~~(d)~~ Coverage provided under an employer's self-insurance plan 31304

preempts, prohibits, or otherwise precludes the application of 31307
this section to the plan and its administrators. 31308

(B) A standardized identification card or an electronic technology issued or required to be used as provided in division (A)(1) of this section shall contain uniform prescription drug information in accordance with either division (B)(1) or (2) of this section.

Sec. 1751.12. (A)(1) No contractual periodic prepayment and

no premium rate for nongroup and conversion policies for health 31370
care services, or any amendment to them, may be used by any health 31371
insuring corporation at any time until the contractual periodic 31372
prepayment and premium rate, or amendment, have been filed with 31373
the superintendent of insurance, and shall not be effective until 31374
the expiration of sixty days after their filing unless the 31375
superintendent sooner gives approval. The filing shall be 31376
accompanied by an actuarial certification in the form prescribed 31377
by the superintendent. The superintendent shall disapprove the 31378
filing, if the superintendent determines within the sixty-day 31379
period that the contractual periodic prepayment or premium rate, 31380
or amendment, is not in accordance with sound actuarial principles 31381
or is not reasonably related to the applicable coverage and 31382
characteristics of the applicable class of enrollees. The 31383
superintendent shall notify the health insuring corporation of the 31384
disapproval, and it shall thereafter be unlawful for the health 31385
insuring corporation to use the contractual periodic prepayment or 31386
premium rate, or amendment. 31387

(2) No contractual periodic prepayment for group policies for 31388
health care services shall be used until the contractual periodic 31389
prepayment has been filed with the superintendent. The filing 31390
shall be accompanied by an actuarial certification in the form 31391
prescribed by the superintendent. The superintendent may reject a 31392
filing made under division (A)(2) of this section at any time, 31393
with at least thirty days' written notice to a health insuring 31394
corporation, if the contractual periodic prepayment is not in 31395
accordance with sound actuarial principles or is not reasonably 31396
related to the applicable coverage and characteristics of the 31397
applicable class of enrollees. 31398

(3) At any time, the superintendent, upon at least thirty 31399
days' written notice to a health insuring corporation, may 31400
withdraw the approval given under division (A)(1) of this section, 31401

deemed or actual, of any contractual periodic prepayment or 31402
premium rate, or amendment, based on information that either of 31403
the following applies: 31404

(a) The contractual periodic prepayment or premium rate, or 31405
amendment, is not in accordance with sound actuarial principles. 31406

(b) The contractual periodic prepayment or premium rate, or 31407
amendment, is not reasonably related to the applicable coverage 31408
and characteristics of the applicable class of enrollees. 31409

(4) Any disapproval under division (A)(1) of this section, 31410
any rejection of a filing made under division (A)(2) of this 31411
section, or any withdrawal of approval under division (A)(3) of 31412
this section, shall be effected by a written notice, which shall 31413
state the specific basis for the disapproval, rejection, or 31414
withdrawal and shall be issued in accordance with Chapter 119. of 31415
the Revised Code. 31416

(B) Notwithstanding division (A) of this section, a health 31417
insuring corporation may use a contractual periodic prepayment or 31418
premium rate for policies used for the coverage of beneficiaries 31419
enrolled in medicare pursuant to a medicare risk contract or 31420
medicare cost contract, or for policies used for the coverage of 31421
beneficiaries enrolled in the federal employees health benefits 31422
program pursuant to 5 U.S.C.A. 8905, or for policies used for the 31423
coverage of medicaid recipients, ~~or for policies used for coverage~~ 31424
~~of participants of the children's buy in program,~~ or for policies 31425
used for the coverage of beneficiaries under any other federal 31426
health care program regulated by a federal regulatory body, or for 31427
policies used for the coverage of beneficiaries under any contract 31428
covering officers or employees of the state that has been entered 31429
into by the department of administrative services, if both of the 31430
following apply: 31431

(1) The contractual periodic prepayment or premium rate has 31432

been approved by the United States department of health and human 31433
services, the United States office of personnel management, the 31434
department of job and family services, or the department of 31435
administrative services. 31436

(2) The contractual periodic prepayment or premium rate is 31437
filed with the superintendent prior to use and is accompanied by 31438
documentation of approval from the United States department of 31439
health and human services, the United States office of personnel 31440
management, the department of job and family services, or the 31441
department of administrative services. 31442

(C) The administrative expense portion of all contractual 31443
periodic prepayment or premium rate filings submitted to the 31444
superintendent for review must reflect the actual cost of 31445
administering the product. The superintendent may require that the 31446
administrative expense portion of the filings be itemized and 31447
supported. 31448

(D)(1) Copayments must be reasonable and must not be a 31449
barrier to the necessary utilization of services by enrollees. 31450

(2) A health insuring corporation, in order to ensure that 31451
copayments are reasonable and not a barrier to the necessary 31452
utilization of basic health care services by enrollees, may do one 31453
of the following: 31454

(a) Impose copayment charges on any single covered basic 31455
health care service that does not exceed forty per cent of the 31456
average cost to the health insuring corporation of providing the 31457
service; 31458

(b) Impose copayment charges that annually do not exceed 31459
twenty per cent of the total annual cost to the health insuring 31460
corporation of providing all covered basic health care services, 31461
including physician office visits, urgent care services, and 31462
emergency health services, when aggregated as to all persons 31463

covered under the filed product in question. In addition, annual 31464
copayment charges as to each enrollee shall not exceed twenty per 31465
cent of the total annual cost to the health insuring corporation 31466
of providing all covered basic health care services, including 31467
physician office visits, urgent care services, and emergency 31468
health services, as to such enrollee. The total annual cost of 31469
providing a health care service is the cost to the health insuring 31470
corporation of providing the health care service to its enrollees 31471
as reduced by any applicable provider discount. 31472

(3) To ensure that copayments are reasonable and not a 31473
barrier to the utilization of basic health care services, a health 31474
insuring corporation may not impose, in any contract year, on any 31475
subscriber or enrollee, copayments that exceed two hundred per 31476
cent of the average annual premium rate to subscribers or 31477
enrollees. 31478

(4) For purposes of division (D) of this section, both of the 31479
following apply: 31480

(a) Copayments imposed by health insuring corporations in 31481
connection with a high deductible health plan that is linked to a 31482
health savings account are reasonable and are not a barrier to the 31483
necessary utilization of services by enrollees. 31484

(b) Divisions (D)(2) and (3) of this section do not apply to 31485
a high deductible health plan that is linked to a health savings 31486
account. 31487

(E) A health insuring corporation shall not impose lifetime 31488
maximums on basic health care services. However, a health insuring 31489
corporation may establish a benefit limit for inpatient hospital 31490
services that are provided pursuant to a policy, contract, 31491
certificate, or agreement for supplemental health care services. 31492

(F) A health insuring corporation may require that an 31493
enrollee pay an annual deductible that does not exceed one 31494

thousand dollars per enrollee or two thousand dollars per family, 31495
except that: 31496

(1) A health insuring corporation may impose higher 31497
deductibles for high deductible health plans that are linked to 31498
health savings accounts; 31499

(2) The superintendent may adopt rules allowing different 31500
annual deductible amounts for plans with a medical savings 31501
account, health reimbursement arrangement, flexible spending 31502
account, or similar account; 31503

(3) A health insuring corporation may impose higher 31504
deductibles under health plans if requested by the group contract, 31505
policy, certificate, or agreement holder, or an individual seeking 31506
coverage under an individual health plan. This shall not be 31507
construed as requiring the health insuring corporation to create 31508
customized health plans for group contract holders or individuals. 31509

(G) As used in this section, "health savings account" and 31510
"high deductible health plan" have the same meanings as in the 31511
"Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 223, as 31512
amended. 31513

Sec. 1751.13. (A)(1)(a) A health insuring corporation shall, 31514
either directly or indirectly, enter into contracts for the 31515
provision of health care services with a sufficient number and 31516
types of providers and health care facilities to ensure that all 31517
covered health care services will be accessible to enrollees from 31518
a contracted provider or health care facility. 31519

(b) A health insuring corporation shall not refuse to 31520
contract with a physician for the provision of health care 31521
services or refuse to recognize a physician as a specialist on the 31522
basis that the physician attended an educational program or a 31523
residency program approved or certified by the American 31524

osteopathic association. A health insuring corporation shall not 31525
refuse to contract with a health care facility for the provision 31526
of health care services on the basis that the health care facility 31527
is certified or accredited by the American osteopathic association 31528
or that the health care facility is an osteopathic hospital as 31529
defined in section 3702.51 of the Revised Code. 31530

(c) Nothing in division (A)(1)(b) of this section shall be 31531
construed to require a health insuring corporation to make a 31532
benefit payment under a closed panel plan to a physician or health 31533
care facility with which the health insuring corporation does not 31534
have a contract, provided that none of the bases set forth in that 31535
division are used as a reason for failing to make a benefit 31536
payment. 31537

(2) When a health insuring corporation is unable to provide a 31538
covered health care service from a contracted provider or health 31539
care facility, the health insuring corporation must provide that 31540
health care service from a noncontracted provider or health care 31541
facility consistent with the terms of the enrollee's policy, 31542
contract, certificate, or agreement. The health insuring 31543
corporation shall either ensure that the health care service be 31544
provided at no greater cost to the enrollee than if the enrollee 31545
had obtained the health care service from a contracted provider or 31546
health care facility, or make other arrangements acceptable to the 31547
superintendent of insurance. 31548

(3) Nothing in this section shall prohibit a health insuring 31549
corporation from entering into contracts with out-of-state 31550
providers or health care facilities that are licensed, certified, 31551
accredited, or otherwise authorized in that state. 31552

(B)(1) A health insuring corporation shall, either directly 31553
or indirectly, enter into contracts with all providers and health 31554
care facilities through which health care services are provided to 31555
its enrollees. 31556

(2) A health insuring corporation, upon written request, 31557
shall assist its contracted providers in finding stop-loss or 31558
reinsurance carriers. 31559

(C) A health insuring corporation shall file an annual 31560
certificate with the superintendent certifying that all provider 31561
contracts and contracts with health care facilities through which 31562
health care services are being provided contain the following: 31563

(1) A description of the method by which the provider or 31564
health care facility will be notified of the specific health care 31565
services for which the provider or health care facility will be 31566
responsible, including any limitations or conditions on such 31567
services; 31568

(2) The specific hold harmless provision specifying 31569
protection of enrollees set forth as follows: 31570

"[Provider/Health Care Facility] agrees that in no event, 31571
including but not limited to nonpayment by the health insuring 31572
corporation, insolvency of the health insuring corporation, or 31573
breach of this agreement, shall [Provider/Health Care Facility] 31574
bill, charge, collect a deposit from, seek remuneration or 31575
reimbursement from, or have any recourse against, a subscriber, 31576
enrollee, person to whom health care services have been provided, 31577
or person acting on behalf of the covered enrollee, for health 31578
care services provided pursuant to this agreement. This does not 31579
prohibit [Provider/Health Care Facility] from collecting 31580
co-insurance, deductibles, or copayments as specifically provided 31581
in the evidence of coverage, or fees for uncovered health care 31582
services delivered on a fee-for-service basis to persons 31583
referenced above, nor from any recourse against the health 31584
insuring corporation or its successor." 31585

(3) Provisions requiring the provider or health care facility 31586
to continue to provide covered health care services to enrollees 31587

in the event of the health insuring corporation's insolvency or 31588
discontinuance of operations. The provisions shall require the 31589
provider or health care facility to continue to provide covered 31590
health care services to enrollees as needed to complete any 31591
medically necessary procedures commenced but unfinished at the 31592
time of the health insuring corporation's insolvency or 31593
discontinuance of operations. The completion of a medically 31594
necessary procedure shall include the rendering of all covered 31595
health care services that constitute medically necessary follow-up 31596
care for that procedure. If an enrollee is receiving necessary 31597
inpatient care at a hospital, the provisions may limit the 31598
required provision of covered health care services relating to 31599
that inpatient care in accordance with division (D)(3) of section 31600
1751.11 of the Revised Code, and may also limit such required 31601
provision of covered health care services to the period ending 31602
thirty days after the health insuring corporation's insolvency or 31603
discontinuance of operations. 31604

The provisions required by division (C)(3) of this section 31605
shall not require any provider or health care facility to continue 31606
to provide any covered health care service after the occurrence of 31607
any of the following: 31608

(a) The end of the thirty-day period following the entry of a 31609
liquidation order under Chapter 3903. of the Revised Code; 31610

(b) The end of the enrollee's period of coverage for a 31611
contractual prepayment or premium; 31612

(c) The enrollee obtains equivalent coverage with another 31613
health insuring corporation or insurer, or the enrollee's employer 31614
obtains such coverage for the enrollee; 31615

(d) The enrollee or the enrollee's employer terminates 31616
coverage under the contract; 31617

(e) A liquidator effects a transfer of the health insuring 31618

corporation's obligations under the contract under division (A)(8) 31619
of section 3903.21 of the Revised Code. 31620

(4) A provision clearly stating the rights and 31621
responsibilities of the health insuring corporation, and of the 31622
contracted providers and health care facilities, with respect to 31623
administrative policies and programs, including, but not limited 31624
to, payments systems, utilization review, quality assurance, 31625
assessment, and improvement programs, credentialing, 31626
confidentiality requirements, and any applicable federal or state 31627
programs; 31628

(5) A provision regarding the availability and 31629
confidentiality of those health records maintained by providers 31630
and health care facilities to monitor and evaluate the quality of 31631
care, to conduct evaluations and audits, and to determine on a 31632
concurrent or retrospective basis the necessity of and 31633
appropriateness of health care services provided to enrollees. The 31634
provision shall include terms requiring the provider or health 31635
care facility to make these health records available to 31636
appropriate state and federal authorities involved in assessing 31637
the quality of care or in investigating the grievances or 31638
complaints of enrollees, and requiring the provider or health care 31639
facility to comply with applicable state and federal laws related 31640
to the confidentiality of medical or health records. 31641

(6) A provision that states that contractual rights and 31642
responsibilities may not be assigned or delegated by the provider 31643
or health care facility without the prior written consent of the 31644
health insuring corporation; 31645

(7) A provision requiring the provider or health care 31646
facility to maintain adequate professional liability and 31647
malpractice insurance. The provision shall also require the 31648
provider or health care facility to notify the health insuring 31649
corporation not more than ten days after the provider's or health 31650

care facility's receipt of notice of any reduction or cancellation 31651
of such coverage. 31652

(8) A provision requiring the provider or health care 31653
facility to observe, protect, and promote the rights of enrollees 31654
as patients; 31655

(9) A provision requiring the provider or health care 31656
facility to provide health care services without discrimination on 31657
the basis of a patient's participation in the health care plan, 31658
age, sex, ethnicity, religion, sexual preference, health status, 31659
or disability, and without regard to the source of payments made 31660
for health care services rendered to a patient. This requirement 31661
shall not apply to circumstances when the provider or health care 31662
facility appropriately does not render services due to limitations 31663
arising from the provider's or health care facility's lack of 31664
training, experience, or skill, or due to licensing restrictions. 31665

(10) A provision containing the specifics of any obligation 31666
on the primary care provider to provide, or to arrange for the 31667
provision of, covered health care services twenty-four hours per 31668
day, seven days per week; 31669

(11) A provision setting forth procedures for the resolution 31670
of disputes arising out of the contract; 31671

(12) A provision stating that the hold harmless provision 31672
required by division (C)(2) of this section shall survive the 31673
termination of the contract with respect to services covered and 31674
provided under the contract during the time the contract was in 31675
effect, regardless of the reason for the termination, including 31676
the insolvency of the health insuring corporation; 31677

(13) A provision requiring those terms that are used in the 31678
contract and that are defined by this chapter, be used in the 31679
contract in a manner consistent with those definitions. 31680

This division does not apply to the coverage of beneficiaries 31681

enrolled in medicare pursuant to a medicare risk contract or 31682
medicare cost contract, or to the coverage of beneficiaries 31683
enrolled in the federal employee health benefits program pursuant 31684
to 5 U.S.C.A. 8905, or to the coverage of medicaid recipients, or 31685
to the coverage of beneficiaries under any federal health care 31686
program regulated by a federal regulatory body, ~~or to the coverage~~ 31687
~~of participants of the children's buy-in program,~~ or to the 31688
coverage of beneficiaries under any contract covering officers or 31689
employees of the state that has been entered into by the 31690
department of administrative services. 31691

(D)(1) No health insuring corporation contract with a 31692
provider or health care facility shall contain any of the 31693
following: 31694

(a) A provision that directly or indirectly offers an 31695
inducement to the provider or health care facility to reduce or 31696
limit medically necessary health care services to a covered 31697
enrollee; 31698

(b) A provision that penalizes a provider or health care 31699
facility that assists an enrollee to seek a reconsideration of the 31700
health insuring corporation's decision to deny or limit benefits 31701
to the enrollee; 31702

(c) A provision that limits or otherwise restricts the 31703
provider's or health care facility's ethical and legal 31704
responsibility to fully advise enrollees about their medical 31705
condition and about medically appropriate treatment options; 31706

(d) A provision that penalizes a provider or health care 31707
facility for principally advocating for medically necessary health 31708
care services; 31709

(e) A provision that penalizes a provider or health care 31710
facility for providing information or testimony to a legislative 31711
or regulatory body or agency. This shall not be construed to 31712

prohibit a health insuring corporation from penalizing a provider 31713
or health care facility that provides information or testimony 31714
that is libelous or slanderous or that discloses trade secrets 31715
which the provider or health care facility has no privilege or 31716
permission to disclose. 31717

(f) A provision that violates Chapter 3963. of the Revised 31718
Code. 31719

(2) Nothing in this division shall be construed to prohibit a 31720
health insuring corporation from doing either of the following: 31721

(a) Making a determination not to reimburse or pay for a 31722
particular medical treatment or other health care service; 31723

(b) Enforcing reasonable peer review or utilization review 31724
protocols, or determining whether a particular provider or health 31725
care facility has complied with these protocols. 31726

(E) Any contract between a health insuring corporation and an 31727
intermediary organization shall clearly specify that the health 31728
insuring corporation must approve or disapprove the participation 31729
of any provider or health care facility with which the 31730
intermediary organization contracts. 31731

(F) If an intermediary organization that is not a health 31732
delivery network contracting solely with self-insured employers 31733
subcontracts with a provider or health care facility, the 31734
subcontract with the provider or health care facility shall do all 31735
of the following: 31736

(1) Contain the provisions required by divisions (C) and (G) 31737
of this section, as made applicable to an intermediary 31738
organization, without the inclusion of inducements or penalties 31739
described in division (D) of this section; 31740

(2) Acknowledge that the health insuring corporation is a 31741
third-party beneficiary to the agreement; 31742

(3) Acknowledge the health insuring corporation's role in approving the participation of the provider or health care facility, pursuant to division (E) of this section.

(G) Any provider contract or contract with a health care facility shall clearly specify the health insuring corporation's statutory responsibility to monitor and oversee the offering of covered health care services to its enrollees.

(2) Any contract with an intermediary organization that accepts compensation shall include provisions requiring the intermediary organization to provide the superintendent with regulatory access to all books, records, financial information, and documents related to the provision of health care services to subscribers and enrollees under the contract. The contract shall require the intermediary organization to maintain such books, records, financial information, and documents at its principal place of business in this state and to preserve them for at least three years in a manner that facilitates regulatory review.

(I)(1) A health insuring corporation shall notify its affected enrollees of the termination of a contract for the provision of health care services between the health insuring corporation and a primary care physician or hospital, by mail, within thirty days after the termination of the contract.

(a) Notice shall be given to subscribers of the termination of a contract with a primary care physician if the subscriber, or a dependent covered under the subscriber's health care coverage, has received health care services from the primary care physician

within the previous twelve months or if the subscriber or 31774
dependent has selected the physician as the subscriber's or 31775
dependent's primary care physician within the previous twelve 31776

guilty to a sexually oriented offense or a child-victim oriented 32479

offense in a criminal prosecution and was not sentenced to a 32480
serious youthful offender dispositional sentence for that offense. 32481

(B) If a tenant or manufactured home park resident holding 32482
under an oral tenancy is in default in the payment of rent, the 32483

notifying the tenant or resident, as provided in section 1923.04 32486
of the Revised Code, to leave the premises, for the restitution of 32487
which an action may then be brought under this chapter. 32488

(C)(1) If a tenant or any other person with the tenant's 32489
permission resides in or occupies residential premises that are 32490
located within one thousand feet of any school premises and is a 32491
resident or occupant of the type described in division (A)(14) of 32492
this section or a person of the type described in division (A)(15) 32493
of this section, the landlord for those residential premises, upon 32494
discovery that the tenant or other person is a resident, occupant, 32495
or person of that nature, may terminate the rental agreement or 32496
tenancy for those residential premises by notifying the tenant and 32497
all other occupants, as provided in section 1923.04 of the Revised 32498

any other judgment. If no rent remains due after application of 32523
this division, judgment shall be entered for the tenant or 32524
resident in the action for possession. If the tenant or resident 32525
has paid into court an amount greater than that necessary to 32526

returned by the court to the tenant or resident. 32528

Sec. 1923.15. During any proceeding involving residential 32529
premises under this chapter, the court may order an appropriate 32530

a violation of section ~~3733.10~~ 4781.38 or 5321.04 of the Revised 32533
Code, and if the premises have been vacated or are to be restored 32534
to the landlord, the court may issue an order forbidding the 32535
re-rental of the property until such conditions are corrected. If 32536
the agency determines and the court finds such conditions, and if 32537
the court finds that the tenant or manufactured home park resident 32538
may remain in possession, the court may order such conditions 32539

(2) If a child is adjudicated an unruly child for being an 33072

(B) Each public children services agency shall prepare and 33112
maintain a case plan or a family service plan for any child for 33113
whom the agency is providing in-home services pursuant to an 33114
alternative response. 33115

(C)(1) The director of job and family services shall adopt 33116
rules pursuant to Chapter 119. of the Revised Code setting forth 33117
the content and format of case plans required by division (A) of 33118

implementing, and changing the case plans. The rules shall at a 33120
minimum comply with the requirements of Title IV-E of the "Social 33121

Security Act," 94 Stat. 501, 42 U.S.C. 671 (1980), as amended. 33122

(2) The director of job and family services shall adopt rules 33123

children services agencies and private child placing agencies to 33125
maintain case plans for children and their families who are 33126

~~(C)~~(D) Each public children services agency and private child 33138
placing agency that is required by division (A) of this section to 33139
maintain a case plan shall file the case plan with the court prior 33140
to the child's adjudicatory hearing but no later than thirty days 33141
after the earlier of the date on which the complaint in the case 33142
was filed or the child was first placed into shelter care. If the 33143
agency does not have sufficient information prior to the 33144
adjudicatory hearing to complete any part of the case plan, the 33145
agency shall specify in the case plan the additional information 33146
necessary to complete each part of the case plan and the steps 33147
that will be taken to obtain that information. All parts of the 33148
case plan shall be completed by the earlier of thirty days after 33149
the adjudicatory hearing or the date of the dispositional hearing 33150

~~(D)~~(E) Any agency that is required by division (A) of this 33152

dispositional order. If the agency cannot obtain an agreement upon 33159
the contents of the case plan or the court does not approve it, 33160
the parties shall present evidence on the contents of the case 33161
plan at the dispositional hearing. The court, based upon the 33162
evidence presented at the dispositional hearing and the best 33163

plan and journalize it as part of the dispositional order for the 33165
child. 33166

~~(E)~~(F)(1) All parties, including the parents, guardian, or 33167
custodian of the child, are bound by the terms of the journalized 33168
case plan. A party that fails to comply with the terms of the 33169
journalized case plan may be held in contempt of court. 33170

(2) Any party may propose a change to a substantive part of 33171
the case plan, including, but not limited to, the child's 33172
placement and the visitation rights of any party. A party 33173
proposing a change to the case plan shall file the proposed change 33174
with the court and give notice of the proposed change in writing 33175
before the end of the day after the day of filing it to all 33176
parties and the child's guardian ad litem. All parties and the 33177
guardian ad litem shall have seven days from the date the notice 33178
is sent to object to and request a hearing on the proposed change. 33179

(a) If it receives a timely request for a hearing, the court 33180
shall schedule a hearing pursuant to section 2151.417 of the 33181
Revised Code to be held no later than thirty days after the 33182
request is received by the court. The court shall give notice of 33183
the date, time, and location of the hearing to all parties and the 33184
guardian ad litem. The agency may implement the proposed change 33185

after the hearing, if the court approves it. The agency shall not 33186
implement the proposed change unless it is approved by the court. 33187

(b) If it does not receive a timely request for a hearing, 33188
the court may approve the proposed change without a hearing. If 33189
the court approves the proposed change without a hearing, it shall 33190
journalize the case plan with the change not later than fourteen 33191
days after the change is filed with the court. If the court does 33192
not approve the proposed change to the case plan, it shall 33193
schedule a hearing to be held pursuant to section 2151.417 of the 33194
Revised Code no later than thirty days after the expiration of the 33195
fourteen-day time period and give notice of the date, time, and 33196

of the child. If, despite the requirements of division ~~(E)~~(F)(2) 33198
of this section, the court neither approves and journalizes the 33199
proposed change nor conducts a hearing, the agency may implement 33200
the proposed change not earlier than fifteen days after it is 33201
submitted to the court. 33202

(3) If an agency has reasonable cause to believe that a child 33203
is suffering from illness or injury and is not receiving proper 33204
care and that an appropriate change in the child's case plan is 33205
necessary to prevent immediate or threatened physical or emotional 33206
harm, to believe that a child is in immediate danger from the 33207
child's surroundings and that an immediate change in the child's 33208
case plan is necessary to prevent immediate or threatened physical 33209
or emotional harm to the child, or to believe that a parent, 33210
guardian, custodian, or other member of the child's household has 33211
abused or neglected the child and that the child is in danger of 33212
immediate or threatened physical or emotional harm from that 33213
person unless the agency makes an appropriate change in the 33214
child's case plan, it may implement the change without prior 33215
agreement or a court hearing and, before the end of the next day 33216
after the change is made, give all parties, the guardian ad litem 33217

of the child, and the court notice of the change. Before the end 33218
of the third day after implementing the change in the case plan, 33219
the agency shall file a statement of the change with the court and 33220
give notice of the filing accompanied by a copy of the statement 33221
to all parties and the guardian ad litem. All parties and the 33222
guardian ad litem shall have ten days from the date the notice is 33223
sent to object to and request a hearing on the change. 33224

(a) If it receives a timely request for a hearing, the court 33225
shall schedule a hearing pursuant to section 2151.417 of the 33226
Revised Code to be held no later than thirty days after the 33227
request is received by the court. The court shall give notice of 33228
the date, time, and location of the hearing to all parties and the 33229
guardian ad litem. The agency shall continue to administer the 33230
case plan with the change after the hearing, if the court approves 33231
the change. If the court does not approve the change, the court 33232
shall make appropriate changes to the case plan and shall 33233
journalize the case plan. 33234

(b) If it does not receive a timely request for a hearing, 33235
the court may approve the change without a hearing. If the court 33236
approves the change without a hearing, it shall journalize the 33237
case plan with the change within fourteen days after receipt of 33238
the change. If the court does not approve the change to the case 33239
plan, it shall schedule a hearing under section 2151.417 of the 33240
Revised Code to be held no later than thirty days after the 33241
expiration of the fourteen-day time period and give notice of the 33242
date, time, and location of the hearing to all parties and the 33243
guardian ad litem of the child. 33244

~~(F)~~(G)(1) All case plans for children in temporary custody 33245
shall have the following general goals: 33246

(a) Consistent with the best interest and special needs of 33247
the child, to achieve a safe out-of-home placement in the least 33248
restrictive, most family-like setting available and in close 33249

proximity to the home from which the child was removed or the home 33250
in which the child will be permanently placed; 33251

(b) To eliminate with all due speed the need for the 33252
out-of-home placement so that the child can safely return home. 33253

(2) The director of job and family services shall adopt rules 33254
pursuant to Chapter 119. of the Revised Code setting forth the 33255
general goals of case plans for children subject to dispositional 33256
orders for protective supervision, a planned permanent living 33257
arrangement, or permanent custody. 33258

~~(G)~~(H) In the agency's development of a case plan and the 33259
court's review of the case plan, the child's health and safety 33260
shall be the paramount concern. The agency and the court shall be 33261
guided by the following general priorities: 33262

(1) A child who is residing with or can be placed with the 33263
child's parents within a reasonable time should remain in their 33264
legal custody even if an order of protective supervision is 33265
required for a reasonable period of time; 33266

(2) If both parents of the child have abandoned the child, 33267
have relinquished custody of the child, have become incapable of 33268
supporting or caring for the child even with reasonable 33269
assistance, or have a detrimental effect on the health, safety, 33270
and best interest of the child, the child should be placed in the 33271
legal custody of a suitable member of the child's extended family; 33272

(3) If a child described in division ~~(G)~~(H)(2) of this 33273
section has no suitable member of the child's extended family to 33274
accept legal custody, the child should be placed in the legal 33275
custody of a suitable nonrelative who shall be made a party to the 33276
proceedings after being given legal custody of the child; 33277

(4) If the child has no suitable member of the child's 33278
extended family to accept legal custody of the child and no 33279
suitable nonrelative is available to accept legal custody of the 33280

child and, if the child temporarily cannot or should not be placed 33281
with the child's parents, guardian, or custodian, the child should 33282
be placed in the temporary custody of a public children services 33283
agency or a private child placing agency; 33284

(5) If the child cannot be placed with either of the child's 33285
parents within a reasonable period of time or should not be placed 33286
with either, if no suitable member of the child's extended family 33287
or suitable nonrelative is available to accept legal custody of 33288
the child, and if the agency has a reasonable expectation of 33289
placing the child for adoption, the child should be committed to 33290
the permanent custody of the public children services agency or 33291
private child placing agency; 33292

(6) If the child is to be placed for adoption or foster care, 33293
the placement shall not be delayed or denied on the basis of the 33294
child's or adoptive or foster family's race, color, or national 33295
origin. 33296

~~(H)~~(I) The case plan for a child in temporary custody shall 33297
include at a minimum the following requirements if the child is or 33298
has been the victim of abuse or neglect or if the child witnessed 33299
the commission in the child's household of abuse or neglect 33300
against a sibling of the child, a parent of the child, or any 33301

custodian participate in mandatory counseling; 33304

(2) A requirement that the child's parents, guardian, or 33305
custodian participate in any supportive services that are required 33306
by or provided pursuant to the child's case plan. 33307

~~(I)~~(J) A case plan may include, as a supplement, a plan for 33308
locating a permanent family placement. The supplement shall not be 33309
considered part of the case plan for purposes of division ~~(D)~~(E) 33310

proceeding. 33589

(b) Notwithstanding section 4731.22 of the Revised Code, the 33590

proceeding resulting from a report submitted pursuant to this 33594
section. 33595

(2) In any civil or criminal action or proceeding in which it 33596

If the county served by the public children services agency is also served by a children's advocacy center and the report of alleged sexual abuse of a child or another type of abuse of a child is specified in the memorandum of understanding that creates the center as being within the center's jurisdiction, the agency or center shall perform the duties and functions specified in this division in accordance with the interagency agreement entered into under section 2151.428 of the Revised Code relative to that advocacy center.

about whom the report is made, in an effort to prevent further 33665
neglect or abuse, to enhance their welfare, and, whenever 33666

who is the subject of the report and who allegedly was abused or 33725
neglected. 33726

(4) If a public children services agency participated in the 33727
execution of a memorandum of understanding under section 2151.426 33728
of the Revised Code establishing a children's advocacy center, the 33729

employees in any civil action seeking to impose liability arising 34308
out of any actual or alleged act, error, or omission that occurred 34309
within the scope of interstate commission employment, duties, or 34310

employment, duties, or responsibilities. The duty to defend 34313
described in this division does not apply if the actual or alleged 34314
act, error, or omission in question resulted from intentional or 34315
willful and wanton misconduct on the part of the executive 34316
director, employee, or representative of the interstate commission 34317
or the commissioner of a compacting state or the commissioner's 34318
representatives or employees. 34319

(4) Except as otherwise provided in this subsection, the 34320
interstate commission shall indemnify and hold the commissioner of 34321
a compacting state, or the commissioner's representatives or 34322
employees, or the interstate commission's representatives or 34323
employees, harmless in the amount of any settlement or judgment 34324

responsibilities. The duty to indemnify and hold harmless 34330
described in this division does not apply if the actual or alleged 34331
act, error, or omission in question resulted from intentional or 34332
willful and wanton misconduct on the part of the commissioner of a 34333
compacting state or the commissioner's representatives or 34334
employees or the interstate commission's representatives or 34335

Article VI -- Rulemaking Functions of the Interstate Commission 34337

(A) The interstate commission shall promulgate and publish 34338

rules in order to effectively and efficiently achieve the purposes 34339
of this compact. 34340

(B) Rulemaking shall occur pursuant to the criteria set forth 34341
in this Article and the bylaws and rules adopted pursuant thereto. 34342
The rulemaking shall substantially conform to the principles of 34343
the "Model State Administrative Procedures Act," 1981 Act, Uniform 34344
Laws Annotated, Vol. 15, p. 1 (2000), or another administrative 34345
procedures act, as the interstate commission determines 34346
appropriate consistent with due process requirements under the 34347
United States Constitution as now or hereafter interpreted by the 34348
United States Supreme Court. All rules and amendments shall become 34349
binding as of the date specified, as published with the final 34350
version of the rule as approved by the interstate commission. 34351

(C) When promulgating a rule, the interstate commission, at a 34352
minimum, shall do all of the following: 34353

(1) Publish the proposed rule's entire text stating the 34354
reason or reasons for that proposed rule; 34355

(2) Allow and invite any and all persons to submit written 34356
data, facts, opinions, and arguments, which information shall be 34357
added to the record and be made publicly available; 34358

(3) Provide an opportunity for an informal hearing, if 34359
petitioned by ten or more persons; 34360

(4) Promulgate a final rule and its effective date, if 34361
appropriate, based on input from state or local officials, or 34362
interested parties. 34363

(D) When the interstate commission promulgates a rule, not 34364
later than sixty days after the rule is promulgated, any 34365
interested person may file a petition in the United States 34366
district court for the District of Columbia or in the federal 34367
district court where the interstate commission's principal office 34368
is located, for judicial review of the rule. If the court finds 34369

that the interstate commission's action is not supported by 34370
substantial evidence in the rulemaking record, the court shall 34371
hold the rule unlawful and set it aside. For purposes of this 34372
division, evidence is substantial if it would be considered 34373
substantial evidence under the "Model State Administrative 34374
Procedures Act," 1981 Act, Uniform Laws Annotated, Vol. 15, p. 1 34375
(2000). 34376

(E) If a majority of the legislatures of the compacting 34377
states rejects a rule, those states, by enactment of a statute or 34378
resolution in the same manner used to adopt the compact, may cause 34379
that such rule shall have no further force and effect in any 34380
compacting state. 34381

(F) The existing rules governing the operation of the 34382
interstate compact on juveniles that is superseded by this compact 34383

(G) Upon determination by the interstate commission that a 34386
state of emergency exists, it may promulgate an emergency rule. An 34387
emergency rule so promulgated shall become effective immediately 34388
upon adoption, provided that the usual rulemaking procedures 34389
specified in this Article shall be retroactively applied to the 34390
emergency rule as soon as reasonably possible, but not later than 34391
ninety days after the effective date of the emergency rule. 34392

administration and operations of the interstate movement of 34397
juveniles subject to this compact in the compacting states and 34398
shall monitor such activities being administered in noncompacting 34399
states that may significantly affect compacting states. 34400

(2) The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate this compact's purposes and intent. The provisions of this compact and the rules promulgated under it shall be received by all the judges, public officers, commissions, and departments of the state government as evidence of the authorized statute and administrative rules. All courts shall take judicial notice of the compact and the rules. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact that may affect the powers, responsibilities, or actions of the interstate commission, the interstate commission shall be entitled to receive all service of process in the proceeding and shall have standing to intervene in the proceeding for all purposes.

The interstate commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

(3) The interstate commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact using any or all means set forth in Article XI of this compact.

Article VIII -- Finance 34432

(A) The interstate commission shall pay or provide for the 34433
payment of the reasonable expenses of its establishment, 34434
organization, and ongoing activities. 34435

(B) The interstate commission shall levy on and collect an 34436
annual assessment from each compacting state to cover the cost of 34437
the internal operations and activities of the interstate 34438
commission and its staff. The annual assessment shall be in a 34439
total amount sufficient to cover the interstate commission's 34440
annual budget as approved each year. The aggregate annual 34441
assessment amount shall be allocated based upon a formula to be 34442
determined by the interstate commission, taking into consideration 34443
the population of each compacting state and the volume of 34444
interstate movement of juveniles in each compacting state. The 34445
interstate commission shall promulgate a rule binding upon all 34446
compacting states that governs the assessment. 34447

(C) The interstate commission shall not incur any obligations 34448
of any kind prior to securing the funds adequate to meet the 34449

of any of the compacting states, except by and with the authority 34451
of the compacting state. 34452

(D) The interstate commission shall keep accurate accounts of 34453
all receipts and disbursements. The receipts and disbursements of 34454
the interstate commission shall be subject to the audit and 34455
accounting procedures established under its bylaws. However, all 34456
receipts and disbursements of funds handled by the interstate 34457
commission shall be audited yearly by a certified or licensed 34458
public accountant and the report of the audit shall be included in 34459
and become part of the annual report of the interstate commission. 34460

Article IX -- The State Council 34461

Each compacting state shall create a state council for 34462
interstate juvenile supervision. While each compacting state may 34463

determine the membership of its own state council, its membership 34464
must include at least one representative from the legislative, 34465
judicial, and executive branches of government, victims groups, 34466
and the compact administrator or designee. Each compacting state 34467
retains the right to determine the qualifications of the compact 34468
administrator for the state. Each state council shall advise and 34469
may exercise oversight and advocacy concerning that state's 34470
participation in interstate commission activities and other duties 34471
as may be determined by that state, including but not limited to, 34472
development of policy concerning operations and procedures of the 34473
compact within that state. 34474

non-compacting states or their designees shall be invited to 34485
participate in the activities of the interstate commission on a 34486
non-voting basis prior to adoption of this compact by all states. 34487

(C) The interstate commission may propose amendments to this 34488
compact for enactment by the compacting states. No amendment shall 34489
become effective and binding upon the interstate commission and 34490
the compacting states unless and until it is enacted into law by 34491
unanimous consent of the compacting states. 34492

Article XI - Withdrawal, Default, Termination, and Judicial 34493
Enforcement 34494

Section A. Withdrawal 34495

(1) Once effective, this compact shall continue in force and remain binding upon each and every compacting state, provided that a compacting state may withdraw from this compact by specifically repealing the statute that enacted this compact into law. 34496
34497
34498
34499

(2) The effective date of withdrawal of a compacting state is the effective date of the state's repeal of the statute that enacted this compact into law. 34500
34501
34502

(3) A compacting state that withdraws from this compact shall immediately notify the chairperson of the interstate commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The interstate commission shall notify the other compacting states of the withdrawing state's intent to withdraw within sixty days of the interstate commission's receipt of the notice from the withdrawing state. 34503
34504
34505
34506
34507
34508
34509

(4) A compacting state that withdraws from this compact is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal. 34510
34511
34512
34513
34514

(5) If a compacting state withdraws from this compact, reinstatement of the withdrawing state following withdrawal shall occur upon the withdrawing state reenacting this compact or upon such later date as determined by the interstate commission. 34515
34516
34517
34518

Section B. Technical Assistance, Fines, Suspension, Termination, and Default 34519
34520

(1) If the interstate commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under this compact, or under the interstate commission's bylaws or duly promulgated rules, the interstate commission may impose one or more of the following penalties: 34521
34522
34523

the interstate commission; 34528

(b) Alternative dispute resolution; 34529

(c) Fines, fees, and costs in such amounts as are deemed to 34530
be reasonable as fixed by the interstate commission; 34531

(d) Suspension or termination of membership in this compact, 34532
provided that suspension or termination of membership shall be 34533
imposed only after all other reasonable means of securing 34534
compliance under the bylaws and rules have been exhausted and the 34535
interstate commission has therefore determined that the offending 34536
state is in default. Immediate notice of suspension shall be given 34537
by the interstate commission to the governor of the defaulting 34538
state, its chief justice or the chief judicial officer, the 34539
majority and minority leaders of its state legislature, and the 34540
state council for interstate juvenile supervision. The grounds for 34541
default include, but are not limited to, failure of a compacting 34542
state to perform such obligations or responsibilities imposed upon 34543
it by this compact, by the interstate commission's bylaws, or by 34544
its duly promulgated rules, and any other grounds designated in 34545
commission bylaws and rules. The interstate commission shall 34546
immediately notify the defaulting state in writing of the penalty 34547
imposed by the interstate commission and of the default pending a 34548
cure of the default. The interstate commission shall stipulate the 34549
conditions and the time period within which the defaulting state 34550
must cure its default. If the defaulting state fails to cure the 34551
default within the time period specified by the interstate 34552
commission, the defaulting state shall be terminated from this 34553
compact upon an affirmative vote of a majority of the compacting 34554
states and all rights, privileges, and benefits conferred by this 34555
compact shall be terminated from the effective date of 34556

legislature, and the state council for interstate juvenile 34562

assessments, obligations, and liabilities incurred through the 34565
effective date of termination, including any obligations the 34566
performance of which extends beyond the effective date of 34567
termination. 34568

(4) The interstate commission shall not bear any costs 34569
relating to a defaulting compacting state unless otherwise 34570
mutually agreed upon in writing between the interstate commission 34571
and the defaulting state. 34572

(5) If a defaulting compacting state is terminated, 34573
reinstatement of the defaulting state following termination 34574
requires both a reenactment of the compact by the defaulting state 34575
and the approval of the interstate commission pursuant to its 34576
rules. 34577

Section C. Judicial Enforcement 34578

The interstate commission, by majority vote of the members, 34579
may initiate legal action against any compacting state to enforce 34580
compliance with the provisions of this compact, and the interstate 34581
commission's duly promulgated rules and bylaws. Any such action, 34582
if initiated, shall be initiated in the United States district 34583
court for the District of Columbia or, at the discretion of the 34584
interstate commission, in the federal district where the 34585
interstate commission has its offices. In the event judicial 34586
enforcement is necessary, the prevailing party shall be awarded 34587
all costs of the litigation including reasonable attorney's fees. 34588

34618

(3) Upon the request of a party to a conflict over the 34619

meaning or interpretation of interstate commission actions, and 34620
upon a majority vote of the compacting states, the interstate 34621
commission may issue advisory opinions regarding that meaning or 34622
interpretation. 34623

(4) In the event any provision of this compact exceeds the 34624
constitutional limits imposed on the legislature of any compacting 34625
state, the obligations, duties, powers, or jurisdiction sought to 34626
be conferred by that provision upon the interstate commission 34627
shall be ineffective and such obligations, duties, powers, or 34628
jurisdiction shall remain in the compacting state and shall be 34629
exercised by the agency of that state to which such obligations, 34630
duties, powers, or jurisdiction are delegated by law in effect at 34631
the time this compact becomes effective. 34632

(B)(3) of this section, and except that, if the patient is deemed 36510
by section 2151.421 of the Revised Code to have waived any 36511
testimonial privilege under this division, the physician may be 36512
compelled to testify on the same subject. 36513

The testimonial privilege established under this division 36514
does not apply, and a physician or dentist may testify or may be 36515
compelled to testify, in any of the following circumstances: 36516

(a) In any civil action, in accordance with the discovery 36517
provisions of the Rules of Civil Procedure in connection with a 36518

confidentiality of any patient named or otherwise identified in 36558
the records is maintained. Measures to ensure confidentiality that 36559
may be taken by the court include sealing its records or deleting 36560
specific information from its records. 36561

specified person, that requests the provider to supply to the 36599
officer copies of any records the provider possesses that pertain 36600

question, in lieu of personally testifying as to the results of 36618
the test in question, the custodian of the records may submit a 36619
certified copy of the records, and, upon its submission, the 36620
certified copy is qualified as authentic evidence and may be 36621
admitted as evidence in accordance with the Rules of Evidence. 36622

and, upon its submission, the certified copy is qualified as 36648
authentic evidence and may be admitted as evidence in accordance 36649
with the Rules of Evidence. Division (A) of section 2317.422 of 36650

detention. Upon the request of the examiner, the court may order 37650
the sheriff to transport the defendant to a program or facility 37651
operated or certified by the department of mental health or the 37652
department of developmental disabilities, where the defendant may 37653
be held for evaluation for a reasonable period of time not to 37654
exceed twenty days, and to return the defendant to the place of 37655
detention after the evaluation. A municipal court may make an 37656
order under this division only upon the request of a certified 37657
forensic center examiner. 37658

(E) If a court orders the evaluation to determine a 37659
defendant's mental condition at the time of the offense charged, 37660
the court shall inform the examiner of the offense with which the 37661
defendant is charged. 37662

(F) In conducting an evaluation of a defendant's mental 37663
condition at the time of the offense charged, the examiner shall 37664
consider all relevant evidence. If the offense charged involves 37665
the use of force against another person, the relevant evidence to 37666
be considered includes, but is not limited to, any evidence that 37667

the defendant suffered, at the time of the commission of the 37668
offense, from the "battered woman syndrome." 37669

(G) The examiner shall file a written report with the court 37670
within thirty days after entry of a court order for evaluation, 37671
and the court shall provide copies of the report to the prosecutor 37672
and defense counsel. The report shall include all of the 37673
following: 37674

(1) The examiner's findings; 37675

(2) The facts in reasonable detail on which the findings are 37676
based; 37677

(3) If the evaluation was ordered to determine the 37678
defendant's competence to stand trial, all of the following 37679
findings or recommendations that are applicable: 37680

(a) Whether the defendant is capable of understanding the 37681
nature and objective of the proceedings against the defendant or 37682
of assisting in the defendant's defense; 37683

(b) If the examiner's opinion is that the defendant is 37684
incapable of understanding the nature and objective of the 37685
proceedings against the defendant or of assisting in the 37686
defendant's defense, whether the defendant presently is mentally 37687
ill or mentally retarded and, if the examiner's opinion is that 37688
the defendant presently is mentally retarded, whether the 37689
defendant appears to be a mentally retarded person subject to 37690
institutionalization by court order; 37691

(c) If the examiner's opinion is that the defendant is 37692
incapable of understanding the nature and objective of the 37693
proceedings against the defendant or of assisting in the 37694
defendant's defense, the examiner's opinion as to the likelihood 37695
of the defendant becoming capable of understanding the nature and 37696
objective of the proceedings against the defendant and of 37697
assisting in the defendant's defense within one year if the 37698

defendant is provided with a course of treatment; 37699

(d) If the examiner's opinion is that the defendant is 37700
incapable of understanding the nature and objective of the 37701
proceedings against the defendant or of assisting in the 37702
defendant's defense and that the defendant presently is mentally 37703
ill or mentally retarded, the examiner's recommendation as to the 37704
least restrictive ~~treatment~~ placement or commitment alternative, 37705
consistent with the defendant's treatment needs for restoration to 37706
competency and with the safety of the community; 37707

(e) If the defendant is charged with a misdemeanor offense 37708
that is not an offense of violence and the examiner's opinion is 37709
that the defendant is incapable of understanding the nature and 37710
objective of the proceedings against the defendant or of assisting 37711
in the defendant's defense and that the defendant is presently 37712
mentally ill or mentally retarded, the examiner's recommendation 37713
as to whether the defendant is amenable to engagement in mental 37714
health treatment or developmental disability services. 37715

(4) If the evaluation was ordered to determine the 37716
defendant's mental condition at the time of the offense charged, 37717
the examiner's findings as to whether the defendant, at the time 37718
of the offense charged, did not know, as a result of a severe 37719
mental disease or defect, the wrongfulness of the defendant's acts 37720
charged. 37721

(H) If the examiner's report filed under division (G) of this 37722
section indicates that in the examiner's opinion the defendant is 37723
incapable of understanding the nature and objective of the 37724
proceedings against the defendant or of assisting in the 37725
defendant's defense and that in the examiner's opinion the 37726
defendant appears to be a mentally retarded person subject to 37727
institutionalization by court order, the court shall order the 37728
defendant to undergo a separate mental retardation evaluation 37729
conducted by a psychologist designated by the director of 37730

developmental disabilities. Divisions (C) to (F) of this section 37731
apply in relation to a separate mental retardation evaluation 37732
conducted under this division. The psychologist appointed under 37733
this division to conduct the separate mental retardation 37734
evaluation shall file a written report with the court within 37735
thirty days after the entry of the court order requiring the 37736
separate mental retardation evaluation, and the court shall 37737
provide copies of the report to the prosecutor and defense 37738
counsel. The report shall include all of the information described 37739
in divisions (G)(1) to (4) of this section. If the court orders a 37740
separate mental retardation evaluation of a defendant under this 37741
division, the court shall not conduct a hearing under divisions 37742
(B) to (H) of section 2945.37 of the Revised Code regarding that 37743
defendant until a report of the separate mental retardation 37744
evaluation conducted under this division has been filed. Upon the 37745
filing of that report, the court shall conduct the hearing within 37746
the period of time specified in division (C) of section 2945.37 of 37747
the Revised Code. 37748

(I) An examiner appointed under divisions (A) and (B) of this 37749
section or under division (H) of this section to evaluate a 37750
defendant to determine the defendant's competence to stand trial 37751
also may be appointed to evaluate a defendant who has entered a 37752
plea of not guilty by reason of insanity, but an examiner of that 37753
nature shall prepare separate reports on the issue of competence 37754
to stand trial and the defense of not guilty by reason of 37755
insanity. 37756

(J) No statement that a defendant makes in an evaluation or 37757
hearing under divisions (A) to (H) of this section relating to the 37758
defendant's competence to stand trial or to the defendant's mental 37759
condition at the time of the offense charged shall be used against 37760
the defendant on the issue of guilt in any criminal action or 37761
proceeding, but, in a criminal action or proceeding, the 37762

prosecutor or defense counsel may call as a witness any person who 37763
evaluated the defendant or prepared a report pursuant to a 37764
referral under this section. Neither the appointment nor the 37765
testimony of an examiner appointed under this section precludes 37766
the prosecutor or defense counsel from calling other witnesses or 37767
presenting other evidence on competency or insanity issues. 37768

(K) Persons appointed as examiners under divisions (A) and 37769
(B) of this section or under division (H) of this section shall be 37770
paid a reasonable amount for their services and expenses, as 37771
certified by the court. The certified amount shall be paid by the 37772
county in the case of county courts and courts of common pleas and 37773
by the legislative authority, as defined in section 1901.03 of the 37774
Revised Code, in the case of municipal courts. 37775

Sec. 2945.38. (A) If the issue of a defendant's competence to 37776
stand trial is raised and if the court, upon conducting the 37777
hearing provided for in section 2945.37 of the Revised Code, finds 37778
that the defendant is competent to stand trial, the defendant 37779
shall be proceeded against as provided by law. If the court finds 37780
the defendant competent to stand trial and the defendant is 37781
receiving psychotropic drugs or other medication, the court may 37782
authorize the continued administration of the drugs or medication 37783
or other appropriate treatment in order to maintain the 37784
defendant's competence to stand trial, unless the defendant's 37785
attending physician advises the court against continuation of the 37786
drugs, other medication, or treatment. 37787

