Divide the number of full-time equivalent educational 51814  
service personnel employed by the district by five 51815  
one-thousandths; 51816

(2) Subtract the quotient in (1) from the district's regular 51817  
student population; 51818

(3) Multiply the difference in (2) by ninety-four dollars. 51819

(E) If a local school district, or a city or exempted village 51820  
school district to which a governing board of an educational 51821  
service center provides services pursuant to section 3313.843 of 51822  
the Revised Code, deduct the amount of the payment required for 51823  
the reimbursement of the governing board under section 3317.11 of 51824  
the Revised Code. 51825

(F)(1) If the district is required to pay to or entitled to 51826

of public instruction under section 3313.90 of the Revised Code as 51839  
not in compliance with the requirements of that section, deduct an 51840

school board notifies the department in writing that it wishes to 51853  
have such payments deducted. 51854

(2) If the district is entitled to receive payments from 51855  
another district that has notified the department to deduct such 51856  
payments under division (I)(1) of this section, add the amount of 51857  
such payments. 51858

(J) If the district is required to pay an amount of funds to 51859

a cooperative education district pursuant to a provision described 51860  
by division (B)(4) of section 3311.52 or division (B)(8) of 51861  
section 3311.521 of the Revised Code, deduct such amounts as 51862  
provided under that provision and credit those amounts to the 51863  
cooperative education district for payment to the district under 51864  
division (B)(1) of section 3317.19 of the Revised Code. 51865

division (B) or (C) of this section in the prior fiscal year is 52312

district's voters to take effect in tax year 2005 or thereafter. 52316  
If the department determines that is the case, and calculates that 52317

not take one or more of the ~~tests~~ assessments required by that 52788  
section and was not excused pursuant to division (C)(1) or (3) of 52789  
that section; 52790

(4) Any pupil who has attained the age of twenty-two years, 52791  
except for veterans of the armed services whose attendance was 52792

section elects to enroll in special courses organized for veterans 52799  
for whom tuition is paid under the provisions of federal laws, or 52800

Except as provided in divisions (B)(2) and (F) of this 52812  
section, the average daily membership figure of any local, city, 52813  
exempted village, or joint vocational school district shall be 52814  
determined by dividing the figure representing the sum of the 52815  
number of pupils enrolled during each day the school of attendance 52816  
is actually open for instruction during the week for which the 52817  
~~formula-ADM~~ average daily membership is being certified by the 52818  
total number of days the school was actually open for instruction 52819  
during that week. For purposes of state funding, "enrolled" 52820  
persons are only those pupils who are attending school, those who 52821

superintendent of schools of any city, exempted village, or joint 52831  
vocational school district or educational service center shall 52832  
certify such increase to the superintendent of public instruction. 52833  
Such certification shall be submitted no later than the fifteenth 52834  
day of February. For the balance of the fiscal year, beginning 52835  
with the February payments, the superintendent of public 52836  
instruction shall use the increased formula ADM in calculating or 52837  
recalculating the amounts to be allocated in accordance with 52838  
section 3317.022 or 3317.16 of the Revised Code. In no event shall 52839  
the superintendent use an increased membership certified to the 52840  
superintendent after the fifteenth day of February. Division 52841  
(F)(1) of this section does not apply after fiscal year 2006. 52842

(2) If on the first school day of April the total number of 52844

department shall pay an amount computed in the manner prescribed 52857

in section 3317.052 or 3317.19 and section 3317.053 of the Revised Code. 52858

52874  
52875  
52876

(4) If a student awarded an educational choice scholarship is not included in the formula ADM of the school district from which the department deducts funds for the scholarship under section 3310.08 of the Revised Code, the department shall adjust the formula ADM of that school district to include the student to the extent necessary to account for the deduction, and shall recalculate the school district's payments under this chapter and Chapter 3306. of the Revised Code for the entire fiscal year on the basis of that adjusted formula ADM. This requirement applies regardless of whether the student was enrolled, as defined in division (E) of this section, in the chartered nonpublic school, the school district, or a community school during the week for which the formula ADM is being certified. 52877

student's resident district pursuant to division (M) of section 53647  
3317.023 of the Revised Code. 53648

(b) If the student is enrolled in a community school, the 53649  
department shall deduct the amount from the account of the 53650  
community school pursuant to section 3314.083 of the Revised Code. 53651  
53652

**Sec. 3317.18.** (A) As used in this section, the terms "Chapter 53653  
133. securities," "credit enhancement facilities," "debt charges," 53654

Revised Code. 53657

(B) The board of education of any school district authorizing 53658  
the issuance of securities under section 133.10, 133.301, or 53659  
3313.372 of the Revised Code or general obligation Chapter 133. 53660

of education to approve, and enter into an agreement with the 53662  
school district and the primary paying agent or fiscal agent for 53663  
such securities providing for, the withholding and deposit of 53664  
funds, otherwise due the district under ~~Chapter~~ Chapters 3306. and 53665

The board of education shall deliver to the state department 53668  
a copy of such resolution and any additional pertinent information 53669  
the state department may require. 53670

The department of education and the office of budget and 53671  
management shall evaluate each request received from a school 53672  
district under this section and the department, with the advice 53673  
and consent of the director of budget and management, shall 53674  
approve or deny each request based on all of the following: 53675

(1) Whether approval of the request will enhance the 53676  
marketability of the securities for which the request is made; 53677

(2) Any other pertinent factors or limitations established in 53678  
rules made under division (I) of this section, including: 53679

The department may require a school district to establish 53690  
schedules for the payment of all debt charges that take into 53691  
account the amount and timing of anticipated distributions of 53692  
funds to the district under Chapter 3317. of the Revised Code. 53693

(C) If the department approves the request of a school 53694  
district to withhold and deposit funds pursuant to this section, 53695  
the department shall enter into a written agreement with the 53696  
district and the primary paying agent or fiscal agent for the 53697  
securities which shall provide for the withholding of funds 53698

pursuant to this section for the payment of debt charges on those securities, and may include both of the following:

(1) Provisions for certification by the district to the department, at a time prior to any date for the payment of applicable debt charges, whether the district is able to pay those debt charges when due;

(2) Requirements that the district deposit amounts for the payment of debt charges on the securities with the primary paying agent or fiscal agent for the securities prior to the date on which those debt charge payments are due to the owners or holders of the securities.

(D) Whenever a district notifies the department of education that it will be unable to pay debt charges when they are due, subject to the withholding provisions of this section, or whenever the applicable paying agent or fiscal agent notifies the department that it has not timely received from a school district the full amount needed for the payment when due of those debt charges to the holders or owners of such securities, the department shall immediately contact the school district and the paying agent or fiscal agent to confirm or determine whether the district is unable to make the required payment by the date on which it is due.

Upon demand of the treasurer of state while holding a school district obligation purchased under division (G)(1) of section 135.143 of the Revised Code, the state department of education, without a request of the school district, shall withhold and deposit funds pursuant to this section for payment of debt service charges on that obligation.

If the department confirms or determines that the district will be unable to make such payment and payment will not be made pursuant to a credit enhancement facility, the department shall

promptly pay to the applicable primary paying agent or fiscal 53730  
agent the lesser of the amount due for debt charges or the amount 53731  
due the district for the remainder of the fiscal year under 53732  
Chapter 3317. of the Revised Code. If this amount is insufficient 53733  
to pay the total amount then due the agent for the payment of debt 53734  
charges, the department shall pay to the agent each fiscal year 53735  
thereafter, and until the full amount due the agent for unpaid 53736  
debt charges is paid in full, the lesser of the remaining amount 53737  
due the agent for debt charges or the amount due the district for 53738  
the fiscal year under Chapter 3317. of the Revised Code. 53739

(E) The state department may make any payments under this 53740  
division by direct deposit of funds by electronic transfer. 53741

this section shall be applied only to the payment of debt charges 53743  
on the securities of the school district subject to this section 53744  
or to the reimbursement to the provider of a credit enhancement 53745  
facility that has paid such debt charges. 53746

(F) To the extent a school district whose securities are 53747  
subject to this section is unable to pay applicable debt charges 53748  
because of the failure to collect property taxes levied for the 53749  
payment of those debt charges, the district may transfer to or 53750  
deposit into any fund that would have received payments under 53751  
~~Chapter 3306.~~ or 3317. of the Revised Code that were withheld 53752  
under this section any such delinquent property taxes when later 53753  
collected, provided that transfer or deposit shall be limited to 53754  
the amounts withheld from that fund under this section. 53755

(G) The department may make payments under this section to 53756  
paying agents or fiscal agents only from and to the extent that 53757  
money is appropriated by the general assembly for Chapter 3317. of 53758  
the Revised Code or for the purposes of this section. No 53759  
securities of a school district to which this section is made 53760  
applicable constitute an obligation or a debt or a pledge of the 53761

faith, credit, or taxing power of the state, and the holders or 53762  
owners of such securities have no right to have taxes levied or 53763  
appropriations made by the general assembly for the payment of 53764  
debt charges on those securities, and those securities, if the 53765  
department requires, shall contain a statement to that effect. The 53766  
agreement for or the actual withholding and payment of moneys 53767  
under this section does not constitute the assumption by the state 53768  
of any debt of a school district. 53769

(H) In the case of securities subject to the withholding 53770  
provisions of this section, the issuing board of education shall 53771  
appoint a paying agent or fiscal agent who is not an officer or 53772  
employee of the school district. 53773

(I) The department of education, with the advice of the 53774  
office of budget and management, may adopt reasonable rules not 53775  
inconsistent with this section for the implementation of this 53776  
section and division (B) of section 133.25 of the Revised Code as 53777  
it relates to the withholding and depositing of payments under 53778  
~~Chapter~~ Chapters 3306. and 3317. of the Revised Code to secure 53779  
payment of debt charges on school district securities. Those rules 53780  
shall include criteria for the evaluation and approval or denial 53781  
of school district requests for withholding under this section and 53782  
limits on the obligation for the purpose of paying debt charges or 53783  
reimbursing credit enhancement facilities of funds otherwise to be 53784  
paid to school districts under Chapter 3317. of the Revised Code. 53785

(J) The authority granted by this section is in addition to 53786  
and not a limitation on any other authorizations granted by or 53787  
pursuant to law for the same or similar purposes. 53788

weight). 53807

(C) If any school district places with a county MR/DD board 53808  
more children with disabilities than it had placed with a county 53809  
MR/DD board in fiscal year 1998, the department shall not make a 53810  
payment under division (B) of this section for the number of 53811  
children exceeding the number placed in fiscal year 1998. The 53812  
department instead shall deduct from the district's payments under 53813  
this chapter and Chapter 3306. of the Revised Code, and pay to the 53814

53818

(D) The department shall calculate for each county MR/DD 53819  
board receiving payments under divisions (B) and (C) of this 53820  
section the following amounts: 53821

(1) The amount received by the county MR/DD board for 53822

approved special education and related services units, other than 53823  
units for preschool children with disabilities, in fiscal year 53824  
1998, divided by the total number of children served in the units 53825  
that year; 53826

(2) The product of the quotient calculated under division 53827  
(D)(1) of this section times the number of children for whom 53828  
payments are made under divisions (B) and (C) of this section. 53829

