of the Revised Code and this division is tolled during the 32005
pendency of the request or the challenge and review. If the court 32006
in an appeal under section 119.12 of the Revised Code and this 32007
division enters a judgment sustaining the sheriff's refusal to 32008
grant to the applicant a license to carry a concealed handgun, the 32009
applicant may file a new application beginning one year after the 32010
judgment is entered. If the court enters a judgment in favor of 32011
the applicant, that judgment shall not restrict the authority of a 32012
sheriff to suspend or revoke the license pursuant to section 32013
2923.128 or 2923.1213 of the Revised Code or to refuse to renew 32014

the license for any proper cause that may occur after the date the 32015
judgment is entered. In the appeal, the court shall have full 32016
power to dispose of all costs. 32017

(3) If the sheriff with whom an application for a license to 32018
carry a concealed handgun was filed under this section becomes 32019
aware that the applicant has been arrested for or otherwise 32020
charged with an offense that would disqualify the applicant from 32021
holding the license, the sheriff shall suspend the processing of 32022
the application until the disposition of the case arising from the 32023
arrest or charge. 32024

(4) If the sheriff determines that the applicant is legally 32025
living in the United States and is a resident of the county in 32026
which the applicant seeks the license or of an adjacent county but 32027
does not yet meet the residency requirements described in division 32028
(D)(1)(a) of this section, the sheriff shall not deny the license 32029
because of the residency requirements but shall not issue the 32030
license until the applicant meets those residency requirements. 32031

(5) If an applicant has been convicted of or pleaded guilty 32032
to an offense identified in division (D)(1)(e), (f), or (h) of 32033
this section or has been adjudicated a delinquent child for 32034
committing an act or violation identified in any of those 32035
divisions, and if a court has ordered the sealing or expungement 32036
of the records of that conviction, guilty plea, or adjudication 32037
pursuant to sections 2151.355 to 2151.358 or sections 2953.31 to 32038
2953.36 of the Revised Code or a court has granted the applicant 32039
relief pursuant to section 2923.14 of the Revised Code from the 32040
disability imposed pursuant to section 2923.13 of the Revised Code 32041
relative to that conviction, guilty plea, or adjudication, the 32042
sheriff with whom the application was submitted shall not consider 32043
the conviction, guilty plea, or adjudication in making a 32044
determination under division (D)(1) or (F) of this section or, in 32045
relation to an application for a temporary emergency license to 32046

carry a concealed handgun submitted under section 2923.1213 of the Revised Code, in making a determination under division (B)(2) of that section.

(E) If a license to carry a concealed handgun issued under this section is lost or is destroyed, the licensee may obtain from the sheriff who issued that license a duplicate license upon the payment of a fee of fifteen dollars and the submission of an affidavit attesting to the loss or destruction of the license. The sheriff, in accordance with the procedures prescribed in section 109.731 of the Revised Code, shall place on the replacement license a combination of identifying numbers different from the combination on the license that is being replaced.

(F)(1) A licensee who wishes to renew a license to carry a concealed handgun issued under this section shall do so not earlier than ninety days before the expiration date of the license or at any time after the expiration date of the license by filing with the sheriff of the county in which the applicant resides or with the sheriff of an adjacent county an application for renewal of the license obtained pursuant to division (D) of this section, a certification by the applicant that, subsequent to the issuance of the license, the applicant has reread the pamphlet prepared by the Ohio peace officer training commission pursuant to section 109.731 of the Revised Code that reviews firearms, dispute resolution, and use of deadly force matters, a nonrefundable license renewal fee unless the fee is waived, and one of the following:

(a) If the licensee previously has not renewed a license to carry a concealed handgun issued under this section, proof that the licensee at one time had a competency certification of the type described in division (B)(3) of this section. A valid license or any other previously issued license that has not been revoked is prima-facie evidence that the licensee at one time had a

competency certification of the type described in division (B)(3) 32079
of this section. 32080

(b) If the licensee previously has renewed a license to carry 32081
a concealed handgun issued under this section, a renewed 32082
competency certification of the type described in division (G)(4) 32083
of this section. 32084

(2) A sheriff shall accept a completed renewal application, 32085
the license renewal fee, and information specified in division 32086
(F)(1) of this section at the times and in the manners described 32087
in division (I) of this section. Upon receipt of a completed 32088
renewal application, of certification that the applicant has 32089
reread the specified pamphlet prepared by the Ohio peace officer 32090
training commission, of proof of a prior competency certification 32091
for an initial renewal or of a renewed competency certification 32092
for a second or subsequent renewal, and of a license renewal fee 32093
unless the fee is waived, a sheriff, in the manner specified in 32094
section 311.41 of the Revised Code shall conduct or cause to be 32095
conducted the criminal records check and the incompetency records 32096
check described in section 311.41 of the Revised Code. The sheriff 32097
shall renew the license if the sheriff determines that the 32098
applicant continues to satisfy the requirements described in 32099
division (D)(1) of this section, except that the applicant is not 32100
required to meet the requirements of division (D)(1)(1) of this 32101
section. A renewed license that is renewed on or after March 14, 32102
2007, shall expire five years after the date of issuance, and a 32103
renewed license that is renewed prior to March 14, 2007, shall 32104
expire four years after the date of issuance. A renewed license is 32105
subject to division (E) of this section and sections 2923.126 and 32106
2923.128 of the Revised Code. A sheriff shall comply with 32107
divisions (D)(2) to (4) of this section when the circumstances 32108
described in those divisions apply to a requested license renewal. 32109
If a sheriff denies the renewal of a license to carry a concealed 32110

handgun, the applicant may appeal the denial, or challenge the 32111
criminal record check results that were the basis of the denial if 32112
applicable, in the same manner as specified in division (D)(2)(b) 32113
of this section and in section 2923.127 of the Revised Code, 32114
regarding the denial of a license under this section. 32115
32116

(G)(1) Each course, class, or program described in division 32117
(B)(3)(a), (b), (c), or (e) of this section shall provide to each 32118
person who takes the course, class, or program a copy of the 32119
pamphlet prepared by the Ohio peace officer training commission 32120
pursuant to section 109.731 of the Revised Code that reviews 32121
firearms, dispute resolution, and use of deadly force matters. 32122
Each such course, class, or program described in one of those 32123
divisions shall include at least twelve hours of training in the 32124

(iv) Gun handling training. 32135

(b) At least two hours of training that consists of range 32136

handgun and in the rules for safe handling and storage of a 32146
handgun and a physical demonstration of the attitude necessary to 32147
shoot a handgun in a safe manner. 32148

(3) The competency certification described in division 32149
(B)(3)(a), (b), (c), or (e) of this section shall be dated and 32150
shall attest that the course, class, or program the applicant 32151
successfully completed met the requirements described in division 32152
(G)(1) of this section and that the applicant passed the 32153
competency examination described in division (G)(2) of this 32154
section. 32155

(4) A person who previously has received a competency 32156
certification as described in division (B)(3) of this section, or 32157

course, class, or program described in division (B)(3)(a), (b), 32164
(c), or (e) of this section by passing a test that demonstrates 32165
that the person is range competent. In these circumstances, the 32166

to take the competency examination described in division (G)(2) of 32168
this section for the renewed competency certification in order to 32169
be eligible to receive a renewed competency certification. A 32170
renewed competency certification issued under this division shall 32171
be dated and shall attest that the person has demonstrated range 32172

(H) Upon deciding to issue a license, deciding to issue a replacement license, or deciding to renew a license to carry a concealed handgun pursuant to this section, and before actually issuing or renewing the license, the sheriff shall make available through the law enforcement automated data system all information contained on the license. If the license subsequently is suspended under division (A)(1) or (2) of section 2923.128 of the Revised Code, revoked pursuant to division (B)(1) of section 2923.128 of the Revised Code, or lost or destroyed, the sheriff also shall make available through the law enforcement automated data system a notation of that fact. section 2923.125 of the Revised Code or has been adjudicated a 32333
delinquent child for committing an act or violation identified in 32334
any of those divisions, and if a court has ordered the sealing or 32335
expungement of the records of that conviction, guilty plea, or 32336
adjudication pursuant to sections 2151.355 to 2151.358 or sections 32337

Revised Code relative to that conviction, guilty plea, or 32341
adjudication, the conviction, guilty plea, or adjudication shall 32342

guilty plea, or adjudication never had occurred. 32346

(4) The sheriff shall waive the payment pursuant to division 32347
(B)(1)(c) of this section of the license fee in connection with an 32348

handgun license issuance fund established pursuant to section 32358
311.42 of the Revised Code. 32359

(C) A person who holds a temporary emergency license to carry 32360

handgun as a person who was issued a license to carry a concealed 32362

handgun under section 2923.125 of the Revised Code, and any 32363
exceptions to the prohibitions contained in section 1547.69 and 32364

that apply to a person who carries a license issued under section 32369
2923.125 of the Revised Code, other than the license renewal 32370
procedures set forth in that section. 32371

(D) A sheriff who issues a temporary emergency license to 32372
carry a concealed handgun under this section shall not require a 32373
person seeking to carry a concealed handgun in accordance with 32374
this section to submit a competency certificate as a prerequisite 32375
for issuing the license and shall comply with division (H) of 32376
section 2923.125 of the Revised Code in regards to the license. 32377
The sheriff shall suspend or revoke the license in accordance with 32378
section 2923.128 of the Revised Code. In addition to the 32379
suspension or revocation procedures set forth in section 2923.128 32380
of the Revised Code, the sheriff may revoke the license upon 32381
receiving information, verifiable by public documents, that the 32382
person is not eligible to possess a firearm under either the laws 32383
of this state or of the United States or that the person committed 32384
perjury in obtaining the license; if the sheriff revokes a license 32385
under this additional authority, the sheriff shall notify the 32386
person, by certified mail, return receipt requested, at the 32387

emergency license to carry a concealed handgun. 32393

(E) A sheriff who issues a temporary emergency license to 32394

carry a concealed handgun under this section shall retain, for the 32395
entire period during which the temporary emergency license is in 32396
effect, the evidence of imminent danger that the person submitted 32397
to the sheriff and that was the basis for the license, or a copy 32398
of that evidence, as appropriate. 32399

(F) If a temporary emergency license to carry a concealed 32400
handgun issued under this section is lost or is destroyed, the 32401
licensee may obtain from the sheriff who issued that license a 32402
duplicate license upon the payment of a fee of fifteen dollars and 32403
the submission of an affidavit attesting to the loss or 32404
destruction of the license. The sheriff, in accordance with the 32405
procedures prescribed in section 109.731 of the Revised Code, 32406
shall place on the replacement license a combination of 32407
identifying numbers different from the combination on the license 32408
that is being replaced. 32409

(G) The Ohio peace officer training commission shall 32410
prescribe, and shall make available to sheriffs, a standard form 32411

any arrearages that may be owed by the obligor under any prior 33108
support order that pertained to the same child or spouse, 33109
notwithstanding the limitations of sections 2329.66, 2329.70, and 33110

(C) With respect to any court support order it issues, a 33120
court may issue an order requiring the obligor to enter into a 33121
cash bond with the court. The court shall issue the order as part 33122
of the court support order or, if the court support order has 33123
previously been issued, as a separate order. The cash bond shall 33124
be in a sum fixed by the court at not less than five hundred nor 33125
more than ten thousand dollars, conditioned that the obligor will 33126
make payment as previously ordered and will pay any arrearages 33127
under any prior court support order that pertained to the same 33128
child or spouse. 33129

The order, along with an additional order requiring the 33130
obligor to immediately notify the child support enforcement 33131
agency, in writing, if the obligor begins to receive income from a 33132
payor, shall be attached to and served on the obligor at the same 33133
time as service of the court support order or, if the court 33134
support order has previously been issued, as soon as possible 33135
after the issuance of the order under this section. The additional 33136

order requiring notice by the obligor shall state all of the 33137
following: 33138

(1) That when the obligor begins to receive income from a 33139
payor the obligor may request that the court cancel its bond order 33140
and instead issue a notice requiring the withholding of an amount 33141
from income for support in accordance with this section; 33142

(2) That when the obligor begins to receive income from a 33143
payor the court will proceed to collect on the bond if the court 33144
determines that payments due under the court support order have 33145
not been made and that the amount that has not been paid is at 33146
least equal to the support owed for one month under the court 33147
support order and will issue a notice requiring the withholding of 33148
an amount from income for support in accordance with this section. 33149
The notice required of the obligor shall include a description of 33150
the nature of any new employment, the name and business address of 33151
any new employer, and any other information reasonably required by 33152
the court. 33153

The court shall not order an obligor to post a cash bond 33154
under this section unless the court determines that the obligor 33155
has the ability to do so. 33156

A child support enforcement agency may not issue a cash bond 33157
order. If a child support enforcement agency is required to issue 33158
a withholding or deduction notice under this section with respect 33159
to a court support order but the agency determines that no 33160
withholding or deduction notice would be appropriate, the agency 33161
may request that the court issue a cash bond order under this 33162
section, and upon the request, the court may issue the order. 33163

(D)(1) If the obligor under a court support order is 33164
unemployed, has no income, and does not have an account at any 33165
financial institution, or on request of a child support 33166
enforcement agency under division (D)(1) or (2) of this section, 33167

the court shall issue an order requiring the obligor, if able to 33168
engage in employment, to seek employment or participate in a work 33169
activity to which a recipient of assistance under Title IV-A of 33170
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 33171
as amended, may be assigned as specified in section 407(d) of the 33172
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 33173
shall include in the order a requirement that the obligor notify 33174
the child support enforcement agency on obtaining employment, 33175
obtaining any income, or obtaining ownership of any asset with a 33176
value of five hundred dollars or more. The court may issue the 33177
order regardless of whether the obligee to whom the obligor owes 33178
support is a recipient of assistance under Title IV-A of the 33179
"Social Security Act." The court shall issue the order as part of 33180
a court support order or, if a court support order has previously 33181
been issued, as a separate order. If a child support enforcement 33182
agency is required to issue a withholding or deduction notice 33183
under this section with respect to a court support order but 33184
determines that no withholding or deduction notice would be 33185
appropriate, the agency may request that the court issue a court 33186
order under division (D)(1) of this section, and, on the request, 33187
the court may issue the order. 33188

(2) If the obligor under an administrative child support 33189
order is unemployed, has no income, and does not have an account 33190
at any financial institution, the agency shall issue an 33191
administrative order requiring the obligor, if able to engage in 33192
employment, to seek employment or participate in a work activity 33193
to which a recipient of assistance under Title IV-A of the "Social 33194
Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, 33195
may be assigned as specified in section 407(d) of the "Social 33196
Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall 33197
include in the order a requirement that the obligor notify the 33198
agency on obtaining employment or income, or ownership of any 33199
asset with a value of five hundred dollars or more. The agency may 33200

issue the order regardless of whether the obligee to whom the 33201
obligor owes support is a recipient of assistance under Title IV-A 33202
of the "Social Security Act." If an obligor fails to comply with 33203
an administrative order issued pursuant to division (D)(2) of this 33204
section, the agency shall submit a request to a court for the 33205
court to issue an order under division (D)(1) of this section. 33206

Sec. 3121.035. Within fifteen days after an obligor under a 33207
support order is located following issuance or modification of the 33208
support order, the court or child support enforcement agency that 33209
issued or modified the support order, or the agency, pursuant to 33210
an agreement with the court with respect to a court support order, 33211
shall do either of the following: 33212

(A) If a withholding or deduction notice described in section 33213
3121.03 of the Revised Code is appropriate, send the notice by 33214
regular mail or via secure federally managed data transmission 33215
interface to each person required to comply with it; 33216

(B) If an order described in section 3121.03, 3121.04 to 33217

made a good faith effort to report data as required by this 34101
section. If any audit conducted by an outside entity under 34102

required by this section, the district shall bear the full cost of 34118
conducting the hearing and of issuing any revised report card. 34119

(7) If the department determines that any inaccurate data 34120
reported under this section caused a school district to receive 34121
excess state funds in any fiscal year, the district shall 34122
reimburse the department an amount equal to the excess funds, in 34123
accordance with a payment schedule determined by the department. 34124

a school district regarding the appropriateness of an action taken 34131
under division (L)(2) of this section, the burden of proof shall 34132

receiving state, the school shall enroll and appropriately place 34676
the student based on the information provided in the unofficial 34677
records pending validation by the official records, as quickly as 34678
possible. 34679

B. Official education records and transcripts - Simultaneous 34680
with the enrollment and conditional placement of the student, the 34681
school in the receiving state shall request the student's official 34682
education record from the school in the sending state. Upon 34683
receipt of this request, the school in the sending state will 34684

during the school year, the receiving state school shall initially 34711
honor placement of the student in educational courses based on the 34712
student's enrollment in the sending state school or educational 34713

courses are offered. Course placement includes but is not limited 34715
to Honors, International Baccalaureate, Advanced Placement, 34716

student's academic program from the previous school and promoting 34718
placement in academically and career challenging courses should be 34719
paramount when considering placement. This does not preclude the 34720
school in the receiving state from performing subsequent 34721
evaluations to ensure appropriate placement and continued 34722
enrollment of the student in the courses. 34723

B. Educational program placement - The receiving state school 34724

programs in the sending state. Such programs include, but are not 34728
limited to: 1) gifted and talented programs; and 2) English as a 34729
second language. This does not preclude the school in the 34730
receiving state from performing subsequent evaluations to ensure 34731
appropriate placement of the student. 34732

C. Special education services - 1) In compliance with the 34733
federal requirements of the Individuals with Disabilities 34734
Education Act (IDEA), 20 U.S.C. 1400 et seq., the receiving state 34735
shall initially provide comparable services to a student with 34736
disabilities based on the student's current individualized 34737
education program (IEP); and 2) in compliance with the 34738

requirements of Section 504 of the Rehabilitation Act, 29 U.S.C. 34739
794, and with Title II of the Americans with Disabilities Act, 42 34740
U.S.C. 12131 to 12165, the receiving state shall make reasonable 34741
accommodations and modifications to address the needs of incoming 34742
students with disabilities, subject to an existing Section 504 or 34743
Title II Plan, to provide the student with equal access to 34744
education. This does not preclude the school in the receiving 34745
state from performing subsequent evaluations to ensure appropriate 34746
placement of the student. 34747

D. Placement flexibility - Local education agency 34748
administrative officials shall have flexibility in waiving course 34749
or program prerequisites, or other preconditions for placement in 34750
courses or programs offered under the jurisdiction of the local 34751
education agency. 34752

E. Absence as related to deployment activities - A student 34753
whose parent or legal guardian is an active duty member of the 34754
uniformed services, as defined by the compact, and has been called 34755
to duty for, is on leave from, or immediately returned from 34756
deployment to a combat zone or combat support posting, shall be 34757
granted additional excused absences at the discretion of the local 34758
education agency superintendent to visit with the student's parent 34759
or legal guardian relative to such leave or deployment of the 34760
parent or guardian. 34761

ARTICLE VI. ELIGIBILITY 34762

A. Eligibility for enrollment 34763

1. A special power of attorney, relative to the guardianship 34764
of a child of a military family and executed under applicable law 34765
shall be sufficient for the purposes of enrollment and all other 34766
actions requiring parental participation and consent. 34767

2. A local education agency shall be prohibited from charging 34768
local tuition to a transitioning military child placed in the care 34769

of a noncustodial parent or other person standing in loco parentis 34770
who lives in a jurisdiction other than that of the custodial 34771
parent. 34772

3. A transitioning military child, placed in the care of a 34773
noncustodial parent or other person standing in loco parentis who 34774
lives in a jurisdiction other than that of the custodial parent, 34775
may continue to attend the school in which the child was enrolled 34776
while residing with the custodial parent. 34777

B. Eligibility for extracurricular participation - State and 34778
local education agencies shall facilitate the opportunity for 34779
transitioning military children's inclusion in extracurricular 34780
activities, regardless of application deadlines, to the extent 34781
they are otherwise qualified. 34782

ARTICLE VII. GRADUATION 34783

In order to facilitate the on-time graduation of children of 34784
military families states and local education agencies shall 34785
incorporate the following procedures: 34786

A. Waiver requirements - Local education agency 34787
administrative officials shall waive specific courses required for 34788
graduation if similar coursework has been satisfactorily completed 34789
in another local education agency or shall provide reasonable 34790
justification for denial. Should a waiver not be granted to a 34791
student who would qualify to graduate from the sending school, the 34792
local education agency shall provide an alternative means of 34793
acquiring required coursework so that graduation may occur on 34794
time. 34795

B. Exit exams - States shall accept: 1) exit or end-of-course 34796
exams required for graduation from the sending state; or 2) 34797
national norm-referenced achievement tests; or 3) alternative 34798
testing, in lieu of testing requirements for graduation in the 34799
receiving state. In the event the above alternatives cannot be 34800

accommodated by the receiving state for a student transferring in 34801
his or her Senior year, then the provisions of Article VII, 34802
Section C shall apply. 34803

C. Transfers during Senior year - Should a military student 34804
transferring at the beginning or during the student's Senior year 34805
be ineligible to graduate from the receiving local education 34806
agency after all alternatives have been considered, the sending 34807
and receiving local education agencies shall ensure the receipt of 34808
a diploma from the sending local education agency, if the student 34809
meets the graduation requirements of the sending local education 34810
agency. In the event that one of the states in question is not a 34811
member of this compact, the member state shall use best efforts to 34812
facilitate the on-time graduation of the student in accordance 34813
with Sections A and B of this Article. 34814

ARTICLE VIII. STATE COORDINATION 34815

A. Each member state shall, through the creation of a state 34816
council or use of an existing body or board, provide for the 34817
coordination among its agencies of government, local education 34818
agencies and military installations concerning the state's 34819
participation in, and compliance with, this compact and Interstate 34820
Commission activities. While each member state may determine the 34821

as directed through its rules which shall specify the data to be 34941

liability caused by the intentional or willful and wanton 35096
misconduct of such person. 35097

2. The Interstate Commission shall defend the executive 35098

the foregoing, in the event the Interstate Commission exercises 35128
its rulemaking authority in a manner that is beyond the scope of 35129
the purposes of this act, or the powers granted hereunder, then 35130
such an action by the Interstate Commission shall be invalid and 35131
have no force or effect. 35132

B. Rulemaking Procedure - Rules shall be made pursuant to a 35133
rulemaking process that substantially conforms to the "Model State 35134
Administrative Procedure Act," of 1981 Act, Uniform Laws 35135
Annotated, Vol. 15, p.1 (2000) as amended, as may be appropriate 35136
to the operations of the Interstate Commission. 35137

any person may file a petition for judicial review of the rule; 35139

provided, that the filing of such a petition shall not stay or 35140
otherwise prevent the rule from becoming effective unless the 35141
court finds that the petitioner has a substantial likelihood of 35142
success. The court shall give deference to the actions of the 35143
Interstate Commission consistent with applicable law and shall not 35144
find the rule to be unlawful if the rule represents a reasonable 35145
exercise of the Interstate Commission's authority. 35146

D. If a majority of the legislatures of the compacting states 35147
rejects a rule by enactment of a statute or resolution in the same 35148
manner used to adopt the compact, then such rule shall have no 35149
further force and effect in any compacting state. 35150

ARTICLE XIII. OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION 35151

A. Oversight 35152

1. The executive, legislative, and judicial branches of state 35153

the rules in any judicial or administrative proceeding in a member 35160
state pertaining to the subject matter of this compact which may 35161
affect the powers, responsibilities or actions of the Interstate 35162
Commission. 35163

3. The Interstate Commission shall be entitled to receive all 35164
service of process in any such proceeding, and shall have standing 35165

render a judgment or order void as to the Interstate Commission, 35168
this compact or promulgated rules. 35169

B. Default, Technical Assistance, Suspension, and Termination 35170

- If the Interstate Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact, or the bylaws or promulgated rules, the Interstate Commission shall: 35171

35177
35178
35179

2. Provide remedial training and specific technical assistance regarding the default. 35180

If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the member states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of termination. 35183
35184
35185
35186
35187
35188

Notice of intent to suspend or terminate shall be given by the Interstate Commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states. 35189
35190
35191
35192
35193
35194

5. The state which has been suspended or terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of suspension or termination including obligations, the performance of which extends beyond the effective date of suspension or termination. 35195
35196
35197
35198
35199

6. The Interstate Commission shall not bear any costs relating to any state that has been found to be in default or 35200
35201

which has been suspended or terminated from the compact, unless 35202
otherwise mutually agreed upon in writing between the Interstate 35203
Commission and the defaulting state. 35204

7. The defaulting state may appeal the action of the 35205
Interstate Commission by petitioning the United States District 35206

providing for both mediation and binding dispute resolution for 35217
disputes as appropriate. 35218

1. The Interstate Commission, in the reasonable exercise of 35220
its discretion, shall enforce the provisions and rules of this 35221
compact. 35222

2. The Interstate Commission, may by majority vote of the 35223
members, initiate legal action in the United States District Court 35224

event judicial enforcement is necessary the prevailing party shall 35231
be awarded all costs of such litigation including reasonable 35232

attorney's fees. 35233

3. The remedies herein shall not be the exclusive remedies of 35234
the Interstate Commission. The Interstate Commission may avail 35235
itself of any other remedies available under state law or the 35236
regulation of a profession. 35237

ARTICLE XIV. FINANCING OF THE INTERSTATE COMMISSION 35238

staff which must be in a total amount sufficient to cover the 35245
Interstate Commission's annual budget as approved each year. The 35246
aggregate annual assessment amount shall be allocated based upon a 35247
formula to be determined by the Interstate Commission, which shall 35248
promulgate a rule binding upon all member states. 35249

C. The Interstate Commission shall not incur obligations of 35250
any kind prior to securing the funds adequate to meet the same; 35251
nor shall the Interstate Commission pledge the credit of any of 35252
the member states, except by and with the authority of the member 35253

(A) Subject to divisions (B) and (C) of this section, a board 36495
of education of a local school district may by a resolution 36496
approved by a majority of all its members propose to sever that 36497

included and to instead annex the local school district to the 36500
territory of another educational service center, the current 36501
territory of which is adjacent to the territory of the educational 36502
service center in which the local school district is currently 36503

included. The resolution shall promptly be filed with the 36504
governing board of each educational service center affected by the 36505
resolution and with the superintendent of public instruction. 36506

(B) The resolution adopted under division (A) of this section 36507
shall not be effective unless it is approved by the state board of 36508
education. In deciding whether to approve the resolution, the 36509
state board shall consider the ~~impact~~ financial, staffing, 36510
programmatic, and other impacts of ~~an~~ the severance and annexation 36511
on ~~both~~ the school district ~~and,~~ the educational service center to 36512

state board at not fewer than two separate meetings of the state 36520
board. There shall be at least thirty days between the meeting at 36521
which the state board first hears the matter of the resolution and 36522
the meeting at which the state board votes on whether to approve 36523
the resolution. The state board shall provide for public testimony 36524
at each hearing on the matter of the resolution, shall provide 36525
written prior notice of each hearing to the governing board of 36526
both educational service centers affected by the proposed action, 36527
and shall attach to that written notice any documentation about 36528
the proposed action provided to the state board by the board of 36529
education of the local school district. 36530

The severance of the local school district from one 36532
educational service center and its annexation to another 36533
educational service center under this section shall not be 36534
effective until one year after the first day of July following the 36535

later of the date that the state board of education approves the 36536
resolution or the date the board of elections certifies the 36537
results of the referendum election as provided in division (C) of 36538
this section. 36539

(C) Within sixty days following the date of the adoption of 36540
the resolution under division (A) of this section, the electors of 36541
the local school district may petition for a referendum vote on 36542
the resolution. The question whether to approve or disapprove the 36543
resolution shall be submitted to the electors of such school 36544
district if a number of qualified electors equal to twenty per 36545
cent of the number of electors in the school district who voted 36546
for the office of governor at the most recent general election for 36547
that office sign a petition asking that the question of whether 36548
the resolution shall be disapproved be submitted to the electors. 36549
The petition shall be filed with the board of elections of the 36550
county in which the school district is located. If the school 36551
district is located in more than one county, the petition shall be 36552
filed with the board of elections of the county in which the 36553
majority of the territory of the school district is located. The 36554
board shall certify the validity and sufficiency of the signatures 36555
on the petition. 36556

The board of elections shall immediately notify the board of 36557
education of the local school district and the governing board of 36558
each educational service center affected by the resolution that 36559
the petition has been filed. 36560

The effect of the resolution shall be stayed until the board 36561
of elections certifies the validity and sufficiency of the 36562
signatures on the petition. If the board of elections determines 36563
that the petition does not contain a sufficient number of valid 36564
signatures and sixty days have passed since the adoption of the 36565
resolution, the resolution shall become effective as provided in 36566
division (B) of this section. 36567

If the board of elections certifies that the petition 36568
contains a sufficient number of valid signatures, the board shall 36569
submit the question to the qualified electors of the school 36570
district on the day of the next general or primary election held 36571
at least seventy-five days after the board of elections certifies 36572
the validity and sufficiency of signatures on the petition. The 36573
election shall be conducted and canvassed and the results shall be 36574
certified in the same manner as in regular elections for the 36575
election of members of a board of education. 36576

If a majority of the electors voting on the question 36577
disapprove the resolution, the resolution shall not become 36578
effective. If a majority of the electors voting on the question 36579
approve the resolution, the resolution shall become effective as 36580
provided in division (B) of this section. 36581

(D) Upon the effective date of the severance of the local 36582
school district from one educational service center and its 36583
annexation to another educational service center as provided in 36584
division (B) of this section, the governing board of each 36585
educational service center shall take such steps for the election 36586
of members of the governing board and for organization of the 36587
governing board as prescribed in Chapter 3313. of the Revised 36588
Code. 36589

(E) If a school district is severed from one educational 36590
service center and annexed to another service center under this 36591
section, the board of education of that school district shall not 36592
propose a subsequent severance and annexation action under this 36593
section that would be effective sooner than five years after the 36594
effective date of the next previous severance and annexation 36595
action under this section. 36596

Sec. 3311.0510. (A) If all of the local school districts that 36597
make up the territory of an educational service center have 36598

severed from the territory of that service center pursuant to 36599
section 3311.059 of the Revised Code, upon the effective date of 36600
the severance of the last remaining local school district to make 36601
up the territory of the service center, the governing board of 36602
that service center shall be abolished and such service center 36603
shall be dissolved by order of the superintendent of public 36604
instruction. The superintendent's order shall provide for the 36605
equitable division and disposition of the assets, property, debts, 36606

districts, of which the territory of the service center is or 36608
previously was made up, and the city and exempted village school 36609
districts with which the service center had agreements under 36610
section 3313.843 of the Revised Code for the service center's last 36611
fiscal year of operation. The superintendent's order shall provide 36612
that the tax duplicate of each of those school districts shall be 36613
bound for and assume the district's equitable share of the 36614
outstanding indebtedness of the service center. The 36615
superintendent's order is final and is not appealable. 36616

Immediately upon the abolishment of the service center 36617
governing board pursuant to this section, the superintendent of 36618
public instruction shall appoint a qualified individual to 36619
administer the dissolution of the service center and to implement 36620
the terms of the superintendent's dissolution order. Prior to 36621
distributing assets to any school district under this section, but 36622
after paying in full other debts and obligations of the service 36623
center, the superintendent of public instruction may assess 36624
against the remaining assets of the service center the amount of 36625
the costs incurred by the department of education in performing 36626
the superintendent's duties under this division, including the 36627
fees, if any, owed to the individual appointed to administer the 36628
superintendent's dissolution order. Any excess cost incurred by 36629
the department under this division shall be divided equitably 36630

among the local school districts, of which the territory of the 36631
service center is or previously was made up, and the city and 36632
exempted village school districts with which the service center 36633
had agreements under section 3313.843 of the Revised Code for the 36634
service center's last fiscal year of operation. Each district's 36635
share of that excess cost shall be bound against the tax duplicate 36636
of that district. 36637

(B) A final audit of the former service center shall be 36638
performed in accordance with procedures established by the auditor 36639
of state. 36640

(C) The public records of an educational service center that 36641
is dissolved under this section shall be transferred in accordance 36642
with this division. Public records maintained by the service 36643
center in connection with services provided by the service center 36644
to local school districts shall be transferred to each of the 36645

In developing the plan for each building, the board or governing authority shall involve community law enforcement and safety officials, parents of students who are assigned to the building, and teachers and nonteaching employees who are assigned to the building. The board or governing authority shall consider incorporating remediation strategies into the plan for any building where documented safety problems have occurred.

The board or governing authority shall incorporate into the 36849
plan both of the following: 36850

the board or governing authority for responding to threats and 36857
emergency events, respectively, including such things as 36858

the parental notification procedures included in the protocol. 36864

(B) The board or governing authority shall update the safety 36865
plan at least once every three years and whenever a major 36866
modification to the building requires changes in the procedures 36867
outlined in the plan. 36868

(C) The board or governing authority shall file a copy of the 36869
current safety plan and building blueprint with each law 36870
enforcement agency that has jurisdiction over the school building 36871

subdivision in which the school building is located. The board or 36873
governing authority also shall file a copy of the current safety 36874
plan and a floor plan of the building, but not a building 36875

safety plan, building blueprint, or floor plan in the manner 36884
described in this division not later than the ninety-first day 36885

Copies of the safety plan and building blueprint are not a 36887
public record pursuant to section 149.433 of the Revised Code. 36888

Notwithstanding section 149.433 of the Revised Code, a 36889
building floor plan filed with the attorney general pursuant to 36890
this division is not a public record to the extent it is a record 36891
kept by the attorney general. This paragraph does not affect the 36892
status of a floor plan kept as a record by another public office. 36893

The board or governing authority, each law enforcement agency 36894
and fire department to which copies of the safety plan and 36895
building blueprint are provided, and the attorney general shall 36896
keep the copies in a secure place. 36897

(D) The board or governing authority shall grant access to 36898
each school building under its control to law enforcement 36899
personnel to enable the personnel to hold training sessions for 36900
responding to threats and emergency events affecting the building, 36901
provided that the access occurs outside of student instructional 36902
hours and an employee of the board or governing authority is 36903
present in the building during the training sessions. 36904

content standards adopted by the state board of education under	37103
section 3301.079 of the Revised Code, into one or more existing	37104
social studies credits required under division (C)(6) of this	37105
section, or into the content of another class, so that every high	37106
school student receives instruction in those concepts. In	37107
developing the curriculum required by this paragraph, schools	37108
shall use available public-private partnerships and resources and	37109
materials that exist in business, industry, and through the	37110
centers for economics education at institutions of higher	37111
education in the state.	37112
(7) Five units consisting of one or any combination of	37113
foreign language, fine arts, business, career-technical education,	37114
family and consumer sciences, technology, agricultural education,	37115
or English language arts, mathematics, science, or social studies	37116
courses not otherwise required under division (C) of this section.	37117
Ohioans must be prepared to apply increased knowledge and	37118
skills in the workplace and to adapt their knowledge and skills	37119
quickly to meet the rapidly changing conditions of the	37120

twenty-first century. National studies indicate that all high 37121
school graduates need the same academic foundation, regardless of 37122
the opportunities they pursue after graduation. The goal of Ohio's 37123
system of elementary and secondary education is to prepare all 37124
students for and seamlessly connect all students to success in 37125
life beyond high school graduation, regardless of whether the next 37126
step is entering the workforce, beginning an apprenticeship, 37127
engaging in post-secondary training, serving in the military, or 37128
pursuing a college degree. 37129

The Ohio core curriculum is the standard expectation for all 37130
students entering ninth grade for the first time at a public or 37131
chartered nonpublic high school on or after July 1, 2010. A 37132
student may satisfy this expectation through a variety of methods, 37133
including, but not limited to, integrated, applied, 37134
career-technical, and traditional coursework. 37135

Whereas teacher quality is essential for student success in 37136
completing the Ohio core curriculum, the general assembly shall 37137
appropriate funds for strategic initiatives designed to strengthen 37138
schools' capacities to hire and retain highly qualified teachers 37139
in the subject areas required by the curriculum. Such initiatives 37140
are expected to require an investment of \$120,000,000 over five 37141
years. 37142

Stronger coordination between high schools and institutions 37143
of higher education is necessary to prepare students for more 37144
challenging academic endeavors and to lessen the need for academic 37145
remediation in college, thereby reducing the costs of higher 37146
education for Ohio's students, families, and the state. The state 37147
board of education, the Ohio board of regents, and the partnership 37148
for continued learning shall develop policies to ensure that only 37149
in rare instances will students who complete the Ohio core 37150
curriculum require academic remediation after high school. 37151

School districts, community schools, and chartered nonpublic 37152

schools shall integrate technology into learning experiences 37153
whenever practicable across the curriculum in order to maximize 37154
efficiency, enhance learning, and prepare students for success in 37155
the technology-driven twenty-first century. Districts and schools 37156
may use distance and web-based course delivery as a method of 37157
providing or augmenting all instruction required under this 37158
division, including laboratory experience in science. Districts 37159
and schools shall whenever practicable utilize technology access 37160
and electronic learning opportunities provided by the eTech Ohio 37161
commission, the Ohio learning network, education technology 37162
centers, public television stations, and other public and private 37163
providers. 37164

(D) Except as provided in division (E) of this section, a 37165
student who enters ninth grade on or after July 1, 2010, and 37166
before July 1, 2014, may qualify for graduation from a public or 37167
chartered nonpublic high school even though the student has not 37168
completed the Ohio core curriculum prescribed in division (C) of 37169
this section if all of the following conditions are satisfied: 37170

(1) After the student has attended high school for two years, 37171
as determined by the school, the student and the student's parent, 37172
guardian, or custodian sign and file with the school a written 37173
statement asserting the parent's, guardian's, or custodian's 37174
consent to the student's graduating without completing the Ohio 37175
core curriculum and acknowledging that one consequence of not 37176
completing the Ohio core curriculum is ineligibility to enroll in 37177
most state universities in Ohio without further coursework. 37178

(2) The student and parent, guardian, or custodian fulfill 37179
any procedural requirements the school stipulates to ensure the 37180
student's and parent's, guardian's, or custodian's informed 37181
consent and to facilitate orderly filing of statements under 37182
division (D)(1) of this section. 37183

(3) The student and the student's parent, guardian, or 37184

custodian and a representative of the student's high school 37185
jointly develop an individual career plan for the student that 37186
specifies the student matriculating to a two-year degree program, 37187
acquiring a business and industry credential, or entering an 37188
apprenticeship. 37189

(4) The student's high school provides counseling and support 37190
for the student related to the plan developed under division 37191
(D)(3) of this section during the remainder of the student's high 37192
school experience. 37193

(5) The student successfully completes, at a minimum, the 37194
curriculum prescribed in division (B) of this section. 37195

The partnership for continued learning, in collaboration with 37196
the department of education and the Ohio board of regents, shall 37197
analyze student performance data to determine if there are 37198
mitigating factors that warrant extending the exception permitted 37199
by division (D) of this section to high school classes beyond 37200
those entering ninth grade before July 1, 2014. The partnership 37201
shall submit its findings and any recommendations not later than 37202
August 1, 2014, to the speaker and minority leader of the house of 37203
representatives, the president and minority leader of the senate, 37204
the chairpersons and ranking minority members of the standing 37205
committees of the house of representatives and the senate that 37206
consider education legislation, the state board of education, and 37207
the superintendent of public instruction. 37208

(E) Each school district and chartered nonpublic school 37209
retains the authority to require an even more rigorous minimum 37210
curriculum for high school graduation than specified in division 37211
(B) or (C) of this section. A school district board of education, 37212
through the adoption of a resolution, or the governing authority 37213
of a chartered nonpublic school may stipulate any of the 37214
following: 37215

(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;	37216 37217
(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section;	37218 37219 37220 37221 37222 37223
(3) That no exception comparable to that provided in division (D) of this section is available.	37224 37225
(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department of education, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the Ohio core curriculum prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions:	37226 37227 37228 37229 37230 37231 37232 37233 37234 37235
(1) The program serves only students not younger than sixteen years of age and not older than twenty-one years of age.	37236 37237
(2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs.	37238 37239 37240 37241 37242
(3) The program requires students to attain at least the applicable score designated for each of the tests prescribed under division (B) of section 3301.0710 of the Revised Code.	37243 37244 37245
(4) The program develops an individual career plan for the	37246

student that specifies the student's matriculating to a two-year 37247
degree program, acquiring a business and industry credential, or 37248
entering an apprenticeship. 37249

(5) The program provides counseling and support for the 37250
student related to the plan developed under division (F)(4) of 37251
this section during the remainder of the student's high school 37252
experience. 37253

(6) The program requires the student and the student's 37254
parent, guardian, or custodian to sign and file, in accordance 37255
with procedural requirements stipulated by the program, a written 37256
statement asserting the parent's, guardian's, or custodian's 37257
consent to the student's graduating without completing the Ohio 37258
core curriculum and acknowledging that one consequence of not 37259
completing the Ohio core curriculum is ineligibility to enroll in 37260
most state universities in Ohio without further coursework. 37261

(7) Prior to receiving the waiver, the program has submitted 37262
to the department an instructional plan that demonstrates how the 37263
academic content standards adopted by the state board of education 37264
under section 3301.079 of the Revised Code will be taught and 37265
assessed. 37266

If the department does not act either to grant the waiver or 37267
to reject the program application for the waiver within sixty days 37268
as required under this section, the waiver shall be considered to 37269
be granted. 37270

(G) Every high school may permit students below the ninth 37271
grade to take advanced work ~~for~~. If a high school so permits, it 37272
shall award high school credit. A high school for successful 37273
completion of the advanced work and shall count such advanced work 37274
toward the graduation requirements of division (B) or (C) of this 37275
section if the advanced work was both: 37276

(1) Taught by a person who possesses a license or certificate 37277

issued under section 3301.071, 3319.22, or 3319.222 of the Revised Code that is valid for teaching high school;

(2) Designated by the board of education of the city, local, or exempted village school district, the board of the cooperative education school district, or the governing authority of the chartered nonpublic school as meeting the high school curriculum requirements.

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript.

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses.

