(5) "Community control sanction" has the same meaning as in 125612

(B) Unless the court, in accordance with division (C) of this 125614
section, enters in the record of the case a different method of 125615
assigning payments, if a person who is charged with a misdemeanor 125616
is convicted of or pleads guilty to the offense, if the court 125617
orders the offender to pay any combination of court costs, state 125618

all of the court costs, state fines or costs, and restitution that 125638
the court ordered the offender to pay have been paid, the 125639

remainder of the offender's payment shall be assigned toward the 125640

the case the order so prescribed. If a different order is entered 125655
in the record, on receipt of any payment, the clerk of the court 125656
shall assign the payment in the manner prescribed by the court. 125657

Section 110.11. That the existing version of section 2949.111 125658
of the Revised Code that is scheduled to take effect January 1, 125659
2010, is hereby repealed. 125660

Section 110.12. Sections 110.10 and 110.11 of this act take 125661
effect January 1, 2010. 125662

Section 110.20. That the version of section 5739.033 of the 125663
Revised Code that is scheduled to take effect January 1, 2010, be 125664
amended to read as follows: 125665

Sec. 5739.033. (A) The amount of tax due pursuant to sections 125666
5739.02, 5739.021, 5739.023, and 5739.026 of the Revised Code is 125667
the sum of the taxes imposed pursuant to those sections at the 125668

sourcing location of the sale as determined under this section or, 125669
if applicable, under division (C) of section 5739.031 or section 125670
5739.034 of the Revised Code. This section applies only to a 125671
vendor's or seller's obligation to collect and remit sales taxes 125672
under section 5739.02, 5739.021, 5739.023, or 5739.026 of the 125673
Revised Code or use taxes under section 5741.02, 5741.021, 125674
5741.022, or 5741.023 of the Revised Code. Division (A) of this 125675
section does not apply in determining the jurisdiction for which 125676
sellers are required to collect the use tax under section 5741.05 125677
of the Revised Code. This section does not affect the obligation 125678
of a consumer to remit use taxes on the storage, use, or other 125679
consumption of tangible personal property or on the benefit 125680
realized of any service provided, to the jurisdiction of that 125681
storage, use, or consumption, or benefit realized. 125682

(B)(1) Beginning January 1, 2010, retail sales, excluding the 125683
lease or rental, of tangible personal property or digital goods 125684
shall be sourced to the location where the vendor receives an 125685
order for the sale of such property or goods if: 125686

(a) The vendor receives the order in this state and the 125687
consumer receives the property or goods in this state; 125688

(b) The location where the consumer receives the property or 125689
goods is determined under division (C)(2), (3), or (4) of this 125690
section; and 125691

(c) The record-keeping system used by the vendor to calculate 125692
the tax imposed captures the location where the order is received 125693
at the time the order is received. 125694

(2) A consumer has no additional liability to this state 125695
under this chapter or Chapter 5741. of the Revised Code for tax, 125696
penalty, or interest on a sale for which the consumer remits tax 125697
to the vendor in the amount invoiced by the vendor if the invoice 125698
amount is calculated at either the rate applicable to the location 125699

where the consumer receives the property or digital good or at the 125700
rate applicable to the location where the order is received by the 125701
vendor. A consumer may rely on a written representation by the 125702
vendor as to the location where the order for the sale was 125703
received by the vendor. If the consumer does not have a written 125704
representation by the vendor as to the location where the order 125705
was received by the vendor, the consumer may use a location 125706
indicated by a business address for the vendor that is available 125707
from records that are maintained in the ordinary course of the 125708
consumer's business to determine the rate applicable to the 125709
location where the order was received. 125710

(3) For the purposes of division (B) of this section, the 125711
location where an order is received by or on behalf of a vendor 125712
means the physical location of the vendor or a third party such as 125713
an established outlet, office location, or automated order receipt 125714
system operated by or on behalf of the vendor, where an order is 125715
initially received by or on behalf of the vendor, and not where 125716
the order may be subsequently accepted, completed, or fulfilled. 125717
An order is received when all necessary information to determine 125718
whether the order can be accepted has been received by or on 125719
behalf of the vendor. The location from which the property or 125720
digital good is shipped shall not be used to determine the 125721
location where the order is received by the vendor. 125722

(4) For the purposes of division (B) of this section, if 125723
services subject to taxation under this chapter or Chapter 5741. 125724
of the Revised Code are sold with tangible personal property or 125725
digital goods pursuant to a single contract or in the same 125726
transaction, the services are billed on the same billing statement 125727
or invoice, and, because of the application of division (B) of 125728
this section, the transaction would be sourced to more than one 125729
jurisdiction, the situs of the transaction shall be the location 125730
where the order is received by or on behalf of the vendor. 125731

(C) Except for sales, other than leases, of titled motor vehicles, titled watercraft, or titled outboard motors as provided in section 5741.05 of the Revised Code, or as otherwise provided in this section and section 5739.034 of the Revised Code, all sales shall be sourced as follows:

(1) If the consumer or a donee designated by the consumer receives tangible personal property or a service at a vendor's place of business, the sale shall be sourced to that place of business.

(2) When the tangible personal property or service is not received at a vendor's place of business, the sale shall be sourced to the location known to the vendor where the consumer or the donee designated by the consumer receives the tangible personal property or service, including the location indicated by instructions for delivery to the consumer or the consumer's donee.

(3) If divisions (C)(1) and (2) of this section do not apply, the sale shall be sourced to the location indicated by an address for the consumer that is available from the vendor's business records that are maintained in the ordinary course of the vendor's business, when use of that address does not constitute bad faith.

(4) If divisions (C)(1), (2), and (3) of this section do not apply, the sale shall be sourced to the location indicated by an address for the consumer obtained during the consummation of the sale, including the address associated with the consumer's payment instrument, if no other address is available, when use of that address does not constitute bad faith.

(5) If divisions (C)(1), (2), (3), and (4) of this section do not apply, including in the circumstance where the vendor is without sufficient information to apply any of those divisions, the sale shall be sourced to the address from which tangible

personal property was shipped, or from which the service was 125763
provided, disregarding any location that merely provided the 125764
electronic transfer of the property sold or service provided. 125765

(6) As used in division (C) of this section, "receive" means 125766
taking possession of tangible personal property or making first 125767
use of a service. "Receive" does not include possession by a 125768
shipping company on behalf of a consumer. 125769

(D)(1)(a) Notwithstanding divisions (C)(1) to (5) of this 125770
section, a business consumer that is not a holder of a direct 125771
payment permit granted under section 5739.031 of the Revised Code, 125772
that purchases a digital good, computer software, except computer 125773
software received in person by a business consumer at a vendor's 125774
place of business, or a service, and that knows at the time of 125775
purchase that such digital good, software, or service will be 125776
concurrently available for use in more than one taxing 125777
jurisdiction shall deliver to the vendor in conjunction with its 125778
purchase an exemption certificate claiming multiple points of use, 125779
or shall meet the requirements of division (D)(2) of this section. 125780
On receipt of the exemption certificate claiming multiple points 125781
of use, the vendor is relieved of its obligation to collect, pay, 125782
or remit the tax due, and the business consumer must pay the tax 125783
directly to the state. 125784

(b) A business consumer that delivers the exemption 125785
certificate claiming multiple points of use to a vendor may use 125786
any reasonable, consistent, and uniform method of apportioning the 125787
tax due on the digital good, computer software, or service that is 125788
supported by the consumer's business records as they existed at 125789
the time of the sale. The business consumer shall report and pay 125790
the appropriate tax to each jurisdiction where concurrent use 125791
occurs. The tax due shall be calculated as if the apportioned 125792
amount of the digital good, computer software, or service had been 125793
delivered to each jurisdiction to which the sale is apportioned 125794

under this division. 125795

(c) The exemption certificate claiming multiple points of use 125796
shall remain in effect for all future sales by the vendor to the 125797
business consumer until it is revoked in writing by the business 125798
consumer, except as to the business consumer's specific 125799
apportionment of a subsequent sale under division (D)(1)(b) of 125800
this section and the facts existing at the time of the sale. 125801

(2) When the vendor knows that a digital good, computer 125802
software, or service sold will be concurrently available for use 125803
by the business consumer in more than one jurisdiction, but the 125804
business consumer does not provide an exemption certificate 125805
claiming multiple points of use as required by division (D)(1) of 125806
this section, the vendor may work with the business consumer to 125807
produce the correct apportionment. Governed by the principles of 125808
division (D)(1)(b) of this section, the vendor and business 125809
consumer may use any reasonable, but consistent and uniform, 125810
method of apportionment that is supported by the vendor's and 125811
business consumer's books and records as they exist at the time 125812
the sale is reported for purposes of the taxes levied under this 125813
chapter. If the business consumer certifies to the accuracy of the 125814
apportionment and the vendor accepts the certification, the vendor 125815
shall collect and remit the tax accordingly. In the absence of bad 125816
faith, the vendor is relieved of any further obligation to collect 125817
tax on any transaction where the vendor has collected tax pursuant 125818
to the information certified by the business consumer. 125819

(3) When the vendor knows that the digital good, computer 125820
software, or service will be concurrently available for use in 125821
more than one jurisdiction, and the business consumer does not 125822
have a direct pay permit and does not provide to the vendor an 125823
exemption certificate claiming multiple points of use as required 125824
in division (D)(1) of this section, or certification pursuant to 125825
division (D)(2) of this section, the vendor shall collect and 125826

remit the tax based on division (C) of this section. 125827

(4) Nothing in this section shall limit a person's obligation 125828
for sales or use tax to any state in which a digital good, 125829
computer software, or service is concurrently available for use, 125830
nor limit a person's ability under local, state, or federal law, 125831
to claim a credit for sales or use taxes legally due and paid to 125832
other jurisdictions. 125833

(E) A person who holds a direct payment permit issued under 125834
section 5739.031 of the Revised Code is not required to deliver an 125835
exemption certificate claiming multiple points of use to a vendor. 125836
But such permit holder shall comply with division (D)(2) of this 125837
section in apportioning the tax due on a digital good, computer 125838
software, or a service for use in business that will be 125839
concurrently available for use in more than one taxing 125840
jurisdiction. 125841

(F)(1) Notwithstanding divisions (C)(1) to (5) of this 125842
section, the consumer of direct mail that is not a holder of a 125843
direct payment permit shall provide to the vendor in conjunction 125844
with the sale either an exemption certificate claiming direct mail 125845
prescribed by the tax commissioner, or information to show the 125846
jurisdictions to which the direct mail is delivered to recipients. 125847

(2) Upon receipt of such exemption certificate, the vendor is 125848
relieved of all obligations to collect, pay, or remit the 125849
applicable tax and the consumer is obligated to pay that tax on a 125850
direct pay basis. An exemption certificate claiming direct mail 125851
shall remain in effect for all future sales of direct mail by the 125852
vendor to the consumer until it is revoked in writing. 125853

(3) Upon receipt of information from the consumer showing the 125854
jurisdictions to which the direct mail is delivered to recipients, 125855
the vendor shall collect the tax according to the delivery 125856
information provided by the consumer. In the absence of bad faith, 125857

the vendor is relieved of any further obligation to collect tax on 125858
any transaction where the vendor has collected tax pursuant to the 125859
delivery information provided by the consumer. 125860

(4) If the consumer of direct mail does not have a direct 125861
payment permit and does not provide the vendor with either an 125862
exemption certificate claiming direct mail or delivery information 125863
as required by division (F)(1) of this section, the vendor shall 125864
collect the tax according to division (C)(5) of this section. 125865
Nothing in division (F)(4) of this section shall limit a 125866
consumer's obligation to pay sales or use tax to any state to 125867
which the direct mail is delivered. 125868

(5) If a consumer of direct mail provides the vendor with 125869
documentation of direct payment authority, the consumer shall not 125870
be required to provide an exemption certificate claiming direct 125871
mail or delivery information to the vendor. 125872

(G) If the vendor provides lodging to transient guests as 125873

Code, the sale shall be sourced to the location where the lodging 125875

MANDATE ASSISTANCE 127585

(A) The foregoing appropriation item 911404, Mandate 127586

units of government and school districts for the cost of the 127588
following two state mandates: 127589

(1) The cost to county prosecutors for prosecuting certain 127590
felonies that occur on the grounds of state institutions operated 127591
by the Department of Rehabilitation and Correction and the 127592

Department of Youth Services;			127593
(2) The cost to school districts of in-service training for child abuse detection.			127594 127595
(B) The Division of Criminal Justice Services in the Department of Public Safety and the Department of Education may prepare and submit to the Controlling Board one or more requests to transfer appropriations from appropriation item 911404, Mandate Assistance. The state agencies charged with this administrative responsibility are listed below, as well as the estimated annual amounts that may be used for each program of state financial assistance.			127596 127597 127598 127599 127600 127601 127602 127603

(D) In addition to making the initial transfers requested by the Division of Criminal Justice Services and the Department of Education, the Controlling Board may transfer appropriations received by a state agency under this section back to appropriation item 911404, Mandate Assistance, or to the other program of state financial assistance identified under this section.			127616 127617 127618 127619 127620 127621 127622

(E) It is expected that not all costs incurred by local units of government and school districts under each of the two programs of state financial assistance identified in this section will be fully reimbursed by the state. Reimbursement levels may vary by program and shall be based on: the relationship between the appropriation transfers requested by the Division of Criminal Justice Services and the Department of Education and provided by the Controlling Board for each of the programs; the rules and procedures established for each program by the administering state agency; and the actual costs incurred by local units of government and school districts.