If the amount calculated under division (D)(2) of this 53830  
section is greater than the total amount calculated under 53831  
divisions (B) and (C) of this section, the department shall pay 53832  
the county MR/DD board one hundred per cent of the difference in 53833  
addition to the payments under divisions (B) and (C) of this 53834  
section. 53835

(E) Each county MR/DD board shall report to the department, 53836  
in the manner specified by the department, the name of each child 53837  
for whom the county MR/DD board provides special education and 53838  
related services and the child's school district. 53839

(F)(1) For the purpose of verifying the accuracy of the 53840  
payments under this section, the department may request from 53841  
either of the following entities the data verification code 53842  
assigned under division (D)(2) of section 3301.0714 of the Revised 53843  
Code to any child who is placed with a county MR/DD board: 53844

(a) The child's school district; 53845

(b) The independent contractor engaged to create and maintain 53846  
data verification codes. 53847

(2) Upon a request by the department under division (F)(1) of 53848  
this section for the data verification code of a child, the 53849  
child's school district shall submit that code to the department 53850  
in the manner specified by the department. If the child has not 53851  
been assigned a code, the district shall assign a code to that 53852  
child and submit the code to the department by a date specified by 53853

the department. If the district does not assign a code to the 53854  
child by the specified date, the department shall assign a code to 53855  
the child. 53856

The department annually shall submit to each school district 53857  
the name and data verification code of each child residing in the 53858  
district for whom the department has assigned a code under this 53859  
division. 53860

(3) The department shall not release any data verification 53861  
code that it receives under division (F) of this section to any 53862  
person except as provided by law. 53863

(G) Any document relative to special education and related 53864  
services provided by a county MR/DD board that the department 53865  
holds in its files that contains both a student's name or other 53866  
personally identifiable information and the student's data 53867  
verification code shall not be a public record under section 53868  
149.43 of the Revised Code. 53869

**Sec. 3317.201.** This section does not apply to preschool 53870  
children with disabilities. 53871

(A) As used in this section, the "total special education 53872  
weight" for an institution means the sum of the following amounts: 53873

(1) The number of children reported by the institution under 53874  
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53875  
receiving services for a disability described in division 53876  
~~(A)(D)(1)~~ of section ~~3317.013~~ 3306.02 of the Revised Code 53877  
multiplied by the multiple specified in that division; 53878

(2) The number of children reported by the institution under 53879  
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53880  
receiving services for a disability described in division 53881  
~~(B)(D)(2)~~ of section ~~3317.013~~ 3306.02 of the Revised Code 53882  
multiplied by the multiple specified in that division; 53883

(3) The number of children reported by the institution under 53884  
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53885  
receiving services for a disability described in division 53886  
~~(C)~~(D)(3) of section ~~3317.013~~ 3306.02 of the Revised Code 53887  
multiplied by the multiple specified in that division; 53888

(4) The number of children reported by the institution under 53889  
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53890

of section ~~3317.013~~ 3306.02 of the Revised Code multiplied by the 53892  
multiple specified in that division; 53893

(5) The number of children reported by the institution under 53894  
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 53895  
receiving services for a disability described in division 53896  
~~(E)~~(D)(5) of section ~~3317.013~~ 3306.02 of the Revised Code 53897

(B) For each fiscal year, the department of education shall 53904  
pay each state institution required to provide special education 53905  
services under division (A) of section 3323.091 of the Revised 53906  
Code an amount equal to the greater of: 53907

(1) The formula amount times the institution's total special 53908  
education weight; 53909

(2) The aggregate amount of special education and related 53910  
services unit funding the institution received for all children 53911  
with disabilities other than preschool children with disabilities 53912  
in fiscal year 2005 under sections 3317.052 and 3317.053 of the 53913  
Revised Code, as those sections existed prior to June 30, 2005. 53914

**Sec. 3318.011.** For purposes of providing assistance under 53915  
sections 3318.01 to 3318.20 of the Revised Code, the department of 53916  
education shall annually do all of the following: 53917

(A) Calculate the adjusted valuation per pupil of each city, 53918  
local, and exempted village school district according to the 53919  
following formula: 53920

The district's valuation per pupil - 53921  
[\$30,000 X (1 - the district's income factor)]. 53922

For purposes of this calculation: 53923

~~(1)(a) Except for a district with an open enrollment net gain~~ 53924  
~~that is ten per cent or more of its formula ADM as provided in~~ 53925  
~~division (A)(1)(b) of this section, "valuation per pupil" for a~~ 53926  
district means its average taxable value, divided by its formula 53927  
ADM for the previous fiscal year. ~~"Valuation per pupil,"~~ 53928

(b) For calculations in which the formula ADM reported for 53929  
fiscal year 2009 or earlier is a factor, for a district with an 53930  
open enrollment net gain that is ten per cent or more of its 53931  
formula ADM, "valuation per pupil" means its average taxable 53932  
value, divided by the sum of its formula ADM for the previous 53933  
fiscal year plus its open enrollment net gain for the previous 53934  
fiscal year. 53935

Consideration of net open enrollment gain is not added to the 53936  
calculation of valuation per pupil for calculations in which the 53937  
formula ADM is reported for a fiscal year after fiscal year 2009, 53938  
to account for the fact that beginning with the report of formula 53939  
ADM in October 2009 open enrollment students are counted in the 53940  
formula ADM of the school districts in which they are enrolled. 53941

(2) "Average taxable value" means the average of the amounts 53942  
certified for a district in the second, third, and fourth 53943  
preceding fiscal years under divisions (A)(1) and (2) of section 53944

3317.021 of the Revised Code.	53945
(3) "Entitled to attend school" means entitled to attend school in a city, local, or exempted village school district under section 3313.64 or 3313.65 of the Revised Code.	53946 53947 53948
(4) "Formula ADM" and "income factor" have the same meanings as in section 3317.02 of the Revised Code.	53949 53950
(5) "Native student" has the same meaning as in section 3313.98 of the Revised Code.	53951 53952
(6) "Open enrollment net gain" for a district means (a) the number of the students entitled to attend school in another district but who are enrolled in the schools of the district under its open enrollment policy minus (b) the number of the district's native students who are enrolled in the schools of another district under the other district's open enrollment policy, both numbers as certified to the department under section 3313.981 of the Revised Code. If the difference is a negative number, the district's "open enrollment net gain" is zero.	53953 53954 53955 53956 53957 53958 53959 53960 53961
(7) "Open enrollment policy" means an interdistrict open enrollment policy adopted under section 3313.98 of the Revised Code.	53962 53963 53964
(B) Calculate for each district the three-year average of the adjusted valuations per pupil calculated for the district for the current and two preceding fiscal years;	53965 53966 53967
(C) Rank all such districts in order of adjusted valuation per pupil from the district with the lowest three-year average adjusted valuation per pupil to the district with the highest three-year average adjusted valuation per pupil;	53968 53969 53970 53971
(D) Divide such ranking into percentiles with the first percentile containing the one per cent of school districts having the lowest three-year average adjusted valuations per pupil and	53972 53973 53974

the one-hundredth percentile containing the one per cent of school 53975  
districts having the highest three-year average adjusted 53976  
valuations per pupil; 53977

(E) Determine the school districts that have three-year 53978  
average adjusted valuations per pupil that are greater than the 53979  
median three-year average adjusted valuation per pupil for all 53980  
school districts in the state; 53981

(F) On or before the first day of September, certify the 53982  
information described in divisions (A) to (E) of this section to 53983  
the Ohio school facilities commission. 53984

**Sec. 3318.051.** (A) Any city, exempted village, or local 53985  
school district that commences a project under sections 3318.01 to 53986  
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 53987  
after ~~the effective date of this section~~ September 5, 2006, need 53988  
not levy the tax otherwise required under division (B) of section 53989  
3318.05 of the Revised Code, if the district board of education 53990  
adopts a resolution petitioning the Ohio school facilities 53991  
commission to approve the transfer of money in accordance with 53992  
this section and the commission approves that transfer. If so 53993  
approved, the commission and the district board shall enter into 53994  
an agreement under which the board, in each of twenty-three 53995  
consecutive years beginning in the year in which the board and the 53996  
commission enter into the project agreement under section 3318.08 53997  
of the Revised Code, shall transfer into the maintenance fund 53998  
required by division (D) of section 3318.05 of the Revised Code 53999  
not less than an amount equal to one-half mill for each dollar of 54000  
the district's valuation unless and until the agreement to make 54001  
those transfers is rescinded by the district board pursuant to 54002  
division (F) of this section. 54003

(B) On the first day of July each year, or on an alternative 54004  
date prescribed by the commission, the district treasurer shall 54005

certify to the commission and the auditor of state that the amount 54006  
required for the year has been transferred. The auditor of state 54007  
shall include verification of the transfer as part of any audit of 54008  
the district under section 117.11 of the Revised Code. If the 54009  
auditor of state finds that less than the required amount has been 54010  
deposited into a district's maintenance fund, the auditor of state 54011  
shall notify the district board of education in writing of that 54012  
fact and require the board to deposit into the fund, within ninety 54013  
days after the date of the notice, the amount by which the fund is 54014  
deficient for the year. If the district board fails to demonstrate 54015  
to the auditor of state's satisfaction that the board has made the 54016  
deposit required in the notice, the auditor of state shall notify 54017  
the department of education. At that time, the department shall 54018  
withhold an amount equal to ten per cent of the district's funds 54019  
calculated for the current fiscal year under ~~Chapter~~ Chapters 54020  
3306. and 3317. of the Revised Code until the auditor of state 54021  
notifies the department that the auditor of state is satisfied 54022  
that the board has made the required transfer. 54023

(C) Money transferred to the maintenance fund shall be used 54024  
for the maintenance of the facilities acquired under the 54025  
district's project. 54026

(D) The transfers to the maintenance fund under this section 54027  
does not affect a district's obligation to establish and maintain 54028  
a capital and maintenance fund under section 3315.18 of the 54029  
Revised Code. 54030

(E) Any decision by the commission to approve or not approve 54031  
the transfer of money under this section is final and not subject 54032  
to appeal. The commission shall not be responsible for errors or 54033  
miscalculations made in deciding whether to approve a petition to 54034  
make transfers under this section. 54035

(F) If the district board determines that it no longer can 54036  
continue making the transfers agreed to under this section, the 54037

board may rescind the agreement only so long as the electors of 54038  
the district have approved, in accordance with section 3318.063 of 54039  
the Revised Code, the levy of a tax for the maintenance of the 54040  
classroom facilities acquired under the district's project and 54041  
that levy continues to be collected as approved by the electors. 54042  
That levy shall be for a number of years that is equal to the 54043  
difference between twenty-three years and the number of years that 54044  
the district made transfers under this section and shall be at the 54045  
rate of not less than one-half mill for each dollar of the 54046  
district's valuation. The district board shall continue to make 54047  
the transfers agreed to under this section until that levy has 54048  
been approved by the electors. 54049

**Sec. 3318.061.** This section applies only to school districts 54050  
eligible to receive additional assistance under division (B)(2) of 54051  
section 3318.04 of the Revised Code ~~and to big eight districts~~ 54052  
~~segmenting projects under section 3318.38 of the Revised Code.~~ 54053

The board of education of a school district in which a tax 54054  
described by division (B) of section 3318.05 and levied under 54055  
section 3318.06 of the Revised Code is in effect, may adopt a 54056  
resolution by vote of a majority of its members to extend the term 54057  
of that tax beyond the expiration of that tax as originally 54058  
approved under that section. The school district board may include 54059  
in the resolution a proposal to extend the term of that tax at the 54060  
rate of not less than one-half mill for each dollar of valuation 54061  
for a period of twenty-three years from the year in which the 54062  
school district board and the Ohio school facilities commission 54063  
enter into an agreement under division (B)(2) of section 3318.04 54064  
of the Revised Code or in the following year, as specified in the 54065  
resolution ~~or, as applicable in the case of a district segmenting~~ 54066  
~~a project under section 3318.38 of the Revised Code, from the year~~ 54067  
~~in which the last segment is undertaken.~~ Such a resolution may be 54068  
adopted at any time before such an agreement is entered into and 54069

before the tax levied pursuant to section 3318.06 of the Revised Code expires. If the resolution is combined with a resolution to issue bonds to pay the school district's portion of the basic project cost, it shall conform with the requirements of divisions (A)(1), (2), and (3) of section 3318.06 of the Revised Code, except that the resolution also shall state that the tax levy proposed in the resolution is an extension of an existing tax levied under that section. A resolution proposing an extension adopted under this section does not take effect until it is approved by a majority of electors voting in favor of the resolution at a general, primary, or special election as provided in this section.

