(B) Before a construction permit may be issued, three copies of the plans and specifications, including a detailed cost estimate, for the proposed construction, prepared by a registered professional engineer, together with the filing fee specified by this section and the bond or other security required by section 1521.061 of the Revised Code, shall be filed with the chief. The detailed estimate of the cost shall include all costs associated with the construction of the dam or levee, including supervision and inspection of the construction by a registered professional engineer. The filing fee shall be based on the detailed cost estimate for the proposed construction as filed with and approved by the chief, and shall be determined by the following schedule unless otherwise provided by rules adopted under this section:	31635 31636 31637 31638 31639 31640 31641 31642 31643 31644 31645 31646 31647
(1) For the first one hundred thousand dollars of estimated cost, a fee of four per cent;	31648 31649
(2) For the next four hundred thousand dollars of estimated cost, a fee of three per cent;	31650 31651
(3) For the next five hundred thousand dollars of estimated cost, a fee of two per cent;	31652 31653
(4) For all costs in excess of one million dollars, a fee of one-half of one per cent.	31654 31655

In no case shall the filing fee be less than one thousand 31656
dollars or more than one hundred thousand dollars. If the actual 31657
cost exceeds the estimated cost by more than fifteen per cent, an 31658
additional filing fee shall be required equal to the fee 31659
determined by the preceding schedule less the original filing fee. 31660
All fees collected pursuant to this section, and all fines 31661
collected pursuant to section 1521.99 of the Revised Code, shall 31662
be deposited in the state treasury to the credit of the dam safety 31663
fund, which is hereby created. Expenditures from the fund shall be 31664
made by the chief for the purpose of administering this section 31665
and sections 1521.061 and 1521.062 of the Revised Code. 31666

(C) The chief shall, within thirty days from the date of the 31667
receipt of the application, fee, and bond or other security, issue 31668
or deny a construction permit for the construction or may issue a 31669
construction permit conditioned upon the making of such changes in 31670
the plans and specifications for the construction as the chief 31671
considers advisable if the chief determines that the construction 31672
of the proposed dam or levee, in accordance with the plans and 31673
specifications filed, would endanger life, health, or property. 31674

(D) The chief may deny a construction permit after finding 31675
that a dam or levee built in accordance with the plans and 31676
specifications would endanger life, health, or property, because 31677
of improper or inadequate design, or for such other reasons as the 31678
chief may determine. 31679

In the event the chief denies a permit for the construction 31680
of the dam or levee, or issues a permit conditioned upon a making 31681
of changes in the plans or specifications for the construction, 31682
the chief shall state the reasons therefor and so notify, in 31683
writing, the person or governmental agency making the application 31684
for a permit. If the permit is denied, the chief shall return the 31685
bond or other security to the person or governmental agency making 31686
application for the permit. 31687

The decision of the chief conditioning or denying a construction permit is subject to appeal as provided in Chapter 119. of the Revised Code. A dam or levee built substantially at variance from the plans and specifications upon which a construction permit was issued is in violation of this section. The chief may at any time inspect any dam or levee, or site upon which any dam or levee is to be constructed, in order to determine whether it complies with this section.

(E) A registered professional engineer shall inspect the construction for which the permit was issued during all phases of construction and shall furnish to the chief such regular reports of the engineer's inspections as the chief may require. When the chief finds that construction has been fully completed in accordance with the terms of the permit and the plans and specifications approved by the chief, the chief shall approve the construction. When one year has elapsed after approval of the completed construction, and the chief finds that within this period no fact has become apparent to indicate that the construction was not performed in accordance with the terms of the permit and the plans and specifications approved by the chief, or that the construction as performed would endanger life, health, or property, the chief shall release the bond or other security. No bond or other security shall be released until one year after final approval by the chief, unless the dam or levee has been modified so that it will not retain water and has been approved as nonhazardous after determination by the chief that the dam or levee as modified will not endanger life, health, or property.

(F) When inspections required by this section are not being performed, the chief shall notify the person or governmental agency to which the permit has been issued that inspections are not being performed by the registered professional engineer and that the chief will inspect the remainder of the construction.

Thereafter, the chief shall inspect the construction and the cost 31720
of inspection shall be charged against the owner. Failure of the 31721
registered professional engineer to submit required inspection 31722
reports shall be deemed notice that the engineer's inspections are 31723
not being performed. 31724

(G) The chief may order construction to cease on any dam or 31725
levee that is being built in violation of this section, and may 31726
prohibit the retention of water behind any dam or levee that has 31727
been built in violation of this section. The attorney general, 31728
upon written request of the chief, may bring an action for an 31729
injunction against any person who violates this section or to 31730
enforce an order or prohibition of the chief made pursuant to this 31731
section. 31732

(H) The chief may adopt rules in accordance with Chapter 119. 31733
of the Revised Code, for the design and construction of dams and 31734
levees for which a construction permit is required by this section 31735
or for which periodic inspection is required by section 1521.062 31736
of the Revised Code, for establishing a filing fee schedule in 31737
lieu of the schedule established under division (B) of this 31738
section, for deposit and forfeiture of bonds and other securities 31739
required by section 1521.061 of the Revised Code, for the periodic 31740
inspection, operation, repair, improvement, alteration, or removal 31741
of all dams and levees, as specified in section 1521.062 of the 31742
Revised Code, and for establishing classes of dams or levees that 31743
are exempt from the requirements of this section and section 31744
1521.062 of the Revised Code as being of a size, purpose, or 31745
situation that does not present a substantial hazard to life, 31746
health, or property. The chief may, by rule, limit the period 31747
during which a construction permit issued under this section is 31748
valid. The rules may allow for the extension of the period during 31749
which a permit is valid upon written request, provided that the 31750
written request includes a revised construction cost estimate, and 31751

may require the payment of an additional filing fee for the 31752
requested extension. If a construction permit expires without an 31753
extension before construction is completed, the person or agency 31754
shall apply for a new permit, and shall not continue construction 31755
until the new permit is issued. 31756

Sec. 1521.061. Except as otherwise provided in this section, 31757
a construction permit shall not be issued under section 1521.06 of 31758
the Revised Code unless the person or governmental agency applying 31759
for the permit executes and files a surety bond conditioned on 31760
completion of the dam or levee in accordance with the terms of the 31761
permit and the plans and specifications approved by the chief of 31762
the division of soil and water resources, in an amount equal to 31763
fifty per cent of the estimated cost of the project. 31764

If a permittee requests an extension of the time period 31765
during which a construction permit is valid in accordance with 31766
rules adopted under section 1521.06 of the Revised Code, the chief 31767
shall determine whether the revised construction cost estimate 31768
provided with the request exceeds the original construction cost 31769
estimate that was filed with the chief by more than twenty-five 31770
per cent. If the revised construction cost estimate exceeds the 31771
original construction cost estimate by more than twenty-five per 31772
cent, the chief may require an additional surety bond to be filed 31773
so that the total amount of the surety bonds equals at least fifty 31774
per cent of the revised construction cost estimate. 31775

The chief shall not approve any bond until it is personally 31776
signed and acknowledged by both principal and surety, or as to 31777
either by the attorney in fact thereof, with a certified copy of 31778
the power of attorney attached. The chief shall not approve the 31779
bond unless there is attached a certificate of the superintendent 31780
of insurance that the company is authorized to transact a fidelity 31781
and surety business in this state. 31782

All bonds shall be given in a form prescribed by the chief 31783
and shall run to the state as obligee. 31784

The applicant may deposit, in lieu of a bond, cash in an 31785
amount equal to the amount of the bond or United States government 31786
securities or negotiable certificates of deposit issued by any 31787
bank organized or transacting business in this state having a par 31788
value equal to or greater than the amount of the bond. Such cash 31789
or securities shall be deposited upon the same terms as bonds. If 31790
one or more certificates of deposit are deposited in lieu of a 31791
bond, the chief shall require the bank that issued any such 31792
certificate to pledge securities of the aggregate market value 31793
equal to the amount of the certificate that is in excess of the 31794
amount insured by the federal deposit insurance corporation. The 31795
securities to be pledged shall be those designated as eligible 31796
under section 135.18 of the Revised Code. The securities shall be 31797
security for the repayment of the certificate of deposit. 31798

Immediately upon a deposit of cash, securities, or 31799
certificates of deposit, the chief shall deliver them to the 31800
treasurer of state, who shall hold them in trust for the purposes 31801
for which they have been deposited. The treasurer of state is 31802
responsible for the safekeeping of such deposits. An applicant 31803
making a deposit of cash, securities, or certificates of deposit 31804
may withdraw and receive from the treasurer of state, on the 31805
written order of the chief, all or any portion of the cash, 31806
securities, or certificates of deposit, upon depositing with the 31807
treasurer of state cash, other United States government 31808
securities, or negotiable certificates of deposit issued by any 31809
bank organized or transacting business in this state equal in par 31810
value to the par value of the cash, securities, or certificates of 31811
deposit withdrawn. An applicant may demand and receive from the 31812
treasurer of state all interest or other income from any such 31813
securities or certificates as it becomes due. If securities so 31814

deposited with and in the possession of the treasurer of state 31815
mature or are called for payment by the issuer thereof, the 31816
treasurer of state, at the request of the applicant who deposited 31817
them, shall convert the proceeds of the redemption or payment of 31818
the securities into such other United States government 31819
securities, negotiable certificates of deposit issued by any bank 31820
organized or transacting business in this state, or cash as the 31821
applicant designates. 31822

When the chief finds that a person or governmental agency has 31823
failed to comply with the conditions of the person's or agency's 31824
bond, the chief shall make a finding of that fact and declare the 31825
bond, cash, securities, or certificates of deposit forfeited in 31826
the amount set by rule of the chief. The chief shall thereupon 31827
certify the total forfeiture to the attorney general, who shall 31828
proceed to collect that amount. 31829

In lieu of total forfeiture, the surety, at its option, may 31830
cause the dam or levee to be completed as required by section 31831
1521.06 of the Revised Code and rules of the chief, or otherwise 31832
rendered nonhazardous, or pay to the treasurer of state the cost 31833
thereof. 31834

All moneys collected on account of forfeitures of bonds, 31835
cash, securities, and certificates of deposit under this section 31836
shall be credited to the dam safety fund created in section 31837
1521.06 of the Revised Code. The chief shall make expenditures 31838
from the fund to complete dams and levees for which bonds have 31839
been forfeited or to otherwise render them nonhazardous. 31840

Expenditures from the fund for those purposes shall be made 31841
pursuant to contracts entered into by the chief with persons who 31842
agree to furnish all of the materials, equipment, work, and labor 31843
as specified and provided in the contract. 31844

A surety bond shall not be required for a permit for a dam or 31845

levee that is to be designed and constructed by an agency of the 31846
United States government, if the agency files with the chief 31847
written assurance of the agency's financial responsibility for the 31848
structure during the one-year period following the chief's 31849
approval of the completed construction provided for under division 31850
(E) of section 1521.06 of the Revised Code. 31851

Sec. 1521.062. (A) All dams and levees constructed in this 31852
state and not exempted by this section or by the chief of the 31853
division of soil and water resources under section 1521.06 of the 31854
Revised Code shall be inspected periodically by the chief, except 31855
for classes of dams that, in accordance with rules adopted under 31856
this section, are required to be inspected by registered 31857
professional engineers who have been approved for that purpose by 31858
the chief. The inspection shall ensure that continued operation 31859
and use of the dam or levee does not constitute a hazard to life, 31860
health, or property. Periodic inspections shall not be required of 31861
the following structures: 31862

(1) A dam that is less than ten feet in height and has a 31863
storage capacity of not more than fifty acre-feet at the elevation 31864
of the top of the dam, as determined by the chief. For the 31865
purposes of this section, the height of a dam shall be measured 31866
from the natural stream bed or lowest ground elevation at the 31867
downstream or outside limit of the dam to the elevation of the top 31868
of the dam. 31869

(2) A dam, regardless of height, that has a storage capacity 31870
of not more than fifteen acre-feet at the elevation of the top of 31871
the dam, as determined by the chief; 31872

(3) A dam, regardless of storage capacity, that is six feet 31873
or less in height, as determined by the chief; 31874

(4) A dam or levee belonging to a class exempted by the 31875
chief; 31876

(5) A dam or levee that has been exempted in accordance with 31877
rules adopted under section 1521.064 of the Revised Code. 31878

(B) In accordance with rules adopted under this section, the 31879
owner of a dam that is in a class of dams that is designated in 31880
the rules for inspection by registered professional engineers 31881
shall obtain the services of a registered professional engineer 31882
who has been approved by the chief to conduct the periodic 31883
inspection of dams pursuant to schedules and other standards and 31884
procedures established in the rules. The registered professional 31885
engineer shall prepare a report of the inspection in accordance 31886
with the rules and provide the inspection report to the dam owner 31887
who shall submit it to the chief. A dam that is designated under 31888
the rules for inspection by a registered professional engineer, 31889
but that is not inspected within a five-year period may be 31890
inspected by the chief at the owner's expense. 31891

(C) Intervals between periodic inspections shall be 31892
determined by the chief, but shall not exceed five years. 31893

(D) In the case of a dam or levee that the chief inspects, 31894
the chief shall furnish a report of the inspection to the owner of 31895
the dam or levee. With regard to a dam or levee that has been 31896
inspected, either by the chief or by a registered professional 31897
engineer, and that is the subject of an inspection report prepared 31898
or received by the chief, the chief shall inform the owner of any 31899
required repairs, maintenance, investigations, and other remedial 31900
and operational measures. The chief shall order the owner to 31901
perform such repairs, maintenance, investigations, or other 31902
remedial or operational measures as the chief considers necessary 31903
to safeguard life, health, or property. The order shall permit the 31904
owner a reasonable time in which to perform the needed repairs, 31905
maintenance, investigations, or other remedial measures, and the 31906
cost thereof shall be borne by the owner. All orders of the chief 31907
are subject to appeal as provided in Chapter 119. of the Revised 31908

Code. The attorney general, upon written request of the chief, may 31909
bring an action for an injunction against any person who violates 31910
this section or to enforce an order of the chief made pursuant to 31911
this section. 31912

(E) The owner of a dam or levee shall monitor, maintain, and 31913
operate the structure and its appurtenances safely in accordance 31914
with state rules, terms and conditions of permits, orders, and 31915
other requirements issued pursuant to this section or section 31916
1521.06 of the Revised Code. The owner shall fully and promptly 31917
notify the division of soil and water resources and other 31918
responsible authorities of any condition that threatens the safety 31919
of the structure and shall take all necessary actions to safeguard 31920
life, health, and property. 31921

(F) Before commencing the repair, improvement, alteration, or 31922
removal of a dam or levee, the owner shall file an application 31923
including plans, specifications, and other required information 31924
with the division and shall secure written approval of the 31925
application by the chief. Emergency actions by the owner required 31926
to safeguard life, health, or property are exempt from this 31927
requirement. The chief may, by rule, define maintenance, repairs, 31928
or other remedial measures of a routine nature that are exempt 31929
from this requirement. 31930

(G) The chief may remove or correct, at the expense of the 31931
owner, any unsafe structures found to be constructed or maintained 31932
in violation of this section or section 1521.06 of the Revised 31933
Code. In the case of an owner other than a governmental agency, 31934
the cost of removal or correction of any unsafe structure, 31935
together with a description of the property on which the unsafe 31936
structure is located, shall be certified by the chief to the 31937
county auditor and placed by the county auditor upon the tax 31938
duplicate. This cost is a lien upon the lands from the date of 31939
entry and shall be collected as other taxes and returned to the 31940

division. In the case of an owner that is a governmental agency, 31941
the cost of removal or correction of any unsafe structure shall be 31942
recoverable from the owner by appropriate action in a court of 31943
competent jurisdiction. 31944

(H) If the condition of any dam or levee is found, in the 31945
judgment of the chief, to be so dangerous to the safety of life, 31946
health, or property as not to permit time for the issuance and 31947
enforcement of an order relative to repair, maintenance, or 31948
operation, the chief shall employ any of the following remedial 31949
means necessary to protect life, health, and property: 31950

(1) Lower the water level of the lake or reservoir by 31951
releasing water; 31952

(2) Completely drain the lake or reservoir; 31953

(3) Take such other measures or actions as the chief 31954
considers necessary to safeguard life, health, and property. 31955

The chief shall continue in full charge and control of the 31956
dam or levee until the structure is rendered safe. The cost of the 31957
remedy shall be recoverable from the owner of the structure by 31958
appropriate action in a court of competent jurisdiction. 31959

(I) The chief may accept and expend gifts, bequests, and 31960
grants from the United States government or from any other public 31961
or private source and may contract with the United States 31962
government or any other agency or entity for the purpose of 31963
carrying out the dam safety functions set forth in this section 31964
and section 1521.06 of the Revised Code. 31965

(J) In accordance with Chapter 119. of the Revised Code, the 31966
chief may adopt, and may amend or rescind, rules that do all of 31967
the following: 31968

(1) Designate classes of dams for which dam owners must 31969
obtain the services of a registered professional engineer to 31970

periodically inspect the dams and to prepare reports of the 31971
inspections for submittal to the chief; 31972

(2) Establish standards in accordance with which the chief 31973
must approve or disapprove registered professional engineers to 31974
inspect dams together with procedures governing the approval 31975
process; 31976

(3) Establish schedules, standards, and procedures governing 31977
periodic inspections and standards and procedures governing the 31978
preparation and submittal of inspection reports; 31979

(4) Establish provisions regarding the enforcement of this 31980
section and rules adopted under it. 31981

(K) The owner of a dam or levee shall notify the chief in 31982
writing of a change in ownership of the dam or levee prior to the 31983
exchange of the property. 31984

Sec. 1521.063. (A) Except for the federal government, the 31985
owner of ~~any a~~ dam, that is classified as a class I, class II, or 31986
class III dam under rules adopted under section 1521.06 of the 31987
Revised Code and subject to section 1521.062 of the Revised Code 31988
shall pay an annual fee, based upon the height of the dam, the 31989
linear foot length of the dam, and the per-acre foot of volume of 31990
water impounded by the dam. The fee shall be paid to the division 31991
of soil and water ~~on or before June 30, 1988, and resources~~ on or 31992
before the thirtieth day of June of each ~~succeeding~~ year. The 31993
annual fee shall be as follows until otherwise provided by rules 31994
adopted under this section: 31995

(1) For any dam classified as a class I dam under rules 31996
adopted by the chief of the division of soil and water resources 31997
under section 1521.06 of the Revised Code, ~~thirty three hundred~~ 31998
dollars plus ten dollars per foot of height of dam, five cents per 31999
foot of length of the dam and five cents per-acre foot of water 32000

impounded by the dam; 32001

(2) For any dam classified as a class II dam under those 32002
rules, ~~thirty ninety~~ dollars plus ~~one-dollar~~ six dollars per foot 32003
of height of dam, five cents per foot of length of the dam and 32004
five cents per-acre foot of water impounded by the dam; 32005

(3) For any dam classified as a class III dam under those 32006
rules, ~~thirty ninety~~ dollars plus four dollars per foot of height 32007
of the dam, five cents per foot of length of the dam, and five 32008
cents per-acre foot of volume of water impounded by the dam. 32009

For purposes of this section, the height of a dam is the 32010
vertical height, to the nearest foot, as determined by the 32011
division under section 1521.062 of the Revised Code. 32012

All fees collected under this section shall be deposited in 32013
the dam safety fund created in section 1521.06 of the Revised 32014
Code. Any owner who fails to pay any annual fee required by this 32015
section within sixty days after the due date shall be assessed a 32016
penalty of ten per cent of the annual fee plus interest at the 32017
rate of one-half per cent per month from the due date until the 32018
date of payment. 32019

There is hereby created the compliant dam discount program to 32020
be administered by the chief. Under the program, the chief may 32021
reduce the amount of the annual fee that an owner of a dam is 32022
required to pay under division (A)(1), (2), or (3) of this section 32023
if the owner is in compliance with section 1521.062 of the Revised 32024
Code and has developed an emergency action plan pursuant to 32025
standards established in rules adopted under this section. The 32026
chief shall not discount an annual fee by more than twenty-five 32027
per cent of the total annual fee that is due. In addition, the 32028
chief shall not discount the annual fee that is due from the owner 32029
of a dam who has been assessed a penalty under this section. 32030

32031

(B) The chief shall, in accordance with Chapter 119. of the Revised Code and subject to the prior approval of the director of natural resources, adopt, and may amend or rescind, rules for the collection of fees and the administration, implementation, and enforcement of this section and for the establishment of an annual fee schedule in lieu of the schedule established ~~under~~ in division (A) of this section.

(C)(1) No person, political subdivision, or state governmental agency shall violate or fail to comply with this section or any rule or order adopted or issued under it.

(2) The attorney general, upon written request of the chief, may commence an action against any such violator. Any action under division (C)(2) of this section is a civil action.

(D) As used in this section, "political subdivision" includes townships, municipal corporations, counties, school districts, municipal universities, park districts, sanitary districts, and conservancy districts and subdivisions thereof.

Sec. 1521.064. The chief of the division of soil and water resources, in accordance with Chapter 119. of the Revised Code, shall adopt, and may amend and rescind, rules establishing a program under which dams and levees may be exempted from inspections under section 1521.062 of the Revised Code if the continued operation and use of, and any rupturing of or other structural damage to, the dams and levees will not constitute a hazard to life, health, or property. The rules shall establish, without limitation, all of the following:

(A) A procedure by which the owner of such a dam or levee may apply for an exemption under this section;

(B) The standards that a dam or levee shall meet in order to be exempted under this section;

(C) A procedure by which the chief shall periodically review 32062
the status of a dam or levee that has been exempted under this 32063
section to determine if the exemption should be rescinded; 32064

(D) A requirement that the owner of any dam or levee exempted 32065
under this section shall agree, in writing, to accept liability 32066
for any injury, death, or loss to persons or property caused by 32067
the rupturing of or other structural damage to the dam or levee. 32068

If a voluntary transfer of moneys is made to the fund, the portion 32496

Moneys in the fund shall be used to pay the operating expenses of 32500
the Ohio water resources council, including those specified in 32501
division (E) of this section. 32502

(E) The Ohio water resources council may hire staff to 32503

pursuant to section 126.31 of the Revised Code and any applicable 32509

budget and management. 32511

Sec. 1523.01. In addition to all other powers granted to and 32512
duties devolving upon the chief of the division of soil and water 32513
resources, when in the chief's judgment it is for the public 32514
welfare and the best interests of the citizens of the state that 32515
the surplus, flood, and other waters of any of the watersheds, 32516
rivers, streams, watercourses, or public waters should be 32517
conserved, impounded, and stored in order to insure and promote 32518
the public health, welfare, and safety and to encourage and 32519
promote agriculture, commerce, manufacturing, and other public 32520
purposes, such chief shall proceed in furtherance of the purposes 32521
of sections 1523.01 to 1523.13 of the Revised Code, and for the 32522
preservation of the use of such waters for navigation, in case 32523
such waters are required for navigation, to construct such 32524
reservoirs, dams, storage basins, dikes, canals, raceways, and 32525
other improvements as are necessary for such purposes, or the 32526

chief may make additions to, enlarge, and make alterations in and 32527
upon such reservoirs, dams, storage basins, dikes, canals, 32528
raceways, and other improvements already in existence and 32529
constituting a part of the public works, as are necessary for such 32530
purposes. Any rights or privileges granted by sections 1523.01 to 32531
1523.13 of the Revised Code, shall not interfere with the control 32532
and maintenance of the state reservoirs or public parks which have 32533
been dedicated to the public for purposes of recreation and 32534
pleasure. 32535

~~Said~~ The chief, subject to the written approval of the 32536
director of natural resources and the governor, may acquire by 32537
gift, purchase, or by appropriation proceedings, in the name of 32538
and on behalf of the state, such real and personal property, 32539
rights, privileges, and appurtenances as are necessary in the 32540
chief's judgment for the construction of such reservoirs, dams, 32541
storage basins, dikes, canals, raceways, and other improvements, 32542
or for the alteration, enlargement, or maintenance of existing 32543
reservoirs, dams, and other improvements, together with such 32544
rights of way, drives, and roadways as are necessary for 32545
convenient access thereto. The appropriation proceedings referred 32546
to in this section shall be restricted to private property only. 32547

Before proceeding to purchase or appropriate any such 32548
property or rights, the cost of which, together with the land or 32549
real estate necessary upon which to locate and construct such 32550
improvements, including damages to remaining property, is in 32551
excess of one thousand dollars, the chief shall prepare plans, 32552
specifications, and estimates of such cost, including all material 32553
and labor therefor, together with the cost of such land or real 32554
estate and damages, and shall thereupon submit such plans, 32555
specifications, and estimates to the director, who in turn shall 32556
submit them to the governor for approval. 32557

The governor shall thereupon publish written notice once a 32558

week for two consecutive weeks in a newspaper published in and of 32559
general circulation in the counties where any such improvements 32560
are proposed to be constructed, setting forth the location and 32561
character of the proposed improvements, that the plans, 32562
specifications, and estimates therefor are on file in the 32563
governor's office, and that objections thereto will be heard by 32564
the governor on a day to be named in ~~said~~ the notice, which day 32565
shall be not less than ten nor more than twenty days after the 32566
first publication thereof. Within thirty days after the date fixed 32567
for ~~said~~ the hearing, the governor shall return such plans, 32568
specifications, and estimates to the director, with the governor's 32569
written approval or rejection thereof indorsed thereon. The 32570
director shall immediately return such plans, specifications, and 32571
estimates, together with the governor's indorsement thereon, to 32572
the chief. 32573

Any instrument by which real property is acquired pursuant to 32574
this section shall identify the agency of the state that has the 32575
use and benefit of the real property as specified in section 32576
5301.012 of the Revised Code. 32577

Sec. 1523.02. If the governor approves the plans, 32578
specifications, and estimates authorized by section 1523.01 of the 32579
Revised Code, the chief of the division of soil and water 32580
resources shall thereupon proceed, as provided in sections 1523.02 32581
to 1523.13 of the Revised Code, to construct the improvements or 32582
to make alterations in or to enlarge those already existing, in 32583
such manner and form as is shown by such plans and specifications. 32584
In order to provide the funds for such construction, alteration, 32585
or enlargement, the chief shall issue and sell bonds of the state, 32586
not in excess of the estimated cost of such improvements. The 32587
bonds shall be issued in denominations of not less than one 32588
hundred dollars payable as a whole or in series on or before fifty 32589
years from the date thereof, with interest not to exceed the rate 32590

provided in section 9.95 of the Revised Code, payable either 32591
annually or semiannually. 32592

The bonds shall show on their face the purpose for which 32593
issued and shall create no liability upon or be considered an 32594
indebtedness of the state, but both the principal and interest 32595
shall be paid solely out of the proceeds arising from the 32596
improvements constructed, altered, or enlarged by the chief, or 32597
from the proceeds of the sale or foreclosure of the lien securing 32598
the bonds on such improvement or such part thereof as is 32599
constructed from the money realized from the sale of the bonds. 32600

The form of the bonds shall be approved by the attorney 32601
general, and they shall be signed by the governor and attested by 32602
the director of natural resources and the chief. The bonds may be 32603
issued as coupon bonds, payable to bearer only, or upon demand of 32604
the owner or holder thereof as registered bonds. 32605

Such bonds shall be sold by the chief to the highest bidder 32606
therefor, but for not less than the par value thereof, with 32607
accrued interest thereon, after thirty days' notice in at least 32608
two newspapers of general circulation in the county where such 32609
improvements are to be constructed, altered, or enlarged, setting 32610
forth the nature, amount, rate of interest, and length of time the 32611
bonds have to run, with the time and place of sale. 32612

The treasurer of state shall be the treasurer of the fund 32613
realized from the sale of such bonds, and the auditor of state 32614
shall be the auditor of such fund. The proceeds of such sale shall 32615
be turned over to the treasurer of state and shall be deposited by 32616
the treasurer of state in a solvent bank, located either in 32617
Columbus or in the county in which such improvements are located. 32618
Such proceeds shall be kept by such bank in a fund to be known as 32619
the water conservation improvement fund. Such fund shall be used 32620
to acquire the necessary real estate and to construct such new 32621
improvements and for no other purpose, except that the treasurer 32622

of state may pay the interest on the bonds during the period of 32623
condemnation and the construction, alteration, or enlargement of 32624
such improvements out of the proceeds arising from the sale of the 32625
bonds for a term not exceeding three years from the date on which 32626
the bonds are issued. The bank shall give bond to the state in 32627
such amount as the treasurer of state considers advisable, and 32628
with surety to the satisfaction of the treasurer of state, for the 32629
benefit of the holders of the bonds, and for the benefit of any 32630
contractors performing labor or furnishing material for such 32631
improvements, as provided by law, conditioned that it will safely 32632
keep the money and will make no payments or disbursements 32633
therefrom except as provided in sections 1523.01 to 1523.13 of the 32634
Revised Code. 32635

The treasurer of state shall hold such fund as trustee for 32636
the holders of the bonds and for all persons performing labor or 32637
furnishing material for the construction, alteration, or 32638
enlargement of any improvement made under such sections. Such 32639
funds shall not be turned into the state treasury, but shall be 32640
deposited and disbursed by the treasurer of state as provided in 32641
such sections. The interest coupons attached to such bonds shall 32642
bear the signature of the treasurer of state, executed by the 32643
treasurer of state or printed or lithographed thereon. 32644

Both the interest and principal of such bonds shall be made 32645
payable at the office of the treasurer of state in Columbus, and 32646
shall be paid by the treasurer of state, without warrant or 32647
authority of the director of budget and management, to the owner 32648
or holder of such bonds upon presentation by the owner or holder 32649
of matured interest coupons or bonds. 32650

Sec. 1523.03. Immediately after the sale of the bonds 32651
authorized by section 1523.02 of the Revised Code and the payment 32652
of the proceeds thereof to the treasurer of state as provided in 32653

such section, the chief of the division of soil and water 32654
resources shall make a written contract for the construction of 32655
the improvements or for the making of additions to or alterations 32656
in existing improvements with the lowest responsive and 32657
responsible bidder, in accordance with section 9.312 of the 32658
Revised Code, after advertisements once a week for four 32659
consecutive weeks in one newspaper in each of the cities of 32660
Columbus, Cleveland, and Cincinnati having a general circulation 32661
therein, one trade paper having a circulation among contractors 32662
engaged in the construction of public improvement work of like 32663
character, and two newspapers having a general circulation within 32664
the county in which the dam, reservoir, storage basin, or other 32665
improvement is located or is to be located. 32666

All bids shall be filed with the chief, within the time fixed 32667
for the filing of such bids in ~~said~~ the advertisement. The bids 32668
shall be opened and publicly read by the chief at twelve noon on 32669
the last day for filing them. Each bid shall contain the full 32670
names of every person or company interested in it, shall 32671
separately state the price of both the labor and material to be 32672
furnished under it, and shall meet the requirements of section 32673
153.54 of the Revised Code. 32674

The chief may reject any bids. If the chief rejects all bids, 32675
the chief shall within sixty days thereafter readvertise for bids 32676
for the construction of such improvements, as provided in this 32677
section, and may continue to readvertise for bids every sixty days 32678
until bids are received which are made to the chief's satisfaction 32679
and in conformity to sections 1523.01 to 1523.13 of the Revised 32680
Code. 32681

The chief may award separate contracts to bidders for each 32682
part of the labor to be done or material to be furnished for the 32683
construction of such improvements, provided that the amount of the 32684
contract, if awarded as a whole, or the aggregate of ~~said~~ the 32685

several contracts, if awarded separately, shall not, together with 32686
the cost of the land necessary for such improvements and the 32687
estimated damages to remaining property, be in excess of the 32688
estimated cost of the construction thereof, including such land 32689
and damages. Such contracts shall provide that all payments 32690
thereunder shall be made only from the proceeds of the sale of the 32691
bonds issued for the construction of such improvements. No 32692
contractor shall receive payment for any work or labor performed 32693
or material furnished for such improvements unless the contract 32694
therefor was, at the time of its execution, approved by the 32695
governor by the governor's written indorsement on such contract. 32696

Sec. 1523.04. When estimates or statements for either 32697
material theretofore furnished or labor theretofore performed 32698
under a contract entered into as provided in section 1523.03 of 32699
the Revised Code are presented to the chief of the division of 32700
soil and water of ~~the department of natural~~ resources by the 32701
contractor, certified as to the correctness thereof under oath by 32702
~~him~~ the contractor or ~~his~~ the contractor's authorized agent and 32703

improvement fund. 32706

Sec. 1523.05. The chief of the division of soil and water 32707
resources shall by contract in writing sell or lease for 32708
agricultural, commercial, manufacturing, or other lawful purposes, 32709

thereof, conserved and stored by the improvements then existing, 32711
or that will be conserved and stored by any improvements 32712
thereafter to be constructed by ~~him~~ the chief. The chief may lease 32713
the land surrounding ~~said~~ the water for a term not exceeding fifty 32714
years, as shown by the plans and specifications prepared by ~~him~~ 32715
the chief and approved by the governor as provided in section 32716

1523.01 of the Revised Code. Such agreements shall be for a 32717
certain price or rental for the water or lands furnished to or 32718
used by the grantees, lessees, or their assigns, to be paid 32719
quarterly, semiannually, or annually as the chief deems advisable. 32720

~~Said~~ The chief may, for a term not exceeding fifty years, 32721
sell or lease power generated by any head of water raised or 32722
maintained by any such improvement, or ~~he~~ the chief may sell or 32723
lease the right to use such head of water for generating power or 32724
other hydraulic purposes. 32725

All such contracts of sale or lease, whether for water or 32726
power, shall contain such reservations or restrictions as the 32727
chief deems necessary and proper in furtherance of the purposes of 32728
sections 1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, and 32729
the preservation of the use of such waters for navigation in case 32730
they are required therefor. 32731

Such contracts or leases ~~must~~ shall be approved by the 32732
attorney general as to their general form and legality and, before 32733
becoming binding obligations on the state, they shall be approved 32734
by the governor by ~~his~~ the governor's written indorsement thereon. 32735

Sec. 1523.06. (A) The chief of the division of soil and water 32736
resources before selling bonds as provided in section 1523.02 of 32737
the Revised Code or before receiving bids for the construction of 32738
improvements as authorized by section 1523.03 of the Revised Code 32739
may enter into tentative agreements for the sale or lease of water 32740

locality; 32744

(2) Determine whether the revenues which the state may derive 32745
from the lease of lands and the lease and sale of the waters which 32746

the sale or lease of the power generated by such improvements, 32748
will be sufficient: 32749

(a) To pay the interest on bonds issued under section 1523.02 32750
of the Revised Code; 32751

(b) To create a sinking fund to retire ~~said~~ the bonds at 32752
their maturity; 32753

(c) To maintain and keep ~~said~~ the improvements in repair. 32754

(B) The performance and carrying out of such tentative 32755

(1) Sell ~~said~~ the proposed bonds at not less than par and 32757
accrued interest; 32758

(2) Secure bids for the furnishing of all the labor and 32759
material necessary in the construction of such improvements, 32760
including all real estate required and damages incurred, at such a 32761
price that the rentals or compensation to be paid will provide 32762
during the terms of such contracts or leases a sum sufficient to 32763
pay ~~said~~ the interest, retire ~~said~~ the bonds, and maintain and 32764
keep ~~said~~ the improvements in repair. 32765

Sec. 1523.07. The treasurer of state shall be treasurer and 32766
the auditor of state shall be auditor of all moneys derived from 32767

state upon the same terms as state funds are now loaned. ~~Said~~ The 32779
funds shall be kept by such banks in a fund known as the "water 32780
conservation fund" and shall be used, first, to maintain and keep 32781
in repair the dams, reservoirs, storage basins, and other 32782
improvements, and, second, to pay the interest upon and principal 32783
of the bonds issued and sold pursuant to section 1523.02 of the 32784
Revised Code, as such interest falls due or ~~said the~~ the bonds mature. 32785

The banks in which the treasurer of state deposits any of the 32786
moneys belonging either to the water conservation improvement fund 32787
provided for in section 1523.02 of the Revised Code or the water 32788
conservation fund provided for in this section shall be state 32789
depository banks as provided for in sections 135.01 to 135.21~~7~~ 32790
~~inclusive~~, of the Revised Code. An amount not to exceed fifty 32791
thousand dollars of the money on deposit at any one time in the 32792
water conservation improvement fund, and an amount not to exceed 32793

respective funds upon which such interest is paid. 32800

Sec. 1523.08. When the cost of any repairs to the 32801
improvements authorized by section 1523.01 of the Revised Code 32802
does not exceed one thousand dollars, the chief of the division of 32803
soil and water ~~of the department of natural~~ resources either may 32804
make such repairs ~~himself~~ or may let a contract therefor without 32805
advertising for bids. If the cost of any such repairs is in excess 32806
of one thousand dollars, the chief shall advertise for bids for 32807
the making of such repairs and let a contract therefor as provided 32808

in section 1523.03 of the Revised Code. 32809

When itemized statements are presented to the chief showing 32810
the amount of labor performed and material furnished in the making 32811
of such repairs, verified by the person making them and approved 32812
in writing by the chief, the chief shall pay the amount of such 32813
statement from the water conservation fund. 32814

Sec. 1523.09. If a reservoir, dam, storage basin, or other 32815
improvement constructed or enlarged by the chief of the division 32816
of soil and water resources as provided in sections 1523.01 to 32817
1523.13 of the Revised Code constitutes a part of the canal system 32818

water formerly used as a feeder for the canal system, no water 32820
shall be sold or leased from the improvement ~~by the chief~~ except 32821
in accordance with section 1520.03 of the Revised Code. 32822

Sec. 1523.10. The funds derived from the sale, use, or lease 32823
of the water impounded and conserved or the power generated by the 32824
improvements constructed pursuant to sections 1523.01 to 1523.13~~7~~ 32825
~~inclusive~~, of the Revised Code, or from the lease of the lands and 32826
improvements adjacent thereto are hereby expressly pledged for the 32827
purpose of maintaining and keeping ~~said~~ the improvements in repair 32828
and for the payment of the interest on and principal of the bonds 32829
issued under section 1523.02 of the Revised Code, as the same fall 32830
due and mature. The owners of such bonds are hereby given a lien 32831
for the payment of the principal and interest of such bonds upon 32832
any dam, reservoir, storage basin, or other improvements, or any 32833
part thereof, with the appurtenances belonging thereto, 32834
constructed by the chief of the division of soil and water 32835
resources with the funds derived from the sale of such bonds. 32836

If default is made in the payment of the interest on any of 32837
~~said~~ the bonds for three or more successive years, or if bonds, 32838

aggregating in par value not less than ten per cent of the total 32839
amount of such bonds then outstanding are not paid at maturity, 32840
then all of ~~said the~~ bonds, both principal and interest, shall 32841
become due and payable, and the owners of any of ~~said the~~ bonds, 32842
aggregating in par value not less than ten per cent of the total 32843
amount of such bonds then outstanding, may institute proceedings 32844
to foreclose such lien against the state in the court of common 32845
pleas of the county in which is located any of ~~said the~~ improvements, 32846
constructed, altered, or enlarged out of the 32847
proceeds of the sale of such bonds. 32848

~~Said The~~ court shall have jurisdiction of such action with 32849
full power to foreclose such lien and to make an order to the 32850
sheriff of ~~said the~~ county, acting as a master commissioner, 32851
directing ~~him the sheriff~~ to make a sale of such improvements or 32852
part thereof at not less than two-thirds of the appraised value 32853
thereof, and upon such terms and in manner and form as provided 32854
for in ~~said the~~ order, and to pay the proceeds of such sale to the 32855
clerk of the court of common pleas. Upon motion of the purchaser 32856
of such improvements at such sale, the court, if such sale is 32857
found to be regular in all respects and according to law, shall 32858
confirm the sale and order the sheriff to execute a deed to such 32859
purchaser and ~~his the purchaser's~~ assigns, conveying to ~~him the~~ 32860
purchaser and the purchaser's assigns all the right, title, and 32861
interest of the holders of ~~said the~~ bonds in and to ~~said the~~ 32862
improvements, and all the right, title, and interest of the state, 32863
for a period of not more than fifty years from the date of such 32864
conveyance, in the same, with full right and franchise, for ~~said~~ 32865
the period of not to exceed fifty years, to operate ~~said the~~ 32866
improvements and dispose of the water conserved or the power 32867
generated thereby, with the further right, for ~~said the~~ period of 32868
fifty years, to flow, transport, and convey ~~said the~~ water from 32869
~~said the~~ improvements, or to conduct and transmit power generated 32870
thereby through, over, and upon any of the lands of the state or 32871

channels or beds of any of its reservoirs, lakes, canals, races, 32872
aqueducts, or watercourses. In the exercise of such rights, such 32873
purchaser or ~~his~~ the purchaser's assigns shall at all times during 32874
the term of ~~said~~ the grant maintain the improvements so conveyed 32875
to them in a good state of repair and shall not interfere with the 32876
navigation of the canals of the state or with the control and 32877
maintenance thereof or with the sale of water by the state from 32878
its dams, reservoirs, and improvements other than those so 32879
constructed. The state does not incur any liability by reason of 32880
such sale and the rights granted thereunder to continue to 32881
maintain such canals, races, channels, or watercourses, or to 32882
continue the use thereof. Such conveyance or grant by the sheriff 32883
as such master commissioner shall contain a clause giving the 32884
chief such control of waste gates and wickets as to regulate the 32885
flow of water in the state reservoirs or canals, in such manner as 32886
to maintain the proper level therein and to prevent the flowing 32887
into such reservoirs and canals of such quantities of water as 32888
might impair any of the property of the state or its lessees, 32889
except as otherwise provided in section 1520.03 of the Revised 32890
Code. 32891

Upon the foreclosure of ~~said~~ the lien and the sale of ~~said~~ 32892
the improvements, all contracts or leases for the sale, use, or 32893
lease of water, the lands and improvements adjacent thereto, or 32894
power rights then outstanding shall become void, and the rights of 32895
the state and the several lessees thereunder, shall cease. 32896

Upon the making of an order by the court for the sale of such 32897
improvements, and before they are offered for sale by the sheriff, 32898
the court shall appoint three disinterested appraisers, one of 32899
whom shall be a water-works or hydraulic engineer with at least 32900
five years' experience in the practice of ~~his~~ the engineer's 32901
profession, and two of whom shall be freeholders residing in the 32902
county in which any of such improvements are located. ~~Said~~ The 32903

appraisers shall appraise ~~said~~ the improvements and shall, within 32904
the time fixed by the court, file such appraisal in writing with 32905
the clerk. If the lien given by this section as security for the 32906
payment of ~~said~~ the bonds covers a part only of ~~said~~ the 32907
improvements, ~~said~~ the appraisers shall appraise ~~said~~ the 32908
improvements as an entirety, and shall also appraise separately 32909
the part constructed from the proceeds of the sale of ~~said~~ the 32910
bonds, the lien of which is being foreclosed in such proceeding. 32911

In making such appraisal and fixing the value of ~~said~~ the 32912
improvements or of such part thereof, ~~said~~ the appraisers shall 32913
have access to all papers and documents on file in the office of 32914
the chief relating to such improvements, including the plans and 32915
specifications therefor, and the bids made and contracts entered 32916
into for the construction thereof, and all leases and contracts 32917
for the sale of water impounded therein and power generated 32918
thereby. The order of the court shall direct the sale only of such 32919
part of ~~said~~ the improvements as have been constructed from the 32920
proceeds of the sale of ~~said~~ the bonds. The purchaser at such 32921
sale, in the operation of such improvements during the term of the 32922
franchise granted to ~~him~~ the purchaser by this section, shall draw 32923
from the dam or reservoir impounding such water only such portion 32924
thereof as the appraised value of that part of such improvements, 32925
constructed from the proceeds of the sale of such bonds and sold 32926
to ~~him~~ the purchaser under the order of the court, bears to the 32927
entire appraised value of such improvements. 32928

If at any time during the term of the franchise granted to 32929
the purchaser of such improvements at such foreclosure sale any 32930
controversy arises between ~~him~~ the purchaser or ~~his~~ the 32931
purchaser's assigns and the chief as to the operation of such 32932
improvements, or as to the amount of water which ~~said~~ the 32933
purchaser is drawing or is entitled to draw therefrom, either ~~said~~ 32934
the purchaser or ~~said~~ the chief may file a petition in ~~said~~ the 32935

court, setting forth the facts connected with such controversy. 32936

Notice in writing of the filing of such petition shall be 32937
given to the opposite party to ~~said the~~ controversy within thirty 32938
days from the date of the filing thereof, either by service of 32939
such notice personally upon such opposite party by the sheriff of 32940
such county or by service by mail by the clerk. Such notice shall 32941
be mailed to the name and address which the purchaser filed with 32942
~~said the~~ clerk at the time of the delivery to the purchaser by the 32943
sheriff of the deed. Within thirty days from the serving or 32944
mailing of such notice, the opposite party to ~~said the~~ controversy 32945
shall file ~~his~~ an answer in ~~said the~~ court, and thereupon the 32946
court shall hear and determine ~~said the~~ controversy and make such 32947
order in regard to it as is just and proper, which order shall be 32948
binding upon all the parties to ~~said the~~ controversy. 32949

At the termination of ~~said the~~ period of not to exceed fifty 32950
years, all of the rights and privileges conveyed to ~~said the~~ 32951
purchaser by the deed and grant of such sheriff as master 32952
commissioner shall cease and ~~said the~~ improvements, with all the 32953
appurtenances belonging thereto, shall revert to and become the 32954
property of the state, free and clear of any claims whatever 32955
against them. 32956

The clerk shall distribute and pay the money received by ~~him~~ 32957
the clerk from the sheriff as such master commissioner from the 32958
sale of such improvements to the holders of ~~said the~~ bonds pro 32959
rata, and upon such payment to any of ~~said the~~ bondholders, they 32960
shall surrender to the ~~said the~~ clerk their bonds, with all unpaid 32961
interest coupons thereon. The clerk shall thereupon cancel the 32962
same and deliver them, so canceled, to the treasurer of the water 32963
conservation improvement fund. 32964

Sec. 1523.11. All appropriations of property made by the 32965
chief of the division of soil and water resources in carrying out 32966

sections 1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, shall 32967
be made in accordance with sections 163.01 to 163.22, ~~inclusive~~, 32968
of the Revised Code, provided that possession of any property so 32969
appropriated shall not be taken by the state or the chief before 32970
the compensation and damages awarded therefor in the appropriation 32971
proceedings have been paid into court. 32972

Sec. 1523.12. Sections 1523.01 to 1523.13, ~~inclusive~~, of the 32973
Revised Code do not authorize any reduction in the quantity or any 32974
impairment in the quality of the water in any watershed, stream, 32975
or basin, developed or undeveloped, from which any political 32976
subdivision is, at the time the chief of the division of soil and 32977
water resources proposes and is proceeding to construct in such 32978
watershed, stream, or basin any of the improvements authorized by 32979
such sections, taking water for the use of itself or its 32980
inhabitants, or has plans under way, or has made or begun 32981
appropriation of any property or rights in such watershed, stream, 32982
or basin for the purpose of acquiring a water supply for itself or 32983
its inhabitants for either domestic, industrial, or other uses. 32984
Such sections do not authorize the chief to sell or lease the 32985
right to use water at any time for any purpose or to such an 32986
extent as to prejudice, abrogate, or supersede any of the water 32987
rights granted by the state to the city of Akron as provided in 32988
volume 102, Ohio Laws, page 175, sections 1 to 3, ~~inclusive~~. 32989

