memorandum of understanding prepared under section 5126.058 of the 94298

there is another reasonable basis for the action. 94336

(M) Reports made under this section are not public records as 94337

(N) Notwithstanding section 4731.22 of the Revised Code, the 94344
physician-patient privilege shall not be a ground for excluding 94345

each individual receiving services from the provider. If the 94361
individual is unable to read the list, the provider shall 94362

mental retardation or a developmental disability shall establish 94381
policies and programs to ensure that all staff members are 94382
familiar with the rights enumerated in section 5123.62 of the 94383
Revised Code and observe those rights in their contacts with 94384
persons receiving services. Any policy, procedure, or rule of the 94385
provider that conflicts with any of the rights enumerated shall be 94386
null and void. Every provider shall establish written procedures 94387
for resolving complaints of violations of those rights. A copy of 94388
the procedures shall be provided to any person receiving services 94389
or to any parent, guardian, or advocate of a person receiving 94390

results of the comprehensive evaluation, the managing officer also 94431
may discharge any voluntary resident if, in the judgment of the 94432

chief program director, the discharge would contribute to the most 94433
effective use of the institution in the habilitation and care of 94434
the mentally retarded. 94435

~~(E)~~(D) A person who is found incompetent to stand trial or 94436

age or older and who is or believes self to be mentally retarded 94444

institution for temporary admission for short-term care. The 94446
application may be made on behalf of a minor by a parent or 94447
guardian, and on behalf of an adult adjudicated mentally 94448
incompetent by a guardian. 94449

(B) For purposes of this section, short-term care shall be 94450
defined to mean appropriate services provided to a person with 94451
mental retardation for no more than fourteen consecutive days and 94452
for no more than forty-two days in a fiscal year. When 94453
circumstances warrant, the fourteen-day period may be extended at 94454
the discretion of the managing officer. Short-term care is 94455
provided in a developmental center to meet the family's or 94456
caretaker's needs for separation from the person with mental 94457
retardation. 94458

(C) The managing officer of an institution, with the 94459
concurrence of the chief program director, may admit a person for 94460
short-term care only after a medical examination has been made of 94461
the person and only if the managing officer concludes that the 94462
person is mentally retarded. 94463

~~(D) If application for admission for short term care of a 94464
minor or of a person adjudicated mentally incompetent is made by 94465

in the best interest of the minor or the incompetent. 94470~~

~~(E)~~ A person who is found not guilty by reason of insanity 94471
shall not admit self to an institution for short-term care unless 94472
a hearing was held regarding the person pursuant to division (A) 94473

~~(F)~~(E) The mentally retarded person, liable relatives, and 94481
guardians of mentally retarded persons admitted for respite care 94482
shall pay support charges in accordance with sections 5121.01 to 94483
5121.21 of the Revised Code. 94484

~~(G)~~(F) At the conclusion of each period of short-term care, 94485
the person shall return to the person's family or caretaker. Under 94486
no circumstances shall a person admitted for short-term care 94487
according to this section remain in the institution after the 94488
period of short-term care unless the person is admitted according 94489
to section 5123.70, sections 5123.71 to 5123.76, or section 94490
2945.38, 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised 94491
Code. 94492

Sec. 5123.86. (A) Except as provided in divisions (C), (D), 94493

(E), and (F) of this section, the chief medical officer shall 94494

(3) Major aversive interventions; 94502

(4) Sterilization; 94503

(5) Experimental procedures; 94504

(6) Any unusual or hazardous treatment procedures. 94505

(B) No resident shall be subjected to any of the procedures 94506
listed in division (A)(4), (5), or (6) of this section without the 94507
resident's informed consent. 94508

(C) If a resident is physically or mentally unable to receive 94509
the information required for surgery under division (A)(1) of this 94510
section, or has been adjudicated incompetent, the information may 94511
be provided to the resident's natural or court-appointed guardian, 94512
including an agency providing guardianship services under contract 94513
with the department of developmental disabilities under sections 94514

intelligent, and knowing written consent for surgery. Consent for 94516
surgery shall not be provided by a guardian who is an officer or 94517
employee of the department of mental health or the department of 94518
developmental disabilities. 94519

If a resident is physically or mentally unable to receive the 94520
information required for surgery under division (A)(1) of this 94521
section and has no guardian, then the information, the 94522
recommendation of the chief medical officer, and the concurring 94523

judgment of a licensed physician who is not a full-time employee 94524
of the state may be provided to the court in the county in which 94525
the institution is located, which may approve the surgery. Before 94526

the recommendation of the chief medical officer. 94532

(D) If, in the judgment of two licensed physicians, delay in 94533
obtaining consent for surgery would create a grave danger to the 94534
health of a resident, emergency surgery may be performed without 94535
the consent of the resident if the necessary information is 94536
provided to the resident's guardian, including an agency providing 94537
guardianship services under contract with the department of 94538
developmental disabilities under sections 5123.55 to 5123.59 of 94539
the Revised Code, or to the resident's spouse or next of kin to 94540

knowing written consent. 94542

If the guardian, spouse, or next of kin cannot be contacted 94543
through exercise of reasonable diligence, or if the guardian, 94544
spouse, or next of kin is contacted, but refuses to consent, then 94545
the emergency surgery may be performed upon the written 94546
authorization of the chief medical officer and after court 94547
approval has been obtained. However, if delay in obtaining court 94548
approval would create a grave danger to the life of the resident, 94549
the chief medical officer may authorize surgery, in writing, 94550
without court approval. If the surgery is authorized without court 94551
approval, the chief medical officer who made the authorization and 94552
the physician who performed the surgery shall each execute an 94553
affidavit describing the circumstances constituting the emergency 94554
and warranting the surgery and the circumstances warranting their 94555

not obtaining prior court approval. The affidavit shall be filed 94556
with the court with which the request for prior approval would 94557
have been filed within five court days after the surgery, and a 94558
copy of the affidavit shall be placed in the resident's file and 94559
shall be given to the guardian, spouse, or next of kin of the 94560
resident, to the hospital at which the surgery was performed, and 94561
to the ~~legal rights service~~ Ohio protection and advocacy system 94562
created by section 5123.60 of the Revised Code. 94563

(E)(1) If it is the judgment of two licensed physicians, as 94564
described in division (E)(2) of this section, that a medical 94565
emergency exists and delay in obtaining convulsive therapy creates 94566
a grave danger to the life of a resident who is both mentally 94567
retarded and mentally ill, convulsive therapy may be administered 94568
without the consent of the resident if the resident is physically 94569
or mentally unable to receive the information required for 94570
convulsive therapy and if the necessary information is provided to 94571
the resident's natural or court-appointed guardian, including an 94572
agency providing guardianship services under contract with the 94573
department of developmental disabilities under sections 5123.55 to 94574
5123.59 of the Revised Code, or to the resident's spouse or next 94575
of kin to enable that person or agency to give an informed, 94576
intelligent, and knowing written consent. If neither the 94577
resident's guardian, spouse, nor next of kin can be contacted 94578
through exercise of reasonable diligence, or if the guardian, 94579
spouse, or next of kin is contacted, but refuses to consent, then 94580
convulsive therapy may be performed upon the written authorization 94581
of the chief medical officer and after court approval has been 94582
obtained. 94583

(2) The two licensed physicians referred to in division 94584
(E)(1) of this section shall not be associated with each other in 94585
the practice of medicine or surgery by means of a partnership or 94586
corporate arrangement, other business arrangement, or employment. 94587

At least one of the physicians shall be a psychiatrist as defined 94588
in division (E) of section 5122.01 of the Revised Code. 94589

(F) Major aversive interventions shall not be used unless a 94590
resident continues to engage in behavior destructive to self or 94591
others after other forms of therapy have been attempted. ~~The~~ 94592
~~director of the legal rights service created by section 5123.60 of~~ 94593
~~the Revised Code shall be notified of any proposed major aversive~~ 94594
~~intervention.~~ Major aversive interventions shall not be applied to 94595
a voluntary resident without the informed, intelligent, and 94596
knowing written consent of the resident or the resident's 94597
guardian, including an agency providing guardianship services 94598
under contract with the department of developmental disabilities 94599
under sections 5123.55 to 5123.59 of the Revised Code. 94600

(G)(1) This chapter does not authorize any form of compulsory 94601
medical or psychiatric treatment of any resident who is being 94602
treated by spiritual means through prayer alone in accordance with 94603
a recognized religious method of healing. 94604

(2) For purposes of this section, "convulsive therapy" does 94605
not include defibrillation. 94606

fourth degree or, if the abuse or neglect constitutes a felony, a 94612
misdemeanor of the second degree. In addition to any other 94613

regarding misappropriation, abuse, neglect, or other specified 94619
misconduct by MR/DD employees established under section 5123.52 of 94620
the Revised Code. 94621

shall submit to the county board evidence that the service was 95672
provided and a statement of the charges. The county board shall 95673
make reimbursements and redeem vouchers no later than forty-five 95674

certified under division (B) of this section. 95814

(2) "Per-mill yield" means the quotient obtained by dividing 95815
the taxable value of a county by one thousand. 95816

(3) "Population" of a county means that shown by the federal 95817
census for a census year or, for a noncensus year, the population 95818
as estimated by the department of development. 95819

(4) "Six-year moving average" means the average of the 95820
per-mill yields of a county for the most recent six years. 95821

(5) "Yield per person" means the quotient obtained by 95822
dividing the six-year moving average of a county by the population 95823
of that county. 95824

(6) "Tax equity payments" means payments to county boards of 95825
developmental disabilities under this section or a prior version 95826
of this section from money appropriated by the general assembly to 95827
the department of developmental disabilities for that purpose. 95828

(7) "Eligible county" means a county determined under 95829
division (C) of this section to be eligible for tax equity 95830
payments for the two-year period for which that determination is 95831
made. 95832

(8) "Threshold county" means the county with the lowest yield 95833
per person that is determined not to be eligible to receive tax 95834
equity payments. 95835

(B) At the request of the director of developmental 95836
disabilities, the tax commissioner shall certify to the director 95837
the taxable value of property on each county's most recent tax 95838

list of real and public utility property. The director may request 95839
any other tax information necessary for the purposes of this 95840
section. 95841

(C) Beginning in 2011, on or before the thirty-first day of 95842
May of that year and of every second year thereafter, the director 95843
of developmental disabilities shall determine whether a county is 95844
eligible to receive tax equity payments for the ensuing two fiscal 95845
years as follows: 95846

(1) The director shall determine the six-year moving average, 95847
population, and yield per person of each county in the state, 95848
based on the most recent information available. 95849

(2) The director shall calculate a tax equity funding 95850
threshold by adding the population of the county with the lowest 95851
yield per person and the populations of individual counties in 95852
order from lowest yield per person to highest yield per person 95853
until the addition of the population of another county would 95854
increase the aggregate sum to over thirty per cent of the total 95855
state population. A county is eligible to receive tax equity 95856
payments for the two-year period if its population is included in 95857
the calculation of the threshold and the addition of its 95858
population does not increase such sum to over thirty per cent of 95859
the total state population. 95860

(D)(1) Except as provided in divisions (D)(2) and (3) of this 95861
section, beginning in fiscal year 2012 and for each fiscal year 95862

county and the yield per person of the eligible county. For 95866
purposes of this division, the population and yield per person of 95867
a county equal the population and yield per person most recently 95868

The payments shall be made in quarterly installments of equal 95870

amounts not later than the thirtieth day of September, the 95871
thirty-first day of December, the thirty-first day of March, and 95872
the thirtieth day of June of each fiscal year. 95873

(2) In fiscal year 2012, if the amount determined under 95874
division (D)(1) of this section for an eligible county is at least 95875
twenty thousand dollars greater than or twenty thousand dollars 95876
less than the amount of tax equity payments the county received in 95877
fiscal year 2011, the county's tax equity payments for fiscal 95878
years 2012 through 2014 shall equal the following: 95879

(a) For fiscal year 2012, one-fourth of the amount calculated 95880
for the eligible county under division (D)(1) of this section plus 95881
three-fourths of the amount of tax equity payments the county 95882
received in fiscal year 2011; 95883

(b) For fiscal year 2013, one-half of the amount calculated 95884
for the eligible county under division (D)(1) of this section plus 95885
one-half of the amount of tax equity payments the county received 95886
in fiscal year 2011; 95887

calculated for the eligible county under division (D)(1) of this 95889
section plus one-fourth of the amount of tax equity payments the 95890
county received in fiscal year 2011. 95891

(3) In any fiscal year, if the total amount of tax equity 95892
payments for all eligible counties as determined under divisions 95893
(D)(1) and (2) of this section is greater than the amount 95894
appropriated to the department of developmental disabilities for 95895
the purpose of making such payments in that fiscal year, the 95896
director shall reduce the payments to each eligible county board 95897
in equal proportion. If the total amount of tax equity payments as 95898
determined under that division is less than the amount 95899
appropriated to the department for that purpose, the director 95900
shall determine how to allocate the excess money after 95901

consultation with the Ohio association of county boards serving people with developmental disabilities. 95902
95903

(4) Tax equity payments shall be paid only to an eligible county board of developmental disabilities and not to a regional council established under section 5126.13 of the Revised Code or any other entity. 95904
95905
95906
95907

(E)(1) Except as provided in division (E)(2) of this section, a county board of developmental disabilities shall use tax equity payments solely to pay the nonfederal share of medicaid expenditures it is required to pay under sections 5126.059 and 5126.0510 of the Revised Code. 95916
95917
95918

(3) The director may audit any county board receiving tax equity payments to ensure appropriate use of the payments in accordance with this section. If the director determines that a county board is using payments inappropriately, the director shall notify the county board in writing of the determination. Within thirty days after receiving the director's notification, the county board shall submit a written plan of correction to the director. The director may accept or reject the plan. If the director rejects the plan, the director may require the county board to repay all or a portion of the amount of tax equity payments used inappropriately. The director shall distribute any tax equity payments returned under this division to other eligible county boards in accordance with a plan developed by the director after consultation with the Ohio association of county boards serving people with developmental disabilities. 95919

(C) Prior to the removal, suspension, or demotion of an 95943
employee pursuant to this section, the employee shall be notified 95944

refute the charges against the employee. At least seventy-two 95949
hours prior to the conference, the employee shall be given a copy 95950
of the charges against the employee. 95951

If the removal, suspension, or demotion action is directed 95952
against a management employee, the conference shall be held by the 95953
superintendent or a person the superintendent designates, and the 95954
superintendent shall notify the management employee within fifteen 95955
days after the conference of the decision made with respect to the 95956
charges. If the removal, suspension, or demotion action is 95957
directed against a superintendent, the conference shall be held by 95958
the members of the board or their designees, and the board shall 95959
notify the superintendent within fifteen days after the conference 95960
of its decision with respect to the charges. 95961

(D) Within fifteen days after receiving notification of the 95962
results of the predisciplinary conference, an employee may file 95963
with the board a written demand for a hearing before the board or 95964

before a referee, and the board shall set a time for the hearing 95965
which shall be within thirty days from the date of receipt of the 95966
written demand, and the board shall give the employee at least 95967
twenty days notice in writing of the time and place of the 95968
hearing. 95969

(E) If a referee is demanded by an employee or a county 95970
board, the hearing shall be conducted by a referee selected in 95971
accordance with division (F) of this section; otherwise, it shall 95972
be conducted by a majority of the members of the board and shall 95973
be confined to the charges enumerated at the predisciplinary 95974
conference. 95975

designees to serve as referee, the ~~superintendent of public~~ 95989
~~instruction~~ director shall appoint one of the designees to serve 95990
as referee. The appointment of the referee shall be entered in the 95991
minutes of the county board. The referee appointed shall be paid 95992
the referee's usual and customary fee for attending the hearing 95993
which shall be paid from the general fund of the county board of 95994
developmental disabilities. 95995

(G) The board shall provide for a complete stenographic 95996

record of the proceedings, and a copy of the record shall be 95997
furnished to the employee. 95998

Both parties may be present at the hearing, be represented by 95999
counsel, require witnesses to be under oath, cross-examine 96000
witnesses, take a record of the proceedings, and require the 96001
presence of witnesses in their behalf upon subpoena to be issued 96002

from the minutes and, if the employee has suffered any loss of 96016
salary by reason of being suspended, the employee shall be paid 96017

the adult will suffer immediate physical harm in the twenty-four 96156
hour period and that the board has made reasonable attempts to 96157
give the notice required by this division. 96158

(C) Upon the filing of a complaint for an order under this 96159
section, the court shall hold a hearing at least twenty-four hours 96160

The court shall limit the provision of these services to a period not exceeding six months, renewable for an additional six-month period on a showing by the board that continuation of the order is necessary.

best interest and the welfare of the adult require that the court 96243
issue the order immediately. The court, if acting on its own 96244

motion, or the person requesting the granting of an ex parte 96245
order, to the extent possible, shall give notice of its intent or 96246

living contracts. In either case, only providers that are 96303

board shall review the pool at least annually to determine whether 96307
each provider has continued interest in being a provider and has 96308
maintained its certification by the department. At any time, an 96309
interested and certified provider may make a request to the board 96310
that it be added to the pool, and the board shall add the provider 96311

projects; upon an order of the juvenile court and subject to 96489
appropriation by the board of county commissioners, shall be 96490
disbursed to the juvenile court for use in accordance with the 96491
applicable provisions of division (B)(2) of this section; shall 96492
not revert to the county general fund at the end of any fiscal 96493
year; and shall carry over in the felony delinquent care and 96494
custody fund from the end of any fiscal year to the next fiscal 96495
year. The maximum balance carry-over at the end of each respective 96496
fiscal year in the felony delinquent care and custody fund in any 96497
county from funds allocated to the county pursuant to sections 96498
5139.34 and 5139.41 of the Revised Code in the previous fiscal 96499

at the end of each respective fiscal year shall be determined by 96504

carry-over shall be one hundred per cent of the allocation for 96506
fiscal year 2007, to be applied in determining the fiscal year 96507
2009 allocation; for fiscal year 2009, it shall be fifty per cent 96508
of the allocation for fiscal year 2008, to be applied in 96509
determining the fiscal year 2010 allocation; for fiscal year 2010, 96510
it shall be twenty-five per cent of the allocation for fiscal year 96511
2009, to be applied in determining the fiscal year 2011 96512
allocation; and for each fiscal year subsequent to fiscal year 96513
2010, it shall be twenty-five per cent of the allocation for the 96514
immediately preceding fiscal year, to be applied in determining 96515
the allocation for the next immediate fiscal year. The department 96516
shall withhold from future payments to a county an amount equal to 96517
any moneys in the felony delinquent care and custody fund of the 96518
county that exceed the total maximum balance carry-over that 96519
applies for that county for the fiscal year in which the payments 96520
are being made and shall reallocate the withheld amount. The 96521

department shall adopt rules for the withholding and reallocation 96522
of moneys disbursed under sections 5139.34 and 5139.41 of the 96523
Revised Code and for the criteria and process for a county to 96524
obtain an exemption from the withholding requirement. The moneys 96525
disbursed to the juvenile court pursuant to division (B) of 96526
section 5139.41 of the Revised Code and deposited pursuant to this 96527
division in the felony delinquent care and custody fund shall be 96528
in addition to, and shall not be used to reduce, any usual annual 96529
increase in county funding that the juvenile court is eligible to 96530
receive or the current level of county funding of the juvenile 96531
court and of any programs or services for delinquent children, 96532
unruly children, or juvenile traffic offenders. 96533

(2)(a) A county and the juvenile court that serves the county 96534
shall use the moneys in its felony delinquent care and custody 96535
fund in accordance with rules that the department of youth 96536
services adopts pursuant to division (D) of section 5139.04 of the 96537
Revised Code and as follows: 96538

(i) The moneys in the fund that represent state subsidy funds 96539
granted to the county pursuant to section 5139.34 of the Revised 96540
Code shall be used to aid in the support of prevention, early 96541
intervention, diversion, treatment, and rehabilitation programs 96542
that are provided for alleged or adjudicated unruly children or 96543
delinquent children or for children who are at risk of becoming 96544
unruly children or delinquent children. The county shall not use 96545
for capital improvements more than fifteen per cent of the moneys 96546
in the fund that represent the applicable annual grant of those 96547
state subsidy funds. 96548

(ii) The moneys in the fund that were disbursed to the 96549
juvenile court pursuant to division (B) of section 5139.41 of the 96550
Revised Code and deposited pursuant to division (B)(1) of this 96551
section in the fund shall be used to provide programs and services 96552
for the training, treatment, or rehabilitation of felony 96553

delinquents that are alternatives to their commitment to the 96554
department, including, but not limited to, community residential 96555
programs, day treatment centers, services within the home, and 96556
electronic monitoring, and shall be used in connection with 96557
training, treatment, rehabilitation, early intervention, or other 96558
programs or services for any delinquent child, unruly child, or 96559
juvenile traffic offender who is under the jurisdiction of the 96560
juvenile court. 96561

The fund also may be used for prevention, early intervention, 96562
diversion, treatment, and rehabilitation programs that are 96563
provided for alleged or adjudicated unruly children, delinquent 96564
children, or juvenile traffic offenders or for children who are at 96565
risk of becoming unruly children, delinquent children, or juvenile 96566
traffic offenders. Consistent with division (B)(1) of this 96567
section, a county and the juvenile court of a county shall not use 96568
any of those moneys for capital construction projects. 96569

(iii) Moneys in the fund shall not be used to support 96570
programs or services that do not comply with federal juvenile 96571
justice and delinquency prevention core requirements or to support 96572
programs or services that research has shown to be ineffective. 96573
Moneys in the fund shall be prioritized to research-supported, 96574
outcome-based programs and services. 96575

(iv) The county and the juvenile court that serves the county 96576
may use moneys in the fund to provide out-of-home placement of 96577
children only in detention centers, community rehabilitation 96578
centers, or community corrections facilities approved by the 96579
department pursuant to standards adopted by the department, 96580
licensed by an authorized state agency, or accredited by the 96581
American correctional association or another national organization 96582
recognized by the department. 96583

(b) Each juvenile court shall comply with division (B)(3)(d) 96584
of this section as implemented by the department. If a juvenile 96585

court fails to comply with division (B)(3)(d) of this section, the 96586
department shall not be required to make any disbursements in 96587
accordance with division (C) or (D) of section 5139.41 or division 96588
(C)(2) of section 5139.34 of the Revised Code. 96589

(3) In accordance with rules adopted by the department 96590
pursuant to division (D) of section 5139.04 of the Revised Code, 96591
each juvenile court and the county served by that juvenile court 96592
shall do all of the following that apply: 96593

(a) The juvenile court shall prepare an annual grant 96594
agreement and application for funding that satisfies the 96595
requirements of this section and section 5139.34 of the Revised 96596
Code and that pertains to the use, upon an order of the juvenile 96597
court and subject to appropriation by the board of county 96598
commissioners, of the moneys in its felony delinquent care and 96599
custody fund for specified programs, care, and services as 96600
described in division (B)(2)(a) of this section, shall submit that 96601
agreement and application to the county family and children first 96602
council, the regional family and children first council, or the 96603
local intersystem services to children cluster as described in 96604
sections 121.37 and 121.38 of the Revised Code, whichever is 96605
applicable, and shall file that agreement and application with the 96606
department for its approval. The annual grant agreement and 96607
application for funding shall include a method of ensuring equal 96608
access for minority youth to the programs, care, and services 96609
specified in it. 96610

The department may approve an annual grant agreement and 96611
application for funding only if the juvenile court involved has 96612
complied with the preparation, submission, and filing requirements 96613
described in division (B)(3)(a) of this section. If the juvenile 96614
court complies with those requirements and the department approves 96615
that agreement and application, the juvenile court and the county 96616
served by the juvenile court may expend the state subsidy funds 96617

granted to the county pursuant to section 5139.34 of the Revised Code only in accordance with division (B)(2)(a) of this section, the rules pertaining to state subsidy funds that the department adopts pursuant to division (D) of section 5139.04 of the Revised Code, and the approved agreement and application.

(b) By the thirty-first day of August of each year, the juvenile court shall file with the department a report that contains all of the statistical and other information for each month of the prior state fiscal year. If the juvenile court fails to file the report required by division (B)(3)(b) of this section by the thirty-first day of August of any year, the department shall not disburse any payment of state subsidy funds to which the county otherwise is entitled pursuant to section 5139.34 of the Revised Code and shall not disburse pursuant to division (B) of section 5139.41 of the Revised Code the applicable allocation until the juvenile court fully complies with division (B)(3)(b) of this section.

(c) If the department requires the juvenile court to prepare monthly statistical reports and to submit the reports on forms provided by the department, the juvenile court shall file those reports with the department on the forms so provided. If the juvenile court fails to prepare and submit those monthly statistical reports within the department's timelines, the department shall not disburse any payment of state subsidy funds to which the county otherwise is entitled pursuant to section 5139.34 of the Revised Code and shall not disburse pursuant to division (B) of section 5139.41 of the Revised Code the applicable allocation until the juvenile court fully complies with division (B)(3)(c) of this section. If the juvenile court fails to prepare and submit those monthly statistical reports within one hundred eighty days of the date the department establishes for their submission, the department shall not disburse any payment of state

subsidy funds to which the county otherwise is entitled pursuant 96650
to section 5139.34 of the Revised Code and shall not disburse 96651
pursuant to division (B) of section 5139.41 of the Revised Code 96652
the applicable allocation, and the state subsidy funds and the 96653
remainder of the applicable allocation shall revert to the 96654
department. If a juvenile court states in a monthly statistical 96655
report that the juvenile court adjudicated within a state fiscal 96656
year five hundred or more children to be delinquent children for 96657
committing acts that would be felonies if committed by adults and 96658
if the department determines that the data in the report may be 96659
inaccurate, the juvenile court shall have an independent auditor 96660
or other qualified entity certify the accuracy of the data on a 96661
date determined by the department. 96662

(d) If the department requires the juvenile court and the 96663
county to participate in a fiscal monitoring program or another 96664
monitoring program that is conducted by the department to ensure 96665
compliance by the juvenile court and the county with division (B) 96666
of this section, the juvenile court and the county shall 96667
participate in the program and fully comply with any guidelines 96668
for the performance of audits adopted by the department pursuant 96669
to that program and all requests made by the department pursuant 96670
to that program for information necessary to reconcile fiscal 96671
accounting. If an audit that is performed pursuant to a fiscal 96672
monitoring program or another monitoring program described in this 96673
division determines that the juvenile court or the county used 96674
moneys in the county's felony delinquent care and custody fund for 96675
expenses that are not authorized under division (B) of this 96676
section, within forty-five days after the department notifies the 96677
county of the unauthorized expenditures, the county either shall 96678
repay the amount of the unauthorized expenditures from the county 96679
general revenue fund to the state's general revenue fund or shall 96680
file a written appeal with the department. If an appeal is timely 96681
filed, the director of the department shall render a decision on 96682

the appeal and shall notify the appellant county or its juvenile court of that decision within forty-five days after the date that the appeal is filed. If the director denies an appeal, the county's fiscal agent shall repay the amount of the unauthorized expenditures from the county general revenue fund to the state's general revenue fund within thirty days after receiving the director's notification of the appeal decision.

(C) The determination of which county a reduction of the care and custody allocation will be charged against for a particular youth shall be made as outlined below for all youths who do not qualify as public safety beds. The determination of which county a reduction of the care and custody allocation will be charged against shall be made as follows until each youth is released:

(1) In the event of a commitment, the reduction shall be charged against the committing county.

(2) In the event of a recommitment, the reduction shall be charged against the original committing county until the expiration of the minimum period of institutionalization under the original order of commitment or until the date on which the youth is admitted to the department of youth services pursuant to the order of recommitment, whichever is later. Reductions of the allocation shall be charged against the county that recommitted the youth after the minimum expiration date of the original commitment.

(3) In the event of a revocation of a release on parole, the reduction shall be charged against the county that revokes the youth's parole.

(D) A juvenile court is not precluded by its allocation amount for the care and custody of felony delinquents from committing a felony delinquent to the department of youth services for care and custody in an institution or a community corrections

facility when the juvenile court determines that the commitment is 96714
appropriate. 96715

Sec. 5310.35. The board of county commissioners shall conduct 96716
the public hearing required by section 5310.33 of the Revised Code 96717

includes each of the following: 96720

Sec. 5540.031. (A) The board of trustees of a transportation 97059
improvement district may provide for the construction, 97060
reconstruction, improvement, alteration, or repair of any road, 97061
highway, public place, building, or other infrastructure and levy 97062
special assessments, if the board determines that the public 97063
improvement will benefit the area where it will be constructed, 97064
reconstructed, improved, altered, or repaired. However, if the 97065
improvement is proposed for territory in a political subdivision 97066
located outside the district's territory, the legislative 97067
authority of that political subdivision shall approve the 97068
undertaking of the improvement within the political subdivision. 97069

(B) If any improvements are made under this section, 97070
contracts for the improvement may provide that the improvement may 97071
be owned by the district or by the person or corporation supplying 97072
it to the district under a lease. 97073

(C) If the board of trustees of a district proposes an 97074
improvement described in division (A) of this section, the board 97075
shall conduct a hearing on the proposed improvement. The board 97076
shall indicate by metes and bounds the area in which the public 97077
improvement will be made and the area that will benefit from the 97078
improvement. 97079

(D) The board of trustees shall fix a day for a hearing on 97080
the proposed improvement. The secretary-treasurer of the board 97081
shall deliver, to each owner of a parcel of land or a lot that the 97082
board identifies as benefiting from the proposed improvement, a 97083

notice that sets forth the substance of the proposed improvement 97084
and the time and place of the hearing on it. At least fifteen days 97085
before the date set for the hearing, a copy of the notice shall be 97086
served upon the owner or left at ~~his~~ the owner's usual place of 97087
residence, or, if the owner is a corporation, upon an officer or 97088
agent of the corporation. On or before the day of the hearing, the 97089
person serving notice of the hearing shall make return thereon, 97090
under oath, of the time and manner of service, and shall file the 97091
notice with the secretary-treasurer of the board. 97092

At least fifteen days before the day set for the hearing on 97093
the proposed improvement, the secretary-treasurer shall give 97094
notice to each nonresident owner of a lot or parcel of land in the 97095
area to be benefited by the improvement, by publication once in a 97096
newspaper ~~published and~~ of general circulation in the one or more 97097
counties in which this area is located. The publication of the 97098
notice shall be verified by affidavit of the printer or other 97099
person having knowledge of the publication and shall be filed with 97100
the secretary-treasurer of the district on or before the date of 97101
the hearing. 97102

(E) At the time and place specified in the notice for a 97103
hearing on the proposed improvement, the board of trustees of the 97104
district shall meet and hear any and all testimony provided by any 97105
of the parties affected by the proposed improvement and by any 97106
other persons competent to testify. The board or its 97107
representatives shall inspect, by an actual viewing, the area to 97108
be benefited by the proposed improvement. The board shall 97109
determine the necessity of the proposed improvement and may find 97110
that the proposed improvement will result in general as well as 97111
special benefits. The board may adjourn from time to time and to 97112
such places as it considers necessary. 97113

(F)(1) The board may award contracts or enter into a lease 97114
agreement for the construction, reconstruction, improvement, 97115

alteration, or repair of any improvement described in division (A) 97116
of this section and may issue notes, bonds, revenue anticipatory 97117
instruments, or other obligations, as authorized by this chapter, 97118
to finance the improvements. 97119

(2) All or a part of the costs and expenses of providing for 97120
the construction, reconstruction, improvement, alteration, or 97121
repair of any improvement described in division (F)(1) of this 97122
section may be paid from a fund into which may be paid special 97123
assessments levied under this section against the lots and parcels 97124
of land in the area to be benefited by the improvement, if the 97125
board finds that the improvement will result in general or special 97126
benefits to the benefited area. These special assessments shall be 97127
levied not more than one time on the same lot or parcel of land. 97128
Such costs and expenses may also be paid from the treasury of the 97129
district or from other available sources in amounts the board 97130
finds appropriate. 97131

(3) The board shall levy special assessments at an amount not 97132
to exceed ten per cent of the assessable value of the lot or 97133
parcel of land being assessed. The board shall determine the 97134
assessable value of a lot or parcel of land in the following 97135
manner: the board shall first determine the fair market value of 97136
the lot or parcel being assessed in the calendar year in which the 97137
area to be benefited by the public improvement is first designated 97138
and then multiply this amount by the average rate of appreciation 97139
in value of the lot or parcel since that calendar year. The 97140
assessable value of the lot or parcel is the current fair market 97141
value of the lot or parcel minus the amount calculated in the 97142
manner described in the immediately preceding sentence. The board 97143
may adjust the assessable value of a lot or parcel of land to 97144
reflect a sale of the lot or parcel that indicates an appreciation 97145
in its value that exceeds its average rate of appreciation in 97146
value. 97147

(4) Special assessments levied by the board may be paid in full in a lump sum or may be paid and collected in equal semiannual installments, equal in number to twice the number of years for which the lease of the improvement is made or twice the number of years that the note, bond, instrument, or obligation that the assessments are pledged to pay requires. The assessments shall be paid and collected in the same manner and at the same time as real property taxes are paid and collected, and assessments in the amount of fifty dollars or less shall be paid in full, and not in installments, at the time the first or next installment would otherwise become due and payable. Complaints regarding assessments may be made to the county board of revision in the same manner as complaints relating to the valuation and assessment of real property.

Credits against assessments shall be granted equal to the value of any construction, reconstruction, improvement, alteration, or repair that an owner of a parcel of land or lot makes to an improvement pursuant to an agreement between the owner and the district.

(5) After the levy of a special assessment, the board, at any time during any year in which an installment of the assessment becomes due, may pay out of other available funds of the district, including any state or federal funds available to the district, the full amount of the price of the contract that the special assessments are pledged to pay for that year or any other portion of the remaining obligation. The board shall be the sole determiner of the definition, extent, and allocation of the benefit resulting from an improvement that the board authorizes under this section.

(G)(1) The board shall certify to the appropriate county auditor the boundaries of the area that is benefited by any public improvement the board authorizes under this section and, when the

board so requests, the auditor shall apportion the valuation of 97180
any lot or parcel of land lying partly within and partly outside 97181
the area so benefited. 97182

(2) The board by resolution shall assess against the lots and 97183
parcels of land located in the area that is benefited by a public 97184
improvement such portion of the costs of completing the public 97185
improvement as the board determines, for the period that may be 97186
necessary to pay the note, bond, instrument, or obligation issued 97187
to pay for the improvement and the proceedings in relation to it, 97188
and shall certify these costs to the appropriate county auditor. 97189

(3) Except for assessments that have been paid in full in a 97190
lump sum, the county auditor shall annually place upon the tax 97191
duplicate, for collection in semiannual installments, the two 97192
installments of the assessment for that year, which shall be paid 97193
and collected at the same time and in the same manner as real 97194
property taxes. The collected assessments shall be paid to the 97195
treasury of the district and the board of the district shall use 97196
the assessments for any purpose authorized by this chapter. 97197

Sec. 5540.05. The board of trustees of a district may acquire 97198
real property in fee simple in the name of the district in 97199
connection with, but in excess of that needed for, a project by 97200
any method other than appropriation and hold the property for such 97201
period of time as the board determines. All right, title, and 97202
interest of the district in the property may be sold at public 97203
auction or otherwise, as the board considers in the best interests 97204
of the district; but in no event shall the property be sold for 97205
less than two-thirds of its appraised value. Sale at public 97206
auction shall be undertaken only after the board advertises the 97207
sale in a newspaper of general circulation in the district for ~~at~~ 97208
~~least~~ two weeks or as provided in section 7.16 of the Revised 97209
Code, prior to the date set for the sale. 97210

Sec. 5543.10. (A) The county engineer, upon the order of the board of county commissioners or board of township trustees, shall construct sidewalks, curbs, or gutters of suitable materials, along or connecting the public highways, outside any municipal corporation, upon the petition of a majority of the abutting property owners. The expense of the construction of these improvements may be paid by the county or township, or by the county or township and abutting property owners in such proportion as determined by the board of county commissioners or board of township trustees. The board of county commissioners or board of township trustees may assess part or all of the cost of these improvements against the abutting property owners, in proportion to benefits accruing to their property.

The board of county commissioners or board of township trustees, by unanimous vote, may order the construction, repair, or maintenance of sidewalks, curbs, and gutters along or connecting the public highways, outside a municipal corporation, without a petition for that construction, repair, or maintenance, and may assess none, all, or any part of the cost against abutting property owners, provided that notice is given by publication for three successive weeks in a newspaper of general circulation within the county or as provided in section 7.16 of the Revised Code, stating the intention of the board of county commissioners or board of township trustees to construct, repair, or maintain the specified improvements and fixing a date for a hearing on them. As part of a sidewalk improvement, the board may include the repair or reconstruction of a driveway within the sidewalk easement. As part of a curb improvement, the board may include construction or repair of a driveway apron.

Notice to all abutting property owners shall be given by two publications in a newspaper of general circulation in the county or as provided in section 7.16 of the Revised Code, at least ten

days prior to the date fixed in the notice for the making of 97243
assessments. The notice shall state the time and place when 97244
abutting property owners will be given an opportunity to be heard 97245
with reference to assessments. The board of county commissioners 97246
or board of township trustees shall determine whether assessments 97247
shall be paid in one or more installments. 97248

(B) The county engineer may trim or remove any and all trees, 97249
shrubs, and other vegetation growing in or encroaching onto the 97250
right-of-way of the easement of a public sidewalk along or 97251
connecting the public highways and maintained by the county, and 97252
the board of township trustees may trim or remove any and all 97253
trees, shrubs, and other vegetation growing in or encroaching onto 97254
the right-of-way of the easement of a public sidewalk along or 97255
connecting the public highways and maintained by the township, as 97256
is necessary in the engineer's or board's judgment to facilitate 97257
the right of the public to improvement and maintenance of, and 97258
uninterrupted travel on, public sidewalks in the county or 97259
township. 97260

Sec. 5552.06. (A) A board of county commissioners or a board 97261
of township trustees may adopt access management regulations or 97262
any amendments to those regulations after holding at least two 97263
public hearings at regular or special sessions of the board. The 97264
board shall consider the county engineer's proposed regulations 97265
prepared under division (B) of section 5552.04 or 5552.05 of the 97266
Revised Code and all comments on those regulations. The board, in 97267
its discretion, may, but need not, adopt any or all of those 97268
proposed regulations. After the public hearings, the board may 97269
decide not to adopt any access management regulations. 97270

The board shall publish notice of the public hearings in a 97271
newspaper of general circulation in the county or township, as 97272
applicable, once a week for ~~at least~~ two weeks or as provided in 97273

section 7.16 of the Revised Code, immediately preceding the 97274
hearings. The notice shall include the time, date, and place of 97275
each hearing. Copies of any proposed regulations or amendments 97276
shall be made available to the public at the board's office and, 97277
if the county engineer administers or is proposed to administer a 97278
point of access permit, in the engineer's office. 97279

(B) In addition to the notice required by division (A) of 97280
this section, not less than thirty days before holding a public 97281
hearing, a board of county commissioners shall send a copy of the 97282
county engineer's proposed regulations, a copy of the advisory 97283
committee's recommendations, and a request for written comments to 97284
the board of township trustees of each township in the county, the 97285
department of transportation district deputy director for the 97286
district in which the county is located, a representative of the 97287
metropolitan planning organization, where applicable, and at least 97288
the local professional associations representing the following 97289
professions: 97290

- (1) Homebuilders; 97291
- (2) Realtors; 97292
- (3) Professional surveyors; 97293
- (4) Attorneys; 97294
- (5) Professional engineers. 97295

(C) In addition to the notice required by division (A) of 97296
this section, a board of township trustees shall send a copy of 97297
the county engineer's proposed regulations, a copy of the advisory 97298
committee's recommendations, and a request for written comments, 97299
not less than thirty days before holding a public hearing, to the 97300
department of transportation district deputy director for the 97301
district in which the township is located, a representative of the 97302
metropolitan planning organization, where applicable, and at least 97303
the local professional associations representing the professions 97304

listed in division (B) of this section. 97305

Sec. 5553.05. (A) In the resolution required by section 97306
5553.04 of the Revised Code, the board of county commissioners 97307
shall fix a date when it will view the proposed improvement, and 97308
also a date for a final hearing thereon. 97309

The board shall give notice of the time and place for both 97310
such view and hearing by publication once a week for two 97311
consecutive weeks in a newspaper ~~published and having~~ of general 97312
circulation in the county where such improvement is located, ~~but~~ 97313
~~if there is no such newspaper published in said county, then in a~~ 97314
~~newspaper having general circulation in said county~~ or as provided 97315
in section 7.16 of the Revised Code. Such notice, in addition to 97316
the date and place of such view and place and time of the final 97317
hearing, shall state briefly the character of such improvement. 97318

(B) If the board adopts a resolution to vacate a public road 97319
as provided in section 5553.04 of the Revised Code, or if a 97320
petition to vacate a public road is filed, the board shall, in 97321
addition to the notice of the time and place for hearing 97322
prescribed in division (A) of this section, send written notice of 97323
the hearing by first class mail at least twenty days before the 97324
date of the public hearing to owners of property abutting upon 97325
that portion of the road to be vacated, and to the director of 97326
natural resources. Such notice shall be mailed to the addresses of 97327
such owners appearing on the county auditor's current tax list or 97328
the treasurer's mailing list, and such other list or lists that 97329
may be specified by the board. The failure of the delivery of such 97330
notice does not invalidate any such vacating of the road 97331
authorized in the resolution. 97332

Sec. 5553.19. The county engineer shall view and survey the 97333
road as provided in section 5553.18 of the Revised Code, and shall 97334

make a return of the survey and plat of the road to the board of 97335
county commissioners. Upon the filing of the report of the 97336
engineer, the board shall give notice of the filing of such report 97337
by publication as provided in section 7.16 of the Revised Code or 97338
once each week for three consecutive weeks in a newspaper 97339
~~published and having~~ of general circulation in the county in which 97340
such road is situated, ~~but if there is no such newspaper published~~ 97341
~~in said county, then in a newspaper having general circulation in~~ 97342
~~said county.~~ Such notice shall state the date and time of the 97343
hearing upon the report of the engineer. If exceptions or 97344
objections are made, the board shall hear them, and it may approve 97345
or reject said report. If the report of the engineer is approved, 97346
the board shall cause such report to be recorded together with the 97347
survey and plat of such road. 97348

Sec. 5553.23. If a person through whose land a public road 97349
has been established, which is under the jurisdiction of the board 97350
of county commissioners, desires to turn or change or relocate 97351
such road or any part thereof through any part of ~~his~~ the person's 97352
land, ~~he~~ the person may file a petition with the board of county 97353
commissioners setting forth briefly the particular change ~~he~~ 97354
~~desires~~ desired. Upon the receipt of such petition, the board 97355
shall give notice by publication once not later than two weeks 97356
prior to the date for the hearing on such petition in ~~some a~~ 97357
newspaper ~~published and~~ of general circulation in said county, ~~but~~ 97358
~~if there is no such newspaper published in said county, then in a~~ 97359
~~newspaper having general circulation in said county,~~ stating that 97360
such petition has been filed and setting forth the change desired 97361
in such road and the date and place for the hearing on said 97362
petition. If a public road was once established for public 97363
convenience through private lands, but has not been improved by 97364
public funds and for more than twenty-one years has not been used, 97365
the owner of such land may petition the board to vacate the road 97366

in accordance with proceedings under sections 5553.04 to 5553.11 97367
of the Revised Code. 97368

A person through whose land a trail right of way has been 97369
preserved under section 5553.044 of the Revised Code may file a 97370
petition to turn or change the route of the trail right of way in 97371
the manner provided in this section, and such petition shall be 97372
acted upon in the manner set forth in sections 5553.23 to 5553.31 97373
of the Revised Code. Notice of the hearing in such case shall also 97374
be made by first class mail to the director of natural resources. 97375
If the board turns or changes the route of the trail right of way, 97376
it shall furnish the director with a full and accurate description 97377
or map of the change. 97378

Sec. 5553.42. The board of county commissioners shall give 97379
notice to the owners of lands through which the proposed road will 97380
pass of the filing of the petition provided for in section 5553.41 97381
of the Revised Code and the date and place of the hearing thereon. 97382
Such notice shall be served on such owners personally, or by 97383
leaving a copy of such notice at the usual place of residence of 97384
such owners at least five days before the date of the hearing on 97385
said petition. Proof of service of such notice shall be made by 97386
affidavit of the person serving such notice. If any of such owners 97387
are nonresidents of the county, the board shall give notice to 97388
such nonresidents by publication once each week for two 97389
consecutive weeks in a newspaper ~~published and having~~ of general 97390
circulation ~~within in~~ in the county, ~~but if there is no such~~ 97391
~~newspaper published in said county, then in a newspaper having~~ 97392
~~general circulation in said county~~ or as provided in section 7.16 97393
of the Revised Code. A copy of the newspaper containing such 97394
notice shall be mailed by the county auditor to each nonresident 97395
whose post-office address is known to such auditor. Such notice 97396
shall state the time and place of the hearing on claims for 97397
compensation and damages. 97398

Sec. 5555.07. The county engineer shall prepare and file with 97399
the board of county commissioners, by the time fixed therefor by 97400
the board, copies of the surveys, plans, profiles, cross sections, 97401
estimates of costs, and specifications for the improvement and 97402
estimated assessments upon lands benefited thereby. Thereupon such 97403
board shall file such copies in its office for the inspection and 97404
examination of all persons interested. Except in a case involving 97405
the improvement of a public road in which no land or property is 97406
taken or assessed, the board shall publish in a newspaper 97407
~~published and~~ of general circulation in the county, ~~or if no~~ 97408
~~newspaper is published in the county then in a newspaper having~~ 97409
~~general circulation in the county,~~ for the period of two weeks or 97410
as provided in section 7.16 of the Revised Code, notice that a 97411
resolution has been adopted providing for said improvement, and 97412
that copies of the surveys, plans, profiles, cross sections, 97413
estimates, and specifications, together with estimated assessments 97414
upon the lands benefited by such improvement for the proportion of 97415
the cost thereof to be assessed therefor, are on file in the 97416
office of the board for the inspection of persons interested 97417
therein. Such notice shall state the time and place for hearing 97418
objections to said improvement and to such estimated assessments. 97419
In a case involving the improvement of a public road in which no 97420
land or property is taken or assessed, the board shall publish the 97421
notice required by this section once a week for two consecutive 97422
weeks or as provided in section 7.16 of the Revised Code. 97423

97424
At such hearing the board may order said surveys, plans, 97425
profiles, cross sections, estimates, and specifications to be 97426
changed or modified and shall make such adjustments of the 97427
estimated assessments as seem just to it. Thereupon the board may 97428
approve such surveys, plans, profiles, cross sections, 97429
specifications, and estimates and approve and confirm estimated 97430

assessments as made by the engineer or as modified and changed by 97431
the board. Such assessments when so approved and confirmed shall 97432
be certified to the county auditor of the county and shall 97433
thereupon become a lien upon the land charged therewith. The board 97434
may declare against said improvement. 97435

Sec. 5555.27. As soon as the county engineer has transmitted 97436
to the several boards of county commissioners copies of ~~his~~ the 97437
engineer's surveys, plans, profiles, cross sections, estimates, 97438
and specifications for the improvement, the joint board of county 97439
commissioners shall, except in cases of reconstruction or repair 97440
of roads where no lands or property are taken, fix a time and 97441
place for hearing objections to said improvement. The joint board 97442
shall thereupon, except in cases of reconstruction or repair of 97443
roads where no lands or property are taken, publish in a newspaper 97444
~~published and~~ of general circulation within each interested 97445
county, ~~or if there is no such newspaper published in such county~~ 97446
~~then in a newspaper having general circulation in such county,~~ 97447
once a week for two consecutive weeks or as provided in section 97448
7.16 of the Revised Code, a notice that such improvement is to be 97449
made and that copies of the surveys, plans, profiles, cross 97450
sections, estimates, and specifications therefor are on file in 97451
the office of the board of each interested county for the 97452
inspection and examination of all persons interested therein. Such 97453
notice shall also state the time and place for hearing objections 97454
to said improvement. Proceedings for the appropriation of land 97455
needed for such improvement shall be maintained in accordance with 97456
sections 163.01 to 163.22, ~~inclusive,~~ of the Revised Code. 97457

Sec. 5555.42. A board of county commissioners desiring to 97458
construct a county road improvement, and finding that no equitable 97459
method of apportioning the compensation, damages, and expenses 97460
thereof is provided by section 5555.41 of the Revised Code, or 97461

finding that an equitable assessment cannot be made by the use of 97462
any of the several assessment areas authorized by said section, 97463
may order the county engineer to make a tentative plan for such 97464
improvement and an approximate estimate of the cost. Such board 97465
may thereupon file an application in the court of common pleas 97466
describing the improvement in question, and a copy of the 97467
tentative plan and approximate estimate of cost shall be attached 97468
to such application. The board shall set forth in such application 97469
that the compensation, damages, and expenses of the improvement 97470
cannot be equitably apportioned under any of the several plans 97471
provided by said section or that such compensation, damages, and 97472
expenses cannot be equitably assessed by the use of any one of the 97473
several assessment areas authorized by said section, or that both 97474
such conditions exist, and it shall set forth a method of 97475
apportioning the compensation, damages, and expenses and a 97476
definite description of the area against which it desires to 97477
assess any part of such compensation, damages, and expenses. The 97478
application shall contain a prayer requesting authority from such 97479
court to construct the improvement and apportion the compensation, 97480
damages, and expenses according to the plan suggested by such 97481
board and to assess the designated portion of the cost against the 97482
real estate within the area described in the petition. 97483

Notice of the filing and pendency of such application shall 97484
be given once a week for four consecutive weeks by publication in 97485
~~two newspapers published and of general circulation in the county,~~ 97486
~~or if there are no such newspapers then in two newspapers a~~ 97487
newspaper of general circulation in such county or as provided in 97488
section 7.16 of the Revised Code. Such notice shall describe the 97489
route and termini of the improvement and set forth the estimated 97490
cost and the proposed method of apportionment and assessment area. 97491
After such notice has been given, the court or a judge thereof 97492
shall fix a time for a hearing on such application, and, at the 97493
time fixed, the court or a judge thereof shall hear such 97494

application and all evidence offered by the board or any taxpayer 97495
of the county for or against the proposed plan of apportionment 97496
and for or against the use of the suggested assessment area. If 97497
the court finds that the suggested plan of apportionment and the 97498
area against which special assessments are to be made are fair and 97499
just, that the cost of the improvement will not be excessive in 97500
view of the benefits conferred, and that all the real estate 97501
within the suggested assessment area will be benefited by the 97502
construction of the improvement upon the plan suggested and by the 97503
use of the method of apportionment set forth in said application, 97504
such court may authorize the board to proceed upon the suggested 97505
plan and to apportion the compensation, damages, and expenses in 97506
the manner set forth in the application and to assess against the 97507
real estate within the assessment area designated in the 97508
application, according to the benefits, that portion of the cost 97509
to be specially assessed; otherwise the court shall dismiss the 97510
application and the board may not proceed with the improvement. 97511
The court may modify the suggested plan of apportionment or the 97512
suggested assessment area and grant the prayer of the application 97513
subject to such modifications as it determines are just and 97514
proper. The board in its application may set up any division of 97515
cost which it thinks proper among the county, the owners of lands 97516
to be specially assessed, and any municipal corporation within 97517
which such projected improvement is situated in whole or in part, 97518
but no portion of the cost may be apportioned to a municipal 97519
corporation without the consent of such municipal corporation 97520
evidenced by an ordinance or resolution of its legislative 97521
authority. 97522

When the prayer of any such application is granted by the 97523
court or a judge thereof and the plan of apportionment and area of 97524
assessment is approved by such court, either as set forth in the 97525
application or as modified by the court, the board may proceed 97526
with the construction of the improvement and use the method of 97527

apportionment and the assessment area authorized by the court. In 97528
such event, the board may levy taxes and issue bonds in the manner 97529
provided by law with respect to improvements, the compensation, 97530
damages, and expenses of which are apportioned and paid as 97531
provided in section 5555.41 of the Revised Code, and all 97532
proceedings in connection with such improvement shall be conducted 97533
in accordance with sections 5555.01 to 5555.83 of the Revised 97534
Code, except as provided in this section. The special assessments 97535
shall be made by the board against the real estate within the 97536
assessment area authorized by the court, but no assessment against 97537
any lot or parcel of real estate shall exceed the actual benefits 97538
conferred thereon by the construction of the improvement. This 97539
section also applies to improvements of sections of a state 97540
highway within counties having a tax duplicate of real and 97541
personal property in excess of three hundred million dollars, and 97542
with respect to which the board desires to co-operate with the 97543
department of transportation. 97544

Sec. 5559.06. Upon the completion of the surveys, plans, 97545
profiles, cross sections, estimates, and specifications for an 97546
improvement under section 5559.02 of the Revised Code by the 97547
county engineer, ~~he~~ the engineer shall transmit to the board of 97548
county commissioners copies of such surveys, plans, profiles, 97549
cross sections, estimates, and specifications. The board shall 97550
then publish, in a newspaper ~~published and~~ of general circulation 97551
within the county, ~~and if there is no such newspaper published in~~ 97552
~~the county then in one having general circulation in such county,~~ 97553
once a week for two consecutive weeks or as provided in section 97554
7.16 of the Revised Code, a notice that such improvement is to be 97555
made and that copies of the surveys, plans, profiles, cross 97556
sections, estimates, and specifications for it are on file in the 97557
office of the board for the inspection and examination of all 97558
persons interested. Such notice shall also state the time and 97559

place for hearing objections to the improvement. 97560

In the event that land or property is to be taken for such 97561
improvement, such taking shall be in accordance with sections 97562
163.01 to 163.22, ~~inclusive~~, of the Revised Code. 97563

Sec. 5559.10. As soon as all questions of compensation and 97564
damages have been determined in a road improvement case, the 97565
county engineer shall make, upon actual view, an estimated 97566
assessment upon the real estate to be charged therewith, of the 97567
compensation, damages, and costs of an improvement as provided by 97568
section 5559.02 of the Revised Code. Such estimated assessment 97569
shall be according to the benefit which will result to the real 97570
estate. In making such assessment the engineer may take into 97571
consideration any previous special assessments made upon the real 97572
estate for road improvements. The schedule of such assessments 97573
shall be filed in the office of the board of county commissioners 97574
for the inspection of the persons interested. Before adopting the 97575
assessment, the board shall publish, once each week for two 97576
consecutive weeks, in ~~some a newspaper published and~~ of general 97577
circulation in the county or as provided in section 7.16 of the 97578
Revised Code, ~~but if there is no such newspaper then in one having~~ 97579
~~general circulation in the county~~, notice that such assessment has 97580
been made, is on file in the office of the board, and the date 97581
when objections will be heard to such assessment. If any owner of 97582
property affected thereby desires, ~~he~~ the owner may file ~~his~~ 97583
objections to said assessments, in writing, with the board before 97584
the time for hearing. If any objections are filed the board shall 97585
hear them and act as an equalizing board. It may change such 97586
assessments if, in its opinion, any change is necessary to make 97587
them just and equitable, and the board shall approve and confirm 97588
such assessments as reported by the engineer or modified by it. 97589
Such assessments, when so approved and confirmed, shall be a lien 97590
on the land chargeable therewith. 97591