(F) Each of these programs of state financial assistance shall be carried out as follows:

(1) PROSECUTION COSTS

(a) Appropriations may be transferred to the Division of Criminal Justice Services to cover local prosecution costs for aggravated murder, murder, felonies of the first degree, and felonies of the second degree that occur on the grounds of institutions operated by the Department of Rehabilitation and Correction and the Department of Youth Services.

(b) Upon a delinquency filing in juvenile court or the return of an indictment for aggravated murder, murder, or any felony of the first or second degree that was committed at a Department of Youth Services or a Department of Rehabilitation and Correction institution, the affected county may, in accordance with rules that the Division of Criminal Justice Services shall adopt, apply to the Division of Criminal Justice Services for a grant to cover all documented costs that are incurred by the county prosecutor's office.

(c) Twice each year, the Division of Criminal Justice Services shall designate counties to receive grants from those

counties that have submitted one or more applications in 127654
compliance with the rules that have been adopted by the Division 127655
of Criminal Justice Services for the receipt of such grants. In 127656
each year's first round of grant awards, if sufficient 127657
appropriations have been made, up to a total of \$100,000 may be 127658
awarded. In each year's second round of grant awards, the 127659
remaining appropriations available for this purpose may be 127660
awarded. 127661

(d) If for a given round of grants there are insufficient 127662
appropriations to make grant awards to all the eligible counties, 127663
the first priority shall be given to counties with cases involving 127664
aggravated murder and murder; second priority shall be given to 127665
counties with cases involving a felony of the first degree; and 127666
third priority shall be given to counties with cases involving a 127667
felony of the second degree. Within these priorities, the grant 127668
awards shall be based on the order in which the applications were 127669
received, except that applications for cases involving a felony of 127670
the first or second degree shall not be considered in more than 127671
two consecutive rounds of grant awards. 127672

(2) CHILD ABUSE DETECTION TRAINING COSTS 127673

Appropriations may be transferred to the Department of 127674
Education for payment to local school districts as full or partial 127675
reimbursement for the cost of providing in-service training for 127676
child abuse detection. In accordance with rules that the 127677
Department shall adopt, a local school district may apply to the 127678
Department for a grant to cover all documented costs that are 127679
incurred to provide in-service training for child abuse detection. 127680
The department shall make grants within the limits of the funding 127681
provided. 127682

(G) Any moneys allocated within appropriation item 911404, 127683
Mandate Assistance, not fully utilized may, upon application of 127684
the Ohio Public Defender Commission, and with the approval of the 127685

Controlling Board, be paid to boards of county commissioners to 127686
provide additional reimbursement for the costs incurred by 127687
counties in providing defense to indigent defendants pursuant to 127688
Chapter 120. of the Revised Code. Application for the unutilized 127689
funds shall be made by the Ohio Public Defender Commission at the 127690
first June meeting of the Controlling Board. 127691

The amount to be paid to each county shall be allocated 127692
proportionately on the basis of the total amount of reimbursement 127693
paid to each county as a percentage of the amount of reimbursement 127694
paid to all of the counties during the most recent state fiscal 127695
year for which data is available and as calculated by the Ohio 127696
Public Defender Commission. 127697

Board shall approve transfers from the foregoing appropriation 127701
item 911441, Ballot Advertising Costs, to appropriation item 127702
050621, Statewide Ballot Advertising, in order to pay for the cost 127703
of public notices associated with statewide ballot initiatives. 127704
127705

CAPITAL APPROPRIATION INCREASE FOR FEDERAL STIMULUS 127706
ELIGIBILITY 127707

A state agency director shall request that the Controlling 127708
Board increase the amount of the agency's capital appropriations 127709
if the director determines such an increase is necessary for the 127710
agency to receive and use funds under the federal American 127711
Recovery and Reinvestment Act of 2009. The Controlling Board may 127712
increase the capital appropriations pursuant to the request up to 127713
the exact amount necessary under the federal act if the Board 127714
determines it is necessary for the agency to receive and use those 127715
federal funds. 127716

Section 265.10.10. PERSONAL SERVICES 128577

The foregoing appropriation item 200100, Personal Services, 128578
 may be used to pay fees for the Department's membership in the 128579
 Education Commission of the States, an interstate nonprofit, 128580
 nonpartisan organization that supports states with the development 128581
 of education policy. 128582

Of the foregoing appropriation item 200100, Personal 128583
 Services, up to \$500,000 in each fiscal year shall be used to 128584
 support administration and activities including travel, contract 128585
 services, and other expenses of the Governor's Closing the 128586
 Achievement Gap Initiative in the Department. 128587

Section 265.10.20. EARLY CHILDHOOD EDUCATION 128588

The Department of Education shall distribute the foregoing 128589
 appropriation item 200408, Early Childhood Education, to pay the 128590
 costs of early childhood education programs. 128591

(A) As used in this section: 128592

(1) "Provider" means a city, local, exempted village, or 128593
 joint vocational school district, or an educational service 128594
 center. 128595

(2) In the case of a city, local, or exempted village school district, "new eligible provider" means a district that did not receive state funding for Early Childhood Education in the previous fiscal year or demonstrates a need for early childhood programs as defined in division (D) of this section.

(3) "Eligible child" means a child who is at least three years of age as of the district entry date for kindergarten, is not of the age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as defined in division (A)(3) of section 5101.46 of the Revised Code. Children with an Individualized Education Program and where the Early Childhood Education program is the least restrictive environment may be enrolled on their third birthday.

(B) In each fiscal year, up to two per cent of the total appropriation may be used by the Department for program support and technical assistance. The Department shall distribute the remainder of the appropriation in each fiscal year to serve eligible children.

(C) The Department shall provide an annual report to the Governor, the Speaker of the House of Representatives, and the President of the Senate and post the report to the Department's web site, regarding early childhood education programs operated under this section and the early learning program guidelines.

(D) After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2010, the Department shall distribute funds first to recipients of funds for early childhood education programs under Section 269.10.20 of Am. Sub. H.B. 119 of the 127th General Assembly in the previous fiscal year and the balance to new eligible providers of early childhood education programs under this section or to existing providers to serve more eligible children or for purposes of program expansion, improvement, or special projects to promote quality and

innovation. 128628

After setting aside the amounts to make payments due from the 128629
previous fiscal year, in fiscal year 2011, the Department shall 128630
distribute funds first to providers of early childhood education 128631
programs under this section in the previous fiscal year and the 128632
balance to new eligible providers or to existing providers to 128633
serve more eligible children or for purposes of program expansion, 128634
improvement, or special projects to promote quality and 128635
innovation. 128636

Awards under this section shall be distributed on a per-pupil 128637
basis, and in accordance with division (H) of this section. The 128638
Department may adjust the per-pupil amount so that the per-pupil 128639
amount multiplied by the number of eligible children enrolled and 128640
receiving services, as defined by the Department, reported on the 128641
first day of December or the first business day following that 128642
date equals the amount allocated under this section. 128643

(E) Costs for developing and administering an early childhood 128644
education program may not exceed fifteen per cent of the total 128645
approved costs of the program. 128646

All providers shall maintain such fiscal control and 128647
accounting procedures as may be necessary to ensure the 128648
disbursement of, and accounting for, these funds. The control of 128649
funds provided in this program, and title to property obtained 128650
therefrom, shall be under the authority of the approved provider 128651
for purposes provided in the program unless, as described in 128652
division (J) of this section, the program waives its right for 128653
funding or a program's funding is eliminated or reduced due to its 128654
inability to meet financial or early learning program guidelines. 128655
The approved provider shall administer and use such property and 128656
funds for the purposes specified. 128657

(F) The Department may examine a provider's financial and 128658

program records. If the financial practices of the program are not 128659
in accordance with standard accounting principles or do not meet 128660
financial standards outlined under division (E) of this section, 128661
or if the program fails to substantially meet the early learning 128662
program guidelines or exhibits below average performance as 128663
measured against the guidelines, the early childhood education 128664
program shall propose and implement a corrective action plan that 128665
has been approved by the Department. The approved corrective 128666
action plan shall be signed by the chief executive officer and the 128667
executive of the official governing body of the provider. The 128668
corrective action plan shall include a schedule for monitoring by 128669
the Department. Such monitoring may include monthly reports, 128670
inspections, a timeline for correction of deficiencies, and 128671
technical assistance to be provided by the Department or obtained 128672
by the early childhood education program. The Department may 128673
withhold funding pending corrective action. If an early childhood 128674
education program fails to satisfactorily complete a corrective 128675
action plan, the Department may deny expansion funding to the 128676
program or withdraw all or part of the funding to the program and 128677
establish a new eligible provider through a selection process 128678
established by the Department. 128679

(G) Each early childhood education program shall do all of 128680
the following: 128681

(1) Meet teacher qualification requirements prescribed by 128682
section 3301.311 of the Revised Code; 128683

(2) Align curriculum to the early learning content standards 128684
developed by the Department; 128685

(3) Meet any child or program assessment requirements 128686
prescribed by the Department; 128687

(4) Require teachers, except teachers enrolled and working to 128688
obtain a degree pursuant to section 3301.311 of the Revised Code, 128689

to attend a minimum of twenty hours every two years of professional development as prescribed by the Department; 128690
128691

(5) Document and report child progress as prescribed by the Department; 128692
128693

(6) Meet and report compliance with the early learning program guidelines as prescribed by the Department. 128694
128695

(H) Per-pupil funding for programs subject to this section shall be sufficient to provide eligible children with services for a standard early childhood schedule which shall be defined in this section as one-half of the statewide average length of the school day, as determined by the Department, for the minimum school year as defined in sections 3313.48, 3313.481, and 3313.482 of the Revised Code. Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the statewide average length of the school day or that exceed the minimum school year. For any provider for which a standard early childhood education does not meet the local need or creates a hardship, the provider may submit a waiver to the Department requesting an alternate schedule. If the Department approves a waiver for an alternate schedule that provides services for less time than the standard early childhood education schedule, the Department shall reduce the provider's annual allocation proportionately. Under no circumstances shall an annual allocation be increased because of the approval of an alternate schedule. 128696

(J) If an early childhood education program voluntarily 128720

waives its right for funding, or has its funding eliminated for 128721
not meeting financial standards or the early learning program 128722
guidelines, the provider shall transfer control of title to 128723
property, equipment, and remaining supplies obtained through the 128724
program to providers designated by the Department and return any 128725
unexpended funds to the Department along with any reports 128726
prescribed by the Department. The funding made available from a 128727
program that waives its right for funding or has its funding 128728
eliminated or reduced may be used by the Department for new grant 128729
awards or expansion grants. The Department may award new grants or 128730
expansion grants to eligible providers who apply. The eligible 128731
providers who apply must do so in accordance with the selection 128732
process established by the Department. 128733

(K) As used in this section, "early learning program 128734
guidelines" means the guidelines established by the Department 128735
pursuant to division (C)(3) of Section 206.09.54 of Am. Sub. H.B. 128736
66 of the 126th General Assembly. 128737

(L) Eligible expenditures for the Early Childhood Education 128738
program shall be claimed each fiscal year to help meet the state's 128739
TANF maintenance of effort requirement. The Superintendent of 128740
Public Instruction and the Director of Job and Family Services 128741
shall enter into an interagency agreement to carry out the 128742
requirements under this division, which shall include developing 128743
reporting guidelines for these expenditures. 128744

Section 265.10.23. EARLY CHILDHOOD CABINET 128745

The Governor shall appoint to the entity in the Office of the 128746
Governor known as the Early Childhood Cabinet a representative of 128747
a board of health of a city or general health district or an 128748
authority having the duties of a board of health under section 128749
3709.05 of the Revised Code. The Governor shall make the 128750
appointment not later than six months after the effective date of 128751

this section. 128752

Section 265.10.30. CAREER-TECHNICAL EDUCATION MATCH 128753

The foregoing appropriation item 200416, Career-Technical 128754
Education Match, shall be used by the Department of Education to 128755
provide vocational administration matching funds under 20 U.S.C. 128756

The foregoing appropriation item 200420, 128759
Computer/Application/Network Development, shall be used to support 128760
the development and implementation of information technology 128761
solutions designed to improve the performance and services of the 128762
Department of Education. Funds may be used for personnel, 128763
maintenance, and equipment costs related to the development and 128764
implementation of these technical system projects. Implementation 128765
of these systems shall allow the Department to provide greater 128766
levels of assistance to school districts and to provide more 128767
timely information to the public, including school districts, 128768
administrators, and legislators. Funds may also be used to support 128769
data-driven decision-making and differentiated instruction, as 128770
well as to communicate academic content standards and curriculum 128771
models to schools through web-based applications. 128772