A tax levy extended under this section is subject to the same terms and limitations to which the original tax levied under section 3318.06 of the Revised Code is subject under that section, except the term of the extension shall be as specified in this section.

The school district board shall certify a copy of the resolution adopted under this section to the proper county board of elections not later than seventy-five days before the date set in the resolution as the date of the election at which the question will be submitted to electors. The notice of the election shall conform with the requirements of division (A)(3) of section 3318.06 of the Revised Code, except that the notice also shall state that the maintenance tax levy is an extension of an existing tax levy.

The form of the ballot shall be as follows:

"Shall the existing tax levied to pay the cost of maintaining classroom facilities constructed with the proceeds of the previously issued bonds at the rate of ..... (here insert the number of mills, which shall not be less than one-half mill) mills per dollar of tax valuation, be extended until ..... (here

insert the year that is twenty-three years after the year in which 54102  
the district and commission will enter into an agreement under 54103  
division (B)(2) of section 3318.04 of the Revised Code or the 54104  
following year)? 54105

54109

Section 3318.07 of the Revised Code applies to ballot 54110  
questions under this section. 54111

**Sec. 3318.08.** Except in the case of a joint vocational school 54112  
district that receives assistance under sections 3318.40 to 54113  
3318.45 of the Revised Code, if the requisite favorable vote on 54114  
the election is obtained, or if the school district board has 54115  
resolved to apply the proceeds of a property tax levy or the 54116  
proceeds of an income tax, or a combination of proceeds from such 54117  
taxes, as authorized in section 3318.052 of the Revised Code, the 54118  
Ohio school facilities commission, upon certification to it of 54119  
either the results of the election or the resolution under section 54120  
3318.052 of the Revised Code, shall enter into a written agreement 54121  
with the school district board for the construction and sale of 54122  
the project. In the case of a joint vocational school district 54123  
that receives assistance under sections 3318.40 to 3318.45 of the 54124  
Revised Code, if the school district board of education and the 54125  
school district electors have satisfied the conditions prescribed 54126  
in division (D)(1) of section 3318.41 of the Revised Code, the 54127  
commission shall enter into an agreement with the school district 54128  
board for the construction and sale of the project. In either 54129  
case, the agreement shall include, but need not be limited to, the 54130  
following provisions: 54131

(A) The sale and issuance of bonds or notes in anticipation 54132

thereof, as soon as practicable after the execution of the 54133  
agreement, in an amount equal to the school district's portion of 54134  
the basic project cost, including any securities authorized under 54135  
division (J) of section 133.06 of the Revised Code and dedicated 54136  
by the school district board to payment of the district's portion 54137  
of the basic project cost of the project; provided, that if at 54138  
that time the county treasurer of each county in which the school 54139  
district is located has not commenced the collection of taxes on 54140  
the general duplicate of real and public utility property for the 54141  
year in which the controlling board approved the project, the 54142  
school district board shall authorize the issuance of a first 54143  
installment of bond anticipation notes in an amount specified by 54144  
the agreement, which amount shall not exceed an amount necessary 54145  
to raise the net bonded indebtedness of the school district as of 54146  
the date of the controlling board's approval to within five 54147  
thousand dollars of the required level of indebtedness for the 54148  
preceding year. In the event that a first installment of bond 54149  
anticipation notes is issued, the school district board shall, as 54150  
soon as practicable after the county treasurer of each county in 54151  
which the school district is located has commenced the collection 54152  
of taxes on the general duplicate of real and public utility 54153  
property for the year in which the controlling board approved the 54154  
project, authorize the issuance of a second and final installment 54155  
of bond anticipation notes or a first and final issue of bonds. 54156

The combined value of the first and second installment of 54157  
bond anticipation notes or the value of the first and final issue 54158  
of bonds shall be equal to the school district's portion of the 54159  
basic project cost. The proceeds of any such bonds shall be used 54160  
first to retire any bond anticipation notes. Otherwise, the 54161  
proceeds of such bonds and of any bond anticipation notes, except 54162  
the premium and accrued interest thereon, shall be deposited in 54163  
the school district's project construction fund. In determining 54164  
the amount of net bonded indebtedness for the purpose of fixing 54165

the amount of an issue of either bonds or bond anticipation notes, 54166  
gross indebtedness shall be reduced by moneys in the bond 54167  
retirement fund only to the extent of the moneys therein on the 54168  
first day of the year preceding the year in which the controlling 54169  
board approved the project. Should there be a decrease in the tax 54170  
valuation of the school district so that the amount of 54171  
indebtedness that can be incurred on the tax duplicates for the 54172  
year in which the controlling board approved the project is less 54173  
than the amount of the first installment of bond anticipation 54174  
notes, there shall be paid from the school district's project 54175  
construction fund to the school district's bond retirement fund to 54176  
be applied against such notes an amount sufficient to cause the 54177  
net bonded indebtedness of the school district, as of the first 54178  
day of the year following the year in which the controlling board 54179  
approved the project, to be within five thousand dollars of the 54180  
required level of indebtedness for the year in which the 54181  
controlling board approved the project. The maximum amount of 54182  
indebtedness to be incurred by any school district board as its 54183  
share of the cost of the project is either an amount that will 54184  
cause its net bonded indebtedness, as of the first day of the year 54185  
following the year in which the controlling board approved the 54186  
project, to be within five thousand dollars of the required level 54187  
of indebtedness, or an amount equal to the required percentage of 54188  
the basic project costs, whichever is greater. All bonds and bond 54189  
anticipation notes shall be issued in accordance with Chapter 133. 54190  
of the Revised Code, and notes may be renewed as provided in 54191  
section 133.22 of the Revised Code. 54192

(B) The transfer of such funds of the school district board 54193  
available for the project, together with the proceeds of the sale 54194  
of the bonds or notes, except premium, accrued interest, and 54195  
interest included in the amount of the issue, to the school 54196  
district's project construction fund; 54197

(C) For all school districts except joint vocational school 54198

adopts rules under section 3306.25 of the Revised Code 54353  
establishing expenditure and reporting standards for operating 54354  
funds paid under Chapter 3306. of the Revised Code, the Ohio 54355  
school facilities commission shall conduct a study of demands upon 54356  
and other issues related to existing classroom facilities that may 54357  
arise due to new operating requirements. The commission shall 54358  
report its findings to the governor and general assembly, in 54359  
accordance with section 101.68 of the Revised Code. 54360

**Sec. 3318.36.** (A)(1) As used in this section: 54361

(a) "Ohio school facilities commission," "classroom 54362  
facilities," "school district," "school district board," "net 54363  
bonded indebtedness," "required percentage of the basic project 54364  
costs," "basic project cost," "valuation," and "percentile" have 54365  
the same meanings as in section 3318.01 of the Revised Code. 54366

(b) "Required level of indebtedness" means five per cent of 54367  
the school district's valuation for the year preceding the year in 54368  
which the commission and school district enter into an agreement 54369  
under division (B) of this section, plus [two one-hundredths of 54370  
one per cent multiplied by (the percentile in which the district 54371  
ranks minus one)]. 54372

(c) "Local resources" means any moneys generated in any 54373  
manner permitted for a school district board to raise the school 54374  
district portion of a project undertaken with assistance under 54375  
sections 3318.01 to 3318.20 of the Revised Code. 54376

(2) For purposes of determining ~~either~~ the required level of 54377  
indebtedness, ~~as defined in division (A)(1)(b) of this section, or~~ 54378  
the required percentage of the basic project costs, under division 54379  
(C)(1) of this section, and priority for assistance under sections 54380  
3318.01 to 3318.20 of the Revised Code, the percentile ranking of 54381  
a school district with which the commission has entered into an 54382  
agreement under this section between the first day of July and the 54383

thirty-first day of August in each fiscal year is the percentile 54384  
ranking calculated for that district for the immediately preceding 54385  
fiscal year, and the percentile ranking of a school district with 54386  
which the commission has entered into such agreement between the 54387  
first day of September and the thirtieth day of June in each 54388  
fiscal year is the percentile ranking calculated for that district 54389  
for the current fiscal year. 54390

(B)(1) There is hereby established the school building 54391  
assistance expedited local partnership program. Under the program, 54392  
the Ohio school facilities commission may enter into an agreement 54393  
with the school district board of any school district under which 54394  
the school district board may proceed with the new construction or 54395  
major repairs of a part of the school district's classroom 54396  
facilities needs, as determined under sections 3318.01 to 3318.20 54397  
of the Revised Code, through the expenditure of local resources 54398  
prior to the school district's eligibility for state assistance 54399  
under those sections ~~3318.01 to 3318.20 of the Revised Code~~ and 54400  
may apply that expenditure toward meeting the school district's 54401  
portion of the basic project cost of the total of the school 54402  
district's classroom facilities needs, as determined under 54403  
sections 3318.01 to 3318.20 of the Revised Code and as 54404  
recalculated under division (E) of this section, that are eligible 54405  
for state assistance under sections 3318.01 to 3318.20 of the 54406  
Revised Code when the school district becomes eligible for ~~such~~ 54407  
~~state~~ that assistance. Any school district that is reasonably 54408  
expected to receive assistance under sections 3318.01 to 3318.20 54409  
of the Revised Code within two fiscal years from the date the 54410  
school district adopts its resolution under division (B) of this 54411  
section shall not be eligible to participate in the program 54412  
established under this section. 54413