Sec. 5559.12. After the board of county commissioners has 97592
decided to proceed with an improvement as provided by section 97593
5559.02 of the Revised Code, it shall advertise for bids once, not 97594
later than two weeks prior to the date fixed for the letting of 97595
the contract, in a newspaper ~~published and~~ of general circulation 97596
in the county, ~~but if there is no such newspaper then in one~~ 97597
~~having general circulation in such county.~~ Such notice shall state 97598
that copies of the surveys, plans, profiles, cross sections, 97599
estimates, and specifications for such improvement are on file in 97600
the office of the board, and the time within which bids will be 97601
received. The board shall award the contract to the lowest 97602
responsible bidder. 97603

The contract shall be let upon the basis of lump sum bids, 97604
unless the board orders that it be let upon the basis of unit 97605
price bids, in which event it shall be let upon such basis. The 97606
bids received shall be opened at the time stated in the notice. 97607
The board may reject all bids. 97608

Sec. 5561.04. The board of county commissioners, desiring to 97609
proceed under sections 4957.06 and 5561.01 to 5561.15 of the 97610
Revised Code, shall, after receipt of the certificate of necessity 97611
and expediency from the director of transportation, as provided in 97612
section 5561.03 of the Revised Code, hold a public hearing as to 97613
the expediency of constructing such improvement, notice of which 97614
shall be given by publication in ~~two newspapers published and a~~ 97615
newspaper of general circulation in the county, ~~if such there be,~~ 97616
~~otherwise in two newspapers of general circulation in such county,~~ 97617
for two weeks prior to the date set for such hearing or as 97618
provided in section 7.16 of the Revised Code, and shall be served 97619
upon the railroad or interurban railway companies in the manner 97620
for the service of summons in civil actions, not less than twenty 97621
days prior to the date of such hearing. 97622

The board, after such hearing and for the purpose of making 97623
or causing such an improvement to be made, may, by resolution 97624
adopted by unanimous vote, require the railroad company, in 97625
co-operation with the county engineer or any engineer designated 97626
by the board, to prepare and submit to the board within six 97627
months, unless longer time is mutually agreed upon in writing, 97628
plans and specifications for such improvements, specifying the 97629
number, character, and location of all piers and supports which 97630
are to be permanently placed in any road or highway, specifying 97631
the grades to be established for the roads and the height, 97632
character, and estimated cost of any viaduct or way above or below 97633
any railroad track, and the change of grade required to be made of 97634
such tracks including side tracks and switches. But in changing 97635
the grade of any railroad, no grade shall be required in excess of 97636
that adopted by the railroad company for its construction work on 97637
that division or part of the railroad on which the improvement is 97638
to be made, without the consent of the railroad company, nor shall 97639
the railroad company's tracks be required to be placed below 97640
high-water mark. 97641

Such resolution shall be published in the same manner as 97642
resolutions of the legislative authority of a municipal 97643
corporation declaring the necessity of a contemplated public 97644
improvement, and shall be served by the sheriff upon the railroad 97645
or interurban railway companies in the manner provided for the 97646
service of summons in civil actions. If the proposed public 97647
improvement is to be made within a municipal corporation, notice 97648
of the passage of the same shall be served upon the municipal 97649
corporation by delivering to the clerk of the village or 97650
legislative authority of a city a true copy thereof. 97651

If, at the expiration of six months from the passage of such 97652
resolution, the railroad company has refused or failed to 97653
co-operate in the preparation of such plans and specifications, or 97654

if the county engineer or engineer designated by the board and the 97655
railroad company fail to agree upon the plans and specification of 97656
such improvement, then either the railroad company or the county 97657
may submit the matter of determining the method by which the 97658
improvement shall be made to the court of common pleas of such 97659
county. Either the county or company, after the expiration of six 97660
months from the passage of the resolution, may apply to such court 97661
by petition, accompanied by the necessary plans prepared by the 97662
county or railroad company, covering the grade crossing proposed 97663
to be abolished. Such plans must show the grades to be established 97664
for such roads or highways, the changes to be made in the location 97665
of roads or highways, the height, character, and estimated cost of 97666
any viaduct or way above or below the railroad tracks, the number, 97667
character, and location of piers, abutments, or supports to be 97668
permanently located in the roads or highways, and the change of 97669
grade to be made in any railroad tracks, including sidetracks and 97670
switches. 97671

Sec. 5561.08. Notice of the passage of a resolution for a 97672
grade crossing improvement shall be served by the sheriff of the 97673
county, upon the owner of each piece of property which will be 97674
affected by any change of grade, in the manner provided for the 97675
service of summons in civil actions. If any of such owners are 97676
nonresidents of the county, or if it appears from the return that 97677
they cannot be found, the notice shall be published for at least 97678
two weeks in ~~an English language~~ a newspaper published of general 97679
circulation in such the county or as provided in section 7.16 of 97680
the Revised Code. Notice shall be completed at least twenty days 97681
before any work is done on such improvement, and the sheriff's 97682
return shall be prima-facie evidence of the facts recited therein. 97683

Section 727.18 of the Revised Code shall apply to the notice 97684
provided for in this section, and to all claims for damages by 97685
reason of such improvement. Such claims shall be filed with the 97686

county auditor within the time, and rights thereunder shall pass 97687
to vendees, as provided in such section. After the expiration of 97688
the time provided for the filing of claims, the board of county 97689
commissioners, when claims have been filed within the time 97690
limited, shall determine, by resolution, whether such claims are 97691
to be judicially inquired into before commencing or after the 97692
completion of the proposed improvement. Thereupon, the county 97693
prosecutor shall make application for a jury, to the court of 97694
common pleas, or probate court of the county, before commencing or 97695
after the completion of the improvement, as the board determines, 97696
and all proceedings upon such application shall be governed by the 97697
laws relating to similar applications provided for in cases of 97698
city improvements. 97699

Sec. 5571.011. If a person through whose land a public road 97700
has been established which is under the jurisdiction of a board of 97701
township trustees, desires to turn or change or relocate such road 97702
or any part thereof through any part of ~~his~~ the person's land, ~~he~~ 97703
the person may file a petition with such board of township 97704
trustees setting forth briefly the particular change ~~he desires~~ 97705
desired. Upon receipt of such petition, the board of township 97706
trustees shall give notice by publication once, not later than two 97707
weeks prior to the date which such board shall fix for a hearing 97708
on such petition, in a newspaper ~~published or~~ of general 97709
circulation in said township, stating that such petition has been 97710
filed and setting forth the change desired in such road and the 97711
date and place of such hearing. 97712

Upon receipt of such a petition the board of township 97713
trustees shall cause a competent engineer to make a survey of the 97714
ground over which the road is proposed to be changed, and to make 97715
a report in writing, together with a plat and survey of the 97716
proposed change and ~~his~~ the engineer's opinion as to its advantage 97717
or disadvantage. The report of such engineer shall be filed with 97718

the board prior to the hearing of such petition. 97719

At the hearing had on the petition the board of township trustees may hear evidence for or against changing the road, and if the board is satisfied that the proposed change will not cause serious injury or disadvantage to the public, it may make a finding of such fact in its journal and authorize the petitioner to change such road in conformity with the prayer of the petition. The board may grant the change as prayed for in the petition, or it may order such change of the route of such road as will, in its judgment, be for the best interest of the public. 97720

Upon receiving satisfactory evidence that the road has been changed as authorized by it, and opened to the legal width and improved as required by it, the board of township trustees shall declare such new road a public highway and cause a record thereof to be made and at the same time vacate so much of the old road as is rendered unnecessary by the new road. The person petitioning for such change shall in all cases pay all costs and expenses in connection with the proceeding, as found and determined by the board, and the expense of making such change, including the cost of relocation of any conduits, cables, wires, towers, poles or other equipment or appliances of any public utility, located on, over or under such road. The petitioner shall, on the filing of the petition for such change, give bond to the satisfaction of the board in such amount as it determines to secure payment of the costs of the proceeding and to cover the expense of making the change asked for by the petition. 97729

97744

Sec. 5573.02. Upon the completion of the surveys, plans, profiles, cross sections, estimates, and specifications for a road improvement by the county engineer, ~~he~~ the engineer shall transmit to the board of township trustees copies of the same. Except in cases of reconstruction or repair of roads, where no land or 97745

Except as otherwise provided under sections 505.08 and 505.101 of the Revised Code, where the total ~~estimate~~ estimated cost of the work exceeds fifteen thousand dollars per mile, the board shall invite and receive competitive bids for furnishing all the labor, materials, and equipment and doing the work, as provided in section 5575.02 of the Revised Code, and shall consider and reject them before ordering the work done by force account. 98191

(1) Employer income tax withholding under Chapter 5747. of the Revised Code; 98192
98193

(2) Motor fuel tax under Chapter 5735. of the Revised Code; 98194

(3) Cigarette and tobacco product tax under Chapter 5743. of the Revised Code; 98195
98196

98199
98200

(C) A rule adopted under this section does not apply to returns or reports filed or payments made before six months after the effective date of the rule. 98212
98213
98214

Sec. 5703.37. (A)(1) Except as provided in division (B) of 98215
this section, whenever service of a notice or order is required in 98216
the manner provided in this section, a copy of the notice or order 98217
shall be served upon the person affected thereby either by 98218
personal service ~~or~~, by certified mail, or by a delivery service 98219
authorized under section 5703.056 of the Revised Code that 98220
notifies the tax commissioner of the date of delivery. 98221

(2) With the permission of the person affected by the notice 98222
or order, the commissioner may enter into a written agreement to 98223
deliver a notice or order by alternative means as provided in this 98224
section, including, but not limited to, delivery by secure 98225
electronic mail. Delivery by such means satisfies the requirements 98226
for delivery under this section. 98227

(B)(1)(a) If certified mail is returned because of an 98228
undeliverable address, the commissioner shall first utilize 98229
reasonable means to ascertain a new last known address, including 98230
the use of a change of address service offered by the United 98231
States postal service. If, after using reasonable means, the 98232
commissioner is unable to ascertain a new last known address, the 98233
assessment is final for purposes of section 131.02 of the Revised 98234
Code sixty days after the notice or order sent by certified mail 98235
is first returned to the commissioner, and the commissioner shall 98236
certify the notice or order, if applicable, to the attorney 98237
general for collection under section 131.02 of the Revised Code. 98238

(b) Notwithstanding certification to the attorney general 98239
under division (B)(1)(a) of this section, once the commissioner or 98240
attorney general, or the designee of either, makes an initial 98241
contact with the person to whom the notice or order is directed, 98242
the person may protest an assessment by filing a petition for 98243
reassessment within sixty days after the initial contact. The 98244
certification of an assessment under division (B)(1)(a) of this 98245

section is prima-facie evidence that delivery is complete and that 98246
the notice or order is served. 98247

(2) If mailing of a notice or order by certified mail is 98248
returned for some cause other than an undeliverable address, the 98249
tax commissioner shall resend the notice or order by ordinary 98250
mail. The notice or order shall show the date the commissioner 98251
sends the notice or order and include the following statement: 98252

"This notice or order is deemed to be served on the addressee 98253
under applicable law ten days from the date this notice or order 98254
was mailed by the commissioner as shown on the notice or order, 98255
and all periods within which an appeal may be filed apply from and 98256
after that date." 98257

Unless the mailing is returned because of an undeliverable 98258
address, the mailing of that information is prima-facie evidence 98259
that delivery of the notice or order was completed ten days after 98260
the commissioner sent the notice or order by ordinary mail and 98261
that the notice or order was served. 98262

If the ordinary mail is subsequently returned because of an 98263
undeliverable address, the commissioner shall proceed under 98264
division (B)(1)(a) of this section. A person may challenge the 98265
presumption of delivery and service under this division in 98266
accordance with division (C) of this section. 98267

(C)(1) A person disputing the presumption of delivery and 98268
service under division (B) of this section bears the burden of 98269
proving by a preponderance of the evidence that the address to 98270
which the notice or order was sent was not an address with which 98271
the person was associated at the time the commissioner originally 98272
mailed the notice or order by certified mail. For the purposes of 98273
this section, a person is associated with an address at the time 98274
the commissioner originally mailed the notice or order if, at that 98275
time, the person was residing, receiving legal documents, or 98276

conducting business at the address; or if, before that time, the 98277
person had conducted business at the address and, when the notice 98278
or order was mailed, the person's agent or the person's affiliate 98279
was conducting business at the address. For the purposes of this 98280
section, a person's affiliate is any other person that, at the 98281
time the notice or order was mailed, owned or controlled at least 98282
twenty per cent, as determined by voting rights, of the 98283
addressee's business. 98284

(2) If the person elects to protest an assessment certified 98285
to the attorney general for collection, the person must do so 98286
within sixty days after the attorney general's initial contact 98287
with the person. The attorney general may enter into a compromise 98288
with the person under sections 131.02 and 5703.06 of the Revised 98289
Code if the person does not file a petition for reassessment with 98290
the tax commissioner. 98291

(D) Nothing in this section prohibits the tax commissioner or 98292
the commissioner's designee from delivering a notice or order by 98293
personal service. 98294

(E) Collection actions taken pursuant to section 131.02 of 98295
the Revised Code upon any assessment being challenged under 98296
division (B)(1)(b) of this section shall be stayed upon the 98297
pendency of an appeal under this section. If a petition for 98298
reassessment is filed pursuant to this section on a claim that has 98299
been certified to the attorney general for collection, the claim 98300
shall be uncertified. 98301

(F) As used in this section: 98302

(1) "Last known address" means the address the department has 98303
at the time the document is originally sent by certified mail, or 98304
any address the department can ascertain using reasonable means 98305
such as the use of a change of address service offered by the 98306
United States postal service. 98307

(2) "Undeliverable address" means an address to which the United States postal service is not able to deliver a notice or order, except when the reason for nondelivery is because the addressee fails to acknowledge or accept the notice or order.

Sec. 5705.14. No transfer shall be made from one fund of a subdivision to any other fund, by order of the court or otherwise, except as follows:

(A) The unexpended balance in a bond fund that is no longer needed for the purpose for which such fund was created shall be transferred to the sinking fund or bond retirement fund from which such bonds are payable.

(B) The unexpended balance in any specific permanent improvement fund, other than a bond fund, after the payment of all obligations incurred in the acquisition of such improvement, shall be transferred to the sinking fund or bond retirement fund of the subdivision; provided that if such money is not required to meet the obligations payable from such funds, it may be transferred to a special fund for the acquisition of permanent improvements, or, with the approval of the court of common pleas of the county in which such subdivision is located, to the general fund of the subdivision.

(C) The (1) Except as provided in division (C)(2) of this section, the unexpended balance in the sinking fund or bond retirement fund of a subdivision, after all indebtedness, interest, and other obligations for the payment of which such fund exists have been paid and retired, shall be transferred, in the case of the sinking fund, to the bond retirement fund, and in the case of the bond retirement fund, to the sinking fund; provided that if such transfer is impossible by reason of the nonexistence of the fund to receive the transfer, such unexpended balance, with the approval of the court of common pleas of the county in which

such division is located, may be transferred to any other fund of 98339
the subdivision. 98340

(2) Money in a bond fund or bond retirement fund of a city, 98341
local, exempted village, cooperative education, or joint 98342
vocational school district may be transferred to a specific 98343
permanent improvement fund provided that the county budget 98344
commission of the county in which the school district is located 98345
approves the transfer upon its determination that the money 98346
transferred will not be required to meet the obligations payable 98347
from the bond fund or bond retirement fund. In arriving at such a 98348
determination, the county budget commission shall consider the 98349
balance of the bond fund or bond retirement fund, the outstanding 98350
obligations payable from the fund, and the sources and timing of 98351
the fund's revenue. 98352

(D) The unexpended balance in any special fund, other than an 98353
improvement fund, existing in accordance with division (D), (F), 98354
or (G) of section 5705.09 or section 5705.12 of the Revised Code, 98355
may be transferred to the general fund or to the sinking fund or 98356
bond retirement fund after the termination of the activity, 98357
service, or other undertaking for which such special fund existed, 98358
but only after the payment of all obligations incurred and payable 98359
from such special fund. 98360

(E) Money may be transferred from the general fund to any 98361
other fund of the subdivision. 98362

(F) Moneys retained or received by a county under section 98363
4501.04 or division (A)(3) of section 5735.27 of the Revised Code 98364
may be transferred from the fund into which they were deposited to 98365
the sinking fund or bond retirement fund from which any principal, 98366
interest, or charges for which such moneys may be used is payable. 98367

(G) Moneys retained or received by a municipal corporation 98368
under section 4501.04 or division (A)(1) or (2) of section 5735.27 98369

of the Revised Code may be transferred from the fund into which 98370
they were deposited to the sinking fund or bond retirement fund 98371
from which any principal, interest, or charges for which such 98372
moneys may be used is payable. 98373

(H)(1) Money may be transferred from the county developmental 98374
disabilities general fund to the county developmental disabilities 98375
capital fund established under section 5705.091 of the Revised 98376
Code or to any other fund created for the purposes of the county 98377
board of developmental disabilities, so long as money in the fund 98378
to which the money is transferred can be spent for the particular 98379
purpose of the transferred money. The county board of 98380
developmental disabilities may request, by resolution, that the 98381
board of county commissioners make the transfer. The county board 98382
of developmental disabilities shall transmit a certified copy of 98383
the resolution to the board of county commissioners. Upon 98384
receiving the resolution, the board of county commissioners may 98385
make the transfer. Money transferred to a fund shall be credited 98386
to an account appropriate to its particular purpose. 98387

(2) An unexpended balance in an account in the county 98388
developmental disabilities capital fund or any other fund created 98389
for the purposes of the county board of developmental disabilities 98390
may be transferred back to the county developmental disabilities 98391
general fund. The transfer may be made if the unexpended balance 98392
is no longer needed for its particular purpose and all outstanding 98393
obligations have been paid. Money transferred back to the county 98394
developmental disabilities general fund shall be credited to an 98395
account for current expenses within that fund. The county board of 98396
developmental disabilities may request, by resolution, that the 98397
board of county commissioners make the transfer. The county board 98398
of developmental disabilities shall transmit a certified copy of 98399
the resolution to the board of county commissioners. Upon 98400
receiving the resolution, the board of county commissioners may 98401

make the transfer. 98402

(I) Money may be transferred from the public assistance fund 98403
established under section 5101.161 of the Revised Code to the 98404
children services fund established under section 5101.144 of the 98405
Revised Code, so long as the money to be transferred from the 98406
public assistance fund may be spent for the purposes for which 98407
money in the children services fund may be used. 98408

Except in the case of transfer pursuant to division (E) of 98409
this section, transfers authorized by this section shall only be 98410
made by resolution of the taxing authority passed with the 98411
affirmative vote of two-thirds of the members. 98412

Sec. 5705.16. A resolution of the taxing authority of any 98413
political subdivision shall be passed by a majority of all the 98414
members thereof, declaring the necessity for the transfer of funds 98415
authorized by section 5705.15 of the Revised Code, and such taxing 98416
authority shall prepare a petition addressed to the court of 98417
common pleas of the county in which the funds are held. The 98418
petition shall set forth the name and amount of the fund, the fund 98419
to which it is desired to be transferred, a copy of such 98420
resolution with a full statement of the proceedings pertaining to 98421
its passage, and the reason or necessity for the transfer. A 98422
duplicate copy of said petition shall be forwarded to the tax 98423
commissioner for ~~his~~ the commissioner's examination and approval. 98424

If the petition is disapproved by the commissioner, it shall 98425
be returned within ten days of its receipt to the officers who 98426
submitted it, with a memorandum of the commissioner's objections. 98427
This disapproval shall not prejudice a later application for 98428
approval. If the petition is approved by the commissioner, it 98429
shall be forwarded within ten days of its receipt to the clerk of 98430
the court of common pleas of the county to whose court of common 98431
pleas the petition is addressed, marked with the approval of the 98432

commissioner. If the commissioner approves the petition, ~~he~~ the 98433
commissioner shall notify immediately the officers who submitted 98434
the petition, who then may file the petition in the court to which 98435
it is addressed. 98436

The petitioner shall give notice of the filing, object, and 98437
prayer of the petition, and of the time when it will be heard. The 98438
notice shall be given by one publication in ~~two newspapers having~~ 98439
a newspaper of general circulation in the territory to be affected 98440
by such transfer of funds, ~~preference being given to newspapers~~ 98441
~~published within the territory~~. If there ~~are~~ is no such ~~newspapers~~ 98442
newspaper, the notice shall be posted in ten conspicuous places 98443
within the territory for ~~the~~ a period of four weeks. 98444

The petition may be heard at the time stated in the notice, 98445
or as soon thereafter as convenient for the court. Any person who 98446
objects to the prayer of such petition shall file ~~his~~ the person's 98447
objections in such cause on or before the time fixed in the notice 98448
for hearing, and ~~he~~ that person shall be entitled to be heard. 98449

If, upon hearing, the court finds that the notice has been 98450
given as required by this section, that the petition states 98451
sufficient facts, that there are good reasons, or that a necessity 98452
exists, for the transfer, and that no injury will result 98453
therefrom, it shall grant the prayer of the petition and order the 98454
petitioners to make such transfer. 98455

A copy of the findings, orders, and judgments of the court 98456
shall be certified by the clerk and entered on the records of the 98457
petitioning officers or board, and thereupon the petitioners may 98458
make the transfer of funds as directed by the court. All costs of 98459
such proceedings shall be paid by the petitioners, except that if 98460
objections are filed the court may order such objectors to pay all 98461
or a portion of the costs. 98462

Sec. 5705.191. The taxing authority of any subdivision, other 98463

than the board of education of a school district or the taxing 98464
authority of a county school financing district, by a vote of 98465
two-thirds of all its members, may declare by resolution that the 98466
amount of taxes that may be raised within the ten-mill limitation 98467
by levies on the current tax duplicate will be insufficient to 98468
provide an adequate amount for the necessary requirements of the 98469
subdivision, and that it is necessary to levy a tax in excess of 98470
such limitation for any of the purposes in section 5705.19 of the 98471
Revised Code, or to supplement the general fund for the purpose of 98472
making appropriations for one or more of the following purposes: 98473
public assistance, human or social services, relief, welfare, 98474
hospitalization, health, and support of general hospitals, and 98475
that the question of such additional tax levy shall be submitted 98476
to the electors of the subdivision at a general, primary, or 98477
special election to be held at a time therein specified. Such 98478
resolution shall not include a levy on the current tax list and 98479
duplicate unless such election is to be held at or prior to the 98480
general election day of the current tax year. Such resolution 98481
shall conform to the requirements of section 5705.19 of the 98482
Revised Code, except that a levy to supplement the general fund 98483
for the purposes of public assistance, human or social services, 98484
relief, welfare, hospitalization, health, or the support of 98485
general or tuberculosis hospitals may not be for a longer period 98486
than ten years. All other levies under this section may not be for 98487
a longer period than five years unless a longer period is 98488
permitted by section 5705.19 of the Revised Code, and the 98489
resolution shall specify the date of holding such election, which 98490
shall not be earlier than ninety days after the adoption and 98491
certification of such resolution. The resolution shall go into 98492
immediate effect upon its passage and no publication of the same 98493
is necessary other than that provided for in the notice of 98494
election. A copy of such resolution, immediately after its 98495
passage, shall be certified to the board of elections of the 98496

proper county or counties in the manner provided by section 98497
5705.25 of the Revised Code, and such section shall govern the 98498
arrangements for the submission of such question and other matters 98499
with respect to such election, to which section 5705.25 of the 98500
Revised Code refers, excepting that such election shall be held on 98501
the date specified in the resolution, which shall be consistent 98502
with the requirements of section 3501.01 of the Revised Code, 98503
provided that only one special election for the submission of such 98504
question may be held in any one calendar year and provided that a 98505
special election may be held upon the same day a primary election 98506
is held. Publication of notice of that election shall be made in 98507
~~one or more newspapers~~ a newspaper of general circulation in the 98508
county once a week for two consecutive weeks, or as provided in 98509
section 7.16 of the Revised Code, prior to the election, ~~and, if,~~ 98510
If the board of elections operates and maintains a web site, the 98511
board of elections shall post notice of the election on its web 98512
site for thirty days prior to the election. 98513

If a majority of the electors voting on the question vote in 98514
favor thereof, the taxing authority of the subdivision may make 98515
the necessary levy within such subdivision at the additional rate 98516
or at any lesser rate outside the ten-mill limitation on the tax 98517
list and duplicate for the purpose stated in the resolution. Such 98518
tax levy shall be included in the next annual tax budget that is 98519
certified to the county budget commission. 98520

After the approval of such a levy by the electors, the taxing 98521
authority of the subdivision may anticipate a fraction of the 98522
proceeds of such levy and issue anticipation notes. In the case of 98523
a continuing levy that is not levied for the purpose of current 98524
expenses, notes may be issued at any time after approval of the 98525
levy in an amount not more than fifty per cent of the total 98526
estimated proceeds of the levy for the succeeding ten years, less 98527
an amount equal to the fraction of the proceeds of the levy 98528

previously anticipated by the issuance of anticipation notes. In 98529
the case of a levy for a fixed period that is not for the purpose 98530
of current expenses, notes may be issued at any time after 98531
approval of the levy in an amount not more than fifty per cent of 98532
the total estimated proceeds of the levy throughout the remaining 98533
life of the levy, less an amount equal to the fraction of the 98534
proceeds of the levy previously anticipated by the issuance of 98535
anticipation notes. In the case of a levy for current expenses, 98536
notes may be issued after the approval of the levy by the electors 98537
and prior to the time when the first tax collection from the levy 98538
can be made. Such notes may be issued in an amount not more than 98539
fifty per cent of the total estimated proceeds of the levy 98540
throughout the term of the levy in the case of a levy for a fixed 98541
period, or fifty per cent of the total estimated proceeds for the 98542
first ten years of the levy in the case of a continuing levy. 98543

No anticipation notes that increase the net indebtedness of a 98544
county may be issued without the prior consent of the board of 98545
county commissioners of that county. The notes shall be issued as 98546
provided in section 133.24 of the Revised Code, shall have 98547
principal payments during each year after the year of their 98548
issuance over a period not exceeding the life of the levy 98549
anticipated, and may have a principal payment in the year of their 98550
issuance. 98551

"Taxing authority" and "subdivision" have the same meanings 98552
as in section 5705.01 of the Revised Code. 98553

This section is supplemental to and not in derogation of 98554
sections 5705.20, 5705.21, and 5705.22 of the Revised Code. 98555

Sec. 5705.194. The board of education of any city, local, 98556
exempted village, cooperative education, or joint vocational 98557
school district at any time may declare by resolution that the 98558
revenue that will be raised by all tax levies which the district 98559

is authorized to impose, when combined with state and federal 98560
revenues, will be insufficient to provide for the emergency 98561
requirements of the school district or to avoid an operating 98562
deficit, and that it is therefore necessary to levy an additional 98563
tax in excess of the ten-mill limitation. The resolution shall be 98564
confined to a single purpose and shall specify that purpose. If 98565
the levy is proposed to renew all or a portion of the proceeds 98566
derived from one or more existing levies imposed pursuant to this 98567
section, it shall be called a renewal levy and shall be so 98568
designated on the ballot. If two or more existing levies are to be 98569
included in a single renewal levy but are not scheduled to expire 98570
in the same year, the resolution shall specify that the existing 98571
levies to be renewed shall not be levied after the year preceding 98572
the year in which the renewal levy is first imposed. 98573
Notwithstanding the original purpose of any one or more existing 98574
levies that are to be in any single renewal levy, the purpose of 98575
the renewal levy may be either to avoid an operating deficit or to 98576
provide for the emergency requirements of the school district. The 98577
resolution shall further specify the amount of money it is 98578
necessary to raise for the specified purpose for each calendar 98579
year the millage is to be imposed; if a renewal levy, whether the 98580
levy is to renew all, or a portion of, the proceeds derived from 98581
one or more existing levies; and the number of years in which the 98582
millage is to be in effect, which may include a levy upon the 98583
current year's tax list. The number of years may be any number not 98584
exceeding ten. 98585

The question shall be submitted at a special election on a 98586
date specified in the resolution. The date shall not be earlier 98587
than eighty days after the adoption and certification of the 98588
resolution to the county auditor and shall be consistent with the 98589
requirements of section 3501.01 of the Revised Code. A resolution 98590
for a renewal levy shall not be placed on the ballot unless the 98591
question is submitted on a date on which a special election may be 98592

held under division (D) of section 3501.01 of the Revised Code, 98593
except for the first Tuesday after the first Monday in February 98594
and August, during the last year the levy to be renewed may be 98595
extended on the real and public utility property tax list and 98596
duplicate, or at any election held in the ensuing year, except 98597
that if the resolution proposes renewing two or more existing 98598
levies, the question shall be submitted on the date of the general 98599
or primary election held during the last year at least one of the 98600
levies to be renewed may be extended on that list and duplicate, 98601
or at any election held during the ensuing year. For purposes of 98602
this section, a levy shall be considered to be an "existing levy" 98603
through the year following the last year it can be placed on the 98604
real and public utility property tax list and duplicate. 98605

The submission of questions to the electors under this 98606
section is subject to the limitation on the number of election 98607
dates established by section 5705.214 of the Revised Code. 98608

The resolution shall go into immediate effect upon its 98609
passage, and no publication of the resolution shall be necessary 98610
other than that provided for in the notice of election. A copy of 98611
the resolution shall immediately after its passing be certified to 98612
the county auditor of the proper county. Section 5705.195 of the 98613
Revised Code shall govern the arrangements for the submission of 98614
questions to the electors under this section and other matters 98615
concerning the election. Publication of notice of the election 98616
shall be made in one ~~or more newspapers~~ newspaper of general 98617
circulation in the county once a week for two consecutive weeks, 98618
or as provided in section 7.16 of the Revised Code, prior to the 98619
election, ~~and, if.~~ If the board of elections operates and 98620
maintains a web site, the board of elections shall post notice of 98621
the election on its web site for thirty days prior to the 98622
election. If a majority of the electors voting on the question 98623
submitted in an election vote in favor of the levy, the board of 98624

education of the school district may make the additional levy 98625
necessary to raise the amount specified in the resolution for the 98626
purpose stated in the resolution. The tax levy shall be included 98627
in the next tax budget that is certified to the county budget 98628
commission. 98629

After the approval of the levy and prior to the time when the 98630
first tax collection from the levy can be made, the board of 98631
education may anticipate a fraction of the proceeds of the levy 98632
and issue anticipation notes in an amount not exceeding the total 98633
estimated proceeds of the levy to be collected during the first 98634
year of the levy. 98635

The notes shall be issued as provided in section 133.24 of 98636
the Revised Code, shall have principal payments during each year 98637
after the year of their issuance over a period not to exceed five 98638
years, and may have principal payment in the year of their 98639
issuance. 98640

Sec. 5705.196. The election provided for in section 5705.194 98641
of the Revised Code shall be held at the regular places for voting 98642
in the district, and shall be conducted, canvassed, and certified 98643
in the same manner as regular elections in the district for the 98644
election of county officers, provided that in any such election in 98645
which only part of the electors of a precinct are qualified to 98646
vote, the board of elections may assign voters in such part to an 98647
adjoining precinct. Such an assignment may be made to an adjoining 98648
precinct in another county with the consent and approval of the 98649
board of elections of such other county. Notice of the election 98650
shall be published in one ~~or more newspapers~~ newspaper of general 98651
circulation in the district once a week for two consecutive weeks 98652
or as provided in section 7.16 of the Revised Code, prior to the 98653
election, ~~and, if.~~ If the board of elections operates and 98654
maintains a web site, the board of elections shall post notice of 98655

the election on its web site for thirty days prior to the 98656
election. Such notice shall state the annual proceeds of the 98657
proposed levy, the purpose for which such proceeds are to be used, 98658
the number of years during which the levy shall run, and the 98659
estimated average additional tax rate expressed in dollars and 98660
cents for each one hundred dollars of valuation as well as in 98661
mills for each one dollar of valuation, outside the limitation 98662
imposed by Section 2 of Article XII, Ohio Constitution, as 98663
certified by the county auditor. 98664

Sec. 5705.21. (A) At any time, the board of education of any 98665
city, local, exempted village, cooperative education, or joint 98666
vocational school district, by a vote of two-thirds of all its 98667
members, may declare by resolution that the amount of taxes which 98668
may be raised within the ten-mill limitation by levies on the 98669
current tax duplicate will be insufficient to provide an adequate 98670
amount for the necessary requirements of the school district, that 98671
it is necessary to levy a tax in excess of such limitation for one 98672
of the purposes specified in division (A), (D), (F), (H), or (DD) 98673
of section 5705.19 of the Revised Code, for general permanent 98674
improvements, for the purpose of operating a cultural center, or 98675
for the purpose of providing education technology, and that the 98676
question of such additional tax levy shall be submitted to the 98677
electors of the school district at a special election on a day to 98678
be specified in the resolution. 98679

As used in this section, "cultural center" means a 98680
freestanding building, separate from a public school building, 98681
that is open to the public for educational, musical, artistic, and 98682
cultural purposes; "education technology" means, but is not 98683
limited to, computer hardware, equipment, materials, and 98684
accessories, equipment used for two-way audio or video, and 98685
software; and "general permanent improvements" means permanent 98686
improvements without regard to the limitation of division (F) of 98687

section 5705.19 of the Revised Code that the improvements be a 98688
specific improvement or a class of improvements that may be 98689
included in a single bond issue. 98690

The submission of questions to the electors under this 98691
section is subject to the limitation on the number of election 98692
dates established by section 5705.214 of the Revised Code. 98693

(B) Such resolution shall be confined to a single purpose and 98694
shall specify the amount of the increase in rate that it is 98695
necessary to levy, the purpose of the levy, and the number of 98696
years during which the increase in rate shall be in effect. The 98697
number of years may be any number not exceeding five or, if the 98698
levy is for current expenses of the district or for general 98699
permanent improvements, for a continuing period of time. The 98700
resolution shall specify the date of holding such election, which 98701
shall not be earlier than ninety days after the adoption and 98702
certification of the resolution and which shall be consistent with 98703
the requirements of section 3501.01 of the Revised Code. 98704

The resolution may propose to renew one or more existing 98705
levies imposed under this section or to increase or decrease a 98706
single levy imposed under this section. If the board of education 98707
imposes one or more existing levies for the purpose specified in 98708
division (F) of section 5705.19 of the Revised Code, the 98709
resolution may propose to renew one or more of those existing 98710
levies, or to increase or decrease a single such existing levy, 98711
for the purpose of general permanent improvements. If the 98712
resolution proposes to renew two or more existing levies, the 98713
levies shall be levied for the same purpose. The resolution shall 98714
identify those levies and the rates at which they are levied. The 98715
resolution also shall specify that the existing levies shall not 98716
be extended on the tax lists after the year preceding the year in 98717
which the renewal levy is first imposed, regardless of the years 98718
for which those levies originally were authorized to be levied. 98719

The resolution shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided for in the notice of election. A copy of the resolution shall immediately after its passing be certified to the board of elections of the proper county in the manner provided by section 5705.25 of the Revised Code, and that section shall govern the arrangements for the submission of such question and other matters concerning such election, to which that section refers, except that such election shall be held on the date specified in the resolution. Publication of notice of that election shall be made in ~~one or more newspapers~~ a newspaper of general circulation in the county once a week for two consecutive weeks, or as provided in section 7.16 of the Revised Code, prior to the election, ~~and, if~~. If the board of elections operates and maintains a web site, the board of elections shall post notice of the election on its web site for thirty days prior to the election. If a majority of the electors voting on the question so submitted in an election vote in favor of the levy, the board of education may make the necessary levy within the school district at the additional rate, or at any lesser rate in excess of the ten-mill limitation on the tax list, for the purpose stated in the resolution. A levy for a continuing period of time may be reduced pursuant to section 5705.261 of the Revised Code. The tax levy shall be included in the next tax budget that is certified to the county budget commission.

(C)(1) After the approval of a levy on the current tax list and duplicate for current expenses, for recreational purposes, for community centers provided for in section 755.16 of the Revised Code, or for a public library of the district and prior to the time when the first tax collection from the levy can be made, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the

levy to be collected during the first year of the levy. 98753

(2) After the approval of a levy for general permanent 98754
improvements for a specified number of years, or for permanent 98755
improvements having the purpose specified in division (F) of 98756
section 5705.19 of the Revised Code, the board of education may 98757
anticipate a fraction of the proceeds of the levy and issue 98758
anticipation notes in a principal amount not exceeding fifty per 98759
cent of the total estimated proceeds of the levy remaining to be 98760
collected in each year over a period of five years after the 98761
issuance of the notes. 98762

The notes shall be issued as provided in section 133.24 of 98763
the Revised Code, shall have principal payments during each year 98764
after the year of their issuance over a period not to exceed five 98765
years, and may have a principal payment in the year of their 98766
issuance. 98767

(3) After approval of a levy for general permanent 98768
improvements for a continuing period of time, the board of 98769
education may anticipate a fraction of the proceeds of the levy 98770
and issue anticipation notes in a principal amount not exceeding 98771
fifty per cent of the total estimated proceeds of the levy to be 98772
collected in each year over a specified period of years, not 98773
exceeding ten, after the issuance of the notes. 98774

The notes shall be issued as provided in section 133.24 of 98775
the Revised Code, shall have principal payments during each year 98776
after the year of their issuance over a period not to exceed ten 98777
years, and may have a principal payment in the year of their 98778
issuance. 98779

Sec. 5705.211. (A) As used in this section: 98780

(1) "Adjusted charge-off increase" for a tax year means two 98781
and two-tenths per cent of the cumulative carryover property value 98782

~~increase. If the cumulative carryover property value increase is 98783
computed on the basis of a school district's recognized valuation 98784
for a fiscal year before fiscal year 2014, the adjusted charge-off 98785
increase shall be adjusted to account for the greater charge-off 98786
rates prescribed for such fiscal years under sections 3317.022 and 98787
3306.13 of the Revised Code. 98788~~

(2) "Cumulative carryover property value increase" means the 98789
sum of the increases in carryover value certified under division 98790
(B)(2) of section 3317.015 of the Revised Code and included in a 98791
school district's total taxable value in the computation of 98792
recognized valuation under division (B) of that section for all 98793
fiscal years from the fiscal year that ends in the first tax year 98794
a levy under this section is extended on the tax list of real and 98795
public utility property until and including the fiscal year that 98796
ends in the current tax year. 98797

(3) "Taxes charged and payable" means the taxes charged and 98798
payable from a tax levy extended on the real and public utility 98799
property tax list and the general list of personal property before 98800
any reduction under section 319.302, 323.152, or 323.158 of the 98801
Revised Code. 98802

(B) The board of education of a city, local, or exempted 98803
village school district may adopt a resolution proposing the levy 98804
of a tax in excess of the ten-mill limitation for the purpose of 98805
paying the current operating expenses of the district. If the 98806
resolution is approved as provided in division (D) of this 98807
section, the tax may be levied at such a rate each tax year that 98808
the total taxes charged and payable from the levy equals the 98809
adjusted charge-off increase for the tax year or equals a lesser 98810
amount as prescribed under division (C) of this section. The tax 98811
may be levied for a continuing period of time or for a specific 98812
number of years, but not fewer than five years, as provided in the 98813
resolution. The tax may not be placed on the tax list for a tax 98814

year beginning before the first day of January following adoption 98815
of the resolution. A board of education may not adopt a resolution 98816
under this section proposing to levy a tax under this section 98817
concurrently with any other tax levied by the board under this 98818
section. 98819

(C) After the first year a tax is levied under this section, 98820
the rate of the tax in any year shall not exceed the rate, 98821
estimated by the county auditor, that would cause the sums levied 98822
from the tax against carryover property to exceed one hundred four 98823
per cent of the sums levied from the tax against carryover 98824
property in the preceding year. A board of education imposing a 98825
tax under this section may specify in the resolution imposing the 98826
tax that the percentage shall be less than one hundred four per 98827
cent, but the percentage shall not be less than one hundred per 98828
cent. At any time after a resolution adopted under this section is 98829
approved by a majority of electors as provided in division (D) of 98830
this section, the board of education, by resolution, may decrease 98831
the percentage specified in the resolution levying the tax. 98832

(D) A resolution adopted under this section shall state that 98833
the purpose of the tax is to pay current operating expenses of the 98834
district, and shall specify the first year in which the tax is to 98835
be levied, the number of years the tax will be levied or that it 98836
will be levied for a continuing period of time, and the election 98837
at which the question of the tax is to appear on the ballot, which 98838
shall be a general or special election consistent with the 98839
requirements of section 3501.01 of the Revised Code. If the board 98840
of education specifies a percentage less than one hundred four per 98841
cent pursuant to division (C) of this section, the percentage 98842
shall be specified in the resolution. 98843

Upon adoption of the resolution, the board of education may 98844
certify a copy of the resolution to the proper county board of 98845
elections. The copy of the resolution shall be certified to the 98846

board of elections not later than ninety days before the day of 98847
the election at which the question of the tax is to appear on the 98848
ballot. Upon receiving a timely certified copy of such a 98849
resolution, the board of elections shall make the necessary 98850
arrangements for the submission of the question to the electors of 98851
the school district, and the election shall be conducted, 98852
canvassed, and certified in the same manner as regular elections 98853
in the school district for the election of members of the board of 98854
education. Notice of the election shall be published in ~~one or~~ 98855
~~more newspapers~~ a newspaper of general circulation in the school 98856
district once per week for four consecutive weeks or as provided 98857
in section 7.16 of the Revised Code. The notice shall state that 98858
the purpose of the tax is for the current operating expenses of 98859
the school district, the first year the tax is to be levied, the 98860
number of years the tax is to be levied or that it is to be levied 98861
for a continuing period of time, that the tax is to be levied each 98862
year in an amount estimated to offset decreases in state base cost 98863
funding caused by appreciation in real estate values, and that the 98864
estimated additional tax in any year shall not exceed the previous 98865
year's by more than four per cent, or a lesser percentage 98866
specified in the resolution levying the tax, except for increases 98867
caused by the addition of new taxable property. 98868

The question shall be submitted as a separate proposition but 98869
may be printed on the same ballot with any other proposition 98870
submitted at the same election other than the election of 98871
officers. 98872

The form of the ballot shall be substantially as follows: 98873

"An additional tax for the benefit of (name of school 98874
district) for the purpose of paying the current operating expenses 98875
of the district, for (number of years or for continuing 98876
period of time), at a rate sufficient to offset any reduction in 98877
basic state funding caused by appreciation in real estate values? 98878

This levy will permit variable annual growth in revenue up to 98879
 (amount specified by school district) per cent for the 98880
 duration of the levy. 98881

	For the tax levy	"
	Against the tax levy	

98882
 98883
 98884
 98885

If a majority of the electors of the school district voting 98886
 on the question vote in favor of the question, the board of 98887
 elections shall certify the results of the election to the board 98888
 of education and to the tax commissioner immediately after the 98889
 canvass. 98890

(E) When preparing any estimate of the contemplated receipts 98891
 from a tax levied pursuant to this section for the purposes of 98892
 sections 5705.28 to 5705.40 of the Revised Code, and in preparing 98893
 to certify the tax under section 5705.34 of the Revised Code, a 98894
 board of education authorized to levy such a tax shall use 98895
 information supplied by the department of education to determine 98896
 the adjusted charge-off increase for the tax year for which that 98897
 certification is made. If the board levied a tax under this 98898
 section in the preceding tax year, the sum to be certified for 98899
 collection from the tax shall not exceed the sum that would exceed 98900
 the limitation imposed under division (C) of this section. At the 98901
 request of the board of education or the treasurer of the school 98902
 district, the county auditor shall assist the board of education 98903
 in determining the rate or sum that may be levied under this 98904
 section. 98905

The board of education shall certify the sum authorized to be 98906
 levied to the county auditor, and, for the purpose of the county 98907
 auditor determining the rate at which the tax is to be levied in 98908
 the tax year, the sum so certified shall be the sum to be raised 98909

by the tax unless the sum exceeds the limitation imposed by 98910
division (C) of this section. A tax levied pursuant to this 98911
section shall not be levied at a rate in excess of the rate 98912
estimated by the county auditor to produce the sum certified by 98913
the board of education before the reductions under sections 98914
319.302, 323.152, and 323.158 of the Revised Code. Notwithstanding 98915
section 5705.34 of the Revised Code, a board of education 98916
authorized to levy a tax under this section shall certify the tax 98917
to the county auditor before the first day of October of the tax 98918
year in which the tax is to be levied, or at a later date as 98919
approved by the tax commissioner. 98920

Sec. 5705.218. (A) The board of education of a city, local, 98921
or exempted village school district, at any time by a vote of 98922
two-thirds of all its members, may declare by resolution that it 98923
may be necessary for the school district to issue general 98924
obligation bonds for permanent improvements. The resolution shall 98925
state all of the following: 98926

(1) The necessity and purpose of the bond issue; 98927

(2) The date of the special election at which the question 98928
shall be submitted to the electors; 98929

(3) The amount, approximate date, estimated rate of interest, 98930
and maximum number of years over which the principal of the bonds 98931
may be paid; 98932

(4) The necessity of levying a tax outside the ten-mill 98933
limitation to pay debt charges on the bonds and any anticipatory 98934
securities. 98935

On adoption of the resolution, the board shall certify a copy 98936
of it to the county auditor. The county auditor promptly shall 98937
estimate and certify to the board the average annual property tax 98938
rate required throughout the stated maturity of the bonds to pay 98939

debt charges on the bonds, in the same manner as under division 98940
(C) of section 133.18 of the Revised Code. 98941

(B) After receiving the county auditor's certification under 98942
division (A) of this section, the board of education of the city, 98943
local, or exempted village school district, by a vote of 98944
two-thirds of all its members, may declare by resolution that the 98945
amount of taxes that can be raised within the ten-mill limitation 98946
will be insufficient to provide an adequate amount for the present 98947
and future requirements of the school district; that it is 98948
necessary to issue general obligation bonds of the school district 98949
for permanent improvements and to levy an additional tax in excess 98950
of the ten-mill limitation to pay debt charges on the bonds and 98951
any anticipatory securities; that it is necessary for a specified 98952
number of years or for a continuing period of time to levy 98953
additional taxes in excess of the ten-mill limitation to provide 98954
funds for the acquisition, construction, enlargement, renovation, 98955
and financing of permanent improvements or to pay for current 98956
operating expenses, or both; and that the question of the bonds 98957
and taxes shall be submitted to the electors of the school 98958
district at a special election, which shall not be earlier than 98959
ninety days after certification of the resolution to the board of 98960
elections, and the date of which shall be consistent with section 98961
3501.01 of the Revised Code. The resolution shall specify all of 98962
the following: 98963

(1) The county auditor's estimate of the average annual 98964
property tax rate required throughout the stated maturity of the 98965
bonds to pay debt charges on the bonds; 98966

(2) The proposed rate of the tax, if any, for current 98967
operating expenses, the first year the tax will be levied, and the 98968
number of years it will be levied, or that it will be levied for a 98969
continuing period of time; 98970

(3) The proposed rate of the tax, if any, for permanent 98971

improvements, the first year the tax will be levied, and the 98972
number of years it will be levied, or that it will be levied for a 98973
continuing period of time. 98974

The resolution shall apportion the annual rate of the tax 98975
between current operating expenses and permanent improvements, if 98976
both taxes are proposed. The apportionment may but need not be the 98977
same for each year of the tax, but the respective portions of the 98978
rate actually levied each year for current operating expenses and 98979
permanent improvements shall be limited by the apportionment. The 98980
resolution shall go into immediate effect upon its passage, and no 98981
publication of it is necessary other than that provided in the 98982
notice of election. The board of education shall certify a copy of 98983
the resolution, along with copies of the auditor's estimate and 98984
its resolution under division (A) of this section, to the board of 98985
elections immediately after its adoption. 98986

(C) The board of elections shall make the arrangements for 98987
the submission of the question to the electors of the school 98988
district, and the election shall be conducted, canvassed, and 98989
certified in the same manner as regular elections in the district 98990
for the election of county officers. The resolution shall be put 98991
before the electors as one ballot question, with a favorable vote 98992
indicating approval of the bond issue, the levy to pay debt 98993
charges on the bonds and any anticipatory securities, the current 98994
operating expenses levy, and the permanent improvements levy, if 98995
either or both levies are proposed. The board of elections shall 98996
publish notice of the election in ~~one or more newspapers~~ a 98997
newspaper of general circulation in the school district once a 98998
week for two consecutive weeks, or as provided in section 7.16 of 98999
the Revised Code, prior to the election, ~~and, if~~. If a board of 99000
elections operates and maintains a web site, that board also shall 99001
post notice of the election on its web site for thirty days prior 99002
to the election. The notice of election shall state all of the 99003

following:	99004
(1) The principal amount of the proposed bond issue;	99005
(2) The permanent improvements for which the bonds are to be issued;	99006 99007
(3) The maximum number of years over which the principal of the bonds may be paid;	99008 99009
(4) The estimated additional average annual property tax rate to pay the debt charges on the bonds, as certified by the county auditor;	99010 99011 99012

as a part of its annual appropriation measure a spending plan, or 99439
in the case of an amended appropriation measure, an amended 99440
spending plan, setting forth a quarterly schedule of expenses and 99441
expenditures of all appropriations for the fiscal year from the 99442

county general fund. The spending plan shall be classified to set 99443
forth separately a quarterly schedule of expenses and expenditures 99444
for each office, department, and division, and within each, the 99445
amount appropriated for personal services. Each office, 99446
department, and division shall be limited in its expenses and 99447
expenditures of moneys appropriated from the general fund during 99448
any quarter by the schedule established in the spending plan. The 99449
schedule established in the spending plan shall serve as a 99450
limitation during a quarter on the making of contracts and giving 99451
of orders involving the expenditure of money during that quarter 99452
for purposes of division (D) of section 5705.41 of the Revised 99453
Code. 99454

(B)(1) A board of county commissioners, by resolution, may 99455
adopt a spending plan or an amended spending plan setting forth 99456
separately a quarterly schedule of expenses and expenditures of 99457
appropriations from any county fund, for the second half of a 99458
fiscal year and any subsequent fiscal year, for any county office, 99459
department, or division that has spent or encumbered more than 99460
six-tenths of the amount appropriated for personal services and 99461
payrolls during the first half of any fiscal year. 99462

(2) During any fiscal year, a board of county commissioners, 99463
by resolution, may adopt a spending plan or an amended spending 99464
plan setting forth separately a quarterly schedule of expenses and 99465
expenditures of appropriations from any county fund, for any 99466
county office, department, or division that, during the previous 99467
fiscal year, spent one hundred five per cent or more of the total 99468
amount appropriated by the board in its annual appropriation 99469
measure required by section 5705.38 of the Revised Code. The 99470
spending plan or amended spending plan shall remain in effect 99471
three fiscal years, or until the county officer of the office for 99472
which the plan was adopted is no longer in office, including terms 99473
of office to which the county officer is re-elected, whichever is 99474

later. 99475

(3) At least thirty days before adopting a resolution under 99476
division (B)(1) or (2) of this section, the board of county 99477
commissioners shall provide written notice to each county office, 99478
department, or division for which it intends to adopt a spending 99479
plan or an amended spending plan. The notice shall be sent by 99480
regular first class mail or provided by personal service, and 99481
shall include a copy of the proposed spending plan or proposed 99482
amended spending plan. The county office, department, or division 99483
may meet with the board at any regular session of the board to 99484
comment on the notice, or to express concerns or ask questions 99485
about the proposed spending plan or proposed amended spending 99486
plan. 99487

Sec. 5705.412. (A) As used in this section, "qualifying 99488
contract" means any agreement for the expenditure of money under 99489
which aggregate payments from the funds included in the school 99490
district's five-year forecast under section 5705.391 of the 99491
Revised Code will exceed the lesser of the following amounts: 99492

(1) Five hundred thousand dollars; 99493

(2) One per cent of the total revenue to be credited in the 99494
current fiscal year to the district's general fund, as specified 99495
in the district's most recent certificate of estimated resources 99496
certified under section 5705.36 of the Revised Code. 99497

(B)(1) Notwithstanding section 5705.41 of the Revised Code, 99498
no school district shall adopt any appropriation measure, make any 99499
qualifying contract, or increase during any school year any wage 99500
or salary schedule unless there is attached thereto a certificate, 99501
signed as required by this section, that the school district has 99502
in effect the authorization to levy taxes including the renewal or 99503
replacement of existing levies which, when combined with the 99504
estimated revenue from all other sources available to the district 99505

at the time of certification, are sufficient to provide the 99506
operating revenues necessary to enable the district to maintain 99507
all personnel and programs for all the days set forth in its 99508
adopted school calendars for the current fiscal year and for a 99509
number of days in succeeding fiscal years equal to the number of 99510
days instruction was held or is scheduled for the current fiscal 99511
year, as follows: 99512

~~(1)~~(a) A certificate attached to an appropriation measure 99513
under this section shall cover only the fiscal year in which the 99514
appropriation measure is effective and shall not consider the 99515
renewal or replacement of an existing levy as the authority to 99516
levy taxes that are subject to appropriation in the current fiscal 99517
year unless the renewal or replacement levy has been approved by 99518
the electors and is subject to appropriation in the current fiscal 99519
year. 99520

~~(2)~~(b) A certificate attached, in accordance with this 99521
section, to any qualifying contract shall cover the term of the 99522
contract. 99523

~~(3)~~(c) A certificate attached under this section to a wage or 99524
salary schedule shall cover the term of the schedule. 99525

If the board of education has not adopted a school calendar 99526
for the school year beginning on the first day of the fiscal year 99527
in which a certificate is required, the certificate attached to an 99528
appropriation measure shall include the number of days on which 99529
instruction was held in the preceding fiscal year and other 99530
certificates required under this section shall include that number 99531
of days for the fiscal year in which the certificate is required 99532
and any succeeding fiscal years that the certificate must cover. 99533

The certificate shall be signed by the treasurer and 99534
president of the board of education and the superintendent of the 99535
school district, unless the district is in a state of fiscal 99536

emergency declared under Chapter 3316. of the Revised Code. In 99537
that case, the certificate shall be signed by a member of the 99538
district's financial planning and supervision commission who is 99539
designated by the commission for this purpose. 99540

(2) In lieu of the certificate required under division (B) of 99541
this section, an alternative certificate stating the following may 99542
be attached: 99543

(a) The contract is a multi-year contract for materials, 99544
equipment, or nonpayroll services essential to the education 99545
program of the district; 99546

(b) The multi-year contract demonstrates savings over the 99547
duration of the contract as compared to costs that otherwise would 99548
have been demonstrated in a single year contract, and the terms 99549
will allow the district to reduce the deficit it is currently 99550
facing in future years as demonstrated in its five-year forecast 99551
adopted in accordance with section 5705.391 of the Revised Code. 99552

