institution submitting the statement an amount equal to the 64812
tuition calculated under division (A) of section 3317.08 of the 64813
Revised Code for the period covered by the statement, and deduct 64814
the same from the amount of state funds, if any, payable under 64815
sections ~~3317.022~~ 3306.13 and 3317.023 of the Revised Code, to the 64816
child's school district of residence or, if the amount of such 64817
state funds is insufficient, require the child's school district 64818

amount equal to the amount determined under this division. 64820

(2) For any preschool child with a disability not included in 64821

operating expenses of the school district of residence; 64830

(b) Deduct from the amount of state funds, if any, payable 64831
under sections 3317.022 or 3306.13 and 3317.023 of the Revised 64832

Sec. 3323.14. This section does not apply to any preschool 64835
child with a disability except if included in a unit approved 64836
under division (B) of section 3317.05 of the Revised Code. 64837

(A) Where a child who is a school resident of one school 64838
district receives special education from another district and the 64839

the sum of the amount received by the educating district for that 64841

child under division (A) of section 3317.08 of the Revised Code 64842
and the amount received by the district from the state board of 64843
education for that child, then the board of education of the 64844
district of residence shall pay to the board of the school 64845
district that is providing the special education such excess cost 64846
as is determined by using a formula approved by the department of 64847
education and agreed upon in contracts entered into by the boards 64848
of the districts concerned at the time the district providing such 64849
special education accepts the child for enrollment. The department 64850
shall certify the amount of the payments under ~~Chapter~~ Chapters 64851
3306. and 3317. of the Revised Code for such pupils with 64852

district providing the child with special education and related 64859
services may charge to the child's district of residence the 64860
excess cost determined by formula approved by the department, 64861
regardless of whether the district of residence has entered into a 64862
contract with the district providing the services. If the district 64863
providing the services chooses to charge excess costs, the 64864
district may report the amount calculated under this division to 64865
the department. 64866

(C) If a district providing special education for a child 64867
reports an amount for the excess cost of those services, as 64868
authorized and calculated under division (A) or (B) of this 64869
section, the department shall pay that amount of excess cost to 64870
the district providing the services and shall deduct that amount 64871
from the child's district of residence in accordance with division 64872
(N) of section 3317.023 of the Revised Code. 64873

Sec. 3323.142. This section does not apply to any preschool 64874
child with a disability except if included in a unit approved 64875
under division (B) of section 3317.05 of the Revised Code. 64876

child with a disability included in such an approved unit means 64878
the amount determined by dividing the amount received for the 64879
classroom unit in which the child has been placed by the number of 64880
children in the unit. For any other child, "per pupil amount" 64881
means the amount paid for the child under section 3317.20 of the 64882
Revised Code. 64883

When a school district places or has placed a child with a 64884
county MR/DD board for special education, but another district is 64885

Revised Code and the child is not a resident of the territory 64887
served by the county MR/DD board, the board may charge the 64888
district responsible for tuition with the educational costs in 64889
excess of the per pupil amount received by the board under ~~Chapter~~ 64890
Chapters 3306. and 3317. of the Revised Code. The amount of the 64891
excess cost shall be determined by the formula established by rule 64892
of the department of education under section 3323.14 of the 64893
Revised Code, and the payment for such excess cost shall be made 64894
by the school district directly to the county MR/DD board. 64895

A school district board of education and the county MR/DD 64896
board that serves the school district may negotiate and contract, 64897
at or after the time of placement, for payments by the board of 64898
education to the county MR/DD board for additional services 64899
provided to a child placed with the county MR/DD board and whose 64900
individualized education program established pursuant to section 64901
3323.08 of the Revised Code requires additional services that are 64902

program but are necessary to maintain the child's enrollment and 64904

participation in the program. Additional services may include, but are not limited to, specialized supplies and equipment for the benefit of the child and instruction, training, or assistance provided by staff members other than staff members for which funding is received under Chapter 3306. or 3317. of the Revised Code.

assign its district employees to the STEM school, in which case 65432
section 3326.18 of the Revised Code shall not apply. The district 65433

STEM school in the same manner that it applies district resources 65435
to other district schools. 65436

(7) Provisions of this chapter requiring a STEM school and 65437
its governing body to comply with specified laws as if it were a 65438
school district and in the same manner as a board of education 65439
shall instead require such compliance by the STEM school 65440
sponsoring district and its board of education, respectively, with 65441
respect to the STEM school. Where a STEM school or its governing 65442

(8) No provision of this chapter limits the authority, as 65448

available. 65472

(B)(1) Based on its consideration of the factors established 65473
in division (A) of this section, the board may pass a resolution 65474
declaring the impracticality of transportation. The resolution 65475

shall include each pupil's name and the reason for impracticality. 65476

educational service center that contains the local district's 65481
territory. If the educational service center governing board 65482
considers transportation by school conveyance practicable, it 65483
shall so inform the local board and transportation shall be 65484
provided by such local board. If the educational service center 65485
board agrees with the view of the local board, the local board may 65486
offer payment in lieu of transportation as provided in this 65487
section. 65488

(C) After passing the resolution declaring the impracticality 65489
of transportation, the district board shall offer to provide 65490
payment in lieu of transportation by doing the following: 65491

department of education, informing the pupil's parent, guardian, 65493
or other person in charge of the pupil of both of the following: 65494

(a) The board's resolution; 65495

(b) The right of the pupil's parent, guardian, or other 65496
person in charge of the pupil to accept the offer of payment in 65497
lieu of transportation or to reject the offer and instead request 65498
the department to initiate mediation procedures. 65499

charge of the pupil a contract or other form on which the parent, 65501
guardian, or other person in charge of the pupil is given the 65502
option to accept or reject the board's offer of payment in lieu of 65503
transportation. 65504

(D) If the parent, guardian, or other person in charge of the 65505

pupil accepts the offer of payment in lieu of providing 65506
transportation, the board shall pay the parent, guardian, or other 65507
person in charge of the child an amount that shall be not less 65508
than the amount determined by the department of education as the 65509
minimum for payment in lieu of transportation, and not more than 65510
the amount determined by the department as the average cost of 65511
pupil transportation for the previous school year. Payment may be 65512
prorated if the time period involved is only a part of the school 65513
year. 65514

(E)(1)(a) Upon the request of a parent, guardian, or other 65515
person in charge of the pupil who rejected the payment in lieu of 65516
transportation, the department shall conduct mediation procedures. 65517

(b) If the mediation does not resolve the dispute, the state 65518
board of education shall conduct a hearing in accordance with 65519
Chapter 119. of the Revised Code. The state board may approve the 65520
payment in lieu of transportation or may order the board of 65521
education to provide transportation. The decision of the state 65522
board is binding in subsequent years and on future parties in 65523
interest provided the facts of the determination remain 65524
comparable. 65525

(2) The school district shall provide transportation for the 65526
pupil from the time the parent, guardian, or other person in 65527
charge of the pupil requests mediation until the matter is 65528
resolved under division (E)(1)(a) or (b) of this section. 65529

(F)(1) If the department determines that a school district 65530
board has failed or is failing to provide transportation as 65531
required by division (E)(2) of this section or as ordered by the 65532
state board under division (E)(1)(b) of this section, the 65533
department shall order the school district board to pay to the 65534
pupil's parent, guardian, or other person in charge of the pupil, 65535
an amount equal to the state average daily cost of transportation 65536
as determined by the state board of education for the previous 65537

year. The school district board shall make payments on a schedule 65538
ordered by the department. 65539

(2) If the department subsequently finds that a school 65540
district board is not in compliance with an order issued under 65541
division (F)(1) of this section and the affected pupils are 65542
enrolled in a nonpublic or community school, the department shall 65543
deduct the amount that the board is required to pay under that 65544
order from any payments the department makes to the school 65545
district board under ~~division (D) of section 3317.022~~ 3306.12 of 65546
the Revised Code. The department shall use the moneys so deducted 65547
to make payments to the nonpublic or community school attended by 65548
the pupil. The department shall continue to make the deductions 65549
and payments required under this division until the school 65550
district board either complies with the department's order issued 65551
under division (F)(1) of this section or begins providing 65552
transportation. 65553

(G) A nonpublic or community school that receives payments 65554
from the department under division (F)(2) of this section shall do 65555
either of the following: 65556

(1) Disburse the entire amount of the payments to the parent, 65557
guardian, or other person in control of the pupil affected by the 65558
failure of the school district of residence to provide 65559
transportation; 65560

(2) Use the entire amount of the payments to provide 65561
acceptable transportation for the affected pupil. 65562

Sec. 3327.04. (A) The board of education of any city, 65563
exempted village, or local school district may contract with the 65564
board of another district for the admission or transportation, or 65565
both, of pupils into any school in such other district, on terms 65566
agreed upon by such boards. 65567

(B) The boards of two school districts may enter into a contract under this section to share the provision of transportation to a child who resides in one school district and attends school in the other district. Under such an agreement, one district may claim the total transportation subsidy available for such child under ~~division (D) of section 3317.022~~ 3306.12 of the Revised Code and may agree to pay any portion of such subsidy to the other district sharing the provision of transportation to that child. The contract shall delineate the transportation responsibilities of each district.

A school district that enters into a contract under this section is not liable for any injury, death, or loss to the person or property of a student that may occur while the student is being furnished transportation by the other school district that is a party to the contract.

(C) Whenever a board not maintaining a high school enters into an agreement with one or more boards maintaining such school for the schooling of all its high school pupils, the board making such agreement is exempt from the payment of tuition at other high schools of pupils living within three miles of the school designated in the agreement. In case no such agreement is entered into, the high school to be attended can be selected by the pupil holding an eighth grade diploma, and the tuition shall be paid by the board of the district of school residence.

Sec. 3327.05. (A) Except as provided in division (B) of this section, no board of education of any school district shall provide transportation for any pupil who is a school resident of another school district unless the pupil is enrolled pursuant to section 3313.98 of the Revised Code or the board of the other district has given its written consent thereto. If the board of any school district files with the state board of education a

written complaint that transportation for resident pupils is being provided by the board of another school district contrary to this division, the state board of education shall make an investigation of such complaint. If the state board of education finds that transportation is being provided contrary to this section, it may withdraw from state funds due the offending district any part of the amount that has been approved for transportation pursuant to ~~division (D) of section 3317.022~~ 3306.12 of the Revised Code.

(B) Notwithstanding division (D) of section 3311.19 and division (D) of section 3311.52 of the Revised Code, this division does not apply to any joint vocational or cooperative education school district.

A board of education may provide transportation to and from the nonpublic school of attendance if both of the following apply:

(1) The parent, guardian, or other person in charge of the pupil agrees to pay the board for all costs incurred in providing the transportation that are not reimbursed pursuant to Chapter 3306. or 3317. of the Revised Code;

(2) The pupil's school district of residence does not provide transportation for public school pupils of the same grade as the pupil being transported under this division, or that district is not required under section 3327.01 of the Revised Code to transport the pupil to and from the nonpublic school because the direct travel time to the nonpublic school is more than thirty minutes.

Upon receipt of the request to provide transportation, the board shall review the request and determine whether the board will accommodate the request. If the board agrees to transport the pupil, the board may transport the pupil to and from the nonpublic school and a collection point in the district, as determined by the board. If the board transports the pupil, the board may

include the pupil in the district's transportation ADM reported to 65630
the department of education under section 3317.03 of the Revised 65631
Code and, accordingly, may receive a state payment under ~~division~~ 65632
(D) of section ~~3317.022~~ 3306.12 of the Revised Code for 65633
transporting the pupil. 65634

If the board declines to transport the pupil, the board, in a 65635
written communication to the parent, guardian, or other person in 65636
charge of the pupil, shall state the reasons for declining the 65637
request. 65638

prescribe procedures for the chancellor to follow when taking 65937
actions associated with the chancellor's duties and 65938
responsibilities and shall indicate which types of actions are 65939

program established under section 3333.122 of the Revised Code. 66451

(2) "Rules for the Ohio college opportunity grant program" 66452
means the rules authorized in division (S) of section 3333.04 of 66453
the Revised Code for the implementation of the program. 66454

(B) In adopting rules for the Ohio college opportunity grant 66455
program, the chancellor of the Ohio board of regents may include 66456
provisions that give preferential or priority funding to 66457
low-income students who in their primary and secondary school work 66458
participate in or complete rigorous academic coursework, attain 66459
passing scores on the ~~tests~~ assessments prescribed in section 66460

need for remediation and ensure academic success at the 66463
postsecondary education level. Any such rules shall include a 66464
specification of procedures needed to certify student achievement 66465
of primary and secondary standards as well as the timeline for 66466
implementation of the provisions authorized by this section. 66467

Sec. 3333.16. As used in this section "state institution of 66468
higher education" means an institution of higher education as 66469
defined in section 3345.12 of the Revised Code. 66470

(A) The chancellor of the Ohio board of regents shall do all 66471

education and transfer coursework and degrees to any other state 66476
institution of higher education without unnecessary duplication or 66477
institutional barriers. The purpose of this requirement is to 66478
allow students to attain their highest educational aspirations in 66479
the most efficient and effective manner for the students and the 66480
state. These policies and procedures shall require state 66481
institutions of higher education to make changes or modifications, 66482

equivalency for that course at any state institution of higher 66484
education. 66485

(2) Develop and implement a universal course equivalency 66486
classification system for state institutions of higher education 66487
so that the transfer of students and the transfer and articulation 66488

completed by students are not inhibited by inconsistent judgment 66490
about the application of transfer credits. Coursework completed 66491
within such a system at one state institution of higher education 66492
and transferred to another institution shall be applied to the 66493
student's degree objective in the same manner as equivalent 66494
coursework completed at the receiving institution. 66495

(3) Develop a system of transfer policies that ensure that 66496
graduates with associate degrees which include completion of 66497
approved transfer modules shall be admitted to a state institution 66498
of higher education, shall be able to compete for admission to 66499
specific programs on the same basis as students native to the 66500
institution, and shall have priority over out-of-state associate 66501
degree graduates and transfer students. To assist a student in 66502
advising and transferring, all state institutions of higher 66503

contracted for, or developed by the chancellor. 66506

(4) Examine the feasibility of developing a transfer marketing agenda that includes materials and interactive technology to inform the citizens of Ohio about the availability of transfer options at state institutions of higher education and to encourage adults to return to colleges and universities for additional education;

(5) Study, in consultation with the state board of career colleges and schools, and in light of existing criteria and any other criteria developed by the articulation and transfer advisory council, the feasibility of credit recognition and transferability to state institutions of higher education for graduates who have received associate degrees from a career college or school with a certificate of registration from the state board of career colleges and schools under Chapter 3332. of the Revised Code.

shall distribute money in the nurse education assistance fund in 66541
the following manner: 66542

prelicensure or postlicensure program for nursing in this state 66548
upon completion of the applicant's academic program. 66549

(b) If the borrower of a loan under division (C)(1)(a) of 66550
this section secures employment as a faculty member of an approved 66551

of loans may be granted as provided by the rules adopted under 66559

(c) Loans awarded under division (C)(1)(a) of this section 66561
shall be awarded on the basis of the student's expected family 66562
contribution, with preference given to those applicants with the 66563
lowest expected family contribution. However, the chancellor may 66564
consider other factors the chancellor determines relevant in 66565
ranking the applications. 66566

(d) Each loan awarded to a student under division (C)(1)(a) 66567
of this section shall be not less than five thousand dollars per 66568

year. 66569

(2) Twenty-five per cent of available funds shall be awarded 66570
to students enrolled in prelicensure nurse education programs for 66571
registered nurses, as defined in section 4723.01 of the Revised 66572
Code. 66573

(3) Twenty-five per cent of available funds shall be awarded 66574
to students enrolled in ~~prelicensure professional~~ nurse education 66575

preference given to programs aimed at increasing enrollment in an 66578
area of need. 66579

After January 1, 2012, the chancellor shall determine the 66580
manner in which to distribute loans under this section. 66581

nursing profession; 66598

(9) Any other matters incidental to the operation of the 66599
program. 66600

(E) The obligation to repay a portion of the principal and 66601
interest on a loan made under this section shall be forgiven if 66602
the recipient of the loan meets the criteria for forgiveness 66603
established by division (C)(1)(b) of this section, in the case of 66604
loans awarded under division (C)(1)(a) of this section, or by the 66605
chancellor under the rule adopted under division (D)(7) of this 66606
section, in the case of other loans awarded under this section. 66607

(F) The receipt of a loan under this section shall not affect 66608

day of September after graduating from the teacher training 66761
program or immediately after termination of the scholarship. The 66762
period of repayment under the note shall be determined by the 66763
chancellor of the Ohio board of regents. The note shall stipulate 66764
that the obligation to make payments under the note is canceled 66765
following completion of four years of qualified service by the 66766
recipient in accordance with division (D) of section 3333.391 of 66767
the Revised Code, or if the recipient dies, becomes totally and 66768
permanently disabled, or is unable to complete the required 66769
qualified service as a result of a reduction in force at the 66770
recipient's school of employment before the obligation under the 66771
note has been satisfied. 66772

(B) Repayment of the principal amount of the scholarship and 66773
interest accrued shall be deferred while the recipient is enrolled 66774
in an approved teaching program, while the recipient is seeking 66775

(C) During the seven-year period following the recipient's 66779
graduation from an approved teaching program, the chancellor shall 66780

deduct twenty-five per cent of the outstanding balance that may be 66781
converted to a loan for each year the recipient teaches at a 66782
qualifying school. 66783

(D) The chancellor may terminate the scholarship, in which 66784
case the scholarship shall be converted to a loan to be repaid 66785
under division (A) of this section. 66786

(E) The scholarship shall be deemed terminated upon the 66787

meet the standards of the scholarship as determined by the 66789
chancellor and shall be converted to a loan to be repaid under 66790
division (A) of this section. 66791

(F) The chancellor and the attorney general shall collect 66792
payments on the converted loan in accordance with section 131.02 66793

Sec. 3333.42. No state institution of higher education, as 66795
defined in section 3345.011 of the Revised Code, shall charge a 66796
nonresident student who is a member of the armed forces of the 66797
United States and who is stationed in this state pursuant to 66798
military orders or who is a member of the Ohio national guard, or 66799
who is the spouse or dependent child of such a student, rates for 66800

Sec. 3333.61. The chancellor of the Ohio board of regents 66803
shall establish and administer the Ohio innovation partnership, 66804

make awards to state universities or colleges for programs and 66808
initiatives that recruit students and scientists in the fields of 66809
science, technology, engineering, mathematics, and medicine to 66810

state universities or colleges, in order to enhance regional 66811
educational and economic strengths and meet the needs of the 66812
state's regional economies. Awards may be granted for programs and 66813
initiatives to be implemented by a state university or college 66814
alone or in collaboration with other state institutions of higher 66815
education, nonpublic Ohio universities and colleges, or other 66816
public or private Ohio entities. If the chancellor makes an award 66817
to a program or initiative that is intended to be implemented by a 66818
state university or college in collaboration with other state 66819
institutions of higher education or nonpublic Ohio universities or 66820
colleges, the chancellor may provide that some portion of the 66821
award be received directly by the collaborating universities or 66822
colleges consistent with all terms of the Ohio innovation 66823
partnership. 66824

The choose Ohio first scholarship program shall assign a 66825

science, technology, engineering, mathematics, and medicine, or in 66829
science, technology, engineering, mathematics, or medical 66830
education. Choose Ohio first scholarships shall be awarded to each 66831
participating eligible student as a grant to the state university 66832
or college the student is attending and shall be reflected on the 66833
student's tuition bill. Choose Ohio first scholarships are 66834
student-centered grants from the state to students to use to 66835
attend a university or college and are not grants from the state 66836
to universities or colleges. 66837

Notwithstanding any other provision of this section or 66838
sections 3333.62 to 3333.70 of the Revised Code, a nonpublic 66839
four-year Ohio institution of higher education may submit a 66840
proposal for choose Ohio first scholarships ~~if the proposal is to~~ 66841

choose Ohio first scholarship program and the Ohio research 66857
scholars program. The chancellor, on completion of that process, 66858
shall make a recommendation to the controlling board asking for 66859
approval of each award selected by the chancellor. 66860

Any state university or college may apply for one or more 66861
awards under one or both programs. The state university or college 66862
shall submit a proposal and other documentation required by the 66863
chancellor, in the form and manner prescribed by the chancellor, 66864
for each award it seeks. A proposal may propose an initiative to 66865
be implemented solely by the state university or college or in 66866
collaboration with other state institutions of higher education, 66867
nonpublic Ohio universities or colleges, or other public or 66868
nonpublic Ohio entities. A single proposal may seek an award under 66869
one or both programs. 66870

awards each fiscal year, and the amount of each award, on the 66872

efficient utilization of existing faculty and programs; 66892

(H) The extent to which the proposal meets a statewide 66893
educational need; 66894

(I) The demonstrated productivity or future capacity of the 66895
students or scientists to be recruited; 66896

(J) The extent to which the proposal will create additional 66897
capacity in educational or economic areas of need; 66898

(K) The extent to which the proposal will encourage students 66899

baccalaureate degrees in science, technology, engineering, 66903

mathematics, or medicine; 66904

(O) The extent to which other institutional, public, or 66916
private resources pledged to the proposal will be deployed to 66917
assist in sustaining students' scholarships over their academic 66918
careers; 66919

(P) The extent to which the proposal increases the likelihood 66920
that students will successfully complete their degree programs in 66921
science, technology, engineering, mathematics, or medicine or in 66922
science, technology, engineering, mathematics, or medical 66923
education; 66924

(Q) The extent to which the proposal ensures that a student 66925
who is awarded a scholarship is appropriately qualified and 66926

one thousand five hundred dollars or more than one-half of the 66936
highest in-state undergraduate instructional and general fees 66937
charged by all state universities. For this purpose, if Miami 66938
university is implementing the pilot tuition restructuring plan 66939
originally recognized in Am. Sub. H.B. 95 of the 125th general 66940
assembly, that university's instructional and general fees shall 66941
be considered to be the average full-time in-state undergraduate 66942
instructional and general fee amount after taking into account the 66943
Ohio resident and Ohio leader scholarships and any other credit 66944
provided to all Ohio residents. 66945

(2) The chancellor of the Ohio board of regents may authorize 66946
a state university or college or a nonpublic Ohio institution of 66947

or colleges as graduate students in the fields of science, 66966
technology, engineering, mathematics, and medicine, or in the 66967
fields of science, technology, engineering, mathematics, or 66968
medical education. If such proposals are submitted and meet the 66969
chancellor's competitive criteria for awards, the chancellor, 66970
subject to approval by the controlling board, shall give at least 66971
one of the proposals preference for an award. 66972

(C) The general assembly intends that money appropriated for 66973
the choose Ohio first scholarship program in each fiscal year be 66974

The chancellor and the office of budget and management, and the authority in the case of obligations to be issued by the authority, shall evaluate each request received from a community or technical college district under this section. The chancellor, with the advice and consent of the director of budget and management and the authority in the case of obligations to be issued by the authority, shall approve each request if all of the following conditions are met:

(1) Approval of the request will enhance the marketability of the obligations for which the request is made;

(2) The chancellor and the office of budget and management, and the authority in the case of obligations to be issued by the authority, have no reason to believe the requesting community or technical college district or the community or technical college it operates will be unable to pay when due the bond service charges on the obligations for which the request is made, and bond service charges on those obligations are therefore not anticipated to be paid pursuant to this section from the allocated state share of instruction for purposes of Section 17 of Article VIII, Ohio Constitution.

(3) Any other pertinent conditions established in rules adopted under division (H) of this section.

(C) If the chancellor approves the request of a community or technical college district to withhold and deposit funds pursuant to this section, the chancellor shall enter into a written agreement with the district and the primary paying agent or fiscal agent for the obligations, which agreement shall provide for the withholding of funds pursuant to this section for the payment of bond service charges on those obligations. The agreement may also include both of the following:

(1) Provisions for certification by the district to the

chancellor, prior to the deadline for payment of the applicable 67056
bond service charges, whether the district and the community or 67057
technical college it operates are able to pay those bond service 67058
charges when due; 67059

(2) Requirements that the district or the community or 67060
technical college it operates deposits amounts for the payment of 67061
those bond service charges with the primary paying agent or fiscal 67062
agent for the obligations prior to the date on which the bond 67063
service charges are due to the owners or holders of the 67064
obligations. 67065

(D) Whenever a district or the community or technical college 67066
it operates notifies the chancellor that it will not be able to 67067
pay the bond service charges when they are due, subject to the 67068
withholding provisions of this section, or whenever the applicable 67069
paying agent or fiscal agent notifies the chancellor that it has 67070
not timely received from a district or from the college it 67071
operates the full amount needed for payment of the bond service 67072
charges when due to the holders or owners of such obligations, the 67073
chancellor shall immediately contact the district or college and 67074
the paying agent or fiscal agent to confirm that the district and 67075
the college are not able to make the required payment by the date 67076
on which it is due. 67077

If the chancellor confirms that the district and the college 67078
are not able to make the payment and the payment will not be made 67079
pursuant to a credit enhancement facility, the chancellor shall 67080
promptly pay to the applicable primary paying agent or fiscal 67081
agent the lesser of the amount due for bond service charges or the 67082
amount of the next periodic distribution scheduled to be made to 67083
the district or to the college in respect of its allocated state 67084
share of instruction. If this amount is insufficient to pay the 67085
total amount then due the agent for the payment of bond service 67086
charges, the chancellor shall continue to pay to the agent from 67087

each periodic distribution thereafter, and until the full amount 67088
due the agent for unpaid bond service charges is paid in full, the 67089
lesser of the remaining amount due the agent for bond service 67090
charges or the amount of the next periodic distribution scheduled 67091
to be made to the district or college in respect of its allocated 67092
state share of instruction. 67093

(E) The chancellor may make any payments under this section 67094
by direct deposit of funds by electronic transfer. 67095

Any amount received by a paying agent or fiscal agent under 67096
this section shall be applied only to the payment of bond service 67097
charges on the obligations of the community or technical college 67098
district or community or technical college subject to this section 67099
or to the reimbursement of the provider of a credit enhancement 67100
facility that has paid the bond service charges. 67101

(F) The chancellor may make payments under this section to 67102
paying agents or fiscal agents during any fiscal biennium of the 67103
state only from and to the extent that money is appropriated to 67104
the board of regents by the general assembly for distribution 67105
during such biennium for the state share of instruction and only 67106
to the extent that a portion of the state share of instruction has 67107
been allocated to the community or technical college district or 67108
community or technical college. Obligations of the authority or of 67109
a community or technical college district to which this section is 67110
made applicable do not constitute an obligation or a debt or a 67111
pledge of the faith, credit, or taxing power of the state, and the 67112
holders or owners of those obligations have no right to have 67113
excises or taxes levied or appropriations made by the general 67114
assembly for the payment of bond service charges on the 67115
obligations, and the obligations shall contain a statement to that 67116
effect. The agreement for or the actual withholding and payment of 67117
money under this section does not constitute the assumption by the 67118
state of any debt of a community or technical college district or 67119

a community or technical college, and bond service charges on the 67120
related obligations are not anticipated to be paid from the state 67121
general revenue fund for purposes of Section 17 of Article VIII, 67122
Ohio Constitution. 67123

(G) In the case of obligations subject to the withholding 67124
provisions of this section, the issuing community or technical 67125
college district, or the authority in the case of obligations 67126
issued by the authority, shall appoint a paying agent or fiscal 67127
agent who is not an officer or employee of the district or 67128
college. 67129

(H) The chancellor, with the advice and consent of the office 67130
of budget and management, may adopt reasonable rules not 67131
inconsistent with this section for the implementation of this 67132
section to secure payment of bond service charges on obligations 67133
issued by a community or technical college district or by the 67134
authority for the benefit of a community or technical college 67135
district or the community or technical college it operates. Those 67136
rules shall include criteria for the evaluation and approval or 67137
denial of community or technical college district requests for 67138
withholding under this section. 67139

(I) The authority granted by this section is in addition to 67140
and not a limitation on any other authorizations granted by or 67141
pursuant to law for the same or similar purposes. 67142

Sec. 3334.03. (A)(1) There is hereby created the Ohio tuition 67143
trust authority within the office of the chancellor of the Ohio 67144
board of regents, which shall have the powers enumerated in this 67145

program within the meaning of section 529 of the Internal Revenue 67147
Code. The exercise by the authority of its powers shall be and is 67148
hereby declared an essential state governmental function. The 67149
authority is subject to all provisions of law generally applicable 67150

to state agencies which do not conflict with the provisions of 67151
this chapter. 67152

(2) Except for the duties and responsibilities under this 67153
chapter of the Ohio tuition trust authority board as specified in 67154
divisions (B)(2) and (3) of this section, the Ohio tuition trust 67155
authority shall perform all duties and responsibilities specified 67156
under this chapter. 67157

(B) ~~The (1)(a) There is hereby created the Ohio tuition trust 67158~~
authority board, which shall consist of eleven members, no more 67159
than six of whom shall be of the same political party. Six members 67160
shall be appointed by the governor with the advice and consent of 67161

Sec. 3334.07. (A) The Ohio tuition trust authority shall develop a plan for the sale of tuition units. ~~The Ohio board of regents shall cooperate with the authority and provide technical assistance upon request~~ Not later than December 31, 2009, the authority shall conduct a study of guaranteed tuition program plans and submit a report that contains recommendations for a new guaranteed tuition plan to the speaker of the house of representatives, the president of the senate, and the governor. 67270
67271
67272
67273
67274
67275
67276
67277

The authority shall include in the report consideration of a 67278
guaranteed tuition program plan in which the risks of the plan are 67279
shared equitably among institutions of higher education, the 67280
state, the Ohio tuition trust authority, and the investors in the 67281
program. 67282

(B) Annually, the authority shall determine the weighted 67283
average tuition of four-year state universities in the academic 67284
year that begins on or after the first day of August of the 67285
current calendar year, and shall establish the price of a tuition 67286
unit in the ensuing sales period. Such price shall be based on 67287
sound actuarial principles, and shall, to the extent actuarially 67288
possible, reasonably approximate one per cent of the weighted 67289
average tuition for that academic year plus the costs of 67290
administering the program that are in excess of general revenue 67291
fund appropriations for administrative costs. The sales period to 67292
which such price applies shall consist of twelve months, and the 67293
authority by rule shall establish the date on which the sales 67294
period begins. If circumstances arise during a sales period that 67295
the authority determines causes the price of tuition units to be 67296
insufficient to ensure the actuarial soundness of the Ohio tuition 67297
trust fund, the authority may adjust the price of tuition units 67298
purchased during the remainder of the sales period. To promote the 67299
purchase of tuition units and in accordance with actuarially sound 67300
principles, the authority may adjust the sales price as part of 67301
incentive programs, such as discounting for lump sum purchases and 67302
multi-year installment plans at a fixed rate of purchase. 67303

(C) The authority may establish and administer more than one 67304
plan for the sale of tuition units within the Ohio tuition trust 67305
fund using similar principles specified in division (B) of this 67306
section or modeled after a plan that was included in the study 67307
that was conducted under division (A) of this section. If the 67308
authority establishes and administers more than one plan for the 67309

sale of tuition units, the money received under each plan shall be 67310
segregated and identified within the Ohio tuition trust fund. 67311

malicious purpose, in bad faith, or in a wanton or reckless 67333

costs incurred in connection with the exercise of the investment 67448
powers of the authority pursuant to divisions (D) and (E) of this 67449
section shall be paid from the assets of the fund. 67450

(B) Unless otherwise provided by the authority, the assets of 67451
the Ohio tuition trust fund shall be expended in the following 67452

higher education on behalf of beneficiaries, under division (B) of 67455
section 3334.09 of the Revised Code; 67456

(2) To make refunds as provided in divisions (A) and (C) of 67457
section 3334.10 of the Revised Code; 67458

(3) To pay the investment fees and other costs of 67459
administering the fund. 67460

division (A)(19) of section 3334.08 of the Revised Code, all 67462

each tuition payment contract entered into pursuant to division 67494

payment contract, the authority shall provide a statement 67500
indicating, in the case of a beneficiary, the number of tuition 67501
units purchased on behalf of the beneficiary, or in the case of a 67502

division in any year. 67507

(2) The authority shall maintain an account for each 67508
scholarship program showing the number of tuition units that have 67509
been purchased for or donated to the program and the number of 67510
tuition units that have been used. Upon the request of the entity 67511
that established the scholarship program, the authority shall 67512
provide a statement indicating these numbers. 67513

treasury, and shall be known as the Ohio tuition trust reserve 67517
fund, and an operating fund that shall be part of the state 67518
treasury, and shall be known as the Ohio tuition trust operating 67519
fund. That portion of payments received by the authority or the 67520
treasurer of state from persons purchasing tuition units under 67521
tuition payment contracts that the authority determines is not 67522
actuarially necessary for the payment of obligations of the 67523
authority pursuant to tuition payment contracts, any interest and 67524
investment income earned by the reserve fund, any administrative 67525
charges and fees imposed by the authority on transactions under 67526

this chapter or on purchasers or beneficiaries of tuition units, 67527
and all other receipts from any other source that the authority 67528
determines appropriate, shall be deposited in the reserve fund to 67529
pay the operating expenses of the authority and the costs of 67530
administering the program. The assets of the reserve fund may be 67531
invested in the same manner and subject to the same limitations 67532
set forth in divisions (D), (E), and (K) to (M) of this section 67533
and sections 145.112 and 145.113 of the Revised Code. All 67534
investment fees and other costs incurred in connection with the 67535
exercise of the investment powers shall be paid from the assets of 67536
the reserve fund. Except as otherwise provided for in this 67537
chapter, all operating expenses of the authority and costs of 67538

as the authority designates. Any interest or investment income 67545
earned on the assets of the operating fund shall be deposited in 67546
the operating fund. 67547

(H) In January of each year the authority shall report to 67548
each person who received any payments or refunds from the 67549

information, and at the times, as the tax commissioner requires to 67554
determine any tax liability that a person may have incurred during 67555
the preceding year as a result of having received any payments or 67556
refunds from the authority. 67557

(J) All records of the authority indicating the identity of 67558

purchasers and beneficiaries of tuition units or college savings 67559
bonds, the number of tuition units purchased, used, or refunded 67560
under a tuition payment contract, and the number of college 67561
savings bonds purchased, held, or redeemed are not public records 67562
within the meaning of section 149.43 of the Revised Code. 67563

(K)(1) The authority and other fiduciaries shall discharge 67564
their duties with respect to the funds with care, skill, prudence, 67565
and diligence under the circumstances then prevailing that a 67566
prudent person acting in a like capacity and familiar with such 67567
matters would use in the conduct of an enterprise of a like 67568
character and with like aims; and by diversifying the investments 67569
of the assets of the funds so as to minimize the risk of large 67570
losses, unless under the circumstances it is clearly prudent not 67571
to do so. 67572

(2) To facilitate investment of the funds, the authority may 67573
establish a partnership, trust, limited liability company, 67574
corporation, including a corporation exempt from taxation under 67575
the Internal Revenue Code, 100 Stat. 2085, 26 U.S.C. 1, as 67576
amended, or any other legal entity authorized to transact business 67577
in this state. 67578

(L) In exercising its fiduciary responsibility with respect 67579
to the investment of the assets of the funds, it shall be the 67580
intent of the authority to give consideration to investments that 67581
enhance the general welfare of the state and its citizens where 67582
the investments offer quality, return, and safety comparable to 67583
other investments currently available to the authority. In 67584
fulfilling this intent, equal consideration shall also be given to 67585
investments otherwise qualifying under this section that involve 67586

(A) Annually, the Ohio tuition trust authority shall have the 67661
actuarial soundness of the Ohio tuition trust fund evaluated by a 67662
nationally recognized actuary and shall determine whether 67663
additional assets are necessary to defray the obligations of the 67664

necessitate an additional evaluation of the actuarial soundness of 67667
the fund, the executive director shall have a nationally 67668
recognized actuary conduct the necessary evaluation. If the assets 67669

the fund, the authority shall adjust the price of subsequent 67671
purchases of tuition units to the extent necessary to help restore 67672

the Revised Code shall be transferred to the general revenue fund 67687
of the state. 67688

tuition trust authority within ninety days of the end of the 67691
fiscal year. The authority shall transmit a copy of the audited 67692
financial report to the governor, the president of the senate, the 67693
speaker of the house of representatives, and the minority leaders 67694

gateway community college district shall be vested in a board of 68711
eleven trustees to be appointed by the governor, with the advice 68712
and consent of the senate. The board of trustees of the former 68713
community college district of Jefferson county is abolished on 68714
that date. 68715

The governor shall appoint the members of the board of 68716
trustees of the eastern gateway community college district as 68717

Each trustee shall hold office from the date of the trustee's 68740
appointment until the end of the term for which the trustee was 68741
appointed. Any trustee appointed to fill a vacancy occurring 68742
before the expiration of the term for which the trustee's 68743
predecessor was appointed shall hold office for the remainder of 68744
that term. Any trustee shall continue in office subsequent to the 68745

elapsed, whichever occurs first. 68748

If a vacancy occurs and the Jefferson county tax levy is no 68749
longer in place or a conversion under division (H) of this section 68750
has occurred, the governor shall fill the vacancy with a person 68751
residing within the eastern gateway community college district. 68752

college district shall continue to comply with division (G) of 68754

be based on the student's county of residence and shall apply to 68758
all eastern gateway community college district classes in all 68759
district locations. Except as provided in division (F)(3) of this 68760
section, students who are residents of Columbiana, Mahoning, or 68761
Trumbull county shall continue to be charged tuition at the same 68762
rate as Ohio residents who are not residents of the district. 68763

(E)(1) Except as provided in divisions (E)(2) and (3) of this 68764
section, each member of the board of trustees shall have full 68765

(2) The three trustees representing Jefferson county shall 68767
have sole authority to vote on the following matters: 68768

(a) The Jefferson county tax levy; 68769

(b) The expenditure of revenue from that tax levy; 68770

(3) The voting restrictions under division (E)(2) of this 68772

division (F)(3) of this section that is equivalent to the tax levy 68775
approved by the electors of Jefferson county for the support of 68776
the former community college district of Jefferson county on the 68777
effective date of this section. For the purposes of this division, 68778
the tax levy is an equivalent tax levy if either: 68779

(a) In the first tax year for which the tax is collected, it 68780
yields revenue per capita equal to or greater than the yield per 68781
capita of levies of the community college district in effect that 68782
year in Jefferson county, as jointly determined by the county 68783
auditors of Jefferson, Columbiana, Mahoning, and Trumbull 68784
counties; or 68785

(b) In the first tax year for which the tax is collected, the 68786
effective tax rate of the tax is equal to or greater than the 68787
effective tax rate of levies of the community college district in 68788
effect that tax year in Jefferson county, as jointly determined by 68789
the county auditors of Jefferson, Columbiana, Mahoning, and 68790
Trumbull counties. 68791

As used in this division, "effective tax rate" means the 68792
quotient obtained by dividing the total taxes charged and payable 68793
for a taxing subdistrict for a tax year after the reduction 68794
prescribed by section 319.301 of the Revised Code but before the 68795
reduction prescribed by section 319.302 or 323.152 of the Revised 68796
Code, by the taxable value for the taxing subdistrict for that tax 68797
year. 68798

(F)(1) For each taxing subdistrict of the eastern gateway 68799
community college district, the board of trustees may propose to 68800

levy a tax in accordance with the procedures prescribed in section 68801
3354.12 of the Revised Code, except the following terms used in 68802
that section shall have the meanings given them in this section: 68803

(a) "District" and "community college district" mean the 68804
appropriate taxing subdistrict defined in this section; 68805

(b) "Board of trustees of the community college district" 68806
means the board of trustees for the entire eastern gateway 68807
community college district. That board of trustees may propose 68808
separate levies for either of the two taxing subdistricts. 68809

(c) "Tax duplicate" means the tax duplicate of only the 68810
appropriate taxing subdistrict and not the tax duplicate of the 68811
entire eastern gateway community college district. 68812

(2) The board of trustees may propose to levy a tax on 68813
taxable property in Jefferson county to be voted on by the 68814
electors of Jefferson county as provided in division (F)(1) of 68815
this section. An affirmative vote by a majority of the electors of 68816
the subdistrict voting on the question is necessary for passage. 68817

As provided in section 3365.03 of the Revised Code, regardless of 69012

If a college withdraws its acceptance of an expelled student who elected the option of division (B) of section 3365.04 of the Revised Code, the school district, community school, or STEM school shall not award high school credit for the college courses in which the student was enrolled at the time the college withdrew its acceptance, and any reimbursement under section 3365.07 of the Revised Code or through alternative funding agreements entered into under rules adopted under section 3365.12 of the Revised Code for the student's attendance prior to the withdrawal shall be the same as would be paid for a student who voluntarily withdrew from the college at the same time in the term. If the withdrawal results in the college's receiving no reimbursement, the college may require the student to return or pay for the textbooks and materials it provided the student free of charge under section 3365.08 of the Revised Code.

(C) When a student who elected the option of division (B) of section 3365.04 of the Revised Code is expelled under division (B) of section 3313.66 of the Revised Code from a school district, community school, or STEM school that has adopted a policy under section 3313.613 of the Revised Code, that election is automatically revoked for all college courses in which the student is enrolled during the college term in which the expulsion is imposed. Any reimbursement under section 3365.07 of the Revised Code or through alternative funding agreements entered into under rules adopted under section 3365.12 of the Revised Code for the student's attendance prior to the expulsion shall be the same as

would be paid for a student who voluntarily withdrew from the college at the same time in the term. If the revocation results in the college's receiving no reimbursement, the college may require the student to return or pay for the textbooks and materials it provided the student free of charge under section 3365.08 of the Revised Code.

No later than five days after receiving an expulsion notice from the superintendent of a district, the governing authority of a community school, or the chief administrative officer of a STEM school that has adopted a policy under section 3313.613 of the Revised Code, the college shall send a written notice to the expelled student that the student's election of division (B) of section 3365.04 of the Revised Code is revoked. If the college elects not to withdraw its acceptance of the student, the student shall pay all applicable tuition and fees for the college courses and shall pay for the textbooks and materials that the college provided under section 3365.08 of the Revised Code.

Sec. 3365.07. (A) The rules adopted under section 3365.02 of the Revised Code shall specify a method for each of the following:

(b) Programs provided by a joint vocational school district; 69081

(c) Programs provided by a college under division (B) of 69082
section 3365.04 of the Revised Code. 69083

The sum of divisions (A)(2)(a) to (c) of this section shall equal 69084
one hundred per cent. 69085

(3) In the case of a participant who is not enrolled in a 69086
participating nonpublic school, determining the percentage of a 69087
participant's enrollment that shall be deemed to be enrollment in 69088
a joint vocational school district and the percentage that shall 69089
be deemed to be enrollment in a city, local, or exempted village 69090
school district. The sum of such percentages shall equal one 69091
hundred per cent. 69092

(4) In the case of a participant who is enrolled in a 69093
participating nonpublic school, determining the percentage of a 69094
participant's school day during which the participant is 69095
participating in programs provided by a college under division (B) 69096
of section 3365.04 of the Revised Code. 69097

(B) Each July, unless provided otherwise in an alternative 69098
funding agreement entered into under rules adopted under section 69099
3365.12 of the Revised Code, the department of education shall pay 69100

prior school year under division (B) of section 3365.04 of the 69102
Revised Code an amount computed as follows: 69103

(1) Multiply the tuition base by the participant's full-time 69104
equivalency percentage and multiply the resulting amount by a 69105
percentage equal to the percentage of the participant's school day 69106
apportioned to the college under division (A)(2)(c) or (4) of this 69107
section, as applicable. 69108

(2) Pay the college the lesser of: 69109

(a) The amount computed under division (B)(1) of this 69110

section; 69111

(b) The actual costs that would have been the responsibility 69112
of the participant had the participant elected to enroll under 69113
division (A) of section 3365.04 of the Revised Code, as verified 69114
by the department, of tuition, textbooks, materials, and fees 69115
directly related to any courses elected by the participant during 69116
the prior school year under division (B) of section 3365.04 of the 69117
Revised Code. 69118

(C) The department shall not reimburse any college for any 69119
course taken by a participant under division (A) of section 69120
3365.04 of the Revised Code. 69121

(D) If the participant was not enrolled in a participating 69122
nonpublic school, the amount paid under division (B) of this 69123
section for each participant shall be subtracted from the school 69124
foundation payments made to the participant's school district or, 69125
if the participant was enrolled in a community school or a STEM 69126
school, from the payments made to the participant's school under 69127
section 3314.08 or 3326.33 of the Revised Code. If the participant 69128
was enrolled in a joint vocational school district, a portion of 69129
the amount shall be subtracted from the payments to the joint 69130
vocational school district and a portion shall be subtracted from 69131
the payments to the participant's city, local, or exempted village 69132
school district. The amount of the payment subtracted from the 69133
city, local, or exempted village school district shall be computed 69134
as follows: 69135

(1) Add the following: 69136

(a) The percentage of the participant's enrollment in the 69137
school district, determined under division (A)(3) of this section; 69138
and 69139

(b) Twenty-five per cent times the percentage of the 69140
participant's enrollment in the joint vocational school district, 69141

determined under division (A)(3) of this section. 69142

(2) Multiply the sum obtained under division (D)(1) of this 69143
section by the amount computed under division (B)(2) of this 69144
section. 69145

The balance of the payment shall be subtracted from the joint 69146
vocational district's school foundation payments. 69147

(E) If the participant was enrolled in a participating 69148
nonpublic school, the amount paid under division (B) of this 69149
section shall be subtracted from moneys set aside by the general 69150
assembly for such purpose from funds appropriated for the purposes 69151
of section 3317.06 of the Revised Code. 69152

or through alternative funding agreements entered into under rules 69155
adopted under section 3365.12 of the Revised Code shall furnish to 69156

from funds received by the district under ~~division (D) of section~~ 69173
~~3317.022~~ 3306.12 of the Revised Code. The state board of education 69174

between the community school and the college. The governing 69184
authority may pay the reimbursement in accordance with the state 69185
board's rules adopted under division (C) of this section solely 69186
from funds paid to it under section 3314.091 of the Revised Code. 69187

Sec. 3365.09. Section 3365.07 ~~and~~, divisions (A) and (C) of 69188

such student is enrolled in the college course the student is also 69192
a full-time student in the student's district, community school, 69193
STEM school, or nonpublic school. The rules adopted under section 69194
3365.02 of the Revised Code shall prescribe a method for 69195

student's district, community school, STEM school, or nonpublic 69197
school. 69198

Sec. 3365.10. As used in this section, the "base amount" for 69199

Revised Code. The department shall mark each application with the 69217
date and time of receipt. 69218

(B) Calculations involving applications under this division 69219
shall be made in the order in which the applications are received. 69220

Upon receipt of an application under division (A) of this 69221
section, the department shall calculate the amount the college 69222

Code or through alternative funding agreements entered into under 69224
rules adopted under section 3365.12 of the Revised Code for the 69225

~~(a) The board of trustees of the health service agency of the 70716
health service area in which the reviewable activity is proposed 70717
to be conducted recommends, prior to the deadline specified in 70718
division (C)(4) of this section or any extension of it under 70719
division (C)(5) of this section, that the certificate of need be 70720
granted;~~ 70721

the rules adopted under those sections, the director shall grant 70731

conditions are met:~~ 70734~~

~~(a) The board of trustees of the health service agency of 70735
each health service area in which the reviewable activities are 70736~~

~~proposed to be conducted recommends, prior to the deadline 70737
specified in division (C)(4) of this section or any extension of 70738
it under division (C)(5) of this section, that certificates of 70739
need be granted for each of the reviewable activities to be 70740
conducted in its health service area; 70741~~

~~(b) The director does not receive any written objections to 70742
any of the applications from any affected person by the thirtieth 70743
day after the director mails the last notice of completeness. 70744~~

~~The~~ The director's grant of a certificate of need ~~under 70745

no precedent for, the director's decision to grant or deny other 70747
applications for similar reviewable activities proposed to be 70748
conducted in the same or different health service areas. 70749

(3) If the director receives written objections to an 70750
application from any affected person by the thirtieth day after 70751
mailing the notice of completeness, ~~regardless of the health 70752
service agency's recommendation,~~ the director shall notify the 70753
applicant and assign a hearing examiner to conduct an adjudication 70754
hearing concerning the application in accordance with Chapter 119. 70755
of the Revised Code. In the case of applications under comparative 70756
review, if the director receives written objections to any of the 70757
applications from any affected person by the thirtieth day after 70758
the director mails the last notice of completeness, ~~regardless of 70759
the health service agencies' recommendation,~~ the director shall 70760
notify all of the applicants and appoint a hearing examiner to 70761
conduct a consolidated adjudication hearing concerning the 70762
applications in accordance with Chapter 119. of the Revised Code. 70763

the department of health. 70765

The adjudication hearings may be conducted in the health 70766
service area in which the reviewable activity is proposed to be 70767
conducted. Consolidated adjudication hearings for applications in 70768

comparative review may be conducted in the geographic region in 70769
which all of the reviewable activities will be conducted. The 70770
applicant, the director, and the affected persons that filed 70771
objections to the application shall be parties to the hearing. If 70772
none of the affected persons that submitted written objections to 70773
the application appears or prosecutes the hearing, the hearing 70774
examiner shall dismiss the hearing and the director shall grant a 70775
certificate of need for all or part of the ~~entire~~ project that is 70776

of the applicable certificate of need criteria for approval under 70778
sections 3702.51 to 3702.62 of the Revised Code and the rules 70779
adopted under those sections. The affected persons bear the burden 70780
of proving by a preponderance of evidence that the project is not 70781
needed or that granting the certificate would not be in accordance 70782
with sections 3702.51 to 3702.62 of the Revised Code or the rules 70783
adopted under those sections. 70784

(4) Except as provided in ~~divisions~~ division (C)~~(1) and~~ 70785

specified in rules adopted under section 3702.57 of the Revised 70792

expiration of the time for filing objections to the report and 70797
recommendation of the hearing examiner under section 119.09 of the 70798
Revised Code. The director shall base decisions concerning 70799
applications for which an adjudication hearing is conducted under 70800
division (C)(3) of this section on the report and recommendations 70801

(5) Except as otherwise provided in division (C)~~(1), (2), or~~ 70803
(6) of this section, the director or the applicant may extend the 70804
deadline prescribed in division (C)(4) of this section once, for 70805
no longer than thirty days, by written notice before the end of 70806
the ~~original thirty day period~~ deadline prescribed by division 70807
(C)(4) of this section. An extension by the director under 70808
division (C)(5) of this section shall apply to all applications 70809
that are in comparative review. 70810

(6) No applicant in a comparative review may extend the 70811
deadline specified in division (C)(4) of this section. 70812

~~part of the project that is the subject of an application.~~ If the 70815
director does not grant or deny the certificate by the applicable 70816
deadline specified in division (C)(4) of this section or any 70817
extension of it under division (C)(5) of this section, the 70818
certificate shall be considered to have been granted. 70819

(8) In granting a certificate of need, the director shall 70820
specify as the maximum capital expenditure the certificate holder 70821
may obligate under the certificate a figure equal to one hundred 70822
ten per cent of the approved project cost. 70823

the certificate. 70826

(D) The director shall monitor the activities of persons 70827
granted certificates of need ~~concerning long term care beds~~ during 70828
the period beginning with the granting of the certificate of need 70829
and ending five years after implementation of the activity for 70830
which the certificate was granted. 70831

~~In the case of any other certificate of need, the director~~ 70832

~~shall monitor the activities of persons granted certificates of need during the period beginning with the granting of the certificate of need and ending when the activity for which the certificate was granted ceases to be a reviewable activity in accordance with section 3702.511 of the Revised Code.~~

does not result in a change in the person that holds the ultimate 70882
controlling interest, as defined in the rules, in the certificate 70883
of need. 70884

The transfer of a health care facility after the completion 70885
of a reviewable activity for which a certificate of need was 70886
issued on or after April 20, 1995, is not a transfer of the 70887
certificate of need, unless the facility is transferred pursuant 70888
to an agreement entered into prior to the completion of the 70889
reviewable activity. 70890

~~(C) Division (A) of this section does not apply to a transfer 70891
of a certificate of need that meets all of the following 70892
conditions: 70893~~

~~(1) The certificate of need is transferred for no more than 70894
the amount of money the person transferring the certificate 70895~~

~~expended for reasonable and necessary expenses incurred in 70896

~~(2) The person holding the certificate of need is unable to 70898
complete the reviewable activity for which it was issued due to 70899
circumstances beyond the person's control, including zoning 70900
restrictions, natural disasters, or comparable events; 70901~~

~~(3) The director, after reviewing documentation supplied by 70902
the person transferring the certificate of need, certifies in 70903
writing prior to the transfer that the transfer meets the 70904
conditions specified in divisions (C)(1) and (2) of this section. 70905~~

~~If the person that acquires a certificate of need under this 70906
division intends to implement the project other than in 70907
substantial compliance with the approved application for the 70908
certificate, that change is a reviewable activity for which the 70909
person must obtain another certificate of need. 70910~~

Sec. 3702.525. (A) Not later than twenty-four months after 70911
the date the director of health mails the notice that the 70912
certificate of need has been granted or, if the grant or denial of 70913
the certificate of need is appealed under section 3702.60 of the 70914
Revised Code, not later than twenty-four months after issuance of 70915
an order granting the certificate that is not subject to further 70916
appeal, each person holding a certificate of need granted on or 70917
after April 20, 1995, shall: 70918

(1) If the project for which the certificate of need was 70919
granted primarily involves construction and is to be financed 70920
primarily through external borrowing of funds, secure financial 70921
commitment for the stated purpose of developing the project and 70922

(2) If the project for which the certificate of need was granted primarily involves construction and is to be financed primarily internally, receive formal approval from the holder's board of directors or trustees or other governing authority to commit specified funds for implementation of the project and commence construction that continues uninterrupted except for interruptions or delays that are unavoidable due to reasons beyond the person's control, including labor strikes, natural disasters, material shortages, or comparable events;

(3) If the project for which the certificate of need was granted primarily involves acquisition of medical equipment, enter into a contract to purchase or lease the equipment and to accept the equipment at the site for which the certificate was granted;

(4) If the project for which the certificate of need was granted involves no capital expenditure or only minor renovations to existing structures, provide the health service or activity by the means specified in the approved application for the certificate;

(5) If the project for which the certificate of need was granted primarily involves leasing a building or space that requires only minor renovations to the existing space, execute a lease and provide the health service or activity by the means specified in the approved application for the certificate;

(6) If the project for which the certificate of need was granted primarily involves leasing a building or space that has not been constructed or requires substantial renovations to existing space, commence construction for the purpose of implementing the reviewable activity that continues uninterrupted except for interruptions or delays that are unavoidable due to reasons beyond the person's control, including labor strikes, natural disasters, material shortages, or comparable events.

