the director's discretion, may issue a final action upon the 62602
application without holding a public information session or public 62603
hearing pursuant to division (A)(2)(e) of this section. 62604

(3) Except as provided in division (A)(10) of this section, 62605
and unless the owner or operator of any solid waste facility, 62606
other than a solid waste transfer facility or a compost facility 62607
that accepts exclusively source separated yard wastes, that 62608
commenced operation on or before July 1, 1968, has obtained an 62609
exemption from the requirements of division (A)(3) of this section 62610
in accordance with division (G) of section 3734.02 of the Revised 62611
Code, the owner or operator shall submit to the director an 62612

application for a permit with accompanying engineering detail 62613
plans, specifications, and information regarding the facility and 62614
its method of operation for approval under rules adopted under 62615
division (A) of section 3734.02 of the Revised Code and applicable 62616
rules adopted under division (D) of section 3734.12 of the Revised 62617
Code in accordance with the following schedule: 62618

(a) Not later than September 24, 1988, if the facility is 62619
located in the city of Garfield Heights or Parma in Cuyahoga 62620
county; 62621

(b) Not later than December 24, 1988, if the facility is 62622
located in Delaware, Greene, Guernsey, Hamilton, Madison, 62623
Mahoning, Ottawa, or Vinton county; 62624

(c) Not later than March 24, 1989, if the facility is located 62625
in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or 62626
Washington county, or is located in the city of Brooklyn or 62627
Cuyahoga Heights in Cuyahoga county; 62628

(d) Not later than June 24, 1989, if the facility is located 62629
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 62630
Summit county or is located in Cuyahoga county outside the cities 62631
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 62632

(e) Not later than September 24, 1989, if the facility is 62633
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 62634
county; 62635

(f) Not later than December 24, 1989, if the facility is 62636
located in a county not listed in divisions (A)(3)(a) to (e) of 62637
this section; 62638

(g) Notwithstanding divisions (A)(3)(a) to (f) of this 62639
section, not later than December 31, 1990, if the facility is a 62640
solid waste facility owned by a generator of solid wastes when the 62641
solid waste facility exclusively disposes of solid wastes 62642
generated at one or more premises owned by the generator 62643

regardless of whether the facility is located on a premises where 62644
the wastes are generated and if the facility disposes of more than 62645
one hundred thousand tons of solid wastes per year, provided that 62646
any such facility shall be subject to division (A)(5) of this 62647
section. 62648

(4) Except as provided in divisions (A)(8), (9), and (10) of 62649
this section, unless the owner or operator of any solid waste 62650
facility for which a permit was issued after July 1, 1968, but 62651
before January 1, 1980, has obtained an exemption from the 62652
requirements of division (A)(4) of this section under division (G) 62653
of section 3734.02 of the Revised Code, the owner or operator 62654
shall submit to the director an application for a permit with 62655
accompanying engineering detail plans, specifications, and 62656
information regarding the facility and its method of operation for 62657
approval under those rules. 62658

(5) The director may issue an order in accordance with 62659
Chapter 3745. of the Revised Code to the owner or operator of a 62660
solid waste facility requiring the person to submit to the 62661
director updated engineering detail plans, specifications, and 62662
information regarding the facility and its method of operation for 62663
approval under rules adopted under division (A) of section 3734.02 62664
of the Revised Code and applicable rules adopted under division 62665
(D) of section 3734.12 of the Revised Code if, in the director's 62666
judgment, conditions at the facility constitute a substantial 62667
threat to public health or safety or are causing or contributing 62668
to or threatening to cause or contribute to air or water pollution 62669
or soil contamination. Any person who receives such an order shall 62670
submit the updated engineering detail plans, specifications, and 62671
information to the director within one hundred eighty days after 62672
the effective date of the order. 62673

(6) The director shall act upon an application submitted 62674
under division (A)(3) or (4) of this section and any updated 62675

engineering plans, specifications, and information submitted under 62676
division (A)(5) of this section within one hundred eighty days 62677
after receiving them. If the director denies any such permit 62678
application, the order denying the application or disapproving the 62679
plans shall include the requirements that the owner or operator 62680
submit a plan for closure and post-closure care of the facility to 62681
the director for approval within six months after issuance of the 62682
order, cease accepting solid wastes for disposal or transfer at 62683
the facility, and commence closure of the facility not later than 62684
one year after issuance of the order. If the director determines 62685
that closure of the facility within that one-year period would 62686
result in the unavailability of sufficient solid waste management 62687
facility capacity within the county or joint solid waste 62688
management district in which the facility is located to dispose of 62689
or transfer the solid waste generated within the district, the 62690
director in the order of denial or disapproval may postpone 62691
commencement of closure of the facility for such period of time as 62692
the director finds necessary for the board of county commissioners 62693
or directors of the district to secure access to or for there to 62694
be constructed within the district sufficient solid waste 62695
management facility capacity to meet the needs of the district, 62696
provided that the director shall certify in the director's order 62697
that postponing the date for commencement of closure will not 62698
endanger ground water or any property surrounding the facility, 62699
allow methane gas migration to occur, or cause or contribute to 62700
any other type of environmental damage. 62701

If an emergency need for disposal capacity that may affect 62702
public health and safety exists as a result of closure of a 62703
facility under division (A)(6) of this section, the director may 62704
issue an order designating another solid waste facility to accept 62705
the wastes that would have been disposed of at the facility to be 62706
closed. 62707

(7) If the director determines that standards more stringent than those applicable in rules adopted under division (A) of section 3734.02 of the Revised Code and division (D) of section 3734.12 of the Revised Code, or standards pertaining to subjects not specifically addressed by those rules, are necessary to ensure that a solid waste facility constructed at the proposed location will not cause a nuisance, cause or contribute to water pollution, or endanger public health or safety, the director may issue a permit for the facility with such terms and conditions as the director finds necessary to protect public health and safety and the environment. If a permit is issued, the director shall state in the order issuing it the specific findings supporting each such term or condition.

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do not apply to a solid waste compost facility that accepts exclusively source separated yard wastes and that is registered under division (C) of section 3734.02 of the Revised Code or, unless otherwise provided in rules adopted under division (N)(3) of section 3734.02 of the Revised Code, to a solid waste compost facility if the director has adopted rules establishing an alternative system for authorizing the establishment, operation, or modification of a solid waste compost facility under that division.

(9) Divisions (A)(1) to (7) of this section do not apply to scrap tire collection, storage, monocell, monofill, and recovery facilities. The approval of plans and specifications, as applicable, and the issuance of registration certificates, permits, and licenses for those facilities are subject to sections 3734.75 to 3734.78 of the Revised Code, as applicable, and section 3734.81 of the Revised Code.

(10) Divisions (A)(3) and (4) of this section do not apply to a solid waste incinerator that was placed into operation on or

before October 12, 1994, and that is not authorized to accept and 62740
treat infectious wastes pursuant to division (B) of this section. 62741

(B)(1) Each person who is engaged in the business of treating 62742
infectious wastes for profit at a treatment facility located off 62743
the premises where the wastes are generated that is in operation 62744
on August 10, 1988, and who proposes to continue operating the 62745
facility shall submit to the board of health of the health 62746
district in which the facility is located an application for a 62747
license to operate the facility. 62748

Thereafter, no person shall operate or maintain an infectious 62749
waste treatment facility without a license issued by the board of 62750
health of the health district in which the facility is located or 62751
by the director when the health district in which the facility is 62752
located is not on the approved list under section 3734.08 of the 62753
Revised Code. 62754

(2)(a) During the month of December, but before the first day 62755
of January of the next year, every person proposing to continue to 62756
operate an existing infectious waste treatment facility shall 62757
procure a license to operate the facility for that year from the 62758
board of health of the health district in which the facility is 62759
located or, if the health district is not on the approved list 62760
under section 3734.08 of the Revised Code, from the director. The 62761
application for such a license shall be submitted to the board of 62762
health or to the director, as appropriate, on or before the last 62763
day of September of the year preceding that for which the license 62764
is sought. In addition to the application fee prescribed in 62765
division (B)(2)(c) of this section, a person who submits an 62766
application after that date shall pay an additional ten per cent 62767
of the amount of the application fee for each week that the 62768
application is late. Late payment fees accompanying an application 62769
submitted to the board of health shall be credited to the special 62770
infectious waste fund of the health district created in division 62771

(C) of section 3734.06 of the Revised Code, and late payment fees 62772
accompanying an application submitted to the director shall be 62773
credited to the general revenue fund. A person who has received a 62774
license, upon sale or disposition of an infectious waste treatment 62775
facility and upon consent of the board of health and the director, 62776
may have the license transferred to another person. The board of 62777
health or the director may include such terms and conditions in a 62778
license or revision to a license as are appropriate to ensure 62779
compliance with the infectious waste provisions of this chapter 62780
and rules adopted under them. 62781

(b) Each person proposing to open a new infectious waste 62782
treatment facility or to modify an existing infectious waste 62783
treatment facility shall submit an application for a permit with 62784
accompanying detail plans and specifications to the environmental 62785
protection agency for required approval under the rules adopted by 62786
the director pursuant to section 3734.021 of the Revised Code two 62787
hundred seventy days before proposed operation of the facility and 62788
concurrently shall make application for a license with the board 62789
of health of the health district in which the facility is or is 62790
proposed to be located. Not later than ninety days after receiving 62791
a completed application under division (B)(2)(b) of this section 62792
for a permit to open a new infectious waste treatment facility or 62793
modify an existing infectious waste treatment facility to expand 62794
its treatment capacity, or receiving a completed application under 62795
division (A)(2)(a) of this section for a permit to open a new 62796
solid waste incineration facility, or modify an existing solid 62797
waste incineration facility to also treat infectious wastes or to 62798
increase its infectious waste treatment capacity, that pertains to 62799
a facility for which a notation authorizing infectious waste 62800
treatment is included or proposed to be included in the solid 62801
waste incineration facility's license pursuant to division (B)(3) 62802
of this section, the director shall hold a public hearing on the 62803
application within the county in which the new or modified 62804

infectious waste or solid waste facility is or is proposed to be 62805
located or within a contiguous county. Not less than thirty days 62806
before holding the public hearing on the application, the director 62807
shall publish notice of the hearing in each newspaper that has 62808
general circulation and that is published in the county in which 62809
the facility is or is proposed to be located. If there is no 62810
newspaper that has general circulation and that is published in 62811
the county, the director shall publish the notice in a newspaper 62812
of general circulation in the county. The notice shall contain the 62813
date, time, and location of the public hearing and a general 62814
description of the proposed new or modified facility. At the 62815
public hearing, any person may submit written or oral comments on 62816
or objections to the approval or disapproval of the application. 62817
The applicant, or a representative of the applicant who has 62818
knowledge of the location, construction, and operation of the 62819
facility, shall attend the public hearing to respond to comments 62820
or questions concerning the facility directed to the applicant or 62821
representative by the officer or employee of the environmental 62822
protection agency presiding at the hearing. 62823

(c) Each application for a permit under division (B)(2)(b) of 62824
this section shall be accompanied by a nonrefundable application 62825
fee of four hundred dollars that shall be credited to the general 62826
revenue fund. Each application for an annual license under 62827
division (B)(2)(a) of this section shall be accompanied by a 62828
nonrefundable application fee of one hundred dollars. If the 62829
application for an annual license is submitted to a board of 62830
health on the approved list under section 3734.08 of the Revised 62831
Code, the application fee shall be credited to the special 62832
infectious waste fund of the health district created in division 62833
(C) of section 3734.06 of the Revised Code. If the application for 62834
an annual license is submitted to the director, the application 62835
fee shall be credited to the general revenue fund. If a permit or 62836
license is issued, the amount of the application fee paid shall be 62837

deducted from the amount of the permit fee due under division (Q) 62838
of section 3745.11 of the Revised Code or the amount of the 62839
license fee due under division (C) of section 3734.06 of the 62840
Revised Code. 62841

(d) The owner or operator of any infectious waste treatment 62842
facility that commenced operation on or before July 1, 1968, shall 62843
submit to the director an application for a permit with 62844
accompanying engineering detail plans, specifications, and 62845
information regarding the facility and its method of operation for 62846
approval under rules adopted under section 3734.021 of the Revised 62847
Code in accordance with the following schedule: 62848

(i) Not later than December 24, 1988, if the facility is 62849
located in Delaware, Greene, Guernsey, Hamilton, Madison, 62850
Mahoning, Ottawa, or Vinton county; 62851

(ii) Not later than March 24, 1989, if the facility is 62852
located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, 62853
or Washington county, or is located in the city of Brooklyn, 62854
Cuyahoga Heights, or Parma in Cuyahoga county; 62855

(iii) Not later than June 24, 1989, if the facility is 62856
located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, 62857
Lucas, or Summit county or is located in Cuyahoga county outside 62858
the cities of Brooklyn, Cuyahoga Heights, and Parma; 62859

(iv) Not later than September 24, 1989, if the facility is 62860
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 62861
county; 62862

(v) Not later than December 24, 1989, if the facility is 62863
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 62864
of this section. 62865

The owner or operator of an infectious waste treatment 62866
facility required to submit a permit application under division 62867
(B)(2)(d) of this section is not required to pay any permit 62868

application fee under division (B)(2)(c) of this section, or 62869
permit fee under division (Q) of section 3745.11 of the Revised 62870
Code, with respect thereto unless the owner or operator also 62871
proposes to modify the facility. 62872

(e) The director may issue an order in accordance with 62873
Chapter 3745. of the Revised Code to the owner or operator of an 62874
infectious waste treatment facility requiring the person to submit 62875
to the director updated engineering detail plans, specifications, 62876
and information regarding the facility and its method of operation 62877
for approval under rules adopted under section 3734.021 of the 62878
Revised Code if, in the director's judgment, conditions at the 62879
facility constitute a substantial threat to public health or 62880
safety or are causing or contributing to or threatening to cause 62881
or contribute to air or water pollution or soil contamination. Any 62882
person who receives such an order shall submit the updated 62883
engineering detail plans, specifications, and information to the 62884
director within one hundred eighty days after the effective date 62885
of the order. 62886

(f) The director shall act upon an application submitted 62887
under division (B)(2)(d) of this section and any updated 62888
engineering plans, specifications, and information submitted under 62889
division (B)(2)(e) of this section within one hundred eighty days 62890
after receiving them. If the director denies any such permit 62891
application or disapproves any such updated engineering plans, 62892
specifications, and information, the director shall include in the 62893
order denying the application or disapproving the plans the 62894
requirement that the owner or operator cease accepting infectious 62895
wastes for treatment at the facility. 62896

(3) Division (B) of this section does not apply to an 62897
infectious waste treatment facility that meets any of the 62898
following conditions: 62899

(a) Is owned or operated by the generator of the wastes and 62900

exclusively treats, by methods, techniques, and practices 62901
established by rules adopted under division (C)(1) or (3) of 62902
section 3734.021 of the Revised Code, wastes that are generated at 62903
any premises owned or operated by that generator regardless of 62904
whether the wastes are generated on the same premises where the 62905
generator's treatment facility is located or, if the generator is 62906
a hospital as defined in section 3727.01 of the Revised Code, 62907
infectious wastes that are described in division (A)(1)(g), (h), 62908
or (i) of section 3734.021 of the Revised Code; 62909

(b) Holds a license or renewal of a license to operate a 62910
crematory facility issued under Chapter 4717. and a permit issued 62911
under Chapter 3704. of the Revised Code; 62912

(c) Treats or disposes of dead animals or parts thereof, or 62913
the blood of animals, and is subject to any of the following: 62914

(i) Inspection under the "Federal Meat Inspection Act," 81 62915
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 62916

(ii) Chapter 918. of the Revised Code; 62917

(iii) Chapter 953. of the Revised Code. 62918

Nothing in division (B) of this section requires a facility 62919
that holds a license issued under division (A) of this section as 62920
a solid waste facility and that also treats infectious wastes by 62921
the same method, technique, or process to obtain a license under 62922
division (B) of this section as an infectious waste treatment 62923
facility. However, the solid waste facility license for the 62924
facility shall include the notation that the facility also treats 62925
infectious wastes. 62926

On and after the effective date of the amendments to the 62927
rules adopted under division (C)(2) of section 3734.021 of the 62928
Revised Code that are required by Section 6 of Substitute House 62929
Bill No. 98 of the 120th General Assembly, the director shall not 62930
issue a permit to open a new solid waste incineration facility 62931

unless the proposed facility complies with the requirements for 62932
the location of new infectious waste incineration facilities 62933
established in the required amendments to those rules. 62934

(C) Except for a facility or activity described in division 62935
(E)(3) of section 3734.02 of the Revised Code, a person who 62936
proposes to establish or operate a hazardous waste facility shall 62937
submit a complete application for a hazardous waste facility 62938
installation and operation permit and accompanying detail plans, 62939
specifications, and such information as the director may require 62940
to the environmental protection agency at least one hundred eighty 62941
days before the proposed beginning of operation of the facility. 62942
The applicant shall notify by certified mail the legislative 62943
authority of each municipal corporation, township, and county in 62944
which the facility is proposed to be located of the submission of 62945
the application within ten days after the submission or at such 62946
earlier time as the director may establish by rule. If the 62947
application is for a proposed new hazardous waste disposal or 62948
thermal treatment facility, the applicant also shall give actual 62949
notice of the general design and purpose of the facility to the 62950
legislative authority of each municipal corporation, township, and 62951
county in which the facility is proposed to be located at least 62952
ninety days before the permit application is submitted to the 62953
environmental protection agency. 62954

In accordance with rules adopted under section 3734.12 of the 62955
Revised Code, prior to the submission of a complete application 62956
for a hazardous waste facility installation and operation permit, 62957
the applicant shall hold at least one meeting in the township or 62958
municipal corporation in which the facility is proposed to be 62959
located, whichever is geographically closer to the proposed 62960
location of the facility. The meeting shall be open to the public 62961
and shall be held to inform the community of the proposed 62962
hazardous waste management activities and to solicit questions 62963

from the community concerning the activities. 62964

(D)(1) Except as provided in section 3734.123 of the Revised 62965
Code, upon receipt of a complete application for a hazardous waste 62966
facility installation and operation permit under division (C) of 62967
this section, the director shall consider the application and 62968
accompanying information to determine whether the application 62969
complies with agency rules and the requirements of division (D)(2) 62970
of this section. After making a determination, the director shall 62971
issue either a draft permit or a notice of intent to deny the 62972
permit. The director, in accordance with rules adopted under 62973
section 3734.12 of the Revised Code or with rules adopted to 62974
implement Chapter 3745. of the Revised Code, shall provide public 62975
notice of the application and the draft permit or the notice of 62976
intent to deny the permit, provide an opportunity for public 62977
comments, and, if significant interest is shown, schedule a public 62978
meeting in the county in which the facility is proposed to be 62979
located and give public notice of the date, time, and location of 62980
the public meeting in a newspaper of general circulation in that 62981
county. 62982

(2) The director shall not approve an application for a 62983
hazardous waste facility installation and operation permit or an 62984
application for a modification under division (I)(3) of this 62985
section unless the director finds and determines as follows: 62986

(a) The nature and volume of the waste to be treated, stored, 62987
or disposed of at the facility; 62988

(b) That the facility complies with the director's hazardous 62989
waste standards adopted pursuant to section 3734.12 of the Revised 62990
Code; 62991

(c) That the facility represents the minimum adverse 62992
environmental impact, considering the state of available 62993
technology and the nature and economics of various alternatives, 62994

and other pertinent considerations;	62995
(d) That the facility represents the minimum risk of all of the following:	62996
(i) Fires or explosions from treatment, storage, or disposal methods;	62997
(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility;	62998

(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them;	63000
(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from which the person may influence the installation and operation of the facility has been involved in any prior activity involving transportation, treatment, storage, or disposal of hazardous waste, that person has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of other states if any such prior operation was located in another state that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under the applicable provisions of this chapter and Chapters 3704. and 6111. of the Revised Code, the applicable rules and standards adopted under them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential for harm to the public health and safety and the environment that could result from the irresponsible operation of the facility. Code, the director may use the investigative reports of the attorney general prepared pursuant to section 3734.42 of the Revised Code as a basis for making a finding and determination under division (D)(2)(f) of this section.

(g) That the active areas within a new hazardous waste facility where acute hazardous waste as listed in 40 C.F.R. 261.33 (e), as amended, or organic waste that is toxic and is listed under 40 C.F.R. 261, as amended, is being stored, treated, or disposed of and where the aggregate of the storage design capacity and the disposal design capacity of all hazardous waste in those areas is greater than two hundred fifty thousand gallons, are not located or operated within any of the following:

(i) Two thousand feet of any residence, school, hospital, jail, or prison;

(ii) Any naturally occurring wetland;

(iii) Any flood hazard area if the applicant cannot show that the facility will be designed, constructed, operated, and maintained to prevent washout by a one-hundred-year flood.

Division (D)(2)(g) of this section does not apply to the facility of any applicant who demonstrates to the director that the limitations specified in that division are not necessary because of the nature or volume of the waste and the manner of management applied, the facility will impose no substantial danger to the health and safety of persons occupying the structures listed in division (D)(2)(g)(i) of this section, and the facility is to be located or operated in an area where the proposed hazardous waste activities will not be incompatible with existing land uses in the area.

(h) That the facility will not be located within the boundaries of a state park established or dedicated under Chapter 1541. of the Revised Code, a state park purchase area established

under section 1541.02 of the Revised Code, any unit of the 63057
national park system, or any property that lies within the 63058
boundaries of a national park or recreation area, but that has not 63059
been acquired or is not administered by the secretary of the 63060
United States department of the interior, located in this state, 63061
or any candidate area located in this state identified for 63062
potential inclusion in the national park system in the edition of 63063
the "national park system plan" submitted under paragraph (b) of 63064
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 63065
U.S.C.A. 1a-5, as amended, current at the time of filing of the 63066
application for the permit, unless the facility will be used 63067
exclusively for the storage of hazardous waste generated within 63068
the park or recreation area in conjunction with the operation of 63069
the park or recreation area. Division (D)(2)(h) of this section 63070
does not apply to the facility of any applicant for modification 63071
of a permit unless the modification application proposes to 63072
increase the land area included in the facility or to increase the 63073
quantity of hazardous waste that will be treated, stored, or 63074
disposed of at the facility. 63075

(3) Not later than one hundred eighty days after the end of 63076
the public comment period, the director, without prior hearing, 63077
shall issue or deny the permit in accordance with Chapter 3745. of 63078
the Revised Code. If the director approves an application for a 63079
hazardous waste facility installation and operation permit, the 63080
director shall issue the permit, upon such terms and conditions as 63081
the director finds are necessary to ensure the construction and 63082
operation of the hazardous waste facility in accordance with the 63083
standards of this section. 63084

(E) No political subdivision of this state shall require any 63085
additional zoning or other approval, consent, permit, certificate, 63086
or condition for the construction or operation of a hazardous 63087
waste facility authorized by a hazardous waste facility 63088

installation and operation permit issued pursuant to this chapter, 63089
nor shall any political subdivision adopt or enforce any law, 63090
ordinance, or rule that in any way alters, impairs, or limits the 63091
authority granted in the permit. 63092

(F) The director may issue a single hazardous waste facility 63093
installation and operation permit to a person who operates two or 63094
more adjoining facilities where hazardous waste is stored, 63095
treated, or disposed of if the application includes detail plans, 63096
specifications, and information on all facilities. For the 63097
purposes of this section, "adjoining" means sharing a common 63098
boundary, separated only by a public road, or in such proximity 63099
that the director determines that the issuance of a single permit 63100
will not create a hazard to the public health or safety or the 63101
environment. 63102

(G) No person shall falsify or fail to keep or submit any 63103
plans, specifications, data, reports, records, manifests, or other 63104
information required to be kept or submitted to the director by 63105
this chapter or the rules adopted under it. 63106

(H)(1) Each person who holds an installation and operation 63107
permit issued under this section and who wishes to obtain a permit 63108
renewal shall submit a completed application for an installation 63109
and operation permit renewal and any necessary accompanying 63110
general plans, detail plans, specifications, and such information 63111
as the director may require to the director no later than one 63112
hundred eighty days prior to the expiration date of the existing 63113
permit or upon a later date prior to the expiration of the 63114
existing permit if the permittee can demonstrate good cause for 63115
the late submittal. The director shall consider the application 63116
and accompanying information, inspection reports of the facility, 63117
results of performance tests, a report regarding the facility's 63118
compliance or noncompliance with the terms and conditions of its 63119
permit and rules adopted by the director under this chapter, and 63120

such other information as is relevant to the operation of the 63121
facility and shall issue a draft renewal permit or a notice of 63122
intent to deny the renewal permit. The director, in accordance 63123
with rules adopted under this section or with rules adopted to 63124
implement Chapter 3745. of the Revised Code, shall give public 63125
notice of the application and draft renewal permit or notice of 63126
intent to deny the renewal permit, provide for the opportunity for 63127
public comments within a specified time period, schedule a public 63128
meeting in the county in which the facility is located if 63129
significant interest is shown, and give public notice of the 63130
public meeting. 63131

(2) Within sixty days after the public meeting or close of 63132
the public comment period, the director, without prior hearing, 63133
shall issue or deny the renewal permit in accordance with Chapter 63134
3745. of the Revised Code. The director shall not issue a renewal 63135
permit unless the director determines that the facility under the 63136
existing permit has a history of compliance with this chapter, 63137
rules adopted under it, the existing permit, or orders entered to 63138
enforce such requirements that demonstrates sufficient 63139
reliability, expertise, and competency to operate the facility 63140
henceforth under this chapter, rules adopted under it, and the 63141
renewal permit. If the director approves an application for a 63142
renewal permit, the director shall issue the permit subject to the 63143
payment of the annual permit fee required under division (E) of 63144
section 3734.02 of the Revised Code and upon such terms and 63145
conditions as the director finds are reasonable to ensure that 63146
continued operation, maintenance, closure, and post-closure care 63147
of the hazardous waste facility are in accordance with the rules 63148
adopted under section 3734.12 of the Revised Code. 63149

(3) An installation and operation permit renewal application 63150
submitted to the director that also contains or would constitute 63151
an application for a modification shall be acted upon by the 63152

director in accordance with division (I) of this section in the 63153
same manner as an application for a modification. In approving or 63154
disapproving the renewal portion of a permit renewal application 63155
containing an application for a modification, the director shall 63156
apply the criteria established under division (H)(2) of this 63157
section. 63158

(4) An application for renewal or modification of a permit 63159
that does not contain an application for a modification as 63160
described in divisions (I)(3)(a) to (d) of this section shall not 63161
be subject to division (D)(2) of this section. 63162

(I)(1) As used in this section, "modification" means a change 63163
or alteration to a hazardous waste facility or its operations that 63164
is inconsistent with or not authorized by its existing permit or 63165
authorization to operate. Modifications shall be classified as 63166
Class 1, 2, or 3 modifications in accordance with rules adopted 63167
under division (K) of this section. Modifications classified as 63168
Class 3 modifications, in accordance with rules adopted under that 63169
division, shall be further classified by the director as either 63170
Class 3 modifications that are to be approved or disapproved by 63171
the director under divisions (I)(3)(a) to (d) of this section or 63172
as Class 3 modifications that are to be approved or disapproved by 63173
the director under division (I)(5) of this section. Not later than 63174
thirty days after receiving a request for a modification under 63175
division (I)(4) of this section that is not listed in Appendix I 63176
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 63177
section, the director shall classify the modification and shall 63178
notify the owner or operator of the facility requesting the 63179
modification of the classification. Notwithstanding any other law 63180
to the contrary, a modification that involves the transfer of a 63181
hazardous waste facility installation and operation permit to a 63182
new owner or operator for any off-site facility as defined in 63183
section 3734.41 of the Revised Code shall be classified as a Class 63184

3 modification. The transfer of a hazardous waste facility 63185
installation and operation permit to a new owner or operator for a 63186
facility that is not an off-site facility shall be classified as a 63187
Class 1 modification requiring prior approval of the director. 63188

(2) Except as provided in section 3734.123 of the Revised 63189
Code, a hazardous waste facility installation and operation permit 63190
may be modified at the request of the director or upon the written 63191
request of the permittee only if any of the following applies: 63192

(a) The permittee desires to accomplish alterations, 63193
additions, or deletions to the permitted facility or to undertake 63194
alterations, additions, deletions, or activities that are 63195
inconsistent with or not authorized by the existing permit; 63196

(b) New information or data justify permit conditions in 63197
addition to or different from those in the existing permit; 63198

(c) The standards, criteria, or rules upon which the existing 63199
permit is based have been changed by new, amended, or rescinded 63200
standards, criteria, or rules, or by judicial decision after the 63201
existing permit was issued, and the change justifies permit 63202
conditions in addition to or different from those in the existing 63203
permit; 63204

(d) The permittee proposes to transfer the permit to another 63205
person. 63206

(3) The director shall approve or disapprove an application 63207
for a modification in accordance with division (D)(2) of this 63208
section and rules adopted under division (K) of this section for 63209
all of the following categories of Class 3 modifications: 63210

(a) Authority to conduct treatment, storage, or disposal at a 63211
site, location, or tract of land that has not been authorized for 63212
the proposed category of treatment, storage, or disposal activity 63213
by the facility's permit; 63214

(b) Modification or addition of a hazardous waste management unit, as defined in rules adopted under section 3734.12 of the Revised Code, that results in an increase in a facility's storage capacity of more than twenty-five per cent over the capacity authorized by the facility's permit, an increase in a facility's treatment rate of more than twenty-five per cent over the rate so authorized, or an increase in a facility's disposal capacity over the capacity so authorized. The authorized disposal capacity for a facility shall be calculated from the approved design plans for the disposal units at that facility. In no case during a five-year period shall a facility's storage capacity or treatment rate be modified to increase by more than twenty-five per cent in the aggregate without the director's approval in accordance with division (D)(2) of this section. Notwithstanding any provision of division (I) of this section to the contrary, a request for modification of a facility's annual total waste receipt limit shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(c) Authority to add any of the following categories of regulated activities not previously authorized at a facility by the facility's permit: storage at a facility not previously authorized to store hazardous waste, treatment at a facility not previously authorized to treat hazardous waste, or disposal at a facility not previously authorized to dispose of hazardous waste; or authority to add a category of hazardous waste management unit not previously authorized at the facility by the facility's permit. Notwithstanding any provision of division (I) of this section to the contrary, a request for authority to add or to modify an activity or a hazardous waste management unit for the purposes of performing a corrective action shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(d) Authority to treat, store, or dispose of waste types 63247
listed or characterized as reactive or explosive, in rules adopted 63248
under section 3734.12 of the Revised Code, or any acute hazardous 63249
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 63250
previously authorized to treat, store, or dispose of those types 63251
of wastes by the facility's permit unless the requested authority 63252
is limited to wastes that no longer exhibit characteristics 63253
meeting the criteria for listing or characterization as reactive 63254
or explosive wastes, or for listing as acute hazardous waste, but 63255
still are required to carry those waste codes as established in 63256
rules adopted under section 3734.12 of the Revised Code because of 63257
the requirements established in 40 C.F.R. 261(a) and (e), as 63258
amended, that is, the "mixture," "derived-from," or "contained-in" 63259
regulations. 63260

(4) A written request for a modification from the permittee 63261
shall be submitted to the director and shall contain such 63262
information as is necessary to support the request. Requests for 63263
modifications shall be acted upon by the director in accordance 63264
with this section and rules adopted under it. 63265

(5) Class 1 modification applications that require prior 63266
approval of the director, as provided in division (I)(1) of this 63267
section or as determined in accordance with rules adopted under 63268
division (K) of this section, Class 2 modification applications, 63269
and Class 3 modification applications that are not described in 63270
divisions (I)(3)(a) to (d) of this section shall be approved or 63271
disapproved by the director in accordance with rules adopted under 63272
division (K) of this section. The board of county commissioners of 63273
the county, the board of township trustees of the township, and 63274
the city manager or mayor of the municipal corporation in which a 63275
hazardous waste facility is located shall receive notification of 63276
any application for a modification for that facility and shall be 63277
considered as interested persons with respect to the director's 63278

consideration of the application. 63279

As used in division (I) of this section: 63280

(a) "Owner" means the person who owns a majority or 63281
controlling interest in a facility. 63282

(b) "Operator" means the person who is responsible for the 63283
overall operation of a facility. 63284

The director shall approve or disapprove an application for a 63285
Class 1 modification that requires the director's approval within 63286
sixty days after receiving the request for modification. The 63287
director shall approve or disapprove an application for a Class 2 63288
modification within three hundred days after receiving the request 63289
for modification. The director shall approve or disapprove an 63290
application for a Class 3 modification within three hundred 63291
sixty-five days after receiving the request for modification. 63292

(6) The approval or disapproval by the director of a Class 1 63293
modification application is not a final action that is appealable 63294
under Chapter 3745. of the Revised Code. The approval or 63295
disapproval by the director of a Class 2 modification or a Class 3 63296
modification is a final action that is appealable under that 63297
chapter. In approving or disapproving a request for a 63298
modification, the director shall consider all comments pertaining 63299
to the request that are received during the public comment period 63300
and the public meetings. The administrative record for appeal of a 63301
final action by the director in approving or disapproving a 63302
request for a modification shall include all comments received 63303
during the public comment period relating to the request for 63304
modification, written materials submitted at the public meetings 63305
relating to the request, and any other documents related to the 63306
director's action. 63307

(7) Notwithstanding any other provision of law to the 63308
contrary, a change or alteration to a hazardous waste facility 63309

described in division (E)(3)(a) or (b) of section 3734.02 of the Revised Code, or its operations, is a modification for the purposes of this section. An application for a modification at such a facility shall be submitted, classified, and approved or disapproved in accordance with divisions (I)(1) to (6) of this section in the same manner as a modification to a hazardous waste facility installation and operation permit.

(J)(1) Except as provided in division (J)(2) of this section, an owner or operator of a hazardous waste facility that is operating in accordance with a permit by rule under rules adopted by the director under division (E)(3)(b) of section 3734.02 of the Revised Code shall submit either a hazardous waste facility installation and operation permit application for the facility or a modification application, whichever is required under division (J)(1)(a) or (b) of this section, within one hundred eighty days after the director has requested the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal.

(a) If the owner or operator does not have a hazardous waste facility installation and operation permit for any hazardous waste treatment, storage, or disposal activities at the facility, the owner or operator shall submit an application for such a permit to the director for the activities authorized by the permit by rule. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the application for the permit in accordance with the procedures governing the approval or disapproval of permit renewals under division (H) of this section.

(b) If the owner or operator has a hazardous waste facility installation and operation permit for hazardous waste treatment, storage, or disposal activities at the facility other than those authorized by the permit by rule, the owner or operator shall submit to the director a request for modification in accordance

with division (I) of this section. Notwithstanding any other 63342
provision of law to the contrary, the director shall approve or 63343
disapprove the modification application in accordance with 63344
division (I)(5) of this section. 63345

(2) The owner or operator of a boiler or industrial furnace 63346
that is conducting thermal treatment activities in accordance with 63347
a permit by rule under rules adopted by the director under 63348
division (E)(3)(b) of section 3734.02 of the Revised Code shall 63349
submit a hazardous waste facility installation and operation 63350
permit application if the owner or operator does not have such a 63351
permit for any hazardous waste treatment, storage, or disposal 63352
activities at the facility or, if the owner or operator has such a 63353
permit for hazardous waste treatment, storage, or disposal 63354
activities at the facility other than thermal treatment activities 63355
authorized by the permit by rule, a modification application to 63356
add those activities authorized by the permit by rule, whichever 63357
is applicable, within one hundred eighty days after the director 63358
has requested the submission of the application or upon a later 63359
date if the owner or operator demonstrates to the director good 63360
cause for the late submittal. The application shall be accompanied 63361
by information necessary to support the request. The director 63362
shall approve or disapprove an application for a hazardous waste 63363
facility installation and operation permit in accordance with 63364
division (D) of this section and approve or disapprove an 63365
application for a modification in accordance with division (I)(3) 63366
of this section, except that the director shall not disapprove an 63367
application for the thermal treatment activities on the basis of 63368
the criteria set forth in division (D)(2)(g) or (h) of this 63369
section. 63370

(3) As used in division (J) of this section: 63371

(a) "Modification application" means a request for a 63372
modification submitted in accordance with division (I) of this 63373

section. 63374

(b) "Thermal treatment," "boiler," and "industrial furnace" 63375
have the same meanings as in rules adopted under section 3734.12 63376
of the Revised Code. 63377

(K) The director shall adopt, and may amend, suspend, or 63378
rescind, rules in accordance with Chapter 119. of the Revised Code 63379
in order to implement divisions (H) and (I) of this section. 63380
Except when in actual conflict with this section, rules governing 63381
the classification of and procedures for the modification of 63382
hazardous waste facility installation and operation permits shall 63383
be substantively and procedurally identical to the regulations 63384
governing hazardous waste facility permitting and permit 63385
modifications adopted under the "Resource Conservation and 63386
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 63387
amended. 63388

Sec. 3734.06. (A)(1) Except as provided in ~~division~~ divisions 63389
(A)(2), (3), ~~and~~ (4), and (5) of this section and in section 63390
3734.82 of the Revised Code, the annual fee for a solid waste 63391
facility license shall be in accordance with the following 63392
schedule: 63393

AUTHORIZED MAXIMUM	ANNUAL	63394
DAILY WASTE	LICENSE	63395
RECEIPT (TONS)	FEE	63396
100 or less	\$ 5,000	63397
101 to 200	12,500	63398
201 to 500	30,000	63399
501 or more	60,000	63400

For the purpose of determining the applicable license fee 63401
under divisions (A)(1) ~~and~~, (2), and (3) of this section, the 63402
authorized maximum daily waste receipt shall be the maximum amount 63403
of wastes the facility is authorized to receive daily that is 63404

established in the permit for the facility, and any modifications 63405
to that permit, issued under division (A)(2) or (3) of section 63406
3734.05 of the Revised Code; the annual license for the facility, 63407
and any revisions to that license, issued under division (A)(1) of 63408
section 3734.05 of the Revised Code; the approved operating plan 63409
or operational report for which submission and approval are 63410
required by rules adopted by the director of environmental 63411
protection under section 3734.02 of the Revised Code; an order 63412
issued by the director as authorized by rule; or the updated 63413
engineering plans, specifications, and facility and operation 63414
information approved under division (A)(4) of section 3734.05 of 63415
the Revised Code. If no authorized maximum daily waste receipt is 63416
so established, the annual license fee is sixty thousand dollars 63417
under division (A)(1) of this section and thirty thousand dollars 63418
under ~~division~~ divisions (A)(2) and (3) of this section. 63419

The authorized maximum daily waste receipt set forth in any 63420
such document shall be stated in terms of cubic yards of volume 63421
for the purpose of regulating the design, construction, and 63422
operation of a solid waste facility. For the purpose of 63423
determining applicable license fees under this section, the 63424
authorized maximum daily waste receipt so stated shall be 63425
converted from cubic yards to tons as the unit of measurement 63426
based upon a conversion factor of three cubic yards per ton for 63427
compacted wastes generally and one cubic yard per ton for baled 63428
wastes. 63429

(2) The annual license fee for a facility that is an 63430
incinerator facility is one-half the amount shown in division 63431
(A)(1) of this section. When a municipal corporation, county, or 63432
township owns and operates more than one incinerator within its 63433
boundaries, the municipal corporation, county, or township shall 63434
pay one fee for the licenses for all of its incinerators. The fee 63435
shall be determined on the basis of the aggregate maximum daily 63436

waste receipt for all the incinerators owned and operated by the 63437
municipal corporation, county, or township in an amount that is 63438
one-half the amount shown in division (A)(1) of this section. 63439

regardless of its authorized maximum daily waste receipt, is five 63458
thousand dollars for a facility meeting either of the following 63459
qualifications: 63460

(a) The facility is owned by a generator of solid wastes when 63461
the solid waste facility exclusively disposes of solid wastes 63462
generated at one or more premises owned by the generator 63463
regardless of whether the facility is located on a premises where 63464
the wastes are generated. 63465

(b) The facility exclusively disposes of wastes that are 63466
generated from the combustion of coal, or from the combustion of 63467

provisions governing scrap tires. The remainder of each license 63491
fee collected by the board shall be transmitted to the director 63492
within forty-five days after receipt of the fee. The director 63493
shall transmit these moneys to the treasurer of state to be 63494
credited to the general revenue fund. The board of health shall 63495
retain the entire amount of each fee collected under division 63496
(A)~~(4)~~(5) of this section, which moneys shall be paid into the 63497
special fund of the health district. 63498

(C)(1) Except as provided in divisions (C)(2) and (3) of this 63499
section, the annual fee for an infectious waste treatment facility 63500

license shall be in accordance with the following schedule:	63501
AVERAGE ANNUAL	63502
DAILY WASTE LICENSE	63503

201 to 500 30,000	63507
501 or more 60,000	63508

For the purpose of determining the applicable license fee 63509
under divisions (C)(1) and (2) of this section, the average daily 63510
waste receipt shall be the average amount of infectious wastes the 63511
facility is authorized to receive daily that is established in the 63512
permit for the facility, and any modifications to that permit, 63513
issued under division (B)(2)(b) or (d) of section 3734.05 of the 63514
Revised Code; or the annual license for the facility, and any 63515
revisions to that license, issued under division (B)(2)(a) of 63516
section 3734.05 of the Revised Code. If no average daily waste 63517
receipt is so established, the annual license fee is sixty 63518
thousand dollars under division (C)(1) of this section and thirty 63519
thousand dollars under division (C)(2) of this section. 63520

(2) The annual license fee for an infectious waste treatment 63521
facility that is an incinerator is one-half the amount shown in 63522

license. 63533

(4) The board of health shall retain two thousand five 63534
hundred dollars of each license fee collected by the board under 63535
divisions (C)(1) and (2) of this section. The moneys retained 63536
shall be paid into a special infectious waste fund, which is 63537
hereby created in each health district, and used solely to 63538
administer and enforce the infectious waste provisions of this 63539
chapter and the rules adopted under them. The remainder of each 63540
license fee collected by the board shall be transmitted to the 63541
director within forty-five days after receipt of the fee. The 63542

Sec. 3734.18. (A) As used in this section: 63545

(1) "On-site facility" means a facility that treats or 63546
disposes of hazardous waste that is generated on the premises of 63547
the facility. 63548

(2) "Off-site facility" means a facility that treats or 63549
disposes of hazardous waste that is generated off the premises of 63550
the facility. 63551

(3) "Satellite facility" means any of the following: 63552

(a) An on-site facility that also receives hazardous waste 63553
from other premises owned by the same person who generates the 63554
waste on the facility premises; 63555

(b) An off-site facility operated so that all of the 63556
hazardous waste it receives is generated on one or more premises 63557
owned by the person who owns the facility; 63558

(c) An on-site facility that also receives hazardous waste 63559
that is transported uninterruptedly and directly to the facility 63560
through a pipeline from a generator who is not the owner of the 63561
facility. 63562

(B) A treatment or disposal facility that is subject to the fees that are levied under this section may be both an on-site facility and an off-site facility. The determination of whether an on-site facility fee or an off-site facility fee is to be paid for a hazardous waste that is treated or disposed of at the facility shall be based on whether that hazardous waste was generated on or off the premises of the facility.

(C) There are hereby levied fees on the disposal of hazardous waste to be collected according to the following schedule at each disposal facility to which a hazardous waste facility installation and operation permit or renewal of a permit has been issued under this chapter or that is operating in accordance with a permit by rule under rules adopted by the director of environmental protection:

(1) For disposal facilities that are off-site facilities, fees shall be levied at the rate of four dollars and fifty cents per ton for hazardous waste disposed of by deep well injection and nine dollars per ton for hazardous waste disposed of by land application or landfilling. The owner or operator of the facility, as a trustee for the state, shall collect the fees and forward them to the director in accordance with rules adopted under this section.