Section 265.10.40. ALTERNATIVE EDUCATION PROGRAMS 128773

The foregoing appropriation item 200421, Alternative 128774
Education Programs, shall be used for the renewal of successful 128775
implementation grants and for competitive matching grants to the 128776
21 urban school districts as defined in division (O) of section 128777

competitive matching grants to rural and suburban school districts 128780
for alternative educational programs for existing and new at-risk 128781

more of the following categories: those who have been expelled or 128783
suspended, those who have dropped out of school or who are at risk 128784
of dropping out of school, those who are habitually truant or 128785
disruptive, or those on probation or on parole from a Department 128786
of Youth Services facility. Grants shall be awarded according to 128787
the criteria established by the Alternative Education Advisory 128788
Council in 1999. Grants shall be awarded only to programs in which 128789
the grant will not serve as the program's primary source of 128790
funding. These grants shall be administered by the Department of 128791
Education. 128792

The Department of Education may waive compliance with any 128793
minimum education standard established under section 3301.07 of 128794
the Revised Code for any alternative school that receives a grant 128795
under this section on the grounds that the waiver will enable the 128796
program to more effectively educate students enrolled in the 128797
alternative school. 128798

Of the foregoing appropriation item 200421, Alternative 128799
Education Programs, a portion may be used for program 128800
administration, monitoring, technical assistance, support, 128801
research, and evaluation. 128802

Section 265.10.50. SCHOOL MANAGEMENT ASSISTANCE 128803

Of the foregoing appropriation item 200422, School Management 128804
Assistance, \$1,279,948 in fiscal year 2010 and \$1,500,000 in 128805
fiscal year 2011 shall be used by the Auditor of State in 128806
consultation with the Department of Education for expenses 128807
incurred in the Auditor of State's role relating to fiscal 128808
caution, fiscal watch, and fiscal emergency activities as defined 128809
in Chapter 3316. of the Revised Code and may also be used by the 128810
Auditor of State to conduct performance audits of other school 128811

Staff supported by this appropriation shall administer the development of reports, analyses, and briefings to inform education policymakers of current trends in education practice, efficient and effective use of resources, and evaluation of programs to improve education results. The database shall be kept current at all times. These research efforts shall be used to supply information and analysis of data to the General Assembly and other state policymakers, including the Office of Budget and Management and the Legislative Service Commission.

Analysis, may be used in conjunction with appropriation item 128849
200439, Accountability/Report Cards, to develop a fiscal reporting 128850
dimension, which shall contain fiscal data reported for the prior 128851
fiscal year, to the school report card for publication beginning 128852
in fiscal year 2011. The fiscal information contained therein 128853
shall be updated and reported annually in a form and in a manner 128854
as determined by the Department. 128855

TECH PREP CONSORTIA SUPPORT 128856

The foregoing appropriation item 200425, Tech Prep Consortia 128857
Support, shall be used by the Department of Education to support 128858
state-level activities designed to support, promote, and expand 128859

provide technical assistance for such a system in support of the 128869
P-16 State Education Technology Plan developed under section 128870
3353.09 of the Revised Code. 128871

Of the foregoing appropriation item 200426, Ohio Educational 128872
Computer Network, up to \$11,626,123 in fiscal year 2010 and 128873

\$11,895,077 in fiscal year 2011 shall be used by the Department of 128874
Education to support connection of all public school buildings and 128875
participating chartered nonpublic schools to the state's education 128876

Revised Code, no funds shall be provided under that division to an 129821
educational service center in either fiscal year for any pupils of 129822
a city or exempted village school district unless an agreement to 129823
provide services under section 3313.843 of the Revised Code was 129824
entered into by January 1, 1997, except that funds shall be 129825

those students shall be removed from the service center ADM of the 129860
other educational service center and added to the service center 129861

General Assembly authorizes this procedure as an incentive for 129863
educational service centers to take over sponsorship of community 129864
schools from the State Board of Education as the State Board's 129865
sponsorship is phased out in accordance with Sub. H.B. 364 of the 129866

Revised Code, the Department shall pay educational service centers 129879
under division (H) of section 3317.11 of the Revised Code for 129880
services provided to STEM schools only if sufficient funds 129881

(3) The rate, after the adjustments under divisions (B)(1) 131865

(C) If the rate determined for a nursing facility under 131881

for nursing facility services the nursing facility provides on 131885
June 30, 2009, the Department of Job and Family Services shall 131886
reduce the nursing facility's rate determined under division (B) 131887
of this section for fiscal year 2010 so that the rate is not more 131888
than one hundred one and seventy-five hundredths per cent of the 131889
nursing facility's rate for June 30, 2009. If the rate determined 131890

30, 2009, the Department shall increase the nursing facility's 131895

nursing facility's fiscal year 2010 rate by five dollars and 131903
seventy cents per Medicaid day. This increase shall be known as 131904
the workforce development incentive payment. The total amount of 131905
workforce development incentive payments paid to providers of 131906
nursing facilities shall be used to improve nursing facilities' 131907
employee retention and direct care staffing levels, including by 131908
increasing wages paid to nursing facilities' direct care staff. 131909
Not later than September 30, 2011, the Department shall submit a 131910

report to the Governor and, in accordance with section 101.68 of 131911
the Revised Code, the General Assembly detailing the impact that 131912
the workforce development incentive payments have on nursing 131913
facilities' employee retention, direct care staffing levels, and 131914
direct care staff wages. 131915

(E) After the adjustment under division (D) of this section 131916
is made to a nursing facility's fiscal year 2010 rate, the 131917
Department of Job and Family Services shall increase the nursing 131918

per Medicaid day. The consolidated services rate shall equal the 131920
sum of the following: 131921

initially determined under division (B) of this section is not 131926
subject to an adjustment under division (C) of this section, the 131927
nursing facility's rate shall not be subject to an adjustment 131928
under that division for the remainder of fiscal year 2010 131929
regardless of any other adjustment made to the nursing facility's 131930
fiscal year 2010 rate under sections 5111.20 to 5111.33 of the 131931
Revised Code. 131932

(G) Not later than October 1, 2009, the Department of Job and 131933
Family Services shall determine the rates to be paid providers of 131934
nursing facilities under this section. Until the rates are 131935
determined, the Department shall continue to pay a provider the 131936
rate the provider is paid for nursing facility services the 131937
provider's nursing facility provides on June 30, 2009. When the 131938
Department determines the rates to be paid under this section, the 131939
Department shall pay the rates retroactive to July 1, 2009. 131940

(H) If the United States Centers for Medicare and Medicaid 131941

Services requires that the franchise permit fee be reduced or 131942
eliminated, the Department of Job and Family Services shall reduce 131943
the amount it pays providers of nursing facility services under 131944
this section as necessary to reflect the loss to the state of the 131945
revenue and federal financial participation generated from the 131946
franchise permit fee. 131947

(I) The Department of Job and Family Services shall follow 131948
this section in determining the rate to be paid to the provider of 131949
a nursing facility that has a valid Medicaid provider agreement on 131950
June 30, 2009, and a valid Medicaid provider agreement during 131951
fiscal year 2010 notwithstanding anything to the contrary in 131952
sections 5111.20 to 5111.33 of the Revised Code. 131953

shall be, weighted by Medicaid days, three dollars and three cents 131994
per Medicaid day. 131995

and (2) of this section are made, shall be further adjusted by a 131997
percentage that the Department of Job and Family Services shall 131998
determine in consultation with the Ohio Health Care Association; 131999
Ohio Academy of Nursing Homes; and the Association of Ohio 132000
Philanthropic Homes, Housing, and Services for the Aging. The 132001
percentage shall be based on expending an amount equal to the 132002

amount determined as follows: 132003

(C) Except as provided in division (F) of this section, if 132012

the Department of Job and Family Services shall increase the 132033
nursing facility's fiscal year 2011 rate by five dollars and 132034

transfer the estimated amount in cash from the General Revenue 133814

completion of the transfer, appropriation item 600525, Health 133817

of Budget and Management to authorize expenditures from the fund 133832
in excess of the amounts appropriated. Upon approval of the 133833
Director of Budget and Management, the additional amounts are 133834
hereby appropriated. 133835

Section 337.30.90. TARGETED CASE MANAGEMENT SERVICES 133836

County boards of developmental disabilities shall pay the 133837
nonfederal portion of targeted case management costs to the 133838

Department of Developmental Disabilities. The Director of 133839
Developmental Disabilities shall withhold any amount owed to the 133840
Department from subsequent payments from any appropriation item or 133841
money otherwise due to a nonpaying county. 133842

The Directors of Developmental Disabilities and Job and 133843
Family Services may enter into an interagency agreement under 133844
which the Department of Developmental Disabilities shall transfer 133845

Conference/Training Fund (Fund 4B50) to the Program Fee Fund (Fund 133856
5EV0). Upon completion of the transfer, Fund 4B50 is abolished. 133857
The Director of Developmental Disabilities shall cancel any 133858

The Ohio State University	1010	134710
University of Cincinnati	833	134711
University of Toledo	650	134712
Wright State University	433	134713
Ohio University	433	134714
Northeastern Ohio Universities College of Medicine	433	134715

(b) For those medical schools whose current year enrollment, 134716

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA			134793
ENTITLEMENTS AND ADJUSTMENTS			134794

(1) Of the foregoing appropriation items 235501, State Share			134795
of Instruction, and 235644, State Share of Instruction - Federal			134796
Stimulus - Education, 5 per cent of the appropriation for			134797
state-supported community colleges, state community colleges, and			134798
technical colleges in fiscal year 2011 shall be allocated to			134799
colleges in proportion to their share of college student success			134800
factors. In fiscal year 2011, student success factors shall			134801
include all measureable student outcomes that contribute to			134802
student achievement as determined by the Chancellor of the Board			134803
of Regents based on the recommendation of the consultation created			134804
in the Section of this act entitled "Studies to Determine Weights			134805
for Fiscal Year 2011 State Share of Instruction Formula."			134806
			134807

(2) Of the foregoing appropriation items 235501, State Share			134808
of Instruction, and 235644, State Share of Instruction - Federal			134809
Stimulus - Education, up to 12.89 per cent of the appropriation			134810
for university main campuses in each fiscal year shall be reserved			134811
for support of doctoral programs to implement the funding			134812
recommendations made by representatives of the universities. The			134813
amount so reserved shall be referred to as the doctoral set-aside.			134814
			134815

The doctoral set-aside shall be allocated to universities as			134816
--	--	--	--------

follows: 134817

(a) 90 per cent of the doctoral set-aside in fiscal year 2010 134818
and 80 per cent of the doctoral set-aside in fiscal year 2011 134819
shall be allocated to universities in proportion to their share of 134820
the total number of Doctoral I equivalent FTEs as calculated on an 134821
institutional basis using the greater of the two-year or five-year 134822
FTEs for the period fiscal year 1994 through fiscal year 1998 with 134823
annualized FTEs for fiscal years 1994 through 1997 and all-term 134824
FTEs for fiscal year 1998 as adjusted to reflect the effects of 134825
doctoral review and subsequent changes in Doctoral I equivalent 134826
enrollments. For the purposes of this calculation, Doctoral I 134827
equivalent FTEs shall equal the sum of Doctoral I FTEs plus 1.5 134828
times the sum of Doctoral II FTEs. 134829

(b) 5 per cent of the doctoral set-aside in fiscal year 2010 134830
and 10 per cent of the doctoral set-aside in fiscal year 2011 134831
shall be allocated to universities in proportion to each campus's 134832
share of the total statewide doctoral degrees, weighted by the 134833
cost of the doctoral discipline. In calculating each campus's 134834
doctoral degrees the Chancellor of the Board of Regents shall use 134835
the three-year average doctoral degrees awarded for the three-year 134836
period ending in the prior year. 134837

(c) 2.5 per cent of the doctoral set-aside in fiscal year 134838
2010 and 5 per cent of the doctoral set-aside in fiscal year 2011 134839
shall be allocated to universities in proportion to their share of 134840
research grant activity, using data collected and published by the 134841
National Science Foundation. Grant awards from the National Health 134842
Institute shall be weighted at 50 per cent. 134843

(d) 2.5 per cent of the doctoral set-aside in fiscal year 134844
2010 and 5 per cent of the doctoral set-aside in fiscal year 2011 134845
shall be allocated to universities based on other quality measures 134846
that contribute to the advancement of the Chancellor's strategic 134847
plan. These other quality measures shall be identified by the 134848

Chancellor in consultation with universities. If for any reason 134849
metrics for distributing the quality component of the doctoral 134850
set-aside are not identified prior to the fiscal year allocation 134851
process, this portion of the doctoral set-aside funds shall be 134852
allocated to universities based on division (D)(2)(a) of this 134853
section. 134854

(3) Of the foregoing appropriation items 235501, State Share 134855
of Instruction, and 235644, State Share of Instruction - Federal 134856
Stimulus - Education, 6.96 per cent of the appropriation for 134857
university main campuses in each fiscal year shall be reserved for 134858
support of Medical II FTEs. The amount so reserved shall be 134859
referred to as the medical II set-aside. 134860