(B) The twenty-four-month period specified in division (A) of 70958
this section shall not be extended by any means, including the 70959

Revised Code. 72135

(2) The board of health of a health district, regardless of 72136
whether it employs any certified plumbing inspectors to enforce 72137
Chapters 3781. and 3791. of the Revised Code, may enter into a 72138
contract with the board of health of another health district to 72139
authorize that board to inspect plumbing in buildings within the 72140
contracting board's district. The contract may designate the 72141
inspection of either residential or nonresidential buildings as 72142
defined in section 3781.06 of the Revised Code, or both types of 72143
buildings, so long as the board that performs the inspections 72144
employs a plumbing inspector certified pursuant to division (D) of 72145
this section to inspect the types of buildings the contract 72146
designates. 72147

(D) The superintendent of ~~industrial compliance~~ labor shall 72148
adopt rules prescribing minimum qualifications based on education, 72149
training, experience, or demonstrated ability, that the 72150
superintendent shall use in certifying or recertifying plumbing 72151
inspectors to do plumbing inspections for health districts and 72152
county building departments that are authorized to perform 72153
inspections pursuant to a contract under division (C)(1) of this 72154

section, and for continuing education of plumbing inspectors. 72155
Those minimum qualifications shall be related to the types of 72156
buildings for which a person seeks certification. 72157

(E) The superintendent may enter into reciprocal 72158
registration, licensure, or certification agreements with other 72159
states and other agencies of this state relative to plumbing 72160
inspectors if both of the following apply: 72161

(1) The requirements for registration, licensure, or 72162
certification of plumbing inspectors under the laws of the other 72163
state or laws administered by the other agency are substantially 72164
equal to the requirements the superintendent adopts under division 72165
(D) of this section for certifying plumbing inspectors. 72166

(2) The other state or agency extends similar reciprocity to 72167
persons certified under this chapter. 72168

(F) The superintendent may select and contract with one or 72169
more persons to do all of the following regarding examinations for 72170
certification of plumbing inspectors: 72171

(1) Prepare, administer, score, and maintain the 72172
confidentiality of the examination; 72173

(2) Maintain responsibility for all expenses required to 72174
comply with division (F)(1) of this section; 72175

(3) Charge each applicant a fee for administering the 72176
examination in an amount the superintendent authorizes; 72177

(4) Design the examination for certification of plumbing 72178
inspectors to determine an applicant's competence to inspect 72179
plumbing. 72180

(G) Standards and methods prescribed in local plumbing 72181
regulations shall not be less than those prescribed in Chapters 72182
3781. and 3791. of the Revised Code and the rules adopted pursuant 72183
to those chapters. 72184

(H) Notwithstanding any other provision of this section, the 72185
division shall make a plumbing inspection of any building or other 72186
place that there is reason to believe is in a condition to be a 72187
menace to the public health. 72188

Sec. 3703.03. In the administration of sections 3703.01 to 72189
~~3703.09~~ 3703.08 of the Revised Code, the division of ~~industrial~~ 72190
~~compliance~~ labor shall enforce rules governing plumbing adopted by 72191
the board of building standards under authority of sections 72192
3781.10 and 3781.11 of the Revised Code, and register those 72193
persons engaged in or at the plumbing business. 72194

Plans and specifications for all plumbing to be installed in 72195
or for buildings coming within such sections shall be submitted to 72196
and approved by the division before the contract for plumbing is 72197
let. 72198

Sec. 3703.04. The superintendent of ~~industrial-compliance~~ 72199
labor shall appoint such number of plumbing inspectors as is 72200
required. The inspectors shall be practical plumbers with at least 72201
seven years' experience, and skilled and well-trained in matters 72202
pertaining to sanitary regulations concerning plumbing work. 72203

Sec. 3703.05. Plumbing inspectors employed by the division of 72204
~~industrial-compliance~~ labor assigned to the enforcement of 72205
sections 3703.01 to ~~3703.09~~ 3703.08 of the Revised Code may, 72206
between sunrise and sunset, enter any building where there is good 72207
and sufficient reason to believe that the sanitary condition of 72208
the premises endangers the public health, for the purpose of 72209
making an inspection to ascertain the condition of the premises. 72210

Sec. 3703.06. When any building is found to be in a sanitary 72211
condition or when changes which are ordered, under authority of 72212
this chapter, in the plumbing, drainage, or ventilation have been 72213

made, and after a thorough inspection and approval by the 72214
superintendent of ~~industrial compliance~~ labor, the superintendent 72215
shall issue a certificate, which shall be posted in a conspicuous 72216
place for the benefit of the public at large. Upon notification by 72217
the superintendent, the certificate shall be revoked for any 72218
violation of those sections. 72219

Sec. 3703.07. No plumbing work shall be done in any building 72220
or place coming within the jurisdiction of the division of 72221
~~industrial compliance~~ labor, except in cases of repairs or leaks 72222
in existing plumbing, until a permit has been issued by the 72223
division. 72224

Before granting such permit, an application shall be made by 72225
the owner of the property or by the person, firm, or corporation 72226
which is to do the work. The application shall be made on a form 72227
prepared by the division for the purpose, and each application 72228
shall be accompanied by a fee of twenty-seven dollars, and an 72229
additional fee of seven dollars for each trap, vented fixture, 72230
appliance, or device. Each application also shall be accompanied 72231
by a plan approval fee of eighteen dollars for work containing one 72232
through twenty fixtures; thirty-six dollars for work containing 72233
twenty-one through forty fixtures; and fifty-four dollars for work 72234
containing forty-one or more fixtures. 72235

Whenever a reinspection is made necessary by the failure of 72236
the applicant or plumbing contractor to have the work ready for 72237
inspection when so reported, or by reason of faulty or improper 72238
installation, the person shall pay a fee of forty-five dollars for 72239
each reinspection. 72240

All fees collected pursuant to this section shall be paid 72241
into the state treasury to the credit of the ~~industrial compliance~~ 72242
labor operating fund created in section 121.084 of the Revised 72243
Code. 72244

The superintendent of ~~industrial compliance labor~~, by rule 72245
adopted in accordance with Chapter 119. of the Revised Code, may 72246
increase the fees required by this section and may establish fees 72247
to pay the costs of the division to fulfill its duties established 72248
by this chapter, including, but not limited to, fees for 72249
administering a program for continuing education for, and 72250
certifying and recertifying plumbing inspectors. The fees shall 72251
bear some reasonable relationship to the cost of administering and 72252
enforcing the provisions of this chapter. 72253

Sec. 3703.08. Any owner, agent, or manager of a building in 72254
which an inspection is made by the division of ~~industrial~~ 72255
~~compliance labor~~, a board of health of a health district, or a 72256
certified department of building inspection of a municipal 72257
corporation or a county shall have the entire system of drainage 72258
and ventilation repaired, as the division, board of health, or 72259
department of building inspection directs by its order. After due 72260
notice to repair that work is given, the owner, agent, or manager 72261
shall notify the public authority that issued the order when the 72262
work is ready for its inspection. No person shall fail to have the 72263
work ready for inspection at the time specified in the notice. 72264
72265

Sec. 3703.10. All prosecutions and proceedings by the 72266
division of ~~industrial compliance labor~~ for the violation of 72267
sections 3703.01 to ~~3703.09~~ 3703.08 of the Revised Code, or for 72268
the violation of any of the orders or rules of the division under 72269
those sections, shall be instituted by the superintendent of 72270
~~industrial compliance labor~~. All fines or judgments collected by 72271
the division shall be paid into the state treasury to the credit 72272
of the ~~industrial compliance labor~~ operating fund created by 72273
section 121.084 of the Revised Code. 72274

injunctive or other appropriate relief requiring any person 72279
violating a rule adopted or order issued by the superintendent 72280
under those sections to comply with the rule or order. The court 72281

~~division of industrial compliance labor~~ shall appoint a backflow 72295
advisory board consisting of not more than ten members, who shall 72296
serve at the pleasure of the superintendent. The superintendent 72297
shall appoint a representative from the plumbing section of the 72298
division of ~~industrial compliance labor~~, three representatives 72299

individual possesses a valid certification as a backflow 72347
technician. This division does not apply with respect to the 72348
installation, testing, or repair of any containment backflow 72349
prevention device. 72350

(D) Whoever violates division (C) of this section or any rule 72351
adopted pursuant to division (B) of this section shall pay a civil 72352
penalty of not more than five thousand dollars for each day that 72353

issued pursuant to rules adopted under division (B)(7) of this 72362
section and an appeal to that type of administrative order shall 72363
be executed in accordance with Chapter 119. of the Revised Code. 72364

(F) As used in this section: 72365

(1) "Isolation backflow prevention device" means a device for 72366

that is installed by the supplier of, or as a requirement of, any 72373
public water system as defined in division (A) of section 6109.01 72374
of the Revised Code. 72375

Sec. 3703.99. Whoever violates sections 3703.01 to ~~3703.09~~ 72376
3703.08 of the Revised Code, or any rule the division of 72377
~~industrial compliance~~ labor is required to enforce under such 72378
sections, shall be fined not less than ten nor more than one 72379
hundred dollars or imprisoned for not less than ten nor more than 72380
ninety days, or both. No person shall be imprisoned under this 72381
section for the first offense, and the prosecution always shall be 72382
as for a first offense unless the affidavit upon which the 72383
prosecution is instituted contains the allegation that the offense 72384
is a second or repeated offense. 72385

Sec. 3704.03. The director of environmental protection may do 72386
any of the following: 72387

(A) Develop programs for the prevention, control, and 72388
abatement of air pollution; 72389

(B) Advise, consult, contract, and cooperate with any 72390
governmental or private agency in the furtherance of the purposes 72391
of this chapter; 72392

(C) Encourage, participate in, or conduct studies, 72393
investigations, and research relating to air pollution, collect 72394
and disseminate information, and conduct education and training 72395
programs relating to the causes, prevention, control, and 72396

abatement of air pollution; 72397

(D) Adopt, modify, and rescind rules prescribing ambient air 72398

the state that are consistent with and no more stringent than the 72400
national ambient air quality standards in effect under the federal 72401
Clean Air Act; 72402

(E) Adopt, modify, suspend, and rescind rules for the 72403
prevention, control, and abatement of air pollution, including 72404
rules prescribing for the state as a whole or for various areas of 72405
the state emission standards for air contaminants, and other 72406
necessary rules for the purpose of achieving and maintaining 72407
compliance with ambient air quality standards in all areas within 72408
the state as expeditiously as practicable, but not later than any 72409
deadlines applicable under the federal Clean Air Act; rules for 72410
the prevention or control of the emission of hazardous or toxic 72411
air contaminants; rules prescribing fugitive dust limitations and 72412
standards that are related, on an areawide basis, to attainment 72413
and maintenance of ambient air quality standards; rules 72414
prescribing shade, density, or opacity limitations and standards 72415
for emissions, provided that with regard to air contaminant 72416
sources for which there are particulate matter emission standards 72417
in addition to a shade, density, or opacity rule, upon 72418
demonstration by such a source of compliance with those other 72419
standards, the shade, density, or opacity rule shall provide for 72420
establishment of a shade, density, or opacity limitation for that 72421
source that does not require the source to reduce emissions below 72422
the level specified by those other standards; rules for the 72423
prevention or control of odors and air pollution nuisances; rules 72424
that prevent significant deterioration of air quality to the 72425
extent required by the federal Clean Air Act; rules for the 72426
protection of visibility as required by the federal Clean Air Act; 72427
and rules prescribing open burning limitations and standards. In 72428

adopting, modifying, suspending, or rescinding any such rules, the 72429
director, to the extent consistent with the federal Clean Air Act, 72430
shall hear and give consideration to evidence relating to all of 72431
the following: 72432

(1) Conditions calculated to result from compliance with the 72433
rules, the overall cost within this state of compliance with the 72434
rules, and their relation to benefits to the people of the state 72435
to be derived from that compliance; 72436

(2) The quantity and characteristics of air contaminants, the 72437
frequency and duration of their presence in the ambient air, and 72438
the dispersion and dilution of those contaminants; 72439

(3) Topography, prevailing wind directions and velocities, 72440
physical conditions, and other factors that may or may combine to 72441
affect air pollution. 72442

Consistent with division (K) of section 3704.036 of the 72443
Revised Code, the director shall consider alternative emission 72444
limits proposed by the owner or operator of an air contaminant 72445
source that is subject to an emission limit established in rules 72446
adopted under this division and shall accept those alternative 72447
emission limits that the director determines to be equivalent to 72448
emission limits established in rules adopted under this division. 72449

(F)(1) Adopt, modify, suspend, and rescind rules consistent 72450
with the purposes of this chapter prohibiting the location, 72451
installation, construction, or modification of any air contaminant 72452
source or any machine, equipment, device, apparatus, or physical 72453
facility intended primarily to prevent or control the emission of 72454
air contaminants unless an installation permit therefor has been 72455
obtained from the director or the director's authorized 72456
representative. 72457

(2)(a) Applications for installation permits shall be 72458
accompanied by plans, specifications, construction schedules, and 72459

such other pertinent information and data, including data on 72460
ambient air quality impact and a demonstration of best available 72461
technology, as the director may require. Installation permits 72462
shall be issued for a period specified by the director and are 72463
transferable. The director shall specify in each permit the 72464
applicable emission standards and that the permit is conditioned 72465
upon payment of the applicable fees as required by section 3745.11 72466
of the Revised Code and upon the right of the director's 72467
authorized representatives to enter upon the premises of the 72468
person to whom the permit has been issued, at any reasonable time 72469
and subject to safety requirements of the person in control of the 72470
premises, for the purpose of determining compliance with such 72471
standards, this chapter, the rules adopted thereunder, and the 72472
conditions of any permit, variance, or order issued thereunder. 72473
Each proposed new or modified air contaminant source shall provide 72474
such notice of its proposed installation or modification to other 72475
states as is required under the federal Clean Air Act. 72476
Installation permits shall include the authorization to operate 72477
sources installed and operated in accordance with terms and 72478
conditions of the installation permits for a period not to exceed 72479
one year from commencement of operation, which authorization shall 72480
constitute an operating permit under division (G) of this section 72481
and rules adopted under it. 72482

No installation permit shall be required for activities that 72483
are subject to and in compliance with a plant-wide applicability 72484
limit issued by the director in accordance with rules adopted 72485
under this section. 72486

No installation permit shall be issued except in accordance 72487
with all requirements of this chapter and rules adopted 72488
thereunder. No application shall be denied or permit revoked or 72489
modified without a written order stating the findings upon which 72490
denial, revocation, or modification is based. A copy of the order 72491

shall be sent to the applicant or permit holder by certified mail. 72492

(b) An air contaminant source that is the subject of an 72493
installation permit shall be installed or modified in accordance 72494
with the permit not later than eighteen months after the permit's 72495
effective date at which point the permit shall terminate unless 72496
one of the following applies: 72497

(i) The owner or operator has undertaken a continuing program 72498
of installation or modification during the eighteen-month period. 72499

(ii) The owner or operator has entered into a binding 72500
contractual obligation to undertake and complete within a 72501
reasonable period of time a continuing program of installation or 72502
modification of the air contaminant source during the 72503
eighteen-month period. 72504

(iii) The director has extended the date by which the air 72505
contaminant source that is the subject of the installation permit 72506
must be installed or modified. 72507

(iv) The installation permit is the subject of an appeal by a 72508
party other than the owner or operator of the air contaminant 72509
source that is the subject of the installation permit, in which 72510
case the date of termination of the permit is not later than 72511
eighteen months after the effective date of the permit plus the 72512
number of days between the date in which the permit was appealed 72513
and the date on which all appeals concerning the permit have been 72514
resolved. 72515

(v) The installation permit has been superseded by a 72516
subsequent installation permit, in which case the original 72517
installation permit terminates on the effective date of the 72518
superseding installation permit. 72519

Division (F)(2)(b) of this section applies to an installation 72520
permit that has not terminated as of the effective date of this 72521
amendment. 72522

The director may adopt rules in accordance with Chapter 119. 72523
of the Revised Code for the purpose of establishing additional 72524
requirements that are necessary for the implementation of division 72525
(F)(2)(b) of this section. 72526

(3) Not later than two years after August 3, 2006, the 72527
director shall adopt a rule in accordance with Chapter 119. of the 72528
Revised Code specifying that a permit to install is required only 72529
for new or modified air contaminant sources that emit any of the 72530
following air contaminants: 72531

(a) An air contaminant or precursor of an air contaminant for 72532
which a national ambient air quality standard has been adopted 72533
under the federal Clean Air Act; 72534

(b) An air contaminant for which the air contaminant source 72535
is regulated under the federal Clean Air Act; 72536

(c) An air contaminant that presents, or may present, through 72537
inhalation or other routes of exposure, a threat of adverse human 72538
health effects, including, but not limited to, substances that are 72539
known to be, or may reasonably be anticipated to be, carcinogenic, 72540
mutagenic, teratogenic, or neurotoxic, that cause reproductive 72541
dysfunction, or that are acutely or chronically toxic, or a threat 72542
of adverse environmental effects whether through ambient 72543
concentrations, bioaccumulation, deposition, or otherwise, and 72544
that is identified in the rule by chemical name and chemical 72545
abstract service number. 72546

The director may modify the rule adopted under division 72547
(F)(3)(c) of this section for the purpose of adding or deleting 72548
air contaminants. For each air contaminant that is contained in or 72549
deleted from the rule adopted under division (F)(3)(c) of this 72550
section, the director shall include in a notice accompanying any 72551
proposed or final rule an explanation of the director's 72552
determination that the air contaminant meets the criteria 72553

established in that division and should be added to, or no longer 72554
meets the criteria and should be deleted from, the list of air 72555
contaminants. The explanation shall include an identification of 72556
the scientific evidence on which the director relied in making the 72557
determination. Until adoption of the rule under division (F)(3)(c) 72558
of this section, nothing shall affect the director's authority to 72559
issue, deny, modify, or revoke permits to install under this 72560
chapter and rules adopted under it. 72561

(4)(a) Applications for permits to install new or modified 72562
air contaminant sources shall contain sufficient information 72563
regarding air contaminants for which the director may require a 72564
permit to install to determine conformity with the environmental 72565
protection agency's document entitled "Review of New Sources of 72566
Air Toxics Emissions, Option A," dated May 1986, which the 72567
director shall use to evaluate toxic emissions from new or 72568
modified air contaminant sources. The director shall make copies 72569
of the document available to the public upon request at no cost 72570
and post the document on the environmental protection agency's web 72571
site. Any inconsistency between the document and division (F)(4) 72572
of this section shall be resolved in favor of division (F)(4) of 72573
this section. 72574

(b) The maximum acceptable ground level concentration of an 72575
air contaminant shall be calculated in accordance with the 72576
document entitled "Review of New Sources of Air Toxics Emissions, 72577
Option A." Modeling shall be conducted to determine the increase 72578
in the ground level concentration of an air contaminant beyond the 72579
facility's boundary caused by the emissions from a new or modified 72580
source that is the subject of an application for a permit to 72581
install. Modeling shall be based on the maximum hourly rate of 72582
emissions from the source using information including, but not 72583
limited to, any emission control devices or methods, operational 72584
restrictions, stack parameters, and emission dispersion devices or 72585

methods that may affect ground level concentrations, either 72586
individually or in combination. The director shall determine 72587
whether the activities for which a permit to install is sought 72588
will cause an increase in the ground level concentration of one or 72589
more relevant air contaminants beyond the facility's boundary by 72590
an amount in excess of the maximum acceptable ground level 72591
concentration. In making the determination as to whether the 72592
maximum acceptable ground level concentration will be exceeded, 72593
the director shall give consideration to the modeling conducted 72594
under division (F)(4)(b) of this section and other relevant 72595
information submitted by the applicant. 72596

(c) If the modeling conducted under division (F)(4)(b) of 72597
this section with respect to an application for a permit to 72598
install demonstrates that the maximum ground level concentration 72599
from a new or modified source will be greater than or equal to 72600
eighty per cent, but less than one hundred per cent of the maximum 72601
acceptable ground level concentration for an air contaminant, the 72602
director may establish terms and conditions in the permit to 72603
install for the air contaminant source that will require the owner 72604
or operator of the air contaminant source to maintain emissions of 72605
that air contaminant commensurate with the modeled level, which 72606
shall be expressed as allowable emissions per day. In order to 72607
calculate the allowable emissions per day, the director shall 72608
multiply the hourly emission rate modeled under division (F)(4)(b) 72609
of this section to determine the ground level concentration by the 72610
operating schedule that has been identified in the permit to 72611
install application. Terms and conditions imposed under division 72612
(F)(4)(c) of this section are not federally enforceable 72613
requirements and, if included in a Title V permit, shall be placed 72614
in the portion of the permit that is only enforceable by the 72615
state. 72616

(d) If the modeling conducted under division (F)(4)(b) of 72617

this section with respect to an application for a permit to 72618
install demonstrates that the maximum ground level concentration 72619
from a new or modified source will be less than eighty per cent of 72620
the maximum acceptable ground level concentration, the owner or 72621
operator of the source annually shall report to the director, on a 72622
form prescribed by the director, whether operations of the source 72623
are consistent with the information regarding the operations that 72624
was used to conduct the modeling with regard to the permit to 72625
install application. The annual report to the director shall be in 72626
lieu of an emission limit or other permit terms and conditions 72627
imposed pursuant to division (F)(4) of this section. The director 72628
may consider any significant departure from the operations of the 72629
source described in the permit to install application that results 72630
in greater emissions than the emissions rate modeled to determine 72631
the ground level concentration as a modification and require the 72632
owner or operator to submit a permit to install application for 72633
the increased emissions. The requirements established in division 72634
(F)(4)(d) of this section are not federally enforceable 72635
requirements and, if included in a Title V permit, shall be placed 72636
in the portion of the permit that is only enforceable by the 72637
state. 72638

(e) Division (F)(4) of this section and the document entitled 72639
"Review of New Sources of Air Toxics Emissions, Option A" shall 72640
not be included in the state implementation plan under section 110 72641
of the federal Clean Air Act and do not apply to an air 72642
contaminant source that is subject to a maximum achievable control 72643
technology standard or residual risk standard under section 112 of 72644
the federal Clean Air Act, to a particular air contaminant 72645
identified under 40 C.F.R. 51.166, division (b)(23), for which the 72646
director has determined that the owner or operator of the source 72647
is required to install best available control technology for that 72648
particular air contaminant, or to a particular air contaminant for 72649
which the director has determined that the source is required to 72650

meet the lowest achievable emission rate, as defined in 40 C.F.R. 72651
part 51, Appendix S, for that particular air contaminant. 72652

(f)(i) Division (F)(4) of this section and the document 72653
entitled "Review of New Sources of Air Toxics Emissions, Option A" 72654
do not apply to parking lots, storage piles, storage tanks, 72655
transfer operations, grain silos, grain dryers, emergency 72656
generators, gasoline dispensing operations, air contaminant 72657
sources that emit air contaminants solely from the combustion of 72658
fossil fuels, or the emission of wood dust, sand, glass dust, coal 72659
dust, silica, and grain dust. 72660

(ii) Notwithstanding division (F)(4)(f)(i) of this section, 72661
the director may require an individual air contaminant source that 72662
is within one of the source categories identified in division 72663
(F)(4)(f)(i) of this section to submit information in an 72664
application for a permit to install a new or modified source in 72665
order to determine the source's conformity to the document if the 72666
director has information to conclude that the particular new or 72667
modified source will potentially cause an increase in ground level 72668
concentration beyond the facility's boundary that exceeds the 72669
maximum acceptable ground level concentration as set forth in the 72670
document. 72671

(iii) The director may adopt rules in accordance with Chapter 72672
119. of the Revised Code that are consistent with the purposes of 72673
this chapter and that add to or delete from the source category 72674
exemptions established in division (F)(4)(f)(i) of this section. 72675

(5) Not later than one year after August 3, 2006, the 72676
director shall adopt rules in accordance with Chapter 119. of the 72677
Revised Code specifying activities that do not, by themselves, 72678
constitute beginning actual construction activities related to the 72679
installation or modification of an air contaminant source for 72680
which a permit to install is required such as the grading and 72681
clearing of land, on-site storage of portable parts and equipment, 72682

and the construction of foundations or buildings that do not 72683
themselves emit air contaminants. The rules also shall allow 72684
specified initial activities that are part of the installation or 72685
modification of an air contaminant source, such as the 72686
installation of electrical and other utilities for the source, 72687
prior to issuance of a permit to install, provided that the owner 72688
or operator of the source has filed a complete application for a 72689
permit to install, the director or the director's designee has 72690
determined that the application is complete, and the owner or 72691
operator of the source has notified the director that this 72692
activity will be undertaken prior to the issuance of a permit to 72693
install. Any activity that is undertaken by the source under those 72694
rules shall be at the risk of the owner or operator. The rules 72695
shall not apply to activities that are precluded prior to permit 72696
issuance under section 111, section 112, Part C of Title I, and 72697
Part D of Title I of the federal Clean Air Act. 72698
72699

(G) Adopt, modify, suspend, and rescind rules prohibiting the 72700
operation or other use of any new, modified, or existing air 72701
contaminant source unless an operating permit has been obtained 72702
from the director or the director's authorized representative, or 72703
the air contaminant source is being operated in compliance with 72704
the conditions of a variance issued pursuant to division (H) of 72705
this section. Applications for operating permits shall be 72706
accompanied by such plans, specifications, and other pertinent 72707
information as the director may require. Operating permits may be 72708
issued for a period determined by the director not to exceed ten 72709
years, are renewable, and are transferable. The director shall 72710
specify in each operating permit that the permit is conditioned 72711
upon payment of the applicable fees as required by section 3745.11 72712
of the Revised Code and upon the right of the director's 72713
authorized representatives to enter upon the premises of the 72714
person to whom the permit has been issued, at any reasonable time 72715

and subject to safety requirements of the person in control of the 72716
premises, for the purpose of determining compliance with this 72717
chapter, the rules adopted thereunder, and the conditions of any 72718
permit, variance, or order issued thereunder. Operating permits 72719
may be denied or revoked for failure to comply with this chapter 72720
or the rules adopted thereunder. An operating permit shall be 72721
issued only upon a showing satisfactory to the director or the 72722
director's representative that the air contaminant source is being 72723
operated in compliance with applicable emission standards and 72724
other rules or upon submission of a schedule of compliance 72725
satisfactory to the director for a source that is not in 72726
compliance with all applicable requirements at the time of permit 72727
issuance, provided that the compliance schedule shall be 72728
consistent with and at least as stringent as that contained in any 72729
judicial consent decree or administrative order to which the air 72730
contaminant source is subject. The rules shall provide for the 72731
issuance of conditional operating permits for such reasonable 72732
periods as the director may determine to allow the holder of an 72733
installation permit, who has constructed, installed, located, or 72734
modified a new air contaminant source in accordance with the 72735
provisions of an installation permit, to make adjustments or 72736
modifications necessary to enable the new air contaminant source 72737
to comply with applicable emission standards and other rules. 72738
Terms and conditions of operating permits issued pursuant to this 72739
division shall be federally enforceable for the purpose of 72740
establishing the potential to emit of a stationary source and 72741
shall be expressly designated as federally enforceable. Any such 72742
federally enforceable restrictions on a source's potential to emit 72743
shall include both an annual limit and a short-term limit of not 72744
more than thirty days for each pollutant to be restricted together 72745
with adequate methods for establishing compliance with the 72746
restrictions. In other respects, operating permits issued pursuant 72747
to this division are enforceable as state law only. No application 72748

shall be denied or permit revoked or modified without a written 72749
order stating the findings upon which denial, revocation, or 72750
modification is based. A copy of the order shall be sent to the 72751
applicant or permit holder by certified mail. 72752

(H) Adopt, modify, and rescind rules governing the issuance, 72753
revocation, modification, or denial of variances that authorize 72754
emissions in excess of the applicable emission standards. 72755

No variance shall be issued except pursuant to those rules. 72756
The rules shall prescribe conditions and criteria in furtherance 72757
of the purposes of this chapter and consistent with the federal 72758
Clean Air Act governing eligibility for issuance of variances, 72759
which shall include all of the following: 72760

(1) Provisions requiring consistency of emissions authorized 72761
by a variance with timely attainment and maintenance of ambient 72762
air quality standards; 72763

(2) Provisions prescribing the classes and categories of air 72764
contaminants and air contaminant sources for which variances may 72765
be issued; 72766

(3) Provisions defining the circumstances under which an 72767
applicant shall demonstrate that compliance with applicable 72768
emission standards is technically infeasible, economically 72769
unreasonable, or impossible because of conditions beyond the 72770
control of the applicant; 72771

(4) Other provisions prescribed in furtherance of the goals 72772
of this chapter. 72773

The rules shall prohibit the issuance of variances from any 72774
emission limitation that was applicable to a source pursuant to an 72775
installation permit and shall prohibit issuance of variances that 72776
conflict with the federal Clean Air Act. 72777

Applications for variances shall be accompanied by such 72778

information as the director may require. In issuing variances, the 72779
director may order the person to whom a variance is issued to 72780
furnish plans and specifications and such other information and 72781
data, including interim reports, as the director may require and 72782
to proceed to take such action within such time as the director 72783
may determine to be appropriate and reasonable to prevent, 72784
control, or abate the person's existing emissions of air 72785
contaminants. The director shall specify in each variance that the 72786
variance is conditioned upon payment of the applicable fees as 72787
required by section 3745.11 of the Revised Code and upon the right 72788
of the director's authorized representatives to enter upon the 72789
premises of the person to whom the variance has been issued, at 72790
any reasonable time and subject to safety requirements of the 72791
person in control of the premises, for the purpose of determining 72792
compliance with this chapter, the rules adopted thereunder, and 72793
the conditions of any permit, variance, or order issued 72794
thereunder. 72795

The director may hold a public hearing on an application for 72796
a variance or renewal thereof at a location in the county where 72797
the variance is sought. The director shall give not less than 72798
twenty days' notice of the hearing to the applicant by certified 72799
mail and cause at least one publication of notice in a newspaper 72800
with general circulation in the county where the variance is 72801
sought. The director shall keep available for public inspection at 72802
the principal office of the environmental protection agency a 72803
current schedule of pending applications for variances and a 72804
current schedule of pending variance hearings. The director shall 72805
make a complete stenographic record of testimony and other 72806
evidence submitted at the hearing. The director shall make a 72807
written determination to issue, renew, or deny the variance and 72808
shall enter the determination and the basis therefor into the 72809
record of the hearing. The director shall issue, renew, or deny an 72810
application for a variance or renewal thereof, or issue a proposed 72811

action upon the application pursuant to section 3745.07 of the Revised Code, within six months of the date upon which the director receives a complete application with all pertinent information and data required by the director.

Any variance granted pursuant to rules adopted under this division shall be for a period specified by the director, not to exceed three years, and may be renewed from time to time on such terms and for such periods, not to exceed three years each, as the director determines to be appropriate. A variance may be revoked, or renewal denied, for failure to comply with conditions specified in the variance. No variance shall be issued, denied, revoked, or modified without a written order stating the findings upon which the issuance, denial, revocation, or modification is based. A copy of the order shall be sent to the applicant or variance holder by certified mail.

(I) Require the owner or operator of an air contaminant source to install, employ, maintain, and operate such emissions, ambient air quality, meteorological, or other monitoring devices or methods as the director shall prescribe; to sample those emissions at such locations, at such intervals, and in such manner as the director prescribes; to maintain records and file periodic reports with the director containing information as to location, size, and height of emission outlets, rate, duration, and composition of emissions, and any other pertinent information the director prescribes; and to provide such written notice to other states as the director shall prescribe. In requiring monitoring devices, records, and reports, the director, to the extent consistent with the federal Clean Air Act, shall give consideration to technical feasibility and economic reasonableness and allow reasonable time for compliance. For sources where a specific monitoring, record-keeping, or reporting requirement is specified for a particular air contaminant from a particular air

contaminant source in an applicable regulation adopted by the 72844
United States environmental protection agency under the federal 72845
Clean Air Act or in an applicable rule adopted by the director, 72846
the director shall not impose an additional requirement in a 72847
permit that is a different monitoring, record-keeping, or 72848
reporting requirement other than the requirement specified in the 72849
applicable regulation or rule for that air contaminant except as 72850
otherwise agreed to by the owner or operator of the air 72851
contaminant source and the director. If two or more regulations or 72852
rules impose different monitoring, record-keeping, or reporting 72853
requirements for the same air contaminant from the same air 72854
contaminant source, the director may impose permit terms and 72855
conditions that consolidate or streamline the monitoring, 72856
record-keeping, or reporting requirements in a manner that 72857
conforms with each applicable requirement. To the extent 72858
consistent with the federal Clean Air Act and except as otherwise 72859
agreed to by the owner or operator of an air contaminant source 72860
and the director, the director shall not require an operating 72861
restriction that has the practical effect of increasing the 72862
stringency of an existing applicable emission limitation or 72863
standard. 72864

(J) Establish, operate, and maintain monitoring stations and 72865
other devices designed to measure air pollution and enter into 72866
contracts with any public or private agency for the establishment, 72867
operation, or maintenance of such stations and devices; 72868

(K) By rule adopt procedures for giving reasonable public 72869
notice and conducting public hearings on any plans for the 72870
prevention, control, and abatement of air pollution that the 72871
director is required to submit to the federal government; 72872

(L) Through any employee, agent, or authorized representative 72873
of the director or the environmental protection agency, enter upon 72874
private or public property, including improvements thereon, at any 72875

reasonable time, to make inspections, take samples, conduct tests, 72876
and examine records or reports pertaining to any emission of air 72877
contaminants and any monitoring equipment or methods and to 72878
determine if there are any actual or potential emissions from such 72879
premises and, if so, to determine the sources, amounts, contents, 72880
and extent of those emissions, or to ascertain whether there is 72881
compliance with this chapter, any orders issued or rules adopted 72882
thereunder, or any other determination of the director. The 72883
director, at reasonable times, may have access to and copy any 72884
such records. If entry or inspection authorized by this division 72885
is refused, hindered, or thwarted, the director or the director's 72886
authorized representative may by affidavit apply for, and any 72887
judge of a court of record may issue, an appropriate inspection 72888
warrant necessary to achieve the purposes of this chapter within 72889
the court's territorial jurisdiction. 72890

(M) Accept and administer gifts or grants from the federal 72891
government and from any other source, public or private, for 72892
carrying out any of the functions under this chapter; 72893

(N) Obtain necessary scientific, technical, and laboratory 72894
services; 72895

(O) Establish advisory boards in accordance with section 72896
121.13 of the Revised Code; 72897

(P) Delegate to any city or general health district or 72898
political subdivision of the state any of the director's 72899
enforcement and monitoring powers and duties, other than 72900
rule-making powers, as the director elects to delegate, and in 72901
addition employ, compensate, and prescribe the powers and duties 72902
of such officers, employees, and consultants as are necessary to 72903
enable the director to exercise the authority and perform duties 72904
imposed upon the director by law. Technical and other services 72905
shall be performed, insofar as practical, by personnel of the 72906
environmental protection agency. 72907

(Q) Certify to the government of the United States or any agency thereof that an industrial air pollution facility is in conformity with the state program or requirements for control of air pollution whenever such certificate is required for a taxpayer pursuant to any federal law or requirements;

(R) Issue, modify, or revoke orders requiring abatement of or prohibiting emissions that violate applicable emission standards or other requirements of this chapter and rules adopted thereunder, or requiring emission control devices or measures in order to comply with applicable emission standards or other requirements of this chapter and rules adopted thereunder. Any such order shall require compliance with applicable emission standards by a specified date and shall not conflict with any requirement of the federal Clean Air Act. In the making of such orders, the director, to the extent consistent with the federal Clean Air Act, shall give consideration to, and base the determination on, evidence relating to the technical feasibility and economic reasonableness of compliance with such orders and their relation to benefits to the people of the state to be derived from such compliance. If, under the federal Clean Air Act, any such order shall provide for the posting of a bond or surety to secure compliance with the order as a condition of issuance of the order, the order shall so provide, but only to the extent required by the federal Clean Air Act.

(S) To the extent provided by the federal Clean Air Act, adopt, modify, and rescind rules providing for the administrative assessment and collection of monetary penalties, not in excess of those required pursuant to the federal Clean Air Act, for failure to comply with any emission limitation or standard, compliance schedule, or other requirement of any rule, order, permit, or variance issued or adopted under this chapter or required under the applicable implementation plan whether or not the source is

subject to a federal or state consent decree. The director may 72940
require the submission of compliance schedules, calculations of 72941
penalties for noncompliance, and related information. Any orders, 72942
payments, sanctions, or other requirements imposed pursuant to 72943
rules adopted under this division shall be in addition to any 72944
other permits, orders, payments, sanctions, or other requirements 72945
established under this chapter and shall not affect any civil or 72946
criminal enforcement proceedings brought under any provision of 72947
this chapter or any other provision of state or local law. This 72948
division does not apply to any requirement of this chapter 72949
regarding the prevention or abatement of odors. 72950

(T) Require new or modified air contaminant sources to 72951
install best available technology, but only in accordance with 72952
this division. With respect to permits issued pursuant to division 72953
(F) of this section beginning three years after August 3, 2006, 72954
best available technology for air contaminant sources and air 72955
contaminants emitted by those sources that are subject to 72956
standards adopted under section 112, Part C of Title I, and Part D 72957
of Title I of the federal Clean Air Act shall be equivalent to and 72958
no more stringent than those standards. For an air contaminant or 72959
precursor of an air contaminant for which a national ambient air 72960
quality standard has been adopted under the federal Clean Air Act, 72961
best available technology only shall be required to the extent 72962
required by rules adopted under Chapter 119. of the Revised Code 72963
for permit to install applications filed three or more years after 72964
August 3, 2006. 72965

Best available technology requirements established in rules 72966
adopted under this division shall be expressed only in one of the 72967
following ways that is most appropriate for the applicable source 72968
or source categories: 72969

(1) Work practices; 72970

(2) Source design characteristics or design efficiency of 72971

applicable air contaminant control devices; 72972

(3) Raw material specifications or throughput limitations 72973
averaged over a twelve-month rolling period; 72974

(4) Monthly allowable emissions averaged over a twelve-month 72975
rolling period. 72976

Best available technology requirements shall not apply to an 72977
air contaminant source that has the potential to emit, taking into 72978
account air pollution controls installed on the source, less than 72979
ten tons per year of emissions of an air contaminant or precursor 72980
of an air contaminant for which a national ambient air quality 72981
standard has been adopted under the federal Clean Air Act. In 72982
addition, best available technology requirements established in 72983
rules adopted under this division shall not apply to any existing, 72984
new, or modified air contaminant source that is subject to a 72985
plant-wide applicability limit that has been approved by the 72986
director. Further, best available technology requirements 72987
established in rules adopted under this division shall not apply 72988
to general permits issued prior to January 1, 2006, under rules 72989
adopted under this chapter. 72990

For permits to install issued three or more years after 72991
August 3, 2006, any new or modified air contaminant source that 72992
has the potential to emit, taking into account air pollution 72993
controls installed on the source, ten or more tons per year of 72994
volatile organic compounds or nitrogen oxides shall meet, at a 72995
minimum, the requirements of any applicable reasonably available 72996
control technology rule in effect as of January 1, 2006, 72997
regardless of the location of the source. 72998

(U) Consistent with section 507 of the federal Clean Air Act, 72999
adopt, modify, suspend, and rescind rules for the establishment of 73000
a small business stationary source technical and environmental 73001
compliance assistance program as provided in section 3704.18 of 73002

the Revised Code; 73003

(V) Provide for emissions trading, marketable permits, 73004
auctions of emission rights, and economic incentives that would 73005
reduce the cost or increase the efficiency of achieving a 73006
specified level of environmental protection; 73007

(W) Provide for the construction of an air contaminant source 73008
prior to obtaining a permit to install pursuant to division (F) of 73009
this section if the applicant demonstrates that the source will be 73010
installed to comply with all applicable emission limits and will 73011
not adversely affect public health or safety or the environment 73012
and if the director determines that such an action will avoid an 73013
unreasonable hardship on the owner or operator of the source. Any 73014
such determination shall be consistent with the federal Clean Air 73015
Act. 73016

under division (A)(1) of this section. The director of 73057
administrative services shall select a vendor through a 73058

73080

(c) A requirement that the vendor selected to operate the program acquire all facilities that were previously utilized for motor vehicle emissions inspections via arm's-length transactions at the discretion of the interested parties if the vendor chooses to utilize those inspection facilities for purposes of the contract. The competitive selection process shall not include a requirement that a vendor pay book value for such facilities. 73081

under them and obtain a certificate of need from the director of 75441
health under section 3702.52 of the Revised Code. 75442

(F) Nothing in this chapter, or rules adopted pursuant to it, 75443
shall be construed as authorizing the supervision, regulation, or 75444

recognized church or religious denomination. 75448

Sec. 3721.02. (A) The director of health shall license homes 75449
and establish procedures to be followed in inspecting and 75450
licensing homes. The director may inspect a home at any time. Each 75451
home shall be inspected by the director at least once prior to the 75452
issuance of a license and at least once every fifteen months 75453
thereafter. The state fire marshal or a township, municipal, or 75454
other legally constituted fire department approved by the marshal 75455
shall also inspect a home prior to issuance of a license, at least 75456
once every fifteen months thereafter, and at any other time 75457
requested by the director. A home does not have to be inspected 75458
prior to issuance of a license by the director, state fire 75459
marshal, or a fire department if ownership of the home is assigned 75460
or transferred to a different person and the home was licensed 75461
under this chapter immediately prior to the assignment or 75462
transfer. The director may enter at any time, for the purposes of 75463
investigation, any institution, residence, facility, or other 75464
structure that has been reported to the director or that the 75465
director has reasonable cause to believe is operating as a nursing 75466
home, residential care facility, or home for the aging without a 75467
valid license required by section 3721.05 of the Revised Code or, 75468

in the case of a county home or district home, is operating 75469
despite the revocation of its residential care facility license. 75470
The director may delegate the director's authority and duties 75471
under this chapter to any division, bureau, agency, or official of 75472
the department of health. 75473

(B) A single facility may be licensed both as a nursing home 75474
pursuant to this chapter and as an adult care facility pursuant to 75475
Chapter 3722. of the Revised Code if the director determines that 75476
the part or unit to be licensed as a nursing home can be 75477
maintained separate and discrete from the part or unit to be 75478
licensed as an adult care facility. 75479

(C) In determining the number of residents in a home for the 75480
purpose of licensing, the director shall consider all the 75481
individuals for whom the home provides accommodations as one group 75482
unless one of the following is the case: 75483

(1) The home is a home for the aging, in which case all the 75484
individuals in the part or unit licensed as a nursing home shall 75485
be considered as one group, and all the individuals in the part or 75486
unit licensed as a rest home shall be considered as another group. 75487

(2) The home is both a nursing home and an adult care 75488
facility. In that case, all the individuals in the part or unit 75489
licensed as a nursing home shall be considered as one group, and 75490
all the individuals in the part or unit licensed as an adult care 75491
facility shall be considered as another group. 75492

(3) The home maintains, in addition to a nursing home or 75493
residential care facility, a separate and discrete part or unit 75494
that provides accommodations to individuals who do not require or 75495
receive skilled nursing care and do not receive personal care 75496
services from the home, in which case the individuals in the 75497
separate and discrete part or unit shall not be considered in 75498
determining the number of residents in the home if the separate 75499

and discrete part or unit is in compliance with the Ohio basic 75500
building code established by the board of building standards under 75501
Chapters 3781. and 3791. of the Revised Code and the home permits 75502
the director, on request, to inspect the separate and discrete 75503
part or unit and speak with the individuals residing there, if 75504
they consent, to determine whether the separate and discrete part 75505
or unit meets the requirements of this division. 75506

(D)(1) The director of health shall charge ~~an~~ the following 75507
application fee and ~~an~~ annual renewal licensing and inspection fee 75508
~~of one hundred seventy dollars~~ for each fifty persons or part 75509
thereof of a home's licensed capacity: 75510

(a) For state fiscal year 2010, two hundred twenty dollars; 75511

(b) For state fiscal year 2011, two hundred seventy dollars; 75512

(c) For each state fiscal year thereafter, three hundred 75513
twenty dollars. All 75514

(2) All fees collected by the director for the issuance or 75515
renewal of licenses shall be deposited into the state treasury to 75516
the credit of the general operations fund created in section 75517
3701.83 of the Revised Code for use only in administering and 75518
enforcing this chapter and rules adopted under it. 75519

(E)(1) Except as otherwise provided in this section, the 75520
results of an inspection or investigation of a home that is 75521
conducted under this section, including any statement of 75522
deficiencies and all findings and deficiencies cited in the 75523
statement on the basis of the inspection or investigation, shall 75524
be used solely to determine the home's compliance with this 75525
chapter or another chapter of the Revised Code in any action or 75526
proceeding other than an action commenced under division (I) of 75527
section 3721.17 of the Revised Code. Those results of an 75528
inspection or investigation, that statement of deficiencies, and 75529
the findings and deficiencies cited in that statement shall not be 75530

used in any court or in any action or proceeding that is pending 75531
in any court and are not admissible in evidence in any action or 75532
proceeding unless that action or proceeding is an appeal of an 75533
action by the department of health under this chapter or is an 75534
action by any department or agency of the state to enforce this 75535
chapter or another chapter of the Revised Code. 75536

(2) Nothing in division (E)(1) of this section prohibits the 75537
results of an inspection or investigation conducted under this 75538
section from being used in a criminal investigation or 75539
prosecution. 75540

Sec. 3721.071. The buildings in which a home is housed shall 75541
be equipped with both an automatic fire extinguishing system and 75542
fire alarm system. Such systems shall conform to standards set 75543
forth in the regulations of the board of building standards and 75544
the state fire marshal. 75545

The time for compliance with the requirements imposed by this 75546
section shall be January 1, 1975, except that the date for 75547
compliance with the automatic fire extinguishing requirements is 75548
extended to January 1, 1976, provided the buildings of the home 75549
are otherwise in compliance with fire safety laws and regulations 75550
and: 75551

(A) The home within thirty days after August 4, 1975, files a 75552
written plan with the state fire marshal's office that: 75553

carried out to reduce the possibility of a fire; 75555

(2) Provides evidence that the home has entered into an 75556
agreement for a fire safety inspection to be conducted not less 75557
than monthly by a qualified independent safety engineer consultant 75558
or a township, municipal, or other legally constituted fire 75559
department, or by a township or municipal fire prevention officer; 75560

(3) Provides verification that the home has entered into a valid contract for the installation of an automatic fire extinguishing system or fire alarm system, or both, as required to comply with this section;

(4) Includes a statement regarding the expected date for the completion of the fire extinguishing system or fire alarm system, or both.

(B) Inspections by a qualified independent safety engineer consultant or a township, municipal, or other legally constituted fire department, or by a township or municipal fire prevention officer are initiated no later than sixty days after August 4, 1975, and are conducted no less than monthly thereafter, and reports of the consultant, fire department, or fire prevention officer identifying existing hazards and recommended corrective actions are submitted to the state fire marshal, the division of ~~industrial compliance~~ labor in the department of commerce, and the department of health.

section 3722.02 of the Revised Code and rules adopted by the 76431
public health council pursuant to this chapter. The director may 76432

health or safety of the residents. 76442~~

Sec. 3722.06. Except as otherwise provided in sections 76443

3722.07 to 3722.09 of the Revised Code and except in cases of 76444
violations that jeopardize the health and safety of any of the 76445

The facility shall submit to the director a plan of 76457
correction stating the actions that will be taken to correct the 76458
violation. The director shall conduct an inspection to determine 76459
whether the facility has corrected the violation in accordance 76460
with the plan of correction. 76461

If the director determines that the facility has failed to 76462
correct the violation in accordance with the plan of correction, 76463
the director may impose a penalty under section 3722.08 of the 76464
Revised Code. If the director ~~subsequently~~ determines that the 76465

the time specified or because the violation jeopardizes the health 76468
or safety of any of the residents, the director shall revoke or 76469
refuse to renew the license in accordance with Chapter 119. of the 76470
Revised Code. 76471

Sec. 3722.08. (A) If the director of health determines that 76472

owner of the facility, pursuant to rules adopted by the public 76475
health council under this chapter, ~~on the owner of the facility.~~ 76476
The director shall determine the classification and amount of the 76477
penalty by considering the following factors: 76478

or potential harm, and the extent to which the provisions of this 76480
chapter or rules adopted under it were violated; 76481

(2) Actions taken by the owner or manager to correct the 76482
violation; 76483

(3) The number, if any, of previous violations by the adult 76484
care facility. 76485

(B) The director shall give written notice of the order 76486
imposing a civil penalty to the adult care facility by certified 76487
mail, return receipt requested, or shall provide for delivery of 76488
the notice in person. The notice shall specify the classification 76489
of the violation as determined by rules adopted by the public 76490
health council pursuant to this chapter, the amount of the penalty 76491
and the rate of interest, the action that is required to be taken 76492
to correct the violation, the time within which it is to be 76493
corrected as specified in division (C) of this section, and the 76494
procedures for the facility to follow to request a conference on 76495
the order imposing a civil penalty. If the facility requests a 76496
conference in a letter mailed or delivered not later than two 76497
working days after it has received the notice, the director shall 76498
hold a conference with representatives of the facility concerning 76499
the civil penalty. The conference shall be held not later than 76500
seven days after the director receives the request. The conference 76501
shall be conducted as prescribed in division (C) of section 76502
3722.07 of the Revised Code. If the director issues an order 76503
upholding the civil penalty, the facility may request an 76504
adjudication hearing pursuant to Chapter 119. of the Revised Code, 76505

but the order of the director shall be in effect during 76506
proceedings instituted pursuant to that chapter until a final 76507

corrected. 76514

(D) If the facility does not request a conference or if, 76515
after a conference, it fails to take action to correct a violation 76516
in the time prescribed by the director, the director shall issue 76517
an order upholding the penalty, plus interest at the rate 76518
specified in section 1343.03 of the Revised Code for each day 76519

if the director concludes that the conference was necessitated by 76522
a legitimate dispute. 76523

(E) The director may cancel or reduce the penalty for a class 76524
I violation if the facility corrects the violation within the time 76525
specified in the notice ~~unless, except that the director shall~~ 76526
impose the penalty even though the facility has corrected the 76527
violation if a resident suffers physical harm because of the 76528
violation or ~~unless~~ the facility has been cited previously for the 76529
same violation, ~~in which case the director shall impose the~~ 76530
~~penalty even though the facility has corrected the violation.~~ The 76531
director ~~shall~~ may cancel the penalty for a class II or class III 76532
violation if the facility corrects the violation within the time 76533
specified in the notice ~~unless~~ and the facility has not been cited 76534
previously for the same violation. Each day of a violation of any 76535
class, after the date the director sets for abatement or 76536
elimination, constitutes a separate and additional violation. 76537

(F) If an adult care facility fails to pay a penalty imposed under this section, the director may commence a civil action to collect the penalty. The license of an adult care facility that has failed to pay a penalty imposed under this section shall not be renewed until the penalty has been paid.

(G) If a penalty is imposed under this section, a fine shall not be imposed under section 3722.99 of the Revised Code for the same violation.