(2) To participate in the program, a school district board 54414  
shall first adopt a resolution certifying to the commission the 54415

board's intent to participate in the program. 54416

The resolution shall specify the approximate date that the 54417  
board intends to seek elector approval of any bond or tax measures 54418  
or to apply other local resources to use to pay the cost of 54419  
classroom facilities to be constructed under this section. The 54420  
resolution may specify the application of local resources or 54421  
elector-approved bond or tax measures after the resolution is 54422  
adopted by the board, and in such case the board may proceed with 54423  
a discrete portion of its project under this section as soon as 54424  
the commission and the controlling board have approved the basic 54425  
project cost of the district's classroom facilities needs as 54426  
specified in division (D) of this section. The board shall submit 54427  
its resolution to the commission not later than ten days after the 54428  
date the resolution is adopted by the board. 54429

The commission shall not consider any resolution that is 54430  
submitted pursuant to division (B)(2) of this section, as amended 54431  
by this amendment, sooner than September 14, 2000. 54432

(3) For purposes of determining when a district that enters 54433  
into an agreement under this section becomes eligible for 54434  
assistance under sections 3318.01 to 3318.20 of the Revised Code, 54435  
the commission shall use the district's percentile ranking 54436  
determined at the time the district entered into the agreement 54437  
under this section, as prescribed by division (A)(2) of this 54438  
section. 54439

(4) Any project under this section shall comply with section 54440  
3318.03 of the Revised Code and with any specifications for plans 54441  
and materials for classroom facilities adopted by the commission 54442  
under section 3318.04 of the Revised Code. 54443

~~(4)~~(5) If a school district that enters into an agreement 54444  
under this section has not begun a project applying local 54445  
resources as provided for under that agreement at the time the 54446

district is notified by the commission that it is eligible to 54447  
receive state assistance under sections 3318.01 to 3318.20 of the 54448  
Revised Code, all assessment and agreement documents entered into 54449  
under this section are void. 54450

~~(5)~~(6) Only construction of or repairs to classroom 54451  
facilities that have been approved by the commission and have been 54452  
therefore included as part of a district's basic project cost 54453  
qualify for application of local resources under this section. 54454

(C) Based on the results of ~~the~~ on-site visits and assessment 54455  
~~conducted under division (B)(2) of this section~~, the commission 54456  
shall determine the basic project cost of the school district's 54457  
classroom facilities needs. The commission shall determine the 54458  
school district's portion of such basic project cost, which shall 54459  
be the greater of: 54460

(1) The required percentage of the basic project costs, 54461  
determined based on the school district's percentile ranking; 54462

(2) An amount necessary to raise the school district's net 54463  
bonded indebtedness, as of the fiscal year the commission and the 54464  
school district enter into the agreement under division (B) of 54465  
this section, to within five thousand dollars of the required 54466  
level of indebtedness. 54467

(D)(1) When the commission determines the basic project cost 54468  
of the classroom facilities needs of a school district and the 54469  
school district's portion of that basic project cost under 54470  
division (C) of this section, the project shall be conditionally 54471  
approved. Such conditional approval shall be submitted to the 54472  
controlling board for approval thereof. The controlling board 54473  
shall forthwith approve or reject the commission's determination, 54474  
conditional approval, and the amount of the state's portion of the 54475  
basic project cost; however, no state funds shall be encumbered 54476  
under this section. Upon approval by the controlling board, the 54477

school district board may identify a discrete part of its 54478  
classroom facilities needs, which shall include only new 54479  
construction of or additions or major repairs to a particular 54480  
building, to address with local resources. Upon identifying a part 54481  
of the school district's basic project cost to address with local 54482  
resources, the school district board may allocate any available 54483  
school district moneys to pay the cost of that identified part, 54484  
including the proceeds of an issuance of bonds if approved by the 54485  
electors of the school district. 54486

All local resources utilized under this division shall first 54487  
be deposited in the project construction account required under 54488  
section 3318.08 of the Revised Code. 54489

(2) Unless the school district board exercises its option 54490  
under division (D)(3) of this section, for a school district to 54491  
qualify for participation in the program authorized under this 54492  
section, one of the following conditions shall be satisfied: 54493

(a) The electors of the school district by a majority vote 54494  
shall approve the levy of taxes outside the ten-mill limitation 54495  
for a period of twenty-three years at the rate of not less than 54496  
one-half mill for each dollar of valuation to be used to pay the 54497  
cost of maintaining the classroom facilities included in the basic 54498  
project cost as determined by the commission. The form of the 54499  
ballot to be used to submit the question whether to approve the 54500  
tax required under this division to the electors of the school 54501  
district shall be the form for an additional levy of taxes 54502  
prescribed in section 3318.361 of the Revised Code, which may be 54503  
combined in a single ballot question with the questions prescribed 54504  
under section 5705.218 of the Revised Code. 54505

(b) As authorized under division (C) of section 3318.05 of 54506  
the Revised Code, the school district board shall earmark from the 54507  
proceeds of a permanent improvement tax levied under section 54508  
5705.21 of the Revised Code, an amount equivalent to the 54509

additional tax otherwise required under division (D)(2)(a) of this 54510  
section for the maintenance of the classroom facilities included 54511  
in the basic project cost as determined by the commission. 54512

(c) As authorized under section 3318.051 of the Revised Code, 54513  
the school district board shall, if approved by the commission, 54514  
annually transfer into the maintenance fund required under section 54515  
3318.05 of the Revised Code the amount prescribed in section 54516  
3318.051 of the Revised Code in lieu of the tax otherwise required 54517  
under division (D)(2)(a) of this section for the maintenance of 54518  
the classroom facilities included in the basic project cost as 54519  
determined by the commission. 54520

(d) If the school district board has rescinded the agreement 54521  
to make transfers under section 3318.051 of the Revised Code, as 54522  
provided under division (F) of that section, the electors of the 54523  
school district, in accordance with section 3318.063 of the 54524  
Revised Code, first shall approve the levy of taxes outside the 54525  
ten-mill limitation for the period specified in that section at a 54526  
rate of not less than one-half mill for each dollar of valuation. 54527

(e) The school district board shall apply the proceeds of a 54528  
tax to leverage bonds as authorized under section 3318.052 of the 54529  
Revised Code or dedicate a local donated contribution in the 54530  
manner described in division (B) of section 3318.084 of the 54531  
Revised Code in an amount equivalent to the additional tax 54532  
otherwise required under division (D)(2)(a) of this section for 54533  
the maintenance of the classroom facilities included in the basic 54534  
project cost as determined by the commission. 54535

(3) A school district board may opt to delay taking any of 54536  
the actions described in division (D)(2) of this section until 54537  
~~such time as~~ the school district becomes eligible for state 54538  
assistance under sections 3318.01 to 3318.20 of the Revised Code. 54539  
In order to exercise this option, the board shall certify to the 54540  
commission a resolution indicating the board's intent to do so 54541

prior to entering into an agreement under division (B) of this section. 54542  
54543

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows: 54544  
54545  
54546  
54547

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue; 54548  
54549  
54550

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section. 54551  
54552  
54553

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section. 54554  
54555  
54556  
54557  
54558

Any amount required for maintenance under division (D)(2) of this section shall be deposited into a separate fund as specified in division (B) of section 3318.05 of the Revised Code. 54559  
54560  
54561

(E)(1) If the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code based on its percentile ranking ~~as determined~~ under division (B)(3) of this section, the commission shall conduct a new assessment of the school district's classroom facilities needs and shall recalculate the basic project cost based on this new assessment. The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D)(1) of this section. The commission shall then recalculate the school district's portion of the new basic project cost, which shall be the percentage of the 54562

original basic project cost assigned to the school district as its 54573  
portion under division (C) of this section. The commission shall 54574  
deduct the expenditure of school district moneys made under 54575  
division (D)(1) of this section from the school district's portion 54576  
of the basic project cost as recalculated under this division. If 54577  
the amount of school district resources applied by the school 54578  
district board to the school district's portion of the basic 54579  
project cost under this section is less than the total amount of 54580  
such portion as recalculated under this division, the school 54581  
district board by a majority vote of all of its members shall, if 54582  
it desires to seek state assistance under sections 3318.01 to 54583  
3318.20 of the Revised Code, adopt a resolution as specified in 54584  
section 3318.06 of the Revised Code to submit to the electors of 54585  
the school district the question of approval of a bond issue in 54586

division (D) of this section satisfies the requirements to levy 54589  
the additional tax under section 3318.06 of the Revised Code. 54590

54591

(2) If the amount of school district resources applied by the 54592  
school district board to the school district's portion of the 54593  
basic project cost under this section is more than the total 54594  
amount of such portion as recalculated under this division, within 54595  
one year after the school district's portion is recalculated under 54596  
division (E)(1) of this section the commission may grant to the 54597  
school district the difference between the two calculated 54598  
portions, but at no time shall the commission expend any state 54599  
funds on a project in an amount greater than the state's portion 54600  
of the basic project cost as recalculated under this division. 54601

Any reimbursement under this division shall be only for local 54602  
resources the school district has applied toward construction cost 54603  
expenditures for the classroom facilities approved by the 54604

commission, which shall not include any financing costs associated 54605  
with that construction. 54606

The school district board shall use any moneys reimbursed to 54607  
the district under this division to pay off any debt service the 54608  
district owes for classroom facilities constructed under its 54609  
project under this section before such moneys are applied to any 54610  
other purpose. However, the district board first may deposit 54611  
moneys reimbursed under this division into the district's general 54612  
fund or a permanent improvement fund to replace local resources 54613  
the district withdrew from those funds, as long as, and to the 54614  
extent that, those local resources were used by the district for 54615

project cost. 54617

**Sec. 3318.38.** (A) As used in this section, "big-eight school 54618

under this section; 54638

(b) Beginning July 1, 2002, any big-eight school district 54639  
eligible for assistance under this section may apply to the 54640  
commission for conditional approval of its project as determined 54641

big-eight school district eligible for assistance under this 54647  
section, the commission and the school district shall enter into 54648  
an agreement as prescribed in section 3318.08 of the Revised Code. 54649  
Any agreement executed pursuant to this division shall include any 54650

(3) Notwithstanding any provision to the contrary in sections 54653  
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 54654

voter approval of each segment separately; 54666

(b) The state's proportionate share, as determined under 54667  
section 3318.032 of the Revised Code, of only the segment which 54668

district has applied a local donated contribution under section 54670

with section 3318.11 of the Revised Code. Encumbrance of 54672  
additional amounts to cover the state's proportionate share of 54673  
later segments shall be approved separately as they are approved 54674  
by the school district electors or as the district applies a local 54675  
donated contribution to the segments under section 3318.084 of the 54676  
Revised Code. 54677

~~(c) If it is necessary to levy the additional tax for 54678  
maintenance under division (B) of section 3318.05 of the Revised 54679  
Code with respect to any segment of the project, the district may 54680

The prescribed minimum qualifications may require special training or educational courses designed to qualify a person to perform effectively the duties authorized under an educational aide permit or educational paraprofessional license.