(B)(1)(a) If, after taking into consideration all relevant 37788
reports, information, and other evidence, the court finds that the 37789
defendant is incompetent to stand trial and that there is a 37790
substantial probability that the defendant will become competent 37791
to stand trial within one year if the defendant is provided with a 37792
course of treatment, the court shall order the defendant to 37793

undergo treatment. If the defendant has been charged with a felony 37794
offense and if, after taking into consideration all relevant 37795
reports, information, and other evidence, the court finds that the 37796
defendant is incompetent to stand trial, but the court is unable 37797
at that time to determine whether there is a substantial 37798
probability that the defendant will become competent to stand 37799
trial within one year if the defendant is provided with a course 37800
of treatment, the court shall order continuing evaluation and 37801
treatment of the defendant for a period not to exceed four months 37802
to determine whether there is a substantial probability that the 37803
defendant will become competent to stand trial within one year if 37804
the defendant is provided with a course of treatment. 37805

(b) The court order for the defendant to undergo treatment or 37806
continuing evaluation and treatment under division (B)(1)(a) of 37807
this section shall specify that the defendant, if determined to 37808
require mental health treatment or continuing evaluation and 37809
treatment, shall be committed to the department of mental health 37810
for treatment or continuing evaluation and treatment shall occur 37811
at a hospital, facility, or agency, as determined to be clinically 37812
appropriate by the department of mental health and, if determined 37813
to require treatment or continuing evaluation and treatment for a 37814
developmental disability, shall receive treatment or continuing 37815
evaluation and treatment at an institution or facility operated by 37816
the department of ~~mental health or the department of~~ developmental 37817
disabilities, at a facility certified by ~~either of those~~ 37818
~~departments~~ the department of developmental disabilities as being 37819
qualified to treat ~~mental illness or~~ mental retardation, at a 37820
public or private community mental ~~health or mental~~ retardation 37821
facility, or by a ~~psychiatrist or another~~ mental health or mental 37822
retardation professional. The order may restrict the defendant's 37823
freedom of movement as the court considers necessary. The 37824
prosecutor in the defendant's case shall send to the chief 37825
clinical officer of the hospital ~~or~~, facility, or agency where the 37826

defendant is placed by the department of mental health, or to the 37827
managing officer of the institution, the director of the ~~program~~ 37828
facility, or the person to which the defendant is committed, 37829
copies of relevant police reports and other background information 37830
that pertains to the defendant and is available to the prosecutor 37831
unless the prosecutor determines that the release of any of the 37832
information in the police reports or any of the other background 37833
information to unauthorized persons would interfere with the 37834
effective prosecution of any person or would create a substantial 37835
risk of harm to any person. 37836

In committing the defendant to the department of mental 37837
health, the court shall consider the extent to which the person is 37838
a danger to the person and to others, the need for security, and 37839
the type of crime involved and, if the court finds that 37840
restrictions on the defendant's freedom of movement are necessary, 37841
shall specify the least restrictive limitations on the person's 37842
freedom of movement determined to be necessary to protect public 37843
safety. In determining ~~placement~~ commitment alternatives for 37844
defendants determined to require treatment or continuing 37845
evaluation and treatment for developmental disabilities, the court 37846
shall consider the extent to which the person is a danger to the 37847
person and to others, the need for security, and the type of crime 37848
involved and shall order the least restrictive alternative 37849
available that is consistent with public safety and treatment 37850
goals. In weighing these factors, the court shall give preference 37851
to protecting public safety. 37852

(c) If the defendant is found incompetent to stand trial, if 37853
the chief clinical officer of the hospital ~~or~~, facility, or agency 37854
where the defendant is placed, or the managing officer of the 37855
institution, the director of the ~~program~~ facility, or the person 37856
to which the defendant is committed for treatment or continuing 37857
evaluation and treatment under division (B)(1)(b) of this section 37858

determines that medication is necessary to restore the defendant's 37859
competency to stand trial, and if the defendant lacks the capacity 37860
to give informed consent or refuses medication, the chief clinical 37861
officer of the hospital, facility, or agency where the defendant 37862
is placed, or the managing officer of the institution, the 37863
director of the facility, or the person to which the defendant is 37864
committed for treatment or continuing evaluation and treatment may 37865
petition the court for authorization for the involuntary 37866
administration of medication. The court shall hold a hearing on 37867
the petition within five days of the filing of the petition if the 37868
petition was filed in a municipal court or a county court 37869
regarding an incompetent defendant charged with a misdemeanor or 37870
within ten days of the filing of the petition if the petition was 37871
filed in a court of common pleas regarding an incompetent 37872
defendant charged with a felony offense. Following the hearing, 37873
the court may authorize the involuntary administration of 37874
medication or may dismiss the petition. 37875

(d) If the defendant is charged with a misdemeanor offense 37876
that is not an offense of violence, the prosecutor may hold the 37877
charges in abeyance while the defendant engages in mental health 37878
treatment or developmental disability services. 37879

(2) If the court finds that the defendant is incompetent to 37880
stand trial and that, even if the defendant is provided with a 37881
course of treatment, there is not a substantial probability that 37882
the defendant will become competent to stand trial within one 37883
year, the court shall order the discharge of the defendant, unless 37884
upon motion of the prosecutor or on its own motion, the court 37885
either seeks to retain jurisdiction over the defendant pursuant to 37886
section 2945.39 of the Revised Code or files an affidavit in the 37887
probate court for the civil commitment of the defendant pursuant 37888
to Chapter 5122. or 5123. of the Revised Code alleging that the 37889
defendant is a mentally ill person subject to hospitalization by 37890

court order or a mentally retarded person subject to 37891
institutionalization by court order. If an affidavit is filed in 37892
the probate court, the trial court shall send to the probate court 37893
copies of all written reports of the defendant's mental condition 37894
that were prepared pursuant to section 2945.371 of the Revised 37895
Code. 37896

The trial court may issue the temporary order of detention 37897
that a probate court may issue under section 5122.11 or 5123.71 of 37898
the Revised Code, to remain in effect until the probable cause or 37899
initial hearing in the probate court. Further proceedings in the 37900
probate court are civil proceedings governed by Chapter 5122. or 37901
5123. of the Revised Code. 37902

(C) No defendant shall be required to undergo treatment, 37903
including any continuing evaluation and treatment, under division 37904
(B)(1) of this section for longer than whichever of the following 37905
periods is applicable: 37906

(1) One year, if the most serious offense with which the 37907
defendant is charged is one of the following offenses: 37908

(a) Aggravated murder, murder, or an offense of violence for 37909
which a sentence of death or life imprisonment may be imposed; 37910

(b) An offense of violence that is a felony of the first or 37911
second degree; 37912

(c) A conspiracy to commit, an attempt to commit, or 37913
complicity in the commission of an offense described in division 37914
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 37915
complicity is a felony of the first or second degree. 37916

(2) Six months, if the most serious offense with which the 37917
defendant is charged is a felony other than a felony described in 37918
division (C)(1) of this section; 37919

(3) Sixty days, if the most serious offense with which the 37920

defendant is charged is a misdemeanor of the first or second 37921
degree; 37922

(4) Thirty days, if the most serious offense with which the 37923
defendant is charged is a misdemeanor of the third or fourth 37924
degree, a minor misdemeanor, or an unclassified misdemeanor. 37925

(D) Any defendant who is committed pursuant to this section 37926
shall not voluntarily admit the defendant or be voluntarily 37927
admitted to a hospital or institution pursuant to section 5122.02, 37928
5122.15, 5123.69, or 5123.76 of the Revised Code. 37929

(E) Except as otherwise provided in this division, a 37930
defendant who is charged with an offense and is committed by the 37931
court under this section to a hospital the department of mental 37932
health with restrictions on the defendant's freedom of movement or 37933
either is committed to an institution by the court under this 37934
section or facility for the treatment of developmental 37935
disabilities shall not be granted unsupervised on-grounds 37936
movement, supervised off-grounds movement, or nonsecured status 37937
except in accordance with the court order. The court may grant a 37938
defendant supervised off-grounds movement to obtain medical 37939
treatment or specialized habilitation treatment services if the 37940
person who supervises the treatment or the continuing evaluation 37941
and treatment of the defendant ordered under division (B)(1)(a) of 37942
this section informs the court that the treatment or continuing 37943
evaluation and treatment cannot be provided at the hospital or 37944
facility where the defendant is placed by the department of mental 37945
health or the institution or facility to which the defendant is 37946
committed. The chief clinical officer of the hospital or facility 37947
where the defendant is placed by the department of mental health 37948
or the managing officer of the institution or director of the 37949
facility to which the defendant is committed, or a designee of 37950
either any of those persons, may grant a defendant movement to a 37951
medical facility for an emergency medical situation with 37952

appropriate supervision to ensure the safety of the defendant, 37953
staff, and community during that emergency medical situation. The 37954
chief clinical officer of the hospital or facility where the 37955
defendant is placed by the department of mental health or the 37956
managing officer of the institution or director of the facility to 37957
which the defendant is committed shall notify the court within 37958
twenty-four hours of the defendant's movement to the medical 37959
facility for an emergency medical situation under this division. 37960

(F) The person who supervises the treatment or continuing 37961
evaluation and treatment of a defendant ordered to undergo 37962
treatment or continuing evaluation and treatment under division 37963
(B)(1)(a) of this section shall file a written report with the 37964
court at the following times: 37965

(1) Whenever the person believes the defendant is capable of 37966
understanding the nature and objective of the proceedings against 37967
the defendant and of assisting in the defendant's defense; 37968

(2) For a felony offense, fourteen days before expiration of 37969
the maximum time for treatment as specified in division (C) of 37970
this section and fourteen days before the expiration of the 37971
maximum time for continuing evaluation and treatment as specified 37972
in division (B)(1)(a) of this section, and, for a misdemeanor 37973
offense, ten days before the expiration of the maximum time for 37974
treatment, as specified in division (C) of this section; 37975

(3) At a minimum, after each six months of treatment; 37976

(4) Whenever the person who supervises the treatment or 37977
continuing evaluation and treatment of a defendant ordered under 37978
division (B)(1)(a) of this section believes that there is not a 37979
substantial probability that the defendant will become capable of 37980
understanding the nature and objective of the proceedings against 37981
the defendant or of assisting in the defendant's defense even if 37982
the defendant is provided with a course of treatment. 37983

(G) A report under division (F) of this section shall contain 37984
the examiner's findings, the facts in reasonable detail on which 37985
the findings are based, and the examiner's opinion as to the 37986
defendant's capability of understanding the nature and objective 37987
of the proceedings against the defendant and of assisting in the 37988
defendant's defense. If, in the examiner's opinion, the defendant 37989
remains incapable of understanding the nature and objective of the 37990
proceedings against the defendant and of assisting in the 37991
defendant's defense and there is a substantial probability that 37992
the defendant will become capable of understanding the nature and 37993
objective of the proceedings against the defendant and of 37994
assisting in the defendant's defense if the defendant is provided 37995
with a course of treatment, if in the examiner's opinion the 37996
defendant remains mentally ill or mentally retarded, and if the 37997
maximum time for treatment as specified in division (C) of this 37998
section has not expired, the report also shall contain the 37999
examiner's recommendation as to the least restrictive ~~treatment~~ 38000
placement or commitment alternative that is consistent with the 38001
defendant's treatment needs for restoration to competency and with 38002
the safety of the community. The court shall provide copies of the 38003
report to the prosecutor and defense counsel. 38004

(H) If a defendant is committed pursuant to division (B)(1) 38005
of this section, within ten days after the treating physician of 38006
the defendant or the examiner of the defendant who is employed or 38007
retained by the treating facility advises that there is not a 38008
substantial probability that the defendant will become capable of 38009
understanding the nature and objective of the proceedings against 38010
the defendant or of assisting in the defendant's defense even if 38011
the defendant is provided with a course of treatment, within ten 38012
days after the expiration of the maximum time for treatment as 38013
specified in division (C) of this section, within ten days after 38014
the expiration of the maximum time for continuing evaluation and 38015
treatment as specified in division (B)(1)(a) of this section, 38016

within thirty days after a defendant's request for a hearing that 38017
is made after six months of treatment, or within thirty days after 38018
being advised by the treating physician or examiner that the 38019
defendant is competent to stand trial, whichever is the earliest, 38020
the court shall conduct another hearing to determine if the 38021
defendant is competent to stand trial and shall do whichever of 38022
the following is applicable: 38023

(1) If the court finds that the defendant is competent to 38024
stand trial, the defendant shall be proceeded against as provided 38025
by law. 38026

(2) If the court finds that the defendant is incompetent to 38027
stand trial, but that there is a substantial probability that the 38028
defendant will become competent to stand trial if the defendant is 38029
provided with a course of treatment, and the maximum time for 38030
treatment as specified in division (C) of this section has not 38031
expired, the court, after consideration of the examiner's 38032
recommendation, shall order that treatment be continued, may 38033
change the ~~facility or program at which the treatment is to be~~ 38034
continued least restrictive limitations on the defendant's freedom 38035
of movement, and, if applicable, shall specify whether the 38036
treatment for developmental disabilities is to be continued at the 38037
same or a different facility or ~~program~~ institution. 38038

(3) If the court finds that the defendant is incompetent to 38039
stand trial, if the defendant is charged with an offense listed in 38040
division (C)(1) of this section, and if the court finds that there 38041
is not a substantial probability that the defendant will become 38042
competent to stand trial even if the defendant is provided with a 38043
course of treatment, or if the maximum time for treatment relative 38044
to that offense as specified in division (C) of this section has 38045
expired, further proceedings shall be as provided in sections 38046
2945.39, 2945.401, and 2945.402 of the Revised Code. 38047

(4) If the court finds that the defendant is incompetent to 38048

stand trial, if the most serious offense with which the defendant 38049
is charged is a misdemeanor or a felony other than a felony listed 38050
in division (C)(1) of this section, and if the court finds that 38051
there is not a substantial probability that the defendant will 38052
become competent to stand trial even if the defendant is provided 38053
with a course of treatment, or if the maximum time for treatment 38054
relative to that offense as specified in division (C) of this 38055
section has expired, the court shall dismiss the indictment, 38056
information, or complaint against the defendant. A dismissal under 38057
this division is not a bar to further prosecution based on the 38058
same conduct. The court shall discharge the defendant unless the 38059
court or prosecutor files an affidavit in probate court for civil 38060
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 38061
If an affidavit for civil commitment is filed, the court may 38062
detain the defendant for ten days pending civil commitment. All of 38063
the following provisions apply to persons charged with a 38064
misdemeanor or a felony other than a felony listed in division 38065
(C)(1) of this section who are committed by the probate court 38066
subsequent to the court's or prosecutor's filing of an affidavit 38067
for civil commitment under authority of this division: 38068

(a) The chief clinical officer of the entity, hospital, or 38069
facility, the managing officer of the institution, ~~the director of~~ 38070
~~the program~~, or the person to which the defendant is committed or 38071
admitted shall do all of the following: 38072

(i) Notify the prosecutor, in writing, of the discharge of 38073
the defendant, send the notice at least ten days prior to the 38074
discharge unless the discharge is by the probate court, and state 38075
in the notice the date on which the defendant will be discharged; 38076

(ii) Notify the prosecutor, in writing, when the defendant is 38077
absent without leave or is granted unsupervised, off-grounds 38078
movement, and send this notice promptly after the discovery of the 38079
absence without leave or prior to the granting of the 38080

unsupervised, off-grounds movement, whichever is applicable; 38081

(iii) Notify the prosecutor, in writing, of the change of the 38082
defendant's commitment or admission to voluntary status, send the 38083
notice promptly upon learning of the change to voluntary status, 38084
and state in the notice the date on which the defendant was 38085
committed or admitted on a voluntary status. 38086

(b) Upon receiving notice that the defendant will be granted 38087
unsupervised, off-grounds movement, the prosecutor either shall 38088
re-indict the defendant or promptly notify the court that the 38089
prosecutor does not intend to prosecute the charges against the 38090
defendant. 38091

(I) If a defendant is convicted of a crime and sentenced to a 38092
jail or workhouse, the defendant's sentence shall be reduced by 38093
the total number of days the defendant is confined for evaluation 38094
to determine the defendant's competence to stand trial or 38095
treatment under this section and sections 2945.37 and 2945.371 of 38096
the Revised Code or by the total number of days the defendant is 38097
confined for evaluation to determine the defendant's mental 38098
condition at the time of the offense charged. 38099

Sec. 2945.39. (A) If a defendant who is charged with an 38100
offense described in division (C)(1) of section 2945.38 of the 38101
Revised Code is found incompetent to stand trial, after the 38102
expiration of the maximum time for treatment as specified in 38103
division (C) of that section or after the court finds that there 38104
is not a substantial probability that the defendant will become 38105
competent to stand trial even if the defendant is provided with a 38106
course of treatment, one of the following applies: 38107

(1) The court or the prosecutor may file an affidavit in 38108
probate court for civil commitment of the defendant in the manner 38109
provided in Chapter 5122. or 5123. of the Revised Code. If the 38110
court or prosecutor files an affidavit for civil commitment, the 38111

court may detain the defendant for ten days pending civil 38112
commitment. If the probate court commits the defendant subsequent 38113
to the court's or prosecutor's filing of an affidavit for civil 38114
commitment, the chief clinical officer of the entity, hospital, or 38115
facility, the managing officer of the institution, ~~the director of~~ 38116
~~the program~~, or the person to which the defendant is committed or 38117
admitted shall send to the prosecutor the notices described in 38118
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 38119
Code within the periods of time and under the circumstances 38120
specified in those divisions. 38121

(2) On the motion of the prosecutor or on its own motion, the 38122
court may retain jurisdiction over the defendant if, at a hearing, 38123
the court finds both of the following by clear and convincing 38124
evidence: 38125

(a) The defendant committed the offense with which the 38126
defendant is charged. 38127

(b) The defendant is a mentally ill person subject to 38128
hospitalization by court order or a mentally retarded person 38129
subject to institutionalization by court order. 38130

(B) In making its determination under division (A)(2) of this 38131
section as to whether to retain jurisdiction over the defendant, 38132
the court may consider all relevant evidence, including, but not 38133
limited to, any relevant psychiatric, psychological, or medical 38134
testimony or reports, the acts constituting the offense charged, 38135
and any history of the defendant that is relevant to the 38136
defendant's ability to conform to the law. 38137

(C) If the court conducts a hearing as described in division 38138
(A)(2) of this section and if the court does not make both 38139
findings described in divisions (A)(2)(a) and (b) of this section 38140
by clear and convincing evidence, the court shall dismiss the 38141
indictment, information, or complaint against the defendant. Upon 38142

the dismissal, the court shall discharge the defendant unless the 38143
court or prosecutor files an affidavit in probate court for civil 38144
commitment of the defendant pursuant to Chapter 5122. or 5123. of 38145
the Revised Code. If the court or prosecutor files an affidavit 38146
for civil commitment, the court may order that the defendant be 38147
detained for up to ten days pending the civil commitment. If the 38148
probate court commits the defendant subsequent to the court's or 38149
prosecutor's filing of an affidavit for civil commitment, the 38150
chief clinical officer of the entity, hospital, or facility, the 38151
managing officer of the institution, ~~the director of the program,~~ 38152
or the person to which the defendant is committed or admitted 38153
shall send to the prosecutor the notices described in divisions 38154
(H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 38155
within the periods of time and under the circumstances specified 38156
in those divisions. A dismissal of charges under this division is 38157
not a bar to further criminal proceedings based on the same 38158
conduct. 38159

(D)(1) If the court conducts a hearing as described in 38160
division (A)(2) of this section and if the court makes the 38161
findings described in divisions (A)(2)(a) and (b) of this section 38162
by clear and convincing evidence, the court shall commit the 38163
defendant, if determined to require mental health treatment, to a 38164
hospital operated by the department of mental health for treatment 38165
at a hospital, facility, or agency as determined clinically 38166
appropriate by the department of mental health or, if determined 38167
to require treatment for developmental disabilities, to a facility 38168
operated by the department of developmental disabilities, or 38169
another ~~medical or psychiatric~~ facility, as appropriate. In 38170
committing the defendant to the department of mental health, the 38171
court shall specify the least restrictive limitations on the 38172
defendant's freedom of movement determined to be necessary to 38173
protect public safety. In determining the place and nature of the 38174
commitment to a facility operated by the department of 38175

developmental disabilities or another facility for treatment of 38176
developmental disabilities, the court shall order the least 38177
restrictive commitment alternative available that is consistent 38178
with public safety and the welfare of the defendant. In weighing 38179
these factors, the court shall give preference to protecting 38180
public safety. 38181

(2) If a court makes a commitment of a defendant under 38182
division (D)(1) of this section, the prosecutor shall send to the 38183
hospital, facility, or agency where the defendant is placed by the 38184
department of mental health or to the defendant's place of 38185
commitment all reports of the defendant's current mental condition 38186
and, except as otherwise provided in this division, any other 38187
relevant information, including, but not limited to, a transcript 38188
of the hearing held pursuant to division (A)(2) of this section, 38189
copies of relevant police reports, and copies of any prior arrest 38190
and conviction records that pertain to the defendant and that the 38191
prosecutor possesses. The prosecutor shall send the reports of the 38192
defendant's current mental condition in every case of commitment, 38193
and, unless the prosecutor determines that the release of any of 38194
the other relevant information to unauthorized persons would 38195
interfere with the effective prosecution of any person or would 38196
create a substantial risk of harm to any person, the prosecutor 38197
also shall send the other relevant information. ~~Upon admission of~~ 38198
~~a defendant committed under division (D)(1) of this section, the~~ 38199
~~place of commitment shall send to the board of alcohol, drug~~ 38200
~~addiction, and mental health services or the community mental~~ 38201
~~health board serving the county in which the charges against the~~ 38202
~~defendant were filed a copy of all reports of the defendant's~~ 38203
~~current mental condition and a copy of the other relevant~~ 38204
~~information provided by the prosecutor under this division,~~ 38205
~~including, if provided, a transcript of the hearing held pursuant~~ 38206
~~to division (A)(2) of this section, the relevant police reports,~~ 38207
~~and the prior arrest and conviction records that pertain to the~~ 38208

~~defendant and that the prosecutor possesses.~~ 38209

(3) If a court makes a commitment under division (D)(1) of 38210
this section, all further proceedings shall be in accordance with 38211
sections 2945.401 and 2945.402 of the Revised Code. 38212

Sec. 2945.40. (A) If a person is found not guilty by reason 38213
of insanity, the verdict shall state that finding, and the trial 38214
court shall conduct a full hearing to determine whether the person 38215
is a mentally ill person subject to hospitalization by court order 38216
or a mentally retarded person subject to institutionalization by 38217
court order. Prior to the hearing, if the trial judge believes 38218
that there is probable cause that the person found not guilty by 38219
reason of insanity is a mentally ill person subject to 38220
hospitalization by court order or mentally retarded person subject 38221
to institutionalization by court order, the trial judge may issue 38222
a temporary order of detention for that person to remain in effect 38223
for ten court days or until the hearing, whichever occurs first. 38224

Any person detained pursuant to a temporary order of 38225
detention issued under this division shall be held in a suitable 38226
facility, taking into consideration the place and type of 38227
confinement prior to and during trial. 38228

(B) The court shall hold the hearing under division (A) of 38229
this section to determine whether the person found not guilty by 38230
reason of insanity is a mentally ill person subject to 38231
hospitalization by court order or a mentally retarded person 38232
subject to institutionalization by court order within ten court 38233
days after the finding of not guilty by reason of insanity. 38234
Failure to conduct the hearing within the ten-day period shall 38235
cause the immediate discharge of the respondent, unless the judge 38236
grants a continuance for not longer than ten court days for good 38237
cause shown or for any period of time upon motion of the 38238
respondent. 38239

(C) If a person is found not guilty by reason of insanity, 38240
the person has the right to attend all hearings conducted pursuant 38241
to sections 2945.37 to 2945.402 of the Revised Code. At any 38242
hearing conducted pursuant to one of those sections, the court 38243
shall inform the person that the person has all of the following 38244
rights: 38245

(1) The right to be represented by counsel and to have that 38246
counsel provided at public expense if the person is indigent, with 38247
the counsel to be appointed by the court under Chapter 120. of the 38248
Revised Code or under the authority recognized in division (C) of 38249
section 120.06, division (E) of section 120.16, division (E) of 38250
section 120.26, or section 2941.51 of the Revised Code; 38251

(2) The right to have independent expert evaluation and to 38252
have that independent expert evaluation provided at public expense 38253
if the person is indigent; 38254

(3) The right to subpoena witnesses and documents, to present 38255
evidence on the person's behalf, and to cross-examine witnesses 38256
against the person; 38257

(4) The right to testify in the person's own behalf and to 38258
not be compelled to testify; 38259

(5) The right to have copies of any relevant medical or 38260
mental health document in the custody of the state or of any place 38261
of commitment other than a document for which the court finds that 38262
the release to the person of information contained in the document 38263
would create a substantial risk of harm to any person. 38264

(D) The hearing under division (A) of this section shall be 38265
open to the public, and the court shall conduct the hearing in 38266
accordance with the Rules of Civil Procedure. The court shall make 38267
and maintain a full transcript and record of the hearing 38268
proceedings. The court may consider all relevant evidence, 38269
including, but not limited to, any relevant psychiatric, 38270

psychological, or medical testimony or reports, the acts 38271
constituting the offense in relation to which the person was found 38272
not guilty by reason of insanity, and any history of the person 38273
that is relevant to the person's ability to conform to the law. 38274

(E) Upon completion of the hearing under division (A) of this 38275
section, if the court finds there is not clear and convincing 38276
evidence that the person is a mentally ill person subject to 38277
hospitalization by court order or a mentally retarded person 38278
subject to institutionalization by court order, the court shall 38279
discharge the person, unless a detainer has been placed upon the 38280
person by the department of rehabilitation and correction, in 38281
which case the person shall be returned to that department. 38282

(F) If, at the hearing under division (A) of this section, 38283
the court finds by clear and convincing evidence that the person 38284
is a mentally ill person subject to hospitalization by court order 38285
~~or, the court shall commit the person to the department of mental~~ 38286
~~health for placement in a hospital, facility, or agency as~~ 38287
~~determined clinically appropriate by the department of mental~~ 38288
~~health. If, at the hearing under division (A) of this section, the~~ 38289
~~court finds by clear and convincing evidence that the person is a~~ 38290
mentally retarded person subject to institutionalization by court 38291
order, it shall commit the person to a ~~hospital operated by the~~ 38292
~~department of mental health, a facility operated by the department~~ 38293
~~of developmental disabilities, or another medical or psychiatric~~ 38294
facility, as appropriate, ~~and further.~~ Further proceedings shall 38295
be in accordance with sections 2945.401 and 2945.402 of the 38296
Revised Code. In committing the person to the department of mental 38297
health, the court shall specify the least restrictive limitations 38298
to the defendant's freedom of movement determined to be necessary 38299
to protect public safety. In determining the place and nature of 38300
the commitment of a mentally retarded person subject to 38301
institutionalization by court order, the court shall order the 38302

least restrictive commitment alternative available that is 38303
consistent with public safety and the welfare of the person. In 38304
weighing these factors, the court shall give preference to 38305
protecting public safety. 38306

(G) If a court makes a commitment of a person under division 38307
(F) of this section, the prosecutor shall send to the hospital, 38308
facility, or agency where the person is placed by the department 38309
of mental health or to the defendant's place of commitment all 38310
reports of the person's current mental condition, and, except as 38311
otherwise provided in this division, any other relevant 38312
information, including, but not limited to, a transcript of the 38313
hearing held pursuant to division (A) of this section, copies of 38314
relevant police reports, and copies of any prior arrest and 38315
conviction records that pertain to the person and that the 38316
prosecutor possesses. The prosecutor shall send the reports of the 38317
person's current mental condition in every case of commitment, 38318
and, unless the prosecutor determines that the release of any of 38319
the other relevant information to unauthorized persons would 38320
interfere with the effective prosecution of any person or would 38321
create a substantial risk of harm to any person, the prosecutor 38322
also shall send the other relevant information. ~~Upon admission of~~ 38323
~~a person committed under division (F) of this section, the place~~ 38324
~~of commitment shall send to the board of alcohol, drug addiction,~~ 38325
~~and mental health services or the community mental health board~~ 38326
~~serving the county in which the charges against the person were~~ 38327
~~filed a copy of all reports of the person's current mental~~ 38328
~~condition and a copy of the other relevant information provided by~~ 38329
~~the prosecutor under this division, including, if provided, a~~ 38330
~~transcript of the hearing held pursuant to division (A) of this~~ 38331
~~section, the relevant police reports, and the prior arrest and~~ 38332
~~conviction records that pertain to the person and that the~~ 38333
~~prosecutor possesses.~~ 38334

(H) A person who is committed pursuant to this section shall 38335
not voluntarily admit the person or be voluntarily admitted to a 38336
hospital or institution pursuant to section 5122.02, 5122.15, 38337
5123.69, or 5123.76 of the Revised Code. 38338

Sec. 2945.401. (A) A defendant found incompetent to stand 38339
trial and committed pursuant to section 2945.39 of the Revised 38340
Code or a person found not guilty by reason of insanity and 38341
committed pursuant to section 2945.40 of the Revised Code shall 38342
remain subject to the jurisdiction of the trial court pursuant to 38343
that commitment, and to the provisions of this section, until the 38344
final termination of the commitment as described in division 38345
(J)(1) of this section. If the jurisdiction is terminated under 38346
this division because of the final termination of the commitment 38347
resulting from the expiration of the maximum prison term or term 38348
of imprisonment described in division (J)(1)(b) of this section, 38349
the court or prosecutor may file an affidavit for the civil 38350
commitment of the defendant or person pursuant to Chapter 5122. or 38351
5123. of the Revised Code. 38352

(B) A hearing conducted under any provision of sections 38353
2945.37 to 2945.402 of the Revised Code shall not be conducted in 38354
accordance with Chapters 5122. and 5123. of the Revised Code. Any 38355
person who is committed pursuant to section 2945.39 or 2945.40 of 38356
the Revised Code shall not voluntarily admit the person or be 38357
voluntarily admitted to a hospital or institution pursuant to 38358
section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 38359
All other provisions of Chapters 5122. and 5123. of the Revised 38360
Code regarding hospitalization or institutionalization shall apply 38361
to the extent they are not in conflict with this chapter. A 38362
commitment under section 2945.39 or 2945.40 of the Revised Code 38363
shall not be terminated and the conditions of the commitment shall 38364
not be changed except as otherwise provided in division (D)(2) of 38365
this section with respect to a mentally retarded person subject to 38366

institutionalization by court order or except by order of the trial court.

(C) The ~~hospital, department of mental health or the institution or facility, or program~~ to which a defendant or person has been committed under section 2945.39 or 2945.40 of the Revised Code shall report in writing to the trial court, at the times specified in this division, as to whether the defendant or person remains a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order and, in the case of a defendant committed under section 2945.39 of the Revised Code, as to whether the defendant remains incompetent to stand trial. The ~~hospital department, institution, or facility, or program~~ shall make the reports after the initial six months of treatment and every two years after the initial report is made. The trial court shall provide copies of the reports to the prosecutor and to the counsel for the defendant or person. Within thirty days after its receipt pursuant to this division of a report from ~~a hospital the department, institution, or facility, or program~~, the trial court shall hold a hearing on the continued commitment of the defendant or person or on any changes in the conditions of the commitment of the defendant or person. The defendant or person may request a change in the conditions of confinement, and the trial court shall conduct a hearing on that request if six months or more have elapsed since the most recent hearing was conducted under this section.

(D)(1) Except as otherwise provided in division (D)(2) of this section, when a defendant or person has been committed under section 2945.39 or 2945.40 of the Revised Code, at any time after evaluating the risks to public safety and the welfare of the defendant or person, the ~~chief clinical officer~~ designee of the department of mental health or the managing officer of the

institution or director of the ~~hospital, facility, or program~~ to 38399
which the defendant or person is committed may recommend a 38400
termination of the defendant's or person's commitment or a change 38401
in the conditions of the defendant's or person's commitment. 38402

Except as otherwise provided in division (D)(2) of this 38403
section, if the ~~chief clinical officer~~ designee of the department 38404
of mental health recommends on-grounds unsupervised movement, 38405
off-grounds supervised movement, or nonsecured status for the 38406
defendant or person or termination of the defendant's or person's 38407
commitment, the following provisions apply: 38408

(a) If the ~~chief clinical officer~~ department's designee 38409
recommends on-grounds unsupervised movement or off-grounds 38410
supervised movement, the ~~chief clinical officer~~ department's 38411
designee shall file with the trial court an application for 38412
approval of the movement and shall send a copy of the application 38413
to the prosecutor. Within fifteen days after receiving the 38414
application, the prosecutor may request a hearing on the 38415
application and, if a hearing is requested, shall so inform the 38416
~~chief clinical officer~~ department's designee. If the prosecutor 38417
does not request a hearing within the fifteen-day period, the 38418
trial court shall approve the application by entering its order 38419
approving the requested movement or, within five days after the 38420
expiration of the fifteen-day period, shall set a date for a 38421
hearing on the application. If the prosecutor requests a hearing 38422
on the application within the fifteen-day period, the trial court 38423
shall hold a hearing on the application within thirty days after 38424
the hearing is requested. If the trial court, within five days 38425
after the expiration of the fifteen-day period, sets a date for a 38426
hearing on the application, the trial court shall hold the hearing 38427
within thirty days after setting the hearing date. At least 38428
fifteen days before any hearing is held under this division, the 38429
trial court shall give the prosecutor written notice of the date, 38430

time, and place of the hearing. At the conclusion of each hearing 38431
conducted under this division, the trial court either shall 38432
approve or disapprove the application and shall enter its order 38433
accordingly. 38434

(b) If the ~~chief clinical officer~~ department's designee 38435
recommends termination of the defendant's or person's commitment 38436
at any time or if the ~~chief clinical officer~~ department's designee 38437
recommends the first of any nonsecured status for the defendant or 38438
person, the ~~chief clinical officer~~ department's designee shall 38439
send written notice of this recommendation to the trial court and 38440
to the local forensic center. The local forensic center shall 38441
evaluate the committed defendant or person and, within thirty days 38442
after its receipt of the written notice, shall submit to the trial 38443
court and the ~~chief clinical officer~~ department's designee a 38444
written report of the evaluation. The trial court shall provide a 38445
copy of the ~~chief clinical officer's~~ department's designee's 38446
written notice and of the local forensic center's written report 38447
to the prosecutor and to the counsel for the defendant or person. 38448
Upon the local forensic center's submission of the report to the 38449
trial court and the ~~chief clinical officer~~ department's designee, 38450
all of the following apply: 38451

(i) If the forensic center disagrees with the recommendation 38452
of the ~~chief clinical officer~~ department's designee, it shall 38453
inform the ~~chief clinical officer~~ department's designee and the 38454
trial court of its decision and the reasons for the decision. The 38455
~~chief clinical officer~~ department's designee, after consideration 38456
of the forensic center's decision, shall either withdraw, proceed 38457
with, or modify and proceed with the recommendation. If the ~~chief~~ 38458
~~clinical officer~~ department's designee proceeds with, or modifies 38459
and proceeds with, the recommendation, the ~~chief clinical officer~~ 38460
department's designee shall proceed in accordance with division 38461
(D)(1)(b)(iii) of this section. 38462

(ii) If the forensic center agrees with the recommendation of the ~~chief clinical officer~~ department's designee, it shall inform the ~~chief clinical officer~~ department's designee and the trial court of its decision and the reasons for the decision, and the ~~chief clinical officer~~ department's designee shall proceed in accordance with division (D)(1)(b)(iii) of this section.

(iii) If the forensic center disagrees with the recommendation of the ~~chief clinical officer~~ department's designee and the ~~chief clinical officer~~ department's designee proceeds with, or modifies and proceeds with, the recommendation or if the forensic center agrees with the recommendation of the ~~chief clinical officer~~ department's designee, the ~~chief clinical officer~~ department's designee shall work with the ~~board~~ community mental health agencies, programs, facilities, or boards of alcohol, drug addiction, and mental health services ~~or community mental health board serving the area, as appropriate,~~ to develop a plan to implement the recommendation. If the defendant or person is on medication, the plan shall include, but shall not be limited to, a system to monitor the defendant's or person's compliance with the prescribed medication treatment plan. The system shall include a schedule that clearly states when the defendant or person shall report for a medication compliance check. The medication compliance checks shall be based upon the effective duration of the prescribed medication, taking into account the route by which it is taken, and shall be scheduled at intervals sufficiently close together to detect a potential increase in mental illness symptoms that the medication is intended to prevent.

The ~~chief clinical officer, after consultation with the board of alcohol, drug addiction, and mental health services or the community mental health board serving the area,~~ department's designee shall send the recommendation and plan developed under

division (D)(1)(b)(iii) of this section, in writing, to the trial 38495
court, the prosecutor and the counsel for the committed defendant 38496
or person. The trial court shall conduct a hearing on the 38497
recommendation and plan developed under division (D)(1)(b)(iii) of 38498
this section. Divisions (D)(1)(c) and (d) and (E) to (J) of this 38499
section apply regarding the hearing. 38500

(c) If the ~~chief clinical officer's~~ department's designee's 38501
recommendation is for nonsecured status or termination of 38502
commitment, the prosecutor may obtain an independent expert 38503
evaluation of the defendant's or person's mental condition, and 38504
the trial court may continue the hearing on the recommendation for 38505
a period of not more than thirty days to permit time for the 38506
evaluation. 38507

The prosecutor may introduce the evaluation report or present 38508
other evidence at the hearing in accordance with the Rules of 38509
Evidence. 38510

(d) The trial court shall schedule the hearing on a ~~chief~~ 38511
~~clinical officer's~~ department's designee's recommendation for 38512
nonsecured status or termination of commitment and shall give 38513
reasonable notice to the prosecutor and the counsel for the 38514
defendant or person. Unless continued for independent evaluation 38515
at the prosecutor's request or for other good cause, the hearing 38516
shall be held within thirty days after the trial court's receipt 38517
of the recommendation and plan. 38518

(2)(a) Division (D)(1) of this section does not apply to 38519
on-grounds unsupervised movement of a defendant or person who has 38520
been committed under section 2945.39 or 2945.40 of the Revised 38521
Code, who is a mentally retarded person subject to 38522
institutionalization by court order, and who is being provided 38523
residential habilitation, care, and treatment in a facility 38524
operated by the department of developmental disabilities. 38525

(b) If, pursuant to section 2945.39 of the Revised Code, the trial court commits a defendant who is found incompetent to stand trial and who is a mentally retarded person subject to institutionalization by court order, if the defendant is being provided residential habilitation, care, and treatment in a facility operated by the department of developmental disabilities, if an individual who is conducting a survey for the department of health to determine the facility's compliance with the certification requirements of the medicaid program under Chapter 5111. of the Revised Code and Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, cites the defendant's receipt of the residential habilitation, care, and treatment in the facility as being inappropriate under the certification requirements, if the defendant's receipt of the residential habilitation, care, and treatment in the facility potentially jeopardizes the facility's continued receipt of federal medicaid moneys, and if as a result of the citation the chief clinical officer of the facility determines that the conditions of the defendant's commitment should be changed, the department of developmental disabilities may cause the defendant to be removed from the particular facility and, after evaluating the risks to public safety and the welfare of the defendant and after determining whether another type of placement is consistent with the certification requirements, may place the defendant in another facility that the department selects as an appropriate facility for the defendant's continued receipt of residential habilitation, care, and treatment and that is a no less secure setting than the facility in which the defendant had been placed at the time of the citation. Within three days after the defendant's removal and alternative placement under the circumstances described in division (D)(2)(b) of this section, the department of developmental disabilities shall notify the trial court and the prosecutor in writing of the removal and alternative

placement. 38559

The trial court shall set a date for a hearing on the removal 38560
and alternative placement, and the hearing shall be held within 38561
twenty-one days after the trial court's receipt of the notice from 38562
the department of developmental disabilities. At least ten days 38563
before the hearing is held, the trial court shall give the 38564
prosecutor, the department of developmental disabilities, and the 38565
counsel for the defendant written notice of the date, time, and 38566
place of the hearing. At the hearing, the trial court shall 38567
consider the citation issued by the individual who conducted the 38568
survey for the department of health to be prima-facie evidence of 38569
the fact that the defendant's commitment to the particular 38570
facility was inappropriate under the certification requirements of 38571
the medicaid program under Chapter 5111. of the Revised Code and 38572
Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 38573
U.S.C.A. 301, as amended, and potentially jeopardizes the 38574
particular facility's continued receipt of federal medicaid 38575
moneys. At the conclusion of the hearing, the trial court may 38576
approve or disapprove the defendant's removal and alternative 38577
placement. If the trial court approves the defendant's removal and 38578
alternative placement, the department of developmental 38579
disabilities may continue the defendant's alternative placement. 38580
If the trial court disapproves the defendant's removal and 38581
alternative placement, it shall enter an order modifying the 38582
defendant's removal and alternative placement, but that order 38583
shall not require the department of developmental disabilities to 38584
replace the defendant for purposes of continued residential 38585
habilitation, care, and treatment in the facility associated with 38586
the citation issued by the individual who conducted the survey for 38587
the department of health. 38588

(E) In making a determination under this section regarding 38589
nonsecured status or termination of commitment, the trial court 38590

shall consider all relevant factors, including, but not limited to, all of the following: 38591
38592

(1) Whether, in the trial court's view, the defendant or person currently represents a substantial risk of physical harm to the defendant or person or others; 38593
38594
38595

(2) Psychiatric and medical testimony as to the current mental and physical condition of the defendant or person; 38596

38599
38600
38601

(4) The grounds upon which the state relies for the proposed commitment; 38602
38603

(5) Any past history that is relevant to establish the defendant's or person's degree of conformity to the laws, rules, regulations, and values of society; 38604
38605
38606

(6) If there is evidence that the defendant's or person's mental illness is in a state of remission, the medically suggested cause and degree of the remission and the probability that the defendant or person will continue treatment to maintain the remissive state of the defendant's or person's illness should the defendant's or person's commitment conditions be altered. 38607
38608
38609
38610
38611
38612

(F) At any hearing held pursuant to division (C) or (D)(1) or (2) of this section, the defendant or the person shall have all the rights of a defendant or person at a commitment hearing as described in section 2945.40 of the Revised Code. 38613

(H) In a hearing held pursuant to division (C) or (D)(1) or 38628
(2) of this section, the prosecutor shall represent the state or 38629
the public interest. 38630

(I) At the conclusion of a hearing conducted under division 38631
(D)(1) of this section regarding a recommendation from the ~~chief~~ 38632
~~clinical officer~~ designee of the department of mental health, 38633
managing officer of the institution, or director of a ~~hospital,~~ 38634

to section 2945.39 or 2945.40 of the Revised Code continues to be 38638
under the jurisdiction of the trial court until the final 38639
termination of the commitment. For purposes of division (J) of 38640
this section, the final termination of a commitment occurs upon 38641
the earlier of one of the following: 38642

(a) The defendant or person no longer is a mentally ill 38643

relation to which the defendant or person was found not guilty by 38651

reason of insanity; 38652

(c) The trial court enters an order terminating the 38653
commitment under the circumstances described in division 38654
(J)(2)(a)(ii) of this section. 38655

(2)(a) If a defendant is found incompetent to stand trial and 38656
committed pursuant to section 2945.39 of the Revised Code, if 38657
neither of the circumstances described in divisions (J)(1)(a) and 38658
(b) of this section applies to that defendant, and if a report 38659
filed with the trial court pursuant to division (C) of this 38660
section indicates that the defendant presently is competent to 38661
stand trial or if, at any other time during the period of the 38662
defendant's commitment, the prosecutor, the counsel for the 38663
defendant, or the ~~chief clinical officer~~ designee of the 38664

institution or director of the ~~hospital, facility, or program~~ to 38666
which the defendant is committed files an application with the 38667
trial court alleging that the defendant presently is competent to 38668
stand trial and requesting a hearing on the competency issue or 38669

defendant presently is competent to stand trial and determines on 38671
its own motion to hold a hearing on the competency issue, the 38672
trial court shall schedule a hearing on the competency of the 38673

the defendant and of assisting in the defendant's defense, the 38684
trial court shall order that the defendant is competent to stand 38685
trial and shall be proceeded against as provided by law with 38686

for purposes of division (J)(1)(c) of this section. 38709

(b) If, at the conclusion of the hearing described in 38710
division (J)(2)(a) of this section, the trial court determines 38711
that the defendant remains incapable of understanding the nature 38712
and objective of the proceedings against the defendant or of 38713
assisting in the defendant's defense, the trial court shall order 38714
that the defendant continues to be incompetent to stand trial, 38715

Sec. 2945.402. (A) In approving a conditional release, the 38723
trial court may set any conditions on the release with respect to 38724
the treatment, evaluation, counseling, or control of the defendant 38725
or person that the court considers necessary to protect the public 38726

Upon learning of any violation of the terms of the conditional 38741
release, the trial court may issue a temporary order of detention 38742

whether the conditional release should be modified or terminated. 38746

as are described in division (C) of section 2945.40 of the Revised 38748
Code. The trial court may order a continuance of the ten-court-day 38749
period for no longer than ten days for good cause shown or for any 38750
period on motion of the defendant or person. If the trial court 38751

defendant or person shall be restored to the prior conditional 38754

court finds by a preponderance of the evidence that the defendant 38760
or person violated the terms of the conditional release, the court 38761
may continue, modify, or terminate the conditional release and 38762
shall enter its order accordingly. 38763

family services shall provide budgetary, procurement, accounting, 38783
and other related management functions for the board and may adopt 38784
rules in accordance with Chapter 119. of the Revised Code for 38785
these purposes. An amount not to exceed three per cent of the 38786
total amount of fees deposited in the children's trust fund in 38787
each fiscal year may be used for costs directly related to these 38788
administrative functions of the department. Each fiscal year, the 38789
board shall approve a budget for administrative expenditures for 38790
the next fiscal year. 38791

The board may request that the department adopt rules the 38792
board considers necessary for the purpose of carrying out the 38793
board's responsibilities under this section, and the department 38794
may adopt those rules. The department may, after consultation with 38795
the board and the executive director, adopt any other rules to 38796

section. In either case, the rules shall be adopted under Chapter 38798
119. of the Revised Code. 38799

The board shall meet at least quarterly at the call of the 38800
chairperson to conduct its official business. All business 38801

prevention programs. In addition, the board may accept gifts and 38809

donations from any source, including individuals, philanthropic 38810
foundations or organizations, corporations, or corporation 38811
endowments. The acceptance and use of federal funds shall not 38812
entail any commitment or pledge of state funds, nor obligate the 38813
general assembly to continue the programs or activities for which 38814
the federal funds are made available. All funds received in the 38815
manner described in this section shall be transmitted to the 38816
treasurer of state, who shall credit them to the children's trust 38817
fund created in section 3109.14 of the Revised Code. 38818

comprehensive child abuse and child neglect prevention. The plan 38821
shall be transmitted to the governor, the president and minority 38822
leader of the senate, and the speaker and minority leader of the 38823
house of representatives and shall be made available to the 38824
general public. The board may define in the state plan the term 38825
"effective public notice." If the board does not define that term 38826
in the state plan, the board shall include in the state plan the 38827
definition of "effective public notice" specified in rules adopted 38828
by the department of job and family services. 38829

(B) In developing and carrying out the state plan, the 38830

The remainder of the funds allocated to the advisory board for that fiscal year shall be disbursed before the thirty-first day of March.

The board shall specify the criteria child abuse and child neglect prevention advisory boards are to use in reviewing applications under division (F)(3) of section 3109.18 of the Revised Code.