(2) For disposal facilities that are on-site or satellite facilities, fees shall be levied at the rate of two dollars per ton for hazardous waste disposed of by deep well injection and four dollars per ton for hazardous waste disposed of by land application or landfilling. The maximum annual disposal fee for an on-site disposal facility that disposes of one hundred thousand tons or less of hazardous waste in a year is twenty-five thousand dollars. The maximum annual disposal fee for an on-site facility that disposes of more than one hundred thousand tons of hazardous waste in a year by land application or landfilling is fifty

thousand dollars, and the maximum annual fee for an on-site 63595
facility that disposes of more than one hundred thousand tons of 63596
hazardous waste in a year by deep well injection is one hundred 63597
thousand dollars. The maximum annual disposal fee for a satellite 63598
facility that disposes of one hundred thousand tons or less of 63599
hazardous waste in a year is thirty-seven thousand five hundred 63600
dollars, and the maximum annual disposal fee for a satellite 63601
facility that disposes of more than one hundred thousand tons of 63602
hazardous waste in a year is seventy-five thousand dollars, except 63603
that a satellite facility defined under division (A)(3)(b) of this 63604
section that receives hazardous waste from a single generation 63605
site is subject to the same maximum annual disposal fees as an 63606
on-site disposal facility. The owner or operator shall pay the fee 63607
to the director each year upon the anniversary of the date of 63608
issuance of the owner's or operator's installation and operation 63609
permit during the term of that permit and any renewal permit 63610
issued under division (H) of section 3734.05 of the Revised Code 63611
or on the anniversary of the date of a permit by rule. If payment 63612
is late, the owner or operator shall pay an additional ten per 63613
cent of the amount of the fee for each month that it is late. 63614

(D) There are hereby levied fees at the rate of two dollars 63615
per ton on hazardous waste that is treated at treatment facilities 63616
that are not on-site or satellite facilities to which a hazardous 63617
waste facility installation and operation permit or renewal of a 63618
permit has been issued under this chapter, whose owner or operator 63619
is operating in accordance with a permit by rule under rules 63620
adopted by the director, or that are not subject to the hazardous 63621
waste facility installation and operation permit requirements 63622
under rules adopted by the director. 63623

(E) There are hereby levied additional fees on the treatment 63624
and disposal of hazardous waste at the rate of ten per cent of the 63625
applicable fees prescribed in division (C) or (D) of this section 63626

for the purposes of paying the costs of municipal corporations and 63627
counties for conducting reviews of applications for hazardous 63628
waste facility installation and operation permits for proposed new 63629
or modified hazardous waste landfills within their boundaries, 63630
emergency response actions with respect to releases of hazardous 63631
waste from hazardous waste facilities within their boundaries, 63632
monitoring the operation of such hazardous waste facilities, and 63633
local waste management planning programs. The owner or operator of 63634
a facility located within a municipal corporation, as a trustee 63635
for the municipal corporation, shall collect the fees levied by 63636
this division and forward them to the treasurer of the municipal 63637
corporation or such officer as, by virtue of the charter, has the 63638
duties of the treasurer in accordance with rules adopted under 63639
this section. The owner or operator of a facility located in an 63640
unincorporated area, as a trustee of the county in which the 63641
facility is located, shall collect the fees levied by this 63642
division and forward them to the county treasurer of that county 63643
in accordance with rules adopted under this section. The owner or 63644
operator shall pay the fees levied by this division to the 63645
treasurer or such other officer of the municipal corporation or to 63646
the county treasurer each year upon the anniversary of the date of 63647
issuance of the owner's or operator's installation and operation 63648
permit during the term of that permit and any renewal permit 63649
issued under division (H) of section 3734.05 of the Revised Code 63650
or on the anniversary of the date of a permit by rule or the date 63651
on which the facility became exempt from hazardous waste facility 63652
installation and operation permit requirements under rules adopted 63653
by the director. If payment is late, the owner or operator shall 63654
pay an additional ten per cent of the amount of the fee for each 63655
month that the payment is late. 63656

Moneys received by a municipal corporation under this 63657
division shall be paid into a special fund of the municipal 63658
corporation and used exclusively for the purposes of conducting 63659

reviews of applications for hazardous waste facility installation 63660
and operation permits for new or modified hazardous waste 63661
landfills located or proposed within the municipal corporation, 63662
conducting emergency response actions with respect to releases of 63663
hazardous waste from facilities located within the municipal 63664
corporation, monitoring operation of such hazardous waste 63665
facilities, and conducting waste management planning programs 63666
within the municipal corporation through employees of the 63667
municipal corporation or pursuant to contracts entered into with 63668
persons or political subdivisions. Moneys received by a board of 63669
county commissioners under this division shall be paid into a 63670
special fund of the county and used exclusively for those purposes 63671
within the unincorporated area of the county through employees of 63672
the county or pursuant to contracts entered into with persons or 63673
political subdivisions. 63674

(F) As used in this section, "treatment" or "treated" does 63675
not include any method, technique, or process designed to recover 63676
energy or material resources from the waste or to render the waste 63677
amenable for recovery. The fees levied by division (D) of this 63678
section do not apply to hazardous waste that is treated and 63679
disposed of on the same premises or by the same person. 63680

(G) The director, by rules adopted in accordance with 63681
Chapters 119. and 3745. of the Revised Code, shall prescribe any 63682
dates not specified in this section and procedures for collecting 63683
and forwarding the fees prescribed by this section and may 63684
prescribe other requirements that are necessary to carry out this 63685
section. 63686

The director shall deposit the moneys collected under 63687
divisions (C) and (D) of this section ~~into one or more minority~~ 63688
~~banks, as "minority bank" is defined in division (F)(1) of section~~ 63689
~~135.04 of the Revised Code,~~ to the credit of the hazardous waste 63690
facility management fund, which is hereby created in the state 63691

treasury, except that the director shall deposit to the credit of 63692
the underground injection control fund created in section 6111.046 63693
of the Revised Code moneys in excess of fifty thousand dollars 63694
that are collected during a fiscal year under division (C)(2) of 63695
this section from the fee levied on the disposal of hazardous 63696
waste by deep well injection at an on-site disposal facility that 63697
disposes of more than one hundred thousand tons of hazardous waste 63698
in a year. 63699

The environmental protection agency may use moneys in the 63700
hazardous waste facility management fund for administration of the 63701
hazardous waste program established under this chapter and, in 63702
accordance with this section, may request approval by the 63703
controlling board on an annual basis for that use ~~on an annual~~ 63704
~~basis. In addition, the agency may use and pledge moneys in that~~ 63705
~~fund for repayment of and for interest on any loans made by the~~ 63706
~~Ohio water development authority to the agency for the hazardous~~ 63707
~~waste program established under this chapter without the necessity~~ 63708
~~of requesting approval by the controlling board, which use and~~ 63709
~~pledge shall have priority over any other use of the moneys in the~~ 63710
~~fund and for the purposes specified in sections 3734.19 to 3734.27~~ 63711
of the Revised Code. 63712

~~Until September 28, 1996, the director also may use moneys in~~ 63713
~~the fund to pay the start up costs of administering Chapter 3746.~~ 63714
~~of the Revised Code.~~ 63715

If moneys in the fund that the agency uses in accordance with 63716
this chapter are reimbursed by grants or other moneys from the 63717
United States government, the grants or other moneys shall be 63718
placed in the fund. 63719

Before the agency makes any expenditure from the fund other 63720
than for repayment of and interest on any loan made by the Ohio 63721
water development authority to the agency ~~in accordance with this~~ 63722
~~section,~~ the controlling board shall approve the expenditure. 63723

Sec. 3734.19. (A) If the legislative or executive authority 63724
of a municipal corporation, county, or township has evidence to 63725
indicate that locations within its boundaries once served as 63726
hazardous waste facilities or that significant quantities of 63727
hazardous waste were disposed of in solid waste facilities within 63728
its boundaries, it may file a formal written request with the 63729
director of environmental protection, accompanied by supporting 63730
evidence, to survey the locations or facilities. 63731

Upon receipt of a request and a review of the evidence 63732
submitted with the request, the director shall conduct an 63733
investigation to determine if hazardous waste was actually 63734
treated, stored, or disposed of at the locations or facilities 63735
and, if so, to determine the nature and approximate quantity and 63736
types of the waste treated, stored, or disposed of at the 63737
particular locations or facilities. In addition, the director 63738
shall determine whether the locations or facilities, because of 63739
their present condition and the nature and quantities of waste 63740
treated, stored, or disposed of therein, result or are likely to 63741
result in air pollution, pollution of the waters of the state, or 63742
soil contamination or constitute a present or imminent and 63743
substantial threat to public health or safety. The director shall 63744
report the findings of ~~his~~ the investigation to the municipal 63745
corporation, county, or township requesting the survey. 63746

For the purpose of conducting investigations under this 63747
section, the director or ~~his~~ the director's authorized 63748
representative may enter upon any public or private property. The 63749
director or ~~his~~ the director's authorized representative may apply 63750
for, and any judge of a court of common pleas shall issue, an 63751
appropriate search warrant necessary to achieve the purposes of 63752
this section within the court's territorial jurisdiction. When 63753
conducting investigations under this section, the director shall 63754
cause no unnecessary damage to any property. The director may 63755

expend moneys from the hazardous waste facility management fund 63756
created in section 3734.18 of the Revised Code, the hazardous 63757
waste clean-up fund created in section 3734.28 of the Revised 63758
Code, or the environmental protection remediation fund created in 63759
section 3734.281 of the Revised Code for conducting 63760
investigations. 63761

(B) As used in this section and in sections 3734.20, 3734.21, 63762
3734.23, 3734.25, and 3734.26 of the Revised Code, "soil 63763
contamination" means the presence in or on the soil of any 63764
hazardous waste or hazardous waste residue resulting from the 63765
discharge, deposit, injection, dumping, spilling, leaking, 63766
emitting, or placing into or on the soil of hazardous waste or 63767
hazardous waste residue, or any material that when discharged, 63768
deposited, injected, dumped, spilled, leaked, emitted, or placed 63769
into or on the soil becomes a hazardous waste, in any quantity or 63770
having any characteristics that are or threaten to be injurious to 63771
public health or safety, plant or animal life, or the environment 63772
or that unreasonably interfere with the comfortable enjoyment of 63773
life or property. 63774

Sec. 3734.20. (A) If the director of environmental protection 63775
has reason to believe that hazardous waste was treated, stored, or 63776
disposed of at any location within the state, the director may 63777
conduct such investigations and make such inquiries, including 63778
obtaining samples and examining and copying records, as are 63779
reasonable or necessary to determine if conditions at a hazardous 63780
waste facility, solid waste facility, or other location where the 63781
director has reason to believe hazardous waste was treated, 63782
stored, or disposed of constitute a substantial threat to public 63783
health or safety or are causing or contributing to or threatening 63784
to cause or contribute to air or water pollution or soil 63785
contamination. The director or the director's authorized 63786
representative may apply for, and any judge of a court of common 63787

pleas shall issue, an appropriate search warrant necessary to 63788
achieve the purposes of this section within the court's 63789
territorial jurisdiction. The director may expend moneys from the 63790
hazardous waste facility management fund created in section 63791
3734.18 of the Revised Code, the hazardous waste clean-up fund 63792
created in section 3734.28 of the Revised Code, or the 63793
environmental protection remediation fund created in section 63794
3734.281 of the Revised Code for conducting investigations under 63795
this section. 63796

(B) If the director determines that conditions at a hazardous 63797
waste facility, solid waste facility, or other location where 63798
hazardous waste was treated, stored, or disposed of constitute a 63799
substantial threat to public health or safety or are causing or 63800
contributing to or threatening to cause or contribute to air or 63801
water pollution or soil contamination, the director shall initiate 63802
appropriate action under this chapter or Chapter 3704. or 6111. of 63803
the Revised Code or seek any other appropriate legal or equitable 63804
remedies to abate the pollution or contamination or to protect 63805
public health or safety. 63806

If an order of the director to abate or prevent air or water 63807
pollution or soil contamination or to remedy a threat to public 63808
health or safety caused by conditions at such a facility issued 63809
pursuant to this chapter or Chapter 3704. or 6111. of the Revised 63810
Code is not wholly complied with within the time prescribed in the 63811
order, the director may, through officers or employees of the 63812
environmental protection agency or through contractors employed 63813
for that purpose in accordance with the bidding procedure 63814
established in division (C) of section 3734.23 of the Revised 63815
Code, enter upon the facility and perform those measures necessary 63816
to abate or prevent air or water pollution or soil contamination 63817
from the facility or to protect public health or safety, 63818
including, but not limited to, measures prescribed in division (B) 63819

of section 3734.23 of the Revised Code. The director shall keep an itemized record of the cost of the investigation and measures performed, including costs for labor, materials, and any contract services required. Upon completion of the investigation or measures, the director shall record the cost of performing those measures at the office of the county recorder of the county in which the facility is located. The cost so recorded constitutes a lien against the property on which the facility is located until discharged. Upon written request of the director, the attorney general shall institute a civil action to recover the cost. Any moneys so received shall be credited to the hazardous waste facility management fund, the hazardous waste clean-up fund, or the environmental protection remediation fund, as applicable.

When entering upon a facility under this division, the director shall perform or cause to be performed only those measures necessary to abate or prevent air or water pollution or soil contamination caused by conditions at the facility or to abate threats to public health or safety caused by conditions at the facility. For this purpose the director may expend moneys from ~~either~~ the hazardous waste facility management fund, the hazardous waste clean-up fund, or the environmental protection remediation fund and may expend moneys from loans from the Ohio water development authority to the environmental protection agency that pledge moneys from ~~either~~ the hazardous waste facility management fund, the hazardous waste clean-up fund, or the environmental protection remediation fund for the repayment of and for the interest on such loans.

Sec. 3734.21. (A) The director of environmental protection may expend moneys credited to the hazardous waste facility management fund created in section 3734.18 of the Revised Code, the hazardous waste clean-up fund created in section 3734.28 of the Revised Code, or the environmental protection remediation fund

created in section 3734.281 of the Revised Code for the payment of 63852
the cost of measures necessary for the proper closure of hazardous 63853
waste facilities or any solid waste facilities containing 63854
significant quantities of hazardous waste, for the payment of 63855
costs of the development and construction of suitable hazardous 63856
waste facilities required by division (B) of section 3734.23 of 63857
the Revised Code to the extent the director determines that such 63858
facilities are not available, and for the payment of costs that 63859
are necessary to abate conditions thereon that are causing or 63860
contributing to or threatening to cause or contribute to air or 63861
water pollution or soil contamination or that constitute a 63862
substantial threat to public health or safety. In addition, the 63863
director may expend and pledge moneys credited to ~~either~~ the 63864
hazardous waste facility management fund, the hazardous waste 63865
clean-up fund, or the environmental protection remediation fund 63866
for repayment of and for interest on any loan made by the Ohio 63867
water development authority to the environmental protection agency 63868
for the payment of such costs. 63869

(B) Before beginning to clean up any facility under this 63870
section, the director shall develop a plan for the cleanup and an 63871
estimate of the cost thereof. The plan shall include only those 63872
measures necessary to abate conditions thereon that are causing or 63873
contributing to or threatening to cause or contribute to air or 63874
water pollution or soil contamination or that constitute a 63875
substantial threat to public health or safety, including, but not 63876
limited to, establishment and maintenance of an adequate cover of 63877
soil and vegetation on any facility for the burial of hazardous 63878
waste to prevent the infiltration of water into cells where 63879
hazardous waste is buried, the accumulation or runoff of 63880
contaminated surface water, the production of leachate, and air 63881
emissions of hazardous waste; the collection and treatment of 63882
contaminated surface water runoff; the collection and treatment of 63883
leachate; or, if conditions so require, the removal of hazardous 63884

waste from the facility and the treatment or disposal of the waste 63885
at a suitable hazardous waste facility. The plan or any part of 63886
the plan for the cleanup of the facility shall be carried out by 63887
entering into contracts therefor in accordance with the procedures 63888
established in division (C) of section 3734.23 of the Revised 63889
Code. 63890

Sec. 3734.22. Before beginning to clean up any facility under 63891
section 3734.21 of the Revised Code, the director of environmental 63892
protection shall endeavor to enter into an agreement with the 63893
owner of the land on which the facility is located, or with the 63894
owner of the facility, specifying the measures to be performed and 63895
authorizing the director, employees of the agency, or contractors 63896
retained by the director to enter upon the land and perform the 63897
specified measures. 63898

Each agreement may contain provisions for the reimbursement 63899
of the state for the costs of the cleanup. 63900

All reimbursements and payments shall be credited to the 63901
hazardous waste facility management fund created in section 63902
3734.18 of the Revised Code, the hazardous waste clean-up fund 63903
created in section 3734.28 of the Revised Code, or the 63904
environmental protection remediation fund created in section 63905
3734.281 of the Revised Code, as applicable. 63906

The agreement may require the owner to execute an easement 63907
whereby the director, an authorized employee of the agency, or a 63908
contractor employed by the agency in accordance with the bidding 63909
procedure established in division (C) of section 3734.23 of the 63910
Revised Code may enter upon the facility to sample, repair, or 63911
reconstruct air and water quality monitoring equipment constructed 63912
under the agreement. Such easements shall be for a specified 63913
period of years and may be extinguished by agreement between the 63914
owner and the director. When necessary to protect the public 63915

health or safety, the agreement may require the owner to enter 63916
into an environmental covenant with the director in accordance 63917
with sections 5301.80 to 5301.92 of the Revised Code. 63918

Upon a breach of the reimbursement provisions of the 63919
agreement by the owner of the land or facility, or upon 63920
notification to the director by the owner that the owner is unable 63921
to perform the duties under the reimbursement provisions of the 63922
agreement, the director may record the unreimbursed portion of the 63923
costs of cleanup at the office of the county recorder of the 63924
county in which the facility is located. The costs so recorded 63925
constitute a lien against the property on which the facility is 63926
located until discharged. Upon written request of the director, 63927
the attorney general shall institute a civil action to recover the 63928
unreimbursed portion of the costs of cleanup. Any moneys so 63929
recovered shall be credited to the hazardous waste facility 63930
management fund, the hazardous waste clean-up fund, or the 63931
environmental protection remediation fund, as applicable. 63932

Sec. 3734.23. (A) The director of environmental protection 63933
may acquire by purchase, gift, donation, contribution, or 63934
appropriation in accordance with sections 163.01 to 163.21 of the 63935
Revised Code any hazardous waste facility or any solid waste 63936
facility containing significant quantities of hazardous waste 63937
that, because of its condition and the types and quantities of 63938
hazardous waste contained in the facility, constitutes an imminent 63939
and substantial threat to public health or safety or results in 63940
air pollution, pollution of the waters of the state, or soil 63941
contamination. For this purpose and for the purposes of division 63942
(B) of this section, the director may expend moneys from the 63943
hazardous waste facility management fund created in section 63944
3734.18 of the Revised Code, the hazardous waste clean-up fund 63945
created in section 3734.28 of the Revised Code, or the 63946
environmental protection remediation fund created in section 63947

3734.281 of the Revised Code and may expend moneys from loans from 63948
the Ohio water development authority to the environmental 63949
protection agency that pledge moneys from ~~either~~ the hazardous 63950
waste facility management fund, the hazardous waste clean-up fund, 63951
or the environmental protection remediation fund for the repayment 63952
of and for the interest on such loans. Any lands or facilities 63953
purchased or acquired under this section shall be deeded to the 63954
state, but no deed shall be accepted or the purchase price paid 63955
until the title has been approved by the attorney general. 63956

(B) The director shall, with respect to any land or facility 63957
acquired under this section or cleaned up under section 3734.20 of 63958
the Revised Code, perform closure or other measures necessary to 63959
abate conditions thereon that are causing or contributing to or 63960
threatening to cause or contribute to air or water pollution or 63961
soil contamination or that constitute a substantial threat to 63962
public health or safety, including, but not limited to, 63963
establishment and maintenance of an adequate cover of soil and 63964
vegetation on any facility for the burial of hazardous waste to 63965
prevent the infiltration of water into cells where hazardous waste 63966
is buried, the accumulation or runoff of contaminated surface 63967
water, the production of leachate, and air emissions of hazardous 63968
waste; the collection and treatment of contaminated surface water 63969
runoff; the collection and treatment of leachate; or, if 63970
conditions so require, the removal of hazardous waste from the 63971
facility and the treatment or disposal of the waste at a suitable 63972
hazardous waste facility. After performing these measures, the 63973
director shall provide for the post-closure care, maintenance, and 63974
monitoring of facilities cleaned up under this section. 63975

(C) Before proceeding to clean up any facility under this 63976
section or section 3734.20 or 3734.21 of the Revised Code, the 63977
director shall develop a plan for the cleanup of the facility and 63978
an estimate of the cost thereof. The director may carry out the 63979

plan or any part of the plan by contracting for the services, 63980
construction, and repair necessary therefor. The director shall 63981
award each such contract to the lowest responsible bidder after 63982
sealed bids therefor are received, opened, and published at the 63983
time fixed by the director and notice of the time and place at 63984
which the sealed bids will be received, opened, and published has 63985
been published by the director in a newspaper of general 63986
circulation in the county in which the facility to be cleaned up 63987
under the contract is located at least once within the ten days 63988
before the opening of the bids. However, if after advertising for 63989
bids for the contract, no bids are received by the director at the 63990
time and place fixed for receiving them, the director may 63991
advertise again for bids, or the director may, if the director 63992
considers the public interest will best be served thereby, enter 63993
into a contract for the cleanup of the facility without further 63994
advertisement for bids. The director may reject any or all bids 63995
received and fix and publish again notice of the time and place at 63996
which bids for the contracts will be received, opened, and 63997
published. 63998

(D) The director shall keep an itemized record of the costs 63999
of any acquisition under division (A) of this section and the 64000
costs of cleanup under division (B) of this section. 64001

Sec. 3734.24. After the cleanup of a solid waste facility or 64002
a hazardous waste facility acquired and cleaned up under section 64003
3734.23 of the Revised Code, the director of environmental 64004
protection may, if the facility is suitable for use by any other 64005
state department, agency, office, or institution and if the 64006
proposed use of the facility is compatible with the condition of 64007
the facility as cleaned up, transfer the facility to that state 64008
department, agency, office, or institution. The director shall 64009
continue to provide for the post-closure care, maintenance, and 64010
monitoring of any such cleaned-up facility as required by section 64011

3734.23 of the Revised Code. 64012

If the director determines that any facility so cleaned up is 64013
suitable, because of its condition as cleaned up, for restricted 64014
or unrestricted use, the director may, with the approval of the 64015
attorney general, sell the facility if the sale is advantageous to 64016
the state. Prior to selling the cleaned-up facility, the director 64017
shall, when necessary to protect public health or safety, enter 64018
into an environmental covenant in accordance with sections 5301.80 64019
to 5301.92 of the Revised Code. When selling any such cleaned-up 64020
facility, the director shall retain the right to enter upon the 64021
facility, in person or by an authorized agent, to provide for the 64022
post-closure care, maintenance, and monitoring of the facility. 64023
The director shall provide for the post-closure care, maintenance, 64024
and monitoring of any such facility sold as required by section 64025
3734.23 of the Revised Code. 64026

With the approval of the attorney general, the director may 64027
grant easements or leases on any such cleaned-up facility if the 64028
director determines that the use of the facility under the 64029
easement or lease is compatible with its condition as cleaned up. 64030

Any moneys derived from the sale of such cleaned-up 64031
facilities or from payments from easements or leases shall be 64032
credited to the hazardous waste facility management fund created 64033
in section 3734.18 of the Revised Code, the hazardous waste 64034
clean-up fund created in section 3734.28 of the Revised Code, or 64035
the environmental protection remediation fund created in section 64036
3734.281 of the Revised Code, as applicable. 64037

Sec. 3734.25. (A) The director of environmental protection 64038
may make grants of moneys from the hazardous waste facility 64039
management fund created in section 3734.18 of the Revised Code or 64040
the hazardous waste clean-up fund created in section 3734.28 of 64041
the Revised Code for payment by the state of up to two-thirds of 64042

the reasonable and necessary expenses incurred by a municipal corporation, county, or township for the proper closure of or abatement of air or water pollution or soil contamination from a solid waste facility in which significant quantities of hazardous waste were disposed of and that the political subdivision owns and once operated.

(B) A municipal corporation, county, or township shall submit an application for a grant on forms provided by the director, together with detail plans and specifications indicating the measures to be performed, an itemized estimate of the project's cost, a description of the project's benefits, and such other information as the director prescribes. The plan for closure or abatement of air or water pollution or soil contamination may be prepared in consultation with the director or the board of health of the city or general health district in which the facility is located. The director may award the applicant a grant only if the director finds that the proposed measures will provide for the proper closure of the facility and will abate or prevent air or water pollution or soil contamination, including, but not limited to, those measures necessary or desirable to:

(1) In the case of a facility at which land burial of hazardous waste occurred, establish and maintain a suitable cover of soil and vegetation over the cells in which waste is buried in order to minimize erosion, the infiltration of surface water into the cells, the production of leachate, and the accumulation or runoff of contaminated surface waters and to prevent air emissions of hazardous waste from the facility;

(2) Collect and treat contaminated surface water runoff from the facility;

(3) Collect and treat leachate produced at the facility;

(4) Install test wells and other equipment or facilities to

monitor the quality of surface waters receiving runoff from the 64074
facility or to monitor air emissions of hazardous waste from the 64075
facility; 64076

(5) Regularly monitor and analyze surface water runoff from 64077
the facility, the quality of waters receiving the runoff, and 64078
ground water quality in the vicinity of the facility, and 64079
regularly monitor leachate collection and treatment systems 64080
installed under the grant and analyze samples from them; 64081

(6) Remove and dispose of hazardous waste from the facility 64082
at a suitable hazardous waste disposal facility where necessary to 64083
protect public health or safety or to prevent or abate air or 64084
water pollution or soil contamination. 64085

(C) The director shall determine the amount of the grant 64086
based upon the director's determination of what constitutes 64087
reasonable and necessary expenses for the proper closure of the 64088
facility or for the prevention or elimination of air or water 64089
pollution or soil contamination from the facility. In making a 64090
grant, the director shall enter into a contract with the municipal 64091
corporation, county, or township that owns the facility to ensure 64092
that the moneys granted are used for the purposes of this section 64093
and that measures performed are properly done. The final payment 64094
under a grant may not be made until the director inspects and 64095
approves the completed cleanup. 64096

The contract shall require the municipal corporation, county, 64097
or township to execute an easement whereby the director, an 64098
authorized employee of the agency, or a contractor employed by the 64099
director may enter upon the facility to sample, repair, or 64100
reconstruct air and water quality monitoring equipment constructed 64101
under the contract. Such easements shall be for a specified period 64102
of years and may be extinguished by agreement between the 64103
political subdivision and the director. 64104

When necessary to protect public health or safety, the 64105
contract may require the municipal corporation, county, or 64106
township to enter into an environmental covenant with the director 64107
in accordance with sections 5301.80 to 5301.92 of the Revised 64108
Code. 64109

Sec. 3734.26. (A) The director of environmental protection 64110
may make grants of moneys from the hazardous waste facility 64111
management fund created in section 3734.18 of the Revised Code or 64112
the hazardous waste clean-up fund created in section 3734.28 of 64113
the Revised Code to the owner, other than a political subdivision, 64114
of a solid waste facility in which significant quantities of 64115
hazardous waste were disposed of or a hazardous waste facility for 64116
up to fifty per cent of the cost of the reasonable and necessary 64117
expenses incurred for the proper closure of or abatement or 64118
prevention of air or water pollution or soil contamination from 64119
the facility and for developing the land on which it was located 64120
for use in industry, commerce, distribution, or research. 64121

The director shall not make grants to the owner of any land 64122
on which such facilities are located if the owner at any time 64123
owned or operated the facility located thereon for profit or in 64124
conjunction with any profit-making enterprise located in this 64125
state or to any person who at any time owned or operated a 64126
facility concerning which the director has taken action under 64127
section 3734.20, 3734.22, or 3734.23 of the Revised Code. However, 64128
the director may make grants under this section to any subsequent 64129
owner of the land, provided that the person has no affiliation 64130
with any person who owned or operated the facility located on the 64131
land for profit or in conjunction with any profit-making 64132
enterprise located in this state or who owned or operated a 64133
facility concerning which the director has taken action under 64134
section 3734.20, 3734.22, or 3734.23 of the Revised Code. 64135

(B) The owner shall submit an application for a grant on 64136
forms furnished by the director, together with detail plans and 64137
specifications for the measures to be performed to close the 64138
facility properly or to abate or prevent air or water pollution or 64139
soil contamination from the facility, an itemized estimate of the 64140
project's cost, a description of the project's estimated benefits, 64141
and such other information as the director prescribes. The plan 64142
may be prepared in consultation with the director or with the 64143
board of health of the city or general health district in which 64144
the facility is located. The director may award the applicant a 64145
grant only after finding that the proposed measures will provide 64146
for the proper closure of the facility or will abate or prevent 64147
air or water pollution or soil contamination from the facility, 64148
including, but not limited to, those measures necessary or 64149
desirable to: 64150

(1) In the case of a facility for the land burial of 64151
hazardous waste, establish and maintain a suitable cover of soil 64152
and vegetation over the cells in which waste is buried in order to 64153
minimize erosion, the infiltration of surface water into the 64154
cells, the production of leachate, and the accumulation or runoff 64155
of contaminated surface water and to prevent air emissions of 64156
hazardous waste from the facility; 64157

(2) Collect and treat contaminated surface water runoff from 64158
the facility; 64159

(3) Collect and treat leachate produced at the facility; 64160

(4) Install test wells and other equipment or facilities to 64161
monitor the quality of surface waters receiving runoff from the 64162
facility or to monitor air emissions of hazardous waste from the 64163
facility; 64164

(5) Regularly monitor and analyze surface water runoff from 64165
the facility, the quality of waters receiving the runoff, and 64166

ground water quality in the vicinity of the facility, and 64167
regularly monitor leachate collection and treatment systems 64168
installed under the grant and analyze samples from them; 64169

(6) Remove and dispose of hazardous waste from the facility 64170
at a suitable hazardous waste disposal facility where necessary to 64171
protect public health or safety or to abate or prevent air or 64172
water pollution or soil contamination. 64173

(C) The director shall determine the amount of the grant 64174
based upon the director's determination of what constitutes 64175
reasonable and necessary expenses for the proper closure of the 64176
facility or for the abatement or prevention of air or water 64177
pollution or soil contamination from the facility. The amount of 64178
the grant shall not exceed one-half of the total, as determined by 64179
the director, of what constitutes reasonable and necessary 64180
expenses actually incurred for the proper closure of or abatement 64181
or prevention of air or water pollution or soil contamination from 64182
the facility. 64183

In making a grant, the director shall enter into a contract 64184
for funding with each applicant awarded a grant to ensure that the 64185
moneys granted are used for the purpose of this section and that 64186
the measures performed are properly performed. The final payment 64187
under a grant may not be made until the director inspects and 64188
approves the completed cleanup and the plans for developing the 64189
land for use in industry, commerce, distribution, or research. 64190

Each contract for funding shall contain provisions for the 64191
reimbursement of the state of a portion of the costs of the 64192
cleanup that is commensurate with the increase in the market value 64193
of the property attributable to the cleanup thereon, as determined 64194
by appraisals made before and after cleanup in the manner stated 64195
in the contract. For reimbursement of that portion, the contract 64196
may include provisions for: 64197

(1) Payment to the state of the share of the income derived from the productive use of the land;	64198 64199
(2) Imposition of a lien in the amount of the increase in fair market value payable upon the transfer or conveyance to a new owner;	64200 64201 64202
(3) Waiver of all reimbursement if the determination discloses an increase in value that is insubstantial in comparison to the benefits to the public from the abatement of threats to public health or safety or from the abatement or prevention of pollution or contamination, considering the applicant's share of the cleanup cost.	64203 64204 64205 64206 64207 64208
All reimbursements and payments shall be credited to <u>the hazardous waste facility management fund or the hazardous waste clean-up fund</u> created in section 3734.28 of the Revised Code, as applicable.	64209 64210 64211 64212
(D) The contract shall require the owner to execute an easement whereby the director, an authorized employee of the agency, or a contractor employed by the agency may enter upon the facility to sample, repair, or reconstruct air and water quality monitoring equipment constructed under the contract. Such easements shall be for a specified period of years and may be extinguished by agreement between the owner and the director. When necessary to protect the public health or safety, the contract may require the owner to enter into an environmental covenant with the director in accordance with sections 5301.80 to 5301.92 of the Revised Code.	64213 64214 64215 64216 64217 64218 64219 64220 64221 64222 64223
(E) As used in this section, "commerce" includes, but is not limited to, agriculture, forestry, and housing.	64224 64225
Sec. 3734.27. Before making grants from <u>the hazardous waste facility management fund created in section 3734.18 of the Revised</u>	64226 64227

Code or the hazardous waste clean-up fund created in section 64228
3734.28 of the Revised Code, the director of environmental 64229
protection shall consider each project application submitted by a 64230
political subdivision under section 3734.25 of the Revised Code, 64231
each application submitted by the owner of a facility under 64232
section 3734.26 of the Revised Code, and each facility surveyed 64233
under section 3734.19 of the Revised Code and, based upon the 64234
feasibility, cost, and public benefits of restoring the particular 64235
land and the availability of federal or other financial assistance 64236
for restoration, establish priorities for awarding grants from the 64237
fund. 64238

Sec. 3734.28. Except as otherwise provided in ~~section~~ 64239
sections 3734.281 and 3734.282 of the Revised Code, moneys 64240
collected under sections 3734.122, 3734.13, 3734.20, 3734.22, 64241
3734.24, and 3734.26 of the Revised Code and under the 64242

hazardous waste clean-up fund, which is hereby created. In 64247
addition, ~~any moneys~~ both of the following shall be credited to 64248
the fund: 64249

(A) Moneys recovered for costs paid from the fund for 64250
activities described in divisions (A)(1) and (2) of section 64251

(B) Natural resource damage assessment costs recovered under 64253
any of the following: 64254

Sec. 3734.57. (A) The following fees are hereby levied on the 64307
transfer or disposal of solid wastes in this state: 64308

(1) One dollar per ton ~~on and after July 1, 2003,~~ through 64309
June 30, ~~2012~~ 2014, one-half of the proceeds of which shall be 64310

shall use money in the solid waste fund to pay the costs of 64321
administering and enforcing the laws pertaining to solid wastes, 64322
infectious wastes, and construction and demolition debris, 64323
including, without limitation, ground water evaluations related to 64324
solid wastes, infectious wastes, and construction and demolition 64325
debris, under this chapter and Chapter 3714. of the Revised Code 64326
and any rules adopted under them, providing compliance assistance 64327

~~(5) An additional twenty-five cents per ton on and after~~ 64340
~~August 1, 2009,~~ through June 30, ~~2012~~ 2013, the proceeds of which 64341
shall be deposited in the state treasury to the credit of the soil 64342
and water conservation district assistance fund created in section 64343
1515.14 of the Revised Code. 64344

In the case of solid wastes that are taken to a solid waste 64345
transfer facility located in this state prior to being transported 64346
for disposal at a solid waste disposal facility located in this 64347
state or outside of this state, the fees levied under this 64348
division shall be collected by the owner or operator of the 64349
transfer facility as a trustee for the state. The amount of fees 64350
required to be collected under this division at such a transfer 64351

facility shall equal the total tonnage of solid wastes received at 64352
the facility multiplied by the fees levied under this division. In 64353
the case of solid wastes that are not taken to a solid waste 64354
transfer facility located in this state prior to being transported 64355
to a solid waste disposal facility, the fees shall be collected by 64356
the owner or operator of the solid waste disposal facility as a 64357
trustee for the state. The amount of fees required to be collected 64358
under this division at such a disposal facility shall equal the 64359
total tonnage of solid wastes received at the facility that was 64360
not previously taken to a solid waste transfer facility located in 64361
this state multiplied by the fees levied under this division. Fees 64362
levied under this division do not apply to materials separated 64363
from a mixed waste stream for recycling by a generator or 64364
materials removed from the solid waste stream through recycling, 64365
as "recycling" is defined in rules adopted under section 3734.02 64366
of the Revised Code. 64367

The owner or operator of a solid waste transfer facility or 64368
disposal facility, as applicable, shall prepare and file with the 64369
director of environmental protection each month a return 64370
indicating the total tonnage of solid wastes received at the 64371
facility during that month and the total amount of the fees 64372
required to be collected under this division during that month. In 64373
addition, the owner or operator of a solid waste disposal facility 64374
shall indicate on the return the total tonnage of solid wastes 64375
received from transfer facilities located in this state during 64376
that month for which the fees were required to be collected by the 64377
transfer facilities. The monthly returns shall be filed on a form 64378
prescribed by the director. Not later than thirty days after the 64379
last day of the month to which a return applies, the owner or 64380
operator shall mail to the director the return for that month 64381
together with the fees required to be collected under this 64382
division during that month as indicated on the return or may 64383
submit the return and fees electronically in a manner approved by 64384

the director. If the return is filed and the amount of the fees 64385
due is paid in a timely manner as required in this division, the 64386
owner or operator may retain a discount of three-fourths of one 64387
per cent of the total amount of the fees that are required to be 64388
paid as indicated on the return. 64389

The owner or operator may request an extension of not more 64390
than thirty days for filing the return and remitting the fees, 64391
provided that the owner or operator has submitted such a request 64392
in writing to the director together with a detailed description of 64393
why the extension is requested, the director has received the 64394
request not later than the day on which the return is required to 64395
be filed, and the director has approved the request. If the fees 64396
are not remitted within thirty days after the last day of the 64397
month to which the return applies or are not remitted by the last 64398
day of an extension approved by the director, the owner or 64399
operator shall not retain the three-fourths of one per cent 64400
discount and shall pay an additional ten per cent of the amount of 64401
the fees for each month that they are late. For purposes of 64402
calculating the late fee, the first month in which fees are late 64403
begins on the first day after the deadline has passed for timely 64404
submitting the return and fees, and one additional month shall be 64405
counted every thirty days thereafter. 64406

The owner or operator of a solid waste facility may request a 64407
refund or credit of fees levied under this division and remitted 64408
to the director that have not been paid to the owner or operator. 64409
Such a request shall be made only if the fees have not been 64410
collected by the owner or operator, have become a debt that has 64411
become worthless or uncollectable for a period of six months or 64412
more, and may be claimed as a deduction, including a deduction 64413
claimed if the owner or operator keeps accounts on an accrual 64414
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 64415
U.S.C. 166, as amended, and regulations adopted under it. Prior to 64416

making a request for a refund or credit, an owner or operator 64417
shall make reasonable efforts to collect the applicable fees. A 64418
request for a refund or credit shall not include any costs 64419
resulting from those efforts to collect unpaid fees. 64420

A request for a refund or credit of fees shall be made in 64421
writing, on a form prescribed by the director, and shall be 64422
supported by evidence that may be required in rules adopted by the 64423
director under this chapter. After reviewing the request, and if 64424
the request and evidence submitted with the request indicate that 64425
a refund or credit is warranted, the director shall grant a refund 64426
to the owner or operator or shall permit a credit to be taken by 64427
the owner or operator on a subsequent monthly return submitted by 64428
the owner or operator. The amount of a refund or credit shall not 64429
exceed an amount that is equal to ninety days' worth of fees owed 64430
to an owner or operator by a particular debtor of the owner or 64431
operator. A refund or credit shall not be granted by the director 64432
to an owner or operator more than once in any twelve-month period 64433
for fees owed to the owner or operator by a particular debtor. 64434

If, after receiving a refund or credit from the director, an 64435
owner or operator receives payment of all or part of the fees, the 64436
owner or operator shall remit the fees with the next monthly 64437
return submitted to the director together with a written 64438
explanation of the reason for the submittal. 64439

For purposes of computing the fees levied under this division 64440
or division (B) of this section, any solid waste transfer or 64441
disposal facility that does not use scales as a means of 64442
determining gate receipts shall use a conversion factor of three 64443
cubic yards per ton of solid waste or one cubic yard per ton for 64444
baled waste, as applicable. 64445

The fees levied under this division and divisions (B) and (C) 64446
of this section are in addition to all other applicable fees and 64447
taxes and shall be paid by the customer or a political subdivision 64448

to the owner or operator of a solid waste transfer or disposal 64449
facility. In the alternative, the fees shall be paid by a customer 64450
or political subdivision to a transporter of waste who 64451
subsequently transfers the fees to the owner or operator of such a 64452
facility. The fees shall be paid notwithstanding the existence of 64453
any provision in a contract that the customer or a political 64454
subdivision may have with the owner or operator or with a 64455
transporter of waste to the facility that would not require or 64456
allow such payment regardless of whether the contract was entered 64457
prior to or after the effective date of this amendment. For those 64458
purposes, "customer" means a person who contracts with, or 64459
utilizes the solid waste services of, the owner or operator of a 64460
solid waste transfer or disposal facility or a transporter of 64461
solid waste to such a facility. 64462

(B) For the purposes specified in division (G) of this 64463
section, the solid waste management policy committee of a county 64464
or joint solid waste management district may levy fees upon the 64465
following activities: 64466

(1) The disposal at a solid waste disposal facility located 64467
in the district of solid wastes generated within the district; 64468

(2) The disposal at a solid waste disposal facility within 64469
the district of solid wastes generated outside the boundaries of 64470
the district, but inside this state; 64471

(3) The disposal at a solid waste disposal facility within 64472
the district of solid wastes generated outside the boundaries of 64473
this state. 64474

The solid waste management plan of the county or joint 64475
district approved under section 3734.521 or 3734.55 of the Revised 64476
Code and any amendments to it, or the resolution adopted under 64477
this division, as appropriate, shall establish the rates of the 64478
fees levied under divisions (B)(1), (2), and (3) of this section, 64479

if any, and shall specify whether the fees are levied on the basis 64480
of tons or cubic yards as the unit of measurement. A solid waste 64481
management district that levies fees under this division on the 64482
basis of cubic yards shall do so in accordance with division (A) 64483
of this section. 64484

The fee levied under division (B)(1) of this section shall be 64485
not less than one dollar per ton nor more than two dollars per 64486
ton, the fee levied under division (B)(2) of this section shall be 64487
not less than two dollars per ton nor more than four dollars per 64488
ton, and the fee levied under division (B)(3) of this section 64489
shall be not more than the fee levied under division (B)(1) of 64490
this section. 64491

Prior to the approval of the solid waste management plan of a 64492
district under section 3734.55 of the Revised Code, the solid 64493
waste management policy committee of a district may levy fees 64494
under this division by adopting a resolution establishing the 64495
proposed amount of the fees. Upon adopting the resolution, the 64496
committee shall deliver a copy of the resolution to the board of 64497
county commissioners of each county forming the district and to 64498
the legislative authority of each municipal corporation and 64499
township under the jurisdiction of the district and shall prepare 64500
and publish the resolution and a notice of the time and location 64501
where a public hearing on the fees will be held. Upon adopting the 64502
resolution, the committee shall deliver written notice of the 64503
adoption of the resolution; of the amount of the proposed fees; 64504
and of the date, time, and location of the public hearing to the 64505
director and to the fifty industrial, commercial, or institutional 64506
generators of solid wastes within the district that generate the 64507
largest quantities of solid wastes, as determined by the 64508
committee, and to their local trade associations. The committee 64509
shall make good faith efforts to identify those generators within 64510
the district and their local trade associations, but the 64511

nonprovision of notice under this division to a particular 64512
generator or local trade association does not invalidate the 64513
proceedings under this division. The publication shall occur at 64514
least thirty days before the hearing. After the hearing, the 64515
committee may make such revisions to the proposed fees as it 64516
considers appropriate and thereafter, by resolution, shall adopt 64517
the revised fee schedule. Upon adopting the revised fee schedule, 64518
the committee shall deliver a copy of the resolution doing so to 64519
the board of county commissioners of each county forming the 64520
district and to the legislative authority of each municipal 64521
corporation and township under the jurisdiction of the district. 64522
Within sixty days after the delivery of a copy of the resolution 64523
adopting the proposed revised fees by the policy committee, each 64524
such board and legislative authority, by ordinance or resolution, 64525
shall approve or disapprove the revised fees and deliver a copy of 64526
the ordinance or resolution to the committee. If any such board or 64527
legislative authority fails to adopt and deliver to the policy 64528
committee an ordinance or resolution approving or disapproving the 64529
revised fees within sixty days after the policy committee 64530
delivered its resolution adopting the proposed revised fees, it 64531
shall be conclusively presumed that the board or legislative 64532
authority has approved the proposed revised fees. The committee 64533
shall determine if the resolution has been ratified in the same 64534
manner in which it determines if a draft solid waste management 64535
plan has been ratified under division (B) of section 3734.55 of 64536
the Revised Code. 64537

The committee may amend the schedule of fees levied pursuant 64538
to a resolution adopted and ratified under this division by 64539
adopting a resolution establishing the proposed amount of the 64540
amended fees. The committee may repeal the fees levied pursuant to 64541
such a resolution by adopting a resolution proposing to repeal 64542
them. Upon adopting such a resolution, the committee shall proceed 64543
to obtain ratification of the resolution in accordance with this 64544

division. 64545

Not later than fourteen days after declaring the new fees to 64546
be ratified or the fees to be repealed under this division, the 64547
committee shall notify by certified mail the owner or operator of 64548
each solid waste disposal facility that is required to collect the 64549
fees of the ratification and the amount of the fees or of the 64550
repeal of the fees. Collection of any fees shall commence or 64551
collection of repealed fees shall cease on the first day of the 64552
second month following the month in which notification is sent to 64553
the owner or operator. 64554

Fees levied under this division also may be established, 64555
amended, or repealed by a solid waste management policy committee 64556
through the adoption of a new district solid waste management 64557
plan, the adoption of an amended plan, or the amendment of the 64558
plan or amended plan in accordance with sections 3734.55 and 64559
3734.56 of the Revised Code or the adoption or amendment of a 64560
district plan in connection with a change in district composition 64561
under section 3734.521 of the Revised Code. 64562

Not later than fourteen days after the director issues an 64563
order approving a district's solid waste management plan, amended 64564
plan, or amendment to a plan or amended plan that establishes, 64565
amends, or repeals a schedule of fees levied by the district, the 64566
committee shall notify by certified mail the owner or operator of 64567
each solid waste disposal facility that is required to collect the 64568
fees of the approval of the plan or amended plan, or the amendment 64569
to the plan, as appropriate, and the amount of the fees, if any. 64570
In the case of an initial or amended plan approved under section 64571
3734.521 of the Revised Code in connection with a change in 64572
district composition, other than one involving the withdrawal of a 64573
county from a joint district, the committee, within fourteen days 64574
after the change takes effect pursuant to division (G) of that 64575
section, shall notify by certified mail the owner or operator of 64576

each solid waste disposal facility that is required to collect the 64577
fees that the change has taken effect and of the amount of the 64578
fees, if any. Collection of any fees shall commence or collection 64579
of repealed fees shall cease on the first day of the second month 64580
following the month in which notification is sent to the owner or 64581
operator. 64582

If, in the case of a change in district composition involving 64583
the withdrawal of a county from a joint district, the director 64584
completes the actions required under division (G)(1) or (3) of 64585
section 3734.521 of the Revised Code, as appropriate, forty-five 64586
days or more before the beginning of a calendar year, the policy 64587
committee of each of the districts resulting from the change that 64588
obtained the director's approval of an initial or amended plan in 64589
connection with the change, within fourteen days after the 64590
director's completion of the required actions, shall notify by 64591
certified mail the owner or operator of each solid waste disposal 64592
facility that is required to collect the district's fees that the 64593
change is to take effect on the first day of January immediately 64594
following the issuance of the notice and of the amount of the fees 64595
or amended fees levied under divisions (B)(1) to (3) of this 64596
section pursuant to the district's initial or amended plan as so 64597
approved or, if appropriate, the repeal of the district's fees by 64598
that initial or amended plan. Collection of any fees set forth in 64599
such a plan or amended plan shall commence on the first day of 64600
January immediately following the issuance of the notice. If such 64601
an initial or amended plan repeals a schedule of fees, collection 64602
of the fees shall cease on that first day of January. 64603

If, in the case of a change in district composition involving 64604
the withdrawal of a county from a joint district, the director 64605
completes the actions required under division (G)(1) or (3) of 64606
section 3734.521 of the Revised Code, as appropriate, less than 64607
forty-five days before the beginning of a calendar year, the 64608

director, on behalf of each of the districts resulting from the 64609
change that obtained the director's approval of an initial or 64610
amended plan in connection with the change proceedings, shall 64611
notify by certified mail the owner or operator of each solid waste 64612
disposal facility that is required to collect the district's fees 64613
that the change is to take effect on the first day of January 64614
immediately following the mailing of the notice and of the amount 64615
of the fees or amended fees levied under divisions (B)(1) to (3) 64616
of this section pursuant to the district's initial or amended plan 64617
as so approved or, if appropriate, the repeal of the district's 64618
fees by that initial or amended plan. Collection of any fees set 64619
forth in such a plan or amended plan shall commence on the first 64620
day of the second month following the month in which notification 64621
is sent to the owner or operator. If such an initial or amended 64622
plan repeals a schedule of fees, collection of the fees shall 64623
cease on the first day of the second month following the month in 64624
which notification is sent to the owner or operator. 64625

If the schedule of fees that a solid waste management 64626
district is levying under divisions (B)(1) to (3) of this section 64627
is amended or repealed, the fees in effect immediately prior to 64628
the amendment or repeal shall continue to be collected until 64629
collection of the amended fees commences or collection of the 64630
repealed fees ceases, as applicable, as specified in this 64631
division. In the case of a change in district composition, money 64632
so received from the collection of the fees of the former 64633
districts shall be divided among the resulting districts in 64634
accordance with division (B) of section 343.012 of the Revised 64635
Code and the agreements entered into under division (B) of section 64636
343.01 of the Revised Code to establish the former and resulting 64637
districts and any amendments to those agreements. 64638

For the purposes of the provisions of division (B) of this 64639
section establishing the times when newly established or amended 64640

fees levied by a district are required to commence and the 64641
collection of fees that have been amended or repealed is required 64642
to cease, "fees" or "schedule of fees" includes, in addition to 64643
fees levied under divisions (B)(1) to (3) of this section, those 64644
levied under section 3734.573 or 3734.574 of the Revised Code. 64645

(C) For the purposes of defraying the added costs to a 64646
municipal corporation or township of maintaining roads and other 64647
public facilities and of providing emergency and other public 64648
services, and compensating a municipal corporation or township for 64649
reductions in real property tax revenues due to reductions in real 64650
property valuations resulting from the location and operation of a 64651
solid waste disposal facility within the municipal corporation or 64652
township, a municipal corporation or township in which such a 64653
solid waste disposal facility is located may levy a fee of not 64654
more than twenty-five cents per ton on the disposal of solid 64655
wastes at a solid waste disposal facility located within the 64656
boundaries of the municipal corporation or township regardless of 64657
where the wastes were generated. 64658

The legislative authority of a municipal corporation or 64659
township may levy fees under this division by enacting an 64660
ordinance or adopting a resolution establishing the amount of the 64661
fees. Upon so doing the legislative authority shall mail a 64662
certified copy of the ordinance or resolution to the board of 64663
county commissioners or directors of the county or joint solid 64664
waste management district in which the municipal corporation or 64665
township is located or, if a regional solid waste management 64666
authority has been formed under section 343.011 of the Revised 64667
Code, to the board of trustees of that regional authority, the 64668
owner or operator of each solid waste disposal facility in the 64669
municipal corporation or township that is required to collect the 64670
fee by the ordinance or resolution, and the director of 64671
environmental protection. Although the fees levied under this 64672

division are levied on the basis of tons as the unit of measurement, the legislative authority, in its ordinance or resolution levying the fees under this division, may direct that the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

~~(b) Are disposed of at facilities that exclusively dispose of wastes that are generated from the combustion of coal, or from the combustion of primarily coal in combination with scrap tires, that is not combined in any way with garbage at one or more regardless of whether the disposal facility is located on the premises owned by the generator where the wastes are generated.~~

(3) When solid wastes, other than solid wastes that consist 64707
of scrap tires, are burned in a disposal facility that is an 64708
incinerator or energy recovery facility, the fees levied under 64709
divisions (A), (B), and (C) of this section shall be levied upon 64710

reason to believe that there is a substantial threat to public 64753
health or safety or the environment or that the conditions are 64754
causing or contributing to air or water pollution or soil 64755
contamination. An order issued by the director of environmental 64756
protection under division (D)(8) of this section shall include a 64757
determination that the amount of the fees not received by a solid 64758
waste management district as a result of the order will not 64759
adversely impact the implementation and financing of the 64760
district's approved solid waste management plan and any approved 64761

Code by the solid waste management policy committee; 64810

(2) Implementation of the approved solid waste management 64811

solid waste management plan or amended plan; 64827

(5) Pursuant to contracts entered into with boards of health 64828
within the district, if solid waste facilities contained in the 64829

district's approved plan or amended plan are located within the 64830

(9) Providing financial assistance to individual municipal 64852
corporations and townships within the district to defray their 64853
added costs of maintaining roads and other public facilities and 64854
of providing emergency and other public services resulting from 64855
the location and operation within their boundaries of a 64856
composting, energy or resource recovery, incineration, or 64857

furnishing solid waste management facility or recycling services 64859
to the district pursuant to a contract or agreement with the board 64860

(10) Payment of any expenses that are agreed to, awarded, or 64862
ordered to be paid under section 3734.35 of the Revised Code and 64863
of any administrative costs incurred pursuant to that section. In 64864
the case of a joint solid waste management district, if the board 64865
of county commissioners of one of the counties in the district is 64866
negotiating on behalf of affected communities, as defined in that 64867
section, in that county, the board shall obtain the approval of 64868
the board of directors of the district in order to expend moneys 64869
for administrative costs incurred. 64870

Prior to the approval of the district's solid waste 64871
management plan under section 3734.55 of the Revised Code, moneys 64872
in the special fund of the district arising from the fees shall be 64873
expended for those purposes in the manner prescribed by the solid 64874
waste management policy committee by resolution. 64875

Notwithstanding division (G)(6) of this section as it existed 64876
prior to October 29, 1993, or any provision in a district's solid 64877
waste management plan prepared in accordance with division 64878
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 64879
prior to that date, any moneys arising from the fees levied under 64880
division (B)(3) of this section prior to January 1, 1994, may be 64881
expended for any of the purposes authorized in divisions (G)(1) to 64882
(10) of this section. 64883

(H) The director shall adopt rules in accordance with Chapter 64884
119. of the Revised Code prescribing procedures for collecting and 64885
forwarding the fees levied under divisions (B) and (C) of this 64886
section to the boards of county commissioners or directors of 64887
county or joint solid waste management districts and to the 64888
treasurers or other officers of municipal corporations and the 64889
fiscal officers of townships. The rules also shall prescribe the 64890
dates for forwarding the fees to the boards and officials and may 64891
prescribe any other requirements the director considers necessary 64892
or appropriate to implement and administer divisions (A), (B), and 64893