(B)(1) Any application for a permit or license, or a renewal or duplicate of a permit or license, under this section shall be accompanied by the payment of a fee in the amount established under division (A) of section 3319.51 of the Revised Code. school foundation program purposes. Neither special courses 55048  
required by the regulations of the state board of education, 55049  
prescribing minimum qualifications of education for an educational 55050  
assistant, nor years of service as an educational assistant shall 55051  
be counted in any way toward qualifying for a teacher license, for 55052  
a teacher contract of any type, or for determining placement on a 55053  
salary schedule in a school district as a teacher. 55054

(D) Educational assistants employed by a board of education 55056  
shall have all rights, benefits, and legal protection available to 55057

any person employed as an educational assistant, and shall be 55060  
members of the school employees retirement system. Educational 55061

shall not serve as educational assistants without first obtaining 55065  
an appropriate educational aide permit or educational 55066  
paraprofessional license from the state board of education. A 55067  
nonteaching employee who is the holder of a valid educational aide 55068  
permit or educational paraprofessional license shall neither 55069

render nor be required to render services inconsistent with the 55070  
type of services authorized by the permit or license held. No 55071  
person shall receive compensation from a board of education for 55072

provision. 55074

Nonteaching employees whose functions are solely 55075  
secretarial-clerical and who do not perform any other duties as 55076  
educational assistants, even though they assist a teacher and work 55077  
under the direction of a teacher shall not be required to hold a 55078  
permit or license issued pursuant to this section. Students 55079  
preparing to become licensed teachers or educational assistants 55080  
shall not be required to hold an educational aide permit or 55081

Teachers shall not be required to hold a license designated for 55091  
being a supervisor or administrator in order to perform the 55092

educational assistant shall divulge, except to the teacher to whom 55095  
assigned, or the administrator of the school in the absence of the 55096  
teacher to whom assigned, or when required to testify in a court 55097  
or proceedings, any personal information concerning any pupil in 55098  
the school district which was obtained or obtainable by the 55099  
educational assistant while so employed. Violation of this 55100  
provision is grounds for disciplinary action or dismissal, or 55101

both. 55102

**Sec. 3319.11.** (A) As used in this section: 55103

(1) "Evaluation procedures" means the procedures adopted 55104  
pursuant to division (B) of section 3319.111 of the Revised Code. 55105

(2) "Limited contract" means a limited contract, as described 55106  
in section 3319.08 of the Revised Code, that a school district 55107  
board of education or governing board of an educational service 55108  
center enters into with a teacher who is not eligible for 55109  
continuing service status. 55110

(3) "Extended limited contract" means a limited contract, as 55111  
described in section 3319.08 of the Revised Code, that a board of 55112  
education or governing board enters into with a teacher who is 55113  
eligible for continuing service status. 55114

(B) Teachers eligible for continuing service status in any 55115  
city, exempted village, local, or joint vocational school district 55116  
or educational service center shall be those teachers qualified as 55117  
described in division ~~(B)(1) or (2)~~(D) of section 3319.08 of the 55118  
Revised Code, who within the last five years have taught for at 55119  
least three years in the district or center, and those teachers 55120  
who, having attained continuing contract status elsewhere, have 55121  
served two years in the district or center, but the board, upon 55122  
the recommendation of the superintendent, may at the time of 55123  
employment or at any time within such two-year period, declare any 55124  
of the latter teachers eligible. 55125

(1) Upon the recommendation of the superintendent that a 55126  
teacher eligible for continuing service status be reemployed, a 55127  
continuing contract shall be entered into between the board and 55128  
the teacher unless the board by a three-fourths vote of its full 55129  
membership rejects the recommendation of the superintendent. If 55130  
the board rejects by a three-fourths vote of its full membership 55131

the recommendation of the superintendent that a teacher eligible 55132  
for continuing service status be reemployed and the superintendent 55133  
makes no recommendation to the board pursuant to division (C) of 55134  
this section, the board may declare its intention not to reemploy 55135  
the teacher by giving the teacher written notice on or before the 55136  
thirtieth day of April of its intention not to reemploy the 55137  
teacher. If evaluation procedures have not been complied with 55138  
pursuant to division (A) of section 3319.111 of the Revised Code 55139  
or the board does not give the teacher written notice on or before 55140  
the thirtieth day of April of its intention not to reemploy the 55141  
teacher, the teacher is deemed reemployed under an extended 55142  
limited contract for a term not to exceed one year at the same 55143  
salary plus any increment provided by the salary schedule. The 55144  
teacher is presumed to have accepted employment under the extended 55145  
limited contract for a term not to exceed one year unless such 55146  
teacher notifies the board in writing to the contrary on or before 55147  
the first day of June, and an extended limited contract for a term 55148  
not to exceed one year shall be executed accordingly. Upon any 55149  
subsequent reemployment of the teacher only a continuing contract 55150  
may be entered into. 55151

(2) If the superintendent recommends that a teacher eligible 55152  
for continuing service status not be reemployed, the board may 55153  
declare its intention not to reemploy the teacher by giving the 55154  
teacher written notice on or before the thirtieth day of April of 55155  
its intention not to reemploy the teacher. If evaluation 55156  
procedures have not been complied with pursuant to division (A) of 55157  
section 3319.111 of the Revised Code or the board does not give 55158  
the teacher written notice on or before the thirtieth day of April 55159  
of its intention not to reemploy the teacher, the teacher is 55160  
deemed reemployed under an extended limited contract for a term 55161  
not to exceed one year at the same salary plus any increment 55162  
provided by the salary schedule. The teacher is presumed to have 55163  
accepted employment under the extended limited contract for a term 55164

not to exceed one year unless such teacher notifies the board in writing to the contrary on or before the first day of June, and an extended limited contract for a term not to exceed one year shall be executed accordingly. Upon any subsequent reemployment of a teacher only a continuing contract may be entered into.

(3) Any teacher receiving written notice of the intention of a board not to reemploy such teacher pursuant to this division is entitled to the hearing provisions of division (G) of this section.

(C)(1) If a board rejects the recommendation of the superintendent for reemployment of a teacher pursuant to division (B)(1) of this section, the superintendent may recommend reemployment of the teacher, if continuing service status has not previously been attained elsewhere, under an extended limited contract for a term not to exceed two years, provided that written notice of the superintendent's intention to make such recommendation has been given to the teacher with reasons directed at the professional improvement of the teacher on or before the thirtieth day of April. Upon subsequent reemployment of the teacher only a continuing contract may be entered into.

(2) If a board of education takes affirmative action on a superintendent's recommendation, made pursuant to division (C)(1) of this section, of an extended limited contract for a term not to exceed two years but the board does not give the teacher written notice of its affirmative action on the superintendent's recommendation of an extended limited contract on or before the thirtieth day of April, the teacher is deemed reemployed under a continuing contract at the same salary plus any increment provided by the salary schedule. The teacher is presumed to have accepted employment under such continuing contract unless such teacher notifies the board in writing to the contrary on or before the first day of June, and a continuing contract shall be executed

accordingly. 55197

(3) A board shall not reject a superintendent's 55198  
recommendation, made pursuant to division (C)(1) of this section, 55199  
of an extended limited contract for a term not to exceed two years 55200  
except by a three-fourths vote of its full membership. If a board 55201  
rejects by a three-fourths vote of its full membership the 55202  
recommendation of the superintendent of an extended limited 55203  
contract for a term not to exceed two years, the board may declare 55204  
its intention not to reemploy the teacher by giving the teacher 55205  
written notice on or before the thirtieth day of April of its 55206  
intention not to reemploy the teacher. If evaluation procedures 55207  
have not been complied with pursuant to division (A) of section 55208  
3319.111 of the Revised Code or if the board does not give the 55209  
teacher written notice on or before the thirtieth day of April of 55210  
its intention not to reemploy the teacher, the teacher is deemed 55211  
reemployed under an extended limited contract for a term not to 55212  
exceed one year at the same salary plus any increment provided by 55213  
the salary schedule. The teacher is presumed to have accepted 55214  
employment under the extended limited contract for a term not to 55215  
exceed one year unless such teacher notifies the board in writing 55216  
to the contrary on or before the first day of June, and an 55217  
extended limited contract for a term not to exceed one year shall 55218  
be executed accordingly. Upon any subsequent reemployment of the 55219  
teacher only a continuing contract may be entered into. 55220

Any teacher receiving written notice of the intention of a 55221  
board not to reemploy such teacher pursuant to this division is 55222  
entitled to the hearing provisions of division (G) of this 55223  
section. 55224

(D) A teacher eligible for continuing contract status 55225  
employed under an extended limited contract pursuant to division 55226  
(B) or (C) of this section, is, at the expiration of such extended 55227  
limited contract, deemed reemployed under a continuing contract at 55228

the same salary plus any increment granted by the salary schedule, 55229  
unless evaluation procedures have been complied with pursuant to 55230  
division (A) of section 3319.111 of the Revised Code and the 55231  
employing board, acting on the superintendent's recommendation 55232  
that the teacher not be reemployed, gives the teacher written 55233  
notice on or before the thirtieth day of April of its intention 55234  
not to reemploy such teacher. A teacher who does not have 55235  
evaluation procedures applied in compliance with division (A) of 55236  
section 3319.111 of the Revised Code or who does not receive 55237  
notice on or before the thirtieth day of April of the intention of 55238  
the board not to reemploy such teacher is presumed to have 55239  
accepted employment under a continuing contract unless such 55240  
teacher notifies the board in writing to the contrary on or before 55241  
the first day of June, and a continuing contract shall be executed 55242  
accordingly. 55243

Any teacher receiving a written notice of the intention of a 55244  
board not to reemploy such teacher pursuant to this division is 55245  
entitled to the hearing provisions of division (G) of this 55246  
section. 55247

(E) A limited contract may be entered into by each board with 55248  
each teacher who has not been in the employ of the board for at 55249  
least three years and shall be entered into, regardless of length 55250  
of previous employment, with each teacher employed by the board 55251  
who ~~holds a provisional, temporary, or associate license, or who~~ 55252  
~~holds a professional license and~~ is not eligible to be considered 55253  
for a continuing contract. 55254

Any teacher employed under a limited contract, and not 55255  
eligible to be considered for a continuing contract, is, at the 55256  
expiration of such limited contract, considered reemployed under 55257  
the provisions of this division at the same salary plus any 55258  
increment provided by the salary schedule unless evaluation 55259  
procedures have been complied with pursuant to division (A) of 55260

section 3319.111 of the Revised Code and the employing board, 55261  
acting upon the superintendent's written recommendation that the 55262  
teacher not be reemployed, gives such teacher written notice of 55263  
its intention not to reemploy such teacher on or before the 55264  
thirtieth day of April. A teacher who does not have evaluation 55265  
procedures applied in compliance with division (A) of section 55266  
3319.111 of the Revised Code or who does not receive notice of the 55267  
intention of the board not to reemploy such teacher on or before 55268  
the thirtieth day of April is presumed to have accepted such 55269  
employment unless such teacher notifies the board in writing to 55270  
the contrary on or before the first day of June, and a written 55271  
contract for the succeeding school year shall be executed 55272  
accordingly. 55273

Any teacher receiving a written notice of the intention of a 55274  
board not to reemploy such teacher pursuant to this division is 55275  
entitled to the hearing provisions of division (G) of this 55276  
section. 55277

(F) The failure of a superintendent to make a recommendation 55278  
to the board under any of the conditions set forth in divisions 55279  
(B) to (E) of this section, or the failure of the board to give 55280  
such teacher a written notice pursuant to divisions (C) to (E) of 55281  
this section shall not prejudice or prevent a teacher from being 55282  
deemed reemployed under either a limited or continuing contract as 55283  
the case may be under the provisions of this section. A failure of 55284  
the parties to execute a written contract shall not void any 55285  
automatic reemployment provisions of this section. 55286