(6) Allocate funds to entities other than child abuse and

child neglect prevention advisory boards for the purpose of 38873

division (K)(1) of section 3109.18 of the Revised Code. 38904

for each fiscal biennium that delineates the expenditure of money 38906
from the children's trust fund. On or before January 1, 2002, and 38907

division shall be deemed to have attained at least the applicable 39755
score designated under this division on each assessment required 39756
by division (B)(1) or (2) of this section that is specified in the 39757
agreement. 39758

(C) The superintendent of public instruction shall designate 39759
dates and times for the administration of the assessments 39760
prescribed by divisions (A) and (B) of this section. 39761

In prescribing administration dates pursuant to this 39762
division, the superintendent shall designate the dates in such a 39763
way as to allow a reasonable length of time between the 39764
administration of assessments prescribed under this section and 39765
any administration of the national assessment of educational 39766
progress given to students in the same grade level pursuant to 39767
section 3301.27 of the Revised Code or federal law. 39768

(D) The state board shall prescribe a practice version of 39769
each Ohio graduation test described in division (B)(1) of this 39770
section that is of comparable length to the actual test. 39771

(E) Any committee established by the department of education 39772
for the purpose of making recommendations to the state board 39773
regarding the state board's designation of scores on the 39774
assessments described by this section shall inform the state board 39775
of the probable percentage of students who would score in each of 39776
the ranges established under division (A)(2) of this section on 39777
the assessments if the committee's recommendations are adopted by 39778
the state board. To the extent possible, these percentages shall 39779
be disaggregated by gender, major racial and ethnic groups, 39780
limited English proficient students, economically disadvantaged 39781
students, students with disabilities, and migrant students. 39782

If the state board intends to make any change to the 39783
committee's recommendations, the state board shall explain the 39784
intended change to the Ohio accountability task force established 39785
by section 3302.021 of the Revised Code. The task force shall 39786
recommend whether the state board should proceed to adopt the 39787
intended change. Nothing in this division shall require the state 39788
board to designate assessment scores based upon the 39789
recommendations of the task force. 39790

Sec. 3301.0711. (A) The department of education shall: 39791

site for reproduction by districts. In awarding contracts for 39804
grading assessments, the department shall give preference to 39805
Ohio-based entities employing Ohio residents. 39806

(2) Adopt rules for the ethical use of assessments and 39807

each assessment prescribed by division (D) of section 3301.0710 of 39865
the Revised Code in September to all ninth grade students, 39866
beginning in the school year that starts July 1, 2005. 39867

Except as provided in section 3313.614 of the Revised Code 39868
for administration of an assessment to a person who has fulfilled 39869
the curriculum requirement for a high school diploma but has not 39870
passed one or more of the required assessments, the assessments 39871
prescribed under division (B)(1) of section 3301.0710 of the 39872
Revised Code and the practice assessments prescribed under 39873
division (D) of that section and required to be administered under 39874
divisions (B)(8), (9), and (10) of this section shall not be 39875
administered after the assessment system prescribed by division 39876
(B)(2) of section 3301.0710 and section 3301.0712 of the Revised 39877
Code is implemented under rule of the state board adopted under 39878

(11) Administer the assessments prescribed by division (B)(2) 39880
of section 3301.0710 and section 3301.0712 of the Revised Code in 39881
accordance with the timeline and plan for implementation of those 39882
assessments prescribed by rule of the state board adopted under 39883
division ~~(E)~~(D)(1) of section 3301.0712 of the Revised Code. 39884

(C)(1)(a) ~~Any~~ In the case of a student receiving special 39885
education services under Chapter 3323. of the Revised Code, the 39886
individualized education program developed for the student under 39887
that chapter shall specify the manner in which the student will 39888
participate in the assessments administered under this section. 39889
The individualized education program may be excused excuse the 39890
student from taking any particular assessment required to be 39891
administered under this section if ~~the individualized education~~ 39892
~~program developed for the student pursuant to section 3323.08 of~~ 39893
~~the Revised Code excuses the student from taking that assessment~~ 39894
~~and it~~ instead specifies an alternate assessment method approved 39895

by the department of education as conforming to requirements of 39896
federal law for receipt of federal funds for disadvantaged pupils. 39897
To the extent possible, the individualized education program shall 39898
not excuse the student from taking an assessment unless no 39899
reasonable accommodation can be made to enable the student to take 39900
the assessment. 39901

(b) Any alternate assessment approved by the department for a 39902
student under this division shall produce measurable results 39903
comparable to those produced by the assessment it replaces in 39904
order to allow for the student's results to be included in the 39905
data compiled for a school district or building under section 39906
3302.03 of the Revised Code. 39907

(c) Any student enrolled in a chartered nonpublic school who 39908
has been identified, based on an evaluation conducted in 39909
accordance with section 3323.03 of the Revised Code or section 504 39910
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 39911
794, as amended, as a child with a disability shall be excused 39912
from taking any particular assessment required to be administered 39913
under this section if a plan developed for the student pursuant to 39914
rules adopted by the state board excuses the student from taking 39915
that assessment. In the case of any student so excused from taking 39916
an assessment, the chartered nonpublic school shall not prohibit 39917
the student from taking the assessment. 39918

(2) A district board may, for medical reasons or other good 39919
cause, excuse a student from taking an assessment administered 39920
under this section on the date scheduled, but that assessment 39921
shall be administered to the excused student not later than nine 39922
days following the scheduled date. The district board shall 39923
annually report the number of students who have not taken one or 39924
more of the assessments required by this section to the state 39925
board of education not later than the thirtieth day of June. 39926

(3) As used in this division, "limited English proficient 39927

student" has the same meaning as in 20 U.S.C. 7801. 39928

No school district board shall excuse any limited English 39929
proficient student from taking any particular assessment required 39930
to be administered under this section, except that any limited 39931
English proficient student who has been enrolled in United States 39932
schools for less than one full school year shall not be required 39933
to take any reading, writing, or English language arts assessment. 39934
However, no board shall prohibit a limited English proficient 39935
student who is not required to take an assessment under this 39936
division from taking the assessment. A board may permit any 39937
limited English proficient student to take an assessment required 39938
to be administered under this section with appropriate 39939
accommodations, as determined by the department. For each limited 39940
English proficient student, each school district shall annually 39941
assess that student's progress in learning English, in accordance 39942
with procedures approved by the department. 39943

The governing authority of a chartered nonpublic school may 39944
excuse a limited English proficient student from taking any 39945
assessment administered under this section. However, no governing 39946
authority shall prohibit a limited English proficient student from 39947
taking the assessment. 39948

(D)(1) In the school year next succeeding the school year in 39949
which the assessments prescribed by division (A)(1) or (B)(1) of 39950
section 3301.0710 of the Revised Code or former division (A)(1), 39951
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 39952
existed prior to September 11, 2001, are administered to any 39953
student, the board of education of any school district in which 39954
the student is enrolled in that year shall provide to the student 39955
intervention services commensurate with the student's performance, 39956
including any intensive intervention required under section 39957
3313.608 of the Revised Code, in any skill in which the student 39958
failed to demonstrate at least a score at the proficient level on 39959

the assessment. 39960

(2) Following any administration of the assessments 39961
prescribed by division (D) of section 3301.0710 of the Revised 39962
Code to ninth grade students, each school district that has a 39963
three-year average graduation rate of not more than seventy-five 39964
per cent shall determine for each high school in the district 39965
whether the school shall be required to provide intervention 39966
services to any students who took the assessments. In determining 39967
which high schools shall provide intervention services based on 39968
the resources available, the district shall consider each school's 39969
graduation rate and scores on the practice assessments. The 39970
district also shall consider the scores received by ninth grade 39971
students on the English language arts and mathematics assessments 39972
prescribed under division (A)(1)(f) of section 3301.0710 of the 39973
Revised Code in the eighth grade in determining which high schools 39974
shall provide intervention services. 39975

Each high school selected to provide intervention services 39976
under this division shall provide intervention services to any 39977
student whose results indicate that the student is failing to make 39978
satisfactory progress toward being able to attain scores at the 39979
proficient level on the Ohio graduation tests. Intervention 39980
services shall be provided in any skill in which a student 39981
demonstrates unsatisfactory progress and shall be commensurate 39982
with the student's performance. Schools shall provide the 39983
intervention services prior to the end of the school year, during 39984
the summer following the ninth grade, in the next succeeding 39985
school year, or at any combination of those times. 39986

(E) Except as provided in section 3313.608 of the Revised 39987
Code and division (M) of this section, no school district board of 39988
education shall utilize any student's failure to attain a 39989
specified score on an assessment administered under this section 39990
as a factor in any decision to deny the student promotion to a 39991

higher grade level. However, a district board may choose not to 39992
promote to the next grade level any student who does not take an 39993
assessment administered under this section or make up an 39994
assessment as provided by division (C)(2) of this section and who 39995
is not exempt from the requirement to take the assessment under 39996
division (C)(3) of this section. 39997

(F) No person shall be charged a fee for taking any 39998
assessment administered under this section. 39999

(G)(1) Each school district board shall designate one 40000
location for the collection of assessments administered in the 40001
spring under division (B)(1) of this section and those 40002
administered under divisions (B)(2) to (7) of this section. Each 40003
district board shall submit the assessments to the entity with 40004
which the department contracts for the scoring of the assessments 40005
as follows: 40006

(a) If the district's total enrollment in grades kindergarten 40007
through twelve during the first full school week of October was 40008
less than two thousand five hundred, not later than the Friday 40009
after all of the assessments have been administered; 40010

(b) If the district's total enrollment in grades kindergarten 40011
through twelve during the first full school week of October was 40012
two thousand five hundred or more, but less than seven thousand, 40013
not later than the Monday after all of the assessments have been 40014
administered; 40015

(c) If the district's total enrollment in grades kindergarten 40016
through twelve during the first full school week of October was 40017
seven thousand or more, not later than the Tuesday after all of 40018
the assessments have been administered. 40019

However, any assessment that a student takes during the 40020
make-up period described in division (C)(2) of this section shall 40021
be submitted not later than the Friday following the day the 40022

student takes the assessment. 40023

(2) The department or an entity with which the department 40024
contracts for the scoring of the assessment shall send to each 40025
school district board a list of the individual scores of all 40026
persons taking an assessment prescribed by division (A)(1) or 40027
(B)(1) of section 3301.0710 of the Revised Code within sixty days 40028
after its administration, but in no case shall the scores be 40029
returned later than the fifteenth day of June following the 40030
administration. For assessments administered under this section by 40031
a joint vocational school district, the department or entity shall 40032
also send to each city, local, or exempted village school district 40033
a list of the individual scores of any students of such city, 40034
local, or exempted village school district who are attending 40035
school in the joint vocational school district. 40036

(H) Individual scores on any assessments administered under 40037
this section shall be released by a district board only in 40038
accordance with section 3319.321 of the Revised Code and the rules 40039
adopted under division (A) of this section. No district board or 40040
its employees shall utilize individual or aggregate results in any 40041
manner that conflicts with rules for the ethical use of 40042
assessments adopted pursuant to division (A) of this section. 40043

(I) Except as provided in division (G) of this section, the 40044
department or an entity with which the department contracts for 40045
the scoring of the assessment shall not release any individual 40046
scores on any assessment administered under this section. The 40047
state board of education shall adopt rules to ensure the 40048
protection of student confidentiality at all times. The rules may 40049
require the use of the data verification codes assigned to 40050
students pursuant to division (D)(2) of section 3301.0714 of the 40051
Revised Code to protect the confidentiality of student scores. 40052

(J) Notwithstanding division (D) of section 3311.52 of the 40053
Revised Code, this section does not apply to the board of 40054

education of any cooperative education school district except as 40055
provided under rules adopted pursuant to this division. 40056

(1) In accordance with rules that the state board of 40057
education shall adopt, the board of education of any city, 40058
exempted village, or local school district with territory in a 40059
cooperative education school district established pursuant to 40060
divisions (A) to (C) of section 3311.52 of the Revised Code may 40061
enter into an agreement with the board of education of the 40062
cooperative education school district for administering any 40063
assessment prescribed under this section to students of the city, 40064
exempted village, or local school district who are attending 40065
school in the cooperative education school district. 40066

(2) In accordance with rules that the state board of 40067
education shall adopt, the board of education of any city, 40068
exempted village, or local school district with territory in a 40069
cooperative education school district established pursuant to 40070
section 3311.521 of the Revised Code shall enter into an agreement 40071
with the cooperative district that provides for the administration 40072
of any assessment prescribed under this section to both of the 40073
following: 40074

(a) Students who are attending school in the cooperative 40075
district and who, if the cooperative district were not 40076
established, would be entitled to attend school in the city, 40077
local, or exempted village school district pursuant to section 40078
3313.64 or 3313.65 of the Revised Code; 40079

(b) Persons described in division (B)(8)(b) of this section. 40080

Any assessment of students pursuant to such an agreement 40081
shall be in lieu of any assessment of such students or persons 40082
pursuant to this section. 40083

(K)(1) As a condition of compliance with section 3313.612 of 40084
the Revised Code, each chartered nonpublic school that educates 40085

students in grades nine through twelve shall administer the 40086
assessments prescribed by divisions (B)(1) and (2) of section 40087
3301.0710 of the Revised Code. Any chartered nonpublic school may 40088
participate in the assessment program by administering any of the 40089
assessments prescribed by division (A) of section 3301.0710 of the 40090
Revised Code. The chief administrator of the school shall specify 40091
which assessments the school will administer. Such specification 40092
shall be made in writing to the superintendent of public 40093
instruction prior to the first day of August of any school year in 40094
which assessments are administered and shall include a pledge that 40095
the nonpublic school will administer the specified assessments in 40096
the same manner as public schools are required to do under this 40097
section and rules adopted by the department. 40098

(2) The department of education shall furnish the assessments 40099
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 40100
to each chartered nonpublic school that participates under this 40101
division. 40102

(L)(1) The superintendent of the state school for the blind 40103
and the superintendent of the state school for the deaf shall 40104
administer the assessments described by sections 3301.0710 and 40105
3301.0712 of the Revised Code. Each superintendent shall 40106
administer the assessments in the same manner as district boards 40107
are required to do under this section and rules adopted by the 40108
department of education and in conformity with division (C)(1)(a) 40109
of this section. 40110

(2) The department of education shall furnish the assessments 40111
described by sections 3301.0710 and 3301.0712 of the Revised Code 40112
to each superintendent. 40113

(M) Notwithstanding division (E) of this section, a school 40114
district may use a student's failure to attain a score in at least 40115
the proficient range on the mathematics assessment described by 40116
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 40117

an assessment described by division (A)(1)(b), (c), (d), (e), or 40118
(f) of section 3301.0710 of the Revised Code as a factor in 40119
retaining that student in the current grade level. 40120

(N)(1) In the manner specified in divisions (N)(3) and (4) of 40121
this section, the assessments required by division (A)(1) of 40122
section 3301.0710 of the Revised Code shall become public records 40123
pursuant to section 149.43 of the Revised Code on the first day of 40124
July following the school year that the assessments were 40125
administered. 40126

(2) The department may field test proposed questions with 40127
samples of students to determine the validity, reliability, or 40128
appropriateness of questions for possible inclusion in a future 40129
year's assessment. The department also may use anchor questions on 40130
assessments to ensure that different versions of the same 40131
assessment are of comparable difficulty. 40132

Field test questions and anchor questions shall not be 40133
considered in computing scores for individual students. Field test 40134
questions and anchor questions may be included as part of the 40135
administration of any assessment required by division (A)(1) or 40136
(B)(1) of section 3301.0710 of the Revised Code. 40137

(3) Any field test question or anchor question administered 40138
under division (N)(2) of this section shall not be a public 40139
record. Such field test questions and anchor questions shall be 40140
redacted from any assessments which are released as a public 40141
record pursuant to division (N)(1) of this section. 40142

(4) This division applies to the assessments prescribed by 40143
division (A) of section 3301.0710 of the Revised Code. 40144

(a) The first administration of each assessment, as specified 40145
in former section 3301.0712 of the Revised Code, shall be a public 40146
record. 40147

(b) For subsequent administrations of each assessment, not 40148

less than forty per cent of the questions on the assessment that 40149
are used to compute a student's score shall be a public record. 40150
The department shall determine which questions will be needed for 40151
reuse on a future assessment and those questions shall not be 40152
public records and shall be redacted from the assessment prior to 40153

<u>(12) Use of financial or other resources.</u>	40664
<u>(B)(1) If the board approves an application seeking</u>	40665
<u>designation as an innovation school, it shall so designate the</u>	40666

application seeking designation as an innovation school zone, it shall so designate the participating schools that submitted the application. 40668
40669
40670

(2) If the board disapproves an application, it shall provide a written explanation of the basis for its decision to the school or schools that submitted the application. The school or schools may reapply for designation as an innovation school or innovation school zone at any time. 40671

(D) The board may do either of the following at any time: 40689

(1) Designate a school as an innovation school by creating an innovation plan for that school and offering the school an opportunity to participate in the plan's creation; 40690
40691
40692

(2) Designate as an innovation school zone two or more schools that share common interests based on factors such as geographical proximity or similar educational programs or that serve the same classes of students as they advance to higher grade levels, by creating an innovation plan for those schools and offering the schools an opportunity to participate in the plan's 40693

Sec. 3302.062. (A) If a school district board of education 40700
approves an application under division (B)(1) of section 3302.061 40701
of the Revised Code or designates an innovation school or 40702
innovation school zone under division (D) of that section, the 40703
district board shall apply to the state board of education for 40704
designation as a school district of innovation by submitting to 40705
the state board the innovation plan included in the approved 40706
application or created by the district board. 40707

Within sixty days after receipt of the application, the state 40708
board shall designate the district as a school district of 40709
innovation, unless the state board determines that the submitted 40710
innovation plan is not financially feasible or will likely result 40711
in decreased academic achievement. If the state board so 40712
determines, it shall provide a written explanation of the basis 40713
for its determination to the district board. If the district is 40714
not designated as a school district of innovation, the district 40715
board shall not implement the innovation plan. However, the 40716
district board may reapply for designation as a school district of 40717
innovation at any time. 40718

(B) A district board may request the state board to make a 40719
preliminary review of an innovation plan prior to the district 40720
board's formal application for designation as a school district of 40721
innovation. In that case, the state board shall review the 40722
innovation plan and, within sixty days after the request, 40723
recommend to the district board any changes or additions that the 40724
state board believes will improve the plan, which may include 40725
further innovations or measures to increase the likelihood that 40726
the innovations will result in higher academic achievement. The 40727
district board may revise the innovation plan prior to making 40728
formal application for designation as a school district of 40729

innovation. 40730

Sec. 3302.063. (A) Except as provided in division (B) of this 40731
section, upon designation of a school district of innovation under 40732
section 3302.062 of the Revised Code, the state board of education 40733
shall waive any laws in Title XXXIII of the Revised Code or rules 40734
adopted by the state board that are specified in the innovation 40735
plan submitted by the district board of education as needing to be 40736
waived to implement the plan. The waiver shall apply only to the 40737
school or schools participating in the innovation plan and shall 40738
not apply to the district as a whole, unless each of the 40739
district's schools is a participating school. The waiver shall 40740
cease to apply to a school if the school's designation as an 40741
innovation school is revoked or the innovation school zone in 40742
which the school participates has its designation revoked under 40743
section 3302.065 of the Revised Code, or if the school is removed 40744
from an innovation school zone under that section or section 40745
3302.064 of the Revised Code. 40746

(B) The state board shall not waive any law or rule regarding 40747
the following: 40748

(1) Funding for school districts under Chapter 3317. of the 40749
Revised Code; 40750

(2) The requirements of Chapters 3323. and 3324. of the 40751
Revised Code for the provision of services to students with 40752
disabilities and gifted students; 40753

(3) Requirements related to the provision of career-technical 40754
education that are necessary to comply with federal law or 40755
maintenance of effort provisions; 40756

(4) Administration of the assessments prescribed by sections 40757
3301.0710, 3301.0712, and 3301.0715 of the Revised Code; 40758

(5) Requirements related to the issuance of report cards and 40759

<u>the assignment of performance ratings under section 3302.03 of the Revised Code;</u>	40760
	40761
<u>(6) Implementation of the model of differentiated accountability under section 3302.041 of the Revised Code;</u>	40762
	40763
<u>(7) Requirements for the reporting of data to the department of education;</u>	40764
	40765
<u>(8) Criminal records checks of school employees;</u>	40766
<u>(9) The requirements of Chapters 3307. and 3309. regarding the retirement systems for teachers and school employees.</u>	40767
	40768
<u>(C) If a district board's revisions to an innovation plan under section 3302.066 of the Revised Code require a waiver of additional laws or state board rules, the state board shall grant a waiver from those laws or rules upon evidence that administrators and teachers have consented to the revisions as required by that section.</u>	40769
	40770
	40771
	40772

	40774
Sec. 3302.064. <u>(A) Each collective bargaining agreement entered into by a school district board of education under Chapter 4117. of the Revised Code on or after the effective date of this section shall allow for the waiver of any provision of the agreement specified in the innovation plan approved or created under section 3302.061 of the Revised Code as needing to be waived to implement the plan, in the event the district is designated as a school district of innovation.</u>	40775

	40780
	40781
	40782
<u>(B)(1) In the case of an innovation school, waiver of the provisions specified in the innovation plan shall be contingent upon at least sixty per cent of the members of the bargaining unit covered by the collective bargaining agreement who work in the school voting, by secret ballot, to approve the waiver.</u>	40783
	40784
	40785
	40786
	40787
<u>(2) In the case of an innovation school zone, waiver of the provisions specified in the innovation plan shall be contingent</u>	40788
	40789

upon, in each participating school, at least sixty per cent of the 40790
members of the bargaining unit covered by the collective 40791
bargaining agreement who work in that school voting, by secret 40792
ballot, to approve the waiver. If at least sixty per cent of the 40793
members of the bargaining unit in a participating school do not 40794
vote to approve the waiver, the board may revise the innovation 40795
plan to remove that school from the innovation school zone. 40796

(3) If a board's revisions to an innovation plan under 40797
section 3302.066 of the Revised Code require a waiver of 40798
additional provisions of the collective bargaining agreement, that 40799
waiver shall be contingent upon approval under division (B)(1) or 40800
(2) of this section in the same manner as the initial waiver. 40801

(C) A waiver approved under division (B) of this section 40802
shall continue to apply relative to any substantially similar 40803
provision of a collective bargaining agreement entered into after 40804
the approval of the waiver. 40805

(D) A waiver approved under division (B) of this section 40806
shall cease to apply to a school if the school's designation as an 40807
innovation school is revoked or the innovation school zone in 40808
which the school participates has its designation revoked under 40809
section 3302.065 of the Revised Code, or if the school is removed 40810
from an innovation school zone under that section. 40811

(E) An employee working in an innovation school or a school 40812
participating in an innovation school zone who is a member of a 40813
bargaining unit that approves a waiver under division (B) of this 40814
section may request the board to transfer the employee to another 40815
school operated by the district. The board shall make every 40816
reasonable effort to accommodate the employee's request. 40817

Sec. 3302.065. Not later than three years after obtaining 40818
designation as a school district of innovation under section 40819
3302.062 of the Revised Code, and every three years thereafter, 40820

the district board of education shall review the performance of 40821
the innovation school or innovation school zone and determine if 40822
it is achieving, or making sufficient progress toward achieving, 40823
the improvements in student academic performance that were 40824
described in its innovation plan. If the board finds that an 40825
innovation school is not achieving, or not making sufficient 40826
progress toward achieving, those improvements in student academic 40827
performance, the board may revoke the designation as an innovation 40828
school. If the board finds that a school participating in an 40829
innovation school zone is not achieving, or not making sufficient 40830
progress toward achieving, those improvements in student academic 40831
performance, the board may remove that school from the innovation 40832
school zone or may revoke the designation of all participating 40833
schools as an innovation school zone. 40834

Sec. 3302.066. A school district board of education may 40835
revise an innovation plan approved or created under section 40836
3302.061 of the Revised Code, in collaboration with the school or 40837
schools participating in the plan, to further improve student 40838
academic performance. The revisions may include identifying 40839
additional laws in Title XXXIII of the Revised Code, rules adopted 40840
by the state board of education, requirements enacted by the 40841
district board, or provisions of a collective bargaining agreement 40842
that need to be waived. Any revisions to an innovation plan shall 40843
require the consent, in each school participating in the plan, of 40844
a majority of the administrators assigned to that school and a 40845
majority of the teachers assigned to that school. 40846

Sec. 3302.067. The board of education of any district 40847
designated as a school district of innovation or any school 40848
participating in an innovation plan may accept, receive, and 40849
expend gifts, grants, or donations from any public or private 40850

entity to support the implementation of the plan. 40851

Sec. 3302.068. Not later than the first day of July each 40852
year, the department of education shall issue, and post on its web 40853
site, a report on school districts of innovation. The report shall 40854
include the following information: 40855

(A) The number of districts designated as school districts of 40856
innovation in the preceding school year and the total number of 40857
school districts of innovation statewide; 40858

(B) The number of innovation schools in each school district 40859
of innovation and the number of district students served by the 40860
schools, expressed as a total number and as a percentage of the 40861
district's total student population; 40862

(C) The number of innovation school zones in each school 40863
district of innovation, the number of schools participating in 40864
each zone, and the number of district students served by the 40865
participating schools, expressed as a total number and as a 40866
percentage of the district's total student population; 40867

(D) An overview of the innovations implemented in innovation 40868
schools and innovation school zones; 40869

(E) Data on the academic performance of the students enrolled 40870
in an innovation school or an innovation school zone in each 40871
school district of innovation, including a comparison of the 40872
students' academic performance before and after the district's 40873
designation as a school district of innovation; 40874

(F) Recommendations for legislative changes based on the 40875
innovations implemented or to enhance the ability of schools and 40876
districts to implement innovations. 40877

Sec. 3302.07. (A) The board of education of any school 40878
district, the governing board of any educational service center, 40879

or the administrative authority of any chartered nonpublic school 40880
may submit to the state board of education an application 40881
proposing an innovative education pilot program the implementation 40882
of which requires exemptions from specific statutory provisions or 40883
rules. If a district or service center board employs teachers 40884
under a collective bargaining agreement adopted pursuant to 40885
Chapter 4117. of the Revised Code, any application submitted under 40886
this division shall include the written consent of the teachers' 40887
employee representative designated under division (B) of section 40888
4117.04 of the Revised Code. The exemptions requested in the 40889
application shall be limited to any requirement of Title XXXVIII of 40890
the Revised Code or of any rule of the state board adopted 40891
pursuant to that title except that the application may not propose 40892
an exemption from any requirement of or rule adopted pursuant to 40893
~~section 3306.09~~, Chapter 3307. or 3309., sections 3319.07 to 40894
3319.21, or Chapter 3323. of the Revised Code. Furthermore, an 40895
exemption from any operating standard adopted under division 40896
(B)(2) or (D)~~(3)~~ of section 3301.07 of the Revised Code shall be 40897
granted only pursuant to a waiver granted by the superintendent of 40898
public instruction under division (O) of that section. 40899

(B) The state board of education shall accept any application 40900
submitted in accordance with division (A) of this section. The 40901
superintendent of public instruction shall approve or disapprove 40902
the application in accordance with standards for approval, which 40903
shall be adopted by the state board. 40904

(C) The superintendent of public instruction shall exempt 40905
each district or service center board or chartered nonpublic 40906
school administrative authority with an application approved under 40907
division (B) of this section for a specified period from the 40908
statutory provisions or rules specified in the approved 40909
application. The period of exemption shall not exceed the period 40910
during which the pilot program proposed in the application is 40911

being implemented and a reasonable period to allow for evaluation 40912
of the effectiveness of the program. 40913

Sec. 3302.12. (A) Not later than the first day of September 40914
each year, the superintendent of public instruction shall rank all 40915
school buildings operated by a school district statewide from 40916
highest to lowest according to the buildings' performance index 40917
scores. For school buildings to which the performance index score 40918
does not apply, the superintendent shall develop another measure 40919
of student academic performance and use that measure to include 40920
those buildings in the ranking so that all district-operated 40921
buildings may be reliably compared to each other. 40922

(B) For any school building that is ranked in the lowest five 40923
per cent of all district-operated buildings statewide for three 40924
consecutive years and is declared to be under an academic watch or 40925
in a state of academic emergency under section 3302.03 of the 40926
Revised Code, the district board of education shall do one of the 40927
following at the conclusion of the school year in which the 40928
building first becomes subject to this division: 40929

(1) Close the school and direct the district superintendent 40930
to reassign the students enrolled in the school to other school 40931
buildings that demonstrate higher academic achievement; 40932

(2) Contract with another school district or a nonprofit or 40933
for-profit entity with a demonstrated record of effectiveness to 40934
operate the school; 40935

(3) Replace the principal and all teaching staff of the 40936
school and, upon request from the new principal, exempt the school 40937
from all requested policies and regulations of the board regarding 40938
curriculum and instruction. The board also shall distribute 40939
funding to the school in an amount that is at least equal to the 40940
product of the per pupil amount of all revenues received by the 40941
district multiplied by the student population of the school. 40942

(4) Reopen the school as a conversion community school under Chapter 3314. of the Revised Code. 40943
40944

(C) If an action taken by the board under division (B) of this section causes the district to no longer maintain all grades kindergarten through twelve, as required by section 3311.29 of the Revised Code, the board shall enter into a contract with another school district pursuant to section 3327.04 of the Revised Code for enrollment of students in the schools of that other district to the extent necessary to comply with the requirement of section 3311.29 of the Revised Code. Notwithstanding any provision of the Revised Code to the contrary, if the board enters into and maintains a contract under section 3327.04 of the Revised Code, the district shall not be considered to have failed to comply with the requirement of section 3311.29 of the Revised Code. If, however, the district board fails to or is unable to enter into or maintain such a contract, the state board of education shall take all necessary actions to dissolve the district as provided in division (A) of section 3311.29 of the Revised Code. 40945

recipient's previous position and salary or to a position and 41402
salary similar thereto, unless the recipient was dismissed or 41403
resigned in lieu of dismissal for dishonesty, misfeasance, 41404
malfeasance, or conviction of a felony. 41405

A disability benefit shall terminate if the disability 41406
benefit recipient becomes employed as a teacher in any public or 41407
private school or institution in this state or elsewhere. An 41408
individual receiving a disability benefit from the system shall be 41409
ineligible for any employment as a teacher and it shall be 41410
unlawful for any employer to employ the individual as a teacher. 41411
If any employer should employ or reemploy the individual prior to 41412
the termination of a disability benefit, the employer shall file 41413
notice of employment with the board designating the date of the 41414
employment. If the individual should be paid both a disability 41415
benefit and also compensation for teaching service for all or any 41416
part of the same month, the secretary of the board shall certify 41417
to the employer or to the superintendent of public instruction the 41418
amount of the disability benefit received by the individual during 41419
the employment, which amount shall be deducted from any amount due 41420
the employing district under ~~Chapters 3306.~~ and Chapter 3317. of 41421
the Revised Code or shall be paid by the employer to the annuity 41422
and pension reserve fund. 41423

Each disability benefit recipient shall file with the board 41424
an annual statement of earnings, current medical information on 41425
the recipient's condition, and any other information required in 41426
rules adopted by the board. The board may waive the requirement 41427
that a disability benefit recipient file an annual statement of 41428
earnings or current medical information if the board's physician 41429
certifies that the recipient's disability is ongoing. 41430

The board shall annually examine the information submitted by the recipient. If a disability benefit recipient refuses to file the statement or information, the disability benefit shall be suspended until the statement and information are filed. If the refusal continues for one year, the recipient's right to the disability benefit shall be terminated as of the effective date of the original suspension.

A disability benefit also may be terminated by the board at the request of the disability benefit recipient.

If disability retirement under section 3307.63 of the Revised Code is terminated for any reason, the annuity and pension reserves at that time in the annuity and pension reserve fund shall be transferred to the teachers' savings fund and the employers' trust fund, respectively. If the total disability benefit paid was less than the amount of the accumulated contributions of the member transferred to the annuity and pension reserve fund at the time of the member's disability retirement, then the difference shall be transferred from the annuity and pension reserve fund to another fund as required. In determining the amount of a member's account following the termination of disability retirement for any reason, the total amount paid shall be charged against the member's refundable account.

If a disability allowance paid under section 3307.631 of the Revised Code is terminated for any reason, the reserve on the allowance at that time in the annuity and pension reserve fund shall be transferred from that fund to the employers' trust fund.

If a former disability benefit recipient again becomes a contributor, other than as an other system retirant under section 3307.35 of the Revised Code, to this retirement system, the school employees retirement system, or the public employees retirement system, and completes at least two additional years of service credit, the former disability benefit recipient shall receive

credit for the period as a disability benefit recipient. 41463

Sec. 3309.22. (A)(1) As used in this division, "personal 41464

determines to be confidential. 41470

(2) The records of the board shall be open to public 41471
inspection, except for the following, which shall be excluded, 41472
except with the written authorization of the individual concerned: 41473

Code; 41476

(b) Any information identifying by name and address the 41477
amount of a monthly allowance or benefit paid to the individual; 41478

(c) The individual's personal history record. 41479

(B) All medical reports and recommendations required by the 41480
system are privileged except that copies of such medical reports 41481

physician, attorney, or authorized agent of the individual 41483
concerned upon written release received from the individual or the 41484
individual's agent, or when necessary for the proper 41485
administration of the fund, to the board assigned physician. 41486

(C) Any person who is a contributor of the system shall be 41487
furnished, on written request, with a statement of the amount to 41488
the credit of the person's account. The board need not answer more 41489
than one such request of a person in any one year. 41490

(D) Notwithstanding the exceptions to public inspection in 41491
division (A)(2) of this section, the board may furnish the 41492

following information: 41493

(1) If a member, former member, contributor, former 41494
contributor, or retirant is subject to an order issued under 41495
section 2907.15 of the Revised Code or an order issued under 41496

convicted of or pleads guilty to a violation of section 2921.41 of 41498
the Revised Code, on written request of a prosecutor as defined in 41499

the prosecutor the information requested from the individual's 41501
personal history record. 41502

(2) Pursuant to a court or administrative order issued under 41503
section 3119.80, 3119.81, 3121.02, 3121.03, or 3123.06 of the 41504
Revised Code, the board shall furnish to a court or child support 41505
enforcement agency the information required under that section. 41506

(3) At the written request of any person, the board shall 41507
provide to the person a list of the names and addresses of 41508
members, former members, retirants, contributors, former 41509
contributors, or beneficiaries. The costs of compiling, copying, 41510
and mailing the list shall be paid by such person. 41511

(4) Within fourteen days after receiving from the director of 41512
job and family services a list of the names and social security 41513
numbers of recipients of public assistance pursuant to section 41514
5101.181 of the Revised Code, the board shall inform the auditor 41515
of state of the name, current or most recent employer address, and 41516
social security number of each contributor whose name and social 41517
security number are the same as that of a person whose name or 41518
social security number was submitted by the director. The board 41519
and its employees shall, except for purposes of furnishing the 41520
auditor of state with information required by this section, 41521
preserve the confidentiality of recipients of public assistance in 41522
compliance with ~~division (A)~~ of section 5101.181 of the Revised 41523
Code. 41524

(5) The system shall comply with orders issued under section 41525
3105.87 of the Revised Code. 41526

On the written request of an alternate payee, as defined in 41527
section 3105.80 of the Revised Code, the system shall furnish to 41528
the alternate payee information on the amount and status of any 41529
amounts payable to the alternate payee under an order issued under 41530
section 3105.171 or 3105.65 of the Revised Code. 41531

(6) At the request of any person, the board shall make 41532
available to the person copies of all documents, including 41533
resumes, in the board's possession regarding filling a vacancy of 41534
an employee member or retirant member of the board. The person who 41535
made the request shall pay the cost of compiling, copying, and 41536
mailing the documents. The information described in this division 41537
is a public record. 41538

(E) A statement that contains information obtained from the 41539
system's records that is signed by an officer of the retirement 41540
system and to which the system's official seal is affixed, or 41541
copies of the system's records to which the signature and seal are 41542
attached, shall be received as true copies of the system's records 41543
in any court or before any officer of this state. 41544

Sec. 3309.41. (A) A disability benefit recipient shall retain 41545
membership status and shall be considered on leave of absence from 41546
employment during the first five years following the effective 41547
date of a disability benefit, notwithstanding any contrary 41548
provisions in Chapter 124. or 3319. of the Revised Code. 41549

(B) The school employees retirement board shall require a 41550
disability benefit recipient to undergo an annual medical 41551
examination, except that the board may waive the medical 41552
examination if the board's physician or physicians certify that 41553
the recipient's disability is ongoing. Should any disability 41554
benefit recipient refuse to submit to a medical examination, the 41555

recipient's disability benefit shall be suspended until withdrawal 41556
of the refusal. Should the refusal continue for one year, all the 41557
recipient's rights in and to the disability benefit shall be 41558
terminated as of the effective date of the original suspension. 41559

(C) On completion of the examination by an examining 41560
physician or physicians selected by the board, the physician or 41561
physicians shall report and certify to the board whether the 41562
disability benefit recipient is no longer physically and mentally 41563
incapable of resuming the service from which the recipient was 41564
found disabled. If the board concurs in the report that the 41565
disability benefit recipient is no longer incapable, the payment 41566
of the disability benefit shall be terminated not later than three 41567
months after the date of the board's concurrence or upon 41568
employment as an employee. If the leave of absence has not 41569
expired, the retirement board shall certify to the disability 41570
benefit recipient's last employer before being found disabled that 41571
the recipient is no longer physically and mentally incapable of 41572
resuming service that is the same or similar to that from which 41573
the recipient was found disabled. The employer shall restore the 41574
recipient to the recipient's previous position and salary or to a 41575
position and salary similar thereto not later than the first day 41576
of the first month following termination of the disability 41577
benefit, unless the recipient was dismissed or resigned in lieu of 41578
dismissal for dishonesty, misfeasance, malfeasance, or conviction 41579
of a felony. 41580

(D) Each disability benefit recipient shall file with the 41581
board an annual statement of earnings, current medical information 41582
on the recipient's condition, and any other information required 41583
in rules adopted by the board. The board may waive the requirement 41584
that a disability benefit recipient file an annual statement of 41585
earnings or current medical information on the recipient's 41586
condition if the board's physician or physicians certify that the 41587

recipient's disability is ongoing. 41588

The board shall annually examine the information submitted by 41589
the recipient. If a disability benefit recipient refuses to file 41590
the statement or information, the disability benefit shall be 41591
suspended until the statement and information are filed. If the 41592
refusal continues for one year, the recipient's right to the 41593
disability benefit shall be terminated as of the effective date of 41594
the original suspension. 41595

(E) If a disability benefit recipient is employed by an 41596
employer covered by this chapter, the recipient's disability 41597
benefit shall cease. 41598

(F) If disability retirement under section 3309.40 of the 41599
Revised Code is terminated for any reason, the annuity and pension 41600
reserves at that time in the annuity and pension reserve fund 41601
shall be transferred to the employees' savings fund and the 41602
employers' trust fund, respectively. If the total disability 41603
benefit paid is less than the amount of the accumulated 41604
contributions of the member transferred into the annuity and 41605
pension reserve fund at the time of the member's disability 41606
retirement, the difference shall be transferred from the annuity 41607
and pension reserve fund to another fund as may be required. In 41608
determining the amount of a member's account following the 41609
termination of disability retirement for any reason, the amount 41610
paid shall be charged against the member's refundable account. 41611

If a disability allowance paid under section 3309.401 of the 41612
Revised Code is terminated for any reason, the reserve on the 41613
allowance at that time in the annuity and pension reserve fund 41614
shall be transferred from that fund to the employers' trust fund. 41615

The board may terminate a disability benefit at the request 41616
of the recipient. 41617

(G) If a disability benefit is terminated and a former 41618

disability benefit recipient again becomes a contributor, other 41619
than as an other system retirant as defined in section 3309.341 of 41620
the Revised Code, to this system, the public employees retirement 41621
system, or the state teachers retirement system, and completes an 41622
additional two years of service credit after the termination of 41623
the disability benefit, the former disability benefit recipient 41624
shall be entitled to full service credit for the period as a 41625
disability benefit recipient. 41626

(H) If any employer employs any member who is receiving a 41627
disability benefit, the employer shall file notice of employment 41628
with the retirement board, designating the date of employment. In 41629
case the notice is not filed, the total amount of the benefit paid 41630
during the period of employment prior to notice shall be paid from 41631
amounts allocated under ~~Chapters 3306.~~ and Chapter 3317. of the 41632
Revised Code prior to its distribution to the school district in 41633
which the disability benefit recipient was so employed. 41634

Sec. 3309.48. Any employee who left the service of an 41635
employer after attaining age sixty-five or over and such employer 41636
had failed or refused to deduct and transmit to the school 41637
employees retirement system the employee contributions as required 41638
by section 3309.47 of the Revised Code during any year for which 41639
membership was compulsory as determined by the school employees 41640
retirement board, shall be granted service credit without cost, 41641
which shall be considered as total service credit for the purposes 41642
of meeting the qualifications for service retirement provided by 41643
the law in effect on and retroactive to the first eligible 41644
retirement date following the date such employment terminated, but 41645
shall not be paid until formal application for such allowance on a 41646
form provided by the retirement board is received in the office of 41647
the retirement system. The total service credit granted under this 41648
section shall not exceed ten years for any such employee. 41649

The liability incurred by the retirement board because of the 41650
service credit granted under this section shall be determined by 41651
the retirement board, the cost of which shall be equal to an 41652
amount that is determined by applying the combined employee and 41653
employer rates of contribution against the compensation of such 41654
employee at the rates of contribution and maximum salary 41655
provisions in effect during such employment for each year for 41656
which credit is granted, together with interest at the rate to be 41657
credited accumulated contributions at retirement, compounded 41658
annually from the first day of the month payment was due the 41659
retirement system to and including the month of deposit, the total 41660
amount of which shall be collected from the employer. Such amounts 41661
shall be certified by the retirement board to the superintendent 41662
of public instruction, who shall deduct the amount due the system 41663
from any funds due the affected school district under ~~Chapters~~ 41664
~~3306.~~ and Chapter 3317. of the Revised Code. The superintendent 41665
shall certify to the director of budget and management the amount 41666
due the system for payment. The total amount paid shall be 41667
deposited into the employers' trust fund, and shall not be 41668
considered as accumulated contributions of the employee in the 41669
event of the employee's death or withdrawal of funds. 41670

Sec. 3309.51. (A) Each employer shall pay annually into the 41671
employers' trust fund, in such monthly or less frequent 41672
installments as the school employees retirement board requires, an 41673
amount certified by the school employees retirement board, which 41674
shall be as required by Chapter 3309. of the Revised Code. 41675

Payments by school district boards of education to the 41676
employers' trust fund of the school employees retirement system 41677
may be made from the amounts allocated under ~~Chapters 3306.~~ and 41678
Chapter 3317. of the Revised Code prior to their distribution to 41679
the individual school districts. The amount due from each school 41680
district may be certified by the secretary of the system to the 41681

superintendent of public instruction monthly, or at such times as 41682
is determined by the school employees retirement board. 41683

Payments by governing authorities of community schools to the 41684
employers' trust fund of the school employees retirement system 41685
shall be made from the amounts allocated under section 3314.08 of 41686
the Revised Code prior to their distribution to the individual 41687
community schools. The amount due from each community school shall 41688
be certified by the secretary of the system to the superintendent 41689
of public instruction monthly, or at such times as determined by 41690
the school employees retirement board. 41691

Payments by a science, technology, engineering, and 41692
mathematics school to the employers' trust fund of the school 41693
employees retirement system shall be made from the amounts 41694
allocated under section 3326.33 of the Revised Code prior to their 41695
distribution to the school. The amount due from a science, 41696
technology, engineering, and mathematics school shall be certified 41697
by the secretary of the school employees retirement system to the 41698
superintendent of public instruction monthly, or at such times as 41699
determined by the school employees retirement board. 41700

(B) The superintendent shall deduct from the amount allocated 41701
to each community school under section 3314.08 of the Revised 41702
Code, to each school district under ~~Chapters 3306.~~ and Chapter 41703
3317. of the Revised Code, or to each science, technology, 41704
engineering, and mathematics school under section 3326.33 of the 41705
Revised Code the entire amounts due to the school employees 41706
retirement system from such school or school district upon the 41707
certification to the superintendent by the secretary thereof. 41708

employees retirement system may certify to the state 41712
superintendent of public instruction, monthly or at such times as 41713

is determined by the school employees retirement board, the amount 41714

agreed on and the points on which no agreement could be reached. 42238

(D) The state board of education shall adopt rules governing 42239
negotiations held by any school district except an urban school 42240
district pursuant to division (C)(2) of this section. The rules 42241
shall encourage the realization of the following goals: 42242

(1) A discussion by the negotiating districts of the present 42243
and future educational needs of the pupils in each district; 42244

(2) The educational, financial, and territorial stability of 42245
each district affected by the transfer; 42246

(3) The assurance of appropriate educational programs, 42247
services, and opportunities for all the pupils in each 42248
participating district, and adequate planning for the facilities 42249
needed to provide these programs, services, and opportunities. 42250

Districts involved in negotiations under such rules may agree 42251
to share revenues from the property included in the territory to 42252
be transferred, establish cooperative programs between the 42253
participating districts, and establish mechanisms for the 42254
settlement of any future boundary disputes. 42255

(E)(1) If territory annexed after September 24, 1986, is part 42256
of a school district that is a party to an annexation agreement 42257
with the urban school district serving the annexing city, the 42258
transfer of such territory shall be governed by the agreement. If 42259
the agreement does not specify how the territory is to be dealt 42260
with, the boards of education of the district in which the 42261
territory is located and the urban school district shall negotiate 42262
with regard to the transfer of the territory which shall be 42263
transferred to the urban school district unless, not later than 42264
ninety days after the effective date of municipal annexation, the 42265
boards of education of both districts, by resolution adopted by a 42266
majority of the members of each board, agree that the territory 42267

will not be transferred and so inform the state board of 42268
education. 42269

If territory is transferred under this division the transfer 42270
shall take effect on the first day of July occurring not sooner 42271
than ninety-one days after the effective date of the municipal 42272
annexation. Territory transferred under this division need not be 42273
contiguous to the district to which it is transferred. 42274

(2) Territory annexed prior to September 24, 1986, by a city 42275
served by an urban school district shall not be subject to 42276
transfer under this section if the district in which the territory 42277
is located is a party to an annexation agreement or becomes a 42278
party to such an agreement not later than ninety days after 42279
September 24, 1986. If the district does not become a party to an 42280
annexation agreement within the ninety-day period, transfer of 42281
territory shall be governed by division (C)(2) of this section. If 42282
the district subsequently becomes a party to an agreement, 42283
territory annexed prior to September 24, 1986, other than 42284
territory annexed under division (C)(2) of this section prior to 42285
the effective date of the agreement, shall not be subject to 42286
transfer under this section. 42287

(F) An urban school district may enter into a comprehensive 42288
agreement with one or more school districts under which transfers 42289
of territory annexed by the city served by the urban school 42290
district after September 24, 1986, shall be governed by the 42291
agreement. Such agreement must provide for the establishment of a 42292
cooperative education program under section 3313.842 of the 42293
Revised Code in which all the parties to the agreement are 42294
participants and must be approved by resolution of the majority of 42295
the members of each of the boards of education of the school 42296
districts that are parties to it. An agreement may provide for 42297
interdistrict payments based on local revenue growth resulting 42298
from development in any territory annexed by the city served by 42299

the urban school district. 42300

An agreement entered into under this division may be altered, 42301
modified, or terminated only by agreement, by resolution approved 42302
by the majority of the members of each board of education, of all 42303
school districts that are parties to the agreement, except that 42304
with regard to any provision that affects only the urban school 42305
district and one of the other districts that is a party, that 42306
district and the urban district may modify or alter the agreement 42307
by resolution approved by the majority of the members of the board 42308
of that district and the urban district. Alterations, 42309
modifications, terminations, and extensions of an agreement 42310
entered into under this division do not require approval of the 42311
state board of education, but shall be filed with the board after 42312
approval and execution by the parties. 42313

If an agreement provides for interdistrict payments, each 42314
party to the agreement, except any school district specifically 42315
exempted by the agreement, shall agree to make an annual payment 42316
to the urban school district with respect to any of its territory 42317
that is annexed territory in an amount not to exceed the amount 42318
certified for that year under former section 3317.029 of the 42319
Revised Code as that section existed prior to July 1, 1998; except 42320
that such limitation of annual payments to amounts certified under 42321
former section 3317.029 of the Revised Code does not apply to 42322
agreements or extensions of agreements entered into on or after 42323
June 1, 1992, unless such limitation is expressly agreed to by the 42324
parties. The agreement may provide that all or any part of the 42325
payment shall be waived if the urban school district receives its 42326
payment with respect to such annexed territory under former 42327
section 3317.029 of the Revised Code and that all or any part of 42328
such payment may be waived if the urban school district does not 42329
receive its payment with respect to such annexed territory under 42330
such section. 42331

With respect to territory that is transferred to the urban school district after September 24, 1986, the agreement may provide for annual payments by the urban school district to the school district whose territory is transferred to the urban school district subsequent to annexation by the city served by the urban school district.

(G) In the event territory is transferred from one school district to another under this section, an equitable division of the funds and indebtedness between the districts involved shall be made under the supervision of the state board of education and that board's decision shall be final. Such division shall not include funds payable to or received by a school district under Chapter ~~3306~~ ~~or~~ 3317. of the Revised Code or payable to or received by a school district from the United States or any department or agency thereof. In the event such transferred territory includes real property owned by a school district, the state board of education, as part of such division of funds and indebtedness, shall determine the true value in money of such real property and all buildings or other improvements thereon. The board of education of the school district receiving such territory shall forthwith pay to the board of education of the school district losing such territory such true value in money of such real property, buildings, and improvements less such percentage of the true value in money of each school building located on such real property as is represented by the ratio of the total enrollment in day classes of the pupils residing in the territory transferred enrolled at such school building in the school year in which such annexation proceedings were commenced to the total enrollment in day classes of all pupils residing in the school district losing such territory enrolled at such school building in such school year. The school district receiving such payment shall place the proceeds thereof in its sinking fund or bond retirement fund.