~~(H) Notwithstanding any other division of this section, the director shall not impose a penalty for a class I violation if all of the following apply:~~

issue, at a minimum, an order enjoining the facility from 76572
admitting new residents to the facility and an order requiring the 76573

3733.41 to 3733.49 of the Revised Code, unless the application for 77214
a license is made on or after the fifteenth day of April in any 77215
given year, in which case an additional fee of ~~fifteen~~ forty-two 77216

treasury to the credit of the general operations fund created in 77219
section 3701.83 of the Revised Code and shall be used for the 77220
administration and enforcement of sections 3733.41 to 3733.49 of 77221
the Revised Code and rules adopted thereunder. 77222

(B) Any license under this section may be denied, suspended, 77223
or revoked by the licensor for violation of sections 3733.41 to 77224
3733.49 of the Revised Code or the rules adopted thereunder. 77225
Unless there is an immediate serious public health hazard, no 77226
denial, suspension, or revocation of a license shall be made 77227
effective until the person operating the agricultural labor camp 77228
has been given notice in writing of the specific violations and a 77229
reasonable time to make corrections. When the licensor determines 77230
that an immediate serious public health hazard exists, the 77231
licensor shall issue an order denying or suspending the license 77232
without a prior hearing. 77233

(C) All proceedings under this section are subject to Chapter 77234
119. of the Revised Code except as provided in section 3733.431 of 77235
the Revised Code. 77236

(D) Every occupant of an agricultural labor camp shall keep 77237
that part of the dwelling unit, and premises thereof, that the 77238
occupant occupies and controls in a clean and sanitary condition. 77239

Sec. 3734.05. (A)(1) Except as provided in divisions (A)(4), 77240
(8), and (9) of this section, no person shall operate or maintain 77241
a solid waste facility without a license issued under this 77242
division by the board of health of the health district in which 77243
the facility is located or by the director of environmental 77244
protection when the health district in which the facility is 77245
located is not on the approved list under section 3734.08 of the 77246
Revised Code. 77247

During the month of December, but before the first day of 77248
January of the next year, every person proposing to continue to 77249
operate an existing solid waste facility shall procure a license 77250
under this division to operate the facility for that year from the 77251
board of health of the health district in which the facility is 77252
located or, if the health district is not on the approved list 77253
under section 3734.08 of the Revised Code, from the director. The 77254
application for such a license shall be submitted to the board of 77255
health or to the director, as appropriate, on or before the last 77256
day of September of the year preceding that for which the license 77257
is sought. In addition to the application fee prescribed in 77258
division (A)(2) of this section, a person who submits an 77259
application after that date shall pay an additional ten per cent 77260
of the amount of the application fee for each week that the 77261
application is late. Late payment fees accompanying an application 77262
submitted to the board of health shall be credited to the special 77263
fund of the health district created in division (B) of section 77264
3734.06 of the Revised Code, and late payment fees accompanying an 77265
application submitted to the director shall be credited to the 77266
general revenue fund. A person who has received a license, upon 77267
sale or disposition of a solid waste facility, and upon consent of 77268
the board of health and the director, may have the license 77269
transferred to another person. The board of health or the director 77270
may include such terms and conditions in a license or revision to 77271

a license as are appropriate to ensure compliance with this 77272
chapter and rules adopted under it. The terms and conditions may 77273
establish the authorized maximum daily waste receipts for the 77274
facility. Limitations on maximum daily waste receipts shall be 77275
specified in cubic yards of volume for the purpose of regulating 77276
the design, construction, and operation of solid waste facilities. 77277
Terms and conditions included in a license or revision to a 77278
license by a board of health shall be consistent with, and pertain 77279
only to the subjects addressed in, the rules adopted under 77280
division (A) of section 3734.02 and division (D) of section 77281
3734.12 of the Revised Code. 77282

(2)(a) Except as provided in divisions (A)(2)(b), (8), and 77283
(9) of this section, each person proposing to open a new solid 77284
waste facility or to modify an existing solid waste facility shall 77285
submit an application for a permit with accompanying detail plans 77286
and specifications to the environmental protection agency for 77287
required approval under the rules adopted by the director pursuant 77288
to division (A) of section 3734.02 of the Revised Code and 77289
applicable rules adopted under division (D) of section 3734.12 of 77290
the Revised Code at least two hundred seventy days before proposed 77291
operation of the facility and shall concurrently make application 77292
for the issuance of a license under division (A)(1) of this 77293
section with the board of health of the health district in which 77294
the proposed facility is to be located. 77295

(b) On and after the effective date of the rules adopted 77296
under division (A) of section 3734.02 of the Revised Code and 77297
division (D) of section 3734.12 of the Revised Code governing 77298
solid waste transfer facilities, each person proposing to open a 77299
new solid waste transfer facility or to modify an existing solid 77300
waste transfer facility shall submit an application for a permit 77301
with accompanying engineering detail plans, specifications, and 77302
information regarding the facility and its method of operation to 77303

the environmental protection agency for required approval under 77304
those rules at least two hundred seventy days before commencing 77305
proposed operation of the facility and concurrently shall make 77306
application for the issuance of a license under division (A)(1) of 77307
this section with the board of health of the health district in 77308
which the facility is located or proposed. 77309

(c) Each application for a permit under division (A)(2)(a) or 77310
(b) of this section shall be accompanied by a nonrefundable 77311
application fee of four hundred dollars that shall be credited to 77312
the general revenue fund. Each application for an annual license 77313
under division (A)(1) or (2) of this section shall be accompanied 77314
by a nonrefundable application fee of one hundred dollars. If the 77315
application for an annual license is submitted to a board of 77316
health on the approved list under section 3734.08 of the Revised 77317
Code, the application fee shall be credited to the special fund of 77318
the health district created in division (B) of section 3734.06 of 77319
the Revised Code. If the application for an annual license is 77320
submitted to the director, the application fee shall be credited 77321
to the general revenue fund. If a permit or license is issued, the 77322
amount of the application fee paid shall be deducted from the 77323
amount of the permit fee due under division (Q) of section 3745.11 77324
of the Revised Code or the amount of the license fee due under 77325
division (A)(1), (2), (3), or (4) of section 3734.06 of the 77326
Revised Code. 77327

(d) As used in divisions (A)(2)(d), (e), and (f) of this 77328
section, "modify" means any of the following: 77329

(i) Any increase of more than ten per cent in the total 77330
capacity of a solid waste facility; 77331

(ii) Any expansion of the limits of solid waste placement at 77332
a solid waste facility; 77333

(iii) Any increase in the depth of excavation at a solid 77334

waste facility; 77335

(iv) Any change in the technique of waste receipt or type of 77336
waste received at a solid waste facility that may endanger human 77337
health, as determined by the director by rules adopted in 77338
accordance with Chapter 119. of the Revised Code. 77339

Not later than thirty-five days after submitting an 77340
application under division (A)(2)(a) or (b) of this section for a 77341
permit to open a new or modify an existing solid waste facility, 77342
the applicant, in conjunction with an officer or employee of the 77343
environmental protection agency, shall hold a public meeting on 77344
the application within the county in which the new or modified 77345
solid waste facility is or is proposed to be located or within a 77346
contiguous county. Not less than thirty days before holding the 77347
public meeting on the application, the applicant shall publish 77348
notice of the meeting in each newspaper of general circulation 77349
that is published in the county in which the facility is or is 77350
proposed to be located. If no newspaper of general circulation is 77351
published in the county, the applicant shall publish the notice in 77352
a newspaper of general circulation in the county. The notice shall 77353
contain the date, time, and location of the public meeting and a 77354
general description of the proposed new or modified facility. Not 77355
later than five days after publishing the notice, the applicant 77356
shall send by certified mail a copy of the notice and the date the 77357
notice was published to the director and the legislative authority 77358
of each municipal corporation, township, and county, and to the 77359
chief executive officer of each municipal corporation, in which 77360
the facility is or is proposed to be located. At the public 77361
meeting, the applicant shall provide information and describe the 77362
application and respond to comments or questions concerning the 77363
application, and the officer or employee of the agency shall 77364
describe the permit application process. At the public meeting, 77365
any person may submit written or oral comments on or objections to 77366

the application. Not more than thirty days after the public 77367
meeting, the applicant shall provide the director with a copy of a 77368
transcript of the full meeting, copies of any exhibits, displays, 77369
or other materials presented by the applicant at the meeting, and 77370
the original copy of any written comments submitted at the 77371
meeting. 77372

(e) Except as provided in division (A)(2)(f) of this section, 77373
prior to taking an action, other than a proposed or final denial, 77374
upon an application submitted under division (A)(2)(a) of this 77375
section for a permit to open a new or modify an existing solid 77376
waste facility, the director shall hold a public information 77377
session and a public hearing on the application within the county 77378
in which the new or modified solid waste facility is or is 77379
proposed to be located or within a contiguous county. If the 77380
application is for a permit to open a new solid waste facility, 77381
the director shall hold the hearing not less than fourteen days 77382
after the information session. If the application is for a permit 77383
to modify an existing solid waste facility, the director may hold 77384
both the information session and the hearing on the same day 77385
unless any individual affected by the application requests in 77386
writing that the information session and the hearing not be held 77387
on the same day, in which case the director shall hold the hearing 77388
not less than fourteen days after the information session. The 77389
director shall publish notice of the public information session or 77390
public hearing not less than thirty days before holding the 77391
information session or hearing, as applicable. The notice shall be 77392
published in each newspaper of general circulation that is 77393
published in the county in which the facility is or is proposed to 77394
be located. If no newspaper of general circulation is published in 77395
the county, the director shall publish the notice in a newspaper 77396
of general circulation in the county. The notice shall contain the 77397
date, time, and location of the information session or hearing, as 77398
applicable, and a general description of the proposed new or 77399

modified facility. At the public information session, an officer 77400
or employee of the environmental protection agency shall describe 77401
the status of the permit application and be available to respond 77402
to comments or questions concerning the application. At the public 77403
hearing, any person may submit written or oral comments on or 77404
objections to the approval of the application. The applicant, or a 77405
representative of the applicant who has knowledge of the location, 77406
construction, and operation of the facility, shall attend the 77407
information session and public hearing to respond to comments or 77408
questions concerning the facility directed to the applicant or 77409
representative by the officer or employee of the environmental 77410
protection agency presiding at the information session and 77411
hearing. 77412

(f) The solid waste management policy committee of a county 77413
or joint solid waste management district may adopt a resolution 77414
requesting expeditious consideration of a specific application 77415
submitted under division (A)(2)(a) of this section for a permit to 77416
modify an existing solid waste facility within the district. The 77417
resolution shall make the finding that expedited consideration of 77418
the application without the public information session and public 77419
hearing under division (A)(2)(e) of this section is in the public 77420
interest and will not endanger human health, as determined by the 77421
director by rules adopted in accordance with Chapter 119. of the 77422
Revised Code. Upon receiving such a resolution, the director, at 77423
the director's discretion, may issue a final action upon the 77424
application without holding a public information session or public 77425
hearing pursuant to division (A)(2)(e) of this section. 77426

(3) Except as provided in division (A)(10) of this section, 77427
and unless the owner or operator of any solid waste facility, 77428
other than a solid waste transfer facility or a compost facility 77429
that accepts exclusively source separated yard wastes, that 77430
commenced operation on or before July 1, 1968, has obtained an 77431

exemption from the requirements of division (A)(3) of this section 77432
in accordance with division (G) of section 3734.02 of the Revised 77433
Code, the owner or operator shall submit to the director an 77434
application for a permit with accompanying engineering detail 77435
plans, specifications, and information regarding the facility and 77436
its method of operation for approval under rules adopted under 77437
division (A) of section 3734.02 of the Revised Code and applicable 77438
rules adopted under division (D) of section 3734.12 of the Revised 77439
Code in accordance with the following schedule: 77440

(a) Not later than September 24, 1988, if the facility is 77441
located in the city of Garfield Heights or Parma in Cuyahoga 77442
county; 77443

(b) Not later than December 24, 1988, if the facility is 77444
located in Delaware, Greene, Guernsey, Hamilton, Madison, 77445
Mahoning, Ottawa, or Vinton county; 77446

(c) Not later than March 24, 1989, if the facility is located 77447
in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or 77448
Washington county, or is located in the city of Brooklyn or 77449
Cuyahoga Heights in Cuyahoga county; 77450

(d) Not later than June 24, 1989, if the facility is located 77451
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 77452
Summit county or is located in Cuyahoga county outside the cities 77453
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 77454

(e) Not later than September 24, 1989, if the facility is 77455
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 77456
county; 77457

(f) Not later than December 24, 1989, if the facility is 77458
located in a county not listed in divisions (A)(3)(a) to (e) of 77459
this section; 77460

(g) Notwithstanding divisions (A)(3)(a) to (f) of this 77461
section, not later than December 31, 1990, if the facility is a 77462

solid waste facility owned by a generator of solid wastes when the 77463
solid waste facility exclusively disposes of solid wastes 77464
generated at one or more premises owned by the generator 77465
regardless of whether the facility is located on a premises where 77466
the wastes are generated and if the facility disposes of more than 77467
one hundred thousand tons of solid wastes per year, provided that 77468
any such facility shall be subject to division (A)(5) of this 77469
section. 77470

(4) Except as provided in divisions (A)(8), (9), and (10) of 77471
this section, unless the owner or operator of any solid waste 77472
facility for which a permit was issued after July 1, 1968, but 77473
before January 1, 1980, has obtained an exemption from the 77474
requirements of division (A)(4) of this section under division (G) 77475
of section 3734.02 of the Revised Code, the owner or operator 77476
shall submit to the director an application for a permit with 77477
accompanying engineering detail plans, specifications, and 77478
information regarding the facility and its method of operation for 77479
approval under those rules. 77480

(5) The director may issue an order in accordance with 77481
Chapter 3745. of the Revised Code to the owner or operator of a 77482
solid waste facility requiring the person to submit to the 77483
director updated engineering detail plans, specifications, and 77484
information regarding the facility and its method of operation for 77485
approval under rules adopted under division (A) of section 3734.02 77486
of the Revised Code and applicable rules adopted under division 77487
(D) of section 3734.12 of the Revised Code if, in the director's 77488
judgment, conditions at the facility constitute a substantial 77489
threat to public health or safety or are causing or contributing 77490
to or threatening to cause or contribute to air or water pollution 77491
or soil contamination. Any person who receives such an order shall 77492
submit the updated engineering detail plans, specifications, and 77493
information to the director within one hundred eighty days after 77494

the effective date of the order. 77495

(6) The director shall act upon an application submitted 77496
under division (A)(3) or (4) of this section and any updated 77497
engineering plans, specifications, and information submitted under 77498
division (A)(5) of this section within one hundred eighty days 77499
after receiving them. If the director denies any such permit 77500
application, the order denying the application or disapproving the 77501
plans shall include the requirements that the owner or operator 77502
submit a plan for closure and post-closure care of the facility to 77503
the director for approval within six months after issuance of the 77504
order, cease accepting solid wastes for disposal or transfer at 77505
the facility, and commence closure of the facility not later than 77506
one year after issuance of the order. If the director determines 77507
that closure of the facility within that one-year period would 77508
result in the unavailability of sufficient solid waste management 77509
facility capacity within the county or joint solid waste 77510
management district in which the facility is located to dispose of 77511
or transfer the solid waste generated within the district, the 77512
director in the order of denial or disapproval may postpone 77513
commencement of closure of the facility for such period of time as 77514
the director finds necessary for the board of county commissioners 77515
or directors of the district to secure access to or for there to 77516
be constructed within the district sufficient solid waste 77517
management facility capacity to meet the needs of the district, 77518
provided that the director shall certify in the director's order 77519
that postponing the date for commencement of closure will not 77520
endanger ground water or any property surrounding the facility, 77521
allow methane gas migration to occur, or cause or contribute to 77522
any other type of environmental damage. 77523

If an emergency need for disposal capacity that may affect 77524
public health and safety exists as a result of closure of a 77525
facility under division (A)(6) of this section, the director may 77526

issue an order designating another solid waste facility to accept 77527
the wastes that would have been disposed of at the facility to be 77528
closed. 77529

(7) If the director determines that standards more stringent 77530
than those applicable in rules adopted under division (A) of 77531
section 3734.02 of the Revised Code and division (D) of section 77532
3734.12 of the Revised Code, or standards pertaining to subjects 77533
not specifically addressed by those rules, are necessary to ensure 77534
that a solid waste facility constructed at the proposed location 77535
will not cause a nuisance, cause or contribute to water pollution, 77536
or endanger public health or safety, the director may issue a 77537
permit for the facility with such terms and conditions as the 77538
director finds necessary to protect public health and safety and 77539
the environment. If a permit is issued, the director shall state 77540
in the order issuing it the specific findings supporting each such 77541
term or condition. 77542

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 77543
not apply to a solid waste compost facility that accepts 77544
exclusively source separated yard wastes and that is registered 77545
under division (C) of section 3734.02 of the Revised Code or, 77546
unless otherwise provided in rules adopted under division (N)(3) 77547
of section 3734.02 of the Revised Code, to a solid waste compost 77548
facility if the director has adopted rules establishing an 77549
alternative system for authorizing the establishment, operation, 77550
or modification of a solid waste compost facility under that 77551
division. 77552

(9) Divisions (A)(1) to (7) of this section do not apply to 77553
scrap tire collection, storage, monocell, monofill, and recovery 77554
facilities. The approval of plans and specifications, as 77555
applicable, and the issuance of registration certificates, 77556
permits, and licenses for those facilities are subject to sections 77557
3734.75 to 3734.78 of the Revised Code, as applicable, and section 77558

3734.81 of the Revised Code. 77559

(10) Divisions (A)(3) and (4) of this section do not apply to 77560
a solid waste incinerator that was placed into operation on or 77561
before October 12, 1994, and that is not authorized to accept and 77562
treat infectious wastes pursuant to division (B) of this section. 77563

(B)(1) Each person who is engaged in the business of treating 77564
infectious wastes for profit at a treatment facility located off 77565
the premises where the wastes are generated that is in operation 77566
on August 10, 1988, and who proposes to continue operating the 77567
facility shall submit to the board of health of the health 77568
district in which the facility is located an application for a 77569
license to operate the facility. 77570

Thereafter, no person shall operate or maintain an infectious 77571
waste treatment facility without a license issued by the board of 77572
health of the health district in which the facility is located or 77573
by the director when the health district in which the facility is 77574
located is not on the approved list under section 3734.08 of the 77575
Revised Code. 77576

(2)(a) During the month of December, but before the first day 77577
of January of the next year, every person proposing to continue to 77578
operate an existing infectious waste treatment facility shall 77579
procure a license to operate the facility for that year from the 77580
board of health of the health district in which the facility is 77581
located or, if the health district is not on the approved list 77582
under section 3734.08 of the Revised Code, from the director. The 77583
application for such a license shall be submitted to the board of 77584
health or to the director, as appropriate, on or before the last 77585
day of September of the year preceding that for which the license 77586
is sought. In addition to the application fee prescribed in 77587
division (B)(2)(c) of this section, a person who submits an 77588
application after that date shall pay an additional ten per cent 77589
of the amount of the application fee for each week that the 77590

application is late. Late payment fees accompanying an application 77591
submitted to the board of health shall be credited to the special 77592
infectious waste fund of the health district created in division 77593
(C) of section 3734.06 of the Revised Code, and late payment fees 77594
accompanying an application submitted to the director shall be 77595
credited to the general revenue fund. A person who has received a 77596
license, upon sale or disposition of an infectious waste treatment 77597
facility and upon consent of the board of health and the director, 77598
may have the license transferred to another person. The board of 77599
health or the director may include such terms and conditions in a 77600
license or revision to a license as are appropriate to ensure 77601
compliance with the infectious waste provisions of this chapter 77602
and rules adopted under them. 77603

(b) Each person proposing to open a new infectious waste 77604
treatment facility or to modify an existing infectious waste 77605
treatment facility shall submit an application for a permit with 77606
accompanying detail plans and specifications to the environmental 77607
protection agency for required approval under the rules adopted by 77608
the director pursuant to section 3734.021 of the Revised Code two 77609
hundred seventy days before proposed operation of the facility and 77610
concurrently shall make application for a license with the board 77611
of health of the health district in which the facility is or is 77612
proposed to be located. Not later than ninety days after receiving 77613
a completed application under division (B)(2)(b) of this section 77614
for a permit to open a new infectious waste treatment facility or 77615
modify an existing infectious waste treatment facility to expand 77616
its treatment capacity, or receiving a completed application under 77617
division (A)(2)(a) of this section for a permit to open a new 77618
solid waste incineration facility, or modify an existing solid 77619
waste incineration facility to also treat infectious wastes or to 77620
increase its infectious waste treatment capacity, that pertains to 77621
a facility for which a notation authorizing infectious waste 77622
treatment is included or proposed to be included in the solid 77623

waste incineration facility's license pursuant to division (B)(3) 77624
of this section, the director shall hold a public hearing on the 77625
application within the county in which the new or modified 77626
infectious waste or solid waste facility is or is proposed to be 77627
located or within a contiguous county. Not less than thirty days 77628
before holding the public hearing on the application, the director 77629
shall publish notice of the hearing in each newspaper that has 77630
general circulation and that is published in the county in which 77631
the facility is or is proposed to be located. If there is no 77632
newspaper that has general circulation and that is published in 77633
the county, the director shall publish the notice in a newspaper 77634
of general circulation in the county. The notice shall contain the 77635
date, time, and location of the public hearing and a general 77636
description of the proposed new or modified facility. At the 77637
public hearing, any person may submit written or oral comments on 77638
or objections to the approval or disapproval of the application. 77639
The applicant, or a representative of the applicant who has 77640
knowledge of the location, construction, and operation of the 77641
facility, shall attend the public hearing to respond to comments 77642
or questions concerning the facility directed to the applicant or 77643
representative by the officer or employee of the environmental 77644
protection agency presiding at the hearing. 77645

(c) Each application for a permit under division (B)(2)(b) of 77646
this section shall be accompanied by a nonrefundable application 77647
fee of four hundred dollars that shall be credited to the general 77648
revenue fund. Each application for an annual license under 77649
division (B)(2)(a) of this section shall be accompanied by a 77650
nonrefundable application fee of one hundred dollars. If the 77651
application for an annual license is submitted to a board of 77652
health on the approved list under section 3734.08 of the Revised 77653
Code, the application fee shall be credited to the special 77654
infectious waste fund of the health district created in division 77655
(C) of section 3734.06 of the Revised Code. If the application for 77656

an annual license is submitted to the director, the application 77657
fee shall be credited to the general revenue fund. If a permit or 77658
license is issued, the amount of the application fee paid shall be 77659
deducted from the amount of the permit fee due under division (Q) 77660
of section 3745.11 of the Revised Code or the amount of the 77661
license fee due under division (C) of section 3734.06 of the 77662
Revised Code. 77663

(d) The owner or operator of any infectious waste treatment 77664
facility that commenced operation on or before July 1, 1968, shall 77665
submit to the director an application for a permit with 77666
accompanying engineering detail plans, specifications, and 77667
information regarding the facility and its method of operation for 77668
approval under rules adopted under section 3734.021 of the Revised 77669
Code in accordance with the following schedule: 77670

(i) Not later than December 24, 1988, if the facility is 77671
located in Delaware, Greene, Guernsey, Hamilton, Madison, 77672
Mahoning, Ottawa, or Vinton county; 77673

(ii) Not later than March 24, 1989, if the facility is 77674
located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, 77675
or Washington county, or is located in the city of Brooklyn, 77676
Cuyahoga Heights, or Parma in Cuyahoga county; 77677

(iii) Not later than June 24, 1989, if the facility is 77678
located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, 77679
Lucas, or Summit county or is located in Cuyahoga county outside 77680
the cities of Brooklyn, Cuyahoga Heights, and Parma; 77681

(iv) Not later than September 24, 1989, if the facility is 77682
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 77683
county; 77684

(v) Not later than December 24, 1989, if the facility is 77685
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 77686
of this section. 77687

The owner or operator of an infectious waste treatment facility required to submit a permit application under division (B)(2)(d) of this section is not required to pay any permit application fee under division (B)(2)(c) of this section, or permit fee under division (Q) of section 3745.11 of the Revised Code, with respect thereto unless the owner or operator also proposes to modify the facility.

(e) The director may issue an order in accordance with Chapter 3745. of the Revised Code to the owner or operator of an infectious waste treatment facility requiring the person to submit to the director updated engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under section 3734.021 of the Revised Code if, in the director's judgment, conditions at the facility constitute a substantial threat to public health or safety or are causing or contributing to or threatening to cause or contribute to air or water pollution or soil contamination. Any person who receives such an order shall submit the updated engineering detail plans, specifications, and information to the director within one hundred eighty days after the effective date of the order.

(f) The director shall act upon an application submitted under division (B)(2)(d) of this section and any updated engineering plans, specifications, and information submitted under division (B)(2)(e) of this section within one hundred eighty days after receiving them. If the director denies any such permit application or disapproves any such updated engineering plans, specifications, and information, the director shall include in the order denying the application or disapproving the plans the requirement that the owner or operator cease accepting infectious wastes for treatment at the facility.

(3) Division (B) of this section does not apply to an

infectious waste treatment facility that meets any of the 77720
following conditions: 77721

(a) Is owned or operated by the generator of the wastes and 77722
exclusively treats, by methods, techniques, and practices 77723
established by rules adopted under division (C)(1) or (3) of 77724
section 3734.021 of the Revised Code, wastes that are generated at 77725
any premises owned or operated by that generator regardless of 77726
whether the wastes are generated on the same premises where the 77727
generator's treatment facility is located or, if the generator is 77728
a hospital as defined in section 3727.01 of the Revised Code, 77729
infectious wastes that are described in division (A)(1)(g), (h), 77730
or (i) of section 3734.021 of the Revised Code; 77731

(b) Holds a license or renewal of a license to operate a 77732
crematory facility issued under Chapter 4717. and a permit issued 77733
under Chapter 3704. of the Revised Code; 77734

(c) Treats or disposes of dead animals or parts thereof, or 77735
the blood of animals, and is subject to any of the following: 77736

(i) Inspection under the "Federal Meat Inspection Act," 81 77737
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 77738

(ii) Chapter 918. of the Revised Code; 77739

(iii) Chapter 953. of the Revised Code. 77740

Nothing in division (B) of this section requires a facility 77741
that holds a license issued under division (A) of this section as 77742
a solid waste facility and that also treats infectious wastes by 77743
the same method, technique, or process to obtain a license under 77744
division (B) of this section as an infectious waste treatment 77745
facility. However, the solid waste facility license for the 77746
facility shall include the notation that the facility also treats 77747
infectious wastes. 77748

On and after the effective date of the amendments to the 77749

rules adopted under division (C)(2) of section 3734.021 of the Revised Code that are required by Section 6 of Substitute House Bill No. 98 of the 120th General Assembly, the director shall not issue a permit to open a new solid waste incineration facility unless the proposed facility complies with the requirements for the location of new infectious waste incineration facilities established in the required amendments to those rules.

(C) Except for a facility or activity described in division (E)(3) of section 3734.02 of the Revised Code, a person who proposes to establish or operate a hazardous waste facility shall submit a complete application for a hazardous waste facility installation and operation permit and accompanying detail plans, specifications, and such information as the director may require to the environmental protection agency at least one hundred eighty days before the proposed beginning of operation of the facility. The applicant shall notify by certified mail the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located of the submission of the application within ten days after the submission or at such earlier time as the director may establish by rule. If the application is for a proposed new hazardous waste disposal or thermal treatment facility, the applicant also shall give actual notice of the general design and purpose of the facility to the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located at least ninety days before the permit application is submitted to the environmental protection agency.

In accordance with rules adopted under section 3734.12 of the Revised Code, prior to the submission of a complete application for a hazardous waste facility installation and operation permit, the applicant shall hold at least one meeting in the township or municipal corporation in which the facility is proposed to be

located, whichever is geographically closer to the proposed 77782
location of the facility. The meeting shall be open to the public 77783
and shall be held to inform the community of the proposed 77784
hazardous waste management activities and to solicit questions 77785
from the community concerning the activities. 77786

(D)(1) Except as provided in section 3734.123 of the Revised 77787
Code, upon receipt of a complete application for a hazardous waste 77788
facility installation and operation permit under division (C) of 77789
this section, the director shall consider the application and 77790
accompanying information to determine whether the application 77791
complies with agency rules and the requirements of division (D)(2) 77792
of this section. After making a determination, the director shall 77793
issue either a draft permit or a notice of intent to deny the 77794
permit. The director, in accordance with rules adopted under 77795
section 3734.12 of the Revised Code or with rules adopted to 77796
implement Chapter 3745. of the Revised Code, shall provide public 77797
notice of the application and the draft permit or the notice of 77798
intent to deny the permit, provide an opportunity for public 77799
comments, and, if significant interest is shown, schedule a public 77800
meeting in the county in which the facility is proposed to be 77801
located and give public notice of the date, time, and location of 77802
the public meeting in a newspaper of general circulation in that 77803
county. 77804

(2) The director shall not approve an application for a 77805
hazardous waste facility installation and operation permit or an 77806
application for a modification under division (I)(3) of this 77807
section unless the director finds and determines as follows: 77808

(a) The nature and volume of the waste to be treated, stored, 77809
or disposed of at the facility; 77810

(b) That the facility complies with the director's hazardous 77811
waste standards adopted pursuant to section 3734.12 of the Revised 77812
Code; 77813

(c) That the facility represents the minimum adverse 77814
environmental impact, considering the state of available 77815
technology and the nature and economics of various alternatives, 77816
and other pertinent considerations; 77817

(d) That the facility represents the minimum risk of all of 77818
the following: 77819

(i) Fires or explosions from treatment, storage, or disposal 77820
methods; 77821

(ii) Release of hazardous waste during transportation of 77822
hazardous waste to or from the facility; 77823

(iii) Adverse impact on the public health and safety. 77824

(e) That the facility will comply with this chapter and 77825
Chapters 3704. and 6111. of the Revised Code and all rules and 77826
standards adopted under them; 77827

(f) That if the owner of the facility, the operator of the 77828
facility, or any other person in a position with the facility from 77829
which the person may influence the installation and operation of 77830
the facility has been involved in any prior activity involving 77831
transportation, treatment, storage, or disposal of hazardous 77832
waste, that person has a history of compliance with this chapter 77833
and Chapters 3704. and 6111. of the Revised Code and all rules and 77834
standards adopted under them, the "Resource Conservation and 77835
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 77836
amended, and all regulations adopted under it, and similar laws 77837
and rules of other states if any such prior operation was located 77838
in another state that demonstrates sufficient reliability, 77839
expertise, and competency to operate a hazardous waste facility 77840
under the applicable provisions of this chapter and Chapters 3704. 77841
and 6111. of the Revised Code, the applicable rules and standards 77842
adopted under them, and terms and conditions of a hazardous waste 77843
facility installation and operation permit, given the potential 77844

for harm to the public health and safety and the environment that 77845
could result from the irresponsible operation of the facility. For 77846
off-site facilities, as defined in section 3734.41 of the Revised 77847
Code, the director may use the investigative reports of the 77848
attorney general prepared pursuant to section 3734.42 of the 77849
Revised Code as a basis for making a finding and determination 77850
under division (D)(2)(f) of this section. 77851

(g) That the active areas within a new hazardous waste 77852
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 77853
(e), as amended, or organic waste that is toxic and is listed 77854
under 40 C.F.R. 261, as amended, is being stored, treated, or 77855
disposed of and where the aggregate of the storage design capacity 77856
and the disposal design capacity of all hazardous waste in those 77857
areas is greater than two hundred fifty thousand gallons, are not 77858
located or operated within any of the following: 77859

(i) Two thousand feet of any residence, school, hospital, 77860
jail, or prison; 77861

(ii) Any naturally occurring wetland; 77862

(iii) Any flood hazard area if the applicant cannot show that 77863
the facility will be designed, constructed, operated, and 77864
maintained to prevent washout by a one-hundred-year flood. 77865

Division (D)(2)(g) of this section does not apply to the 77866
facility of any applicant who demonstrates to the director that 77867
the limitations specified in that division are not necessary 77868
because of the nature or volume of the waste and the manner of 77869
management applied, the facility will impose no substantial danger 77870
to the health and safety of persons occupying the structures 77871
listed in division (D)(2)(g)(i) of this section, and the facility 77872
is to be located or operated in an area where the proposed 77873
hazardous waste activities will not be incompatible with existing 77874
land uses in the area. 77875

(h) That the facility will not be located within the 77876
boundaries of a state park established or dedicated under Chapter 77877
1541. of the Revised Code, a state park purchase area established 77878
under section 1541.02 of the Revised Code, any unit of the 77879
national park system, or any property that lies within the 77880
boundaries of a national park or recreation area, but that has not 77881
been acquired or is not administered by the secretary of the 77882
United States department of the interior, located in this state, 77883
or any candidate area located in this state identified for 77884
potential inclusion in the national park system in the edition of 77885
the "national park system plan" submitted under paragraph (b) of 77886
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 77887
U.S.C.A. 1a-5, as amended, current at the time of filing of the 77888
application for the permit, unless the facility will be used 77889
exclusively for the storage of hazardous waste generated within 77890
the park or recreation area in conjunction with the operation of 77891
the park or recreation area. Division (D)(2)(h) of this section 77892
does not apply to the facility of any applicant for modification 77893
of a permit unless the modification application proposes to 77894
increase the land area included in the facility or to increase the 77895
quantity of hazardous waste that will be treated, stored, or 77896
disposed of at the facility. 77897

(3) Not later than one hundred eighty days after the end of 77898
the public comment period, the director, without prior hearing, 77899
shall issue or deny the permit in accordance with Chapter 3745. of 77900
the Revised Code. If the director approves an application for a 77901
hazardous waste facility installation and operation permit, the 77902
director shall issue the permit, upon such terms and conditions as 77903
the director finds are necessary to ensure the construction and 77904
operation of the hazardous waste facility in accordance with the 77905
standards of this section. 77906

(E)÷ No political subdivision of this state shall require any 77907

additional zoning or other approval, consent, permit, certificate, 77908
or condition for the construction or operation of a hazardous 77909
waste facility authorized by a hazardous waste facility 77910
installation and operation permit issued pursuant to this chapter, 77911
nor shall any political subdivision adopt or enforce any law, 77912
ordinance, or rule that in any way alters, impairs, or limits the 77913
authority granted in the permit. 77914

(F) The director may issue a single hazardous waste facility 77915
installation and operation permit to a person who operates two or 77916
more adjoining facilities where hazardous waste is stored, 77917
treated, or disposed of if the application includes detail plans, 77918
specifications, and information on all facilities. For the 77919
purposes of this section, "adjoining" means sharing a common 77920
boundary, separated only by a public road, or in such proximity 77921
that the director determines that the issuance of a single permit 77922
will not create a hazard to the public health or safety or the 77923
environment. 77924

(G) No person shall falsify or fail to keep or submit any 77925
plans, specifications, data, reports, records, manifests, or other 77926
information required to be kept or submitted to the director by 77927
this chapter or the rules adopted under it. 77928

(H)(1) Each person who holds an installation and operation 77929
permit issued under this section and who wishes to obtain a permit 77930
renewal shall submit a completed application for an installation 77931
and operation permit renewal and any necessary accompanying 77932
general plans, detail plans, specifications, and such information 77933
as the director may require to the director no later than one 77934
hundred eighty days prior to the expiration date of the existing 77935
permit or upon a later date prior to the expiration of the 77936
existing permit if the permittee can demonstrate good cause for 77937
the late submittal. The director shall consider the application 77938
and accompanying information, inspection reports of the facility, 77939

results of performance tests, a report regarding the facility's 77940
compliance or noncompliance with the terms and conditions of its 77941
permit and rules adopted by the director under this chapter, and 77942
such other information as is relevant to the operation of the 77943
facility and shall issue a draft renewal permit or a notice of 77944
intent to deny the renewal permit. The director, in accordance 77945
with rules adopted under this section or with rules adopted to 77946
implement Chapter 3745. of the Revised Code, shall give public 77947
notice of the application and draft renewal permit or notice of 77948
intent to deny the renewal permit, provide for the opportunity for 77949
public comments within a specified time period, schedule a public 77950
meeting in the county in which the facility is located if 77951
significant interest is shown, and give public notice of the 77952
public meeting. 77953

(2) Within sixty days after the public meeting or close of 77954
the public comment period, the director, without prior hearing, 77955
shall issue or deny the renewal permit in accordance with Chapter 77956
3745. of the Revised Code. The director shall not issue a renewal 77957
permit unless the director determines that the facility under the 77958
existing permit has a history of compliance with this chapter, 77959
rules adopted under it, the existing permit, or orders entered to 77960
enforce such requirements that demonstrates sufficient 77961
reliability, expertise, and competency to operate the facility 77962
henceforth under this chapter, rules adopted under it, and the 77963
renewal permit. If the director approves an application for a 77964
renewal permit, the director shall issue the permit subject to the 77965
payment of the annual permit fee required under division (E) of 77966
section 3734.02 of the Revised Code and upon such terms and 77967
conditions as the director finds are reasonable to ensure that 77968
continued operation, maintenance, closure, and post-closure care 77969
of the hazardous waste facility are in accordance with the rules 77970
adopted under section 3734.12 of the Revised Code. 77971

(3) An installation and operation permit renewal application submitted to the director that also contains or would constitute an application for a modification shall be acted upon by the director in accordance with division (I) of this section in the same manner as an application for a modification. In approving or disapproving the renewal portion of a permit renewal application containing an application for a modification, the director shall apply the criteria established under division (H)(2) of this section.

(4) An application for renewal or modification of a permit that does not contain an application for a modification as described in divisions (I)(3)(a) to (d) of this section shall not be subject to division (D)(2) of this section.

(I)(1) As used in this section, "modification" means a change or alteration to a hazardous waste facility or its operations that is inconsistent with or not authorized by its existing permit or authorization to operate. Modifications shall be classified as Class 1, 2, or 3 modifications in accordance with rules adopted under division (K) of this section. Modifications classified as Class 3 modifications, in accordance with rules adopted under that division, shall be further classified by the director as either Class 3 modifications that are to be approved or disapproved by the director under divisions (I)(3)(a) to (d) of this section or as Class 3 modifications that are to be approved or disapproved by the director under division (I)(5) of this section. Not later than thirty days after receiving a request for a modification under division (I)(4) of this section that is not listed in Appendix I to 40 C.F.R. 270.42 or in rules adopted under division (K) of this section, the director shall classify the modification and shall notify the owner or operator of the facility requesting the modification of the classification. Notwithstanding any other law to the contrary, ~~any~~ a modification that involves the transfer of

a hazardous waste facility installation and operation permit to a new owner or operator for any off-site facility as defined in section 3734.41 of the Revised Code shall be classified as a Class 3 modification. The transfer of a hazardous waste facility installation and operation permit to a new owner or operator for a facility that is not an off-site facility shall be classified as a Class 1 modification requiring prior approval of the director.

(2) Except as provided in section 3734.123 of the Revised Code, a hazardous waste facility installation and operation permit may be modified at the request of the director or upon the written request of the permittee only if any of the following applies:

(a) The permittee desires to accomplish alterations, additions, or deletions to the permitted facility or to undertake alterations, additions, deletions, or activities that are inconsistent with or not authorized by the existing permit;

(b) New information or data justify permit conditions in addition to or different from those in the existing permit;

(c) The standards, criteria, or rules upon which the existing permit is based have been changed by new, amended, or rescinded standards, criteria, or rules, or by judicial decision after the existing permit was issued, and the change justifies permit conditions in addition to or different from those in the existing permit;

(d) The permittee proposes to transfer the permit to another person.

(3) The director shall approve or disapprove an application for a modification in accordance with division (D)(2) of this section and rules adopted under division (K) of this section for all of the following categories of Class 3 modifications:

(a) Authority to conduct treatment, storage, or disposal at a site, location, or tract of land that has not been authorized for

the proposed category of treatment, storage, or disposal activity 78035
by the facility's permit; 78036

(b) Modification or addition of a hazardous waste management 78037
unit, as defined in rules adopted under section 3734.12 of the 78038
Revised Code, that results in an increase in a facility's storage 78039
capacity of more than twenty-five per cent over the capacity 78040
authorized by the facility's permit, an increase in a facility's 78041
treatment rate of more than twenty-five per cent over the rate so 78042
authorized, or an increase in a facility's disposal capacity over 78043
the capacity so authorized. The authorized disposal capacity for a 78044
facility shall be calculated from the approved design plans for 78045
the disposal units at that facility. In no case during a five-year 78046
period shall a facility's storage capacity or treatment rate be 78047
modified to increase by more than twenty-five per cent in the 78048
aggregate without the director's approval in accordance with 78049
division (D)(2) of this section. Notwithstanding any provision of 78050
division (I) of this section to the contrary, a request for 78051
modification of a facility's annual total waste receipt limit 78052
shall be classified and approved or disapproved by the director 78053
under division (I)(5) of this section. 78054

(c) Authority to add any of the following categories of 78055

previously authorized to treat hazardous waste, or disposal at a 78059
facility not previously authorized to dispose of hazardous waste; 78060
or authority to add a category of hazardous waste management unit 78061
not previously authorized at the facility by the facility's 78062

or explosive wastes, or for listing as acute hazardous waste, but 78077
still are required to carry those waste codes as established in 78078
rules adopted under section 3734.12 of the Revised Code because of 78079
the requirements established in 40 C.F.R. 261(a) and (e), as 78080

divisions (A)(6) and (7) of this section, ~~except that. However,~~ 78474
rules adopted by a board under division (C)(1) of this section may 78475
be adopted and enforced with respect to solid waste disposal 78476

facilities in the solid waste management district that are not 78477
owned by a county or the solid waste management district only if 78478
the board submits an application to the director of environmental 78479
protection that demonstrates that there is insufficient capacity 78480
to dispose of all solid wastes that are generated within the 78481
district at the solid waste disposal facilities located within the 78482
district and the director approves the application. The 78483
demonstration in the application shall be based on projections 78484
contained in the plan or amended plan of the district. The 78485
director shall establish the form of the application. The approval 78486
or disapproval of such an application by the director is an action 78487
that is appealable under section 3745.04 of the Revised Code. 78488

78489

In addition, the director of environmental protection may 78490
issue an order modifying a rule authorized to be adopted under 78491
division (C)(1) of this section to allow the disposal in the 78492
district of wastes from another county or joint solid waste 78493
management district if all of the following apply: 78494

(a) The district in which the wastes were generated does not 78495
have sufficient capacity to dispose of solid wastes generated 78496
within it for six months following the date of the director's 78497
order; 78498

(b) No new solid waste facilities will begin operation during 78499
those six months in the district in which the wastes were 78500
generated and, despite good faith efforts to do so, it is 78501
impossible to site new solid waste facilities within the district 78502
because of its high population density; 78503

(c) The district in which the wastes were generated has made 78504
good faith efforts to negotiate with other districts to 78505
incorporate its disposal needs within those districts' solid waste 78506
management plans, including efforts to develop joint facilities 78507
authorized under section 343.02 of the Revised Code, and the 78508

efforts have been unsuccessful; 78509

(d) The district in which the wastes were generated has 78510
located a facility willing to accept the district's solid wastes 78511
for disposal within the receiving district; 78512

(e) The district in which the wastes were generated has 78513
demonstrated to the director that the conditions specified in 78514
divisions (C)(1)(a) to (d) of this section have been met; 78515

(f) The director finds that the issuance of the order will be 78516
consistent with the state solid waste management plan and that 78517
receipt of the out-of-district wastes will not limit the capacity 78518
of the receiving district to dispose of its in-district wastes to 78519
less than eight years. Any order issued under division (C)(1) of 78520
this section shall not become final until thirty days after it has 78521
been served by certified mail upon the county or joint solid waste 78522
management district that will receive the out-of-district wastes. 78523

(2) Governing the maintenance, protection, and use of solid 78524
waste collection, storage, disposal, transfer, recycling, 78525
processing, and resource recovery facilities within the district 78526
and requiring the submission of general plans and specifications 78527
for the construction, enlargement, or modification of any such 78528
facility to the board of county commissioners or board of 78529
directors of the district for review and approval as complying 78530
with the plan or amended plan of the district; 78531

(3) Governing development and implementation of a program for 78532
the inspection of solid wastes generated outside the boundaries of 78533
the state that are being disposed of at solid waste facilities 78534
included in the district's plan; 78535

(4) Exempting the owner or operator of any existing or 78536
proposed solid waste facility provided for in the plan from 78537
compliance with any amendment to a township zoning resolution 78538
adopted under section 519.12 of the Revised Code or to a county 78539

rural zoning resolution adopted under section 303.12 of the Revised Code that rezoned or redistricted the parcel or parcels upon which the facility is to be constructed or modified and that became effective within two years prior to the filing of an application for a permit required under division (A)(2)(a) of section 3734.05 of the Revised Code to open a new or modify an existing solid waste facility.

(D) Except for the inventories required by divisions (A)(1), (2), and (4) of this section and the projections required by division (A)(6) of this section, neither this section nor the solid waste management plan of a county or joint district applies to the construction, operation, use, repair, or maintenance of either of the following:

(1) A solid waste facility owned by a generator of solid wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

(2) A facility that exclusively disposes of wastes that are generated from the combustion of coal, or from the combustion of primarily coal in combination with scrap tires, that is not combined in any way with garbage at one or more premises owned by the generator.

(E)(1) The initial solid waste management plans prepared by county or joint districts under section 3734.521 of the Revised Code and the amended plans prepared under section 3734.521 or 3734.56 of the Revised Code shall contain a clear statement as to whether the board of county commissioners or directors is authorized to or precluded from establishing facility designations under section 343.014 of the Revised Code.

(2) A policy committee that is preparing a draft or revised

draft plan under section 3734.55 of the Revised Code on October 78571
29, 1993, may include in the draft or revised draft plan only one 78572
of the following pertaining to the solid waste facilities or 78573
recycling activities where solid wastes generated within or 78574
transported into the district are to be taken for disposal, 78575
transfer, resource recovery, or recycling: 78576

(a) The designations required under former division 78577
(A)(12)(a) of this section as it existed prior to October 29, 78578
1993; 78579

(b) The identifications required in division (A)(12)(a) of 78580
this section and the statement required under division (E)(1) of 78581
this section; 78582

(c) Both of the following: 78583

(i) The designations required under former division 78584
(A)(12)(a) of this section as it existed prior to October 29, 78585
1993, except that those designations only shall pertain to solid 78586
waste disposal, transfer, or resource recovery facilities or 78587
recycling activities that are owned by a municipal corporation, 78588
county, county or joint solid waste management district, township, 78589
or township waste disposal district created under section 505.28 78590
of the Revised Code for which debt issued under Chapter 133., 78591
343., or 6123. of the Revised Code is outstanding; 78592

(ii) The identifications required under division (A)(12)(a) 78593
of this section, and the statement required under division (E)(1) 78594
of this section, pertaining to the solid waste facilities and 78595
recycling activities described in division (A) of section 343.014 78596
of the Revised Code. 78597

(F) Notwithstanding section 3734.01 of the Revised Code, 78598
"solid wastes" does not include scrap tires and "facility" does 78599
not include any scrap tire collection, storage, monocell, 78600
monofill, or recovery facility in either of the following 78601

circumstances: 78602

(1) For the purposes of an initial plan prepared and ordered 78603
to be implemented by the director under section 3734.55 of the 78604
Revised Code; 78605

(2) For the purposes of an initial or amended plan prepared 78606
and ordered to be implemented by the director under division (D) 78607
or (F)(1) or (2) of section 3734.521 of the Revised Code in 78608
connection with a change in district composition as defined in 78609
that section that involves an existing district that is operating 78610
under either an initial plan approved or prepared and ordered to 78611
be implemented under section 3734.55 of the Revised Code or an 78612
initial or amended plan approved or prepared and ordered to be 78613
implemented under section 3734.521 of the Revised Code that does 78614
not provide for the management of scrap tires and scrap tire 78615
facilities. 78616

(G) Notwithstanding section 3734.01 of the Revised Code, and 78617
except as provided in division (A)(4) of this section, "solid 78618
wastes" need not include scrap tires and "facility" need not 78619
include any scrap tire collection, storage, monocell, monofill, or 78620
recovery facility in either of the following circumstances: 78621

(1) For the purposes of an initial plan prepared under 78622
sections 3734.54 and 3734.55 of the Revised Code unless the solid 78623
waste management policy committee preparing the initial plan 78624
chooses to include the management of scrap tires and scrap tire 78625
facilities in the plan; 78626

(2) For the purposes of a preliminary demonstration of 78627
capacity as defined in section 3734.521 of the Revised Code, if 78628
any, and an initial or amended plan prepared under that section by 78629
the solid waste management policy committee of a solid waste 78630
management district resulting from proceedings for a change in 78631
district composition under sections 343.012 and 3734.521 of the 78632

Revised Code that involves an existing district that is operating 78633
either under an initial plan approved or prepared and ordered to 78634
be implemented under section 3734.55 of the Revised Code or under 78635
an initial or amended plan approved or prepared and ordered to be 78636
implemented under section 3734.521 of the Revised Code that does 78637
not provide for the management of scrap tires and scrap tire 78638
facilities unless the solid waste management policy committee of 78639
the district resulting from the change chooses to include the 78640
management of scrap tires and scrap tire facilities in the 78641
preliminary demonstration of capacity, if any, and the initial or 78642
amended plan prepared under section 3734.521 of the Revised Code 78643
in connection with the change proceedings. 78644

If a policy committee chooses to include the management of 78645
scrap tires and scrap tire facilities in an initial plan pursuant 78646
to division (G)(1) of this section, the initial plan shall 78647
incorporate all of the elements required under this section, and 78648
may incorporate any of the elements authorized under this section, 78649
for the purpose of managing solid wastes that consist of scrap 78650
tires and solid waste facilities that are scrap tire collection, 78651
storage, monocell, monofill, or recovery facilities. If a policy 78652
committee chooses to provide for the management of scrap tires and 78653
scrap tire facilities pursuant to division (G)(2) of this section, 78654
the preliminary demonstration of capacity, if one is required, 78655
shall incorporate all of the elements required under division 78656
(E)(1) or (2) of section 3734.521 of the Revised Code, as 78657
appropriate, for the purpose of managing solid wastes that consist 78658
of scrap tires and solid waste facilities that are scrap tire 78659
collection, storage, monocell, monofill, or recovery facilities. 78660
The initial or amended plan also shall incorporate all of the 78661
elements required under this section, and may incorporate any of 78662
the elements authorized under this section, for the purpose of 78663
managing solid wastes that consist of scrap tires and solid waste 78664
facilities that are scrap tire collection, storage, monocell, 78665

monofill, or recovery facilities. 78666

(H) Neither this section nor the solid waste management plan 78667
of a county or joint district applies to the construction, 78668
operation, use, repair, or maintenance of any compost facility 78669
that exclusively composts raw rendering material. 78670

Sec. 3734.57. (A) The following fees are hereby levied on the 78671
transfer or disposal of solid wastes in this state: 78672

(1) One dollar per ton on and after July 1, 2003, through 78673
June 30, ~~2010~~ 2012, one-half of the proceeds of which shall be 78674
deposited in the state treasury to the credit of the hazardous 78675
waste facility management fund created in section 3734.18 of the 78676
Revised Code and one-half of the proceeds of which shall be 78677
deposited in the state treasury to the credit of the hazardous 78678
waste clean-up fund created in section 3734.28 of the Revised 78679
Code; 78680

(2) An additional one dollar per ton on and after July 1, 78681
2003, through June 30, ~~2010~~ 2012, the proceeds of which shall be 78682
deposited in the state treasury to the credit of the solid waste 78683
fund, which is hereby created. The environmental protection agency 78684
shall use money in the solid waste fund to pay the costs of 78685
administering and enforcing the laws pertaining to solid wastes, 78686
infectious wastes, and construction and demolition debris, 78687
including, without limitation, ground water evaluations related to 78688
solid wastes, infectious wastes, and construction and demolition 78689
debris, under this chapter and Chapter 3714. of the Revised Code 78690
and any rules adopted under them, providing compliance assistance 78691
to small businesses, and paying a share of the administrative 78692
costs of the environmental protection agency pursuant to section 78693
3745.014 of the Revised Code. 78694

(3) An additional one dollar and fifty cents per ton on and 78695
after July 1, 2005, through June 30, ~~2010~~ 2012, the proceeds of 78696

which shall be deposited in the state treasury to the credit of 78697
the environmental protection fund created in section 3745.015 of 78698
the Revised Code; 78699

(4) An additional one dollar per ton on and after August 1, 78700
2009, through June 30, 2012, the proceeds of which shall be 78701
deposited in the state treasury to the credit of the environmental 78702
protection fund. The fee established in division (A)(4) of this 78703
section does not apply to a solid waste transfer facility or solid 78704
waste disposal facility if the facility is located in a county 78705
that has a population equal to or greater than four hundred 78706
thousand according to the most recent decennial federal census and 78707
the property boundary of the facility is located within fifteen 78708
miles of the property boundary of a solid waste disposal facility 78709
in another state. 78710

(5) An additional twenty-five cents per ton on and after 78711
August 1, 2009, through June 30, 2012, the proceeds of which shall 78712
be deposited in the state treasury to the credit of the soil and 78713
water conservation district assistance fund created in section 78714
1515.14 of the Revised Code. The fee established in division 78715
(A)(5) of this section does not apply to a solid waste transfer 78716
facility or solid waste disposal facility if the facility is 78717
located in a county that has a population equal to or greater than 78718
four hundred thousand according to the most recent decennial 78719
federal census and the property boundary of the facility is 78720
located within fifteen miles of the property boundary of a solid 78721
waste disposal facility in another state. 78722