The medical II set-aside shall be allocated to universities 134861
in proportion to their share of the total number of Medical II 134862
FTEs as calculated in division (A) of this section, weighted by 134863
model cost. 134864

(4) Of the foregoing appropriation items 235501, State Share 134865
of Instruction, and 235644, State Share of Instruction - Federal 134866
Stimulus - Education, 1.61 per cent of the appropriation for 134867
university main campuses in each fiscal year shall be reserved for 134868
support of Medical I FTEs. The amount so reserved shall be 134869
referred to as the medical I set-aside. 134870

The medical I set-aside shall be allocated to universities in 134871
proportion to their share of the total number of Medical I FTEs as 134872
calculated in division (A) of this section. 134873

(5) Of the foregoing appropriation items 235501, State Share 134874
of Instruction, and 235644, State Share of Instruction - Federal 134875
Stimulus - Education, 5 per cent of the fiscal year 2010 134876
appropriation for university main campuses and 10 per cent of the 134877
fiscal year 2011 appropriation for university main campuses shall 134878
be reserved for support of associate, baccalaureate, master's, and 134879

professional level degree attainment. 134880

The degree attainment funding shall be allocated to 134881
universities in proportion to each campus's share of the total 134882
statewide degrees granted, weighted by the cost of the degree 134883
programs. 134884

In calculating the subsidy entitlements for degree attainment 134885
at university main campuses, the Chancellor of the Board of 134886
Regents shall use the following count of degrees and degree costs: 134887

(a) For those associate degrees awarded by a state-supported 134888
university, the subsidy eligible degrees granted are defined as 134889
only those earned by students attending a university that received 134890
funding under GRF appropriation item 235418, Access Challenge, in 134891
fiscal year 2009. 134892

In calculating each campus's count of degrees, the Chancellor 134893
of the Board of Regents shall use the three-year average 134894
associate, baccalaureate, master's, and professional degrees 134895
awarded for the three-year period ending in the prior year. 134896

Eligible associate degrees defined in division (D)(5)(a) of 134897
this section and all bachelor's degrees earned by a student that 134898
was eligible to receive Ohio need-based financial aid shall have 134899
their associates degree cost weighted by a statewide OIG/OCOG 134900
degree completion weight. 134901

The statewide average OIG/OCOG degree completion weight shall 134902
be determined by calculating the difference between the percentage 134903
of traditional students who earned a degree and the percentage of 134904
Ohio Instructional Grant and Ohio College Opportunity Grant 134905
recipients who earned a degree during the same time period. 134906

(6) Each campus's state share of instruction base formula 134907
earnings shall be determined as follows: 134908

(a) For each campus in each fiscal year, the instructional 134909

costs shall be determined by multiplying the amounts listed above 134910
in divisions (B) and (C) of this section by (i) average 134911
subsidy-eligible FTEs for the two-year period ending in the prior 134912
year for all models except Doctoral I and Doctoral II; and (ii) 134913
average subsidy-eligible FTEs for the five-year period ending in 134914
the prior year for all models except Doctoral I and Doctoral II. 134915

(b) The Chancellor of the Board of Regents shall compute the 134916
two calculations listed in division (D)(6)(a) of this section and 134917
use the greater amount as each campus's instructional costs. 134918

(c) The Chancellor of the Board of Regents shall compute a 134919
uniform state share of instructional costs for each sector. 134920

(i) For the state supported community colleges, state 134921
community colleges, and technical colleges, the Chancellor of the 134922
Board of Regents shall compute the uniform state share of 134923
institutional costs by dividing the earmark in division (C)(1) of 134924
Section 371.20.90 of this act, less the student college success 134925
allocation as described in division (D)(1) of this section, by the 134926
sum of all eligible campuses' instructional costs as calculated in 134927
division (D)(6)(b) of this section. 134928

(ii) For the state supported university branch campuses, the 134929
Chancellor of the Board of Regents shall compute the uniform state 134930
share of institutional costs by dividing the earmark in division 134931
(C)(2) of Section 371.20.90 of this act by the sum of all 134932
campuses' instructional costs as calculated in division (D)(6)(b) 134933
of this section. 134934

(iii) For the state supported university main campuses, the 134935
Chancellor of the Board of Regents shall compute the uniform state 134936
share of institutional costs by dividing the earmark in division 134937
(C)(3) of Section 371.20.90 of this act, less the doctoral 134938
set-aside, less the medical I set-aside, less the medical II 134939
set-aside, and less the degree attainment funding as calculated in 134940

divisions (D)(2) to (5) of this section, by the sum of all 134941
campuses' instructional costs as calculated in division (D)(6)(b) 134942
of this section. 134943

(d) The formula entitlement for each sector's campuses shall 134944
be determined by multiplying the uniform state share of costs 134945
calculated in division (D)(6)(c) of this section by the campus's 134946
instructional cost determined in division (D)(6)(b) of this 134947
section. 134948

(7) In addition to the student success allocation, doctoral 134949
set-aside, medical I set-aside, medical II set-aside, and the 134950
degree attainment allocation determined in division (D)(1) to 134951
(D)(5) of this section and the formula entitlement determined in 134952
division (D)(6) of this section, an allocation based on 134953
facility-based plant operations and maintenance (POM) subsidy 134954
shall be made. For each eligible campus, the amount of the POM 134955
allocation in each fiscal year shall be distributed based on what 134956
each campus received in the fiscal year 2009 POM allocation. 134957

Any POM allocations required by this division shall be funded 134958
by proportionately reducing formula entitlement earnings, 134959
including the POM allocations, for all campuses in that sector. 134960

(8) STABILITY IN STATE SHARE OF INSTRUCTION FUNDING 134961

In addition to and after the adjustments noted above, in 134962
fiscal year 2010, no campus shall receive a state share of 134963
instruction allocation that is less than 99 per cent of the prior 134964
year's combined state share of instruction, access challenge, and 134965
success challenge amounts. Funds shall be made available to 134966
support this allocation by proportionately reducing formula 134967
entitlement earnings from those campuses, within each sector, that 134968
are not receiving stability funding. 134969

In fiscal year 2011, in addition to and after the adjustments 134970
noted above, no campus shall receive a state share of instruction 134971

allocation that is less than 98 per cent of the prior year's 134972
combined state share of instruction, access challenge, and success 134973
challenge amounts. Funds shall be made available to support this 134974
allocation by proportionately reducing formula entitlement 134975
earnings from those campuses, within each sector, that do not 134976
receive stability funding. 134977

(9) CAPITAL COMPONENT DEDUCTION 134978

After all other adjustments have been made, state share of 134979
instruction earnings shall be reduced for each campus by the 134980
amount, if any, by which debt service charged in Am. H.B. 748 of 134981
the 121st General Assembly, Am. Sub. H.B. 850 of the 122nd General 134982
Assembly, Am. Sub. H.B. 640 of the 123rd General Assembly, H.B. 134983
675 of the 124th General Assembly, Am. Sub. H.B. 16 of the 126th 134984
General Assembly, and Am. Sub. H.B. 699 of the 126th General 134985
Assembly, Am. Sub. H.B. 496 of the 127th General Assembly, and Am. 134986
Sub. H.B. 562 of the 127th General Assembly for that campus 134987
exceeds that campus's capital component earnings. The sum of the 134988
amounts deducted shall be transferred to appropriation item 134989
235552, Capital Component, in each fiscal year. 134990

(E) EXCEPTIONAL CIRCUMSTANCES 134991

Adjustments may be made to the state share of instruction 134992
payments and other subsidies distributed by the Chancellor of the 134993
Board of Regents to state-assisted colleges and universities for 134994
exceptional circumstances. No adjustments for exceptional 134995
circumstances may be made without the recommendation of the 134996
Chancellor and the approval of the Controlling Board. 134997

(F) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF 134998
INSTRUCTION 134999

The standard provisions of the state share of instruction 135000
calculation as described in the preceding sections of temporary 135001
law shall apply to any reductions made to appropriation items 135002

235501, State Share of Instruction, and 235644, State Share of
Instruction - Federal Stimulus - Education, before the Board of
Regents has formally approved the final allocation of the state
share of instruction funds for any fiscal year.

Any reductions made to appropriation items 235501, State
Share of Instruction, and 235644, State Share of Instruction -
Federal Stimulus - Education, after the Board of Regents has
formally approved the final allocation of the state share of
instruction funds for any fiscal year, shall be uniformly applied
to each campus in proportion to its share of the final allocation.

(G) DISTRIBUTION OF STATE SHARE OF INSTRUCTION

The state share of instruction payments to the institutions
shall be in substantially equal monthly amounts during the fiscal
year, unless otherwise determined by the Director of Budget and
Management pursuant to section 126.09 of the Revised Code.
Payments during the first six months of the fiscal year shall be
based upon the state share of instruction appropriation estimates
made for the various institutions of higher education according to
the Chancellor of the Board of Regents enrollment estimates.
Payments during the last six months of the fiscal year shall be
distributed after approval of the Controlling Board upon the
request of the Board of Regents.

Section 371.20.90. STATE SHARE OF INSTRUCTION FOR FISCAL
YEARS 2010 AND 2011

The boards of trustees of state-assisted institutions of
higher education shall restrain increases in in-state
undergraduate instructional and general fees. Each state-assisted
institution shall not increase its in-state undergraduate
instructional and general fees more than 3.5 per cent over what
the institution charged for the preceding academic year.

These limitations shall not apply to increases required to 135034
comply with institutional covenants related to their obligations 135035
or to meet unfunded legal mandates or legally binding obligations 135036
incurred or commitments made prior to the effective date of this 135037
section with respect to which the institution had identified such 135038
fee increases as the source of funds. Any increase required by 135039
such covenants and any such mandates, obligations, or commitments 135040
shall be reported by the Chancellor of the Board of Regents to the 135041
Controlling Board. These limitations may also be modified by the 135042
Chancellor of the Board of Regents, with the approval of the 135043
Controlling Board, to respond to exceptional circumstances as 135044
identified by the Chancellor of the Board of Regents. 135045

Of the combined appropriations of the foregoing appropriation 135046
items 235501, State Share of Instruction, and 235644, State Share 135047
of Instruction - Federal Stimulus - Education, \$60,996,059 in each 135048
fiscal year shall be distributed to eligible colleges and 135049
universities based on each campus's share of the appropriation 135050
item 235418, Access Challenge, in fiscal year 2009. 135051

135052

Of the combined appropriations of the foregoing appropriation 135053
items 235501, State Share of Instruction, and 235644, State Share 135054
of Instruction - Federal Stimulus - Education, \$10,323,056 in each 135055
fiscal year shall be distributed among state-supported community 135056
colleges, state community colleges, and technical colleges in an 135057
amount equal to the amount each institution received in fiscal 135058
year 2009 from the supplemental tuition subsidy earmarked under 135059
Section 375.30.25 of H.B. 119 of the 127th General Assembly. 135060

135061

(C) The remainder of the combined appropriations of 135062
appropriation items 235501, State Share of Instruction, and 135063
235644, State Share of Instruction - Federal Stimulus - Education, 135064
shall be distributed according to Section 371.20.80 of this act. 135065

Sector allocations shall be determined using the following 135066
earmarks in accordance with the tuition policy described in 135067
division (A) of this section. 135068

(1) Of the combined appropriations of the foregoing 135069
appropriation items 235501, State Share of Instruction, and 135070
235644, State Share of Instruction - Federal Stimulus - Education, 135071
\$396,965,932 in fiscal year 2010 and \$419,030,691 in fiscal year 135072
2011 shall be distributed to state-supported community colleges, 135073
state community colleges, and technical colleges. 135074

135075

(2) Of the combined appropriations of the foregoing 135076
appropriation items 235501, State Share of Instruction, and 135077
235644, State Share of Instruction - Federal Stimulus - Education, 135078
\$125,682,220 in fiscal year 2010 and \$129,739,380 in fiscal year 135079
2011 shall be distributed to state-supported university branch 135080
campuses. 135081

(3) Of the combined appropriations of the foregoing 135082
appropriation items 235501, State Share of Instruction, and 135083
235644, State Share of Instruction - Federal Stimulus - Education, 135084
\$1,481,570,810 in each fiscal year shall be distributed to 135085
state-supported university main campuses. 135086

(D) The state share of instruction payments to the 135087
institutions shall be in substantially equal monthly amounts 135088
during the fiscal year, unless otherwise determined by the 135089
Director of Budget and Management pursuant to section 126.09 of 135090
the Revised Code. Payments during the last six months of the 135091
fiscal year shall be distributed after approval of the Controlling 135092
Board upon the request of the Chancellor of the Board of Regents. 135093

(E)(1) After making the computations required by Sections 135094
371.20.80 and 371.20.90 of this act for fiscal year 2010, the 135095
Chancellor of the Board of Regents shall make reductions totaling 135096

\$87,955,700 to the amounts computed before determining the amounts 135097
actually paid to campuses during fiscal year 2010 from the 135098
foregoing appropriation items 235501, State Share of Instruction, 135099
and 235644, State Share of Instruction - Federal Stimulus - 135100
Education. 135101