Sec. 1523.13. If by reason of severe drought or other causes 32990
the water supply of any political subdivision is, in the judgment 32991
of the chief of the division of soil and water resources, at any 32992
time so reduced or impaired as to endanger the property of such 32993
political subdivision, or the health, safety, or property of the 32994
inhabitants thereof, then the chief, under such regulations as ~~he~~ 32995
the chief prescribes, may grant to such political subdivision the 32996
right, during the continuance of such emergency, to draw or take 32997

such quantity of water as is necessary to protect the property of 32998
such political subdivision and the health, safety, or property of 32999
its inhabitants from any improvement constructed under sections 33000
1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, before any of 33001
the lessees or grantees of the state using the water for 33002
industrial purposes take water therefrom. Such political 33003
subdivision shall pay such price per thousand gallons for the 33004
water so taken by it as is fixed by the chief and the governor. 33005
The price so fixed shall not exceed the maximum price then being 33006
paid for water to the state by any of its lessees or grantees. 33007
Such grant by the chief to such political subdivision shall not 33008
modify the terms or impair the validity of any leases then 33009
existing between the state and other persons, firms, or 33010
corporations, except as expressly provided in this section. 33011

Sec. 1523.14. The director of transportation in constructing 33012
highways, bridges, and culverts as provided by law; the board of 33013
county commissioners in constructing highways, bridges, and 33014
culverts as provided by law; the board of township trustees of any 33015
township in constructing highways, bridges, and culverts as 33016
provided by law; and any municipal corporation constructing or 33017
improving viaducts, bridges, and culverts under section 717.01 of 33018
the Revised Code, either severally or jointly, upon request of the 33019
chief of the division of soil and water resources and with the 33020
approval of the director of transportation, may construct and 33021
maintain slack-water dams in connection with ~~said~~ the highway, 33022
highway bridge, or culvert so as to create reservoirs, ponds, 33023
water parks, basins, lakes, or other incidental works to conserve 33024
the water supply of the state. 33025

Sec. 1523.15. The chief of the division of soil and water ~~of~~ 33026
~~the department of natural~~ resources may request the public 33027
authority having charge of the construction of state, county, or 33028

township highways, highway bridges, and culverts, or municipal 33029
streets, for the construction of slack-water dams in connection 33030
with the construction of any such highway, street, highway bridge, 33031
or culvert whenever, in ~~his~~ the chief's opinion, the construction 33032
of such dam is desirable and feasible for the economical creation 33033
and construction of reservoirs, ponds, water parks, basins, lakes, 33034
or other incidental works for the conservation of the water supply 33035
of the state. 33036

The public authority having charge of such construction may 33037
approve such request when, in its opinion, the construction of 33038
such dams will not unnecessarily delay or hinder the construction 33039
of the highway, street, highway bridge, or culvert, or will not 33040
interfere with its value or use for highway purposes. 33041

If such request is approved, the chief, in cooperation with 33042
the department of transportation and the public authority 33043
participating in the project, shall make a survey and prepare 33044
plans, specifications, and estimates for the construction of such 33045
dams and the reservoir, pond, water park, basin, lake, or other 33046
incidental works in connection therewith. 33047

Upon approval of the plans and specifications and 33048
determination to proceed with the project, the chief shall enter 33049
into an agreement with the public authority on the distribution of 33050
the cost and expense of the construction of such dams and 33051
incidental works in connection therewith. The portion of the cost 33052
to be paid by the division of soil and water resources shall be 33053
paid from any funds appropriated for or paid into the division and 33054
available for such purpose. 33055

Such dams shall be constructed under and subject to any laws 33056
governing the construction of state, county, or township highways, 33057
bridges, or culverts. Any public authority undertaking 33058
construction under sections 1523.14 to 1523.20 of the Revised Code 33059
shall proceed in the same manner as provided for the construction 33060

of highway or street improvements. 33061

Sec. 1523.16. Any department or division of the state 33062
government, or any county, township, municipal corporation, park 33063
board, or district, or any organization, club, corporation, or 33064
private person may petition the chief of the division of soil and 33065
water resources for the construction of dams and reservoir 33066
projects in connection with the construction of any highway, 33067
highway bridge, or culvert. 33068

Upon receipt of such a petition and its approval by the 33069
chief, ~~he~~ the chief shall proceed as authorized by section 1523.15 33070
of the Revised Code. If the public authority having charge of the 33071
construction of such highway, street, highway bridge, or culvert 33072
approves the request, then the chief shall enter into an agreement 33073
with the public authority, organization, or person petitioning for 33074
the construction of such dam or reservoir on the apportionment of 33075
the cost and expense of construction. The cost and expense of such 33076
dam project shall include the cost of clearing and grubbing and 33077
the cost of property and damages incidental thereto. Such 33078
agreement shall also contain provisions for the proper maintenance 33079
and repair of such projects after completion, and also apportion 33080
the revenue derived therefrom between the division of soil and 33081
water resources and the petitioner. 33082

Sec. 1523.17. In all cases in which a public authority, 33083
private organization, or person petitions for the construction of 33084
a dam and reservoir project as authorized by ~~section~~ sections 33085
1523.14 to 1523.20 of the Revised Code, the chief of the division 33086
of soil and water ~~of the department of natural~~ resources, as a 33087
condition precedent to the construction of such project, shall 33088
require the petitioning authority, organization, or person to pay 33089
~~his~~ the petitioning authority's, organization's, or person's share 33090
of the cost and expense of such project. 33091

Any deficiency shall be made up by the parties bearing the 33092
cost before any further work is done. If the deficiency is not 33093
made up within sixty days after it is known, the amount paid in, 33094
less the expense incurred by the chief and the cooperating public 33095
authorities, shall be refunded to the donor. After completion of 33096
the work, any amount remaining to the credit of the project shall 33097
likewise be refunded. 33098

Sec. 1523.18. In the construction of dams, reservoirs, and 33099
other incidental works under sections 1523.14 to 1523.20 of the 33100
Revised Code, the chief of the division of soil and water 33101
resources shall proceed as provided by law, and shall enter into 33102
contracts therefor as provided in sections 153.01 to 153.29 of the 33103
Revised Code. The director of transportation, the chief of the 33104
division of wildlife with the approval of the director of natural 33105
resources, and any county, township, municipal corporation, and 33106
public park board or district may proceed with the letting of 33107
contracts for the construction of such dams or reservoir projects, 33108
approved by the chief of the division of soil and water resources, 33109
under any laws regulating the letting of contracts applicable to 33110
their respective departments, divisions, districts, or political 33111
subdivisions, and the authority of sections 1523.14 to 1523.20 of 33112
the Revised Code. 33113

Sec. 1523.19. The chief of the division of soil and water 33114
resources shall have the supervision, care, and control of all 33115
dams, reservoirs, ponds, water parks, basins, lakes, or other 33116
incidental works constructed under sections 1523.14 to 1523.20~~,
inclusive,~~ of the Revised Code, and shall maintain and keep them 33117
in repair. The cost of such maintenance and repair shall be paid 33118
from any funds appropriated to the division of soil and water 33119
resources for that purpose or paid into the state treasury as 33120
agreed upon with the public or contracting authorities 33121
33122

co-operating in the construction of such projects. 33123

Such projects may also be maintained by any department or 33124
division of state government or other public authorities leasing 33125
or operating the projects, through agreements made with ~~said~~ the 33126
chief. All rentals derived from the lessees of such projects shall 33127
be used by ~~said~~ the chief in the maintenance or repair of all such 33128
projects constructed under such sections. The costs and expenses 33129
of the reconstruction of any such projects shall be distributed, 33130
unless otherwise agreed, on the same basis and pro-rata share of 33131
the costs and expenses as was paid by the contracting authorities 33132
contributing to the cost of the original project. 33133

Sec. 1523.20. When the chief of the division of soil and 33134
water resources and the owners of the lands, waters, or riparian 33135
rights are unable to agree upon the terms, purchase price, and 33136
sale thereof, the chief may acquire the lands by appropriation 33137
proceedings in the manner provided by sections 163.01 to 163.22 of 33138
the Revised Code. 33139

The title or lease to any such lands, waters, or riparian 33140
rights shall be taken by the chief, subject to the approval of the 33141
governor and the attorney general, in the name of the state. The 33142

any such reservoirs, ponds, water parks, basins, lakes, or other 33145
incidental works on those lands, may be paid for from any funds 33146
appropriated for the use of or paid into the division of soil and 33147

The court may suspend the execution of the mandatory jail 34288

term of three consecutive days that it is required to impose by 34289

control sanction pursuant to section 2929.25 of the Revised Code 34299
for part of the three consecutive days; requires the offender to 34300
attend, for that part of the three consecutive days, a drivers' 34301
intervention program that is certified pursuant to section 3793.10 34302
of the Revised Code; and sentences the offender to a jail term 34303
equal to the remainder of the three consecutive days that the 34304
offender does not spend attending the drivers' intervention 34305

community control, to attend and satisfactorily complete any 34307
treatment or education programs, in addition to the required 34308
attendance at a drivers' intervention program, that the operators 34309

offender's progress in the programs. The court also may impose any 34312
other conditions of community control on the offender that it 34313
considers necessary. 34314

(2) If, within six years of the offense, the offender has 34315
been convicted of or pleaded guilty to one violation of section 34316
1547.11 of the Revised Code or one other equivalent offense, the 34317
court shall sentence the offender to a jail term of ten 34318
consecutive days and may sentence the offender pursuant to section 34319
2929.24 of the Revised Code to a longer jail term. In addition, 34320

more than one year. In addition, the court shall impose upon the 34332
offender a fine of not less than one hundred fifty nor more than 34333
one thousand dollars. 34334

In addition to any other sentence that it imposes upon the 34335
offender, the court may require the offender to attend a drivers' 34336
intervention program that is certified pursuant to section 3793.10 34337
of the Revised Code. 34338

(4) Upon a showing that serving a jail term would seriously 34339
affect the ability of an offender sentenced pursuant to division 34340
(G)(1), (2), or (3) of this section to continue the offender's 34341
employment, the court may authorize that the offender be granted 34342
work release after the offender has served the mandatory jail term 34343
of three, ten, or thirty consecutive days that the court is 34344
required by division (G)(1), (2), or (3) of this section to 34345
impose. No court shall authorize work release during the mandatory 34346
jail term of three, ten, or thirty consecutive days that the court 34347
is required by division (G)(1), (2), or (3) of this section to 34348
impose. The duration of the work release shall not exceed the time 34349
necessary each day for the offender to commute to and from the 34350
place of employment and the place in which the jail term is served 34351
and the time actually spent under employment. 34352

(5) Notwithstanding any section of the Revised Code that 34353
authorizes the suspension of the imposition or execution of a 34354
sentence or the placement of an offender in any treatment program 34355
in lieu of being imprisoned or serving a jail term, no court shall 34356
suspend the mandatory jail term of ten or thirty consecutive days 34357
required to be imposed by division (G)(2) or (3) of this section 34358
or place an offender who is sentenced pursuant to division (G)(2) 34359
or (3) of this section in any treatment program in lieu of being 34360
imprisoned or serving a jail term until after the offender has 34361
served the mandatory jail term of ten or thirty consecutive days 34362
required to be imposed pursuant to division (G)(2) or (3) of this 34363
section. Notwithstanding any section of the Revised Code that 34364
authorizes the suspension of the imposition or execution of a 34365
sentence or the placement of an offender in any treatment program 34366
in lieu of being imprisoned or serving a jail term, no court, 34367
except as specifically authorized by division (G)(1) of this 34368
section, shall suspend the mandatory jail term of three 34369
consecutive days required to be imposed by division (G)(1) of this 34370
section or place an offender who is sentenced pursuant to division 34371
(G)(1) of this section in any treatment program in lieu of 34372
imprisonment until after the offender has served the mandatory 34373
jail term of three consecutive days required to be imposed 34374
pursuant to division (G)(1) of this section. 34375

guilty of a misdemeanor of the fourth degree and also shall be 34382
assessed any costs incurred by the state or a county, township, 34383
municipal corporation, or other political subdivision in disposing 34384

of an abandoned junk vessel or outboard motor, less any money 34385
accruing to the state, county, township, municipal corporation, or 34386
other political subdivision from that disposal. 34387

of the Revised Code is guilty of a minor misdemeanor. 34389

(J) Whoever violates section 1547.31 of the Revised Code is 34390
guilty of a misdemeanor of the fourth degree on a first offense. 34391
On each subsequent offense, the person is guilty of a misdemeanor 34392
of the third degree. 34393

(K) Whoever violates section 1547.05 or 1547.051 of the 34394
Revised Code is guilty of a misdemeanor of the fourth degree if 34395
the violation is not related to a collision, injury to a person, 34396
or damage to property and a misdemeanor of the third degree if the 34397
violation is related to a collision, injury to a person, or damage 34398
to property. 34399

under this section for a violation of this chapter or a rule 34401
adopted under it that involves a powercraft powered by more than 34402
ten horsepower and that, in the opinion of the court, involves a 34403
threat to the safety of persons or property, shall order the 34404

national association of state boating law administrators before 34406
the offender is allowed to operate a powercraft powered by more 34407
than ten horsepower on the waters in this state. Violation of a 34408

34668

(B) Except as provided in division (C) of this section, a 34669
district created under this chapter is not a political 34670
subdivision. A district created under this chapter shall be 34671
considered a public agency under section 102.01 and a public 34672
authority under section 4115.03 of the Revised Code. Each member 34673
of the board of directors of a district, each member's designee or 34674

considered a public official or employee under section 102.01 of 34676
the Revised Code and a public official and public servant under 34677
section 2921.42 of the Revised Code. Districts created under this 34678
chapter are not subject to section ~~121.24~~ 121.251 of the Revised 34679
Code. Districts created under this chapter are subject to sections 34680
121.22 and 121.23 of the Revised Code. 34681

(C) Each district created under this chapter shall be 34682
considered a political subdivision for purposes of section 4905.34 34683

not be considered as holding a public office. Directors and their 34686

within the scope of the director's or designee's employment or 34694
official responsibilities. 34695

District officers and district members and directors and 34696
their designees or proxies shall not be required to file a 34697
statement with the Ohio ethics commission under section 102.02 of 34698
the Revised Code. All records of the district shall be treated as 34699
public records under section 149.43 of the Revised Code, except 34700
that records of organizations contracting with a district shall 34701
not be considered to be public records under section 149.43 or 34702
section 149.431 of the Revised Code solely by reason of any 34703
contract with a district. 34704

(D) Except as otherwise provided in this section, the 34705
nonprofit corporation that governs a district shall be organized 34706
in the manner described in Chapter 1702. of the Revised Code. ~~The~~ 34707
Except in the case of a district created by an existing qualified 34708
nonprofit corporation, the corporation's articles of incorporation 34709
are required to be approved, as provided in division (E) of this 34710
section, by resolution of the legislative authority of each 34711
participating political subdivision of the district. A copy of 34712
that resolution shall be filed along with the articles of 34713
incorporation in the secretary of state's office. 34714

In addition to meeting the requirements for articles of 34715
incorporation set forth in Chapter 1702. of the Revised Code, the 34716
articles of incorporation for the nonprofit corporation governing 34717
a district formed under this chapter shall provide all the 34718
following: 34719

(1) The name for the district, which shall include the name 34720
of each participating political subdivision of the district; 34721

(2) A description of the territory within the district, which 34722
may be all or part of each participating political subdivision. 34723
The description shall be specific enough to enable real property 34724
owners to determine if their property is located within the 34725
district. 34726

(3) A description of the procedure by which the articles of incorporation may be amended. The procedure shall include receiving approval of the amendment, by resolution, from the legislative authority of each participating political subdivision and filing the approved amendment and resolution with the secretary of state.

(4) The reasons for creating the district, plus an explanation of how the district will be conducive to the public health, safety, peace, convenience, and welfare of the district.

(E) The articles of incorporation for a nonprofit corporation governing a district created under this chapter and amendments to them shall be submitted to the municipal executive, if any, and the legislative authority of each municipal corporation or township in which the proposed district is to be located⁷. Except in the case of a district created by an existing qualified nonprofit corporation, the articles or amendments shall be accompanied by a petition signed either by the owners of at least sixty per cent of the front footage of all real property located in the proposed district that abuts upon any street, alley, public road, place, boulevard, parkway, park entrance, easement, or other existing public improvement within the proposed district, excluding church property or property owned by the state, county, township, municipal, or federal government, unless a church, county, township, or municipal corporation has specifically requested in writing that the property be included in the district, or by the owners of at least seventy-five per cent of the area of all real property located within the proposed district, excluding church property or property owned by the state, county, township, municipal, or federal government, unless a church, county, township, or municipal corporation has specifically requested in writing that the property be included in the district. Pursuant to Section 2o of Article VIII, Ohio

Constitution, the petition required under this division may be for 34759
the purpose of developing and implementing plans for special 34760
energy improvement projects, and, in such case, is determined to 34761
be in furtherance of the purposes set forth in Section 2o of 34762
Article VIII, Ohio Constitution. If a special improvement district 34763
is being created under this chapter for the purpose of developing 34764
and implementing plans for special energy improvement projects, 34765
the petition required under this division shall be signed by one 34766
hundred per cent of the owners of the area of all real property 34767
located within the proposed special improvement district, at least 34768
one special energy improvement project shall be designated for 34769
each parcel of real property within the special improvement 34770
district, and the special improvement district may include any 34771
number of parcels of real property as determined by the 34772
legislative authority of each participating political subdivision 34773
in which the proposed special improvement district is to be 34774
located. For purposes of determining compliance with these 34775
requirements, the area of the district, or the front footage and 34776
ownership of property, shall be as shown in the most current 34777
records available at the county recorder's office and the county 34778
engineer's office sixty days prior to the date on which the 34779
petition is filed. 34780

Each municipal corporation or township with which the 34781
petition is filed has sixty days to approve or disapprove, by 34782
resolution, the petition, including the articles of incorporation. 34783
In the case of a district created by an existing qualified 34784
nonprofit corporation, each municipal corporation or township has 34785
sixty days to approve or disapprove the creation of the district 34786
after the corporation submits the articles of incorporation or 34787
amendments thereto. This chapter does not prohibit or restrict the 34788
rights of municipal corporations under Article XVIII of the Ohio 34789
Constitution or the right of the municipal legislative authority 34790
to impose reasonable conditions in a resolution of approval. The 34791

acquisition, installation, equipping, and improvement of a special 34792
energy improvement project under this chapter shall not supersede 34793
any local zoning, environmental, or similar law or regulation. 34794

(F) Persons proposing creation and operation of the district 34796
may propose an initial plan for public services or public 34797
improvements that benefit all or any part of the district. Any 34798
initial plan shall be submitted as part of the petition proposing 34799
creation of the district or, in the case of a district created by 34800
an existing qualified nonprofit corporation, shall be submitted 34801
with the articles of incorporation or amendments thereto. 34802

An initial plan may include provisions for the following: 34803

(1) Creation and operation of the district and of the 34804
nonprofit corporation to govern the district under this chapter; 34805

(2) Hiring employees and professional services; 34806

(3) Contracting for insurance; 34807

(4) Purchasing or leasing office space and office equipment; 34808

(5) Other actions necessary initially to form, operate, or 34809
organize the district and the nonprofit corporation to govern the 34810
district; 34811

(6) A plan for public improvements or public services that 34812
benefit all or part of the district, which plan shall comply with 34813
the requirements of division (A) of section 1710.06 of the Revised 34814
Code and may include, but is not limited to, any of the permissive 34815
provisions described in the fourth sentence of that division or 34816
listed in divisions (A)(1) to ~~(5)~~(6) of that section; 34817

(7) If the special improvement district is being created 34818
under this chapter for the purpose of developing and implementing 34819
plans for special energy improvement projects, provision for the 34820
addition of territory to the special improvement district. 34821

After the initial plan is approved by all municipal 34822
corporations and townships to which it is submitted for approval 34823
and the district is created, each participating subdivision shall 34824
levy a special assessment within its boundaries to pay for the 34825
costs of the initial plan. The levy shall be for no more than ten 34826
years from the date of the approval of the initial plan; except 34827
that if the proceeds of the levy are to be used to pay the costs 34828
of a special energy improvement project, the levy of a special 34829
assessment shall be for no more than twenty-five years from the 34830
date of approval of the initial plan. In the event that additional 34831
territory is added to a special improvement district, the special 34832
assessment to be levied with respect to such additional territory 34833
shall commence not earlier than the date such territory is added 34834
and shall be for no more than twenty-five years from such date. 34835
For purposes of levying an assessment for this initial plan, the 34836
services or improvements included in the initial plan shall be 34837
deemed a special benefit to property owners within the district. 34838

(G) Each nonprofit corporation governing a district under 34840
this chapter may do the following: 34841

(1) Exercise all powers of nonprofit corporations granted 34842
under Chapter 1702. of the Revised Code that do not conflict with 34843
this chapter; 34844

(2) Develop, adopt, revise, implement, and repeal plans for 34845
public improvements and public services for all or any part of the 34846
district; 34847

(3) Contract with any person, political subdivision as 34848
defined in section 2744.01 of the Revised Code, or state agency as 34849
defined in section 1.60 of the Revised Code to develop and 34850
implement plans for public improvements or public services within 34851
the district; 34852

(4) Contract and pay for insurance for the district and for 34853
directors, officers, agents, contractors, employees, or members of 34854
the district for any consequences of the implementation of any 34855
plan adopted by the district or any actions of the district. 34856

The board of directors of a special improvement district may, 34857
acting as agent and on behalf of a participating political 34858
subdivision, sell, transfer, lease, or convey any special energy 34859
improvement project owned by the participating political 34860
subdivision upon a determination by the legislative authority 34861
thereof that the project is not required to be owned exclusively 34862
by the participating political subdivision for its purposes, for 34863
uses determined by the legislative authority thereof as those that 34864
will promote the welfare of the people of such participating 34865
political subdivision; to improve the quality of life and the 34866
general and economic well-being of the people of the participating 34867
political subdivision; better ensure the public health, safety, 34868
and welfare; protect water and other natural resources; provide 34869
for the conservation and preservation of natural and open areas 34870
and farmlands, including by making urban areas more desirable or 34871
suitable for development and revitalization; control, prevent, 34872
minimize, clean up, or mediate certain contamination of or 34873
pollution from lands in the state and water contamination or 34874
pollution; or provide for safe and natural areas and resources. 34875
The legislative authority of each participating political 34876
subdivision shall specify the consideration for such sale, 34877
transfer, lease, or conveyance and any other terms thereof. Any 34878
determinations made by a legislative authority of a participating 34879
political subdivision under this division shall be conclusive. 34880

Any sale, transfer, lease, or conveyance of a special energy 34881
improvement project by a participating political subdivision or 34882
the board of directors of the special improvement district may be 34883
made without advertising, receipt of bids, or other competitive 34884

bidding procedures applicable to the participating political 34885
subdivision or the special improvement district under Chapter 153. 34886
or 735. or section 1710.11 of the Revised Code or other 34887
representative provisions of the Revised Code. 34888

and the real property of each member of the district is subject to 34896
special assessment under division (C) of section 1710.06 of the 34897
Revised Code. ~~The A church is not a member of the district unless~~ 34898
~~the church specifically requested in writing that its property be~~ 34899
~~included in the district or unless, in the case of a district~~ 34900
~~created by an existing qualified nonprofit corporation, the church~~ 34901
~~is a member of the corporation at the time the district is~~ 34902
~~created. A county, township, or municipal corporation owning real~~ 34903
~~property in the district is not a member of the district unless~~ 34904
~~such entity specifically requested in writing that its property be~~ 34905
~~included in the district.~~ 34906

The identity and address of the owners shall be determined 34907
for any particular action of the nonprofit corporation that 34908
governs the district, including notice of meetings of the 34909
district, no more than sixty days prior to the date of the action, 34910
from the most current records available at the county auditor's 34911

(C) A member also may appoint a designee to carry out the member's rights and responsibilities under this chapter by filing a written designation form with the district's secretary. This form shall include the name and address of the member, the name and address of the designee, and the expiration date, if any, of the designation and may authorize the designee to vote at any meeting of the district.

(D) A proxy or designee need not be an elector or resident of any participating political subdivision of the district or a member of the district. The appointment of a proxy or a designee may be changed by filing a new form with the district's secretary. The most current form filed with the secretary is the valid appointment. Service of any notice upon a proxy or designee at the proxy's or designee's address as shown on that form satisfies any requirements for notification of the member.

Sec. 1710.04. (A) A special improvement district created under this chapter shall be governed by the board of directors of the special improvement district. The board shall consist of at least five directors. The board shall include a person appointed by the legislative authority of each participating political subdivision and the municipal executive of each municipal corporation with territory within the boundaries of the special improvement district. The remainder of the board's members shall be members of the district. Except for the municipal executives and the appointees of the legislative authorities, and except as otherwise provided in this division, members of the board of

directors shall be elected at a meeting of the entire membership 34947

the first meeting of the entire membership of the district after 34949
its creation. All subsequent elections shall be held at a November 34950
meeting of the membership. 34951

Each municipal executive may designate one person who is an 34952
employee of the municipal corporation involved with its planning 34953
or economic development functions to serve in the municipal 34954
executive's stead. This designee shall serve at the pleasure of 34955
the municipal executive. 34956

nonprofit corporation, the corporation's board of trustees or 34958
other governing board, however denominated, shall be the board of 34959
directors of the special improvement district for the purposes of 34960
this chapter. The election of directors otherwise required by this 34961
division shall not be required, and the requirement that municipal 34962
executives and appointees of the legislative authorities be 34963
members of the district's board of directors may be satisfied by 34964
the membership on the corporation's governing board of 34965
representatives of such participating political subdivisions, or 34966
may be waived if approved by resolution of the legislative 34967
authorities of the participating political subdivisions. 34968

(B) A director may file a written statement with the 34969
district's secretary at least three days prior to any meeting of 34970
the board to have a person act as proxy to carry out the 34971
director's rights and responsibilities under this chapter at that 34972
meeting. 34973

director's rights and responsibilities under this chapter by 34975
filing a written designation form with the district's secretary. 34976

participating political subdivision of the district or a member of 34981
the district. The appointment of a proxy or designee may be 34982
changed by filing a new form with the district's secretary. The 34983
most current form filed with the secretary is the valid 34984
appointment. Service of any notice upon a proxy or designee at the 34985
proxy's or designee's address as shown on that form satisfies any 34986
requirements for notification of the director. 34987

(C) Notice of the time, date, place, and agenda for any 34988
meeting of the board of directors shall be by written notice to 34989
each director, transmitted by certified mail, personal service, or 34990
electronic device prior to the meeting. If possible, the notice 34991
shall be served at least one week prior to the meeting. 34992

The board shall act by a majority vote of those present and 34993
authorized to vote at any meeting where proper notice has been 34994
served. 34995

(D) The board shall elect a chairperson, vice-chairperson, 34996
secretary, and treasurer of the board. These officers shall serve 34997
at the board's pleasure. A director may be elected to more than 34998
one office, except that the director elected as treasurer shall 34999
not be elected to any other office of the board. 35000

By the first day of March of each year, the treasurer shall 35001
submit to each member of the district and to the municipal 35002
executive, chief fiscal officer, and legislative authority of each 35003
municipal corporation with territory within the boundaries of the 35004
special improvement district and the board of township trustees of 35005

(E) Divisions (B), (C), and (D) of this section do not apply 35009

to a district created by an existing qualified nonprofit 35010
corporation to the extent those divisions are not consistent with 35011
the regulations of the corporation, in which case the regulations 35012
of the corporation shall govern. 35013

Sec. 1710.06. (A) The board of directors of a special 35014
improvement district may develop and adopt one or more written 35015

improvements or public services shall indicate the period of time 35021
the assessments are to be levied for the improvements and services 35022
and, if public services are included in the plan, the period of 35023
time the services are to remain in effect. Plans for public 35024
improvements may include the planning, design, construction, 35025
reconstruction, enlargement, or alteration of any public 35026

(B) Once the board of directors <u>of the special improvement district</u> adopts a plan, it shall submit the plan to the legislative authority of each participating political subdivision and the municipal executive of each municipal corporation in which the district is located, if any. The legislative authorities and municipal executives shall review the plan and, within sixty days after receiving it, may submit their comments and recommendations about it to the district. After reviewing these comments and recommendations, the board of directors may amend the plan. It may then submit the plan, amended or otherwise, in the form of a petition to members of the district whose property may be assessed for the plan. Once the petition is signed by those members who own at least sixty per cent of the front footage of property that is to be assessed and that abuts upon a street, alley, public road, place, boulevard, parkway, park entrance, easement, or other public improvement, or those members who own at least seventy-five	35057 35058 35059 35060 35061 35062 35063 35064 35065 35066 35067 35068 35069 35070 35071 35072

service, the petition may be submitted to each legislative 35074
authority for approval. If the special improvement district was 35075
created for the purpose of developing and implementing plans for 35076
special energy improvement projects, the petition required under 35077
this division shall be signed by one hundred per cent of the 35078
owners of the area of all real property located within the area to 35079
be assessed for the special energy improvement project. 35080

35081

Each legislative authority shall, by resolution, approve or 35082
reject the petition within sixty days after receiving it. If the 35083
petition is approved by the legislative authority of each 35084
participating political subdivision, the plan contained in the 35085
petition shall be effective at the earliest date on which a 35086
nonemergency resolution of the legislative authority with the 35087
latest effective date may become effective. A plan may not be 35088
resubmitted to the legislative authorities and municipal 35089
executives more than three times in any twelve-month period. 35090

(C) Each participating political subdivision shall levy, by 35091
special assessment upon specially benefited property located 35092
within the district, the costs of any public improvements or 35093
public services plan contained in a petition approved by the 35094
participating political subdivisions under this section or 35095
division (F) of section 1710.02 of the Revised Code. The levy 35096
shall be made in accordance with the procedures set forth in 35097
Chapter 727. of the Revised Code, except that: 35098

(1) The assessment for each improvements or services plan may 35099
be levied by any one or any combination of the methods of 35100
assessment listed in section 727.01 of the Revised Code, provided 35101
that the assessment is uniformly applied. 35102

(2) For the purpose of levying an assessment, the board of 35103
directors may combine one or more improvements or services plans 35104

or parts of plans and levy a single assessment against specially 35105
benefited property. 35106

(3) For purposes of special assessments levied by a township 35107
pursuant to this chapter, references in Chapter 727. of the 35108
Revised Code to the municipal corporation shall be deemed to refer 35109
to the township, and references to the legislative authority of 35110
the municipal corporation shall be deemed to refer to the board of 35111
township trustees. 35112

Church property or property owned by a political subdivision, 35113
including any participating political subdivision in which a 35114
special improvement district is located, shall be included in and 35115
be subject to special assessments made pursuant to a plan adopted 35116
under this section or division (F) of section 1710.02 of the 35117
Revised Code, if the church or political subdivision has 35118
specifically requested in writing that its property be included 35119
within the special improvement district and the church or 35120
political subdivision is a member of the district or, in the case 35121
of a district created by an existing qualified nonprofit 35122
corporation, if the church is a member of the corporation. 35123

(D) All rights and privileges of property owners who are 35124
assessed under Chapter 727. of the Revised Code shall be granted 35125
to property owners assessed under this chapter, including those 35126
rights and privileges specified in sections 727.15 to 727.17 and 35127
727.18 to 727.22 of the Revised Code and the right to notice of 35128
the resolution of necessity and the filing of the estimated 35129
assessment under section 727.13 of the Revised Code. Property 35130
owners assessed for public services under this chapter shall have 35131
the same rights and privileges as property owners assessed for 35132
public improvements under this chapter. 35133

Sec. 1710.07. The cost of any public improvements or public 35134
services plan of a special improvement district may include, but 35135

is not limited to, the following: 35136

(A) The cost of creating and operating the district under 35137
this chapter, including creating and operating a nonprofit 35138
organization organized under this chapter, hiring employees and 35139
professional services, contracting for insurance, and purchasing 35140
or leasing office space or office equipment; 35141

(B) The cost of planning, designing, and implementing the 35142
public improvements or public services plan, including payment of 35143
architectural, engineering, legal, appraisal, insurance, and 35144

(C) Any court costs incurred by the district in implementing 35148
the public improvements or public services plan; 35149

(D) Any damages resulting from implementing the public 35150
improvements or public services plan; 35151

(E) The costs of issuing, paying interest on, and redeeming 35152
notes and bonds issued for funding the public improvements or 35153
public services plan; and 35154

(F) The costs associated with the sale, lease, lease with an 35155
option to purchase, conveyance of other interests in, or other 35156
contracts for the acquisition, construction, maintenance, repair, 35157
furnishing, equipping, operation, or improvement of any special 35158
energy improvement project by the district, between a 35159
participating political subdivision and the special improvement 35160
district, or between the special improvement district and any 35161
owner of real property in the special improvement district on 35162
which a special energy improvement project has been acquired, 35163
installed, equipped, or improved. 35164

Sec. 1710.10. (A) When a participating political subdivision 35165

contracts to provide improvements or services to a special 35166
improvement district, the participating political subdivision 35167
shall charge only its additional cost of providing the improvement 35168
or service, without any allocation of overhead costs, fixed costs, 35169
or assignment of costs at rates higher than those at which the 35170
participating political subdivision assigns costs for similar 35171
improvements or services for political subdivision purposes. 35172

(B) ~~Any~~ Except in the case of a district created by an 35173
existing qualified nonprofit corporation, any law enforcement or 35174
fire protection service to be provided under a district's public 35175
service plan shall be provided only by contract with a 35176
participating political subdivision of the district. ~~The~~ In the 35177
case of a district created by an existing qualified nonprofit 35178
corporation, the corporation may provide law enforcement service 35179
as provided under section 1702.80 of the Revised Code. 35180

The district shall reimburse the participating political 35181
subdivision for any additional cost incurred in providing that law 35182
enforcement or fire protection service. This additional cost shall 35183
not include any overhead, fixed costs, or assignment of costs at 35184
rates higher than those at which the political subdivision assigns 35185
costs for these services for political subdivision purposes. 35186

35187

(C) Any liability for providing fire or police services under 35188
this section by a participating political subdivision shall remain 35189
with the participating political subdivision and shall not be 35190
assumed by the district. 35191

Sec. 1710.13. ~~The~~ This section does not apply to a special 35192
improvement district created by an existing qualified nonprofit 35193
corporation. 35194

The process for dissolving a special improvement district or 35195
repealing an improvements or services plan may be initiated by a 35196

petition signed by members of the district who own at least twenty 35197
per cent of the appraised value of the real property located in 35198
the district, excluding church property or real property owned by 35199
the federal government, the state, or a county, township, or 35200
municipal corporation, unless the church, county, township, or 35201
municipal corporation has specifically requested in writing that 35202
the property be included in the district, and filed with the 35203
municipal executive, if any, and the legislative authorities of 35204
all the participating political subdivisions of the district. As 35205
used in this section, "appraised value" means the taxable value 35206
established by the county auditor for purposes of real estate 35207
taxation. 35208

No later than forty-five days after such a petition is filed, 35209
the members of the district shall meet to consider it. Notice of 35210
the meeting shall be given as provided in section 1710.05 of the 35211
Revised Code. Upon the affirmative vote of members who 35212
collectively own more than fifty per cent of the appraised value 35213
of the real property in the district that may be subject to 35214
assessment under division (C) of section 1710.06 of the Revised 35215
Code, the district shall be dissolved, or the plan shall be 35216
repealed, as applicable. 35217

No rights or obligations of any person under any contract, or 35218
in relation to any bonds, notes, or assessments made under this 35219
chapter, shall be affected by the dissolution of the district or 35220
the repeal of a plan, except with the consent of that person or by 35221
order of a court with jurisdiction over the matter. Upon 35222
dissolution of a district, any assets or rights of the district, 35223
after payment of all bonds, notes, or other obligations of the 35224
district, shall be deposited in a special account in the treasury 35225
of each participating political subdivision, prorated among all 35226
participating political subdivisions to reflect the percentage of 35227
the district's territory within that political subdivision, to be 35228

used for the benefit of the territory that made up the district. 35229

Once the members have approved the repeal of a plan, all 35230
bonds, notes, and other obligations of the district associated 35231
with the plan shall be paid. Thereafter, the plan shall be 35232
repealed. Upon receipt of proof that all bonds, notes, and other 35233
obligations have been paid and that the plan has been repealed, 35234
the participating political subdivisions shall terminate any 35235
levies imposed to pay for costs of the plan. 35236

Sec. 1721.211. (A) As used in this section, "preneed cemetery 35237
merchandise and services contract" means a written agreement, 35238
contract, or series of contracts to sell or otherwise provide an 35239
outer burial container, monument, marker, urn, other type of 35240
merchandise customarily sold by cemeteries, or opening and closing 35241
services to be used or provided in connection with the final 35242
disposition of a dead human body, where payment for the container, 35243
monument, marker, urn, other type of merchandise customarily sold 35244
by cemeteries, or opening and closing services is made either 35245
outright or on an installment basis, prior to the death of the 35246
person so purchasing or for whom so purchased. "Preneed cemetery 35247
merchandise and services contract" does not include any preneed 35248
funeral contract or any agreement, contract, or series of 35249
contracts pertaining to the sale of any burial lot, burial or 35250
interment right, entombment right, or columbarium right with 35251
respect to which an endowment care trust is established or is 35252
exempt from establishment pursuant to section 1721.21 of the 35253
Revised Code. 35254

(B) Subject to the limitations and restrictions contained in 35255
Chapters 1101. to 1127. of the Revised Code, a trust company 35256
licensed under Chapter 1111. of the Revised Code or a national 35257
bank or federal savings association that pledges securities in 35258
accordance with section 1111.04 of the Revised Code or the 35259

individuals described in division (C)(2) of this section have the 35260
power as trustee to receive and to hold and invest in accordance 35261
with sections 2109.37 and 2109.371 of the Revised Code moneys 35262
under a preneed cemetery merchandise and services contract. 35263

(C)(1) The greater of one hundred ten per cent of the 35264
seller's actual cost or thirty per cent of the seller's retail 35265
price of the merchandise and seventy per cent of the seller's 35266
retail price of the services to be provided under a preneed 35267
cemetery merchandise and services contract shall remain intact as 35268
a fund until the death of the person for whose benefit the 35269
contract is made or the merchandise is delivered as set forth in 35270
division (K) of this section. However, any moneys held pursuant to 35271
this section shall be released upon demand of the person for whose 35272
benefit the contract was made or upon the demand of the seller for 35273
its share of the moneys held and earned interest if the contract 35274
has been canceled as set forth in division (G) of this section. 35275

(2) The trustee of the fund described in division (C)(1) of 35276
this section shall be a trust company licensed under Chapter 1111. 35277
of the Revised Code or a national bank or federal savings 35278
association that pledges securities in accordance with section 35279
1111.04 of the Revised Code or at least three individuals who have 35280
been residents of the county in which the seller is located for at 35281
least one year, each of whom shall be bonded by a corporate surety 35282
in an amount that is at least equal to the amount deposited in the 35283
fund of which those persons serve as trustee. Amounts in the fund 35284
shall be held and invested in the manner in which trust funds are 35285
permitted to be held and invested pursuant to sections 2109.37 and 35286
2109.371 of the Revised Code. 35287

(3) Every preneed cemetery and merchandise contract entered 35288
into on or after the effective date of this amendment shall 35289
include a provision in substantially the following form: 35290

NOTICE: Under Ohio law, the person holding the right of 35291

disposition of the remains of the beneficiary of this contract 35292
pursuant to section 2108.70 or 2108.81 of the Revised Code will 35293
have the right to purchase cemetery merchandise and services 35294
inconsistent with the merchandise and services set forth in this 35295
contract. However, the beneficiary is encouraged to state his or 35296
her preferences as to the manner of final disposition in a 35297
declaration of the right of disposition pursuant to section 35298
2108.72 of the Revised Code, including that the arrangements set 35299
forth in this contract shall be followed. 35300

(D) Within thirty days after the last business day of the 35301
month in which the seller of cemetery merchandise or services 35302
receives final contractual payment under a preneed cemetery 35303
merchandise and services contract, the seller shall deliver the 35304
greater of one hundred ten per cent of the seller's actual cost or 35305
thirty per cent of the seller's retail price of the merchandise 35306
and seventy per cent of the seller's current retail price of the 35307
services as of the date of the contract to a trustee or to 35308
trustees as described in division (C)(2) of this section, and the 35309
moneys and accruals or income on the moneys shall be held in a 35310
fund and designated for the person for whose benefit the fund was 35311
established as a preneed cemetery merchandise and services 35312
contract fund. 35313

(E) The moneys received from more than one preneed cemetery 35314
merchandise and services contract may, at the option of the 35315
persons for whose benefit the contracts are made, be placed in a 35316
common or pooled trust fund in this state under a single trust 35317
instrument. If three individuals are designated as the trustees as 35318
provided in division (C)(2) of this section, they shall be bonded 35319
by a corporate surety or fidelity bond in an aggregate amount of 35320
not less than one hundred per cent of the funds held by them as 35321
trustees. The trustees or their agent shall, on a continuous 35322
basis, keep exact records as to the amount of funds under a single 35323

trust instrument being held for the individual beneficiaries 35324
showing the amount paid, the amount deposited and invested, and 35325
accruals and income. 35326

(F) ~~The (1) Except as provided in division (F)(2) of this~~ 35327
~~section, the~~ seller of merchandise or services under a preneed 35328
cemetery merchandise and services contract shall annually submit 35329

affidavit in a form prescribed by the division, sworn under oath, 35331
specifying each of the following: 35332

~~(1)(a)~~ That, within the time specified in division (D) of 35333
this section, the amounts required by that division were deposited 35334
in an appropriate fund; 35335

~~(2)(b)~~ That the fund has not been used to collateralize or 35336
guarantee loans and has not otherwise been subjected to any 35337
consensual lien; 35338

~~(3)(c)~~ That the fund is invested in compliance with the 35339
investing standards set forth in sections 2109.37 and 2109.371 of 35340
the Revised Code; 35341

~~(4)(d)~~ That no moneys have been removed from the fund, except 35342
as provided for in this section. 35343

(2) A licensed funeral director who sells preneed funeral 35344
contracts and who also sells merchandise or services under a 35345
preneed cemetery merchandise and services contract shall be deemed 35346
to have met the requirement in division (F)(1) of this section by 35347
submitting the annual preneed cemetery merchandise and services 35348
contract affidavit to the board of embalmers and funeral directors 35349
along with or as part of the annual preneed funeral contract 35350
report required under divisions (I) and (J) of section 4717.31 of 35351
the Revised Code. 35352

(G) This division is subject to division (I) of this section. 35353

Any person upon initially entering into a preneed cemetery merchandise and services contract may, within seven days, cancel the contract and request and receive from the seller one hundred per cent of all payments made under the contract. After the expiration of the above period, any person who has entered into a preneed cemetery merchandise and services contract may, on not less than fifteen days' notice, cancel the contract and request and receive from the seller sixty per cent of the payments made under the contract which have been paid up to the time of cancellation; except that, if a preneed cemetery merchandise and services contract stipulates a firm or fixed or guaranteed price for the merchandise or services for future use at a time determined by the death of the person on behalf of whom payments are made, the person who has entered into the contract may, if the merchandise has not been delivered or the services have not been performed as set forth in division (K) or (L) of this section, on not less than fifteen days' notice, cancel the contract and receive from the seller sixty per cent of the principal paid pursuant to the contract and not less than eighty per cent of any interest paid, up to the time of cancellation, and not less than eighty per cent of any accrual or income earned while the moneys have been held pursuant to divisions (C) and (D) of this section, up to the time of cancellation. Upon cancellation, after the moneys have been distributed to the beneficiary pursuant to this division, all remaining moneys being held pursuant to divisions (C) and (D) of this section shall be paid to the seller. If more than one person enters into the contract, all of those persons must request cancellation for it to be effective under this division. In such a case, the seller shall refund to each person only those moneys that each person has paid under the contract.

(H) Upon receipt of a certified copy of the certificate of death or evidence of delivery of the merchandise or performance of the services pursuant to division (K) or (L) of this section, the

trustee described in division (C)(2) of this section or its agent, 35387
shall forthwith pay the fund and accumulated interest, if any, to 35388
the person entitled to them under the preneed cemetery merchandise 35389
and services contract. The payment of the fund and accumulated 35390
interest pursuant to this section, either to a seller or person 35391
making the payments, shall relieve the trustee of any further 35392
liability on the fund or accumulated interest. 35393

(I) Notwithstanding any other provision of this section, any 35394
preneed cemetery merchandise and services contract may specify 35395
that it is irrevocable. All irrevocable preneed cemetery 35396
merchandise and services contracts shall include a clear and 35397
conspicuous disclosure of irrevocability in the contract and any 35398
person entering into an irrevocable preneed cemetery merchandise 35399
and services contract shall sign a separate acknowledgment of the 35400
person's waiver of the right to revoke. If a contract satisfies 35401
the requirements of this division, division (G) of this section 35402
does not apply to that contract. 35403

(J) Any preneed cemetery merchandise and services contract 35404
that involves the payment of money shall be in writing and in 35405
compliance with the laws and rules of this state. 35406

(K) For purposes of this section, the seller is considered to 35407
have delivered merchandise pursuant to a preneed cemetery 35408
merchandise and services contract when either of the following 35409
occur: 35410

(1) The seller makes actual delivery of the merchandise to 35411
the beneficiary, or the seller pays for the merchandise and 35412
identifies it as being stored for the benefit of the beneficiary 35413
at a manufacturer's warehouse. 35414

(2) The seller receives delivery of the merchandise on behalf 35415
of the beneficiary, and all of the following occur: 35416

(a) The merchandise is permanently affixed to or stored upon 35417

the real property of a cemetery located in this state. 35418

(b) The seller notifies the beneficiary of receipt of the 35419
merchandise and identifies the specific location of the 35420
merchandise. 35421

(c) The seller at the time of the beneficiary's final payment 35422
provides the beneficiary with evidence of ownership in the 35423
beneficiary's name showing the merchandise to be free and clear of 35424
any liens or other encumbrances. 35425

(L) For purposes of this section, a seller is considered to 35426
have performed services pursuant to a preneed cemetery merchandise 35427
and services contract when the beneficiary's next of kin signs a 35428
written statement that the services have been performed or, if no 35429
next of kin of the beneficiary can be located through reasonable 35430
diligence, when the owner or other person responsible for the 35431
operation of the cemetery signs a statement of that nature. 35432

(M) Notwithstanding any other provision of this chapter, any 35433
trust may be charged a trustee's fee, which is to be deducted from 35434
the earned income or accruals on that trust. The fee shall not 35435
exceed the amount that is regularly or usually charged for similar 35436
services rendered by the trustee described in division (C)(2) of 35437
this section when serving as a trustee. 35438

decision on the information submitted under division (D)(8) of 37118
this section. In making its decision, the independent review 37119
organization shall consider safety, efficacy, appropriateness, and 37120
cost effectiveness. 37121

(F) The health insuring corporation shall provide any 37122
coverage determined by the independent review organization's 37123
decision to be medically necessary, subject to the other terms, 37124
limitations, and conditions of the enrollee's contract. The 37125
decision shall apply only to the individual enrollee's external 37126
review. 37127

Sec. 1751.85. (A) Each health insuring corporation shall 37128
establish a reasonable external, independent review process to 37129
examine the health insuring corporation's coverage decisions for 37130
enrollees who meet all of the following criteria: 37131

(1) The enrollee has a terminal condition that, according to 37132
the current diagnosis of the enrollee's physician, has a high 37133
probability of causing death within two years. 37134

(2) The enrollee requests a review not later than ~~sixty~~ one 37135

hundred eighty days after receipt by the enrollee of notice of the 37136
result of an internal review under section 1751.83 of the Revised 37137
Code. 37138

(3) The enrollee's physician certifies that the enrollee has 37139
the condition described in division (A)(1) of this section and any 37140
of the following situations are applicable: 37141

(a) Standard therapies have not been effective in improving 37142
the condition of the enrollee; 37143

(b) Standard therapies are not medically appropriate for the 37144
enrollee; 37145

(c) There is no standard therapy covered by the health 37146
insuring corporation that is more beneficial than therapy 37147
described in division (A)(4) of this section. 37148

(4) The enrollee's physician has recommended a drug, device, 37149
procedure, or other therapy that the physician certifies, in 37150
writing, is likely to be more beneficial to the enrollee, in the 37151
physician's opinion, than standard therapies, or, the enrollee has 37152
requested a therapy that has been found in a preponderance of 37153
peer-reviewed published studies to be associated with effective 37154
clinical outcomes for the same condition. 37155

(5) The enrollee has been denied coverage by the health 37156
insuring corporation for a drug, device, procedure, or other 37157
therapy recommended or requested pursuant to division (A)(4) of 37158
this section, and has exhausted the health insuring corporation's 37159
internal review process established pursuant to section 1751.83 of 37160
the Revised Code. 37161

(6) The drug, device, procedure, or other therapy, for which 37162
coverage has been denied would be a covered health care service 37163
except for the health insuring corporation's determination that 37164
the drug, device, procedure, or other therapy is experimental or 37165
investigational. 37166

(B) A review shall be requested in writing, except that if 37167
the enrollee's physician determines that a therapy would be 37168
significantly less effective if not promptly initiated, the review 37169
may be requested orally or by electronic means. When an oral or 37170
electronic request for review is made, written confirmation of the 37171
request shall be submitted to the health insuring corporation not 37172
later than five days after the oral or written request is 37173
submitted. 37174

(C) The external, independent review process established by a 37175
health insuring corporation shall meet all of the following 37176
criteria: 37177

(1) Except as provided in division (E) of this section, the 37178
process shall afford all enrollees who meet the criteria set forth 37179
in division (A) of this section the opportunity to have the health 37180
insuring corporation's decision to deny coverage of the 37181
recommended or requested therapy reviewed under the process. 37182

(2) The review shall be conducted by an independent review 37183
organization assigned by the superintendent of insurance under 37184
section 3901.80 of the Revised Code. 37185

The independent review organization shall select a panel to 37186
conduct the review, which panel shall be composed of at least 37187
three physicians or other providers who, through clinical 37188
experience in the past three years, are experts in the treatment 37189
of the enrollee's medical condition and knowledgeable about the 37190
recommended or requested therapy. 37191

In either of the following circumstances, an exception may be 37192
made to the requirement that the review be conducted by an expert 37193
panel composed of a minimum of three physicians or other 37194
providers: 37195

(a) A review may be conducted by an expert panel composed of 37196
only two physicians or other providers if an enrollee has 37197

consented in writing to a review by the smaller panel; 37198

(b) A review may be conducted by a single expert physician or 37199
other provider if only one expert physician or other provider is 37200
available for the review. 37201

(3) Neither the health insuring corporation nor the enrollee 37202
shall choose, or control the choice of, the physician or other 37203
provider experts. 37204

(4) The selected experts, any health care facility with which 37205
an expert is affiliated, and the independent review organization 37206
arranging for the experts' review, shall not have any 37207
professional, familial, or financial affiliation with any of the 37208
following: 37209

(a) The health insuring corporation or any officer, director, 37210
or managerial employee of the health insuring corporation; 37211

(b) The enrollee, the enrollee's physician, or the practice 37212
group of the enrollee's physician; 37213

(c) The health care facility at which the recommended or 37214
requested therapy would be provided; 37215

(d) The development or manufacture of the principal drug, 37216
device, procedure, or therapy involved in the recommended or 37217
requested therapy. 37218

However, experts affiliated with academic medical centers who 37219
provide health care services to enrollees of the health insuring 37220
corporation may serve as experts on the review panel. Further, 37221
experts with staff privileges at a health care facility that 37222
provides health care services to enrollees of the health insuring 37223
corporation, as well as experts who are participating providers, 37224
but who were not involved with the health insuring corporation's 37225
denial of coverage for the therapy under review, may serve as 37226
experts on the review panel. These nonaffiliation provisions do 37227

not preclude a health insuring corporation from paying for the experts' review, as specified in division (C)(5) of this section.