In the case of solid wastes that are taken to a solid waste 78723
transfer facility located in this state prior to being transported 78724
for disposal at a solid waste disposal facility located in this 78725
state or outside of this state, the fees levied under this 78726
division shall be collected by the owner or operator of the 78727
transfer facility as a trustee for the state. The amount of fees 78728

required to be collected under this division at such a transfer 78729
facility shall equal the total tonnage of solid wastes received at 78730
the facility multiplied by the fees levied under this division. In 78731
the case of solid wastes that are not taken to a solid waste 78732
transfer facility located in this state prior to being transported 78733
to a solid waste disposal facility, the fees shall be collected by 78734
the owner or operator of the solid waste disposal facility as a 78735
trustee for the state. The amount of fees required to be collected 78736
under this division at such a disposal facility shall equal the 78737
total tonnage of solid wastes received at the facility that was 78738
not previously taken to a solid waste transfer facility located in 78739
this state multiplied by the fees levied under this division. Fees 78740
levied under this division do not apply to materials separated 78741
from a mixed waste stream for recycling by a generator or 78742
materials removed from the solid waste stream through recycling, 78743
as "recycling" is defined in rules adopted under section 3734.02 78744
of the Revised Code. 78745

The owner or operator of a solid waste transfer facility or 78746
disposal facility, as applicable, shall prepare and file with the 78747
director of environmental protection each month a return 78748
indicating the total tonnage of solid wastes received at the 78749
facility during that month and the total amount of the fees 78750
required to be collected under this division during that month. In 78751
addition, the owner or operator of a solid waste disposal facility 78752
shall indicate on the return the total tonnage of solid wastes 78753
received from transfer facilities located in this state during 78754
that month for which the fees were required to be collected by the 78755
transfer facilities. The monthly returns shall be filed on a form 78756
prescribed by the director. Not later than thirty days after the 78757
last day of the month to which a return applies, the owner or 78758
operator shall mail to the director the return for that month 78759
together with the fees required to be collected under this 78760
division during that month as indicated on the return or may 78761

submit the return and fees electronically in a manner approved by 78762
the director. If the return is filed and the amount of the fees 78763
due is paid in a timely manner as required in this division, the 78764
owner or operator may retain a discount of three-fourths of one 78765
per cent of the total amount of the fees that are required to be 78766
paid as indicated on the return. 78767

The owner or operator may request an extension of not more 78768
than thirty days for filing the return and remitting the fees, 78769
provided that the owner or operator has submitted such a request 78770
in writing to the director together with a detailed description of 78771
why the extension is requested, the director has received the 78772
request not later than the day on which the return is required to 78773
be filed, and the director has approved the request. If the fees 78774
are not remitted within thirty days after the last day of the 78775
month to which the return applies or are not remitted by the last 78776
day of an extension approved by the director, the owner or 78777
operator shall not retain the three-fourths of one per cent 78778
discount and shall pay an additional ten per cent of the amount of 78779
the fees for each month that they are late. For purposes of 78780
calculating the late fee, the first month in which fees are late 78781
begins on the first day after the deadline has passed for timely 78782
submitting the return and fees, and one additional month shall be 78783
counted every thirty days thereafter. 78784

The owner or operator of a solid waste facility may request a 78785
refund or credit of fees levied under this division and remitted 78786
to the director that have not been paid to the owner or operator. 78787
Such a request shall be made only if the fees have not been 78788
collected by the owner or operator, have become a debt that has 78789
become worthless or uncollectable for a period of six months or 78790
more, and may be claimed as a deduction, including a deduction 78791
claimed if the owner or operator keeps accounts on an accrual 78792
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 78793

U.S.C. 166, as amended, and regulations adopted under it. Prior to 78794
making a request for a refund or credit, an owner or operator 78795
shall make reasonable efforts to collect the applicable fees. A 78796
request for a refund or credit shall not include any costs 78797
resulting from those efforts to collect unpaid fees. 78798

A request for a refund or credit of fees shall be made in 78799
writing, on a form prescribed by the director, and shall be 78800
supported by evidence that may be required in rules adopted by the 78801
director under this chapter. After reviewing the request, and if 78802
the request and evidence submitted with the request indicate that 78803
a refund or credit is warranted, the director shall grant a refund 78804
to the owner or operator or shall permit a credit to be taken by 78805
the owner or operator on a subsequent monthly return submitted by 78806
the owner or operator. The amount of a refund or credit shall not 78807
exceed an amount that is equal to ninety days' worth of fees owed 78808
to an owner or operator by a particular debtor of the owner or 78809
operator. A refund or credit shall not be granted by the director 78810
to an owner or operator more than once in any twelve-month period 78811
for fees owed to the owner or operator by a particular debtor. 78812

If, after receiving a refund or credit from the director, an 78813
owner or operator receives payment of all or part of the fees, the 78814
owner or operator shall remit the fees with the next monthly 78815
return submitted to the director together with a written 78816
explanation of the reason for the submittal. 78817

For purposes of computing the fees levied under this division 78818
or division (B) of this section, any solid waste transfer or 78819
disposal facility that does not use scales as a means of 78820
determining gate receipts shall use a conversion factor of three 78821
cubic yards per ton of solid waste or one cubic yard per ton for 78822
baled waste, as applicable. 78823

The fees levied under this division and divisions (B) and (C) 78824
of this section are in addition to all other applicable fees and 78825

taxes and shall be paid by the customer or a political subdivision 78826
to the owner or operator of a solid waste transfer or disposal 78827
facility. In the alternative, the fees shall be paid by a customer 78828
or political subdivision to a transporter of waste who 78829
subsequently transfers the fees to the owner or operator of such a 78830
facility. The fees shall be paid notwithstanding the existence of 78831
any provision in a contract that the customer or a political 78832
subdivision may have with the owner or operator or with a 78833
transporter of waste to the facility that would not require or 78834
allow such payment regardless of whether the contract was entered 78835
prior to or after the effective date of this amendment. For those 78836
purposes, "customer" means a person who contracts with, or 78837
utilizes the solid waste services of, the owner or operator of a 78838
solid waste transfer or disposal facility or a transporter of 78839
solid waste to such a facility. 78840

(B) For the purposes specified in division (G) of this 78841
section, the solid waste management policy committee of a county 78842
or joint solid waste management district may levy fees upon the 78843
following activities: 78844

(1) The disposal at a solid waste disposal facility located 78845
in the district of solid wastes generated within the district; 78846

(2) The disposal at a solid waste disposal facility within 78847
the district of solid wastes generated outside the boundaries of 78848
the district, but inside this state; 78849

(3) The disposal at a solid waste disposal facility within 78850
the district of solid wastes generated outside the boundaries of 78851
this state. 78852

The solid waste management plan of the county or joint 78853
district approved under section 3734.521 or 3734.55 of the Revised 78854
Code and any amendments to it, or the resolution adopted under 78855
this division, as appropriate, shall establish the rates of the 78856

fees levied under divisions (B)(1), (2), and (3) of this section, 78857
if any, and shall specify whether the fees are levied on the basis 78858
of tons or cubic yards as the unit of measurement. A solid waste 78859
management district that levies fees under this division on the 78860
basis of cubic yards shall do so in accordance with division (A) 78861
of this section. 78862

The fee levied under division (B)(1) of this section shall be 78863
not less than one dollar per ton nor more than two dollars per 78864
ton, the fee levied under division (B)(2) of this section shall be 78865
not less than two dollars per ton nor more than four dollars per 78866
ton, and the fee levied under division (B)(3) of this section 78867
shall be not more than the fee levied under division (B)(1) of 78868
this section. 78869

Prior to the approval of the solid waste management plan of a 78870
district under section 3734.55 of the Revised Code, the solid 78871
waste management policy committee of a district may levy fees 78872
under this division by adopting a resolution establishing the 78873
proposed amount of the fees. Upon adopting the resolution, the 78874
committee shall deliver a copy of the resolution to the board of 78875
county commissioners of each county forming the district and to 78876
the legislative authority of each municipal corporation and 78877
township under the jurisdiction of the district and shall prepare 78878
and publish the resolution and a notice of the time and location 78879
where a public hearing on the fees will be held. Upon adopting the 78880
resolution, the committee shall deliver written notice of the 78881
adoption of the resolution; of the amount of the proposed fees; 78882
and of the date, time, and location of the public hearing to the 78883
director and to the fifty industrial, commercial, or institutional 78884
generators of solid wastes within the district that generate the 78885
largest quantities of solid wastes, as determined by the 78886
committee, and to their local trade associations. The committee 78887
shall make good faith efforts to identify those generators within 78888

the district and their local trade associations, but the 78889
nonprovision of notice under this division to a particular 78890
generator or local trade association does not invalidate the 78891
proceedings under this division. The publication shall occur at 78892
least thirty days before the hearing. After the hearing, the 78893
committee may make such revisions to the proposed fees as it 78894
considers appropriate and thereafter, by resolution, shall adopt 78895
the revised fee schedule. Upon adopting the revised fee schedule, 78896
the committee shall deliver a copy of the resolution doing so to 78897
the board of county commissioners of each county forming the 78898
district and to the legislative authority of each municipal 78899
corporation and township under the jurisdiction of the district. 78900
Within sixty days after the delivery of a copy of the resolution 78901
adopting the proposed revised fees by the policy committee, each 78902
such board and legislative authority, by ordinance or resolution, 78903
shall approve or disapprove the revised fees and deliver a copy of 78904
the ordinance or resolution to the committee. If any such board or 78905
legislative authority fails to adopt and deliver to the policy 78906
committee an ordinance or resolution approving or disapproving the 78907
revised fees within sixty days after the policy committee 78908
delivered its resolution adopting the proposed revised fees, it 78909
shall be conclusively presumed that the board or legislative 78910
authority has approved the proposed revised fees. The committee 78911
shall determine if the resolution has been ratified in the same 78912
manner in which it determines if a draft solid waste management 78913
plan has been ratified under division (B) of section 3734.55 of 78914
the Revised Code. 78915

The committee may amend the schedule of fees levied pursuant 78916
to a resolution adopted and ratified under this division by 78917
adopting a resolution establishing the proposed amount of the 78918
amended fees. The committee may repeal the fees levied pursuant to 78919
such a resolution by adopting a resolution proposing to repeal 78920
them. Upon adopting such a resolution, the committee shall proceed 78921

to obtain ratification of the resolution in accordance with this 78922
division. 78923

Not later than fourteen days after declaring the new fees to 78924
be ratified or the fees to be repealed under this division, the 78925
committee shall notify by certified mail the owner or operator of 78926
each solid waste disposal facility that is required to collect the 78927
fees of the ratification and the amount of the fees or of the 78928
repeal of the fees. Collection of any fees shall commence or 78929
collection of repealed fees shall cease on the first day of the 78930
second month following the month in which notification is sent to 78931
the owner or operator. 78932

Fees levied under this division also may be established, 78933
amended, or repealed by a solid waste management policy committee 78934
through the adoption of a new district solid waste management 78935
plan, the adoption of an amended plan, or the amendment of the 78936
plan or amended plan in accordance with sections 3734.55 and 78937
3734.56 of the Revised Code or the adoption or amendment of a 78938
district plan in connection with a change in district composition 78939
under section 3734.521 of the Revised Code. 78940

Not later than fourteen days after the director issues an 78941
order approving a district's solid waste management plan, amended 78942
plan, or amendment to a plan or amended plan that establishes, 78943
amends, or repeals a schedule of fees levied by the district, the 78944
committee shall notify by certified mail the owner or operator of 78945
each solid waste disposal facility that is required to collect the 78946
fees of the approval of the plan or amended plan, or the amendment 78947
to the plan, as appropriate, and the amount of the fees, if any. 78948
In the case of an initial or amended plan approved under section 78949
3734.521 of the Revised Code in connection with a change in 78950
district composition, other than one involving the withdrawal of a 78951
county from a joint district, the committee, within fourteen days 78952
after the change takes effect pursuant to division (G) of that 78953

section, shall notify by certified mail the owner or operator of 78954
each solid waste disposal facility that is required to collect the 78955
fees that the change has taken effect and of the amount of the 78956
fees, if any. Collection of any fees shall commence or collection 78957
of repealed fees shall cease on the first day of the second month 78958
following the month in which notification is sent to the owner or 78959
operator. 78960

If, in the case of a change in district composition involving 78961
the withdrawal of a county from a joint district, the director 78962
completes the actions required under division (G)(1) or (3) of 78963
section 3734.521 of the Revised Code, as appropriate, forty-five 78964
days or more before the beginning of a calendar year, the policy 78965
committee of each of the districts resulting from the change that 78966
obtained the director's approval of an initial or amended plan in 78967
connection with the change, within fourteen days after the 78968
director's completion of the required actions, shall notify by 78969
certified mail the owner or operator of each solid waste disposal 78970
facility that is required to collect the district's fees that the 78971
change is to take effect on the first day of January immediately 78972
following the issuance of the notice and of the amount of the fees 78973
or amended fees levied under divisions (B)(1) to (3) of this 78974
section pursuant to the district's initial or amended plan as so 78975
approved or, if appropriate, the repeal of the district's fees by 78976
that initial or amended plan. Collection of any fees set forth in 78977
such a plan or amended plan shall commence on the first day of 78978
January immediately following the issuance of the notice. If such 78979
an initial or amended plan repeals a schedule of fees, collection 78980
of the fees shall cease on that first day of January. 78981

If, in the case of a change in district composition involving 78982
the withdrawal of a county from a joint district, the director 78983
completes the actions required under division (G)(1) or (3) of 78984
section 3734.521 of the Revised Code, as appropriate, less than 78985

forty-five days before the beginning of a calendar year, the 78986
director, on behalf of each of the districts resulting from the 78987
change that obtained the director's approval of an initial or 78988
amended plan in connection with the change proceedings, shall 78989
notify by certified mail the owner or operator of each solid waste 78990
disposal facility that is required to collect the district's fees 78991
that the change is to take effect on the first day of January 78992
immediately following the mailing of the notice and of the amount 78993
of the fees or amended fees levied under divisions (B)(1) to (3) 78994
of this section pursuant to the district's initial or amended plan 78995
as so approved or, if appropriate, the repeal of the district's 78996
fees by that initial or amended plan. Collection of any fees set 78997
forth in such a plan or amended plan shall commence on the first 78998
day of the second month following the month in which notification 78999
is sent to the owner or operator. If such an initial or amended 79000
plan repeals a schedule of fees, collection of the fees shall 79001
cease on the first day of the second month following the month in 79002
which notification is sent to the owner or operator. 79003

If the schedule of fees that a solid waste management 79004
district is levying under divisions (B)(1) to (3) of this section 79005
is amended or repealed, the fees in effect immediately prior to 79006
the amendment or repeal shall continue to be collected until 79007
collection of the amended fees commences or collection of the 79008
repealed fees ceases, as applicable, as specified in this 79009
division. In the case of a change in district composition, money 79010
so received from the collection of the fees of the former 79011
districts shall be divided among the resulting districts in 79012
accordance with division (B) of section 343.012 of the Revised 79013
Code and the agreements entered into under division (B) of section 79014
343.01 of the Revised Code to establish the former and resulting 79015
districts and any amendments to those agreements. 79016

For the purposes of the provisions of division (B) of this 79017

section establishing the times when newly established or amended 79018
fees levied by a district are required to commence and the 79019
collection of fees that have been amended or repealed is required 79020
to cease, "fees" or "schedule of fees" includes, in addition to 79021
fees levied under divisions (B)(1) to (3) of this section, those 79022
levied under section 3734.573 or 3734.574 of the Revised Code. 79023

(C) For the purposes of defraying the added costs to a 79024
municipal corporation or township of maintaining roads and other 79025
public facilities and of providing emergency and other public 79026
services, and compensating a municipal corporation or township for 79027
reductions in real property tax revenues due to reductions in real 79028
property valuations resulting from the location and operation of a 79029
solid waste disposal facility within the municipal corporation or 79030
township, a municipal corporation or township in which such a 79031
solid waste disposal facility is located may levy a fee of not 79032
more than twenty-five cents per ton on the disposal of solid 79033
wastes at a solid waste disposal facility located within the 79034
boundaries of the municipal corporation or township regardless of 79035
where the wastes were generated. 79036

The legislative authority of a municipal corporation or 79037
township may levy fees under this division by enacting an 79038
ordinance or adopting a resolution establishing the amount of the 79039
fees. Upon so doing the legislative authority shall mail a 79040
certified copy of the ordinance or resolution to the board of 79041
county commissioners or directors of the county or joint solid 79042
waste management district in which the municipal corporation or 79043
township is located or, if a regional solid waste management 79044
authority has been formed under section 343.011 of the Revised 79045
Code, to the board of trustees of that regional authority, the 79046
owner or operator of each solid waste disposal facility in the 79047
municipal corporation or township that is required to collect the 79048
fee by the ordinance or resolution, and the director of 79049

environmental protection. Although the fees levied under this 79050
division are levied on the basis of tons as the unit of 79051
measurement, the legislative authority, in its ordinance or 79052
resolution levying the fees under this division, may direct that 79053
the fees be levied on the basis of cubic yards as the unit of 79054
measurement based upon a conversion factor of three cubic yards 79055
per ton generally or one cubic yard per ton for baled wastes. 79056

Not later than five days after enacting an ordinance or 79057
adopting a resolution under this division, the legislative 79058
authority shall so notify by certified mail the owner or operator 79059
of each solid waste disposal facility that is required to collect 79060
the fee. Collection of any fee levied on or after March 24, 1992, 79061
shall commence on the first day of the second month following the 79062
month in which notification is sent to the owner or operator. 79063

(D)(1) The fees levied under divisions (A), (B), and (C) of 79064
this section do not apply to the disposal of solid wastes that: 79065

(a) Are disposed of at a facility owned by the generator of 79066
the wastes when the solid waste facility exclusively disposes of 79067
solid wastes generated at one or more premises owned by the 79068
generator regardless of whether the facility is located on a 79069
premises where the wastes are generated; 79070

(b) Are disposed of at facilities that exclusively dispose of 79071
wastes that are generated from the combustion of coal, or from the 79072
combustion of primarily coal in combination with scrap tires, that 79073
is not combined in any way with garbage at one or more premises 79074
owned by the generator. 79075

(2) Except as provided in section 3734.571 of the Revised 79076
Code, any fees levied under division (B)(1) of this section apply 79077
to solid wastes originating outside the boundaries of a county or 79078
joint district that are covered by an agreement for the joint use 79079
of solid waste facilities entered into under section 343.02 of the 79080

Revised Code by the board of county commissioners or board of 79081
directors of the county or joint district where the wastes are 79082
generated and disposed of. 79083

(3) When solid wastes, other than solid wastes that consist 79084
of scrap tires, are burned in a disposal facility that is an 79085
incinerator or energy recovery facility, the fees levied under 79086
divisions (A), (B), and (C) of this section shall be levied upon 79087
the disposal of the fly ash and bottom ash remaining after burning 79088
of the solid wastes and shall be collected by the owner or 79089
operator of the sanitary landfill where the ash is disposed of. 79090

(4) When solid wastes are delivered to a solid waste transfer 79091
facility, the fees levied under divisions (B) and (C) of this 79092
section shall be levied upon the disposal of solid wastes 79093
transported off the premises of the transfer facility for disposal 79094
and shall be collected by the owner or operator of the solid waste 79095
disposal facility where the wastes are disposed of. 79096

(5) The fees levied under divisions (A), (B), and (C) of this 79097
section do not apply to sewage sludge that is generated by a waste 79098
water treatment facility holding a national pollutant discharge 79099
elimination system permit and that is disposed of through 79100
incineration, land application, or composting or at another 79101
resource recovery or disposal facility that is not a landfill. 79102

(6) The fees levied under divisions (A), (B), and (C) of this 79103
section do not apply to solid wastes delivered to a solid waste 79104
composting facility for processing. When any unprocessed solid 79105
waste or compost product is transported off the premises of a 79106
composting facility and disposed of at a landfill, the fees levied 79107
under divisions (A), (B), and (C) of this section shall be 79108
collected by the owner or operator of the landfill where the 79109
unprocessed waste or compost product is disposed of. 79110

(7) When solid wastes that consist of scrap tires are 79111

processed at a scrap tire recovery facility, the fees levied under 79112
divisions (A), (B), and (C) of this section shall be levied upon 79113
the disposal of the fly ash and bottom ash or other solid wastes 79114
remaining after the processing of the scrap tires and shall be 79115
collected by the owner or operator of the solid waste disposal 79116
facility where the ash or other solid wastes are disposed of. 79117

(8) The director of environmental protection may issue an 79118
order exempting from the fees levied under this section solid 79119
wastes, including, but not limited to, scrap tires, that are 79120
generated, transferred, or disposed of as a result of a contract 79121
providing for the expenditure of public funds entered into by the 79122
administrator or regional administrator of the United States 79123
environmental protection agency, the director of environmental 79124
protection, or the director of administrative services on behalf 79125
of the director of environmental protection for the purpose of 79126
remediating conditions at a hazardous waste facility, solid waste 79127
facility, or other location at which the administrator or regional 79128
administrator or the director of environmental protection has 79129
reason to believe that there is a substantial threat to public 79130
health or safety or the environment or that the conditions are 79131
causing or contributing to air or water pollution or soil 79132
contamination. An order issued by the director of environmental 79133
protection under division (D)(8) of this section shall include a 79134
determination that the amount of the fees not received by a solid 79135
waste management district as a result of the order will not 79136
adversely impact the implementation and financing of the 79137
district's approved solid waste management plan and any approved 79138
amendments to the plan. Such an order is a final action of the 79139
director of environmental protection. 79140

(E) The fees levied under divisions (B) and (C) of this 79141
section shall be collected by the owner or operator of the solid 79142
waste disposal facility where the wastes are disposed of as a 79143

trustee for the county or joint district and municipal corporation 79144
or township where the wastes are disposed of. Moneys from the fees 79145
levied under division (B) of this section shall be forwarded to 79146
the board of county commissioners or board of directors of the 79147
district in accordance with rules adopted under division (H) of 79148
this section. Moneys from the fees levied under division (C) of 79149
this section shall be forwarded to the treasurer or such other 79150
officer of the municipal corporation as, by virtue of the charter, 79151
has the duties of the treasurer or to the fiscal officer of the 79152
township, as appropriate, in accordance with those rules. 79153

(F) Moneys received by the treasurer or other officer of the 79154
municipal corporation under division (E) of this section shall be 79155
paid into the general fund of the municipal corporation. Moneys 79156
received by the fiscal officer of the township under that division 79157
shall be paid into the general fund of the township. The treasurer 79158
or other officer of the municipal corporation or the township 79159
fiscal officer, as appropriate, shall maintain separate records of 79160
the moneys received from the fees levied under division (C) of 79161
this section. 79162

(G) Moneys received by the board of county commissioners or 79163
board of directors under division (E) of this section or section 79164
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 79165
shall be paid to the county treasurer, or other official acting in 79166
a similar capacity under a county charter, in a county district or 79167
to the county treasurer or other official designated by the board 79168
of directors in a joint district and kept in a separate and 79169
distinct fund to the credit of the district. If a regional solid 79170
waste management authority has been formed under section 343.011 79171
of the Revised Code, moneys received by the board of trustees of 79172
that regional authority under division (E) of this section shall 79173
be kept by the board in a separate and distinct fund to the credit 79174
of the district. Moneys in the special fund of the county or joint 79175

district arising from the fees levied under division (B) of this 79176
section and the fee levied under division (A) of section 3734.573 79177
of the Revised Code shall be expended by the board of county 79178
commissioners or directors of the district in accordance with the 79179
district's solid waste management plan or amended plan approved 79180
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 79181
exclusively for the following purposes: 79182

(1) Preparation of the solid waste management plan of the 79183
district under section 3734.54 of the Revised Code, monitoring 79184
implementation of the plan, and conducting the periodic review and 79185
amendment of the plan required by section 3734.56 of the Revised 79186
Code by the solid waste management policy committee; 79187

(2) Implementation of the approved solid waste management 79188
plan or amended plan of the district, including, without 79189
limitation, the development and implementation of solid waste 79190
recycling or reduction programs; 79191

(3) Providing financial assistance to boards of health within 79192
the district, if solid waste facilities are located within the 79193
district, for enforcement of this chapter and rules, orders, and 79194
terms and conditions of permits, licenses, and variances adopted 79195
or issued under it, other than the hazardous waste provisions of 79196
this chapter and rules adopted and orders and terms and conditions 79197
of permits issued under those provisions; 79198

(4) Providing financial assistance to each county within the 79199
district to defray the added costs of maintaining roads and other 79200
public facilities and of providing emergency and other public 79201
services resulting from the location and operation of a solid 79202
waste facility within the county under the district's approved 79203
solid waste management plan or amended plan; 79204

(5) Pursuant to contracts entered into with boards of health 79205
within the district, if solid waste facilities contained in the 79206

district's approved plan or amended plan are located within the 79207
district, for paying the costs incurred by those boards of health 79208
for collecting and analyzing samples from public or private water 79209
wells on lands adjacent to those facilities; 79210

(6) Developing and implementing a program for the inspection 79211
of solid wastes generated outside the boundaries of this state 79212
that are disposed of at solid waste facilities included in the 79213
district's approved solid waste management plan or amended plan; 79214

(7) Providing financial assistance to boards of health within 79215
the district for the enforcement of section 3734.03 of the Revised 79216
Code or to local law enforcement agencies having jurisdiction 79217
within the district for enforcing anti-littering laws and 79218
ordinances; 79219

(8) Providing financial assistance to boards of health of 79220
health districts within the district that are on the approved list 79221
under section 3734.08 of the Revised Code to defray the costs to 79222
the health districts for the participation of their employees 79223
responsible for enforcement of the solid waste provisions of this 79224
chapter and rules adopted and orders and terms and conditions of 79225
permits, licenses, and variances issued under those provisions in 79226
the training and certification program as required by rules 79227
adopted under division (L) of section 3734.02 of the Revised Code; 79228

(9) Providing financial assistance to individual municipal 79229
corporations and townships within the district to defray their 79230
added costs of maintaining roads and other public facilities and 79231
of providing emergency and other public services resulting from 79232
the location and operation within their boundaries of a 79233
composting, energy or resource recovery, incineration, or 79234
recycling facility that either is owned by the district or is 79235
furnishing solid waste management facility or recycling services 79236
to the district pursuant to a contract or agreement with the board 79237
of county commissioners or directors of the district; 79238

(10) Payment of any expenses that are agreed to, awarded, or 79239
ordered to be paid under section 3734.35 of the Revised Code and 79240
of any administrative costs incurred pursuant to that section. In 79241
the case of a joint solid waste management district, if the board 79242
of county commissioners of one of the counties in the district is 79243
negotiating on behalf of affected communities, as defined in that 79244
section, in that county, the board shall obtain the approval of 79245
the board of directors of the district in order to expend moneys 79246
for administrative costs incurred. 79247

Prior to the approval of the district's solid waste 79248
management plan under section 3734.55 of the Revised Code, moneys 79249
in the special fund of the district arising from the fees shall be 79250
expended for those purposes in the manner prescribed by the solid 79251
waste management policy committee by resolution. 79252

Notwithstanding division (G)(6) of this section as it existed 79253
prior to October 29, 1993, or any provision in a district's solid 79254
waste management plan prepared in accordance with division 79255
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 79256
prior to that date, any moneys arising from the fees levied under 79257
division (B)(3) of this section prior to January 1, 1994, may be 79258
expended for any of the purposes authorized in divisions (G)(1) to 79259
(10) of this section. 79260

(H) The director shall adopt rules in accordance with Chapter 79261
119. of the Revised Code prescribing procedures for collecting and 79262
forwarding the fees levied under divisions (B) and (C) of this 79263
section to the boards of county commissioners or directors of 79264
county or joint solid waste management districts and to the 79265
treasurers or other officers of municipal corporations and the 79266
fiscal officers of townships. The rules also shall prescribe the 79267
dates for forwarding the fees to the boards and officials and may 79268
prescribe any other requirements the director considers necessary 79269
or appropriate to implement and administer divisions (A), (B), and 79270

(C) of this section. 79271

Sec. 3734.573. (A) For the purposes specified in division (G) 79272
of section 3734.57 of the Revised Code, the solid waste management 79273
policy committee of a county or joint solid waste management 79274
district may levy a fee on the generation of solid wastes within 79275
the district. 79276

The initial or amended solid waste management plan of the 79277
county or joint district approved under section 3734.521, 3734.55, 79278
or 3734.56 of the Revised Code, an amendment to the district's 79279
plan adopted under division (E) of section 3734.56 of the Revised 79280
Code, or the resolution adopted and ratified under division (B) of 79281
this section shall establish the rate of the fee levied under this 79282
division and shall specify whether the fee is levied on the basis 79283
of tons or cubic yards as the unit of measurement. 79284

(B) Prior to the approval under division (A) of section 79285
3734.56 of the Revised Code of the first amended plan that the 79286
district is required to submit for approval under that section, 79287
the approval of an initial plan under section 3734.521 of the 79288
Revised Code, the approval of an amended plan under section 79289
3734.521 or division (D) of section 3734.56 of the Revised Code, 79290
or the amendment of the district's plan under division (E) of 79291
section 3734.56 of the Revised Code, the solid waste management 79292
policy committee of a county or joint district that is operating 79293

For the purposes of that division, total emissions of air contaminants may be calculated using engineering calculations, emissions factors, material balance calculations, or performance testing procedures, as authorized by the director.		80227 80228 80229 80230 80231 80232 80233 80234 80235
The following fees shall be assessed on the total actual emissions from a source in tons per year of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead:		80236 80237 80238 80239
(a) Fifteen dollars per ton on the total actual emissions of each such regulated pollutant during the period July through December 1993, to be collected no sooner than July 1, 1994;		80240 80241 80242
(b) Twenty dollars per ton on the total actual emissions of		80243

subsequent calendar year, to be collected no sooner than the 80248
fifteenth day of April of the year next succeeding the calendar 80249
year in which the emissions occurred. 80250

The fees levied under division (C)(1) of this section do not 80251
apply to that portion of the emissions of a regulated pollutant at 80252
a facility that exceed four thousand tons during a calendar year. 80253

(2) The fees assessed under division (C)(1) of this section 80254
are for the purpose of providing funding for the Title V permit 80255
program. 80256

(3) The fees assessed under division (C)(1) of this section 80257
do not apply to emissions from any electric generating unit 80258
designated as a Phase I unit under Title IV of the federal Clean 80259
Air Act prior to calendar year 2000. Those fees shall be assessed 80260
on the emissions from such a generating unit commencing in 80261
calendar year 2001 based upon the total actual emissions from the 80262
generating unit during calendar year 2000 and shall continue to be 80263
assessed each subsequent calendar year based on the total actual 80264
emissions from the generating unit during the preceding calendar 80265
year. 80266

(4) The director shall issue invoices to owners or operators 80267
of air contaminant sources who are required to pay a fee assessed 80268
under division (C) or (D) of this section. Any such invoice shall 80269
be issued no sooner than the applicable date when the fee first 80270
may be collected in a year under the applicable division, shall 80271
identify the nature and amount of the fee assessed, and shall 80272

after the issuance of the invoice. 80274

(D)(1) Except as provided in division (D)(3) of this section, 80275
from January 1, 1994, through December 31, 2003, each person who 80276
owns or operates an air contaminant source; who is required to 80277
apply for a permit to operate pursuant to rules adopted under 80278
division (G), or a variance pursuant to division (H), of section 80279
3704.03 of the Revised Code; and who is not required to apply for 80280
and obtain a Title V permit under section 3704.036 of the Revised 80281
Code shall pay a single fee based upon the sum of the actual 80282

particulate matter, sulfur dioxide, nitrogen oxides, organic 80284
compounds, and lead in accordance with the following schedule: 80285

contaminant source; who is required to apply for a permit to 80294
operate pursuant to rules adopted under division (G), or a 80295
variance pursuant to division (H), of section 3704.03 of the 80296
Revised Code; and who is not required to apply for and obtain a 80297
Title V permit under section 3704.03 of the Revised Code shall pay 80298
a single fee based upon the sum of the actual annual emissions 80299
from the facility of the regulated pollutants particulate matter, 80300
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 80301
accordance with the following schedule: 80302

Total tons per year		80303
of regulated pollutants	Annual fee	80304

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code. 80310-80316

(b) Beginning January 1, 2000, through June 30, ~~2010~~ 2012, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule: 80317-80322

(4) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of 80337-80338

April, commencing in 1995. The fees assessed under division (D)(2) 80339
of this section shall be collected annually no sooner than the 80340
fifteenth day of April, commencing in 2005. The fees assessed 80341
under division (D)(3) of this section shall be collected no sooner 80342
than the fifteenth day of April, commencing in 2000. The fees 80343
assessed under division (D) of this section in a calendar year 80344
shall be based upon the sum of the actual emissions of those 80345
regulated pollutants during the preceding calendar year. For the 80346
purpose of division (D) of this section, emissions of air 80347
contaminants may be calculated using engineering calculations, 80348
emission factors, material balance calculations, or performance 80349
testing procedures, as authorized by the director. The director, 80350
by rule, may require persons who are required to pay the fees 80351
assessed under division (D) of this section to pay those fees 80352
biennially rather than annually. 80353

(E)(1) Consistent with the need to cover the reasonable costs 80354
of the Title V permit program, the director annually shall 80355
increase the fees prescribed in division (C)(1) of this section by 80356
the percentage, if any, by which the consumer price index for the 80357
most recent calendar year ending before the beginning of a year 80358
exceeds the consumer price index for calendar year 1989. Upon 80359
calculating an increase in fees authorized by division (E)(1) of 80360
this section, the director shall compile revised fee schedules for 80361
the purposes of division (C)(1) of this section and shall make the 80362
revised schedules available to persons required to pay the fees 80363
assessed under that division and to the public. 80364

(2) For the purposes of division (E)(1) of this section: 80365

(a) The consumer price index for any year is the average of 80366
the consumer price index for all urban consumers published by the 80367
United States department of labor as of the close of the 80368
twelve-month period ending on the thirty-first day of August of 80369
that year. 80370

(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most consistent with that for calendar year 1989.

division only applies to sources for which actual construction of 80507
the source begins on or after July 1, 1993. The imposition or 80508

If a registration certificate is issued under section 81020
3734.75, 3734.76, or 3734.78 of the Revised Code, the amount of 81021
the application fee paid shall be deducted from the amount of the 81022
registration certificate fee due under division (R)(1), (2), or 81023
(5) of this section, as applicable. 81024

If a person submits an electronic application for a 81025
registration certificate, permit, variance, or plan approval for 81026
which an application fee is established under division (S)(1) of 81027
this section, the person shall pay the applicable application fee 81028
as expeditiously as possible after the submission of the 81029
electronic application. An application for a registration 81030

certificate, permit, variance, or plan approval for which an 81031
application fee is established under division (S)(1) of this 81032
section shall not be reviewed or processed until the applicable 81033

the following: 81044

(1) Prescribe fees to be paid by applicants for and holders 81045
of any license, permit, variance, plan approval, or certification 81046
required or authorized by Chapter 3704., 3734., 6109., or 6111. of 81047
the Revised Code that are not specifically established in this 81048
section. The fees shall be designed to defray the cost of 81049
processing, issuing, revoking, modifying, denying, and enforcing 81050
the licenses, permits, variances, plan approvals, and 81051

any fee required by this section; 81067

(3) Provide for the waiver of any fee, or any part thereof, 81068
otherwise required by this section whenever the director 81069

applicants, or other person subject to the fee; 81072

(4) Prescribe measures that the director considers necessary 81073
to carry out this section. 81074

(U) When the director reasonably demonstrates that the direct 81075
cost to the state associated with the issuance of a permit to 81076
install, license, variance, plan approval, or certification 81077
exceeds the fee for the issuance or review specified by this 81078
section, the director may condition the issuance or review on the 81079
payment by the person receiving the issuance or review of, in 81080
addition to the fee specified by this section, the amount, or any 81081
portion thereof, in excess of the fee specified under this 81082
section. The director shall not so condition issuances for which 81083

required by this section are payable within thirty days after the 81089
issuance of an invoice for the fee by the director or the 81090
effective date of the issuance of the license, permit, variance, 81091
plan approval, or certification. If payment is late, the person 81092

(b) The annual sludge fee required to be paid by a sewage sludge facility that treats or disposes of exceptional quality sludge in this state shall be thirty-five per cent less per dry ton of exceptional quality sludge than the fee assessed under division (Y)(1) of this section, subject to the following	81149 81150 81151 81152 81153

exceptions: 81154

(i) Except as provided in division (Y)(2)(d) of this section, 81155
a sewage sludge facility that treats or disposes of exceptional 81156
quality sludge shall pay a minimum annual sewage sludge fee of one 81157
hundred dollars. 81158

(ii) A sewage sludge facility that treats or disposes of 81159
exceptional quality sludge shall not be required to pay the annual 81160
sludge fee for treatment or disposal in this state of exceptional 81161
quality sludge generated outside of this state and contained in 81162
bags or other containers not greater than one hundred pounds in 81163
capacity. 81164

A thirty-five per cent reduction for exceptional quality 81165
sludge applies to the maximum annual fees established under 81166
division (Y)(3) of this section. 81167

(c) A sewage sludge facility that transfers sewage sludge to 81168
another sewage sludge facility in this state for further treatment 81169
prior to disposal in this state shall not be required to pay the 81170
annual sludge fee for the tons of sewage sludge that have been 81171
transferred. In such a case, the sewage sludge facility that 81172
disposes of the sewage sludge shall pay the annual sludge fee. 81173
However, the facility transferring the sewage sludge shall pay the 81174
one-hundred-dollar minimum fee required under division (Y)(2)(a) 81175
of this section. 81176

In the case of a sewage sludge facility that treats sewage 81177
sludge in this state and transfers it out of this state to another 81178
entity for disposal, the sewage sludge facility in this state 81179
shall be required to pay the annual sludge fee for the tons of 81180
sewage sludge that have been transferred. 81181

(d) A sewage sludge facility that generates sewage sludge 81182
resulting from an average daily discharge flow of less than five 81183
thousand gallons per day is not subject to the fees assessed under 81184

division (Y) of this section. 81185

(3) No sewage sludge facility required to pay the annual 81186
sludge fee shall be required to pay more than the maximum annual 81187
fee for each disposal method that the sewage sludge facility uses. 81188
The maximum annual fee does not include the additional amount that 81189
may be charged under division (Y)(5) of this section for late 81190
payment of the annual sludge fee. The maximum annual fee for the 81191
following methods of disposal of sewage sludge is as follows: 81192

(a) Incineration: five thousand dollars; 81193

(b) Preexisting land reclamation project or disposal in a 81194
landfill: five thousand dollars; 81195

any other disposal method not specified in division (Y)(3)(a) or 81197
(b) of this section: twenty thousand dollars. 81198

(4)(a) In the case of an entity that generates sewage sludge 81199
or a sewage sludge facility that treats sewage sludge and 81200
transfers the sewage sludge to an incineration facility for 81201
disposal, the incineration facility, and not the entity generating 81202
the sewage sludge or the sewage sludge facility treating the 81203
sewage sludge, shall pay the annual sludge fee for the tons of 81204
sewage sludge that are transferred. However, the entity or 81205
facility generating or treating the sewage sludge shall pay the 81206
one-hundred-dollar minimum fee required under division (Y)(2)(a) 81207
of this section. 81208

(b) In the case of an entity that generates sewage sludge and 81209
transfers the sewage sludge to a landfill for disposal or to a 81210
sewage sludge facility for land reclamation or surface disposal, 81211
the entity generating the sewage sludge, and not the landfill or 81212
sewage sludge facility, shall pay the annual sludge fee for the 81213
tons of sewage sludge that are transferred. 81214

(5) Not later than the first day of April of the calendar 81215

year following March 17, 2000, and each first day of April 81216
thereafter, the director shall issue invoices to persons who are 81217
required to pay the annual sludge fee. The invoice shall identify 81218
the nature and amount of the annual sludge fee assessed and state 81219
the first day of May as the deadline for receipt by the director 81220
of objections regarding the amount of the fee and the first day of 81221
July as the deadline for payment of the fee. 81222

Not later than the first day of May following receipt of an 81223
invoice, a person required to pay the annual sludge fee may submit 81224
objections to the director concerning the accuracy of information 81225
regarding the number of dry tons of sewage sludge used to 81226
calculate the amount of the annual sludge fee or regarding whether 81227
the sewage sludge qualifies for the exceptional quality sludge 81228
discount established in division (Y)(2)(b) of this section. The 81229
director may consider the objections and adjust the amount of the 81230
fee to ensure that it is accurate. 81231

If the director does not adjust the amount of the annual 81232
sludge fee in response to a person's objections, the person may 81233
appeal the director's determination in accordance with Chapter 81234
119. of the Revised Code. 81235

Not later than the first day of June, the director shall 81236
notify the objecting person regarding whether the director has 81237
found the objections to be valid and the reasons for the finding. 81238
If the director finds the objections to be valid and adjusts the 81239
amount of the annual sludge fee accordingly, the director shall 81240
issue with the notification a new invoice to the person 81241
identifying the amount of the annual sludge fee assessed and 81242
stating the first day of July as the deadline for payment. 81243

Not later than the first day of July, any person who is 81244
required to do so shall pay the annual sludge fee. Any person who 81245
is required to pay the fee, but who fails to do so on or before 81246
that date shall pay an additional amount that equals ten per cent 81247

of the required annual sludge fee. 81248

(6) The director shall transmit all moneys collected under 81249
division (Y) of this section to the treasurer of state for deposit 81250
into the surface water protection fund created in section 6111.038 81251
of the Revised Code. The moneys shall be used to defray the costs 81252
of administering and enforcing provisions in Chapter 6111. of the 81253
Revised Code and rules adopted under it that govern the use, 81254
storage, treatment, or disposal of sewage sludge. 81255

(7) Beginning in fiscal year 2001, and every two years 81256
thereafter, the director shall review the total amount of moneys 81257
generated by the annual sludge fees to determine if that amount 81258
exceeded six hundred thousand dollars in either of the two 81259
preceding fiscal years. If the total amount of moneys in the fund 81260
exceeded six hundred thousand dollars in either fiscal year, the 81261
director, after review of the fee structure and consultation with 81262
affected persons, shall issue an order reducing the amount of the 81263
fees levied under division (Y) of this section so that the 81264
estimated amount of moneys resulting from the fees will not exceed 81265
six hundred thousand dollars in any fiscal year. 81266

If, upon review of the fees under division (Y)(7) of this 81267
section and after the fees have been reduced, the director 81268
determines that the total amount of moneys collected and 81269
accumulated is less than six hundred thousand dollars, the 81270
director, after review of the fee structure and consultation with 81271
affected persons, may issue an order increasing the amount of the 81272
fees levied under division (Y) of this section so that the 81273
estimated amount of moneys resulting from the fees will be 81274
approximately six hundred thousand dollars. Fees shall never be 81275
increased to an amount exceeding the amount specified in division 81276
(Y)(7) of this section. 81277

Notwithstanding section 119.06 of the Revised Code, the 81278
director may issue an order under division (Y)(7) of this section 81279

without the necessity to hold an adjudicatory hearing in 81280
connection with the order. The issuance of an order under this 81281
division is not an act or action for purposes of section 3745.04 81282
of the Revised Code. 81283

section, including, if necessary, the appointment of a receiver as 82073
described in divisions (C)(2) and (3) of this section, or for both 82074
such an injunction or other order and such relief. The municipal 82075

action against the landlord shall make reasonable attempts to 82091
serve the notice in the manner prescribed in the Rules of Civil 82092
Procedure to the landlord or the landlord's agent for the property 82093
at the property's management office, or at the place where the 82094
tenants normally pay or send rent. If the landlord is not the 82095
owner of record, the party bringing the action shall make a 82096

of a hearing on the complaint shall be served upon the owner of 82102
the building and all other interested parties in accordance with 82103

the Rules of Civil Procedure. If certified mail service, personal 82104

refused or certified mail service of the complaint and notice is 82106
not claimed, and if the municipal corporation, township, neighbor, 82107
tenant, or nonprofit corporation commencing the action makes a 82108
written request for ordinary mail service of the complaint and 82109

of Civil Procedure, then a copy of the complaint and notice shall 82111
be posted in a conspicuous place on the building. 82112

(b) The judge in a civil action described in division (B)(1) 82113
of this section shall conduct a hearing at least twenty-eight days 82114
after the owner of the building and the other interested parties 82115
have been served with a copy of the complaint and the notice of 82116
the date and time of the hearing in accordance with division 82117
(B)(2)(a) of this section. 82118

(c) In considering whether subsidized housing is a public 82119
nuisance, the judge shall construe the standards set forth in 82120
division (A)(2)(b) of this section in a manner consistent with 82121
department of housing and urban development and judicial 82122
interpretations of those standards. The judge shall deem that the 82123
property is not a public nuisance if during the twelve months 82124
prior to the service of the notice that division (B)(1)(b) of this 82125
section requires, the department of housing and urban 82126
development's real estate assessment center issued a score of 82127
seventy-five or higher out of a possible one hundred points 82128
pursuant to its regulations governing the physical condition of 82129
multifamily properties pursuant to 24 C.F.R. part 200, subpart P, 82130
and since the most recent inspection, there has been no 82131
significant change in the property's conditions that would create 82132
a serious threat to the health, safety, or welfare of the 82133
property's tenants. 82134

(C)(1) If the judge in a civil action described in division 82135

(B)(1) of this section finds at the hearing required by division 82136
(B)(2) of this section that the building involved is a public 82137
nuisance, if the judge additionally determines that the owner of 82138
the building previously has not been afforded a reasonable 82139
opportunity to abate the public nuisance or has been afforded such 82140
an opportunity and has not refused or failed to abate the public 82141
nuisance, and if the complaint of the municipal corporation, 82142
township, neighbor, tenant, or nonprofit corporation commencing 82143
the action requested the issuance of an injunction as described in 82144
this division, then the judge may issue an injunction requiring 82145
the owner of the building to abate the public nuisance or issue 82146
any other order that the judge considers necessary or appropriate 82147
to cause the abatement of the public nuisance. If an injunction is 82148
issued pursuant to this division, the owner of the building 82149
involved shall be given no more than thirty days from the date of 82150
the entry of the judge's order to comply with the injunction, 82151
unless the judge, for good cause shown, extends the time for 82152
compliance. 82153

(2) If the judge in a civil action described in division 82154
(B)(1) of this section finds at the hearing required by division 82155
(B)(2) of this section that the building involved is a public 82156
nuisance, if the judge additionally determines that the owner of 82157
the building previously has been afforded a reasonable opportunity 82158
to abate the public nuisance and has refused or failed to do so, 82159
and if the complaint of the municipal corporation, township, 82160
neighbor, tenant, or nonprofit corporation commencing the action 82161
requested relief as described in this division, then the judge 82162
shall offer any mortgagee, lienholder, or other interested party 82163
associated with the property on which the building is located, in 82164
the order of the priority of interest in title, the opportunity to 82165
undertake the work and to furnish the materials necessary to abate 82166
the public nuisance. Prior to selecting any interested party, the 82167
judge shall require the interested party to demonstrate the 82168

ability to promptly undertake the work and furnish the materials 82169
required, to provide the judge with a viable financial and 82170
construction plan for the rehabilitation of the building as 82171
described in division (D) of this section, and to post security 82172
for the performance of the work and the furnishing of the 82173
materials. 82174

If the judge determines, at the hearing, that no interested 82175
party is willing or able to undertake the work and to furnish the 82176
materials necessary to abate the public nuisance, or if the judge 82177
determines, at any time after the hearing, that any party who is 82178
undertaking corrective work pursuant to this division cannot or 82179
will not proceed, or has not proceeded with due diligence, the 82180
judge may appoint a receiver pursuant to division (C)(3) of this 82181
section to take possession and control of the building. 82182

(3)(a) The judge in a civil action described in division 82183
(B)(1) of this section shall not appoint any person as a receiver 82184
unless the person first has provided the judge with a viable 82185
financial and construction plan for the rehabilitation of the 82186
building involved as described in division (D) of this section and 82187
has demonstrated the capacity and expertise to perform the 82188
required work and to furnish the required materials in a 82189
satisfactory manner. An appointed receiver may be a financial 82190
institution that possesses an interest of record in the building 82191
or the property on which it is located, a nonprofit corporation as 82192
described in divisions (B)(1) and (C)(3)(b) of this section, 82193
including, but not limited to, a nonprofit corporation that 82194
commenced the action described in division (B)(1) of this section, 82195
or any other qualified property manager. 82196

(b) To be eligible for appointment as a receiver, no part of 82197
the net earnings of a nonprofit corporation shall inure to the 82198
benefit of any private shareholder or individual. Membership on 82199
the board of trustees of a nonprofit corporation appointed as a 82200

receiver does not constitute the holding of a public office or 82201
employment within the meaning of sections 731.02 and 731.12 or any 82202
other section of the Revised Code and does not constitute a direct 82203
or indirect interest in a contract or expenditure of money by any 82204
municipal corporation. A member of a board of trustees of a 82205
nonprofit corporation appointed as a receiver shall not be 82206
disqualified from holding any public office or employment, and 82207
shall not forfeit any public office or employment, by reason of 82208
membership on the board of trustees, notwithstanding any law to 82209
the contrary. 82210

(D) Prior to ordering any work to be undertaken, or the 82211
furnishing of any materials, to abate a public nuisance under this 82212
section, the judge in a civil action described in division (B)(1) 82213
of this section shall review the submitted financial and 82214
construction plan for the rehabilitation of the building involved 82215
and, if it specifies all of the following, shall approve that 82216
plan: 82217

(1) The estimated cost of the labor, materials, and any other 82218
development costs that are required to abate the public nuisance; 82219

(2) The estimated income and expenses of the building and the 82220
property on which it is located after the furnishing of the 82221
materials and the completion of the repairs and improvements; 82222

(3) The terms, conditions, and availability of any financing 82223
that is necessary to perform the work and to furnish the 82224
materials; 82225

(4) If repair and rehabilitation of the building are found 82226
not to be feasible, the cost of demolition of the building or of 82227
the portions of the building that constitute the public nuisance. 82228

(E) Upon the written request of any of the interested parties 82229
to have a building, or portions of a building, that constitute a 82230
public nuisance demolished because repair and rehabilitation of 82231

the building are found not to be feasible, the judge may order the demolition. However, the demolition shall not be ordered unless the requesting interested parties have paid the costs of demolition and, if any, of the receivership, and, if any, all notes, certificates, mortgages, and fees of the receivership.

(F) Before proceeding with the duties of receiver, any receiver appointed by the judge in a civil action described in division (B)(1) of this section may be required by the judge to post a bond in an amount fixed by the judge, but not exceeding the value of the building involved as determined by the judge.