(C) of this section. 64894

Sec. 3734.85. (A) On and after the effective date of the 64895
rules adopted under sections 3734.70, 3734.71, 3734.72, and 64896
3734.73 of the Revised Code, the director of environmental 64897
protection may take action under this section to abate 64898
accumulations of scrap tires. If the director determines that an 64899
accumulation of scrap tires constitutes a danger to the public 64900
health or safety or to the environment, the director shall issue 64901
an order under section 3734.13 of the Revised Code to the person 64902
responsible for the accumulation of scrap tires directing that 64903
person, within one hundred twenty days after the issuance of the 64904
order, to remove the accumulation of scrap tires from the premises 64905
on which it is located and transport the tires to a scrap tire 64906
storage, monocell, monofill, or recovery facility licensed under 64907
section 3734.81 of the Revised Code, to such a facility in another 64908
state operating in compliance with the laws of the state in which 64909
it is located, or to any other solid waste disposal facility in 64910
another state that is operating in compliance with the laws of 64911
that state. If the person responsible for causing the accumulation 64912
of scrap tires is a person different from the owner of the land on 64913
which the accumulation is located, the director may issue such an 64914
order to the landowner. 64915

If the director is unable to ascertain immediately the 64916
identity of the person responsible for causing the accumulation of 64917
scrap tires, the director shall examine the records of the 64918
applicable board of health and law enforcement agencies to 64919
ascertain that person's identity. Before initiating any 64920
enforcement or removal actions under this division against the 64921
owner of the land on which the accumulation is located, the 64922
director shall initiate any such actions against the person that 64923
the director has identified as responsible for causing the 64924
accumulation of scrap tires. Failure of the director to make 64925

diligent efforts to ascertain the identity of the person 64926
responsible for causing the accumulation of scrap tires or to 64927
initiate an action against the person responsible for causing the 64928
accumulation shall not constitute an affirmative defense by a 64929
landowner to an enforcement action initiated by the director under 64930
this division requiring immediate removal of any accumulation of 64931
scrap tires. 64932

Upon the written request of the recipient of an order issued 64933
under this division, the director may extend the time for 64934
compliance with the order if the request demonstrates that the 64935
recipient has acted in good faith to comply with the order. If the 64936
recipient of an order issued under this division fails to comply 64937
with the order within one hundred twenty days after the issuance 64938
of the order or, if the time for compliance with the order was so 64939
extended, within that time, the director shall take such actions 64940
as the director considers reasonable and necessary to remove and 64941
properly manage the scrap tires located on the land named in the 64942
order. The director, through employees of the environmental 64943
protection agency or a contractor, may enter upon the land on 64944
which the accumulation of scrap tires is located and remove and 64945
transport them to a scrap tire recovery facility for processing, 64946
to a scrap tire storage facility for storage, or to a scrap tire 64947
monocell or monofill facility for storage or disposal. 64948

The director shall enter into contracts ~~with the owners or~~ 64949
~~operators of scrap tire storage, monocell, monofill, or recovery~~ 64950
~~facilities~~ for the storage, disposal, or processing of scrap tires 64951
removed through removal operations conducted under this section. 64952
~~In doing so, the director shall give preference to scrap tire~~ 64953
~~recovery facilities.~~ 64954

If a person to whom a removal order is issued under this 64955
division fails to comply with the order and if the director 64956
performs a removal action under this section, the person to whom 64957

the removal order is issued is liable to the director for the 64958
costs incurred by the director for conducting the removal 64959
operation, storage at a scrap tire storage facility, storage or 64960
disposal at a scrap tire monocell or monofill facility, or 64961
processing of the scrap tires so removed, the transportation of 64962
the scrap tires from the site of the accumulation to the scrap 64963
tire storage, monocell, monofill, or recovery facility where the 64964
scrap tires were stored, disposed of, or processed, and the 64965
administrative and legal expenses incurred by the director in 64966
connection with the removal operation. The director shall keep an 64967
itemized record of those costs. Upon completion of the actions for 64968
which the costs were incurred, the director shall record the costs 64969
at the office of the county recorder of the county in which the 64970
accumulation of scrap tires was located. The costs so recorded 64971
constitute a lien on the property on which the accumulation of 64972
scrap tires was located until discharged. Upon the written request 64973
of the director, the attorney general shall bring a civil action 64974
against the person responsible for the accumulation of the scrap 64975
tires that were the subject of the removal operation to recover 64976
the costs for which the person is liable under this division. Any 64977
money so received or recovered shall be credited to the scrap tire 64978
management fund created in section 3734.82 of the Revised Code. 64979

If, in a civil action brought under this division, an owner 64980
of real property is ordered to pay to the director the costs of a 64981
removal action that removed an accumulation of scrap tires from 64982
the person's land or if a lien is placed on the person's land for 64983
the costs of such a removal action, and, in either case, if the 64984
landowner was not the person responsible for causing the 64985
accumulation of scrap tires so removed, the landowner may bring a 64986
civil action against the person who was responsible for causing 64987
the accumulation to recover the amount of the removal costs that 64988
the court ordered the landowner to pay to the director or the 64989
amount of the removal costs certified to the county recorder as a 64990

lien on the landowner's property, whichever is applicable. If the 64991
landowner prevails in the civil action against the person who was 64992
responsible for causing the accumulation of scrap tires, the 64993
court, as it considers appropriate, may award to the landowner the 64994
reasonable attorney's fees incurred by the landowner for bringing 64995
the action, court costs, and other reasonable expenses incurred by 64996
the landowner in connection with the civil action. A landowner 64997
shall bring such a civil action within two years after making the 64998
final payment of the removal costs to the director pursuant to the 64999
judgment rendered against the landowner in the civil action 65000
brought under this division upon the director's request or within 65001
two years after the director certified the costs of the removal 65002
action to the county recorder, as appropriate. A person who, at 65003
the time that a removal action was conducted under this division, 65004
owned the land on which the removal action was performed may bring 65005
an action under this division to recover the costs of the removal 65006
action from the person responsible for causing the accumulation of 65007
scrap tires so removed regardless of whether the person owns the 65008
land at the time of bringing the action. 65009

Subject to the limitations set forth in division (G) of 65010
section 3734.82 of the Revised Code, the director may use moneys 65011
in the scrap tire management fund for conducting removal actions 65012
under this division. Any moneys recovered under this division 65013
shall be credited to the scrap tire management fund. 65014

(B) The director shall initiate enforcement and removal 65015
actions under division (A) of this section in accordance with the 65016
following descending listing of priorities: 65017

resolution are valid, and whether the classification of structures 65187
or remodeling eligible for exemption under the resolution is 65188
consistent with zoning restrictions applicable to the area as 65189
indicated on the map. Within thirty days of receiving the 65190
petition, the director shall forward the director's determination 65191
to the legislative authority. The legislative authority or housing 65192

activities under, this chapter and Chapters 3704., 3734., 3746., 65527
3747., 3748., 3750., 3751., 3752., 3753., 5709., 6101., 6103., 65528
6105., 6109., 6111., 6112., 6113., 6115., 6117., and 6119. and 65529
sections 122.65 and 1521.19 of the Revised Code. 65530

Sec. 3745.016. There is hereby created in the state treasury 65531
the federally supported cleanup and response fund consisting of 65532
money credited to the fund from federal grants, gifts, and 65533
contributions to support the investigation and remediation of 65534
contaminated property. The environmental protection agency shall 65535
use money in the fund to support the investigation and remediation 65536
of contaminated property. 65537

Sec. 3745.05. (A) In hearing the appeal, if an adjudication 65538
hearing was conducted by the director of environmental protection 65539
in accordance with sections 119.09 and 119.10 of the Revised Code 65540

or conducted by a board of health, the environmental review 65541
appeals commission is confined to the record as certified to it by 65542
the director or the board of health, as applicable. The commission 65543
may grant a request for the admission of additional evidence when 65544
satisfied that such additional evidence is newly discovered and 65545
could not with reasonable diligence have been ascertained prior to 65546
the hearing before the director or the board, as applicable. If no 65547
adjudication hearing was conducted in accordance with sections 65548
119.09 and 119.10 of the Revised Code or conducted by a board of 65549
health, the commission shall conduct a hearing de novo on the 65550
appeal. 65551

For the purpose of conducting a de novo hearing, or where the 65552
commission has granted a request for the admission of additional 65553
evidence, the commission may require the attendance of witnesses 65554
and the production of written or printed materials. 65555

When conducting a de novo hearing, or when a request for the 65556
admission of additional evidence has been granted, the commission 65557
may, and at the request of any party it shall, issue subpoenas for 65558
witnesses or for books, papers, correspondence, memoranda, 65559
agreements, or other documents or records relevant or material to 65560
the inquiry directed to the sheriff of the counties where the 65561
witnesses or documents or records are found, which subpoenas shall 65562
be served and returned in the same manner as those allowed by the 65563
court of common pleas in criminal cases. 65564

(B) The fees of sheriffs shall be the same as those allowed 65565
by the court of common pleas in criminal cases. Witnesses shall be 65566
paid the fees and mileage provided for under section 119.094 of 65567
the Revised Code. The fee and mileage expenses incurred at the 65568
request of the appellant shall be paid in advance by the 65569
appellant, and the remainder of the expenses shall be paid out of 65570
funds appropriated for the expenses of the commission. 65571

(C) In case of disobedience or neglect of any subpoena served 65572

on any person, or the refusal of any witness to testify to any 65573
matter regarding which the witness may be lawfully interrogated, 65574
the court of common pleas of the county in which the disobedience, 65575
neglect, or refusal occurs, or any judge thereof, on application 65576
of the commission or any member thereof, may compel obedience by 65577
attachment proceedings for contempt as in the case of disobedience 65578
of the requirements of a subpoena issued from the court or a 65579
refusal to testify therein. 65580

(D) A witness at any hearing shall testify under oath or 65581
affirmation, which any member of the commission may administer. A 65582
witness, if the witness requests, shall be permitted to be 65583
accompanied, represented, and advised by an attorney, whose 65584
participation in the hearing shall be limited to the protection of 65585
the rights of the witness, and who may not examine or 65586
cross-examine witnesses. A witness shall be advised of the right 65587
to counsel before the witness is interrogated. 65588

(E) A stenographic or electronic record of the testimony and 65589
other evidence submitted shall be taken by an official court 65590
~~shorthand~~ reporter. The record shall include all of the testimony 65591
and other evidence and the rulings on the admissibility thereof 65592
presented at the hearing. The commission shall pass upon the 65593
admissibility of evidence, but any party may at the time object to 65594
the admission of any evidence and except to the rulings of the 65595
commission thereon, and if the commission refuses to admit 65596
evidence the party offering same may make a proffer thereof, and 65597
such proffer shall be made a part of the record of such hearing. 65598

Any party may request the stenographic or electronic record 65599
of the hearing. Promptly after receiving such a request, the 65600
commission shall prepare and provide the stenographic or 65601
electronic record of the hearing to the party who requested it. 65602
The commission may charge a fee to the party who requested the 65603
stenographic or electronic record that does not exceed the cost to 65604

the commission for preparing and transcribing or transmitting it. 65605

(F) If, upon completion of the hearing, the commission finds 65606
that the action appealed from was lawful and reasonable, it shall 65607
make a written order affirming the action, or if the commission 65608
finds that the action was unreasonable or unlawful, it shall make 65609
a written order vacating or modifying the action appealed from. 65610

The commission shall issue a written order affirming, 65611
vacating, or modifying an action pursuant to the following 65612
schedule: 65613

(1) For an appeal that was filed with the commission before 65614
April 15, 2008, the commission shall issue a written order not 65615
later than December 15, 2009. 65616

(2) For all other appeals that have been filed with the 65617
commission as of October 15, 2009, the commission shall issue a 65618
written order not later than July 15, 2010. 65619

(3) For an appeal that is filed with the commission after 65620
October 15, 2009, the commission shall issue a written order not 65621
later than twelve months after the filing of the appeal with the 65622
commission. 65623

(G) Every order made by the commission shall contain a 65624
written finding by the commission of the facts upon which the 65625
order is based. Notice of the making of the order shall be given 65626
forthwith to each party to the appeal by mailing a certified copy 65627
thereof to each party by certified mail, with a statement of the 65628
time and method by which an appeal may be perfected. 65629

(H) The order of the commission is final unless vacated or 65630
modified upon judicial review. 65631

Sec. 3745.11. (A) Applicants for and holders of permits, 65632

For the purposes of that division, total emissions of air contaminants may be calculated using engineering		65720 65721 65722 65723 65724 65725 65726

calculations, emissions factors, material balance calculations, or performance testing procedures, as authorized by the director.

The following fees shall be assessed on the total actual emissions from a source in tons per year of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead:

(a) Fifteen dollars per ton on the total actual emissions of each such regulated pollutant during the period July through December 1993, to be collected no sooner than July 1, 1994;

(b) Twenty dollars per ton on the total actual emissions of each such regulated pollutant during calendar year 1994, to be collected no sooner than April 15, 1995;

(c) Twenty-five dollars per ton on the total actual emissions of each such regulated pollutant in calendar year 1995, and each subsequent calendar year, to be collected no sooner than the fifteenth day of April of the year next succeeding the calendar year in which the emissions occurred.

The fees levied under division (C)(1) of this section do not apply to that portion of the emissions of a regulated pollutant at a facility that exceed four thousand tons during a calendar year.

(2) The fees assessed under division (C)(1) of this section are for the purpose of providing funding for the Title V permit program.

(3) The fees assessed under division (C)(1) of this section do not apply to emissions from any electric generating unit designated as a Phase I unit under Title IV of the federal Clean Air Act prior to calendar year 2000. Those fees shall be assessed on the emissions from such a generating unit commencing in calendar year 2001 based upon the total actual emissions from the generating unit during calendar year 2000 and shall continue to be assessed each subsequent calendar year based on the total actual

emissions from the generating unit during the preceding calendar 65758
year. 65759

(4) The director shall issue invoices to owners or operators 65760
of air contaminant sources who are required to pay a fee assessed 65761
under division (C) or (D) of this section. Any such invoice shall 65762
be issued no sooner than the applicable date when the fee first 65763
may be collected in a year under the applicable division, shall 65764
identify the nature and amount of the fee assessed, and shall 65765
indicate that the fee is required to be paid within thirty days 65766
after the issuance of the invoice. 65767

(D)(1) Except as provided in division (D)(3) of this section, 65768
from January 1, 1994, through December 31, 2003, each person who 65769
owns or operates an air contaminant source; who is required to 65770
apply for a permit to operate pursuant to rules adopted under 65771
division (G), or a variance pursuant to division (H), of section 65772
3704.03 of the Revised Code; and who is not required to apply for 65773
and obtain a Title V permit under section 3704.036 of the Revised 65774
Code shall pay a single fee based upon the sum of the actual 65775
annual emissions from the facility of the regulated pollutants 65776
particulate matter, sulfur dioxide, nitrogen oxides, organic 65777
compounds, and lead in accordance with the following schedule: 65778

(2) Except as provided in division (D)(3) of this section, 65785
beginning January 1, 2004, each person who owns or operates an air 65786
contaminant source; who is required to apply for a permit to 65787
operate pursuant to rules adopted under division (G), or a 65788
variance pursuant to division (H), of section 3704.03 of the 65789

Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.03 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2012~~ 2014, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

The fees assessed under division (D)(2) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (C)(1) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for

the purposes of division (C)(1) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average of the consumer price index for all urban consumers published by the United States department of labor as of the close of the twelve-month period ending on the thirty-first day of August of that year.

(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most consistent with that for calendar year 1989.

the sewage sludge qualifies for the exceptional quality sludge 66730

discount established in division (Y)(2)(b) of this section. The 66731
director may consider the objections and adjust the amount of the 66732
fee to ensure that it is accurate. 66733

sludge fee in response to a person's objections, the person may 66735
appeal the director's determination in accordance with Chapter 66736
119. of the Revised Code. 66737

Not later than the first day of June, the director shall 66738
notify the objecting person regarding whether the director has 66739
found the objections to be valid and the reasons for the finding. 66740
If the director finds the objections to be valid and adjusts the 66741
amount of the annual sludge fee accordingly, the director shall 66742
issue with the notification a new invoice to the person 66743
identifying the amount of the annual sludge fee assessed and 66744
stating the first day of July as the deadline for payment. 66745

Not later than the first day of July, any person who is 66746
required to do so shall pay the annual sludge fee. Any person who 66747

storage, treatment, or disposal of sewage sludge. 66757

(7) Beginning in fiscal year 2001, and every two years 66758
thereafter, the director shall review the total amount of moneys 66759
generated by the annual sludge fees to determine if that amount 66760
exceeded six hundred thousand dollars in either of the two 66761

preceding fiscal years. If the total amount of moneys in the fund 66762
exceeded six hundred thousand dollars in either fiscal year, the 66763
director, after review of the fee structure and consultation with 66764

programs and simulcast racing programs held at or conducted within 67024
such race track, and at the time of such horse-racing meeting, or 67025

not be unlawful. No other place, except that provided and 67027
designated by the permit holder and except as provided in section 67028
3769.26 of the Revised Code, nor any other method or system of 67029
betting or wagering, except the pari-mutuel system, shall be used 67030
or permitted by the permit holder; nor, except as provided in 67031
section 3769.089 or 3769.26 of the Revised Code, shall the 67032
pari-mutuel system of wagering be conducted by the permit holder 67033
on any races except the races at the race track, grounds, or 67034
enclosure for which the person holds a permit. Each permit holder 67035
may retain as a commission an amount not to exceed eighteen per 67036
cent of the total of all moneys wagered. 67037

The pari-mutuel wagering authorized by this section is 67038
subject to sections 3769.25 to 3769.28 of the Revised Code. 67039

(B) At the close of each racing day, each permit holder 67040
authorized to conduct thoroughbred racing, out of the amount 67041

retained on that day by the permit holder, shall pay by check, 67042
draft, or money order to the tax commissioner, as a tax, a sum 67043
equal to the following percentages of the total of all moneys 67044
wagered on live racing programs on that day and shall separately 67045
compute and pay by check, draft, or money order to the tax 67046
commissioner, as a tax, a sum equal to the following percentages 67047
of the total of all money wagered on simulcast racing programs on 67048
that day: 67049

(1) One per cent of the first two hundred thousand dollars 67050
wagered, or any part of that amount; 67051

(2) Two per cent of the next one hundred thousand dollars 67052

The required payment to the state racing commission operating fund does not apply to county and independent fairs and agricultural societies. The remaining moneys may be retained by the permit holder, except as provided in this section with respect to the odd cents redistribution. Amounts paid into the PASSPORT nursing home franchise permit fee fund pursuant to this section and section 3769.26 of the Revised Code shall be used solely for the support of the PASSPORT program as determined in appropriations made by the general assembly. If the PASSPORT program is abolished, the amount that would have been paid to the PASSPORT nursing home franchise permit fee fund under this chapter shall be paid to the general revenue fund of the state. As used in this chapter, "PASSPORT program" means the PASSPORT program created under section 173.40 of the Revised Code.

into the state racing commission operating fund created by section 67177
3769.03 of the Revised Code. This division does not apply to 67178
county and independent fairs and agricultural societies. 67179

(F) Except as otherwise provided in section 3769.089 of the 67180
Revised Code, each permit holder authorized to conduct harness 67181
racing shall pay to the harness horsemen's purse pool a sum equal 67182
to fifty per cent of the pari-mutuel revenues retained by the 67183
permit holder as a commission after payment of the state tax. This 67184
fifty per cent payment is to be in addition to the purse 67185
distribution from breakage specified in this section. 67186

(G) In addition, each permit holder authorized to conduct 67187
harness racing shall be allowed to retain the odd cents of all 67188
redistribution to be made on all mutual contributions exceeding a 67189
sum equal to the next lowest multiple of ten. 67190

Forty per cent of that portion of that total sum of such odd 67191
cents shall be used by the permit holder for purse money for Ohio 67192
sired, bred, and owned colts, for purse money for Ohio bred 67193
horses, and for increased purse money for horse races. Upon the 67194
formation of the corporation described in section 3769.21 of the 67195
Revised Code to establish a harness horsemen's health and 67196
retirement fund, twenty-five per cent of that portion of that 67197
total sum of odd cents shall be paid at the close of each racing 67198
day by the permit holder to that corporation to establish and fund 67199
the health and retirement fund. Until that corporation is formed, 67200

that twenty-five per cent shall be paid at the close of each 67201
racing day by the permit holder to the tax commissioner or the tax 67202
commissioner's agent in the county seat of the county in which the 67203
permit holder operates race meetings. The remaining thirty-five 67204
per cent of that portion of that total sum of odd cents shall be 67205
retained by the permit holder. 67206

(H) In addition, each permit holder authorized to conduct 67207
thoroughbred racing shall be allowed to retain the odd cents of 67208
all redistribution to be made on all mutuel contributions 67209
exceeding a sum equal to the next lowest multiple of ten. Twenty 67210
per cent of that portion of that total sum of such odd cents shall 67211
be used by the permit holder for increased purse money for horse 67212
races. Upon the formation of the corporation described in section 67213
3769.21 of the Revised Code to establish a thoroughbred horsemen's 67214
health and retirement fund, forty-five per cent of that portion of 67215
that total sum of odd cents shall be paid at the close of each 67216
racing day by the permit holder to that corporation to establish 67217
and fund the health and retirement fund. Until that corporation is 67218
formed, that forty-five per cent shall be paid by the permit 67219
holder to the tax commissioner or the tax commissioner's agent in 67220
the county seat of the county in which the permit holder operates 67221
race meetings, at the close of each racing day. The remaining 67222
thirty-five per cent of that portion of that total sum of odd 67223
cents shall be retained by the permit holder. 67224

(I) In addition, each permit holder authorized to conduct 67225
quarter horse racing shall be allowed to retain the odd cents of 67226
all redistribution to be made on all mutuel contributions 67227
exceeding a sum equal to the next lowest multiple of ten, subject 67228
to a tax of twenty-five per cent on that portion of the total sum 67229
of such odd cents that is in excess of two thousand dollars during 67230
a calendar year, which tax shall be paid at the close of each 67231
racing day by the permit holder to the tax commissioner or the tax 67232

commissioner's agent in the county seat of the county within which 67233
the permit holder operates race meetings. Forty per cent of that 67234
portion of that total sum of such odd cents shall be used by the 67235
permit holder for increased purse money for horse races. The 67236
remaining thirty-five per cent of that portion of that total sum 67237
of odd cents shall be retained by the permit holder. 67238

(J)(1) To encourage the improvement of racing facilities for 67239
the benefit of the public, breeders, and horse owners, and to 67240
increase the revenue to the state from the increase in pari-mutuel 67241
wagering resulting from those improvements, the taxes paid by a 67242
permit holder to the state as provided for in this chapter shall 67243
be reduced by three-fourths of one per cent of the total amount 67244
wagered for those permit holders who make capital improvements to 67245
existing race tracks or construct new race tracks. The percentage 67246
of the reduction that may be taken each racing day shall equal 67247
seventy-five per cent of the taxes levied under divisions (B) and 67248
(C) of this section and section 3769.087 of the Revised Code, and 67249
division (F)(2) of section 3769.26 of the Revised Code, as 67250
applicable, divided by the calculated amount each fund should 67251
receive under divisions (B) and (C) of this section and section 67252
3769.087 of the Revised Code, and division (F)(2) of section 67253
3769.26 of the Revised Code and the reduction provided for in this 67254
division. If the resulting percentage is less than one, that 67255
percentage shall be multiplied by the amount of the reduction 67256
provided for in this division. Otherwise, the permit holder shall 67257
receive the full reduction provided for in this division. The 67258
amount of the allowable reduction not received shall be carried 67259
forward and applied against future tax liability. After any 67260
reductions expire, any reduction carried forward shall be treated 67261
as a reduction as provided for in this division. 67262

If more than one permit holder is authorized to conduct 67263
racing at the facility that is being built or improved, the cost 67264

of the new race track or capital improvement shall be allocated 67265
between or among all the permit holders in the ratio that the 67266
permit holders' number of racing days bears to the total number of 67267
racing days conducted at the facility. 67268

A reduction for a new race track or a capital improvement 67269
shall start from the day racing is first conducted following the 67270
date actual construction of the new race track or each capital 67271
improvement is completed and the construction cost has been 67272
approved by the racing commission, unless otherwise provided in 67273
this section. A reduction for a new race track or a capital 67274
improvement shall continue for a period of twenty-five years for 67275
new race tracks and for fifteen years for capital improvements if 67276
the construction of the capital improvement or new race track 67277
commenced prior to March 29, 1988, and for a period of ten years 67278
for new race tracks or capital improvements if the construction of 67279
the capital improvement or new race track commenced on or after 67280
March 29, 1988, but before ~~the effective date of this amendment~~ 67281
June 6, 2001, or until the total tax reduction reaches seventy per 67282
cent of the approved cost of the new race track or capital 67283
improvement, as allocated to each permit holder, whichever occurs 67284
first. A reduction for a new race track or a capital improvement 67285
approved after ~~the effective date of this amendment~~ June 6, 2001, 67286
shall continue until the total tax reduction reaches one hundred 67287
per cent of the approved cost of the new race track or capital 67288
improvement, as allocated to each permit holder. 67289

A reduction granted for a new race track or a capital 67290
improvement, the application for which was approved by the racing 67291
commission after March 29, 1988, but before ~~the effective date of~~ 67292
~~this amendment~~ June 6, 2001, shall not commence nor shall the 67293
ten-year period begin to run until all prior tax reductions with 67294
respect to the same race track have ended. The total tax reduction 67295
because of capital improvements shall not during any one year 67296

exceed for all permit holders using any one track three-fourths of 67297
one per cent of the total amount wagered, regardless of the number 67298
of capital improvements made. Several capital improvements to a 67299
race track may be consolidated in an application if the racing 67300
commission approved the application prior to March 29, 1988. No 67301
permit holder may receive a tax reduction for a capital 67302
improvement approved by the racing commission on or after March 67303
29, 1988, at a race track until all tax reductions have ended for 67304
all prior capital improvements approved by the racing commission 67305
under this section or section 3769.20 of the Revised Code at that 67306
race track. If there are two or more permit holders operating 67307
meetings at the same track, they may consolidate their 67308
applications. The racing commission shall notify the tax 67309
commissioner when the reduction of tax begins and when it ends. 67310

Each fiscal year the racing commission shall submit a report 67311
to the tax commissioner, the office of budget and management, and 67312
the legislative service commission. The report shall identify each 67313
capital improvement project undertaken under this division and in 67314
progress at each race track, indicate the total cost of each 67315
project, state the tax reduction that resulted from each project 67316
during the immediately preceding fiscal year, estimate the tax 67317
reduction that will result from each project during the current 67318
fiscal year, state the total tax reduction that resulted from all 67319
such projects at all race tracks during the immediately preceding 67320
fiscal year, and estimate the total tax reduction that will result 67321
from all such projects at all race tracks during the current 67322
fiscal year. 67323

(2) In order to qualify for the reduction in tax, a permit 67324
holder shall apply to the racing commission in such form as the 67325
commission may require and shall provide full details of the new 67326
race track or capital improvement, including a schedule for its 67327
construction and completion, and set forth the costs and expenses 67328

incurred in connection with it. The racing commission shall not 67329
approve an application unless the permit holder shows that a 67330
contract for the new race track or capital improvement has been 67331
let under an unrestricted competitive bidding procedure, unless 67332
the contract is exempted by the controlling board because of its 67333
unusual nature. In determining whether to approve an application, 67334
the racing commission shall consider whether the new race track or 67335
capital improvement will promote the safety, convenience, and 67336
comfort of the racing public and horse owners and generally tend 67337
towards the improvement of racing in this state. 67338

(3) If a new race track or capital improvement is approved by 67339
the racing commission and construction has started, the tax 67340
reduction may be authorized by the commission upon presentation of 67341
copies of paid bills in excess of one hundred thousand dollars or 67342
ten per cent of the approved cost, whichever is greater. After the 67343
initial authorization, the permit holder shall present copies of 67344
paid bills. If the permit holder is in substantial compliance with 67345
the schedule for construction and completion of the new race track 67346
or capital improvement, the racing commission may authorize the 67347
continuation of the tax reduction upon the presentation of the 67348
additional paid bills. The total amount of the tax reduction 67349
authorized shall not exceed the percentage of the approved cost of 67350
the new race track or capital improvement specified in division 67351
(J)(1) of this section. The racing commission may terminate any 67352
tax reduction immediately if a permit holder fails to complete the 67353
new race track or capital improvement, or to substantially comply 67354
with the schedule for construction and completion of the new race 67355
track or capital improvement. If a permit holder fails to complete 67356
a new race track or capital improvement, the racing commission 67357
shall order the permit holder to repay to the state the total 67358
amount of tax reduced. The normal tax paid by the permit holder 67359
shall be increased by three-fourths of one per cent of the total 67360
amount wagered until the total amount of the additional tax 67361

collected equals the total amount of tax reduced. 67362

(4) As used in this section: 67363

(a) "Capital improvement" means an addition, replacement, or 67364
remodeling of a structural unit of a race track facility costing 67365
at least one hundred thousand dollars, including, but not limited 67366
to, the construction of barns used exclusively for the race track 67367
facility, backstretch facilities for horsemen, paddock facilities, 67368
new pari-mutuel and totalizator equipment and appurtenances to 67369
that equipment purchased by the track, new access roads, new 67370
parking areas, the complete reconstruction, reshaping, and 67371
leveling of the racing surface and appurtenances, the installation 67372
of permanent new heating or air conditioning, roof replacement or 67373
restoration, installations of a permanent nature forming a part of 67374
the track structure, and construction of buildings that are 67375
located on a permit holder's premises. "Capital improvement" does 67376
not include the cost of replacement of equipment that is not 67377
permanently installed, ordinary repairs, painting, and maintenance 67378
required to keep a race track facility in ordinary operating 67379
condition. 67380

(b) "New race track" includes the reconstruction of a race 67381
track damaged by fire or other cause that has been declared by the 67382
racing commission, as a result of the damage, to be an inadequate 67383
facility for the safe operation of horse racing. 67384

(c) "Approved cost" includes all debt service and interest 67385
costs that are associated with a capital improvement or new race 67386
track and that the racing commission approves for a tax reduction 67387
under division (J) of this section. 67388

(5) The racing commission shall not approve an application 67389
for a tax reduction under this section if it has reasonable cause 67390
to believe that the actions or negligence of the permit holder 67391
substantially contributed to the damage suffered by the track due 67392

to fire or other cause. The racing commission shall obtain any 67393
data or information available from a fire marshal, law enforcement 67394
official, or insurance company concerning any fire or other damage 67395
suffered by a track, prior to approving an application for a tax 67396
reduction. 67397

(6) The approved cost to which a tax reduction applies shall 67398
be determined by generally accepted accounting principles and 67399
verified by an audit of the permit holder's records upon 67400
completion of the project by the racing commission, or by an 67401
independent certified public accountant selected by the permit 67402
holder and approved by the commission. 67403

(K) No other license or excise tax or fee, except as provided 67404
in sections 3769.01 to 3769.14 of the Revised Code, shall be 67405
assessed or collected from such licensee by any county, township, 67406
district, municipal corporation, or other body having power to 67407
assess or collect a tax or fee. That portion of the tax paid under 67408
this section by permit holders for racing conducted at and during 67409
the course of an agricultural exposition or fair, and that portion 67410
of the tax that would have been paid by eligible permit holders 67411
into the ~~PASSPORT~~ nursing home franchise permit fee fund as a 67412
result of racing conducted at and during the course of an 67413
agricultural exposition or fair, shall be deposited into the state 67414
treasury to the credit of the horse racing tax fund, which is 67415
hereby created for the use of the agricultural societies of the 67416
several counties in which the taxes originate. The state racing 67417
commission shall determine eligible permit holders for purposes of 67418
the preceding sentence, taking into account the breed of horse, 67419
the racing dates, the geographic proximity to the fair, and the 67420
best interests of Ohio racing. On the first day of any month on 67421
which there is money in the fund, the tax commissioner shall 67422
provide for payment to the treasurer of each agricultural society 67423
the amount of the taxes collected under this section upon racing 67424

conducted at and during the course of any exposition or fair 67425
conducted by the society. 67426

(L) From the tax paid under this section by harness track 67427
permit holders, the tax commissioner shall pay into the Ohio 67428
thoroughbred race fund a sum equal to a percentage of the amount 67429
wagered upon which the tax is paid. The percentage shall be 67430
determined by the tax commissioner and shall be rounded to the 67431
nearest one-hundredth. The percentage shall be such that, when 67432
multiplied by the amount wagered upon which tax was paid by the 67433
harness track permit holders in the most recent year for which 67434
final figures are available, it results in a sum that 67435
substantially equals the same amount of tax paid by the tax 67436
commissioner during that year into the Ohio fairs fund from taxes 67437
paid by thoroughbred permit holders. This division does not apply 67438
to county and independent fairs and agricultural societies. 67439

(M) Twenty-five per cent of the taxes levied on thoroughbred 67440
racing permit holders, harness racing permit holders, and quarter 67441
horse racing permit holders under this section, division (A) of 67442
section 3769.087 of the Revised Code, and division (F)(2) of 67443
section 3769.26 of the Revised Code shall be paid into the 67444
~~PASSPORT~~ nursing home franchise permit fee fund. The tax 67445
commissioner shall pay any money remaining, after the payment into 67446
the ~~PASSPORT~~ nursing home franchise permit fee fund and the 67447
reductions provided for in division (J) of this section and in 67448
section 3769.20 of the Revised Code, into the Ohio fairs fund, 67449
Ohio thoroughbred race fund, Ohio standardbred development fund, 67450
Ohio quarter horse fund, and state racing commission operating 67451
fund as prescribed in this section and division (A) of section 67452
3769.087 of the Revised Code. The tax commissioner shall 67453
thereafter use and apply the balance of the money paid as a tax by 67454
any permit holder to cover any shortage in the accounts of such 67455
funds resulting from an insufficient payment as a tax by any other 67456

permit holder. The moneys received by the tax commissioner shall 67457
be deposited weekly and paid by the tax commissioner into the 67458
funds to cover the total aggregate amount due from all permit 67459
holders to the funds, as calculated under this section and 67460
division (A) of section 3769.087 of the Revised Code, as 67461
applicable. If, after the payment into the ~~PASSPORT~~ nursing home 67462
franchise permit fee fund, sufficient funds are not available from 67463
the tax deposited by the tax commissioner to pay the required 67464
amounts into the Ohio fairs fund, Ohio standardbred development 67465
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 67466
the state racing commission operating fund, the tax commissioner 67467
shall prorate on a proportional basis the amount paid to each of 67468
the funds. Any shortage to the funds as a result of a proration 67469
shall be applied against future deposits for the same calendar 67470
year when funds are available. After this application, the tax 67471
commissioner shall pay any remaining money paid as a tax by all 67472
permit holders into the ~~PASSPORT~~ nursing home franchise permit fee 67473
fund. This division does not apply to permit holders conducting 67474
racing at the course of an agricultural exposition or fair as 67475
described in division (K) of this section. 67476

Sec. 3769.20. (A) To encourage the renovation of existing 67477
racing facilities for the benefit of the public, breeders, and 67478
horse owners and to increase the revenue to the state from the 67479
increase in pari-mutuel wagering resulting from such improvement, 67480
the taxes paid by a permit holder to the state, in excess of the 67481
amount paid into the ~~PASSPORT~~ nursing home franchise permit fee 67482
fund, shall be reduced by one per cent of the total amount wagered 67483
for those permit holders who carry out a major capital improvement 67484
project. The percentage of the reduction that may be taken each 67485
racing day shall equal seventy-five per cent of the amount of the 67486
taxes levied under divisions (B) and (C) of section 3769.08, 67487
section 3769.087, and division (F)(2) of section 3769.26 of the 67488

Revised Code, as applicable, divided by the calculated amount each 67489
fund should receive under divisions (B) and (C) of section 67490
3769.08, section 3769.087, and division (F)(2) of section 3769.26 67491
of the Revised Code and the reduction provided for in this 67492
section. If the resulting percentage is less than one, that 67493
percentage shall be multiplied by the amount of the reduction 67494
provided for in this section. Otherwise, the permit holder shall 67495
receive the full reduction provided for in this section. The 67496
amount of the allowable reduction not received shall be carried 67497
forward and added to any other reduction balance and applied 67498
against future tax liability. After any reductions expire, any 67499
reduction carried forward shall be treated as a reduction as 67500
provided for in this section. If the amount of allowable reduction 67501
exceeds the amount of taxes derived from a permit holder, the 67502
amount of the allowable reduction not used may be carried forward 67503
and applied against future tax liability. 67504

If more than one permit holder is authorized to conduct 67505
racing at the facility that is being improved, the cost of the 67506
major capital improvement project shall be allocated between or 67507
among all the permit holders in the ratio that each permit 67508
holder's number of racing days bears to the total number of racing 67509
days conducted at the facility. 67510

A reduction for a major capital improvement project shall 67511
start from the day racing is first conducted following the date on 67512
which the major capital improvement project is completed and the 67513
construction cost has been approved by the state racing 67514
commission, except as otherwise provided in division (E) of this 67515
section, and shall continue until the total tax reduction equals 67516
the cost of the major capital improvement project plus debt 67517
service applicable to the project. In no event, however, shall any 67518
tax reduction, excluding any reduction balances, be permitted 67519
under this section after December 31, ~~2014~~ 2017. The total tax 67520

reduction because of the major capital improvement project shall 67521
not during any one year exceed for all permit holders using any 67522
one track one per cent of the total amount wagered. The racing 67523
commission shall notify the tax commissioner when the reduction of 67524
tax begins and when it ends. 67525

(B) Each fiscal year, the racing commission shall submit a 67526
report to the tax commissioner, the office of budget and 67527
management, and the legislative service commission. The report 67528
shall identify each capital improvement project undertaken under 67529
this section and in progress at each race track, indicate the 67530
total cost of each project, state the tax reduction that resulted 67531
from each project during the immediately preceding fiscal year, 67532
estimate the tax reduction that will result from each project 67533
during the current fiscal year, state the total tax reduction that 67534
resulted from all such projects at all race tracks during the 67535
immediately preceding fiscal year, and estimate the total tax 67536
reduction that will result from all such projects at all race 67537
tracks during the current fiscal year. 67538

(C) The tax reduction granted pursuant to this section shall 67539
be in addition to any tax reductions for capital improvements and 67540
new race tracks provided for in section 3769.08 of the Revised 67541
Code and approved by the racing commission. 67542

(D) In order to qualify for the reduction in tax, a permit 67543
holder shall apply to the racing commission in such form as the 67544
commission may require and shall provide full details of the major 67545
capital improvement project, including plans and specifications, a 67546
schedule for the project's construction and completion, and a 67547
breakdown of proposed costs. In addition, the permit holder shall 67548
have commenced construction of the major capital improvement 67549
project or shall have had the application for the project approved 67550
by the racing commission prior to March 29, 1988. The racing 67551
commission shall not approve an application unless the permit 67552

holder shows that a contract for the major capital improvement 67553
project has been let under an unrestricted competitive bidding 67554
procedure, unless the contract is exempted by the controlling 67555
board because of its unusual nature. In determining whether to 67556
approve an application, the racing commission shall consider 67557
whether the major capital improvement project will promote the 67558
safety, convenience, and comfort of the racing public and horse 67559
owners and generally tend toward the improvement of racing in this 67560
state. 67561

(E) If the major capital improvement project is approved by 67562
the racing commission and construction has started, the tax 67563
reduction may be authorized by the commission upon presentation of 67564
copies of paid bills in excess of five hundred thousand dollars. 67565
After the initial authorization, the permit holder shall present 67566
copies of paid bills in the amount of not less than five hundred 67567
thousand dollars. If the permit holder is in substantial 67568
compliance with the schedule for construction and completion of 67569
the major capital improvement project, the racing commission may 67570
authorize the continuance of the tax reduction upon the 67571
presentation of the additional paid bills in increments of five 67572
hundred thousand dollars. The racing commission may terminate the 67573
tax reduction if a permit holder fails to complete the major 67574
capital improvement project or fails to comply substantially with 67575
the schedule for construction and completion of the major capital 67576
improvement project. If the time for completion of the major 67577
capital improvement project is delayed by acts of God, strikes, or 67578
the unavailability of labor or materials, the time for completion 67579
as set forth in the schedule shall be extended by the period of 67580
the delay. If a permit holder fails to complete the major capital 67581
improvement project, the racing commission shall order the permit 67582
holder to repay to the state the total amount of tax reduced, 67583
unless the permit holder has spent at least six million dollars on 67584
the project. The normal tax paid by the permit holder under 67585

section 3769.08 of the Revised Code shall be increased by one per 67586
cent of the total amount wagered until the total amount of the 67587
additional tax collected equals the total amount of tax reduced. 67588
Any action taken by the racing commission pursuant to this section 67589
in terminating the tax adjustment or requiring repayment of the 67590
amount of tax reduced shall be subject to Chapter 119. of the 67591
Revised Code. 67592

(F) As used in this section, "major capital improvement 67593
project" means the renovation, reconstruction, or remodeling, 67594
costing at least six million dollars, of a race track facility, 67595
including, but not limited to, the construction of barns used 67596
exclusively for that race track facility, backstretch facilities 67597
for horsemen, paddock facilities, pari-mutuel and totalizator 67598
equipment and appurtenances to that equipment purchased by the 67599
track, new access roads, new parking areas, the complete 67600
reconstruction, reshaping, and leveling of the racing surface and 67601
appurtenances, grandstand enclosure, installation of permanent new 67602
heating or air conditioning, roof replacement, and installations 67603
of a permanent nature forming a part of the track structure. 67604

(G) The cost and expenses to which the tax reduction granted 67605
under this section applies shall be determined by generally 67606
accepted accounting principles and be verified by an audit of the 67607
permit holder's records, upon completion of the major capital 67608
improvement project, either by the racing commission or by an 67609
independent certified public accountant selected by the permit 67610
holder and approved by the commission. 67611

(H) This section and section 3769.201 of the Revised Code 67612
govern any tax reduction granted to a permit holder for the cost 67613
to the permit holder of any cleanup, repair, or improvement 67614
required as a result of damage caused by the 1997 Ohio river flood 67615
to the place, track, or enclosure for which the permit is issued. 67616

Sec. 3769.26. (A)(1) Except as otherwise provided in division 67617
(B) of this section, each track in existence on September 27, 67618
1994, regardless of the number of permit holders authorized to 67619
conduct race meetings at the track, may establish, with the 67620
approval of the state racing commission and the appropriate local 67621
legislative authority, not more than two satellite facilities at 67622
which it may conduct pari-mutuel wagering on horse races conducted 67623
either inside or outside this state and simulcast by a simulcast 67624
host to the satellite facilities. 67625

(2) Prior to a track's establishing satellite facilities 67626
under this section, the permit holders at that track shall agree 67627
among themselves regarding their respective rights and obligations 67628
with respect to those satellite facilities. 67629

(3)(a) Any track that desires to establish a satellite 67630
facility shall provide written notification of its intent to the 67631
state racing commission and to the appropriate local legislative 67632
authority that is required to approve the satellite facility, 67633
together with detailed plans and specifications for the satellite 67634
facility. The commission shall deliver copies of this notification 67635
to all other tracks in this state, and the commission shall, 67636
within forty-five days after receiving the notification, hold a 67637
hearing on the track's intent to establish a satellite facility. 67638
At this hearing the commission shall consider the evidence 67639
presented and determine whether the request for establishment of a 67640
satellite facility shall be approved. 67641

The commission shall not approve a track's request to 67642
establish a satellite facility if the owner of the premises where 67643
the satellite facility is proposed to be located or if the 67644
proposed operator of the satellite facility has been convicted of 67645
or has pleaded guilty to a gambling offense that is a felony or 67646
any other felony under the laws of this state, any other state, or 67647

the United States that the commission determines to be related to fitness to be the owner of such a premises or to be the operator of a satellite facility. As used in division (A)(3)(a) of this section, "gambling offense" has the same meaning as in section 2915.01 of the Revised Code and "operator" means the individual who is responsible for the day-to-day operations of a satellite facility. The commission shall conduct a background investigation on each person who is the owner of a premises where a satellite facility is proposed to be located or who is proposed to be the operator or an employee of a satellite facility. The commission shall adopt rules in accordance with Chapter 119. of the Revised Code that specify the specific information the commission shall collect in conducting such a background investigation.

No track shall knowingly contract with a person as the owner of the premises where a satellite facility is located, or knowingly employ a person as the operator or an employee of a satellite facility, who has been convicted of or pleaded guilty to a gambling offense that is a felony or any other felony under the laws of this state, any other state, or the United States that the commission determines to be related to fitness to be the owner of such a premises or to be the operator or an employee of a satellite facility. The commission may impose a fine in an amount not to exceed ten thousand dollars on any track that violates any of these prohibitions.

