Military Family Month." 469

Sec. 7.12. Whenever any legal publication is required by law 470
to be made in a newspaper published in a municipal corporation, 471

county, or other political subdivision, the newspaper shall also 472
be a newspaper of general circulation in the municipal 473
corporation, county, or other political subdivision, without 474
further restriction or limitation upon a selection of the 475
newspaper to be used. If no newspaper is published in such 476
municipal corporation, county, or other political subdivision, 477
such legal publication shall be made in any newspaper of general 478
circulation therein. If there are less than two newspapers 479
published in any municipal corporation, county, or other political 480
subdivision in the manner defined by this section, then any legal 481
publication required by law to be made in a newspaper published in 482
a municipal corporation, county, or other political subdivision 483
may be made in any newspaper regularly issued at stated intervals 484
from a known office of publication located within the municipal 485
corporation, county, or other political subdivision. As used in 486
this section, a known office of publication is a public office 487
where the business of the newspaper is transacted during the usual 488
business hours, and such office shall be shown by the publication 489
itself. 490

In addition to all other requirements, a newspaper or 491
newspaper of general circulation, except those publications 492
performing the functions described in section 2701.09 of the 493
Revised Code for a period of one year immediately preceding any 494
such publication required to be made, shall be a publication 495
bearing a title or name, regularly issued as frequently as once a 496
week ~~for a definite price or consideration paid for by not less~~ 497
~~than fifty per cent of those to whom distribution is made, having~~ 498
~~a second class mailing privilege,~~ being not less than four pages, 499
published continuously during the immediately preceding one-year 500
period, and circulated generally in the political subdivision in 501
which it is published. Such publication must be of a type to which 502
the general public resorts for passing events of a political, 503
religious, commercial, and social nature, current happenings, 504

nonadvertising content, exclusive of inserts, measured relative to 507
total publication space, and an audited circulation to at least 508
fifty per cent of the households in the newspaper's retail trade 509
zone as defined by the audit. 510

Any notice required to be published in a newspaper of general 511
circulation may appear on an insert placed in such a newspaper. A 512
responsible party who is required to publish such a notice shall 513
consider various advertising media to determine which media might 514
reach the intended public most broadly. The responsible party need 515
publish the notice in only one qualified medium to meet the 516
requirements of law. 517

Sec. 7.16. A notice required to be published by a provision 518
of a statute or rule may be published on the state-sanctioned 519
public notice web site. A responsible party who is required to 520
publish such a notice may submit a copy of the notice and a 521
request for publication to the state-sanctioned public notice web 522
site service provider, together with the fee charged. The 523
responsible party shall identify in the notice or request the 524
provision of the statute or rule that requires the notice to be 525
published. The responsible party may, but is not required to, 526
prepare the request on the form that can be downloaded from the 527
web site. The notice permitted under this section is cumulative 528
with other notice provisions under statute or rule. 529

Sec. 9.03. (A) As used in this section, "political 530
subdivision" means any body corporate and politic, except a 531

of public funds to compensate an employee of a political 567
subdivision for attending a public meeting to present information 568
about the political subdivision's finances, activities, and 569
governmental actions in a manner that is not designed to influence 570
the outcome of an election or the passage of a levy or bond issue, 571
even though the election, levy, or bond issue is discussed or 572
debated at the meeting. 573

(3) "Reverse auction" means a purchasing process in which 599
offerors submit proposals in competing to sell services or 600
supplies in an open environment via the internet. 601

(4) "Services" means the furnishing of labor, time, or effort 602
by a person, not involving the delivery of a specific end product 603

bargaining agreements. 607

(5) "Supplies" means all property, including, but not limited 608

(D) As provided in the request for proposals and in the rules a political subdivision adopts, and to ensure full understanding of and responsiveness to solicitation requirements, the political subdivision may conduct discussions with responsible offerors who submit proposals determined to be reasonably susceptible of being selected for award. The political subdivision shall accord offerors fair and equal treatment with respect to any opportunity for discussion regarding any clarification, correction, or revision of their proposals.

(E) A political subdivision may award a contract to the offeror whose proposal the political subdivision determines to be the most advantageous to the political subdivision, taking into consideration factors such as price and the evaluation criteria set forth in the request for proposals. entirety. 771

(F)(1) Any file obtained by or in the possession of the 772

committee from the house of representatives, and the president of 796
the senate shall appoint the members of the committee from the 797
senate. Not more than three of the members from each house shall 798

longer members of the general assembly. When a vacancy occurs 811
among the officers or members of the committee, it shall be filled 812

in the same manner as the original appointment. 813

814

Notwithstanding section 101.26 of the Revised Code, the 815
members, when engaged in their duties as members of the committee 816
on days when there is not a voting session of the member's house 817
of the general assembly, shall be paid at the per diem rate of one 818
hundred fifty dollars, and their necessary traveling expenses, 819
which shall be paid from the funds appropriated for the payment of 820

recommendation of a concurrent resolution invalidating a proposed 825
or effective rule, amendment, rescission, or part thereof, or for 826

and is entitled to perform the duties of a member of the 834
committee. For serving on the committee, the substitute shall be 835

substitute would be entitled to receive if the substitute were a 837
member of the committee. 838

The president or speaker shall inform the executive director 839
of the committee of a substitution. If the executive director 840
learns of a substitution sufficiently in advance of the meeting of 841
the committee the substitute is to attend, the executive director 842
shall publish notice of the substitution on the internet, make 843
reasonable effort to inform of the substitution persons who are 844

known to the executive director to be interested in rules that are 845
scheduled for review at the meeting, and inform of the 846
substitution persons who inquire of the executive director 847
concerning the meeting. 848

The committee may meet during periods in which the general 849
assembly has adjourned. At meetings of the committee, the 850
committee may request a rule-making agency, as defined in section 851
119.01 of the Revised Code, to provide information relative to the 852
agency's implementation of its statutory authority. 853

A member of the committee, and the executive director and 854
staff of the committee, are entitled in their official capacities 855
to attend, but not in their official capacities to participate in, 856
a public hearing conducted by a rule-making agency on a proposed 857
rule, amendment, or rescission. 858

Sec. 101.72. (A) Each legislative agent and employer, within 859

purposes of division (A) of this section, where a trade 868
association or other charitable or fraternal organization that is 869
exempt from federal income taxation under subsection 501(c) of the 870
federal Internal Revenue Code is the employer, the statement need 871
not list the names and addresses of each member of the association 872
or organization, so long as the association or organization itself 873
is listed. 874

(3) A brief description of the type of legislation to which 875
the engagement relates. 876

(B) In addition to the initial registration statement 877
required by division (A) of this section, each legislative agent 878
and employer shall file with the joint committee, not later than 879
the last day of January, May, and September of each year, an 880
updated registration statement that confirms the continuing 881
existence of each engagement described in an initial registration 882
statement and that lists the specific bills or resolutions on 883
which the agent actively advocated under that engagement during 884
the period covered by the updated statement, and with it any 885
statement of expenditures required to be filed by section 101.73 886
of the Revised Code and any details of financial transactions 887

peace officer or trooper and grant an extension of the time within 3580
which that peace officer or trooper must complete the required 3581

the commission. An extension granted under this division may be 3583
for any period of time the executive director believes to be 3584
appropriate, and the executive director shall specify in the 3585
notice granting the extension the date on which the extension 3586
ends. Not later than thirty days after the date on which a request 3587
is submitted to the commission, for each peace officer and trooper 3588
for whom an extension is requested, the executive director either 3589

within which a particular appointed peace officer or trooper of an 3595
appointing authority must complete the required minimum number of 3596
hours of continuing professional training set by the commission, 3597
the appointing authority shall require that peace officer or 3598
trooper to complete the required minimum number of hours of 3599

(4) "Substantive revision" has the same meaning as in 3700
division (J) of section 119.01 of the Revised Code. 3701

(B)(1) Any rule, other than a rule of an emergency nature, 3702
adopted by any agency pursuant to this section shall be effective 3703
on the tenth day after the day on which the rule in final form and 3704
in compliance with division (B)(3) of this section is filed as 3705
follows: 3706

(a) The rule shall be filed in electronic form with both the 3707
secretary of state and the director of the legislative service 3708

An agency that adopts or amends a rule that is subject to 3714

date designated by the agency. 3730

Any rule that is required to be filed under division (B)(1) 3731

provided for by division (B)(2) of this section, the emergency 3748
rule if filed as required by such division shall become effective 3749

at the later date, or later date and time of day, designated by 3750
the agency. 3751

emergency rule as a nonemergency rule in compliance with division 3754
(B)(1) of this section. The agency may not refile the emergency 3755
rule in compliance with division (B)(2) of this section so that, 3756
upon the emergency rule becoming invalid under such division, the 3757
emergency rule will continue in effect without interruption for 3758
another ninety-day period. 3759

be effective and the date on which it will expire, if known. 3769

(d) Each rule that amends or rescinds another rule shall 3770
clearly refer to the rule that is amended or rescinded. Each 3771
amendment shall fully restate the rule as amended. 3772

If the director of the legislative service commission or the 3773
director's designee gives an agency notice pursuant to section 3774
103.05 of the Revised Code that a rule filed by the agency is not 3775
in compliance with the rules of the legislative service 3776
commission, the agency shall within thirty days after receipt of 3777
the notice conform the rule to the rules of the commission as 3778
directed in the notice. 3779

(C) All rules filed pursuant to divisions (B)(1)(a) and (2) 3780
of this section shall be recorded by the secretary of state and 3781
the director under the title of the agency adopting the rule and 3782
shall be numbered according to the numbering system devised by the 3783

any law publishing company that wishes to reproduce it. 3787

(D) At least sixty-five days before a board, commission, 3788
department, division, or bureau of the government of the state 3789

the full text of the proposed rule in electronic form with the 3791
joint committee on agency rule review, and the proposed rule is 3792
subject to legislative review and invalidation under division (I) 3793

revision in a proposed rule after it is filed with the joint 3796
committee, the state board, commission, department, division, or 3797
bureau shall promptly file the full text of the proposed rule in 3798
its revised form in electronic form with the joint committee. The 3799
latest version of a proposed rule as filed with the joint 3800
committee supersedes each earlier version of the text of the same 3801
proposed rule. Except as provided in division (F) of this section, 3802
a state board, commission, department, division, or bureau shall 3803
also file the rule summary and fiscal analysis prepared under 3804
section ~~121.24~~ or 127.18 of the Revised Code, ~~or both,~~ in 3805

The fund shall consist of the net proceeds of obligations issued under sections 152.09 to 152.33 of the Revised Code to finance a portion of those state capital facilities described in division (A) of this section, as needed to ensure sufficient moneys to support appropriations from the fund. Lease payments from counties made for those capital facilities financed in part from the fund and interest earnings on the balance in the fund shall be credited to the fund. vacancy in the membership of the commission shall impair the 4486
rights of a quorum by such vote to exercise all the rights and 4487
perform all the duties of the commission. Members of the 4488
commission, and their designees, are not disqualified from voting 4489
by reason of the functions of the other office they hold and are 4490
not disqualified from exercising the functions of the other office 4491
with respect to the municipal corporation, county, or township, 4492
its officers, or the commission. 4493

(G) The auditor of state shall serve as the "financial 4494
supervisor" to the commission unless the auditor of state elects 4495
to contract for that service. As used in this chapter, "financial 4496
supervisor" means the auditor of state. 4497

(H) At the request of the commission, the auditor of state 4498

shall designate employees of the auditor of state's office to 4499
assist the commission and the financial supervisor and to 4500
coordinate the work of the auditor of state's office and the 4501
financial supervisor. Upon the determination of a fiscal emergency 4502
in any municipal corporation, county, or township, the municipal 4503
corporation, county, or township shall provide the commission with 4504
such reasonable office space in the principal building housing 4505
city, county, or township government, where feasible, as it 4506
determines is necessary to carry out its duties under this 4507
chapter. 4508

(I) The financial supervisor, the members of the commission, 4509
the auditor of state, and any person authorized to act on behalf 4510
of or assist them shall not be personally liable or subject to any 4511
suit, judgment, or claim for damages resulting from the exercise 4512
of or failure to exercise the powers, duties, and functions 4513
granted to them in regard to their functioning under this chapter, 4514
but the commission, the financial supervisor, the auditor of 4515
state, and those other persons shall be subject to mandamus 4516
proceedings to compel performance of their duties under this 4517
chapter and with respect to any debt obligations issued pursuant 4518
or subject to this chapter. 4519

(J) At the request of the commission, the administrative head 4520
of any state agency shall temporarily assign personnel skilled in 4521
accounting and budgeting procedures to assist the commission or 4522
the financial supervisor in its duties as financial supervisor. 4523

(K) The appointed members of the commission are not subject 4524
to section 102.02 of the Revised Code. Each appointed member of 4525
the commission shall file with the commission a signed written 4526
statement setting forth the general nature of sales of goods, 4527
property, or services or of loans to the municipal corporation, 4528
county, or township with respect to which that commission is 4529
established, in which the appointed member has a pecuniary 4530

interest or in which any member of the appointed member's 4531
immediate family, as defined in section 102.01 of the Revised 4532
Code, or any corporation, partnership, or enterprise of which the 4533
appointed member is an officer, director, or partner, or of which 4534
the appointed member or a member of the appointed member's 4535
immediate family, as so defined, owns more than a five per cent 4536
interest, has a pecuniary interest, and of which sale, loan, or 4537
interest such member has knowledge. The statement shall be 4538
supplemented from time to time to reflect changes in the general 4539
nature of any such sales or loans. 4540

Sec. 119.03. In the adoption, amendment, or rescission of any 4541
rule, an agency shall comply with the following procedure: 4542

(A) Reasonable public notice shall be given in the register 4543
of Ohio at least thirty days prior to the date set for a hearing, 4544
in the form the agency determines. The agency shall file copies of 4545
the public notice under division (B) of this section. (The agency 4546
gives public notice in the register of Ohio when the public notice 4547
is published in the register under that division.) 4548

The public notice shall include: 4549

(1) A statement of the agency's intention to consider 4550
adopting, amending, or rescinding a rule; 4551

(2) A synopsis of the proposed rule, amendment, or rule to be 4552
rescinded or a general statement of the subject matter to which 4553
the proposed rule, amendment, or rescission relates; 4554

(3) A statement of the reason or purpose for adopting, 4555
amending, or rescinding the rule; 4556

(4) The date, time, and place of a hearing on the proposed 4557
action, which shall be not earlier than the thirty-first nor later 4558
than the fortieth day after the proposed rule, amendment, or 4559
rescission is filed under division (B) of this section. 4560

In addition to public notice given in the register of Ohio, 4561
the agency may give whatever other notice it reasonably considers 4562
necessary to ensure notice constructively is given to all persons 4563
who are subject to or affected by the proposed rule, amendment, or 4564
rescission. 4565

The agency shall provide a copy of the public notice required 4566
under division (A) of this section to any person who requests it 4567
and pays a reasonable fee, not to exceed the cost of copying and 4568
mailing. 4569

(B) The full text of the proposed rule, amendment, or rule to 4570
be rescinded, accompanied by the public notice required under 4571
division (A) of this section, shall be filed in electronic form 4572
with the secretary of state and with the director of the 4573
legislative service commission. (If in compliance with this 4574
division an agency files more than one proposed rule, amendment, 4575
or rescission at the same time, and has prepared a public notice 4576
under division (A) of this section that applies to more than one 4577
of the proposed rules, amendments, or rescissions, the agency 4578
shall file only one notice with the secretary of state and with 4579
the director for all of the proposed rules, amendments, or 4580
rescissions to which the notice applies.) The proposed rule, 4581
amendment, or rescission and public notice shall be filed as 4582
required by this division at least sixty-five days prior to the 4583
date on which the agency, in accordance with division (D) of this 4584
section, issues an order adopting the proposed rule, amendment, or 4585
rescission. 4586

If the proposed rule, amendment, or rescission incorporates a 4587
text or other material by reference, the agency shall comply with 4588
sections 121.71 to 121.76 of the Revised Code. 4589

The proposed rule, amendment, or rescission shall be 4590
available for at least thirty days prior to the date of the 4591
hearing at the office of the agency in printed or other legible 4592

form without charge to any person affected by the proposal. 4593

Failure to furnish such text to any person requesting it shall not 4594

invalidate any action of the agency in connection therewith. 4595

If the agency files a substantive revision in the text of the 4596

proposed rule, amendment, or rescission under division (H) of this 4597

section, it shall also promptly file the full text of the proposed 4598

rule, amendment, or rescission in its revised form in electronic 4599

form with the secretary of state and with the director of the 4600

legislative service commission. 4601

The agency shall file the rule summary and fiscal analysis 4602

prepared under section ~~121.24~~ or 127.18 of the Revised Code, ~~or~~ 4603

~~both~~, in electronic form along with a proposed rule, amendment, or 4604

rescission or proposed rule, amendment, or rescission in revised 4605

form that is filed with the secretary of state or the director of 4606

the legislative service commission. 4607

The director of the legislative service commission shall 4608

publish in the register of Ohio the full text of the original and 4609

each revised version of a proposed rule, amendment, or rescission; 4610

the full text of a public notice; and the full text of a rule 4611

summary and fiscal analysis that is filed with the director under 4612

this division. 4613

(C) On the date and at the time and place designated in the 4614

notice, the agency shall conduct a public hearing at which any 4615

person affected by the proposed action of the agency may appear 4616

and be heard in person, by the person's attorney, or both, may 4617

present the person's position, arguments, or contentions, orally 4618

or in writing, offer and examine witnesses, and present evidence 4619

tending to show that the proposed rule, amendment, or rescission, 4620

if adopted or effectuated, will be unreasonable or unlawful. An 4621

agency may permit persons affected by the proposed rule, 4622

amendment, or rescission to present their positions, arguments, or 4623

contentions in writing, not only at the hearing, but also for a 4624

reasonable period before, after, or both before and after the 4625
hearing. A person who presents a position or arguments or 4626
contentions in writing before or after the hearing is not required 4627
to appear at the hearing. 4628

At the hearing, the testimony shall be recorded. Such record 4629
shall be made at the expense of the agency. The agency is required 4630
to transcribe a record that is not sight readable only if a person 4631
requests transcription of all or part of the record and agrees to 4632
reimburse the agency for the costs of the transcription. An agency 4633
may require the person to pay in advance all or part of the cost 4634
of the transcription. 4635

In any hearing under this section the agency may administer 4636
oaths or affirmations. 4637

(D) After complying with divisions (A), (B), (C), and (H) of 4638
this section, and when the time for legislative review and 4639
invalidation under division (I) of this section has expired, the 4640
agency may issue an order adopting the proposed rule or the 4641
proposed amendment or rescission of the rule, consistent with the 4642
synopsis or general statement included in the public notice. At 4643
that time the agency shall designate the effective date of the 4644
rule, amendment, or rescission, which shall not be earlier than 4645
the tenth day after the rule, amendment, or rescission has been 4646
filed in its final form as provided in section 119.04 of the 4647
Revised Code. 4648

(E) Prior to the effective date of a rule, amendment, or 4649
rescission, the agency shall make a reasonable effort to inform 4650
those affected by the rule, amendment, or rescission and to have 4651
available for distribution to those requesting it the full text of 4652
the rule as adopted or as amended. 4653

(F) If the governor, upon the request of an agency, 4654
determines that an emergency requires the immediate adoption, 4655

amendment, or rescission of a rule, the governor shall issue an 4656
order, the text of which shall be filed in electronic form with 4657
the agency, the secretary of state, the director of the 4658
legislative service commission, and the joint committee on agency 4659
rule review, that the procedure prescribed by this section with 4660
respect to the adoption, amendment, or rescission of a specified 4661
rule is suspended. The agency may then adopt immediately the 4662
emergency rule, amendment, or rescission and it becomes effective 4663
on the date the rule, amendment, or rescission, in final form and 4664
in compliance with division (A)(2) of section 119.04 of the 4665
Revised Code, ~~are~~ is filed in electronic form with the secretary 4666
of state, the director of the legislative service commission, and 4667
the joint committee on agency rule review. If all filings are not 4668
completed on the same day, the emergency rule, amendment, or 4669
rescission shall be effective on the day on which the latest 4670
filing is completed. The director shall publish the full text of 4671
the emergency rule, amendment, or rescission in the register of 4672
Ohio. 4673

The emergency rule, amendment, or rescission shall become 4674
invalid at the end of the ninetieth day it is in effect. Prior to 4675
that date the agency may adopt the emergency rule, amendment, or 4676
rescission as a nonemergency rule, amendment, or rescission by 4677
complying with the procedure prescribed by this section for the 4678
adoption, amendment, and rescission of nonemergency rules. The 4679
agency shall not use the procedure of this division to readopt the 4680
emergency rule, amendment, or rescission so that, upon the 4681
emergency rule, amendment, or rescission becoming invalid under 4682
this division, the emergency rule, amendment, or rescission will 4683
continue in effect without interruption for another ninety-day 4684
period, except when division (I)(2)(a) of this section prevents 4685
the agency from adopting the emergency rule, amendment, or 4686
rescission as a nonemergency rule, amendment, or rescission within 4687
the ninety-day period. 4688

This division does not apply to the adoption of any emergency rule, amendment, or rescission by the tax commissioner under division (C)(2) of section 5117.02 of the Revised Code.

(G) Rules adopted by an authority within the department of job and family services for the administration or enforcement of Chapter 4141. of the Revised Code or of the department of taxation shall be effective without a hearing as provided by this section if the statutes pertaining to such agency specifically give a right of appeal to the board of tax appeals or to a higher authority within the agency or to a court, and also give the appellant a right to a hearing on such appeal. This division does not apply to the adoption of any rule, amendment, or rescission by the tax commissioner under division (C)(1) or (2) of section 5117.02 of the Revised Code, or deny the right to file an action for declaratory judgment as provided in Chapter 2721. of the Revised Code from the decision of the board of tax appeals or of the higher authority within such agency.

(H) When any agency files a proposed rule, amendment, or rescission under division (B) of this section, it shall also file in electronic form with the joint committee on agency rule review the full text of the proposed rule, amendment, or rule to be rescinded in the same form and the public notice required under division (A) of this section. (If in compliance with this division an agency files more than one proposed rule, amendment, or rescission at the same time, and has given a public notice under division (A) of this section that applies to more than one of the proposed rules, amendments, or rescissions, the agency shall file only one notice with the joint committee for all of the proposed rules, amendments, or rescissions to which the notice applies.) If the agency makes a substantive revision in a proposed rule, amendment, or rescission after it is filed with the joint committee, the agency shall promptly file the full text of the

proposed rule, amendment, or rescission in its revised form in 4721
electronic form with the joint committee. The latest version of a 4722
proposed rule, amendment, or rescission as filed with the joint 4723
committee supersedes each earlier version of the text of the same 4724
proposed rule, amendment, or rescission. An agency shall file the 4725
rule summary and fiscal analysis prepared under section ~~121.24~~ or 4726
127.18 of the Revised Code, ~~or both~~, in electronic form along with 4727
a proposed rule, amendment, or rescission, and along with a 4728
proposed rule, amendment, or rescission in revised form, that is 4729
filed under this division. 4730

The joint committee shall promptly file a notice in 4731
electronic form with the Ohio small business ombudsperson of the 4732
filing under this division of a proposed rule, amendment, or 4733
rescission, or of a proposed rule, amendment, or rescission in 4734
revised form, that previously was filed with the ombudsperson 4735
under section 121.254 of the Revised Code. 4736

This division does not apply to: 4737

(1) An emergency rule, amendment, or rescission; 4738

(2) Any proposed rule, amendment, or rescission that must be 4739
adopted verbatim by an agency pursuant to federal law or rule, to 4740
become effective within sixty days of adoption, in order to 4741
continue the operation of a federally reimbursed program in this 4742
state, so long as the proposed rule contains both of the 4743
following: 4744

(a) A statement that it is proposed for the purpose of 4745
complying with a federal law or rule; 4746

(b) A citation to the federal law or rule that requires 4747
verbatim compliance. 4748

If a rule or amendment is exempt from legislative review 4749
under division (H)(2) of this section, and if the federal law or 4750
rule pursuant to which the rule or amendment was adopted expires, 4751

is repealed or rescinded, or otherwise terminates, the rule or
amendment, or its rescission, is thereafter subject to legislative
review under division (H) of this section.

(I)(1) The joint committee on agency rule review may
recommend the adoption of a concurrent resolution invalidating a
proposed rule, amendment, rescission, or part thereof if it finds
any of the following:

(a) That the rule-making agency has exceeded the scope of its
statutory authority in proposing the rule, amendment, or
rescission;

(b) That the proposed rule, amendment, or rescission
conflicts with another rule, amendment, or rescission adopted by
the same or a different rule-making agency;

(c) That the proposed rule, amendment, or rescission
conflicts with the legislative intent in enacting the statute
under which the rule-making agency proposed the rule, amendment,
or rescission;

(d) That the rule-making agency has failed to prepare a
complete and accurate rule summary and fiscal analysis of the
proposed rule, amendment, or rescission as required by section
~~121.24 or~~ 127.18 of the Revised Code, ~~or both, or that;~~

(e) That the proposed rule, amendment, or rescission
incorporates a text or other material by reference and either the
rule-making agency has failed to file the text or other material
incorporated by reference as required by section 121.73 of the
Revised Code or, in the case of a proposed rule or amendment, the
incorporation by reference fails to meet the standards stated in
section 121.72, 121.75, or 121.76 of the Revised Code; or

(f) That the rule-making agency has failed to comply with
section 121.252, 121.253, or 121.254 of the Revised Code.

The joint committee shall not hold its public hearing on a 4782
proposed rule, amendment, or rescission earlier than the 4783
forty-first day after the original version of the proposed rule, 4784
amendment, or rescission was filed with the joint committee. 4785

The house of representatives and senate may adopt a 4786
concurrent resolution invalidating a proposed rule, amendment, 4787
rescission, or part thereof. The concurrent resolution shall state 4788
which of the specific rules, amendments, rescissions, or parts 4789
thereof are invalidated. A concurrent resolution invalidating a 4790
proposed rule, amendment, or rescission shall be adopted not later 4791
than the sixty-fifth day after the original version of the text of 4792
the proposed rule, amendment, or rescission is filed with the 4793
joint committee, except that if more than thirty-five days after 4794
the original version is filed the rule-making agency either files 4795
a revised version of the text of the proposed rule, amendment, or 4796
rescission, or revises the rule summary and fiscal analysis in 4797
accordance with division (I)(4) of this section, a concurrent 4798
resolution invalidating the proposed rule, amendment, or 4799
rescission shall be adopted not later than the thirtieth day after 4800
the revised version of the proposed rule or rule summary and 4801
fiscal analysis is filed. If, after the joint committee on agency 4802
rule review recommends the adoption of a concurrent resolution 4803
invalidating a proposed rule, amendment, rescission, or part 4804
thereof, the house of representatives or senate does not, within 4805
the time remaining for adoption of the concurrent resolution, hold 4806
five floor sessions at which its journal records a roll call vote 4807
disclosing a sufficient number of members in attendance to pass a 4808
bill, the time within which that house may adopt the concurrent 4809
resolution is extended until it has held five such floor sessions. 4810

Within five days after the adoption of a concurrent 4811
resolution invalidating a proposed rule, amendment, rescission, or 4812
part thereof, the clerk of the senate shall send the rule-making 4813

agency, the secretary of state, and the director of the 4814
legislative service commission in electronic form a certified text 4815
of the resolution together with a certification stating the date 4816
on which the resolution takes effect. The secretary of state and 4817
the director of the legislative service commission shall each note 4818
the invalidity of the proposed rule, amendment, rescission, or 4819
part thereof, and shall each remove the invalid proposed rule, 4820
amendment, rescission, or part thereof from the file of proposed 4821
rules. The rule-making agency shall not proceed to adopt in 4822
accordance with division (D) of this section, or to file in 4823
accordance with division (B)(1) of section 111.15 of the Revised 4824
Code, any version of a proposed rule, amendment, rescission, or 4825
part thereof that has been invalidated by concurrent resolution. 4826

Unless the house of representatives and senate adopt a 4827
concurrent resolution invalidating a proposed rule, amendment, 4828
rescission, or part thereof within the time specified by this 4829
division, the rule-making agency may proceed to adopt in 4830
accordance with division (D) of this section, or to file in 4831
accordance with division (B)(1) of section 111.15 of the Revised 4832
Code, the latest version of the proposed rule, amendment, or 4833
rescission as filed with the joint committee. If by concurrent 4834
resolution certain of the rules, amendments, rescissions, or parts 4835
thereof are specifically invalidated, the rule-making agency may 4836
proceed to adopt, in accordance with division (D) of this section, 4837
or to file in accordance with division (B)(1) of section 111.15 of 4838
the Revised Code, the latest version of the proposed rules, 4839
amendments, rescissions, or parts thereof as filed with the joint 4840
committee that are not specifically invalidated. The rule-making 4841
agency may not revise or amend any proposed rule, amendment, 4842
rescission, or part thereof that has not been invalidated except 4843
as provided in this chapter or in section 111.15 of the Revised 4844
Code. 4845

(2)(a) A proposed rule, amendment, or rescission that is 4846
filed with the joint committee under division (H) of this section 4847
or division (D) of section 111.15 of the Revised Code shall be 4848
carried over for legislative review to the next succeeding regular 4849
session of the general assembly if the original or any revised 4850
version of the proposed rule, amendment, or rescission is filed 4851
with the joint committee on or after the first day of December of 4852
any year. 4853

(b) The latest version of any proposed rule, amendment, or 4854
rescission that is subject to division (I)(2)(a) of this section, 4855
as filed with the joint committee, is subject to legislative 4856
review and invalidation in the next succeeding regular session of 4857
the general assembly in the same manner as if it were the original 4858
version of a proposed rule, amendment, or rescission that had been 4859
filed with the joint committee for the first time on the first day 4860
of the session. A rule-making agency shall not adopt in accordance 4861
with division (D) of this section, or file in accordance with 4862
division (B)(1) of section 111.15 of the Revised Code, any version 4863
of a proposed rule, amendment, or rescission that is subject to 4864
division (I)(2)(a) of this section until the time for legislative 4865
review and invalidation, as contemplated by division (I)(2)(b) of 4866
this section, has expired. 4867

(3) Invalidation of any version of a proposed rule, 4868
amendment, rescission, or part thereof by concurrent resolution 4869
shall prevent the rule-making agency from instituting or 4870
continuing proceedings to adopt any version of the same proposed 4871
rule, amendment, rescission, or part thereof for the duration of 4872
the general assembly that invalidated the proposed rule, 4873
amendment, rescission, or part thereof unless the same general 4874
assembly adopts a concurrent resolution permitting the rule-making 4875
agency to institute or continue such proceedings. 4876

The failure of the general assembly to invalidate a proposed 4877

rule, amendment, rescission, or part thereof under this section 4878
shall not be construed as a ratification of the lawfulness or 4879
reasonableness of the proposed rule, amendment, rescission, or any 4880
part thereof or of the validity of the procedure by which the 4881
proposed rule, amendment, rescission, or any part thereof was 4882
proposed or adopted. 4883

(4) In lieu of recommending a concurrent resolution to 4884
invalidate a proposed rule, amendment, rescission, or part thereof 4885
because the rule-making agency has failed to prepare a complete 4886
and accurate fiscal analysis, the joint committee on agency rule 4887
review may issue, on a one-time basis, for rules, amendments, 4888
rescissions, or parts thereof that have a fiscal effect on school 4889
districts, counties, townships, or municipal corporations, a 4890
finding that the rule summary and fiscal analysis is incomplete or 4891
inaccurate and order the rule-making agency to revise the rule 4892
summary and fiscal analysis and refile it with the proposed rule, 4893
amendment, rescission, or part thereof. If an emergency rule is 4894
filed as a nonemergency rule before the end of the ninetieth day 4895
of the emergency rule's effectiveness, and the joint committee 4896
issues a finding and orders the rule-making agency to refile under 4897
division (I)(4) of this section, the governor may also issue an 4898
order stating that the emergency rule shall remain in effect for 4899
an additional sixty days after the ninetieth day of the emergency 4900
rule's effectiveness. The governor's orders shall be filed in 4901
accordance with division (F) of this section. The joint committee 4902
shall send in electronic form to the rule-making agency, the 4903
secretary of state, and the director of the legislative service 4904
commission a certified text of the finding and order to revise the 4905
rule summary and fiscal analysis, which shall take immediate 4906
effect. 4907

An order issued under division (I)(4) of this section shall 4908
prevent the rule-making agency from instituting or continuing 4909

proceedings to adopt any version of the proposed rule, amendment, 4910
rescission, or part thereof until the rule-making agency revises 4911
the rule summary and fiscal analysis and refiles it in electronic 4912
form with the joint committee along with the proposed rule, 4913
amendment, rescission, or part thereof. If the joint committee 4914
finds the rule summary and fiscal analysis to be complete and 4915
accurate, the joint committee shall issue a new order noting that 4916
the rule-making agency has revised and refiled a complete and 4917
accurate rule summary and fiscal analysis. The joint committee 4918
shall send in electronic form to the rule-making agency, the 4919
secretary of state, and the director of the legislative service 4920
commission a certified text of this new order. The secretary of 4921
state and the director of the legislative service commission shall 4922
each link this order to the proposed rule, amendment, rescission, 4923
or part thereof. The rule-making agency may then proceed to adopt 4924

rule. 5519

have on small businesses: 5522

reporting requirements for small businesses; 5524

(2) The establishment of less stringent schedules or 5525

5534

Sec. 121.253. (A) The rule-making agency shall incorporate into the rule features the cost-benefit analysis indicates will reduce the cost and increase the benefit of the rule to small businesses, and features the regulatory flexibility analysis indicates will reduce any adverse impact the rule may have on small businesses. In both cases, the rule-making agency shall incorporate features into the rule only if they are feasible and not if doing so would be contrary to the statutory objectives that are the basis for the rule. 5535
5536
5537
5538
5539
5540
5541
5542
5543

(B) The rule-making agency shall prepare two reports as follows: 5544
5545

(1) A cost-benefit report that describes the results of the cost-benefit analysis, that describes any features incorporated into the rule as a result of the cost-benefit analysis, and that explains how those features reduce the cost and increase the benefit of the rule to small businesses. 5546
5547
5548
5549
5550

(2) A regulatory flexibility report that describes the results of the regulatory flexibility analysis, that describes any features incorporated into the rule as a result of the regulatory flexibility analysis, and that explains how those features reduce any adverse impact the rule may have on small businesses. 5551
5552
5553
5554
5555

The rule-making agency shall include any supporting 5556

documentation for either analysis in an appendix to its report of 5557
the analysis unless the documentation is otherwise incorporated 5558
into the report. 5559

adverse impact the rule may have on small businesses. The notice 5575
shall explain how persons may communicate comments to the 5576
ombudsperson. 5577

(B) During the period beginning on the day notice of the 5578
right to comment is first published in the register of Ohio and 5579
ending thirty days thereafter, any person may comment to the 5580
ombudsperson concerning any adverse impact the rule may have on 5581
small businesses. The ombudsperson shall establish and maintain, 5582
or participate in, a web site having features that enable persons 5583
to comment electronically. And the ombudsperson shall establish a 5584
toll-free telephone number persons may call to make comments. The 5585

telephone answering point shall be equipped to record comments 5586
that are called in. 5587

(C)(1) Not later than three days after the day the comment 5588
period closes, the ombudsperson shall collate and review comments 5589
that are received with regard to a rule, and shall compile them in 5590
a report that describes in detail the substance of the comments 5591
and, in particular, any objections to the rule. 5592

(2) The ombudsperson shall forthwith cause the report to be 5593
published in the register of Ohio and shall file the report in 5594
electronic form with the rule-making agency that filed the rule 5595
and with the small business regulatory review board. At the same 5596
time, the ombudsperson shall file in electronic form with the 5597
board the full text of the rule, the cost-benefit report, and the 5598
regulatory flexibility report. 5599

(3) The ombudsperson may appear before the joint committee on 5600
agency rule review and testify concerning a rule-making agency's 5601
compliance with sections 121.252, 121.253, and 121.254 of the 5602
Revised Code. 5603

Sec. 121.256. (A)(1) Within thirty days after receiving a 5604
report from the Ohio small business ombudsperson, the small 5605

report, the cost-benefit report, and the regulatory flexibility 5608
report, and shall determine whether the rule-making agency that 5609
filed the rule has complied with sections 121.252, 121.253, and 5610
121.254 of the Revised Code. 5611

(2) The board may conduct a public hearing on the rule, at 5612
which any person having an interest in the rule may appear and 5613
offer comments on, or objections to, the rule insofar as it may 5614
have any adverse impact on small businesses. The board shall cause 5615
notice of such a public hearing to be published in the register of 5616

Ohio at least seven days before the date set for the hearing. In 5617
the notice, the board shall state the date and time when, and the 5618
place where, the public hearing will be held. 5619

(B)(1) If the board finds that a rule-making agency, in 5621
regard to a rule, has failed to comply with section 121.252, 5622
121.253, or 121.254 of the Revised Code, the board shall issue in 5623
writing a determination of noncompliance that states the 5624
determination and explains why the rule fails to comply with those 5625
sections. The board may include in the determination of 5626
noncompliance suggested changes in the rule that will bring the 5627
rule into compliance with sections 121.252 and 121.253 of the 5628
Revised Code. 5629

(2) If the board finds that a rule-making agency, in regard 5630
to a rule, complied with sections 121.252, 121.253, and 121.254 of 5631
the Revised Code, the board shall issue in writing a determination 5632
of compliance that states such determination. 5633

(C)(1) The board shall file its determination in electronic 5634
form with the rule-making agency and shall cause its determination 5635
to be published in the register of Ohio. 5636

(2) If the rule-making agency proceeds to file the rule under 5637

ombudsperson's report, does not issue a determination to the 5645
rule-making agency, the board, in electronic form, shall return to 5646
the rule-making agency the full text of the rule, the cost-benefit 5647

report, and the regulatory flexibility report. The board shall 5648
note on the rule that it has not issued a determination with 5649
regard to the rule. The rule-making agency then may proceed to 5650
file the rule under division (B)(1) of section 111.15 or divisions 5651
(B) and (H) of section 119.03 of the Revised Code, but only if the 5652
rule that is so filed is substantially similar to the rule that 5653
was filed with the ombudsperson. 5654

members of the county council and how those resources, services, 5838
or programs assist the court in its administration of justice. 5839
Service of a judge as a judicial advisor pursuant to this section 5840
is a judicial function. 5841

(2) The purpose of the county council is to streamline and 5842
coordinate existing government services for families seeking 5843
services for their children. In seeking to fulfill its purpose, a 5844
county council shall provide for the following: 5845

(a) Referrals to the cabinet council of those children for 5846
whom the county council cannot provide adequate services; 5847

families and children; 5851

(c) Participation in the development of a countywide, 5852
comprehensive, coordinated, multi-disciplinary, interagency system 5853
for infants and toddlers with developmental disabilities or delays 5854
and their families, as established pursuant to federal grants 5855
received and administered by the department of health for early 5856
intervention services under the "Individuals with Disabilities 5857
Education Act of 2004"; 5858

(d) Maintenance of an accountability system to monitor the 5859
county council's progress in achieving results for families and 5860

children; 5861

(e) Establishment of a mechanism to ensure ongoing input from 5862
a broad representation of families who are receiving services 5863
within the county system. 5864

(3) A county council shall develop and implement the 5865
following: 5866

(a) An interagency process to establish local indicators and 5867
monitor the county's progress toward increasing child well-being 5868
in the county; 5869

(b) An interagency process to identify local priorities to 5870
increase child well-being. The local priorities shall focus on 5871
expectant parents and newborns thriving; infants and toddlers 5872

succeeding in school; youth choosing healthy behaviors; and youth 5874
successfully transitioning into adulthood and take into account 5875
the indicators established by the cabinet council under division 5876
(A)(4)(a) of this section. 5877

(c) An annual plan that identifies the county's interagency 5878
efforts to increase child well-being in the county. 5879

On an annual basis, the county council shall submit a report 5880
on the status of efforts by the county to increase child 5881
well-being in the county to the county's board of county 5882
commissioners and the cabinet council. This report shall be made 5883
available to any other person on request. 5884

(4)(a) Except as provided in division (B)(4)(b) of this 5885
section, a county council shall comply with the policies, 5886
procedures, and activities prescribed by the rules or interagency 5887
agreements of a state department participating on the cabinet 5888
council whenever the county council performs a function subject to 5889
those rules or agreements. 5890

(b) On application of a county council, the cabinet council 5891
may grant an exemption from any rules or interagency agreements of 5892
a state department participating on the council if an exemption is 5893
necessary for the council to implement an alternative program or 5894
approach for service delivery to families and children. The 5895
application shall describe the proposed program or approach and 5896
specify the rules or interagency agreements from which an 5897
exemption is necessary. The cabinet council shall approve or 5898
disapprove the application in accordance with standards and 5899
procedures it shall adopt. If an application is approved, the 5900
exemption is effective only while the program or approach is being 5901
implemented, including a reasonable period during which the 5902
program or approach is being evaluated for effectiveness. 5903

(5)(a) Each county council shall designate an administrative 5904
agent for the council from among the following public entities: 5905
the board of alcohol, drug addiction, and mental health services, 5906
including a board of alcohol and drug addiction or a community 5907
mental health board if the county is served by separate boards; 5908
the board of county commissioners; any board of health of the 5909
county's city and general health districts; the county department 5910
of job and family services; the county agency responsible for the 5911

the Revised Code; the county board of mental retardation and 5913
developmental disabilities; any of the county's boards of 5914
education or governing boards of educational service centers; or 5915
the county's juvenile court. Any of the foregoing public entities, 5916
other than the board of county commissioners, may decline to serve 5917
as the council's administrative agent. 5918

A county council's administrative agent shall serve as the 5919
council's appointing authority for any employees of the council. 5920
The council shall file an annual budget with its administrative 5921
agent, with copies filed with the county auditor and with the 5922

board of county commissioners, unless the board is serving as the 5923
council's administrative agent. The council's administrative agent 5924
shall ensure that all expenditures are handled in accordance with 5925
policies, procedures, and activities prescribed by state 5926
departments in rules or interagency agreements that are applicable 5927
to the council's functions. 5928

The administrative agent of a county council shall send 5929
notice of a member's absence if a member listed in division (B)(1) 5930
of this section has been absent from either three consecutive 5931
meetings of the county council or a county council subcommittee, 5932
or from one-quarter of such meetings in a calendar year, whichever 5933
is less. The notice shall be sent to the board of county 5934
commissioners that establishes the county council and, for the 5935
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 5936
section, to the governing board overseeing the respective entity; 5937
for the member listed in division (B)(1)(f) of this section, to 5938
the county board of mental retardation and developmental 5939
disabilities that employs the superintendent; for a member listed 5940
in division (B)(1)(g) or (h) of this section, to the school board 5941
that employs the superintendent; for the member listed in division 5942
(B)(1)(i) of this section, to the mayor of the municipal 5943
corporation; for the member listed in division (B)(1)(k) of this 5944
section, to the director of youth services; and for the member 5945
listed in division (B)(1)(n), to that member's board of trustees. 5946

The administrative agent for a county council may do any of 5947
the following on behalf of the council: 5948

(i) Enter into agreements or administer contracts with public 5949
or private entities to fulfill specific council business. Such 5950
agreements and contracts are exempt from the competitive bidding 5951
requirements of section 307.86 of the Revised Code if they have 5952
been approved by the county council and they are for the purchase 5953
of family and child welfare or child protection services or other 5954

social or job and family services for families and children. The 5955
approval of the county council is not required to exempt 5956
agreements or contracts entered into under section 5139.34, 5957
5139.41, or 5139.43 of the Revised Code from the competitive 5958
bidding requirements of section 307.86 of the Revised Code. 5959

(ii) As determined by the council, provide financial 5960
stipends, reimbursements, or both, to family representatives for 5961
expenses related to council activity; 5962

(iii) Receive by gift, grant, devise, or bequest any moneys, 5963
lands, or other property for the purposes for which the council is 5964
established. The agent shall hold, apply, and dispose of the 5965
moneys, lands, or other property according to the terms of the 5966
gift, grant, devise, or bequest. Any interest or earnings shall be 5967
treated in the same manner and are subject to the same terms as 5968
the gift, grant, devise, or bequest from which it accrues. 5969

(b)(i) If the county council designates the board of county 5970
commissioners as its administrative agent, the board may, by 5971
resolution, delegate any of its powers and duties as 5972
administrative agent to an executive committee the board 5973
establishes from the membership of the county council. The board 5974
shall name to the executive committee at least the individuals 5975
described in divisions (B)(1)(b) to (h) of this section and may 5976
appoint the president of the board or another individual as the 5977
chair of the executive committee. The executive committee must 5978
include at least one family county council representative who does 5979
not have a family member employed by an agency represented on the 5980
council. 5981

(ii) The executive committee may, with the approval of the 5982
board, hire an executive director to assist the county council in 5983
administering its powers and duties. The executive director shall 5984
serve in the unclassified civil service at the pleasure of the 5985
executive committee. The executive director may, with the approval 5986

of the executive committee, hire other employees as necessary to 5987
properly conduct the county council's business. 5988

(iii) The board may require the executive committee to submit 5989
an annual budget to the board for approval and may amend or repeal 5990
the resolution that delegated to the executive committee its 5991
authority as the county council's administrative agent. 5992

(6) Two or more county councils may enter into an agreement 5993
to administer their county councils jointly by creating a regional 5994
family and children first council. A regional council possesses 5995
the same duties and authority possessed by a county council, 5996
except that the duties and authority apply regionally rather than 5997
to individual counties. Prior to entering into an agreement to 5998
create a regional council, the members of each county council to 5999
be part of the regional council shall meet to determine whether 6000
all or part of the members of each county council will serve as 6001
members of the regional council. 6002

(7) A board of county commissioners may approve a resolution 6003
by a majority vote of the board's members that requires the county 6004
council to submit a statement to the board each time the council 6005
proposes to enter into an agreement, adopt a plan, or make a 6006
decision, other than a decision pursuant to section 121.38 of the 6007
Revised Code, that requires the expenditure of funds for two or 6008
more families. The statement shall describe the proposed 6009
agreement, plan, or decision. 6010

Not later than fifteen days after the board receives the 6011
statement, it shall, by resolution approved by a majority of its 6012
members, approve or disapprove the agreement, plan, or decision. 6013
Failure of the board to pass a resolution during that time period 6014
shall be considered approval of the agreement, plan, or decision. 6015