(2) Notwithstanding any provision of law to the contrary, in 135102
fiscal year 2011, from the combined appropriations of the 135103

(3) In addition to the payments made under division (E)(2) of 135110
this section, after making the computations required by Sections 135111
371.20.80 and 371.20.90 of this act for fiscal year 2011, the 135112
Chancellor of the Board of Regents shall make reductions totaling 135113

institutions of higher education, may establish a percentage below 135125
which no campus's allocation is to fall when compared with the 135126
campus's payment in the preceding year and proportionally reduce 135127
the allocations of all other campuses to support that percentage. 135128

the Controlling Board by August 30, 2010. 135162

other off-campus undergraduate courses of study and such master's 135184
degree courses of study as may be approved by the Chancellor of 135185
the Board of Regents. 135186

(B) In providing instructional and other services to 135187
students, boards of trustees of state-assisted institutions of 135188
higher education shall supplement state subsidies with income from 135189
charges to students. Except as otherwise provided in this Section, 135190

each board shall establish the fees to be charged to all students, 135191
including an instructional fee for educational and associated 135192

services facilities used for the benefit of enrolled students. The 135195
instructional fee and the general fee shall encompass all charges 135196
for services assessed uniformly to all enrolled students. Each 135197

instructional fees or general fees for any particular student or 135206
any class of students other than waivers specifically authorized 135207
by law or approved by the Chancellor. This prohibition is not 135208
intended to limit the authority of boards of trustees to provide 135209
for payments to students for services rendered the institution, 135210
nor to prohibit the budgeting of income for staff benefits or for 135211
student assistance in the form of payment of such instructional 135212
and general fees. 135213

Each state-assisted institution of higher education in its 135214
statement of charges to students shall separately identify the 135215
instructional fee, the general fee, the tuition charge, and the 135216
tuition surcharge. Fee charges to students for instruction shall 135217
not be considered to be a price of service but shall be considered 135218
to be an integral part of the state government financing program 135219
in support of higher educational opportunity for students. 135220

(C) The boards of trustees of state-assisted institutions of 135221
higher education shall ensure that faculty members devote a proper 135222

full-time faculty member is expected to meet the standards set 135225
forth in the budget data submitted by the Chancellor of the Board 135226
of Regents. 135227

(D) The authority of government vested by law in the boards 135228
of trustees of state-assisted institutions of higher education 135229

consult extensively with appropriate student and faculty groups. 135231
Administrative decisions about the utilization of available 135232
resources, about organizational structure, about disciplinary 135233
procedure, about the operation and staffing of all auxiliary 135234
facilities, and about administrative personnel shall be the 135235
exclusive prerogative of boards of trustees. Any delegation of 135236
authority by a board of trustees in other areas of responsibility 135237
shall be accompanied by appropriate standards of guidance 135238
concerning expected objectives in the exercise of such delegated 135239
authority and shall be accompanied by periodic review of the 135240
exercise of this delegated authority to the end that the public 135241
interest, in contrast to any institutional or special interest, 135242
shall be served. 135243

distribution priority. The Chancellor may use the academic 135504
performance component to increase an award for credit or course 135505
completion or other factors as determined by the Chancellor. 135506

(3) Each eligible institution shall collect at-risk and 135507
performance data for each student eligible for a grant and report 135508

considered most at-risk, to the Chancellor by the deadline set by 135510
the Chancellor. 135511

(4) The Chancellor shall determine which at-risk and 135512
performance components are most appropriate to use for each type 135513
of institution and devise a formula for each type of institution 135514
accordingly. 135515

(C) Notwithstanding any other law to the contrary, the Chancellor may require an eligible institution to provide matching funds for students receiving Ohio College Opportunity Grants. The Chancellor shall recommend a required match for each eligible institution, taking into account the capacity of each institution to meet the match. The Chancellor shall include the recommendation as part of the formula submitted to the Controlling Board for approval under division (B)(2) of this section.

(D) Prior to determining the amount of funds available to award under this section and section 3333.122 of the Revised Code, the Chancellor shall use the foregoing appropriation item 235563, Ohio College Opportunity Grant, to pay the prior year's Ohio College Opportunity Grant/Ohio Instructional Grant obligations in fiscal year 2010. The Chancellor may also use the foregoing appropriation item to pay for renewals or partial renewals of scholarships students receive under the Ohio Academic Scholarship Program under sections 3333.21 and 3333.22 of the Revised Code. In paying for prior obligations and scholarships under this division, the Chancellor shall deduct funds from the allocations made under division (A) of this section proportionate to the amounts allocated to each sector from the total appropriation.

In each fiscal year, the Chancellor shall not distribute or obligate or commit to be distributed an amount greater than what is appropriated under the foregoing appropriation item 235563, Ohio College Opportunity Grant.

(E) The Chancellor shall establish, and post on the Ohio Board of Regents' web site, award tables based on the formulas created under division (B) of this section. The Chancellor shall notify students and institutions of any reductions in awards under this section.

student shall be eligible to receive an Ohio College Opportunity 135552
Grant for more than ten semesters, fifteen quarters, or the 135553

confined in state adult correctional facilities. The provision of	135800

necessary care shall be billed to the Department at a rate not to 135801
exceed the authorized reimbursement rate for the same service 135802
established by the Department of Job and Family Services under the 135803
Medical Assistance Program. 135804

Section 375.20. PILOT PROJECT FOR THE CONTRACTUAL PROVISION 135805
OF INMATE HEALTHCARE 135806

The Department of Rehabilitation and Correction may develop, 135807
oversee, and evaluate a pilot project for the provision of 135808
comprehensive correctional health care services through private 135809
correctional health care contractors to complement the current 135810
system for the provision of health care services to inmates of 135811
state correctional facilities. If the Department develops a pilot 135812
project, private correctional health care contractors shall be 135813
selected through a request for proposal process. The department 135814
shall determine the method for requesting proposals, the form of 135815
the request-for-proposal, and criteria for the provision of 135816
comprehensive correctional health care services under the pilot 135817
project. Comprehensive correctional health care services are 135818
medical, dental, and mental health care services comparable to 135819
those provided by the Department of Rehabilitation and Correction 135820
to inmates at and outside of state correctional facilities. The 135821
department shall determine the award of contracts based upon 135822
written criteria prepared by the department. 135823

A pilot project for the provision of comprehensive 135824
correctional health care services must include a minimum of 20 per 135825
cent of the current inmate population and be designed to include a 135826
representative sample of the inmate population in order to promote 135827
a realistic comparison of services and costs. The department shall 135828
control inmate participation in the pilot project based on current 135829
standard operating procedures and the need to maintain the 135830
representative sample of the inmate population. The department 135831

shall determine the locations for the pilot project and in making 135832
that determination shall give consideration to the geographic 135833
proximity of medical facilities to promote economies of scale. The 135834
locations shall include a representative sample of current 135835
facilities, the facilities' missions, and medical acuity. The mix 135836
of facilities shall remain consistent throughout the pilot project 135837
in order to promote a realistic comparison of costs and services. 135838

If the Department develops the pilot project, it shall be 135839
developed and implemented by January 1, 2010, for a period of two 135840
years and shall be conditioned upon a private contractor offering 135841
a minimum of 10 per cent savings from the department's projected 135842
costs for comprehensive correctional health care services during 135843
the period of the project. The cost comparison shall include all 135844
on-site and off-site healthcare costs, including all personnel, 135845
benefit, administrative, overhead, and transportation costs. 135846

The foregoing appropriation item 230644, Operating Expenses, 136096
shall be used by the Ohio School Facilities Commission to carry 136097

In both fiscal years 2010 and 2011, the Executive Director of 136100

basis to the Director of Budget and Management the amount of cash 136102

SCHOOL FACILITIES ENCUMBRANCES AND REAPPROPRIATION 136120

At the request of the Executive Director of the Ohio School Facilities Commission, the Director of Budget and Management may cancel encumbrances for school district projects from a previous biennium if the district has not raised its local share of project costs within one year of receiving Controlling Board approval under section 3318.05 of the Revised Code. The Executive Director of the Ohio School Facilities Commission shall certify the amounts of the canceled encumbrances to the Director of Budget and Management on a quarterly basis. The amounts of the canceled encumbrances are hereby appropriated.

Section 385.30. AMENDMENT TO PROJECT AGREEMENT FOR MAINTENANCE LEVY

The Ohio School Facilities Commission shall amend the project agreement between the Commission and a school district that is participating in the Accelerated Urban School Building Assistance Program on the effective date of this section, if the Commission determines that it is necessary to do so in order to comply with division (B)(3)(c) of section 3318.38 of the Revised Code, as amended by this act.

Section 385.40. SURVEY OF COMMUNITY SPACE

The Executive Director of the Ohio School Facilities Commission shall survey classroom facilities projects financed by the Commission under Chapter 3318. of the Revised Code and compile descriptions of how spaces within those facilities are used for activities, services, and programs shared between schools and other public and private entities in their communities. The Executive Director shall identify and describe such spaces included in current or completed projects and shall recommend best practices for enhancing opportunities for including shared community spaces in future projects. The Executive Director shall

submit the survey and recommendations to the Commission not later than December 31, 2009.

Section 385.50. EXTREME ENVIRONMENTAL CONTAMINATION OF SCHOOL FACILITIES

Notwithstanding any other provision of law to the contrary, the Ohio School Facilities Commission may provide assistance under the Exceptional Needs School Facilities Program established in section 3318.37 of the Revised Code to any school district, and not exclusively to a school district in the lowest seventy-five per cent of adjusted valuation per pupil on the current ranking of school districts established under section 3318.011 of the Revised Code, for the purpose of the relocation or replacement of school facilities required as a result of extreme environmental contamination.

The school district's portion of a project to replace a contaminated facility undertaken pursuant to this section shall not exceed fifty per cent of the cost of the project. This paragraph does not affect the district's portion of the cost of subsequent classroom facilities projects the district may undertake under Chapter 3318. of the Revised Code.

The Ohio School Facilities Commission shall contract with an independent environmental consultant to conduct a study and to report to the Commission as to the seriousness of the environmental contamination, whether the contamination violates applicable state and federal standards, and whether the facilities are no longer suitable for use as school facilities. The Commission then shall make a determination regarding funding for the relocation or replacement of the school facilities. If the federal government or other public or private entity provides funds for restitution of costs incurred by the state or school district in the relocation or replacement of the school

facilities, the school district shall use such funds in excess of 136182
the school district's share to refund the state for the state's 136183
contribution to the environmental contamination portion of the 136184
project. The school district may apply an amount of such 136185
restitution funds up to an amount equal to the school district's 136186
portion of the project, as defined by the Commission, toward 136187
paying its portion of that project to reduce the amount of bonds 136188
the school district otherwise must issue to receive state 136189
assistance under sections 3318.01 to 3318.20 of the Revised Code. 136190

Section 385.60. CANTON CITY SCHOOL DISTRICT PROJECT 136191

(A) The Ohio School Facilities Commission may commit up to 136192
thirty-five million dollars to the Canton City School District for 136193
construction of a facility described in this section, in lieu of a 136194
high school that would otherwise be authorized under Chapter 3318. 136195
of the Revised Code. The Commission shall not commit funds under 136196
this section unless all of the following conditions are met: 136197

(1) The District has entered into a cooperative agreement 136198
with a state-assisted technical college; 136199

(2) The District has received an irrevocable commitment of 136200
additional funding from nonpublic sources; and 136201

(3) The facility is intended to serve both secondary and 136202
postsecondary instructional purposes. 136203

(B) The Commission shall enter into an agreement with the 136204
District for the construction of the facility authorized under 136205
this section that is separate from and in addition to the 136206
agreement required for the District's participation in the 136207
Classroom Facilities Assistance Program under section 3318.08 of 136208
the Revised Code. Notwithstanding that section and sections 136209
3318.03, 3318.04, and 3318.083 of the Revised Code, the additional 136210
agreement shall provide, but not be limited to, the following: 136211

(1) The Commission shall not have any oversight responsibilities over the construction of the facility.	136212 136213
(2) The facility need not comply with the specifications for plans and materials for high schools adopted by the Commission.	136214 136215
(3) The Commission may decrease the basic project cost that would otherwise be calculated for a high school under Chapter 3318. of the Revised Code.	136216 136217 136218
(4) The state shall not share in any increases in the basic project cost for the facility above the amount authorized under this section.	136219 136220 136221
All other provisions of Chapter 3318. of the Revised Code apply to the approval and construction of a facility authorized under this section.	136222 136223 136224
The state funds committed to the facility authorized by this section shall be part of the total amount the state commits to the Canton City School District under Chapter 3318. of the Revised Code. All additional state funds committed to the Canton City School District for classroom facilities assistance shall be subject to all provisions of Chapter 3318. of the Revised Code.	136225 136226 136227 136228 136229 136230
Section 385.70. Notwithstanding section 3318.05 of the Revised Code, for each school district whose project under sections 3318.01 to 3318.20 of the Revised Code was conditionally approved by the Ohio School Facilities Commission in July 2008, that conditional approval shall lapse and the amount reserved and encumbered for the project shall be released on December 31, 2009.	136231 136232 136233 136234 136235 136236
Section 385.80. Notwithstanding any provision of Chapter 3318. of the Revised Code to the contrary, and notwithstanding the agreement between the Cincinnati City School District and the Ohio School Facilities Commission under section 3318.08 of the Revised Code, the Commission shall encumber and pay state funds to the	136237 136238 136239 136240 136241