(I) Units earned in English language arts, mathematics, science, and social studies that are delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

(J) The state board of education, in consultation with the Ohio board of regents and the partnership for continued learning, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. The state board shall adopt the plan not later than March 31, 2009, and commence phasing in the plan during the 2009-2010 school year. The plan shall

include a standard method for recording demonstrated proficiency 37309
on high school transcripts. Each school district, community 37310
school, and chartered nonpublic school shall comply with the state 37311
board's plan adopted under this division and award units of high 37312
school credit in accordance with the plan. The state board may 37313
adopt existing methods for earning high school credit based on a 37314
demonstration of subject area competency as necessary prior to the 37315
2009-2010 school year. 37316

(K) This division does not apply to students who qualify for 37317
graduation from high school under division (D) or (F) of this 37318
section, or to students pursuing a career-technical instructional 37319
track as determined by the school district board of education or 37320
the chartered nonpublic school's governing authority. 37321
Nevertheless, the general assembly encourages such students to 37322
consider enrolling in a fine arts course as an elective. 37323

Beginning with students who enter ninth grade for the first 37324
time on or after July 1, 2010, each student enrolled in a public 37325
or chartered nonpublic high school shall complete two semesters or 37326
the equivalent of fine arts to graduate from high school. The 37327
coursework may be completed in any of grades seven to twelve. Each 37328
student who completes a fine arts course in grade seven or eight 37329
may elect to count that course toward the five units of electives 37330
required for graduation under division (C)(7) of this section, if 37331
the course satisfied the requirements of division (G) of this 37332
section. In that case, the high school shall award the student 37333
high school credit for the course and count the course toward the 37334
five units required under division (C)(7) of this section. If the 37335
course in grade seven or eight did not satisfy the requirements of 37336
division (G) of this section, the high school shall not award the 37337
student high school credit for the course but shall count the 37338
course toward the two semesters or the equivalent of fine arts 37339
required by this division. 37340

(L) Notwithstanding anything to the contrary in this section, 37341
the board of education of each school district and the governing 37342
authority of each chartered nonpublic school may adopt a policy to 37343
excuse from the high school physical education requirement each 37344
student who, during high school, has participated in 37345
interscholastic athletics, marching band, or cheerleading for at 37346
least two full seasons. If the board or authority adopts such a 37347
policy, the board or authority shall not require the student to 37348
complete any physical education course as a condition to graduate. 37349
However, the student shall be required to complete one-half unit, 37350
consisting of at least sixty hours of instruction, in another 37351
course of study. 37352

educational services at the home in which the child resides 37517
pursuant to a contract between the home and the school district 37518
providing those services, and does not receive special education. 37519

In the case of a child to which division (C)(4) of this 37520
section applies, the total educational cost to be paid for the 37521
child shall be determined by a formula approved by the department 37522
of education, which formula shall be designed to calculate a per 37523

diem cost for the educational services provided to the child for 37524
each day the child is served and shall reflect the total actual 37525
cost incurred in providing those services. The department shall 37526
certify the total educational cost to be paid for the child to 37527
both the school district providing the educational services and, 37528
if different, the school district that is responsible to pay 37529
tuition for the child. The department shall deduct the certified 37530
amount from the state basic aid funds payable under Chapter 3317. 37531
of the Revised Code to the district responsible to pay tuition and 37532
shall pay that amount to the district providing the educational 37533
services to the child. 37534

(D) Tuition required to be paid under divisions (C)(2) and 37535
(3)(a) of this section shall be computed in accordance with 37536
section 3317.08 of the Revised Code. Tuition required to be paid 37537
under division (C)(3)(b) of this section shall be computed in 37538

attend school under division (F)(6) or (7) of this section may 37627
attend without tuition obligation. A student attending a school 37628
under division (F)(6) or (7) of this section shall be eligible to 37629
participate in interscholastic athletics under the auspices of 37630
that school, provided the board of education of the school 37631

exercising authority over interscholastic sports. 37637

(8) A child whose parent is a full-time employee of a city, 37638

majority of its members. Any such policy shall take effect on the 37646
first day of the school year and the effective date of any 37647

all such children and shall provide for the admission of any such 37650
child upon request of the parent. No child may be admitted under 37651
this policy after the first day of classes of any school year. 37652

(9) A child who is with the child's parent under the care of 37653
a shelter for victims of domestic violence, as defined in section 37654
3113.33 of the Revised Code, is entitled to attend school free in 37655
the district in which the child is with the child's parent, and no 37656
other school district shall be required to pay tuition for the 37657
child's attendance in that school district. 37658

The enrollment of a child in a school district under this 37659
division shall not be denied due to a delay in the school 37660
district's receipt of any records required under section 3313.672 37661
of the Revised Code or any other records required for enrollment. 37662
Any days of attendance and any credits earned by a child while 37663

(10) Any child under the age of twenty-two years whose parent 37668
has moved out of the school district after the commencement of 37669
classes in the child's senior year of high school is entitled, 37670
subject to the approval of that district board, to attend school 37671
in the district in which the child attended school at the time of 37672
the parental move for the remainder of the school year and for one 37673
additional semester or equivalent term. A district board may also 37674
adopt a policy specifying extenuating circumstances under which a 37675
student may continue to attend school under division (F)(10) of 37676
this section for an additional period of time in order to 37677
successfully complete the high school curriculum for the 37678
individualized education program developed for the student by the 37679
high school pursuant to section 3323.08 of the Revised Code. 37680

(11) As used in this division, "grandparent" means a parent 37681

of a parent of a child. A child under the age of twenty-two years 37682
who is in the custody of the child's parent, resides with a 37683
grandparent, and does not require special education is entitled to 37684
attend the schools of the district in which the child's 37685
grandparent resides, provided that, prior to such attendance in 37686
any school year, the board of education of the school district in 37687
which the child's grandparent resides and the board of education 37688
of the school district in which the child's parent resides enter 37689
into a written agreement specifying that good cause exists for 37690
such attendance, describing the nature of this good cause, and 37691
consenting to such attendance. 37692

In lieu of a consent form signed by a parent, a board of 37693
education may request the grandparent of a child attending school 37694
in the district in which the grandparent resides pursuant to 37695
division (F)(11) of this section to complete any consent form 37696
required by the district, including any authorization required by 37697
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 37698
Code. Upon request, the grandparent shall complete any consent 37699
form required by the district. A school district shall not incur 37700
any liability solely because of its receipt of a consent form from 37701
a grandparent in lieu of a parent. 37702

Division (F)(11) of this section does not create, and shall 37703
not be construed as creating, a new cause of action or substantive 37704
legal right against a school district, a member of a board of 37705
education, or an employee of a school district. This section does 37706
not affect, and shall not be construed as affecting, any 37707
immunities from defenses to tort liability created or recognized 37708
by Chapter 2744. of the Revised Code for a school district, 37709
member, or employee. 37710

(12) A child under the age of twenty-two years is entitled to 37711
attend school in a school district other than the district in 37712
which the child is entitled to attend school under division (B), 37713

(C), or (E) of this section provided that, prior to such 37714
attendance in any school year, both of the following occur: 37715

(a) The superintendent of the district in which the child is 37716
entitled to attend school under division (B), (C), or (E) of this 37717
section contacts the superintendent of another district for 37718
purposes of this division; 37719

(b) The superintendents of both districts enter into a 37720
written agreement that consents to the attendance and specifies 37721
that the purpose of such attendance is to protect the student's 37722
physical or mental well-being or to deal with other extenuating 37723
circumstances deemed appropriate by the superintendents. 37724

While an agreement is in effect under this division for a 37725
student who is not receiving special education under Chapter 3323. 37726
of the Revised Code and notwithstanding Chapter 3327. of the 37727
Revised Code, the board of education of neither school district 37728
involved in the agreement is required to provide transportation 37729
for the student to and from the school where the student attends. 37730

A student attending a school of a district pursuant to this 37731
division shall be allowed to participate in all student 37732
activities, including interscholastic athletics, at the school 37733
where the student is attending on the same basis as any student 37734
who has always attended the schools of that district while of 37735
compulsory school age. 37736

(13) All school districts shall comply with the 37737
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 37738
seq., for the education of homeless children. Each city, local, 37739
and exempted village school district shall comply with the 37740
requirements of that act governing the provision of a free, 37741
appropriate public education, including public preschool, to each 37742
homeless child. 37743

When a child loses permanent housing and becomes a homeless 37744

person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 37745
such a homeless person changes temporary living arrangements, the 37746
child's parent or guardian shall have the option of enrolling the 37747
child in either of the following: 37748

(a) The child's school of origin, as defined in 42 U.S.C.A. 37749
11432(g)(3)(C); 37750

(b) The school that is operated by the school district in 37751
which the shelter where the child currently resides is located and 37752
that serves the geographic area in which the shelter is located. 37753

(14) A child under the age of twenty-two years who resides 37754
with a person other than the child's parent is entitled to attend 37755
school in the school district in which that person resides if both 37756
of the following apply: 37757

(a) That person has been appointed, through a military power 37758
of attorney executed under section 574(a) of the "National Defense 37759
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 37760
U.S.C. 1044b, or through a comparable document necessary to 37761
complete a family care plan, as the parent's agent for the care, 37762
custody, and control of the child while the parent is on active 37763
duty as a member of the national guard or a reserve unit of the 37764
armed forces of the United States or because the parent is a 37765
member of the armed forces of the United States and is on a duty 37766
assignment away from the parent's residence. 37767

(b) The military power of attorney or comparable document 37768
includes at least the authority to enroll the child in school. 37769

The entitlement to attend school in the district in which the 37770
parent's agent under the military power of attorney or comparable 37771
document resides applies until the end of the school year in which 37772
the military power of attorney or comparable document expires. 37773

(G) A board of education, after approving admission, may 37774
waive tuition for students who will temporarily reside in the 37775

district and who are either of the following: 37776

(1) Residents or domiciliaries of a foreign nation who 37777
request admission as foreign exchange students; 37778

(2) Residents or domiciliaries of the United States but not 37779
of Ohio who request admission as participants in an exchange 37780
program operated by a student exchange organization. 37781

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 37782
3327.04, and 3327.06 of the Revised Code, a child may attend 37783
school or participate in a special education program in a school 37784
district other than in the district where the child is entitled to 37785
attend school under division (B) of this section. 37786

(I)(1) Notwithstanding anything to the contrary in this 37787
section or section 3313.65 of the Revised Code, a child under 37788
twenty-two years of age may attend school in the school district 37789
in which the child, at the end of the first full week of October 37790
of the school year, was entitled to attend school as otherwise 37791
provided under this section or section 3313.65 of the Revised 37792
Code, if at that time the child was enrolled in the schools of the 37793
district but since that time the child or the child's parent has 37794
relocated to a new address located outside of that school district 37795
and within the same county as the child's or parent's address 37796
immediately prior to the relocation. The child may continue to 37797
attend school in the district, and at the school to which the 37798
child was assigned at the end of the first full week of October of 37799
the current school year, for the balance of the school year. 37800
Division (I)(1) of this section applies only if both of the 37801
following conditions are satisfied: 37802

(a) The board of education of the school district in which 37803
the child was entitled to attend school at the end of the first 37804
full week in October and of the district to which the child or 37805

children described in division (I)(1) of this section. 37807

(b) The child's parent provides written notification of the 37808
relocation outside of the school district to the superintendent of 37809
each of the two school districts. 37810

(2) At the beginning of the school year following the school 37811
year in which the child or the child's parent relocated outside of 37812
the school district as described in division (I)(1) of this 37813
section, the child is not entitled to attend school in the school 37814
district under that division. 37815

(3) Any person or entity owing tuition to the school district 37816
on behalf of the child at the end of the first full week in 37817
October, as provided in division (C) of this section, shall 37818
continue to owe such tuition to the district for the child's 37819
attendance under division (I)(1) of this section for the lesser of 37820
the balance of the school year or the balance of the time that the 37821
child attends school in the district under division (I)(1) of this 37822
section. 37823

(4) A pupil who may attend school in the district under 37824
division (I)(1) of this section shall be entitled to 37825
transportation services pursuant to an agreement between the 37826
district and the district in which the child or child's parent has 37827
relocated unless the districts have not entered into such 37828
agreement, in which case the child shall be entitled to 37829
transportation services in the same manner as a pupil attending 37830
school in the district under interdistrict open enrollment as 37831
described in division (H) of section 3313.981 of the Revised Code, 37832
regardless of whether the district has adopted an open enrollment 37833
policy as described in division (B)(1)(b) or (c) of section 37834
3313.98 of the Revised Code. 37835

(J) This division does not apply to a child receiving special 37836
education. 37837

A school district required to pay tuition pursuant to 37838
division (C)(2) or (3) of this section or section 3313.65 of the 37839
Revised Code shall have an amount deducted under division (F) of 37840
section 3317.023 of the Revised Code equal to its own tuition rate 37841
for the same period of attendance. A school district entitled to 37842
receive tuition pursuant to division (C)(2) or (3) of this section 37843
or section 3313.65 of the Revised Code shall have an amount 37844
credited under division (F) of section 3317.023 of the Revised 37845
Code equal to its own tuition rate for the same period of 37846
attendance. If the tuition rate credited to the district of 37847
attendance exceeds the rate deducted from the district required to 37848
pay tuition, the department of education shall pay the district of 37849
attendance the difference from amounts deducted from all 37850
districts' payments under division (F) of section 3317.023 of the 37851
Revised Code but not credited to other school districts under such 37852
division and from appropriations made for such purpose. The 37853
treasurer of each school district shall, by the fifteenth day of 37854
January and July, furnish the superintendent of public instruction 37855
a report of the names of each child who attended the district's 37856
schools under divisions (C)(2) and (3) of this section or section 37857
3313.65 of the Revised Code during the preceding six calendar 37858
months, the duration of the attendance of those children, the 37859
school district responsible for tuition on behalf of the child, 37860
and any other information that the superintendent requires. 37861

Upon receipt of the report the superintendent, pursuant to 37862
division (F) of section 3317.023 of the Revised Code, shall deduct 37863
each district's tuition obligations under divisions (C)(2) and (3) 37864
of this section or section 3313.65 of the Revised Code and pay to 37865
the district of attendance that amount plus any amount required to 37866
be paid by the state. 37867

(K) In the event of a disagreement, the superintendent of 37868
public instruction shall determine the school district in which 37869

the parent resides. 37870

(L) Nothing in this section requires or authorizes, or shall 37871
be construed to require or authorize, the admission to a public 37872
school in this state of a pupil who has been permanently excluded 37873
from public school attendance by the superintendent of public 37874
instruction pursuant to sections 3301.121 and 3313.662 of the 37875
Revised Code. 37876

(M) In accordance with division (B)(1) of this section, a 37877
child whose parent is a member of the national guard or a reserve 37878
unit of the armed forces of the United States and is called to 37879
active duty, or a child whose parent is a member of the armed 37880
forces of the United States and is ordered to a temporary duty 37881
assignment outside of the district, may continue to attend school 37882
in the district in which the child's parent lived before being 37883
called to active duty or ordered to a temporary duty assignment 37884
outside of the district, as long as the child's parent continues 37885
to be a resident of that district, and regardless of where the 37886
child lives as a result of the parent's active duty status or 37887
temporary duty assignment. However, the district is not 37888
responsible for providing transportation for the child if the 37889
child lives outside of the district as a result of the parent's 37890
active duty status or temporary duty assignment. 37891

Sec. 3313.642. (A) Except as provided in division (B) of this 37892
section and notwithstanding the provisions of sections 3313.48 and 37893
3313.64 of the Revised Code, the board of education of a city, 37894
exempted village, or local school district shall not be required 37895
to furnish, free of charge, to the pupils attending the public 37896
schools any materials used in a course of instruction with the 37897
exception of the necessary textbooks or electronic textbooks 37898
required to be furnished without charge pursuant to section 37899
3329.06 of the Revised Code. The board may, however, make 37900

provision by appropriations transferred from the general fund of 37901
the district or otherwise for furnishing free of charge any 37902

determines are in serious financial need of such materials. 37904

as amended, and the "Child Nutrition Act of 1966," 80 Stat. 885, 37910
42 U.S.C. 1771, as amended, for any materials needed to enable the 37911
~~recipient~~ pupil to participate fully in a course of instruction. 37912
The prohibition in this division against charging a fee does not 37913
apply to any fee charged for any materials needed to enable a 37914
~~recipient~~ pupil to participate fully in extracurricular activities 37915
or in any pupil enrichment program that is not a course of 37916
instruction. 37917

(C) Boards of education may adopt rules and regulations 37918
prescribing a schedule of fees for materials used in a course of 37919
instruction and prescribing a schedule of charges which may be 37920
imposed upon pupils for the loss, damage, or destruction of school 37921
apparatus, equipment, musical instruments, library material, 37922
textbooks, or electronic textbooks required to be furnished 37923
without charge, and for damage to school buildings, and may 37924
enforce the payment of such fees and charges by withholding the 37925
grades and credits of the pupils concerned. 37926

(K) For purposes of determining the number of students for 39290
which divisions (D)(5) and (6) of this section applies in any 39291
school year, a community school may submit to the department of 39292
job and family services, no later than the first day of March, a 39293

determination and no later than ninety days after submission of 39305
the list by the community school, the department shall report to 39306
the state department of education the number of students on the 39307
list who reside in each school district who were included in the 39308
department's report under section 3317.10 of the Revised Code. In 39309

services shall not report to the state department of education any 39311
personally identifiable information on any student. 39312

(L) The department of education shall adjust the amounts 39313
subtracted and paid under divisions (C) and (D) of this section to 39314
reflect any enrollment of students in community schools for less 39315
than the equivalent of a full school year. The state board of 39316
education within ninety days after April 8, 2003, shall adopt in 39317
accordance with Chapter 119. of the Revised Code rules governing 39318
the payments to community schools under this section and section 39319
3314.13 of the Revised Code including initial payments in a school 39320

year and adjustments and reductions made in subsequent periodic 39321
payments to community schools and corresponding deductions from 39322
school district accounts as provided under divisions (C) and (D) 39323
of this section and section 3314.13 of the Revised Code. For 39324
purposes of this section and section 3314.13 of the Revised Code: 39325

(1) A student shall be considered enrolled in the community 39326
school for any portion of the school year the student is 39327
participating at a college under Chapter 3365. of the Revised 39328
Code. 39329

(2) A student shall be considered to be enrolled in a 39330
community school during a school year for the period of time 39331
beginning on the later of the date on which the school both has 39332
received documentation of the student's enrollment from a parent 39333
and the student has commenced participation in learning 39334
opportunities as defined in the contract with the sponsor, or 39335
thirty days prior to the date on which the student is entered into 39336
the education management information system established under 39337
section 3301.0714 of the Revised Code. For purposes of applying 39338
this division and ~~division~~ divisions (L)(3) and (4) of this 39339
section to a community school student, "learning opportunities" 39340
shall be defined in the contract, which shall describe both 39341
classroom-based and non-classroom-based learning opportunities and 39342
shall be in compliance with criteria and documentation 39343
requirements for student participation which shall be established 39344
by the department. Any student's instruction time in 39345
non-classroom-based learning opportunities shall be certified by 39346
an employee of the community school. A student's enrollment shall 39347
be considered to cease on the date on which any of the following 39348
occur: 39349

(a) The community school receives documentation from a parent 39350
terminating enrollment of the student. 39351

(b) The community school is provided documentation of a 39352

student's enrollment in another public or private school. 39353

(c) The community school ceases to offer learning 39354
opportunities to the student pursuant to the terms of the contract 39355
with the sponsor or the operation of any provision of this 39356
chapter. 39357

(3) The department shall determine each community school 39358
student's percentage of full-time equivalency based on the 39359
percentage of learning opportunities offered by the community 39360
school to that student, reported either as number of hours or 39361
number of days, is of the total learning opportunities offered by 39362
the community school to a student who attends for the school's 39363
entire school year. However, no internet- or computer-based 39364
community school shall be credited for any time a student spends 39365
participating in learning opportunities beyond ten hours within 39366
any period of twenty-four consecutive hours. Whether it reports 39367
hours or days of learning opportunities, each community school 39368
shall offer not less than nine hundred twenty hours of learning 39369
opportunities during the school year. 39370

(4) With respect to the calculation of full-time equivalency 39371
under division (L)(3) of this section, the department shall waive 39372
the number of hours or days of learning opportunities not offered 39373
to a student because the community school was closed during the 39374
school year due to disease epidemic, hazardous weather conditions, 39375
inoperability of school buses or other equipment necessary to the 39376
school's operation, damage to a school building, or other 39377
temporary circumstances due to utility failure rendering the 39378
school building unfit for school use, so long as the school was 39379
actually open for instruction with students in attendance during 39380
that school year for not less than the minimum number of hours 39381
required by this chapter. The department shall treat the school as 39382
if it were open for instruction with students in attendance during 39383
the hours or days waived under this division. 39384

(M) The department of education shall reduce the amounts paid 39385
under division (D) of this section to reflect payments made to 39386
colleges under division (B) of section 3365.07 of the Revised Code 39387
or through alternative funding agreements entered into under rules 39388
adopted under section 3365.12 of the Revised Code. 39389

(N)(1) No student shall be considered enrolled in any 39390
internet- or computer-based community school or, if applicable to 39391
the student, in any community school that is required to provide 39392
the student with a computer pursuant to division (C) of section 39393
3314.22 of the Revised Code, unless both of the following 39394
conditions are satisfied: 39395

(a) The student possesses or has been provided with all 39396
required hardware and software materials and all such materials 39397
are operational so that the student is capable of fully 39398
participating in the learning opportunities specified in the 39399
contract between the school and the school's sponsor as required 39400
by division (A)(23) of section 3314.03 of the Revised Code; 39401

(b) The school is in compliance with division (A) of section 39402
3314.22 of the Revised Code, relative to such student. 39403

(2) In accordance with policies adopted jointly by the 39404
superintendent of public instruction and the auditor of state, the 39405
department shall reduce the amounts otherwise payable under 39406
division (D) of this section to any community school that includes 39407
in its program the provision of computer hardware and software 39408
materials to any student, if such hardware and software materials 39409
have not been delivered, installed, and activated for each such 39410
student in a timely manner or other educational materials or 39411
services have not been provided according to the contract between 39412
the individual community school and its sponsor. 39413

The superintendent of public instruction and the auditor of 39414
state shall jointly establish a method for auditing any community 39415

school to which this division pertains to ensure compliance with 39416
this section. 39417

The superintendent, auditor of state, and the governor shall 39418
jointly make recommendations to the general assembly for 39419
legislative changes that may be required to assure fiscal and 39420
academic accountability for such schools. 39421

(O)(1) If the department determines that a review of a 39422
community school's enrollment is necessary, such review shall be 39423
completed and written notice of the findings shall be provided to 39424
the governing authority of the community school and its sponsor 39425
within ninety days of the end of the community school's fiscal 39426
year, unless extended for a period not to exceed thirty additional 39427
days for one of the following reasons: 39428

(a) The department and the community school mutually agree to 39429
the extension. 39430

(b) Delays in data submission caused by either a community 39431
school or its sponsor. 39432

(2) If the review results in a finding that additional 39433
funding is owed to the school, such payment shall be made within 39434
thirty days of the written notice. If the review results in a 39435
finding that the community school owes moneys to the state, the 39436
following procedure shall apply: 39437

(a) Within ten business days of the receipt of the notice of 39438
findings, the community school may appeal the department's 39439
determination to the state board of education or its designee. 39440

(b) The board or its designee shall conduct an informal 39441
hearing on the matter within thirty days of receipt of such an 39442
appeal and shall issue a decision within fifteen days of the 39443
conclusion of the hearing. 39444

(c) If the board has enlisted a designee to conduct the 39445

hearing, the designee shall certify its decision to the board. The 39446
board may accept the decision of the designee or may reject the 39447
decision of the designee and issue its own decision on the matter. 39448

(d) Any decision made by the board under this division is 39449
final. 39450

(3) If it is decided that the community school owes moneys to 39451
the state, the department shall deduct such amount from the 39452
school's future payments in accordance with guidelines issued by 39453
the superintendent of public instruction. 39454

~~(Q)~~(P) The department shall not subtract from a school 39455
district's state aid account under division (C) of this section 39456

section any amount for any of the following: 39458

(1) Any student who has graduated from the twelfth grade of a 39459
public or nonpublic high school; 39460

(2) Any student who is not a resident of the state; 39461

(3) Any student who was enrolled in the community school 39462
during the previous school year when tests were administered under 39463
section 3301.0711 of the Revised Code but did not take one or more 39464
of the tests required by that section and was not excused pursuant 39465
to division (C)(1) or (3) of that section, unless the 39466
superintendent of public instruction grants the student a waiver 39467
from the requirement to take the test and a parent is not paying 39468
tuition for the student pursuant to section 3314.26 of the Revised 39469
Code. The superintendent may grant a waiver only for good cause in 39470
accordance with rules adopted by the state board of education. 39471

(4) Any student who has attained the age of twenty-two years, 39472
except for veterans of the armed services whose attendance was 39473
interrupted before completing the recognized twelve-year course of 39474
the public schools by reason of induction or enlistment in the 39475
armed forces and who apply for enrollment in a community school 39476

not later than four years after termination of war or their 39477
honorable discharge. If, however, any such veteran elects to 39478
enroll in special courses organized for veterans for whom tuition 39479
is paid under federal law, or otherwise, the department shall not 39480
subtract from a school district's state aid account under division 39481
(C) of this section and shall not pay to a community school under 39482
division (D) of this section any amount for that veteran. 39483

Sec. 3314.085. (A) In each fiscal year beginning in fiscal 39484
year 2007, each internet- or computer-based community school shall 39485
spend for pupil instruction at least the amount per pupil 39486

expenditures for pupil instruction include expenditures for 39489
teachers, curriculum, academic materials ~~other than~~, computers, 39490
software, and any other instructional purposes designated in the 39491
rules adopted under this section. Expenditures to provide the 39492
computer hardware and filtering software required by sections 39493
3314.21 and 3314.22 of the Revised Code ~~do not~~ qualify as pupil 39494
instruction for purposes of this section. 39495

(B) Beginning in fiscal year 2007, each internet- or 39496

manner required by the department. 39500

(C) If the department determines, after offering the school 39501
an opportunity for a hearing in accordance with Chapter 119. of 39502
the Revised Code, that an internet- or computer-based community 39503
school has failed in any fiscal year to comply with division (A) 39504
or (B) of this section, the department shall assess a fine against 39505
the school equivalent to the greater of the following: 39506

under this chapter for the fiscal year in which the failure
occurred;

(2) The difference between the amount the department
determines the school was required to have spent for pupil
instruction and the amount the department determines the school
actually spent for pupil instruction.

The department's methods of collecting the fine may include
withholding state payments under this chapter in the current or
subsequent fiscal year.

The department may cancel a fine it has imposed under this
section if the school submits a plan for coming into compliance
with the requirements of this section that the department
approves, and the school demonstrates to the department's
satisfaction that it is implementing the plan.

(D) The superintendent of public instruction shall adopt
rules in accordance with Chapter 119. of the Revised Code
specifying expenditures that qualify as expenditures for pupil
instruction for purposes of this section.

was not excused from the test pursuant to division (C)(1) or (3)
of section 3301.0711 of the Revised Code, regardless of whether a
waiver was granted for the student under division ~~(Q)~~(P)(3) of
section 3314.08 of the Revised Code. The school shall report any
such student's data verification code, as assigned pursuant to
section 3301.0714 of the Revised Code, to the department of
education. The department shall maintain a list of all data
verification codes reported under this division and section

internet- or computer-based community school and to each school to 39540
which section 3313.6410 of the Revised Code applies. 39541

(B) No internet- or computer-based community school shall 39542
receive any state funds under this chapter for any enrolled 39543
student whose data verification code appears on the list 39544
maintained by the department under division (A) of this section. 39545

Notwithstanding any provision of the Revised Code to the 39546

internet- or computer-based community school in an amount equal to 39548
the state funds the school otherwise would receive for that 39549
student, as determined by the department. An internet- or 39550
computer-based community school may withdraw any student for whom 39551

before April 1, 2006, the fiscal officer of the municipal 39994
corporation that adopted the ordinance, or of the township or 39995

constructed within the district during its existence exceed the 40022
amount the state pays the school district under section 3317.022 40023

the school district's recognized valuation. The analysis shall be 40025

share match requirement for such funding. 40052

As used in division (A)(6) of this section, "project" has the 40053
same meaning as in section 5709.40 of the Revised Code. 40054

(7) The aggregate value of real property in the school 40055

sections specified in this division, by (b) a fraction, the 40066
numerator of which is the difference between (i) the amount of 40067
anticipated revenue such school district would have received for 40068
the preceding tax year if the real property exempted from taxation 40069
had not been exempted from taxation and (ii) the aggregate amount 40070
of payments in lieu of taxes on the exempt real property for the 40071
preceding tax year and other compensation received for the 40072
preceding tax year by the school district pursuant to any 40073

The department shall require school districts to report data 40367
annually to allow for monitoring compliance with division (C)(5) 40368
of this section. The department shall annually report to the 40369
governor and the general assembly the amount of money spent by 40370
each school district for special education and related services. 40371

(6) In any fiscal year, a school district shall spend for the 40372
provision of speech language pathology services not less than the 40373
sum of the amount calculated under division (C)(1) of this section 40374
for the students in the district's category one special education 40375

ADM and the amount calculated under division (C)(4) of this section. 40376
40377

The scholarships deducted from the school district's account under section 3310.55 of the Revised Code for students counted in the district's category one special education ADM shall be considered to be an approved speech language pathology services expense for the purpose of the school district's compliance with division (C)(6) of this section. 40378

40381
40382
40383

(D)(1) As used in this division: 40384

(a) "Daily bus miles per student" equals the number of bus miles traveled per day, divided by transportation base. 40385
40386

(b) "Transportation base" equals total student count as defined in section 3301.011 of the Revised Code, minus the number of students enrolled in units for preschool children with disabilities, plus the number of nonpublic school students included in transportation ADM. 40387
40388
40389
40390
40391

(c) "Transported student percentage" equals transportation ADM divided by transportation base. 40392
40393

(d) "Transportation cost per student" equals total operating costs for board-owned or contractor-operated school buses divided by transportation base. 40394
40395
40396

(2) Analysis of student transportation cost data has resulted in a finding that an average efficient transportation use cost per student can be calculated by means of a regression formula that has as its two independent variables the number of daily bus miles per student and the transported student percentage. For fiscal year 1998 transportation cost data, the average efficient transportation use cost per student is expressed as follows: 40397
40398
40399
40400
40401
40402
40403

51.79027 + (139.62626 X daily bus miles per student) + 40404
(116.25573 X transported student percentage) 40405

The department of education shall annually determine the average efficient transportation use cost per student in accordance with the principles stated in division (D)(2) of this section, updating the intercept and regression coefficients of the regression formula modeled in this division, based on an annual statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported student percentage, and transportation cost per student data, from the prior fiscal year. The department shall notify the office of budget and management of such update by the fifteenth day of February of each year.

(3) In addition to funds paid under divisions (A), (C), and (E) of this section, each district with a transported student percentage greater than zero shall receive a payment equal to a percentage of the product of the district's transportation base from the prior fiscal year times the annually updated average efficient transportation use cost per student, times an inflation factor of two and eight-tenths per cent to account for the one-year difference between the data used in updating the formula and calculating the payment and the year in which the payment is made. The percentage shall be the following percentage of that product specified for the corresponding fiscal year:

FISCAL YEAR	PERCENTAGE	
2000	52.5%	
2001	55%	
2002	57.5%	
2003 and thereafter	The greater of 60% or the district's state share percentage	

The payments made under division (D)(3) of this section each

year shall be calculated based on all of the same prior year's data used to update the formula. 40436
40437

(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply: 40438
40439
40440

(a) Its county rough road percentage is higher than the statewide rough road percentage, as those terms are defined in division (D)(5) of this section; 40441
40442
40443

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division. 40444
40445

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula: 40446
40447
40448

(per rough mile subsidy X total rough road miles)
X density multiplier 40449
40450

where: 40451

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula: 40452
40453

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$ 40454
40455
40456

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state. 40457
40458

(ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost-of-doing-business factor. 40459
40460
40461
40462
40463
40464
40465

(iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the department of transportation.

(b) "Total rough road miles" means a school district's total bus miles traveled in one year times its county rough road percentage.

(c) "Density multiplier" means a figure calculated in accordance with the following formula:

$$1 - \left[\frac{\text{minimum student density} - \text{district student density}}{\text{minimum student density} - \text{statewide student density}} \right]$$

(i) "Minimum student density" means the lowest district student density in the state.

(ii) "District student density" means a school district's transportation base divided by the number of square miles in the district.

(iii) "Statewide student density" means the sum of the transportation bases for all school districts divided by the sum of the square miles in all school districts.

(6) In addition to funds paid under divisions (D)(2) to (5) of this section, each district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than board-owned or contractor-operated buses and whose transportation is not funded under division (G) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students.

(E)(1) The department shall compute and distribute state vocational education additional weighted costs funds to each school district in accordance with the following formula:

state share percentage X 40497
the formula amount X 40498
total vocational education weight 40499

In any fiscal year, a school district receiving funds under 40500
division (E)(1) of this section shall spend those funds only for 40501
the purposes that the department designates as approved for 40502
vocational education expenses. Vocational educational expenses 40503
approved by the department shall include only expenses connected 40504
to the delivery of career-technical programming to 40505
career-technical students. The department shall require the school 40506
district to report data annually so that the department may 40507
monitor the district's compliance with the requirements regarding 40508
the manner in which funding received under division (E)(1) of this 40509
section may be spent. 40510

(2) The department shall compute for each school district 40511
state funds for vocational education associated services in 40512
accordance with the following formula: 40513

state share percentage X .05 X the formula amount X 40514
the sum of categories one and two vocational education ADM 40515

In any fiscal year, a school district receiving funds under 40516
division (E)(2) of this section, or through a transfer of funds 40517
pursuant to division (L) of section 3317.023 of the Revised Code, 40518
shall spend those funds only for the purposes that the department 40519
designates as approved for vocational education associated 40520
services expenses, which may include such purposes as 40521
apprenticeship coordinators, coordinators for other vocational 40522
education services, vocational evaluation, and other purposes 40523
designated by the department. The department may deny payment 40524
under division (E)(2) of this section to any district that the 40525
department determines is not operating those services or is using 40526
funds paid under division (E)(2) of this section, or through a 40527
transfer of funds pursuant to division (L) of section 3317.023 of 40528

the Revised Code, for other purposes. 40529

(F) The actual local share in any fiscal year for the 40530
combination of special education and related services additional 40531
weighted costs funding calculated under division (C)(1) of this 40532
section, transportation funding calculated under divisions (D)(2) 40533
and (3) of this section, and vocational education and associated 40534
services additional weighted costs funding calculated under 40535
divisions (E)(1) and (2) of this section shall not exceed for any 40536
school district the product of three and three-tenths mills times 40537
the district's recognized valuation. The department annually shall 40538
pay each school district as an excess cost supplement any amount 40539
by which the sum of the district's attributed local shares for 40540
that funding exceeds that product. For purposes of calculating the 40541
excess cost supplement: 40542

(1) The attributed local share for special education and 40543
related services additional weighted costs funding is the amount 40544
specified in division (C)(2) of this section. 40545

(2) The attributed local share of transportation funding 40546
equals the difference of the total amount calculated for the 40547
district using the formula developed under division (D)(2) of this 40548
section minus the actual amount paid to the district after 40549
applying the percentage specified in division (D)(3) of this 40550
section. 40551

(3) The attributed local share of vocational education and 40552
associated services additional weighted costs funding is the 40553
amount determined as follows: 40554

(1 - state share percentage) X 40555
[(total vocational education weight X 40556
the formula amount) + the payment under 40557
division (E)(2) of this section] 40558

certify to the state board, for the schools under the 40569
superintendent's supervision, the formula ADM for the first full 40570
week in February. If a school under the superintendent's 40571
supervision is closed for one or more days during that week due to 40572
hazardous weather conditions or other circumstances described in 40573
the first paragraph of division (B) of section 3317.01 of the 40574
Revised Code, the superintendent may apply to the superintendent 40575
of public instruction for a waiver, under which the superintendent 40576
of public instruction may exempt the district superintendent from 40577
certifying the formula ADM for that school for that week and 40578
specify an alternate week for certifying the formula ADM of that 40579
school. 40580

The formula ADM shall consist of the average daily membership 40581

of section 3317.013 of the Revised Code; 40806

(e) The number of children with disabilities, other than preschool children with disabilities, placed with a county MR/DD board in the current fiscal year to receive special education services for category four disabilities described in division (D) of section 3317.013 of the Revised Code;

(f) The number of children with disabilities, other than preschool children with disabilities, placed with a county MR/DD board in the current fiscal year to receive special education services for the category five disabilities described in division (E) of section 3317.013 of the Revised Code;

(g) The number of children with disabilities, other than preschool children with disabilities, placed with a county MR/DD board in the current fiscal year to receive special education services for category six disabilities described in division (F) of section 3317.013 of the Revised Code.

(C)(1) Except as otherwise provided in this section for kindergarten students, the average daily membership in divisions (B)(1) to (12) of this section shall be based upon the number of full-time equivalent students. The state board of education shall adopt rules defining full-time equivalent students and for determining the average daily membership therefrom for the purposes of divisions (A), (B), and (D) of this section.

(2) A student enrolled in a community school established under Chapter 3314. or a science, technology, engineering, and mathematics school established under Chapter 3326. of the Revised Code shall be counted in the formula ADM and, if applicable, the category one, two, three, four, five, or six special education ADM of the school district in which the student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code for the same proportion of the school year that the student is counted in the enrollment of the community school or the science, technology, engineering, and mathematics school for purposes of

section 3314.08 or 3326.33 of the Revised Code. Notwithstanding 40839
the number of students reported pursuant to division (B)(3)(d), 40840
(e), or (j) of this section, the department may adjust the formula 40841
ADM of a school district to account for students entitled to 40842
attend school in the district under section 3313.64 or 3313.65 of 40843
the Revised Code who are enrolled in a community school or a 40844
science, technology, engineering, and mathematics school for only 40845
a portion of the school year. 40846

(3) No child shall be counted as more than a total of one 40847
child in the sum of the average daily memberships of a school 40848
district under division (A), divisions (B)(1) to (12), or division 40849
(D) of this section, except as follows: 40850

(a) A child with a disability described in section 3317.013 40851
of the Revised Code may be counted both in formula ADM and in 40852
category one, two, three, four, five, or six special education ADM 40853
and, if applicable, in category one or two vocational education 40854
ADM. As provided in division (C) of section 3317.02 of the Revised 40855
Code, such a child shall be counted in category one, two, three, 40856
four, five, or six special education ADM in the same proportion 40857
that the child is counted in formula ADM. 40858

(b) A child enrolled in vocational education programs or 40859
classes described in section 3317.014 of the Revised Code may be 40860
counted both in formula ADM and category one or two vocational 40861
education ADM and, if applicable, in category one, two, three, 40862
four, five, or six special education ADM. Such a child shall be 40863
counted in category one or two vocational education ADM in the 40864
same proportion as the percentage of time that the child spends in 40865
the vocational education programs or classes. 40866

(4) Based on the information reported under this section, the 40867
department of education shall determine the total student count, 40868
as defined in section 3301.011 of the Revised Code, for each 40869
school district. 40870

(D)(1) The superintendent of each joint vocational school 40871
district shall certify to the superintendent of public instruction 40872
on or before the fifteenth day of October in each year for the 40873
first full school week in October the formula ADM. Beginning in 40874
fiscal year 2007, each superintendent also shall certify to the 40875
state superintendent the formula ADM for the first full week in 40876
February. If a school operated by the joint vocational school 40877
district is closed for one or more days during that week due to 40878
hazardous weather conditions or other circumstances described in 40879
the first paragraph of division (B) of section 3317.01 of the 40880
Revised Code, the superintendent may apply to the superintendent 40881
of public instruction for a waiver, under which the superintendent 40882
of public instruction may exempt the district superintendent from 40883
certifying the formula ADM for that school for that week and 40884
specify an alternate week for certifying the formula ADM of that 40885
school. 40886

The formula ADM, except as otherwise provided in this 40887
division, shall consist of the average daily membership during 40888
such week, on an FTE basis, of the number of students receiving 40889
any educational services from the district, including students 40890
enrolled in a community school established under Chapter 3314. or 40891
a science, technology, engineering, and mathematics school 40892
established under Chapter 3326. of the Revised Code who are 40893
attending the joint vocational district under an agreement between 40894
the district board of education and the governing authority of the 40895
community school or the science, technology, engineering, and 40896
mathematics school and are entitled to attend school in a city, 40897
local, or exempted village school district whose territory is part 40898
of the territory of the joint vocational district. Beginning in 40899
fiscal year 2007, in the case of the report submitted for the 40900
first week in February, or the alternative week if specified by 40901
the superintendent of public instruction, the superintendent of 40902
the joint vocational school district may include the number of 40903

students reported under division (D)(1) of this section for the 40904
first full week of the preceding October but who since that week 40905
have received high school diplomas. 40906

40907

The following categories of students shall not be included in 40908
the determination made under division (D)(1) of this section: 40909

(a) Students enrolled in adult education classes; 40910

(b) Adjacent or other district joint vocational students 40911
enrolled in the district under an open enrollment policy pursuant 40912
to section 3313.98 of the Revised Code; 40913

(c) Students receiving services in the district pursuant to a 40914
compact, cooperative education agreement, or a contract, but who 40915
are entitled to attend school in a city, local, or exempted 40916
village school district whose territory is not part of the 40917
territory of the joint vocational district; 40918

(d) Students for whom tuition is payable pursuant to sections 40919
3317.081 and 3323.141 of the Revised Code. 40920

(2) To enable the department of education to obtain the data 40921
needed to complete the calculation of payments pursuant to this 40922
chapter, in addition to the formula ADM, each superintendent shall 40923
report separately the average daily membership included in the 40924
report under division (D)(1) of this section for each of the 40925
following categories of students for the same week for which 40926
formula ADM is certified: 40927

(a) Students enrolled in each grade included in the joint 40928
vocational district schools; 40929

(b) Children with disabilities receiving special education 40930
services for the category one disability described in division (A) 40931
of section 3317.013 of the Revised Code; 40932

(c) Children with disabilities receiving special education 40933

services for the category two disabilities described in division	40934
(B) of section 3317.013 of the Revised Code;	40935
(d) Children with disabilities receiving special education	40936
services for category three disabilities described in division (C)	40937
of section 3317.013 of the Revised Code;	40938
(e) Children with disabilities receiving special education	40939
services for category four disabilities described in division (D)	40940
of section 3317.013 of the Revised Code;	40941
(f) Children with disabilities receiving special education	40942
services for the category five disabilities described in division	40943
(E) of section 3317.013 of the Revised Code;	40944
(g) Children with disabilities receiving special education	40945
services for category six disabilities described in division (F)	40946
of section 3317.013 of the Revised Code;	40947
(h) Students receiving category one vocational education	40948
services, described in division (A) of section 3317.014 of the	40949
Revised Code;	40950
(i) Students receiving category two vocational education	40951
services, described in division (B) of section 3317.014 of the	40952
Revised Code.	40953
The superintendent of each joint vocational school district	40954
shall also indicate the city, local, or exempted village school	40955
district in which each joint vocational district pupil is entitled	40956
to attend school pursuant to section 3313.64 or 3313.65 of the	40957
Revised Code.	40958
(E) In each school of each city, local, exempted village,	40959
joint vocational, and cooperative education school district there	40960
shall be maintained a record of school membership, which record	40961
shall accurately show, for each day the school is in session, the	40962
actual membership enrolled in regular day classes. For the purpose	40963

of determining average daily membership, the membership figure of 40964
any school shall not include any pupils except those pupils 40965
described by division (A) of this section. The record of 40966
membership for each school shall be maintained in such manner that 40967
no pupil shall be counted as in membership prior to the actual 40968
date of entry in the school and also in such manner that where for 40969
any cause a pupil permanently withdraws from the school that pupil 40970
shall not be counted as in membership from and after the date of 40971
such withdrawal. There shall not be included in the membership of 40972
any school any of the following: 40973

(1) Any pupil who has graduated from the twelfth grade of a 40974
public or nonpublic high school; 40975

(2) Any pupil who is not a resident of the state; 40976

(3) Any pupil who was enrolled in the schools of the district 40977
during the previous school year when tests were administered under 40978
section 3301.0711 of the Revised Code but did not take one or more 40979
of the tests required by that section and was not excused pursuant 40980
to division (C)(1) or (3) of that section; 40981

(4) Any pupil who has attained the age of twenty-two years, 40982
except for veterans of the armed services whose attendance was 40983
interrupted before completing the recognized twelve-year course of 40984
the public schools by reason of induction or enlistment in the 40985
armed forces and who apply for reenrollment in the public school 40986
system of their residence not later than four years after 40987
termination of war or their honorable discharge. 40988

If, however, any veteran described by division (E)(4) of this 40989
section elects to enroll in special courses organized for veterans 40990
for whom tuition is paid under the provisions of federal laws, or 40991
otherwise, that veteran shall not be included in average daily 40992
membership. 40993

Notwithstanding division (E)(3) of this section, the 40994

membership of any school may include a pupil who did not take a 40995
test required by section 3301.0711 of the Revised Code if the 40996
superintendent of public instruction grants a waiver from the 40997
requirement to take the test to the specific pupil and a parent is 40998
not paying tuition for the pupil pursuant to section 3313.6410 of 40999
the Revised Code. The superintendent may grant such a waiver only 41000
for good cause in accordance with rules adopted by the state board 41001
of education. 41002

Except as provided in divisions (B)(2) and (F) of this 41003
section, the average daily membership figure of any local, city, 41004
exempted village, or joint vocational school district shall be 41005
determined by dividing the figure representing the sum of the 41006
number of pupils enrolled during each day the school of attendance 41007
is actually open for instruction during the week for which the 41008
formula ADM is being certified by the total number of days the 41009
school was actually open for instruction during that week. For 41010
purposes of state funding, "enrolled" persons are only those 41011
pupils who are attending school, those who have attended school 41012
during the current school year and are absent for authorized 41013
reasons, and those children with disabilities currently receiving 41014
home instruction. 41015

The average daily membership figure of any cooperative 41016
education school district shall be determined in accordance with 41017
rules adopted by the state board of education. 41018

(F)(1) If the formula ADM for the first full school week in 41019
February is at least three per cent greater than that certified 41020
for the first full school week in the preceding October, the 41021
superintendent of schools of any city, exempted village, or joint 41022
vocational school district or educational service center shall 41023
certify such increase to the superintendent of public instruction. 41024
Such certification shall be submitted no later than the fifteenth 41025
day of February. For the balance of the fiscal year, beginning 41026

with the February payments, the superintendent of public 41027
instruction shall use the increased formula ADM in calculating or 41028
recalculating the amounts to be allocated in accordance with 41029
section 3317.022 or 3317.16 of the Revised Code. In no event shall 41030
the superintendent use an increased membership certified to the 41031
superintendent after the fifteenth day of February. Division 41032
(F)(1) of this section does not apply after fiscal year 2006. 41033

(2) If on the first school day of April the total number of 41034
classes or units for preschool children with disabilities that are 41035
eligible for approval under division (B) of section 3317.05 of the 41036
Revised Code exceeds the number of units that have been approved 41037
for the year under that division, the superintendent of schools of 41038
any city, exempted village, or cooperative education school 41039
district or educational service center shall make the 41040
certifications required by this section for that day. If the 41041
department determines additional units can be approved for the 41042
fiscal year within any limitations set forth in the acts 41043
appropriating moneys for the funding of such units, the department 41044
shall approve additional units for the fiscal year on the basis of 41045
such average daily membership. For each unit so approved, the 41046
department shall pay an amount computed in the manner prescribed 41047
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 41048
Code. 41049

(3) If a student attending a community school under Chapter 41050
3314. or a science, technology, engineering, and mathematics 41051
school established under Chapter 3326. of the Revised Code is not 41052
included in the formula ADM certified for the school district in 41053
which the student is entitled to attend school under section 41054
3313.64 or 3313.65 of the Revised Code, the department of 41055
education shall adjust the formula ADM of that school district to 41056
include the student in accordance with division (C)(2) of this 41057
section, and shall recalculate the school district's payments 41058

under this chapter for the entire fiscal year on the basis of that 41059
adjusted formula ADM. This requirement applies regardless of 41060
whether the student was enrolled, as defined in division (E) of 41061
this section, in the community school or the science, technology, 41062
engineering, and mathematics school during the week for which the 41063
formula ADM is being certified. 41064

(4) If a student awarded an educational choice scholarship is 41065
not included in the formula ADM of the school district from which 41066
the department deducts funds for the scholarship under section 41067
3310.08 of the Revised Code, the department shall adjust the 41068
formula ADM of that school district to include the student to the 41069
extent necessary to account for the deduction, and shall 41070
recalculate the school district's payments under this chapter for 41071
the entire fiscal year on the basis of that adjusted formula ADM. 41072
This requirement applies regardless of whether the student was 41073
enrolled, as defined in division (E) of this section, in the 41074
chartered nonpublic school, the school district, or a community 41075
school during the week for which the formula ADM is being 41076
certified. 41077

(5) If a student awarded a scholarship under the special 41078
education scholarship pilot program is not included in the formula 41079
ADM of the school district from which the department deducts funds 41080
for the scholarship under section 3310.55 of the Revised Code, the 41081
department shall adjust the formula ADM of that school district to 41082
include the student to the extent necessary to account for the 41083
deduction, and shall recalculate the school district's payments 41084
under this chapter for the entire fiscal year on the basis of that 41085
adjusted formula ADM. This requirement applies regardless of 41086
whether the student was enrolled, as defined in division (E) of 41087
this section, in an alternative public provider, a registered 41088
private provider, or the school district during the week for which 41089
the formula ADM is being certified. 41090

(G)(1)(a) The superintendent of an institution operating a special education program pursuant to section 3323.091 of the Revised Code shall, for the programs under such superintendent's supervision, certify to the state board of education, in the manner prescribed by the superintendent of public instruction, both of the following:

(i) The average daily membership of all children with disabilities other than preschool children with disabilities receiving services at the institution for each category of disability described in divisions (A) to (F) of section 3317.013 of the Revised Code;

(ii) The average daily membership of all preschool children with disabilities in classes or programs approved annually by the department of education for unit funding under section 3317.05 of the Revised Code.