An agreement, plan, or decision for which a statement is 6016
required to be submitted to the board shall be implemented only if 6017

it is approved by the board. 6018

(C) Each county shall develop a county service coordination 6019
mechanism. The county service coordination mechanism shall serve 6020
as the guiding document for coordination of services in the 6021
county. For children who also receive services under the help me 6022
grow program, the service coordination mechanism shall be 6023
consistent with rules adopted by the department of health under 6024
section 3701.61 of the Revised Code. All family service 6025
coordination plans shall be developed in accordance with the 6026
county service coordination mechanism. The mechanism shall be 6027
developed and approved with the participation of the county 6028
entities representing child welfare; mental retardation and 6029
developmental disabilities; alcohol, drug addiction, and mental 6030
health services; health; juvenile judges; education; the county 6031
family and children first council; and the county early 6032
intervention collaborative established pursuant to the federal 6033
early intervention program operated under the "Individuals with 6034
Disabilities Education Act of 2004." The county shall establish an 6035
implementation schedule for the mechanism. The cabinet council may 6036
monitor the implementation and administration of each county's 6037
service coordination mechanism. 6038

Each mechanism shall include all of the following: 6039

(1) A procedure for an agency, including a juvenile court, or 6040
a family voluntarily seeking service coordination, to refer the 6041
child and family to the county council for service coordination in 6042
accordance with the mechanism; 6043

(2) A procedure ensuring that a family and all appropriate 6044
staff from involved agencies, including a representative from the 6045
appropriate school district, are notified of and invited to 6046
participate in all family service coordination plan meetings; 6047

(3) A procedure that permits a family to initiate a meeting 6048

to develop or review the family's service coordination plan and 6049
allows the family to invite a family advocate, mentor, or support 6050
person of the family's choice to participate in any such meeting; 6051

(4) A procedure for ensuring that a family service 6052
coordination plan meeting is conducted for each child who receives 6053
service coordination under the mechanism and for whom an emergency 6054
out-of-home placement has been made or for whom a nonemergency 6055
out-of-home placement is being considered. The meeting shall be 6056
conducted within ten days of an emergency out-of-home placement. 6057
The meeting shall be conducted before a nonemergency out-of-home 6058
placement. The family service coordination plan shall outline how 6059
the county council members will jointly pay for services, where 6060
applicable, and provide services in the least restrictive 6061
environment. 6062

(5) A procedure for monitoring the progress and tracking the 6063
outcomes of each service coordination plan requested in the county 6064
including monitoring and tracking children in out-of-home 6065
placements to assure continued progress, appropriateness of 6066
placement, and continuity of care after discharge from placement 6067
with appropriate arrangements for housing, treatment, and 6068
education. 6069

(6) A procedure for protecting the confidentiality of all 6070
personal family information disclosed during service coordination 6071
meetings or contained in the comprehensive family service 6072
coordination plan. 6073

(7) A procedure for assessing the needs and strengths of any 6074
child or family that has been referred to the council for service 6075
coordination, including a child whose parent or custodian is 6076
voluntarily seeking services, and for ensuring that parents and 6077
custodians are afforded the opportunity to participate; 6078

(8) A procedure for development of a family service 6079

coordination plan described in division (D) of this section; 6080

(9) A local dispute resolution process to serve as the 6081
process that must be used first to resolve disputes among the 6082
agencies represented on the county council concerning the 6083
provision of services to children, including children who are 6084
abused, neglected, dependent, unruly, alleged unruly, or 6085
delinquent children and under the jurisdiction of the juvenile 6086
court and children whose parents or custodians are voluntarily 6087
seeking services. The local dispute resolution process shall 6088
comply with sections 121.38, 121.381, and 121.382 of the Revised 6089
Code. The local dispute resolution process shall be used to 6090
resolve disputes between a child's parents or custodians and the 6091
county council regarding service coordination. The county council 6092
shall inform the parents or custodians of their right to use the 6093
dispute resolution process. Parents or custodians shall use 6094
existing local agency grievance procedures to address disputes not 6095
involving service coordination. The dispute resolution process is 6096
in addition to and does not replace other rights or procedures 6097
that parents or custodians may have under other sections of the 6098
Revised Code. 6099

The cabinet council shall adopt rules in accordance with 6100
Chapter 119. of the Revised Code establishing an administrative 6101
review process to address problems that arise concerning the 6102
operation of a local dispute resolution process. 6103

Nothing in division (C)(4) of this section shall be 6104
interpreted as overriding or affecting decisions of a juvenile 6105
court regarding an out-of-home placement, long-term placement, or 6106
emergency out-of-home placement. 6107

(D) Each county shall develop a family service coordination 6108
plan that does all of the following: 6109

(1) Designates service responsibilities among the various 6110

state and local agencies that provide services to children and 6111
their families, including children who are abused, neglected, 6112

jurisdiction of the juvenile court and children whose parents or 6114
custodians are voluntarily seeking services; 6115

schedule reviews as necessary, and facilitate the family service 6118

(3) Ensures that assistance and services to be provided are 6120
responsive to the strengths and needs of the family, as well as 6121
the family's culture, race, and ethnic group, by allowing the 6122
family to offer information and suggestions and participate in 6123
decisions. Identified assistance and services shall be provided in 6124
the least restrictive environment possible. 6125

(4) Includes a process for dealing with a child who is 6126
alleged to be an unruly child. The process shall include methods 6127
to divert the child from the juvenile court system; 6128

(5) Includes timelines for completion of goals specified in 6129
the plan with regular reviews scheduled to monitor progress toward 6130
those goals; 6131

(6) Includes a plan for dealing with short-term crisis 6132
situations and safety concerns. 6133

(E)(1) The process provided for under division (D)(4) of this 6134
section may include, but is not limited to, the following: 6135

(a) Designation of the person or agency to conduct the 6136
assessment of the child and the child's family as described in 6137
division (C)(7) of this section and designation of the instrument 6138
or instruments to be used to conduct the assessment; 6139

(b) An emphasis on the personal responsibilities of the child 6140

custodian of the child; 6141
6142

officials. 6143

to, any alternative methods to divert a child from the juvenile 6169
6170

first cabinet council. 6172

(F) Each county may review and revise the service 6173
coordination process described in division (D) of this section 6174
based on the availability of funds under Title IV-A of the "Social 6175
Security Act," 110 Stat. 2113 (1996), 42 U.S.C.A. 601, as amended, 6176

protection is referred to a committee of the general assembly, 6238
other than a committee on rules or reference, the sponsor of the 6239
legislation, at the time of the first hearing of the legislation 6240
before the committee, shall submit to the members of the committee 6241
a written statement identifying either the documentation that is 6242

(2) The Ohio entity had less than two million five hundred 6861
thousand dollars of gross revenue during its most recently 6862
completed fiscal year or had a net book value of less than two 6863
million five hundred thousand dollars at the end of that fiscal 6864
year. 6865

(3) The investment takes the form of the purchase of common 6866
or preferred stock, a membership interest, a partnership interest, 6867
or any other ownership interest. 6868

(4) The amount of the investment for which the credit is 6869
being claimed does not exceed three hundred thousand dollars in 6870
the case of an investment in an EDGE business enterprise or in an 6871
Ohio entity located in a distressed area, or two hundred fifty 6872

thousand dollars in the case of an investment in any other Ohio 6873

(5) The money invested is entirely at risk of loss, where 6875
repayment depends upon the success of the business operations of 6876
the Ohio entity. 6877

(6) No repayment of principal invested will be made for at 6878
least three years from the date the investment is made. 6879

(7) The annual combined amount of any dividend and interest 6880

decision-making authority of the Ohio entity in which the 6885
investment of money is proposed, or related to such an individual. 6886

purposes of this division, the industrial technology and 6888
enterprise advisory council shall define "an employee with 6889

is a member of an affiliated group, the combined net book values 6894
of all of the members of that affiliated group shall be used. 6895

Nothing in division (A)(6) or (7) of this section limits or 6896
disallows the distribution to an investor in a pass-through entity 6897
of a portion of the entity's profits equal to the investor's 6898
federal, state, and local income tax obligations attributable to 6899
the investor's allocable share of the entity's profits. Nothing in 6900
division (A)(6) or (7) of this section limits or disallows the 6901
sale by an investor of part or all of the investor's interests in 6902
an Ohio entity by way of a public offering of shares in the Ohio 6903

entity. 6904

(B) A group of two but not more than twenty investors, each 6905
of whom proposes to make an investment of money in the same Ohio 6906

receiving the application, shall review it, determine whether each 6913
investor of the group should be recommended for a tax credit under 6914
the conditions set forth in division (A) of this section, and send 6915
written notice of its determination to the industrial technology 6916
and enterprise advisory council and to the contact person. The 6917
center shall not recommend that a group of investors receive a tax 6918
credit unless each investor is eligible under those conditions. 6919
The center may disqualify from a group any investor who is not 6920
eligible under the conditions and recommend that the remaining 6921
group of investors receive the tax credit. If the center 6922
determines the group should not be recommended for the tax credit, 6923
it shall include in the notice the reasons for the determination. 6924

(C) The industrial technology and enterprise advisory council 6925
shall establish from among its members a three-person committee. 6926
Within four weeks after the council receives a notice of 6927
recommendation from an Edison center, the committee shall review 6928
the recommendation and issue a final determination of whether the 6929
investor or group is eligible for a tax credit under the 6930
conditions set forth in division (A) of this section. The 6931
committee may require the investor or group to submit additional 6932
information to support the application. The vote of at least two 6933
members of the committee is necessary for the issuance of a final 6934
determination or any other action of the committee. Upon making 6935

the final determination, the committee shall send written notice 6936
of approval or disapproval of the tax credit to the investor or 6937
group contact person, the director of development, and the Edison 6938
center. If the committee disapproves the tax credit, it shall 6939
include in the notice the reasons for the disapproval. 6940

(D)(1) The industrial technology and enterprise advisory 6941
council committee shall not approve more than one million five 6942
hundred thousand dollars of investments in any one Ohio entity. 6943
However, if a proposed investment of money in an Ohio entity has 6944
been approved but the investor does not actually make the 6945
investment, the committee may reassign the amount of that 6946
investment to another investor, as long as the total amount 6947
invested in the entity under this section does not exceed one 6948
million five hundred thousand dollars. 6949

If the one-million-five-hundred-thousand-dollar limit for an 6950
Ohio entity has not yet been reached and an application proposes 6951
an investment of money that would exceed the limit for that 6952
entity, the committee shall send written notice to the investor, 6953
or for a group, the contact person, that the investment cannot be 6954
approved as requested. Upon receipt of the notice, the investor or 6955
group may amend the application to propose an investment of money 6956
that does not exceed the limit. 6957

(2) Not more than ~~thirty~~ forty-five million dollars of tax 6958
credits shall be issued under sections 122.15 to 122.154 of the 6959
Revised Code. 6960

(E) If an investor makes an approved investment of less than 6961
two hundred fifty thousand dollars in any Ohio entity other than 6962
an EDGE business enterprise or in an Ohio entity located in a 6963
distressed area, the investor may apply for approval of another 6964
investment of money in that entity, as long as the total amount 6965
invested in that entity by the investor under this section does 6966
not exceed two hundred fifty thousand dollars. If an investor 6967

makes an approved investment of less than three hundred thousand 6968
dollars in an EDGE business enterprise or in an Ohio entity 6969
located in a distressed area, the investor may apply for approval 6970
of another investment of money in that entity, as long as the 6971
total amount invested in that entity by the investor under this 6972
section does not exceed three hundred thousand dollars. An 6973
investor who receives approval of an investment of money as part 6974
of a group may subsequently apply on an individual basis for 6975
approval of an additional investment of money in the Ohio entity. 6976

(F) The industrial technology and enterprise advisory council 6977
committee shall approve or disapprove tax credit applications 6978
under this section in the order in which they are received by the 6979
council. 6980

(G) The director of development may disapprove any 6981
application recommended by an Edison center and approved by the 6982
industrial technology and enterprise advisory council committee, 6983
or may disapprove a credit for which a tax credit certificate has 6984
been issued under section 122.152 of the Revised Code, if the 6985
director determines that the entity in which the applicant 6986
proposes to invest or has invested is not an Ohio entity eligible 6987
to receive investments that qualify for the credit. If the 6988
director disapproves an application, the director shall certify 6989
the action to the investor, the Edison center that recommended the 6990
application, the industrial technology and enterprise advisory 6991
council, and the tax commissioner, together with a written 6992
explanation of the reasons for the disapproval. If the director 6993
disapproves a tax credit after a tax credit certificate is issued, 6994
the investor shall not claim the credit for the taxable year that 6995
includes the day the director disapproves the credit, or for any 6996
subsequent taxable year. 6997

The director of development, in accordance with section 6998
111.15 of the Revised Code and with the advice of the industrial 6999

technology and enterprise advisory council, may adopt, amend, and 7000
rescind rules necessary to implement sections 122.15 to 122.154 of 7001
the Revised Code. 7002

(H) An Edison center shall use application fees received 7003
under this section only for the costs of administering sections 7004
122.15 to 122.154 of the Revised Code. 7005

subsequent taxable or calendar years, "baseline income tax 7103

that includes a tax period equals the ~~new~~ excess income tax 7121
revenue for that year multiplied by the percentage specified in 7122
the agreement with the tax credit authority. Any credit granted 7123
under this section against the tax imposed by section 5733.06 or 7124
5747.02 of the Revised Code, to the extent not fully utilized 7125

~~immediately following the calendar year in which the authority~~ 7728
~~amends the agreement or the director notifies the taxpayer in~~ 7729
~~writing of such failure. If the taxpayer fails to annually report~~ 7730
~~any of the information required by division (E)(6) of this section~~ 7731
~~within the time required by the director, the reduction of the~~ 7732
~~percentage or term may take effect in the current taxable year. If~~ 7733

~~taxable or calendar year.~~ 7744

(G) Financial statements and other information submitted to 7745
the department of development or the tax credit authority by an 7746
applicant for or recipient of a tax credit under this section, and 7747
any information taken for any purpose from such statements or 7748
information, are not public records subject to section 149.43 of 7749
the Revised Code. However, the chairperson of the authority may 7750
make use of the statements and other information for purposes of 7751
issuing public reports or in connection with court proceedings 7752
concerning tax credit agreements under this section. Upon the 7753
request of the tax commissioner, or the superintendent of 7754
insurance in the case of an insurance company, the chairperson of 7755

the authority shall provide to the commissioner or superintendent 7756
any statement or other information submitted by an applicant for 7757
or recipient of a tax credit in connection with the credit. The 7758
commissioner or superintendent shall preserve the confidentiality 7759
of the statement or other information. 7760

(H) A taxpayer claiming a tax credit under this section shall 7761
submit to the tax commissioner or, in the case of an insurance 7762

director of development's certificate of verification under 7764
division (E)~~(7)~~(6) of this section with the taxpayer's tax report 7765
or return for the taxable year or for the calendar year that 7766
includes the tax period. Failure to submit a copy of the 7767
certificate with the report or return does not invalidate a claim 7768
for a credit if the taxpayer submits a copy of the certificate to 7769
the commissioner or superintendent within sixty days after the 7770
commissioner or superintendent requests it. 7771

(I) For the purposes of this section, a taxpayer may include 7772
a partnership, a corporation that has made an election under 7773
subchapter S of chapter one of subtitle A of the Internal Revenue 7774

distributive share to its owners. A partnership, S-corporation, or 7776
other such business entity may elect to pass the credit received 7777
under this section through to the persons to whom the income or 7778
profit of the partnership, S-corporation, or other entity is 7779
distributed. The election shall be made on the annual report 7780
required under division (E)~~(6)~~(5) of this section. The election 7781
applies to and is irrevocable for the credit for which the report 7782
is submitted. If the election is made, the credit shall be 7783
apportioned among those persons in the same proportions as those 7784
in which the income or profit is distributed. 7785

(J) If the director of development determines that a taxpayer 7786
that received a tax credit under this section is not complying 7787

with the requirement under division (E)~~(4)~~(3) of this section, the 7788
director shall notify the tax credit authority of the 7789
noncompliance. After receiving such a notice, and after giving the 7790
taxpayer an opportunity to explain the noncompliance, the 7791
authority may terminate the agreement and require the taxpayer to 7792
refund to the state all or a portion of the credit claimed in 7793
previous years, as follows: 7794

(1) If the taxpayer maintained operations at the project site 7795
for less than or equal to the term of the credit, ~~the amount~~ 7796
~~required to be refunded shall not exceed the amount~~ an amount not 7797
to exceed one hundred per cent of the sum of any tax credits 7798
~~previously~~ allowed and received under this section. 7799

(2) If the taxpayer maintained operations at the project site 7800
longer than the term of the credit, but less than the greater of 7801
(a) the term of the credit plus three years, or (b) seven years, 7802
the amount required to be refunded shall not exceed ~~fifty~~ 7803
seventy-five per cent of the sum of any tax credits ~~previously~~ 7804
allowed and received under this section. 7805

In determining the portion of the credit to be refunded to 7806
this state, the authority shall consider the effect of market 7807
conditions on the taxpayer's project and whether the taxpayer 7808
continues to maintain other operations in this state. After making 7809
the determination, the authority shall certify the amount to be 7810
refunded to the tax commissioner. ~~The~~ or the superintendent of 7811

commissioner shall make an assessment for that amount against the 7813
taxpayer under Chapter 5733., 5747., or 5751. of the Revised Code. 7814
If the taxpayer is an insurance company, the superintendent of 7815
insurance shall make an assessment under section 5725.222 or 7816
5729.102 of the Revised Code. The time limitations on assessments 7817
under those chapters and sections do not apply to an assessment 7818
under this division, but the commissioner or superintendent shall 7819

make the assessment within one year after the date the authority 7820
certifies to the commissioner or superintendent the amount to be 7821
refunded. 7822

~~If the director of development determines that a taxpayer 7823
that received a tax credit under this section has reduced the 7824
number of employees agreed to under division (E)(5) of this 7825
section by more than ten per cent, the director shall notify the 7826
tax credit authority of the noncompliance. After receiving such 7827
notice, and after providing the taxpayer an opportunity to explain 7828
the noncompliance, the authority may amend the agreement to reduce 7829
the percentage or term of the tax credit. The reduction in the 7830
percentage or term shall take effect in the taxable year, or in 7831
the calendar year that includes the tax period, in which the 7832
authority amends the agreement. 7833~~

(K) The director of development, after consultation with the 7834
tax commissioner and the superintendent of insurance and in 7835
accordance with Chapter 119. of the Revised Code, shall adopt 7836
rules necessary to implement this section. The rules may provide 7837

fees to cover administrative costs of the tax credit program. The 7839
fees collected shall be credited to the tax incentive programs 7840
operating fund created in section 122.174 of the Revised Code. At 7841
the time the director gives public notice under division (A) of 7842
section 119.03 of the Revised Code of the adoption of the rules, 7843
the director shall submit copies of the proposed rules to the 7844
chairpersons of the standing committees on economic development in 7845
the senate and the house of representatives. 7846

section. The report shall include information on the number of 7851

agreements that were entered into under this section during the 7852
preceding calendar year, a description of the project that is the 7853
subject of each such agreement, and an update on the status of 7854
projects under agreements entered into before the preceding 7855
calendar year. 7856

applicable corporation and its related members in an amount equal 7858
to the applicable difference. The credit is in addition to the 7859
credit granted to the corporation or related members under 7860
division (B) of this section. The credit is subject to divisions 7861
(B) to (E) and division (J) of this section. 7862~~

for the tax year immediately following the taxable year during 7867
which the person fails to meet the requirements in divisions 7868
(A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled 7869
to the credit allowed under division (M) of this section for any 7870
tax year for which the person is not eligible for the credit 7871
provided under division (B) of this section. The aggregate amount 7872
of tax credits issued under this section during any calendar year 7873

the director of development, on or after January 1, 2009, but 8249
before January 1, 2014, may certify a motion picture produced by a 8250
motion picture production company as a tax credit-eligible 8251

purpose of computing the credit amounts under division (D) of this 8259
section. 8260

The director of development shall not certify a motion 8261
picture production as a tax credit-eligible production unless the 8262
motion picture production company and a financially responsible 8263
affiliate of the company formally agree to reimburse this state 8264
for the amount of tax credits allowed and claimed under section 8265
5747.66 of the Revised Code on the basis of expenditures that are 8266
certified under division (H) of this section but thereafter are 8267
determined not to qualify as eligible production expenditures. The 8268
reimbursement shall be in a form and amount acceptable to the 8269
director of development. For the purposes of this division, a 8270
financially responsible affiliate of a motion picture production 8271
company is a person related to the motion picture production 8272
company by direct or indirect ownership or control of a majority 8273
of the capital stock or other equity interests and that the 8274
director of development determines to be financially capable of 8275
reimbursing this state as required by this division. 8276

(C) A motion picture production company shall apply for 8277

following information: 8281

<u>(4) The total production budget of the motion picture;</u>	8288
<u>(5) The amount expended in this state by the company directly</u>	8289
<u>for the production and the percentage that amount is of the total</u>	8290
<u>production budget of the motion picture;</u>	8291
<u>(6) The total percentage of principal photography of the</u>	8292
<u>motion picture being shot in Ohio;</u>	8293
<u>(7) The level of employment of cast and crew who reside in</u>	8294
<u>Ohio;</u>	8295
<u>(8) A synopsis of the script;</u>	8296
<u>(9) A creative elements list that includes the names of the</u>	8297
<u>principal cast and crew, and the producer and director.</u>	8298
<u>(D) Upon application by a qualifying investor, the director</u>	8299
<u>of development shall determine the qualifying investor's base</u>	8300
<u>investment, and shall issue a tax credit certificate to the</u>	8301
<u>qualifying investor. The director shall prescribe the form and</u>	8302
<u>manner of the application; the information or documentation</u>	8303
<u>required to be submitted with the application; and the form and</u>	8304
<u>manner of issuing the certificate. The director shall assign a</u>	8305
<u>unique identifying number to each tax credit certificate and shall</u>	8306
<u>record the certificate in a register devised and maintained by the</u>	8307
<u>director for that purpose. The certificate shall state the amount</u>	8308
<u>of the qualifying investor's base investment and the total amount</u>	8309
<u>of the credit allowed, which shall equal twenty-five per cent of</u>	8310

<u>per year, and not more than twenty-five million dollars in tax</u>	8313
<u>credit certificates may be issued per tax credit-eligible</u>	8314

The credit amount shall be determined under this division on 8316
the basis of the base investment and on the basis of the eligible 8317
production expenditures as finally determined under division (H) 8318
of this section. Once the eligible production expenditures are 8319
finally determined under that division, the credit amount is not 8320
subject to adjustment unless the base investment amount is 8321
adjusted or unless an error was committed in the computation of 8322
the credit amount. 8323

(E) If a qualifying investor is a pass-through entity as 8324
defined in section 5733.04 of the Revised Code, the pass-through 8325
entity may allocate the credit amount among persons with an equity 8326
interest in the entity in any proportion or manner provided in the 8327
partnership agreement or other governing instrument of the entity, 8328
notwithstanding any application of the principles of section 704 8329
of the Internal Revenue Code. Upon allocation, the persons to 8330
which the credit is allocated become the certificate owners of 8331
their respective allocated shares of the credit. The pass-through 8332
entity shall certify to the transfer agent the allocated share 8333
allocated to each such person and provide such information as is 8334
necessary to allow the transfer agent to provide the statements 8335
and certifications required under division (G) of this section. 8336

(F) Any certificate owner may transfer to any other person 8337
all or a portion of the credit amount owned by the certificate 8338
owner. Upon transfer, the transferee becomes the certificate owner 8339
of the credit amount transferred. The transferor shall notify the 8340
transfer agent of each transfer made by the transferor in 8341
accordance with rules prescribed by the director of development. 8342
The rules shall require the transferor to provide to the transfer 8343
agent the identity of the transferee and the unique identifying 8344
number assigned to the tax credit certificate that corresponds 8345
with the credit amount transferred. 8346

(G) Each motion picture production company that has a motion 8347

picture production certified as a tax credit-eligible production 8348
shall designate itself or another person as the transfer agent for 8349
the purpose of providing the statements and certifications 8350
required under this division. Upon making the designation, the 8351
motion picture production company shall provide notice of the 8352
designation to each certificate owner of a certificate issued with 8353
respect to investments made in the company's motion picture 8354
production. Before claiming a credit under section 5747.66 of the 8355
Revised Code, a certificate owner shall request from the transfer 8356
agent a statement certifying the certificate owner's share of the 8357
credit amount, and the transfer agent shall provide the statement 8358
to the certificate owner. The statement shall be in a form 8359
prescribed by the director of development. The transfer agent also 8360
shall provide a statement to the tax commissioner showing the 8361
identity of the certificate owner and the certificate owner's 8362
share of the credit amount. The statement shall be in a form 8363
prescribed by the tax commissioner. A tax credit may not be 8364
claimed by a certificate owner unless the transfer agent issues 8365
the statement to the certificate owner. 8366

(H) Each motion picture production company that has a motion 8367
picture production certified as a tax credit-eligible production 8368
shall engage, at the company's expense, an independent certified 8369
public accountant to examine the company's production expenditures 8370
to identify the expenditures that qualify as eligible production 8371
expenditures. The certified public accountant shall issue a report 8372
to the company and to the director of development certifying the 8373
company's eligible production expenditures and any other 8374
information required by the director. Upon receiving and examining 8375
the report, the director may disallow any expenditure the director 8376
determines is not an eligible production expense. If the director 8377
disallows an expenditure, the director, not later than thirty days 8378
after receiving the report, shall issue a written notice to the 8379
motion picture production company stating that the expenditure is 8380

disallowed, the reason for the disallowance, and the manner in 8381
which an appeal of the disallowance may be made. If the director 8382
does not issue the notice within the prescribed time, the eligible 8383
production expenditures certified by the certified public 8384
accountant's report are conclusively determined to be the eligible 8385
production expenditures on the basis of which base investments are 8386
determined and the credit is allowed under section 5747.66 of the 8387
Revised Code. 8388

The company, not later than thirty days after issuance of the 8389
notice, may appeal the disallowance by filing a notice of appeal 8390
with the director. If a notice of appeal is properly and timely 8391
filed, the director shall schedule a hearing on the appeal. The 8392
company shall be given the opportunity to present evidence and 8393
testimony at the hearing regarding the disallowed expenditures. 8394
The hearing may be continued from time to time as necessary. On 8395
the basis of evidence or testimony presented by the company, the 8396
director, within thirty days after the conclusion of the hearing, 8397
may revise or affirm the initial notice of disallowance of 8398
expenditures and issue a final notice to the company stating the 8399
revision or affirmation. The director's final notice is not 8400
appealable. 8401

(I)(1) No credit shall be allowed under section 5747.66 of 8402
the Revised Code on the basis of any expenditure unless the 8403
expenditure has been certified by a certified public accountant 8404
under division (H) of this section and has not been disallowed by 8405
the director of development under that division. 8406

(2) A credit shall not be disallowed under section 5747.66 of 8407
the Revised Code if, after the director of development issues the 8408
final notice under division (H) of this section, it is discovered 8409
that the credit is claimed on the basis of expenditures that do 8410
not qualify as eligible production expenditures but that were 8411
certified as eligible production expenditures by the certified 8412

public accountant and not disallowed by the director. 8413

(J) This state reserves the right to refuse the use of this 8414
state's name in the credits of any tax credit-eligible motion 8415
picture production. 8416

(K) The director of development shall adopt rules for the 8417
administration of this section, including rules governing the 8418
criteria for determining whether a motion picture production is a 8419
tax credit eligible production, which criteria shall be developed 8420
by the director in consultation with the tax commissioner; 8421
expenditures that qualify as eligible production expenditures; the 8422
form and manner of certifications by transfer agents; 8423
reimbursement requirements under division (B) of this section; and 8424
the appeal procedure under division (H) of this section. The rules 8425
shall be adopted under Chapter 119. of the Revised Code. 8426

Sec. 122.89. (A) The director of development may execute 8427
bonds as surety for minority businesses as principals, on 8428
contracts with the state, any political subdivision or 8429
instrumentality thereof, or any person as the obligee. The 8430
director as surety may exercise all the rights and powers of a 8431
company authorized by the department of insurance to execute bonds 8432

company under Title XXXIX of the Revised Code nor to any rules of 8434
the department of insurance. 8435

(B) The director, with the advice of the minority development 8436
financing advisory board, shall adopt rules under Chapter 119. of 8437
the Revised Code establishing procedures for application for 8438
surety bonds by minority businesses and for review and approval of 8439
applications. The board shall review each application in 8440
accordance with the rules and, based on the bond worthiness of 8441
each applicant, shall refer all qualified applicants to the 8442
director. Based on the recommendation of the board, the director 8443

shall determine whether or not the applicant shall receive 8444
bonding. 8445

~~(C) The rules of the board shall provide that the minority 8446
business, in order to make an application for a bond to the 8447
director, shall submit documentation, as the director requires, to 8448
demonstrate either that a minority business shall have been denied 8449
a bond by two surety companies or that the minority business has 8450
applied to two surety companies for a bond and, at the expiration 8451
of sixty days after making the application, has neither received 8452
nor been denied a bond. 8453~~

~~(D)~~ The rules of the board shall require the minority 8454
business to pay a premium in advance for the bond to be 8455
established by the director, with the advice of the board after 8456
the director receives advice from the superintendent of insurance 8457
regarding the standard market rates for premiums for similar 8458
bonds. All premiums paid by minority businesses shall be paid into 8459
the minority business bonding program administrative and loss 8460
reserve fund. 8461

~~(E)(D) The rules of the board shall provide for a retainage 8462
of money paid to the minority business of fifteen per cent for a 8463

Sec. 124.03. (A) The state personnel board of review shall exercise the following powers and perform the following duties:

(1) Hear appeals, as provided by law, of employees in the classified state service from final decisions of appointing authorities or the director of administrative services relative to reduction in pay or position, job abolishments, layoff, suspension, discharge, assignment or reassignment to a new or different position classification, or refusal of the director, or anybody authorized to perform the director's functions, to

reassign an employee to another classification or to reclassify 8881

(D) of section 124.14 of the Revised Code. As used in this 8883
division, "discharge" includes disability separations. 8884

The state personnel board of review may affirm, disaffirm, or 8885

~~board's~~ decisions of the state personnel board of review shall be 8888
consistent with the applicable classification specifications. 8889

The state personnel board of review shall not be deprived of 8890

4117. of the Revised Code or instruments and contracts negotiated 8900
under it, such placements are at the ~~board's~~ discretion of the 8901

The mere failure of an employee's appointing authority to 8903
file a statement with the department of administrative services 8904
indicating that the employee is in the unclassified civil service, 8905
or the mere late filing of such a statement, does not prevent the 8906
state personnel board of review from determining that the employee 8907
is in the unclassified civil service. In determining whether an 8908
employee is in the unclassified civil service, the state personnel 8909
board of review shall consider the inherent nature of the duties 8910

immediately preceding the appointing authority's appealable action 8912

relating to the employee. 8913

In any hearing before the state personnel board of review, 8914

basis of an appeal to a court, an employee may be represented by a 8916
person permitted to practice before the state personnel board of 8917
review who is not an attorney at law as long as the person does 8918
not receive any compensation from the employee for the 8919
representation. 8920

the commission, as applicable, by rule, shall require an applicant 9320
for registration in the labor class to furnish evidence or take 9321
tests as the director or commission considers proper with respect 9322
to age, residence, physical condition, ability to labor, honesty, 9323
sobriety, industry, capacity, and experience in the work or 9324
employment for which application is made. Laborers who fulfill the 9325
requirements shall be placed on the eligible list for the kind of 9326
labor or employment sought, and preference shall be given in 9327
employment in accordance with the rating received from that 9328
evidence or in those tests. Upon the request of an appointing 9329
officer, stating the kind of labor needed, the pay and probable 9330
length of employment, and the number to be employed, the director 9331
or commission, as applicable, shall certify from the highest on 9332
the list double the number to be employed; from this number, the 9333
appointing officer shall appoint the number actually needed for 9334
the particular work. If more than one applicant receives the same 9335
rating, priority in time of application shall determine the order 9336
in which their names shall be certified for appointment. 9337

(C) A municipal or civil service township civil service 9338
commission may place volunteer firefighters who are paid on a 9339
fee-for-service basis in either the classified or the unclassified 9340
civil service. 9341

(D) This division does not apply to persons in the 9342
unclassified service who have the right to resume positions in the 9343
classified service under sections 4121.121, 5119.071, 5120.38, 9344
5120.381, 5120.382, 5123.08, 5139.02, and 5501.19 of the Revised 9345
Code. 9346

An appointing authority whose employees are paid directly by 9347
warrant of the director of budget and management may appoint a 9348
person who holds a certified position in the classified service 9349
within the appointing authority's agency to a position in the 9350
unclassified service within that agency. A person appointed 9351
pursuant to this division to a position in the unclassified 9352
service shall retain the right to resume the position and status 9353
held by the person in the classified service immediately prior to 9354
the person's appointment to the position in the unclassified 9355
service, regardless of the number of positions the person held in 9356
the unclassified service. An employee's right to resume a position 9357
in the classified service may only be exercised when an appointing 9358
authority demotes the employee to a pay range lower than the 9359
employee's current pay range or revokes the employee's appointment 9360
to the unclassified service. An employee forfeits the right to 9361
resume a position in the classified service when the employee is 9362
removed from the position in the unclassified service due to 9363
incompetence, inefficiency, dishonesty, drunkenness, immoral 9364
conduct, insubordination, discourteous treatment of the public, 9365
neglect of duty, violation of this chapter or the rules of the 9366
director of administrative services, any other failure of good 9367
behavior, any other acts of misfeasance, malfeasance, or 9368
nonfeasance in office, or conviction of a felony. An employee also 9369
forfeits the right to resume a position in the classified service 9370
upon transfer to a different agency. 9371

Reinstatement to a position in the classified service shall 9372
be to a position substantially equal to that position in the 9373
classified service held previously, as certified by the director 9374
of administrative services. If the position the person previously 9375
held in the classified service has been placed in the unclassified 9376
service or is otherwise unavailable, the person shall be appointed 9377
to a position in the classified service within the appointing 9378
authority's agency that the director of administrative services 9379

certifies is comparable in compensation to the position the person 9380
previously held in the classified service. Service in the position 9381
in the unclassified service shall be counted as service in the 9382
position in the classified service held by the person immediately 9383
prior to the person's appointment to the position in the 9384
unclassified service. When a person is reinstated to a position in 9385
the classified service as provided in this division, the person is 9386
entitled to all rights, status, and benefits accruing to the 9387
position in the classified service during the person's time of 9388
service in the position in the unclassified service. 9389

Sec. 124.134. (A) Each full-time permanent state employee 9390
paid in accordance with section 124.152 of the Revised Code and 9391
those employees listed in divisions (B)(2) and (4) of section 9392
124.14 of the Revised Code, ~~after service of one year, shall have~~ 9393
~~earned and will be due upon the attainment of the first year of~~ 9394
~~employment, and annually thereafter, eighty hours of vacation~~ 9395
~~leave with full pay. One year of service shall be computed on the~~ 9396
~~basis of twenty six biweekly pay periods. A full time permanent~~ 9397
~~state employee with five or more years of service shall have~~ 9398
~~earned and is entitled to one hundred twenty hours of vacation~~ 9399
~~leave with full pay. A full time permanent state employee with ten~~ 9400
~~or more years of service shall have earned and is entitled to one~~ 9401
~~hundred sixty hours of vacation leave with full pay. A full time~~ 9402
~~permanent state employee with fifteen or more years of service~~ 9403
~~shall have earned and is entitled to one hundred eighty hours of~~ 9404
~~vacation leave with full pay. A full time permanent state employee~~ 9405
~~with twenty or more years of service shall have earned and is~~ 9406
~~entitled to two hundred hours of vacation leave with full pay. A~~ 9407
~~full time permanent state employee with twenty five or more years~~ 9408
~~of service shall have earned and is entitled to two hundred forty~~ 9409
~~hours of vacation leave with full pay. Such vacation leave shall~~ 9410
~~accrue to the employee at the rate of three and one tenth hours~~ 9411

~~each biweekly period for those entitled to eighty hours per year;~~ 9412
~~four and six tenths hours each biweekly period for those entitled~~ 9413
~~to one hundred twenty hours per year; six and two tenths hours~~ 9414
~~each biweekly period for those entitled to one hundred sixty hours~~ 9415
~~per year; six and nine tenths hours each biweekly period for those~~ 9416
~~entitled to one hundred eighty hours per year; seven and~~ 9417
~~seven tenths hours each biweekly period for those entitled to two~~ 9418
~~hundred hours per year; and nine and two tenths hours each~~ 9419
~~biweekly period for those entitled to two hundred forty hours per~~ 9420
~~year shall be credited with vacation leave with full pay according~~ 9421
~~to length of service and accruing at a corresponding rate per~~ 9422
~~biweekly pay period, as follows:~~ 9423

<u>Length of Service</u>	<u>Accrual Rate Per Pay Period</u>	9424
<u>Less than 4 years</u>	<u>3.1 hours</u>	9425
<u>4 but less than 9 years</u>	<u>4.6 hours</u>	9426
<u>9 but less than 14 years</u>	<u>6.2 hours</u>	9427
<u>14 but less than 19 years</u>	<u>6.9 hours</u>	9428
<u>19 but less than 24 years</u>	<u>7.7 hours</u>	9429
<u>24 years or more</u>	<u>9.2 hours</u>	9430

Fifty-two weeks equal one year of service. 9431

The amount of an employee's service shall be determined in 9432
accordance with the standard specified in section 9.44 of the 9433
Revised Code. Credit for prior service, including an increased 9434
vacation accrual rate and longevity supplement, shall take effect 9435
during the first pay period that begins immediately following the 9436
date the director of administrative services approves granting 9437
credit for that prior service. No employee, other than an employee 9438
who submits proof of prior service within ninety days after the 9439
date of the employee's hiring, shall receive any amount of 9440
vacation leave for the period prior to the date of the director's 9441
approval of the grant of credit for prior service. 9442

Part-time permanent employees who are paid in accordance with 9443

section 124.152 of the Revised Code and full-time permanent 9444
employees subject to this section who are in active pay status for 9445
less than eighty hours in a pay period shall earn vacation leave 9446
on a prorated basis. The ratio between the hours worked and the 9447
vacation hours earned by these classes of employees shall be the 9448
same as the ratio between the hours worked and the vacation hours 9449
earned by a full-time permanent employee with the same amount of 9450
service as provided for in this section. 9451

Vacation leave is not available for use until it appears on 9452
the employee's earning statement and the compensation described in 9453
the earning statement is available to the employee. An employee 9454
may begin using accrued vacation leave upon completion of the 9455
employee's initial probation period. 9456

(B) Employees granted leave under this section shall forfeit 9457
their right to take or to be paid for any vacation leave to their 9458
credit which is in excess of the accrual for three years. Any 9459
excess leave shall be eliminated from the employees' leave 9460
balance. If an employee's vacation leave credit is at, or will 9461
reach in the immediately following pay period, the maximum of the 9462
accrual for three years and the employee has been denied the use 9463
of vacation leave during the immediately preceding twelve months, 9464
the employee, at the employee's request, shall be paid in a pay 9465
period for the vacation leave the employee was denied, up to the 9466
maximum amount the employee would be entitled to be paid for in 9467
any pay period. An employee is not entitled to receive payment for 9468
vacation leave denied in any pay period in which the employee's 9469
vacation leave credit is not at, or will not reach in the 9470
immediately following pay period, the maximum of accrual for three 9471
years. Any vacation leave for which an employee receives payment 9472
shall be deducted from the employee's vacation leave balance. 9473
Payment shall not be made for any leave accrued in the same 9474
calendar year in which the payment is made. 9475

(C) Upon separation from state service, an employee granted 9476
leave under this section is entitled to compensation at the 9477
employee's current rate of pay for all unused vacation leave 9478
accrued under this section or section 124.13 of the Revised Code 9479
to the employee's credit. In case of transfer of an employee from 9480
one state agency to another, the employee shall retain the accrued 9481
and unused vacation leave. In case of the death of an employee, 9482
the unused vacation leave shall be paid in accordance with section 9483
2113.04 of the Revised Code, or to the employee's estate. An 9484
employee serving in a temporary work level who is eligible to 9485
receive compensation under this division shall be compensated at 9486
the base rate of pay of the employee's normal classification. 9487

Sec. 124.14. (A)(1) The director of administrative services 9488
shall establish, and may modify or rescind, by rule, a job 9489
classification plan for all positions, offices, and employments 9490
the salaries of which are paid in whole or in part by the state. 9491
The director shall group jobs within a classification so that the 9492
positions are similar enough in duties and responsibilities to be 9493
described by the same title, to have the same pay assigned with 9494
equity, and to have the same qualifications for selection applied. 9495
The director shall, by rule, assign a classification title to each 9496
classification within the classification plan. However, the 9497
director shall consider in establishing classifications, including 9498
classifications with parenthetical titles, and assigning pay 9499
ranges such factors as duties performed only on one shift, special 9500
skills in short supply in the labor market, recruitment problems, 9501
separation rates, comparative salary rates, the amount of training 9502
required, and other conditions affecting employment. The director 9503
shall describe the duties and responsibilities of the class, 9504
establish the qualifications for being employed in each position 9505
in the class, and file with the secretary of state a copy of 9506
specifications for all of the classifications. The director shall 9507

file new, additional, or revised specifications with the secretary 9508
of state before they are used. 9509

The director shall, by rule, assign each classification, 9510
either on a statewide basis or in particular counties or state 9511
institutions, to a pay range established under section 124.15 or 9512
section 124.152 of the Revised Code. The director may assign a 9513
classification to a pay range on a temporary basis for a period of 9514
six months. The director may establish, by rule adopted under 9515
Chapter 119. of the Revised Code, experimental classification 9516
plans for some or all employees paid directly by warrant of the 9517
director of budget and management. The rule shall include 9518
specifications for each classification within the plan and shall 9519
specifically address compensation ranges, and methods for 9520
advancing within the ranges, for the classifications, which may be 9521
assigned to pay ranges other than the pay ranges established under 9522
section 124.15 or 124.152 of the Revised Code. 9523

(2) The director of administrative services may reassign to a 9524
proper classification those positions that have been assigned to 9525
an improper classification. If the compensation of an employee in 9526
such a reassigned position exceeds the maximum rate of pay for the 9527
employee's new classification, the employee shall be placed in pay 9528
step X and shall not receive an increase in compensation until the 9529
maximum rate of pay for that classification exceeds the employee's 9530
compensation. 9531

(3) The director may reassign an exempt employee, as defined 9532
in section 124.152 of the Revised Code, to a bargaining unit 9533
classification if the director determines that the bargaining unit 9534
classification is the proper classification for that employee. 9535
Notwithstanding Chapter 4117. of the Revised Code or instruments 9536
and contracts negotiated under it, these placements are at the 9537
director's discretion. 9538

(4) The director shall, by rule, assign related 9539

classifications, which form a career progression, to a 9540
classification series. The director shall, by rule, assign each 9541
classification in the classification plan a five-digit number, the 9542
first four digits of which shall denote the classification series 9543
to which the classification is assigned. When a career progression 9544
encompasses more than ten classifications, the director shall, by 9545
rule, identify the additional classifications belonging to a 9546
classification series. The additional classifications shall be 9547
part of the classification series, notwithstanding the fact that 9548
the first four digits of the number assigned to the additional 9549
classifications do not correspond to the first four digits of the 9550
numbers assigned to other classifications in the classification 9551
series. 9552

(5) The director, ~~in accordance with rules adopted under~~ 9553
~~Chapter 119. of the Revised Code, shall establish, and may~~ 9554
establish, modify, or rescind, a classification plan for county 9555
agencies that elect not to use the services and facilities of a 9556
county personnel department. The director shall establish any such 9557
classification plan by means of rules adopted under Chapter 119. 9558
of the Revised Code. The rules shall include a methodology for the 9559
establishment of titles unique to county agencies, the use of 9560
state classification titles and classification specifications for 9561
common positions, the criteria for a county to meet in 9562
establishing its own classification plan, and the establishment of 9563
what constitutes a classification series for county agencies. The 9564
director may assess a county agency that chooses to use the 9565
classification plan a usage fee the director determines. All usage 9566
fees the department of administrative services receives shall be 9567
paid into the state treasury to the credit of the human resources 9568
fund created in section 124.07 of the Revised Code. 9569

(B) Division (A) of this section and sections 124.15 and 9570
124.152 of the Revised Code do not apply to the following persons, 9571

positions, offices, and employments:	9572
(1) Elected officials;	9573
(2) Legislative employees, employees of the legislative service commission, employees in the office of the governor, employees who are in the unclassified civil service and exempt from collective bargaining coverage in the office of the secretary of state, auditor of state, treasurer of state, and attorney general, and employees of the supreme court;	9574 9575 9576 9577 9578 9579
(3) Employees of a county children services board that establishes compensation rates under section 5153.12 of the Revised Code;	9580 9581 9582
(4) Any position for which the authority to determine compensation is given by law to another individual or entity;	9583 9584
(5) Employees of the bureau of workers' compensation whose compensation the administrator of workers' compensation establishes under division (B) of section 4121.121 of the Revised Code.	9585 9586 9587 9588
(C) The director may employ a consulting agency to aid and assist the director in carrying out this section.	9589 9590
(D)(1) When the director proposes to modify a classification or the assignment of classes to appropriate pay ranges, the director shall send written notice of the proposed rule to the appointing authorities of the affected employees thirty days before a hearing on the proposed rule. The appointing authorities shall notify the affected employees regarding the proposed rule. The director also shall send those appointing authorities notice of any final rule that is adopted within ten days after adoption.	9591 9592 9593 9594 9595 9596 9597 9598
(2) When the director proposes to reclassify any employee so that the employee is adversely affected, the director shall give to the employee affected and to the employee's appointing	9599 9600 9601

authority a written notice setting forth the proposed new 9602
classification, pay range, and salary. Upon the request of any 9603
classified employee who is not serving in a probationary period, 9604
the director shall perform a job audit to review the 9605
classification of the employee's position to determine whether the 9606
position is properly classified. The director shall give to the 9607
employee affected and to the employee's appointing authority a 9608
written notice of the director's determination whether or not to 9609
reclassify the position or to reassign the employee to another 9610
classification. An employee or appointing authority desiring a 9611
hearing shall file a written request for the hearing with the 9612
state personnel board of review within thirty days after receiving 9613
the notice. The board shall set the matter for a hearing and 9614
notify the employee and appointing authority of the time and place 9615
of the hearing. The employee, the appointing authority, or any 9616
authorized representative of the employee who wishes to submit 9617
facts for the consideration of the board shall be afforded 9618
reasonable opportunity to do so. After the hearing, the board 9619
shall consider anew the reclassification and may order the 9620
reclassification of the employee and require the director to 9621
assign the employee to such appropriate classification as the 9622
facts and evidence warrant. As provided in division (A)(1) of 9623
section 124.03 of the Revised Code, the board may determine the 9624
most appropriate classification for the position of any employee 9625
coming before the board, with or without a job audit. The board 9626
shall disallow any reclassification or reassignment classification 9627
of any employee when it finds that changes have been made in the 9628
duties and responsibilities of any particular employee for 9629
political, religious, or other unjust reasons. 9630