(H) The state board of education, before approving such 42365
transfer of territory, shall determine that such payment has been 42366
made and shall apportion to the acquiring school district such 42367
percentage of the indebtedness of the school district losing the 42368
territory as is represented by the ratio that the assessed 42369
valuation of the territory transferred bears to the total assessed 42370
valuation of the entire school district losing the territory as of 42371
the effective date of the transfer, provided that in ascertaining 42372
the indebtedness of the school district losing the territory the 42373
state board of education shall disregard such percentage of the 42374
par value of the outstanding and unpaid bonds and notes of said 42375
school district issued for construction or improvement of the 42376
school building or buildings for which payment was made by the 42377
acquiring district as is equal to the percentage by which the true 42378
value in money of such building or buildings was reduced in fixing 42379
the amount of said payment. 42380

(I) No transfer of school district territory or division of 42381
funds and indebtedness incident thereto, pursuant to the 42382
annexation of territory to a city or village shall be completed in 42383
any other manner than that prescribed by this section regardless 42384
of the date of the commencement of such annexation proceedings, 42385
and this section applies to all proceedings for such transfers and 42386
divisions of funds and indebtedness pending or commenced on or 42387
after October 2, 1959. 42388

Sec. 3311.19. (A) The management and control of a joint 42389
vocational school district shall be vested in the joint vocational 42390
school district board of education. Where a joint vocational 42391
school district is composed only of two or more local school 42392
districts located in one county, or when all the participating 42393
districts are in one county and the boards of such participating 42394
districts so choose, the educational service center governing 42395
board of the county in which the joint vocational school district 42396

is located shall serve as the joint vocational school district 42397
board of education. Where a joint vocational school district is 42398
composed of local school districts of more than one county, or of 42399
any combination of city, local, or exempted village school 42400
districts or educational service centers, unless administration by 42401
the educational service center governing board has been chosen by 42402
all the participating districts in one county pursuant to this 42403
section, the board of education of the joint vocational school 42404
district shall be composed of one or more persons who are members 42405
of the boards of education from each of the city or exempted 42406
village school districts or members of the educational service 42407
centers' governing boards affected to be appointed by the boards 42408
of education or governing boards of such school districts and 42409
educational service centers. In such joint vocational school 42410
districts the number and terms of members of the joint vocational 42411
school district board of education and the allocation of a given 42412
number of members to each of the city and exempted village 42413
districts and educational service centers shall be determined in 42414
the plan for such district, provided that each such joint 42415
vocational school district board of education shall be composed of 42416
an odd number of members. 42417

(B) Notwithstanding division (A) of this section, a governing 42418
board of an educational service center that has members of its 42419
governing board serving on a joint vocational school district 42420
board of education may make a request to the joint vocational 42421
district board that the joint vocational school district plan be 42422
revised to provide for one or more members of boards of education 42423
of local school districts that are within the territory of the 42424
educational service district and within the joint vocational 42425
school district to serve in the place of or in addition to its 42426
educational service center governing board members. If agreement 42427
is obtained among a majority of the boards of education and 42428
governing boards that have a member serving on the joint 42429

vocational school district board of education and among a majority 42430
of the local school district boards of education included in the 42431
district and located within the territory of the educational 42432
service center whose board requests the substitution or addition, 42433
the state board of education may revise the joint vocational 42434
school district plan to conform with such agreement. 42435

(C) If the board of education of any school district or 42436
educational service center governing board included within a joint 42437
vocational district that has had its board or governing board 42438
membership revised under division (B) of this section requests the 42439
joint vocational school district board to submit to the state 42440
board of education a revised plan under which one or more joint 42441
vocational board members chosen in accordance with a plan revised 42442
under such division would again be chosen in the manner prescribed 42443
by division (A) of this section, the joint vocational board shall 42444
submit the revised plan to the state board of education, provided 42445
the plan is agreed to by a majority of the boards of education 42446
represented on the joint vocational board, a majority of the local 42447
school district boards included within the joint vocational 42448
district, and each educational service center governing board 42449
affected by such plan. The state board of education may revise the 42450
joint vocational school district plan to conform with the revised 42451
plan. 42452

(D) The vocational schools in such joint vocational school 42453
district shall be available to all youth of school age within the 42454
joint vocational school district subject to the rules adopted by 42455
the joint vocational school district board of education in regard 42456
to the standards requisite to admission. A joint vocational school 42457
district board of education shall have the same powers, duties, 42458
and authority for the management and operation of such joint 42459
vocational school district as is granted by law, except by this 42460
chapter and Chapters 124., ~~3306.~~ 3317., 3323., and 3331. of the 42461

Revised Code, to a board of education of a city school district, 42462
and shall be subject to all the provisions of law that apply to a 42463
city school district, except such provisions in this chapter and 42464
Chapters 124., ~~3306.7~~ 3317., 3323., and 3331. of the Revised Code. 42465

(E) Where a governing board of an educational service center 42466
has been designated to serve as the joint vocational school 42467
district board of education, the educational service center 42468
superintendent shall be the executive officer for the joint 42469
vocational school district, and the governing board may provide 42470
for additional compensation to be paid to the educational service 42471
center superintendent by the joint vocational school district, but 42472
the educational service center superintendent shall have no 42473
continuing tenure other than that of educational service center 42474
superintendent. The superintendent of schools of a joint 42475
vocational school district shall exercise the duties and authority 42476
vested by law in a superintendent of schools pertaining to the 42477
operation of a school district and the employment and supervision 42478
of its personnel. The joint vocational school district board of 42479
education shall appoint a treasurer of the joint vocational school 42480
district who shall be the fiscal officer for such district and who 42481
shall have all the powers, duties, and authority vested by law in 42482
a treasurer of a board of education. Where a governing board of an 42483
educational service center has been designated to serve as the 42484
joint vocational school district board of education, such board 42485
may appoint the educational service center superintendent as the 42486
treasurer of the joint vocational school district. 42487

(F) Each member of a joint vocational school district board 42488
of education may be paid such compensation as the board provides 42489
by resolution, but it shall not exceed one hundred twenty-five 42490
dollars per member for each meeting attended plus mileage, at the 42491
rate per mile provided by resolution of the board, to and from 42492
meetings of the board. 42493

~~The board may provide by resolution for the deduction of~~ 42494
~~amounts payable for benefits under section 3313.202 of the Revised~~ 42495
~~Code.~~ 42496

Each member of a joint vocational school district board may 42497
be paid such compensation as the board provides by resolution for 42498
attendance at an approved training program, provided that such 42499
compensation shall not exceed sixty dollars per day for attendance 42500
at a training program three hours or fewer in length and one 42501
hundred twenty-five dollars a day for attendance at a training 42502
program longer than three hours in length. However, no board 42503
member shall be compensated for the same training program under 42504
this section and section 3313.12 of the Revised Code. 42505

Sec. 3311.21. (A) In addition to the resolutions authorized 42506
by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of 42507
the Revised Code, the board of education of a joint vocational or 42508
cooperative education school district by a vote of two-thirds of 42509
its full membership may at any time adopt a resolution declaring 42510
the necessity to levy a tax in excess of the ten-mill limitation 42511
for a period not to exceed ten years to provide funds for any one 42512
or more of the following purposes, which may be stated in the 42513
following manner in such resolution, the ballot, and the notice of 42514
election: purchasing a site or enlargement thereof and for the 42515
erection and equipment of buildings; for the purpose of enlarging, 42516
improving, or rebuilding thereof; for the purpose of providing for 42517
the current expenses of the joint vocational or cooperative school 42518
district; or for a continuing period for the purpose of providing 42519
for the current expenses of the joint vocational or cooperative 42520
education school district. The resolution shall specify the amount 42521
of the proposed rate and, if a renewal, whether the levy is to 42522
renew all, or a portion of, the existing levy, and shall specify 42523
the first year in which the levy will be imposed. If the levy 42524
provides for but is not limited to current expenses, the 42525

resolution shall apportion the annual rate of the levy between 42526
current expenses and the other purpose or purposes. Such 42527
apportionment may but need not be the same for each year of the 42528
levy, but the respective portions of the rate actually levied each 42529
year for current expenses and the other purpose or purposes shall 42530
be limited by such apportionment. The portion of any such rate 42531
actually levied for current expenses of a joint vocational or 42532
cooperative education school district shall be used in applying 42533
~~division (A)(1) of section 3306.01 and~~ division (A) of section 42534
3317.01 of the Revised Code. The portion of any such rate not 42535
apportioned to the current expenses of a joint vocational or 42536
cooperative education school district shall be used in applying 42537
division (B) of this section. On the adoption of such resolution, 42538
the joint vocational or cooperative education school district 42539
board of education shall certify the resolution to the board of 42540
elections of the county containing the most populous portion of 42541
the district, which board shall receive resolutions for filing and 42542
send them to the boards of elections of each county in which 42543
territory of the district is located, furnish all ballots for the 42544
election as provided in section 3505.071 of the Revised Code, and 42545
prepare the election notice; and the board of elections of each 42546
county in which the territory of such district is located shall 42547
make the other necessary arrangements for the submission of the 42548
question to the electors of the joint vocational or cooperative 42549
education school district at the next primary or general election 42550
occurring not less than ninety days after the resolution was 42551
received from the joint vocational or cooperative education school 42552
district board of education, or at a special election to be held 42553
at a time designated by the district board of education consistent 42554
with the requirements of section 3501.01 of the Revised Code, 42555
which date shall not be earlier than ninety days after the 42556
adoption and certification of the resolution. 42557

The board of elections of the county or counties in which 42558

territory of the joint vocational or cooperative education school 42559
district is located shall cause to be published in ~~one or more~~ 42560
~~newspapers~~ a newspaper of general circulation in that district an 42561
advertisement of the proposed tax levy question, together with a 42562
statement of the amount of the proposed levy once a week for two 42563
consecutive weeks or as provided in section 7.16 of the Revised 42564
Code, prior to the election at which the question is to appear on 42565
the ballot, ~~and, if.~~ If the board of elections operates and 42566
maintains a web site, the board also shall post ~~a similar~~ the 42567
advertisement on its web site for thirty days prior to that 42568
election. 42569

If a majority of the electors voting on the question of 42570
levying such tax vote in favor of the levy, the joint vocational 42571
or cooperative education school district board of education shall 42572
annually make the levy within the district at the rate specified 42573
in the resolution and ballot or at any lesser rate, and the county 42574
auditor of each affected county shall annually place the levy on 42575
the tax list and duplicate of each school district in the county 42576
having territory in the joint vocational or cooperative education 42577
school district. The taxes realized from the levy shall be 42578
collected at the same time and in the same manner as other taxes 42579
on the duplicate, and the taxes, when collected, shall be paid to 42580
the treasurer of the joint vocational or cooperative education 42581
school district and deposited to a special fund, which shall be 42582
established by the joint vocational or cooperative education 42583
school district board of education for all revenue derived from 42584
any tax levied pursuant to this section and for the proceeds of 42585
anticipation notes which shall be deposited in such fund. After 42586
the approval of the levy, the joint vocational or cooperative 42587
education school district board of education may anticipate a 42588
fraction of the proceeds of the levy and from time to time, during 42589
the life of the levy, but in any year prior to the time when the 42590
tax collection from the levy so anticipated can be made for that 42591

year, issue anticipation notes in an amount not exceeding fifty 42592
per cent of the estimated proceeds of the levy to be collected in 42593
each year up to a period of five years after the date of the 42594
issuance of the notes, less an amount equal to the proceeds of the 42595
levy obligated for each year by the issuance of anticipation 42596
notes, provided that the total amount maturing in any one year 42597
shall not exceed fifty per cent of the anticipated proceeds of the 42598
levy for that year. Each issue of notes shall be sold as provided 42599
in Chapter 133. of the Revised Code, and shall, except for such 42600
limitation that the total amount of such notes maturing in any one 42601
year shall not exceed fifty per cent of the anticipated proceeds 42602
of the levy for that year, mature serially in substantially equal 42603
installments, during each year over a period not to exceed five 42604
years after their issuance. 42605

(B) Prior to the application of section 319.301 of the 42606
Revised Code, the rate of a levy that is limited to, or to the 42607
extent that it is apportioned to, purposes other than current 42608
expenses shall be reduced in the same proportion in which the 42609
district's total valuation increases during the life of the levy 42610
because of additions to such valuation that have resulted from 42611
improvements added to the tax list and duplicate. 42612

(C) The form of ballot cast at an election under division (A) 42613
of this section shall be as prescribed by section 5705.25 of the 42614
Revised Code. 42615

Sec. 3311.213. (A) With the approval of the board of 42616
education of a joint vocational school district ~~which~~ that is in 42617
existence, any school district in the county or counties 42618
comprising the joint vocational school district or any school 42619
district in a county adjacent to a county comprising part of a 42620
joint vocational school district may become a part of the joint 42621
vocational school district. On the adoption of a resolution of 42622

approval by the board of education of the joint vocational school 42623
district, it shall advertise a copy of such resolution in a 42624
newspaper of general circulation in the school district proposing 42625
to become a part of such joint vocational school district once 42626
each week for ~~at least~~ two weeks, or as provided in section 7.16 42627
of the Revised Code, immediately following the date of the 42628
adoption of such resolution. Such resolution shall not become 42629
effective until the later of the sixty-first day after its 42630
adoption or until the board of elections certifies the results of 42631
an election in favor of joining of the school district to the 42632
joint vocational school district if such an election is held under 42633
division (B) of this section. 42634

(B) During the sixty-day period following the date of the 42635
adoption of a resolution to join a school district to a joint 42636
vocational school district under division (A) of this section, the 42637
electors of the school district that proposes joining the joint 42638
vocational school district may petition for a referendum vote on 42639
the resolution. The question whether to approve or disapprove the 42640
resolution shall be submitted to the electors of such school 42641
district if a number of qualified electors equal to twenty per 42642
cent of the number of electors in the school district who voted 42643
for the office of governor at the most recent general election for 42644
that office sign a petition asking that the question of whether 42645
the resolution shall be disapproved be submitted to the electors. 42646
The petition shall be filed with the board of elections of the 42647
county in which the school district is located. If the school 42648
district is located in more than one county, the petition shall be 42649
filed with the board of elections of the county in which the 42650
majority of the territory of the school district is located. The 42651
board shall certify the validity and sufficiency of the signatures 42652
on the petition. 42653

The board of elections shall immediately notify the board of 42654

education of the joint vocational school district and the board of 42655
education of the school district that proposes joining the joint 42656
vocational school district that the petition has been filed. 42657

The effect of the resolution shall be stayed until the board 42658
of elections certifies the validity and sufficiency of the 42659
signatures on the petition. If the board of elections determines 42660
that the petition does not contain a sufficient number of valid 42661
signatures and sixty days have passed since the adoption of the 42662
resolution, the resolution shall become effective. 42663

If the board of elections certifies that the petition 42664
contains a sufficient number of valid signatures, the board shall 42665
submit the question to the qualified electors of the school 42666
district on the day of the next general or primary election held 42667
at least ninety days after but no later than six months after the 42668

education if no agreement is made among the surrounding districts 42772
voluntarily, which order shall provide an equitable division of 42773
the funds, property, and indebtedness of the dissolved school 42774
district among the districts receiving its territory. The state 42775

where topography, sparsity of population, and other factors make 42777
compliance impracticable. 42778

The superintendent of public instruction is without authority 42779
to distribute funds under Chapter ~~3306~~ or 3317. of the Revised 42780

state board of education unless prior to such an order the 42801
cooperative district is dissolved pursuant to section 3311.54 of 42802
the Revised Code. Any such order shall provide for the equitable 42803

center on the date that the governing board of that educational 42824
service center adopts a resolution under division (B) of this 42825
section declaring that the territory of the educational service 42826
center is a county school financing district, exclusive of any 42827
territory subsequently withdrawn from the district under division 42828
(D) of this section; 42829

(2) Any territory that has been added to the county school 42830
financing district under this section. 42831

A county school financing district may include the territory 42832
of a city, local, or exempted village school district whose 42833
territory also is included in the territory of one or more other 42834
county school financing districts. 42835

(B) The governing board of any educational service center 42836
may, by resolution, declare that the territory of the educational 42837
service center is a county school financing district. The 42838
resolution shall state the purpose for which the county school 42839
financing district is created which may be for any one or more of 42840

(2) To levy taxes for the provision of specified educational 42845

question of whether to accept the school district's territory as 42877
part of the county school financing district. If a majority of the 42878

school district's territory shall thereupon become a part of the 42880
county school financing district unless the county school 42881

eligible nonprofit organization that is located in this state and 43512
is exempt from federal income taxation pursuant to 26 U.S.C. 43513
501(a) and (c)(3). Before donating any property under this 43514
division, the board shall adopt a resolution expressing its intent 43515
to make unneeded, obsolete, or unfit-for-use school district 43516
property available to these organizations. The resolution shall 43517
include guidelines and procedures the board considers to be 43518
necessary to implement the donation program and shall indicate 43519
whether the school district will conduct the donation program or 43520
the board will contract with a representative to conduct it. If a 43521
representative is known when the resolution is adopted, the 43522
resolution shall provide contact information such as the 43523
representative's name, address, and telephone number. 43524

The resolution shall include within its procedures a 43525
requirement that any nonprofit organization desiring to obtain 43526
donated property under this division shall submit a written notice 43527
to the board or its representative. The written notice shall 43528
include evidence that the organization is a nonprofit organization 43529

taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 43531
the organization's primary purpose; a description of the type or 43532
types of property the organization needs; and the name, address, 43533

and telephone number of a person designated by the organization's 43534
governing board to receive donated property and to serve as its 43535
agent. 43536

After adoption of the resolution, the board shall publish, in 43537
a newspaper of general circulation in the school district or as 43538
provided in section 7.16 of the Revised Code, notice of its intent 43539
to donate unneeded, obsolete, or unfit-for-use school district 43540
property to eligible nonprofit organizations. The notice shall 43541
include a summary of the information provided in the resolution 43542
and shall be published ~~at least~~ twice. The second ~~and any~~ 43543
~~subsequent~~ notice shall be published not less than ten nor more 43544
than twenty days after the previous notice. A similar notice also 43545
shall be posted continually in the board's office, ~~and, if.~~ If the 43546
school district maintains a web site on the internet, the notice 43547
shall be posted continually at that web site. 43548

The board or its representatives shall maintain a list of all 43549
nonprofit organizations that notify the board or its 43550
representative of their desire to obtain donated property under 43551
this division and that the board or its representative determines 43552
to be eligible, in accordance with the requirements set forth in 43553
this section and in the donation program's guidelines and 43554
procedures, to receive donated property. 43555

The board or its representative also shall maintain a list of 43556
all school district property the board finds to be unneeded, 43557
obsolete, or unfit for use and to be available for donation under 43558
this division. The list shall be posted continually in a 43559
conspicuous location in the board's office, and, if the school 43560
district maintains a web site on the internet, the list shall be 43561
posted continually at that web site. An item of property on the 43562
list shall be donated to the eligible nonprofit organization that 43563
first declares to the board or its representative its desire to 43564
obtain the item unless the board previously has established, by 43565

resolution, a list of eligible nonprofit organizations that shall 43566
be given priority with respect to the item's donation. Priority 43567
may be given on the basis that the purposes of a nonprofit 43568
organization have a direct relationship to specific school 43569
district purposes of programs provided or administered by the 43570
board. A resolution giving priority to certain nonprofit 43571
organizations with respect to the donation of an item of property 43572
shall specify the reasons why the organizations are given that 43573
priority. 43574

Members of the board shall consult with the Ohio ethics 43575
commission, and comply with Chapters 102. and 2921. of the Revised 43576

is a trustee, officer, board member, or employee. 43580

Any community school, or its governing authority or operator, 43581
or person or entity that has entered into a lease agreement with a 43582
governing authority or operator of a community school may bring 43583

capacity and that is suitable for use as classroom space or for 43591

that property to the governing authorities of the community 43593
schools, established under Chapter 3314. of the Revised Code, 43594
located within the territory of the school district. The lease 43595
price offered by the district board shall not be higher than the 43596

fair market value for such a leasehold. If more than one community 43597
school governing authority accepts the offer to lease that 43598
property, the district board shall lease the property to the 43599
governing authority that accepted the offer first in time, except 43600

section shall affect the leasehold arrangements between the 43611
district board and that other entity. 43612

board determines that such other information is sufficient for 43627

bidding a project, the board shall not engage in the construction 43628
of any such project involving the practice of professional 43629

distributed by electronic means, including posting the notice on 43640
the board's internet web site. If the board posts the notice on 43641
its web site, it may eliminate the second notice otherwise 43642
required to be published in a newspaper of general circulation 43643
within the school district, provided that the first notice 43644

submitted without such separation. 43664

(6) None but the lowest responsible bid shall be accepted. 43665
The board may reject all the bids, or accept any bid for both 43666

section 153.12 of the Revised Code. 43671

(e) Any terms or conditions of the proposed contract, including any requirement for a bond and the amount of such bond;

(f) Documents that may be incorporated by reference into the request for proposals, provided that the request for proposals specifies where such documents may be obtained and that such documents are readily available to all interested parties.

(2) After the date specified for receiving proposals, the board shall evaluate the submitted proposals and may hold discussions with any respondent to ensure a complete understanding of the proposal and the qualifications of such respondent to execute the proposed contract. Such qualifications shall include, but are not limited to, all of the following:

(a) Demonstrated competence in performance of the required services as indicated by effective implementation of educational programs in reading and mathematics and at least three years of experience successfully serving a student population similar to the student population assigned to the alternative school;

(b) Demonstrated performance in the areas of cost containment, the provision of educational services of a high quality, and any other areas determined by the board;

(c) Whether the respondent has the resources to undertake the operation of the alternative school and to provide qualified personnel to staff the school;

(d) Financial responsibility.

(3) The board shall select for further review at least three proposals from respondents the board considers qualified to operate the alternative school in the best interests of the students and the district. If fewer than three proposals are submitted, the board shall select each proposal submitted. The board may cancel a request for proposals or reject all proposals at any time prior to the execution of a contract.

The board may hold discussions with any of the three selected respondents to clarify or revise the provisions of a proposal or the proposed contract to ensure complete understanding between the board and the respondent of the terms under which a contract will be entered. Respondents shall be accorded fair and equal treatment with respect to any opportunity for discussion regarding clarifications or revisions. The board may terminate or discontinue any further discussion with a respondent upon written notice.

(4) Upon further review of the three proposals selected by the board, the board shall award a contract to the respondent the board considers to have the most merit, taking into consideration the scope, complexity, and nature of the services to be performed by the respondent under the contract.

(5) Except as provided in division (H)(6) of this section, the request for proposals, submitted proposals, and related documents shall become public records under section 149.43 of the Revised Code after the award of the contract.

(6) Any respondent may request in writing that the board not disclose confidential or proprietary information or trade secrets

contained in the proposal submitted by the respondent to the 43967
board. Any such request shall be accompanied by an offer of 43968
indemnification from the respondent to the board. The board shall 43969
determine whether to agree to the request and shall inform the 43970
respondent in writing of its decision. If the board agrees to 43971
nondisclosure of specified information in a proposal, such 43972
information shall not become a public record under section 149.43 43973
of the Revised Code. If the respondent withdraws its proposal at 43974
any time prior to the execution of a contract, the proposal shall 43975
not be a public record under section 149.43 of the Revised Code. 43976

(I) Upon a recommendation from the department and in 43977
accordance with section 3301.16 of the Revised Code, the state 43978
board of education may revoke the charter of any alternative 43979
school operated by a school district that violates this section. 43980

Sec. 3313.55. The board of education of any school district 43981
in which is located a state, district, county, or municipal 43982
hospital for children with epilepsy or any public institution, 43983
except state institutions for the care and treatment of 43984
delinquent, unstable, or socially maladjusted children, shall make 43985
provision for the education of all educable children therein; 43986
except that in the event another school district within the same 43987
county or an adjoining county is the source of sixty per cent or 43988
more of the children in said hospital or institution, the board of 43989
that school district shall make provision for the education of all 43990
the children therein. In any case in which a board provides 43991
educational facilities under this section, the board that provides 43992
the facilities shall be entitled to all moneys authorized for the 43993
attendance of pupils as provided in Chapter ~~3306.~~ ~~or~~ 3317. of the 43994
Revised Code, tuition as provided in section 3317.08 of the 43995
Revised Code, and such additional compensation as is provided for 43996
crippled children in sections 3323.01 to 3323.12 of the Revised 43997
Code. Any board that provides the educational facilities for 43998

children in county or municipal institutions established for the 43999
care and treatment of children who are delinquent, unstable, or 44000
socially maladjusted shall not be entitled to any moneys provided 44001
for crippled children in sections 3323.01 to 3323.12 of the 44002
Revised Code. 44003

Sec. 3313.603. (A) As used in this section: 44004

of this section. 44087

Ohioans must be prepared to apply increased knowledge and 44088
skills in the workplace and to adapt their knowledge and skills 44089
quickly to meet the rapidly changing conditions of the 44090
twenty-first century. National studies indicate that all high 44091
school graduates need the same academic foundation, regardless of 44092
the opportunities they pursue after graduation. The goal of Ohio's 44093
system of elementary and secondary education is to prepare all 44094
students for and seamlessly connect all students to success in 44095
life beyond high school graduation, regardless of whether the next 44096
step is entering the workforce, beginning an apprenticeship, 44097
engaging in post-secondary training, serving in the military, or 44098
pursuing a college degree. 44099

The Ohio core curriculum is the standard expectation for all 44100
students entering ninth grade for the first time at a public or 44101
chartered nonpublic high school on or after July 1, 2010. A 44102
student may satisfy this expectation through a variety of methods, 44103
including, but not limited to, integrated, applied, 44104
career-technical, and traditional coursework. 44105

Whereas teacher quality is essential for student success in 44106
completing the Ohio core curriculum, the general assembly shall 44107
appropriate funds for strategic initiatives designed to strengthen 44108
schools' capacities to hire and retain highly qualified teachers 44109
in the subject areas required by the curriculum. Such initiatives 44110
are expected to require an investment of \$120,000,000 over five 44111
years. 44112

Stronger coordination between high schools and institutions 44113
of higher education is necessary to prepare students for more 44114
challenging academic endeavors and to lessen the need for academic 44115
remediation in college, thereby reducing the costs of higher 44116
education for Ohio's students, families, and the state. The state 44117
board and the chancellor of the Ohio board of regents shall 44118

develop policies to ensure that only in rare instances will 44119
students who complete the Ohio core curriculum require academic 44120
remediation after high school. 44121

School districts, community schools, and chartered nonpublic 44122
schools shall integrate technology into learning experiences 44123
~~whenever practicable~~ across the curriculum in order to maximize 44124
efficiency, enhance learning, and prepare students for success in 44125
the technology-driven twenty-first century. Districts and schools 44126
~~may~~ shall use distance and web-based course delivery as a method 44127
of providing or augmenting all instruction required under this 44128
division, including laboratory experience in science. Districts 44129
and schools shall ~~whenever practicable~~ utilize technology access 44130
and electronic learning opportunities provided by the eTech Ohio 44131
commission, the Ohio learning network, education technology 44132
centers, public television stations, and other public and private 44133
providers. 44134

(D) Except as provided in division (E) of this section, a 44135
student who enters ninth grade on or after July 1, 2010, and 44136
before July 1, 2014, may qualify for graduation from a public or 44137
chartered nonpublic high school even though the student has not 44138
completed the Ohio core curriculum prescribed in division (C) of 44139
this section if all of the following conditions are satisfied: 44140

(1) After the student has attended high school for two years, 44141
as determined by the school, the student and the student's parent, 44142
guardian, or custodian sign and file with the school a written 44143
statement asserting the parent's, guardian's, or custodian's 44144
consent to the student's graduating without completing the Ohio 44145
core curriculum and acknowledging that one consequence of not 44146
completing the Ohio core curriculum is ineligibility to enroll in 44147
most state universities in Ohio without further coursework. 44148

(2) The student and parent, guardian, or custodian fulfill 44149
any procedural requirements the school stipulates to ensure the 44150

student's and parent's, guardian's, or custodian's informed 44151
consent and to facilitate orderly filing of statements under 44152
division (D)(1) of this section. 44153

(3) The student and the student's parent, guardian, or 44154
custodian and a representative of the student's high school 44155
jointly develop an individual career plan for the student that 44156
specifies the student matriculating to a two-year degree program, 44157
acquiring a business and industry credential, or entering an 44158
apprenticeship. 44159

(4) The student's high school provides counseling and support 44160
for the student related to the plan developed under division 44161
(D)(3) of this section during the remainder of the student's high 44162
school experience. 44163

(5) The student successfully completes, at a minimum, the 44164
curriculum prescribed in division (B) of this section. 44165

The department of education, in collaboration with the 44166
chancellor, shall analyze student performance data to determine if 44167
there are mitigating factors that warrant extending the exception 44168
permitted by division (D) of this section to high school classes 44169
beyond those entering ninth grade before July 1, 2014. The 44170
department shall submit its findings and any recommendations not 44171
later than August 1, 2014, to the speaker and minority leader of 44172
the house of representatives, the president and minority leader of 44173
the senate, the chairpersons and ranking minority members of the 44174
standing committees of the house of representatives and the senate 44175
that consider education legislation, the state board of education, 44176
and the superintendent of public instruction. 44177

(E) Each school district and chartered nonpublic school 44178
retains the authority to require an even more rigorous minimum 44179
curriculum for high school graduation than specified in division 44180
(B) or (C) of this section. A school district board of education, 44181

through the adoption of a resolution, or the governing authority 44182
of a chartered nonpublic school may stipulate any of the 44183
following: 44184

(1) A minimum high school curriculum that requires more than 44185
twenty units of academic credit to graduate; 44186

(2) An exception to the district's or school's minimum high 44187
school curriculum that is comparable to the exception provided in 44188
division (D) of this section but with additional requirements, 44189
which may include a requirement that the student successfully 44190
complete more than the minimum curriculum prescribed in division 44191
(B) of this section; 44192

(3) That no exception comparable to that provided in division 44193
(D) of this section is available. 44194

(F) A student enrolled in a dropout prevention and recovery 44195
program, which program has received a waiver from the department, 44196
may qualify for graduation from high school by successfully 44197
completing a competency-based instructional program administered 44198
by the dropout prevention and recovery program in lieu of 44199
completing the Ohio core curriculum prescribed in division (C) of 44200
this section. The department shall grant a waiver to a dropout 44201
prevention and recovery program, within sixty days after the 44202
program applies for the waiver, if the program meets all of the 44203
following conditions: 44204

(1) The program serves only students not younger than sixteen 44205
years of age and not older than twenty-one years of age. 44206

(2) The program enrolls students who, at the time of their 44207
initial enrollment, either, or both, are at least one grade level 44208
behind their cohort age groups or experience crises that 44209
significantly interfere with their academic progress such that 44210
they are prevented from continuing their traditional programs. 44211

(3) The program requires students to attain at least the 44212

applicable score designated for each of the assessments prescribed 44213
under division (B)(1) of section 3301.0710 of the Revised Code or, 44214
to the extent prescribed by rule of the state board under division 44215
~~(E)~~(D)(6) of section 3301.0712 of the Revised Code, division 44216
(B)(2) of that section. 44217

(4) The program develops an individual career plan for the 44218
student that specifies the student's matriculating to a two-year 44219
degree program, acquiring a business and industry credential, or 44220
entering an apprenticeship. 44221

(5) The program provides counseling and support for the 44222
student related to the plan developed under division (F)(4) of 44223
this section during the remainder of the student's high school 44224
experience. 44225

(6) The program requires the student and the student's 44226
parent, guardian, or custodian to sign and file, in accordance 44227
with procedural requirements stipulated by the program, a written 44228
statement asserting the parent's, guardian's, or custodian's 44229
consent to the student's graduating without completing the Ohio 44230
core curriculum and acknowledging that one consequence of not 44231
completing the Ohio core curriculum is ineligibility to enroll in 44232
most state universities in Ohio without further coursework. 44233

(7) Prior to receiving the waiver, the program has submitted 44234
to the department an instructional plan that demonstrates how the 44235
academic content standards adopted by the state board under 44236
section 3301.079 of the Revised Code will be taught and assessed. 44237

If the department does not act either to grant the waiver or 44238
to reject the program application for the waiver within sixty days 44239
as required under this section, the waiver shall be considered to 44240
be granted. 44241

(G) Every high school may permit students below the ninth 44242
grade to take advanced work. If a high school so permits, it shall 44243

award high school credit for successful completion of the advanced 44244
work and shall count such advanced work toward the graduation 44245
requirements of division (B) or (C) of this section if the 44246
advanced work was both: 44247

(1) Taught by a person who possesses a license or certificate 44248
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 44249
Code that is valid for teaching high school; 44250

(2) Designated by the board of education of the city, local, 44251
or exempted village school district, the board of the cooperative 44252
education school district, or the governing authority of the 44253
chartered nonpublic school as meeting the high school curriculum 44254
requirements. 44255

Each high school shall record on the student's high school 44256
transcript all high school credit awarded under division (G) of 44257
this section. In addition, if the student completed a seventh- or 44258
eighth-grade fine arts course described in division (K) of this 44259
section and the course qualified for high school credit under that 44260
division, the high school shall record that course on the 44261
student's high school transcript. 44262

(H) The department shall make its individual academic career 44263
plan available through its Ohio career information system web site 44264
for districts and schools to use as a tool for communicating with 44265
and providing guidance to students and families in selecting high 44266
school courses. 44267

(I) Units earned in English language arts, mathematics, 44268
science, and social studies that are delivered through integrated 44269
academic and career-technical instruction are eligible to meet the 44270
graduation requirements of division (B) or (C) of this section. 44271

(J) The state board, in consultation with the chancellor, 44272
shall adopt a statewide plan implementing methods for students to 44273
earn units of high school credit based on a demonstration of 44274

subject area competency, instead of or in combination with 44275
completing hours of classroom instruction. The state board shall 44276
adopt the plan not later than March 31, 2009, and commence phasing 44277
in the plan during the 2009-2010 school year. The plan shall 44278
include a standard method for recording demonstrated proficiency 44279
on high school transcripts. Each school district, community 44280
school, and chartered nonpublic school shall comply with the state 44281
board's plan adopted under this division and award units of high 44282
school credit in accordance with the plan. The state board may 44283
adopt existing methods for earning high school credit based on a 44284
demonstration of subject area competency as necessary prior to the 44285
2009-2010 school year. 44286

(K) This division does not apply to students who qualify for 44287
graduation from high school under division (D) or (F) of this 44288
section, or to students pursuing a career-technical instructional 44289
track as determined by the school district board of education or 44290
the chartered nonpublic school's governing authority. 44291
Nevertheless, the general assembly encourages such students to 44292
consider enrolling in a fine arts course as an elective. 44293

Beginning with students who enter ninth grade for the first 44294
time on or after July 1, 2010, each student enrolled in a public 44295
or chartered nonpublic high school shall complete two semesters or 44296
the equivalent of fine arts to graduate from high school. The 44297
coursework may be completed in any of grades seven to twelve. Each 44298
student who completes a fine arts course in grade seven or eight 44299
may elect to count that course toward the five units of electives 44300
required for graduation under division (C)(7) of this section, if 44301
the course satisfied the requirements of division (G) of this 44302
section. In that case, the high school shall award the student 44303
high school credit for the course and count the course toward the 44304
five units required under division (C)(7) of this section. If the 44305
course in grade seven or eight did not satisfy the requirements of 44306

division (G) of this section, the high school shall not award the student high school credit for the course but shall count the course toward the two semesters or the equivalent of fine arts required by this division.

(L) Notwithstanding anything to the contrary in this section, the board of education of each school district and the governing authority of each chartered nonpublic school may adopt a policy to excuse from the high school physical education requirement each student who, during high school, has participated in interscholastic athletics, marching band, or cheerleading for at least two full seasons or in the junior reserve officer training corps for at least two full school years. If the board or authority adopts such a policy, the board or authority shall not require the student to complete any physical education course as a condition to graduate. However, the student shall be required to complete one-half unit, consisting of at least sixty hours of instruction, in another course of study. In the case of a student who has participated in the junior reserve officer training corps for at least two full school years, credit received for that participation may be used to satisfy the requirement to complete one-half unit in another course of study.

Sec. 3313.61. (A) A diploma shall be granted by the board of education of any city, exempted village, or local school district that operates a high school to any person to whom all of the following apply:

(1) The person has successfully completed the curriculum in any high school or the individualized education program developed for the person by any high school pursuant to section 3323.08 of the Revised Code, or has qualified under division (D) or (F) of section 3313.603 of the Revised Code, provided that no school district shall require a student to remain in school for any

specific number of semesters or other terms if the student 44338
completes the required curriculum early; 44339

(2) Subject to section 3313.614 of the Revised Code, the 44340
person has met the assessment requirements of division (A)(2)(a) 44341
or (b) of this section, as applicable. 44342

(a) If the person entered the ninth grade prior to the date 44343
prescribed by rule of the state board of education under division 44344
~~(E)~~(D)(2) of section 3301.0712 of the Revised Code, the person 44345
either: 44346

(i) Has attained at least the applicable scores designated 44347
under division (B)(1) of section 3301.0710 of the Revised Code on 44348
all the assessments required by that division unless the person 44349
was excused from taking any such assessment pursuant to section 44350
3313.532 of the Revised Code or unless division (H) or (L) of this 44351
section applies to the person; 44352

(ii) Has satisfied the alternative conditions prescribed in 44353
section 3313.615 of the Revised Code. 44354

(b) If the person entered the ninth grade on or after the 44355
date prescribed by rule of the state board under division 44356
~~(E)~~(D)(2) of section 3301.0712 of the Revised Code, the person has 44357
~~attained on~~ met the requirements of the entire assessment system 44358
prescribed under division (B)(2) of section 3301.0710 of the 44359
Revised Code ~~at least the required passing composite score,~~ 44360
~~designated under division (C)(1) of section 3301.0712 of the~~ 44361
~~Revised Code~~, except to the extent that the person is excused from 44362
some portion of that assessment system pursuant to section 44363
3313.532 of the Revised Code or division (H) or (L) of this 44364
section. 44365

(3) The person is not eligible to receive an honors diploma 44366
granted pursuant to division (B) of this section. 44367

Except as provided in divisions (C), (E), (J), and (L) of 44368

prescribed by the state board of education under division 44703
~~(E)~~(D)(5) of section 3301.0712 of the Revised Code is not eligible 44704

curriculum requirement for a diploma shall complete the curriculum 44719
required by the school district or school issuing the diploma for 44720

under either division (D) or (F) of section 3313.603 of the 44723
Revised Code. 44724

(2) Once a person fulfills the curriculum requirement for a 44725
diploma, the person is never required, as a condition of receiving 44726
a diploma, to meet any different curriculum requirements that take 44727
effect pending the person's passage of proficiency tests or 44728
achievement tests or assessments, including changes mandated by 44729
section 3313.603 of the Revised Code, the state board, a school 44730
district board of education, or a governing authority of a 44731
community school or chartered nonpublic school. 44732

approval from the superintendent of the school district in which 44737
the person was last enrolled, or the superintendent's designee, 44738

principal of the school, or the principal's designee. The 44743
department may require the person also to submit written approval 44744
from the person's parent or guardian or a court official, if the 44745
person is younger than eighteen years of age. 44746

(B) For the purpose of calculating graduation rates for the 44747
school district report cards under section 3302.03 of the Revised 44748
Code, the department shall count any person for whom approval is 44749
obtained from the superintendent or principal, or a designee, 44750

(d) If at the time the court removed the child from home or 44891

vested legal or permanent custody of the child in the person or 44892
government agency, whichever occurred first, one parent was in a 44893
residential or correctional facility or a juvenile residential 44894
placement and the other parent, if living and not in such a 44895
facility or placement, was not known to reside in this state, 44896
tuition shall be paid by the district determined under division 44897
(D) of section 3313.65 of the Revised Code as the district 44898
required to pay any tuition while the parent was in such facility 44899
or placement; 44900

(e) If the department of education has determined, pursuant 44901
to division (A)(2) of section 2151.362 of the Revised Code, that a 44902
school district other than the one named in the court's initial 44903
order, or in a prior determination of the department, is 44904
responsible to bear the cost of educating the child, the district 44905

(3) If the child is not in the permanent or legal custody of 44907
a government agency or person other than the child's parent and 44908
the child resides in a home, tuition shall be paid by one of the 44909

(a) The school district in which the child's parent resides; 44911

(b) If the child's parent is not a resident of this state, 44912

maintained by the department of youth services, receives 44917
educational services at the home in which the child resides 44918
pursuant to a contract between the home and the school district 44919
providing those services, and does not receive special education. 44920

In the case of a child to which division (C)(4) of this 44921
section applies, the total educational cost to be paid for the 44922

child shall be determined by a formula approved by the department 44923
of education, which formula shall be designed to calculate a per 44924
diem cost for the educational services provided to the child for 44925
each day the child is served and shall reflect the total actual 44926
cost incurred in providing those services. The department shall 44927
certify the total educational cost to be paid for the child to 44928
both the school district providing the educational services and, 44929
if different, the school district that is responsible to pay 44930
tuition for the child. The department shall deduct the certified 44931
amount from the state basic aid funds payable under Chapter 3317. 44932
of the Revised Code to the district responsible to pay tuition and 44933
shall pay that amount to the district providing the educational 44934
services to the child. 44935

(3)(a) of this section shall be computed in accordance with 44937
section 3317.08 of the Revised Code. Tuition required to be paid 44938
under division (C)(3)(b) of this section shall be computed in 44939
accordance with section 3317.081 of the Revised Code. If a home 44940
fails to pay the tuition required by division (C)(3)(b) of this 44941
section, the board of education providing the education may 44942
recover in a civil action the tuition and the expenses incurred in 44943
prosecuting the action, including court costs and reasonable 44944
attorney's fees. If the prosecuting attorney or city director of 44945
law represents the board in such action, costs and reasonable 44946
attorney's fees awarded by the court, based upon the prosecuting 44947
attorney's, director's, or one of their designee's time spent 44948
preparing and presenting the case, shall be deposited in the 44949
county or city general fund. 44950

(E) A board of education may enroll a child free of any 44951
tuition obligation for a period not to exceed sixty days, on the 44952
sworn statement of an adult resident of the district that the 44953
resident has initiated legal proceedings for custody of the child. 44954

(F) In the case of any individual entitled to attend school 44955
under this division, no tuition shall be charged by the school 44956
district of attendance and no other school district shall be 44957
required to pay tuition for the individual's attendance. 44958
Notwithstanding division (B), (C), or (E) of this section: 44959

(1) All persons at least eighteen but under twenty-two years 44960
of age who live apart from their parents, support themselves by 44961
their own labor, and have not successfully completed the high 44962

The parent of a child entitled to attend school under division 44972
(F)(3) of this section shall submit to the board of education of 44973
the district in which the parent is employed a statement from the 44974
child's physician certifying that the child's medical condition 44975
may require emergency medical attention. The statement shall be 44976
supported by such other evidence as the board may require. 44977

(4) Any child residing with a person other than the child's 44978
parent is entitled, for a period not to exceed twelve months, to 44979
attend school in the district in which that person resides if the 44980
child's parent files an affidavit with the superintendent of the 44981
district in which the person with whom the child is living resides 44982
stating all of the following: 44983

(a) That the parent is serving outside of the state in the 44984
armed services of the United States; 44985

returning to this state; 44987

(c) The name and address of the person with whom the child is 44988
living while the parent is outside the state. 44989

(5) Any child under the age of twenty-two years who, after 44990
the death of a parent, resides in a school district other than the 44991
district in which the child attended school at the time of the 44992
parent's death is entitled to continue to attend school in the 44993
district in which the child attended school at the time of the 44994
parent's death for the remainder of the school year, subject to 44995
approval of that district board. 44996

(6) A child under the age of twenty-two years who resides 44997
with a parent who is having a new house built in a school district 44998
outside the district where the parent is residing is entitled to 44999
attend school for a period of time in the district where the new 45000
house is being built. In order to be entitled to such attendance, 45001
the parent shall provide the district superintendent with the 45002
following: 45003

(a) A sworn statement explaining the situation, revealing the 45004
location of the house being built, and stating the parent's 45005

is being built for the parent and that the house is at the 45008
location indicated in the parent's statement. 45009

(7) A child under the age of twenty-two years residing with a 45010
parent who has a contract to purchase a house in a school district 45011

the parent's statement. 45025

The district superintendent shall establish a period of time 45026
not to exceed ninety days during which the child entitled to 45027
attend school under division (F)(6) or (7) of this section may 45028
attend without tuition obligation. A student attending a school 45029
under division (F)(6) or (7) of this section shall be eligible to 45030
participate in interscholastic athletics under the auspices of 45031
that school, provided the board of education of the school 45032
district where the student's parent resides, by a formal action, 45033
releases the student to participate in interscholastic athletics 45034
at the school where the student is attending, and provided the 45035

private organization of which the school district is a member 45037
exercising authority over interscholastic sports. 45038

(8) A child whose parent is a full-time employee of a city, 45039
local, or exempted village school district, or of an educational 45040
service center, may be admitted to the schools of the district 45041
where the child's parent is employed, or in the case of a child 45042
whose parent is employed by an educational service center, in the 45043
district that serves the location where the parent's job is 45044
primarily located, provided the district board of education 45045
establishes such an admission policy by resolution adopted by a 45046
majority of its members. Any such policy shall take effect on the 45047
first day of the school year and the effective date of any 45048

amendment or repeal may not be prior to the first day of the 45049
subsequent school year. The policy shall be uniformly applied to 45050
all such children and shall provide for the admission of any such 45051
child upon request of the parent. No child may be admitted under 45052
this policy after the first day of classes of any school year. 45053

(9) A child who is with the child's parent under the care of 45054
a shelter for victims of domestic violence, as defined in section 45055
3113.33 of the Revised Code, is entitled to attend school free in 45056
the district in which the child is with the child's parent, and no 45057
other school district shall be required to pay tuition for the 45058
child's attendance in that school district. 45059

The enrollment of a child in a school district under this 45060
division shall not be denied due to a delay in the school 45061
district's receipt of any records required under section 3313.672 45062
of the Revised Code or any other records required for enrollment. 45063
Any days of attendance and any credits earned by a child while 45064
enrolled in a school district under this division shall be 45065
transferred to and accepted by any school district in which the 45066
child subsequently enrolls. The state board of education shall 45067
adopt rules to ensure compliance with this division. 45068

(10) Any child under the age of twenty-two years whose parent 45069
has moved out of the school district after the commencement of 45070
classes in the child's senior year of high school is entitled, 45071
subject to the approval of that district board, to attend school 45072
in the district in which the child attended school at the time of 45073
the parental move for the remainder of the school year and for one 45074
additional semester or equivalent term. A district board may also 45075
adopt a policy specifying extenuating circumstances under which a 45076
student may continue to attend school under division (F)(10) of 45077
this section for an additional period of time in order to 45078
successfully complete the high school curriculum for the 45079
individualized education program developed for the student by the 45080

high school pursuant to section 3323.08 of the Revised Code. 45081

(11) As used in this division, "grandparent" means a parent 45082
of a parent of a child. A child under the age of twenty-two years 45083
who is in the custody of the child's parent, resides with a 45084
grandparent, and does not require special education is entitled to 45085
attend the schools of the district in which the child's 45086
grandparent resides, provided that, prior to such attendance in 45087
any school year, the board of education of the school district in 45088
which the child's grandparent resides and the board of education 45089
of the school district in which the child's parent resides enter 45090
into a written agreement specifying that good cause exists for 45091
such attendance, describing the nature of this good cause, and 45092
consenting to such attendance. 45093

In lieu of a consent form signed by a parent, a board of 45094
education may request the grandparent of a child attending school 45095
in the district in which the grandparent resides pursuant to 45096
division (F)(11) of this section to complete any consent form 45097
required by the district, including any authorization required by 45098
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 45099
Code. Upon request, the grandparent shall complete any consent 45100
form required by the district. A school district shall not incur 45101
any liability solely because of its receipt of a consent form from 45102
a grandparent in lieu of a parent. 45103

Division (F)(11) of this section does not create, and shall 45104
not be construed as creating, a new cause of action or substantive 45105
legal right against a school district, a member of a board of 45106
education, or an employee of a school district. This section does 45107
not affect, and shall not be construed as affecting, any 45108
immunities from defenses to tort liability created or recognized 45109
by Chapter 2744. of the Revised Code for a school district, 45110
member, or employee. 45111

(12) A child under the age of twenty-two years is entitled to 45112

attend school in a school district other than the district in 45113
which the child is entitled to attend school under division (B), 45114
(C), or (E) of this section provided that, prior to such 45115
attendance in any school year, both of the following occur: 45116

(a) The superintendent of the district in which the child is 45117
entitled to attend school under division (B), (C), or (E) of this 45118
section contacts the superintendent of another district for 45119
purposes of this division; 45120

(b) The superintendents of both districts enter into a 45121
written agreement that consents to the attendance and specifies 45122
that the purpose of such attendance is to protect the student's 45123
physical or mental well-being or to deal with other extenuating 45124
circumstances deemed appropriate by the superintendents. 45125

While an agreement is in effect under this division for a 45126
student who is not receiving special education under Chapter 3323. 45127
of the Revised Code and notwithstanding Chapter 3327. of the 45128
Revised Code, the board of education of neither school district 45129
involved in the agreement is required to provide transportation 45130
for the student to and from the school where the student attends. 45131

A student attending a school of a district pursuant to this 45132
division shall be allowed to participate in all student 45133
activities, including interscholastic athletics, at the school 45134
where the student is attending on the same basis as any student 45135
who has always attended the schools of that district while of 45136
compulsory school age. 45137

(13) All school districts shall comply with the 45138
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 45139
seq., for the education of homeless children. Each city, local, 45140
and exempted village school district shall comply with the 45141
requirements of that act governing the provision of a free, 45142
appropriate public education, including public preschool, to each 45143

homeless child. 45144

When a child loses permanent housing and becomes a homeless 45145
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 45146
such a homeless person changes temporary living arrangements, the 45147
child's parent or guardian shall have the option of enrolling the 45148
child in either of the following: 45149

(a) The child's school of origin, as defined in 42 U.S.C.A. 45150
11432(g)(3)(C); 45151

(b) The school that is operated by the school district in 45152
which the shelter where the child currently resides is located and 45153
that serves the geographic area in which the shelter is located. 45154

(14) A child under the age of twenty-two years who resides 45155
with a person other than the child's parent is entitled to attend 45156
school in the school district in which that person resides if both 45157
of the following apply: 45158

(a) That person has been appointed, through a military power 45159

Code may receive any of the services described in division (B) of 45564
that section pursuant to an agreement entered into with an 45565
educational service center under this section. 45566~~~~

~~If a local school district enters into an agreement with an 45567
educational service center under this section and the district is 45568
not located within the territory of the service center, the 45569
agreement shall not require the district to receive any 45570
supervisory services described in division (B) of section 3317.11 45571
of the Revised Code from the service center. The supervisory 45572
services described in that section shall be provided to the 45573

which it is necessary to close the school for any of the reasons 45609
specified in division (L)(4) of section 3314.08 of the Revised 45610

of hours required under Chapter 3314. of the Revised Code. 45612

A plan submitted by a school district board or chartered 45613
nonpublic school governing authority shall provide for making up 45614
any number of days, up to a maximum of three days. A plan 45615
submitted by a community school governing authority shall provide 45616
for making up any number of hours, up to a maximum of the 45617
equivalent of three days. Provided the plan meets all requirements 45618
of this section, the department shall permit the board or 45619
governing authority to implement the plan for the applicable 45620
school year. 45621

(2) Each plan submitted under this section by a school 45622
district board of education shall include the written consent of 45623
the teachers' employee representative designated under division 45624

joint vocational school district and the board of education of the 45702
district proposed to be assigned. The board of education of the 45703
joint vocational school district shall advertise a copy of the 45704
resolution in a newspaper of general circulation in the district 45705
proposed to be assigned once each week for ~~at least~~ two weeks, or 45706
as provided in section 7.16 of the Revised Code, immediately 45707
following the certification of the resolution to the board. The 45708
assignment shall take effect on the ninety-first day after the 45709
state board adopts the resolution, unless prior to that date 45710
qualified electors residing in the school district proposed for 45711
assignment, equal in number to ten per cent of the qualified 45712
electors of that district voting at the last general election, 45713

to the joint vocational school district. The treasurer shall give 45717
the person presenting the petition a receipt showing the time of 45718
day, date, and purpose of the petition. The treasurer shall cause 45719
the board of elections to determine the sufficiency of signatures 45720
on the petition and if the signatures are found to be sufficient, 45721

certification. 45727

Only those qualified electors residing in the district 45728
proposed for assignment to the joint vocational school district 45729
are qualified to vote on the question. If a majority of the 45730
electors voting on the question vote against the assignment, it 45731
shall not take place, and the state board of education shall 45732

require the district to contract with the joint vocational school 45733
district or another school district as authorized by section 45734
3313.91 of the Revised Code. 45735

If a majority of the electors voting on the question do not 45736
vote against the assignment, the assignment shall take immediate 45737
effect, and the board of education of the joint vocational school 45738
district shall notify the county auditor of the county in which 45739
the school district becoming a part of the joint vocational school 45740
district is located to have any outstanding levy of the joint 45741
vocational school district spread over the territory of the school 45742
district that has become a part of the joint vocational school 45743

The assignment of a school district to a joint vocational 45745
school district pursuant to this section is subject to any 45746
agreements made between the board of education of the assigned 45747
school district and the board of education of the joint vocational 45748
school district. Such an agreement may include provisions for a 45749
payment by the assigned school district to the joint vocational 45750
school district of an amount to be contributed toward the cost of 45751
the existing facilities of the joint vocational school district. 45752

On the assignment of a school district to a joint vocational 45753
school district pursuant to this section, the joint vocational 45754
school district's board of education shall submit a proposal to 45755
the state board of education to enlarge or reorganize the 45756
membership of the joint vocational school district's board of 45757
education if expansion or reorganization of the board is necessary 45758
in order to comply with section 3311.19 of the Revised Code. 45759

Sec. 3313.975. As used in this section and in sections 45760
3313.975 to 3313.979 of the Revised Code, "the pilot project 45761
school district" or "the district" means any school district 45762
included in the pilot project scholarship program pursuant to this 45763

section. 45764

(A) The superintendent of public instruction shall establish 45765
a pilot project scholarship program and shall include in such 45766
program any school districts that are or have ever been under 45767
federal court order requiring supervision and operational 45768
management of the district by the state superintendent. The 45769
program shall provide for a number of students residing in any 45770
such district to receive scholarships to attend alternative 45771
schools, and for an equal number of students to receive tutorial 45772
assistance grants while attending public school in any such 45773
district. 45774

(B) The state superintendent shall establish an application 45775

residing in the district to participate in the scholarship 45777
program. In the initial year of the program students may only use 45778
a scholarship to attend school in grades kindergarten through 45779
third. 45780

The state superintendent shall award as many scholarships and 45781
tutorial assistance grants as can be funded given the amount 45782
appropriated for the program. In no case, however, shall more than 45783
fifty per cent of all scholarships awarded be used by students who 45784
were enrolled in a nonpublic school during the school year of 45785
application for a scholarship. 45786

(C)(1) The pilot project program shall continue in effect 45787
each year that the general assembly has appropriated sufficient 45788
money to fund scholarships and tutorial assistance grants. In each 45789
year the program continues, ~~no~~ new students may receive 45790
scholarships ~~unless they are enrolled~~ in grades kindergarten to 45791
~~eight~~ twelve. ~~However, any~~ A student who has received a 45792

~~academic year, a student who previously has received a scholarship~~ 45795

~~may receive a scholarship in grade eleven. Beginning in the 45796~~
~~2006-2007 academic year, a student who previously has received a 45797~~
~~scholarship may receive a scholarship in grade twelve. 45798~~

(2) If the general assembly discontinues the scholarship 45799
program, all students who are attending an alternative school 45800
under the pilot project shall be entitled to continued admittance 45801
to that specific school through all grades that are provided in 45802
such school, under the same conditions as when they were 45803
participating in the pilot project. The state superintendent shall 45804
continue to make scholarship payments in accordance with division 45805
(A) or (B) of section 3313.979 of the Revised Code for students 45806
who remain enrolled in an alternative school under this provision 45807
in any year that funds have been appropriated for this purpose. 45808