The judge may empower the receiver to do any or all of the following:

(1) Take possession and control of the building and the property on which it is located, operate and manage the building and the property, establish and collect rents and income, lease and rent the building and the property, and evict tenants;

safety code, ordinance, or regulation;	82264
(6) Obtain mortgage insurance for any receiver's mortgage	82265
from any agency of the federal government;	82266

(8) Give the custody of the building and the property, and	82272
the opportunity to abate the nuisance and operate the property, to	82273
its owner or any mortgagee or lienholder of record;	82274
(9) Issue notes and secure them by a mortgage bearing	82275
interest, and upon terms and conditions, that the judge approves.	82276
When sold or transferred by the receiver in return for valuable	82277
consideration in money, material, labor, or services, the notes or	82278
certificates shall be freely transferable. Any mortgages granted	82279
by the receiver shall be superior to any claims of the receiver.	82280
Priority among the receiver's mortgages shall be determined by the	82281
order in which they are recorded.	82282
(G) A receiver appointed pursuant to this section is not	82283
personally liable except for misfeasance, malfeasance, or	82284
nonfeasance in the performance of the functions of the office of	82285
receiver.	82286
(H)(1) The judge in a civil action described in division	82287
(B)(1) of this section may assess as court costs, the expenses	82288
described in division (F)(2) of this section, and may approve	82289
receiver's fees to the extent that they are not covered by the	82290
income from the property. Subject to that limitation, a receiver	82291
appointed pursuant to divisions (C)(2) and (3) of this section is	82292
entitled to receive fees in the same manner and to the same extent	82293

as receivers appointed in actions to foreclose mortgages. 82294

(2)(a) Pursuant to the police powers vested in the state, all 82295
expenditures of a mortgagee, lienholder, or other interested party 82296
that has been selected pursuant to division (C)(2) of this section 82297
to undertake the work and to furnish the materials necessary to 82298
abate a public nuisance, and any expenditures in connection with 82299
the foreclosure of the lien created by this division, is a first 82300
lien upon the building involved and the property on which it is 82301
located and is superior to all prior and subsequent liens or other 82302
encumbrances associated with the building or the property, 82303
including, but not limited to, those for taxes and assessments, 82304
upon the occurrence of both of the following: 82305

(i) The prior approval of the expenditures by, and the entry 82306
of a judgment to that effect by, the judge in the civil action 82307
described in division (B)(1) of this section; 82308

(ii) The recordation of a certified copy of the judgment 82309
entry and a sufficient description of the property on which the 82310
building is located with the county recorder in the county in 82311
which the property is located within sixty days after the date of 82312
the entry of the judgment. 82313

(b) Pursuant to the police powers vested in the state, all 82314
expenses and other amounts paid in accordance with division (F) of 82315
this section by a receiver appointed pursuant to divisions (C)(2) 82316
and (3) of this section, the amounts of any notes issued by the 82317
receiver in accordance with division (F) of this section, all 82318
mortgages granted by the receiver in accordance with that 82319
division, the fees of the receiver approved pursuant to division 82320
(H)(1) of this section, and any amounts expended in connection 82321
with the foreclosure of a mortgage granted by the receiver in 82322
accordance with division (F) of this section or with the 82323
foreclosure of the lien created by this division, are a first lien 82324
upon the building involved and the property on which it is located 82325

and are superior to all prior and subsequent liens or other 82326
encumbrances associated with the building or the property, 82327
including, but not limited to, those for taxes and assessments, 82328
upon the occurrence of both of the following: 82329

(i) The approval of the expenses, amounts, or fees by, and 82330
the entry of a judgment to that effect by, the judge in the civil 82331
action described in division (B)(1) of this section; or the 82332
approval of the mortgages in accordance with division (F)(9) of 82333
this section by, and the entry of a judgment to that effect by, 82334
that judge; 82335

(ii) The recordation of a certified copy of the judgment 82336
entry and a sufficient description of the property on which the 82337
building is located, or, in the case of a mortgage, the 82338
recordation of the mortgage, a certified copy of the judgment 82339
entry, and such a description, with the county recorder of the 82340
county in which the property is located within sixty days after 82341
the date of the entry of the judgment. 82342

(c) Priority among the liens described in divisions (H)(2)(a) 82343
and (b) of this section shall be determined as described in 82344
division (I) of this section. Additionally, the creation pursuant 82345
to this section of a mortgage lien that is prior to or superior to 82346
any mortgage of record at the time the mortgage lien is so 82347
created, does not disqualify the mortgage of record as a legal 82348
investment under Chapter 1107. or 1151. or any other chapter of 82349
the Revised Code. 82350

(I)(1) If a receiver appointed pursuant to divisions (C)(2) 82351
and (3) of this section files with the judge in the civil action 82352
described in division (B)(1) of this section a report indicating 82353
that the public nuisance has been abated, if the judge confirms 82354
that the receiver has abated the public nuisance, and if the 82355
receiver or any interested party requests the judge to enter an 82356
order directing the receiver to sell the building and the property 82357

on which it is located, the judge may enter that order after 82358
holding a hearing as described in division (I)(2) of this section 82359
and otherwise complying with that division. 82360

(2)(a) The receiver or interested party requesting an order 82361
as described in division (I)(1) of this section shall cause a 82362
notice of the date and time of a hearing on the request to be 82363
served on the owner of the building involved and all other 82364
interested parties in accordance with division (B)(2)(a) of this 82365
section. The judge in the civil action described in division 82366
(B)(1) of this section shall conduct the scheduled hearing. At the 82367
hearing, if the owner or any interested party objects to the sale 82368
of the building and the property, the burden of proof shall be 82369
upon the objecting person to establish, by a preponderance of the 82370
evidence, that the benefits of not selling the building and the 82371
property outweigh the benefits of selling them. If the judge 82372
determines that there is no objecting person, or if the judge 82373
determines that there is one or more objecting persons but no 82374
objecting person has sustained the burden of proof specified in 82375
this division, the judge may enter an order directing the receiver 82376
to offer the building and the property for sale upon terms and 82377
conditions that the judge shall specify. 82378

(b) In any sale of subsidized housing that is ordered 82379
pursuant to this section, the judge shall specify that the 82380
subsidized housing not be conveyed unless that conveyance complies 82381
with applicable federal law and applicable program contracts for 82382
that housing. Any such conveyance shall be subject to the 82383
condition that the purchaser enter into a contract with the 82384
department of housing and urban development or the rural housing 82385
service of the federal department of agriculture under which the 82386
property continues to be subsidized housing and the owner 82387
continues to operate that property as subsidized housing unless 82388
the secretary of housing and urban development or the 82389

administrator of the rural housing service terminates that 82390
property's contract prior to or upon the conveyance of the 82391
property. 82392

(3) If a sale of a building and the property on which it is 82393
located is ordered pursuant to divisions (I)(1) and (2) of this 82394
section and if the sale occurs in accordance with the terms and 82395
conditions specified by the judge in the judge's order of sale, 82396
then the receiver shall distribute the proceeds of the sale and 82397
the balance of any funds that the receiver may possess, after the 82398
payment of the costs of the sale, in the following order of 82399
priority and in the described manner: 82400

(a) First, in satisfaction of any notes issued by the 82401
receiver pursuant to division (F) of this section, in their order 82402
of priority; 82403

(b) Second, any unreimbursed expenses and other amounts paid 82404
in accordance with division (F) of this section by the receiver, 82405
and the fees of the receiver approved pursuant to division (H)(1) 82406
of this section; 82407

(c) Third, all expenditures of a mortgagee, lienholder, or 82408
other interested party that has been selected pursuant to division 82409
(C)(2) of this section to undertake the work and to furnish the 82410
materials necessary to abate a public nuisance, provided that the 82411
expenditures were approved as described in division (H)(2)(a) of 82412
this section and provided that, if any such interested party 82413
subsequently became the receiver, its expenditures shall be paid 82414
prior to the expenditures of any of the other interested parties 82415
so selected; 82416

(d) Fourth, the amount due for delinquent taxes, assessments, 82417
charges, penalties, and interest owed to this state or a political 82418
subdivision of this state, provided that, if the amount available 82419
for distribution pursuant to division (I)(3)(d) of this section is 82420

insufficient to pay the entire amount of those taxes, assessments, 82421
charges, penalties, and interest, the proceeds and remaining funds 82422
shall be paid to each claimant in proportion to the amount of 82423
those taxes, assessments, charges, penalties, and interest that 82424
each is due. 82425

(e) The amount of any pre-receivership mortgages, liens, or 82426
other encumbrances, in their order of priority. 82427

(4) Following a distribution in accordance with division 82428
(I)(3) of this section, the receiver shall request the judge in 82429
the civil action described in division (B)(1) of this section to 82430
enter an order terminating the receivership. If the judge 82431
determines that the sale of the building and the property on which 82432
it is located occurred in accordance with the terms and conditions 82433
specified by the judge in the judge's order of sale under division 82434
(I)(2) of this section and that the receiver distributed the 82435
proceeds of the sale and the balance of any funds that the 82436
receiver possessed, after the payment of the costs of the sale, in 82437
accordance with division (I)(3) of this section, and if the judge 82438
approves any final accounting required of the receiver, the judge 82439
may terminate the receivership. 82440

(J)(1) A receiver appointed pursuant to divisions (C)(2) and 82441
(3) of this section may be discharged at any time in the 82442
discretion of the judge in the civil action described in division 82443
(B)(1) of this section. The receiver shall be discharged by the 82444
judge as provided in division (I)(4) of this section, or when all 82445
of the following have occurred: 82446

(a) The public nuisance has been abated; 82447

(b) All costs, expenses, and approved fees of the 82448
receivership have been paid; 82449

(c) Either all receiver's notes issued and mortgages granted 82450
pursuant to this section have been paid, or all the holders of the 82451

notes and mortgages request that the receiver be discharged. 82452

(2) If a judge in a civil action described in division (B)(1) 82453
of this section determines that, and enters of record a 82454
declaration that, a public nuisance has been abated by a receiver, 82455
and if, within three days after the entry of the declaration, all 82456
costs, expenses, and approved fees of the receivership have not 82457
been paid in full, then, in addition to the circumstances 82458
specified in division (I) of this section for the entry of such an 82459
order, the judge may enter an order directing the receiver to sell 82460
the building involved and the property on which it is located. Any 82461
such order shall be entered, and the sale shall occur, only in 82462
compliance with division (I) of this section. 82463

(K) The title in any building, and in the property on which 82464
it is located, that is sold at a sale ordered under division (I) 82465
or (J)(2) of this section shall be incontestable in the purchaser 82466
and shall be free and clear of all liens for delinquent taxes, 82467
assessments, charges, penalties, and interest owed to this state 82468
or any political subdivision of this state, that could not be 82469
satisfied from the proceeds of the sale and the remaining funds in 82470
the receiver's possession pursuant to the distribution under 82471
division (I)(3) of this section. All other liens and encumbrances 82472
with respect to the building and the property shall survive the 82473
sale, including, but not limited to, a federal tax lien notice 82474
properly filed in accordance with section 317.09 of the Revised 82475
Code prior to the time of the sale, and the easements and 82476
covenants of record running with the property that were created 82477
prior to the time of the sale. 82478

(L)(1) Nothing in this section shall be construed as a 82479
limitation upon the powers granted to a court of common pleas, a 82480
municipal court or a housing or environmental division of a 82481
municipal court under Chapter 1901. of the Revised Code, or a 82482
county court under Chapter 1907. of the Revised Code. 82483

(2) The monetary and other limitations specified in Chapters 1901. and 1907. of the Revised Code upon the jurisdiction of municipal and county courts, and of housing or environmental divisions of municipal courts, in civil actions do not operate as limitations upon any of the following:	82484 82485 82486 82487 82488
(a) Expenditures of a mortgagee, lienholder, or other interested party that has been selected pursuant to division (C)(2) of this section to undertake the work and to furnish the materials necessary to abate a public nuisance;	82489 82490 82491 82492
(b) Any notes issued by a receiver pursuant to division (F) of this section;	82493 82494
(c) Any mortgage granted by a receiver in accordance with division (F) of this section;	82495 82496
(d) Expenditures in connection with the foreclosure of a mortgage granted by a receiver in accordance with division (F) of this section;	82497 82498 82499
(e) The enforcement of an order of a judge entered pursuant to this section;	82500 82501
(f) The actions that may be taken pursuant to this section by a receiver or a mortgagee, lienholder, or other interested party that has been selected pursuant to division (C)(2) of this section to undertake the work and to furnish the materials necessary to abate a public nuisance.	82502 82503 82504 82505 82506
(3) A judge in a civil action described in division (B)(1) of this section, or the judge's successor in office, has continuing jurisdiction to review the condition of any building that was determined to be a public nuisance pursuant to this section.	82507 82508 82509 82510
<u>(4) Nothing in this section shall be construed to limit or prohibit a municipal corporation or township that has filed with the superintendent of insurance a certified copy of an adopted</u>	82511 82512 82513

resolution, ordinance, or regulation authorizing the procedures 82514
described in divisions (C) and (D) of section 3929.86 of the 82515
Revised Code from receiving insurance proceeds under section 82516
3929.86 of the Revised Code. 82517

Sec. 3770.03. (A) The state lottery commission shall 82518
promulgate rules under which a statewide lottery may be conducted, 82519
which includes, and since the original enactment of this section 82520
has included, the authority for the commission to operate video 82521
lottery terminal games. Any reference in this chapter to tickets 82522
shall not be construed to in any way limit the authority of the 82523
commission to operate video lottery terminal games. Nothing in 82524
this chapter shall restrict the authority of the commission to 82525
promulgate rules related to the operation of games utilizing video 82526
lottery terminals as described in section 3770.21 of the Revised 82527
Code. The rules shall be promulgated pursuant to Chapter 119. of 82528
the Revised Code, except that instant game rules shall be 82529
promulgated pursuant to section 111.15 of the Revised Code but are 82530
not subject to division (D) of that section. Subjects covered in 82531
these rules shall include, but need not be limited to, the 82532
following: 82533

(1) The type of lottery to be conducted; 82534

(2) The prices of tickets in the lottery; 82535

(3) The number, nature, and value of prize awards, the manner 82536
and frequency of prize drawings, and the manner in which prizes 82537
shall be awarded to holders of winning tickets. 82538

(B) The commission shall promulgate rules, in addition to 82539
those described in division (A) of this section, pursuant to 82540
Chapter 119. of the Revised Code under which a statewide lottery 82541
and statewide joint lottery games may be conducted. Subjects 82542
covered in these rules shall include, but not be limited to, the 82543
following: 82544

(1) The locations at which lottery tickets may be sold and 82545
the manner in which they are to be sold. These rules may authorize 82546
the sale of lottery tickets by commission personnel or other 82547
licensed individuals from traveling show wagons at the state fair, 82548
and at any other expositions the director of the commission 82549
considers acceptable. These rules shall prohibit commission 82550
personnel or other licensed individuals from soliciting from an 82551
exposition the right to sell lottery tickets at that exposition, 82552
but shall allow commission personnel or other licensed individuals 82553
to sell lottery tickets at an exposition if the exposition 82554
requests commission personnel or licensed individuals to do so. 82555
These rules may also address the accessibility of sales agent 82556
locations to commission products in accordance with the "Americans 82557
with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C.A. 12101 82558
et seq. 82559

(2) The manner in which lottery sales revenues are to be 82560
collected, including authorization for the director to impose 82561
penalties for failure by lottery sales agents to transfer revenues 82562
to the commission in a timely manner; 82563

(3) The amount of compensation to be paid licensed lottery 82564
sales agents; 82565

(4) The substantive criteria for the licensing of lottery 82566
sales agents consistent with section 3770.05 of the Revised Code, 82567
and procedures for revoking or suspending their licenses 82568
consistent with Chapter 119. of the Revised Code. If 82569
circumstances, such as the nonpayment of funds owed by a lottery 82570
sales agent, or other circumstances related to the public safety, 82571
convenience, or trust, require immediate action, the director may 82572
suspend a license without affording an opportunity for a prior 82573
hearing under section 119.07 of the Revised Code. 82574

(5) Special game rules to implement any agreements signed by 82575
the governor that the director enters into with other lottery 82576

jurisdictions under division (J) of section 3770.02 of the Revised Code to conduct statewide joint lottery games. The rules shall require that the entire net proceeds of those games that remain, after associated operating expenses, prize disbursements, lottery sales agent bonuses, commissions, and reimbursements, and any other expenses necessary to comply with the agreements or the rules are deducted from the gross proceeds of those games, be transferred to the lottery profits education fund under division (B) of section 3770.06 of the Revised Code.

(6) Any other subjects the commission determines are necessary for the operation of video lottery terminal games, including the establishment of any fees, fines, or payment schedules.

(C) Chapter 2915. of the Revised Code does not apply to, affect, or prohibit lotteries conducted pursuant to this chapter.

(D) The commission may promulgate rules, in addition to those described in divisions (A) and (B) of this section, that establish standards governing the display of advertising and celebrity images on lottery tickets and on other items that are used in the conduct of, or to promote, the statewide lottery and statewide joint lottery games. Any revenue derived from the sale of advertising displayed on lottery tickets and on those other items shall be considered, for purposes of section 3770.06 of the Revised Code, to be related proceeds in connection with the statewide lottery or gross proceeds from statewide joint lottery games, as applicable.

~~(D)~~(E)(1) The commission shall meet with the director at least once each month and shall convene other meetings at the request of the chairperson or any five of the members. No action taken by the commission shall be binding unless at least five of the members present vote in favor of the action. A written record shall be made of the proceedings of each meeting and shall be

transmitted forthwith to the governor, the president of the senate, the senate minority leader, the speaker of the house of representatives, and the house minority leader.

(2) The director shall present to the commission a report each month, showing the total revenues, prize disbursements, and operating expenses of the state lottery for the preceding month. As soon as practicable after the end of each fiscal year, the commission shall prepare and transmit to the governor and the general assembly a report of lottery revenues, prize disbursements, and operating expenses for the preceding fiscal year and any recommendations for legislation considered necessary by the commission.

Sec. 3770.05. (A) As used in this section, "person" means any person, association, corporation, partnership, club, trust, estate, society, receiver, trustee, person acting in a fiduciary or representative capacity, instrumentality of the state or any of its political subdivisions, or any other combination of individuals meeting the requirements set forth in this section or established by rule or order of the state lottery commission.

(B) The director of the state lottery commission may license any person as a lottery sales agent. No license shall be issued to any person or group of persons to engage in the sale of lottery tickets as the person's or group's sole occupation or business.

Before issuing any license to a lottery sales agent, the director shall consider all of the following:

(1) The financial responsibility and security of the applicant and the applicant's business or activity;

(2) The accessibility of the applicant's place of business or activity to the public;

(3) The sufficiency of existing licensed agents to serve the

public interest;	82639
(4) The volume of expected sales by the applicant;	82640
(5) Any other factors pertaining to the public interest, convenience, or trust.	82641 82642
(C) Except as otherwise provided in division (F) of this section, the director of the state lottery commission shall refuse to grant, or shall suspend or revoke, a license if the applicant or licensee:	82643 82644 82645 82646
(1) Has been convicted of a felony or has been convicted of a crime involving moral turpitude;	82647 82648
(2) Has been convicted of an offense that involves illegal gambling;	82649 82650
(3) Has been found guilty of fraud or misrepresentation in any connection;	82651 82652
(4) Has been found to have violated any rule or order of the commission; or	82653 82654
(5) Has been convicted of illegal trafficking in food stamps <u>supplemental nutrition assistance program benefits</u> .	82655 82656
(D) Except as otherwise provided in division (F) of this section, the director of the state lottery commission shall refuse to grant, or shall suspend or revoke, a license if the applicant or licensee is a corporation and any of the following applies:	82657 82658 82659 82660
(1) Any of the corporation's directors, officers, or controlling shareholders has been found guilty of any of the activities specified in divisions (C)(1) to (5) of this section;	82661 82662 82663
(2) It appears to the director of the state lottery commission that, due to the experience, character, or general fitness of any director, officer, or controlling shareholder of the corporation, the granting of a license as a lottery sales agent would be inconsistent with the public interest, convenience,	82664 82665 82666 82667 82668

or trust; 82669

(3) The corporation is not the owner or lessee of the 82670
business at which it would conduct a lottery sales agency pursuant 82671
to the license applied for; 82672

(4) Any person, firm, association, or corporation other than 82673
the applicant or licensee shares or will share in the profits of 82674
the applicant or licensee, other than receiving dividends or 82675
distributions as a shareholder, or participates or will 82676
participate in the management of the affairs of the applicant or 82677
licensee. 82678

(E)(1) The director of the state lottery commission shall 82679
refuse to grant a license to an applicant for a lottery sales 82680
agent license and shall revoke a lottery sales agent license if 82681
the applicant or licensee is or has been convicted of a violation 82682
of division (A) or (C)(1) of section 2913.46 of the Revised Code. 82683

(2) The director shall refuse to grant a license to an 82684
applicant for a lottery sales agent license that is a corporation 82685
and shall revoke the lottery sales agent license of a corporation 82686
if the corporation is or has been convicted of a violation of 82687
division (A) or (C)(1) of section 2913.46 of the Revised Code. 82688

(F) The director of the state lottery commission shall 82689
request the bureau of criminal identification and investigation, 82690
the department of public safety, or any other state, local, or 82691
federal agency to supply the director with the criminal records of 82692
any applicant for a lottery sales agent license, and may 82693
periodically request the criminal records of any person to whom a 82694
lottery sales agent license has been issued. At or prior to the 82695
time of making such a request, the director shall require an 82696
applicant or licensee to obtain fingerprint impressions on 82697
fingerprint cards prescribed by the superintendent of the bureau 82698
of criminal identification and investigation at a qualified law 82699

enforcement agency, and the director shall cause those fingerprint 82700
cards to be forwarded to the bureau of criminal identification and 82701
investigation, to the federal bureau of investigation, or to both 82702
bureaus. The commission shall assume the cost of obtaining the 82703
fingerprint cards. 82704

The director shall pay to each agency supplying criminal 82705
records for each investigation a reasonable fee, as determined by 82706
the agency. 82707

The commission may adopt uniform rules specifying time 82708
periods after which the persons described in divisions (C)(1) to 82709
(5) and (D)(1) to (4) of this section may be issued a license and 82710
establishing requirements for those persons to seek a court order 82711
to have records sealed in accordance with law. 82712

(G)(1) Each applicant for a lottery sales agent license shall 82713
do both of the following: 82714

(a) Pay to the state lottery commission, at the time the 82715
application is submitted, a fee in an amount that the director of 82716
the state lottery commission determines by rule adopted under 82717
Chapter 119. of the Revised Code and that the controlling board 82718
approves; 82719

(b) Prior to approval of the application, obtain a surety 82720
bond in an amount the director determines by rule adopted under 82721
Chapter 119. of the Revised Code or, alternatively, with the 82722
director's approval, deposit the same amount into a dedicated 82723
account for the benefit of the state lottery. The director also 82724
may approve the obtaining of a surety bond to cover part of the 82725
amount required, together with a dedicated account deposit to 82726
cover the remainder of the amount required. 82727

A surety bond may be with any company that complies with the 82728
bonding and surety laws of this state and the requirements 82729
established by rules of the commission pursuant to this chapter. A 82730

dedicated account deposit shall be conducted in accordance with 82731
policies and procedures the director establishes. 82732

A surety bond, dedicated account, or both, as applicable, may 82733
be used to pay for the lottery sales agent's failure to make 82734
prompt and accurate payments for lottery ticket sales, for missing 82735
or stolen lottery tickets, or for damage to equipment or materials 82736
issued to the lottery sales agent, or to pay for expenses the 82737
commission incurs in connection with the lottery sales agent's 82738
license. 82739

(2) A lottery sales agent license is effective for one year. 82740

A licensed lottery sales agent, on or before the date 82741
established by the director, shall renew the agent's license and 82742
provide at that time evidence to the director that the surety 82743
bond, dedicated account deposit, or both, required under division 82744
(G)(1)(b) of this section has been renewed or is active, whichever 82745
applies. 82746

Before the commission renews a lottery sales agent license, 82747
the lottery sales agent shall submit a renewal fee to the 82748
commission in an amount that the director determines by rule 82749
adopted under Chapter 119. of the Revised Code and that the 82750
controlling board approves. The renewal fee shall not exceed the 82751
actual cost of administering the license renewal and processing 82752
changes reflected in the renewal application. The renewal of the 82753
license is effective for up to one year. 82754

(3) A lottery sales agent license shall be complete, 82755

applicable, to paying an administrative fee that shall be in an 82759
amount that the director determines by rule adopted under Chapter 82760
119. of the Revised Code, that the controlling board approves, and 82761

that shall not exceed the actual cost of administering and 82762
processing the changes to an application. 82763

(4) The relationship between the commission and a lottery 82764
sales agent is one of trust. A lottery sales agent collects funds 82765

(H) Pending a final resolution of any question arising under 82768
this section, the director of the state lottery commission may 82769
issue a temporary lottery sales agent license, subject to the 82770
terms and conditions the director considers appropriate. 82771

(I) If a lottery sales agent's rental payments for the 82772
lottery sales agent's premises are determined, in whole or in 82773
part, by the amount of retail sales the lottery sales agent makes, 82774
and if the rental agreement does not expressly provide that the 82775
amount of those retail sales includes the amounts the lottery 82776
sales agent receives from lottery ticket sales, only the amounts 82777
the lottery sales agent receives as compensation from the state 82778
lottery commission for selling lottery tickets shall be considered 82779
to be amounts the lottery sales agent receives from the retail 82780
sales the lottery sales agent makes, for the purpose of computing 82781
the lottery sales agent's rental payments. 82782

tax or fee by reason of the video lottery terminal related conduct 82798
authorized by section 3770.03 of the Revised Code. This division 82799
does not prohibit the imposition of taxes under Chapter 718. or 82800
3769. of the Revised Code. 82801

(D) The supreme court shall have exclusive, original 82802
jurisdiction over any claim asserting that this section or section 82803
3770.03 of the Revised Code or any portion of those sections or 82804
any rule adopted under those sections violates any provision of 82805

sections violates any provision of the Ohio Constitution or any 82808
provision of the Revised Code, or any claim asserting that any 82809

exclusive, original jurisdiction by this division is filed in any 82812
lower court, the claim shall be dismissed by the court on the 82813
ground that the court lacks jurisdiction to review it. 82814

(2) Any person may petition the residential construction 83567
advisory committee to recommend a rule to update or amend the 83568
state residential building code. 83569

(B) Upon petition under division (A) of this section, the 83570
board shall cause to be conducted testing and evaluation that the 83571

board determines desirable of any fixture, device, material, 83572
system, assembly or product of a manufacturing process, or method 83573
or manner of construction or installation sought to be used under 83574
the rules the board adopts pursuant to section 3781.10 of the 83575
Revised Code. 83576

(C) If the board, after hearing, determines it advisable to 83577
adopt the rule, amendment, or annulment, or to permit the use of 83578
the materials or assemblages petitioned for under division (A) of 83579
this section, it shall give at least thirty days' notice of the 83580
time and place of a public hearing as provided by section 119.03 83581
of the Revised Code. No rule shall be adopted, amended, or 83582
annulled or the use of materials or assemblages authorized until 83583
after the public hearing. A copy of every rule, amendment, or 83584
annulment, and a copy of every approved material or assembly 83585
authorization signed by the chairperson of the board of building 83586
standards and sealed with the seal of the department of commerce 83587
shall, after final adoption or authorization by the board, be 83588
filed with the secretary of state and published as the board 83589
determines. The issuance of the authorization for the use of the 83590
materials or assemblages described in the petition constitutes 83591
approval for their use anywhere in this state. Any rule, 83592
amendment, or annulment does not take effect until a date the 83593
board fixes and states. No rule, amendment, or annulment applies 83594
to any building for which the plans or drawings, specifications, 83595
and data were approved prior to the time the rule, amendment, or 83596
annulment becomes effective. All hearings of the board are open to 83597
the public. Each member of the board may administer oaths in the 83598
performance of the member's duties. 83599

Sec. 3781.19. There is hereby established in the department 83600
of commerce a board of building appeals consisting of five members 83601
who shall be appointed by the governor with the advice and consent 83602
of the senate. Terms of office shall be for four years, commencing 83603

on the fourteenth day of October and ending on the thirteenth day 83604
of October. Each member shall hold office from the date of 83605
appointment until the end of the term for which the member was 83606
appointed. Any member appointed to fill a vacancy occurring prior 83607
to the expiration of the term for which the member's predecessor 83608
was appointed shall hold office for the remainder of such term. 83609
Any member shall continue in office subsequent to the expiration 83610
date of the member's term until a successor takes office, or until 83611
a period of sixty days has elapsed, whichever occurs first. One 83612
member shall be an attorney-at-law, admitted to the bar of this 83613
state and of the remaining members, one shall be a registered 83614
architect and one shall be a professional engineer, each of whom 83615

this state, one shall be a fire prevention officer qualified under 83617
section 3737.66 of the Revised Code, and one shall be a person 83618
with recognized ability in the plumbing or pipefitting profession. 83619
No member of the board of building standards shall be a member of 83620
the board of building appeals. Each member shall be paid an amount 83621
fixed pursuant to Chapter 124. of the Revised Code per diem. The 83622
department shall provide and assign to the board such employees as 83623

adopt its own rules of procedure not inconsistent with sections 83625
3781.06 to 3781.18 and 3791.04 of the Revised Code, and may change 83626
them in its discretion. The board may establish reasonable fees, 83627
based on actual costs for administration of filing and processing, 83628
not to exceed two hundred dollars, for the costs of filing and 83629
processing appeals. A full and complete record of all proceedings 83630
of the board shall be kept and be open to public inspection. 83631

In the enforcement by any department of the state or any 83632
political subdivision of this chapter and Chapter 3791., and 83633
sections 3737.41, 3737.42, 4104.02, 4104.06, 4104.43, 4104.44, 83634
4104.45, 4105.011, and 4105.11 of the Revised Code and any rule 83635
made thereunder, such department is the agency referred to in 83636

sections 119.07, 119.08, and 119.10 of the Revised Code. 83637

The appropriate municipal or county board of appeals, where 83638
one exists, certified pursuant to section 3781.20 of the Revised 83639
Code shall conduct the adjudication hearing referred to in 83640
sections 119.09 to 119.13 and required by section 3781.031 of the 83641
Revised Code. If there is no certified municipal or county board 83642
of appeals, the board of building appeals shall conduct the 83643
adjudication hearing. If the adjudication hearing concerns section 83644
3781.111 of the Revised Code or any rule made thereunder, 83645
reasonable notice of the time, date, place, and subject of the 83646
hearing shall be given to any local corporation, association, or 83647
other organization composed of or representing handicapped 83648
persons, as defined in section 3781.111 of the Revised Code, or if 83649
there is no local organization, then to any statewide corporation, 83650
association, or other organization composed of or representing 83651
handicapped persons. 83652

In addition to the provisions of Chapter 119. of the Revised 83653
Code, the municipal, county, or state board of building appeals, 83654
as the agency conducting the adjudication hearing, may reverse or 83655
modify the order of the enforcing agency if it finds that the 83656
order is contrary to this chapter and Chapters 3791. and 4104., 83657
and sections 3737.41, 3737.42, 4105.011, and 4105.11 of the 83658
Revised Code and any rule made thereunder or to a fair 83659
interpretation or application of such laws or any rule made 83660
thereunder, or that a variance from the provisions of such laws or 83661
any rule made thereunder, in the specific case, will not be 83662
contrary to the public interest where a literal enforcement of 83663
such provisions will result in unnecessary hardship. 83664

The state board of building appeals or a certified municipal 83665
or county board of appeals shall render its decision within thirty 83666
days after the date of the adjudication hearing. Following the 83667
adjudication hearing, any municipal or county officer, official 83668

municipal or county board, or person who was a party to the 83669
hearing before the municipal or county board of appeals may apply 83670
to the state board of appeals for a de novo hearing before the 83671
state board, or may appeal directly to the court of common pleas 83672
pursuant to section 3781.031 of the Revised Code. 83673

In addition, any local corporation, association, or other 83674
organization composed of or representing handicapped persons as 83675
defined in section 3781.111 of the Revised Code, or, if no local 83676
corporation, association, or organization exists, then any 83677
statewide corporation, association, or other organization composed 83678
of or representing handicapped persons may apply for the de novo 83679
hearing or appeal to the court of common pleas from any decision 83680
of a certified municipal or county board of appeals interpreting, 83681
applying, or granting a variance from section 3781.111 of the 83682
Revised Code and any rule made thereunder. Application for a de 83683
novo hearing before the state board shall be made no later than 83684
thirty days after the municipal or county board renders its 83685
decision. 83686

The state board of building appeals or the appropriate 83687
certified local board of building appeals shall grant variances 83688
and exemptions from the requirements of section 3781.108 of the 83689
Revised Code in accordance with rules adopted by the board of 83690
building standards pursuant to division ~~(J)~~(K) of section 3781.10 83691
of the Revised Code. 83692

The state board of building appeals or the appropriate 83693
certified local board of building appeals shall, in granting a 83694
variance or exemption from section 3781.108 of the Revised Code, 83695
in addition to any other considerations the state or the 83696
appropriate local board determines appropriate, consider the 83697
architectural and historical significance of the building. 83698

Sec. 3783.05. The board of building standards, in accordance 83699

with Chapters 119., 3781., and 3791. of the Revised Code, shall 83700
adopt, amend, or repeal such rules as may be reasonably necessary 83701
to administer this chapter. All fees collected by the board 83702
pursuant to this chapter shall be paid into the state treasury to 83703
the credit of the ~~industrial compliance~~ labor operating fund 83704
created in section 121.084 of the Revised Code. 83705

83706

Sec. 3791.02. No owner, or person having the control as an 83707
officer or member of a board or committee or otherwise of any 83708
opera house, hall, theater, church, schoolhouse, college, academy, 83709
seminary, infirmary, sanitarium, children's home, hospital, 83710
medical institute, asylum, memorial building, armory, assembly 83711
hall, or other building for the assemblage or betterment of people 83712
shall fail to obey any order of the state fire marshal, boards of 83713
health of city and general health districts, the building 83714
inspector or commissioner in cities having a building inspection 83715
department, or the superintendent of ~~the division of industrial~~ 83716
~~compliance~~ labor in the department of commerce under Chapters 83717
3781. and 3791. of the Revised Code or rules or regulations 83718
adopted pursuant thereto. 83719

Whoever violates this section shall be fined not more than 83720
one thousand dollars. 83721

Sec. 3791.04. (A)(1) Before beginning the construction, 83722
erection, or manufacture of any building to which section 3781.06 83723
of the Revised Code applies, including all industrialized units, 83724
the owner of that building, in addition to any other submission 83725
required by law, shall submit plans or drawings, specifications, 83726
and data prepared for the construction, erection, equipment, 83727
alteration, or addition that indicate the portions that have been 83728
approved pursuant to section 3781.12 of the Revised Code and for 83729
which no further approval is required, to the municipal, township, 83730

or county building department having jurisdiction unless one of 83731
the following applies: 83732

(a) If no municipal, township, or county building department 83733
certified for nonresidential buildings pursuant to division (E) of 83734
section 3781.10 of the Revised Code has jurisdiction, the owner 83735
shall make the submissions described in division (A)(1) of this 83736
section to the superintendent of ~~the division of industrial~~ 83737
~~compliance~~ labor. 83738

(b) If no certified municipal, township, or county building 83739
department certified for residential buildings pursuant to 83740
division (E) of section 3781.10 of the Revised Code has 83741
jurisdiction, the owner is not required to make the submissions 83742
described in division (A)(1) of this section. 83743

(2)(a) The seal of an architect registered under Chapter 83744
4703. of the Revised Code or an engineer registered under Chapter 83745
4733. of the Revised Code is required for any plans, drawings, 83746
specifications, or data submitted for approval, unless the plans, 83747
drawings, specifications, or data are permitted to be prepared by 83748
persons other than registered architects pursuant to division (C) 83749
or (D) of section 4703.18 of the Revised Code, or by persons other 83750
than registered engineers pursuant to division (C) or (D) of 83751
section 4733.18 of the Revised Code. 83752

(b) No seal is required for any plans, drawings, 83753
specifications, or data submitted for approval for any residential 83754
buildings, as defined in section 3781.06 of the Revised Code, or 83755
erected as industrialized one-, two-, or three-family units or 83756
structures within the meaning of "industrialized unit" as defined 83757
in section 3781.06 of the Revised Code. 83758

(c) No seal is required for approval of the installation of 83759
replacement equipment or systems that are similar in type or 83760
capacity to the equipment or systems being replaced. No seal is 83761

required for approval for any new construction, improvement, 83762
alteration, repair, painting, decorating, or other modification of 83763
any buildings or structures subject to sections 3781.06 to 3781.18 83764
and 3791.04 of the Revised Code if the proposed work does not 83765
involve technical design analysis, as defined by rule adopted by 83766
the board of building standards. 83767

(B) No owner shall proceed with the construction, erection, 83768
alteration, or equipment of any building until the plans or 83769
drawings, specifications, and data have been approved as this 83770
section requires, or the industrialized unit inspected at the 83771
point of origin. No plans or specifications shall be approved or 83772
inspection approval given unless the building represented would, 83773
if constructed, repaired, erected, or equipped, comply with 83774
Chapters 3781. and 3791. of the Revised Code and any rule made 83775
under those chapters. 83776

(C) The approval of plans or drawings and specifications or 83777
data pursuant to this section is invalid if construction, 83778
erection, alteration, or other work upon the building has not 83779
commenced within twelve months of the approval of the plans or 83780
drawings and specifications. One extension shall be granted for an 83781
additional twelve-month period if the owner requests at least ten 83782
days in advance of the expiration of the permit and upon payment 83783
of a fee not to exceed one hundred dollars. If in the course of 83784
construction, work is delayed or suspended for more than six 83785
months, the approval of plans or drawings and specifications or 83786
data is invalid. Two extensions shall be granted for six months 83787
each if the owner requests at least ten days in advance of the 83788
expiration of the permit and upon payment of a fee for each 83789
extension of not more than one hundred dollars. Before any work 83790
may continue on the construction, erection, alteration, or 83791
equipment of any building for which the approval is invalid, the 83792
owner of the building shall resubmit the plans or drawings and 83793

specifications for approval pursuant to this section. 83794

(D) Subject to section 3791.042 of the Revised Code, the 83795
board of building standards or the legislative authority of a 83796
municipal corporation, township, or county, by rule, may regulate 83797
the requirements for the submission of plans and specifications to 83798
the respective enforcing departments and for processing by those 83799
departments. The board of building standards or the legislative 83800
authority of a municipal corporation, township, or county may 83801
adopt rules to provide for the approval, subject to section 83802
3791.042 of the Revised Code, by the department having 83803
jurisdiction of the plans for construction of a foundation or any 83804
other part of a building or structure before the complete plans 83805
and specifications for the entire building or structure are 83806
submitted. When any plans are approved by the department having 83807
jurisdiction, the structure and every particular represented by 83808
and disclosed in those plans shall, in the absence of fraud or a 83809
serious safety or sanitation hazard, be conclusively presumed to 83810
comply with Chapters 3781. and 3791. of the Revised Code and any 83811
rule issued pursuant to those chapters, if constructed, altered, 83812
or repaired in accordance with those plans and any rule in effect 83813
at the time of approval. 83814

(E) The approval of plans and specifications, including 83815
inspection of industrialized units, under this section is a 83816
"license" and the failure to approve plans or specifications as 83817
submitted or to inspect the unit at the point of origin within 83818
thirty days after the plans or specifications are filed or the 83819
request to inspect the industrialized unit is made, the 83820
disapproval of plans and specifications, or the refusal to approve 83821
an industrialized unit following inspection at the point of origin 83822
is "an adjudication order denying the issuance of a license" 83823
requiring an "adjudication hearing" as provided by sections 119.07 83824
to 119.13 of the Revised Code and as modified by sections 3781.031 83825

and 3781.19 of the Revised Code. An adjudication order denying the 83826
issuance of a license shall specify the reasons for that denial. 83827

(F) The board of building standards shall not require the 83828
submission of site preparation plans or plot plans to the division 83829
of ~~industrial compliance~~ labor when industrialized units are used 83830
exclusively as one-, two-, or three-family dwellings. 83831

(G) Notwithstanding any procedures the board establishes, if 83832
the agency having jurisdiction objects to any portion of the plans 83833
or specifications, the owner or the owner's representative may 83834
request the agency to issue conditional approval to proceed with 83835
construction up to the point of the objection. Approval shall be 83836
issued only when the objection results from conflicting 83837
interpretations of the rules of the board of building standards 83838
rather than the application of specific technical requirements of 83839
the rules. Approval shall not be issued where the correction of 83840
the objection would cause extensive changes in the building design 83841
or construction. The giving of conditional approval is a 83842
"conditional license" to proceed with construction up to the point 83843
where the construction or materials objected to by the agency are 83844
to be incorporated into the building. No construction shall 83845
proceed beyond that point without the prior approval of the agency 83846
or another agency that conducts an adjudication hearing relative 83847
to the objection. The agency having jurisdiction shall specify its 83848
objections to the plans or specifications, which is an 83849
"adjudication order denying the issuance of a license" and may be 83850
appealed pursuant to sections 119.07 to 119.13 of the Revised Code 83851
and as modified by sections 3781.031 and 3781.19 of the Revised 83852
Code. 83853

(H) A certified municipal, township, or county building 83854
department having jurisdiction, or the superintendent ~~of the~~ 83855
~~division of industrial compliance~~, as appropriate, shall review 83856
any plans, drawings, specifications, or data described in this 83857

section that are submitted to it or to the superintendent. 83858

(I) No owner or persons having control as an officer, or as a 83859
member of a board or committee, or otherwise, of a building to 83860
which section 3781.06 of the Revised Code is applicable, and no 83861
architect, designer, engineer, builder, contractor, subcontractor, 83862
or any officer or employee of a municipal, township, or county 83863
building department shall violate this section. 83864

(J) Whoever violates this section shall be fined not more 83865
than five hundred dollars. 83866

Sec. 3791.05. No owner, lessee, agent, factor, architect, or 83867
contractor engaged in and having supervision or charge of the 83868
building, erection, or construction of a block, building, or 83869
structure, shall neglect or refuse to place or have placed upon 83870
the joists of each story thereof, as soon as joists are in 83871
position, counter floors of such quality and strength as to render 83872
perfectly safe the going to and from thereon of all mechanics, 83873
laborers, and other persons engaged upon the work of construction 83874
or supervision, or in placing materials for such construction. 83875

Whoever violates this section shall be fined not less than 83876
twenty-five nor more than two hundred dollars. 83877

Each day that such person neglects or refuses to have such 83878
counter floors so placed, after notice is given by a building 83879
inspector, a chief inspector, or deputy inspector of the city 83880
building inspection department in cities where such department is 83881
organized, or by the superintendent of ~~the division of industrial~~ 83882
~~compliance~~ labor of the state, in cities where such departments 83883
are not organized, or from a person whose life or personal safety 83884
may be endangered by such neglect or refusal, is a separate 83885
offense. 83886

Sec. 3791.07. (A) The board of building standards may 83887

establish such reasonable inspection fee schedules as it 83888
determines necessary or desirable relating to the inspection of 83889
all plans and specifications submitted for approval to the 83890
division of ~~industrial-compliance~~ labor, and all industrialized 83891
units inspected at the point of origin and at the construction 83892
site of the building. The inspection fee schedule established 83893
shall bear some reasonable relationship to the cost of 83894
administering and enforcing the provisions of Chapters 3781. and 83895
3791. of the Revised Code. 83896

(B) In addition to the fee assessed in division (A) of this 83897
section, the board shall assess a fee of not more than five 83898
dollars for each application for acceptance and approval of plans 83899
and specifications and for making inspections pursuant to section 83900
3791.04 of the Revised Code. The board shall adopt rules, in 83901
accordance with Chapter 119. of the Revised Code, specifying the 83902
manner by which the superintendent of ~~the division of industrial~~ 83903
~~compliance~~ labor shall collect and remit to the board the fees 83904
assessed under this division and requiring that remittance of the 83905
fees be made at least quarterly. 83906

(C) Any person who fails to pay an inspection fee required 83907
for any inspection conducted by the department of commerce 83908
pursuant to Chapters 3781. and 3791. of the Revised Code, except 83909
for fees charged for the inspection of plans and specifications, 83910
within forty-five days after the inspection is conducted, shall 83911
pay a late payment fee equal to twenty-five per cent of the 83912
inspection fee. 83913

(D) The board shall pay the fees assessed under this section 83914
into the state treasury to the credit of the ~~industrial-compliance~~ 83915
labor operating fund created in section 121.084 of the Revised 83916
Code. 83917

Sec. 3793.02. (A) The department of alcohol and drug 83918

83979

The plan shall provide for the allocation of state and federal funds for service furnished by alcohol and drug addiction programs under contract with boards of alcohol, drug addiction, and mental health services and for distribution of the funds to such boards. The plan shall specify the methodology that the department will use for determining how funds will be allocated and distributed. A portion of the funds shall be allocated on the basis of the ratio of the population of each alcohol, drug addiction, and mental health service district to the total population of the state as determined from the most recent federal census or the most recent official estimate made by the United States census bureau.

The plan shall ensure that alcohol and drug addiction services of a high quality are accessible to, and responsive to the needs of, all persons, especially those who are members of underserved groups, including, but not limited to, African Americans, Hispanics, native Americans, Asians, juvenile and adult offenders, women, and persons with special services needs due to age or disability. The plan shall include a program to promote and protect the rights of those who receive services.

To aid in formulating the plan and in evaluating the effectiveness and results of alcohol and drug addiction services, the department, in consultation with the department of mental health, shall establish and maintain an information system or systems. The department of alcohol and drug addiction services shall specify the information that must be provided by boards of alcohol, drug addiction, and mental health services and by alcohol and drug addiction programs for inclusion in the system. The department shall not collect any personal information ~~for the purpose of identifying by name any person who receives a service through a board,~~ from the boards except as required or permitted by the state or federal law ~~to validate appropriate reimbursement~~

and service evaluation, reporting activities, research, system 84013

In consultation with boards, programs, and persons receiving 84015
services, the department shall establish guidelines for the use of 84016
state and federal funds and for the boards' development of plans 84017
for services required by sections 340.033 and 3793.05 of the 84018
Revised Code. 84019

In any fiscal year, the department shall spend, or allocate 84020
to boards, for methadone maintenance programs or any similar 84021
programs not more than eight per cent of the total amount 84022
appropriated to the department for the fiscal year. 84023

Sec. 3793.21. (A) As used in this section, "administrative 84024
function" means a function related to one or more of the 84025
following: 84026

(1) Continuous quality improvement; 84027

(2) Utilization review; 84028

(3) Resource development; 84029

(4) Fiscal administration; 84030

(5) General administration; 84031

(6) Any other function related to administration that is 84032
required by Chapter 340. of the Revised Code. 84033

(B) Each board of alcohol, drug addiction, and mental health 84034
services shall submit an annual report to the department of 84035
alcohol and drug addiction services specifying how the board used 84036
state and federal funds allocated to the board, according to the 84037
methodology the department specifies under section 3793.04 of the 84038
Revised Code, for administrative functions in the year preceding 84039
the report's submission. The director of alcohol and drug 84040

addiction shall establish the date by which the report must be 84041
submitted each year. 84042

Sec. 3901.381. (A) Except as provided in sections 3901.382, 84043
3901.383, 3901.384, and 3901.386 of the Revised Code, a 84044
third-party payer shall process a claim for payment for health 84045
care services rendered by a provider to a beneficiary in 84046
accordance with this section. 84047

(B)(1) Unless division (B)(2) or (3) of this section applies, 84048
when a third-party payer receives from a provider or beneficiary a 84049
claim on the standard claim form prescribed in rules adopted by 84050
the superintendent of insurance under section 3902.22 of the 84051
Revised Code, the third-party payer shall pay or deny the claim 84052
not later than thirty days after receipt of the claim. When a 84053
third-party payer denies a claim, the third-party payer shall 84054
notify the provider and the beneficiary. The notice shall state, 84055
with specificity, why the third-party payer denied the claim. 84056

(2)(a) Unless division (B)(3) of this section applies, when a 84057
provider or beneficiary has used the standard claim form, but the 84058
third-party payer determines that reasonable supporting 84059
documentation is needed to establish the third-party payer's 84060
responsibility to make payment, the third-party payer shall pay or 84061
deny the claim not later than forty-five days after receipt of the 84062
claim. Supporting documentation includes the verification of 84063
employer and beneficiary coverage under a benefits contract, 84064
confirmation of premium payment, medical information regarding the 84065
beneficiary and the services provided, information on the 84066
responsibility of another third-party payer to make payment or 84067
confirmation of the amount of payment by another third-party 84068
payer, and information that is needed to correct material 84069
deficiencies in the claim related to a diagnosis or treatment or 84070
the provider's identification. 84071

Not later than thirty days after receipt of the claim, the third-party payer shall notify all relevant external sources that the supporting documentation is needed. All such notices shall state, with specificity, the supporting documentation needed. If the notice was not provided in writing, the provider, beneficiary, or third-party payer may request the third-party payer to provide the notice in writing, and the third-party payer shall then provide the notice in writing. If any of the supporting documentation is under the control of the beneficiary, the beneficiary shall provide the supporting documentation to the third-party payer.

The number of days that elapse between the third-party payer's last request for supporting documentation within the thirty-day period and the third-party payer's receipt of all of the supporting documentation that was requested shall not be counted for purposes of determining the third-party payer's compliance with the time period of not more than forty-five days for payment or denial of a claim. Except as provided in division (B)(2)(b) of this section, if the third-party payer requests additional supporting documentation after receiving the initially requested documentation, the number of days that elapse between making the request and receiving the additional supporting documentation shall be counted for purposes of determining the third-party payer's compliance with the time period of not more than forty-five days.

(b) If a third-party payer determines, after receiving initially requested documentation, that it needs additional supporting documentation pertaining to a beneficiary's preexisting condition, which condition was unknown to the third-party payer and about which it was reasonable for the third-party payer to have no knowledge at the time of its initial request for documentation, and the third-party payer subsequently requests

this additional supporting documentation, the number of days that 84104
elapse between making the request and receiving the additional 84105
supporting documentation shall not be counted for purposes of 84106
determining the third-party payer's compliance with the time 84107
period of not more than forty-five days. 84108

(c) When a third-party payer denies a claim, the third-party 84109
payer shall notify the provider and the beneficiary. The notice 84110
shall state, with specificity, why the third-party payer denied 84111
the claim. 84112

(d) If a third-party payer determines that supporting 84113
documentation related to medical information is routinely 84114
necessary to process a claim for payment of a particular health 84115
care service, the third-party payer shall establish a description 84116
of the supporting documentation that is routinely necessary and 84117
make the description available to providers in a readily 84118
accessible format. 84119

Third-party payers and providers shall, in connection with a 84120
claim, use the most current CPT code in effect, as published by 84121
the American medical association, the most current ICD-9 code in 84122
effect, as published by the United States department of health and 84123
human services, the most current CDT code in effect, as published 84124
by the American dental association, or the most current HCPCS code 84125
in effect, as published by the United States health care financing 84126
administration. 84127

(3) When a provider or beneficiary submits a claim by using 84128
the standard claim form prescribed in the superintendent's rules, 84129
but the information provided in the claim is materially deficient, 84130
the third-party payer shall notify the provider or beneficiary not 84131
later than fifteen days after receipt of the claim. The notice 84132
shall state, with specificity, the information needed to correct 84133
all material deficiencies. Once the material deficiencies are 84134
corrected, the third-party payer shall proceed in accordance with 84135

division (B)(1) or (2) of this section. 84136

It is not a violation of the notification time period of not 84137
more than fifteen days if a third-party payer fails to notify a 84138
provider or beneficiary of material deficiencies in the claim 84139
related to a diagnosis or treatment or the provider's 84140
identification. A third-party payer may request the information 84141
necessary to correct these deficiencies after the end of the 84142
notification time period. Requests for such information shall be 84143
made as requests for supporting documentation under division 84144
(B)(2) of this section, and payment or denial of the claim is 84145
subject to the time periods specified in that division. 84146

(C) For purposes of this section, if a dispute exists between 84147
a provider and a third-party payer as to the day a claim form was 84148
received by the third-party payer, both of the following apply: 84149

(1) If the provider or a person acting on behalf of the 84150
provider submits a claim directly to a third-party payer by mail 84151
and retains a record of the day the claim was mailed, there exists 84152
a rebuttable presumption that the claim was received by the 84153
third-party payer on the fifth business day after the day the 84154
claim was mailed, unless it can be proven otherwise. 84155

(2) If the provider or a person acting on behalf of the 84156
provider submits a claim directly to a third-party payer 84157
electronically, there exists a rebuttable presumption that the 84158
claim was received by the third-party payer twenty-four hours 84159
after the claim was submitted, unless it can be proven otherwise. 84160

(D) Nothing in this section requires a third-party payer to 84161
provide more than one notice to an employer whose premium for 84162
coverage of employees under a benefits contract has not been 84163
received by the third-party payer. 84164

(E) Compliance with the provisions of division (B)(3) of this 84165
section shall be determined separately from compliance with the 84166

provisions of divisions (B)(1) and (2) of this section. 84167

(F) A third party payer shall transmit electronically any 84168
payment with respect to claims that the third party payer receives 84169
electronically and pays to a contracted provider under this 84170
section and under sections 3901.383, 3901.384, and 3901.386 of the 84171
Revised Code. A provider shall not refuse to accept a payment made 84172
under this section or sections 3901.383, 3901.384, and 3901.386 of 84173
the Revised Code on the basis that the payment was transmitted 84174
electronically. 84175

Sec. 3901.3812. (A) If, after completion of an examination 84176
involving information collected from a six-month period, the 84177
superintendent finds that a third-party payer has committed a 84178
series of violations that, taken together, constitutes a 84179
consistent pattern or practice of violating division (A) of 84180
section 3901.3811 of the Revised Code, the superintendent may 84181
impose on the third-party payer any of the administrative remedies 84182
specified in division (B) of this section. In making a finding 84183
under this division, the superintendent shall apply the error 84184
tolerance standards for claims processing contained in the market 84185
conduct examiners handbook issued by the national association of 84186
insurance commissioners in effect at the time the claims were 84187
processed. 84188

Before imposing an administrative remedy, the superintendent 84189
shall provide written notice to the third-party payer informing 84190
the third-party payer of the reasons for the superintendent's 84191
finding, the administrative remedy the superintendent proposes to 84192
impose, and the opportunity to submit a written request for an 84193
administrative hearing regarding the finding and proposed remedy. 84194
If the third-party payer requests a hearing, the superintendent 84195
shall conduct the hearing in accordance with Chapter 119. of the 84196
Revised Code not later than fifteen days after receipt of the 84197

request.	84198
(B)(1) In imposing administrative remedies under division (A)	84199
of this section for violations of section 3901.381 of the Revised	84200
Code, the superintendent may do any of the following:	84201
(a) Levy a monetary penalty in an amount determined in	84202
accordance with division (B)(3) of this section;	84203
(b) Order the payment of interest directly to the provider in	84204
accordance with section 3901.389 of the Revised Code;	84205
(c) Order the third-party payer to cease and desist from	84206
engaging in the violations;	84207
(d) If a monetary penalty is not levied under division	84208
(B)(1)(a) of this section, impose any of the administrative	84209
remedies provided for in section 3901.22 of the Revised Code,	84210
other than those specified in divisions (D)(4) and (5) and (G) of	84211
that section.	84212
(2) In imposing administrative remedies under division (A) of	84213
this section for violations of sections 3901.384 to 3901.3810 of	84214
the Revised Code, the superintendent may do any of the following:	84215
	84216
(a) Levy a monetary penalty in an amount determined in	84217
accordance with division (B)(3) of this section;	84218
(b) Order the payment of interest directly to the provider in	84219
accordance with section 3901.38 of the Revised Code;	84220
(c) Order the third-party payer to cease and desist from	84221
engaging in the violations;	84222
(d) If a monetary penalty is not levied under division	84223
(B)(2)(a) of this section, impose any of the administrative	84224
remedies provided for in section 3901.22 of the Revised Code,	84225
other than those specified in divisions (D)(4) and (5) and (G) of	84226
that section. For violations of sections 3901.384 to 3901.3810 of	84227

the Revised Code that did not comply with section 3901.381 of the Revised Code, the superintendent may also use section 3901.22 of the Revised Code except divisions (D)(4) and (5) of that section.