(E)(1) Employees of each county department of job and family 9631
services shall be paid a salary or wage established by the board 9632
of county commissioners. The provisions of section 124.18 of the 9633
Revised Code concerning the standard work week apply to employees 9634

of county departments of job and family services. A board of 9635
county commissioners may do either of the following: 9636

(a) Notwithstanding any other section of the Revised Code, 9637
supplement the sick leave, vacation leave, personal leave, and 9638
other benefits of any employee of the county department of job and 9639
family services of that county, if the employee is eligible for 9640
the supplement under a written policy providing for the 9641
supplement; 9642

(b) Notwithstanding any other section of the Revised Code, 9643
establish alternative schedules of sick leave, vacation leave, 9644
personal leave, or other benefits for employees not inconsistent 9645
with the provisions of a collective bargaining agreement covering 9646
the affected employees. 9647

(2) Division (E)(1) of this section does not apply to 9648
employees for whom the state employment relations board 9649
establishes appropriate bargaining units pursuant to section 9650
4117.06 of the Revised Code, except in either of the following 9651
situations: 9652

(a) The employees for whom the state employment relations 9653
board establishes appropriate bargaining units elect no 9654
representative in a board-conducted representation election. 9655

(b) After the state employment relations board establishes 9656
appropriate bargaining units for such employees, all employee 9657
organizations withdraw from a representation election. 9658

(F)(1) Notwithstanding any contrary provision of sections 9659
124.01 to 124.64 of the Revised Code, the board of trustees of 9660
each state university or college, as defined in section 3345.12 of 9661
the Revised Code, shall carry out all matters of governance 9662
involving the officers and employees of the university or college, 9663
including, but not limited to, the powers, duties, and functions 9664
of the department of administrative services and the director of 9665

administrative services specified in this chapter. Officers and 9666
employees of a state university or college shall have the right of 9667
appeal to the state personnel board of review as provided in this 9668
chapter. 9669

(2) Each board of trustees shall adopt rules under section 9670
111.15 of the Revised Code to carry out the matters of governance 9671
described in division (F)(1) of this section. Until the board of 9672
trustees adopts those rules, a state university or college shall 9673
continue to operate pursuant to the applicable rules adopted by 9674
the director of administrative services under this chapter. 9675

(G)(1) Each board of county commissioners may, by a 9676
resolution adopted by a majority of its members, establish a 9677
county personnel department to exercise the powers, duties, and 9678
functions specified in division (G) of this section. As used in 9679

duties of the state personnel board of review, which powers and 9690
duties shall not be construed as having been modified or 9691

commissioners is the appointing authority or co-appointing 9694

9968
9969

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. An appointing authority that appoints employees in the service of the state, with the approval of the director of administrative services and the director of budget and management, may establish payments to employees for uniforms, tools, equipment, and other requirements of the department and payments for the maintenance of them. 9970

The director of administrative services may review collective bargaining agreements entered into under Chapter 4117. of the Revised Code that cover employees in the service of the state and 9986
9987
9988

determine whether certain benefits or payments provided to the 9989
employees covered by those agreements should also be provided to 9990
employees in the service of the state who are exempt from 9991
collective bargaining coverage and are paid in accordance with 9992
section 124.152 of the Revised Code or are listed in division 9993
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 9994
the review, the director of administrative services, with the 9995
approval of the director of budget and management, may provide to 9996
some or all of these employees any payment or benefit, except for 9997
salary, contained in such a collective bargaining agreement even 9998
if it is similar to a payment or benefit already provided by law 9999
to some or all of these employees. Any payment or benefit so 10000
provided shall not exceed the highest level for that payment or 10001
benefit specified in such a collective bargaining agreement. The 10002
director of administrative services shall not provide, and the 10003
director of budget and management shall not approve, any payment 10004
or benefit to such an employee under this division unless the 10005
payment or benefit is provided pursuant to a collective bargaining 10006
agreement to a state employee who is in a position with similar 10007
duties as, is supervised by, or is employed by the same appointing 10008
authority as, the employee to whom the benefit or payment is to be 10009
provided. 10010

As used in this division, "payment or benefit already 10011
provided by law" includes, but is not limited to, bereavement, 10012
personal, vacation, administrative, and sick leave, disability 10013
benefits, holiday pay, and pay supplements provided under the 10014
Revised Code, but does not include wages or salary. 10015

(E) New employees paid in accordance with schedule B of 10016
division (A) of this section or schedule E-1 of section 124.152 of 10017
the Revised Code shall be employed at the minimum rate established 10018
for the range unless otherwise provided. Employees with 10019
qualifications that are beyond the minimum normally required for 10020

the position and that are determined by the director to be 10021
exceptional may be employed in, or may be transferred or promoted 10022
to, a position at an advanced step of the range. Further, in time 10023
of a serious labor market condition when it is relatively 10024
impossible to recruit employees at the minimum rate for a 10025
particular classification, the entrance rate may be set at an 10026
advanced step in the range by the director of administrative 10027
services. This rate may be limited to geographical regions of the 10028
state. Appointments made to an advanced step under the provision 10029
regarding exceptional qualifications shall not affect the step 10030
assignment of employees already serving. However, anytime the 10031
hiring rate of an entire classification is advanced to a higher 10032
step, all incumbents of that classification being paid at a step 10033
lower than that being used for hiring, shall be advanced beginning 10034
at the start of the first pay period thereafter to the new hiring 10035
rate, and any time accrued at the lower step will be used to 10036
calculate advancement to a succeeding step. If the hiring rate of 10037
a classification is increased for only a geographical region of 10038
the state, only incumbents who work in that geographical region 10039
shall be advanced to a higher step. When an employee in the 10040
unclassified service changes from one state position to another or 10041
is appointed to a position in the classified service, or if an 10042
employee in the classified service is appointed to a position in 10043
the unclassified service, the employee's salary or wage in the new 10044
position shall be determined in the same manner as if the employee 10045
were an employee in the classified service. When an employee in 10046
the unclassified service who is not eligible for step increases is 10047
appointed to a classification in the classified service under 10048
which step increases are provided, future step increases shall be 10049
based on the date on which the employee last received a pay 10050
increase. If the employee has not received an increase during the 10051
previous year, the date of the appointment to the classified 10052
service shall be used to determine the employee's annual step 10053

advancement eligibility date. In reassigning any employee to a 10054
classification resulting in a pay range increase or to a new pay 10055
range as a result of a promotion, an increase pay range 10056
adjustment, or other classification change resulting in a pay 10057
range increase, the director shall assign such employee to the 10058
step in the new pay range that will provide an increase of 10059
approximately four per cent if the new pay range can accommodate 10060
the increase. When an employee is being assigned to a 10061
classification or new pay range as the result of a class plan 10062
change, if the employee has completed a probationary period, the 10063
employee shall be placed in a step no lower than step two of the 10064
new pay range. If the employee has not completed a probationary 10065
period, the employee may be placed in step one of the new pay 10066
range. Such new salary or wage shall become effective on such date 10067
as the director determines. 10068

(F) If employment conditions and the urgency of the work 10069
require such action, the director of administrative services may, 10070
upon the application of a department head, authorize payment at 10071
any rate established within the range for the class of work, for 10072
work of a casual or intermittent nature or on a project basis. 10073
Payment at such rates shall not be made to the same individual for 10074
more than three calendar months in any one calendar year. Any such 10075
action shall be subject to the approval of the director of budget 10076
and management as to the availability of funds. This section and 10077
sections 124.14 and 124.152 of the Revised Code do not repeal any 10078
authority of any department or public official to contract with or 10079
fix the compensation of professional persons who may be employed 10080
temporarily for work of a casual nature or for work on a project 10081
basis. 10082

(G)(1) Except as provided in ~~division~~ divisions (G)(2) and 10083
(3) of this section, each state employee paid in accordance with 10084
schedule B of this section or schedule E-1 of section 124.152 of 10085

the Revised Code shall be eligible for advancement to succeeding 10086
steps in the range for the employee's class or grade according to 10087
the schedule established in this division. Beginning on the first 10088
day of the pay period within which the employee completes the 10089
prescribed probationary period in the employee's classification 10090
with the state, each employee shall receive an automatic salary 10091
adjustment equivalent to the next higher step within the pay range 10092
for the employee's class or grade. 10093

~~Each~~ Except as provided in divisions (G)(2) and (3) of this 10094
section, each employee paid in accordance with schedule E-1 of 10095
section 124.152 of the Revised Code shall be eligible to advance 10096
to the next higher step until the employee reaches the top step in 10097
the range for the employee's class or grade, if the employee has 10098
maintained satisfactory performance in accordance with criteria 10099
established by the employee's appointing authority. Those step 10100
advancements shall not occur more frequently than once in any 10101
twelve-month period. 10102

~~When an employee is promoted or reassigned to a higher pay~~ 10103
~~range, the employee's step indicator shall return to "0" or be~~ 10104
~~adjusted to account for a probationary period, as appropriate.~~ 10105
When an employee is promoted, the step entry date shall be set to 10106
account for a probationary period. When an employee is reassigned 10107
to a higher pay range, the step entry date shall be set to allow 10108
an employee who is not at the highest step of the range to receive 10109
a step advancement one year from the reassignment date. Step 10110
advancement shall not be affected by demotion. A promoted employee 10111
shall advance to the next higher step of the pay range on the 10112
first day of the pay period in which the required probationary 10113

in writing on or before ~~July 1, 2003~~ July 1, 2009. 10155

(3) Employees in intermittent positions shall be employed at 10156
the minimum rate established for the pay range for their 10157

appointed at any rate within the appropriate pay range. This rate 10162
of pay may be adjusted higher or lower within the respective pay 10163
range at any time the appointing authority so desires as long as 10164
the adjustment is based on the employee's ability to successfully 10165
administer those duties assigned to the employee. Salary 10166
adjustments shall not be made more frequently than once in any 10167
six-month period under this provision to incumbents holding the 10168
same position and classification. 10169

the employee may be compensated, upon request of the department 10171
head and with the approval of the director of administrative 10172
services, at a rate not to exceed fifty per cent in excess of the 10173
employee's current base rate for the period of time spent on that 10174
duty. 10175

(J) Unless compensation for members of a board or commission 10176
is otherwise specifically provided by law, the director of 10177
administrative services shall establish the rate and method of 10178

schedules listed in section 124.152 of the Revised Code. 10180

(K) Regular full-time employees in positions assigned to 10181
classes within the instruction and education administration series 10182
under the rules of the director of administrative services, except 10183
certificated employees on the instructional staff of the state 10184
school for the blind or the state school for the deaf, whose 10185
positions are scheduled to work on the basis of an academic year 10186
rather than a full calendar year, shall be paid according to the 10187
pay range assigned by such rules but only during those pay periods 10188
included in the academic year of the school where the employee is 10189
located. 10190

(1) Part-time or substitute teachers or those whose period of 10191
employment is other than the full academic year shall be 10192

(2) Employees governed by this division are exempt from 10195
sections 124.13 and 124.19 of the Revised Code. 10196

(3) Length of service for the purpose of determining 10197
eligibility for step advancements as provided by division (G) of 10198
this section and for the purpose of determining eligibility for 10199
longevity pay supplements as provided by division (E) of section 10200
124.181 of the Revised Code shall be computed on the basis of one 10201
full year of service for the completion of each academic year. 10202

(L) The superintendent of the state school for the deaf and 10203

subject to the approval of the superintendent of public 10205
instruction, carry out both of the following: 10206

(1) Annually, between the first day of April and the last day 10207
of June, establish for the ensuing fiscal year a schedule of 10208
hourly rates for the compensation of each certificated employee on 10209
the instructional staff of that superintendent's respective school 10210
constructed as follows: 10211

(a) Determine for each level of training, experience, and other professional qualification for which an hourly rate is set forth in the current schedule, the per cent that rate is of the rate set forth in such schedule for a teacher with a bachelor's degree and no experience. If there is more than one such rate for such a teacher, the lowest rate shall be used to make the computation.

(b) Determine which six city, local, and exempted village school districts with territory in Franklin county have in effect on, or have adopted by, the first day of April for the school year that begins on the ensuing first day of July, teacher salary schedules with the highest minimum salaries for a teacher with a bachelor's degree and no experience;

(c) Divide the sum of such six highest minimum salaries by ten thousand five hundred sixty;

(d) Multiply each per cent determined in division (L)(1)(a) of this section by the quotient obtained in division (L)(1)(c) of this section;

(e) One hundred five per cent of each product thus obtained shall be the hourly rate for the corresponding level of training, experience, or other professional qualification in the schedule for the ensuing fiscal year.

If an employee is employed on the basis of an academic year, the employee's annual salary shall be calculated by multiplying the employee's assigned hourly rate times one thousand seven hundred sixty. If an employee is not employed on the basis of an

academic year, the employee's annual salary shall be calculated in 10243
accordance with the following formula: 10244

(a) Multiply the number of days the employee is required to 10245
work pursuant to the employee's contract by eight; 10246

(b) Multiply the product of division (L)(2)(a) of this 10247
section by the employee's assigned hourly rate. 10248

Each employee shall be paid an annual salary in biweekly 10249
installments. The amount of each installment shall be calculated 10250
by dividing the employee's annual salary by the number of biweekly 10251
installments to be paid during the year. 10252

Sections 124.13 and 124.19 of the Revised Code do not apply 10253
to an employee who is paid under this division. 10254

As used in this division, "academic year" means the number of 10255
days in each school year that the schools are required to be open 10256
for instruction with pupils in attendance. Upon completing an 10257
academic year, an employee paid under this division shall be 10258
deemed to have completed one year of service. An employee paid 10259
under this division is eligible to receive a pay supplement under 10260
division (L)(1), (2), or (3) of section 124.181 of the Revised 10261
Code for which the employee qualifies, but is not eligible to 10262

section. An employee paid under this division is eligible to 10264
receive a pay supplement under division (L)(6) of section 124.181 10265
of the Revised Code for which the employee qualifies, except that 10266
the supplement is not limited to a maximum of five per cent of the 10267
employee's regular base salary in a calendar year. 10268

(M) Division (A) of this section does not apply to "exempt 10269
employees," as defined in section 124.152 of the Revised Code, who 10270
are paid under that section. 10271

Notwithstanding any other provisions of this chapter, when an 10272
employee transfers between bargaining units or transfers out of or 10273

into a bargaining unit, the director of administrative services 10274
shall establish the employee's compensation and adjust the maximum 10275
leave accrual schedule as the director deems equitable. 10276

Sec. 124.152. (A)(1) Except as provided in divisions (A)(2) 10277

remains in the position the employee held as of July 1, 2003. 10295

(b) Except as provided in division (A)(3)(c) of this section, 10296

~~(H)~~(D) As used in this section, "exempt employee" means a permanent full-time or permanent part-time employee paid directly by warrant of the director of budget and management whose position is included in the job classification plan established under division (A) of section 124.14 of the Revised Code but who is not considered a public employee for the purposes of Chapter 4117. of the Revised Code. As used in this section, "exempt employee" also includes a permanent full-time or permanent part-time employee of the secretary of state, auditor of state, treasurer of state, or attorney general who has not been placed in an appropriate bargaining unit by the state employment relations board.

Sec. 124.18. (A) Forty hours shall be the standard work week for all employees whose salary or wage is paid in whole or in part by the state or by any state-supported college or university. When any employee whose salary or wage is paid in whole or in part by the state or by any state-supported college or university is required by an authorized administrative authority to be in an active pay status more than forty hours in any calendar week, the employee shall be compensated for such time over forty hours, except as otherwise provided in this section, at one and one-half times the employee's regular rate of pay. The use of sick leave or any leave used in lieu of sick leave shall not be considered to be active pay status for the purposes of earning overtime or compensatory time by employees whose wages are paid directly by

warrant of the director of budget and management. A flexible-hours 10596
employee is not entitled to compensation for overtime work unless 10597
the employee's authorized administrative authority required the 10598
employee to be in active pay status for more than forty hours in a 10599
calendar week, regardless of the number of hours the employee 10600
works on any day in the same calendar week. 10601

Such compensation for overtime work shall be paid no later 10602
than at the conclusion of the next succeeding pay period. 10603

If the employee elects to take compensatory time off in lieu 10604
of overtime pay for any overtime worked, such compensatory time 10605
shall be granted by the employee's administrative superior, on a 10606
time and one-half basis, at a time mutually convenient to the 10607
employee and the administrative superior. Compensatory time is not 10608
available for use until it appears on the employee's earning 10609
statement and the compensation described in the earning statement 10610
is available to the employee. 10611

An employee may accrue compensatory time to a maximum of two 10612
hundred forty hours, except that public safety employees and other 10613
employees who meet the criteria established in the "Federal Fair 10614
Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, 10615
as amended, may accrue a maximum of four hundred eighty hours of 10616
compensatory time. An employee shall be paid at the employee's 10617
regular rate of pay for any hours of compensatory time accrued in 10618
excess of these maximum amounts if the employee has not used the 10619
compensatory time within ~~one~~ three hundred ~~eighty~~ sixty-five days 10620
after it is granted, if the employee transfers to another agency 10621
of the state, or if a change in the employee's status exempts the 10622
employee from the payment of overtime compensation. Upon the 10623
termination of employment, any employee with accrued but unused 10624
compensatory time shall be paid for that time at a rate that is 10625
the greater of the employee's final regular rate of pay or the 10626
employee's average regular rate of pay during the employee's last 10627

three years of employment with the state. 10628

No overtime, as described in this section, can be paid unless 10629
it has been authorized by the authorized administrative authority. 10630
Employees may be exempted from the payment of compensation as 10631
required by this section only under the criteria for exemption 10632
from the payment of overtime compensation established in the 10633
"Federal Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 10634
U.S.C.A. 207, 213, as amended. With the approval of the director 10635
of administrative services, the appointing authority may establish 10636
a policy to grant compensatory time or to pay compensation to 10637
state employees who are exempt from overtime compensation. With 10638
the approval of the board of county commissioners, a county human 10639
services department may establish a policy to grant compensatory 10640
time or to pay compensation to employees of the department who are 10641
exempt from overtime compensation. 10642

(B)(1) An employee, whose salary or wage is paid in whole or 10643
in part by the state, shall be paid for the holidays declared in 10644
section 124.19 of the Revised Code and shall not be required to 10645
work on those holidays, unless, in the opinion of the employee's 10646
responsible administrative authority, failure to work on those 10647
holidays would impair the public service. ~~An~~ 10648

fourth day of July, the fourth Thursday in November, or the 10652
twenty-fifth day of December and who does not report to work the 10653
day before, the day of, or the day after the holiday due to an 10654
illness of the employee or of a member of the employee's immediate 10655
family shall not receive holiday pay as provided by this division, 10656
unless the employee can provide documentation of extenuating 10657
circumstances that prohibited the employee from so reporting to 10658
work. ~~An~~ If the employee works a shift between the employee's 10659

scheduled shift and the holiday, the employee shall be paid for 10660
the holiday. 10661

(3) An employee also shall not be paid for a holiday unless 10662
the employee was in active pay status on the scheduled work day 10663
immediately preceding the holiday, except that an employee need 10664
not be in active pay status on that work day in order to be paid 10665
for the holiday if the employee is participating in a mandatory or 10666
voluntary cost savings day under section 124.392 of the Revised 10667
Code. 10668

~~(2)~~(4) If any of the holidays declared in section 124.19 of 10669
the Revised Code falls on Saturday, the Friday immediately 10670

requirements of a seven-days-a-week work operation shall observe 10675
holidays on the actual days specified in section 124.19 of the 10676
Revised Code. 10677

~~(3)~~(5) If an employee's work schedule is other than Monday 10678
through Friday, the employee shall be entitled to eight hours of 10679
holiday pay for holidays observed on the employee's day off 10680
regardless of the day of the week on which they are observed. 10681

~~(4)~~(6) A full-time permanent employee is entitled to a 10682
minimum of eight hours of pay for each holiday regardless of the 10683
employee's work shift and work schedule. A flexible-hours 10684
employee, who is normally scheduled to work in excess of eight 10685
hours on a day on which a holiday falls, either shall be required 10686
to work an alternate schedule for that week or shall receive 10687
additional holiday pay for the hours the employee is normally 10688
scheduled to work. Such an alternate schedule may require a 10689
flexible-hours employee to work five shifts consisting of eight 10690
hours each during the week including the holiday, and, in that 10691

case, the employee shall receive eight hours of holiday pay for 10692
the day the holiday is observed. 10693

~~(5) Part-time (7) Except as provided under section 124.392 of 10694
the Revised Code, part-time permanent employees shall receive four 10695
hours of holiday pay on a pro-rated basis, based upon the daily 10696
average of actual hours worked, excluding overtime hours worked, 10697
in the previous calendar quarter. The figure shall be calculated 10698
for the preceding calendar quarter on the first day of January, 10699
April, July, and October of each year regardless of the employee's 10700
work shift and work schedule. 10701~~

~~(6)(8) When an employee who is eligible for overtime pay 10702
under this section is required by the employee's responsible 10703
administrative authority to work on the day observed as a holiday, 10704
the employee shall be entitled to pay for such time worked at one 10705
and one-half times the employee's regular rate of pay in addition 10706
to the employee's regular pay, or to be granted compensatory time 10707
off at time and one-half thereafter, at the employee's option. 10708
Payment at such rate shall be excluded in the calculation of hours 10709
in active pay status. 10710~~

(C) Each appointing authority may designate the number of 10711
employees in an agency who are flexible-hours employees. The 10712
appointing authority may establish for each flexible-hours 10713
employee a specified minimum number of hours to be worked each day 10714
that is consistent with the "Federal Fair Labor Standards Act of 10715
1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended. 10716

(D) This section shall be uniformly administered for 10717
employees as defined in section 124.01 of the Revised Code and by 10718
the personnel departments of state-supported colleges and 10719
universities for employees of state-supported colleges and 10720

director of budget and management, the political subdivision shall 10722
determine whether the use of sick leave shall be considered to be 10723

active pay status for purposes of those employees earning overtime 10724
or compensatory time. 10725

(E) Policies relating to the payment of overtime pay or the 10726
granting of compensatory time off shall be adopted by the chief 10727
administrative officer of the house of representatives for 10728
employees of the house of representatives, by the clerk of the 10729
senate for employees of the senate, and by the director of the 10730
legislative service commission for all other legislative 10731
employees. 10732

(F) As used in this section, "regular rate of pay" means the 10733
base rate of pay an employee receives plus any pay supplements 10734
received pursuant to section 124.181 of the Revised Code. 10735

Sec. 124.181. (A) Except as provided in ~~division~~ divisions 10736

classified service, that are not filled by promotion, transfer, or 11219
reduction, as provided in sections 124.01 to 124.64 of the Revised 11220
Code and the rules of the director prescribed under those 11221
sections, shall be made only from those persons whose names are 11222
certified to the appointing authority, and no employment, except 11223
as provided in those sections, shall be otherwise given in the 11224
classified service of this state or any political subdivision of 11225
the state. 11226

(C) All original and promotional appointments, including 11227
appointments made pursuant to section 124.30 of the Revised Code, 11228
but not intermittent appointments, shall be for a probationary 11229
period, not less than sixty days nor more than one year, to be 11230

fixed by the rules of the director, except as provided in section 11231
124.231 of the Revised Code, and except for original appointments 11232
to a police department as a police officer or to a fire department 11233
as a firefighter which shall be for a probationary period of one 11234
year. No appointment or promotion is final until the appointee has 11235
satisfactorily served the probationary period. If the service of 11236
the probationary employee is unsatisfactory, the employee may be 11237
removed or reduced at any time during the probationary period. If 11238
the appointing authority decides to remove a probationary employee 11239
in the service of the state, the appointing authority shall 11240
communicate to the director the reason for that decision. A 11241
probationary employee duly removed or reduced in position for 11242
unsatisfactory service does not have the right to appeal the 11243
removal or reduction under section 124.34 of the Revised Code. 11244

Sec. 124.321. (A) Whenever it becomes necessary for an 11245
appointing authority to reduce its work force, the appointing 11246
authority shall lay off employees or abolish their positions in 11247
accordance with sections 124.321 to 124.327 of the Revised Code 11248
~~and. If the affected work force is in the service of the state,~~ 11249
~~the reduction shall also be in compliance with~~ the rules of the 11250
director of administrative services. 11251

(B)(1) Employees may be laid off as a result of a lack of 11252
funds within an appointing authority. For appointing authorities 11253
that employ persons whose salary or wage is paid by warrant of the 11254
director of budget and management, the director of budget and 11255
management shall be responsible for determining, consistent with 11256
the rules adopted under division (B)(3) of this section, whether a 11257
lack of funds exists. For appointing authorities that employ 11258
persons whose salary or wage is paid other than by warrant of the 11259
director of budget and management, the appointing authority itself 11260
shall determine whether a lack of funds exists ~~and shall file a~~ 11261
~~statement of rationale and supporting documentation with the~~ 11262

~~director of administrative services prior to sending the layoff
notice.~~ 11263
11264

(2) As used in this division, a "lack of funds" means an 11265
appointing authority has a current or projected deficiency of 11266
funding to maintain current, or to sustain projected, levels of 11267
staffing and operations. This section does not require any 11268
transfer of money between funds in order to offset a deficiency or 11269
projected deficiency of funding for programs funded by the federal 11270
government, special revenue accounts, or proprietary accounts. 11271
Whenever a program receives funding through a grant or similar 11272
mechanism, a lack of funds shall be presumed for the positions 11273
assigned to and the employees who work under the grant or similar 11274
mechanism if, for any reason, the funding is reduced or withdrawn. 11275
11276

(3) The director of budget and management shall adopt rules, 11277
under Chapter 119. of the Revised Code, for agencies whose 11278
employees are paid by warrant of the director of budget and 11279
management, for determining whether a lack of funds exists. 11280

(C)(1) Employees may be laid off as a result of lack of work 11281
within an appointing authority. For appointing authorities whose 11282
employees are paid by warrant of the director of budget and 11283
management, the director of administrative services shall 11284
determine, consistent with the rules adopted under division (F) of 11285
this section, whether a lack of work exists. All other appointing 11286
authorities shall themselves determine whether a lack of work 11287
exists ~~and shall file a statement of rationale and supporting~~ 11288
~~documentation with the director of administrative services prior~~ 11289
~~to sending the layoff notice.~~ 11290

(2) As used in this division, a "lack of work" means an 11291
appointing authority has a current or projected decrease in 11292
workload that requires a reduction of current or projected 11293
staffing levels in its organization or structure. The 11294

determination of a lack of work shall indicate the current or 11295
projected decrease in workload and whether the current or 11296
projected staffing levels of the appointing authority will be 11297
excessive. 11298

(D)(1) Employees may be laid off as a result of abolishment 11299
of positions. As used in this division, "abolishment" means the 11300
deletion of a position or positions from the organization or 11301
structure of an appointing authority. 11302

For purposes of this division, an appointing authority may 11303
abolish positions for any one or any combination of the following 11304
reasons: as a result of a reorganization for the efficient 11305
operation of the appointing authority, for reasons of economy, or 11306
for lack of work. 11307

(2)(a) Reasons of economy permitting an appointing authority 11308
to abolish a position and to lay off the holder of that position 11309
under this division shall be determined at the time the appointing 11310
authority proposes to abolish the position. The reasons of economy 11311
shall be based on the appointing authority's estimated amount of 11312
savings with respect to salary, benefits, and other matters 11313
associated with the abolishment of the position, except that the 11314
reasons of economy associated with the position's abolishment 11315
instead may be based on the appointing authority's estimated 11316
amount of savings with respect to salary and benefits only, if: 11317

(i) Either the appointing authority's operating appropriation 11318
has been reduced by an executive or legislative action, or the 11319
appointing authority has a current or projected deficiency in 11320
funding to maintain current or projected levels of staffing and 11321
operations; and 11322

(ii) In the case of a position in the service of the state, 11323
it files a notice of the position's abolishment with the director 11324
of administrative services within one year of the occurrence of 11325

the applicable circumstance described in division (D)(2)(a)(i) of 11326
this section. 11327

(b) The following principles apply when a circumstance 11328
described in division (D)(2)(a)(i) of this section would serve to 11329
authorize an appointing authority to abolish a position and to lay 11330
off the holder of the position under this division based on the 11331
appointing authority's estimated amount of savings with respect to 11332
salary and benefits only: 11333

(i) The position's abolishment shall be done in good faith 11334
and not as a subterfuge for discipline. 11335

(ii) If a circumstance affects a specific program only, the 11336
appointing authority only may abolish a position within that 11337
program. 11338

(iii) If a circumstance does not affect a specific program 11339
only, the appointing authority may identify a position that it 11340
considers appropriate for abolishment based on the reasons of 11341
economy. 11342

(3) Each appointing authority shall determine itself whether 11343
any position should be abolished. An appointing authority 11344
abolishing any position in the service of the state shall file a 11345
statement of rationale and supporting documentation with the 11346
director of administrative services prior to sending the notice of 11347
abolishment. 11348

If an abolishment results in a reduction of the work force, 11349
the appointing authority shall follow the procedures for laying 11350
off employees, subject to the following modifications: 11351

(a) The employee whose position has been abolished shall have 11352
the right to fill an available vacancy within the employee's 11353
classification. 11354

(b) If the employee whose position has been abolished has 11355

more retention points than any other employee serving in the same 11356
classification, the employee with the fewest retention points 11357
shall be displaced. 11358

(c) If the employee whose position has been abolished has the 11359
fewest retention points in the classification, the employee shall 11360
have the right to fill an available vacancy in a lower 11361
classification in the classification series. 11362

(d) If the employee whose position has been abolished has the 11363
fewest retention points in the classification, the employee shall 11364
displace the employee with the fewest retention points in the next 11365
or successively lower classification in the classification series. 11366

(E) Notwithstanding any contrary provision of the 11367
displacement procedure described in section 124.324 of the Revised 11368
Code for employees to displace other employees during a layoff, 11369
the director of administrative services or a county appointing 11370
authority may establish a paper lay-off process under which 11371
employees who are to be laid off or displaced may be required, 11372
before the date of their paper layoff, to preselect their options 11373
for displacing other employees. 11374

(F) The director of administrative services shall adopt rules 11375
under Chapter 119. of the Revised Code for the determination of 11376
lack of work within an appointing authority, for the abolishment 11377
of positions by an appointing authority, and for the 11378
implementation of this section as it relates to positions in the 11379
service of the state. 11380

Sec. 124.324. (A) A laid-off employee has the right to 11381
displace the employee with the fewest retention points in the 11382
following order: 11383

(1) Within the classification from which the employee was 11384
laid off; 11385

(2) Within the classification series from which the employee was laid off; 11386
11387

(3) Within the classification the employee held immediately prior to holding the classification from which the employee was laid off, except that the employee may not displace employees in a classification if the employee does not meet the minimum qualifications of the classification or if the employee last held the classification more than three years prior to the date on which the employee was laid off. 11388
11389
11390
11391
11392
11393
11394

If, after exercising displacement rights, an employee is subject to further layoff action, the employee's displacement rights shall be in accordance with the classification from which the employee was first laid off. 11395
11396
11397
11398

The director of administrative services shall verify the calculation of the retention points of all employees in the service of the state in an affected classification in accordance with section 124.325 of the Revised Code. 11399
11400
11401
11402

(B) Following the order of layoff, an employee laid off in the classified civil service shall displace another employee within the same appointing authority or independent institution and layoff jurisdiction in the following manner: 11403
11404
11405
11406

(1) Each laid-off employee possessing more retention points shall displace the employee with the fewest retention points in the next lower classification or successively lower classification in the same classification series. 11407
11408
11409
11410

(2) Any employee displaced by an employee possessing more retention points shall displace the employee with the fewest retention points in the next lower classification or successively lower classification in the same classification series. This process shall continue, if necessary, until the employee with the fewest retention points in the lowest classification of the 11411
11412
11413
11414
11415
11416

classification series of the same appointing authority or 11417
independent institution has been reached and, if necessary, laid 11418
off. 11419

(C) Employees shall notify the appointing authority of their 11420
intention to exercise their displacement rights, within five days 11421
after receiving notice of layoff. This division does not apply if 11422
the director of administrative services has established a paper 11423
lay-off process pursuant to division (E) of section 124.321 of the 11424
Revised Code that includes a different notification requirement 11425
for employees exercising their displacement rights under that 11426
process. 11427

(D) No employee shall displace an employee for whose position 11428
or classification there are certain position-specific minimum 11429
qualifications, as established by the appointing authority and 11430
reviewed for validity by the department of administrative 11431
services, or as established by bona fide occupational 11432
qualification, unless the employee desiring to displace another 11433
employee possesses the requisite position-specific minimum 11434
qualifications for the position or classification. 11435

(E) If an employee exercising displacement rights must 11436
displace an employee in another county within the same layoff 11437
district, the displacement shall not be construed to be a 11438
transfer. 11439

(F) The director of administrative services shall adopt rules 11440
under Chapter 119. of the Revised Code for the implementation of 11441
this section as it relates to positions in the service of the 11442
state. 11443

Sec. 124.325. (A) Retention points to reflect the length of 11444
continuous service and efficiency in service for all employees 11445
affected by a layoff shall be verified by the director of 11446
administrative services for positions in the service of the state. 11447

(B) An employee's length of continuous service will be 11448
carried from one layoff jurisdiction to another so long as no 11449
break in service occurs between transfers or appointments. 11450

(C) If two or more employees have an identical number of 11451
retention points, employees having the shortest period of 11452
continuous service shall be laid off first. 11453

(D)(1) As used in this division, "affected employee" means a 11454
city employee who becomes a county employee, or a county employee 11455
who becomes a city employee, as the result of any of the 11456
following: 11457

(a) The merger of a city and a county office; 11458

(b) The merger of city and county functions or duties; 11459

(c) The transfer of functions or duties between a city and 11460
county. 11461

(2) For purposes of this section, the new employer of any 11462
affected employee shall treat the employee's prior service with a 11463
former employer as if it had been served with the new employer. 11464

(E) The director of administrative services shall adopt rules 11465
in accordance with Chapter 119. of the Revised Code to establish a 11466
system for the assignment of retention points for each employee in 11467
the service of the state in a classification affected by a layoff 11468
and for determining, in those instances where employees in the 11469
service of the state have identical retention points, which 11470
employee shall be laid off first. 11471

Sec. 124.34. (A) The tenure of every officer or employee in 11472
the classified service of the state and the counties, civil 11473
service townships, cities, city health districts, general health 11474
districts, and city school districts of the state, holding a 11475
position under this chapter, shall be during good behavior and 11476
efficient service. No officer or employee shall be reduced in pay 11477

or position, fined, suspended, or removed, or have the officer's 11478
or employee's longevity reduced or eliminated, except as provided 11479
in section 124.32 of the Revised Code, and for incompetency, 11480
inefficiency, dishonesty, drunkenness, immoral conduct, 11481
insubordination, discourteous treatment of the public, neglect of 11482
duty, violation of any policy or work rule of the officer's or 11483
employee's appointing authority, violation of this chapter or the 11484
rules of the director of administrative services or the 11485
commission, any other failure of good behavior, any other acts of 11486
misfeasance, malfeasance, or nonfeasance in office, or conviction 11487
of a felony. The denial of a one-time pay supplement or a bonus to 11488
an officer or employee is not a reduction in pay for purposes of 11489
this section. 11490

This section does not apply to any modifications or 11491
reductions in pay authorized by section 124.392 of the Revised 11492
Code. 11493

An appointing authority may require an employee who is 11494
suspended to report to work to serve the suspension. An employee 11495
serving a suspension in this manner shall continue to be 11496
compensated at the employee's regular rate of pay for hours 11497
worked. The disciplinary action shall be recorded in the 11498
employee's personnel file in the same manner as other disciplinary 11499
actions and has the same effect as a suspension without pay for 11500
the purpose of recording disciplinary actions. 11501

A finding by the appropriate ethics commission, based upon a 11502
preponderance of the evidence, that the facts alleged in a 11503
complaint under section 102.06 of the Revised Code constitute a 11504
violation of Chapter 102., section 2921.42, or section 2921.43 of 11505
the Revised Code may constitute grounds for dismissal. Failure to 11506
file a statement or falsely filing a statement required by section 11507
102.02 of the Revised Code may also constitute grounds for 11508
dismissal. The tenure of an employee in the career professional 11509

service of the department of transportation is subject to section 11510
5501.20 of the Revised Code. 11511

Conviction of a felony is a separate basis for reducing in 11512
pay or position, suspending, or removing an officer or employee, 11513
even if the officer or employee has already been reduced in pay or 11514
position, suspended, or removed for the same conduct that is the 11515
basis of the felony. An officer or employee may not appeal to the 11516
state personnel board of review or the commission any disciplinary 11517
action taken by an appointing authority as a result of the 11518
officer's or employee's conviction of a felony. If an officer or 11519
employee removed under this section is reinstated as a result of 11520
an appeal of the removal, any conviction of a felony that occurs 11521
during the pendency of the appeal is a basis for further 11522
disciplinary action under this section upon the officer's or 11523
employee's reinstatement. 11524

A person convicted of a felony immediately forfeits the 11525
person's status as a classified employee in any public employment 11526
on and after the date of the conviction for the felony. If an 11527
officer or employee is removed under this section as a result of 11528
being convicted of a felony or is subsequently convicted of a 11529
felony that involves the same conduct that was the basis for the 11530
removal, the officer or employee is barred from receiving any 11531
compensation after the removal notwithstanding any modification or 11532
disaffirmance of the removal, unless the conviction for the felony 11533
is subsequently reversed or annulled. 11534

Any person removed for conviction of a felony is entitled to 11535
a cash payment for any accrued but unused sick, personal, and 11536
vacation leave as authorized by law. If subsequently reemployed in 11537
the public sector, the person shall qualify for and accrue these 11538
forms of leave in the manner specified by law for a newly 11539
appointed employee and shall not be credited with prior public 11540
service for the purpose of receiving these forms of leave. 11541

As used in this division, "felony" means any of the 11542
following: 11543

(1) A felony that is an offense of violence as defined in 11544
section 2901.01 of the Revised Code; 11545

(2) A felony that is a felony drug abuse offense as defined 11546
in section 2925.01 of the Revised Code; 11547

(3) A felony under the laws of this or any other state or the 11548
United States that is a crime of moral turpitude; 11549

(4) A felony involving dishonesty, fraud, or theft; 11550

(5) A felony that is a violation of section 2921.05, 2921.32, 11551
or 2921.42 of the Revised Code. 11552

(B) In case of a reduction, a suspension of forty or more 11553
work hours in the case of an employee exempt from the payment of 11554
overtime compensation, a suspension of twenty-four or more work 11555
hours in the case of an employee required to be paid overtime 11556
compensation, a fine of forty or more hours' pay in the case of an 11557
employee exempt from the payment of overtime compensation, a fine 11558
of twenty-four or more hours' pay in the case of an employee 11559
required to be paid overtime compensation, or removal, except for 11560
the reduction or removal of a probationary employee, the 11561
appointing authority shall serve the employee with a copy of the 11562
order of reduction, fine, suspension, or removal, which order 11563
shall state the reasons for the action. 11564

Within ten days following the date on which the order is 11565
served or, in the case of an employee in the career professional 11566
service of the department of transportation, within ten days 11567
following the filing of a removal order, the employee, except as 11568
otherwise provided in this section, may file an appeal of the 11569
order in writing with the state personnel board of review or the 11570
commission. For purposes of this section, the date on which an 11571
order is served is the date of hand delivery of the order or the 11572

date of delivery of the order by certified United States mail, 11573
whichever occurs first. If an appeal is filed, the board or 11574
commission shall forthwith notify the appointing authority and 11575
shall hear, or appoint a trial board to hear, the appeal within 11576
thirty days from and after its filing with the board or 11577
commission. The board, commission, or trial board may affirm, 11578
disaffirm, or modify the judgment of the appointing authority. 11579
However, in an appeal of a removal order based upon a violation of 11580
a last chance agreement, the board, commission, or trial board may 11581
only determine if the employee violated the agreement and thus 11582
affirm or disaffirm the judgment of the appointing authority. 11583

In cases of removal or reduction in pay for disciplinary 11584
reasons, either the appointing authority or the officer or 11585
employee may appeal from the decision of the state personnel board 11586
of review or the commission, and any such appeal shall be to the 11587
court of common pleas of the county in which the appointing 11588
authority is located, or to the court of common pleas of Franklin 11589
county, as provided by section 119.12 of the Revised Code. 11590

(C) In the case of the suspension for any period of time, or 11591
a fine, demotion, or removal, of a chief of police, a chief of a 11592
fire department, or any member of the police or fire department of 11593
a city or civil service township, who is in the classified civil 11594
service, the appointing authority shall furnish the chief or 11595
member with a copy of the order of suspension, fine, demotion, or 11596
removal, which order shall state the reasons for the action. The 11597
order shall be filed with the municipal or civil service township 11598
civil service commission. Within ten days following the filing of 11599
the order, the chief or member may file an appeal, in writing, 11600
with the commission. If an appeal is filed, the commission shall 11601
forthwith notify the appointing authority and shall hear, or 11602
appoint a trial board to hear, the appeal within thirty days from 11603
and after its filing with the commission, and it may affirm, 11604

disaffirm, or modify the judgment of the appointing authority. An 11605
appeal on questions of law and fact may be had from the decision 11606
of the commission to the court of common pleas in the county in 11607
which the city or civil service township is situated. The appeal 11608
shall be taken within thirty days from the finding of the 11609
commission. 11610

(D) A violation of division (A)(7) of section 2907.03 of the 11611
Revised Code is grounds for termination of employment of a 11612
nonteaching employee under this section. 11613

(E) As used in this section, "last chance agreement" means an 11614
agreement signed by both an appointing authority and an officer or 11615
employee of the appointing authority that describes the type of 11616
behavior or circumstances that, if it occurs, will automatically 11617
lead to removal of the officer or employee without the right of 11618
appeal to the state personnel board of review or the appropriate 11619
commission. 11620

Sec. 124.381. Each (A)(1)(a) An employee in the service of 11621
the state may be eligible to receive salary continuation not to 11622
exceed four hundred eighty hours at the employee's total rate of 11623
pay for absence as a result of injury incurred during the 11624
performance of, or arising out of, state employment. When an 11625
eligible employee's absence as a result of such an injury extends 11626
beyond four hundred eighty hours, the employee immediately becomes 11627
subject to sections 124.382 and 124.385 of the Revised Code 11628
regarding sick leave and disability leave benefits. 11629

An employee is ineligible to receive salary continuation 11630
until the date of implementation is established in the rules 11631
adopted under division (C)(1) of this section. 11632

(b) Employees of the secretary of state, auditor of state, 11633
treasurer of state, attorney general, supreme court, general 11634
assembly, or legislative service commission are not subject to 11635

division (A)(1)(a) of this section unless the relevant appointing authority notifies the director of administrative services in writing of the intent to have all of the appointing authority's employees participate in salary continuation. The relevant appointing authority also may discontinue salary continuation for all of its employees by providing written notice of the discontinuation to the director.