If funds are not appropriated, the tuition charged to the 45809
parents of a student who remains enrolled in an alternative school 45810
under this provision shall not be increased beyond the amount 45811
equal to the amount of the scholarship plus any additional amount 45812
charged that student's parent in the most recent year of 45813
attendance as a participant in the pilot project, except that 45814
tuition for all the students enrolled in such school may be 45815
increased by the same percentage. 45816

(D) Notwithstanding sections 124.39, 3307.54, and 3319.17 of 45817
the Revised Code, if the pilot project school district experiences 45818
a decrease in enrollment due to participation in a state-sponsored 45819
scholarship program pursuant to sections 3313.974 to 3313.979 of 45820
the Revised Code, the district board of education may enter into 45821
an agreement with any teacher it employs to provide to that 45822
teacher severance pay or early retirement incentives, or both, if 45823
the teacher agrees to terminate the employment contract with the 45824
district board, provided any collective bargaining agreement in 45825
force pursuant to Chapter 4117. of the Revised Code does not 45826
prohibit such an agreement for termination of a teacher's 45827

employment contract. 45828

Sec. 3313.978. (A) Annually by the first day of November, the 45829
superintendent of public instruction shall notify the pilot 45830
project school district of the number of initial scholarships that 45831
the state superintendent will be awarding in each of grades 45832

The state superintendent shall provide information about the 45834
scholarship program to all students residing in the district, 45835
shall accept applications from any such students until such date 45836
as shall be established by the state superintendent as a deadline 45837
for applications, and shall establish criteria for the selection 45838
of students to receive scholarships from among all those applying 45839
prior to the deadline, which criteria shall give preference to 45840
students from low-income families. For each student selected, the 45841
state superintendent shall also determine whether the student 45842
qualifies for seventy-five or ninety per cent of the scholarship 45843
amount. Students whose family income is at or above two hundred 45844
per cent of the maximum income level established by the state 45845

state superintendent as follows that the student has been 45867
admitted: 45868

an adjacent school district. 45879

(B) The state superintendent shall also award in any school 45880
year tutorial assistance grants to a number of students equal to 45881

solely to students who are enrolled in the public schools of the 45884

3313.976 of the Revised Code. 45888

All students wishing to obtain tutorial assistance grants 45889

shall make application to the state superintendent by the first 45890
day of the school year in which the assistance will be used. The 45891
state superintendent shall award assistance grants in accordance 45892
with criteria the superintendent shall establish. For each student 45893

(2) The state superintendent shall provide for an increase in 45918
the basic scholarship amount in the case of any student who is a 45919
mainstreamed student with a disability and shall further increase 45920

their sponsors that are not permitted by law or duly adopted 46447
rules. 46448

(A)(2) and (B)(1) of section 3314.015 of the Revised Code. 46453

3302.01 of the Revised Code, that measures the academic 46467
performance of students enrolled in all community schools 46468

in a position as a member of a governing authority. 46655

(F)(1) A new start-up school that is established prior to 46656

and the contract between the school's governing authority and the 46659
school's sponsor may be renewed, as provided under this chapter, 46660
after that date, but no additional new start-up schools may be 46661

after June 30, 2007, and may renew its contract with the school. 46678
However, the educational service center shall not enter into a 46679
contract with any additional community school unless the school is 46680
located in a county within the territory of the service center or 46681
in a county contiguous to such county. 46682

(G) No entity described in division (B) or (C) of this 46683
section shall refuse to enter into a preliminary agreement under 46684
those divisions, or to enter into a contract under section 3314.03 46685
of the Revised Code, for the sponsorship of a community school 46686
based solely on the type of school that is proposed to be 46687
established, the composition of the members of the public benefit 46688
corporation that will comprise the school, or the involvement of 46689
any for-profit entity as a member of that public benefit 46690
corporation. 46691

Sec. 3314.021. (A) This section applies to any entity that is 46692
exempt from taxation under section 501(c)(3) of the Internal 46693

Revenue Code and that satisfies the conditions specified in 46694
divisions (C)(1)(f)(ii) and (iii) of section 3314.02 of the 46695
Revised Code but does not satisfy the condition specified in 46696
division (C)(1)(f)(i) of that section. 46697

(B) Notwithstanding division (C)(1)(f)(i) of section 3314.02 46698
of the Revised Code, an entity described in division (A) of this 46699
section may do both of the following without obtaining the 46700
department of education's initial approval of its sponsorship 46701
under divisions (A)(2) and (B)(1) of section 3314.015 of the 46702
Revised Code: 46703

(1) Succeed the board of trustees of a state university 46704
located in the pilot project area or that board's designee as the 46705
sponsor of a community school established under this chapter; 46706

(2) Continue to sponsor that school in conformance with the 46707
terms of the contract between the board of trustees or its 46708
designee and the governing authority of the community school and 46709
renew that contract as provided in division (E) of section 3314.03 46710
of the Revised Code. 46711

(C) The entity that succeeds the board of trustees or the 46712
board's designee as sponsor of a community school under division 46713
(B) of this section also may enter into contracts to sponsor other 46714
community schools located in any challenged school district, 46715
without obtaining the department's initial approval of its 46716
sponsorship of those schools under divisions (A)(2) and (B)(1) of 46717
section 3314.015 of the Revised Code, ~~and not subject to the~~ 46718
~~restriction of division (A)(7) of section 3314.013 of the Revised~~ 46719
~~Code,~~ as long as the contracts conform with and the entity 46720
complies with all other requirements of this chapter. 46721

(D) Regardless of the entity's authority to sponsor community 46722
schools without the initial approval of the department, the entity 46723
is under the continuing oversight of the department in accordance 46724

with rules adopted under section 3314.015 of the Revised Code. 46725

Sec. 3314.026. If the governing authority of a community 46726
school intends to terminate its contract with the school's 46727
operator prior to expiration or intends not to renew that contract 46728
upon expiration, the governing authority shall notify the operator 46729
of that intent not less than one hundred eighty days prior to the 46730
expiration of the contract. Any failure to give such notice 46731
constitutes the governing authority's irrevocable agreement to 46732
continue the contract as then in effect for one additional school 46733
year. The operator may appeal the contract termination or 46734
nonrenewal to the school's sponsor, if the sponsor has sponsored 46735
the school for at least twelve months, or to the state board of 46736
education, if the sponsor has sponsored the school for less than 46737
twelve months. Upon appeal, the sponsor or state board shall 46738
determine whether the operator should continue to manage the 46739
school. In making its determination, the sponsor or state board 46740
shall consider whether the operator has managed the school in 46741
compliance with all applicable laws and terms of the contract 46742
between the sponsor and the governing authority entered into under 46743
section 3314.03 of the Revised Code and whether the school's 46744
progress in meeting the academic goals prescribed in that contract 46745
has been satisfactory. The sponsor or state board shall notify the 46746
governing authority and operator of its determination. If the 46747
sponsor or state board determines that the operator should 46748
continue to manage the school, the ~~sponsor shall remove the~~ 46749
~~existing governing authority and the operator shall appoint a new~~ 46750
~~governing authority for the school.~~ The contract between the 46751
governing authority and the operator shall continue until terms of 46752
office of all members of the governing board in office prior to 46753
the determination have expired and those members have been 46754
replaced with individuals recommended by the operator. An operator 46755
may reappoint a member to the governing authority. Once all the 46756

terms of the members in office prior to the determination have 46757
expired, the new governing authority shall assume responsibility 46758
for the school immediately and shall exercise all functions 46759
assigned to it by the Revised Code or rule in the same manner as 46760
any other community school governing authority. 46761

Sec. 3314.029. (A)(1) Notwithstanding anything to the 46762
contrary in this chapter, but subject to division (A) of section 46763
3314.013 of the Revised Code, any person, group of individuals, or 46764
entity may apply to the department of education for direct 46765
authorization to establish a community school and, upon approval 46766
of the application, may establish and operate the school without a 46767
sponsor. Notwithstanding anything to the contrary in this chapter, 46768
the governing authority of an existing community school, upon the 46769
expiration or termination of its contract with the school's 46770
sponsor entered into under section 3314.03 of the Revised Code, 46771
may apply to the department for direct authorization to continue 46772
operating the school and, upon approval of the application, may 46773
continue to operate the school without a sponsor. Each application 46774
submitted to the department shall include both of the following: 46775

(a) Evidence that the applicant will be able to comply with 46776
division (C) of this section; 46777

(b) A statement indicating that the applicant agrees to 46778
comply with all applicable provisions of this chapter. 46779

(2) The department shall approve each application submitted 46780
under division (A)(1) of this section, unless, within thirty days 46781
after receipt of the application, the department determines that 46782
the application does not satisfy the requirements of that division 46783
and provides the applicant a written explanation of the reasons 46784
for the determination. In that case, the department shall grant 46785
the applicant thirty days to correct the insufficiencies in the 46786

application. If the department determines that the insufficiencies 46787
have been corrected, it shall approve the application. If the 46788
department determines that the insufficiencies have not been 46789
corrected, it shall deny the application and provide the applicant 46790
with a written explanation of the reasons for the denial. The 46791
denial of an application may be appealed in accordance with 46792
section 119.12 of the Revised Code. 46793

(3) An unlimited number of applications may be submitted and 46794
approved under division (A) of this section. 46795

(B) The department and the governing authority of each 46796
community school authorized under this section shall enter into a 46797
contract under section 3314.03 of the Revised Code, except that 46798
the contract shall not be required to specify the provisions of 46799
divisions (A)(4), (5), (16), (18), (20), (23), and (24) of that 46800
section. Notwithstanding division (A)(13) of that section, the 46801
contract may begin at any time during the academic year and the 46802
length of the initial contract may be for any term up to fifteen 46803
years. The contract may be renewed in accordance with division (E) 46804
of that section. The contract shall not provide for the school's 46805
governing authority to make any payments to the department. 46806

(C) A community school authorized under this section shall 46807
post and file with the superintendent of public instruction a bond 46808
payable to the state in the amount of one million dollars or file 46809
with the state superintendent a guarantee in the amount of one 46810
million dollars issued by an entity with a certified net worth of 46811
at least five million dollars. The bond or guarantee shall be used 46812
to pay the state any moneys owed by the community school in the 46813
event the school closes. 46814

(D) A community school sponsored by an entity described in 46815
division (C)(1) of section 3314.02 of the Revised Code may merge 46816

and the student has commenced participation in learning 47833
opportunities as defined in the contract with the sponsor, or 47834

thirty days prior to the date on which the student is entered into 47835
the education management information system established under 47836

number of days, is of the total learning opportunities offered by 47865

the community school to a student who attends for the school's 47866

hours or days of learning opportunities, each community school 47871
shall offer not less than nine hundred twenty hours of learning 47872

school's operation, damage to a school building, or other 47880

school building unfit for school use, so long as the school was 47882
actually open for instruction with students in attendance during 47883
that school year for not less than the minimum number of hours 47884
required by this chapter. The department shall treat the school as 47885
if it were open for instruction with students in attendance during 47886
the hours or days waived under this division. 47887

(M) The department of education shall reduce the amounts paid 47888
under division (D) of this section to reflect payments made to 47889
colleges under division (B) of section 3365.07 of the Revised Code 47890
or through alternative funding agreements entered into under rules 47891
adopted under section 3365.12 of the Revised Code. 47892

department shall reduce the amounts otherwise payable under 47909
division (D) of this section to any community school that includes 47910
in its program the provision of computer hardware and software 47911
materials to any student, if such hardware and software materials 47912
have not been delivered, installed, and activated for each such 47913
student in a timely manner or other educational materials or 47914
services have not been provided according to the contract between 47915
the individual community school and its sponsor. 47916

The superintendent of public instruction and the auditor of 47917
state shall jointly establish a method for auditing any community 47918
school to which this division pertains to ensure compliance with 47919
this section. 47920

jointly make recommendations to the general assembly for 47922
legislative changes that may be required to assure fiscal and 47923
academic accountability for such schools. 47924

(O)(1) If the department determines that a review of a 47925
community school's enrollment is necessary, such review shall be 47926
completed and written notice of the findings shall be provided to 47927
the governing authority of the community school and its sponsor 47928

year, unless extended for a period not to exceed thirty additional 47930
days for one of the following reasons: 47931

(a) The department and the community school mutually agree to 47932
the extension. 47933

(b) Delays in data submission caused by either a community 47934
school or its sponsor. 47935

(2) If the review results in a finding that additional 47936
funding is owed to the school, such payment shall be made within 47937
thirty days of the written notice. If the review results in a 47938
finding that the community school owes moneys to the state, the 47939
following procedure shall apply: 47940

(a) Within ten business days of the receipt of the notice of 47941
findings, the community school may appeal the department's 47942
determination to the state board of education or its designee. 47943

(b) The board or its designee shall conduct an informal 47944
hearing on the matter within thirty days of receipt of such an 47945
appeal and shall issue a decision within fifteen days of the 47946
conclusion of the hearing. 47947

(c) If the board has enlisted a designee to conduct the 47948
hearing, the designee shall certify its decision to the board. The 47949
board may accept the decision of the designee or may reject the 47950
decision of the designee and issue its own decision on the matter. 47951

(d) Any decision made by the board under this division is 47952

the superintendent of public instruction. 47957

(P) The department shall not subtract from a school 47958

waiver from the requirement to take the assessment and a parent is 47971
not paying tuition for the student pursuant to section 3314.26 of 47972

Sec. 3314.091. (A) A school district is not required to 48075
provide transportation for any native student enrolled in a 48076
community school if the district board of education has entered 48077
into an agreement with the community school's governing authority 48078
that designates the community school as responsible for providing 48079
or arranging for the transportation of the district's native 48080
students to and from the community school. For any such agreement 48081

to be effective, it must be certified by the superintendent of 48082
public instruction as having met all of the following 48083
requirements: 48084

(1) It is submitted to the department of education by a 48085
deadline which shall be established by the department. 48086

(2) In accordance with divisions (C)(1) and (2) of this 48087
section, it specifies qualifications, such as residing a minimum 48088
distance from the school, for students to have their 48089
transportation provided or arranged. 48090

(3) The transportation provided by the community school is 48091
subject to all provisions of the Revised Code and all rules 48092
adopted under the Revised Code pertaining to pupil transportation. 48093

(4) The sponsor of the community school also has signed the 48094
agreement. 48095

(B)(1) For the school year that begins on July 1, 2007, a 48096
school district is not required to provide transportation for any 48097
native student enrolled in a community school, if the community 48098
school during the previous school year transported the students 48099
enrolled in the school or arranged for the students' 48100
transportation, even if that arrangement consisted of having 48101
parents transport their children to and from the school, but did 48102
not enter into an agreement to transport or arrange for 48103
transportation for those students under division (A) of this 48104
section, and if the governing authority of the community school by 48105
July 15, 2007, submits written notification to the district board 48106
of education stating that the governing authority is accepting 48107
responsibility for providing or arranging for the transportation 48108
of the district's native students to and from the community 48109
school. 48110

(2) For any school year subsequent to the school year that 48111
begins on July 1, 2007, a school district is not required to 48112

provide transportation for any native student enrolled in a 48113
community school if the governing authority of the community 48114
school, by the thirty-first day of January of the previous school 48115
year, submits written notification to the district board of 48116
education stating that the governing authority is accepting 48117
responsibility for providing or arranging for the transportation 48118
of the district's native students to and from the community 48119
school. If the governing authority of the community school has 48120
previously accepted responsibility for providing or arranging for 48121
the transportation of a district's native students to and from the 48122
community school, under division (B)(1) or (2) of this section, 48123
and has since relinquished that responsibility under division 48124
(B)(3) of this section, the governing authority shall not accept 48125
that responsibility again unless the district board consents to 48126
the governing authority's acceptance of that responsibility. 48127

(3) A governing authority's acceptance of responsibility 48128
under division (B)(1) or (2) of this section shall cover an entire 48129
school year, and shall remain in effect for subsequent school 48130
years unless the governing authority submits written notification 48131
to the district board that the governing authority is 48132
relinquishing the responsibility. However, a governing authority 48133
shall not relinquish responsibility for transportation before the 48134
end of a school year, and shall submit the notice relinquishing 48135
responsibility by the thirty-first day of January, in order to 48136
allow the school district reasonable time to prepare 48137
transportation for its native students enrolled in the school. 48138

(C)(1) A community school governing authority that enters 48139
into an agreement under division (A) of this section, or that 48140
accepts responsibility under division (B) of this section, shall 48141
provide or arrange transportation free of any charge for each of 48142
its enrolled students who is required to be transported under 48143
section 3327.01 of the Revised Code or who would otherwise be 48144

transported by the school district under the district's 48145
transportation policy. The governing authority shall report to the 48146
department of education the number of students transported or for 48147
whom transportation is arranged under this section in accordance 48148
with rules adopted by the state board of education. 48149

(2) The governing authority may provide or arrange 48150
transportation for any other enrolled student who is not eligible 48151
for transportation in accordance with division (C)(1) of this 48152
section and may charge a fee for such service up to the actual 48153
cost of the service. 48154

(3) Notwithstanding anything to the contrary in division 48155
(C)(1) or (2) of this section, a community school governing 48156
authority shall provide or arrange transportation free of any 48157
charge for any disabled student enrolled in the school for whom 48158
the student's individualized education program developed under 48159
Chapter 3323. of the Revised Code specifies transportation. 48160

(D)(1) If a school district board and a community school 48161
governing authority elect to enter into an agreement under 48162
division (A) of this section, the department of education shall 48163
make payments to the community school according to the terms of 48164
the agreement for each student actually transported under division 48165
(C)(1) of this section. 48166

If a community school governing authority accepts 48167
transportation responsibility under division (B) of this section, 48168
the department shall make payments to the community school for 48169
each student actually transported or for whom transportation is 48170
arranged by the community school under division (C)(1) of this 48171
section, calculated as follows: 48172

(a) For any fiscal year which the general assembly has 48173
specified that transportation payments to school districts be 48174
based on an across-the-board percentage of the district's payment 48175

for the previous school year, the per pupil payment to the 48176
community school shall be the following quotient: 48177

(i) The total amount calculated for the school district in 48178
which the child is entitled to attend school for student 48179
transportation other than transportation of children with 48180
disabilities; divided by 48181

(ii) The number of students included in the district's 48182
transportation ADM for the current fiscal year, as reported under 48183
division (B)(13) of section 3317.03 of the Revised Code, plus the 48184
number of students enrolled in the community school not counted in 48185
the district's transportation ADM who are transported under 48186
division (B)(1) or (2) of this section. 48187

(b) For any fiscal year which the general assembly has 48188
specified that the transportation payments to school districts be 48189
calculated in accordance with section ~~3306.12~~ 3317.0212 of the 48190
Revised Code and any rules of the state board of education 48191
implementing that section, the payment to the community school 48192
shall be the amount so calculated that otherwise would be paid to 48193
the school district in which the student is entitled to attend 48194
school by the method of transportation the district would have 48195
used. The community school, however, is not required to use the 48196
same method to transport that student. 48197

(c) Divisions (D)(1)(a) and (b) of this section do not apply 48198
to fiscal years 2012 and 2013. Rather, for each of those fiscal 48199
years, the per pupil payment to a community school for 48200
transporting a student shall be the total amount paid under former 48201
section 3306.12 of the Revised Code for fiscal year 2011 to the 48202
school district in which the child is entitled to attend school 48203
divided by that district's "qualifying ridership," as defined in 48204
that section for fiscal year 2011. 48205

As used in this division "entitled to attend school" means 48206

entitled to attend school under section 3313.64 or 3313.65 of the Revised Code. 48207
48208

(2) The department shall deduct the payment under division (D)(1) of this section from the state education aid, as defined in section 3314.08 of the Revised Code, and, if necessary, the payment under sections 321.14 and 323.156 of the Revised Code, that is otherwise paid to the school district in which the student enrolled in the community school is entitled to attend school. The department shall include the number of the district's native students for whom payment is made to a community school under division (D)(1) of this section in the calculation of the district's transportation payment under section ~~3306.12~~ 3317.0212 of the Revised Code and the operating appropriations act. 48209

(3) A community school shall be paid under division (D)(1) of this section only for students who are eligible as specified in section 3327.01 of the Revised Code and division (C)(1) of this section, and whose transportation to and from school is actually provided, who actually utilized transportation arranged, or for whom a payment in lieu of transportation is made by the community school's governing authority. To qualify for the payments, the community school shall report to the department, in the form and manner required by the department, data on the number of students transported or whose transportation is arranged, the number of miles traveled, cost to transport, and any other information requested by the department. 48220

under this section is subject to all provisions of the Revised 48241
Code, and all rules adopted under the Revised Code, pertaining to 48242
the construction, design, equipment, and operation of school buses 48243

A school district providing a leave of absence and employee 48427

any action of that person while the person is on such leave and 48429

employed by a community school. 48430

Sec. 3314.13. Payments and deductions under this section for 48431
fiscal years ~~2010~~ 2012 and ~~2011~~ 2013 shall be made in accordance 48432
with section 3314.088 of the Revised Code. 48433

of section 3317.029 of the Revised Code, the department shall 48454
deduct the payment to the community school under this section from 48455

school district does not receive payment for all-day kindergarten 48457
under that division because it does not provide all-day 48458

Sec. 3314.22. (A)(1) Each household with a child enrolled in 48530
an internet- or computer-based community school is entitled to a 48531
at least one computer supplied by the school; however, if there 48532
are at least three children enrolled in an internet- or 48533
computer-based community school residing in the same household, 48534
the household shall be entitled to at least one additional 48535
computer supplied by the school. However, the parent of any child 48536
enrolled in the school may waive this entitlement in the manner 48537
specified in division (A)~~(3)~~(2) of this section. In no case shall 48538
an internet- or computer-based community school provide a stipend 48539
or other substitute to the household of an enrolled child ~~or the~~ 48540
~~child's parent~~ in lieu of supplying a computer ~~to the child~~ or 48541
computers to the household as required by this section. The 48542
~~prohibition contained in the preceding sentence is intended to~~ 48543
~~clarify the meaning of this division as it existed prior to~~ 48544
~~September 29, 2005, and is not intended to change that meaning in~~ 48545
~~any way.~~ 48546

(2) ~~Notwithstanding division (A)(1) of this section, if more~~ 48547
~~than one child living in a single residence is enrolled in an~~ 48548
~~internet- or computer-based community school, at the option of the~~ 48549
~~parent of those children, the school may supply less than one~~ 48550

~~computer per child, as long as at least one computer is supplied 48551
to the residence. An internet or computer based community school 48552
may supply no computer at all only if the parent has waived the 48553
entitlement prescribed in division (A)(1) of this section in the 48554
manner specified in division (A)(3) of this section. The parent 48555
may amend the decision to accept less than one computer per child 48556
anytime during the school year, and, in such case, within thirty 48557
days after the parent notifies the school of such amendment, the 48558
school shall provide any additional computers requested by the 48559
parent up to the number necessary to comply with division (A)(1) 48560
of this section. 48561~~

~~(3) The parent of any child enrolled in an internet- or 48562
computer-based community school may waive the entitlement to one 48563
computer per child, and have no computer at all supplied by the 48564
school a computer or computers as specified in division (A)(1) of 48565
this section, if the school and parent set forth that waiver in 48566
writing with both parties attesting that there is a computer 48567
available to the child in the child's residence with sufficient 48568
hardware, software, programming, and connectivity so that the 48569
child may fully participate in all of the learning opportunities 48570
offered to the child by the school. The parent may amend the 48571
decision to waive the entitlement at any time during the school 48572
year and, in such case, within thirty days after the parent 48573
notifies the school of that decision, the school shall provide any 48574
additional computers requested by the parent up to the number 48575
necessary to comply with division (A)(1) of this section, 48576
regardless of whether there is any change in the conditions 48577
attested to in the waiver. 48578~~

~~(4)(3) A copy of a waiver executed under division (A)(3)(2) 48579
of this section shall be retained by the internet- or 48580
computer-based community school and the parent who attested to the 48581
conditions prescribed in that division. The school shall submit a 48582~~

copy of the waiver to the office of community schools, established 48583
under section 3314.11 of the Revised Code, immediately upon 48584
execution of the waiver. 48585

~~(5)(4)~~ The school shall notify the office of community 48586
schools, in the manner specified by the office, ~~of any parent's~~ 48587
~~decision under division (A)(2) of this section to accept less than~~ 48588
~~one computer per child or the parent's amendment to that decision,~~ 48589
and of any parent's decision to amend the waiver executed under 48590
division (A)~~(3)~~(2) of this section. 48591

(B) Each internet- or computer-based community school shall 48592
provide to each parent who is considering enrolling the parent's 48593
child in the school and to the parent of each child already 48594
enrolled in the school a written notice of the provisions 48595
prescribed in division (A) of this section. 48596

(C) If a community school that is not an internet- or 48597
computer-based community school provides any of its enrolled 48598
students with nonclassroom-based learning opportunities provided 48599
via an internet- or other computer-based instructional method and 48600
requires such students to participate in any of those learning 48601
opportunities from their residences, the school shall be subject 48602
to this section and division (C)(1) of section 3314.21 of the 48603
Revised Code relative to each such student in the same manner as 48604
an internet- or computer-based community school, unless both of 48605
the following conditions apply to the student: 48606

(1) The nonclassroom-based learning opportunities in which 48607
the student is required to participate from the student's 48608
residence are supplemental in nature or do not constitute a 48609
significant portion of the total classroom-based and 48610
nonclassroom-based learning opportunities provided to the student 48611
by the school; 48612

(2) The student's residence is equipped with a computer 48613

available for the student's use. 48614

Sec. 3314.26. (A) Each internet- or computer-based community 48615
school shall withdraw from the school any student who, for two 48616
consecutive school years, has failed to participate in the spring 48617
administration of any assessment prescribed under section 48618
3301.0710 or 3301.0712 of the Revised Code for the student's grade 48619
level and was not excused from the assessment pursuant to division 48620
(C)(1) or (3) of section 3301.0711 of the Revised Code, regardless 48621
of whether a waiver was granted for the student under division 48622
(P)(3) of section 3314.08 of the Revised Code. The school shall 48623
report any such student's data verification code, as assigned 48624
pursuant to section 3301.0714 of the Revised Code, to the 48625
department of education. The department shall maintain a list of 48626
all data verification codes reported under this division and 48627
section 3313.6410 of the Revised Code and provide that list to 48628
each internet- or computer-based community school and to each 48629
school to which section 3313.6410 of the Revised Code applies. 48630
Each internet- or computer-based school shall withdraw a student 48631
under this section not later than the end of the second 48632
consecutive school year in which the student has failed to 48633
participate in the spring administration of assessments as 48634
specified under this section. 48635

(B) No internet- or computer-based community school shall 48636
receive any state funds under this chapter for any enrolled 48637
student whose data verification code appears on the list 48638
maintained by the department under division (A) of this section. 48639

Notwithstanding any provision of the Revised Code to the 48640
contrary, the parent of any such student shall pay tuition to the 48641
internet- or computer-based community school in an amount equal to 48642
the state funds the school otherwise would receive for that 48643
student, as determined by the department. An internet- or 48644

computer-based community school may withdraw any student for whom 48645
the parent does not pay tuition as required by this division. 48646

Sec. 3316.041. (A) Notwithstanding any provision of Chapter 133. or sections 3313.483 to 3313.4811 of the Revised Code, and subject to the approval of the superintendent of public instruction, a school district that is in a state of fiscal watch 48852
48853
48854
48855

declared under section 3316.03 of the Revised Code may restructure 48856
or refinance loans obtained or in the process of being obtained 48857
under section 3313.483 of the Revised Code if all of the following 48858
requirements are met: 48859

(1) The operating deficit certified for the school district 48860
for the current or preceding fiscal year under section 3313.483 of 48861
the Revised Code exceeds fifteen per cent of the district's 48862
general revenue fund for the fiscal year preceding the year for 48863
which the certification of the operating deficit is made. 48864

(2) The school district voters have, during the period of the 48865

not a renewal or replacement levy, or a levy under section 48868
5705.199 of the Revised Code, and that will provide new operating 48869

(3) The board of education of the school district has adopted 48871
or amended the financial plan required by section 3316.04 of the 48872

sets forth the means by which the district will bring projected 48874
operating revenues and expenditures, and projected debt service 48875
obligations, into balance for the life of any such loan. 48876

(B) Subject to the approval of the superintendent of public 48877
instruction, the school district may issue securities to evidence 48878
the restructuring or refinancing authorized by this section. Such 48879
securities may extend the original period for repayment not to 48880
exceed ten years, and may alter the frequency and amount of 48881
repayments, interest or other financing charges, and other terms 48882
or agreements under which the loans were originally contracted, 48883
provided the loans received under sections 3313.483 of the Revised 48884
Code are repaid from funds the district would otherwise receive 48885
under Chapter ~~3306~~. 3317, of the Revised Code, as required under 48886
division (E)(3) of section 3313.483 of the Revised Code. 48887

Securities issued for the purpose of restructuring or refinancing 48888
under this section shall be repaid in equal payments and at equal 48889
intervals over the term of the debt and are not eligible to be 48890
included in any subsequent proposal to restructure or refinance. 48891

(C) Unless the district is declared to be in a state of 48892
fiscal emergency under division (D) of section 3316.04 of the 48893
Revised Code, a school district shall remain in a state of fiscal 48894
watch for the duration of the repayment period of any loan 48895
restructured or refinanced under this section. 48896

Sec. 3316.06. (A) Within one hundred twenty days after the 48897
first meeting of a school district financial planning and 48898
supervision commission, the commission shall adopt a financial 48899
recovery plan regarding the school district for which the 48900
commission was created. During the formulation of the plan, the 48901
commission shall seek appropriate input from the school district 48902
board and from the community. This plan shall contain the 48903
following: 48904

(1) Actions to be taken to: 48905

(a) Eliminate all fiscal emergency conditions declared to 48906
exist pursuant to division (B) of section 3316.03 of the Revised 48907
Code; 48908

(b) Satisfy any judgments, past-due accounts payable, and all 48909

be forgiven; 48914

(d) Restore to special funds any moneys from such funds that 48915
were used for purposes not within the purposes of such funds, or 48916
borrowed from such funds by the purchase of debt obligations of 48917

the school district with the moneys of such funds, or missing from 48918
the special funds and not accounted for, if any; 48919

(e) Balance the budget, avoid future deficits in any funds, 48920
and maintain on a current basis payments of payroll, fringe 48921
benefits, and all accounts; 48922

(f) Avoid any fiscal emergency condition in the future; 48923

(g) Restore the ability of the school district to market 48924
long-term general obligation bonds under provisions of law 48925
applicable to school districts generally. 48926

(2) The management structure that will enable the school 48927
district to take the actions enumerated in division (A)(1) of this 48928
section. The plan shall specify the level of fiscal and management 48929
control that the commission will exercise within the school 48930
district during the period of fiscal emergency, and shall 48931
enumerate respectively, the powers and duties of the commission 48932
and the powers and duties of the school board during that period. 48933
The commission may elect to assume any of the powers and duties of 48934
the school board it considers necessary, including all powers 48935
related to personnel, curriculum, and legal issues in order to 48936
successfully implement the actions described in division (A)(1) of 48937
this section. 48938

(3) The target dates for the commencement, progress upon, and 48939
completion of the actions enumerated in division (A)(1) of this 48940
section and a reasonable period of time expected to be required to 48941
implement the plan. The commission shall prepare a reasonable time 48942
schedule for progress toward and achievement of the requirements 48943
for the plan, and the plan shall be consistent with that time 48944
schedule. 48945

(4) The amount and purpose of any issue of debt obligations 48946
that will be issued, together with assurances that any such debt 48947
obligations that will be issued will not exceed debt limits 48948

supported by appropriate certifications by the fiscal officer of 48949
the school district and the county auditor. Debt obligations 48950
issued pursuant to section 133.301 of the Revised Code shall 48951
include assurances that such debt shall be in an amount not to 48952
exceed the amount certified under division (B) of such section. If 48953
the commission considers it necessary in order to maintain or 48954
improve educational opportunities of pupils in the school 48955
district, the plan may include a proposal to restructure or 48956
refinance outstanding debt obligations incurred by the board under 48957
section 3313.483 of the Revised Code contingent upon the approval, 48958
during the period of the fiscal emergency, by district voters of a 48959
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 48960
5748.02, or 5748.08 of the Revised Code that is not a renewal or 48961
replacement levy, or a levy under section 5705.199 of the Revised 48962
Code, and that will provide new operating revenue. Notwithstanding 48963
any provision of Chapter 133. or sections 3313.483 to 3313.4811 of 48964
the Revised Code, following the required approval of the district 48965
voters and with the approval of the commission, the school 48966
district may issue securities to evidence the restructuring or 48967
refinancing. Those securities may extend the original period for 48968
repayment, not to exceed ten years, and may alter the frequency 48969
and amount of repayments, interest or other financing charges, and 48970
other terms of agreements under which the debt originally was 48971
contracted, at the discretion of the commission, provided that any 48972
loans received pursuant to section 3313.483 of the Revised Code 48973
shall be paid from funds the district would otherwise receive 48974
under Chapter ~~3306-~~ 3317. of the Revised Code, as required under 48975
division (E)(3) of section 3313.483 of the Revised Code. The 48976
securities issued for the purpose of restructuring or refinancing 48977
the debt shall be repaid in equal payments and at equal intervals 48978
over the term of the debt and are not eligible to be included in 48979
any subsequent proposal for the purpose of restructuring or 48980
refinancing debt under this section. 48981

(B) Any financial recovery plan may be amended subsequent to 48982
its adoption. Each financial recovery plan shall be updated 48983
annually. 48984

(C) Each school district financial planning and supervision 48985
commission shall submit the financial recovery plan it adopts or 48986
updates under this section to the state superintendent of public 48987
instruction for approval immediately following its adoption or 48988
updating. The state superintendent shall evaluate the plan and 48989
either approve or disapprove it within thirty calendar days from 48990
the date of its submission. If the plan is disapproved, the state 48991
superintendent shall recommend modifications that will render it 48992
acceptable. No financial planning and supervision commission shall 48993
implement a financial recovery plan that is adopted or updated on 48994
or after April 10, 2001, unless the state superintendent has 48995
approved it. 48996

Sec. 3316.20. (A)(1) The school district solvency assistance 48997
fund is hereby created in the state treasury, to consist of such 48998
amounts designated for the purposes of the fund by the general 48999
assembly. The fund shall be used to provide assistance and grants 49000
to school districts to enable them to remain solvent and to pay 49001
unforeseeable expenses of a temporary or emergency nature that 49002
they are unable to pay from existing resources. 49003

(2) There is hereby created within the fund an account known 49004
as the school district shared resource account, which shall 49005
consist of money appropriated to it by the general assembly. The 49006
money in the account shall be used solely for solvency assistance 49007
to school districts that have been declared under division (B) of 49008
section 3316.03 of the Revised Code to be in a state of fiscal 49009
emergency. 49010

(3) There is hereby created within the fund an account known 49011
as the catastrophic expenditures account, which shall consist of 49012

money appropriated to the account by the general assembly plus all 49013
investment earnings of the fund. Money in the account shall be 49014
used solely for the following: 49015

(a) Solvency assistance to school districts that have been 49016
declared under division (B) of section 3316.03 of the Revised Code 49017
to be in a state of fiscal emergency, in the event that all money 49018
in the shared resource account is utilized for solvency 49019
assistance; 49020

(b) Grants to school districts under division (C) of this 49021
section. 49022

(B) Solvency assistance payments under division (A)(2) or 49023
(3)(a) of this section shall be made from the fund by the 49024
superintendent of public instruction in accordance with rules 49025
adopted by the director of budget and management, after consulting 49026
with the superintendent, specifying approval criteria and 49027
procedures necessary for administering the fund. 49028

The fund shall be reimbursed for any solvency assistance 49029
amounts paid under division (A)(2) or (3)(a) of this section not 49030
later than the end of the second fiscal year following the fiscal 49031
year in which the solvency assistance payment was made. If not 49032
made directly by the school district, such reimbursement shall be 49033
made by the director of budget and management from the amounts the 49034
school district would otherwise receive pursuant to Chapter ~~3306-~~ 49035
3317 of the Revised Code, or from any other funds appropriated 49036
for the district by the general assembly. Reimbursements shall be 49037
credited to the respective account from which the solvency 49038
assistance paid to the district was deducted. 49039

(C) The superintendent of public instruction may make 49040
recommendations, and the controlling board may grant money from 49041
the catastrophic expenditures account to any school district that 49042
suffers an unforeseen catastrophic event that severely depletes 49043

the district's financial resources. The superintendent shall make 49044
recommendations for the grants in accordance with rules adopted by 49045
the director of budget and management, after consulting with the 49046
superintendent. A school district shall not be required to repay 49047
any grant awarded to the district under this division, unless the 49048
district receives money from this state or a third party, 49049
including an agency of the government of the United States, 49050
specifically for the purpose of compensating the district for 49051
revenue lost or expenses incurred as a result of the unforeseen 49052
catastrophic event. If a school district receives a grant from the 49053
catastrophic expenditures account on the basis of the same 49054
circumstances for which an adjustment or recomputation is 49055
authorized under section 3317.025, 3317.026, 3317.027, 3317.028, 49056
3317.0210, or 3317.0211 of the Revised Code, the department of 49057
education shall reduce the adjustment or recomputation by an 49058
amount not to exceed the total amount of the grant, and an amount 49059
equal to the reduction shall be transferred, from the funding 49060
source from which the adjustment or recomputation would be paid, 49061
to the catastrophic expenditures account. Any adjustment or 49062
recomputation under such sections that is in excess of the total 49063
amount of the grant shall be paid to the school district. 49064

Sec. 3316.21. (A) If a school district has been declared to 49065
be in a state of fiscal emergency by the auditor of state under 49066
section 3316.03 of the Revised Code, and if the auditor of state 49067
has further determined upon examination of the district's 49068
financial recovery plan that implementing that plan cannot 49069
reasonably be expected to correct and eliminate all of the 49070
district's fiscal emergency conditions within five fiscal years, 49071
the auditor of state shall notify the superintendent of public 49072
instruction of that determination. 49073

(B) Not later than ninety days after the state superintendent 49074
receives the auditor of state's notification under division (A) of 49075

this section, the state superintendent shall develop an operations 49076
plan for the district and submit that plan to the state board of 49077
education for approval. Upon approval of the plan, the state board 49078
shall suspend the charter of the district and shall take over the 49079
operation of the district. The state board shall continue to 49080
operate the school district until such time as the district's 49081
board and its financial planning and supervision commission submit 49082
an acceptable financial recovery plan to the state superintendent 49083
and the auditor of state has determined that the district does 49084
have a plan that can reasonably be expected to correct and 49085
eliminate the district's fiscal emergency conditions within five 49086
fiscal years. 49087

(C) While the state board is operating the district, all of 49088
the following apply: 49089

(1) The state board shall exercise all powers granted to the 49090
school district board under the Revised Code for management and 49091
control of the schools of the district, except for the power to 49092
propose property tax or school district income tax levies under 49093
Title LVII of the Revised Code, and shall carry out such powers in 49094
the place of the district board. 49095

(2) Subject to approval of the state board, the district 49096
board shall continue to propose tax levies necessary to operate 49097
the district and to resolve the district's fiscal emergency 49098
conditions. 49099

(3) Employees and officers of the district shall be deemed 49100
employees of the state board. 49101

(4) The state board may delegate any management and control 49102
functions of the district to the district's financial planning and 49103
supervision commission. 49104

(5) The state board shall not revoke the charter of the 49105
district or transfer its territory to other districts. 49106

Sec. 3317.01. As used in this section ~~and section 3317.011 of~~ 49107
~~the Revised Code,~~ "school district," unless otherwise specified, 49108
means any city, local, exempted village, joint vocational, or 49109
cooperative education school district and any educational service 49110
center. 49111

This chapter shall be administered by the state board of 49112
education. The superintendent of public instruction shall 49113
calculate the amounts payable to each school district and shall 49114
certify the amounts payable to each eligible district to the 49115
treasurer of the district as provided by this chapter. As soon as 49116
possible after such amounts are calculated, the superintendent 49117
shall certify to the treasurer of each school district the 49118
district's adjusted charge-off increase, as defined in section 49119
5705.211 of the Revised Code. No moneys shall be distributed 49120
pursuant to this chapter without the approval of the controlling 49121
board. 49122

The state board of education shall, in accordance with 49123
appropriations made by the general assembly, meet the financial 49124
obligations of this chapter. 49125

Moneys distributed pursuant to this chapter shall be 49126
calculated and paid on a fiscal year basis, beginning with the 49127
first day of July and extending through the thirtieth day of June. 49128
The moneys appropriated for each fiscal year shall be distributed 49129
periodically to each school district unless otherwise provided 49130
for. The state board, in June of each year, shall submit ~~a yearly~~ 49131
~~distribution plan~~ to the controlling board ~~at its first meeting in~~ 49132
~~July. The state board shall submit any proposed midyear revision~~ 49133
~~of the plan to the controlling board in January. Any year end~~ 49134
~~revision of the plan shall be submitted to the controlling board~~ 49135
~~in June. If moneys appropriated for each fiscal year are~~ 49136
~~distributed other than monthly, such distribution shall be on the~~ 49137

~~same basis for each school district the state board's year-end~~ 49138
~~distributions pursuant to this chapter.~~ 49139

Except as otherwise provided, payments under this chapter 49140
shall be made only to those school districts in which: 49141

(A) The school district, except for any educational service 49142
center and any joint vocational or cooperative education school 49143
district, levies for current operating expenses at least twenty 49144
mills. Levies for joint vocational or cooperative education school 49145
districts or county school financing districts, limited to or to 49146
the extent apportioned to current expenses, shall be included in 49147
this qualification requirement. School district income tax levies 49148
under Chapter 5748. of the Revised Code, limited to or to the 49149
extent apportioned to current operating expenses, shall be 49150
included in this qualification requirement to the extent 49151
determined by the tax commissioner under division (D) of section 49152
3317.021 of the Revised Code. 49153

(B) The school year next preceding the fiscal year for which 49154
such payments are authorized meets the requirement of section 49155
3313.48 or 3313.481 of the Revised Code, with regard to the 49156
minimum number of days or hours school must be open for 49157
instruction with pupils in attendance, for individualized 49158
parent-teacher conference and reporting periods, and for 49159
professional meetings of teachers. This requirement shall be 49160
waived by the superintendent of public instruction if it had been 49161
necessary for a school to be closed because of disease epidemic, 49162
hazardous weather conditions, inoperability of school buses or 49163
other equipment necessary to the school's operation, damage to a 49164
school building, or other temporary circumstances due to utility 49165
failure rendering the school building unfit for school use, 49166
provided that for those school districts operating pursuant to 49167
section 3313.48 of the Revised Code the number of days the school 49168
was actually open for instruction with pupils in attendance and 49169

for individualized parent-teacher conference and reporting periods 49170
is not less than one hundred seventy-five, or for those school 49171
districts operating on a trimester plan the number of days the 49172
school was actually open for instruction with pupils in attendance 49173
not less than seventy-nine days in any trimester, for those school 49174
districts operating on a quarterly plan the number of days the 49175
school was actually open for instruction with pupils in attendance 49176
not less than fifty-nine days in any quarter, or for those school 49177
districts operating on a pentamester plan the number of days the 49178
school was actually open for instruction with pupils in attendance 49179
not less than forty-four days in any pentamester. 49180

A school district shall not be considered to have failed to 49181
comply with this division or section 3313.481 of the Revised Code 49182
because schools were open for instruction but either twelfth grade 49183
students were excused from attendance for up to three days or only 49184
a portion of the kindergarten students were in attendance for up 49185
to three days in order to allow for the gradual orientation to 49186
school of such students. 49187

The superintendent of public instruction shall waive the 49188
requirements of this section with reference to the minimum number 49189
of days or hours school must be in session with pupils in 49190
attendance for the school year succeeding the school year in which 49191
a board of education initiates a plan of operation pursuant to 49192
section 3313.481 of the Revised Code. The minimum requirements of 49193
this section shall again be applicable to such a district 49194
beginning with the school year commencing the second July 49195
succeeding the initiation of one such plan, and for each school 49196
year thereafter. 49197

A school district shall not be considered to have failed to 49198
comply with this division or section 3313.48 or 3313.481 of the 49199
Revised Code because schools were open for instruction but the 49200
length of the regularly scheduled school day, for any number of 49201

days during the school year, was reduced by not more than two 49202
hours due to hazardous weather conditions. 49203

~~(C) The school district has on file, and is paying in 49204
accordance with, a teachers' salary schedule which complies with 49205
section 3317.13 of the Revised Code. 49206~~

A board of education or governing board of an educational 49207
service center which has not conformed with other law and the 49208
rules pursuant thereto, shall not participate in the distribution 49209
of funds authorized by ~~sections 3317.022 to 3317.0211, 3317.11, 49210
3317.16, 3317.17, and 3317.19 of the Revised Code~~ this chapter, 49211
except for good and sufficient reason established to the 49212
satisfaction of the state board of education and the state 49213
controlling board. 49214

All funds allocated to school districts under this chapter, 49215
except those specifically allocated for other purposes, shall be 49216
used to pay current operating expenses only. 49217

Sec. 3317.013. Except for a preschool child with a disability 49218
for whom a scholarship has been awarded under section 3310.41 of 49219
the Revised Code, this section does not apply to preschool 49220
children with disabilities. 49221

Analysis of special education cost data has resulted in a 49222
finding that the average special education additional cost per 49223
pupil, including the costs of related services, can be expressed 49224

division (D)(1) or (2) of section 5709.40, division (D) of section 49612
5709.73, or division (C) of section 5709.78 of the Revised Code. 49613

(b) "Other compensation value" means the quotient that 49614
results from dividing (i) the dollar value of compensation 49615
received by the school district during the preceding tax year 49616
pursuant to division (B), (C), or (D) of section 5709.82 of the 49617
Revised Code and the amounts received pursuant to an agreement as 49618
specified in division (D)(2) of section 5709.40, division (D) of 49619
section 5709.73, or division (C) of section 5709.78 of the Revised 49620
Code to the extent those amounts were not previously reported or 49621
included in division (A)(6)(a) of this section, and so that any 49622
such amount is reported only once under division (A)(6)(b) of this 49623
section, in relation to exemptions from taxation granted pursuant 49624
to an ordinance or resolution adopted under division (C) of 49625
section 5709.40, division (C) of section 5709.73, or division (B) 49626

reductions required by section 319.301 of the Revised Code. 49630

(c) The portion of school district compensation value or 49631
other compensation value that was exempted from taxation pursuant 49632

and the legislative authority or board of township trustees or 49635
county commissioners, prior to January 1, 2006, executes a 49636
contract or agreement with a developer, whether for-profit or 49637
not-for-profit, with respect to the development of a project 49638
undertaken or to be undertaken and identified in the ordinance or 49639
resolution, and upon which parcels such project is being, or will 49640
be, undertaken; 49641

(d) The portion of school district compensation value that 49642
was exempted from taxation for the preceding tax year and for 49643

provided to the school district under division (D)(1) of section 49645
5709.40 of the Revised Code. 49646

(e) The portion of school district compensation value that 49647

such an ordinance or resolution, if and to the extent that, on or 49649
before April 1, 2006, the fiscal officer of the municipal 49650
corporation that adopted the ordinance, or of the township or 49651
county that adopted the resolution, certifies and provides 49652
appropriate supporting documentation to the tax commissioner and 49653
the director of development that, based on hold-harmless 49654
provisions in any agreement between the school district and the 49655
legislative authority of the municipal corporation, board of 49656
township trustees, or board of county commissioners that was 49657
entered into on or before June 1, 2005, the ability or obligation 49658
of the municipal corporation, township, or county to repay bonds, 49659
notes, or other financial obligations issued or entered into prior 49660

trustees or county commissioners has entered into an agreement 49664
pertaining to the use of service payments derived from the 49665
improvements exempted; 49666

(f) The portion of school district compensation value that 49667
was exempted from taxation for the preceding tax year pursuant to 49668
such an ordinance or resolution, if the ordinance or resolution is 49669
adopted prior to January 1, 2006, in a municipal corporation with 49670
a population that exceeds one hundred thousand, as shown by the 49671
most recent federal decennial census, that includes a major 49672
employment center and that is adjacent to historically distressed 49673
neighborhoods, if the legislative authority of the municipal 49674
corporation that exempted the property prepares an economic 49675
analysis that demonstrates that all taxes generated within the 49676
incentive district accruing to the state by reason of improvements 49677
constructed within the district during its existence exceed the 49678
amount the state pays the school district under section 3317.022 49679
of the Revised Code attributable to such property exemption from 49680
the school district's recognized valuation. The analysis shall be 49681
submitted to and approved by the department of development prior 49682
to January 1, 2006, and the department shall not unreasonably 49683
withhold approval. 49684

an ordinance or resolution, if the ordinance or resolution is 49687
adopted prior to January 1, 2006, and if service payments have 49688
been pledged to be used for mixed-use riverfront entertainment 49689
development in any county with a population that exceeds six 49690
hundred thousand, as shown by the most recent federal decennial 49691
census; 49692

(h) The portion of school district compensation value that 49693

was exempted from taxation for the preceding tax year under such 49694
an ordinance or resolution, if, prior to January 1, 2006, the 49695
legislative authority of a municipal corporation, board of 49696
township trustees, or board of county commissioners has pledged 49697

Chapter 5512. of the Revised Code; 49700

(i) The portion of school district compensation value that 49701
was exempted from taxation for the preceding tax year under such 49702
an ordinance or resolution if the legislative authority of a 49703
municipal corporation, board of township trustees, or board of 49704
county commissioners have, by January 1, 2006, pledged proceeds 49705
for designated transportation improvement projects that involve 49706
federal funds for which the proceeds are used to meet a local 49707
share match requirement for such funding. 49708

As used in division (A)(6) of this section, "project" has the 49709
same meaning as in section 5709.40 of the Revised Code. 49710

(7) The aggregate value of real property in the school 49711

Code, as indicated on the list of exempted property for the 49716
preceding tax year under section 5713.08 of the Revised Code and 49717
as if such property had been assessed for taxation that year, 49718
minus the product determined by multiplying (a) the aggregate 49719
value of the real property in the school district exempted from 49720
taxation for the preceding tax year under any of the chapters or 49721
sections specified in this division, by (b) a fraction, the 49722
numerator of which is the difference between (i) the amount of 49723
anticipated revenue such school district would have received for 49724
the preceding tax year if the real property exempted from taxation 49725

had not been exempted from taxation and (ii) the aggregate amount 49726
of payments in lieu of taxes on the exempt real property for the 49727
preceding tax year and other compensation received for the 49728
preceding tax year by the school district pursuant to any 49729
agreements entered into on or after January 1, 2006, under section 49730

legislative authority of a political subdivision that acted under 49732
the authority of a chapter or statute specified in this division, 49733
that were entered into in relation to such exemption, and the 49734
denominator of which is the amount of anticipated revenue such 49735
school district would have received in the preceding fiscal year 49736
if the real property exempted from taxation had not been exempted. 49737

(B) On or before the first day of May each year, the tax 49738
commissioner shall certify to the department of education and the 49739
office of budget and management the total taxable real property 49740
value of railroads and, separately, the total taxable tangible 49741
personal property value of all public utilities for the preceding 49742
tax year, by school district and by county of location. 49743