(b) The superintendent of an institution with vocational education units approved under division (A) of section 3317.05 of the Revised Code shall, for the units under the superintendent's supervision, certify to the state board of education the average daily membership in those units, in the manner prescribed by the superintendent of public instruction.

(2) The superintendent of each county MR/DD board that maintains special education classes under section 3317.20 of the Revised Code or units approved pursuant to section 3317.05 of the Revised Code shall do both of the following:

(a) Certify to the state board, in the manner prescribed by the board, the average daily membership in classes under section 3317.20 of the Revised Code for each school district that has placed children in the classes;

(b) Certify to the state board, in the manner prescribed by the board, the number of all preschool children with disabilities

enrolled as of the first day of December in classes eligible for 41122
approval under division (B) of section 3317.05 of the Revised 41123
Code, and the number of those classes. 41124

(3)(a) If on the first school day of April the number of 41125
classes or units maintained for preschool children with 41126
disabilities by the county MR/DD board that are eligible for 41127
approval under division (B) of section 3317.05 of the Revised Code 41128
is greater than the number of units approved for the year under 41129
that division, the superintendent shall make the certification 41130
required by this section for that day. 41131

(b) If the department determines that additional classes or 41132
units can be approved for the fiscal year within any limitations 41133
set forth in the acts appropriating moneys for the funding of the 41134
classes and units described in division (G)(3)(a) of this section, 41135
the department shall approve and fund additional units for the 41136
fiscal year on the basis of such average daily membership. For 41137
each unit so approved, the department shall pay an amount computed 41138
in the manner prescribed in sections 3317.052 and 3317.053 of the 41139
Revised Code. 41140

(H) Except as provided in division (I) of this section, when 41141
any city, local, or exempted village school district provides 41142
instruction for a nonresident pupil whose attendance is 41143
unauthorized attendance as defined in section 3327.06 of the 41144
Revised Code, that pupil's membership shall not be included in 41145
that district's membership figure used in the calculation of that 41146
district's formula ADM or included in the determination of any 41147
unit approved for the district under section 3317.05 of the 41148
Revised Code. The reporting official shall report separately the 41149
average daily membership of all pupils whose attendance in the 41150
district is unauthorized attendance, and the membership of each 41151
such pupil shall be credited to the school district in which the 41152
pupil is entitled to attend school under division (B) of section 41153

3313.64 or section 3313.65 of the Revised Code as determined by 41154
the department of education. 41155

(I)(1) A city, local, exempted village, or joint vocational 41156
school district admitting a scholarship student of a pilot project 41157
district pursuant to division (C) of section 3313.976 of the 41158
Revised Code may count such student in its average daily 41159
membership. 41160

(2) In any year for which funds are appropriated for pilot 41161
project scholarship programs, a school district implementing a 41162
state-sponsored pilot project scholarship program that year 41163
pursuant to sections 3313.974 to 3313.979 of the Revised Code may 41164
count in average daily membership: 41165

(a) All children residing in the district and utilizing a 41166
scholarship to attend kindergarten in any alternative school, as 41167
defined in section 3313.974 of the Revised Code; 41168

(b) All children who were enrolled in the district in the 41169
preceding year who are utilizing a scholarship to attend any such 41170
alternative school. 41171

(J) The superintendent of each cooperative education school 41172
district shall certify to the superintendent of public 41173
instruction, in a manner prescribed by the state board of 41174
education, the applicable average daily memberships for all 41175
students in the cooperative education district, also indicating 41176
the city, local, or exempted village district where each pupil is 41177
entitled to attend school under section 3313.64 or 3313.65 of the 41178
Revised Code. 41179

(K) If the superintendent of public instruction determines 41180
that a component of the formula ADM certified or reported by a 41181
district superintendent, or other reporting entity, is not 41182
correct, the superintendent of public instruction may order that 41183
the formula ADM used for the purposes of payments under any 41184

section of Title XXXVIII of the Revised Code be adjusted in the 41185
amount of the error. 41186

Sec. 3317.063. The superintendent of public instruction, in 41187
accordance with rules adopted by the department of education, 41188
shall annually reimburse each chartered nonpublic school for the 41189
actual mandated service administrative and clerical costs incurred 41190
by such school during the preceding school year in preparing, 41191
maintaining, and filing reports, forms, and records, and in 41192
providing such other administrative and clerical services that are 41193
not an integral part of the teaching process as may be required by 41194
state law or rule or by requirements duly promulgated by city, 41195
exempted village, or local school districts. The mandated service 41196
costs reimbursed pursuant to this section shall include, but are 41197
not limited to, the preparation, filing and maintenance of forms, 41198
reports, or records and other clerical and administrative services 41199
relating to state chartering or approval of the nonpublic school, 41200
pupil attendance, pupil health and health testing, transportation 41201
of pupils, federally funded education programs, pupil appraisal, 41202
pupil progress, educator licensure, unemployment and workers' 41203
compensation, transfer of pupils, and such other education related 41204
data which are now or hereafter shall be required of such 41205
nonpublic school by state law or rule, or by requirements of the 41206
state department of education, other state agencies, or city, 41207
exempted village, or local school districts. 41208

The reimbursement required by this section shall be for 41209
school years beginning on or after July 1, 1981. 41210

Each nonpublic school which seeks reimbursement pursuant to 41211
this section shall submit to the superintendent of public 41212
instruction an application together with such additional reports 41213
and documents as the department of education may require. Such 41214
application, reports, and documents shall contain such information 41215

as the department of education may prescribe in order to carry out 41216
the purposes of this section. No payment shall be made until the 41217
superintendent of public instruction has approved such 41218
application. 41219

Each nonpublic school which applies for reimbursement 41220
pursuant to this section shall maintain a separate account or 41221
system of accounts for the expenses incurred in rendering the 41222
required services for which reimbursement is sought. Such accounts 41223
shall contain such information as is required by the department of 41224
education and shall be maintained in accordance with rules adopted 41225
by the department of education. 41226

Reimbursement payments to a nonpublic school pursuant to this 41227
section shall not exceed an amount for each school year equal to 41228
three hundred twenty-five dollars per pupil enrolled in that 41229
nonpublic school. 41230

The superintendent of public instruction may, from time to 41231
time, examine any and all accounts and records of a nonpublic 41232
school which have been maintained pursuant to this section in 41233
support of an application for reimbursement, for the purpose of 41234
determining the costs to such school of rendering the services for 41235
which reimbursement is sought. If after such audit it is 41236
determined that any school has received funds in excess of the 41237
actual cost of providing such services, said school shall 41238
immediately reimburse the state in such excess amount. 41239

division (B) of section 3317.05 of the Revised Code who received 41290
that type of service; 41291

calculated. 41295

The state board of education shall adopt rules defining the 41296

section for any school year is enrolled in a district for only 41300
part of that school year, the amount of the district's tuition 41301
charge for the child for the school year shall be computed in 41302
proportion to the number of school days the child is enrolled in 41303
the district during the school year. 41304

Except as otherwise provided in division (J) of section 41305
3313.64 of the Revised Code, whenever a district admits a child to 41306

within which such territory is located, and there are school age 41329
children residing within such territory, the political subdivision 41330
owning such tax exempt territory shall pay tuition to the district 41331
in which such children attend school. The tuition for these 41332
children shall be computed as provided for in this section. 41333

local, and exempted village school district according to the 41338

following formula: 41339

The district's valuation per pupil - 41340

[\$30,000 X (1 - the district's income factor)]. 41341

For purposes of this calculation: 41342

(1) Except for a district with an open enrollment net gain 41343
that is ten per cent or more of its formula ADM, "valuation per 41344
pupil" for a district means its average taxable value, divided by 41345
its formula ADM for the previous fiscal year. "Valuation per 41346
pupil," for a district with an open enrollment net gain that is 41347
ten per cent or more of its formula ADM, means its average taxable 41348
value, divided by the sum of its formula ADM for the previous 41349
fiscal year plus its open enrollment net gain for the previous 41350
fiscal year. 41351

(2) "Average Except for a tangible personal property 41352
phase-out impacted district, "average taxable value" means the 41353
average of the amounts certified for a district in the second, 41354
third, and fourth preceding fiscal years under divisions (A)(1) 41355
and (2) of section 3317.021 of the Revised Code. For a tangible 41356
personal property phase-out impacted district, "average taxable 41357
value" means the average of the amounts certified for the district 41358

section 3313.64 or 3313.65 of the Revised Code. 41363

(4) "Formula ADM" and "income factor" have the same meanings 41364
as in section 3317.02 of the Revised Code. 41365

(5) "Native student" has the same meaning as in section 41366
3313.98 of the Revised Code. 41367

(6) "Open enrollment net gain" for a district means (a) the 41368
number of the students entitled to attend school in another 41369

district but who are enrolled in the schools of the district under 41370
its open enrollment policy minus (b) the number of the district's 41371
native students who are enrolled in the schools of another 41372
district under the other district's open enrollment policy, both 41373
numbers as certified to the department under section 3313.981 of 41374
the Revised Code. If the difference is a negative number, the 41375
district's "open enrollment net gain" is zero. 41376

(7) "Open enrollment policy" means an interdistrict open 41377
enrollment policy adopted under section 3313.98 of the Revised 41378
Code. 41379

(8) "Tangible personal property phase-out impacted district" 41380
means a school district for which, on August 31, 2005, the taxable 41381
value of its tangible personal property, certified under division 41382
(A)(2) of section 3317.021 of the Revised Code, made up twenty per 41383
cent or more of its total taxable value, as defined in section 41384
3317.02 of the Revised Code. 41385

(B) Calculate for each district the three-year average of the 41386
adjusted valuations per pupil calculated for the district for the 41387
current and two preceding fiscal years; 41388

(C) Rank all such districts in order of adjusted valuation 41389
per pupil from the district with the lowest three-year average 41390
adjusted valuation per pupil to the district with the highest 41391
three-year average adjusted valuation per pupil; 41392

(D) Divide such ranking into percentiles with the first 41393
percentile containing the one per cent of school districts having 41394
the lowest three-year average adjusted valuations per pupil and 41395
the one-hundredth percentile containing the one per cent of school 41396
districts having the highest three-year average adjusted 41397
valuations per pupil; 41398

(E) Determine the school districts that have three-year 41399
average adjusted valuations per pupil that are greater than the 41400

median three-year average adjusted valuation per pupil for all 41401
school districts in the state; 41402

(F) On or before the first day of September, certify the 41403

(b) "Low wealth school district" means a school district in 41411
the first through seventy-fifth percentiles as determined under 41412
section 3318.011 of the Revised Code. 41413

(c) A "school district with an exceptional need for immediate 41414
classroom facilities assistance" means a low wealth or large land 41415
area school district with an exceptional need for new facilities 41416
in order to protect the health and safety of all or a portion of 41417
its students. 41418

~~(2) No school district reasonably expected to be eligible for 41419
state assistance under sections 3318.01 to 3318.20 of the Revised 41420
Code within three fiscal years after the year of the application 41421
for assistance under this section shall be eligible for assistance 41422
under this section, unless the district's entire classroom 41423
facilities plan consists of only a single building designed to 41424
house grades kindergarten through twelve and the district 41425
satisfies the conditions prescribed in divisions (A)(3)(a) and (b) 41426
of this section. 41427~~

~~(3)~~ No school district that participates in the school 41428
building assistance expedited local partnership program under 41429
section 3318.36 of the Revised Code shall receive assistance under 41430

the program established under this section unless the following 41431
conditions are satisfied: 41432

(a) The district board adopted a resolution certifying its 41433
intent to participate in the school building assistance expedited 41434
local partnership program under section 3318.36 of the Revised 41435
Code prior to September 14, 2000. 41436

(b) The district was selected by the Ohio school facilities 41437
commission for participation in the school building assistance 41438
expedited local partnership program under section 3318.36 of the 41439
Revised Code in the manner prescribed by the commission under that 41440
section as it existed prior to September 14, 2000. 41441

(B)(1) There is hereby established the exceptional needs 41442
school facilities assistance program. Under the program, the Ohio 41443
school facilities commission may set aside from the moneys 41444
annually appropriated to it for classroom facilities assistance 41445
projects up to twenty-five per cent for assistance to school 41446
districts with exceptional needs for immediate classroom 41447
facilities assistance. 41448

(2)(a) After consulting with education and construction 41449
experts, the commission shall adopt guidelines for identifying 41450
school districts with an exceptional need for immediate classroom 41451
facilities assistance. 41452

(b) The guidelines shall include application forms and 41453
instructions for school districts to use in applying for 41454
assistance under this section. 41455

(3) The commission shall evaluate the classroom facilities, 41456
and the need for replacement classroom facilities from the 41457
applications received under this section. The commission, 41458
utilizing the guidelines adopted under division (B)(2)(a) of this 41459
section, shall prioritize the school districts to be assessed. 41460

Notwithstanding section 3318.02 of the Revised Code, the 41461

commission may conduct on-site evaluation of the school districts 41462
prioritized under this section and approve and award funds until 41463
such time as all funds set aside under division (B)(1) of this 41464
section have been encumbered. However, the commission need not 41465
conduct the evaluation of facilities if the commission determines 41466
that a district's assessment conducted under section 3318.36 of 41467
the Revised Code is sufficient for purposes of this section. 41468

(4) Notwithstanding division (A) of section 3318.05 of the 41469
Revised Code, the school district's portion of the basic project 41470
cost under this section shall be the "required percentage of the 41471
basic project costs," as defined in division (K) of section 41472
3318.01 of the Revised Code. 41473

(5) Except as otherwise specified in this section, any 41474
project undertaken with assistance under this section shall comply 41475
with all provisions of sections 3318.01 to 3318.20 of the Revised 41476

3318.01 to 3318.20 of the Revised Code for the remainder of the 41478
district's classroom facilities needs as assessed under this 41479
section when the district is eligible for such assistance pursuant 41480
to section 3318.02 of the Revised Code, but any classroom facility 41481
constructed with assistance under this section shall not be 41482
included in a district's project at that time unless the 41483
commission determines the district has experienced the increased 41484
enrollment specified in division (B)(1) of section 3318.04 of the 41485
Revised Code. 41486

(C) No school district shall receive assistance under this 41487
section for a classroom facility that has been included in the 41488
discrete part of the district's classroom facilities needs 41489
identified and addressed in the district's project pursuant to an 41490
agreement entered into under section 3318.36 of the Revised Code, 41491
unless the district's entire classroom facilities plan consists of 41492
only a single building designed to house grades kindergarten 41493

through twelve. 41494

Sec. 3318.44. (A) A joint vocational school district board of 41495
education may generate the school district's portion of the basic 41496
project cost of its project under sections 3318.40 to 3318.45 of 41497
the Revised Code using any combination of the following means if 41498

district's portion of its basic project cost, may apply the 41509
proceeds of a tax levied under section 5705.21 of the Revised Code 41510
for general permanent improvements if the proceeds of that levy 41511
lawfully may be used for general construction, renovation, repair, 41512
or maintenance of classroom facilities to ~~leverage~~ pay debt 41513

project cost of the school district's project under sections 41516
3318.40 to 3318.45 of the Revised Code or to generate an amount 41517
equivalent to all or part of the amount required under section 41518
3318.43 of the Revised Code to be used for maintenance of 41519
classroom facilities acquired under the project. Bonds issued 41520
under this division shall be Chapter 133. securities, and may be 41521
issued as general obligation securities, but the issuance of the 41522
bonds shall not be subject to a vote of the electors of the school 41523

district as long as the tax proceeds earmarked for payment of the 41524
service debt charges on the bonds may lawfully be used for that 41525

net indebtedness under section 133.06 of the Revised Code if the 41527
resolution authorizing their issuance includes covenants to 41528
appropriate annually, from lawfully available proceeds of a 41529

to levy, collect, and appropriate annually to pay the debt charges 41535
on and financing costs related to the bonds under this section may 41536
be repealed while those bonds are outstanding. If such a tax is 41537
reduced by electors of the district or by the board of education 41538
while the bonds are outstanding, the board of education shall 41539
continue to levy and collect the tax under the authority of the 41540
original election authorizing the tax at a rate in each year that 41541
the board reasonably estimates will produce an amount in that year 41542
equal to the debt charges on the bonds in that year. 41543

No state moneys shall be released for a project to which this 41544
division applies until the proceeds of any bonds issued under this 41545
division that are dedicated for payment of the school district's 41546
portion of the basic project cost are first deposited into the 41547
school district's project construction fund. 41548

(C) A school district board of education may adopt a 41549
resolution proposing that any of the following questions be 41550
combined with a question specified in section 3318.45 of the 41551
Revised Code: 41552

(1) A bond issue question under section 133.18 of the Revised 41553

pleas of the county in which the person resides, upon application 42048
of any interested party, shall compel attendance of the person by 42049

order of termination of a contract shall state the grounds for 42058

termination. If the decision, after hearing, is against 42059
termination of the contract, the charges and the record of the 42060

school is located within thirty days after receipt of notice of 42067
the entry of such order. The appeal shall be an original action in 42068
the court and shall be commenced by the filing of a complaint 42069
against the board, in which complaint the facts shall be alleged 42070
upon which the teacher relies for a reversal or modification of 42071

committees. 42321

If the collective bargaining agreement does not specify a 42322
different method for the selection of teacher members of the 42323
committees, the exclusive representative of the district's 42324
teachers shall select the teacher members. 42325

If the collective bargaining agreement does not specify a 42326
different structure for the committees, the board of education of 42327
the school district shall establish the structure, including the 42328
number of committees and the number of teacher and administrative 42329

discussed or voted upon, the local professional development 42345
committee shall, at the request of one of its administrative 42346

Prior to recommending a program for elimination, the chancellor	43898

Sec. 3333.16. As used in this section "state institution of 44490

the most efficient and effective manner for the students and the 44502
state. These policies and procedures shall require state 44503
institutions of higher education to make changes or modifications, 44504

(2) Develop and implement a universal course equivalency 44508
classification system for state institutions of higher education 44509
so that the transfer of students and the transfer and articulation 44510

of equivalent courses or specified learning modules or units 44511
completed by students are not inhibited by inconsistent judgment 44512
about the application of transfer credits. Coursework completed 44513
within such a system at one state institution of higher education 44514
and transferred to another institution shall be applied to the 44515

the obligations for which the request is made; 44950

(2) The chancellor and the office of budget and management, 44951
and the authority in the case of obligations to be issued by the 44952
authority, have no reason to believe the requesting community or 44953
technical college district or the community or technical college 44954
it operates will be unable to pay when due the bond service 44955
charges on the obligations for which the request is made, and bond 44956
service charges on those obligations are therefore not anticipated 44957
to be paid pursuant to this section from the allocated state share 44958
of instruction for purposes of Section 17 of Article VIII, Ohio 44959
Constitution. 44960

(3) Any other pertinent conditions established in rules 44961
adopted under division (H) of this section. 44962

(C) If the chancellor approves the request of a community or 44963
technical college district to withhold and deposit funds pursuant 44964
to this section, the chancellor shall enter into a written 44965
agreement with the district and the primary paying agent or fiscal 44966
agent for the obligations, which agreement shall provide for the 44967

withholding of funds pursuant to this section for the payment of 44968
bond service charges on those obligations. The agreement may also 44969
include both of the following: 44970

(1) Provisions for certification by the district to the 44971
chancellor, prior to the deadline for payment of the applicable 44972
bond service charges, whether the district and the community or 44973
technical college it operates are able to pay those bond service 44974
charges when due; 44975

(2) Requirements that the district or the community or 44976
technical college it operates deposits amounts for the payment of 44977
those bond service charges with the primary paying agent or fiscal 44978
agent for the obligations prior to the date on which the bond 44979
service charges are due to the owners or holders of the 44980
obligations. 44981

(D) Whenever a district or the community or technical college 44982
it operates notifies the chancellor that it will not be able to 44983
pay the bond service charges when they are due, subject to the 44984
withholding provisions of this section, or whenever the applicable 44985
paying agent or fiscal agent notifies the chancellor that it has 44986
not timely received from a district or from the college it 44987
operates the full amount needed for payment of the bond service 44988
charges when due to the holders or owners of such obligations, the 44989
chancellor shall immediately contact the district or college and 44990
the paying agent or fiscal agent to confirm that the district and 44991
the college are not able to make the required payment by the date 44992
on which it is due. 44993

If the chancellor confirms that the district and the college 44994
are not able to make the payment and the payment will not be made 44995
pursuant to a credit enhancement facility, the chancellor shall 44996
promptly pay to the applicable primary paying agent or fiscal 44997
agent the lesser of the amount due for bond service charges or the 44998
amount of the next periodic distribution scheduled to be made to 44999

the district or to the college in respect of its allocated state 45000
share of instruction. If this amount is insufficient to pay the 45001
total amount then due the agent for the payment of bond service 45002
charges, the chancellor shall continue to pay to the agent from 45003
each periodic distribution thereafter, and until the full amount 45004
due the agent for unpaid bond service charges is paid in full, the 45005
lesser of the remaining amount due the agent for bond service 45006
charges or the amount of the next periodic distribution scheduled 45007
to be made to the district or college in respect of its allocated 45008
state share of instruction. 45009

(E) The chancellor may make any payments under this section 45010
by direct deposit of funds by electronic transfer. 45011

Any amount received by a paying agent or fiscal agent under 45012
this section shall be applied only to the payment of bond service 45013
charges on the obligations of the community or technical college 45014
district or community or technical college subject to this section 45015
or to the reimbursement of the provider of a credit enhancement 45016
facility that has paid the bond service charges. 45017

(F) The chancellor may make payments under this section to 45018
paying agents or fiscal agents during any fiscal biennium of the 45019
state only from and to the extent that money is appropriated to 45020
the board of regents by the general assembly for distribution 45021
during such biennium for the state share of instruction and only 45022
to the extent that a portion of the state share of instruction has 45023
been allocated to the community or technical college district or 45024
community or technical college. Obligations of the authority or of 45025
a community or technical college district to which this section is 45026
made applicable do not constitute an obligation or a debt or a 45027
pledge of the faith, credit, or taxing power of the state, and the 45028
holders or owners of those obligations have no right to have 45029
excises or taxes levied or appropriations made by the general 45030
assembly for the payment of bond service charges on the 45031

obligations, and the obligations shall contain a statement to that effect. The agreement for or the actual withholding and payment of money under this section does not constitute the assumption by the state of any debt of a community or technical college district or a community or technical college, and bond service charges on the related obligations are not anticipated to be paid from the state general revenue fund for purposes of Section 17 of Article VIII, Ohio Constitution. 45032

(G) In the case of obligations subject to the withholding provisions of this section, the issuing community or technical college district, or the authority in the case of obligations issued by the authority, shall appoint a paying agent or fiscal agent who is not an officer or employee of the district or college. 45040

45043
45044
45045

(H) The chancellor, with the advice and consent of the office of budget and management, may adopt reasonable rules not inconsistent with this section for the implementation of this section to secure payment of bond service charges on obligations issued by a community or technical college district or by the authority for the benefit of a community or technical college district or the community or technical college it operates. Those rules shall include criteria for the evaluation and approval or denial of community or technical college district requests for withholding under this section. 45046

(F) The chancellor shall adopt rules in accordance with 45123
Chapter 119. of the Revised Code to establish the terms and 45124
conditions under which a grant may be awarded under this section 45125
and as necessary to implement this section. The chancellor shall 45126
include in the rules a requirement that, if an entity that applies 45127
for a grant awarded under this section is not an employer, the 45128
entity must specify in the entity's application employers that 45129
will benefit from the training the entity provides to ensure that 45130
the training provided satisfies the needs of employers located in 45131
the area where the entity provides the training programs described 45132

trust authority within the office of the chancellor of the Ohio 45178
board of regents, which shall have the powers enumerated in this 45179

program within the meaning of section 529 of the Internal Revenue 45181
Code. The exercise by the authority of its powers shall be and is 45182

hereby declared an essential state governmental function. The 45183
authority is subject to all provisions of law generally applicable 45184
to state agencies which do not conflict with the provisions of 45185
this chapter. 45186

filled in the same manner as the original appointment, except that 45228
any person appointed to fill a vacancy shall be appointed to the 45229
remainder of the unexpired term. Any member is eligible for 45230
reappointment. 45231

~~(C)~~(b) Any member may be removed by the appointing authority 45232

except that the authority board may not delegate to the executive 45257

the executive committee shall impair the rights of a quorum to 45272
exercise all rights and perform all duties of the authority board 45273
or the executive committee respectively. 45274

(2) The Ohio tuition trust authority board solely shall 45275

Sec. 3334.07. (A) The Ohio tuition trust authority shall develop a plan for the sale of tuition units. ~~The Ohio board of regents shall cooperate with the authority and provide technical assistance upon request~~ Not later than December 31, 2009, the authority shall conduct a study of guaranteed tuition program 45304
45305
45306

45308

plans and submit a report that contains recommendations for a new 45309
guaranteed tuition plan to the speaker of the house of 45310
representatives, the president of the senate, and the governor. 45311
The authority shall include in the report consideration of a 45312
guaranteed tuition program plan in which the risks of the plan are 45313
shared equitably among institutions of higher education, the 45314
state, the Ohio tuition trust authority, and the investors in the 45315
program. 45316

(B) Annually, the authority shall determine the weighted 45317
average tuition of four-year state universities in the academic 45318
year that begins on or after the first day of August of the 45319
current calendar year, and shall establish the price of a tuition 45320
unit in the ensuing sales period. Such price shall be based on 45321
sound actuarial principles, and shall, to the extent actuarially 45322
possible, reasonably approximate one per cent of the weighted 45323
average tuition for that academic year plus the costs of 45324
administering the program that are in excess of general revenue 45325
fund appropriations for administrative costs. The sales period to 45326
which such price applies shall consist of twelve months, and the 45327
authority by rule shall establish the date on which the sales 45328
period begins. If circumstances arise during a sales period that 45329
the authority determines causes the price of tuition units to be 45330
insufficient to ensure the actuarial soundness of the Ohio tuition 45331
trust fund, the authority may adjust the price of tuition units 45332
purchased during the remainder of the sales period. To promote the 45333
purchase of tuition units and in accordance with actuarially sound 45334
principles, the authority may adjust the sales price as part of 45335
incentive programs, such as discounting for lump sum purchases and 45336
multi-year installment plans at a fixed rate of purchase. 45337

(C) The authority may establish and administer more than one 45338
plan for the sale of tuition units within the Ohio tuition trust 45339
fund using similar principles specified in division (B) of this 45340

section or modeled after a plan that was included in the study 45341
that was conducted under division (A) of this section. If the 45342
authority establishes and administers more than one plan for the 45343
sale of tuition units, the money received under each plan shall be 45344
segregated and identified within the Ohio tuition trust fund. 45345

Sec. 3334.08. (A) Subject to division (B) of this section, in 45346
addition to any other powers conferred by this chapter, the Ohio 45347
tuition trust authority may do any of the following: 45348

(1) Impose reasonable residency requirements for 45349
beneficiaries of tuition units; 45350

(2) Impose reasonable limits on the number of tuition unit 45351
participants; 45352

(3) Impose and collect administrative fees and charges in 45353
connection with any transaction under this chapter; 45354

(4) Purchase insurance from insurers licensed to do business 45355
in this state providing for coverage against any loss in 45356
connection with the authority's property, assets, or activities or 45357
to further ensure the value of tuition units; 45358

(5) Indemnify or purchase policies of insurance on behalf of 45359
members, officers, and employees of the authority from insurers 45360
licensed to do business in this state providing for coverage for 45361
any liability incurred in connection with any civil action, 45362
demand, or claim against a director, officer, or employee by 45363
reason of an act or omission by the director, officer, or employee 45364
that was not manifestly outside the scope of the employment or 45365
official duties of the director, officer, or employee or with 45366
malicious purpose, in bad faith, or in a wanton or reckless 45367
manner; 45368

(6) Make, execute, and deliver contracts, conveyances, and 45369
other instruments necessary to the exercise and discharge of the 45370

~~of the investment powers is financially and administratively~~ 45521
~~feasible.~~ The investment powers shall be exercised by the ~~public~~ 45522
~~employees retirement board~~ business, entity, or governmental 45523
agency that entered into an agreement with the authority in a 45524
manner agreed upon by the authority that maximizes the return on 45525
investment and minimizes the administrative expenses. 45526

(F)(1) The authority shall maintain a separate account for 45527
each tuition payment contract entered into pursuant to division 45528
(A) of section 3334.09 of the Revised Code for the purchase of 45529

invested in the same manner and subject to the same limitations 45566
set forth in divisions (D), (E), and (K) to (M) of this section 45567
and sections 145.112 and 145.113 of the Revised Code. All 45568
investment fees and other costs incurred in connection with the 45569
exercise of the investment powers shall be paid from the assets of 45570
the reserve fund. Except as otherwise provided for in this 45571
chapter, all operating expenses of the authority and costs of 45572
administering the program shall be paid from the operating fund. 45573
The 45574

(2) The treasurer shall, upon request of the authority, 45575
transfer funds from the reserve fund to the operating fund as the 45576
authority determines appropriate to pay those current operating 45577
expenses of the authority and costs of administering the program 45578
as the authority designates. Any interest or investment income 45579
earned on the assets of the operating fund shall be deposited in 45580
the operating fund. 45581

(H) In January of each year the authority shall report to 45582
each person who received any payments or refunds from the 45583
authority during the preceding year information relative to the 45584
value of the payments or refunds to assist in determining that 45585
person's tax liability. 45586

(I) The authority shall report to the tax commissioner any 45587
information, and at the times, as the tax commissioner requires to 45588

their duties with respect to the funds with care, skill, prudence, 45599
and diligence under the circumstances then prevailing that a 45600
prudent person acting in a like capacity and familiar with such 45601
matters would use in the conduct of an enterprise of a like 45602
character and with like aims; and by diversifying the investments 45603
of the assets of the funds so as to minimize the risk of large 45604
losses, unless under the circumstances it is clearly prudent not 45605
to do so. 45606

(2) To facilitate investment of the funds, the authority may 45607
establish a partnership, trust, limited liability company, 45608
corporation, including a corporation exempt from taxation under 45609

in this state. 45612

(L) In exercising its fiduciary responsibility with respect 45613
to the investment of the assets of the funds, it shall be the 45614
intent of the authority to give consideration to investments that 45615
enhance the general welfare of the state and its citizens where 45616
the investments offer quality, return, and safety comparable to 45617

funds, the authority shall give equal consideration to minority 45630
owned and controlled firms, firms owned and controlled by women, 45631
and ventures involving minority owned and controlled firms and 45632

policies and criteria established by the authority. Amendments and 45634
additions to the policies and criteria shall be adopted in regular 45635
meeting. The authority shall publish its policies, objectives, and 45636
criteria under this provision no less often than annually and 45637
shall make copies available to interested parties. 45638

When reporting on the performance of investments, the 45639
authority shall comply with the performance presentation standards 45640
established by the association for investment management and 45641

interest thereon as they become due and payable and place them 45649
when so collected into the custodial funds. 45650

the authority on receipt of written or electronic instructions 45652
from the authority or the authority's designated agent authorizing 45653
the purchase and pending receipt of the evidence of title of the 45654

investment by the treasurer of state or the treasurer of state's 45655
authorized agent. The authority may sell investments held by the 45656
authority, and the treasurer of state or the treasurer of state's 45657
authorized agent shall accept payment from the purchaser and 45658

this section except as authorized by the authority. 45668

Any statement of financial position distributed by the 45669
authority shall include fair value, as of the statement date, of 45670

(A) Annually, the Ohio tuition trust authority shall have the 45674
actuarial soundness of the Ohio tuition trust fund evaluated by a 45675
nationally recognized actuary and shall determine whether 45676
additional assets are necessary to defray the obligations of the 45677
authority. If, after the authority sets the price for tuition 45678
units, circumstances arise that the executive director determines 45679
necessitate an additional evaluation of the actuarial soundness of 45680
the fund, the executive director shall have a nationally 45681
recognized actuary conduct the necessary evaluation. If the assets 45682
of the fund are insufficient to ensure the actuarial soundness of 45683
the fund, the authority shall adjust the price of subsequent 45684
purchases of tuition units to the extent necessary to help restore 45685

the actuarial soundness of the fund. If, at any time, the 45686
adjustment is likely, in the opinion of the authority, to diminish 45687
the marketability of tuition units to an extent that the continued 45688
sale of the units likely would not restore the actuarial soundness 45689
of the fund and external economic factors continue to negatively 45690
impact the soundness of the program, the authority may suspend 45691
sales, either permanently or temporarily, of tuition units. During 45692
any suspension, the authority shall continue to service existing 45693
college savings program accounts. 45694

(B) Upon termination of ~~the program~~ all programs or 45695
liquidation of the Ohio tuition trust fund, the Ohio tuition trust 45696
reserve fund, and the Ohio tuition trust operating fund, any 45697
remaining assets of the funds after all obligations of the funds 45698
have been satisfied pursuant to division (B) of section 3334.11 of 45699
the Revised Code shall be transferred to the general revenue fund 45700
of the state. 45701

(C) The authority shall prepare and cause to have audited an 45702
annual financial report on all financial activity of the Ohio 45703
tuition trust authority within ninety days of the end of the 45704
fiscal year. The authority shall transmit a copy of the audited 45705
financial report to the governor, the president of the senate, the 45706
speaker of the house of representatives, and the minority leaders 45707
of the senate and the house of representatives. Copies of the 45708
audited financial report also shall be made available, upon 45709
request, to the persons entering into contracts with the authority 45710
and to prospective purchasers of tuition units and prospective 45711
contributors to variable college savings program accounts. 45712

Sec. 3343.04. The board of trustees of the Central state 45713
university shall meet in regular session at the university twice a 45714
year. ~~The first meeting shall be on the third Thursday in June,~~ 45715
~~and the second on the first Thursday in November of each year.~~ 45716

Other meetings may be called and held at such places as the board 45717
prescribes. A majority of the board present at any meeting shall 45718
constitute a quorum; but a majority of the board shall be 45719
necessary to elect or remove a president, business manager, or 45720
professor. The trustees shall receive no compensation for their 45721

this section, and a pledge of and lien on such fund or funds 45907
provided in the bond proceedings arising from available receipts, 45908
which pledges and liens may provide for parity with obligations 45909
theretofore or thereafter issued by the institution. The available 45910
receipts so pledged and thereafter received by the institution and 45911
the funds so pledged are immediately subject to the lien of such 45912
pledge without any physical delivery thereof or further act, and 45913

parties having claims of any kind against the institution, 45915

certificate, statement, or other document with respect thereto; 45921

thereon and shall be executed by such officers as are designated 45979
in the bond proceedings, which execution may be by facsimile 45980

the date of execution, is the proper officer although on the date 45982
of such obligations such person was not the proper officer. In 45983
case any officer whose signature or a facsimile of whose signature 45984
appears on any such obligation ceases to be such officer before 45985
delivery thereof, such signature or facsimile is nevertheless 45986
valid and sufficient for all purposes as if the person had 45987
remained such officer until such delivery; and in case the seal of 45988
the institution has been changed after a facsimile of the seal has 45989
been imprinted on such obligations, such facsimile seal continues 45990
to be sufficient as to such obligations and obligations issued in 45991
substitution or exchange therefor. 45992

45993

(I) Such obligations may be secured additionally by a trust 46010
agreement or indenture between the institution of higher education 46011
and a corporate trustee, which may be any trust company or bank 46012
having the powers of a trust company within or without this state 46013
but authorized to exercise trust powers within this state. Any 46014

(3) The voting restrictions under division (E)(2) of this 46618
section apply until the electors of the Columbiana, Mahoning, and 46619

Trumbull county taxing subdistrict approve a tax levy under 46620
division (F)(3) of this section that is equivalent to the tax levy 46621
approved by the electors of Jefferson county for the support of 46622
the former community college district of Jefferson county on the 46623
effective date of this section. For the purposes of this division, 46624
the tax levy is an equivalent tax levy if either: 46625

(a) In the first tax year for which the tax is collected, it 46626
yields revenue per capita equal to or greater than the yield per 46627
capita of levies of the community college district in effect that 46628
year in Jefferson county, as jointly determined by the county 46629
auditors of Jefferson, Columbiana, Mahoning, and Trumbull 46630
counties; or 46631

(b) In the first tax year for which the tax is collected, the 46632
effective tax rate of the tax is equal to or greater than the 46633
effective tax rate of levies of the community college district in 46634
effect that tax year in Jefferson county, as jointly determined by 46635
the county auditors of Jefferson, Columbiana, Mahoning, and 46636
Trumbull counties. 46637

As used in this division, "effective tax rate" means the 46638
quotient obtained by dividing the total taxes charged and payable 46639
for a taxing subdistrict for a tax year after the reduction 46640
prescribed by section 319.301 of the Revised Code but before the 46641
reduction prescribed by section 319.302 or 323.152 of the Revised 46642
Code, by the taxable value for the taxing subdistrict for that tax 46643
year. 46644

(F)(1) For each taxing subdistrict of the eastern gateway 46645
community college district, the board of trustees may propose to 46646
levy a tax in accordance with the procedures prescribed in section 46647
3354.12 of the Revised Code, except the following terms used in 46648
that section shall have the meanings given them in this section: 46649

(a) "District" and "community college district" mean the 46650

appropriate taxing subdistrict defined in this section; 46651

(b) "Board of trustees of the community college district" means the board of trustees for the entire eastern gateway community college district. That board of trustees may propose separate levies for either of the two taxing subdistricts. 46652
46653
46654
46655

(c) "Tax duplicate" means the tax duplicate of only the appropriate taxing subdistrict and not the tax duplicate of the entire eastern gateway community college district. 46656
46657
46658

(2) The board of trustees may propose to levy a tax on taxable property in Jefferson county to be voted on by the electors of Jefferson county as provided in division (F)(1) of this section. An affirmative vote by a majority of the electors of the subdistrict voting on the question is necessary for passage. Any money raised by a tax levied by the former community college district of Jefferson county or a subsequent tax levied in Jefferson county in accordance with division (F)(1) of this section shall be used solely for the benefit of Jefferson county residents attending the eastern gateway community college in the form of student tuition subsidies, student scholarships, and instructional facilities, equipment, and support services located within Jefferson county, or for any purpose approved by the electors. Such amounts shall be deposited into a separate fund of the taxing subdistrict, and shall be budgeted separately. 46659

(3) The board of trustees may propose to levy a tax on taxable property in Columbiana, Mahoning, and Trumbull counties to be voted on by the electors of the counties as provided in division (F)(1) of this section. An affirmative vote by a majority of the electors of the subdistrict voting on the question is necessary for passage. Any amounts raised by such a tax in the tax subdistrict shall be used solely for the benefit of residents of the subdistrict attending the eastern gateway community college in the form of student tuition subsidies, student scholarships, and 46674

instructional facilities, equipment, and support services located 46683
within Columbiana, Mahoning, and Trumbull counties, or for any 46684
purpose approved by the electors. Amounts collected shall be 46685
deposited into a separate fund from all other revenues collected 46686
by each taxing subdistrict. 46687

The board of trustees may adjust the rate of tuition charged 46688
to each taxing subdistrict's residents to an amount commensurate 46689
with the amount of tax the board of trustees dedicates for 46690
instructional and general services provided to the residents of 46691
the subdistrict. 46692

(G) The board of trustees of the eastern gateway community 46693
college district may issue bonds in accordance with section 46694
3354.11 of the Revised Code, but the board may limit the question 46695
of approval of the issue of those bonds to the electors of only 46696
one of the two taxing subdistricts, in which case the board also 46697
may limit the use of the property or improvements to the residents 46698
of that subdistrict. 46699

(H) If the tax levy in Jefferson county expires, is not 46700
renewed, or is not approved by the electors of Jefferson county 46701
and the other taxing subdistrict does not levy a tax for the 46702
purposes of this section, the board of trustees of the eastern 46703
gateway community college district shall submit a proposal to the 46704
chancellor of the board of regents to convert to a state community 46705
college and, upon the chancellor's approval of the proposal, enter 46706
into a transition agreement with the chancellor following the 46707
procedures set forth in section 3358.05 of the Revised Code for a 46708
technical college district. 46709

Sec. 3354.26. Notwithstanding the provisions in section 46710
3354.07 and division (A) of section 3354.09 of the Revised Code, 46711
which allow the board of trustees of a community college district 46712
to contract with a generally accredited public university or 46713

college for operation of such community college, the board of 46714
trustees of the Rio Grande community college district and the 46715
board of trustees of the university of Rio Grande, a private 46716
nonprofit corporation also located in Rio Grande, Ohio, may enter 46717
into ~~a contract~~ one or more contracts for the board of trustees of 46718
the university of Rio Grande to provide any services for the 46719
operation of the community college. ~~The, except the services of a~~ 46720
~~treasurer or other fiscal officer. Under the contracts, the~~ 46721
community college board of trustees may ~~employ a person to serve~~ 46722
~~as president of the community college, and also may have that~~ 46723
~~person serve as president of the university as established by the~~ 46724
~~contract entered into pursuant to this section. The salary,~~ 46725
~~benefits, and other compensation for any such employee for all~~ 46726
~~duties shall be determined and paid solely by the community~~ 46727
~~college~~ acquire the services of the president of the university 46728
and other personnel, except as otherwise provided in this section. 46729
The community college board shall have exclusive authority to 46730
employ and make personnel decisions regarding the treasurer or 46731
other fiscal officer of the community college and any other 46732
personnel the community college board considers necessary for the 46733
operation of the community college. The purpose of the contracts 46734
shall be to provide the necessary leadership and to secure the 46735
efficient and effective provision of educational services for the 46736
community college from the university. The board of trustees of 46737
Rio Grande community college may terminate any such contract if a 46738
majority of the members of the board determines that the contract 46739
is no longer in the best interests of the community college. Each 46740
such contract shall include a provision for termination of the 46741
contract. 46742

Sec. 3365.04. The rules adopted under section 3365.02 of the 46743
Revised Code shall provide for students to enroll in courses under 46744
either of the following options: 46745

(A) The student may elect at the time of enrollment to be responsible for payment of all tuition and the cost of all textbooks, materials, and fees associated with the course. The college shall notify the student about payment of tuition and fees in the customary manner followed by the college. A student electing this option also shall elect, at the time of enrollment, whether to receive only college credit or high school credit and college credit for the course.

(1) The student may elect to receive only college credit for the course. Except as provided in section 3365.041 of the Revised Code, if the student successfully completes the course, the college shall award the student full credit for the course, but the board of education, community school governing authority, STEM school, or nonpublic participating school shall not award the high school credit.

(2) The student may elect to receive both high school credit and college credit for the course. Except as provided in section 3365.041 of the Revised Code, if the student successfully completes the course, the college shall award the student full credit for the course and the board of education, community school governing authority, STEM school, or nonpublic school shall award the student high school credit.