Participation in salary continuation is subject to rules adopted under division (C)(1) of this section.

shall accrue to the fund. The director of administrative services 12242
shall administer the fund in accordance with the respective 12243
collective bargaining agreements and may adopt rules for the 12244
purpose of this administration. 12245

Sec. 124.95. (A) As used in this section, "state agency" has 12246
the meaning defined in section 1.60 of the Revised Code, but does 12247
not include any court or judicial agency, the general assembly or 12248

and (2) of section 125.09 of the Revised Code for determining if a 12289
product is produced or mined in the United States and if a product 12290
is produced or mined in this state. The department or other state 12291
agency shall first remove bids that offer products that have not 12292
been or that will not be produced or mined in the United States. 12293
From among the remaining bids, the department or other state 12294
agency shall select the lowest responsive and responsible bid, in 12295
accordance with section 9.312 of the Revised Code, from among the 12296
bids that offer products that have been produced or mined in this 12297
state where sufficient competition can be generated within this 12298
state to ensure that compliance with these requirements will not 12299
result in an excessive price for the product or acquiring a 12300
disproportionately inferior product. If there are ~~two~~ four or more 12301
qualified bids that offer products that have been produced or 12302
mined in this state, it shall be deemed that there is sufficient 12303
competition to prevent an excessive price for the product or the 12304
acquiring of a disproportionately inferior product. 12305

division (B) of section 125.04 of the Revised Code, a system of 12313
preferences for products mined and produced in this state and in 12314
the United States and for Ohio-based contractors. The model act 12315
shall reflect substantial equivalence to the system of preferences 12316

in purchasing and public improvement contracting procedures under 12317
which the state operates pursuant to this chapter and section 12318
153.012 of the Revised Code. To the maximum extent possible, 12319

public improvement contracting procedures, the model act shall 12321
incorporate all of the requirements of the federal "Buy America 12322
Act," 47 Stat. 1520 (1933), 41 U.S.C. 10a to 10d, as amended, and 12323
the rules adopted under that act. 12324

Before and during the development and promulgation of the 12325
model act, the director shall consult with appropriate statewide 12326
organizations representing counties, townships, and municipal 12327
corporations so as to identify the special requirements and 12328
concerns these political subdivisions have in their purchasing and 12329
public improvement contracting procedures. The director shall 12330
promulgate the model act by rule adopted pursuant to Chapter 119. 12331
of the Revised Code and shall revise the act as necessary to 12332
reflect changes in this chapter or section 153.012 of the Revised 12333
Code. 12334

The director shall make available copies of the model act, 12335
supporting information, and technical assistance to any township, 12336
county, or municipal corporation wishing to incorporate the 12337
provisions of the act into its purchasing or public improvement 12338
contracting procedure. 12339

certified by an architect or engineer independent of any person 13277
that provided goods or services to the board in connection with 13278
the energy conservation measures that are the subject of the 13279

"peace officer" has the same meaning as in section 109.71 of the 14237
Revised Code and also includes the superintendent and troopers of 14238

(8) "Information pertaining to the recreational activities of 14267

in the ordinary course of business by a public office, that 14269
pertains to the recreational activities of a person under the age 14270
of eighteen years, and that discloses any of the following: 14271

(a) The address or telephone number of a person under the age 14272

that is exempt from the duty to permit public inspection or 14290
copying from an item that otherwise meets the definition of a 14291
"record" in section 149.011 of the Revised Code. 14292

(12) "Designee" and "elected official" have the same meanings 14293
as in section 109.43 of the Revised Code. 14294

(B)(1) Upon request and subject to division (B)(8) of this 14295
section, all public records responsive to the request shall be 14296
promptly prepared and made available for inspection to any person 14297
at all reasonable times during regular business hours. Subject to 14298
division (B)(8) of this section, upon request, a public office or 14299
person responsible for public records shall make copies of the 14300
requested public record available at cost and within a reasonable 14301
period of time. If a public record contains information that is 14302
exempt from the duty to permit public inspection or to copy the 14303

public record, the public office or the person responsible for the 14304
public record shall make available all of the information within 14305
the public record that is not exempt. When making that public 14306
record available for public inspection or copying that public 14307
record, the public office or the person responsible for the public 14308
record shall notify the requester of any redaction or make the 14309
redaction plainly visible. A redaction shall be deemed a denial of 14310
a request to inspect or copy the redacted information, except if 14311
federal or state law authorizes or requires a public office to 14312
make the redaction. 14313

(2) To facilitate broader access to public records, a public 14314
office or the person responsible for public records shall organize 14315
and maintain public records in a manner that they can be made 14316
available for inspection or copying in accordance with division 14317
(B) of this section. A public office also shall have available a 14318
copy of its current records retention schedule at a location 14319
readily available to the public. If a requester makes an ambiguous 14320
or overly broad request or has difficulty in making a request for 14321
copies or inspection of public records under this section such 14322
that the public office or the person responsible for the requested 14323
public record cannot reasonably identify what public records are 14324
being requested, the public office or the person responsible for 14325
the requested public record may deny the request but shall provide 14326
the requester with an opportunity to revise the request by 14327
informing the requester of the manner in which records are 14328
maintained by the public office and accessed in the ordinary 14329
course of the public office's or person's duties. 14330

(3) If a request is ultimately denied, in part or in whole, 14331
the public office or the person responsible for the requested 14332
public record shall provide the requester with an explanation, 14333
including legal authority, setting forth why the request was 14334
denied. If the initial request was provided in writing, the 14335

explanation also shall be provided to the requester in writing. 14336
The explanation shall not preclude the public office or the person 14337
responsible for the requested public record from relying upon 14338
additional reasons or legal authority in defending an action 14339
commenced under division (C) of this section. 14340

(4) Unless specifically required or authorized by state or 14341
federal law or in accordance with division (B) of this section, no 14342
public office or person responsible for public records may limit 14343
or condition the availability of public records by requiring 14344
disclosure of the requester's identity or the intended use of the 14345
requested public record. Any requirement that the requester 14346
disclose the requestor's identity or the intended use of the 14347
requested public record constitutes a denial of the request. 14348

(5) A public office or person responsible for public records 14349
may ask a requester to make the request in writing, may ask for 14350
the requester's identity, and may inquire about the intended use 14351
of the information requested, but may do so only after disclosing 14352
to the requester that a written request is not mandatory and that 14353
the requester may decline to reveal the requester's identity or 14354
the intended use and when a written request or disclosure of the 14355
identity or intended use would benefit the requester by enhancing 14356
the ability of the public office or person responsible for public 14357
records to identify, locate, or deliver the public records sought 14358
by the requester. 14359

(6) If any person chooses to obtain a copy of a public record 14360
in accordance with division (B) of this section, the public office 14361
or person responsible for the public record may require that 14362
person to pay in advance the cost involved in providing the copy 14363
of the public record in accordance with the choice made by the 14364
person seeking the copy under this division. The public office or 14365
the person responsible for the public record shall permit that 14366
person to choose to have the public record duplicated upon paper, 14367

upon the same medium upon which the public office or person 14368
responsible for the public record keeps it, or upon any other 14369
medium upon which the public office or person responsible for the 14370
public record determines that it reasonably can be duplicated as 14371
an integral part of the normal operations of the public office or 14372
person responsible for the public record. When the person seeking 14373
the copy makes a choice under this division, the public office or 14374
person responsible for the public record shall provide a copy of 14375
it in accordance with the choice made by the person seeking the 14376
copy. Nothing in this section requires a public office or person 14377
responsible for the public record to allow the person seeking a 14378
copy of the public record to make the copies of the public record. 14379

(7) Upon a request made in accordance with division (B) of 14380
this section and subject to division (B)(6) of this section, a 14381
public office or person responsible for public records shall 14382
transmit a copy of a public record to any person by United States 14383
mail or by any other means of delivery or transmission within a 14384
reasonable period of time after receiving the request for the 14385
copy. The public office or person responsible for the public 14386
record may require the person making the request to pay in advance 14387
the cost of postage if the copy is transmitted by United States 14388
mail or the cost of delivery if the copy is transmitted other than 14389
by United States mail, and to pay in advance the costs incurred 14390
for other supplies used in the mailing, delivery, or transmission. 14391

Any public office may adopt a policy and procedures that it 14392
will follow in transmitting, within a reasonable period of time 14393
after receiving a request, copies of public records by United 14394
States mail or by any other means of delivery or transmission 14395
pursuant to this division. A public office that adopts a policy 14396
and procedures under this division shall comply with them in 14397
performing its duties under this division. 14398

In any policy and procedures adopted under this division, a 14399

public office may limit the number of records requested by a 14400
person that the office will transmit by United States mail to ten 14401
per month, unless the person certifies to the office in writing 14402
that the person does not intend to use or forward the requested 14403
records, or the information contained in them, for commercial 14404
purposes. For purposes of this division, "commercial" shall be 14405
narrowly construed and does not include reporting or gathering 14406
news, reporting or gathering information to assist citizen 14407
oversight or understanding of the operation or activities of 14408
government, or nonprofit educational research. 14409

(8) A public office or person responsible for public records 14410
is not required to permit a person who is incarcerated pursuant to 14411
a criminal conviction or a juvenile adjudication to inspect or to 14412
obtain a copy of any public record concerning a criminal 14413
investigation or prosecution or concerning what would be a 14414
criminal investigation or prosecution if the subject of the 14415
investigation or prosecution were an adult, unless the request to 14416
inspect or to obtain a copy of the record is for the purpose of 14417
acquiring information that is subject to release as a public 14418
record under this section and the judge who imposed the sentence 14419
or made the adjudication with respect to the person, or the 14420
judge's successor in office, finds that the information sought in 14421
the public record is necessary to support what appears to be a 14422
justiciable claim of the person. 14423

(9) Upon written request made and signed by a journalist on 14424
or after December 16, 1999, a public office, or person responsible 14425
for public records, having custody of the records of the agency 14426
employing a specified peace officer, parole officer, prosecuting 14427
attorney, assistant prosecuting attorney, correctional employee, 14428
youth services employee, firefighter, ~~or~~ EMT, or investigator of 14429
the bureau of criminal identification and investigation shall 14430
disclose to the journalist the address of the actual personal 14431

residence of the peace officer, parole officer, prosecuting attorney, assistant prosecuting attorney, correctional employee, youth services employee, firefighter, ~~or~~ EMT, or investigator of the bureau of criminal identification and investigation and, if the peace officer's, parole officer's, prosecuting attorney's, assistant prosecuting attorney's, correctional employee's, youth services employee's, firefighter's, ~~or~~ EMT's, or investigator of the bureau of criminal identification and investigation's spouse, former spouse, or child is employed by a public office, the name and address of the employer of the peace officer's, parole officer's, prosecuting attorney's, assistant prosecuting attorney's, correctional employee's, youth services employee's, firefighter's, ~~or~~ EMT's, or investigator of the bureau of criminal identification and investigation's spouse, former spouse, or child. The request shall include the journalist's name and title and the name and address of the journalist's employer and shall state that disclosure of the information sought would be in the public interest.

As used in this division, "journalist" means a person engaged in, connected with, or employed by any news medium, including a newspaper, magazine, press association, news agency, or wire service, a radio or television station, or a similar medium, for the purpose of gathering, processing, transmitting, compiling, editing, or disseminating information for the general public.

(C)(1) If a person allegedly is aggrieved by the failure of a public office or the person responsible for public records to promptly prepare a public record and to make it available to the person for inspection in accordance with division (B) of this section or by any other failure of a public office or the person responsible for public records to comply with an obligation in accordance with division (B) of this section, the person allegedly aggrieved may commence a mandamus action to obtain a judgment that

orders the public office or the person responsible for the public 14464
record to comply with division (B) of this section, that awards 14465
court costs and reasonable attorney's fees to the person that 14466
instituted the mandamus action, and, if applicable, that includes 14467
an order fixing statutory damages under division (C)(1) of this 14468
section. The mandamus action may be commenced in the court of 14469
common pleas of the county in which division (B) of this section 14470
allegedly was not complied with, in the supreme court pursuant to 14471
its original jurisdiction under Section 2 of Article IV, Ohio 14472
Constitution, or in the court of appeals for the appellate 14473
district in which division (B) of this section allegedly was not 14474
complied with pursuant to its original jurisdiction under Section 14475
3 of Article IV, Ohio Constitution. 14476

If a requestor transmits a written request by hand delivery 14477
or certified mail to inspect or receive copies of any public 14478
record in a manner that fairly describes the public record or 14479
class of public records to the public office or person responsible 14480
for the requested public records, except as otherwise provided in 14481
this section, the requestor shall be entitled to recover the 14482
amount of statutory damages set forth in this division if a court 14483
determines that the public office or the person responsible for 14484
public records failed to comply with an obligation in accordance 14485
with division (B) of this section. 14486

The amount of statutory damages shall be fixed at one hundred 14487
dollars for each business day during which the public office or 14488
person responsible for the requested public records failed to 14489
comply with an obligation in accordance with division (B) of this 14490
section, beginning with the day on which the requester files a 14491
mandamus action to recover statutory damages, up to a maximum of 14492
one thousand dollars. The award of statutory damages shall not be 14493
construed as a penalty, but as compensation for injury arising 14494
from lost use of the requested information. The existence of this 14495

injury shall be conclusively presumed. The award of statutory damages shall be in addition to all other remedies authorized by this section.

The court may reduce an award of statutory damages or not award statutory damages if the court determines both of the following:

(a) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(b) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(2)(a) If the court issues a writ of mandamus that orders the public office or the person responsible for the public record to comply with division (B) of this section and determines that the circumstances described in division (C)(1) of this section exist, the court shall determine and award to the relator all court costs.

(b) If the court renders a judgment that orders the public

office or the person responsible for the public record to comply 14527
with division (B) of this section, the court may award reasonable 14528
attorney's fees subject to reduction as described in division 14529
(C)(2)(c) of this section. The court shall award reasonable 14530
attorney's fees, subject to reduction as described in division 14531
(C)(2)(c) of this section when either of the following applies: 14532

(i) The public office or the person responsible for the 14533
public records failed to respond affirmatively or negatively to 14534
the public records request in accordance with the time allowed 14535
under division (B) of this section. 14536

(ii) The public office or the person responsible for the 14537
public records promised to permit the relator to inspect or 14538
receive copies of the public records requested within a specified 14539
period of time but failed to fulfill that promise within that 14540
specified period of time. 14541

(c) Court costs and reasonable attorney's fees awarded under 14542
this section shall be construed as remedial and not punitive. 14543
Reasonable attorney's fees shall include reasonable fees incurred 14544
to produce proof of the reasonableness and amount of the fees and 14545
to otherwise litigate entitlement to the fees. The court may 14546
reduce an award of attorney's fees to the relator or not award 14547
attorney's fees to the relator if the court determines both of the 14548
following: 14549

(i) That, based on the ordinary application of statutory law 14550
and case law as it existed at the time of the conduct or 14551
threatened conduct of the public office or person responsible for 14552
the requested public records that allegedly constitutes a failure 14553
to comply with an obligation in accordance with division (B) of 14554
this section and that was the basis of the mandamus action, a 14555
well-informed public office or person responsible for the 14556
requested public records reasonably would believe that the conduct 14557
or threatened conduct of the public office or person responsible 14558

for the requested public records did not constitute a failure to 14559
comply with an obligation in accordance with division (B) of this 14560
section; 14561

(ii) That a well-informed public office or person responsible 14562
for the requested public records reasonably would believe that the 14563
conduct or threatened conduct of the public office or person 14564
responsible for the requested public records as described in 14565
division (C)(2)(c)(i) of this section would serve the public 14566
policy that underlies the authority that is asserted as permitting 14567
that conduct or threatened conduct. 14568

(D) Chapter 1347. of the Revised Code does not limit the 14569
provisions of this section. 14570

(E)(1) To ensure that all employees of public offices are 14571
appropriately educated about a public office's obligations under 14572
division (B) of this section, all elected officials or their 14573
appropriate designees shall attend training approved by the 14574
attorney general as provided in section 109.43 of the Revised 14575
Code. In addition, all public offices shall adopt a public records 14576
policy in compliance with this section for responding to public 14577
records requests. In adopting a public records policy under this 14578
division, a public office may obtain guidance from the model 14579
public records policy developed and provided to the public office 14580
by the attorney general under section 109.43 of the Revised Code. 14581
Except as otherwise provided in this section, the policy may not 14582
limit the number of public records that the public office will 14583
make available to a single person, may not limit the number of 14584
public records that it will make available during a fixed period 14585
of time, and may not establish a fixed period of time before it 14586
will respond to a request for inspection or copying of public 14587
records, unless that period is less than eight hours. 14588

(2) The public office shall distribute the public records 14589
policy adopted by the public office under division (E)(1) of this 14590

section to the employee of the public office who is the records 14591
custodian or records manager or otherwise has custody of the 14592
records of that office. The public office shall require that 14593
employee to acknowledge receipt of the copy of the public records 14594
policy. The public office shall create a poster that describes its 14595
public records policy and shall post the poster in a conspicuous 14596
place in the public office and in all locations where the public 14597
office has branch offices. The public office may post its public 14598
records policy on the internet web site of the public office if 14599
the public office maintains an internet web site. A public office 14600
that has established a manual or handbook of its general policies 14601
and procedures for all employees of the public office shall 14602
include the public records policy of the public office in the 14603
manual or handbook. 14604

(F)(1) The bureau of motor vehicles may adopt rules pursuant 14605
to Chapter 119. of the Revised Code to reasonably limit the number 14606
of bulk commercial special extraction requests made by a person 14607
for the same records or for updated records during a calendar 14608
year. The rules may include provisions for charges to be made for 14609
bulk commercial special extraction requests for the actual cost of 14610
the bureau, plus special extraction costs, plus ten per cent. The 14611
bureau may charge for expenses for redacting information, the 14612
release of which is prohibited by law. 14613

(2) As used in division (F)(1) of this section: 14614

(a) "Actual cost" means the cost of depleted supplies, 14615
records storage media costs, actual mailing and alternative 14616
delivery costs, or other transmitting costs, and any direct 14617
equipment operating and maintenance costs, including actual costs 14618
paid to private contractors for copying services. 14619

(b) "Bulk commercial special extraction request" means a 14620
request for copies of a record for information in a format other 14621
than the format already available, or information that cannot be 14622

extracted without examination of all items in a records series, 14623
class of records, or data base by a person who intends to use or 14624
forward the copies for surveys, marketing, solicitation, or resale 14625
for commercial purposes. "Bulk commercial special extraction 14626
request" does not include a request by a person who gives 14627
assurance to the bureau that the person making the request does 14628
not intend to use or forward the requested copies for surveys, 14629
marketing, solicitation, or resale for commercial purposes. 14630

(c) "Commercial" means profit-seeking production, buying, or 14631
selling of any good, service, or other product. 14632

(d) "Special extraction costs" means the cost of the time 14633
spent by the lowest paid employee competent to perform the task, 14634
the actual amount paid to outside private contractors employed by 14635
the bureau, or the actual cost incurred to create computer 14636
programs to make the special extraction. "Special extraction 14637
costs" include any charges paid to a public agency for computer or 14638
records services. 14639

(3) For purposes of divisions (F)(1) and (2) of this section, 14640
"surveys, marketing, solicitation, or resale for commercial 14641
purposes" shall be narrowly construed and does not include 14642
reporting or gathering news, reporting or gathering information to 14643
assist citizen oversight or understanding of the operation or 14644
activities of government, or nonprofit educational research. 14645

Sec. 149.45. (A) As used in this section: 14646

(1) "Personal information" means any of the following: 14647

(a) An individual's social security number; 14648

(b) An individual's federal tax identification number; 14649

(c) An individual's driver's license number or state 14650
identification number; 14651

(d) An individual's checking account number, savings account 14652

number, or credit card number. 14653

(2) "Public record" and "peace officer, parole officer, 14654
prosecuting attorney, assistant prosecuting attorney, correctional 14655

constitutes a quorum, and the affirmative vote of a majority of 14906
the voting members present is necessary for any action taken by 14907
the authority. A vacancy in the voting membership of the authority 14908
does not impair the right of a quorum to exercise all rights and 14909
perform all duties of the authority. 14910

with office space and such technical assistance as the authority 14912

The bond service charges and all other payments required to be 15312

pledged thereto as provided in such resolution. The available 15315
receipts pledged and thereafter received by the authority are 15316
immediately subject to the lien of such pledge without any 15317
physical delivery thereof or further act, and the lien of any such 15318
pledge is valid and binding against all parties having claims of 15319
any kind against the authority, irrespective of whether those 15320
parties have notice thereof, and creates a perfected security 15321

and the money therefrom and thereof may be applied to the purposes 15329
for which pledged. Every pledge, and every covenant and agreement 15330
made with respect to the pledge, made in the resolution may 15331

and under such terms and conditions as are fixed by the authority 15343
prior to the issuance of the obligations. The authority shall 15344

bear the facsimile signature of the chairperson. In case any 15355
officer who has signed any obligations, or caused the officer's 15356
facsimile signature to be affixed thereto, ceases to be such 15357
officer before such obligations have been delivered, such 15358
obligations may, nevertheless, be issued and delivered as though 15359
the person who had signed the obligations or caused the person's 15360
facsimile signature to be affixed thereto had not ceased to be 15361
such officer. 15362

Any obligations may be executed on behalf of the authority by 15363
an officer who, on the date of execution, is the proper officer 15364
although on the date of such obligations such person was not the 15365
proper officer. 15366

(D) All obligations issued by the authority shall have all 15367
the qualities and incidents of negotiable instruments and may be 15368
issued in coupon or in registered form, or both, as the authority 15369
determines. Provision may be made for the registration of any 15370
obligations with coupons attached thereto as to principal alone or 15371
as to both principal and interest, their exchange for obligations 15372
so registered, and for the conversion or reconversion into 15373
obligations with coupons attached thereto of any obligations 15374
registered as to both principal and interest, and for reasonable 15375
charges for such registration, exchange, conversion, and 15376

reconversion. The authority may sell its obligations in any manner 15377
and for such prices as it determines, except that the authority 15378

(E) The obligations of the authority, principal, interest, 15381
and any proceeds from their sale or transfer, are exempt from all 15382
taxation within this state. 15383

(F) The authority is authorized to issue revenue obligations 15384
and other obligations under Section 2i of Article VIII, Ohio 15385
Constitution, for the purpose of paying the cost of capital 15386
facilities for housing of branches and agencies of state 15387
government, including capital facilities for the purpose of 15388
housing personnel, equipment, or functions, or any combination 15389
thereof that the state agencies are responsible for housing, as 15390
are authorized by Chapter 152. of the Revised Code, and that are 15391
authorized by the general assembly by the appropriation of lease 15392
payments or other moneys for such capital facilities or by any 15393
other act of the general assembly, but not including the 15394
appropriation of moneys for feasibility studies for such capital 15395
facilities. This division does not authorize the authority to 15396
issue obligations pursuant to Section 2i of Article VIII, Ohio 15397
Constitution, to pay the cost of capital facilities for mental 15398
hygiene and retardation, parks and recreation, or state-supported 15399
or state-assisted institutions of higher education. 15400

(G) The authority is authorized to issue revenue obligations 15401
under Section 2i of Article VIII, Ohio Constitution, on behalf of 15402
a community or technical college district and shall cause the net 15403
proceeds thereof, after any deposits of accrued interest for the 15404
payment of bond service charges and after any deposit of all or 15405
such lesser portion as the authority may direct of the premium 15406
received upon the sale of those obligations for the payment of the 15407
bond service charges, to be applied to the cost of community or 15408

technical college capital facilities, provided that the issuance 15409
of such obligations is subject to the execution of a written 15410
agreement in accordance with division (C) of section 3333.90 of 15411
the Revised Code for the withholding and depositing of funds 15412
otherwise due the district, or the college it operates, in respect 15413
of its allocated state share of instruction. 15414

The authority shall provide by resolution for the issuance of 15415
such obligations. The bond service charges and all other payments 15416
required to be made by the trust agreement or indenture securing 15417
the obligations shall be payable solely from available community 15418
or technical college receipts pledged thereto as provided in the 15419
resolution. The available community or technical college receipts 15420
pledged and thereafter received by the authority are immediately 15421
subject to the lien of such pledge without any physical delivery 15422
thereof or further act, and the lien of any such pledge is valid 15423
and binding against all parties having claims of any kind against 15424
the authority, irrespective of whether those parties have notice 15425
thereof, and creates a perfected security interest for all 15426
purposes of Chapter 1309. of the Revised Code and a perfected lien 15427
for purposes of any real property interest, all without the 15428
necessity for separation or delivery of funds or for the filing or 15429
recording of the resolution, trust agreement, indenture, or other 15430
agreement by which such pledge is created or any certificate, 15431
statement, or other document with respect thereto; and the pledge 15432
of such available community or technical college receipts is 15433
effective and the money therefrom and thereof may be applied to 15434
the purposes for which pledged. Every pledge, and every covenant 15435
and agreement made with respect to the pledge, made in the 15436
resolution may therein be extended to the benefit of the owners 15437
and holders of obligations authorized by this division, and to any 15438
trustee therefor, for the further securing of the payment of the 15439
bond service charges, and all or any rights under any agreement or 15440
lease made under this section may be assigned for such purpose. 15441

Obligations may be issued at one time or from time to time, and 15442
each issue shall be dated, shall mature at such time or times as 15443
determined by the authority not exceeding forty years from the 15444
date of issue, and may be redeemable before maturity at the option 15445
of the authority at such price or prices and under such terms and 15446
conditions as are fixed by the authority prior to the issuance of 15447
the obligations. The authority shall determine the form of the 15448
obligations, fix their denominations, establish their interest 15449
rate or rates, which may be a variable rate or rates, or the 15450
maximum interest rate, and establish within or without this state 15451
a place or places of payment of bond service charges. 15452

available receipts of the authority for the payment of bond 15458

Sec. 167.081. If sections 153.50, 153.51, and 153.52 of the 15981
Revised Code do not apply, the council may enter into a contract 15982
that establishes a unit price for, and provides upon a per unit 15983
basis, materials, labor, services, overhead, profit, and 15984
associated expenses for the repair, enlargement, improvement, or 15985
demolition of a building or structure if the contract is awarded 15986

or other political subdivision that is a council member; a 15989
statewide consortium of which the council is a member; or a 15990
multistate consortium of which the council is a member. 15991

A public notice requirement pertaining to the contract shall 15992
be considered as having been met if the public notice is given 15993
once a week for at least two consecutive weeks in a newspaper of 15994
general circulation within a county in this state in which the 15995
council has members and if the notice is posted on the council's 15996

A county, municipal corporation, or township and a special 15999
district, school district, or other political subdivision that is 16000
a council member may participate in a contract entered into under 16001
this section. Purchases under a contract entered into under this 16002
section are exempt from any competitive selection or bidding 16003

corporation, or township or a special district, school district, 16005
or other political subdivision that is a member of the council is 16006
not entitled to participate in a contract entered into under this 16007
section if it has received bids for the same work under another 16008
contract, unless participation in a contract under this section 16009
will enable the member to obtain the same work, upon the same 16010
terms, conditions, and specifications, at a lower price. 16011

Sec. 169.08. (A) Any person claiming a property interest in 16012
unclaimed funds delivered or reported to the state under Chapter 16013
169. of the Revised Code, including the office of child support in 16014
the department of job and family services, pursuant to section 16015
3123.88 of the Revised Code, may file a claim thereto on the form 16016
prescribed by the director of commerce. 16017

(B) The director shall consider matters relevant to any claim 16018
filed under division (A) of this section and shall hold a formal 16019
hearing if requested or considered necessary and receive evidence 16020
concerning such claim. A finding and decision in writing on each 16021
claim filed shall be prepared, stating the substance of any 16022
evidence received or heard and the reasons for allowance or 16023
disallowance of the claim. The evidence and decision shall be a 16024
public record. No statute of limitations shall bar the allowance 16025
of a claim. 16026

(C) For the purpose of conducting any hearing, the director 16027

may require the attendance of such witnesses and the production of 16028
such books, records, and papers as the director desires, and the 16029
director may take the depositions of witnesses residing within or 16030
without this state in the same manner as is prescribed by law for 16031
the taking of depositions in civil actions in the court of common 16032
pleas, and for that purpose the director may issue a subpoena for 16033

any books, records, or papers, directed to the sheriff of the 16035
county where such witness resides or is found, which shall be 16036
served and returned. The fees of the sheriff shall be the same as 16037
that allowed in the court of common pleas in criminal cases. 16038
Witnesses shall be paid the fees and mileage provided for under 16039
section 119.094 of the Revised Code. Fees and mileage shall be 16040
paid from the unclaimed funds trust fund. 16041

(D) Interest is not payable to claimants of unclaimed funds 16042
held by the state. Claims shall be paid from the trust fund. If 16043
the amount available in the trust fund is not sufficient to pay 16044
pending claims, or other amounts disburseable from the trust fund, 16045
the treasurer of state shall certify such fact to the director, 16046
who shall then withdraw such amount of funds from the mortgage 16047
accounts as the director determines necessary to reestablish the 16048
trust fund to a level required to pay anticipated claims but not 16049
more than ten per cent of the net unclaimed funds reported to 16050
date. 16051

The director ~~shall retain in the trust fund, as a fee for~~ 16052
~~administering the funds, five per cent of the total amount of~~ 16053
~~unclaimed funds payable to the claimant and~~ may withdraw the funds 16054
paid to the director by the holders and deposited by the director 16055
with the treasurer of state or in a financial institution as agent 16056
for such funds. Whenever these funds are inadequate to meet the 16057
requirements for the trust fund, the director shall provide for a 16058
withdrawal of funds, within a reasonable time, in such amount as 16059

is necessary to meet the requirements, from financial institutions 16060
in which such funds were retained or placed by a holder and from 16061
other holders who have retained funds, in an equitable manner as 16062
prescribed by the director. In the event that the amount to be 16063
withdrawn from any one such holder is less than five hundred 16064
dollars, the amount to be withdrawn shall be at the discretion of 16065
the director. Such funds may be reimbursed in the amounts 16066
withdrawn when the trust fund has a surplus over the amount 16067
required to pay anticipated claims. Whenever the trust fund has a 16068
surplus over the amount required to pay anticipated claims, the 16069
director may transfer such surplus to the mortgage accounts. 16070

(E) If a claim which is allowed under this section relates to 16071
funds which have been retained by the reporting holder, and if the 16072
funds, on deposit with the treasurer of state pursuant to this 16073
chapter, are insufficient to pay claims, the director may notify 16074
such holder in writing of the payment of the claim and such holder 16075
shall immediately reimburse the state in the amount of such claim. 16076
The reimbursement shall be credited to the unclaimed funds trust 16077
fund. 16078

(F) Any person, including the office of child support, 16079
adversely affected by a decision of the director may appeal such 16080
decision in the manner provided in Chapter 119. of the Revised 16081
Code. 16082

In the event the claimant prevails, the claimant shall be 16083
reimbursed for reasonable attorney's fees and costs. 16084

(G) Notwithstanding anything to the contrary in this chapter, 16085
any holder who has paid moneys to or entered into an agreement 16086
with the director pursuant to section 169.05 of the Revised Code 16087
on certified checks, cashiers' checks, bills of exchange, letters 16088
of credit, drafts, money orders, or travelers' checks, may make 16089
payment to any person entitled thereto, including the office of 16090
child support, and upon surrender of the document, except in the 16091

case of travelers' checks, and proof of such payment, the director 16092
shall reimburse the holder for such payment without interest. 16093

Sec. 173.08. (A) The resident services coordinator program is 16094
established in the department of aging to fund resident services 16095

low-income and special-needs tenants, including the elderly, who 16097
live in financially assisted rental housing complexes, and assist 16098
those tenants in identifying and obtaining community and program 16099
services and other benefits for which they are eligible. 16100

(B) The resident services coordinator program fund is hereby 16101
created in the state treasury to support the resident services 16102
coordinator program established pursuant to this section. The fund 16103
consists of all moneys the department of development sets aside 16104
pursuant to division (A)~~(4)~~(3) of section 174.02 of the Revised 16105
Code and moneys the general assembly appropriates to the fund. 16106

means the occurrence of a violation with respect to a resident or 16108
recipient, as those terms are defined in section 173.14 of the 16109
Revised Code. A violation is a separate incident for each day it 16110
occurs and for each resident who is subject to it. 16111

In lieu of the fine that may be imposed under division (A) of 16112
section 173.99 of the Revised Code, the director of aging may, 16113
under Chapter 119. of the Revised Code, fine a long-term care 16114
provider or other entity, or a person employed by a long-term care 16115
provider or other entity, for a violation of division (C) of 16116
section 173.24 of the Revised Code. The fine shall not exceed one 16117

(2) In lieu of the fine that may be imposed under division 16119
(C) of section 173.99 of the Revised Code, the director may, under 16120
Chapter 119. of the Revised Code, fine a long-term care provider 16121

or other entity, or a person employed by a long-term care provider 16122
or other entity, for violating division (E) of section 173.19 of 16123
the Revised Code by denying a representative of the office of the 16124
state long-term care ombudsperson program the access required by 16125
that division. The fine shall not exceed five hundred dollars for 16126
each day the violation continued. 16127

(B) On request of the director, the attorney general shall 16128
bring and prosecute to judgment a civil action to collect any fine 16129
imposed under division (A)(1) or (2) of this section that remains 16130
unpaid thirty days after the violator's final appeal is exhausted. 16131

(C) All fines collected under this section shall be deposited 16132
into the state treasury to the credit of the state long-term care 16133
ombudsperson program fund created under section 173.26 of the 16134
Revised Code. 16135

Stat. 620 (1935), 42 U.S.C.A., as amended. Residential state 16145

determines are at risk of needing institutional care. 16149

(C) For an individual to be eligible for residential state 16150

To the extent permitted by Title XVI of the "Social Security 16199
Act," and any other provision of federal law, the director of job 16200
and family services shall adopt rules establishing standards for 16201
adjusting the eligibility requirements concerning the level of 16202
impairment a person must have so that the amount appropriated for 16203
the program by the general assembly is adequate for the number of 16204
eligible individuals. The rules shall not limit the eligibility of 16205
disabled persons solely on a basis classifying disabilities as 16206
physical or mental. The director of job and family services also 16207
shall adopt rules that establish eligibility standards for aged, 16208
blind, or disabled individuals who reside in one of the homes or 16209
facilities specified in division (C)(1) of this section but who, 16210
because of their income, do not receive supplemental security 16211
income payments. The rules may provide that these individuals may 16212

including, social security disability insurance benefits provided 16214

under Title II of the "Social Security Act," 49 Stat. 620 (1935), 16215
42 U.S.C.A. 401, as amended. Notwithstanding division (B) of this 16216
section, such payments may be made if funds are available for 16217
them. 16218

The director of aging shall adopt rules establishing the 16219
method to be used to determine the amount an eligible individual 16220

receiving them because moneys appropriated to the department for 16238
the purposes of this section are insufficient to make payments to 16239

individual on the waiting list and priorities for the order in 16246
which individuals placed on the waiting list are to begin to 16247
receive residential state supplement payments. The rules 16248
specifying priorities may give priority to individuals placed on 16249
the waiting list on or after July 1, 2006, who receive 16250
supplemental security income benefits under Title XVI of the 16251
"Social Security Act," 86 Stat. 1475 (1972), 42 U.S.C. 1381, as 16252
amended. The rules shall not affect the place on the waiting list 16253
of any person who was on the list on July 1, 2006. The rules 16254
specifying priorities may also set additional priorities based on 16255
living arrangement, such as whether an individual resides in a 16256
facility listed in division (C)(1) of this section or has been 16257
admitted to a nursing facility. 16258

in the living arrangement in which the individual resided on 16264
November 15, 1990. 16265

(H) The department of aging shall notify each person denied 16266

render, and all powers necessary or incidental thereto, as amply 18108
as such powers are possessed and exercised by the contracting 18109
subdivision directly. In the absence in such agreement of 18110

board or council in pursuance of such agreement. Nor shall the 18121
board or council, by virtue of any agreement entered into under 18122

commissioners or county council may exercise, perform, or render. 18130

Sec. 302.22. Every agreement entered into under sections 18131
302.21 to 302.24, ~~inclusive~~, of the Revised Code, shall provide, 18132
either in specific terms or by prescribing a method for 18133
determining the amounts, for any payments to be made by the 18134
contracting subdivision into the county treasury, in consideration 18135
of the performance of the agreement. In cases where it is deemed 18136
practicable, the agreement may provide that payment shall be made 18137
by the retention in the treasury of the amounts due from taxes 18138
collected for the contracting subdivision and the county auditor 18139

method of payment for the joint exercise of any power, the joint 18145
performing of any function, or the joint rendering of any service, 18146
which method of payment shall be authorized and binding on the 18147
counties so long as the agreement is in effect. 18148

Sec. 302.24. Any agreement entered into under sections 302.21 18149

transfer to the board of county commissioners or the county 18151
council, as the case may be, of any property, real or personal, 18152
used or useful, in the performance of functions or the rendering 18153
of services under such agreement. Such transfer may include the 18154
proceeds of bonds issued or to be issued by the contracting 18155
subdivision, appropriate to the powers, functions, or services 18156
under the agreement, such proceeds to be expended by the board or 18157
council subject to the same conditions as would govern the 18158
contracting subdivision. Such transfer may convey the absolute 18159
title to such property, subject, in the case of the disposal or 18160
encumbrance of such real property by the board or council, to the 18161

consent of the legislative authority of the contracting 18162
subdivision; or may convey its use only, or any estate or title 18163
less than absolute; may limit the power of the board or council to 18164
dispose of such property; and may provide for its return, 18165
disposition, division, or distribution, in the event of the 18166
rescission or expiration of the agreement. 18167

Sec. 303.213. (A) As used in this section, "small wind farm" 18168
means wind turbines and associated facilities ~~that are~~ 18169
~~interconnected with a medium voltage power collection system and~~ 18170
~~communications network and are~~ with a single interconnection to 18171
the electrical grid and designed for, or capable of, operation at 18172
an aggregate capacity of less than five megawatts. 18173

(B) Notwithstanding division (A) of section 303.211 of the 18174
Revised Code, sections 303.01 to 303.25 of the Revised Code confer 18175
power on a board of county commissioners or board of zoning 18176
appeals to adopt zoning regulations governing the location, 18177
erection, construction, reconstruction, change, alteration, 18178
maintenance, removal, use, or enlargement of any small wind farm, 18179
whether publicly or privately owned, or the use of land for that 18180
purpose, which regulations may be more strict than the regulations 18181
prescribed in rules adopted under division (C)(2) of section 18182
4906.20 of the Revised Code. 18183

(C) The designation under this section of a small wind farm 18184
as a public utility for purposes of sections 303.01 to 303.25 of 18185
the Revised Code shall not affect the classification of a small 18186
wind farm for purposes of state or local taxation. 18187

(D) Nothing in division (C) of this section shall be 18188
construed as affecting the classification of a telecommunications 18189
tower as defined in division (B) or (E) of section 303.211 of the 18190
Revised Code or any other public utility for purposes of state and 18191
local taxation. 18192

Sec. 305.20. For purposes of a statute or regulation that requires a county to publish a notice, advertisement, list, or other information more than once in a newspaper of general circulation, the second and subsequent publications are satisfied by posting the notice, advertisement, list, or other information on the county's internet web site if the first newspaper publication meets all the following conditions: 18193

18203

(C) It includes instructions for accessing the notice, advertisement, list, or other information on the county's internet web site. 18204
18205

18221

Sec. 307.12. (A) Except as otherwise provided in divisions 18222

(D), (E), and (G) of this section or in section 307.121 of the 18223
Revised Code, when the board of county commissioners finds, by 18224
resolution, that the county has personal property, including motor 18225
vehicles acquired for the use of county officers and departments, 18226
and road machinery, equipment, tools, or supplies, that is not 18227
needed for public use, is obsolete, or is unfit for the use for 18228
which it was acquired, and when the fair market value of the 18229
property to be sold or donated under this division is, in the 18230
opinion of the board, in excess of two thousand five hundred 18231
dollars, the board may do either of the following: 18232

(1) Sell the property at public auction or by sealed bid to 18233
the highest bidder. Notice of the time, place, and manner of the 18234
sale shall be published in a newspaper of general circulation in 18235

If a board conducts a sale of property by sealed bid, the 18240

(2) Donate any motor vehicle that does not exceed four 18247
thousand five hundred dollars in value to a nonprofit organization 18248
exempt from federal income taxation pursuant to 26 U.S.C. 501(a) 18249
and (c)(3) for the purpose of meeting the transportation needs of 18250
participants in the Ohio works first program established under 18251
Chapter 5107. of the Revised Code and participants in the 18252
prevention, retention, and contingency program established under 18253
Chapter 5108. of the Revised Code. 18254

(B) When the board of county commissioners finds, by 18255
resolution, that the county has personal property, including motor 18256
vehicles acquired for the use of county officers and departments, 18257
and road machinery, equipment, tools, or supplies, that is not 18258
needed for public use, is obsolete, or is unfit for the use for 18259
which it was acquired, and when the fair market value of the 18260
property to be sold or donated under this division is, in the 18261
opinion of the board, two thousand five hundred dollars or less, 18262
the board may do either of the following: 18263

(1) Sell the property by private sale, without advertisement 18264
or public notification; 18265

(2) Donate the property to an eligible nonprofit organization 18266
that is located in this state and is exempt from federal income 18267
taxation pursuant to 26 U.S.C. 501(a) and (c)(3). Before donating 18268
any property under this division, the board shall adopt a 18269
resolution expressing its intent to make unneeded, obsolete, or 18270
unfit-for-use county personal property available to these 18271
organizations. The resolution shall include guidelines and 18272
procedures the board considers necessary to implement a donation 18273
program under this division and shall indicate whether the county 18274
will conduct the donation program or the board will contract with 18275
a representative to conduct it. If a representative is known when 18276
the resolution is adopted, the resolution shall provide contact 18277
information such as the representative's name, address, and 18278
telephone number. 18279

The resolution shall include within its procedures a 18280
requirement that any nonprofit organization desiring to obtain 18281
donated property under this division shall submit a written notice 18282
to the board or its representative. The written notice shall 18283
include evidence that the organization is a nonprofit organization 18284
that is located in this state and is exempt from federal income 18285
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 18286

the organization's primary purpose; a description of the type or 18287
types of property the organization needs; and the name, address, 18288
and telephone number of a person designated by the organization's 18289
governing board to receive donated property and to serve as its 18290
agent. 18291

After adoption of the resolution, the board shall publish, in 18292
a newspaper of general circulation in the county, notice of its 18293
intent to donate unneeded, obsolete, or unfit-for-use county 18294
personal property to eligible nonprofit organizations. The notice 18295
shall include a summary of the information provided in the 18296
resolution and shall be published at least twice. The second and 18297
any subsequent notice shall be published not less than ten nor 18298
more than twenty days after the previous notice. A similar notice 18299
also shall be posted continually in a conspicuous place in the 18300
offices of the county auditor and the board of county 18301
commissioners, and, if the county maintains a web site on the 18302
internet, the notice shall be posted continually at that web site. 18303

The board or its representative shall maintain a list of all 18304
nonprofit organizations that notify the board or its 18305
representative of their desire to obtain donated property under 18306
this division and that the board or its representative determines 18307
to be eligible, in accordance with the requirements set forth in 18308
this section and in the donation program's guidelines and 18309
procedures, to receive donated property. 18310

The board or its representatives also shall maintain a list 18311
of all county personal property the board finds to be unneeded, 18312
obsolete, or unfit for use and to be available for donation under 18313
this division. The list shall be posted continually in a 18314
conspicuous location in the offices of the county auditor and the 18315
board of county commissioners, and, if the county maintains a web 18316
site on the internet, the list shall be posted continually at that 18317
web site. An item of property on the list shall be donated to the 18318

eligible nonprofit organization that first declares to the board 18319
or its representative its desire to obtain the item unless the 18320
board previously has established, by resolution, a list of 18321
eligible nonprofit organizations that shall be given priority with 18322
respect to the item's donation. Priority may be given on the basis 18323
that the purposes of a nonprofit organization have a direct 18324
relationship to specific public purposes of programs provided or 18325
administered by the board. A resolution giving priority to certain 18326
nonprofit organizations with respect to the donation of an item of 18327
property shall specify the reasons why the organizations are given 18328
that priority. 18329

(C) Members of the board of county commissioners shall 18330
consult with the Ohio ethics commission, and comply with the 18331
provisions of Chapters 102. and 2921. of the Revised Code, with 18332
respect to any sale or donation under division (A) or (B) of this 18333
section to a nonprofit organization of which a county 18334
commissioner, any member of the county commissioner's family, or 18335
any business associate of the county commissioner is a trustee, 18336
officer, board member, or employee. 18337

(D) Notwithstanding anything to the contrary in division (A), 18338
(B), or (E) of this section and regardless of the property's 18339
value, the board of county commissioners may sell or donate county 18340
personal property, including motor vehicles, to the federal 18341
government, the state, any political subdivision of the state, or 18342
a county land reutilization corporation without advertisement or 18343
public notification. 18344

(E) Notwithstanding anything to the contrary in division (A), 18345
(B), or (G) of this section and regardless of the property's 18346
value, the board of county commissioners may sell personal 18347
property, including motor vehicles acquired for the use of county 18348
officers and departments, and road machinery, equipment, tools, or 18349
supplies, that is not needed for public use, is obsolete, or is 18350

unfit for the use for which it was acquired, by internet auction. 18351
The board shall adopt, during each calendar year, a resolution 18352
expressing its intent to sell that property by internet auction. 18353
The resolution shall include a description of how the auctions 18354
will be conducted and shall specify the number of days for bidding 18355
on the property, which shall be no less than ten days, including 18356
Saturdays, Sundays, and legal holidays. The resolution shall 18357
indicate whether the county will conduct the auction or the board 18358
will contract with a representative to conduct the auction and 18359
shall establish the general terms and conditions of sale. If a 18360
representative is known when the resolution is adopted, the 18361
resolution shall provide contact information such as the 18362
representative's name, address, and telephone number. 18363

After adoption of the resolution, the board shall publish, in 18364
a newspaper of general circulation in the county, notice of its 18365
intent to sell unneeded, obsolete, or unfit-for-use county 18366
personal property by internet auction. The notice shall include a 18367
summary of the information provided in the resolution and shall be 18368
published at least twice. The second and any subsequent notice 18369
shall be published not less than ten nor more than twenty days 18370
after the previous notice. A similar notice also shall be posted 18371
continually throughout the calendar year in a conspicuous place in 18372
the offices of the county auditor and the board of county 18373
commissioners, and, if the county maintains a web site on the 18374
internet, the notice shall be posted continually throughout the 18375
calendar year at that web site. 18376

When property is to be sold by internet auction, the board or 18377
its representative may establish a minimum price that will be 18378
accepted for specific items and may establish any other terms and 18379
conditions for the particular sale, including requirements for 18380
pick-up or delivery, method of payment, and sales tax. This type 18381
of information shall be provided on the internet at the time of 18382

the auction and may be provided before that time upon request 18383
after the terms and conditions have been determined by the board 18384
or its representative. 18385

(F) When a county officer or department head determines that 18386
county-owned personal property under the jurisdiction of the 18387
officer or department head, including motor vehicles, road 18388
machinery, equipment, tools, or supplies, is not of immediate 18389
need, the county officer or department head may notify the board 18390
of county commissioners, and the board may lease that personal 18391
property to any municipal corporation, township, other political 18392
subdivision of the state, or to a county land reutilization 18393
corporation. The lease shall require the county to be reimbursed 18394
under terms, conditions, and fees established by the board, or 18395
under contracts executed by the board. 18396

(G) If the board of county commissioners finds, by 18397
resolution, that the county has vehicles, equipment, or machinery 18398
that is not needed, or is unfit for public use, and the board 18399
desires to sell the vehicles, equipment, or machinery to the 18400
person or firm from which it proposes to purchase other vehicles, 18401
equipment, or machinery, the board may offer to sell the vehicles, 18402
equipment, or machinery to that person or firm, and to have the 18403
selling price credited to the person or firm against the purchase 18404
price of other vehicles, equipment, or machinery. 18405

(H) If the board of county commissioners advertises for bids 18406
for the sale of new vehicles, equipment, or machinery to the 18407
county, it may include in the same advertisement a notice of the 18408
willingness of the board to accept bids for the purchase of 18409
county-owned vehicles, equipment, or machinery that is obsolete or 18410
not needed for public use, and to have the amount of those bids 18411
subtracted from the selling price of the other vehicles, 18412
equipment, or machinery as a means of determining the lowest 18413
responsible bidder. 18414

(I) If a board of county commissioners determines that county personal property is not needed for public use, or is obsolete or unfit for the use for which it was acquired, and that the property has no value, the board may discard or salvage that property.

(J) A county engineer, in the engineer's discretion, may dispose of scrap construction materials on such terms as the engineer determines reasonable, including disposal without recovery of costs, if the total value of the materials does not exceed twenty-five thousand dollars. The engineer shall maintain records of all dispositions made under this division, including identification of the origin of the materials, the final disposition, and copies of all receipts resulting from the dispositions.