District in the amount of \$4,000,000, in addition to the amount 136242
prescribed in that agreement, for the purpose of dedicating 136243
additional state funding toward the acquisition of the School for 136244
the Creative and Performing Arts, as that building is included in 136245
the District's project under section 3318.38 of the Revised Code. 136246
The District shall use the funds paid under this section solely 136247
for that purpose. The School for the Creative and Performing Arts 136248
need not comply with the specifications included in the Ohio 136249
Design Manual adopted by the Commission to implement classroom 136250
facilities projects under Chapter 3318. of the Revised Code. This 136251
section shall not affect any other building included in the 136252
District's project under section 3318.38 of the Revised Code, nor 136253
shall it affect the state's portion of funding for the remainder 136254
of that project. 136255

The Commission shall use funds appropriated to it for 136256
classroom facilities projects to pay the funds required under this 136257
section. The Commission shall encumber the funds required under 136258
this section in accordance with section 3318.11 of the Revised 136259
Code. 136260

Section 385.85. In fiscal year 2010, the Ohio School 136261
Facilities Commission may approve a project under the Exceptional 136262
Needs School Facilities Assistance Program established under that 136263
section for any school district that meets the following 136264
conditions: 136265

(A) The district initially applied for the Exceptional Needs 136266
Program in fiscal year 2008. 136267

(B) The district's position on the rankings certified under 136268
section 3318.011 of the Revised Code for fiscal year 2009 is 136269
higher than three hundred sixty. 136270

Section 385.90. (A) As used in this section: 136271

(1) "Basic project cost," "percentile," and "project" have the same meanings as in section 3318.01 of the Revised Code.	136272 136273
(2) "Equity list" means the school district percentile rankings calculated under section 3318.011 of the Revised Code.	136274 136275
(3) A school district's "portion of the basic project cost" means the amount calculated under section 3318.032 of the Revised Code.	136276 136277 136278
(B) Notwithstanding any provision of Chapter 3318. of the Revised Code to the contrary, in the case of a school district that received in fiscal year 2008 elector approval for a bond issue for its portion of the basic project cost of a project under sections 3318.01 to 3318.20 of the Revised Code, based on a preliminary estimated equity list projecting rankings of school districts if amendments to section 3318.011 of the Revised Code enacted by Am. Sub. H.B. 119 of the 127th General Assembly had been effective for projects in that fiscal year, and which district on the alternate equity list for fiscal year 2009 funding required by Section 733.13 of Am. Sub. H.B. 562 of the 127th General Assembly, retroactively applying those amendments, was ranked one percentile higher than on the preliminary estimated equity list, resulting in the district's calculated portion being one per cent higher than the amount projected at the time of the bond issue election, the Ohio School Facilities Commission shall reduce the district's portion to that projected on the preliminary estimated equity list.	136279 136280 136281 136282 136283 136284 136285 136286 136287 136288 136289 136290 136291 136292 136293 136294 136295 136296
Section 385.93. (A) As used in this section, "equity list" means the school district percentile rankings calculated under section 3318.011 of the Revised Code.	136297 136298 136299
(B) Not later than thirty days after the effective date of this section, the Department of Education shall create an alternate equity list for fiscal year 2009, for use in fiscal year	136300 136301 136302

2010, by recalculating each school district's percentile ranking 136303
under section 3318.011 of the Revised Code and shall certify the 136304
alternate equity list to the Ohio School Facilities Commission. 136305
For this purpose, the Department shall recalculate each school 136306
district's percentile ranking using the district's "average 136307
taxable value" as that term is defined in the version of section 136308
3318.011 of the Revised Code, as it results from the amendments to 136309
that section enacted by this act. 136310

(C) The Commission shall use the alternate equity list 136311
certified under division (B) of this section to determine the 136312
priority for assistance under sections 3318.01 to 3318.20 of the 136313
Revised Code in fiscal year 2010 for each school district that has 136314
not previously been offered funding under those sections. However, 136315
no district that already has been offered assistance under those 136316
sections for fiscal year 2010 prior to the Commission's receipt of 136317
the alternate equity list shall be denied the opportunity for 136318
assistance under those sections for that fiscal year. 136319

(D) Notwithstanding any provision of Chapter 3318. of the 136320
Revised Code to the contrary, for each school district that 136321
receives the Commission's conditional approval of the district's 136322
project under sections 3318.01 to 3318.20 of the Revised Code in 136323
fiscal year 2010, the district's portion of the basic project cost 136324
shall be the lesser of the following: 136325

(1) The amount required under section 3318.032 of the Revised 136326
Code calculated using the percentile in which the district ranks 136327
on the alternate equity list certified under division (B) of this 136328
section; 136329

(2) The amount required under section 3318.032 of the Revised 136330
Code calculated using the percentile in which the district ranks 136331
on the original equity list for fiscal year 2009. 136332

There is hereby appropriated from the Public School Building Fund (Fund 7021) in fiscal year 2010 the amount necessary to pay any outstanding debt obligations issued for the restoration of the Ohio Statehouse that was completed in 1996.

Development has approved for a rehabilitation tax credit under 137686
section 149.311 of the Revised Code. 137687

(2) "Federal funds" means federal money available to states 137688
under the American Recovery and Reinvestment Act of 2009 or any 137689

Sec. 120.01. During the period beginning July 1, 2007, and 139027
expiring ~~July~~ January 1, 2009 2010, the operation of sections 139028
3718.02, 3718.05, 3718.06, 3718.07, 3718.08, 3718.09, 3718.10, 139029
3718.99, and 6111.441 of the Revised Code is suspended. On ~~July~~ 139030

Code, in either their present form or as they are later amended, 139033
again become operational. 139034

Sec. 120.02. (A)(1) Effective July 2, 2007, the rules adopted 139035
by the Public Health Council under section 3718.02 of the Revised 139036
Code that took effect on January 1, 2007, are not valid. Not later 139037
than July 2, 2007, the Director of Health shall adopt rules that 139038
are identical to the rules adopted by the Public Health Council 139039
that were in effect prior to January 1, 2007, and were codified in 139040
Chapter 3701-29 of the Administrative Code, except the rules in 139041
that chapter that established requirements for separation 139042
distances from a water table and soil absorption requirements. 139043

At the same time that the Public Health Council adopts the 139044
rules required under division (A)(2) of this section, the Director 139045
shall rescind the rules adopted under this division. 139046

The adoption and rescission of rules under this division are 139047
not subject to section 119.03 of the Revised Code. However, the 139048
Director shall file the adoption and rescission of the rules in 139049
accordance with section 119.04 of the Revised Code. Upon that 139050
filing, the adoption and rescission of the rules take immediate 139051
effect. 139052

(2) Not later than thirty days after the effective date of 139053
this section as enacted by Am. Sub. H.B. 119 of the 127th General 139054
Assembly and notwithstanding any provision of law to the contrary, 139055
the Public Health Council shall rescind rules adopted by the 139056
Council under section 3718.02 of the Revised Code, that took 139057
effect on January 1, 2007. At the same time as those rules are 139058
rescinded, the Council shall adopt rules that are identical to the 139059
rules adopted by the Council that were in effect prior to January 139060
1, 2007, and were codified in Chapter 3701-29 of the 139061
Administrative Code, except the rules in that Chapter that 139062
established requirements for separation distances from a water 139063
table and soil absorption requirements. Instead, a board of health 139064
or the authority having the duties of a board of health shall 139065

adopt standards establishing requirements for separation distances 139066
from a water table and soil absorption requirements based on the 139067
water table and soils in the applicable health district for 139068
purposes of the installation and operation of household sewage 139069
treatment systems and small flow on-site sewage treatment systems 139070
in the applicable health district. 139071

The rescission and adoption of rules under this division are 139072
not subject to section 119.03 of the Revised Code. However, the 139073
Public Health Council shall file the rules in accordance with 139074
section 119.04 of the Revised Code. Upon that filing, the rules 139075
take immediate effect. 139076

(B) A local board of health or the authority having the 139077
duties of a board of health may adopt standards for use in the 139078
health district that are more stringent than the rules adopted 139079
under division (A)(1) or (2) of this section, provided that the 139080
board of health or authority having the duties of a board of 139081
health in adopting such standards considers the economic impact of 139082
those standards on property owners, the state of available 139083
technology, and the nature and economics of the available 139084
alternatives. If a board of health or authority having the duties 139085
of a board of health adopts standards that are more stringent than 139086
the rules adopted under division (A)(1) or (2) of this section, 139087
the board or authority shall send a copy of the standards to the 139088
Department of Health. 139089

(C)(1) A board of health or the authority having the duties 139090
of a board of health shall approve or deny the use of household 139091
sewage treatment systems and small flow on-site sewage treatment 139092
systems in the applicable health district. In approving or denying 139093
a household sewage treatment system or a small flow on-site sewage 139094
treatment system for use in the health district, the board or 139095
authority shall consider the economic impact of the system on 139096
property owners, the state of available technology, and the nature 139097

and economics of the available alternatives, ensure that a system 139098
will not create a public health nuisance, and require a system to 139099
comply with the requirements established in divisions (C)(2) and 139100
(3) of this section. 139101

(2) Notwithstanding any rule adopted by the Director of 139102
Health or the Public Health Council or standard adopted by a board 139103
of health or the authority having the duties of a board of health 139104
governing the installation and operation of sewage treatment 139105
systems, a board of health or the authority having the duties of a 139106
board of health shall ensure that the design and installation of a 139107
soil absorption system prevents public health nuisances. To the 139108
extent determined necessary by a board of health or the authority 139109
having the duties of a board of health, a sewage treatment system 139110
that is installed after the effective date of this section as 139111
enacted by Am. Sub. H.B. 119 of the 127th General Assembly shall 139112
not discharge to a ditch, stream, pond, lake, natural or 139113
artificial waterway, drain tile, other surface water, or the 139114
surface of the ground unless authorized by a national pollutant 139115
discharge elimination system (NPDES) permit issued under Chapter 139116
6111. of the Revised Code and rules adopted under it. In addition, 139117
a sewage treatment system shall not discharge to an abandoned 139118
well, a drainage well, a dry well or cesspool, a sinkhole, or 139119
another connection to ground water. As a condition to the issuance 139120
of a permit to operate a system, a board of health or the 139121
authority having the duties of a board of health shall require a 139122
service contract for any sewage treatment system that is subject 139123
to an NPDES permit to the extent required by the Environmental 139124
Protection Agency. If classified as a class V injection well, a 139125
household sewage treatment system serving a two- or three-family 139126
dwelling or a small flow on-site sewage treatment system shall 139127
comply with 40 C.F.R. 144, as published in the July 1, 2005, Code 139128
of Federal Regulations and with the registration requirements 139129
established in rule 3745-34-13 of the Administrative Code. 139130

139131

(3) Notwithstanding any rule adopted by the Director of Health or the Public Health Council or standard adopted by a board of health or the authority having the duties of a board of health governing the installation and operation of household sewage treatment systems, all septic tanks, other disposal component tanks, dosing tanks, pump vaults, household sewage disposal system holding tanks and privy vaults, or other applicable sewage disposal system components manufactured after the effective date of this section as enacted by Am. Sub. H.B. 119 of the 127th General Assembly and used in this state shall be watertight and structurally sound.

(4) For purposes of division (C) of this section, "economic impact" means all of the following with respect to the approval or denial of a household sewage treatment system or small flow on-site sewage treatment system, as applicable:

139143
139144
139145
139146

(a) The cost of a proposed system;

139147

(b) The cost of an alternative system that will not create a public health nuisance;

139148
139149

(c) A comparison of the costs of repairing a system as opposed to replacing the system with a new system;

139150
139151

(d) The value of the dwelling or facility, as applicable, that the system services as indicated in the most recent tax duplicate.

139152
139153
139154

(D)(1) Notwithstanding any rule adopted by the Director of Health or the Public Health Council governing the installation and operation of household sewage treatment systems, a board of health or the authority having the duties of a board of health may establish and collect fees for the purposes of this section.