(B) The student may elect at the time of enrollment for each course to have the college reimbursed under section 3365.07 of the Revised Code or as provided in alternative funding agreements entered into under rules adopted under section 3365.12 of the Revised Code. Except as provided in section 3365.041 of the Revised Code, if the student successfully completes the course, the college shall award the student full credit for the course, the board of education, community school governing authority, STEM school, or nonpublic school shall award the student high school credit, and the college shall be reimbursed in accordance with

section 3365.07 of the Revised Code or alternative funding 46778
agreements entered into under rules adopted under section 3365.12 46779
of the Revised Code. 46780

When determining a school district's formula ADM under 46781
section 3317.03 of the Revised Code, the time a participant is 46782
attending courses under division (A) of this section shall be 46783
considered as time the participant is not attending or enrolled in 46784
school anywhere, and the time a participant is attending courses 46785
under division (B) of this section shall be considered as time the 46786
participant is attending or enrolled in the district's schools. 46787

Sec. 3365.041. (A) When a school district superintendent, the 46788
governing authority of a community school, or the chief 46789
administrative officer of a STEM school expels a student under 46790
division (B) of section 3313.66 of the Revised Code, the district 46791
superintendent, governing authority, or chief administrative 46792
officer shall send a written notice of the expulsion to any 46793
college in which the expelled student is enrolled under section 46794
3365.03 of the Revised Code at the time the expulsion is imposed. 46795
The notice shall indicate the date the expulsion is scheduled to 46796
expire. The notice also shall indicate whether the district board 46797
of education, community school governing authority, or the STEM 46798
school has adopted a policy under section 3313.613 of the Revised 46799
Code to deny high school credit for post-secondary courses taken 46800
during an expulsion. If the expulsion is extended under division 46801
(F) of section 3313.66 of the Revised Code, the district 46802
superintendent, community school governing authority, or STEM 46803
school chief administrative officer shall notify the college of 46804
the extension. 46805

(B) A college may withdraw its acceptance under section 46806
3365.03 of the Revised Code of a student who is expelled from 46807
school under division (B) of section 3313.66 of the Revised Code. 46808

As provided in section 3365.03 of the Revised Code, regardless of 46809
whether the college withdraws its acceptance of the student for 46810
the college term in which the student is expelled, the student is 46811
ineligible to enroll in a college under that section for 46812
subsequent college terms during the period of the expulsion, 46813
unless the student enrolls in another school district or community 46814
school, or a participating nonpublic school during that period. 46815

If a college withdraws its acceptance of an expelled student 46816
who elected either option of division (A)(1) or (2) of section 46817
3365.04 of the Revised Code, the college shall refund tuition and 46818
fees paid by the student in the same proportion that it refunds 46819
tuition and fees to students who voluntarily withdraw from the 46820
college at the same time in the term. 46821

If a college withdraws its acceptance of an expelled student 46822
who elected the option of division (B) of section 3365.04 of the 46823
Revised Code, the school district, community school, or STEM 46824
school shall not award high school credit for the college courses 46825
in which the student was enrolled at the time the college withdrew 46826
its acceptance, and any reimbursement under section 3365.07 of the 46827
Revised Code or through alternative funding agreements entered 46828
into under rules adopted under section 3365.12 of the Revised Code 46829
for the student's attendance prior to the withdrawal shall be the 46830
same as would be paid for a student who voluntarily withdrew from 46831
the college at the same time in the term. If the withdrawal 46832
results in the college's receiving no reimbursement, the college 46833
may require the student to return or pay for the textbooks and 46834
materials it provided the student free of charge under section 46835
3365.08 of the Revised Code. 46836

(C) When a student who elected the option of division (B) of 46837
section 3365.04 of the Revised Code is expelled under division (B) 46838
of section 3313.66 of the Revised Code from a school district, 46839
community school, or STEM school that has adopted a policy under 46840

section 3313.613 of the Revised Code, that election is 46841
automatically revoked for all college courses in which the student 46842
is enrolled during the college term in which the expulsion is 46843
imposed. Any reimbursement under section 3365.07 of the Revised 46844
Code or through alternative funding agreements entered into under 46845
rules adopted under section 3365.12 of the Revised Code for the 46846
student's attendance prior to the expulsion shall be the same as 46847
would be paid for a student who voluntarily withdrew from the 46848
college at the same time in the term. If the revocation results in 46849
the college's receiving no reimbursement, the college may require 46850
the student to return or pay for the textbooks and materials it 46851
provided the student free of charge under section 3365.08 of the 46852
Revised Code. 46853

No later than five days after receiving an expulsion notice 46854
from the superintendent of a district, the governing authority of 46855
a community school, or the chief administrative officer of a STEM 46856
school that has adopted a policy under section 3313.613 of the 46857
Revised Code, the college shall send a written notice to the 46858
expelled student that the student's election of division (B) of 46859
section 3365.04 of the Revised Code is revoked. If the college 46860
elects not to withdraw its acceptance of the student, the student 46861
shall pay all applicable tuition and fees for the college courses 46862
and shall pay for the textbooks and materials that the college 46863
provided under section 3365.08 of the Revised Code. 46864

Sec. 3365.07. (A) The rules adopted under section 3365.02 of 46865
the Revised Code shall specify a method for each of the following: 46866

(1) Determining, with respect to any participant, the 46867
percentage of a full-time educational program constituted by the 46868
participant's total educational program. That percentage shall be 46869
the participant's full-time equivalency percentage for purposes of 46870
the computation required by division (B)(1) of this section. 46871

(2) In the case of a participant who is not enrolled in a participating nonpublic school, determining the percentage of a participant's school day during which the participant is participating in each of the following:

(a) Programs provided by the city, local, or exempted village school district, a community school, or a STEM school;

(b) Programs provided by a joint vocational school district;

(c) Programs provided by a college under division (B) of section 3365.04 of the Revised Code.

The sum of divisions (A)(2)(a) to (c) of this section shall equal one hundred per cent.

(3) In the case of a participant who is not enrolled in a participating nonpublic school, determining the percentage of a participant's enrollment that shall be deemed to be enrollment in a joint vocational school district and the percentage that shall be deemed to be enrollment in a city, local, or exempted village school district. The sum of such percentages shall equal one hundred per cent.

(4) In the case of a participant who is enrolled in a participating nonpublic school, determining the percentage of a participant's school day during which the participant is participating in programs provided by a college under division (B) of section 3365.04 of the Revised Code.

(B) Each July, unless provided otherwise in an alternative funding agreement entered into under rules adopted under section 3365.12 of the Revised Code, the department of education shall pay each college for any participant enrolled in the college in the prior school year under division (B) of section 3365.04 of the Revised Code an amount computed as follows:

(1) Multiply the tuition base by the participant's full-time

equivalency percentage and multiply the resulting amount by a 46902
percentage equal to the percentage of the participant's school day 46903
apportioned to the college under division (A)(2)(c) or (4) of this 46904
section, as applicable. 46905

(2) Pay the college the lesser of: 46906

(a) The amount computed under division (B)(1) of this 46907
section; 46908

(b) The actual costs that would have been the responsibility 46909
of the participant had the participant elected to enroll under 46910
division (A) of section 3365.04 of the Revised Code, as verified 46911
by the department, of tuition, textbooks, materials, and fees 46912
directly related to any courses elected by the participant during 46913
the prior school year under division (B) of section 3365.04 of the 46914
Revised Code. 46915

(C) The department shall not reimburse any college for any 46916
course taken by a participant under division (A) of section 46917
3365.04 of the Revised Code. 46918

(D) If the participant was not enrolled in a participating 46919
nonpublic school, the amount paid under division (B) of this 46920
section for each participant shall be subtracted from the school 46921
foundation payments made to the participant's school district or, 46922
if the participant was enrolled in a community school or a STEM 46923
school, from the payments made to the participant's school under 46924
section 3314.08 or 3326.33 of the Revised Code. If the participant 46925
was enrolled in a joint vocational school district, a portion of 46926
the amount shall be subtracted from the payments to the joint 46927
vocational school district and a portion shall be subtracted from 46928
the payments to the participant's city, local, or exempted village 46929
school district. The amount of the payment subtracted from the 46930
city, local, or exempted village school district shall be computed 46931
as follows: 46932

(1) Add the following: 46933

(a) The percentage of the participant's enrollment in the 46934
school district, determined under division (A)(3) of this section; 46935
and 46936

(b) Twenty-five per cent times the percentage of the 46937
participant's enrollment in the joint vocational school district, 46938
determined under division (A)(3) of this section. 46939

(2) Multiply the sum obtained under division (D)(1) of this 46940
section by the amount computed under division (B)(2) of this 46941
section. 46942

The balance of the payment shall be subtracted from the joint 46943
vocational district's school foundation payments. 46944

(E) If the participant was enrolled in a participating 46945
nonpublic school, the amount paid under division (B) of this 46946
section shall be subtracted from moneys set aside by the general 46947
assembly for such purpose from funds appropriated for the purposes 46948
of section 3317.06 of the Revised Code. 46949

Sec. 3365.08. (A) A college that expects to receive or 46950
receives reimbursement under section 3365.07 of the Revised Code 46951
or through alternative funding agreements entered into under rules 46952
adopted under section 3365.12 of the Revised Code shall furnish to 46953
a participant all textbooks and materials directly related to a 46954
course taken by the participant under division (B) of section 46955
3365.04 of the Revised Code. No college shall charge such 46956
participant for tuition, textbooks, materials, or other fees 46957
directly related to any such course. 46958

(B) No student enrolled under this chapter in a course for 46959
which credit toward high school graduation is awarded shall 46960
receive direct financial aid through any state or federal program. 46961

(C) If a school district provides transportation for resident 46962

school students in grades eleven and twelve under section 3327.01 46963
of the Revised Code, a parent of a pupil enrolled in a course 46964
under division (A)(2) or (B) of section 3365.04 of the Revised 46965
Code may apply to the board of education for full or partial 46966
reimbursement for the necessary costs of transporting the student 46967
between the secondary school the student attends and the college 46968
in which the student is enrolled. Reimbursement may be paid solely 46969
from funds received by the district under division (D) of section 46970
3317.022 of the Revised Code. The state board of education shall 46971
establish guidelines, based on financial need, under which a 46972
district may provide such reimbursement. 46973

(D) If a community school provides or arranges transportation 46974
for its pupils in grades nine through twelve under section 46975
3314.091 of the Revised Code, a parent of a pupil of the community 46976
school who is enrolled in a course under division (A)(2) or (B) of 46977
section 3365.04 of the Revised Code may apply to the governing 46978
authority of the community school for full or partial 46979
reimbursement of the necessary costs of transporting the student 46980
between the community school and the college. The governing 46981
authority may pay the reimbursement in accordance with the state 46982
board's rules adopted under division (C) of this section solely 46983
from funds paid to it under section 3314.091 of the Revised Code. 46984

Sec. 3365.09. Section 3365.07 ~~and~~ divisions (A) and (C) of 46985
section 3365.08, and agreements entered into under rules adopted 46986
under section 3365.12 of the Revised Code do not apply to any 46987
college course in which a student is enrolled if during the term 46988
such student is enrolled in the college course the student is also 46989
a full-time student in the student's district, community school, 46990
STEM school, or nonpublic school. The rules adopted under section 46991
3365.02 of the Revised Code shall prescribe a method for 46992
determining whether a student is enrolled full-time in the 46993
student's district, community school, STEM school, or nonpublic 46994

school. 46995

Sec. 3365.10. As used in this section, the "base amount" for 46996
any school year is one million dollars. "Full-time equivalency 46997
percentage" and "percentage of the school day" enrolled in college 46998
shall be determined under the rules described by divisions (A)(1) 46999
and (4) of section 3365.07 of the Revised Code or the rules 47000
adopted under section 3365.12 of the Revised Code. 47001

(A) Each nonpublic school student who wishes to become a 47002
participant in any school year shall send to the department of 47003
education a copy of ~~his~~ the student's acceptance from a college 47004
and an application. The application shall be made on forms 47005
provided by the state board and shall include information about 47006
the student's proposed participation, including the school year in 47007
which ~~he~~ the student wishes to participate; the semesters or terms 47008
the student wishes to enroll during such year; the student's 47009
expected full-time equivalency percentage for each such semester 47010
or term; and the percentage of the school day each such semester 47011
or term that the student expects to be enrolled in programs 47012
provided by a college under division (B) of section 3365.04 of the 47013
Revised Code. The department shall mark each application with the 47014
date and time of receipt. 47015

(B) Calculations involving applications under this division 47016
shall be made in the order in which the applications are received. 47017

Upon receipt of an application under division (A) of this 47018
section, the department shall calculate the amount the college 47019
would be paid under division (B) of section 3365.07 of the Revised 47020
Code or through alternative funding agreements entered into under 47021
rules adopted under section 3365.12 of the Revised Code for the 47022
student's expected participation. The For calculations made under 47023
division (B) of section 3365.07 of the Revised Code, the 47024
department shall subtract each such calculated amount from the 47025

base amount for that year, or the amount remaining for that year 47026
after the subtraction from the base amount of amounts previously 47027
calculated under this division as a result of prior applications 47028
for participation in that year, whichever is the lesser amount. 47029

(C) If such a subtraction under division (B) of this section 47030
results in a positive number, the department shall notify the 47031
applicant within three weeks of the receipt of ~~his~~ the application 47032
that ~~he~~ such applicant may participate in the post-secondary 47033
enrollment options program to the extent indicated in the 47034
application. 47035

(D) If such a subtraction under division (B) of this section 47036
results in a negative number, the department shall, within one 47037
week of the receipt of such application, notify the applicant, the 47038

the same day, the entire cost of the special election shall be 47176
divided proportionally between the state and the subdivision based 47177
upon a ratio determined by the number of issues placed on the 47178
ballot by each, except as otherwise provided in division (G) of 47179
this section. Such proportional division of cost shall be made 47180

(F) The director may withdraw certificates of need. 48724

(G) The director shall conduct, on a regular basis, health 48725

Sec. 3702.524. (A) Except as provided in division (B) ~~or (C)~~ 48742
of this section, a certificate of need granted on or after April 48743
20, 1995, is not transferable prior to the completion of the 48744
reviewable activity for which it was granted. If any person 48745
holding a certificate of need issued on or after that date 48746
transfers the certificate of need to another person before the 48747

reviewable activity is completed, or enters into an agreement that 48748
contemplates the transfer of the certificate of need on the 48749
completion of the reviewable activity, the certificate of need is 48750
void. If the controlling interest in an entity that holds a 48751
certificate of need issued on or after that date is transferred 48752
prior to the completion of the reviewable activity, the 48753
certificate of need is void. 48754

(B) Division (A) of this section does not prohibit the 48755
transfer of a certificate of need issued on or after April 20, 48756
1995, between affiliated or related persons, as defined in rules 48757

does not result in a change in the person that holds the ultimate 48759
controlling interest, as defined in the rules, in the certificate 48760
of need. 48761

The transfer of a health care facility after the completion 48762
of a reviewable activity for which a certificate of need was 48763
issued on or after April 20, 1995, is not a transfer of the 48764
certificate of need, unless the facility is transferred pursuant 48765
to an agreement entered into prior to the completion of the 48766
reviewable activity. 48767

~~(C) Division (A) of this section does not apply to a transfer 48768
of a certificate of need that meets all of the following 48769
conditions: 48770~~

~~(1) The certificate of need is transferred for no more than 48771
the amount of money the person transferring the certificate 48772
expended for reasonable and necessary expenses incurred in 48773
applying for and obtaining the certificate; 48774~~

~~(2) The person holding the certificate of need is unable to 48775
complete the reviewable activity for which it was issued due to 48776
circumstances beyond the person's control, including zoning 48777
restrictions, natural disasters, or comparable events; 48778~~

~~(3) The director, after reviewing documentation supplied by the person transferring the certificate of need, certifies in writing prior to the transfer that the transfer meets the conditions specified in divisions (C)(1) and (2) of this section.~~

~~If the person that acquires a certificate of need under this division intends to implement the project other than in substantial compliance with the approved application for the certificate, that change is a reviewable activity for which the person must obtain another certificate of need.~~

Sec. 3702.525. (A) Not later than twenty-four months after the date the director of health mails the notice that the certificate of need has been granted or, if the grant or denial of the certificate of need is appealed under section 3702.60 of the Revised Code, not later than twenty-four months after issuance of an order granting the certificate that is not subject to further appeal, each person holding a certificate of need granted on or after April 20, 1995, shall:

(1) If the project for which the certificate of need was granted primarily involves construction and is to be financed primarily through external borrowing of funds, secure financial commitment for the stated purpose of developing the project and commence construction that continues uninterrupted except for interruptions or delays that are unavoidable due to reasons beyond the person's control, including labor strikes, natural disasters, material shortages, or comparable events;

(2) If the project for which the certificate of need was granted primarily involves construction and is to be financed primarily internally, receive formal approval from the holder's board of directors or trustees or other governing authority to commit specified funds for implementation of the project and commence construction that continues uninterrupted except for

interruptions or delays that are unavoidable due to reasons beyond 48810
the person's control, including labor strikes, natural disasters, 48811
material shortages, or comparable events; 48812

(3) If the project for which the certificate of need was 48813
granted primarily involves acquisition of medical equipment, enter 48814
into a contract to purchase or lease the equipment and to accept 48815
the equipment at the site for which the certificate was granted; 48816

(4) If the project for which the certificate of need was 48817

to existing structures, provide the health service or activity by 48819
the means specified in the approved application for the 48820
certificate; 48821

(5) If the project for which the certificate of need was 48822
granted primarily involves leasing a building or space that 48823
requires only minor renovations to the existing space, execute a 48824
lease and provide the health service or activity by the means 48825
specified in the approved application for the certificate; 48826

(6) If the project for which the certificate of need was 48827
granted primarily involves leasing a building or space that has 48828
not been constructed or requires substantial renovations to 48829
existing space, commence construction for the purpose of 48830
implementing the reviewable activity that continues uninterrupted 48831
except for interruptions or delays that are unavoidable due to 48832
reasons beyond the person's control, including labor strikes, 48833
natural disasters, material shortages, or comparable events. 48834

(B) The twenty-four-month period specified in division (A) of 48835
this section shall not be extended by any means, including the 48836

director of health documentation of compliance with that division 48841
not later than the earlier of thirty days after complying with 48842
that division or five days after the twenty-four-month period 48843
expires. Not later than the earlier of fifteen days after 48844
receiving the documentation or fifteen days after the 48845
twenty-four-month period expires, the director shall send by 48846
certified mail a notice to the holder of the certificate of need 48847
specifying whether the holder has complied with division (A) of 48848

division (B) of this section, if the holder fails to comply with 48857
division (A) or (C) of this section or to provide information 48858
under division (B) of this section as necessary for the director 48859
to determine compliance. 48860

Sec. 3702.53. (A) No person shall carry out any reviewable 48861

the person is exempted by division ~~(T)~~(S) of section 3702.51 or 48864
section ~~3702.527, 3702.528, 3702.529,~~ 3702.5210~~7~~, or 3702.62 of the 48865

(B)(1) Notwithstanding section 3702.52 of the Revised Code, 48903

the Revised Code that refusing to accept applications for a longer 48930

person provides health services. The director's finding of 48932
community hardship shall not affect the granting or denial of any 48933
future certificate of need application filed by the person. 48934

maintenance program utilize established local businesses, such as 49972
existing motor vehicle repair facilities, for the purpose of 49973

initiated for purposes of a new contract to operate a motor 49977
vehicle inspection and maintenance program in this state shall 49978

comply with division (A)(3) of this section. 49979

section. The director of environmental protection shall administer 49982
the motor vehicle inspection and maintenance program operated 49983
under this section. 49984

~~vehicle inspection and maintenance program in those federally~~ 49992
~~mandated counties pursuant to a contract entered into under former~~ 49993
~~section 3704.14 of the Revised Code as that section existed prior~~ 49994
~~to its repeal and reenactment by Am. Sub. H.B. 66 of the 126th~~ 49995
~~General Assembly;~~ 49996

~~(3)~~ Provide for the issuance of inspection certificates; 49997

~~(4)~~(3) Provide for a new car exemption for motor vehicles 49998

motor vehicle is transferred during that period. 50001

~~(B)(C) The director shall not implement a motor vehicle~~ 50002
~~inspection and maintenance program in any county other than a~~ 50003
~~county in which a motor vehicle inspection and maintenance program~~ 50004
~~is federally mandated~~ A motor vehicle inspection and maintenance 50005
program shall not be implemented in any county in which a 50006
program is not authorized under division (A) of this section 50007
without the approval of the general assembly through the enactment 50008
of legislation. Further, a motor vehicle inspection and 50009

maintenance program shall not be implemented in any county beyond 50010
June 30, 2012, without the approval of the general assembly 50011

~~(C)~~(D) The director of environmental protection shall adopt 50013
rules in accordance with Chapter 119. of the Revised Code that the 50014
director determines are necessary to implement this section. The 50015
director may continue to implement and enforce rules pertaining to 50016
the ~~enhanced~~ motor vehicle inspection and maintenance program 50017
previously implemented under former section 3704.14 of the Revised 50018
Code as that section existed prior to its repeal and reenactment 50019
by Am. Sub. H.B. 66 of the 126th general assembly, provided that 50020
the rules do not conflict with this section. 50021
50022

~~(D)~~(E) There is hereby created in the state treasury the 50023
~~motor vehicle inspection and maintenance~~ auto emissions test fund, 50024
which shall consist of money received by the director from any 50025

use money in the fund solely for the implementation, supervision, 50030
administration, operation, and enforcement of the ~~enhanced~~ motor 50031
vehicle inspection and maintenance program established under this 50032
section. Money in the fund shall not be used for either of the 50033
following: 50034

(1) To pay for the inspection costs incurred by a motor 50035
vehicle dealer so that the dealer may provide inspection 50036
certificates to an individual purchasing a motor vehicle from the 50037
dealer when that individual resides in a county that is subject to 50038
the motor vehicle inspection and maintenance program; 50039

(2) To provide payment for more than one free passing 50040
emissions inspection or a total of three emissions inspections for 50041

a motor vehicle in any three-hundred-sixty-five day period. The 50042
owner or lessee of a motor vehicle is responsible for inspection 50043
fees that are related to emissions inspections beyond one free 50044
passing emissions inspection or three total emissions inspections 50045
in any three-hundred-sixty-five day period. Inspection fees that 50046
are charged by a contractor conducting emissions inspections under 50047
a motor vehicle inspection and maintenance program shall be 50048
approved by the director of environmental protection. 50049

~~(E)~~(F) The enhanced motor vehicle inspection and maintenance 50050
program established under this section expires on December 31, 50051
2007, upon the termination of all contracts entered into under 50052
this section and shall not be continued implemented beyond that 50053
the final date unless otherwise federally mandated on which 50054
termination occurs. 50055

(G)(1) Notwithstanding the provisions of this section, it is 50056
the intent of the general assembly that the motor vehicle 50057
inspection and maintenance program that was in operation pursuant 50058
to the federal Clean Air Act on January 1, 2009, in certain 50059
counties of this state pursuant to a contract that is scheduled to 50060
expire June 30, 2009, not be extended beyond that date in those 50061
counties. However, if the governor determines that the 50062
continuation of the program in those counties is necessary to 50063
comply with federal law, the governor shall issue executive orders 50064
extending the program in accordance with this section. All 50065
executive orders issued under this section shall include 50066
provisions providing the authority that is necessary for the 50067
director of environmental protection to establish decentralized 50068
approaches that meet federal performance standards. 50069

(2) Upon the issuance of any executive order under this 50070
section, the governor shall notify the general assembly in writing 50071
of the governor's decision to issue the executive order. 50072

(3) It is the intent of the general assembly that a tailpipe 50073

motor vehicle inspection and maintenance program not be 50074
implemented in any county in the state. Moreover, it is the intent 50075
of the general assembly that, if a motor vehicle-based ozone 50076
testing program is mandated by federal law for counties in the 50077
northeastern portion of the state, a tailpipe motor vehicle 50078
inspection and maintenance program not be implemented and that an 50079
onboard diagnostics only inspection and gas-cap testing program be 50080
utilized to satisfy any federal requirements for vehicle emissions 50081
testing. 50082

(H) Not later than thirty days after the effective date of 50083
this amendment and on the first day of January of each subsequent 50084
year, the director of environmental protection shall request the 50085
United States environmental protection agency to provide the 50086
director a list of alternative approaches to meet federal 50087
performance standards and program changes that this state may 50088
employ to comply with the federal Clean Air Act in lieu of the 50089
implementation of a motor vehicle inspection and maintenance 50090
program. Based on the information received from the United States 50091
environmental protection agency, the director shall prepare a 50092
report concerning those alternative approaches. The director shall 50093
issue the report and provide it to the general assembly not later 50094
than thirty days after receiving the list of alternative 50095
approaches from the United States environmental protection agency. 50096

purpose of adding pollution control equipment to diesel-powered 50098
school buses, including contributions that are made pursuant to 50099
the settlement of an administrative action or civil action that is 50100
brought at the request of the director of environmental protection 50101
pursuant to Chapter 3704., 3714., 3734., 6109., or 6111. of the 50102
Revised Code, shall be credited to the clean diesel school bus 50103
fund, which is hereby created in the state treasury. The director 50104
shall use money credited to the fund to make grants to school 50105

districts in the state and to county boards of mental retardation 50106
and developmental disabilities for the purpose of adding pollution 50107
control equipment to diesel-powered school buses and to pay the 50108
environmental protection agency's costs incurred in administering 50109
this section. In addition, the director may use money credited to 50110
the fund to make grants to school districts and to county boards 50111
of mental retardation and developmental disabilities for the 50112
purpose of maintaining pollution control equipment that is 50113
installed on diesel-powered school buses and to pay the additional 50114
cost incurred by a school district or a county board for using 50115
ultra-low sulfur diesel fuel instead of diesel fuel for the 50116
operation of diesel-powered school buses. 50117

In making grants under this section, the director shall give 50118
priority to school districts and to county boards of mental 50119
retardation and developmental disabilities that are located in a 50120
county that is designated as nonattainment by the United States 50121
environmental protection agency for the fine particulate national 50122
ambient air quality standard under the federal Clean Air Act. In 50123
addition, the director may give a higher priority to a school 50124
district or a county board of mental retardation and developmental 50125
disabilities that employs additional measures that reduce air 50126
pollution from the district's or the county board's school bus 50127
fleet. 50128

The director shall adopt rules establishing procedures and 50129
requirements that are necessary to implement this section, 50130
including procedures and requirements governing applications for 50131
grants. 50132

the rules, in an amount determined by the director or the 50805
appropriate board of health, as applicable. The rules shall 50806
include a list of the activities for which financial assurance may 50807
be required. The rules shall allow the director or board of 50808
health, as applicable, to adjust the amount of a surety bond, a 50809
letter of credit, or other acceptable financial assurance in 50810
conjunction with the issuance of an annual license. However, the 50811
rules shall require that the amount of a surety bond, letter of 50812
credit, or other acceptable financial assurance for the closure of 50813
a facility be not less than thirteen thousand dollars per acre of 50814
land that has been or is being used for the disposal of 50815
construction and demolition debris. The rules shall require an 50816

explanation of the rationale for financial assurance amounts 50817
exceeding thirteen thousand dollars per acre. 50818

(2) The rules establishing the financial assurance 50819
requirements for the post-closure care of facilities shall address 50820
the maintenance of the facility, continuation of any required 50821
monitoring systems, and performance and maintenance of any 50822
specific requirements established in rules adopted under division 50823
(K) of this section or through a permit, license, or order of the 50824
director. The rules also shall allow the director or board of 50825
health, as applicable, to determine the amount of a surety bond, a 50826
letter of credit, or other acceptable financial assurance for the 50827
post-closure care of a facility based on a required cost estimate 50828
for the post-closure care of the facility. The rules shall require 50829
that the owner or operator of a facility provide post-closure 50830
financial assurance for a period of five years after the closure 50831
of a facility. However, the rules shall stipulate that 50832
post-closure care financial assurance may be extended beyond the 50833
five-year period if the extension of the post-closure care period 50834
is required under rules adopted under division (K) of this 50835
section. 50836

(J) Requirements for the closure of facilities. The 50837
requirements shall include minimum requirements for the closure of 50838
facilities and such additional requirements as are reasonably 50839
related to the location of the facility and the type and quantity 50840
of materials disposed of in the facility. The rules shall require 50841
that an owner or operator of a facility, upon the closure of the 50842
facility, file in the office of the county recorder of the county 50843
in which the facility is located a notice that the property was 50844
previously used as a construction and demolition debris facility. 50845
The rules shall require that the notice be filed in the same 50846
manner as a deed to the property. The rules shall require that the 50847
notice include an engineering drawing attachment showing the 50848

physical locations of debris placement, an indication of the 50849
volumes of debris, and an indication of the depth of the final 50850
cover material. 50851

(K) Requirements for the post-closure care of facilities for 50852
a period of five years after the closure of a facility. However, 50853
the rules shall require that the post-closure care period may be 50854
extended by order of the applicable board of health, the director, 50855
or a court of competent jurisdiction if conditions at a facility 50856
are impacting public health or safety or the environment or if 50857
ground water assessment and corrective measures are required to be 50858
conducted at the facility under rules adopted under division (E) 50859
of this section. This division does not limit the authority of the 50860
director, a board of health, or a court of competent jurisdiction 50861
to issue an order under any other applicable chapter of the 50862
Revised Code. 50863

The rules adopted under this division shall specify both of 50864
the following: 50865

(1) With respect to a facility that permanently ceases 50866
acceptance of construction and demolition debris in calendar year 50867
2006, the post-closure care and post-closure care financial 50868
assurance requirements do not apply, provided that the owner or 50869
operator of the facility gives written notice of the date of the 50870
cessation to the applicable board of health or the director, the 50871
owner or operator of the facility does not submit a subsequent 50872
application for a license renewal for the facility after that 50873
cessation, and no order was issued by the applicable board of 50874
health, the director, or a court of competent jurisdiction 50875
governing the post-closure care of and post-closure financial 50876
assurance for that facility prior to the date specified in the 50877
written notice. 50878

(2) With respect to a facility that permanently ceases 50879
acceptance of construction and demolition debris in calendar year 50880

2007, the required period of time for post-closure care and 50881
post-closure care financial assurance shall be one year after the 50882
closure of the facility, provided that the owner or operator of 50883
the facility gives written notice of the date of the cessation to 50884
the applicable board of health or the director, the owner or 50885
operator does not submit a subsequent application for a license 50886
renewal for the facility after that cessation, and no order was 50887
issued by the applicable board of health, the director, or a court 50888
of competent jurisdiction governing the post-closure care of and 50889
post-closure financial assurance for that facility prior to the 50890
date specified in the written notice. 50891

(L) Standards and procedures governing the modification of 50892
operation licenses issued under section 3714.06 of the Revised 50893

(N) Requirements governing the provision of notification 50898
under section 3714.083 of the Revised Code by owners and operators 50899

and by transporters and shippers of the final disposition of 50901
rejected loads; 50902

(O) Requirements governing the certification and training of 50903
operators of construction and demolition debris facilities as 50904
required under section 3714.062 of the Revised Code; 50905

(P) Definitions of "owner" and "operator" for purposes of 50906
this chapter. 50907

The rules adopted under this section shall not prohibit the 50908
open burning of construction debris on a construction site in 50909
compliance with division (C)(1) of section 3704.11 of the Revised 50910
Code. 50911

Rules adopted under divisions (E) and (F) of this section 50912
apply to all new construction and demolition debris facilities for 50913
which a permit to install is required under section 3714.051 of 50914
the Revised Code on and after ~~the effective date of this amendment~~ 50915
December 22, 2005. With respect to a facility that is licensed 50916
under section 3714.06 of the Revised Code and operating on ~~the~~ 50917

monitoring system, the facility shall comply only with rules 50926
adopted under division (F) of this section. 50927

Sec. 3714.07. (A)(1) For the purpose of assisting boards of 50928
health and the environmental protection agency in administering 50929
and enforcing this chapter and rules adopted under it, there is 50930
hereby levied on the disposal of construction and demolition 50931
debris at a construction and demolition debris facility that is 50932
licensed under this chapter or at a solid waste facility that is 50933
licensed under Chapter 3734. of the Revised Code a fee of thirty 50934
cents per cubic yard or sixty cents per ton, as applicable. 50935

(2) The owner or operator of a construction and demolition 50936
debris facility or a solid waste facility shall determine if cubic 50937
yards or tons will be used as the unit of measurement. In 50938
estimating the fee based on cubic yards, the owner or operator 50939
shall utilize either the maximum cubic yard capacity of the 50940
container, or the hauling volume of the vehicle, that transports 50941
the construction and demolition debris to the facility or the 50942
cubic yards actually logged for disposal by the owner or operator 50943

in accordance with rules adopted under section 3714.02 of the Revised Code. If basing the fee on tonnage, the owner or operator shall use certified scales to determine the tonnage of construction and demolition debris that is transported to the facility for disposal.

(3) The owner or operator of a construction and demolition debris facility or a solid waste facility shall collect the fee levied under division (A) of this section as a trustee for the health district having jurisdiction over the facility, if that district is on the approved list under section 3714.09 of the Revised Code, or for the state. The owner or operator shall prepare and file with the appropriate board of health or the director of environmental protection monthly returns indicating the total volume or weight, as applicable, of construction and demolition debris received for disposal at the facility and the total amount of money required to be collected on the construction and demolition debris disposed of during that month. Not later than thirty days after the last day of the month to which the return applies, the owner or operator shall mail to the board of health or the director the return for that month together with the money required to be collected on the construction and demolition debris disposed of during that month or may submit the return and money electronically in a manner approved by the director. The owner or operator may request, in writing, an extension of not more than thirty days after the last day of the month to which the return applies. A request for extension may be denied. If the owner or operator submits the money late, the owner or operator shall pay a penalty of ten per cent of the amount of the money due for each month that it is late.

(4) Of the money that is collected from a construction and demolition debris facility or a solid waste facility on a per cubic yard or per ton basis under this section, a board of health

shall transmit three cents per cubic yard or six cents per ton, as 50976
applicable, to the director not later than forty-five days after 50977
the receipt of the money. The money retained by a board of health 50978
under this section shall be paid into a special fund, which is 50979
hereby created in each health district, and used solely to 50980
administer and enforce this chapter and rules adopted under it. 50981

The director shall transmit all money received from the 50982
boards of health of health districts under this section and all 50983
money from the disposal fee collected by the director under this 50984
section to the treasurer of state to be credited to the 50985
construction and demolition debris facility oversight fund, which 50986
is hereby created in the state treasury. The fund shall be 50987
administered by the director, and money credited to the fund shall 50988
be used exclusively for the administration and enforcement of this 50989
chapter and rules adopted under it. 50990

(B) The board of health of a health district or the director 50991
may enter into an agreement with the owner or operator of a 50992
construction and demolition debris facility or a solid waste 50993
facility for the quarterly payment of the money collected from the 50994
disposal fee. The board of health shall notify the director of any 50995
such agreement. Not later than forty-five days after receipt of 50996
the quarterly payment, the board of health shall transmit the 50997
amount established in division (A)(4) of this section to the 50998
director. The money retained by the board of health shall be 50999
deposited in the special fund of the district as required under 51000
that division. Upon receipt of the money from a board of health, 51001
the director shall transmit the money to the treasurer of state to 51002
be credited to the construction and demolition debris facility 51003
oversight fund. 51004

(C) If a construction and demolition debris facility or a 51005
solid waste facility is located within the territorial boundaries 51006
of a municipal corporation or the unincorporated area of a 51007

township, the municipal corporation or township may appropriate up 51008
to four cents per cubic yard or up to eight cents per ton of the 51009
disposal fee required to be paid by the facility under division 51010
(A) of this section for the same purposes that a municipal 51011
corporation or township may levy a fee under division (C) of 51012
section 3734.57 of the Revised Code. 51013

The legislative authority of the municipal corporation or 51014
township may appropriate the money from the fee by enacting an 51015
ordinance or adopting a resolution establishing the amount of the 51016
fee to be appropriated. Upon doing so, the legislative authority 51017
shall mail a certified copy of the ordinance or resolution to the 51018
board of health of the health district in which the construction 51019
and demolition debris facility or the solid waste facility is 51020
located or, if the facility is located in a health district that 51021
is not on the approved list under section 3714.09 of the Revised 51022
Code, to the director. Upon receipt of the copy of the ordinance 51023
or resolution and not later than forty-five days after receipt of 51024
money collected from the fee, the board or the director, as 51025
applicable, shall transmit to the treasurer or other appropriate 51026
officer of the municipal corporation or clerk of the township that 51027
portion of the money collected from the disposal fee by the owner 51028
or operator of the facility that is required by the ordinance or 51029
resolution to be paid to that municipal corporation or township. 51030

Money received by the treasurer or other appropriate officer 51031
of a municipal corporation under this division shall be paid into 51032
the general fund of the municipal corporation. Money received by 51033
the clerk of a township under this division shall be paid into the 51034
general fund of the township. The treasurer or other officer of 51035
the municipal corporation or the clerk of the township, as 51036
appropriate, shall maintain separate records of the money received 51037
under this division. 51038

The legislative authority of a municipal corporation or 51039

township may cease collecting money under this division by 51040
repealing the ordinance or resolution that was enacted or adopted 51041
under this division. 51042

The director shall adopt rules in accordance with Chapter 51043
119. of the Revised Code establishing requirements for prorating 51044
the amount of the fee that may be appropriated under this division 51045
by a municipal corporation or township in which only a portion of 51046
a construction and demolition debris facility is located within 51047
the territorial boundaries of the municipal corporation or 51048
township. 51049

(D) The board of county commissioners of a county in which a 51050
construction and demolition debris facility or a solid waste 51051
facility is located may appropriate up to three cents per cubic 51052
yard or up to six cents per ton of the disposal fee required to be 51053
paid by the facility under division (A) of this section for the 51054
same purposes that a solid waste management district may levy a 51055
fee under division (B) of section 3734.57 of the Revised Code. 51056

The board of county commissioners may appropriate the money 51057
from the fee by adopting a resolution establishing the amount of 51058
the fee to be appropriated. Upon doing so, the board of county 51059
commissioners shall mail a certified copy of the resolution to the 51060
board of health of the health district in which the construction 51061
and demolition debris facility or the solid waste facility is 51062
located or, if the facility is located in a health district that 51063
is not on the approved list under section 3714.09 of the Revised 51064
Code, to the director. Upon receipt of the copy of the resolution 51065
and not later than forty-five days after receipt of money 51066
collected from the fee, the board of health or the director, as 51067
applicable, shall transmit to the treasurer of the county that 51068
portion of the money collected from the disposal fee by the owner 51069
or operator of the facility that is required by the resolution to 51070
be paid to that county. 51071

Money received by a county treasurer under this division 51072
shall be paid into the general fund of the county. The county 51073
treasurer shall maintain separate records of the money received 51074
under this division. 51075

A board of county commissioners may cease collecting money 51076
under this division by repealing the resolution that was adopted 51077
under this division. 51078

(E)(1) This section does not apply to the disposal of 51079
construction and demolition debris at a solid waste facility that 51080
is licensed under Chapter 3734. of the Revised Code if there is no 51081
construction and demolition debris facility licensed under this 51082
chapter within thirty-five miles of the solid waste facility as 51083
determined by a facility's property boundaries. 51084

(2) This section does not apply to the disposal of 51085
construction and demolition debris at a solid waste facility that 51086
is licensed under Chapter 3734. of the Revised Code if the owner 51087
or operator of the facility chooses to collect fees on the 51088
disposal of the construction and demolition debris that are 51089
identical to the fees that are collected under Chapters 343. and 51090
3734. of the Revised Code on the disposal of solid wastes at that 51091
facility. 51092

(3) This section does not apply to the disposal of source 51093
separated materials that are exclusively composed of reinforced or 51094
nonreinforced concrete, asphalt, clay tile, building or paving 51095

demolition debris facility that is licensed under this chapter 51097
when either of the following applies: 51098

(a) The materials are placed within the limits of 51099
construction and demolition debris placement at the facility as 51100
specified in the license issued to the facility under section 51101
3714.06 of the Revised Code, are not placed within the unloading 51102

(b) The materials are not placed within the unloading zone of 51106
the facility or within the limits of construction and demolition 51107
debris placement at the facility as specified in the license 51108
issued to the facility under section 3714.06 of the Revised Code, 51109
but are used as fill material, either alone or in conjunction with 51110
clean soil, sand, gravel, or other clean aggregates, in legitimate 51111
fill operations for construction purposes at the facility or to 51112
bring the facility up to a consistent grade. 51113

(F) Notwithstanding any provision of law to the contrary, the 51114
fee levied under this section applies to the disposal of asbestos 51115

ten-day period, the owner or operator shall cause the pulverized 51224
debris to be removed from the facility. 51225

(C) The existence of small particles and dust in a load of 51226

construction and demolition debris does not render the load 51227
unidentifiable as construction and demolition debris. 51228

(D) As used in this section, "working face" has the same 51229
meaning as in section 3714.021 of the Revised Code. 51230

licensor shall not renew the license until the applicant pays the 52174
penalty. 52175

(E)(1) A licensor may issue not more than ten temporary 52176
retail food establishment licenses per licensing period to the 52177

licensor shall give written notice of the hearing to each person 52224

that may be affected by the proposed fee. The notice shall be 52226
mailed to the last known address of the licensee and shall specify 52227
the date, time, and place of the hearing and the amount of the 52228
proposed fee. On request, the licensor shall provide the completed 52229

(C) The director may determine by rule an amount to be	52245
collected from applicants for retail food establishment licenses	52246
for use by the director in administering and enforcing the	52247
provisions of this chapter and the rules adopted under it	52248
applicable to retail food establishments. Licensors shall collect	52249
the amount prior to issuing an applicant's new or renewed license.	52250
If a licensing fee is charged under this section, the licensor	52251

and enforcement of the provisions of this chapter and the rules	52262
adopted under it applicable to retail food establishments.	52263

assistance of the director, a board acting as licensor, to the 52281
extent practicable, shall computerize the inspection process and 52282
standardize the manner in which its inspections are conducted. 52283

(B) A person or government entity holding a retail food 52284

the records of the retail food establishment to obtain information 52290
about the purchase, receipt, or use of food, supplies, and 52291

being operated within the licensor's district. If an inspection of 52294
a mobile retail food establishment is conducted by a licensor 52295

other than the licensor that issued the license for the 52296
establishment, a report of the inspection shall be sent to the 52297

the information with the ~~director of agriculture and director of~~ 52314
~~health if the licensor is the director of agriculture, the~~ 52315
~~director may share the information with the~~ director of health. 52316

the public, if the statistics do not disclose details about a 52321
particular person or government entity that provided information 52322
to the licensor. An individual employed by the licensor or 52323
assisting the licensor in the administration of the retail food 52324
establishment licensing requirements of this chapter shall not 52325
willfully divulge any information that is confidential under this 52326

violation evidenced by documented failure to maintain sanitary 52335
conditions within the establishment. 52336

(C)(1) Except in the case of a violation that presents a 52337
clear and present danger to the public health, before initiating 52338
action to suspend or revoke a retail food establishment license, 52339
the board shall give the license holder written notice specifying 52340
each violation and a reasonable time within which the license 52341
holder must correct each violation to avoid suspension or 52342
revocation of the license. The board may extend the time specified 52343
in the notice for correcting a violation if the license holder is 52344
making a good faith effort to correct it. 52345

If the license holder fails to correct the violation in the 52346
time granted by the board, the board may initiate action to 52347
suspend or revoke the retail food establishment license by giving 52348
the license holder written notice of the proposed suspension or 52349
revocation. The board shall include in the notice a description of 52350
the procedure for appealing the proposed suspension or revocation. 52351
The license holder may appeal the proposed suspension or 52352
revocation by giving written notice to the board. The license 52353
holder shall specify in the notice whether a hearing is requested. 52354
The appeal shall be conducted in accordance with division (C)(3) 52355

if the health commissioner or person is authorized by the board to 52358
take the action, may take any action that the board may take under 52359
division (C)(1) of this section. 52360

(2) If a board initiates actions to revoke or, except in the 52361
case of a violation that presents a clear and present danger to 52362
the public health, to suspend a retail food establishment license, 52363
the board shall determine whether to revoke or suspend the license 52364
by a majority vote of the board members who are present at a 52365
meeting at which there is a quorum. 52366

If the board decides to revoke or suspend the license, the 52367

of any requirement of this chapter or the rules adopted under it 52378
applicable to retail food establishments and that the violation 52379
presents a clear and present danger to the public health, the 52380
board may suspend the retail food establishment license without 52381
giving written notice or affording the license holder the 52382
opportunity to correct the violation. If the license holder is 52383

the suspension. When a mobile retail food establishment license is 52389
suspended under this division, the licensor that suspended the 52390
license shall hold the license until the suspension is lifted and 52391
the licensor receives from the license holder written notice of 52392
the next location at which the license holder proposes to operate 52393
the retail food establishment. 52394

After suspending a license under division (D)(1) of this 52395
section, the licensor shall give the license holder written notice 52396
of the procedure for appealing the suspension. The license holder 52397
may appeal the suspension by giving written notice to the board 52398
and specifying in the notice whether a hearing is requested. The 52399
appeal shall be conducted in accordance with division (D)(2) of 52400

rescind the suspension without consulting the board. 52407

(2) If the license holder appeals a suspension under division 52408
(D)(1) of this section, the board shall determine whether the 52409
clear and present danger to the public health continues to exist 52410
by majority vote of the board members who are present at a meeting 52411
at which there is a quorum. 52412