(3) A finding by the superintendent that a third-party payer has committed a series of violations that, taken together, constitutes a consistent pattern or practice of violating division (A) of section 3901.3811 of the Revised Code, shall constitute a single offense for purposes of levying a fine under division (B)(1)(a) and (B)(2)(a) of this section. For a first offense, the superintendent may levy a fine of not more than one hundred thousand dollars. For a second offense that occurs on or earlier than four years from the first offense, the superintendent may levy a fine of not more than one hundred fifty thousand dollars. For a third or additional offense that occurs on or earlier than seven years after a first offense, the superintendent may levy a fine of not more than three hundred thousand dollars. In determining the amount of a fine to be levied within the specified limits, the superintendent shall consider the following factors:

- (a) The extent and frequency of the violations;
- (b) Whether the violations were due to circumstances beyond the third-party payer's control;
- (c) Any remedial actions taken by the third-party payer to prevent future violations;
- (d) The actual or potential harm to others resulting from the violations;
- (e) If the third-party payer knowingly and willingly committed the violations;
- (f) The third-party payer's financial condition;
- (g) Any other factors the superintendent considers appropriate.

(C) The remedies imposed by the superintendent under this section are in addition to, and not in lieu of, such other remedies as providers and beneficiaries may otherwise have by law.

(D) Any fine collected under this section shall be paid into the state treasury as follows:

(1) Twenty-five per cent of the total to the credit of the department of insurance operating fund created by section 3901.021 of the Revised Code;

(2) Sixty-five per cent of the total to the credit of the general revenue fund;

(3) Ten per cent of the total to the credit of claims processing education ~~fund~~ account, which is hereby created within the department of insurance operating fund created by section 3901.021 of the Revised Code.

All money credited to the claims processing education ~~fund~~ account shall be used by the department of insurance to make technical assistance available to third-party payers, providers, and beneficiaries for effective implementation of the provisions of sections 3901.38 and 3901.381 to 3901.3814 of the Revised Code.

Sec. 3903.77. (A) Every property and casualty insurance company doing business in this state, except as exempted by the superintendent of insurance, annually, shall cause to be prepared by a qualified actuary, appointed by the company, the following documents:

(2) A summary that shall be in support of the statement of actuarial opinion and that shall be entitled an "actuarial opinion summary." An insurance company licensed but not domiciled in this

state need not include the actuarial opinion summary in its 84288
submissions to the superintendent but shall make the summary 84289
available to the superintendent upon request. 84290

(B) The insurance company annually shall submit the documents 84291
prepared pursuant to division (A) of this section to the 84292
superintendent in accordance with the national association of 84293
insurance commissioners' property and casualty annual statement 84294
instructions. 84295

(C)(1) Every property and casualty insurance company doing 84296
business in this state shall prepare an actuarial report and 84297
underlying work papers to support the statement of actuarial 84298
opinion and the actuarial opinion summary required under division 84299
(A) of this section in accordance with the national association of 84300
insurance commissioners' property and casualty statement 84301
instructions. The insurance company shall make the actuarial 84302
report and underlying work papers available to the superintendent 84303
upon request. 84304

(2) If an insurance company fails to provide the actuarial 84305
report or work papers at the request of the superintendent 84306
pursuant to division (C)(1) of this section or the superintendent 84307
determines that the actuarial report or work papers provided are 84308
unacceptable, the superintendent may contract with a qualified 84309
actuary at the expense of the insurance company to review the 84310
statement of actuarial opinion provided by the insurance company 84311
pursuant to division (A) of this section and the basis for that 84312
opinion and to prepare an actuarial report and work papers. 84313

(D) Except in cases of fraud or willful misconduct on the 84314
part of the actuary, no actuary appointed by an insurance company 84315
to prepare the statement of actuarial opinion and actuarial 84316
opinion summary required under division (A) of this section is 84317
liable for damages to any person except the insurance company and 84318
the superintendent for any act, error, omission, decision, or 84319

conduct with respect to the actuary's opinion. 84320

(E) The statement of actuarial opinion required under 84321
division (A) of this section is a public document and a public 84322
record as defined in section 149.43 of the Revised Code. However, 84323
the actuarial opinion summary, actuarial report, work papers, and 84324
any documents, materials or other information provided in support 84325
of the statement of actuarial opinion are privileged and 84326
confidential, are not a public record, and are not subject to 84327
subpoena or to discovery, and are not admissible in evidence in 84328
any private civil action. 84329

Neither the superintendent nor any person who receives 84330
documents, materials, or other information required to be kept 84331
confidential under this division while acting under the authority 84332
of the superintendent shall testify in any private civil action 84333
concerning any documents, materials, or other information required 84334
to be kept confidential under this division. 84335

This section shall not be construed to limit the 84336
superintendent's authority to release documents to the actuarial 84337
board for counseling and discipline so long as the documents are 84338
necessary for the purpose of professional disciplinary proceedings 84339
and the actuarial board for counseling and discipline establishes 84340
procedures satisfactory to the superintendent for preserving the 84341
confidentiality of the documents. Neither shall this section be 84342
construed to limit the superintendent's authority to use 84343
documents, materials, nor other information in furtherance of any 84344
regulatory or legal action brought as part of the superintendent's 84345
official duties. 84346

(F) In order to assist in the performance of the 84347
superintendent's duties, the superintendent may do all of the 84348
following: 84349

(1) Share documents, materials, or other information, 84350

including any documents, materials, or other information required 84351
to be kept confidential under division (E) of this section, with 84352
other state, federal, and international regulatory and law 84353
enforcement agencies and with the national association of 84354
insurance commissioners including its affiliates and subsidiaries 84355
if the recipient agrees to maintain the confidentiality and 84356
privileged status of the document, material, or other information 84357
and has the legal authority to maintain confidentiality; 84358

(2) Receive documents, materials, or other information, 84359
including otherwise confidential and privileged documents, 84360
materials, and information from other state, federal, and 84361
international regulatory and law enforcement agencies and from the 84362
national association of insurance commissioners including its 84363
affiliates and subsidiaries. The superintendent shall maintain the 84364
confidentiality and privileged status of any document, material, 84365
or other information received with notice of confidential and 84366
privileged status under the laws of the jurisdiction that is the 84367
source of the document, material, or information. 84368

(3) Enter into agreements consistent with divisions (E) and 84369
(F) of this section for the sharing and use of information. 84370

(G) No waiver of any privilege or claim of confidentiality of 84371
documents, materials, or other information shall occur as a result 84372
of any disclosure to the superintendent under this section or as a 84373
result of any sharing of documents, materials, or other 84374
information authorized by the superintendent under division (G) of 84375
this section. 84376

(H) As used in this section, "qualified actuary" means a 84377
person who is a member in good standing of the American academy of 84378
actuaries and who meets the requirements identified in the 84379
national association of insurance commissioners' property and 84380
casualty statement instructions. 84381

Sec. 3923.021. (A) As used in this section, ~~"benefits:~~ 84382

(1) "Benefits provided are not unreasonable in relation to 84383
the premium charged" means the rates were calculated in accordance 84384
with sound actuarial principles. 84385

(2) "Individual policy of sickness and accident insurance" 84386
includes sickness and accident insurance made available by 84387
insurers in the individual market to individuals, with or without 84388
family members or dependents, through group policies issued to one 84389
or more associations or entities. 84390

(B) With respect to any filing, made pursuant to section 84391
3923.02 of the Revised Code, of any premium rates for any 84392
individual policy of sickness and accident insurance or 84393
certificates made available by an insurer to individuals in the 84394
individual market through a group policy or for any indorsement or 84395
rider pertaining thereto, the superintendent of insurance may, 84396
within thirty days after filing: 84397

(1) Disapprove such filing after finding that the benefits 84398
provided are unreasonable in relation to the premium charged. Such 84399
disapproval shall be effected by written order of the 84400
superintendent, a copy of which shall be mailed to the insurer 84401
that has made the filing. In the order, the superintendent shall 84402
specify the reasons for the disapproval and state that a hearing 84403
will be held within fifteen days after requested in writing by the 84404
insurer. If a hearing is so requested, the superintendent shall 84405
also give such public notice as the superintendent considers 84406
appropriate. The superintendent, within fifteen days after the 84407
commencement of any hearing, shall issue a written order, a copy 84408
of which shall be mailed to the insurer that has made the filing, 84409
either affirming the prior disapproval or approving such filing 84410
after finding that the benefits provided are not unreasonable in 84411
relation to the premium charged. 84412

(2) Set a date for a public hearing to commence no later than 84413
forty days after the filing. The superintendent shall give the 84414
insurer making the filing twenty days' written notice of the 84415
hearing and shall give such public notice as the superintendent 84416
considers appropriate. The superintendent, within twenty days 84417
after the commencement of a hearing, shall issue a written order, 84418
a copy of which shall be mailed to the insurer that has made the 84419
filing, either approving such filing if the superintendent finds 84420
that the benefits provided are not unreasonable in relation to the 84421
premium charged, or disapproving such filing if the superintendent 84422
finds that the benefits provided are unreasonable in relation to 84423
the premium charged. This division does not apply to any insurer 84424
organized or transacting the business of insurance under Chapter 84425
3907. or 3909. of the Revised Code. 84426

(3) Take no action, in which case such filing shall be deemed 84427
to be approved and shall become effective upon the thirty-first 84428
day after such filing, unless the superintendent has previously 84429

at least twenty days' written notice has been given to the insurer 84433
that has made such filing and for which such public notice as the 84434
superintendent considers appropriate has been given, withdraw 84435

members of their immediate families, must be issued the same form 84596
of an individual policy, varying only as to amounts and kinds of 84597
coverage applied for by such employees or such members, under an 84598

arrangement by which the premiums on such policies may be paid to 84599

Sec. 3923.122. (A) Every policy of group sickness and 84604

~~health reinsurance program~~ in accordance with section 3924.10 of 84617
the Revised Code or plans substantially similar to the basic and 84618
standard plan in benefit design and scope of covered services. For 84619
purposes of division (A)(2) of this section, the superintendent of 84620
insurance shall determine whether a plan is substantially similar 84621
to the basic or standard plan in benefit design and scope of 84622
covered services. 84623

(B) An option for conversion to an individual policy shall be 84624
available without evidence of insurability to every insured, 84625
including any person eligible under division (D) of this section, 84626
who terminates employment or membership in the group holding the 84627
policy after having been continuously insured thereunder for at 84628
least one year. 84629

Upon receipt of the insured's written application and upon 84630
payment of at least the first quarterly premium not later than 84631

policy, the insurer shall issue a converted policy on a form then 84633

age. However, premiums charged federally eligible individuals may 84641
not exceed ~~an amount that is two times the midpoint of the~~ 84642

which the insurer is currently accepting new business and for 84646
which similar copayments and deductibles are applied; 84647

(b) For calendar year 2012 and every year thereafter, an 84648
amount that is one and one-half times the base rate charged any 84649
other individual of a group to which the insurer is currently 84650
accepting new business and for which similar copayments and 84651
deductibles are applied, unless the superintendent of insurance 84652
determines that the amendments by this act to sections 3923.58 and 84653
3923.581 of the Revised Code, have resulted in the market-wide 84654
average medical loss ratio for coverage sold to individual 84655
insureds and nonemployer group insureds in this state, including 84656
open enrollment insureds, to increase by more than five and one 84657
quarter percentage points during calendar year 2010. If the 84658
superintendent makes that determination, the premium limit 84659
established by division (B)(2)(a) of this section shall remain in 84660
effect. 84661

At the election of the insurer, a separate converted policy 84662
may be issued to cover any dependent of an employee or member of 84663
the group. 84664

Except as provided in division (H) of this section, any 84665
converted policy shall become effective as of the day following 84666
the date of termination of insurance under the group policy. 84667

Any probationary or waiting period set forth in the converted 84668
policy is deemed to commence on the effective date of the 84669
insured's coverage under the group policy. 84670

(C) No insurer shall be required to issue a converted policy 84671
to any person who is, or is eligible to be, covered for benefits 84672
at least comparable to the group policy under: 84673

(1) Title XVIII of the Social Security Act, as amended or 84674
superseded; 84675

(2) Any act of congress or law under this or any other state 84676
of the United States that duplicates coverage offered under 84677
division (C)(1) of this section; 84678

(3) Any policy that duplicates coverage offered under 84679
division (C)(1) of this section; 84680

(4) Any other group sickness and accident insurance providing 84681
hospital, surgical, or medical expense coverage for other than 84682
specific diseases or accidents only. 84683

(D) The option for conversion shall be available: 84684

(1) Upon the death of the employee or member, to the 84685
surviving spouse with respect to such of the spouse and dependents 84686
as are then covered by the group policy; 84687

(2) To a child solely with respect to the child upon 84688
attaining the limiting age of coverage under the group policy 84689
while covered as a dependent thereunder; 84690

(3) Upon the divorce, dissolution, or annulment of the 84691

marriage of the employee or member, to the divorced spouse, or 84692
former spouse in the event of annulment, of such employee or 84693
member, or upon the legal separation of the spouse from such 84694
employee or member, to the spouse. 84695

Persons possessing the option for conversion pursuant to this 84696
division shall be considered members for the purposes of division 84697
(H) of this section. 84698

(E) If coverage is continued under a group policy on an 84699
employee following retirement prior to the time the employee is, 84700
or is eligible to be, covered by Title XVIII of the Social 84701
Security Act, the employee may elect, in lieu of the continuance 84702
of group insurance, to have the same conversion rights as would 84703
apply had the employee's insurance terminated at retirement by 84704
reason of termination of employment. 84705

(F) If the insurer and the group policyholder agree upon one 84706
or more additional plans of benefits to be available for converted 84707
policies, the applicant for the converted policy may elect such a 84708
plan in lieu of a converted policy. 84709

(G) The converted policy may contain provisions for avoiding 84710
duplication of benefits provided pursuant to divisions (C)(1), 84711
(2), (3), and (4) of this section or provided under any other 84712
insured or noninsured plan or program. 84713

(H) If an employee or member becomes entitled to obtain a 84714
converted policy pursuant to this section, and if the employee or 84715
member has not received notice of the conversion privilege at 84716
least fifteen days prior to the expiration of the thirty-one-day 84717
conversion period provided in division (B) of this section, then 84718
the employee or member has an additional period within which to 84719
exercise the privilege. This additional period shall expire 84720
fifteen days after the employee or member receives notice, but in 84721
no event shall the period extend beyond sixty days after the 84722

expiration of the thirty-one-day conversion period. 84723

Written notice presented to the employee or member, or mailed 84724
by the policyholder to the last known address of the employee or 84725
member as indicated on its records, constitutes notice for the 84726
purpose of this division. In the case of a person who is eligible 84727
for a converted policy under division (D)(2) or (D)(3) of this 84728
section, a policyholder shall not be responsible for presenting or 84729
mailing such notice, unless such policyholder has actual knowledge 84730
of the person's eligibility for a converted policy. 84731

If an additional period is allowed by an employee or member 84732
for the exercise of a conversion privilege, and if written 84733
application for the converted policy, accompanied by at least the 84734
first quarterly premium, is made after the expiration of the 84735
thirty-one-day conversion period, but within the additional period 84736
allowed an employee or member in accordance with this division, 84737
the effective date of the converted policy shall be the date of 84738
application. 84739

(I) The converted policy may provide that any hospital, 84740
surgical, or medical expense benefits otherwise payable with 84741
respect to any person may be reduced by the amount of any such 84742
benefits payable under the group policy for the same loss after 84743
termination of coverage. 84744

(J) The converted policy may contain: 84745

(1) Any exclusion, reduction, or limitation contained in the 84746
group policy or customarily used in individual policies issued by 84747
the insurer; 84748

(2) Any provision permitted in this section; 84749

(3) Any other provision not prohibited by law. 84750

Any provision required or permitted in this section may be 84751
made a part of any converted policy by means of an endorsement or 84752

rider. 84753

(K) The time limit specified in a converted policy for 84754
certain defenses with respect to any person who was covered by a 84755
group policy shall commence on the effective date of such person's 84756
coverage under the group policy. 84757

(L) No insurer shall use deterioration of health as the basis 84758
for refusing to renew a converted policy. 84759

(M) No insurer shall use age or health status as the basis 84760
for refusing to renew a converted policy. 84761

(N) A converted policy made available pursuant to this 84762
section shall, if delivery of the policy is to be made in this 84763
state, comply with this section. If delivery of a converted policy 84764
is to be made in another state, it may be on a form offered by the 84765
insurer in the jurisdiction where the delivery is to be made and 84766
which provides benefits substantially in compliance with those 84767
required in a policy delivered in this state. 84768

(O) As used in this section, ~~"federally:~~ 84769

the same or similar coverage under a plan or arrangement covering 84773
any individual of a group with similar case characteristics. 84774

(2) "Federally eligible individual" means an eligible 84775
individual as defined in 45 C.F.R. 148.103. 84776

handicapped if the contract is underwritten on evidence of 84827
insurability based on health factors set forth in the application, 84828
or if such dependent child does not satisfy the conditions of the 84829
contract as to any requirement for evidence of insurability or 84830

conditions apply: 84972

(1) The individual is not applying for coverage as an 84973

benefit plan design and scope of covered services. 84991

~~An insurer~~ A carrier may offer other health benefit plans in 84992

design and scope of covered services. 85002

For purposes of this division, the superintendent of 85003
insurance shall determine whether a health benefit plan is 85004
substantially similar to the Ohio health care basic and standard 85005
plans in benefit plan design and scope of covered services. 85006

(D)(1) Health benefit plans issued under this section may 85007
establish pre-existing conditions provisions that exclude or limit 85008
coverage for a period of up to twelve months following the 85009
individual's effective date of coverage and that may relate only 85010
to conditions during the six months immediately preceding the 85011
effective date of coverage. A health insuring corporation may 85012
apply a pre-existing condition provision for any basic health care 85013
service related to a transplant of a body organ if the transplant 85014
occurs within one year after the effective date of an enrollee's 85015
coverage under this section except with respect to a newly born 85016
child who meets the requirements for coverage under section 85017
1751.61 of the Revised Code. 85018

(2) In determining whether a pre-existing conditions 85019
provision applies to an insured or dependent, each policy shall 85020
credit the time the insured or dependent was covered under a 85021
previous policy, contract, or plan if the previous coverage was 85022
continuous to a date not more than sixty-three days prior to the 85023
effective date of the new coverage, exclusive of any applicable 85024
service waiting period under the policy. 85025

(E) Premiums charged to individuals under this section may 85026
not exceed ~~an amount that is two and one half times the highest~~ 85027
the amounts specified below: 85028

(1) For calendar years 2010 and 2011, an amount that is two 85029
times the base rate charged for coverage offered to any other 85030
individual to which the ~~insurer~~ carrier is currently accepting new 85031
business, and for which similar copayments and deductibles are 85032
applied; 85033

(2) For calendar year 2012 and every year thereafter, an 85034
amount that is one and one-half times the base rate for coverage 85035
offered to any other individual to which the carrier is currently 85036
accepting new business and for which similar copayments and 85037
deductibles are applied, unless the superintendent of insurance 85038
determines that the amendments by this act to this section and 85039
section 3923.581 of the Revised Code, have resulted in the 85040
market-wide average medical loss ratio for coverage sold to 85041
individual insureds and nonemployer group insureds in this state, 85042
including open enrollment insureds, to increase by more than five 85043
and one quarter percentage points during calendar year 2010. If 85044
the superintendent makes that determination, the premium limit 85045
established by division (E)(1) of this section shall remain in 85046
effect. The superintendent's determination shall be supported by a 85047
signed letter from a member of the American academy of actuaries. 85048
85049

(F) In offering health benefit plans under this section, ~~an~~ 85050
~~insurer~~ a carrier may require the purchase of health benefit plans 85051
that condition the reimbursement of health services upon the use 85052
of a specific network of providers. 85053

(G)(1) ~~In no event shall an insurer~~ A carrier shall not be 85054
~~required to accept annually new applicants under this section if~~ 85055
~~the total number of the carrier's current insureds with open~~ 85056
~~enrollment coverage issued under this section individuals who, in~~ 85057
~~the aggregate, would cause the insurer to have a total number of~~ 85058
~~new insureds that is more than one half per cent of its total~~ 85059
~~number of insured individuals in this state per year, as~~ 85060

~~contemplated by section 3923.021 of the Revised Code, calculated~~ 85061
as of the immediately preceding thirty-first day of December and 85062
excluding the ~~insurer's~~ carrier's medicare supplement policies and 85063
conversion or continuation of coverage policies under state or 85064
federal law and any policies described in division (L) of this 85065
section meets the following limits: 85066

(a) For calendar years 2010 and 2011, four per cent of the 85067
carrier's total number of individual or nonemployer group insureds 85068
in this state; 85069

(b) For calendar year 2012 and every year thereafter, eight 85070
per cent of the carrier's total number of insured individuals and 85071
nonemployer group insureds in this state, unless the 85072
superintendent of insurance determines that the amendments by this 85073
act to this section and section 3923.581 of the Revised Code, have 85074
resulted in the market-wide average medical loss ratio for 85075
coverage sold to individual insureds and nonemployer group 85076
insureds in this state, including open enrollment insureds, to 85077
increase by more than five and one quarter percentage points 85078
during calendar year 2010. If the superintendent makes that 85079
determination, the enrollment limit established by division 85080
(G)(1)(a) of this section shall remain in effect. The 85081
superintendent's determination shall be supported by a signed 85082
letter from a member of the American academy of actuaries. 85083

(2) An officer of the ~~insurer~~ carrier shall certify to the 85084
department of insurance when it has met the enrollment limit set 85085
forth in division (G)(1) of this section. Upon providing such 85086
certification, the ~~insurer~~ carrier shall be relieved of its open 85087
enrollment requirement under this section ~~for the remainder of the~~ 85088
~~calendar year~~ as long as the carrier continues to meet the open 85089
enrollment limit. If the total number of the carrier's current 85090
insureds with open enrollment coverage issued under this section 85091
falls below the enrollment limit, the carrier shall accept new 85092

applicants. A carrier may establish a waiting list if the carrier 85093
has met the open enrollment limit and shall notify the 85094
superintendent if the carrier has a waiting list in effect. 85095

(H) ~~An insurer~~ A carrier shall not be required to accept 85096
under this section applicants who, at the time of enrollment, are 85097
confined to a health care facility because of chronic illness, 85098
permanent injury, or other infirmity that would cause economic 85099
impairment to the ~~insurer~~ carrier if the applicants were accepted, 85100
~~or~~. A carrier shall not be required to make the effective date of 85101
benefits for individuals accepted under this section earlier than 85102
ninety days after the date of acceptance, except that when the 85103
individual had prior coverage with a health benefit plan that was 85104
terminated by a carrier because the carrier exited the market and 85105
the individual was accepted for open enrollment under this section 85106
within sixty-three days of that termination, the effective date of 85107
benefits shall be the date of enrollment. 85108

85109

(I) The requirements of this section do not apply to any 85110
~~insurer~~ carrier that is currently in a state of supervision, 85111
insolvency, or liquidation. If ~~an insurer~~ a carrier demonstrates 85112
to the satisfaction of the superintendent that the requirements of 85113
this section would place the ~~insurer~~ carrier in a state of 85114
supervision, insolvency, or liquidation, or would otherwise 85115
jeopardize the carrier's economic viability overall or in the 85116
individual market, the superintendent may waive or modify the 85117
requirements of division (B) or (G) of this section. The actions 85118
of the superintendent under this division shall be effective for a 85119
period of not more than one year. At the expiration of such time, 85120
a new showing of need for a waiver or modification by the ~~insurer~~ 85121
carrier shall be made before a new waiver or modification is 85122
issued or imposed. 85123

(J) No hospital, health care facility, or health care 85124

practitioner, and no person who employs any health care 85125
practitioner, shall balance bill any individual or dependent of an 85126
individual for any health care supplies or services provided to 85127
the individual or dependent who is insured under a policy issued 85128
under this section. The hospital, health care facility, or health 85129
care practitioner, or any person that employs the health care 85130
practitioner, shall accept payments made to it by the ~~insurer~~ 85131
carrier under the terms of the policy or contract insuring or 85132
covering such individual as payment in full for such health care 85133
supplies or services. 85134

As used in this division, "hospital" has the same meaning as 85135
in section 3727.01 of the Revised Code; "health care practitioner" 85136
has the same meaning as in section 4769.01 of the Revised Code; 85137
and "balance bill" means charging or collecting an amount in 85138
excess of the amount reimbursable or payable under the policy or 85139
health care service contract issued to an individual under this 85140
section for such health care supply or service. "Balance bill" 85141
does not include charging for or collecting copayments or 85142
deductibles required by the policy or contract. 85143

(K) ~~An insurer shall~~ A carrier may pay an agent a commission 85144
in the amount of not more than five per cent of the premium 85145
charged for initial placement or for otherwise securing the 85146
issuance of a policy or contract issued to an individual under 85147
this section, and not more than four per cent of the premium 85148
charged for the renewal of such a policy or contract. The 85149
superintendent may adopt, in accordance with Chapter 119. of the 85150
Revised Code, such rules as are necessary to enforce this 85151
division. 85152

(L) This section does not apply to any policy that provides 85153
coverage for specific diseases or accidents only, or to any 85154
hospital indemnity, medicare supplement, long-term care, 85155
disability income, one-time-limited-duration policy of no longer 85156

than six months, or other policy that offers only supplemental 85157
benefits. 85158

(M) If a carrier offers a health benefit plan in the 85159
individual market through a network plan, the carrier may do both 85160
of the following: 85161

(1) Limit the individuals that may apply for such coverage to 85162
those who live, work, or reside in the service area of the network 85163
plan; 85164

(2) Within the service area of the network plan, deny the 85165
coverage to individuals if the carrier has demonstrated both of 85166
the following to the superintendent: 85167

(a) The carrier will not have the capacity to deliver 85168
services adequately to any additional individuals because of the 85169
carrier's obligations to existing group contract holders and 85170
individuals. 85171

(b) The carrier is applying division (M)(2) of this section 85172
uniformly to all individuals without regard to any health 85173
status-related factors of those individuals. 85174

(N) A carrier that, pursuant to division (M)(2) of this 85175
section, denies coverage to an individual in the service area of a 85176
network plan, shall not offer coverage in the individual market 85177
within that service area for at least one hundred eighty days 85178
after the date the carrier denies the coverage. 85179

Sec. 3923.581. (A) As used in this section: 85180

(1) "Base rate" means, as to any health benefit plan that is 85181
issued by a carrier in the individual market, the lowest premium 85182
rate for new or existing business prescribed by the carrier for 85183
the same or similar coverage under a plan or arrangement covering 85184
any individual with similar case characteristics. 85185

(2) "Carrier," "health benefit plan," "MEWA," and 85186

"pre-existing conditions provision" have the same meanings as in section 3924.01 of the Revised Code.	85187 85188
(2) (3) "Federally eligible individual" means an eligible individual as defined in 45 C.F.R. 148.103.	85189 85190
(3) (4) "Health status-related factor" means any of the following:	85191 85192

(5) "Network plan" means a health benefit plan of a carrier under which the financing and delivery of medical care, including items and services paid for as medical care, are provided, in whole or in part, through a defined set of providers under contract with the carrier.	85208 85209 85210 85211 85212
<u>(6) "Ohio health care basic and standard plans" means those plans established under section 3924.10 of the Revised Code.</u>	85213 85214
(B) Beginning in January of each year, carriers in the	85215

business of issuing health benefit plans to individuals or 85216
nonemployer groups shall accept federally eligible individuals for 85217
open enrollment coverage, as provided in this section, in the 85218
order in which they apply for coverage and subject to the 85219
limitation set forth in division (J) of this section. 85220

(C) No carrier shall do either of the following: 85221

(1) Decline to offer such coverage to, or deny enrollment of, 85222
such individuals; 85223

(2) Apply any pre-existing conditions provision to such 85224
coverage. 85225

(D) A carrier shall offer to federally eligible individuals 85226
the Ohio health care basic and standard ~~plan established by the~~ 85227
~~board of directors of the Ohio health reinsurance program~~ plans or 85228
plans substantially similar to the basic and standard ~~plan~~ plans 85229

this division, the superintendent of insurance shall determine 85231
whether a plan is substantially similar to the basic or standard 85232
plan in benefit design and scope of covered services. 85233

(E) Premiums charged to individuals under this section may 85234
not exceed ~~an amount that is two times the midpoint~~ the amounts 85235
specified below: 85236

(1) For calendar years 2010 and 2011, an amount that is two 85237

applied; 85241

(2) For calendar year 2012 and every calendar year 85242

for coverage offered to any other individual to which the carrier 85244
is currently accepting new business and for which similar 85245
copayments and deductibles are applied, unless the superintendent 85246

of insurance determines that the amendments by this act to this section and section 3923.58 of the Revised Code, have resulted in a market-wide average medical loss ratio for coverage sold to individual insureds and nonemployer group insureds in this state, including open enrollment insureds, to increase by more than five and one quarter percentage points during calendar year 2010. If the superintendent makes that determination, the premium limit established by division (E)(1) of this section shall remain in effect. The superintendent's determination shall be supported by a signed letter from a member of the American academy of actuaries.

85261
85262
85263

(2) Within the service area of the network plan, deny the coverage to federally eligible individuals if the carrier has demonstrated both of the following to the superintendent:

85264
85265

(a) The carrier will not have the capacity to deliver services adequately ~~to~~ to any additional individuals because of the carrier's obligations to existing group contract holders and individuals.

85267
85268

85270

(b) The carrier is applying division (F)(2) of this section uniformly to all federally eligible individuals without regard to any health status-related factor of those individuals.

85271
85272
85273

(G) A carrier that, pursuant to division (F)(2) of this section, denies coverage to an individual in the service area of a network plan, shall not offer coverage in the individual market within that service area for at least one hundred eighty days

85277

after the date the coverage is denied. 85278

(H) A carrier may refuse to issue health benefit plans to 85279
federally eligible individuals if the carrier has demonstrated 85280
both of the following to the superintendent: 85281

(1) The carrier does not have the financial reserves 85282
necessary to underwrite additional coverage. 85283

(2) The carrier is applying division (H) of this section 85284
uniformly to all federally eligible individuals in this state 85285
consistent with the applicable laws and rules of this state and 85286
without regard to any health status-related factor relating to 85287
those individuals. 85288

(I) A carrier that, pursuant to division (H) of this section, 85289
refuses to issue health benefit plans to federally eligible 85290
individuals, shall not offer health benefit plans in the 85291
individual market in this state for at least one hundred eighty 85292
days after the date the coverage is denied or until the carrier 85293
has demonstrated to the superintendent that the carrier has 85294
sufficient financial reserves to underwrite additional coverage, 85295
whichever is later. 85296

(J)(1) Except as provided in division (J)(2) of this section, 85297
a carrier shall not be required to accept ~~annually~~ new applicants 85298
under this section ~~federally eligible individuals who, in the~~ 85299
~~aggregate, would cause the carrier to have a total number of new~~ 85300
~~insureds that is more than one half per cent of its total number~~ 85301
~~of insured individuals and nonemployer groups in this state per~~ 85302
~~year, if the total number of the carrier's current insureds with~~ 85303
open enrollment coverage issued under this section calculated as 85304
of the immediately preceding thirty-first day of December and 85305
excluding the carrier's medicare supplement policies and 85306
conversion or continuation of coverage policies under state or 85307
federal law and any policies described in division ~~(M)~~(L) of 85308

section 3923.58 of the Revised Code meets the following limits: 85309

(a) For calendar years 2010 and 2011, four per cent of the 85310
carrier's total number of individual or nonemployer group insureds 85311
in this state; 85312

(b) For calendar year 2012 and every year thereafter, eight 85313
per cent of the carrier's total number of insured individuals and 85314
nonemployer group insureds in this state, unless the 85315
superintendent of insurance determines that the amendments by this 85316
act to this section and section 3923.58 of the Revised Code, have 85317
resulted in the market-wide average medical loss ratio for 85318
coverage sold to individual insureds and nonemployer group 85319
insureds in this state, including open enrollment insureds, to 85320
increase by more than five and one quarter percentage points 85321
during calendar year 2010. If the superintendent makes that 85322
determination, the enrollment limit established by division 85323
(J)(1)(a) shall remain in effect. The superintendent's 85324
determination shall be supported by a signed letter from a member 85325
of the American academy of actuaries. 85326

(2) An officer of the carrier shall certify to the department 85327
of insurance when it has met the enrollment limit set forth in 85328
division (J)(1) of this section. Upon providing such 85329
certification, the carrier shall be relieved of its open 85330
enrollment requirement under this section for ~~the remainder of the~~ 85331
~~calendar year unless, prior to the end of the calendar year, as~~ 85332
long as the carrier continues to meet the open enrollment limit. 85333
If the total number of the carrier's current insureds with open 85334
enrollment coverage issued under this section falls below the 85335
enrollment limit, the carrier shall accept new applicants. A 85336
carrier may establish a waiting list if the carrier has met the 85337
open enrollment limit and shall notify the superintendent if the 85338
carrier has a waiting list in effect. In the event that all the 85339
carriers subject to this section have individually met the 85340

enrollment limit set forth in division (J)(1) of this section. ~~In~~ 85341
~~that event~~ in a calendar year, carriers shall again accept 85342
applicants for open enrollment coverage pursuant to this section, 85343
subject to ~~the~~ an additional enrollment limit equal to one-half of 85344
the limitation set forth in division (J)(1) of this section. 85345

(K) The superintendent may provide for the application of 85346
this section on a service-area-specific basis. 85347

(L) The requirements of this section do not apply to any 85348
health benefit plan described in division ~~(M)~~(L) of section 85349
3923.58 of the Revised Code. 85350

(M) A carrier may pay an agent a commission in the amount of 85351
not more than five per cent of the premium charged for initial 85352
placement or for otherwise securing the issuance of a policy or 85353
contract issued to an individual under this section, and not more 85354
than four per cent of the premium charged for the renewal of such 85355
a policy or contract. The superintendent may adopt, in accordance 85356
with Chapter 119. of the Revised Code, such rules as are necessary 85357
to enforce this division. 85358

Sec. 3923.582. (A) The superintendent of insurance may adopt 85359
rules in accordance with Chapter 119. of the Revised Code to 85360
implement sections 3923.58 and 3923.581 of the Revised Code, 85361
including, but not limited to, rules relating to both of the 85362
following: 85363

(1) Requirements for adequate notice by carriers to consumers 85364
of the availability and premium rates of open enrollment coverage; 85365

(2) Reporting and data collection requirements for 85366
implementation of the open enrollment program and to evaluate the 85367
performance of the open enrollment program and the individual 85368
health insurance market of this state. 85369

(B) On or before June 30, beginning calendar year 2011 and 85370

continuing every year thereafter, the superintendent shall issue a 85371
report to the governor and the general assembly on the open 85372
enrollment program and the performance of the individual health 85373
insurance market in this state. The report shall include a 85374
determination by the superintendent, supported by a signed letter 85375
from a member of the American academy of actuaries, as to whether 85376
the amendments by this act to sections 3923.58 and 3923.581 of the 85377
Revised Code, have caused the market-wide average medical loss 85378
ratio for coverage sold to individual insureds and nonemployer 85379
group insureds in this state, including open enrollment insureds, 85380
to increase and, if so, by how many percentage points. 85381

Sec. 3923.66. (A) As used in sections 3923.66 to 3923.70 of 85383
the Revised Code: 85384

(1) "Clinical peer" and "physician" have the same meanings as 85385
in section 1751.77 of the Revised Code. 85386

(2) "Authorized person" means a parent, guardian, or other 85387
person authorized to act on behalf of an insured with respect to 85388
health care decisions. 85389

(B) Sections 3923.66 to 3923.70 of the Revised Code do not 85390
apply to any individual or group policy of sickness and accident 85391
insurance covering only accident, credit, dental, disability 85392
income, long-term care, hospital indemnity, medicare supplement, 85393
medicare, tricare, specified disease, or vision care; coverage 85394
issued as a supplement to liability insurance; insurance arising 85395
out of workers' compensation or similar law; automobile medical 85396
payment insurance; or insurance under which benefits are payable 85397
with or without regard to fault and which is statutorily required 85398
to be contained in any liability insurance policy or equivalent 85399
self-insurance. 85400

(C) The superintendent of insurance shall establish and 85401

maintain a system for receiving and reviewing requests for review 85402
from insureds who have been denied coverage of a health care 85403
service on the grounds that the service is not a service covered 85404
under the terms of the insured's policy or certificate. 85405

On receipt of a written request from an insured or authorized 85406
person, the superintendent shall consider whether the health care 85407
service is a service covered under the terms of the insured's 85408
policy or certificate, except that the superintendent shall not 85409
conduct a review under this section unless the insured has 85410
exhausted the insurer's internal review process. The insurer and 85411
the insured or authorized person shall provide the superintendent 85412
with any information required by the superintendent that is in 85413
their possession and is germane to the review. 85414

Unless the superintendent is not able to do so because making 85415
the determination requires resolution of a medical issue, the 85416
superintendent shall determine whether the health care service at 85417
issue is a service covered under the terms of the insured's policy 85418
or certificate. The superintendent shall notify the insured, or 85419
authorized person, and the insurer of its determination or that it 85420
is not able to make a determination because the determination 85421
requires the resolution of a medical issue. 85422

If the superintendent notifies the insurer that making the 85423
determination requires the resolution of a medical issue, the 85424
insurer shall ~~afford the insured an opportunity for~~ initiate an 85425
external review under section 3923.67 or 3923.68 of the Revised 85426
Code. If the superintendent notifies the insurer that the health 85427
care service is not a covered service, the insurer is not required 85428
to cover the service or afford the insured an external review. 85429

Sec. 3923.67. (A) Except as provided in divisions (B) and (C) 85430
of this section, an insurer shall afford an insured an opportunity 85431
for an external review of a coverage denial when requested by the 85432

insured or authorized person, if both of the following are the 85433
case: 85434

(1) The insurer has denied, reduced, or terminated coverage 85435
for what would be a covered health care service except that the 85436
insurer has determined that the health care service is not 85437
medically necessary. 85438

(2) Except in the case of expedited review, the proposed 85439
service, plus any ancillary services and follow-up care, will cost 85440
the insured more than five hundred dollars if the proposed service 85441
is not covered by the insurer. 85442

External review shall be conducted in accordance with this 85443
section, except that if an insured with a terminal condition meets 85444
all of the criteria of division (A) of section 3923.68 of the 85445
Revised Code, an external review shall be conducted under that 85446
section. 85447

(B) An insured need not be afforded a review under this 85448
section in any of the following circumstances: 85449

(1) The superintendent of insurance has determined under 85450
section 3923.66 of the Revised Code that the health care service 85451
is not a service covered under the terms of the insured's policy 85452
or certificate. 85453

(2) The insured has failed to exhaust the insurer's internal 85454
review process. 85455

(3) The insured has previously afforded an external review 85456
for the same denial of coverage, and no new clinical information 85457
has been submitted to the insurer. 85458

(C)(1) An insurer may deny a request from an insured for an 85459
external review of an adverse decision from the insurer's internal 85460
appeal process if it is requested later than sixty one hundred 85461
eighty days after receipt ~~by the insured~~ of notice ~~from the~~ 85462

~~superintendent of insurance under section 3923.66 of the Revised Code that making a determination requires the resolution of a medical issue from the insurer of the adverse decision.~~ An external review may be requested by the insured, an authorized person, the insured's provider, or a health care facility rendering health care service to the insured. The insured may request a review without the approval of the provider or the health care facility rendering the health care service. The provider or health care facility may not request a review without the prior consent of the insured.

(2) An external review must be requested in writing, except that if the insured has a condition that requires expedited review, the review may be requested orally or by electronic means. When an oral or electronic request for review is made, written confirmation of the request must be submitted to the insurer not later than five days after the request is made.

Except in the case of an expedited review, a request for an external review must be accompanied by written certification from the insured's provider or the health care facility rendering the health care service to the insured that the proposed service, plus any ancillary services and follow-up care, will cost the insured more than five hundred dollars if the proposed service is not covered by the insurer.

(3) For an expedited review, the insured's provider must certify that the insured's condition could, in the absence of immediate medical attention, result in any of the following:

(a) Placing the health of the insured or, with respect to a pregnant woman, the health of the insured or the unborn child, in serious jeopardy;

(b) Serious impairment to bodily functions;

(c) Serious dysfunction of any bodily organ or part.

(D) The procedures used in conducting an external review	85494
shall include all of the following:	85495
(1) The review shall be conducted by an independent review	85496
organization assigned by the superintendent of insurance under	85497
section 3901.80 of the Revised Code.	85498
(2) Except as provided in divisions (D)(3) and (4) of this	85499
section, neither the clinical peer nor any health care facility	85500
with which the clinical peer is affiliated shall have any	85501
professional, familial, or financial affiliation with any of the	85502
following:	85503
(a) The insurer or any officer, director, or managerial	85504
employee of the insurer;	85505
(b) The insured, the insured's provider, or the practice	85506
group of the insured's provider;	85507
(c) The health care facility at which the health care service	85508
requested by the insured would be provided;	85509
(d) The development or manufacture of the principal drug,	85510
device, procedure, or therapy proposed for the insured.	85511
(3) Division (D)(2) of this section does not prohibit a	85512
clinical peer from conducting a review under any of the following	85513
circumstances:	85514
(a) The clinical peer is affiliated with an academic medical	85515
center that provides health care services to insureds of the	85516
insurer.	85517
(b) The clinical peer has staff privileges at a health care	85518
facility that provides health care services to insureds of the	85519
insurer.	85520
(c) The clinical peer has a contractual relationship with the	85521
insurer but was not involved with the insurer's coverage decision.	85522
(4) Division (D)(2) of this section does not prohibit the	85523

insurer from paying the independent review organization for the 85524
conduct of the review. 85525

(5) An insured shall not be required to pay for any part of 85526
the cost of the review. The cost of the review shall be borne by 85527
the insurer. 85528

(6)(a) The insurer shall provide to the independent review 85529
organization conducting the review a copy of those records in its 85530
possession that are relevant to the insured's medical condition 85531
and the review. 85532

Records shall be used solely for the purpose of this 85533
division. At the request of the independent review organization, 85534
the insurer, insured, provider, or health care facility rendering 85535
health care services to the insured shall provide any additional 85536
information the independent review organization requests to 85537
complete the review. A request for additional information may be 85538
made in writing, orally, or by electronic means. The independent 85539
review organization shall submit the request to the insured and 85540
insurer. If a request is submitted orally or by electronic means 85541
to an insured or insurer, not later than five days after the 85542
request is submitted, the independent review organization shall 85543
provide written confirmation of the request. If the review was 85544
initiated by a provider or health care facility, a copy of the 85545
request shall be submitted to the provider or health care 85546
facility. 85547

(b) An independent review organization is not required to 85548
make a decision if it has not received any requested information 85549
that it considers necessary to complete a review. An independent 85550
review organization that does not make a decision for this reason 85551
shall notify the insured and the insurer that a decision is not 85552
being made. The notice may be made in writing, orally, or by 85553
electronic means. An oral or electronic notice shall be confirmed 85554
in writing not later than five days after the oral or electronic 85555

notice is made. If the review was initiated by a provider or health care facility, a copy of the notice shall be submitted to the provider or health care facility.

(7) The insurer may elect to cover the service requested and terminate the review. The insurer shall notify the insured and all other parties involved with the decision by mail, or with the consent or approval of the insured, by electronic means.

(8) In making its decision, an independent review organization conducting the review shall take into account all of the following:

(a) Information submitted by the insurer, the insured, the insured's provider, and the health care facility rendering the health care service, including the following:

(i) The insured's medical records;

(ii) The standards, criteria, and clinical rationale used by the insurer to make its decision.

(b) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations, including the national institutes of health or any board recognized by the national institutes of health, the national cancer institute, the national academy of sciences, the United States food and drug administration, the health care financing administration of the United States department of health and human services, and the agency for health care policy and research;

(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national medical societies.

(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than

seven days after the filing of the request for review. In all 85586
other cases, the independent review organization shall issue a 85587
written decision not later than thirty days after the filing of 85588
the request. The independent review organization shall send a copy 85589
of its decision to the insurer and the insured. If the insured's 85590
provider or the health care facility rendering health care 85591
services to the insured requested the review, the independent 85592
review organization shall also send a copy of its decision to the 85593
insured's provider or the health care facility. 85594

(b) The independent review organization's decision shall 85595
include a description of the insured's condition and the principal 85596
reasons for the decision and an explanation of the clinical 85597
rationale for the decision. 85598

(E) The independent review organization shall base its 85599
decision on the information submitted under division (D)(8) of 85600
this section. In making its decision, the independent review 85601
organization shall consider safety, efficacy, appropriateness, and 85602
cost-effectiveness. 85603

(F) The insurer shall provide any coverage determined by the 85604
independent review organization's decision to be medically 85605
necessary, subject to the other terms, limitations, and conditions 85606
of the insured's policy or certificate. 85607

Sec. 3923.68. (A) Each insurer shall establish a reasonable 85608
external, independent review process to examine the insurer's 85609
coverage decisions for insureds who meet all of the following 85610
criteria: 85611

(1) The insured has a terminal condition that, according to 85612
the current diagnosis of the insured's physician, has a high 85613
probability of causing death within two years. 85614

(2) The insured requests a review not later than ~~sixty~~ one 85615

hundred eighty days after receipt by the insured of notice from 85616
the ~~superintendent of insurance under section 3923.66 of the~~ 85617
~~Revised Code that making a determination requires resolution of a~~ 85618
~~medical issue~~ insurer of the adverse decision. 85619

(3) The insured's physician certifies that the insured has 85620
the condition described in division (A)(1) of this section and any 85621
of the following situations are applicable: 85622

(a) Standard therapies have not been effective in improving 85623
the condition of the insured. 85624

(b) Standard therapies are not medically appropriate for the 85625
insured. 85626

(c) There is no standard therapy covered by the insurer that 85627
is more beneficial than therapy described in division (A)(4) of 85628
this section. 85629

(4) The insured's physician has recommended a drug, device, 85630
procedure, or other therapy that the physician certifies, in 85631
writing, is likely to be more beneficial to the insured, in the 85632
physician's opinion, than standard therapies, or the insured has 85633
requested a therapy that has been found in a preponderance of 85634
peer-reviewed published studies to be associated with effective 85635
clinical outcomes for the same condition. 85636

(5) The insured has been denied coverage by the insurer for a 85637
drug, device, procedure, or other therapy recommended or requested 85638
pursuant to division (A)(4) of this section, and has exhausted the 85639
insurer's internal review process. 85640

(6) The drug, device, procedure, or other therapy, for which 85641
coverage has been denied, would be a covered health care service 85642
except for the insurer's determination that the drug, device, 85643
procedure, or other therapy is experimental or investigational. 85644

(B) A review shall be requested in writing, except that if 85645

the insured's physician determines that a therapy would be 85646
significantly less effective if not promptly initiated, the review 85647
may be requested orally or by electronic means. When an oral or 85648
electronic request for review is made, written confirmation of the 85649
request shall be submitted to the insurer not later than five days 85650
after the oral or written request is submitted. 85651

(C) The external, independent review process established by 85652
an insurer shall meet all of the following criteria: 85653

(1) Except as provided in division (E) of this section, the 85654
process shall afford all insureds who meet the criteria set forth 85655
in division (A) of this section the opportunity to have the 85656
insurer's decision to deny coverage of the recommended or 85657
requested therapy reviewed under the process. Each eligible 85658
insured shall be notified of that opportunity within thirty 85659
business days after the insurer denies coverage. 85660

(2) The review shall be conducted by an independent review 85661
organization assigned by the superintendent of insurance under 85662
section 3901.80 of the Revised Code. 85663

The independent review organization shall select a panel to 85664
conduct the review, which panel shall be composed of at least 85665
three physicians or other providers who, through clinical 85666
experience in the past three years, are experts in the treatment 85667
of the insured's medical condition and knowledgeable about the 85668
recommended or requested therapy. 85669

In either of the following circumstances, an exception may be 85670
made to the requirement that the review be conducted by an expert 85671
panel composed of a minimum of three physicians or other 85672
providers: 85673

(a) A review may be conducted by an expert panel composed of 85674
only two physicians or other providers if an insured has consented 85675
in writing to a review by the smaller panel. 85676

(b) A review may be conducted by a single expert physician or other provider if only the expert physician or other provider is available for the review.

(3) Neither the insurer nor the insured shall choose, or control the choice of, the physician or other provider experts.

(4) The selected experts, any health care facility with which an expert is affiliated, and the independent review organization arranging for the experts' review shall not have any professional, familial, or financial affiliation with any of the following:

(a) The insurer or any officer, director, or managerial employee of the insurer;

(b) The insured, the insured's physician, ~~of~~ or the practice group of the insured's physician;

(c) The health care facility at which the recommended or requested therapy would be provided;

(d) The development or manufacture of the principal drug, device, procedure, or therapy involved in the recommended or requested therapy.

However, experts affiliated with academic medical centers who provide health care services to insureds of the insurer may serve as experts on the review panel. Further, experts with staff privileges at a health care facility that provides health care services to insureds of the insurer, as well as experts who have a contractual relationship with the insurer, but who were not involved with the insurer's denial of coverage for the therapy under review, may serve as experts on the review panel. These nonaffiliation provisions do not preclude an insurer from paying for the experts' review, as specified in division (C)(5) of this section.