(b) Each track that receives the notification described in division (A)(3)(a) of this section shall notify the commission and the track that desires to establish the satellite facility, within thirty days after receiving the notification from the commission, indicating whether or not it desires to participate in the joint ownership of the facility. Ownership shall be distributed equally among the tracks that choose to participate in the joint ownership of the facility unless the participating tracks agree to and

contract otherwise. Tracks that fail to respond to the commission 67680
and the track that desires to establish the satellite facility 67681
within this thirty-day period regarding the ownership of the 67682
particular satellite facility are not eligible to participate in 67683
its ownership. 67684

(B) If, within three years after September 27, 1994, a track 67685
in existence on September 27, 1994, does not establish both of the 67686
satellite facilities it is authorized to establish under division 67687
(A) of this section, another track, with the approval of the 67688
racing commission, may establish in accordance with this section a 67689
number of additional satellite facilities that does not exceed the 67690
number of satellite facilities that the first track did not 67691
establish. However, no more than fourteen satellite facilities may 67692
be established in this state. 67693

(C) Except as otherwise provided in this division, each 67694
permit holder in this state shall allow the races that it 67695
conducts, and the races conducted outside this state that it 67696
receives as a simulcast host, to be simulcast to all satellite 67697
facilities operating in this state and shall take all action 67698
necessary to supply its simulcast and wagering information to 67699
these satellite facilities. A permit holder at a track where the 67700
average daily amount wagered for all race meetings during calendar 67701
year 1990 did not exceed two hundred fifty thousand dollars may 67702
elect not to simulcast its races to the satellite facilities. If a 67703
permit holder at such a track chooses to simulcast its races to 67704
satellite facilities, it shall allow its races to be simulcast to 67705
all satellite facilities operating in this state. Except as 67706
otherwise provided in this division, each satellite facility shall 67707
receive simulcasts of and conduct pari-mutuel wagering on all live 67708
racing programs being conducted at any track in this state and on 67709
all agreed simulcast racing programs, as provided in division (D) 67710
of section 3769.089 of the Revised Code, conducted in other states 67711

that are received by simulcast in this state, without regard to 67712
the breed of horse competing in the race or the time of day of the 67713
race. 67714

No satellite facility may receive simulcasts of horse races 67715
during the same hours that a county fair or independent fair 67716
located within the same county as the satellite facility is 67717
conducting pari-mutuel wagering on horse races at that county or 67718
independent fair. 67719

Except as otherwise provided in this division, the commission 67720
shall not approve the establishment of a satellite facility within 67721
a radius of fifty miles of any track. The commission may approve 67722
the establishment of a satellite facility at a location within a 67723
radius of at least thirty-five but not more than fifty miles from 67724
one or more tracks if all of the holders of permits issued for 67725
those tracks consent in writing to the establishment of the 67726
satellite facility. The commission may approve the establishment 67727
of a satellite facility at a location within a radius of 67728
thirty-five miles of more than one race track if all holders of 67729
permits issued for those tracks consent in writing to the 67730
establishment of the satellite facility and, if the tracks are 67731
located completely within one county and the proposed satellite 67732
facility will be located within that county, if both the 67733
legislative authority of the municipal corporation in that county 67734
with the largest population, and the appropriate legislative 67735
authority that is required to approve the satellite facility under 67736
division (A)(1) of this section, approve the establishment of the 67737
new satellite facility. The commission may approve the 67738
establishment of a satellite facility at a location within a 67739
radius of less than twenty miles from an existing satellite 67740
facility if the owner of the existing satellite facility consents 67741
in writing to the establishment of the new satellite facility. 67742

A satellite facility shall not receive simulcasts of horse 67743

races conducted outside this state on any day when no simulcast
host is operating. 67744
67745

(D) Each simulcast host is responsible for paying all costs 67746
associated with the up-link for simulcasts. Each satellite 67747
facility is responsible for paying all costs associated with the 67748
reception of simulcasts and the operation of the satellite 67749
facility. 67750

(E) All money wagered at the simulcast host, and all money 67751
wagered at all satellite facilities on races simulcast from the 67752
simulcast host, shall be included in a common pari-mutuel pool at 67753
the simulcast host. Except as otherwise provided in division 67754
(F)(6) of this section, the payment shall be the same for all 67755
winning tickets whether a wager is placed at a simulcast host or a 67756
satellite facility. Wagers placed at a satellite facility shall 67757
conform in denomination, character, terms, conditions, and in all 67758
other respects to wagers placed at the simulcast host for the same 67759
race. 67760

(F)(1) As used in division (F) of this section, "effective 67761
rate" means the effective gross tax percentage applicable at the 67762
simulcast host, determined in accordance with sections 3769.08 and 67763
3769.087 of the Revised Code, after combining the money wagered at 67764
the simulcast host with the money wagered at satellite facilities 67765
on races simulcast from the host track. 67766

(2) For the purposes of calculating the amount of taxes to be 67767
paid and the amount of commissions to be retained by permit 67768
holders, fifty per cent of the amount wagered at satellite 67769
facilities on a live racing program simulcast from a simulcast 67770
host shall be allocated to the permit holder's live race wagering 67771
at that simulcast host that conducts the live racing program, and 67772
fifty per cent of the amount wagered at satellite facilities on 67773
simulcast racing programs conducted outside this state shall be 67774
allocated to, and apportioned equally among, the permit holders 67775

acting as simulcast hosts for the out-of-state simulcast racing 67776
programs. The remainder of the amount wagered at a satellite 67777
facility on races simulcast from a simulcast host shall be 67778
allocated to the satellite facility. In computing the tax due on 67779
the amount allocated to the satellite facility, if there is more 67780
than one simulcast host for out-of-state simulcast racing 67781
programs, the effective rate applied by the satellite facility 67782
shall be the tax rate applicable to the simulcast host that pays 67783
the highest effective rate under section 3769.08 of the Revised 67784
Code on such simulcast racing programs. 67785

(3) The portion of the amount wagered that is allocated to a 67786
simulcast host under division (F)(2) of this section shall be 67787
treated, for the purposes of calculating the amount of taxes to be 67788
paid and commissions to be retained, as having been wagered at the 67789
simulcast host on a live racing program or on a simulcast racing 67790
program. The permit holder at the simulcast host shall pay, by 67791
check, draft, or money order to the state tax commissioner, as a 67792
tax, the tax specified in sections 3769.08 and 3769.087 of the 67793
Revised Code, as applicable, except that the tax shall be 67794
calculated using the effective rate, and the permit holder may 67795
retain as a commission the percentage of the amount wagered as 67796
specified in those sections. From the tax collected, the tax 67797
commissioner shall make distributions to the respective funds, and 67798
in the proper amounts, as required by sections 3769.08 and 67799
3769.087 of the Revised Code, as applicable. 67800

(4) From the portion of the amount wagered that is allocated 67801
to a satellite facility under division (F)(2) of this section, the 67802
satellite facility may retain as a commission the amount specified 67803
in section 3769.08 or 3769.087 of the Revised Code, as applicable. 67804
The portion of the amount wagered that is allocated to a satellite 67805
facility shall be subject to tax at the effective rate as follows: 67806

(a) One per cent of such amount allocated to the satellite 67807

facility shall be paid as a tax each racing day to the tax 67808
commissioner for deposit into the PASSPORT nursing home franchise 67809
permit fee fund. 67810

(b) The remaining balance of the taxes calculated at the 67811
effective rate, after payment of the tax specified in division 67812
(F)(4)(a) of this section, shall be retained by the satellite 67813
facility to pay for those costs associated with the reception of 67814
the simulcasts. 67815

(5) From the commission retained by a satellite facility 67816
after the deduction of the tax paid at the effective rate under 67817
division (F)(4) of this section, the satellite facility shall 67818
retain an amount equal to two and three-eighths per cent of the 67819
amount wagered that day on simulcast racing programs and the 67820
balance shall be divided as follows: 67821

(a) One-half shall be paid to the owner of the satellite 67822
facility; 67823

(b) One-half shall be paid to the state racing commission for 67824
deposit into the Ohio combined simulcast horse racing purse fund. 67825

(6) In addition to the commission retained under this 67826
section, a satellite facility shall retain two and one-half per 67827
cent of the amount that would otherwise be paid on each winning 67828
wager unless the retention of this amount would either cause or 67829
add to a minus pool. As used in division (F)(6) of this section, 67830
"minus pool" means a wagering pool in which a winning wager is 67831
paid off at less than one hundred ten per cent of the amount of 67832
the wager. The amount retained shall be paid each racing day to 67833
the tax commissioner for deposit into the PASSPORT nursing home 67834
franchise permit fee fund. 67835

(7) At the close of each day, each satellite facility shall 67836
pay, by check, draft, or money order, or by wire transfer of 67837
funds, out of the money retained on that day to the collection and 67838

settlement agent the required fee to be paid by the simulcast host 67839
to the tracks, racing associations, or state regulatory agencies 67840
located outside this state for simulcasts into this state computed 67841
and based on one-half of the amount wagered at the satellite 67842
facility that day on interstate simulcast racing programs. 67843

(G) No license, fee, or excise tax, other than as specified 67844
in division (F)(6) of this section, shall be assessed upon or 67845
collected from a satellite facility, the owners of a satellite 67846
facility, or the holders of permits issued for a track that has 67847
established a satellite facility by any county, township, 67848
municipal corporation, district, or other body having the 67849
authority to assess or collect a tax or fee. 67850

(H) In no case shall that portion of the commissions 67851
designated for purses from satellite facilities be less than that 67852
portion of those commissions designated for purses at the 67853
simulcast host. 67854

(I) It is the intention of the general assembly in enacting 67855
this section not to adversely affect the amounts paid into the 67856
Ohio thoroughbred race fund created under section 3769.083 of the 67857
Revised Code. Therefore, each track that acts as a simulcast host 67858
under this section shall calculate, on a semi-annual basis during 67859
calendar years 1994, 1995, and 1996, its average daily 67860
contribution to the Ohio thoroughbred race fund created under 67861
section 3769.083 of the Revised Code on those days on which the 67862
track conducted live horse racing. If this average daily 67863
contribution to the fund is less than the average daily 67864
contribution from the same track to the fund during the same 67865
six-month period of calendar year 1992, there shall be contributed 67866
to the fund an amount equal to the average daily shortfall 67867
multiplied by the number of days of live racing conducted during 67868
the six-month period in calendar year 1994, 1995, or 1996, as 67869
applicable. The amount of such contribution shall be allocated 67870

among the simulcast host, the purse program at the simulcast host, 67871
and the satellite facilities for which the track served as the 67872
simulcast host, on a pro rata basis in proportion to the amounts 67873
contributed by them to the fund during such six-month period in 67874
calendar year 1994, 1995, or 1996, as applicable. 67875

Sec. 3770.03. (A) The state lottery commission shall 67876
promulgate rules under which a statewide lottery may be conducted, 67877
which includes, and since the original enactment of this section 67878
has included, the authority for the commission to operate video 67879
lottery terminal games. Any reference in this chapter to tickets 67880
shall not be construed to in any way limit the authority of the 67881
commission to operate video lottery terminal games. Nothing in 67882
this chapter shall restrict the authority of the commission to 67883
promulgate rules related to the operation of games utilizing video 67884
lottery terminals as described in section 3770.21 of the Revised 67885
Code. The rules shall be promulgated pursuant to Chapter 119. of 67886
the Revised Code, except that instant game rules shall be 67887
promulgated pursuant to section 111.15 of the Revised Code but are 67888
not subject to division (D) of that section. Subjects covered in 67889
these rules shall include, but need not be limited to, the 67890
following: 67891

(1) The type of lottery to be conducted; 67892

(2) The prices of tickets in the lottery; 67893

(3) The type of notices that shall appear on lottery tickets, 67894
including one that shall appear if the word "education" is used in 67895
any advertising for a statewide lottery, which must include 67896
information as to the percentage that lottery profits contribute 67897
to all education funding in the state; 67898

(4) The number, nature, and value of prize awards, the manner 67899
and frequency of prize drawings, and the manner in which prizes 67900
shall be awarded to holders of winning tickets. 67901

(B) The commission shall promulgate rules, in addition to those described in division (A) of this section, pursuant to Chapter 119. of the Revised Code under which a statewide lottery and statewide joint lottery games may be conducted. Subjects covered in these rules shall include, but not be limited to, the following:

(1) The locations at which lottery tickets may be sold and the manner in which they are to be sold. These rules may authorize the sale of lottery tickets by commission personnel or other licensed individuals from traveling show wagons at the state fair, and at any other expositions the director of the commission considers acceptable. These rules shall prohibit commission personnel or other licensed individuals from soliciting from an exposition the right to sell lottery tickets at that exposition, but shall allow commission personnel or other licensed individuals to sell lottery tickets at an exposition if the exposition requests commission personnel or licensed individuals to do so. These rules may also address the accessibility of sales agent locations to commission products in accordance with the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C.A. 12101 et seq.

(2) The manner in which lottery sales revenues are to be collected, including authorization for the director to impose penalties for failure by lottery sales agents to transfer revenues to the commission in a timely manner;

(3) The amount of compensation to be paid licensed lottery sales agents;

(4) The substantive criteria for the licensing of lottery sales agents consistent with section 3770.05 of the Revised Code, and procedures for revoking or suspending their licenses consistent with Chapter 119. of the Revised Code. If circumstances, such as the nonpayment of funds owed by a lottery

sales agent, or other circumstances related to the public safety, 67934
convenience, or trust, require immediate action, the director may 67935
suspend a license without affording an opportunity for a prior 67936
hearing under section 119.07 of the Revised Code. 67937

(5) Special game rules to implement any agreements signed by 67938
the governor that the director enters into with other lottery 67939
jurisdictions under division (J) of section 3770.02 of the Revised 67940
Code to conduct statewide joint lottery games. The rules shall 67941
require that the entire net proceeds of those games that remain, 67942
after associated operating expenses, prize disbursements, lottery 67943
sales agent bonuses, commissions, and reimbursements, and any 67944
other expenses necessary to comply with the agreements or the 67945
rules are deducted from the gross proceeds of those games, be 67946
transferred to the lottery profits education fund under division 67947
(B) of section 3770.06 of the Revised Code. 67948

(6) Any other subjects the commission determines are 67949
necessary for the operation of video lottery terminal games, 67950
including the establishment of any fees, fines, or payment 67951
schedules. 67952

(C) Chapter 2915. of the Revised Code does not apply to, 67953
affect, or prohibit lotteries conducted pursuant to this chapter. 67954

(D) The commission may promulgate rules, in addition to those 67955
described in divisions (A) and (B) of this section, that establish 67956
standards governing the display of advertising and celebrity 67957
images on lottery tickets and on other items that are used in the 67958
conduct of, or to promote, the statewide lottery and statewide 67959
joint lottery games. Any revenue derived from the sale of 67960
advertising displayed on lottery tickets and on those other items 67961
shall be considered, for purposes of section 3770.06 of the 67962
Revised Code, to be related proceeds in connection with the 67963
statewide lottery or gross proceeds from statewide joint lottery 67964
games, as applicable. 67965

(E)(1) The commission shall meet with the director at least 67966
once each month and shall convene other meetings at the request of 67967
the chairperson or any five of the members. No action taken by the 67968
commission shall be binding unless at least five of the members 67969
present vote in favor of the action. A written record shall be 67970
made of the proceedings of each meeting and shall be transmitted 67971
forthwith to the governor, the president of the senate, the senate 67972
minority leader, the speaker of the house of representatives, and 67973
the house minority leader. 67974

(2) The director shall present to the commission a report 67975
each month, showing the total revenues, prize disbursements, and 67976
operating expenses of the state lottery for the preceding month. 67977
As soon as practicable after the end of each fiscal year, the 67978
commission shall prepare and transmit to the governor and the 67979
general assembly a report of lottery revenues, prize 67980
disbursements, and operating expenses for the preceding fiscal 67981
year and any recommendations for legislation considered necessary 67982
by the commission. 67983

Sec. 3770.031. The notice that the state lottery commission 67984
determines shall appear on lottery tickets under division (A)(3) 67985
of section 3770.03 of the Revised Code to provide information as 67986
to what percentage that lottery profits contribute to all 67987
education funding in the state also shall appear on any television 67988
advertising for the Ohio lottery and on the first page of the web 67989
site for the Ohio lottery. 67990

Sec. 3770.05. (A) As used in this section, "person" means any 67991
person, association, corporation, partnership, club, trust, 67992
estate, society, receiver, trustee, person acting in a fiduciary 67993
or representative capacity, instrumentality of the state or any of 67994
its political subdivisions, or any other combination of 67995
individuals meeting the requirements set forth in this section or 67996

established by rule or order of the state lottery commission. 67997

(B) The director of the state lottery commission may license 67998
any person as a lottery sales agent. No license shall be issued to 67999
any person or group of persons to engage in the sale of lottery 68000
tickets as the person's or group's sole occupation or business. 68001

Before issuing any license to a lottery sales agent, the 68002
director shall consider all of the following: 68003

(1) The financial responsibility and security of the 68004
applicant and the applicant's business or activity; 68005

(2) The accessibility of the applicant's place of business or 68006
activity to the public; 68007

(3) The sufficiency of existing licensed agents to serve the 68008
public interest; 68009

(4) The volume of expected sales by the applicant; 68010

(5) Any other factors pertaining to the public interest, 68011
convenience, or trust. 68012

(C) Except as otherwise provided in division (F) of this 68013
section, the director of the state lottery commission shall refuse 68014
to grant, or shall suspend or revoke, a license if the applicant 68015
or licensee: 68016

(3) The superintendent of insurance makes the following 69028

disorders. 69040

Any determination made by the superintendent under this 69041

The court's finding that a violation has occurred shall have the same consequences as a like determination by the director. The court may order the director to take such action as will prevent further violation and afford to injured persons the remedies specified under sections 4115.03 to 4115.16 of the Revised Code. Upon receipt of any order of the court pursuant to this section, the director shall undertake enforcement action without further investigation or hearings.~~

~~(C) The director shall make available to the parties to any appeal or action pursuant to under this section all files, documents, affidavits, or other information in the director's possession that pertain to the matter. The rules generally~~

court shall award attorney fees and court costs to the prevailing 70036
party. In the event the court finds that no violation has 70037
occurred, the court may award court costs and attorney fees to the 70038
prevailing party, other than to the director or the public 70039

board of township trustees of a township, that all or part of the 71039
area fails to meet the standards described in this section for 71040
designation of an area as a community entertainment district. If 71041

shall maintain statutory authority for the enterprise acquisition 71363
project and the revenues of the enterprise acquisition project and 71364
not otherwise materially impair any obligations supported by a 71365
pledge of revenues of the enterprise acquisition project. The 71366
transfer agreement may provide or authorize the manner for 71367
determining material impairment of the security for any such 71368
outstanding obligations, including by assessing and evaluating the 71369
revenues of the enterprise acquisition project. 71370

(2) The governor, director of development, director of 71371
commerce, and director of budget and management may, without need 71372
for any other approval take any action and execute any documents, 71373

tax rate of the taxing district in which the home has its situs, 71513
and deducting from the product thus obtained any reduction 71514

authorized under section 4503.065 of the Revised Code. The tax 71515
levied under this formula shall not be less than thirty-six 71516
dollars, unless the home qualifies for a reduction in assessable 71517
value under section 4503.065 of the Revised Code, in which case 71518
there shall be no minimum tax and the tax shall be the amount 71519
calculated under this division. 71520

The first calendar year means any period between the first 71540
day of January and the thirty-first day of December of the first 71541
year. 71542

(ii) If the cost to the owner, or market value at the time of 71543
purchase, whichever is greater, of the home does not include the 71544
furnishings and equipment, such cost or market value shall be 71545

The first calendar year means any period between the first 71560
day of January and the thirty-first day of December of the first 71561
year. 71562

(2) On a home in which ownership was transferred or that 71563
first acquired situs in this state on or after January 1, 2000: 71564

(a) By multiplying the assessable value of the home by the 71565
effective tax rate, as defined in section 323.08 of the Revised 71566
Code, for residential real property of the taxing district in 71567
which the home has its situs, and deducting from the product thus 71568
obtained the reductions required or authorized under section 71569
319.302, division (B) of section 323.152, or section 4503.065 of 71570
the Revised Code. 71571

(b) The assessable value of the home shall be thirty-five per 71572
cent of its true value as determined under division (L) of this 71573
section. 71574

(3) On or before the fifteenth day of January each year, the 71575
county auditor shall record the assessable value and the amount of 71576
tax on the manufactured or mobile home on the tax list and deliver 71577
a duplicate of the list to the county treasurer. In the case of an 71578

emergency as defined in section 323.17 of the Revised Code, the tax commissioner, by journal entry, may extend the times for delivery of the duplicate for an additional fifteen days upon receiving a written application from the county auditor regarding an extension for the delivery of the duplicate, or from the county treasurer regarding an extension of the time for the billing and collection of taxes. The application shall contain a statement describing the emergency that will cause the unavoidable delay and must be received by the tax commissioner on or before the last day of the month preceding the day delivery of the duplicate is otherwise required. When an extension is granted for delivery of the duplicate, the time period for payment of taxes shall be extended for a like period of time. When a delay in the closing of a tax collection period becomes unavoidable, the tax commissioner, upon application by the county auditor and county treasurer, may order the time for payment of taxes to be extended if the tax commissioner determines that penalties have accrued or would otherwise accrue for reasons beyond the control of the taxpayers of the county. The order shall prescribe the final extended date for payment of taxes for that collection period.

(4) After January 1, 1999, the owner of a manufactured or mobile home taxed pursuant to division (D)(1) of this section may elect to have the home taxed pursuant to division (D)(2) of this section by filing a written request with the county auditor of the taxing district in which the home is located on or before the first day of December of any year. Upon the filing of the request, the county auditor shall determine whether all taxes levied under division (D)(1) of this section have been paid, and if those taxes have been paid, the county auditor shall tax the manufactured or mobile home pursuant to division (D)(2) of this section commencing in the next tax year.

(5) A manufactured or mobile home that acquired situs in this

state prior to January 1, 2000, shall be taxed pursuant to 71611
division (D)(2) of this section if no manufactured home tax had 71612
been paid for the home and the home was not exempted from taxation 71613
pursuant to division (E) of this section for the year for which 71614
the taxes were not paid. 71615

(6)(a) Immediately upon receipt of any manufactured home tax 71616
duplicate from the county auditor, but not less than twenty days 71617
prior to the last date on which the first one-half taxes may be 71618
paid without penalty as prescribed in division (F) of this 71619
section, the county treasurer shall cause to be prepared and 71620
mailed or delivered to each person charged on that duplicate with 71621
taxes, or to an agent designated by such person, the tax bill 71622
prescribed by the tax commissioner under division (D)(7) of this 71623
section. When taxes are paid by installments, the county treasurer 71624
shall mail or deliver to each person charged on such duplicate or 71625
the agent designated by that person a second tax bill showing the 71626
amount due at the time of the second tax collection. The second 71627
half tax bill shall be mailed or delivered at least twenty days 71628
prior to the close of the second half tax collection period. A 71629
change in the mailing address of any tax bill shall be made in 71630
writing to the county treasurer. Failure to receive a bill 71631
required by this section does not excuse failure or delay to pay 71632
any taxes shown on the bill or, except as provided in division 71633
(B)(1) of section 5715.39 of the Revised Code, avoid any penalty, 71634
interest, or charge for such delay. 71635

(b) After delivery of the copy of the delinquent manufactured 71636
home tax list under division (H) of this section, the county 71637
treasurer may prepare and mail to each person in whose name a home 71638
is listed an additional tax bill showing the total amount of 71639
delinquent taxes charged against the home as shown on the list. 71640
The tax bill shall include a notice that the interest charge 71641
prescribed by division (G) of this section has begun to accrue. 71642

(7) Each tax bill prepared and mailed or delivered under 71643
division (D)(6) of this section shall be in the form and contain 71644
the information required by the tax commissioner. The commissioner 71645
may prescribe different forms for each county and may authorize 71646
the county auditor to make up tax bills and tax receipts to be 71647
used by the county treasurer. The tax bill shall not contain or be 71648
mailed or delivered with any information or material that is not 71649
required by this section or that is not authorized by section 71650
321.45 of the Revised Code or by the tax commissioner. In addition 71651
to the information required by the commissioner, each tax bill 71652
shall contain the following information: 71653

(a) The taxes levied and the taxes charged and payable 71654
against the manufactured or mobile home; 71655

(b) The following notice: "Notice: If the taxes are not paid 71656
within sixty days after the county auditor delivers the delinquent 71657
manufactured home tax list to the county treasurer, you and your 71658
home may be subject to collection proceedings for tax 71659
delinquency." Failure to provide such notice has no effect upon 71660
the validity of any tax judgment to which a home may be subjected. 71661

(c) In the case of manufactured or mobile homes taxed under 71662
division (D)(2) of this section, the following additional 71663
information: 71664

(i) The effective tax rate. The words "effective tax rate" 71665
shall appear in boldface type. 71666

(ii) The following notice: "Notice: If the taxes charged 71667
against this home have been reduced by the 2-1/2 per cent tax 71668
reduction for residences occupied by the owner but the home is not 71669
a residence occupied by the owner, the owner must notify the 71670
county auditor's office not later than March 31 of the year for 71671
which the taxes are due. Failure to do so may result in the owner 71672
being convicted of a fourth degree misdemeanor, which is 71673

punishable by imprisonment up to 30 days, a fine up to \$250, or 71674
both, and in the owner having to repay the amount by which the 71675
taxes were erroneously or illegally reduced, plus any interest 71676
that may apply. 71677

If the taxes charged against this home have not been reduced 71678
by the 2-1/2 per cent tax reduction and the home is a residence 71679
occupied by the owner, the home may qualify for the tax reduction. 71680
To obtain an application for the tax reduction or further 71681
information, the owner may contact the county auditor's office at 71682
..... (insert the address and telephone number of the county 71683
auditor's office)." 71684

section when any of the following applies: 71686

(a) It is taxable as personal property pursuant to section 71687
5709.01 of the Revised Code. Any manufactured or mobile home that 71688

not be taxable as personal property pursuant to section 5709.01 of 71690
the Revised Code. 71691

(b) It bears a license plate issued by any state other than 71692
this state unless the home is in this state in excess of an 71693
accumulative period of thirty days in any calendar year. 71694

(c) The annual tax has been paid on the home in this state 71695
for the current year. 71696

(d) The tax commissioner has determined, pursuant to section 71697
5715.27 of the Revised Code, that the property is exempt from 71698
taxation, or would be exempt from taxation under Chapter 5709. of 71699

owner's normal place of residence or at a recognized storage 71704

facility. 71705

(3) A travel trailer or park trailer, as these terms are 71706
defined in section 4501.01 of the Revised Code, is subject to this 71707
section and shall be taxed as a manufactured or mobile home if it 71708
has a situs longer than thirty days in one location and is 71709
connected to existing utilities, unless either of the following 71710
applies: 71711

(a) The situs is in a state facility or a camping or park 71712
area as defined in division (C), (Q), (S), or (V) of section 71713
3729.01 of the Revised Code. 71714

(b) The situs is in a camping or park area that is a tract of 71715
land that has been limited to recreational use by deed or zoning 71716

self-contained recreational vehicles as defined in division (T) of 71719
section 3729.01 of the Revised Code or by dependent recreational 71720
vehicles as defined in division (D) of section 3729.01 of the 71721
Revised Code. 71722

(F) Except as provided in division (D)(3) of this section, 71723
the manufactured home tax is due and payable as follows: 71724

(1) When a manufactured or mobile home has a situs in this 71725
state, as provided in this section, on the first day of January, 71726
one-half of the amount of the tax is due and payable on or before 71727
the first day of March and the balance is due and payable on or 71728
before the thirty-first day of July. At the option of the owner of 71729
the home, the tax for the entire year may be paid in full on the 71730
first day of March. 71731

payable for that year. 71734

(G)(1)(a) Except as otherwise provided in division (G)(1)(b) 71735

of this section, if one-half of the current taxes charged under 71736
this section against a manufactured or mobile home, together with 71737
the full amount of any delinquent taxes, are not paid on or before 71738
the first day of March in that year, or on or before the last day 71739
for such payment as extended pursuant to section 4503.063 of the 71740
Revised Code, a penalty of ten per cent shall be charged against 71741
the unpaid balance of such half of the current taxes. If the total 71742
amount of all such taxes is not paid on or before the thirty-first 71743
day of July, next thereafter, or on or before the last day for 71744
payment as extended pursuant to section 4503.063 of the Revised 71745
Code, a like penalty shall be charged on the balance of the total 71746
amount of the unpaid current taxes. 71747

(b) After a valid delinquent tax contract that includes 71748
unpaid current taxes from a first-half collection period described 71749
in division (F) of this section has been entered into under 71750
section 323.31 of the Revised Code, no ten per cent penalty shall 71751
be charged against such taxes after the second-half collection 71752
period while the delinquent tax contract remains in effect. On the 71753
day a delinquent tax contract becomes void, the ten per cent 71754
penalty shall be charged against such taxes and shall equal the 71755
amount of penalty that would have been charged against unpaid 71756
current taxes outstanding on the date on which the second-half 71757
penalty would have been charged thereon under division (G)(1)(a) 71758
of this section if the contract had not been in effect. 71759

(2)(a) On the first day of the month following the last day 71760
the second installment of taxes may be paid without penalty 71761
beginning in 2000, interest shall be charged against and computed 71762
on all delinquent taxes other than the current taxes that became 71763
delinquent taxes at the close of the last day such second 71764
installment could be paid without penalty. The charge shall be for 71765
interest that accrued during the period that began on the 71766
preceding first day of December and ended on the last day of the 71767

month that included the last date such second installment could be 71768
paid without penalty. The interest shall be computed at the rate 71769
per annum prescribed by section 5703.47 of the Revised Code and 71770
shall be entered as a separate item on the delinquent manufactured 71771
home tax list compiled under division (H) of this section. 71772

(b) On the first day of December beginning in 2000, the 71773
interest shall be charged against and computed on all delinquent 71774
taxes. The charge shall be for interest that accrued during the 71775
period that began on the first day of the month following the last 71776
date prescribed for the payment of the second installment of taxes 71777
in the current year and ended on the immediately preceding last 71778
day of November. The interest shall be computed at the rate per 71779
annum prescribed by section 5703.47 of the Revised Code and shall 71780
be entered as a separate item on the delinquent manufactured home 71781
tax list. 71782

(c) After a valid undertaking has been entered into for the 71783
payment of any delinquent taxes, no interest shall be charged 71784
against such delinquent taxes while the undertaking remains in 71785
effect in compliance with section 323.31 of the Revised Code. If a 71786
valid undertaking becomes void, interest shall be charged against 71787
the delinquent taxes for the periods that interest was not 71788
permitted to be charged while the undertaking was in effect. The 71789
interest shall be charged on the day the undertaking becomes void 71790
and shall equal the amount of interest that would have been 71791
charged against the unpaid delinquent taxes outstanding on the 71792
dates on which interest would have been charged thereon under 71793
divisions (G)(1) and (2) of this section had the undertaking not 71794
been in effect. 71795

(3) If the full amount of the taxes due at either of the 71796
times prescribed by division (F) of this section is paid within 71797
ten days after such time, the county treasurer shall waive the 71798
collection of and the county auditor shall remit one-half of the 71799

penalty provided for in this division for failure to make that 71800
payment by the prescribed time. 71801

(4) The treasurer shall compile and deliver to the county 71802
auditor a list of all tax payments the treasurer has received as 71803
provided in division (G)(3) of this section. The list shall 71804
include any information required by the auditor for the remission 71805
of the penalties waived by the treasurer. The taxes so collected 71806
shall be included in the settlement next succeeding the settlement 71807
then in process. 71808

(H)(1) ~~Beginning in 2000, the~~ The county auditor shall 71809
compile annually a "delinquent manufactured home tax list" 71810
consisting of homes the county treasurer's records indicate have 71811
taxes that were not paid within the time prescribed by divisions 71812
(D)(3) and (F) of this section, have taxes that remain unpaid from 71813
prior years, or have unpaid tax penalties or interest that have 71814
been assessed. 71815

(2) Within thirty days after the settlement under division 71816
(H)(2) of section 321.24 of the Revised Code ~~beginning in 2000,~~ 71817
the county auditor shall deliver a copy of the delinquent 71818
manufactured home tax list to the county treasurer. The auditor 71819
shall update and publish the delinquent manufactured home tax list 71820
annually in the same manner as delinquent real property tax lists 71821
are published. The county auditor ~~shall~~ may apportion the cost of 71822
publishing the list among taxing districts in proportion to the 71823
amount of delinquent manufactured home taxes so published that 71824
each taxing district is entitled to receive upon collection of 71825
those taxes, or the county auditor may charge the owner of a home 71826
on the list a flat fee established under section 319.54 of the 71827
Revised Code for the cost of publishing the list and, if the fee 71828
is not paid, may place the fee upon the delinquent manufactured 71829
home tax list as a lien on the listed home, to be collected as 71830
other manufactured home taxes. 71831

(3) When taxes, penalties, or interest are charged against a person on the delinquent manufactured home tax list and are not paid within sixty days after the list is delivered to the county treasurer, the county treasurer shall, in addition to any other remedy provided by law for the collection of taxes, penalties, and interest, enforce collection of such taxes, penalties, and interest by civil action in the name of the treasurer against the owner for the recovery of the unpaid taxes following the procedures for the recovery of delinquent real property taxes in sections 323.25 to 323.28 of the Revised Code. The action may be brought in municipal or county court, provided the amount charged does not exceed the monetary limitations for original jurisdiction for civil actions in those courts.

It is sufficient, having made proper parties to the suit, for the county treasurer to allege in the treasurer's bill of particulars or petition that the taxes stand chargeable on the books of the county treasurer against such person, that they are due and unpaid, and that such person is indebted in the amount of taxes appearing to be due the county. The treasurer need not set forth any other matter relating thereto. If it is found on the trial of the action that the person is indebted to the state, judgment shall be rendered in favor of the county treasurer prosecuting the action. The judgment debtor is not entitled to the benefit of any law for stay of execution or exemption of property from levy or sale on execution in the enforcement of the judgment.

Upon the filing of an entry of confirmation of sale or an order of forfeiture in a proceeding brought under this division, title to the manufactured or mobile home shall be in the purchaser. The clerk of courts shall issue a certificate of title to the purchaser upon presentation of proof of filing of the entry of confirmation or order and, in the case of a forfeiture, presentation of the county auditor's certificate of sale.

(I) The total amount of taxes collected shall be distributed 71864
in the following manner: four per cent shall be allowed as 71865
compensation to the county auditor for the county auditor's 71866
service in assessing the taxes; two per cent shall be allowed as 71867
compensation to the county treasurer for the services the county 71868
treasurer renders as a result of the tax levied by this section. 71869
Such amounts shall be paid into the county treasury, to the credit 71870
of the county general revenue fund, on the warrant of the county 71871
auditor. Fees to be paid to the credit of the real estate 71872
assessment fund shall be collected pursuant to division (C) of 71873
section 319.54 of the Revised Code and paid into the county 71874
treasury, on the warrant of the county auditor. The balance of the 71875
taxes collected shall be distributed among the taxing subdivisions 71876
of the county in which the taxes are collected and paid in the 71877
same ratio as those taxes were collected for the benefit of the 71878
taxing subdivision. The taxes levied and revenues collected under 71879
this section shall be in lieu of any general property tax and any 71880
tax levied with respect to the privilege of using or occupying a 71881
manufactured or mobile home in this state except as provided in 71882
sections 4503.04 and 5741.02 of the Revised Code. 71883

(J) An agreement to purchase or a bill of sale for a 71884
manufactured home shall show whether or not the furnishings and 71885
equipment are included in the purchase price. 71886

(K) If the county treasurer and the county prosecuting 71887
attorney agree that an item charged on the delinquent manufactured 71888
home tax list is uncollectible, they shall certify that 71889
determination and the reasons to the county board of revision. If 71890
the board determines the amount is uncollectible, it shall certify 71891
its determination to the county auditor, who shall strike the item 71892
from the list. 71893

(L)(1) The county auditor shall appraise at its true value 71894
any manufactured or mobile home in which ownership is transferred 71895

or which first acquires situs in this state on or after January 1, 71896
2000, and any manufactured or mobile home the owner of which has 71897
elected, under division (D)(4) of this section, to have the home 71898
taxed under division (D)(2) of this section. The true value shall 71899
include the value of the home, any additions, and any fixtures, 71900
but not any furnishings in the home. In determining the true value 71901
of a manufactured or mobile home, the auditor shall consider all 71902
facts and circumstances relating to the value of the home, 71903
including its age, its capacity to function as a residence, any 71904
obsolete characteristics, and other factors that may tend to prove 71905
its true value. 71906

(2)(a) If a manufactured or mobile home has been the subject 71907
of an arm's length sale between a willing seller and a willing 71908
buyer within a reasonable length of time prior to the 71909
determination of true value, the county auditor shall consider the 71910
sale price of the home to be the true value for taxation purposes. 71911

(b) The sale price in an arm's length transaction between a 71912
willing seller and a willing buyer shall not be considered the 71913
true value of the home if either of the following occurred after 71914
the sale: 71915

(i) The home has lost value due to a casualty. 71916

(ii) An addition or fixture has been added to the home. 71917

(3) The county auditor shall have each home viewed and 71918
appraised at least once in each six-year period in the same year 71919
in which real property in the county is appraised pursuant to 71920
Chapter 5713. of the Revised Code, and shall update the appraised 71921
values in the third calendar year following the appraisal. The 71922
person viewing or appraising a home may enter the home to 71923
determine by actual view any additions or fixtures that have been 71924
added since the last appraisal. In conducting the appraisals and 71925
establishing the true value, the auditor shall follow the 71926

procedures set forth for appraising real property in sections 71927
5713.01 and 5713.03 of the Revised Code. 71928

(4) The county auditor shall place the true value of each 71929
home on the manufactured home tax list upon completion of an 71930
appraisal. 71931

(5)(a) If the county auditor changes the true value of a 71932
home, the auditor shall notify the owner of the home in writing, 71933
delivered by mail or in person. The notice shall be given at least 71934
thirty days prior to the issuance of any tax bill that reflects 71935
the change. Failure to receive the notice does not invalidate any 71936
proceeding under this section. 71937

(b) Any owner of a home or any other person or party listed 71938
in division (A)(1) of section 5715.19 of the Revised Code may file 71939
a complaint against the true value of the home as appraised under 71940
this section. The complaint shall be filed with the county auditor 71941
on or before the thirty-first day of March of the current tax year 71942
or the date of closing of the collection for the first half of 71943
manufactured home taxes for the current tax year, whichever is 71944
later. The auditor shall present to the county board of revision 71945
all complaints filed with the auditor under this section. The 71946
board shall hear and investigate the complaint and may take action 71947
on it as provided under sections 5715.11 to 5715.19 of the Revised 71948
Code. 71949

(c) If the county board of revision determines, pursuant to a 71950
complaint against the valuation of a manufactured or mobile home 71951
filed under this section, that the amount of taxes, assessments, 71952
or other charges paid was in excess of the amount due based on the 71953
valuation as finally determined, then the overpayment shall be 71954
refunded in the manner prescribed in section 5715.22 of the 71955
Revised Code. 71956

(d) Payment of all or part of a tax under this section for 71957

any year for which a complaint is pending before the county board 71958
of revision does not abate the complaint or in any way affect the 71959
hearing and determination thereof. 71960

(M) If the county auditor determines that any tax or other 71961
charge or any part thereof has been erroneously charged as a 71962
result of a clerical error as defined in section 319.35 of the 71963
Revised Code, the county auditor shall call the attention of the 71964
county board of revision to the erroneous charges. If the board 71965
finds that the taxes or other charges have been erroneously 71966
charged or collected, it shall certify the finding to the auditor. 71967
Upon receipt of the certification, the auditor shall remove the 71968
erroneous charges on the manufactured home tax list or delinquent 71969
manufactured home tax list in the same manner as is prescribed in 71970
section 319.35 of the Revised Code for erroneous charges against 71971
real property, and refund any erroneous charges that have been 71972
collected, with interest, in the same manner as is prescribed in 71973
section 319.36 of the Revised Code for erroneous charges against 71974
real property. 71975

(N) As used in this section and section 4503.061 of the 71976
Revised Code: 71977

(1) "Manufactured home taxes" includes taxes, penalties, and 71978
interest charged under division (C) or (G) of this section and any 71979
penalties charged under division (G) or (H)(5) of section 4503.061 71980
of the Revised Code. 71981

(2) "Current taxes" means all manufactured home taxes charged 71982
against a manufactured or mobile home that have not appeared on 71983
the manufactured home tax list for any prior year. Current taxes 71984
become delinquent taxes if they remain unpaid after the last day 71985
prescribed for payment of the second installment of current taxes 71986
without penalty, whether or not they have been certified 71987
delinquent. 71988

(3) "Delinquent taxes" means:	71989
(a) Any manufactured home taxes that were charged against a manufactured or mobile home for a prior year, including any penalties or interest charged for a prior year <u>and the costs of publication under division (H)(2) of this section</u> , and that remain unpaid;	71990 71991 71992 71993 71994
(b) Any current manufactured home taxes charged against a manufactured or mobile home that remain unpaid after the last day prescribed for payment of the second installment of current taxes without penalty, whether or not they have been certified delinquent, including any penalties or interest <u>and the costs of publication under division (H)(2) of this section</u> .	71995 71996 71997 71998 71999 72000
Sec. 4503.061. (A) All manufactured and mobile homes shall be listed on either the real property tax list or the manufactured home tax list of the county in which the home has situs. Each owner shall follow the procedures in this section to identify the home to the county auditor of the county containing the taxing district in which the home has situs so that the auditor may place the home on the appropriate tax list.	72001 72002 72003 72004 72005 72006 72007
(B) When a manufactured or mobile home first acquires situs in this state and is subject to real property taxation pursuant to division (B)(1) or (2) of section 4503.06 of the Revised Code, the owner shall present to the auditor of the county containing the taxing district in which the home has its situs the certificate of title for the home, together with proof that all taxes due have been paid and proof that a relocation notice was obtained for the home if required under this section. Upon receiving the certificate of title and the required proofs, the auditor shall place the home on the real property tax list and proceed to treat the home as other properties on that list. After the auditor has placed the home on the tax list of real and public utility	72008 72009 72010 72011 72012 72013 72014 72015 72016 72017 72018 72019

property, the auditor shall deliver the certificate of title to 72020
the clerk of the court of common pleas that issued it pursuant to 72021
section 4505.11 of the Revised Code, and the clerk shall 72022
inactivate the certificate of title. 72023

(C)(1) When a manufactured or mobile home subject to a 72024
manufactured home tax is relocated to or first acquires situs in 72025
any county that has adopted a permanent manufactured home 72026
registration system, as provided in division (F) of this section, 72027
the owner, within thirty days after the home is relocated or first 72028
acquires situs under section 4503.06 of the Revised Code, shall 72029
register the home with the county auditor of the county containing 72030
the taxing district in which the home has its situs. For the first 72031
registration in each county of situs, the owner or vendee in 72032
possession shall present to the county auditor an Ohio certificate 72033
of title, certified copy of the certificate of title, or 72034
memorandum certificate of title as such are required by law, and 72035
proof, as required by the county auditor, that the home, if it has 72036
previously been occupied and is being relocated, has been 72037
previously registered, that all taxes due and required to be paid 72038
under division (H)(1) of this section before a relocation notice 72039
may be issued have been paid, and that a relocation notice was 72040
obtained for the home if required by division (H) of this section. 72041
If the owner or vendee does not possess the Ohio certificate of 72042
title, certified copy of the certificate of title, or memorandum 72043
certificate of title at the time the owner or vendee first 72044
registers the home in a county, the county auditor shall register 72045
the home without presentation of the document, but the owner or 72046
vendee shall present the certificate of title, certified copy of 72047
the certificate of title, or memorandum certificate of title to 72048
the county auditor within fourteen days after the owner or vendee 72049
obtains possession of the document. 72050

(2) When a manufactured or mobile home is registered for the 72051

first time in a county and when the total tax due has been paid as 72052
required by division (F) of section 4503.06 of the Revised Code or 72053
divisions (E) and (H) of this section, the county treasurer shall 72054
note by writing or by a stamp on the certificate of title, 72055
certified copy of certificate of title, or memorandum certificate 72056
of title that the home has been registered and that the taxes due, 72057
if any, have been paid for the preceding five years and for the 72058
current year. The treasurer shall then issue a certificate 72059
evidencing registration and a decal to be displayed on the street 72060
side of the home. The certificate is valid in any county in this 72061
state during the year for which it is issued. 72062

(3) For each year thereafter, the county treasurer shall 72063
issue a tax bill stating the amount of tax due under section 72064
4503.06 of the Revised Code, as provided in division (D)(6) of 72065
that section. When the total tax due has been paid as required by 72066
division (F) of that section, the county treasurer shall issue a 72067
certificate evidencing registration that shall be valid in any 72068
county in this state during the year for which the certificate is 72069
issued. 72070

(4) The permanent decal issued under this division is valid 72071
during the period of ownership, except that when a manufactured 72072
home is relocated in another county the owner shall apply for a 72073
new registration as required by this section and section 4503.06 72074
of the Revised Code. 72075

(D)(1) All owners of manufactured or mobile homes subject to 72076
the manufactured home tax being relocated to or having situs in a 72077
county that has not adopted a permanent registration system, as 72078
provided in division (F) of this section, shall register the home 72079
within thirty days after the home is relocated or first acquires 72080
situs under section 4503.06 of the Revised Code and thereafter 72081
shall annually register the home with the county auditor of the 72082
county containing the taxing district in which the home has its 72083

situs. 72084

(2) Upon the annual registration, the county treasurer shall 72085
issue a tax bill stating the amount of annual manufactured home 72086
tax due under section 4503.06 of the Revised Code, as provided in 72087
division (D)(6) of that section. When a manufactured or mobile 72088
home is registered and when the tax for the current one-half year 72089
has been paid as required by division (F) of that section, the 72090
county treasurer shall issue a certificate evidencing registration 72091
and a decal. The certificate and decal are valid in any county in 72092
this state during the year for which they are issued. The decal 72093
shall be displayed on the street side of the home. 72094

(3) For the first annual registration in each county of 72095
situs, the county auditor shall require the owner or vendee to 72096
present an Ohio certificate of title, certified copy of the 72097
certificate of title, or memorandum certificate of title as such 72098
are required by law, and proof, as required by the county auditor, 72099
that the manufactured or mobile home has been previously 72100
registered, if such registration was required, that all taxes due 72101
and required to be paid under division (H)(1) of this section 72102
before a relocation notice may be issued have been paid, and that 72103
a relocation notice was obtained for the home if required by 72104
division (H) of this section. If the owner or vendee does not 72105
possess the Ohio certificate of title, certified copy of the 72106
certificate of title, or memorandum certificate of title at the 72107
time the owner or vendee first registers the home in a county, the 72108
county auditor shall register the home without presentation of the 72109
document, but the owner or vendee shall present the certificate of 72110
title, certified copy of the certificate of title, or memorandum 72111
certificate of title to the county auditor within fourteen days 72112
after the owner or vendee obtains possession of the document. When 72113
the county treasurer receives the tax payment, the county 72114
treasurer shall note by writing or by a stamp on the certificate 72115

of title, certified copy of the certificate of title, or 72116
memorandum certificate of title that the home has been registered 72117
for the current year and that the manufactured home taxes due, if 72118
any, have been paid for the preceding five years and for the 72119
current year. 72120

(4) For subsequent annual registrations, the auditor may 72121
require the owner or vendee in possession to present an Ohio 72122
certificate of title, certified copy of the certificate of title, 72123
or memorandum certificate of title to the county treasurer upon 72124
payment of the manufactured home tax that is due. 72125

(E)(1) Upon the application to transfer ownership of a 72126
manufactured or mobile home for which manufactured home taxes are 72127
paid pursuant to division (C) of section 4503.06 of the Revised 72128
Code the clerk of the court of common pleas shall not issue any 72129
certificate of title that does not contain or have attached both 72130
of the following: 72131

(a) An endorsement of the county treasurer stating that the 72132
home has been registered for each year of ownership and that all 72133
manufactured home taxes imposed pursuant to section 4503.06 of the 72134
Revised Code have been paid or that no tax is due; 72135

(b) An endorsement of the county auditor that the 72136
manufactured home transfer tax imposed pursuant to section 322.06 72137
of the Revised Code and any fees imposed under division (G) of 72138
section 319.54 of the Revised Code have been paid. 72139

(2) If all the taxes have not been paid, the clerk shall 72140
notify the vendee to contact the county treasurer of the county 72141
containing the taxing district in which the home has its situs at 72142
the time of the proposed transfer. The county treasurer shall then 72143
collect all the taxes that are due for the year of the transfer 72144
and all previous years not exceeding a total of five years. The 72145
county treasurer shall distribute that part of the collection owed 72146

to the county treasurer of other counties if the home had its 72147
situs in another county during a particular year when the unpaid 72148
tax became due and payable. The burden to prove the situs of the 72149
home in the years that the taxes were not paid is on the 72150
transferor of the home. Upon payment of the taxes, the county 72151
auditor shall remove all remaining taxes from the manufactured 72152
home tax list and the delinquent manufactured home tax list, and 72153
the county treasurer shall release all liens for such taxes. The 72154
clerk of courts shall issue a certificate of title, free and clear 72155
of all liens for manufactured home taxes, to the transferee of the 72156
home. 72157

(3) Once the transfer is complete and the certificate of 72158
title has been issued, the transferee shall register the 72159
manufactured or mobile home pursuant to division (C) or (D) of 72160
this section with the county auditor of the county containing the 72161
taxing district in which the home remains after the transfer or, 72162
if the home is relocated to another county, with the county 72163
auditor of the county to which the home is relocated. The 72164
transferee need not pay the annual tax for the year of acquisition 72165
if the original owner has already paid the annual tax for that 72166
year. 72167

(F) The county auditor may adopt a permanent registration 72168
system and issue a permanent decal with the first registration as 72169
prescribed by the tax commissioner. 72170

(G) When any manufactured or mobile home required to be 72171
registered by this section is not registered, the county auditor 72172
shall impose a penalty of one hundred dollars upon the owner and 72173
deposit the amount to the credit of the county real estate 72174
assessment fund to be used to pay the costs of administering this 72175
section and section 4503.06 of the Revised Code. If unpaid, the 72176
penalty shall constitute a lien on the home and shall be added by 72177
the county auditor to the manufactured home tax list for 72178

collection. 72179

(H)(1) Except as otherwise provided in this division, before 72180
moving a manufactured or mobile home on public roads from one 72181
address within this state to another address within or outside 72182
this state, the owner of the home shall obtain a relocation 72183
notice, as provided by this section, from the auditor of the 72184
county in which the home is located if the home is currently 72185
subject to taxation pursuant to section 4503.06 of the Revised 72186
Code. The auditor shall charge five dollars for the notice, and 72187
deposit the amount to the credit of the county real estate 72188
assessment fund to be used to pay the costs of administering this 72189
section and section 4503.06 of the Revised Code. The auditor shall 72190
not issue a relocation notice unless all taxes owed on the home 72191
under section 4503.06 of the Revised Code that were first charged 72192
to the home during the period of ownership of the owner seeking 72193
the relocation notice have been paid. If the home is being moved 72194
by a new owner of the home or by a party taking repossession of 72195
the home, the auditor shall not issue a relocation notice unless 72196
all of the taxes due for the preceding five years and for the 72197
current year have been paid. A relocation notice issued by a 72198
county auditor is valid until the last day of December of the year 72199
in which it was issued. 72200

If the home is being moved by a sheriff, police officer, 72201
constable, bailiff, or manufactured home park operator, as defined 72202
in section ~~3733.01~~ 4781.01 of the Revised Code, or any agent of 72203
any of these persons, for purposes of removal from a manufactured 72204
home park and storage, sale, or destruction under section 1923.14 72205
of the Revised Code, the auditor shall issue a relocation notice 72206
without requiring payment of any taxes owed on the home under 72207
section 4503.06 of the Revised Code. 72208

(2) If a manufactured or mobile home is not yet subject to 72209
taxation under section 4503.06 of the Revised Code, the owner of 72210

the home shall obtain a relocation notice from the dealer of the 72211
home. Within thirty days after the manufactured or mobile home is 72212
purchased, the dealer of the home shall provide the auditor of the 72213
county in which the home is to be located written notice of the 72214
name of the purchaser of the home, the registration number or 72215
vehicle identification number of the home, and the address or 72216
location to which the home is to be moved. The county auditor 72217
shall provide to each manufactured and mobile home dealer, without 72218
charge, a supply of relocation notices to be distributed to 72219
purchasers pursuant to this section. 72220

(3) The notice shall be in the form of a one-foot square 72221
yellow sign with the words "manufactured home relocation notice" 72222
printed prominently on it. The name of the owner of the home, the 72223
home's registration number or vehicle identification number, the 72224
county and the address or location to which the home is being 72225
moved, and the county in which the notice is issued shall also be 72226
entered on the notice. 72227

(4) The relocation notice must be attached to the rear of the 72228
home when the home is being moved on a public road. Except as 72229
provided in divisions (H)(1) and (5) of this section, no person 72230
shall drive a motor vehicle moving a manufactured or mobile home 72231
on a public road from one address to another address within this 72232
state unless a relocation notice is attached to the rear of the 72233
home. 72234

(5) If the county auditor determines that a manufactured or 72235
mobile home has been moved without a relocation notice as required 72236
under this division, the auditor shall impose a penalty of one 72237
hundred dollars upon the owner of the home and upon the person who 72238
moved the home and deposit the amount to the credit of the county 72239
real estate assessment fund to pay the costs of administering this 72240
section and section 4503.06 of the Revised Code. If the home was 72241
relocated from one county in this state to another county in this 72242

state and the county auditor of the county to which the home was 72243
relocated imposes the penalty, that county auditor, upon 72244
collection of the penalty, shall cause an amount equal to the 72245
penalty to be transmitted from the county real estate assessment 72246
fund to the county auditor of the county from which the home was 72247
relocated, who shall deposit the amount to the credit of the 72248
county real estate assessment fund. If the penalty on the owner is 72249
unpaid, the penalty shall constitute a lien on the home and the 72250
auditor shall add the penalty to the manufactured home tax list 72251
for collection. If the county auditor determines that a dealer 72252
that has sold a manufactured or mobile home has failed to timely 72253
provide the information required under this division, the auditor 72254
shall impose a penalty upon the dealer in the amount of one 72255
hundred dollars. The penalty shall be credited to the county real 72256
estate assessment fund and used to pay the costs of administering 72257
this section and section 4503.06 of the Revised Code. 72258

(I) Whoever violates division (H)(4) of this section is 72259
guilty of a minor misdemeanor. 72260

Sec. 4503.062. (A) Every operator of a manufactured home 72261

(G) As used in this section, "municipal OVI offense" has the same meaning as in section 4511.181 of the Revised Code.