If the board determines that there is no longer a clear and 52413
present danger to the public health, the board shall rescind the 52414
suspension. If the board determines that the clear and present 52415
danger continues to exist, the board shall issue an order 52416
continuing the suspension. 52417

(3) An appeal requested under division (D)(1) of this section 52418
shall be conducted in accordance with procedures established in 52419

including a violation evidenced by documented failure to maintain 52438
sanitary conditions within the establishment. Except as provided 52439
in division (C)(9) of this section, the suspension or revocation 52440

by certified mail to the license holder not later than three 52494

marshal, or a fire department if ownership of the home is assigned 52913
or transferred to a different person and the home was licensed 52914

transfer. The director may enter at any time, for the purposes of 52916
investigation, any institution, residence, facility, or other 52917
structure that has been reported to the director or that the 52918
director has reasonable cause to believe is operating as a nursing 52919
home, residential care facility, or home for the aging without a 52920
valid license required by section 3721.05 of the Revised Code or, 52921
in the case of a county home or district home, is operating 52922
despite the revocation of its residential care facility license. 52923
The director may delegate the director's authority and duties 52924
under this chapter to any division, bureau, agency, or official of 52925

the part or unit to be licensed as a nursing home can be 52930
maintained separate and discrete from the part or unit to be 52931
licensed as an adult care facility. 52932

(C) In determining the number of residents in a home for the 52933
purpose of licensing, the director shall consider all the 52934
individuals for whom the home provides accommodations as one group 52935
unless one of the following is the case: 52936

(1) The home is a home for the aging, in which case all the 52937
individuals in the part or unit licensed as a nursing home shall 52938
be considered as one group, and all the individuals in the part or 52939
unit licensed as a rest home shall be considered as another group. 52940

(2) The home is both a nursing home and an adult care 52941

facility. In that case, all the individuals in the part or unit 52942
licensed as a nursing home shall be considered as one group, and 52943
all the individuals in the part or unit licensed as an adult care 52944
facility shall be considered as another group. 52945

(3) The home maintains, in addition to a nursing home or 52946
residential care facility, a separate and discrete part or unit 52947
that provides accommodations to individuals who do not require or 52948
receive skilled nursing care and do not receive personal care 52949
services from the home, in which case the individuals in the 52950
separate and discrete part or unit shall not be considered in 52951
determining the number of residents in the home if the separate 52952
and discrete part or unit is in compliance with the Ohio basic 52953
building code established by the board of building standards under 52954
Chapters 3781. and 3791. of the Revised Code and the home permits 52955
the director, on request, to inspect the separate and discrete 52956
part or unit and speak with the individuals residing there, if 52957
they consent, to determine whether the separate and discrete part 52958
or unit meets the requirements of this division. 52959

(D)(1) The director of health shall charge ~~an~~ the following 52960
application fee and ~~an~~ annual renewal licensing and inspection fee 52961
~~of one hundred seventy dollars~~ for each fifty persons or part 52962
thereof of a home's licensed capacity: 52963

(a) For state fiscal year 2010, two hundred twenty dollars; 52964

(b) For state fiscal year 2011, two hundred seventy dollars; 52965

(c) For each state fiscal year thereafter, three hundred 52966
twenty dollars. All 52967

renewal of licenses shall be deposited into the state treasury to 52969
the credit of the general operations fund created in section 52970
3701.83 of the Revised Code for use only in administering and 52971

director shall consider the past record of the owner and manager 53523
and any individuals who are principal participants in an entity 53524
that is the owner or manager in operating facilities providing 53525

adult care facility. 53529

The license shall contain the name and address of the 53530

sections 3722.02 and 3722.041 of the Revised Code, the director 53538
may issue a temporary license if the requirements of divisions 53539
(C), (D), and (F) of section 3722.02 of the Revised Code have been 53540
met. A temporary license shall be valid for a period of ninety 53541
days and, except as otherwise provided in division (A)(3) of 53542
section 3722.05 of the Revised Code, may be renewed, without 53543
payment of an additional application fee, for an additional ninety 53544
days.~~ 53545

(B) The director shall renew a license for a two-year period 53546
if the facility continues to be in compliance with the 53547
requirements of this chapter and in substantial compliance with 53548
the rules adopted under this chapter. The owner shall submit a 53549

nonrefundable license renewal application fee in an amount 53550
established in rules adopted by the public health council pursuant 53551
to this chapter. Before the license of an adult group home is 53552
renewed, if any alterations have been made to the buildings, a 53553
certificate of occupancy for the facility shall have been issued 53554
by the division of industrial compliance in the department of 53555
commerce or a local certified building department. The facility 53556
shall have water and sewage system approvals, if required by law, 53557
and, in the case of an adult group home, documentation of 53558

(C) ~~The~~ (1) During each licensure period, the director shall 53561
make at least one unannounced inspection of an adult care facility 53562
~~during each licensure period~~ in addition to inspecting the 53563

renewed, and may make additional unannounced inspections as the 53565
director considers necessary. Other inspections may be made at any 53566
time that the director considers appropriate. ~~The~~ 53567

The director shall take all reasonable actions to avoid 53568
giving notice of an inspection by the manner in which the 53569
inspection is scheduled or performed. ~~Not~~ 53570

If an inspection is conducted to investigate an alleged 53571
violation of the requirements of this chapter in a facility with 53572
residents referred by or receiving services from a mental health 53573
agency or ADAMHS board or a facility with residents receiving 53574
assistance under the residential state supplement program 53575
administered by the department of aging pursuant to section 173.35 53576
of the Revised Code, the director shall coordinate the inspection 53577
with the appropriate mental health agency, ADAMHS board, or 53578
PASSPORT administrative agency. As the director considers 53579
appropriate, the director shall conduct the inspection jointly 53580
with the mental health agency, ADAMHS board, or PASSPORT 53581

home seeking a license or renewal under this chapter as an adult 53589
care facility prior to issuance of a license or renewal, at least 53590
once annually thereafter, and at any other time at the request of 53591
the director, to determine compliance with the rules adopted under 53592
division (F) of section 3737.83 of the Revised Code. 53593

(D) The director may waive any of the licensing requirements 53594
~~having to do with fire and safety requirements or building~~ 53595
~~standards~~ established by rule adopted by the public health council 53596
pursuant to this chapter upon written request of the facility. The 53597
director may grant a waiver if the director determines that the 53598
strict application of the licensing requirement would cause undue 53599
hardship to the facility and that granting the waiver would not 53600
jeopardize the health or safety of any resident. The director may 53601
provide a facility with an informal hearing concerning the denial 53602
of a waiver request, but the facility shall not be entitled to a 53603
hearing under Chapter 119. of the Revised Code unless the director 53604
takes an action that requires a hearing to be held under section 53605
3722.05 of the Revised Code. 53606

(E)(1) Not later than thirty days after each of the 53607
following, the owner of an adult care facility shall submit an 53608
inspection fee of twenty dollars for each bed for which the 53609
facility is licensed: 53610

(a) Issuance or renewal of a license, ~~other than a temporary~~ 53611
license; 53612

(2) The director may revoke the license of any adult care facility that fails to submit the fee within the thirty-day period.

(3) All inspection fees received by the director, all civil penalties assessed under section 3722.08 of the Revised Code, all fines imposed under section 3722.99 of the Revised Code, and all license application and renewal application fees received under division (F) of section 3722.02 of the Revised Code or under division (B) of this section shall be deposited into the general operations fund created in section 3701.83 of the Revised Code and shall be used only to pay the costs of administering and enforcing the requirements of this chapter and rules adopted under it.

(F)(1) An owner shall inform the director in writing of any changes in the information contained in the statement of ownership made pursuant to division (C) of section 3722.02 of the Revised Code or in the identity of the manager, not later than ten days after the change occurs.

(2) An owner who sells or transfers an adult care facility shall be responsible and liable for the following:

(b) Any outstanding liability to the state, unless the buyer or transferee has agreed, as a condition of the sale or transfer, to accept the outstanding liabilities and to guarantee their payment, except that if the buyer or transferee fails to meet these obligations the seller or transferor shall remain responsible for the outstanding liability.

(G) The director shall annually publish a list of licensed adult care facilities, facilities ~~whose~~ for which licenses have been revoked ~~or not renewed~~, facilities for which license renewal has been refused, any facilities under an order suspending admissions pursuant to section 3722.07 of the Revised Code, and any facilities that have been assessed a civil penalty pursuant to section 3722.08 of the Revised Code. The director shall annually send a copy of the list to the department of job and family services, to the department of mental health, and to the department of aging.

Sec. 3722.05. ~~(A)(1)~~ If an adult care facility fails to comply with any requirement of this chapter or with any rule adopted pursuant to this chapter, the director of health may do any one or all of the following:

~~(a)~~(A) In accordance with Chapter 119. of the Revised Code, deny, revoke, or refuse to renew the license of the facility;

~~(b)~~(B) Give the facility an opportunity to correct the violation, in accordance with section 3722.06 of the Revised Code;

53681
53682
53683
53684
53685

~~(3) The director may renew a temporary license for the duration of proceedings under Chapter 119. of the Revised Code regarding the denial of a permanent license if he determines that the continued operation of the facility will not jeopardize the health or safety of the residents.~~ 53686

53689
53690

Sec. 3722.06. Except as otherwise provided in sections 3722.07 to 3722.09 of the Revised Code and except in cases of violations that jeopardize the health and safety of any of the residents, if the director determines that a licensed adult care facility is in violation of this chapter or of rules adopted pursuant to this chapter, ~~he~~ the director shall give the facility an opportunity to correct the violation. The director shall notify the facility of the violation, ~~prescribe the steps necessary to correct the condition,~~ and specify a reasonable time for making the corrections. 53703
53704

The facility shall submit to the director a plan of 53705
correction stating the actions that will be taken to correct the 53706
violation. The director shall conduct an inspection to determine 53707
whether the facility has corrected the violation in accordance 53708
with the plan of correction. 53709

If the director determines that the facility has failed to 53710
correct the violation in accordance with the plan of correction, 53711
the director may impose a penalty under section 3722.08 of the 53712
Revised Code. If the director subsequently determines that the 53713
license of the facility should be revoked or should not be renewed 53714
because the facility has failed to correct the violation within 53715
the time specified or because the violation jeopardizes the health 53716
or safety of any of the residents, the director shall revoke or 53717
refuse to renew the license in accordance with Chapter 119. of the 53718
Revised Code. 53719

Sec. 3722.08. (A) If the director of health determines that 53720
an adult care facility is in violation of this chapter or rules 53721
adopted under it, the director may impose a civil penalty on the 53722
owner of the facility, pursuant to rules adopted by the public 53723
health council under this chapter, ~~on the owner of the facility.~~ 53724
The director shall determine the classification and amount of the 53725
penalty by considering the following factors: 53726

(1) The gravity of the violation, the severity of the actual 53727
or potential harm, and the extent to which the provisions of this 53728
chapter or rules adopted under it were violated; 53729

(2) Actions taken by the owner or manager to correct the 53730
violation; 53731

(3) The number, if any, of previous violations by the adult 53732
care facility. 53733

(B) The director shall give written notice of the order 53734

imposing a civil penalty to the adult care facility by certified 53735
mail, return receipt requested, or shall provide for delivery of 53736
the notice in person. The notice shall specify the classification 53737
of the violation as determined by rules adopted by the public 53738
health council pursuant to this chapter, the amount of the penalty 53739
and the rate of interest, the action that is required to be taken 53740
to correct the violation, the time within which it is to be 53741
corrected as specified in division (C) of this section, and the 53742
procedures for the facility to follow to request a conference on 53743
the order imposing a civil penalty. If the facility requests a 53744
conference in a letter mailed or delivered not later than two 53745
working days after it has received the notice, the director shall 53746
hold a conference with representatives of the facility concerning 53747
the civil penalty. The conference shall be held not later than 53748
seven days after the director receives the request. The conference 53749
shall be conducted as prescribed in division (C) of section 53750
3722.07 of the Revised Code. If the director issues an order 53751
upholding the civil penalty, the facility may request an 53752
adjudication hearing pursuant to Chapter 119. of the Revised Code, 53753
but the order of the director shall be in effect during 53754
proceedings instituted pursuant to that chapter until a final 53755
adjudication is made. 53756

(C) The director shall order that the condition or practice 53757
constituting a class I violation be abated or eliminated within 53758
twenty-four hours or any longer period that the director considers 53759
reasonable. The notice for a class II or a class III violation 53760
shall specify a time within which the violation is required to be 53761
corrected. 53762

(D) If the facility does not request a conference or if, 53763
after a conference, it fails to take action to correct a violation 53764
in the time prescribed by the director, the director shall issue 53765
an order upholding the penalty, plus interest at the rate 53766

specified in section 1343.03 of the Revised Code for each day 53767
beyond the date set for payment of the penalty. The director may 53768
waive the interest payment for the period prior to the conference 53769
if the director concludes that the conference was necessitated by 53770
a legitimate dispute. 53771

(E) The director may cancel or reduce the penalty for a class 53772
I violation if the facility corrects the violation within the time 53773
specified in the notice ~~unless, except that the director shall~~ 53774
~~impose the penalty even though the facility has corrected the~~ 53775
~~violation if~~ a resident suffers physical harm because of the 53776
violation or ~~unless~~ the facility has been cited previously for the 53777
same violation, ~~in which case the director shall impose the~~ 53778
~~penalty even though the facility has corrected the violation.~~ The 53779
director ~~shall~~ may cancel the penalty for a class II or class III 53780
violation if the facility corrects the violation within the time 53781
specified in the notice ~~unless~~ and the facility has not been cited 53782
previously for the same violation. Each day of a violation of any 53783
class, after the date the director sets for abatement or 53784
elimination, constitutes a separate and additional violation. 53785

(F) If an adult care facility fails to pay a penalty imposed 53786
under this section, the director may commence a civil action to 53787
collect the penalty. The license of an adult care facility that 53788
has failed to pay a penalty imposed under this section shall not 53789

section. 54614

(4) Except as provided in divisions (A)(8), (9), and (10) of 54615
this section, unless the owner or operator of any solid waste 54616
facility for which a permit was issued after July 1, 1968, but 54617
before January 1, 1980, has obtained an exemption from the 54618
requirements of division (A)(4) of this section under division (G) 54619
of section 3734.02 of the Revised Code, the owner or operator 54620
shall submit to the director an application for a permit with 54621
accompanying engineering detail plans, specifications, and 54622
information regarding the facility and its method of operation for 54623
approval under those rules. 54624

(5) The director may issue an order in accordance with 54625
Chapter 3745. of the Revised Code to the owner or operator of a 54626
solid waste facility requiring the person to submit to the 54627
director updated engineering detail plans, specifications, and 54628
information regarding the facility and its method of operation for 54629
approval under rules adopted under division (A) of section 3734.02 54630
of the Revised Code and applicable rules adopted under division 54631
(D) of section 3734.12 of the Revised Code if, in the director's 54632
judgment, conditions at the facility constitute a substantial 54633

threat to public health or safety or are causing or contributing 54634
to or threatening to cause or contribute to air or water pollution 54635
or soil contamination. Any person who receives such an order shall 54636
submit the updated engineering detail plans, specifications, and 54637
information to the director within one hundred eighty days after 54638
the effective date of the order. 54639

(6) The director shall act upon an application submitted 54640
under division (A)(3) or (4) of this section and any updated 54641
engineering plans, specifications, and information submitted under 54642
division (A)(5) of this section within one hundred eighty days 54643
after receiving them. If the director denies any such permit 54644
application, the order denying the application or disapproving the 54645
plans shall include the requirements that the owner or operator 54646
submit a plan for closure and post-closure care of the facility to 54647
the director for approval within six months after issuance of the 54648
order, cease accepting solid wastes for disposal or transfer at 54649
the facility, and commence closure of the facility not later than 54650
one year after issuance of the order. If the director determines 54651
that closure of the facility within that one-year period would 54652
result in the unavailability of sufficient solid waste management 54653
facility capacity within the county or joint solid waste 54654
management district in which the facility is located to dispose of 54655
or transfer the solid waste generated within the district, the 54656
director in the order of denial or disapproval may postpone 54657
commencement of closure of the facility for such period of time as 54658
the director finds necessary for the board of county commissioners 54659
or directors of the district to secure access to or for there to 54660
be constructed within the district sufficient solid waste 54661
management facility capacity to meet the needs of the district, 54662
provided that the director shall certify in the director's order 54663
that postponing the date for commencement of closure will not 54664
endanger ground water or any property surrounding the facility, 54665
allow methane gas migration to occur, or cause or contribute to 54666

any other type of environmental damage. 54667

If an emergency need for disposal capacity that may affect 54668
public health and safety exists as a result of closure of a 54669
facility under division (A)(6) of this section, the director may 54670
issue an order designating another solid waste facility to accept 54671
the wastes that would have been disposed of at the facility to be 54672
closed. 54673

(7) If the director determines that standards more stringent 54674
than those applicable in rules adopted under division (A) of 54675
section 3734.02 of the Revised Code and division (D) of section 54676
3734.12 of the Revised Code, or standards pertaining to subjects 54677
not specifically addressed by those rules, are necessary to ensure 54678
that a solid waste facility constructed at the proposed location 54679
will not cause a nuisance, cause or contribute to water pollution, 54680
or endanger public health or safety, the director may issue a 54681
permit for the facility with such terms and conditions as the 54682
director finds necessary to protect public health and safety and 54683
the environment. If a permit is issued, the director shall state 54684
in the order issuing it the specific findings supporting each such 54685
term or condition. 54686

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 54687
not apply to a solid waste compost facility that accepts 54688
exclusively source separated yard wastes and that is registered 54689
under division (C) of section 3734.02 of the Revised Code or, 54690
unless otherwise provided in rules adopted under division (N)(3) 54691
of section 3734.02 of the Revised Code, to a solid waste compost 54692
facility if the director has adopted rules establishing an 54693
alternative system for authorizing the establishment, operation, 54694
or modification of a solid waste compost facility under that 54695
division. 54696

(9) Divisions (A)(1) to (7) of this section do not apply to 54697
scrap tire collection, storage, monocell, monofill, and recovery 54698

facilities. The approval of plans and specifications, as 54699
applicable, and the issuance of registration certificates, 54700
permits, and licenses for those facilities are subject to sections 54701
3734.75 to 3734.78 of the Revised Code, as applicable, and section 54702
3734.81 of the Revised Code. 54703

(10) Divisions (A)(3) and (4) of this section do not apply to 54704
a solid waste incinerator that was placed into operation on or 54705
before October 12, 1994, and that is not authorized to accept and 54706
treat infectious wastes pursuant to division (B) of this section. 54707

(B)(1) Each person who is engaged in the business of treating 54708
infectious wastes for profit at a treatment facility located off 54709
the premises where the wastes are generated that is in operation 54710
on August 10, 1988, and who proposes to continue operating the 54711
facility shall submit to the board of health of the health 54712
district in which the facility is located an application for a 54713
license to operate the facility. 54714

Thereafter, no person shall operate or maintain an infectious 54715
waste treatment facility without a license issued by the board of 54716
health of the health district in which the facility is located or 54717
by the director when the health district in which the facility is 54718
located is not on the approved list under section 3734.08 of the 54719
Revised Code. 54720

(2)(a) During the month of December, but before the first day 54721
of January of the next year, every person proposing to continue to 54722
operate an existing infectious waste treatment facility shall 54723
procure a license to operate the facility for that year from the 54724
board of health of the health district in which the facility is 54725
located or, if the health district is not on the approved list 54726
under section 3734.08 of the Revised Code, from the director. The 54727
application for such a license shall be submitted to the board of 54728
health or to the director, as appropriate, on or before the last 54729
day of September of the year preceding that for which the license 54730

is sought. In addition to the application fee prescribed in 54731
division (B)(2)(c) of this section, a person who submits an 54732
application after that date shall pay an additional ten per cent 54733
of the amount of the application fee for each week that the 54734
application is late. Late payment fees accompanying an application 54735
submitted to the board of health shall be credited to the special 54736
infectious waste fund of the health district created in division 54737
(C) of section 3734.06 of the Revised Code, and late payment fees 54738
accompanying an application submitted to the director shall be 54739
credited to the general revenue fund. A person who has received a 54740
license, upon sale or disposition of an infectious waste treatment 54741
facility and upon consent of the board of health and the director, 54742
may have the license transferred to another person. The board of 54743
health or the director may include such terms and conditions in a 54744
license or revision to a license as are appropriate to ensure 54745
compliance with the infectious waste provisions of this chapter 54746
and rules adopted under them. 54747

(b) Each person proposing to open a new infectious waste 54748
treatment facility or to modify an existing infectious waste 54749
treatment facility shall submit an application for a permit with 54750
accompanying detail plans and specifications to the environmental 54751
protection agency for required approval under the rules adopted by 54752
the director pursuant to section 3734.021 of the Revised Code two 54753
hundred seventy days before proposed operation of the facility and 54754
concurrently shall make application for a license with the board 54755
of health of the health district in which the facility is or is 54756
proposed to be located. Not later than ninety days after receiving 54757
a completed application under division (B)(2)(b) of this section 54758
for a permit to open a new infectious waste treatment facility or 54759
modify an existing infectious waste treatment facility to expand 54760
its treatment capacity, or receiving a completed application under 54761
division (A)(2)(a) of this section for a permit to open a new 54762
solid waste incineration facility, or modify an existing solid 54763

waste incineration facility to also treat infectious wastes or to 54764
increase its infectious waste treatment capacity, that pertains to 54765
a facility for which a notation authorizing infectious waste 54766
treatment is included or proposed to be included in the solid 54767
waste incineration facility's license pursuant to division (B)(3) 54768
of this section, the director shall hold a public hearing on the 54769
application within the county in which the new or modified 54770
infectious waste or solid waste facility is or is proposed to be 54771
located or within a contiguous county. Not less than thirty days 54772
before holding the public hearing on the application, the director 54773
shall publish notice of the hearing in each newspaper that has 54774
general circulation and that is published in the county in which 54775
the facility is or is proposed to be located. If there is no 54776
newspaper that has general circulation and that is published in 54777
the county, the director shall publish the notice in a newspaper 54778
of general circulation in the county. The notice shall contain the 54779
date, time, and location of the public hearing and a general 54780
description of the proposed new or modified facility. At the 54781
public hearing, any person may submit written or oral comments on 54782
or objections to the approval or disapproval of the application. 54783
The applicant, or a representative of the applicant who has 54784
knowledge of the location, construction, and operation of the 54785
facility, shall attend the public hearing to respond to comments 54786
or questions concerning the facility directed to the applicant or 54787
representative by the officer or employee of the environmental 54788
protection agency presiding at the hearing. 54789

(c) Each application for a permit under division (B)(2)(b) of 54790
this section shall be accompanied by a nonrefundable application 54791
fee of four hundred dollars that shall be credited to the general 54792
revenue fund. Each application for an annual license under 54793
division (B)(2)(a) of this section shall be accompanied by a 54794
nonrefundable application fee of one hundred dollars. If the 54795
application for an annual license is submitted to a board of 54796

health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (C) of section 3734.06 of the Revised Code.

(d) The owner or operator of any infectious waste treatment facility that commenced operation on or before July 1, 1968, shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under section 3734.021 of the Revised Code in accordance with the following schedule:

(i) Not later than December 24, 1988, if the facility is located in Delaware, Greene, Guernsey, Hamilton, Madison, Mahoning, Ottawa, or Vinton county;

(ii) Not later than March 24, 1989, if the facility is located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or Washington county, or is located in the city of Brooklyn, Cuyahoga Heights, or Parma in Cuyahoga county;

(iii) Not later than June 24, 1989, if the facility is located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or Summit county or is located in Cuyahoga county outside the cities of Brooklyn, Cuyahoga Heights, and Parma;

(iv) Not later than September 24, 1989, if the facility is located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross

county; 54828

(v) Not later than December 24, 1989, if the facility is 54829
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 54830
of this section. 54831

The owner or operator of an infectious waste treatment 54832
facility required to submit a permit application under division 54833
(B)(2)(d) of this section is not required to pay any permit 54834
application fee under division (B)(2)(c) of this section, or 54835
permit fee under division (Q) of section 3745.11 of the Revised 54836
Code, with respect thereto unless the owner or operator also 54837
proposes to modify the facility. 54838

(e) The director may issue an order in accordance with 54839
Chapter 3745. of the Revised Code to the owner or operator of an 54840
infectious waste treatment facility requiring the person to submit 54841
to the director updated engineering detail plans, specifications, 54842
and information regarding the facility and its method of operation 54843
for approval under rules adopted under section 3734.021 of the 54844
Revised Code if, in the director's judgment, conditions at the 54845
facility constitute a substantial threat to public health or 54846
safety or are causing or contributing to or threatening to cause 54847
or contribute to air or water pollution or soil contamination. Any 54848
person who receives such an order shall submit the updated 54849
engineering detail plans, specifications, and information to the 54850
director within one hundred eighty days after the effective date 54851
of the order. 54852

(f) The director shall act upon an application submitted 54853
under division (B)(2)(d) of this section and any updated 54854
engineering plans, specifications, and information submitted under 54855
division (B)(2)(e) of this section within one hundred eighty days 54856
after receiving them. If the director denies any such permit 54857
application or disapproves any such updated engineering plans, 54858
specifications, and information, the director shall include in the 54859

order denying the application or disapproving the plans the 54860
requirement that the owner or operator cease accepting infectious 54861
wastes for treatment at the facility. 54862

(3) Division (B) of this section does not apply to an 54863
infectious waste treatment facility that meets any of the 54864
following conditions: 54865

(a) Is owned or operated by the generator of the wastes and 54866
exclusively treats, by methods, techniques, and practices 54867
established by rules adopted under division (C)(1) or (3) of 54868
section 3734.021 of the Revised Code, wastes that are generated at 54869
any premises owned or operated by that generator regardless of 54870
whether the wastes are generated on the same premises where the 54871
generator's treatment facility is located or, if the generator is 54872
a hospital as defined in section 3727.01 of the Revised Code, 54873
infectious wastes that are described in division (A)(1)(g), (h), 54874
or (i) of section 3734.021 of the Revised Code; 54875

(b) Holds a license or renewal of a license to operate a 54876
crematory facility issued under Chapter 4717. and a permit issued 54877
under Chapter 3704. of the Revised Code; 54878

(c) Treats or disposes of dead animals or parts thereof, or 54879
the blood of animals, and is subject to any of the following: 54880

(i) Inspection under the "Federal Meat Inspection Act," 81 54881
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 54882

(ii) Chapter 918. of the Revised Code; 54883

(iii) Chapter 953. of the Revised Code. 54884

Nothing in division (B) of this section requires a facility 54885
that holds a license issued under division (A) of this section as 54886
a solid waste facility and that also treats infectious wastes by 54887
the same method, technique, or process to obtain a license under 54888
division (B) of this section as an infectious waste treatment 54889

facility. However, the solid waste facility license for the 54890
facility shall include the notation that the facility also treats 54891
infectious wastes. 54892

On and after the effective date of the amendments to the 54893
rules adopted under division (C)(2) of section 3734.021 of the 54894
Revised Code that are required by Section 6 of Substitute House 54895
Bill No. 98 of the 120th General Assembly, the director shall not 54896
issue a permit to open a new solid waste incineration facility 54897
unless the proposed facility complies with the requirements for 54898
the location of new infectious waste incineration facilities 54899
established in the required amendments to those rules. 54900

(C) Except for a facility or activity described in division 54901
(E)(3) of section 3734.02 of the Revised Code, a person who 54902
proposes to establish or operate a hazardous waste facility shall 54903
submit a complete application for a hazardous waste facility 54904
installation and operation permit and accompanying detail plans, 54905
specifications, and such information as the director may require 54906
to the environmental protection agency at least one hundred eighty 54907
days before the proposed beginning of operation of the facility. 54908
The applicant shall notify by certified mail the legislative 54909
authority of each municipal corporation, township, and county in 54910
which the facility is proposed to be located of the submission of 54911
the application within ten days after the submission or at such 54912
earlier time as the director may establish by rule. If the 54913
application is for a proposed new hazardous waste disposal or 54914
thermal treatment facility, the applicant also shall give actual 54915
notice of the general design and purpose of the facility to the 54916
legislative authority of each municipal corporation, township, and 54917
county in which the facility is proposed to be located at least 54918
ninety days before the permit application is submitted to the 54919
environmental protection agency. 54920

In accordance with rules adopted under section 3734.12 of the 54921

Revised Code, prior to the submission of a complete application 54922
for a hazardous waste facility installation and operation permit, 54923
the applicant shall hold at least one meeting in the township or 54924
municipal corporation in which the facility is proposed to be 54925
located, whichever is geographically closer to the proposed 54926
location of the facility. The meeting shall be open to the public 54927
and shall be held to inform the community of the proposed 54928
hazardous waste management activities and to solicit questions 54929
from the community concerning the activities. 54930

(D)(1) Except as provided in section 3734.123 of the Revised 54931
Code, upon receipt of a complete application for a hazardous waste 54932
facility installation and operation permit under division (C) of 54933
this section, the director shall consider the application and 54934
accompanying information to determine whether the application 54935
complies with agency rules and the requirements of division (D)(2) 54936
of this section. After making a determination, the director shall 54937
issue either a draft permit or a notice of intent to deny the 54938
permit. The director, in accordance with rules adopted under 54939
section 3734.12 of the Revised Code or with rules adopted to 54940
implement Chapter 3745. of the Revised Code, shall provide public 54941
notice of the application and the draft permit or the notice of 54942
intent to deny the permit, provide an opportunity for public 54943
comments, and, if significant interest is shown, schedule a public 54944
meeting in the county in which the facility is proposed to be 54945
located and give public notice of the date, time, and location of 54946
the public meeting in a newspaper of general circulation in that 54947
county. 54948

(2) The director shall not approve an application for a 54949
hazardous waste facility installation and operation permit or an 54950
application for a modification under division (I)(3) of this 54951
section unless the director finds and determines as follows: 54952

(a) The nature and volume of the waste to be treated, stored, 54953

or disposed of at the facility; 54954

(b) That the facility complies with the director's hazardous 54955
waste standards adopted pursuant to section 3734.12 of the Revised 54956
Code; 54957

(c) That the facility represents the minimum adverse 54958
environmental impact, considering the state of available 54959
technology and the nature and economics of various alternatives, 54960
and other pertinent considerations; 54961

(d) That the facility represents the minimum risk of all of 54962
the following: 54963

(i) Fires or explosions from treatment, storage, or disposal 54964
methods; 54965

(ii) Release of hazardous waste during transportation of 54966
hazardous waste to or from the facility; 54967

(iii) Adverse impact on the public health and safety. 54968

(e) That the facility will comply with this chapter and 54969
Chapters 3704. and 6111. of the Revised Code and all rules and 54970
standards adopted under them; 54971

(f) That if the owner of the facility, the operator of the 54972
facility, or any other person in a position with the facility from 54973
which the person may influence the installation and operation of 54974
the facility has been involved in any prior activity involving 54975
transportation, treatment, storage, or disposal of hazardous 54976
waste, that person has a history of compliance with this chapter 54977
and Chapters 3704. and 6111. of the Revised Code and all rules and 54978
standards adopted under them, the "Resource Conservation and 54979
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 54980
amended, and all regulations adopted under it, and similar laws 54981
and rules of other states if any such prior operation was located 54982
in another state that demonstrates sufficient reliability, 54983

expertise, and competency to operate a hazardous waste facility 54984
under the applicable provisions of this chapter and Chapters 3704. 54985
and 6111. of the Revised Code, the applicable rules and standards 54986
adopted under them, and terms and conditions of a hazardous waste 54987
facility installation and operation permit, given the potential 54988
for harm to the public health and safety and the environment that 54989
could result from the irresponsible operation of the facility. For 54990
off-site facilities, as defined in section 3734.41 of the Revised 54991
Code, the director may use the investigative reports of the 54992
attorney general prepared pursuant to section 3734.42 of the 54993
Revised Code as a basis for making a finding and determination 54994
under division (D)(2)(f) of this section. 54995

(g) That the active areas within a new hazardous waste 54996
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 54997
(e), as amended, or organic waste that is toxic and is listed 54998
under 40 C.F.R. 261, as amended, is being stored, treated, or 54999
disposed of and where the aggregate of the storage design capacity 55000
and the disposal design capacity of all hazardous waste in those 55001
areas is greater than two hundred fifty thousand gallons, are not 55002
located or operated within any of the following: 55003

(i) Two thousand feet of any residence, school, hospital, 55004
jail, or prison; 55005

(ii) Any naturally occurring wetland; 55006

(iii) Any flood hazard area if the applicant cannot show that 55007
the facility will be designed, constructed, operated, and 55008
maintained to prevent washout by a one-hundred-year flood. 55009

Division (D)(2)(g) of this section does not apply to the 55010
facility of any applicant who demonstrates to the director that 55011
the limitations specified in that division are not necessary 55012
because of the nature or volume of the waste and the manner of 55013
management applied, the facility will impose no substantial danger 55014

to the health and safety of persons occupying the structures 55015
listed in division (D)(2)(g)(i) of this section, and the facility 55016
is to be located or operated in an area where the proposed 55017
hazardous waste activities will not be incompatible with existing 55018
land uses in the area. 55019

(h) That the facility will not be located within the 55020
boundaries of a state park established or dedicated under Chapter 55021
1541. of the Revised Code, a state park purchase area established 55022
under section 1541.02 of the Revised Code, any unit of the 55023
national park system, or any property that lies within the 55024
boundaries of a national park or recreation area, but that has not 55025
been acquired or is not administered by the secretary of the 55026
United States department of the interior, located in this state, 55027
or any candidate area located in this state identified for 55028
potential inclusion in the national park system in the edition of 55029
the "national park system plan" submitted under paragraph (b) of 55030
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 55031
U.S.C.A. 1a-5, as amended, current at the time of filing of the 55032
application for the permit, unless the facility will be used 55033
exclusively for the storage of hazardous waste generated within 55034
the park or recreation area in conjunction with the operation of 55035
the park or recreation area. Division (D)(2)(h) of this section 55036
does not apply to the facility of any applicant for modification 55037
of a permit unless the modification application proposes to 55038
increase the land area included in the facility or to increase the 55039
quantity of hazardous waste that will be treated, stored, or 55040
disposed of at the facility. 55041

(3) Not later than one hundred eighty days after the end of 55042
the public comment period, the director, without prior hearing, 55043
shall issue or deny the permit in accordance with Chapter 3745. of 55044
the Revised Code. If the director approves an application for a 55045
hazardous waste facility installation and operation permit, the 55046

director shall issue the permit, upon such terms and conditions as 55047
the director finds are necessary to ensure the construction and 55048
operation of the hazardous waste facility in accordance with the 55049
standards of this section. 55050

(E)† No political subdivision of this state shall require any 55051
additional zoning or other approval, consent, permit, certificate, 55052
or condition for the construction or operation of a hazardous 55053
waste facility authorized by a hazardous waste facility 55054
installation and operation permit issued pursuant to this chapter, 55055
nor shall any political subdivision adopt or enforce any law, 55056
ordinance, or rule that in any way alters, impairs, or limits the 55057
authority granted in the permit. 55058

(F) The director may issue a single hazardous waste facility 55059
installation and operation permit to a person who operates two or 55060
more adjoining facilities where hazardous waste is stored, 55061
treated, or disposed of if the application includes detail plans, 55062
specifications, and information on all facilities. For the 55063
purposes of this section, "adjoining" means sharing a common 55064
boundary, separated only by a public road, or in such proximity 55065
that the director determines that the issuance of a single permit 55066
will not create a hazard to the public health or safety or the 55067
environment. 55068

(G) No person shall falsify or fail to keep or submit any 55069
plans, specifications, data, reports, records, manifests, or other 55070
information required to be kept or submitted to the director by 55071
this chapter or the rules adopted under it. 55072

(H)(1) Each person who holds an installation and operation 55073
permit issued under this section and who wishes to obtain a permit 55074
renewal shall submit a completed application for an installation 55075
and operation permit renewal and any necessary accompanying 55076
general plans, detail plans, specifications, and such information 55077
as the director may require to the director no later than one 55078

hundred eighty days prior to the expiration date of the existing 55079
permit or upon a later date prior to the expiration of the 55080
existing permit if the permittee can demonstrate good cause for 55081
the late submittal. The director shall consider the application 55082
and accompanying information, inspection reports of the facility, 55083
results of performance tests, a report regarding the facility's 55084
compliance or noncompliance with the terms and conditions of its 55085
permit and rules adopted by the director under this chapter, and 55086
such other information as is relevant to the operation of the 55087
facility and shall issue a draft renewal permit or a notice of 55088
intent to deny the renewal permit. The director, in accordance 55089
with rules adopted under this section or with rules adopted to 55090
implement Chapter 3745. of the Revised Code, shall give public 55091
notice of the application and draft renewal permit or notice of 55092
intent to deny the renewal permit, provide for the opportunity for 55093
public comments within a specified time period, schedule a public 55094
meeting in the county in which the facility is located if 55095
significant interest is shown, and give public notice of the 55096
public meeting. 55097

(2) Within sixty days after the public meeting or close of 55098
the public comment period, the director, without prior hearing, 55099
shall issue or deny the renewal permit in accordance with Chapter 55100
3745. of the Revised Code. The director shall not issue a renewal 55101
permit unless the director determines that the facility under the 55102
existing permit has a history of compliance with this chapter, 55103
rules adopted under it, the existing permit, or orders entered to 55104
enforce such requirements that demonstrates sufficient 55105
reliability, expertise, and competency to operate the facility 55106
henceforth under this chapter, rules adopted under it, and the 55107
renewal permit. If the director approves an application for a 55108
renewal permit, the director shall issue the permit subject to the 55109
payment of the annual permit fee required under division (E) of 55110
section 3734.02 of the Revised Code and upon such terms and 55111

conditions as the director finds are reasonable to ensure that 55112
continued operation, maintenance, closure, and post-closure care 55113
of the hazardous waste facility are in accordance with the rules 55114
adopted under section 3734.12 of the Revised Code. 55115

(3) An installation and operation permit renewal application 55116
submitted to the director that also contains or would constitute 55117
an application for a modification shall be acted upon by the 55118
director in accordance with division (I) of this section in the 55119
same manner as an application for a modification. In approving or 55120
disapproving the renewal portion of a permit renewal application 55121
containing an application for a modification, the director shall 55122
apply the criteria established under division (H)(2) of this 55123
section. 55124

(4) An application for renewal or modification of a permit 55125
that does not contain an application for a modification as 55126
described in divisions (I)(3)(a) to (d) of this section shall not 55127
be subject to division (D)(2) of this section. 55128

(I)(1) As used in this section, "modification" means a change 55129
or alteration to a hazardous waste facility or its operations that 55130
is inconsistent with or not authorized by its existing permit or 55131
authorization to operate. Modifications shall be classified as 55132
Class 1, 2, or 3 modifications in accordance with rules adopted 55133
under division (K) of this section. Modifications classified as 55134
Class 3 modifications, in accordance with rules adopted under that 55135
division, shall be further classified by the director as either 55136
Class 3 modifications that are to be approved or disapproved by 55137
the director under divisions (I)(3)(a) to (d) of this section or 55138
as Class 3 modifications that are to be approved or disapproved by 55139
the director under division (I)(5) of this section. Not later than 55140
thirty days after receiving a request for a modification under 55141
division (I)(4) of this section that is not listed in Appendix I 55142
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 55143

section, the director shall classify the modification and shall 55144
notify the owner or operator of the facility requesting the 55145
modification of the classification. Notwithstanding any other law 55146
to the contrary, any modification that involves the transfer of a 55147
hazardous waste facility installation and operation permit to a 55148
new owner or operator for an off-site facility as defined in 55149
section 3734.41 of the Revised Code shall be classified as a Class 55150
3 modification. The transfer of a hazardous waste facility 55151
installation and operation permit to a new owner or operator for a 55152
facility that is not an off-site facility shall be classified as a 55153
Class 1 modification requiring prior approval of the director. 55154

(2) Except as provided in section 3734.123 of the Revised 55155
Code, a hazardous waste facility installation and operation permit 55156
may be modified at the request of the director or upon the written 55157
request of the permittee only if any of the following applies: 55158

(a) The permittee desires to accomplish alterations, 55159
additions, or deletions to the permitted facility or to undertake 55160
alterations, additions, deletions, or activities that are 55161
inconsistent with or not authorized by the existing permit; 55162

(b) New information or data justify permit conditions in 55163
addition to or different from those in the existing permit; 55164

(c) The standards, criteria, or rules upon which the existing 55165
permit is based have been changed by new, amended, or rescinded 55166
standards, criteria, or rules, or by judicial decision after the 55167
existing permit was issued, and the change justifies permit 55168
conditions in addition to or different from those in the existing 55169
permit; 55170

(d) The permittee proposes to transfer the permit to another 55171
person. 55172

(3) The director shall approve or disapprove an application 55173
for a modification in accordance with division (D)(2) of this 55174

section and rules adopted under division (K) of this section for 55175
all of the following categories of Class 3 modifications: 55176

(a) Authority to conduct treatment, storage, or disposal at a 55177
site, location, or tract of land that has not been authorized for 55178
the proposed category of treatment, storage, or disposal activity 55179
by the facility's permit; 55180

(b) Modification or addition of a hazardous waste management 55181
unit, as defined in rules adopted under section 3734.12 of the 55182
Revised Code, that results in an increase in a facility's storage 55183
capacity of more than twenty-five per cent over the capacity 55184
authorized by the facility's permit, an increase in a facility's 55185
treatment rate of more than twenty-five per cent over the rate so 55186
authorized, or an increase in a facility's disposal capacity over 55187
the capacity so authorized. The authorized disposal capacity for a 55188
facility shall be calculated from the approved design plans for 55189
the disposal units at that facility. In no case during a five-year 55190
period shall a facility's storage capacity or treatment rate be 55191
modified to increase by more than twenty-five per cent in the 55192
aggregate without the director's approval in accordance with 55193
division (D)(2) of this section. Notwithstanding any provision of 55194
division (I) of this section to the contrary, a request for 55195
modification of a facility's annual total waste receipt limit 55196
shall be classified and approved or disapproved by the director 55197
under division (I)(5) of this section. 55198

(c) Authority to add any of the following categories of 55199
regulated activities not previously authorized at a facility by 55200
the facility's permit: storage at a facility not previously 55201
authorized to store hazardous waste, treatment at a facility not 55202
previously authorized to treat hazardous waste, or disposal at a 55203
facility not previously authorized to dispose of hazardous waste; 55204
or authority to add a category of hazardous waste management unit 55205
not previously authorized at the facility by the facility's 55206

permit. Notwithstanding any provision of division (I) of this 55207
section to the contrary, a request for authority to add or to 55208
modify an activity or a hazardous waste management unit for the 55209
purposes of performing a corrective action shall be classified and 55210
approved or disapproved by the director under division (I)(5) of 55211
this section. 55212

(d) Authority to treat, store, or dispose of waste types 55213
listed or characterized as reactive or explosive, in rules adopted 55214
under section 3734.12 of the Revised Code, or any acute hazardous 55215
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 55216
previously authorized to treat, store, or dispose of those types 55217
of wastes by the facility's permit unless the requested authority 55218
is limited to wastes that no longer exhibit characteristics 55219
meeting the criteria for listing or characterization as reactive 55220
or explosive wastes, or for listing as acute hazardous waste, but 55221
still are required to carry those waste codes as established in 55222
rules adopted under section 3734.12 of the Revised Code because of 55223
the requirements established in 40 C.F.R. 261(a) and (e), as 55224
amended, that is, the "mixture," "derived-from," or "contained-in" 55225
regulations. 55226

(4) A written request for a modification from the permittee 55227
shall be submitted to the director and shall contain such 55228
information as is necessary to support the request. Requests for 55229
modifications shall be acted upon by the director in accordance 55230
with this section and rules adopted under it. 55231

(5) Class 1 modification applications that require prior 55232
approval of the director, as provided in division (I)(1) of this 55233
section or as determined in accordance with rules adopted under 55234
division (K) of this section, Class 2 modification applications, 55235
and Class 3 modification applications that are not described in 55236
divisions (I)(3)(a) to (d) of this section shall be approved or 55237
disapproved by the director in accordance with rules adopted under 55238

division (K) of this section. The board of county commissioners of 55239
the county, the board of township trustees of the township, and 55240
the city manager or mayor of the municipal corporation in which a 55241
hazardous waste facility is located shall receive notification of 55242
any application for a modification for that facility and shall be 55243
considered as interested persons with respect to the director's 55244
consideration of the application. 55245

~~For those modification applications for a transfer of a 55246
permit to a new owner or operator of a facility, the director also 55247
shall determine that, if the transferee owner or operator has been 55248
involved in any prior activity involving the transportation, 55249
treatment, storage, or disposal of hazardous waste, the transferee 55250
owner or operator has a history of compliance with this chapter 55251
and Chapters 3704. and 6111. of the Revised Code and all rules and 55252
standards adopted under them, the "Resource Conservation and 55253
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 55254
amended, and all regulations adopted under it, and similar laws 55255
and rules of another state if the transferee owner or operator 55256
owns or operates a facility in that state, that demonstrates 55257
sufficient reliability, expertise, and competency to operate a 55258
hazardous waste facility under this chapter and Chapters 3704. and 55259
6111. of the Revised Code, all rules and standards adopted under 55260
them, and terms and conditions of a hazardous waste facility 55261
installation and operation permit, given the potential for harm to 55262
the public health and safety and the environment that could result 55263
from the irresponsible operation of the facility. A permit may be 55264
transferred to a new owner or operator only pursuant to a Class 3 55265
permit modification. 55266~~

~~As used in division (I)(5) of this section: 55267~~

~~(a) "Owner" means the person who owns a majority or 55268
controlling interest in a facility. 55269~~

~~(b) "Operator" means the person who is responsible for the 55270~~

~~overall operation of a facility.~~ 55271

The director shall approve or disapprove an application for a 55272
Class 1 modification that requires the director's approval within 55273
sixty days after receiving the request for modification. The 55274
director shall approve or disapprove an application for a Class 2 55275
modification within three hundred days after receiving the request 55276
for modification. The director shall approve or disapprove an 55277
application for a Class 3 modification within three hundred 55278
sixty-five days after receiving the request for modification. 55279

(6) The approval or disapproval by the director of a Class 1 55280
modification application is not a final action that is appealable 55281
under Chapter 3745. of the Revised Code. The approval or 55282
disapproval by the director of a Class 2 modification or a Class 3 55283
modification is a final action that is appealable under that 55284
chapter. In approving or disapproving a request for a 55285
modification, the director shall consider all comments pertaining 55286
to the request that are received during the public comment period 55287
and the public meetings. The administrative record for appeal of a 55288
final action by the director in approving or disapproving a 55289
request for a modification shall include all comments received 55290
during the public comment period relating to the request for 55291
modification, written materials submitted at the public meetings 55292
relating to the request, and any other documents related to the 55293
director's action. 55294

(7) Notwithstanding any other provision of law to the 55295
contrary, a change or alteration to a hazardous waste facility 55296
described in division (E)(3)(a) or (b) of section 3734.02 of the 55297
Revised Code, or its operations, is a modification for the 55298
purposes of this section. An application for a modification at 55299
such a facility shall be submitted, classified, and approved or 55300
disapproved in accordance with divisions (I)(1) to (6) of this 55301
section in the same manner as a modification to a hazardous waste 55302

facility installation and operation permit. 55303

(J)(1) Except as provided in division (J)(2) of this section, 55304
an owner or operator of a hazardous waste facility that is 55305
operating in accordance with a permit by rule under rules adopted 55306
by the director under division (E)(3)(b) of section 3734.02 of the 55307
Revised Code shall submit either a hazardous waste facility 55308
installation and operation permit application for the facility or 55309
a modification application, whichever is required under division 55310
(J)(1)(a) or (b) of this section, within one hundred eighty days 55311
after the director has requested the application or upon a later 55312
date if the owner or operator demonstrates to the director good 55313
cause for the late submittal. 55314

(a) If the owner or operator does not have a hazardous waste 55315
facility installation and operation permit for any hazardous waste 55316
treatment, storage, or disposal activities at the facility, the 55317
owner or operator shall submit an application for such a permit to 55318
the director for the activities authorized by the permit by rule. 55319
Notwithstanding any other provision of law to the contrary, the 55320
director shall approve or disapprove the application for the 55321
permit in accordance with the procedures governing the approval or 55322
disapproval of permit renewals under division (H) of this section. 55323

(b) If the owner or operator has a hazardous waste facility 55324
installation and operation permit for hazardous waste treatment, 55325
storage, or disposal activities at the facility other than those 55326
authorized by the permit by rule, the owner or operator shall 55327
submit to the director a request for modification in accordance 55328
with division (I) of this section. Notwithstanding any other 55329
provision of law to the contrary, the director shall approve or 55330
disapprove the modification application in accordance with 55331
division (I)(5) of this section. 55332

(2) The owner or operator of a boiler or industrial furnace 55333
that is conducting thermal treatment activities in accordance with 55334

a permit by rule under rules adopted by the director under 55335
division (E)(3)(b) of section 3734.02 of the Revised Code shall 55336
submit a hazardous waste facility installation and operation 55337
permit application if the owner or operator does not have such a 55338
permit for any hazardous waste treatment, storage, or disposal 55339
activities at the facility or, if the owner or operator has such a 55340
permit for hazardous waste treatment, storage, or disposal 55341
activities at the facility other than thermal treatment activities 55342
authorized by the permit by rule, a modification application to 55343
add those activities authorized by the permit by rule, whichever 55344
is applicable, within one hundred eighty days after the director 55345
has requested the submission of the application or upon a later 55346
date if the owner or operator demonstrates to the director good 55347
cause for the late submittal. The application shall be accompanied 55348
by information necessary to support the request. The director 55349
shall approve or disapprove an application for a hazardous waste 55350
facility installation and operation permit in accordance with 55351
division (D) of this section and approve or disapprove an 55352
application for a modification in accordance with division (I)(3) 55353
of this section, except that the director shall not disapprove an 55354
application for the thermal treatment activities on the basis of 55355
the criteria set forth in division (D)(2)(g) or (h) of this 55356
section. 55357

(3) As used in division (J) of this section: 55358

(a) "Modification application" means a request for a 55359
modification submitted in accordance with division (I) of this 55360
section. 55361

(b) "Thermal treatment," "boiler," and "industrial furnace" 55362
have the same meanings as in rules adopted under section 3734.12 55363
of the Revised Code. 55364

(K) The director shall adopt, and may amend, suspend, or 55365
rescind, rules in accordance with Chapter 119. of the Revised Code 55366

in order to implement divisions (H) and (I) of this section. 55367
Except when in actual conflict with this section, rules governing 55368
the classification of and procedures for the modification of 55369
hazardous waste facility installation and operation permits shall 55370
be substantively and procedurally identical to the regulations 55371
governing hazardous waste facility permitting and permit 55372
modifications adopted under the "Resource Conservation and 55373
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 55374

Revised Code, or another location at which the director has reason 55423
to believe there is a substantial threat to public health or 55424
safety or the environment. Remediation may include the direct and 55425
indirect costs associated with the overseeing, supervising, 55426
performing, verifying, or reviewing of remediation activities by 55427
agency employees. All investment earnings of the fund shall be 55428
credited to the fund. 55429

The director of environmental protection may enter into contracts and grant agreements with federal, state, or local government agencies, nonprofit organizations, and colleges and universities for the purpose of carrying out the responsibilities of the environmental protection agency for which money may be expended from the fund.