(5) Insureds shall not be required to pay for any part of the

cost of the review. The cost of the review shall be borne by the insurer. 85707
85708

(6) The insurer shall provide to the independent review organization arranging for the experts' review a copy of those records in the insurer's possession that are relevant to the insured's medical condition and the review. The records shall be disclosed solely to the expert reviewers and shall be used solely for the purpose of this section. At the request of the expert reviewers, the insurer or the physician requesting the therapy shall provide any additional information that the expert reviewers request to complete the review. An expert reviewer is not required to render an opinion if the reviewer has not received any requested information that the reviewer considers necessary to complete the review. 85709

(7)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the insurer and the insured. If the insured's provider or the health care facility rendering health care services to the insured requested the review, the independent review organization shall also send a copy of its decision to the insured's provider or the health care facility. 85721

(b) In conducting the review, the experts on the panel shall take into account all of the following: 85732
85733

(i) Information submitted by the insurer, the insured, and the insured's physician, including the insured's medical records and the standards, criteria, and clinical rationale used by the insurer to reach its coverage decision; 85734
85735
85736
85737

(ii) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations;	85738 85739 85740
(iii) Relevant findings in peer-reviewed medical or scientific literature and published opinions of nationally recognized medical experts;	85741 85742 85743
(iv) Clinical guidelines adopted by relevant national medical societies;	85744 85745
(v) Safety, efficacy, appropriateness, and cost effectiveness.	85746 85747
(8) Each expert on the panel shall provide the independent review organization with a professional opinion as to whether there is sufficient evidence to demonstrate that the recommended or requested therapy is likely to be more beneficial to the insured than standard therapies.	85748 85749 85750 85751 85752
(9) Each expert's opinion shall be presented in written form and shall include the following information:	85753 85754
(a) A description of the insured's condition;	85755
(b) A description of the indicators relevant to determining whether there is sufficient evidence to demonstrate that the recommended or requested therapy is more likely than not to be more beneficial to the insured than standard therapies;	85756 85757 85758 85759
(c) A description and analysis of any relevant findings published in peer-reviewed medical or scientific literature or the published opinions of medical experts or specialty societies;	85760 85761 85762
(d) A description of the insured's suitability to receive the recommended or requested therapy according to a treatment protocol in a clinical trial, if applicable.	85763 85764 85765
(10) The independent review organization shall provide the insurer with the opinions of the experts. The insurer shall make	85766 85767

the experts' opinions available to the insured and the insured's 85768
physician, upon request. 85769

(11) The opinion of the majority of the experts on the panel, 85770
rendered pursuant to division (C)(8) of this section, is binding 85771
on the insurer with respect to that insured. If the opinions of 85772
the experts on the panel are evenly divided as to whether the 85773
therapy should be covered, the insurer's final decision shall be 85774
in favor of coverage. If less than a majority of the experts on 85775
the panel recommend coverage of the therapy, the insurer may, in 85776
its discretion, cover the therapy. However, any coverage provided 85777
pursuant to division (C)(11) of this section is subject to the 85778
terms, limitations, and conditions of the insured's policy or 85779
certificate with the insurer. 85780

(12) The insurer shall have written policies describing the 85781
external, independent review process. 85782

(D) If an insurer's initial denial of coverage for a therapy 85783
recommended or requested pursuant to division (A)(3) of this 85784
section is based upon an external, independent review of that 85785
therapy meeting the requirements of division (C) of this section, 85786
this section shall not be a basis for requiring a second external, 85787
independent review of the recommended or requested therapy. 85788

(E) At any time during the external, independent review 85789
process, the insurer may elect to cover the recommended or 85790
requested health care service and terminate the review. The 85791
insurer shall notify the insured and all other parties involved by 85792
mail or, with consent or approval of the insured, by electronic 85793
means. 85794

(F) The insurer shall annually file a certificate with the 85795
superintendent of insurance certifying its compliance with the 85796
requirements of this section. 85797

Sec. 3923.75. (A) As used in sections 3923.75 to 3923.79 of 85798
the Revised Code: 85799

(1) "Clinical peer" and "physician" have the same meanings as 85800
in section 1751.77 of the Revised Code. 85801

(2) "Authorized person" means a parent, guardian, or other 85802
person authorized to act on behalf of a plan member with respect 85803
to health care decisions. 85804

(B) Sections 3923.75 to 3923.79 of the Revised Code do not 85805
apply to any public employee benefit plan covering only accident, 85806
credit, dental, disability income, long-term care, hospital 85807
indemnity, medicare supplement, medicare, tricare, specified 85808
disease, or vision care; coverage issued as a supplement to 85809
liability insurance; insurance arising out of workers' 85810
compensation or similar law; automobile medical payment insurance; 85811
or insurance under which benefits are payable with or without 85812
regard to fault and which is statutorily required to be contained 85813
in any liability insurance policy or equivalent self-insurance. 85814

(C) The superintendent of insurance shall establish and 85815
maintain a system for receiving and reviewing requests for review 85816
from plan members who have been denied coverage of a health care 85817
service on the grounds that the service is not a service covered 85818
under the terms of the public employee benefit plan. 85819

On receipt of a written request from a plan member or 85820
authorized person, the superintendent shall consider whether the 85821
health care service is a service covered under the terms of the 85822
plan, except that the superintendent shall not conduct a review 85823
under this section unless the plan member has exhausted the plan's 85824
internal review process. The plan and the plan member or 85825
authorized person shall provide the superintendent with any 85826
information required by the superintendent that is in their 85827
possession and is germane to the review. 85828

Unless the superintendent is not able to do so because making 85829
the determination requires resolution of a medical issue, the 85830
superintendent shall determine whether the health care service at 85831
issue is a service covered under the terms of the plan. The 85832
superintendent shall notify the plan member, or authorized person, 85833
and the plan of its determination or that it is not able to make a 85834
determination because the determination requires the resolution of 85835
a medical issue. 85836

If the superintendent notifies the plan that making the 85837
determination requires the resolution of a medical issue, the plan 85838
shall ~~afford the plan member~~ initiate an ~~opportunity for~~ external 85839
review under section 3923.76 or 3923.77 of the Revised Code. If 85840
the superintendent notifies the plan that the health care service 85841
is not a covered service, the plan is not required to cover the 85842
service or afford the plan member an external review. 85843

Sec. 3923.76. (A) Except as provided in divisions (B) and (C) 85844
of this section, a public employee benefit plan shall afford a 85845
plan member an opportunity for an external review of a coverage 85846
denial when requested by the plan member or authorized person, if 85847
both of the following are the case: 85848

(1) The plan has denied, reduced, or terminated coverage for 85849
what would be a covered health care service except that the plan 85850
has determined that the health care service is not medically 85851
necessary. 85852

(2) Except in the case of expedited review, the proposed 85853
service, plus any ancillary services and follow-up care, will cost 85854
the plan member more than five hundred dollars if the proposed 85855
service is not covered by the plan. 85856

External review shall be conducted in accordance with this 85857
section, except that if a plan member with a terminal condition 85858
meets all of the criteria of division (A) of section 3923.77 of 85859

the Revised Code, an external review shall be conducted under that section. 85860
85861

(B) A plan member need not be afforded a review under this section in any of the following circumstances: 85862
85863

(1) The superintendent of insurance has determined under section 3923.75 of the Revised Code that the health care service is not a service covered under the terms of the plan. 85864
85865
85866

(2) The plan member has failed to exhaust the plan's internal review process. 85867
85868

(3) The plan member has previously been afforded an external review for the same denial of coverage, and no new clinical information has been submitted to the plan. 85869
85870
85871

(C)(1) A plan may deny a request from a plan member for an external review of an adverse decision from the plan's internal appeal process if it is requested later than ~~sixty~~ one hundred eighty days after receipt by the plan member of notice from the ~~superintendent of insurance under section 3923.75 of the Revised Code that making the determination requires the resolution of a medical issue~~ plan of the adverse decision. An external review may be requested by the plan member, an authorized person, the plan member's provider, or a health care facility rendering health care service to the plan member. The plan member may request a review without the approval of the provider or the health care facility rendering the health care service. The provider or health care facility may not request a review without the prior consent of the plan member. 85872

85878
85879
85880
85881
85882
85883
85884
85885

(2) An external review must be requested in writing, except that if the plan member has a condition that requires expedited review, the review may be requested orally or by electronic means. When an oral or electronic request for review is made, written confirmation of the request must be submitted to the plan not 85886
85887
85888
85889
85890

later than five days after the request is made. 85891

Except in the case of an expedited review, a request for an 85892
external review must be accompanied by written certification from 85893
the plan member's provider or the health care facility rendering 85894
the health care service to the plan member that the proposed 85895
service, plus any ancillary services and follow-up care, will cost 85896
the plan member more than five hundred dollars if the proposed 85897
service is not covered by the plan. 85898

(3) For an expedited review, the plan member's provider must 85899
certify that the plan member's condition could, in the absence of 85900
immediate medical attention, result in any of the following: 85901

(a) Placing the health of the plan member or, with respect to 85902
a pregnant woman, the health of the plan member or the unborn 85903
child, in serious jeopardy; 85904

(b) Serious impairment to bodily functions; 85905

(c) Serious dysfunction of any bodily organ or part. 85906

(D) The procedures used in conducting an external review 85907
shall include all of the following: 85908

(1) The review shall be conducted by an independent review 85909
organization assigned by the superintendent of insurance under 85910
section 3901.80 of the Revised Code. 85911

(2) Except as provided in divisions (D)(3) and (4) of this 85912
section, neither the clinical peer nor any health care facility 85913
with which the clinical peer is affiliated shall have any 85914
professional, familial, or financial affiliation with any of the 85915
following: 85916

(a) The plan or any officer, director, or managerial employee 85917
of the plan; 85918

(b) The plan member, the plan member's provider, or the 85919
practice group of the plan member's provider; 85920

(c) The health care facility at which the health care service requested by the plan member would be provided+; 85921
85922

(d) The development or manufacture of the principal drug, device, procedure, or therapy proposed for the plan member. 85923
85924

(3) Division (D)(2) of this section does not prohibit a clinical peer from conducting a review under any of the following circumstances: 85925
85926
85927

(a) The clinical peer is affiliated with an academic medical center that provides health care services to members of the plan. 85928
85929

(b) The clinical peer has staff privileges at a health care facility that provides health care services to members of the plan. 85930
85931
85932

(c) The clinical peer has a contractual relationship with the plan but was not involved with the plan's coverage decision. 85933
85934

(4) Division (D)(2) of this section does not prohibit the plan from paying the independent review organization for the conduct of the review. 85935
85936
85937

(5) A plan member shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the plan. 85938
85939
85940

(6)(a) The plan shall provide to the independent review organization conducting the review a copy of those records in its possession that are relevant to the plan member's medical condition and the review. 85941
85942
85943
85944

Records shall be used solely for the purpose of this division. At the request of the independent review organization, the plan, plan member, provider, or health care facility rendering health care services to the plan member shall provide any additional information the independent review organization requests to complete the review. A request for additional 85945
85946
85947
85948
85949
85950

information may be made in writing, orally, or by electronic 85951
means. The independent review organization shall submit the 85952
request to the plan member and the plan. If a request is submitted 85953
orally or by electronic means to a plan member or plan, not later 85954
than five days after the request is submitted, the independent 85955
review organization shall provide written confirmation of the 85956
request. If the review was initiated by a provider or health care 85957
facility, a copy of the request shall be submitted to the provider 85958
or health care facility. 85959

(b) An independent review organization is not required to 85960
make a decision if it has not received any requested information 85961
that it considers necessary to complete a review. An independent 85962
review organization that does not make a decision for this reason 85963
shall notify the plan member and the plan that a decision is not 85964
being made. The notice may be made in writing, orally, or by 85965
electronic means. An oral or electronic notice shall be confirmed 85966
in writing not later than five days after the oral or electronic 85967
notice is made. If the review was initiated by a provider or 85968
health care facility, a copy of the notice shall be submitted to 85969
the provider or health care facility. 85970

(7) The plan may elect to cover the service requested and 85971
terminate the review. The plan shall notify the plan member and 85972
all other parties involved with the decision by mail, or with the 85973
consent or approval of the plan member, by electronic means. 85974

(8) In making its decision, an independent review 85975
organization conducting the review shall take into account all of 85976
the following: 85977

(a) Information submitted by the plan, the plan member, the 85978
plan member's provider, and the health care facility rendering the 85979
health care service, including the following: 85980

(i) The plan member's medical records; 85981

(ii) The standards, criteria, and clinical rationale used by the plan to make its decision. 85982
85983

(b) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations, including the national institutes of health or any board recognized by the national institutes of health, the national cancer institute, the national academy of sciences, the United States food and drug administration, the health care financing administration of the United States department of health and human services, and the agency for health care policy and research; 85984
85985
85986
85987
85988
85989

85993
85994
85995

(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the plan and the plan member. If the plan member's provider or the health care facility rendering health care services to the plan member requested the review, the independent review organization shall also send a copy of its decision to the plan member's provider or the health care facility. 85996

(b) The independent review organization's decision shall include a description of the plan member's condition and the principal reasons for the decision and an explanation of the clinical rationale for the decision. 86008
86009
86010
86011

(E) The independent review organization shall base its 86012

decision on the information submitted under division (D)(8) of 86013
this section. In making its decision, the independent review 86014
organization shall consider safety, efficacy, appropriateness, and 86015
cost-effectiveness. 86016

(F) The plan shall provide any coverage determined by the 86017
independent review organization's decision to be medically 86018
necessary, subject to the other terms, limitations, and conditions 86019
of the plan. 86020

Sec. 3923.77. (A) Each public employee benefit plan shall 86021
establish a reasonable external review process to examine the 86022
plan's coverage decisions for plan members who meet all of the 86023
following criteria: 86024

(1) The plan member has a terminal condition that, according 86025
to the current diagnosis of the plan member's physician, has a 86026
high probability of causing death within two years. 86027

(2) The plan member requests a review not later than ~~sixty~~ 86028
one hundred eighty days after receipt by the plan member of notice 86029
from the ~~superintendent of insurance under section 3923.75 of the~~ 86030
~~Revised Code that making a determination requires resolution of a~~ 86031
~~medical issue~~ plan of the adverse decision. 86032

(3) The plan member's physician certifies that the plan 86033
member has the condition described in division (A)(1) of this 86034
section and any of the following situations are applicable: 86035

(a) Standard therapies have not been effective in improving 86036
the condition of the plan member. 86037

(b) Standard therapies are not medically appropriate for the 86038
plan member. 86039

(c) There is no standard therapy covered by the plan that is 86040
more beneficial than therapy described in division (A)(4) of this 86041
section. 86042

(4) The plan member's physician has recommended a drug, 86043
device, procedure, or other therapy that the physician certifies, 86044
in writing, is likely to be more beneficial to the plan member, in 86045
the physician's opinion, than standard therapies, or the plan 86046
member has requested a therapy that has been found in a 86047
preponderance of peer-reviewed published studies to be associated 86048
with effective clinical outcomes for the same condition. 86049

(5) The plan member has been denied coverage by the plan for 86050
a drug, device, procedure, or other therapy recommended or 86051
requested pursuant to division (A)(4) of this section, and has 86052
exhausted all internal appeals. 86053

(6) The drug, device, procedure, or other therapy, for which 86054
coverage has been denied, would be a covered health care service 86055
except for the plan's determination that the drug, device, 86056
procedure, or other therapy is experimental or investigational. 86057

(B) A review shall be requested in writing, except that if 86058
the plan member's physician determines that a therapy would be 86059
significantly less effective if not promptly initiated, the review 86060
may be requested orally or by electronic means. When an oral or 86061
electronic request for review is made, written confirmation of the 86062
request shall be submitted to the plan not later than five days 86063
after the oral or written request is submitted. For an expedited 86064
review, the plan member's provider must certify that the requested 86065
or recommended therapy would be significantly less effective if 86066
not promptly initiated. 86067

(C) The external review process established by a plan shall 86068
meet all of the following criteria: 86069

(1) Except as provided in division (E) of this section, the 86070
process shall afford all plan members who meet the criteria set 86071
forth in division (A) of this section the opportunity to have the 86072
plan's decision to deny coverage of the recommended or requested 86073

therapy reviewed under the process. Each eligible plan member 86074
shall be notified of that opportunity within thirty business days 86075
after the plan denies coverage. 86076

(2) The review shall be conducted by an independent review 86077
organization assigned by the superintendent of insurance under 86078
section 3901.80 of the Revised Code. The independent review 86079
organization shall select a panel to conduct the review, which 86080
panel shall be composed of at least three physicians or other 86081
providers who, through clinical experience in the past three 86082
years, are experts in the treatment of the plan member's medical 86083
condition and knowledgeable about the recommended or requested 86084
therapy. If the independent review organization retained by the 86085
plan is an academic medical center, the panel may include experts 86086
affiliated with or employed by the academic medical center. 86087

In either of the following circumstances, an exception may be 86088
made to the requirement that the review be conducted by an expert 86089
panel composed of a minimum of three physicians or other 86090
providers: 86091

(a) A review may be conducted by an expert panel composed of 86092
only two physicians or other providers if a plan member has 86093
consented in writing to a review by the smaller panel. 86094

(b) A review may be conducted by a single expert physician or 86095
other provider if only the expert physician or other provider is 86096
available for the review. 86097

(3) Neither the plan nor the plan member shall choose, or 86098
control the choice of, the physician or other provider experts. 86099

(4) The selected experts, any health care facility with which 86100
an expert is affiliated, and the independent review organization 86101
arranging for the experts' review shall not have any professional, 86102
familial, or financial affiliation with any of the following: 86103

(a) The plan or any officer, director, or managerial employee 86104

of the plan; 86105

(b) The plan member, the plan member's physician, or the 86106
practice group of the plan member's physician; 86107

(c) The health care facility at which the recommended or 86108
requested therapy would be provided; 86109

(d) The development or manufacture of the principal drug, 86110
device, procedure, or therapy involved in the recommended or 86111
requested therapy. However, experts affiliated with academic 86112
medical centers who provide health care services to members of the 86113
plan may serve as experts on the review panel. Further, experts 86114
with staff privileges at a health care facility that provides 86115
health care services to members of the plan, as well as experts 86116
who have a contractual relationship with the plan, but who were 86117
not involved with the plan's denial of coverage for the therapy 86118
under review, may serve as experts on the review panel. These 86119
nonaffiliation provisions do not preclude a plan from paying for 86120
the experts' review, as specified in division (C)(5) of this 86121
section. 86122

(5) Plan members shall not be required to pay for any part of 86123
the cost of the review. The cost of the review shall be borne by 86124
the plan. 86125

(6) The plan shall provide to the independent review 86126
organization arranging for the experts' review a copy of those 86127
records in the plan's possession that are relevant to the plan 86128
member's medical condition and the review. The records shall be 86129
disclosed solely to the expert reviewers and shall be used solely 86130
for the purpose of this section. At the request of the expert 86131
reviewers, the plan or the physician requesting the therapy shall 86132
provide any additional information that the expert reviewers 86133
request to complete the review. An expert reviewer is not required 86134
to render an opinion if the reviewer has not received any 86135

requested information that the reviewer considers necessary to complete the review.

(7)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the plan and the plan member. If the plan member's provider or the health care facility rendering health care services to the plan member requested the review, the independent review organization shall also send a copy of its decision to the plan member's provider or the health care facility.

(b) In conducting the review, the experts on the panel shall take into account all of the following:

Sec. 3929.43. (A) The Ohio fair plan underwriting association 86370
is hereby created consisting of all insurers authorized to write 86371
within this state, on a direct basis, basic property insurance or 86372
any component thereof in multi-peril policies, to assist 86373
applicants in urban areas to secure basic property insurance or 86374

homeowners insurance, and to formulate and administer a program 86375
for the equitable apportionment of basic property insurance or 86376
homeowners insurance which cannot be obtained in the normal 86377
market. Every such insurer shall be a member of the association 86378
and shall remain a member as a condition of its authority to write 86379
any of such insurance in this state. 86380

(B) The association, pursuant to sections 3929.41 to 3929.49 86381
of the Revised Code, and the plan of operation, with respect to 86382
basic property insurance or homeowners insurance, may assume and 86383
cede reinsurance on insurable risks written by its members. 86384

(C) The board of governors of the association shall submit to 86385
the superintendent of insurance, for ~~his~~ approval, a proposed plan 86386
of operation which shall provide for economical, fair, and 86387
nondiscriminatory administration of a program for the equitable 86388
apportionment among members of basic property insurance or 86389
homeowners insurance which may be afforded in urban areas to 86390
applicants whose property is insurable in accordance with 86391
reasonable underwriting standards, but who are unable to procure 86392
such insurance through normal channels. The association is under 86393
no obligation to issue basic property insurance or homeowners 86394
insurance to any person, unless that person and ~~his~~ that person's 86395
property would be insurable in the normal insurance market, and 86396
such property, except for its location, would constitute an 86397
insurable risk in accordance with reasonable underwriting 86398
standards. The plan of operation shall provide that the 86399
association, in determining whether the property is insurable, 86400
shall give no consideration to the condition of surrounding 86401
property or properties, where such condition is not within the 86402
control of the applicant. Rates for basic property insurance and 86403
homeowners insurance shall ~~not exceed those rates filed with~~ be 86404
subject to the approval of the superintendent ~~by the major rating~~ 86405
~~organization in this state, except that in the case of homeowners~~ 86406

~~insurance the association may file deviations to the rating plan~~ 86407
~~previously filed by such rating organization, and such deviations~~ 86408
~~shall be subject to the approval of the superintendent in the same~~ 86409
~~manner as other deviations under Chapter 3935. of the Revised~~ 86410
Code. The plan of operation may also provide for assessment of all 86411
members in amounts sufficient to operate the association, maximum 86412
limits of liability per location to be placed through the program, 86413
reasonable underwriting standards for determining insurability of 86414
a risk, and the commission to be paid to the licensed producer 86415
designated by the applicant. The superintendent shall adopt such 86416
plan and all amendments thereto pursuant to Chapter 119. of the 86417
Revised Code. 86418

If the superintendent disapproves the proposed plan of 86419
operation, the board of governors shall, within fifteen days, 86420
submit for approval an appropriately revised plan of operation and 86421
if the board of governors fails to do so, or if the revised plan 86422
submitted is unacceptable, the superintendent shall promulgate a 86423
plan of operation. 86424

If amendment of the plan of operation is requested by the 86425
superintendent or the board of governors, the board of governors 86426
shall submit to the superintendent, for ~~his~~ approval, such 86427
amendments. If such amendments are not approved by the 86428
superintendent, the board of governors shall, within fifteen days, 86429
submit for approval an appropriately revised amendment. If the 86430
board of governors fails to do so, or if the amendment is not 86431
approved by the superintendent, the superintendent shall 86432
promulgate such amendment as ~~he~~ the superintendent finds 86433
necessary. 86434

(D)(1) The plan of operation may provide for periodic advance 86435
assessments against member insurers in amounts considered 86436
necessary to cover any deficit or projected deficit arising out of 86437
the operation of the association. Any provision in the plan for 86438

implementation of such advance assessments shall be approved by 86439
the superintendent. Any such provision in the plan shall also 86440
provide for quarterly or other periodic installment payment of 86441
such assessments. 86442

(2) Such plan shall provide a method whereby member insurers 86443
may recoup assessments levied by the association. In order to 86444
recoup such assessments the plan may also provide for the 86445
calculation and use of rates or rating factors to be applied to 86446
direct premiums for basic property insurance and homeowners 86447
insurance located in this state. Such a provision is subject to 86448
the approval of the superintendent. Member insurers of the 86449
association implementing a change in rates pursuant to this 86450
section shall file such changes with the superintendent. Such 86451
changes shall not increase rates more than the amount authorized 86452
by the association and approved by the superintendent pursuant to 86453
the plan. The association may consult with member insurers or 86454
licensed rating bureaus in connection with the establishment and 86455
operation of any such provision. 86456

(E) Any insurer which is a member of the association shall 86457
participate in the writings, expenses, profits, and losses of the 86458
association in the proportion that its premiums written bear to 86459
the aggregate premiums written by all members of the association, 86460
except that this division shall not be construed to preclude the 86461
board of governors from taking action to adjust assessments in 86462
accordance with a program adopted pursuant to division (I) of this 86463
section. 86464

(F) Such plan shall require the issuance of a binder 86465
providing coverage for which the applicant tenders an amount equal 86466
to the annual premium as estimated by the association, ~~such or an~~ 86467
appropriate percentage of that annual premium as determined by the 86468
association. The binder taking shall take effect fifteen days 86469
following the date of the day after the association receives the 86470

application, provided that the application meets the underwriting 86471
standards of the association, for such term, and under such 86472
conditions as are determined by the superintendent ~~of insurance.~~ 86473
The superintendent may alter such time requirement on a specific 86474
risk under such conditions as ~~he~~ the superintendent finds 86475
appropriate. 86476

(G) The association shall be governed by a board of governors 86477
consisting of twelve members, four of whom shall be appointed by 86478
the governor with the advice and consent of the senate. One of 86479
such members shall be a licensed agent writing basic property 86480
insurance for more than one insurer. None of the other three such 86481
members shall be a director, officer, salaried employee, agent, or 86482
substantial shareholder of any insurance company and not more than 86483
two of these three members shall be members of the same political 86484

be for two years, commencing on the nineteenth day of September 86486
and ending on the eighteenth day of September. Each member shall 86487
hold office from the date of ~~his~~ appointment until the end of the 86488
term for which ~~he~~ the member was appointed. Any member appointed 86489
to fill a vacancy occurring prior to the expiration of the term 86490
for which ~~his~~ the member's predecessor was appointed shall hold 86491
office for the remainder of such term. Any appointed member shall 86492
continue in office subsequent to the expiration date of ~~his~~ the 86493
member's term until ~~his~~ the member's successor takes office, or 86494
until a period of sixty days has elapsed, whichever occurs first. 86495
The remaining eight members shall be representatives from member 86496
companies, at least five of whom shall be Ohio domiciled members, 86497
elected annually by accumulated voting by members of the 86498
association whose votes shall be weighed in accordance with each 86499
member's premiums written during the second preceding calendar 86500
year. Not more than one insurer in a group under the same 86501
management or ownership shall serve on the board of governors at 86502
the same time. The eight representatives of member companies shall 86503

be elected at a meeting of the members or their authorized 86504
representatives, which shall be held at a time and place 86505
designated by the superintendent. 86506

(H) The plan shall be administered under the supervision of 86507
the superintendent. 86508

(I) The board of governors shall adopt a written program for 86509
decreasing the overall utilization of the association as a source 86510
of insurance. The program shall set forth actions that the board 86511
shall take to decrease such utilization, including actions 86512
intended to reduce the number of policies issued, the number of 86513
persons whose properties are insured, and the total amount and 86514
kinds of insurance written by the association, provided this 86515
division does not authorize the board to take action intended to 86516
decrease utilization of the association as a source of insurance 86517
if such action would substantially conflict with the purposes set 86518
forth in divisions (A), (B), and (D) of section 3929.41 of the 86519

(3)(a) Unless it is impracticable to do so and subject to its 87893
authority under division (B)(3)(d) of this section, the commission 87894
shall complete a preliminary investigation of a charge filed 87895
pursuant to division (B)(1) of this section that alleges an 87896
unlawful discriminatory practice described in division (H) of 87897
section 4112.02 of the Revised Code, and shall take one of the 87898
following actions, within one hundred days after the filing of the 87899
charge: 87900

(i) Notify the complainant and the respondent that it is not 87901
probable that an unlawful discriminatory practice described in 87902
division (H) of section 4112.02 of the Revised Code has been or is 87903
being engaged in and that the commission will not issue a 87904

(ii) Initiate a complaint and schedule it for informal 87906
methods of conference, conciliation, and persuasion; 87907

(iii) Initiate a complaint and refer it to the attorney 87908
general with a recommendation to seek a temporary or permanent 87909
injunction or a temporary restraining order. If this action is 87910
taken, the attorney general shall apply, as expeditiously as 87911
possible after receipt of the complaint, to the court of common 87912
pleas of the county in which the unlawful discriminatory practice 87913
allegedly occurred for the appropriate injunction or order, and 87914
the court shall hear and determine the application as 87915

expeditiously as possible. 87916

(b) If it is not practicable to comply with the requirements 87917
of division (B)(3)(a) of this section within the one-hundred-day 87918
period described in that division, the commission shall notify the 87919
complainant and the respondent in writing of the reasons for the 87920
noncompliance. 87921

(c) Prior to the issuance of a complaint under division 87922
(B)(3)(a)(ii) or (iii) of this section or prior to a notification 87923
of the complainant and the respondent under division (B)(3)(a)(i) 87924
of this section, the members of the commission and the officers 87925
and employees of the commission shall not make public in any 87926
manner and shall retain as confidential all information that was 87927
obtained as a result of or that otherwise pertains to a 87928
preliminary investigation of a charge filed pursuant to division 87929
(B)(1) of this section that alleges an unlawful discriminatory 87930
practice described in division (H) of section 4112.05 of the 87931
Revised Code. 87932

(d) Notwithstanding the types of action described in 87933
divisions (B)(3)(a)(ii) and (iii) of this section, prior to the 87934
issuance of a complaint or the referral of a complaint to the 87935
attorney general and prior to endeavoring to eliminate an unlawful 87936
discriminatory practice described in division (H) of section 87937
4112.02 of the Revised Code by informal methods of conference, 87938
conciliation, and persuasion, the commission may seek a temporary 87939
or permanent injunction or a temporary restraining order in the 87940
court of common pleas of the county in which the unlawful 87941
discriminatory practice allegedly occurred. 87942

(4) If the commission determines after a preliminary 87943
investigation other than one described in division (B)(3) of this 87944
section that it is not probable that an unlawful discriminatory 87945
practice has been or is being engaged in, it shall notify any 87946
complainant under division (B)(1) of this section that it has so 87947

determined and that it will not issue a complaint in the matter. 87948
If the commission determines after a preliminary investigation 87949
other than the one described in division (B)(3) of this section 87950
that it is probable that an unlawful discriminatory practice has 87951
been or is being engaged in, it shall endeavor to eliminate the 87952
practice by informal methods of conference, conciliation, and 87953
persuasion. 87954

(5) Nothing said or done during informal methods of 87955
conference, conciliation, and persuasion under this section shall 87956
be disclosed by any member of the commission or its staff or be 87957
used as evidence in any subsequent hearing or other proceeding. 87958
If, after a preliminary investigation and the use of informal 87959
methods of conference, conciliation, and persuasion under this 87960
section, the commission is satisfied that any unlawful 87961
discriminatory practice will be eliminated, it may treat the 87962
charge involved as being conciliated and enter that disposition on 87963
the records of the commission. If the commission fails to effect 87964
the elimination of an unlawful discriminatory practice by informal 87965
methods of conference, conciliation, and persuasion under this 87966
section and to obtain voluntary compliance with this chapter, the 87967
commission shall issue and cause to be served upon any person, 87968
including the respondent against whom a complainant has filed a 87969
charge pursuant to division (B)(1) of this section, a complaint 87970
stating the charges involved and containing a notice of an 87971
opportunity for a hearing before the commission, a member of the 87972
commission, or a hearing examiner at a place that is stated in the 87973
notice and that is located within the county in which the alleged 87974
unlawful discriminatory practice has occurred or is occurring or 87975
in which the respondent resides or transacts business. The hearing 87976
shall be held not less than thirty days after the service of the 87977
complaint upon the complainant, the aggrieved persons other than 87978
the complainant on whose behalf the complaint is issued, and the 87979
respondent, unless the complainant, an aggrieved person, or the 87980

respondent elects to proceed under division (A)(2) of section 87981
4112.051 of the Revised Code when that division is applicable. If 87982
a complaint pertains to an alleged unlawful discriminatory 87983
practice described in division (H) of section 4112.02 of the 87984
Revised Code, the complaint shall notify the complainant, an 87985
aggrieved person, and the respondent of the right of the 87986
complainant, an aggrieved person, or the respondent to elect to 87987
proceed with the administrative hearing process under this section 87988

Revised Code. 87990

(6) The attorney general shall represent the commission at 87991
any hearing held pursuant to division (B)(5) of this section and 87992
shall present the evidence in support of the complaint. 87993

(7) Any complaint issued pursuant to division (B)(5) of this 87994
section after the filing of a charge under division (B)(1) of this 87995
section shall be so issued within one year after the complainant 87996
filed the charge with respect to an alleged unlawful 87997
discriminatory practice. 87998

(C) Any complaint issued pursuant to division (B) of this 87999
section may be amended by the commission, a member of the 88000
commission, or the hearing examiner conducting a hearing under 88001
division (B) of this section, at any time prior to or during the 88002
hearing. The respondent has the right to file an answer or an 88003
amended answer to the original and amended complaints and to 88004
appear at the hearing in person, by attorney, or otherwise to 88005
examine and cross-examine witnesses. 88006

(D) The complainant shall be a party to a hearing under 88007
division (B) of this section, and any person who is an 88008
indispensable party to a complete determination or settlement of a 88009
question involved in the hearing shall be joined. Any aggrieved 88010
person who has or claims an interest in the subject of the hearing 88011
and in obtaining or preventing relief against the unlawful 88012

discriminatory practices complained of ~~may shall~~ be permitted, ~~in~~ 88013
~~the discretion of the person or persons conducting the hearing,~~ to 88014
appear only for the presentation of oral or written arguments, to 88015
present evidence, perform direct and cross-examination, and be 88016
represented by counsel. The commission shall adopt rules, in 88017
accordance with Chapter 119. of the Revised Code governing the 88018
authority granted under this division. 88019

(E) In any hearing under division (B) of this section, the 88020
commission, a member of the commission, or the hearing examiner 88021
shall not be bound by the Rules of Evidence but, in ascertaining 88022
the practices followed by the respondent, shall take into account 88023
all reliable, probative, and substantial statistical or other 88024
evidence produced at the hearing that may tend to prove the 88025
existence of a predetermined pattern of employment or membership, 88026
provided that nothing contained in this section shall be construed 88027
to authorize or require any person to observe the proportion that 88028
persons of any race, color, religion, sex, military status, 88029
familial status, national origin, disability, age, or ancestry 88030
bear to the total population or in accordance with any criterion 88031

(F) The testimony taken at a hearing under division (B) of 88033
this section shall be under oath and shall be reduced to writing 88034
and filed with the commission. Thereafter, in its discretion, the 88035
commission, upon the service of a notice upon the complainant and 88036
the respondent that indicates an opportunity to be present, may 88037
take further testimony or hear argument. 88038

(G)(1) If, upon all reliable, probative, and substantial 88039
evidence presented at a hearing under division (B) of this 88040
section, the commission determines that the respondent has engaged 88041
in, or is engaging in, any unlawful discriminatory practice, 88042
whether against the complainant or others, the commission shall 88043

or other action that will effectuate the purposes of this chapter, 88049
including, but not limited to, hiring, reinstatement, or upgrading 88050
of employees with or without back pay, or admission or restoration 88051
to union membership, and requiring the respondent to report to the 88052
commission the manner of compliance. If the commission directs 88053
payment of back pay, it shall make allowance for interim earnings. 88054
If it finds a violation of division (H) of section 4112.02 of the 88055
Revised Code, the commission additionally shall require the 88056
respondent to pay actual damages and reasonable attorney's fees, 88057
and may award to the complainant punitive damages as follows: 88058

commission or by a final judgment of a court to have committed one 88064

Revised Code during the seven-year period immediately preceding 88073
the date on which a complaint was issued pursuant to division (B) 88074
of this section, punitive damages in an amount not to exceed fifty 88075

(2) Upon the submission of reports of compliance, the 88077
commission may issue a declaratory order stating that the 88078
respondent has ceased to engage in particular unlawful 88079
discriminatory practices. 88080

(H) If the commission finds that no probable cause exists for 88081
crediting charges of unlawful discriminatory practices or if, upon 88082
all the evidence presented at a hearing under division (B) of this 88083
section on a charge, the commission finds that a respondent has 88084
not engaged in any unlawful discriminatory practice against the 88085
complainant or others, it shall state its findings of fact and 88086
shall issue and cause to be served on the complainant an order 88087
dismissing the complaint as to the respondent. A copy of the order 88088

Code by filing a civil action in the court of common pleas of the 88099
county in which the alleged unlawful discriminatory practice 88100

application by an aggrieved person, upon a proper showing, and 88102
under circumstances that it considers just, a court of common 88103
pleas may appoint an attorney for the aggrieved person and 88104
authorize the commencement of a civil action under this division 88105

right to a jury trial of the action. To assert the right, a party 88108
shall demand a jury trial in the manner prescribed in the Rules of 88109

complainant, aggrieved person, or respondent received the relevant 88129

matter and serve a copy of the order upon the complainant, each 88145
aggrieved person on whose behalf the complaint was issued, and the 88146
respondent. 88147

(d) If an election to have the alleged unlawful 88148
discriminatory practices addressed in a civil action is not filed 88149
in accordance with division (A)(2)(a) of this section, the 88150
commission shall continue with the administrative hearing process 88151
described in section 4112.05 of the Revised Code. 88152

action commenced in accordance with division (A)(2)(b) of this 88154
section, any aggrieved person may intervene as a matter of right 88155

(H) of section 4112.02 of the Revised Code or a civil action under 88166
this section is not affected by the court order. 88167

(D) If the court or the jury in a civil action under this 88168

of the Revised Code has occurred, the court shall award to the 88170

before the state employment relations board had been filed with 88734
the clerk of the court as an appeal to the court. For the purposes 88735
of this division, the state employment relations board has 88736
standing to bring its final order properly before the court of 88737

(P) Except as otherwise specifically provided in this 88739
section, the state employment relations board is subject to 88740
Chapter 119. of the Revised Code, including the procedure for 88741
submission of proposed rules to the general assembly for 88742
legislative review under division (H) of section 119.03 of the 88743
Revised Code. 88744

Sec. 4117.07. (A) When a petition is filed, in accordance 88745
with rules prescribed by the state employment relations board: 88746

(1) By any employee or group of employees, or any individual 88747
or employee organization acting in their behalf, alleging that at 88748

to be represented for collective bargaining by an exclusive 88750
representative, or asserting that the designated exclusive 88751
representative is no longer the representative of the majority of 88752
employees in the unit, the board shall investigate the petition, 88753
and if it has reasonable cause to believe that a question of 88754
representation exists, provide for an appropriate hearing upon due 88755

appropriate hearing upon due notice to the parties. 88762

If the board finds upon the record of a hearing that a 88763

question of representation exists, it shall direct an election and 88764
certify the results thereof. No one may vote in an election by 88765
~~mail or~~ proxy. The board may also certify an employee organization 88766
as an exclusive representative if it determines that a free and 88767
untrammelled election cannot be conducted because of the 88768
employer's unfair labor practices and that at one time the 88769
employee organization had the support of the majority of the 88770
employees in the unit. 88771

(B) Only the names of those employee organizations designated 88772
by more than ten per cent of the employees in the unit found to be 88773
appropriate may be placed on the ballot. Nothing in this section 88774
shall be construed to prohibit the waiving of hearings by 88775
stipulation, in conformity with the rules of the board, for the 88776
purpose of a consent election. 88777

(C) The board shall conduct representation elections by 88778

electronically or in person, and at times and places selected by 88780
the board subject to the following: 88781

time and place of an election; 88783

(2) The board shall establish rules concerning the conduct of 88784
any election including, but not limited to, rules to guarantee the 88785
secrecy of the ballot; 88786

(3) The board may not certify a representative unless the 88787
representative receives a majority of the valid ballots cast; 88788

(4) Except as provided in this section, the board shall 88789
include on the ballot a choice of "no representative"; 88790

(5) In an election where none of the choices on the ballot 88791
receives a majority, the board shall conduct a runoff election. In 88792
that case, the ballot shall provide for a selection between the 88793
two choices or parties receiving the highest and the second 88794

highest number of ballots cast in the election. 88795

(6) The board may not conduct an election under this section 88796
in any appropriate bargaining unit within which a board-conducted 88797
election was held in the preceding twelve-month period, nor during 88798
the term of any lawful collective bargaining agreement between a 88799
public employer and an exclusive representative. 88800

Petitions for elections may be filed with the board no sooner 88801
than one hundred twenty days or later than ninety days before the 88802
expiration date of any collective bargaining agreement, or after 88803
the expiration date, until the public employer and exclusive 88804
representative enter into a new written agreement. 88805

For the purposes of this section, extensions of agreements do 88806
not affect the expiration date of the original agreement. 88807

Sec. 4117.12. (A) Whoever violates section 4117.11 of the 88808
Revised Code is guilty of an unfair labor practice remediable by 88809
the state employment relations board as specified in this section. 88810

(B) When anyone files a charge with the board alleging that 88811
an unfair labor practice has been committed, the board or its 88812
designated agent shall investigate the charge. If the board has 88813
probable cause for believing that a violation has occurred, the 88814
board shall issue a complaint and shall conduct a hearing 88815
concerning the charge. The board shall cause the complaint to be 88816
served upon the charged party which shall contain a notice of the 88817
time at which the hearing on the complaint will be held either 88818
before the board, a board member, or ~~a hearing officer~~ an 88819
administrative law judge. The board may not issue a notice of 88820
hearing based upon any unfair labor practice occurring more than 88821
ninety days prior to the filing of the charge with the board, 88822
unless the person aggrieved thereby is prevented from filing the 88823
charge by reason of service in the armed forces, in which event 88824
the ninety-day period shall be computed from the day of ~~his~~ the 88825

person's discharge. If the board dismisses a complaint as 88826
frivolous, it shall assess costs to the complainant pursuant to 88827
its standards governing such matters, and for that purpose, the 88828
board shall adopt a rule defining the standards by which the board 88829
will declare a complaint to be frivolous and the costs that will 88830
be assessed accordingly. 88831

(1) The board, board member, or ~~hearing officer~~ 88832
administrative law judge shall hold a hearing on the charge within 88833
ten days after service of the complaint. The board may amend a 88834
complaint, upon receipt of a notice from the charging party, at 88835
any time prior to the close of the hearing, and the charged party 88836
shall within ten days from receipt of the complaint or amendment 88837
to the complaint, file an answer to the complaint or amendment to 88838
the complaint. The charged party may file an answer to an original 88839
or amended complaint. The agents of the board and the person 88840
charged are parties and may appear or otherwise give evidence at 88841
the hearing. At the discretion of the board, board member, or 88842
~~hearing officer~~ administrative law judge, any interested party may 88843
intervene and present evidence at the hearing. The board, board 88844
member, or ~~hearing officer~~ administrative law judge is not bound 88845
by the rules of evidence prevailing in the courts. 88846

(2) A board member or ~~hearing officer~~ administrative law 88847
judge who conducts the hearing shall reduce the evidence taken to 88848
writing and file it with the board. The board member or the 88849
~~hearing officer~~ administrative law judge may thereafter take 88850
further evidence or hear further argument if notice is given to 88851
all interested parties. The ~~hearing officer~~ administrative law 88852
judge or board member shall issue to the parties a proposed 88853
decision, together with a recommended order and file it with the 88854
board. If the parties file no exceptions within twenty days after 88855
service thereof, the recommended order becomes the order of the 88856
board effective as therein prescribed. If the parties file 88857

exceptions to the proposed report, the board shall determine 88858
whether substantial issues have been raised. The board may rescind 88859
or modify the proposed order of the board member or ~~hearing~~ 88860
~~officer~~ administrative law judge; however, if the board determines 88861
that the exceptions do not raise substantial issues of fact or 88862
law, it may refuse to grant review, and the recommended order 88863
becomes effective as therein prescribed. 88864

(3) If upon the preponderance of the evidence taken, the 88865
board believes that any person named in the complaint has engaged 88866
in any unfair labor practice, the board shall state its findings 88867
of fact and issue and cause to be served on the person an order 88868
requiring that ~~he~~ the person cease and desist from these unfair 88869
labor practices, and take such affirmative action, including 88870
reinstatement of employees with or without back pay, as will 88871
effectuate the policies of Chapter 4117. of the Revised Code. If 88872
upon a preponderance of the evidence taken, the board believes 88873
that the person named in the complaint has not engaged in an 88874
unfair labor practice it shall state its findings of fact and 88875
issue an order dismissing the complaint. 88876

(4) The board may order the public employer to reinstate the 88877
public employee and further may order either the public employer 88878
or the employee organization, depending on who was responsible for 88879
the discrimination suffered by the public employee, to make such 88880
payment of back pay to the public employee as the board 88881
determines. No order of the board shall require the reinstatement 88882
of any individual as an employee who has been suspended or 88883
discharged, or require the payment to ~~him~~ the employee of any back 88884
pay, if the suspension or discharge was for just cause not related 88885
to rights provided in section 4117.03 of the Revised Code and the 88886
procedure contained in the collective bargaining agreement 88887
governing suspension or discharge was followed. The order of the 88888
board may require the party against whom the order is issued to 88889

make periodic reports showing the extent to which ~~he~~ the party has 88890
complied with the order. 88891

(C) Whenever a complaint alleges that a person has engaged in 88892
an unfair labor practice and that the complainant will suffer 88893
substantial and irreparable injury if not granted temporary 88894
relief, the board may petition the court of common pleas for any 88895
county wherein the alleged unfair labor practice in question 88896
occurs, or wherein any person charged with the commission of any 88897
unfair labor practice resides or transacts business for 88898
appropriate injunctive relief, pending the final adjudication by 88899
the board with respect to the matter. Upon the filing of any 88900
petition, the court shall cause notice thereof to be served upon 88901
the parties, and thereupon has jurisdiction to grant the temporary 88902
relief or restraining order it considers just and proper. 88903

(D) Until the record in a case is filed in a court, as 88904
specified in Chapter 4117. of the Revised Code, the board may at 88905
any time upon reasonable notice and in a manner it considers 88906

U.S.C.A. 501; 89554

(y) Service performed by a person committed to a penal 89555

(ii) As a member of an Indian tribal council; 89561

assisted or financed in whole or in part by any federal agency or 89574
an agency of a state or political subdivision, thereof, by an 89575
individual receiving the work-relief or work-training. 89576

(4) If the services performed during one half or more of any 89577
pay period by an employee for the person employing that employee 89578
constitute employment, all the services of such employee for such 89579
period shall be deemed to be employment; but if the services 89580
performed during more than one half of any such pay period by an 89581
employee for the person employing that employee do not constitute 89582
employment, then none of the services of such employee for such 89583
period shall be deemed to be employment. As used in division 89584
(B)(4) of this section, "pay period" means a period, of not more 89585
than thirty-one consecutive days, for which payment of 89586
remuneration is ordinarily made to the employee by the person 89587
employing that employee. Division (B)(4) of this section does not 89588
apply to services performed in a pay period by an employee for the 89589
person employing that employee, if any of such service is excepted 89590
by division (B)(3)(o) of this section. 89591

(C) "Benefits" means money payments payable to an individual 89592

(F) "Additional claim" means the first claim for benefits 89601

filed following any separation from employment during a benefit 89602
year; "continued claim" means any claim other than the first claim 89603
for benefits and other than an additional claim. 89604

(G)(1) "Wages" means remuneration paid to an employee by each 89605
of the employee's employers with respect to employment; except 89606
that wages shall not include that part of remuneration paid during 89607
any calendar year to an individual by an employer or such 89608
employer's predecessor in interest in the same business or 89609
enterprise, which in any calendar year is in excess of eight 89610
thousand two hundred fifty dollars on and after January 1, 1992; 89611
eight thousand five hundred dollars on and after January 1, 1993; 89612
eight thousand seven hundred fifty dollars on and after January 1, 89613
1994; and nine thousand dollars on and after January 1, 1995. 89614
Remuneration in excess of such amounts shall be deemed wages 89615
subject to contribution to the same extent that such remuneration 89616
is defined as wages under the "Federal Unemployment Tax Act," 84 89617
Stat. 714 (1970), 26 U.S.C.A. 3301 to 3311, as amended. The 89618
remuneration paid an employee by an employer with respect to 89619
employment in another state, upon which contributions were 89620
required and paid by such employer under the unemployment 89621
compensation act of such other state, shall be included as a part 89622
of remuneration in computing the amount specified in this 89623
division. 89624

(2) Notwithstanding division (G)(1) of this section, if, as 89625
of the computation date for any calendar year, the director 89626
determines that the level of the unemployment compensation fund is 89627
sixty per cent or more below the minimum safe level as defined in 89628
section 4141.25 of the Revised Code, then, effective the first day 89629
of January of the following calendar year, wages subject to this 89630
chapter shall not include that part of remuneration paid during 89631
any calendar year to an individual by an employer or such 89632
employer's predecessor in interest in the same business or 89633

enterprise which is in excess of nine thousand dollars. The 89634
increase in the dollar amount of wages subject to this chapter 89635
under this division shall remain in effect from the date of the 89636
director's determination pursuant to division (G)(2) of this 89637
section and thereafter notwithstanding the fact that the level in 89638
the fund may subsequently become less than sixty per cent below 89639
the minimum safe level. 89640

(H)(1) "Remuneration" means all compensation for personal 89641
services, including commissions and bonuses and the cash value of 89642
all compensation in any medium other than cash, except that in the 89643
case of agricultural or domestic service, "remuneration" includes 89644
only cash remuneration. Gratuities customarily received by an 89645
individual in the course of the individual's employment from 89646
persons other than the individual's employer and which are 89647
accounted for by such individual to the individual's employer are 89648
taxable wages. 89649

The reasonable cash value of compensation paid in any medium 89650
other than cash shall be estimated and determined in accordance 89651
with rules prescribed by the director, provided that 89652
"remuneration" does not include: 89653

(a) Payments as provided in divisions (b)(2) to (b)(16) of 89654
section 3306 of the "Federal Unemployment Tax Act," 84 Stat. 713, 89655
26 U.S.C.A. 3301 to 3311, as amended; 89656

(b) The payment by an employer, without deduction from the 89657
remuneration of the individual in the employer's employ, of the 89658
tax imposed upon an individual in the employer's employ under 89659
section 3101 of the "Internal Revenue Code of 1954," with respect 89660
to services performed after October 1, 1941. 89661

(2) "Cash remuneration" means all remuneration paid in cash, 89662
including commissions and bonuses, but not including the cash 89663
value of all compensation in any medium other than cash. 89664

(K) "Average annual payroll" means the average of the last three annual payrolls of an employer, provided that if, as of any computation date, the employer has had less than three annual payrolls in such three-year period, such average shall be based on the annual payrolls which the employer has had as of such date.

(L)(1) "Contributions" means the money payments to the state unemployment compensation fund required of employers by section 4141.25 of the Revised Code and of the state and any of its political subdivisions electing to pay contributions under section 4141.242 of the Revised Code. Employers paying contributions shall be described as "contributory employers."

(2) "Payments in lieu of contributions" means the money payments to the state unemployment compensation fund required of reimbursing employers under sections 4141.241 and 4141.242 of the Revised Code.

(M) An individual is "totally unemployed" in any week during which the individual performs no services and with respect to such week no remuneration is payable to the individual.

(N) An individual is "partially unemployed" in any week if, due to involuntary loss of work, the total remuneration payable to the individual for such week is less than the individual's weekly benefit amount.

