~~(B) The director of the division established is in the 558
unclassified civil service of the state. The appointing authority 559
may designate up to three positions at each facility under the 560
jurisdiction of the division, and up to six positions in the 561

~~(C) The administrator shall establish fees for use of 568
services offered by the division of rehabilitation, including, 569
without limitation, the expense of providing rehabilitation 570

employer and employee. 576~~

~~(D)~~ Nothing in sections 4121.61 to 4121.69 of the Revised 577

Sec. 4121.70. (A) There is hereby created the 581

committee to serve instead. 592

(3) One person who by training and vocation represents labor 593
and one person who by training and vocation represents employers 594
of differing political parties appointed by the speaker of the 595
house of representatives. 596

(4) One person who by training and vocation represents labor 597
and one person who by training and vocation represents employers 598
of differing political parties appointed by the president of the 599
senate. 600

(B) Members appointed by the governor shall serve for a term 601
of six years with each term ending on the same day of the year in 602

which the member was first appointed, except that each member 603
shall serve for a period of sixty additional days at the end of 604
the member's term or until the member's successor is appointed and 605
qualifies, whichever date occurs first. Of the members first 606
appointed to the council by the governor, one member each 607
representing labor and management shall serve an initial term of 608
two years, one member each representing labor and management shall 609
serve a term of four years, and the remaining two members shall 610
serve full six-year terms. The members initially appointed by the 611
speaker of the house of representatives and the president of the 612
senate shall serve a term of six years. Thereafter, members shall 613
be appointed to and serve full six-year terms. Members are 614
eligible for reappointment to any number of additional terms. 615

Legislative members shall serve a term that coincides with 616
the two-year legislative session in which they are first appointed 617
with each term ending on the thirty-first day of December of the 618
even-numbered year. Legislative members are eligible for 619
reappointment. 620

Vacancies on the council shall be filled in the same manner 621
as the original appointment. All members of the council shall 622
serve without additional compensation but shall be reimbursed by 623
the bureau of workers' compensation for actual and necessary 624
expenses. 625

The council shall advise the bureau of workers' compensation 626
board of directors and the administrator of workers' compensation 627
on the quality and effectiveness of rehabilitation services and 628
make recommendations pertaining to the bureau's rehabilitation 629
program, including the operation of that program. 630

~~The labor management government advisory council shall 631
recommend to the administrator three candidates for the position 632
of director of rehabilitation. The candidates shall be chosen for 633
their ability and background in the field of rehabilitation. The 634~~

~~administrator shall select a director from the list of candidates.~~ 635

Sec. 4123.34. It shall be the duty of the bureau of workers' 636
compensation board of directors and the administrator of workers' 637
compensation to safeguard and maintain the solvency of the state 638
insurance fund and all other funds specified in this chapter and 639
Chapters 4121., 4127., and 4131. of the Revised Code. The 640
administrator, in the exercise of the powers and discretion 641
conferred upon the administrator in section 4123.29 of the Revised 642
Code, shall fix and maintain, with the advice and consent of the 643
board, for each class of occupation or industry, the lowest 644
possible rates of premium consistent with the maintenance of a 645
solvent state insurance fund and the creation and maintenance of a 646
reasonable surplus, after the payment of legitimate claims for 647
injury, occupational disease, and death that the administrator 648
authorizes to be paid from the state insurance fund for the 649
benefit of injured, diseased, and the dependents of killed 650
employees. In establishing rates, the administrator shall take 651
into account the necessity of ensuring sufficient money is set 652
aside in the premium payment security fund to cover any defaults 653
in premium obligations. The administrator shall observe all of the 654
following requirements in fixing the rates of premium for the 655
risks of occupations or industries: 656

(A) The administrator shall keep an accurate account of the 657
money paid in premiums by each of the several classes of 658
occupations or industries, and the losses on account of injuries, 659
occupational disease, and death of employees thereof, and also 660
keep an account of the money received from each individual 661
employer and the amount of losses incurred against the state 662
insurance fund on account of injuries, occupational disease, and 663
death of the employees of the employer. 664