(G)(1) Any teacher receiving written notice of the intention 55287  
of a board of education not to reemploy such teacher pursuant to 55288  
division (B), (C)(3), (D), or (E) of this section may, within ten 55289  
days of the date of receipt of the notice, file with the treasurer 55290  
of the board a written demand for a written statement describing 55291  
the circumstances that led to the board's intention not to 55292

reemploy the teacher. 55293

(2) The treasurer of a board, on behalf of the board, shall, 55294  
within ten days of the date of receipt of a written demand for a 55295  
written statement pursuant to division (G)(1) of this section, 55296  
provide to the teacher a written statement describing the 55297  
circumstances that led to the board's intention not to reemploy 55298  
the teacher. 55299

(3) Any teacher receiving a written statement describing the 55300  
circumstances that led to the board's intention not to reemploy 55301  
the teacher pursuant to division (G)(2) of this section may, 55302  
within five days of the date of receipt of the statement, file 55303  
with the treasurer of the board a written demand for a hearing 55304  
before the board pursuant to divisions (G)(4) to (6) of this 55305  
section. 55306

(4) The treasurer of a board, on behalf of the board, shall, 55307  
within ten days of the date of receipt of a written demand for a 55308  
hearing pursuant to division (G)(3) of this section, provide to 55309  
the teacher a written notice setting forth the time, date, and 55310  
place of the hearing. The board shall schedule and conclude the 55311  
hearing within forty days of the date on which the treasurer of 55312  
the board receives a written demand for a hearing pursuant to 55313  
division (G)(3) of this section. 55314

(5) Any hearing conducted pursuant to this division shall be 55315  
conducted by a majority of the members of the board. The hearing 55316  
shall be held in executive session of the board unless the board 55317  
and the teacher agree to hold the hearing in public. The 55318  
superintendent, assistant superintendent, the teacher, and any 55319  
person designated by either party to take a record of the hearing 55320  
may be present at the hearing. The board may be represented by 55321  
counsel and the teacher may be represented by counsel or a 55322  
designee. A record of the hearing may be taken by either party at 55323  
the expense of the party taking the record. 55324

(6) Within ten days of the conclusion of a hearing conducted 55325  
pursuant to this division, the board shall issue to the teacher a 55326  
written decision containing an order affirming the intention of 55327  
the board not to reemploy the teacher reported in the notice given 55328  
to the teacher pursuant to division (B), (C)(3), (D), or (E) of 55329  
this section or an order vacating the intention not to reemploy 55330  
and expunging any record of the intention, notice of the 55331  
intention, and the hearing conducted pursuant to this division. 55332

(7) A teacher may appeal an order affirming the intention of 55333  
the board not to reemploy the teacher to the court of common pleas 55334  
of the county in which the largest portion of the territory of the 55335  
school district or service center is located, within thirty days 55336  
of the date on which the teacher receives the written decision, on 55337  
the grounds that the board has not complied with this section 55338  
~~3319.11~~ or section 3319.111 of the Revised Code. 55339

Notwithstanding section 2506.04 of the Revised Code, the 55340  
court in an appeal under this division is limited to the 55341  
determination of procedural errors and to ordering the correction 55342  
of procedural errors and shall have no jurisdiction to order a 55343  
board to reemploy a teacher, except that the court may order a 55344  
board to reemploy a teacher in compliance with the requirements of 55345  
division (B), (C)(3), (D), or (E) of this section when the court 55346  
determines that evaluation procedures have not been complied with 55347  
pursuant to division (A) of section 3319.111 of the Revised Code 55348  
or the board has not given the teacher written notice on or before 55349  
the thirtieth day of April of its intention not to reemploy the 55350  
teacher pursuant to division (B), (C)(3), (D), or (E) of this 55351  
section. Otherwise, the determination whether to reemploy or not 55352  
reemploy a teacher is solely a board's determination and not a 55353  
proper subject of judicial review and, except as provided in this 55354  
division, no decision of a board whether to reemploy or not 55355  
reemploy a teacher shall be invalidated by the court on any basis, 55356

including that the decision was not warranted by the results of 55357  
any evaluation or was not warranted by any statement given 55358  
pursuant to division (G)(2) of this section. 55359

No appeal of an order of a board may be made except as 55360  
specified in this division. 55361

provision to the contrary in Chapter 4117. of the Revised Code, 55414  
the provisions of this section relating to the grounds for 55415  
termination of the contract of a teacher prevail over any 55416

conflicting provisions of a collective bargaining agreement 55417  
entered into after the effective date of this amendment. 55418

Before terminating any contract, the employing board shall 55419  
furnish the teacher a written notice signed by its treasurer of 55420  
its intention to consider the termination of ~~his~~ the teacher's 55421  
contract with full specification of the grounds for such 55422  
consideration. The board shall not proceed with formal action to 55423

superintendent of public instruction. No hearing shall be held 55434  
during the summer vacation without the teacher's consent. The 55435

termination. The board shall provide for a complete stenographic 55441  
record of the proceedings, a copy of the record to be furnished to 55442  
the teacher. The board may suspend a teacher pending final action 55443  
to terminate ~~his~~ the teacher's contract if, in its judgment, the 55444

Both parties may be present at such hearing, be represented 55446  
by counsel, require witnesses to be under oath, cross-examine 55447  
witnesses, take a record of the proceedings, and require the 55448

presence of witnesses in their behalf upon subpoena to be issued 55449  
by the treasurer of the board. In case of the failure of any 55450

pleas of the county in which the person resides, upon application 55452  
of any interested party, shall compel attendance of the person by 55453

the referee may administer oaths to witnesses. After a hearing by 55455  
a referee, the referee shall file ~~his~~ a report within ten days 55456  
after the termination of the hearing. After consideration of the 55457  
referee's report, the board, by a majority vote, may accept or 55458  
reject the referee's recommendation on the termination of the 55459  
teacher's contract. After a hearing by the board, the board, by 55460  
majority vote, may enter its determination upon its minutes. Any 55461  
order of termination of a contract shall state the grounds for 55462  
termination. If the decision, after hearing, is against 55463  
termination of the contract, the charges and the record of the 55464  
hearing shall be physically expunged from the minutes, and, if the 55465  
teacher has suffered any loss of salary by reason of being 55466  
suspended, ~~he~~ the teacher shall be paid ~~his~~ the teacher's full 55467  
salary for the period of such suspension. 55468

Any teacher affected by an order of termination of contract 55469  
may appeal to the court of common pleas of the county in which the 55470  
school is located within thirty days after receipt of notice of 55471  
the entry of such order. The appeal shall be an original action in 55472  
the court and shall be commenced by the filing of a complaint 55473  
against the board, in which complaint the facts shall be alleged 55474  
upon which the teacher relies for a reversal or modification of 55475  
such order of termination of contract. Upon service or waiver of 55476  
summons in that appeal, the board immediately shall transmit to 55477  
the clerk of the court for filing a transcript of the original 55478  
papers filed with the board, a certified copy of the minutes of 55479  
the board into which the termination finding was entered, and a 55480  
certified transcript of all evidence adduced at the hearing or 55481

hearings before the board or a certified transcript of all 55482  
evidence adduced at the hearing or hearings before the referee, 55483  
whereupon the cause shall be at issue without further pleading and 55484  
shall be advanced and heard without delay. The court shall examine 55485  
the transcript and record of the hearing and shall hold such 55486  
additional hearings as it considers advisable, at which it may 55487  
consider other evidence in addition to the transcript and record. 55488

Upon final hearing, the court shall grant or deny the relief 55489  
prayed for in the complaint as may be proper in accordance with 55490  
the evidence adduced in the hearing. Such an action is a special 55491  
proceeding, and either the teacher or the board may appeal from 55492  
the decision of the court of common pleas pursuant to the Rules of 55493  
Appellate Procedure and, to the extent not in conflict with those 55494  
rules, Chapter 2505. of the Revised Code. 55495

In any court action, the board may utilize the services of 55496  
the prosecuting attorney, village solicitor, city director of law, 55497  
or other chief legal officer of a municipal corporation as 55498  
authorized by section 3313.35 of the Revised Code, or may employ 55499  
other legal counsel. 55500

A violation of division (A)(7) of section 2907.03 of the 55501  
Revised Code is grounds for termination of a teacher contract 55502  
under this section. 55503

**Sec. 3319.17.** (A) As used in this section, "interdistrict 55504  
contract" means any contract or agreement entered into by an 55505  
educational service center governing board and another board or 55506  
other public entity pursuant to section 3313.17, 3313.841, 55507  
3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the 55508  
Revised Code, including any such contract or agreement for the 55509  
provision of services funded under division (I) of section 55510  
3317.024 of the Revised Code or provided in any unit approved 55511  
under section 3317.05 of the Revised Code. 55512

(B) When, for any of the following reasons that apply to any city, exempted village, local, or joint vocational school district or any educational service center, the board decides that it will be necessary to reduce the number of teachers it employs, it may make a reasonable reduction:

(1) In the case of any district or service center, return to duty of regular teachers after leaves of absence including leaves provided pursuant to division (B) of section 3314.10 of the Revised Code, suspension of schools, or territorial changes affecting the district or center, ~~or financial reasons;~~

(2) In the case of any city, exempted village, local, or joint vocational school district, decreased enrollment of pupils in the district;

(3) In the case of any governing board of a service center providing any particular service directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total number of pupils the governing board is required to provide with the service under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these interdistrict contracts;

(4) In the case of any governing board providing any particular service that it does not provide directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total level of the service the governing board is required to provide under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these interdistrict contracts.