As used in division ~~(I)~~(J) of this section, "scrap construction materials" means construction materials that result from a road or bridge improvement, remain after the improvement is completed, and are not reusable. Construction material that is metal and that results from a road or bridge improvement and remains after the improvement is completed is scrap construction material only if it cannot be used in any other road or bridge improvement or other project in its current state.

Sec. 307.121. (A) As used in this section:

(1) "Advertising" means internet advertising, including banners and icons that may contain links to commercial internet web sites. "Advertising" does not include "spyware," "malware," or any viruses or programs considered to be malicious.

youth services employee, firefighter, ~~or~~ EMT, or investigator of 18886
the bureau of criminal identification and investigation why the 18887
removal and insertion is impracticable. 18888

Sec. 319.301. (A) ~~This~~ The reductions required by division 18889
(D) of this section ~~does~~ do not apply to any of the following: 18890

(1) Taxes levied at whatever rate is required to produce a 18891
specified amount of tax money, including a tax levied under 18892
section 5705.199 or 5705.211 of the Revised Code, or an amount to 18893
pay debt charges; 18894

(2) Taxes levied within the one per cent limitation imposed 18895
by Section 2 of Article XII, Ohio Constitution; 18896

(3) Taxes provided for by the charter of a municipal 18897
corporation. 18898

(B) As used in this section: 18899

(1) "Real property" includes real property owned by a 18900
railroad. 18901

(2) "Carryover property" means all real property on the 18902
current year's tax list except: 18903

(a) Land and improvements that were not taxed by the district 18904
in both the preceding year and the current year; 18905

(b) Land and improvements that were not in the same class in 18906

both the preceding year and the current year. 18907

(3) "Effective tax rate" means with respect to each class of 18908
property: 18909

(a) The sum of the total taxes that would have been charged 18910
and payable for current expenses against real property in that 18911
class if each of the district's taxes were reduced for the current 18912
year under division (D)(1) of this section without regard to the 18913
application of division (E)(3) of this section divided by 18914

(b) The taxable value of all real property in that class. 18915

(4) "Taxes charged and payable" means the taxes charged and 18916
payable prior to any reduction required by section 319.302 of the 18917
Revised Code. 18918

(C) The tax commissioner shall make the determinations 18919
required by this section each year, without regard to whether a 18920
taxing district has territory in a county to which section 5715.24 18921
of the Revised Code applies for that year. Separate determinations 18922
shall be made for each of the two classes established pursuant to 18923
section 5713.041 of the Revised Code. 18924

(D) With respect to each tax authorized to be levied by each 18925
taxing district, the tax commissioner, annually, shall do both of 18926
the following: 18927

(1) Determine by what percentage, if any, the sums levied by 18928
such tax against the carryover property in each class would have 18929
to be reduced for the tax to levy the same number of dollars 18930
against such property in that class in the current year as were 18931
charged against such property by such tax in the preceding year 18932
subsequent to the reduction made under this section but before the 18933
reduction made under section 319.302 of the Revised Code. In the 18934
case of a tax levied for the first time that is not a renewal of 18935
an existing tax, the commissioner shall determine by what 18936
percentage the sums that would otherwise be levied by such tax 18937

against carryover property in each class would have to be reduced 18938
to equal the amount that would have been levied if the full rate 18939
thereof had been imposed against the total taxable value of such 18940
property in the preceding tax year. A tax or portion of a tax that 18941
is designated a replacement levy under section 5705.192 of the 18942
Revised Code is not a renewal of an existing tax for purposes of 18943
this division. 18944

(2) Certify each percentage determined in division (D)(1) of 18945
this section, as adjusted under division (E) of this section, and 18946
the class of property to which that percentage applies to the 18947
auditor of each county in which the district has territory. The 18948
auditor, after complying with section 319.30 of the Revised Code, 18949
shall reduce the sum to be levied by such tax against each parcel 18950
of real property in the district by the percentage so certified 18951
for its class. Certification shall be made by the first day of 18952
September except in the case of a tax levied for the first time, 18953
in which case certification shall be made within fifteen days of 18954
the date the county auditor submits the information necessary to 18955
make the required determination. 18956

(E)(1) As used in division (E)(2) of this section, "pre-1982 18957
joint vocational taxes" means, with respect to a class of 18958
property, the difference between the following amounts: 18959

(a) The taxes charged and payable in tax year 1981 against 18960
the property in that class for the current expenses of the joint 18961
vocational school district of which the school district is a part 18962
after making all reductions under this section; 18963

(b) The following percentage of the taxable value of all real 18964
property in that class: 18965

(i) In 1987, five one-hundredths of one per cent; 18966

(ii) In 1988, one-tenth of one per cent; 18967

(iii) In 1989, fifteen one-hundredths of one per cent; 18968

(iv) In 1990 and each subsequent year, two-tenths of one per cent. 18969
18970

If the amount in division (E)(1)(b) of this section exceeds 18971
the amount in division (E)(1)(a) of this section, the pre-1982 18972
joint vocational taxes shall be zero. 18973

As used in divisions (E)(2) and (3) of this section, "taxes 18974
charged and payable" has the same meaning as in division (B)(4) of 18975
this section and excludes any tax charged and payable in 1985 or 18976
thereafter under sections 5705.194 to 5705.197 or section 5705.199 18977
~~or~~, 5705.213, or 5705.219 of the Revised Code. 18978

(2) If in the case of a school district other than a joint 18979
vocational or cooperative education school district any percentage 18980
required to be used in division (D)(2) of this section for either 18981
class of property could cause the total taxes charged and payable 18982
for current expenses to be less than two per cent of the taxable 18983
value of all real property in that class that is subject to 18984
taxation by the district, the commissioner shall determine what 18985
percentages would cause the district's total taxes charged and 18986
payable for current expenses against that class, after all 18987
reductions that would otherwise be made under this section, to 18988
equal, when combined with the pre-1982 joint vocational taxes 18989
against that class, the lesser of the following: 18990

(a) The sum of the rates at which those taxes are authorized 18991
to be levied; 18992

(b) Two per cent of the taxable value of the property in that 18993
class. The auditor shall use such percentages in making the 18994
reduction required by this section for that class. 18995

(3)(a) If in the case of a joint vocational school district 18996
any percentage required to be used in division (D)(2) of this 18997
section for either class of property could cause the total taxes 18998
charged and payable for current expenses for that class to be less 18999

than the designated amount, the commissioner shall determine what percentages would cause the district's total taxes charged and payable for current expenses for that class, after all reductions that would otherwise be made under this section, to equal the designated amount. The auditor shall use such percentages in making the reductions required by this section for that class.

(b) As used in division (E)(3)(a) of this section, the designated amount shall equal the taxable value of all real property in the class that is subject to taxation by the district times the lesser of the following:

(i) Two-tenths of one per cent;

(ii) The district's effective rate plus the following percentage for the year indicated:

WHEN COMPUTING THE TAXES CHARGED FOR	ADD THE FOLLOWING PERCENTAGE:
1987	0.025%
1988	0.05%
1989	0.075%
1990	0.1%
1991	0.125%
1992	0.15%
1993	0.175%
1994 and thereafter	0.2%

(F) No reduction shall be made under this section in the rate at which any tax is levied.

(G) The commissioner may order a county auditor to furnish any information the commissioner needs to make the determinations required under division (D) or (E) of this section, and the auditor shall supply the information in the form and by the date specified in the order. If the auditor fails to comply with an order issued under this division, except for good cause as

determined by the commissioner, the commissioner shall withhold 19031
from such county or taxing district therein fifty per cent of 19032
state revenues to local governments pursuant to section 5747.50 of 19033
the Revised Code or shall direct the department of education to 19034
withhold therefrom fifty per cent of state revenues to school 19035
districts pursuant to Chapter 3317. of the Revised Code. The 19036
commissioner shall withhold the distribution of such revenues 19037
until the county auditor has complied with this division, and the 19038
department shall withhold the distribution of such revenues until 19039
the commissioner has notified the department that the county 19040
auditor has complied with this division. 19041

(H) If the commissioner is unable to certify a tax reduction 19042
factor for either class of property in a taxing district located 19043
in more than one county by the last day of November because 19044
information required under division (G) of this section is 19045
unavailable, the commissioner may compute and certify an estimated 19046
tax reduction factor for that district for that class. The 19047
estimated factor shall be based upon an estimate of the 19048
unavailable information. Upon receipt of the actual information 19049
for a taxing district that received an estimated tax reduction 19050
factor, the commissioner shall compute the actual tax reduction 19051
factor and use that factor to compute the taxes that should have 19052
been charged and payable against each parcel of property for the 19053
year for which the estimated reduction factor was used. The amount 19054
by which the estimated factor resulted in an overpayment or 19055
underpayment in taxes on any parcel shall be added to or 19056
subtracted from the amount due on that parcel in the ensuing tax 19057
year. 19058

A percentage or a tax reduction factor determined or computed 19059
by the commissioner under this section shall be used solely for 19060
the purpose of reducing the sums to be levied by the tax to which 19061
it applies for the year for which it was determined or computed. 19062

It shall not be used in making any tax computations for any 19063
ensuing tax year. 19064

(I) In making the determinations under division (D)(1) of 19065
this section, the tax commissioner shall take account of changes 19066
in the taxable value of carryover property resulting from 19067
complaints filed under section 5715.19 of the Revised Code for 19068
determinations made for the tax year in which such changes are 19069
reported to the commissioner. Such changes shall be reported to 19070
the commissioner on the first abstract of real property filed with 19071
the commissioner under section 5715.23 of the Revised Code 19072
following the date on which the complaint is finally determined by 19073
the board of revision or by a court or other authority with 19074
jurisdiction on appeal. The tax commissioner shall account for 19075
such changes in making the determinations only for the tax year in 19076
which the change in valuation is reported. Such a valuation change 19077
shall not be used to recompute the percentages determined under 19078
division (D)(1) of this section for any prior tax year. 19079

Sec. 319.302. (A)(1) Real property that is not intended 19080
primarily for use in a business activity shall qualify for a 19081
partial exemption from real property taxation. For purposes of 19082
this partial exemption, "business activity" includes all uses of 19083
real property, except farming; leasing property for farming; 19084
occupying or holding property improved with single-family, 19085
two-family, or three-family dwellings; leasing property improved 19086
with single-family, two-family, or three-family dwellings; or 19087
holding vacant land that the county auditor determines will be 19088
used for farming or to develop single-family, two-family, or 19089
three-family dwellings. For purposes of this partial exemption, 19090
"farming" does not include land used for the commercial production 19091
of timber that is receiving the tax benefit under section 5713.23 19092
or 5713.31 of the Revised Code and all improvements connected with 19093
such commercial production of timber. 19094

(2) Each year, the county auditor shall review each parcel of real property to determine whether it qualifies for the partial exemption provided for by this section as of the first day of January of the current tax year.

(B) After complying with section 319.301 of the Revised Code, the county auditor shall reduce the remaining sums to be levied against each parcel of real property that is listed on the general tax list and duplicate of real and public utility property for the current tax year and that qualifies for partial exemption under division (A) of this section, and against each manufactured and mobile home that is taxed pursuant to division (D)(2) of section 4503.06 of the Revised Code and that is on the manufactured home tax list for the current tax year, by ten per cent, to provide a partial exemption for that parcel or home. Except as otherwise provided in sections 323.152, 323.158, 505.06, and 715.263 of the Revised Code, the amount of the taxes remaining after any such reduction shall be the real and public utility property taxes charged and payable on each parcel of real property, including property that does not qualify for partial exemption under division (A) of this section, and the manufactured home tax charged and payable on each manufactured or mobile home, and shall be the amounts certified to the county treasurer for collection. Upon receipt of the real and public utility property tax duplicate, the treasurer shall certify to the tax commissioner the total amount by which the real property taxes were reduced under this section, as shown on the duplicate. Such reduction shall not directly or indirectly affect the determination of the principal amount of notes that may be issued in anticipation of any tax levies or the amount of bonds or notes for any planned improvements. If after application of sections 5705.31 and 5705.32 of the Revised Code and other applicable provisions of law, including divisions (F) and (I) of section 321.24 of the Revised Code, there would be insufficient funds for payment of debt

charges on bonds or notes payable from taxes reduced by this 19128
section, the reduction of taxes provided for in this section shall 19129
be adjusted to the extent necessary to provide funds from such 19130
taxes. 19131

(C) The tax commissioner may adopt rules governing the 19132
administration of the partial exemption provided for by this 19133
section. 19134

(D) The determination of whether property qualifies for 19135
partial exemption under division (A) of this section is solely for 19136
the purpose of allowing the partial exemption under division (B) 19137
of this section. 19138

Sec. 319.54. (A) On all moneys collected by the county 19139
treasurer on any tax duplicate of the county, other than estate 19140
tax duplicates, and on all moneys received as advance payments of 19141
personal property and classified property taxes, the county 19142
auditor, on settlement with the treasurer and tax commissioner, on 19143
or before the date prescribed by law for such settlement or any 19144
lawful extension of such date, shall be allowed as compensation 19145
for the county auditor's services the following percentages: 19146

(1) On the first one hundred thousand dollars, two and 19147
one-half per cent; 19148

(2) On the next two million dollars, eight thousand three 19149

(3) On the next two million dollars, six thousand six hundred 19151
fifty-five ten-thousandths of one per cent; 19152

(4) On all further sums, one thousand six hundred sixty-three 19153
ten-thousandths of one per cent. 19154

If any settlement is not made on or before the date 19155
prescribed by law for such settlement or any lawful extension of 19156
such date, the aggregate compensation allowed to the auditor shall 19157

be reduced one per cent for each day such settlement is delayed 19158
after the prescribed date. No penalty shall apply if the auditor 19159
and treasurer grant all requests for advances up to ninety per 19160
cent of the settlement pursuant to section 321.34 of the Revised 19161
Code. The compensation allowed in accordance with this section on 19162
settlements made before the dates prescribed by law, or the 19163
reduced compensation allowed in accordance with this section on 19164
settlements made after the date prescribed by law or any lawful 19165
extension of such date, shall be apportioned ratably by the 19166
auditor and deducted from the shares or portions of the revenue 19167
payable to the state as well as to the county, townships, 19168
municipal corporations, and school districts. 19169

(B) For the purpose of reimbursing county auditors for the 19170
expenses associated with the increased number of applications for 19171
reductions in real property taxes under sections 323.152 and 19172
4503.065 of the Revised Code that ~~results~~ result from the 19173
amendment of those sections by Am. Sub. H.B. 119 of the 127th 19174
general assembly, ~~on the first day of August of each year~~ there 19175
shall be paid from the state's general revenue fund to the county 19176
treasury, to the credit of the real estate assessment fund created 19177
by section 325.31 of the Revised Code, an amount equal to one per 19178
cent of the total annual amount of property tax relief 19179
reimbursement paid to that county under sections 323.156 and 19180
4503.068 of the Revised Code for the preceding tax year. Payments 19181
made under this division shall be made at the same times and in 19182
the same manner as payments made under section 323.156 of the 19183
Revised Code. 19184

(C) From all moneys collected by the county treasurer on any 19185
tax duplicate of the county, other than estate tax duplicates, and 19186
on all moneys received as advance payments of personal property 19187
and classified property taxes, there shall be paid into the county 19188
treasury to the credit of the real estate assessment fund created 19189

by section 325.31 of the Revised Code, an amount to be determined 19190
by the county auditor, which shall not exceed the percentages 19191
prescribed in divisions (C)(1) and (2) of this section. 19192

(1) For payments made after June 30, 2007, and before 2011, 19193
the following percentages: 19194

(a) On the first five hundred thousand dollars, four per 19195

(b) On the next five million dollars, two per cent; 19197

the state as well as to the county, townships, municipal 19212
corporations, and school districts. 19213

(D) Each county auditor shall receive four per cent of the 19214

(E) On all estate tax moneys collected by the county 19218

tax commissioner, shall be allowed, as compensation for the 19220
auditor's services under Chapter 5731. of the Revised Code, the 19221
following percentages: 19222

(1) Four per cent on the first one hundred thousand dollars; 19223

(2) One-half of one per cent on all additional sums. 19224

division (G)(2) of this section. The payment shall be credited 19435

upon receipt to the county's undivided income tax fund, and the county auditor shall distribute the amount thereof among the various taxing districts of the county as if it had been levied, collected, and settled as personal property taxes. The amount received by a taxing district under this division shall be apportioned among its funds in the same proportion as the current year's personal property taxes are apportioned.

(2) Payments required under division (G)(1) of this section shall be made at the following percentages of the amount certified under former section 319.311 of the Revised Code and paid under division (G)(1) of this section in the state's fiscal year 2003:

section is extended for a like period of time. 19468

section. 20060

(2) Within that portion of any municipal corporation that is 20061
located within the territory of the authority or within the 20062

any portion of the excise tax authorized by division (A) of 20065
section 5739.08 of the Revised Code, and with the approval, by 20066
ordinance or resolution, of the legislative authority of that 20067
municipal corporation or township, an additional excise tax not to 20068
exceed nine-tenths of one per cent on each transaction. The excise 20069
tax authorized by division (B)(2) of this section may be levied 20070
only if, on the effective date of the levy specified in the 20071
resolution making the levy, the amount being levied pursuant to 20072
division (A) of section 5739.08 of the Revised Code by each 20073
municipal corporation or township in which the tax authorized by 20074
division (B)(2) of this section will be levied, when added to the 20075
amount levied under division (B)(2) of this section, does not 20076
exceed three per cent on each transaction. The excise tax 20077
authorized by division (B)(2) of this section shall be in addition 20078
to any excise tax that is levied pursuant to section 5739.08 or 20079
5739.09 of the Revised Code, or division (B)(1) of this section. 20080

division (A) of this section; and that is not levying a tax under 20085
division (B)(1) or (2) of this section may levy within the 20086
territory of the authority, by resolution adopted on or before 20087

(2) The board of directors of a convention facilities authority located in a county with a population of at least one hundred thousand and not more than one hundred fifty thousand, by resolution adopted on or before November 1, 2009, may levy within the territory of the authority an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests at a rate not to exceed three per cent on such transactions for the same purposes for which a tax may be levied under division (B) of this section. The resolution may be adopted only if the board of county commissioners of the county, by resolution, authorizes the levy of the tax. The resolution of the board of county commissioners is subject to referendum as prescribed by sections 305.31 to 305.41 of the Revised Code. If, pursuant to those procedures, a referendum is to be held, the board's resolution does not take effect until approved by a majority of electors voting on the question. A tax levied under division (C)(2) of this section is in addition to any tax levied under section 5739.09 of the Revised Code.

(D) The authority shall provide for the administration and

allocation of an excise tax levied pursuant to division (B) or (C) 20122
of this section. All receipts arising from those excise taxes 20123

the duration of the period for which the receipts from the tax 20128
have been anticipated and pledged pursuant to section 351.141 of 20129
the Revised Code. 20130

(E) Except as provided in division (B)(2) of this section, 20131
the levy of an excise tax on each transaction pursuant to sections 20132
5739.08 and 5739.09 of the Revised Code does not prevent a 20133
convention facilities authority from levying an excise tax 20134
pursuant to division (B) or (C) of this section. 20135

Sec. 504.21. (A) The board of township trustees of a township 20136

developed in the township for nonfarm commercial, industrial, 20145
residential, or other nonfarm purposes, and establish criteria for 20146

If the rules require plans to be filed, the rules shall do all of the following:

(2) Establish procedures and criteria for the review and approval or disapproval of the plans;

(4) Establish procedures for the issuance of the permits;

(5) Establish procedures under which a person may appeal the denial of a permit.

Areas of less than one contiguous acre shall not be exempt

from compliance with other provisions of this section or rules 20185
adopted under this section. The rules adopted under this section 20186
may impose reasonable filing fees for plan review, permit 20187
processing, and field inspections. 20188

violator has obtained the proper permits, the board or 20235
representative may authorize the issuance of a notice of 20236

(2) The person to whom a stop work order is issued under this 20261
section may appeal the order to the court of common pleas of the 20262

attorney of the county in which the township is located, to seek 20277
an injunction or other appropriate relief in the court of common 20278
pleas to abate excessive erosion or sedimentation and secure 20279
compliance with the rules or order. In granting relief, the court 20280

of common pleas may order the construction of sediment control 20281
improvements or implementation of other control measures and may 20282

minimum price that will be accepted for specific items and may 20438

establish any other terms and conditions for the particular sale, 20439
including requirements for pick-up or delivery, method of payment, 20440
and sales tax. This type of information shall be provided on the 20441

determined by the legislative authority or its representative. 20444

twenty-five cents per ton or twenty-eight cents per metric ton. 20741
Licensees and registrants shall specify on an invoice whether the 20742
per ton inspection fee has been paid or whether payment of the fee 20743
is the responsibility of the purchaser of the fertilizer. The 20744

payment of this inspection fee by a licensee or registrant shall 20745
exempt all other persons from the payment of this fee. 20746

(B) Every licensee or registrant shall file with the director 20747
an annual tonnage report that includes the number of net tons or 20748
metric tons of fertilizer distributed to nonlicensees or 20749

thereby grants permission to the director to verify the same with 20776

the records of the licensee or registrant. 20777

(D) All money collected under this section shall be credited 20778

labeled the fertilizer or mixed fertilizer shall pay a penalty to 20785
the consumer of the mislabeled fertilizer or, if the consumer 20786
cannot be determined with reasonable diligence or is not 20787
available, to the director ~~for deposit into~~ to be credited to the 20788
~~commercial-feed pesticide~~, fertilizer, seed, and lime ~~inspection 20789~~
~~and laboratory program~~ fund created under section ~~905.38~~ 921.22 of 20790
the Revised Code. The amount of the penalty shall be calculated in 20791
accordance with either division (A) or (B) of this section, 20792
whichever method of calculation yields the largest amount. 20793

(A)(1) A penalty required to be paid under this section may 20794
be calculated as follows: 20795

(a) Five dollars for each percentage point of total nitrogen 20796
or phosphorus in the fertilizer that is below the percentage of 20797
nitrogen or phosphorus guaranteed on the label, multiplied by the 20798
number of tons of mislabeled fertilizer that have been sold to the 20799
consumer; 20800

(b) Three dollars for each percentage point of potash in the 20801
fertilizer that is below the percentage of potash guaranteed on 20802
the label, multiplied by the number of tons of mislabeled 20803
fertilizer that have been sold to the consumer. 20804

(2) In the case of a fertilizer that contains a quantity of 20805
nitrogen, phosphorus, or potash that is more than five percentage 20806

points below the percentages guaranteed on the label, the 20807
penalties calculated under division (A)(1) of this section shall 20808
be tripled. 20809

(3) No penalty calculated under division (A) of this section 20810
shall be less than twenty-five dollars. 20811

(B) A penalty required to be paid under this section may be 20812
calculated by multiplying the market value of one unit of the 20813
mislabeled fertilizer by the number of units of the mislabeled 20814
fertilizer that have been sold to the consumer. 20815

(C) Upon making a determination under this section that a 20816
person has mislabeled fertilizer or mixed fertilizer, the director 20817
shall determine the parties to whom the penalty imposed by this 20818
section is required to be paid and, in accordance with division 20819
(A) or (B) of this section, as applicable, shall calculate the 20820
amount of the penalty required to be paid to each such party. 20821
After completing those determinations and calculations, the 20822
director shall issue to the person who allegedly mislabeled the 20823
fertilizer or mixed fertilizer a notice of violation. The notice 20824
shall be accompanied by an order requiring, and specifying the 20825
manner of, payment of the penalty imposed by this section to the 20826
parties in the amounts set forth in the determinations and 20827
calculations required by this division. The order shall be issued 20828
in accordance with Chapter 119. of the Revised Code. 20829

thirty days after the due date is cause for suspension or 21050
revocation by the director of the seed labeler permit or refusal, 21051
without a hearing, to issue a subsequent seed labeler permit for 21052
which the person applies. 21053

of the notice, submits the application fee and a 22368
one-hundred-dollar penalty to the superintendent. If the 22369
registrant does not submit the application fee and penalty within 22370
that time period, or if any check or other draft instrument used 22371
to pay the fee or penalty is returned to the superintendent for 22372
insufficient funds, the certificate of registration shall be 22373
canceled immediately without a hearing, and the registrant shall 22374
cease activity as a mortgage broker. 22375

broker is not prohibited by the county or political subdivision. 22382

The application also is accompanied by a photograph of each 22383

(4) The applicant maintains all licenses and registrations 22392

equivalent to a criminal offense described in that division. 22404
However, if the applicant or any of those other persons has 22405
pleaded guilty to or been convicted of any such offense other than 22406
theft, the superintendent shall not consider the offense if the 22407
applicant has proven to the superintendent, by a preponderance of 22408
the evidence, that the applicant's or other person's activities 22409
and employment record since the conviction show that the applicant 22410
or other person is honest, truthful, and of good reputation, and 22411
there is no basis in fact for believing that the applicant or 22412
other person will commit such an offense again. 22413

(8) Neither the applicant nor any shareholder, member, partner, operations manager, or employee of the applicant has been subject to any adverse judgment for conversion, embezzlement, misappropriation of funds, fraud, misfeasance or malfeasance, or breach of fiduciary duty, or, if the applicant or any of those other persons has been subject to such a judgment, the applicant has proven to the superintendent, by a preponderance of the evidence, that the applicant's or other person's activities and employment record since the judgment show that the applicant or other person is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant or other person will be subject to such a judgment again.

This determination shall be based on the extent and nature of the partner's, shareholder's, or person's ownership interest in the partnership, corporation, or other business entity or association that is the applicant.

(B) The certificate of registration issued pursuant to

division (A) of this section may be renewed annually on or before 22446

~~applicant that is registered under sections 1321.51 to 1321.60 of~~ 22453
~~the Revised Code shall not be required to pay a renewal fee.~~ If a 22454

other draft instrument will be canceled unless the registrant, 22459
within thirty days after receipt of the notice, submits the 22460
renewal fee and a one-hundred-dollar penalty to the 22461
superintendent. If the registrant does not submit the renewal fee 22462
and penalty within that time period, or if any check or other 22463
draft instrument used to pay the fee or penalty is returned to the 22464
superintendent for insufficient funds, the certificate of 22465
registration shall be canceled immediately without a hearing and 22466
the registrant shall cease activity as a mortgage broker. 22467

day of April, the certificate of registration shall not be
considered renewed, and the applicant shall cease activity as a
mortgage broker and apply for a certificate of registration as a

(2) Division (C)(1) of this section shall not apply if the

(2) Within ten days after the designation described in
division (D)(1) of this section, notify the superintendent in

licensee does not submit the application fee and penalty within 22513
that time period, or if any check or other draft instrument used 22514
to pay the fee or penalty is returned to the superintendent for 22515
insufficient funds, the license shall be canceled immediately 22516
without a hearing, and the licensee shall cease activity as a loan 22517

that substantially is equivalent to a criminal offense described 22526
in that division. However, if the applicant has been convicted of 22527
or pleaded guilty to any such offense other than theft, the 22528
superintendent shall not consider the offense if the applicant has 22529
proven to the superintendent, by a preponderance of the evidence, 22530
that the applicant's activities and employment record since the 22531
conviction show that the applicant is honest, truthful, and of 22532
good reputation, and there is no basis in fact for believing that 22533
the applicant will commit such an offense again. 22534

(4) The applicant has not been subject to an adverse judgment 22535
for conversion, embezzlement, misappropriation of funds, fraud, 22536
misfeasance or malfeasance, or breach of fiduciary duty, or, if 22537
the applicant has been subject to such a judgment, the applicant 22538
has proven to the superintendent, by a preponderance of the 22539

believing that the applicant will be subject to such a judgment 22543
again. 22544

(5) The applicant successfully completed the examination 22545
required under division (B) of section 1322.051 of the Revised 22546

(B) The license issued under division (A) of this section may 22553

canceled unless the licensee, within thirty days after receipt of 22562
the notice, submits the renewal fee and a one-hundred-dollar 22563
penalty to the superintendent. If the licensee does not submit the 22564
renewal fee and penalty within that time period, or if any check 22565

returned to the superintendent for insufficient funds, the license 22567
shall be canceled immediately without a hearing, and the licensee 22568
shall cease activity as a loan officer. 22569

(2) On and after January 1, 2003, the loan officer has 22570

Sec. 1332.24. (A)(1) In accordance with section 1332.25 of 22587
the Revised Code, the director of commerce may issue to any 22588
person, or renew, a video service authorization, which 22589
authorization confers on the person the authority, subject to 22590
sections 1332.21 to 1332.34 of the Revised Code, to provide video 22591
service in its video service area; construct and operate a video 22592
service network in, along, across, or on public rights-of-way for 22593
the provision of video service; and, when necessary to provide 22594
that service, exercise the power of a telegraph company under 22595
section 4931.04 of the Revised Code. The term of a video service 22596
authorization or authorization renewal shall be ten years. 22597

(2) For the purposes of the "Cable Communications Policy Act 22598
of 1984," Pub. L. No. 98-549, 98 Stat. 2779, 47 U.S.C. 521 et 22599
seq., a video service authorization shall constitute a franchise 22600

under that law, and the director shall be the sole franchising 22601
authority under that law for video service authorizations in this 22602
state. 22603

(3) The director may impose upon and collect an annual 22604
assessment on video service providers. All money collected under 22605
division (A)(3) of this section shall be deposited to the credit 22606
of the video service authorization fund created under section 22607
1332.25 of the Revised Code. The total amount assessed in a fiscal 22608
year shall not exceed the lesser of three hundred fifty thousand 22609
dollars or, as shall be determined annually by the director, the 22610
department's actual, current fiscal year administrative costs in 22611
carrying out its duties under sections 1332.21 to 1332.34 of the 22612
Revised Code. The director shall allocate that total amount 22613
proportionately among the video service providers to be assessed, 22614
using a formula based on subscriber counts as of the thirty-first 22615
day of December of the preceding calendar year, which counts shall 22616
be submitted to the director not later than October 9, 2009, 22617
initially and by the thirty-first day of January of each 22618
subsequent year, via a notarized statement signed by an authorized 22619
officer. Any information submitted by a video service provider to 22620
the director for the purpose of determining subscriber counts 22621
shall be considered trade secret information, shall not be 22622
disclosed except by court order, and shall not constitute a public 22623
record under section 149.43 of the Revised Code. By October 16, 22624
2009, initially and on or about the first day of June of each 22625
subsequent year, the director shall send to each video service 22626
provider to be assessed written notice of its proportional amount 22627
of the total assessment. The provider shall pay that amount on a 22628
quarterly basis not later than forty-five days after the end of 22629
each calendar quarter. 22630

(B)(1) The director may investigate alleged violations of or 22631
failures to comply with division (A) of section 1332.23, division 22632

(A) of this section, division (C) of section 1332.25, division (C) 22633
or (D) of section 1332.26, division (A), (B), or (C) of section 22634
1332.27, division (A) of section 1332.28, division (A) or (B) of 22635
section 1332.29, or section 1332.30 or 1332.31 of the Revised 22636
Code, or complaints concerning any such violation or failure. 22637
Except as provided in this section, the director has no authority 22638
to regulate video service in this state, including, but not 22639
limited to, the rates, terms, or conditions of that service. 22640

(2) In conducting an investigation under division (B)(1) of 22641
this section, the director, by subpoena, may compel witnesses to 22642
testify in relation to any matter over which the director has 22643
jurisdiction and may require the production of any book, record, 22644
or other document pertaining to that matter. If a person fails to 22645
file any statement or report, obey any subpoena, give testimony, 22646
produce any book, record, or other document as required by a 22647
subpoena, or permit photocopying of any book, record, or other 22648
document subpoenaed, the court of common pleas of any county in 22649
this state, upon application made to it by the director, shall 22650
compel obedience by attachment proceedings for contempt, as in the 22651
case of disobedience of the requirements of a subpoena issued from 22652
the court or a refusal to testify. 22653

(C)(1) If the director finds that a person has violated or 22654
failed to comply with division (A) of section 1332.23, division 22655
(A) of this section, division (C) of section 1332.25, division (C) 22656
or (D) of section 1332.26, division (A), (B), or (C) of section 22657
1332.27, division (A) of section 1332.28, division (A) or (B) of 22658
section 1332.29, or section 1332.30 or 1332.31 of the Revised 22659
Code, and the person has failed to cure the violation or failure 22660
after reasonable, written notice and reasonable time to cure, the 22661
director may do any of the following: 22662

(a) Apply to the court of common pleas of any county in this 22663
state for an order enjoining the activity or requiring compliance. 22664

Such an action shall be commenced not later than three years after 22665
the date the alleged violation or failure occurred or was 22666
reasonably discovered. Upon a showing by the director that the 22667
person has engaged in a violation or failure to comply, the court 22668
shall grant an injunction, restraining order, or other appropriate 22669
relief. 22670

(b) Enter into a written assurance of voluntary compliance 22671
with the person; 22672

(c) Pursuant to an adjudication under Chapter 119. of the 22673
Revised Code, assess a civil penalty in an amount determined by 22674
the director, including for any failure to comply with an 22675
assurance of voluntary compliance under division (C)(1)(b) of this 22676
section. The amount shall be not more than one thousand dollars 22677
for each day of violation or noncompliance, not to exceed a total 22678
of ten thousand dollars, counting all subscriber impacts as a 22679
single violation or act of noncompliance. In determining whether a 22680
civil penalty is appropriate under division (C)(1)(c) of this 22681
section, the director shall consider all of the following factors: 22682

(i) The seriousness of the noncompliance; 22683

(ii) The good faith efforts of the person to comply; 22684

(iii) The person's history of noncompliance; 22685

(iv) The financial resources of the person; 22686

(v) Any other matter that justice requires. 22687

Civil penalties collected pursuant to division (C)(1)(c) of 22688
this section shall be deposited to the credit of the video service 22689
enforcement fund in the state treasury, which is hereby created, 22690
to be used by the department of commerce in carrying out its 22691
duties under this section. 22692

(2) Pursuant to an adjudication under Chapter 119. of the 22693
Revised Code, the director may revoke, in whole or in part, the 22694

video service authorization of any person that has repeatedly and 22695
knowingly violated or failed to comply with division (A) of 22696
section 1332.23, division (A) of this section, division (C) of 22697
section 1332.25, division (C) or (D) of section 1332.26, division 22698
(A), (B), or (C) of section 1332.27, division (A) of section 22699
1332.28, division (A) or (B) of section 1332.29, or section 22700
1332.30 or 1332.31 of the Revised Code and that has failed to cure 22701
the violations or noncompliances after reasonable written notice 22702
and reasonable time to cure. Such person acts knowingly, 22703
regardless of the person's purpose, when the person is aware that 22704
the person's conduct will probably cause a certain result or will 22705
probably be of a certain nature. A person has knowledge of 22706
circumstances when the person is aware that such circumstances 22707
probably exist. 22708

(3) The court shall conduct a de novo review in any appeal 22709
from an adjudication under division (C)(1)(c) or (C)(2) of this 22710
section. 22711

(D) The public utilities commission has no authority over a 22712
video service provider in its offering of video service or a cable 22713
operator in its offering of cable or video service, or over any 22714
person in its offering of video service pursuant to a competitive 22715
video service agreement. 22716

section does not affect liability for noncompliance with air or 23603
water quality standards adopted pursuant to section 3704.03 or 23604
6111.041 of the Revised Code. The application of a level of 23605

section to control windblown soil from farming operations creates 23607
a presumption of compliance with section 3704.03 of the Revised 23608
Code as that section applies to windblown soil. 23609

~~(13)~~(11) Insofar as the rules relate to urban sediment 23610

pursuant to Section 3 of Article XVIII, Ohio Constitution. 23619

(F) Cost share with landowners on practices established 23620
pursuant to division (E)(5) of this section as moneys are 23621
appropriated and available for that purpose. Any practice for 23622
which cost share is provided shall be maintained for its useful 23623
life. Failure to maintain a cost share practice for its useful 23624
life shall subject the landowner to full repayment to the 23625
division. 23626

(G) Issue orders requiring compliance with any rule adopted 23627
under division (E)(1) of this section or with section 1511.022 of 23628
the Revised Code. Before the chief issues an order, the chief 23629
shall afford each person allegedly liable an adjudication hearing 23630
under Chapter 119. of the Revised Code. The chief may require in 23631
an order that a person who has caused agricultural pollution by 23632
failure to comply with the standards established under division 23633
(E)(1) of this section operate under an operation and management 23634
plan approved by the chief under this section. The chief shall 23635
require in an order that a person who has failed to comply with 23636
division (A) of section 1511.022 of the Revised Code prepare a 23637
composting plan in accordance with rules adopted under division 23638
(E)(10)(c) of this section and operate in accordance with that 23639
plan or that a person who has failed to operate in accordance with 23640
such a plan begin to operate in accordance with it. Each order 23641
shall be issued in writing and contain a finding by the chief of 23642
the facts upon which the order is based and the standard that is 23643
not being met. 23644

(H) Employ field assistants and such other employees as are 23645
necessary for the performance of the work prescribed by Chapter 23646
1515. of the Revised Code, for performance of work of the 23647
division, and as agreed to under working agreements or contractual 23648
arrangements with local soil and water conservation districts, 23649

prescribe their duties, and fix their compensation in accordance 23650
with such schedules as are provided by law for the compensation of 23651
state employees. 23652

All employees of the division, unless specifically exempted 23653
by law, shall be employed subject to the classified civil service 23654
laws in force at the time of employment. 23655

(I) In connection with new or relocated projects involving 23656
highways, underground cables, pipelines, railroads, and other 23657
improvements affecting soil and water resources, including surface 23658
and subsurface drainage: 23659

(1) Provide engineering service as is mutually agreeable to 23660
the Ohio soil and water conservation commission and the director 23661
to aid in the design and installation of soil and water 23662
conservation practices as a necessary component of such projects; 23663

(2) Maintain close liaison between the owners of lands on 23664
which the projects are executed, local soil and water conservation 23665
districts, and authorities responsible for such projects; 23666

(3) Review plans for such projects to ensure their compliance 23667
with standards developed under division (E) of this section in 23668
cooperation with the department of transportation or with any 23669
other interested agency that is engaged in soil or water 23670
conservation projects in the state in order to minimize adverse 23671
impacts on soil and water resources adjacent to or otherwise 23672
affected by these projects; 23673

(4) Recommend measures to retard erosion and protect soil and 23674
water resources through the installation of water impoundment or 23675
other soil and water conservation practices; 23676

(5) Cooperate with other agencies and subdivisions of the 23677
state to protect the agricultural status of rural lands adjacent 23678
to such projects and control adverse impacts on soil and water 23679
resources. 23680

(J) Collect, analyze, inventory, and interpret all available information pertaining to the origin, distribution, extent, use, and conservation of the soil resources of the state;	23681 23682 23683
(K) Prepare and maintain up-to-date reports, maps, and other materials pertaining to the soil resources of the state and their use and make that information available to governmental agencies, public officials, conservation entities, and the public;	23684 23685 23686 23687
(L) Provide soil and water conservation districts with technical assistance including on-site soil investigations and soil interpretation reports on the suitability or limitations of soil to support a particular use or to plan soil conservation measures. The assistance shall be upon such terms as are mutually agreeable to the districts and the department of natural resources.	23688 23689 23690 23691 23692 23693 23694
(M) Assist local government officials in utilizing land use planning and zoning, current agricultural use value assessment, development reviews, and land management activities;	23695 23696 23697
(N) When necessary for the purposes of this chapter or Chapter 1515. of the Revised Code, develop or approve operation and management plans.	23698 23699 23700
This section does not restrict the excrement of domestic or farm animals defecated on land outside a concentrated animal feeding operation or runoff therefrom into the waters of the state.	23701 23702 23703 23704
Sec. 1511.021. (A) Any person who owns or operates agricultural land or a concentrated animal feeding operation may develop and operate under an operation and management plan approved by the chief of the division of soil and water conservation <u>resources</u> under section 1511.02 of the Revised Code or by the supervisors of the local soil and water conservation	23705 23706 23707 23708 23709 23710

district under section 1515.08 of the Revised Code. 23711

(B) Any person who wishes to make a complaint regarding 23712
nuisances involving agricultural pollution may do so orally or by 23713
submitting a written, signed, and dated complaint to the chief or 23714
to the chief's designee. After receiving an oral complaint, the 23715
chief or the chief's designee may cause an investigation to be 23716
conducted to determine whether agricultural pollution has occurred 23717
or is imminent. After receiving a written, signed, and dated 23718
complaint, the chief or the chief's designee shall cause such an 23719
investigation to be conducted. 23720

(C) In a private civil action for nuisances involving 23721
agricultural pollution, it is an affirmative defense if the person 23722
owning, operating, or otherwise responsible for agricultural land 23723
or a concentrated animal feeding operation is operating under and 23724
in substantial compliance with an approved operation and 23725
management plan developed under division (A) of this section, with 23726
an operation and management plan developed by the chief under 23727
section 1511.02 of the Revised Code or by the supervisors of the 23728
local soil and water conservation district under section 1515.08 23729
of the Revised Code, or with an operation and management plan 23730
required by an order issued by the chief under division (G) of 23731
section 1511.02 of the Revised Code. Nothing in this section is in 23732
derogation of the authority granted to the chief in division (E) 23733
of section 1511.02 and in section 1511.07 of the Revised Code. 23734

Sec. 1511.022. (A) Any person who owns or operates an 23735
agricultural operation, or owns the animals raised by the owner or 23736
operator of an agricultural operation, and who wishes to conduct 23737
composting of dead animals resulting from the agricultural 23738
operation shall do both of the following: 23739

(1) Participate in an educational course concerning 23740

composting conducted by the Ohio cooperative extension service and 23741
obtain a certificate of completion for the course; 23742

(2) Use the appropriate method, technique, or practice of 23743
composting established in rules adopted under division (E)~~(10)~~(8) 23744
of section 1511.02 of the Revised Code. 23745

(B) Any person who fails to comply with division (A) of this 23746
section shall prepare and operate under a composting plan in 23747
accordance with an order issued by the chief of the division of 23748
soil and water ~~conservation~~ resources under division (G) of 23749
section 1511.02 of the Revised Code. If the person's proposed 23750
composting plan is disapproved by the board of supervisors of the 23751
appropriate soil and water conservation district under division 23752
~~(U)~~(Q)(3) of section 1515.08 of the Revised Code, the person may 23753
appeal the plan disapproval to the chief, who shall afford the 23754
person a hearing. Following the hearing, the chief shall uphold 23755
the plan disapproval or reverse it. If the chief reverses the 23756
disapproval, the plan shall be deemed approved. 23757

Sec. 1511.03. The chief of the division of soil and water 23758
~~conservation~~ resources may enter into contracts or agreements, 23759
with the approval of the director of natural resources, with any 23760
agency of the United States government, or any other public or 23761
private agency, or organization, for the performance of the 23762
prescribed duties of the division, or for accomplishing 23763
cooperative projects within the designated duties of the division. 23764

Sec. 1511.04. The chief of the division of soil and water 23765
~~conservation~~ resources may accept, on behalf of the department of 23766
natural resources, donations, grants and contributions in money, 23767
service, or equipment to enlarge or expedite the prescribed work 23768
of the division. 23769

Sec. 1511.05. The chief of the division of soil and water 23770

~~conservation~~ resources, subject to approval of the terms of the 23771
agreement by the soil and water conservation commission, shall 23772
enter into cooperative agreements with the board of supervisors of 23773
any soil and water conservation district desiring to enter into 23774
such agreements pursuant to section 1515.08 of the Revised Code. 23775
Such agreements shall be entered into to obtain compliance with 23776
rules and orders of the chief pertaining to agricultural pollution 23777
abatement and urban sediment pollution abatement. 23778

The chief or any person designated by the chief may upon 23779
obtaining agreement with the owner, tenant, or manager of any 23780
land, public or private, enter thereon to make inspections to 23781
determine whether or not there is compliance with the rules 23782
adopted under division (E)(1) of section 1511.02 of the Revised 23783
Code. Upon reason to believe there is a violation, the chief or 23784
~~his~~ the chief's designee may apply for and a judge of the court of 23785
common pleas for the county where the land is located may issue an 23786
appropriate inspection warrant as necessary to achieve the 23787
purposes of this chapter. 23788

Sec. 1511.06. The chief of the division of soil and water 23789
~~conservation~~ resources may enter into agreements with local 23790
government agencies for the purpose of soil surveys, land use 23791
inventories, and other soil-related duties. 23792

Sec. 1511.07. (A)(1) No person shall fail to comply with an 23793
order of the chief of the division of soil and water ~~conservation~~ 23794
resources issued pursuant to division (G) of section 1511.02 of 23795
the Revised Code. 23796

(2) In addition to the remedies provided and irrespective of 23797
whether an adequate remedy at law exists, the chief may apply to 23798
the court of common pleas in the county where a violation of a 23799
standard established under division (E)(1) or ~~(10)~~(8)(b) of 23800

section 1511.02 of the Revised Code causes pollution of the waters 23801
of the state for an order to compel the violator to cease the 23802
violation and to remove the agricultural pollutant or to comply 23803
with the rules adopted under division (E)~~(10)~~(8)(b) of that 23804
section, as appropriate. 23805

(3) In addition to the remedies provided and irrespective of 23806
whether an adequate remedy at law exists, whenever the chief 23807
officially determines that an emergency exists because of an 23808
unauthorized release, spill, or discharge of animal waste, or a 23809
violation of a rule adopted under division (E)~~(10)~~(8)(b) of 23810
section 1511.02 of the Revised Code, that causes pollution of the 23811
waters of the state, the chief may, without notice or hearing, 23812
issue an order reciting the existence of the emergency and 23813
requiring that necessary action be taken to meet the emergency. 23814
The order shall be effective immediately. Any person to whom the 23815
order is directed shall comply with the order immediately, but on 23816
application to the chief shall be afforded a hearing as soon as 23817
possible, but not later than twenty days after making the 23818
application. On the basis of the hearing, the chief shall continue 23819
the order in effect, revoke it, or modify it. No emergency order 23820
shall remain in effect for more than sixty days after its 23821
issuance. If a person to whom an order is issued does not comply 23822
with the order within a reasonable period, as determined by the 23823
chief, the chief or the chief's designee may enter upon private or 23824
public lands and take action to mitigate, minimize, remove, or 23825
abate the release, spill, discharge, or conditions caused by the 23826
violation of the rule. 23827

(B) The attorney general, upon the written request of the 23828
chief, shall bring appropriate legal action in Franklin county 23829
against any person who fails to comply with an order of the chief 23830
issued pursuant to division (G) of section 1511.02 of the Revised 23831
Code. 23832