The certificate shall be signed by the treasurer and 99553
president of the board of education and the superintendent of the 99554
school district, unless the district is in a state of fiscal 99555
emergency declared under Chapter 3316. of the Revised Code. In 99556
that case, the certificate shall be signed by a member of the 99557
district's financial planning and supervision commission who is 99558
designated by the commission for this purpose. 99559

(C) Every qualifying contract made or wage or salary schedule 99560
adopted or put into effect without such a certificate shall be 99561
void, and no payment of any amount due thereon shall be made. 99562

(D) The department of education and the auditor of state 99563
jointly shall adopt rules governing the methods by which 99564
treasurers, presidents of boards of education, superintendents, 99565
and members of financial planning and supervision commissions 99566
shall estimate revenue and determine whether such revenue is 99567

sufficient to provide necessary operating revenue for the purpose 99568
of making certifications required by this section. 99569

(E) The auditor of state shall be responsible for determining 99570
whether school districts are in compliance with this section. At 99571
the time a school district is audited pursuant to section 117.11 99572
of the Revised Code, the auditor of state shall review each 99573
certificate issued under this section since the district's last 99574
audit, and the appropriation measure, contract, or wage and salary 99575
schedule to which such certificate was attached. If the auditor of 99576
state determines that a school district has not complied with this 99577
section with respect to any qualifying contract or wage or salary 99578
schedule, the auditor of state shall notify the prosecuting 99579
attorney for the county, the city director of law, or other chief 99580
law officer of the school district. That officer may file a civil 99581
action in any court of appropriate jurisdiction to seek a 99582
declaration that the contract or wage or salary schedule is void, 99583
to recover for the school district from the payee the amount of 99584
payments already made under it, or both, except that the officer 99585
shall not seek to recover payments made under any collective 99586
bargaining agreement entered into under Chapter 4117. of the 99587
Revised Code. If the officer does not file such an action within 99588
one hundred twenty days after receiving notice of noncompliance 99589
from the auditor of state, any taxpayer may institute the action 99590
in the taxpayer's own name on behalf of the school district. 99591

(F) This section does not apply to any contract or increase 99592
in any wage or salary schedule that is necessary in order to 99593
enable a board of education to comply with division (B) of section 99594
3317.13 of the Revised Code, provided the contract or increase 99595
does not exceed the amount required to be paid to be in compliance 99596
with such division. 99597

(G) Any officer, employee, or other person who expends or 99598
authorizes the expenditure of any public funds or authorizes or 99599

executes any contract or schedule contrary to this section, 99600
expends or authorizes the expenditure of any public funds on the 99601
void contract or schedule, or issues a certificate under this 99602
section which contains any false statements is liable to the 99603
school district for the full amount paid from the district's funds 99604
on the contract or schedule. The officer, employee, or other 99605
person is jointly and severally liable in person and upon any 99606
official bond that the officer, employee, or other person has 99607
given to the school district to the extent of any payments on the 99608
void claim, not to exceed ten thousand dollars. However, no 99609
officer, employee, or other person shall be liable for a mistaken 99610
estimate of available resources made in good faith and based upon 99611
reasonable grounds. If an officer, employee, or other person is 99612
found to have complied with rules jointly adopted by the 99613
department of education and the auditor of state under this 99614
section governing methods by which revenue shall be estimated and 99615
determined sufficient to provide necessary operating revenue for 99616
the purpose of making certifications required by this section, the 99617
officer, employee, or other person shall not be liable under this 99618
section if the estimates and determinations made according to 99619
those rules do not, in fact, conform with actual revenue. The 99620
prosecuting attorney of the county, the city director of law, or 99621
other chief law officer of the district shall enforce this 99622
liability by civil action brought in any court of appropriate 99623
jurisdiction in the name of and on behalf of the school district. 99624
If the prosecuting attorney, city director of law, or other chief 99625
law officer of the district fails, upon the written request of any 99626
taxpayer, to institute action for the enforcement of the 99627
liability, the attorney general, or the taxpayer in the taxpayer's 99628
own name, may institute the action on behalf of the subdivision. 99629

additional certificate beyond that required by section 5705.41 of 99631
the Revised Code for current payrolls of, or contracts of 99632

employment with, any employees or officers of the school district. 99633

This section does not require the attachment of a certificate 99634
to a temporary appropriation measure if all of the following 99635
apply: 99636

cent of the total amount from all sources available for 99638
expenditure from any fund during the preceding fiscal year; 99639

(2) The measure will not be in effect on or after the 99640
thirtieth day following the earliest date on which the district 99641
may pass an annual appropriation measure; 99642

(3) An amended official certificate of estimated resources 99643
for the current year, if required, has not been certified to the 99644
board of education under division (B) of section 5705.36 of the 99645
Revised Code. 99646

Sec. 5705.71. (A) The electors of a county may initiate the 99647
question of a tax levy for support of senior citizens services or 99648
facilities by the filing of a petition with the board of elections 99649
of that county not less than ninety days before the date of any 99650
primary or general election requesting that an election be held on 99651

payment of debt charges the increased rate shall be for the life 99661
of the indebtedness. 99662

(C) After determination by it that such petition is valid, 99663
the board of elections shall submit the question to the electors 99664
of the county at the succeeding primary or general election. 99665

(D) The election shall be conducted, canvassed, and certified 99666

post notice of the election on its web site for thirty days prior 99673
to the election. The notice shall state the purpose, the amount of 99674
the proposed increase in rate, and the time and place of the 99675
election. 99676

(E) The form of the ballot cast at such election shall be 99677
prescribed by the secretary of state. If the tax is to be placed 99678
on the tax list of the current tax year, the form of the ballot 99679
shall include a statement to that effect and shall indicate the 99680
first calendar year the tax will be due. The question covered by 99681
such petition shall be submitted as a separate proposition but it 99682
may be printed on the same ballot with any other propositions 99683
submitted at the same election other than the election of 99684
officers. 99685

(F) If a majority of electors voting on the question vote in 99686
favor of the levy, the board of county commissioners shall levy a 99687
tax, for the period and the purpose stated within the petition. If 99688
the tax is to be placed upon the tax list of the current year, as 99689
specified in the petition, the result of the election shall be 99690
certified immediately after the canvass by the board of elections 99691
to the board of county commissioners, which shall forthwith make 99692
the necessary levy and certify it to the county auditor, who shall 99693
extend it on the tax list for collection. After the first year, 99694

The enterprise shall review and update the listings required 99845
under this division to reflect material changes, and any agreement 99846
entered into under division (C) of this section shall set forth 99847
final estimates and listings as of the time the agreement is 99848
entered into. The legislative authority may, on a separate form 99849

and at any time, require any additional information necessary to 99850
determine whether an enterprise is in compliance with an agreement 99851
and to collect the information required to be reported under 99852
section 5709.68 of the Revised Code. 99853

(C) Upon receipt and investigation of a proposal under 99854
division (B) of this section, if the legislative authority finds 99855
that the enterprise submitting the proposal is qualified by 99856
financial responsibility and business experience to create and 99857
preserve employment opportunities in the zone and improve the 99858
economic climate of the municipal corporation, the legislative 99859
authority, on or before October 15, ~~2011~~ 2012, may do one of the 99860

the enterprise agrees to establish, expand, renovate, or occupy a 99863

the following incentives: 99866

(a) Exemption for a specified number of years, not to exceed 99867
fifteen, of a specified portion, up to seventy-five per cent, of 99868
the assessed value of tangible personal property first used in 99869
business at the project site as a result of the agreement. If an 99870
exemption for inventory is specifically granted in the agreement 99871
pursuant to this division, the exemption applies to inventory 99872
required to be listed pursuant to sections 5711.15 and 5711.16 of 99873
the Revised Code, except that, in the instance of an expansion or 99874
other situations in which an enterprise was in business at the 99875
facility prior to the establishment of the zone, the inventory 99876
that is exempt is that amount or value of inventory in excess of 99877
the amount or value of inventory required to be listed in the 99878
personal property tax return of the enterprise in the return for 99879
the tax year in which the agreement is entered into. 99880

(b) Exemption for a specified number of years, not to exceed 99881

fifteen, of a specified portion, up to seventy-five per cent, of 99882
the increase in the assessed valuation of real property 99883
constituting the project site subsequent to formal approval of the 99884
agreement by the legislative authority; 99885

(c) Provision for a specified number of years, not to exceed 99886
fifteen, of any optional services or assistance that the municipal 99887

value in money of the real property of the facility prior to 99893
remediation as determined for the purposes of property taxation to 99894
establish, expand, renovate, or occupy the remediated facility, 99895
and to hire new employees or preserve employment opportunities for 99896
existing employees at the remediated facility, in return for one 99897
or more of the following incentives: 99898

(a) Exemption for a specified number of years, not to exceed 99899

to remediation; 99902

(b) Exemption for a specified number of years, not to exceed 99903

(3) Enter into an agreement with an enterprise that plans to 99911

exceed fifteen, of a specified portion, up to one hundred per 99915
cent, of the assessed value of tangible personal property used in 99916
business at the project site as a result of the agreement, or of 99917
the assessed valuation of real property constituting the project 99918
site, or both. 99919

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this 99920
section, the portion of the assessed value of tangible personal 99921
property or of the increase in the assessed valuation of real 99922
property exempted from taxation under those divisions may exceed 99923
seventy-five per cent in any year for which that portion is 99924
exempted if the average percentage exempted for all years in which 99925
the agreement is in effect does not exceed sixty per cent, or if 99926
the board of education of the city, local, or exempted village 99927
school district within the territory of which the property is or 99928
will be located approves a percentage in excess of seventy-five 99929
per cent. 99930

(2) Notwithstanding any provision of the Revised Code to the 99931
contrary, the exemptions described in divisions (C)(1)(a), (b), 99932
and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may 99933
be for up to fifteen years if the board of education of the city, 99934
local, or exempted village school district within the territory of 99935
which the property is or will be located approves a number of 99936
years in excess of ten. 99937

(3) For the purpose of obtaining the approval of a city, 99938
local, or exempted village school district under division (D)(1) 99939
or (2) of this section, the legislative authority shall deliver to 99940
the board of education a notice not later than forty-five days 99941
prior to approving the agreement, excluding Saturdays, Sundays, 99942
and legal holidays as defined in section 1.14 of the Revised Code. 99943
The notice shall state the percentage to be exempted, an estimate 99944

of the true value of the property to be exempted, and the number 99945
of years the property is to be exempted. The board of education, 99946
by resolution adopted by a majority of the board, shall approve or 99947
disapprove the agreement and certify a copy of the resolution to 99948
the legislative authority not later than fourteen days prior to 99949
the date stipulated by the legislative authority as the date upon 99950
which approval of the agreement is to be formally considered by 99951
the legislative authority. The board of education may include in 99952
the resolution conditions under which the board would approve the 99953
agreement, including the execution of an agreement to compensate 99954
the school district under division (B) of section 5709.82 of the 99955
Revised Code. The legislative authority may approve the agreement 99956
at any time after the board of education certifies its resolution 99957
approving the agreement to the legislative authority, or, if the 99958
board approves the agreement conditionally, at any time after the 99959
conditions are agreed to by the board and the legislative 99960
authority. 99961

If a board of education has adopted a resolution waiving its 99962
right to approve agreements and the resolution remains in effect, 99963
approval of an agreement by the board is not required under this 99964
division. If a board of education has adopted a resolution 99965
allowing a legislative authority to deliver the notice required 99966
under this division fewer than forty-five business days prior to 99967
the legislative authority's approval of the agreement, the 99968
legislative authority shall deliver the notice to the board not 99969
later than the number of days prior to such approval as prescribed 99970
by the board in its resolution. If a board of education adopts a 99971
resolution waiving its right to approve agreements or shortening 99972
the notification period, the board shall certify a copy of the 99973
resolution to the legislative authority. If the board of education 99974
rescinds such a resolution, it shall certify notice of the 99975
rescission to the legislative authority. 99976

(4) The legislative authority shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(E) This division applies to zones certified by the director of development under this section prior to July 22, 1994.

On or before October 15, ~~2011~~ 2012, the legislative authority that designated a zone to which this division applies may enter into an agreement with an enterprise if the legislative authority finds that the enterprise satisfies one of the criteria described in divisions (E)(1) to (5) of this section:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to 100007
establish, expand, renovate, or occupy a facility in the zone and 100008
hire new employees, or preserve employment opportunities for 100009
existing employees, in return for one or more of the incentives 100010
described in division (C) of this section. 100011

(F) All agreements entered into under this section shall be 100012
in the form prescribed under section 5709.631 of the Revised Code. 100013
After an agreement is entered into under this section, if the 100014
legislative authority revokes its designation of a zone, or if the 100015
director of development revokes a zone's certification, any 100016
entitlements granted under the agreement shall continue for the 100017
number of years specified in the agreement. 100018

(G) Except as otherwise provided in this division, an 100019
agreement entered into under this section shall require that the 100020
enterprise pay an annual fee equal to the greater of one per cent 100021
of the dollar value of incentives offered under the agreement or 100022
five hundred dollars; provided, however, that if the value of the 100023
incentives exceeds two hundred fifty thousand dollars, the fee 100024
shall not exceed two thousand five hundred dollars. The fee shall 100025
be payable to the legislative authority once per year for each 100026
year the agreement is effective on the days and in the form 100027
specified in the agreement. Fees paid shall be deposited in a 100028
special fund created for such purpose by the legislative authority 100029
and shall be used by the legislative authority exclusively for the 100030
purpose of complying with section 5709.68 of the Revised Code and 100031
by the tax incentive review council created under section 5709.85 100032
of the Revised Code exclusively for the purposes of performing the 100033
duties prescribed under that section. The legislative authority 100034
may waive or reduce the amount of the fee charged against an 100035
enterprise, but such a waiver or reduction does not affect the 100036
obligations of the legislative authority or the tax incentive 100037
review council to comply with section 5709.68 or 5709.85 of the 100038

Revised Code. 100039

(H) When an agreement is entered into pursuant to this 100040
section, the legislative authority authorizing the agreement shall 100041
forward a copy of the agreement to the director of development and 100042
to the tax commissioner within fifteen days after the agreement is 100043
entered into. If any agreement includes terms not provided for in 100044
section 5709.631 of the Revised Code affecting the revenue of a 100045
city, local, or exempted village school district or causing 100046
revenue to be forgone by the district, including any compensation 100047
to be paid to the school district pursuant to section 5709.82 of 100048
the Revised Code, those terms also shall be forwarded in writing 100049
to the director of development along with the copy of the 100050
agreement forwarded under this division. 100051

(I) After an agreement is entered into, the enterprise shall 100052
file with each personal property tax return required to be filed, 100053
or annual report required to be filed under section 5727.08 of the 100054
Revised Code, while the agreement is in effect, an informational 100055
return, on a form prescribed by the tax commissioner for that 100056
purpose, setting forth separately the property, and related costs 100057
and values, exempted from taxation under the agreement. 100058

(J) Enterprises may agree to give preference to residents of 100059
the zone within which the agreement applies relative to residents 100060
of this state who do not reside in the zone when hiring new 100061
employees under the agreement. 100062

(K) An agreement entered into under this section may include 100063
a provision requiring the enterprise to create one or more 100064
temporary internship positions for students enrolled in a course 100065
of study at a school or other educational institution in the 100066
vicinity, and to create a scholarship or provide another form of 100067
educational financial assistance for students holding such a 100068
position in exchange for the student's commitment to work for the 100069
enterprise at the completion of the internship. 100070

(L) The tax commissioner's authority in determining the accuracy of any exemption granted by an agreement entered into under this section is limited to divisions (C)(1)(a) and (b), (C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and divisions (B)(1) to (10) of section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the legislative authority of a municipal corporation or the director of development.

Sec. 5709.63. (A) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed enterprise zones. A board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed enterprise zone. The board shall petition the director of development for certification of the area as having the characteristics set forth in division (A)(1) or (2) of section 5709.61 of the Revised Code as amended by Substitute Senate Bill No. 19 of the 120th general assembly. Except as otherwise provided in division (D) of this section, on and after July 1, 1994, boards of county commissioners shall not enter into agreements under this section unless the board has petitioned the director and the director has certified the zone under this section as amended by that act; however, all agreements entered into under this section as it existed prior to July 1, 1994, and the incentives granted under those agreements shall remain in effect for the period agreed to under those agreements. The director shall make the determination in the manner provided under section 5709.62 of the Revised Code.

Any enterprise wishing to enter into an agreement with the

board under division (B) or (D) of this section shall submit a 100103
proposal to the board on the form and accompanied by the 100104
application fee prescribed under division (B) of section 5709.62 100105
of the Revised Code. The enterprise shall review and update the 100106
estimates and listings required by the form in the manner required 100107
under that division. The board may, on a separate form and at any 100108
time, require any additional information necessary to determine 100109
whether an enterprise is in compliance with an agreement and to 100110
collect the information required to be reported under section 100111
5709.68 of the Revised Code. 100112

(B) If the board of county commissioners finds that an 100113
enterprise submitting a proposal is qualified by financial 100114
responsibility and business experience to create and preserve 100115
employment opportunities in the zone and to improve the economic 100116
climate of the municipal corporation or municipal corporations or 100117
the unincorporated areas in which the zone is located and to which 100118
the proposal applies, the board, on or before October 15, ~~2011~~ 100119
2012, and with the consent of the legislative authority of each 100120
affected municipal corporation or of the board of township 100121
trustees may do either of the following: 100122

(1) Enter into an agreement with the enterprise under which 100123
the enterprise agrees to establish, expand, renovate, or occupy a 100124
facility in the zone and hire new employees, or preserve 100125
employment opportunities for existing employees, in return for the 100126
following incentives: 100127

(a) When the facility is located in a municipal corporation, 100128
the board may enter into an agreement for one or more of the 100129
incentives provided in division (C) of section 5709.62 of the 100130
Revised Code, subject to division (D) of that section; 100131

(b) When the facility is located in an unincorporated area, 100132
the board may enter into an agreement for one or more of the 100133
following incentives: 100134

(i) Exemption for a specified number of years, not to exceed 100135
fifteen, of a specified portion, up to sixty per cent, of the 100136
assessed value of tangible personal property first used in 100137
business at a project site as a result of the agreement. If an 100138
exemption for inventory is specifically granted in the agreement 100139
pursuant to this division, the exemption applies to inventory 100140
required to be listed pursuant to sections 5711.15 and 5711.16 of 100141
the Revised Code, except, in the instance of an expansion or other 100142
situations in which an enterprise was in business at the facility 100143
prior to the establishment of the zone, the inventory that is 100144
exempt is that amount or value of inventory in excess of the 100145
amount or value of inventory required to be listed in the personal 100146
property tax return of the enterprise in the return for the tax 100147
year in which the agreement is entered into. 100148

(ii) Exemption for a specified number of years, not to exceed 100149
fifteen, of a specified portion, up to sixty per cent, of the 100150
increase in the assessed valuation of real property constituting 100151
the project site subsequent to formal approval of the agreement by 100152
the board; 100153

(iii) Provision for a specified number of years, not to 100154
exceed fifteen, of any optional services or assistance the board 100155
is authorized to provide with regard to the project site; 100156

(iv) The incentive described in division (C)(2) of section 100157
5709.62 of the Revised Code. 100158

(2) Enter into an agreement with an enterprise that plans to 100159
purchase and operate a large manufacturing facility that has 100160
ceased operation or has announced its intention to cease 100161
operation, in return for exemption for a specified number of 100162
years, not to exceed fifteen, of a specified portion, up to one 100163
hundred per cent, of tangible personal property used in business 100164
at the project site as a result of the agreement, or of real 100165
property constituting the project site, or both. 100166

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of 100167
this section, the portion of the assessed value of tangible 100168
personal property or of the increase in the assessed valuation of 100169
real property exempted from taxation under those divisions may 100170
exceed sixty per cent in any year for which that portion is 100171
exempted if the average percentage exempted for all years in which 100172
the agreement is in effect does not exceed fifty per cent, or if 100173
the board of education of the city, local, or exempted village 100174
school district within the territory of which the property is or 100175
will be located approves a percentage in excess of sixty per cent. 100176

(b) Notwithstanding any provision of the Revised Code to the 100177
contrary, the exemptions described in divisions (B)(1)(b)(i), 100178
(ii), (iii), and (iv) and (B)(2) of this section may be for up to 100179
fifteen years if the board of education of the city, local, or 100180
exempted village school district within the territory of which the 100181
property is or will be located approves a number of years in 100182
excess of ten. 100183

(c) For the purpose of obtaining the approval of a city, 100184
local, or exempted village school district under division 100185
(C)(1)(a) or (b) of this section, the board of county 100186
commissioners shall deliver to the board of education a notice not 100187
later than forty-five days prior to approving the agreement, 100188
excluding Saturdays, Sundays, and legal holidays as defined in 100189
section 1.14 of the Revised Code. The notice shall state the 100190
percentage to be exempted, an estimate of the true value of the 100191
property to be exempted, and the number of years the property is 100192
to be exempted. The board of education, by resolution adopted by a 100193
majority of the board, shall approve or disapprove the agreement 100194
and certify a copy of the resolution to the board of county 100195
commissioners not later than fourteen days prior to the date 100196
stipulated by the board of county commissioners as the date upon 100197
which approval of the agreement is to be formally considered by 100198

the board of county commissioners. The board of education may 100199
include in the resolution conditions under which the board would 100200
approve the agreement, including the execution of an agreement to 100201
compensate the school district under division (B) of section 100202
5709.82 of the Revised Code. The board of county commissioners may 100203
approve the agreement at any time after the board of education 100204
certifies its resolution approving the agreement to the board of 100205
county commissioners, or, if the board of education approves the 100206
agreement conditionally, at any time after the conditions are 100207
agreed to by the board of education and the board of county 100208
commissioners. 100209

If a board of education has adopted a resolution waiving its 100210
right to approve agreements and the resolution remains in effect, 100211
approval of an agreement by the board of education is not required 100212
under division (C) of this section. If a board of education has 100213
adopted a resolution allowing a board of county commissioners to 100214
deliver the notice required under this division fewer than 100215
forty-five business days prior to approval of the agreement by the 100216
board of county commissioners, the board of county commissioners 100217
shall deliver the notice to the board of education not later than 100218
the number of days prior to such approval as prescribed by the 100219
board of education in its resolution. If a board of education 100220
adopts a resolution waiving its right to approve agreements or 100221
shortening the notification period, the board of education shall 100222
certify a copy of the resolution to the board of county 100223
commissioners. If the board of education rescinds such a 100224
resolution, it shall certify notice of the rescission to the board 100225
of county commissioners. 100226

(2) The board of county commissioners shall comply with 100227
section 5709.83 of the Revised Code unless the board of education 100228
has adopted a resolution under that section waiving its right to 100229
receive such notice. 100230

(D) This division applies to zones certified by the director 100231
of development under this section prior to July 22, 1994. 100232

On or before October 15, ~~2011~~ 2012, and with the consent of 100233
the legislative authority of each affected municipal corporation 100234
or board of township trustees of each affected township, the board 100235
of county commissioners that designated a zone to which this 100236
division applies may enter into an agreement with an enterprise if 100237
the board finds that the enterprise satisfies one of the criteria 100238
described in divisions (D)(1) to (5) of this section: 100239

(1) The enterprise currently has no operations in this state 100240
and, subject to approval of the agreement, intends to establish 100241
operations in the zone; 100242

(2) The enterprise currently has operations in this state 100243
and, subject to approval of the agreement, intends to establish 100244
operations at a new location in the zone that would not result in 100245
a reduction in the number of employee positions at any of the 100246
enterprise's other locations in this state; 100247

(3) The enterprise, subject to approval of the agreement, 100248
intends to relocate operations, currently located in another 100249
state, to the zone; 100250

(4) The enterprise, subject to approval of the agreement, 100251
intends to expand operations at an existing site in the zone that 100252
the enterprise currently operates; 100253

(5) The enterprise, subject to approval of the agreement, 100254
intends to relocate operations, currently located in this state, 100255
to the zone, and the director of development has issued a waiver 100256
for the enterprise under division (B) of section 5709.633 of the 100257
Revised Code. 100258

The agreement shall require the enterprise to agree to 100259
establish, expand, renovate, or occupy a facility in the zone and 100260
hire new employees, or preserve employment opportunities for 100261

existing employees, in return for one or more of the incentives 100262
described in division (B) of this section. 100263

(E) All agreements entered into under this section shall be 100264
in the form prescribed under section 5709.631 of the Revised Code. 100265
After an agreement under this section is entered into, if the 100266
board of county commissioners revokes its designation of a zone, 100267
or if the director of development revokes a zone's certification, 100268
any entitlements granted under the agreement shall continue for 100269
the number of years specified in the agreement. 100270

(F) Except as otherwise provided in this division, an 100271
agreement entered into under this section shall require that the 100272
enterprise pay an annual fee equal to the greater of one per cent 100273
of the dollar value of incentives offered under the agreement or 100274
five hundred dollars; provided, however, that if the value of the 100275
incentives exceeds two hundred fifty thousand dollars, the fee 100276
shall not exceed two thousand five hundred dollars. The fee shall 100277
be payable to the board of county commissioners once per year for 100278
each year the agreement is effective on the days and in the form 100279
specified in the agreement. Fees paid shall be deposited in a 100280
special fund created for such purpose by the board and shall be 100281
used by the board exclusively for the purpose of complying with 100282
section 5709.68 of the Revised Code and by the tax incentive 100283
review council created under section 5709.85 of the Revised Code 100284
exclusively for the purposes of performing the duties prescribed 100285
under that section. The board may waive or reduce the amount of 100286
the fee charged against an enterprise, but such waiver or 100287
reduction does not affect the obligations of the board or the tax 100288
incentive review council to comply with section 5709.68 or 5709.85 100289
of the Revised Code, respectively. 100290

(G) With the approval of the legislative authority of a 100291
municipal corporation or the board of township trustees of a 100292
township in which a zone is designated under division (A) of this 100293

section, the board of county commissioners may delegate to that 100294
legislative authority or board any powers and duties of the board 100295
of county commissioners to negotiate and administer agreements 100296
with regard to that zone under this section. 100297

(H) When an agreement is entered into pursuant to this 100298
section, the board of county commissioners authorizing the 100299
agreement or the legislative authority or board of township 100300
trustees that negotiates and administers the agreement shall 100301
forward a copy of the agreement to the director of development and 100302
to the tax commissioner within fifteen days after the agreement is 100303
entered into. If any agreement includes terms not provided for in 100304
section 5709.631 of the Revised Code affecting the revenue of a 100305
city, local, or exempted village school district or causing 100306
revenue to be foregone by the district, including any compensation 100307
to be paid to the school district pursuant to section 5709.82 of 100308
the Revised Code, those terms also shall be forwarded in writing 100309
to the director of development along with the copy of the 100310
agreement forwarded under this division. 100311

(I) After an agreement is entered into, the enterprise shall 100312
file with each personal property tax return required to be filed, 100313
or annual report that is required to be filed under section 100314
5727.08 of the Revised Code, while the agreement is in effect, an 100315
informational return, on a form prescribed by the tax commissioner 100316
for that purpose, setting forth separately the property, and 100317
related costs and values, exempted from taxation under the 100318
agreement. 100319

(J) Enterprises may agree to give preference to residents of 100320
the zone within which the agreement applies relative to residents 100321
of this state who do not reside in the zone when hiring new 100322
employees under the agreement. 100323

(K) An agreement entered into under this section may include 100324
a provision requiring the enterprise to create one or more 100325

temporary internship positions for students enrolled in a course 100326
of study at a school or other educational institution in the 100327
vicinity, and to create a scholarship or provide another form of 100328
educational financial assistance for students holding such a 100329
position in exchange for the student's commitment to work for the 100330
enterprise at the completion of the internship. 100331

(L) The tax commissioner's authority in determining the 100332
accuracy of any exemption granted by an agreement entered into 100333
under this section is limited to divisions (B)(1)(b)(i) and (ii), 100334
(B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of 100335
this section as it pertains to divisions (C)(2)(a), (b), and (c) 100336
of section 5709.62 of the Revised Code, and divisions (B)(1) to 100337
(10) of section 5709.631 of the Revised Code and, as authorized by 100338
law, to enforcing any modification to, or revocation of, that 100339
agreement by the board of county commissioners or the director of 100340
development or, if the board's powers and duties are delegated 100341
under division (G) of this section, by the legislative authority 100342
of a municipal corporation or board of township trustees. 100343

Sec. 5709.632. (A)(1) The legislative authority of a 100344
municipal corporation defined by the United States office of 100345
management and budget as a principal city of a metropolitan 100346
statistical area may, in the manner set forth in section 5709.62 100347
of the Revised Code, designate one or more areas in the municipal 100348
corporation as a proposed enterprise zone. 100349

(2) With the consent of the legislative authority of each 100350
affected municipal corporation or of a board of township trustees, 100351
a board of county commissioners may, in the manner set forth in 100352
section 5709.62 of the Revised Code, designate one or more areas 100353
in one or more municipal corporations or in unincorporated areas 100354
of the county as proposed urban jobs and enterprise zones, except 100355
that a board of county commissioners may designate no more than 100356

one area within a township, or within adjacent townships, as a 100357
proposed urban jobs and enterprise zone. 100358

(3) The legislative authority or board of county 100359
commissioners may petition the director of development for 100360
certification of the area as having the characteristics set forth 100361
in division (A)(3) of section 5709.61 of the Revised Code. Within 100362
sixty days after receiving such a petition, the director shall 100363
determine whether the area has the characteristics set forth in 100364
that division and forward the findings to the legislative 100365
authority or board of county commissioners. If the director 100366
certifies the area as having those characteristics and thereby 100367
certifies it as a zone, the legislative authority or board may 100368
enter into agreements with enterprises under division (B) of this 100369
section. Any enterprise wishing to enter into an agreement with a 100370
legislative authority or board of county commissioners under this 100371
section and satisfying one of the criteria described in divisions 100372
(B)(1) to (5) of this section shall submit a proposal to the 100373
legislative authority or board on the form prescribed under 100374
division (B) of section 5709.62 of the Revised Code and shall 100375
review and update the estimates and listings required by the form 100376
in the manner required under that division. The legislative 100377
authority or board may, on a separate form and at any time, 100378
require any additional information necessary to determine whether 100379
an enterprise is in compliance with an agreement and to collect 100380
the information required to be reported under section 5709.68 of 100381
the Revised Code. 100382

(B) Prior to entering into an agreement with an enterprise, 100383
the legislative authority or board of county commissioners shall 100384
determine whether the enterprise submitting the proposal is 100385
qualified by financial responsibility and business experience to 100386
create and preserve employment opportunities in the zone and to 100387
improve the economic climate of the municipal corporation or 100388

municipal corporations or the unincorporated areas in which the 100389
zone is located and to which the proposal applies, and whether the 100390
enterprise satisfies one of the following criteria: 100391

(1) The enterprise currently has no operations in this state 100392
and, subject to approval of the agreement, intends to establish 100393
operations in the zone; 100394

(2) The enterprise currently has operations in this state 100395
and, subject to approval of the agreement, intends to establish 100396
operations at a new location in the zone that would not result in 100397
a reduction in the number of employee positions at any of the 100398
enterprise's other locations in this state; 100399

(3) The enterprise, subject to approval of the agreement, 100400
intends to relocate operations, currently located in another 100401
state, to the zone; 100402

(4) The enterprise, subject to approval of the agreement, 100403
intends to expand operations at an existing site in the zone that 100404
the enterprise currently operates; 100405

(5) The enterprise, subject to approval of the agreement, 100406
intends to relocate operations, currently located in this state, 100407
to the zone, and the director of development has issued a waiver 100408
for the enterprise under division (B) of section 5709.633 of the 100409
Revised Code. 100410

(C) If the legislative authority or board determines that the 100411
enterprise is so qualified and satisfies one of the criteria 100412
described in divisions (B)(1) to (5) of this section, the 100413
legislative authority or board may, after complying with section 100414
5709.83 of the Revised Code and on or before October 15, ~~2011~~ 100415
2012, and, in the case of a board of commissioners, with the 100416
consent of the legislative authority of each affected municipal 100417
corporation or of the board of township trustees, enter into an 100418
agreement with the enterprise under which the enterprise agrees to 100419

establish, expand, renovate, or occupy a facility in the zone and 100420
hire new employees, or preserve employment opportunities for 100421
existing employees, in return for the following incentives: 100422

(1) When the facility is located in a municipal corporation, 100423
a legislative authority or board of commissioners may enter into 100424
an agreement for one or more of the incentives provided in 100425
division (C) of section 5709.62 of the Revised Code, subject to 100426
division (D) of that section; 100427

(2) When the facility is located in an unincorporated area, a 100428
board of commissioners may enter into an agreement for one or more 100429
of the incentives provided in divisions (B)(1)(b), (B)(2), and 100430
(B)(3) of section 5709.63 of the Revised Code, subject to division 100431
(C) of that section. 100432

(D) All agreements entered into under this section shall be 100433
in the form prescribed under section 5709.631 of the Revised Code. 100434
After an agreement under this section is entered into, if the 100435
legislative authority or board of county commissioners revokes its 100436
designation of the zone, or if the director of development revokes 100437
the zone's certification, any entitlements granted under the 100438
agreement shall continue for the number of years specified in the 100439
agreement. 100440

(E) Except as otherwise provided in this division, an 100441
agreement entered into under this section shall require that the 100442
enterprise pay an annual fee equal to the greater of one per cent 100443
of the dollar value of incentives offered under the agreement or 100444
five hundred dollars; provided, however, that if the value of the 100445
incentives exceeds two hundred fifty thousand dollars, the fee 100446
shall not exceed two thousand five hundred dollars. The fee shall 100447
be payable to the legislative authority or board of commissioners 100448
once per year for each year the agreement is effective on the days 100449
and in the form specified in the agreement. Fees paid shall be 100450
deposited in a special fund created for such purpose by the 100451

legislative authority or board and shall be used by the 100452
legislative authority or board exclusively for the purpose of 100453
complying with section 5709.68 of the Revised Code and by the tax 100454
incentive review council created under section 5709.85 of the 100455
Revised Code exclusively for the purposes of performing the duties 100456
prescribed under that section. The legislative authority or board 100457
may waive or reduce the amount of the fee charged against an 100458
enterprise, but such waiver or reduction does not affect the 100459
obligations of the legislative authority or board or the tax 100460
incentive review council to comply with section 5709.68 or 5709.85 100461
of the Revised Code, respectively. 100462

(F) With the approval of the legislative authority of a 100463
municipal corporation or the board of township trustees of a 100464
township in which a zone is designated under division (A)(2) of 100465
this section, the board of county commissioners may delegate to 100466
that legislative authority or board any powers and duties of the 100467
board to negotiate and administer agreements with regard to that 100468
zone under this section. 100469

(G) When an agreement is entered into pursuant to this 100470
section, the legislative authority or board of commissioners 100471
authorizing the agreement shall forward a copy of the agreement to 100472
the director of development and to the tax commissioner within 100473
fifteen days after the agreement is entered into. If any agreement 100474
includes terms not provided for in section 5709.631 of the Revised 100475
Code affecting the revenue of a city, local, or exempted village 100476
school district or causing revenue to be forgone by the district, 100477
including any compensation to be paid to the school district 100478
pursuant to section 5709.82 of the Revised Code, those terms also 100479
shall be forwarded in writing to the director of development along 100480
with the copy of the agreement forwarded under this division. 100481

(H) After an agreement is entered into, the enterprise shall 100482
file with each personal property tax return required to be filed 100483

while the agreement is in effect, an informational return, on a 100484
form prescribed by the tax commissioner for that purpose, setting 100485
forth separately the property, and related costs and values, 100486
exempted from taxation under the agreement. 100487

(I) An agreement entered into under this section may include 100488
a provision requiring the enterprise to create one or more 100489
temporary internship positions for students enrolled in a course 100490
of study at a school or other educational institution in the 100491
vicinity, and to create a scholarship or provide another form of 100492
educational financial assistance for students holding such a 100493
position in exchange for the student's commitment to work for the 100494
enterprise at the completion of the internship. 100495

Sec. 5713.01. (A) Each county shall be the unit for assessing 100496
real estate for taxation purposes. The county auditor shall be the 100497
assessor of all the real estate in the auditor's county for 100498
purposes of taxation, but this section does not affect the power 100499
conferred by Chapter 5727. of the Revised Code upon the tax 100500
commissioner regarding the valuation and assessment of real 100501
property used in railroad operations. 100502

(B) The auditor shall assess all the real estate situated in 100503
the county at its taxable value in accordance with sections 100504
5713.03, 5713.31, and 5715.01 of the Revised Code and with the 100505
rules and methods applicable to the auditor's county adopted, 100506
prescribed, and promulgated by the tax commissioner. The auditor 100507
shall view and appraise or cause to be viewed and appraised at its 100508
true value in money, each lot or parcel of real estate, including 100509
land devoted exclusively to agricultural use, and the improvements 100510
located thereon at least once in each six-year period and the 100511
taxable values required to be derived therefrom shall be placed on 100512
the auditor's tax list and the county treasurer's duplicate for 100513
the tax year ordered by the commissioner pursuant to section 100514

5715.34 of the Revised Code. The commissioner may grant an 100515
extension of one year or less if the commissioner finds that good 100516
cause exists for the extension. When the auditor so views and 100517
appraises, the auditor may enter each structure located thereon to 100518
determine by actual view what improvements have been made therein 100519
or additions made thereto since the next preceding valuation. The 100520
auditor shall revalue and assess at any time all or any part of 100521
the real estate in such county, including land devoted exclusively 100522
to agricultural use, where the auditor finds that the true or 100523
taxable values thereof have changed, and when a conservation 100524
easement is created under sections 5301.67 to 5301.70 of the 100525
Revised Code. The auditor may increase or decrease the true or 100526
taxable value of any lot or parcel of real estate in any township, 100527
municipal corporation, or other taxing district by an amount which 100528
will cause all real property on the tax list to be valued as 100529
required by law, or the auditor may increase or decrease the 100530
aggregate value of all real property, or any class of real 100531
property, in the county, township, municipal corporation, or other 100532
taxing district, or in any ward or other division of a municipal 100533
corporation by a per cent or amount which will cause all property 100534
to be properly valued and assessed for taxation in accordance with 100535
Section 36, Article II, Section 2, Article XII, Ohio Constitution, 100536
this section, and sections 5713.03, 5713.31, and 5715.01 of the 100537
Revised Code. 100538

(C) When the auditor determines to reappraise all the real 100539
estate in the county or any class thereof, when the tax 100540
commissioner orders an increase in the aggregate true or taxable 100541
value of the real estate in any taxing subdivision, or when the 100542
taxable value of real estate is increased by the application of a 100543
uniform taxable value per cent of true value pursuant to the order 100544
of the commissioner, the auditor shall advertise the completion of 100545
the reappraisal or equalization action in a newspaper of general 100546
circulation in the county once a week for the three consecutive 100547

weeks next preceding the issuance of the tax bills, or as provided 100548
in section 7.16 of the Revised Code for the two consecutive weeks 100549
next preceding the issuance of the tax bills. When the auditor 100550
changes the true or taxable value of any individual parcels of 100551
real estate, the auditor shall notify the owner of the real 100552
estate, or the person in whose name the same stands charged on the 100553
duplicate, by mail or in person, of the changes the auditor has 100554
made in the assessments of such property. Such notice shall be 100555
given at least thirty days prior to the issuance of the tax bills. 100556
Failure to receive notice shall not invalidate any proceeding 100557
under this section. 100558

(D) The auditor shall make the necessary abstracts from books 100559
of the auditor's office containing descriptions of real estate in 100560
such county, together with such platbooks and lists of transfers 100561
of title to land as the auditor deems necessary in the performance 100562
of the auditor's duties in valuing such property for taxation. 100563
Such abstracts, platbooks, and lists shall be in such form and 100564
detail as the tax commissioner prescribes. 100565

(E) The auditor, with the approval of the tax commissioner, 100566
may appoint and employ such experts, deputies, clerks, or other 100567
employees as the auditor deems necessary to the performance of the 100568
auditor's duties as assessor, or, with the approval of the tax 100569
commissioner, the auditor may enter into a contract with an 100570
individual, partnership, firm, company, or corporation to do all 100571
or any part of the work; the amount to be expended in the payment 100572
of the compensation of such employees shall be fixed by the board 100573
of county commissioners. If, in the opinion of the auditor, the 100574
board of county commissioners fails to provide a sufficient amount 100575
for the compensation of such employees, the auditor may apply to 100576
the tax commissioner for an additional allowance, and the 100577
additional amount of compensation allowed by the commissioner 100578
shall be certified to the board of county commissioners, and the 100579

same shall be final. The salaries and compensation of such 100580
experts, deputies, clerks, and employees shall be paid upon the 100581
warrant of the auditor out of the general fund or the real estate 100582
assessment fund of the county, or both. If the salaries and 100583
compensation are in whole or in part fixed by the commissioner, 100584
they shall constitute a charge against the county regardless of 100585
the amount of money in the county treasury levied or appropriated 100586
for such purposes. 100587

(F) Any contract for goods or services related to the 100588
auditor's duties as assessor, including contracts for mapping, 100589
computers, and reproduction on any medium of any documents, 100590
records, photographs, microfiche, or magnetic tapes, but not 100591
including contracts for the professional services of an appraiser, 100592
shall be awarded pursuant to the competitive bidding procedures 100593
set forth in sections 307.86 to 307.92 of the Revised Code and 100594
shall be paid for, upon the warrant of the auditor, from the real 100595
estate assessment fund. 100596

(G) Experts, deputies, clerks, and other employees, in 100597
addition to their other duties, shall perform such services as the 100598
auditor directs in ascertaining such facts, description, location, 100599
character, dimensions of buildings and improvements, and other 100600
circumstances reflecting upon the value of real estate as will aid 100601
the auditor in fixing its true and taxable value and, in the case 100602
of land valued in accordance with section 5713.31 of the Revised 100603
Code, its current agricultural use value. The auditor may also 100604
summon and examine any person under oath in respect to any matter 100605
pertaining to the value of any real property within the county. 100606

Sec. 5715.17. When the county board of revision has completed 100607
its work of equalization and transmitted the returns to ~~him~~ the 100608
county auditor, the ~~county~~ auditor shall give notice by 100609
advertising in ~~two newspapers of opposite politics published in~~ 100610

and a newspaper of general circulation throughout the county that 100611
the tax returns for the current year have been revised and the 100612
valuations have been completed and are open for public inspection 100613
in ~~his~~ the auditor's office, and that complaints against any 100614
valuation or assessment, except the valuations fixed and 100615
assessments made by the department of taxation, will be heard by 100616
the board, stating in the notice the time and place of the meeting 100617
of such board. Such advertisement shall be inserted in a 100618
conspicuous place in ~~each~~ such newspaper and be published daily 100619
for ten days, ~~unless there is no daily newspaper published in and~~ 100620
~~of general circulation throughout such county, in which event such~~ 100621
~~advertisement shall be so published once each week for two weeks~~ 100622
or as provided in section 7.16 of the Revised Code. 100623

The auditor shall, upon request, furnish to any person a 100624
certificate setting forth the assessment and valuation of any 100625
tract, lot, or parcel of real estate or any specific personal 100626
property, and mail the same when requested to do so upon receipt 100627
of sufficient postage. 100628

The auditor shall furnish notice to boards of education of 100629
school districts within the county of all hearings, and the 100630
results of such hearings, held in regard to the reduction or 100631
increasing of tax valuations in excess of one hundred thousand 100632
dollars directly affecting the revenue of such district. 100633

Sec. 5715.23. Annually, immediately after the county board of 100634
revision has acted upon the assessments for the current year as 100635
required under section 5715.16 of the Revised Code and the county 100636
auditor has given notice by advertisement in ~~two newspapers a~~ 100637
newspaper of general circulation in the county that the valuations 100638
have been revised and are open for public inspection as provided 100639
in section 5715.17 of the Revised Code, each auditor shall make 100640
out and transmit to the tax commissioner an abstract of the real 100641

property of each taxing district in ~~his~~ the auditor's county, in 100642
which ~~he~~ the auditor shall set forth the aggregate amount and 100643
valuation of each class of real property in such county and in 100644
each taxing district therein as it appears on ~~his~~ the auditor's 100645
tax list or the statements and returns on file in ~~his~~ the 100646
auditor's office and an abstract of the current year's true value 100647
of land valued for such year under section 5713.31 of the Revised 100648
Code as it appears in the current year's agricultural land tax 100649
list. 100650

Sec. 5715.26. (A)(1) Upon receiving the statement required by 100651
section 5715.25 of the Revised Code, the county auditor shall 100652
forthwith add to or deduct from each tract, lot, or parcel of real 100653
property or class of real property the required percentage or 100654
amount of the valuation thereof, adding or deducting any sum less 100655
than five dollars so that the value of any separate tract, lot, or 100656
parcel of real property shall be ten dollars or some multiple 100657

(2) After making the additions or deductions required by this 100659
section, the auditor shall transmit to the tax commissioner the 100660
appropriate adjusted abstract of the real property of each taxing 100661
district in the auditor's county in which an adjustment was 100662
required. 100663

(3) If the commissioner increases or decreases the aggregate 100664
value of the real property or any class thereof in any county or 100665
taxing district thereof and does not receive within ninety days 100666
thereafter an adjusted abstract conforming to its statement for 100667
such county or taxing district therein, the commissioner shall 100668
withhold from such county or taxing district therein fifty per 100669
cent of its share in the distribution of state revenues to local 100670
governments pursuant to sections 5747.50 to 5747.55 of the Revised 100671
Code and shall direct the department of education to withhold 100672

therefrom fifty per cent of state revenues to school districts 100673
pursuant to ~~Chapters 3306.~~ and Chapter 3317. of the Revised Code. 100674
The commissioner shall withhold the distribution of such funds 100675
until such county auditor has complied with this division, and the 100676
department shall withhold the distribution of such funds until the 100677
commissioner has notified the department that such county auditor 100678
has complied with this division. 100679

(B)(1) If the commissioner's determination is appealed under 100680
section 5715.251 of the Revised Code, the county auditor, 100681
treasurer, and all other officers shall forthwith proceed with the 100682
levy and collection of the current year's taxes in the manner 100683
prescribed by law. The taxes shall be determined and collected as 100684
if the commissioner had determined under section 5715.24 of the 100685
Revised Code that the real property and the various classes 100686
thereof in the county as shown in the auditor's abstract were 100687
assessed for taxation and the true and agricultural use values 100688
were recorded on the agricultural land tax list as required by 100689
law. 100690

(2) If as a result of the appeal to the board it is finally 100691
determined either that all real property and the various classes 100692
thereof have not been assessed as required by law or that the 100693
values set forth in the agricultural land tax list do not 100694
correctly reflect the true and agricultural use values of the 100695
lands contained therein, the county auditor shall forthwith add to 100696
or deduct from each tract, lot, or parcel of real property or 100697
class of real property the required percentage or amount of the 100698
valuation in accordance with the order of the board or judgment of 100699
the court to which the board's order was appealed, and the taxes 100700
on each tract, lot, or parcel and the percentages required by 100701
section 319.301 of the Revised Code shall be recomputed using the 100702
valuation as finally determined. The order or judgment making the 100703
final determination shall prescribe the time and manner for 100704

collecting, crediting, or refunding the resultant increases or 100705
decreases in taxes. 100706

Sec. 5719.04. (A) Immediately after each settlement required 100707
by division (D) of section 321.24 of the Revised Code the county 100708
auditor shall make a tax list and duplicates thereof of all 100709
general personal and classified property taxes remaining unpaid, 100710
as shown by the county treasurer's books and the list of taxes 100711
returned as delinquent by the treasurer to the auditor at such 100712

taxes assessed by the tax commissioner pursuant to law which were 100714
not charged upon the tax lists and duplicates on which such 100715
settlements were made nor previously charged upon a delinquent tax 100716

duplicates shall contain the name of the person charged and the 100720
amount of such taxes, and the penalty, due and unpaid, and shall 100721

of December, annually. Upon receipt of the duplicate the treasurer 100725
may prepare and mail tax bills to all persons charged with such 100726
delinquent taxes. Each bill shall include a notice that the 100727
interest charge prescribed by section 5719.041 of the Revised Code 100728

The auditor shall cause a copy of the delinquent personal and 100730

cost of the second publication of the list shall not exceed 100738
three-fourths of the cost of the first publication of the list. 100739

Before such publication, the auditor shall cause a display 100740
notice of the forthcoming publication of such delinquent personal 100741
and classified property tax list to be inserted once a week for 100742
two consecutive weeks in a newspaper ~~published in the English~~ 100743

auditor to the newspaper selected to publish such delinquent tax 100746
lists simultaneously with the delivery of the duplicate to the 100747
treasurer. ~~If there is only one newspaper published in the county,~~ 100748
~~such display notice and delinquent personal and classified~~ 100749

taxpayer who prior to seven days before either the first or second 100758
publication of said list pays such taxes in full or enters into a 100759
delinquent tax contract to pay such taxes in installments pursuant 100760
to section 5719.05 of the Revised Code shall be stricken from such 100761
list, and the taxpayer's name shall not be included in the list 100762

The other such duplicate, from which shall first be 100764

to law, and by proper certificates cause the same to be added to 100782
the treasurer's delinquent tax duplicate provided for in this 100783
section, and, in proper cases, file notice of the lien with the 100784
recorder, as provided in this section. 100785

If the authority making any assessment believes that the 100786
collection of such taxes will be jeopardized by delay, such 100787
assessing authority shall so certify on the assessment certificate 100788
thereof, and the auditor shall include a certificate of such 100789
jeopardy in the certificate given by the auditor to the treasurer. 100790
In such event the treasurer shall proceed immediately to collect 100791
such taxes, and to enforce the collection thereof by any means 100792
provided by law, and the treasurer may not accept a tender of any 100793
part of such taxes; but the person or the representatives of the 100794
person against whom such assessment is made may, in the event of 100795
an appeal to the tax commissioner therefrom, obtain a stay of 100796
collection of the whole or any part of the amount of such 100797
assessment by filing with the treasurer a bond in an amount not 100798
exceeding double the amount as to which the stay is desired, with 100799
such surety as the treasurer deems necessary, conditioned upon the 100800

payment of the amount determined to be due by the decision of the 100801
commissioner which has become final, and further conditioned that 100802
if an appeal is not filed within the period provided by law, the 100803
amount of collection which is stayed by the bond will be paid on 100804
notice and demand of the treasurer at any time after the 100805
expiration of such period. The taxpayer may waive such stay as to 100806
the whole or any part of the amount covered by the bond, and if as 100807
the result of such waiver any part of the amount covered by the 100808
bond is paid, then the bond shall be proportionately reduced on 100809
the request of the taxpayer. 100810

(B) Immediately after each settlement required by division 100811
(D) of section 321.24 of the Revised Code the auditor shall make a 100812
separate list and duplicate, prepared as prescribed in division 100813
(A) of this section, of all general personal and classified 100814

pursuant to section 5711.32 of the Revised Code. The duplicate of 100816
such list shall be delivered to the treasurer at the time of 100817
delivery of the delinquent personal and classified property tax 100818

or the delinquent vacant land tax list shall be the name of the 100865

In either list, there may be included lands that have been 100872
omitted in error from a prior list and lands with respect to which 100873
the auditor has received a certification that a delinquent tax 100874

previously published list, provided the name of the owner was 100876
stricken from a prior list under section 5721.02 of the Revised 100877

(B)(1) The auditor shall cause the delinquent tax list and 100879

a tax certificate sale under section 5721.32 or 5721.33 of the 100910
Revised Code or assignment to a county land reutilization 100911
corporation, as the case may be, and shall include any other 100912
information that the auditor considers pertinent to the purpose of 100913
the notice. The display notices shall be furnished by the auditor 100914
to the ~~newspapers~~ newspaper selected to publish the lists at least 100915
ten days before their first publication. 100916

(2) Publication of the list or lists may be made by a 100917
newspaper in installments, provided the complete publication of 100918
each list is made twice during the sixty-day period. 100919

(3) There shall be attached to the delinquent tax list a 100920
notice that the delinquent lands will be certified for foreclosure 100921
by the auditor unless the taxes, assessments, interest, and 100922
penalties due and owing on them are paid. There shall be attached 100923
to the delinquent vacant land tax list, if it is to be published, 100924
a notice that delinquent vacant lands will be certified for 100925
foreclosure or foreclosure and forfeiture by the auditor unless 100926
the taxes, assessments, interest, and penalties due and owing on 100927

them are paid within twenty-eight days after the final publication 100928
of the notice. 100929

(4) The auditor shall review the first publication of each 100930
list for accuracy and completeness and may correct any errors 100931
appearing in the list in the second publication. 100932

display notices provided for by sections 5719.04 and 5721.03 of 100938
the Revised Code shall be paid from the county treasury as county 100939

make provision for them in the annual budget of the county 100941
submitted to the budget commission, and shall make the necessary 100942
appropriations. If the board fails to make such appropriations, or 100943
if an appropriation is insufficient to meet such an expense, any 100944
person interested may apply to the court of common pleas of the 100945
county for an allowance to cover the expense, and the court shall 100946
issue an order instructing the county auditor to issue ~~his~~ a 100947
warrant upon the county treasurer for the amount necessary. The 100948
order by the court shall be final and shall be complied with 100949
immediately. 100950

The aggregate amount paid ~~shall~~ for publication may be 100951
apportioned by the county auditor among the taxing districts in 100952
which the lands on each list are located in proportion to the 100953
amount of delinquent taxes so advertised in such subdivision, or 100954
the county auditor may charge the property owner of land on a list 100955
a flat fee established under section 319.54 of the Revised Code 100956
for the cost of publishing the list and, if the fee is not paid, 100957
may place the fee upon the tax duplicate as a lien on the land, to 100958

be collected as other taxes. Thereafter, the auditor, in making 100959
~~his~~ the auditor's semiannual apportionment of funds, shall retain 100960
at each semiannual apportionment one half the amount apportioned 100961
to each such taxing district. The amounts retained shall be 100962
credited to the general fund of the county until the aggregate of 100963
all amounts paid in the first instance out of the treasury have 100964
been fully reimbursed. 100965

Sec. 5721.18. The county prosecuting attorney, upon the 100966
delivery to the prosecuting attorney by the county auditor of a 100967
delinquent land or delinquent vacant land tax certificate, or of a 100968
master list of delinquent or delinquent vacant tracts, shall 100969
institute a foreclosure proceeding under this section in the name 100970
of the county treasurer to foreclose the lien of the state, in any 100971
court with jurisdiction or in the county board of revision with 100972
jurisdiction pursuant to section 323.66 of the Revised Code, 100973
unless the taxes, assessments, charges, penalties, and interest 100974
are paid prior to the time a complaint is filed, or unless a 100975
foreclosure or foreclosure and forfeiture action has been or will 100976
be instituted under section 323.25, sections 323.65 to 323.79, or 100977
section 5721.14 of the Revised Code. If the delinquent land or 100978
delinquent vacant land tax certificate or the master list of 100979
delinquent or delinquent vacant tracts lists minerals or rights to 100980
minerals listed pursuant to sections 5713.04, 5713.05, and 5713.06 100981
of the Revised Code, the county prosecuting attorney may institute 100982
a foreclosure proceeding in the name of the county treasurer, in 100983
any court with jurisdiction, to foreclose the lien of the state 100984
against such minerals or rights to minerals, unless the taxes, 100985
assessments, charges, penalties, and interest are paid prior to 100986
the time the complaint is filed, or unless a foreclosure or 100987
foreclosure and forfeiture action has been or will be instituted 100988
under section 323.25, sections 323.65 to 323.79, or section 100989
5721.14 of the Revised Code. 100990