(C) If a public utility has properly and timely filed a 49744
petition for reassessment under section 5727.47 of the Revised 49745
Code with respect to an assessment issued under section 5727.23 of 49746
the Revised Code affecting taxable property apportioned by the tax 49747

utility tangible personal property included in the certification 49749
under divisions (A)(2) and (B) of this section for the school 49750
district shall include only the amount of taxable value on the 49751
basis of which the public utility paid tax for the preceding year 49752
as provided in division (B)(1) or (2) of section 5727.47 of the 49753

immediately request the tax commissioner to determine the extent 49760

under Chapter 5748. of the Revised Code shall be included in 49762
meeting that requirement. Within five days of receiving such a 49763
request from the department, the tax commissioner shall make the 49764
determination required by this division and report the quotient 49765
obtained under division (D)(3) of this section to the department 49766
and the office of budget and management. This quotient represents 49767
the number of mills that the department shall include in 49768
determining whether the district meets the qualification 49769
requirement of ~~division (A)(1) of section 3306.01~~ and division (A) 49770
of section 3317.01 of the Revised Code. 49771

The tax commissioner shall make the determination required by 49772
this division as follows: 49773

(1) Multiply one mill times the total taxable value of the 49774
district as determined in divisions (A)(1) and (2) of this 49775
section; 49776

(2) Estimate the total amount of tax liability for the 49777
current tax year under taxes levied by Chapter 5748. of the 49778

project cost, debt service, or maintenance set-aside associated 49781
with a state-assisted classroom facilities project as authorized 49782
by section 3318.052 of the Revised Code; 49783

(3) Divide the amount estimated under division (D)(2) of this 49784
section by the product obtained under division (D)(1) of this 49785
section. 49786

(E)(1) On or before June 1, 2006, and the first day of April 49787
of each year thereafter, the director of development shall report 49788

to the department of education, the tax commissioner, and the 49789
director of budget and management the total amounts of payments 49790

exemptions from taxation granted pursuant to an ordinance adopted 49796
by the legislative authority of a municipal corporation under 49797
division (C) of section 5709.40 of the Revised Code, or a 49798

village, or joint vocational school district that has entered into 49804
such an agreement shall report to the director of development the 49805
total amounts of such payments the district received for the 49806

education, in accordance with sections 3319.31 and 3319.311 of the 49808
Revised Code, may suspend or revoke the license of a treasurer 49809
found to have willfully reported erroneous, inaccurate, or 49810
incomplete data under this division. 49811

(2) On or before April 1, 2007, and the first day of April of 49812
each year thereafter, the director of development shall report to 49813
the department of education, the tax commissioner, and the 49814
director of budget and management the total amounts of payments 49815
received by each city, local, exempted village, or joint 49816
vocational school district for the preceding tax year pursuant to 49817
divisions (B), (C), and (D) of section 5709.82 of the Revised Code 49818

section. 49998

(D)(1) ~~As used in this division:~~ 49999

~~(a) "Daily bus miles per student" equals the number of bus 50000
miles traveled per day, divided by transportation base. 50001~~

~~(b) "Transportation base" equals total student count as 50002
defined in section 3301.011 of the Revised Code, minus the number 50003
of students enrolled in units for preschool children with 50004
disabilities, plus the number of nonpublic school students 50005~~

~~included in transportation ADM. 50006~~

~~(c) "Transported student percentage" equals transportation 50007
ADM divided by transportation base. 50008~~

~~(d) "Transportation cost per student" equals total operating 50009
costs for board owned or contractor operated school buses divided 50010
by transportation base. 50011~~

~~(2) Analysis of student transportation cost data has resulted 50012
in a finding that an average efficient transportation use cost per 50013
student can be calculated by means of a regression formula that 50014
has as its two independent variables the number of daily bus miles 50015
per student and the transported student percentage. For fiscal 50016
year 1998 transportation cost data, the average efficient 50017
transportation use cost per student is expressed as follows: 50018~~

~~$$51.79027 + (139.62626 \times \text{daily bus miles per student}) +$$
 50019
$$(116.25573 \times \text{transported student percentage})$$
 50020~~

~~The department of education shall annually determine the 50021
average efficient transportation use cost per student in 50022
accordance with the principles stated in division (D)(2) of this 50023
section, updating the intercept and regression coefficients of the 50024
regression formula modeled in this division, based on an annual 50025
statewide analysis of each school district's daily bus miles per 50026
student, transported student percentage, and transportation cost 50027
per student data. The department shall conduct the annual update 50028
using data, including daily bus miles per student, transported 50029
student percentage, and transportation cost per student data, from 50030
the prior fiscal year. The department shall notify the office of 50031
budget and management of such update by the fifteenth day of 50032
February of each year. 50033~~

~~(3) In addition to funds paid under divisions (A), (C), and 50034
(E) of this section, each district with a transported student 50035
percentage greater than zero shall receive a payment equal to a 50036~~

~~percentage of the product of the district's transportation base 50037
from the prior fiscal year times the annually updated average 50038
efficient transportation use cost per student, times an inflation 50039
factor of two and eight tenths per cent to account for the 50040
one year difference between the data used in updating the formula 50041
and calculating the payment and the year in which the payment is 50042
made. The percentage shall be the following percentage of that 50043
product specified for the corresponding fiscal year:~~ 50044

FISCAL YEAR	PERCENTAGE	50045
2000	52.5%	50046
2001	55%	50047
2002	57.5%	50048
2003 and thereafter	The greater of 60% or the 50049 district's state share percentage	

~~The payments made under division (D)(3) of this section each 50050
year shall be calculated based on all of the same prior year's 50051
data used to update the formula. 50052~~

~~(4) In addition to funds paid under divisions (D)(2) and (3) 50053
of this section, a school district shall receive a rough road 50054
subsidy if both of the following apply: 50055~~

~~(a) Its county rough road percentage is higher than the 50056
statewide rough road percentage, as those terms are defined in 50057
division (D)(5) of this section: 50058~~

~~(b) Its district student density is lower than the statewide 50059
student density, as those terms are defined in that division. 50060~~

~~(5) The rough road subsidy paid to each district meeting the 50061
qualifications of division (D)(4) of this section shall be 50062
calculated in accordance with the following formula: 50063~~

~~(per rough mile subsidy X total rough road miles) 50064
X density multiplier 50065~~

where: 50066

(a) ~~"Per rough mile subsidy" equals the amount calculated in accordance with the following formula:~~ 50067
50068
$$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$$

excused pursuant to division (C)(1) or (3) of that section; 51270

(4) Any pupil who has attained the age of twenty-two years, 51271
except for veterans of the armed services whose attendance was 51272

armed forces and who apply for reenrollment in the public school 51275
system of their residence not later than four years after 51276
termination of war or their honorable discharge. 51277

If, however, any veteran described by division (E)(4) of this 51278
section elects to enroll in special courses organized for veterans 51279
for whom tuition is paid under the provisions of federal laws, or 51280
otherwise, that veteran shall not be included in average daily 51281
membership. 51282

Notwithstanding division (E)(3) of this section, the 51283
membership of any school may include a pupil who did not take an 51284
assessment required by section 3301.0711 of the Revised Code if 51285
the superintendent of public instruction grants a waiver from the 51286

determined by dividing the figure representing the sum of the 51295
number of pupils enrolled during each day the school of attendance 51296
is actually open for instruction during the week for which the 51297
average daily membership is being certified by the total number of 51298
days the school was actually open for instruction during that 51299
week. For purposes of state funding, "enrolled" persons are only 51300
those pupils who are attending school, those who have attended 51301

school during the current school year and are absent for 51302
authorized reasons, and those children with disabilities currently 51303
receiving home instruction. 51304

The average daily membership figure of any cooperative 51305
education school district shall be determined in accordance with 51306

for the first full school week in the preceding October, the 51310
superintendent of schools of any city, exempted village, or joint 51311
vocational school district or educational service center shall 51312
certify such increase to the superintendent of public instruction. 51313
Such certification shall be submitted no later than the fifteenth 51314
day of February. For the balance of the fiscal year, beginning 51315
with the February payments, the superintendent of public 51316
instruction shall use the increased formula ADM in calculating or 51317
recalculating the amounts to be allocated in accordance with 51318
section 3317.022 or 3317.16 of the Revised Code. In no event shall 51319
the superintendent use an increased membership certified to the 51320
superintendent after the fifteenth day of February. Division 51321
(F)(1) of this section does not apply after fiscal year 2006. 51322

(2) If on the first school day of April the total number of 51323
classes or units for preschool children with disabilities that are 51324
eligible for approval under division (B) of section 3317.05 of the 51325
Revised Code exceeds the number of units that have been approved 51326
for the year under that division, the superintendent of schools of 51327
any city, exempted village, or cooperative education school 51328
district or educational service center shall make the 51329
certifications required by this section for that day. If the 51330
department determines additional units can be approved for the 51331
fiscal year within any limitations set forth in the acts 51332
appropriating moneys for the funding of such units, the department 51333

shall approve additional units for the fiscal year on the basis of 51334
such average daily membership. For each unit so approved, the 51335
department shall pay an amount computed in the manner prescribed 51336
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 51337

(3) If a student attending a community school under Chapter 51339
3314. or a science, technology, engineering, and mathematics 51340
school established under Chapter 3326. of the Revised Code is not 51341
included in the formula ADM certified for the school district in 51342
which the student is entitled to attend school under section 51343
3313.64 or 3313.65 of the Revised Code, the department of 51344
education shall adjust the formula ADM of that school district to 51345
include the student in accordance with division (C)(2) of this 51346
section, and shall recalculate the school district's payments 51347
under this chapter ~~and Chapter 3306. of the Revised Code~~ for the 51348
entire fiscal year on the basis of that adjusted formula ADM. This 51349
requirement applies regardless of whether the student was 51350
enrolled, as defined in division (E) of this section, in the 51351
community school or the science, technology, engineering, and 51352
mathematics school during the week for which the formula ADM is 51353
being certified. 51354

(4) If a student awarded an educational choice scholarship is 51355
not included in the formula ADM of the school district from which 51356
the department deducts funds for the scholarship under section 51357
3310.08 of the Revised Code, the department shall adjust the 51358
formula ADM of that school district to include the student to the 51359
extent necessary to account for the deduction, and shall 51360
recalculate the school district's payments under this chapter ~~and~~ 51361
~~Chapter 3306. of the Revised Code~~ for the entire fiscal year on 51362
the basis of that adjusted formula ADM. This requirement applies 51363
regardless of whether the student was enrolled, as defined in 51364
division (E) of this section, in the chartered nonpublic school, 51365

the school district, or a community school during the week for 51366
which the formula ADM is being certified. 51367

placed children in the classes; 51396

(b) Certify to the state board, in the manner prescribed by the board, the number of all preschool children with disabilities enrolled as of the first day of December in classes eligible for approval under division (B) of section 3317.05 of the Revised Code, and the number of those classes.

(3)(a) If on the first school day of April the number of classes or units maintained for preschool children with disabilities by the county DD board that are eligible for approval under division (B) of section 3317.05 of the Revised Code is greater than the number of units approved for the year under that division, the superintendent shall make the certification required by this section for that day.

For each unit so approved, the department shall pay an amount computed in the manner prescribed in sections 3317.052 and 3317.053 of the Revised Code.

the department of education. 51432

subsequently determines that the remittal of moneys leaves the 51855
board with insufficient money to pay all valid expenses incurred 51856
under this section during the biennium for which the remitted 51857
money was appropriated, the board may apply to the department of 51858
education for a refund of money, not to exceed the amount of the 51859

licensed employee, the number of months such licensed employee is 51886

~~No school bus subsidy payments shall be paid to any district unless such district can demonstrate that pupils residing more than one mile from the school could not be transported without such additional aid.~~

~~The amount paid to a county DD board for buses purchased for transportation of children in special education programs operated by the board shall be based on a per pupil allocation for eligible students.~~

~~The amount paid to a school district for buses purchased for transportation of pupils with disabilities and nonpublic school pupils shall be determined by a per pupil allocation based on the number of special education and nonpublic school pupils for whom transportation is provided.~~

~~The state board of education shall adopt a formula to determine the amount of payments that shall be distributed to school districts to purchase school buses for pupils other than pupils with disabilities or nonpublic school pupils.~~

~~If any district or county DD board obtains bus services for pupil transportation pursuant to a contract, such district or board may use payments received under this section to defray the costs of contracting for bus services in lieu of for purchasing buses.~~

~~If the department of education determines that a county DD board no longer needs a school bus because the board no longer transports children to a special education program operated by the board, or if the department determines that a school district no~~

longer needs a school bus to transport pupils to a nonpublic 51928
school or special education program, the department may reassign a 51929
bus that was funded with payments provided pursuant to the version 51930
of this section in effect prior to the effective date of this 51931
amendment for the purpose of transporting such pupils. The 51932
department may reassign a bus to a county DD board or school 51933
district that transports children to a special education program 51934
designated in the children's individualized education plans, or to 51935

district during the fiscal year, excluding any income tax receipts 51955
allocated for the project cost, debt service, or maintenance 51956
set-aside associated with a state-assisted classroom facilities 51957
project as authorized by section 3318.052 of the Revised Code. On 51958

or before the first day of June of each year, the tax commissioner 51959
shall certify the amount to be used in the calculation under this 51960
division for the next fiscal year to the department of education 51961

Revised Code, an amount computed for the school year as follows: 51967

included in units approved under division (B) of section 3317.05 51972
of the Revised Code; 51973

section, divide the difference between the amount determined under 51980
division (B)(1) of this section and the amount determined under 51981
division (B)(2) of this section by the total number of preschool 51982
children with disabilities not included in units approved under 51983
division (B) of section 3317.05 of the Revised Code who received 51984
that type of service; 51985

The state board of education shall adopt rules defining the types of special education services and specifying the operating expenses to be used in the computation under this section.

If any child for whom a tuition charge is computed under this section for any school year is enrolled in a district for only part of that school year, the amount of the district's tuition charge for the child for the school year shall be computed in proportion to the number of school days the child is enrolled in the district during the school year.

Except as otherwise provided in division (J) of section 3313.64 of the Revised Code, whenever a district admits a child to its schools for whom tuition computed in accordance with this section is an obligation of another school district, the amount of the tuition shall be certified by the treasurer of the board of education of the district of attendance, to the board of education of the district required to pay tuition for its approval and payment. If agreement as to the amount payable or the district required to pay the tuition cannot be reached, or the board of education of the district required to pay the tuition refuses to pay that amount, the board of education of the district of attendance shall notify the superintendent of public instruction. The superintendent shall determine the correct amount and the district required to pay the tuition and shall deduct that amount, if any, under division ~~(G)~~(D) of section 3317.023 of the Revised Code, from the district required to pay the tuition and add that amount to the amount allocated to the district attended under such division. The superintendent of public instruction shall send to the district required to pay the tuition an itemized statement showing such deductions at the time of such deduction.

within which such territory is located, and there are school age 52023
children residing within such territory, the political subdivision 52024
owning such tax exempt territory shall pay tuition to the district 52025

children shall be computed as provided for in this section. 52027

Sec. 3317.081. (A) Tuition shall be computed in accordance 52028

Code. 52034

(B) Tuition computed in accordance with this section shall 52035
equal the attendance district's tuition rate computed under 52036
section 3317.08 of the Revised Code plus the amount in state 52037

(B) For each fiscal year, the department of education shall 52918
pay each state institution required to provide special education 52919

Sec. 3318.032. (A) Except as otherwise provided in divisions (C) and (D) of this section, the portion of the basic project cost supplied by the school district shall be the greater of:	52929 52930 52931

(B) The amount of the district's share determined under this 52952
section shall be calculated only as of the date the controlling 52953
board approved the project, and that amount applies throughout the 52954
~~one-year~~ thirteen-month period permitted under section 3318.05 of 52955
the Revised Code for the district's electors to approve the 52956
propositions described in that section. If the amount reserved and 52957
encumbered for a project is released because the electors do not 52958
approve those propositions within that ~~year~~ period, and the school 52959
district later receives the controlling board's approval for the 52960
project, subject to a new project scope and estimated costs under 52961
section 3318.054 of the Revised Code, the district's portion shall 52962
be recalculated in accordance with this section as of the date of 52963
the controlling board's subsequent approval. 52964

(C) At no time shall a school district's portion of the basic 52965
project cost be greater than ninety-five per cent of the total 52966

(D) If the controlling board approves a project under 52968
sections 3318.01 to 3318.20 of the Revised Code for a school 52969
district that previously received assistance under those sections 52970
or section 3318.37 of the Revised Code within the twenty-year 52971

for the new project shall be the lesser of the following: 52974

(1) The portion calculated under division (A) of this 52975

Sec. 3318.05. The conditional approval of the Ohio school 52982
facilities commission for a project shall lapse and the amount 52983
reserved and encumbered for such project shall be released unless 52984
the school district board accepts such conditional approval within 52985
one hundred twenty days following the date of certification of the 52986
conditional approval to the school district board and the electors 52987
of the school district vote favorably on both of the propositions 52988
described in divisions (A) and (B) of this section within ~~one year~~ 52989
thirteen months of the date of such certification, except that a 52990
school district described in division (C) of this section does not 52991
need to submit the proposition described in division (B) of this 52992
section. The propositions described in divisions (A) and (B) of 52993
this section shall be combined in a single proposal. If the 52994
district board or the district's electors fail to meet such 52995
requirements and the amount reserved and encumbered for the 52996
district's project is released, the district shall be given first 52997
priority for project funding as such funds become available, 52998
subject to section 3318.054 of the Revised Code. 52999

(A) On the question of issuing bonds of the school district 53000
board, for the school district's portion of the basic project 53001
cost, in an amount equal to the school district's portion of the 53002
basic project cost less the amount of the proceeds of any 53003
securities authorized or to be authorized under division (J) of 53004
section 133.06 of the Revised Code and dedicated by the school 53005
district board to payment of the district's portion of the basic 53006
project cost; and 53007

(B) On the question of levying a tax the proceeds of which 53008
shall be used to pay the cost of maintaining the classroom 53009
facilities included in the project. Such tax shall be at the rate 53010
of not less than one-half mill for each dollar of valuation for a 53011
period of twenty-three years, subject to any extension approved 53012
under section 3318.061 of the Revised Code. 53013

(C) If a school district has in place a tax levied under 53014
section 5705.21 of the Revised Code for general permanent 53015
improvements for a continuing period of time and the proceeds of 53016
such tax can be used for maintenance, or if a district agrees to 53017
the transfers described in section 3318.051 of the Revised Code, 53018
the school district need not levy the additional tax required 53019
under division (B) of this section, provided the school district 53020
board includes in the agreement entered into under section 3318.08 53021
of the Revised Code provisions either: 53022

(1) Earmarking an amount from the proceeds of that permanent 53023
improvement tax for maintenance of classroom facilities equivalent 53024
to the amount of the additional tax and for the equivalent number 53025
of years otherwise required under this section; 53026

(2) Requiring the transfer of money in accordance with 53027
section 3318.051 of the Revised Code. 53028

The district board subsequently may rescind the agreement to 53029
make the transfers under section 3318.051 of the Revised Code only 53030
so long as the electors of the district have approved, in 53031
accordance with section 3318.063 of the Revised Code, the levy of 53032
a tax for the maintenance of the classroom facilities acquired 53033
under the district's project and that levy continues to be 53034
collected as approved by the electors. 53035

(D) Proceeds of the tax to be used for maintenance of the 53036
classroom facilities under either division (B) or (C)(1) of this 53037
section, and transfers of money in accordance with section 53038
3318.051 of the Revised Code shall be deposited into a separate 53039
fund established by the school district for such purpose. 53040

Sec. 3318.051. (A) Any city, exempted village, or local 53041
school district that commences a project under sections 3318.01 to 53042
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 53043
after September 5, 2006, need not levy the tax otherwise required 53044

under division (B) of section 3318.05 of the Revised Code, if the 53045
district board of education adopts a resolution petitioning the 53046
Ohio school facilities commission to approve the transfer of money 53047
in accordance with this section and the commission approves that 53048
transfer. If so approved, the commission and the district board 53049
shall enter into an agreement under which the board, in each of 53050
twenty-three consecutive years beginning in the year in which the 53051
board and the commission enter into the project agreement under 53052
section 3318.08 of the Revised Code, shall transfer into the 53053
maintenance fund required by division (D) of section 3318.05 of 53054
the Revised Code not less than an amount equal to one-half mill 53055
for each dollar of the district's valuation unless and until the 53056
agreement to make those transfers is rescinded by the district 53057
board pursuant to division (F) of this section. 53058

(B) On the first day of July each year, or on an alternative 53059
date prescribed by the commission, the district treasurer shall 53060
certify to the commission and the auditor of state that the amount 53061
required for the year has been transferred. The auditor of state 53062
shall include verification of the transfer as part of any audit of 53063
the district under section 117.11 of the Revised Code. If the 53064
auditor of state finds that less than the required amount has been 53065
deposited into a district's maintenance fund, the auditor of state 53066
shall notify the district board of education in writing of that 53067
fact and require the board to deposit into the fund, within ninety 53068
days after the date of the notice, the amount by which the fund is 53069
deficient for the year. If the district board fails to demonstrate 53070
to the auditor of state's satisfaction that the board has made the 53071
deposit required in the notice, the auditor of state shall notify 53072
the department of education. At that time, the department shall 53073
withhold an amount equal to ten per cent of the district's funds 53074
calculated for the current fiscal year under ~~Chapters 3306. and~~ 53075
Chapter 3317. of the Revised Code until the auditor of state 53076
notifies the department that the auditor of state is satisfied 53077

that the board has made the required transfer. 53078

(C) Money transferred to the maintenance fund shall be used 53079
for the maintenance of the facilities acquired under the 53080
district's project. 53081

(D) The transfers to the maintenance fund under this section 53082
does not affect a district's obligation to establish and maintain 53083
a capital and maintenance fund under section 3315.18 of the 53084
Revised Code. 53085

(E) Any decision by the commission to approve or not approve 53086
the transfer of money under this section is final and not subject 53087
to appeal. The commission shall not be responsible for errors or 53088
miscalculations made in deciding whether to approve a petition to 53089
make transfers under this section. 53090

(F) If the district board determines that it no longer can 53091
continue making the transfers agreed to under this section, the 53092
board may rescind the agreement only so long as the electors of 53093
the district have approved, in accordance with section 3318.063 of 53094
the Revised Code, the levy of a tax for the maintenance of the 53095
classroom facilities acquired under the district's project and 53096
that levy continues to be collected as approved by the electors. 53097
That levy shall be for a number of years that is equal to the 53098
difference between twenty-three years and the number of years that 53099
the district made transfers under this section and shall be at the 53100
rate of not less than one-half mill for each dollar of the 53101
district's valuation. The district board shall continue to make 53102
the transfers agreed to under this section until that levy has 53103
been approved by the electors. 53104

Sec. 3318.054. (A) If conditional approval of a city, 53105
exempted village, or local school district's project lapses as 53106
provided in section 3318.05 of the Revised Code, or if conditional 53107
approval of a joint vocational school district's project lapses as 53108

provided in division (D) of section 3318.41 of the Revised Code, 53109
because the district's electors have not approved the ballot 53110
measures necessary to generate the district's portion of the basic 53111
project cost, and if the district board desires to seek a new 53112
conditional approval of the project, the district board shall 53113
request that the Ohio school facilities commission establish a new 53114
scope, estimated basic project cost, estimated school district 53115
portion of the basic project cost, and rate of taxation necessary 53116
to pay the district's portion of the basic project cost prior to 53117
resubmitting the ballot measures to the electors. To do so, the 53118
commission shall use the district's current tax valuation and the 53119
district's percentile for the prior fiscal year. For a district 53120
that has entered into an agreement under section 3318.36 of the 53121
Revised Code and desires to proceed with a project under sections 53122
3318.01 to 3318.20 of the Revised Code, the district's portion of 53123
the basic project cost shall be the percentage specified in that 53124
agreement. The project scope, estimated costs, and rate of 53125
taxation established under this division shall be valid for one 53126
year from the date the commission approves them. 53127

(B) Upon the commission's approval under division (A) of this 53128
section, the district board may submit the ballot measures to the 53129
district's electors for approval of the project based on the new 53130
project scope, estimated costs, and rate of taxation. Upon 53131
electoral approval of those measures, the district shall be given 53132
first priority for project funding as such funds become available. 53133

(C) When the commission determines that funds are available 53134
for the district's project, the commission shall do all of the 53135
following: 53136

(1) Determine the school district portion of the basic 53137
project cost under section 3318.032 of the Revised Code, in the 53138
case of a city, exempted village, or local school district, or 53139

under section 3318.42 of the Revised Code, in the case of a joint vocational school district; 53140
53141

(2) Conditionally approve the project and submit it to the controlling board for approval pursuant to section 3318.04 of the Revised Code; 53142
53143
53144

(3) Encumber funds for the project under section 3318.11 of the Revised Code; 53145
53146

(4) Enter into an agreement with the district board under section 3318.08 of the Revised Code. 53147
53148

Sec. 3318.08. Except in the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the requisite favorable vote on the election is obtained, or if the school district board has resolved to apply the proceeds of a property tax levy or the proceeds of an income tax, or a combination of proceeds from such taxes, as authorized in section 3318.052 of the Revised Code, the Ohio school facilities commission, upon certification to it of either the results of the election or the resolution under section 3318.052 of the Revised Code, shall enter into a written agreement with the school district board for the construction and sale of the project. In the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the school district board of education and the school district electors have satisfied the conditions prescribed in division (D)(1) of section 3318.41 of the Revised Code, the commission shall enter into an agreement with the school district board for the construction and sale of the project. In either case, the agreement shall include, but need not be limited to, the following provisions:

(A) The sale and issuance of bonds or notes in anticipation thereof, as soon as practicable after the execution of the

agreement, in an amount equal to the school district's portion of 53171
the basic project cost, including any securities authorized under 53172
division (J) of section 133.06 of the Revised Code and dedicated 53173
by the school district board to payment of the district's portion 53174
of the basic project cost of the project; provided, that if at 53175
that time the county treasurer of each county in which the school 53176
district is located has not commenced the collection of taxes on 53177
the general duplicate of real and public utility property for the 53178
year in which the controlling board approved the project, the 53179
school district board shall authorize the issuance of a first 53180
installment of bond anticipation notes in an amount specified by 53181
the agreement, which amount shall not exceed an amount necessary 53182
to raise the net bonded indebtedness of the school district as of 53183
the date of the controlling board's approval to within five 53184
thousand dollars of the required level of indebtedness for the 53185
preceding year. In the event that a first installment of bond 53186
anticipation notes is issued, the school district board shall, as 53187
soon as practicable after the county treasurer of each county in 53188
which the school district is located has commenced the collection 53189
of taxes on the general duplicate of real and public utility 53190
property for the year in which the controlling board approved the 53191
project, authorize the issuance of a second and final installment 53192
of bond anticipation notes or a first and final issue of bonds. 53193

The combined value of the first and second installment of 53194
bond anticipation notes or the value of the first and final issue 53195
of bonds shall be equal to the school district's portion of the 53196
basic project cost. The proceeds of any such bonds shall be used 53197
first to retire any bond anticipation notes. Otherwise, the 53198
proceeds of such bonds and of any bond anticipation notes, except 53199
the premium and accrued interest thereon, shall be deposited in 53200
the school district's project construction fund. In determining 53201
the amount of net bonded indebtedness for the purpose of fixing 53202
the amount of an issue of either bonds or bond anticipation notes, 53203

gross indebtedness shall be reduced by moneys in the bond 53204
retirement fund only to the extent of the moneys therein on the 53205
first day of the year preceding the year in which the controlling 53206
board approved the project. Should there be a decrease in the tax 53207
valuation of the school district so that the amount of 53208
indebtedness that can be incurred on the tax duplicates for the 53209
year in which the controlling board approved the project is less 53210
than the amount of the first installment of bond anticipation 53211
notes, there shall be paid from the school district's project 53212
construction fund to the school district's bond retirement fund to 53213
be applied against such notes an amount sufficient to cause the 53214
net bonded indebtedness of the school district, as of the first 53215
day of the year following the year in which the controlling board 53216
approved the project, to be within five thousand dollars of the 53217
required level of indebtedness for the year in which the 53218
controlling board approved the project. The maximum amount of 53219
indebtedness to be incurred by any school district board as its 53220
share of the cost of the project is either an amount that will 53221
cause its net bonded indebtedness, as of the first day of the year 53222
following the year in which the controlling board approved the 53223
project, to be within five thousand dollars of the required level 53224
of indebtedness, or an amount equal to the required percentage of 53225
the basic project costs, whichever is greater. All bonds and bond 53226
anticipation notes shall be issued in accordance with Chapter 133. 53227
of the Revised Code, and notes may be renewed as provided in 53228
section 133.22 of the Revised Code. 53229

(B) The transfer of such funds of the school district board 53230
available for the project, together with the proceeds of the sale 53231
of the bonds or notes, except premium, accrued interest, and 53232
interest included in the amount of the issue, to the school 53233
district's project construction fund; 53234

(C) For all school districts except joint vocational school 53235

districts that receive assistance under sections 3318.40 to 53236
3318.45 of the Revised Code, the following provisions as 53237
applicable: 53238

(1) If section 3318.052 of the Revised Code applies, the 53239
earmarking of the proceeds of a tax levied under section 5705.21 53240
of the Revised Code for general permanent improvements or under 53241
section 5705.218 of the Revised Code for the purpose of permanent 53242
improvements, or the proceeds of a school district income tax 53243
levied under Chapter 5748. of the Revised Code, or the proceeds 53244
from a combination of those two taxes, in an amount to pay all or 53245
part of the service charges on bonds issued to pay the school 53246
district portion of the project and an amount equivalent to all or 53247
part of the tax required under division (B) of section 3318.05 of 53248
the Revised Code; 53249

(2) If section 3318.052 of the Revised Code does not apply, 53250
one of the following: 53251

(a) The levy of the tax authorized at the election for the 53252
payment of maintenance costs, as specified in division (B) of 53253
section 3318.05 of the Revised Code; 53254

(b) If the school district electors have approved a 53255
continuing tax for general permanent improvements under section 53256
5705.21 of the Revised Code and that tax can be used for 53257
maintenance, the earmarking of an amount of the proceeds from such 53258
tax for maintenance of classroom facilities as specified in 53259
division (B) of section 3318.05 of the Revised Code; 53260

(c) If, in lieu of the tax otherwise required under division 53261
(B) of section 3318.05 of the Revised Code, the commission has 53262
approved the transfer of money to the maintenance fund in 53263
accordance with section 3318.051 of the Revised Code, a 53264
requirement that the district board comply with the provisions 53265
that section. The district board may rescind the provision 53266

prescribed under division (C)(2)(c) of this section only so long 53267
as the electors of the district have approved, in accordance with 53268
section 3318.063 of the Revised Code, the levy of a tax for the 53269
maintenance of the classroom facilities acquired under the 53270
district's project and that levy continues to be collected as 53271
approved by the electors. 53272

(D) For joint vocational school districts that receive 53273
assistance under sections 3318.40 to 3318.45 of the Revised Code, 53274
provision for deposit of school district moneys dedicated to 53275
maintenance of the classroom facilities acquired under those 53276
sections as prescribed in section 3318.43 of the Revised Code; 53277

(E) Dedication of any local donated contribution as provided 53278
for under section 3318.084 of the Revised Code, including a 53279
schedule for depositing such moneys applied as an offset of the 53280
district's obligation to levy the tax described in division (B) of 53281
section 3318.05 of the Revised Code as required under division 53282
(D)(2) of section 3318.084 of the Revised Code; 53283

(F) Ownership of or interest in the project during the period 53284
of construction, which shall be divided between the commission and 53285
the school district board in proportion to their respective 53286
contributions to the school district's project construction fund; 53287

(G) Maintenance of the state's interest in the project until 53288
any obligations issued for the project under section 3318.26 of 53289
the Revised Code are no longer outstanding; 53290

(H) The insurance of the project by the school district from 53291
the time there is an insurable interest therein and so long as the 53292
state retains any ownership or interest in the project pursuant to 53293
division (F) of this section, in such amounts and against such 53294
risks as the commission shall require; provided, that the cost of 53295
any required insurance until the project is completed shall be a 53296
part of the basic project cost; 53297

investment earnings as authorized under division (B)(2) of this 53422
section, the treasurer shall disburse the amount as designated and 53423

directed by the board. However, if the district board chooses to use any part of the investment earnings for classroom facilities or portions or components of classroom facilities that are not included in the basic project cost, as authorized under division (B)(2) of this section, and, subsequently, the cost of the project exceeds the amount in the project construction fund, the district board shall restore to the project construction fund the full amount of the investment earnings used under division (B)(2) of this section before any additional state moneys shall be released for the project.

The commission shall use the money transferred to it under this 53457
division for expenditure pursuant to sections 3318.01 to 3318.20 53458
or sections 3318.40 to 3318.45 of the Revised Code. 53459

(D) Pursuant to appropriations of the general assembly, any 53460
moneys transferred to the commission under division (C)(2) or (3) 53461
of this section from a project construction fund for a project 53462

for future expenditures for projects under sections 3318.40 to 53464
3318.45 of the Revised Code, notwithstanding the two per cent 53465
annual limit specified in division (B) of section 3318.40 of the 53466
Revised Code. 53467

Sec. 3318.31. (A) The Ohio school facilities commission may 53468
perform any act and ensure the performance of any function 53469

Sec. 3318.36. (A)(1) As used in this section:

(a) "Ohio school facilities commission," "classroom facilities," "school district," "school district board," "net bonded indebtedness," "required percentage of the basic project costs," "basic project cost," "valuation," and "percentile" have the same meanings as in section 3318.01 of the Revised Code.

(b) "Required level of indebtedness" means five per cent of the school district's valuation for the year preceding the year in

which the commission and school district enter into an agreement 53515
under division (B) of this section, plus [two one-hundredths of 53516
one per cent multiplied by (the percentile in which the district 53517
ranks minus one)]. 53518

(c) "Local resources" means any moneys generated in any 53519
manner permitted for a school district board to raise the school 53520
district portion of a project undertaken with assistance under 53521
sections 3318.01 to 3318.20 of the Revised Code. 53522

(d) "Tangible personal property phase-out impacted district" 53523
means a school district for which the taxable value of its 53524
tangible personal property certified under division (A)(2) of 53525
section 3317.021 of the Revised Code for tax year 2005, excluding 53526
the taxable value of public utility personal property, made up 53527
eighteen per cent or more of its total taxable value for tax year 53528
2005 as certified under that section. 53529

(2) For purposes of determining the required level of 53530
indebtedness, the required percentage of the basic project costs 53531
under division (C)(1) of this section, and priority for assistance 53532
under sections 3318.01 to 3318.20 of the Revised Code, the 53533
percentile ranking of a school district with which the commission 53534
has entered into an agreement under this section between the first 53535
day of July and the thirty-first day of August in each fiscal year 53536
is the percentile ranking calculated for that district for the 53537
immediately preceding fiscal year, and the percentile ranking of a 53538
school district with which the commission has entered into such 53539
agreement between the first day of September and the thirtieth day 53540
of June in each fiscal year is the percentile ranking calculated 53541
for that district for the current fiscal year. However, in the 53542
case of a tangible personal property phase-out impacted district, 53543
the district's priority for assistance under sections 3318.01 to 53544
3318.20 of the Revised Code and its portion of the basic project 53545
cost under those sections shall be determined in the manner 53546

prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 53547
this section. 53548

(B)(1) There is hereby established the school building 53549
assistance expedited local partnership program. Under the program, 53550
the Ohio school facilities commission may enter into an agreement 53551
with the school district board of any school district under which 53552
the school district board may proceed with the new construction or 53553
major repairs of a part of the school district's classroom 53554
facilities needs, as determined under sections 3318.01 to 3318.20 53555
of the Revised Code, through the expenditure of local resources 53556
prior to the school district's eligibility for state assistance 53557
under those sections and may apply that expenditure toward meeting 53558
the school district's portion of the basic project cost of the 53559
total of the school district's classroom facilities needs, as 53560
determined under sections 3318.01 to 3318.20 of the Revised Code 53561
and as recalculated under division (E) of this section, that are 53562
eligible for state assistance under sections 3318.01 to 3318.20 of 53563
the Revised Code when the school district becomes eligible for 53564
that assistance. Any school district that is reasonably expected 53565
to receive assistance under sections 3318.01 to 3318.20 of the 53566
Revised Code within two fiscal years from the date the school 53567
district adopts its resolution under division (B) of this section 53568
shall not be eligible to participate in the program established 53569
under this section. 53570

(2) To participate in the program, a school district board 53571
shall first adopt a resolution certifying to the commission the 53572
board's intent to participate in the program. 53573

The resolution shall specify the approximate date that the 53574
board intends to seek elector approval of any bond or tax measures 53575
or to apply other local resources to use to pay the cost of 53576
classroom facilities to be constructed under this section. The 53577
resolution may specify the application of local resources or 53578

elector-approved bond or tax measures after the resolution is 53579
adopted by the board, and in such case the board may proceed with 53580
a discrete portion of its project under this section as soon as 53581
the commission and the controlling board have approved the basic 53582
project cost of the district's classroom facilities needs as 53583
specified in division (D) of this section. The board shall submit 53584
its resolution to the commission not later than ten days after the 53585
date the resolution is adopted by the board. 53586

The commission shall not consider any resolution that is 53587
submitted pursuant to division (B)(2) of this section, as amended 53588
by this amendment, sooner than September 14, 2000. 53589

(3) For purposes of determining when a district that enters 53590
into an agreement under this section becomes eligible for 53591
assistance under sections 3318.01 to 3318.20 of the Revised Code, 53592
the commission shall use one of the following as applicable: 53593

(a) Except for a tangible personal property phase-out 53594
impacted district, the district's percentile ranking determined at 53595
the time the district entered into the agreement under this 53596
section, as prescribed by division (A)(2) of this section; 53597

(b) For a tangible personal property phase-out impacted 53598
district, the lesser of (i) the district's percentile ranking 53599
determined at the time the district entered into the agreement 53600
under this section, as prescribed by division (A)(2) of this 53601
section, or (ii) the district's current percentile ranking under 53602
section 3318.011 of the Revised Code. 53603

(4) Any project under this section shall comply with section 53604
3318.03 of the Revised Code and with any specifications for plans 53605
and materials for classroom facilities adopted by the commission 53606
under section 3318.04 of the Revised Code. 53607

(5) If a school district that enters into an agreement under 53608
this section has not begun a project applying local resources as 53609

provided for under that agreement at the time the district is notified by the commission that it is eligible to receive state assistance under sections 3318.01 to 3318.20 of the Revised Code, all assessment and agreement documents entered into under this section are void.

(6) Only construction of or repairs to classroom facilities that have been approved by the commission and have been therefore included as part of a district's basic project cost qualify for application of local resources under this section.

(C) Based on the results of on-site visits and assessment, the commission shall determine the basic project cost of the school district's classroom facilities needs. The commission shall determine the school district's portion of such basic project cost, which shall be the greater of:

(1) The required percentage of the basic project costs, determined based on the school district's percentile ranking;

(2) An amount necessary to raise the school district's net bonded indebtedness, as of the fiscal year the commission and the school district enter into the agreement under division (B) of this section, to within five thousand dollars of the required level of indebtedness.

(D)(1) When the commission determines the basic project cost of the classroom facilities needs of a school district and the school district's portion of that basic project cost under division (C) of this section, the project shall be conditionally approved. Such conditional approval shall be submitted to the controlling board for approval thereof. The controlling board shall forthwith approve or reject the commission's determination, conditional approval, and the amount of the state's portion of the basic project cost; however, no state funds shall be encumbered under this section. Upon approval by the controlling board, the

school district board may identify a discrete part of its 53641
classroom facilities needs, which shall include only new 53642
construction of or additions or major repairs to a particular 53643
building, to address with local resources. Upon identifying a part 53644
of the school district's basic project cost to address with local 53645
resources, the school district board may allocate any available 53646
school district moneys to pay the cost of that identified part, 53647
including the proceeds of an issuance of bonds if approved by the 53648
electors of the school district. 53649

All local resources utilized under this division shall first 53650
be deposited in the project construction account required under 53651
section 3318.08 of the Revised Code. 53652

(2) Unless the school district board exercises its option 53653
under division (D)(3) of this section, for a school district to 53654
qualify for participation in the program authorized under this 53655
section, one of the following conditions shall be satisfied: 53656

(a) The electors of the school district by a majority vote 53657
shall approve the levy of taxes outside the ten-mill limitation 53658
for a period of twenty-three years at the rate of not less than 53659
one-half mill for each dollar of valuation to be used to pay the 53660
cost of maintaining the classroom facilities included in the basic 53661
project cost as determined by the commission. The form of the 53662
ballot to be used to submit the question whether to approve the 53663
tax required under this division to the electors of the school 53664
district shall be the form for an additional levy of taxes 53665
prescribed in section 3318.361 of the Revised Code, which may be 53666
combined in a single ballot question with the questions prescribed 53667
under section 5705.218 of the Revised Code. 53668

(b) As authorized under division (C) of section 3318.05 of 53669
the Revised Code, the school district board shall earmark from the 53670
proceeds of a permanent improvement tax levied under section 53671
5705.21 of the Revised Code, an amount equivalent to the 53672

additional tax otherwise required under division (D)(2)(a) of this 53673
section for the maintenance of the classroom facilities included 53674
in the basic project cost as determined by the commission. 53675

(c) As authorized under section 3318.051 of the Revised Code, 53676
the school district board shall, if approved by the commission, 53677
annually transfer into the maintenance fund required under section 53678
3318.05 of the Revised Code the amount prescribed in section 53679
3318.051 of the Revised Code in lieu of the tax otherwise required 53680
under division (D)(2)(a) of this section for the maintenance of 53681
the classroom facilities included in the basic project cost as 53682
determined by the commission. 53683

(d) If the school district board has rescinded the agreement 53684
to make transfers under section 3318.051 of the Revised Code, as 53685
provided under division (F) of that section, the electors of the 53686
school district, in accordance with section 3318.063 of the 53687
Revised Code, first shall approve the levy of taxes outside the 53688
ten-mill limitation for the period specified in that section at a 53689
rate of not less than one-half mill for each dollar of valuation. 53690

(e) The school district board shall apply the proceeds of a 53691
tax to leverage bonds as authorized under section 3318.052 of the 53692
Revised Code or dedicate a local donated contribution in the 53693
manner described in division (B) of section 3318.084 of the 53694
Revised Code in an amount equivalent to the additional tax 53695
otherwise required under division (D)(2)(a) of this section for 53696
the maintenance of the classroom facilities included in the basic 53697
project cost as determined by the commission. 53698

(3) A school district board may opt to delay taking any of 53699
the actions described in division (D)(2) of this section until the 53700
school district becomes eligible for state assistance under 53701
sections 3318.01 to 3318.20 of the Revised Code. In order to 53702
exercise this option, the board shall certify to the commission a 53703
resolution indicating the board's intent to do so prior to 53704

entering into an agreement under division (B) of this section. 53705

(4) If pursuant to division (D)(3) of this section a district 53706
board opts to delay levying an additional tax until the district 53707
becomes eligible for state assistance, it shall submit the 53708
question of levying that tax to the district electors as follows: 53709

(a) In accordance with section 3318.06 of the Revised Code if 53710
it will also be necessary pursuant to division (E) of this section 53711
to submit a proposal for approval of a bond issue; 53712

(b) In accordance with section 3318.361 of the Revised Code 53713
if it is not necessary to also submit a proposal for approval of a 53714
bond issue pursuant to division (E) of this section. 53715

(5) No state assistance under sections 3318.01 to 3318.20 of 53716
the Revised Code shall be released until a school district board 53717
that adopts and certifies a resolution under division (D) of this 53718
section also demonstrates to the satisfaction of the commission 53719
compliance with the provisions of division (D)(2) of this section. 53720

Any amount required for maintenance under division (D)(2) of 53721
this section shall be deposited into a separate fund as specified 53722
in division (B) of section 3318.05 of the Revised Code. 53723

(E)(1) If the school district becomes eligible for state 53724
assistance under sections 3318.01 to 3318.20 of the Revised Code 53725
based on its percentile ranking under division (B)(3) of this 53726
section, the commission shall conduct a new assessment of the 53727
school district's classroom facilities needs and shall recalculate 53728
the basic project cost based on this new assessment. The basic 53729
project cost recalculated under this division shall include the 53730
amount of expenditures made by the school district board under 53731
division (D)(1) of this section. The commission shall then 53732
recalculate the school district's portion of the new basic project 53733
cost, which shall be one of the following as applicable: 53734

(a) Except for a tangible personal property phase-out 53735

impacted district, the percentage of the original basic project 53736
cost assigned to the school district as its portion under division 53737
(C) of this section; 53738

(b) For a tangible personal property phase-out impacted 53739
district, the lesser of (i) the percentage of the original basic 53740
project cost assigned to the school district as its portion under 53741
division (C) of this section, or (ii) the percentage of the new 53742
basic project cost determined under section 3318.032 of the 53743
Revised Code using the district's current percentile ranking under 53744
section 3318.011 of the Revised Code. The 53745

The commission shall deduct the expenditure of school 53746
district moneys made under division (D)(1) of this section from 53747
the school district's portion of the basic project cost as 53748
recalculated under this division. If the amount of school district 53749
resources applied by the school district board to the school 53750
district's portion of the basic project cost under this section is 53751
less than the total amount of such portion as recalculated under 53752
this division, the school district board by a majority vote of all 53753
of its members shall, if it desires to seek state assistance under 53754
sections 3318.01 to 3318.20 of the Revised Code, adopt a 53755
resolution as specified in section 3318.06 of the Revised Code to 53756
submit to the electors of the school district the question of 53757
approval of a bond issue in order to pay any additional amount of 53758
school district portion required for state assistance. Any tax 53759
levy approved under division (D) of this section satisfies the 53760
requirements to levy the additional tax under section 3318.06 of 53761
the Revised Code. 53762

(2) If the amount of school district resources applied by the 53763
school district board to the school district's portion of the 53764
basic project cost under this section is more than the total 53765
amount of such portion as recalculated under ~~this~~ division (E)(1) 53766
of this section, within one year after the school district's 53767

portion is so recalculated ~~under division (E)(1) of this section~~ 53768
the commission may grant to the school district the difference 53769
between the two calculated portions, but at no time shall the 53770
commission expend any state funds on a project in an amount 53771
greater than the state's portion of the basic project cost as 53772
recalculated under ~~this~~ division (E)(1) of this section. 53773

Any reimbursement under this division shall be only for local 53774
resources the school district has applied toward construction cost 53775
expenditures for the classroom facilities approved by the 53776
commission, which shall not include any financing costs associated 53777
with that construction. 53778

The school district board shall use any moneys reimbursed to 53779
the district under this division to pay off any debt service the 53780
district owes for classroom facilities constructed under its 53781
project under this section before such moneys are applied to any 53782
other purpose. However, the district board first may deposit 53783
moneys reimbursed under this division into the district's general 53784
fund or a permanent improvement fund to replace local resources 53785
the district withdrew from those funds, as long as, and to the 53786
extent that, those local resources were used by the district for 53787
constructing classroom facilities included in the district's basic 53788
project cost. 53789

(3) A tangible personal property phase-out impacted district 53790
shall receive credit under division (E) of this section for the 53791
expenditure of local resources pursuant to any prior agreement 53792
authorized by this section, notwithstanding any recalculation of 53793
its average taxable value. 53794

Sec. 3318.37. (A)(1) As used in this section: 53795

(a) "Large land area school district" means a school district 53796
with a territory of greater than three hundred square miles in any 53797
percentile as determined under section 3318.011 of the Revised 53798

Code. 53799

(b) "Low wealth school district" means a school district in 53800
the first through seventy-fifth percentiles as determined under 53801
section 3318.011 of the Revised Code. 53802

(c) A "school district with an exceptional need for immediate 53803
classroom facilities assistance" means a low wealth or large land 53804
area school district with an exceptional need for new facilities 53805
in order to protect the health and safety of all or a portion of 53806
its students. 53807

~~(2) No school district reasonably expected to be eligible for 53808
state assistance under sections 3318.01 to 3318.20 of the Revised 53809
Code within three fiscal years after the year of the application 53810
for assistance under this section shall be eligible for assistance 53811
under this section, unless the district's entire classroom 53812
facilities plan consists of only a single building designed to 53813
house grades kindergarten through twelve and the district 53814
satisfies the conditions prescribed in divisions (A)(3)(a) and (b) 53815
of this section. 53816~~

~~(3) No school district that participates in the school 53817
building assistance expedited local partnership program under 53818
section 3318.36 of the Revised Code shall receive assistance under 53819
the program established under this section unless the following 53820
conditions are satisfied: 53821~~

(a) The district board adopted a resolution certifying its 53822
intent to participate in the school building assistance expedited 53823
local partnership program under section 3318.36 of the Revised 53824
Code prior to September 14, 2000. 53825

(b) The district was selected by the Ohio school facilities 53826
commission for participation in the school building assistance 53827
expedited local partnership program under section 3318.36 of the 53828
Revised Code in the manner prescribed by the commission under that 53829

section as it existed prior to September 14, 2000. 53830

(B)(1) There is hereby established the exceptional needs 53831
school facilities assistance program. Under the program, the Ohio 53832
school facilities commission may set aside from the moneys 53833
annually appropriated to it for classroom facilities assistance 53834
projects up to twenty-five per cent for assistance to school 53835
districts with exceptional needs for immediate classroom 53836
facilities assistance. 53837

(2)(a) After consulting with education and construction 53838
experts, the commission shall adopt guidelines for identifying 53839
school districts with an exceptional need for immediate classroom 53840
facilities assistance. 53841

(b) The guidelines shall include application forms and 53842
instructions for school districts to use in applying for 53843
assistance under this section. 53844

(3) The commission shall evaluate the classroom facilities, 53845
and the need for replacement classroom facilities from the 53846
applications received under this section. The commission, 53847
utilizing the guidelines adopted under division (B)(2)(a) of this 53848
section, shall prioritize the school districts to be assessed. 53849

Notwithstanding section 3318.02 of the Revised Code, the 53850
commission may conduct on-site evaluation of the school districts 53851
prioritized under this section and approve and award funds until 53852
such time as all funds set aside under division (B)(1) of this 53853
section have been encumbered. However, the commission need not 53854
conduct the evaluation of facilities if the commission determines 53855
that a district's assessment conducted under section 3318.36 of 53856
the Revised Code is sufficient for purposes of this section. 53857

(4) Notwithstanding division (A) of section 3318.05 of the 53858
Revised Code, the school district's portion of the basic project 53859
cost under this section shall be the "required percentage of the 53860

basic project costs," as defined in division (K) of section 53861
3318.01 of the Revised Code. 53862

(5) Except as otherwise specified in this section, any 53863
project undertaken with assistance under this section shall comply 53864
with all provisions of sections 3318.01 to 3318.20 of the Revised 53865
Code. A school district may receive assistance under sections 53866
3318.01 to 3318.20 of the Revised Code for the remainder of the 53867
district's classroom facilities needs as assessed under this 53868
section when the district is eligible for such assistance pursuant 53869
to section 3318.02 of the Revised Code, but any classroom facility 53870
constructed with assistance under this section shall not be 53871
included in a district's project at that time unless the 53872
commission determines the district has experienced the increased 53873
enrollment specified in division (B)(1) of section 3318.04 of the 53874
Revised Code. 53875

(C) No school district shall receive assistance under this 53876
section for a classroom facility that has been included in the 53877
discrete part of the district's classroom facilities needs 53878
identified and addressed in the district's project pursuant to an 53879
agreement entered into under section 3318.36 of the Revised Code, 53880
unless the district's entire classroom facilities plan consists of 53881
only a single building designed to house grades kindergarten 53882
through twelve. 53883

Sec. 3318.371. The Ohio school facilities commission may 53884
provide assistance under the exceptional needs school facilities 53885
program established by section 3318.37 of the Revised Code to any 53886
school district for the purpose of the relocation or replacement 53887
of classroom facilities required as a result of any contamination 53888
of air, soil, or water that impacts the occupants of the facility. 53889
Assistance under this section is not limited to school districts 53890
in the first through seventy-fifth percentiles as determined under 53891

section 3318.011 of the Revised Code. 53892

The commission shall make a determination in accordance with 53893
guidelines adopted by the commission regarding eligibility and 53894
funding for projects under this section. The commission may 53895
contract with an independent environmental consultant to conduct a 53896
study to assist the commission in making the determination. 53897

If the federal government or other public or private entity 53898
provides funds for restitution of costs incurred by the state or 53899
school district in the relocation or replacement of the classroom 53900
facilities, the school district shall use such funds in excess of 53901
the school district's share to refund the state for the state's 53902
contribution to the environmental contamination portion of the 53903
project. The school district may apply an amount of such 53904
restitution funds up to an amount equal to the school district's 53905
portion of the project, as defined by the commission, toward 53906
paying its portion of that project to reduce the amount of bonds 53907
the school district otherwise must issue to receive state 53908
assistance under sections 3318.01 to 3318.20 of the Revised Code. 53909

Sec. 3318.38. (A) As used in this section, "big-eight school 53910
district" has the same meaning as in section 3314.02 of the 53911
Revised Code. 53912

(B) There is hereby established the accelerated urban school 53913
building assistance program. Under the program, notwithstanding 53914
section 3318.02 of the Revised Code, any big-eight school district 53915
that has not been approved to receive assistance under sections 53916
3318.01 to 3318.20 of the Revised Code by July 1, 2002, may 53917
beginning on that date apply for approval of and be approved for 53918
such assistance. Except as otherwise provided in this section, any 53919
project approved and undertaken pursuant to this section shall 53920
comply with all provisions of sections 3318.01 to 3318.20 of the 53921

Revised Code. 53922

The Ohio school facilities commission shall provide 53923
assistance to any big-eight school district eligible for 53924
assistance under this section in the following manner: 53925

(1) Notwithstanding section 3318.02 of the Revised Code: 53926

(a) Not later than June 30, 2002, the commission shall 53927
conduct an on-site visit and shall assess the classroom facilities 53928
needs of each big-eight school district eligible for assistance 53929
under this section; 53930

(b) Beginning July 1, 2002, any big-eight school district 53931
eligible for assistance under this section may apply to the 53932
commission for conditional approval of its project as determined 53933
by the assessment conducted under division (B)(1)(a) of this 53934
section. The commission may conditionally approve that project and 53935
submit it to the controlling board for approval pursuant to 53936
section 3318.04 of the Revised Code. 53937

(2) If the controlling board approves the project of a 53938
big-eight school district eligible for assistance under this 53939
section, the commission and the school district shall enter into 53940
an agreement as prescribed in section 3318.08 of the Revised Code. 53941
Any agreement executed pursuant to this division shall include any 53942
applicable segmentation provisions as approved by the commission 53943
under division (B)(3) of this section. 53944

(3) Notwithstanding any provision to the contrary in sections 53945
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 53946
school district eligible for assistance under this section may 53947
with the approval of the commission opt to divide the project as 53948
approved under division (B)(1)(b) of this section into discrete 53949
segments to be completed sequentially. Any project divided into 53950
segments shall comply with all other provisions of sections 53951
3318.05, 3318.06, and 3318.08 of the Revised Code except as 53952

otherwise specified in this division. 53953

If a project is divided into segments under this division: 53954

(a) The school district need raise only the amount equal to 53955
its proportionate share, as determined under section 3318.032 of 53956
the Revised Code, of each segment at any one time and may seek 53957
voter approval of each segment separately; 53958

(b) The state's proportionate share, as determined under 53959
section 3318.032 of the Revised Code, of only the segment which 53960
has been approved by the school district electors or for which the 53961
district has applied a local donated contribution under section 53962
3318.084 of the Revised Code shall be encumbered in accordance 53963
with section 3318.11 of the Revised Code. Encumbrance of 53964
additional amounts to cover the state's proportionate share of 53965
later segments shall be approved separately as they are approved 53966
by the school district electors or as the district applies a local 53967
donated contribution to the segments under section 3318.084 of the 53968
Revised Code. 53969

(c) The school district's maintenance levy requirement, as 53970
defined in section 3318.18 of the Revised Code, shall run for 53971
twenty-three years from the date the first segment is undertaken. 53972

~~(4) For any project under this section~~ (C) In accordance with 53973
division (R) of section 3318.08 of the Revised Code, the state 53974
funds reserved and encumbered and the funds provided by the school 53975
district to pay the basic project cost of any segment of the 53976
project under this section, or of the entire project if it is not 53977
divided into segments, shall be spent on the construction and 53978
acquisition of the project simultaneously in proportion to the 53979
state's and the school district's respective shares of that basic 53980
project cost as determined under section 3318.032 of the Revised 53981
Code. 53982

Sec. 3318.41. (A)(1) The Ohio school facilities commission 53983
annually shall assess the classroom facilities needs of the number 53984
of joint vocational school districts that the commission 53985
reasonably expects to be able to provide assistance to in a fiscal 53986
year, based on the amount set aside for that fiscal year under 53987
division (B) of section 3318.40 of the Revised Code and the order 53988
of priority prescribed in division (B) of section 3318.42 of the 53989
Revised Code, except that in fiscal year 2004 the commission shall 53990
conduct at least the five assessments prescribed in division (E) 53991
of section 3318.40 of the Revised Code. 53992

Upon conducting an assessment of the classroom facilities 53993
needs of a school district, the commission shall make a 53994
determination of all of the following: 53995

(a) The number of classroom facilities to be included in a 53996
project and the basic project cost of acquiring the classroom 53997
facilities included in the project. The number of facilities and 53998
basic project cost shall be determined in accordance with the 53999
specifications adopted under section 3318.311 of the Revised Code 54000
except to the extent that compliance with such specifications is 54001
waived by the commission pursuant to the rule of the commission 54002
adopted under division (F) of section 3318.40 of the Revised Code. 54003

(b) The school district's portion of the basic project cost 54004
as determined under division (C) of section 3318.42 of the Revised 54005
Code; 54006

(c) The remaining portion of the basic project cost that 54007
shall be supplied by the state; 54008

(d) The amount of the state's portion of the basic project 54009
cost to be encumbered in accordance with section 3318.11 of the 54010
Revised Code in the current and subsequent fiscal years from funds 54011
set aside under division (B) of section 3318.40 of the Revised 54012
Code. 54013

(2) Divisions (A), (C), and (D) of section 3318.03 of the Revised Code apply to any project under sections 3318.40 to 3318.45 of the Revised Code.