(5) Enrollees shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the health insuring corporation.

(6) The health insuring corporation shall provide to the independent review organization arranging for the experts' review a copy of those records in the health insuring corporation's possession that are relevant to the enrollee's medical condition and the review. The records shall be disclosed solely to the expert reviewers and shall be used solely for the purpose of this section. At the request of the expert reviewers, the health insuring corporation or the physician recommending the therapy shall provide any additional information that the expert reviewers request to complete the review. An expert reviewer is not required to render an opinion if the reviewer has not received any requested information that the reviewer considers necessary to complete the review.

(7)(a) The opinions of the experts on the panel shall be rendered within thirty days after the enrollee's request for review. If the enrollee's physician determines that a therapy would be significantly less effective if not promptly initiated, the opinions shall be rendered within seven days after the enrollee's request for review.

(b) In conducting the review, the experts on the panel shall take into account all of the following:

(i) Information submitted by the health insuring corporation, the enrollee, and the enrollee's physician, including the enrollee's medical records and the standards, criteria, and clinical rationale used by the health insuring corporation to reach its coverage decision;

(ii) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations;	37259 37260 37261
(iii) Relevant findings in peer-reviewed medical or scientific literature and published opinions of nationally recognized medical experts;	37262 37263 37264
(iv) Clinical guidelines adopted by relevant national medical societies;	37265 37266
(v) Safety, efficacy, appropriateness, and cost effectiveness.	37267 37268
(8) Each expert on the panel shall provide the independent review organization with a professional opinion as to whether there is sufficient evidence to demonstrate that the recommended or requested therapy is likely to be more beneficial to the enrollee than standard therapies.	37269 37270 37271 37272 37273
(9) Each expert's opinion shall be presented in written form and shall include the following information:	37274 37275
(a) A description of the enrollee's condition;	37276
(b) A description of the indicators relevant to determining whether there is sufficient evidence to demonstrate that the recommended or requested therapy is more likely than not to be more beneficial to the enrollee than standard therapies;	37277 37278 37279 37280
(c) A description and analysis of any relevant findings published in peer-reviewed medical or scientific literature or the published opinions of medical experts or specialty societies;	37281 37282 37283
(d) A description of the enrollee's suitability to receive the recommended or requested therapy according to a treatment protocol in a clinical trial, if applicable.	37284 37285 37286
(10) The independent review organization shall provide the health insuring corporation with the opinions of the experts. The	37287 37288

health insuring corporation shall make the experts' opinions 37289
available to the enrollee and the enrollee's physician, upon 37290
request. 37291

(11) The opinion of the majority of the experts on the panel, 37292
rendered pursuant to division (C)(8) of this section, is binding 37293
on the health insuring corporation with respect to that enrollee. 37294
If the opinions of the experts on the panel are evenly divided as 37295
to whether the therapy should be covered, then the health insuring 37296
corporation's final decision shall be in favor of coverage. If 37297
less than a majority of the experts on the panel recommend 37298
coverage of the therapy, the health insuring corporation may, in 37299
its discretion, cover the therapy. However, any coverage provided 37300
pursuant to division (C)(11) of this section is subject to the 37301
terms, limitations, and conditions of the enrollee's contract with 37302
the health insuring corporation. 37303

(12) The health insuring corporation shall have written 37304
policies describing the external, independent review process. 37305

(D) At any time during the external, independent review 37306
process, the health insuring corporation may elect to cover the 37307
recommended or requested health care service and terminate the 37308
review. The health insuring corporation shall notify the enrollee 37309
and all other parties involved by mail or, with the consent or 37310
approval of the enrollee, by electronic means. 37311

(E) If a health insuring corporation's initial denial of 37312
coverage for a therapy recommended or requested pursuant to 37313
division (A)(4) of this section is based upon an external, 37314
independent review of that therapy meeting the requirements of 37315
division (C) of this section, this section shall not be a basis 37316
for requiring a second external, independent review of the 37317
recommended or requested therapy. 37318

(F) The health insuring corporation shall annually file a 37319

certificate with the superintendent of insurance certifying its 37320
compliance with the requirements of this section. 37321

Sec. 1753.09. (A) Except as provided in division (D) of this 37322
section, prior to terminating the participation of a provider on 37323
the basis of the participating provider's failure to meet the 37324
health insuring corporation's standards for quality or utilization 37325
in the delivery of health care services, a health insuring 37326
corporation shall give the participating provider notice of the 37327
reason or reasons for its decision to terminate the provider's 37328
participation and an opportunity to take corrective action. The 37329
health insuring corporation shall develop a performance 37330
improvement plan in conjunction with the participating provider. 37331
If after being afforded the opportunity to comply with the 37332
performance improvement plan, the participating provider fails to 37333
do so, the health insuring corporation may terminate the 37334
participation of the provider. 37335

(B)(1) A participating provider whose participation has been 37336
terminated under division (A) of this section may appeal the 37337
termination to the appropriate medical director of the health 37338
insuring corporation. The medical director shall give the 37339
participating provider an opportunity to discuss with the medical 37340
director the reason or reasons for the termination. 37341

(2) If a satisfactory resolution of a participating 37342
provider's appeal cannot be reached under division (B)(1) of this 37343
section, the participating provider may appeal the termination to 37344
a panel composed of participating providers who have comparable or 37345
higher levels of education and training than the participating 37346
provider making the appeal. A representative of the participating 37347
provider's specialty shall be a member of the panel, if possible. 37348
This panel shall hold a hearing, and shall render its 37349
recommendation in the appeal within thirty days after holding the 37350

hearing. The recommendation shall be presented to the medical 37351
director and to the participating provider. 37352

(3) The medical director shall review and consider the 37353
panel's recommendation before making a decision. The decision 37354
rendered by the medical director shall be final. 37355

(C) A provider's status as a participating provider shall 37356
remain in effect during the appeal process set forth in division 37357
(B) of this section unless the termination was based on any of the 37358
reasons listed in division (D) of this section. 37359

(D) Notwithstanding division (A) of this section, a 37360
provider's participation may be immediately terminated if the 37361
participating provider's conduct presents an imminent risk of harm 37362
to an enrollee or enrollees; or if there has occurred unacceptable 37363
quality of care, fraud, patient abuse, loss of clinical 37364
privileges, loss of professional liability coverage, incompetence, 37365
or loss of authority to practice in the participating provider's 37366
field; or if a governmental action has impaired the participating 37367
provider's ability to practice. 37368

(E) Divisions (A) to (D) of this section apply only to 37369
providers who are natural persons. 37370

(F)(1) Nothing in this section prohibits a health insuring 37371
corporation from rejecting a provider's application for 37372
participation, or from terminating a participating provider's 37373
contract, if the health insuring corporation determines that the 37374
health care needs of its enrollees are being met and no need 37375
exists for the provider's or participating provider's services. 37376

(2) Nothing in this section shall be construed as prohibiting 37377
a health insuring corporation from terminating a participating 37378
provider who does not meet the terms and conditions of the 37379
participating provider's contract. 37380

(3) Nothing in this section shall be construed as prohibiting 37381

a health insuring corporation from terminating a participating provider's contract pursuant to any provision of the contract described in division (E)(2) of section 3963.02 of the Revised Code, except that, notwithstanding any provision of a contract described in that division, this section applies to the termination of a participating provider's contract for any of the causes described in divisions (A), (D), and (F)(1) and (2) of this section.

(G) The superintendent of insurance may adopt rules as necessary to implement and enforce sections 1753.06, 1753.07, and 1753.09 of the Revised Code. Such rules shall be adopted in accordance with Chapter 119. of the Revised Code. ~~The director of health may make recommendations to the superintendent for rules necessary to implement and enforce sections 1753.06, 1753.07, and 1753.09 of the Revised Code. In adopting any rules pursuant to this division, the superintendent shall consider the recommendations of the director.~~

amounts to be issued to the county if the administrative director 37469
verifies that those amounts were, in fact, so paid. 37470

Sec. 1901.26. (A) Subject to division (E) of this section, 37471
costs in a municipal court shall be fixed and taxed as follows: 37472

(1)(a) The municipal court shall require an advance deposit 37473
for the filing of any new civil action or proceeding when required 37474

by division (C) of this section, and in all other cases, by rule, 37475

(b)(i) The legislative authority of a municipal corporation 37478

in any civil, criminal, or traffic action or proceeding in a 37480
municipal court for the performance by officers or other employees 37481
of the municipal corporation's police department or marshal's 37482

(iii) If a bailiff of a municipal court performs in a civil, 37502
criminal, or traffic action or proceeding in that court a service 37503
specified in section 311.17 or 509.15 of the Revised Code for 37504
which a taxable fee has been established under this section or any 37505
other section of the Revised Code, the fee for the service is the 37506

same and is taxable to the same extent as if the service had been 37507
performed by an officer or employee of the police department or 37508
marshal's office of the municipal corporation in which the court 37509
is located. The clerk of that court shall pay the fee, when 37510
collected, into the general fund of the entity or entities that 37511

require any officer or employee of a police department or 37515
marshal's office of a municipal corporation or any bailiff of a 37516
municipal court to perform any service not otherwise authorized by 37517
law. 37518

deposit for the filing of any civil action or proceeding and 37520
publication fees as provided in section 2701.09 of the Revised 37521
Code. The court may waive the requirement for advance deposit upon 37522
affidavit or other evidence that a party is unable to make the 37523
required deposit. 37524

(3) When a jury trial is demanded in any civil action or 37525
proceeding, the party making the demand may be required to make an 37526
advance deposit as fixed by rule of court, unless, upon affidavit 37527
or other evidence, the court concludes that the party is unable to 37528
make the required deposit. If a jury is called, the fees of a jury 37529
shall be taxed as costs. 37530

(4) In any civil or criminal action or proceeding, each 37531
witness shall receive twelve dollars for each full day's 37532
attendance and six dollars for each half day's attendance. Each 37533
witness in a municipal court that is not a county-operated 37534
municipal court also shall receive fifty and one-half cents for 37535
each mile necessarily traveled to and from the witness's place of 37536
residence to the action or proceeding. 37537

(5) A reasonable charge for driving, towing, carting, 37538
storing, keeping, and preserving motor vehicles and other personal 37539
property recovered or seized in any proceeding may be taxed as 37540
part of the costs in a trial of the cause, in an amount that shall 37541
be fixed by rule of court. 37542

(6) Chattel property seized under any writ or process issued 37543
by the court shall be preserved pending final disposition for the 37544
benefit of all persons interested and may be placed in storage 37545
when necessary or proper for that preservation. The custodian of 37546
any chattel property so stored shall not be required to part with 37547
the possession of the property until a reasonable charge, to be 37548
fixed by the court, is paid. 37549

(7) The municipal court, as it determines, may refund all 37550
deposits and advance payments of fees and costs, including those 37551
for jurors and summoning jurors, when they have been paid by the 37552
losing party. 37553

(8) Charges for the publication of legal notices required by 37554
statute or order of court may be taxed as part of the costs, as 37555
provided by section 7.13 of the Revised Code. 37556

(B)(1) The municipal court may determine that, for the 37557
efficient operation of the court, additional funds are necessary 37558
to acquire and pay for special projects of the court including, 37559
but not limited to, the acquisition of additional facilities or 37560
the rehabilitation of existing facilities, the acquisition of 37561
equipment, the hiring and training of staff, community service 37562
programs, mediation or dispute resolution services, the employment 37563
of magistrates, the training and education of judges, acting 37564
judges, and magistrates, and other related services. Upon that 37565
determination, the court by rule may charge a fee, in addition to 37566
all other court costs, on the filing of each criminal cause, civil 37567
action or proceeding, or judgment by confession. 37568

If the municipal court offers a special program or service in cases of a specific type, the municipal court by rule may assess an additional charge in a case of that type, over and above court costs, to cover the special program or service. The municipal court shall adjust the special assessment periodically, but not retroactively, so that the amount assessed in those cases does not exceed the actual cost of providing the service or program.

All moneys collected under division (B) of this section shall be paid to the county treasurer if the court is a county-operated municipal court or to the city treasurer if the court is not a county-operated municipal court for deposit into either a general special projects fund or a fund established for a specific special project. Moneys from a fund of that nature shall be disbursed upon an order of the court in an amount no greater than the actual cost to the court of a project. If a specific fund is terminated because of the discontinuance of a program or service established under division (B) of this section, the municipal court may order that moneys remaining in the fund be transferred to an account established under this division for a similar purpose.

(2) As used in division (B) of this section:

(a) "Criminal cause" means a charge alleging the violation of a statute or ordinance, or subsection of a statute or ordinance, that requires a separate finding of fact or a separate plea before disposition and of which the defendant may be found guilty, whether filed as part of a multiple charge on a single summons, citation, or complaint or as a separate charge on a single summons, citation, or complaint. "Criminal cause" does not include separate violations of the same statute or ordinance, or subsection of the same statute or ordinance, unless each charge is filed on a separate summons, citation, or complaint.

(b) "Civil action or proceeding" means any civil litigation that must be determined by judgment entry.

(C) The municipal court shall collect in all its divisions 37601
except the small claims division the sum of twenty-six dollars as 37602
additional filing fees in each new civil action or proceeding for 37603
the charitable public purpose of providing financial assistance to 37604
legal aid societies that operate within the state and to support 37605
the office of the state public defender. The municipal court shall 37606
collect in its small claims division the sum of eleven dollars as 37607
additional filing fees in each new civil action or proceeding for 37608
the charitable public purpose of providing financial assistance to 37609
legal aid societies that operate within the state and to support 37610
the office of the state public defender. This division does not 37611
apply to any execution on a judgment, proceeding in aid of 37612
execution, or other post-judgment proceeding arising out of a 37613
civil action. The filing fees required to be collected under this 37614
division shall be in addition to any other court costs imposed in 37615
the action or proceeding and shall be collected at the time of the 37616
filing of the action or proceeding. The court shall not waive the 37617
payment of the additional filing fees in a new civil action or 37618
proceeding unless the court waives the advanced payment of all 37619
filing fees in the action or proceeding. All such moneys collected 37620
during a month except for an amount equal to up to one per cent of 37621
those moneys retained to cover administrative costs shall be 37622
transmitted on or before the twentieth day of the following month 37623
by the clerk of the court to the treasurer of state in a manner 37624
prescribed by the treasurer of state or by the Ohio legal 37625
assistance foundation. The treasurer of state shall deposit four 37626
per cent of the funds collected under this division to the credit 37627
of the civil case filing fee fund established under section 120.07 37628
of the Revised Code and ninety-six per cent of the funds collected 37629
under this division to the credit of the legal aid fund 37630
established under section 120.52 of the Revised Code. 37631

37632

The court may retain up to one per cent of the moneys it

37633

collects under this division to cover administrative costs, 37634
including the hiring of any additional personnel necessary to 37635
implement this division. If the court fails to transmit to the 37636
treasurer of state the moneys the court collects under this 37637
division in a manner prescribed by the treasurer of state or by 37638
the Ohio legal assistance foundation, the court shall forfeit the 37639
moneys the court retains under this division to cover 37640
administrative costs, including the hiring of any additional 37641
personnel necessary to implement this division, and shall transmit 37642
to the treasurer of state all moneys collected under this 37643
division, including the forfeited amount retained for 37644
administrative costs, for deposit in the legal aid fund. 37645

(D) In the Cleveland municipal court, reasonable charges for 37646
investigating titles of real estate to be sold or disposed of 37647
under any writ or process of the court may be taxed as part of the 37648
costs. 37649

(E) Under the circumstances described in sections 2969.21 to 37650
2969.27 of the Revised Code, the clerk of the municipal court 37651
shall charge the fees and perform the other duties specified in 37652
those sections. 37653

(F) As used in this section: 37654

(1) "Full day's attendance" means a day on which a witness is 37655
required or requested to be present at an action or proceeding 37656
before and after twelve noon, regardless of whether the witness 37657
actually testifies. 37658

(2) "Half day's attendance" means a day on which a witness is 37659
required or requested to be present at an action or proceeding 37660
either before or after twelve noon, but not both, regardless of 37661
whether the witness actually testifies. 37662

keep a separate account of all receipts and disbursements in civil 38079
and criminal cases, which shall be a permanent public record of 38080
the office. On the expiration of the term of the clerk, the clerk 38081

shall deliver the records to the clerk's successor. The clerk 38082
shall have other powers and duties as are prescribed by rule or 38083
order of the court. 38084

(G) All moneys paid into a municipal court shall be noted on 38085
the record of the case in which they are paid and shall be 38086
deposited in a state or national bank, or a domestic savings and 38087
loan association, as defined in section 1151.01 of the Revised 38088
Code, that is selected by the clerk. Any interest received upon 38089
the deposits shall be paid into the city treasury, except that, in 38090
a county-operated municipal court, the interest shall be paid into 38091
the treasury of the county in which the court is located. 38092

On the first Monday in January of each year, the clerk shall 38093
make a list of the titles of all cases in the court that were 38094
finally determined more than one year past in which there remains 38095
unclaimed in the possession of the clerk any funds, or any part of 38096
a deposit for security of costs not consumed by the costs in the 38097
case. The clerk shall give notice of the moneys to the parties who 38098
are entitled to the moneys or to their attorneys of record. All 38099
the moneys remaining unclaimed on the first day of April of each 38100
year shall be paid by the clerk to the city treasurer, except 38101
that, in a county-operated municipal court, the moneys shall be 38102
paid to the treasurer of the county in which the court is located. 38103
The treasurer shall pay any part of the moneys at any time to the 38104
person who has the right to the moneys upon proper certification 38105
of the clerk. 38106

(H) Deputy clerks of a municipal court other than the Carroll 38107
county municipal court may be appointed by the clerk and shall 38108
receive the compensation, payable in either biweekly installments 38109
or semimonthly installments, as determined by the payroll 38110
administrator, out of the city treasury, that the clerk may 38111
prescribe, except that the compensation of any deputy clerk of a 38112
county-operated municipal court shall be paid out of the treasury 38113

of the county in which the court is located. The judge of the 38114
Carroll county municipal court may appoint deputy clerks for the 38115
court, and the deputy clerks shall receive the compensation, 38116
payable in biweekly installments out of the county treasury, that 38117
the judge may prescribe. Each deputy clerk shall take an oath of 38118
office before entering upon the duties of the deputy clerk's 38119
office and, when so qualified, may perform the duties appertaining 38120
to the office of the clerk. The clerk may require any of the 38121
deputy clerks to give bond of not less than three thousand 38122
dollars, conditioned for the faithful performance of the deputy 38123
clerk's duties. 38124

(I) For the purposes of this section, whenever the population 38125
of the territory of a municipal court falls below one hundred 38126
thousand but not below ninety thousand, and the population of the 38127
territory prior to the most recent regular federal census exceeded 38128
one hundred thousand, the legislative authority of the municipal 38129
corporation may declare, by resolution, that the territory shall 38130
be considered to have a population of at least one hundred 38131
thousand. 38132

(J) The clerk or a deputy clerk shall be in attendance at all 38133
sessions of the municipal court, although not necessarily in the 38134
courtroom, and may administer oaths to witnesses and jurors and 38135
receive verdicts. 38136

Sec. 1907.14. ~~(A)~~ A judge of a county court shall take an 38137
oath of office as provided in section 3.23 of the Revised Code, 38138
the office of judge of a county court is subject to forfeiture, 38139
and a judge may be removed from office, for the causes and by the 38140
procedure provided in sections 3.07 to 3.10 of the Revised Code. 38141

When a judge of a county court is temporarily absent, 38142
incapacitated, or otherwise unavailable, the judge may appoint a 38143
substitute having the qualifications required by section 1907.13 38144

of the Revised Code or may appoint a retired judge of a court of 38145
record in the state who is a qualified elector and a resident of 38146
the county court district. If the judge is unable to make the 38147
appointment, the administrative judge of the county court district 38148
or the administrative judge of the court of common pleas of the 38149
county shall appoint the substitute. The appointee shall serve 38150
during the absence, incapacity, or unavailability of the 38151
incumbent, shall have the jurisdiction and powers conferred upon 38152
the judge of the county court, and shall be styled "acting judge." 38153
During that term of service, the acting judge shall sign all 38154
process and records and perform all acts pertaining to the office 38155
except that of removal and appointment of officers of the court. 38156
All courts shall take judicial notice of the selection and powers 38157
of the acting judge. The incumbent judge shall establish the 38158
amount of the compensation of an acting judge on a per diem, 38159
hourly, or other basis, and the compensation shall not exceed the 38160
per diem compensation paid to the incumbent judge based upon a 38161
work year of one hundred thirty days. The compensation shall be 38162
payable in the same manner as the compensation paid to the 38163
incumbent judge during the same period. 38164

~~(B) The treasurer of a county that, pursuant to division (A)~~ 38165
~~of this section, is required to pay any compensation to which the~~ 38166
~~acting judges, judges, or retired judges described in that~~ 38167
~~division are entitled under division (A)(6) of section 141.04 of~~ 38168
~~the Revised Code, shall submit to the administrative director of~~ 38169
~~the supreme court quarterly requests for reimbursements of the per~~ 38170
~~diem amounts so paid. The reports shall include verifications of~~ 38171
~~the payment of those amounts. The administrative director shall~~ 38172
~~cause reimbursements of those amounts to be issued to the county~~ 38173
~~if the administrative director verifies that those amounts were,~~ 38174
~~in fact, so paid.~~ 38175

Sec. 1907.24. (A) Subject to division (C) of this section, a 38176

county court shall fix and tax fees and costs as follows: 38177

(1) The county court shall require an advance deposit for the 38178
filing of any new civil action or proceeding when required by 38179
division (C) of this section and, in all other cases, shall 38180
establish a schedule of fees and costs to be taxed in any civil or 38181
criminal action or proceeding. 38182

(2) The county court by rule may require an advance deposit 38183
for the filing of a civil action or proceeding and publication 38184
fees as provided in section 2701.09 of the Revised Code. The court 38185
may waive an advance deposit requirement upon the presentation of 38186
an affidavit or other evidence that establishes that a party is 38187
unable to make the requisite deposit. 38188

(3) When a party demands a jury trial in a civil action or 38189
proceeding, the county court may require the party to make an 38190
advance deposit as fixed by rule of court, unless the court 38191
concludes, on the basis of an affidavit or other evidence 38192
presented by the party, that the party is unable to make the 38193
requisite deposit. If a jury is called, the county court shall tax 38194
the fees of a jury as costs. 38195

(4) In a civil or criminal action or proceeding, the county 38196
court shall fix the fees of witnesses in accordance with sections 38197
2335.06 and 2335.08 of the Revised Code. 38198

(5) A county court may tax as part of the costs in a trial of 38199
the cause, in an amount fixed by rule of court, a reasonable 38200
charge for driving, towing, carting, storing, keeping, and 38201
preserving motor vehicles and other personal property recovered or 38202
seized in a proceeding. 38203

(6) The court shall preserve chattel property seized under a 38204
writ or process issued by the court pending final disposition for 38205
the benefit of all interested persons. The court may place the 38206
chattel property in storage when necessary or proper for its 38207

preservation. The custodian of chattel property so stored shall 38208
not be required to part with the possession of the property until 38209
a reasonable charge, to be fixed by the court, is paid. 38210

(7) The county court, as it determines, may refund all 38211
deposits and advance payments of fees and costs, including those 38212
for jurors and summoning jurors, when they have been paid by the 38213
losing party. 38214

(8) The court may tax as part of costs charges for the 38215
publication of legal notices required by statute or order of 38216
court, as provided by section 7.13 of the Revised Code. 38217

(B)(1) The county court may determine that, for the efficient 38218
operation of the court, additional funds are necessary to acquire 38219
and pay for special projects of the court including, but not 38220
limited to, the acquisition of additional facilities or the 38221
rehabilitation of existing facilities, the acquisition of 38222
equipment, the hiring and training of staff, community service 38223
programs, mediation or dispute resolution services, the employment 38224
of magistrates, the training and education of judges, acting 38225
judges, and magistrates, and other related services. Upon that 38226
determination, the court by rule may charge a fee, in addition to 38227
all other court costs, on the filing of each criminal cause, civil 38228
action or proceeding, or judgment by confession. 38229

If the county court offers a special program or service in 38230
cases of a specific type, the county court by rule may assess an 38231
additional charge in a case of that type, over and above court 38232
costs, to cover the special program or service. The county court 38233
shall adjust the special assessment periodically, but not 38234
retroactively, so that the amount assessed in those cases does not 38235
exceed the actual cost of providing the service or program. 38236

All moneys collected under division (B) of this section shall 38237
be paid to the county treasurer for deposit into either a general 38238

special projects fund or a fund established for a specific special 38239
project. Moneys from a fund of that nature shall be disbursed upon 38240
an order of the court in an amount no greater than the actual cost 38241
to the court of a project. If a specific fund is terminated 38242
because of the discontinuance of a program or service established 38243
under division (B) of this section, the county court may order 38244
that moneys remaining in the fund be transferred to an account 38245
established under this division for a similar purpose. 38246

(2) As used in division (B) of this section: 38247

(a) "Criminal cause" means a charge alleging the violation of 38248
a statute or ordinance, or subsection of a statute or ordinance, 38249
that requires a separate finding of fact or a separate plea before 38250
disposition and of which the defendant may be found guilty, 38251
whether filed as part of a multiple charge on a single summons, 38252
citation, or complaint or as a separate charge on a single 38253
summons, citation, or complaint. "Criminal cause" does not include 38254
separate violations of the same statute or ordinance, or 38255
subsection of the same statute or ordinance, unless each charge is 38256
filed on a separate summons, citation, or complaint. 38257

(b) "Civil action or proceeding" means any civil litigation 38258
that must be determined by judgment entry. 38259

(C) Subject to division (E) of this section, the county court 38260
shall collect in all its divisions except the small claims 38261
division the sum of twenty-six dollars as additional filing fees 38262
in each new civil action or proceeding for the charitable public 38263
purpose of providing financial assistance to legal aid societies 38264
that operate within the state and to support the office of the 38265
state public defender. Subject to division (E) of this section, 38266
the county court shall collect in its small claims division the 38267
sum of eleven dollars as additional filing fees in each new civil 38268
action or proceeding for the charitable public purpose of 38269
providing financial assistance to legal aid societies that operate 38270

within the state and to support the office of the state public 38271
defender. This division does not apply to any execution on a 38272
judgment, proceeding in aid of execution, or other post-judgment 38273
proceeding arising out of a civil action. The filing fees required 38274
to be collected under this division shall be in addition to any 38275
other court costs imposed in the action or proceeding and shall be 38276
collected at the time of the filing of the action or proceeding. 38277
The court shall not waive the payment of the additional filing 38278
fees in a new civil action or proceeding unless the court waives 38279
the advanced payment of all filing fees in the action or 38280
proceeding. All such moneys collected during a month except for an 38281
amount equal to up to one per cent of those moneys retained to 38282
cover administrative costs shall be transmitted on or before the 38283
twentieth day of the following month by the clerk of the court to 38284
the treasurer of state in a manner prescribed by the treasurer of 38285
state or by the Ohio legal assistance foundation. The treasurer of 38286
state shall deposit four per cent of the funds collected under 38287
this division to the credit of the civil case filing fee fund 38288
established under section 120.07 of the Revised Code and 38289
ninety-six per cent of the funds collected under this division to 38290
the credit of the legal aid fund established under section 120.52 38291
of the Revised Code. 38292

The court may retain up to one per cent of the moneys it 38293
collects under this division to cover administrative costs, 38294
including the hiring of any additional personnel necessary to 38295
implement this division. If the court fails to transmit to the 38296
treasurer of state the moneys the court collects under this 38297
division in a manner prescribed by the treasurer of state or by 38298
the Ohio legal assistance foundation, the court shall forfeit the 38299
moneys the court retains under this division to cover 38300
administrative costs, including the hiring of any additional 38301
personnel necessary to implement this division, and shall transmit 38302
to the treasurer of state all moneys collected under this 38303

division, including the forfeited amount retained for 38304
administrative costs, for deposit in the legal aid fund. 38305

(D) The county court shall establish by rule a schedule of 38306
fees for miscellaneous services performed by the county court or 38307
any of its judges in accordance with law. If judges of the court 38308
of common pleas perform similar services, the fees prescribed in 38309
the schedule shall not exceed the fees for those services 38310
prescribed by the court of common pleas. 38311

(E) Under the circumstances described in sections 2969.21 to 38312
2969.27 of the Revised Code, the clerk of the county court shall 38313
charge the fees and perform the other duties specified in those 38314
sections. 38315

Sec. 2101.01. (A) A probate division of the court of common 38316
pleas shall be held at the county seat in each county in an office 38317
furnished by the board of county commissioners, in which the 38318
books, records, and papers pertaining to the probate division 38319
shall be deposited and safely kept by the probate judge. The board 38320
shall provide suitable cases or other necessary items for the 38321
safekeeping and preservation of the books, records, and papers of 38322
the court and shall furnish any blankbooks, blanks, and 38323
stationery, and any machines, equipment, and materials for the 38324
keeping or examining of records, that the probate judge requires 38325
in the discharge of official duties. The board also shall 38326
authorize expenditures for accountants, financial consultants, and 38327
other agents required for auditing or financial consulting by the 38328
probate division whenever the probate judge considers these 38329
services and expenditures necessary for the efficient performance 38330
of the division's duties. The probate judge shall employ and 38331
supervise all clerks, deputies, magistrates, and other employees 38332
of the probate division. The probate judge shall supervise all 38333
probate court investigators and assessors in the performance of 38334

their duties as investigators and assessors and shall employ, 38335
appoint, or designate all probate court investigators and 38336
assessors in the manner described in divisions (A)(2) and (3) of 38337
section 2101.11 of the Revised Code. 38338

2743.65 of the Revised Code for assisting a claimant with an 40793
application for an award of reparations under sections 2743.51 to 40794

this division does not apply to an attorney who is an employee of 40801

for each family member and shall not exceed in the aggregate the 40871

(C) A person may seek relief under this section for the 41061

order, including a description of the nature and extent of the 41070
violation; 41071

(2) If the petitioner seeks relief in the form of electronic 41072
monitoring of the respondent, an allegation that at any time 41073
preceding the filing of the petition the respondent engaged in 41074
conduct that would cause a reasonable person to believe that the 41075
health, welfare, or safety of the person to be protected was at 41076
risk, a description of the nature and extent of that conduct, and 41077
an allegation that the respondent presents a continuing danger to 41078
the person to be protected; 41079

(3) A request for relief under this section. 41080

(D)(1) If a person who files a petition pursuant to this 41081
section requests an ex parte order, the court shall hold an ex 41082
parte hearing as soon as possible after the petition is filed, but 41083
not later than the next day that the court is in session after the 41084
petition is filed. The court, for good cause shown at the ex parte 41085
hearing, may enter any temporary orders, with or without bond, 41086
that the court finds necessary for the safety and protection of 41087
the person to be protected by the order. Immediate and present 41088
danger to the person to be protected by the protection order 41089
constitutes good cause for purposes of this section. Immediate and 41090
present danger includes, but is not limited to, situations in 41091
which the respondent has threatened the person to be protected by 41092
the protection order with bodily harm or in which the respondent 41093
previously has been convicted of or pleaded guilty to a violation 41094
of section 2903.211 of the Revised Code or a sexually oriented 41095
offense against the person to be protected by the protection 41096
order. 41097

(2)(a) If the court, after an ex parte hearing, issues a 41098
protection order described in division (E) of this section, the 41099

court shall schedule a full hearing for a date that is within ten 41100
court days after the ex parte hearing. The court shall give the 41101
respondent notice of, and an opportunity to be heard at, the full 41102
hearing. The court shall hold the full hearing on the date 41103
scheduled under this division unless the court grants a 41104
continuance of the hearing in accordance with this division. Under 41105
any of the following circumstances or for any of the following 41106
reasons, the court may grant a continuance of the full hearing to 41107
a reasonable time determined by the court: 41108

(i) Prior to the date scheduled for the full hearing under 41109
this division, the respondent has not been served with the 41110
petition filed pursuant to this section and notice of the full 41111
hearing. 41112

(ii) The parties consent to the continuance. 41113

(iii) The continuance is needed to allow a party to obtain 41114
counsel. 41115

(iv) The continuance is needed for other good cause. 41116

(b) An ex parte order issued under this section does not 41117
expire because of a failure to serve notice of the full hearing 41118
upon the respondent before the date set for the full hearing under 41119
division (D)(2)(a) of this section or because the court grants a 41120
continuance under that division. 41121

(3) If a person who files a petition pursuant to this section 41122
does not request an ex parte order, or if a person requests an ex 41123
parte order but the court does not issue an ex parte order after 41124
an ex parte hearing, the court shall proceed as in a normal civil 41125
action and grant a full hearing on the matter. 41126

(E)(1)(a) After an ex parte or full hearing, the court may 41127
issue any protection order, with or without bond, that contains 41128
terms designed to ensure the safety and protection of the person 41129
to be protected by the protection order, including, but not 41130

limited to, a requirement that the respondent refrain from 41131
entering the residence, school, business, or place of employment 41132
of the petitioner or family or household member. If the court 41133
includes a requirement that the respondent refrain from entering 41134
the residence, school, business, or place of employment of the 41135
petitioner or family or household member in the order, it also 41136
shall include in the order provisions of the type described in 41137
division (E)(5) of this section. 41138

(b) After a full hearing, if the court considering a petition 41139
that includes an allegation of the type described in division 41140
(C)(2) of this section, or the court upon its own motion, finds 41141
upon clear and convincing evidence that the petitioner reasonably 41142
believed that the respondent's conduct at any time preceding the 41143
filing of the petition endangered the health, welfare, or safety 41144
of the person to be protected and that the respondent presents a 41145
continuing danger to the person to be protected, the court may 41146
order that the respondent be electronically monitored for a period 41147
of time and under the terms and conditions that the court 41148
determines are appropriate. Electronic monitoring shall be in 41149
addition to any other relief granted to the petitioner. 41150

(2)(a) Any protection order issued pursuant to this section 41151
shall be valid until a date certain but not later than five years 41152
from the date of its issuance. 41153

(b) Any protection order issued pursuant to this section may 41154
be renewed in the same manner as the original order was issued. 41155

(3) A court may not issue a protection order that requires a 41156
petitioner to do or to refrain from doing an act that the court 41157
may require a respondent to do or to refrain from doing under 41158
division (E)(1) of this section unless all of the following apply: 41159

(a) The respondent files a separate petition for a protection 41160
order in accordance with this section. 41161

(b) The petitioner is served with notice of the respondent's petition at least forty-eight hours before the court holds a hearing with respect to the respondent's petition, or the petitioner waives the right to receive this notice.

(c) If the petitioner has requested an ex parte order pursuant to division (D) of this section, the court does not delay any hearing required by that division beyond the time specified in that division in order to consolidate the hearing with a hearing on the petition filed by the respondent.

(d) After a full hearing at which the respondent presents evidence in support of the request for a protection order and the petitioner is afforded an opportunity to defend against that evidence, the court determines that the petitioner has committed a violation of section 2903.211 of the Revised Code against the person to be protected by the protection order issued pursuant to this section, has committed a sexually oriented offense against the person to be protected by the protection order, or has violated a protection order issued pursuant to section 2903.213 of the Revised Code relative to the person to be protected by the protection order issued pursuant to this section.

(4) No protection order issued pursuant to this section shall in any manner affect title to any real property.

(5)(a) If the court issues a protection order under this section that includes a requirement that the alleged offender refrain from entering the residence, school, business, or place of employment of the petitioner or a family or household member, the order shall clearly state that the order cannot be waived or nullified by an invitation to the alleged offender from the complainant to enter the residence, school, business, or place of employment or by the alleged offender's entry into one of those places otherwise upon the consent of the petitioner or family or household member.

(b) Division (E)(5)(a) of this section does not limit any 41194
discretion of a court to determine that an alleged offender 41195
charged with a violation of section 2919.27 of the Revised Code, 41196
with a violation of a municipal ordinance substantially equivalent 41197
to that section, or with contempt of court, which charge is based 41198

section, did not commit the violation or was not in contempt of 41200
court. 41201

(F)(1) The court shall cause the delivery of a copy of any 41202
protection order that is issued under this section to the 41203
petitioner, to the respondent, and to all law enforcement agencies 41204
that have jurisdiction to enforce the order. The court shall 41205
direct that a copy of the order be delivered to the respondent on 41206
the same day that the order is entered. 41207

(2) Upon the issuance of a protection order under this 41208
section, the court shall provide the parties to the order with the 41209
following notice orally or by form: 41210

"NOTICE 41211

As a result of this order, it may be unlawful for you to 41212
possess or purchase a firearm, including a rifle, pistol, or 41213
revolver, or ammunition pursuant to federal law under 18 U.S.C. 41214
922(g)(8). If you have any questions whether this law makes it 41215
illegal for you to possess or purchase a firearm or ammunition, 41216
you should consult an attorney." 41217

(3) All law enforcement agencies shall establish and maintain 41218
an index for the protection orders delivered to the agencies 41219
pursuant to division (F)(1) of this section. With respect to each 41220
order delivered, each agency shall note on the index the date and 41221
time that it received the order. 41222

(4) Regardless of whether the petitioner has registered the 41223
protection order in the county in which the officer's agency has 41224

jurisdiction pursuant to division (M) of this section, any officer 41225
of a law enforcement agency shall enforce a protection order 41226

accordance with the provisions of the order, including removing 41228
the respondent from the premises, if appropriate. 41229

(G) Any proceeding under this section shall be conducted in 41230
accordance with the Rules of Civil Procedure, except that a 41231
protection order may be obtained under this section with or 41232
without bond. An order issued under this section, other than an ex 41233
parte order, that grants a protection order, or that refuses to 41234
grant a protection order, is a final, appealable order. The 41235
remedies and procedures provided in this section are in addition 41236
to, and not in lieu of, any other available civil or criminal 41237
remedies. 41238

(H) The filing of proceedings under this section does not 41239
excuse a person from filing any report or giving any notice 41240
required by section 2151.421 of the Revised Code or by any other 41241
law. 41242

(I) Any law enforcement agency that investigates an alleged 41243
violation of section 2903.211 of the Revised Code or an alleged 41244

the victim regarding the relief available under this section and 41247
section 2903.213 of the Revised Code. 41248

(J) Notwithstanding any provision of law to the contrary and 41249

agreement is approved by a court of another county or by a court 41251
of another state, no court or unit of state or local government 41252
shall charge any fee, cost, deposit, or money in connection with 41253

this section is subject to the following sanctions: 41259

constitutes a violation of that section; 41262

(b) Punishment for contempt of court. 41263

(2) The punishment of a person for contempt of court for 41264
violation of a protection order issued under this section does not 41265
bar criminal prosecution of the person for a violation of section 41266
2919.27 of the Revised Code. However, a person punished for 41267
contempt of court is entitled to credit for the punishment imposed 41268
upon conviction of a violation of that section, and a person 41269
convicted of a violation of that section shall not subsequently be 41270
punished for contempt of court arising out of the same activity. 41271

section 2919.272 of the Revised Code and filing a copy of the 41286
registered order with a law enforcement agency in that county. 41287

(2) A petitioner may register a protection order issued 41288
pursuant to this section or section 2903.213 of the Revised Code 41289
in a county other than the county in which the court that issued 41290
the order is located in the following manner: 41291

(a) The petitioner shall obtain a certified copy of the order 41292
from the clerk of the court that issued the order and present that 41293
certified copy to the clerk of the court of common pleas or the 41294
clerk of a municipal court or county court in the county in which 41295
the order is to be registered. 41296

(b) Upon accepting the certified copy of the order for 41297
registration, the clerk of the court of common pleas, municipal 41298
court, or county court shall place an endorsement of registration 41299

respondent. Unless the court determines that the respondent is 41311
indigent, the court shall order the respondent to pay the cost of 41312
the installation and monitoring of the electronic monitoring 41313
device. If the court determines that the respondent is indigent, 41314

(3) If the sheriff with whom an application for a license to 42722
carry a concealed handgun was filed under this section becomes 42723

charged with an offense that would disqualify the applicant from 42725
holding the license, the sheriff shall suspend the processing of 42726
the application until the disposition of the case arising from the 42727
arrest or charge. 42728

(4) If the sheriff determines that the applicant is legally 42729
living in the United States and is a resident of the county in 42730
which the applicant seeks the license or of an adjacent county but 42731
does not yet meet the residency requirements described in division 42732
(D)(1)(a) of this section, the sheriff shall not deny the license 42733
because of the residency requirements but shall not issue the 42734

to an offense identified in division (D)(1)(e), (f), or (h) of 42737
this section or has been adjudicated a delinquent child for 42738
committing an act or violation identified in any of those 42739

of the records of that conviction, guilty plea, or adjudication 42741
pursuant to sections 2151.355 to 2151.358 or sections 2953.31 to 42742
2953.36 of the Revised Code or a court has granted the applicant 42743

relief pursuant to section 2923.14 of the Revised Code from the 42744
disability imposed pursuant to section 2923.13 of the Revised Code 42745
relative to that conviction, guilty plea, or adjudication, the 42746
sheriff with whom the application was submitted shall not consider 42747
the conviction, guilty plea, or adjudication in making a 42748
determination under division (D)(1) or (F) of this section or, in 42749
relation to an application for a temporary emergency license to 42750

Revised Code, in making a determination under division (B)(2) of 42752
that section. 42753

(E) If a license to carry a concealed handgun issued under 42754
this section is lost or is destroyed, the licensee may obtain from 42755
the sheriff who issued that license a duplicate license upon the 42756
payment of a fee of fifteen dollars and the submission of an 42757
affidavit attesting to the loss or destruction of the license. The 42758
sheriff, in accordance with the procedures prescribed in section 42759
109.731 of the Revised Code, shall place on the replacement 42760
license a combination of identifying numbers different from the 42761
combination on the license that is being replaced. 42762

(F)(1) A licensee who wishes to renew a license to carry a 42763
concealed handgun issued under this section shall do so not 42764
earlier than ninety days before the expiration date of the license 42765
or at any time after the expiration date of the license by filing 42766
with the sheriff of the county in which the applicant resides or 42767
with the sheriff of an adjacent county an application for renewal 42768
of the license obtained pursuant to division (D) of this section, 42769
a certification by the applicant that, subsequent to the issuance 42770
of the license, the applicant has reread the pamphlet prepared by 42771
the Ohio peace officer training commission pursuant to section 42772
109.731 of the Revised Code that reviews firearms, dispute 42773
resolution, and use of deadly force matters, a nonrefundable 42774
license renewal fee in an amount determined pursuant to division 42775

(F)(4) of this section unless the fee is waived, and one of the following:

(a) If the licensee previously has not renewed a license to carry a concealed handgun issued under this section, proof that the licensee at one time had a competency certification of the type described in division (B)(3) of this section. A valid license, expired license, or any other previously issued license that has not been revoked is prima-facie evidence that the licensee at one time had a competency certification of the type described in division (B)(3) of this section.

(b) If the licensee previously has renewed a license to carry a concealed handgun issued under this section, a renewed competency certification of the type described in division (G)(4) of this section.

The sheriff shall renew the license if the sheriff determines that the applicant continues to satisfy the requirements described in division (D)(1) of this section, except that the applicant is not required to meet the requirements of division (D)(1)(1) of this section. A renewed license that is renewed on or after March 14,

2007, shall expire five years after the date of issuance, and a renewed license that is renewed prior to March 14, 2007, shall expire four years after the date of issuance. A renewed license is subject to division (E) of this section and sections 2923.126 and 2923.128 of the Revised Code. A sheriff shall comply with divisions (D)(2) to (4) of this section when the circumstances described in those divisions apply to a requested license renewal. If a sheriff denies the renewal of a license to carry a concealed handgun, the applicant may appeal the denial, or challenge the criminal record check results that were the basis of the denial if applicable, in the same manner as specified in division (D)(2)(b) of this section and in section 2923.127 of the Revised Code, regarding the denial of a license under this section.