The prosecuting attorney shall prosecute the proceeding to 100991
final judgment and satisfaction. Within ten days after obtaining a 100992
judgment, the prosecuting attorney shall notify the treasurer in 100993
writing that judgment has been rendered. If there is a copy of a 100994
written delinquent tax contract attached to the certificate or an 100995
asterisk next to an entry on the master list, or if a copy of a 100996
delinquent tax contract is received from the auditor prior to the 100997
commencement of the proceeding under this section, the prosecuting 100998
attorney shall not institute the proceeding under this section, 100999
unless the prosecuting attorney receives a certification of the 101000
treasurer that the delinquent tax contract has become void. 101001

(A) This division applies to all foreclosure proceedings not 101002
instituted and prosecuted under section 323.25 of the Revised Code 101003
or division (B) or (C) of this section. The foreclosure 101004
proceedings shall be instituted and prosecuted in the same manner 101005
as is provided by law for the foreclosure of mortgages on land, 101006
except that, if service by publication is necessary, such 101007
publication shall be made once a week for three consecutive weeks 101008
instead of as provided by the Rules of Civil Procedure, and the 101009
service shall be complete at the expiration of three weeks after 101010
the date of the first publication. In any proceeding prosecuted 101011
under this section, if the prosecuting attorney determines that 101012
service upon a defendant may be obtained ultimately only by 101013
publication, the prosecuting attorney may cause service to be made 101014
simultaneously by certified mail, return receipt requested, 101015
ordinary mail, and publication. 101016

In any county that has adopted a permanent parcel number 101017
system, the parcel may be described in the notice by parcel number 101018
only, instead of also with a complete legal description, if the 101019
prosecuting attorney determines that the publication of the 101020
complete legal description is not necessary to provide reasonable 101021
notice of the foreclosure proceeding to the interested parties. If 101022

the complete legal description is not published, the notice shall 101023
indicate where the complete legal description may be obtained. 101024

It is sufficient, having been made a proper party to the 101025
foreclosure proceeding, for the treasurer to allege in the 101026
treasurer's complaint that the certificate or master list has been 101027
duly filed by the auditor, that the amount of money appearing to 101028
be due and unpaid is due and unpaid, and that there is a lien 101029
against the property described in the certificate or master list, 101030
without setting forth in the complaint any other or special matter 101031
relating to the foreclosure proceeding. The prayer of the 101032
complaint shall be that the court or the county board of revision 101033
with jurisdiction pursuant to section 323.66 of the Revised Code 101034
issue an order that the property be sold or conveyed by the 101035
sheriff or otherwise be disposed of, and the equity of redemption 101036
be extinguished, according to the alternative redemption 101037
procedures prescribed in sections 323.65 to 323.79 of the Revised 101038
Code, or if the action is in the municipal court by the bailiff, 101039
in the manner provided in section 5721.19 of the Revised Code. 101040

In the foreclosure proceeding, the treasurer may join in one 101041
action any number of lots or lands, but the decree shall be 101042
rendered separately, and any proceedings may be severed, in the 101043
discretion of the court or board of revision, for the purpose of 101044
trial or appeal, and the court or board of revision shall make 101045
such order for the payment of costs as is considered proper. The 101046
certificate or master list filed by the auditor with the 101047
prosecuting attorney is prima-facie evidence at the trial of the 101048
foreclosure action of the amount and validity of the taxes, 101049
assessments, charges, penalties, and interest appearing due and 101050
unpaid and of their nonpayment. 101051

(B) Foreclosure proceedings constituting an action in rem may 101052
be commenced by the filing of a complaint after the end of the 101053
second year from the date on which the delinquency was first 101054

certified by the auditor. Prior to filing such an action in rem, 101055
the prosecuting attorney shall cause a title search to be 101056
conducted for the purpose of identifying any lienholders or other 101057
persons with interests in the property subject to foreclosure. 101058
Following the title search, the action in rem shall be instituted 101059
by filing in the office of the clerk of a court with jurisdiction 101060
a complaint bearing a caption substantially in the form set forth 101061
in division (A) of section 5721.181 of the Revised Code. 101062

Any number of parcels may be joined in one action. Each 101063
separate parcel included in a complaint shall be given a serial 101064
number and shall be separately indexed and docketed by the clerk 101065
of the court in a book kept by the clerk for such purpose. A 101066
complaint shall contain the permanent parcel number of each parcel 101067
included in it, the full street address of the parcel when 101068
available, a description of the parcel as set forth in the 101069
certificate or master list, the name and address of the last known 101070
owner of the parcel if they appear on the general tax list, the 101071
name and address of each lienholder and other person with an 101072
interest in the parcel identified in the title search relating to 101073
the parcel that is required by this division, and the amount of 101074
taxes, assessments, charges, penalties, and interest due and 101075
unpaid with respect to the parcel. It is sufficient for the 101076
treasurer to allege in the complaint that the certificate or 101077
master list has been duly filed by the auditor with respect to 101078
each parcel listed, that the amount of money with respect to each 101079
parcel appearing to be due and unpaid is due and unpaid, and that 101080
there is a lien against each parcel, without setting forth any 101081
other or special matters. The prayer of the complaint shall be 101082
that the court issue an order that the land described in the 101083
complaint be sold in the manner provided in section 5721.19 of the 101084
Revised Code. 101085

(1) Within thirty days after the filing of a complaint, the 101086

clerk of the court in which the complaint was filed shall cause a 101087
notice of foreclosure substantially in the form of the notice set 101088
forth in division (B) of section 5721.181 of the Revised Code to 101089
be published once a week for three consecutive weeks in a 101090
newspaper of general circulation in the county. The newspaper 101091
shall meet the requirements of section 7.12 of the Revised Code. 101092
In any county that has adopted a permanent parcel number system, 101093
the parcel may be described in the notice by parcel number only, 101094
instead of also with a complete legal description, if the 101095
prosecuting attorney determines that the publication of the 101096
complete legal description is not necessary to provide reasonable 101097
notice of the foreclosure proceeding to the interested parties. If 101098
the complete legal description is not published, the notice shall 101099
indicate where the complete legal description may be obtained. 101100

After the third publication, the publisher shall file with 101101
the clerk of the court an affidavit stating the fact of the 101102
publication and including a copy of the notice of foreclosure as 101103
published. Service of process for purposes of the action in rem 101104
shall be considered as complete on the date of the last 101105
publication. 101106

Within thirty days after the filing of a complaint and before 101107
the final date of publication of the notice of foreclosure, the 101108
clerk of the court also shall cause a copy of a notice 101109
substantially in the form of the notice set forth in division (C) 101110
of section 5721.181 of the Revised Code to be mailed by certified 101111
mail, with postage prepaid, to each person named in the complaint 101112
as being the last known owner of a parcel included in it, or as 101113
being a lienholder or other person with an interest in a parcel 101114
included in it. The notice shall be sent to the address of each 101115
such person, as set forth in the complaint, and the clerk shall 101116
enter the fact of such mailing upon the appearance docket. If the 101117
name and address of the last known owner of a parcel included in a 101118

complaint is not set forth in it, the auditor shall file an 101119
affidavit with the clerk stating that the name and address of the 101120
last known owner does not appear on the general tax list. 101121

(2)(a) An answer may be filed in an action in rem under this 101122
division by any person owning or claiming any right, title, or 101123
interest in, or lien upon, any parcel described in the complaint. 101124
The answer shall contain the caption and number of the action and 101125
the serial number of the parcel concerned. The answer shall set 101126
forth the nature and amount of interest claimed in the parcel and 101127
any defense or objection to the foreclosure of the lien of the 101128
state for delinquent taxes, assessments, charges, penalties, and 101129
interest as shown in the complaint. The answer shall be filed in 101130
the office of the clerk of the court, and a copy of the answer 101131
shall be served on the prosecuting attorney, not later than 101132
twenty-eight days after the date of final publication of the 101133
notice of foreclosure. If an answer is not filed within such time, 101134
a default judgment may be taken as to any parcel included in a 101135
complaint as to which no answer has been filed. A default judgment 101136
is valid and effective with respect to all persons owning or 101137
claiming any right, title, or interest in, or lien upon, any such 101138
parcel, notwithstanding that one or more of such persons are 101139
minors, incompetents, absentees or nonresidents of the state, or 101140
convicts in confinement. 101141

(b)(i) A receiver appointed pursuant to divisions (C)(2) and 101142
(3) of section 3767.41 of the Revised Code may file an answer 101143
pursuant to division (B)(2)(a) of this section, but is not 101144
required to do so as a condition of receiving proceeds in a 101145
distribution under division (B)(1) of section 5721.17 of the 101146
Revised Code. 101147

(ii) When a receivership under section 3767.41 of the Revised 101148
Code is associated with a parcel, the notice of foreclosure set 101149
forth in division (B) of section 5721.181 of the Revised Code and 101150

the notice set forth in division (C) of that section shall be 101151
modified to reflect the provisions of division (B)(2)(b)(i) of 101152
this section. 101153

(3) At the trial of an action in rem under this division, the 101154
certificate or master list filed by the auditor with the 101155
prosecuting attorney shall be prima-facie evidence of the amount 101156
and validity of the taxes, assessments, charges, penalties, and 101157
interest appearing due and unpaid on the parcel to which the 101158
certificate or master list relates and their nonpayment. If an 101159
answer is properly filed, the court may, in its discretion, and 101160
shall, at the request of the person filing the answer, grant a 101161
severance of the proceedings as to any parcel described in such 101162
answer for purposes of trial or appeal. 101163

(C) In addition to the actions in rem authorized under 101164
division (B) of this section and section 5721.14 of the Revised 101165
Code, an action in rem may be commenced under this division. An 101166
action commenced under this division shall conform to all of the 101167
requirements of division (B) of this section except as follows: 101168

(1) The prosecuting attorney shall not cause a title search 101169
to be conducted for the purpose of identifying any lienholders or 101170
other persons with interests in the property subject to 101171
foreclosure, except that the prosecuting attorney shall cause a 101172
title search to be conducted to identify any receiver's lien. 101173

(2) The names and addresses of lienholders and persons with 101174
an interest in the parcel shall not be contained in the complaint, 101175
and notice shall not be mailed to lienholders and persons with an 101176
interest as provided in division (B)(1) of this section, except 101177
that the name and address of a receiver under section 3767.41 of 101178
the Revised Code shall be contained in the complaint and notice 101179
shall be mailed to the receiver. 101180

(3) With respect to the forms applicable to actions commenced 101181

under division (B) of this section and contained in section 101182
5721.181 of the Revised Code: 101183

(a) The notice of foreclosure prescribed by division (B) of 101184
section 5721.181 of the Revised Code shall be revised to exclude 101185
any reference to the inclusion of the name and address of each 101186
lienholder and other person with an interest in the parcel 101187
identified in a statutorily required title search relating to the 101188
parcel, and to exclude any such names and addresses from the 101189
published notice, except that the revised notice shall refer to 101190
the inclusion of the name and address of a receiver under section 101191
3767.41 of the Revised Code and the published notice shall include 101192
the receiver's name and address. The notice of foreclosure also 101193
shall include the following in boldface type: 101194

"If pursuant to the action the parcel is sold, the sale shall 101195
not affect or extinguish any lien or encumbrance with respect to 101196
the parcel other than a receiver's lien and other than the lien 101197
for land taxes, assessments, charges, interest, and penalties for 101198
which the lien is foreclosed and in satisfaction of which the 101199
property is sold. All other liens and encumbrances with respect to 101200
the parcel shall survive the sale." 101201

(b) The notice to the owner, lienholders, and other persons 101202
with an interest in a parcel shall be a notice only to the owner 101203
and to any receiver under section 3767.41 of the Revised Code, and 101204
the last two sentences of the notice shall be omitted. 101205

(4) As used in this division, a "receiver's lien" means the 101206
lien of a receiver appointed pursuant to divisions (C)(2) and (3) 101207
of section 3767.41 of the Revised Code that is acquired pursuant 101208
to division (H)(2)(b) of that section for any unreimbursed 101209
expenses and other amounts paid in accordance with division (F) of 101210
that section by the receiver and for the fees of the receiver 101211
approved pursuant to division (H)(1) of that section. 101212

(D) If the prosecuting attorney determines that an action in rem under division (B) or (C) of this section is precluded by law, then foreclosure proceedings shall be filed pursuant to division (A) of this section, and the complaint in the action in personam shall set forth the grounds upon which the action in rem is precluded.

(E) The conveyance by the owner of any parcel against which a complaint has been filed pursuant to this section at any time after the date of publication of the parcel on the delinquent tax list but before the date of a judgment of foreclosure pursuant to section 5721.19 of the Revised Code shall not nullify the right of the county to proceed with the foreclosure.

Sec. 5721.30. As used in sections 5721.30 to 5721.43 of the Revised Code:

(A) "Tax certificate," "certificate," or "duplicate certificate" means a document that may be issued as a physical certificate, in book-entry form, or through an electronic medium, at the discretion of the county treasurer. Such document shall contain the information required by section 5721.31 of the Revised Code and shall be prepared, transferred, or redeemed in the manner prescribed by sections 5721.30 to 5721.43 of the Revised Code. As used in those sections, "tax certificate," "certificate," and "duplicate certificate" do not refer to the delinquent land tax certificate or the delinquent vacant land tax certificate issued under section 5721.13 of the Revised Code.

(B) "Certificate parcel" means the parcel of delinquent land that is the subject of and is described in a tax certificate.

(C) "Certificate holder" means a person, including a county land reutilization corporation, that purchases or otherwise acquires a tax certificate under section 5721.32, 5721.33, or 5721.42 of the Revised Code, or a person to whom a tax certificate

certificate respecting that parcel is sold or transferred, not 101250
including any delinquent taxes the lien for which has been 101251
conveyed to a certificate holder through a prior sale of a tax 101252
certificate respecting that parcel. Payment of the certificate 101253
purchase price in a sale under section 5721.33 of the Revised Code 101254
may be made wholly in cash or partially in cash and partially by 101255
noncash consideration acceptable to the county treasurer from the 101256
purchaser, and, in the case of a county land reutilization 101257
corporation, with notes. In the event that any such noncash 101258
consideration is delivered to pay a portion of the certificate 101259
purchase price, such noncash consideration may be subordinate to 101260
the rights of the holders of other obligations whose proceeds paid 101261
the cash portion of the certificate purchase price. 101262

the Revised Code; 101275

(b) Six per cent of the certificate purchase price.	101276
(2) If the certificate rate of interest equals zero, the certificate redemption price equals the certificate purchase price plus the fee charged by the county treasurer to the purchaser of the certificate under division (H) of section 5721.32 of the Revised Code.	101277 101278 101279 101280 101281
(F) With respect to a sale or transfer of tax certificates under section 5721.33 of the Revised Code, "certificate redemption price" means the amount equal to the sum of the following:	101282 101283 101284
(1) The certificate purchase price;	101285
(2) Interest accrued on the certificate purchase price at the certificate rate of interest from the date on which a tax certificate is delivered through and including the day immediately preceding the day on which the certificate redemption price is paid;	101286 101287 101288 101289 101290
(3) The fee, if any, charged by the county treasurer to the purchaser of the certificate under division (J) of section 5721.33 of the Revised Code;	101291 101292 101293

The certificate rate of interest shall not be less than zero per cent per year.	101296 101297 101298 101299 101300 101301 101302 101303 101304
(H) "Cash" means United States currency, certified checks,	101305

money orders, bank drafts, electronic transfer of funds, or other 101306
forms of payment authorized by the county treasurer, and excludes 101307

(I) "The date on which a tax certificate is sold or 101309
transferred," "the date the certificate was sold or transferred," 101310

section 5721.41 of the Revised Code, the period beginning on the 101322
date on which the certificate is purchased and, with respect to a 101323
tax certificate sold or transferred under section 5721.33 of the 101324
Revised Code, the period beginning on the date of delivery of the 101325
tax certificate, and in either case ending on one of the following 101326
dates: 101327

(1) The date the certificate holder files a request for 101328
foreclosure or notice of intent to foreclose under division (A) of 101329
section 5721.37 of the Revised Code and submits the payment 101330
required under division (B) of that section; 101331

Sec. 5721.31. (A)(1) After receipt of a duplicate of the 101375
delinquent land list compiled under section 5721.011 of the 101376
Revised Code, or a delinquent land list compiled previously under 101377
that section, the county treasurer may select from the list 101378
parcels of delinquent land the lien against which the county 101379
treasurer may attempt to transfer by the sale of tax certificates 101380
under sections 5721.30 to 5721.43 of the Revised Code. None of the 101381

(2) The county treasurer shall compile a separate list of 101390
parcels selected for tax certificate sales, including the same 101391
information as is required to be included in the delinquent land 101392
list. 101393

Upon compiling the list of parcels selected for tax 101394
certificate sales, the county treasurer may conduct a title search 101395
for any parcel on the list. 101396

(B)(1) Except as otherwise provided in division (B)(3) of 101397

this section, when tax certificates are to be sold under section 101398
5721.32 of the Revised Code with respect to parcels, the county 101399
treasurer shall send written notice by certified mail to either 101400
the owner of record or all interested parties discoverable through 101401
a title search, or both, of each parcel on the list. A notice to 101402
an owner shall be sent to the owner's last known tax-mailing 101403
address. The notice shall inform the owner or interested parties 101404
that a tax certificate will be offered for sale on the parcel, and 101405
that the owner or interested parties may incur additional expenses 101406
as a result of the sale. 101407

(2) Except as otherwise provided in division (B)(3) of this 101408
section, when tax certificates are to be sold or transferred under 101409

and may send such notice to all parties with an interest in the 101415
property that has been recorded in the property records of the 101416
county pursuant to section 317.08 of the Revised Code. The notice 101417

transfer on the parcel, and that the owner or interested parties 101419
may incur additional expenses as a result of the sale or transfer. 101420

(3) The county treasurer is not required to send a notice 101421
under division (B)(1) or (B)(2) of this section if the treasurer 101422
previously has attempted to send such notice to the owner of the 101423
parcel and the notice has been returned by the post office as 101424
undeliverable. The absence of a valid tax-mailing address for the 101425
owner of a parcel does not preclude the county treasurer from 101426
selling or transferring a tax certificate for the parcel. 101427

(C) The county treasurer shall advertise the sale of tax 101428
certificates under section 5721.32 of the Revised Code in a 101429

include the date, the time, and the place of the public auction, 101433
abbreviated legal descriptions of the parcels, and the names of 101434
the owners of record of the parcels. The advertisement also shall 101435
include the certificate purchase prices of the parcels or the 101436
total purchase price of tax certificates for sale in blocks of tax 101437
certificates. 101438

(D) After the county treasurer has compiled the list of 101439
parcels selected for tax certificate sales but before a tax 101440
certificate respecting a parcel is sold or transferred, if the 101441
owner of record of the parcel pays to the county treasurer in cash 101442
the delinquent taxes respecting the parcel or otherwise acts so 101443
that any condition in division (A)(1)(a), (b), or (c) of this 101444
section applies to the parcel, the owner of record of the parcel 101445
also shall pay a fee in an amount prescribed by the treasurer to 101446
cover the administrative costs of the treasurer under this section 101447
respecting the parcel. The fee shall be deposited in the county 101448
treasury to the credit of the tax certificate administration fund. 101449

(E) A tax certificate administration fund shall be created in 101450
the county treasury of each county selling tax certificates under 101451
sections 5721.30 to 5721.43 of the Revised Code. The fund shall be 101452
administered by the county treasurer, and used solely for the 101453
purposes of sections 5721.30 to 5721.43 of the Revised Code or as 101454
otherwise permitted in this division. Any fee received by the 101455
treasurer under sections 5721.30 to 5721.43 of the Revised Code 101456
shall be credited to the fund, except the bidder registration fee 101457
under division (B) of section 5721.32 of the Revised Code and the 101458
county prosecuting attorney's fee under division (B)(3) of section 101459
5721.37 of the Revised Code. To the extent there is a surplus in 101460
the fund from time to time, the surplus may, with the approval of 101461

the county treasurer, be utilized for the purposes of a county 101462
land reutilization corporation operating in the county. 101463

(F) The county treasurers of more than one county may jointly 101464
conduct a regional sale of tax certificates under section 5721.32 101465
of the Revised Code. A regional sale shall be held at a single 101466
location in one county, where the tax certificates from each of 101467
the participating counties shall be offered for sale at public 101468
auction. Before the regional sale, each county treasurer shall 101469
advertise the sale for the parcels in the treasurer's county as 101470
required by division (C) of this section. At the regional sale, 101471
tax certificates shall be sold on parcels from one county at a 101472
time, with all of the certificates for one county offered for sale 101473
before any certificates for the next county are offered for sale. 101474

(G) The tax commissioner shall prescribe the form of the tax 101475
certificate under this section, and county treasurers shall use 101476
the form so prescribed. 101477

Sec. 5721.32. (A) The sale of tax certificates by public 101478
auction may be conducted at any time after completion of the 101479
advertising of the sale under section 5721.31 of the Revised Code, 101480
on the date and at the time and place designated in the 101481
advertisements, and may be continued from time to time as the 101482
county treasurer directs. The county treasurer may offer the tax 101483
certificates for sale in blocks of tax certificates, consisting of 101484
any number of tax certificates as determined by the county 101485
treasurer, and may specify a certificate period of not less than 101486
three years and not more than six years. 101487

(B)(1) The sale of tax certificates under this section shall 101488
be conducted at a public auction by the county treasurer or a 101489
designee of the county treasurer. 101490

(2) No person shall be permitted to bid without completing a 101491
bidder registration form, in the form prescribed by the tax 101492

commissioner, and without filing the form with the county treasurer prior to the start of the auction, together with remittance of a registration fee, in cash, of five hundred dollars. The bidder registration form shall include a tax identification number of the registrant. The registration fee is refundable at the end of bidding on the day of the auction, unless the registrant is the winning bidder for one or more tax certificates or one or more blocks of tax certificates, in which case the fee may be applied toward the deposit required by this section.

(3) The county treasurer may require a person who wishes to bid on one or more parcels to submit a letter from a financial institution stating that the bidder has sufficient funds available to pay the purchase price of the parcels and a written authorization for the treasurer to verify such information with the financial institution. The county treasurer may require submission of the letter and authorization sufficiently in advance of the auction to allow for verification. No person who fails to submit the required letter and authorization, or whose financial institution fails to provide the requested verification, shall be permitted to bid.

(C) At the public auction, the county treasurer or the treasurer's designee or agent shall begin the bidding at eighteen per cent per year simple interest, and accept lower bids in even increments of one-fourth of one per cent to the rate of zero per cent. The county treasurer, designee, or agent shall award the tax certificate to the person bidding the lowest certificate rate of interest. The county treasurer shall decide which person is the winning bidder in the event of a tie for the lowest bid offered, or if a person contests the lowest bid offered. The county treasurer's decision is not appealable.

(D)(1) The winning bidder shall pay the county treasurer a

cash deposit of at least ten per cent of the certificate purchase 101525
price not later than the close of business on the day of the sale. 101526
The winning bidder shall pay the balance and the fee required 101527
under division (H) of this section not later than five business 101528
days after the day on which the certificate is sold. Except as 101529
provided under division (D)(2) of this section, if the winning 101530
bidder fails to pay the balance and fee within the prescribed 101531
time, the bidder forfeits the deposit, and the county treasurer 101532
shall retain the tax certificate and may attempt to sell it at any 101533
auction conducted at a later date. 101534

(2) At the request of a winning bidder, the county treasurer 101535
may release the bidder from the bidder's tax certificate purchase 101536
obligation. The county treasurer may retain all or any portion of 101537
the deposit of a bidder granted a release. After granting a 101538
release under this division, the county treasurer may award the 101539
tax certificate to the person that submitted the second lowest bid 101540
at the auction. 101541

(3) The county treasurer shall deposit the deposit forfeited 101542
or retained under divisions (D)(1) or (2) of this section in the 101543
county treasury to the credit of the tax certificate 101544
administration fund. 101545

(E) Upon receipt of the full payment of the certificate 101546
purchase price from the purchaser, the county treasurer shall 101547
issue the tax certificate and record the tax certificate sale by 101548
entering into a tax certificate register the certificate purchase 101549
price, the certificate rate of interest, the date the certificate 101550
was sold, the certificate period, the name and address of the 101551
certificate holder, and any other information the county treasurer 101552
considers necessary. The county treasurer may keep the tax 101553
certificate register in a hard-copy format or in an electronic 101554
format. The name and address of the certificate holder may be, 101555
upon receipt of instructions from the purchaser, that of the 101556

secured party of the actual purchaser, or an agent or custodian 101557
for the purchaser or secured party. The county treasurer also 101558
shall transfer the tax certificate to the certificate holder. The 101559
county treasurer shall apportion the part of the proceeds from the 101560
sale representing taxes, penalties, and interest among the several 101561
taxing districts in the same proportion that the amount of taxes 101562
levied by each district against the certificate parcel in the 101563
preceding tax year bears to the taxes levied by all such districts 101564
against the certificate parcel in the preceding tax year, and 101565
credit the part of the proceeds representing assessments and other 101566
charges to the items of assessments and charges in the order in 101567
which those items became due. Upon issuing a tax certificate, the 101568
delinquent taxes that make up the certificate purchase price are 101569
transferred, and the superior lien of the state and its taxing 101570
districts for those delinquent taxes is conveyed intact to the 101571
certificate holder. 101572

(F) If a tax certificate is offered for sale under this 101573
section but is not sold, the county treasurer may sell the 101574
certificate in a negotiated sale authorized under section 5721.33 101575
of the Revised Code, or may strike the corresponding certificate 101576
parcel from the list of parcels selected for tax certificate 101577
sales. The lien for taxes, assessments, charges, penalties, and 101578
interest against a parcel stricken from the list thereafter may be 101579
foreclosed in the manner prescribed by section 323.25, sections 101580
323.65 to 323.79, or section 5721.14 or 5721.18 of the Revised 101581
Code unless, prior to the institution of such proceedings against 101582
the parcel, the county treasurer restores the parcel to the list 101583
of parcels selected for tax certificate sales. 101584

(G) A certificate holder shall not be liable for damages 101585
arising from a violation of sections 3737.87 to 3737.891 or 101586
Chapter 3704., 3734., 3745., 3746., 3750., 3751., 3752., 6109., or 101587
6111. of the Revised Code, or a rule adopted or order, permit, 101588

license, variance, or plan approval issued under any of those 101589
chapters, that is or was committed by another person in connection 101590
with the parcel for which the tax certificate is held. 101591

(H) When selling a tax certificate under this section, the 101592
county treasurer shall charge a fee to the purchaser of the 101593
certificate. The county treasurer shall set the fee at a 101594
reasonable amount that covers the treasurer's costs of 101595
administering the sale of the tax certificate. The county 101596
treasurer shall deposit the fee in the county treasury to the 101597
credit of the tax certificate administration fund. 101598

(I) After selling a tax certificate under this section, the 101599
county treasurer shall send written notice by certified mail to 101600
the owner of the certificate parcel at the owner's last known 101601
tax-mailing address. The notice shall inform the owner that the 101602
tax certificate was sold, shall describe the owner's options to 101603
redeem the parcel, including entering into a redemption payment 101604
plan under division (C)(1) of section 5721.38 of the Revised Code, 101605
and shall name the certificate holder and its secured party, if 101606
any. However, the county treasurer is not required to send a 101607
notice under this division if the treasurer previously has 101608
attempted to send a notice to the owner of the parcel at the 101609
owner's last known tax-mailing address, and the postal service has 101610
returned the notice as undeliverable. 101611

(J) A tax certificate shall not be sold to the owner of the 101612
certificate parcel. 101613

Sec. 5721.37. ~~(A)(1) Division (A)(1) of this section applies 101614~~

certificate holder may file with the county treasurer a notice of 101624
intent to foreclose, on a form prescribed by the tax commissioner, 101625
provided the certificate parcel has not been redeemed under 101626
division (A) or (C) of section 5721.38 of the Revised Code and at 101627
least one certificate respecting the certificate parcel, held by 101628
the certificate holder filing the request for foreclosure or 101629
notice of intent to foreclose and eligible to be enforced through 101630
a foreclosure proceeding, has not been voided under section 101631
5721.381 of the Revised Code. If the certificate holder is a 101632
county land reutilization corporation, the corporation may 101633
institute a foreclosure action under the statutes pertaining to 101634
the foreclosure of mortgages or as permitted under sections 323.65 101635

tax certificate. 101637

~~(2) Division (A)(2) of this section applies to tax 101638
certificates purchased under section 5721.33 of the Revised Code 101639

earlier or later than the dates negotiated by the county treasurer 101646
and specified in the tax certificate sale/purchase agreement, the 101647
certificate holder may file with the county treasurer a request 101648
for foreclosure, or a private attorney on behalf of a certificate 101649
holder other than a county land reutilization corporation may file 101650
with the county treasurer a notice of intent to foreclose, on a 101651
form prescribed by the tax commissioner, provided the parcel has 101652~~

~~not been redeemed under division (A) or (C) of section 5721.38 of

pertaining to the foreclosure of mortgages or as permitted under
sections 323.65 to 323.79 of the Revised Code at any time after it

~~(3)(a) Division (A)(3)(a) of this section applies to a tax
certificate purchased under section 5721.32 of the Revised Code,
or under section 5721.42 of the Revised Code by the holder of a
certificate issued under section 5721.32 of the Revised Code, and
not held by a county land reutilization corporation. If, before
the expiration of six years after the date a tax certificate was
sold, the owner of the property for which the certificate was sold
files a petition in bankruptcy, the county treasurer, upon being
notified of the filing of the petition, shall notify the
certificate holder by ordinary first class or certified mail or by
binary means of the filing of the petition. It is the obligation
of the certificate holder to file a proof of claim with the
bankruptcy court to protect the holder's interest in the
certificate parcel. The last day on which the certificate holder
may file a request for foreclosure or the private attorney may
file a notice of intent to foreclose is the later of six years
after the date the certificate was sold or one hundred eighty days
after the certificate parcel is no longer property of the
bankruptcy estate; however, the six year period measured from the
date the certificate was sold is tolled while the property owner's
bankruptcy case remains open.~~

~~(e)~~ Interest at the certificate rate of interest continues to accrue during any extension of time required by division ~~(A)(3)(a)~~ or (b)(A)(2) of this section unless otherwise provided under Title 11 of the United States Code.

~~(4)~~(3) If, before the expiration of three years from the date a tax certificate was sold, the owner of property for which the certificate was sold applies for an exemption under section 3735.67 or 5715.27 of the Revised Code or under any other section of the Revised Code under the jurisdiction of the director of environmental protection, the county treasurer shall notify the certificate holder by ordinary first-class or certified mail or by binary means of the filing of the application. certificate holder filing the request for foreclosure and eligible 101757
to be enforced through a foreclosure proceeding, has not been 101758
voided under section 5721.381 of the Revised Code, the county 101759
treasurer, within five days after receiving a foreclosure request 101760
and the payment required under division (B) of this section, shall 101761
certify notice to that effect to the county prosecuting attorney 101762
and shall provide a copy of the foreclosure request. The county 101763
treasurer also shall send notice by ordinary first class or 101764
certified mail to all certificate holders other than the 101765

been requested by a certificate holder and that payment for the 101767
tax certificates is forthcoming. Within ninety days of receiving 101768
the copy of the foreclosure request, the prosecuting attorney 101769
shall commence a foreclosure proceeding in the name of the county 101770
treasurer in the manner provided under section 323.25, sections 101771
323.65 to 323.79, or section 5721.14 or 5721.18 of the Revised 101772
Code, to enforce the lien vested in the certificate holder by the 101773
certificate. The prosecuting attorney shall attach to the 101774

treasurer also shall send notice by ordinary first class or 101787
certified mail or by binary means to all certificate holders other 101788
than the certificate holder represented by the attorney that a 101789
notice of intent to foreclose has been filed and that payment for 101790
the tax certificates is forthcoming. After receipt of the 101791
treasurer's certification and not later than one hundred twenty 101792
days after the filing of the intent to foreclose or the number of 101793
days specified under the terms of a negotiated sale under section 101794
5721.33 of the Revised Code, the private attorney shall commence a 101795
foreclosure proceeding in the name of the certificate holder in 101796
the manner provided under division (F) of this section to enforce 101797
the lien vested in the certificate holder by the certificate. The 101798
private attorney shall attach to the complaint the notice of 101799
intent to foreclose and the county treasurer's written 101800
certification. 101801

under division (B)(1) of this section to the tax certificate 101803

section shall be distributed to the taxing districts to which the 101807
delinquent and unpaid amounts are owed. The county treasurer shall 101808

section ~~or as specified under the terms of a negotiated sale under~~ 101849
~~section 5721.33 of the Revised Code~~, and during that time the 101850
certificate has not been voided under section 5721.381 of the 101851
Revised Code and the certificate parcel has not been redeemed or 101852
foreclosed upon, the certificate holder's lien against the parcel 101853
is canceled and the certificate is voided, subject to division 101854
~~(E)(2)(b)~~ (E)(2) of this section. 101855

~~(b)(2)~~ In the case of any tax certificate purchased under 101856
section ~~5721.33~~ 5721.32 of the Revised Code or under section 101857
5721.42 of the Revised Code by the holder of a certificate issued 101858
under section 5721.32 of the Revised Code prior to ~~October 10,~~ 101859
~~2000~~ June 24, 2008, the county treasurer, upon application by the 101860
certificate holder, may sell to the certificate holder a new 101861
certificate extending the three-year period prescribed by division 101862
~~(E)(2)(E)(1)~~ of this section, as that division existed prior to 101863
~~October 10, 2000~~ that date, to six years after the date shown on 101864
the original certificate as the date it was sold or any extension 101865
of that date. 101866

~~(3)~~ The county treasurer and the certificate holder shall 101867
negotiate the premium, in cash, to be paid for a new certificate 101868
sold under division ~~(E)(1)(b) or (2)(b)~~ (E)(2) of this section. If 101869
the county treasurer and certificate holder do not negotiate a 101870
mutually acceptable premium, the county treasurer and certificate 101871
holder may agree to engage a person experienced in the valuation 101872
of financial assets to appraise a fair premium for the new 101873
certificate. The certificate holder has the option to purchase the 101874
new certificate for the fair premium so appraised. Not less than 101875
one-half of the fee of the person so engaged shall be paid by the 101876
certificate holder requesting the new certificate; the remainder 101877

of the fee shall be paid from the proceeds of the sale of the new 101878
certificate. If the certificate holder does not purchase the new 101879
certificate for the premium so appraised, the certificate holder 101880
shall pay the entire fee. The county treasurer shall credit the 101881
remaining proceeds from the sale to the items of taxes, 101882
assessments, penalties, interest, and charges in the order in 101883
which they became due. 101884

~~(4)~~ A certificate issued under division ~~(E)(1)(b)~~ or 101885
~~(2)(b)(E)(2)~~ of this section vests in the certificate holder and 101886
its secured party, if any, the same rights, interests, privileges, 101887
and immunities as are vested by the original certificate under 101888
sections 5721.30 to 5721.43 of the Revised Code. The certificate 101889
shall be issued in the same form as the form prescribed for the 101890
original certificate issued except for any modifications 101891
necessary, in the county treasurer's discretion, to reflect the 101892
extension under this division of the certificate holder's lien to 101893
six years after the date shown on the original certificate as the 101894
date it was sold or any extension of that date. The certificate 101895
holder may record a certificate issued under division ~~(E)(1)(b)~~ or 101896
~~(2)(b)(E)(2)~~ of this section or memorandum thereof as provided in 101897
division (B) of section 5721.35 of the Revised Code, and the 101898
county recorder shall index the certificate and record any 101899
subsequent cancellation of the lien as provided in that section. 101900
The sale of a certificate extending the lien under division 101901
~~(E)(1)(b)~~ or ~~(2)(b)(E)(2)~~ of this section does not impair the 101902
right of redemption of the owner of record of the certificate 101903
parcel or of any other person entitled to redeem the property. 101904

~~(5)~~(3) If the holder of a certificate purchased under section 101905
5721.32, 5721.33, or 5721.42 of the Revised Code submits a notice 101906
of intent to foreclose to the county treasurer but fails to file a 101907
foreclosure action in a court of competent jurisdiction within the 101908
time specified in division (C)(2) of this section, the liens 101909

represented by all tax certificates respecting the certificate 101910
parcel held by that certificate holder, and for which the deadline 101911
for filing a notice of intent to foreclose has passed, are 101912
canceled and the certificates voided, and the certificate holder 101913
forfeits the payment of the amounts described in division (B)(2) 101914
of this section. 101915

(F) With respect to tax certificates purchased under section 101916
5721.32, 5721.33, or 5721.42 of the Revised Code, upon the 101917
delivery to the private attorney by the county treasurer of the 101918
certification provided for under division (C)(2) of this section, 101919
the private attorney shall institute a foreclosure proceeding 101920
under this division in the name of the certificate holder to 101921
enforce the holder's lien, in any court or board of revision with 101922
jurisdiction, unless the certificate redemption price is paid 101923
prior to the time a complaint is filed. The attorney shall 101924
prosecute the proceeding to final judgment and satisfaction, 101925
whether through sale of the property or the vesting of title and 101926
possession in the certificate holder or other disposition under 101927
sections 323.65 to 323.79 of the Revised Code or as may otherwise 101928
be provided by law. 101929

The foreclosure proceedings under this division, except as 101930
otherwise provided in this division, shall be instituted and 101931
prosecuted in the same manner as is provided by law for the 101932
foreclosure of mortgages on land, except that, if service by 101933
publication is necessary, such publication shall be made once a 101934
week for three consecutive weeks and the service shall be complete 101935
at the expiration of three weeks after the date of the first 101936
publication. 101937

Any notice given under this division shall include the name 101938
of the owner of the parcel as last set forth in the records of the 101939
county recorder, the owner's last known mailing address, the 101940
address of the subject parcel if different from that of the owner, 101941

and a complete legal description of the subject parcel. In any 101942
county that has adopted a permanent parcel number system, such 101943
notice may include the permanent parcel number in addition to a 101944
complete legal description. 101945

It is sufficient, having been made a proper party to the 101946
foreclosure proceeding, for the certificate holder to allege in 101947
such holder's complaint that the tax certificate has been duly 101948
purchased by the certificate holder, that the certificate 101949
redemption price is due and unpaid, that there is a lien against 101950
the property described in the tax certificate, and, if applicable, 101951
that the certificate holder desires to invoke the alternative 101952
redemption period prescribed in sections 323.65 to 323.79 of the 101953
Revised Code, without setting forth in such holder's complaint any 101954
other special matter relating to the foreclosure proceeding. The 101955
complaint shall pray for an order directing the sheriff, or the 101956
bailiff if the complaint is filed in municipal court, to offer the 101957
property for sale in the manner provided in section 5721.19 of the 101958
Revised Code or otherwise transferred according to any applicable 101959
procedures provided in sections 323.65 to 323.79 of the Revised 101960
Code, unless the complaint documents that the county auditor has 101961
determined that the true value of the certificate parcel is less 101962
than the certificate purchase price. In that case, the prayer of 101963
the complaint shall request that fee simple title to the property 101964
be transferred to and vested in the certificate holder free and 101965
clear of all subordinate liens. 101966

In the foreclosure proceeding, the certificate holder may 101967
join in one action any number of tax certificates relating to the 101968
same owner. However, the decree for each tax certificate shall be 101969
rendered separately and any proceeding may be severed, in the 101970
discretion of the court or board of revision, for the purpose of 101971
trial or appeal. Except as may otherwise be provided in sections 101972
323.65 to 323.79 of the Revised Code, upon confirmation of sale, 101973

the court or board of revision shall order payment of all costs 101974
related directly or indirectly to the tax certificate, including, 101975
without limitation, attorney's fees of the holder's attorney in 101976
accordance with section 5721.371 of the Revised Code. The tax 101977
certificate purchased by the certificate holder is presumptive 101978
evidence in all courts and boards of revision and in all 101979
proceedings, including, without limitation, at the trial of the 101980
foreclosure action, of the amount and validity of the taxes, 101981
assessments, charges, penalties by the court and added to such 101982
principal amount, and interest appearing due and unpaid and of 101983
their nonpayment. 101984

(G) If a parcel is sold under this section, the officer who 101985
conducted the sale shall collect the recording fee from the 101986
purchaser at the time of the sale and, following confirmation of 101987
the sale, shall prepare and record the deed conveying the title to 101988
the parcel to the purchaser. 101989

Sec. 5721.38. (A) At any time prior to payment to the county 101990
treasurer by the certificate holder to initiate foreclosure 101991
proceedings under division (B) of section 5721.37 of the Revised 101992
Code, the owner of record of the certificate parcel, or any other 101993
person entitled to redeem that parcel, may redeem the parcel by 101994
paying to the county treasurer an amount equal to the total of the 101995
certificate redemption prices of all tax certificates respecting 101996
that parcel. 101997

(B) At any time after payment to the county treasurer by the 101998
certificate holder to initiate foreclosure proceedings under 101999
section 5721.37 of the Revised Code, and before the filing of the 102000
entry of confirmation of sale of a certificate parcel, or the 102001
expiration of the alternative redemption period defined in section 102002
323.65 of the Revised Code under foreclosure proceedings filed by 102003
the county prosecuting attorney, and before the decree conveying 102004

title to the certificate holder is rendered as provided for in 102005
division (F) of section 5721.37 of the Revised Code, the owner of 102006
record of the certificate parcel or any other person entitled to 102007
redeem that parcel may redeem the parcel by paying to the county 102008
treasurer the sum of the following amounts: 102009

(1) The amount described in division (A) of this section; 102010

(2) Interest on the certificate purchase price for each tax 102011
certificate sold respecting the parcel at the rate of eighteen per 102012
cent per year for the period beginning on the day on which the 102013
payment was submitted by the certificate holder and ending on the 102014
day the parcel is redeemed under this division; 102015

(3) An amount equal to the sum of the county prosecuting 102016
attorney's fee under division (B)(3) of section 5721.37 of the 102017
Revised Code plus interest on that amount at the rate of eighteen 102018
per cent per year beginning on the day on which the payment was 102019
submitted by the certificate holder and ending on the day the 102020
parcel is redeemed under this division. If the parcel is redeemed 102021
before the complaint has been filed, the prosecuting attorney 102022
shall adjust the fee to reflect services performed to the date of 102023
redemption, and the county treasurer shall calculate the interest 102024
based on the adjusted fee and refund any excess fee to the 102025
certificate holder. 102026

(4) Reasonable attorney's fees in accordance with section 102027
5721.371 of the Revised Code if the certificate holder retained a 102028
private attorney to foreclose the lien; 102029

(5) Any other costs and fees of the proceeding allocable to 102030
the certificate parcel as determined by the court or board of 102031
revision. 102032

The county treasurer may collect the total amount due under 102033
divisions (B)(1) to (5) of this section in the form of guaranteed 102034
funds acceptable to the treasurer. Immediately upon receipt of 102035

such payments, the county treasurer shall reimburse the 102036
certificate holder who initiated foreclosure proceedings as 102037
provided in division (D) of this section. The county treasurer 102038
shall pay the certificate holder interest at the rate of eighteen 102039
per cent per year on amounts paid under divisions (B)(2) and (3) 102040
of section 5721.37 of the Revised Code, beginning on the day the 102041
certificate holder paid the amounts under those divisions and 102042
ending on the day the parcel is redeemed under this section. 102043

(C)(1) During the period beginning on the date a tax 102044
certificate is sold under section 5721.32 of the Revised Code and 102045
ending one year from that date, the county treasurer may enter 102046
into a redemption payment plan with the owner of record of the 102047
certificate parcel or any other person entitled to redeem that 102048
parcel. The plan shall require the owner or other person to pay 102049
the certificate redemption price for the tax certificate in 102050
installments, with the final installment due no later than one 102051
year after the date the tax certificate is sold. The certificate 102052
holder may at any time, by written notice to the county treasurer, 102053
agree to accept installments collected to the date of notice as 102054
payment in full. Receipt of such notice by the treasurer shall 102055
constitute satisfaction of the payment plan and redemption of the 102056
tax certificate. 102057

(2) During the period beginning on the date a tax certificate 102058
is sold under section 5721.33 of the Revised Code and ending on 102059
the date the decree is rendered on the foreclosure proceeding 102060
under division (F) of section 5721.37 of the Revised Code, the 102061
owner of record of the certificate parcel, or any other person 102062
entitled to redeem that parcel, may enter into a redemption 102063
payment plan with the certificate holder and all secured parties 102064
of the certificate holder. The plan shall require the owner or 102065
other person to pay the certificate redemption price for the tax 102066
certificate, an administrative fee not to exceed one hundred 102067

dollars per year, and the actual fees and costs incurred, in 102068
installments, with the final installment due no later than ~~six~~ 102069
~~years after the date the tax certificate is sold~~ the expiration of 102070
the certificate period. The certificate holder shall give written 102071
notice of the plan to the applicable county treasurer within sixty 102072
days after entering into the plan and written notice of default 102073
under the plan within ninety days after the default. If such a 102074
plan is entered into, the time period for filing a request for 102075
foreclosure or a notice of intent to foreclose under section 102076
5721.37 of the Revised Code is extended by the length of time the 102077
plan is in effect and not in default. 102078

(D)(1) Immediately upon receipt of full payment under 102079
division (A) or (B) of this section, the county treasurer shall 102080
make an entry to that effect in the tax certificate register, 102081
credit the payment to the tax certificate redemption fund created 102082
in the county treasury, and shall notify the certificate holder or 102083
holders by ordinary first class or certified mail or by binary 102084
means that the parcel has been redeemed and the lien or liens 102085
canceled, and that payment on the certificate or certificates is 102086
forthcoming. The treasurer shall pay the tax certificate holder or 102087
holders promptly. 102088

The county treasurer shall administer the tax certificate 102089
redemption fund for the purpose of redeeming tax certificates. 102090
Interest earned on the fund shall be credited to the county 102091
general fund. If the county has established a county land 102092
reutilization corporation, the county treasurer may apply interest 102093
earned on the fund to the payment of the expenses of such 102094
corporation. 102095

(2) If a redemption payment plan is entered into pursuant to 102096
division (C)(1) of this section, the county treasurer immediately 102097
shall notify each certificate holder by ordinary first class or 102098
certified mail or by binary means of the terms of the plan. 102099

Installment payments made pursuant to the plan shall be deposited 102100
in the tax certificate redemption fund. Any overpayment of the 102101
installments shall be refunded to the person responsible for 102102
causing the overpayment if the person applies for a refund under 102103
this section. If the person responsible for causing the 102104
overpayment fails to apply for a refund under this section within 102105
five years from the date the plan is satisfied, an amount equal to 102106
the overpayment shall be deposited into the general fund of the 102107
county. If the county has established a county land reutilization 102108
corporation, the county treasurer may apply such overpayment to 102109
the payment of the expenses of the corporation. 102110

Upon satisfaction of the plan, the county treasurer shall 102111
indicate in the tax certificate register that the plan has been 102112
satisfied, and shall notify each certificate holder by ordinary 102113
first class or certified mail or by binary means that the plan has 102114
been satisfied and that payment on the certificate or certificates 102115
is forthcoming. The treasurer shall pay each certificate holder 102116
promptly. 102117

If a redemption payment plan becomes void, the county 102118
treasurer shall notify each certificate holder by ordinary first 102119
class or certified mail or by binary means. If a certificate 102120
holder files a request for foreclosure under section 5721.37 of 102121
the Revised Code, upon the filing of the request for foreclosure, 102122
any money paid under the plan shall be refunded to the person that 102123
paid the money under the plan. 102124

(3) Upon receipt of the payment required under division 102125
(B)(1) of section 5721.37 of the Revised Code, the treasurer shall 102126
pay all other certificate holders and indicate in the tax 102127
certificate register that such certificates have been satisfied. 102128
If a county has organized a county land reutilization corporation, 102129
the county treasurer may apply the redemption price and any 102130
applicable interest payable under division (B) of this section to 102131

the payment of the expenses of the corporation. 102132

Sec. 5721.42. After the settlement required under division 102133
(C) of section 321.24 of the Revised Code, the county treasurer 102134
shall notify the certificate holder of the most recently issued 102135
tax certificate, by ordinary first class or certified mail or by 102136
binary means, that the certificate holder may purchase a 102137
subsequent tax certificate by paying all delinquent taxes on the 102138
related certificate parcel, the lien against which has not been 102139
transferred by the sale of a tax certificate. During the thirty 102140
days after receiving the notice, the certificate holder possesses 102141
the exclusive right to purchase the subsequent tax certificate by 102142
paying those amounts to the county treasurer. The amount of the 102143
payment shall constitute a separate lien against the certificate 102144
parcel that shall be evidenced by the issuance by the treasurer to 102145
the certificate holder of an additional tax certificate with 102146
respect to the delinquent taxes so paid on the related certificate 102147
parcel. The amount of the payment as set forth in the tax 102148
certificate shall earn interest at the rate of eighteen per cent 102149
per year. The certificate period of each subsequent tax 102150
certificate shall terminate on the expiration date of the 102151
certificate period of the most recent tax certificate for the same 102152
certificate parcel. 102153

Sec. 5722.13. Real property acquired and held by an electing 102154
subdivision pursuant to this chapter that is not sold or otherwise 102155
transferred within fifteen years after such acquisition shall be 102156
offered for sale at public auction during the sixteenth year after 102157
acquisition. If the real property is not sold at that time, it may 102158
be disposed of or retained for any lawful purpose without further 102159
application of this chapter. 102160

Notice of the sale shall contain a description of each 102161
parcel, the permanent parcel number, and the full street address 102162

when available. The notice shall be published once a week for 102163
three consecutive weeks prior to the sale in a newspaper of 102164
general circulation within the electing subdivision. The newspaper 102165
shall meet the requirements of section 7.12 of the Revised Code. 102166

Each parcel subsequent to the fifteenth year after its 102167
acquisition as part of a land reutilization program shall be sold 102168
for an amount equal to not less than the greater of: 102169

(A) Two-thirds of its fair market value; 102170

(B) The total amount of accrued taxes, assessments, 102171
penalties, interest, charges, and costs incurred by the electing 102172
subdivision in the acquisition, maintenance, and disposal of each 102173
parcel and the parcel's share of the costs and expenses of the 102174
land reutilization program. 102175

The sale requirements of this section do not apply to real 102176
property acquired and held by a county land reutilization 102177
corporation. 102178

Sec. 5723.05. If the taxes, assessments, charges, penalties, 102179
interest, and costs due on the forfeited lands have not been paid 102180
when the county auditor fixes the date for the sale of forfeited 102181
lands, the auditor shall give notice of them once a week for two 102182
consecutive weeks prior to the date fixed by the auditor for the 102183
sale, ~~in two newspapers~~ as provided in section 5721.03 of the 102184
Revised Code. The notice shall state that if the taxes, 102185
assessments, charges, penalties, interest, and costs charged 102186
against the lands forfeited to the state for nonpayment of taxes 102187
are not paid into the county treasury, and the county treasurer's 102188
receipt produced for the payment before the time specified in the 102189
notice for the sale of the lands, which day shall be named in the 102190
notice, each forfeited tract on which the taxes, assessments, 102191
charges, penalties, interest, and costs remain unpaid will be 102192
offered for sale beginning on the date set by the auditor, at the 102193

courthouse in the county, in order to satisfy the unpaid taxes, 102194
assessments, charges, penalties, interest, and costs, and that the 102195
sale will continue from day to day until each of the tracts is 102196
sold or offered for sale. 102197

The notice also shall state that, if the forfeited land is 102198
sold for an amount that is less than the amount of the delinquent 102199
taxes, assessments, charges, penalties, and interest against it, 102200
and, if division (B)(2) of section 5721.17 of the Revised Code is 102201
applicable, any notes issued by a receiver pursuant to division 102202
(F) of section 3767.41 of the Revised Code and any receiver's lien 102203
as defined in division (C)(4) of section 5721.18 of the Revised 102204
Code, the court, in a separate order, may enter a deficiency 102205
judgment against the last owner of record of the land before its 102206
forfeiture to the state, for the amount of the difference; and 102207
that, if that owner of record is a corporation, the court may 102208
enter the deficiency judgment against the stockholder holding a 102209
majority of that corporation's stock. 102210

Sec. 5725.151. (A) As used in this section, "certificate 102211
owner" has the same meaning as in section 149.311 of the Revised 102212
Code. 102213

(B) There is allowed a credit against the tax imposed by 102214
section 5707.03 and assessed under section 5725.15 of the Revised 102215
Code for a dealer in intangibles subject to that tax that is a 102216
certificate owner of a rehabilitation tax credit certificate 102217
issued under section 149.311 of the Revised Code. The credit shall 102218
equal twenty-five per cent of the dollar amount indicated on the 102219
certificate, but the amount of the credit allowed for any dealer 102220
for any year shall not exceed five million dollars. The credit 102221
shall be claimed in the calendar year specified in the 102222
certificate. If the credit exceeds the amount of tax otherwise due 102223
in that year, the excess shall be refunded to the dealer but, if 102224

any amount of the credit is refunded, the sum of the amount 102225
refunded and the amount applied to reduce the tax otherwise due in 102226
that year shall not exceed three million dollars. The dealer may 102227
carry forward any balance of the credit in excess of the amount 102228
claimed in that year for not more than five ensuing years, and 102229

fixed-sum levy loss reimbursed pursuant to division ~~(E)~~(F) of 102781
section 5727.85 of the Revised Code or division (A)(2) of section 102782

taxing district, the fixed-rate levy loss calculated under 102802
division (G) of this section, and the fixed-sum levy loss 102803
calculated under division (H) of this section. The calculations 102804
under divisions (G) and (H) of this section shall separately 102805
display the levy loss for each levy eligible for reimbursement. 102806

(K) Not later than September 1, 2001, the tax commissioner 102807
shall certify the amount of the fixed-sum levy loss to the county 102808

fixed-rate levy losses from electric company tax value losses 103160
certified under division (A) of this section in years 2002 to ~~2016~~ 103161
2010. Beginning in 2011, payments for such local taxing units 103162
shall be determined under division (A)(1) of this section. 103163