Sec. 4510.037. (A) When the registrar of motor vehicles determines that the total points charged against any person under section 4510.036 of the Revised Code exceed five, the registrar shall send a warning letter to the person at the person's last known address by regular mail. The warning letter shall list the reported violations that are the basis of the points charged, list the number of points charged for each violation, and outline the suspension provisions of this section.

(B) When the registrar determines that the total points charged against any person under section 4510.036 of the Revised Code within any two-year period beginning on the date of the first conviction within the two-year period is equal to twelve or more, the registrar shall send a written notice to the person at the person's last known address by regular mail. The notice shall list the reported violations that are the basis of the points charged, list the number of points charged for each violation, and state that, because the total number of points charged against the person within the applicable two-year period is equal to twelve or more, the registrar is imposing a class D suspension of the person's driver's or commercial driver's license or permit or nonresident operating privileges for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code. The notice also shall state that the suspension is effective on the twentieth day after the mailing of the notice, unless the person

files a petition appealing the determination and suspension in the 72839
municipal court, county court, or, if the person is under the age 72840
of eighteen, the juvenile division of the court of common pleas in 72841
whose jurisdiction the person resides or, if the person is not a 72842
resident of this state, in the Franklin county municipal court or 72843
juvenile division of the Franklin county court of common pleas. By 72844
filing the appeal of the determination and suspension, the person 72845
agrees to pay the cost of the proceedings in the appeal of the 72846
determination and suspension and alleges that the person can show 72847
cause why the person's driver's or commercial driver's license or 72848
permit or nonresident operating privileges should not be 72849
suspended. 72850

(C)(1) Any person against whom at least two but less than 72851
twelve points have been charged under section 4510.036 of the 72852
Revised Code may enroll in a course of remedial driving 72853
instruction that is approved by the director of public safety. 72854
Upon the person's completion of an approved course of remedial 72855
driving instruction, the person may apply to the registrar on a 72856
form prescribed by the registrar for a credit of two points on the 72857
person's driving record. Upon receipt of the application and proof 72858
of completion of the approved remedial driving course, the 72859
registrar shall approve the two-point credit. The registrar shall 72860
not approve any credits for a person who completes an approved 72861
course of remedial driving instruction pursuant to a judge's order 72862
under section 4510.02 of the Revised Code. 72863

(2) In any three-year period, the registrar shall approve 72864
only one two-point credit on a person's driving record under 72865
division (C)(1) of this section. The registrar shall approve not 72866
more than five two-point credits on a person's driving record 72867
under division (C)(1) of this section during that person's 72868
lifetime. 72869

(D) When a judge of a court of record suspends a person's 72870

driver's or commercial driver's license or permit or nonresident 72871
operating privilege and charges points against the person under 72872
section 4510.036 of the Revised Code for the offense that resulted 72873
in the suspension, the registrar shall credit that period of 72874
suspension against the time of any subsequent suspension imposed 72875
under this section for which those points were used to impose the 72876
subsequent suspension. When a United States district court that 72877
has jurisdiction within this state suspends a person's driver's or 72878
commercial driver's license or permit or nonresident operating 72879
privileges pursuant to the "Assimilative Crimes Act," 102 Stat. 72880
4381 (1988), 18 U.S.C.A. 13, as amended, the district court 72881
prepares an abstract pursuant to section 4510.031 of the Revised 72882
Code, and the district court charges points against the person 72883
under section 4510.036 of the Revised Code for the offense that 72884
resulted in the suspension, the registrar shall credit the period 72885
of suspension imposed by the district court against the time of 72886
any subsequent suspension imposed under this section for which the 72887
points were used to impose the subsequent suspension. 72888

(E) The registrar, upon the written request of a licensee who 72889
files a petition under division (B) of this section, shall furnish 72890
the licensee a certified copy of the registrar's record of the 72891
convictions and bond forfeitures of the person. This record shall 72892
include the name, address, and date of birth of the licensee; the 72893
name of the court in which each conviction or bail forfeiture took 72894
place; the nature of the offense that was the basis of the 72895
conviction or bond forfeiture; and any other information that the 72896
registrar considers necessary. If the record indicates that twelve 72897
points or more have been charged against the person within a 72898
two-year period, it is prima-facie evidence that the person is a 72899
repeat traffic offender, and the registrar shall suspend the 72900
person's driver's or commercial driver's license or permit or 72901
nonresident operating privilege pursuant to division (B) of this 72902
section. 72903

In hearing the petition and determining whether the person 72904
filing the petition has shown cause why the person's driver's or 72905
commercial driver's license or permit or nonresident operating 72906
privilege should not be suspended, the court shall decide the 72907
issue on the record certified by the registrar and any additional 72908
relevant, competent, and material evidence that either the 72909
registrar or the person whose license is sought to be suspended 72910
submits. 72911

(F) If a petition is filed under division (B) of this section 72912
in a county court, the prosecuting attorney of the county in which 72913
the case is pending shall represent the registrar in the 72914
proceedings, except that, if the petitioner resides in a municipal 72915
corporation within the jurisdiction of the county court, the city 72916
director of law, village solicitor, or other chief legal officer 72917
of the municipal corporation shall represent the registrar in the 72918
proceedings. If a petition is filed under division (B) of this 72919
section in a municipal court, the registrar shall be represented 72920
in the resulting proceedings as provided in section 1901.34 of the 72921
Revised Code. 72922

(G) If the court determines from the evidence submitted that 72923
a person who filed a petition under division (B) of this section 72924
has failed to show cause why the person's driver's or commercial 72925
driver's license or permit or nonresident operating privileges 72926
should not be suspended, the court shall assess against the person 72927
the cost of the proceedings in the appeal of the determination and 72928
suspension and shall impose the applicable suspension under this 72929
section or suspend all or a portion of the suspension and impose 72930
any conditions upon the person that the court considers proper or 72931
impose upon the person a community control sanction pursuant to 72932
section 2929.15 or 2929.25 of the Revised Code. If the court 72933
determines from the evidence submitted that a person who filed a 72934
petition under division (B) of this section has shown cause why 72935

the person's driver's or commercial driver's license or permit or 72936
nonresident operating privileges should not be suspended, the 72937
costs of the appeal proceeding shall be paid out of the county 72938
treasury of the county in which the proceedings were held. 72939

(H) Any person whose driver's or commercial driver's license 72940
or permit or nonresident operating privileges are suspended under 72941
this section is not entitled to apply for or receive a new 72942
driver's or commercial driver's license or permit or to request or 72943
be granted nonresident operating privileges during the effective 72944
period of the suspension. 72945

(I) Upon the termination of any suspension or other penalty 72946
imposed under this section involving the surrender of license or 72947
permit and upon the request of the person whose license or permit 72948
was suspended or surrendered, the registrar shall return the 72949
license or permit to the person upon determining that the person 72950
has complied with all provisions of section 4510.038 of the 72951
Revised Code or, if the registrar destroyed the license or permit 72952
pursuant to section 4510.52 of the Revised Code, shall reissue the 72953
person's license or permit. 72954

(J) Any person whose driver's or commercial driver's license 72955
or permit or nonresident operating privileges are suspended as a 72956
repeat traffic offender under this section and who, during the 72957
suspension, operates any motor vehicle upon any public roads and 72958
highways is guilty of a misdemeanor of the first degree, and the 72959
court shall sentence the offender to a minimum term of three days 72960
in jail. No court shall suspend the first three days of jail time 72961
imposed pursuant to this division. 72962

(K) The registrar, in accordance with specific statutory 72963
authority, may suspend the privilege of driving a motor vehicle on 72964
the public roads and highways of this state that is granted to 72965
nonresidents by section 4507.04 of the Revised Code. 72966

(L) Any (1) Except as provided in division (L)(2) of this section, any course of remedial driving instruction the director of public safety approves under this section shall require its students to attend at least fifty per cent of the course in person. ~~The~~ and the director shall not approve any course of remedial driving instruction that permits its students to take more than fifty per cent of the course in any other manner, including via video teleconferencing or the internet.

(2) The director may approve a course of remedial instruction that permits students to take the entire course via video teleconferencing. In accordance with division (C) of this section, upon receiving an application with a certificate or other proof of completion of a course approved under this division, the registrar shall approve the two-point reduction.

Sec. 4510.038. (A) Any person whose driver's or commercial driver's license or permit is suspended or who is granted limited driving privileges under section 4510.037, under division (H) of section 4511.19, or under section 4510.07 of the Revised Code for a violation of a municipal ordinance that is substantially equivalent to division (B) of section 4511.19 of the Revised Code is not eligible to retain the license, or to have the driving privileges reinstated, until each of the following has occurred:

director of alcohol and drug addiction services, shall prescribe 73003
the content of the instruction. The number of hours devoted to the 73004

comprise a minimum of twenty-five per cent of the number of hours 73006
of instruction included in the course. 73007

(2) The person is examined in the manner provided for in 73008
section 4507.20 of the Revised Code, and found by the registrar of 73009

(3) The person gives and maintains proof of financial 73011
responsibility, in accordance with section 4509.45 of the Revised 73012
Code. 73013

section, any course of remedial driving instruction the director 73015

(A)(1) ~~The~~ A manufactured home park operator shall offer each home owner a written rental agreement for a manufactured home park lot for a term of one year or more that contains terms essentially the same as any alternative month-to-month rental agreement offered to current and prospective tenants and owners. (2) The park operator shall deliver the offer to the owner by certified mail, return receipt requested, or in person. If the park operator delivers the offer to the owner in person, the owner shall complete a return showing receipt of the offer. The park operator shall deliver subsequent rental offers by ordinary mail or personal delivery. rules shall not be unreasonable, arbitrary, or capricious. A copy 76473

with the manufactured home park rules. 76486

(E) No park operator shall charge any owner who chooses to 76487

shall the park operator restrict the installation, service, or 76491
maintenance of the appliance, restrict the ingress or egress of 76492
repairpersons to the manufactured home park for the purpose of 76493
installation, service, or maintenance of the appliance, nor 76494

(2) Require the owner to remove the home from the 76511
manufactured home park solely on the basis of the sale of the 76512
home; 76513

(3) Unreasonably refuse to enter into a rental agreement with 76514
a purchaser of a home located within the operator's manufactured 76515
home park; 76516

(4) Charge any tenant or owner any fee, charge, or 76517
assessment, including a rental fee, that is not set forth in the 76518
rental agreement or, if the rental agreement is oral, is not set 76519
forth in a written disclosure given to the tenant or owner prior 76520
to the tenant or owner entering into a rental agreement; 76521

(5) Charge any owner any fee, charge, or assessment because 76522
of the transfer of ownership of a home or because a home is moved 76523
out of or into the manufactured home park, except a charge for the 76524

not been reimbursed by another tenant or owner. 76528

(I) If the park operator violates any provision of divisions 76529
(A) to (H) of this section, the tenant or owner may recover actual 76530
damages resulting from the violation, and, if the tenant or owner 76531
obtains a judgment, reasonable attorneys' fees, or terminate the 76532
rental agreement. 76533

(J) No rental agreement shall require a tenant or owner to 76534
sell, lease, or sublet the tenant's or owner's interest in the 76535
rental agreement or the manufactured or mobile home that is or 76536
will be located on the lot that is the subject of the rental 76537
agreement to any specific person or through any specific person as 76538
the person's agent. 76539

(K) No park operator shall enter into a rental agreement with 76540
the owner of a manufactured or mobile home for the use of 76541
residential premises, if the rental agreement requires the owner 76542
of the home, as a condition to the owner's renting, occupying, or 76543
remaining on the residential premises, to pay the park operator or 76544
any other person specified in the rental agreement a fee or any 76545
sum of money based on the sale of the home, unless the owner of 76546
the home uses the park operator or other person as the owner's 76547
agent in the sale of the home. 76548

(L) A park operator and a tenant or owner may include in a 76549
rental agreement any terms and conditions, including any term 76550
relating to rent, the duration of an agreement, and any other 76551
provisions governing the rights and obligations of the parties 76552
that are not inconsistent with or prohibited by sections 3733.09 76553

any obligation imposed upon ~~him~~ the park operator by section 76562
~~3733.10~~ 4781.38 of the Revised Code or by the rental agreement, or 76563
the conditions of the premises are such that the resident 76564
reasonably believes that a park operator has failed to fulfill any 76565
such obligations, or a governmental agency has found that the 76566
premises are not in compliance with building, housing, health, or 76567
safety codes which apply to any condition of the residential 76568
premises that could materially affect the health and safety of an 76569
occupant, the resident may give notice in writing to the park 76570
operator specifying the acts, omissions, or code violations that 76571
constitute noncompliance with such provisions. The notice shall be 76572

division, the court may require the resident to deposit rent with 76593

(D) If the court finds that the condition contained in the 76662
notice given pursuant to division (A) of section ~~3733.12~~ 4781.41 76663

the periodic principal payments on a mortgage on the premises, the 76675
insurance premiums for the premises, real estate taxes on the 76676
premises, utility services, repairs, and other customary and usual 76677
costs of operating the premises. 76678

(B) In determining whether to release rent for the payments 76679
described in division (A) of this section, the court shall 76680

the rental agreement for two material violations of park or ~~public~~ 76703

~~health council rule~~ commission, or health or safety code, is not 76706
being enforced against other manufactured home park residents, or 76707
that the two violations were not willful and not committed in bad 76708

If the resident remedies the condition described in the 76710

notice, whether by repair, the payment of damages, or otherwise, 76711
the rental agreement shall not terminate. The park operator may 76712
terminate the rental agreement immediately if the resident commits 76713
a second material violation of the park or ~~public health council~~ 76714

fixing and determining just and reasonable rates, fares, tolls, 76955
rentals, and charges, shall determine: 76956

(1) The valuation as of the date certain of the property of 76957
the public utility used and useful in rendering the public utility 76958
service for which rates are to be fixed and determined. The 76959
valuation so determined shall be the total value as set forth in 76960
division (J) of section 4909.05 of the Revised Code, and a 76961
reasonable allowance for materials and supplies and cash working 76962
capital, as determined by the commission. 76963

The commission, in its discretion, may include in the 76964
valuation a reasonable allowance for construction work in progress 76965
but, in no event, may such an allowance be made by the commission 76966
until it has determined that the particular construction project 76967
is at least seventy-five per cent complete. 76968

In determining the percentage completion of a particular 76969
construction project, the commission shall consider, among other 76970
relevant criteria, the per cent of time elapsed in construction; 76971
the per cent of construction funds, excluding allowance for funds 76972
used during construction, expended, or obligated to such 76973
construction funds budgeted where all such funds are adjusted to 76974
reflect current purchasing power; and any physical inspection 76975
performed by or on behalf of any party, including the commission's 76976
staff. 76977

A reasonable allowance for construction work in progress 76978
shall not exceed ten per cent of the total valuation as stated in 76979
this division, not including such allowance for construction work 76980

in progress. 76981

Where the commission permits an allowance for construction 76982
work in progress, the dollar value of the project or portion 76983
thereof included in the valuation as construction work in progress 76984
shall not be included in the valuation as plant in service until 76985
such time as the total revenue effect of the construction work in 76986
progress allowance is offset by the total revenue effect of the 76987
plant in service exclusion. Carrying charges calculated in a 76988
manner similar to allowance for funds used during construction 76989
shall accrue on that portion of the project in service but not 76990
reflected in rates as plant in service, and such accrued carrying 76991
charges shall be included in the valuation of the property at the 76992
conclusion of the offset period for purposes of division (J) of 76993
section 4909.05 of the Revised Code. 76994

From and after April 10, 1985, no allowance for construction 76995
work in progress as it relates to a particular construction 76996
project shall be reflected in rates for a period exceeding 76997
forty-eight consecutive months commencing on the date the initial 76998
rates reflecting such allowance become effective, except as 76999
otherwise provided in this division. 77000

The applicable maximum period in rates for an allowance for 77001
construction work in progress as it relates to a particular 77002
construction project shall be tolled if, and to the extent, a 77003
delay in the in-service date of the project is caused by the 77004
action or inaction of any federal, state, county, or municipal 77005
agency having jurisdiction, where such action or inaction relates 77006
to a change in a rule, standard, or approval of such agency, and 77007
where such action or inaction is not the result of the failure of 77008
the utility to reasonably endeavor to comply with any rule, 77009
standard, or approval prior to such change. 77010

In the event that such period expires before the project goes 77011
into service, the commission shall exclude, from the date of 77012

expiration, the allowance for the project as construction work in 77013
progress from rates, except that the commission may extend the 77014
expiration date up to twelve months for good cause shown. 77015

In the event that a utility has permanently canceled, 77016
abandoned, or terminated construction of a project for which it 77017
was previously permitted a construction work in progress 77018
allowance, the commission immediately shall exclude the allowance 77019
for the project from the valuation. 77020

In the event that a construction work in progress project 77021
previously included in the valuation is removed from the valuation 77022
pursuant to this division, any revenues collected by the utility 77023
from its customers after April 10, 1985, that resulted from such 77024
prior inclusion shall be offset against future revenues over the 77025
same period of time as the project was included in the valuation 77026
as construction work in progress. The total revenue effect of such 77027
offset shall not exceed the total revenues previously collected. 77028

In no event shall the total revenue effect of any offset or 77029
offsets provided under division (A)(1) of this section exceed the 77030
total revenue effect of any construction work in progress 77031
allowance. 77032

(2) A fair and reasonable rate of return to the utility on 77033
the valuation as determined in division (A)(1) of this section; 77034

(3) The dollar annual return to which the utility is entitled 77035
by applying the fair and reasonable rate of return as determined 77036
under division (A)(2) of this section to the valuation of the 77037
utility determined under division (A)(1) of this section; 77038

(4) The cost to the utility of rendering the public utility 77039
service for the test period less the total of any interest on cash 77040
or credit refunds paid, pursuant to section 4909.42 of the Revised 77041
Code, by the utility during the test period. 77042

(a) Federal, state, and local taxes imposed on or measured by 77043

net income may, in the discretion of the commission, be computed 77044
by the normalization method of accounting, provided the utility 77045
maintains accounting reserves that reflect differences between 77046
taxes actually payable and taxes on a normalized basis, provided 77047
that no determination as to the treatment in the rate-making 77048
process of such taxes shall be made that will result in loss of 77049
any tax depreciation or other tax benefit to which the utility 77050
would otherwise be entitled, and further provided that such tax 77051
benefit as redounds to the utility as a result of such a 77052
computation may not be retained by the company, used to fund any 77053
dividend or distribution, or utilized for any purpose other than 77054
the defrayal of the operating expenses of the utility and the 77055
defrayal of the expenses of the utility in connection with 77056
construction work. 77057

(b) The amount of any tax credits granted to an electric 77058
light company under section 5727.391 of the Revised Code for Ohio 77059
coal burned prior to January 1, 2000, shall not be retained by the 77060
company, used to fund any dividend or distribution, or utilized 77061
for any purposes other than the defrayal of the allowable 77062
operating expenses of the company and the defrayal of the 77063
allowable expenses of the company in connection with the 77064
installation, acquisition, construction, or use of a compliance 77065
facility. The amount of the tax credits granted to an electric 77066
light company under that section for Ohio coal burned prior to 77067
January 1, 2000, shall be returned to its customers within three 77068
years after initially claiming the credit through an offset to the 77069
company's rates or fuel component, as determined by the 77070
commission, as set forth in schedules filed by the company under 77071
section 4905.30 of the Revised Code. As used in division 77072
(A)(4)~~(e)~~(b) of this section, "compliance facility" has the same 77073
meaning as in section 5727.391 of the Revised Code. 77074

(B) The commission shall compute the gross annual revenues to 77075

which the utility is entitled by adding the dollar amount of 77076
return under division (A)(3) of this section to the cost of 77077
rendering the public utility service for the test period under 77078
division (A)(4) of this section. 77079

(C) The test period, unless otherwise ordered by the 77080
commission, shall be the twelve-month period beginning six months 77081
prior to the date the application is filed and ending six months 77082
subsequent to that date. In no event shall the test period end 77083
more than nine months subsequent to the date the application is 77084
filed. The revenues and expenses of the utility shall be 77085
determined during the test period. The date certain shall be not 77086
later than the date of filing. 77087

(D) ~~When the~~ (1) The commission shall fix and determine the 77088
just and reasonable rate, fare, charge, toll, rental, or service 77089
to be rendered, charged, demanded, exacted, or collected for the 77090
performance or rendition of a service that will provide a public 77091
utility the allowable gross annual revenues under division (B) of 77092
this section, and order such just and reasonable rate, fare, 77093
charge, toll, rental, or service to be substituted for the 77094

4921., and 4923. of the Revised Code for other hearings, has been 77170
given, the commission may rescind, alter, or amend an order fixing 77171
any rate, fare, toll, charge, rental, classification, or service, 77172
or any other order made by the commission. Certified copies of 77173
such orders shall be served and take effect as provided for 77174
original orders. 77175

Sec. 4911.02. (A) The consumers' counsel shall be appointed 77176
by the consumers' counsel governing board, and shall hold office 77177
at the pleasure of the board. 77178

(B)(1) The counsel may sue or be sued and has the powers and 77179

regarding examination and cross-examination of witnesses, 77185

utilities commission; 77194

(d) May conduct long range studies concerning various topics 77195
relevant to the rates charged to ~~residential~~ residential consumers. 77196

(C) The counsel shall not advocate or otherwise promote any 77197

state, including any position contrary to natural gas retail 77199

auctions, merchant-function exit, or the policies of this state 77200
relating to competitive natural gas markets as set forth in 77201
Chapter 4929. of the Revised Code. 77202

Sec. 4911.021. The consumers' counsel shall not operate a 77203
telephone call center for consumer complaints. Any calls received 77204
by the consumers' counsel concerning consumer complaints shall be 77205
forwarded to the public utilities commission's call center. 77206

Sec. 4927.17. (A) Except as provided in sections 4927.07 and 77207
4927.12 of the Revised Code and, if applicable, under rules 77208
adopted by the public utilities commission for the pilot program 77209
for community-voicemail service created in S.B. 162 of the 128th 77210
general assembly, a telephone company shall provide at least 77211
fifteen days' advance notice to its affected customers of any 77212

~~all residential bills and disconnection notices.~~ 77220

Sec. 4928.10. For the protection of consumers in this state, 77221
the public utilities commission shall adopt rules under division 77222
(A) of section 4928.06 of the Revised Code specifying the 77223
necessary minimum service requirements, on or after the starting 77224
date of competitive retail electric service, of an electric 77225
utility, electric services company, electric cooperative, or 77226
governmental aggregator subject to certification under section 77227
4928.08 of the Revised Code regarding the provision directly or 77228
through its billing and collection agent of competitive retail 77229

electric services for which it is subject to certification. Rules 77230
adopted under this section shall include a prohibition against 77231
unfair, deceptive, and unconscionable acts and practices in the 77232
marketing, solicitation, and sale of such a competitive retail 77233
electric service and in the administration of any contract for 77234
service, and also shall include additional consumer protections 77235
concerning all of the following: 77236

(A) Contract disclosure. The rules shall include requirements 77237
that an electric utility, electric services company, electric 77238
cooperative, or governmental aggregator subject to certification 77239
under section 4928.08 of the Revised Code do both of the 77240
following: 77241

(1) Provide consumers with adequate, accurate, and 77242
understandable pricing and terms and conditions of service, 77243
including any switching fees, and with a document containing the 77244
terms and conditions of pricing and service before the consumer 77245
enters into the contract for service; 77246

(2) Disclose the conditions under which a customer may 77247
rescind a contract without penalty. 77248

(B) Service termination. The rules shall include disclosure 77249
of the terms identifying how customers may switch or terminate 77250
service, including any required notice and any penalties. 77251

(C) Minimum content of customer bills. The rules shall 77252
include all of the following requirements, which shall be 77253
standardized: 77254

(1) Price disclosure and disclosures of total billing units 77255
for the billing period and historical annual usage; 77256

(2) To the maximum extent practicable, separate listing of 77257
each service component to enable a customer to recalculate its 77258
bill for accuracy; 77259

(3) Identification of the supplier of each service;	77260
(4) Statement of where and how payment may be made and provision of a toll-free or local customer assistance and complaint number for the electric utility, electric services company, electric cooperative, or governmental aggregator, as well as a consumer assistance telephone number or numbers for state agencies, such as the commission, the office of the consumers' counsel, and the attorney general's office, with the available hours noted;	77261 77262 77263 77264 77265 77266 77267 77268
(5) Other than for the first billing after the starting date of competitive retail electric service, highlighting and clear explanation on each customer bill, for two consecutive billing periods, of any changes in the rates, terms, and conditions of service.	77269 77270 77271 77272 77273
(D) Disconnection and service termination, including requirements with respect to master-metered buildings. The rules shall include policies and procedures that are consistent with sections 4933.121 and 4933.122 of the Revised Code and the commission's rules adopted under those sections, and that provide for all of the following:	77274 77275 77276 77277 77278 77279
(1) Coordination between suppliers for the purpose of maintaining service;	77280 77281
(2) The allocation of partial payments between suppliers when service components are jointly billed;	77282 77283
(3) A prohibition against blocking, or authorizing the blocking of, customer access to a noncompetitive retail electric service when a customer is delinquent in payments to the electric utility or electric services company for a competitive retail electric service;	77284 77285 77286 77287 77288
(4) A prohibition against switching, or authorizing the switching of, a customer's supplier of competitive retail electric	77289 77290

service without the prior consent of the customer in accordance 77291
with appropriate confirmation practices, which may include 77292
independent, third-party verification procedures. 77293

(5) A requirement of disclosure of the conditions under which 77294
a customer may rescind a decision to switch its supplier without 77295
penalty; 77296

(6) Specification of any required notice and any penalty for 77297
early termination of contract. 77298

(E) Minimum service quality, safety, and reliability. 77299
However, service quality, safety, and reliability requirements for 77300
electric generation service shall be determined primarily through 77301
market expectations and contractual relationships. 77302

(F) Generation resource mix and environmental characteristics 77303
of power supplies. The rules shall include requirements for 77304
determination of the approximate generation resource mix and 77305
environmental characteristics of the power supplies and disclosure 77306
to the customer prior to the customer entering into a contract to 77307
purchase and four times per year under the contract. The rules 77308
also shall require that the electric utility, electric services 77309
company, electric cooperative, or governmental aggregator provide, 77310
or cause its billing and collection agent to provide, a customer 77311
with standardized information comparing the projected, with the 77312
actual and verifiable, resource mix and environmental 77313
characteristics. This disclosure shall occur not less than 77314
annually or not less than once during the contract period if the 77315
contract period is less than one year, and prior to any renewal of 77316
a contract. 77317

(G) Customer information. The rules shall include 77318
requirements that the electric utility, electric services company, 77319
electric cooperative, or governmental aggregator make generic 77320
customer load pattern information available to other electric 77321

light companies on a comparable and nondiscriminatory basis, and 77322
make customer-specific information available to other electric 77323
light companies on a comparable and nondiscriminatory basis 77324
unless, as to customer-specific information, the customer objects. 77325
The rules shall ensure that each such utility, company, 77326
cooperative, or aggregator provide clear and frequent notice to 77327
its customers of the right to object and of applicable procedures. 77328
The rules shall establish the exact language that shall be used in 77329
all such notices. 77330

Sec. 4928.18. (A) Notwithstanding division (D)(2)~~(a)~~(b)(i) of 77331
section 4909.15 of the Revised Code, nothing in this chapter 77332
prevents the public utilities commission from exercising its 77333
authority under Title XLIX of the Revised Code to protect 77334
customers of retail electric service supplied by an electric 77335
utility from any adverse effect of the utility's provision of a 77336
product or service other than retail electric service. 77337

(B) The commission has jurisdiction under section 4905.26 of 77338
the Revised Code, upon complaint of any person or upon complaint 77339
or initiative of the commission on or after the starting date of 77340
competitive retail electric service, to determine whether an 77341
electric utility or its affiliate has violated any provision of 77342
section 4928.17 of the Revised Code or an order issued or rule 77343
adopted under that section. For this purpose, the commission may 77344
examine such books, accounts, or other records kept by an electric 77345
utility or its affiliate as may relate to the businesses for which 77346
corporate separation is required under section 4928.17 of the 77347
Revised Code, and may investigate such utility or affiliate 77348
operations as may relate to those businesses and investigate the 77349
interrelationship of those operations. Any such examination or 77350
investigation by the commission shall be governed by Chapter 4903. 77351
of the Revised Code. 77352

(C) In addition to any remedies otherwise provided by law, 77353
the commission, regarding a determination of a violation pursuant 77354
to division (B) of this section, may do any of the following: 77355

(1) Issue an order directing the utility or affiliate to 77356
comply; 77357

(2) Modify an order as the commission finds reasonable and 77358
appropriate and order the utility or affiliate to comply with the 77359
modified order; 77360

(3) Suspend or abrogate an order, in whole or in part; 77361

(4) Issue an order that the utility or affiliate pay 77362
restitution to any person injured by the violation or failure to 77363
comply; 77364

(D) In addition to any remedies otherwise provided by law, 77365
the commission, regarding a determination of a violation pursuant 77366
to division (B) of this section and commensurate with the severity 77367
of the violation, the source of the violation, any pattern of 77368
violations, or any monetary damages caused by the violation, may 77369
do either of the following: 77370

(1) Impose a forfeiture on the utility or affiliate of up to 77371
twenty-five thousand dollars per day per violation. The recovery 77372
and deposit of any such forfeiture shall be subject to sections 77373
4905.57 and 4905.59 of the Revised Code. 77374

(2) Regarding a violation by an electric utility relating to 77375
a corporate separation plan involving competitive retail electric 77376
service, suspend or abrogate all or part of an order, to the 77377
extent it is in effect, authorizing an opportunity for the utility 77378
to receive transition revenues under a transition plan approved by 77379
the commission under section 4928.33 of the Revised Code. 77380

Corporate separation under this section does not prohibit the 77381
common use of employee benefit plans, facilities, equipment, or 77382

employees, subject to proper accounting and the code of conduct 77383
ordered by the commission as provided in division (A)(1) of this 77384
section. 77385

(E) Section 4905.61 of the Revised Code applies in the case 77386
of any violation of section 4928.17 of the Revised Code or of any 77387
rule adopted or order issued under that section. 77388

Sec. 4928.20. (A) The legislative authority of a municipal 77389
corporation may adopt an ordinance, or the board of township 77390
trustees of a township or the board of county commissioners of a 77391
county may adopt a resolution, under which, on or after the 77392
starting date of competitive retail electric service, it may 77393
aggregate in accordance with this section the retail electrical 77394
loads located, respectively, within the municipal corporation, 77395
township, or unincorporated area of the county and, for that 77396
purpose, may enter into service agreements to facilitate for those 77397
loads the sale and purchase of electricity. The legislative 77398
authority or board also may exercise such authority jointly with 77399
any other such legislative authority or board. For customers that 77400
are not mercantile customers, an ordinance or resolution under 77401
this division shall specify whether the aggregation will occur 77402
only with the prior, affirmative consent of each person owning, 77403
occupying, controlling, or using an electric load center proposed 77404
to be aggregated or will occur automatically for all such persons 77405
pursuant to the opt-out requirements of division (D) of this 77406
section. The aggregation of mercantile customers shall occur only 77407
with the prior, affirmative consent of each such person owning, 77408
occupying, controlling, or using an electric load center proposed 77409
to be aggregated. Nothing in this division, however, authorizes 77410
the aggregation of the retail electric loads of an electric load 77411
center, as defined in section 4933.81 of the Revised Code, that is 77412
located in the certified territory of a nonprofit electric 77413
supplier under sections 4933.81 to 4933.90 of the Revised Code or 77414

an electric load center served by transmission or distribution 77415
facilities of a municipal electric utility. 77416

(B) If an ordinance or resolution adopted under division (A) 77417
of this section specifies that aggregation of customers that are 77418
not mercantile customers will occur automatically as described in 77419
that division, the ordinance or resolution shall direct the board 77420
of elections to submit the question of the authority to aggregate 77421
to the electors of the respective municipal corporation, township, 77422
or unincorporated area of a county at a special election on the 77423
day of the next primary or general election in the municipal 77424
corporation, township, or county. The legislative authority or 77425
board shall certify a copy of the ordinance or resolution to the 77426
board of elections not less than ninety days before the day of the 77427
special election. No ordinance or resolution adopted under 77428
division (A) of this section that provides for an election under 77429
this division shall take effect unless approved by a majority of 77430
the electors voting upon the ordinance or resolution at the 77431
election held pursuant to this division. 77432

(C) Upon the applicable requisite authority under divisions 77433
(A) and (B) of this section, the legislative authority or board 77434
shall develop a plan of operation and governance for the 77435
aggregation program so authorized. Before adopting a plan under 77436
this division, the legislative authority or board shall hold at 77437
least two public hearings on the plan. Before the first hearing, 77438
the legislative authority or board shall publish notice of the 77439
hearings once a week for two consecutive weeks in a newspaper of 77440
general circulation in the jurisdiction or as provided in section 77441
7.16 of the Revised Code. The notice shall summarize the plan and 77442
state the date, time, and location of each hearing. 77443

(D) No legislative authority or board, pursuant to an 77444
ordinance or resolution under divisions (A) and (B) of this 77445
section that provides for automatic aggregation of customers that 77446

are not mercantile customers as described in division (A) of this section, shall aggregate the electrical load of any electric load center located within its jurisdiction unless it in advance clearly discloses to the person owning, occupying, controlling, or using the load center that the person will be enrolled automatically in the aggregation program and will remain so enrolled unless the person affirmatively elects by a stated procedure not to be so enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the aggregation program the opportunity to opt out of the program every three years, without paying a switching fee. Any such person that opts out before the commencement of the aggregation program pursuant to the stated procedure shall default to the standard service offer provided under section 4928.14 or division (D) of section 4928.35 of the Revised Code until the person chooses an alternative supplier.

(E)(1) With respect to a governmental aggregation for a municipal corporation that is authorized pursuant to divisions (A) to (D) of this section, resolutions may be proposed by initiative or referendum petitions in accordance with sections 731.28 to 731.41 of the Revised Code.

(2) With respect to a governmental aggregation for a township or the unincorporated area of a county, which aggregation is authorized pursuant to divisions (A) to (D) of this section, resolutions may be proposed by initiative or referendum petitions in accordance with sections 731.28 to 731.40 of the Revised Code, except that:

(a) The petitions shall be filed, respectively, with the township fiscal officer or the board of county commissioners, who shall perform those duties imposed under those sections upon the city auditor or village clerk.

(b) The petitions shall contain the signatures of not less than ten per cent of the total number of electors in, respectively, the township or the unincorporated area of the county who voted for the office of governor at the preceding general election for that office in that area.

(F) A governmental aggregator under division (A) of this section is not a public utility engaging in the wholesale purchase and resale of electricity, and provision of the aggregated service is not a wholesale utility transaction. A governmental aggregator shall be subject to supervision and regulation by the public utilities commission only to the extent of any competitive retail electric service it provides and commission authority under this chapter.

(G) This section does not apply in the case of a municipal corporation that supplies such aggregated service to electric load centers to which its municipal electric utility also supplies a noncompetitive retail electric service through transmission or distribution facilities the utility singly or jointly owns or operates.

(H) A governmental aggregator shall not include in its aggregation the accounts of any of the following:

- (1) A customer that has opted out of the aggregation;
- (2) A customer in contract with a certified electric services company;
- (3) A customer that has a special contract with an electric distribution utility;
- (4) A customer that is not located within the governmental aggregator's governmental boundaries;
- (5) Subject to division (C) of section 4928.21 of the Revised Code, a customer who appears on the "do not aggregate" list

maintained under that section. 77509

(I) Customers that are part of a governmental aggregation 77510
under this section shall be responsible only for such portion of a 77511
surcharge under section 4928.144 of the Revised Code that is 77512
proportionate to the benefits, as determined by the commission, 77513
that electric load centers within the jurisdiction of the 77514
governmental aggregation as a group receive. The proportionate 77515
surcharge so established shall apply to each customer of the 77516
governmental aggregation while the customer is part of that 77517
aggregation. If a customer ceases being such a customer, the 77518
otherwise applicable surcharge shall apply. Nothing in this 77519
section shall result in less than full recovery by an electric 77520
distribution utility of any surcharge authorized under section 77521
4928.144 of the Revised Code. 77522

(J) On behalf of the customers that are part of a 77523
governmental aggregation under this section and by filing written 77524
notice with the public utilities commission, the legislative 77525
authority that formed or is forming that governmental aggregation 77526
may elect not to receive standby service within the meaning of 77527
division (B)(2)(d) of section 4928.143 of the Revised Code from an 77528
electric distribution utility in whose certified territory the 77529
governmental aggregation is located and that operates under an 77530
approved electric security plan under that section. Upon the 77531
filing of that notice, the electric distribution utility shall not 77532
charge any such customer to whom competitive retail electric 77533
generation service is provided by another supplier under the 77534
governmental aggregation for the standby service. Any such 77535
consumer that returns to the utility for competitive retail 77536
electric service shall pay the market price of power incurred by 77537
the utility to serve that consumer plus any amount attributable to 77538
the utility's cost of compliance with the alternative energy 77539
resource provisions of section 4928.64 of the Revised Code to 77540

serve the consumer. Such market price shall include, but not be 77541
limited to, capacity and energy charges; all charges associated 77542
with the provision of that power supply through the regional 77543
transmission organization, including, but not limited to, 77544
transmission, ancillary services, congestion, and settlement and 77545
administrative charges; and all other costs incurred by the 77546
utility that are associated with the procurement, provision, and 77547
administration of that power supply, as such costs may be approved 77548
by the commission. The period of time during which the market 77549
price and alternative energy resource amount shall be so assessed 77550
on the consumer shall be from the time the consumer so returns to 77551
the electric distribution utility until the expiration of the 77552
electric security plan. However, if that period of time is 77553
expected to be more than two years, the commission may reduce the 77554
time period to a period of not less than two years. 77555

(K) The commission shall adopt rules to encourage and promote 77556
large-scale governmental aggregation in this state. For that 77557
purpose, the commission shall conduct an immediate review of any 77558
rules it has adopted for the purpose of this section that are in 77559
effect on the effective date of the amendment of this section by 77560
S.B. 221 of the 127th general assembly, July 31, 2008. Further, 77561
within the context of an electric security plan under section 77562
4928.143 of the Revised Code, the commission shall consider the 77563
effect on large-scale governmental aggregation of any 77564
nonbypassable generation charges, however collected, that would be 77565
established under that plan, except any nonbypassable generation 77566
charges that relate to any cost incurred by the electric 77567
distribution utility, the deferral of which has been authorized by 77568
the commission prior to the effective date of the amendment of 77569
this section by S.B. 221 of the 127th general assembly, July 31, 77570
2008. 77571

Sec. 4929.22. For the protection of consumers in this state, 77572

the public utilities commission shall adopt rules under section 77573
4929.10 of the Revised Code specifying the necessary minimum 77574
service requirements of a retail natural gas supplier or 77575
governmental aggregator subject to certification under section 77576
4929.20 of the Revised Code regarding the marketing, solicitation, 77577
sale, or provision, directly or through its billing and collection 77578
agent, of any competitive retail natural gas service for which it 77579
is subject to certification. Rules adopted under this section 77580
shall include additional consumer protections concerning all of 77581
the following: 77582

(A) Contract disclosure. The rules shall include requirements 77583
that a retail natural gas supplier or governmental aggregator 77584
subject to certification under section 4929.20 of the Revised Code 77585
do both of the following: 77586

(1) Provide consumers with adequate, accurate, and 77587
understandable pricing and terms and conditions of service, 77588
including any switching fees, and with a document containing the 77589
terms and conditions of pricing and service before the consumer 77590
enters into the contract for service; 77591

(2) Disclose the conditions under which a customer may 77592
rescind a contract without penalty. 77593

(B) Service qualification and termination. The rules shall 77594
include a requirement that, before a consumer is eligible for 77595
service from a retail natural gas supplier or governmental 77596
aggregator subject to certification under section 4929.20 of the 77597
Revised Code, the consumer shall discharge, or enter into a plan 77598
to discharge, all existing arrearages owed to or being billed by 77599
the natural gas company from which the consumer presently is 77600
receiving service. The rules also shall provide for disclosure of 77601
the terms identifying how customers may switch or terminate 77602
service, including any required notice and any penalties. 77603

(C) Minimum content of customer bills. The rules shall 77604
include all of the following requirements, which shall be 77605
standardized: 77606

(1) Price disclosure and disclosures of total billing units 77607
for the billing period and historical annual usage; 77608

(2) To the maximum extent practicable, separate listing of 77609
each service component to enable a customer to recalculate its 77610
bill for accuracy; 77611

(3) Identification of the supplier of each service; 77612

(4) Statement of where and how payment may be made and 77613
provision of a toll-free or local customer assistance and 77614
complaint number for the retail natural gas supplier or 77615
governmental aggregator, as well as a consumer assistance 77616

(D) Disconnection and service termination, including 77625
requirements with respect to master-metered buildings. The rules 77626
shall include policies and procedures that are consistent with 77627
sections 4933.12 and 4933.122 of the Revised Code and the 77628
commission's rules adopted under those sections, and that provide 77629
for all of the following: 77630

Revised Code on a comparable and nondiscriminatory basis unless, 77654
as to customer information, the customer objects. The rules shall 77655
ensure that each natural gas company provide clear and frequent 77656
notice to its customers of the right to object and of applicable 77657
procedures. The rules shall establish the exact language that 77658
shall be used in all such notices. The rules also shall require 77659

corporation may adopt an ordinance, or the board of township 77675
trustees of a township or the board of county commissioners of a 77676
county may adopt a resolution, under which, in accordance with 77677
this section and except as otherwise provided in division (A)(2) 77678
of this section, the legislative authority or board may aggregate 77679
automatically, subject to the opt-out requirements of division (D) 77680
of this section, competitive retail natural gas service for the 77681
retail natural gas loads that are located, respectively, within 77682
the municipal corporation, township, or unincorporated area of the 77683
county and for which there is a choice of supplier of that service 77684
as a result of revised schedules approved under division (C) of 77685
section 4929.29 of the Revised Code, a rule or order adopted or 77686
issued by the commission under Chapter 4905. of the Revised Code, 77687
or an exemption granted by the commission under sections 4929.04 77688
to 4929.08 of the Revised Code. An ordinance or a resolution 77689
adopted under this section shall expressly state that it is 77690
adopted pursuant to the authority conferred by this section. The 77691
legislative authority or board also may exercise its authority 77692
under this section jointly with any other such legislative 77693
authority or board. For the purpose of the aggregation, the 77694
legislative authority or board may enter into service agreements 77695
to facilitate the sale and purchase of the service for the retail 77696

natural gas loads. 77697

(2)(a) No aggregation under an ordinance or resolution 77698
adopted under division (A)(1) of this section shall include the 77699
retail natural gas load of any person that meets any of the 77700
following criteria: 77701

(i) The person is both a distribution service customer and a 77702
mercantile customer on the date of commencement of service to the 77703
aggregated load, or the person becomes a distribution service 77704
customer after that date and also is a mercantile customer. 77705

(ii) The person is supplied with commodity sales service 77706
pursuant to a contract with a retail natural gas supplier that is 77707
in effect on the effective date of the ordinance or resolution. 77708

(iii) The person is supplied with commodity sales service as 77709
part of a retail natural gas load aggregation provided for 77710
pursuant to a rule or order adopted or issued by the commission 77711
under this chapter or Chapter 4905. of the Revised Code. 77712

(b) Nothing in division (A)(2)(a) of this section precludes a 77713
governmental aggregation under this section from permitting the 77714
retail natural gas load of a person described in division 77715
(A)(2)(a) of this section from being included in the aggregation 77716
upon the expiration of any contract or aggregation as described in 77717
division (A)(2)(a)(ii) or (iii) of this section or upon the person 77718
no longer being a customer as described in division (A)(2)(a)(i) 77719
of this section or qualifying to be included in an aggregation 77720
described under division (A)(2)(a)(iii) of this section. 77721

(B) An ordinance or resolution adopted under division (A) of 77722
this section shall direct the board of elections to submit the 77723
question of the authority to aggregate to the electors of the 77724
respective municipal corporation, township, or unincorporated area 77725
of a county at a special election on the day of the next primary 77726

or general election in the municipal corporation, township, or 77727
county. The legislative authority or board shall certify a copy of 77728
the ordinance or resolution to the board of elections not less 77729
than ninety days before the day of the special election. No 77730
ordinance or resolution adopted under division (A) of this section 77731
that provides for an election under this division shall take 77732
effect unless approved by a majority of the electors voting upon 77733
the ordinance or resolution at the election held pursuant to this 77734
division. 77735

(C) Upon the applicable requisite authority under divisions 77736
(A) and (B) of this section, the legislative authority or board 77737
shall develop a plan of operation and governance for the 77738
aggregation program so authorized. Before adopting a plan under 77739
this division, the legislative authority or board shall hold at 77740
least two public hearings on the plan. Before the first hearing, 77741
the legislative authority or board shall publish notice of the 77742
hearings once a week for two consecutive weeks in a newspaper of 77743
general circulation in the jurisdiction or as provided in section 77744
7.16 of the Revised Code. The notice shall summarize the plan and 77745
state the date, time, and location of each hearing. 77746

(D) No legislative authority or board, pursuant to an 77747
ordinance or resolution under divisions (A) and (B) of this 77748
section, shall aggregate any retail natural gas load located 77749
within its jurisdiction unless it in advance clearly discloses to 77750
the person whose retail natural gas load is to be so aggregated 77751
that the person will be enrolled automatically in the aggregation 77752
and will remain so enrolled unless the person affirmatively elects 77753
by a stated procedure not to be so enrolled. The disclosure shall 77754
state prominently the rates, charges, and other terms and 77755
conditions of enrollment. The stated procedure shall allow any 77756
person enrolled in the aggregation the opportunity to opt out of 77757
the aggregation every two years, without paying a switching fee. 77758

Any such person that opts out of the aggregation pursuant to the 77759
stated procedure shall default to the natural gas company 77760
providing distribution service for the person's retail natural gas 77761
load, until the person chooses an alternative supplier. 77762

(E)(1) With respect to a governmental aggregation for a 77763
municipal corporation that is authorized pursuant to divisions (A) 77764
to (D) of this section, resolutions may be proposed by initiative 77765
or referendum petitions in accordance with sections 731.28 to 77766
731.41 of the Revised Code. 77767

(2) With respect to a governmental aggregation for a township 77768
or the unincorporated area of a county, which aggregation is 77769
authorized pursuant to divisions (A) to (D) of this section, 77770
resolutions may be proposed by initiative or referendum petitions 77771
in accordance with sections 731.28 to 731.40 of the Revised Code, 77772
except that: 77773

(a) The petitions shall be filed, respectively, with the 77774
township fiscal officer or the board of county commissioners, who 77775
shall perform those duties imposed under those sections upon the 77776
city auditor or village clerk. 77777

(b) The petitions shall contain the signatures of not less 77778
than ten per cent of the total number of electors in the township 77779
or the unincorporated area of the county, respectively, who voted 77780
for the office of governor at the preceding general election for 77781
that office in that area. 77782

(F) A governmental aggregator under division (A) of this 77783
section is not a public utility engaging in the wholesale purchase 77784
and resale of natural gas, and provision of the aggregated service 77785
is not a wholesale utility transaction. A governmental aggregator 77786
shall be subject to supervision and regulation by the public 77787
utilities commission only to the extent of any competitive retail 77788
natural gas service it provides and commission authority under 77789

this chapter. 77790

Sec. 4929.27. (A)(1) The legislative authority of a municipal 77791
corporation may adopt an ordinance, or the board of township 77792
trustees of a township or the board of county commissioners of a 77793
county may adopt a resolution, under which, in accordance with 77794
this section and except as otherwise provided in division (A)(2) 77795
of this section, the legislative authority or board may aggregate, 77796
with the prior consent of each person whose retail natural gas 77797
load is proposed to be aggregated, competitive retail natural gas 77798
service for any such retail natural gas load that is located, 77799
respectively, within the municipal corporation, township, or 77800
unincorporated area of the county and for which there is a choice 77801
of supplier of that service as a result of revised schedules 77802
approved under division (C) of section 4929.29 of the Revised 77803
Code, a rule or order adopted or issued by the commission under 77804
Chapter 4905. of the Revised Code, or an exemption granted by the 77805
commission under sections 4929.04 to 4929.08 of the Revised Code. 77806
An ordinance or a resolution adopted under this section shall 77807
expressly state that it is adopted pursuant to the authority 77808
conferred by this section. The legislative authority or board also 77809
may exercise such authority jointly with any other such 77810
legislative authority or board. For the purpose of the 77811
aggregation, the legislative authority or board may enter into 77812
service agreements to facilitate the sale and purchase of the 77813
service for the retail natural gas loads. 77814