(O) "Week" means the calendar week ending at midnight Saturday unless an equivalent week of seven consecutive calendar

days is prescribed by the director. 89696

(1) "Qualifying week" means any calendar week in an 89697
individual's base period with respect to which the individual 89698
earns or is paid remuneration in employment subject to this 89699
chapter. A calendar week with respect to which an individual earns 89700
remuneration but for which payment was not made within the base 89701
period, when necessary to qualify for benefit rights, may be 89702
considered to be a qualifying week. The number of qualifying weeks 89703
which may be established in a calendar quarter shall not exceed 89704
the number of calendar weeks in the quarter. 89705

(2) "Average weekly wage" means the amount obtained by 89706
dividing an individual's total remuneration for all qualifying 89707
weeks during the base period by the number of such qualifying 89708
weeks, provided that if the computation results in an amount that 89709
is not a multiple of one dollar, such amount shall be rounded to 89710
the next lower multiple of one dollar. 89711

(P) "Weekly benefit amount" means the amount of benefits an 89712
individual would be entitled to receive for one week of total 89713
unemployment. 89714

(Q)(1) "Base period" means the first four of the last five 89715
completed calendar quarters immediately preceding the first day of 89716
an individual's benefit year, except as provided in division 89717
(Q)(2) of this section. 89718

(2) If an individual does not have sufficient qualifying 89719
weeks and wages in the base period to qualify for benefit rights, 89720
the individual's base period shall be the four most recently 89721
completed calendar quarters preceding the first day of the 89722
individual's benefit year. Such base period shall be known as the 89723
"alternate base period." If information as to weeks and wages for 89724
the most recent quarter of the alternate base period is not 89725
available to the director from the regular quarterly reports of 89726

wage information, which are systematically accessible, the 89727
director may, consistent with the provisions of section 4141.28 of 89728
the Revised Code, base the determination of eligibility for 89729
benefits on the affidavit of the claimant with respect to weeks 89730
and wages for that calendar quarter. The claimant shall furnish 89731
payroll documentation, where available, in support of the 89732
affidavit. The determination based upon the alternate base period 89733
as it relates to the claimant's benefit rights, shall be amended 89734
when the quarterly report of wage information from the employer is 89735
timely received and that information causes a change in the 89736
determination. As provided in division (B) of section 4141.28 of 89737
the Revised Code, any benefits paid and charged to an employer's 89738
account, based upon a claimant's affidavit, shall be adjusted 89739
effective as of the beginning of the claimant's benefit year. No 89740
calendar quarter in a base period or alternate base period shall 89741
be used to establish a subsequent benefit year. 89742

(3) The "base period" of a combined wage claim, as described 89743
in division (H) of section 4141.43 of the Revised Code, shall be 89744
the base period prescribed by the law of the state in which the 89745
claim is allowed. 89746

(4) For purposes of determining the weeks that comprise a 89747
completed calendar quarter under this division, only those weeks 89748
ending at midnight Saturday within the calendar quarter shall be 89749
utilized. 89750

(R)(1) "Benefit year" with respect to an individual means the 89751
fifty-two week period beginning with the first day of that week 89752
with respect to which the individual first files a valid 89753
application for determination of benefit rights, and thereafter 89754
the fifty-two week period beginning with the first day of that 89755
week with respect to which the individual next files a valid 89756
application for determination of benefit rights after the 89757
termination of the individual's last preceding benefit year, 89758

except that the application shall not be considered valid unless 89759
the individual has had employment in six weeks that is subject to 89760
this chapter or the unemployment compensation act of another 89761
state, or the United States, and has, since the beginning of the 89762
individual's previous benefit year, in the employment earned three 89763
times the average weekly wage determined for the previous benefit 89764
year. The "benefit year" of a combined wage claim, as described in 89765
division (H) of section 4141.43 of the Revised Code, shall be the 89766
benefit year prescribed by the law of the state in which the claim 89767
is allowed. Any application for determination of benefit rights 89768
made in accordance with section 4141.28 of the Revised Code is 89769
valid if the individual filing such application is unemployed, has 89770
been employed by an employer or employers subject to this chapter 89771
in at least twenty qualifying weeks within the individual's base 89772
period, and has earned or been paid remuneration at an average 89773
weekly wage of not less than twenty-seven and one-half per cent of 89774
the statewide average weekly wage for such weeks. For purposes of 89775
determining whether an individual has had sufficient employment 89776
since the beginning of the individual's previous benefit year to 89777
file a valid application, "employment" means the performance of 89778
services for which remuneration is payable. 89779

(2) Effective for benefit years beginning on and after 89780
December 26, 2004, any application for determination of benefit 89781
rights made in accordance with section 4141.28 of the Revised Code 89782
is valid if the individual satisfies the criteria described in 89783
division (R)(1) of this section, and if the reason for the 89784
individual's separation from employment is not disqualifying 89785
pursuant to division (D)(2) of section 4141.29 or section 4141.291 89786
of the Revised Code. A disqualification imposed pursuant to 89787
division (D)(2) of section 4141.29 or section 4141.291 of the 89788
Revised Code must be removed as provided in those sections as a 89789
requirement of establishing a valid application for benefit years 89790
beginning on and after December 26, 2004. 89791

(3) The statewide average weekly wage shall be calculated by 89792
the director once a year based on the twelve-month period ending 89793
the thirtieth day of June, as set forth in division (B)(3) of 89794
section 4141.30 of the Revised Code, rounded down to the nearest 89795
dollar. Increases or decreases in the amount of remuneration 89796
required to have been earned or paid in order for individuals to 89797
have filed valid applications shall become effective on Sunday of 89798
the calendar week in which the first day of January occurs that 89799
follows the twelve-month period ending the thirtieth day of June 89800
upon which the calculation of the statewide average weekly wage 89801
was based. 89802

(4) As used in this division, an individual is "unemployed" 89803
if, with respect to the calendar week in which such application is 89804
filed, the individual is "partially unemployed" or "totally 89805
unemployed" as defined in this section or if, prior to filing the 89806
application, the individual was separated from the individual's 89807
most recent work for any reason which terminated the individual's 89808
employee-employer relationship, or was laid off indefinitely or 89809
for a definite period of seven or more days. 89810

(S) "Calendar quarter" means the period of three consecutive 89811
calendar months ending on the thirty-first day of March, the 89812
thirtieth day of June, the thirtieth day of September, and the 89813

90397
90398

(D) Not later than the sixty-eighth day before the day of the next general or primary election, whichever occurs first, the board shall examine and determine the sufficiency of the signatures and the validity of the petition. If the board finds 90399
90400
90401
90402

that the petition contains sufficient signatures and in other 90403

the precinct on the day of the next general or primary election, 90405

Sec. 4301.334. (A) The privilege of local option conferred by 90427

later than four p.m. of the seventy-fifth day before the day of a 90429
general or primary election, a petition and other information 90430

board of elections of the county in which the community facility 90432
named in the petition is located. The petition shall be signed by 90433

electors of the municipal corporation or unincorporated area of 90434
the township in which the community facility is located equal in 90435
number to at least ten per cent of the total number of votes cast 90436
in the municipal corporation or unincorporated area of the 90437
township in which the community facility is located for the office 90438
of governor at the most recent general election for that office 90439
and shall contain both of the following: 90440

(1) A notice that the petition is for the submission of the 90441
question set forth in section 4301.356 of the Revised Code and a 90442

between eleven a.m. and midnight; 90445

(2) The name and address of the community facility for which 90446
the local option election is sought and, if the community facility 90447
is a community entertainment district, the boundaries of the 90448
district. 90449

(B) Upon the request of a petitioner, a board of elections of 90450
a county shall furnish to the petitioner a copy of the 90451
instructions prepared by the secretary of state under division (P) 90452
of section 3501.05 of the Revised Code and, within fifteen days 90453
after the request, a certificate indicating the number of valid 90454
signatures that will be required on a petition to hold an election 90455
in the municipal corporation or unincorporated area of the 90456
township in which the community facility is located on the 90457
question specified in section 4301.356 of the Revised Code. 90458

The petitioner shall, not less than thirty days before the 90459
petition-filing deadline for an election on the question specified 90460
in section 4301.356 of the Revised Code, specify to the division 90461

for which the election is sought and, if the community facility is 90463
a community entertainment district, the boundaries of the 90464
district, the municipal corporation or unincorporated area of a 90465

township in which the election is sought, and the filing deadline. 90466
The division shall, within a reasonable period of time and not 90467
later than ten days before the filing deadline, supply the 90468
petitioner with the name and address of any permit holder for or 90469
within the community facility. 90470

The petitioner shall file the name and address of any permit 90471
holder who would be affected by the election at the time the 90472

five days after receiving the petition, the board shall give 90474
notice by certified mail to any permit holder within the community 90475
facility that it has received the petition. Failure of the 90476
petitioner to supply the name and address of any permit holder for 90477
or within the community facility as furnished to the petitioner by 90478
the division invalidates the petition. 90479

(C) Not later than the sixty-eighth day before the day of the 90480
next general or primary election, whichever occurs first, the 90481
board shall examine and determine the sufficiency of the 90482

is valid, it shall order the holding of an election in the 90484
municipal corporation or unincorporated area of a township on the 90485
day of the next general or primary election, whichever occurs 90486
first, for the submission of the question set forth in section 90487
4301.356 of the Revised Code. 90488

(D) A petition filed with a board of elections under this 90489
section shall be open to public inspection under rules adopted by 90490
the board. 90491

of the sixty-fourth day before the day of the election at which 90495
the question will be submitted to the electors, file a written 90496
protest against the local option petition with the board of 90497

elections with which the petition was filed. Upon the filing of 90498
the protest, the board shall promptly fix a time and place for 90499
hearing the protest and shall mail notice of the time and place to 90500
the person who filed the petition and to the person who filed the 90501
protest. At the time and place fixed, the board shall hear the 90502
protest and determine the validity of the petition. 90503

Sec. 4301.351. (A) If a petition is for submission of the 90504
question of whether the sale of intoxicating liquor shall be 90505
permitted on Sunday, a special election shall be held in the 90506

charged to the municipal corporation or township of which the 90509
precinct is a part. 90510

(B) At the election, one or more of the following questions, 90511
question (B)(1), (B)(2), or (B)(3) as designated in a valid 90512
petition or question (B)(4) as submitted by the legislative 90513

on Sunday, at licensed premises where the sale of food and other 90525

(3) "Shall the sale of wine and mixed beverages, of the same 90528

outdoor performing arts centers, as defined in section 4303.182 of 90537
the Revised Code, that have been issued a D-6 permit?" 90538

Question (B)(4) shall be presented to the electors of a 90539
precinct in which an outdoor performing arts center is located 90540

at licensed premises where the sale of food and other goods and 90563
services exceeds fifty per cent of the total gross receipts of the 90564
permit holder at the premises?" 90565

(3) "Shall the sale of wine and mixed beverages, of the same 90566

Sunday?" 90570

(D) No C or D permit holder who first applied for such a 90571
permit after April 15, 1982, shall sell beer on Sunday unless the 90572
sale of intoxicating liquor is authorized in the precinct or 90573
portion of the precinct at an election on question (B)(1), (B)(2), 90574

and the board shall insert in each question the name or an 90587
accurate description of the precinct in which the election is to 90588

Revised Code. 90590

Sec. 4301.354. (A) If a petition is filed under section 90591
4301.332 of the Revised Code for the submission of one or more 90592
questions set forth in this section, a special election shall be 90593
held in the precinct as ordered by the board of elections under 90594
that section. The expense of holding the special election shall be 90595
charged to the municipal corporation or township of which the 90596
precinct is a part. 90597

(B) At the election, one or more of the following questions, 90598
as designated in a valid petition, shall be submitted to the 90599

and midnight on Sunday for consumption on the premises where sold 90609
at licensed premises where the sale of food and other goods 90610
exceeds fifty per cent of the total gross receipts of the permit 90611
holder at the premises, where the status of such Sunday sales as 90612
allowed or prohibited is inconsistent with the status of such 90613
Sunday sales in the remainder of the precinct?" 90614

(3) "Shall the sale of wine and mixed beverages be permitted 90615
in a portion of this precinct between the hours of ~~one p.m.~~ eleven 90616
a.m. and midnight on Sunday for consumption off the premises where 90617
sold, where the status of such Sunday sales as allowed or 90618
prohibited is inconsistent with the status of such Sunday sales in 90619
the remainder of the precinct?" 90620

(C) At the election, one or more of the following questions, 90621

as designated in a valid petition, shall be submitted to the 90622
electors of the precinct concerning Sunday sales: 90623

(1) "Shall the sale of intoxicating liquor be permitted in a 90624
portion of this precinct between the hours of ten a.m. and 90625

of the precinct?" 90629

(2) "Shall the sale of intoxicating liquor be permitted in a 90630
portion of this precinct between the hours of ten a.m. and 90631

prohibited is inconsistent with the status of such Sunday sales in 90636
the remainder of the precinct?" 90637

(3) "Shall the sale of wine and mixed beverages be permitted 90638
in a portion of this precinct between the hours of ten a.m. and 90639

where the status of such Sunday sales as allowed or prohibited is 90641
inconsistent with the status of such Sunday sales in the remainder 90642
of the precinct?" 90643

(D) The board of elections shall furnish printed ballots at 90644
the special election as provided under section 3505.06 of the 90645
Revised Code, except that a separate ballot shall be used for the 90646
special election. The one or more questions set forth in divisions 90647
(B) and (C) of this section shall be printed on each ballot, and 90648
the board shall insert in the ~~question and statement~~ questions 90649
appropriate words to complete each and a description of the 90650
portion of the precinct that would be affected by the results of 90651
the election. 90652

The description of the portion of the precinct shall include 90653
either the complete listing of street addresses in that portion or 90654

portion of the precinct by street name or by another name 90656
generally known by the residents of the portion of the precinct. 90657
If other than a full street listing is used, the full street 90658
listing also shall be posted in each polling place in a location 90659
that is easily accessible to all voters. Failure of the board of 90660
elections to completely and accurately list all street addresses 90661
in the affected area of the precinct does not affect the validity 90662
of the election at which the failure occurred and is not grounds 90663
for contesting an election under section 3515.08 of the Revised 90664
Code. Votes shall be cast as provided under section 3505.06 of the 90665
Revised Code. 90666

Sec. 4301.355. (A) If a petition is filed under section 90667
4301.333 of the Revised Code for the submission of the question or 90668

precinct as ordered by the board of elections under that section. 90670
The expense of holding the election shall be charged to the 90671
municipal corporation or township of which the precinct is a part. 90672

(B) At the election, one or more of the following questions, 90673
as designated in a valid petition, shall be submitted to the 90674
electors of the precinct: 90675

(1) "Shall the sale of (insert beer, wine and 90676
mixed beverages, or spirituous liquor) be permitted by 90677

words "liquor agency store for the State of Ohio"), who is engaged 90685
in the business of (insert general nature of the 90686
business in which applicant or liquor permit holder is engaged or 90687

within the precinct as set forth in the petition) in this 90690
precinct?" 90691

(2) "Shall the sale of (insert beer, wine and 90692

(insert name of applicant, liquor permit holder, or liquor agency 90696
store, including trade or fictitious name under which applicant 90697
for, or holder of, liquor permit or liquor agency store either 90698

D-6 liquor permit," "applicant for or holder of an A-1-A, A-2, 90701
A-3a, C-1, C-2x, D-1, D-2x, D-3, D-3x, D-4, D-5, D-5b, D-5c, D-5e, 90702
D-5f, D-5g, D-5h, D-5i, D-5j, D-5k, D-5l, D-5m, or D-7 liquor 90703
permit," if only the approval of beer sales is sought, or "liquor 90704
agency store") who is engaged in the business of 90705
(insert general nature of the business in which applicant or 90706
liquor permit holder is engaged or will be engaged in at the 90707
particular location, as described in the petition) at 90708
(insert address of the particular location within the precinct) in 90709
this precinct?" 90710

(C) The board of elections shall furnish printed ballots at 90711
the election as provided under section 3505.06 of the Revised 90712
Code, except that a separate ballot shall be used for the election 90713
under this section. The question set forth in this section shall 90714
be printed on each ballot, and the board shall insert in the 90715

question appropriate words to complete it. Votes shall be cast as 90716
provided under section 3505.06 of the Revised Code. 90717

Sec. 4301.356. If a petition is filed under section 4301.334 90718
of the Revised Code for the submission of the question set forth 90719
in this section, an election shall be held in the municipal 90720
corporation or unincorporated area of a township as ordered by the 90721
board of elections under that section. 90722

Except as otherwise provided in this section, if the 90723
legislative authority of a municipal corporation in whose 90724
territory, or the board of township trustees of a township in 90725
whose unincorporated area, a community facility is located 90726
submits, not later than four p.m. of the seventy-fifth day before 90727
the day of a primary or general election, to the board of 90728
elections of the county in which the community facility is located 90729
an ordinance or resolution requesting the submission of the 90730
question set forth in this section to the electors of the 90731
municipal corporation or unincorporated area of the township, the 90732
board of elections shall order that an election be held on that 90733
question in the municipal corporation or the unincorporated area 90734
of the township on the day of the next primary or general 90735
election, whichever occurs first. The legislative authority or 90736
board of township trustees shall submit the name and address of 90737
any permit holder who would be affected by the results of the 90738
election to the board of elections at the same time it submits the 90739
ordinance or resolution. The board of elections, within five days 90740
after receiving the name and address, shall give notice by 90741
certified mail to each permit holder that it has received the 90742
ordinance or resolution. Failure of the legislative authority or 90743
board of township trustees to supply the name and address of each 90744
permit holder to the board of elections invalidates the effect of 90745
the ordinance or resolution. 90746

At the election, the following question shall be submitted to the electors of the municipal corporation or unincorporated area of a township:

"Shall the sale of beer and intoxicating liquor be permitted on days of the week other than Sunday and between the hours of ~~one p.m.~~ (insert "ten a.m." or "eleven a.m.") and midnight on Sunday, at (insert name of community facility), a community facility as defined by section 4301.01 of the Revised Code, and located at (insert the address of the community facility and, if the community facility is a community entertainment district, the boundaries of the district, as set forth in the petition)?"

The board of elections shall furnish printed ballots at the election as provided under section 3505.06 of the Revised Code, except that a separate ballot shall be used for the election under this section. The question set forth in this section shall be printed on each ballot, and the board shall insert in the question appropriate words to complete ~~each~~ it, subject to the approval of the secretary of state. Votes shall be cast as provided under section 3505.06 of the Revised Code.

Sec. 4301.361. (A) If a majority of the electors voting on questions set forth in section 4301.351 of the Revised Code in a precinct vote "yes" on question (B)(1) or (C)(1), or, if both questions (B)(1) and (B)(2), or questions (C)(1) and (C)(2), are submitted, "yes" on both questions or "yes" on question (B)(1) or (C)(1) but "no" on question (B)(2) or (C)(2), sales of intoxicating liquor shall be allowed on Sunday in the manner and under the conditions specified in question (B)(1) or (C)(1), under a D-6 permit, within the precinct concerned, during the hours specified in division (A) of section 4303.182 of the Revised Code and during the period the election is in effect as defined in

section 4301.37 of the Revised Code. 90778

(B) If only question (B)(2) or (C)(2) is submitted to the 90779

under the conditions specified in the question, subject only to 90866
this chapter and Chapter 4303. of the Revised Code. 90867

(D) If a majority of the electors in a precinct vote "no" on 90868

questions under each permit applied for by the petitioner or at 90910
the address listed for the liquor agency store, and, in relation 90911

division (A) of section 4303.182 of the Revised Code, subject only 90913
to this chapter and Chapter 4303. of the Revised Code. Failure to 90914

4303.271 of the Revised Code or is grounds for the nonrenewal or 90918
cancellation of the liquor agency store contract by the division 90919

holder or liquor agency store decides to cease the sale of beer, 90921
wine and mixed beverages, or spirituous liquor, whichever was the 90922
subject of the election, on Sundays. 90923

(B) Except as otherwise provided in division (H) of this 90924

the use specified in question (B)(1) of section 4301.355 of the 90930
Revised Code and under each permit applied for by the petitioner, 90931
except for a D-6 permit, subject only to this chapter and Chapter 90932
4303. of the Revised Code. 90933

(C) If a majority of the electors in a precinct vote "no" on 90934
question (B)(1) as set forth in section 4301.355 of the Revised 90935
Code, no sales of beer, wine and mixed beverages, or spirituous 90936

liquor, whichever was the subject of the election, shall be 90937
allowed at the particular location for the use specified in the 90938
petition during the period the election is in effect as defined in 90939
section 4301.37 of the Revised Code. 90940

(D) If a majority of the electors in a precinct vote only on 90941
question (B)(2) as set forth in section 4301.355 of the Revised 90942
Code and that vote results in a majority "yes" vote, sales of 90943
beer, wine and mixed beverages, or spirituous liquor, whichever 90944
was the subject of the election, shall be allowed at the 90945
particular location for the use ~~and during the hours~~ specified in 90946
the petition on Sunday during the hours specified in division (A) 90947
of section 4303.182 of the Revised Code and during the period the 90948
election is in effect as defined in section 4301.37 of the Revised 90949
Code. 90950

(E) Except as otherwise provided in division (H) of this 90951
section, if a majority of the electors in a precinct vote only on 90952
question (B)(2) as set forth in section 4301.355 of the Revised 90953
Code and that vote results in a majority "no" vote, no sales of 90954
beer, wine and mixed beverages, or spirituous liquor, whichever 90955
was the subject of the election, shall be allowed at the 90956
particular location for the use and during the hours specified in 90957
the petition on Sunday during the period the election is in effect 90958
as defined in section 4301.37 of the Revised Code. 90959

(F) In case of elections in the same precinct for the 90960
question or questions set forth in section 4301.355 of the Revised 90961
Code and for a question or questions set forth in section 4301.35, 90962
4301.351, 4301.353, 4301.354, 4303.29, or 4305.14 of the Revised 90963
Code, the results of the election held on the question or 90964
questions set forth in section 4301.355 of the Revised Code shall 90965
apply to the particular location notwithstanding the results of 90966
the election held on the question or questions set forth in 90967
section 4301.35, 4301.351, 4301.353, 4301.354, 4303.29, or 4305.14 90968

of the Revised Code. 90969

(G) Sections 4301.32 to 4301.41 of the Revised Code do not 90970
prohibit the transfer of ownership of a permit that was issued to 90971
a particular location as the result of an election held on sales 90972
of beer, wine and mixed beverages, spirituous liquor, or 90973
intoxicating liquor at that particular location as long as the 90974
general nature of the business at that particular location 90975
described in the petition for that election remains the same after 90976
the transfer. 90977

(H) If question (B)(2) as set forth in section 4301.355 of 90978
the Revised Code is submitted to the electors of a precinct 90979
proposing to authorize the sale of beer, wine and mixed beverages, 90980
or spirituous liquor between the hours of ten a.m. and midnight at 90981
a particular location at which the sale of beer, wine and mixed 90982
beverages, spirituous liquor, or intoxicating liquor is already 90983
allowed between the hours of eleven a.m. and midnight or one p.m. 90984
and midnight and the question submitted is defeated, the sale of 90985
beer, wine and mixed beverages, spirituous liquor, or intoxicating 90986
liquor between the hours of eleven a.m. and midnight or one p.m. 90987
and midnight, as applicable, shall continue at that particular 90988
location. 90989

Sec. 4301.366. If a majority of the electors voting on the 90990

Sunday and during the hours on Sunday specified in division (A) of 90994
section 4303.182 of the Revised Code, for the use specified in the 90995
question, subject only to this chapter and Chapter 4303. of the 90996
Revised Code. Failure to continue to use the location as a 90997
community facility constitutes good cause for rejection of the 90998
renewal of the liquor permit under division (A) of section 90999

4303.271 of the Revised Code. 91000

If a majority of the electors voting on the question 91001
specified in section 4301.356 of the Revised Code vote "no," no 91002

one sale of the same article shall be used in computing the amount 91037
of tax due. The tax on mixed beverages to be paid by holders of 91038
A-4 permits under this section shall not attach until the 91039
ownership of the mixed beverage is transferred for valuable 91040
consideration to a wholesaler or retailer, and no payment of the 91041
tax shall be required prior to that time. 91042

(D) During the period of July 1, ~~2007~~ 2009, through June 30, 91043
~~2009~~ 2011, from the tax paid under this section on wine, vermouth, 91044

division is in addition to the amount credited to the Ohio grape 91049

cider upon which no tax has been paid. Only one sale of the same 91055
article shall be used in computing the amount of the tax due. 91056

Sec. 4301.85. (A) The serving or consumption of beer or 91057
intoxicating liquor shall not be prohibited in a facility that is 91058
owned or leased by the state and that is used by visiting foreign 91059

consumption of beer or intoxicating liquor shall be done according 91061

to the policies and procedures agreed upon by the commanding officers of the foreign military units, the adjutant general, and the United States department of defense liaisons or their designated representatives to the foreign military units.

The owner or operator of a hotel, motel, or restaurant who 91094
qualified for and held a D-5a permit on August 4, 1976, may, if 91095
the owner or operator held another permit before holding a D-5a 91096
permit, either retain a D-5a permit or apply for the permit 91097

A D-5b permit shall not be transferred to another location. 91115

One D-5b permit may be issued at an enclosed shopping center 91116

of five D-5b permits for each enclosed shopping center. The number 91124
of D-5b permits that may be issued at an enclosed shopping center 91125
shall be determined by subtracting the number of D-3 and D-5 91126
permits issued in the enclosed shopping center from the number of 91127
D-5b permits that otherwise may be issued at the enclosed shopping 91128
center under the formulas provided in this division. Except as 91129
provided in this section, no quota shall be placed on the number 91130

provided in this section, the holder of any D-5b permit first 91132

owing or accrued upon the date of cancellation to this state and 91141
its political subdivisions and a filing with the division of a 91142

Revised Code shall be charged for the renewal of a removable 92760
windshield placard. The registrar shall provide the application 92761
form and shall determine the information to be included thereon. 92762
The registrar also shall determine the form and size of the 92763
removable windshield placard, the material of which it is to be 92764
made, and any other information to be included thereon, and shall 92765
adopt rules relating to the issuance, expiration, revocation, 92766
surrender, and proper display of such placards. Any placard issued 92767
after October 14, 1999, shall be manufactured in a manner that 92768
allows the expiration date of the placard to be indicated on it 92769
through the punching, drilling, boring, or creation by any other 92770
means of holes in the placard. 92771

(2) At the time a removable windshield placard is issued to a 92772
person with a disability that limits or impairs the ability to 92773
walk, the registrar or deputy registrar shall enter into the 92774
records of the bureau of motor vehicles the last date on which the 92775
person will have that disability, as indicated on the accompanying 92776
prescription. Not less than thirty days prior to that date and all 92777
removable windshield placard renewal dates, the bureau shall send 92778
a renewal notice to that person at the person's last known address 92779
as shown in the records of the bureau, informing the person that 92780
the person's removable windshield placard will expire on the 92781
indicated date not to exceed five years from the date of issuance, 92782
and that the person is required to renew the placard by submitting 92783
to the registrar or a deputy registrar another prescription, as 92784
described in division (B) of this section, and by complying with 92785
the renewal provisions prescribed in division (D)(1) of this 92786
section. If such a prescription is not received by the registrar 92787

or a deputy registrar by that date, the placard issued to that person expires and no longer is valid, and this fact shall be recorded in the records of the bureau.

(3) At least once every year, on a date determined by the registrar, the bureau shall examine the records of the office of vital statistics, located within the department of health, that pertain to deceased persons, and also the bureau's records of all persons who have been issued removable windshield placards and temporary removable windshield placards. If the records of the office of vital statistics indicate that a person to whom a removable windshield placard or temporary removable windshield placard has been issued is deceased, the bureau shall cancel that placard, and note the cancellation in its records.

The office of vital statistics shall make available to the bureau all information necessary to enable the bureau to comply with division (D)(3) of this section.

(4) Nothing in this section shall be construed to require a person or organization to apply for a removable windshield placard or special license plates if the parking card or special license plates issued to the person or organization under prior law have not expired or been surrendered or revoked.

(E)(1)(a) Any person with a disability that limits or impairs the ability to walk may apply to the registrar or a deputy registrar for a temporary removable windshield placard. The application for a temporary removable windshield placard shall be accompanied by a prescription from the applicant's health care provider prescribing such a placard for the applicant, provided that the applicant meets at least one of the criteria contained in division (A)(1) of this section and that the disability is expected to continue for six consecutive months or less. The health care provider shall state on the prescription the length of time the health care provider expects the applicant to have the

disability that limits or impairs the applicant's ability to walk, 92820
which cannot exceed six months from the date of the prescription. 92821
Upon receipt of an application for a temporary removable 92822
windshield placard, presentation of the prescription from the 92823
applicant's health care provider, and payment of a service fee 92824
equal to the amount specified in division (D) or (G) of section 92825
4503.10 of the Revised Code, the registrar or deputy registrar 92826
shall issue to the applicant a temporary removable windshield 92827
placard. 92828

(b) Any active-duty member of the armed forces of the United 92829
States, including the reserve components of the armed forces and 92830
the national guard, who has an illness or injury that limits or 92831
impairs the ability to walk may apply to the registrar or a deputy 92832
registrar for a temporary removable windshield placard. With the 92833
application, the person shall present evidence of the person's 92834
active-duty status and the illness or injury. Evidence of the 92835
illness or injury may include a current department of defense 92836
convalescent leave statement, any department of defense document 92837
indicating that the person currently has an ill or injured 92838
casualty status or has limited duties, or a prescription from any 92839
health care provider prescribing the placard for the applicant. 92840
Upon receipt of the application and the necessary evidence, the 92841
registrar or deputy registrar shall issue the applicant the 92842
temporary removable windshield placard without the payment of any 92843
service fee. 92844

(2) The temporary removable windshield placard shall be of 92845
the same size and form as the removable windshield placard, shall 92846
be printed in white on a red-colored background, and shall bear 92847
the word "temporary" in letters of such size as the registrar 92848
shall prescribe. A temporary removable windshield placard also 92849
shall bear the date of expiration on the front and back of the 92850
placard, and shall be valid until expired, surrendered, or 92851

revoked, but in no case shall such a placard be valid for a period 92852
of less than sixty days. The registrar shall provide the 92853
application form and shall determine the information to be 92854
included on it, provided that the registrar shall not require a 92855
health care provider's prescription or certification for a person 92856
applying under division (E)(1)(b) of this section. The registrar 92857
also shall determine the material of which the temporary removable 92858
windshield placard is to be made and any other information to be 92859
included on the placard and shall adopt rules relating to the 92860
issuance, expiration, surrender, revocation, and proper display of 92861
those placards. Any temporary removable windshield placard issued 92862
after October 14, 1999, shall be manufactured in a manner that 92863
allows for the expiration date of the placard to be indicated on 92864
it through the punching, drilling, boring, or creation by any 92865
other means of holes in the placard. 92866

(F) If an applicant for a removable windshield placard is a 92867
veteran of the armed forces of the United States whose disability, 92868
as defined in division (A)(1) of this section, is 92869
service-connected, the registrar or deputy registrar, upon receipt 92870
of the application, presentation of a signed statement from the 92871
applicant's health care provider certifying the applicant's 92872
disability, and presentation of such documentary evidence from the 92873
department of veterans affairs that the disability of the 92874
applicant meets at least one of the criteria identified in 92875
division (A)(1) of this section and is service-connected as the 92876
registrar may require by rule, but without the payment of any 92877
service fee, shall issue the applicant a removable windshield 92878
placard that is valid until expired, surrendered, or revoked. 92879

(G) Upon a conviction of a violation of division (I), (J), or 92880
(K) of this section, the court shall report the conviction, and 92881
send the placard or parking card, if available, to the registrar, 92882
who thereupon shall revoke the privilege of using the placard or 92883

parking card and send notice in writing to the placardholder or 92884
cardholder at that holder's last known address as shown in the 92885
records of the bureau, and the placardholder or cardholder shall 92886
return the placard or card if not previously surrendered to the 92887
court, to the registrar within ten days following mailing of the 92888
notice. 92889

Whenever a person to whom a removable windshield placard or 92890
parking card has been issued moves to another state, the person 92891
shall surrender the placard or card to the registrar; and whenever 92892
an organization to which a placard or card has been issued changes 92893
its place of operation to another state, the organization shall 92894
surrender the placard or card to the registrar. 92895

(H) Subject to division (F) of section 4511.69 of the Revised 92896
Code, the operator of a motor vehicle displaying a removable 92897
windshield placard, temporary removable windshield placard, 92898
parking card, or the special license plates authorized by this 92899
section is entitled to park the motor vehicle in any special 92900
parking location reserved for persons with disabilities that limit 92901
or impair the ability to walk, also known as handicapped parking 92902
spaces or disability parking spaces. 92903

(I) No person or organization that is not eligible under 92904
division (B) or (E) of this section shall willfully and falsely 92905
represent that the person or organization is so eligible. 92906

No person or organization shall display license plates issued 92907
under this section unless the license plates have been issued for 92908
the vehicle on which they are displayed and are valid. 92909

(J) No person or organization to which a removable windshield 92910
placard or temporary removable windshield placard is issued shall 92911
do either of the following: 92912

(1) Display or permit the display of the placard on any motor 92913
vehicle when having reasonable cause to believe the motor vehicle 92914

is being used in connection with an activity that does not include 92915
providing transportation for persons with disabilities that limit 92916
or impair the ability to walk; 92917

(2) Refuse to return or surrender the placard, when required. 92918

(K)(1) No person or organization to which a parking card is 92919
issued shall do either of the following: 92920

(a) Display or permit the display of the parking card on any 92921
motor vehicle when having reasonable cause to believe the motor 92922
vehicle is being used in connection with an activity that does not 92923
include providing transportation for a handicapped person; 92924

(b) Refuse to return or surrender the parking card, when 92925
required. 92926

(2) As used in division (K) of this section: 92927

(a) "Handicapped person" means any person who has lost the 92928
use of one or both legs or one or both arms, who is blind, deaf, 92929
or so severely handicapped as to be unable to move about without 92930
the aid of crutches or a wheelchair, or whose mobility is 92931
restricted by a permanent cardiovascular, pulmonary, or other 92932
handicapping condition. 92933

(b) "Organization" means any private organization or 92934
corporation, or any governmental board, agency, department, 92935
division, or office, that, as part of its business or program, 92936
transports handicapped persons on a regular basis in a motor 92937
vehicle that has not been altered for the purposes of providing it 92938
with special equipment for use by handicapped persons. 92939

(L) If a removable windshield placard, temporary removable 92940
windshield placard, or parking card is lost, destroyed, or 92941
mutilated, the placardholder or cardholder may obtain a duplicate 92942
by doing both of the following: 92943

(1) Furnishing suitable proof of the loss, destruction, or 92944

mutilation to the registrar; 92945

(2) Paying a service fee equal to the amount specified in 92946
division (D) or (G) of section 4503.10 of the Revised Code. 92947

Any placardholder or cardholder who loses a placard or card 92948
and, after obtaining a duplicate, finds the original, immediately 92949
shall surrender the original placard or card to the registrar. 92950

(M) The registrar shall pay all fees received under this 92951
section for the issuance of removable windshield placards or 92952
temporary removable windshield placards or duplicate removable 92953
windshield placards or cards into the state treasury to the credit 92954
of the state bureau of motor vehicles fund created in section 92955
4501.25 of the Revised Code. 92956

(N) In addition to the fees collected under this section, the 92957
registrar or deputy registrar shall ask each person applying for a 92958
removable windshield placard or temporary removable windshield 92959
placard or duplicate removable windshield placard or license plate 92960
issued under this section, whether the person wishes to make a 92961
two-dollar voluntary contribution to support rehabilitation 92962
employment services. The registrar shall transmit the 92963
contributions received under this division to the treasurer of 92964
state for deposit into the rehabilitation employment fund, which 92965
is hereby created in the state treasury. A deputy registrar shall 92966
transmit the contributions received under this division to the 92967
registrar in the time and manner prescribed by the registrar. The 92968
contributions in the fund shall be used by the rehabilitation 92969
services commission to purchase services related to vocational 92970
evaluation, work adjustment, personal adjustment, job placement, 92971
job coaching, and community-based assessment from accredited 92972
community rehabilitation program facilities. 92973

(O) For purposes of enforcing this section, every peace 92974
officer is deemed to be an agent of the registrar. Any peace 92975

officer or any authorized employee of the bureau of motor vehicles 92976
who, in the performance of duties authorized by law, becomes aware 92977
of a person whose placard or parking card has been revoked 92978
pursuant to this section, may confiscate that placard or parking 92979
card and return it to the registrar. The registrar shall prescribe 92980
any forms used by law enforcement agencies in administering this 92981
section. 92982

No peace officer, law enforcement agency employing a peace 92983
officer, or political subdivision or governmental agency employing 92984
a peace officer, and no employee of the bureau is liable in a 92985
civil action for damages or loss to persons arising out of the 92986
performance of any duty required or authorized by this section. As 92987
used in this division, "peace officer" has the same meaning as in 92988
division (B) of section 2935.01 of the Revised Code. 92989

~~(O)~~(P) All applications for registration of motor vehicles, 92990
removable windshield placards, and temporary removable windshield 92991
placards issued under this section, all renewal notices for such 92992
items, and all other publications issued by the bureau that relate 92993
to this section shall set forth the criminal penalties that may be 92994
imposed upon a person who violates any provision relating to 92995
special license plates issued under this section, the parking of 92996
vehicles displaying such license plates, and the issuance, 92997
procurement, use, and display of removable windshield placards and 92998
temporary removable windshield placards issued under this section. 92999

~~(P)~~(Q) Whoever violates this section is guilty of a 93000
misdemeanor of the fourth degree. 93001

Sec. 4503.548. (A) Any person who has been awarded the combat 93002
infantryman badge may apply to the registrar of motor vehicles for 93003
the registration of any passenger car, noncommercial motor 93004
vehicle, recreational vehicle, or other vehicle of a class 93005
approved by the registrar that the person owns or leases. The 93006

application shall be accompanied by such documentary evidence in support of the award as the registrar may require. The application may be combined with a request for a special reserved license plate under section 4503.40 or 4503.42 of the Revised Code.

Upon receipt of an application for registration of a motor vehicle under this section and the required taxes and fees, and upon presentation of the required supporting evidence of the award of the combat infantryman badge, the registrar shall issue to the applicant the appropriate motor vehicle registration and a set of license plates and a validation sticker, or a validation sticker alone when required by section 4503.191 of the Revised Code.

In addition to the letters and numbers ordinarily inscribed on license plates, the license plates shall be inscribed with the words "combat infantryman badge" and bear a reproduction of the combat infantryman badge. The license plates shall bear county identification stickers that identify the county of registration by name or number.

The license plates and a validation sticker or, when applicable, a validation sticker alone shall be issued upon payment of the regular license tax required by section 4503.04 of the Revised Code, payment of any local motor vehicle license tax levied under Chapter 4504. of the Revised Code, payment of any applicable additional fee prescribed by section 4503.40 or 4503.42 of the Revised Code, and compliance with all other applicable laws relating to the registration of motor vehicles.

(B) No person who is not a recipient of the combat infantryman badge shall willfully and falsely represent that the person is a recipient of the combat infantryman badge for the purpose of obtaining license plates under this section. No person shall own a motor vehicle bearing license plates issued under this section unless the person is eligible to be issued those license plates.

(C) Sections 4503.77 and 4503.78 of the Revised Code do not 93039
apply to license plates issued under this section. 93040

Sec. 4503.563. (A) The owner or lessee of any passenger car, 93041
noncommercial motor vehicle, recreational vehicle, or other 93042
vehicle of a class approved by the registrar of motor vehicles may 93043
apply to the registrar for the registration of the vehicle and 93044
issuance of Ohio nature preserves license plates. The application 93045
for Ohio nature preserves license plates may be combined with a 93046
request for a special reserved license plate under section 4503.40 93047
or 4503.42 of the Revised Code. Upon receipt of the completed 93048
application and compliance with division (B) of this section, the 93049
registrar shall issue to the applicant the appropriate vehicle 93050
registration and a set of Ohio nature preserves license plates 93051
with a validation sticker or a validation sticker alone when 93052
required by section 4503.191 of the Revised Code. 93053

In addition to the letters and numbers ordinarily inscribed 93054
thereon, Ohio nature preserves license plates shall be inscribed 93055
with identifying words or markings designed by the department of 93056
natural resources and approved by the registrar. Ohio nature 93057
preserves license plates shall bear county identification stickers 93058
that identify the county of registration by name or number. 93059

(B) The Ohio nature preserves license plates and validation 93060
sticker shall be issued upon receipt of a contribution as provided 93061
in division (C) of this section and upon payment of the regular 93062
license fees as prescribed under section 4503.04 of the Revised 93063
Code, a bureau of motor vehicles administrative fee of ten 93064
dollars, any applicable motor vehicle tax levied under Chapter 93065
4504. of the Revised Code, and compliance with all other 93066
applicable laws relating to the registration of motor vehicles. If 93067
the application for Ohio nature preserves license plates is 93068
combined with a request for a special reserved license plate under 93069

section 4503.40 or 4503.42 of the Revised Code, the license plates 93070
and validation sticker shall be issued upon payment of the 93071
contribution, fees, and taxes contained in this division and the 93072
additional fee prescribed under section 4503.40 or 4503.42 of the 93073
Revised Code. 93074

(C) For each application for registration and registration 93075
renewal submitted under this section, the registrar shall collect 93076
a contribution in an amount not to exceed forty dollars as 93077
determined by the department. The registrar shall transmit this 93078
contribution to the treasurer of state for deposit in the Ohio 93079
nature preserves fund created in section 4501.243 of the Revised 93080
Code. 93081

The registrar shall deposit the ten-dollar bureau 93082
administrative fee, the purpose of which is to compensate the 93083
bureau for additional services required in issuing Ohio nature 93084
preserves license plates, in the state bureau of motor vehicles 93085
fund created in section 4501.25 of the Revised Code. 93086

Sec. 4505.01. (A) As used in this chapter: 93087

(1) "Lien" includes, unless the context requires a different 93088
meaning, a security interest in a motor vehicle. 93089

(2) "Motor vehicle" includes manufactured homes, mobile 93090
homes, recreational vehicles, and trailers and semitrailers whose 93091
weight exceeds four thousand pounds. 93092

(3) "Manufactured home" has the same meaning as section 93093
3781.06 of the Revised Code. 93094

(4) "Mobile home" has the same meaning as in section 4501.01 93095
of the Revised Code. 93096

(5) "Manufactured housing dealer," "manufactured housing 93097
broker," and "manufactured housing salesperson" have the same 93098
meanings as in section 4781.01 of the Revised Code. 93099

(6) "Motor vehicle dealer" includes manufactured housing 93100
dealers. 93101

(7) "Motor vehicle salesperson" includes manufactured housing 93102
salespersons. 93103

(B) The various certificates, applications, and assignments 93104
necessary to provide certificates of title for manufactured homes, 93105
mobile homes, recreational vehicles, and trailers and semitrailers 93106
whose weight exceeds four thousand pounds, shall be made upon 93107
forms prescribed by the registrar of motor vehicles. 93108

Sec. 4505.06. (A)(1) Application for a certificate of title 93109
shall be made in a form prescribed by the registrar of motor 93110
vehicles and shall be sworn to before a notary public or other 93111
officer empowered to administer oaths. The application shall be 93112
filed with the clerk of any court of common pleas. An application 93113
for a certificate of title may be filed electronically by any 93114
electronic means approved by the registrar in any county with the 93115
clerk of the court of common pleas of that county. Any payments 93116
required by this chapter shall be considered as accompanying any 93117
electronically transmitted application when payment actually is 93118
received by the clerk. Payment of any fee or taxes may be made by 93119
electronic transfer of funds. 93120

(2) The application for a certificate of title shall be 93121
accompanied by the fee prescribed in section 4505.09 of the 93122
Revised Code. The fee shall be retained by the clerk who issues 93123
the certificate of title and shall be distributed in accordance 93124
with that section. If a clerk of a court of common pleas, other 93125
than the clerk of the court of common pleas of an applicant's 93126
county of residence, issues a certificate of title to the 93127
applicant, the clerk shall transmit data related to the 93128
transaction to the automated title processing system. 93129

(3) If a certificate of title previously has been issued for 93130

a motor vehicle in this state, the application for a certificate 93131
of title also shall be accompanied by that certificate of title 93132
duly assigned, unless otherwise provided in this chapter. If a 93133
certificate of title previously has not been issued for the motor 93134
vehicle in this state, the application, unless otherwise provided 93135
in this chapter, shall be accompanied by a manufacturer's or 93136
importer's certificate or by a certificate of title of another 93137
state from which the motor vehicle was brought into this state. If 93138
the application refers to a motor vehicle last previously 93139
registered in another state, the application also shall be 93140
accompanied by the physical inspection certificate required by 93141
section 4505.061 of the Revised Code. If the application is made 93142
by two persons regarding a motor vehicle in which they wish to 93143
establish joint ownership with right of survivorship, they may do 93144
so as provided in section 2131.12 of the Revised Code. If the 93145
applicant requests a designation of the motor vehicle in 93146
beneficiary form so that upon the death of the owner of the motor 93147
vehicle, ownership of the motor vehicle will pass to a designated 93148
transfer-on-death beneficiary or beneficiaries, the applicant may 93149
do so as provided in section 2131.13 of the Revised Code. A person 93150
who establishes ownership of a motor vehicle that is transferable 93151
on death in accordance with section 2131.13 of the Revised Code 93152
may terminate that type of ownership or change the designation of 93153
the transfer-on-death beneficiary or beneficiaries by applying for 93154
a certificate of title pursuant to this section. The clerk shall 93155
retain the evidence of title presented by the applicant and on 93156
which the certificate of title is issued, except that, if an 93157
application for a certificate of title is filed electronically by 93158
an electronic motor vehicle dealer on behalf of the purchaser of a 93159
motor vehicle, the clerk shall retain the completed electronic 93160
record to which the dealer converted the certificate of title 93161
application and other required documents. The registrar, after 93162
consultation with the attorney general, shall adopt rules that 93163

govern the location at which, and the manner in which, are stored 93164
the actual application and all other documents relating to the 93165
sale of a motor vehicle when an electronic motor vehicle dealer 93166
files the application for a certificate of title electronically on 93167
behalf of the purchaser. 93168

The clerk shall use reasonable diligence in ascertaining 93169
whether or not the facts in the application for a certificate of 93170
title are true by checking the application and documents 93171
accompanying it or the electronic record to which a dealer 93172
converted the application and accompanying documents with the 93173
records of motor vehicles in the clerk's office. If the clerk is 93174
satisfied that the applicant is the owner of the motor vehicle and 93175
that the application is in the proper form, the clerk, within five 93176
business days after the application is filed and except as 93177
provided in section 4505.021 of the Revised Code, shall issue a 93178
physical certificate of title over the clerk's signature and 93179
sealed with the clerk's seal, unless the applicant specifically 93180
requests the clerk not to issue a physical certificate of title 93181
and instead to issue an electronic certificate of title. For 93182
purposes of the transfer of a certificate of title, if the clerk 93183
is satisfied that the secured party has duly discharged a lien 93184
notation but has not canceled the lien notation with a clerk, the 93185
clerk may cancel the lien notation on the automated title 93186
processing system and notify the clerk of the county of origin. 93187

(4) In the case of the sale of a motor vehicle to a general 93188
buyer or user by a dealer, by a motor vehicle leasing dealer 93189
selling the motor vehicle to the lessee or, in a case in which the 93190
leasing dealer subleased the motor vehicle, the sublessee, at the 93191
end of the lease agreement or sublease agreement, or by a 93192
manufactured ~~home~~ housing broker, the certificate of title shall 93193
be obtained in the name of the buyer by the dealer, leasing 93194
dealer, or manufactured ~~home~~ housing broker, as the case may be, 93195

upon application signed by the buyer. The certificate of title 93196
shall be issued, or the process of entering the certificate of 93197
title application information into the automated title processing 93198
system if a physical certificate of title is not to be issued 93199
shall be completed, within five business days after the 93200

for certificate of title shall be filed within thirty days after 93243
the assignment or delivery of the motor vehicle. ~~¶~~ 93244

(c) An application for a certificate of title for a new 93245
manufactured home shall be filed within thirty days after the 93246
delivery of the new manufactured home to the purchaser. The date 93247
of the delivery shall be the date on which an occupancy permit for 93248

the appropriate legal authority. 93250

(d) An application for a certificate of title for a used 93251
manufactured home or a used mobile home shall be filed as follows: 93252

(i) If a certificate of title for the used manufactured home 93253
or used mobile home was issued to the motor vehicle dealer prior 93254

the application for certificate of title shall be filed within 93256
thirty days after the date on which an occupancy permit for the 93257

title for the home from the secured party or the date on which an 93269
occupancy permit for the manufactured or mobile home is delivered 93270
to the purchaser by the appropriate legal authority, whichever 93271

(6) If an application for a certificate of title is not filed 93273
within the period specified in division (A)(5)(b), (c), or (d) of 93274
this section, the clerk shall collect a fee of five dollars for 93275

meanings as in section 4505.04 of the Revised Code and "new 93288
manufactured home," "used manufactured home," and "used mobile 93289
home" have the same meanings as in section 5739.0210 of the 93290

Revised Code. 93291

(B)(1) The clerk, except as provided in this section, shall 93292
refuse to accept for filing any application for a certificate of 93293
title and shall refuse to issue a certificate of title unless the 93294
dealer ~~or manufactured home broker~~ or the applicant, in cases in 93295

the application payment of the tax levied by or pursuant to 93297
Chapters 5739. and 5741. of the Revised Code based on the 93298
purchaser's county of residence. Upon payment of the tax in 93299
accordance with division (E) of this section, the clerk shall 93300
issue a receipt prescribed by the registrar and agreed upon by the 93301
tax commissioner showing payment of the tax or a receipt issued by 93302
the commissioner showing the payment of the tax. When submitting 93303
payment of the tax to the clerk, a dealer shall retain any 93304
discount to which the dealer is entitled under section 5739.12 of 93305
the Revised Code. 93306

(2) For receiving and disbursing such taxes paid to the clerk 93307
by a resident of the clerk's county, the clerk may retain a 93308
poundage fee of one and one one-hundredth per cent, and the clerk 93309

an amount equal to the poundage fees associated with certificates 93315
of title issued by other clerks of courts of common pleas to 93316
applicants who reside in the first clerk's county. The registrar, 93317
in consultation with the tax commissioner and the clerks of the 93318
courts of common pleas, shall develop a report from the automated 93319
title processing system that informs each clerk of the amount of 93320
the poundage fees that the clerk is permitted to retain from those 93321
taxes because of certificates of title issued by the clerks of 93322

other counties to applicants who reside in the first clerk's 93323
county. 93324

(3) In the case of casual sales of motor vehicles, as defined 93325
in section 4517.01 of the Revised Code, the price for the purpose 93326

certificate of title executed by the seller and filed with the 93328
clerk by the buyer on a form to be prescribed by the registrar, 93329
which shall be prima-facie evidence of the amount for the 93330
determination of the tax. 93331

vehicles, off-highway motorcycles, and all-purpose vehicles during 93334
a calendar week on or before the Friday following the close of 93335
that week. If, on any Friday, the offices of the clerk of courts 93336
or the state are not open for business, the tax shall be forwarded 93337

offices are open. Every remittance of tax under division (B)(4) of 93339
this section shall be accompanied by a remittance report in such 93340
form as the tax commissioner prescribes. Upon receipt of a tax 93341
remittance and remittance report, the treasurer of state shall 93342
date stamp the report and forward it to the tax commissioner. If 93343
the tax due for any week is not remitted by a clerk of courts as 93344
required under division (B)(4) of this section, the commissioner 93345
may require the clerk to forfeit the poundage fees for the sales 93346
made during that week. The treasurer of state may require the 93347
clerks of courts to transmit tax collections and remittance 93348
reports electronically. 93349

(C)(1) If the transferor indicates on the certificate of 93350
title that the odometer reflects mileage in excess of the designed 93351
mechanical limit of the odometer, the clerk shall enter the phrase 93352
"exceeds mechanical limits" following the mileage designation. If 93353
the transferor indicates on the certificate of title that the 93354

odometer reading is not the actual mileage, the clerk shall enter 93355
the phrase "nonactual: warning - odometer discrepancy" following 93356
the mileage designation. The clerk shall use reasonable care in 93357
transferring the information supplied by the transferor, but is 93358
not liable for any errors or omissions of the clerk or those of 93359
the clerk's deputies in the performance of the clerk's duties 93360
created by this chapter. 93361

The registrar shall prescribe an affidavit in which the 93362
transferor shall swear to the true selling price and, except as 93363
provided in this division, the true odometer reading of the motor 93364
vehicle. The registrar may prescribe an affidavit in which the 93365
seller and buyer provide information pertaining to the odometer 93366
reading of the motor vehicle in addition to that required by this 93367
section, as such information may be required by the United States 93368
secretary of transportation by rule prescribed under authority of 93369
subchapter IV of the "Motor Vehicle Information and Cost Savings 93370
Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 93371

(2) Division (C)(1) of this section does not require the 93372
giving of information concerning the odometer and odometer reading 93373
of a motor vehicle when ownership of a motor vehicle is being 93374
transferred as a result of a bequest, under the laws of intestate 93375
succession, to a survivor pursuant to section 2106.18, 2131.12, or 93376
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 93377
beneficiaries pursuant to section 2131.13 of the Revised Code, in 93378
connection with the creation of a security interest or for a 93379
vehicle with a gross vehicle weight rating of more than sixteen 93380
thousand pounds. 93381

(D) When the transfer to the applicant was made in some other 93382
state or in interstate commerce, the clerk, except as provided in 93383
this section, shall refuse to issue any certificate of title 93384
unless the tax imposed by or pursuant to Chapter 5741. of the 93385
Revised Code based on the purchaser's county of residence has been 93386

paid as evidenced by a receipt issued by the tax commissioner, or 93387
unless the applicant submits with the application payment of the 93388
tax. Upon payment of the tax in accordance with division (E) of 93389
this section, the clerk shall issue a receipt prescribed by the 93390
registrar and agreed upon by the tax commissioner, showing payment 93391
of the tax. 93392

For receiving and disbursing such taxes paid to the clerk by 93393
a resident of the clerk's county, the clerk may retain a poundage 93394
fee of one and one one-hundredth per cent. The clerk shall not 93395
retain a poundage fee from payments of taxes by persons who do not 93396
reside in the clerk's county. 93397

A clerk, however, may retain from the taxes paid to the clerk 93398
an amount equal to the poundage fees associated with certificates 93399
of title issued by other clerks of courts of common pleas to 93400
applicants who reside in the first clerk's county. The registrar, 93401
in consultation with the tax commissioner and the clerks of the 93402
courts of common pleas, shall develop a report from the automated 93403
title processing system that informs each clerk of the amount of 93404
the poundage fees that the clerk is permitted to retain from those 93405
taxes because of certificates of title issued by the clerks of 93406
other counties to applicants who reside in the first clerk's 93407
county. 93408

When the vendor is not regularly engaged in the business of 93409
selling motor vehicles, the vendor shall not be required to 93410
purchase a vendor's license or make reports concerning those 93411
sales. 93412

(E) The clerk shall accept any payment of a tax in cash, or 93413
by cashier's check, certified check, draft, money order, or teller 93414
check issued by any insured financial institution payable to the 93415
clerk and submitted with an application for a certificate of title 93416
under division (B) or (D) of this section. The clerk also may 93417
accept payment of the tax by corporate, business, or personal 93418

check, credit card, electronic transfer or wire transfer, debit 93419
card, or any other accepted form of payment made payable to the 93420
clerk. The clerk may require bonds, guarantees, or letters of 93421
credit to ensure the collection of corporate, business, or 93422
personal checks. Any service fee charged by a third party to a 93423
clerk for the use of any form of payment may be paid by the clerk 93424
from the certificate of title administration fund created in 93425
section 325.33 of the Revised Code, or may be assessed by the 93426
clerk upon the applicant as an additional fee. Upon collection, 93427
the additional fees shall be paid by the clerk into that 93428
certificate of title administration fund. 93429

The clerk shall make a good faith effort to collect any 93430
payment of taxes due but not made because the payment was returned 93431
or dishonored, but the clerk is not personally liable for the 93432
payment of uncollected taxes or uncollected fees. The clerk shall 93433
notify the tax commissioner of any such payment of taxes that is 93434
due but not made and shall furnish the information to the 93435
commissioner that the commissioner requires. The clerk shall 93436
deduct the amount of taxes due but not paid from the clerk's 93437
periodic remittance of tax payments, in accordance with procedures 93438
agreed upon by the tax commissioner. The commissioner may collect 93439
taxes due by assessment in the manner provided in section 5739.13 93440
of the Revised Code. 93441

Any person who presents payment that is returned or 93442
dishonored for any reason is liable to the clerk for payment of a 93443
penalty over and above the amount of the taxes due. The clerk 93444
shall determine the amount of the penalty, and the penalty shall 93445
be no greater than that amount necessary to compensate the clerk 93446
for banking charges, legal fees, or other expenses incurred by the 93447
clerk in collecting the returned or dishonored payment. The 93448
remedies and procedures provided in this section are in addition 93449
to any other available civil or criminal remedies. Subsequently 93450

collected penalties, poundage fees, and title fees, less any title 93451
fee due the state, from returned or dishonored payments collected 93452
by the clerk shall be paid into the certificate of title 93453
administration fund. Subsequently collected taxes, less poundage 93454
fees, shall be sent by the clerk to the treasurer of state at the 93455
next scheduled periodic remittance of tax payments, with 93456
information as the commissioner may require. The clerk may abate 93457
all or any part of any penalty assessed under this division. 93458

(F) In the following cases, the clerk shall accept for filing 93459
an application and shall issue a certificate of title without 93460
requiring payment or evidence of payment of the tax: 93461

Code. 93478

or impoundment. 94359

(d) Send written notification to every person to whom the 94360
order pertains, at the person's last known address as shown on the 94361

suspension of the order. The scope of the hearing shall be limited 94374
to whether the person in fact demonstrated to the registrar proof 94375
of financial responsibility in accordance with this section. The 94376

(C) Any order of suspension or impoundment issued under this section or division (B) of section 4509.37 of the Revised Code may be terminated at any time if the registrar determines upon a showing of proof of financial responsibility that the operator or owner of the motor vehicle was in compliance with division (A)(1) of this section at the time of the traffic offense, motor vehicle inspection, or accident that resulted in the order against the person. A determination may be made without a hearing. This division does not apply unless the person shows good cause for the person's failure to present satisfactory proof of financial responsibility to the registrar prior to the issuance of the order.

(D)(1) For the purpose of enforcing this section, every peace officer is deemed an agent of the registrar.

(a) Except as provided in division (D)(1)(b) of this section, any peace officer who, in the performance of the peace officer's duties as authorized by law, becomes aware of a person whose license is under an order of suspension, or whose certificate of registration and license plates are under an order of impoundment, pursuant to this section, may confiscate the license, certificate of registration, and license plates, and return them to the registrar.