(4) For taxes levied within the ten-mill limitation or 103164
pursuant to a municipal charter for debt purposes in tax year 1998 103165
in the case of electric company tax value losses, and in tax year 103166
1999 in the case of natural gas company tax value losses, payments 103167
shall be made equal to one hundred per cent of the loss computed 103168
as if the tax were a fixed-rate levy, but those payments shall 103169
extend from ~~fiscal year 2006~~ 2011 through ~~fiscal year 2016~~ if the 103170
levy was imposed for debt purposes in tax year 2010. If the levy 103171
is not imposed for debt purposes in tax year 2010 or any following 103172
tax year before tax year 2016, payments for that levy shall be 103173
made under division (A)(1) of this section beginning with the 103174
first year after the year the levy is imposed for a purpose other 103175
than debt. For the purposes of this division, taxes levied 103176
pursuant to a municipal charter refer to taxes levied pursuant to 103177
a provision of a municipal charter that permits the tax to be 103178
levied without prior voter approval. 103179

(B) Beginning in 2003, by the thirty-first day of January of 103180
each year, the tax commissioner shall review the calculation 103181
originally made under division (A) of this section of the 103182
fixed-sum levy loss determined under division (H) of section 103183
5727.84 of the Revised Code. If the commissioner determines that a 103184
fixed-sum levy that had been scheduled to be reimbursed in the 103185

current year has expired, a revised calculation for that and all 103186
subsequent years shall be made. 103187

(C) Payments to local taxing units required to be made under 103188
divisions (A) and (E) of this section shall be paid from the local 103189
government property tax replacement fund to the county undivided 103190
income tax fund in the proper county treasury. ~~One half of the~~ 103191
~~amount certified under those divisions shall be paid between the~~ 103192
~~twenty first and twenty eighth days of August and of February.~~ The 103193
county treasurer shall distribute amounts paid under division (A) 103194
of this section to the proper local taxing unit as if they had 103195
been levied and collected as taxes, and the local taxing unit 103196
shall apportion the amounts so received among its funds in the 103197
same proportions as if those amounts had been levied and collected 103198
as taxes. Except in the case of amounts distributed to the county 103199
as a local taxing unit, amounts distributed under division (E)(2) 103200
of this section shall be credited to the general fund of the local 103201
taxing unit that receives them. Amounts distributed to each county 103202
as a local taxing unit under division (E)(2) of this section shall 103203
be credited in the proportion that the current taxes charged and 103204
payable from each levy of or by the county bears to the total 103205
current taxes charged and payable from all levies of or by the 103206
county. 103207

(D) By February 5, 2002, the tax commissioner shall estimate 103208
the amount of money in the local government property tax 103209
replacement fund in excess of the amount necessary to make 103210
payments in that month under division (C) of this section. 103211
Notwithstanding division (A) of this section, the tax commissioner 103212
may pay any local taxing unit, from those excess funds, nine and 103213
four-tenths times the amount computed for 2002 under division 103214
(A)(1) of this section. A payment made under this division shall 103215
be in lieu of the payment to be made in February 2002 under 103216
division (A)(1) of this section. A local taxing unit receiving a 103217

payment under this division will no longer be entitled to any 103218
further payments under division (A)(1) of this section. A payment 103219
made under this division shall be paid from the local government 103220
property tax replacement fund to the county undivided income tax 103221
fund in the proper county treasury. The county treasurer shall 103222
distribute the payment to the proper local taxing unit as if it 103223
had been levied and collected as taxes, and the local taxing unit 103224
shall apportion the amounts so received among its funds in the 103225
same proportions as if those amounts had been levied and collected 103226
as taxes. 103227

(E)(1) On the thirty-first day of July of 2002, 2003, 2004, 103228
2005, and 2006, and on the thirty-first day of January and July of 103229
2007 ~~and each year thereafter~~ through January 2011, if the amount 103230
credited to the local government property tax replacement fund 103231
exceeds the amount needed to be distributed from the fund under 103232
division (A) of this section in the following month, the tax 103233
commissioner shall distribute the excess to each county as 103234
follows: 103235

(a) One-half shall be distributed to each county in 103236
proportion to each county's population. 103237

(b) One-half shall be distributed to each county in the 103238
proportion that the amounts determined under divisions (G) and (H) 103239
of section 5727.84 of the Revised Code for all local taxing units 103240
in the county is of the total amounts so determined for all local 103241
taxing units in the state. 103242

(2) The amounts distributed to each county under division (E) 103243
of this section shall be distributed by the county auditor to each 103244
local taxing unit in the county in the proportion that the unit's 103245
current taxes charged and payable are of the total current taxes 103246
charged and payable of all the local taxing units in the county. 103247
If the amount that the county auditor determines to be distributed 103248
to a local taxing unit is less than five dollars, that amount 103249

shall not be distributed, and the amount not distributed shall 103250
remain credited to the county undivided income tax fund. At the 103251
time of the next distribution under division (E)(2) of this 103252
section, any amount that had not been distributed in the prior 103253
distribution shall be added to the amount available for the next 103254
distribution prior to calculation of the amount to be distributed. 103255
As used in this division, "current taxes charged and payable" 103256
means the taxes charged and payable as most recently determined 103257
for local taxing units in the county. 103258

~~(3) If, in the opinion of the tax commissioner, the excess 103259
remaining in the local government property tax replacement fund in 103260
any year is not sufficient to warrant distribution After January 103261
2011, any amount that exceeds the amount needed to be distributed 103262
from the fund under division ~~(E)(A)~~ of this section, ~~the excess~~ 103263
~~shall remain to the credit of~~ in the following month shall be 103264
transferred to the general revenue fund. 103265~~

~~(F) From fiscal year 2002 through fiscal year 2016, if If the 103266
total amount in the local government property tax replacement fund 103267
is insufficient to make all payments under division (C) of this 103268
section at the times the payments are to be made, the director of 103269
budget and management shall transfer from the general revenue fund 103270
to the local government property tax replacement fund the 103271
difference between the total amount to be paid and the amount in 103272
the local government property tax replacement fund, except that no 103273
transfer shall be made by reason of a deficiency to the extent 103274
that it results from the amendment of section 5727.84 of the 103275
Revised Code by Amended Substitute House Bill 95 of the 125th 103276
general assembly. 103277~~

(G) If all or a part of the territories of two or more local 103278
taxing units are merged, or unincorporated territory of a township 103279
is annexed by a municipal corporation, the tax commissioner shall 103280
adjust the payments made under this section to each of the local 103281

taxing units in proportion to the ~~tax value less~~ square mileage 103282
apportioned to the merged or annexed territory, or as otherwise 103283
provided by a written agreement between the legislative 103284
authorities of the local taxing units certified to the tax 103285
commissioner not later than the first day of June of the calendar 103286
year in which the payment is to be made. 103287

Sec. 5729.17. (A) As used in this section, "certificate 103288
owner" has the same meaning as in section 149.311 of the Revised 103289
Code. 103290

(B) There is allowed a credit against the tax imposed by 103291
section 5729.03 of the Revised Code for an insurance company 103292
subject to that tax that is a certificate owner of a 103293
rehabilitation tax credit certificate issued under section 149.311 103294
of the Revised Code. The credit shall equal twenty-five per cent 103295
of the dollar amount indicated on the certificate, but the amount 103296
of the credit allowed for any company for any year shall not 103297
exceed five million dollars. The credit shall be claimed in the 103298
calendar year specified in the certificate and in the order 103299
required under section 5729.98 of the Revised Code. If the credit 103300
exceeds the amount of tax otherwise due in that year, the excess 103301
shall be refunded to the company but, if any amount of the credit 103302

122.17 of the Revised Code, provided that the agreement was 104255
entered into on or after January 1, 2007. Neither contingencies 104256
relevant to the granting of, nor later developments with respect 104257
to, the tax credit shall impair the status of the qualified direct 104258

(c) Division (B)(48) of this section is limited to machinery, 104261
equipment, and software first stored, used, or consumed in this 104262
state within the period commencing June 24, 2008, and ending on 104263
the date that is five years after that date. 104264

(49) Sales of materials, parts, equipment, or engines used in 104265

components, and sales of repair or maintenance services for such 104275

full flight simulators. "Full flight simulator" means a replica of 104276
a specific type, or make, model, and series of aircraft cockpit. 104277
It includes the assemblage of equipment and computer programs 104278

conditions, a visual system providing an out-of-the-cockpit view, 104280
and a system that provides cues at least equivalent to those of a 104281
three-degree-of-freedom motion system, and has the full range of 104282

section 9.06 of the Revised Code. 104295

(C) For the purpose of the proper administration of this 104296
chapter, and to prevent the evasion of the tax, it is presumed 104297
that all sales made in this state are subject to the tax until the 104298
contrary is established. 104299

(D) The levy of this tax on retail sales of recreation and 104300
sports club service shall not prevent a municipal corporation from 104301
levying any tax on recreation and sports club dues or on any 104302
income generated by recreation and sports club dues. 104303

(E) The tax collected by the vendor from the consumer under 104304
this chapter is not part of the price, but is a tax collection for 104305
the benefit of the state, and of counties levying an additional 104306
sales tax pursuant to section 5739.021 or 5739.026 of the Revised 104307

Code and of transit authorities levying an additional sales tax 104308
pursuant to section 5739.023 of the Revised Code. Except for the 104309
discount authorized under section 5739.12 of the Revised Code and 104310
the effects of any rounding pursuant to section 5703.055 of the 104311
Revised Code, no person other than the state or such a county or 104312
transit authority shall derive any benefit from the collection or 104313
payment of the tax levied by this section or section 5739.021, 104314
5739.023, or 5739.026 of the Revised Code. 104315

Sec. 5739.021. (A) For the purpose of providing additional 104316
general revenues for the county or supporting criminal and 104317
administrative justice services in the county, or both, and to pay 104318
the expenses of administering such levy, any county may levy a tax 104319
at the rate of not more than one per cent at any multiple of 104320
one-fourth of one per cent upon every retail sale made in the 104321
county, except sales of watercraft and outboard motors required to 104322
be titled pursuant to Chapter 1548. of the Revised Code and sales 104323
of motor vehicles, and may increase the rate of an existing tax to 104324
not more than one per cent at any multiple of one-fourth of one 104325
per cent. 104326

The tax shall be levied and the rate increased pursuant to a 104327
resolution of the board of county commissioners. The resolution 104328
shall state the purpose for which the tax is to be levied and the 104329
number of years for which the tax is to be levied, or that it is 104330
for a continuing period of time. If the tax is to be levied for 104331
the purpose of providing additional general revenues and for the 104332
purpose of supporting criminal and administrative justice 104333
services, the resolution shall state the rate or amount of the tax 104334
to be apportioned to each such purpose. The rate or amount may be 104335
different for each year the tax is to be levied, but the rates or 104336
amounts actually apportioned each year shall not be different from 104337
that stated in the resolution for that year. If the resolution is 104338
adopted as an emergency measure necessary for the immediate 104339

preservation of the public peace, health, or safety, it must 104340
receive an affirmative vote of all of the members of the board of 104341
county commissioners and shall state the reasons for such 104342
necessity. The board shall deliver a certified copy of the 104343
resolution to the tax commissioner, not later than the sixty-fifth 104344
day prior to the date on which the tax is to become effective, 104345
which shall be the first day of the calendar quarter. 104346

Prior to the adoption of any resolution under this section, 104347
the board of county commissioners shall conduct two public 104348
hearings on the resolution, the second hearing to be not less than 104349
three nor more than ten days after the first. Notice of the date, 104350
time, and place of the hearings shall be given by publication in a 104351
newspaper of general circulation in the county, or as provided in 104352
section 7.16 of the Revised Code, once a week on the same day of 104353
the week for two consecutive weeks, the second publication being 104354
not less than ten nor more than thirty days prior to the first 104355
hearing. 104356

Except as provided in division (B)(3) of this section, the 104357
resolution shall be subject to a referendum as provided in 104358
sections 305.31 to 305.41 of the Revised Code. 104359

If a petition for a referendum is filed, the county auditor 104360
with whom the petition was filed shall, within five days, notify 104361
the board of county commissioners and the tax commissioner of the 104362
filing of the petition by certified mail. If the board of 104363
elections with which the petition was filed declares the petition 104364
invalid, the board of elections, within five days, shall notify 104365
the board of county commissioners and the tax commissioner of that 104366
declaration by certified mail. If the petition is declared to be 104367
invalid, the effective date of the tax or increased rate of tax 104368
levied by this section shall be the first day of a calendar 104369
quarter following the expiration of sixty-five days from the date 104370
the commissioner receives notice from the board of elections that 104371

the petition is invalid. 104372

(B)(1) A resolution that is not adopted as an emergency 104373
measure may direct the board of elections to submit the question 104374
of levying the tax or increasing the rate of tax to the electors 104375
of the county at a special election held on the date specified by 104376
the board of county commissioners in the resolution, provided that 104377
the election occurs not less than ninety days after a certified 104378
copy of such resolution is transmitted to the board of elections 104379
and the election is not held in February or August of any year. 104380
Upon transmission of the resolution to the board of elections, the 104381
board of county commissioners shall notify the tax commissioner in 104382
writing of the levy question to be submitted to the electors. No 104383
resolution adopted under this division shall go into effect unless 104384
approved by a majority of those voting upon it, and, except as 104385
provided in division (B)(3) of this section, shall become 104386
effective on the first day of a calendar quarter following the 104387
expiration of sixty-five days from the date the tax commissioner 104388
receives notice from the board of elections of the affirmative 104389
vote. 104390

(2) A resolution that is adopted as an emergency measure 104391
shall go into effect as provided in division (A) of this section, 104392
but may direct the board of elections to submit the question of 104393
repealing the tax or increase in the rate of the tax to the 104394
electors of the county at the next general election in the county 104395
occurring not less than ninety days after a certified copy of the 104396
resolution is transmitted to the board of elections. Upon 104397
transmission of the resolution to the board of elections, the 104398
board of county commissioners shall notify the tax commissioner in 104399
writing of the levy question to be submitted to the electors. The 104400
ballot question shall be the same as that prescribed in section 104401
5739.022 of the Revised Code. The board of elections shall notify 104402
the board of county commissioners and the tax commissioner of the 104403

result of the election immediately after the result has been 104404
declared. If a majority of the qualified electors voting on the 104405
question of repealing the tax or increase in the rate of the tax 104406
vote for repeal of the tax or repeal of the increase, the board of 104407
county commissioners, on the first day of a calendar quarter 104408
following the expiration of sixty-five days after the date the 104409
board and tax commissioner receive notice of the result of the 104410
election, shall, in the case of a repeal of the tax, cease to levy 104411
the tax, or, in the case of a repeal of an increase in the rate of 104412
the tax, cease to levy the increased rate and levy the tax at the 104413
rate at which it was imposed immediately prior to the increase in 104414
rate. 104415

(3) If a vendor that is registered with the central 104416
electronic registration system provided for in section 5740.05 of 104417
the Revised Code makes a sale in this state by printed catalog and 104418
the consumer computed the tax on the sale based on local rates 104419
published in the catalog, any tax levied or repealed or rate 104420
changed under this section shall not apply to such a sale until 104421
the first day of a calendar quarter following the expiration of 104422
one hundred twenty days from the date of notice by the tax 104423
commissioner pursuant to division (H) of this section. 104424

(C) If a resolution is rejected at a referendum or if a 104425
resolution adopted after January 1, 1982, as an emergency measure 104426
is repealed by the electors pursuant to division (B)(2) of this 104427
section or section 5739.022 of the Revised Code, then for one year 104428
after the date of the election at which the resolution was 104429
rejected or repealed the board of county commissioners may not 104430
adopt any resolution authorized by this section as an emergency 104431
measure. 104432

(D) The board of county commissioners, at any time while a 104433
tax levied under this section is in effect, may by resolution 104434
reduce the rate at which the tax is levied to a lower rate 104435

authorized by this section. Any reduction in the rate at which the tax is levied shall be made effective on the first day of a calendar quarter next following the sixty-fifth day after a certified copy of the resolution is delivered to the tax commissioner.

(E) The tax on every retail sale subject to a tax levied pursuant to this section shall be in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.023 or 5739.026 of the Revised Code.

A county that levies a tax pursuant to this section shall levy a tax at the same rate pursuant to section 5741.021 of the Revised Code.

The additional tax levied by the county shall be collected pursuant to section 5739.025 of the Revised Code. If the additional tax or some portion thereof is levied for the purpose of criminal and administrative justice services, the revenue from the tax, or the amount or rate apportioned to that purpose, shall be credited to a special fund created in the county treasury for receipt of that revenue.

Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a county under the Constitution of the United States or the Ohio Constitution.

(F) For purposes of this section, a copy of a resolution is "certified" when it contains a written statement attesting that the copy is a true and exact reproduction of the original resolution.

(G) If a board of commissioners intends to adopt a resolution to levy a tax in whole or in part for the purpose of criminal and administrative justice services, the board shall prepare and make

available at the first public hearing at which the resolution is considered a statement containing the following information:

(1) For each of the two preceding fiscal years, the amount of expenditures made by the county from the county general fund for the purpose of criminal and administrative justice services;

(2) For the fiscal year in which the resolution is adopted, the board's estimate of the amount of expenditures to be made by the county from the county general fund for the purpose of criminal and administrative justice services;

(3) For each of the two fiscal years after the fiscal year in which the resolution is adopted, the board's preliminary plan for expenditures to be made from the county general fund for the purpose of criminal and administrative justice services, both under the assumption that the tax will be imposed for that purpose and under the assumption that the tax would not be imposed for that purpose, and for expenditures to be made from the special fund created under division (E) of this section under the assumption that the tax will be imposed for that purpose.

The board shall prepare the statement and the preliminary plan using the best information available to the board at the time the statement is prepared. Neither the statement nor the preliminary plan shall be used as a basis to challenge the validity of the tax in any court of competent jurisdiction, nor shall the statement or preliminary plan limit the authority of the board to appropriate, pursuant to section 5705.38 of the Revised Code, an amount different from that specified in the preliminary plan.

(H) Upon receipt from a board of county commissioners of a certified copy of a resolution required by division (A) or (D) of this section, or from the board of elections of a notice of the results of an election required by division (A) or (B)(1) or (2)

of this section, the tax commissioner shall provide notice of a 104498
tax rate change in a manner that is reasonably accessible to all 104499
affected vendors. The commissioner shall provide this notice at 104500
least sixty days prior to the effective date of the rate change. 104501
The commissioner, by rule, may establish the method by which 104502
notice will be provided. 104503

(I) As used in this section, "criminal and administrative 104504
justice services" means the exercise by the county sheriff of all 104505
powers and duties vested in that office by law; the exercise by 104506
the county prosecuting attorney of all powers and duties vested in 104507
that office by law; the exercise by any court in the county of all 104508
powers and duties vested in that court; the exercise by the clerk 104509
of the court of common pleas, any clerk of a municipal court 104510
having jurisdiction throughout the county, or the clerk of any 104511
county court of all powers and duties vested in the clerk by law 104512
except, in the case of the clerk of the court of common pleas, the 104513
titling of motor vehicles or watercraft pursuant to Chapter 1548. 104514
or 4505. of the Revised Code; the exercise by the county coroner 104515
of all powers and duties vested in that office by law; making 104516
payments to any other public agency or a private, nonprofit 104517

requesting that an election be held on the question. The question 104533
of repealing an increase in the rate of the county permissive tax 104534
shall be submitted to the electors as a separate question from the 104535
repeal of the tax in effect prior to the increase in the rate. Any 104536
petition filed under this section shall be signed by qualified 104537
electors residing in the county equal in number to ten per cent of 104538
those voting for governor at the most recent gubernatorial 104539

After determination by it that the petition is valid, the 104541
board of elections shall submit the question to the electors of 104542

election, ~~and, if.~~ If the board of elections operates and 104551
maintains a web site, the board of elections shall post notice of 104552
the election on its web site for thirty days prior to the 104553
election. The notice shall state the purpose, time, and place of 104554
the election. The form of the ballot cast at the election shall be 104555
prescribed by the secretary of state; however, the ballot question 104556
shall read, "shall the tax (or, increase in the rate of the tax) 104557

	No

"

104559
104560
104561

with any other proposition submitted at the same election other
than the election of officers.

repeal, the board of elections shall notify the board of county
commissioners and the tax commissioner of the result of the
election immediately after the result has been declared. The board
of county commissioners shall, on the first day of the calendar
quarter following the expiration of sixty-five days after the date

tax of one-fourth or one-half of one per cent on every retail sale 104599

purposes does not exceed one-half of one per cent: 104607

(1) To provide additional revenues for the payment of bonds 104608

(5) To provide additional revenue for the acquisition, 104623

construction, equipping, or repair of any specific permanent 104624
improvement or any class or group of permanent improvements, which 104625
improvement or class or group of improvements shall be enumerated 104626
in the resolution required by division (D) of this section, and to 104627
pay principal, interest, premium, and other costs associated with 104628
the issuance of bonds or notes in anticipation of bonds issued 104629
pursuant to Chapter 133. of the Revised Code for the acquisition, 104630
construction, equipping, or repair of the specific permanent 104631
improvement or class or group of permanent improvements; 104632

(6) To provide revenue for the implementation and operation 104633
of a 9-1-1 system in the county. If the tax is levied or the rate 104634
increased exclusively for such purpose, the tax shall not be 104635
levied or the rate increased for more than five years. At the end 104636
of the last year the tax is levied or the rate increased, any 104637
balance remaining in the special fund established for such purpose 104638
shall remain in that fund and be used exclusively for such purpose 104639
until the fund is completely expended, and, notwithstanding 104640
section 5705.16 of the Revised Code, the board of county 104641
commissioners shall not petition for the transfer of money from 104642

shall levy the tax or increase the rate of the tax for one or more 104647
of the purposes described in divisions (A)(1) to (5) of this 104648
section and shall prescribe the method for allocating the revenues 104649
from the tax each year in the manner required by division (C) of 104650
this section. 104651

(7) To provide additional revenue for the operation or 104652

Revised Code. 104658

As used in division (A)(8) of this section: 104659

(a) "Sports facility" means a facility intended to house 104660
major league professional athletic teams. 104661

(b) "Constructing" or "construction" includes providing 104662
fixtures, furnishings, and equipment. 104663

(9) To provide additional revenue for the acquisition of 104664
agricultural easements, as defined in section 5301.67 of the 104665

issued under section 133.60 of the Revised Code; and for the 104667
supervision and enforcement of agricultural easements held by the 104668
county; 104669

(10) To provide revenue for the provision of ambulance, 104670
paramedic, or other emergency medical services. 104671

Pursuant to section 755.171 of the Revised Code, a board of 104672
county commissioners may pledge and contribute revenue from a tax 104673
levied for the purpose of division (A)(5) of this section to the 104674
payment of debt charges on bonds issued under section 755.17 of 104675
the Revised Code. 104676

The rate of tax shall be a multiple of one-fourth of one per 104677
cent, unless a portion of the rate of an existing tax levied under 104678
section 5739.023 of the Revised Code has been reduced, and the 104679
rate of tax levied under this section has been increased, pursuant 104680
to section 5739.028 of the Revised Code, in which case the 104681
aggregate of the rates of tax levied under this section and 104682
section 5739.023 of the Revised Code shall be a multiple of 104683
one-fourth of one per cent. The tax shall be levied and the rate 104684
increased pursuant to a resolution adopted by a majority of the 104685
members of the board. The board shall deliver a certified copy of 104686

the resolution to the tax commissioner, not later than the 104687
sixty-fifth day prior to the date on which the tax is to become 104688
effective, which shall be the first day of a calendar quarter. 104689

Prior to the adoption of any resolution to levy the tax or to 104690
increase the rate of tax exclusively for the purpose set forth in 104691
division (A)(3) of this section, the board of county commissioners 104692
shall conduct two public hearings on the resolution, the second 104693
hearing to be no fewer than three nor more than ten days after the 104694
first. Notice of the date, time, and place of the hearings shall 104695
be given by publication in a newspaper of general circulation in 104696
the county, or as provided in section 7.16 of the Revised Code, 104697
once a week on the same day of the week for two consecutive weeks, 104698
~~the.~~ The second publication ~~being~~ shall be no fewer than ten nor 104699
more than thirty days prior to the first hearing. Except as 104700
provided in division (E) of this section, the resolution shall be 104701
subject to a referendum as provided in sections 305.31 to 305.41 104702
of the Revised Code. If the resolution is adopted as an emergency 104703
measure necessary for the immediate preservation of the public 104704
peace, health, or safety, it must receive an affirmative vote of 104705
all of the members of the board of county commissioners and shall 104706
state the reasons for the necessity. 104707

If the tax is for more than one of the purposes set forth in 104708
divisions (A)(1) to (7), (9), and (10) of this section, or is 104709
exclusively for one of the purposes set forth in division (A)(1), 104710
(2), (4), (5), (6), (7), (9), or (10) of this section, the 104711
resolution shall not go into effect unless it is approved by a 104712
majority of the electors voting on the question of the tax. 104713

(B) The board of county commissioners shall adopt a 104714
resolution under section 351.02 of the Revised Code creating the 104715
convention facilities authority, or under section 307.283 of the 104716
Revised Code creating the community improvements board, before 104717
adopting a resolution levying a tax for the purpose of a 104718

convention facilities authority under division (A)(1) of this 104719
section or for the purpose of a community improvements board under 104720
division (A)(4) of this section. 104721

(C)(1) If the tax is to be used for more than one of the 104722
purposes set forth in divisions (A)(1) to (7), (9), and (10) of 104723
this section, the board of county commissioners shall establish 104724
the method that will be used to determine the amount or proportion 104725
of the tax revenue received by the county during each year that 104726
will be distributed for each of those purposes, including, if 104727
applicable, provisions governing the reallocation of a convention 104728
facilities authority's allocation if the authority is dissolved 104729
while the tax is in effect. The allocation method may provide that 104730
different proportions or amounts of the tax shall be distributed 104731
among the purposes in different years, but it shall clearly 104732
describe the method that will be used for each year. Except as 104733
otherwise provided in division (C)(2) of this section, the 104734
allocation method established by the board is not subject to 104735
amendment during the life of the tax. 104736

(2) Subsequent to holding a public hearing on the proposed 104737
amendment, the board of county commissioners may amend the 104738
allocation method established under division (C)(1) of this 104739
section for any year, if the amendment is approved by the 104740
governing board of each entity whose allocation for the year would 104741
be reduced by the proposed amendment. In the case of a tax that is 104742
levied for a continuing period of time, the board may not so amend 104743
the allocation method for any year before the sixth year that the 104744
tax is in effect. 104745

(a) If the additional revenues provided to the convention 104746
facilities authority are pledged by the authority for the payment 104747
of convention facilities authority revenue bonds for as long as 104748
such bonds are outstanding, no reduction of the authority's 104749
allocation of the tax shall be made for any year except to the 104750

extent that the reduced authority allocation, when combined with 104751
the authority's other revenues pledged for that purpose, is 104752
sufficient to meet the debt service requirements for that year on 104753
such bonds. 104754

(b) If the additional revenues provided to the county are 104755
pledged by the county for the payment of bonds or notes described 104756
in division (A)(4) or (5) of this section, for as long as such 104757
bonds or notes are outstanding, no reduction of the county's or 104758
the community improvements board's allocation of the tax shall be 104759
made for any year, except to the extent that the reduced county or 104760
community improvements board allocation is sufficient to meet the 104761
debt service requirements for that year on such bonds or notes. 104762

(c) If the additional revenues provided to the transit 104763
authority are pledged by the authority for the payment of revenue 104764
bonds issued under section 306.37 of the Revised Code, for as long 104765
as such bonds are outstanding, no reduction of the authority's 104766
allocation of tax shall be made for any year, except to the extent 104767
that the authority's reduced allocation, when combined with the 104768
authority's other revenues pledged for that purpose, is sufficient 104769
to meet the debt service requirements for that year on such bonds. 104770

(d) If the additional revenues provided to the county are 104771
pledged by the county for the payment of bonds or notes issued 104772
under section 133.60 of the Revised Code, for so long as the bonds 104773
or notes are outstanding, no reduction of the county's allocation 104774
of the tax shall be made for any year, except to the extent that 104775
the reduced county allocation is sufficient to meet the debt 104776
service requirements for that year on the bonds or notes. 104777

(D)(1) The resolution levying the tax or increasing the rate 104778
of tax shall state the rate of the tax or the rate of the 104779
increase; the purpose or purposes for which it is to be levied; 104780
the number of years for which it is to be levied or that it is for 104781
a continuing period of time; the allocation method required by 104782

division (C) of this section; and if required to be submitted to 104783
the electors of the county under division (A) of this section, the 104784
date of the election at which the proposal shall be submitted to 104785
the electors of the county, which shall be not less than ninety 104786
days after the certification of a copy of the resolution to the 104787
board of elections and, if the tax is to be levied exclusively for 104788
the purpose set forth in division (A)(3) of this section, shall 104789
not occur in February or August of any year. Upon certification of 104790
the resolution to the board of elections, the board of county 104791
commissioners shall notify the tax commissioner in writing of the 104792
levy question to be submitted to the electors. If approved by a 104793
majority of the electors, the tax shall become effective on the 104794
first day of a calendar quarter next following the sixty-fifth day 104795
following the date the board of county commissioners and tax 104796
commissioner receive from the board of elections the certification 104797
of the results of the election, except as provided in division (E) 104798
of this section. 104799

(2)(a) A resolution specifying that the tax is to be used 104800
exclusively for the purpose set forth in division (A)(3) of this 104801
section that is not adopted as an emergency measure may direct the 104802
board of elections to submit the question of levying the tax or 104803
increasing the rate of the tax to the electors of the county at a 104804
special election held on the date specified by the board of county 104805
commissioners in the resolution, provided that the election occurs 104806
not less than ninety days after the resolution is certified to the 104807
board of elections and the election is not held in February or 104808
August of any year. Upon certification of the resolution to the 104809
board of elections, the board of county commissioners shall notify 104810
the tax commissioner in writing of the levy question to be 104811
submitted to the electors. No resolution adopted under division 104812
(D)(2)(a) of this section shall go into effect unless approved by 104813
a majority of those voting upon it and, except as provided in 104814
division (E) of this section, not until the first day of a 104815

calendar quarter following the expiration of sixty-five days from 104816
the date the tax commissioner receives notice from the board of 104817
elections of the affirmative vote. 104818

(b) A resolution specifying that the tax is to be used 104819
exclusively for the purpose set forth in division (A)(3) of this 104820
section that is adopted as an emergency measure shall become 104821
effective as provided in division (A) of this section, but may 104822
direct the board of elections to submit the question of repealing 104823
the tax or increase in the rate of the tax to the electors of the 104824
county at the next general election in the county occurring not 104825
less than ninety days after the resolution is certified to the 104826
board of elections. Upon certification of the resolution to the 104827
board of elections, the board of county commissioners shall notify 104828
the tax commissioner in writing of the levy question to be 104829
submitted to the electors. The ballot question shall be the same 104830
as that prescribed in section 5739.022 of the Revised Code. The 104831
board of elections shall notify the board of county commissioners 104832
and the tax commissioner of the result of the election immediately 104833
after the result has been declared. If a majority of the qualified 104834
electors voting on the question of repealing the tax or increase 104835
in the rate of the tax vote for repeal of the tax or repeal of the 104836
increase, the board of county commissioners, on the first day of a 104837
calendar quarter following the expiration of sixty-five days after 104838
the date the board and tax commissioner received notice of the 104839
result of the election, shall, in the case of a repeal of the tax, 104840
cease to levy the tax, or, in the case of a repeal of an increase 104841
in the rate of the tax, cease to levy the increased rate and levy 104842
the tax at the rate at which it was imposed immediately prior to 104843
the increase in rate. 104844

(c) A board of county commissioners, by resolution, may 104845
reduce the rate of a tax levied exclusively for the purpose set 104846
forth in division (A)(3) of this section to a lower rate 104847

authorized by this section. Any such reduction shall be made 104848
effective on the first day of the calendar quarter next following 104849
the sixty-fifth day after the tax commissioner receives a 104850
certified copy of the resolution from the board. 104851

(E) If a vendor that is registered with the central 104852
electronic registration system provided for in section 5740.05 of 104853
the Revised Code makes a sale in this state by printed catalog and 104854
the consumer computed the tax on the sale based on local rates 104855
published in the catalog, any tax levied or repealed or rate 104856
changed under this section shall not apply to such a sale until 104857
the first day of a calendar quarter following the expiration of 104858
one hundred twenty days from the date of notice by the tax 104859
commissioner pursuant to division (G) of this section. 104860

(F) The tax levied pursuant to this section shall be in 104861
addition to the tax levied by section 5739.02 of the Revised Code 104862
and any tax levied pursuant to section 5739.021 or 5739.023 of the 104863
Revised Code. 104864

A county that levies a tax pursuant to this section shall 104865
levy a tax at the same rate pursuant to section 5741.023 of the 104866
Revised Code. 104867

The additional tax levied by the county shall be collected 104868
pursuant to section 5739.025 of the Revised Code. 104869

Any tax levied pursuant to this section is subject to the 104870
exemptions provided in section 5739.02 of the Revised Code and in 104871
addition shall not be applicable to sales not within the taxing 104872
power of a county under the Constitution of the United States or 104873
the Ohio Constitution. 104874

(G) Upon receipt from a board of county commissioners of a 104875
certified copy of a resolution required by division (A) of this 104876
section, or from the board of elections a notice of the results of 104877
an election required by division (D)(1), (2)(a), (b), or (c) of 104878

this section, the tax commissioner shall provide notice of a tax 104879
rate change in a manner that is reasonably accessible to all 104880
affected vendors. The commissioner shall provide this notice at 104881
least sixty days prior to the effective date of the rate change. 104882
The commissioner, by rule, may establish the method by which 104883
notice will be provided. 104884

Sec. 5739.101. (A) The legislative authority of a municipal 104885
corporation, by ordinance, or of a township, by resolution, may 104886
declare the municipal corporation or township to be a resort area 104887
for the purposes of this section, if all of the following criteria 104888
are met: 104889

(1) According to statistics published by the federal 104890
government based on data compiled during the most recent decennial 104891
census of the United States, at least sixty-two per cent of total 104892
housing units in the municipal corporation or township are 104893
classified as "for seasonal, recreational, or occasional use"; 104894

(2) Entertainment and recreation facilities are provided 104895
within the municipal corporation or township that are primarily 104896
intended to provide seasonal leisure time activities for persons 104897
other than permanent residents of the municipal corporation or 104898
township; 104899

(3) The municipal corporation or township experiences 104900
seasonal peaks of employment and demand for government services as 104901
a direct result of the seasonal population increase. 104902

(B) For the purpose of providing revenue for its general 104903
fund, the legislative authority of a municipal corporation or 104904
township, in its ordinance or resolution declaring itself a resort 104905
area under this section, may levy a tax on the privilege of 104906
engaging in the business of either of the following: 104907

(1) Making sales in the municipal corporation or township, 104908

whether wholesale or retail, but including sales of food only to 104909
the extent such sales are subject to the tax levied under section 104910
5739.02 of the Revised Code; 104911

(2) Intrastate transportation of passengers or property 104912
primarily to or from the municipal corporation or township by a 104913
railroad, watercraft, or motor vehicle subject to regulation by 104914
the public utilities commission, except not including 104915
transportation of passengers as part of a tour or cruise in which 104916
the passengers will stay in the municipal corporation or township 104917
for no more than one hour. 104918

The tax is imposed upon and shall be paid by the person 104919
making the sales or transporting the passengers or property. The 104920
rate of the tax shall be one-half, one, or one and one-half per 104921
cent of the person's gross receipts derived from making the sales 104922
or transporting the passengers or property to or from the 104923
municipal corporation or township. 104924

(C) The tax shall take effect on the first day of the month 104925
that begins at least sixty days after the effective date of the 104926
ordinance or resolution in which it is levied. The legislative 104927
authority shall certify copies of the ordinance or resolution to 104928
the tax commissioner and treasurer of state within five days after 104929
its adoption. In addition, one time each week during the two weeks 104930
following the adoption of the ordinance or resolution, the 104931
legislative authority shall cause to be published in a newspaper 104932
of general circulation in the municipal corporation or township or 104933
as provided in section 7.16 of the Revised Code, a notice 104934
explaining the tax and stating the rate of the tax, the date it 104935
will take effect, and that persons subject to the tax must 104936
register with the tax commissioner under section 5739.103 of the 104937
Revised Code. 104938

(D) No more than once a year, and subject to the rates 104939
prescribed in division (B) of this section, the legislative 104940

authority of the municipal corporation or township, by ordinance 104941
or resolution, may increase or decrease the rate of a tax levied 104942
under this section. The legislative authority, by ordinance or 104943
resolution, at any time may repeal such a tax. The legislative 104944
authority shall certify to the tax commissioner and treasurer of 104945
state copies of the ordinance or resolution repealing or changing 104946
the rate of the tax within five days after its adoption. In 104947
addition, one time each week during the two weeks following the 104948
adoption of the ordinance or resolution, the legislative authority 104949
shall cause to be published in a newspaper of general circulation 104950
in the municipal corporation or township or as provided in section 104951
7.16 of the Revised Code, notice of the repeal or change. 104952

Sec. 5747.01. Except as otherwise expressly provided or 104953
clearly appearing from the context, any term used in this chapter 104954
that is not otherwise defined in this section has the same meaning 104955
as when used in a comparable context in the laws of the United 104956
States relating to federal income taxes or if not used in a 104957
comparable context in those laws, has the same meaning as in 104958
section 5733.40 of the Revised Code. Any reference in this chapter 104959
to the Internal Revenue Code includes other laws of the United 104960
States relating to federal income taxes. 104961

As used in this chapter: 104962

(A) "Adjusted gross income" or "Ohio adjusted gross income" 104963
means federal adjusted gross income, as defined and used in the 104964
Internal Revenue Code, adjusted as provided in this section: 104965

(1) Add interest or dividends on obligations or securities of 104966
any state or of any political subdivision or authority of any 104967
state, other than this state and its subdivisions and authorities. 104968

(2) Add interest or dividends on obligations of any 104969
authority, commission, instrumentality, territory, or possession 104970
of the United States to the extent that the interest or dividends 104971

are exempt from federal income taxes but not from state income taxes. 104972
104973

(3) Deduct interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent that the interest or dividends are included in federal adjusted gross income but exempt from state income taxes under the laws of the United States. 104974
104975
104976
104977
104978
104979

(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income. 104980
104981

(5) Deduct benefits under Title II of the Social Security Act and tier 1 railroad retirement benefits to the extent included in federal adjusted gross income under section 86 of the Internal Revenue Code. 104982
104983
104984
104985

(6) In the case of a taxpayer who is a beneficiary of a trust that makes an accumulation distribution as defined in section 665 of the Internal Revenue Code, add, for the beneficiary's taxable years beginning before 2002, the portion, if any, of such distribution that does not exceed the undistributed net income of the trust for the three taxable years preceding the taxable year in which the distribution is made to the extent that the portion was not included in the trust's taxable income for any of the trust's taxable years beginning in 2002 or thereafter. 104986
104987
104988
104989
104990
104991
104992
104993
104994
"Undistributed net income of a trust" means the taxable income of the trust increased by (a)(i) the additions to adjusted gross income required under division (A) of this section and (ii) the personal exemptions allowed to the trust pursuant to section 642(b) of the Internal Revenue Code, and decreased by (b)(i) the deductions to adjusted gross income required under division (A) of this section, (ii) the amount of federal income taxes attributable to such income, and (iii) the amount of taxable income that has been included in the adjusted gross income of a beneficiary by 104995
104996
104997
104998
104999
105000
105001
105002
105003

reason of a prior accumulation distribution. Any undistributed net 105004
income included in the adjusted gross income of a beneficiary 105005
shall reduce the undistributed net income of the trust commencing 105006
with the earliest years of the accumulation period. 105007

(7) Deduct the amount of wages and salaries, if any, not 105008
otherwise allowable as a deduction but that would have been 105009
allowable as a deduction in computing federal adjusted gross 105010
income for the taxable year, had the targeted jobs credit allowed 105011
and determined under sections 38, 51, and 52 of the Internal 105012
Revenue Code not been in effect. 105013

(8) Deduct any interest or interest equivalent on public 105014
obligations and purchase obligations to the extent that the 105015
interest or interest equivalent is included in federal adjusted 105016
gross income. 105017

(9) Add any loss or deduct any gain resulting from the sale, 105018
exchange, or other disposition of public obligations to the extent 105019
that the loss has been deducted or the gain has been included in 105020
computing federal adjusted gross income. 105021

(10) Deduct or add amounts, as provided under section 5747.70 105022
of the Revised Code, related to contributions to variable college 105023
savings program accounts made or tuition units purchased pursuant 105024
to Chapter 3334. of the Revised Code. 105025

(11)(a) Deduct, to the extent not otherwise allowable as a 105026
deduction or exclusion in computing federal or Ohio adjusted gross 105027
income for the taxable year, the amount the taxpayer paid during 105028
the taxable year for medical care insurance and qualified 105029
long-term care insurance for the taxpayer, the taxpayer's spouse, 105030
and dependents. No deduction for medical care insurance under 105031
division (A)(11) of this section shall be allowed either to any 105032
taxpayer who is eligible to participate in any subsidized health 105033
plan maintained by any employer of the taxpayer or of the 105034

taxpayer's spouse, or to any taxpayer who is entitled to, or on 105035
application would be entitled to, benefits under part A of Title 105036
XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 105037
301, as amended. For the purposes of division (A)(11)(a) of this 105038
section, "subsidized health plan" means a health plan for which 105039
the employer pays any portion of the plan's cost. The deduction 105040
allowed under division (A)(11)(a) of this section shall be the net 105041
of any related premium refunds, related premium reimbursements, or 105042
related insurance premium dividends received during the taxable 105043
year. 105044

(b) Deduct, to the extent not otherwise deducted or excluded 105045
in computing federal or Ohio adjusted gross income during the 105046
taxable year, the amount the taxpayer paid during the taxable 105047
year, not compensated for by any insurance or otherwise, for 105048
medical care of the taxpayer, the taxpayer's spouse, and 105049
dependents, to the extent the expenses exceed seven and one-half 105050
per cent of the taxpayer's federal adjusted gross income. 105051

(c) Deduct, to the extent not otherwise deducted or excluded 105052
in computing federal or Ohio adjusted gross income, any amount 105053
included in federal adjusted gross income under section 105 or not 105054
excluded under section 106 of the Internal Revenue Code solely 105055
because it relates to an accident and health plan for a person who 105056
otherwise would be a "qualifying relative" and thus a "dependent" 105057
under section 152 of the Internal Revenue Code but for the fact 105058
that the person fails to meet the income and support limitations 105059
under section 152(d)(1)(B) and (C) of the Internal Revenue Code. 105060

(d) For purposes of division (A)(11) of this section, 105061
"medical care" has the meaning given in section 213 of the 105062
Internal Revenue Code, subject to the special rules, limitations, 105063
and exclusions set forth therein, and "qualified long-term care" 105064
has the same meaning given in section 7702B(c) of the Internal 105065
Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) 105066

of this section, "dependent" includes a person who otherwise would 105067
be a "qualifying relative" and thus a "dependent" under section 105068
152 of the Internal Revenue Code but for the fact that the person 105069
fails to meet the income and support limitations under section 105070
152(d)(1)(B) and (C) of the Internal Revenue Code. 105071

(12)(a) Deduct any amount included in federal adjusted gross 105072
income solely because the amount represents a reimbursement or 105073
refund of expenses that in any year the taxpayer had deducted as 105074
an itemized deduction pursuant to section 63 of the Internal 105075
Revenue Code and applicable United States department of the 105076
treasury regulations. The deduction otherwise allowed under 105077
division (A)(12)(a) of this section shall be reduced to the extent 105078
the reimbursement is attributable to an amount the taxpayer 105079
deducted under this section in any taxable year. 105080

(b) Add any amount not otherwise included in Ohio adjusted 105081
gross income for any taxable year to the extent that the amount is 105082
attributable to the recovery during the taxable year of any amount 105083
deducted or excluded in computing federal or Ohio adjusted gross 105084
income in any taxable year. 105085

(13) Deduct any portion of the deduction described in section 105086
1341(a)(2) of the Internal Revenue Code, for repaying previously 105087
reported income received under a claim of right, that meets both 105088
of the following requirements: 105089

(a) It is allowable for repayment of an item that was 105090
included in the taxpayer's adjusted gross income for a prior 105091
taxable year and did not qualify for a credit under division (A) 105092
or (B) of section 5747.05 of the Revised Code for that year; 105093

(b) It does not otherwise reduce the taxpayer's adjusted 105094
gross income for the current or any other taxable year. 105095

(14) Deduct an amount equal to the deposits made to, and net 105096
investment earnings of, a medical savings account during the 105097

taxable year, in accordance with section 3924.66 of the Revised Code. The deduction allowed by division (A)(14) of this section does not apply to medical savings account deposits and earnings otherwise deducted or excluded for the current or any other taxable year from the taxpayer's federal adjusted gross income. 105098
105099
105100
105101
105102

(15)(a) Add an amount equal to the funds withdrawn from a medical savings account during the taxable year, and the net investment earnings on those funds, when the funds withdrawn were used for any purpose other than to reimburse an account holder for, or to pay, eligible medical expenses, in accordance with section 3924.66 of the Revised Code; 105103
105104
105105
105106
105107
105108

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year. 105109
105110
105111

(16) Add any amount claimed as a credit under section 5747.059 of the Revised Code to the extent that such amount satisfies either of the following: 105112
105113
105114

(a) The amount was deducted or excluded from the computation of the taxpayer's federal adjusted gross income as required to be reported for the taxpayer's taxable year under the Internal Revenue Code; 105115
105116
105117
105118

(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code. 105119
105120
105121

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax commissioner's opinion, is necessary to establish the 105122
105123
105124
105125
105126
105127
105128

amount deducted under division (A)(17) of this section. 105129

(18) Beginning in taxable year 2001 but not for any taxable 105130
year beginning after December 31, 2005, if the taxpayer is married 105131
and files a joint return and the combined federal adjusted gross 105132
income of the taxpayer and the taxpayer's spouse for the taxable 105133
year does not exceed one hundred thousand dollars, or if the 105134
taxpayer is single and has a federal adjusted gross income for the 105135
taxable year not exceeding fifty thousand dollars, deduct amounts 105136
paid during the taxable year for qualified tuition and fees paid 105137
to an eligible institution for the taxpayer, the taxpayer's 105138
spouse, or any dependent of the taxpayer, who is a resident of 105139
this state and is enrolled in or attending a program that 105140
culminates in a degree or diploma at an eligible institution. The 105141
deduction may be claimed only to the extent that qualified tuition 105142
and fees are not otherwise deducted or excluded for any taxable 105143
year from federal or Ohio adjusted gross income. The deduction may 105144
not be claimed for educational expenses for which the taxpayer 105145
claims a credit under section 5747.27 of the Revised Code. 105146

(19) Add any reimbursement received during the taxable year 105147
of any amount the taxpayer deducted under division (A)(18) of this 105148
section in any previous taxable year to the extent the amount is 105149
not otherwise included in Ohio adjusted gross income. 105150

(20)(a)(i) Add five-sixths of the amount of depreciation 105151
expense allowed by subsection (k) of section 168 of the Internal 105152
Revenue Code, including the taxpayer's proportionate or 105153
distributive share of the amount of depreciation expense allowed 105154
by that subsection to a pass-through entity in which the taxpayer 105155
has a direct or indirect ownership interest. 105156

(ii) Add five-sixths of the amount of qualifying section 179 105157
depreciation expense, including a person's proportionate or 105158
distributive share of the amount of qualifying section 179 105159
depreciation expense allowed to any pass-through entity in which 105160

the person has a direct or indirect ownership. For the purposes of 105161
this division, "qualifying section 179 depreciation expense" means 105162
the difference between (I) the amount of depreciation expense 105163
directly or indirectly allowed to the taxpayer under section 179 105164
of the Internal Revenue Code, and (II) the amount of depreciation 105165
expense directly or indirectly allowed to the taxpayer under 105166
section 179 of the Internal Revenue Code as that section existed 105167
on December 31, 2002. 105168

The tax commissioner, under procedures established by the 105169
commissioner, may waive the add-backs related to a pass-through 105170
entity if the taxpayer owns, directly or indirectly, less than 105171
five per cent of the pass-through entity. 105172

(b) Nothing in division (A)(20) of this section shall be 105173
construed to adjust or modify the adjusted basis of any asset. 105174

(c) To the extent the add-back required under division 105175
(A)(20)(a) of this section is attributable to property generating 105176
nonbusiness income or loss allocated under section 5747.20 of the 105177
Revised Code, the add-back shall be situated to the same location 105178
as the nonbusiness income or loss generated by the property for 105179
the purpose of determining the credit under division (A) of 105180
section 5747.05 of the Revised Code. Otherwise, the add-back shall 105181
be apportioned, subject to one or more of the four alternative 105182
methods of apportionment enumerated in section 5747.21 of the 105183
Revised Code. 105184

(d) For the purposes of division (A) of this section, net 105185
operating loss carryback and carryforward shall not include 105186
five-sixths of the allowance of any net operating loss deduction 105187
carryback or carryforward to the taxable year to the extent such 105188
loss resulted from depreciation allowed by section 168(k) of the 105189
Internal Revenue Code and by the qualifying section 179 105190
depreciation expense amount. 105191

(21)(a) If the taxpayer was required to add an amount under 105192
division (A)(20)(a) of this section for a taxable year, deduct 105193
one-fifth of the amount so added for each of the five succeeding 105194
taxable years. 105195

(b) If the amount deducted under division (A)(21)(a) of this 105196
section is attributable to an add-back allocated under division 105197
(A)(20)(c) of this section, the amount deducted shall be sitused 105198
to the same location. Otherwise, the add-back shall be apportioned 105199
using the apportionment factors for the taxable year in which the 105200
deduction is taken, subject to one or more of the four alternative 105201
methods of apportionment enumerated in section 5747.21 of the 105202
Revised Code. 105203

(c) No deduction is available under division (A)(21)(a) of 105204
this section with regard to any depreciation allowed by section 105205
168(k) of the Internal Revenue Code and by the qualifying section 105206
179 depreciation expense amount to the extent that such 105207
depreciation resulted in or increased a federal net operating loss 105208
carryback or carryforward to a taxable year to which division 105209
(A)(20)(d) of this section does not apply. 105210

(22) Deduct, to the extent not otherwise deducted or excluded 105211
in computing federal or Ohio adjusted gross income for the taxable 105212
year, the amount the taxpayer received during the taxable year as 105213
reimbursement for life insurance premiums under section 5919.31 of 105214
the Revised Code. 105215

(23) Deduct, to the extent not otherwise deducted or excluded 105216
in computing federal or Ohio adjusted gross income for the taxable 105217
year, the amount the taxpayer received during the taxable year as 105218
a death benefit paid by the adjutant general under section 5919.33 105219
of the Revised Code. 105220

(24) Deduct, to the extent included in federal adjusted gross 105221
income and not otherwise allowable as a deduction or exclusion in 105222

computing federal or Ohio adjusted gross income for the taxable 105223
year, military pay and allowances received by the taxpayer during 105224
the taxable year for active duty service in the United States 105225
army, air force, navy, marine corps, or coast guard or reserve 105226
components thereof or the national guard. The deduction may not be 105227
claimed for military pay and allowances received by the taxpayer 105228
while the taxpayer is stationed in this state. 105229

(25) Deduct, to the extent not otherwise allowable as a 105230
deduction or exclusion in computing federal or Ohio adjusted gross 105231
income for the taxable year and not otherwise compensated for by 105232
any other source, the amount of qualified organ donation expenses 105233
incurred by the taxpayer during the taxable year, not to exceed 105234
ten thousand dollars. A taxpayer may deduct qualified organ 105235
donation expenses only once for all taxable years beginning with 105236
taxable years beginning in 2007. 105237

For the purposes of division (A)(25) of this section: 105238

(a) "Human organ" means all or any portion of a human liver, 105239
pancreas, kidney, intestine, or lung, and any portion of human 105240
bone marrow. 105241

(b) "Qualified organ donation expenses" means travel 105242
expenses, lodging expenses, and wages and salary forgone by a 105243
taxpayer in connection with the taxpayer's donation, while living, 105244
of one or more of the taxpayer's human organs to another human 105245
being. 105246

(26) Deduct, to the extent not otherwise deducted or excluded 105247
in computing federal or Ohio adjusted gross income for the taxable 105248
year, amounts received by the taxpayer as retired military 105249
personnel pay for service in the United States army, navy, air 105250
force, coast guard, or marine corps or reserve components thereof, 105251
or the national guard, or received by the surviving spouse or 105252
former spouse of such a taxpayer under the survivor benefit plan 105253

on account of such a taxpayer's death. If the taxpayer receives 105254
income on account of retirement paid under the federal civil 105255
service retirement system or federal employees retirement system, 105256
or under any successor retirement program enacted by the congress 105257
of the United States that is established and maintained for 105258
retired employees of the United States government, and such 105259
retirement income is based, in whole or in part, on credit for the 105260
taxpayer's military service, the deduction allowed under this 105261
division shall include only that portion of such retirement income 105262
that is attributable to the taxpayer's military service, to the 105263
extent that portion of such retirement income is otherwise 105264
included in federal adjusted gross income and is not otherwise 105265
deducted under this section. Any amount deducted under division 105266
(A)(26) of this section is not included in a taxpayer's adjusted 105267
gross income for the purposes of section 5747.055 of the Revised 105268
Code. No amount may be deducted under division (A)(26) of this 105269
section on the basis of which a credit was claimed under section 105270
5747.055 of the Revised Code. 105271

(27) Deduct, to the extent not otherwise deducted or excluded 105272
in computing federal or Ohio adjusted gross income for the taxable 105273
year, the amount the taxpayer received during the taxable year 105274
from the military injury relief fund created in section 5101.98 of 105275
the Revised Code. 105276

(28) Deduct, to the extent not otherwise deducted or excluded 105277
in computing federal or Ohio adjusted gross income for the taxable 105278

and losses from the sale, exchange, or other disposition of equity 105672
or ownership interests in, or debt obligations of, a qualifying 105673
investee to the extent included in the trust's Ohio taxable 105674
income, but only if the following requirements are satisfied: 105675

(a) The book value of the qualifying investee's physical 105676
assets in this state and everywhere, as of the last day of the 105677
qualifying investee's fiscal or calendar year ending immediately 105678
prior to the date on which the trust recognizes the gain or loss, 105679
is available to the trust. 105680

(b) The requirements of section 5747.011 of the Revised Code 105681
are satisfied for the trust's taxable year in which the trust 105682
recognizes the gain or loss. 105683

Any gain or loss that is not a qualifying trust amount is 105684
modified business income, qualifying investment income, or 105685

modified nonbusiness income, as the case may be. 105686

(3) "Modified nonbusiness income" means a trust's Ohio 105687
taxable income other than modified business income, other than the 105688
qualifying trust amount, and other than qualifying investment 105689
income, as defined in section 5747.012 of the Revised Code, to the 105690
extent such qualifying investment income is not otherwise part of 105691
modified business income. 105692

(4) "Modified Ohio taxable income" applies only to trusts, 105693
and means the sum of the amounts described in divisions (BB)(4)(a) 105694
to (c) of this section: 105695