(3) A renewal application submitted pursuant to division (F) of this section shall only require the licensee to list on the application form information and matters occurring since the date of the licensee's last application for a license pursuant to division (B) or (F) of this section. (B)(2) of this section; 44494

(b) Send the amount deducted to the office of child support 44495

any arrearages that may be owed by the obligor under any prior 44505
support order that pertained to the same child or spouse, 44506
notwithstanding the limitations of sections 2329.66, 2329.70, and 44507
2716.13 of the Revised Code. 44508

(2) A court or agency that imposes a deduction requirement 44509

shall, within the applicable period of time specified in section 44510
3119.80, 3119.81, 3121.035, or 3123.06 of the Revised Code, send 44511
to the financial institution by regular mail or via secure 44512
federally managed data transmission interface a notice that 44513
contains all of the information applicable to deduction notices 44514
set forth in section 3121.037 of the Revised Code. The notice is 44515
final and is enforceable by the court. 44516

(C) With respect to any court support order it issues, a 44517
court may issue an order requiring the obligor to enter into a 44518
cash bond with the court. The court shall issue the order as part 44519
of the court support order or, if the court support order has 44520
previously been issued, as a separate order. The cash bond shall 44521
be in a sum fixed by the court at not less than five hundred nor 44522
more than ten thousand dollars, conditioned that the obligor will 44523
make payment as previously ordered and will pay any arrearages 44524
under any prior court support order that pertained to the same 44525
child or spouse. 44526

The order, along with an additional order requiring the 44527
obligor to immediately notify the child support enforcement 44528
agency, in writing, if the obligor begins to receive income from a 44529
payor, shall be attached to and served on the obligor at the same 44530
time as service of the court support order or, if the court 44531
support order has previously been issued, as soon as possible 44532
after the issuance of the order under this section. The additional 44533
order requiring notice by the obligor shall state all of the 44534
following: 44535

(1) That when the obligor begins to receive income from a 44536
payor the obligor may request that the court cancel its bond order 44537
and instead issue a notice requiring the withholding of an amount 44538
from income for support in accordance with this section; 44539

(2) That when the obligor begins to receive income from a 44540
payor the court will proceed to collect on the bond if the court 44541

determines that payments due under the court support order have 44542
not been made and that the amount that has not been paid is at 44543
least equal to the support owed for one month under the court 44544
support order and will issue a notice requiring the withholding of 44545
an amount from income for support in accordance with this section. 44546
The notice required of the obligor shall include a description of 44547
the nature of any new employment, the name and business address of 44548
any new employer, and any other information reasonably required by 44549
the court. 44550

The court shall not order an obligor to post a cash bond 44551
under this section unless the court determines that the obligor 44552
has the ability to do so. 44553

A child support enforcement agency may not issue a cash bond 44554
order. If a child support enforcement agency is required to issue 44555
a withholding or deduction notice under this section with respect 44556
to a court support order but the agency determines that no 44557
withholding or deduction notice would be appropriate, the agency 44558
may request that the court issue a cash bond order under this 44559
section, and upon the request, the court may issue the order. 44560

(D)(1) If the obligor under a court support order is 44561
unemployed, has no income, and does not have an account at any 44562
financial institution, or on request of a child support 44563
enforcement agency under division (D)(1) or (2) of this section, 44564
the court shall issue an order requiring the obligor, if able to 44565
engage in employment, to seek employment or participate in a work 44566
activity to which a recipient of assistance under Title IV-A of 44567
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 44568
as amended, may be assigned as specified in section 407(d) of the 44569
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 44570
shall include in the order a requirement that the obligor notify 44571
the child support enforcement agency on obtaining employment, 44572
obtaining any income, or obtaining ownership of any asset with a 44573

value of five hundred dollars or more. The court may issue the order regardless of whether the obligee to whom the obligor owes support is a recipient of assistance under Title IV-A of the "Social Security Act." The court shall issue the order as part of a court support order or, if a court support order has previously been issued, as a separate order. If a child support enforcement agency is required to issue a withholding or deduction notice under this section with respect to a court support order but determines that no withholding or deduction notice would be appropriate, the agency may request that the court issue a court order under division (D)(1) of this section, and, on the request, the court may issue the order.

(2) If the obligor under an administrative child support order is unemployed, has no income, and does not have an account at any financial institution, the agency shall issue an administrative order requiring the obligor, if able to engage in employment, to seek employment or participate in a work activity to which a recipient of assistance under Title IV-A of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, may be assigned as specified in section 407(d) of the "Social Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall include in the order a requirement that the obligor notify the agency on obtaining employment or income, or ownership of any asset with a value of five hundred dollars or more. The agency may issue the order regardless of whether the obligee to whom the obligor owes support is a recipient of assistance under Title IV-A of the "Social Security Act." If an obligor fails to comply with an administrative order issued pursuant to division (D)(2) of this section, the agency shall submit a request to a court for the court to issue an order under division (D)(1) of this section.

~~any test~~ an assessment administered under this section or make up 45722

3317.20 of the Revised Code, at no time shall the state board or 46252
the department have access to information that would enable any 46253
data verification code to be matched to personally identifiable 46254
student data. 46255

Each school district shall ensure that the data verification 46256
code is included in the student's records reported to any 46257
subsequent school district or community school in which the 46258

reports other than that described in divisions (A), (B), and (C) 46268
of this section for the purpose of complying with other reporting 46269
requirements established in the Revised Code. The other data, 46270
information, or reports may be maintained in the education 46271
management information system but are not required to be compiled 46272

and each school building within each district and shall compile 46286
the data in accordance with these formats. These profile formats 46287

procedures it adopts, annually prepare a statewide report for all 46296
school districts and the general public that includes the profile 46297
of each of the school districts developed pursuant to division (G) 46298
of this section. Copies of the report shall be sent to each school 46299

(2) The state board shall, in accordance with the procedures 46301
it adopts, annually prepare an individual report for each school 46302
district and the general public that includes the profiles of each 46303

to division (G) of this section. Copies of the report shall be 46305
sent to the superintendent of the district and to each member of 46306
the district board of education. 46307

(3) Copies of the reports received from the state board under 46308
divisions (H)(1) and (2) of this section shall be made available 46309
to the general public at each school district's offices. Each 46310
district board of education shall make copies of each report 46311
available to any person upon request and payment of a reasonable 46312

fee for the cost of reproducing the report. The board shall 46313
annually publish in a newspaper of general circulation in the 46314
school district, at least twice during the two weeks prior to the 46315
week in which the reports will first be available, a notice 46316
containing the address where the reports are available and the 46317
date on which the reports will be available. 46318

(I) Any data that is collected or maintained pursuant to this 46319
section and that identifies an individual pupil is not a public 46320
record for the purposes of section 149.43 of the Revised Code. 46321

(J) As used in this section: 46322

(1) "School district" means any city, local, exempted 46323
village, or joint vocational school district and, in accordance 46324
with section 3314.17 of the Revised Code, any community school. As 46325

the Revised Code. 46334

(K) Any person who removes data from the information system 46335
established under this section for the purpose of releasing it to 46336
any person not entitled under law to have access to such 46337
information is subject to section 2913.42 of the Revised Code 46338
prohibiting tampering with data. 46339

(L)(1) In accordance with division (L)(2) of this section and 46340
the rules adopted under division (L)(10) of this section, the 46341
department of education may sanction any school district that 46342
reports incomplete or inaccurate data, reports data that does not 46343

conform to data requirements and descriptions published by the 46344
department, fails to report data in a timely manner, or otherwise 46345
does not make a good faith effort to report data as required by 46346
this section. 46347

(2) If the department decides to sanction a school district 46348
under this division, the department shall take the following 46349
sequential actions: 46350

(a) Notify the district in writing that the department has 46351
determined that data has not been reported as required under this 46352
section and require the district to review its data submission and 46353
submit corrected data by a deadline established by the department. 46354
The department also may require the district to develop a 46355

require the district to develop a corrective action plan in 46362
accordance with that division; 46363

(c) Withhold an additional amount of up to twenty per cent of 46364
the total amount of state funds due to the district for the 46365
current fiscal year; 46366

(d) Direct department staff or an outside entity to 46367
investigate the district's data reporting practices and make 46368

include one or more of the following actions: 46370

(i) Arrange for an audit of the district's data reporting 46371
practices by department staff or an outside entity; 46372

(ii) Conduct a site visit and evaluation of the district; 46373

(viii) If the district is issued a report card under section 3302.03 of the Revised Code and incomplete or inaccurate data submitted by the district likely caused the district to receive a higher performance rating than it deserved under that section, issue a revised report card for the district;	46387 46388 46389 46390 46391
(ix) Any other action designed to correct the district's data reporting problems.	46392 46393

the department withheld funding under division (L)(2)(c) of this 46406
section, the department shall not release the funds withheld under 46407

(5) Notwithstanding anything in this section to the contrary, 46412
the department may use its own staff or an outside entity to 46413
conduct an audit of a school district's data reporting practices 46414
any time the department has reason to believe the district has not 46415
made a good faith effort to report data as required by this 46416
section. If any audit conducted by an outside entity under 46417
division (L)(2)(d)(i) or (5) of this section confirms that a 46418
district has not made a good faith effort to report data as 46419
required by this section, the district shall reimburse the 46420
department for the full cost of the audit. The department may 46421
withhold state funds due to the district for this purpose. 46422

(6) Prior to issuing a revised report card for a school 46423
district under division (L)(2)(d)(viii) of this section, the 46424
department may hold a hearing to provide the district with an 46425
opportunity to demonstrate that it made a good faith effort to 46426
report data as required by this section. The hearing shall be 46427
conducted by a referee appointed by the department. Based on the 46428
information provided in the hearing, the referee shall recommend 46429
whether the department should issue a revised report card for the 46430
district. If the referee affirms the department's contention that 46431
the district did not make a good faith effort to report data as 46432
required by this section, the district shall bear the full cost of 46433
conducting the hearing and of issuing any revised report card. 46434

(7) If the department determines that any inaccurate data 46435

reported under this section caused a school district to receive 46436
excess state funds in any fiscal year, the district shall 46437
reimburse the department an amount equal to the excess funds, in 46438
accordance with a payment schedule determined by the department. 46439
The department may withhold state funds due to the district for 46440
this purpose. 46441

division (L)(2) of this section may appeal the withholding in 46443
accordance with Chapter 119. of the Revised Code. 46444

(9) In all cases of a disagreement between the department and 46445
a school district regarding the appropriateness of an action taken 46446
under division (L)(2) of this section, the burden of proof shall 46447
be on the district to demonstrate that it made a good faith effort 46448
to report data as required by this section. 46449

(10) The state board of education shall adopt rules under 46450
Chapter 119. of the Revised Code to implement division (L) of this 46451
section. 46452

(M) No information technology center or school district shall 46453
acquire, change, or update its student administration software 46454
package to manage and report data required to be reported to the 46455
department unless it converts to a student software package that 46456
is certified by the department. 46457

(N) The state board of education, in accordance with sections 46458
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 46459
license as defined under division (A) of section 3319.31 of the 46460
Revised Code that has been issued to any school district employee 46461
found to have willfully reported erroneous, inaccurate, or 46462
incomplete data to the education management information system. 46463

(O) No person shall release or maintain any information about 46464
any student in violation of this section. Whoever violates this 46465
division is guilty of a misdemeanor of the fourth degree. 46466

(P) The department shall disaggregate the data collected 46467
under division (B)(1)~~(e)~~(n) of this section according to the race 46468
and socioeconomic status of the students assessed. No data 46469
collected under that division shall be included on the report 46470
cards required by section 3302.03 of the Revised Code. 46471

(Q) If the department cannot compile any of the information 46472
required by division (C)(5) of section 3302.03 of the Revised Code 46473
based upon the data collected under this section, the department 46474
shall develop a plan and a reasonable timeline for the collection 46475
of any data necessary to comply with that division. 46476

(D) Each district board shall provide intervention services 46524
to students whose diagnostic assessments show that they are 46525
failing to make satisfactory progress toward attaining the 46526
academic standards for their grade level. 46527

(E) Any district that made adequate yearly progress in the 46528

immediately preceding school year may assess student progress in 46529
grades one through three using a diagnostic assessment other than 46530

disabilities based on the student's current individualized 47195
education program (IEP); and 2) in compliance with the 47196
requirements of Section 504 of the Rehabilitation Act, 29 U.S.C. 47197

accommodations and modifications to address the needs of incoming 47200
students with disabilities, subject to an existing Section 504 or 47201
Title II Plan, to provide the student with equal access to 47202
education. This does not preclude the school in the receiving 47203
state from performing subsequent evaluations to ensure appropriate 47204
placement of the student. 47205

D. Placement flexibility - Local education agency 47206
administrative officials shall have flexibility in waiving course 47207
or program prerequisites, or other preconditions for placement in 47208
courses or programs offered under the jurisdiction of the local 47209

to duty for, is on leave from, or immediately returned from 47214
deployment to a combat zone or combat support posting, shall be 47215
granted additional excused absences at the discretion of the local 47216

parent or guardian. 47219

of a child of a military family and executed under applicable law 47223
shall be sufficient for the purposes of enrollment and all other 47224
actions requiring parental participation and consent. 47225

2. A local education agency shall be prohibited from charging 47226
local tuition to a transitioning military child placed in the care 47227
of a noncustodial parent or other person standing in loco parentis 47228
who lives in a jurisdiction other than that of the custodial 47229
parent. 47230

while residing with the custodial parent. 47235

local education agencies shall facilitate the opportunity for 47237
transitioning military children's inclusion in extracurricular 47238
activities, regardless of application deadlines, to the extent 47239
they are otherwise qualified. 47240

military families states and local education agencies shall 47243
incorporate the following procedures: 47244

administrative officials shall waive specific courses required for 47246
graduation if similar coursework has been satisfactorily completed 47247
in another local education agency or shall provide reasonable 47248
justification for denial. Should a waiver not be granted to a 47249
student who would qualify to graduate from the sending school, the 47250
local education agency shall provide an alternative means of 47251
acquiring required coursework so that graduation may occur on 47252
time. 47253

B. Exit exams - States shall accept: 1) exit or end-of-course 47254
exams required for graduation from the sending state; or 2) 47255
national norm-referenced achievement tests; or 3) alternative 47256
testing, in lieu of testing requirements for graduation in the 47257
receiving state. In the event the above alternatives cannot be 47258
accommodated by the receiving state for a student transferring in 47259
his or her Senior year, then the provisions of Article VII, 47260
Section C shall apply. 47261

C. Transfers during Senior year - Should a military student 47262
transferring at the beginning or during the student's Senior year 47263
be ineligible to graduate from the receiving local education 47264
agency after all alternatives have been considered, the sending 47265
and receiving local education agencies shall ensure the receipt of 47266
a diploma from the sending local education agency, if the student 47267
meets the graduation requirements of the sending local education 47268
agency. In the event that one of the states in question is not a 47269
member of this compact, the member state shall use best efforts to 47270
facilitate the on-time graduation of the student in accordance 47271
with Sections A and B of this Article. 47272

2. The Interstate Commission shall defend the executive 47556

within the scope of Interstate Commission employment, duties, or 47577
responsibilities, provided that the actual or alleged act, error, 47578
or omission did not result from intentional or willful and wanton 47579
misconduct on the part of such persons. 47580

ARTICLE XII. RULEMAKING FUNCTIONS OF THE INTERSTATE 47581

COMMISSION 47582

A. Rulemaking Authority - The Interstate Commission shall 47583
promulgate reasonable rules in order to effectively and 47584

the foregoing, in the event the Interstate Commission exercises 47586
its rulemaking authority in a manner that is beyond the scope of 47587
the purposes of this act, or the powers granted hereunder, then 47588
such an action by the Interstate Commission shall be invalid and 47589
have no force or effect. 47590

B. Rulemaking Procedure - Rules shall be made pursuant to a 47591
rulemaking process that substantially conforms to the "Model State 47592
Administrative Procedure Act," of 1981 Act, Uniform Laws 47593
Annotated, Vol. 15, p.1 (2000) as amended, as may be appropriate 47594
to the operations of the Interstate Commission. 47595

C. Not later than thirty days after a rule is promulgated, 47596
any person may file a petition for judicial review of the rule; 47597
provided, that the filing of such a petition shall not stay or 47598
otherwise prevent the rule from becoming effective unless the 47599
court finds that the petitioner has a substantial likelihood of 47600
success. The court shall give deference to the actions of the 47601
Interstate Commission consistent with applicable law and shall not 47602
find the rule to be unlawful if the rule represents a reasonable 47603
exercise of the Interstate Commission's authority. 47604

D. If a majority of the legislatures of the compacting states 47605
rejects a rule by enactment of a statute or resolution in the same 47606
manner used to adopt the compact, then such rule shall have no 47607
further force and effect in any compacting state. 47608

ARTICLE XIII. OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION 47609

A. Oversight 47610

1. The executive, legislative, and judicial branches of state 47611
government in each member state shall enforce this compact and 47612

shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law. 47613
47614
47615
47616

2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the Interstate Commission. 47617
47618
47619
47620
47621

3. The Interstate Commission shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes. Failure to provide service of process to the Interstate Commission shall render a judgment or order void as to the Interstate Commission, this compact or promulgated rules. 47622
47623
47624
47625
47626
47627

B. Default, Technical Assistance, Suspension, and Termination - If the Interstate Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact, or the bylaws or promulgated rules, the Interstate Commission shall: 47628
47629
47630
47631
47632

1. Provide written notice to the defaulting state and other member states, of the nature of the default, the means of curing the default and any action taken by the Interstate Commission. The Interstate Commission shall specify the conditions by which the defaulting state must cure its default. 47633
47634
47635
47636
47637

2. Provide remedial training and specific technical assistance regarding the default. 47638

47641
47642
47643

default does not relieve the offending state of obligations or 47645
liabilities incurred during the period of the default. 47646

4. Suspension or termination of membership in the compact 47647
shall be imposed only after all other means of securing compliance 47648
have been exhausted. Notice of intent to suspend or terminate 47649
shall be given by the Interstate Commission to the governor, the 47650
majority and minority leaders of the defaulting state's 47651
legislature, and each of the member states. 47652

5. The state which has been suspended or terminated is 47653
responsible for all assessments, obligations and liabilities 47654
incurred through the effective date of suspension or termination 47655
including obligations, the performance of which extends beyond the 47656
effective date of suspension or termination. 47657

6. The Interstate Commission shall not bear any costs 47658
relating to any state that has been found to be in default or 47659
which has been suspended or terminated from the compact, unless 47660
otherwise mutually agreed upon in writing between the Interstate 47661
Commission and the defaulting state. 47662

7. The defaulting state may appeal the action of the 47663
Interstate Commission by petitioning the United States District 47664
Court for the District of Columbia or the federal district where 47665
the Interstate Commission has its principal offices. The 47666

of a member state, to resolve disputes which are subject to the 47671
compact and which may arise among member states and between member 47672
and nonmember states. 47673

2. The Interstate Commission shall promulgate a rule 47674

providing for both mediation and binding dispute resolution for 47675
disputes as appropriate. 47676

D. Enforcement 47677

1. The Interstate Commission, in the reasonable exercise of 47678
its discretion, shall enforce the provisions and rules of this 47679
compact. 47680

2. The Interstate Commission, may by majority vote of the 47681
members, initiate legal action in the United States District Court 47682
for the District of Columbia or, at the discretion of the 47683
Interstate Commission, in the federal district where the 47684
Interstate Commission has its principal offices, to enforce 47685
compliance with the provisions of the compact, its promulgated 47686
rules and bylaws, against a member state in default. The relief 47687
sought may include both injunctive relief and damages. In the 47688
event judicial enforcement is necessary the prevailing party shall 47689
be awarded all costs of such litigation including reasonable 47690
attorney's fees. 47691

3. The remedies herein shall not be the exclusive remedies of 47692
the Interstate Commission. The Interstate Commission may avail 47693
itself of any other remedies available under state law or the 47694
regulation of a profession. 47695

ARTICLE XIV. FINANCING OF THE INTERSTATE COMMISSION 47696

A. The Interstate Commission shall pay, or provide for the 47697
payment of the reasonable expenses of its establishment, 47698

B. The Interstate Commission may levy on and collect an 47700
annual assessment from each member state to cover the cost of the 47701
operations and activities of the Interstate Commission and its 47702
staff which must be in a total amount sufficient to cover the 47703
Interstate Commission's annual budget as approved each year. The 47704
aggregate annual assessment amount shall be allocated based upon a 47705

formula to be determined by the Interstate Commission, which shall 47706
promulgate a rule binding upon all member states. 47707

C. The Interstate Commission shall not incur obligations of 47708
any kind prior to securing the funds adequate to meet the same; 47709
nor shall the Interstate Commission pledge the credit of any of 47710
the member states, except by and with the authority of the member 47711
state. 47712

D. The Interstate Commission shall keep accurate accounts of 47713
all receipts and disbursements. The receipts and disbursements of 47714
the Interstate Commission shall be subject to the audit and 47715
accounting procedures established under its bylaws. However, all 47716
receipts and disbursements of funds handled by the Interstate 47717
Commission shall be audited yearly by a certified or licensed 47718
public accountant and the report of the audit shall be included in 47719
and become part of the annual report of the Interstate Commission. 47720

Sec. 3306.052. Each city, local, and exempted village school district shall receive funding for career-technical education teachers and career-technical education program operations for fiscal years 2010 and 2011 as follows:

(A) For fiscal year 2010, each district shall receive an amount equal to the amount the district received for fiscal year 2009 under division (E) of section 3317.022 of the Revised Code, as that section existed for that fiscal year, times 1.0075.

(B) For fiscal year 2011, each district shall receive an amount equal to the amount the district received for fiscal year 2010 under division (A) of this section times 1.0075.

Each school district that receives funds under this section shall spend the funds only for purposes the department of education designates as approved for vocational education expenses. Vocational education expenses approved by the department shall include only expenses connected to the delivery of career-technical programming to students enrolled in

state-approved career-technical programs. The department shall 49791
require each school district to report data annually so that the 49792
department may monitor the district's compliance with the 49793
requirements regarding the manner in which funding received under 49794
this section may be spent. 49795

Sec. 3306.06. (A) The additional services support component 49796
of the adequacy amount for each city, local, and exempted village 49797
school district is the sum of the following: 49798

(1) The family and community liaison factor; 49799

(2) The counselor factor; 49800

(3) The summer remediation factor; 49801

(4) The school nurse wellness coordinator factor; 49802

(5) The district health professional factor. 49803

(B)(1) The family and community liaison factor shall be 49804
calculated by multiplying the school district's formula ADM times 49805
its targeted poverty indicator and dividing the product by 49806
seventy-five, and then multiplying the quotient by the product of 49807
the applicable Ohio educational challenge factor times \$38,633, in 49808
fiscal year 2010, and times \$39,381, in fiscal year 2011. 49809

(2) The counselor factor shall be calculated by dividing the 49810
district's formula ADM for grades six to twelve by two hundred 49811
fifty, and then multiplying the quotient by a dollar amount for 49812
each fiscal year established by law. No counselor factor shall be 49813
calculated and paid for fiscal years 2010 and 2011. 49814

(3) The summer remediation program factor shall be calculated 49815
by multiplying the district's formula ADM times its targeted 49816
poverty indicator times fifty per cent, which represents the 49817
anticipated participation rate, dividing that product by thirty, 49818
which is the assumed student-to-teacher ratio for summer 49819
remediation, and multiplying that quotient by the product of 49820

\$3,000 times the applicable Ohio educational challenge factor. 49821

(4) The school nurse wellness coordinator factor shall be 49822
calculated by multiplying the number of the district's 49823
organizational units times a dollar amount for each fiscal year 49824
established by law, except that in a small school district, the 49825
school nurse wellness coordinator factor shall be zero. No school 49826
nurse wellness coordinator factor shall be calculated and paid for 49827
fiscal years 2010 and 2011. 49828

(5) The district health professional factor for each district 49829
equals a dollar amount specified by law for each fiscal year. No 49830
district health professional factor shall be calculated and paid 49831
for fiscal years 2010 and 2011. 49832

(C) In adopting expenditure and reporting standards under 49833
section 3306.25 of the Revised Code, the superintendent of public 49834
instruction shall include standards that encourage school 49835
districts to give preference to employing or obtaining the 49836
services of licensed school nurses with funds received for the 49837
school nurse wellness coordinator factor and the district health 49838
professional factor. 49839

(D) Each school district shall account separately for 49840
expenditures of the amounts received for additional services 49841
support under this section and report that information to the 49842
department of education. 49843

Sec. 3306.07. (A) The administrative services support 49844
component of the adequacy amount for each city, local, and 49845
exempted village school district is the sum of the following: 49846

(1) The district administration factor; 49847

(2) The principal factor; 49848

(3) The administrative support personnel factor; 49849

(B)(1) The district administration factor equals \$187,176 in 49850

fiscal year 2010 and \$190,801 in fiscal year 2011. 49851

(2) The principal factor shall be calculated by multiplying 49852
the number of the district's organizational units times \$89,563 in 49853
fiscal year 2010 and \$91,297 in fiscal year 2011. However, each 49854
type 1 or type 2 school district shall receive for a principal 49855
factor an amount not less than the applicable dollar amount 49856
specified in this paragraph times the number of school buildings 49857
in the district for which the department of education issued a 49858
report card under section 3302.03 of the Revised Code for the 49859
prior school year. As used in this division, "type 1 school 49860
district" means a school district characterized as a type 1 49861
(rural/agricultural, high poverty, low median income) district, 49862
and "type 2 school district" means a school district characterized 49863
as a type 2 (rural/agricultural, small student population, low 49864
poverty, low to moderate median income), in the typology of 49865
districts published by the department in July 2007. 49866

(3) The administrative support personnel factor is funding 49867
determined for building managers, secretaries, and 49868
noninstructional aides. 49869

(a) The funding for building managers shall be calculated by 49870
multiplying \$33,624 in fiscal year 2010 and \$34,275 in fiscal year 49871
2011 times the number of the district's organizational units. 49872

(b) The funding for secretaries shall be calculated by 49873
multiplying \$33,624 in fiscal year 2010 and \$34,275 in fiscal year 49874
2011 times the number of the district's organizational units, 49875
where two additional secretaries shall be funded for each high 49876
school organizational unit. 49877

(c) The funding for noninstructional aides shall be a dollar 49878
amount set by law for each fiscal year times the number of the 49879
district's organizational units, where the organizational units 49880
are multiplied by two in the case of elementary school and middle 49881

school organizational units and by three in case of high school 49882
organizational units. 49883

However, each small school district shall receive funding for 49884
one building manager, one secretary, and one noninstructional 49885
aide. Every other city, local, and exempted village school 49886
district shall receive funding for at least one building manager, 49887
one secretary, and one noninstructional aide. 49888

No funding shall be calculated and paid for noninstructional 49889
aides for fiscal years 2010 and 2011. 49890

(C) Each school district shall account separately for the 49891
amounts received for administrative services support under this 49892
section and report that information to the department of 49893
education. 49894

Sec. 3306.08. (A) The operations and maintenance support 49895
component of the adequacy amount for each city, local, and 49896
exempted village school district shall be calculated by 49897
multiplying the district's formula ADM times \$884. 49898

(B) The operations and maintenance support for each city, 49899
local, and exempted village school district shall be adjusted by 49900
multiplying the calculated amount by 0.45 in fiscal years 2010 and 49901
2011, and by 0.75 in fiscal years 2012 and 2013. 49902

(C) Each school district shall account separately for 49903
expenditures of the amounts received for operations and 49904
maintenance support under this section and report that information 49905
to the department of education. 49906

Sec. 3306.09. (A) The gifted education support component of 49907
the adequacy amount for each city, local, and exempted village 49908
school district is the sum of the following: 49909

(1) The gifted identification factor; 49910

<u>(2) The gifted coordinator factor;</u>	49911
<u>(3) The gifted intervention specialist factor;</u>	49912
<u>(4) The gifted intervention specialist professional development factor.</u>	49913 49914
<u>(B)(1) The gifted identification factor shall be calculated by multiplying the district's formula ADM times \$5.</u>	49915 49916
<u>(2) The gifted coordinator factor shall be calculated by multiplying \$66,375 in fiscal year 2010 and \$67,660 in fiscal year 2011 times the quotient of the district's formula ADM divided by two thousand five hundred.</u>	49917 49918 49919 49920
<u>(3) The gifted intervention specialist factor shall be calculated by multiplying the number of the district's organizational units times the Ohio educational challenge factor specified for the district in section 3306.051 of the Revised Code times the statewide base teacher salary specified in section 3306.05 of the Revised Code.</u>	49921 49922 49923 49924 49925 49926
<u>(4) The gifted intervention specialist professional development factor shall be calculated by multiplying the number of the district's organizational units times the per-teaching-position dollar amount specified for the professional development factor in division (A)(7) of section 3306.03 of the Revised Code.</u>	49927 49928 49929 49930 49931 49932
<u>(C) The gifted intervention specialist factor and the gifted intervention specialist professional development factor for each city, local, and exempted village school district, shall be adjusted by multiplying the calculated amount by 0.20 in fiscal year 2010, by 0.30 in fiscal year 2011, by 0.40 in fiscal years 2012 and 2013, by 0.60 in fiscal years 2014 and 2015, and by 0.80 in fiscal years 2016 and 2017.</u>	49933 49934 49935 49936 49937 49938 49939
<u>(D) A school district that does not submit an annual report</u>	49940

under section 3324.05 of the Revised Code, or that reports zero 49941
students identified as gifted, shall receive zero funding for the 49942
gifted coordinator factor, the gifted intervention specialist 49943
factor, and the gifted intervention specialist professional 49944
development factor. 49945

(E) Each school district shall expend the funds calculated 49946
under the gifted education support component in accordance with 49947
rules adopted under section 3306.25 of the Revised Code. Those 49948
rules shall require that such funds be spent only for the 49949
employment of staff to serve students identified as gifted, in 49950
accordance with Chapter 3324. of the Revised Code, or for other 49951
services to such students. The rules shall be aligned with the 49952
operating standards for identifying and serving gifted students 49953
prescribed in rules adopted by the state board of education. 49954
Notwithstanding anything to the contrary in section 3306.25 of the 49955
Revised Code, the rules regarding the expenditure and reporting of 49956
funds for the gifted education support component adopted under 49957
that section shall take effect July 1, 2011. 49958

Subject to approval by the department of education, a school 49959
district may use up to fifteen per cent of the portion of the 49960
gifted intervention specialist factor attributable to the grade 49961
six through twelve formula ADM to support access to services 49962
provided by the district that are not services described in 49963
Chapter 3324. of the Revised Code but are specified in gifted 49964
students' written education plans prepared in accordance with the 49965
state board's operating standards for identifying and serving 49966
gifted students. 49967

(F) Each school district shall account separately for 49968
expenditures of the amounts received for gifted identification, 49969
gifted coordinators, gifted intervention specialists, and gifted 49970
intervention specialist professional development under this 49971
section and report that information to the department of 49972

education. 49973

(G)(1) Each city, local, and exempted village school district 49974
that received for fiscal year 2009 unit funding for gifted student 49975
services under division (L) of section 3317.024 and division (E) 49976
of section 3317.05 of the Revised Code, as those sections existed 49977

50038

Sec. 3306.10. (A) The technology resources support component of the adequacy amount for each city, local, and exempted village school district is the sum of the following: 50039
50040
50041

(1) The licensed librarian and media specialist factor; 50042

(2) The technical equipment factor. 50043

(B)(1) The licensed librarian and media specialist factor shall be calculated by multiplying the number of the district's organizational units times \$60,000. 50044
50045
50046

(2) The technical equipment factor shall be calculated by multiplying the district's formula ADM times \$250. 50047
50048

(C) The licensed librarian and media specialist factor and the technical equipment factor for each city, local, and exempted village school district shall be adjusted by multiplying the calculated amounts by 0.20 in fiscal year 2010, by 0.30 in fiscal year 2011, by 0.40 in fiscal years 2012 and 2013, by 0.60 in fiscal years 2014 and 2015, and by 0.80 in fiscal years 2016 and 2017. 50049

50059

Sec. 3306.11. (A) For the purpose of calculating a school district's instructional services support under section 3306.05 of the Revised Code, the number of special education teacher positions used in calculating the special education teacher 50060
50061
50062
50063

factor, and the number of special education teacher's aide 50064
positions used in calculating the special education teacher's aide 50065
factor shall be calculated as set forth in this section. 50066

(B)(1) The number of special education teacher positions 50067
shall be calculated by multiplying the sum of the weighted number 50068
of children with disabilities calculated under division (C) of 50069
this section times nine-tenths, and then dividing that product by 50070
twenty. 50071

(2) The number of special education teacher's aide positions 50072
shall be calculated by dividing the number of special education 50073
teacher positions calculated under division (B)(1) of this section 50074
by two, and multiplying that quotient by 0.50 in fiscal years 2010 50075
and 2011. 50076

(C) The weighted number of children with disabilities for a 50077
school district is the sum of: 50078

(D) Each school district shall account separately for 50091
expenditures of the amounts received for resources for children 50092

with disabilities under this section and section 3306.05 of the Revised Code and report that information to the department of education. Those amounts may be used to pay for providers of related services, as defined in section 3323.01 of the Revised Code, for children with disabilities.

(1) "Assigned bus" means a school bus used to transport qualifying riders. 50099
50100

(2) "Nontraditional ridership" means the average number of qualifying riders who are enrolled in a community school established under Chapter 3314. of the Revised Code, in a STEM school established under Chapter 3326. of the Revised Code, or in a nonpublic school and are provided school bus service by a school district during the first full week of October. 50101
50102
50103
50104
50105
50106

(3) "Qualifying riders" means resident students enrolled in regular education in grades kindergarten to twelve who are provided school bus service by a school district and who live more than one mile from the school they attend, including students with dual enrollment in a joint vocational school district or a cooperative education school district, and students enrolled in a community school, STEM school, or nonpublic school. 50107
50108
50109
50110
50111
50112
50113

(4) "Qualifying ridership" means the average number of qualifying riders who are provided school bus service by a school district during the first full week of October. 50114

50116

(5) "Rider density" means the number of qualifying riders per square mile of a school district. 50117
50118

(6) "School bus service" means a school district's transportation of qualifying riders in any of the following types of vehicles: 50119
50120

entity with which the district has contracted, either as part of a 50126
consortium for the provision of transportation or otherwise. 50127

(B) Not later than the fifteenth day of October each year, 50128
each city, local, and exempted village school district shall 50129
report to the department of education its qualifying ridership, 50130
nontraditional ridership, number of qualifying riders per assigned 50131
bus, and any other information requested by the department. 50132
Subsequent adjustments to the reported numbers shall be made only 50133
in accordance with rules adopted by the department. 50134

(C) The department shall calculate the statewide 50135
transportation cost per student as follows: 50136

(1) Determine each city, local, and exempted village school 50137
district's transportation cost per student by dividing the 50138
district's total costs for school bus service in the previous 50139
fiscal year by its qualifying ridership in the previous fiscal 50140
year. 50141

(2) After excluding districts that do not provide school bus 50142
service and the ten districts with the highest transportation 50143
costs per student and the ten districts with the lowest 50144
transportation costs per student, divide the aggregate cost for 50145
school bus service for the remaining districts in the previous 50146
fiscal year by the aggregate qualifying ridership of those 50147
districts in the previous fiscal year. 50148

(D) The department shall calculate the statewide 50149
transportation cost per mile as follows: 50150

(1) Determine each city, local, and exempted village school 50151
district's transportation cost per mile by dividing the district's 50152
total costs for school bus service in the previous fiscal year by 50153

its total number of miles driven for school bus service in the 50154
previous fiscal year. 50155

(2) After excluding districts that do not provide school bus 50156
service and the ten districts with the highest transportation 50157
costs per mile and the ten districts with the lowest 50158
transportation costs per mile, divide the aggregate cost for 50159
school bus service for the remaining districts in the previous 50160
fiscal year by the aggregate miles driven for school bus service 50161
in those districts in the previous fiscal year. 50162

(E) The department shall calculate each city, local, and 50163
exempted village school district's transportation base payment as 50164
follows: 50165

(1) Multiply the statewide transportation cost per student by 50166
the district's qualifying ridership for the current fiscal year. 50167

(2) Multiply the statewide transportation cost per mile by 50168
the district's total number of miles driven for school bus service 50169
in the current fiscal year. 50170

(3) Multiply the greater of the amounts calculated under 50171
divisions (E)(1) and (2) of this section by the greater of sixty 50172
per cent or the district's state share percentage. 50173

(F) The department shall calculate each city, local, and 50174
exempted village school district's nontraditional ridership 50175
adjustment according to the following formula: 50176

(nontraditional ridership for the current fiscal year / 50177
qualifying ridership for the current fiscal year) X 0.1 X 50178
transportation base payment 50179

(G) If a city, local, and exempted village school district 50180
offers school bus service to all resident students who are 50181
enrolled in regular education in district schools in grades nine 50182
to twelve and who live more than one mile from the school they 50183
attend, the department shall calculate the district's high school 50184

ridership adjustment according to the following formula: 50185

0.025 X transportation base payment 50186

(H) If a city, local, and exempted village school district offers school bus service to students enrolled in grades kindergarten to eight who live more than one mile, but two miles or less, from the school they attend, the department shall calculate an additional adjustment according to the following formula: 50187
50188
50189
50190
50191
50192

0.025 X transportation base payment 50193

(I)(1) The department annually shall establish a target number of qualifying riders per assigned bus for each city, local, and exempted village school district. The department shall use the most recently available data in establishing the target number. The target number shall be based on the statewide median number of qualifying riders per assigned bus as adjusted to reflect the district's rider density in comparison to the rider density of all other districts. The department shall post on the department's web site each district's target number of qualifying riders per assigned bus and a description of how the target number was determined. 50194
50195
50196
50197
50198
50199
50200
50201
50202
50203
50204

(2) The department shall determine each school district's efficiency index by dividing the district's median number of qualifying riders per assigned bus by its target number of qualifying riders per assigned bus. 50205
50206
50207
50208

(3) The department shall determine each city, local, and exempted village school district's efficiency adjustment as follows: 50209
50210
50211

(a) If the district's efficiency index is equal to or greater than 1.5, the efficiency adjustment shall be calculated according to the following formula: 50212
50213
50214

0.1 X transportation base payment 50215

(b) If the district's efficiency index is less than 1.5 but equal to or greater than 1.0, the efficiency adjustment shall be calculated according to the following formula:

[(efficiency index - 1) / 5] X transportation base payment

(c) If the district's efficiency index is less than 1.0, the efficiency adjustment shall be zero.

(J) The department shall pay each city, local, and exempted village school district the lesser of the following:

(1) The sum of the amounts calculated under divisions (E) to (H) and (I)(3) of this section;

(2) The district's total costs for school bus service for the prior fiscal year.

(K) In addition to funds paid under division (J) of this section, each city, local, and exempted village district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than school bus service and whose transportation is not funded under division (G) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students.

(L)(1) In fiscal years 2010 and 2011, the department shall pay each district a pro rata portion of the amounts calculated under division (J) of this section and described in division (K) of this section, based on state appropriations.

(2) In addition to the prorated payment under division (L)(1) of this section, in fiscal years 2010 and 2011, the department shall pay each school district that meets the conditions prescribed in division (L)(3) of this section an additional amount equal to the following product:

(a) The difference of (i) the amounts calculated under

division (J) of this section and prescribed in division (K) of 50246
this section minus (ii) that prorated payment; times 50247

(b) 0.30 in fiscal year 2010 and 0.70 in fiscal year 2011. 50248

(3) Division (L)(2) of this section applies to each school 50249
district that meets all of the following conditions: 50250

(a) The district qualifies for the calculation of a payment 50251
under division (J) of this section because it transports students 50252
on board-owned or contractor-owned school buses. 50253

(b) The district's local wealth per pupil, calculated as 50254
prescribed in section 3317.0217 of the Revised Code, is at or 50255
below the median local wealth per pupil of all districts that 50256
qualify for calculation of a payment under division (J) of this 50257
section. 50258

(c) The district's rider density is at or below the median 50259
rider density of all districts that qualify for calculation of a 50260
payment under division (J) of this section. 50261

Sec. 3306.13. (A) The department of education shall compute 50262
and distribute to each city, local, and exempted village school 50263
district the state share of the adequacy amount for the fiscal 50264
year by subtracting the district's charge-off amount calculated 50265
under division (B) of this section from its adequacy amount 50266
calculated under section 3306.03 of the Revised Code. 50267

(B)(1) For districts with a class one effective operating tax 50268
rate that is less than twenty and one-tenth effective mills as of 50269
the first day of July of the current fiscal year, the charge-off 50270
amount equals the applicable charge-off rate, prescribed in 50271
division (C) of this section, times the sum of the district's 50272
total taxable value plus its property exemption value. 50273

(2) For districts with a class one effective operating tax 50274
rate that is greater than or equal to twenty and one-tenth class 50275

one effective mills as of the first day of July of the current 50276
fiscal year, the charge-off amount equals the applicable 50277
charge-off rate, prescribed in division (C) of this section, times 50278
the sum of the district's recognized valuation plus its property 50279
exemption value. 50280

If the difference obtained from the calculation is a negative 50281
number, the state share shall be zero. 50282

(3)(a) For each school district for which the tax exempt 50283
value of the district equals or exceeds twenty-five per cent of 50284
the potential value of the district, the department shall 50285
calculate the difference between the district's tax exempt value 50286
and twenty-five per cent of the district's potential value. 50287

(b) For each school district to which division (B)(3)(a) of 50288
this section applies, the department shall adjust the total 50289
taxable value used in the calculation under division (B)(1) of 50290
this section or the recognized valuation used in the calculation 50291
under division (B)(2) of this section by subtracting from it the 50292
amount calculated under division (B)(3)(a) of this section. 50293

(C) The charge-off rate shall be as follows: 50294

(1) In fiscal years 2010 and 2011, 0.022; 50295

(2) In fiscal years 2012 and 2013, 0.021; 50296

(3) In fiscal year 2014 and in each fiscal year thereafter, 50297
0.020. 50298

(D) The department shall use the information obtained under 50299
section 3317.021 of the Revised Code during the calendar year in 50300
which the fiscal year begins to calculate the district state 50301
shares under this section. 50302

Sec. 3306.18. On or before the fifteenth day of July of each 50303
year, the superintendent of public instruction shall certify to 50304
the state board of education the amount each city, local, and 50305

exempted village school district expended in the previous fiscal 50306
year on each factor of the district's adequacy amount. 50307

Sec. 3306.19. (A) The department of education shall calculate 50308
and pay transitional aid in fiscal years 2010 and 2011 to each 50309
city, local, and exempted village school district in accordance 50310
with this section. For fiscal year 2010, the amount of a 50311
district's transitional aid shall be the positive difference of 50312
ninety-nine per cent of its transitional aid base for that fiscal 50313
year minus the sum of its state share of the adequacy amount 50314
calculated under section 3306.13 of the Revised Code plus the 50315
amount calculated for career-technical education under section 50316
3306.052 of the Revised Code plus the prorated transportation 50317
funding calculated under division (L)(1) of section 3306.12 of the 50318
Revised Code. For fiscal year 2011, the amount of a district's 50319
transitional aid shall be the positive difference of ninety-eight 50320
per cent of its transitional aid base for that fiscal year minus 50321
the sum of its state share of the adequacy amount calculated under 50322
section 3306.13 of the Revised Code plus the amount calculated for 50323
career-technical education under section 3306.052 of the Revised 50324
Code plus the prorated transportation funding calculated under 50325
division (L)(1) of section 3306.12 of the Revised Code. 50326

(1) The transitional aid guarantee base for each city, local, 50327
and exempted village school district for fiscal year 2010 equals 50328
the sum of the following computed for fiscal year 2009, as 50329
reconciled by the department, less any general revenue fund 50330

The district shall pay the costs of the intervention team. 50823

(D) When a circumstance described in division (A) of this 50824
section applies to a school district for a third consecutive year, 50825
whether it is the same or a different circumstance as in the 50826
preceding years, the superintendent of public instruction shall 50827

(E) When a circumstance described in division (A) of this 50835
section applies to a school district for a fourth consecutive 50836

50846

Sec. 3306.34. (A) Each accountability compliance commission 50847
appointed under division (D) of section 3306.33 of the Revised 50848
Code is a body both corporate and politic, constituting an agency 50849
and instrumentality of the state and performing essential 50850
governmental functions of the state. A commission shall be known 50851
as the "accountability compliance commission for 50852
(name of school district)," and, in that name, may exercise all 50853
authority vested in such a commission by this section. A separate 50854
commission shall be established for each school district for which 50855
the superintendent of public instruction opts to establish a 50856
commission under division (D) of section 3306.33 of the Revised 50857
Code. 50858

(B) Each accountability commission shall consist of three 50859
members, one of whom shall be appointed by the governor, one of 50860
whom shall be appointed by the superintendent of public 50861
instruction, and one of whom shall be appointed by the auditor of 50862
state. 50863

All members shall serve at the pleasure of the appointing 50864
authority during the life of the commission. In the event of the 50865
death, resignation, incapacity, removal, or ineligibility to serve 50866
of a member, the appointing authority shall appoint a successor 50867
within fifteen days after the vacancy occurs. Members shall serve 50868
without compensation, but shall be paid by the commission their 50869
necessary and actual expenses incurred while engaged in the 50870
business of the commission. 50871

(C) Immediately after appointment of the initial members of 50872
an accountability compliance commission, the state superintendent 50873
shall call the first meeting of the commission and shall cause 50874
written notice of the time, date, and place of that meeting to be 50875
given to each member of the commission at least forty-eight hours 50876
in advance of the meeting. The first meeting shall include an 50877

overview of the commission's roles and responsibilities, the 50878
requirements of section 2921.42 and Chapter 102. of the Revised 50879
Code as they pertain to commission members, the requirements of 50880
section 121.22 of the Revised Code, and the provisions of division 50881
(F) of this section. At its first meeting, the commission shall 50882
adopt temporary bylaws in accordance with division (D) of this 50883
section to govern its operations until the adoption of permanent 50884
bylaws. 50885

The state superintendent shall designate a chairperson for 50886
the commission from among the members. The chairperson shall call 50887
and conduct meetings, set meeting agendas, and serve as a liaison 50888
between the commission and the district board of education. The 50889
chairperson also shall appoint a secretary, who shall not be a 50890
member of the commission. 50891

The department of education shall provide administrative 50892
support for the commission, provide data requested by the 50893
commission, and inform the commission of available state resources 50894
that could assist the commission in its work. 50895

(D) Each accountability compliance commission may adopt and 50896
alter bylaws and rules, which shall not be subject to section 50897
111.15 or Chapter 119. of the Revised Code, for the conduct of its 50898
affairs and for the manner, subject to this section, in which its 50899
powers and functions shall be exercised and embodied. 50900

(E) Two members of an accountability compliance commission 50901
constitute a quorum of the commission. The affirmative vote of two 50902
members of the commission is necessary for any action taken by 50903
vote of the commission. No vacancy in the membership of the 50904
commission shall impair the rights of a quorum by such vote to 50905
exercise all the rights and perform all the duties of the 50906
commission. Members of the commission are not disqualified from 50907
voting by reason of the functions of any other office they hold 50908
and are not disqualified from exercising the functions of the 50909

other office with respect to the school district, its officers, or 50910
the commission. 50911

(F) The members of an accountability compliance commission, 50912
the state superintendent, and any person authorized to act on 50913
behalf of or assist them shall not be personally liable or subject 50914
to any suit, judgment, or claim for damages resulting from the 50915
exercise of or failure to exercise the powers, duties, and 50916
functions granted to them in regard to their functioning under 50917
this section, but the commission, state superintendent, and such 50918
other persons shall be subject to mandamus proceedings to compel 50919
performance of their duties under this section. 50920

(G) Each member of an accountability compliance commission 50921
shall file the statement described in section 102.02 of the 50922
Revised Code with the Ohio ethics commission. The statement shall 50923
be confidential, subject to review, as described in division (B) 50924
of that section. 50925

(H) Meetings of each accountability compliance commission 50926
shall be subject to section 121.22 of the Revised Code. 50927

(I) Each accountability compliance commission shall seek 50928
input from the district board of education regarding ways to 50929
improve the district's operations and compliance with the 50930
requirements of this chapter and the expenditure and reporting 50931
standards prescribed by rule adopted under section 3306.25 of the 50932
Revised Code, but any decision of the commission related to any 50933
authority granted to the commission under this section shall be 50934
final. 50935

The commission may do any of the following: 50936

(1) Prepare and submit the school district's spending plan 50937
required under section 3306.30 and, if applicable, section 3306.31 50938
of the Revised Code; 50939

(2) Appoint school building administrators and reassign 50940

administrative personnel; 50941

(3) Terminate the contracts of administrators or 50942
administrative personnel. The commission shall not be required to 50943
comply with section 3319.16 of the Revised Code with respect to 50944
any contract terminated under this division. 50945

(4) Contract with a private entity to perform school or 50946
district management functions; 50947

(5) Establish a budget for the district and approve district 50948
appropriations and expenditures, unless a financial planning and 50949
supervision commission has been established for the district 50950
pursuant to section 3316.05 of the Revised Code; 50951

(6) Exercise the powers, duties, and functions with respect 50952
to the district as are granted to a financial planning and 50953
supervision commission with respect to a school district under 50954
divisions (A)(1) to (4) of section 3316.07 of the Revised Code, 50955
unless a financial planning and supervision commission has been 50956
established for the district. 50957

(J) If the board of education of a school district for which 50958
an accountability compliance commission has been established 50959
renews any collective bargaining agreement under Chapter 4117. of 50960
the Revised Code during the existence of the commission, the board 50961
shall not enter into any agreement that would render any decision 50962
of the commission unenforceable. 50963

(K) An accountability compliance commission shall cease to 50964
exist at the beginning of the first year that none of the 50965
circumstances described in division (A) of section 3306.33 of the 50966
Revised Code apply to the district. 50967

Sec. 3306.35. The department of education shall develop a 50968
form, which shall be known as the "Formula ACcountability and 50969
Transparency" form or "FACT" form. The department annually shall 50970

issue and publish on its web site a FACT form for each city, 50971
local, and exempted village school district. The form shall 50972
compare the payments to the district under each component 50973
prescribed by this chapter with the district's deployment of those 50974
payments as indicated in its spending plan submitted under section 50975
3306.30 and, if applicable, 3306.31 of the Revised Code. The form 50976
shall not be the basis of any actions under section 3306.33 of the 50977
Revised Code but shall be a public document to inform parents, 50978
students, and taxpayers about the district's spending. 50979

50980

Sec. 3306.40. The board of education of a school district may 50981
apply to the superintendent of public instruction for a waiver of 50982
any standard or requirement of this chapter, including any 50983
applicable expenditure or reporting standard prescribed by rule 50984
adopted under section 3306.25 of the Revised Code, or a waiver of 50985
any operating standard adopted under division (D)(3) of section 50986
3301.07 of the Revised Code. 50987

The state board of education shall adopt standards for the 50988
approval or disapproval of waivers under this section. The state 50989
superintendent shall consider every application for a waiver, and 50990
shall determine whether to grant or deny a waiver in accordance 50991
with the state board's standards. For each waiver granted, the 50992
state superintendent shall specify the period of time during which 50993
the waiver is in effect, which shall not exceed five years. A 50994
district may apply to renew a waiver. 50995

Sec. 3306.50. (A) The Harmon commission is hereby created. 50996

The commission shall consist of the following twenty-one 50997
members: 50998

(1) Six persons who are not also members of the general 50999
assembly, appointed by the president of the senate, upon 51000

consultation with the minority leader of the senate, two of whom 51001
are classroom teachers, two of whom are school administrators, and 51002
two of whom are instructors at an Ohio teacher preparation 51003
program; 51004

(2) Six persons who are not also members of the general 51005
assembly, appointed by the speaker of the house of 51006
representatives, upon consultation with the minority leader of the 51007
house of representatives, two of whom are classroom teachers, two 51008
of whom are school administrators, and two of whom are instructors 51009
at an Ohio teacher preparation program; 51010

(3) Nine persons appointed by the governor, three of whom are 51011
classroom teachers, three of whom are school administrators, and 51012
three of whom are instructors at an Ohio teacher preparation 51013
program. 51014

The members appointed under divisions (A)(1) and (2) of this 51015
section shall serve for the duration of the general assembly in 51016
which they were appointed. 51017

The members appointed under division (A)(3) of this section 51018
shall serve for the duration of the term of the governor in which 51019
they were appointed. 51020

Vacancies on the commission shall be filled in the manner of 51021
the initial appointments. 51022

(B) The chairperson of the commission shall be selected by 51023
the governor from among the members of the commission. 51024

(C) The members of the commission shall serve without 51025
compensation but shall be paid by the department of education 51026
their necessary and actual expenses incurred while engaged in the 51027
business of the commission. 51028

Sec. 3306.51. The Harmon commission shall review and approve 51029
or disapprove applications from city, exempted village, and local 51030

school districts and community schools established under Chapter 3314. of the Revised Code for individual classrooms to be designated as creative learning environments. To be eligible for designation of one or more of its classrooms as a creative learning environment, a community school shall enter into a memorandum of understanding, approved by the department of education, with one or more school districts that specifies a collaborative agreement to share programming and resources to promote successful academic achievement for students and academic and fiscal efficiencies.