(C) In making any such reduction, any city, exempted village, local, or joint vocational school board shall proceed to suspend contracts in accordance with the recommendation of the superintendent of schools who shall, within each teaching field

affected, give preference first to teachers on continuing 55544  
contracts and then to teachers who have greater seniority. In 55545  
making any such reduction, any governing board of a service center 55546  
shall proceed to suspend contracts in accordance with the 55547  
recommendation of the superintendent who shall, within each 55548  
teaching field or service area affected, give preference first to 55549  
teachers on continuing contracts and then to teachers who have 55550  
greater seniority. 55551

On a case-by-case basis, in lieu of suspending a contract in 55552  
whole, a board may suspend a contract in part, so that an 55553  
individual is required to work a percentage of the time the 55554  
employee otherwise is required to work under the contract and 55555  
receives a commensurate percentage of the full compensation the 55556  
employee otherwise would receive under the contract. 55557

The teachers whose continuing contracts are suspended by any 55558  
board pursuant to this section shall have the right of restoration 55559  
to continuing service status by that board in the order of 55560  
seniority of service in the district or service center if and when 55561  
teaching positions become vacant or are created for which any of 55562  
such teachers are or become qualified. No teacher whose continuing 55563  
contract has been suspended pursuant to this section shall lose 55564  
that right of restoration to continuing service status by reason 55565  
of having declined recall to a position that is less than 55566  
full-time or, if the teacher was not employed full-time just prior 55567  
to suspension of the teacher's continuing contract, to a position 55568  
requiring a lesser percentage of full-time employment than the 55569  
position the teacher last held while employed in the district or 55570  
service center. 55571

~~(D) Notwithstanding any provision to the contrary in Chapter 55572  
4117. of the Revised Code, the requirements of this section 55573  
prevail over any conflicting provisions of agreements between 55574  
employee organizations and public employers entered into after 55575~~

**Sec. 3319.172.** The board of education of each school district 55577  
wherein the provisions of Chapter 124. of the Revised Code do not 55578  
apply and the governing board of each educational service center 55579  
may adopt a resolution ordering reasonable reductions in the 55580  
number of nonteaching employees for any of the reasons for which 55581  
the board of education or governing board may make reductions in 55582  
teaching employees, as set forth in division (B) of section 55583  
3319.17 of the Revised Code. 55584

In making any reduction under this section, the board of 55585  
education or governing board shall proceed to suspend contracts in 55586  
accordance with the recommendation of the superintendent of the 55587  
district or service center who shall, within each pay 55588  
classification affected, give preference first to employees under 55589  
continuing contracts and then to employees on the basis of 55590  
seniority. On a case-by-case basis, in lieu of suspending a 55591  
contract in whole, a board may suspend a contract in part, so that 55592  
an individual is required to work a percentage of the time the 55593  
employee otherwise is required to work under the contract and 55594  
receives a commensurate percentage of the full compensation the 55595  
employee otherwise would receive under the contract. 55596

Any nonteaching employee whose continuing contract is 55597  
suspended under this section shall have the right of restoration 55598  
to continuing service status by the board of education or 55599  
governing board that suspended that contract in order of seniority 55600  
of service in the district or service center, if and when a 55601  
nonteaching position for which the employee is qualified becomes 55602  
vacant or is created. No nonteaching employee whose continuing 55603  
contract has been suspended under this section shall lose that 55604  
right of restoration to continuing service status by reason of 55605  
having declined recall to a position requiring fewer regularly 55606

scheduled hours of work than required by the position the employee 55607  
last held while employed in the district or service center. 55608

~~Notwithstanding any provision to the contrary in Chapter 55609  
4117. of the Revised Code, the requirements of this section 55610  
prevail over any conflicting provisions of agreements between 55611  
employee organizations and public employers entered into after the 55612  
effective date of this section. 55613~~

certificate under division (D)(1) of this section does not 56291  
constitute a suspension or revocation of the certificate by the 56292  
state board under section 3319.31 of the Revised Code and the 56293  
state board and the superintendent of public instruction need not 56294

(A)(2) and (B) of this section only when applying for renewal of 56310

to section 109.5721 of the Revised Code, but the person shall not 56316  
be subject to division (A)(2) or (B) of this section as long as 56317  
the person's certificate, license, or permit with the longest 56318  
duration is valid. 56319

Prior to renewing any certificate, license, or permit that is not 56327  
the person's primary certificate, license, or permit, the state 56328  
board or the superintendent of public instruction shall determine 56329  
whether the department has received any information about the 56330  
person pursuant to section 109.5721 of the Revised Code, but the 56331  
person shall not be subject to division (A)(2) or (B) of this 56332  
section as long as the person's primary certificate, license, or 56333  
permit is valid. 56334

(3) If the certificates, licenses, or permits are of the same 56335  
duration and expire in the same year and the person applies for 56336  
renewal of the certificates, licenses, or permits at the same 56337

Each county MR/DD board providing special education for 57451

tuition calculated under division (A) of section 3317.08 of the 57475  
Revised Code for the period covered by the statement, and deduct 57476  
the same from the amount of state funds, if any, payable under 57477  
sections ~~3317.022~~ 3306.13 and 3317.023 of the Revised Code, to the 57478  
child's school district of residence or, if the amount of such 57479  
state funds is insufficient, require the child's school district 57480  
of residence to pay the institution submitting the statement an 57481  
amount equal to the amount determined under this division. 57482

(2) For any preschool child with a disability not included in 57483  
a unit approved under division (B) of section 3317.05 of the 57484

Revised Code, perform the following: 57485

equal to the tuition calculated under division (B) of section 57487  
3317.08 of the Revised Code for the period covered by the 57488  
statement, except that in calculating the tuition under that 57489  
section the operating expenses of the institution submitting the 57490  
statement under this section shall be used instead of the 57491  
operating expenses of the school district of residence; 57492

(b) Deduct from the amount of state funds, if any, payable 57493  
under sections ~~3317.022~~ 3306.13 and 3317.023 of the Revised Code 57494  
to the child's school district of residence an amount equal to the 57495  
amount paid under division (C)(2)(a) of this section. 57496

**Sec. 3323.14.** This section does not apply to any preschool 57497  
child with a disability except if included in a unit approved 57498  
under division (B) of section 3317.05 of the Revised Code. 57499

(A) Where a child who is a school resident of one school 57500  
district receives special education from another district and the 57501  
per capita cost to the educating district for that child exceeds 57502  
the sum of the amount received by the educating district for that 57503  
child under division (A) of section 3317.08 of the Revised Code 57504  
and the amount received by the district from the state board of 57505  
education for that child, then the board of education of the 57506  
district of residence shall pay to the board of the school 57507  
district that is providing the special education such excess cost 57508  
as is determined by using a formula approved by the department of 57509  
education and agreed upon in contracts entered into by the boards 57510  
of the districts concerned at the time the district providing such 57511  
special education accepts the child for enrollment. The department 57512  
shall certify the amount of the payments under ~~Chapter~~ Chapters 57513  
3306. and 3317. of the Revised Code for such pupils with 57514  
disabilities for each school year ending on the thirtieth day of 57515

July. 57516

(B) In the case of a child described in division (A) of this 57517  
section who has been placed in a home, as defined in section 57518  
3313.64 of the Revised Code, pursuant to the order of a court and 57519  
who is not subject to section 3323.141 of the Revised Code, the 57520  
district providing the child with special education and related 57521  
services may charge to the child's district of residence the 57522  
excess cost determined by formula approved by the department, 57523  
regardless of whether the district of residence has entered into a 57524  
contract with the district providing the services. If the district 57525  
providing the services chooses to charge excess costs, the 57526  
district may report the amount calculated under this division to 57527  
the department. 57528

(C) If a district providing special education for a child 57529  
reports an amount for the excess cost of those services, as 57530  
authorized and calculated under division (A) or (B) of this 57531  
section, the department shall pay that amount of excess cost to 57532  
the district providing the services and shall deduct that amount 57533  
from the child's district of residence in accordance with division 57534  
(N) of section 3317.023 of the Revised Code. 57535

**Sec. 3323.142.** This section does not apply to any preschool 57536  
child with a disability except if included in a unit approved 57537  
under division (B) of section 3317.05 of the Revised Code. 57538

As used in this section, "per pupil amount" for a preschool 57539  
child with a disability included in such an approved unit means 57540  
the amount determined by dividing the amount received for the 57541  
classroom unit in which the child has been placed by the number of 57542  
children in the unit. For any other child, "per pupil amount" 57543  
means the amount paid for the child under section 3317.20 of the 57544  
Revised Code. 57545

When a school district places or has placed a child with a 57546

county MR/DD board for special education, but another district is 57547  
responsible for tuition under section 3313.64 or 3313.65 of the 57548  
Revised Code and the child is not a resident of the territory 57549  
served by the county MR/DD board, the board may charge the 57550  
district responsible for tuition with the educational costs in 57551  
excess of the per pupil amount received by the board under ~~Chapter~~ 57552  
Chapters 3306. and 3317. of the Revised Code. The amount of the 57553  
excess cost shall be determined by the formula established by rule 57554  
of the department of education under section 3323.14 of the 57555  
Revised Code, and the payment for such excess cost shall be made 57556  
by the school district directly to the county MR/DD board. 57557

A school district board of education and the county MR/DD 57558  
board that serves the school district may negotiate and contract, 57559  
at or after the time of placement, for payments by the board of 57560  
education to the county MR/DD board for additional services 57561  
provided to a child placed with the county MR/DD board and whose 57562  
individualized education program established pursuant to section 57563  
3323.08 of the Revised Code requires additional services that are 57564  
not routinely provided children in the county MR/DD board's 57565  
program but are necessary to maintain the child's enrollment and 57566  
participation in the program. Additional services may include, but 57567  
are not limited to, specialized supplies and equipment for the 57568  
benefit of the child and instruction, training, or assistance 57569  
provided by staff members other than staff members for which 57570  
funding is received under Chapter 3306. or 3317. of the Revised 57571  
Code. 57572

category specified in section 3324.03 of the Revised Code. 57577

(B) The department of education shall audit each school 57578  
district's identification numbers at least once every three years 57579

district found in noncompliance under division (B) of this 57584  
section. The department may reduce funds received by the district 57585

educational service center that contains the local district's 58027  
territory. If the educational service center governing board 58028  
considers transportation by school conveyance practicable, it 58029  
shall so inform the local board and transportation shall be 58030  
provided by such local board. If the educational service center 58031  
board agrees with the view of the local board, the local board may 58032

offer payment in lieu of transportation as provided in this 58033  
section. 58034

the department to initiate mediation procedures. 58045

(2) Issuing the pupil's parent, guardian, or other person in 58046  
charge of the pupil a contract or other form on which the parent, 58047  
guardian, or other person in charge of the pupil is given the 58048  
option to accept or reject the board's offer of payment in lieu of 58049  
transportation. 58050

(D) If the parent, guardian, or other person in charge of the 58051  
pupil accepts the offer of payment in lieu of providing 58052  
transportation, the board shall pay the parent, guardian, or other 58053  
person in charge of the child an amount that shall be not less 58054  
than the amount determined by the department of education as the 58055  
minimum for payment in lieu of transportation, and not more than 58056  
the amount determined by the department as the average cost of 58057  
pupil transportation for the previous school year. Payment may be 58058  
prorated if the time period involved is only a part of the school 58059  
year. 58060

member of the senate from each political party. ~~The chancellor of~~ 59960  
~~the board of regents shall be an ex officio voting member;~~ 59961  
~~provided, however, that the chancellor may designate a~~ 59962

additional members to the authority advisory board no later than 59972  
thirty days after March 30, 1999, and their initial terms shall 59973  
expire January 31, 2002. The governor shall appoint an additional 59974  
member to the advisory board not later than ninety days after the 59975  
effective date of this amendment, and the member's initial term 59976  
shall expire January 31, 2013. Thereafter, terms of office for 59977  
gubernatorial appointees shall be for four years. The initial 59978  
terms of the four legislative members shall expire on January 31, 59979  
1991. Thereafter legislative members shall serve two-year terms, 59980  
provided that legislative members may continue to serve on the 59981  
authority advisory board only if they remain members of the 59982

general assembly. Any vacancy on the ~~authority~~ advisory board 59983  
shall be filled in the same manner as the original appointment, 59984  
except that any person appointed to fill a vacancy shall be 59985  
appointed to the remainder of the unexpired term. Any member is 59986  
eligible for reappointment. 59987