(a) The fraction, calculated under section 5747.013, and 105696
applying section 5747.231 of the Revised Code, multiplied by the 105697
sum of the following amounts: 105698

(i) The trust's modified business income; 105699

(ii) The trust's qualifying investment income, as defined in 105700
section 5747.012 of the Revised Code, but only to the extent the 105701
qualifying investment income does not otherwise constitute 105702
modified business income and does not otherwise constitute a 105703
qualifying trust amount. 105704

(b) The qualifying trust amount multiplied by a fraction, the 105705
numerator of which is the sum of the book value of the qualifying 105706
investee's physical assets in this state on the last day of the 105707
qualifying investee's fiscal or calendar year ending immediately 105708
prior to the day on which the trust recognizes the qualifying 105709
trust amount, and the denominator of which is the sum of the book 105710
value of the qualifying investee's total physical assets 105711
everywhere on the last day of the qualifying investee's fiscal or 105712
calendar year ending immediately prior to the day on which the 105713
trust recognizes the qualifying trust amount. If, for a taxable 105714
year, the trust recognizes a qualifying trust amount with respect 105715
to more than one qualifying investee, the amount described in 105716

division (BB)(4)(b) of this section shall equal the sum of the 105717
products so computed for each such qualifying investee. 105718

(c)(i) With respect to a trust or portion of a trust that is 105719
a resident as ascertained in accordance with division (I)(3)(d) of 105720
this section, its modified nonbusiness income. 105721

(ii) With respect to a trust or portion of a trust that is 105722
not a resident as ascertained in accordance with division 105723
(I)(3)(d) of this section, the amount of its modified nonbusiness 105724
income satisfying the descriptions in divisions (B)(2) to (5) of 105725
section 5747.20 of the Revised Code, except as otherwise provided 105726
in division (BB)(4)(c)(ii) of this section. With respect to a 105727
trust or portion of a trust that is not a resident as ascertained 105728
in accordance with division (I)(3)(d) of this section, the trust's 105729
portion of modified nonbusiness income recognized from the sale, 105730
exchange, or other disposition of a debt interest in or equity 105731
interest in a section 5747.212 entity, as defined in section 105732
5747.212 of the Revised Code, without regard to division (A) of 105733
that section, shall not be allocated to this state in accordance 105734
with section 5747.20 of the Revised Code but shall be apportioned 105735
to this state in accordance with division (B) of section 5747.212 105736
of the Revised Code without regard to division (A) of that 105737
section. 105738

If the allocation and apportionment of a trust's income under 105739
divisions (BB)(4)(a) and (c) of this section do not fairly 105740
represent the modified Ohio taxable income of the trust in this 105741
state, the alternative methods described in division (C) of 105742
section 5747.21 of the Revised Code may be applied in the manner 105743
and to the same extent provided in that section. 105744

(5)(a) Except as set forth in division (BB)(5)(b) of this 105745
section, "qualifying investee" means a person in which a trust has 105746
an equity or ownership interest, or a person or unit of government 105747
the debt obligations of either of which are owned by a trust. For 105748

the purposes of division (BB)(2)(a) of this section and for the 105749
purpose of computing the fraction described in division (BB)(4)(b) 105750
of this section, all of the following apply: 105751

(i) If the qualifying investee is a member of a qualifying 105752
controlled group on the last day of the qualifying investee's 105753
fiscal or calendar year ending immediately prior to the date on 105754
which the trust recognizes the gain or loss, then "qualifying 105755
investee" includes all persons in the qualifying controlled group 105756
on such last day. 105757

(ii) If the qualifying investee, or if the qualifying 105758
investee and any members of the qualifying controlled group of 105759
which the qualifying investee is a member on the last day of the 105760
qualifying investee's fiscal or calendar year ending immediately 105761
prior to the date on which the trust recognizes the gain or loss, 105762
separately or cumulatively own, directly or indirectly, on the 105763
last day of the qualifying investee's fiscal or calendar year 105764
ending immediately prior to the date on which the trust recognizes 105765
the qualifying trust amount, more than fifty per cent of the 105766
equity of a pass-through entity, then the qualifying investee and 105767
the other members are deemed to own the proportionate share of the 105768
pass-through entity's physical assets which the pass-through 105769
entity directly or indirectly owns on the last day of the 105770
pass-through entity's calendar or fiscal year ending within or 105771
with the last day of the qualifying investee's fiscal or calendar 105772
year ending immediately prior to the date on which the trust 105773
recognizes the qualifying trust amount. 105774

(iii) For the purposes of division (BB)(5)(a)(iii) of this 105775
section, "upper level pass-through entity" means a pass-through 105776
entity directly or indirectly owning any equity of another 105777
pass-through entity, and "lower level pass-through entity" means 105778
that other pass-through entity. 105779

An upper level pass-through entity, whether or not it is also 105780

a qualifying investee, is deemed to own, on the last day of the 105781
upper level pass-through entity's calendar or fiscal year, the 105782
proportionate share of the lower level pass-through entity's 105783
physical assets that the lower level pass-through entity directly 105784
or indirectly owns on the last day of the lower level pass-through 105785
entity's calendar or fiscal year ending within or with the last 105786
day of the upper level pass-through entity's fiscal or calendar 105787
year. If the upper level pass-through entity directly and 105788
indirectly owns less than fifty per cent of the equity of the 105789
lower level pass-through entity on each day of the upper level 105790
pass-through entity's calendar or fiscal year in which or with 105791
which ends the calendar or fiscal year of the lower level 105792
pass-through entity and if, based upon clear and convincing 105793
evidence, complete information about the location and cost of the 105794
physical assets of the lower pass-through entity is not available 105795
to the upper level pass-through entity, then solely for purposes 105796
of ascertaining if a gain or loss constitutes a qualifying trust 105797
amount, the upper level pass-through entity shall be deemed as 105798
owning no equity of the lower level pass-through entity for each 105799
day during the upper level pass-through entity's calendar or 105800
fiscal year in which or with which ends the lower level 105801
pass-through entity's calendar or fiscal year. Nothing in division 105802
(BB)(5)(a)(iii) of this section shall be construed to provide for 105803
any deduction or exclusion in computing any trust's Ohio taxable 105804
income. 105805

(b) With respect to a trust that is not a resident for the 105806
taxable year and with respect to a part of a trust that is not a 105807
resident for the taxable year, "qualifying investee" for that 105808
taxable year does not include a C corporation if both of the 105809
following apply: 105810

(i) During the taxable year the trust or part of the trust 105811
recognizes a gain or loss from the sale, exchange, or other 105812

disposition of equity or ownership interests in, or debt obligations of, the C corporation.	105813 105814
(ii) Such gain or loss constitutes nonbusiness income.	105815
(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.	105816 105817 105818 105819
(CC) "Qualifying controlled group" has the same meaning as in section 5733.04 of the Revised Code.	105820 105821
(DD) "Related member" has the same meaning as in section 5733.042 of the Revised Code.	105822 105823
(EE)(1) For the purposes of division (EE) of this section:	105824
(a) "Qualifying person" means any person other than a qualifying corporation.	105825 105826
(b) "Qualifying corporation" means any person classified for federal income tax purposes as an association taxable as a corporation, except either of the following:	105827 105828 105829
(i) A corporation that has made an election under subchapter S, chapter one, subtitle A, of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year;	105830 105831 105832 105833
(ii) A subsidiary that is wholly owned by any corporation that has made an election under subchapter S, chapter one, subtitle A of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year.	105834 105835 105836 105837
(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly or indirectly owned by any qualifying corporation.	105838 105839 105840
(FF) For purposes of this chapter and Chapter 5751. of the Revised Code:	105841 105842

(1) "Trust" does not include a qualified pre-income tax trust. 105843
105844

(2) A "qualified pre-income tax trust" is any pre-income tax trust that makes a qualifying pre-income tax trust election as described in division (FF)(3) of this section. 105845
105846
105847

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. The election, if timely made, shall be effective on and after January 1, 2006, and shall apply for all tax periods and tax years until revoked by the trustee of the trust. 105848
105849
105850
105851
105852
105853
105854
105855
105856
105857
105858

(4) A "pre-income tax trust" is a trust that satisfies all of the following requirements: 105859
105860

(a) The document or instrument creating the trust was executed by the grantor before January 1, 1972; 105861
105862

(b) The trust became irrevocable upon the creation of the trust; and 105863
105864

(c) The grantor was domiciled in this state at the time the trust was created. 105865
105866

Sec. 5747.058. (A) A refundable income tax credit granted by the tax credit authority under section 122.17 or division (B)(2) or (3) of section 122.171 of the Revised Code may be claimed under this chapter, in the order required under section 5747.98 of the Revised Code. For purposes of making tax payments under this chapter, taxes equal to the amount of the refundable credit shall 105867
105868
105869
105870
105871
105872

be considered to be paid to this state on the first day of the 105873
taxable year. The refundable credit shall not be claimed for any 105874
taxable years ending with or following the calendar year in which 105875
a relocation of employment positions occurs in violation of an 105876
agreement entered into under section 122.171 of the Revised Code. 105877

(B) A nonrefundable income tax credit granted by the tax 105878
credit authority under division (B)(1) of section 122.171 of the 105879
Revised Code may be claimed under this chapter, in the order 105880
required under section 5747.98 of the Revised Code. 105881

Sec. 5747.113. (A) Any taxpayer claiming a refund under 105882
section 5747.11 of the Revised Code ~~for taxable years ending on or~~ 105883
~~after October 14, 1983,~~ who wishes to contribute any part of the 105884
taxpayer's refund to the natural areas and preserves fund created 105885
in section 1517.11 of the Revised Code, the nongame and endangered 105886
wildlife fund created in section 1531.26 of the Revised Code, the 105887
military injury relief fund created in section 5101.98 of the 105888
Revised Code, the Ohio historical society income tax contribution 105889
fund created in section 149.308 of the Revised Code, or all of 105890
those funds, may designate on the taxpayer's income tax return the 105891
amount that the taxpayer wishes to contribute to the fund or 105892
funds. A designated contribution is irrevocable upon the filing of 105893
the return and shall be made in the full amount designated if the 105894
refund found due the taxpayer upon the initial processing of the 105895
taxpayer's return, after any deductions including those required 105896
by section 5747.12 of the Revised Code, is greater than or equal 105897
to the designated contribution. If the refund due as initially 105898
determined is less than the designated contribution, the 105899
contribution shall be made in the full amount of the refund. The 105900
tax commissioner shall subtract the amount of the contribution 105901
from the amount of the refund initially found due the taxpayer and 105902
shall certify the difference to the director of budget and 105903
management and treasurer of state for payment to the taxpayer in 105904

accordance with section 5747.11 of the Revised Code. For the 105905
purpose of any subsequent determination of the taxpayer's net tax 105906
payment, the contribution shall be considered a part of the refund 105907
paid to the taxpayer. 105908

(B) The tax commissioner shall provide a space on the income 105909
tax return form in which a taxpayer may indicate that the taxpayer 105910
wishes to make a donation in accordance with this section. The tax 105911
commissioner shall also print in the instructions accompanying the 105912
income tax return form a description of the purposes for which the 105913
natural areas and preserves fund, the nongame and endangered 105914
wildlife fund, ~~and~~ the military injury relief fund, and the Ohio 105915
historical society income tax contribution fund were created and 105916
the use of moneys from the income tax refund contribution system 105917
established in this section. No person shall designate on the 105918
person's income tax return any part of a refund claimed under 105919
section 5747.11 of the Revised Code as a contribution to any fund 105920
other than the natural areas and preserves fund, the nongame and 105921
endangered wildlife fund, the military injury relief fund, ~~or all~~ 105922
~~of those funds~~ the Ohio historical society income tax contribution 105923
fund. 105924

(C) The money collected under the income tax refund 105925
contribution system established in this section shall be deposited 105926
by the tax commissioner into the natural areas and preserves fund, 105927
the nongame and endangered wildlife fund, ~~and~~ the military injury 105928
relief fund, and the Ohio historical society income tax 105929
contribution fund in the amounts designated on the tax returns. 105930

(D) No later than the thirtieth day of September each year, 105931
the tax commissioner shall determine the total amount contributed 105932
to each fund under this section during the preceding eight months, 105933
any adjustments to prior months, and the cost to the department of 105934
taxation of administering the income tax refund contribution 105935
system during that eight-month period. The commissioner shall make 105936

an additional determination no later than the thirty-first day of 105937
January of each year of the total amount contributed to each fund 105938
under this section during the preceding four calendar months, any 105939
adjustments to prior years made during that four-month period, and 105940
the cost to the department of taxation of administering the income 105941
tax contribution system during that period. The cost of 105942
administering the income tax contribution system shall be 105943
certified by the tax commissioner to the director of budget and 105944
management, who shall transfer an amount equal to ~~one-third~~ 105945
one-fourth of such administrative costs from the natural areas and 105946
preserves fund, ~~one-third~~ one-fourth of such costs from the 105947
nongame and endangered wildlife fund, ~~and one-third~~ one-fourth of 105948
such costs from the military injury relief fund, and one-fourth of 105949
such costs from the Ohio historical society income tax 105950
contribution fund to the litter control and natural resource tax 105951
administration fund, which is hereby created, provided that the 105952
moneys that the department receives to pay the cost of 105953
administering the income tax refund contribution system in any 105954
year shall not exceed two and one-half per cent of the total 105955
amount contributed under that system during that year. 105956

(E)(1) The director of natural resources, in January of every 105957
odd-numbered year, shall report to the general assembly on the 105958
effectiveness of the income tax refund contribution system as it 105959
pertains to the natural areas and preserves fund and the nongame 105960
and endangered wildlife fund. The report shall include the amount 105961
of money contributed to each fund in each of the previous five 105962
years, the amount of money contributed directly to each fund in 105963
addition to or independently of the income tax refund contribution 105964
system in each of the previous five years, and the purposes for 105965
which the money was expended. 105966

(2) The director of job and family services and the director 105967
of the Ohio historical society, in January of every odd-numbered 105968

year, each shall report to the general assembly on the 105969
effectiveness of the income tax refund contribution system as it 105970
pertains to the military injury relief fund and the Ohio 105971
historical society income tax contribution fund, respectively. The 105972
report shall include the amount of money contributed to the fund 105973
in each of the previous five years, the amount of money 105974
contributed directly to the fund in addition to or independently 105975
of the income tax refund contribution system in each of the 105976
previous five years, and the purposes for which the money was 105977
expended. 105978

Sec. 5747.451. (A) The mere retirement from business or 105979
voluntary dissolution of a domestic or foreign qualifying entity 105980
does not exempt it from the requirements to make reports as 105981
required under sections 5747.42 to 5747.44 or to pay the taxes 105982
imposed under section 5733.41 or 5747.41 of the Revised Code. If 105983
any qualifying entity subject to the taxes imposed under section 105984
5733.41 or 5747.41 of the Revised Code sells its business or stock 105985
of merchandise or quits its business, the taxes required to be 105986
paid prior to that time, together with any interest or penalty 105987
thereon, become due and payable immediately, and the qualifying 105988
entity shall make a final return within fifteen days after the 105989
date of selling or quitting business. The successor of the 105990
qualifying entity shall withhold a sufficient amount of the 105991
purchase money to cover the amount of such taxes, interest, and 105992
penalties due and unpaid until the qualifying entity produces a 105993
receipt from the tax commissioner showing that the taxes, 105994
interest, and penalties have been paid, or a certificate 105995
indicating that no taxes are due. If the purchaser of the business 105996
or stock of goods fails to withhold purchase money, the purchaser 105997
is personally liable for the payment of the taxes, interest, and 105998
penalties accrued and unpaid during the operation of the business 105999
by the qualifying entity. If the amount of those taxes, interest, 106000

and penalty unpaid at the time of the purchase exceeds the total 106001
purchase money, the tax commissioner may adjust the qualifying 106002
entity's liability for those taxes, interest, and penalty, or 106003
adjust the responsibility of the purchaser to pay that liability, 106004
in a manner calculated to maximize the collection of those 106005
liabilities. 106006

(B) Annually, on the last day of each qualifying taxable year 106007
of a qualifying entity, the taxes imposed under section 5733.41 or 106008
5747.41 of the Revised Code, together with any penalties 106009
subsequently accruing thereon, become a lien on all property in 106010
this state of the qualifying entity, whether such property is 106011
employed by the qualifying entity in the prosecution of its 106012
business or is in the hands of an assignee, trustee, or receiver 106013
for the benefit of the qualifying entity's creditors and 106014
investors. The lien shall continue until those taxes, together 106015
with any penalties subsequently accruing, are paid. 106016

Upon failure of such a qualifying entity to pay those taxes 106017
on the day fixed for payment, the treasurer of state shall 106018
thereupon notify the tax commissioner, and the commissioner may 106019
file in the office of the county recorder in each county in this 106020
state in which the qualifying entity owns or has a beneficial 106021
interest in real estate, notice of the lien containing a brief 106022
description of such real estate. No fee shall be charged for such 106023
a filing. The lien is not valid as against any mortgagee, 106024
purchaser, or judgment creditor whose rights have attached prior 106025
to the time the notice is so filed in the county in which the real 106026
estate which is the subject of such mortgage, purchase, or 106027
judgment lien is located. The notice shall be recorded in a book 106028
kept by the recorder, called the qualifying entity tax lien 106029
record, and indexed under the name of the qualifying entity 106030
charged with the tax. When the tax, together with any penalties 106031
subsequently accruing thereon, have been paid, the tax 106032

commissioner shall furnish to the qualifying entity an 106033
acknowledgment of such payment that the qualifying entity may 106034
record with the recorder of each county in which notice of such 106035
lien has been filed, for which recording the recorder shall charge 106036
and receive a fee of two dollars. 106037

(C) In addition to all other remedies for the collection of 106038
any taxes or penalties due under law, whenever any taxes, 106039
interest, or penalties due from any qualifying entity under 106040
section 5733.41 of the Revised Code or this chapter have remained 106041
unpaid for a period of ninety days, or whenever any qualifying 106042
entity has failed for a period of ninety days to make any report 106043
or return required by law, or to pay any penalty for failure to 106044
make or file such report or return, the attorney general, upon the 106045
request of the tax commissioner, shall file a petition in the 106046
court of common pleas in the county of the state in which such 106047
qualifying entity has its principal place of business for a 106048
judgment for the amount of the taxes, interest, or penalties 106049
appearing to be due, the enforcement of any lien in favor of the 106050
state, and an injunction to restrain such qualifying entity and 106051
its officers, directors, and managing agents from the transaction 106052

All or any of the trustees or other fiduciaries, officers, 106073
directors, investors, beneficiaries, or managing agents of any 106074

Sec. 5747.51. (A) On or before the twenty-fifth day of July of each year, the tax commissioner shall make and certify to the county auditor of each county an estimate of the amount of the local government fund to be allocated to the undivided local government fund of each county for the ensuing calendar year ~~and the estimated amount to be received by the undivided local government fund of each county from the taxes levied pursuant to section 5707.03 of the Revised Code for the ensuing calendar year.~~

(B) At each annual regular session of the county budget commission convened pursuant to section 5705.27 of the Revised Code, each auditor shall present to the commission the certificate of the commissioner, the annual tax budget and estimates, and the records showing the action of the commission in its last preceding regular session. ~~The estimates shown on the certificate of the commissioner of the amount to be allocated from the local government fund and the amount to be received from taxes levied~~

~~pursuant to section 5707.03 of the Revised Code shall be combined~~ 106218
~~into one total comprising the estimate of the undivided local~~ 106219
~~government fund of the county.~~ The commission, after extending to 106220
the representatives of each subdivision an opportunity to be 106221
heard, under oath administered by any member of the commission, 106222
and considering all the facts and information presented to it by 106223
the auditor, shall determine the amount of the undivided local 106224
government fund needed by and to be apportioned to each 106225
subdivision for current operating expenses, as shown in the tax 106226
budget of the subdivision. This determination shall be made 106227
pursuant to divisions (C) to (I) of this section, unless the 106228
commission has provided for a formula pursuant to section 5747.53 106229
of the Revised Code. 106230

Nothing in this section prevents the budget commission, for 106231
the purpose of apportioning the undivided local government fund, 106232
from inquiring into the claimed needs of any subdivision as stated 106233
in its tax budget, or from adjusting claimed needs to reflect 106234
actual needs. For the purposes of this section, "current operating 106235
expenses" means the lawful expenditures of a subdivision, except 106236
those for permanent improvements and except payments for interest, 106237
sinking fund, and retirement of bonds, notes, and certificates of 106238

(C) The commission shall determine the combined total of the 106240
estimated expenditures, including transfers, from the general fund 106241
and any special funds other than special funds established for 106242
road and bridge; street construction, maintenance, and repair; 106243
state highway improvement; and gas, water, sewer, and electric 106244
public utilities operated by a subdivision, as shown in the 106245
subdivision's tax budget for the ensuing calendar year. 106246

(D) From the combined total of expenditures calculated 106247
pursuant to division (C) of this section, the commission shall 106248
deduct the following expenditures, if included in these funds in 106249

the tax budget:	106250
(1) Expenditures for permanent improvements as defined in division (E) of section 5705.01 of the Revised Code;	106251 106252
(2) In the case of counties and townships, transfers to the road and bridge fund, and in the case of municipalities, transfers to the street construction, maintenance, and repair fund and the state highway improvement fund;	106253 106254 106255 106256
(3) Expenditures for the payment of debt charges;	106257
(4) Expenditures for the payment of judgments.	106258
(E) In addition to the deductions made pursuant to division (D) of this section, revenues accruing to the general fund and any special fund considered under division (C) of this section from the following sources shall be deducted from the combined total of expenditures calculated pursuant to division (C) of this section:	106259 106260 106261 106262 106263
(1) Taxes levied within the ten-mill limitation, as defined in section 5705.02 of the Revised Code;	106264 106265
(2) The budget commission allocation of estimated county public library fund revenues to be distributed pursuant to section 5747.48 of the Revised Code;	106266 106267 106268

(4) Revenue, including transfers, shown in the general fund and any special funds other than special funds established for road and bridge; street construction, maintenance, and repair; state highway improvement; and gas, water, sewer, and electric public utilities, from all other sources except those that a subdivision receives from an additional tax or service charge voted by its electorate or receives from special assessment or	106273 106274 106275 106276 106277 106278 106279

revenue bond collection. For the purposes of this division, where 106280
the charter of a municipal corporation prohibits the levy of an 106281
income tax, an income tax levied by the legislative authority of 106282
such municipal corporation pursuant to an amendment of the charter 106283
of that municipal corporation to authorize such a levy represents 106284
an additional tax voted by the electorate of that municipal 106285
corporation. For the purposes of this division, any measure 106286
adopted by a board of county commissioners pursuant to section 106287
322.02, 324.02, 4504.02, or 5739.021 of the Revised Code, 106288
including those measures upheld by the electorate in a referendum 106289
conducted pursuant to section 322.021, 324.021, 4504.021, or 106290
5739.022 of the Revised Code, shall not be considered an 106291
additional tax voted by the electorate. 106292

Subject to division (G) of section 5705.29 of the Revised 106293
Code, money in a reserve balance account established by a county, 106294
township, or municipal corporation under section 5705.13 of the 106295
Revised Code shall not be considered an unencumbered balance or 106296
revenue under division (E)(3) or (4) of this section. Money in a 106297
reserve balance account established by a township under section 106298
5705.132 of the Revised Code shall not be considered an 106299
unencumbered balance or revenue under division (E)(3) or (4) of 106300
this section. 106301

If a county, township, or municipal corporation has created 106302
and maintains a nonexpendable trust fund under section 5705.131 of 106303
the Revised Code, the principal of the fund, and any additions to 106304
the principal arising from sources other than the reinvestment of 106305
investment earnings arising from such a fund, shall not be 106306
considered an unencumbered balance or revenue under division 106307
(E)(3) or (4) of this section. Only investment earnings arising 106308
from investment of the principal or investment of such additions 106309
to principal may be considered an unencumbered balance or revenue 106310
under those divisions. 106311

(F) The total expenditures calculated pursuant to division 106312
(C) of this section, less the deductions authorized in divisions 106313
(D) and (E) of this section, shall be known as the "relative need" 106314
of the subdivision, for the purposes of this section. 106315

(G) The budget commission shall total the relative need of 106316
all participating subdivisions in the county, and shall compute a 106317
relative need factor by dividing the total estimate of the 106318
undivided local government fund by the total relative need of all 106319
participating subdivisions. 106320

(H) The relative need of each subdivision shall be multiplied 106321
by the relative need factor to determine the proportionate share 106322
of the subdivision in the undivided local government fund of the 106323
county; provided, that the maximum proportionate share of a county 106324
shall not exceed the following maximum percentages of the total 106325
estimate of the undivided local government fund governed by the 106326
relationship of the percentage of the population of the county 106327
that resides within municipal corporations within the county to 106328
the total population of the county as reported in the reports on 106329
population in Ohio by the department of development as of the 106330
twentieth day of July of the year in which the tax budget is filed 106331
with the budget commission: 106332

Percentage of municipal 106333 population within the county:	Percentage share of the county shall not exceed:
---	---

Less than forty-one per cent	Sixty per cent	106334
------------------------------	----------------	--------

Forty-one per cent or more but	Fifty per cent	106335
--------------------------------	----------------	--------

less than eighty-one per cent		106336
-------------------------------	--	--------

Eighty-one per cent or more	Thirty per cent	106337
-----------------------------	-----------------	--------

Where the proportionate share of the county exceeds the 106338
limitations established in this division, the budget commission 106339
shall adjust the proportionate shares determined pursuant to this 106340
division so that the proportionate share of the county does not 106341

exceed these limitations, and it shall increase the proportionate 106342
shares of all other subdivisions on a pro rata basis. In counties 106343
having a population of less than one hundred thousand, not less 106344
than ten per cent shall be distributed to the townships therein. 106345

(I) The proportionate share of each subdivision in the 106346
undivided local government fund determined pursuant to division 106347
(H) of this section for any calendar year shall not be less than 106348
the product of the average of the percentages of the undivided 106349
local government fund of the county as apportioned to that 106350
subdivision for the calendar years 1968, 1969, and 1970, 106351
multiplied by the total amount of the undivided local government 106352
fund of the county apportioned pursuant to former section 5735.23 106353
of the Revised Code for the calendar year 1970. For the purposes 106354
of this division, the total apportioned amount for the calendar 106355
year 1970 shall be the amount actually allocated to the county in 106356
1970 from the state collected intangible tax as levied by section 106357
5707.03 of the Revised Code and distributed pursuant to section 106358
5725.24 of the Revised Code, plus the amount received by the 106359
county in the calendar year 1970 pursuant to division (B)(1) of 106360
former section 5739.21 of the Revised Code, and distributed 106361
pursuant to former section 5739.22 of the Revised Code. If the 106362
total amount of the undivided local government fund for any 106363
calendar year is less than the amount of the undivided local 106364
government fund apportioned pursuant to former section 5739.23 of 106365
the Revised Code for the calendar year 1970, the minimum amount 106366
guaranteed to each subdivision for that calendar year pursuant to 106367
this division shall be reduced on a basis proportionate to the 106368
amount by which the amount of the undivided local government fund 106369
for that calendar year is less than the amount of the undivided 106370
local government fund apportioned for the calendar year 1970. 106371

(J) On the basis of such apportionment, the county auditor 106372
shall compute the percentage share of each such subdivision in the 106373

undivided local government fund and shall at the same time certify 106374
to the tax commissioner the percentage share of the county as a 106375
subdivision. No payment shall be made from the undivided local 106376
government fund, except in accordance with such percentage shares. 106377

Within ten days after the budget commission has made its 106378
apportionment, whether conducted pursuant to section 5747.51 or 106379
5747.53 of the Revised Code, the auditor shall publish a list of 106380
the subdivisions and the amount each is to receive from the 106381
undivided local government fund and the percentage share of each 106382
subdivision, in a newspaper or newspapers of countywide 106383
circulation, and send a copy of such allocation to the tax 106384
commissioner. 106385

The county auditor shall also send by certified mail, return 106386
receipt requested, a copy of such allocation to the fiscal officer 106387
of each subdivision entitled to participate in the allocation of 106388
the undivided local government fund of the county. This copy shall 106389
constitute the official notice of the commission action referred 106390
to in section 5705.37 of the Revised Code. 106391

All money received into the treasury of a subdivision from 106392
the undivided local government fund in a county treasury shall be 106393
paid into the general fund and used for the current operating 106394
expenses of the subdivision. 106395

If a municipal corporation maintains a municipal university, 106396
such municipal university, when the board of trustees so requests 106397
the legislative authority of the municipal corporation, shall 106398
participate in the money apportioned to such municipal corporation 106399
from the total local government fund, however created and 106400
constituted, in such amount as requested by the board of trustees, 106401
provided such sum does not exceed nine per cent of the total 106402
amount paid to the municipal corporation. 106403

If any public official fails to maintain the records required 106404

by sections 5747.50 to 5747.55 of the Revised Code or by the rules 106405
issued by the tax commissioner, the auditor of state, or the 106406
treasurer of state pursuant to such sections, or fails to comply 106407
with any law relating to the enforcement of such sections, the 106408
local government fund money allocated to the county may be 106409
withheld until such time as the public official has complied with 106410
such sections or such law or the rules issued pursuant thereto. 106411

Sec. 5748.02. (A) The board of education of any school 106412
district, except a joint vocational school district, may declare, 106413
by resolution, the necessity of raising annually a specified 106414
amount of money for school district purposes. The resolution shall 106415
specify whether the income that is to be subject to the tax is 106416
taxable income of individuals and estates as defined in divisions 106417
(E)(1)(a) and (2) of section 5748.01 of the Revised Code or 106418
taxable income of individuals as defined in division (E)(1)(b) of 106419
that section. A copy of the resolution shall be certified to the 106420
tax commissioner no later than one hundred days prior to the date 106421
of the election at which the board intends to propose a levy under 106422
this section. Upon receipt of the copy of the resolution, the tax 106423
commissioner shall estimate both of the following: 106424

(1) The property tax rate that would have to be imposed in 106425
the current year by the district to produce an equivalent amount 106426
of money; 106427

(2) The income tax rate that would have had to have been in 106428
effect for the current year to produce an equivalent amount of 106429
money from a school district income tax. 106430

Within ten days of receiving the copy of the board's 106431
resolution, the commissioner shall prepare these estimates and 106432
certify them to the board. Upon receipt of the certification, the 106433
board may adopt a resolution proposing an income tax under 106434
division (B) of this section at the estimated rate contained in 106435

the certification rounded to the nearest one-fourth of one per cent. The commissioner's certification applies only to the board's proposal to levy an income tax at the election for which the board requested the certification. If the board intends to submit a proposal to levy an income tax at any other election, it shall request another certification for that election in the manner prescribed in this division.

(B)(1) Upon the receipt of a certification from the tax commissioner under division (A) of this section, a majority of the members of a board of education may adopt a resolution proposing the levy of an annual tax for school district purposes on school district income. The proposed levy may be for a continuing period of time or for a specified number of years. The resolution shall set forth the purpose for which the tax is to be imposed, the rate of the tax, which shall be the rate set forth in the commissioner's certification rounded to the nearest one-fourth of one per cent, the number of years the tax will be levied or that it will be levied for a continuing period of time, the date on which the tax shall take effect, which shall be the first day of January of any year following the year in which the question is submitted, and the date of the election at which the proposal shall be submitted to the electors of the district, which shall be on the date of a primary, general, or special election the date of which is consistent with section 3501.01 of the Revised Code. The resolution shall specify whether the income that is to be subject to the tax is taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised Code or taxable income of individuals as defined in division (E)(1)(b) of that section. The specification shall be the same as the specification in the resolution adopted and certified under division (A) of this section.

If the tax is to be levied for current expenses and permanent

improvements, the resolution shall apportion the annual rate of 106468
the tax. The apportionment may be the same or different for each 106469
year the tax is levied, but the respective portions of the rate 106470
actually levied each year for current expenses and for permanent 106471
improvements shall be limited by the apportionment. 106472

If the board of education currently imposes an income tax 106473
pursuant to this chapter that is due to expire and a question is 106474
submitted under this section for a proposed income tax to take 106475
effect upon the expiration of the existing tax, the board may 106476
specify in the resolution that the proposed tax renews the 106477
expiring tax. Two or more expiring income taxes may be renewed 106478
under this paragraph if the taxes are due to expire on the same 106479
date. If the tax rate being proposed is no higher than the total 106480
tax rate imposed by the expiring tax or taxes, the resolution may 106481
state that the proposed tax is not an additional income tax. 106482

(2) A board of education adopting a resolution under division 106483
(B)(1) of this section proposing a school district income tax for 106484
a continuing period of time and limited to the purpose of current 106485
expenses may propose in that resolution to reduce the rate or 106486
rates of one or more of the school district's property taxes 106487
levied for a continuing period of time in excess of the ten-mill 106488
limitation for the purpose of current expenses. The reduction in 106489
the rate of a property tax may be any amount, expressed in mills 106490
per one dollar in valuation, not exceeding the rate at which the 106491
tax is authorized to be levied. The reduction in the rate of a tax 106492
shall first take effect for the tax year that includes the day on 106493
which the school district income tax first takes effect, and shall 106494
continue for each tax year that both the school district income 106495
tax and the property tax levy are in effect. 106496

In addition to the matters required to be set forth in the 106497
resolution under division (B)(1) of this section, a resolution 106498
containing a proposal to reduce the rate of one or more property 106499

taxes shall state for each such tax the maximum rate at which it 106500
currently may be levied and the maximum rate at which the tax 106501
could be levied after the proposed reduction, expressed in mills 106502
per one dollar in valuation, and that the tax is levied for a 106503
continuing period of time. 106504

If a board of education proposes to reduce the rate of one or 106505
more property taxes under division (B)(2) of this section, the 106506
board, when it makes the certification required under division (A) 106507
of this section, shall designate the specific levy or levies to be 106508
reduced, the maximum rate at which each levy currently is 106509
authorized to be levied, and the rate by which each levy is 106510
proposed to be reduced. The tax commissioner, when making the 106511
certification to the board under division (A) of this section, 106512
also shall certify the reduction in the total effective tax rate 106513
for current expenses for each class of property that would have 106514
resulted if the proposed reduction in the rate or rates had been 106515
in effect the previous tax year. As used in this paragraph, 106516
"effective tax rate" has the same meaning as in section 323.08 of 106517
the Revised Code. 106518

(C) A resolution adopted under division (B) of this section 106519
shall go into immediate effect upon its passage, and no 106520
publication of the resolution shall be necessary other than that 106521
provided for in the notice of election. Immediately after its 106522
adoption and at least ninety days prior to the election at which 106523
the question will appear on the ballot, a copy of the resolution 106524
shall be certified to the board of elections of the proper county, 106525
which shall submit the proposal to the electors on the date 106526
specified in the resolution. The form of the ballot shall be as 106527
provided in section 5748.03 of the Revised Code. Publication of 106528
notice of the election shall be made in ~~one or more newspapers~~ a 106529
newspaper of general circulation in the county once a week for two 106530
consecutive weeks, or as provided in section 7.16 of the Revised 106531

~~Code,~~ prior to the election, ~~and, if.~~ If the board of elections 106532
operates and maintains a web site, the board of elections shall 106533
post notice of the election on its web site for thirty days prior 106534
to the election. The notice shall contain the time and place of 106535
the election and the question to be submitted to the electors. The 106536
question covered by the resolution shall be submitted as a 106537
separate proposition, but may be printed on the same ballot with 106538
any other proposition submitted at the same election, other than 106539
the election of officers. 106540

(D) No board of education shall submit the question of a tax 106541
on school district income to the electors of the district more 106542
than twice in any calendar year. If a board submits the question 106543
twice in any calendar year, one of the elections on the question 106544
shall be held on the date of the general election. 106545

(E)(1) No board of education may submit to the electors of 106546
the district the question of a tax on school district income on 106547
the taxable income of individuals as defined in division (E)(1)(b) 106548
of section 5748.01 of the Revised Code if that tax would be in 106549
addition to an existing tax on the taxable income of individuals 106550
and estates as defined in divisions (E)(1)(a) and (2) of that 106551
section. 106552

(2) No board of education may submit to the electors of the 106553
district the question of a tax on school district income on the 106554
taxable income of individuals and estates as defined in divisions 106555
(E)(1)(a) and (2) of section 5748.01 of the Revised Code if that 106556
tax would be in addition to an existing tax on the taxable income 106557
of individuals as defined in division (E)(1)(b) of that section. 106558

Sec. 5748.021. A board of education that levies a tax under 106559
section 5748.02 of the Revised Code on the school district income 106560
of individuals and estates as defined in divisions (G) and 106561
(E)(1)(a) and (2) of section 5748.01 of the Revised Code may 106562

declare, at any time, by a resolution adopted by a majority of its members, the necessity of raising annually a specified amount of money for school district purposes by replacing the existing tax with a tax on the school district income of individuals as defined in divisions (G)(1) and (E)(1)(b) of section 5748.01 of the Revised Code. The specified amount of money to be raised annually may be the same as, or more or less than, the amount of money raised annually by the existing tax.

The board shall certify a copy of the resolution to the tax commissioner not later than the eighty-fifth day before the date of the election at which the board intends to propose the replacement to the electors of the school district. Not later than the tenth day after receiving the resolution, the tax commissioner shall estimate the tax rate that would be required in the school district annually to raise the amount of money specified in the resolution. The tax commissioner shall certify the estimate to the board.

Upon receipt of the tax commissioner's estimate, the board may propose, by a resolution adopted by a majority of its members, to replace the existing tax on the school district income of individuals and estates as defined in divisions (G) and (E)(1)(a) and (2) of section 5748.01 of the Revised Code with the levy of an annual tax on the school district income of individuals as defined in divisions (G)(1) and (E)(1)(b) of section 5748.01 of the Revised Code. In the resolution, the board shall specify the rate of the replacement tax, whether the replacement tax is to be levied for a specified number of years or for a continuing time, the specific school district purposes for which the replacement tax is to be levied, the date on which the replacement tax will begin to be levied, the date of the election at which the question of the replacement is to be submitted to the electors of the school district, that the existing tax will cease to be levied and

the replacement tax will begin to be levied if the replacement is approved by a majority of the electors voting on the replacement, and that if the replacement is not approved by a majority of the electors voting on the replacement the existing tax will remain in effect under its original authority for the remainder of its previously approved term. The resolution goes into immediate effect upon its adoption. Publication of the resolution is not necessary, and the information that will be provided in the notice of election is sufficient notice. At least seventy-five days before the date of the election at which the question of the replacement will be submitted to the electors of the school district, the board shall certify a copy of the resolution to the board of elections.

The replacement tax shall have the same specific school district purposes as the existing tax, and its rate shall be the same as the tax commissioner's estimate rounded to the nearest one-fourth of one per cent. The replacement tax shall begin to be levied on the first day of January of the year following the year in which the question of the replacement is submitted to and approved by the electors of the school district or on the first day of January of a later year, as specified in the resolution. The date of the election shall be the date of an otherwise scheduled primary, general, or special election.

The board of elections shall make arrangements to submit the question of the replacement to the electors of the school district on the date specified in the resolution. The board of elections shall publish notice of the election on the question of the replacement in one ~~or more newspapers~~ newspaper of general circulation in the school district once a week for four consecutive weeks or as provided in section 7.16 of the Revised Code. The notice shall set forth the question to be submitted to the electors and the time and place of the election thereon.

The question shall be submitted to the electors of the school district as a separate proposition, but may be printed on the same ballot with other propositions that are submitted at the same election, other than the election of officers. The form of the ballot shall be substantially as follows:

"Shall the existing tax of (state the rate) on the school district income of individuals and estates imposed by (state the name of the school district) be replaced by a tax of (state the rate) on the earned income of individuals residing in the school district for (state the number of years the tax is to be in effect or that it will be in effect for a continuing time), beginning (state the date the new tax will take effect), for the purpose of (state the specific school district purposes of the tax)? If the new tax is not approved, the existing tax will remain in effect under its original authority, for the remainder of its previously approved term.

	For replacing the existing tax with the new tax
	Against replacing the existing tax with the new tax

The board of elections shall conduct and canvass the election in the same manner as regular elections in the school district for the election of county officers. The board shall certify the results of the election to the board of education and to the tax commissioner. If a majority of the electors voting on the question vote in favor of the replacement, the existing tax shall cease to be levied, and the replacement tax shall begin to be levied, on the date specified in the ballot question. If a majority of the electors voting on the question vote against the replacement, the existing tax shall continue to be levied under its original authority, for the remainder of its previously approved term.

A board of education may not submit the question of replacing a tax more than twice in a calendar year. If a board submits the question more than once, one of the elections at which the question is submitted shall be on the date of a general election.

If a board of education later intends to renew a replacement tax levied under this section, it shall repeat the procedure outlined in this section to do so, the replacement tax then being levied being the "existing tax" and the renewed replacement tax being the "replacement tax."

Sec. 5748.04. (A) The question of the repeal of a school district income tax levied for more than five years may be initiated not more than once in any five-year period by filing with the board of elections of the appropriate counties not later than ninety days before the general election in any year after the year in which it is approved by the electors a petition requesting that an election be held on the question. The petition shall be signed by qualified electors residing in the school district levying the income tax equal in number to ten per cent of those voting for governor at the most recent gubernatorial election.

The board of elections shall determine whether the petition is valid, and if it so determines, it shall submit the question to the electors of the district at the next general election. The election shall be conducted, canvassed, and certified in the same manner as regular elections for county offices in the county. Notice of the election shall be published in a newspaper of general circulation in the district once a week for two consecutive weeks, or as provided in section 7.16 of the Revised Code, prior to the election, ~~and, if~~. If the board of elections operates and maintains a web site, the board of elections shall post notice of the election on its web site for thirty days prior to the election. The notice shall state the purpose, time, and

place of the election. The form of the ballot cast at the election 106688
shall be as follows: 106689

"Shall the annual income tax of per cent, currently 106690

106695

106696

106697

(B)(1) If the tax is imposed on taxable income as defined in 106698
division (E)(1)(b) of section 5748.01 of the Revised Code, the 106699
form of the ballot shall be modified by stating that the tax 106700
currently is levied on the "earned income of individuals residing 106701
in the school district" in lieu of the "school district income of 106702
individuals and estates." 106703

(2) If the rate of one or more property tax levies was 106704
reduced for the duration of the income tax levy pursuant to 106705
division (B)(2) of section 5748.02 of the Revised Code, the form 106706
of the ballot shall be modified by adding the following language 106707
immediately after "repealed": ", and shall the rate of an existing 106708
tax on property for the purpose of current expenses, which rate 106709
was reduced for the duration of the income tax, be INCREASED from 106710
..... mills to mills per one dollar of valuation beginning 106711
in (state the first year for which the rate of the property 106712
tax will increase)." In lieu of "for repeal of the income tax" and 106713
"against repeal of the income tax," the phrases "for the issue" 106714
and "against the issue," respectively, shall be substituted. 106715

(3) If the rate of more than one property tax was reduced for 106716
the duration of the income tax, the ballot language shall be 106717
modified accordingly to express the rates at which those taxes 106718

currently are levied and the rates to which the taxes would be increased. 106719
106720

(C) The question covered by the petition shall be submitted as a separate proposition, but it may be printed on the same ballot with any other proposition submitted at the same election other than the election of officers. If a majority of the qualified electors voting on the question vote in favor of it, the result shall be certified immediately after the canvass by the board of elections to the board of education of the school district and the tax commissioner, who shall thereupon, after the current year, cease to levy the tax, except that if notes have been issued pursuant to section 5748.05 of the Revised Code the tax commissioner shall continue to levy and collect under authority of the election authorizing the levy an annual amount, rounded upward to the nearest one-fourth of one per cent, as will be sufficient to pay the debt charges on the notes as they fall due. 106721

(D) If a school district income tax repealed pursuant to this section was approved in conjunction with a reduction in the rate of one or more school district property taxes as provided in division (B)(2) of section 5748.02 of the Revised Code, then each such property tax may be levied after the current year at the rate at which it could be levied prior to the reduction, subject to any adjustments required by the county budget commission pursuant to Chapter 5705. of the Revised Code. Upon the repeal of a school district income tax under this section, the board of education may resume levying a property tax, the rate of which has been reduced pursuant to a question approved under section 5748.02 of the Revised Code, at the rate the board originally was authorized to levy the tax. to levy the tax upon such a repeal does not constitute a tax 106753
levied in excess of the one per cent limitation prescribed by 106754
Section 2 of Article XII, Ohio Constitution, or in excess of the 106755
ten-mill limitation. 106756

(E) This section does not apply to school district income tax 106757

Sec. 5748.08. (A) The board of education of a city, local, or 106759
exempted village school district, at any time by a vote of 106760
two-thirds of all its members, may declare by resolution that it 106761
may be necessary for the school district to do all of the 106762

purposes by levying an annual tax on school district income; 106765

(2) Issue general obligation bonds for permanent 106766

of interest, and maximum number of years over which the principal 106769
of the bonds may be paid; 106770

(3) Levy a tax outside the ten-mill limitation to pay debt 106771

The resolution shall specify whether the income that is to be 106775
subject to the tax is taxable income of individuals and estates as 106776
defined in divisions (E)(1)(a) and (2) of section 5748.01 of the 106777
Revised Code or taxable income of individuals as defined in 106778
division (E)(1)(b) of that section. 106779

On adoption of the resolution, the board shall certify a copy 106780

of it to the tax commissioner and the county auditor no later than 106781
one hundred five days prior to the date of the special election at 106782
which the board intends to propose the income tax and bond issue. 106783
Not later than ten days of receipt of the resolution, the tax 106784
commissioner, in the same manner as required by division (A) of 106785
section 5748.02 of the Revised Code, shall estimate the rates 106786
designated in divisions (A)(1) and (2) of that section and certify 106787

amount of taxes that can be raised within the ten-mill limitation 106801
will be insufficient to provide an adequate amount for the present 106802
and future requirements of the school district; that it is 106803
necessary to issue general obligation bonds of the school district 106804
for specified permanent improvements and to levy an additional tax 106805
in excess of the ten-mill limitation to pay the debt charges on 106806
the bonds and any anticipatory securities; and that the question 106807
of the bonds and taxes shall be submitted to the electors of the 106808
school district at a special election, which shall not be earlier 106809
than ninety days after certification of the resolution to the 106810
board of elections, and the date of which shall be consistent with 106811
section 3501.01 of the Revised Code. The resolution shall specify 106812

shall go into immediate effect upon its passage, and no 106834
publication of the resolution shall be necessary other than that 106835
provided for in the notice of election. Immediately after its 106836
adoption and at least ninety days prior to the election at which 106837
the question will appear on the ballot, the board of education 106838
shall certify a copy of the resolution, along with copies of the 106839

106846

The resolution shall be put before the electors as one ballot question, with a majority vote indicating approval of the school district income tax, the bond issue, and the levy to pay debt charges on the bonds and any anticipatory securities. their issuance over a period not to exceed five years, and may 106921
have a principal payment in the year of their issuance. 106922

(H) The question of repeal of a school district income tax 106923

section to the electors of the school district more than twice in 106927
any calendar year. If a board submits the question twice in any 106928

arrangement, any of which is described in section 501(a) of the 107117
Internal Revenue Code, or to which Title 26, Subtitle A, Chapter 107118
1, Subchapter (D) of the Internal Revenue Code applies; 107119

an individual for medical or education expenses, health insurance 107124
premiums, or employee expenses, or on account of a dependent care 107125
spending account, legal services plan, any cafeteria plan 107126
described in section 125 of the Internal Revenue Code, or any 107127
similar employee reimbursement; 107128

(h) Proceeds received from the issuance of the taxpayer's own 107129

any person when any excess receipts are donated or used 107140

by an agent on behalf of another in excess of the agent's 107146
commission, fee, or other remuneration; 107147

consolidated elected taxpayer group, and reimbursements made by 107151
entities that are not members of a combined taxpayer or 107152

consolidated elected taxpayer group that are required to be made 107153
for economic parity among multiple owners of an entity whose tax 107154
obligation under this chapter is required to be reported and paid 107155

(u) Receipts from a financial institution described in 107192
division (E)(3) of this section for services provided to the 107193

have the same meanings as in section 1322.01 of the Revised Code, 107208
except "mortgage broker" means a person assisting a buyer in 107209
obtaining a mortgage loan for a fee or other consideration paid by 107210

amounts specified under that chapter to be used as purse money; 107223

(z) Qualifying distribution center receipts. 107224

(i) For purposes of division (F)(2)(z) of this section: 107225

(I) "Qualifying distribution center receipts" means receipts 107226
of a supplier from qualified property that is delivered to a 107227
qualified distribution center, multiplied by a quantity that 107228
equals one minus the Ohio delivery percentage. 107229

(II) "Qualified property" means tangible personal property 107230
delivered to a qualified distribution center that is shipped to 107231
that qualified distribution center solely for further shipping by 107232
the qualified distribution center to another location in this 107233
state or elsewhere. "Further shipping" includes storing and 107234
repackaging such property into smaller or larger bundles, so long 107235
as such property is not subject to further manufacturing or 107236
processing. 107237

(III) "Qualified distribution center" means a warehouse or 107238
other similar facility in this state that, for the qualifying 107239
year, is operated by a person that is not part of a combined 107240
taxpayer group and that has a qualifying certificate. However, all 107241
warehouses or other similar facilities that are operated by 107242
persons in the same taxpayer group and that are located within one 107243
mile of each other shall be treated as one qualified distribution 107244
center. 107245

(IV) "Qualifying year" means the calendar year to which the
qualifying certificate applies.

(V) "Qualifying period" means the period of the first day of
July of the second year preceding the qualifying year through the
thirtieth day of June of the year preceding the qualifying year.

(VI) "Qualifying certificate" means the certificate issued by
the tax commissioner after the operator of a distribution center
files an annual application with the commissioner. The application
and annual fee shall be filed and paid for each qualified
distribution center on or before the first day of September before
the qualifying year or within forty-five days after the
distribution center opens, whichever is later.

The applicant must substantiate to the commissioner's
satisfaction that, for the qualifying period, all persons
operating the distribution center have more than fifty per cent of
the cost of the qualified property shipped to a location such that
it would be situated outside this state under the provisions of
division (E) of section 5751.033 of the Revised Code. The
applicant must also substantiate that the distribution center
cumulatively had costs from its suppliers equal to or exceeding
five hundred million dollars during the qualifying period. (For
purposes of division (F)(2)(z)(i)(VI) of this section, "supplier"
excludes any person that is part of the consolidated elected
taxpayer group, if applicable, of the operator of the qualified
distribution center.) The commissioner may require the applicant
to have an independent certified public accountant certify that
the calculation of the minimum thresholds required for a qualified
distribution center by the operator of a distribution center has
been made in accordance with generally accepted accounting
principles. The commissioner shall issue or deny the issuance of a
certificate within sixty days after the receipt of the
application. A denial is subject to appeal under section 5717.02

of the Revised Code. If the operator files a timely appeal under 107278
section 5717.02 of the Revised Code, the operator shall be granted 107279
a qualifying certificate, provided that the operator is liable for 107280
any tax, interest, or penalty upon amounts claimed as qualifying 107281
distribution center receipts, other than those receipts exempt 107282
under division (C)(1) of section 5751.011 of the Revised Code, 107283
that would have otherwise not been owed by its suppliers if the 107284
qualifying certificate was valid. 107285

(VII) "Ohio delivery percentage" means the proportion of the 107286
total property delivered to a destination inside Ohio from the 107287
qualified distribution center during the qualifying period 107288
compared with total deliveries from such distribution center 107289
everywhere during the qualifying period. 107290

(ii) If the distribution center is new and was not open for 107291
the entire qualifying period, the operator of the distribution 107292
center may request that the commissioner grant a qualifying 107293
certificate. If the certificate is granted and it is later 107294
determined that more than fifty per cent of the qualified property 107295
during that year was not shipped to a location such that it would 107296
be situated outside of this state under the provisions of division 107297
(E) of section 5751.033 of the Revised Code or if it is later 107298
determined that the person that operates the distribution center 107299
had average monthly costs from its suppliers of less than forty 107300
million dollars during that year, then the operator of the 107301
distribution center shall be liable for any tax, interest, or 107302
penalty upon amounts claimed as qualifying distribution center 107303
receipts, other than those receipts exempt under division (C)(1) 107304
of section 5751.011 of the Revised Code, that would have not 107305
otherwise been owed by its suppliers during the qualifying year if 107306
the qualifying certificate was valid. (For purposes of division 107307
(F)(2)(z)(ii) of this section, "supplier" excludes any person that 107308
is part of the consolidated elected taxpayer group, if applicable, 107309

of the operator of the qualified distribution center.) 107310

(iii) When filing an application for a qualifying certificate 107311
under division (F)(2)(z)(i)(VI) of this section, the operator of a 107312
qualified distribution center also shall provide documentation, as 107313
the commissioner requires, for the commissioner to ascertain the 107314
Ohio delivery percentage. The commissioner, upon issuing the 107315
qualifying certificate, also shall certify the Ohio delivery 107316
percentage. The operator of the qualified distribution center may 107317
appeal the commissioner's certification of the Ohio delivery 107318
percentage in the same manner as an appeal is taken from the 107319
denial of a qualifying certificate under division (F)(2)(z)(i)(VI) 107320
of this section. 107321

Within thirty days after all appeals have been exhausted, the 107322
operator of the qualified distribution center shall notify the 107323
affected suppliers of qualified property that such suppliers are 107324
required to file, within sixty days after receiving notice from 107325
the operator of the qualified distribution center, amended reports 107326
for the impacted calendar quarter or quarters or calendar year, 107327
whichever the case may be. Any additional tax liability or tax 107328
overpayment shall be subject to interest but shall not be subject 107329
to the imposition of any penalty so long as the amended returns 107330
are timely filed. The supplier of tangible personal property 107331
delivered to the qualified distribution center shall include in 107332
its report of taxable gross receipts the receipts from the total 107333
sales of property delivered to the qualified distribution center 107334
for the calendar quarter or calendar year, whichever the case may 107335
be, multiplied by the Ohio delivery percentage for the qualifying 107336
year. Nothing in division (F)(2)(z)(iii) of this section shall be 107337
construed as imposing liability on the operator of a qualified 107338
distribution center for the tax imposed by this chapter arising 107339
from any change to the Ohio delivery percentage. 107340

(iv) In the case where the distribution center is new and not 107341

open for the entire qualifying period, the operator shall make a good faith estimate of an Ohio delivery percentage for use by suppliers in their reports of taxable gross receipts for the remainder of the qualifying period. The operator of the facility shall disclose to the suppliers that such Ohio delivery percentage is an estimate and is subject to recalculation. By the due date of the next application for a qualifying certificate, the operator shall determine the actual Ohio delivery percentage for the estimated qualifying period and proceed as provided in division (F)(2)(z)(iii) of this section with respect to the calculation and recalculation of the Ohio delivery percentage. The supplier is required to file, within sixty days after receiving notice from the operator of the qualified distribution center, amended reports for the impacted calendar quarter or quarters or calendar year, whichever the case may be. Any additional tax liability or tax overpayment shall be subject to interest but shall not be subject to the imposition of any penalty so long as the amended returns are timely filed.