(2)(a) No aggregation under an ordinance or resolution 77815
adopted under division (A)(1) of this section shall include the 77816
retail natural gas load of any person that meets either of the 77817
following criteria: 77818

(i) The person is supplied with commodity sales service 77819
pursuant to a contract with a retail natural gas supplier that is 77820

in effect on the effective date of the ordinance or resolution. 77821

(ii) The person is supplied with commodity sales service as 77822
part of a retail natural gas load aggregation provided for 77823
pursuant to a rule or order adopted or issued by the commission 77824
under this chapter or Chapter 4905. of the Revised Code. 77825

(b) Nothing in division (A)(2)(a) of this section precludes a 77826
governmental aggregation under this section from permitting the 77827
retail natural gas load of a person described in division 77828
(A)(2)(a) of this section from being included in the aggregation 77829
upon the expiration of any contract or aggregation as described in 77830
division (A)(2)(a)(i) or (ii) of this section or upon the person 77831
no longer qualifying to be included in an aggregation. 77832

(B) Upon the applicable requisite authority under division 77833
(A) of this section, the legislative authority or board shall 77834
develop a plan of operation and governance for the aggregation 77835
program so authorized. Before adopting a plan under this division, 77836
the legislative authority or board shall hold at least two public 77837
hearings on the plan. Before the first hearing, the legislative 77838
authority or board shall publish notice of the hearings once a 77839
week for two consecutive weeks in a newspaper of general 77840
circulation in the jurisdiction or as provided in section 7.16 of 77841
the Revised Code. The notice shall summarize the plan and state 77842
the date, time, and location of each hearing. 77843

(C)(1) With respect to a governmental aggregation for a 77844
municipal corporation that is authorized pursuant to division (A) 77845
of this section, resolutions may be proposed by initiative or 77846
referendum petitions in accordance with sections 731.28 to 731.41 77847
of the Revised Code. 77848

(2) With respect to a governmental aggregation for a township 77849
or the unincorporated area of a county, which aggregation is 77850
authorized pursuant to division (A) of this section, resolutions 77851

may be proposed by initiative or referendum petitions in 77852
accordance with sections 731.28 to 731.40 of the Revised Code, 77853
except that: 77854

(a) The petitions shall be filed, respectively, with the 77855
township fiscal officer or the board of county commissioners, who 77856
shall perform those duties imposed under those sections upon the 77857
city auditor or village clerk. 77858

(b) The petitions shall contain the signatures of not less 77859
than ten per cent of the total number of electors in the township 77860
or the unincorporated area of the county, respectively, who voted 77861
for the office of governor at the preceding general election for 77862
that office in that area. 77863

(D) A governmental aggregator under division (A) of this 77864
section is not a public utility engaging in the wholesale purchase 77865
and resale of natural gas, and provision of the aggregated service 77866
is not a wholesale utility transaction. A governmental aggregator 77867
shall be subject to supervision and regulation by the public 77868
utilities commission only to the extent of any competitive retail 77869
natural gas service it provides and commission authority under 77870
this chapter. 77871

Sec. 4931.51. (A)(1) For the purpose of paying the costs of 77872
establishing, equipping, and furnishing one or more public safety 77873
answering points as part of a countywide 9-1-1 system effective 77874
under division (B) of section 4931.44 of the Revised Code and 77875
paying the expense of administering and enforcing this section, 77876
the board of county commissioners of a county, in accordance with 77877
this section, may fix and impose, on each lot or parcel of real 77878
property in the county that is owned by a person, municipal 77879
corporation, township, or other political subdivision and is 77880
improved, or is in the process of being improved, reasonable 77881
charges to be paid by each such owner. The charges shall be 77882

sufficient to pay only the estimated allowed costs and shall be 77883
equal in amount for all such lots or parcels. 77884

(2) For the purpose of paying the costs of operating and 77885
maintaining the answering points and paying the expense of 77886
administering and enforcing this section, the board, in accordance 77887
with this section, may fix and impose reasonable charges to be 77888
paid by each owner, as provided in division (A)(1) of this 77889
section, that shall be sufficient to pay only the estimated 77890
allowed costs and shall be equal in amount for all such lots or 77891
parcels. The board may fix and impose charges under this division 77892
pursuant to a resolution adopted for the purposes of both 77893
divisions (A)(1) and (2) of this section or pursuant to a 77894
resolution adopted solely for the purpose of division (A)(2) of 77895
this section, and charges imposed under division (A)(2) of this 77896
section may be separately imposed or combined with charges imposed 77897
under division (A)(1) of this section. 77898

(B) Any board adopting a resolution under this section 77899
pursuant to a final plan initiating the establishment of a 9-1-1 77900
system or pursuant to an amendment to a final plan shall adopt the 77901
resolution within sixty days after the board receives the final 77902
plan for the 9-1-1 system pursuant to division (C) of section 77903
4931.43 of the Revised Code. The board by resolution may change 77904
any charge imposed under this section whenever the board considers 77905
it advisable. Any resolution adopted under this section shall 77906
declare whether securities will be issued under Chapter 133. of 77907
the Revised Code in anticipation of the collection of unpaid 77908
special assessments levied under this section. 77909

(C) The board shall adopt a resolution under this section at 77910
a public meeting held in accordance with section 121.22 of the 77911
Revised Code. Additionally, the board, before adopting any such 77912
resolution, shall hold at least two public hearings on the 77913
proposed charges. Prior to the first hearing, the board shall 77914

publish notice of the hearings once a week for two consecutive 77915
weeks in a newspaper of general circulation in the county or as 77916
provided in section 7.16 of the Revised Code. The notice shall 77917
include a listing of the charges proposed in the resolution and 77918
the date, time, and location of each of the hearings. The board 77919
shall hear any person who wishes to testify on the charges or the 77920
resolution. 77921

(D) No resolution adopted under this section shall be 77922
effective sooner than thirty days following its adoption nor shall 77923
any such resolution be adopted as an emergency measure. The 77924
resolution is subject to a referendum in accordance with sections 77925
305.31 to 305.41 of the Revised Code unless, in the resolution, 77926
the board of county commissioners directs the board of elections 77927
of the county to submit the question of imposing the charges to 77928
the electors of the county at the next primary or general election 77929
in the county occurring not less than ninety days after the 77930
resolution is certified to the board. No resolution shall go into 77931
effect unless approved by a majority of those voting upon it in 77932
any election allowed under this division. 77933

(E) To collect charges imposed under division (A) of this 77934
section, the board of county commissioners shall certify them to 77935
the county auditor of the county who then shall place them upon 77936
the real property duplicate against the properties to be assessed, 77937
as provided in division (A) of this section. Each assessment shall 77938
bear interest at the same rate that securities issued in 77939
anticipation of the collection of the assessments bear, is a lien 77940
on the property assessed from the date placed upon the real 77941
property duplicate by the auditor, and shall be collected in the 77942
same manner as other taxes. 77943

this section shall be paid to the county treasurer of the county 77945
and kept in a separate and distinct fund to the credit of the 77946

county. The fund shall be used to pay the costs allowed in 77947
division (A) of this section and specified in the resolution 77948
adopted under that division. In no case shall any surplus so 77949
collected be expended for other than the use and benefit of the 77950
county. 77951

Sec. 4931.52. (A) This section applies only to a county that 77952
meets both of the following conditions: 77953

(1) A final plan for a countywide 9-1-1 system either has not 77954
been approved in the county under section 4931.44 of the Revised 77955
Code or has been approved but has not been put into operation 77956
because of a lack of funding; 77957

(2) The board of county commissioners, at least once, has 77958
submitted to the electors of the county the question of raising 77959
funds for a 9-1-1 system under section 4931.51, 5705.19, or 77960
5739.026 of the Revised Code, and a majority of the electors has 77961
disapproved the question each time it was submitted. 77962

(B) A board of county commissioners may adopt a resolution 77963
imposing a monthly charge on telephone access lines to pay for the 77964
equipment costs of establishing and maintaining no more than three 77965
public safety answering points of a countywide 9-1-1 system, which 77966
public safety answering points shall be only twenty-four-hour 77967
dispatching points already existing in the county. The resolution 77968
shall state the amount of the charge, which shall not exceed fifty 77969
cents per month, and the month the charge will first be imposed, 77970
which shall be no earlier than four months after the special 77971
election held pursuant to this section. Each residential and 77972
business telephone company customer within the area served by the 77973
9-1-1 system shall pay the monthly charge for each of its 77974
residential or business customer access lines or their equivalent. 77975

Before adopting a resolution under this division, the board 77976
of county commissioners shall hold at least two public hearings on 77977

the proposed charge. Before the first hearing, the board shall 77978
publish notice of the hearings once a week for two consecutive 77979
weeks in a newspaper of general circulation in the county or as 77980
provided in section 7.16 of the Revised Code. The notice shall 77981
state the amount of the proposed charge, an explanation of the 77982
necessity for the charge, and the date, time, and location of each 77983
of the hearings. 77984

(C) A resolution adopted under division (B) of this section 77985
shall direct the board of elections to submit the question of 77986
imposing the charge to the electors of the county at a special 77987
election on the day of the next primary or general election in the 77988
county. The board of county commissioners shall certify a copy of 77989
the resolution to the board of elections not less than ninety days 77990
before the day of the special election. No resolution adopted 77991
under division (B) of this section shall take effect unless 77992
approved by a majority of the electors voting upon the resolution 77993
at an election held pursuant to this section. 77994

In any year, the board of county commissioners may impose a 77995
lesser charge than the amount originally approved by the electors. 77996
The board may change the amount of the charge no more than once a 77997
year. The board may not impose a charge greater than the amount 77998
approved by the electors without first holding an election on the 77999
question of the greater charge. 78000

(D) Money raised from a monthly charge on telephone access 78001
lines under this section shall be deposited into a special fund 78002
created in the county treasury by the board of county 78003
commissioners pursuant to section 5705.12 of the Revised Code, to 78004
be used only for the necessary equipment costs of establishing and 78005
maintaining no more than three public safety answering points of a 78006
countywide 9-1-1 system pursuant to a resolution adopted under 78007
division (B) of this section. In complying with this division, any 78008
county may seek the assistance of the public utilities commission 78009

with regard to operating and maintaining a 9-1-1 system. 78010

(E) Pursuant to the voter approval required by division (C) 78011
of this section, the final plan for a countywide 9-1-1 system that 78012
will be funded through a monthly charge imposed in accordance with 78013
this section shall be amended by the existing 9-1-1 planning 78014
committee, and the amendment of such a final plan is not an 78015
amendment of a final plan for the purpose of division (A) of 78016
section 4931.45 of the Revised Code. 78017

Sec. 4931.53. (A) This section applies only to a county that 78018
has a final plan for a countywide 9-1-1 system that either has not 78019
been approved in the county under section 4931.44 of the Revised 78020
Code or has been approved but has not been put into operation 78021
because of a lack of funding. 78022

(B) A board of county commissioners may adopt a resolution 78023
imposing a monthly charge on telephone access lines to pay for the 78024
operating and equipment costs of establishing and maintaining no 78025
more than one public safety answering point of a countywide 9-1-1 78026
system. The resolution shall state the amount of the charge, which 78027
shall not exceed fifty cents per month, and the month the charge 78028
will first be imposed, which shall be no earlier than four months 78029
after the special election held pursuant to this section. Each 78030
residential and business telephone company customer within the 78031
area of the county served by the 9-1-1 system shall pay the 78032
monthly charge for each of its residential or business customer 78033
access lines or their equivalent. 78034

Before adopting a resolution under this division, the board 78035
of county commissioners shall hold at least two public hearings on 78036
the proposed charge. Before the first hearing, the board shall 78037
publish notice of the hearings once a week for two consecutive 78038
weeks in a newspaper of general circulation in the county or as 78039
provided in section 7.16 of the Revised Code. The notice shall 78040

state the amount of the proposed charge, an explanation of the 78041
necessity for the charge, and the date, time, and location of each 78042
of the hearings. 78043

(C) A resolution adopted under division (B) of this section 78044
shall direct the board of elections to submit the question of 78045
imposing the charge to the electors of the county at a special 78046
election on the day of the next primary or general election in the 78047
county. The board of county commissioners shall certify a copy of 78048
the resolution to the board of elections not less than ninety days 78049
before the day of the special election. No resolution adopted 78050
under division (B) of this section shall take effect unless 78051
approved by a majority of the electors voting upon the resolution 78052
at an election held pursuant to this section. 78053

In any year, the board of county commissioners may impose a 78054
lesser charge than the amount originally approved by the electors. 78055
The board may change the amount of the charge no more than once a 78056
year. The board shall not impose a charge greater than the amount 78057
approved by the electors without first holding an election on the 78058
question of the greater charge. 78059

(D) Money raised from a monthly charge on telephone access 78060
lines under this section shall be deposited into a special fund 78061
created in the county treasury by the board of county 78062

be used only for the necessary operating and equipment costs of 78064
establishing and maintaining no more than one public safety 78065
answering point of a countywide 9-1-1 system pursuant to a 78066
resolution adopted under division (B) of this section. In 78067
complying with this division, any county may seek the assistance 78068
of the public utilities commission with regard to operating and 78069
maintaining a 9-1-1 system. 78070

(E) Nothing in sections 4931.40 to 4931.53 of the Revised 78071
Code precludes a final plan adopted in accordance with those 78072

sections from being amended to provide that, by agreement included 78073
in the plan, a public safety answering point of another countywide 78074
9-1-1 system is the public safety answering point of a countywide 78075
9-1-1 system funded through a monthly charge imposed in accordance 78076
with this section. In that event, the county for which the public 78077
safety answering point is provided shall be deemed the subdivision 78078
operating the public safety answering point for purposes of 78079
sections 4931.40 to 4931.53 of the Revised Code, except that, for 78080
the purpose of division (D) of section 4931.41 of the Revised 78081
Code, the county shall pay only so much of the costs associated 78082
with establishing, equipping, furnishing, operating, or 78083
maintaining the public safety answering point specified in the 78084
agreement included in the final plan. 78085

(F) Pursuant to the voter approval required by division (C) 78086
of this section, the final plan for a countywide 9-1-1 system that 78087
will be funded through a monthly charge imposed in accordance with 78088
this section, or that will be amended to include an agreement 78089
described in division (E) of this section, shall be amended by the 78090
existing 9-1-1 planning committee, and the amendment of such a 78091
final plan is not an amendment of a final plan for the purpose of 78092
division (A) of section 4931.45 of the Revised Code. 78093

(B) Each board of county commissioners shall pay the county share of public assistance expenditures in accordance with section 5101.161 of the Revised Code. Except as provided in division (C) of this section, a county's share of public assistance expenditures is the sum of all of the following for state fiscal year 1998 and each state fiscal year thereafter:	78123 78124 78125 78126 78127 78128
(1) The amount that is twenty-five per cent of the county's total expenditures for disability financial assistance and county administration of that program during the state fiscal year ending in the previous calendar year that the department of job and	78129 78130 78131 78132

(2) The amount that is ten per cent, or other percentage 78134

(3) A percentage of the actual amount of the county share of 78142

under Titles IV-A and IV-F of the "Social Security Act," 49 Stat. 78145
620 (1935), 42 U.S.C. 301, as those titles existed prior to the 78146
enactment of the "Personal Responsibility and Work Opportunity 78147
Reconciliation Act of 1996," 110 Stat. 2105. The department of job 78148
and family services shall determine the actual amount of the 78149
county share from expenditure reports submitted to the United 78150
States department of health and human services. The percentage 78151
shall be the percentage established in rules adopted under 78152
division (F) of this section. 78153

(C)(1) If a county's share of public assistance expenditures 78154
determined under division (B) of this section for a state fiscal 78155
year exceeds one hundred ~~ten~~ five per cent of the county's share 78156
for those expenditures for the immediately preceding state fiscal 78157
year, the department of job and family services shall reduce the 78158
county's share for expenditures under divisions (B)(1) and (2) of 78159
this section so that the total of the county's share for 78160
expenditures under division (B) of this section equals one hundred 78161
~~ten~~ five per cent of the county's share of those expenditures for 78162
the immediately preceding state fiscal year. 78163

(2) A county's share of public assistance expenditures 78164

determined under division (B) of this section may be increased 78165
pursuant to section 5101.163 of the Revised Code and a sanction 78166
under section 5101.24 of the Revised Code. An increase made 78167

county's share to exceed the limit established by division (C)(1) 78169
of this section. 78170

(D)(1) If the per capita tax duplicate of a county is less 78171
than the per capita tax duplicate of the state as a whole and 78172
division (D)(2) of this section does not apply to the county, the 78173
percentage to be used for the purpose of division (B)(2) of this 78174
section is the product of ten multiplied by a fraction of which 78175
the numerator is the per capita tax duplicate of the county and 78176
the denominator is the per capita tax duplicate of the state as a 78177
whole. The department of job and family services shall compute the 78178
per capita tax duplicate for the state and for each county by 78179
dividing the tax duplicate for the most recent available year by 78180
the current estimate of population prepared by the department of 78181
development. 78182

(2) If the percentage of families in a county with an annual 78183
income of less than three thousand dollars is greater than the 78184
percentage of such families in the state and division (D)(1) of 78185
this section does not apply to the county, the percentage to be 78186
used for the purpose of division (B)(2) of this section is the 78187
product of ten multiplied by a fraction of which the numerator is 78188
the percentage of families in the state with an annual income of 78189
less than three thousand dollars a year and the denominator is the 78190
percentage of such families in the county. The department of job 78191
and family services shall compute the percentage of families with 78192
an annual income of less than three thousand dollars for the state 78193
and for each county by multiplying the most recent estimate of 78194
such families published by the department of development, by a 78195
fraction, the numerator of which is the estimate of average annual 78196

personal income published by the bureau of economic analysis of 78197
the United States department of commerce for the year on which the 78198
census estimate is based and the denominator of which is the most 78199
recent such estimate published by the bureau. 78200

(3) If the per capita tax duplicate of a county is less than 78201
the per capita tax duplicate of the state as a whole and the 78202
percentage of families in the county with an annual income of less 78203
than three thousand dollars is greater than the percentage of such 78204
families in the state, the percentage to be used for the purpose 78205
of division (B)(2) of this section shall be determined as follows: 78206

(a) Multiply ten by the fraction determined under division 78207
(D)(1) of this section; 78208

(b) Multiply the product determined under division (D)(3)(a) 78209
of this section by the fraction determined under division (D)(2) 78210
of this section. 78211

(4) The department of job and family services shall 78212
determine, for each county, the percentage to be used for the 78213
purpose of division (B)(2) of this section not later than the 78214
first day of July of the year preceding the state fiscal year for 78215
which the percentage is used. 78216

(E) The department of job and family services shall credit to 78217
a county the amount of federal reimbursement the department 78218
receives from the United States departments of agriculture and 78219
health and human services for the county's expenditures for 78220
administration of the supplemental nutrition assistance program 78221
and medicaid that the department determines are allowable 78222
administrative expenditures. 78223

(F)(1) The director of job and family services shall adopt 78224
rules in accordance with section 111.15 of the Revised Code to 78225
establish all of the following: 78226

(a) The method the department is to use to change a county's 78227

share of public assistance expenditures determined under division 78228
(B) of this section as provided in division (C) of this section; 78229

(b) The allocation methodology and formula the department 78230
will use to determine the amount of funds to credit to a county 78231
under this section; 78232

(c) The method the department will use to change the payment 78233
of the county share of public assistance expenditures from a 78234
calendar-year basis to a state fiscal year basis; 78235

(d) The percentage to be used for the purpose of division 78236
(B)(3) of this section, which shall, except as provided in section 78237
5101.163 of the Revised Code, meet both of the following 78238
requirements: 78239

(i) The percentage shall not be less than seventy-five per 78240
cent nor more than eighty-two per cent; 78241

(ii) The percentage shall not exceed the percentage that the 78242
state's qualified state expenditures is of the state's historic 78243
state expenditures as those terms are defined in 42 U.S.C. 78244
609(a)(7). 78245

(e) Other procedures and requirements necessary to implement 78246
this section. 78247

(2) The director of job and family services may amend the 78248
rule adopted under division (F)(1)(d) of this section to modify 78249
the percentage on determination that the amount the general 78250
assembly appropriates for Title IV-A programs makes the 78251
modification necessary. The rule shall be adopted and amended as 78252
if an internal management rule and in consultation with the 78253
director of budget and management. 78254

83182

The standards that must be met to receive the payments may be specified in the contract the department enters into with a managed care organization. 83183
83184
83185

If a managed care organization meets the performance 83186

standards established by the department, the department shall make 83187
one or more performance payments to the organization. The number 83188
of payments and the schedule for making the payments shall be 83189
established by the department. The payments shall be discontinued 83190
if the department determines that the organization no longer meets 83191
the performance standards. The department shall not make or 83192
discontinue payments based on any performance standard that has 83193
been in effect as part of the organization's contract for less 83194
than six months. 83195

(B) For purposes of the program, the department shall 83196
establish an amount that is to be withheld each time a premium 83197
payment is made to a managed care organization. The amount shall 83198
be established as a percentage of each premium payment. The 83199
percentage shall be the same for all managed care organizations 83200
under contract with the department. The sum of all withholdings 83201

all premium payments made to all managed care organizations under 83203
contract with the department. 83204

Each managed care organization shall agree to the withholding 83205
as a condition of receiving or maintaining its medicaid provider 83206
agreement with the department. 83207

When the amount is established and each time the amount is 83208
modified thereafter, the department shall certify the amount to 83209
the director of budget and management and begin withholding the 83210
amount from each premium the department pays to a managed care 83211
organization. 83212

beds or extensively renovates all or part of the facility after 83309

its original date of licensure, it will have a different date of 83310

department determines that the renovation is more prudent than 83590
construction of new beds. 83591

department of developmental disabilities is responsible pursuant 83645
to this section. 83646

(C) Division (A) of this section does not apply to claims 83647

Sec. 5111.23. (A) The department of job and family services	83723
shall pay a provider for each of the provider's eligible	83724
intermediate care facilities for the mentally retarded a per	83725
resident per day rate for direct care costs established	83726
prospectively for each facility. The department shall establish	83727
each facility's rate for direct care costs quarterly.	83728
(B) Each facility's rate for direct care costs shall be based	83729
on the facility's cost per case-mix unit, subject to the maximum	83730
costs per case-mix unit established under division (B)(2) of this	83731
section, from the calendar year preceding the fiscal year in which	83732
the rate is paid. To determine the rate, the department shall do	83733
all of the following:	83734

(1) Determine each facility's cost per case-mix unit for the calendar year preceding the fiscal year in which the rate will be paid by dividing the facility's desk-reviewed, actual, allowable, per diem direct care costs for that year by its average case-mix score determined under section 5111.232 of the Revised Code for the same calendar year.

(2)(a) Set the maximum cost per case-mix unit for each peer group of intermediate care facilities for the mentally retarded with more than eight beds specified in rules adopted under division ~~(E)~~(F) of this section at a percentage above the cost per case-mix unit of the facility in the group that has the group's median medicaid inpatient day for the calendar year preceding the fiscal year in which the rate will be paid, as calculated under division (B)(1) of this section, that is no less than the percentage calculated under division ~~(D)~~(E)(2) of this section.

(b) Set the maximum cost per case-mix unit for each peer group of intermediate care facilities for the mentally retarded with eight or fewer beds specified in rules adopted under division ~~(E)~~(F) of this section at a percentage above the cost per case-mix unit of the facility in the group that has the group's median medicaid inpatient day for the calendar year preceding the fiscal year in which the rate will be paid, as calculated under division (B)(1) of this section, that is no less than the percentage calculated under division ~~(D)~~(E)(3) of this section.

(c) In calculating the maximum cost per case-mix unit under divisions (B)(2)(a) ~~to~~ and (b) of this section for each peer group, the department shall exclude from its calculations the cost per case-mix unit of any facility in the group that participated in the medicaid program under the same operator for less than twelve months during the calendar year preceding the fiscal year in which the rate will be paid.

(3) Estimate the rate of inflation for the eighteen-month

period beginning on the first day of July of the calendar year 83767
preceding the fiscal year in which the rate will be paid and 83768
ending on the thirty-first day of December of the fiscal year in 83769
which the rate will be paid, using the ~~employment cost index for~~ 83770
~~total compensation, health services component, published by the~~ 83771
~~United States bureau of labor statistics~~ specified in division (C) 83772
of this section. If the estimated inflation rate for the 83773
eighteen-month period is different from the actual inflation rate 83774
for that period, as measured using the same index, the difference 83775
shall be added to or subtracted from the inflation rate estimated 83776
under division (B)(3) of this section for the following fiscal 83777
year. 83778

(4) The department shall not recalculate a maximum cost per 83779
case-mix unit under division (B)(2) of this section or a 83780
percentage under division ~~(D)~~(E) of this section based on 83781
additional information that it receives after the maximum costs 83782
per case-mix unit or percentages are set. The department shall 83783

if it made an error in computing the maximum cost per case-mix 83785
unit or percentage based on information available at the time of 83786
the original calculation. 83787

(C) The department shall use the following index for the 83788
purpose of division (B)(3) of this section: 83789

services component, published by the United States bureau of labor 83791
statistics; 83792

(2) If the United States bureau of labor statistics ceases to 83793
publish the index specified in division (C)(1) of this section, 83794
the index that is subsequently published by the bureau and covers 83795
nursing facilities' staff costs. 83796

(D) Each facility's rate for direct care costs shall be 83797

determined as follows for each calendar quarter within a fiscal year: 83798

83801
83802

83805
83806

(b) The maximum cost per case-mix unit established for the fiscal year in which the rate will be paid for the facility's peer group under division (B)(2) of this section; 83807

(2) Adjust the product determined under division ~~(C)~~(D)(1) of this section by the inflation rate estimated under division (B)(3) of this section. 83810
83811
83812

~~(D)~~(E)(1) The department shall calculate the percentage above the median cost per case-mix unit determined under division (B)(1) of this section for the facility that has the median medicaid inpatient day for calendar year 1992 for all intermediate care facilities for the mentally retarded with more than eight beds that would result in payment of all desk-reviewed, actual, allowable direct care costs for eighty and one-half per cent of the medicaid inpatient days for such facilities for calendar year 1992. 83813

~~(E)~~(F) The director of job and family services shall adopt 83830
rules under section 5111.02 of the Revised Code that specify peer 83831
groups of intermediate care facilities for the mentally retarded 83832
with more than eight beds and intermediate care facilities for the 83833
mentally retarded with eight or fewer beds, based on findings of 83834
significant per diem direct care cost differences due to geography 83835
and facility bed-size. The rules also may specify peer groups 83836
based on findings of significant per diem direct care cost 83837
differences due to other factors which may include case-mix. 83838

~~(F)~~(G) The department, in accordance with division (D) of 83839
section 5111.232 of the Revised Code and rules adopted under 83840
division ~~(E)~~(F) of that section, may assign case-mix scores or 83841
costs per case-mix unit if a provider fails to submit assessment 83842
data necessary to calculate an intermediate care facility for the 83843
mentally retarded's case-mix score in accordance with that 83844
section. 83845

(b) For fiscal years ending in odd-numbered calendar years, 84158
the amount calculated for the preceding fiscal year under division 84159
(A)(2)(a) of this section. 84160

(B)(1) The maximum rate for indirect care costs for each peer 84161
group of intermediate care facilities for the mentally retarded 84162

division (D) of this section shall be determined as follows: 84164

(a) For fiscal years ending in even-numbered calendar years, 84165
the maximum rate for each peer group shall be the rate that is no 84166

less than twelve and four-tenths per cent above the median 84167
desk-reviewed, actual, allowable, per diem indirect care cost for 84168

group whose indirect care costs for that period are more than 84171
three standard deviations from the mean desk-reviewed, actual, 84172
allowable, per diem indirect care cost for all intermediate care 84173
facilities for the mentally retarded with more than eight beds, 84174

will be paid, adjusted by the inflation rate estimated under 84176
division (C)(1) of this section. 84177

(b) For fiscal years ending in odd-numbered calendar years, 84178

desk-reviewed, actual, allowable, per diem indirect care cost for 84189
all intermediate care facilities for the mentally retarded with 84190
eight or fewer beds in the group, excluding facilities in the 84191
group whose indirect care costs are more than three standard 84192
deviations from the mean desk-reviewed, actual, allowable, per 84193
diem indirect care cost for all intermediate care facilities for 84194
the mentally retarded with eight or fewer beds, for the calendar 84195
year preceding the fiscal year in which the rate will be paid, 84196

estimated under division (C)(2) of this section. 84202

(3) The department shall not recalculate a maximum rate for 84203
indirect care costs under division (B)(1) or (2) of this section 84204
based on additional information that it receives after the maximum 84205
rate is set. The department shall recalculate the maximum rate for 84206
indirect care costs only if it made an error in computing the 84207
maximum rate based on the information available at the time of the 84208
original calculation. 84209

(C)(1) When adjusting rates for inflation under divisions 84210
(A)(1), (B)(1)(a), and (B)(2)(a) of this section, the department 84211

estimate the rate of inflation for the twelve-month period 84227
beginning on the first day of January of the fiscal year preceding 84228
the fiscal year in which the rate will be paid and ending on the 84229

thirty-first day of December of the fiscal year in which the rate 84230

publish the index specified in division (C)(2)(a) of this section, 84237
a comparable index that the bureau publishes and the department 84238
determines is appropriate. 84239

(3) If an inflation rate estimated under division (C)(1) or 84240
(2) of this section is different from the actual inflation rate 84241
for the relevant time period, as measured using the same index, 84242
the difference shall be added to or subtracted from the inflation 84243
rate estimated pursuant to this division for the following fiscal 84244
year. 84245

(D) The director of job and family services shall adopt rules 84246
under section 5111.02 of the Revised Code that specify peer groups 84247
of intermediate care facilities for the mentally retarded with 84248
more than eight beds, and peer groups of intermediate care 84249
facilities for the mentally retarded with eight or fewer beds, 84250
based on findings of significant per diem indirect care cost 84251
differences due to geography and facility bed-size. The rules also 84252
may specify peer groups based on findings of significant per diem 84253
indirect care cost differences due to other factors, including 84254
case-mix. 84255

Washington, Wayne, Williams, and Wyandot. Each nursing facility 84383

located in any of those counties that has fewer than one hundred 84384
beds shall be placed in peer group five. Each nursing facility 84385
located in any of those counties that has one hundred or more beds 84386
shall be placed in peer group six. 84387

(D)(1) ~~At least once every ten years, the~~ The department 84388
shall determine the ~~median~~ rate for capital costs for each peer 84389
group established under division (C) of this section. ~~The median~~ 84390
department is not required to conduct a rebasing more than once 84391
every ten years. Except as necessary to implement the amendments 84392
made by this act to this section, the rate for capital costs 84393
determined under this division for a peer group shall be used for 84394
subsequent years until the department ~~redetermines it~~ conducts a 84395
rebasing. ~~To determine a~~ A peer group's ~~median~~ rate for capital 84396
costs shall be the rate for capital costs determined for the 84397
nursing facility in the peer group that is at the twenty-fifth 84398
percentile of the rate for capital costs for the applicable 84399
calendar year. In identifying that nursing facility, the 84400
department shall do both of the following: 84401

(a) Subject to division (D)(2) of this section, use the 84402
greater of each nursing facility's actual inpatient days for the 84403
applicable calendar year or the inpatient days the nursing 84404
facility would have had for the applicable calendar year if its 84405
occupancy rate had been one hundred per cent-; 84406

(b) Exclude both of the following: 84407

(i) Nursing facilities that participated in the medicaid 84408
program under the same provider for less than twelve months in the 84409
applicable calendar year; 84410

(ii) Nursing facilities whose capital costs are more than one 84411
standard deviation from the mean desk-reviewed, actual, allowable, 84412
per diem capital cost for all nursing facilities in the nursing 84413
facility's peer group for the applicable calendar year. 84414

(2) For the purpose of determining a nursing facility's occupancy rate under division (D)(1)(a) of this section, the department shall include any beds that the nursing facility removes from its medicaid-certified capacity after June 30, 2005, unless the nursing facility also removes the beds from its licensed bed capacity.

(3) The department shall not redetermine a peer group's rate for capital costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for capital costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

(E) Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department. Components and equipment shall be depreciated using the straight-line method over a period designated in rules adopted under section 5111.02 of the Revised Code, consistent with the guidelines of the American hospital association, or over a different period approved by the department. Any rules authorized by this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in capital costs unless that part of the payment under sections 5111.20 to 5111.33 of the Revised Code is used to reimburse the government agency.

(F) The capital cost basis of nursing facility assets shall be determined in the following manner:

(1) Except as provided in division (F)(3) of this section, for purposes of calculating the rates to be paid for facilities with dates of licensure on or before June 30, 1993, the capital cost basis of each asset shall be equal to the desk-reviewed,

actual, allowable, capital cost basis that is listed on the 84447
facility's cost report for the calendar year preceding the fiscal 84448
year during which the rate will be paid. 84449

(2) For facilities with dates of licensure after June 30, 84450
1993, the capital cost basis shall be determined in accordance 84451
with the principles of the medicare program established under 84452
Title XVIII, except as otherwise provided in sections 5111.20 to 84453
5111.33 of the Revised Code. 84454

(3) Except as provided in division (F)(4) of this section, if 84455
a provider transfers an interest in a facility to another provider 84456
after June 30, 1993, there shall be no increase in the capital 84457
cost basis of the asset if the providers are related parties or 84458
the provider to which the interest is transferred authorizes the 84459
provider that transferred the interest to continue to operate the 84460
facility under a lease, management agreement, or other 84461
arrangement. If the previous sentence does not prohibit the 84462
adjustment of the capital cost basis under this division, the 84463
basis of the asset shall be adjusted by ~~the lesser of the~~ 84464
~~following:~~ 84465

~~(a) One half of the change in construction costs during the 84466
time that the transferor held the asset, as calculated by the 84467
department of job and family services using the "Dodge building 84468
cost indexes, northeastern and north central states," published by 84469
Marshall and Swift;~~ 84470

~~(b) One half~~ one-half of the change in the consumer price 84471
index for all items for all urban consumers, as published by the 84472
United States bureau of labor statistics, during the time that the 84473
transferor held the asset. 84474

(4) If a provider transfers an interest in a facility to 84475
another provider who is a related party, the capital cost basis of 84476
the asset shall be adjusted as specified in division (F)(3) of 84477

this section if all of the following conditions are met: 84478

(a) The related party is a relative of owner; 84479

(b) Except as provided in division (F)(4)(c)(ii) of this 84480
section, the provider making the transfer retains no ownership 84481
interest in the facility; 84482

(c) The department of job and family services determines that 84483
the transfer is an arm's length transaction pursuant to rules 84484
adopted under section 5111.02 of the Revised Code. The rules shall 84485
provide that a transfer is an arm's length transaction if all of 84486
the following apply: 84487

(i) Once the transfer goes into effect, the provider that 84488
made the transfer has no direct or indirect interest in the 84489
provider that acquires the facility or the facility itself, 84490
including interest as an owner, officer, director, employee, 84491
independent contractor, or consultant, but excluding interest as a 84492
creditor. 84493

(ii) The provider that made the transfer does not reacquire 84494
an interest in the facility except through the exercise of a 84495
creditor's rights in the event of a default. If the provider 84496
reacquires an interest in the facility in this manner, the 84497
department shall treat the facility as if the transfer never 84498
occurred when the department calculates its reimbursement rates 84499
for capital costs. 84500

(iii) The transfer satisfies any other criteria specified in 84501
the rules. 84502

(d) Except in the case of hardship caused by a catastrophic 84503
event, as determined by the department, or in the case of a 84504
provider making the transfer who is at least sixty-five years of 84505
age, not less than twenty years have elapsed since, for the same 84506
facility, the capital cost basis was adjusted most recently under 84507
division (F)(4) of this section or actual, allowable cost of 84508

ownership was determined most recently under division (G)(9) of 84509
this section. 84510

(G) As used in this division: 84511

"Imputed interest" means the lesser of the prime rate plus 84512
two per cent or ten per cent. 84513

"Lease expense" means lease payments in the case of an 84514
operating lease and depreciation expense and interest expense in 84515
the case of a capital lease. 84516

"New lease" means a lease, to a different lessee, of a 84517
nursing facility that previously was operated under a lease. 84518

(1) Subject to division (B) of this section, for a lease of a 84519
facility that was effective on May 27, 1992, the entire lease 84520
expense is an actual, allowable capital cost during the term of 84521
the existing lease. The entire lease expense also is an actual, 84522
allowable capital cost if a lease in existence on May 27, 1992, is 84523
renewed under either of the following circumstances: 84524

(a) The renewal is pursuant to a renewal option that was in 84525
existence on May 27, 1992; 84526

(b) The renewal is for the same lease payment amount and 84527
between the same parties as the lease in existence on May 27, 84528
1992. 84529

(2) Subject to division (B) of this section, for a lease of a 84530
facility that was in existence but not operated under a lease on 84531
May 27, 1992, actual, allowable capital costs shall include the 84532
lesser of the annual lease expense or the annual depreciation 84533
expense and imputed interest expense that would be calculated at 84534
the inception of the lease using the lessor's entire historical 84535
capital asset cost basis, adjusted by ~~the lesser of the following~~ 84536
~~amounts:~~ 84537

~~(a) One half of the change in construction costs during the 84538~~

~~time the lessor held each asset until the beginning of the lease, 84539
as calculated by the department using the "Dodge building cost 84540
indexes, northeastern and north central states," published by 84541
Marshall and Swift; 84542~~

~~(b) One half one-half of the change in the consumer price 84543
index for all items for all urban consumers, as published by the 84544
United States bureau of labor statistics, during the time the 84545
lessor held each asset until the beginning of the lease. 84546~~

(3) Subject to division (B) of this section, for a lease of a 84547
facility with a date of licensure on or after May 27, 1992, that 84548
is initially operated under a lease, actual, allowable capital 84549
costs shall include the annual lease expense if there was a 84550
substantial commitment of money for construction of the facility 84551
after December 22, 1992, and before July 1, 1993. If there was not 84552
a substantial commitment of money after December 22, 1992, and 84553
before July 1, 1993, actual, allowable capital costs shall include 84554
the lesser of the annual lease expense or the sum of the 84555
following: 84556

(a) The annual depreciation expense that would be calculated 84557
at the inception of the lease using the lessor's entire historical 84558
capital asset cost basis; 84559

(b) The greater of the lessor's actual annual amortization of 84560
financing costs and interest expense at the inception of the lease 84561
or the imputed interest expense calculated at the inception of the 84562
lease using seventy per cent of the lessor's historical capital 84563
asset cost basis. 84564

(4) Subject to division (B) of this section, for a lease of a 84565
facility with a date of licensure on or after May 27, 1992, that 84566
was not initially operated under a lease and has been in existence 84567
for ten years, actual, allowable capital costs shall include the 84568
lesser of the annual lease expense or the annual depreciation 84569

expense and imputed interest expense that would be calculated at 84570
the inception of the lease using the entire historical capital 84571
asset cost basis of ~~the lessor, adjusted by the lesser of the~~ 84572
~~following:~~ 84573

~~(a) One half of the change in construction costs during the 84574
time the lessor held each asset until the beginning of the lease, 84575
as calculated by the department using the "Dodge building cost 84576
indexes, northeastern and north central states," published by 84577
Marshall and Swift;~~ 84578

~~(b) One half one-half of the change in the consumer price 84579
index for all items for all urban consumers, as published by the 84580
United States bureau of labor statistics, during the time the 84581
lessor held each asset until the beginning of the lease. 84582~~

(5) Subject to division (B) of this section, for a new lease 84583
of a facility that was operated under a lease on May 27, 1992, 84584
actual, allowable capital costs shall include the lesser of the 84585
annual new lease expense or the annual old lease payment. If the 84586
old lease was in effect for ten years or longer, the old lease 84587
payment from the beginning of the old lease shall be adjusted by 84588
~~the lesser of the following:~~ 84589

~~(a) One half of the change in construction costs from the 84590
beginning of the old lease to the beginning of the new lease, as 84591
calculated by the department using the "Dodge building cost 84592
indexes, northeastern and north central states," published by 84593
Marshall and Swift;~~ 84594

~~(b) One half one-half of the change in the consumer price 84595
index for all items for all urban consumers, as published by the 84596
United States bureau of labor statistics, from the beginning of 84597
the old lease to the beginning of the new lease. 84598~~

(6) Subject to division (B) of this section, for a new lease 84599
of a facility that was not in existence or that was in existence 84600

but not operated under a lease on May 27, 1992, actual, allowable 84601
capital costs shall include the lesser of annual new lease expense 84602
or the annual amount calculated for the old lease under division 84603
(G)(2), (3), (4), or (6) of this section, as applicable. If the 84604
old lease was in effect for ten years or longer, the lessor's 84605
historical capital asset cost basis shall be ~~adjusted by the~~ 84606
~~lesser of the following,~~ for purposes of calculating the annual 84607
amount under division (G)(2), (3), (4), or (6) of this section: 84608

~~(a) One half of the change in construction costs from the 84609
beginning of the old lease to the beginning of the new lease, as 84610
calculated by the department using the "Dodge building cost 84611
indexes, northeastern and north central states," published by 84612
Marshall and Swift; 84613~~

~~(b) One half, adjusted by one-half of the change in the 84614
consumer price index for all items for all urban consumers, as 84615
published by the United States bureau of labor statistics, from 84616
the beginning of the old lease to the beginning of the new lease. 84617~~

In the case of a lease under division (G)(3) of this section 84618
of a facility for which a substantial commitment of money was made 84619
after December 22, 1992, and before July 1, 1993, the old lease 84620
payment shall be adjusted for the purpose of determining the 84621
annual amount. 84622

(7) For any revision of a lease described in division (G)(1), 84623
(2), (3), (4), (5), or (6) of this section, or for any subsequent 84624
lease of a facility operated under such a lease, other than 84625
execution of a new lease, the portion of actual, allowable capital 84626
costs attributable to the lease shall be the same as before the 84627
revision or subsequent lease. 84628

(8) Except as provided in division (G)(9) of this section, if 84629
a provider leases an interest in a facility to another provider 84630
who is a related party or previously operated the facility, the 84631

related party's or previous operator's actual, allowable capital 84632
costs shall include the lesser of the annual lease expense or the 84633
reasonable cost to the lessor. 84634

(9) If a provider leases an interest in a facility to another 84635
provider who is a related party, regardless of the date of the 84636
lease, the related party's actual, allowable capital costs shall 84637
include the annual lease expense, subject to the limitations 84638
specified in divisions (G)(1) to (7) of this section, if all of 84639
the following conditions are met: 84640

(a) The related party is a relative of owner; 84641

(b) If the lessor retains an ownership interest, it is, 84642
except as provided in division (G)(9)(c)(ii) of this section, in 84643
only the real property and any improvements on the real property; 84644

(c) The department of job and family services determines that 84645
the lease is an arm's length transaction pursuant to rules adopted 84646
under section 5111.02 of the Revised Code. The rules shall provide 84647
that a lease is an arm's length transaction if all of the 84648
following apply: 84649

(i) Once the lease goes into effect, the lessor has no direct 84650
or indirect interest in the lessee or, except as provided in 84651
division (G)(9)(b) of this section, the facility itself, including 84652
interest as an owner, officer, director, employee, independent 84653
contractor, or consultant, but excluding interest as a lessor. 84654

(ii) The lessor does not reacquire an interest in the 84655
facility except through the exercise of a lessor's rights in the 84656
event of a default. If the lessor reacquires an interest in the 84657
facility in this manner, the department shall treat the facility 84658
as if the lease never occurred when the department calculates its 84659
reimbursement rates for capital costs. 84660

(iii) The lease satisfies any other criteria specified in the 84661
rules. 84662

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a lessor who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (F)(4) of this section or actual, allowable capital costs were determined most recently under division (G)(9) of this section.

(10) This division does not apply to leases of specific items of equipment.

Sec. 5111.251. (A) The department of job and family services shall pay a provider for each of the provider's eligible intermediate care facilities for the mentally retarded for its reasonable capital costs, a per resident per day rate established prospectively each fiscal year for each intermediate care facility for the mentally retarded. Except as otherwise provided in sections 5111.20 to 5111.33 of the Revised Code, the rate shall be based on the facility's capital costs for the calendar year preceding the fiscal year in which the rate will be paid. The rate shall equal the sum of the following:

(1) The facility's desk-reviewed, actual, allowable, per diem cost of ownership for the preceding cost reporting period, limited as provided in divisions (C) and (F) of this section;

(2) Any efficiency incentive determined under division (B) of this section;

(3) Any amounts for renovations determined under division (D) of this section;

(4) Any amounts for return on equity determined under division ~~(I)~~(H) of this section.

Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the

department. Components and equipment shall be depreciated using 84693
the straight line method over a period designated by the director 84694
of job and family services in rules adopted under section 5111.02 84695
of the Revised Code, consistent with the guidelines of the 84696
American hospital association, or over a different period approved 84697
by the department of job and family services. Any rules authorized 84698
by this division that specify useful lives of buildings, 84699
components, or equipment apply only to assets acquired on or after 84700
July 1, 1993. Depreciation for costs paid or reimbursed by any 84701
government agency shall not be included in costs of ownership or 84702
renovation unless that part of the payment under sections 5111.20 84703
to 5111.33 of the Revised Code is used to reimburse the government 84704
agency. 84705

(B) The department of job and family services shall pay to a 84706
provider for each of the provider's eligible intermediate care 84707
facilities for the mentally retarded an efficiency incentive equal 84708
to fifty per cent of the difference between any desk-reviewed, 84709
actual, allowable cost of ownership and the applicable limit on 84710
cost of ownership payments under division (C) of this section. For 84711
purposes of computing the efficiency incentive, depreciation for 84712
costs paid or reimbursed by any government agency shall be 84713
considered as a cost of ownership, and the applicable limit under 84714
division (C) of this section shall apply both to facilities with 84715
more than eight beds and facilities with eight or fewer beds. The 84716
efficiency incentive paid to a provider for a facility with eight 84717
or fewer beds shall not exceed three dollars per patient day, 84718
adjusted annually for the inflation rate for the twelve-month 84719
period beginning on the first day of July of the calendar year 84720
preceding the calendar year that precedes the fiscal year for 84721
which the efficiency incentive is determined and ending on the 84722
thirtieth day of the following June, using the consumer price 84723
index for shelter costs for all urban consumers for the north 84724
central region, as published by the United States bureau of labor 84725

statistics.	84726
(C) Cost of ownership payments for intermediate care facilities for the mentally retarded with more than eight beds shall not exceed the following limits:	84727 84728 84729
(1) For facilities with dates of licensure prior to January 1, 1958, not exceeding two dollars and fifty cents per patient day;	84730 84731 84732
(2) For facilities with dates of licensure after December 31, 1957, but prior to January 1, 1968, not exceeding:	84733 84734
(a) Three dollars and fifty cents per patient day if the cost of construction was three thousand five hundred dollars or more per bed;	84735 84736 84737
(b) Two dollars and fifty cents per patient day if the cost of construction was less than three thousand five hundred dollars per bed.	84738 84739 84740
(3) For facilities with dates of licensure after December 31, 1967, but prior to January 1, 1976, not exceeding:	84741 84742
(a) Four dollars and fifty cents per patient day if the cost of construction was five thousand one hundred fifty dollars or more per bed;	84743 84744 84745
(b) Three dollars and fifty cents per patient day if the cost of construction was less than five thousand one hundred fifty dollars per bed, but exceeds three thousand five hundred dollars per bed;	84746 84747 84748 84749
(c) Two dollars and fifty cents per patient day if the cost of construction was three thousand five hundred dollars or less per bed.	84750 84751 84752
(4) For facilities with dates of licensure after December 31, 1975, but prior to January 1, 1979, not exceeding:	84753 84754
(a) Five dollars and fifty cents per patient day if the cost	84755

of construction was six thousand eight hundred dollars or more per 84756
bed; 84757

(b) Four dollars and fifty cents per patient day if the cost 84758
of construction was less than six thousand eight hundred dollars 84759
per bed but exceeds five thousand one hundred fifty dollars per 84760
bed; 84761

(c) Three dollars and fifty cents per patient day if the cost 84762
of construction was five thousand one hundred fifty dollars or 84763
less per bed, but exceeds three thousand five hundred dollars per 84764
bed; 84765

(d) Two dollars and fifty cents per patient day if the cost 84766
of construction was three thousand five hundred dollars or less 84767
per bed. 84768

(5) For facilities with dates of licensure after December 31, 84769
1978, but prior to January 1, 1980, not exceeding: 84770

(a) Six dollars per patient day if the cost of construction 84771
was seven thousand six hundred twenty-five dollars or more per 84772
bed; 84773

of construction was six thousand eight hundred dollars or less per 84779
bed but exceeds five thousand one hundred fifty dollars per bed; 84780

(d) Three dollars and fifty cents per patient day if the cost 84781
of construction was five thousand one hundred fifty dollars or 84782
less but exceeds three thousand five hundred dollars per bed; 84783

(e) Two dollars and fifty cents per patient day if the cost 84784
of construction was three thousand five hundred dollars or less 84785

per bed.	84786
(6) For facilities with dates of licensure after December 31, 1979, but prior to January 1, 1981, not exceeding:	84787 84788
(a) Twelve dollars per patient day if the beds were originally licensed as residential facility beds by the department of developmental disabilities;	84789 84790 84791
(b) Six dollars per patient day if the beds were originally licensed as nursing home beds by the department of health.	84792 84793

(12) For facilities with dates of licensure after December 31, 1985, but prior to January 1, 1987, not exceeding:	84834 84835
(a) Twelve dollars and seventy cents per patient day if the beds were originally licensed as residential facility beds by the department of developmental disabilities;	84836 84837 84838

the beds were originally licensed as residential facility beds by 84845
the department of developmental disabilities; 84846

(b) Seven dollars and sixty-seven cents per patient day if 84847
the beds were originally licensed as nursing home beds by the 84848
department of health. 84849

(14) For facilities with dates of licensure after December 84850
31, 1987, but prior to January 1, 1989, not exceeding thirteen 84851
dollars and twenty-six cents per patient day; 84852

(15) For facilities with dates of licensure after December 84853
31, 1988, but prior to January 1, 1990, not exceeding thirteen 84854
dollars and forty-six cents per patient day; 84855

(16) For facilities with dates of licensure after December 84856
31, 1989, but prior to January 1, 1991, not exceeding thirteen 84857
dollars and sixty cents per patient day; 84858

(17) For facilities with dates of licensure after December 84859
31, 1990, but prior to January 1, 1992, not exceeding thirteen 84860
dollars and forty-nine cents per patient day; 84861

(18) For facilities with dates of licensure after December 84862
31, 1991, but prior to January 1, 1993, not exceeding thirteen 84863
dollars and sixty-seven cents per patient day; 84864

(19) For facilities with dates of licensure after December 84865
31, 1992, not exceeding fourteen dollars and twenty-eight cents 84866
per patient day. 84867

(D) Beginning January 1, 1981, regardless of the original 84868
date of licensure, the department of job and family services shall 84869
pay a rate for the per diem capitalized costs of renovations to 84870
intermediate care facilities for the mentally retarded made after 84871
January 1, 1981, not exceeding six dollars per patient day using 84872
1980 as the base year and adjusting the amount annually until June 84873
30, 1993, for fluctuations in construction costs calculated by the 84874

department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift. The payment provided for in this division is the only payment that shall be made for the capitalized costs of a nonextensive renovation of an intermediate care facility for the mentally retarded. Nonextensive renovation costs shall not be included in cost of ownership, and a nonextensive renovation shall not affect the date of licensure for purposes of division (C) of this section. This division applies to nonextensive renovations regardless of whether they are made by an owner or a lessee. If the tenancy of a lessee that has made renovations ends before the depreciation expense for the renovation costs has been fully reported, the former lessee shall not report the undepreciated balance as an expense.