~~(C)~~(D) Any member may be removed by the appointing authority 59988

and hearing are waived in writing by the member. Members shall 59991  
serve without compensation but shall receive their reasonable and 59992  
necessary expenses incurred in the conduct of authority business. 59993

~~(D)~~(E) The speaker of the house of representatives and the 59994  
president of the senate shall each designate a member of the 59995  
~~authority~~ advisory board to serve as co-chairpersons. The ~~six~~ 59996

committee of the ~~authority~~ advisory board, and shall elect an 59999  
executive chairperson from among the executive committee members. 60000  
The ~~authority~~ advisory board and the executive committee may elect 60001  
such other officers as determined by the ~~authority~~ advisory board 60002  
or the executive committee respectively. The ~~authority~~ advisory 60003  
board shall meet at least ~~annually~~ quarterly at the call of either 60004

determination of the annual price of a tuition unit, the final 60015  
designation of bonds as college savings bonds, or the employment 60016  
of an executive director of the authority. Upon such delegation, 60017  
the executive committee shall have the authority to act pursuant 60018  
to such delegation without further approval or action by the 60019  
authority advisory board. A majority of the authority advisory 60020  
board shall constitute a quorum of the authority advisory board, 60021  
and the affirmative vote of a majority of the members present 60022  
shall be necessary for any action taken by the authority advisory 60023  
board. A majority of the executive committee shall constitute a 60024  
quorum of the executive committee, and the affirmative vote of a 60025  
majority of the members present shall be necessary for any action 60026  
taken by the executive committee. No vacancy in the membership of 60027  
the authority advisory board or the executive committee shall 60028  
impair the rights of a quorum to exercise all rights and perform 60029  
all duties of the authority advisory board or the executive 60030  
committee, respectively. 60031

Sec. 3334.032. Whenever the term "Ohio tuition trust 60032  
authority" is used, referred to, or designated in any statute, 60033  
rule, contract, grant, or other document, the use, reference, or 60034  
designation shall be construed to mean the "chancellor of the Ohio 60035  
board of regents." 60036

**Sec. 3334.04.** (A) Any bonds authorized for issuance by any 60037  
issuing authority may, with the approval of the chancellor of the 60038  
Ohio ~~tuition trust authority~~ board of regents and at the option 60039  
of the issuing authority, be designated as college savings bonds 60040  
in accordance with this chapter. Bonds so designated shall be 60041  
known as college savings bonds. The issuer shall sell as college 60042  
savings bonds as many bonds from such an issue as is practical. 60043

(B) Issuing authorities designating bonds as a college 60044  
savings bonds issue, with the approval of the authority 60045

chancellor, may delegate to the treasurer of state the powers and 60046  
duties related to the issuance and retirement of the bonds as 60047  
provided by law. The financing costs, including the expenses 60048  
incurred by the treasurer of ~~the~~ state in performing the powers 60049  
and duties, are payable as provided in the bond proceedings from 60050  
the bond proceeds, special funds, or other moneys available. 60051

(C) In connection with the authority granted by division (B) 60052  
of this section, the issuer, with the approval of the ~~authority~~ 60053  
chancellor, may contract for services of financial consultants, 60054  
accounting experts, marketing, remarketing, underwriter and 60055  
administrative agents, and other consultants and independent 60056  
contractors as the issuer determines necessary to carry out such 60057  
powers and duties. 60058

(D) Notwithstanding any limitation to the contrary, college 60059  
savings bonds may be sold at public or private sale in a manner 60060  
which assures, to the extent practicable, the broadest retail 60061  
distribution of the bonds to investors residing in the state. 60062

(E) Holders of college savings bonds have all of the rights 60063  
and remedies accorded to such holders under the provisions of the 60064  
law pursuant to which such bonds are issued, whether or not 60065  
issuance of such bonds has been delegated to the treasurer of 60066  
state pursuant to division (B) of this section. In addition, the 60067  
bond proceedings or other documents pertaining to the bonds may 60068  
contain such covenants of the issuer and other matters deemed 60069  
advisable by the issuer in consultation with the ~~authority~~ 60070  
chancellor, including the terms and conditions for creating and 60071  
maintaining sinking funds, reserve funds, and any other special 60072  
funds as may be created in the bond proceedings separate and apart 60073  
from all other funds and accounts of the state or of the issuing 60074  
authority. 60075

(F) In advertising or promoting the sale of college savings 60076  
bonds, the issuer and the ~~authority~~ chancellor jointly may 60077

encourage purchasers to apply the value at maturity of college 60078  
savings bonds toward the cost of tuition at an institution of 60079  
higher education; however, neither the ~~authority~~ chancellor, the 60080  
treasurer of state, nor the issuing authority or the issuer shall 60081  
provide any guarantee, nor shall any guarantee be inferred, to the 60082  
effect that the value at maturity of the bonds held by a person 60083  
shall be an amount sufficient to pay for the cost of tuition at 60084  
any institution of higher education attended by that person for 60085  
such purposes as ~~he~~ the person determines. 60086

**Sec. 3334.06.** (A) The chancellor of the Ohio ~~tuition trust~~ 60087  
~~authority~~ board of regents shall, after consultation with the 60088  
issuer, develop a plan for the sale of college savings bonds. The 60089  
plan shall include: 60090

(1) An advertising program to inform the public about the 60091  
availability of college savings bonds; 60092

(2) The estimated cost of financing and administering the 60093  
plan; 60094

(3) A description of the ongoing administrative authority and 60095  
responsibility for the plan. 60096

(B) The ~~authority~~ chancellor shall approve the sale of a 60097  
college savings bond issue under division (A) of section 3334.04 60098  
of the Revised Code only after ~~it~~ the chancellor has determined 60099  
that the issuance would comply with section 3334.04 of the Revised 60100  
Code. 60101

(C) The ~~authority~~ chancellor shall cooperate with all state 60102  
issuing authorities in identifying potential bond issues which may 60103  
be appropriate for designation as college savings bonds and shall 60104  
encourage those issuing authorities to participate in the Ohio 60105  
college savings program. 60106

**Sec. 3334.07.** (A) The chancellor of the Ohio ~~tuition trust~~ 60107

~~authority board of regents shall develop a plan for the sale of~~ 60108  
~~tuition units. The Ohio board of regents shall cooperate with the~~ 60109  
~~authority and provide technical assistance upon request.~~ 60110

(B) Annually, the ~~authority~~ chancellor shall determine the 60111  
weighted average tuition of four-year state universities in the 60112  
academic year that begins on or after the first day of August of 60113  
the current calendar year, and shall establish the price of a 60114  
tuition unit in the ensuing sales period. Such price shall be 60115  
based on sound actuarial principles, and shall, to the extent 60116  
actuarially possible, reasonably approximate one per cent of the 60117  
weighted average tuition for that academic year plus the costs of 60118  
administering the program that are in excess of general revenue 60119  
fund appropriations for administrative costs. The sales period to 60120  
which such price applies shall consist of twelve months, and the 60121  
~~authority~~ chancellor by rule shall establish the date on which the 60122  
sales period begins. If circumstances arise during a sales period 60123  
that the ~~authority~~ chancellor determines causes the price of 60124  
tuition units to be insufficient to ensure the actuarial soundness 60125  
of the Ohio tuition trust fund, the ~~authority~~ chancellor may 60126  
adjust the price of tuition units purchased during the remainder 60127  
of the sales period. To promote the purchase of tuition units and 60128  
in accordance with actuarially sound principles, the ~~authority~~ 60129  
chancellor may adjust the sales price as part of incentive 60130  
programs, such as discounting for lump sum purchases and 60131  
multi-year installment plans at a fixed rate of purchase. 60132

**Sec. 3334.08.** (A) Subject to division (B) of this section, in 60133

shall adjust the price of subsequent purchases of tuition units to 60648  
the extent necessary to help restore the actuarial soundness of 60649  
the fund. If, at any time, the adjustment is likely, in the 60650  
opinion of the ~~authority~~ chancellor, to diminish the marketability 60651  
of tuition units to an extent that the continued sale of the units 60652  
likely would not restore the actuarial soundness of the fund and 60653  
external economic factors continue to negatively impact the 60654  
soundness of the program, the ~~authority~~ chancellor may suspend 60655  
sales, either permanently or temporarily, of tuition units. During 60656  
any suspension, the ~~authority~~ chancellor shall continue to service 60657  
existing college savings program accounts. 60658

(B) Upon termination of the program or liquidation of the 60659  
Ohio tuition trust fund, the Ohio tuition trust reserve fund, and 60660  
the Ohio tuition trust operating fund, any remaining assets of the 60661  
funds after all obligations of the funds have been satisfied 60662  
pursuant to division (B) of section 3334.11 of the Revised Code 60663  
shall be transferred to the general revenue fund of the state. 60664

(C) The ~~authority~~ chancellor shall prepare and cause to have 60665  
audited an annual financial report on all financial activity of 60666  
the ~~Ohio tuition trust authority~~ chancellor under this chapter 60667  
within ninety days of the end of the fiscal year. The ~~authority~~ 60668

beneficiaries pursuant to this chapter. Tuition units shall have 60704  
the same value to the beneficiary of a scholarship awarded 60705  
pursuant to this section as they would have to any other 60706

Revised Code. 60708

(C) The entity establishing and maintaining a scholarship 60709  
program shall specify whether a scholarship beneficiary may 60710

that will authorize the contributor to open an account for a 60723  
beneficiary and authorize the contributor to substitute a new 60724  
beneficiary for one originally named in the contract, to the 60725  
extent permitted by section 529 of the Internal Revenue Code. 60726

(B) The ~~authority~~ chancellor shall provide adequate 60727  
safeguards to prevent total contributions to a variable college 60728  
savings program account or purchases of tuition units, either 60729  
separately or combined, that are made on behalf of a beneficiary 60730  
from exceeding the amount necessary to provide for the tuition and 60731

other higher education expenses of the beneficiary, consistent 60732  
with the maximum contributions permitted by section 529 of the 60733  
Internal Revenue Code. However, in no event shall contributions or 60734  
purchases exceed the allowable limit for a qualified tuition 60735

contributions, if any, will be adequate to cover future tuition 60739  
and other higher education expenses or that a beneficiary will be 60740  
admitted to or permitted to continue to attend an institution of 60741  
higher education. 60742

(2) Returns on contributors' investments in the variable 60743

liability for penalties such as those levied for noneducational 60747  
withdrawals. 60748

(3) The state shall have no debt or obligation to any 60749  
contributor, beneficiary, or any other person as a result of the 60750  
establishment of the program, and the state assumes no risk or 60751  
liability for funds invested in the variable college savings 60752  
program. 60753

(4) Informational materials about the variable college 60754  
savings program prepared by the ~~authority~~ chancellor or ~~its~~ the 60755  
chancellor's agents and provided to prospective contributors shall 60756  
state clearly the information set forth in division (C) of this 60757

and expended solely for the purposes of this chapter and shall not 60796  
be loaned or otherwise transferred or used by the state for any 60797  
other purpose. This section shall not be construed to prohibit the 60798  
investment agents of the ~~authority~~ chancellor from investing, by 60799  
purchase or otherwise, in bonds, notes, or other obligations of 60800  
the state or any agency or instrumentality of the state. Unless 60801