Sec. 1511.071. There is hereby created in the state treasury 23833
the agricultural pollution abatement fund, which shall be 23834
administered by the chief of the division of soil and water 23835
~~conservation~~ resources. The fund may be used to pay costs incurred 23836
by the division under division (A)(3) of section 1511.07 of the 23837
Revised Code in investigating, mitigating, minimizing, removing, 23838
or abating any pollution of the waters of the state caused by an 23839
unauthorized release, spill, or discharge of animal waste into or 23840
upon the environment that requires emergency action to protect the 23841
public health. 23842

Any person responsible for causing or allowing an 23843
unauthorized release, spill, or discharge is liable to the chief 23844
for any costs incurred by the division and soil and water 23845
conservation districts in investigating, mitigating, minimizing, 23846
removing, or abating the release, spill, or discharge, regardless 23847
of whether those costs were paid out of the agricultural pollution 23848
abatement fund or any other fund of the division or a district. 23849
Upon the request of the chief, the attorney general shall bring a 23850
civil action against the responsible person to recover those 23851
costs. Moneys recovered under this section shall be paid into the 23852
agricultural pollution abatement fund. 23853

Sec. 1511.08. Any person claiming to be deprived of a right 23854
or protection afforded ~~him~~ the person by law by an order of the 23855
chief of the division of soil and water ~~conservation~~ resources, 23856
except an order which adopts a rule, may appeal to the court of 23857
common pleas of Franklin county or the court of common pleas of 23858
the county in which the alleged violation exists. 23859

If the court finds that the order of the chief appealed from 23860
was lawful and reasonable, it shall affirm such order. If the 23861
court finds that such order was unreasonable or unlawful, it shall 23862
vacate such order and make the order which it finds the chief 23863

should have made. The judgment of the court is final unless 23864
reversed, vacated, or modified on appeal. 23865

Sec. 1514.08. (A) The chief of the division of mineral 23866
resources management may adopt, amend, and rescind rules in 23867
accordance with Chapter 119. of the Revised Code in order to 23868
prescribe procedures for submitting applications for permits, 23869
amendments to permits, and amendments to plans of mining and 23870
reclamation; filing annual reports and final reports; requesting 23871
inspection and approval of reclamation; paying permit and filing 23872
fees; and filing and obtaining the release of performance bonds 23873
deposited with the state. For the purpose of preventing damage to 23874
adjoining property or achieving one or more of the performance 23875
standards established in division (A)(10) of section 1514.02 of 23876
the Revised Code, the chief may establish classes of mining 23877
industries, based upon industrial categories, combinations of 23878
minerals produced, and geological conditions in which surface or 23879
in-stream mining operations occur, and may prescribe different 23880
rules consistent with the performance standards for each class. 23881
For the purpose of apportioning the workload of the division of 23882
mineral resources management among the quarters of the year, the 23883
rules may require that applications for permits and annual reports 23884
be filed in different quarters of the year, depending upon the 23885
county in which the operation is located. 23886

(B) The chief shall adopt rules under this section that do 23887
all of the following: 23888

(1) With respect to in-stream mining, and in consultation 23889
with the chief of the division of soil and water resources, 23890
determine periods of low flow, which are the only time periods 23891
during which in-stream mining is allowed, and develop and 23892
implement any criteria, in addition to the criteria established in 23893
section 1514.02 of the Revised Code, that the chief determines are 23894

necessary for the permitting of in-stream mining;	23895
(2) Establish criteria and procedures for approving or disapproving the transfer of a surface or in-stream mining permit under division (F) of section 1514.02 of the Revised Code;	23896 23897 23898
(3) Define when any of the following may be considered to be "significant" for purposes of section 1514.022 of the Revised Code:	23899 23900 23901
(a) An amendment to a permit issued under section 1514.02 of the Revised Code for a surface or in-stream mining operation;	23902 23903
(b) An amendment to the plan of mining and reclamation that must be filed with an application for either permit under section 1514.02 of the Revised Code;	23904 23905 23906
(c) Changes to that plan of mining and reclamation that are proposed in a permit renewal application filed under section 1514.021 of the Revised Code.	23907 23908 23909
In defining "significant," the chief shall focus on changes that increase the likelihood that the mining operation may have a negative impact on the public.	23910 23911 23912
(4) Establish a framework and procedures under which the amount of any bond required to be filed under this chapter to ensure the satisfactory performance of the reclamation measures required under this chapter may be reduced by subtracting a credit based on the operator's past compliance with this chapter and rules adopted and orders issued under it. The rules also shall apply to cash, an irrevocable letter of credit, or a certificate of deposit that is on deposit in lieu of a bond. In establishing the amount of credit that an operator or applicant may receive based on past compliance, the chief may consider past compliance with respect to any permit for a surface or in-stream mining operation that has been issued in this state to the operator or applicant.	23913 23914 23915 23916 23917 23918 23919 23920 23921 23922 23923 23924 23925

(5) Establish criteria and procedures for granting a variance 23926
from compliance with the prohibitions established in divisions 23927
(E)(3) and (F)(3) of section 1514.10 of the Revised Code. The 23928
criteria shall ensure that an operator may obtain a variance only 23929
if compliance with the applicable prohibition is not necessary to 23930
prevent damage to the watercourse or surrounding areas. 23931

Sec. 1514.13. (A) The chief of the division of mineral 23932
resources management shall use the compilation of data for ground 23933
water modeling submitted under section 1514.02 of the Revised Code 23934
to establish a projected cone of depression for any surface mining 23935
operation that may result in dewatering. The chief shall consult 23936
with the chief of the division of soil and water resources when 23937
projecting a cone of depression. An applicant for a surface mining 23938
permit for such an operation may submit ground water modeling that 23939
shows a projected cone of depression for that operation to the 23940
chief, provided that the modeling complies with rules adopted by 23941
the chief regarding ground water modeling. However, the chief 23942
shall establish the projected cone of depression for the purposes 23943
of this section. 23944

The chief shall adopt, and may amend and rescind, rules in 23945
accordance with Chapter 119. of the Revised Code establishing 23946
requirements and standards governing both of the following: 23947

(1) Ground water modeling for establishing a projected cone 23948
of depression. A ground water model shall be generally accepted in 23949
the scientific community. 23950

(2) Replacement of water supplies. 23951

(B)(1) If an owner of real property who obtains all or part 23952
of the owner's water supply for domestic, agricultural, 23953
industrial, or other legitimate use from ground water has a 23954
diminution, contamination, or interruption of that water supply 23955
and the owner's real property is located within the projected cone 23956

of depression of a surface mining operation established under this 23957
section, the owner may submit a written complaint to the operator 23958
of that operation or to the chief informing the operator or the 23959
chief that there is a diminution, contamination, or interruption 23960
of the owner's water supply. The complaint shall include the 23961
owner's name, address, and telephone number. 23962

If the chief receives a written complaint, the chief 23963
immediately shall send a copy of the complaint to the operator, 23964
and the operator immediately shall respond by sending the chief a 23965
statement that explains how the operator resolved or will resolve 23966
the complaint. If the operator receives a written complaint, the 23967
operator immediately shall send to the chief a copy of the 23968
complaint and include a statement that explains how the operator 23969
resolved or will resolve the complaint. Not later than seventy-two 23970
hours after receipt of the complaint, the operator shall provide 23971
the owner a supply of water that is comparable, in quantity and 23972
quality, to the owner's water supply prior to the diminution, 23973
contamination, or interruption of the owner's water supply. The 23974
operator shall maintain that water supply until the operator 23975
provides a permanent replacement water supply to the owner under 23976
division (B)(3) of this section or until the division of mineral 23977
resources management completes the evaluation under division 23978
(B)(2) of this section, whichever is applicable. 23979

(2) A rebuttable presumption exists that the operation caused 23980
the diminution, contamination, or interruption of the owner's 23981
water supply. However, not later than fourteen days after receipt 23982
of the complaint, the operator may submit to the division 23983
information showing that the operation is not the proximate cause 23984
of the diminution, contamination, or interruption of the owner's 23985
water supply. The division shall evaluate the information 23986
submitted by the operator to determine if the presumption is 23987
rebutted. If the operator fails to rebut the presumption, the 23988

division immediately shall notify the operator that the operator 23989
failed to rebut the presumption. Not later than fourteen days 23990
after receipt of that notice, the operator shall provide the owner 23991
a permanent replacement water supply that is comparable, in 23992
quantity and quality, to the owner's water supply prior to the 23993
diminution, contamination, or interruption of the owner's water 23994
supply. If the operator rebuts the presumption, the division 23995
immediately shall notify the operator that the operator rebutted 23996
the presumption, and, upon receipt of that notice, the operator 23997
may cease providing a supply of water to the owner under division 23998
(B)(1) of this section. 23999

(3) If, within fourteen days after receipt of the complaint, 24000
the operator does not submit to the division information showing 24001
that the operation is not the proximate cause of the diminution, 24002
contamination, or interruption of the owner's water supply, the 24003
operator shall provide the owner, not later than twenty-eight days 24004
after receipt of the complaint, a permanent replacement water 24005
supply that is comparable, in quantity and quality, to the owner's 24006
water supply prior to the diminution, contamination, or 24007
interruption of the owner's water supply. 24008

(4) The division may investigate a complaint under division 24009
(B) of this section. 24010

(C) If an owner of real property who obtains all or part of 24011
the owner's water supply for domestic, agricultural, industrial, 24012
or other legitimate use from ground water has a diminution, 24013
contamination, or interruption of that water supply and the 24014
owner's real property is not located within the projected cone of 24015
depression of a surface mining operation established under this 24016
section, the owner may submit a written complaint to the operator 24017
of that operation or to the chief informing the operator or the 24018
chief that there is a diminution, contamination, or interruption 24019
of the owner's water supply. The complaint shall include the 24020

owner's name, address, and telephone number. 24021

If the operator receives a written complaint, the operator 24022
immediately shall send the chief a copy of the complaint. If the 24023
chief receives a written complaint, the chief immediately shall 24024
send the operator a copy of the complaint. The chief shall 24025
investigate any complaint submitted under this division and, upon 24026
completion of the investigation, immediately shall send the 24027
results of the investigation to the operator and to the owner that 24028
filed the complaint. 24029

An owner that submits a written complaint under this division 24030
may resolve the diminution, contamination, or interruption of the 24031
owner's water supply with the operator of that operation or may 24032
commence a civil action for that purpose. 24033

(D) An operator may request the chief to amend the plan of 24034
mining and reclamation filed with the application under section 24035

funded in whole or in part by moneys authorized under section 24227
1515.16 of the Revised Code and shall disapprove any such project 24228

from the project are likely to exceed the estimated cost. The 24276
preliminary report shall identify all factors that are apparent to 24277
the supervisors, both favorable and unfavorable to the proposed 24278
improvement, so that the petitioners may be informed concerning 24279
what is involved with the construction of the improvement. 24280

In addition to reporting on the improvement as petitioned, 24281
the supervisors may submit alternate proposals to accomplish the 24282
intent of the petition. The preliminary report and all alternate 24283
proposals shall be reviewed and receive concurrence from an 24284
engineer who is employed by the division of soil and water 24285

may require water conservation measures for water that is 24376
withdrawn from any canal or canal reservoir for domestic use 24377
during drought conditions or other emergencies declared by the 24378

advice and consent of the senate. No more than four of the members 24481
shall be of the same political party. Members shall be persons who 24482
have a demonstrated interest in water management and whose 24483
expertise reflects the various responsibilities of the division of 24484
soil and water resources under this chapter and Chapter 1523. of 24485
the Revised Code, including, but not limited to, dam safety, 24486

surface water, groundwater, and flood plain management. The chief 24487

for removal of public officers or employees from their offices or 24505
positions of employment. 24506

The council annually shall select from its members a ~~chairman~~ 24507
chairperson and a ~~vice-chairman~~ vice-chairperson. The council 24508

water management and conservation as will promote the economic, 24526
industrial, and social development of the state while minimizing 24527
threats to the state's natural environment; 24528

(C) Review and make recommendations on the development of 24529
plans and programs for long-term, comprehensive water management 24530
throughout the state; and 24531

(D) Recommend ways to enhance cooperation among governmental 24532
agencies having an interest in water to encourage wise use and 24533
protection of the state's ground and surface waters. To this end, 24534
the council shall request nonvoting representation from 24535
appropriate governmental agencies. 24536

Sec. 1521.04. The chief of the division of soil and water 24537
resources, with the approval of the director of natural resources, 24538
may make loans and grants from the water management fund created 24539
in section 1501.32 of the Revised Code to governmental agencies 24540
for water management, water supply improvements, and planning and 24541
may administer grants from the federal government and from other 24542
public or private sources for carrying out those functions and for 24543
the performance of any acts that may be required by the United 24544
States or by any agency or department thereof as a condition for 24545
the participation by any governmental agency in any federal 24546
financial or technical assistance program. Direct and indirect 24547
costs of administration may be paid from the fund. 24548

The chief may use the water management fund for the purposes 24549
of administering the water diversion and consumptive use permit 24550
programs established in sections 1501.30 to 1501.35 of the Revised 24551
Code; to perform watershed and water resources studies for the 24552
purposes of water management planning; and to acquire, construct, 24553
reconstruct, improve, equip, maintain, operate, and dispose of 24554
water management improvements. The chief may fix, alter, charge, 24555
and collect rates, fees, rentals, and other charges to be paid 24556
into the fund by governmental agencies and persons who are 24557
supplied with water by facilities constructed or operated by the 24558
department of natural resources in order to amortize and defray 24559
the cost of the construction, maintenance, and operation of those 24560
facilities. 24561

Sec. 1521.05. (A) As used in this section: 24562

digging, deepening, altering, and logging. 24564

(2) "Altering" means changing the configuration of a well, 24565
including, without limitation, deepening a well, extending or 24566
replacing any portion of the inside or outside casing or wall of a 24567
well that extends below ground level, plugging a portion of a well 24568
back to a certain depth, and reaming out a well to enlarge its 24569
original diameter. 24570

(3) "Logging" means describing the lithology, grain size, 24571
color, and texture of the formations encountered during the 24572
drilling, boring, digging, deepening, or altering of a well. 24573

(4) "Grouting" means neat cement; bentonite products in 24574
slurry, granular, or pelletized form, excluding drilling mud or 24575
fluids; or any combination of neat cement and bentonite products 24576
that is placed within a well to seal the annular space or to seal 24577
an abandoned well and that is impervious to and capable of 24578
preventing the movement of water. 24579

(5) "Abandoned well" means a well whose use has been 24580
permanently discontinued and that poses potential health and 24581
safety hazards or that has the potential to transmit surface 24582
contaminants into the aquifer in which the well has been 24583
constructed. 24584

(6) "Sealing" means the complete filling of an abandoned well 24585
with grouting or other approved materials in order to permanently 24586
prevent the vertical movement of water in the well and thus 24587
prevent the contamination of ground water or the intermixing of 24588
water between aquifers. 24589

(B) Any person that constructs a well shall keep a careful 24590
and accurate log of the construction of the well. The log shall 24591
show all of the following: 24592

(8) The signature of the individual who constructed the well 24608
and filed the well log; 24609

(9) Any other information required by the chief of the 24610
division of soil and water resources. 24611

The log shall be ~~furnished to~~ filed with the division of soil 24612
and water resources within thirty days after the completion of 24613
construction of the well on forms prescribed and prepared by the 24614
division. The log shall be kept on file by the division. 24615

(C) Any person that seals a well shall keep a careful and 24616
accurate report of the sealing of the well. The sealing report 24617
shall show all of the following: 24618

(1) The name of the owner of the well, the address of the 24619
location where the well was constructed, and either the state 24620

(5) The signature of the individual who sealed the well and 24628
filed the sealing report; 24629

(6) Any other information required by the chief. 24630

The sealing report shall be ~~furnished to~~ filed with the 24631
division within thirty days after the completion of the sealing of 24632
the well on forms prescribed and prepared by the division. 24633

(D) In accordance with Chapter 119. of the Revised Code, the 24634
chief may adopt, amend, and rescind rules requiring other persons 24635
that are involved in the construction or subsequent development of 24636
a well to submit well logs under division (B) of this section 24637
containing any or all of the information specified in divisions 24638
(B)(1) to (9) of this section and specifying additional 24639

information to be included in sealing reports required under 24640
division (C) of this section. The chief shall adopt rules 24641
establishing procedures and requirements governing the payment and 24642
collection of water well log filing fees, including the amount of 24643
any filing fee to be imposed as an alternative to the 24644
twenty-dollar filing fee established in division (G) of this 24645
section and including procedures for the quarterly transfer of 24646
filing fees by boards of health and the director of environmental 24647
protection under that division. 24648

(E)(1) No person shall fail to keep and ~~submit~~ file a well 24649
log or a sealing report as required by this section. 24650

(2) No person shall make a false statement in any well log or 24651
sealing report required to be kept and ~~submitted~~ filed under this 24652
section. Violation of division (E)(2) of this section is 24653
falsification under section 2921.13 of the Revised Code. 24654

(F) For the purposes of prosecution of a violation of 24655
division (E)(1) of this section, a prima-facie case is established 24656
when the division obtains either of the following: 24657

(1) A certified copy of a permit for a private water system 24658
issued in accordance with rules adopted under section 3701.344 of 24659
the Revised Code, or a certified copy of the invoice or a canceled 24660
check from the owner of a well indicating the construction or 24661
sealing services performed; 24662

(2) A certified copy of any permit issued under Chapter 3734. 24663
or 6111. of the Revised Code or plan approval granted under 24664
Chapter 6109. of the Revised Code for any activity that includes 24665
the construction or sealing of a well as applicable. 24666

(G) In accordance with rules adopted under this section, a 24667
person or entity that constructs a well for the purpose of 24668
extracting potable water as part of a private water system that is 24669
subject to rules adopted under section 3701.344 of the Revised 24670

Code or a public water system that is required to be licensed 24671
under Chapter 6109. of the Revised Code shall pay a well log 24672
filing fee of twenty dollars per well log or, if the chief has 24673
adopted rules establishing an alternative fee amount, the fee 24674
amount established under rules. The fee shall be collected by a 24675
board of health under section 3701.344 of the Revised Code or the 24676
environmental protection agency under section 6109.22 of the 24677
Revised Code, as applicable. 24678

Each calendar quarter, a board of health or the environmental 24679
protection agency, as applicable, shall forward all well log 24680
filing fees collected during the previous calendar quarter to the 24681
division of soil and water resources. The fees shall be forwarded 24682
in accordance with procedures established in rules adopted under 24683
this section. 24684

Proceeds of well log filing fees shall be used by the 24685
division of soil and water resources for the purposes of 24686
acquiring, maintaining, and dispensing digital and paper records 24687
of well logs that are filed with the division. 24688

Sec. 1521.06. (A) No dam may be constructed for the purpose 24689
of storing, conserving, or retarding water, or for any other 24690
purpose, nor shall any levee be constructed for the purpose of 24691
diverting or retaining flood water, unless the person or 24692
governmental agency desiring the construction has a construction 24693
permit for the dam or levee issued by the chief of the division of 24694
soil and water resources. 24695

A construction permit is not required under this section for: 24696

(1) A dam that is or will be less than ten feet in height and 24697
that has or will have a storage capacity of not more than fifty 24698
acre-feet at the elevation of the top of the dam, as determined by 24699
the chief. For the purposes of this section, the height of a dam 24700
shall be measured from the natural stream bed or lowest ground 24701

elevation at the downstream or outside limit of the dam to the 24702
elevation of the top of the dam. 24703

(2) A dam, regardless of height, that has or will have a 24704
storage capacity of not more than fifteen acre-feet at the 24705
elevation of the top of the dam, as determined by the chief; 24706

(3) A dam, regardless of storage capacity, that is or will be 24707
six feet or less in height, as determined by the chief; 24708

(4) A dam or levee that belongs to a class exempted by the 24709
chief; 24710

(5) The repair, maintenance, improvement, alteration, or 24711
removal of a dam or levee that is subject to section 1521.062 of 24712
the Revised Code, unless the construction constitutes an 24713
enlargement or reconstruction of the structure as determined by 24714
the chief; 24715

(6) A dam or impoundment constructed under Chapter 1513. of 24716
the Revised Code. 24717

(B) Before a construction permit may be issued, three copies 24718
of the plans and specifications, including a detailed cost 24719
estimate, for the proposed construction, prepared by a registered 24720
professional engineer, together with the filing fee specified by 24721
this section and the bond or other security required by section 24722
1521.061 of the Revised Code, shall be filed with the chief. The 24723
detailed estimate of the cost shall include all costs associated 24724
with the construction of the dam or levee, including supervision 24725
and inspection of the construction by a registered professional 24726
engineer. The filing fee shall be based on the detailed cost 24727
estimate for the proposed construction as filed with and approved 24728
by the chief, and shall be determined by the following schedule 24729
unless otherwise provided by rules adopted under this section: 24730

(1) For the first one hundred thousand dollars of estimated 24731
cost, a fee of four per cent; 24732

(2) For the next four hundred thousand dollars of estimated cost, a fee of three per cent;	24733 24734
(3) For the next five hundred thousand dollars of estimated cost, a fee of two per cent;	24735 24736
(4) For all costs in excess of one million dollars, a fee of one-half of one per cent.	24737 24738
In no case shall the filing fee be less than one thousand dollars or more than one hundred thousand dollars. If the actual cost exceeds the estimated cost by more than fifteen per cent, an additional filing fee shall be required equal to the fee determined by the preceding schedule less the original filing fee. All fees collected pursuant to this section, and all fines collected pursuant to section 1521.99 of the Revised Code, shall be deposited in the state treasury to the credit of the dam safety fund, which is hereby created. Expenditures from the fund shall be made by the chief for the purpose of administering this section and sections 1521.061 and 1521.062 of the Revised Code.	24739 24740 24741 24742 24743 24744 24745 24746 24747 24748 24749
(C) The chief shall, within thirty days from the date of the receipt of the application, fee, and bond or other security, issue or deny a construction permit for the construction or may issue a construction permit conditioned upon the making of such changes in the plans and specifications for the construction as the chief considers advisable if the chief determines that the construction of the proposed dam or levee, in accordance with the plans and specifications filed, would endanger life, health, or property.	24750 24751 24752 24753 24754 24755 24756 24757
(D) The chief may deny a construction permit after finding that a dam or levee built in accordance with the plans and specifications would endanger life, health, or property, because of improper or inadequate design, or for such other reasons as the chief may determine.	24758 24759 24760 24761 24762
In the event the chief denies a permit for the construction	24763

of the dam or levee, or issues a permit conditioned upon a making 24764
of changes in the plans or specifications for the construction, 24765
the chief shall state the reasons therefor and so notify, in 24766
writing, the person or governmental agency making the application 24767
for a permit. If the permit is denied, the chief shall return the 24768
bond or other security to the person or governmental agency making 24769
application for the permit. 24770

The decision of the chief conditioning or denying a 24771
construction permit is subject to appeal as provided in Chapter 24772
119. of the Revised Code. A dam or levee built substantially at 24773
variance from the plans and specifications upon which a 24774
construction permit was issued is in violation of this section. 24775
The chief may at any time inspect any dam or levee, or site upon 24776
which any dam or levee is to be constructed, in order to determine 24777
whether it complies with this section. 24778

(E) A registered professional engineer shall inspect the 24779
construction for which the permit was issued during all phases of 24780
construction and shall furnish to the chief such regular reports 24781
of the engineer's inspections as the chief may require. When the 24782
chief finds that construction has been fully completed in 24783
accordance with the terms of the permit and the plans and 24784
specifications approved by the chief, the chief shall approve the 24785
construction. When one year has elapsed after approval of the 24786
completed construction, and the chief finds that within this 24787
period no fact has become apparent to indicate that the 24788
construction was not performed in accordance with the terms of the 24789
permit and the plans and specifications approved by the chief, or 24790
that the construction as performed would endanger life, health, or 24791
property, the chief shall release the bond or other security. No 24792
bond or other security shall be released until one year after 24793
final approval by the chief, unless the dam or levee has been 24794
modified so that it will not retain water and has been approved as 24795

nonhazardous after determination by the chief that the dam or 24796
levee as modified will not endanger life, health, or property. 24797

(F) When inspections required by this section are not being 24798
performed, the chief shall notify the person or governmental 24799
agency to which the permit has been issued that inspections are 24800
not being performed by the registered professional engineer and 24801
that the chief will inspect the remainder of the construction. 24802
Thereafter, the chief shall inspect the construction and the cost 24803
of inspection shall be charged against the owner. Failure of the 24804
registered professional engineer to submit required inspection 24805
reports shall be deemed notice that the engineer's inspections are 24806
not being performed. 24807

(G) The chief may order construction to cease on any dam or 24808
levee that is being built in violation of this section, and may 24809
prohibit the retention of water behind any dam or levee that has 24810
been built in violation of this section. The attorney general, 24811
upon written request of the chief, may bring an action for an 24812
injunction against any person who violates this section or to 24813
enforce an order or prohibition of the chief made pursuant to this 24814
section. 24815

(H) The chief may adopt rules in accordance with Chapter 119. 24816
of the Revised Code, for the design and construction of dams and 24817
levees for which a construction permit is required by this section 24818
or for which periodic inspection is required by section 1521.062 24819
of the Revised Code, for establishing a filing fee schedule in 24820
lieu of the schedule established under division (B) of this 24821
section, for deposit and forfeiture of bonds and other securities 24822
required by section 1521.061 of the Revised Code, for the periodic 24823
inspection, operation, repair, improvement, alteration, or removal 24824
of all dams and levees, as specified in section 1521.062 of the 24825
Revised Code, and for establishing classes of dams or levees that 24826
are exempt from the requirements of this section and section 24827

1521.062 of the Revised Code as being of a size, purpose, or 24828
situation that does not present a substantial hazard to life, 24829
health, or property. The chief may, by rule, limit the period 24830
during which a construction permit issued under this section is 24831
valid. The rules may allow for the extension of the period during 24832
which a permit is valid upon written request, provided that the 24833
written request includes a revised construction cost estimate, and 24834
may require the payment of an additional filing fee for the 24835
requested extension. If a construction permit expires without an 24836
extension before construction is completed, the person or agency 24837
shall apply for a new permit, and shall not continue construction 24838
until the new permit is issued. 24839

Sec. 1521.061. Except as otherwise provided in this section, 24840
a construction permit shall not be issued under section 1521.06 of 24841
the Revised Code unless the person or governmental agency applying 24842
for the permit executes and files a surety bond conditioned on 24843
completion of the dam or levee in accordance with the terms of the 24844
permit and the plans and specifications approved by the chief of 24845
the division of soil and water resources, in an amount equal to 24846
fifty per cent of the estimated cost of the project. 24847

If a permittee requests an extension of the time period 24848
during which a construction permit is valid in accordance with 24849
rules adopted under section 1521.06 of the Revised Code, the chief 24850
shall determine whether the revised construction cost estimate 24851
provided with the request exceeds the original construction cost 24852
estimate that was filed with the chief by more than twenty-five 24853
per cent. If the revised construction cost estimate exceeds the 24854
original construction cost estimate by more than twenty-five per 24855
cent, the chief may require an additional surety bond to be filed 24856
so that the total amount of the surety bonds equals at least fifty 24857
per cent of the revised construction cost estimate. 24858

The chief shall not approve any bond until it is personally signed and acknowledged by both principal and surety, or as to either by the attorney in fact thereof, with a certified copy of the power of attorney attached. The chief shall not approve the bond unless there is attached a certificate of the superintendent of insurance that the company is authorized to transact a fidelity and surety business in this state.

All bonds shall be given in a form prescribed by the chief and shall run to the state as obligee.

The applicant may deposit, in lieu of a bond, cash in an amount equal to the amount of the bond or United States government securities or negotiable certificates of deposit issued by any bank organized or transacting business in this state having a par value equal to or greater than the amount of the bond. Such cash or securities shall be deposited upon the same terms as bonds. If one or more certificates of deposit are deposited in lieu of a bond, the chief shall require the bank that issued any such certificate to pledge securities of the aggregate market value equal to the amount of the certificate that is in excess of the amount insured by the federal deposit insurance corporation. The securities to be pledged shall be those designated as eligible under section 135.18 of the Revised Code. The securities shall be security for the repayment of the certificate of deposit.

Immediately upon a deposit of cash, securities, or certificates of deposit, the chief shall deliver them to the treasurer of state, who shall hold them in trust for the purposes for which they have been deposited. The treasurer of state is responsible for the safekeeping of such deposits. An applicant making a deposit of cash, securities, or certificates of deposit may withdraw and receive from the treasurer of state, on the written order of the chief, all or any portion of the cash, securities, or certificates of deposit, upon depositing with the

treasurer of state cash, other United States government 24891
securities, or negotiable certificates of deposit issued by any 24892
bank organized or transacting business in this state equal in par 24893
value to the par value of the cash, securities, or certificates of 24894
deposit withdrawn. An applicant may demand and receive from the 24895
treasurer of state all interest or other income from any such 24896
securities or certificates as it becomes due. If securities so 24897
deposited with and in the possession of the treasurer of state 24898
mature or are called for payment by the issuer thereof, the 24899
treasurer of state, at the request of the applicant who deposited 24900
them, shall convert the proceeds of the redemption or payment of 24901
the securities into such other United States government 24902
securities, negotiable certificates of deposit issued by any bank 24903
organized or transacting business in this state, or cash as the 24904
applicant designates. 24905

When the chief finds that a person or governmental agency has 24906
failed to comply with the conditions of the person's or agency's 24907
bond, the chief shall make a finding of that fact and declare the 24908
bond, cash, securities, or certificates of deposit forfeited in 24909
the amount set by rule of the chief. The chief shall thereupon 24910
certify the total forfeiture to the attorney general, who shall 24911
proceed to collect that amount. 24912

In lieu of total forfeiture, the surety, at its option, may 24913
cause the dam or levee to be completed as required by section 24914
1521.06 of the Revised Code and rules of the chief, or otherwise 24915
rendered nonhazardous, or pay to the treasurer of state the cost 24916
thereof. 24917

All moneys collected on account of forfeitures of bonds, 24918
cash, securities, and certificates of deposit under this section 24919
shall be credited to the dam safety fund created in section 24920
1521.06 of the Revised Code. The chief shall make expenditures 24921
from the fund to complete dams and levees for which bonds have 24922

been forfeited or to otherwise render them nonhazardous. 24923

Expenditures from the fund for those purposes shall be made 24924
pursuant to contracts entered into by the chief with persons who 24925
agree to furnish all of the materials, equipment, work, and labor 24926
as specified and provided in the contract. 24927

A surety bond shall not be required for a permit for a dam or 24928
levee that is to be designed and constructed by an agency of the 24929
United States government, if the agency files with the chief 24930
written assurance of the agency's financial responsibility for the 24931
structure during the one-year period following the chief's 24932
approval of the completed construction provided for under division 24933
(E) of section 1521.06 of the Revised Code. 24934

Sec. 1521.062. (A) All dams and levees constructed in this 24935
state and not exempted by this section or by the chief of the 24936
division of soil and water resources under section 1521.06 of the 24937
Revised Code shall be inspected periodically by the chief, except 24938
for classes of dams that, in accordance with rules adopted under 24939
this section, are required to be inspected by registered 24940
professional engineers who have been approved for that purpose by 24941
the chief. The inspection shall ensure that continued operation 24942
and use of the dam or levee does not constitute a hazard to life, 24943
health, or property. Periodic inspections shall not be required of 24944
the following structures: 24945

(1) A dam that is less than ten feet in height and has a 24946
storage capacity of not more than fifty acre-feet at the elevation 24947
of the top of the dam, as determined by the chief. For the 24948
purposes of this section, the height of a dam shall be measured 24949
from the natural stream bed or lowest ground elevation at the 24950
downstream or outside limit of the dam to the elevation of the top 24951
of the dam. 24952

(2) A dam, regardless of height, that has a storage capacity 24953

of not more than fifteen acre-feet at the elevation of the top of the dam, as determined by the chief; 24954
24955

(3) A dam, regardless of storage capacity, that is six feet or less in height, as determined by the chief; 24956
24957

(4) A dam or levee belonging to a class exempted by the chief; 24958
24959

(5) A dam or levee that has been exempted in accordance with rules adopted under section 1521.064 of the Revised Code. 24960
24961

(B) In accordance with rules adopted under this section, the owner of a dam that is in a class of dams that is designated in the rules for inspection by registered professional engineers shall obtain the services of a registered professional engineer who has been approved by the chief to conduct the periodic inspection of dams pursuant to schedules and other standards and procedures established in the rules. The registered professional engineer shall prepare a report of the inspection in accordance with the rules and provide the inspection report to the dam owner who shall submit it to the chief. A dam that is designated under the rules for inspection by a registered professional engineer, but that is not inspected within a five-year period may be inspected by the chief at the owner's expense. 24962
24963
24964
24965
24966
24967
24968

24972
24973
24974

(C) Intervals between periodic inspections shall be determined by the chief, but shall not exceed five years. 24975
24976

(D) In the case of a dam or levee that the chief inspects, the chief shall furnish a report of the inspection to the owner of the dam or levee. With regard to a dam or levee that has been inspected, either by the chief or by a registered professional engineer, and that is the subject of an inspection report prepared or received by the chief, the chief shall inform the owner of any required repairs, maintenance, investigations, and other remedial and operational measures. The chief shall order the owner to 24977

24983
24984

perform such repairs, maintenance, investigations, or other 24985
remedial or operational measures as the chief considers necessary 24986
to safeguard life, health, or property. The order shall permit the 24987
owner a reasonable time in which to perform the needed repairs, 24988
maintenance, investigations, or other remedial measures, and the 24989
cost thereof shall be borne by the owner. All orders of the chief 24990
are subject to appeal as provided in Chapter 119. of the Revised 24991
Code. The attorney general, upon written request of the chief, may 24992
bring an action for an injunction against any person who violates 24993
this section or to enforce an order of the chief made pursuant to 24994
this section. 24995

(E) The owner of a dam or levee shall monitor, maintain, and 24996
operate the structure and its appurtenances safely in accordance 24997
with state rules, terms and conditions of permits, orders, and 24998
other requirements issued pursuant to this section or section 24999
1521.06 of the Revised Code. The owner shall fully and promptly 25000
notify the division of soil and water resources and other 25001
responsible authorities of any condition that threatens the safety 25002
of the structure and shall take all necessary actions to safeguard 25003
life, health, and property. 25004

(F) Before commencing the repair, improvement, alteration, or 25005
removal of a dam or levee, the owner shall file an application 25006
including plans, specifications, and other required information 25007
with the division and shall secure written approval of the 25008
application by the chief. Emergency actions by the owner required 25009
to safeguard life, health, or property are exempt from this 25010
requirement. The chief may, by rule, define maintenance, repairs, 25011
or other remedial measures of a routine nature that are exempt 25012
from this requirement. 25013

(G) The chief may remove or correct, at the expense of the 25014
owner, any unsafe structures found to be constructed or maintained 25015
in violation of this section or section 1521.06 of the Revised 25016

Code. In the case of an owner other than a governmental agency, 25017
the cost of removal or correction of any unsafe structure, 25018
together with a description of the property on which the unsafe 25019
structure is located, shall be certified by the chief to the 25020
county auditor and placed by the county auditor upon the tax 25021
duplicate. This cost is a lien upon the lands from the date of 25022
entry and shall be collected as other taxes and returned to the 25023
division. In the case of an owner that is a governmental agency, 25024
the cost of removal or correction of any unsafe structure shall be 25025
recoverable from the owner by appropriate action in a court of 25026
competent jurisdiction. 25027

(H) If the condition of any dam or levee is found, in the 25028
judgment of the chief, to be so dangerous to the safety of life, 25029
health, or property as not to permit time for the issuance and 25030
enforcement of an order relative to repair, maintenance, or 25031
operation, the chief shall employ any of the following remedial 25032
means necessary to protect life, health, and property: 25033

(1) Lower the water level of the lake or reservoir by 25034
releasing water; 25035

(2) Completely drain the lake or reservoir; 25036

(3) Take such other measures or actions as the chief 25037
considers necessary to safeguard life, health, and property. 25038

The chief shall continue in full charge and control of the 25039
dam or levee until the structure is rendered safe. The cost of the 25040
remedy shall be recoverable from the owner of the structure by 25041
appropriate action in a court of competent jurisdiction. 25042

(I) The chief may accept and expend gifts, bequests, and 25043
grants from the United States government or from any other public 25044
or private source and may contract with the United States 25045
government or any other agency or entity for the purpose of 25046
carrying out the dam safety functions set forth in this section 25047

and section 1521.06 of the Revised Code. 25048

(J) In accordance with Chapter 119. of the Revised Code, the 25049
chief may adopt, and may amend or rescind, rules that do all of 25050
the following: 25051

(1) Designate classes of dams for which dam owners must 25052

periodically inspect the dams and to prepare reports of the 25054
inspections for submittal to the chief; 25055

(2) Establish standards in accordance with which the chief 25056
must approve or disapprove registered professional engineers to 25057
inspect dams together with procedures governing the approval 25058
process; 25059

(3) Establish schedules, standards, and procedures governing 25060
periodic inspections and standards and procedures governing the 25061
preparation and submittal of inspection reports; 25062

(4) Establish provisions regarding the enforcement of this 25063
section and rules adopted under it. 25064

(K) The owner of a dam or levee shall notify the chief in 25065
writing of a change in ownership of the dam or levee prior to the 25066
exchange of the property. 25067

Sec. 1521.063. (A) Except for the federal government, the 25068
owner of ~~any a dam, that is classified as a class I, class II, or~~ 25069

linear foot length of the dam, and the per-acre foot of volume of 25073
water impounded by the dam. The fee shall be paid to the division 25074
of soil and water on or before June 30, 1988, and resources on or 25075
before the thirtieth day of June of each ~~succeeding~~ year. The 25076
annual fee shall be as follows until otherwise provided by rules 25077

adopted under this section: 25078

(2) For any dam classified as a class II dam under those 25085
rules, ~~thirty ninety~~ dollars plus ~~one dollar~~ six dollars per foot 25086
of height of dam, five cents per foot of length of the dam and 25087
five cents per-acre foot of water impounded by the dam; 25088

(3) For any dam classified as a class III dam under those 25089
rules, ~~thirty ninety~~ dollars plus four dollars per foot of height 25090
of the dam, five cents per foot of length of the dam, and five 25091
cents per-acre foot of volume of water impounded by the dam. 25092

For purposes of this section, the height of a dam is the 25093
vertical height, to the nearest foot, as determined by the 25094
division under section 1521.062 of the Revised Code. 25095

All fees collected under this section shall be deposited in 25096
the dam safety fund created in section 1521.06 of the Revised 25097
Code. Any owner who fails to pay any annual fee required by this 25098
section within sixty days after the due date shall be assessed a 25099
penalty of ten per cent of the annual fee plus interest at the 25100

program under which dams and levees may be exempted from 25135
inspections under section 1521.062 of the Revised Code if the 25136
continued operation and use of, and any rupturing of or other 25137
structural damage to, the dams and levees will not constitute a 25138
hazard to life, health, or property. The rules shall establish, 25139

without limitation, all of the following:	25140
(A) A procedure by which the owner of such a dam or levee may apply for an exemption under this section;	25141 25142
(B) The standards that a dam or levee shall meet in order to be exempted under this section;	25143 25144

(D) A requirement that the owner of any dam or levee exempted under this section shall agree, in writing, to accept liability for any injury, death, or loss to persons or property caused by the rupturing of or other structural damage to the dam or levee.	25148 25149 25150 25151
Sec. 1521.07. The chief of the division of <u>soil and water resources</u> or any employee in the service of the division may enter upon lands to make surveys and inspections in accordance with this chapter, when necessary in the discharge of the duties enumerated in this chapter.	25152 25153 25154 25155 25156

elevation of the dam, a map of the spillway, a topographic map of 25179
the reservoir basin, and such other data and information as the 25180

division, and upon examination the dam is found to be 25182
satisfactorily completed in accordance with such plans, ~~said the~~ 25183
division shall certify the completion and capacity thereof to the 25184
county auditor. If the plans fail to meet the requirements of the 25185

such sections. The interest coupons attached to such bonds shall 25725
bear the signature of the treasurer of state, executed by the 25726

payable at the office of the treasurer of state in Columbus, and 25729
shall be paid by the treasurer of state, without warrant or 25730

authority of the director of budget and management, to the owner 25731

the last day for filing them. Each bid shall contain the full 25753
names of every person or company interested in it, shall 25754
separately state the price of both the labor and material to be 25755
furnished under it, and shall meet the requirements of section 25756
153.54 of the Revised Code. 25757

The chief may reject any bids. If the chief rejects all bids, 25758
the chief shall within sixty days thereafter readvertise for bids 25759
for the construction of such improvements, as provided in this 25760
section, and may continue to readvertise for bids every sixty days 25761

until bids are received which are made to the chief's satisfaction 25762
and in conformity to sections 1523.01 to 1523.13 of the Revised 25763
Code. 25764

The chief may award separate contracts to bidders for each 25765
part of the labor to be done or material to be furnished for the 25766
construction of such improvements, provided that the amount of the 25767
contract, if awarded as a whole, or the aggregate of ~~said the~~ 25768
several contracts, if awarded separately, shall not, together with 25769
the cost of the land necessary for such improvements and the 25770
estimated damages to remaining property, be in excess of the 25771
estimated cost of the construction thereof, including such land 25772
and damages. Such contracts shall provide that all payments 25773
thereunder shall be made only from the proceeds of the sale of the 25774
bonds issued for the construction of such improvements. No 25775
contractor shall receive payment for any work or labor performed 25776
or material furnished for such improvements unless the contract 25777
therefor was, at the time of its execution, approved by the 25778
governor by the governor's written indorsement on such contract. 25779

Sec. 1523.04. When estimates or statements for either 25780
material theretofore furnished or labor theretofore performed 25781
under a contract entered into as provided in section 1523.03 of 25782
the Revised Code are presented to the chief of the division of 25783
~~soil and water of the department of natural~~ resources by the 25784
contractor, certified as to the correctness thereof under oath by 25785
~~him~~ the contractor or ~~his~~ the contractor's authorized agent and 25786
approved in writing by the chief, the chief shall pay the amount 25787
of such estimates or statements from the water conservation 25788
improvement fund. 25789

Sec. 1523.05. The chief of the division of soil and water 25790
resources shall by contract in writing sell or lease for 25791
agricultural, commercial, manufacturing, or other lawful purposes, 25792

for any term not exceeding fifty years, the water, or any part 25793
thereof, conserved and stored by the improvements then existing, 25794
or that will be conserved and stored by any improvements 25795
thereafter to be constructed by ~~him~~ the chief. The chief may lease 25796
the land surrounding ~~said~~ the water for a term not exceeding fifty 25797
years, as shown by the plans and specifications prepared by ~~him~~ 25798
the chief and approved by the governor as provided in section 25799
1523.01 of the Revised Code. Such agreements shall be for a 25800
certain price or rental for the water or lands furnished to or 25801
used by the grantees, lessees, or their assigns, to be paid 25802
quarterly, semiannually, or annually as the chief deems advisable. 25803

~~Said~~ The chief may, for a term not exceeding fifty years, 25804
sell or lease power generated by any head of water raised or 25805
maintained by any such improvement, or ~~he~~ the chief may sell or 25806
lease the right to use such head of water for generating power or 25807
other hydraulic purposes. 25808

All such contracts of sale or lease, whether for water or 25809
power, shall contain such reservations or restrictions as the 25810
chief deems necessary and proper in furtherance of the purposes of 25811
sections 1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, and 25812
the preservation of the use of such waters for navigation in case 25813
they are required therefor. 25814

Such contracts or leases ~~must~~ shall be approved by the 25815
attorney general as to their general form and legality and, before 25816
becoming binding obligations on the state, they shall be approved 25817
by the governor by ~~his~~ the governor's written indorsement thereon. 25818

Sec. 1523.06. (A) The chief of the division of soil and water 25819
resources before selling bonds as provided in section 1523.02 of 25820
the Revised Code or before receiving bids for the construction of 25821
improvements as authorized by section 1523.03 of the Revised Code 25822
may enter into tentative agreements for the sale or lease of water 25823

or power to:	25824
(1) Ascertain whether the public interest and welfare	25825
reasonably require the proposed improvements in the proposed	25826
locality;	25827
(2) Determine whether the revenues which the state may derive	25828
from the lease of lands and the lease and sale of the waters which	25829
are estimated will be conserved, impounded, and stored, or from	25830
the sale or lease of the power generated by such improvements,	25831
will be sufficient:	25832
(a) To pay the interest on bonds issued under section 1523.02	25833
of the Revised Code;	25834
(b) To create a sinking fund to retire said <u>the</u> bonds at	25835
their maturity;	25836
(c) To maintain and keep said <u>the</u> improvements in repair.	25837
(B) The performance and carrying out of such tentative	25838
agreements shall be conditioned upon the ability of such chief to:	25839
(1) Sell said <u>the</u> proposed bonds at not less than par and	25840
accrued interest;	25841
(2) Secure bids for the furnishing of all the labor and	25842
material necessary in the construction of such improvements,	25843
including all real estate required and damages incurred, at such a	25844
price that the rentals or compensation to be paid will provide	25845
during the terms of such contracts or leases a sum sufficient to	25846
pay said <u>the</u> interest, retire said <u>the</u> bonds, and maintain and	25847
keep said <u>the</u> improvements in repair.	25848
Sec. 1523.07. The treasurer of state shall be treasurer and	25849
the auditor of state shall be auditor of all moneys derived from	25850
the use of the improvements authorized by sections 1523.01 to	25851
1523.13, inclusive, of the Revised Code. The treasurer of state	25852
shall hold said <u>the</u> moneys as trustee for the maintenance of any	25853

improvements constructed under such sections, and for the holders 25854
of any bonds issued in accordance with section 1523.02 of the 25855
Revised Code. ~~Said~~ The moneys shall not be turned into the state 25856
treasury, but shall be deposited and disbursed by the treasurer of 25857
state in the manner provided in this section. All such moneys 25858
shall be collected by the treasurer of state on statements to be 25859
furnished by the chief of the division of soil and water resources 25860
and when so collected shall be deposited in solvent banks in the 25861
state upon the same terms as state funds are now loaned. ~~Said~~ The 25862
funds shall be kept by such banks in a fund known as the "water 25863
conservation fund" and shall be used, first, to maintain and keep 25864
in repair the dams, reservoirs, storage basins, and other 25865
improvements, and, second, to pay the interest upon and principal 25866
of the bonds issued and sold pursuant to section 1523.02 of the 25867
Revised Code, as such interest falls due or ~~said~~ the bonds mature. 25868