The commission shall designate a classroom as a creative learning environment if the commission determines that the classroom supports and emphasizes innovation in instruction methods and lesson plans and operates in accordance with the guidelines adopted by the state board of education under section 3306.52 of the Revised Code. Beginning July 1, 2010, a district or community school that has a classroom that is designated a creative learning environment may qualify for a grant or subsidy awarded by the commission under section 3306.58 of the Revised Code.

Sec. 3306.52. The state board of education shall do both of the following:

(A) Adopt guidelines for the Harmon commission to use in reviewing applications for creative learning environments.

(B) Direct the department of education to provide staff to assist the commission in carrying out the commission's duties under sections 3306.50 to 3306.58 of the Revised Code.

Sec. 3306.53. From January 1, 2010, through April 14, 2010, a city, exempted village, or local school district and a community school may submit to the Harmon commission an unlimited number of

applications for first-time designation of individual classrooms 51061
as creative learning environments. No applications may be 51062
submitted between April 15, 2010, and July 1, 2010. After July 1, 51063
2010, each city, exempted village, or local school district and 51064
each eligible community school may submit only one application per 51065
fiscal year for first-time designation of one classroom as a 51066
creative learning environment. 51067

Sec. 3306.54. Not later than the first day of May each year, 51068
the Harmon commission shall begin meeting to review pending 51069
applications for first-time designations submitted under section 51070
3306.53 of the Revised Code. The commission shall approve or 51071
disapprove all pending applications by the first day of July. The 51072
decision of the commission is final. 51073

Sec. 3306.55. (A) The Harmon commission's first-time 51074
designation of a classroom as a creative learning environment is 51075
valid for one fiscal year. A school district or community school 51076
may apply to have the designation renewed. The commission shall 51077
renew the designation for the next two fiscal years if the school 51078
district or community school applies for the renewal and the 51079
commission finds that the classroom continues to meet the 51080
guidelines adopted under section 3306.52 of the Revised Code. The 51081
commission shall not renew the designation if the school district 51082
or community school does not apply for renewal or if the 51083
commission determines that the classroom no longer meets those 51084
guidelines. 51085

(B) At the end of a two-year renewal granted under division 51086
(A) of this section, and every two fiscal years thereafter, the 51087
designation of a classroom as a creative learning environment is 51088
automatically renewed, without need for application, for the next 51089
two fiscal years, unless the designation is revoked under division 51090

(C) of this section. 51091

(C) If the department of education at any time finds that the classroom is no longer operating in accordance with the standards adopted under section 3306.52 of the Revised Code, the department shall appeal the designation to the commission not later than the fifteenth day of February. The commission shall review the operation of the classroom and either continue the designation or revoke the designation. A revocation shall take effect on the first day of July following the department's appeal. 51092
51093
51094
51095
51096
51097
51098
51099

(D) The decision of the commission under divisions (A) to (C) of this section is final. 51100
51101

(E) If the commission does not renew a designation of a classroom under division (A) of this section or revokes that designation under division (C) of this section, the district or community school may reapply for designation of the classroom under section 3306.53 of the Revised Code. That application shall be treated as a new application for first-time designation. 51102

51104
51105
51106
51107

Sec. 3306.56. The city, exempted village, or local school district or community school that operates a classroom designated by the Harmon commission as a creative learning environment shall submit periodic progress reports on the operation and performance of the classroom to the department of education in the manner and by the deadlines prescribed by the department. 51108

Sec. 3306.57. The department of education may accept, receive, and expend gifts, devises, or bequests of money, lands, or other properties for operation of the Harmon commission and the award of grants and subsidies under section 3306.58 of the Revised Code. The state board of education may adopt rules for the purpose of enabling the department to carry out the conditions and limitations upon which a bequest, gift, or endowment is made. 51114

51120

Sec. 3306.58. Beginning July 1, 2010, to the extent the 51121
Harmon commission determines that sufficient funds are available, 51122
the commission may award grants or stipends to school districts 51123
and community schools that have one or more of their classrooms 51124
designated as creative learning environments under section 3306.51 51125
of the Revised Code. The commission shall adopt procedures for 51126
application for and the award of grants or stipends under this 51127
section. 51128

Sec. 3307.31. (A) Payments by boards of education and 51129
governing authorities of community schools to the state teachers 51130
retirement system, as provided in sections 3307.29 and 3307.291 of 51131
the Revised Code, shall be made from the amount allocated under 51132
section 3314.08, Chapter 3306., or Chapter 3317. of the Revised 51133
Code prior to its distribution to the individual school districts 51134
or community schools. The amount due from each school district or 51135
community school shall be certified by the secretary of the system 51136
to the superintendent of public instruction monthly, or at such 51137
times as may be determined by the state teachers retirement board. 51138
51139

The superintendent shall deduct, from the amount allocated to 51140
each district or community school under section 3314.08, Chapter 51141
3306., or Chapter 3317. of the Revised Code, the entire amounts 51142
due to the system from such district or school upon the 51143
certification to the superintendent by the secretary thereof. 51144

The superintendent shall certify to the director of budget 51145
and management the amounts thus due the system for payment. 51146

(B) Payments to the state teachers retirement system by a 51147
science, technology, engineering, and mathematics school shall be 51148
deducted from the amount allocated under section 3326.33 of the 51149
Revised Code and shall be made in the same manner as payments by 51150

boards of education under this section. 51151

Sec. 3307.64. A disability benefit recipient, notwithstanding 51152
section 3319.13 of the Revised Code, shall retain membership in 51153
the state teachers retirement system and shall be considered on 51154
leave of absence during the first five years following the 51155
effective date of a disability benefit. 51156

The state teachers retirement board shall require any 51157
disability benefit recipient to submit to an annual medical 51158
examination by a physician selected by the board, except that the 51159
board may waive the medical examination if the board's physician 51160
certifies that the recipient's disability is ongoing. If a 51161
disability benefit recipient refuses to submit to a medical 51162
examination, the recipient's disability benefit shall be suspended 51163
until the recipient withdraws the refusal. If the refusal 51164
continues for one year, all the recipient's rights under and to 51165
the disability benefit shall be terminated as of the effective 51166
date of the original suspension. 51167

After the examination, the examiner shall report and certify 51168
to the board whether the disability benefit recipient is no longer 51169
physically and mentally incapable of resuming the service from 51170
which the recipient was found disabled. If the board concurs in a 51171
report by the examining physician that the disability benefit 51172
recipient is no longer incapable, the payment of a disability 51173
benefit shall be terminated not later than the following 51174
thirty-first day of August or upon employment as a teacher prior 51175
thereto. If the leave of absence has not expired, the board shall 51176
so certify to the disability benefit recipient's last employer 51177
before being found disabled that the recipient is no longer 51178
physically and mentally incapable of resuming service that is the 51179
same or similar to that from which the recipient was found 51180
disabled. If the recipient was under contract at the time the 51181

recipient was found disabled, the employer by the first day of the 51182
next succeeding year shall restore the recipient to the 51183
recipient's previous position and salary or to a position and 51184
salary similar thereto, unless the recipient was dismissed or 51185
resigned in lieu of dismissal for dishonesty, misfeasance, 51186
malfeasance, or conviction of a felony. 51187

A disability benefit shall terminate if the disability 51188
benefit recipient becomes employed as a teacher in any public or 51189
private school or institution in this state or elsewhere. An 51190
individual receiving a disability benefit from the system shall be 51191
ineligible for any employment as a teacher and it shall be 51192
unlawful for any employer to employ the individual as a teacher. 51193
If any employer should employ or reemploy the individual prior to 51194
the termination of a disability benefit, the employer shall file 51195
notice of employment with the board designating the date of the 51196
employment. If the individual should be paid both a disability 51197
benefit and also compensation for teaching service for all or any 51198
part of the same month, the secretary of the board shall certify 51199
to the employer or to the superintendent of public instruction the 51200
amount of the disability benefit received by the individual during 51201
the employment, which amount shall be deducted from any amount due 51202
the employing district under ~~Chapter~~ Chapters 3306. and 3317. of 51203
the Revised Code or shall be paid by the employer to the annuity 51204
and pension reserve fund. 51205

Each disability benefit recipient shall file with the board 51206
an annual statement of earnings, current medical information on 51207
the recipient's condition, and any other information required in 51208
rules adopted by the board. The board may waive the requirement 51209
that a disability benefit recipient file an annual statement of 51210
earnings or current medical information if the board's physician 51211
certifies that the recipient's disability is ongoing. 51212

The board shall annually examine the information submitted by 51213

the recipient. If a disability benefit recipient refuses to file 51214
the statement or information, the disability benefit shall be 51215
suspended until the statement and information are filed. If the 51216
refusal continues for one year, the recipient's right to the 51217
disability benefit shall be terminated as of the effective date of 51218
the original suspension. 51219

A disability benefit also may be terminated by the board at 51220
the request of the disability benefit recipient. 51221

If disability retirement under section 3307.63 of the Revised 51222
Code is terminated for any reason, the annuity and pension 51223
reserves at that time in the annuity and pension reserve fund 51224
shall be transferred to the teachers' savings fund and the 51225
employers' trust fund, respectively. If the total disability 51226
benefit paid was less than the amount of the accumulated 51227
contributions of the member transferred to the annuity and pension 51228
reserve fund at the time of the member's disability retirement, 51229
then the difference shall be transferred from the annuity and 51230
pension reserve fund to another fund as required. In determining 51231
the amount of a member's account following the termination of 51232
disability retirement for any reason, the total amount paid shall 51233
be charged against the member's refundable account. 51234

If a disability allowance paid under section 3307.631 of the 51235
Revised Code is terminated for any reason, the reserve on the 51236
allowance at that time in the annuity and pension reserve fund 51237
shall be transferred from that fund to the employers' trust fund. 51238

If a former disability benefit recipient again becomes a 51239
contributor, other than as an other system retirant under section 51240
3307.35 of the Revised Code, to this retirement system, the school 51241
employees retirement system, or the public employees retirement 51242
system, and completes at least two additional years of service 51243
credit, the former disability benefit recipient shall receive 51244
credit for the period as a disability benefit recipient. 51245

Sec. 3309.41. (A) A disability benefit recipient shall retain 51246
membership status and shall be considered on leave of absence from 51247
employment during the first five years following the effective 51248
date of a disability benefit, notwithstanding any contrary 51249
provisions in Chapter 124. or 3319. of the Revised Code. 51250

(B) The school employees retirement board shall require a 51251
disability benefit recipient to undergo an annual medical 51252
examination, except that the board may waive the medical 51253
examination if the board's physician or physicians certify that 51254
the recipient's disability is ongoing. Should any disability 51255
benefit recipient refuse to submit to a medical examination, the 51256
recipient's disability benefit shall be suspended until withdrawal 51257
of the refusal. Should the refusal continue for one year, all the 51258
recipient's rights in and to the disability benefit shall be 51259
terminated as of the effective date of the original suspension. 51260

(C) On completion of the examination by an examining 51261
physician or physicians selected by the board, the physician or 51262
physicians shall report and certify to the board whether the 51263
disability benefit recipient is no longer physically and mentally 51264
incapable of resuming the service from which the recipient was 51265
found disabled. If the board concurs in the report that the 51266
disability benefit recipient is no longer incapable, the payment 51267
of the disability benefit shall be terminated not later than three 51268
months after the date of the board's concurrence or upon 51269
employment as an employee. If the leave of absence has not 51270
expired, the retirement board shall certify to the disability 51271
benefit recipient's last employer before being found disabled that 51272
the recipient is no longer physically and mentally incapable of 51273
resuming service that is the same or similar to that from which 51274
the recipient was found disabled. The employer shall restore the 51275
recipient to the recipient's previous position and salary or to a 51276
position and salary similar thereto not later than the first day 51277

of the first month following termination of the disability 51278
benefit, unless the recipient was dismissed or resigned in lieu of 51279
dismissal for dishonesty, misfeasance, malfeasance, or conviction 51280
of a felony. 51281

(D) Each disability benefit recipient shall file with the 51282
board an annual statement of earnings, current medical information 51283
on the recipient's condition, and any other information required 51284
in rules adopted by the board. The board may waive the requirement 51285
that a disability benefit recipient file an annual statement of 51286
earnings or current medical information on the recipient's 51287
condition if the board's physician or physicians certify that the 51288
recipient's disability is ongoing. 51289

The board shall annually examine the information submitted by 51290
the recipient. If a disability benefit recipient refuses to file 51291
the statement or information, the disability benefit shall be 51292
suspended until the statement and information are filed. If the 51293
refusal continues for one year, the recipient's right to the 51294
disability benefit shall be terminated as of the effective date of 51295
the original suspension. 51296

(E) If a disability benefit recipient is employed by an 51297
employer covered by this chapter, the recipient's disability 51298
benefit shall cease. 51299

(F) If disability retirement under section 3309.40 of the 51300
Revised Code is terminated for any reason, the annuity and pension 51301
reserves at that time in the annuity and pension reserve fund 51302
shall be transferred to the employees' savings fund and the 51303
employers' trust fund, respectively. If the total disability 51304
benefit paid is less than the amount of the accumulated 51305
contributions of the member transferred into the annuity and 51306
pension reserve fund at the time of the member's disability 51307
retirement, the difference shall be transferred from the annuity 51308
and pension reserve fund to another fund as may be required. In 51309

determining the amount of a member's account following the 51310
termination of disability retirement for any reason, the amount 51311
paid shall be charged against the member's refundable account. 51312

If a disability allowance paid under section 3309.401 of the 51313
Revised Code is terminated for any reason, the reserve on the 51314
allowance at that time in the annuity and pension reserve fund 51315
shall be transferred from that fund to the employers' trust fund. 51316

The board may terminate a disability benefit at the request 51317
of the recipient. 51318

(G) If a disability benefit is terminated and a former 51319
disability benefit recipient again becomes a contributor, other 51320
than as an other system retirant as defined in section 3309.341 of 51321
the Revised Code, to this system, the public employees retirement 51322
system, or the state teachers retirement system, and completes an 51323
additional two years of service credit after the termination of 51324
the disability benefit, the former disability benefit recipient 51325
shall be entitled to full service credit for the period as a 51326
disability benefit recipient. 51327

(H) If any employer employs any member who is receiving a 51328
disability benefit, the employer shall file notice of employment 51329
with the retirement board, designating the date of employment. In 51330
case the notice is not filed, the total amount of the benefit paid 51331
during the period of employment prior to notice shall be paid from 51332
amounts allocated under ~~Chapter~~ Chapters 3306. and 3317. of the 51333
Revised Code prior to its distribution to the school district in 51334
which the disability benefit recipient was so employed. 51335

Sec. 3309.48. Any employee who left the service of an 51336
employer after attaining age sixty-five or over and such employer 51337

membership was compulsory as determined by the school employees 51341
retirement board, shall be granted service credit without cost, 51342

of meeting the qualifications for service retirement provided by 51344
the law in effect on and retroactive to the first eligible 51345
retirement date following the date such employment terminated, but 51346
shall not be paid until formal application for such allowance on a 51347
form provided by the retirement board is received in the office of 51348
the retirement system. The total service credit granted under this 51349
section shall not exceed ten years for any such employee. 51350

The liability incurred by the retirement board because of the 51351
service credit granted under this section shall be determined by 51352
the retirement board, the cost of which shall be equal to an 51353
amount that is determined by applying the combined employee and 51354
employer rates of contribution against the compensation of such 51355
employee at the rates of contribution and maximum salary 51356
provisions in effect during such employment for each year for 51357
which credit is granted, together with interest at the rate to be 51358
credited accumulated contributions at retirement, compounded 51359
annually from the first day of the month payment was due the 51360
retirement system to and including the month of deposit, the total 51361
amount of which shall be collected from the employer. Such amounts 51362
shall be certified by the retirement board to the superintendent 51363
of public instruction, who shall deduct the amount due the system 51364
from any funds due the affected school district under ~~Chapter~~ 51365
Chapters 3306. and 3317. of the Revised Code. The superintendent 51366
shall certify to the director of budget and management the amount 51367
due the system for payment. The total amount paid shall be 51368
deposited into the employers' trust fund, and shall not be 51369
considered as accumulated contributions of the employee in the 51370
event of ~~his~~ the employee's death or withdrawal of funds. 51371

employers' trust fund, in such monthly or less frequent 51373
installments as the school employees retirement board requires, an 51374
amount certified by the school employees retirement board, which 51375
shall be as required by Chapter 3309. of the Revised Code. 51376

superintendent of public instruction monthly, or at such times as 51383

to each community school under section 3314.08 of the Revised 51404

Code, to each school district under ~~Chapter~~ Chapters 3306. and 51405
3317. of the Revised Code, or to each science, technology, 51406

(6) "Preschool scholarship ADM" means the number of preschool 51740

children with disabilities reported under division (B)(3)(h) of 51741
section 3317.03 of the Revised Code. 51742

(7) "Qualified special education child" is a child for whom 51743
all of the following conditions apply: 51744

(a) The school district in which the child is entitled to 51745
attend school has identified the child as autistic. A child who 51746
has been identified as having a "pervasive developmental disorder 51747
- not otherwise specified (PPD-NOS)" shall be considered to be an 51748
autistic child for purposes of this section. 51749

(b) The school district in which the child is entitled to 51750

(ii) Is eligible to enter school in any grade preschool 51758

a scholarship to the parent of each qualified special education 51771
child upon application of that parent pursuant to procedures and 51772
deadlines established by rule of the state board of education. 51773
Each scholarship shall be used only to pay tuition for the child 51774
on whose behalf the scholarship is awarded to attend a special 51775
education program that implements the child's individualized 51776
education program and that is operated by an alternative public 51777
provider or by a registered private provider. Each scholarship 51778
shall be in an amount not to exceed the lesser of the tuition 51779

the child's individualized education program is being developed by 51789
the school district in which the child is entitled to attend 51790
school, or while any administrative or judicial mediation or 51791
proceedings with respect to the content of the child's 51792
individualized education program are pending. A scholarship under 51793
this section shall not be used for a child to attend a public 51794
special education program that operates under a contract, compact, 51795
or other bilateral agreement between the school district in which 51796
the child is entitled to attend school and another school district 51797
or other public provider, or for a child to attend a community 51798
school established under Chapter 3314. of the Revised Code. 51799
However, nothing in this section or in any rule adopted by the 51800
state board shall prohibit a parent whose child attends a public 51801
special education program under a contract, compact, or other 51802
bilateral agreement, or a parent whose child attends a community 51803

school, from applying for and accepting a scholarship under this 51804
section so that the parent may withdraw the child from that 51805
program or community school and use the scholarship for the child 51806
to attend a special education program for which the parent is 51807
required to pay for services for the child. A child attending a 51808
special education program with a scholarship under this section 51809
shall continue to be entitled to transportation to and from that 51810
program in the manner prescribed by law. 51811

(C)(1) As prescribed in divisions (A)(2)(h), (B)(3)(g), and 51812
(B)(10) of section 3317.03 of the Revised Code, a child who is not 51813
a preschool child with a disability for whom a scholarship is 51814
awarded under this section shall be counted in the formula ADM and 51815
the category six special education ADM of the district in which 51816
the child is entitled to attend school and not in the formula ADM 51817
and the category six special education ADM of any other school 51818
district. As prescribed in divisions (B)(3)(h) and (B)(10) of 51819
section 3317.03 of the Revised Code, a child who is a preschool 51820
child with a disability for whom a scholarship is awarded under 51821
this section shall be counted in the preschool scholarship ADM and 51822
category six special education ADM of the school district in which 51823
the child is entitled to attend school and not in the preschool 51824
scholarship ADM or category six special education ADM of any other 51825
school district. 51826

(2) In each fiscal year, the department shall deduct from the 51827
amounts paid to each school district under ~~Chapter~~ Chapters 3306. 51828
and 3317. of the Revised Code, and, if necessary, sections 321.24 51829
and 323.156 of the Revised Code, the aggregate amount of 51830
scholarships awarded under this section for qualified special 51831
education children included in the formula ADM, or preschool 51832
scholarship ADM, and in the category six special education ADM of 51833
that school district as provided in division (C)(1) of this 51834
section. ~~The~~ When computing the school district's instructional 51835

services support under section 3306.05 of the Revised Code, the 51836
department shall add the district's preschool scholarship ADM to 51837
the district's formula ADM. 51838

The scholarships deducted shall be considered as an approved 51839
special education and related services expense ~~for the purpose of~~ 51840
the school ~~district's compliance with division (C)(5) of section~~ 51841
~~3317.022 of the Revised Code~~ district. 51842

(3) From time to time, the department shall make a payment to 51843
the parent of each qualified special education child for whom a 51844
scholarship has been awarded under this section. The scholarship 51845
amount shall be proportionately reduced in the case of any such 51846
child who is not enrolled in the special education program for 51847
which a scholarship was awarded under this section for the entire 51848
school year. The department shall make no payments to the parent 51849
of a child while any administrative or judicial mediation or 51850
proceedings with respect to the content of the child's 51851
individualized education program are pending. 51852

(D) A scholarship shall not be paid to a parent for payment 51853
of tuition owed to a nonpublic entity unless that entity is a 51854
registered private provider. The department shall approve entities 51855
that meet the standards established by rule of the state board for 51856
the program established under this section. 51857

(E) The state board shall adopt rules under Chapter 119. of 51858
the Revised Code prescribing procedures necessary to implement 51859
this section, including, but not limited to, procedures and 51860
deadlines for parents to apply for scholarships, standards for 51861
registered private providers, and procedures for approval of 51862
entities as registered private providers. 51863

Sec. 3311.059. The procedure prescribed in this section may 51864
be used in lieu of a transfer prescribed under section 3311.231 of 51865
the Revised Code. 51866

(A) Subject to divisions (B) and (C) of this section, a board of education of a local school district may by a resolution approved by a majority of all its members propose to sever that local school district from the territory of the educational service center in which the local school district is currently included and to instead annex the local school district to the territory of another educational service center, the current territory of which is adjacent to the territory of the educational service center in which the local school district is currently included. The resolution shall promptly be filed with the governing board of each educational service center affected by the resolution and with the superintendent of public instruction.

(B) The resolution adopted under division (A) of this section shall not be effective unless it is approved by the state board of education. In deciding whether to approve the resolution, the state board shall consider the ~~impact~~ financial, staffing, programmatic, and other impacts of ~~an~~ the severance and annexation on ~~both~~ the school district ~~and~~ the educational service center to which the district is proposed to be annexed, and the service center in which the district is currently located, including the effect on cost of operation and the ability of that both service center centers to continue to deliver services in a cost-effective and efficient manner. ~~The~~ The state board shall not vote on whether to approve the resolution until it has been presented on its agenda, which is not a consent agenda, and heard before the state board at not fewer than two separate meetings of the state board. There shall be at least thirty days between the meeting at which the state board first hears the matter of the resolution and the meeting at which the state board votes on whether to approve the resolution. The state board shall provide for public testimony at each hearing on the matter of the resolution, shall provide written prior notice of each hearing to the governing board of both educational service centers affected by the proposed action,

and shall attach to that written notice any documentation about 51900
the proposed action provided to the state board by the board of 51901
education of the local school district. 51902
51903

The severance of the local school district from one 51904
educational service center and its annexation to another 51905
educational service center under this section shall not be 51906
effective until one year after the first day of July following the 51907
later of the date that the state board of education approves the 51908
resolution or the date the board of elections certifies the 51909
results of the referendum election as provided in division (C) of 51910
this section. 51911

(C) Within sixty days following the date of the adoption of 51912
the resolution under division (A) of this section, the electors of 51913
the local school district may petition for a referendum vote on 51914
the resolution. The question whether to approve or disapprove the 51915
resolution shall be submitted to the electors of such school 51916
district if a number of qualified electors equal to twenty per 51917
cent of the number of electors in the school district who voted 51918
for the office of governor at the most recent general election for 51919
that office sign a petition asking that the question of whether 51920
the resolution shall be disapproved be submitted to the electors. 51921
The petition shall be filed with the board of elections of the 51922
county in which the school district is located. If the school 51923
district is located in more than one county, the petition shall be 51924
filed with the board of elections of the county in which the 51925
majority of the territory of the school district is located. The 51926
board shall certify the validity and sufficiency of the signatures 51927
on the petition. 51928

The board of elections shall immediately notify the board of 51929
education of the local school district and the governing board of 51930
each educational service center affected by the resolution that 51931

the petition has been filed. 51932

The effect of the resolution shall be stayed until the board 51933
of elections certifies the validity and sufficiency of the 51934
signatures on the petition. If the board of elections determines 51935
that the petition does not contain a sufficient number of valid 51936
signatures and sixty days have passed since the adoption of the 51937
resolution, the resolution shall become effective as provided in 51938
division (B) of this section. 51939

If the board of elections certifies that the petition 51940
contains a sufficient number of valid signatures, the board shall 51941
submit the question to the qualified electors of the school 51942
district on the day of the next general or primary election held 51943
at least seventy-five days after the board of elections certifies 51944
the validity and sufficiency of signatures on the petition. The 51945
election shall be conducted and canvassed and the results shall be 51946
certified in the same manner as in regular elections for the 51947
election of members of a board of education. 51948

If a majority of the electors voting on the question 51949
disapprove the resolution, the resolution shall not become 51950
effective. If a majority of the electors voting on the question 51951
approve the resolution, the resolution shall become effective as 51952
provided in division (B) of this section. 51953

(D) Upon the effective date of the severance of the local 51954
school district from one educational service center and its 51955
annexation to another educational service center as provided in 51956
division (B) of this section, the governing board of each 51957
educational service center shall take such steps for the election 51958
of members of the governing board and for organization of the 51959
governing board as prescribed in Chapter 3313. of the Revised 51960
Code. 51961

(E) If a school district is severed from one educational 51962

service center and annexed to another service center under this 51963
section, the board of education of that school district shall not 51964
propose a subsequent severance and annexation action under this 51965
section that would be effective sooner than five years after the 51966
effective date of the next previous severance and annexation 51967
action under this section. 51968

Sec. 3311.0510. (A) If all of the local school districts that 51969
make up the territory of an educational service center have 51970
severed from the territory of that service center pursuant to 51971
section 3311.059 of the Revised Code, upon the effective date of 51972
the severance of the last remaining local school district to make 51973
up the territory of the service center, the governing board of 51974
that service center shall be abolished and such service center 51975
shall be dissolved by order of the superintendent of public 51976
instruction. The superintendent's order shall provide for the 51977
equitable division and disposition of the assets, property, debts, 51978
and obligations of the service center among the local school 51979
districts, of which the territory of the service center is or 51980
previously was made up, and the city and exempted village school 51981
districts with which the service center had agreements under 51982
section 3313.843 of the Revised Code for the service center's last 51983
fiscal year of operation. The superintendent's order shall provide 51984
that the tax duplicate of each of those school districts shall be 51985
bound for and assume the district's equitable share of the 51986
outstanding indebtedness of the service center. The 51987
superintendent's order is final and is not appealable. 51988

Immediately upon the abolishment of the service center 51989
governing board pursuant to this section, the superintendent of 51990
public instruction shall appoint a qualified individual to 51991
administer the dissolution of the service center and to implement 51992
the terms of the superintendent's dissolution order. Prior to 51993
distributing assets to any school district under this section, but 51994

after paying in full other debts and obligations of the service center, the superintendent of public instruction may assess against the remaining assets of the service center the amount of the costs incurred by the department of education in performing the superintendent's duties under this division, including the fees, if any, owed to the individual appointed to administer the superintendent's dissolution order. Any excess cost incurred by the department under this division shall be divided equitably among the local school districts, of which the territory of the service center is or previously was made up, and the city and exempted village school districts with which the service center had agreements under section 3313.843 of the Revised Code for the service center's last fiscal year of operation. Each district's share of that excess cost shall be bound against the tax duplicate of that district.

(B) A final audit of the former service center shall be performed in accordance with procedures established by the auditor of state.

(C) The public records of an educational service center that is dissolved under this section shall be transferred in accordance with this division. Public records maintained by the service center in connection with services provided by the service center to local school districts shall be transferred to each of the respective local school districts. Public records maintained by the service center in connection with services provided under an agreement with a city or exempted village school district pursuant to section 3313.843 of the Revised Code shall be transferred to each of the respective city or exempted village school districts. All other public records maintained by the service center at the time the service center ceases operations shall be transferred to the Ohio historical society for analysis and disposition by the society in its capacity as archives administrator for the state

and its political subdivisions pursuant to division (C) of section 149.30 and section 149.31 of the Revised Code. 52027

transfer of such territory shall be governed by the agreement. If 52112
the agreement does not specify how the territory is to be dealt 52113
with, the boards of education of the district in which the 52114
territory is located and the urban school district shall negotiate 52115
with regard to the transfer of the territory which shall be 52116
transferred to the urban school district unless, not later than 52117
ninety days after the effective date of municipal annexation, the 52118

boards of education of both districts, by resolution adopted by a 52119
majority of the members of each board, agree that the territory 52120
will not be transferred and so inform the state board of 52121
education. 52122

If territory is transferred under this division the transfer 52123
shall take effect on the first day of July occurring not sooner 52124
than ninety-one days after the effective date of the municipal 52125
annexation. Territory transferred under this division need not be 52126
contiguous to the district to which it is transferred. 52127

(2) Territory annexed prior to September 24, 1986, by a city 52128
served by an urban school district shall not be subject to 52129
transfer under this section if the district in which the territory 52130
is located is a party to an annexation agreement or becomes a 52131
party to such an agreement not later than ninety days after 52132
September 24, 1986. If the district does not become a party to an 52133
annexation agreement within the ninety-day period, transfer of 52134
territory shall be governed by division (C)(2) of this section. If 52135
the district subsequently becomes a party to an agreement, 52136
territory annexed prior to September 24, 1986, other than 52137
territory annexed under division (C)(2) of this section prior to 52138
the effective date of the agreement, shall not be subject to 52139
transfer under this section. 52140

(F) An urban school district may enter into a comprehensive 52141
agreement with one or more school districts under which transfers 52142
of territory annexed by the city served by the urban school 52143
district after September 24, 1986, shall be governed by the 52144
agreement. Such agreement must provide for the establishment of a 52145
cooperative education program under section 3313.842 of the 52146
Revised Code in which all the parties to the agreement are 52147
participants and must be approved by resolution of the majority of 52148
the members of each of the boards of education of the school 52149
districts that are parties to it. An agreement may provide for 52150

interdistrict payments based on local revenue growth resulting 52151
from development in any territory annexed by the city served by 52152
the urban school district. 52153

An agreement entered into under this division may be altered, 52154
modified, or terminated only by agreement, by resolution approved 52155
by the majority of the members of each board of education, of all 52156
school districts that are parties to the agreement, except that 52157
with regard to any provision that affects only the urban school 52158
district and one of the other districts that is a party, that 52159
district and the urban district may modify or alter the agreement 52160
by resolution approved by the majority of the members of the board 52161
of that district and the urban district. Alterations, 52162
modifications, terminations, and extensions of an agreement 52163
entered into under this division do not require approval of the 52164
state board of education, but shall be filed with the board after 52165
approval and execution by the parties. 52166

If an agreement provides for interdistrict payments, each 52167
party to the agreement, except any school district specifically 52168
exempted by the agreement, shall agree to make an annual payment 52169
to the urban school district with respect to any of its territory 52170
that is annexed territory in an amount not to exceed the amount 52171
certified for that year under former section 3317.029 of the 52172
Revised Code as that section existed prior to July 1, 1998; except 52173
that such limitation of annual payments to amounts certified under 52174
former section 3317.029 of the Revised Code does not apply to 52175
agreements or extensions of agreements entered into on or after 52176
June 1, 1992, unless such limitation is expressly agreed to by the 52177
parties. The agreement may provide that all or any part of the 52178
payment shall be waived if the urban school district receives its 52179
payment with respect to such annexed territory under former 52180
section 3317.029 of the Revised Code and that all or any part of 52181
such payment may be waived if the urban school district does not 52182

receive its payment with respect to such annexed territory under 52183
such section. 52184

With respect to territory that is transferred to the urban 52185
school district after September 24, 1986, the agreement may 52186
provide for annual payments by the urban school district to the 52187
school district whose territory is transferred to the urban school 52188
district subsequent to annexation by the city served by the urban 52189
school district. 52190

(G) In the event territory is transferred from one school 52191
district to another under this section, an equitable division of 52192
the funds and indebtedness between the districts involved shall be 52193
made under the supervision of the state board of education and 52194
that board's decision shall be final. Such division shall not 52195
include funds payable to or received by a school district under 52196
Chapter 3306. or 3317. of the Revised Code or payable to or 52197
received by a school district from the United States or any 52198
department or agency thereof. In the event such transferred 52199
territory includes real property owned by a school district, the 52200
state board of education, as part of such division of funds and 52201
indebtedness, shall determine the true value in money of such real 52202
property and all buildings or other improvements thereon. The 52203
board of education of the school district receiving such territory 52204
shall forthwith pay to the board of education of the school 52205
district losing such territory such true value in money of such 52206
real property, buildings, and improvements less such percentage of 52207
the true value in money of each school building located on such 52208
real property as is represented by the ratio of the total 52209
enrollment in day classes of the pupils residing in the territory 52210
transferred enrolled at such school building in the school year in 52211
which such annexation proceedings were commenced to the total 52212
enrollment in day classes of all pupils residing in the school 52213
district losing such territory enrolled at such school building in 52214

such school year. The school district receiving such payment shall 52215
place the proceeds thereof in its sinking fund or bond retirement 52216
fund. 52217

(H) The state board of education, before approving such 52218
transfer of territory, shall determine that such payment has been 52219
made and shall apportion to the acquiring school district such 52220
percentage of the indebtedness of the school district losing the 52221
territory as is represented by the ratio that the assessed 52222
valuation of the territory transferred bears to the total assessed 52223
valuation of the entire school district losing the territory as of 52224
the effective date of the transfer, provided that in ascertaining 52225
the indebtedness of the school district losing the territory the 52226
state board of education shall disregard such percentage of the 52227
par value of the outstanding and unpaid bonds and notes of said 52228
school district issued for construction or improvement of the 52229
school building or buildings for which payment was made by the 52230
acquiring district as is equal to the percentage by which the true 52231
value in money of such building or buildings was reduced in fixing 52232
the amount of said payment. 52233

(I) No transfer of school district territory or division of 52234
funds and indebtedness incident thereto, pursuant to the 52235
annexation of territory to a city or village shall be completed in 52236
any other manner than that prescribed by this section regardless 52237
of the date of the commencement of such annexation proceedings, 52238
and this section applies to all proceedings for such transfers and 52239
divisions of funds and indebtedness pending or commenced on or 52240
after October 2, 1959. 52241

Sec. 3311.19. (A) The management and control of a joint 52242
vocational school district shall be vested in the joint vocational 52243
school district board of education. Where a joint vocational 52244
school district is composed only of two or more local school 52245

districts located in one county, or when all the participating 52246
districts are in one county and the boards of such participating 52247
districts so choose, the educational service center governing 52248
board of the county in which the joint vocational school district 52249
is located shall serve as the joint vocational school district 52250
board of education. Where a joint vocational school district is 52251
composed of local school districts of more than one county, or of 52252
any combination of city, local, or exempted village school 52253
districts or educational service centers, unless administration by 52254
the educational service center governing board has been chosen by 52255
all the participating districts in one county pursuant to this 52256
section, the board of education of the joint vocational school 52257
district shall be composed of one or more persons who are members 52258
of the boards of education from each of the city or exempted 52259
village school districts or members of the educational service 52260
centers' governing boards affected to be appointed by the boards 52261
of education or governing boards of such school districts and 52262
educational service centers. In such joint vocational school 52263
districts the number and terms of members of the joint vocational 52264
school district board of education and the allocation of a given 52265
number of members to each of the city and exempted village 52266
districts and educational service centers shall be determined in 52267
the plan for such district, provided that each such joint 52268
vocational school district board of education shall be composed of 52269
an odd number of members. 52270

(B) Notwithstanding division (A) of this section, a governing 52271
board of an educational service center that has members of its 52272
governing board serving on a joint vocational school district 52273
board of education may make a request to the joint vocational 52274
district board that the joint vocational school district plan be 52275
revised to provide for one or more members of boards of education 52276
of local school districts that are within the territory of the 52277
educational service district and within the joint vocational 52278

school district to serve in the place of or in addition to its 52279
educational service center governing board members. If agreement 52280
is obtained among a majority of the boards of education and 52281
governing boards that have a member serving on the joint 52282
vocational school district board of education and among a majority 52283
of the local school district boards of education included in the 52284
district and located within the territory of the educational 52285
service center whose board requests the substitution or addition, 52286
the state board of education may revise the joint vocational 52287
school district plan to conform with such agreement. 52288

(C) If the board of education of any school district or 52289
educational service center governing board included within a joint 52290
vocational district that has had its board or governing board 52291
membership revised under division (B) of this section requests the 52292
joint vocational school district board to submit to the state 52293
board of education a revised plan under which one or more joint 52294
vocational board members chosen in accordance with a plan revised 52295
under such division would again be chosen in the manner prescribed 52296
by division (A) of this section, the joint vocational board shall 52297
submit the revised plan to the state board of education, provided 52298
the plan is agreed to by a majority of the boards of education 52299
represented on the joint vocational board, a majority of the local 52300
school district boards included within the joint vocational 52301
district, and each educational service center governing board 52302
affected by such plan. The state board of education may revise the 52303
joint vocational school district plan to conform with the revised 52304
plan. 52305

(D) The vocational schools in such joint vocational school 52306
district shall be available to all youth of school age within the 52307
joint vocational school district subject to the rules adopted by 52308
the joint vocational school district board of education in regard 52309
to the standards requisite to admission. A joint vocational school 52310

district board of education shall have the same powers, duties, 52311
and authority for the management and operation of such joint 52312
vocational school district as is granted by law, except by this 52313
chapter and Chapters 124., 3306., 3317., 3323., and 3331. of the 52314
Revised Code, to a board of education of a city school district, 52315
and shall be subject to all the provisions of law that apply to a 52316
city school district, except such provisions in this chapter and 52317
Chapters 124., 3306., 3317., 3323., and 3331. of the Revised Code. 52318

(E) Where a governing board of an educational service center 52319
has been designated to serve as the joint vocational school 52320
district board of education, the educational service center 52321
superintendent shall be the executive officer for the joint 52322
vocational school district, and the governing board may provide 52323
for additional compensation to be paid to the educational service 52324
center superintendent by the joint vocational school district, but 52325
the educational service center superintendent shall have no 52326
continuing tenure other than that of educational service center 52327
superintendent. The superintendent of schools of a joint 52328
vocational school district shall exercise the duties and authority 52329
vested by law in a superintendent of schools pertaining to the 52330
operation of a school district and the employment and supervision 52331
of its personnel. The joint vocational school district board of 52332
education shall appoint a treasurer of the joint vocational school 52333
district who shall be the fiscal officer for such district and who 52334
shall have all the powers, duties, and authority vested by law in 52335
a treasurer of a board of education. Where a governing board of an 52336
educational service center has been designated to serve as the 52337
joint vocational school district board of education, such board 52338
may appoint the educational service center superintendent as the 52339
treasurer of the joint vocational school district. 52340

(F) Each member of a joint vocational school district board 52341
of education may be paid such compensation as the board provides 52342

by resolution, but it shall not exceed one hundred twenty-five 52343
dollars per member for each meeting attended plus mileage, at the 52344
rate per mile provided by resolution of the board, to and from 52345
meetings of the board. 52346

The board may provide by resolution for the deduction of 52347
amounts payable for benefits under section 3313.202 of the Revised 52348
Code. 52349

Each member of a joint vocational school district board may 52350
be paid such compensation as the board provides by resolution for 52351
attendance at an approved training program, provided that such 52352
compensation shall not exceed sixty dollars per day for attendance 52353
at a training program three hours or fewer in length and one 52354
hundred twenty-five dollars a day for attendance at a training 52355
program longer than three hours in length. However, no board 52356
member shall be compensated for the same training program under 52357
this section and section 3313.12 of the Revised Code. 52358

Sec. 3311.21. (A) In addition to the resolutions authorized 52359
by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of 52360
the Revised Code, the board of education of a joint vocational or 52361
cooperative education school district by a vote of two-thirds of 52362
its full membership may at any time adopt a resolution declaring 52363
the necessity to levy a tax in excess of the ten-mill limitation 52364
for a period not to exceed ten years to provide funds for any one 52365
or more of the following purposes, which may be stated in the 52366
following manner in such resolution, the ballot, and the notice of 52367
election: purchasing a site or enlargement thereof and for the 52368
erection and equipment of buildings; for the purpose of enlarging, 52369
improving, or rebuilding thereof; for the purpose of providing for 52370
the current expenses of the joint vocational or cooperative school 52371
district; or for a continuing period for the purpose of providing 52372
for the current expenses of the joint vocational or cooperative 52373

education school district. The resolution shall specify the amount 52374
of the proposed rate and, if a renewal, whether the levy is to 52375
renew all, or a portion of, the existing levy, and shall specify 52376
the first year in which the levy will be imposed. If the levy 52377
provides for but is not limited to current expenses, the 52378
resolution shall apportion the annual rate of the levy between 52379
current expenses and the other purpose or purposes. Such 52380
apportionment may but need not be the same for each year of the 52381
levy, but the respective portions of the rate actually levied each 52382
year for current expenses and the other purpose or purposes shall 52383
be limited by such apportionment. The portion of any such rate 52384
actually levied for current expenses of a joint vocational or 52385
cooperative education school district shall be used in applying 52386
division (A)(1) of section 3306.01 and division (A) of section 52387
3317.01 of the Revised Code. The portion of any such rate not 52388
apportioned to the current expenses of a joint vocational or 52389
cooperative education school district shall be used in applying 52390
division (B) of this section. On the adoption of such resolution, 52391
the joint vocational or cooperative education school district 52392
board of education shall certify the resolution to the board of 52393
elections of the county containing the most populous portion of 52394
the district, which board shall receive resolutions for filing and 52395
send them to the boards of elections of each county in which 52396
territory of the district is located, furnish all ballots for the 52397
election as provided in section 3505.071 of the Revised Code, and 52398
prepare the election notice; and the board of elections of each 52399
county in which the territory of such district is located shall 52400
make the other necessary arrangements for the submission of the 52401
question to the electors of the joint vocational or cooperative 52402
education school district at the next primary or general election 52403
occurring not less than seventy-five days after the resolution was 52404
received from the joint vocational or cooperative education school 52405
district board of education, or at a special election to be held 52406

at a time designated by the district board of education consistent 52407
with the requirements of section 3501.01 of the Revised Code, 52408
which date shall not be earlier than seventy-five days after the 52409
adoption and certification of the resolution. 52410

The board of elections of the county or counties in which 52411
territory of the joint vocational or cooperative education school 52412
district is located shall cause to be published in one or more 52413
newspapers of general circulation in that district an 52414
advertisement of the proposed tax levy question together with a 52415
statement of the amount of the proposed levy once a week for two 52416
consecutive weeks, prior to the election at which the question is 52417
to appear on the ballot, and, if the board of elections operates 52418
and maintains a web site, the board also shall post a similar 52419
advertisement on its web site for thirty days prior to that 52420
election. 52421