139155
139156
139157
139158
139159

(2) In addition to the fees that are authorized to be

139160

established under division (D)(1) of this section, there is hereby 139161
levied an application fee of twenty-five dollars for a sewage 139162
treatment system installation permit. A board of health or the 139163
authority having the duties of a board of health shall collect the 139164
fee on behalf of the Department of Health and forward the fee to 139165
the Department to be deposited in the state treasury to the credit 139166
of the Sewage Treatment System Innovation Fund, which is hereby 139167
created. Not more than seventy-five per cent of the money in the 139168
Fund shall be used by the Department to administer the sewage 139169
treatment system program, and not less than twenty-five per cent 139170
of the money in the Fund shall be used to establish a grant 139171
program in cooperation with boards of health to fund the 139172
installation and evaluation of new technology pilot projects. In 139173
the selection of the pilot projects, the Director of Health shall 139174
consult with the Sewage Treatment System Technical Advisory 139175
Committee created in section 3718.03 of the Revised Code. 139176

(E) Not later than one year after the installation of a 139177
household sewage treatment system, a board of health or the 139178
authority having the duties of a board of health shall inspect the 139179
system to ensure that it is not a public health nuisance. 139180

(F) The Department of Health may file an injunctive action 139181
against a board of health or the authority having the duties of a 139182
board of health that allows a household sewage treatment system or 139183
small flow on-site sewage treatment system to cause a public 139184
health nuisance, provided that the Department provides reasonable 139185
notice to the board or authority and allows for the opportunity to 139186
abate the nuisance prior to the action. 139187

(G) The Environmental Protection Agency shall not require a 139188
board of health or the authority having the duties of a board of 139189
health to enter into a memorandum of understanding or any other 139190
agreement with the Agency regarding the issuance of NPDES permits 139191
for off-lot sewage treatment systems. Instead, a representative of 139192

a board of health or the authority having the duties of a board of health may meet with a person who intends to install such a system to determine the feasibility of the system and refer the person to the Agency to secure an NPDES permit for the system if needed. The Environmental Protection Agency, within ninety days or as quickly as possible after the effective date of this section as enacted by Am. Sub. H.B. 119 of the 127th General Assembly, shall seek a revision to the general NPDES permit, issued pursuant to the federal Water Pollution Control Act as defined in section 6111.01 of the Revised Code, in order not to require a memorandum of understanding with a board of health or the authority having the duties of a board of health and that allows a property owner to seek coverage under the general NPDES permit for purposes of this division. A board of health or the authority having the duties of a board of health voluntarily may enter into a memorandum of understanding with the Environmental Protection Agency to implement the general NPDES permit. In the interim, the Agency shall work with boards of health or authorities having the duties of boards of health and with property owners in order to facilitate the owners' securing an NPDES permit in counties without a memorandum of understanding.

(H) Notwithstanding any rule adopted by the Director of Health or the Public Health Council governing the installation and operation of household sewage treatment systems, a board of health or the authority having the duties of a board of health that, prior to the effective date of this section, has obtained authority from the Department of Health and the Environmental Protection Agency to regulate small flow on-site sewage treatment systems may continue to regulate such systems on and after the effective date of this section as enacted by Am. Sub. H.B. 119 of the 127th General Assembly. A board of health or the authority having the duties of a board of health that has not obtained such authority may request the authority from the Department of Health

and the Environmental Protection Agency in the manner provided by 139226
law. 139227

(I) Because the rules adopted by the Public Health Council 139228
under section 3718.02 of the Revised Code that were effective on 139229
January 1, 2007, have been rescinded by operation of this section, 139230
the references to those rules in section 3718.021 of the Revised 139231
Code are not operable. Instead, notwithstanding any other 139232
provisions of this section, the Director of Health or the Public 139233
Health Council, as applicable, shall provide for the 139234
implementation of section 3718.021 of the Revised Code in the 139235
rules that are required to be adopted under division (A) of this 139236
section. 139237

(J) The Department of Health in cooperation with a board of 139238
health or the authority having the duties of a board of health 139239
shall assess the familiarity of the board's or authority's staff 139240
with the best practices in the use of sewage treatment systems and 139241
conduct appropriate training to educate the board's or authority's 139242
staff in those best practices and in the use of any new sewage 139243
treatment system technology that is recommended for use by the 139244
Sewage Treatment System Technical Advisory Committee created in 139245
section 3718.03 of the Revised Code. 139246

(K)(1) As used in this section, "household sewage treatment 139247
system," "small flow on-site sewage treatment system," and "sewage 139248
treatment system" have the same meanings as in section 3718.01 of 139249
the Revised Code. 139250

(2) For the purposes of this section, "household sewage 139251
treatment system" is deemed to mean "household sewage disposal 139252
system" as necessary for the operation of this section. 139253

(3) For purposes of this section, a public health nuisance 139254
shall be deemed to exist when an inspection conducted by a board 139255
of health documents odor, color, or other visual manifestations of 139256

raw or poorly treated sewage and either of the following applies: 139257

(a) Water samples exceed five thousand fecal coliform counts 139258
per one hundred milliliters (either MPN or MF) in two or more 139259
samples when five or fewer samples are collected or in more than 139260
twenty per cent of the samples when more than five samples are 139261
taken. 139262

(b) Water samples exceed five hundred seventy-six E. Coli 139263
counts per one hundred milliliters in two or more samples when 139264
five or fewer samples are collected or in more than twenty per 139265
cent of the samples when more than five samples are taken. 139266

(L) Neither the Director of Health or the Public Health 139267
Council shall adopt rules prior to ~~July~~ January 1, ~~2009~~ 2010, that 139268
modify or change the requirements established by this section. 139269

(M) This section expires on the effective date of the rules 139270
that are to be adopted under section 3718.02 of the Revised Code 139271
when that section becomes operational on ~~July~~ January 1, ~~2009~~ 139272
2010, pursuant to Section 120.01 of ~~this act~~ Am. Sub. H.B. 119 of 139273
the 127th General Assembly. 139274

Section 640.21. That existing Sections 120.01 and 120.02 of 139275
Am. Sub. H.B. 119 of the 127th General Assembly are hereby 139276
repealed. 139277

Section 640.22. That sections 711.001, 711.05, 711.10, 139278
711.131, 4736.01, 6111.04, and 6111.44 of the Revised Code be 139279
amended to read as follows: 139280

Sec. 711.001. As used in this chapter: 139281

(A) "Plat" means a map of a tract or parcel of land. 139282

(B) "Subdivision" means either of the following: 139283

(1) The division of any parcel of land shown as a unit or as 139284

contiguous units on the last preceding general tax list and 139285
duplicate of real and public utility property, into two or more 139286
parcels, sites, or lots, any one of which is less than five acres 139287
for the purpose, whether immediate or future, of transfer of 139288
ownership, provided, however, that the following are exempt: 139289

(a) A division or partition of land into parcels of more than 139290
five acres not involving any new streets or easements of access; 139291

(b) The sale or exchange of parcels between adjoining lot 139292
owners, where that sale or exchange does not create additional 139293
building sites; 139294

(c) If the planning authority adopts a rule in accordance 139295
with section 711.133 of the Revised Code that exempts from 139296
division (B)(1) of this section any parcel of land that is four 139297
acres or more, parcels in the size range delineated in that rule. 139298

(2) The improvement of one or more parcels of land for 139299
residential, commercial, or industrial structures or groups of 139300
structures involving the division or allocation of land for the 139301
opening, widening, or extension of any public or private street or 139302
streets, except private streets serving industrial structures, or 139303
involving the division or allocation of land as open spaces for 139304
common use by owners, occupants, or leaseholders or as easements 139305
for the extension and maintenance of public or private sewer, 139306
water, storm drainage, or other similar facilities. 139307

~~(C) "Household sewage treatment system" has the same meaning 139308
as in section 3709.091 of the Revised Code. 139309~~

Sec. 711.05. (A) Upon the submission of a plat for approval, 139310
in accordance with section 711.041 of the Revised Code, the board 139311
of county commissioners shall certify on it the date of the 139312
submission. Within five days of submission of the plat, the board 139313
shall schedule a meeting to consider the plat and send a written 139314

notice by regular mail to the fiscal officer of the board of 139315
township trustees of the township in which the plat is located and 139316
the board of health of the health district in which the plat is 139317
located. The notice shall inform the trustees and the board of 139318
health of the submission of the plat and of the date, time, and 139319
location of any meeting at which the board of county commissioners 139320
will consider or act upon the proposed plat. The meeting shall 139321
take place within thirty days of submission of the plat, and no 139322
meeting shall be held until at least seven days have passed from 139323
the date the notice was sent by the board of county commissioners. 139324
The approval of the board required by section 711.041 of the 139325
Revised Code or the refusal to approve shall take place within 139326
thirty days from the date of submission or such further time as 139327
the applying party may agree to in writing; otherwise, the plat is 139328
deemed approved and may be recorded as if bearing such approval. 139329

(B) The board may adopt general rules governing plats and 139330
subdivisions of land falling within its jurisdiction, to secure 139331
and provide for the coordination of the streets within the 139332
subdivision with existing streets and roads or with existing 139333
county highways, for the proper amount of open spaces for traffic, 139334
circulation, and utilities, and for the avoidance of future 139335
congestion of population detrimental to the public health, safety, 139336
or welfare, but shall not impose a greater minimum lot area than 139337
forty-eight hundred square feet. Before the board may amend or 139338
adopt rules, it shall notify all the townships in the county of 139339
the proposed amendments or rules by regular mail at least thirty 139340
days before the public meeting at which the proposed amendments or 139341
rules are to be considered. 139342

The rules may require the board of health to review and 139343
comment on a plat before the board of county commissioners acts 139344
upon it and may also require proof of compliance with any 139345
applicable zoning resolutions, and with ~~rules governing~~ household 139346

sewage treatment ~~systems~~ rules adopted under section 3718.02 of 139347
the Revised Code, as a basis for approval of a plat. Where under 139348
section 711.101 of the Revised Code the board of county 139349
commissioners has set up standards and specifications for the 139350
construction of streets, utilities, and other improvements for 139351
common use, the general rules may require the submission of 139352
appropriate plans and specifications for approval. The board shall 139353
not require the person submitting the plat to alter the plat or 139354
any part of it as a condition for approval, as long as the plat is 139355
in accordance with general rules governing plats and subdivisions 139356
of land, adopted by the board as provided in this section, in 139357
effect at the time the plat was submitted and the plat is in 139358
accordance with any standards and specifications set up under 139359
section 711.101 of the Revised Code, in effect at the time the 139360
plat was submitted. 139361

(C) The ground of refusal to approve any plat, submitted in 139362
accordance with section 711.041 of the Revised Code, shall be 139363
stated upon the record of the board, and, within sixty days 139364
thereafter, the person submitting any plat that the board refuses 139365
to approve may file a petition in the court of common pleas of the 139366
county in which the land described in the plat is situated to 139367
review the action of the board. A board of township trustees is 139368
not entitled to appeal a decision of the board of county 139369
commissioners under this section. 139370

Sec. 711.10. (A) Whenever a county planning commission or a 139371
regional planning commission adopts a plan for the major streets 139372
or highways of the county or region, no plat of a subdivision of 139373
land within the county or region, other than land within a 139374
municipal corporation or land within three miles of a city or one 139375
and one-half miles of a village as provided in section 711.09 of 139376
the Revised Code, shall be recorded until it is approved by the 139377
county or regional planning commission under division (C) of this 139378

section and the approval is endorsed in writing on the plat. 139379

(B) A county or regional planning commission may require the 139380
submission of a preliminary plan for each plat sought to be 139381
recorded. If the commission requires this submission, it shall 139382
provide for a review process for the preliminary plan. Under this 139383
review process, the planning commission shall give its approval, 139384
its approval with conditions, or its disapproval of each 139385
preliminary plan. The commission's decision shall be in writing, 139386
shall be under the signature of the secretary of the commission, 139387
and shall be issued within thirty-five business days after the 139388
submission of the preliminary plan to the commission. The 139389
disapproval of a preliminary plan shall state the reasons for the 139390
disapproval. A decision of the commission under this division is 139391
preliminary to and separate from the commission's decision to 139392
approve, conditionally approve, or refuse to approve a plat under 139393
division (C) of this section. 139394

(C) Within five calendar days after the submission of a plat 139395
for approval under this division, the county or regional planning 139396
commission shall schedule a meeting to consider the plat and send 139397
a notice by regular mail or by electronic mail to the fiscal 139398
officer of the board of township trustees of the township in which 139399
the plat is located and the board of health of the health district 139400
in which the plat is located. The notice shall inform the trustees 139401
and the board of health of the submission of the plat and of the 139402
date, time, and location of any meeting at which the county or 139403
regional planning commission will consider or act upon the plat. 139404
The meeting shall take place within thirty calendar days after 139405
submission of the plat, and no meeting shall be held until at 139406
least seven calendar days have passed from the date the planning 139407
commission sent the notice. 139408

The approval of the county or regional planning commission, 139409
the commission's conditional approval as described in this 139410

division, or the refusal of the commission to approve shall be 139411
endorsed on the plat within thirty calendar days after the 139412
submission of the plat for approval under this division or within 139413
such further time as the applying party may agree to in writing; 139414
otherwise that plat is deemed approved, and the certificate of the 139415
commission as to the date of the submission of the plat for 139416
approval under this division and the failure to take action on it 139417
within that time shall be sufficient in lieu of the written 139418
endorsement or evidence of approval required by this division. 139419

A county or regional planning commission may grant 139420
conditional approval under this division to a plat by requiring a 139421
person submitting the plat to alter the plat or any part of it, 139422
within a specified period after the end of the thirty calendar 139423
days, as a condition for final approval under this division. Once 139424
all the conditions have been met within the specified period, the 139425
commission shall cause its final approval under this division to 139426
be endorsed on the plat. No plat shall be recorded until it is 139427
endorsed with the commission's final or unconditional approval 139428
under this division. 139429