The banks in which the treasurer of state deposits any of the 25869
moneys belonging either to the water conservation improvement fund 25870
provided for in section 1523.02 of the Revised Code or the water 25871
conservation fund provided for in this section shall be state 25872
depository banks as provided for in sections 135.01 to 135.21~~7~~ 25873
~~inclusive~~, of the Revised Code. An amount not to exceed fifty 25874
thousand dollars of the money on deposit at any one time in the 25875
water conservation improvement fund, and an amount not to exceed 25876
ten thousand dollars in the water conservation fund shall be held 25877
by any of ~~said~~ the banks as an active deposit, and ~~said~~ the banks 25878
shall pay the treasurer of state on such deposits, both active and 25879
inactive, the same rate of interest then being paid by them upon 25880
the funds of the state then deposited with them by the treasurer 25881
of state. All such payments of interest shall be credited to the 25882
respective funds upon which such interest is paid. 25883

Sec. 1523.08. When the cost of any repairs to the 25884
improvements authorized by section 1523.01 of the Revised Code 25885

does not exceed one thousand dollars, the chief of the division of 25886
soil and water of ~~the department of natural~~ resources either may 25887
make such repairs ~~himself~~ or may let a contract therefor without 25888
advertising for bids. If the cost of any such repairs is in excess 25889
of one thousand dollars, the chief shall advertise for bids for 25890
the making of such repairs and let a contract therefor as provided 25891
in section 1523.03 of the Revised Code. 25892

When itemized statements are presented to the chief showing 25893
the amount of labor performed and material furnished in the making 25894
of such repairs, verified by the person making them and approved 25895
in writing by the chief, the chief shall pay the amount of such 25896
statement from the water conservation fund. 25897

Sec. 1523.09. If a reservoir, dam, storage basin, or other 25898
improvement constructed or enlarged by the chief of the division 25899
of soil and water resources as provided in sections 1523.01 to 25900
1523.13 of the Revised Code constitutes a part of the canal system 25901
of the state or is located upon any river, stream, or body of 25902
water formerly used as a feeder for the canal system, no water 25903
shall be sold or leased from the improvement ~~by the chief~~ except 25904
in accordance with section 1520.03 of the Revised Code. 25905

Sec. 1523.10. The funds derived from the sale, use, or lease 25906
of the water impounded and conserved or the power generated by the 25907
improvements constructed pursuant to sections 1523.01 to 1523.13~~7~~ 25908
~~inclusive~~, of the Revised Code, or from the lease of the lands and 25909
improvements adjacent thereto are hereby expressly pledged for the 25910
purpose of maintaining and keeping ~~said~~ the improvements in repair 25911
and for the payment of the interest on and principal of the bonds 25912
issued under section 1523.02 of the Revised Code, as the same fall 25913
due and mature. The owners of such bonds are hereby given a lien 25914
for the payment of the principal and interest of such bonds upon 25915
any dam, reservoir, storage basin, or other improvements, or any 25916

part thereof, with the appurtenances belonging thereto, 25917
constructed by the chief of the division of soil and water 25918
resources with the funds derived from the sale of such bonds. 25919

If default is made in the payment of the interest on any of 25920
~~said the~~ bonds for three or more successive years, or if bonds, 25921
aggregating in par value not less than ten per cent of the total 25922
amount of such bonds then outstanding are not paid at maturity, 25923
then all of ~~said the~~ bonds, both principal and interest, shall 25924
become due and payable, and the owners of any of ~~said the~~ bonds, 25925
aggregating in par value not less than ten per cent of the total 25926
amount of such bonds then outstanding, may institute proceedings 25927
to foreclose such lien against the state in the court of common 25928
pleas of the county in which is located any of ~~said the~~ 25929
improvements, constructed, altered, or enlarged out of the 25930
proceeds of the sale of such bonds. 25931

~~Said The~~ court shall have jurisdiction of such action with 25932
full power to foreclose such lien and to make an order to the 25933
sheriff of ~~said the~~ county, acting as a master commissioner, 25934
directing ~~him~~ the sheriff to make a sale of such improvements or 25935
part thereof at not less than two-thirds of the appraised value 25936
thereof, and upon such terms and in manner and form as provided 25937
for in ~~said the~~ order, and to pay the proceeds of such sale to the 25938
clerk of the court of common pleas. Upon motion of the purchaser 25939
of such improvements at such sale, the court, if such sale is 25940
found to be regular in all respects and according to law, shall 25941
confirm the sale and order the sheriff to execute a deed to such 25942
purchaser and ~~his~~ the purchaser's assigns, conveying to ~~him~~ the 25943
purchaser and the purchaser's assigns all the right, title, and 25944
interest of the holders of ~~said the~~ bonds in and to ~~said the~~ 25945
improvements, and all the right, title, and interest of the state, 25946
for a period of not more than fifty years from the date of such 25947
conveyance, in the same, with full right and franchise, for ~~said~~ 25948

the period of not to exceed fifty years, to operate ~~said~~ the 25949
improvements and dispose of the water conserved or the power 25950
generated thereby, with the further right, for ~~said~~ the period of 25951
fifty years, to flow, transport, and convey ~~said~~ the water from 25952
~~said~~ the improvements, or to conduct and transmit power generated 25953
thereby through, over, and upon any of the lands of the state or 25954
channels or beds of any of its reservoirs, lakes, canals, races, 25955
aqueducts, or watercourses. In the exercise of such rights, such 25956
purchaser or ~~his~~ the purchaser's assigns shall at all times during 25957
the term of ~~said~~ the grant maintain the improvements so conveyed 25958
to them in a good state of repair and shall not interfere with the 25959
navigation of the canals of the state or with the control and 25960
maintenance thereof or with the sale of water by the state from 25961
its dams, reservoirs, and improvements other than those so 25962
constructed. The state does not incur any liability by reason of 25963
such sale and the rights granted thereunder to continue to 25964
maintain such canals, races, channels, or watercourses, or to 25965
continue the use thereof. Such conveyance or grant by the sheriff 25966
as such master commissioner shall contain a clause giving the 25967
chief such control of waste gates and wickets as to regulate the 25968
flow of water in the state reservoirs or canals, in such manner as 25969
to maintain the proper level therein and to prevent the flowing 25970
into such reservoirs and canals of such quantities of water as 25971
might impair any of the property of the state or its lessees, 25972
except as otherwise provided in section 1520.03 of the Revised 25973
Code. 25974

Upon the foreclosure of ~~said~~ the lien and the sale of ~~said~~ 25975
the improvements, all contracts or leases for the sale, use, or 25976
lease of water, the lands and improvements adjacent thereto, or 25977
power rights then outstanding shall become void, and the rights of 25978
the state and the several lessees thereunder, shall cease. 25979

Upon the making of an order by the court for the sale of such 25980

improvements, and before they are offered for sale by the sheriff, 25981
the court shall appoint three disinterested appraisers, one of 25982
whom shall be a water-works or hydraulic engineer with at least 25983
five years' experience in the practice of ~~his~~ the engineer's 25984
profession, and two of whom shall be freeholders residing in the 25985
county in which any of such improvements are located. ~~Said~~ The 25986
appraisers shall appraise ~~said~~ the improvements and shall, within 25987
the time fixed by the court, file such appraisal in writing with 25988
the clerk. If the lien given by this section as security for the 25989
payment of ~~said~~ the bonds covers a part only of ~~said~~ the 25990
improvements, ~~said~~ the appraisers shall appraise ~~said~~ the 25991
improvements as an entirety, and shall also appraise separately 25992
the part constructed from the proceeds of the sale of ~~said~~ the 25993
bonds, the lien of which is being foreclosed in such proceeding. 25994

In making such appraisal and fixing the value of ~~said~~ the 25995
improvements or of such part thereof, ~~said~~ the appraisers shall 25996
have access to all papers and documents on file in the office of 25997
the chief relating to such improvements, including the plans and 25998
specifications therefor, and the bids made and contracts entered 25999
into for the construction thereof, and all leases and contracts 26000
for the sale of water impounded therein and power generated 26001
thereby. The order of the court shall direct the sale only of such 26002
part of ~~said~~ the improvements as have been constructed from the 26003
proceeds of the sale of ~~said~~ the bonds. The purchaser at such 26004
sale, in the operation of such improvements during the term of the 26005
franchise granted to ~~him~~ the purchaser by this section, shall draw 26006
from the dam or reservoir impounding such water only such portion 26007
thereof as the appraised value of that part of such improvements, 26008
constructed from the proceeds of the sale of such bonds and sold 26009
to ~~him~~ the purchaser under the order of the court, bears to the 26010
entire appraised value of such improvements. 26011

If at any time during the term of the franchise granted to 26012

the purchaser of such improvements at such foreclosure sale any 26013
controversy arises between ~~him~~ the purchaser or ~~his~~ the 26014
purchaser's assigns and the chief as to the operation of such 26015
improvements, or as to the amount of water which ~~said~~ the 26016
purchaser is drawing or is entitled to draw therefrom, either ~~said~~ 26017
the purchaser or ~~said~~ the chief may file a petition in ~~said~~ the 26018
court, setting forth the facts connected with such controversy. 26019

Notice in writing of the filing of such petition shall be 26020
given to the opposite party to ~~said~~ the controversy within thirty 26021
days from the date of the filing thereof, either by service of 26022
such notice personally upon such opposite party by the sheriff of 26023
such county or by service by mail by the clerk. Such notice shall 26024
be mailed to the name and address which the purchaser filed with 26025
~~said~~ the clerk at the time of the delivery to the purchaser by the 26026
sheriff of the deed. Within thirty days from the serving or 26027
mailing of such notice, the opposite party to ~~said~~ the controversy 26028
shall file ~~his~~ an answer in ~~said~~ the court, and thereupon the 26029
court shall hear and determine ~~said~~ the controversy and make such 26030
order in regard to it as is just and proper, which order shall be 26031
binding upon all the parties to ~~said~~ the controversy. 26032

At the termination of ~~said~~ the period of not to exceed fifty 26033
years, all of the rights and privileges conveyed to ~~said~~ the 26034
purchaser by the deed and grant of such sheriff as master 26035
commissioner shall cease and ~~said~~ the improvements, with all the 26036
appurtenances belonging thereto, shall revert to and become the 26037
property of the state, free and clear of any claims whatever 26038
against them. 26039

The clerk shall distribute and pay the money received by ~~him~~ 26040
the clerk from the sheriff as such master commissioner from the 26041
sale of such improvements to the holders of ~~said~~ the bonds pro 26042
rata, and upon such payment to any of ~~said~~ the bondholders, they 26043
shall surrender to the ~~said~~ the clerk their bonds, with all unpaid 26044

interest coupons thereon. The clerk shall thereupon cancel the 26045
same and deliver them, so canceled, to the treasurer of the water 26046
conservation improvement fund. 26047

Sec. 1523.11. All appropriations of property made by the 26048
chief of the division of soil and water resources in carrying out 26049
sections 1523.01 to 1523.13,~~inclusive~~, of the Revised Code, shall 26050
be made in accordance with sections 163.01 to 163.22,~~inclusive~~, 26051
of the Revised Code, provided that possession of any property so 26052
appropriated shall not be taken by the state or the chief before 26053
the compensation and damages awarded therefor in the appropriation 26054
proceedings have been paid into court. 26055

Sec. 1523.12. Sections 1523.01 to 1523.13,~~inclusive~~, of the 26056
Revised Code do not authorize any reduction in the quantity or any 26057
impairment in the quality of the water in any watershed, stream, 26058
or basin, developed or undeveloped, from which any political 26059
subdivision is, at the time the chief of the division of soil and 26060
water resources proposes and is proceeding to construct in such 26061
watershed, stream, or basin any of the improvements authorized by 26062
such sections, taking water for the use of itself or its 26063
inhabitants, or has plans under way, or has made or begun 26064
appropriation of any property or rights in such watershed, stream, 26065
or basin for the purpose of acquiring a water supply for itself or 26066
its inhabitants for either domestic, industrial, or other uses. 26067
Such sections do not authorize the chief to sell or lease the 26068
right to use water at any time for any purpose or to such an 26069
extent as to prejudice, abrogate, or supersede any of the water 26070
rights granted by the state to the city of Akron as provided in 26071
volume 102, Ohio Laws, page 175, sections 1 to 3,~~inclusive~~. 26072

Sec. 1523.13. If by reason of severe drought or other causes 26073
the water supply of any political subdivision is, in the judgment 26074

of the chief of the division of soil and water resources, at any 26075
time so reduced or impaired as to endanger the property of such 26076
political subdivision, or the health, safety, or property of the 26077
inhabitants thereof, then the chief, under such regulations as ~~he~~ 26078
the chief prescribes, may grant to such political subdivision the 26079
right, during the continuance of such emergency, to draw or take 26080
such quantity of water as is necessary to protect the property of 26081
such political subdivision and the health, safety, or property of 26082
its inhabitants from any improvement constructed under sections 26083
1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, before any of 26084
the lessees or grantees of the state using the water for 26085
industrial purposes take water therefrom. Such political 26086
subdivision shall pay such price per thousand gallons for the 26087
water so taken by it as is fixed by the chief and the governor. 26088
The price so fixed shall not exceed the maximum price then being 26089
paid for water to the state by any of its lessees or grantees. 26090
Such grant by the chief to such political subdivision shall not 26091
modify the terms or impair the validity of any leases then 26092
existing between the state and other persons, firms, or 26093
corporations, except as expressly provided in this section. 26094

Sec. 1523.14. The director of transportation in constructing 26095
highways, bridges, and culverts as provided by law; the board of 26096
county commissioners in constructing highways, bridges, and 26097
culverts as provided by law; the board of township trustees of any 26098
township in constructing highways, bridges, and culverts as 26099
provided by law; and any municipal corporation constructing or 26100
improving viaducts, bridges, and culverts under section 717.01 of 26101
the Revised Code, either severally or jointly, upon request of the 26102
chief of the division of soil and water resources and with the 26103
approval of the director of transportation, may construct and 26104
maintain slack-water dams in connection with ~~said~~ the highway, 26105
highway bridge, or culvert so as to create reservoirs, ponds, 26106

water parks, basins, lakes, or other incidental works to conserve 26107
the water supply of the state. 26108

Sec. 1523.15. The chief of the division of soil and water ~~of~~ 26109
~~the department of natural~~ resources may request the public 26110
authority having charge of the construction of state, county, or 26111
township highways, highway bridges, and culverts, or municipal 26112
streets, for the construction of slack-water dams in connection 26113
with the construction of any such highway, street, highway bridge, 26114
or culvert whenever, in ~~his~~ the chief's opinion, the construction 26115
of such dam is desirable and feasible for the economical creation 26116
and construction of reservoirs, ponds, water parks, basins, lakes, 26117
or other incidental works for the conservation of the water supply 26118
of the state. 26119

The public authority having charge of such construction may 26120
approve such request when, in its opinion, the construction of 26121
such dams will not unnecessarily delay or hinder the construction 26122
of the highway, street, highway bridge, or culvert, or will not 26123
interfere with its value or use for highway purposes. 26124

If such request is approved, the chief, in cooperation with 26125
the department of transportation and the public authority 26126
participating in the project, shall make a survey and prepare 26127
plans, specifications, and estimates for the construction of such 26128
dams and the reservoir, pond, water park, basin, lake, or other 26129
incidental works in connection therewith. 26130

Upon approval of the plans and specifications and 26131
determination to proceed with the project, the chief shall enter 26132
into an agreement with the public authority on the distribution of 26133
the cost and expense of the construction of such dams and 26134
incidental works in connection therewith. The portion of the cost 26135
to be paid by the division of soil and water resources shall be 26136
paid from any funds appropriated for or paid into the division and 26137

available for such purpose. 26138

Such dams shall be constructed under and subject to any laws 26139
governing the construction of state, county, or township highways, 26140
bridges, or culverts. Any public authority undertaking 26141

The chief shall establish criteria for the issuance of and 26638
shall issue permits for the administration of contraceptive 26639
chemicals to noncaptive wild animals. No person shall administer 26640
contraceptive chemicals to noncaptive wild animals without a 26641
permit issued by the chief. 26642

(L) All fees set by the chief under this section shall be 26643
approved by the wildlife council. 26644

and section 1531.25 of the Revised Code may be made available to 26647
any individual or public or private agency for research, 26648
educational, environmental, land management, or other similar 26649
purposes that are not detrimental to the conservation of a species 26650
or feature. Information regarding sensitive site locations of 26651
species that are listed pursuant to section 1531.25 of the Revised 26652
Code and of features that are included in the wildlife diversity 26653
database is not subject to section 149.43 of the Revised Code if 26654
the chief determines that the release of the information could be 26655
detrimental to the conservation of a species or feature. 26656

Sec. 1533.10. Except as provided in this section or division 26657
(A)(2) of section 1533.12 of the Revised Code, no person shall 26658
hunt any wild bird or wild quadruped without a hunting license. 26659
Each day that any person hunts within the state without procuring 26660
such a license constitutes a separate offense. Except as otherwise 26661
provided in this section, every applicant for a hunting license 26662
who is a resident of the state and eighteen years of age or more 26663
shall procure a resident hunting license or an apprentice resident 26664
hunting license, the fee for which shall be eighteen dollars 26665
unless the rules adopted under division (B) of section 1533.12 of 26666

the Revised Code provide for issuance of a resident hunting 26667
license to the applicant free of charge. Except as provided in 26668
rules adopted under division (B)(2) of that section, each 26669
applicant who is a resident of this state and who at the time of 26670
application is sixty-six years of age or older shall procure a 26671
special senior hunting license, the fee for which shall be 26672
one-half of the regular hunting license fee. Every applicant who 26673
is under the age of eighteen years shall procure a special youth 26674
hunting license or an apprentice youth hunting license, the fee 26675
for which shall be one-half of the regular hunting license fee. 26676
The owner of lands in the state and the owner's children of any 26677
age and grandchildren ~~under eighteen years~~ of any age may hunt on 26678
the lands without a hunting license. The tenant and children of 26679
the tenant, residing on lands in the state, may hunt on them 26680
without a hunting license. Except as otherwise provided in 26681
division (A)(1) of section 1533.12 of the Revised Code, every 26682
applicant for a hunting license who is a nonresident of the state 26683
and who is eighteen years of age or older shall procure a 26684
nonresident hunting license or an apprentice nonresident hunting 26685
license, the fee for which shall be one hundred twenty-four 26686
dollars unless the applicant is a resident of a state that is a 26687
party to an agreement under section 1533.91 of the Revised Code, 26688
in which case the fee shall be eighteen dollars. Apprentice 26689
resident hunting licenses, apprentice youth hunting licenses, and 26690
apprentice nonresident hunting licenses are subject to the 26691
requirements established under section 1533.102 of the Revised 26692
Code and rules adopted pursuant to it. 26693

The chief of the division of wildlife may issue a small game 26694
hunting license expiring three days from the effective date of the 26695
license to a nonresident of the state, the fee for which shall be 26696
thirty-nine dollars. No person shall take or possess deer, wild 26697
turkeys, fur-bearing animals, ducks, geese, brant, or any nongame 26698
animal while possessing only a small game hunting license. A small 26699

game hunting license or an apprentice nonresident hunting license 26700
does not authorize the taking or possessing of ducks, geese, or 26701
brant without having obtained, in addition to the small game 26702
hunting license or the apprentice nonresident hunting license, a 26703
wetlands habitat stamp as provided in section 1533.112 of the 26704
Revised Code. A small game hunting license or an apprentice 26705
nonresident hunting license does not authorize the taking or 26706
possessing of deer, wild turkeys, or fur-bearing animals. A 26707
nonresident of the state who wishes to take or possess deer, wild 26708
turkeys, or fur-bearing animals in this state shall procure, 26709
respectively, a deer or wild turkey permit as provided in section 26710
1533.11 of the Revised Code or a fur taker permit as provided in 26711
section 1533.111 of the Revised Code in addition to a nonresident 26712
hunting license, an apprentice nonresident hunting license, a 26713
special youth hunting license, or an apprentice youth hunting 26714
license, as applicable, as provided in this section. 26715

No person shall procure or attempt to procure a hunting 26716
license by fraud, deceit, misrepresentation, or any false 26717
statement. 26718

This section does not authorize the taking and possessing of 26719
deer or wild turkeys without first having obtained, in addition to 26720
the hunting license required by this section, a deer or wild 26721
turkey permit as provided in section 1533.11 of the Revised Code 26722
or the taking and possessing of ducks, geese, or brant without 26723
first having obtained, in addition to the hunting license required 26724
by this section, a wetlands habitat stamp as provided in section 26725
1533.112 of the Revised Code. 26726

This section does not authorize the hunting or trapping of 26727
fur-bearing animals without first having obtained, in addition to 26728
a hunting license required by this section, a fur taker permit as 26729
provided in section 1533.111 of the Revised Code. 26730

No hunting license shall be issued unless it is accompanied 26731

by a written explanation of the law in section 1533.17 of the Revised Code and the penalty for its violation, including a description of terms of imprisonment and fines that may be imposed.

No hunting license, other than an apprentice hunting license, shall be issued unless the applicant presents to the agent authorized to issue the license a previously held hunting license or evidence of having held such a license in content and manner approved by the chief, a certificate of completion issued upon completion of a hunter education and conservation course approved by the chief, or evidence of equivalent training in content and manner approved by the chief. A previously held apprentice hunting license does not satisfy the requirement concerning the presentation of a previously held hunting license or evidence of it.

No person shall issue a hunting license, except an apprentice hunting license, to any person who fails to present the evidence required by this section. No person shall purchase or obtain a hunting license, other than an apprentice hunting license, without presenting to the issuing agent the evidence required by this section. Issuance of a hunting license in violation of the requirements of this section is an offense by both the purchaser of the illegally obtained hunting license and the clerk or agent who issued the hunting license. Any hunting license issued in violation of this section is void.

The chief, with approval of the wildlife council, shall adopt rules prescribing a hunter education and conservation course for first-time hunting license buyers, other than buyers of apprentice hunting licenses, and for volunteer instructors. The course shall consist of subjects including, but not limited to, hunter safety and health, use of hunting implements, hunting tradition and ethics, the hunter and conservation, the law in section 1533.17 of

the Revised Code along with the penalty for its violation, 26764
including a description of terms of imprisonment and fines that 26765
may be imposed, and other law relating to hunting. Authorized 26766
personnel of the division or volunteer instructors approved by the 26767
chief shall conduct such courses with such frequency and at such 26768
locations throughout the state as to reasonably meet the needs of 26769
license applicants. The chief shall issue a certificate of 26770
completion to each person who successfully completes the course 26771
and passes an examination prescribed by the chief. 26772

Sec. 1533.11. (A) Except as provided in this section, no 26773
person shall hunt deer on lands of another without first obtaining 26774
an annual deer permit. Except as provided in this section, no 26775
person shall hunt wild turkeys on lands of another without first 26776
obtaining an annual wild turkey permit. Each applicant for a deer 26777
or wild turkey permit shall pay an annual fee of twenty-three 26778
dollars for each permit unless the rules adopted under division 26779
(B) of section 1533.12 of the Revised Code provide for issuance of 26780
a deer or wild turkey permit to the applicant free of charge. 26781
Except as provided in rules adopted under division (B)(2) of that 26782
section, each applicant who is a resident of this state and who at 26783
the time of application is sixty-six years of age or older shall 26784
procure a senior deer or wildturkey permit, the fee for which 26785
shall be one-half of the regular deer or wild turkey permit fee. 26786
Each applicant who is under the age of eighteen years shall 26787
procure a youth deer or wild turkey permit, the fee for which 26788
shall be one-half of the regular deer or wild turkey permit fee. 26789
Except as provided in division (A)(2) of section 1533.12 of the 26790
Revised Code, a deer or wild turkey permit shall run concurrently 26791
with the hunting license. The money received shall be paid into 26792
the state treasury to the credit of the wildlife fund, created in 26793
section 1531.17 of the Revised Code, exclusively for the use of 26794
the division of wildlife in the acquisition and development of 26795

land for deer or wild turkey management, for investigating deer or 26796
wild turkey problems, and for the stocking, management, and 26797
protection of deer or wild turkey. Every person, while hunting 26798
deer or wild turkey on lands of another, shall carry the person's 26799
deer or wild turkey permit and exhibit it to any enforcement 26800
officer so requesting. Failure to so carry and exhibit such a 26801
permit constitutes an offense under this section. The chief of the 26802
division of wildlife shall adopt any additional rules the chief 26803
considers necessary to carry out this section and section 1533.10 26804
of the Revised Code. 26805

The owner and the children of the owner of lands in this 26806
state may hunt deer or wild turkey thereon without a deer or wild 26807
turkey permit. The tenant and children of the tenant may hunt deer 26808
or wild turkey on lands where they reside without a deer or wild 26809
turkey permit. 26810

(B) A deer or wild turkey permit is not transferable. No 26811
person shall carry a deer or wild turkey permit issued in the name 26812
of another person. 26813

(C) The wildlife refunds fund is hereby created in the state 26814
treasury. The fund shall consist of money received from 26815
application fees for deer permits that are not issued. Money in 26816
the fund shall be used to make refunds of such application fees. 26817

(D) If the division establishes a system for the electronic 26818
submission of information regarding deer or wild turkey that are 26819
taken, the division shall allow the owner and the children of the 26820
owner of lands in this state to use the owner's name or address 26821
for purposes of submitting that information electronically via 26822
that system. 26823

Sec. 1533.12. (A)(1) Except as otherwise provided in division 26824
(A)(2) of this section, every person on active duty in the armed 26825
forces of the United States who is stationed in this state and who 26826

wishes to engage in an activity for which a license, permit, or stamp is required under this chapter first shall obtain the requisite license, permit, or stamp. In order to hunt deer or wild turkey, any such person shall obtain a deer or wild turkey permit, as applicable, under section 1533.11 of the Revised Code. However, the person need not obtain a hunting license in order to obtain such a permit.

(B) The chief of the division of wildlife shall provide by rule adopted under section 1531.10 of the Revised Code all of the following:

an annual fishing license, hunting license, or combination of 26906
those licenses free of charge when application is made to the 26907

cemetery merchandise and services contract; however all sellers of 27543
merchandise pursuant to a preneed cemetery merchandise and 27544
services contract shall comply with this section unless the seller 27545

is specifically exempt from this section. 27546

occurred or is threatened, the superintendent ~~or the director~~ may 28242
give notice to the health insuring corporation and to the 28243
representatives or other persons who appear to be involved in the 28244
suspected violation to arrange a conference with the suspected 28245
violators or their authorized representatives for the purpose of 28246
attempting to ascertain the facts relating to the suspected 28247

violation, and, if it appears that any violation has occurred or 28248
is threatened, to arrive at an adequate and effective means of 28249
correcting or preventing the violation. 28250

Proceedings under this division shall not be covered by any 28251
formal procedural requirements, and may be conducted in the manner 28252
the superintendent ~~or the director of health~~ may consider 28253
appropriate under the circumstances. 28254

(C)(1) The superintendent may issue an order directing a 28255
health insuring corporation or a representative of the health 28256
insuring corporation to cease and desist from engaging in any act 28257
or practice in violation of this chapter. Within thirty days after 28258
service of the order to cease and desist, the respondent may 28259
request a hearing on the question of whether acts or practices in 28260
violation of this chapter have occurred. Such hearings shall be 28261
conducted in accordance with Chapter 119. of the Revised Code and 28262
judicial review shall be available as provided by that chapter. 28263

(2) If the superintendent has reasonable cause to believe 28264
that an order issued pursuant to this division has been violated 28265
in whole or in part, the superintendent may request the attorney 28266
general to commence and prosecute any appropriate action or 28267
proceeding in the name of the state against the violators in the 28268

expenses reasonably incurred by the superintendent in enforcing 28273
the order. The penalties and fees collected under this division 28274
shall be paid into the state treasury to the credit of the 28275
department of insurance operating fund. 28276

Sec. 1751.46. (A) The superintendent of insurance ~~and the~~ 28277
~~director of health~~ may contract with qualified persons to make 28278

recommendations concerning the determinations required to be made 28279
by the superintendent ~~or the director~~ relative to an expansion of 28280
a service area pursuant to division (C) of section 1751.03 of the 28281
Revised Code, an application for a certificate of authority 28282
pursuant to sections 1751.04 and 1751.05 of the Revised Code, a 28283
contractual periodic prepayment or premium rate pursuant to 28284
section 1751.12 of the Revised Code, and an examination pursuant 28285
to division (B) of section 1751.34 of the Revised Code. The 28286
recommendations may be accepted in full or in part, or may be 28287
rejected, by the superintendent ~~or director~~. 28288

The total cost of a contract with a qualified person pursuant 28289
to this division shall represent the fair market value of the 28290
services provided and shall be borne by the health insuring 28291
corporation that is the subject of the determination required to 28292
be made by the superintendent ~~or the director~~. 28293

(B) No qualified person placed on contract by the 28294
superintendent ~~or the director~~ pursuant to division (A) of this 28295
section shall have a conflict of interest with the department of 28296
insurance, ~~the department of health~~, or the health insuring 28297
corporation. 28298

Sec. 1751.48. ~~(A)~~ The superintendent of insurance may adopt 28299
rules as are necessary to carry out the provisions of this 28300
chapter. These rules shall be adopted in accordance with Chapter 28301
119. of the Revised Code. 28302

~~(B) The director of health may make recommendations to the 28303
superintendent for rules that are necessary to enable the director 28304
to carry out the director's responsibilities under this chapter, 28305
including rules that prescribe standards relating to the 28306
requirements set forth in division (B) of section 1751.04 of the 28307
Revised Code. In adopting any rules pertaining to the director's 28308
responsibilities, the superintendent shall consider the 28309~~

~~recommendations of the director.~~ 28310

Sec. 1751.831. The superintendent of insurance shall 28311
establish and maintain a system for receiving and reviewing 28312
requests for review from or on behalf of enrollees who, under 28313
section 1751.83 of the Revised Code, have been denied coverage of 28314
a health care service or had coverage reduced or terminated when 28315
the grounds for the denial, reduction, or termination is that the 28316
service is not a service covered under the terms of the enrollee's 28317
policy, contract, or agreement. 28318

On receipt of a written request from an enrollee or 28319
authorized person, the superintendent shall consider whether the 28320
health care service is a service covered under the terms of the 28321
enrollee's policy, contract, or agreement, except that the 28322
superintendent shall not conduct a review under this section 28323
unless the enrollee has exhausted the health insuring 28324
corporation's internal review process established pursuant to 28325
section 1751.83 of the Revised Code. The health insuring 28326
corporation and the enrollee or authorized person shall provide 28327
the superintendent with any information required by the 28328
superintendent that is in their possession and is germane to the 28329
review. 28330

Unless the superintendent is not able to do so because making 28331
the determination requires resolution of a medical issue, the 28332
superintendent shall determine whether the health care service at 28333
issue is a service covered under the terms of the enrollee's 28334
contract, policy, or agreement. The superintendent shall notify 28335
the enrollee, or authorized person, and the health insuring 28336
corporation of the superintendent's determination or that the 28337
superintendent is not able to make a determination. 28338

If the superintendent notifies the health insuring 28339
corporation that making the determination requires the resolution 28340

of a medical issue, the health insuring corporation shall ~~afford~~ 28341
~~the enrollee an opportunity for~~ initiate an external review under 28342
section 1751.84 or 1751.85 of the Revised Code. If the 28343
superintendent notifies the health insuring corporation that the 28344
health service is a covered service, the health insuring 28345
corporation shall either cover the service or afford the enrollee 28346
an opportunity for an external review under section 1751.84 or 28347
1751.85 of the Revised Code. If the superintendent notifies the 28348
health insuring corporation that the health care service is not a 28349
covered service, the health insuring corporation is not required 28350
to cover the service or afford the enrollee an external review. 28351

Sec. 1751.84. (A) Except as provided in divisions (B) and (C) 28352
of this section, a health insuring corporation shall afford an 28353
enrollee an opportunity for an external review if both of the 28354
following are the case: 28355

(1) The health insuring corporation has denied, reduced, or 28356
terminated coverage for what would be a covered health care 28357
service except for the fact that the health insuring corporation 28358
has determined that the health care service is not medically 28359
necessary; 28360

(2) Except in the case of an expedited review, the service, 28361
plus any ancillary services and follow-up care, will cost the 28362
enrollee more than five hundred dollars if the proposed service is 28363
not covered by the health insuring corporation. 28364

External review shall be conducted in accordance with this 28365
section, except that if an enrollee with a terminal condition 28366
meets all of the criteria of division (A) of section 1751.85 of 28367
the Revised Code, an external review shall be conducted under that 28368
section. 28369

(B) An enrollee need not be afforded a review under this 28370
section in any of the following circumstances: 28371

(1) The superintendent of insurance has determined under 28372
section 1751.831 of the Revised Code that the health care service 28373
is not a service covered under the terms of the enrollee's policy, 28374
contract, or agreement. 28375

(2) Except as provided in section 1751.811 of the Revised 28376
Code, the enrollee has failed to exhaust the health insuring 28377
corporation's internal review process established pursuant to 28378
section 1751.83 of the Revised Code. 28379

(3) The enrollee has previously been afforded an external 28380
review for the same adverse determination and no new clinical 28381
information has been submitted to the health insuring corporation. 28382

(C)(1) A health insuring corporation may deny a request for 28383
an external review of an adverse determination if it is requested 28384
later than ~~sixty~~ one hundred eighty days after the enrollee's 28385
receipt of notice of the result of an internal review brought 28386
under section 1751.83 of the Revised Code. An external review may 28387
be requested by the enrollee, an authorized person, the enrollee's 28388
provider, or a health care facility rendering health care service 28389
to the enrollee. The enrollee may request a review without the 28390
approval of the provider or the health care facility rendering the 28391
health care service. The provider or health care facility may not 28392
request a review without the prior consent of the enrollee. 28393

(2) An external review must be requested in writing, except 28394
that if the enrollee has a condition that requires expedited 28395
review, the review may be requested orally or by electronic means. 28396
When an oral or electronic request for review is made, written 28397
confirmation of the request shall be submitted to the health 28398
insuring corporation not later than five days after the oral or 28399
written request is submitted. 28400

Except in the case of an expedited review, a request for an 28401
external review must be accompanied by written certification from 28402

the enrollee's provider or the health care facility rendering the 28403
health care service to the enrollee that the proposed service, 28404
plus any ancillary services and follow-up care, will cost the 28405
enrollee more than five hundred dollars if the proposed service is 28406
not covered by the health insuring corporation. 28407

(3) For an expedited review, the enrollee's provider must 28408
certify that the enrollee's condition could, in the absence of 28409
immediate medical attention, result in any of the following: 28410

(a) Placing the health of the enrollee or, with respect to a 28411
pregnant woman, the health of the enrollee or the unborn child, in 28412
serious jeopardy; 28413

(b) Serious impairment to bodily functions; 28414

(c) Serious dysfunction of any bodily organ or part. 28415

(D) The procedures used in conducting an external review of 28416
an adverse determination shall include all of the following: 28417

(1) The review shall be conducted by an independent review 28418
organization assigned by the superintendent of insurance under 28419
section 3901.80 of the Revised Code. 28420

(2) Except as provided in division (D)(3) and (4) of this 28421
section, neither the clinical peer nor any health care facility 28422
with which the clinical peer is affiliated shall have any 28423
professional, familial, or financial affiliation with any of the 28424
following: 28425

(a) The health insuring corporation or any officer, director, 28426
or managerial employee of the health insuring corporation; 28427

(b) The enrollee, the enrollee's provider, or the practice 28428
group of the enrollee's provider; 28429

(c) The health care facility at which the health care service 28430
requested by the enrollee would be provided; 28431

(d) The development or manufacture of the principal drug, 28432

device, procedure, or therapy proposed for the enrollee. 28433

(3) Division (D)(2) of this section does not prohibit a 28434
clinical peer from conducting a review under any of the following 28435
circumstances: 28436

(a) The clinical peer is affiliated with an academic medical 28437
center that provides health care services to enrollees of the 28438
health insuring corporation. 28439

(b) The clinical peer has staff privileges at a health care 28440
facility that provides health care services to enrollees of the 28441
health insuring corporation. 28442

(c) The clinical peer is a participating provider but was not 28443
involved with the health insuring corporation's adverse 28444
determination. 28445

(4) Division (D)(2) of this section does not prohibit the 28446
health insuring corporation from paying the independent review 28447
organization for the conduct of the review. 28448

(5) An enrollee shall not be required to pay for any part of 28449
the cost of the review. The cost of the review shall be borne by 28450
the health insuring corporation. 28451

(6)(a) The health insuring corporation shall provide to the 28452
independent review organization conducting the review a copy of 28453
those records in its possession that are relevant to the 28454
enrollee's medical condition and the review. The records shall be 28455
used solely for the purpose of this division. 28456

At the request of the independent review organization, the 28457
health insuring corporation, enrollee, or the provider or health 28458
care facility rendering health care services to the enrollee shall 28459
provide any additional information the independent review 28460
organization requests to complete the review. A request for 28461
additional information may be made in writing, orally, or by 28462

electronic means. The independent review organization shall submit the request to the enrollee and health insuring corporation. If a request is submitted orally or by electronic means to an enrollee or health insuring corporation, not later than five days after the request is submitted, the independent review organization shall provide written confirmation of the request. If the review was initiated by a provider or health care facility, a copy of the request shall be submitted to the provider or health care facility.

(b) An independent review organization is not required to make a decision if it has not received any requested information that it considers necessary to complete a review. An independent review organization that does not make a decision for this reason shall notify the enrollee and the health insuring corporation that a decision is not being made. The notice may be made in writing, orally, or by electronic means. An oral or electronic notice shall be confirmed in writing not later than five days after the oral or electronic notice is made. If the review was initiated by a provider or health care facility, a copy of the notice shall be submitted to the provider or health care facility.

(7) The health insuring corporation may elect to cover the service requested and terminate the review. The health insuring corporation shall notify the enrollee and all other parties involved with the decision by mail or, with the consent or approval of the enrollee, by electronic means.

(8) In making its decision, an independent review organization conducting the review shall take into account all of the following:

(a) Information submitted by the health insuring corporation, the enrollee, the enrollee's provider, and the health care facility rendering the health care service, including the following:

(i) The enrollee's medical records;	28495
(ii) The standards, criteria, and clinical rationale used by the health insuring corporation to make its decision.	28496 28497
(b) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations, including the national institutes of health or any board recognized by the national institutes of health, the national cancer institute, the national academy of sciences, the United States food and drug administration, the health care financing administration of the United States department of health and human services, and the agency for health care policy and research;	28498 28499 28500 28501 28502 28503 28504 28505
(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national medical societies.	28506 28507 28508 28509
(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the health insuring corporation and the enrollee. If the enrollee's provider or the health care facility rendering health care services to the enrollee requested the review, the independent review organization shall also send a copy of its decision to the enrollee's provider or the health care facility.	28510 28511 28512 28513 28514 28515 28516 28517 28518 28519 28520 28521
(b) The independent review organization's decision shall include a description of the enrollee's condition and the principal reasons for the decision and an explanation of the clinical rationale for the decision.	28522 28523 28524 28525

(E) The independent review organization shall base its decision on the information submitted under division (D)(8) of this section. In making its decision, the independent review organization shall consider safety, efficacy, appropriateness, and cost effectiveness.

(F) The health insuring corporation shall provide any coverage determined by the independent review organization's decision to be medically necessary, subject to the other terms, limitations, and conditions of the enrollee's contract. The decision shall apply only to the individual enrollee's external review.

Sec. 1751.85. (A) Each health insuring corporation shall establish a reasonable external, independent review process to examine the health insuring corporation's coverage decisions for enrollees who meet all of the following criteria:

(1) The enrollee has a terminal condition that, according to the current diagnosis of the enrollee's physician, has a high probability of causing death within two years.

(2) The enrollee requests a review not later than ~~sixty one~~ hundred eighty days after receipt by the enrollee of notice of the result of an internal review under section 1751.83 of the Revised Code.

(3) The enrollee's physician certifies that the enrollee has the condition described in division (A)(1) of this section and any of the following situations are applicable:

(a) Standard therapies have not been effective in improving the condition of the enrollee;

(b) Standard therapies are not medically appropriate for the enrollee;

(c) There is no standard therapy covered by the health

insuring corporation that is more beneficial than therapy 28556
described in division (A)(4) of this section. 28557

(4) The enrollee's physician has recommended a drug, device, 28558
procedure, or other therapy that the physician certifies, in 28559
writing, is likely to be more beneficial to the enrollee, in the 28560
physician's opinion, than standard therapies, or, the enrollee has 28561
requested a therapy that has been found in a preponderance of 28562
peer-reviewed published studies to be associated with effective 28563
clinical outcomes for the same condition. 28564

(5) The enrollee has been denied coverage by the health 28565
insuring corporation for a drug, device, procedure, or other 28566
therapy recommended or requested pursuant to division (A)(4) of 28567
this section, and has exhausted the health insuring corporation's 28568
internal review process established pursuant to section 1751.83 of 28569
the Revised Code. 28570

(6) The drug, device, procedure, or other therapy, for which 28571
coverage has been denied would be a covered health care service 28572
except for the health insuring corporation's determination that 28573
the drug, device, procedure, or other therapy is experimental or 28574
investigational. 28575

(B) A review shall be requested in writing, except that if 28576
the enrollee's physician determines that a therapy would be 28577
significantly less effective if not promptly initiated, the review 28578
may be requested orally or by electronic means. When an oral or 28579
electronic request for review is made, written confirmation of the 28580
request shall be submitted to the health insuring corporation not 28581
later than five days after the oral or written request is 28582
submitted. 28583

(C) The external, independent review process established by a 28584
health insuring corporation shall meet all of the following 28585
criteria: 28586

(1) Except as provided in division (E) of this section, the process shall afford all enrollees who meet the criteria set forth in division (A) of this section the opportunity to have the health insuring corporation's decision to deny coverage of the recommended or requested therapy reviewed under the process.

(2) The review shall be conducted by an independent review organization assigned by the superintendent of insurance under section 3901.80 of the Revised Code.

The independent review organization shall select a panel to conduct the review, which panel shall be composed of at least three physicians or other providers who, through clinical experience in the past three years, are experts in the treatment of the enrollee's medical condition and knowledgeable about the recommended or requested therapy.

In either of the following circumstances, an exception may be made to the requirement that the review be conducted by an expert panel composed of a minimum of three physicians or other providers:

(a) A review may be conducted by an expert panel composed of only two physicians or other providers if an enrollee has consented in writing to a review by the smaller panel;

(b) A review may be conducted by a single expert physician or other provider if only one expert physician or other provider is available for the review.

(3) Neither the health insuring corporation nor the enrollee shall choose, or control the choice of, the physician or other provider experts.