For a nonextensive renovation to qualify for payment under this division, both of the following conditions must be met:

(1) At least five years have elapsed since the date of licensure or date of an extensive renovation of the portion of the facility that is proposed to be renovated, except that this condition does not apply if the renovation is necessary to meet the requirements of federal, state, or local statutes, ordinances, rules, or policies.

(2) The provider has obtained prior approval from the department of job and family services. The provider shall submit a plan that describes in detail the changes in capital assets to be accomplished by means of the renovation and the timetable for completing the project. The time for completion of the project shall be no more than eighteen months after the renovation begins. The director of job and family services shall adopt rules under section 5111.02 of the Revised Code that specify criteria and procedures for prior approval of renovation projects. No provider shall separate a project with the intent to evade the

characterization of the project as a renovation or as an extensive 84907
renovation. No provider shall increase the scope of a project 84908
after it is approved by the department of job and family services 84909
unless the increase in scope is approved by the department. 84910

(E) The amounts specified in divisions (C) and (D) of this 84911
section shall be adjusted beginning July 1, 1993, for the 84912
estimated inflation for the twelve-month period beginning on the 84913
first day of July of the calendar year preceding the calendar year 84914
that precedes the fiscal year for which rate will be paid and 84915
ending on the thirtieth day of the following June, using the 84916
consumer price index for shelter costs for all urban consumers for 84917
the north central region, as published by the United States bureau 84918
of labor statistics. 84919

(F)(1) For facilities of eight or fewer beds that have dates 84920
of licensure or have been granted project authorization by the 84921
department of developmental disabilities before July 1, 1993, and 84922
for facilities of eight or fewer beds that have dates of licensure 84923
or have been granted project authorization after that date if the 84924
providers of the facilities demonstrate that they made substantial 84925
commitments of funds on or before that date, cost of ownership 84926
shall not exceed eighteen dollars and thirty cents per resident 84927
per day. The eighteen-dollar and thirty-cent amount shall be 84928
increased by the change in the "Dodge building cost indexes, 84929
northeastern and north central states," published by Marshall and 84930
Swift, during the period beginning June 30, 1990, and ending July 84931
1, 1993, and by the change in the consumer price index for shelter 84932
costs for all urban consumers for the north central region, as 84933
published by the United States bureau of labor statistics, 84934
annually thereafter. 84935

(2) For facilities with eight or fewer beds that have dates 84936
of licensure or have been granted project authorization by the 84937
department of developmental disabilities on or after July 1, 1993, 84938

for which substantial commitments of funds were not made before 84939
that date, cost of ownership payments shall not exceed the 84940
applicable amount calculated under division (F)(1) of this 84941
section, if the department of job and family services gives prior 84942
approval for construction of the facility. If the department does 84943
not give prior approval, cost of ownership payments shall not 84944
exceed the amount specified in division (C) of this section. 84945

(3) Notwithstanding divisions (D) and (F)(1) and (2) of this 84946
section, the total payment for cost of ownership, cost of 84947
ownership efficiency incentive, and capitalized costs of 84948
renovations for an intermediate care facility for the mentally 84949
retarded with eight or fewer beds shall not exceed the sum of the 84950
limitations specified in divisions (C) and (D) of this section. 84951

(G) Notwithstanding any provision of this section or section 84952
5111.241 of the Revised Code, the director of job and family 84953
services may adopt rules under section 5111.02 of the Revised Code 84954
that provide for a calculation of a combined maximum payment limit 84955
for indirect care costs and cost of ownership for intermediate 84956
care facilities for the mentally retarded with eight or fewer 84957
beds. 84958

~~(H) After the date on which a transaction of sale is closed,~~ 84959
~~the provider shall refund to the department the amount of excess~~ 84960
~~depreciation paid to the provider for the facility by the~~ 84961
~~department for each year the provider has operated the facility~~ 84962
~~under a provider agreement and prorated according to the number of~~ 84963
~~medicaid patient days for which the provider has received payment~~ 84964
~~for the facility. For the purposes of this division, "depreciation~~ 84965
~~paid to the provider for the facility" means the amount paid to~~ 84966
~~the provider for the intermediate care facility for the mentally~~ 84967
~~retarded for cost of ownership pursuant to this section less any~~ 84968
~~amount paid for interest costs. For the purposes of this division,~~ 84969
~~"excess depreciation" is the intermediate care facility for the~~ 84970

~~mentally retarded's depreciated basis, which is the provider's 84971
cost less accumulated depreciation, subtracted from the purchase 84972
price but not exceeding the amount of depreciation paid to the 84973
provider for the facility. 84974~~

~~(I)~~ The department of job and family services shall pay a 84975
provider for each of the provider's eligible proprietary 84976
intermediate care facilities for the mentally retarded a return on 84977
the facility's net equity computed at the rate of one and one-half 84978
times the average of interest rates on special issues of public 84979
debt obligations issued to the federal hospital insurance trust 84980
fund for the cost reporting period. No facility's return on net 84981
equity paid under this division shall exceed one dollar per 84982
patient day. 84983

In calculating the rate for return on net equity, the 84984
department shall use the greater of the facility's inpatient days 84985
during the applicable cost reporting period or the number of 84986
inpatient days the facility would have had during that period if 84987
its occupancy rate had been ninety-five per cent. 84988

~~(J)(I)~~(1) Except as provided in division ~~(J)(I)~~(2) of this 84989
section, if a provider leases or transfers an interest in a 84990
facility to another provider who is a related party, the related 84991
party's allowable cost of ownership shall include the lesser of 84992
the following: 84993

(a) The annual lease expense or actual cost of ownership, 84994
whichever is applicable; 84995

(b) The reasonable cost to the lessor or provider making the 84996
transfer. 84997

(2) If a provider leases or transfers an interest in a 84998
facility to another provider who is a related party, regardless of 84999
the date of the lease or transfer, the related party's allowable 85000
cost of ownership shall include the annual lease expense or actual 85001

cost of ownership, whichever is applicable, subject to the 85002
limitations specified in divisions (B) to ~~(I)~~(H) of this section, 85003
if all of the following conditions are met: 85004

(a) The related party is a relative of owner; 85005

(b) In the case of a lease, if the lessor retains any 85006
ownership interest, it is, except as provided in division 85007
~~(J)~~(I)(2)(d)(ii) of this section, in only the real property and 85008
any improvements on the real property; 85009

(c) In the case of a transfer, the provider making the 85010
transfer retains, except as provided in division ~~(J)~~(I)(2)(d)(iv) 85011
of this section, no ownership interest in the facility; 85012

(d) The department of job and family services determines that 85013
the lease or transfer is an arm's length transaction pursuant to 85014
rules adopted under section 5111.02 of the Revised Code. The rules 85015
shall provide that a lease or transfer is an arm's length 85016
transaction if all of the following, as applicable, apply: 85017

(i) In the case of a lease, once the lease goes into effect, 85018
the lessor has no direct or indirect interest in the lessee or, 85019
except as provided in division ~~(J)~~(I)(2)(b) of this section, the 85020
facility itself, including interest as an owner, officer, 85021
director, employee, independent contractor, or consultant, but 85022
excluding interest as a lessor. 85023

(ii) In the case of a lease, the lessor does not reacquire an 85024
interest in the facility except through the exercise of a lessor's 85025
rights in the event of a default. If the lessor reacquires an 85026
interest in the facility in this manner, the department shall 85027
treat the facility as if the lease never occurred when the 85028
department calculates its reimbursement rates for capital costs. 85029

(iii) In the case of a transfer, once the transfer goes into 85030
effect, the provider that made the transfer has no direct or 85031
indirect interest in the provider that acquires the facility or 85032

the facility itself, including interest as an owner, officer, 85033
director, employee, independent contractor, or consultant, but 85034
excluding interest as a creditor. 85035

(iv) In the case of a transfer, the provider that made the 85036
transfer does not reacquire an interest in the facility except 85037
through the exercise of a creditor's rights in the event of a 85038
default. If the provider reacquires an interest in the facility in 85039
this manner, the department shall treat the facility as if the 85040
transfer never occurred when the department calculates its 85041
reimbursement rates for capital costs. 85042

(v) The lease or transfer satisfies any other criteria 85043
specified in the rules. 85044

(e) Except in the case of hardship caused by a catastrophic 85045
event, as determined by the department, or in the case of a lessor 85046
or provider making the transfer who is at least sixty-five years 85047
of age, not less than twenty years have elapsed since, for the 85048
same facility, allowable cost of ownership was determined most 85049
recently under this division. 85050

Sec. 5111.254. (A) The department of job and family services 85051
shall establish initial rates for a nursing facility with a first 85052
date of licensure that is on or after July 1, 2006, including a 85053
facility that replaces one or more existing facilities, or for a 85054
nursing facility with a first date of licensure before that date 85055
that was initially certified for the medicaid program on or after 85056
that date, in the following manner: 85057

(1) The rate for direct care costs shall be the product of 85058
the cost per case-mix unit determined under division (D) of 85059
section 5111.231 of the Revised Code for the facility's peer group 85060
and the nursing facility's case-mix score. For the purpose of 85061
division (A)(1) of this section, the nursing facility's case-mix 85062
score shall be the following: 85063

(a) Unless the nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the replacement nursing facility begins participating in the medicaid program, the median annual average case-mix score for the nursing facility's peer group;

(b) If the nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the replacement nursing facility begins participating in the medicaid program, the semiannual case-mix score most recently determined under section 5111.232 of the Revised Code for the replaced nursing facility as adjusted, if necessary, to reflect any difference in the number of beds in the replaced and replacement nursing facilities.

(2) The rate for ancillary and support costs shall be the rate for the facility's peer group determined under division (D) of section 5111.24 of the Revised Code.

(3) The rate for capital costs shall be the ~~median~~ rate for the facility's peer group determined under division (D) of section 5111.25 of the Revised Code.

(4) The rate for tax costs as defined in section 5111.242 of the Revised Code shall be the median rate for tax costs for the facility's peer group in which the facility is placed under division (C) of section 5111.24 of the Revised Code.

(5) The quality incentive payment, if any, shall be the mean payment ~~specified in division (B) of~~ made to nursing facilities under section 5111.244 of the Revised Code.

(B) Subject to division (C) of this section, the department shall adjust the rates established under division (A) of this section effective the first day of July, to reflect new rate calculations for all nursing facilities under sections 5111.20 to 5111.33 of the Revised Code.

(C) If a rate for direct care costs is determined under this 85095
section for a nursing facility using the median annual average 85096
case-mix score for the nursing facility's peer group, the rate 85097
shall be redetermined to reflect the replacement nursing 85098
facility's actual semiannual case-mix score determined under 85099
section 5111.232 of the Revised Code after the nursing facility 85100
submits its first two quarterly assessment data that qualify for 85101
use in calculating a case-mix score in accordance with rules 85102
authorized by division (E) of section 5111.232 of the Revised 85103
Code. If the nursing facility's quarterly submissions do not 85104
qualify for use in calculating a case-mix score, the department 85105
shall continue to use the median annual average case-mix score for 85106
the nursing facility's peer group in lieu of the nursing 85107
facility's semiannual case-mix score until the nursing facility 85108
submits two consecutive quarterly assessment data that qualify for 85109
use in calculating a case-mix score. 85110

Sec. 5111.258. (A) Notwithstanding sections 5111.20 to 85111
5111.33 of the Revised Code (except section 5111.259 of the 85112
Revised Code), the director of job and family services shall adopt 85113
rules under section 5111.02 of the Revised Code that establish a 85114
methodology for calculating the prospective rates that will be 85115
paid each fiscal year to a provider for each of the provider's 85116
eligible nursing facilities and intermediate care facilities for 85117
the mentally retarded, and discrete units of the provider's 85118
nursing facilities or intermediate care facilities for the 85119
mentally retarded, that serve residents who have diagnoses or 85120
special care needs that require direct care resources that are not 85121
measured adequately by the applicable assessment instrument 85122
specified in rules authorized by section 5111.232 of the Revised 85123
Code, or who have diagnoses or special care needs specified in the 85124
rules as otherwise qualifying for consideration under this 85125
section. The facilities and units of facilities whose rates are 85126

established under this division may include, but shall not be 85127
limited to, any of the following: 85128

(1) In the case of nursing facilities, facilities and units 85129
of facilities that serve medically fragile pediatric residents, 85130
residents who are dependent on ventilators, or residents who have 85131
severe traumatic brain injury, end-stage Alzheimer's disease, or 85132
end-stage acquired immunodeficiency syndrome; 85133

(2) In the case of intermediate care facilities for the 85134
mentally retarded, facilities and units of facilities that serve 85135
residents who have complex medical conditions or severe behavioral 85136
problems. 85137

The department shall use the methodology established under 85138
this division to pay for services rendered by such facilities and 85139
units after June 30, 1993. 85140

The rules authorized by this division shall specify the 85141
criteria and procedures the department will apply when designating 85142
facilities and units that qualify for calculation of rates under 85143
this division. The criteria shall include consideration of whether 85144
all of the allowable costs of the facility or unit would be paid 85145
by rates established under sections 5111.20 to 5111.33 of the 85146
Revised Code, and shall establish a minimum bed size for a 85147
facility or unit to qualify to have its rates established under 85148
this division. The criteria shall not be designed to require that 85149
residents be served only in facilities located in large cities. 85150
The methodology established by the rules shall consider the 85151
historical costs of providing care to the residents of the 85152
facilities or units. 85153

The rules may require that a facility designated under this 85154
division or containing a unit designated under this division 85155
receive authorization from the department to admit or retain a 85156
resident to the facility or unit and shall specify the criteria 85157

and procedures the department will apply when granting that authorization. 85158
85159

Notwithstanding any other provision of sections 5111.20 to 85160
5111.33 of the Revised Code (except section 5111.259 of the 85161
Revised Code), the costs incurred by facilities or units whose 85162
rates are established under this division shall not be considered 85163
in establishing payment rates for other facilities or units. 85164

(B) The director may adopt rules under section 5111.02 of the 85165
Revised Code under which the department, notwithstanding any other 85166
provision of sections 5111.20 to 5111.33 of the Revised Code 85167
(except section 5111.259 of the Revised Code), may adjust the 85168
rates determined under sections 5111.20 to 5111.33 of the Revised 85169
Code for a facility that serves a resident who has a diagnosis or 85170
special care need that, in the rules authorized by division (A) of 85171
this section, would qualify a facility or unit of a facility to 85172
have its rate determined under that division, but who is not in 85173
such a unit. The rules may require that a facility that qualifies 85174
for a rate adjustment under this division receive authorization 85175
from the department to admit or retain a resident who qualifies 85176
the facility for the rate adjustment and shall specify the 85177
criteria and procedures the department will apply when granting 85178
that authorization. 85179

Sec. 5111.259. The director of job and family services may 85180
submit a request to the United States secretary of health and 85181
human services for approval to establish a centers of excellence 85182
component of the medicaid program. The purpose of the centers of 85183
excellence component is to increase the efficiency and quality of 85184
nursing facility services provided to medicaid recipients with 85185
complex nursing facility service needs. If federal approval for 85186
the centers of excellence component is granted, the director may 85187
adopt rules under section 5111.02 of the Revised Code governing 85188

the component, including rules that establish a method of 85189
determining the medicaid reimbursement rates for nursing 85190
facilities providing nursing facility services to medicaid 85191
recipients participating in the component. The rules may specify 85192
the extent to which, if any, of the provisions of section 5111.258 85193
of the Revised Code are to apply to the centers of excellence 85194
component. If such rules are adopted, the nursing facilities that 85195
provide nursing facility services to medicaid recipients 85196
participating in the centers of excellence component shall be paid 85197
for those services in accordance with the method established in 85198
the rules notwithstanding anything to the contrary in sections 85199
5111.20 to 5111.33 of the Revised Code. 85200

Sec. 5111.261. (A) Except as provided in division (B) of this 85201
section and not later than three years after a provider files a 85202
cost report with the department of job and family services under 85203
section 5111.26 of the Revised Code, the provider may amend the 85204
cost report if the provider discovers a material error in the cost 85205
report or additional information to be included in the cost 85206
report. The department shall review the amended cost report for 85207
accuracy and notify the provider of its determination. 85208

(B) A provider may not amend a cost report if the department 85209
has notified the provider that an audit of the cost report or a 85210
cost report of the provider for a subsequent cost reporting period 85211
is to be conducted under section 5111.27 of the Revised Code. The 85212
provider may, however, provide the department information that 85213
affects the costs included in the cost report. Such information 85214
may not be provided after the adjudication of the final settlement 85215
of the cost report. 85216

Sec. ~~5111.261~~ 5111.263. Except as otherwise provided in 85217
section 5111.264 of the Revised Code, the department of job and 85218

family services, in determining whether an intermediate care 85219
facility for the mentally retarded's direct care costs and 85220
indirect care costs are allowable, shall place no limit on 85221
specific categories of reasonable costs other than compensation of 85222
owners, compensation of relatives of owners, and compensation of 85223
administrators. 85224

Compensation cost limits for owners and relatives of owners 85225
shall be based on compensation costs for individuals who hold 85226
comparable positions but who are not owners or relatives of 85227
owners, as reported on facility cost reports. As used in this 85228
section, "comparable position" means the position that is held by 85229
the owner or the owner's relative, if that position is listed 85230
separately on the cost report form, or if the position is not 85231
listed separately, the group of positions that is listed on the 85232
cost report form and that includes the position held by the owner 85233
or the owner's relative. In the case of an owner or owner's 85234
relative who serves the facility in a capacity such as corporate 85235
officer, proprietor, or partner for which no comparable position 85236
or group of positions is listed on the cost report form, the 85237
compensation cost limit shall be based on civil service 85238
equivalents and shall be specified in rules adopted under section 85239
5111.02 of the Revised Code. 85240

Compensation cost limits for administrators shall be based on 85241
compensation costs for administrators who are not owners or 85242
relatives of owners, as reported on facility cost reports. 85243
Compensation cost limits for administrators of four or more 85244
intermediate care facilities for the mentally retarded shall be 85245
the same as the limits for administrators of intermediate care 85246
facilities for the mentally retarded with one hundred fifty or 85247
more beds. 85248

Sec. 5111.27. (A) The department of job and family services 85249

shall conduct a desk review of each cost report it receives under 85250
section 5111.26 of the Revised Code. Based on the desk review, the 85251
department shall make a preliminary determination of whether the 85252
reported costs are allowable costs. The department shall notify 85253
each provider of whether any of the reported costs are 85254
preliminarily determined not to be allowable, the rate calculation 85255
under sections 5111.20 to 5111.33 of the Revised Code that results 85256
from that determination, and the reasons for the determination and 85257
resulting rate. The department shall allow the provider to verify 85258
the calculation and submit additional information. 85259

(B) The department may conduct an audit, as defined by rule 85260
adopted under section 5111.02 of the Revised Code, of any cost 85261
report ~~and shall notify the provider of its findings.~~ 85262

~~Audits shall be conducted by auditors under contract with or~~ 85263
~~employed by the department.~~ The decision whether to conduct an 85264
audit and the scope of the audit, which may be a desk or field 85265
audit, ~~shall~~ may be determined based on prior performance of the 85266
provider ~~and may be based on,~~ a risk analysis, or other evidence 85267
that gives the department reason to believe that the provider has 85268
reported costs improperly. A desk or field audit may be performed 85269
annually, but is required whenever a provider does not pass the 85270
risk analysis tolerance factors. An audit shall be conducted by 85271
auditors under contract with or employed by the department. The 85272
department shall notify a provider of the findings of an audit by 85273
issuing an audit report. The department shall issue the audit 85274
report no later than three years after the cost report is filed, 85275
or upon the completion of a desk or field audit on the report or a 85276
report for a subsequent cost reporting period, whichever is 85277
earlier. ~~During the time within which the department may issue an~~ 85278
~~audit report, the provider may amend the cost report upon~~ 85279
~~discovery of a material error or material additional information.~~ 85280
~~The department shall review the amended cost report for accuracy~~ 85281

~~and notify the provider of its determination.~~ 85282

The department may establish a contract for the auditing of 85283
facilities by outside firms. Each contract entered into by bidding 85284
shall be effective for one to two years. The department shall 85285
establish an audit manual and program which shall require that all 85286
field audits, conducted either pursuant to a contract or by 85287
department employees: 85288

(1) Comply with the applicable rules prescribed pursuant to 85289
Titles XVIII and XIX; 85290

(2) Consider generally accepted auditing standards prescribed 85291
by the American institute of certified public accountants; 85292

(3) Include a written summary as to whether the costs 85293
included in the report examined during the audit are allowable and 85294
are presented ~~fairly~~ in accordance with ~~generally accepted~~ 85295
~~accounting principles and department rules~~ state and federal laws 85296
and regulations, and whether, in all material respects, allowable 85297
costs are documented, reasonable, and related to patient care; 85298

(4) Are conducted by accounting firms or auditors who, during 85299
the period of the auditors' professional engagement or employment 85300
and during the period covered by the cost reports, do not have nor 85301
are committed to acquire any direct or indirect financial interest 85302
in the ownership, financing, or operation of a nursing facility or 85303
intermediate care facility for the mentally retarded in this 85304
state; 85305

(5) Are conducted by accounting firms or auditors who, as a 85306
condition of the contract or employment, shall not audit any 85307
facility that has been a client of the firm or auditor; 85308

(6) Are conducted by auditors who are otherwise independent 85309
as determined by the standards of independence ~~established by~~ 85310
included in the American institute of certified public accountants 85311
government auditing standards produced by the United States 85312

government accountability office; 85313

(7) Are completed within the time period specified by the 85314
department; 85315

(8) Provide to the provider complete written interpretations 85316
that explain in detail the application of all relevant contract 85317
provisions, regulations, auditing standards, rate formulae, and 85318
departmental policies, with explanations and examples, that are 85319
sufficient to permit the provider to calculate with reasonable 85320
certainty those costs that are allowable and the rate to which the 85321
provider's facility is entitled. 85322

For the purposes of division (B)(4) of this section, 85323
employment of a member of an auditor's family by a nursing 85324
facility or intermediate care facility for the mentally retarded 85325
that the auditor does not review does not constitute a direct or 85326
indirect financial interest in the ownership, financing, or 85327
operation of the facility. 85328

(C) The department, pursuant to rules adopted under section 85329
5111.02 of the Revised Code, may conduct an exception review of 85330
assessment data submitted under section 5111.232 of the Revised 85331
Code. The department may conduct an exception review based on the 85332
findings of a certification survey conducted by the department of 85333
health, a risk analysis, or prior performance of the provider. 85334

Exception reviews shall be conducted at the facility by 85335
appropriate health professionals under contract with or employed 85336
by the department of job and family services. The professionals 85337
may review resident assessment forms and supporting documentation, 85338
conduct interviews, and observe residents to identify any patterns 85339
or trends of inaccurate assessments and resulting inaccurate 85340
case-mix scores. 85341

The rules shall establish an exception review program that 85342
requires that exception reviews do all of the following: 85343

(1) Comply with Titles XVIII and XIX; 85344

(2) Provide a written summary that states whether the 85345
resident assessment forms have been completed accurately; 85346

(3) Are conducted by health professionals who, during the 85347
period of their professional engagement or employment with the 85348
department, neither have nor are committed to acquire any direct 85349
or indirect financial interest in the ownership, financing, or 85350
operation of a nursing facility or intermediate care facility for 85351
the mentally retarded in this state; 85352

(4) Are conducted by health professionals who, as a condition 85353
of their engagement or employment with the department, shall not 85354
review any provider that has been a client of the professional. 85355

For the purposes of division (C)(3) of this section, 85356
employment of a member of a health professional's family by a 85357
nursing facility or intermediate care facility for the mentally 85358
retarded that the professional does not review does not constitute 85359
a direct or indirect financial interest in the ownership, 85360
financing, or operation of the facility. 85361

If an exception review is conducted before the effective date 85362
of the rate that is based on the case-mix data subject to the 85363
review and the review results in findings that exceed tolerance 85364
levels specified in the rules adopted under this division, the 85365
department, in accordance with those rules, may use the findings 85366
to recalculate individual resident case-mix scores, quarterly 85367
average facility case-mix scores, and annual average facility 85368
case-mix scores. The department may use the recalculated quarterly 85369
and annual facility average case-mix scores to calculate the 85370
facility's rate for direct care costs for the appropriate calendar 85371
quarter or quarters. 85372

(D) The department shall prepare a written summary of any 85373
audit disallowance or exception review finding that is made after 85374

the effective date of the rate that is based on the cost or 85375
case-mix data. Where the provider is pursuing judicial or 85376
administrative remedies in good faith regarding the disallowance 85377
or finding, the department shall not withhold from the provider's 85378
current payments any amounts the department claims to be due from 85379
the provider pursuant to section 5111.28 of the Revised Code. 85380

(E) The department shall not reduce rates calculated under 85381
sections 5111.20 to 5111.33 of the Revised Code on the basis that 85382
the provider charges a lower rate to any resident who is not 85383
eligible for the medicaid program. 85384

(F) The department shall adjust the rates calculated under 85385
sections 5111.20 to 5111.33 of the Revised Code to account for 85386
reasonable additional costs that must be incurred by intermediate 85387
care facilities for the mentally retarded to comply with 85388
requirements of federal or state statutes, rules, or policies 85389
enacted or amended after January 1, 1992, or with orders issued by 85390
state or local fire authorities. 85391

Sec. 5111.28. (A) If a provider properly amends its cost 85392
report under section ~~5111.27~~ 5111.261 of the Revised Code and the 85393
amended report shows that the provider received a lower rate under 85394
the original cost report than it was entitled to receive, the 85395
department of job and family services shall adjust the provider's 85396
rate prospectively to reflect the corrected information. The 85397
department shall pay the adjusted rate beginning two months after 85398
the first day of the month after the provider files the amended 85399
cost report. If the department finds, from an exception review of 85400
resident assessment information conducted after the effective date 85401
of the rate for direct care costs that is based on the assessment 85402
information, that inaccurate assessment information resulted in 85403
the provider receiving a lower rate than it was entitled to 85404
receive, the department prospectively shall adjust the provider's 85405

rate accordingly and shall make payments using the adjusted rate 85406
for the remainder of the calendar quarter for which the assessment 85407
information is used to determine the rate, beginning one month 85408
after the first day of the month after the exception review is 85409
completed. 85410

(B) If the provider properly amends its cost report under 85411
section ~~5111.27~~ 5111.261 of the Revised Code, the department makes 85412
a finding based on an audit under ~~that~~ section 5111.27 of the 85413
Revised Code, or the department makes a finding based on an 85414
exception review of resident assessment information conducted 85415
under ~~that~~ section 5111.27 of the Revised Code after the effective 85416
date of the rate for direct care costs that is based on the 85417
assessment information, any of which results in a determination 85418
that the provider has received a higher rate than it was entitled 85419
to receive, the department shall recalculate the provider's rate 85420
using the revised information. The department shall apply the 85421
recalculated rate to the periods when the provider received the 85422
incorrect rate to determine the amount of the overpayment. The 85423
provider shall refund the amount of the overpayment. 85424

In addition to requiring a refund under this division, the 85425
department may charge the provider interest at the applicable rate 85426
specified in this division from the time the overpayment was made. 85427

(1) If the overpayment resulted from costs reported for 85428
calendar year 1993, the interest shall be no greater than one and 85429
one-half times the average bank prime rate. 85430

(2) If the overpayment resulted from costs reported for 85431
subsequent calendar years: 85432

(a) The interest shall be no greater than two times the 85433
average bank prime rate if the overpayment was equal to or less 85434
than one per cent of the total medicaid payments to the provider 85435
for the fiscal year for which the incorrect information was used 85436

to establish a rate. 85437

(b) The interest shall be no greater than two and one-half 85438
times the current average bank prime rate if the overpayment was 85439
greater than one per cent of the total medicaid payments to the 85440
provider for the fiscal year for which the incorrect information 85441
was used to establish a rate. 85442

(C) The department also may impose the following penalties: 85443

(1) If a provider does not furnish invoices or other 85444
documentation that the department requests during an audit within 85445
sixty days after the request, no more than the greater of one 85446
thousand dollars per audit or twenty-five per cent of the 85447
cumulative amount by which the costs for which documentation was 85448
not furnished increased the total medicaid payments to the 85449
provider during the fiscal year for which the costs were used to 85450
establish a rate; 85451

(2) If an exiting operator or owner fails to provide notice 85452
of a facility closure, voluntary termination, or voluntary 85453
withdrawal of participation in the medicaid program as required by 85454
section 5111.66 of the Revised Code, or an exiting operator or 85455
owner and entering operator fail to provide notice of a change of 85456
operator as required by section 5111.67 of the Revised Code, no 85457
more than the current average bank prime rate plus four per cent 85458
of the last two monthly payments. 85459

(D) If the provider continues to participate in the medicaid 85460
program, the department shall deduct any amount that the provider 85461
is required to refund under this section, and the amount of any 85462
interest charged or penalty imposed under this section, from the 85463
next available payment from the department to the provider. The 85464
department and the provider may enter into an agreement under 85465
which the amount, together with interest, is deducted in 85466
installments from payments from the department to the provider. 85467

(E) The department shall transmit refunds and penalties to 85468
the treasurer of state for deposit in the general revenue fund. 85469

(F) For the purpose of this section, the department shall 85470
determine the average bank prime rate using statistical release 85471
H.15, "selected interest rates," a weekly publication of the 85472
federal reserve board, or any successor publication. If 85473
statistical release H.15, or its successor, ceases to contain the 85474
bank prime rate information or ceases to be published, the 85475
department shall request a written statement of the average bank 85476
prime rate from the federal reserve bank of Cleveland or the 85477
federal reserve board. 85478

~~Sec. 5111.33. Reimbursement to a provider under sections 85479
5111.20 to 5111.32 of the Revised Code shall include payments to 85480
the provider, at a rate equal to the percentage of the per 85481
resident per day rates that the (A) The department of job and 85482
family services has established for the provider's nursing 85483
facility or intermediate care facility for the mentally retarded 85484
may make payments to a provider under sections 5111.20 to 5111.33 85485
of the Revised Code ~~for the fiscal year for which the cost of 85486
services is reimbursed,~~ to reserve a bed for a recipient during a 85487
temporary absence under conditions prescribed by the department, 85488
to include hospitalization for an acute condition, visits with 85489
relatives and friends, and participation in therapeutic programs 85490
outside the facility, when the resident's plan of care provides 85491
for such absence and federal participation in the payments is 85492
available. ~~The~~ 85493~~

~~(B) The maximum period during for which payments may be made 85494
to reserve a bed shall not exceed the ~~maximum period specified 85495
under federal regulations, and shall not be more than following: 85496~~~~

~~(1) For calendar year 2011 and in the case of a bed in a 85497
nursing facility, thirty days ~~during any calendar year for 85498~~~~

~~hospital stays, visits with relatives and friends, and 85499
participation in therapeutic programs; 85500~~

~~(2) For calendar year 2012 and each calendar year thereafter 85501
and in the case of a bed in a nursing facility, fifteen days; 85502~~

~~(3) For any calendar year and in the case of a bed in an 85503
intermediate care facility for the mentally retarded, the number 85504
of days specified in rules adopted under section 5111.02 of the 85505
Revised Code. Recipients who have been identified by the 85506
department as requiring the level of care of an intermediate care 85507
facility for the mentally retarded shall not be subject to a 85508
maximum period during which payments may be made to reserve a bed 85509
if prior authorization of the department is obtained for hospital 85510
stays, visits with relatives and friends, and participation in 85511
therapeutic programs. The director of job and family services 85512
shall adopt rules under section 5111.02 of the Revised Code 85513
establishing conditions under which prior authorization may be 85514
obtained. 85515~~

~~(C) The department shall establish the per diem rates to be 85516
paid to providers for reserving beds under this section. In 85517
establishing the per diem rates, the department shall do the 85518
following: 85519~~

~~(1) In the case of a payment to reserve a bed in a nursing 85520
facility for a day during calendar year 2011, set the per diem 85521
rate at an amount not exceeding fifty per cent of the per diem 85522
rate the provider would be paid if the recipient were not absent 85523
from the nursing facility that day; 85524~~

~~(2) In the case of a payment to reserve a bed in a nursing 85525
facility for a day during calendar year 2012 and each calendar 85526
year thereafter, set the per diem rate at an amount not exceeding 85527
twenty-five per cent of the per diem rate the provider would be 85528
paid if the recipient were not absent from the nursing facility 85529~~

that day; 85530

(3) In the case of a payment to reserve a bed in an 85531
intermediate care facility for the mentally retarded for a day 85532
during any calendar year, set the per diem rate at an amount equal 85533
to a percentage specified in rules adopted under section 5111.02 85534
of the Revised Code of the per diem rate the provider would be 85535
paid if the recipient were not absent from the facility that day. 85536

(I) The department may withhold the source of any complaint 88179
reported as a violation of this act when the department determines 88180
that disclosure could be detrimental to the department's purposes 88181
or could jeopardize the investigation. The department may disclose 88182
the source of any complaint if the complainant agrees in writing 88183
to such disclosure and shall disclose the source upon order by a 88184
court of competent jurisdiction. 88185

(J) The director of mental health may petition the court of 88186
common pleas of the county in which a residential facility is 88187
located for an order enjoining any person from operating a 88188
residential facility without a license or from operating a 88189
licensed facility when, in the director's judgment, there is a 88190
real and present danger to the health or safety of any of the 88191
occupants of the facility. The court shall have jurisdiction to 88192
grant such injunctive relief upon a showing that the respondent 88193
named in the petition is operating a facility without a license or 88194
there is a real and present danger to the health or safety of any 88195
residents of the facility. 88196

(K) Whoever violates division (F) of this section or any rule adopted under this section is liable for a civil penalty of one hundred dollars for the first offense; for each subsequent offense, such violator is liable for a civil penalty of five hundred dollars. If the violator does not pay, the attorney general, upon the request of the director of mental health, shall bring a civil action to collect the penalty. Fines collected pursuant to this section shall be deposited into the state treasury to the credit of the mental health sale of goods and services fund.

Sec. 5119.221. (A) Upon petition by the director of mental health, the court of common pleas or the probate court may appoint a receiver to take possession of and operate a residential facility licensed pursuant to section 5119.22 of the Revised Code, when conditions existing at the residential facility present a substantial risk of physical or mental harm to residents and no other remedies at law are adequate to protect the health, safety, and welfare of the residents.

Petitions filed pursuant to this section shall include:

(1) A description of the specific conditions existing at the residential facility which present a substantial risk of physical or mental harm to residents;

(2) A statement of the absence of other adequate remedies at law;

(3) The number of individuals residing at the facility;

(5) The name and address of the person holding the license 88227
for the residential facility. 88228

(B) A court in which a petition is filed pursuant to this 88229
section shall notify the person holding the license for the 88230
facility of the filing. The department shall send notice of the 88231
filing to the following, as appropriate: the ~~legal rights service~~ 88232
~~created pursuant to~~ Ohio protection and advocacy system as defined 88233
in section 5123.60 of the Revised Code; facility owner; facility 88234
operator; board of alcohol, drug addiction, and mental health 88235
services; board of health; department of developmental 88236
disabilities; department of job and family services; facility 88237
residents; and residents' families and guardians. The court shall 88238
provide a hearing on the petition within five court days of the 88239
time it was filed, except that the court may appoint a receiver 88240
prior to that time if it determines that the circumstances 88241
necessitate such action. 88242

Following a hearing on the petition, and upon a determination 88243
that the appointment of a receiver is warranted, the court shall 88244
appoint a receiver and notify the department of mental health and 88245
appropriate persons of this action. 88246

In setting forth the powers of the receiver, the court may 88247
generally authorize the receiver to do all that is prudent and 88248
necessary to safely and efficiently operate the residential 88249
facility within the requirements of state and federal law, but 88250
shall require the receiver to obtain court approval prior to 88251
making any single expenditure of more than five thousand dollars 88252
to correct deficiencies in the structure or furnishings of a 88253
facility. The court shall closely review the conduct of the 88254
receiver and shall require regular and detailed reports. 88255

(C) A receivership established pursuant to this section shall 88256
be terminated, following notification of the appropriate parties 88257
and a hearing, if the court determines either of the following: 88258

(1) The residential facility has been closed and the former residents have been relocated to an appropriate facility;

(2) Circumstances no longer exist at the residential facility which present a substantial risk of physical or mental harm to residents, and there is no deficiency in the residential facility that is likely to create a future risk of harm.

Notwithstanding division (C)(2) of this section, the court shall not terminate a receivership for a residential facility that has previously operated under another receivership unless the responsibility for the operation of the facility is transferred to an operator approved by the court and the department of mental health.

(D) Except for the department of mental health or appropriate board of alcohol, drug addiction, and mental health services, no party or person interested in an action shall be appointed a receiver pursuant to this section.

To assist the court in identifying persons qualified to be named as receivers, the director of the department of mental health shall maintain a list of the names of such persons. The department of mental health, the department of job and family services, and the department of health shall provide technical assistance to any receiver appointed pursuant to this section.

Before entering upon the duties of receiver, the receiver must be sworn to perform the duties faithfully, and, with surety approved by the court, judge, or clerk, execute a bond to such person, and in such sum as the court or judge directs, to the effect that such receiver will faithfully discharge the duties of receiver in the action, and obey the orders of the court therein.

(b) Honor all leases, mortgages, and secured transactions governing all buildings, goods, and fixtures of which the receiver has taken possession, but, in the case of a rental agreement only to the extent of payments that are for the use of the property during the period of the receivership, or, in the case of a purchase agreement, only to the extent that payments come due during the period of the receivership;	88299 88300 88301 88302 88303 88304 88305
(c) If transfer of residents is necessary, provide for the orderly transfer of residents by:	88306 88307

(f) Generally do such acts respecting the residential 88324
facility as the court authorizes. 88325

Notwithstanding any other provision of law, contracts which 88326

need not be competitively bid. 88328

Sec. 5119.222. No rule adopted under section 5119.22 of the 88329
Revised Code regarding documentation that residential facilities 88330

stringent than a comparable documentation submission requirement 88333
that applies to residential facilities and is established by a 88334

the recommendations of the medical director, the director shall 88472
issue criteria for determining when a plan is complete, criteria 88473

of the application, the director may visit and shall evaluate the 88509
agency to determine whether its services satisfy the standards 88510
established by rules adopted under division (C) of this section. 88511
The director shall make the evaluation, and, if the director 88512
visits the agency, shall make the visit, in cooperation with the 88513
board of alcohol, drug addiction, and mental health services with 88514
which the agency seeks to contract under division (A)(8)(a) of 88515
section 340.03 of the Revised Code. 88516

~~If (B)(1) Subject to division (B)(2) of this section, the~~ 88517
~~director shall determine whether the services of an applicant's~~ 88518
~~community mental health agency satisfy the standards for~~ 88519
~~certification of the services.~~ 88520

If the director determines that a community mental health 88521
agency's services satisfy the standards for certification and the 88522
agency has paid the fee required under division ~~(B)(D)~~ of this 88523
section, the director shall certify the services. 88524

~~If (2) If an applicant submits to the director evidence of~~ 88525
~~holding national accreditation from the joint commission, the~~ 88526
~~council on accreditation of rehabilitation facilities, or the~~ 88527

the director shall identify the areas of noncompliance, specify 88535
what action is necessary to satisfy the standards, and offer 88536

technical assistance to the board of alcohol, drug addiction, and 88537
mental health services so that the board may assist the agency in 88538
satisfying the standards. The director shall give the agency a 88539
reasonable time within which to demonstrate that its services 88540
satisfy the standards or to bring the services into compliance 88541
with the standards. If the director concludes that the services 88542
continue to fail to satisfy the standards, the director may 88543
request that the board reallocate the funds for the community 88544
mental health services the agency was to provide to another 88545
community mental health agency whose community mental health 88546
services satisfy the standards. If the board does not reallocate 88547
those funds in a reasonable period of time, the director may 88548
withhold state and federal funds for the community mental health 88549
services and allocate those funds directly to a community mental 88550
health agency whose community mental health services satisfy the 88551
standards. 88552

~~(B)~~(D) Each community mental health agency seeking 88553
certification of its community mental health services under this 88554
section shall pay a fee for the certification ~~review~~ required by 88555
this section. Fees shall be paid into the sale of goods and 88556
services fund created pursuant to section 5119.161 of the Revised 88557
Code. 88558

rules shall do all of the following: 88561

(1) Establish certification standards for community mental 88562
health services, including assertive community treatment and 88563

with nationally recognized applicable standards and facilitate 88565
participation in federal assistance programs. The rules shall 88566
include as certification standards only requirements that improve 88567
the quality of services or the health and safety of clients of 88568

community mental health services. The standards shall address at a minimum all of the following:

more stringent than a comparable documentation submission 88604
requirement that applies to community mental health agencies and 88605
is established by a federal regulation promulgated by the United 88606
States department of health and human services. 88607

into mental health resident program participation agreements. As 88622
part of approving the form, the director shall specify the 88623
requirements that adult care facilities must meet in order to be 88624
authorized to admit residents who are receiving or are eligible 88625
for publicly funded mental health services. 88626

The notice for a class II or a class III violation shall specify a time within which the violation is required to be corrected.

(D) If the facility does not request a conference or if, after a conference, it fails to take action to correct a violation in the time prescribed by the director, the director shall issue an order upholding the penalty, plus interest at the rate specified in section 1343.03 of the Revised Code for each day beyond the date set for payment of the penalty. The director may waive the interest payment for the period prior to the conference if the director concludes that the conference was necessitated by a legitimate dispute.

(E) The director may cancel or reduce the penalty for a class I violation if the facility corrects the violation within the time specified in the notice, except that the director shall impose the penalty even though the facility has corrected the violation if a resident suffers physical harm because of the violation or the facility has been cited previously for the same violation. The director may cancel the penalty for a class II or class III violation if the facility corrects the violation within the time specified in the notice and the facility has not been cited previously for the same violation. elimination, constitutes a separate and additional violation. 89772

(F) If an adult care facility fails to pay a penalty imposed 89773
under this section, the director may commence a civil action to 89774
collect the penalty. The license of an adult care facility that 89775

(H) If, at the end of the first ninety-day period or any 91617
subsequent period of continued commitment, there has been no 91618
disposition of the case, either by discharge or voluntary 91619
admission, the hospital, facility, board, agency, or person shall 91620
discharge the patient immediately, unless at least ten days before 91621

the respondent's counsel immediately. 91632

The court shall hold a full hearing on applications for 91633
continued commitment at the expiration of the first ninety-day 91634

cause shown may hold a full hearing on the person's continued 91648
commitment prior to the expiration of one hundred eighty days 91649

Revised Code applies to all hearings on continued commitment. 91651

If the court, after a hearing for continued commitment finds 91652
by clear and convincing evidence that the respondent is a mentally 91653
ill person subject to hospitalization by court order, the court 91654
may order continued commitment at places specified in division (C) 91655

file written objections to the order with the court. The filed 91669
objections shall be considered a motion, shall be specific, and 91670
shall state their grounds with particularity. Within ten days of 91671
the filing of the objections, a judge of the court shall hold a 91672
hearing on the objections and may hear and consider any testimony 91673
or other evidence relating to the respondent's mental condition. 91674

At the respondent's request, the court shall hold a hearing on the motion and make a determination pursuant to division (E) of this section within five days of the placement.

(M) Before a board, or an agency the board designates, may move a respondent from one residential placement to another, the board or agency shall consult with the respondent about the placement. If the respondent objects to the placement, the proposed placement and the need for it shall be reviewed by a qualified mental health professional who otherwise is not involved in the treatment of the respondent.

~~except as provided in division (C) of this section,~~ discharge the 91711
patient not under indictment or conviction for crime and 91712

Revised Code that a person is a mentally ill person subject to 91727
hospitalization by court order, the chief clinical officer of the 91728
hospital or agency to which the person is ordered or to which the 91729
person is transferred under section 5122.20 of the Revised Code, 91730

Sec. 5122.271. (A) Except as provided in divisions (C), (D), 91799

and (E) of this section, the chief clinical officer or, in a nonpublic hospital, the attending physician responsible for a patient's care shall provide all information, including expected physical and medical consequences, necessary to enable any patient of a hospital for the mentally ill to give a fully informed, intelligent, and knowing consent, the opportunity to consult with independent specialists and counsel, and the right to refuse consent for any of the following:

- (1) Surgery;
- (2) Convulsive therapy;
- (3) Major aversive interventions;
- (4) Sterilizations;
- (5) Any unusually hazardous treatment procedures;
- (6) Psycho-surgery.

(B) No patient shall be subjected to any of the procedures listed in divisions (A)(4) to (6) of this section until both the patient's informed, intelligent, and knowing consent and the approval of the court have been obtained, except that court approval is not required for a legally competent and voluntary patient in a nonpublic hospital.

(C) If, after providing the information required under division (A) of this section to the patient, the chief clinical officer or attending physician concludes that a patient is physically or mentally unable to receive the information required for surgery under division (A)(1) of this section, or has been adjudicated incompetent, the information may be provided to the patient's natural or court-appointed guardian, who may give an informed, intelligent, and knowing written consent.