(B) ~~Ten per cent~~ A portion of the money paid into the state 665

insurance fund shall be set aside for the creation of a surplus 666
~~until the surplus amounts to the sum of one hundred thousand 667~~
~~dollars, after which time, whenever necessary in the judgment of 668~~
~~the administrator to guarantee a solvent fund account within the 669~~
state insurance fund, a sum not exceeding five per cent of all the 670
money paid into the state insurance fund shall be credited to the 671
surplus fund. Any references in this chapter or in Chapter 4121., 672
4125., 4127., or 4131. of the Revised Code to the surplus fund,
the surplus created in this division, the statutory surplus fund,
or the statutory surplus of the state insurance fund are hereby 675
deemed to be references to the surplus fund account. The 676
administrator may transfer the portion of the state insurance fund 677
to the surplus fund account as the administrator determines is 678
necessary to satisfy the needs of the surplus fund account and to 679
guarantee the solvency of the state insurance fund and the surplus 680
fund account. In addition to all statutory authority under this 681
chapter and Chapter 4121. of the Revised Code, the administrator 682
has discretionary and contingency authority to make charges to the 683
surplus fund account. The administrator shall account for all 684
charges, whether statutory, discretionary, or contingency, that 685
the administrator may make to the surplus fund account. A revision 686
of basic rates shall be made annually on the first day of July. 687

Notwithstanding any provision of the law to the contrary, one 689
hundred eighty days after the effective date on which 690
self-insuring employers first may elect under division (D) of 691
section 4121.66 of the Revised Code to directly pay for 692
rehabilitation expenses, the administrator shall calculate the 693
deficit, if any, in the portion of the surplus fund account that 694
is used for reimbursement to self-insuring employers for all 695
expenses other than handicapped reimbursement under section 696
4123.343 of the Revised Code. The administrator, from time to 697
time, may determine whether the surplus fund account has such a 698

deficit and may assess all self-insuring employers who 699
participated in the portion of the surplus fund account during the 700
accrual of the deficit and who during that time period have not 701
made the election under division (D) of section 4121.66 of the 702
Revised Code the amount the administrator determines necessary to 703
reduce the deficit. 704

Revisions of basic rates shall be in accordance with the 705
oldest four of the last five calendar years of the combined 706
accident and occupational disease experience of the administrator 707
in the administration of this chapter, as shown by the accounts 708
kept as provided in this section, excluding the experience of 709
employers that are no longer active if the administrator 710
determines that the inclusion of those employers would have a 711
significant negative impact on the remainder of the employers in a 712
particular manual classification; and the administrator shall 713
adopt rules, with the advice and consent of the board, governing 714
rate revisions, the object of which shall be to make an equitable 715
distribution of losses among the several classes of occupation or 716
industry, which rules shall be general in their application. 717

(C) The administrator may apply that form of rating system 718
that the administrator finds is best calculated to merit rate or 719
individually rate the risk more equitably, predicated upon the 720
basis of its individual industrial accident and occupational 721
disease experience, and may encourage and stimulate accident 722
prevention. The administrator shall develop fixed and equitable 723
rules controlling the rating system, which rules shall conserve to 724
each risk the basic principles of workers' compensation insurance. 725

(D) The administrator, from the money paid into the state 726
insurance fund, shall set aside into an account of the state 727
insurance fund titled a premium payment security fund sufficient 728
money to pay for any premiums due from an employer and uncollected 729
that are in excess of the employer's premium security deposit. 730

The fund shall be in the custody of the treasurer of state. 731
All investment earnings of the fund shall be deposited in the 732
fund. Disbursements from the fund shall be made by the bureau of 733
workers' compensation upon order of the administrator to the state 734
insurance fund. The use of the moneys held by the premium payment 735
security fund is restricted to reimbursement to the state 736
insurance fund of premiums due and uncollected in excess of an 737
employer's premium security deposit. The moneys constituting the 738
premium payment security fund shall be maintained without regard 739
to or reliance upon any other fund. This section does not prevent 740
the deposit or investment of the premium payment security fund 741
with any other fund created by this chapter, but the premium 742
payment security fund is separate and distinct for every other 743
purpose and a strict accounting thereof shall be maintained. 744

(E) The administrator may grant discounts on premium rates 745
for employers who meet either of the following requirements: 746

(1) Have not incurred a compensable injury for one year or 747
more and who maintain an employee safety committee or similar 748
organization or make periodic safety inspections of the workplace. 749

(2) Successfully complete a loss prevention program 750
prescribed by the superintendent of the division of safety and 751
hygiene and conducted by the division or by any other person 752
approved by the superintendent. 753

(F)(1) In determining the premium rates for the construction 754
industry the administrator shall calculate the employers' premiums 755
based upon the actual remuneration construction industry employees 756
receive from construction industry employers, provided that the 757
amount of remuneration the administrator uses in calculating the 758
premiums shall not exceed an average weekly wage equal to one 759
hundred fifty per cent of the statewide average weekly wage as 760
defined in division (C) of section 4123.62 of the Revised Code. 761

(2) Division (F)(1) of this section shall not be construed as affecting the manner in which benefits to a claimant are awarded under this chapter. 762
763
764

(3) As used in division (F) of this section, "construction industry" includes any activity performed in connection with the erection, alteration, repair, replacement, renovation, installation, or demolition of any building, structure, highway, or bridge. 765