(4) The selected experts, any health care facility with which an expert is affiliated, and the independent review organization arranging for the experts' review, shall not have any professional, familial, or financial affiliation with any of the

following: 28618

(a) The health insuring corporation or any officer, director, 28619
or managerial employee of the health insuring corporation; 28620

(b) The enrollee, the enrollee's physician, or the practice 28621
group of the enrollee's physician; 28622

(c) The health care facility at which the recommended or 28623
requested therapy would be provided; 28624

(d) The development or manufacture of the principal drug, 28625
device, procedure, or therapy involved in the recommended or 28626
requested therapy. 28627

However, experts affiliated with academic medical centers who 28628
provide health care services to enrollees of the health insuring 28629
corporation may serve as experts on the review panel. Further, 28630
experts with staff privileges at a health care facility that 28631
provides health care services to enrollees of the health insuring 28632
corporation, as well as experts who are participating providers, 28633
but who were not involved with the health insuring corporation's 28634
denial of coverage for the therapy under review, may serve as 28635
experts on the review panel. These nonaffiliation provisions do 28636
not preclude a health insuring corporation from paying for the 28637
experts' review, as specified in division (C)(5) of this section. 28638

(5) Enrollees shall not be required to pay for any part of 28639
the cost of the review. The cost of the review shall be borne by 28640
the health insuring corporation. 28641

(6) The health insuring corporation shall provide to the 28642
independent review organization arranging for the experts' review 28643
a copy of those records in the health insuring corporation's 28644
possession that are relevant to the enrollee's medical condition 28645
and the review. The records shall be disclosed solely to the 28646
expert reviewers and shall be used solely for the purpose of this 28647
section. At the request of the expert reviewers, the health 28648

insuring corporation or the physician recommending the therapy 28649
shall provide any additional information that the expert reviewers 28650
request to complete the review. An expert reviewer is not required 28651
to render an opinion if the reviewer has not received any 28652
requested information that the reviewer considers necessary to 28653
complete the review. 28654

(7)(a) The opinions of the experts on the panel shall be 28655
rendered within thirty days after the enrollee's request for 28656
review. If the enrollee's physician determines that a therapy 28657
would be significantly less effective if not promptly initiated, 28658
the opinions shall be rendered within seven days after the 28659
enrollee's request for review. 28660

(b) In conducting the review, the experts on the panel shall 28661
take into account all of the following: 28662

(i) Information submitted by the health insuring corporation, 28663
the enrollee, and the enrollee's physician, including the 28664
enrollee's medical records and the standards, criteria, and 28665
clinical rationale used by the health insuring corporation to 28666
reach its coverage decision; 28667

(ii) Findings, studies, research, and other relevant 28668
documents of government agencies and nationally recognized 28669
organizations; 28670

(iii) Relevant findings in peer-reviewed medical or 28671
scientific literature and published opinions of nationally 28672
recognized medical experts; 28673

(iv) Clinical guidelines adopted by relevant national medical 28674
societies; 28675

(v) Safety, efficacy, appropriateness, and cost 28676
effectiveness. 28677

(8) Each expert on the panel shall provide the independent 28678

review organization with a professional opinion as to whether 28679
there is sufficient evidence to demonstrate that the recommended 28680
or requested therapy is likely to be more beneficial to the 28681
enrollee than standard therapies. 28682

(9) Each expert's opinion shall be presented in written form 28683
and shall include the following information: 28684

(a) A description of the enrollee's condition; 28685

(b) A description of the indicators relevant to determining 28686
whether there is sufficient evidence to demonstrate that the 28687
recommended or requested therapy is more likely than not to be 28688
more beneficial to the enrollee than standard therapies; 28689

(c) A description and analysis of any relevant findings 28690
published in peer-reviewed medical or scientific literature or the 28691
published opinions of medical experts or specialty societies; 28692

(d) A description of the enrollee's suitability to receive 28693
the recommended or requested therapy according to a treatment 28694
protocol in a clinical trial, if applicable. 28695

(10) The independent review organization shall provide the 28696
health insuring corporation with the opinions of the experts. The 28697
health insuring corporation shall make the experts' opinions 28698
available to the enrollee and the enrollee's physician, upon 28699
request. 28700

(11) The opinion of the majority of the experts on the panel, 28701
rendered pursuant to division (C)(8) of this section, is binding 28702
on the health insuring corporation with respect to that enrollee. 28703
If the opinions of the experts on the panel are evenly divided as 28704
to whether the therapy should be covered, then the health insuring 28705
corporation's final decision shall be in favor of coverage. If 28706
less than a majority of the experts on the panel recommend 28707
coverage of the therapy, the health insuring corporation may, in 28708
its discretion, cover the therapy. However, any coverage provided 28709

pursuant to division (C)(11) of this section is subject to the 28710
terms, limitations, and conditions of the enrollee's contract with 28711
the health insuring corporation. 28712

(12) The health insuring corporation shall have written 28713
policies describing the external, independent review process. 28714

(D) At any time during the external, independent review 28715
process, the health insuring corporation may elect to cover the 28716
recommended or requested health care service and terminate the 28717
review. The health insuring corporation shall notify the enrollee 28718
and all other parties involved by mail or, with the consent or 28719
approval of the enrollee, by electronic means. 28720

(E) If a health insuring corporation's initial denial of 28721
coverage for a therapy recommended or requested pursuant to 28722
division (A)(4) of this section is based upon an external, 28723
independent review of that therapy meeting the requirements of 28724
division (C) of this section, this section shall not be a basis 28725
for requiring a second external, independent review of the 28726
recommended or requested therapy. 28727

(F) The health insuring corporation shall annually file a 28728
certificate with the superintendent of insurance certifying its 28729
compliance with the requirements of this section. 28730

Sec. 1753.09. (A) Except as provided in division (D) of this 28731
section, prior to terminating the participation of a provider on 28732
the basis of the participating provider's failure to meet the 28733
health insuring corporation's standards for quality or utilization 28734
in the delivery of health care services, a health insuring 28735
corporation shall give the participating provider notice of the 28736
reason or reasons for its decision to terminate the provider's 28737
participation and an opportunity to take corrective action. The 28738
health insuring corporation shall develop a performance 28739
improvement plan in conjunction with the participating provider. 28740

If after being afforded the opportunity to comply with the 28741
performance improvement plan, the participating provider fails to 28742
do so, the health insuring corporation may terminate the 28743
participation of the provider. 28744

(B)(1) A participating provider whose participation has been 28745
terminated under division (A) of this section may appeal the 28746
termination to the appropriate medical director of the health 28747
insuring corporation. The medical director shall give the 28748
participating provider an opportunity to discuss with the medical 28749
director the reason or reasons for the termination. 28750

(2) If a satisfactory resolution of a participating 28751
provider's appeal cannot be reached under division (B)(1) of this 28752
section, the participating provider may appeal the termination to 28753
a panel composed of participating providers who have comparable or 28754
higher levels of education and training than the participating 28755
provider making the appeal. A representative of the participating 28756
provider's specialty shall be a member of the panel, if possible. 28757
This panel shall hold a hearing, and shall render its 28758
recommendation in the appeal within thirty days after holding the 28759
hearing. The recommendation shall be presented to the medical 28760
director and to the participating provider. 28761

(3) The medical director shall review and consider the 28762
panel's recommendation before making a decision. The decision 28763
rendered by the medical director shall be final. 28764

(C) A provider's status as a participating provider shall 28765
remain in effect during the appeal process set forth in division 28766
(B) of this section unless the termination was based on any of the 28767
reasons listed in division (D) of this section. 28768

(D) Notwithstanding division (A) of this section, a 28769
provider's participation may be immediately terminated if the 28770
participating provider's conduct presents an imminent risk of harm 28771

to an enrollee or enrollees; or if there has occurred unacceptable 28772
quality of care, fraud, patient abuse, loss of clinical 28773
privileges, loss of professional liability coverage, incompetence, 28774
or loss of authority to practice in the participating provider's 28775
field; or if a governmental action has impaired the participating 28776
provider's ability to practice. 28777

(E) Divisions (A) to (D) of this section apply only to 28778
providers who are natural persons. 28779

(F)(1) Nothing in this section prohibits a health insuring 28780
corporation from rejecting a provider's application for 28781
participation, or from terminating a participating provider's 28782
contract, if the health insuring corporation determines that the 28783
health care needs of its enrollees are being met and no need 28784
exists for the provider's or participating provider's services. 28785

(2) Nothing in this section shall be construed as prohibiting 28786
a health insuring corporation from terminating a participating 28787
provider who does not meet the terms and conditions of the 28788
participating provider's contract. 28789

(3) Nothing in this section shall be construed as prohibiting 28790
a health insuring corporation from terminating a participating 28791
provider's contract pursuant to any provision of the contract 28792
described in division (E)(2) of section 3963.02 of the Revised 28793
Code, except that, notwithstanding any provision of a contract 28794
described in that division, this section applies to the 28795
termination of a participating provider's contract for any of the 28796
causes described in divisions (A), (D), and (F)(1) and (2) of this 28797
section. 28798

(G) The superintendent of insurance may adopt rules as 28799
necessary to implement and enforce sections 1753.06, 1753.07, and 28800
1753.09 of the Revised Code. Such rules shall be adopted in 28801
accordance with Chapter 119. of the Revised Code. ~~The director of~~ 28802

~~health may make recommendations to the superintendent for rules 28803
necessary to implement and enforce sections 1753.06, 1753.07, and 28804
1753.09 of the Revised Code. In adopting any rules pursuant to 28805
this division, the superintendent shall consider the 28806
recommendations of the director. 28807~~

Sec. 1901.26. (A) Subject to division (E) of this section, 28808
costs in a municipal court shall be fixed and taxed as follows: 28809

(1)(a) The municipal court shall require an advance deposit 28810
for the filing of any new civil action or proceeding when required 28811
by division (C) of this section, and in all other cases, by rule, 28812
shall establish a schedule of fees and costs to be taxed in any 28813
civil or criminal action or proceeding. 28814

(b)(i) The legislative authority of a municipal corporation 28815
may by ordinance establish a schedule of fees to be taxed as costs 28816
in any civil, criminal, or traffic action or proceeding in a 28817
municipal court for the performance by officers or other employees 28818
of the municipal corporation's police department or marshal's 28819
office of any of the services specified in sections 311.17 and 28820
509.15 of the Revised Code. No fee in the schedule shall be higher 28821
than the fee specified in section 311.17 of the Revised Code for 28822
the performance of the same service by the sheriff. If a fee 28823
established in the schedule conflicts with a fee for the same 28824
service established in another section of the Revised Code or a 28825
rule of court, the fee established in the other section of the 28826
Revised Code or the rule of court shall apply. 28827

(ii) When an officer or employee of a municipal police 28828
department or marshal's office performs in a civil, criminal, or 28829
traffic action or proceeding in a municipal court a service 28830
specified in section 311.17 or 509.15 of the Revised Code for 28831
which a taxable fee has been established under this or any other 28832
section of the Revised Code, the applicable legal fees and any 28833

other extraordinary expenses, including overtime, provided for the 28834
service shall be taxed as costs in the case. The clerk of the 28835
court shall pay those legal fees and other expenses, when 28836
collected, into the general fund of the municipal corporation that 28837
employs the officer or employee. 28838

(iii) If a bailiff of a municipal court performs in a civil, 28839
criminal, or traffic action or proceeding in that court a service 28840
specified in section 311.17 or 509.15 of the Revised Code for 28841
which a taxable fee has been established under this section or any 28842
other section of the Revised Code, the fee for the service is the 28843
same and is taxable to the same extent as if the service had been 28844
performed by an officer or employee of the police department or 28845
marshal's office of the municipal corporation in which the court 28846
is located. The clerk of that court shall pay the fee, when 28847
collected, into the general fund of the entity or entities that 28848
fund the bailiff's salary, in the same prorated amount as the 28849
salary is funded. 28850

(iv) Division (A)(1)(b) of this section does not authorize or 28851
require any officer or employee of a police department or 28852
marshal's office of a municipal corporation or any bailiff of a 28853
municipal court to perform any service not otherwise authorized by 28854
law. 28855

(2) The municipal court, by rule, may require an advance 28856
deposit for the filing of any civil action or proceeding and 28857
publication fees as provided in section 2701.09 of the Revised 28858
Code. The court may waive the requirement for advance deposit upon 28859
affidavit or other evidence that a party is unable to make the 28860
required deposit. 28861

(3) When a jury trial is demanded in any civil action or 28862
proceeding, the party making the demand may be required to make an 28863
advance deposit as fixed by rule of court, unless, upon affidavit 28864
or other evidence, the court concludes that the party is unable to 28865

make the required deposit. If a jury is called, the fees of a jury 28866
shall be taxed as costs. 28867

(4) In any civil or criminal action or proceeding, each 28868
witness shall receive twelve dollars for each full day's 28869
attendance and six dollars for each half day's attendance. Each 28870
witness in a municipal court that is not a county-operated 28871
municipal court also shall receive fifty and one-half cents for 28872
each mile necessarily traveled to and from the witness's place of 28873
residence to the action or proceeding. 28874

(5) A reasonable charge for driving, towing, carting, 28875
storing, keeping, and preserving motor vehicles and other personal 28876
property recovered or seized in any proceeding may be taxed as 28877
part of the costs in a trial of the cause, in an amount that shall 28878
be fixed by rule of court. 28879

(6) Chattel property seized under any writ or process issued 28880
by the court shall be preserved pending final disposition for the 28881
benefit of all persons interested and may be placed in storage 28882
when necessary or proper for that preservation. The custodian of 28883
any chattel property so stored shall not be required to part with 28884
the possession of the property until a reasonable charge, to be 28885
fixed by the court, is paid. 28886

(7) The municipal court, as it determines, may refund all 28887
deposits and advance payments of fees and costs, including those 28888
for jurors and summoning jurors, when they have been paid by the 28889
losing party. 28890

(8) Charges for the publication of legal notices required by 28891
statute or order of court may be taxed as part of the costs, as 28892
provided by section 7.13 of the Revised Code. 28893

(B)(1) The municipal court may determine that, for the 28894
efficient operation of the court, additional funds are necessary 28895
to acquire and pay for special projects of the court including, 28896

but not limited to, the acquisition of additional facilities or 28897
the rehabilitation of existing facilities, the acquisition of 28898
equipment, the hiring and training of staff, community service 28899
programs, mediation or dispute resolution services, the employment 28900
of magistrates, the training and education of judges, acting 28901
judges, and magistrates, and other related services. Upon that 28902
determination, the court by rule may charge a fee, in addition to 28903
all other court costs, on the filing of each criminal cause, civil 28904
action or proceeding, or judgment by confession. 28905

If the municipal court offers a special program or service in 28906
cases of a specific type, the municipal court by rule may assess 28907
an additional charge in a case of that type, over and above court 28908
costs, to cover the special program or service. The municipal 28909
court shall adjust the special assessment periodically, but not 28910
retroactively, so that the amount assessed in those cases does not 28911
exceed the actual cost of providing the service or program. 28912

All moneys collected under division (B) of this section shall 28913
be paid to the county treasurer if the court is a county-operated 28914
municipal court or to the city treasurer if the court is not a 28915
county-operated municipal court for deposit into either a general 28916
special projects fund or a fund established for a specific special 28917
project. Moneys from a fund of that nature shall be disbursed upon 28918
an order of the court in an amount no greater than the actual cost 28919
to the court of a project. If a specific fund is terminated 28920
because of the discontinuance of a program or service established 28921
under division (B) of this section, the municipal court may order 28922
that moneys remaining in the fund be transferred to an account 28923
established under this division for a similar purpose. 28924

(2) The court may disburse moneys deposited into either a 28925
general special projects fund or a fund established for a specific 28926
special project to a county program that is not operated by the 28927
court and that addresses issues of domestic violence if the court 28928

determines that the program assists in the efficient operation of 28929
the court. 28930

(3) As used in division (B) of this section: 28931

(a) "Criminal cause" means a charge alleging the violation of 28932
a statute or ordinance, or subsection of a statute or ordinance, 28933
that requires a separate finding of fact or a separate plea before 28934
disposition and of which the defendant may be found guilty, 28935
whether filed as part of a multiple charge on a single summons, 28936
citation, or complaint or as a separate charge on a single 28937
summons, citation, or complaint. "Criminal cause" does not include 28938
separate violations of the same statute or ordinance, or 28939
subsection of the same statute or ordinance, unless each charge is 28940
filed on a separate summons, citation, or complaint. 28941

(b) "Civil action or proceeding" means any civil litigation 28942
that must be determined by judgment entry. 28943

(C) The municipal court shall collect in all its divisions 28944
except the small claims division the sum of ~~twenty-six~~ thirty-one 28945
dollars as additional filing fees in each new civil action or 28946
proceeding for the charitable public purpose of providing 28947
financial assistance to legal aid societies that operate within 28948
the state and to support the office of the state public defender. 28949
The municipal court shall collect in its small claims division the 28950
sum of eleven dollars as additional filing fees in each new civil 28951
action or proceeding for the charitable public purpose of 28952
providing financial assistance to legal aid societies that operate 28953
within the state and to support the office of the state public 28954
defender. This division does not apply to any execution on a 28955
judgment, proceeding in aid of execution, or other post-judgment 28956
proceeding arising out of a civil action. The filing fees required 28957
to be collected under this division shall be in addition to any 28958
other court costs imposed in the action or proceeding and shall be 28959
collected at the time of the filing of the action or proceeding. 28960

The court shall not waive the payment of the additional filing fees in a new civil action or proceeding unless the court waives the advanced payment of all filing fees in the action or proceeding. All such moneys collected during a month except for an amount equal to up to one per cent of those moneys retained to cover administrative costs shall be transmitted on or before the twentieth day of the following month by the clerk of the court to the treasurer of state in a manner prescribed by the treasurer of state or by the Ohio legal assistance foundation. The treasurer of state shall deposit four per cent of the funds collected under this division to the credit of the civil case filing fee fund established under section 120.07 of the Revised Code and ninety-six per cent of the funds collected under this division to the credit of the legal aid fund established under section 120.52 of the Revised Code.

The Ohio legal assistance foundation or any recipient of financial assistance from the foundation that receives, or benefits from, any portion of the additional filing fees that are collected and transmitted under this division shall not bring or maintain any class action and shall not bring or maintain any action against the state or any political subdivision of the state.

The court may retain up to one per cent of the moneys it collects under this division to cover administrative costs, including the hiring of any additional personnel necessary to implement this division. If the court fails to transmit to the treasurer of state the moneys the court collects under this division in a manner prescribed by the treasurer of state or by the Ohio legal assistance foundation, the court shall forfeit the moneys the court retains under this division to cover administrative costs, including the hiring of any additional personnel necessary to implement this division, and shall transmit

to the treasurer of state all moneys collected under this 28993
division, including the forfeited amount retained for 28994
administrative costs, for deposit in the legal aid fund. 28995

(D) In the Cleveland municipal court, reasonable charges for 28996
investigating titles of real estate to be sold or disposed of 28997
under any writ or process of the court may be taxed as part of the 28998
costs. 28999

(E) Under the circumstances described in sections 2969.21 to 29000
2969.27 of the Revised Code, the clerk of the municipal court 29001
shall charge the fees and perform the other duties specified in 29002
those sections. 29003

(F) As used in this section: 29004

(1) "Full day's attendance" means a day on which a witness is 29005
required or requested to be present at an action or proceeding 29006
before and after twelve noon, regardless of whether the witness 29007
actually testifies. 29008

(2) "Half day's attendance" means a day on which a witness is 29009
required or requested to be present at an action or proceeding 29010
either before or after twelve noon, but not both, regardless of 29011
whether the witness actually testifies. 29012

Sec. 1901.31. The clerk and deputy clerks of a municipal 29013
court shall be selected, be compensated, give bond, and have 29014
powers and duties as follows: 29015

(A) There shall be a clerk of the court who is appointed or 29016
elected as follows: 29017

(1)(a) Except in the Akron, Barberton, Toledo, Hamilton 29018

the population of the territory equals or exceeds one hundred 29021

the expiration of the term of the present clerk, the clerk shall 29023
be nominated and elected by the qualified electors of the 29024
territory in the manner that is provided for the nomination and 29025
election of judges in section 1901.07 of the Revised Code. 29026

The clerk so elected shall hold office for a term of six 29027
years, which term shall commence on the first day of January 29028
following the clerk's election and continue until the clerk's 29029
successor is elected and qualified. 29030

(b) In the Hamilton county municipal court, the clerk of 29031
courts of Hamilton county shall be the clerk of the municipal 29032
court and may appoint an assistant clerk who shall receive the 29033
compensation, payable out of the treasury of Hamilton county in 29034
semimonthly installments, that the board of county commissioners 29035
prescribes. The clerk of courts of Hamilton county, acting as the 29036
clerk of the Hamilton county municipal court and assuming the 29037
duties of that office, shall receive compensation at one-fourth 29038
the rate that is prescribed for the clerks of courts of common 29039
pleas as determined in accordance with the population of the 29040
county and the rates set forth in sections 325.08 and 325.18 of 29041
the Revised Code. This compensation shall be paid from the county 29042
treasury in semimonthly installments and is in addition to the 29043
annual compensation that is received for the performance of the 29044
duties of the clerk of courts of Hamilton county, as provided in 29045
sections 325.08 and 325.18 of the Revised Code. 29046

the clerks of courts of Portage county and Wayne county shall be 29048
the clerks, respectively, of the Portage county and Wayne county 29049
municipal courts and may appoint a chief deputy clerk for each 29050
branch that is established pursuant to section 1901.311 of the 29051
Revised Code and assistant clerks as the judges of the municipal 29052
court determine are necessary, all of whom shall receive the 29053
compensation that the legislative authority prescribes. The clerks 29054

one-fourth the rate that is prescribed for the clerks of courts of 29059
common pleas as determined in accordance with the population of 29060
the county and the rates set forth in sections 325.08 and 325.18 29061
of the Revised Code. 29062

this section, in the Akron municipal court, candidates for 29064
election to the office of clerk of the court shall be nominated by 29065
primary election. The primary election shall be held on the day 29066
specified in the charter of the city of Akron for the nomination 29067
of municipal officers. Notwithstanding any contrary provision of 29068
section 3513.05 or 3513.257 of the Revised Code, the declarations 29069

any person for nomination as a candidate of a particular political 29083
party for election to the office of clerk of the Akron municipal 29084
court, a primary election shall not be held for the purpose of 29085
nominating a candidate of that party for election to that office. 29086

If only one person files a valid declaration of candidacy and 29087

qualified. 29105

(e) Except as otherwise provided in division (A)(1)(e) of 29106

provision of section 3513.05 or 3513.257 of the Revised Code, the 29112
declarations of candidacy and petitions of partisan candidates and 29113
the nominating petitions of independent candidates for the office 29114
of clerk of the Barberton municipal court shall be signed by at 29115
least fifty qualified electors of the territory of the court. 29116

demanding the record, upon order of the court. 29393

equipment, the hiring and training of staff, community service 29534
programs, mediation or dispute resolution services, the employment 29535
of magistrates, the training and education of judges, acting 29536
judges, and magistrates, and other related services. Upon that 29537
determination, the court by rule may charge a fee, in addition to 29538
all other court costs, on the filing of each criminal cause, civil 29539
action or proceeding, or judgment by confession. 29540

If the county court offers a special program or service in 29541
cases of a specific type, the county court by rule may assess an 29542
additional charge in a case of that type, over and above court 29543
costs, to cover the special program or service. The county court 29544
shall adjust the special assessment periodically, but not 29545
retroactively, so that the amount assessed in those cases does not 29546
exceed the actual cost of providing the service or program. 29547

All moneys collected under division (B) of this section shall 29548
be paid to the county treasurer for deposit into either a general 29549
special projects fund or a fund established for a specific special 29550
project. Moneys from a fund of that nature shall be disbursed upon 29551
an order of the court in an amount no greater than the actual cost 29552
to the court of a project. If a specific fund is terminated 29553
because of the discontinuance of a program or service established 29554
under division (B) of this section, the county court may order 29555
that moneys remaining in the fund be transferred to an account 29556
established under this division for a similar purpose. 29557

(2) As used in division (B) of this section: 29558

(a) "Criminal cause" means a charge alleging the violation of 29559
a statute or ordinance, or subsection of a statute or ordinance, 29560
that requires a separate finding of fact or a separate plea before 29561
disposition and of which the defendant may be found guilty, 29562
whether filed as part of a multiple charge on a single summons, 29563
citation, or complaint or as a separate charge on a single 29564
summons, citation, or complaint. "Criminal cause" does not include 29565

separate violations of the same statute or ordinance, or 29566
subsection of the same statute or ordinance, unless each charge is 29567
filed on a separate summons, citation, or complaint. 29568

(b) "Civil action or proceeding" means any civil litigation 29569
that must be determined by judgment entry. 29570

(C) Subject to division (E) of this section, the county court 29571
shall collect in all its divisions except the small claims 29572
division the sum of ~~twenty-six~~ thirty-one dollars as additional 29573
filing fees in each new civil action or proceeding for the 29574
charitable public purpose of providing financial assistance to 29575
legal aid societies that operate within the state and to support 29576
the office of the state public defender. Subject to division (E) 29577
of this section, the county court shall collect in its small 29578
claims division the sum of eleven dollars as additional filing 29579
fees in each new civil action or proceeding for the charitable 29580
public purpose of providing financial assistance to legal aid 29581
societies that operate within the state and to support the office 29582
of the state public defender. This division does not apply to any 29583
execution on a judgment, proceeding in aid of execution, or other 29584
post-judgment proceeding arising out of a civil action. The filing 29585
fees required to be collected under this division shall be in 29586
addition to any other court costs imposed in the action or 29587
proceeding and shall be collected at the time of the filing of the 29588
action or proceeding. The court shall not waive the payment of the 29589
additional filing fees in a new civil action or proceeding unless 29590
the court waives the advanced payment of all filing fees in the 29591
action or proceeding. All such moneys collected during a month 29592
except for an amount equal to up to one per cent of those moneys 29593
retained to cover administrative costs shall be transmitted on or 29594
before the twentieth day of the following month by the clerk of 29595
the court to the treasurer of state in a manner prescribed by the 29596
treasurer of state or by the Ohio legal assistance foundation. The 29597

treasurer of state shall deposit four per cent of the funds 29598
collected under this division to the credit of the civil case 29599
filing fee fund established under section 120.07 of the Revised 29600
Code and ninety-six per cent of the funds collected under this 29601
division to the credit of the legal aid fund established under 29602
section 120.52 of the Revised Code. 29603

The Ohio legal assistance foundation or any recipient of 29604
financial assistance from the foundation that receives, or 29605
benefits from, any portion of the additional filing fees that are 29606
collected and transmitted under this division shall not bring or 29607
maintain any class action and shall not bring or maintain any 29608
action against the state or any political subdivision of the 29609
state. 29610

The court may retain up to one per cent of the moneys it 29611
collects under this division to cover administrative costs, 29612
including the hiring of any additional personnel necessary to 29613
implement this division. If the court fails to transmit to the 29614
treasurer of state the moneys the court collects under this 29615
division in a manner prescribed by the treasurer of state or by 29616
the Ohio legal assistance foundation, the court shall forfeit the 29617
moneys the court retains under this division to cover 29618
administrative costs, including the hiring of any additional 29619
personnel necessary to implement this division, and shall transmit 29620
to the treasurer of state all moneys collected under this 29621
division, including the forfeited amount retained for 29622
administrative costs, for deposit in the legal aid fund. 29623

(D) The county court shall establish by rule a schedule of 29624
fees for miscellaneous services performed by the county court or 29625
any of its judges in accordance with law. If judges of the court 29626
of common pleas perform similar services, the fees prescribed in 29627
the schedule shall not exceed the fees for those services 29628
prescribed by the court of common pleas. 29629

(E) Under the circumstances described in sections 2969.21 to 29630
2969.27 of the Revised Code, the clerk of the county court shall 29631
charge the fees and perform the other duties specified in those 29632
sections. 29633

Sec. 2303.201. (A)(1) The court of common pleas of any county 29634
may determine that for the efficient operation of the court 29635
additional funds are required to computerize the court, to make 29636
available computerized legal research services, or to do both. 29637
Upon making a determination that additional funds are required for 29638
either or both of those purposes, the court shall authorize and 29639
direct the clerk of the court of common pleas to charge one 29640
additional fee, not to exceed three dollars, on the filing of each 29641
cause of action or appeal under divisions (A), (Q), and (U) of 29642
section 2303.20 of the Revised Code. 29643

(2) All fees collected under division (A)(1) of this section 29644
shall be paid to the county treasurer. The treasurer shall place 29645
the funds from the fees in a separate fund to be disbursed, upon 29646
an order of the court, in an amount not greater than the actual 29647
cost to the court of procuring and maintaining computerization of 29648
the court, computerized legal research services, or both. 29649

(3) If the court determines that the funds in the fund 29650
described in division (A)(2) of this section are more than 29651
sufficient to satisfy the purpose for which the additional fee 29652
described in division (A)(1) of this section was imposed, the 29653
court may declare a surplus in the fund and expend those surplus 29654
funds for other appropriate technological expenses of the court. 29655

(B)(1) The court of common pleas of any county may determine 29656
that, for the efficient operation of the court, additional funds 29657
are required to computerize the office of the clerk of the court 29658
of common pleas and, upon that determination, authorize and direct 29659
the clerk of the court of common pleas to charge an additional 29660

fee, not to exceed ten dollars, on the filing of each cause of 29661
action or appeal, on the filing, docketing, and endorsing of each 29662
certificate of judgment, or on the docketing and indexing of each 29663
aid in execution or petition to vacate, revive, or modify a 29664
judgment under divisions (A), (P), (Q), (T), and (U) of section 29665
2303.20 of the Revised Code. Subject to division (B)(2) of this 29666
section, all moneys collected under division (B)(1) of this 29667
section shall be paid to the county treasurer to be disbursed, 29668
upon an order of the court of common pleas and subject to 29669
appropriation by the board of county commissioners, in an amount 29670
no greater than the actual cost to the court of procuring and 29671
maintaining computer systems for the office of the clerk of the 29672
court of common pleas. 29673

(2) If the court of common pleas of a county makes the 29674
determination described in division (B)(1) of this section, the 29675
board of county commissioners of that county may issue one or more 29676
general obligation bonds for the purpose of procuring and 29677
maintaining the computer systems for the office of the clerk of 29678
the court of common pleas. In addition to the purposes stated in 29679
division (B)(1) of this section for which the moneys collected 29680
under that division may be expended, the moneys additionally may 29681
be expended to pay debt charges on and financing costs related to 29682
any general obligation bonds issued pursuant to division (B)(2) of 29683
this section as they become due. General obligation bonds issued 29684
pursuant to division (B)(2) of this section are Chapter 133. 29685
securities. 29686

(C) The court of common pleas shall collect the sum of 29687
~~twenty-six~~ thirty-one dollars as additional filing fees in each 29688
new civil action or proceeding for the charitable public purpose 29689
of providing financial assistance to legal aid societies that 29690
operate within the state and to support the office of the state 29691
public defender. This division does not apply to a domestic 29692

relations division of a court of common pleas, except that the 29693
additional filing fee shall apply to proceedings concerning 29694
annulments, dissolutions of marriage, divorces, and legal 29695
~~separation, spousal support, marital property or separate property~~ 29696
~~distribution, support, or other domestic relations matters;~~ to a 29697
juvenile division of a court of common pleas; to a probate 29698
division of a court of common pleas, except that the additional 29699
filing fees shall apply to name change, guardianship, adoption, 29700
and decedents' estate proceedings; or to an execution on a 29701
judgment, proceeding in aid of execution, or other post-judgment 29702
proceeding arising out of a civil action. The filing fees required 29703
to be collected under this division shall be in addition to any 29704
other filing fees imposed in the action or proceeding and shall be 29705
collected at the time of the filing of the action or proceeding. 29706
The court shall not waive the payment of the additional filing 29707
fees in a new civil action or proceeding unless the court waives 29708
the advanced payment of all filing fees in the action or 29709
proceeding. All such moneys collected during a month except for an 29710
amount equal to up to one per cent of those moneys retained to 29711
cover administrative costs shall be transmitted on or before the 29712
twentieth day of the following month by the clerk of the court to 29713
the treasurer of state in a manner prescribed by the treasurer of 29714
state or by the Ohio legal assistance foundation. The treasurer of 29715
state shall deposit four per cent of the funds collected under 29716
this division to the credit of the civil case filing fee fund 29717
established under section 120.07 of the Revised Code and 29718
ninety-six per cent of the funds collected under this division to 29719
the credit of the legal aid fund established under section 120.52 29720
of the Revised Code. 29721

The Ohio legal assistance foundation or any recipient of 29722
financial assistance from the foundation that receives, or 29723
benefits from, any portion of the additional filing fees that are 29724
collected and transmitted under this division shall not bring or 29725

maintain any class action and shall not bring or maintain any 29726
action against the state or any political subdivision of the 29727
state. 29728

The court may retain up to one per cent of the moneys it 29729
collects under this division to cover administrative costs, 29730
including the hiring of any additional personnel necessary to 29731
implement this division. If the court fails to transmit to the 29732
treasurer of state the moneys the court collects under this 29733
division in a manner prescribed by the treasurer of state or by 29734
the Ohio legal assistance foundation, the court shall forfeit the 29735
moneys the court retains under this division to cover 29736
administrative costs, including the hiring of any additional 29737
personnel necessary to implement this division, and shall transmit 29738
to the treasurer of state all moneys collected under this 29739
division, including the forfeited amount retained for 29740
administrative costs, for deposit in the legal aid fund. 29741

(D) On and after the thirtieth day after December 9, 1994, 29742
the court of common pleas shall collect the sum of thirty-two 29743
dollars as additional filing fees in each new action or proceeding 29744
for annulment, divorce, or dissolution of marriage for the purpose 29745
of funding shelters for victims of domestic violence pursuant to 29746
sections 3113.35 to 3113.39 of the Revised Code. The filing fees 29747
required to be collected under this division shall be in addition 29748
to any other filing fees imposed in the action or proceeding and 29749
shall be collected at the time of the filing of the action or 29750
proceeding. The court shall not waive the payment of the 29751
additional filing fees in a new action or proceeding for 29752
annulment, divorce, or dissolution of marriage unless the court 29753
waives the advanced payment of all filing fees in the action or 29754
proceeding. On or before the twentieth day of each month, all 29755
moneys collected during the immediately preceding month pursuant 29756
to this division shall be deposited by the clerk of the court into 29757

the county treasury in the special fund used for deposit of 29758
additional marriage license fees as described in section 3113.34 29759
of the Revised Code. Upon their deposit into the fund, the moneys 29760
shall be retained in the fund and expended only as described in 29761
section 3113.34 of the Revised Code. 29762

(E)(1) The court of common pleas may determine that, for the 29763
efficient operation of the court, additional funds are necessary 29764
to acquire and pay for special projects of the court, including, 29765
but not limited to, the acquisition of additional facilities or 29766
the rehabilitation of existing facilities, the acquisition of 29767
equipment, the hiring and training of staff, community service 29768
programs, mediation or dispute resolution services, the employment 29769
of magistrates, the training and education of judges, acting 29770
judges, and magistrates, and other related services. Upon that 29771
determination, the court by rule may charge a fee, in addition to 29772
all other court costs, on the filing of each criminal cause, civil 29773
action or proceeding, or judgment by confession. 29774

If the court of common pleas offers a special program or 29775
service in cases of a specific type, the court by rule may assess 29776
an additional charge in a case of that type, over and above court 29777
costs, to cover the special program or service. The court shall 29778
adjust the special assessment periodically, but not retroactively, 29779
so that the amount assessed in those cases does not exceed the 29780
actual cost of providing the service or program. 29781

All moneys collected under division (E) of this section shall 29782
be paid to the county treasurer for deposit into either a general 29783
special projects fund or a fund established for a specific special 29784
project. Moneys from a fund of that nature shall be disbursed upon 29785
an order of the court in an amount no greater than the actual cost 29786
to the court of a project. If a specific fund is terminated 29787
because of the discontinuance of a program or service established 29788
under division (E) of this section, the court may order that 29789

moneys remaining in the fund be transferred to an account 29790
established under this division for a similar purpose. 29791

(2) As used in division (E) of this section: 29792

(a) "Criminal cause" means a charge alleging the violation of 29793
a statute or ordinance, or subsection of a statute or ordinance, 29794
that requires a separate finding of fact or a separate plea before 29795
disposition and of which the defendant may be found guilty, 29796
whether filed as part of a multiple charge on a single summons, 29797
citation, or complaint or as a separate charge on a single 29798
summons, citation, or complaint. "Criminal cause" does not include 29799
separate violations of the same statute or ordinance, or 29800
subsection of the same statute or ordinance, unless each charge is 29801
filed on a separate summons, citation, or complaint. 29802

(b) "Civil action or proceeding" means any civil litigation 29803
that must be determined by judgment entry. 29804

Sec. 2315.50. (A) This section applies to an action 29805
maintained as a class action in which the settlement agreement or 29806
judgment includes a monetary award, including compensatory or 29807
punitive and exemplary damages, restitution, or any other payment 29808
of money due from each defendant to the members of the class. 29809

(B) It is the policy of this state, insofar as it is not 29810
inconsistent with federal law, that all unpaid moneys remaining 29811
after the distribution to the members of the class of monetary 29812
awards in class actions described in division (A) of this section 29813
shall be used for charitable public purposes. Fifteen per cent of 29814
those moneys shall provide financial assistance to legal aid 29815
societies that operate within this state. The remaining 29816
eighty-five per cent of those moneys shall be distributed to 29817
charities, nonprofit organizations, and charitable programs 29818
selected in the action and approved by the court. With respect to 29819
the moneys for legal aid societies, not later than the twentieth 29820

day of the month immediately following the month during which the 29821
amount of unpaid moneys, if any, remaining after that distribution 29822
of the monetary award in the class action is identified, each 29823
defendant from whom the unpaid moneys are due, in a manner and 29824
form prescribed in the rules established by the Ohio legal 29825
assistance foundation under section 120.52 of the Revised Code, 29826
shall do both of the following: 29827

(1) Remit fifteen per cent of the sum of the unpaid moneys to 29828
the treasurer of state for deposit in the legal aid fund 29829
established under section 120.52 of the Revised Code; 29830

(2) Notify the Ohio legal assistance foundation of all of the 29831
following: 29832

(a) The amount of moneys remitted under division (B)(1) of 29833
this section; 29834

(b) The case name and case number of the class action and the 29835
court that approved the settlement agreement or rendered the 29836
judgment in the class action. 29837

(C) The Ohio legal assistance foundation or any recipient of 29838
financial assistance from the foundation that receives, or 29839
benefits from, any portion of the moneys that are remitted under 29840
division (B)(1) of this section shall not bring or maintain any 29841
class action and shall not bring or maintain any action against 29842
the state or any political subdivision of the state. 29843

Sec. 2317.422. (A) Notwithstanding sections 2317.40 and 29844
2317.41 of the Revised Code but subject to division (B) of this 29845
section, the records, or copies or photographs of the records, of 29846

supervision they were made, may be qualified as authentic evidence 29853
if any such person endorses thereon the person's verified 29854
certification identifying such records, giving the mode and time 29855
of their preparation, and stating that they were prepared in the 29856
usual course of the business of the institution. Such records, 29857
copies, or photographs may not be qualified by certification as 29858
provided in this section unless the party intending to offer them 29859
delivers a copy of them, or of their relevant portions, to the 29860
attorney of record for each adverse party not less than five days 29861
before trial. Nothing in this section shall be construed to limit 29862
the right of any party to call the custodian, person who made such 29863
records, or person under whose supervision they were made, as a 29864
witness. 29865

(B) Division (A) of this section does not apply to any 29866
certified copy of the results of any test given to determine the 29867
presence or concentration of alcohol, a drug of abuse, a 29868
combination of them, a controlled substance, or a metabolite of a 29869
controlled substance in a patient's whole blood, blood serum or 29870
plasma, breath, or urine at any time relevant to a criminal 29871
offense that is submitted in a criminal action or proceeding in 29872

(4) "Protection order issued by a court of another state" has the same meaning as in section 2919.27 of the Revised Code.	30350 30351

(B) The court has jurisdiction over all proceedings under this section.	30356 30357
(C) A person may seek relief under this section for the person, or any parent or adult household member may seek relief under this section on behalf of any other family or household member, by filing a petition with the court. The petition shall contain or state all of the following:	30358 30359 30360 30361 30362

(2) If the petitioner seeks relief in the form of electronic monitoring of the respondent, an allegation that at any time preceding the filing of the petition the respondent engaged in	30369 30370 30371

(3) A request for relief under this section.

(D)(1) If a person who files a petition pursuant to this section requests an ex parte order, the court shall hold an ex parte hearing as soon as possible after the petition is filed, but not later than the next day that the court is in session after the petition is filed. The court, for good cause shown at the ex parte hearing, may enter any temporary orders, with or without bond, that the court finds necessary for the safety and protection of the person to be protected by the order. Immediate and present danger to the person to be protected by the protection order constitutes good cause for purposes of this section. Immediate and present danger includes, but is not limited to, situations in which the respondent has threatened the person to be protected by the protection order with bodily harm or in which the respondent previously has been convicted of or pleaded guilty to a violation of section 2903.211 of the Revised Code or a sexually oriented offense against the person to be protected by the protection order.

(2)(a) If the court, after an ex parte hearing, issues a protection order described in division (E) of this section, the court shall schedule a full hearing for a date that is within ten court days after the ex parte hearing. The court shall give the respondent notice of, and an opportunity to be heard at, the full hearing. The court shall hold the full hearing on the date scheduled under this division unless the court grants a continuance of the hearing in accordance with this division. Under any of the following circumstances or for any of the following

reasons, the court may grant a continuance of the full hearing to 30404
a reasonable time determined by the court: 30405

(i) Prior to the date scheduled for the full hearing under 30406
this division, the respondent has not been served with the 30407
petition filed pursuant to this section and notice of the full 30408
hearing. 30409

(ii) The parties consent to the continuance. 30410

(iii) The continuance is needed to allow a party to obtain 30411
counsel. 30412

(iv) The continuance is needed for other good cause. 30413

(b) An ex parte order issued under this section does not 30414
expire because of a failure to serve notice of the full hearing 30415
upon the respondent before the date set for the full hearing under 30416
division (D)(2)(a) of this section or because the court grants a 30417
continuance under that division. 30418

(3) If a person who files a petition pursuant to this section 30419
does not request an ex parte order, or if a person requests an ex 30420
parte order but the court does not issue an ex parte order after 30421
an ex parte hearing, the court shall proceed as in a normal civil 30422
action and grant a full hearing on the matter. 30423

(E)(1)(a) After an ex parte or full hearing, the court may 30424
issue any protection order, with or without bond, that contains 30425
terms designed to ensure the safety and protection of the person 30426
to be protected by the protection order, including, but not 30427
limited to, a requirement that the respondent refrain from 30428
entering the residence, school, business, or place of employment 30429
of the petitioner or family or household member. If the court 30430
includes a requirement that the respondent refrain from entering 30431
the residence, school, business, or place of employment of the 30432
petitioner or family or household member in the order, it also 30433
shall include in the order provisions of the type described in 30434

division (E)(5) of this section. 30435

(b) After a full hearing, if the court considering a petition 30436
that includes an allegation of the type described in division 30437
(C)(2) of this section, or the court upon its own motion, finds 30438
upon clear and convincing evidence that the petitioner reasonably 30439
believed that the respondent's conduct at any time preceding the 30440
filing of the petition endangered the health, welfare, or safety 30441
of the person to be protected and that the respondent presents a 30442
continuing danger to the person to be protected, the court may 30443
order that the respondent be electronically monitored for a period 30444
of time and under the terms and conditions that the court 30445
determines are appropriate. Electronic monitoring shall be in 30446
addition to any other relief granted to the petitioner. 30447

(2)(a) Any protection order issued pursuant to this section 30448
shall be valid until a date certain but not later than five years 30449
from the date of its issuance. 30450

(b) Any protection order issued pursuant to this section may 30451
be renewed in the same manner as the original order was issued. 30452

(3) A court may not issue a protection order that requires a 30453
petitioner to do or to refrain from doing an act that the court 30454
may require a respondent to do or to refrain from doing under 30455
division (E)(1) of this section unless all of the following apply: 30456

(a) The respondent files a separate petition for a protection 30457
order in accordance with this section. 30458

(b) The petitioner is served with notice of the respondent's 30459
petition at least forty-eight hours before the court holds a 30460
hearing with respect to the respondent's petition, or the 30461
petitioner waives the right to receive this notice. 30462

(c) If the petitioner has requested an ex parte order 30463
pursuant to division (D) of this section, the court does not delay 30464
any hearing required by that division beyond the time specified in 30465

that division in order to consolidate the hearing with a hearing 30466
on the petition filed by the respondent. 30467

(d) After a full hearing at which the respondent presents 30468
evidence in support of the request for a protection order and the 30469
petitioner is afforded an opportunity to defend against that 30470
evidence, the court determines that the petitioner has committed a 30471
violation of section 2903.211 of the Revised Code against the 30472
person to be protected by the protection order issued pursuant to 30473
this section, has committed a sexually oriented offense against 30474
the person to be protected by the protection order, or has 30475
violated a protection order issued pursuant to section 2903.213 of 30476
the Revised Code relative to the person to be protected by the 30477
protection order issued pursuant to this section. 30478

(4) No protection order issued pursuant to this section shall 30479
in any manner affect title to any real property. 30480

(5)(a) If the court issues a protection order under this 30481
section that includes a requirement that the alleged offender 30482
refrain from entering the residence, school, business, or place of 30483
employment of the petitioner or a family or household member, the 30484
order shall clearly state that the order cannot be waived or 30485
nullified by an invitation to the alleged offender from the 30486
complainant to enter the residence, school, business, or place of 30487
employment or by the alleged offender's entry into one of those 30488
places otherwise upon the consent of the petitioner or family or 30489
household member. 30490

(b) Division (E)(5)(a) of this section does not limit any 30491
discretion of a court to determine that an alleged offender 30492
charged with a violation of section 2919.27 of the Revised Code, 30493
with a violation of a municipal ordinance substantially equivalent 30494
to that section, or with contempt of court, which charge is based 30495
on an alleged violation of a protection order issued under this 30496
section, did not commit the violation or was not in contempt of 30497

court. 30498

(F)(1) The court shall cause the delivery of a copy of any 30499
protection order that is issued under this section to the 30500
petitioner, to the respondent, and to all law enforcement agencies 30501
that have jurisdiction to enforce the order. The court shall 30502
direct that a copy of the order be delivered to the respondent on 30503
the same day that the order is entered. 30504

(2) Upon the issuance of a protection order under this 30505
section, the court shall provide the parties to the order with the 30506
following notice orally or by form: 30507

"NOTICE 30508

As a result of this order, it may be unlawful for you to 30509
possess or purchase a firearm, including a rifle, pistol, or 30510
revolver, or ammunition pursuant to federal law under 18 U.S.C. 30511
922(g)(8). If you have any questions whether this law makes it 30512
illegal for you to possess or purchase a firearm or ammunition, 30513
you should consult an attorney." 30514

(3) All law enforcement agencies shall establish and maintain 30515
an index for the protection orders delivered to the agencies 30516
pursuant to division (F)(1) of this section. With respect to each 30517
order delivered, each agency shall note on the index the date and 30518
time that it received the order. 30519

(4) Regardless of whether the petitioner has registered the 30520
protection order in the county in which the officer's agency has 30521
jurisdiction pursuant to division (M) of this section, any officer 30522
of a law enforcement agency shall enforce a protection order 30523
issued pursuant to this section by any court in this state in 30524
accordance with the provisions of the order, including removing 30525
the respondent from the premises, if appropriate. 30526

(G) Any proceeding under this section shall be conducted in 30527
accordance with the Rules of Civil Procedure, except that a 30528

protection order may be obtained under this section with or 30529
without bond. An order issued under this section, other than an ex 30530
parte order, that grants a protection order, or that refuses to 30531
grant a protection order, is a final, appealable order. The 30532
remedies and procedures provided in this section are in addition 30533
to, and not in lieu of, any other available civil or criminal 30534
remedies. 30535

(H) The filing of proceedings under this section does not 30536
excuse a person from filing any report or giving any notice 30537
required by section 2151.421 of the Revised Code or by any other 30538
law. 30539

(I) Any law enforcement agency that investigates an alleged 30540
violation of section 2903.211 of the Revised Code or an alleged 30541
commission of a sexually oriented offense shall provide 30542
information to the victim and the family or household members of 30543
the victim regarding the relief available under this section and 30544
section 2903.213 of the Revised Code. 30545

(J) Notwithstanding any provision of law to the contrary and 30546
regardless of whether a protection order is issued or a consent 30547
agreement is approved by a court of another county or by a court 30548
of another state, no court or unit of state or local government 30549
shall charge any fee, cost, deposit, or money in connection with 30550
the filing of a petition pursuant to this section, in connection 30551
with the filing, issuance, registration, or service of a 30552
protection order or consent agreement, or for obtaining a 30553

(K)(1) A person who violates a protection order issued under 30555
this section is subject to the following sanctions: 30556

constitutes a violation of that section; 30559

(b) Punishment for contempt of court. 30560

(2) The punishment of a person for contempt of court for 30561
violation of a protection order issued under this section does not 30562
bar criminal prosecution of the person for a violation of section 30563
2919.27 of the Revised Code. However, a person punished for 30564
contempt of court is entitled to credit for the punishment imposed 30565
upon conviction of a violation of that section, and a person 30566
convicted of a violation of that section shall not subsequently be 30567
punished for contempt of court arising out of the same activity. 30568

(L) In all stages of a proceeding under this section, a 30569
petitioner may be accompanied by a victim advocate. 30570

section or a protection order under section 2903.213 of the 30572
Revised Code may provide notice of the issuance or approval of the 30573

other than the county in which the order is issued by registering 30575
that order in the other county pursuant to division (M)(2) of this 30576
section and filing a copy of the registered order with a law 30577

section 2919.272 of the Revised Code and filing a copy of the 30583
registered order with a law enforcement agency in that county. 30584

respondent under this section, the court shall direct the 30605

indigent, the court shall order the respondent to pay the cost of 30609