(v) Qualifying certificates and Ohio delivery percentages issued by the commissioner shall be open to public inspection and shall be timely published by the commissioner. A supplier relying in good faith on a certificate issued under this division shall not be subject to tax on the qualifying distribution center receipts under division (F)(2)(z) of this section. A person receiving a qualifying certificate is responsible for paying the tax, interest, and penalty upon amounts claimed as qualifying distribution center receipts that would not otherwise have been owed by the supplier if the qualifying certificate were available when it is later determined that the qualifying certificate should not have been issued because the statutory requirements were in fact not met.

(vi) The annual fee for a qualifying certificate shall be one

hundred thousand dollars for each qualified distribution center. 107374
If a qualifying certificate is not issued, the annual fee is 107375
subject to refund after the exhaustion of all appeals provided for 107376
in division (F)(2)(z)(i)(VI) of this section. The fee imposed 107377
under this division may be assessed in the same manner as the tax 107378
imposed under this chapter. The first one hundred thousand dollars 107379
of the annual application fees collected each calendar year shall 107380
be credited to the commercial activity tax administrative fund. 107381
The remainder of the annual application fees collected shall be 107382
distributed in the same manner required under section 5751.20 of 107383
the Revised Code. 107384

(vii) The tax commissioner may require that adequate security 107385
be posted by the operator of the distribution center on appeal 107386
when the commissioner disagrees that the applicant has met the 107387
minimum thresholds for a qualified distribution center as set 107388
forth in divisions (F)(2)(z)(i)(VI) and (F)(2)(z)(ii) of this 107389

Sec. 5751.011. (A) A group of two or more persons may elect 107533

chapter if the group satisfies all of the following requirements: 107535

interests, by common owners during all or any portion of the tax 107541
period, together with the common owners. 107542

A group making its initial election on the basis of the 107543
eighty per cent ownership test may change its election so that its 107544
consolidated elected taxpayer group is formed on the basis of the 107545
fifty per cent ownership test if all of the following are 107546

(a) When the initial election was made, the group did not 107548

At the election of the group, all entities that are not incorporated or formed under the laws of a state or of the United States and that meet the consolidated elected ownership test shall either be included in the group or all shall be excluded from the group. If, at the time of registration, the group does not include any such entities that meet the consolidated elected ownership test, the group shall elect to either include or exclude the newly acquired entities before the due date of the first return due after the date of the acquisition.

Each group shall notify the tax commissioner of the foregoing elections before the due date of the return for the period in which the election becomes binding. If fifty per cent of the value of a person's ownership interests is owned or controlled by each of two consolidated elected taxpayer groups formed under the fifty per cent ownership or control test, that person is a member of each group for the purposes of this section, and each group shall include in the group's taxable gross receipts fifty per cent of that person's taxable gross receipts. Otherwise, all of that person's taxable gross receipts shall be included in the taxable gross receipts of the consolidated elected taxpayer group of which the person is a member. In no event shall the ownership or control of fifty per cent of the value of a person's ownership interests by two otherwise unrelated groups form the basis for consolidating the groups into a single consolidated elected taxpayer group or permit any exclusion under division (C) of this section of taxable gross receipts between members of the two groups. Division (A)(3) of this section applies with respect to the elections described in

this division. 107588

(2) The group makes the election to be treated as a 107589

(3) Subject to review and audit by the tax commissioner, the 107592
group agrees that all of the following apply: 107593

long as at least two or more of the members of the group meet the 107596
requirements of division (A)(1) of this section. 107597

(b) Before the expiration of the eighth such calendar 107598
quarter, the group shall notify the commissioner if it elects to 107599
cancel its designation as a consolidated elected taxpayer. If the 107600
group does not so notify the tax commissioner, the election 107601
remains in effect for another eight calendar quarters. 107602

(c) If, at any time during any of those eight calendar 107603
quarters following the election, a former member of the group no 107604
longer meets the requirements under division (A)(1) of this 107605
section, that member shall report and pay the tax imposed under 107606
this chapter separately, as a member of a combined taxpayer, or, 107607
if the former member satisfies such requirements with respect to 107608
another consolidated elected group, as a member of that 107609
consolidated elected group. 107610

(d) The group agrees to the application of division (B) of 107611
this section. 107612

(B) A group of persons making the election under this section 107613
shall report and pay tax on all of the group's taxable gross 107614
receipts even if substantial nexus with this state does not exist 107615
for one or more persons in the group. 107616

(C)(1)(a) Members of a consolidated elected taxpayer group 107617

shall exclude gross receipts among persons included in the 107618
consolidated elected taxpayer group. 107619

(b) Subject to divisions (C)(1)(c) and (C)(2) of this 107620
section, nothing in this section shall have the effect of 107621
requiring a consolidated elected taxpayer group to include gross 107622
receipts received by a person enumerated in divisions (E)(2) to 107623
(10) of section 5751.01 of the Revised Code if that person is a 107624
member of the group pursuant to the elections made by the group 107625
under division (A)(1) of this section. 107626

transfer" means a transfer of property that satisfies both of the 107628
following: (I) the property is directly transferred by any means 107629

defined in section ~~5725.24~~ 5707.031 of the Revised Code; and (II) 107632
the property is subsequently delivered by the dealer in 107633
intangibles to a person that is not a member of the group. 107634

(ii) In the event of a dealer transfer, a consolidated 107635
elected taxpayer group shall not exclude, under division (C) of 107636
this section, gross receipts from the transfer described in 107637
division (C)(1)(c)(i)(I) of this section. 107638

(2) Gross receipts related to the sale or transmission of 107639
electricity through the use of an intermediary regional 107640
transmission organization approved by the federal energy 107641
regulatory commission shall be excluded from taxable gross 107642
receipts under division (C)(1) of this section if all other 107643
requirements of that division are met, even if the receipts are 107644
from and to the same member of the group. 107645

(D) To make the election to be a consolidated elected 107646
taxpayer, a group of persons shall notify the tax commissioner of 107647
the election in the manner prescribed by the commissioner and pay 107648

the commissioner a registration fee equal to the lesser of two 107649
hundred dollars or twenty dollars for each person in the group. No 107650
additional fee shall be imposed for the addition of new members to 107651
the group once the group has remitted a fee in the amount of two 107652
hundred dollars. The election shall be made and the fee paid 107653
before the beginning of the first calendar quarter to which the 107654
election applies. The fee shall be collected and used in the same 107655
manner as provided in section 5751.04 of the Revised Code. 107656

The election shall be made on a form prescribed by the tax 107657
commissioner for that purpose and shall be signed by one or more 107658
individuals with authority, separately or together, to make a 107659
binding election on behalf of all persons in the group. 107660

Any person acquired or formed after the filing of the 107661
registration shall be included in the group if the person meets 107662
the requirements of division (A)(1) of this section, and the group 107663
shall notify the tax commissioner of any additions to the group 107664
with the next tax return it files with the commissioner. 107665

(5) Division (C)(5) of this section applies to any school district, joint vocational school district, or local taxing unit in a county in which is located a facility currently or formerly devoted to the enrichment or commercialization of uranium or uranium products, and for which the total taxable value of property listed on the general tax list of personal property for any tax year from tax year 2001 to tax year 2004 was fifty per cent or less of the taxable value of such property listed on the general tax list of personal property for the next preceding tax year.

In computing the fixed-rate levy losses under divisions (D)(1), (2), and (3) of this section for any school district, joint vocational school district, or local taxing unit to which division (C)(5) of this section applies, the taxable value of such property as listed on the general tax list of personal property for tax year 2000 shall be substituted for the taxable value of such property as reported by taxpayers for tax year 2004, in the taxing district containing the uranium facility, if the taxable value listed for tax year 2000 is greater than the taxable value reported by taxpayers for tax year 2004. For the purpose of making the computations under divisions (D)(1), (2), and (3) of this section, the tax year 2000 valuation is to be allocated to machinery and equipment, inventory, and furniture and fixtures property in the same proportions as the tax year 2004 values. For the purpose of the calculations in division (A) of section 5751.21 of the Revised Code, the tax year 2004 taxable values shall be used.

To facilitate the calculations required under division (C) of this section, the county auditor, upon request from the tax commissioner, shall provide by August 1, 2005, the values of machinery and equipment, inventory, and furniture and fixtures for all single-county personal property taxpayers for tax year 2004.

(D) Not later than September 15, 2005, the tax commissioner shall determine for each tax year from 2006 through 2009 for each school district, joint vocational school district, and local taxing unit its machinery and equipment, inventory, and furniture and fixtures fixed-rate levy losses, and for each tax year from 2006 through 2011 its telephone property fixed-rate levy loss. Except as provided in division (F) of this section, such losses are the applicable amounts described in divisions (D)(1), (2), (3), and (4) of this section:

(1) The machinery and equipment fixed-rate levy loss is the machinery and equipment property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(2) The inventory fixed-rate loss is the inventory property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(3) The furniture and fixtures fixed-rate levy loss is the furniture and fixture property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(4) The telephone property fixed-rate levy loss is the telephone property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(E) Not later than September 15, 2005, the tax commissioner shall determine for each school district, joint vocational school district, and local taxing unit its fixed-sum levy loss. The fixed-sum levy loss is the amount obtained by subtracting the amount described in division (E)(2) of this section from the amount described in division (E)(1) of this section:

(1) The sum of the machinery and equipment property tax value loss, the inventory property tax value loss, and the furniture and fixtures property tax value loss, and, for 2008 through ~~2017~~ 2010, the telephone property tax value loss of the district or unit

multiplied by the sum of the fixed-sum tax rates of qualifying 108229
levies. For 2006 through 2010, this computation shall include all 108230
qualifying levies remaining in effect for the current tax year and 108231
any school district levies imposed under section 5705.194 or 108232
5705.213 of the Revised Code that are qualifying levies not 108233
remaining in effect for the current year. For 2011 through 2017 in 108234
the case of school district levies imposed under section 5705.194 108235
or 5705.213 of the Revised Code and for all years after 2010 in 108236
the case of other fixed-sum levies, this computation shall include 108237
only qualifying levies remaining in effect for the current year. 108238
For purposes of this computation, a qualifying school district 108239
levy imposed under section 5705.194 or 5705.213 of the Revised 108240
Code remains in effect in a year after 2010 only if, for that 108241
year, the board of education levies a school district levy imposed 108242
under section 5705.194, 5705.199, 5705.213, or 5705.219 of the 108243
Revised Code for an annual sum at least equal to the annual sum 108244
levied by the board in tax year 2004 less the amount of the 108245
payment certified under this division for 2006. 108246

(2) The total taxable value in tax year 2004 less the sum of 108247
the machinery and equipment, inventory, furniture and fixtures, 108248
and telephone property tax value losses in each school district, 108249
joint vocational school district, and local taxing unit multiplied 108250
by one-half of one mill per dollar. 108251

(3) For the calculations in divisions (E)(1) and (2) of this 108252
section, the tax value losses are those that would be calculated 108253
for tax year 2009 under divisions (C)(1), (2), and (3) of this 108254
section and for tax year 2011 under division (C)(4) of this 108255
section. 108256

(4) To facilitate the calculation under divisions (D) and (E) 108257
of this section, not later than September 1, 2005, any school 108258
district, joint vocational school district, or local taxing unit 108259
that has a qualifying levy that was approved at an election 108260

conducted during 2005 before September 1, 2005, shall certify to 108261
the tax commissioner a copy of the county auditor's certificate of 108262
estimated property tax millage for such levy as required under 108263
division (B) of section 5705.03 of the Revised Code, which is the 108264
rate that shall be used in the calculations under such divisions. 108265

If the amount determined under division (E) of this section 108266
for any school district, joint vocational school district, or 108267
local taxing unit is greater than zero, that amount shall equal 108268
the reimbursement to be paid pursuant to division (E) of section 108269
5751.21 or division (A)(3) of section 5751.22 of the Revised Code, 108270
and the one-half of one mill that is subtracted under division 108271
(E)(2) of this section shall be apportioned among all contributing 108272
fixed-sum levies in the proportion that each levy bears to the sum 108273
of all fixed-sum levies within each school district, joint 108274
vocational school district, or local taxing unit. 108275

(F) If a school district levies a tax under section 5705.219 108276
of the Revised Code, the fixed-rate levy loss for qualifying 108277
levies, to the extent repealed under that section, shall equal the 108278
sum of the following amounts in lieu of the amounts computed for 108279
such levies under division (D) of this section: 108280

(1) The sum of the rates of qualifying levies to the extent 108281
so repealed multiplied by the sum of the machinery and equipment, 108282
inventory, and furniture and fixtures tax value losses for 2009 as 108283
determined under that division; 108284

(2) The sum of the rates of qualifying levies to the extent 108285
so repealed multiplied by the telephone property tax value loss 108286
for 2011 as determined under that division. 108287

The fixed-rate levy losses for qualifying levies to the 108288
extent not repealed under section 5705.219 of the Revised Code 108289
shall be as determined under division (D) of this section. The 108290
revised fixed-rate levy losses determined under this division and 108291

division (D) of this section first apply in the year following the 108292
first year the district levies the tax under section 5705.219 of 108293
the Revised Code. 108294

(G) Not later than October 1, 2005, the tax commissioner 108295
shall certify to the department of education for every school 108296
district and joint vocational school district the machinery and 108297
equipment, inventory, furniture and fixtures, and telephone 108298
property tax value losses determined under division (C) of this 108299
section, the machinery and equipment, inventory, furniture and 108300
fixtures, and telephone fixed-rate levy losses determined under 108301
division (D) of this section, and the fixed-sum levy losses 108302
calculated under division (E) of this section. The calculations 108303
under divisions (D) and (E) of this section shall separately 108304
display the levy loss for each levy eligible for reimbursement. 108305

(H) Not later than October 1, 2005, the tax commissioner 108306
shall certify the amount of the fixed-sum levy losses to the 108307
county auditor of each county in which a school district, joint 108308
vocational school district, or local taxing unit with a fixed-sum 108309
levy loss reimbursement has territory. 108310

(I) Not later than the twenty-eighth day of February each 108311
year beginning in 2011 and ending in 2014, the tax commissioner 108312
shall certify to the department of education for each school 108313
district first levying a tax under section 5705.219 of the Revised 108314
Code in the preceding year the revised fixed-rate levy losses 108315
determined under divisions (D) and (F) of this section. 108316

2007 through ~~2017~~ 2010, the department of education shall consult 108318
with the director of budget and management and determine the 108319

section: 108322

(1) The state education aid offset, which, except as provided 108323
in division (A)(1)(c) of this section, is the difference obtained 108324
by subtracting the amount described in division (A)(1)(b) of this 108325
section from the amount described in division (A)(1)(a) of this 108326
section: 108327

(a) The state education aid computed for the school district 108328
or joint vocational school district for the current fiscal year as 108329
of the thirtieth day of July; 108330

(b) The state education aid that would be computed for the 108331
school district or joint vocational school district for the 108332
current fiscal year as of the thirtieth day of July if the 108333
recognized valuation used in the calculation in division (B)(1) of 108334
section 3306.13 of the Revised Code as that division existed for 108335
fiscal years 2010 and 2011 included the machinery and equipment, 108336

value losses for the school district or joint vocational school 108338
district for the second preceding tax year, and if taxes charged 108339
and payable associated with the tax value losses are accounted for 108340
in any state education aid computation dependent on taxes charged 108341
and payable. 108342

(c) The state education aid offset for fiscal year 2010 and 108343
fiscal year 2011 equals the greater of the state education aid 108344

ratified or amended, and whether bonds or certificates of 109168

indebtedness shall be issued in anticipation of the collection of 109169
special assessments, or that money in the county treasury 109170
unappropriated for any other purpose shall be appropriated to pay 109171
for said improvement. 109172

Sec. 6103.081. (A) After the establishment of any county 109173
sewer district, the board of county commissioners may determine by 109174
resolution that it is necessary to provide water supply 109175
improvements and to maintain and operate the improvements within 109176
the district or a designated portion of the district, that the 109177
improvements, which shall be generally described in the 109178
resolution, shall be constructed, that funds are required to pay 109179
the preliminary costs of the improvements to be incurred prior to 109180
the commencement of the proceedings for their construction, and 109181
that those funds shall be provided in accordance with this 109182
section. 109183

(B) Prior to the adoption of the resolution, the board shall 109184
give notice of its pendency and of the proposed determination of 109185
the necessity of the improvements generally described in the 109186
resolution. The notice shall set forth a description of the 109187
properties to be benefited by the improvements and the time and 109188
place of a hearing of objections to and endorsements of the 109189
improvements. The notice shall be given either by publication in a 109190
newspaper of general circulation in the county once a week for two 109191
consecutive weeks, by publication as provided in section 7.16 of 109192
the Revised Code, or by mailing a copy of the notice by first 109193
class or certified mail to the owners of the properties proposed 109194
to be assessed at their respective tax mailing addresses, or by 109195
~~both~~ a combination of these manners, the first publication to be 109196
made or the mailing to occur at least two weeks prior to the date 109197
set for the hearing. At the hearing, or at any adjournment of the 109198
hearing, of which no further published or mailed notice need be 109199
given, the board shall hear all persons whose properties are 109200

proposed to be assessed and the evidence it considers to be 109201
necessary. The board then shall determine the necessity of the 109202
proposed improvements and whether the improvements shall be made 109203
by the board and, if they are to be made, shall direct the 109204
preparation of tentative assessments upon the benefited properties 109205
and by whom they shall be prepared. 109206

(C) In order to obtain funds for the preparation of a general 109207
or revised general plan of water supply for the district or part 109208
of the district, for the preparation of the detailed plans, 109209
specifications, estimate of cost, and tentative assessment for the 109210
proposed improvements, and for the cost of financing and legal 109211
services incident to the preparation of all of those plans and a 109212
plan of financing the proposed improvements, the board may levy 109213
upon the properties to be benefited in the district a preliminary 109214
assessment apportioned according to benefits or to tax valuation 109215
or partly by one method and partly by the other method as the 109216
board may determine. The assessments shall be in the amount 109217
determined to be necessary to obtain funds for the general and 109218
detailed plans and the cost of financing and legal services and 109219
shall be payable in the number of years that the board shall 109220
determine, not to exceed twenty years, together with interest on 109221
any public obligations that may be issued or incurred in 109222
anticipation of the collection of the assessments. 109223

(D) The board shall have power at any time to levy additional 109224
assessments according to benefits or to tax valuation or partly by 109225
one method and partly by the other method as the board may 109226
determine for the purposes described in division (C) of this 109227
section upon the benefited properties to complete the payment of 109228
the costs described in division (C) of this section or to pay the 109229
cost of any additional plans, specifications, estimate of cost, or 109230
tentative assessment and the cost of financing and legal services 109231
incident to the preparation of those plans and the plan of 109232

financing, which additional assessments shall be payable in the 109233
number of years that the board shall determine, not to exceed 109234
twenty years, together with interest on any public obligations 109235
that may be issued or incurred in anticipation of the collection 109236
of the additional assessments. 109237

(E) Prior to the adoption of a resolution levying assessments 109238
under this section, the board shall give notice either by one 109239
publication in a newspaper of general circulation in the county, 109240
or by mailing a copy of the notice by first class or certified 109241
mail to the owners of the properties proposed to be assessed at 109242
their respective tax mailing addresses, or by both manners, the 109243
publication to be made or the mailing to occur at least ten days 109244
prior to the date of the meeting at which the resolution shall be 109245
taken up for consideration; that notice shall state the time and 109246
place of the meeting at which the resolution is to be considered. 109247
At the time and place of the meeting, or at any adjournment of the 109248
meeting, of which no further published or mailed notice need be 109249
given, the board shall hear all persons whose properties are 109250
proposed to be assessed, shall correct any errors and make any 109251
revisions that appear to be necessary or just, and then may adopt 109252
a resolution levying upon the properties determined to be 109253
benefited the assessments as so corrected and revised. 109254

The assessments levied by the resolution shall be certified 109255
to the county auditor for collection in the same manner as taxes 109256
in the year or years in which they are payable. 109257

(F) Upon the adoption of the resolution described in division 109258
(E) of this section, no further action shall be taken or work done 109259
until ten days have elapsed. If, at the expiration of that period, 109260
no appeal has been effected by any property owner as provided in 109261
this division, the action of the board shall be final. If, at the 109262
end of that ten days, any owner of property to be assessed for the 109263
improvements has effected an appeal, no further action shall be 109264

taken and no work done in connection with the improvements under 109265
the resolution until the matters appealed from have been disposed 109266
of in court. 109267

Any owner of property to be assessed may appeal as provided 109268
and upon the grounds stated in sections 6117.09 to 6117.24 of the 109269
Revised Code. 109270

If no appeal has been perfected or if on appeal the 109271
resolution of the board is sustained, the board may authorize and 109272
enter into contracts to carry out the purpose for which the 109273
assessments have been levied without the prior issuance of notes, 109274
provided that the payments under those contracts do not fall due 109275
prior to the time by which the assessments are to be collected. 109276
The board may issue and sell bonds with a maximum maturity of 109277
twenty years in anticipation of the collection of the assessments 109278
and may issue notes in anticipation of the issuance of the bonds, 109279
which notes and bonds, as public obligations, shall be issued and 109280
sold as provided in Chapter 133. of the Revised Code. 109281

Sec. 6103.31. (A) If the board of county commissioners 109282
determines by resolution that the best interests of the county and 109283
the users of water supply facilities of the county serving a sewer 109284
district so require, the board may sell or otherwise dispose of 109285
the facilities to another public agency or a person. The 109286
resolution declaring the necessity of that disposition shall 109287
recite the reasons for the sale or other disposition and shall 109288
establish any conditions or terms that the board may impose, 109289
including, but not limited to, a minimum sales price if a sale is 109290
proposed, a requirement for the submission by bidders of the 109291
schedule of water rates and charges initially proposed to be paid 109292
by the users of the facilities, and other pertinent conditions or 109293
terms relating to the sale or other disposition. The resolution 109294
also shall designate a time and place for the hearing of 109295

objections to the sale or other disposition by the board. Notice 109296
of the adoption of the resolution and the time and place of the 109297
hearing shall be published as provided in section 7.16 of the 109298
Revised Code, or once a week for two consecutive weeks, in a 109299
newspaper of general circulation in the sewer district and in the 109300
county. The public hearing on the sale or other disposition shall 109301
be held not less than twenty-four days following the date of first 109302
publication of the notice. A copy of the notice also shall be sent 109303
by first class or certified mail, on or before the date of the 109304
second publication, to any public agency within the area served by 109305
the facilities. At the public hearing, or at any adjournment of 109306
it, of which no further published or mailed notice need be given, 109307
the board shall hear all interested parties. A period of five days 109308
shall be given following the completion of the hearing for the 109309
filing of written objections by any interested persons or public 109310
agencies to the sale or other disposition, after which the board 109311
shall consider any objections and by resolution determine whether 109312
or not to proceed with the sale or other disposition. If the board 109313
determines to proceed with the sale or other disposition, it shall 109314
receive bids after advertising once a week for four consecutive 109315
weeks in a newspaper of general circulation in the county or as 109316
provided in section 7.16 of the Revised Code and, subject to the 109317
right of the board to reject any or all bids, may make an award to 109318
a responsible bidder whose proposal is determined by the board to 109319
be in the best interests of the county and the users of the 109320
facilities. 109321

(B) A conveyance of water supply facilities by a county to a 109322
municipal corporation, in accordance with division (B) of section 109323
6103.04 of the Revised Code, may be made without regard to 109324
division (A) of this section. 109325

Sec. 6105.131. The board of directors of a watershed district 109326

may designate a specific reach in the channel of any watercourse 109327
within the territorial boundaries of the district as a restricted 109328
channel, when the construction or alteration of structures or 109329
obstructions within such channel will restrict its capacity so as 109330
to constitute an unreasonable hazard to the safety of life and 109331
property in times of flood, or designate any area outside the 109332
banks of a restricted channel as a restricted floodway when such 109333
area is reasonably necessary to the efficiency of a restricted 109334
channel as a means of carrying off flood waters. Such designation 109335
of a restricted channel or restricted floodway shall be made in 109336
the following manner: 109337

(A) The board shall adopt a resolution stating its intent to 109338
designate a specific reach in a channel of a watercourse as a 109339
restricted channel or a specific area as a restricted floodway. 109340
Such resolution shall contain a description of the reach of the 109341
channel to be designated as a restricted channel or description of 109342
the area to be designated as a restricted floodway and the reasons 109343
of the board for making such designation. 109344

(B) The board shall cause such resolution to be published as 109345
provided in section 7.16 of the Revised Code or once a week for 109346
two consecutive weeks in a newspaper of general circulation in the 109347
county or counties in which such restricted channel or restricted 109348
floodway is located, together with a notice of the time and place 109349
where a hearing will be held by the board on the question of 109350
designating such channel as a restricted channel or such area as a 109351
restricted floodway ~~and~~. The board also shall give not less than 109352
ten days notice of said hearing by first class mail to all owners 109353
of property within the area proposed to be designated as a 109354
restricted floodway. The date of such hearing shall be not less 109355
than ten days after the completion of the publication provided for 109356
by this division. 109357

(C) The board shall hold a hearing at the time and place 109358

designated in the notice published under division (B) of this section at which time indorsements of and objections to the designation of such channel as a restricted channel or such area as a restricted floodway shall be heard.

(D) The board may, after the completion of the hearing under division (C) of this section and after finding that the construction or alteration of structures or obstructions or relocation, alteration, restriction, deposit, or encroachment within the designated reach of such channel will restrict its capacity so as to constitute an unreasonable hazard to the safety of life and property in times of flood, adopt a resolution designating the reach of the channel described in the resolution of intent adopted under division (A) of this section or any modification thereof as a restricted channel.

(E) In like manner the board may, after completion of a hearing under division (C) of this section and after finding that the construction or alteration of structures or obstructions or change of grade within a designated floodway area will restrict its capacity or efficiency as a means of carrying off flood water so as to constitute an unreasonable hazard to the safety of life and property in times of flood, adopt a resolution designating the area described in the resolution of intent adopted under division (A) of this section, or any modification thereof, as a restricted floodway.

Sec. 6109.21. (A) Except as provided in divisions (D) and (E) of this section, on and after January 1, 1994, no person shall operate or maintain a public water system in this state without a license issued by the director of environmental protection. A person who operates or maintains a public water system on January 1, 1994, shall obtain an initial license under this section in accordance with the following schedule:

(1) If the public water system is a community water system, 109390
not later than January 31, 1994; 109391

(2) If the public water system is not a community water 109392
system and serves a nontransient population, not later than 109393
January 31, 1994; 109394

(3) If the public water system is not a community water 109395
system and serves a transient population, not later than January 109396
31, 1995. 109397

A person proposing to operate or maintain a new public water 109398
system after January 1, 1994, in addition to complying with 109399
section 6109.07 of the Revised Code and rules adopted under it, 109400
shall submit an application for an initial license under this 109401
section to the director prior to commencing operation of the 109402
system. 109403

A license or license renewal issued under this section shall 109404
be renewed annually. Such a license or license renewal shall 109405
expire on the thirtieth day of January in the year following its 109406
issuance. A license holder that proposes to continue operating the 109407
public water system for which the license or license renewal was 109408
issued shall apply for a license renewal at least thirty days 109409
prior to that expiration date. 109410

The director shall adopt, and may amend and rescind, rules in 109411
accordance with Chapter 119. of the Revised Code establishing 109412
procedures governing and information to be included on 109413
applications for licenses and license renewals under this section. 109414
Through June 30, ~~2012~~ 2014, each application shall be accompanied 109415
by the appropriate fee established under division (M) of section 109416
3745.11 of the Revised Code, provided that an applicant for an 109417
initial license who is proposing to operate or maintain a new 109418
public water system after January 1, 1994, shall submit a fee that 109419
equals a prorated amount of the appropriate fee established under 109420

that division for the remainder of the licensing year. 109421

(B) Not later than thirty days after receiving a completed 109422
application and the appropriate license fee for an initial license 109423
under division (A) of this section, the director shall issue the 109424
license for the public water system. Not later than thirty days 109425
after receiving a completed application and the appropriate 109426
license fee for a license renewal under division (A) of this 109427
section, the director shall do one of the following: 109428

(1) Issue the license renewal for the public water system; 109429

(2) Issue the license renewal subject to terms and conditions 109430
that the director determines are necessary to ensure compliance 109431
with this chapter and rules adopted under it; 109432

(3) Deny the license renewal if the director finds that the 109433
public water system was not operated in substantial compliance 109434
with this chapter and rules adopted under it. 109435

(C) The director may suspend or revoke a license or license 109436
renewal issued under this section if the director finds that the 109437
public water system was not operated in substantial compliance 109438
with this chapter and rules adopted under it. The director shall 109439
adopt, and may amend and rescind, rules in accordance with Chapter 109440
119. of the Revised Code governing such suspensions and 109441
revocations. 109442

(D)(1) As used in division (D) of this section, "church" 109443
means a fellowship of believers, congregation, society, 109444
corporation, convention, or association that is formed primarily 109445
or exclusively for religious purposes and that is not formed or 109446
operated for the private profit of any person. 109447

(2) This section does not apply to a church that operates or 109448
maintains a public water system solely to provide water for that 109449
church or for a campground that is owned by the church and 109450
operated primarily or exclusively for members of the church and 109451

their families. A church that, on or before March 5, 1996, has
obtained a license under this section for such a public water
system need not obtain a license renewal under this section.

(E) This section does not apply to any public or nonpublic
school that meets minimum standards of the state board of
education that operates or maintains a public water system solely
to provide water for that school.

(F) The environmental protection agency shall collect well
log filing fees on behalf of the division of soil and water
resources in the department of natural resources in accordance
with section 1521.05 of the Revised Code and rules adopted under
it. The fees shall be submitted to the division quarterly as
provided in those rules.

Sec. 6111.038. There is hereby created in the state treasury
the surface water protection fund, consisting of moneys
distributed to it. The director of environmental protection shall
use moneys in the fund solely for administration and
implementation of surface water protection programs, including at
least programs required under the "Federal Water Pollution Control
Act" and programs necessary to carry out the purposes of this
chapter. Those programs shall include at least the development of
water quality standards; the development of wasteload allocations;
the establishment of water quality-based effluent limits; the
monitoring and analysis of chemical, physical, and biological
surface water quality; the issuance, modification, and renewal of
NPDES permits and permits to install; the ensurance of compliance
with permit conditions; the management and oversight of
pretreatment programs; the provision of technical assistance to
publicly owned treatment works; and the administration of the
water pollution control loan fund created in section 6111.036 of
the Revised Code.

~~Moneys in the fund shall not be used to meet any state matching requirements that are necessary to obtain federal grants.~~

Sec. 6111.044. Upon receipt of an application for an injection well drilling permit, an injection well operating permit, a renewal of an injection well operating permit, or a modification of an injection well drilling permit, operating permit, or renewal of an operating permit, the director of environmental protection shall determine whether the application is complete and demonstrates that the activities for which the permit, renewal permit, or modification is requested will comply with the Federal Water Pollution Control Act and regulations adopted under it; the "Safe Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as amended, and regulations adopted under it; and this chapter and the rules adopted under it. If the application demonstrates that the proposed activities will not comply or will pose an unreasonable risk of inducing seismic activity, inducing geologic fracturing, or contamination of an underground source of drinking water, the director shall deny the application. If the application does not make the required demonstrations, the director shall return it to the applicant with an indication of those matters about which a required demonstration was not made. If the director determines that the application makes the required demonstrations, the director shall transmit copies of the application and all of the accompanying maps, data, samples, and information to the chief of the division of ~~mineral~~ oil and gas resources management, the chief of the division of geological survey, ~~and~~ the chief of the division of soil and water resources, and, if the well is or is to be located in a coal bearing township designated under section 1561.06 of the Revised Code, the chief of the division of mineral resources management in the department of natural resources.

The chief of the division of geological survey shall comment 109514

upon the application if the chief determines that the proposed well or injection will present an unreasonable risk of loss or damage to valuable mineral resources. If the chief submits comments on the application, those comments shall be accompanied by an evaluation of the geological factors upon which the comments are based, including fractures, faults, earthquake potential, and the porosity and permeability of the injection zone and confining zone, and by the documentation supporting the evaluation. The director shall take into consideration the chief's comments, and the accompanying evaluation of geologic factors and supporting documentation, when considering the application. The director shall provide written notice to the chief of the director's decision on the application and, if the chief's comments are not included in the permit, renewal permit, or modification, of the director's rationale for not including them.

The chief of the division of ~~mineral~~ oil and gas resources management shall comment upon the application if the chief determines that the proposed well or injection will present an unreasonable risk that waste or contamination of recoverable oil or gas in the earth will occur. If the chief submits comments on the application, those comments shall be accompanied by an evaluation of the oil or gas reserves that, in the best professional judgment of the chief, are recoverable and will be adversely affected by the proposed well or injection, and by the documentation supporting the evaluation. The director shall take into consideration the chief's comments, and the accompanying evaluation and supporting documentation, when considering the application. The director shall provide written notice to the chief of the director's decision on the application and, if the chief's comments are not included in the permit, renewal permit, or modification, of the director's rationale for not including them.

The chief of the division of soil and water resources shall 109547
assist the director in determining whether all underground sources 109548
of drinking water in the area of review of the proposed well or 109549
injection have been identified and correctly delineated in the 109550
application. If the application fails to identify or correctly 109551
delineate an underground source of drinking water, the chief shall 109552
provide written notice of that fact to the director. 109553

The chief of the division of mineral resources management 109554
~~also~~ shall review the application as follows: 109555

If the application concerns the drilling or conversion of a 109556
well or the injection into a well that is not or is not to be 109557
located within five thousand feet of the excavation and workings 109558
of a mine, the chief of the division of mineral resources 109559
management shall note upon the application that it has been 109560
examined by the division of mineral resources management, retain a 109561
copy of the application and map, and immediately return a copy of 109562
the application to the director. 109563

If the application concerns the drilling or conversion of a 109564
well or the injection into a well that is or is to be located 109565
within five thousand feet, but more than five hundred feet from 109566
the surface excavations and workings of a mine, the chief of the 109567
division of mineral resources management immediately shall notify 109568
the owner or lessee of the mine that the application has been 109569
filed and send to the owner or lessee a copy of the map 109570
accompanying the application setting forth the location of the 109571
well. The chief of the division of mineral resources management 109572
shall note on the application that the notice has been sent to the 109573
owner or lessee of the mine, retain a copy of the application and 109574
map, and immediately return a copy of the application to the 109575
director with the chief's notation on it. 109576

If the application concerns the drilling or conversion of a 109577
well or the injection into a well that is or is to be located 109578

within five thousand feet of the underground excavations and 109579
workings of a mine or within five hundred feet of the surface 109580
excavations and workings of a mine, the chief of the division of 109581
mineral resources management immediately shall notify the owner or 109582
lessee of the mine that the application has been filed and send to 109583
the owner or lessee a copy of the map accompanying the application 109584
setting forth the location of the well. If the owner or lessee 109585
objects to the application, the owner or lessee shall notify the 109586
chief of the division of mineral resources management of the 109587
objection, giving the reasons, within six days after the receipt 109588
of the notice. If the chief of the division of mineral resources 109589
management receives no objections from the owner or lessee of the 109590
mine within ten days after the receipt of the notice by the owner 109591
or lessee, or if in the opinion of the chief of the division of 109592
mineral resources management the objections offered by the owner 109593
or lessee are not sufficiently well founded, the chief shall 109594
retain a copy of the application and map and return a copy of the 109595
application to the director with any applicable notes concerning 109596
it. 109597

receives an objection from the owner or lessee of the mine as to 109599
the application, within ten days after receipt of the notice by 109600
the owner or lessee, and if in the opinion of the chief the 109601
objection is well founded, the chief shall disapprove the 109602
application and immediately return it to the director together 109603
with the chief's reasons for the disapproval. The director 109604
promptly shall notify the applicant for the permit, renewal 109605
permit, or modification of the disapproval. The applicant may 109606
appeal the disapproval of the application by the chief of the 109607
division of mineral resources management to the reclamation 109608
commission created under section 1513.05 of the Revised Code, and 109609
the commission shall hear the appeal in accordance with section 109610
1513.13 of the Revised Code. The appeal shall be filed within 109611

thirty days from the date the applicant receives notice of the 109612
disapproval. No comments concerning or disapproval of an 109613
application shall be delayed by the chief of the division of 109614
mineral resources management for more than fifteen days from the 109615
date of sending of notice to the mine owner or lessee as required 109616
by this section. 109617

The director shall not approve an application for an 109618
injection well drilling permit, an injection well operating 109619
permit, a renewal of an injection well operating permit, or a 109620
modification of an injection well drilling permit, operating 109621
permit, or renewal of an operating permit for a well that is or is 109622
to be located within three hundred feet of any opening of any mine 109623
used as a means of ingress, egress, or ventilation for persons 109624
employed in the mine, nor within one hundred feet of any building 109625
or flammable structure connected with the mine and actually used 109626
as a part of the operating equipment of the mine, unless the chief 109627
of the division of mineral resources management determines that 109628
life or property will not be endangered by drilling and operating 109629
the well in that location. 109630

Upon review by the chief of the division of ~~mineral~~ oil and 109631
gas resources management, the chief of the division of geological 109632
survey, and the chief of the division of soil and water resources, 109633
and if the chief of the division of mineral resources management 109634
has not disapproved the application, the director shall issue a 109635
permit, renewal permit, or modification with any terms and 109636
conditions that may be necessary to comply with the Federal Water 109637
Pollution Control Act and regulations adopted under it; the "Safe 109638
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f) as 109639
amended, and regulations adopted under it; and this chapter and 109640
the rules adopted under it. The director shall not issue a permit, 109641
renewal permit, or modification to an applicant if the applicant 109642
or persons associated with the applicant have engaged in or are 109643

engaging in a substantial violation of this chapter that is 109644
endangering or may endanger human health or the environment or if, 109645
in the case of an applicant for an injection well drilling permit, 109646
the applicant, at the time of applying for the permit, did not 109647
hold an injection well operating permit or renewal of an injection 109648
well drilling permit and failed to demonstrate sufficient 109649
expertise and competency to operate the well in compliance with 109650
the applicable provisions of this chapter. 109651

If the director receives a disapproval from the chief of the 109652
division of mineral resources management regarding an application 109653
for an injection well drilling or operating permit, renewal 109654
permit, or modification, if required, the director shall issue an 109655
order denying the application. 109656

The director need not issue a proposed action under section 109657
3745.07 of the Revised Code or hold an adjudication hearing under 109658
that section and Chapter 119. of the Revised Code before issuing 109659
or denying a permit, renewal permit, or modification of a permit 109660
or renewal permit. Before issuing or renewing a permit to drill or 109661
operate a class I injection well or a modification of it, the 109662
director shall propose the permit, renewal permit, or modification 109663
in draft form and shall hold a public hearing to receive public 109664
comment on the draft permit, renewal permit, or modification. At 109665
least fifteen days before the public hearing on a draft permit, 109666
renewal permit, or modification, the director shall publish notice 109667
of the date, time, and location of the public hearing in at least 109668
one newspaper of general circulation serving the area where the 109669
well is or is to be located. The proposing of such a draft permit, 109670
renewal permit, or modification does not constitute the issuance 109671
of a proposed action under section 3745.07 of the Revised Code, 109672
and the holding of the public hearing on such a draft permit, 109673
renewal permit, or modification does not constitute the holding of 109674
an adjudication hearing under that section and Chapter 119. of the 109675

Revised Code. Appeals of orders other than orders of the chief of 109676
the division of mineral resources management shall be taken under 109677
sections 3745.04 to 3745.08 of the Revised Code. 109678

The director may order that an injection well drilling permit 109679
or an injection well operating permit or renewal permit be 109680
suspended and that activities under it cease after determining 109681
that those activities are occurring in violation of law, rule, 109682
order, or term or condition of the permit. Upon service of a copy 109683
of the order upon the permit holder or the permit holder's 109684
authorized agent or assignee, the permit and activities under it 109685
shall be suspended immediately without prior hearing and shall 109686
remain suspended until the violation is corrected and the order of 109687
suspension is lifted. If a violation is the second within a 109688
one-year period, the director, after a hearing, may revoke the 109689
permit. 109690

The director may order that an injection well drilling permit 109691
or an injection well operating permit or renewal permit be 109692
suspended and that activities under it cease if the director has 109693
reasonable cause to believe that the permit would not have been 109694
issued if the information available at the time of suspension had 109695
been available at the time a determination was made by one of the 109696
agencies acting under authority of this section. Upon service of a 109697
copy of the order upon the permit holder or the permit holder's 109698
authorized agent or assignee, the permit and activities under it 109699
shall be suspended immediately without prior hearing, but a permit 109700
may not be suspended for that reason without prior hearing unless 109701
immediate suspension is necessary to prevent waste or 109702
contamination of oil or gas, comply with the Federal Water 109703
Pollution Control Act and regulations adopted under it; the "Safe 109704
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as 109705
amended, and regulations adopted under it; and this chapter and 109706
the rules adopted under it, or prevent damage to valuable mineral 109707

resources, prevent contamination of an underground source of 109708
drinking water, or prevent danger to human life or health. If 109709
after a hearing the director determines that the permit would not 109710
have been issued if the information available at the time of the 109711
hearing had been available at the time a determination was made by 109712
one of the agencies acting under authority of this section, the 109713
director shall revoke the permit. 109714

When a permit has been revoked, the permit holder or other 109715
person responsible for it immediately shall plug the well in the 109716
manner required by the director. 109717

The director may issue orders to prevent or require cessation 109718
of violations of this section, section 6111.043, 6111.045, 109719
6111.046, or 6111.047 of the Revised Code, rules adopted under any 109720
of those sections, and terms or conditions of permits issued under 109721
any of them. The orders may require the elimination of conditions 109722
caused by the violation. 109723

Sec. 6111.46. (A) The environmental protection agency shall 109724
exercise general supervision of the treatment and disposal of 109725
sewage and industrial wastes and the operation and maintenance of 109726
works or means installed for the collection, treatment, and 109727
disposal of sewage and industrial wastes. Such general supervision 109728
shall apply to all features of construction, operation, and 109729
maintenance of the works or means that do or may affect the proper 109730
treatment and disposal of sewage and industrial wastes. 109731

(B)(1) The agency shall investigate the works or means 109732
employed in the collection, treatment, and disposal of sewage and 109733
industrial wastes whenever considered necessary or whenever 109734
requested to do so by local health officials and may issue and 109735
enforce orders and shall adopt rules governing the operation and 109736
maintenance of the works or means of treatment and disposal of 109737
such sewage and industrial wastes. In adopting rules under this 109738

section, the agency shall establish standards governing the 109739
construction, operation, and maintenance of the works or means of 109740
collection, treatment, and disposal of sewage that is generated at 109741

(C) The agency may require the submission of records and data 109751
of construction, operation, and maintenance, including plans and 109752
descriptions of existing works or means of treatment and disposal 109753
of such sewage and industrial wastes. When the agency requires the 109754
submission of such records or information, the public officials or 109755
person, firm, or corporation having the works in charge shall 109756
comply promptly with that order. 109757

(E) After complying with divisions (A), (C), and (D) of this 110009
section, the board may adopt a resolution declaring that the 110010
improvement, which shall be described as to its nature and its 110011

assessed and, if so, shall identify that property. 110047

At the hearing, or at any adjournment of the hearing, of 110048
which no further published or mailed notice need be given, the 110049
board shall hear all parties whose properties are proposed to be 110050
assessed. Written objections to or endorsements of the proposed 110051
improvement, its character and termini, the boundaries of the 110052

assessment district, or the tentative assessment shall be received 110053
by the board for a period of five days after the completion of the 110054
hearing, and no action shall be taken by the board in the matter 110055
until after that period has elapsed. The minutes of the hearing 110056
shall be entered on the journal of the board, showing the persons 110057
who appear in person or by attorney, and all written objections 110058
shall be preserved and filed in the office of the board. 110059

Sec. 6117.07. After the expiration of the period of five days 110060
provided for in section 6117.06 of the Revised Code for the filing 110061
of written objections, the board of county commissioners shall 110062
determine whether or not it will proceed with the construction of 110063
the improvement mentioned in such section. Notice of the time and 110064
place of each meeting of the board of county commissioners, at 110065
which the resolution to proceed with the construction of such 110066
improvement will be considered, shall be given in writing to all 110067
persons who filed written objections as provided in section 110068
6117.06 of the Revised Code. Such notice shall contain the 110069
following language in addition to the time and place of the 110070
meeting of the board: "any person, firm, or corporation desiring 110071
to appeal from the final order or judgment of the board upon any 110072
of the questions mentioned in section 6117.09 of the Revised Code 110073
shall, on or before the date of the passage of the improvement 110074
resolution, give notice in writing of an intention to appeal, 110075
specifying therein the matters to be appealed from." If it decides 110076
to proceed therewith, the board shall ratify or amend the plans 110077
for the improvement and the character and termini thereof, the 110078
boundaries of the assessment district, and the tentative 110079
assessment, and may cause such revision of plans, boundaries, or 110080
assessments as the board considers necessary to be made by the 110081
county sanitary engineer. If the boundaries of the assessment 110082
district are amended so as to include any property not included 110083
within the boundaries as established by the resolution of 110084

necessity provided for in section 6117.06 of the Revised Code, the owners of all such property shall be notified by mail if their addresses are known, and notice shall be published once a week for two consecutive weeks in a newspaper of general circulation within the county or as provided in section 7.16 of the Revised Code that such amendments have been adopted and that a hearing will be given by the board at a time and place stated in such notice, at which all persons interested will be heard by the board. The date of such hearing shall be not less than twenty-four days after the first publication of such notice, and the hearing shall be conducted and records kept in the same manner as the first hearing. Five days shall be allowed for the filing of written objections as provided in such section for the first hearing.

After the expiration of such five day period, the board shall ratify the plans for the improvement and the character and termini thereof, the boundaries of the assessment district, and the tentative assessment, or shall further amend the same. If the boundaries of the assessment district are amended so as to include any property not included in the assessment district as originally established or previously amended, further notice and hearing shall be given to the owners of such property in the same manner as for the first amendment of such boundaries, and the same procedure shall be repeated until all property owners affected have been given an opportunity to be heard. If the owners of all property added to an assessment district by amendment of the original boundaries thereof waive objection to such amendment in writing, no further notice or hearing shall be given.

After the board has ratified the plans for the improvement and the character and termini thereof, the boundaries of the assessment district, and the tentative assessment, either as originally presented or as amended, and if it decides to proceed therewith, the board shall adopt a resolution to be known as the

improvement resolution. Said improvement resolution shall declare 110117
the determination of such board to proceed with the construction 110118
of the improvement provided for in the resolution of necessity, in 110119
accordance with the plans and specifications provided for such 110120
improvement as ratified or amended, and whether bonds or 110121
certificates of indebtedness shall be issued in anticipation of 110122
the collection of special assessments, as provided in section 110123
6117.08 to 6117.45, inclusive, of the Revised Code, or that money 110124
in the county treasury unappropriated for any other purpose shall 110125
be appropriated to pay for said improvement. 110126

Sec. 6117.251. (A) After the establishment of any county 110127
sewer district, the board of county commissioners may determine by 110128
resolution that it is necessary to provide sanitary or drainage 110129
facility improvements or prevention or replacement facility 110130
improvements and to maintain and operate the improvements within 110131
the district or a designated portion of the district, that the 110132
improvements, which shall be generally described in the 110133
resolution, shall be constructed, that funds are required to pay 110134
the preliminary costs of the improvements to be incurred prior to 110135
the commencement of the proceedings for their construction, and 110136
that those funds shall be provided in accordance with this 110137
section. 110138

(B) Prior to the adoption of the resolution, the board shall 110139
give notice of its pendency and of the proposed determination of 110140
the necessity of the improvements generally described in the 110141
resolution. The notice shall set forth a description of the 110142
properties to be benefited by the improvements and the time and 110143
place of a hearing of objections to and endorsements of the 110144
improvements. The notice shall be given ~~either~~ by publication in a 110145
newspaper of general circulation in the county once a week for two 110146
consecutive weeks, ~~or by publication as provided in section 7.16~~ 110147
of the Revised Code, by mailing a copy of the notice by first 110148

class or certified mail to the owners of the properties proposed 110149
to be assessed at their respective tax mailing addresses, or by 110150
~~both~~ a combination of these manners, the first publication to be 110151
made or the mailing to occur at least two weeks prior to the date 110152
set for the hearing. At the hearing, or at any adjournment of the 110153
hearing, of which no further published or mailed notice need be 110154
given, the board shall hear all persons whose properties are 110155
proposed to be assessed and the evidence it considers to be 110156
necessary. The board then shall determine the necessity of the 110157
proposed improvements and whether the improvements shall be made 110158
by the board and, if they are to be made, shall direct the 110159
preparation of tentative assessments upon the benefited properties 110160
and by whom they shall be prepared. 110161

(C) In order to obtain funds for the preparation of a general 110162
or revised general plan of sewerage or drainage for the district 110163
or part of the district, for the preparation of the detailed 110164
plans, specifications, estimate of cost, and tentative assessment 110165
for the proposed improvements, and for the cost of financing and 110166
legal services incident to the preparation of all of those plans 110167
and a plan of financing the proposed improvements, the board may 110168
levy upon the properties to be benefited in the district a 110169
preliminary assessment apportioned according to benefits or to tax 110170
valuation or partly by one method and partly by the other method 110171
as the board may determine. The assessments shall be in the amount 110172
determined to be necessary to obtain funds for the general and 110173
detailed plans and the cost of financing and legal services and 110174
shall be payable in the number of years that the board shall 110175
determine, not to exceed twenty years, together with interest on 110176
any public obligations that may be issued or incurred in 110177
anticipation of the collection of the assessments. 110178

(D) The board shall have power at any time to levy additional 110179
assessments according to benefits or to tax valuation or partly by 110180

one method and partly by the other method as the board may 110181
determine for the purposes described in division (C) of this 110182
section upon the benefited properties to complete the payment of 110183
the costs described in division (C) of this section or to pay the 110184
cost of any additional plans, specifications, estimate of cost, or 110185
tentative assessment and the cost of financing and legal services 110186
incident to the preparation of those plans and the plan of 110187
financing, which additional assessments shall be payable in the 110188
number of years that the board shall determine, not to exceed 110189
twenty years, together with interest on any public obligations 110190
that may be issued or incurred in anticipation of the collection 110191
of the additional assessments. 110192

(E) Prior to the adoption of a resolution levying assessments 110193
under this section, the board shall give notice either by one 110194
publication in a newspaper of general circulation in the county, 110195
or by mailing a copy of the notice by first class or certified 110196
mail to the owners of the properties proposed to be assessed at 110197
their respective tax mailing addresses, or by both manners, the 110198
publication to be made or the mailing to occur at least ten days 110199
prior to the date of the meeting at which the resolution shall be 110200
taken up for consideration; that notice shall state the time and 110201
place of the meeting at which the resolution is to be considered. 110202
At the time and place of the meeting, or at any adjournment of the 110203
meeting, of which no further published or mailed notice need be 110204
given, the board shall hear all persons whose properties are 110205
proposed to be assessed, shall correct any errors and make any 110206
revisions that appear to be necessary or just, and then may adopt 110207
a resolution levying upon the properties determined to be 110208
benefited the assessments as so corrected and revised. 110209

The assessments levied by the resolution shall be certified 110210
to the county auditor for collection in the same manner as taxes 110211
in the year or years in which they are payable. 110212

(F) Upon the adoption of the resolution described in division 110213
(E) of this section, no further action shall be taken or work done 110214
until ten days have elapsed. If, at the expiration of that period, 110215
no appeal has been effected by any property owner as provided in 110216
this division, the action of the board shall be final. If, at the 110217
end of that ten days, any owner of property to be assessed for the 110218
improvements has effected an appeal, no further action shall be 110219
taken and no work done in connection with the improvements under 110220
the resolution until the matters appealed from have been disposed 110221
of in court. 110222

Any owner of property to be assessed may appeal as provided 110223
and upon the grounds stated in sections 6117.09 to 6117.24 of the 110224
Revised Code. 110225

If no appeal has been perfected or if on appeal the 110226
resolution of the board is sustained, the board may authorize and 110227
enter into contracts to carry out the purposes for which the 110228
assessments have been levied without the prior issuance of notes, 110229
provided that the payments under those contracts do not fall due 110230
prior to the time by which the assessments are to be collected. 110231
The board may issue and sell bonds with a maximum maturity of 110232
twenty years in anticipation of the collection of the assessments 110233
and may issue notes in anticipation of the issuance of the bonds, 110234
which notes and bonds, as public obligations, shall be issued and 110235
sold as provided in Chapter 133. of the Revised Code. 110236

Sec. 6117.49. (A) If the board of county commissioners 110237
determines by resolution that the best interests of the county and 110238
those served by the sanitary or drainage facilities or the 110239
prevention or replacement facilities of a county sewer district so 110240
require, the board may sell or otherwise dispose of the facilities 110241
to another public agency or a person. The resolution declaring the 110242
necessity of that disposition shall recite the reasons for the 110243

sale or other disposition and shall establish any conditions or 110244
terms that the board may impose, including, but not limited to, a 110245
minimum sales price if a sale is proposed, a requirement for the 110246
submission by bidders of the schedule of rates and charges 110247
initially proposed to be paid for the services of the facilities, 110248
and other pertinent conditions or terms relating to the sale or 110249
other disposition. The resolution also shall designate a time and 110250
place for the hearing of objections to the sale or other 110251
disposition by the board. Notice of the adoption of the resolution 110252
and the time and place of the hearing shall be published as 110253
provided in section 7.16 of the Revised Code or once a week for 110254
two consecutive weeks, in a newspaper of general circulation in 110255
the sewer district and in the county. The public hearing on the 110256
sale or other disposition shall be held not less than twenty-four 110257
days following the date of first publication of the notice. A copy 110258
of the notice also shall be sent by first class or certified mail, 110259
on or before the date of the second publication, to any public 110260
agency within the area served by the facilities. At the public 110261
hearing, or at any adjournment of it, of which no further 110262
published or mailed notice need be given, the board shall hear all 110263
interested parties. A period of five days shall be given following 110264
the completion of the hearing for the filing of written objections 110265
by any interested persons or public agencies to the sale or other 110266
disposition, after which the board shall consider any objections 110267
and by resolution determine whether or not to proceed with the 110268
sale or other disposition. If the board determines to proceed with 110269
the sale or other disposition, it shall receive bids after 110270
advertising once a week for four consecutive weeks or as provided 110271
in section 7.16 of the Revised Code, in a newspaper of general 110272
circulation in the county and, subject to the right of the board 110273
to reject any or all bids, may make an award to a responsible 110274
bidder whose proposal is determined by the board to be in the best 110275
interests of the county and those served by the facilities. 110276

(B) A conveyance of sanitary or drainage facilities or of prevention or replacement facilities by a county to a municipal corporation in accordance with division (B) of section 6117.05 of the Revised Code may be made without regard to division (A) of this section.