(B)(1) If the commission makes a determination under division (A) of this section in favor of the acquisition of classroom facilities for a project under sections 3318.40 to 3318.45 of the Revised Code, such project shall be conditionally approved. Such conditional approval shall be submitted to the controlling board for approval. The controlling board shall immediately approve or reject the commission's determination, conditional approval, the amount of the state's portion of the basic project cost, and the amount of the state's portion of the basic project cost to be encumbered in the current fiscal year. In the event of approval by the controlling board, the commission shall certify the conditional approval to the joint vocational school district board of education and shall encumber the approved funds for the current fiscal year.

(2) No school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code shall have another such project conditionally approved until the expiration of twenty years after the school district's prior project was conditionally approved, unless the school district board demonstrates to the satisfaction of the commission that the school district has experienced since conditional approval of its prior project an exceptional increase in enrollment or program requirements significantly above the school district's design capacity under that prior project as determined by rule of the commission. Any rule adopted by the commission to implement this division shall be tailored to address the classroom facilities needs of joint vocational school districts.

(C) In addition to generating the amount of the school district's portion of the basic project cost as determined under

division (C) of section 3318.42 of the Revised Code, in order for 54046
a school district to receive assistance under sections 3318.40 to 54047
3318.45 of the Revised Code, the school district board shall set 54048
aside school district moneys for the maintenance of the classroom 54049
facilities included in the school district's project in the amount 54050
and manner prescribed in section 3318.43 of the Revised Code. 54051

(D)(1) The conditional approval for a project certified under 54052
division (B)(1) of this section shall lapse and the amount 54053
reserved and encumbered for such project shall be released unless 54054
both of the following conditions are satisfied: 54055

(a) Within one hundred twenty days following the date of 54056
certification of the conditional approval to the joint vocational 54057
school district board, the school district board accepts the 54058
conditional approval and certifies to the commission the school 54059
district board's plan to generate the school district's portion of 54060
the basic project cost, as determined under division (C) of 54061
section 3318.42 of the Revised Code, and to set aside moneys for 54062
maintenance of the classroom facilities acquired under the 54063
project, as prescribed in section 3318.43 of the Revised Code. 54064

(b) Within ~~one year~~ thirteen months following the date of 54065
certification of the conditional approval to the school district 54066
board, the electors of the school district vote favorably on any 54067
ballot measures proposed by the school district board to generate 54068
the school district's portion of the basic project cost. 54069

(2) If the school district board or electors fail to satisfy 54070
the conditions prescribed in division (D)(1) of this section and 54071
the amount reserved and encumbered for the school district's 54072
project is released, the school district shall be given first 54073
priority over other joint vocational school districts for project 54074
funding under sections 3318.40 to 3318.45 of the Revised Code as 54075
such funds become available, subject to section 3318.054 of the 54076
Revised Code. 54077

(E) If the conditions prescribed in division (D)(1) of this section are satisfied, the commission and the school district board shall enter into an agreement as prescribed in section 3318.08 of the Revised Code and shall proceed with the development of plans, cost estimates, designs, drawings, and specifications as prescribed in section 3318.091 of the Revised Code.

(F) Costs in excess of those approved by the commission under section 3318.091 of the Revised Code shall be payable only as provided in sections 3318.042 and 3318.083 of the Revised Code.

(G) Advertisement for bids and the award of contracts for construction of any project under sections 3318.40 to 3318.45 of the Revised Code shall be conducted in accordance with section 3318.10 of the Revised Code.

(H) The In accordance with division (R) of section 3318.08 of the Revised Code, the state funds reserved and encumbered and the funds provided by the school district to pay the basic project cost of a project under sections 3318.40 to 3318.45 of the Revised Code shall be spent simultaneously in proportion to the state's and the school district's respective portions of that basic project cost.

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised Code apply to projects under sections 3318.40 to 3318.45 of the Revised Code.

Sec. 3318.48. (A) When all of the following have occurred, a project undertaken by a school district pursuant to this chapter shall be considered complete and the Ohio school facilities commission shall issue a certificate of completion to the district board of education:

(1) All facilities to be constructed under the project, as specified in the project agreement entered into under section

3318.08 of the Revised Code, have been completed and the board has 54108
received a permanent certificate of occupancy for each of those 54109
facilities. 54110

(2) The commission has issued certificates of contract 54111
completion on all prime construction contracts entered into by the 54112
board under section 3318.10 of the Revised Code. 54113

(3) The commission has completed a final accounting of the 54114
district's project construction fund and has determined that all 54115
payments from the fund were made in compliance with all policies 54116
of the commission. 54117

(4) Any litigation concerning the project has been finally 54118
resolved with no chance of appeal. 54119

(5) All construction management services typically provided 54120
by the commission to school districts have been delivered and the 54121
commission has canceled any remaining encumbrance of funds for 54122
those services. 54123

(B) The commission may issue a certificate of completion to a 54124
district board prior to all of the conditions described in 54125
division (A) of this section being satisfied, if the commission 54126
determines that the circumstances preventing the conditions from 54127
being satisfied are so minor in nature that the project should be 54128
considered complete. When issuing a certificate of completion 54129
under this division, the commission may specify any of the 54130
following: 54131

(1) Any construction or work that has yet to be completed and 54132
the manner in which the board shall oversee its completion, which 54133
may include procedures for reporting progress to the commission 54134
and for accounting of expenditures; 54135

(2) Terms and conditions for the resolution of any pending 54136
litigation; 54137

(3) Any remaining responsibilities of the construction manager regarding the project. 54138
54139

Sec. 3319.02. (A)(1) As used in this section, "other administrator" means any of the following: 54196
54197

(a) Except as provided in division (A)(2) of this section, 54198

any employee in a position for which a board of education requires 54199
a license designated by rule of the department of education for 54200
being an administrator issued under section 3319.22 of the Revised 54201
Code, including a professional pupil services employee or 54202

not employed as a school counselor and spends less than fifty per 54204

(b) Any nonlicensed employee whose job duties enable such 54206

(B) The board of education of each school district and the 54215
governing board of an educational service center may appoint one 54216
or more assistant superintendents and such other administrators as 54217
are necessary. An assistant educational service center 54218
superintendent or service center supervisor employed on a 54219
part-time basis may also be employed by a local board as a 54220
teacher. The board of each city, exempted village, and local 54221
school district shall employ principals for all high schools and 54222
for such other schools as the board designates, and those boards 54223
may appoint assistant principals for any school that they 54224

(C) In educational service centers and in city, exempted 54226
village, and local school districts, assistant superintendents, 54227
principals, assistant principals, and other administrators shall 54228
only be employed or reemployed in accordance with nominations of 54229

the superintendent, except that a board of education of a school 54230
district or the governing board of a service center, by a 54231
three-fourths vote of its full membership, may reemploy any 54232
assistant superintendent, principal, assistant principal, or other 54233

The board of education or governing board shall execute a 54235
written contract of employment with each assistant superintendent, 54236
principal, assistant principal, and other administrator it employs 54237
or reemploys. The term of such contract shall not exceed three 54238
years except that in the case of a person who has been employed as 54239
an assistant superintendent, principal, assistant principal, or 54240
other administrator in the district or center for three years or 54241
more, the term of the contract shall be for not more than five 54242
years and, unless the superintendent of the district recommends 54243
otherwise, not less than two years. If the superintendent so 54244
recommends, the term of the contract of a person who has been 54245
employed by the district or service center as an assistant 54246
superintendent, principal, assistant principal, or other 54247
administrator for three years or more may be one year, but all 54248
subsequent contracts granted such person shall be for a term of 54249
not less than two years and not more than five years. When a 54250
teacher with continuing service status becomes an assistant 54251
superintendent, principal, assistant principal, or other 54252
administrator with the district or service center with which the 54253
teacher holds continuing service status, the teacher retains such 54254
status in the teacher's nonadministrative position as provided in 54255
sections 3319.08 and 3319.09 of the Revised Code. 54256

A board of education or governing board may reemploy an 54257
assistant superintendent, principal, assistant principal, or other 54258
administrator at any regular or special meeting held during the 54259
period beginning on the first day of January of the calendar year 54260
immediately preceding the year of expiration of the employment 54261

contract and ending on the last day of March of the year the 54262
employment contract expires. 54263

Except by mutual agreement of the parties thereto, no 54264
assistant superintendent, principal, assistant principal, or other 54265
administrator shall be transferred during the life of a contract 54266
to a position of lesser responsibility. No contract may be 54267
terminated by a board except pursuant to section 3319.16 of the 54268
Revised Code. No contract may be suspended except pursuant to 54269
section 3319.17 or 3319.171 of the Revised Code. The salaries and 54270
compensation prescribed by such contracts shall not be reduced by 54271
a board unless such reduction is a part of a uniform plan 54272
affecting the entire district or center. The contract shall 54273
specify the employee's administrative position and duties as 54274
included in the job description adopted under division (D) of this 54275
section, the salary and other compensation to be paid for 54276
performance of duties, the number of days to be worked, the number 54277
of days of vacation leave, if any, and any paid holidays in the 54278
contractual year. 54279

An assistant superintendent, principal, assistant principal, 54280
or other administrator is, at the expiration of the current term 54281
of employment, deemed reemployed at the same salary plus any 54282
increments that may be authorized by the board, unless such 54283
employee notifies the board in writing to the contrary on or 54284
before the first day of June, or unless such board, on or before 54285
the last day of March of the year in which the contract of 54286
employment expires, either reemploys such employee for a 54287
succeeding term or gives written notice of its intention not to 54288
reemploy the employee. The term of reemployment of a person 54289
reemployed under this paragraph shall be one year, except that if 54290
such person has been employed by the school district or service 54291
center as an assistant superintendent, principal, assistant 54292
principal, or other administrator for three years or more, the 54293

term of reemployment shall be two years. 54294

(D)(1) Each board shall adopt procedures for the evaluation 54295
of all assistant superintendents, principals, assistant 54296
principals, and other administrators and shall evaluate such 54297
employees in accordance with those procedures. The procedures for 54298
the evaluation of principals shall be based on principles 54299
comparable to the teacher evaluation policy adopted by the board 54300
under section 3319.111 of the Revised Code, including the 54301
requirement for at least fifty per cent of each evaluation to be 54302
based on measures of student academic growth, but shall be 54303
tailored to the duties and responsibilities of principals and the 54304
environment in which principals work. An evaluation based upon 54305
~~such~~ procedures adopted under this division shall be considered by 54306
the board in deciding whether to renew the contract of employment 54307
of an assistant superintendent, principal, assistant principal, or 54308
other administrator. In the case of a principal, the evaluation 54309
also shall be considered in making decisions about compensation, 54310
termination, reductions in force, and professional development. 54311

(2) The evaluation shall measure each assistant 54312
superintendent's, principal's, assistant principal's, and other 54313
administrator's effectiveness in performing the duties included in 54314
the job description and the evaluation procedures shall provide 54315
for, but not be limited to, the following: 54316

(a) Each assistant superintendent, principal, assistant 54317
principal, and other administrator shall be evaluated annually 54318
through a written evaluation process. 54319

(b) The evaluation shall be conducted by the superintendent 54320
or designee. 54321

(c) In order to provide time to show progress in correcting 54322
the deficiencies identified in the evaluation process, the 54323
evaluation process shall be completed as follows: 54324

(i) In any school year that the employee's contract of employment is not due to expire, at least one evaluation shall be completed in that year. A written copy of the evaluation shall be provided to the employee no later than the end of the employee's contract year as defined by the employee's annual salary notice.

(ii) In any school year that the employee's contract of employment is due to expire, at least a preliminary evaluation and at least a final evaluation shall be completed in that year. A written copy of the preliminary evaluation shall be provided to the employee at least sixty days prior to any action by the board on the employee's contract of employment. The final evaluation shall indicate the superintendent's intended recommendation to the board regarding a contract of employment for the employee. A written copy of the evaluation shall be provided to the employee at least five days prior to the board's acting to renew or not renew the contract.

(3) Termination of an assistant superintendent, principal, assistant principal, or other administrator's contract shall be pursuant to section 3319.16 of the Revised Code. Suspension of any such employee shall be pursuant to section 3319.17 or 3319.171 of the Revised Code.

(4) Before taking action to renew or nonrenew the contract of an assistant superintendent, principal, assistant principal, or other administrator under this section and prior to the last day of March of the year in which such employee's contract expires, the board shall notify each such employee of the date that the contract expires and that the employee may request a meeting with the board. Upon request by such an employee, the board shall grant the employee a meeting in executive session. In that meeting, the board shall discuss its reasons for considering renewal or nonrenewal of the contract. The employee shall be permitted to have a representative, chosen by the employee, present at the

meeting. 54357

(5) The establishment of an evaluation procedure shall not 54358
create an expectancy of continued employment. Nothing in division 54359
(D) of this section shall prevent a board from making the final 54360
determination regarding the renewal or nonrenewal of the contract 54361
of any assistant superintendent, principal, assistant principal, 54362
or other administrator. However, if a board fails to provide 54363
evaluations pursuant to division (D)(2)(c)(i) or (ii) of this 54364
section, or if the board fails to provide at the request of the 54365
employee a meeting as prescribed in division (D)(4) of this 54366
section, the employee automatically shall be reemployed at the 54367
same salary plus any increments that may be authorized by the 54368
board for a period of one year, except that if the employee has 54369
been employed by the district or service center as an assistant 54370
superintendent, principal, assistant principal, or other 54371
administrator for three years or more, the period of reemployment 54372
shall be for two years. 54373

(E) On nomination of the superintendent of a service center a 54374
governing board may employ supervisors who shall be employed under 54375
written contracts of employment for terms not to exceed five years 54376
each. Such contracts may be terminated by a governing board 54377
pursuant to section 3319.16 of the Revised Code. Any supervisor 54378
employed pursuant to this division may terminate the contract of 54379
employment at the end of any school year after giving the board at 54380
least thirty days' written notice prior to such termination. On 54381
the recommendation of the superintendent the contract or contracts 54382
of any supervisor employed pursuant to this division may be 54383
suspended for the remainder of the term of any such contract 54384
pursuant to section 3319.17 or 3319.171 of the Revised Code. 54385

(F) A board may establish vacation leave for any individuals 54386
employed under this section. Upon such an individual's separation 54387
from employment, a board that has such leave may compensate such 54388

an individual at the individual's current rate of pay for all 54389
lawfully accrued and unused vacation leave credited at the time of 54390
separation, not to exceed the amount accrued within three years 54391
before the date of separation. In case of the death of an 54392
individual employed under this section, such unused vacation leave 54393
as the board would have paid to the individual upon separation 54394
under this section shall be paid in accordance with section 54395
2113.04 of the Revised Code, or to the estate. 54396

(G) The board of education of any school district may 54397
contract with the governing board of the educational service 54398
center from which it otherwise receives services to conduct 54399
searches and recruitment of candidates for assistant 54400
superintendent, principal, assistant principal, and other 54401
administrator positions authorized under this section. 54402

Sec. 3319.08. (A) The board of education of each city, 54403
exempted village, local, and joint vocational school district and 54404
the governing board of each educational service center shall enter 54405
into written contracts for the employment and reemployment of all 54406
teachers. Contracts for the employment of teachers shall be of two 54407
types, limited contracts and continuing contracts. The board of 54408
each school district or service center that authorizes 54409
compensation in addition to the ~~base salary stated in the~~ 54410
~~teachers' salary schedule~~ paid under section 3317.14 or 3317.141 54411
of the Revised Code for the performance of duties by a teacher 54412
that are in addition to the teacher's regular teaching duties, 54413
shall enter into a supplemental written contract with each teacher 54414
who is to perform additional duties. Such supplemental written 54415
contracts shall be limited contracts. Such written contracts and 54416
supplemental written contracts shall set forth the teacher's 54417
duties and shall specify the salaries and compensation to be paid 54418
for regular teaching duties and additional teaching duties, 54419
respectively, either or both of which may be increased but not 54420

diminished during the term for which the contract is made, except 54421
as provided in section 3319.12 of the Revised Code. 54422

If a board adopts a motion or resolution to employ a teacher 54423
under a limited or continuing contract and the teacher accepts 54424
such employment, the failure of such parties to execute a written 54425
contract shall not void such employment contract. 54426

(B) Teachers must be paid for all time lost when the schools 54427
in which they are employed are closed due to an epidemic or other 54428
public calamity, and for time lost due to illness or otherwise for 54429
not less than five days annually as authorized by regulations 54430
which each board shall adopt. 54431

(1) For a superintendent, a contract for such term as 54433
authorized by section 3319.01 of the Revised Code; 54434

with that classroom teacher shall be for a term of not less than 54450

two years and not more than five years. 54451

permit or educational paraprofessional license shall neither 54615

educational assistants, even though they assist a teacher and work 54623
under the direction of a teacher shall not be required to hold a 54624
permit or license issued pursuant to this section. Students 54625
preparing to become licensed teachers or educational assistants 54626

are assigned, as part of their training program, to work with a 54629
teacher in a school district. Such students shall not be 54630
compensated for such services. 54631

by the teacher's immediate administrative officer, a teacher to 54634
whom an educational assistant is assigned shall make all final 54635
determinations of the duties to be assigned to such assistant. 54636

educational assistant shall divulge, except to the teacher to whom 54641
assigned, or the administrator of the school in the absence of the 54642
teacher to whom assigned, or when required to testify in a court 54643
or proceedings, any personal information concerning any pupil in 54644
the school district which was obtained or obtainable by the 54645
educational assistant while so employed. Violation of this 54646
provision is grounds for disciplinary action or dismissal, or 54647
both. 54648

Sec. 3319.11. (A) As used in this section: 54649

(1) "Evaluation procedures" means the procedures required by 54650
the policy adopted pursuant to division ~~(B)~~(A) of section 3319.111 54651
of the Revised Code. 54652

(2) "Limited contract" means a limited contract, as described 54653
in section 3319.08 of the Revised Code, that a school district 54654
board of education or governing board of an educational service 54655
center enters into with a teacher who is not eligible for 54656

(B) Teachers eligible for continuing service status in any 54662
city, exempted village, local, or joint vocational school district 54663

of this amendment have taught for at least three years in the 54667

district or center, and those teachers who, having attained 54668
continuing contract status elsewhere, have served two years in the 54669
district or center, but the board, upon the recommendation of the 54670
superintendent, may at the time of employment or at any time 54671
within such two-year period, declare any of the latter teachers 54672
eligible. Notwithstanding any provision to the contrary in Chapter 54673
4117. of the Revised Code, the requirements of this paragraph 54674
prevail over any conflicting provisions of a collective bargaining 54675
agreement entered into on or after the effective date of this 54676
amendment. 54677

(1) Upon the recommendation of the superintendent that a 54678
teacher eligible for continuing service status be reemployed, a 54679
continuing contract shall be entered into between the board and 54680
the teacher unless the board by a three-fourths vote of its full 54681
membership rejects the recommendation of the superintendent. If 54682
the board rejects by a three-fourths vote of its full membership 54683
the recommendation of the superintendent that a teacher eligible 54684
for continuing service status be reemployed and the superintendent 54685

schedule. The teacher is presumed to have accepted employment 54697
under the extended limited contract for a term ~~not to exceed one~~ 54698
~~year~~ of two years unless such teacher notifies the board in 54699
writing to the contrary on or before the first day of June, and an 54700

extended limited contract for a term ~~not to exceed one year~~ of two 54701
years shall be executed accordingly. Upon any subsequent 54702
reemployment of the teacher only a continuing contract may be 54703
entered into. 54704

declare its intention not to reemploy the teacher by giving the 54707
teacher written notice on or before the thirtieth day of April of 54708
its intention not to reemploy the teacher. If evaluation 54709
procedures have not been complied with pursuant to ~~division (A) of~~ 54710
section 3319.111 of the Revised Code or the board does not give 54711
the teacher written notice on or before the thirtieth day of April 54712
of its intention not to reemploy the teacher, the teacher is 54713
deemed reemployed under an extended limited contract for a term 54714
~~not to exceed one year~~ of two years at the same salary plus any 54715
increment provided by the salary schedule. The teacher is presumed 54716
to have accepted employment under the extended limited contract 54717
for a term ~~not to exceed one year~~ of two years unless such teacher 54718
notifies the board in writing to the contrary on or before the 54719
first day of June, and an extended limited contract for a term ~~not~~ 54720
~~to exceed one year~~ of two years shall be executed accordingly. 54721
Upon any subsequent reemployment of a teacher only a continuing 54722
contract may be entered into. 54723

(3) Any teacher receiving written notice of the intention of 54724
a board not to reemploy such teacher pursuant to this division is 54725
entitled to the hearing provisions of division (G) of this 54726
section. 54727

(C)(1) If a board rejects the recommendation of the 54728
superintendent for reemployment of a teacher pursuant to division 54729
(B)(1) of this section, the superintendent may recommend 54730
reemployment of the teacher, if continuing service status has not 54731
previously been attained elsewhere, under an extended limited 54732

contract for a term ~~not to exceed~~ of two years, provided that 54733
written notice of the superintendent's intention to make such 54734
recommendation has been given to the teacher with reasons directed 54735
at the professional improvement of the teacher on or before the 54736
thirtieth day of April. Upon subsequent reemployment of the 54737
teacher only a continuing contract may be entered into. 54738

(2) If a board of education takes affirmative action on a 54739
superintendent's recommendation, made pursuant to division (C)(1) 54740
of this section, of an extended limited contract ~~for a term not to~~ 54741
~~exceed two years~~ but the board does not give the teacher written 54742
notice of its affirmative action on the superintendent's 54743
recommendation of an extended limited contract on or before the 54744
thirtieth day of April, the teacher is deemed reemployed under a 54745
continuing contract at the same salary plus any increment provided 54746
by the salary schedule. The teacher is presumed to have accepted 54747
employment under such continuing contract unless such teacher 54748
notifies the board in writing to the contrary on or before the 54749
first day of June, and a continuing contract shall be executed 54750
accordingly. 54751

(3) A board shall not reject a superintendent's 54752
recommendation, made pursuant to division (C)(1) of this section, 54753
of an extended limited contract ~~for a term not to exceed two years~~ 54754
except by a three-fourths vote of its full membership. If a board 54755
rejects by a three-fourths vote of its full membership the 54756
recommendation of the superintendent of an extended limited 54757
contract ~~for a term not to exceed two years~~, the board may declare 54758
its intention not to reemploy the teacher by giving the teacher 54759
written notice on or before the thirtieth day of April of its 54760
intention not to reemploy the teacher. If evaluation procedures 54761
have not been complied with pursuant to ~~division (A) of~~ section 54762
3319.111 of the Revised Code or if the board does not give the 54763
teacher written notice on or before the thirtieth day of April of 54764

its intention not to reemploy the teacher, the teacher is deemed 54765
reemployed under an extended limited contract for a term ~~not to~~ 54766
~~exceed one year of two years~~ at the same salary plus any increment 54767
provided by the salary schedule. The teacher is presumed to have 54768
accepted employment under the extended limited contract for a term 54769
~~not to exceed one year of two years~~ unless such teacher notifies 54770
the board in writing to the contrary on or before the first day of 54771
June, and an extended limited contract for a term ~~not to exceed~~ 54772
~~one year of two years~~ shall be executed accordingly. Upon any 54773
subsequent reemployment of the teacher only a continuing contract 54774
may be entered into. 54775

Any teacher receiving written notice of the intention of a 54776
board not to reemploy such teacher pursuant to this division is 54777
entitled to the hearing provisions of division (G) of this 54778
section. 54779

(D) A teacher eligible for continuing contract status 54780
employed under an extended limited contract pursuant to division 54781
(B) or (C) of this section, is, at the expiration of such extended 54782
limited contract, deemed reemployed under a continuing contract at 54783
the same salary plus any increment granted by the salary schedule, 54784
unless evaluation procedures have been complied with pursuant to 54785
~~division (A) of~~ section 3319.111 of the Revised Code and the 54786
employing board, acting on the superintendent's recommendation 54787
that the teacher not be reemployed, gives the teacher written 54788
notice on or before the thirtieth day of April of its intention 54789
not to reemploy such teacher. A teacher who does not have 54790

the first day of June, and a continuing contract shall be executed 54797
accordingly. 54798

Any teacher receiving a written notice of the intention of a 54799

expiration of such limited contract, considered reemployed under 54811
the provisions of this division at the same salary plus any 54812
increment provided by the salary schedule unless evaluation 54813
procedures have been complied with pursuant to ~~division (A) of~~ 54814

acting upon the superintendent's written recommendation that the 54816
teacher not be reemployed, gives such teacher written notice of 54817
its intention not to reemploy such teacher on or before the 54818
thirtieth day of April. A teacher who does not have evaluation 54819
procedures applied in compliance with ~~division (A) of~~ section 54820

this section shall not prejudice or prevent a teacher from being 54836
deemed reemployed under either a limited or continuing contract as 54837
the case may be under the provisions of this section. A failure of 54838
the parties to execute a written contract shall not void any 54839
automatic reemployment provisions of this section. 54840

(G)(1) Any teacher receiving written notice of the intention 54841
of a board of education not to reemploy such teacher pursuant to 54842

section. Otherwise, the determination whether to reemploy or not 54906
reemploy a teacher is solely a board's determination and not a 54907
proper subject of judicial review and, except as provided in this 54908
division, no decision of a board whether to reemploy or not 54909
reemploy a teacher shall be invalidated by the court on any basis, 54910

expected performance levels, and information on how to obtain 54980
assistance in making needed improvements. 54981

(B) For the portion of a teacher's evaluation based on 54982
measures of student academic growth, the following shall apply: 54983

Revised Code. 55209

Sec. 3319.141. Each person who is employed by any board of 55210

Unused sick leave shall be cumulative up to one hundred twenty 55223
work days, unless more than one hundred twenty days are approved 55224
by the employing board of education. The previously accumulated 55225

124.38 of the Revised Code. Each board of education may establish 55242
regulations for the entitlement, crediting and use of sick leave 55243
by those substitute teachers employed by such board pursuant to 55244
section 3319.10 of the Revised Code who are not otherwise entitled 55245
to sick leave pursuant to such section. A board of education shall 55246

suspension or termination of employment under sections 3319.081 55255
and 3319.16 of the Revised Code. No sick leave shall be granted or 55256
credited to a teacher after ~~his~~ the teacher's retirement or 55257

regulations adopted by a board of education pursuant to section 55260
3319.08 of the Revised Code shall not be charged against sick 55261
leave earned or earnable under this section. Nothing in this 55262
section shall be construed to affect in any other way the granting 55263
of leave pursuant to section 3319.08 of the Revised Code and any 55264

granting of sick leave pursuant to such section shall be charged 55265
against sick leave accumulated pursuant to this section. 55266

This section shall not be construed to interfere with any 55267
unused sick leave credit in any agency of government where 55268
attendance records are maintained and credit has been given for 55269
unused sick leave. Unused sick leave accumulated by teachers and 55270
nonteaching school employees under section 124.38 of the Revised 55271
Code shall continue to be credited toward the maximum accumulation 55272
permitted in accordance with this section. Each newly hired 55273

<u>(b) The provisions of this section relating to the grounds for termination of the contract of a teacher, as they exist on and after the effective date of this amendment, prevail over any conflicting provisions of a collective bargaining agreement entered into on or after that effective date.</u>	55311 55312 55313 55314 55315
<u>(B) Before terminating any contract, the employing board shall furnish the teacher a written notice signed by its treasurer of its intention to consider the termination of the teacher's contract with full specification of the grounds for such consideration. The board shall not proceed with formal action to terminate the contract until after the tenth day after receipt of the notice by the teacher. Within ten days after receipt of the notice from the treasurer of the board, the teacher may file with the treasurer a written demand for a hearing before the board or before a referee, and the board shall set a time for the hearing</u>	55316 55317 55318 55319 55320 55321 55322 55323 55324 55325

twenty days' notice in writing of the time and place of the 55328
hearing. ~~If a referee is demanded by either the teacher or board,~~ 55329
~~the treasurer also shall give twenty days' notice to the~~ 55330
~~superintendent of public instruction. No hearing shall be held~~ 55331
~~during the summer vacation without the teacher's consent.~~ The 55332

~~pursuant to section 3319.161 of the Revised Code, if demanded;~~ 55335
~~otherwise,~~ it shall be conducted by a majority of the members of 55336
the board and shall be confined to the grounds given for the 55337
termination. The board shall provide for a complete stenographic 55338
record of the proceedings, a copy of the record to be furnished to 55339
the teacher. The board may suspend a teacher pending final action 55340

character of the charges warrants such action. 55342

Both parties may be present at such hearing, be represented 55343
by counsel, require witnesses to be under oath, cross-examine 55344
witnesses, take a record of the proceedings, and require the 55345
presence of witnesses in their behalf upon subpoena to be issued 55346
by the treasurer of the board. In case of the failure of any 55347
person to comply with a subpoena, a judge of the court of common 55348
pleas of the county in which the person resides, upon application 55349
of any interested party, shall compel attendance of the person by 55350
attachment proceedings as for contempt. Any member of the board ~~or~~ 55351
~~the referee~~ may administer oaths to witnesses. ~~After a hearing by~~ 55352
~~a referee, the referee shall file a report within ten days after~~ 55353
~~the termination of the hearing. After consideration of the~~ 55354
~~referee's report, the board, by a majority vote, may accept or~~ 55355
~~reject the referee's recommendation on the termination of the~~ 55356
~~teacher's contract.~~ After a hearing by the board, the board, by 55357
majority vote, may enter its determination upon its minutes. Any 55358

order of termination of a contract shall state the grounds for 55359
termination. If the decision, after hearing, is against 55360
termination of the contract, the charges and the record of the 55361
hearing shall be physically expunged from the minutes, and, if the 55362
teacher has suffered any loss of salary by reason of being 55363
suspended, the teacher shall be paid the teacher's full salary for 55364
the period of such suspension. 55365

Any teacher affected by an order of termination of contract 55366
may appeal to the court of common pleas of the county in which the 55367
school is located in accordance with division (C) of this section 55368
or request execution of the grievance procedure specified in any 55369
collective bargaining agreement that is applicable to the teacher, 55370
but may not do both. Notwithstanding any provision to the contrary 55371
in Chapter 4117. of the Revised Code, the provisions of this 55372
paragraph prevail over any conflicting provisions of a collective 55373
bargaining agreement entered into on or after the effective date 55374
of this amendment. 55375

(C) An appeal of the board's order of termination to the 55376
court of common pleas shall be filed within thirty days after 55377
receipt of notice of the entry of such order. The appeal shall be 55378
an original action in the court and shall be commenced by the 55379
filing of a complaint against the board, in which complaint the 55380
facts shall be alleged upon which the teacher relies for a 55381
reversal or modification of such order of termination of contract. 55382
Upon service or waiver of summons in that appeal, the board 55383
immediately shall transmit to the clerk of the court for filing a 55384
transcript of the original papers filed with the board, a 55385
certified copy of the minutes of the board into which the 55386
termination finding was entered, and a certified transcript of all 55387
evidence adduced at the hearing or hearings before the board ~~or a~~ 55388
~~certified transcript of all evidence adduced at the hearing or~~ 55389
~~hearings before the referee,~~ whereupon the cause shall be at issue 55390

without further pleading and shall be advanced and heard without 55391
delay. The court shall examine the transcript and record of the 55392
hearing and shall hold such additional hearings as it considers 55393
advisable, at which it may consider other evidence in addition to 55394
the transcript and record. 55395

Upon final hearing, the court shall grant or deny the relief 55396
prayed for in the complaint as may be proper in accordance with 55397
the evidence adduced in the hearing. Such an action is a special 55398
proceeding, and either the teacher or the board may appeal from 55399
the decision of the court of common pleas pursuant to the Rules of 55400
Appellate Procedure and, to the extent not in conflict with those 55401
rules, Chapter 2505. of the Revised Code. 55402

In any court action, the board may utilize the services of 55403
the prosecuting attorney, village solicitor, city director of law, 55404
or other chief legal officer of a municipal corporation as 55405
authorized by section 3313.35 of the Revised Code, or may employ 55406
other legal counsel. 55407

(D) A violation of division (A)(7) of section 2907.03 of the 55408
Revised Code is grounds for termination of a teacher contract 55409
under this section. 55410

(E) A board may terminate the contract of a teacher without 55411
good and just cause at any time in the teacher's first year of 55412
employment with the board, if the board has entered into a 55413
one-year contract with the teacher under section 3319.08 of the 55414
Revised Code. In the case of a termination under this division, 55415
the teacher shall not be entitled to the due process procedures 55416
prescribed by divisions (B) and (C) of this section. 55417

Sec. 3319.17. (A) As used in this section, "interdistrict 55418
contract" means any contract or agreement entered into by an 55419
educational service center governing board and another board or 55420
other public entity pursuant to section 3313.17, 3313.841, 55421

3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the Revised Code, including any such contract or agreement for the provision of services funded under division ~~(I)~~(E) of section 3317.024 of the Revised Code or provided in any unit approved under section 3317.05 of the Revised Code.

(B) When, for any of the following reasons that apply to any city, exempted village, local, or joint vocational school district or any educational service center, the board decides that it will be necessary to reduce the number of teachers it employs, it may make a reasonable reduction:

(1) In the case of any district or service center, return to duty of regular teachers after leaves of absence including ~~leaves provided pursuant to division (B) of section 3314.10 of the Revised Code~~, suspension of schools, territorial changes affecting the district or center, or financial reasons;

(2) In the case of any city, exempted village, local, or joint vocational school district, decreased enrollment of pupils in the district;

(3) In the case of any governing board of a service center providing any particular service directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total number of pupils the governing board is required to provide with the service under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these interdistrict contracts;

(4) In the case of any governing board providing any particular service that it does not provide directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total level of the service the governing board is required to provide under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these

interdistrict contracts. 55453

(C) In making any such reduction, ~~any city, exempted village,~~ 55454
~~local, or joint vocational school~~ the district board or service 55455
center governing board shall proceed to suspend contracts in 55456
accordance with the recommendation of the superintendent of 55457
~~schools who shall, within each teaching field affected, give~~ 55458
~~preference first to teachers on continuing contracts and then to~~ 55459
~~teachers who have greater seniority. In making any such reduction,~~ 55460
~~any governing board of a service center shall proceed to suspend~~ 55461
~~contracts in accordance with the recommendation of the~~ 55462
~~superintendent who shall, within each teaching field or service~~ 55463
~~area affected, give preference first to teachers on continuing~~ 55464
~~contracts and then to teachers who have greater seniority. The~~ 55465
board shall consider evaluations conducted under section 3319.111 55466
of the Revised Code in determining the order of reductions under 55467
this section. Within the teaching field or service area affected, 55468
the board shall suspend teachers with evaluation ratings of 55469
unsatisfactory first, teachers with evaluation ratings of needs 55470
improvement second, teachers with evaluation ratings of effective 55471
third, and teachers with evaluation ratings of highly effective 55472
last, until all necessary reductions have occurred. The board 55473
shall not give preference in retention to any teacher based on 55474
seniority. 55475

On a case-by-case basis, in lieu of suspending a contract in 55476
whole, a board may suspend a contract in part, so that an 55477
individual is required to work a percentage of the time the 55478
employee otherwise is required to work under the contract and 55479
receives a commensurate percentage of the full compensation the 55480
employee otherwise would receive under the contract. 55481

The teachers whose continuing contracts are suspended by any 55482
board pursuant to this section shall have the right of restoration 55483
to continuing service status by that board ~~in the order of~~ 55484

~~seniority of service in the district or service center~~ if and when 55485
teaching positions become vacant or are created for which any of 55486
such teachers are or become qualified. No teacher whose continuing 55487
contract has been suspended pursuant to this section shall lose 55488
that right of restoration to continuing service status by reason 55489
of having declined recall to a position that is less than 55490
full-time or, if the teacher was not employed full-time just prior 55491
to suspension of the teacher's continuing contract, to a position 55492
requiring a lesser percentage of full-time employment than the 55493
position the teacher last held while employed in the district or 55494
service center. 55495

(D) Notwithstanding any provision to the contrary in Chapter 55496
4117. of the Revised Code, ~~the:~~ 55497

(1) The requirements of this section, as it existed prior to 55498
the effective date of this amendment, prevail over any conflicting 55499
provisions of agreements between employee organizations and public 55500
employers entered into ~~after~~ between September 29, 2005, and that 55501
effective date; 55502

(2) The requirements of this section, as it exists on and 55503
after the effective date of this amendment, prevail over any 55504
conflicting provisions of agreements between employee 55505
organizations and public employers entered into on or after that 55506
effective date. 55507

Sec. 3319.18. If an entire school district or that part of a 55508
school district which comprises the territory in which a school is 55509
situated is transferred to any other district, or if a new school 55510
district is created, the teachers in such districts or schools 55511
employed on continuing contracts immediately prior to such 55512
transfer, or creation shall, subject to section 3319.17 or 55513
3319.171 of the Revised Code, have continuing service status in 55514
the newly created district, or in the district to which the 55515

territory is transferred. 55516

The limited contracts of the teachers employed in such 55517
districts or schools immediately prior to such transfer, or 55518
creation, shall become the legal obligations of the board of 55519
education in the newly created district, or in the district to 55520
which the territory is transferred, subject to section 3319.17 or 55521
3319.171 of the Revised Code. The teaching experience of such 55522
teachers in such prior districts or schools shall be included in 55523
the three years of service required under section 3319.11 of the 55524
Revised Code for a teacher to become eligible for continuing 55525
service status. 55526

Teachers employed on limited or continuing contracts in an 55527
entire school district or that part of a school district which 55528
comprises the territory in which a school is situated which is 55529
transferred to any other district or which is merged with other 55530
school territory to create a new school district, shall be placed, 55531
on the effective date of such transfer or merger, on the salary 55532
schedule of the district to which the territory is transferred or 55533
the newly created district, ~~according to their training and~~ 55534
~~experience. Such experience shall be the total sum of the years~~ 55535
~~taught in the district whose territory was transferred or merged~~ 55536
~~to create a new district, plus the total number of years of~~ 55537
~~teaching experience recognized by such previous district upon its~~ 55538
~~first employment of such teachers.~~ 55539

The placement of the teachers on the salary schedule, 55540
pursuant to this section, shall not result, however, in the salary 55541
of any teacher being less than the teacher's current annual salary 55542
for regular duties, in existence immediately prior to the merger 55543
or transfer. 55544

~~In making any reduction in the number of teachers under~~ 55545
~~section 3319.17 of the Revised Code by reason of the transfer or~~ 55546
~~consolidation of school territory, the years of teaching service~~ 55547

~~of the teachers employed in the district or schools transferred to~~ 55548
~~any other district or merged with any school territory to create a~~ 55549
~~new district, shall be included as a part of the seniority on~~ 55550
~~which the recommendation of the superintendent of schools shall be~~ 55551
~~based, under section 3319.17 of the Revised Code. Such service~~ 55552
~~shall have been continuous and shall include years of service in~~ 55553
~~the previous district as well as the years of continuous service~~ 55554
~~in any district which had been previously transferred to or~~ 55555
~~consolidated to form such district.~~ When suspending contracts in 55556
accordance with an administrative personnel suspension policy 55557
adopted under section 3319.171 of the Revised Code, a board may 55558
consider years of teaching service in the previous district in its 55559
decision if it is a part of the suspension policy. 55560

Sec. 3319.19. (A) Except as provided in division (D) of this 55561
section or division (A)(2) of section 3313.37 of the Revised Code, 55562
upon request, the board of county commissioners shall provide and 55563
equip offices in the county for the use of the superintendent of 55564
an educational service center, and shall provide heat, light, 55565
water, and janitorial services for such offices. Such offices 55566
shall be the permanent headquarters of the superintendent and 55567
shall be used by the governing board of the service center when it 55568
is in session. Except as provided in division (B) of this section, 55569
such offices shall be located in the county seat or, upon the 55570
approval of the governing board, may be located outside of the 55571
county seat. 55572

(B) In the case of a service center formed under section 55573
3311.053 ~~or 3311.059~~ of the Revised Code, the governing board 55574
shall designate the site of its offices. Except as provided in 55575
division (D) of this section or division (A)(2) of section 3313.37 55576
of the Revised Code, the board of county commissioners of the 55577
county in which the designated site is located shall provide and 55578
equip the offices as under division (A) of this section, but the 55579

costs of such offices and equipment shall be apportioned among the boards of county commissioners of all counties having any territory in the area under the control of the governing board, according to the proportion of local school district pupils under the supervision of such board residing in the respective counties. Where there is a dispute as to the amount any board of county commissioners is required to pay, the probate judge of the county in which the greatest number of pupils under the supervision of the governing board reside shall apportion such costs among the boards of county commissioners and notify each such board of its share of the costs.

(C) As used in division (C) of this section, in the case of a building, facility, or office space that a board of county commissioners leases or rents, "actual cost per square foot" means all cost on a per square foot basis incurred by the board under the lease or rental agreement. In the case of a building, facility, or office space that the board owns in fee simple, "actual cost per square foot" means the fair rental value on a per square foot basis of the building, facility, or office space either as compared to a similarly situated building, facility, or office space in the general vicinity or as calculated under a formula that accounts for depreciation, amortization of improvements, and other reasonable factors, including, but not limited to, parking space and other amenities.