If a majority of the electors voting on the question of 52422
levying such tax vote in favor of the levy, the joint vocational 52423
or cooperative education school district board of education shall 52424
annually make the levy within the district at the rate specified 52425
in the resolution and ballot or at any lesser rate, and the county 52426
auditor of each affected county shall annually place the levy on 52427
the tax list and duplicate of each school district in the county 52428
having territory in the joint vocational or cooperative education 52429
school district. The taxes realized from the levy shall be 52430
collected at the same time and in the same manner as other taxes 52431
on the duplicate, and the taxes, when collected, shall be paid to 52432
the treasurer of the joint vocational or cooperative education 52433
school district and deposited to a special fund, which shall be 52434
established by the joint vocational or cooperative education 52435
school district board of education for all revenue derived from 52436
any tax levied pursuant to this section and for the proceeds of 52437
anticipation notes which shall be deposited in such fund. After 52438

the approval of the levy, the joint vocational or cooperative 52439
education school district board of education may anticipate a 52440
fraction of the proceeds of the levy and from time to time, during 52441
the life of the levy, but in any year prior to the time when the 52442
tax collection from the levy so anticipated can be made for that 52443
year, issue anticipation notes in an amount not exceeding fifty 52444
per cent of the estimated proceeds of the levy to be collected in 52445
each year up to a period of five years after the date of the 52446
issuance of the notes, less an amount equal to the proceeds of the 52447
levy obligated for each year by the issuance of anticipation 52448
notes, provided that the total amount maturing in any one year 52449
shall not exceed fifty per cent of the anticipated proceeds of the 52450
levy for that year. Each issue of notes shall be sold as provided 52451
in Chapter 133. of the Revised Code, and shall, except for such 52452
limitation that the total amount of such notes maturing in any one 52453
year shall not exceed fifty per cent of the anticipated proceeds 52454
of the levy for that year, mature serially in substantially equal 52455
installments, during each year over a period not to exceed five 52456
years after their issuance. 52457

(B) Prior to the application of section 319.301 of the 52458
Revised Code, the rate of a levy that is limited to, or to the 52459
extent that it is apportioned to, purposes other than current 52460
expenses shall be reduced in the same proportion in which the 52461
district's total valuation increases during the life of the levy 52462
because of additions to such valuation that have resulted from 52463
improvements added to the tax list and duplicate. 52464

(C) The form of ballot cast at an election under division (A) 52465
of this section shall be as prescribed by section 5705.25 of the 52466
Revised Code. 52467

Sec. 3311.29. (A) Except as provided under division (B) or 52468
(C) of this section, no school district shall be created and no 52469

school district shall exist which does not maintain within such 52470
district public schools consisting of grades kindergarten through 52471
twelve and any such existing school district not maintaining such 52472
schools shall be dissolved and its territory joined with another 52473
school district or districts by order of the state board of 52474
education if no agreement is made among the surrounding districts 52475
voluntarily, which order shall provide an equitable division of 52476
the funds, property, and indebtedness of the dissolved school 52477
district among the districts receiving its territory. The state 52478
board of education may authorize exceptions to school districts 52479
where topography, sparsity of population, and other factors make 52480
compliance impracticable. 52481

The superintendent of public instruction is without authority 52482
to distribute funds under ~~sections 3317.022 to 3317.025~~ Chapter 52483
3306. or 3317. of the Revised Code to any school district that 52484
does not maintain schools with grades kindergarten through twelve 52485
and to which no exception has been granted by the state board of 52486
education. 52487

(B) Division (A) of this section does not apply to any joint 52488
vocational school district or any cooperative education school 52489
district established pursuant to divisions (A) to (C) of section 52490
3311.52 of the Revised Code. 52491

(C)(1)(a) Except as provided in division (C)(3) of this 52492
section, division (A) of this section does not apply to any 52493
cooperative education school district established pursuant to 52494
section 3311.521 of the Revised Code nor to the city, exempted 52495
village, or local school districts that have territory within such 52496
a cooperative education district. 52497

(b) The cooperative district and each city, exempted village, 52498
or local district with territory within the cooperative district 52499
shall maintain the grades that the resolution adopted or amended 52500
pursuant to section 3311.521 of the Revised Code specifies. 52501

(2) Any cooperative education school district described under 52502
division (C)(1) of this section that fails to maintain the grades 52503
it is specified to operate shall be dissolved by order of the 52504
state board of education unless prior to such an order the 52505
cooperative district is dissolved pursuant to section 3311.54 of 52506
the Revised Code. Any such order shall provide for the equitable 52507
adjustment, division, and disposition of the assets, property, 52508
debts, and obligations of the district among each city, local, and 52509
exempted village school district whose territory is in the 52510
cooperative district and shall provide that the tax duplicate of 52511
each city, local, and exempted village school district whose 52512
territory is in the cooperative district shall be bound for and 52513
assume its share of the outstanding indebtedness of the 52514
cooperative district. 52515

(3) If any city, exempted village, or local school district 52516
described under division (C)(1) of this section fails to maintain 52517
the grades it is specified to operate the cooperative district 52518
within which it has territory shall be dissolved in accordance 52519
with division (C)(2) of this section and upon that dissolution any 52520
city, exempted village, or local district failing to maintain 52521
grades kindergarten through twelve shall be subject to the 52522
provisions for dissolution in division (A) of this section. 52523

Sec. 3311.52. A cooperative education school district may be 52524
established pursuant to divisions (A) to (C) of this section or 52525
pursuant to section 3311.521 of the Revised Code. 52526

(A) A cooperative education school district may be 52527
established upon the adoption of identical resolutions within a 52528

application to a commercial bank, underwriter, or other 52723
prospective lender or purchaser of its obligations for a loan in 52724
an amount sufficient to enable the district to open or remain open 52725
for instruction on all days set forth in its adopted school 52726
calendar but not to exceed the amount of the deficit certified. 52727

(E)(1) Any board of education that has applied for and been 52728

applicable parts thereof, as the plan required under this 52742
division. The board of education of a school district declared to 52743
be under a fiscal emergency pursuant to division (B) of section 52744
3316.03 of the Revised Code may utilize the financial recovery 52745
plan for the district, or applicable parts thereof, as the plan 52746
required under this division. Except for the plan of a school 52747
district under a fiscal emergency, the superintendent shall 52748
evaluate, make recommendations concerning, and approve or 52749
disapprove each plan. When a plan is submitted, the superintendent 52750

legislative districts include any or all of the territory of the 52752
school district submitting the plan. 52753

(2) The superintendent shall submit to the controlling board 52754

a copy of each plan the superintendent approves, or each plan 52755

recommendations regarding the plan and whether a proposed loan to 52759
the board of education should be approved for payment as provided 52760
in division (E)(3) of this section. The controlling board shall 52761
approve or disapprove the plan and the proposed loan presented to 52762
it by the superintendent. In the case of a district not under a 52763
fiscal emergency pursuant to division (B) of section 3316.03 of 52764
the Revised Code, the controlling board may require a board of 52765
education to implement the superintendent's recommendations for 52766
expenditure reductions or impose other requirements. Loan 52767
repayments shall be in accordance with a schedule approved by the 52768
superintendent, except that the principal amount of the loan shall 52769
be payable in monthly, semiannual, or annual installments of 52770
principal and interest that are substantially equal principal and 52771
interest installments. Except as otherwise provided in division 52772
(E)(2) of this section, repayment shall be made no later than the 52773
fifteenth day of June of the second fiscal year following the 52774

cent of the general fund expenditures of the district during the 52777
fiscal year shall repay the loan no later than the fifteenth day 52778
of June of the tenth fiscal year following the approval of the 52779
loan. In deciding whether to approve or disapprove a proposed 52780
loan, the controlling board shall consider the deficit certified 52781
by the auditor of state pursuant to this section. A board of 52782
education that has an outstanding loan approved pursuant to this 52783
section with a repayment date of more than two fiscal years after 52784
the date of approval of such loan may not apply for another loan 52785
with such a repayment date until the outstanding loan has been 52786
repaid. 52787

(3) If a board of education has submitted and received 52788
controlling board approval of a plan and proposed loan in 52789
accordance with this section, the superintendent of public 52790
instruction shall report to the controlling board the actual 52791
amounts loaned to the board of education. Such board of education 52792

education would otherwise receive pursuant to ~~sections 3317.022 to~~ 52794
~~3317.025~~ Chapter 3306. of the Revised Code first directly to the 52795
holders of the board of education's notes, or an agent thereof, 52796
such amounts as are specified under the terms of the loan. Such 52797
payments shall be made only from and to the extent of money 52798
appropriated by the general assembly for purposes of such 52799
sections. No note or other obligation of the board of education 52800
under the loan constitutes an obligation nor a debt or a pledge of 52801
the faith, credit, or taxing power of the state, and the holder or 52802
owner of such note or obligation has no right to have taxes levied 52803

Chapter 133. securities to the extent such division and the 52812
otherwise applicable provisions of Chapter 133. of the Revised 52813
Code are not inconsistent with this section, provided that in any 52814
event sections 133.24 and 5705.21 and divisions (A), (B), (C), and 52815
(E)(2) of section 133.10 of the Revised Code do not apply to such 52816
notes. 52817

(5) Notwithstanding section 133.36 or 3313.17, any other 52818
section of the Revised Code, or any other provision of law, a 52819

board of education that has received a loan under this section may 52820
not declare bankruptcy, so long as any portion of such loan 52821
remains unpaid. 52822

(F) Under this section and sections 3313.4810 and 3313.4811, 52823
"board of education" or "district board" includes the financial 52824
planning and supervision commission of a school district under a 52825
fiscal emergency pursuant to Chapter 3316. of the Revised Code 52826

Prior to the opening day of each school year, the board or governing authority shall inform each student enrolled in the school and the student's parent of the parental notification procedures included in the protocol.

(B) The board or governing authority shall update the safety plan at least once every three years and whenever a major modification to the building requires changes in the procedures outlined in the plan.

(C) The board or governing authority shall file a copy of the current safety plan and building blueprint with each law enforcement agency that has jurisdiction over the school building and, upon request, the fire department that serves the political subdivision in which the school building is located. The board or governing authority also shall file a copy of the current safety plan and a floor plan of the building, but not a building blueprint, with the attorney general, who shall post that information on the Ohio law enforcement gateway or its successor.

Copies of safety plans, building blueprints, and floor plans shall be filed as described in this division not later than the ninety-first day after ~~the effective date of this amendment~~ March 30, 2007. If a board or governing authority revises a safety plan, building blueprint, or floor plan after the initial filing, the board or governing authority shall file copies of the revised safety plan, building blueprint, or floor plan in the manner described in this division not later than the ninety-first day

after the revision is adopted. 52976

Copies of the safety plan and building blueprint are not a 52977
public record pursuant to section 149.433 of the Revised Code. 52978

Notwithstanding section 149.433 of the Revised Code, a 52979
building floor plan filed with the attorney general pursuant to 52980
this division is not a public record to the extent it is a record 52981
kept by the attorney general. This paragraph does not affect the 52982
status of a floor plan kept as a record by another public office. 52983

The board or governing authority, each law enforcement agency 52984
and fire department to which copies of the safety plan and 52985
building blueprint are provided, and the attorney general shall 52986
keep the copies in a secure place. 52987

(D) The board or governing authority shall grant access to 52988
each school building under its control to law enforcement 52989
personnel to enable the personnel to hold training sessions for 52990
responding to threats and emergency events affecting the building, 52991
provided that the access occurs outside of student instructional 52992
hours and an employee of the board or governing authority is 52993
present in the building during the training sessions. 52994

Sec. 3313.55. The board of education of any school district 52995
in which is located a state, district, county, or municipal 52996
hospital for children with epilepsy or any public institution, 52997
except state institutions for the care and treatment of 52998
delinquent, unstable, or socially maladjusted children, shall make 52999
provision for the education of all educable children therein; 53000
except that in the event another school district within the same 53001
county or an adjoining county is the source of sixty per cent or 53002
more of the children in said hospital or institution, the board of 53003
that school district shall make provision for the education of all 53004
the children therein. In any case in which a board provides 53005
educational facilities under this section, the board that provides 53006

the facilities shall be entitled to all moneys authorized for the 53007
attendance of pupils as provided in Chapter 3306. or 3317. of the 53008
Revised Code, tuition as provided in section 3317.08 of the 53009
Revised Code, and such additional compensation as is provided for 53010
crippled children in sections 3323.01 to 3323.12 of the Revised 53011
Code. Any board that provides the educational facilities for 53012
children in county or municipal institutions established for the 53013
care and treatment of children who are delinquent, unstable, or 53014
socially maladjusted shall not be entitled to any moneys provided 53015
for crippled children in sections 3323.01 to 3323.12 of the 53016
Revised Code. 53017

Sec. 3313.60. Notwithstanding division (D) of section 3311.52 53018

established pursuant to section 3311.521 of the Revised Code and 53086
each city, exempted village, and local school district that has 53087
territory within such a cooperative district, the curriculum 53088
adopted pursuant to divisions (A) to (D) of this section shall 53089
only include the study of the subjects that apply to the grades 53090
operated by each such school district. The curriculums for such 53091

However, no board of education shall prohibit a classroom teacher from providing in the teacher's classroom reasonable periods of time for the oral recitation of the pledge of allegiance to the flag. The policy adopted under this division, and a teacher who includes recitation of the pledge in the classroom, shall not require any student to participate in the recitation and shall prohibit the intimidation of any student by other students or staff aimed at coercing participation.

No board of education or employee of a city, local, exempted village, or joint vocational school district shall alter the words

used in the oral recitation of the pledge of allegiance to the 53130
flag from the words set forth in 4 U.S.C. 4. 53131

district pupils. 53142

(D) The board of education of each city, local, joint 53143
vocational, chartered community, and exempted village school 53144
district, and the Cleveland scholarship and tutoring program, 53145
shall require each district school to devote time on or about 53146
Veterans' day to an observance that conveys the meaning and 53147
significance of that day. The amount of time each school devotes 53148
to this observance shall be at least one hour or, in schools that 53149
schedule class periods of less than one hour, at least one 53150
standard class period. The board shall determine the specific 53151
activities to constitute the observance in each school in the 53152
district after consultation with the school's administrators. 53153

Sec. 3313.603. (A) As used in this section: 53154

(1) "One unit" means a minimum of one hundred twenty hours of 53155

53187
53188

graduation from every public and chartered nonpublic high school	53189
shall include twenty units that are designed to prepare students	53190
for the workforce and college. The units shall be distributed as	53191
follows:	53192
(1) English language arts, four units;	53193

Each school shall integrate the study of economics and	53214
financial literacy, as expressed in the social studies academic	53215
content standards adopted by the state board of education under	53216

division (A)(1) of section 3301.079 of the Revised Code and the 53217
academic content standards for financial literacy and 53218
entrepreneurship adopted under division (A)(2) of that section, 53219
into one or more existing social studies credits required under 53220
division (C)(6) of this section, or into the content of another 53221
class, so that every high school student receives instruction in 53222
those concepts. In developing the curriculum required by this 53223
paragraph, schools shall use available public-private partnerships 53224
and resources and materials that exist in business, industry, and 53225
through the centers for economics education at institutions of 53226
higher education in the state. 53227

(7) Five units consisting of one or any combination of 53228
foreign language, fine arts, business, career-technical education, 53229
family and consumer sciences, technology, agricultural education, 53230
or English language arts, mathematics, science, or social studies 53231
courses not otherwise required under division (C) of this section. 53232

Ohioans must be prepared to apply increased knowledge and 53233
skills in the workplace and to adapt their knowledge and skills 53234
quickly to meet the rapidly changing conditions of the 53235
twenty-first century. National studies indicate that all high 53236
school graduates need the same academic foundation, regardless of 53237
the opportunities they pursue after graduation. The goal of Ohio's 53238
system of elementary and secondary education is to prepare all 53239
students for and seamlessly connect all students to success in 53240
life beyond high school graduation, regardless of whether the next 53241
step is entering the workforce, beginning an apprenticeship, 53242
engaging in post-secondary training, serving in the military, or 53243
pursuing a college degree. 53244

The Ohio core curriculum is the standard expectation for all 53245
students entering ninth grade for the first time at a public or 53246
chartered nonpublic high school on or after July 1, 2010. A 53247
student may satisfy this expectation through a variety of methods, 53248

including, but not limited to, integrated, applied, 53249
career-technical, and traditional coursework. 53250

Whereas teacher quality is essential for student success in 53251
completing the Ohio core curriculum, the general assembly shall 53252
appropriate funds for strategic initiatives designed to strengthen 53253
schools' capacities to hire and retain highly qualified teachers 53254
in the subject areas required by the curriculum. Such initiatives 53255
are expected to require an investment of \$120,000,000 over five 53256
years. 53257

Stronger coordination between high schools and institutions 53258
of higher education is necessary to prepare students for more 53259
challenging academic endeavors and to lessen the need for academic 53260
remediation in college, thereby reducing the costs of higher 53261
education for Ohio's students, families, and the state. The state 53262
board of education, and the chancellor of the Ohio board of 53263
~~regents, and the partnership for continued learning~~ shall develop 53264
policies to ensure that only in rare instances will students who 53265
complete the Ohio core curriculum require academic remediation 53266
after high school. 53267

School districts, community schools, and chartered nonpublic 53268
schools shall integrate technology into learning experiences 53269
whenever practicable across the curriculum in order to maximize 53270
efficiency, enhance learning, and prepare students for success in 53271
the technology-driven twenty-first century. Districts and schools 53272
may use distance and web-based course delivery as a method of 53273
providing or augmenting all instruction required under this 53274
division, including laboratory experience in science. Districts 53275
and schools shall whenever practicable utilize technology access 53276
and electronic learning opportunities provided by the eTech Ohio 53277
commission, the Ohio learning network, education technology 53278
centers, public television stations, and other public and private 53279
providers. 53280

(D) Except as provided in division (E) of this section, a student who enters ninth grade on or after July 1, 2010, and before July 1, 2014, may qualify for graduation from a public or chartered nonpublic high school even though the student has not completed the Ohio core curriculum prescribed in division (C) of this section if all of the following conditions are satisfied:

(1) After the student has attended high school for two years, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under division (D)(1) of this section.

(3) The student and the student's parent, guardian, or custodian and a representative of the student's high school jointly develop an individual career plan for the student that specifies the student matriculating to a two-year degree program, acquiring a business and industry credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5) The student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

The ~~partnership for continued learning~~ department of 53312
education, in collaboration with the ~~department of education and~~ 53313
the chancellor of the Ohio board of regents, shall analyze student 53314
performance data to determine if there are mitigating factors that 53315
warrant extending the exception permitted by division (D) of this 53316
section to high school classes beyond those entering ninth grade 53317
before July 1, 2014. The ~~partnership~~ department shall submit its 53318
findings and any recommendations not later than August 1, 2014, to 53319
the speaker and minority leader of the house of representatives, 53320
the president and minority leader of the senate, the chairpersons 53321
and ranking minority members of the standing committees of the 53322
house of representatives and the senate that consider education 53323
legislation, the state board of education, and the superintendent 53324
of public instruction. 53325

(E) Each school district and chartered nonpublic school 53326
retains the authority to require an even more rigorous minimum 53327
curriculum for high school graduation than specified in division 53328
(B) or (C) of this section. A school district board of education, 53329
through the adoption of a resolution, or the governing authority 53330
of a chartered nonpublic school may stipulate any of the 53331
following: 53332

(1) A minimum high school curriculum that requires more than 53333
twenty units of academic credit to graduate; 53334

(2) An exception to the district's or school's minimum high 53335
school curriculum that is comparable to the exception provided in 53336
division (D) of this section but with additional requirements, 53337
which may include a requirement that the student successfully 53338
complete more than the minimum curriculum prescribed in division 53339
(B) of this section; 53340

(3) That no exception comparable to that provided in division 53341
(D) of this section is available. 53342

(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department of education, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the Ohio core curriculum prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions:

(1) The program serves only students not younger than sixteen years of age and not older than twenty-one years of age.

(2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs.

(3) The program requires students to attain at least the applicable score designated for each of the ~~tests~~ assessments prescribed under division (B)(1) of section 3301.0710 of the Revised Code or, to the extent prescribed by rule of the state board of education under division (E)(6) of section 3301.0712 of the Revised Code, division (B)(2) of that section.

(4) The program develops an individual career plan for the student that specifies the student's matriculating to a two-year degree program, acquiring a business and industry credential, or entering an apprenticeship.

(5) The program provides counseling and support for the student related to the plan developed under division (F)(4) of this section during the remainder of the student's high school experience.

(6) The program requires the student and the student's parent, guardian, or custodian to sign and file, in accordance with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the academic content standards adopted by the state board of education under section 3301.079 of the Revised Code will be taught and assessed.

If the department does not act either to grant the waiver or to reject the program application for the waiver within sixty days as required under this section, the waiver shall be considered to be granted.

(G) Every high school may permit students below the ninth grade to take advanced work ~~for~~. If a high school so permits, it shall award high school credit. ~~A high school for successful completion of the advanced work and~~ shall count such advanced work toward the graduation requirements of division (B) or (C) of this section if the advanced work was both:

(1) Taught by a person who possesses a license or certificate issued under section 3301.071, 3319.22, or 3319.222 of the Revised Code that is valid for teaching high school;

(2) Designated by the board of education of the city, local, or exempted village school district, the board of the cooperative education school district, or the governing authority of the chartered nonpublic school as meeting the high school curriculum requirements.

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript.

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses.

(I) Units earned in English language arts, mathematics, science, and social studies that are delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

(J) The state board of education, in consultation with the chancellor of the Ohio board of regents ~~and the partnership for continued learning~~, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. The state board shall adopt the plan not later than March 31, 2009, and commence phasing in the plan during the 2009-2010 school year. The plan shall include a standard method for recording demonstrated proficiency on high school transcripts. Each school district, community school, and chartered nonpublic school shall comply with the state board's plan adopted under this division and award units of high school credit in accordance with the plan. The state board may adopt existing methods for earning high school credit based on a demonstration of subject area competency as necessary prior to the 2009-2010 school year.

(K) This division does not apply to students who qualify for graduation from high school under division (D) or (F) of this section, or to students pursuing a career-technical instructional track as determined by the school district board of education or the chartered nonpublic school's governing authority. Nevertheless, the general assembly encourages such students to consider enrolling in a fine arts course as an elective.

Beginning with students who enter ninth grade for the first time on or after July 1, 2010, each student enrolled in a public or chartered nonpublic high school shall complete two semesters or the equivalent of fine arts to graduate from high school. The coursework may be completed in any of grades seven to twelve. Each student who completes a fine arts course in grade seven or eight may elect to count that course toward the five units of electives required for graduation under division (C)(7) of this section, if the course satisfied the requirements of division (G) of this section. In that case, the high school shall award the student high school credit for the course and count the course toward the five units required under division (C)(7) of this section. (2) For a child that does not receive special education in 54304
accordance with Chapter 3323. of the Revised Code, except as 54305
otherwise provided in division (C)(2)(d) of this section, if the 54306

(a) The district in which the child's parent resided at the 54309

In the case of a child to which division (C)(4) of this section applies, the total educational cost to be paid for the child shall be determined by a formula approved by the department of education, which formula shall be designed to calculate a per diem cost for the educational services provided to the child for each day the child is served and shall reflect the total actual cost incurred in providing those services. The department shall certify the total educational cost to be paid for the child to both the school district providing the educational services and, if different, the school district that is responsible to pay tuition for the child. services to the child. 54368

(D) Tuition required to be paid under divisions (C)(2) and 54369
(3)(a) of this section shall be computed in accordance with 54370
section 3317.08 of the Revised Code. Tuition required to be paid 54371
under division (C)(3)(b) of this section shall be computed in 54372

recover in a civil action the tuition and the expenses incurred in 54376
prosecuting the action, including court costs and reasonable 54377
attorney's fees. If the prosecuting attorney or city director of 54378

county or city general fund. 54383

(E) A board of education may enroll a child free of any 54384
tuition obligation for a period not to exceed sixty days, on the 54385

(4) Any child residing with a person other than the child's 54411
parent is entitled, for a period not to exceed twelve months, to 54412
attend school in the district in which that person resides if the 54413

returning to this state; 54420

(c) The name and address of the person with whom the child is 54421
living while the parent is outside the state. 54422

(5) Any child under the age of twenty-two years who, after 54423
the death of a parent, resides in a school district other than the 54424
district in which the child attended school at the time of the 54425

(6) A child under the age of twenty-two years who resides with a parent who is having a new house built in a school district outside the district where the parent is residing is entitled to attend school for a period of time in the district where the new house is being built. The district superintendent shall establish a period of time 54459
not to exceed ninety days during which the child entitled to 54460
attend school under division (F)(6) or (7) of this section may 54461
attend without tuition obligation. A student attending a school 54462
under division (F)(6) or (7) of this section shall be eligible to 54463
participate in interscholastic athletics under the auspices of 54464
that school, provided the board of education of the school 54465
district where the student's parent resides, by a formal action, 54466
releases the student to participate in interscholastic athletics 54467
at the school where the student is attending, and provided the 54468
student receives any authorization required by a public agency or 54469
private organization of which the school district is a member 54470
exercising authority over interscholastic sports. 54471

(8) A child whose parent is a full-time employee of a city, 54472
local, or exempted village school district, or of an educational 54473
service center, may be admitted to the schools of the district 54474
where the child's parent is employed, or in the case of a child 54475
whose parent is employed by an educational service center, in the 54476
district that serves the location where the parent's job is 54477
primarily located, provided the district board of education 54478
establishes such an admission policy by resolution adopted by a 54479
majority of its members. Any such policy shall take effect on the 54480
first day of the school year and the effective date of any 54481
amendment or repeal may not be prior to the first day of the 54482
subsequent school year. The policy shall be uniformly applied to 54483
all such children and shall provide for the admission of any such 54484
child upon request of the parent. No child may be admitted under 54485
this policy after the first day of classes of any school year. 54486

(9) A child who is with the child's parent under the care of 54487
a shelter for victims of domestic violence, as defined in section 54488
3113.33 of the Revised Code, is entitled to attend school free in 54489
the district in which the child is with the child's parent, and no 54490

other school district shall be required to pay tuition for the 54491
child's attendance in that school district. 54492

The enrollment of a child in a school district under this 54493
division shall not be denied due to a delay in the school 54494
district's receipt of any records required under section 3313.672 54495
of the Revised Code or any other records required for enrollment. 54496
Any days of attendance and any credits earned by a child while 54497
enrolled in a school district under this division shall be 54498
transferred to and accepted by any school district in which the 54499
child subsequently enrolls. The state board of education shall 54500
adopt rules to ensure compliance with this division. 54501

(10) Any child under the age of twenty-two years whose parent 54502
has moved out of the school district after the commencement of 54503
classes in the child's senior year of high school is entitled, 54504
subject to the approval of that district board, to attend school 54505
in the district in which the child attended school at the time of 54506
the parental move for the remainder of the school year and for one 54507
additional semester or equivalent term. A district board may also 54508
adopt a policy specifying extenuating circumstances under which a 54509
student may continue to attend school under division (F)(10) of 54510
this section for an additional period of time in order to 54511
successfully complete the high school curriculum for the 54512
individualized education program developed for the student by the 54513
high school pursuant to section 3323.08 of the Revised Code. 54514

(11) As used in this division, "grandparent" means a parent 54515
of a parent of a child. A child under the age of twenty-two years 54516
who is in the custody of the child's parent, resides with a 54517
grandparent, and does not require special education is entitled to 54518
attend the schools of the district in which the child's 54519
grandparent resides, provided that, prior to such attendance in 54520
any school year, the board of education of the school district in 54521
which the child's grandparent resides and the board of education 54522

of the school district in which the child's parent resides enter 54523
into a written agreement specifying that good cause exists for 54524
such attendance, describing the nature of this good cause, and 54525
consenting to such attendance. 54526

In lieu of a consent form signed by a parent, a board of 54527
education may request the grandparent of a child attending school 54528
in the district in which the grandparent resides pursuant to 54529
division (F)(11) of this section to complete any consent form 54530
required by the district, including any authorization required by 54531
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 54532
Code. Upon request, the grandparent shall complete any consent 54533
form required by the district. A school district shall not incur 54534
any liability solely because of its receipt of a consent form from 54535
a grandparent in lieu of a parent. 54536

Division (F)(11) of this section does not create, and shall 54537
not be construed as creating, a new cause of action or substantive 54538
legal right against a school district, a member of a board of 54539
education, or an employee of a school district. This section does 54540
not affect, and shall not be construed as affecting, any 54541
immunities from defenses to tort liability created or recognized 54542
by Chapter 2744. of the Revised Code for a school district, 54543
member, or employee. 54544

(12) A child under the age of twenty-two years is entitled to 54545
attend school in a school district other than the district in 54546
which the child is entitled to attend school under division (B), 54547
(C), or (E) of this section provided that, prior to such 54548
attendance in any school year, both of the following occur: 54549

(a) The superintendent of the district in which the child is 54550
entitled to attend school under division (B), (C), or (E) of this 54551
section contacts the superintendent of another district for 54552
purposes of this division; 54553

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of the Revised Code, the board of education of neither school district involved in the agreement is required to provide transportation for the student to and from the school where the student attends.

A student attending a school of a district pursuant to this division shall be allowed to participate in all student activities, including interscholastic athletics, at the school where the student is attending on the same basis as any student who has always attended the schools of that district while of compulsory school age.

(13) All school districts shall comply with the "McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for the education of homeless children. Each city, local, and exempted village school district shall comply with the requirements of that act governing the provision of a free, appropriate public education, including public preschool, to each homeless child.

When a child loses permanent housing and becomes a homeless person, as defined in 42 U.S.C.A. 11481(5), or when a child who is such a homeless person changes temporary living arrangements, the child's parent or guardian shall have the option of enrolling the child in either of the following:

(a) The child's school of origin, as defined in 42 U.S.C.A. 11432(g)(3)(C);

(b) The school that is operated by the school district in which the shelter where the child currently resides is located and that serves the geographic area in which the shelter is located.

(14) A child under the age of twenty-two years who resides with a person other than the child's parent is entitled to attend school in the school district in which that person resides if both of the following apply:

(a) That person has been appointed, through a military power of attorney executed under section 574(a) of the "National Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 U.S.C. 1044b, or through a comparable document necessary to complete a family care plan, as the parent's agent for the care, custody, and control of the child while the parent is on active duty as a member of the national guard or a reserve unit of the armed forces of the United States or because the parent is a member of the armed forces of the United States and is on a duty assignment away from the parent's residence.

(b) The military power of attorney or comparable document includes at least the authority to enroll the child in school.

The entitlement to attend school in the district in which the parent's agent under the military power of attorney or comparable document resides applies until the end of the school year in which the military power of attorney or comparable document expires.

(G) A board of education, after approving admission, may waive tuition for students who will temporarily reside in the district and who are either of the following:

(1) Residents or domiciliaries of a foreign nation who request admission as foreign exchange students;

(2) Residents or domiciliaries of the United States but not of Ohio who request admission as participants in an exchange program operated by a student exchange organization.

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 54616
3327.04, and 3327.06 of the Revised Code, a child may attend 54617
school or participate in a special education program in a school 54618
district other than in the district where the child is entitled to 54619
attend school under division (B) of this section. 54620

(I)(1) Notwithstanding anything to the contrary in this 54621
section or section 3313.65 of the Revised Code, a child under 54622
twenty-two years of age may attend school in the school district 54623
in which the child, at the end of the first full week of October 54624
of the school year, was entitled to attend school as otherwise 54625
provided under this section or section 3313.65 of the Revised 54626
Code, if at that time the child was enrolled in the schools of the 54627
district but since that time the child or the child's parent has 54628
relocated to a new address located outside of that school district 54629
and within the same county as the child's or parent's address 54630
immediately prior to the relocation. The child may continue to 54631
attend school in the district, and at the school to which the 54632
child was assigned at the end of the first full week of October of 54633
the current school year, for the balance of the school year. 54634
Division (I)(1) of this section applies only if both of the 54635
following conditions are satisfied: 54636

(a) The board of education of the school district in which 54637
the child was entitled to attend school at the end of the first 54638
full week in October and of the district to which the child or 54639
child's parent has relocated each has adopted a policy to enroll 54640
children described in division (I)(1) of this section. 54641

(b) The child's parent provides written notification of the 54642
relocation outside of the school district to the superintendent of 54643
each of the two school districts. 54644

(2) At the beginning of the school year following the school 54645
year in which the child or the child's parent relocated outside of 54646
the school district as described in division (I)(1) of this 54647

section, the child is not entitled to attend school in the school 54648
district under that division. 54649

(3) Any person or entity owing tuition to the school district 54650
on behalf of the child at the end of the first full week in 54651
October, as provided in division (C) of this section, shall 54652
continue to owe such tuition to the district for the child's 54653
attendance under division (I)(1) of this section for the lesser of 54654
the balance of the school year or the balance of the time that the 54655
child attends school in the district under division (I)(1) of this 54656
section. 54657

(4) A pupil who may attend school in the district under 54658
division (I)(1) of this section shall be entitled to 54659
transportation services pursuant to an agreement between the 54660
district and the district in which the child or child's parent has 54661
relocated unless the districts have not entered into such 54662
agreement, in which case the child shall be entitled to 54663
transportation services in the same manner as a pupil attending 54664
school in the district under interdistrict open enrollment as 54665
described in division (H) of section 3313.981 of the Revised Code, 54666
regardless of whether the district has adopted an open enrollment 54667
policy as described in division (B)(1)(b) or (c) of section 54668
3313.98 of the Revised Code. 54669

(J) This division does not apply to a child receiving special 54670
education. 54671

A school district required to pay tuition pursuant to 54672
division (C)(2) or (3) of this section or section 3313.65 of the 54673
Revised Code shall have an amount deducted under division (F) of 54674
section 3317.023 of the Revised Code equal to its own tuition rate 54675
for the same period of attendance. A school district entitled to 54676
receive tuition pursuant to division (C)(2) or (3) of this section 54677
or section 3313.65 of the Revised Code shall have an amount 54678
credited under division (F) of section 3317.023 of the Revised 54679

Code equal to its own tuition rate for the same period of 54680
attendance. If the tuition rate credited to the district of 54681
attendance exceeds the rate deducted from the district required to 54682
pay tuition, the department of education shall pay the district of 54683
attendance the difference from amounts deducted from all 54684
districts' payments under division (F) of section 3317.023 of the 54685
Revised Code but not credited to other school districts under such 54686
division and from appropriations made for such purpose. The 54687
treasurer of each school district shall, by the fifteenth day of 54688
January and July, furnish the superintendent of public instruction 54689
a report of the names of each child who attended the district's 54690
schools under divisions (C)(2) and (3) of this section or section 54691
3313.65 of the Revised Code during the preceding six calendar 54692
months, the duration of the attendance of those children, the 54693
school district responsible for tuition on behalf of the child, 54694
and any other information that the superintendent requires. 54695

Upon receipt of the report the superintendent, pursuant to 54696
division (F) of section 3317.023 of the Revised Code, shall deduct 54697
each district's tuition obligations under divisions (C)(2) and (3) 54698
of this section or section 3313.65 of the Revised Code and pay to 54699
the district of attendance that amount plus any amount required to 54700
be paid by the state. 54701

(K) In the event of a disagreement, the superintendent of 54702
public instruction shall determine the school district in which 54703
the parent resides. 54704

(L) Nothing in this section requires or authorizes, or shall 54705
be construed to require or authorize, the admission to a public 54706
school in this state of a pupil who has been permanently excluded 54707
from public school attendance by the superintendent of public 54708
instruction pursuant to sections 3301.121 and 3313.662 of the 54709
Revised Code. 54710

(M) In accordance with division (B)(1) of this section, a 54711

child whose parent is a member of the national guard or a reserve 54712
unit of the armed forces of the United States and is called to 54713
active duty, or a child whose parent is a member of the armed 54714
forces of the United States and is ordered to a temporary duty 54715
assignment outside of the district, may continue to attend school 54716
in the district in which the child's parent lived before being 54717
called to active duty or ordered to a temporary duty assignment 54718
outside of the district, as long as the child's parent continues 54719
to be a resident of that district, and regardless of where the 54720
child lives as a result of the parent's active duty status or 54721
temporary duty assignment. However, the district is not 54722
responsible for providing transportation for the child if the 54723
child lives outside of the district as a result of the parent's 54724
active duty status or temporary duty assignment. 54725

same or similar services. In that case, the other service center shall receive funding under division (F) of section 3317.11 of the Revised Code for services to that district for any subsequent year that the new agreement is in force. An agreement entered into under this division shall be effective on the first day of July following the date both the service center governing board and the city or exempted village school district board approved the agreement, unless the agreement is so approved after the initial service center is dissolved, in which case the agreement shall be effective on the date that both boards have approved the agreement.

(E) Except for an agreement under division (D) of this section that is approved by the boards of the district and the new service center after the initial service center is dissolved, any agreement entered into pursuant to this section shall be valid only if a copy is filed with the department of education by the first day of the school year for which the agreement is in effect. ~~(4)~~(5) From time to time, make legislative recommendations to 56015
the general assembly designed to enhance the operation and 56016
performance of community schools. 56017

(B)(1) ~~No~~ Except as provided in sections 3314.021 and 56018
3314.027 of the Revised Code, no entity listed in division (C)(1) 56019
of section 3314.02 of the Revised Code shall enter into a 56020
preliminary agreement under division (C)(2) of section 3314.02 of 56021
the Revised Code until it has received approval from the 56022
department of education to sponsor community schools under this 56023
chapter and has entered into a written agreement with the 56024
department regarding the manner in which the entity will conduct 56025
such sponsorship. The department shall adopt in accordance with 56026
Chapter 119. of the Revised Code rules containing criteria, 56027
procedures, and deadlines for processing applications for such 56028
approval, for oversight of sponsors, for revocation of the 56029
approval of sponsors, and for entering into written agreements 56030
with sponsors. The rules shall require an entity to submit 56031
evidence of the entity's ability and willingness to comply with 56032
the provisions of division (D) of section 3314.03 of the Revised 56033
Code. The rules also shall require entities approved as sponsors 56034
on and after June 30, 2005, to demonstrate a record of financial 56035
responsibility and successful implementation of educational 56036
programs. If an entity seeking approval on or after June 30, 2005, 56037
to sponsor community schools in this state sponsors or operates 56038
schools in another state, at least one of the schools sponsored or 56039
operated by the entity must be comparable to or better than the 56040

performance of Ohio schools in need of continuous improvement 56041
under section 3302.03 of the Revised Code, as determined by the 56042
department. 56043

An entity that sponsors community schools may enter into 56044
preliminary agreements and sponsor schools as follows, provided 56045
each school and the contract for sponsorship meets the 56046
requirements of this chapter: 56047

(a) An entity that sponsored fifty or fewer schools that were 56048
open for operation as of May 1, 2005, may sponsor not more than 56049
fifty schools. 56050

(b) An entity that sponsored more than fifty but not more 56051
than seventy-five schools that were open for operation as of May 56052
1, 2005, may sponsor not more than the number of schools the 56053
entity sponsored that were open for operation as of May 1, 2005. 56054

(c) Until June 30, 2006, an entity that sponsored more than 56055
seventy-five schools that were open for operation as of May 1, 56056
2005, may sponsor not more than the number of schools the entity 56057
sponsored that were open for operation as of May 1, 2005. After 56058
June 30, 2006, such an entity may sponsor not more than 56059
seventy-five schools. 56060

Upon approval of an entity to be a sponsor under this 56061
division, the department shall notify the entity of the number of 56062
schools the entity may sponsor. 56063

The limit imposed on an entity to which division (B)(1) of 56064
this section applies shall be decreased by one for each school 56065
sponsored by the entity that permanently closes. 56066

If at any time an entity exceeds the number of schools it may 56067
sponsor under this division, the department shall assist the 56068
schools in excess of the entity's limit in securing new sponsors. 56069
If a school is unable to secure a new sponsor, the department 56070
shall assume sponsorship of the school in accordance with division 56071

(C) of this section. Those schools for which another sponsor or 56072
the department assumes sponsorship shall be the schools that most 56073
recently entered into contracts with the entity under section 56074
3314.03 of the Revised Code. 56075

(2) The department of education shall determine, pursuant to 56076
criteria adopted by rule of the department, whether the mission 56077
proposed to be specified in the contract of a community school to 56078
be sponsored by a state university board of trustees or the 56079
board's designee under division (C)(1)(e) of section 3314.02 of 56080
the Revised Code complies with the requirements of that division. 56081
Such determination of the department is final. 56082

(3) The department of education shall determine, pursuant to 56083
criteria adopted by rule of the department, if any tax-exempt 56084
entity under section 501(c)(3) of the Internal Revenue Code that 56085
is proposed to be a sponsor of a community school is an 56086
education-oriented entity for purpose of satisfying the condition 56087
prescribed in division (C)(1)(f)(iii) of section 3314.02 of the 56088
Revised Code. Such determination of the department is final. 56089

(C) If at any time the state board of education finds that a 56090
sponsor is not in compliance or is no longer willing to comply 56091
with its contract with any community school or with the 56092
department's rules for sponsorship, the state board or designee 56093
shall conduct a hearing in accordance with Chapter 119. of the 56094
Revised Code on that matter. If after the hearing, the state board 56095
or designee has confirmed the original finding, the department of 56096
education may revoke the sponsor's approval to sponsor community 56097
schools and may assume the sponsorship of any schools with which 56098
the sponsor has contracted until the earlier of the expiration of 56099
two school years or until a new sponsor as described in division 56100
(C)(1) of section 3314.02 of the Revised Code is secured by the 56101
school's governing authority. The department may extend the term 56102
of the contract in the case of a school for which it has assumed 56103

sponsorship under this division as necessary to accommodate the 56104
term of the department's authorization to sponsor the school 56105
specified in this division. 56106

(D) The decision of the department to disapprove an entity 56107
for sponsorship of a community school or to revoke approval for 56108
such sponsorship, ~~as provided in~~ under division (C) of this 56109
section, may be appealed by the entity in accordance with section 56110
119.12 of the Revised Code. 56111

(E) The department shall adopt procedures for use by a 56112
community school governing authority and sponsor when the school 56113
permanently closes and ceases operation, which shall include at 56114
least procedures for data reporting to the department, handling of 56115
student records, distribution of assets in accordance with section 56116
3314.074 of the Revised Code, and other matters related to ceasing 56117
operation of the school. 56118

(F) In carrying out its duties under this chapter, the 56119
department shall not impose requirements on community schools or 56120
their sponsors that are not permitted by law or duly adopted 56121
rules. 56122

Sec. 3314.016. (A) After June 30, 2007, a new start-up school 56123
may be established under this chapter only if the school's 56124
governing authority enters into a contract with an operator that 56125
manages other schools in the United States that perform at a level 56126
higher than academic watch. The governing authority of the 56127
community school may sign a contract with an operator only if the 56128
operator has fewer contracts with the governing authorities of new 56129
start-up schools established under this chapter after June 30, 56130
2007, than the number of schools managed by the operator in the 56131
United States that perform at a level higher than academic watch, 56132
as determined by the department of education. However, the 56133
governing authority shall not contract with an operator that 56134

currently manages any community schools in Ohio for which the 56135
department issues annual report cards under section 3314.012 of 56136
the Revised Code, unless the latest report card issued for at 56137
least one of those schools designates a performance rating under 56138
section 3302.03 of the Revised Code of in need of continuous 56139
improvement or higher. 56140

(B) Notwithstanding division (A) of this section, the 56141
governing authority of a start-up school sponsored by an entity 56142
described in divisions (C)(1)(b) to (f) of section 3314.02 of the 56143
Revised Code may establish one additional school serving the same 56144
grade levels and providing the same educational program as the 56145
current start-up school and may open that additional school in the 56146

with the same sponsor or a different sponsor described in 56150
divisions (C)(1)(b) to (f) of section 3314.02 of the Revised Code 56151
and filed a copy of that contract with the superintendent of 56152

section 3302.01 of the Revised Code, for the previous school year. 56159

(c) The school has been in operation for at least four school 56160
years. 56161

(d) The school is not managed by an operator. 56162

(C) Notwithstanding division (A) of this section, the 56163
governing authority of a start-up school sponsored by the big 56164

eight school district in which the school is located may establish 56165
one additional start-up school that is located in the same school 56166
district and that provides a general educational program to 56167
students in any or all of grades kindergarten through five to 56168
facilitate their transition to the current start-up school, and 56169
may open the additional start-up school in the 2009-2010 school 56170
year, if both of the following conditions are met: 56171

(1) The governing authority enters into another contract with 56172
the same sponsor and files a copy of the contract with the 56173
superintendent of public instruction prior to March 15, 2009. 56174

(2) The governing authority's current school satisfies all of 56175
the following conditions: 56176

(a) The school provided instruction to students for eleven 56177
months in the previous school year. 56178

(4) With respect to the calculation of full-time equivalency under division (L)(3) of this section, the department shall waive the number of hours or days of learning opportunities not offered to a student because the community school was closed during the school year due to disease epidemic, hazardous weather conditions, inoperability of school buses or other equipment necessary to the school's operation, damage to a school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use, so long as the school was actually open for instruction with students in attendance during that school year for not less than the minimum number of hours required by this chapter. The department shall treat the school as if it were open for instruction with students in attendance during the hours or days waived under this division.

(M) The department of education shall reduce the amounts paid under division (D) of this section to reflect payments made to colleges under division (B) of section 3365.07 of the Revised Code or through alternative funding agreements entered into under rules adopted under section 3365.12 of the Revised Code.