The board of trustees of a regional water and sewer district or any officer or employee designated by the board may make any contract for the purchase of supplies or material or for labor for any work, under the supervision of the board, the cost of which shall not exceed twenty-five thousand dollars. When an expenditure, other than for the acquisition of real estate and interests in real estate, the discharge of noncontractual claims, personal services, the joint use of facilities or the exercise of powers with other political subdivisions, or the product or services of public utilities, exceeds twenty-five thousand dollars, the expenditures shall be made only after a notice calling for bids has been published ~~not less than~~ two consecutive weeks in ~~at least~~ one newspaper ~~having a~~ of general circulation within the district or as provided in section 7.16 of the Revised Code. If the bids are for a contract for the construction, demolition, alteration, repair, or reconstruction of an improvement, the board may let the contract to the lowest and best bidder who meets the requirements of section 153.54 of the Revised Code. If the bids are for a contract for any other work relating to the improvements for which a regional water and sewer district was established, the board of trustees of the regional water and sewer district may let the contract to the lowest or best bidder who gives a good and approved bond with ample security conditioned on the carrying out of the contract. The contract shall be in writing and shall be accompanied by or shall refer to plans and specifications for the work to be done, approved by the board. and signed by its president or other duly authorized officer and 110310
by the contractor. In case of a real and present emergency, the 110311
board of trustees of the district, by two-thirds vote of all 110312
members, may authorize the president or other duly authorized 110313
officer to enter into a contract for work to be done or for the 110314

Sec. 6119.18. The board of trustees of a regional water and 110328
sewer district, by a vote of two-thirds of all its members, may 110329
declare by resolution that it is necessary to levy a tax in excess 110330
of the ten-mill limitation for the purpose of providing funds to 110331
pay current expenses of the district or for the purpose of paying 110332
any portion of the cost of one or more water resource projects or 110333
parts thereof or for both of such purposes, and that the question 110334
of such tax levy shall be submitted to the electors of the 110335
district at a general or primary election. Such resolution shall 110336
conform to the requirements of section 5705.19 of the Revised 110337
Code, except as otherwise permitted by this section and except 110338
that such levy may be for a period not longer than ten years. The 110339
resolution shall go into immediate effect upon its passage and no 110340

publication of the resolution is necessary other than that 110341
provided for in the notice of election. A copy of such resolution 110342
shall, immediately after its passage, be certified to the board of 110343
elections of the proper county or counties in the manner provided 110344
by section 5705.25 of the Revised Code, and such section shall 110345
govern the arrangements for the submission of such question and 110346
other matters with respect to such election to which such section 110347
refers. Publication of the notice of that election shall be made 110348
in one ~~or more newspapers having a~~ newspaper of general 110349
circulation in the district once a week for two consecutive weeks 110350
prior to the election, ~~and, if~~ or as provided in section 7.16 of 110351
the Revised Code. If the board of elections operates and maintains 110352
a web site, the board of elections shall post notice of the 110353
election on its web site for thirty days prior to the election. 110354

If a majority of the electors voting on the question vote in 110355
favor thereof, the board may make the necessary levy within the 110356
district at the additional rate or at any lesser rate on the tax 110357
list and duplicate for the purpose or purposes stated in the 110358
resolution. 110359

The taxes realized from such levy shall be collected at the 110360
same time and in the same manner as other taxes on such tax list 110361
and duplicate and such taxes, when collected, shall be paid to the 110362
district and deposited by it in a special fund which shall be 110363
established by the district for all revenues derived from such 110364
levy and for the proceeds of anticipation notes which shall be 110365
deposited in such fund. 110366

After the approval of such levy, the district may anticipate 110367
a fraction of the proceeds of such levy and, from time to time, 110368
during the life of such levy, issue anticipation notes in an 110369
amount not exceeding fifty per cent of the estimated proceeds of 110370
such levy to be collected in each year up to a period of five 110371
years after the date of issuance of such notes, less an amount 110372

equal to the proceeds of such levy previously obligated for each 110373
year by the issuance of anticipation notes, provided that the 110374
total amount maturing in any one year shall not exceed fifty per 110375
cent of the anticipated proceeds of such levy for that year. Each 110376
issue of notes shall be sold as provided in Chapter 133. of the 110377
Revised Code, and shall, except for such limitation that the total 110378
amount of such notes maturing in any one year shall not exceed 110379
fifty per cent of the anticipated proceeds of such levy for that 110380
year, mature serially in substantially equal installments during 110381
each year over a period not to exceed five years after their 110382
issuance. 110383

Sec. 6119.22. When a plan of sewerage devised in accordance 110384
with section 6119.19 of the Revised Code has been prepared, the 110385
board of trustees of the regional water and sewer district shall 110386
give at least ten days' notice in one newspaper of general 110387
circulation in such area or give notice as provided in section 110388
7.16 of the Revised Code, stating that such plans have been 110389
prepared and are filed in the office of the secretary of the board 110390
for examination and inspection by the parties interested. 110391

Any objection to such plan shall then be made to the board 110392
and it may amend or correct such plan, and shall thereupon file it 110393
as amended, or if no amendments are made, it shall file the 110394
original plan in the office of the secretary. 110395

Sec. 6119.25. When the board of trustees of a regional water 110396
and sewer district deems it necessary to construct all or a part 110397
of the sewers provided for in the plan devised in accordance with 110398
section 6119.19 of the Revised Code, the board shall declare by 110399
resolution the necessity thereof. Such resolution shall contain a 110400
declaration of the necessity of such improvement, a statement of 110401
the districts, areas, or parts thereof proposed to be constructed, 110402
the character of the materials to be used, a reference to the 110403

plans and specifications, where they are on file, and the mode of 110404
payment therefor, and shall publish the resolution once a week for 110405
not less than two nor more than four consecutive weeks in one 110406
newspaper of general circulation in the area or as provided in 110407
section 7.16 of the Revised Code. 110408

Sec. 6119.58. In order to obtain funds for the preparation of 110409
plans, specifications, estimates of cost, tentative assessments, 110410
and a plan of financing for any water resource project or part 110411
thereof, the board of trustees of a regional water and sewer 110412
district may levy upon the property in such district to be 110413
benefited by such project assessments apportioned in accordance 110414
with one or more of the methods set forth in section 6119.42 of 110415
the Revised Code. The aggregate of such assessments shall not 110416
exceed the amount determined by the board of trustees to be 110417
necessary for such purpose, including costs of financing, legal 110418
services, and other incidental costs, and shall be payable in such 110419
number of annual installments, not less than one, as the board of 110420
trustees prescribes, together with interest on any water resource 110421
revenue notes and bonds which may be issued in anticipation of the 110422
collection of such assessments. 110423

If the board of trustees proposes to obtain funds in 110424
accordance with this section, it shall determine by resolution 110425
that it is necessary to construct the water resource project and 110426
to maintain and operate the same on behalf of the district. 110427

Prior to the adoption of the resolution making such 110428
determination, the board of trustees shall give notice of the 110429
pendency thereof and of the proposed determination of the 110430
necessity of the construction of such project therein generally 110431
described, and such notice shall set forth a description of the 110432
properties to be benefited by such project and the time and place 110433
of a hearing of objections to, and endorsements of, such project. 110434

Such notice shall be given by publication in ~~at least~~ one 110435
newspaper ~~having a~~ of general circulation in the district once a 110436
week for two consecutive weeks or as provided in section 7.16 of 110437
the Revised Code, the first publication to be at least two weeks 110438
prior to the date set for the hearing, provided that the board of 110439
trustees may give, or cause to be given, such alternative or 110440
further notice of such hearing as it finds to be necessary or 110441
appropriate. At such hearing, or at any adjournment thereof, of 110442
which no further notice need be given, the board of trustees shall 110443
hear all owners whose properties are proposed to be assessed and 110444
such other evidence as is considered to be necessary, and may then 110445
adopt its resolution determining that the proposed project is 110446
necessary and should be undertaken by the district. In such 110447
resolution, the board of trustees shall direct the preparation of 110448
the estimated assessments upon the benefited properties and by 110449
whom they shall be prepared. 110450

After such assessments have been prepared and filed in the 110451
office of the secretary of the board of trustees and prior to the 110452
adoption of the resolution levying such assessments, the board of 110453
trustees shall give notice of the pendency of such resolution and 110454
of the proposed determination to levy such assessments, and such 110455
notice shall set forth the time and place of a hearing of 110456
objections to such assessments. Such notice shall be given by 110457
publication once in ~~at least~~ one newspaper ~~having a~~ of general 110458
circulation in the district, such publication to be made at least 110459
ten days prior to the date set for the hearing, provided that the 110460
board of trustees may give or cause to be given, such alternative 110461
of further notice of such hearing as it finds to be necessary or 110462
appropriate. At such hearing, or at any adjournment thereof, of 110463
which no further notice need be given, the board of trustees shall 110464
hear all persons whose properties are proposed to be assessed, 110465
shall correct any errors and make any revisions in the estimated 110466
assessments that appear to be necessary or just, and may then 110467

adopt a resolution levying upon the properties determined to be 110468
benefited the assessments as originally prepared or as so 110469
corrected and revised. 110470

The board of trustees shall have the power at any time to 110471
levy additional assessments upon such properties to complete the 110472
payment of the costs for which the original assessments were 110473
levied or to provide funds for any additional plans, 110474
specifications, estimates of cost, tentative assessments, and 110475
other incidental costs, provided that the board shall first have 110476
held a hearing on objections to such additional assessments in the 110477
same manner as required by this section with respect to such 110478
original assessments. Such additional assessments shall be payable 110479
in such number of annual installments, not less than one, as the 110480
board of trustees prescribes, together with interest on any water 110481
resource revenue notes and bonds which may be issued in 110482
anticipation of the collection of such assessments. 110483

The board of trustees may authorize contracts to carry out 110484
the purposes for which such assessments have been levied without 110485
the prior issuance of water resource revenue notes and bonds, 110486
provided that the payments to be made by the district do not fall 110487
due prior to the times when such assessments shall be collected. 110488

Section 207.10.20. OHIO ADMINISTRATIVE KNOWLEDGE SYSTEM 110816

The Ohio Administrative Knowledge System (OAKS) is an 110817

arrangement entered into under Chapter 125. of the Revised Code to 110830
finance the OAKS system and the enhancements described above, 110831
including any fractionalized interest therein, as defined in 110832
division (N) of section 133.01 of the Revised Code, shall provide 110833

Section 267.10.10. EARLY CHILDHOOD EDUCATION 113097

The Department of Education shall distribute the foregoing 113098
 appropriation item 200408, Early Childhood Education, to pay the 113099
 costs of early childhood education programs. 113100

(A) As used in this section: 113101

(1) "Provider" means a city, local, exempted village, or 113102
 joint vocational school district, or an educational service 113103
 center. 113104

(2) In the case of a city, local, or exempted village school 113105

district, "new eligible provider" means a district that did not 113106
receive state funding for Early Childhood Education in the 113107
previous fiscal year or demonstrates a need for early childhood 113108
programs as defined in division (D) of this section. 113109

(3) "Eligible child" means a child who is at least three 113110
years of age as of the district entry date for kindergarten, is 113111
not of the age to be eligible for kindergarten, and whose family 113112
earns not more than two hundred per cent of the federal poverty 113113
guidelines as defined in division (A)(3) of section 5101.46 of the 113114
Revised Code. Children with an Individualized Education Program 113115
and where the Early Childhood Education program is the least 113116
restrictive environment may be enrolled on their third birthday. 113117

(B) In each fiscal year, up to two per cent of the total 113118
appropriation may be used by the Department for program support 113119
and technical assistance. The Department shall distribute the 113120
remainder of the appropriation in each fiscal year to serve 113121
eligible children. 113122

(C) The Department shall provide an annual report to the 113123
Governor, the Speaker of the House of Representatives, and the 113124
President of the Senate and post the report to the Department's 113125
web site, regarding early childhood education programs operated 113126
under this section and the early learning program guidelines. 113127

(D) After setting aside the amounts to make payments due from 113128
the previous fiscal year, in fiscal year 2012, the Department 113129
shall distribute funds first to recipients of funds for early 113130
childhood education programs under Section 265.10.20 of Am. Sub. 113131
H.B. 1 of the 128th General Assembly in the previous fiscal year 113132
and the balance to new eligible providers of early childhood 113133
education programs under this section or to existing providers to 113134
serve more eligible children or for purposes of program expansion, 113135
improvement, or special projects to promote quality and 113136
innovation. 113137

After setting aside the amounts to make payments due from the 113138
previous fiscal year, in fiscal year 2013, the Department shall 113139
distribute funds first to providers of early childhood education 113140
programs under this section in the previous fiscal year and the 113141
balance to new eligible providers or to existing providers to 113142
serve more eligible children or for purposes of program expansion, 113143
improvement, or special projects to promote quality and 113144
innovation. 113145

Awards under this section shall be distributed on a per-pupil 113146
basis, and in accordance with division (H) of this section. The 113147
Department may adjust the per-pupil amount so that the per-pupil 113148
amount multiplied by the number of eligible children enrolled and 113149
receiving services on the first day of December or the business 113150
day closest to that date equals the amount allocated under this 113151
section. 113152

(E) Costs for developing and administering an early childhood 113153
education program may not exceed fifteen per cent of the total 113154
approved costs of the program. 113155

All providers shall maintain such fiscal control and 113156
accounting procedures as may be necessary to ensure the 113157
disbursement of, and accounting for, these funds. The control of 113158
funds provided in this program, and title to property obtained, 113159
shall be under the authority of the approved provider for purposes 113160
provided in the program unless, as described in division (J) of 113161
this section, the program waives its right for funding or a 113162
program's funding is eliminated or reduced due to its inability to 113163
meet financial or early learning program guidelines. The approved 113164
provider shall administer and use such property and funds for the 113165
purposes specified. 113166

(F) The Department may examine a provider's financial and 113167
program records. If the financial practices of the program are not 113168
in accordance with standard accounting principles or do not meet 113169

financial standards outlined under division (E) of this section, 113170
or if the program fails to substantially meet the early learning 113171
program guidelines or exhibits below average performance as 113172
measured against the guidelines, the early childhood education 113173
program shall propose and implement a corrective action plan that 113174
has been approved by the Department. The approved corrective 113175
action plan shall be signed by the chief executive officer and the 113176
executive of the official governing body of the provider. The 113177
corrective action plan shall include a schedule for monitoring by 113178
the Department. Such monitoring may include monthly reports, 113179
inspections, a timeline for correction of deficiencies, and 113180
technical assistance to be provided by the Department or obtained 113181
by the early childhood education program. The Department may 113182
withhold funding pending corrective action. If an early childhood 113183
education program fails to satisfactorily complete a corrective 113184
action plan, the Department may deny expansion funding to the 113185
program or withdraw all or part of the funding to the program and 113186
establish a new eligible provider through a selection process 113187
established by the Department. 113188

(G) Each early childhood education program shall do all of 113189
the following: 113190

(1) Meet teacher qualification requirements prescribed by 113191
section 3301.311 of the Revised Code; 113192

(2) Align curriculum to the early learning content standards 113193
developed by the Department; 113194

(3) Meet any child or program assessment requirements 113195
prescribed by the Department; 113196

(4) Require teachers, except teachers enrolled and working to 113197
obtain a degree pursuant to section 3301.311 of the Revised Code, 113198
to attend a minimum of twenty hours every two years of 113199
professional development as prescribed by the Department; 113200

(5) Document and report child progress as prescribed by the Department; 113201
113202

(6) Meet and report compliance with the early learning program guidelines as prescribed by the Department. 113203
113204

(H) Per-pupil funding for programs subject to this section shall be sufficient to provide eligible children with services for a standard early childhood schedule which shall be defined in this section as a minimum of twelve and one-half hours per school week as defined in section 3313.62 of the Revised Code for the minimum school year as defined in sections 3313.48, 3313.481, and 3313.482 of the Revised Code. Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the twelve and one-half hours per week or that exceed the minimum school year. For any provider for which a standard early childhood education schedule creates a hardship or for which the provider shows evidence that the provider is working in collaboration with a preschool special education program, the provider may submit a waiver to the Department requesting an alternate schedule. If the Department approves a waiver for an alternate schedule that provides services for less time than the standard early childhood education schedule, the Department may reduce the provider's annual allocation proportionately. Under no circumstances shall an annual allocation be increased because of the approval of an alternate schedule. 113205

113209
113210
113211

113219
113220
113221
113222
113223
113224
113225

(I) Each provider shall develop a sliding fee scale based on family incomes and shall charge families who earn more than two hundred per cent of the federal poverty guidelines, as defined in division (A)(3) of section 5101.46 of the Revised Code, for the early childhood education program. 113226
113227
113228
113229
113230

The Department shall conduct an annual survey of each provider to determine whether the provider charges families 113231
113232

tuition or fees, the amount families are charged relative to 113233
family income levels, and the number of families and students 113234
charged tuition and fees for the early childhood program. 113235

(J) If an early childhood education program voluntarily 113236
waives its right for funding, or has its funding eliminated for 113237
not meeting financial standards or the early learning program 113238
guidelines, the provider shall transfer control of title to 113239
property, equipment, and remaining supplies obtained through the 113240
program to providers designated by the Department and return any 113241
unexpended funds to the Department along with any reports 113242
prescribed by the Department. The funding made available from a 113243
program that waives its right for funding or has its funding 113244
eliminated or reduced may be used by the Department for new grant 113245
awards or expansion grants. The Department may award new grants or 113246
expansion grants to eligible providers who apply. The eligible 113247
providers who apply must do so in accordance with the selection 113248
process established by the Department. 113249

(K) As used in this section, "early learning program 113250
guidelines" means the guidelines established by the Department 113251
pursuant to division (C)(3) of Section 206.09.54 of Am. Sub. H.B. 113252
66 of the 126th General Assembly. 113253

(L) Eligible expenditures for the Early Childhood Education 113254
program shall be claimed each fiscal year to help meet the state's 113255
TANF maintenance of effort requirement. The Superintendent of 113256
Public Instruction and the Director of Job and Family Services 113257
shall enter into an interagency agreement to carry out the 113258
requirements under this division, which shall include developing 113259
reporting guidelines for these expenditures. 113260

Section 267.10.20. CAREER-TECHNICAL EDUCATION MATCH 113261

The foregoing appropriation item 200416, Career-Technical 113262
Education Match, shall be used by the Department of Education to 113263

provide vocational administration matching funds under 20 U.S.C. 113264
2311. 113265

COMPUTER/APPLICATION/NETWORK DEVELOPMENT 113266

Section 267.30.50. FUNDING FOR CITY, EXEMPTED VILLAGE, AND 113852
LOCAL SCHOOL DISTRICTS 113853

(A) For each of fiscal years 2012 and 2013, the Department of 113854
Education shall compute and pay operating funding for each city, 113855
exempted village, and local school district according to the 113856
following formula: 113857

[(The final amount computed for fiscal year 2011 under 113858
the line on the district's PASS form entitled "State 113859
Resources for the Foundation Funding Program" / the district's 113860
recalculated fiscal year 2011 formula ADM) X the district's 113861
current year formula ADM] - the district's adjustment amount 113862

Where: 113863

(1) "PASS form" means the form for calculating operating 113864
payments to school districts as prescribed by former section 113865
3306.012 of the Revised Code. 113866

(2) "Recalculated fiscal year 2011 formula ADM" means the 113867
district's average daily membership reported in October 2010 under 113868
division (A) of section 3317.03 of the Revised Code, as verified 113869
by the Superintendent of Public Instruction and adjusted if so 113870
ordered under division (K) of that section, and as further 113871
adjusted by the Department, as follows: 113872

(a) Count only twenty per cent of the number of joint 113873
vocational school district students counted under division (A)(3) 113874
of section 3317.03 of the Revised Code; 113875

(b) Add twenty per cent of the number of students who are 113876
entitled to attend school in the district under section 3313.64 or 113877
3313.65 of the Revised Code and are enrolled in another school 113878
district under a career-technical educational compact. 113879

(3) "Current year formula ADM" means the district's formula ADM for the current fiscal year as defined in section 3317.02 of the Revised Code.

(4) "The district's adjustment amount" means the amount computed under division (B)(5) of this section.

If the computation made under division (A) of this section results in a negative number, the district's funding under this section shall be zero.

(B) To make the computation required by division (A) of this section, the Department shall determine all of the following:

(1) Each district's charge-off valuation per pupil, which shall be the valuation used to determine the district's state share of the adequacy amount for fiscal year 2011, under former section 3306.13 of the Revised Code, divided by the district's recalculated fiscal year 2011 formula ADM;

(2) The statewide median charge-off valuation per pupil;

(3) Each district's charge-off valuation index, which shall be the district's charge-off valuation per pupil divided by the statewide median charge-off valuation per pupil;

(4) The statewide per pupil adjustment amount. The Department shall determine that amount so that the total statewide formula aid obligation for school districts does not exceed the aggregate amount appropriated for formula aid under line items 200502, 200550, and 200612.

(5) Each district's adjustment amount, which shall be the district's charge-off valuation index multiplied by the statewide per pupil adjustment amount multiplied by the district's current year formula ADM.

(C) On the form that the Department uses to compute funding for a school district in accordance with this section, the

Department also shall indicate the amount of that funding 113910
allocated to special education and related services and the amount 113911
allocated to career-technical education. The amounts allocated for 113912
special education and career-technical education shall be the 113913
amounts indicated on the PASS form for fiscal year 2011. Each 113914
school district that receives an allocation for career-technical 113915
education shall spend the funds only for purposes the Department 113916
of Education designates as approved for career-technical education 113917
expenses. Career-technical education expenses approved by the 113918
Department shall include only expenses connected to the delivery 113919
of career-technical programming to students enrolled in 113920
state-approved career-technical programs. If a school district 113921
informs the Department that it is unable to spend the full 113922
allocation on approved career-technical education expenses, the 113923
Department may reallocate the district's unexpended amount of the 113924
career-technical education allocation to other school districts. 113925
The Department shall first allocate the funds to school districts 113926
within the original school district's vocational education 113927
planning district that have growth in career-technical enrollment 113928
from the previous fiscal year. If there are no such districts, the 113929
Department shall allocate the funds to other school districts, 113930
with priority given to districts according to each district's 113931
growth in career-technical enrollment from the previous fiscal 113932
year. The Department shall require each school district to report 113933
data annually so that the Department may monitor the district's 113934
compliance with the requirements regarding the manner in which 113935
allocations for career-technical education may be spent. 113936

(D) For fiscal years 2012 and 2013, wherever a provision of 113937
law refers to payments or adjustments for a school district made 113938
in accordance with any section of Chapter 3317. of the Revised 113939
Code, that reference shall be construed to include payments or 113940
adjustments made under this section. 113941

Section 267.30.53. SUPPLEMENTAL SCHOOL DISTRICT FUNDING 113942

(A) For fiscal year 2012, the Department of Education shall 113943
compute and pay supplemental operating funding for each city, 113944
exempted village, and local school district according to the 113945
following formula: 113946

[(The final amount computed for fiscal year 2011 under the 113947
line on the district's PASS form entitled "State Resources for the 113948
Foundation Funding Program" minus the portion of that amount paid 113949
from funds received under the American Recovery and Reinvestment 113950
Act State Fiscal Stabilization Fund) multiplied by eighty per 113951
cent] minus (the amount computed for the district for fiscal year 113952
2012 under Section 267.30.50 of this act). 113953

(B) For fiscal year 2013, the Department of Education shall 113954
compute and pay supplemental operating funding for districts 113955
allocated funding under this section for fiscal year 2012 113956
according to the following formula: 113957

[(The final amount computed for the district for fiscal year 113958
2012 under Section 267.30.50 of this act) plus (the final amount 113959
computed for the district for fiscal year 2012 under this 113960
section)] minus (the amount computed for the district for fiscal 113961
year 2013 under Section 267.30.50 of this act). 113962

(C) If the computation made under division (A) or (B) of this 113963
section results in a negative number, the district's funding under 113964
that division shall be zero. 113965

Section 267.30.60. FUNDING FOR JOINT VOCATIONAL SCHOOL 113966

factors in the instructional models set out in this section. 118171

(A) FULL-TIME EQUIVALENT (FTE) ENROLLMENTS AND COMPLETIONS 118172

(1) As soon as possible during each fiscal year of the 118173

(ii) Campus-specific course completion indexes, where the indexes are calculated based upon the number of at-risk students enrolled during the 2009-2010 academic year; and

(iii) A statewide average at-risk course completion weight determined for each subsidy model. The statewide average at-risk course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.

(4) In calculating the core subsidy entitlements for Medical

II models only, students repeating terms may be no more than five 118210
per cent of current year enrollment. 118211

(5) In calculating the core subsidy entitlements for students 118212
enrolled in state-supported law schools, subsidy eligible FTE 118213
completions shall be limited to students identified as residents 118214
of Ohio. 118215

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 118280

ENTITLEMENTS AND ADJUSTMENTS 118281

(1) Of the foregoing appropriation item 235501, State Share 118282
of Instruction, 7.5 per cent of the fiscal year 2012 appropriation 118283
and 10 per cent of the fiscal year 2013 appropriation for 118284
state-supported community colleges, state community colleges, and 118285
technical colleges shall be allocated to colleges in proportion to 118286

their share of college student success factors as adopted by the 118287
Chancellor of the Board of Regents in formal communication to the 118288
Controlling Board on August 30, 2010. 118289

(2) Of the foregoing appropriation item 235501, State Share 118290
of Instruction, up to 12.89 per cent of the appropriation for 118291
university main campuses in each fiscal year shall be reserved for 118292
support of doctoral programs to implement the funding 118293
recommendations made by representatives of the universities. The 118294
amount so reserved shall be referred to as the doctoral set-aside. 118295

The doctoral set-aside shall be allocated to universities as 118296
follows: 118297

(a) 70 per cent of the doctoral set-aside in fiscal year 2012 118298
and 60 per cent of the doctoral set-aside in fiscal year 2013 118299
shall be allocated to universities in proportion to their share of 118300
the total number of Doctoral I equivalent FTEs as calculated on an 118301
institutional basis using the greater of the two-year or five-year 118302
FTEs for the period fiscal year 1994 through fiscal year 1998 with 118303
annualized FTEs for fiscal years 1994 through 1997 and all-term 118304
FTEs for fiscal year 1998 as adjusted to reflect the effects of 118305
doctoral review and subsequent changes in Doctoral I equivalent 118306
enrollments. For the purposes of this calculation, Doctoral I 118307
equivalent FTEs shall equal the sum of Doctoral I FTEs plus 1.5 118308
times the sum of Doctoral II FTEs. 118309

(b) 15 per cent of the doctoral set-aside in fiscal year 2012 118310
and 20 per cent of the doctoral set-aside in fiscal year 2013 118311
shall be allocated to universities in proportion to each campus's 118312
share of the total statewide doctoral degrees, weighted by the 118313
cost of the doctoral discipline. In calculating each campus's 118314
doctoral degrees the Chancellor of the Board of Regents shall use 118315
the three-year average doctoral degrees awarded for the three-year 118316
period ending in the prior year. 118317

(c) 7.5 per cent of the doctoral set-aside in fiscal year 118318
2012 and 10 per cent of the doctoral set-aside in fiscal year 2013 118319
shall be allocated to universities in proportion to their share of 118320
research grant activity, using a data collection method that is 118321
reviewed and approved by the presidents of Ohio's doctoral degree 118322
granting universities. In the event that the data collection 118323
method is not available, funding for this component shall be 118324
allocated to universities in proportion to their share of research 118325
grant activity published by the National Science Foundation. Grant 118326
awards from the Department of Health and Human Services shall be 118327
weighted at 50 per cent. 118328

(d) 7.5 per cent of the doctoral set-aside in fiscal year 118329
2012 and 10 per cent of the doctoral set-aside in fiscal year 2013 118330
shall be allocated to universities based on other quality measures 118331
that contribute to the advancement of quality doctoral programs. 118332
These other quality measures shall be identified by the Chancellor 118333
in consultation with universities. If for any reason metrics for 118334
distributing the quality component of the doctoral set-aside are 118335
not identified prior to the fiscal year allocation process, this 118336
portion of the doctoral set-aside funds shall be allocated to 118337
universities based on division (D)(2)(a) of this section. 118338

(3) Of the foregoing appropriation item 235501, State Share 118339
of Instruction, 7.01 per cent of the appropriation for university 118340
main campuses in each fiscal year shall be reserved for support of 118341
Medical II FTEs. The amount so reserved shall be referred to as 118342
the medical II set-aside. 118343

The medical II set-aside shall be allocated to universities 118344
in proportion to their share of the total number of Medical II 118345
FTEs as calculated in division (A) of this section, weighted by 118346
model cost. 118347

The Northeastern Ohio Universities Colleges of Medicine and 118348
Pharmacy (NEOUCOM) may use funds from the addition of 35 medical 118349

students resulting from its partnership with Cleveland State University to establish the NEOUCOM academic campus at Cleveland State University to enable 50 per cent or more of the medical curriculum to be based in Cleveland at Cleveland State University, local hospitals, and community- and neighborhood-based primary care clinics. Cleveland State University shall not receive state capital appropriations to pay for facilities for the academic campus.

(4) Of the foregoing appropriation item 235501, State Share of Instruction, 1.61 per cent of the appropriation for university main campuses in each fiscal year shall be reserved for support of Medical I FTEs. The amount so reserved shall be referred to as the medical I set-aside.

The medical I set-aside shall be allocated to universities in proportion to their share of the total number of Medical I FTEs as calculated in division (A) of this section.

(5) Of the foregoing appropriation item 235501, State Share of Instruction, 15 per cent of the fiscal year 2012 appropriation for university main campuses and 20 per cent of the fiscal year 2013 appropriation for university main campuses shall be reserved for support of associate, baccalaureate, master's, and professional level degree attainment.

The degree attainment funding shall be allocated to universities in proportion to each campus's share of the total statewide degrees granted, weighted by the cost of the degree programs.

In calculating the subsidy entitlements for degree attainment at university main campuses, the Chancellor of the Board of Regents shall use the following count of degrees and degree costs:

(a) For those associate degrees awarded by a state-supported university, the subsidy eligible degrees granted are defined as

only those earned by students attending a university that received 118381
funding under GRF appropriation item 235418, Access Challenge, in 118382
fiscal year 2009. 118383

(b) For professional law and legal studies degrees awarded by 118384
a state-supported university, the subsidy-eligible degrees at each 118385
institution shall equal no more than the following: 118386

University of Akron	132	118387
University of Cincinnati	90	118388
Cleveland State University	192	118389
The Ohio State University	149	118390
University of Toledo	134	118391

(c) In calculating each campus's count of degrees, the 118392
Chancellor of the Board of Regents shall use the three-year 118393
average associate, baccalaureate, master's, and professional 118394
degrees awarded for the three-year period ending in the prior 118395
year. 118396

(d) Eligible associate degrees defined in division (D)(5)(a) 118397
of this section and all bachelor's degrees earned by a student 118398
that either had an expected family contribution less than 2190, 118399
was determined to have been in need of remedial education, is 118400
Native American, African American, or Hispanic, or is at least age 118401
26 at the time of graduation, shall be defined as degrees earned 118402
by an at-risk student and shall be weighted by the following: 118403

(i) A campus-specific degree completion index, where the 118404
index is calculated based on the number of at-risk students 118405
enrolled during a two-year degree cohort beginning in fiscal year 118406
2000 or 2001 and earning a degree in eight years or less; and 118407

(ii) A statewide average at-risk completion weight determined 118408
by calculating the difference between the percentage of 118409
traditional students who earned a degree and the percentage of 118410
at-risk students who earned a degree during the same time period. 118411

(6) Each campus's state share of instruction base formula earnings shall be determined as follows:

(a) For each campus in each fiscal year, the instructional costs shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by (i) average subsidy-eligible FTEs for the two-year period ending in the prior year for all models except Doctoral I and Doctoral II; and (ii) average subsidy-eligible FTEs for the five-year period ending in the prior year for all models except Doctoral I and Doctoral II.

(b) The Chancellor of the Board of Regents shall compute the two calculations listed in division (D)(6)(a) of this section and use the greater amount as each campus's instructional costs.

(c) The Chancellor of the Board of Regents shall compute a uniform state share of instructional costs for each sector.

(i) For the state-supported community colleges, state community colleges, and technical colleges, the Chancellor of the Board of Regents shall compute the uniform state share of instructional costs by dividing the sector level appropriation total as determined by the Chancellor in division (A)(1) of Section 371.20.60 of this act and adjusted pursuant to divisions (B) and (C) of Section 371.20.60 of this act, less the student college success allocation as described in division (D)(1) of this section, by the sum of all eligible campuses' instructional costs as calculated in division (D)(6)(b) of this section.

(ii) For the state-supported university branch campuses, the Chancellor of the Board of Regents shall compute the uniform state share of instructional costs by dividing the sector level appropriation, as determined by the Chancellor in division (A)(2) of Section 371.20.60 of this act and adjusted pursuant to division (B) of Section 371.20.60 of this act by the sum of all campuses' instructional costs as calculated in division (D)(6)(b) of this

section. 118443

(iii) For the state-supported university main campuses, the 118444
Chancellor of the Board of Regents shall compute the uniform state 118445
share of instructional costs by dividing the sector level 118446
appropriation, as determined by the Chancellor in division (A)(3) 118447
of Section 371.20.60 of this act and adjusted pursuant to division 118448
(B) of Section 371.20.60 of this act, less the doctoral set-aside, 118449
less the medical I set-aside, less the medical II set-aside, and 118450
less the degree attainment funding as calculated in divisions 118451
(D)(2) to (5) of this section, by the sum of all campuses' 118452
instructional costs as calculated in division (D)(6)(b) of this 118453
section. 118454

(d) The formula entitlement for each sector's campuses shall 118455
be determined by multiplying the uniform state share of 118456
instructional costs calculated in division (D)(6)(c) of this 118457
section by the campus's instructional cost determined in division 118458
(D)(6)(b) of this section. 118459

(7) In addition to the student success allocation, doctoral 118460
set-aside, medical I set-aside, medical II set-aside, and the 118461
degree attainment allocation determined in divisions (D)(1) to (5) 118462
of this section and the formula entitlement determined in division 118463
(D)(6) of this section, an allocation based on facility-based 118464
plant operations and maintenance (POM) subsidy shall be made. For 118465
each eligible campus, the amount of the POM allocation in each 118466
fiscal year shall be distributed based on what each campus 118467
received in the fiscal year 2009 POM allocation. 118468

Any POM allocations required by this division shall be funded 118469
by proportionately reducing formula entitlement earnings, 118470
including the POM allocations, for all campuses in that sector. 118471

(8) STABILITY IN STATE SHARE OF INSTRUCTION FUNDING 118472

(a) In addition to and after the adjustments noted above, in 118473

fiscal year 2012, no campus shall receive a state share of 118474
instruction allocation that is less than the lesser of the 118475
following two amounts, net of funding for the medical II 118476
set-aside: 118477

(i) The prior year's state share of instruction amount 118478
reduced by 3 per cent, or 118479

(ii) The prior year's state share of instruction amount 118480
reduced by a percentage equal to the percentage change from the 118481
prior year in the campus's sector's state share of instruction 118482
funding minus three percentage points. Funds shall be made 118483
available to support this allocation by proportionately reducing 118484
formula entitlement earnings from those campuses, within each 118485
sector, that are not receiving stability funding. 118486

(b) In fiscal year 2013, in addition to and after the 118487
adjustments noted above, no campus shall receive a state share of 118488
instruction allocation that is less than the lesser of the 118489
following two amounts, net of funding for the medical II 118490
set-aside: 118491

(i) The prior year's state share of instruction amount 118492
reduced by 4 per cent, or 118493

(ii) The prior year's state share of instruction amount 118494
reduced by a percentage equal to the percentage change from the 118495
prior year in the campus's sector's state share of instruction 118496
funding minus four percentage points. Funds shall be made 118497
available to support this allocation by proportionately reducing 118498
formula entitlement earnings from those campuses, within each 118499
sector, that are not receiving stability funding. 118500

(c) For main campus universities that operate a medical 118501
school, in fiscal year 2012 no campus shall receive an allocation 118502
for the medical II set-aside that is less than the lesser of the 118503
following amounts: 118504

(i) The prior year's allocation for the medical II set-aside 118505
reduced by 2 per cent, or 118506

(ii) The prior year's allocation for the medical II set-aside 118507
reduced by a percentage equal to the percentage change from the 118508
prior year in the total medical II set-aside minus two percentage 118509
points. Funds shall be made available to support this allocation 118510
by proportionately reducing formula entitlement earnings from 118511
public medical schools, within each sector, that are not receiving 118512
stability funding. 118513

(d) In fiscal year 2013, no main campus university that 118514
operates a medical school shall receive an allocation for the 118515
medical II set-aside that is less than 97 per cent of the prior 118516
year's allocation for the medical II set-aside. Funds shall be 118517
made available to support this allocation by proportionately 118518
reducing formula entitlement earnings from public medical schools, 118519
within each sector, that are not receiving stability funding. 118520

(9) CAPITAL COMPONENT DEDUCTION 118521

After all other adjustments have been made, state share of 118522
instruction earnings shall be reduced for each campus by the 118523
amount, if any, by which debt service charged in Am. H.B. 748 of 118524
the 121st General Assembly, Am. Sub. H.B. 850 of the 122nd General 118525
Assembly, Am. Sub. H.B. 640 of the 123rd General Assembly, H.B. 118526
675 of the 124th General Assembly, Am. Sub. H.B. 16 of the 126th 118527
General Assembly, Am. Sub. H.B. 699 of the 126th General Assembly, 118528
Am. Sub. H.B. 496 of the 127th General Assembly, and Am. Sub. H.B. 118529
562 of the 127th General Assembly for that campus exceeds that 118530
campus's capital component earnings. The sum of the amounts 118531
deducted shall be transferred to appropriation item 235552, 118532
Capital Component, in each fiscal year. 118533

(E) EXCEPTIONAL CIRCUMSTANCES 118534

Adjustments may be made to the state share of instruction 118535

payments and other subsidies distributed by the Chancellor of the Board of Regents to state-assisted colleges and universities for exceptional circumstances. No adjustments for exceptional circumstances may be made without the recommendation of the Chancellor and the approval of the Controlling Board.

(F) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF INSTRUCTION

The standard provisions of the state share of instruction calculation as described in the preceding sections of temporary law shall apply to any reductions made to appropriation item 235501, State Share of Instruction, before the Chancellor of the Board of Regents has formally approved the final allocation of the state share of instruction funds for any fiscal year.

Any reductions made to appropriation item 235501, State Share of Instruction, after the Chancellor of the Board of Regents has formally approved the final allocation of the state share of instruction funds for any fiscal year, shall be uniformly applied to each campus in proportion to its share of the final allocation.

(G) DISTRIBUTION OF STATE SHARE OF INSTRUCTION

The state share of instruction payments to the institutions shall be in substantially equal monthly amounts during the fiscal year, unless otherwise determined by the Director of Budget and Management pursuant to section 126.09 of the Revised Code. Payments during the first six months of the fiscal year shall be based upon the state share of instruction appropriation estimates made for the various institutions of higher education according to the Chancellor of the Board of Regents enrollment estimates. Payments during the last six months of the fiscal year shall be distributed after approval of the Controlling Board upon the request of the Chancellor.

Section 371.20.60. STATE SHARE OF INSTRUCTION FOR FISCAL 118566

(A) The foregoing appropriation item 235501, State Share of 118568
Instruction, shall be distributed according to the section of this 118569
act entitled "STATE SHARE OF INSTRUCTION FORMULAS." 118570

(1) Of the foregoing appropriation item 235501, State Share 118571
of Instruction, \$400,039,672 in fiscal year 2012 and \$403,657,477 118572
in fiscal year 2013 shall be distributed to state-supported 118573
community colleges, state community colleges, and technical 118574
colleges. 118575

(2) Of the foregoing appropriation item 235501, State Share 118576
of Instruction, \$115,139,824 in fiscal year 2012 and \$116,181,104 118577
in fiscal year 2013 shall be distributed to state-supported 118578
university branch campuses. 118579

(3) Of the foregoing appropriation item 235501, State Share 118580
of Instruction, \$1,220,350,535 in fiscal year 2012 and 118581
\$1,231,386,916 in fiscal year 2013 shall be distributed to 118582
state-supported university main campuses. 118583

(B) Of the amounts earmarked in division (A) of this section, 118584
\$60,996,059 in each fiscal year shall be distributed to eligible 118585
colleges and universities based on each campus's share of the 118586
appropriation item 235418, Access Challenge, in fiscal year 2009. 118587

(C) Of the amount earmarked in division (A)(1) of this 118588
section, \$10,323,056 in each fiscal year shall be distributed 118589
among state-supported community colleges, state community 118590
colleges, and technical colleges in an amount equal to the amount 118591
each institution received in fiscal year 2009 from the 118592
supplemental tuition subsidy earmarked under Section 375.30.25 of 118593
H.B. 119 of the 127th General Assembly. 118594

(D) The state share of instruction payments to the 118595

institutions shall be in substantially equal monthly amounts 118596
during the fiscal year, unless otherwise determined by the 118597
Director of Budget and Management pursuant to section 126.09 of 118598
the Revised Code. Payments during the last six months of the 118599
fiscal year shall be distributed after approval of the Controlling 118600
Board upon the request of the Chancellor of the Board of Regents. 118601

Section 371.20.65. TRANSFER OF INSTRUCTIONAL SUBSIDIES 118602
BETWEEN UNIVERSITIES 118603

Notwithstanding any provision of law to the contrary, in 118604
consultation with the Chancellor of the Board of Regents, a 118605
state-supported university may request to transfer state share of 118606
instruction subsidy allocations of the foregoing appropriation 118607
item 235501, State Share of Instruction, between a university main 118608
campus and any university branch campus for which the university 118609
main campus is affiliated to best accomplish institutional goals 118610
and objectives. At the request of the Chancellor of the Board of 118611
Regents, the Director of Budget and Management may transfer the 118612
requested amounts of state share of instruction appropriation 118613
allocations between affiliated university branch campuses and 118614
university main campuses. 118615

Section 371.20.70. RESTRICTION ON FEE INCREASES 118616

The boards of trustees of state-assisted institutions of 118617
higher education shall restrain increases in in-state 118618
undergraduate instructional and general fees. Each state-assisted 118619
institution shall not increase its in-state undergraduate 118620
instructional and general fees more than 3.5 per cent over what 118621
the institution charged for the preceding academic year. 118622

These limitations shall not apply to increases required to 118623
comply with institutional covenants related to their obligations 118624
or to meet unfunded legal mandates or legally binding obligations 118625

incurred or commitments made prior to the effective date of this 118626
section with respect to which the institution had identified such 118627
fee increases as the source of funds. Any increase required by 118628
such covenants and any such mandates, obligations, or commitments 118629
shall be reported by the Chancellor of the Board of Regents to the 118630
Controlling Board. These limitations may also be modified by the 118631
Chancellor of the Board of Regents, with the approval of the 118632
Controlling Board, to respond to exceptional circumstances as 118633
identified by the Chancellor of the Board of Regents. 118634

Section 371.20.80. HIGHER EDUCATION - BOARD OF TRUSTEES 118635

(A) Funds appropriated for instructional subsidies at 118636
colleges and universities may be used to provide such branch or 118637
other off-campus undergraduate courses of study and such master's 118638
degree courses of study as may be approved by the Chancellor of 118639
the Board of Regents. 118640

(B) In providing instructional and other services to 118641
students, boards of trustees of state-assisted institutions of 118642
higher education shall supplement state subsidies with income from 118643
charges to students. Except as otherwise provided in this act, 118644
each board shall establish the fees to be charged to all students, 118645
including an instructional fee for educational and associated 118646
operational support of the institution and a general fee for 118647
noninstructional services, including locally financed student 118648
services facilities used for the benefit of enrolled students. The 118649
instructional fee and the general fee shall encompass all charges 118650
for services assessed uniformly to all enrolled students. Each 118651
board may also establish special purpose fees, service charges, 118652
and fines as required; such special purpose fees and service 118653
charges shall be for services or benefits furnished individual 118654
students or specific categories of students and shall not be 118655
applied uniformly to all enrolled students. A tuition surcharge 118656

shall be paid by all students who are not residents of Ohio. 118657

The board of trustees of a state-assisted institution of 118658
higher education shall not authorize a waiver or nonpayment of 118659
instructional fees or general fees for any particular student or 118660
any class of students other than waivers specifically authorized 118661
by law or approved by the Chancellor. This prohibition is not 118662
intended to limit the authority of boards of trustees to provide 118663
for payments to students for services rendered the institution, 118664
nor to prohibit the budgeting of income for staff benefits or for 118665
student assistance in the form of payment of such instructional 118666
and general fees. 118667

Each state-assisted institution of higher education in its 118668
statement of charges to students shall separately identify the 118669
instructional fee, the general fee, the tuition charge, and the 118670
tuition surcharge. Fee charges to students for instruction shall 118671
not be considered to be a price of service but shall be considered 118672
to be an integral part of the state government financing program 118673
in support of higher educational opportunity for students. 118674

(C) The boards of trustees of state-assisted institutions of 118675
higher education shall ensure that faculty members devote a proper 118676
and judicious part of their work week to the actual instruction of 118677
students. Total class credit hours of production per academic term 118678
per full-time faculty member is expected to meet the standards set 118679
forth in the budget data submitted by the Chancellor of the Board 118680
of Regents. 118681

(D) The authority of government vested by law in the boards 118682
of trustees of state-assisted institutions of higher education 118683
shall in fact be exercised by those boards. Boards of trustees may 118684
consult extensively with appropriate student and faculty groups. 118685
Administrative decisions about the utilization of available 118686
resources, about organizational structure, about disciplinary 118687
procedure, about the operation and staffing of all auxiliary 118688

facilities, and about administrative personnel shall be the 118689
exclusive prerogative of boards of trustees. Any delegation of 118690
authority by a board of trustees in other areas of responsibility 118691
shall be accompanied by appropriate standards of guidance 118692
concerning expected objectives in the exercise of such delegated 118693
authority and shall be accompanied by periodic review of the 118694
exercise of this delegated authority to the end that the public 118695
interest, in contrast to any institutional or special interest, 118696
shall be served. 118697

Section 371.20.90. STUDENT SUPPORT SERVICES 118698

The foregoing appropriation item 235502, Student Support 118699
Services, shall be distributed by the Chancellor of the Board of 118700
Regents to Ohio's state-assisted colleges and universities that 118701
incur disproportionate costs in the provision of support services 118702
to disabled students. 118703

Section 371.30.10. WAR ORPHANS SCHOLARSHIPS 118704

The foregoing appropriation item 235504, War Orphans 118705
Scholarships, shall be used to reimburse state-assisted 118706
institutions of higher education for waivers of instructional fees 118707
and general fees provided by them, to provide grants to 118708
institutions that have received a certificate of authorization 118709
from the Chancellor of the Board of Regents under Chapter 1713. of 118710
the Revised Code, in accordance with the provisions of section 118711
5910.04 of the Revised Code, and to fund additional scholarship 118712
benefits provided by section 5910.032 of the Revised Code. 118713

An amount equal to the unexpended, unencumbered portion of 118714
the foregoing appropriation item 235504, War Orphans Scholarships, 118715
at the end of fiscal year 2012 is hereby reappropriated to the 118716
Board of Regents for the same purpose for fiscal year 2013. 118717

Section 371.30.20. OHIOLINK 118718

The foregoing appropriation item 235507, OhioLINK, shall be 118719
used by the Chancellor of the Board of Regents to support 118720
OhioLINK, a consortium organized under division (U) of section 118721
3333.04 of the Revised Code to serve as the state's electronic 118722
library information and retrieval system, which provides access 118723
statewide to an extensive set of electronic databases and 118724
resources and the library holdings of Ohio's public and 118725
participating private nonprofit colleges and universities, and the 118726
State Library of Ohio. 118727

Section 371.30.30. AIR FORCE INSTITUTE OF TECHNOLOGY 118728

The foregoing appropriation item 235508, Air Force Institute 118729
of Technology, shall be used by the director of the Air Force 118730
Institute to: (A) strengthen the research and educational linkages 118731
between the Wright Patterson Air Force Base and institutions of 118732
higher education in Ohio; and (B) support the Dayton Area Graduate 118733
Studies Institute, an engineering graduate consortium of Wright 118734
State University, the University of Dayton, and the Air Force 118735
Institute of Technology, with the participation of the University 118736
of Cincinnati and The Ohio State University. 118737

Section 371.30.40. OHIO SUPERCOMPUTER CENTER 118738

The foregoing appropriation item 235510, Ohio Supercomputer 118739
Center, shall be used by the Chancellor of the Board of Regents to 118740
support the operation of the Ohio Supercomputer Center, a 118741
consortium organized under division (U) of section 3333.04 of the 118742
Revised Code, located at The Ohio State University. The Ohio 118743
Supercomputer Center is a statewide resource available to Ohio 118744
research universities both public and private. It is also intended 118745
that the center be made accessible to private industry as 118746
appropriate. 118747

Funds shall be used, in part, to support the Ohio Supercomputer Center's Computational Science Initiative, which includes its industrial outreach program, Blue Collar Computing, and its School of Computational Science. These collaborations between the Ohio Supercomputer Center and Ohio's colleges and universities shall be aimed at making Ohio a leader in using computer modeling to promote economic development.

Section 371.30.50. COOPERATIVE EXTENSION SERVICE

The foregoing appropriation item 235511, Cooperative Extension Service, shall be disbursed through the Chancellor of the Board of Regents to The Ohio State University in monthly payments, unless otherwise determined by the Director of Budget and Management under section 126.09 of the Revised Code.

In both fiscal years 2012 and 2013, the Executive Director of	119656

Section 503.20. SATISFACTION OF JUDGMENTS AND SETTLEMENTS 120267

entered into. Nothing contained in this section is intended to 120285
subject the state to suit in any forum in which it is not 120286
otherwise subject to suit, and is not intended to waive or 120287
compromise any defense or right available to the state in any suit 120288
against it. 120289

Section 503.30. CAPITAL PROJECT SETTLEMENTS 120290

This section specifies an additional and supplemental 120291
procedure to provide for payments of judgments and settlements if 120292
the Director of Budget and Management determines, pursuant to 120293
division (C)(4) of section 2743.19 of the Revised Code, that 120294
sufficient unencumbered moneys do not exist in the fund to support 120295
a particular appropriation to pay the amount of a final judgment 120296
rendered against the state or a state agency, including the 120297

settlement of a claim approved by a court, in an action upon and 120298
arising out of a contractual obligation for the construction or 120299
improvement of a capital facility if the costs under the contract 120300
were payable in whole or in part from a state capital projects 120301
appropriation. In such a case, the Director may either proceed 120302
pursuant to division (C)(4) of section 2743.19 of the Revised Code 120303
or apply to the Controlling Board to increase an appropriation or 120304
create an appropriation out of any unencumbered moneys in the 120305
state treasury to the credit of the capital projects fund from 120306
which the initial state appropriation was made. The amount of an 120307
increase in appropriation or new appropriation approved by the 120308
Controlling Board is hereby appropriated from the applicable 120309
capital projects fund and made available for the payment of the 120310
judgment or settlement. 120311

If the Director does not make the application authorized by 120312
this section or the Controlling Board disapproves the application, 120313
and the Director does not make application under division (C)(4) 120314
of section 2743.19 of the Revised Code, the Director shall for the 120315

Assembly as provided for in division (C)(5) of that section. 120317

Section 503.40. RE-ISSUANCE OF VOIDED WARRANTS 120318

In order to provide funds for the reissuance of voided 120319
warrants under section 126.37 of the Revised Code, there is hereby 120320
appropriated, out of moneys in the state treasury from the fund 120321
credited as provided in section 126.37 of the Revised Code, that 120322
amount sufficient to pay such warrants when approved by the Office 120323
of Budget and Management. 120324

BALANCES OF OPERATING APPROPRIATIONS 120326

(A) An unexpended balance of an operating appropriation or 120327

reappropriation that a state agency lawfully encumbered prior to 120328

it was originally appropriated or reappropriated for the following 120331
period and shall remain available only for the purpose of 120332
discharging the encumbrance: 120333

(1) For an encumbrance for personal services, maintenance, 120334
equipment, or items for resale, other than an encumbrance for an 120335
item of special order manufacture not available on term contract 120336
or in the open market or for reclamation of land or oil and gas 120337
wells, for a period of not more than five months from the end of 120338
the fiscal year; 120339

(2) For an encumbrance for an item of special order 120340
manufacture not available on term contract or in the open market, 120341
for a period of not more than five months from the end of the 120342
fiscal year or, with the written approval of the Director of 120343
Budget and Management, for a period of not more than twelve months 120344
from the end of the fiscal year; 120345

(3) For an encumbrance for reclamation of land or oil and gas 120346
wells, for a period ending when the encumbered appropriation is 120347
expended or for a period of two years, whichever is less; 120348

(4) For an encumbrance for any other expense, for such period 120349
as the Director approves, provided such period does not exceed two 120350
years. 120351

(B) Any operating appropriations for which unexpended 120352
balances are reappropriated beyond a five-month period from the 120353
end of the fiscal year by division (A)(2) of this section shall be 120354
reported to the Controlling Board by the Director of Budget and 120355
Management by the thirty-first day of December of each year. The 120356
report on each such item shall include the item, the cost of the 120357
item, and the name of the vendor. The report shall be updated on a 120358

quarterly basis for encumbrances remaining open. 120359

(C) Upon the expiration of the reappropriation period set out 120360
in division (A) of this section, a reappropriation made by this 120361
section lapses, and the Director of Budget and Management shall 120362
cancel the encumbrance of the unexpended reappropriation not later 120363
than the end of the weekend following the expiration of the 120364
reappropriation period. 120365

(D) Notwithstanding division (C) of this section, with the 120366
approval of the Director of Budget and Management, an unexpended 120367
balance of an encumbrance that was reappropriated on the first day 120368
of July by this section for a period specified in division (A)(3) 120369
or (4) of this section and that remains encumbered at the close of 120370
the fiscal biennium is hereby reappropriated on the first day of 120371
July of the following fiscal biennium from the fund from which it 120372
was originally appropriated or reappropriated for the applicable 120373
period specified in division (A)(3) or (4) of this section and 120374
shall remain available only for the purpose of discharging the 120375
encumbrance. 120376

(E) The Director of Budget and Management may correct 120377
accounting errors committed by the staff of the Office of Budget 120378
and Management, such as re-establishing encumbrances or 120379
appropriations cancelled in error, during the cancellation of 120380
operating encumbrances in November and of nonoperating 120381
encumbrances in December. 120382

(F) If the Controlling Board approved a purchase, that 120383
approval remains in effect so long as the appropriation used to 120384
make that purchase remains encumbered. 120385

(3) "Owner" and "qualified rehabilitation expenditures" have 120850
the same meanings as in section 149.311 of the Revised Code. 120851

guarantees of loans for approved historic rehabilitation projects 120856
as provided in this section. 120857

(C) The Director of Development may undertake to secure 120858