Sec. 3734.282. All money collected by the state for natural resources damages under the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2767, 42 U.S.C. 9601 et seq., as amended, the "Oil Pollution Act of 1990," 104 Stat. 484, 33 U.S.C. 2701 et seq., as amended, the "Clean Water Act," 86 Stat. 862, 33 U.S.C. 1321, as amended, or any other applicable federal or state law shall be paid into the state treasury to the credit of the natural resource damages fund, which is hereby created. Sec. 3734.57. (A) The following fees are hereby levied on the transfer or disposal of solid wastes in this state:

(1) One dollar per ton on and after July 1, 2003, through

June 30, ~~2010~~ 2012, one-half of the proceeds of which shall be 55460
deposited in the state treasury to the credit of the hazardous 55461
waste facility management fund created in section 3734.18 of the 55462
Revised Code and one-half of the proceeds of which shall be 55463
deposited in the state treasury to the credit of the hazardous 55464
waste clean-up fund created in section 3734.28 of the Revised 55465
Code; 55466

(2) An additional one dollar per ton on and after July 1, 55467
2003, through June 30, ~~2010~~ 2012, the proceeds of which shall be 55468
deposited in the state treasury to the credit of the solid waste 55469
fund, which is hereby created. The environmental protection agency 55470
shall use money in the solid waste fund to pay the costs of 55471
administering and enforcing the laws pertaining to solid wastes, 55472
infectious wastes, and construction and demolition debris, 55473
including, without limitation, ground water evaluations related to 55474
solid wastes, infectious wastes, and construction and demolition 55475
debris, under this chapter and Chapter 3714. of the Revised Code 55476
and any rules adopted under them, providing compliance assistance 55477
to small businesses, and paying a share of the administrative 55478
costs of the environmental protection agency pursuant to section 55479
3745.014 of the Revised Code. 55480

(3) An additional one dollar and fifty cents per ton on and 55481
after July 1, 2005, through June 30, ~~2010~~ 2012, the proceeds of 55482

the environmental protection fund created in section 3745.015 of 55484
the Revised Code . 55485

In the case of solid wastes that are taken to a solid waste 55486
transfer facility located in this state prior to being transported 55487
for disposal at a solid waste disposal facility located in this 55488
state or outside of this state, the fees levied under this 55489
division shall be collected by the owner or operator of the 55490
transfer facility as a trustee for the state. The amount of fees 55491

required to be collected under this division at such a transfer 55492
facility shall equal the total tonnage of solid wastes received at 55493
the facility multiplied by the fees levied under this division. In 55494
the case of solid wastes that are not taken to a solid waste 55495
transfer facility located in this state prior to being transported 55496
to a solid waste disposal facility, the fees shall be collected by 55497
the owner or operator of the solid waste disposal facility as a 55498
trustee for the state. The amount of fees required to be collected 55499
under this division at such a disposal facility shall equal the 55500
total tonnage of solid wastes received at the facility that was 55501
not previously taken to a solid waste transfer facility located in 55502
this state multiplied by the fees levied under this division. Fees 55503
levied under this division do not apply to materials separated 55504
from a mixed waste stream for recycling by a generator or 55505
materials removed from the solid waste stream through recycling, 55506
as "recycling" is defined in rules adopted under section 3734.02 55507
of the Revised Code. 55508

The owner or operator of a solid waste transfer facility or 55509
disposal facility, as applicable, shall prepare and file with the 55510
director of environmental protection each month a return 55511
indicating the total tonnage of solid wastes received at the 55512
facility during that month and the total amount of the fees 55513
required to be collected under this division during that month. In 55514
addition, the owner or operator of a solid waste disposal facility 55515
shall indicate on the return the total tonnage of solid wastes 55516
received from transfer facilities located in this state during 55517
that month for which the fees were required to be collected by the 55518
transfer facilities. The monthly returns shall be filed on a form 55519
prescribed by the director. Not later than thirty days after the 55520
last day of the month to which a return applies, the owner or 55521
operator shall mail to the director the return for that month 55522
together with the fees required to be collected under this 55523
division during that month as indicated on the return or may 55524

submit the return and fees electronically in a manner approved by 55525
the director. If the return is filed and the amount of the fees 55526
due is paid in a timely manner as required in this division, the 55527
owner or operator may retain a discount of three-fourths of one 55528
per cent of the total amount of the fees that are required to be 55529
paid as indicated on the return. 55530

The owner or operator may request an extension of not more 55531
than thirty days for filing the return and remitting the fees, 55532
provided that the owner or operator has submitted such a request 55533
in writing to the director together with a detailed description of 55534
why the extension is requested, the director has received the 55535
request not later than the day on which the return is required to 55536
be filed, and the director has approved the request. If the fees 55537
are not remitted within thirty days after the last day of the 55538
month to which the return applies or are not remitted by the last 55539
day of an extension approved by the director, the owner or 55540
operator shall not retain the three-fourths of one per cent 55541
discount and shall pay an additional ten per cent of the amount of 55542
the fees for each month that they are late. For purposes of 55543
calculating the late fee, the first month in which fees are late 55544
begins on the first day after the deadline has passed for timely 55545
submitting the return and fees, and one additional month shall be 55546
counted every thirty days thereafter. 55547

The owner or operator of a solid waste facility may request a 55548
refund or credit of fees levied under this division and remitted 55549
to the director that have not been paid to the owner or operator. 55550
Such a request shall be made only if the fees have not been 55551
collected by the owner or operator, have become a debt that has 55552
become worthless or uncollectable for a period of six months or 55553
more, and may be claimed as a deduction, including a deduction 55554
claimed if the owner or operator keeps accounts on an accrual 55555
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 55556

U.S.C. 166, as amended, and regulations adopted under it. Prior to 55557
making a request for a refund or credit, an owner or operator 55558
shall make reasonable efforts to collect the applicable fees. A 55559
request for a refund or credit shall not include any costs 55560
resulting from those efforts to collect unpaid fees. 55561

A request for a refund or credit of fees shall be made in 55562
writing, on a form prescribed by the director, and shall be 55563
supported by evidence that may be required in rules adopted by the 55564
director under this chapter. After reviewing the request, and if 55565
the request and evidence submitted with the request indicate that 55566
a refund or credit is warranted, the director shall grant a refund 55567
to the owner or operator or shall permit a credit to be taken by 55568
the owner or operator on a subsequent monthly return submitted by 55569
the owner or operator. The amount of a refund or credit shall not 55570
exceed an amount that is equal to ninety days' worth of fees owed 55571
to an owner or operator by a particular debtor of the owner or 55572
operator. A refund or credit shall not be granted by the director 55573
to an owner or operator more than once in any twelve-month period 55574
for fees owed to the owner or operator by a particular debtor. 55575

If, after receiving a refund or credit from the director, an 55576
owner or operator receives payment of all or part of the fees, the 55577
owner or operator shall remit the fees with the next monthly 55578
return submitted to the director together with a written 55579
explanation of the reason for the submittal. 55580

For purposes of computing the fees levied under this division 55581
or division (B) of this section, any solid waste transfer or 55582
disposal facility that does not use scales as a means of 55583
determining gate receipts shall use a conversion factor of three 55584
cubic yards per ton of solid waste or one cubic yard per ton for 55585
baled waste, as applicable. 55586

The fees levied under this division and divisions (B) and (C) 55587
of this section are in addition to all other applicable fees and 55588

taxes and shall be paid by the customer or a political subdivision 55589
to the owner or operator of a solid waste transfer or disposal 55590
facility. In the alternative, the fees shall be paid by a customer 55591
or political subdivision to a transporter of waste who 55592
subsequently transfers the fees to the owner or operator of such a 55593
facility. The fees shall be paid notwithstanding the existence of 55594
any provision in a contract that the customer or a political 55595
subdivision may have with the owner or operator or with a 55596
transporter of waste to the facility that would not require or 55597
allow such payment regardless of whether the contract was entered 55598
prior to or after the effective date of this amendment. For those 55599
purposes, "customer" means a person who contracts with, or 55600
utilizes the solid waste services of, the owner or operator of a 55601
solid waste transfer or disposal facility or a transporter of 55602
solid waste to such a facility. 55603

(B) For the purposes specified in division (G) of this 55604
section, the solid waste management policy committee of a county 55605
or joint solid waste management district may levy fees upon the 55606
following activities: 55607

(1) The disposal at a solid waste disposal facility located 55608
in the district of solid wastes generated within the district; 55609

(2) The disposal at a solid waste disposal facility within 55610
the district of solid wastes generated outside the boundaries of 55611
the district, but inside this state; 55612

(3) The disposal at a solid waste disposal facility within 55613
the district of solid wastes generated outside the boundaries of 55614
this state. 55615

The solid waste management plan of the county or joint 55616
district approved under section 3734.521 or 3734.55 of the Revised 55617
Code and any amendments to it, or the resolution adopted under 55618
this division, as appropriate, shall establish the rates of the 55619

fees levied under divisions (B)(1), (2), and (3) of this section, 55620
if any, and shall specify whether the fees are levied on the basis 55621
of tons or cubic yards as the unit of measurement. A solid waste 55622
management district that levies fees under this division on the 55623
basis of cubic yards shall do so in accordance with division (A) 55624
of this section. 55625

The fee levied under division (B)(1) of this section shall be 55626
not less than one dollar per ton nor more than two dollars per 55627
ton, the fee levied under division (B)(2) of this section shall be 55628
not less than two dollars per ton nor more than four dollars per 55629
ton, and the fee levied under division (B)(3) of this section 55630
shall be not more than the fee levied under division (B)(1) of 55631
this section. 55632

Prior to the approval of the solid waste management plan of a 55633
district under section 3734.55 of the Revised Code, the solid 55634
waste management policy committee of a district may levy fees 55635
under this division by adopting a resolution establishing the 55636
proposed amount of the fees. Upon adopting the resolution, the 55637
committee shall deliver a copy of the resolution to the board of 55638
county commissioners of each county forming the district and to 55639
the legislative authority of each municipal corporation and 55640
township under the jurisdiction of the district and shall prepare 55641
and publish the resolution and a notice of the time and location 55642
where a public hearing on the fees will be held. Upon adopting the 55643
resolution, the committee shall deliver written notice of the 55644
adoption of the resolution; of the amount of the proposed fees; 55645
and of the date, time, and location of the public hearing to the 55646
director and to the fifty industrial, commercial, or institutional 55647
generators of solid wastes within the district that generate the 55648
largest quantities of solid wastes, as determined by the 55649
committee, and to their local trade associations. The committee 55650
shall make good faith efforts to identify those generators within 55651

the district and their local trade associations, but the 55652
nonprovision of notice under this division to a particular 55653
generator or local trade association does not invalidate the 55654
proceedings under this division. The publication shall occur at 55655
least thirty days before the hearing. After the hearing, the 55656
committee may make such revisions to the proposed fees as it 55657
considers appropriate and thereafter, by resolution, shall adopt 55658
the revised fee schedule. Upon adopting the revised fee schedule, 55659
the committee shall deliver a copy of the resolution doing so to 55660
the board of county commissioners of each county forming the 55661
district and to the legislative authority of each municipal 55662
corporation and township under the jurisdiction of the district. 55663
Within sixty days after the delivery of a copy of the resolution 55664
adopting the proposed revised fees by the policy committee, each 55665
such board and legislative authority, by ordinance or resolution, 55666
shall approve or disapprove the revised fees and deliver a copy of 55667
the ordinance or resolution to the committee. If any such board or 55668
legislative authority fails to adopt and deliver to the policy 55669
committee an ordinance or resolution approving or disapproving the 55670
revised fees within sixty days after the policy committee 55671
delivered its resolution adopting the proposed revised fees, it 55672
shall be conclusively presumed that the board or legislative 55673
authority has approved the proposed revised fees. The committee 55674
shall determine if the resolution has been ratified in the same 55675
manner in which it determines if a draft solid waste management 55676
plan has been ratified under division (B) of section 3734.55 of 55677
the Revised Code. 55678

The committee may amend the schedule of fees levied pursuant 55679
to a resolution adopted and ratified under this division by 55680
adopting a resolution establishing the proposed amount of the 55681
amended fees. The committee may repeal the fees levied pursuant to 55682
such a resolution by adopting a resolution proposing to repeal 55683
them. Upon adopting such a resolution, the committee shall proceed 55684

to obtain ratification of the resolution in accordance with this 55685
division. 55686

Not later than fourteen days after declaring the new fees to 55687
be ratified or the fees to be repealed under this division, the 55688
committee shall notify by certified mail the owner or operator of 55689
each solid waste disposal facility that is required to collect the 55690
fees of the ratification and the amount of the fees or of the 55691
repeal of the fees. Collection of any fees shall commence or 55692
collection of repealed fees shall cease on the first day of the 55693
second month following the month in which notification is sent to 55694
the owner or operator. 55695

Fees levied under this division also may be established, 55696
amended, or repealed by a solid waste management policy committee 55697
through the adoption of a new district solid waste management 55698
plan, the adoption of an amended plan, or the amendment of the 55699
plan or amended plan in accordance with sections 3734.55 and 55700
3734.56 of the Revised Code or the adoption or amendment of a 55701
district plan in connection with a change in district composition 55702
under section 3734.521 of the Revised Code. 55703

Not later than fourteen days after the director issues an 55704
order approving a district's solid waste management plan, amended 55705
plan, or amendment to a plan or amended plan that establishes, 55706
amends, or repeals a schedule of fees levied by the district, the 55707
committee shall notify by certified mail the owner or operator of 55708
each solid waste disposal facility that is required to collect the 55709
fees of the approval of the plan or amended plan, or the amendment 55710
to the plan, as appropriate, and the amount of the fees, if any. 55711
In the case of an initial or amended plan approved under section 55712
3734.521 of the Revised Code in connection with a change in 55713
district composition, other than one involving the withdrawal of a 55714
county from a joint district, the committee, within fourteen days 55715
after the change takes effect pursuant to division (G) of that 55716

section, shall notify by certified mail the owner or operator of 55717
each solid waste disposal facility that is required to collect the 55718
fees that the change has taken effect and of the amount of the 55719
fees, if any. Collection of any fees shall commence or collection 55720
of repealed fees shall cease on the first day of the second month 55721
following the month in which notification is sent to the owner or 55722
operator. 55723

If, in the case of a change in district composition involving 55724
the withdrawal of a county from a joint district, the director 55725
completes the actions required under division (G)(1) or (3) of 55726
section 3734.521 of the Revised Code, as appropriate, forty-five 55727
days or more before the beginning of a calendar year, the policy 55728
committee of each of the districts resulting from the change that 55729
obtained the director's approval of an initial or amended plan in 55730
connection with the change, within fourteen days after the 55731
director's completion of the required actions, shall notify by 55732
certified mail the owner or operator of each solid waste disposal 55733
facility that is required to collect the district's fees that the 55734
change is to take effect on the first day of January immediately 55735
following the issuance of the notice and of the amount of the fees 55736
or amended fees levied under divisions (B)(1) to (3) of this 55737
section pursuant to the district's initial or amended plan as so 55738
approved or, if appropriate, the repeal of the district's fees by 55739
that initial or amended plan. Collection of any fees set forth in 55740
such a plan or amended plan shall commence on the first day of 55741
January immediately following the issuance of the notice. If such 55742
an initial or amended plan repeals a schedule of fees, collection 55743
of the fees shall cease on that first day of January. 55744

If, in the case of a change in district composition involving 55745
the withdrawal of a county from a joint district, the director 55746
completes the actions required under division (G)(1) or (3) of 55747
section 3734.521 of the Revised Code, as appropriate, less than 55748

forty-five days before the beginning of a calendar year, the 55749
director, on behalf of each of the districts resulting from the 55750
change that obtained the director's approval of an initial or 55751
amended plan in connection with the change proceedings, shall 55752
notify by certified mail the owner or operator of each solid waste 55753
disposal facility that is required to collect the district's fees 55754
that the change is to take effect on the first day of January 55755
immediately following the mailing of the notice and of the amount 55756
of the fees or amended fees levied under divisions (B)(1) to (3) 55757
of this section pursuant to the district's initial or amended plan 55758
as so approved or, if appropriate, the repeal of the district's 55759
fees by that initial or amended plan. Collection of any fees set 55760
forth in such a plan or amended plan shall commence on the first 55761
day of the second month following the month in which notification 55762
is sent to the owner or operator. If such an initial or amended 55763
plan repeals a schedule of fees, collection of the fees shall 55764
cease on the first day of the second month following the month in 55765
which notification is sent to the owner or operator. 55766

If the schedule of fees that a solid waste management 55767
district is levying under divisions (B)(1) to (3) of this section 55768
is amended or repealed, the fees in effect immediately prior to 55769
the amendment or repeal shall continue to be collected until 55770
collection of the amended fees commences or collection of the 55771
repealed fees ceases, as applicable, as specified in this 55772
division. In the case of a change in district composition, money 55773
so received from the collection of the fees of the former 55774
districts shall be divided among the resulting districts in 55775
accordance with division (B) of section 343.012 of the Revised 55776
Code and the agreements entered into under division (B) of section 55777
343.01 of the Revised Code to establish the former and resulting 55778
districts and any amendments to those agreements. 55779

For the purposes of the provisions of division (B) of this 55780

section establishing the times when newly established or amended 55781
fees levied by a district are required to commence and the 55782
collection of fees that have been amended or repealed is required 55783
to cease, "fees" or "schedule of fees" includes, in addition to 55784
fees levied under divisions (B)(1) to (3) of this section, those 55785
levied under section 3734.573 or 3734.574 of the Revised Code. 55786

(C) For the purposes of defraying the added costs to a 55787
municipal corporation or township of maintaining roads and other 55788
public facilities and of providing emergency and other public 55789
services, and compensating a municipal corporation or township for 55790
reductions in real property tax revenues due to reductions in real 55791
property valuations resulting from the location and operation of a 55792
solid waste disposal facility within the municipal corporation or 55793
township, a municipal corporation or township in which such a 55794
solid waste disposal facility is located may levy a fee of not 55795
more than twenty-five cents per ton on the disposal of solid 55796
wastes at a solid waste disposal facility located within the 55797
boundaries of the municipal corporation or township regardless of 55798
where the wastes were generated. 55799

The legislative authority of a municipal corporation or 55800
township may levy fees under this division by enacting an 55801
ordinance or adopting a resolution establishing the amount of the 55802
fees. Upon so doing the legislative authority shall mail a 55803
certified copy of the ordinance or resolution to the board of 55804
county commissioners or directors of the county or joint solid 55805
waste management district in which the municipal corporation or 55806
township is located or, if a regional solid waste management 55807
authority has been formed under section 343.011 of the Revised 55808
Code, to the board of trustees of that regional authority, the 55809
owner or operator of each solid waste disposal facility in the 55810
municipal corporation or township that is required to collect the 55811
fee by the ordinance or resolution, and the director of 55812

environmental protection. Although the fees levied under this 55813
division are levied on the basis of tons as the unit of 55814
measurement, the legislative authority, in its ordinance or 55815
resolution levying the fees under this division, may direct that 55816
the fees be levied on the basis of cubic yards as the unit of 55817
measurement based upon a conversion factor of three cubic yards 55818
per ton generally or one cubic yard per ton for baled wastes. 55819

Not later than five days after enacting an ordinance or 55820
adopting a resolution under this division, the legislative 55821
authority shall so notify by certified mail the owner or operator 55822
of each solid waste disposal facility that is required to collect 55823
the fee. Collection of any fee levied on or after March 24, 1992, 55824
shall commence on the first day of the second month following the 55825
month in which notification is sent to the owner or operator. 55826

(D)(1) The fees levied under divisions (A), (B), and (C) of 55827
this section do not apply to the disposal of solid wastes that: 55828

(a) Are disposed of at a facility owned by the generator of 55829
the wastes when the solid waste facility exclusively disposes of 55830
solid wastes generated at one or more premises owned by the 55831
generator regardless of whether the facility is located on a 55832
premises where the wastes are generated; 55833

(b) Are disposed of at facilities that exclusively dispose of 55834
wastes that are generated from the combustion of coal, or from the 55835
combustion of primarily coal in combination with scrap tires, that 55836
is not combined in any way with garbage at one or more premises 55837
owned by the generator. 55838

include the cost of licensing, all inspections, and other costs 56277
associated with the administration of the scrap tire provisions of 56278
this chapter and rules adopted under them. Each license shall 56279
specify that it is conditioned upon payment of the applicable fee 56280

The fund shall consist of all federal moneys received by the 56300
environmental protection agency for the scrap tire management 56301
program; all grants, gifts, and contributions made to the director 56302
for that program; and all other moneys that may be provided by law 56303
for that program. The director shall use moneys in the fund as 56304

~~conducting them are reasonable. Controlling board approval is not~~ 56347
~~required for grants made to boards of health under section~~ 56348
~~3734.042 of the Revised Code.~~ 56349

The director shall expend the remaining excess moneys in the scrap tire management fund to conduct removal actions under section 3734.85 of the Revised Code in accordance with the procedures established under division (I) of this section.~~

~~(I) After the actions in divisions (G)(1) to (3) and (H) of this section are completed during each prior fiscal year, the director may expend up to the balance remaining from prior fiscal years in the scrap tire management fund to conduct removal actions under section 3734.85 of the Revised Code. Prior to using any moneys in the fund for that purpose in a fiscal year, the director shall request the approval of the controlling board for that use of the moneys. thirty days from October 29, 1993, through June 30, 2011. 56397

(2) Beginning on September 5, 2001, and ending on June 30, 56398
2011, there is hereby levied an additional fee of fifty cents per 56399
tire on the sale of tires the proceeds of which shall be deposited 56400
in the state treasury to the credit of the scrap tire management 56401
fund ~~created in section 3734.82 of the Revised Code~~ and be used 56402
exclusively for the purposes specified in division (G)(3) of that 56403
section. 56404

(B) Only one sale of the same article shall be used in 56405
computing the amount of the fee due. 56406

Sec. 3734.9010. Two per cent of all amounts paid to the 56407

derived from fire insurance and that portion of the premium 56421
reasonably allocable to insurance against the hazard of fire 56422
included in other coverages except life and sickness and accident 56423
insurance, after deducting return premiums paid and considerations 56424
received for reinsurances as shown by the annual statement of such 56425
company made pursuant to sections 3929.30, 3931.06, and 5729.02 of 56426
the Revised Code. The money received shall be paid into the state 56427

(4) The fees assessed under division (D)(1) of this section
shall be collected annually no sooner than the fifteenth day of
April, commencing in 1995. The fees assessed under division (D)(2)
of this section shall be collected annually no sooner than the
fifteenth day of April, commencing in 2005. The fees assessed
under division (D)(3) of this section shall be collected no sooner
than the fifteenth day of April, commencing in 2000. The fees
assessed under division (D) of this section in a calendar year
shall be based upon the sum of the actual emissions of those
regulated pollutants during the preceding calendar year. For the
purpose of division (D) of this section, emissions of air
contaminants may be calculated using engineering calculations,
emission factors, material balance calculations, or performance

testing procedures, as authorized by the director. The director, 56664
by rule, may require persons who are required to pay the fees 56665
assessed under division (D) of this section to pay those fees 56666
biennially rather than annually. 56667

(E)(1) Consistent with the need to cover the reasonable costs 56668
of the Title V permit program, the director annually shall 56669
increase the fees prescribed in division (C)(1) of this section by 56670
the percentage, if any, by which the consumer price index for the 56671
most recent calendar year ending before the beginning of a year 56672
exceeds the consumer price index for calendar year 1989. Upon 56673
calculating an increase in fees authorized by division (E)(1) of 56674
this section, the director shall compile revised fee schedules for 56675
the purposes of division (C)(1) of this section and shall make the 56676
revised schedules available to persons required to pay the fees 56677
assessed under that division and to the public. 56678

(2) For the purposes of division (E)(1) of this section: 56679

(a) The consumer price index for any year is the average of 56680
the consumer price index for all urban consumers published by the 56681
United States department of labor as of the close of the 56682
twelve-month period ending on the thirty-first day of August of 56683
that year. 56684

(b) If the 1989 consumer price index is revised, the director 56685
shall use the revision of the consumer price index that is most 56686
consistent with that for calendar year 1989. 56687

(F) Each person who is issued a permit to install pursuant to 56688
rules adopted under division (F) of section 3704.03 of the Revised 56689

disposes of the sewage sludge shall pay the annual sludge fee. 57487
However, the facility transferring the sewage sludge shall pay the 57488
one-hundred-dollar minimum fee required under division (Y)(2)(a) 57489
of this section. 57490

In the case of a sewage sludge facility that treats sewage 57491
sludge in this state and transfers it out of this state to another 57492
entity for disposal, the sewage sludge facility in this state 57493
shall be required to pay the annual sludge fee for the tons of 57494
sewage sludge that have been transferred. 57495

(4)(a) In the case of an entity that generates sewage sludge 57513
or a sewage sludge facility that treats sewage sludge and 57514
transfers the sewage sludge to an incineration facility for 57515
disposal, the incineration facility, and not the entity generating 57516
the sewage sludge or the sewage sludge facility treating the 57517
sewage sludge, shall pay the annual sludge fee for the tons of 57518
sewage sludge that are transferred. However, the entity or 57519

objections to the director concerning the accuracy of information 57539
regarding the number of dry tons of sewage sludge used to 57540
calculate the amount of the annual sludge fee or regarding whether 57541
the sewage sludge qualifies for the exceptional quality sludge 57542

discount established in division (Y)(2)(b) of this section. The 57543
director may consider the objections and adjust the amount of the 57544
fee to ensure that it is accurate. 57545

If the director does not adjust the amount of the annual 57546
sludge fee in response to a person's objections, the person may 57547
appeal the director's determination in accordance with Chapter 57548

storage, treatment, or disposal of sewage sludge. 57569

(7) Beginning in fiscal year 2001, and every two years 57570
thereafter, the director shall review the total amount of moneys 57571
generated by the annual sludge fees to determine if that amount 57572
exceeded six hundred thousand dollars in either of the two 57573

exceeded six hundred thousand dollars in either fiscal year, the 57575
director, after review of the fee structure and consultation with 57576
affected persons, shall issue an order reducing the amount of the 57577
fees levied under division (Y) of this section so that the 57578
estimated amount of moneys resulting from the fees will not exceed 57579
six hundred thousand dollars in any fiscal year. 57580

If, upon review of the fees under division (Y)(7) of this 57581
section and after the fees have been reduced, the director 57582
determines that the total amount of moneys collected and 57583
accumulated is less than six hundred thousand dollars, the 57584
director, after review of the fee structure and consultation with 57585
affected persons, may issue an order increasing the amount of the 57586
fees levied under division (Y) of this section so that the 57587
estimated amount of moneys resulting from the fees will be 57588
approximately six hundred thousand dollars. Fees shall never be 57589
increased to an amount exceeding the amount specified in division 57590
(Y)(7) of this section. 57591

Notwithstanding section 119.06 of the Revised Code, the 57592
director may issue an order under division (Y)(7) of this section 57593
without the necessity to hold an adjudicatory hearing in 57594

Procedure to the landlord or the landlord's agent for the property 57890
at the property's management office, or at the place where the 57891
tenants normally pay or send rent. If the landlord is not the 57892
owner of record, the party bringing the action shall make a 57893
reasonable attempt to serve the owner. If the owner does not 57894
receive service the person bringing the action shall certify the 57895
attempts to serve the owner. 57896

(2)(a) In a civil action described in division (B)(1) of this 57897
section, a copy of the complaint and a notice of the date and time 57898
of a hearing on the complaint shall be served upon the owner of 57899
the building and all other interested parties in accordance with 57900
the Rules of Civil Procedure. If certified mail service, personal 57901
service, or residence service of the complaint and notice is 57902
refused or certified mail service of the complaint and notice is 57903
not claimed, and if the municipal corporation, township, neighbor, 57904
tenant, or nonprofit corporation commencing the action makes a 57905
written request for ordinary mail service of the complaint and 57906
notice, or uses publication service, in accordance with the Rules 57907
of Civil Procedure, then a copy of the complaint and notice shall 57908
be posted in a conspicuous place on the building. 57909

(b) The judge in a civil action described in division (B)(1) 57910
of this section shall conduct a hearing at least twenty-eight days 57911
after the owner of the building and the other interested parties 57912
have been served with a copy of the complaint and the notice of 57913

the date and time of the hearing in accordance with division 57914
(B)(2)(a) of this section. 57915

(c) In considering whether subsidized housing is a public 57916
nuisance, the judge shall construe the standards set forth in 57917
division (A)(2)(b) of this section in a manner consistent with 57918
department of housing and urban development and judicial 57919
interpretations of those standards. The judge shall deem that the 57920
property is not a public nuisance if during the twelve months 57921
prior to the service of the notice that division (B)(1)(b) of this 57922
section requires, the department of housing and urban 57923
development's real estate assessment center issued a score of 57924
seventy-five or higher out of a possible one hundred points 57925
pursuant to its regulations governing the physical condition of 57926
multifamily properties pursuant to 24 C.F.R. part 200, subpart P, 57927
and since the most recent inspection, there has been no 57928
significant change in the property's conditions that would create 57929
a serious threat to the health, safety, or welfare of the 57930
property's tenants. 57931

(C)(1) If the judge in a civil action described in division 57932
(B)(1) of this section finds at the hearing required by division 57933
(B)(2) of this section that the building involved is a public 57934
nuisance, if the judge additionally determines that the owner of 57935
the building previously has not been afforded a reasonable 57936
opportunity to abate the public nuisance or has been afforded such 57937
an opportunity and has not refused or failed to abate the public 57938
nuisance, and if the complaint of the municipal corporation, 57939
township, neighbor, tenant, or nonprofit corporation commencing 57940
the action requested the issuance of an injunction as described in 57941
this division, then the judge may issue an injunction requiring 57942
the owner of the building to abate the public nuisance or issue 57943
any other order that the judge considers necessary or appropriate 57944
to cause the abatement of the public nuisance. If an injunction is 57945

issued pursuant to this division, the owner of the building 57946
involved shall be given no more than thirty days from the date of 57947
the entry of the judge's order to comply with the injunction, 57948
unless the judge, for good cause shown, extends the time for 57949
compliance. 57950

(2) If the judge in a civil action described in division 57951
(B)(1) of this section finds at the hearing required by division 57952
(B)(2) of this section that the building involved is a public 57953
nuisance, if the judge additionally determines that the owner of 57954
the building previously has been afforded a reasonable opportunity 57955
to abate the public nuisance and has refused or failed to do so, 57956
and if the complaint of the municipal corporation, township, 57957
neighbor, tenant, or nonprofit corporation commencing the action 57958
requested relief as described in this division, then the judge 57959
shall offer any mortgagee, lienholder, or other interested party 57960
associated with the property on which the building is located, in 57961
the order of the priority of interest in title, the opportunity to 57962
undertake the work and to furnish the materials necessary to abate 57963
the public nuisance. Prior to selecting any interested party, the 57964
judge shall require the interested party to demonstrate the 57965
ability to promptly undertake the work and furnish the materials 57966
required, to provide the judge with a viable financial and 57967
construction plan for the rehabilitation of the building as 57968
described in division (D) of this section, and to post security 57969
for the performance of the work and the furnishing of the 57970
materials. 57971

If the judge determines, at the hearing, that no interested 57972
party is willing or able to undertake the work and to furnish the 57973
materials necessary to abate the public nuisance, or if the judge 57974
determines, at any time after the hearing, that any party who is 57975
undertaking corrective work pursuant to this division cannot or 57976
will not proceed, or has not proceeded with due diligence, the 57977

judge may appoint a receiver pursuant to division (C)(3) of this 57978
section to take possession and control of the building. 57979

(3)(a) The judge in a civil action described in division 57980
(B)(1) of this section shall not appoint any person as a receiver 57981
unless the person first has provided the judge with a viable 57982
financial and construction plan for the rehabilitation of the 57983
building involved as described in division (D) of this section and 57984
has demonstrated the capacity and expertise to perform the 57985
required work and to furnish the required materials in a 57986
satisfactory manner. An appointed receiver may be a financial 57987
institution that possesses an interest of record in the building 57988
or the property on which it is located, a nonprofit corporation as 57989
described in divisions (B)(1) and (C)(3)(b) of this section, 57990
including, but not limited to, a nonprofit corporation that 57991
commenced the action described in division (B)(1) of this section, 57992
or any other qualified property manager. 57993

(b) To be eligible for appointment as a receiver, no part of 57994
the net earnings of a nonprofit corporation shall inure to the 57995
benefit of any private shareholder or individual. Membership on 57996
the board of trustees of a nonprofit corporation appointed as a 57997
receiver does not constitute the holding of a public office or 57998
employment within the meaning of sections 731.02 and 731.12 or any 57999
other section of the Revised Code and does not constitute a direct 58000
or indirect interest in a contract or expenditure of money by any 58001
municipal corporation. A member of a board of trustees of a 58002
nonprofit corporation appointed as a receiver shall not be 58003
disqualified from holding any public office or employment, and 58004
shall not forfeit any public office or employment, by reason of 58005
membership on the board of trustees, notwithstanding any law to 58006
the contrary. 58007

(D) Prior to ordering any work to be undertaken, or the 58008
furnishing of any materials, to abate a public nuisance under this 58009

section, the judge in a civil action described in division (B)(1) 58010
of this section shall review the submitted financial and 58011
construction plan for the rehabilitation of the building involved 58012
and, if it specifies all of the following, shall approve that 58013
plan: 58014

(1) The estimated cost of the labor, materials, and any other 58015
development costs that are required to abate the public nuisance; 58016

(2) The estimated income and expenses of the building and the 58017
property on which it is located after the furnishing of the 58018
materials and the completion of the repairs and improvements; 58019

(3) The terms, conditions, and availability of any financing 58020
that is necessary to perform the work and to furnish the 58021
materials; 58022

(4) If repair and rehabilitation of the building are found 58023
not to be feasible, the cost of demolition of the building or of 58024
the portions of the building that constitute the public nuisance. 58025

(E) Upon the written request of any of the interested parties 58026
to have a building, or portions of a building, that constitute a 58027
public nuisance demolished because repair and rehabilitation of 58028
the building are found not to be feasible, the judge may order the 58029
demolition. However, the demolition shall not be ordered unless 58030
the requesting interested parties have paid the costs of 58031
demolition and, if any, of the receivership, and, if any, all 58032
notes, certificates, mortgages, and fees of the receivership. 58033

(F) Before proceeding with the duties of receiver, any 58034
receiver appointed by the judge in a civil action described in 58035
division (B)(1) of this section may be required by the judge to 58036
post a bond in an amount fixed by the judge, but not exceeding the 58037
value of the building involved as determined by the judge. 58038

The judge may empower the receiver to do any or all of the 58039
following: 58040

- (1) Take possession and control of the building and the property on which it is located, operate and manage the building and the property, establish and collect rents and income, lease and rent the building and the property, and evict tenants; 58041
58042
58043
58044
- (2) Pay all expenses of operating and conserving the building and the property, including, but not limited to, the cost of electricity, gas, water, sewerage, heating fuel, repairs and supplies, custodian services, taxes and assessments, and insurance premiums, and hire and pay reasonable compensation to a managing agent; 58045
58046
58047
58048
58049
58050
- (3) Pay pre-receivership mortgages or installments of them and other liens; 58051
58052
- (4) Perform or enter into contracts for the performance of all work and the furnishing of materials necessary to abate, and obtain financing for the abatement of, the public nuisance; 58053
58054
58055
- (5) Pursuant to court order, remove and dispose of any personal property abandoned, stored, or otherwise located in or on the building and the property that creates a dangerous or unsafe condition or that constitutes a violation of any local building, housing, air pollution, sanitation, health, fire, zoning, or safety code, ordinance, or regulation; 58056
58057
58058
58059
58060
58061
- (6) Obtain mortgage insurance for any receiver's mortgage from any agency of the federal government; 58062
58063
- (7) Enter into any agreement and do those things necessary to maintain and preserve the building and the property and comply with all local building, housing, air pollution, sanitation, health, fire, zoning, or safety codes, ordinances, resolutions, and regulations; 58064
58065
58066
58067
58068
- (8) Give the custody of the building and the property, and the opportunity to abate the nuisance and operate the property, to its owner or any mortgagee or lienholder of record; 58069
58070
58071

(9) Issue notes and secure them by a mortgage bearing 58072
interest, and upon terms and conditions, that the judge approves. 58073
When sold or transferred by the receiver in return for valuable 58074
consideration in money, material, labor, or services, the notes or 58075
certificates shall be freely transferable. Any mortgages granted 58076
by the receiver shall be superior to any claims of the receiver. 58077
Priority among the receiver's mortgages shall be determined by the 58078
order in which they are recorded. 58079

(G) A receiver appointed pursuant to this section is not 58080
personally liable except for misfeasance, malfeasance, or 58081
nonfeasance in the performance of the functions of the office of 58082
receiver. 58083

(H)(1) The judge in a civil action described in division 58084
(B)(1) of this section may assess as court costs, the expenses 58085
described in division (F)(2) of this section, and may approve 58086
receiver's fees to the extent that they are not covered by the 58087
income from the property. Subject to that limitation, a receiver 58088
appointed pursuant to divisions (C)(2) and (3) of this section is 58089
entitled to receive fees in the same manner and to the same extent 58090
as receivers appointed in actions to foreclose mortgages. 58091

(2)(a) Pursuant to the police powers vested in the state, all 58092
expenditures of a mortgagee, lienholder, or other interested party 58093
that has been selected pursuant to division (C)(2) of this section 58094
to undertake the work and to furnish the materials necessary to 58095
abate a public nuisance, and any expenditures in connection with 58096
the foreclosure of the lien created by this division, is a first 58097
lien upon the building involved and the property on which it is 58098
located and is superior to all prior and subsequent liens or other 58099
encumbrances associated with the building or the property, 58100
including, but not limited to, those for taxes and assessments, 58101
upon the occurrence of both of the following: 58102

(i) The prior approval of the expenditures by, and the entry 58103

of a judgment to that effect by, the judge in the civil action 58104
described in division (B)(1) of this section; 58105

(ii) The recordation of a certified copy of the judgment 58106
entry and a sufficient description of the property on which the 58107
building is located with the county recorder in the county in 58108
which the property is located within sixty days after the date of 58109
the entry of the judgment. 58110

(b) Pursuant to the police powers vested in the state, all 58111
expenses and other amounts paid in accordance with division (F) of 58112
this section by a receiver appointed pursuant to divisions (C)(2) 58113
and (3) of this section, the amounts of any notes issued by the 58114
receiver in accordance with division (F) of this section, all 58115
mortgages granted by the receiver in accordance with that 58116
division, the fees of the receiver approved pursuant to division 58117
(H)(1) of this section, and any amounts expended in connection 58118
with the foreclosure of a mortgage granted by the receiver in 58119
accordance with division (F) of this section or with the 58120
foreclosure of the lien created by this division, are a first lien 58121
upon the building involved and the property on which it is located 58122
and are superior to all prior and subsequent liens or other 58123
encumbrances associated with the building or the property, 58124
including, but not limited to, those for taxes and assessments, 58125
upon the occurrence of both of the following: 58126

(i) The approval of the expenses, amounts, or fees by, and 58127
the entry of a judgment to that effect by, the judge in the civil 58128
action described in division (B)(1) of this section; or the 58129
approval of the mortgages in accordance with division (F)(9) of 58130
this section by, and the entry of a judgment to that effect by, 58131
that judge; 58132

(ii) The recordation of a certified copy of the judgment 58133
entry and a sufficient description of the property on which the 58134
building is located, or, in the case of a mortgage, the 58135

recording of the mortgage, a certified copy of the judgment 58136
entry, and such a description, with the county recorder of the 58137
county in which the property is located within sixty days after 58138
the date of the entry of the judgment. 58139

(c) Priority among the liens described in divisions (H)(2)(a) 58140
and (b) of this section shall be determined as described in 58141
division (I) of this section. Additionally, the creation pursuant 58142
to this section of a mortgage lien that is prior to or superior to 58143
any mortgage of record at the time the mortgage lien is so 58144
created, does not disqualify the mortgage of record as a legal 58145
investment under Chapter 1107. or 1151. or any other chapter of 58146
the Revised Code. 58147

(I)(1) If a receiver appointed pursuant to divisions (C)(2) 58148
and (3) of this section files with the judge in the civil action 58149
described in division (B)(1) of this section a report indicating 58150
that the public nuisance has been abated, if the judge confirms 58151
that the receiver has abated the public nuisance, and if the 58152
receiver or any interested party requests the judge to enter an 58153
order directing the receiver to sell the building and the property 58154
on which it is located, the judge may enter that order after 58155
holding a hearing as described in division (I)(2) of this section 58156
and otherwise complying with that division. 58157

(2)(a) The receiver or interested party requesting an order 58158
as described in division (I)(1) of this section shall cause a 58159
notice of the date and time of a hearing on the request to be 58160
served on the owner of the building involved and all other 58161
interested parties in accordance with division (B)(2)(a) of this 58162
section. The judge in the civil action described in division 58163
(B)(1) of this section shall conduct the scheduled hearing. At the 58164
hearing, if the owner or any interested party objects to the sale 58165
of the building and the property, the burden of proof shall be 58166
upon the objecting person to establish, by a preponderance of the 58167

evidence, that the benefits of not selling the building and the property outweigh the benefits of selling them. If the judge determines that there is no objecting person, or if the judge determines that there is one or more objecting persons but no objecting person has sustained the burden of proof specified in this division, the judge may enter an order directing the receiver to offer the building and the property for sale upon terms and conditions that the judge shall specify.