(N)(1) No student shall be considered enrolled in any internet- or computer-based community school or, if applicable to the student, in any community school that is required to provide the student with a computer pursuant to division (C) of section 3314.22 of the Revised Code, unless both of the following conditions are satisfied:

(a) The student possesses or has been provided with all required hardware and software materials and all such materials are operational so that the student is capable of fully participating in the learning opportunities specified in the contract between the school and the school's sponsor as required by division (A)(23) of section 3314.03 of the Revised Code;

(b) The school is in compliance with division (A) of section

3314.22 of the Revised Code, relative to such student. 57247

(2) In accordance with policies adopted jointly by the 57248
superintendent of public instruction and the auditor of state, the 57249
department shall reduce the amounts otherwise payable under 57250
division (D) of this section to any community school that includes 57251
in its program the provision of computer hardware and software 57252
materials to any student, if such hardware and software materials 57253
have not been delivered, installed, and activated for each such 57254
student in a timely manner or other educational materials or 57255
services have not been provided according to the contract between 57256
the individual community school and its sponsor. 57257

The superintendent of public instruction and the auditor of 57258
state shall jointly establish a method for auditing any community 57259
school to which this division pertains to ensure compliance with 57260
this section. 57261

The superintendent, auditor of state, and the governor shall 57262
jointly make recommendations to the general assembly for 57263
legislative changes that may be required to assure fiscal and 57264
academic accountability for such schools. 57265

(O)(1) If the department determines that a review of a 57266
community school's enrollment is necessary, such review shall be 57267
completed and written notice of the findings shall be provided to 57268
the governing authority of the community school and its sponsor 57269
within ninety days of the end of the community school's fiscal 57270
year, unless extended for a period not to exceed thirty additional 57271
days for one of the following reasons: 57272

(a) The department and the community school mutually agree to 57273
the extension. 57274

(b) Delays in data submission caused by either a community 57275
school or its sponsor. 57276

(2) If the review results in a finding that additional 57277

funding is owed to the school, such payment shall be made within 57278
thirty days of the written notice. If the review results in a 57279
finding that the community school owes moneys to the state, the 57280
following procedure shall apply: 57281

(a) Within ten business days of the receipt of the notice of 57282
findings, the community school may appeal the department's 57283
determination to the state board of education or its designee. 57284

(b) The board or its designee shall conduct an informal 57285
hearing on the matter within thirty days of receipt of such an 57286
appeal and shall issue a decision within fifteen days of the 57287
conclusion of the hearing. 57288

(c) If the board has enlisted a designee to conduct the 57289
hearing, the designee shall certify its decision to the board. The 57290
board may accept the decision of the designee or may reject the 57291
decision of the designee and issue its own decision on the matter. 57292

(d) Any decision made by the board under this division is 57293
final. 57294

(3) If it is decided that the community school owes moneys to 57295
the state, the department shall deduct such amount from the 57296
school's future payments in accordance with guidelines issued by 57297
the superintendent of public instruction. 57298

~~(Q)~~(P) The department shall not subtract from a school 57299
district's state aid account under division (C) of this section 57300
and shall not pay to a community school under division (D) of this 57301
section any amount for any of the following: 57302

(1) Any student who has graduated from the twelfth grade of a 57303
public or nonpublic high school; 57304

(2) Any student who is not a resident of the state; 57305

(3) Any student who was enrolled in the community school 57306
during the previous school year when ~~tests~~ assessments were 57307

administered under section 3301.0711 of the Revised Code but did 57308
not take one or more of the ~~tests~~ assessments required by that 57309
section and was not excused pursuant to division (C)(1) or (3) of 57310
that section, unless the superintendent of public instruction 57311
grants the student a waiver from the requirement to take the ~~test~~ 57312
assessment and a parent is not paying tuition for the student 57313
pursuant to section 3314.26 of the Revised Code. The 57314
superintendent may grant a waiver only for good cause in 57315
accordance with rules adopted by the state board of education. 57316

(4) Any student who has attained the age of twenty-two years, 57317
except for veterans of the armed services whose attendance was 57318
interrupted before completing the recognized twelve-year course of 57319
the public schools by reason of induction or enlistment in the 57320
armed forces and who apply for enrollment in a community school 57321
not later than four years after termination of war or their 57322
honorable discharge. If, however, any such veteran elects to 57323
enroll in special courses organized for veterans for whom tuition 57324
is paid under federal law, or otherwise, the department shall not 57325
subtract from a school district's state aid account under division 57326
(C) of this section and shall not pay to a community school under 57327
division (D) of this section any amount for that veteran. 57328

Sec. 3314.085. (A) In each fiscal year beginning in fiscal 57329
year 2007, each internet- or computer-based community school shall 57330
spend for pupil instruction at least the amount per pupil 57331
designated in division (B)(1) of section 3317.012 of the Revised 57332
Code as the amount for base classroom teachers. For this purpose, 57333
expenditures for pupil instruction include expenditures for 57334
teachers, curriculum, academic materials ~~other than~~, computers, 57335
software, and any other instructional purposes designated in the 57336
rules adopted under this section. Expenditures to provide the 57337
computer hardware and filtering software required by sections 57338
3314.21 and 3314.22 of the Revised Code ~~do not~~ qualify as pupil 57339

instruction for purposes of this section. 57340

(B) Beginning in fiscal year 2007, each internet- or 57341
computer-based community school annually shall report data to the 57342
department of education concerning its expenditures for pupil 57343
instruction. Each school shall report the data in the form and 57344
manner required by the department. 57345

(C) If the department determines, after offering the school 57346
an opportunity for a hearing in accordance with Chapter 119. of 57347
the Revised Code, that an internet- or computer-based community 57348
school has failed in any fiscal year to comply with division (A) 57349
or (B) of this section, the department shall assess a fine against 57350
the school equivalent to the greater of the following: 57351

(1) Five per cent of the total state payments to the school 57352
under this chapter for the fiscal year in which the failure 57353
occurred; 57354

(2) The difference between the amount the department 57355
determines the school was required to have spent for pupil 57356
instruction and the amount the department determines the school 57357
actually spent for pupil instruction. 57358

The department's methods of collecting the fine may include 57359
withholding state payments under this chapter in the current or 57360
subsequent fiscal year. 57361

The department may cancel a fine it has imposed under this 57362
section if the school submits a plan for coming into compliance 57363
with the requirements of this section that the department 57364
approves, and the school demonstrates to the department's 57365
satisfaction that it is implementing the plan. 57366

(D) The superintendent of public instruction shall adopt 57367
rules in accordance with Chapter 119. of the Revised Code 57368
specifying expenditures that qualify as expenditures for pupil 57369

instruction for purposes of this section. 57370

Sec. 3314.087. (A) As used in this section: 57371

(1) "Career-technical program" means vocational programs or 57372
classes described in division (A) or (B) of section 3317.014 of 57373
the Revised Code in which a student is enrolled. 57374

(2) "Formula ADM," "category one or two vocational education 57375
ADM," and "FTE basis" have the same meanings as in section 3317.02 57376
of the Revised Code. 57377

(3) "Resident school district" means the city, exempted 57378
village, or local school district in which a student is entitled 57379
to attend school under section 3313.64 or 3313.65 of the Revised 57380
Code. 57381

(B) Notwithstanding anything to the contrary in this chapter 57382
or Chapter 3306. or 3317. of the Revised Code, a student enrolled 57383
in a community school may simultaneously enroll in the 57384
career-technical program operated by the student's resident school 57385
district. On an FTE basis, the student's resident school district 57386
shall count the student in the category one or two vocational 57387
education ADM for the proportion of the time the student is 57388
enrolled in the district's career-technical program and, 57389
accordingly, the department of education shall calculate funds 57390
under ~~Chapter~~ Chapters 3306. and 3317. for the district 57391
attributable to the student for the proportion of time the student 57392
attends the career-technical program. The community school shall 57393
count the student in its enrollment report under section 3314.08 57394
of the Revised Code and shall report to the department the 57395
proportion of time that the student attends classes at the 57396
community school. The department shall pay the community school 57397
and deduct from the student's resident school district the amount 57398
computed for the student under section 3314.08 of the Revised Code 57399
in proportion to the fraction of the time on an FTE basis that the 57400

student attends classes at the community school. "Full-time 57401
equivalency" for a community school student, as defined in 57402
division (L) of section 3314.08 of the Revised Code, does not 57403
apply to the student. 57404

Sec. 3314.088. (A) For purposes of applying sections 3314.08 57405
and 3314.13 of the Revised Code to fiscal years 2010 and 2011: 57406

(1) The base formula amount for community schools for fiscal 57407
year 2010 is \$5,718 and for fiscal year 2011 is \$5,703. These 57408
respective amounts shall be applied wherein sections 3314.08 and 57409
3314.13 of the Revised Code the base formula amount is specified, 57410
except for deducting and paying amounts for special education 57411
weighted funding and vocational education weighted funding. 57412

(2) The base funding supplements under section 3317.012 of 57413
the Revised Code shall be deemed in each year to be the amounts 57414
specified in that section for fiscal year 2009. 57415

(3) Special education additional weighted funding shall be 57416
calculated by multiplying the applicable weight specified in 57417
section 3317.013 of the Revised Code for fiscal year 2009 times 57418
\$5,732. 57419

(4) Vocational education additional weighted funding shall be 57420
calculated by multiplying the applicable weight specified in 57421
section 3317.014 of the Revised Code for fiscal year 2009 times 57422
\$5,732. 57423

(5) The per pupil amounts paid to a school district under 57424
sections 3317.029 and 3317.0217 of the Revised Code shall be 57425
deemed to be the respective per pupil amounts paid under those 57426
sections to that district for fiscal year 2009. 57427

(6) A community school may receive all-day kindergarten 57428
payments under section 3314.13 of the Revised Code only for 57429
all-day kindergarten students who are entitled to attend school in 57430

school districts that, for fiscal year 2009, met the eligibility 57431
requirements of division (D) of section 3317.029 of the Revised 57432
Code. For students entitled to attend school in such school 57433
districts that actually received payment for all-day kindergarten 57434
for fiscal year 2009, the payments to community schools under 57435
section 3314.13 of the Revised Code shall be deducted from the 57436
school district's state education aid. For students entitled to 57437
attend school in such school districts that did not receive 57438
payment for all-day kindergarten for fiscal year 2009, the 57439
payments to community schools under section 3314.13 of the Revised 57440
Code shall be paid out of the funds appropriated under 57441
appropriation item 200550, foundation funding, as appropriated in 57442
section 265.10 of Am. Sub. H.B. 1 of the 128th General Assembly. 57443
As used in this division, "entitled to attend school" has the same 57444
meaning as in section 3314.08 of the Revised Code. 57445

(B) For purposes of applying section 3314.085 of the Revised 57446
Code to fiscal years 2010 and 2011, the minimum per pupil 57447
expenditure required for pupil instruction under that section is 57448
\$2,931, which equals the minimum amount required by that section 57449
for fiscal year 2009. 57450

Sec. 3314.091. (A) A school district is not required to 57451
provide transportation for any native student enrolled in a 57452
community school if the district board of education has entered 57453
into an agreement with the community school's governing authority 57454
that designates the community school as responsible for providing 57455
or arranging for the transportation of the district's native 57456
students to and from the community school. For any such agreement 57457
to be effective, it must be certified by the superintendent of 57458
public instruction as having met all of the following 57459
requirements: 57460

(1) It is submitted to the department of education by a 57461

deadline which shall be established by the department. 57462

(2) In accordance with divisions (C)(1) and (2) of this 57463
section, it specifies qualifications, such as residing a minimum 57464
distance from the school, for students to have their 57465
transportation provided or arranged. 57466

(3) The transportation provided by the community school is 57467
subject to all provisions of the Revised Code and all rules 57468
adopted under the Revised Code pertaining to pupil transportation. 57469

(4) The sponsor of the community school also has signed the 57470
agreement. 57471

(B)(1) For the school year that begins on July 1, 2007, a 57472
school district is not required to provide transportation for any 57473
native student enrolled in a community school, if the community 57474
school during the previous school year transported the students 57475
enrolled in the school or arranged for the students' 57476
transportation, even if that arrangement consisted of having 57477
parents transport their children to and from the school, but did 57478
not enter into an agreement to transport or arrange for 57479
transportation for those students under division (A) of this 57480
section, and if the governing authority of the community school by 57481
July 15, 2007, submits written notification to the district board 57482
of education stating that the governing authority is accepting 57483
responsibility for providing or arranging for the transportation 57484
of the district's native students to and from the community 57485
school. 57486

(2) For any school year subsequent to the school year that 57487
begins on July 1, 2007, a school district is not required to 57488
provide transportation for any native student enrolled in a 57489
community school if the governing authority of the community 57490
school, by the thirty-first day of January of the previous school 57491
year, submits written notification to the district board of 57492

education stating that the governing authority is accepting 57493
responsibility for providing or arranging for the transportation 57494
of the district's native students to and from the community 57495
school. If the governing authority of the community school has 57496
previously accepted responsibility for providing or arranging for 57497
the transportation of a district's native students to and from the 57498
community school, under division (B)(1) or (2) of this section, 57499
and has since relinquished that responsibility under division 57500
(B)(3) of this section, the governing authority shall not accept 57501
that responsibility again unless the district board consents to 57502
the governing authority's acceptance of that responsibility. 57503

(3) A governing authority's acceptance of responsibility 57504
under division (B)(1) or (2) of this section shall cover an entire 57505
school year, and shall remain in effect for subsequent school 57506
years unless the governing authority submits written notification 57507
to the district board that the governing authority is 57508
relinquishing the responsibility. However, a governing authority 57509
shall not relinquish responsibility for transportation before the 57510
end of a school year, and shall submit the notice relinquishing 57511
responsibility by the thirty-first day of January, in order to 57512
allow the school district reasonable time to prepare 57513
transportation for its native students enrolled in the school. 57514

(C)(1) A community school governing authority that enters 57515
into an agreement under division (A) of this section, or that 57516
accepts responsibility under division (B) of this section, shall 57517
provide or arrange transportation free of any charge for each of 57518
its enrolled students who is required to be transported under 57519
section 3327.01 of the Revised Code or who would otherwise be 57520
transported by the school district under the district's 57521
transportation policy. The governing authority shall report to the 57522
department of education the number of students transported or for 57523
whom transportation is arranged under this section in accordance 57524

with rules adopted by the state board of education. 57525

(2) The governing authority may provide or arrange 57526
transportation for any other enrolled student who is not eligible 57527
for transportation in accordance with division (C)(1) of this 57528
section and may charge a fee for such service up to the actual 57529
cost of the service. 57530

(3) Notwithstanding anything to the contrary in division 57531
(C)(1) or (2) of this section, a community school governing 57532
authority shall provide or arrange transportation free of any 57533
charge for any disabled student enrolled in the school for whom 57534
the student's individualized education program developed under 57535
Chapter 3323. of the Revised Code specifies transportation. 57536

(D)(1) If a school district board and a community school 57537
governing authority elect to enter into an agreement under 57538
division (A) of this section, the department of education shall 57539
make payments to the community school according to the terms of 57540
the agreement for each student actually transported under division 57541
(C)(1) of this section. 57542

If a community school governing authority accepts 57543
transportation responsibility under division (B) of this section, 57544
the department shall make payments to the community school for 57545
each student actually transported or for whom transportation is 57546
arranged by the community school under division (C)(1) of this 57547
section, calculated as follows: 57548

(a) For any fiscal year which the general assembly has 57549
specified that transportation payments to school districts be 57550
based on an across-the-board percentage of the district's payment 57551
for the previous school year, the per pupil payment to the 57552
community school shall be the following quotient: 57553

(i) The total amount calculated for the school district in 57554
which the child is entitled to attend school for student 57555

transportation other than transportation of children with 57556
disabilities; divided by 57557

(ii) The number of students included in the district's 57558
transportation ADM for the current fiscal year, as reported under 57559
division (B)(13) of section 3317.03 of the Revised Code, plus the 57560
number of students enrolled in the community school not counted in 57561
the district's transportation ADM who are transported under 57562
division (B)(1) or (2) of this section. 57563

(b) For any fiscal year which the general assembly has 57564
specified that the transportation payments to school districts be 57565
calculated in accordance with ~~division (D) of section 3317.022~~ 57566
3306.12 of the Revised Code and any rules of the state board of 57567
education implementing that ~~division~~ section, the payment to the 57568
community school shall be the amount so calculated that otherwise 57569
would be paid to the school district in which the student is 57570
entitled to attend school by the method of transportation the 57571
district would have used. The community school, however, is not 57572
required to use the same method to transport that student. 57573

57574

As used in this division "entitled to attend school" means 57575
entitled to attend school under section 3313.64 or 3313.65 of the 57576
Revised Code. 57577

(2) The department shall deduct the payment under division 57578
(D)(1) of this section from the state education aid, as defined in 57579
section 3314.08 of the Revised Code, and, if necessary, the 57580
payment under sections 321.14 and 323.156 of the Revised Code, 57581
that is otherwise paid to the school district in which the student 57582
enrolled in the community school is entitled to attend school. The 57583
department shall include the number of the district's native 57584
students for whom payment is made to a community school under 57585
division (D)(1) of this section in the calculation of the 57586
district's transportation payment under ~~division (D) of section~~ 57587

~~3317.022~~ 3306.12 of the Revised Code and the operating 57588
appropriations act. 57589

(3) A community school shall be paid under division (D)(1) of 57590
this section only for students who are eligible as specified in 57591
section 3327.01 of the Revised Code and division (C)(1) of this 57592
section, and whose transportation to and from school is actually 57593
provided, who actually utilized transportation arranged, or for 57594
whom a payment in lieu of transportation is made by the community 57595
school's governing authority. To qualify for the payments, the 57596
community school shall report to the department, in the form and 57597
manner required by the department, data on the number of students 57598
transported or whose transportation is arranged, the number of 57599
miles traveled, cost to transport, and any other information 57600
requested by the department. 57601

(4) A community school shall use payments received under this 57602
section solely to pay the costs of providing or arranging for the 57603
transportation of students who are eligible as specified in 57604
section 3327.01 of the Revised Code and division (C)(1) of this 57605
section, which may include payments to a parent, guardian, or 57606
other person in charge of a child in lieu of transportation. 57607

(E) Except when arranged through payment to a parent, 57608
guardian, or person in charge of a child, transportation provided 57609
or arranged for by a community school pursuant to an agreement 57610
under this section is subject to all provisions of the Revised 57611
Code, and all rules adopted under the Revised Code, pertaining to 57612
the construction, design, equipment, and operation of school buses 57613
and other vehicles transporting students to and from school. The 57614
drivers and mechanics of the vehicles are subject to all 57615
provisions of the Revised Code, and all rules adopted under the 57616
Revised Code, pertaining to drivers and mechanics of such 57617
vehicles. The community school also shall comply with sections 57618
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 57619

of section 3327.16 of the Revised Code and, subject to division 57620
(C)(1) of this section, sections 3327.01 and 3327.02 of the 57621
Revised Code, as if it were a school district. 57622

Sec. 3314.10. (A)(1) The governing authority of any community 57623
school established under this chapter may employ teachers and 57624
nonteaching employees necessary to carry out its mission and 57625
fulfill its contract. 57626

(2) Except as provided under division (A)(3) of this section, 57627
employees hired under this section may organize and collectively 57628
bargain pursuant to Chapter 4117. of the Revised Code. 57629
Notwithstanding division (D)(1) of section 4117.06 of the Revised 57630
Code, a unit containing teaching and nonteaching employees 57631
employed under this section shall be considered an appropriate 57632
unit. As applicable, employment under this section is subject to 57633
either Chapter 3307. or 3309. of the Revised Code. 57634

(3) If a school is created by converting all or part of an 57635
existing public school rather than by establishment of a new 57636
start-up school, at the time of conversion, the employees of the 57637
community school shall remain part of any collective bargaining 57638
unit in which they were included immediately prior to the 57639
conversion and shall remain subject to any collective bargaining 57640
agreement for that unit in effect on the first day of July of the 57641
year in which the community school initially begins operation and 57642
shall be subject to any subsequent collective bargaining agreement 57643

division (A)(6) of this section with regard to those employees. 57645
Any new employees of the community school shall also be included 57646
in the unit to which they would have been assigned had not the 57647

as sufficient under division (A)(6) of this section with regard to 57650

those employees. 57651

Notwithstanding division (B) of section 4117.01 of the 57652
Revised Code, the board of education of a school district and not 57653
the governing authority of a community school shall be regarded, 57654
for purposes of Chapter 4117. of the Revised Code, as the "public 57655
employer" of the employees of a conversion community school 57656
subject to a collective bargaining agreement pursuant to division 57657
(A)(3) of this section unless a petition is certified under 57658
division (A)(6) of this section with regard to those employees. 57659
Only on and after the effective date of a petition certified as 57660
sufficient under division (A)(6) of this section shall division 57661
(A)(2) of this section apply to those employees of that community 57662
school and only on and after the effective date of that petition 57663
shall Chapter 4117. of the Revised Code apply to the governing 57664
authority of that community school with regard to those employees. 57665

(4) Notwithstanding sections 4117.03 to 4117.18 of the 57666
Revised Code and Section 4 of Amended Substitute Senate Bill No. 57667
133 of the 115th general assembly, the employees of a conversion 57668
community school who are subject to a collective bargaining 57669
agreement pursuant to division (A)(3) of this section shall cease 57670
to be subject to that agreement and all subsequent agreements 57671
pursuant to that division and shall cease to be part of the 57672
collective bargaining unit that is subject to that and all 57673
subsequent agreements, if a majority of the employees of that 57674
community school who are subject to that collective bargaining 57675
agreement sign and submit to the state employment relations board 57676
a petition requesting all of the following: 57677

(a) That all the employees of the community school who are 57678
subject to that agreement be removed from the bargaining unit that 57679
is subject to that agreement and be designated by the state 57680
employment relations board as a new and separate bargaining unit 57681
for purposes of Chapter 4117. of the Revised Code; 57682

(b) That the employee organization certified as the exclusive representative of the employees of the bargaining unit from which the employees are to be removed be certified as the exclusive representative of the new and separate bargaining unit for purposes of Chapter 4117. of the Revised Code;

(c) That the governing authority of the community school be regarded as the "public employer" of these employees for purposes of Chapter 4117. of the Revised Code.

(5) Notwithstanding sections 4117.03 to 4117.18 of the Revised Code and Section 4 of Amended Substitute Senate Bill No. 133 of the 115th general assembly, the employees of a conversion community school who are subject to a collective bargaining agreement pursuant to division (A)(3) of this section shall cease to be subject to that agreement and all subsequent agreements pursuant to that division, shall cease to be part of the collective bargaining unit that is subject to that and all subsequent agreements, and shall cease to be represented by any exclusive representative of that collective bargaining unit, if a majority of the employees of the community school who are subject to that collective bargaining agreement sign and submit to the state employment relations board a petition requesting all of the following:

(a) That all the employees of the community school who are subject to that agreement be removed from the bargaining unit that is subject to that agreement;

(b) That any employee organization certified as the exclusive representative of the employees of that bargaining unit be decertified as the exclusive representative of the employees of the community school who are subject to that agreement;

(c) That the governing authority of the community school be regarded as the "public employer" of these employees for purposes

of Chapter 4117. of the Revised Code. 57714

(6) Upon receipt of a petition under division (A)(4) or (5) 57715
of this section, the state employment relations board shall check 57716
the sufficiency of the signatures on the petition. If the 57717
signatures are found sufficient, the board shall certify the 57718
sufficiency of the petition and so notify the parties involved, 57719
including the board of education, the governing authority of the 57720
community school, and any exclusive representative of the 57721
bargaining unit. The changes requested in a certified petition 57722
shall take effect on the first day of the month immediately 57723
following the date on which the sufficiency of the petition is 57724
certified under division (A)(6) of this section. 57725

(B)(1) The board of education of each city, local, and 57726
exempted village school district sponsoring a community school and 57727
the governing board of each educational service center in which a 57728
community school is located shall adopt a policy that provides a 57729
leave of absence of at least three years to each teacher or 57730
nonteaching employee of the district or service center who is 57731
employed by a conversion or new start-up community school 57732
sponsored by the district or located in the district or center for 57733
the period during which the teacher or employee is continuously 57734
employed by the community school. The policy shall also provide 57735
that any teacher or nonteaching employee may return to employment 57736
by the district or service center if the teacher or employee 57737
leaves or is discharged from employment with the community school 57738
for any reason, unless, in the case of a teacher, the board of the 57739
district or service center determines that the teacher was 57740
discharged for a reason for which the board would have sought to 57741
discharge the teacher under section 3319.16 of the Revised Code, 57742
in which case the board may proceed to discharge the teacher 57743
utilizing the procedures of that section. Upon termination of such 57744
a leave of absence, any seniority that is applicable to the person 57745

shall be calculated to include all of the following: all 57746
employment by the district or service center prior to the leave of 57747
absence; all employment by the community school during the leave 57748
of absence; and all employment by the district or service center 57749
after the leave of absence. The policy shall also provide that if 57750
any teacher holding valid certification returns to employment by 57751
the district or service center upon termination of such a leave of 57752
absence, the teacher shall be restored to the previous position 57753
and salary or to a position and salary similar thereto. If, as a 57754
result of teachers returning to employment upon termination of 57755
such leaves of absence, a school district or educational service 57756
center reduces the number of teachers it employs, it shall make 57757
such reductions in accordance with section 3319.17 or, if 57758
applicable, 3319.171 of the Revised Code. 57759

Unless a collective bargaining agreement providing otherwise 57760
is in effect for an employee of a conversion community school 57761
pursuant to division (A)(3) of this section, an employee on a 57762
leave of absence pursuant to this division shall remain eligible 57763
for any benefits that are in addition to benefits under Chapter 57764
3307. or 3309. of the Revised Code provided by the district or 57765
service center to its employees provided the employee pays the 57766
entire cost associated with such benefits, except that personal 57767
leave and vacation leave cannot be accrued for use as an employee 57768
of a school district or service center while in the employ of a 57769
community school unless the district or service center board 57770
adopts a policy expressly permitting this accrual. 57771

(2) While on a leave of absence pursuant to division (B)(1) 57772
of this section, a conversion community school shall permit a 57773
teacher to use sick leave accrued while in the employ of the 57774
school district from which the leave of absence was taken and 57775
prior to commencing such leave. If a teacher who is on such a 57776
leave of absence uses sick leave so accrued, the cost of any 57777

salary paid by the community school to the teacher for that time 57778
shall be reported to the department of education. The cost of 57779
employing a substitute teacher for that time shall be paid by the 57780
community school. The department of education shall add amounts to 57781
the payments made to a community school under this chapter as 57782
necessary to cover the cost of salary reported by a community 57783
school as paid to a teacher using sick leave so accrued pursuant 57784
to this section. The department shall subtract the amounts of any 57785
payments made to community schools under this division from 57786
payments made to such sponsoring school district under ~~Chapter~~ 57787
Chapters 3306. and 3317. of the Revised Code. 57788

A school district providing a leave of absence and employee 57789
benefits to a person pursuant to this division is not liable for 57790
any action of that person while the person is on such leave and 57791
employed by a community school. 57792

Sec. 3314.13. ~~(A)~~ Payments and deductions under this section 57793
for fiscal years 2010 and 2011 shall be made in accordance with 57794
section 3314.088 of the Revised Code. 57795

(A) As used in this section: 57796

(1) "All-day kindergarten" has the same meaning as in section 57797
3317.029 of the Revised Code. 57798

(2) "Formula amount" has the same meaning as in section 57799
3317.02 of the Revised Code. 57800

(B) Except as provided in division (C) of this section, the 57801
department of education annually shall pay each community school 57802
established under this chapter one-half of the formula amount for 57803
each student to whom both of the following apply: 57804

(1) The student is entitled to attend school under section 57805
3313.64 or 3313.65 of the Revised Code in a school district that 57806
is eligible to receive a payment under division (D) of section 57807

3317.029 of the Revised Code if it provides all-day kindergarten; 57808

(2) The student is reported by the community school as 57809
enrolled in all-day kindergarten at the community school. 57810

(C) The department shall make no payments under this section 57811
to any internet- or computer-based community school. 57812

(D) If a student for whom payment is made under division (B) 57813
of this section is entitled to attend school in a district that 57814
receives any payment for all-day kindergarten under division (D) 57815
of section 3317.029 of the Revised Code, the department shall 57816
deduct the payment to the community school under this section from 57817
the amount paid that school district under that division. If that 57818
school district does not receive payment for all-day kindergarten 57819
under that division because it does not provide all-day 57820
kindergarten, the department shall pay the community school from 57821
state funds appropriated generally for poverty-based assistance to 57822
school districts. 57823

(E) The department shall adjust the amounts deducted from 57824
school districts and paid to community schools under this section 57825
to reflect any enrollments of students in all-day kindergarten in 57826
community schools for less than the equivalent of a full school 57827
year. 57828

Sec. 3314.19. The sponsor of each community school annually 57829

Revised Code; 57847

(D) That school personnel have the necessary training, 57848
knowledge, and resources to properly use and submit information to 57849
all databases maintained by the department for the collection of 57850
education data, including the education management information 57851
system established under section 3301.0714 of the Revised Code in 57852
accordance with methods and timelines established under section 57853
3314.17 of the Revised Code; 57854

Sec. 3314.25. the parent does not pay tuition as required by this division. 57925

faith take all reasonable steps necessary to collect and assemble 58055
in an orderly manner the educational records of each student who 58056

(B) No person required to collect, assemble, and transmit 58062
student records under division (A) of this section shall fail to 58063
comply with that division. 58064

(C) Whoever violates division (B) of this section is guilty 58065
of a misdemeanor in the third degree. 58066

Sec. 3315.37. The board of education of a school district may 58067
establish a teacher education loan program and may expend school 58068

section ~~3319.23~~ 3333.048 of the Revised Code, and who indicate an 58074

district board may forgive the obligation to repay any or all of 58076
the principal and interest on the loan if the borrower teaches in 58077

that school district. 58078

The district board shall adopt rules establishing eligibility 58079
criteria, application procedures, procedures for review of 58080

incidental to the operation of the program. 58084

The board may contract with a private, nonprofit foundation, 58085
one or more institutions of higher education, or other educational 58086
agencies to administer the program. 58087

The receipt of a loan under this section does not affect a 58088
student's eligibility for assistance, or the amount of such 58089
assistance, granted under section 3315.33, 3333.12, 3333.122, 58090
3333.22, 3333.26, ~~3333.27~~, 5910.04, or 5919.34 of the Revised 58091
Code, but the board's rules may provide for taking such assistance 58092
into consideration when determining a student's eligibility for a 58093
loan under this section. 58094

Sec. 3316.041. (A) Notwithstanding any provision of Chapter 58095
133. or sections 3313.483 to 3313.4811 of the Revised Code, and 58096
subject to the approval of the superintendent of public 58097
instruction, a school district that is in a state of fiscal watch 58098
declared under section 3316.03 of the Revised Code may restructure 58099
or refinance loans obtained or in the process of being obtained 58100
under section 3313.483 of the Revised Code if all of the following 58101
requirements are met: 58102

(1) The operating deficit certified for the school district 58103
for the current or preceding fiscal year under section 3313.483 of 58104
the Revised Code exceeds fifteen per cent of the district's 58105
general revenue fund for the fiscal year preceding the year for 58106
which the certification of the operating deficit is made. 58107

(2) The school district voters have, during the period of the fiscal watch, approved the levy of a tax under section 718.09, 718.10, 5705.194, 5705.21, or 5748.02 of the Revised Code that is not a renewal or replacement levy, or a levy under section 5705.199 of the Revised Code, and that will provide new operating revenue.

(3) The board of education of the school district has adopted or amended the financial plan required by section 3316.04 of the Revised Code to reflect the restructured or refinanced loans, and sets forth the means by which the district will bring projected operating revenues and expenditures, and projected debt service obligations, into balance for the life of any such loan.

(B) Subject to the approval of the superintendent of public instruction, the school district may issue securities to evidence the restructuring or refinancing authorized by this section. Such securities may extend the original period for repayment not to exceed ten years, and may alter the frequency and amount of repayments, interest or other financing charges, and other terms or agreements under which the loans were originally contracted, provided the loans received under sections 3313.483 of the Revised Code are repaid from funds the district would otherwise receive under ~~sections 3317.022 to 3317.025~~ Chapter 3306. of the Revised Code, as required under division (E)(3) of section 3313.483 of the Revised Code. Securities issued for the purpose of restructuring or refinancing under this section shall be repaid in equal payments and at equal intervals over the term of the debt and are not eligible to be included in any subsequent proposal to restructure or refinance.

(C) Unless the district is declared to be in a state of fiscal emergency under division (D) of section 3316.04 of the Revised Code, a school district shall remain in a state of fiscal watch for the duration of the repayment period of any loan

restructured or refinanced under this section. 58140

Sec. 3316.06. (A) Within one hundred twenty days after the 58141
first meeting of a school district financial planning and 58142
supervision commission, the commission shall adopt a financial 58143
recovery plan regarding the school district for which the 58144
commission was created. During the formulation of the plan, the 58145
commission shall seek appropriate input from the school district 58146
board and from the community. This plan shall contain the 58147
following: 58148

(1) Actions to be taken to: 58149

(a) Eliminate all fiscal emergency conditions declared to 58150
exist pursuant to division (B) of section 3316.03 of the Revised 58151
Code; 58152

(b) Satisfy any judgments, past-due accounts payable, and all 58153
past-due and payable payroll and fringe benefits; 58154

(c) Eliminate the deficits in all deficit funds, except that 58155
any prior year deficits in the textbook and instructional 58156
materials fund established pursuant to section 3315.17 of the 58157
Revised Code and the capital and maintenance fund established 58158
pursuant to section 3315.18 of the Revised Code shall be forgiven; 58159

(d) Restore to special funds any moneys from such funds that 58160
were used for purposes not within the purposes of such funds, or 58161
borrowed from such funds by the purchase of debt obligations of 58162
the school district with the moneys of such funds, or missing from 58163
the special funds and not accounted for, if any; 58164

(e) Balance the budget, avoid future deficits in any funds, 58165
and maintain on a current basis payments of payroll, fringe 58166
benefits, and all accounts; 58167

(f) Avoid any fiscal emergency condition in the future; 58168

(g) Restore the ability of the school district to market 58169

long-term general obligation bonds under provisions of law 58170
applicable to school districts generally. 58171

(2) The management structure that will enable the school 58172
district to take the actions enumerated in division (A)(1) of this 58173
section. The plan shall specify the level of fiscal and management 58174
control that the commission will exercise within the school 58175
district during the period of fiscal emergency, and shall 58176
enumerate respectively, the powers and duties of the commission 58177
and the powers and duties of the school board during that period. 58178
The commission may elect to assume any of the powers and duties of 58179
the school board it considers necessary, including all powers 58180
related to personnel, curriculum, and legal issues in order to 58181
successfully implement the actions described in division (A)(1) of 58182
this section. 58183

(3) The target dates for the commencement, progress upon, and 58184
completion of the actions enumerated in division (A)(1) of this 58185
section and a reasonable period of time expected to be required to 58186
implement the plan. The commission shall prepare a reasonable time 58187
schedule for progress toward and achievement of the requirements 58188
for the plan, and the plan shall be consistent with that time 58189
schedule. 58190

(4) The amount and purpose of any issue of debt obligations 58191
that will be issued, together with assurances that any such debt 58192
obligations that will be issued will not exceed debt limits 58193
supported by appropriate certifications by the fiscal officer of 58194
the school district and the county auditor. Debt obligations 58195
issued pursuant to section 133.301 of the Revised Code shall 58196
include assurances that such debt shall be in an amount not to 58197
exceed the amount certified under division (B) of such section. If 58198
the commission considers it necessary in order to maintain or 58199
improve educational opportunities of pupils in the school 58200
district, the plan may include a proposal to restructure or 58201

refinance outstanding debt obligations incurred by the board under 58202
section 3313.483 of the Revised Code contingent upon the approval, 58203
during the period of the fiscal emergency, by district voters of a 58204
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 58205
5748.02, or 5748.08 of the Revised Code that is not a renewal or 58206
replacement levy, or a levy under section 5705.199 of the Revised 58207
Code, and that will provide new operating revenue. Notwithstanding 58208
any provision of Chapter 133. or sections 3313.483 to 3313.4811 of 58209
the Revised Code, following the required approval of the district 58210
voters and with the approval of the commission, the school 58211
district may issue securities to evidence the restructuring or 58212
refinancing. Those securities may extend the original period for 58213
repayment, not to exceed ten years, and may alter the frequency 58214
and amount of repayments, interest or other financing charges, and 58215
other terms of agreements under which the debt originally was 58216
contracted, at the discretion of the commission, provided that any 58217
loans received pursuant to section 3313.483 of the Revised Code 58218
shall be paid from funds the district would otherwise receive 58219
under ~~sections 3317.022 to 3317.025~~ Chapter 3306. of the Revised 58220
Code, as required under division (E)(3) of section 3313.483 of the 58221
Revised Code. The securities issued for the purpose of 58222
restructuring or refinancing the debt shall be repaid in equal 58223
payments and at equal intervals over the term of the debt and are 58224
not eligible to be included in any subsequent proposal for the 58225
purpose of restructuring or refinancing debt under this section. 58226

(B) Any financial recovery plan may be amended subsequent to 58227
its adoption. Each financial recovery plan shall be updated 58228
annually. 58229

(C) Each school district financial planning and supervision 58230
commission shall submit the financial recovery plan it adopts or 58231
updates under this section to the state superintendent of public 58232
instruction for approval immediately following its adoption or 58233

updating. The state superintendent shall evaluate the plan and 58234
either approve or disapprove it within thirty calendar days from 58235
the date of its submission. If the plan is disapproved, the state 58236
superintendent shall recommend modifications that will render it 58237
acceptable. No financial planning and supervision commission shall 58238
implement a financial recovery plan that is adopted or updated on 58239
or after April 10, 2001, unless the state superintendent has 58240
approved it. 58241

Sec. 3316.20. (A)(1) The school district solvency assistance 58242
fund is hereby created in the state treasury, to consist of such 58243
amounts designated for the purposes of the fund by the general 58244
assembly. The fund shall be used to provide assistance and grants 58245
to school districts to enable them to remain solvent and to pay 58246
~~unforseeable~~ unforeseeable expenses of a temporary or emergency 58247
nature that they are unable to pay from existing resources. 58248

(2) There is hereby created within the fund an account known 58249
as the school district shared resource account, which shall 58250
consist of money appropriated to it by the general assembly. The 58251
money in the account shall be used solely for solvency assistance 58252
to school districts that have been declared under division (B) of 58253
section 3316.03 of the Revised Code to be in a state of fiscal 58254
emergency. 58255

(3) There is hereby created within the fund an account known 58256
as the catastrophic expenditures account, which shall consist of 58257
money appropriated to the account by the general assembly plus all 58258
investment earnings of the fund. Money in the account shall be 58259
used solely for the following: 58260

(a) Solvency assistance to school districts that have been 58261
declared under division (B) of section 3316.03 of the Revised Code 58262
to be in a state of fiscal emergency, in the event that all money 58263
in the shared resource account is utilized for solvency 58264

assistance; 58265

(b) Grants to school districts under division (C) of this 58266
section. 58267

(B) Solvency assistance payments under division (A)(2) or 58268
(3)(a) of this section shall be made from the fund by the 58269
superintendent of public instruction in accordance with rules 58270
adopted by the director of budget and management, after consulting 58271
with the superintendent, specifying approval criteria and 58272
procedures necessary for administering the fund. 58273

The fund shall be reimbursed for any solvency assistance 58274
amounts paid under division (A)(2) or (3)(a) of this section not 58275
later than the end of the second fiscal year following the fiscal 58276
year in which the solvency assistance payment was made. If not 58277
made directly by the school district, such reimbursement shall be 58278
made by the director of budget and management from the amounts the 58279
school district would otherwise receive pursuant to ~~sections~~ 58280
~~3317.022 to 3317.025~~ Chapter 3306. of the Revised Code, or from 58281
any other funds appropriated for the district by the general 58282
assembly. Reimbursements shall be credited to the respective 58283
account from which the solvency assistance paid to the district 58284
was deducted. 58285

(C) The superintendent of public instruction may make 58286
recommendations, and the controlling board may grant money from 58287
the catastrophic expenditures account to any school district that 58288
suffers an unforeseen catastrophic event that severely depletes 58289
the district's financial resources. The superintendent shall make 58290
recommendations for the grants in accordance with rules adopted by 58291
the director of budget and management, after consulting with the 58292
superintendent. A school district shall not be required to repay 58293
any grant awarded to the district under this division, unless the 58294
district receives money from this state or a third party, 58295
including an agency of the government of the United States, 58296

specifically for the purpose of compensating the district for 58297
revenue lost or expenses incurred as a result of the unforeseen 58298
catastrophic event. If a school district receives a grant from the 58299
catastrophic expenditures account on the basis of the same 58300
circumstances for which an adjustment or recomputation is 58301
authorized under section 3317.025, 3317.026, 3317.027, 3317.028, 58302
3317.0210, or 3317.0211 of the Revised Code, the department of 58303
education shall reduce the adjustment or recomputation by an 58304
amount not to exceed the total amount of the grant, and an amount 58305
equal to the reduction shall be transferred, from the funding 58306
source from which the adjustment or recomputation would be paid, 58307
to the catastrophic expenditures account. Any adjustment or 58308
recomputation under such sections that is in excess of the total 58309
amount of the grant shall be paid to the school district. 58310

Sec. 3317.01. As used in this section and section 3317.011 of 58311
the Revised Code, "school district," unless otherwise specified, 58312
means any city, local, exempted village, joint vocational, or 58313
cooperative education school district and any educational service 58314
center. 58315

This chapter shall be administered by the state board of 58316
education. The superintendent of public instruction shall 58317
calculate the amounts payable to each school district and shall 58318
certify the amounts payable to each eligible district to the 58319
treasurer of the district as provided by this chapter. As soon as 58320
possible after such amounts are calculated, the superintendent 58321
shall certify to the treasurer of each school district the 58322
district's adjusted charge-off increase, as defined in section 58323
5705.211 of the Revised Code. No moneys shall be distributed 58324
pursuant to this chapter without the approval of the controlling 58325
board. 58326

The state board of education shall, in accordance with 58327

appropriations made by the general assembly, meet the financial 58328
obligations of this chapter. 58329

~~Annually, the department of education shall calculate and 58330
report to each school district the district's total state and 58331
local funds for providing an adequate basic education to the 58332
district's nondisabled students, utilizing the determination in 58333
section 3317.012 of the Revised Code. In addition, the department 58334
shall calculate and report separately for each school district the 58335
district's total state and local funds for providing an adequate 58336
education for its students with disabilities, utilizing the 58337
determinations in both sections 3317.012 and 3317.013 of the 58338
Revised Code. 58339~~

~~Not later than the thirty first day of August of each fiscal 58340
year, the department of education shall provide to each school 58341
district and county MR/DD board a preliminary estimate of the 58342
amount of funding that the department calculates the district will 58343
receive under each of divisions (C)(1) and (4) of section 3317.022 58344
of the Revised Code. No later than the first day of December of 58345
each fiscal year, the department shall update that preliminary 58346
estimate. 58347~~

Moneys distributed pursuant to this chapter shall be 58348
calculated and paid on a fiscal year basis, beginning with the 58349
first day of July and extending through the thirtieth day of June. 58350
The moneys appropriated for each fiscal year shall be distributed 58351
~~at least monthly~~ periodically to each school district unless 58352
otherwise provided for. The state board shall submit a yearly 58353
distribution plan to the controlling board at its first meeting in 58354
July. The state board shall submit any proposed midyear revision 58355
of the plan to the controlling board in January. Any year-end 58356
revision of the plan shall be submitted to the controlling board 58357
in June. If moneys appropriated for each fiscal year are 58358
distributed other than monthly, such distribution shall be on the 58359

same basis for each school district. 58360

~~The total amounts paid each month shall constitute, as nearly 58361
as possible, one twelfth of the total amount payable for the 58362
entire year. 58363~~

~~Until fiscal year 2007, payments made during the first six 58364
months of the fiscal year may be based on an estimate of the 58365
amounts payable for the entire year. Payments made in the last six 58366
months shall be based on the final calculation of the amounts 58367
payable to each school district for that fiscal year. Payments 58368
made in the last six months may be adjusted, if necessary, to 58369
correct the amounts distributed in the first six months, and to 58370
reflect enrollment increases when such are at least three per 58371
cent. 58372~~

~~Beginning in fiscal year 2007, payments shall be calculated 58373
to reflect the biannual reporting of average daily membership. In 58374
fiscal year 2007 and in each fiscal year thereafter, annualized 58375
periodic payments for each school district shall be based on the 58376
district's final student counts verified by the superintendent of 58377
public instruction based on reports under section 3317.03 of the 58378
Revised Code, as adjusted, if so ordered, under division (K) of 58379
that section, as follows: 58380~~

~~the sum of one half of the number of students verified 58381
and adjusted for the first full week in October 58382
plus one half of the average of the numbers 58383
verified and adjusted for the first full week 58384
in October and for the first full week in February 58385~~

Except as otherwise provided, payments under this chapter 58386
shall be made only to those school districts in which: 58387

(A) The school district, except for any educational service 58388
center and any joint vocational or cooperative education school 58389
district, levies for current operating expenses at least twenty 58390

mills. Levies for joint vocational or cooperative education school 58391
districts or county school financing districts, limited to or to 58392
the extent apportioned to current expenses, shall be included in 58393
this qualification requirement. School district income tax levies 58394
under Chapter 5748. of the Revised Code, limited to or to the 58395
extent apportioned to current operating expenses, shall be 58396
included in this qualification requirement to the extent 58397
determined by the tax commissioner under division (D) of section 58398
3317.021 of the Revised Code. 58399

(B) The school year next preceding the fiscal year for which 58400
such payments are authorized meets the requirement of section 58401
3313.48 or 3313.481 of the Revised Code, with regard to the 58402
minimum number of days or hours school must be open for 58403
instruction with pupils in attendance, for individualized 58404
parent-teacher conference and reporting periods, and for 58405
professional meetings of teachers. This requirement shall be 58406
waived by the superintendent of public instruction if it had been 58407
necessary for a school to be closed because of disease epidemic, 58408
hazardous weather conditions, inoperability of school buses or 58409
other equipment necessary to the school's operation, damage to a 58410
school building, or other temporary circumstances due to utility 58411
failure rendering the school building unfit for school use, 58412
provided that for those school districts operating pursuant to 58413
section 3313.48 of the Revised Code the number of days the school 58414
was actually open for instruction with pupils in attendance and 58415
for individualized parent-teacher conference and reporting periods 58416
is not less than one hundred seventy-five, or for those school 58417
districts operating on a trimester plan the number of days the 58418
school was actually open for instruction with pupils in attendance 58419
not less than seventy-nine days in any trimester, for those school 58420
districts operating on a quarterly plan the number of days the 58421
school was actually open for instruction with pupils in attendance 58422
not less than fifty-nine days in any quarter, or for those school 58423

districts operating on a pentamester plan the number of days the school was actually open for instruction with pupils in attendance not less than forty-four days in any pentamester. However, for fiscal year 2012, the superintendent shall waive two fewer such days for the 2010-2011 school year.

A school district shall not be considered to have failed to comply with this division or section 3313.481 of the Revised Code because schools were open for instruction but either twelfth grade students were excused from attendance for up to three days or only a portion of the kindergarten students were in attendance for up to three days in order to allow for the gradual orientation to school of such students.

The superintendent of public instruction shall waive the requirements of this section with reference to the minimum number of days or hours school must be in session with pupils in attendance for the school year succeeding the school year in which a board of education initiates a plan of operation pursuant to section 3313.481 of the Revised Code. The minimum requirements of this section shall again be applicable to such a district beginning with the school year commencing the second July succeeding the initiation of one such plan, and for each school year thereafter.

A school district shall not be considered to have failed to comply with this division or section 3313.48 or 3313.481 of the Revised Code because schools were open for instruction but the length of the regularly scheduled school day, for any number of days during the school year, was reduced by not more than two hours due to hazardous weather conditions.

(C) The school district has on file, and is paying in accordance with, a teachers' salary schedule which complies with section 3317.13 of the Revised Code.

A board of education or governing board of an educational service center which has not conformed with other law and the rules pursuant thereto, shall not participate in the distribution of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 3317.16, 3317.17, and 3317.19 of the Revised Code, except for good and sufficient reason established to the satisfaction of the state board of education and the state controlling board.

All funds allocated to school districts under this chapter, except those specifically allocated for other purposes, shall be used to pay current operating expenses only.

Sec. 3317.011. On or before the ~~third Wednesday~~ last day of each month, the department of education shall certify to the director of budget and management for payment, for each county:

(A)(1) That portion of the allocation of money under sections 3317.022 to 3317.0211, 3317.11, 3317.16, 3317.17, and 3317.19 of the Revised Code that is required to be paid in that month to each school district located wholly within the county subsequent to the deductions described in division (A)(2) of this section; and

(2) The amounts deducted from such allocation under sections 3307.31 and 3309.51 of the Revised Code for payment directly to the school employees and state teachers retirement systems under such sections.