If a patient is physically or mentally unable to receive the information required for surgery under division (A)(1) of this

section and has no guardian, the information, the recommendation 91830
of the chief clinical officer, and the concurring judgment of a 91831
licensed physician who is not a full-time employee of the state 91832
may be provided to the court in the county in which the hospital 91833
is located, which may approve the surgery. Before approving the 91834
surgery, the court shall notify the ~~legal rights service~~ Ohio 91835

Revised Code, and shall notify the patient of the rights to 91837

the patient is indigent, and to contest the recommendation of the 91839
chief clinical officer. 91840

(D) If, in a medical emergency, and after providing the 91841
information required under division (A) of this section to the 91842
patient, it is the judgment of one licensed physician that delay 91843
in obtaining surgery would create a grave danger to the health of 91844
the patient, it may be administered without the consent of the 91845
patient or the patient's guardian if the necessary information is 91846
provided to the patient's spouse or next of kin to enable that 91847
person to give informed, intelligent, and knowing written consent. 91848
If no spouse or next of kin can reasonably be contacted, or if the 91849
spouse or next of kin is contacted, but refuses to consent, the 91850
surgery may be performed upon the written authorization of the 91851
chief clinical officer or, in a nonpublic hospital, upon the 91852
written authorization of the attending physician responsible for 91853
the patient's care, and after the approval of the court has been 91854
obtained. However, if delay in obtaining court approval would 91855
create a grave danger to the life of the patient, the chief 91856
clinical officer or, in a nonpublic hospital, the attending 91857
physician responsible for the patient's care may authorize 91858
surgery, in writing, without court approval. If the surgery is 91859
authorized without court approval, the chief clinical officer or 91860
the attending physician who made the authorization and the 91861
physician who performed the surgery shall each execute an 91862

affidavit describing the circumstances constituting the emergency 91863
and warranting the surgery and the circumstances warranting their 91864
not obtaining prior court approval. The affidavit shall be filed 91865
with the court with which the request for prior approval would 91866
have been filed within five court days after the surgery, and a 91867
copy of the affidavit shall be placed in the patient's file and be 91868
given to the guardian, spouse, or next of kin of the patient, to 91869
the hospital at which the surgery was performed, and to the ~~legal~~ 91870
~~rights service created by~~ Ohio protection and advocacy system as 91871
defined in section 5123.60 of the Revised Code. 91872

(E) Major aversive interventions shall not be used unless a 91873
patient continues to engage in behavior destructive to self or 91874
others after other forms of therapy have been attempted. Major 91875

of mental health. ~~The director of the legal rights service created~~ 91877
~~by section 5123.60 of the Revised Code shall be notified of any~~ 91878
~~proposed major aversive intervention prior to review by the~~ 91879
~~director of mental health.~~ Major aversive interventions shall not 91880
be applied to a voluntary patient without the informed, 91881
intelligent, and knowing written consent of the patient or the 91882
patient's guardian. 91883

(F) Unless there is substantial risk of physical harm to self 91884
or others, or other than under division (D) of this section, this 91885
chapter does not authorize any form of compulsory medical, 91886
psychological, or psychiatric treatment of any patient who is 91887
being treated by spiritual means through prayer alone in 91888
accordance with a recognized religious method of healing without 91889
specific court authorization. 91890

(G) For purposes of this section, "convulsive therapy" does 91891
not include defibrillation. 91892

Sec. 5122.29. All patients hospitalized or committed pursuant 91893

to this chapter have the following rights: 91894

(A) The right to a written list of all rights enumerated in 91895
this chapter, to that person, ~~his~~ that person's legal guardian, 91896

detention, or treatment under Chapter 5122. of the Revised Code, 91903
the person taking ~~him~~ that person into custody shall take 91904
reasonable precautions to preserve and safeguard the personal 91905
property in the possession of or on the premises occupied by that 91906
person; 91907

(2) A person who is committed, voluntarily or involuntarily, 91908
shall be given reasonable protection from assault or battery by 91909
any other person. 91910

(C) The right to communicate freely with and be visited at 91911
reasonable times by ~~his~~ the patient's private counsel or personnel 91912
of the ~~legal rights service~~ Ohio protection and advocacy system 91913

communicate freely with and be visited at reasonable times by ~~his~~ 91915
the patient's personal physician or psychologist. 91916

(D) The right to communicate freely with others, unless 91917
specifically restricted in the patient's treatment plan for clear 91918
treatment reasons, including without limitation the following: 91919

(1) To receive visitors at reasonable times; 91920

(2) To have reasonable access to telephones to make and 91921
receive confidential calls, including a reasonable number of free 91922
calls if unable to pay for them and assistance in calling if 91923

requested and needed.	91924
(E) The right to have ready access to letter writing materials, including a reasonable number of stamps without cost if unable to pay for them, and to mail and receive unopened correspondence and assistance in writing if requested and needed.	91925 91926 91927 91928

permitting the patient to communicate freely with others will 91960
present a substantial risk of physical harm to the patient or 91961
others or will substantially preclude effective treatment of the 91962
patient. If a right provided under this section is restricted or 91963
withheld for clear treatment reasons, the patient's written 91964
treatment plan shall specify the treatment designed to eliminate 91965
the restriction or withholding of the right at the earliest 91966

processing and authorizing payment, to obtain payment for goods 91987
and services furnished to the patient; 91988

(4) Pursuant to a court order signed by a judge; 91989

and other pertinent information with payers and other providers of 92009
treatment and health services if the purpose of the exchange is to 92010

available to assist the patient and the patient's family, if the 92016
patient's treating physician determines that the disclosure would 92017

workgroup. 92519

Sec. 5123.0420. (A) The director of developmental 92520
disabilities may authorize the implementation of one or more 92521
innovative pilot projects that, in the judgment of the director, 92522
are likely to assist in promoting the objectives of this chapter 92523
or Chapter 5126. of the Revised Code. Subject to division (B) of 92524
this section and notwithstanding any provision of this chapter and 92525
Chapter 5126. of the Revised Code, the director's authorization 92526
may permit a pilot project to be implemented in a manner 92527
inconsistent with one or more provisions of this chapter, Chapter 92528
5126. of the Revised Code, or a rule adopted under either chapter. 92529
The director shall specify the period of time for which a pilot 92530
project is to be implemented. This period shall include a 92531
reasonable period of time for an evaluation of the pilot project's 92532
effectiveness. 92533

(B) The director may not authorize a pilot project to be 92534
implemented in a manner that would cause the state to be out of 92535
compliance with any requirements for a program funded in whole or 92536
in part with federal funds. 92537

Sec. 5123.051. (A) If the department of developmental 92538

disabilities determines pursuant to an audit conducted under 92539
section 5123.05 of the Revised Code ~~or a reconciliation conducted~~ 92540
~~under section 5123.18 of the Revised Code~~ that money is owed the 92541
state by a provider of a service or program, the department may 92542
enter into a payment agreement with the provider. The agreement 92543
shall include the following: 92544

(1) A schedule of installment payments whereby the money owed 92545
the state is to be paid in full within a period not to exceed one 92546
year; 92547

(2) A provision that the provider may pay the entire balance 92548
owed at any time during the term of the agreement; 92549

(3) A provision that if any installment is not paid in full 92550
within forty-five days after it is due, the entire balance owed is 92551
immediately due and payable; 92552

(4) Any other terms and conditions that are agreed to by the 92553
department and the provider. 92554

(B) The department may include a provision in a payment 92555
agreement that requires the provider to pay interest on the money 92556
owed the state. The department, in its discretion, shall determine 92557
whether to require the payment of interest and, if it so requires, 92558
the rate of interest. Neither the obligation to pay interest nor 92559
the rate of interest is subject to negotiation between the 92560
department and the provider. 92561

(C) If the provider fails to pay any installment in full 92562
within forty-five days after its due date, the department shall 92563
certify the entire balance owed to the attorney general for 92564
collection under section 131.02 of the Revised Code. The 92565
department may withhold funds from payments made to a provider 92566
under section 5123.18 of the Revised Code to satisfy a judgment 92567
secured by the attorney general. 92568

~~(D) The purchase of service fund is hereby created. Money~~ 92569

~~eredit~~ to the fund shall be used solely for purposes of section 92570
~~5123.05 of the Revised Code.~~ 92571

Sec. 5123.092. (A) There is hereby established at each 92572
institution and branch institution under the control of the 92573
department of developmental disabilities a citizen's advisory 92574
council consisting of thirteen members. At least seven of the 92575
members shall be persons who are not providers of mental 92576
retardation services. Each council shall include parents or other 92577
relatives of residents of institutions under the control of the 92578
department, community leaders, professional persons in relevant 92579
fields, and persons who have an interest in or knowledge of mental 92580
retardation. The managing officer of the institution shall be a 92581
nonvoting member of the council. 92582

(B) The director of developmental disabilities shall be the 92583
appointing authority for the voting members of each citizen's 92584
advisory council. Each time the term of a voting member expires, 92585
the remaining members of the council shall recommend to the 92586
director one or more persons to serve on the council. The director 92587
may accept a nominee of the council or reject the nominee or 92588
nominees. If the director rejects the nominee or nominees, the 92589
remaining members of the advisory council shall further recommend 92590
to the director one or more other persons to serve on the advisory 92591
council. This procedure shall continue until a member is appointed 92592
to the advisory council. 92593

Each advisory council shall elect from its appointed members 92594
a chairperson, vice-chairperson, and a secretary to serve for 92595
terms of one year. Advisory council officers shall not serve for 92596
more than two consecutive terms in the same office. A majority of 92597
the advisory council members constitutes a quorum. 92598

(C) Terms of office shall be for three years, each term 92599
ending on the same day of the same month of the year as did the 92600

term which it succeeds. No member shall serve more than two 92601
consecutive terms, except that any former member may be appointed 92602
if one year or longer has elapsed since the member served two 92603
consecutive terms. Each member shall hold office from the date of 92604
appointment until the end of the term for which the member was 92605
appointed. Any vacancy shall be filled in the same manner in which 92606
the original appointment was made, and the appointee to a vacancy 92607
in an unexpired term shall serve the balance of the term of the 92608
original appointee. Any member shall continue in office subsequent 92609
to the expiration date of the member's term until the member's 92610
successor takes office, or until a period of sixty days has 92611
elapsed, whichever occurs first. 92612

(D) Members shall be expected to attend all meetings of the 92613
advisory council. Unexcused absence from two successive regularly 92614
scheduled meetings shall be considered prima-facie evidence of 92615
intent not to continue as a member. The chairperson of the board 92616
shall, after a member has been absent for two successive regularly 92617
scheduled meetings, direct a letter to the member asking if the 92618
member wishes to remain in membership. If an affirmative reply is 92619
received, the member shall be retained as a member except that, 92620
if, after having expressed a desire to remain a member, the member 92621
then misses a third successive regularly scheduled meeting without 92622
being excused, the chairperson shall terminate the member's 92623
membership. 92624

(E) A citizen's advisory council shall meet six times 92625
annually, or more frequently if three council members request the 92626
chairperson to call a meeting. The council shall keep minutes of 92627
each meeting and shall submit them to the managing officer of the 92628
institution with which the council is associated, and the 92629
department of developmental disabilities, ~~and the legal rights~~ 92630
~~service.~~ 92631

(F) Members of citizen's advisory councils shall receive no 92632

compensation for their services, except that they shall be 92633
reimbursed for their actual and necessary expenses incurred in the 92634
performance of their official duties by the institution with which 92635
they are associated from funds allocated to it, provided that 92636
reimbursement for those expenses shall not exceed limits imposed 92637
upon the department of developmental disabilities by 92638
administrative rules regulating travel within this state. 92639

(G) The councils shall have reasonable access to all patient 92640
treatment and living areas and records of the institution, except 92641
those records of a strictly personal or confidential nature. The 92642
councils shall have access to a patient's personal records with 92643
the consent of the patient or the patient's legal guardian or, if 92644
the patient is a minor, with the consent of the parent or legal 92645
guardian of the patient. 92646

(H) As used in this section, "branch institution" means a 92647
facility that is located apart from an institution and is under 92648
the control of the managing officer of the institution. 92649

Sec. 5123.171. As used in this section, "respite care" means 92650
appropriate, short-term, temporary care provided to a mentally 92651
retarded or developmentally disabled person to sustain the family 92652
structure or to meet planned or emergency needs of the family. 92653

The department of developmental disabilities shall provide 92654
respite care services to persons with mental retardation or a 92655
developmental disability for the purpose of promoting 92656
self-sufficiency and normalization, preventing or reducing 92657
inappropriate institutional care, and furthering the unity of the 92658
family by enabling the family to meet the special needs of a 92659
mentally retarded or developmentally disabled person. 92660

In order to be eligible for respite care services under this 92661
section, the mentally retarded or developmentally disabled person 92662
must be in need of habilitation services as defined in section 92663

5126.01 of the Revised Code. 92664

Respite care may be provided in a facility licensed under 92665
section 5123.19 of the Revised Code or certified as an 92666
intermediate care facility for the mentally retarded under Title 92667
XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 92668
301, as amended, or certified as a respite care home under section 92669
5126.05 of the Revised Code. 92670

The department shall develop a system for locating vacant 92671
beds that are available for respite care and for making 92672
information on vacant beds available to users of respite care 92673
services. Facilities certified as intermediate care facilities for 92674
the mentally retarded ~~and facilities holding contracts with the~~ 92675
~~department for the provision of residential services under section~~ 92676
~~5123.18 of the Revised Code~~ shall report vacant beds to the 92677
department but shall not be required to accept respite care 92678
clients. 92679

The director of developmental disabilities shall adopt, and 92680
may amend or rescind, rules in accordance with Chapter 119. of the 92681
Revised Code for both of the following: 92682

(A) Certification by county boards of developmental 92683
disabilities of respite care homes; 92684

(B) Provision of respite care services authorized by this 92685
section. Rules adopted under this division shall establish all of 92686
the following: 92687

(1) A formula for distributing funds appropriated for respite 92688
care services; 92689

(2) Standards for supervision, training and quality control 92690

~~(G) Prior to renewing a contract entered into under this section, the department shall compute the contract's total predicted funding need and total adjusted predicted funding need. The department shall also compute the contract's unmet funding need if the payment amount assigned to the contract is less than the total adjusted predicted funding need. The results of these calculations shall be used to determine the payment amount assigned to the renewed contract.~~

~~(H)(1) A contract's total predicted funding need is an amount equal to the sum of the predicted funding needs for the following cost categories:~~

- ~~(a) Routine direct services staff;~~
- ~~(b) Dietary, program supplies, and specialized staff;~~
- ~~(c) Facility and general services;~~
- ~~(d) Administration.~~

~~(a) Inflation, as provided under division (I)(2) of this section;~~ 92832
92833

~~(b) The predicted cost of complying with new requirements established under federal or state law that were not taken into consideration when the total predicted funding need was computed;~~ 92834
92835
92836

~~(c) Changes in needs based on revised assessments submitted by the contractor.~~ 92837
92838

~~(2) In adjusting the total predicted funding need for inflation, the department shall use either the consumer price index compound annual inflation rate calculated by the United States department of labor for all items or another index or measurement of inflation designated in rules that the department shall adopt in accordance with Chapter 119. of the Revised Code.~~ 92839

~~When a contract is being renewed for the first time, and the contract is to begin on the first day of July, the inflation adjustment applied to the contract's total predicted funding need~~ 92845

92847

~~shall be the estimated rate of inflation for the calendar year in 92848
which the contract is renewed. If the consumer price index is 92849
being used, the department shall base its estimate on the rate of 92850
inflation calculated for the three month period ending the 92851
thirty first day of March of that calendar year. If another index 92852
or measurement is being used, the department shall base its 92853
estimate on the most recent calculations of the rate of inflation 92854
available under the index or measurement. Each year thereafter, 92855
the inflation adjustment shall be estimated in the same manner, 92856
except that if the estimated rate of inflation for a year is 92857
different from the actual rate of inflation for that year, the 92858
difference shall be added to or subtracted from the rate of 92859
inflation estimated for the next succeeding year. 92860~~

~~If a contract begins at any time other than July first, the 92861
inflation adjustment applied to the contract's total predicted 92862
funding need shall be determined by a method comparable to that 92863
used for contracts beginning July first. The department shall 92864
adopt rules in accordance with Chapter 119. of the Revised Code 92865
establishing the method to be used. 92866~~

~~(J) A contract's unmet funding need is the difference between 92867
the payment amount assigned to the contract and the total adjusted 92868
predicted funding need, if the payment amount assigned is less 92869
than the total adjusted predicted funding need. 92870~~

~~(K) The payment amount to be assigned to a contract being 92871
renewed shall be determined by comparing the total adjusted 92872
predicted funding need with the payment amount assigned to the 92873
current contract. 92874~~

~~(1) If the payment amount assigned to the current contract 92875
equals or exceeds the total adjusted predicted funding need, the 92876
payment amount assigned to the renewed contract shall be the same 92877
as that assigned to the current contract, unless a reduction is 92878
made pursuant to division (L) of this section. 92879~~

~~(2) If the payment amount assigned to the current contract is less than the total adjusted predicted funding need, the payment amount assigned to the renewed contract shall be increased if the department determines that funds are available for such increases. The amount of a contract's increase shall be the same percentage of the available funds that the contract's unmet funding need is of the total of the unmet funding need for all contracts.~~

~~(L) When renewing a contract provided for in division (B) of this section other than a companion home contract, the department may reduce the payment amount assigned to a renewed contract if the sum of the contractor's allowable reported costs and the maximum efficiency incentive is less than ninety one and one half per cent of the amount received pursuant to this section during the immediately preceding contract year.~~

~~The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing a formula to be used in computing the maximum efficiency incentive, which shall be at least four per cent of the weighted average payment amount to be made to all contractors during the contract year. The maximum efficiency incentive shall be computed annually.~~

~~(M) The department may increase the payment amount assigned to a contract based on the contract's unmet funding need at times other than when the contract is renewed. The department may develop policies for determining priorities in making such increases.~~

~~(N)(1) In addition to the contracts provided for in division (B) of this section, the department may enter into the following contracts:~~

~~(a) A contract to pay the cost of beginning operation of a new home that is to be funded under a companion home contract, agency operated companion home contract, community home contract,~~

~~or combined agency operated companion home and community home
contract.~~ 92911
92912

~~(b) A contract to pay the cost associated with increasing the
number of individuals served by a home funded under a companion
home contract, agency operated companion home contract, community
home contract, or combined agency operated companion home and
community home contract.~~ 92913
92914
92915
92916

contracts entered into under this division. The rules shall be
adopted in accordance with Chapter 119. of the Revised Code.~~ 92918
92919
92920

~~(O) Except for companion home contracts, the department shall
conduct a reconciliation of the amount earned under a contract and
the actual costs incurred by the contractor. An amount is
considered to have been earned for delivering a service at the
time the service is delivered. The department shall adopt rules in
accordance with Chapter 119. of the Revised Code establishing
procedures for conducting reconciliations.~~ 92921

92923
92924

~~When conducting reconciliations, the department shall review
all reported costs that may be affected by transactions required
to be reported under division (B)(3) of section 5123.172 of the
Revised Code. If the department determines that such transactions
have increased the cost reported by a contractor, the department
may disallow or adjust the cost allowable for payment. The
department shall adopt rules in accordance with Chapter 119. of
the Revised Code establishing standards for disallowances or
adjustments.~~ 92932

an entity with which the department contracts to perform the 92943

Chapter 119. of the Revised Code establishing procedures for 92945
conducting audits. 92946~~

~~An audit may include the examination of a contractor's 92947
financial books and records, the costs incurred by a contractor in 92948
providing residential services, and any other relevant information 92949
specified by the department. An audit shall not be commenced more 92950
than four years after the expiration of the contract to be 92951
audited, except in cases where the department has reasonable cause 92952
to believe that a contractor has committed fraud. 92953~~

~~If an audit reveals that a contractor owes money to the 92954
state, the amount owed, subject to an adjudication hearing under 92955
this division, shall be collected in accordance with section 92956
5123.051 of the Revised Code. If an audit reveals that a 92957
reconciliation conducted under this section resulted in the 92958
contractor erroneously paying money to the state, the department 92959
shall refund the money to the contractor, or, in lieu of making a 92960
refund, the department may offset the erroneous payment against 92961
any money determined as a result of the audit to be owed by the 92962
contractor to the state. The department is not required to pay 92963
interest on any money refunded under this division. 92964~~

~~In conducting audits or making determinations of amounts owed 92965
by a contractor and amounts to be refunded or offset, the 92966
department shall not be bound by the results of reconciliations 92967
conducted under this section, except with regard to cases 92968
involving claims that have been certified pursuant to section 92969

or a final judgment has been made from which all rights of appeal 92972
have expired or been exhausted. 92973~~

~~(R) Each contractor shall, for at least seven years, maintain fiscal records related to payments received pursuant to this section.~~

~~(S) The department may enter into shared funding agreements with other government agencies to fund contracts entered into under this section. The amount of each agency's share of the cost shall be determined through negotiations with the department. The department's share shall not exceed the amount it would have paid without entering into the shared funding agreement, nor shall it be reduced by any amounts contributed by the other parties to the agreement.~~

~~(T) Except as provided in section 5123.194 of the Revised Code, an individual who receives residential services pursuant to divisions (A) through (U) of this section and the individual's liable relatives or guardians shall pay support charges in accordance with Chapter 5121. of the Revised Code.~~

~~(U) The department may make reimbursements or payments for any of the following pursuant to rules adopted under this division:~~

~~the director of developmental disabilities has given prior~~ 93007
~~approval for the training;~~ 93008

~~(3) Fixed costs that the department, pursuant to the rules,~~ 93009
~~determines relate to the continued operation of a home funded~~ 93010
~~under a contract provided for in division (B) of this section when~~ 93011
~~a short term vacancy occurs and the contractor has diligently~~ 93012
~~attempted to fill the vacancy.~~ 93013

~~The department shall adopt rules in accordance with Chapter~~ 93014
~~119. of the Revised Code establishing standards for use in~~ 93015
~~determining which costs it may make payment or reimbursements for~~ 93016
~~under this division.~~ 93017

~~(V) In addition to the rules required or authorized to be~~ 93018
~~adopted under this section, the department may adopt any other~~ 93019
~~rules necessary to implement divisions (A) through (U) of this~~ 93020
~~section. The rules shall be adopted in accordance with Chapter~~ 93021
~~119. of the Revised Code.~~ 93022

~~(W) The department may delegate to county boards of~~ 93023
~~developmental disabilities its authority under this section to~~ 93024
~~negotiate and enter into contracts or subcontracts for residential~~ 93025
~~services. In the event that it elects to delegate its authority,~~ 93026
~~the department shall adopt rules in accordance with Chapter 119.~~ 93027
~~of the Revised Code for the boards' administration of the~~ 93028

Chapter 5121. of the Revised Code shall not apply to individuals or entities that are subject to making contributions under this division. In calculating contributions to be made under this division, a board, subject to the department's rules, may allow an amount to be kept for meeting the personal needs of the individual who receives residential services.~~

Sec. 5123.19. (A) As used in this section and in sections 5123.191, ~~5123.193~~, 5123.194, 5123.196, 5123.197, 5123.198, and 5123.20 of the Revised Code:

(1)(a) "Residential facility" means a home or facility in which a mentally retarded or developmentally disabled person resides, except the home of a relative or legal guardian in which a mentally retarded or developmentally disabled person resides, a respite care home certified under section 5126.05 of the Revised Code, a county home or district home operated pursuant to Chapter 5155. of the Revised Code, or a dwelling in which the only mentally retarded or developmentally disabled residents are in an independent living arrangement or are being provided supported living.

(b) "Intermediate care facility for the mentally retarded" means a residential facility that is considered an intermediate care facility for the mentally retarded for the purposes of Chapter 5111. of the Revised Code.

(2) "Political subdivision" means a municipal corporation, county, or township.

(3) "Independent living arrangement" means an arrangement in which a mentally retarded or developmentally disabled person resides in an individualized setting chosen by the person or the

person's guardian, which is not dedicated principally to the 93067
provision of residential services for mentally retarded or 93068
developmentally disabled persons, and for which no financial 93069
support is received for rendering such service from any 93070
governmental agency by a provider of residential services. 93071

(4) "Licensee" means the person or government agency that has 93072
applied for a license to operate a residential facility and to 93073
which the license was issued under this section. 93074

(5) "Related party" has the same meaning as in section 93075
5123.16 of the Revised Code except that "provider" as used in the 93076
definition of "related party" means a person or government entity 93077
that held or applied for a license to operate a residential 93078
facility, rather than a person or government entity certified to 93079
provide supported living. 93080

(B) Every person or government agency desiring to operate a 93081
residential facility shall apply for licensure of the facility to 93082
the director of developmental disabilities unless the residential 93083
facility is subject to section 3721.02, ~~3722.04~~ 5119.73, 5103.03, 93084
or 5119.20 of the Revised Code. Notwithstanding Chapter 3721. of 93085
the Revised Code, a nursing home that is certified as an 93086
intermediate care facility for the mentally retarded under Title 93087
XIX of the "Social Security Act," 79 Stat. 286 (1965), 42 U.S.C.A. 93088
1396, as amended, shall apply for licensure of the portion of the 93089
home that is certified as an intermediate care facility for the 93090
mentally retarded. 93091

(C) Subject to section 5123.196 of the Revised Code, the 93092
director of developmental disabilities shall license the operation 93093
of residential facilities. An initial license shall be issued for 93094
a period that does not exceed one year, unless the director denies 93095
the license under division (D) of this section. A license shall be 93096
renewed for a period that does not exceed three years, unless the 93097
director refuses to renew the license under division (D) of this 93098

section. The director, when issuing or renewing a license, shall 93099
specify the period for which the license is being issued or 93100
renewed. A license remains valid for the length of the licensing 93101
period specified by the director, unless the license is 93102
terminated, revoked, or voluntarily surrendered. 93103

(D) If it is determined that an applicant or licensee is not 93104
in compliance with a provision of this chapter that applies to 93105
residential facilities or the rules adopted under such a 93106
provision, the director may deny issuance of a license, refuse to 93107
renew a license, terminate a license, revoke a license, issue an 93108
order for the suspension of admissions to a facility, issue an 93109
order for the placement of a monitor at a facility, issue an order 93110
for the immediate removal of residents, or take any other action 93111
the director considers necessary consistent with the director's 93112
authority under this chapter regarding residential facilities. In 93113
the director's selection and administration of the sanction to be 93114
imposed, all of the following apply: 93115

(1) The director may deny, refuse to renew, or revoke a 93116
license, if the director determines that the applicant or licensee 93117
has demonstrated a pattern of serious noncompliance or that a 93118
violation creates a substantial risk to the health and safety of 93119
residents of a residential facility. 93120

(2) The director may terminate a license if more than twelve 93121
consecutive months have elapsed since the residential facility was 93122
last occupied by a resident or a notice required by division (K) 93123
of this section is not given. 93124

(3) The director may issue an order for the suspension of 93125
admissions to a facility for any violation that may result in 93126
sanctions under division (D)(1) of this section and for any other 93127
violation specified in rules adopted under division (H)(2) of this 93128
section. If the suspension of admissions is imposed for a 93129
violation that may result in sanctions under division (D)(1) of 93130

this section, the director may impose the suspension before 93131
providing an opportunity for an adjudication under Chapter 119. of 93132
the Revised Code. The director shall lift an order for the 93133
suspension of admissions when the director determines that the 93134
violation that formed the basis for the order has been corrected. 93135

(4) The director may order the placement of a monitor at a 93136
residential facility for any violation specified in rules adopted 93137
under division (H)(2) of this section. The director shall lift the 93138
order when the director determines that the violation that formed 93139
the basis for the order has been corrected. 93140

(5) If the director determines that two or more residential 93141
facilities owned or operated by the same person or government 93142
entity are not being operated in compliance with a provision of 93143
this chapter that applies to residential facilities or the rules 93144
adopted under such a provision, and the director's findings are 93145
based on the same or a substantially similar action, practice, 93146
circumstance, or incident that creates a substantial risk to the 93147
health and safety of the residents, the director shall conduct a 93148
survey as soon as practicable at each residential facility owned 93149
or operated by that person or government entity. The director may 93150
take any action authorized by this section with respect to any 93151
facility found to be operating in violation of a provision of this 93152
chapter that applies to residential facilities or the rules 93153
adopted under such a provision. 93154

(6) When the director initiates license revocation 93155
proceedings, no opportunity for submitting a plan of correction 93156
shall be given. The director shall notify the licensee by letter 93157
of the initiation of the proceedings. The letter shall list the 93158
deficiencies of the residential facility and inform the licensee 93159
that no plan of correction will be accepted. The director shall 93160
also send a copy of the letter to the county board of 93161
developmental disabilities. The county board shall send a copy of 93162

the letter to each of the following: 93163

(a) Each resident who receives services from the licensee; 93164

(b) The guardian of each resident who receives services from 93165
the licensee if the resident has a guardian; 93166

(c) The parent or guardian of each resident who receives 93167
services from the licensee if the resident is a minor. 93168

(7) Pursuant to rules which shall be adopted in accordance 93169
with Chapter 119. of the Revised Code, the director may order the 93170
immediate removal of residents from a residential facility 93171
whenever conditions at the facility present an immediate danger of 93172
physical or psychological harm to the residents. 93173

(8) In determining whether a residential facility is being 93174
operated in compliance with a provision of this chapter that 93175
applies to residential facilities or the rules adopted under such 93176
a provision, or whether conditions at a residential facility 93177
present an immediate danger of physical or psychological harm to 93178
the residents, the director may rely on information obtained by a 93179
county board of developmental disabilities or other governmental 93180
agencies. 93181

(9) In proceedings initiated to deny, refuse to renew, or 93182
revoke licenses, the director may deny, refuse to renew, or revoke 93183
a license regardless of whether some or all of the deficiencies 93184
that prompted the proceedings have been corrected at the time of 93185
the hearing. 93186

(E) The director shall establish a program under which public 93187
notification may be made when the director has initiated license 93188
revocation proceedings or has issued an order for the suspension 93189
of admissions, placement of a monitor, or removal of residents. 93190
The director shall adopt rules in accordance with Chapter 119. of 93191
the Revised Code to implement this division. The rules shall 93192
establish the procedures by which the public notification will be 93193

made and specify the circumstances for which the notification must 93194
be made. The rules shall require that public notification be made 93195
if the director has taken action against the facility in the 93196
eighteen-month period immediately preceding the director's latest 93197
action against the facility and the latest action is being taken 93198
for the same or a substantially similar violation of a provision 93199
of this chapter that applies to residential facilities or the 93200
rules adopted under such a provision. The rules shall specify a 93201
method for removing or amending the public notification if the 93202
director's action is found to have been unjustified or the 93203
violation at the residential facility has been corrected. 93204

(F)(1) Except as provided in division (F)(2) of this section, 93205
appeals from proceedings initiated to impose a sanction under 93206
division (D) of this section shall be conducted in accordance with 93207
Chapter 119. of the Revised Code. 93208

(2) Appeals from proceedings initiated to order the 93209
suspension of admissions to a facility shall be conducted in 93210
accordance with Chapter 119. of the Revised Code, unless the order 93211
was issued before providing an opportunity for an adjudication, in 93212
which case all of the following apply: 93213

(a) The licensee may request a hearing not later than ten 93214
days after receiving the notice specified in section 119.07 of the 93215
Revised Code. 93216

(b) If a timely request for a hearing that includes the 93217
licensee's current address is made, the hearing shall commence not 93218
later than thirty days after the department receives the request. 93219

(c) After commencing, the hearing shall continue 93220
uninterrupted, except for Saturdays, Sundays, and legal holidays, 93221
unless other interruptions are agreed to by the licensee and the 93222
director. 93223

(d) If the hearing is conducted by a hearing examiner, the 93224

hearing examiner shall file a report and recommendations not later than ten days after the last of the following:

- (i) The close of the hearing;
- (ii) If a transcript of the proceedings is ordered, the hearing examiner receives the transcript;
- (iii) If post-hearing briefs are timely filed, the hearing examiner receives the briefs.

(e) A copy of the written report and recommendation of the hearing examiner shall be sent, by certified mail, to the licensee and the licensee's attorney, if applicable, not later than five days after the report is filed.

(f) Not later than five days after the hearing examiner files the report and recommendations, the licensee may file objections to the report and recommendations.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the director shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the director shall lift the order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(G) Neither a person or government agency whose application for a license to operate a residential facility is denied nor a related party of the person or government agency may apply for a license to operate a residential facility before the date that is one year after the date of the denial. Neither a licensee whose residential facility license is revoked nor a related party of the licensee may apply for a residential facility license before the date that is five years after the date of the revocation.

(H) In accordance with Chapter 119. of the Revised Code, the 93255
director shall adopt and may amend and rescind rules for licensing 93256
and regulating the operation of residential facilities, including 93257
intermediate care facilities for the mentally retarded. The rules 93258
for intermediate care facilities for the mentally retarded may 93259
differ from those for other residential facilities. The rules 93260
shall establish and specify the following: 93261

(1) Procedures and criteria for issuing and renewing 93262
licenses, including procedures and criteria for determining the 93263
length of the licensing period that the director must specify for 93264
each license when it is issued or renewed; 93265

(2) Procedures and criteria for denying, refusing to renew, 93266
terminating, and revoking licenses and for ordering the suspension 93267
of admissions to a facility, placement of a monitor at a facility, 93268
and the immediate removal of residents from a facility; 93269

(3) Fees for issuing and renewing licenses, which shall be 93270
deposited into the program fee fund created under section 5123.033 93271
of the Revised Code; 93272

(4) Procedures for surveying residential facilities; 93273

(5) Requirements for the training of residential facility 93274
personnel; 93275

(6) Classifications for the various types of residential 93276
facilities; 93277

(7) Certification procedures for licensees and management 93278
contractors that the director determines are necessary to ensure 93279
that they have the skills and qualifications to properly operate 93280
or manage residential facilities; 93281

(8) The maximum number of persons who may be served in a 93282
particular type of residential facility; 93283

(9) Uniform procedures for admission of persons to and 93284

transfers and discharges of persons from residential facilities; 93285

(10) Other standards for the operation of residential 93286
facilities and the services provided at residential facilities; 93287

(11) Procedures for waiving any provision of any rule adopted 93288
under this section. 93289

(I) Before issuing a license, the director of the department 93290
or the director's designee shall conduct a survey of the 93291
residential facility for which application is made. The director 93292
or the director's designee shall conduct a survey of each licensed 93293
residential facility at least once during the period the license 93294
is valid and may conduct additional inspections as needed. A 93295
survey includes but is not limited to an on-site examination and 93296
evaluation of the residential facility, its personnel, and the 93297
services provided there. 93298

In conducting surveys, the director or the director's 93299
designee shall be given access to the residential facility; all 93300
records, accounts, and any other documents related to the 93301
operation of the facility; the licensee; the residents of the 93302
facility; and all persons acting on behalf of, under the control 93303
of, or in connection with the licensee. The licensee and all 93304
persons on behalf of, under the control of, or in connection with 93305
the licensee shall cooperate with the director or the director's 93306
designee in conducting the survey. 93307

Following each survey, unless the director initiates a 93308
license revocation proceeding, the director or the director's 93309
designee shall provide the licensee with a report listing any 93310
deficiencies, specifying a timetable within which the licensee 93311
shall submit a plan of correction describing how the deficiencies 93312
will be corrected, and, when appropriate, specifying a timetable 93313
within which the licensee must correct the deficiencies. After a 93314
plan of correction is submitted, the director or the director's 93315

designee shall approve or disapprove the plan. A copy of the 93316
report and any approved plan of correction shall be provided to 93317
any person who requests it. 93318

The director shall initiate disciplinary action against any 93319
department employee who notifies or causes the notification to any 93320
unauthorized person of an unannounced survey of a residential 93321
facility by an authorized representative of the department. 93322

(J) In addition to any other information which may be 93323
required of applicants for a license pursuant to this section, the 93324
director shall require each applicant to provide a copy of an 93325
approved plan for a proposed residential facility pursuant to 93326
section 5123.042 of the Revised Code. This division does not apply 93327
to renewal of a license or to an applicant for an initial or 93328
modified license who meets the requirements of section 5123.193 or 93329
5123.197 of the Revised Code. 93330

(K) A licensee shall notify the owner of the building in 93331
which the licensee's residential facility is located of any 93332
significant change in the identity of the licensee or management 93333
contractor before the effective date of the change if the licensee 93334
is not the owner of the building. 93335

Pursuant to rules which shall be adopted in accordance with 93336
Chapter 119. of the Revised Code, the director may require 93337
notification to the department of any significant change in the 93338
ownership of a residential facility or in the identity of the 93339
licensee or management contractor. If the director determines that 93340
a significant change of ownership is proposed, the director shall 93341
consider the proposed change to be an application for development 93342
by a new operator pursuant to section 5123.042 of the Revised Code 93343
and shall advise the applicant within sixty days of the 93344
notification that the current license shall continue in effect or 93345
a new license will be required pursuant to this section. If the 93346
director requires a new license, the director shall permit the 93347

facility to continue to operate under the current license until 93348
the new license is issued, unless the current license is revoked, 93349
refused to be renewed, or terminated in accordance with Chapter 93350
119. of the Revised Code. 93351

(L) A county board of developmental disabilities, ~~the legal~~ 93352
~~rights service,~~ and any interested person may file complaints 93353
alleging violations of statute or department rule relating to 93354
residential facilities with the department. All complaints shall 93355
be in writing and shall state the facts constituting the basis of 93356
the allegation. The department shall not reveal the source of any 93357
complaint unless the complainant agrees in writing to waive the 93358
right to confidentiality or until so ordered by a court of 93359
competent jurisdiction. 93360

The department shall adopt rules in accordance with Chapter 93361
119. of the Revised Code establishing procedures for the receipt, 93362
referral, investigation, and disposition of complaints filed with 93363
the department under this division. 93364

(M) The department shall establish procedures for the 93365
notification of interested parties of the transfer or interim care 93366
of residents from residential facilities that are closing or are 93367
losing their license. 93368

(N) Before issuing a license under this section to a 93369
residential facility that will accommodate at any time more than 93370
one mentally retarded or developmentally disabled individual, the 93371
director shall, by first class mail, notify the following: 93372

(1) If the facility will be located in a municipal 93373
corporation, the clerk of the legislative authority of the 93374
municipal corporation; 93375

(2) If the facility will be located in unincorporated 93376
territory, the clerk of the appropriate board of county 93377
commissioners and the fiscal officer of the appropriate board of 93378

township trustees. 93379

The director shall not issue the license for ten days after 93380
mailing the notice, excluding Saturdays, Sundays, and legal 93381
holidays, in order to give the notified local officials time in 93382
which to comment on the proposed issuance. 93383

Any legislative authority of a municipal corporation, board 93384
of county commissioners, or board of township trustees that 93385
receives notice under this division of the proposed issuance of a 93386
license for a residential facility may comment on it in writing to 93387
the director within ten days after the director mailed the notice, 93388
excluding Saturdays, Sundays, and legal holidays. If the director 93389
receives written comments from any notified officials within the 93390
specified time, the director shall make written findings 93391
concerning the comments and the director's decision on the 93392
issuance of the license. If the director does not receive written 93393
comments from any notified local officials within the specified 93394
time, the director shall continue the process for issuance of the 93395
license. 93396

(O) Any person may operate a licensed residential facility 93397
that provides room and board, personal care, habilitation 93398
services, and supervision in a family setting for at least six but 93399
not more than eight persons with mental retardation or a 93400
developmental disability as a permitted use in any residential 93401
district or zone, including any single-family residential district 93402
or zone, of any political subdivision. These residential 93403
facilities may be required to comply with area, height, yard, and 93404
architectural compatibility requirements that are uniformly 93405
imposed upon all single-family residences within the district or 93406
zone. 93407

(P) Any person may operate a licensed residential facility 93408
that provides room and board, personal care, habilitation 93409
services, and supervision in a family setting for at least nine 93410

but not more than sixteen persons with mental retardation or a 93411
developmental disability as a permitted use in any multiple-family 93412
residential district or zone of any political subdivision, except 93413
that a political subdivision that has enacted a zoning ordinance 93414
or resolution establishing planned unit development districts may 93415
exclude these residential facilities from those districts, and a 93416
political subdivision that has enacted a zoning ordinance or 93417
resolution may regulate these residential facilities in 93418
multiple-family residential districts or zones as a conditionally 93419
permitted use or special exception, in either case, under 93420
reasonable and specific standards and conditions set out in the 93421
zoning ordinance or resolution to: 93422

uses and the residential character of the neighborhood; 93426

(2) Require compliance with yard, parking, and sign 93427
regulation; 93428

(3) Limit excessive concentration of these residential 93429
facilities. 93430

(Q) This section does not prohibit a political subdivision 93431
from applying to residential facilities nondiscriminatory 93432
regulations requiring compliance with health, fire, and safety 93433
regulations and building standards and regulations. 93434

(R) Divisions (O) and (P) of this section are not applicable 93435
to municipal corporations that had in effect on June 15, 1977, an 93436
ordinance specifically permitting in residential zones licensed 93437
residential facilities by means of permitted uses, conditional 93438
uses, or special exception, so long as such ordinance remains in 93439
effect without any substantive modification. 93440

(S)(1) The director may issue an interim license to operate a 93441

residential facility to an applicant for a license under this 93442
section if either of the following is the case: 93443

(a) The director determines that an emergency exists 93444
requiring immediate placement of persons in a residential 93445
facility, that insufficient licensed beds are available, and that 93446
the residential facility is likely to receive a permanent license 93447
under this section within thirty days after issuance of the 93448
interim license. 93449

(b) The director determines that the issuance of an interim 93450
license is necessary to meet a temporary need for a residential 93451
facility. 93452

(2) To be eligible to receive an interim license, an 93453
applicant must meet the same criteria that must be met to receive 93454
a permanent license under this section, except for any differing 93455
procedures and time frames that may apply to issuance of a 93456
permanent license. 93457

(3) An interim license shall be valid for thirty days and may 93458
be renewed by the director for a period not to exceed one hundred 93459
fifty days. 93460

(4) The director shall adopt rules in accordance with Chapter 93461
119. of the Revised Code as the director considers necessary to 93462
administer the issuance of interim licenses. 93463

(T) Notwithstanding rules adopted pursuant to this section 93464
establishing the maximum number of persons who may be served in a 93465
particular type of residential facility, a residential facility 93466
shall be permitted to serve the same number of persons being 93467
served by the facility on the effective date of the rules or the 93468
number of persons for which the facility is authorized pursuant to 93469
a current application for a certificate of need with a letter of 93470
support from the department of developmental disabilities and 93471
which is in the review process prior to April 4, 1986. 93472

(U) The director or the director's designee may enter at any 93473
time, for purposes of investigation, any home, facility, or other 93474

director has reasonable cause to believe is being operated as a 93476
residential facility without a license issued under this section. 93477

The director may petition the court of common pleas of the 93478
county in which an unlicensed residential facility is located for 93479
an order enjoining the person or governmental agency operating the 93480
facility from continuing to operate without a license. The court 93481
may grant the injunction on a showing that the person or 93482
governmental agency named in the petition is operating a 93483
residential facility without a license. The court may grant the 93484
injunction, regardless of whether the residential facility meets 93485
the requirements for receiving a license under this section. 93486

Sec. 5123.191. (A) The court of common pleas or a judge 93487
thereof in the judge's county, or the probate court, may appoint a 93488
receiver to take possession of and operate a residential facility 93489
licensed by the department of developmental disabilities, in 93490
causes pending in such courts respectively, when conditions 93491
existing at the facility present a substantial risk of physical or 93492
mental harm to residents and no other remedies at law are adequate 93493
to protect the health, safety, and welfare of the residents. 93494
Conditions at the facility that may present such risk of harm 93495
include, but are not limited to, instances when any of the 93496
following occur: 93497

(1) The residential facility is in violation of state or 93498
federal law or regulations. 93499

(2) The facility has had its license revoked or procedures 93500
for revocation have been initiated, or the facility is closing or 93501
intends to cease operations. 93502

(3) Arrangements for relocating residents need to be made. 93503

(4) Insolvency of the operator, licensee, or landowner threatens the operation of the facility. 93504
93505

(5) The facility or operator has demonstrated a pattern and practice of repeated violations of state or federal laws or regulations. 93506
93507
93508

(B) A court in which a petition is filed pursuant to this section shall notify the person holding the license for the facility and the department of developmental disabilities of the filing. The court shall order the department to notify the ~~legal rights service~~, facility owner, facility operator, county board of developmental disabilities, facility residents, and residents' parents and guardians of the filing of the petition. 93509
93510
93511
93512
93513
93514
93515

The court shall provide a hearing on the petition within five court days of the time it was filed, except that the court may appoint a receiver prior to that time if it determines that the circumstances necessitate such action. Following a hearing on the petition, and upon a determination that the appointment of a receiver is warranted, the court shall appoint a receiver and notify the department of developmental disabilities and appropriate persons of this action. 93516
93517
93518
93519
93520
93521
93522
93523

(C) A residential facility for which a receiver has been named is deemed to be in compliance with section 5123.19 and Chapter 3721. of the Revised Code for the duration of the receivership. 93524
93525
93526
93527

(D) When the operating revenue of a residential facility in receivership is insufficient to meet its operating expenses, including the cost of bringing the facility into compliance with state or federal laws or regulations, the court may order the state to provide necessary funding, except as provided in division (K) of this section. The state shall provide such funding, subject to the approval of the controlling board. The court may also order 93528

93533
93534

the appropriate authorities to expedite all inspections necessary 93535
for the issuance of licenses or the certification of a facility, 93536
and order a facility to be closed if it determines that reasonable 93537
efforts cannot bring the facility into substantial compliance with 93538
the law. 93539

(E) In establishing a receivership, the court shall set forth 93540
the powers and duties of the receiver. The court may generally 93541
authorize the receiver to do all that is prudent and necessary to 93542
safely and efficiently operate the residential facility within the 93543
requirements of state and federal law, but shall require the 93544
receiver to obtain court approval prior to making any single 93545
expenditure of more than five thousand dollars to correct 93546
deficiencies in the structure or furnishings of a facility. The 93547
court shall closely review the conduct of the receiver it has 93548
appointed and shall require regular and detailed reports. The 93549
receivership shall be reviewed at least every sixty days. 93550

(F) A receivership established pursuant to this section shall 93551
be terminated, following notification of the appropriate parties 93552
and a hearing, if the court determines either of the following: 93553

(1) The residential facility has been closed and the former 93554
residents have been relocated to an appropriate facility. 93555

(2) Circumstances no longer exist at the facility that 93556
present a substantial risk of physical or mental harm to 93557
residents, and there is no deficiency in the facility that is 93558
likely to create a future risk of harm. 93559

Notwithstanding division (F)(2) of this section, the court 93560
shall not terminate a receivership for a residential facility that 93561
has previously operated under another receivership unless the 93562
responsibility for the operation of the facility is transferred to 93563
an operator approved by the court and the department of 93564
developmental disabilities. 93565

(G) The department of developmental disabilities may, upon 93566
its own initiative or at the request of an owner, operator, or 93567
resident of a residential facility, or at the request of a 93568
resident's guardian or relative, or a county board of 93569
developmental disabilities, ~~or the legal rights service~~, petition 93570
the court to appoint a receiver to take possession of and operate 93571
a residential facility. When the department has been requested to 93572
file a petition by any of the parties listed above, it shall, 93573
within forty-eight hours of such request, either file such a 93574
petition or notify the requesting party of its decision not to 93575
file. If the department refuses to file, the requesting party may 93576
file a petition with the court requesting the appointment of a 93577
receiver to take possession of and operate a residential facility. 93578

Petitions filed pursuant to this division shall include the 93579
following: 93580

facility which present a substantial risk of physical or mental 93582
harm to residents; 93583

(2) A statement of the absence of other adequate remedies at 93584
law; 93585

(3) The number of individuals residing at the facility; 93586

(4) A statement that the facts have been brought to the 93587
attention of the owner or licensee and that conditions have not 93588
been remedied within a reasonable period of time or that the 93589
conditions, though remedied periodically, habitually exist at the 93590
facility as a pattern or practice; 93591

(5) The name and address of the person holding the license 93592
for the facility and the address of the department of 93593
developmental disabilities. 93594

The court may award to an operator appropriate costs and 93595
expenses, including reasonable attorney's fees, if it determines 93596

that a petitioner has initiated a proceeding in bad faith or 93597
merely for the purpose of harassing or embarrassing the operator. 93598

(H) Except for the department of developmental disabilities 93599
or a county board of developmental disabilities, no party or 93600
person interested in an action shall be appointed a receiver 93601
pursuant to this section. 93602

To assist the court in identifying persons qualified to be 93603
named as receivers, the director of developmental disabilities or 93604
the director's designee shall maintain a list of the names of such 93605
persons. The director shall, in accordance with Chapter 119. of 93606

the receiver must be sworn to perform the duties of receiver 93610
faithfully, and, with surety approved by the court, judge, or 93611
clerk, execute a bond to such person, and in such sum as the court 93612
or judge directs, to the effect that such receiver will faithfully 93613
discharge the duties of receiver in the action, and obey the 93614
orders of the court therein. 93615

(J) Under the control of the appointing court, a receiver may 93616
bring and defend actions in the receiver's own name as receiver 93617
and take and keep possession of property. 93618

The court shall authorize the receiver to do the following: 93619

(1) Collect payment for all goods and services provided to 93620
the residents or others during the period of the receivership at 93621
the same rate as was charged by the licensee at the time the 93622
petition for receivership was filed, unless a different rate is 93623
set by the court; 93624

(2) Honor all leases, mortgages, and secured transactions 93625
governing all buildings, goods, and fixtures of which the receiver 93626
has taken possession and continues to use, subject to the 93627

following conditions: 93628

(a) In the case of a rental agreement, only to the extent of 93629
payments that are for the use of the property during the period of 93630
the receivership; 93631

(b) In the case of a purchase agreement only to the extent of 93632

of the Revised Code, only to the extent determined by the court to 93637
be the fair market value for use of the property during the period 93638
of the receivership. 93639~~

(3) If transfer of residents is necessary, provide for the 93640
orderly transfer of residents by doing the following: 93641

~~under that section.~~ Notwithstanding any other provision of law, 93668
contracts that are necessary to carry out the powers and duties of 93669
the receiver need not be competitively bid. 93670

(M) The department of developmental disabilities, the 93671
department of job and family services, and the department of 93672
health shall provide technical assistance to any receiver 93673