(b) In any sale of subsidized housing that is ordered pursuant to this section, the judge shall specify that the subsidized housing not be conveyed unless that conveyance complies with applicable federal law and applicable program contracts for that housing. Any such conveyance shall be subject to the condition that the purchaser enter into a contract with the department of housing and urban development or the rural housing service of the federal department of agriculture under which the property continues to be subsidized housing and the owner continues to operate that property as subsidized housing unless the secretary of housing and urban development or the administrator of the rural housing service terminates that property's contract prior to or upon the conveyance of the property.

(3) If a sale of a building and the property on which it is located is ordered pursuant to divisions (I)(1) and (2) of this section and if the sale occurs in accordance with the terms and conditions specified by the judge in the judge's order of sale, then the receiver shall distribute the proceeds of the sale and the balance of any funds that the receiver may possess, after the payment of the costs of the sale, in the following order of priority and in the described manner:

(a) First, in satisfaction of any notes issued by the receiver pursuant to division (F) of this section, in their order

of priority; 58200

(b) Second, any unreimbursed expenses and other amounts paid 58201
in accordance with division (F) of this section by the receiver, 58202
and the fees of the receiver approved pursuant to division (H)(1) 58203
of this section; 58204

(c) Third, all expenditures of a mortgagee, lienholder, or 58205
other interested party that has been selected pursuant to division 58206
(C)(2) of this section to undertake the work and to furnish the 58207
materials necessary to abate a public nuisance, provided that the 58208
expenditures were approved as described in division (H)(2)(a) of 58209
this section and provided that, if any such interested party 58210
subsequently became the receiver, its expenditures shall be paid 58211
prior to the expenditures of any of the other interested parties 58212
so selected; 58213

(d) Fourth, the amount due for delinquent taxes, assessments, 58214
charges, penalties, and interest owed to this state or a political 58215
subdivision of this state, provided that, if the amount available 58216
for distribution pursuant to division (I)(3)(d) of this section is 58217
insufficient to pay the entire amount of those taxes, assessments, 58218
charges, penalties, and interest, the proceeds and remaining funds 58219
shall be paid to each claimant in proportion to the amount of 58220
those taxes, assessments, charges, penalties, and interest that 58221
each is due. 58222

(e) The amount of any pre-receivership mortgages, liens, or 58223
other encumbrances, in their order of priority. 58224

(4) Following a distribution in accordance with division 58225
(I)(3) of this section, the receiver shall request the judge in 58226
the civil action described in division (B)(1) of this section to 58227
enter an order terminating the receivership. If the judge 58228
determines that the sale of the building and the property on which 58229
it is located occurred in accordance with the terms and conditions 58230

specified by the judge in the judge's order of sale under division 58231
(I)(2) of this section and that the receiver distributed the 58232
proceeds of the sale and the balance of any funds that the 58233
receiver possessed, after the payment of the costs of the sale, in 58234
accordance with division (I)(3) of this section, and if the judge 58235
approves any final accounting required of the receiver, the judge 58236
may terminate the receivership. 58237

(J)(1) A receiver appointed pursuant to divisions (C)(2) and 58238
(3) of this section may be discharged at any time in the 58239
discretion of the judge in the civil action described in division 58240
(B)(1) of this section. The receiver shall be discharged by the 58241
judge as provided in division (I)(4) of this section, or when all 58242
of the following have occurred: 58243

(a) The public nuisance has been abated; 58244

(b) All costs, expenses, and approved fees of the 58245
receivership have been paid; 58246

(c) Either all receiver's notes issued and mortgages granted 58247
pursuant to this section have been paid, or all the holders of the 58248
notes and mortgages request that the receiver be discharged. 58249

(2) If a judge in a civil action described in division (B)(1) 58250
of this section determines that, and enters of record a 58251
declaration that, a public nuisance has been abated by a receiver, 58252
and if, within three days after the entry of the declaration, all 58253
costs, expenses, and approved fees of the receivership have not 58254
been paid in full, then, in addition to the circumstances 58255
specified in division (I) of this section for the entry of such an 58256
order, the judge may enter an order directing the receiver to sell 58257
the building involved and the property on which it is located. Any 58258
such order shall be entered, and the sale shall occur, only in 58259
compliance with division (I) of this section. 58260

(K) The title in any building, and in the property on which 58261

it is located, that is sold at a sale ordered under division (I) 58262
or (J)(2) of this section shall be incontestable in the purchaser 58263
and shall be free and clear of all liens for delinquent taxes, 58264
assessments, charges, penalties, and interest owed to this state 58265
or any political subdivision of this state, that could not be 58266
satisfied from the proceeds of the sale and the remaining funds in 58267
the receiver's possession pursuant to the distribution under 58268
division (I)(3) of this section. All other liens and encumbrances 58269
with respect to the building and the property shall survive the 58270
sale, including, but not limited to, a federal tax lien notice 58271
properly filed in accordance with section 317.09 of the Revised 58272
Code prior to the time of the sale, and the easements and 58273
covenants of record running with the property that were created 58274
prior to the time of the sale. 58275

(L)(1) Nothing in this section shall be construed as a 58276
limitation upon the powers granted to a court of common pleas, a 58277
municipal court or a housing or environmental division of a 58278
municipal court under Chapter 1901. of the Revised Code, or a 58279
county court under Chapter 1907. of the Revised Code. 58280

(2) The monetary and other limitations specified in Chapters 58281
1901. and 1907. of the Revised Code upon the jurisdiction of 58282
municipal and county courts, and of housing or environmental 58283
divisions of municipal courts, in civil actions do not operate as 58284
limitations upon any of the following: 58285

(a) Expenditures of a mortgagee, lienholder, or other 58286
interested party that has been selected pursuant to division 58287
(C)(2) of this section to undertake the work and to furnish the 58288
materials necessary to abate a public nuisance; 58289

(b) Any notes issued by a receiver pursuant to division (F) 58290
of this section; 58291

(c) Any mortgage granted by a receiver in accordance with 58292

division (F) of this section;	58293
(d) Expenditures in connection with the foreclosure of a mortgage granted by a receiver in accordance with division (F) of this section;	58294 58295 58296
(e) The enforcement of an order of a judge entered pursuant to this section;	58297 58298
(f) The actions that may be taken pursuant to this section by a receiver or a mortgagee, lienholder, or other interested party that has been selected pursuant to division (C)(2) of this section to undertake the work and to furnish the materials necessary to abate a public nuisance.	58299 58300 58301 58302 58303
(3) A judge in a civil action described in division (B)(1) of this section, or the judge's successor in office, has continuing jurisdiction to review the condition of any building that was determined to be a public nuisance pursuant to this section.	58304 58305 58306 58307
<u>(4) Nothing in this section shall be construed to limit or prohibit a municipal corporation or township that has filed with the superintendent of insurance a certified copy of an adopted resolution, ordinance, or regulation authorizing the procedures described in divisions (C) and (D) of section 3929.86 of the Revised Code from receiving insurance proceeds under section 3929.86 of the Revised Code.</u>	58308 58309 58310 58311 58312 58313 58314

(F) The director of the state lottery commission shall 58383
request the bureau of criminal identification and investigation, 58384
the department of public safety, or any other state, local, or 58385

any applicant for a lottery sales agent license, and may 58387
periodically request the criminal records of any person to whom a 58388
lottery sales agent license has been issued. At or prior to the 58389
time of making such a request, the director shall require an 58390
applicant or licensee to obtain fingerprint impressions on 58391
fingerprint cards prescribed by the superintendent of the bureau 58392
of criminal identification and investigation at a qualified law 58393
enforcement agency, and the director shall cause those fingerprint 58394
cards to be forwarded to the bureau of criminal identification and 58395

fingerprint cards. 58398

The director shall pay to each agency supplying criminal 58399
records for each investigation a reasonable fee, as determined by 58400
the agency. 58401

The commission may adopt uniform rules specifying time 58402

(5) and (D)(1) to (4) of this section may be issued a license and 58404

(G)(1) Each applicant for a lottery sales agent license shall 58407
do both of the following: 58408

(a) Pay to the state lottery commission, at the time the 58409
application is submitted, a fee in an amount that the director of 58410
the state lottery commission determines by rule adopted under 58411
Chapter 119. of the Revised Code and that the controlling board 58412
approves; 58413

(b) Prior to approval of the application, obtain a surety bond in an amount the director determines by rule adopted under Chapter 119. of the Revised Code or, alternatively, with the director's approval, deposit the same amount into a dedicated account for the benefit of the state lottery. The director also may approve the obtaining of a surety bond to cover part of the amount required, together with a dedicated account deposit to cover the remainder of the amount required.

A surety bond may be with any company that complies with the bonding and surety laws of this state and the requirements established by rules of the commission pursuant to this chapter. A dedicated account deposit shall be conducted in accordance with policies and procedures the director establishes.

A surety bond, dedicated account, or both, as applicable, may be used to pay for the lottery sales agent's failure to make prompt and accurate payments for lottery ticket sales, for missing or stolen lottery tickets, or for damage to equipment or materials issued to the lottery sales agent, or to pay for expenses the commission incurs in connection with the lottery sales agent's license.

(2) A lottery sales agent license is effective for one year.

A licensed lottery sales agent, on or before the date established by the director, shall renew the agent's license and provide at that time evidence to the director that the surety bond, dedicated account deposit, or both, required under division (G)(1)(b) of this section has been renewed or is active, whichever applies.

Before the commission renews a lottery sales agent license, the lottery sales agent shall submit a renewal fee to the commission in an amount that the director determines by rule adopted under Chapter 119. of the Revised Code and that the

controlling board approves. The renewal fee shall not exceed the 58445
actual cost of administering the license renewal and processing 58446
changes reflected in the renewal application. The renewal of the 58447
license is effective for up to one year. 58448

(3) A lottery sales agent license shall be complete, 58449
accurate, and current at all times during the term of the license. 58450
Any changes to an original license application or a renewal 58451
application may subject the applicant or lottery sales agent, as 58452
applicable, to paying an administrative fee that shall be in an 58453
amount that the director determines by rule adopted under Chapter 58454
119. of the Revised Code, that the controlling board approves, and 58455
that shall not exceed the actual cost of administering and 58456
processing the changes to an application. 58457

(4) The relationship between the commission and a lottery 58458
sales agent is one of trust. A lottery sales agent collects funds 58459
on behalf of the commission through the sale of lottery tickets 58460
for which the agent receives a compensation. 58461

(H) Pending a final resolution of any question arising under 58462
this section, the director of the state lottery commission may 58463
issue a temporary lottery sales agent license, subject to the 58464
terms and conditions the director considers appropriate. 58465

(I) If a lottery sales agent's rental payments for the 58466
lottery sales agent's premises are determined, in whole or in 58467
part, by the amount of retail sales the lottery sales agent makes, 58468
and if the rental agreement does not expressly provide that the 58469
amount of those retail sales includes the amounts the lottery 58470
sales agent receives from lottery ticket sales, only the amounts 58471
the lottery sales agent receives as compensation from the state 58472
lottery commission for selling lottery tickets shall be considered 58473
to be amounts the lottery sales agent receives from the retail 58474
sales the lottery sales agent makes, for the purpose of computing 58475
the lottery sales agent's rental payments. 58476

	58658
Sec. 3781.01. (A) Chapters 3781. and 3791. of the Revised	58659

Code do not prevent the legislative authority of a municipal 58660
corporation from making further and additional regulations, not in 58661
conflict with those chapters or with the rules the board of 58662
building standards adopts. Those chapters or rules do not modify 58663
or repeal any portion of any building code adopted by a municipal 58664
corporation and in force on September 13, 1911, that is not in 58665
direct conflict with those chapters or rules. 58666

(B) The state residential building code the board of building 58667
standards adopts pursuant to section 3781.10 of the Revised Code 58668
does not prevent a local governing authority from adopting 58669
additional regulations governing residential structures that do 58670
not conflict with the state residential building code if the 58671
procedures in division (C) of this section are followed. 58672

(C)(1) A local governing authority shall, and any person may, 58673
notify the board of building standards of any regulation the local 58674
governing authority adopts pursuant to division (B) of this 58675
section and request the board of building standards to determine 58676
whether that regulation conflicts with the state residential 58677
building code. 58678

(2) Not later than sixty days after receiving a notice under 58679
division (C)(1) of this section, the board shall determine whether 58680
the regulation conflicts with the state residential building code 58681
and shall notify any person who submitted the notice and the local 58682
governing authority that adopted the regulation of the board's 58683
determination. 58684

(a) If the board determines that a conflict does not exist, 58685
the board shall take no further action with regard to the 58686
regulation. If the board determines a conflict exists and the 58687
regulation is not necessary to protect the health or safety of the 58688
persons within the local governing authority's jurisdiction, the 58689
regulation is not valid and the local governing authority may not 58690
enforce the regulation. 58691

(b) If the board determines that a conflict exists and that the regulation is necessary to protect the health or safety of the persons within the local governing authority's jurisdiction, the board shall adopt a rule to incorporate the regulation into the state residential building code in accordance with division (D) of section 4740.14 of the Revised Code. Until the rule becomes a part of the state residential building code, the board shall grant a temporary variance to the local governing authority and any similarly situated local governing authority to which the board determines the temporary variance should apply.

(D) As used in this section, "local governing authority" means a board of county commissioners, a board of township trustees, and the legislative authority of a municipal corporation.

Sec. 3781.10. (A)(1) The board of building standards shall formulate and adopt rules governing the erection, construction, repair, alteration, and maintenance of all buildings or classes of buildings specified in section 3781.06 of the Revised Code, including land area incidental to those buildings, the construction of industrialized units, the installation of equipment, and the standards or requirements for materials used in connection with those buildings. The board shall incorporate those rules into separate residential and nonresidential building codes. The residential building code shall include sanitation and plumbing standards. The standards shall relate to the conservation of energy and the safety and sanitation of those buildings.

(2) The rules governing nonresidential buildings are the lawful minimum requirements specified for those buildings and industrialized units, except that no rule other than as provided in division (C) of section 3781.108 of the Revised Code that

specifies a higher requirement than is imposed by any section of 58723
the Revised Code is enforceable. The rules governing residential 58724
buildings are uniform requirements for residential buildings in 58725
any area with a building department certified to enforce the state 58726
residential building code. In no case shall any local code or 58727
regulation differ from the state residential building code unless 58728
that code or regulation addresses subject matter not addressed by 58729
the state residential building code or is adopted pursuant to 58730
section 3781.01 of the Revised Code. 58731

(3) The rules adopted pursuant to this section are complete, 58732
lawful alternatives to any requirements specified for buildings or 58733
industrialized units in any section of the Revised Code. ~~The~~ 58734
Except as otherwise limited by division (I) of this section, the 58735
board shall, on its own motion or on application made under 58736
sections 3781.12 and 3781.13 of the Revised Code, formulate, 58737
propose, adopt, modify, amend, or repeal the rules to the extent 58738
necessary or desirable to effectuate the purposes of sections 58739
3781.06 to 3781.18 of the Revised Code. 58740

(B) The board shall report to the general assembly proposals 58741
for amendments to existing statutes relating to the purposes 58742

The plan shall provide for the allocation of state and federal funds for service furnished by alcohol and drug addiction programs under contract with boards of alcohol, drug addiction, and mental health services and for distribution of the funds to such boards. The plan shall specify the methodology that the department will use for determining how funds will be allocated and distributed. A portion of the funds shall be allocated on the basis of the ratio of the population of each alcohol, drug addiction, and mental health service district to the total population of the state as determined from the most recent federal census or the most recent official estimate made by the United States census bureau.

The plan shall ensure that alcohol and drug addiction services of a high quality are accessible to, and responsive to the needs of, all persons, especially those who are members of underserved groups, including, but not limited to, African Americans, Hispanics, native Americans, Asians, juvenile and adult offenders, women, and persons with special services needs due to age or disability. The plan shall include a program to promote and protect the rights of those who receive services.

To aid in formulating the plan and in evaluating the effectiveness and results of alcohol and drug addiction services, the department, in consultation with the department of mental health, shall establish and maintain an information system or systems. The department of alcohol and drug addiction services shall specify the information that must be provided by boards of alcohol, drug addiction, and mental health services and by alcohol and drug addiction programs for inclusion in the system. The department shall not collect any personal information ~~for the purpose of identifying by name any person who receives a service through a board,~~ from the boards except as required or permitted by the state or federal law ~~to validate appropriate reimbursement~~

for purposes related to payment, health care operations, program 59197
and service evaluation, reporting activities, research, system 59198
administration, and oversight. 59199

In consultation with boards, programs, and persons receiving 59200
services, the department shall establish guidelines for the use of 59201
state and federal funds and for the boards' development of plans 59202
for services required by sections 340.033 and 3793.05 of the 59203
Revised Code. 59204

In any fiscal year, the department shall spend, or allocate 59205
to boards, for methadone maintenance programs or any similar 59206
programs not more than eight per cent of the total amount 59207
appropriated to the department for the fiscal year. 59208

Sec. 3901.381. (A) Except as provided in sections 3901.382, 59209
3901.383, 3901.384, and 3901.386 of the Revised Code, a 59210
third-party payer shall process a claim for payment for health 59211
care services rendered by a provider to a beneficiary in 59212
accordance with this section. 59213

(B)(1) Unless division (B)(2) or (3) of this section applies, 59214
when a third-party payer receives from a provider or beneficiary a 59215
claim on the standard claim form prescribed in rules adopted by 59216
the superintendent of insurance under section 3902.22 of the 59217
Revised Code, the third-party payer shall pay or deny the claim 59218
not later than thirty days after receipt of the claim. When a 59219
third-party payer denies a claim, the third-party payer shall 59220
notify the provider and the beneficiary. The notice shall state, 59221
with specificity, why the third-party payer denied the claim. 59222

(2)(a) Unless division (B)(3) of this section applies, when a 59223
provider or beneficiary has used the standard claim form, but the 59224
third-party payer determines that reasonable supporting 59225
documentation is needed to establish the third-party payer's 59226
responsibility to make payment, the third-party payer shall pay or 59227

deny the claim not later than forty-five days after receipt of the 59228
claim. Supporting documentation includes the verification of 59229
employer and beneficiary coverage under a benefits contract, 59230
confirmation of premium payment, medical information regarding the 59231
beneficiary and the services provided, information on the 59232
responsibility of another third-party payer to make payment or 59233
confirmation of the amount of payment by another third-party 59234
payer, and information that is needed to correct material 59235
deficiencies in the claim related to a diagnosis or treatment or 59236
the provider's identification. 59237

Not later than thirty days after receipt of the claim, the 59238
third-party payer shall notify all relevant external sources that 59239
the supporting documentation is needed. All such notices shall 59240
state, with specificity, the supporting documentation needed. If 59241
the notice was not provided in writing, the provider, beneficiary, 59242
or third-party payer may request the third-party payer to provide 59243
the notice in writing, and the third-party payer shall then 59244
provide the notice in writing. If any of the supporting 59245
documentation is under the control of the beneficiary, the 59246
beneficiary shall provide the supporting documentation to the 59247
third-party payer. 59248

The number of days that elapse between the third-party 59249
payer's last request for supporting documentation within the 59250
thirty-day period and the third-party payer's receipt of all of 59251
the supporting documentation that was requested shall not be 59252
counted for purposes of determining the third-party payer's 59253
compliance with the time period of not more than forty-five days 59254
for payment or denial of a claim. Except as provided in division 59255
(B)(2)(b) of this section, if the third-party payer requests 59256
additional supporting documentation after receiving the initially 59257
requested documentation, the number of days that elapse between 59258
making the request and receiving the additional supporting 59259

documentation shall be counted for purposes of determining the 59260
third-party payer's compliance with the time period of not more 59261
than forty-five days. 59262

(b) If a third-party payer determines, after receiving 59263
initially requested documentation, that it needs additional 59264
supporting documentation pertaining to a beneficiary's preexisting 59265
condition, which condition was unknown to the third-party payer 59266
and about which it was reasonable for the third-party payer to 59267
have no knowledge at the time of its initial request for 59268
documentation, and the third-party payer subsequently requests 59269
this additional supporting documentation, the number of days that 59270
elapse between making the request and receiving the additional 59271
supporting documentation shall not be counted for purposes of 59272
determining the third-party payer's compliance with the time 59273
period of not more than forty-five days. 59274

(c) When a third-party payer denies a claim, the third-party 59275
payer shall notify the provider and the beneficiary. The notice 59276
shall state, with specificity, why the third-party payer denied 59277
the claim. 59278

(d) If a third-party payer determines that supporting 59279
documentation related to medical information is routinely 59280
necessary to process a claim for payment of a particular health 59281
care service, the third-party payer shall establish a description 59282
of the supporting documentation that is routinely necessary and 59283
make the description available to providers in a readily 59284
accessible format. 59285

Third-party payers and providers shall, in connection with a 59286
claim, use the most current CPT code in effect, as published by 59287
the American medical association, the most current ICD-9 code in 59288
effect, as published by the United States department of health and 59289
human services, the most current CDT code in effect, as published 59290
by the American dental association, or the most current HCPCS code 59291

in effect, as published by the United States health care financing administration. 59292
59293

(3) When a provider or beneficiary submits a claim by using the standard claim form prescribed in the superintendent's rules, but the information provided in the claim is materially deficient, the third-party payer shall notify the provider or beneficiary not later than fifteen days after receipt of the claim. The notice shall state, with specificity, the information needed to correct all material deficiencies. Once the material deficiencies are corrected, the third-party payer shall proceed in accordance with division (B)(1) or (2) of this section. 59294

59297
59298
59299
59300
59301
59302

It is not a violation of the notification time period of not more than fifteen days if a third-party payer fails to notify a provider or beneficiary of material deficiencies in the claim related to a diagnosis or treatment or the provider's identification. A third-party payer may request the information necessary to correct these deficiencies after the end of the notification time period. Requests for such information shall be made as requests for supporting documentation under division (B)(2) of this section, and payment or denial of the claim is subject to the time periods specified in that division. 59303

(C) For purposes of this section, if a dispute exists between a provider and a third-party payer as to the day a claim form was received by the third-party payer, both of the following apply: 59313
59314
59315

(1) If the provider or a person acting on behalf of the provider submits a claim directly to a third-party payer by mail and retains a record of the day the claim was mailed, there exists a rebuttable presumption that the claim was received by the third-party payer on the fifth business day after the day the claim was mailed, unless it can be proven otherwise. 59316
59317
59318
59319
59320
59321

(2) If the provider or a person acting on behalf of the 59322

provider submits a claim directly to a third-party payer 59323
electronically, there exists a rebuttable presumption that the 59324
claim was received by the third-party payer twenty-four hours 59325
after the claim was submitted, unless it can be proven otherwise. 59326

(D) Nothing in this section requires a third-party payer to 59327
provide more than one notice to an employer whose premium for 59328
coverage of employees under a benefits contract has not been 59329
received by the third-party payer. 59330

(E) Compliance with the provisions of division (B)(3) of this 59331
section shall be determined separately from compliance with the 59332
provisions of divisions (B)(1) and (2) of this section. 59333

(F) A third party payer shall transmit electronically any 59334
payment with respect to claims that the third party payer receives 59335
electronically and pays to a contracted provider under this 59336
section and under sections 3901.383, 3901.384, and 3901.386 of the 59337
Revised Code. A provider shall not refuse to accept a payment made 59338
under this section or sections 3901.383, 3901.384, and 3901.386 of 59339
the Revised Code on the basis that the payment was transmitted 59340
electronically. 59341

Sec. 3901.3812. (A) If, after completion of an examination 59342
involving information collected from a six-month period, the 59343
superintendent finds that a third-party payer has committed a 59344
series of violations that, taken together, constitutes a 59345
consistent pattern or practice of violating division (A) of 59346
section 3901.3811 of the Revised Code, the superintendent may 59347
impose on the third-party payer any of the administrative remedies 59348
specified in division (B) of this section. In making a finding 59349
under this division, the superintendent shall apply the error 59350
tolerance standards for claims processing contained in the market 59351
conduct examiners handbook issued by the national association of 59352
insurance commissioners in effect at the time the claims were 59353

processed. 59354

Before imposing an administrative remedy, the superintendent 59355
shall provide written notice to the third-party payer informing 59356
the third-party payer of the reasons for the superintendent's 59357
finding, the administrative remedy the superintendent proposes to 59358
impose, and the opportunity to submit a written request for an 59359
administrative hearing regarding the finding and proposed remedy. 59360
If the third-party payer requests a hearing, the superintendent 59361
shall conduct the hearing in accordance with Chapter 119. of the 59362
Revised Code not later than fifteen days after receipt of the 59363
request. 59364

(B)(1) In imposing administrative remedies under division (A) 59365
of this section for violations of section 3901.381 of the Revised 59366
Code, the superintendent may do any of the following: 59367

(a) Levy a monetary penalty in an amount determined in 59368
accordance with division (B)(3) of this section; 59369

(b) Order the payment of interest directly to the provider in 59370
accordance with section 3901.389 of the Revised Code; 59371

(c) Order the third-party payer to cease and desist from 59372
engaging in the violations; 59373

(d) If a monetary penalty is not levied under division 59374
(B)(1)(a) of this section, impose any of the administrative 59375
remedies provided for in section 3901.22 of the Revised Code, 59376
other than those specified in divisions (D)(4) and (5) and (G) of 59377
that section. 59378

(2) In imposing administrative remedies under division (A) of 59379
this section for violations of sections 3901.384 to 3901.3810 of 59380
the Revised Code, the superintendent may do any of the following: 59381

59382

(a) Levy a monetary penalty in an amount determined in 59383

accordance with division (B)(3) of this section; 59384

(b) Order the payment of interest directly to the provider in 59385
accordance with section 3901.38 of the Revised Code; 59386

(c) Order the third-party payer to cease and desist from 59387
engaging in the violations; 59388

(d) If a monetary penalty is not levied under division 59389
(B)(2)(a) of this section, impose any of the administrative 59390
remedies provided for in section 3901.22 of the Revised Code, 59391
other than those specified in divisions (D)(4) and (5) and (G) of 59392
that section. For violations of sections 3901.384 to 3901.3810 of 59393
the Revised Code that did not comply with section 3901.381 of the 59394
Revised Code, the superintendent may also use section 3901.22 of 59395
the Revised Code except divisions (D)(4) and (5) of that section. 59396

(3) A finding by the superintendent that a third-party payer 59397
has committed a series of violations that, taken together, 59398
constitutes a consistent pattern or practice of violating division 59399
(A) of section 3901.3811 of the Revised Code, shall constitute a 59400
single offense for purposes of levying a fine under division 59401
(B)(1)(a) and (B)(2)(a) of this section. For a first offense, the 59402
superintendent may levy a fine of not more than one hundred 59403
thousand dollars. For a second offense that occurs on or earlier 59404
than four years from the first offense, the superintendent may 59405
levy a fine of not more than one hundred fifty thousand dollars. 59406
For a third or additional offense that occurs on or earlier than 59407
seven years after a first offense, the superintendent may levy a 59408
fine of not more than three hundred thousand dollars. In 59409
determining the amount of a fine to be levied within the specified 59410
limits, the superintendent shall consider the following factors: 59411

(a) The extent and frequency of the violations; 59412

(b) Whether the violations were due to circumstances beyond 59413
the third-party payer's control; 59414

(c) Any remedial actions taken by the third-party payer to prevent future violations;	59415 59416
(d) The actual or potential harm to others resulting from the violations;	59417 59418
(e) If the third-party payer knowingly and willingly committed the violations;	59419 59420
(f) The third-party payer's financial condition;	59421
(g) Any other factors the superintendent considers appropriate.	59422 59423
(C) The remedies imposed by the superintendent under this section are in addition to, and not in lieu of, such other remedies as providers and beneficiaries may otherwise have by law.	59424 59425 59426
(D) Any fine collected under this section shall be paid into the state treasury as follows:	59427 59428
(1) Twenty-five per cent of the total to the credit of the department of insurance operating fund created by section 3901.021 of the Revised Code;	59429 59430 59431
(2) Sixty-five per cent of the total to the credit of the general revenue fund;	59432 59433
(3) Ten per cent of the total to the credit of claims processing education fund <u>account</u> , which is hereby created <u>within the department of insurance operating fund created by section 3901.021 of the Revised Code.</u>	59434 59435 59436 59437
All money credited to the claims processing education fund <u>account</u> shall be used by the department of insurance to make technical assistance available to third-party payers, providers, and beneficiaries for effective implementation of the provisions of sections 3901.38 and 3901.381 to 3901.3814 of the Revised Code.	59438 59439 59440 59441 59442
<u>Sec. 3903.77. (A) Every property and casualty insurance</u>	59443

company doing business in this state, except as exempted by the 59444
superintendent of insurance, annually, shall cause to be prepared 59445
by a qualified actuary, appointed by the company, the following 59446
documents: 59447

(1) An actuarial opinion that certifies to the reasonableness 59448
of the insurance company's reserves and that shall be entitled a 59449
"statement of actuarial opinion"; 59450

(2) A summary that shall be in support of the statement of 59451
actuarial opinion and that shall be entitled an "actuarial opinion 59452
summary." An insurance company licensed but not domiciled in this 59453
state need not include the actuarial opinion summary in its 59454
submissions to the superintendent but shall make the summary 59455
available to the superintendent upon request. 59456

(B) The insurance company annually shall submit the documents 59457
prepared pursuant to division (A) of this section to the 59458
superintendent in accordance with the national association of 59459
insurance commissioners' property and casualty annual statement 59460
instructions. The documents shall accompany the insurance 59461
company's annual financial statement described in section 3901.77 59462
of the Revised Code. 59463

(C)(1) Every property and casualty insurance company doing 59464
business in this state shall prepare an actuarial report and 59465
underlying work papers to support the statement of actuarial 59466
opinion and the actuarial opinion summary required under division 59467
(A) of this section in accordance with the national association of 59468
insurance commissioners' property and casualty statement 59469
instructions. The insurance company shall make the actuarial 59470
report and underlying work papers available to the superintendent 59471
upon request. 59472

(2) If an insurance company fails to provide the actuarial 59473
report or work papers at the request of the superintendent 59474

pursuant to division (C)(1) of this section or the superintendent 59475
determines that the actuarial report or work papers provided are 59476
unacceptable, the superintendent may contract with a qualified 59477
actuary at the expense of the insurance company to review the 59478
statement of actuarial opinion provided by the insurance company 59479
pursuant to division (A) of this section and the basis for that 59480
opinion and to prepare an actuarial report and work papers. 59481

(D) Except in cases of fraud or willful misconduct on the 59482
part of the actuary, no actuary appointed by an insurance company 59483
to prepare the statement of actuarial opinion and actuarial 59484
opinion summary required under division (A) of this section is 59485
liable for damages to any person except the insurance company and 59486
the superintendent for any act, error, omission, decision, or 59487
conduct with respect to the actuary's opinion. 59488

(E) The statement of actuarial opinion required under 59489
division (A) of this section is a public document and a public 59490
record as defined in section 149.43 of the Revised Code. However, 59491
the actuarial opinion summary, actuarial report, work papers, and 59492
any documents, materials or other information provided in support 59493
of the statement of actuarial opinion are privileged and 59494
confidential, are not a public record, and are not subject to 59495
subpoena or to discovery, and are not admissible in evidence in 59496
any private civil action. 59497

Neither the superintendent nor any person who receives 59498
documents, materials, or other information required to be kept 59499
confidential under this division while acting under the authority 59500
of the superintendent shall testify in any private civil action 59501
concerning any documents, materials, or other information required 59502
to be kept confidential under this division. 59503

This section shall not be construed to limit the 59504
superintendent's authority to release documents to the actuarial 59505
board for counseling and discipline so long as the documents are 59506

necessary for the purpose of professional disciplinary proceedings 59507
and the actuarial board for counseling and discipline establishes 59508
procedures satisfactory to the superintendent for preserving the 59509
confidentiality of the documents. Neither shall this section be 59510
construed to limit the superintendent's authority to use 59511
documents, materials, nor other information in furtherance of any 59512
regulatory or legal action brought as part of the superintendent's 59513
official duties. 59514

(F) In order to assist in the performance of the 59515
superintendent's duties, the superintendent may do all of the 59516
following: 59517

(1) Share documents, materials, or other information, 59518
including any documents, materials, or other information required 59519
to be kept confidential under division (E) of this section, with 59520
other state, federal, and international regulatory and law 59521
enforcement agencies and with the national association of 59522
insurance commissioners including its affiliates and subsidiaries 59523
if the recipient agrees to maintain the confidentiality and 59524
privileged status of the document, material, or other information 59525
and has the legal authority to maintain confidentiality; 59526

(2) Receive documents, materials, or other information, 59527
including otherwise confidential and privileged documents, 59528
materials, and information from other state, federal, and 59529
international regulatory and law enforcement agencies and from the 59530
national association of insurance commissioners including its 59531
affiliates and subsidiaries. The superintendent shall maintain the 59532
confidentiality and privileged status of any document, material, 59533
or other information received with notice of confidential and 59534
privileged status under the laws of the jurisdiction that is the 59535
source of the document, material, or information. 59536

(3) Enter into agreements consistent with divisions (E) and 59537
(F) of this section for the sharing and use of information. 59538

(G) No waiver of any privilege or claim of confidentiality of documents, materials, or other information shall occur as a result of any disclosure to the superintendent under this section or as a result of any sharing of documents, materials, or other information authorized by the superintendent under division (G) of this section.

(H) As used in this section, "qualified actuary" means a person who is a member in good standing of the American academy of actuaries and who meets the requirements identified in the national association of insurance commissioners' property and casualty statement instructions.

Sec. 3923.021. (A) As used in this section, ~~"benefits:~~

(1) "Benefits provided are not unreasonable in relation to the premium charged" means the rates were calculated in accordance with sound actuarial principles.

(2) "Individual policy of sickness and accident insurance" includes sickness and accident insurance made available by insurers in the individual market to individuals, with or without family members or dependents, through group policies issued to one or more associations or entities.

(B) With respect to any filing, made pursuant to section 3923.02 of the Revised Code, of any premium rates for any individual policy of sickness and accident insurance or certificates made available by an insurer to individuals in the individual market through a group policy or for any indorsement or rider pertaining thereto, the superintendent of insurance may, within thirty days after filing:

(1) Disapprove such filing after finding that the benefits provided are unreasonable in relation to the premium charged. Such disapproval shall be effected by written order of the

superintendent, a copy of which shall be mailed to the insurer 59569
that has made the filing. In the order, the superintendent shall 59570
specify the reasons for the disapproval and state that a hearing 59571
will be held within fifteen days after requested in writing by the 59572
insurer. If a hearing is so requested, the superintendent shall 59573
also give such public notice as the superintendent considers 59574
appropriate. The superintendent, within fifteen days after the 59575
commencement of any hearing, shall issue a written order, a copy 59576
of which shall be mailed to the insurer that has made the filing, 59577
either affirming the prior disapproval or approving such filing 59578
after finding that the benefits provided are not unreasonable in 59579
relation to the premium charged. 59580

(2) Set a date for a public hearing to commence no later than 59581
forty days after the filing. The superintendent shall give the 59582
insurer making the filing twenty days' written notice of the 59583
hearing and shall give such public notice as the superintendent 59584
considers appropriate. The superintendent, within twenty days 59585
after the commencement of a hearing, shall issue a written order, 59586
a copy of which shall be mailed to the insurer that has made the 59587
filing, either approving such filing if the superintendent finds 59588
that the benefits provided are not unreasonable in relation to the 59589
premium charged, or disapproving such filing if the superintendent 59590
finds that the benefits provided are unreasonable in relation to 59591
the premium charged. This division does not apply to any insurer 59592
organized or transacting the business of insurance under Chapter 59593
3907. or 3909. of the Revised Code. 59594

(3) Take no action, in which case such filing shall be deemed 59595
to be approved and shall become effective upon the thirty-first 59596
day after such filing, unless the superintendent has previously 59597
given to the insurer a written approval. 59598

(C) At any time after any filing has been approved pursuant 59599
to this section, the superintendent may, after a hearing of which 59600

at least twenty days' written notice has been given to the insurer 59601
that has made such filing and for which such public notice as the 59602
superintendent considers appropriate has been given, withdraw 59603
approval of such filing after finding that the benefits provided 59604

that has made the filing, which shall state the ground for such 59608
withdrawal and the date, not less than forty days after the date 59609
of such order, when the withdrawal or approval shall become 59610

(D) The superintendent may retain at the insurer's expense 59612
such attorneys, actuaries, accountants, and other experts not 59613

of any public hearing under this section. The expense for 59616
retaining such experts and the expenses of the department of 59617
insurance incurred in connection with such public hearing shall be 59618
assessed against the insurer in an amount not to exceed one 59619
one-hundredth of one per cent of the sum of premiums earned plus 59620
net realized investment gain or loss of such insurer as reflected 59621
in the most current annual statement on file with the 59622
superintendent. Any person retained shall be under the direction 59623
and control of the superintendent and shall act in a purely 59624
advisory capacity. 59625

considered as issued on a franchise plan, such employees or such 59640
members, with or without one or more of their dependents and 59641
members of their immediate families, must be issued the same form 59642
of an individual policy, varying only as to amounts and kinds of 59643
coverage applied for by such employees or such members, under an 59644
arrangement by which the premiums on such policies may be paid to 59645
the insurer periodically by the employer, with or without payroll 59646
deductions, or by the association for its members, or by some 59647
designated person acting on behalf of such employer or 59648

Sec. 3923.66. (A) As used in sections 3923.66 to 3923.70 of 59650
the Revised Code: 59651

(1) "Clinical peer" and "physician" have the same meanings as 59652
in section 1751.77 of the Revised Code. 59653

(2) "Authorized person" means a parent, guardian, or other 59654
person authorized to act on behalf of an insured with respect to 59655
health care decisions. 59656

(B) Sections 3923.66 to 3923.70 of the Revised Code do not 59657
apply to any individual or group policy of sickness and accident 59658
insurance covering only accident, credit, dental, disability 59659
income, long-term care, hospital indemnity, medicare supplement, 59660
medicare, tricare, specified disease, or vision care; coverage 59661

issued as a supplement to liability insurance; insurance arising 59662
out of workers' compensation or similar law; automobile medical 59663
payment insurance; or insurance under which benefits are payable 59664
with or without regard to fault and which is statutorily required 59665
to be contained in any liability insurance policy or equivalent 59666
self-insurance. 59667

(C) The superintendent of insurance shall establish and 59668
maintain a system for receiving and reviewing requests for review 59669
from insureds who have been denied coverage of a health care 59670
service on the grounds that the service is not a service covered 59671
under the terms of the insured's policy or certificate. 59672

On receipt of a written request from an insured or authorized 59673
person, the superintendent shall consider whether the health care 59674
service is a service covered under the terms of the insured's 59675
policy or certificate, except that the superintendent shall not 59676
conduct a review under this section unless the insured has 59677
exhausted the insurer's internal review process. The insurer and 59678
the insured or authorized person shall provide the superintendent 59679
with any information required by the superintendent that is in 59680
their possession and is germane to the review. 59681

Unless the superintendent is not able to do so because making 59682
the determination requires resolution of a medical issue, the 59683
superintendent shall determine whether the health care service at 59684
issue is a service covered under the terms of the insured's policy 59685
or certificate. The superintendent shall notify the insured, or 59686
authorized person, and the insurer of its determination or that it 59687
is not able to make a determination because the determination 59688
requires the resolution of a medical issue. 59689

If the superintendent notifies the insurer that making the 59690
determination requires the resolution of a medical issue, the 59691
insurer shall ~~afford the insured an opportunity for~~ initiate an 59692
external review under section 3923.67 or 3923.68 of the Revised 59693

Code. If the superintendent notifies the insurer that the health care service is not a covered service, the insurer is not required to cover the service or afford the insured an external review.

Sec. 3923.67. (A) Except as provided in divisions (B) and (C) of this section, an insurer shall afford an insured an opportunity for an external review of a coverage denial when requested by the insured or authorized person, if both of the following are the case:

(1) The insurer has denied, reduced, or terminated coverage for what would be a covered health care service except that the insurer has determined that the health care service is not medically necessary.

(2) Except in the case of expedited review, the proposed service, plus any ancillary services and follow-up care, will cost the insured more than five hundred dollars if the proposed service is not covered by the insurer.

External review shall be conducted in accordance with this section, except that if an insured with a terminal condition meets all of the criteria of division (A) of section 3923.68 of the Revised Code, an external review shall be conducted under that section.

(B) An insured need not be afforded a review under this section in any of the following circumstances:

(1) The superintendent of insurance has determined under section 3923.66 of the Revised Code that the health care service is not a service covered under the terms of the insured's policy or certificate.

(2) The insured has failed to exhaust the insurer's internal review process.