(B) If the district is located in more than one county, an apportionment of the amounts that would otherwise be certified under division (A) of this section. The amounts apportioned to the county shall equal the amounts certified under division (A) of this section times the percentage of the district's resident pupils who reside both in the district and in the county, based on the average daily membership reported under division (A) of section 3317.03 of the Revised Code in October of the prior fiscal year.

constructed within the district during its existence exceed the 58927
amount the state pays the school district under section 3317.022 58928
of the Revised Code attributable to such property exemption from 58929
the school district's recognized valuation. The analysis shall be 58930

sections specified in this division, by (b) a fraction, the 58971
numerator of which is the difference between (i) the amount of 58972
anticipated revenue such school district would have received for 58973
the preceding tax year if the real property exempted from taxation 58974
had not been exempted from taxation and (ii) the aggregate amount 58975
of payments in lieu of taxes on the exempt real property for the 58976
preceding tax year and other compensation received for the 58977
preceding tax year by the school district pursuant to any 58978

annually to allow for monitoring compliance with division (C)(5) 59274
of this section. The department shall annually report to the 59275
governor and the general assembly the amount of money spent by 59276
each school district for special education and related services. 59277

(6) In any fiscal year, a school district shall spend for the 59278
provision of speech language pathology services not less than the 59279
sum of the amount calculated under division (C)(1) of this section 59280
for the students in the district's category one special education 59281
ADM and the amount calculated under division (C)(4) of this 59282
section. 59283

(D)(1) As used in this division: 59284

(a) "Daily bus miles per student" equals the number of bus 59285
miles traveled per day, divided by transportation base. 59286

(b) "Transportation base" equals total student count as 59287
defined in section 3301.011 of the Revised Code, minus the number 59288
of students enrolled in units for preschool children with 59289
disabilities, plus the number of nonpublic school students 59290

included in transportation ADM. 59291

(c) "Transported student percentage" equals transportation 59292
ADM divided by transportation base. 59293

(d) "Transportation cost per student" equals total operating 59294
costs for board-owned or contractor-operated school buses divided 59295
by transportation base. 59296

(2) Analysis of student transportation cost data has resulted 59297
in a finding that an average efficient transportation use cost per 59298
student can be calculated by means of a regression formula that 59299
has as its two independent variables the number of daily bus miles 59300
per student and the transported student percentage. For fiscal 59301
year 1998 transportation cost data, the average efficient 59302
transportation use cost per student is expressed as follows: 59303

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) +$$
 59304
$$(116.25573 \times \text{transported student percentage})$$
 59305

The department of education shall annually determine the 59306
average efficient transportation use cost per student in 59307
accordance with the principles stated in division (D)(2) of this 59308
section, updating the intercept and regression coefficients of the 59309
regression formula modeled in this division, based on an annual 59310
statewide analysis of each school district's daily bus miles per 59311
student, transported student percentage, and transportation cost 59312
per student data. The department shall conduct the annual update 59313
using data, including daily bus miles per student, transported 59314
student percentage, and transportation cost per student data, from 59315
the prior fiscal year. The department shall notify the office of 59316
budget and management of such update by the fifteenth day of 59317
February of each year. 59318

(3) In addition to funds paid under divisions (A), (C), and 59319
(E) of this section, each district with a transported student 59320
percentage greater than zero shall receive a payment equal to a 59321

percentage of the product of the district's transportation base 59322
from the prior fiscal year times the annually updated average 59323
efficient transportation use cost per student, times an inflation 59324
factor of two and eight_tenths per cent to account for the 59325
one-year difference between the data used in updating the formula 59326
and calculating the payment and the year in which the payment is 59327
made. The percentage shall be the following percentage of that 59328
product specified for the corresponding fiscal year: 59329

FISCAL YEAR	PERCENTAGE	
2000	52.5%	59331
2001	55%	59332
2002	57.5%	59333
2003 and thereafter	The greater of 60% or the district's state share percentage	59334

The payments made under division (D)(3) of this section each 59335
year shall be calculated based on all of the same prior year's 59336
data used to update the formula. 59337

(4) In addition to funds paid under divisions (D)(2) and (3) 59338
of this section, a school district shall receive a rough road 59339
subsidy if both of the following apply: 59340

(a) Its county rough road percentage is higher than the 59341
statewide rough road percentage, as those terms are defined in 59342
division (D)(5) of this section; 59343

(b) Its district student density is lower than the statewide 59344
student density, as those terms are defined in that division. 59345

(5) The rough road subsidy paid to each district meeting the 59346
qualifications of division (D)(4) of this section shall be 59347
calculated in accordance with the following formula: 59348

(per rough mile subsidy X total rough road miles) 59349
X density multiplier 59350

where: 59351

(a) "Per rough mile subsidy" equals the amount calculated in 59352
accordance with the following formula: 59353

$$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$$
 59354
59355
59356

(i) "Maximum rough road percentage" means the highest county 59357
rough road percentage in the state. 59358

(ii) "County rough road percentage" equals the percentage of 59359
the mileage of state, municipal, county, and township roads that 59360
is rated by the department of transportation as type A, B, C, E2, 59361
or F in the county in which the school district is located or, if 59362
the district is located in more than one county, the county to 59363
which it is assigned for purposes of determining its 59364
cost-of-doing-business factor. 59365

(iii) "Statewide rough road percentage" means the percentage 59366
of the statewide total mileage of state, municipal, county, and 59367
township roads that is rated as type A, B, C, E2, or F by the 59368
department of transportation. 59369

(b) "Total rough road miles" means a school district's total 59370
bus miles traveled in one year times its county rough road 59371
percentage. 59372

(c) "Density multiplier" means a figure calculated in 59373
accordance with the following formula: 59374

$$1 - [(\text{minimum student density} - \text{district student density}) / (\text{minimum student density} - \text{statewide student density})]$$
 59375
59376
59377

(i) "Minimum student density" means the lowest district 59378
student density in the state. 59379

(ii) "District student density" means a school district's 59380

transportation base divided by the number of square miles in the district. 59381
59382

(iii) "Statewide student density" means the sum of the transportation bases for all school districts divided by the sum of the square miles in all school districts. 59383
59384
59385

(6) In addition to funds paid under divisions (D)(2) to (5) of this section, each district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than board-owned or contractor-operated buses and whose transportation is not funded under division (G) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students. 59386

59391
59392
59393

(E)(1) The department shall compute and distribute state vocational education additional weighted costs funds to each school district in accordance with the following formula: 59394
59395
59396

state share percentage X 59397
the formula amount X 59398
total vocational education weight 59399

In any fiscal year, a school district receiving funds under division (E)(1) of this section shall spend those funds only for the purposes that the department designates as approved for vocational education expenses. Vocational educational expenses approved by the department shall include only expenses connected to the delivery of career-technical programming to career-technical students. The department shall require the school district to report data annually so that the department may monitor the district's compliance with the requirements regarding the manner in which funding received under division (E)(1) of this section may be spent. 59400

59402
59403
59404
59405
59406
59407
59408
59409
59410

(2) The department shall compute for each school district 59411

state funds for vocational education associated services in 59412
accordance with the following formula: 59413

state share percentage X .05 X the formula amount X 59414
the sum of categories one and two vocational education ADM 59415

In any fiscal year, a school district receiving funds under 59416
division (E)(2) of this section, or through a transfer of funds 59417
pursuant to division (L) of section 3317.023 of the Revised Code, 59418
shall spend those funds only for the purposes that the department 59419
designates as approved for vocational education associated 59420
services expenses, which may include such purposes as 59421
apprenticeship coordinators, coordinators for other vocational 59422
education services, vocational evaluation, and other purposes 59423
designated by the department. The department may deny payment 59424
under division (E)(2) of this section to any district that the 59425
department determines is not operating those services or is using 59426
funds paid under division (E)(2) of this section, or through a 59427
transfer of funds pursuant to division (L) of section 3317.023 of 59428
the Revised Code, for other purposes. 59429

(F) The actual local share in any fiscal year for the 59430
combination of special education and related services additional 59431
weighted costs funding calculated under division (C)(1) of this 59432
section, transportation funding calculated under divisions (D)(2) 59433
and (3) of this section, and vocational education and associated 59434
services additional weighted costs funding calculated under 59435
divisions (E)(1) and (2) of this section shall not exceed for any 59436
school district the product of three and three-tenths mills times 59437
the district's recognized valuation. The department annually shall 59438
pay each school district as an excess cost supplement any amount 59439
by which the sum of the district's attributed local shares for 59440
that funding exceeds that product. For purposes of calculating the 59441
excess cost supplement: 59442

(1) The attributed local share for special education and 59443

related services additional weighted costs funding is the amount 59444
specified in division (C)(2) of this section. 59445

(2) The attributed local share of transportation funding 59446
equals the difference of the total amount calculated for the 59447
district using the formula developed under division (D)(2) of this 59448
section minus the actual amount paid to the district after 59449
applying the percentage specified in division (D)(3) of this 59450
section. 59451

(3) The attributed local share of vocational education and 59452
associated services additional weighted costs funding is the 59453
amount determined as follows: 59454

(1 - state share percentage) X 59455
[(total vocational education weight X 59456
the formula amount) + the payment under 59457
division (E)(2) of this section] 59458

the state minimum salary schedule for the performance of the 59479
teacher's regular teaching duties that the teacher earns for 59480

(B) If the district employs less than one full-time equivalent classroom teacher for each twenty-five pupils in the regular student population in any school district, deduct the sum of the amounts obtained from the following computations:

(1) Divide the number of the district's full-time equivalent classroom teachers employed by one twenty-fifth;

(G)(2) of that section, the department shall deduct the amount of 59629
that payment from the city, local, or exempted village school 59630
district that is responsible as specified in that section for the 59631

division (B) or (C) of this section in the prior fiscal year is 60041
ineligible for payment under those divisions in the current fiscal 60042
year, the department shall determine if the ineligibility is the 60043
result of a property tax or income tax levy approved by the 60044
district's voters to take effect in tax year 2005 or thereafter. 60045
If the department determines that is the case, and calculates that 60046
the levy causing the ineligibility exceeded by at least one mill 60047

(B) and (C) of this section, the department shall make a payment 60049
to the district for the first three years that the district loses 60050

this section and subsequently qualifies for payment under division 60063
(B) or (C) of this section is ineligible for future payments under 60064
division (D) of this section. 60065

(F) To enable the department of education to make the 60066
determinations and to calculate payments under division (D) of 60067
this section, on March 30, 2006, and on or before the first day of 60068
March of each year thereafter, the department shall send to the 60069
tax commissioner a list of school districts receiving payments 60070

information certified and verified under this section shall be 60080
used to calculate payments under this chapter and Chapter 3306. of 60081
the Revised Code. 60082~~

school for that week and specify an alternate week for certifying 60105
the ~~formula ADM~~ average daily membership of that school. 60106

The ~~formula ADM~~ shall consist of the average daily membership 60108
during such week shall consist of the sum of the following: 60109

60526

Except as provided in divisions (B)(2) and (F) of this 60527

section, the average daily membership figure of any local, city, 60528
exempted village, or joint vocational school district shall be 60529
determined by dividing the figure representing the sum of the 60530
number of pupils enrolled during each day the school of attendance 60531
is actually open for instruction during the week for which the 60532
~~formula ADM~~ average daily membership is being certified by the 60533
total number of days the school was actually open for instruction 60534
during that week. For purposes of state funding, "enrolled" 60535
persons are only those pupils who are attending school, those who 60536
have attended school during the current school year and are absent 60537
for authorized reasons, and those children with disabilities 60538
currently receiving home instruction. 60539

The average daily membership figure of any cooperative 60540

for the first full school week in the preceding October, the 60545
superintendent of schools of any city, exempted village, or joint 60546
vocational school district or educational service center shall 60547
certify such increase to the superintendent of public instruction. 60548
Such certification shall be submitted no later than the fifteenth 60549

with the February payments, the superintendent of public 60551
instruction shall use the increased formula ADM in calculating or 60552
recalculating the amounts to be allocated in accordance with 60553
section 3317.022 or 3317.16 of the Revised Code. In no event shall 60554
the superintendent use an increased membership certified to the 60555
superintendent after the fifteenth day of February. Division 60556
(F)(1) of this section does not apply after fiscal year 2006. 60557

(2) If on the first school day of April the total number of 60558

classes or units for preschool children with disabilities that are 60560
eligible for approval under division (B) of section 3317.05 of the 60561
Revised Code exceeds the number of units that have been approved 60562
for the year under that division, the superintendent of schools of 60563
any city, exempted village, or cooperative education school 60564
district or educational service center shall make the 60565
certifications required by this section for that day. If the 60566
department determines additional units can be approved for the 60567
fiscal year within any limitations set forth in the acts 60568
appropriating moneys for the funding of such units, the department 60569
shall approve additional units for the fiscal year on the basis of 60570
such average daily membership. For each unit so approved, the 60571
department shall pay an amount computed in the manner prescribed 60572
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 60573

3314. or a science, technology, engineering, and mathematics 60576
school established under Chapter 3326. of the Revised Code is not 60577
included in the formula ADM certified for the school district in 60578
which the student is entitled to attend school under section 60579
3313.64 or 3313.65 of the Revised Code, the department of 60580
education shall adjust the formula ADM of that school district to 60581
include the student in accordance with division (C)(2) of this 60582
section, and shall recalculate the school district's payments 60583
under this chapter and Chapter 3306. of the Revised Code for the 60584
entire fiscal year on the basis of that adjusted formula ADM. This 60585
requirement applies regardless of whether the student was 60586
enrolled, as defined in division (E) of this section, in the 60587
community school or the science, technology, engineering, and 60588
mathematics school during the week for which the formula ADM is 60589
being certified. 60590

(4) If a student awarded an educational choice scholarship is 60591

not included in the formula ADM of the school district from which 60592
the department deducts funds for the scholarship under section 60593
3310.08 of the Revised Code, the department shall adjust the 60594
formula ADM of that school district to include the student to the 60595
extent necessary to account for the deduction, and shall 60596
recalculate the school district's payments under this chapter and 60597
Chapter 3306. of the Revised Code for the entire fiscal year on 60598
the basis of that adjusted formula ADM. This requirement applies 60599
regardless of whether the student was enrolled, as defined in 60600
division (E) of this section, in the chartered nonpublic school, 60601
the school district, or a community school during the week for 60602
which the formula ADM is being certified. 60603

the Revised Code. 60618

(b) The superintendent of an institution with vocational 60619
education units approved under division (A) of section 3317.05 of 60620
the Revised Code shall, for the units under the superintendent's 60621

maintains special education classes under section 3317.20 of the 60626
Revised Code or units approved pursuant to section 3317.05 of the 60627
Revised Code shall do both of the following: 60628

(a) Certify to the state board, in the manner prescribed by 60629
the board, the average daily membership in classes under section 60630
3317.20 of the Revised Code for each school district that has 60631
placed children in the classes; 60632

(b) Certify to the state board, in the manner prescribed by 60633
the board, the number of all preschool children with disabilities 60634
enrolled as of the first day of December in classes eligible for 60635
approval under division (B) of section 3317.05 of the Revised 60636
Code, and the number of those classes. 60637

(3)(a) If on the first school day of April the number of 60638
classes or units maintained for preschool children with 60639
disabilities by the county MR/DD board that are eligible for 60640
approval under division (B) of section 3317.05 of the Revised Code 60641
is greater than the number of units approved for the year under 60642
that division, the superintendent shall make the certification 60643
required by this section for that day. 60644

(b) If the department determines that additional classes or 60645
units can be approved for the fiscal year within any limitations 60646
set forth in the acts appropriating moneys for the funding of the 60647
classes and units described in division (G)(3)(a) of this section, 60648
the department shall approve and fund additional units for the 60649
fiscal year on the basis of such average daily membership. For 60650

instruction for a nonresident pupil whose attendance is 60656
unauthorized attendance as defined in section 3327.06 of the 60657
Revised Code, that pupil's membership shall not be included in 60658
that district's membership figure used in the calculation of that 60659
district's formula ADM or included in the determination of any 60660
unit approved for the district under section 3317.05 of the 60661
Revised Code. The reporting official shall report separately the 60662
average daily membership of all pupils whose attendance in the 60663
district is unauthorized attendance, and the membership of each 60664
such pupil shall be credited to the school district in which the 60665
pupil is entitled to attend school under division (B) of section 60666

students in the cooperative education district, also indicating 60689
the city, local, or exempted village district where each pupil is 60690
entitled to attend school under section 3313.64 or 3313.65 of the 60691

(K) If the superintendent of public instruction determines 60693
that a component of the ~~formula ADM~~ average daily membership 60694

Code, from the district required to pay the tuition and add that 60914
amount to the amount allocated to the district attended under such 60915
division. The superintendent of public instruction shall send to 60916
the district required to pay the tuition an itemized statement 60917

If the amount calculated under division (D)(2) of this 61385
section is greater than the total amount calculated under 61386
divisions (B) and (C) of this section, the department shall pay 61387
the county MR/DD board one hundred per cent of the difference in 61388
addition to the payments under divisions (B) and (C) of this 61389
section. 61390

child by the specified date, the department shall assign a code to 61410
the child. 61411

The department annually shall submit to each school district 61412
the name and data verification code of each child residing in the 61413
district for whom the department has assigned a code under this 61414
division. 61415

following formula: 61475

The district's valuation per pupil - 61476
[\$30,000 X (1 - the district's income factor)]. 61477

For purposes of this calculation: 61478

(1) Except for a district with an open enrollment net gain 61479
that is ten per cent or more of its formula ADM, "valuation per 61480
pupil" for a district means its average taxable value, divided by 61481
its formula ADM for the previous fiscal year. "Valuation per 61482
pupil," for a district with an open enrollment net gain that is 61483
ten per cent or more of its formula ADM, means its average taxable 61484
value, divided by the sum of its formula ADM for the previous 61485
fiscal year plus its open enrollment net gain for the previous 61486
fiscal year. 61487

- (2) ~~"Average~~ Except for a tangible personal property phase-out impacted district, "average taxable value" means the average of the sum of the amounts certified for a district under divisions (A)(1) and (2) of section 3317.021 of the Revised Code in the second, third, and fourth preceding fiscal years ~~under divisions (A)(1) and (2) of section 3317.021 of the Revised Code.~~ For a tangible personal property phase-out impacted district, "average taxable value" means the average of the sum of the amounts certified for the district under division (A)(1) and as public utility personal property under division (A)(2) of section 3317.021 of the Revised Code in the second, third, and fourth preceding fiscal years.
- (3) "Entitled to attend school" means entitled to attend school in a city, local, or exempted village school district under section 3313.64 or 3313.65 of the Revised Code.
- (4) "Formula ADM" and "income factor" have the same meanings as in section 3317.02 of the Revised Code.
- (5) "Native student" has the same meaning as in section 3313.98 of the Revised Code.
- (6) "Open enrollment net gain" for a district means (a) the number of the students entitled to attend school in another district but who are enrolled in the schools of the district under its open enrollment policy minus (b) the number of the district's native students who are enrolled in the schools of another district under the other district's open enrollment policy, both numbers as certified to the department under section 3313.981 of the Revised Code. If the difference is a negative number, the district's "open enrollment net gain" is zero.
- (7) "Open enrollment policy" means an interdistrict open enrollment policy adopted under section 3313.98 of the Revised Code.

(8) "Tangible personal property phase-out impacted district" 61519

the taxable value of public utility personal property, made up 61523
twenty per cent or more of its total taxable value for tax year 61524
2005 as certified under that section. 61525

(B) Calculate for each district the three-year average of the 61526
adjusted valuations per pupil calculated for the district for the 61527
current and two preceding fiscal years; 61528

(C) Rank all such districts in order of adjusted valuation 61529
per pupil from the district with the lowest three-year average 61530
adjusted valuation per pupil to the district with the highest 61531
three-year average adjusted valuation per pupil; 61532

(D) Divide such ranking into percentiles with the first 61533
percentile containing the one per cent of school districts having 61534
the lowest three-year average adjusted valuations per pupil and 61535
the one-hundredth percentile containing the one per cent of school 61536
districts having the highest three-year average adjusted 61537
valuations per pupil; 61538

(E) Determine the school districts that have three-year 61539
average adjusted valuations per pupil that are greater than the 61540
median three-year average adjusted valuation per pupil for all 61541
school districts in the state; 61542

(F) On or before the first day of September, certify the 61543
information described in divisions (A) to (E) of this section to 61544

commission to approve the transfer of money in accordance with 61553
this section and the commission approves that transfer. If so 61554
approved, the commission and the district board shall enter into 61555
an agreement under which the board, in each of twenty-three 61556
consecutive years beginning in the year in which the board and the 61557
commission enter into the project agreement under section 3318.08 61558
of the Revised Code, shall transfer into the maintenance fund 61559
required by division (D) of section 3318.05 of the Revised Code 61560
not less than an amount equal to one-half mill for each dollar of 61561
the district's valuation unless and until the agreement to make 61562
those transfers is rescinded by the district board pursuant to 61563
division (F) of this section. 61564

(B) On the first day of July each year, or on an alternative 61565

auditor of state finds that less than the required amount has been 61571
deposited into a district's maintenance fund, the auditor of state 61572
shall notify the district board of education in writing of that 61573
fact and require the board to deposit into the fund, within ninety 61574
days after the date of the notice, the amount by which the fund is 61575
deficient for the year. If the district board fails to demonstrate 61576
to the auditor of state's satisfaction that the board has made the 61577
deposit required in the notice, the auditor of state shall notify 61578
the department of education. At that time, the department shall 61579
withhold an amount equal to ten per cent of the district's funds 61580
calculated for the current fiscal year under ~~Chapter~~ Chapters 61581

3306. and 3317. of the Revised Code until the auditor of state 61582
notifies the department that the auditor of state is satisfied 61583
that the board has made the required transfer. 61584

(C) Money transferred to the maintenance fund shall be used 61585
for the maintenance of the facilities acquired under the 61586
district's project. 61587

(D) The transfers to the maintenance fund under this section 61588

(E) Any decision by the commission to approve or not approve 61592

to appeal. The commission shall not be responsible for errors or 61594
miscalculations made in deciding whether to approve a petition to 61595

(F) If the district board determines that it no longer can 61597
continue making the transfers agreed to under this section, the 61598
board may rescind the agreement only so long as the electors of 61599
the district have approved, in accordance with section 3318.063 of 61600
the Revised Code, the levy of a tax for the maintenance of the 61601
classroom facilities acquired under the district's project and 61602
that levy continues to be collected as approved by the electors. 61603
That levy shall be for a number of years that is equal to the 61604
difference between twenty-three years and the number of years that 61605
the district made transfers under this section and shall be at the 61606
rate of not less than one-half mill for each dollar of the 61607
district's valuation. The district board shall continue to make 61608
the transfers agreed to under this section until that levy has 61609
been approved by the electors. 61610

Sec. 3318.061. This section applies only to school districts 61611
eligible to receive additional assistance under division (B)(2) of 61612

section 3318.04 of the Revised Code ~~and to big eight districts~~ 61613

resolution by vote of a majority of its members to extend the term 61619
of that tax beyond the expiration of that tax as originally 61620
approved under that section. The school district board may include 61621
in the resolution a proposal to extend the term of that tax at the 61622
rate of not less than one-half mill for each dollar of valuation 61623
for a period of twenty-three years from the year in which the 61624
school district board and the Ohio school facilities commission 61625
enter into an agreement under division (B)(2) of section 3318.04 61626
of the Revised Code or in the following year, as specified in the 61627
resolution ~~or, as applicable in the case of a district segmenting~~ 61628
~~a project under section 3318.38 of the Revised Code, from the year~~ 61629
~~in which the last segment is undertaken.~~ Such a resolution may be 61630
adopted at any time before such an agreement is entered into and 61631
before the tax levied pursuant to section 3318.06 of the Revised 61632
Code expires. If the resolution is combined with a resolution to 61633
issue bonds to pay the school district's portion of the basic 61634
project cost, it shall conform with the requirements of divisions 61635
(A)(1), (2), and (3) of section 3318.06 of the Revised Code, 61636
except that the resolution also shall state that the tax levy 61637
proposed in the resolution is an extension of an existing tax 61638

approved by a majority of electors voting in favor of the 61641
resolution at a general, primary, or special election as provided 61642
in this section. 61643

A tax levy extended under this section is subject to the same 61644

terms and limitations to which the original tax levied under 61645
section 3318.06 of the Revised Code is subject under that section, 61646
except the term of the extension shall be as specified in this 61647
section. 61648

The school district board shall certify a copy of the 61649
resolution adopted under this section to the proper county board 61650
of elections not later than seventy-five days before the date set 61651
in the resolution as the date of the election at which the 61652
question will be submitted to electors. The notice of the election 61653
shall conform with the requirements of division (A)(3) of section 61654
3318.06 of the Revised Code, except that the notice also shall 61655
state that the maintenance tax levy is an extension of an existing 61656
tax levy. 61657

The form of the ballot shall be as follows: 61658

"Shall the existing tax levied to pay the cost of maintaining 61659
classroom facilities constructed with the proceeds of the 61660
previously issued bonds at the rate of (here insert the 61661
number of mills, which shall not be less than one-half mill) mills 61662

the district and commission will enter into an agreement under 61665
division (B)(2) of section 3318.04 of the Revised Code or the 61666
following year)? 61667

the school district's valuation for the year preceding the year in 61689
which the commission and school district enter into an agreement 61690
under division (B) of this section, plus [two one-hundredths of 61691

manner permitted for a school district board to raise the school 61695
district portion of a project undertaken with assistance under 61696
sections 3318.01 to 3318.20 of the Revised Code. 61697

(2) For purposes of determining ~~either~~ the required level of 61698
~~indebtedness, as defined in division (A)(1)(b) of this section, or~~ 61699

a school district with which the commission has entered into an 61703
agreement under this section between the first day of July and the 61704
thirty-first day of August in each fiscal year is the percentile 61705

(B)(1) There is hereby established the school building 61712
assistance expedited local partnership program. Under the program, 61713
the Ohio school facilities commission may enter into an agreement 61714

of the Revised Code within two fiscal years from the date the 61731
school district adopts its resolution under division (B) of this 61732
section shall not be eligible to participate in the program 61733
established under this section. 61734

(2) To participate in the program, a school district board 61735
shall first adopt a resolution certifying to the commission the 61736
board's intent to participate in the program. 61737

The resolution shall specify the approximate date that the board intends to seek elector approval of any bond or tax measures or to apply other local resources to use to pay the cost of classroom facilities to be constructed under this section. The resolution may specify the application of local resources or elector-approved bond or tax measures after the resolution is adopted by the board, and in such case the board may proceed with a discrete portion of its project under this section as soon as the commission and the controlling board have approved the basic project cost of the district's classroom facilities needs as specified in division (D) of this section. The board shall submit its resolution to the commission not later than ten days after the date the resolution is adopted by the board.

The commission shall not consider any resolution that is submitted pursuant to division (B)(2) of this section, as amended by this amendment, sooner than September 14, 2000.

(3) For purposes of determining when a district that enters into an agreement under this section becomes eligible for assistance under sections 3318.01 to 3318.20 of the Revised Code, the commission shall use the district's percentile ranking determined at the time the district entered into the agreement under this section, as prescribed by division (A)(2) of this section.

(4) Any project under this section shall comply with section 3318.03 of the Revised Code and with any specifications for plans and materials for classroom facilities adopted by the commission under section 3318.04 of the Revised Code.

~~(4)~~(5) If a school district that enters into an agreement under this section has not begun a project applying local resources as provided for under that agreement at the time the district is notified by the commission that it is eligible to receive state assistance under sections 3318.01 to 3318.20 of the

Revised Code, all assessment and agreement documents entered into 61770
under this section are void. 61771

~~(5)~~(6) Only construction of or repairs to classroom 61772
facilities that have been approved by the commission and have been 61773
therefore included as part of a district's basic project cost 61774
qualify for application of local resources under this section. 61775

(C) Based on the results of ~~the~~ on-site visits and assessment 61776
~~conducted under division (B)(2) of this section~~, the commission 61777
shall determine the basic project cost of the school district's 61778
classroom facilities needs. The commission shall determine the 61779
school district's portion of such basic project cost, which shall 61780
be the greater of: 61781

(1) The required percentage of the basic project costs, 61782
determined based on the school district's percentile ranking; 61783

(2) An amount necessary to raise the school district's net 61784
bonded indebtedness, as of the fiscal year the commission and the 61785
school district enter into the agreement under division (B) of 61786
this section, to within five thousand dollars of the required 61787
level of indebtedness. 61788

(D)(1) When the commission determines the basic project cost 61789
of the classroom facilities needs of a school district and the 61790
school district's portion of that basic project cost under 61791
division (C) of this section, the project shall be conditionally 61792
approved. Such conditional approval shall be submitted to the 61793
controlling board for approval thereof. The controlling board 61794
shall forthwith approve or reject the commission's determination, 61795
conditional approval, and the amount of the state's portion of the 61796
basic project cost; however, no state funds shall be encumbered 61797
under this section. Upon approval by the controlling board, the 61798
school district board may identify a discrete part of its 61799
classroom facilities needs, which shall include only new 61800

construction of or additions or major repairs to a particular 61801
building, to address with local resources. Upon identifying a part 61802
of the school district's basic project cost to address with local 61803
resources, the school district board may allocate any available 61804
school district moneys to pay the cost of that identified part, 61805
including the proceeds of an issuance of bonds if approved by the 61806
electors of the school district. 61807

All local resources utilized under this division shall first 61808
be deposited in the project construction account required under 61809
section 3318.08 of the Revised Code. 61810

(2) Unless the school district board exercises its option 61811
under division (D)(3) of this section, for a school district to 61812
qualify for participation in the program authorized under this 61813
section, one of the following conditions shall be satisfied: 61814

(a) The electors of the school district by a majority vote 61815
shall approve the levy of taxes outside the ten-mill limitation 61816
for a period of twenty-three years at the rate of not less than 61817
one-half mill for each dollar of valuation to be used to pay the 61818
cost of maintaining the classroom facilities included in the basic 61819
project cost as determined by the commission. The form of the 61820
ballot to be used to submit the question whether to approve the 61821
tax required under this division to the electors of the school 61822
district shall be the form for an additional levy of taxes 61823
prescribed in section 3318.361 of the Revised Code, which may be 61824
combined in a single ballot question with the questions prescribed 61825
under section 5705.218 of the Revised Code. 61826

(b) As authorized under division (C) of section 3318.05 of 61827
the Revised Code, the school district board shall earmark from the 61828
proceeds of a permanent improvement tax levied under section 61829
5705.21 of the Revised Code, an amount equivalent to the 61830
additional tax otherwise required under division (D)(2)(a) of this 61831
section for the maintenance of the classroom facilities included 61832

in the basic project cost as determined by the commission. 61833

(c) As authorized under section 3318.051 of the Revised Code, 61834
the school district board shall, if approved by the commission, 61835
annually transfer into the maintenance fund required under section 61836
3318.05 of the Revised Code the amount prescribed in section 61837
3318.051 of the Revised Code in lieu of the tax otherwise required 61838
under division (D)(2)(a) of this section for the maintenance of 61839
the classroom facilities included in the basic project cost as 61840
determined by the commission. 61841

(d) If the school district board has rescinded the agreement 61842
to make transfers under section 3318.051 of the Revised Code, as 61843
provided under division (F) of that section, the electors of the 61844
school district, in accordance with section 3318.063 of the 61845
Revised Code, first shall approve the levy of taxes outside the 61846
ten-mill limitation for the period specified in that section at a 61847
rate of not less than one-half mill for each dollar of valuation. 61848

(e) The school district board shall apply the proceeds of a 61849
tax to leverage bonds as authorized under section 3318.052 of the 61850
Revised Code or dedicate a local donated contribution in the 61851
manner described in division (B) of section 3318.084 of the 61852
Revised Code in an amount equivalent to the additional tax 61853
otherwise required under division (D)(2)(a) of this section for 61854
the maintenance of the classroom facilities included in the basic 61855
project cost as determined by the commission. 61856

(3) A school district board may opt to delay taking any of 61857
the actions described in division (D)(2) of this section until 61858
~~such time as~~ the school district becomes eligible for state 61859
assistance under sections 3318.01 to 3318.20 of the Revised Code. 61860
In order to exercise this option, the board shall certify to the 61861
commission a resolution indicating the board's intent to do so 61862
prior to entering into an agreement under division (B) of this 61863
section. 61864

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section.

Any amount required for maintenance under division (D)(2) of this section shall be deposited into a separate fund as specified in division (B) of section 3318.05 of the Revised Code.

(E)(1) If the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code based on its percentile ranking ~~as determined~~ under division (B)(3) of this section, the commission shall conduct a new assessment of the school district's classroom facilities needs and shall recalculate the basic project cost based on this new assessment. The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D)(1) of this section. The commission shall then recalculate the school district's portion of the new basic project cost, which shall be the percentage of the original basic project cost assigned to the school district as its portion under division (C) of this section. The commission shall

deduct the expenditure of school district moneys made under 61896
division (D)(1) of this section from the school district's portion 61897
of the basic project cost as recalculated under this division. If 61898
the amount of school district resources applied by the school 61899
district board to the school district's portion of the basic 61900
project cost under this section is less than the total amount of 61901
such portion as recalculated under this division, the school 61902
district board by a majority vote of all of its members shall, if 61903
it desires to seek state assistance under sections 3318.01 to 61904
3318.20 of the Revised Code, adopt a resolution as specified in 61905
section 3318.06 of the Revised Code to submit to the electors of 61906
the school district the question of approval of a bond issue in 61907
order to pay any additional amount of school district portion 61908
required for state assistance. Any tax levy approved under 61909
division (D) of this section satisfies the requirements to levy 61910
the additional tax under section 3318.06 of the Revised Code. 61911

(2) If the amount of school district resources applied by the 61913
school district board to the school district's portion of the 61914
basic project cost under this section is more than the total 61915
amount of such portion as recalculated under this division, within 61916
one year after the school district's portion is recalculated under 61917
division (E)(1) of this section the commission may grant to the 61918
school district the difference between the two calculated 61919
portions, but at no time shall the commission expend any state 61920
funds on a project in an amount greater than the state's portion 61921
of the basic project cost as recalculated under this division. 61922

Any reimbursement under this division shall be only for local 61923
resources the school district has applied toward construction cost 61924
expenditures for the classroom facilities approved by the 61925
commission, which shall not include any financing costs associated 61926
with that construction. 61927

The school district board shall use any moneys reimbursed to the district under this division to pay off any debt service the district owes for classroom facilities constructed under its project under this section before such moneys are applied to any other purpose. However, the district board first may deposit moneys reimbursed under this division into the district's general fund or a permanent improvement fund to replace local resources the district withdrew from those funds, as long as, and to the extent that, those local resources were used by the district for constructing classroom facilities included in the district's basic project cost.

Sec. 3318.38. (A) As used in this section, "big-eight school district" has the same meaning as in section 3314.02 of the Revised Code.

(B) There is hereby established the accelerated urban school building assistance program. Under the program, notwithstanding section 3318.02 of the Revised Code, any big-eight school district that has not been approved to receive assistance under sections 3318.01 to 3318.20 of the Revised Code by July 1, 2002, may beginning on that date apply for approval of and be approved for such assistance. Except as otherwise provided in this section, any project approved and undertaken pursuant to this section shall comply with all provisions of sections 3318.01 to 3318.20 of the Revised Code.

The Ohio school facilities commission shall provide assistance to any big-eight school district eligible for assistance under this section in the following manner:

(1) Notwithstanding section 3318.02 of the Revised Code:

(a) Not later than June 30, 2002, the commission shall conduct an on-site visit and shall assess the classroom facilities needs of each big-eight school district eligible for assistance

under this section; 61959

(b) Beginning July 1, 2002, any big-eight school district 61960
eligible for assistance under this section may apply to the 61961
commission for conditional approval of its project as determined 61962
by the assessment conducted under division (B)(1)(a) of this 61963
section. The commission may conditionally approve that project and 61964
submit it to the controlling board for approval pursuant to 61965
section 3318.04 of the Revised Code. 61966

(2) If the controlling board approves the project of a 61967
big-eight school district eligible for assistance under this 61968
section, the commission and the school district shall enter into 61969
an agreement as prescribed in section 3318.08 of the Revised Code. 61970
Any agreement executed pursuant to this division shall include any 61971
applicable segmentation provisions as approved by the commission 61972
under division (B)(3) of this section. 61973

(3) Notwithstanding any provision to the contrary in sections 61974
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 61975
school district eligible for assistance under this section may 61976
with the approval of the commission opt to divide the project as 61977
approved under division (B)(1)(b) of this section into discrete 61978
segments to be completed sequentially. Any project divided into 61979
segments shall comply with all other provisions of sections 61980
3318.05, 3318.06, and 3318.08 of the Revised Code except as 61981
otherwise specified in this division. 61982

If a project is divided into segments under this division: 61983

(a) The school district need raise only the amount equal to 61984
its proportionate share, as determined under section 3318.032 of 61985
the Revised Code, of each segment at any one time and may seek 61986
voter approval of each segment separately; 61987

(b) The state's proportionate share, as determined under 61988
section 3318.032 of the Revised Code, of only the segment which 61989

has been approved by the school district electors or for which the district has applied a local donated contribution under section 3318.084 of the Revised Code shall be encumbered in accordance with section 3318.11 of the Revised Code. Encumbrance of additional amounts to cover the state's proportionate share of later segments shall be approved separately as they are approved by the school district electors or as the district applies a local donated contribution to the segments under section 3318.084 of the Revised Code.

~~(c) If it is necessary to levy the additional tax for maintenance under division (B) of section 3318.05 of the Revised Code with respect to any segment of the project, the district may utilize the provisions of section 3318.061 of the Revised Code to ensure that the maintenance tax extends for twenty three years after the last segment of the project is undertaken. The school district's maintenance levy requirement, as defined in section 3318.18 of the Revised Code, shall run for twenty-three years from the date the first segment is undertaken.~~

(4) For any project under this section, the state funds reserved and encumbered and the funds provided by the school district to pay the basic project cost of any segment of the project, or of the entire project if it is not divided into segments, shall be spent on the construction and acquisition of the project simultaneously in proportion to the state's and the school district's respective shares of that basic project cost as determined under section 3318.032 of the Revised Code.

Sec. 3318.44. (A) A joint vocational school district board of education may generate the school district's portion of the basic project cost of its project under sections 3318.40 to 3318.45 of the Revised Code using any combination of the following means if lawfully employed for the acquisition of classroom facilities:

(1) The issuance of securities in accordance with Chapter 62021
133. and section 3311.20 of the Revised Code; 62022

(2) Local donated contributions as authorized under section 62023
3318.084 of the Revised Code; 62024

(3) A levy for permanent improvements under section 3311.21 62025
or 5705.21 of the Revised Code; 62026

(4) Bonds issued pursuant to division (B) of this section. 62027

(B) By resolution adopted by a majority of all its members, a 62028
school district board, in order to pay all or part of the school 62029
district's portion of its basic project cost, may apply the 62030
proceeds of a tax levied under section 5705.21 of the Revised Code 62031
for general permanent improvements if the proceeds of that levy 62032
lawfully may be used for general construction, renovation, repair, 62033
or maintenance of classroom facilities to ~~leverage pay debt~~ 62034
charges on and financing costs related to bonds adequate issued to 62035
pay all or part of the school district portion of the basic 62036
project cost of the school district's project under sections 62037
3318.40 to 3318.45 of the Revised Code or to generate an amount 62038
equivalent to all or part of the amount required under section 62039
3318.43 of the Revised Code to be used for maintenance of 62040
classroom facilities acquired under the project. Bonds issued 62041
under this division shall be Chapter 133. securities, and may be 62042
issued as general obligation securities, but the issuance of the 62043
bonds shall not be subject to a vote of the electors of the school 62044
district as long as the tax proceeds earmarked for payment of the 62045
~~service debt~~ charges on the bonds may lawfully be used for that 62046
purpose. Such bonds shall not be included in the calculation of 62047
net indebtedness under section 133.06 of the Revised Code if the 62048
resolution authorizing their issuance includes covenants to 62049
appropriate annually, from lawfully available proceeds of a 62050
property tax levied under section 5705.21 of the Revised Code, and 62051
to continue to levy that tax in amounts necessary to pay the debt 62052

charges on and financing costs related to the bonds as they become 62053
due. No property tax levied under section 5705.21 of the Revised 62054
Code that is pledged, or that the school district has covenanted 62055
to levy, collect, and appropriate annually to pay the debt charges 62056
on and financing costs related to the bonds under this section may 62057
be repealed while those bonds are outstanding. If such a tax is 62058
reduced by electors of the district or by the board of education 62059
while the bonds are outstanding, the board of education shall 62060
continue to levy and collect the tax under the authority of the 62061
original election authorizing the tax at a rate in each year that 62062
the board reasonably estimates will produce an amount in that year 62063
equal to the debt charges on the bonds in that year. 62064

No state moneys shall be released for a project to which this 62065
division applies until the proceeds of any bonds issued under this 62066
division that are dedicated for payment of the school district's 62067
portion of the basic project cost are first deposited into the 62068
school district's project construction fund. 62069

(C) A school district board of education may adopt a 62070
resolution proposing that any of the following questions be 62071
combined with a question specified in section 3318.45 of the 62072
Revised Code: 62073

(1) A bond issue question under section 133.18 of the Revised 62074
Code; 62075

(2) A tax levy question under section 3311.21 of the Revised 62076
Code; 62077

(3) A tax levy question under section 5705.21 of the Revised 62078
Code. 62079

Any question described in divisions (C)(1) to (3) of this 62080
section that is combined with a question proposed under section 62081
3318.45 of the Revised Code shall be for the purpose of either 62082
paying for any permanent improvement, as defined in section 133.01 62083

of the Revised Code, or generating operating revenue specifically 62084
for the facilities acquired under the school district's project 62085
under Chapter 3318. of the Revised Code or for both to the extent 62086
such purposes are permitted by the sections of law under which 62087
each is proposed. 62088

(D) The board of education of a joint vocational school 62089
district that receives assistance under this section may enter 62090
into an agreement for joint issuance of bonds as provided for in 62091
section 3318.085 of the Revised Code. 62092

in consultation with public or private agencies or persons involved 62097
in child abuse prevention or intervention programs, a program of 62098

promotion of positive youth development. Each person employed by 62103
any school district or service center to work in ~~an elementary a~~ 62104
school as a nurse, teacher, counselor, school psychologist, or 62105
administrator shall complete at least four hours of the in-service 62106
training ~~in the prevention of child abuse, violence, and substance~~ 62107
~~abuse and the promotion of positive youth development~~ within two 62108
years of commencing employment with the district or center, and 62109
every five years thereafter. A person who is employed by any 62110
school district or service center to work in an elementary school 62111

2007, shall complete at least four hours of the in-service 62114
training ~~required by this section within two years of the~~ 62115

effective date of this amendment not later than March 30, 2009, 62116
and every five years thereafter. A person who is employed by any 62117
school district or service center to work in a middle or high 62118

complete at least four hours of the in-service training not later 62121
than two years after the effective date of this amendment and 62122
every five years thereafter. 62123

(B) Each board shall incorporate training in school safety 62124
and violence prevention into the in-service training required by 62125
division (A) of this section. For this purpose, the board shall 62126
adopt or adapt the curriculum developed by the department or shall 62127
develop its own curriculum in consultation with public or private 62128
agencies or persons involved in school safety and violence 62129
prevention programs. 62130

Sec. 3319.08. (A) The board of education of each city, 62131
exempted village, local, and joint vocational school district and 62132
the governing board of each educational service center shall enter 62133
into written contracts for the employment and reemployment of all 62134
teachers. Contracts for the employment of teachers shall be of two 62135
types, limited contracts and continuing contracts. The board of 62136
each ~~such~~ school district or service center that authorizes 62137

teachers' salary schedule for the performance of duties by a 62139
teacher that are in addition to the teacher's regular teaching 62140
duties, shall enter into a supplemental written contract with each 62141
teacher who is to perform additional duties. Such supplemental 62142
written contracts shall be limited contracts. Such written 62143
contracts and supplemental written contracts shall set forth the 62144
teacher's duties and shall specify the salaries and compensation 62145
to be paid for regular teaching duties and additional teaching 62146
duties, respectively, either or both of which may be increased but 62147

not diminished during the term for which the contract is made, 62148
except as provided in section 3319.12 of the Revised Code. 62149

If a board adopts a motion or resolution to employ a teacher 62150
under a limited or continuing contract and the teacher accepts 62151
such employment, the failure of such parties to execute a written 62152
contract shall not void such employment contract. 62153

(B) Teachers must be paid for all time lost when the schools 62154
in which they are employed are closed due to an epidemic or other 62155
public calamity, and for time lost due to illness or otherwise for 62156
not less than five days annually as authorized by regulations 62157
which each board shall adopt. 62158

~~Contracts for the employment of teachers shall be of two 62159

effective date of this amendment. 62230

(F) Wherever the term "educator license" is used in this 62231
section without reference to a specific type of educator license, 62232

their subsequent contract shall be for a period of two years. 62244

(B) After the termination of the two-year contract provided 62245

(C) The contracts as provided for in this section may be 62252
terminated by a majority vote of the board of education. Except as 62253

division shall be construed as requiring payment in excess of an 62292
employee's regular wage rate or salary for any time worked while 62293
the school in which the employee is employed is officially closed 62294
for the reasons set forth in this division. 62295

not to exceed one year at the same salary plus any increment 62482
provided by the salary schedule. The teacher is presumed to have 62483
accepted employment under the extended limited contract for a term 62484
not to exceed one year unless such teacher notifies the board in 62485
writing to the contrary on or before the first day of June, and an 62486
extended limited contract for a term not to exceed one year shall 62487
be executed accordingly. Upon any subsequent reemployment of a 62488
teacher only a continuing contract may be entered into. 62489

62502
62503
62504

(2) If a board of education takes affirmative action on a superintendent's recommendation, made pursuant to division (C)(1) of this section, of an extended limited contract for a term not to exceed two years but the board does not give the teacher written notice of its affirmative action on the superintendent's recommendation of an extended limited contract on or before the thirtieth day of April, the teacher is deemed reemployed under a continuing contract at the same salary plus any increment provided by the salary schedule. The teacher is presumed to have accepted employment under such continuing contract unless such teacher notifies the board in writing to the contrary on or before the first day of June, and a continuing contract shall be executed accordingly. 62505

62507
62508
62509
62510
62511
62512
62513
62514
62515
62516
62517

(3) A board shall not reject a superintendent's recommendation, made pursuant to division (C)(1) of this section, of an extended limited contract for a term not to exceed two years except by a three-fourths vote of its full membership. If a board 62518
62519
62520
62521

rejects by a three-fourths vote of its full membership the 62522
recommendation of the superintendent of an extended limited 62523
contract for a term not to exceed two years, the board may declare 62524
its intention not to reemploy the teacher by giving the teacher 62525
written notice on or before the thirtieth day of April of its 62526
intention not to reemploy the teacher. If evaluation procedures 62527
have not been complied with pursuant to division (A) of section 62528
3319.111 of the Revised Code or if the board does not give the 62529
teacher written notice on or before the thirtieth day of April of 62530
its intention not to reemploy the teacher, the teacher is deemed 62531
reemployed under an extended limited contract for a term not to 62532
exceed one year at the same salary plus any increment provided by 62533
the salary schedule. The teacher is presumed to have accepted 62534
employment under the extended limited contract for a term not to 62535
exceed one year unless such teacher notifies the board in writing 62536
to the contrary on or before the first day of June, and an 62537
extended limited contract for a term not to exceed one year shall 62538
be executed accordingly. Upon any subsequent reemployment of the 62539
teacher only a continuing contract may be entered into. 62540

Any teacher receiving written notice of the intention of a 62541
board not to reemploy such teacher pursuant to this division is 62542
entitled to the hearing provisions of division (G) of this 62543
section. 62544

(D) A teacher eligible for continuing contract status 62545
employed under an extended limited contract pursuant to division 62546
(B) or (C) of this section, is, at the expiration of such extended 62547
limited contract, deemed reemployed under a continuing contract at 62548
the same salary plus any increment granted by the salary schedule, 62549
unless evaluation procedures have been complied with pursuant to 62550
division (A) of section 3319.111 of the Revised Code and the 62551
employing board, acting on the superintendent's recommendation 62552
that the teacher not be reemployed, gives the teacher written 62553

notice on or before the thirtieth day of April of its intention 62554
not to reemploy such teacher. A teacher who does not have 62555

section 3319.111 of the Revised Code or who does not receive 62557
notice on or before the thirtieth day of April of the intention of 62558
the board not to reemploy such teacher is presumed to have 62559
accepted employment under a continuing contract unless such 62560
teacher notifies the board in writing to the contrary on or before 62561
the first day of June, and a continuing contract shall be executed 62562
accordingly. 62563

Any teacher receiving a written notice of the intention of a 62564
board not to reemploy such teacher pursuant to this division is 62565
entitled to the hearing provisions of division (G) of this 62566
section. 62567

expiration of such limited contract, considered reemployed under 62577
the provisions of this division at the same salary plus any 62578
increment provided by the salary schedule unless evaluation 62579
procedures have been complied with pursuant to division (A) of 62580
section 3319.111 of the Revised Code and the employing board, 62581
acting upon the superintendent's written recommendation that the 62582
teacher not be reemployed, gives such teacher written notice of 62583
its intention not to reemploy such teacher on or before the 62584
thirtieth day of April. A teacher who does not have evaluation 62585

intention of the board not to reemploy such teacher on or before 62588
the thirtieth day of April is presumed to have accepted such 62589
employment unless such teacher notifies the board in writing to 62590