The ground of refusal of approval of any plat submitted under 139430
this division, including citation of or reference to the rule 139431
violated by the plat, shall be stated upon the record of the 139432
county or regional planning commission. Within sixty calendar days 139433
after the refusal under this division, the person submitting any 139434
plat that the commission refuses to approve under this division 139435
may file a petition in the court of common pleas of the proper 139436
county, and the proceedings on the petition shall be governed by 139437
section 711.09 of the Revised Code as in the case of the refusal 139438
of a planning authority to approve a plat. A board of township 139439
trustees is not entitled to appeal a decision of the commission 139440
under this division. 139441

A county or regional planning commission shall adopt general 139442

rules, of uniform application, governing plats and subdivisions of 139443
land falling within its jurisdiction, to secure and provide for 139444
the proper arrangement of streets or other highways in relation to 139445
existing or planned streets or highways or to the county or 139446
regional plan, for adequate and convenient open spaces for 139447
traffic, utilities, access of firefighting apparatus, recreation, 139448
light, and air, and for the avoidance of congestion of population. 139449
The rules may provide for their modification by the commission in 139450
specific cases where unusual topographical and other exceptional 139451
conditions require the modification. The rules may require the 139452
board of health to review and comment on a plat before the 139453
commission acts upon it and also may require proof of compliance 139454
with any applicable zoning resolutions, and with ~~rules governing~~ 139455
household sewage treatment ~~systems~~ rules adopted under section 139456
3718.02 of the Revised Code, as a basis for approval of a plat. 139457

Before adoption of its rules or amendment of its rules, the 139458
commission shall hold a public hearing on the adoption or 139459
amendment. Notice of the public hearing shall be sent to all 139460
townships in the county or region by regular mail or electronic 139461
mail at least thirty business days before the hearing. No county 139462
or regional planning commission shall adopt any rules requiring 139463
actual construction of streets or other improvements or facilities 139464
or assurance of that construction as a condition precedent to the 139465
approval of a plat of a subdivision unless the requirements have 139466
first been adopted by the board of county commissioners after a 139467
public hearing. A copy of the rules shall be certified by the 139468
planning commission to the county recorders of the appropriate 139469
counties. 139470

After a county or regional street or highway plan has been 139471
adopted as provided in this section, the approval of plats and 139472
subdivisions provided for in this section shall be in lieu of any 139473
approvals provided for in other sections of the Revised Code, 139474

insofar as the territory within the approving jurisdiction of the 139475
county or regional planning commission, as provided in this 139476
section, is concerned. Approval of a plat shall not be an 139477
acceptance by the public of the dedication of any street, highway, 139478
or other way or open space shown upon the plat. 139479

No county or regional planning commission shall require a 139480
person submitting a plat to alter the plat or any part of it as 139481
long as the plat is in accordance with the general rules governing 139482
plats and subdivisions of land, adopted by the commission as 139483
provided in this section, in effect at the time the plat is 139484
submitted. 139485

A county or regional planning commission and a city or 139486
village planning commission, or platting commissioner or 139487
legislative authority of a village, with subdivision regulation 139488
jurisdiction over unincorporated territory within the county or 139489
region may cooperate and agree by written agreement that the 139490
approval of a plat by the city or village planning commission, or 139491
platting commissioner or legislative authority of a village, as 139492
provided in section 711.09 of the Revised Code, shall be 139493
conditioned upon receiving advice from or approval by the county 139494
or regional planning commission. 139495

(D) As used in this section, "business day" means a day of 139496
the week excluding Saturday, Sunday, or a legal holiday as defined 139497
in section 1.14 of the Revised Code. 139498

Sec. 711.131. (A) Notwithstanding sections 711.001 to 711.13 139499
of the Revised Code and except as provided in division (C) of this 139500
section, unless the rules adopted under section 711.05, 711.09, or 139501
711.10 of the Revised Code are amended pursuant to division (B) of 139502
this section, a proposed division of a parcel of land along an 139503
existing public street, not involving the opening, widening, or 139504
extension of any street or road, and involving no more than five 139505

lots after the original tract has been completely subdivided, may 139506
be submitted to the planning authority having approving 139507
jurisdiction of plats under section 711.05, 711.09, or 711.10 of 139508
the Revised Code for approval without plat. If the authority 139509
acting through a properly designated representative finds that a 139510
proposed division is not contrary to applicable platting, 139511
subdividing, zoning, health, sanitary, or access management 139512
regulations ~~or~~, regulations adopted under division (B)(3) of 139513
section 307.37 of the Revised Code regarding existing surface or 139514
subsurface drainage, or ~~rules governing~~ household sewage treatment 139515
~~systems~~ rules adopted under section 3718.02 of the Revised Code, 139516
it shall approve the proposed division within seven business days 139517
after its submission and, on presentation of a conveyance of the 139518
parcel, shall stamp the conveyance "approved by (planning 139519
authority); no plat required" and have it signed by its clerk, 139520
secretary, or other official as may be designated by it. The 139521
planning authority may require the submission of a sketch and 139522
other information that is pertinent to its determination under 139523
this division. 139524

(B) For a period of up to two years after ~~April 15, 2005~~ the 139525
effective date of this amendment, the rules adopted under section 139526
711.05, 711.09, or 711.10 of the Revised Code may be amended 139527
within that period to authorize the planning authority involved to 139528
approve proposed divisions of parcels of land without plat under 139529
this division. If an authority so amends its rules, it may approve 139530
no more than five lots without a plat from an original tract as 139531
that original tract exists on the effective date of the amendment 139532
to the rules. The authority shall make the findings and approve a 139533
proposed division in the time and manner specified in division (A) 139534
of this section. 139535

(C) This section does not apply to parcels subject to section 139536
711.133 of the Revised Code. 139537

(D) As used in this section, "business day" means a day of 139538
the week excluding Saturday, Sunday, or a legal holiday as defined 139539
in section 1.14 of the Revised Code. 139540

Sec. 4736.01. As used in this chapter: 139541

This section expires two years after its effective date. 141544

Section 757.10. (A) This section is intended as remedial 141545
legislation authorizing the exemption of airport property for 141546
which a port authority applied for tax exemption, but was denied 141547
because the applicant was a lessee and not the owner of the 141548
property, as required under section 5715.27 of the Revised Code as 141549
that section existed before its amendment by Sub. H.B. 160 of the 141550
127th General Assembly. 141551

(B) As used in this section: 141552

(1) "Eligible year" means any year for which taxes, 141553
penalties, and interest could have been remitted or abated, and 141554
the property placed on the exempt tax list, under a previous 141555
application for exemption if the application had not been 141556
dismissed as provided under division (A) of this section. 141557

(2) "Qualified property" means real property owned by a 141558
subdivision of this state, leased to a port authority created 141559
under Chapter 4582. of the Revised Code, and used as an airport, 141560
and that currently qualifies for exemption from taxation under any 141561
section of the Revised Code, but for which the application for 141562
exemption for an eligible year was dismissed by the Tax 141563
Commissioner as provided in division (A) of this section. 141564

(3) "Subdivision," "taxing authority," and "taxing unit" have 141565
the same meanings as in section 5705.01 of the Revised Code. 141566

(C) Notwithstanding section 5713.081 of the Revised Code, if 141567

an application for exemption from and abatement or remission of 141568
property taxes for qualified property was dismissed because of 141569
failure to comply with Chapter 5713., or section 5715.27 of the 141570
Revised Code as that section existed before its amendment by Sub. 141571
H.B. 160 of the 127th General Assembly, the current owner of 141572
qualified property, on or before January 1, 2010, may file with 141573
the Tax Commissioner an application requesting that the property 141574
be placed on the exempt tax list and that all paid or unpaid 141575
taxes, penalties, and interest on the property be abated or 141576
remitted, as appropriate, for each eligible year. The application 141577
shall be filed on the form prescribed by the Commissioner under 141578
section 5715.27 of the Revised Code. The owner shall include with 141579
the application a copy of the Commissioner's final determination 141580
dismissing the previous application and the certificate issued by 141581
the county treasurer under division (F) of this section. Failure 141582
to include the Commissioner's final determination that dismissed 141583
the previous application for exemption or the treasurer's 141584
certificate shall result in dismissal of the application filed 141585
under this section. 141586

(D) Upon receiving an application under this section, the Tax 141587
Commissioner shall determine if the applicant and the applicant's 141588
property satisfy the requirements for exemption, abatement, and 141589
remission under this section. If the requirements are satisfied, 141590
the Commissioner shall issue an order directing the auditor to 141591
place the property on the exempt tax list of the county and 141592
ordering that all paid or unpaid taxes, penalties, and interest be 141593
abated or remitted for every eligible year the property was 141594
qualified property. If the Commissioner determines that the 141595
property does not satisfy the requirements for exemption for one 141596
or more years, the Commissioner shall deny the application for 141597
those years and certify the finding to the county treasurer of the 141598
county in which the property is located for collection of all 141599
taxes, penalties, and interest and distribution thereof to the 141600

appropriate subdivisions. Tax payments for eligible years shall 141601
not be considered unpaid taxes for purposes of establishing 141602
jurisdiction to consider an application under this section. 141603

(E) The county auditor shall notify the county treasurer that 141604
any tax payments for eligible years that have not been distributed 141605
shall be held in a special fund pending a decision by the Tax 141606
Commissioner on an application filed under this section. No 141607
subdivision or other taxing unit is entitled to advance payment of 141608
such amounts under section 321.34 of the Revised Code. After the 141609
Commissioner issues a decision, the county auditor shall either 141610
remit the taxes, penalties, and interest to the applicant if the 141611
application is approved or distribute the taxes, penalties, and 141612
interest to the proper taxing authorities if the application for 141613
exemption is denied. 141614

(F) Upon request by the applicant, the county treasurer shall 141615
determine whether all taxes, penalties, and interest that were 141616
levied for all tax years that are not eligible years and whether 141617
all special assessments charged against the property have been 141618
paid in full. If so, the treasurer shall issue a certificate to 141619
the applicant stating that all such amounts have been paid, or, if 141620
not, the certificate shall list the tax years for which such 141621
taxes, penalties, interest, and special assessments remain unpaid. 141622

Section 759.10. Notwithstanding division (B)(1) of section 141623
5919.34 of the Revised Code, the number of participants in the 141624

occurring in the year 2009 shall be limited to the equivalent of 141626

Section 803.10. Section 1751.14 of the Revised Code, as 141632
amended by this act, shall apply only to policies, contracts, and 141633
agreements that are delivered, issued for delivery, or renewed in 141634
this state on or after July 1, 2010; section 3923.24 of the 141635
Revised Code, as amended by this act, shall apply only to policies 141636
of sickness and accident insurance and plans of health coverage 141637
that are established or modified in this state on or after July 1, 141638
2010; and section 3923.241, as enacted by this act, shall apply 141639
only to public employee health plans established or modified in 141640
this state on or after July 1, 2010. 141641

Section 803.20. Sections 718.04 and 5747.01 of the Revised 141642
Code, as amended by this act, first apply to taxable years 141643
beginning on or after January 1, 2010. 141644

The amendment by this act of sections 5733.47 and 5747.76 of 141645
the Revised Code applies to credits claimed with respect to 141646
certificates issued in taxable years ending on or after the 141647
effective date of this amendment. 141648

Section 803.30. In anticipation of the amendments to section 141649
124.134 of the Revised Code taking effect on August 30, 2009, the 141650
Director of Administrative Services shall determine an additional, 141651
prorated amount of vacation leave for employees who are in their 141652
fourth, ninth, fourteenth, nineteenth, or twenty-fourth year of 141653
service to receive as a result of the transition occurring on that 141654
date. The additional, prorated amount shall be such that the 141655
affected employees are not harmed as a result of the transition, 141656
and shall be added to the vacation leave balances of the affected 141657
employees on August 30, 2009. 141658

Section 803.50. The amendment by this act of section 5727.811 141659
of the Revised Code applies to the measurement period that 141660
includes the effective date of that section and ensuing 141661
measurement periods. 141662

Section 803.60. The amendment of section 105.41 of the 141663
Revised Code by this act does not abrogate any collective 141664
bargaining agreement, for the duration of the agreement, that 141665
applies to employees of the Capitol Square Review and Advisory 141666
Board and that was entered into under Chapter 4117. of the Revised 141667
Code before the effective date of that amendment. 141668

Assembly's intent of that section when it was enacted by Am. Sub. 141671
H.B. 66 of the 126th General Assembly. 141672

Section 806.10. The items of law contained in this act, and 141673
their applications, are severable. If any item of law contained in 141674
this act, or if any application of any item of law contained in 141675
this act, is held invalid, the invalidity does not affect other 141676
items of law contained in this act and their applications that can 141677
be given effect without the invalid item of law or application. 141678
141679

Section 809.10. An item of law, other than an amending, 141680
enacting, or repealing clause, that composes the whole or part of 141681
an uncodified section contained in this act has no effect after 141682
June 30, 2011, unless its context clearly indicates otherwise. 141683