(3) The insured has previously afforded an external review

for the same denial of coverage, and no new clinical information 59724
has been submitted to the insurer. 59725

(C)(1) An insurer may deny a request from an insured for an 59726
external review of an adverse decision from the insurer's internal 59727
appeal process if it is requested later than ~~sixty~~ one hundred 59728
eighty days after receipt ~~by the insured~~ of notice ~~from the~~ 59729
~~superintendent of insurance under section 3923.66 of the Revised~~ 59730
~~Code that making a determination requires the resolution of a~~ 59731
~~medical issue~~ from the insurer of the adverse decision. An 59732
external review may be requested by the insured, an authorized 59733
person, the insured's provider, or a health care facility 59734
rendering health care service to the insured. The insured may 59735
request a review without the approval of the provider or the 59736
health care facility rendering the health care service. The 59737
provider or health care facility may not request a review without 59738
the prior consent of the insured. 59739

(2) An external review must be requested in writing, except 59740
that if the insured has a condition that requires expedited 59741
review, the review may be requested orally or by electronic means. 59742
When an oral or electronic request for review is made, written 59743
confirmation of the request must be submitted to the insurer not 59744
later than five days after the request is made. 59745

Except in the case of an expedited review, a request for an 59746
external review must be accompanied by written certification from 59747
the insured's provider or the health care facility rendering the 59748
health care service to the insured that the proposed service, plus 59749
any ancillary services and follow-up care, will cost the insured 59750
more than five hundred dollars if the proposed service is not 59751
covered by the insurer. 59752

(3) For an expedited review, the insured's provider must 59753
certify that the insured's condition could, in the absence of 59754
immediate medical attention, result in any of the following: 59755

(a) Placing the health of the insured or, with respect to a pregnant woman, the health of the insured or the unborn child, in serious jeopardy;	59756 59757 59758
(b) Serious impairment to bodily functions;	59759
(c) Serious dysfunction of any bodily organ or part.	59760
(D) The procedures used in conducting an external review shall include all of the following:	59761 59762
(1) The review shall be conducted by an independent review organization assigned by the superintendent of insurance under section 3901.80 of the Revised Code.	59763 59764 59765
(2) Except as provided in divisions (D)(3) and (4) of this section, neither the clinical peer nor any health care facility with which the clinical peer is affiliated shall have any professional, familial, or financial affiliation with any of the following:	59766 59767 59768 59769 59770
(a) The insurer or any officer, director, or managerial employee of the insurer;	59771 59772
(b) The insured, the insured's provider, or the practice group of the insured's provider;	59773 59774
(c) The health care facility at which the health care service requested by the insured would be provided;	59775 59776
(d) The development or manufacture of the principal drug, device, procedure, or therapy proposed for the insured.	59777 59778
(3) Division (D)(2) of this section does not prohibit a clinical peer from conducting a review under any of the following circumstances:	59779 59780 59781
(a) The clinical peer is affiliated with an academic medical center that provides health care services to insureds of the insurer.	59782 59783 59784

(b) The clinical peer has staff privileges at a health care facility that provides health care services to insureds of the insurer. 59785
59786
59787

(c) The clinical peer has a contractual relationship with the insurer but was not involved with the insurer's coverage decision. 59788
59789

(4) Division (D)(2) of this section does not prohibit the insurer from paying the independent review organization for the conduct of the review. 59790
59791
59792

(5) An insured shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the insurer. 59793
59794
59795

(6)(a) The insurer shall provide to the independent review organization conducting the review a copy of those records in its possession that are relevant to the insured's medical condition and the review. 59796
59797
59798
59799

Records shall be used solely for the purpose of this division. At the request of the independent review organization, the insurer, insured, provider, or health care facility rendering health care services to the insured shall provide any additional information the independent review organization requests to complete the review. A request for additional information may be made in writing, orally, or by electronic means. The independent review organization shall submit the request to the insured and insurer. If a request is submitted orally or by electronic means to an insured or insurer, not later than five days after the request is submitted, the independent review organization shall provide written confirmation of the request. If the review was initiated by a provider or health care facility, a copy of the request shall be submitted to the provider or health care facility. 59800

59807
59808
59809
59810
59811
59812
59813
59814

(b) An independent review organization is not required to 59815

make a decision if it has not received any requested information 59816
that it considers necessary to complete a review. An independent 59817
review organization that does not make a decision for this reason 59818
shall notify the insured and the insurer that a decision is not 59819
being made. The notice may be made in writing, orally, or by 59820
electronic means. An oral or electronic notice shall be confirmed 59821
in writing not later than five days after the oral or electronic 59822
notice is made. If the review was initiated by a provider or 59823
health care facility, a copy of the notice shall be submitted to 59824
the provider or health care facility. 59825

(7) The insurer may elect to cover the service requested and 59826
terminate the review. The insurer shall notify the insured and all 59827
other parties involved with the decision by mail, or with the 59828
consent or approval of the insured, by electronic means. 59829

(8) In making its decision, an independent review 59830
organization conducting the review shall take into account all of 59831
the following: 59832

(a) Information submitted by the insurer, the insured, the 59833
insured's provider, and the health care facility rendering the 59834
health care service, including the following: 59835

(i) The insured's medical records; 59836

(ii) The standards, criteria, and clinical rationale used by 59837
the insurer to make its decision. 59838

(b) Findings, studies, research, and other relevant documents 59839
of government agencies and nationally recognized organizations, 59840
including the national institutes of health or any board 59841

administration of the United States department of health and human 59845
services, and the agency for health care policy and research; 59846

(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national medical societies.

(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the insurer and the insured. If the insured's provider or the health care facility rendering health care services to the insured requested the review, the independent review organization shall also send a copy of its decision to the insured's provider or the health care facility.

(b) The independent review organization's decision shall include a description of the insured's condition and the principal reasons for the decision and an explanation of the clinical rationale for the decision.

(E) The independent review organization shall base its decision on the information submitted under division (D)(8) of this section. In making its decision, the independent review organization shall consider safety, efficacy, appropriateness, and cost-effectiveness.

(F) The insurer shall provide any coverage determined by the independent review organization's decision to be medically necessary, subject to the other terms, limitations, and conditions of the insured's policy or certificate.

Sec. 3923.68. (A) Each insurer shall establish a reasonable external, independent review process to examine the insurer's coverage decisions for insureds who meet all of the following

criteria: 59878

(1) The insured has a terminal condition that, according to 59879
the current diagnosis of the insured's physician, has a high 59880
probability of causing death within two years. 59881

(2) The insured requests a review not later than ~~sixty one~~ sixty one 59882
hundred eighty days after receipt by the insured of notice from 59883
the ~~superintendent of insurance under section 3923.66 of the~~ 59884
~~Revised Code that making a determination requires resolution of a~~ 59885
~~medical issue~~ insurer of the adverse decision. 59886

(3) The insured's physician certifies that the insured has 59887
the condition described in division (A)(1) of this section and any 59888
of the following situations are applicable: 59889

(a) Standard therapies have not been effective in improving 59890
the condition of the insured. 59891

(b) Standard therapies are not medically appropriate for the 59892
insured. 59893

(c) There is no standard therapy covered by the insurer that 59894
is more beneficial than therapy described in division (A)(4) of 59895
this section. 59896

(4) The insured's physician has recommended a drug, device, 59897
procedure, or other therapy that the physician certifies, in 59898
writing, is likely to be more beneficial to the insured, in the 59899
physician's opinion, than standard therapies, or the insured has 59900
requested a therapy that has been found in a preponderance of 59901
peer-reviewed published studies to be associated with effective 59902
clinical outcomes for the same condition. 59903

(5) The insured has been denied coverage by the insurer for a 59904
drug, device, procedure, or other therapy recommended or requested 59905
pursuant to division (A)(4) of this section, and has exhausted the 59906
insurer's internal review process. 59907

(6) The drug, device, procedure, or other therapy, for which 59908
coverage has been denied, would be a covered health care service 59909
except for the insurer's determination that the drug, device, 59910
procedure, or other therapy is experimental or investigational. 59911

(B) A review shall be requested in writing, except that if 59912
the insured's physician determines that a therapy would be 59913
significantly less effective if not promptly initiated, the review 59914
may be requested orally or by electronic means. When an oral or 59915
electronic request for review is made, written confirmation of the 59916
request shall be submitted to the insurer not later than five days 59917
after the oral or written request is submitted. 59918

(C) The external, independent review process established by 59919
an insurer shall meet all of the following criteria: 59920

(1) Except as provided in division (E) of this section, the 59921
process shall afford all insureds who meet the criteria set forth 59922
in division (A) of this section the opportunity to have the 59923
insurer's decision to deny coverage of the recommended or 59924
requested therapy reviewed under the process. Each eligible 59925
insured shall be notified of that opportunity within thirty 59926
business days after the insurer denies coverage. 59927

(2) The review shall be conducted by an independent review 59928
organization assigned by the superintendent of insurance under 59929
section 3901.80 of the Revised Code. 59930

The independent review organization shall select a panel to 59931
conduct the review, which panel shall be composed of at least 59932
three physicians or other providers who, through clinical 59933
experience in the past three years, are experts in the treatment 59934
of the insured's medical condition and knowledgeable about the 59935
recommended or requested therapy. 59936

In either of the following circumstances, an exception may be 59937
made to the requirement that the review be conducted by an expert 59938

panel composed of a minimum of three physicians or other providers: 59939
59940

(a) A review may be conducted by an expert panel composed of only two physicians or other providers if an insured has consented in writing to a review by the smaller panel. 59941
59942
59943

(b) A review may be conducted by a single expert physician or other provider if only the expert physician or other provider is available for the review. 59944
59945
59946

(3) Neither the insurer nor the insured shall choose, or control the choice of, the physician or other provider experts. 59947
59948

(4) The selected experts, any health care facility with which an expert is affiliated, and the independent review organization arranging for the experts' review shall not have any professional, familial, or financial affiliation with any of the following: 59949
59950
59951
59952

(a) The insurer or any officer, director, or managerial employee of the insurer; 59953
59954

(b) The insured, the insured's physician, ~~of~~ or the practice group of the insured's physician; 59955
59956

(c) The health care facility at which the recommended or requested therapy would be provided; 59957
59958

(d) The development or manufacture of the principal drug, device, procedure, or therapy involved in the recommended or requested therapy. 59959
59960
59961

However, experts affiliated with academic medical centers who provide health care services to insureds of the insurer may serve as experts on the review panel. Further, experts with staff privileges at a health care facility that provides health care services to insureds of the insurer, as well as experts who have a contractual relationship with the insurer, but who were not involved with the insurer's denial of coverage for the therapy 59962
59963
59964
59965
59966
59967
59968

under review, may serve as experts on the review panel. These 59969
nonaffiliation provisions do not preclude an insurer from paying 59970
for the experts' review, as specified in division (C)(5) of this 59971
section. 59972

(5) Insureds shall not be required to pay for any part of the 59973
cost of the review. The cost of the review shall be borne by the 59974
insurer. 59975

(6) The insurer shall provide to the independent review 59976
organization arranging for the experts' review a copy of those 59977
records in the insurer's possession that are relevant to the 59978
insured's medical condition and the review. The records shall be 59979
disclosed solely to the expert reviewers and shall be used solely 59980
for the purpose of this section. At the request of the expert 59981
reviewers, the insurer or the physician requesting the therapy 59982
shall provide any additional information that the expert reviewers 59983
request to complete the review. An expert reviewer is not required 59984
to render an opinion if the reviewer has not received any 59985
requested information that the reviewer considers necessary to 59986
complete the review. 59987

(7)(a) In the case of an expedited review, the independent 59988
review organization shall issue a written decision not later than 59989
seven days after the filing of the request for review. In all 59990
other cases, the independent review organization shall issue a 59991
written decision not later than thirty days after the filing of 59992
the request. The independent review organization shall send a copy 59993
of its decision to the insurer and the insured. If the insured's 59994
provider or the health care facility rendering health care 59995
services to the insured requested the review, the independent 59996
review organization shall also send a copy of its decision to the 59997
insured's provider or the health care facility. 59998

(b) In conducting the review, the experts on the panel shall 59999
take into account all of the following: 60000

(i) Information submitted by the insurer, the insured, and the insured's physician, including the insured's medical records and the standards, criteria, and clinical rationale used by the insurer to reach its coverage decision;	60001 60002 60003 60004
(ii) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations;	60005 60006 60007
(iii) Relevant findings in peer-reviewed medical or scientific literature and published opinions of nationally recognized medical experts;	60008 60009 60010
(iv) Clinical guidelines adopted by relevant national medical societies;	60011 60012
(v) Safety, efficacy, appropriateness, and cost effectiveness.	60013 60014
(8) Each expert on the panel shall provide the independent review organization with a professional opinion as to whether there is sufficient evidence to demonstrate that the recommended or requested therapy is likely to be more beneficial to the insured than standard therapies.	60015 60016 60017 60018 60019
(9) Each expert's opinion shall be presented in written form and shall include the following information:	60020 60021
(a) A description of the insured's condition;	60022
(b) A description of the indicators relevant to determining whether there is sufficient evidence to demonstrate that the recommended or requested therapy is more likely than not to be more beneficial to the insured than standard therapies;	60023 60024 60025 60026
(c) A description and analysis of any relevant findings published in peer-reviewed medical or scientific literature or the published opinions of medical experts or specialty societies;	60027 60028 60029
(d) A description of the insured's suitability to receive the	60030

recommended or requested therapy according to a treatment protocol 60031
in a clinical trial, if applicable. 60032

(10) The independent review organization shall provide the 60033
insurer with the opinions of the experts. The insurer shall make 60034
the experts' opinions available to the insured and the insured's 60035
physician, upon request. 60036

(11) The opinion of the majority of the experts on the panel, 60037
rendered pursuant to division (C)(8) of this section, is binding 60038
on the insurer with respect to that insured. If the opinions of 60039
the experts on the panel are evenly divided as to whether the 60040
therapy should be covered, the insurer's final decision shall be 60041
in favor of coverage. If less than a majority of the experts on 60042
the panel recommend coverage of the therapy, the insurer may, in 60043
its discretion, cover the therapy. However, any coverage provided 60044
pursuant to division (C)(11) of this section is subject to the 60045
terms, limitations, and conditions of the insured's policy or 60046
certificate with the insurer. 60047

(12) The insurer shall have written policies describing the 60048
external, independent review process. 60049

(D) If an insurer's initial denial of coverage for a therapy 60050
recommended or requested pursuant to division (A)(3) of this 60051
section is based upon an external, independent review of that 60052
therapy meeting the requirements of division (C) of this section, 60053
this section shall not be a basis for requiring a second external, 60054
independent review of the recommended or requested therapy. 60055

(E) At any time during the external, independent review 60056
process, the insurer may elect to cover the recommended or 60057
requested health care service and terminate the review. The 60058
insurer shall notify the insured and all other parties involved by 60059
mail or, with consent or approval of the insured, by electronic 60060
means. 60061

Sec. 3923.75. (A) As used in sections 3923.75 to 3923.79 of the Revised Code:

60065
60066

(1) "Clinical peer" and "physician" have the same meanings as in section 1751.77 of the Revised Code.

60067
60068

(2) "Authorized person" means a parent, guardian, or other person authorized to act on behalf of a plan member with respect to health care decisions.

60069
60070
60071

(B) Sections 3923.75 to 3923.79 of the Revised Code do not apply to any public employee benefit plan covering only accident, credit, dental, disability income, long-term care, hospital indemnity, medicare supplement, medicare, tricare, specified disease, or vision care; coverage issued as a supplement to liability insurance; insurance arising out of workers' compensation or similar law; automobile medical payment insurance; or insurance under which benefits are payable with or without regard to fault and which is statutorily required to be contained in any liability insurance policy or equivalent self-insurance.

60080
60081

(C) The superintendent of insurance shall establish and maintain a system for receiving and reviewing requests for review from plan members who have been denied coverage of a health care service on the grounds that the service is not a service covered under the terms of the public employee benefit plan.

60082
60083
60084
60085
60086

On receipt of a written request from a plan member or authorized person, the superintendent shall consider whether the health care service is a service covered under the terms of the plan, except that the superintendent shall not conduct a review under this section unless the plan member has exhausted the plan's

60091

internal review process. The plan and the plan member or 60092
authorized person shall provide the superintendent with any 60093
information required by the superintendent that is in their 60094
possession and is germane to the review. 60095

Unless the superintendent is not able to do so because making 60096
the determination requires resolution of a medical issue, the 60097
superintendent shall determine whether the health care service at 60098
issue is a service covered under the terms of the plan. The 60099
superintendent shall notify the plan member, or authorized person, 60100
and the plan of its determination or that it is not able to make a 60101
determination because the determination requires the resolution of 60102
a medical issue. 60103

If the superintendent notifies the plan that making the 60104
determination requires the resolution of a medical issue, the plan 60105
shall ~~afford the plan member~~ initiate an ~~opportunity for~~ external 60106
review under section 3923.76 or 3923.77 of the Revised Code. If 60107
the superintendent notifies the plan that the health care service 60108
is not a covered service, the plan is not required to cover the 60109
service or afford the plan member an external review. 60110

Sec. 3923.76. (A) Except as provided in divisions (B) and (C) 60111
of this section, a public employee benefit plan shall afford a 60112
plan member an opportunity for an external review of a coverage 60113
denial when requested by the plan member or authorized person, if 60114
both of the following are the case: 60115

(1) The plan has denied, reduced, or terminated coverage for 60116
what would be a covered health care service except that the plan 60117
has determined that the health care service is not medically 60118
necessary. 60119

(2) Except in the case of expedited review, the proposed 60120
service, plus any ancillary services and follow-up care, will cost 60121
the plan member more than five hundred dollars if the proposed 60122

service is not covered by the plan. 60123

External review shall be conducted in accordance with this 60124
section, except that if a plan member with a terminal condition 60125
meets all of the criteria of division (A) of section 3923.77 of 60126
the Revised Code, an external review shall be conducted under that 60127
section. 60128

(B) A plan member need not be afforded a review under this 60129
section in any of the following circumstances: 60130

(1) The superintendent of insurance has determined under 60131
section 3923.75 of the Revised Code that the health care service 60132
is not a service covered under the terms of the plan. 60133

(2) The plan member has failed to exhaust the plan's internal 60134
review process. 60135

(3) The plan member has previously been afforded an external 60136
review for the same denial of coverage, and no new clinical 60137
information has been submitted to the plan. 60138

(C)(1) A plan may deny a request from a plan member for an 60139
external review of an adverse decision from the plan's internal 60140
appeal process if it is requested later than ~~sixty~~ one hundred 60141
eighty days after receipt by the plan member of notice from the 60142
~~superintendent of insurance under section 3923.75 of the Revised~~ 60143
~~Code that making the determination requires the resolution of a~~ 60144
~~medical issue~~ plan of the adverse decision. An external review may 60145
be requested by the plan member, an authorized person, the plan 60146
member's provider, or a health care facility rendering health care 60147
service to the plan member. The plan member may request a review 60148
without the approval of the provider or the health care facility 60149
rendering the health care service. The provider or health care 60150
facility may not request a review without the prior consent of the 60151
plan member. 60152

(2) An external review must be requested in writing, except 60153

that if the plan member has a condition that requires expedited review, the review may be requested orally or by electronic means. When an oral or electronic request for review is made, written confirmation of the request must be submitted to the plan not later than five days after the request is made.

Except in the case of an expedited review, a request for an external review must be accompanied by written certification from the plan member's provider or the health care facility rendering the health care service to the plan member that the proposed service, plus any ancillary services and follow-up care, will cost the plan member more than five hundred dollars if the proposed service is not covered by the plan.

(3) For an expedited review, the plan member's provider must certify that the plan member's condition could, in the absence of immediate medical attention, result in any of the following:

(a) Placing the health of the plan member or, with respect to a pregnant woman, the health of the plan member or the unborn child, in serious jeopardy;

(b) Serious impairment to bodily functions;

(c) Serious dysfunction of any bodily organ or part.

(D) The procedures used in conducting an external review shall include all of the following:

(1) The review shall be conducted by an independent review organization assigned by the superintendent of insurance under section 3901.80 of the Revised Code.

(2) Except as provided in divisions (D)(3) and (4) of this section, neither the clinical peer nor any health care facility with which the clinical peer is affiliated shall have any professional, familial, or financial affiliation with any of the following:

(a) The plan or any officer, director, or managerial employee of the plan;	60184 60185
(b) The plan member, the plan member's provider, or the practice group of the plan member's provider;	60186 60187
(c) The health care facility at which the health care service requested by the plan member would be provided+;	60188 60189
(d) The development or manufacture of the principal drug, device, procedure, or therapy proposed for the plan member.	60190 60191
(3) Division (D)(2) of this section does not prohibit a clinical peer from conducting a review under any of the following circumstances:	60192 60193 60194
(a) The clinical peer is affiliated with an academic medical center that provides health care services to members of the plan.	60195 60196
(b) The clinical peer has staff privileges at a health care facility that provides health care services to members of the plan.	60197 60198 60199
(c) The clinical peer has <u>a</u> contractual relationship with the plan but was not involved with the plan's coverage decision.	60200 60201
(4) Division (D)(2) of this section does not prohibit the plan from paying the independent review organization for the conduct of the review.	60202 60203 60204
(5) A plan member shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the plan.	60205 60206 60207
(6)(a) The plan shall provide to the independent review organization conducting the review a copy of those records in its possession that are relevant to the plan member's medical condition and the review.	60208 60209 60210 60211
Records shall be used solely for the purpose of this division. At the request of the independent review organization,	60212 60213

the plan, plan member, provider, or health care facility rendering 60214
health care services to the plan member shall provide any 60215
additional information the independent review organization 60216
requests to complete the review. A request for additional 60217
information may be made in writing, orally, or by electronic 60218
means. The independent review organization shall submit the 60219
request to the plan member and the plan. If a request is submitted 60220
orally or by electronic means to a plan member or plan, not later 60221
than five days after the request is submitted, the independent 60222
review organization shall provide written confirmation of the 60223
request. If the review was initiated by a provider or health care 60224
facility, a copy of the request shall be submitted to the provider 60225
or health care facility. 60226

(b) An independent review organization is not required to 60227
make a decision if it has not received any requested information 60228
that it considers necessary to complete a review. An independent 60229
review organization that does not make a decision for this reason 60230
shall notify the plan member and the plan that a decision is not 60231
being made. The notice may be made in writing, orally, or by 60232
electronic means. An oral or electronic notice shall be confirmed 60233
in writing not later than five days after the oral or electronic 60234
notice is made. If the review was initiated by a provider or 60235
health care facility, a copy of the notice shall be submitted to 60236
the provider or health care facility. 60237

(7) The plan may elect to cover the service requested and 60238
terminate the review. The plan shall notify the plan member and 60239
all other parties involved with the decision by mail, or with the 60240
consent or approval of the plan member, by electronic means. 60241

(8) In making its decision, an independent review 60242
organization conducting the review shall take into account all of 60243
the following: 60244

(a) Information submitted by the plan, the plan member, the 60245

plan member's provider, and the health care facility rendering the health care service, including the following:

(i) The plan member's medical records;

(ii) The standards, criteria, and clinical rationale used by the plan to make its decision.

(b) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations, including the national institutes of health or any board recognized by the national institutes of health, the national cancer institute, the national academy of sciences, the United States food and drug administration, the health care financing administration of the United States department of health and human services, and the agency for health care policy and research;

(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national medical societies.

(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the plan and the plan member. If the plan member's provider or the health care facility rendering health care services to the plan member requested the review, the independent review organization shall also send a copy of its decision to the plan member's provider or the health care facility.

(b) The independent review organization's decision shall include a description of the plan member's condition and the

principal reasons for the decision and an explanation of the 60277
clinical rationale for the decision. 60278

(E) The independent review organization shall base its 60279
decision on the information submitted under division (D)(8) of 60280
this section. In making its decision, the independent review 60281
organization shall consider safety, efficacy, appropriateness, and 60282
cost-effectiveness. 60283

(F) The plan shall provide any coverage determined by the 60284
independent review organization's decision to be medically 60285
necessary, subject to the other terms, limitations, and conditions 60286
of the plan. 60287

Sec. 3923.77. (A) Each public employee benefit plan shall 60288
establish a reasonable external review process to examine the 60289
plan's coverage decisions for plan members who meet all of the 60290
following criteria: 60291

(1) The plan member has a terminal condition that, according 60292
to the current diagnosis of the plan member's physician, has a 60293
high probability of causing death within two years. 60294

(2) The plan member requests a review not later than ~~sixty~~ 60295
one hundred eighty days after receipt by the plan member of notice 60296
from the ~~superintendent of insurance under section 3923.75 of the~~ 60297
~~Revised Code that making a determination requires resolution of a~~ 60298
medical issue plan of the adverse decision. 60299

(3) The plan member's physician certifies that the plan 60300
member has the condition described in division (A)(1) of this 60301
section and any of the following situations are applicable: 60302

(a) Standard therapies have not been effective in improving 60303
the condition of the plan member. 60304

(b) Standard therapies are not medically appropriate for the 60305
plan member. 60306

(c) There is no standard therapy covered by the plan that is more beneficial than therapy described in division (A)(4) of this section. 60307
60308
60309

(4) The plan member's physician has recommended a drug, device, procedure, or other therapy that the physician certifies, in writing, is likely to be more beneficial to the plan member, in the physician's opinion, than standard therapies, or the plan member has requested a therapy that has been found in a preponderance of peer-reviewed published studies to be associated with effective clinical outcomes for the same condition. 60310
60311
60312
60313
60314
60315
60316

(5) The plan member has been denied coverage by the plan for a drug, device, procedure, or other therapy recommended or requested pursuant to division (A)(4) of this section, and has exhausted all internal appeals. 60317
60318
60319
60320

(6) The drug, device, procedure, or other therapy, for which coverage has been denied, would be a covered health care service except for the plan's determination that the drug, device, procedure, or other therapy is experimental or investigational. 60321
60322
60323
60324

(B) A review shall be requested in writing, except that if the plan member's physician determines that a therapy would be significantly less effective if not promptly initiated, the review may be requested orally or by electronic means. When an oral or electronic request for review is made, written confirmation of the request shall be submitted to the plan not later than five days after the oral or written request is submitted. For an expedited review, the plan member's provider must certify that the requested or recommended therapy would be significantly less effective if not promptly initiated. 60325
60326
60327
60328
60329
60330
60331
60332
60333
60334

(C) The external review process established by a plan shall meet all of the following criteria: 60335
60336

(1) Except as provided in division (E) of this section, the 60337

process shall afford all plan members who meet the criteria set 60338
forth in division (A) of this section the opportunity to have the 60339
plan's decision to deny coverage of the recommended or requested 60340
therapy reviewed under the process. Each eligible plan member 60341
shall be notified of that opportunity within thirty business days 60342
after the plan denies coverage. 60343

(2) The review shall be conducted by an independent review 60344
organization assigned by the superintendent of insurance under 60345
section 3901.80 of the Revised Code. The independent review 60346
organization shall select a panel to conduct the review, which 60347
panel shall be composed of at least three physicians or other 60348
providers who, through clinical experience in the past three 60349
years, are experts in the treatment of the plan member's medical 60350
condition and knowledgeable about the recommended or requested 60351
therapy. If the independent review organization retained by the 60352
plan is an academic medical center, the panel may include experts 60353
affiliated with or employed by the academic medical center. 60354

In either of the following circumstances, an exception may be 60355
made to the requirement that the review be conducted by an expert 60356
panel composed of a minimum of three physicians or other 60357
providers: 60358

(a) A review may be conducted by an expert panel composed of 60359
only two physicians or other providers if a plan member has 60360
consented in writing to a review by the smaller panel. 60361

(b) A review may be conducted by a single expert physician or 60362
other provider if only the expert physician or other provider is 60363
available for the review. 60364

(3) Neither the plan nor the plan member shall choose, or 60365
control the choice of, the physician or other provider experts. 60366

(4) The selected experts, any health care facility with which 60367
an expert is affiliated, and the independent review organization 60368

arranging for the experts' review shall not have any professional, 60369
familial, or financial affiliation with any of the following: 60370

(a) The plan or any officer, director, or managerial employee 60371
of the plan; 60372

(b) The plan member, the plan member's physician, or the 60373
practice group of the plan member's physician; 60374

(c) The health care facility at which the recommended or 60375
requested therapy would be provided; 60376

(d) The development or manufacture of the principal drug, 60377
device, procedure, or therapy involved in the recommended or 60378
requested therapy. However, experts affiliated with academic 60379
medical centers who provide health care services to members of the 60380
plan may serve as experts on the review panel. Further, experts 60381
with staff privileges at a health care facility that provides 60382
health care services to members of the plan, as well as experts 60383
who have a contractual relationship with the plan, but who were 60384
not involved with the plan's denial of coverage for the therapy 60385
under review, may serve as experts on the review panel. These 60386
nonaffiliation provisions do not preclude a plan from paying for 60387
the experts' review, as specified in division (C)(5) of this 60388
section. 60389

(5) Plan members shall not be required to pay for any part of 60390
the cost of the review. The cost of the review shall be borne by 60391
the plan. 60392

(6) The plan shall provide to the independent review 60393
organization arranging for the experts' review a copy of those 60394
records in the plan's possession that are relevant to the plan 60395
member's medical condition and the review. The records shall be 60396
disclosed solely to the expert reviewers and shall be used solely 60397
for the purpose of this section. At the request of the expert 60398
reviewers, the plan or the physician requesting the therapy shall 60399

provide any additional information that the expert reviewers 60400
request to complete the review. An expert reviewer is not required 60401
to render an opinion if the reviewer has not received any 60402
requested information that the reviewer considers necessary to 60403
complete the review. 60404

(7)(a) In the case of an expedited review, the independent 60405
review organization shall issue a written decision not later than 60406
seven days after the filing of the request for review. In all 60407
other cases, the independent review organization shall issue a 60408
written decision not later than thirty days after the filing of 60409
the request. The independent review organization shall send a copy 60410
of its decision to the plan and the plan member. If the plan 60411
member's provider or the health care facility rendering health 60412
care services to the plan member requested the review, the 60413
independent review organization shall also send a copy of its 60414
decision to the plan member's provider or the health care 60415
facility. 60416

(b) In conducting the review, the experts on the panel shall 60417
take into account all of the following: 60418

(i) Information submitted by the plan, the plan member, and 60419
the plan member's physician, including the plan member's medical 60420
records and the standards, criteria, and clinical rationale used 60421
by the plan to reach its coverage decision; 60422

(ii) Findings, studies, research, and other relevant 60423
documents of government agencies and nationally recognized 60424
organizations; 60425

(iii) Relevant findings in peer-reviewed medical or 60426
scientific literature and published opinions of nationally 60427
recognized medical experts; 60428

(iv) Clinical guidelines adopted by relevant national medical 60429
societies; 60430

(v) Safety, efficacy, appropriateness, and 60431
cost_effectiveness. 60432

(8) Each expert on the panel shall provide the independent 60433
review organization with a professional opinion as to whether 60434
there is sufficient evidence to demonstrate that the recommended 60435
or requested therapy is likely to be more beneficial to the plan 60436
member than standard therapies. 60437

(9) Each expert's opinion shall be presented in written form 60438
and shall include the following information: 60439

(a) A description of the plan member's condition; 60440

(b) A description of the indicators relevant to determining 60441
whether there is sufficient evidence to demonstrate that the 60442
recommended or requested therapy is more likely than not to be 60443
more beneficial to the plan member than standard therapies; 60444

(c) A description and analysis of any relevant findings 60445
published in peer-reviewed medical or scientific literature or the 60446
published opinions of medical experts or specialty societies; 60447

(d) A description of the plan member's suitability to receive 60448
the recommended or requested therapy according to a treatment 60449
protocol in a clinical trial, if applicable. 60450

(10) The independent review organization shall provide the 60451
plan with the opinions of the experts. The plan shall make the 60452
experts' opinions available to the plan member and the plan 60453
member's physician, upon request. 60454

(11) The opinion of the majority of the experts on the panel, 60455
rendered pursuant to division (C)(8) of this section, is binding 60456
on the plan with respect to that plan member. If the opinions of 60457
the experts on the panel are evenly divided as to whether the 60458
therapy should be covered, the plan's final decision shall be in 60459
favor of coverage. If less than a majority of the experts on the 60460

panel recommend coverage of the therapy, the plan may, in its discretion, cover the therapy. However, any coverage provided pursuant to division (C)(11) of this section is subject to the terms, limitations, and conditions of the plan.

(12) The plan shall have written policies describing the external review process.

(D) If a plan's initial denial of coverage for a therapy recommended or requested pursuant to division (A)(3) of this section is based upon an external review of that therapy meeting the requirements of division (C) of this section, this section shall not be a basis for requiring a second external review of the recommended or requested therapy.

(E) At any time during the external review process, the plan may elect to cover the recommended or requested health care service and terminate the review. The plan shall notify the plan member and all other parties involved by mail or, with consent or approval of the plan member, by electronic means.

(F) The plan shall annually file a certificate with the superintendent of insurance certifying its compliance with the requirements of this section.

Sec. 3923.90. Sec. 3929.43. (A) The Ohio fair plan underwriting association 60633
is hereby created consisting of all insurers authorized to write 60634
within this state, on a direct basis, basic property insurance or 60635
any component thereof in multi-peril policies, to assist 60636
applicants in urban areas to secure basic property insurance or 60637
homeowners insurance, and to formulate and administer a program 60638

for the equitable apportionment of basic property insurance or 60639
homeowners insurance which cannot be obtained in the normal 60640
market. Every such insurer shall be a member of the association 60641
and shall remain a member as a condition of its authority to write 60642
any of such insurance in this state. 60643

(B) The association, pursuant to sections 3929.41 to 3929.49 60644
of the Revised Code, and the plan of operation, with respect to 60645
basic property insurance or homeowners insurance, may assume and 60646
cede reinsurance on insurable risks written by its members. 60647

(C) The board of governors of the association shall submit to 60648
the superintendent of insurance, for ~~his~~ approval, a proposed plan 60649
of operation which shall provide for economical, fair, and 60650
nondiscriminatory administration of a program for the equitable 60651
apportionment among members of basic property insurance or 60652
homeowners insurance which may be afforded in urban areas to 60653
applicants whose property is insurable in accordance with 60654
reasonable underwriting standards, but who are unable to procure 60655
such insurance through normal channels. The association is under 60656
no obligation to issue basic property insurance or homeowners 60657
insurance to any person, unless that person and ~~his~~ that person's 60658
property would be insurable in the normal insurance market, and 60659
such property, except for its location, would constitute an 60660
insurable risk in accordance with reasonable underwriting 60661
standards. The plan of operation shall provide that the 60662
association, in determining whether the property is insurable, 60663
shall give no consideration to the condition of surrounding 60664
property or properties, where such condition is not within the 60665
control of the applicant. Rates for basic property insurance and 60666
homeowners insurance shall ~~not exceed those rates filed with~~ be 60667
subject to the approval of the superintendent ~~by the major rating~~ 60668
~~organization in this state, except that in the case of homeowners~~ 60669
~~insurance the association may file deviations to the rating plan~~ 60670

~~previously filed by such rating organization, and such deviations~~ 60671
~~shall be subject to the approval of the superintendent in the same~~ 60672
~~manner as other deviations under Chapter 3935. of the Revised~~ 60673
Code. The plan of operation may also provide for assessment of all 60674
members in amounts sufficient to operate the association, maximum 60675
limits of liability per location to be placed through the program, 60676
reasonable underwriting standards for determining insurability of 60677
a risk, and the commission to be paid to the licensed producer 60678
designated by the applicant. The superintendent shall adopt such 60679
plan and all amendments thereto pursuant to Chapter 119. of the 60680
Revised Code. 60681

If the superintendent disapproves the proposed plan of 60682
operation, the board of governors shall, within fifteen days, 60683
submit for approval an appropriately revised plan of operation and 60684
if the board of governors fails to do so, or if the revised plan 60685
submitted is unacceptable, the superintendent shall promulgate a 60686
plan of operation. 60687

If amendment of the plan of operation is requested by the 60688
superintendent or the board of governors, the board of governors 60689
shall submit to the superintendent, for ~~his~~ approval, such 60690
amendments. If such amendments are not approved by the 60691
superintendent, the board of governors shall, within fifteen days, 60692
submit for approval an appropriately revised amendment. If the 60693
board of governors fails to do so, or if the amendment is not 60694
approved by the superintendent, the superintendent shall 60695
promulgate such amendment as ~~he~~ the superintendent finds 60696
necessary. 60697

(D)(1) The plan of operation may provide for periodic advance 60698
assessments against member insurers in amounts considered 60699
necessary to cover any deficit or projected deficit arising out of 60700
the operation of the association. Any provision in the plan for 60701
implementation of such advance assessments shall be approved by 60702

the superintendent. Any such provision in the plan shall also 60703
provide for quarterly or other periodic installment payment of 60704
such assessments. 60705

(2) Such plan shall provide a method whereby member insurers 60706
may recoup assessments levied by the association. In order to 60707
recoup such assessments the plan may also provide for the 60708
calculation and use of rates or rating factors to be applied to 60709
direct premiums for basic property insurance and homeowners 60710
insurance located in this state. Such a provision is subject to 60711
the approval of the superintendent. Member insurers of the 60712
association implementing a change in rates pursuant to this 60713
section shall file such changes with the superintendent. Such 60714
changes shall not increase rates more than the amount authorized 60715
by the association and approved by the superintendent pursuant to 60716
the plan. The association may consult with member insurers or 60717
licensed rating bureaus in connection with the establishment and 60718
operation of any such provision. 60719

(E) Any insurer which is a member of the association shall 60720
participate in the writings, expenses, profits, and losses of the 60721
association in the proportion that its premiums written bear to 60722
the aggregate premiums written by all members of the association, 60723
except that this division shall not be construed to preclude the 60724
board of governors from taking action to adjust assessments in 60725
accordance with a program adopted pursuant to division (I) of this 60726
section. 60727

(F) Such plan shall require the issuance of a binder 60728
providing coverage for which the applicant tenders an amount equal 60729
to the annual premium as estimated by the association, ~~such or an~~ 60730
appropriate percentage of that annual premium as determined by the 60731
association. The binder taking shall take effect fifteen days 60732
following the date of the day after the association receives the 60733
application, provided that the application meets the underwriting 60734

standards of the association, for such term, and under such 60735
conditions as are determined by the superintendent ~~of insurance.~~ 60736
The superintendent may alter such time requirement on a specific 60737
risk under such conditions as ~~he~~ the superintendent finds 60738
appropriate. 60739

(G) The association shall be governed by a board of governors 60740
consisting of twelve members, four of whom shall be appointed by 60741
the governor with the advice and consent of the senate. One of 60742
such members shall be a licensed agent writing basic property 60743
insurance for more than one insurer. None of the other three such 60744
members shall be a director, officer, salaried employee, agent, or 60745
substantial shareholder of any insurance company and not more than 60746
two of these three members shall be members of the same political 60747

be for two years, commencing on the nineteenth day of September 60749
and ending on the eighteenth day of September. Each member shall 60750
hold office from the date of ~~his~~ appointment until the end of the 60751
term for which ~~he~~ the member was appointed. Any member appointed 60752
to fill a vacancy occurring prior to the expiration of the term 60753
for which ~~his~~ the member's predecessor was appointed shall hold 60754
office for the remainder of such term. Any appointed member shall 60755
continue in office subsequent to the expiration date of ~~his~~ the 60756
member's term until ~~his~~ the member's successor takes office, or 60757
until a period of sixty days has elapsed, whichever occurs first. 60758
The remaining eight members shall be representatives from member 60759
companies, at least five of whom shall be Ohio domiciled members, 60760
elected annually by accumulated voting by members of the 60761
association whose votes shall be weighed in accordance with each 60762
member's premiums written during the second preceding calendar 60763
year. Not more than one insurer in a group under the same 60764
management or ownership shall serve on the board of governors at 60765
the same time. The eight representatives of member companies shall 60766
be elected at a meeting of the members or their authorized 60767

representatives, which shall be held at a time and place 60768
designated by the superintendent. 60769

(H) The plan shall be administered under the supervision of 60770
the superintendent. 60771

(I) The board of governors shall adopt a written program for 60772
decreasing the overall utilization of the association as a source 60773
of insurance. The program shall set forth actions that the board 60774
shall take to decrease such utilization, including actions 60775
intended to reduce the number of policies issued, the number of 60776
persons whose properties are insured, and the total amount and 60777
kinds of insurance written by the association, provided this 60778
division does not authorize the board to take action intended to 60779
decrease utilization of the association as a source of insurance 60780
if such action would substantially conflict with the purposes set 60781

employee organization had the support of the majority of the 61733
employees in the unit. 61734

(B) Only the names of those employee organizations designated 61735
by more than ten per cent of the employees in the unit found to be 61736

(4) Except as provided in this section, the board shall 61752
include on the ballot a choice of "no representative"; 61753

(5) In an election where none of the choices on the ballot 61754

that case, the ballot shall provide for a selection between the 61756
two choices or parties receiving the highest and the second 61757
highest number of ballots cast in the election. 61758

(6) The board may not conduct an election under this section 61759
in any appropriate bargaining unit within which a board-conducted 61760

an unfair labor practice has been committed, the board or its 61775
designated agent shall investigate the charge. If the board has 61776
probable cause for believing that a violation has occurred, the 61777
board shall issue a complaint and shall conduct a hearing 61778
concerning the charge. The board shall cause the complaint to be 61779
served upon the charged party which shall contain a notice of the 61780
time at which the hearing on the complaint will be held either 61781
before the board, a board member, or ~~a hearing officer~~ an 61782
administrative law judge. The board may not issue a notice of 61783

be assessed accordingly. 61794

(1) The board, board member, or ~~hearing officer~~ 61795

shall within ten days from receipt of the complaint or amendment 61800
to the complaint, file an answer to the complaint or amendment to 61801
the complaint. The charged party may file an answer to an original 61802
or amended complaint. The agents of the board and the person 61803
charged are parties and may appear or otherwise give evidence at 61804
the hearing. At the discretion of the board, board member, or 61805
~~hearing officer~~ administrative law judge, any interested party may 61806
intervene and present evidence at the hearing. The board, board 61807
member, or ~~hearing officer~~ administrative law judge is not bound 61808
by the rules of evidence prevailing in the courts. 61809

(2) A board member or ~~hearing officer~~ administrative law 61810

all interested parties. The ~~hearing officer~~ administrative law 61815
judge or board member shall issue to the parties a proposed 61816
decision, together with a recommended order and file it with the 61817
board. If the parties file no exceptions within twenty days after 61818
service thereof, the recommended order becomes the order of the 61819
board effective as therein prescribed. If the parties file 61820
exceptions to the proposed report, the board shall determine 61821
whether substantial issues have been raised. The board may rescind 61822
or modify the proposed order of the board member or ~~hearing~~ 61823

~~officer~~ administrative law judge; however, if the board determines 61824
that the exceptions do not raise substantial issues of fact or 61825
law, it may refuse to grant review, and the recommended order 61826
becomes effective as therein prescribed. 61827

(3) If upon the preponderance of the evidence taken, the 61828
board believes that any person named in the complaint has engaged 61829

(C)(1) Except as otherwise provided in division (C)(1) of 63040
this section, for each registration renewal with an expiration 63041

after that date, the registrar and deputy registrar shall collect 63050
an additional fee of thirty dollars for each application for 63051
registration and registration renewal received. The additional fee 63052
is for the purpose of defraying the department of public safety's 63053
costs associated with the administration and enforcement of the 63054
motor vehicle and traffic laws of Ohio. Each deputy registrar 63055
shall transmit the fees collected under division (C)(1) of this 63056
section in the time and manner provided in this section. The 63057
registrar shall deposit all moneys received under division (C)(1) 63058

(2) In addition, a charge of twenty-five cents shall be made 63062
for each reflectorized safety license plate issued, and a single 63063
charge of twenty-five cents shall be made for each county 63064
identification sticker or each set of county identification 63065
stickers issued, as the case may be, to cover the cost of 63066
producing the license plates and stickers, including material, 63067
manufacturing, and administrative costs. Those fees shall be in 63068
addition to the license tax. If the total cost of producing the 63069

plates is less than twenty-five cents per plate, or if the total 63070
cost of producing the stickers is less than twenty-five cents per 63071
sticker or per set issued, any excess moneys accruing from the 63072
fees shall be distributed in the same manner as provided by 63073
section 4501.04 of the Revised Code for the distribution of 63074
license tax moneys. If the total cost of producing the plates 63075
exceeds twenty-five cents per plate, or if the total cost of 63076
producing the stickers exceeds twenty-five cents per sticker or 63077
per set issued, the difference shall be paid from the license tax 63078
moneys collected pursuant to section 4503.02 of the Revised Code. 63079

(D) Each deputy registrar shall be allowed a fee of three 63080
dollars and fifty cents for each application for registration and 63081
registration renewal notice the deputy registrar receives, which 63082
shall be for the purpose of compensating the deputy registrar for 63083
the deputy registrar's services, and such office and rental 63084
expenses, as may be necessary for the proper discharge of the 63085
deputy registrar's duties in the receiving of applications and 63086
renewal notices and the issuing of registrations. 63087

(E) Upon the certification of the registrar, the county 63088
sheriff or local police officials shall recover license plates 63089
erroneously or fraudulently issued. 63090

(F) Each deputy registrar, upon receipt of any application 63091

director of public safety, may deposit the funds collected by 63098
those deputies in a local bank or depository to the credit of the 63099
"state of Ohio, bureau of motor vehicles." Where a local bank or 63100
depository has been designated by the registrar, each deputy 63101

registrar shall deposit all moneys collected by the deputy 63102
registrar into that bank or depository not more than one business 63103
day after their collection and shall make reports to the registrar 63104
of the amounts so deposited, together with any other information, 63105
some of which may be prescribed by the treasurer of state, as the 63106
registrar may require and as prescribed by the registrar by rule. 63107
The registrar, within three days after receipt of notification of 63108
the deposit of funds by a deputy registrar in a local bank or 63109
depository, shall draw on that account in favor of the treasurer 63110
of state. The registrar, subject to the approval of the director 63111
and the treasurer of state, may make reasonable rules necessary 63112
for the prompt transmittal of fees and for safeguarding the 63113
interests of the state and of counties, townships, municipal 63114
corporations, and transportation improvement districts levying 63115
local motor vehicle license taxes. The registrar may pay service 63116
charges usually collected by banks and depositories for such 63117
service. If deputy registrars are located in communities where 63118
banking facilities are not available, they shall transmit the fees 63119
forthwith, by money order or otherwise, as the registrar, by rule 63120
approved by the director and the treasurer of state, may 63121
prescribe. The registrar may pay the usual and customary fees for 63122
such service. 63123

application for a motor vehicle license directly to the registrar 63125
by mail, by electronic means, or in person at any of the 63126