Not later than the thirty-first day of March of 2002, 2003, 2004, and 2005 a board of county commissioners required to provide or equip offices pursuant to division (A) or (B) of this section shall make a written estimate of the total cost it will incur for the ensuing fiscal year to provide and equip the offices and to provide heat, light, water, and janitorial services for such offices. The total estimate of cost shall include:

(1) The total square feet of space to be utilized by the

educational service center; 55612

(2) The total square feet of any common areas that should be 55613
reasonably allocated to the center and the methodology for making 55614
this allocation; 55615

(3) The actual cost per square foot for both the space 55616
utilized by and the common area allocated to the center; 55617

(4) An explanation of the methodology used to determine the 55618
actual cost per square foot; 55619

(5) The estimated cost of providing heat, light, and water, 55620
including an explanation of how these costs were determined; 55621

(6) The estimated cost of providing janitorial services 55622
including an explanation of the methodology used to determine this 55623
cost; 55624

(7) Any other estimated costs that the board anticipates it 55625
will ~~occur~~ incur and a detailed explanation of the costs and the 55626
rationale used to determine such costs. 55627

A copy of the total estimate of costs under this division 55628
shall be sent to the superintendent of the educational service 55629
center not later than the fifth day of April. The superintendent 55630
shall review the total estimate and shall notify the board of 55631
county commissioners not later than twenty days after receipt of 55632
the estimate of either agreement with the estimate or any specific 55633
objections to the estimates and the reasons for the objections. If 55634
the superintendent agrees with the estimate, it shall become the 55635
final total estimate of cost. Failure of the superintendent to 55636
make objections to the estimate by the twentieth day after receipt 55637
of it shall be deemed to mean that the superintendent is in 55638
agreement with the estimate. 55639

If the superintendent provides specific objections to the 55640
board of county commissioners, the board shall review the 55641

objections and may modify the original estimate and shall send a 55642
revised total estimate to the superintendent within ten days after 55643
the receipt of the superintendent's objections. The superintendent 55644
shall respond to the revised estimate within ten days after its 55645
receipt. If the superintendent agrees with it, it shall become the 55646
final total estimated cost. If the superintendent fails to respond 55647
within the required time, the superintendent shall be deemed to 55648
have agreed with the revised estimate. If the superintendent 55649
disagrees with the revised estimate, the superintendent shall send 55650
specific objections to the county commissioners. 55651

If a superintendent has sent specific objections to the 55652
revised estimate within the required time, the probate judge of 55653
the county which has the greatest number of resident local school 55654
district pupils under the supervision of the educational service 55655
center shall determine the final estimated cost and certify this 55656
amount to the superintendent and the board of county commissioners 55657
prior to the first day of July. 55658

(D)(1) A board of county commissioners shall be responsible 55659
for the following percentages of the final total estimated cost 55660
established by division (C) of this section: 55661

(a) Eighty per cent for fiscal year 2003; 55662

(b) Sixty per cent for fiscal year 2004; 55663

(c) Forty per cent for fiscal year 2005; 55664

(d) Twenty per cent for fiscal year 2006. 55665

In fiscal years 2003, 2004, 2005, and 2006 the educational 55666
service center shall be responsible for the remainder of any costs 55667
in excess of the amounts specified in division (D)(1)(a),(b), (c), 55668
or (d) of this section, as applicable, associated with the 55669
provision and equipment of offices for the educational service 55670
center and for provision of heat, light, water, and janitorial 55671
services for such offices, including any unanticipated or 55672

unexpected increases in the costs beyond the final estimated cost amount. 55673
55674

Beginning in fiscal year 2007, no board of county commissioners shall have any obligation to provide and equip offices for an educational service center or to provide heat, light, water, or janitorial services for such offices. 55675
55676
55677
55678

(2) Nothing in this section shall prohibit the board of county commissioners and the governing board of an educational service center from entering into a contract for providing and equipping offices for the use of an educational service center and for providing heat, light, water, and janitorial services for such offices. The term of any such contract shall not exceed a period of four years and may be renewed for additional periods not to exceed four years. Any such contract shall supersede the provisions of division (D)(1) of this section and no educational service center may be charged, at any time, any additional amount for the county's provision of an office and equipment, heat, light, water, and janitorial services beyond the amount specified in such contract. 55679

Article VIII, Ohio Constitution. 58263

(3) Any other pertinent conditions established in rules 58264
adopted under division (H) of this section. 58265

(C) If the chancellor approves the request of a community or 58266
technical college district to withhold and deposit funds pursuant 58267
to this section, the chancellor shall enter into a written 58268
agreement with the district and the primary paying agent or fiscal 58269
agent for the obligations, which agreement shall provide for the 58270
withholding of funds pursuant to this section for the payment of 58271
bond service charges on those obligations. The agreement may also 58272
include both of the following: 58273

(1) Provisions for certification by the district to the 58274
chancellor, prior to the deadline for payment of the applicable 58275
bond service charges, whether the district and the community or 58276
technical college it operates are able to pay those bond service 58277
charges when due; 58278

(2) Requirements that the district or the community or 58279
technical college it operates deposits amounts for the payment of 58280
those bond service charges with the primary paying agent or fiscal 58281
agent for the obligations prior to the date on which the bond 58282
service charges are due to the owners or holders of the 58283
obligations. 58284

(D) Whenever a district or the community or technical college 58285
it operates notifies the chancellor that it will not be able to 58286
pay the bond service charges when they are due, subject to the 58287
withholding provisions of this section, or whenever the applicable 58288
paying agent or fiscal agent notifies the chancellor that it has 58289
not timely received from a district or from the college it 58290
operates the full amount needed for payment of the bond service 58291
charges when due to the holders or owners of such obligations, the 58292
chancellor shall immediately contact the district or college and 58293
the paying agent or fiscal agent to confirm that the district and 58294
the college are not able to make the required payment by the date 58295
on which it is due. 58296

If the chancellor confirms that the district and the college 58297
are not able to make the payment and the payment will not be made 58298
pursuant to a credit enhancement facility, the chancellor shall 58299
promptly pay to the applicable primary paying agent or fiscal 58300
agent the lesser of the amount due for bond service charges or the 58301
amount of the next periodic distribution scheduled to be made to 58302
the district or to the college in respect of its allocated state 58303
share of instruction. If this amount is insufficient to pay the 58304
total amount then due the agent for the payment of bond service 58305

charges, the chancellor shall continue to pay to the agent from 58306
each periodic distribution thereafter, and until the full amount 58307
due the agent for unpaid bond service charges is paid in full, the 58308
lesser of the remaining amount due the agent for bond service 58309
charges or the amount of the next periodic distribution scheduled 58310
to be made to the district or college in respect of its allocated 58311
state share of instruction. 58312

(E) The chancellor may make any payments under this section 58313
by direct deposit of funds by electronic transfer. 58314

Any amount received by a paying agent or fiscal agent under 58315
this section shall be applied only to the payment of bond service 58316
charges on the obligations of the community or technical college 58317
district or community or technical college subject to this section 58318
or to the reimbursement of the provider of a credit enhancement 58319
facility that has paid the bond service charges. 58320

(F) The chancellor may make payments under this section to 58321
paying agents or fiscal agents during any fiscal biennium of the 58322
state only from and to the extent that money is appropriated to 58323
the board of regents by the general assembly for distribution 58324
during such biennium for the state share of instruction and only 58325
to the extent that a portion of the state share of instruction has 58326
been allocated to the community or technical college district or 58327
community or technical college. Obligations of the issuing 58328
authority or of a community or technical college district to which 58329
this section is made applicable do not constitute an obligation or 58330
a debt or a pledge of the faith, credit, or taxing power of the 58331
state, and the holders or owners of those obligations have no 58332
right to have excises or taxes levied or appropriations made by 58333
the general assembly for the payment of bond service charges on 58334
the obligations, and the obligations shall contain a statement to 58335
that effect. The agreement for or the actual withholding and 58336
payment of money under this section does not constitute the 58337

assumption by the state of any debt of a community or technical college district or a community or technical college, and bond service charges on the related obligations are not anticipated to be paid from the state general revenue fund for purposes of Section 17 of Article VIII, Ohio Constitution.

(G) In the case of obligations subject to the withholding provisions of this section, the issuing community or technical college district, or the issuing authority in the case of obligations issued by the issuing authority, shall appoint a paying agent or fiscal agent who is not an officer or employee of the district or college.

(H) The chancellor, with the advice and consent of the office of budget and management, may adopt reasonable rules not inconsistent with this section for the implementation of this section to secure payment of bond service charges on obligations issued by a community or technical college district or by the issuing authority for the benefit of a community or technical college district or the community or technical college it operates. Those rules shall include criteria for the evaluation and approval or denial of community or technical college district requests for withholding under this section.

(I) The authority granted by this section is in addition to and not a limitation on any other authorizations granted by or pursuant to law for the same or similar purposes.

Sec. 3334.19. (A) The Ohio tuition trust authority shall adopt an investment plan that sets forth investment policies and guidelines to be utilized in administering the variable college savings program and investment options offered by the authority. The investment options shall include a default option to benefit contributors who are first-time investors or have low to moderate incomes. Except as provided in section 3334.20 of the Revised

Code, the authority shall contract with one or more insurance 58369
companies, banks, or other financial institutions to act as its 58370
investment agents and to provide such services as the authority 58371
considers appropriate to the investment plan, including: 58372

(1) Purchase, control, and safekeeping of assets; 58373

(2) Record keeping and accounting for individual accounts and 58374
for the program as a whole; 58375

(3) Provision of consolidated statements of account. 58376

(B) The authority or its investment agents shall maintain a 58377
separate account for the beneficiary of each contract entered into 58378
under the variable college savings program. If a beneficiary has 58379
more than one such account, the authority or its agents shall 58380
track total contributions and earnings and provide a consolidated 58381
system of account distributions to institutions of higher 58382
education. 58383

(C) The authority or its investment agents may place assets 58384
of the program in savings accounts and may purchase fixed or 58385
variable life insurance or annuity contracts, securities, evidence 58386
of indebtedness, or other investment products pursuant to the 58387
investment plan. 58388

(D) Contributors shall not direct the investment of their 58389
contributions under the investment plan. The authority shall 58390
impose other limits on contributors' investment discretion to the 58391
extent required under section 529 of the Internal Revenue Code. 58392

(E) The investment agents with which the authority contracts 58393
shall discharge their duties with respect to program funds with 58394
the care and diligence that a prudent person familiar with such 58395
matters and with the character and aims of the program would use. 58396

(F) The assets of the program shall be preserved, invested, 58397
and expended solely for the purposes of this chapter and shall not 58398

be loaned or otherwise transferred or used by the state for any 58399
other purpose. This section shall not be construed to prohibit the 58400
investment agents of the authority from investing, by purchase or 58401
otherwise, in bonds, notes, or other obligations of the state or 58402
any agency or instrumentality of the state. Unless otherwise 58403
specified by the authority, assets of the program shall be 58404
expended in the following order of priority: 58405

(1) To make payments on behalf of beneficiaries; 58406

(2) To make refunds upon termination of variable college 58407
savings program contracts; 58408

(3) To pay the authority's costs of administering the 58409
program; 58410

(4) To pay or cover any other expenditure or disbursement the 58411
authority determines necessary or appropriate. 58412

(G) Fees, charges, and other costs imposed or collected by 58413
the authority in connection with the variable college savings 58414
program, including any fees or other payments that the authority 58415
requires an investment agent to pay to the authority, shall be 58416
credited to either the variable operating fund or the index 58417
operating fund at the discretion of the authority. These funds are 58418
hereby created in the state treasury. Expenses incurred in the 58419
administration of the variable college savings program, as well as 58420
other expenses, disbursements, or payments the authority considers 58421
appropriate for the benefit of any college savings programs 58422
administered by the authority, the state of Ohio and its citizens, 58423
shall be paid from the variable operating fund or the index 58424
operating fund at the discretion of the authority. 58425

(H) No records of the authority indicating the identity of 58426
purchasers, contributors, and beneficiaries under the program or 58427
amounts contributed to, earned by, or distributed from program 58428
accounts are public records within the meaning of section 149.43 58429

of the Revised Code. 58430

Sec. 3345.023. (A) No state institution of higher education 58431
shall take any action or enforce any policy that would deny a 58432
religious student group any benefit available to any other student 58433
group based on the religious student group's requirement that its 58434
leaders or voting members adhere to its sincerely held religious 58435
beliefs or standards of conduct. 58436

(B) As used in this section: 58437

(1) "Benefits" include, without limitation: 58438

(a) Recognition; 58439

(b) Registration; 58440

(c) The use of facilities of the state institution of higher 58441
education for meetings or speaking purposes, subject to section 58442
3345.021 of the Revised Code; 58443

(d) The use of channels of communication of the state 58444
institution of higher education; 58445

(e) Funding sources that are otherwise available to any other 58446
student group in the state institution of higher education. 58447

(2) "State institution of higher education" has the same 58448
meaning as in section 3345.011 of the Revised Code. 58449

Sec. 3345.061. (A) Ohio's two-year institutions of higher 58450

(1) In the 2014-2015 and 2015-2016 academic years, a state 58466
university may receive state operating subsidies for academic 58467
remedial or developmental courses for not more than three per cent 58468
of the total undergraduate credit hours provided by the university 58469

its main campus, as calculated on a full-time-equivalent basis. 58488

Each state university may continue to offer academic remedial 58489
and developmental courses at its main campus beyond the extent for 58490
which state operating subsidies may be paid under this division 58491
and may continue to offer such courses beyond the 2018-2019 58492

operating subsidies for such courses above the maximum amounts 58494
permitted in this division. 58495

(C) Except as otherwise provided in division (B) of this 58496
section, beginning with students who commence undergraduate 58497

necessary, to determine if a student meets the standards adopted 58538

58567
58568

Sec. 3345.14. (A) As used in this section, "state college or university" means any state university or college defined in division (A)(1) of section 3345.12 of the Revised Code, and any other institution of higher education defined in division (A)(2) of that section. 58569

university participating in or making such discoveries or 58586
inventions, shall have any rights to or interests in such 58587
discoveries or inventions, including income therefrom, except as 58588
may, by determination of the board of trustees of such college or 58589
university, be assigned, licensed, transferred, or paid to such 58590
persons or entities in accordance with division (C) of this 58591
section or in accordance with rules adopted under division (D) of 58592

board of trustees of such college or university. 58607

(D)(1) Notwithstanding any provision of the Revised Code to 58608
the contrary, including but not limited to sections 102.03, 58609

may solicit or accept, and under which a person may give or 58614
promise to give to such an employee, a financial interest in any 58615
firm, corporation, or other association to which the board has 58616
assigned, licensed, transferred, or sold the college or 58617
university's interests in its intellectual property, including 58618

(2) Rules established under division (D)(1) of this section 58621
shall include the following: 58622

other association as described in division (D)(1) of this section; 58626

(b) A requirement that all disclosures made under division 58627
(D)(2)(a) of this section are reviewed by officials designated by 58628
the college or university board of trustees. The officials 58629
designated under this division shall determine the information 58630
that shall be disclosed and safeguards that shall be applied in 58631
order to manage, reduce, or eliminate any actual or potential 58632
conflict of interest. 58633

(c) A requirement that in implementing division (D) of this 58634
section all members of the college or university board of trustees 58635
shall be governed by Chapter 102. and sections 2921.42 and 2921.43 58636

misuse of the students, employees, or resources of the college or 58640
university for the benefit of the firm, corporation, or other 58641
association in which such interest is held or does not otherwise 58642
interfere with the duties and responsibilities of the employee who 58643

holds such an interest. 58644

(3) Rules established under division (D)(1) of this section 58645
may include other provisions at the discretion of the college or 58646
university board of trustees. 58647

(E) Notwithstanding division (D) of this section, the Ohio 58648
ethics commission retains authority to provide assistance to a 58649
college or university board of trustees in the implementation of 58650
division (D)(2) of this section and to address any matter that is 58651
outside the scope of the exception to division (B) of this section 58652
as set forth in division (D) of this section or as set forth in 58653
rules established under division (D) of this section. 58654

Sec. 3345.81. (A) The chancellor of the Ohio board of regents 58655
shall develop a plan for designating public institutions of higher 58656
education as charter universities. In developing the plan, the 58657
chancellor shall: 58658

(1) Study the administrative and financial relationships 58659
between the state and its public institutions of higher education 58660
to determine the extent to which public colleges and universities 58661
can manage their operations more effectively when accorded 58662
flexibility through selected delegation of authority; 58663

(2) Examine legal and other issues related to the feasibility 58664
and practicability of restructuring the administrative and 58665
financial relationships between the state and its public 58666
institutions of higher education; 58667

(3) Consult with the presidents of the institutions of higher 58668
education of the university system of Ohio. 58669

(B) The office of budget and management, the department of 58670
administrative services, and each state institution of higher 58671
education shall provide the chancellor, upon the chancellor's 58672
request, with research assistance, fiscal and policy analysis, and 58673

other services in conducting the study and developing the plan 58674
under this section. Each state agency shall provide the chancellor 58675
with any other assistance requested by the chancellor in 58676
conducting the study and developing the plan. 58677

(C) The chancellor shall specify in the plan: 58678

(1) The manner in which a state institution of higher 58679
education may become eligible for restructured financial and 58680
operational authority, and performance measures and criteria to 58681
determine eligibility. The performance measures and criteria shall 58682
address the institution's ability to manage successfully its 58683
administrative and financial operations without jeopardizing the 58684
financial integrity and stability of the institution. 58685

(2) Specific areas of financial and operational authority 58686
that are subject to increased flexibility; 58687

(3) The nature and term of the management agreement required 58688
between the state and an institution. 58689

(D) Not later than August 15, 2011, the chancellor shall 58690
submit to the general assembly and the governor a report of 58691
findings and recommendations for use in developing policy, 58692
statutory, and administrative rule changes necessary to implement 58693
the plan. No institution shall be designated a charter university 58694
until the general assembly, after considering the chancellor's 58695
plan, has enacted legislation establishing a procedure for making 58696
the designation. The chancellor shall not adopt, amend, or rescind 58697
any rules with respect to designating institutions as charter 58698
universities until that legislation is enacted. The general 58699
assembly intends that the general assembly, governor, and 58700
chancellor will take actions necessary for implementation of the 58701
plan for charter universities to commence July 1, 2012. 58702

notice of the election also shall be posted on that web site for 58731
thirty days prior to the election. The form of the ballot to be 58732

calendar year shall not exceed seventy-five per cent of the 58902
anticipated proceeds from such levy for such year, and that no 58903

community college district or by other persons, and the community 58913
college district may restore and repay to such funds or persons 58914
from the proceeds of such issues the moneys so borrowed, advanced 58915
or granted. 58916

All operating costs of such community college may be paid out 58917
of any gift or grant from the state, pursuant to division (K) of 58918
section 3354.09 of the Revised Code; out of student fees and 58919
tuition collected pursuant to division (G) of section 3354.09 of 58920
the Revised Code; or out of unencumbered funds from any other 58921
source of the community college income not prohibited by law. 58922

(B) Prior to the application of section 319.301 of the 58923

Revised Code, the rate of a levy that is limited to, or to the extent that it is apportioned to, purposes other than current expenses shall be reduced in the same proportion in which the district's total valuation increases during the life of the levy because of additions to such valuation that have resulted from improvements added to the tax list and duplicate.

(D) When more than one branch or class of work is required, 58980
no contract for the entire job, or for a greater portion thereof 58981
than is embraced in one such branch or class of work shall be 58982
awarded, unless the separate bids do not cover all the work and 58983
materials required or the bids for the whole or for two or more 58984
kinds of work or materials are lower than the separate bids in the 58985
aggregate. ~~The board of trustees need not award separate contracts~~ 58986
~~for a branch or class of work entering into an improvement if the~~ 58987

determined by adding the charges prorated to it in each precinct 59360
within the subdivision. 59361

(D) The entire cost of special elections held on a day other 59362
than the day of a primary or general election, both in 59363
odd-numbered or in even-numbered years, shall be charged to the 59364
subdivision. Where a special election is held on the same day as a 59365
primary or general election in an even-numbered year, the 59366
subdivision submitting the special election shall be charged only 59367
for the cost of ballots and advertising. Where a special election 59368
is held on the same day as a primary or general election in an 59369
odd-numbered year, the subdivision submitting the special election 59370
shall be charged for the cost of ballots and advertising for such 59371
special election, in addition to the charges prorated to such 59372
subdivision for the election or nomination of candidates in each 59373

division (E) of section 3501.01 of the Revised Code for the 59377
holding of a primary election, for the purpose of submitting to 59378

upon a ratio determined by the number of issues placed on the 59383
ballot by each, except as otherwise provided in division (G) of 59384
this section. Such proportional division of cost shall be made 59385
only to the extent funds are available for such purpose from 59386
amounts appropriated by the general assembly to the secretary of 59387
state. If a primary election is also being conducted in the 59388
subdivision, the costs shall be apportioned as otherwise provided 59389
in this section. 59390

(F) When a precinct is open during a general, primary, or 59391

special election solely for the purpose of submitting to the voters a statewide ballot issue, the state shall bear the entire cost of the election in that precinct and shall reimburse the county for all expenses incurred in opening the precinct.

(G)(1) The state shall bear the entire cost of advertising in newspapers statewide ballot issues, explanations of those issues, and arguments for or against those issues, as required by Section 1g of Article II and Section 1 of Article XVI, Ohio Constitution, and any other section of law. Appropriations made to the controlling board shall be used to reimburse the secretary of state for all expenses the secretary of state incurs for such advertising under division (G) of section 3505.062 of the Revised Code.

(2) There is hereby created in the state treasury the statewide ballot advertising fund. The fund shall receive transfers approved by the controlling board, and shall be used by the secretary of state to pay the costs of advertising state ballot issues as required under division (G)(1) of this section. Any such transfers may be requested from and approved by the controlling board prior to placing the advertising, in order to facilitate timely provision of the required advertising.

(I) At the request of a majority of the members of the board of elections, the board of county commissioners may, by resolution, establish an elections revenue fund. Except as otherwise provided in this division, the purpose of the fund shall be to accumulate revenue withheld by or paid to the county under this section for the payment of any expense related to the duties

of the board of elections specified in section 3501.11 of the Revised Code, upon approval of a majority of the members of the board of elections. The fund shall not accumulate any revenue withheld by or paid to the county under this section for the compensation of the members of the board of elections or of the director, deputy director, or other regular employees in the board's offices, other than compensation for overtime worked.

Notwithstanding sections 5705.14, 5705.15, and 5705.16 of the Revised Code, the board of county commissioners may, by resolution, transfer money to the elections revenue fund from any other fund of the political subdivision from which such payments lawfully may be made. newspaper ~~published~~ of general circulation in the county or upon 59455
notice given by mail by the board of elections, addressed to the 59456
responsible printing offices within the state. Except as otherwise 59457
provided in this section, each bid for such printing must be 59458
accompanied by a bond with at least two sureties, or a surety 59459
company, satisfactory to the board, in a sum double the amount of 59460
the bid, conditioned upon the faithful performance of the contract 59461
for such printing as is awarded and for the payment as damages by 59462
such bidder to the board of any excess of cost over the bid which 59463
it may be obliged to pay for such work by reason of the failure of 59464
the bidder to complete the contract. No bid unaccompanied by such 59465
bond shall be considered by the board. The board may, however, 59466
waive the requirement that each bid be accompanied by a bond if 59467
the cost of the contract is ten thousand dollars or less. The 59468
contract shall be let to the lowest responsible bidder in the 59469
state. All ballots shall be printed within the state. 59470

Sec. 3506.05. (A) As used in this section, except when used 59471
as part of the phrase "tabulating equipment" or "automatic 59472
tabulating equipment": 59473

(1) "Equipment" means a voting machine, marking device, 59474
automatic tabulating equipment, or software. 59475

(2) "Vendor" means the person that owns, manufactures, 59476
distributes, or has the legal right to control the use of 59477
equipment, or the person's agent. 59478

(B) No voting machine, marking device, automatic tabulating 59479
equipment, or software for the purpose of casting or tabulating 59480
votes or for communications among systems involved in the 59481
tabulation, storage, or casting of votes shall be purchased, 59482
leased, put in use, or continued to be used, except for 59483
experimental use as provided in division (B) of section 3506.04 of 59484
the Revised Code, unless it, a manual of procedures governing its 59485

use, and training materials, service, and other support 59486
arrangements have been certified by the secretary of state and 59487
unless the board of elections of each county where the equipment 59488
will be used has assured that a demonstration of the use of the 59489
equipment has been made available to all interested electors. The 59490
secretary of state shall appoint a board of voting machine 59491
examiners to examine and approve equipment and its related manuals 59492
and support arrangements. The board shall consist of four members, 59493
who shall be appointed as follows: 59494

(1) Two members appointed by the secretary of state. 59495

(2) One member appointed by either the speaker of the house 59496

party from the one to which the secretary of state belongs. 59499

(3) One member appointed by either the president of the 59500
senate or the minority leader of the senate, whichever is a member 59501
of the opposite political party from the one to which the 59502
secretary of state belongs. 59503

In all cases of a tie vote or a disagreement in the board, if 59504
no decision can be arrived at, the board shall submit the matter 59505
in controversy to the secretary of state, who shall summarily 59506
decide the question, and the secretary of state's decision shall 59507
be final. Each member of the board shall be a competent and 59508
experienced election officer or a person who is knowledgeable 59509
about the operation of voting equipment and shall serve during the 59510
secretary of state's term. Any vacancy on the board shall be 59511
filled in the same manner as the original appointment. The 59512
secretary of state shall provide staffing assistance to the board, 59513
at the board's request. 59514

For the member's service, each member of the board shall 59515
receive three hundred dollars per day for each combination of 59516

marking device, tabulating equipment, and voting machine examined 59517
and reported, but in no event shall a member receive more than six 59518
hundred dollars to examine and report on any one marking device, 59519
item of tabulating equipment, or voting machine. Each member of 59520
the board shall be reimbursed for expenses the member incurs 59521
during an examination or during the performance of any related 59522
duties that may be required by the secretary of state. 59523
Reimbursement of these expenses shall be made in accordance with, 59524
and shall not exceed, the rates provided for under section 126.31 59525
of the Revised Code. 59526

Neither the secretary of state nor the board, nor any public 59527
officer who participates in the authorization, examination, 59528
testing, or purchase of equipment, shall have any pecuniary 59529
interest in the equipment or any affiliation with the vendor. 59530

(C)(1) A vendor who desires to have the secretary of state 59531
certify equipment shall first submit the equipment, all current 59532
related procedural manuals, and a current description of all 59533
related support arrangements to the board of voting machine 59534
examiners for examination, testing, and approval. The submission 59535
shall be accompanied by a fee of ~~eighteen~~ two thousand four 59536
hundred dollars and a detailed explanation of the construction and 59537
method of operation of the equipment, a full statement of its 59538
advantages, and a list of the patents and copyrights used in 59539
operations essential to the processes of vote recording and 59540
tabulating, vote storage, system security, and other crucial 59541
operations of the equipment as may be determined by the board. An 59542
additional fee, in an amount to be set by rules promulgated by the 59543
board, may be imposed to pay for the costs of alternative testing 59544
or testing by persons other than board members, record-keeping, 59545
and other extraordinary costs incurred in the examination process. 59546
Moneys not used shall be returned to the person or entity 59547
submitting the equipment for examination. 59548

(2) Fees collected by the secretary of state under this 59549
section shall be deposited into the state treasury to the credit 59550
of the board of voting machine examiners fund, which is hereby 59551
created. All moneys credited to this fund shall be used solely for 59552
the purpose of paying for the services and expenses of each member 59553
of the board or for other expenses incurred relating to the 59554
examination, testing, reporting, or certification of voting 59555
machine devices, the performance of any related duties as required 59556
by the secretary of state, or the reimbursement of any person 59557
submitting an examination fee as provided in this chapter. 59558

(D) Within sixty days after the submission of the equipment 59559
and payment of the fee, or as soon thereafter as is reasonably 59560
practicable, but in any event within not more than ninety days 59561
after the submission and payment, the board of voting machine 59562
examiners shall examine the equipment and file with the secretary 59563
of state a written report on the equipment with its 59564
recommendations and its determination or condition of approval 59565
regarding whether the equipment, manual, and other related 59566
materials or arrangements meet the criteria set forth in sections 59567
3506.07 and 3506.10 of the Revised Code and can be safely used by 59568
the voters at elections under the conditions prescribed in Title 59569
XXXV of the Revised Code, or a written statement of reasons for 59570
which testing requires a longer period. The board may grant 59571
temporary approval for the purpose of allowing experimental use of 59572
equipment. If the board finds that the equipment meets the 59573
criteria set forth in sections 3506.06, 3506.07, and 3506.10 of 59574
the Revised Code, can be used safely and can be depended upon to 59575
record and count accurately and continuously the votes of 59576
electors, and has the capacity to be warranted, maintained, and 59577
serviced, it shall approve the equipment and recommend that the 59578
secretary of state certify the equipment. The secretary of state 59579
shall notify all boards of elections of any such certification. 59580
Equipment of the same model and make, if it provides for recording 59581

of voter intent, system security, voter privacy, retention of 59582
vote, and communication of voting records in an identical manner, 59583
may then be adopted for use at elections. 59584

(E) The vendor shall notify the secretary of state, who shall 59585
then notify the board of voting machine examiners, of any 59586
enhancement and any significant adjustment to the hardware or 59587
software that could result in a patent or copyright change or that 59588
significantly alters the methods of recording voter intent, system 59589
security, voter privacy, retention of the vote, communication of 59590
voting records, and connections between the system and other 59591
systems. The vendor shall provide the secretary of state with an 59592
updated operations manual for the equipment, and the secretary of 59593
state shall forward the manual to the board. Upon receiving such a 59594
notification and manual, the board may require the vendor to 59595
submit the equipment to an examination and test in order for the 59596
equipment to remain certified. The board or the secretary of state 59597
shall periodically examine, test, and inspect certified equipment 59598
to determine continued compliance with the requirements of this 59599
chapter and the initial certification. Any examination, test, or 59600
inspection conducted for the purpose of continuing certification 59601
of any equipment in which a significant problem has been uncovered 59602
or in which a record of continuing problems exists shall be 59603
performed pursuant to divisions (C) and (D) of this section, in 59604
the same manner as the examination, test, or inspection is 59605
performed for initial approval and certification. 59606

(F) If, at any time after the certification of equipment, the 59607
board of voting machine examiners or the secretary of state is 59608
notified by a board of elections of any significant problem with 59609
the equipment or determines that the equipment fails to meet the 59610
requirements necessary for approval or continued compliance with 59611
the requirements of this chapter, or if the board of voting 59612
machine examiners determines that there are significant 59613

enhancements or adjustments to the hardware or software, or if 59614
notice of such enhancements or adjustments has not been given as 59615
required by division (E) of this section, the secretary of state 59616
shall notify the users and vendors of that equipment that 59617
certification of the equipment may be withdrawn. 59618

(G)(1) The notice given by the secretary of state under 59619
division (F) of this section shall be in writing and shall specify 59620
both of the following: 59621

(a) The reasons why the certification may be withdrawn; 59622

(b) The date on which certification will be withdrawn unless 59623
the vendor takes satisfactory corrective measures or explains why 59624
there are no problems with the equipment or why the enhancements 59625
or adjustments to the equipment are not significant. 59626

(2) A vendor who receives a notice under division (F) of this 59627
section shall, within thirty days after receiving it, submit to 59628
the board of voting machine examiners in writing a description of 59629
the corrective measures taken and the date on which they were 59630
taken, or the explanation required under division (G)(1)(b) of 59631
this section. 59632

(3) Not later than fifteen days after receiving a written 59633
description or explanation under division (G)(2) of this section 59634
from a vendor, the board shall determine whether the corrective 59635
measures taken or the explanation is satisfactory to allow 59636
continued certification of the equipment, and the secretary of 59637
state shall send the vendor a written notice of the board's 59638
determination, specifying the reasons for it. If the board has 59639
determined that the measures taken or the explanation given is 59640
unsatisfactory, the notice shall include the effective date of 59641
withdrawal of the certification. This date may be different from 59642
the date originally specified in division (G)(1)(b) of this 59643
section. 59644

(4) A vendor who receives a notice under division (G)(3) of 59645
this section indicating a decision to withdraw certification may, 59646
within thirty days after receiving it, request in writing that the 59647
board hold a hearing to reconsider its decision. Any interested 59648
party shall be given the opportunity to submit testimony or 59649
documentation in support of or in opposition to the board's 59650
recommendation to withdraw certification. Failure of the vendor to 59651
take appropriate steps as described in division (G)(1)(b) or to 59652
comply with division (G)(2) of this section results in a waiver of 59653
the vendor's rights under division (G)(4) of this section. 59654

(H)(1) The secretary of state, in consultation with the board 59655
of voting machine examiners, shall establish, by rule, guidelines 59656
for the approval, certification, and continued certification of 59657
the voting machines, marking devices, and tabulating equipment to 59658
be used under Title XXXV of the Revised Code. The guidelines shall 59659
establish procedures requiring vendors or computer software 59660
developers to place in escrow with an independent escrow agent 59661
approved by the secretary of state a copy of all source code and 59662
related documentation, together with periodic updates as they 59663
become known or available. The secretary of state shall require 59664
that the documentation include a system configuration and that the 59665
source code include all relevant program statements in low- or 59666
high-level languages. As used in this division, "source code" does 59667
not include variable codes created for specific elections. 59668

(2) Nothing in any rule adopted under division (H) of this 59669
section shall be construed to limit the ability of the secretary 59670
of state to follow or adopt, or to preclude the secretary of state 59671
from following or adopting, any guidelines proposed by the federal 59672
election commission, any entity authorized by the federal election 59673
commission to propose guidelines, the election assistance 59674
commission, or any entity authorized by the election assistance 59675
commission to propose guidelines. 59676

(3)(a) Before the initial certification of any direct recording electronic voting machine with a voter verified paper audit trail, and as a condition for the continued certification and use of those machines, the secretary of state shall establish, by rule, standards for the certification of those machines. Those standards shall include, but are not limited to, all of the following:

(iv) A requirement that paper used in producing a voter verified paper audit trail be sturdy, clean, and resistant to degradation;

(v) A requirement that the voter verified paper audit trail shall be capable of being optically scanned for the purpose of conducting a recount or other audit of the voting machine and shall be readable in a manner that makes the voter's ballot choices obvious to the voter without the use of computer or electronic codes;

(vi) A requirement, for office-type ballots, that the voter verified paper audit trail include the name of each candidate selected by the voter;

(vii) A requirement, for questions and issues ballots, that

the voter verified paper audit trail include the title of the 59708
question or issue, the name of the entity that placed the question 59709
or issue on the ballot, and the voter's ballot selection on that 59710
question or issue, but not the entire text of the question or 59711
issue. 59712

(b) The secretary of state, by rule adopted under Chapter 59713
119. of the Revised Code, may waive the requirement under division 59714
(H)(3)(a)(v) of this section, if the secretary of state determines 59715
that the requirement is cost prohibitive. 59716

(4)(a) Except as otherwise provided in division (H)(4)(c) of 59717
this section, any voting machine, marking device, or automatic 59718
tabulating equipment initially certified or acquired on or after 59719

marking devices, or automatic tabulating equipment on or after 59729
December 1, 2008, shall not be considered to have acquired those 59730
machines, devices, or equipment on or after December 1, 2008, for 59731
the purpose of division (H)(4)(a) of this section if all of the 59732
following apply: 59733

(i) The voting machines, marking devices, or automatic 59734
tabulating equipment acquired are the same as the machines, 59735
devices, or equipment currently used in that county. 59736

services from the home, in which case the individuals in the 61353
separate and discrete part or unit shall not be considered in 61354

and discrete part or unit is in compliance with the Ohio basic 61356
building code established by the board of building standards under 61357
Chapters 3781. and 3791. of the Revised Code and the home permits 61358
the director, on request, to inspect the separate and discrete 61359
part or unit and speak with the individuals residing there, if 61360
they consent, to determine whether the separate and discrete part 61361
or unit meets the requirements of this division. 61362

chapter or another chapter of the Revised Code in any action or 61382
proceeding other than an action commenced under division (I) of 61383
section 3721.17 of the Revised Code. Those results of an 61384

action by the department of health under this chapter or is an 61390
action by any department or agency of the state to enforce this 61391
chapter or another chapter of the Revised Code. 61392

(a) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended;	62071 62072
(b) Chapter 918. of the Revised Code;	62073
(c) Chapter 953. of the Revised Code.	62074
(D) Neither this chapter nor any rules adopted under it apply to single-family residential premises; to infectious wastes generated by individuals for purposes of their own care or treatment that are disposed of with solid wastes from the individual's residence; to the temporary storage of solid wastes, other than scrap tires, prior to their collection for disposal; to the storage of one hundred or fewer scrap tires unless they are stored in such a manner that, in the judgment of the director or the board of health of the health district in which the scrap tires are stored, the storage causes a nuisance, a hazard to public health or safety, or a fire hazard; or to the collection of solid wastes, other than scrap tires, by a political subdivision or a person holding a franchise or license from a political subdivision of the state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.	62075 62076 62077 62078 62079 62080 62081 62082 62083 62084 62085 62086 62087 62088 62089 62090 62091 62092
(E)(1) As used in this division:	62093
(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.	62094 62095 62096
(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.	62097 62098 62099 62100
(c) "Satellite facility" means any of the following:	62101

(i) An on-site facility that also receives hazardous waste 62102
from other premises owned by the same person who generates the 62103
waste on the facility premises; 62104

(ii) An off-site facility operated so that all of the 62105
hazardous waste it receives is generated on one or more premises 62106
owned by the person who owns the facility; 62107

(iii) An on-site facility that also receives hazardous waste 62108
that is transported uninterruptedly and directly to the facility 62109
through a pipeline from a generator who is not the owner of the 62110
facility. 62111

(2) Except as provided in division (E)(3) of this section, no 62112
person shall establish or operate a hazardous waste facility, or 62113
use a solid waste facility for the storage, treatment, or disposal 62114
of any hazardous waste, without a hazardous waste facility 62115
installation and operation permit issued in accordance with 62116
section 3734.05 of the Revised Code and subject to the payment of 62117
an application fee not to exceed one thousand five hundred 62118
dollars, payable upon application for a hazardous waste facility 62119
installation and operation permit and upon application for a 62120
renewal permit issued under division (H) of section 3734.05 of the 62121
Revised Code, to be credited to the hazardous waste facility 62122
management fund created in section 3734.18 of the Revised Code. 62123
The term of a hazardous waste facility installation and operation 62124
permit shall not exceed ten years. 62125

In addition to the application fee, there is hereby levied an 62126
annual permit fee to be paid by the permit holder upon the 62127
anniversaries of the date of issuance of the hazardous waste 62128
facility installation and operation permit and of any subsequent 62129
renewal permits and to be credited to the hazardous waste facility 62130
management fund. Annual permit fees totaling forty thousand 62131
dollars or more for any one facility may be paid on a quarterly 62132
basis with the first quarterly payment each year being due on the 62133

anniversary of the date of issuance of the hazardous waste			62134
facility installation and operation permit and of any subsequent			62135
renewal permits. The annual permit fee shall be determined for			62136
each permit holder by the director in accordance with the			62137
following schedule:			62138

A hazardous waste disposal facility that disposes of 62169
hazardous waste by deep well injection and that pays the annual 62170
permit fee established in section 6111.046 of the Revised Code is 62171
not subject to the permit fee established in this division for 62172
disposal facilities using deep well injection unless the director 62173
determines that the facility is not in compliance with applicable 62174
requirements established under this chapter and rules adopted 62175
under it. 62176

In determining the annual permit fee required by this 62177
section, the director shall not require additional payments for 62178
multiple units of the same method of storage, treatment, or 62179
disposal or for individual units that are used for both storage 62180
and treatment. A facility using more than one method of storage, 62181
treatment, or disposal shall pay the permit fee indicated by the 62182
schedule for each such method. 62183

The director shall not require the payment of that portion of 62184
an annual permit fee of any permit holder that would apply to a 62185
hazardous waste management unit for which a permit has been 62186
issued, but for which construction has not yet commenced. Once 62187
construction has commenced, the director shall require the payment 62188
of a part of the appropriate fee indicated by the schedule that 62189
bears the same relationship to the total fee that the number of 62190
days remaining until the next anniversary date at which payment of 62191
the annual permit fee is due bears to three hundred sixty-five. 62192

The director, by rules adopted in accordance with Chapters 62193
119. and 3745. of the Revised Code, shall prescribe procedures for 62194
collecting the annual permit fee established by this division and 62195
may prescribe other requirements necessary to carry out this 62196
division. 62197

(3) The prohibition against establishing or operating a 62198

hazardous waste facility without a hazardous waste facility 62199
installation and operation permit does not apply to either of the 62200
following: 62201

(a) A facility that is operating in accordance with a permit 62202
renewal issued under division (H) of section 3734.05 of the 62203
Revised Code, a revision issued under division (I) of that section 62204
as it existed prior to August 20, 1996, or a modification issued 62205
by the director under division (I) of that section on and after 62206
August 20, 1996; 62207

(b) Except as provided in division (J) of section 3734.05 of 62208
the Revised Code, a facility that will operate or is operating in 62209
accordance with a permit by rule, or that is not subject to permit 62210
requirements, under rules adopted by the director. In accordance 62211
with Chapter 119. of the Revised Code, the director shall adopt, 62212
and subsequently may amend, suspend, or rescind, rules for the 62213
purposes of division (E)(3)(b) of this section. Any rules so 62214
adopted shall be consistent with and equivalent to regulations 62215
pertaining to interim status adopted under the "Resource 62216
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 62217
6921, as amended, except as otherwise provided in this chapter. 62218

If a modification is requested or proposed for a facility 62219
described in division (E)(3)(a) or (b) of this section, division 62220
(I)(7) of section 3734.05 of the Revised Code applies. 62221

(F) No person shall store, treat, or dispose of hazardous 62222
waste identified or listed under this chapter and rules adopted 62223
under it, regardless of whether generated on or off the premises 62224
where the waste is stored, treated, or disposed of, or transport 62225
or cause to be transported any hazardous waste identified or 62226
listed under this chapter and rules adopted under it to any other 62227
premises, except at or to any of the following: 62228

(1) A hazardous waste facility operating under a permit 62229

issued in accordance with this chapter; 62230

(2) A facility in another state operating under a license or 62231
permit issued in accordance with the "Resource Conservation and 62232
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 62233
amended; 62234

(3) A facility in another nation operating in accordance with 62235
the laws of that nation; 62236

(4) A facility holding a permit issued pursuant to Title I of 62237
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 62238
Stat. 1052, 33 U.S.C.A. 1401, as amended; 62239

(5) A hazardous waste facility as described in division 62240
(E)(3)(a) or (b) of this section. 62241

(G) The director, by order, may exempt any person generating, 62242
collecting, storing, treating, disposing of, or transporting solid 62243
wastes, infectious wastes, or hazardous waste, or processing solid 62244
wastes that consist of scrap tires, in such quantities or under 62245
such circumstances that, in the determination of the director, are 62246
unlikely to adversely affect the public health or safety or the 62247
environment from any requirement to obtain a registration 62248
certificate, permit, or license or comply with the manifest system 62249
or other requirements of this chapter. Such an exemption shall be 62250
consistent with and equivalent to any regulations adopted by the 62251
administrator of the United States environmental protection agency 62252
under the "Resource Conservation and Recovery Act of 1976," 90 62253
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 62254
provided in this chapter. 62255

(H) No person shall engage in filling, grading, excavating, 62256
building, drilling, or mining on land where a hazardous waste 62257
facility, or a solid waste facility, was operated without prior 62258
authorization from the director, who shall establish the procedure 62259
for granting such authorization by rules adopted in accordance 62260

with Chapter 119. of the Revised Code. 62261

A public utility that has main or distribution lines above or 62262
below the land surface located on an easement or right-of-way 62263
across land where a solid waste facility was operated may engage 62264
in any such activity within the easement or right-of-way without 62265
prior authorization from the director for purposes of performing 62266
emergency repair or emergency replacement of its lines; of the 62267
poles, towers, foundations, or other structures supporting or 62268
sustaining any such lines; or of the appurtenances to those 62269
structures, necessary to restore or maintain existing public 62270
utility service. A public utility may enter upon any such easement 62271
or right-of-way without prior authorization from the director for 62272
purposes of performing necessary or routine maintenance of those 62273
portions of its existing lines; of the existing poles, towers, 62274
foundations, or other structures sustaining or supporting its 62275
lines; or of the appurtenances to any such supporting or 62276
sustaining structure, located on or above the land surface on any 62277
such easement or right-of-way. Within twenty-four hours after 62278
commencing any such emergency repair, replacement, or maintenance 62279
work, the public utility shall notify the director or the 62280
director's authorized representative of those activities and shall 62281
provide such information regarding those activities as the 62282
director or the director's representative may request. Upon 62283
completion of the emergency repair, replacement, or maintenance 62284
activities, the public utility shall restore any land of the solid 62285
waste facility disturbed by those activities to the condition 62286
existing prior to the commencement of those activities. 62287

(I) No owner or operator of a hazardous waste facility, in 62288
the operation of the facility, shall cause, permit, or allow the 62289
emission therefrom of any particulate matter, dust, fumes, gas, 62290
mist, smoke, vapor, or odorous substance that, in the opinion of 62291
the director, unreasonably interferes with the comfortable 62292

enjoyment of life or property by persons living or working in the 62293
vicinity of the facility, or that is injurious to public health. 62294
Any such action is hereby declared to be a public nuisance. 62295

(J) Notwithstanding any other provision of this chapter, in 62296
the event the director finds an imminent and substantial danger to 62297
public health or safety or the environment that creates an 62298
emergency situation requiring the immediate treatment, storage, or 62299
disposal of hazardous waste, the director may issue a temporary 62300
emergency permit to allow the treatment, storage, or disposal of 62301
the hazardous waste at a facility that is not otherwise authorized 62302
by a hazardous waste facility installation and operation permit to 62303
treat, store, or dispose of the waste. The emergency permit shall 62304
not exceed ninety days in duration and shall not be renewed. The 62305
director shall adopt, and may amend, suspend, or rescind, rules in 62306
accordance with Chapter 119. of the Revised Code governing the 62307
issuance, modification, revocation, and denial of emergency 62308
permits. 62309

(K) No owner or operator of a sanitary landfill shall 62310
knowingly accept for disposal, or dispose of, any infectious 62311
wastes, other than those subject to division (A)(1)(c) of section 62312
3734.021 of the Revised Code, that have not been treated to render 62313
them noninfectious. For the purposes of this division, 62314
certification by the owner or operator of the treatment facility 62315
where the wastes were treated on the shipping paper required by 62316
rules adopted under division (D)(2) of that section creates a 62317
rebuttable presumption that the wastes have been so treated. 62318

(L) The director, in accordance with Chapter 119. of the 62319
Revised Code, shall adopt, and may amend, suspend, or rescind, 62320
rules having uniform application throughout the state establishing 62321
a training and certification program that shall be required for 62322
employees of boards of health who are responsible for enforcing 62323
the solid waste and infectious waste provisions of this chapter 62324

and rules adopted under them and for persons who are responsible 62325
for the operation of solid waste facilities or infectious waste 62326
treatment facilities. The rules shall provide all of the 62327
following, without limitation: 62328

(1) The program shall be administered by the director and 62329
shall consist of a course on new solid waste and infectious waste 62330
technologies, enforcement procedures, and rules; 62331

(2) The course shall be offered on an annual basis; 62332

(3) Those persons who are required to take the course under 62333
division (L) of this section shall do so triennially; 62334

(4) Persons who successfully complete the course shall be 62335
certified by the director; 62336

(5) Certification shall be required for all employees of 62337
boards of health who are responsible for enforcing the solid waste 62338
or infectious waste provisions of this chapter and rules adopted 62339
under them and for all persons who are responsible for the 62340
operation of solid waste facilities or infectious waste treatment 62341
facilities; 62342

(6)(a) All employees of a board of health who, on the 62343
effective date of the rules adopted under this division, are 62344
responsible for enforcing the solid waste or infectious waste 62345
provisions of this chapter and the rules adopted under them shall 62346
complete the course and be certified by the director not later 62347
than January 1, 1995; 62348

(b) All employees of a board of health who, after the 62349
effective date of the rules adopted under division (L) of this 62350
section, become responsible for enforcing the solid waste or 62351
infectious waste provisions of this chapter and rules adopted 62352
under them and who do not hold a current and valid certification 62353
from the director at that time shall complete the course and be 62354
certified by the director within two years after becoming 62355

responsible for performing those activities. 62356

No person shall fail to obtain the certification required 62357
under this division. 62358

(M) The director shall not issue a permit under section 62359
3734.05 of the Revised Code to establish a solid waste facility, 62360
or to modify a solid waste facility operating on December 21, 62361
1988, in a manner that expands the disposal capacity or geographic 62362
area covered by the facility, that is or is to be located within 62363
the boundaries of a state park established or dedicated under 62364
Chapter 1541. of the Revised Code, a state park purchase area 62365
established under section 1541.02 of the Revised Code, any unit of 62366
the national park system, or any property that lies within the 62367
boundaries of a national park or recreation area, but that has not 62368
been acquired or is not administered by the secretary of the 62369
United States department of the interior, located in this state, 62370
or any candidate area located in this state and identified for 62371
potential inclusion in the national park system in the edition of 62372
the "national park system plan" submitted under paragraph (b) of 62373
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 62374
U.S.C.A. 1a-5, as amended, current at the time of filing of the 62375
application for the permit, unless the facility or proposed 62376
facility is or is to be used exclusively for the disposal of solid 62377
wastes generated within the park or recreation area and the 62378
director determines that the facility or proposed facility will 62379
not degrade any of the natural or cultural resources of the park 62380
or recreation area. The director shall not issue a variance under 62381
division (A) of this section and rules adopted under it, or issue 62382
an exemption order under division (G) of this section, that would 62383
authorize any such establishment or expansion of a solid waste 62384
facility within the boundaries of any such park or recreation 62385
area, state park purchase area, or candidate area, other than a 62386
solid waste facility exclusively for the disposal of solid wastes 62387

generated within the park or recreation area when the director 62388
determines that the facility will not degrade any of the natural 62389
or cultural resources of the park or recreation area. 62390

(N)(1) The rules adopted under division (A) of this section, 62391
other than those governing variances, do not apply to scrap tire 62392
collection, storage, monocell, monofill, and recovery facilities. 62393
Those facilities are subject to and governed by rules adopted 62394
under sections 3734.70 to 3734.73 of the Revised Code, as 62395
applicable. 62396

(2) Division (C) of this section does not apply to scrap tire 62397
collection, storage, monocell, monofill, and recovery facilities. 62398
The establishment and modification of those facilities are subject 62399
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 62400
Code, as applicable. 62401

(3) The director may adopt, amend, suspend, or rescind rules 62402
under division (A) of this section creating an alternative system 62403
for authorizing the establishment, operation, or modification of a 62404
solid waste compost facility in lieu of the requirement that a 62405
person seeking to establish, operate, or modify a solid waste 62406
compost facility apply for and receive a permit under division (C) 62407
of this section and section 3734.05 of the Revised Code and a 62408
license under division (A)(1) of that section. The rules may 62409
include requirements governing, without limitation, the 62410
classification of solid waste compost facilities, the submittal of 62411
operating records for solid waste compost facilities, and the 62412
creation of a registration or notification system in lieu of the 62413
issuance of permits and licenses for solid waste compost 62414
facilities. The rules shall specify the applicability of divisions 62415
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 62416
Code to a solid waste compost facility. 62417

Sec. 3734.05. (A)(1) Except as provided in divisions (A)(4), 62418

(8), and (9) of this section, no person shall operate or maintain 62419
a solid waste facility without a license issued under this 62420
division by the board of health of the health district in which 62421
the facility is located or by the director of environmental 62422
protection when the health district in which the facility is 62423
located is not on the approved list under section 3734.08 of the 62424
Revised Code. 62425

During the month of December, but before the first day of 62426
January of the next year, every person proposing to continue to 62427
operate an existing solid waste facility shall procure a license 62428
under this division to operate the facility for that year from the 62429
board of health of the health district in which the facility is 62430
located or, if the health district is not on the approved list 62431
under section 3734.08 of the Revised Code, from the director. The 62432
application for such a license shall be submitted to the board of 62433
health or to the director, as appropriate, on or before the last 62434
day of September of the year preceding that for which the license 62435
is sought. In addition to the application fee prescribed in 62436
division (A)(2) of this section, a person who submits an 62437
application after that date shall pay an additional ten per cent 62438
of the amount of the application fee for each week that the 62439
application is late. Late payment fees accompanying an application 62440
submitted to the board of health shall be credited to the special 62441
fund of the health district created in division (B) of section 62442
3734.06 of the Revised Code, and late payment fees accompanying an 62443
application submitted to the director shall be credited to the 62444
general revenue fund. A person who has received a license, upon 62445
sale or disposition of a solid waste facility, and upon consent of 62446
the board of health and the director, may have the license 62447
transferred to another person. The board of health or the director 62448
may include such terms and conditions in a license or revision to 62449
a license as are appropriate to ensure compliance with this 62450
chapter and rules adopted under it. The terms and conditions may 62451

establish the authorized maximum daily waste receipts for the 62452
facility. Limitations on maximum daily waste receipts shall be 62453
specified in cubic yards of volume for the purpose of regulating 62454
the design, construction, and operation of solid waste facilities. 62455
Terms and conditions included in a license or revision to a 62456
license by a board of health shall be consistent with, and pertain 62457
only to the subjects addressed in, the rules adopted under 62458
division (A) of section 3734.02 and division (D) of section 62459
3734.12 of the Revised Code. 62460

(2)(a) Except as provided in divisions (A)(2)(b), (8), and 62461
(9) of this section, each person proposing to open a new solid 62462
waste facility or to modify an existing solid waste facility shall 62463
submit an application for a permit with accompanying detail plans 62464
and specifications to the environmental protection agency for 62465
required approval under the rules adopted by the director pursuant 62466
to division (A) of section 3734.02 of the Revised Code and 62467
applicable rules adopted under division (D) of section 3734.12 of 62468
the Revised Code at least two hundred seventy days before proposed 62469
operation of the facility and shall concurrently make application 62470
for the issuance of a license under division (A)(1) of this 62471
section with the board of health of the health district in which 62472
the proposed facility is to be located. 62473

(b) On and after the effective date of the rules adopted 62474
under division (A) of section 3734.02 of the Revised Code and 62475
