home shall be inspected by the director at least once prior to the 61308  
issuance of a license and at least once every fifteen months 61309

requested by the director. A home does not have to be inspected 61314  
prior to issuance of a license by the director, state fire 61315  
marshal, or a fire department if ownership of the home is assigned 61316  
or transferred to a different person and the home was licensed 61317  
under this chapter immediately prior to the assignment or 61318  
transfer. The director may enter at any time, for the purposes of 61319  
investigation, any institution, residence, facility, or other 61320

despite the revocation of its residential care facility license. 61326  
The director may delegate the director's authority and duties 61327  
under this chapter to any division, bureau, agency, or official of 61328  
the department of health. 61329

that the part or unit to be licensed as a nursing home can be 61333  
maintained separate and discrete from the part or unit to be 61334  
licensed as an adult care facility. 61335

(C) In determining the number of residents in a home for the 61336  
purpose of licensing, the director shall consider all the 61337

individuals for whom the home provides accommodations as one group 61338  
unless one of the following is the case: 61339

(1) The home is a home for the aging, in which case all the 61340  
individuals in the part or unit licensed as a nursing home shall 61341  
be considered as one group, and all the individuals in the part or 61342  
unit licensed as a rest home shall be considered as another group. 61343

(2) The home is both a nursing home and an adult care 61344  
facility. In that case, all the individuals in the part or unit 61345

all the individuals in the part or unit licensed as an adult care 61347  
facility shall be considered as another group. 61348

(3) The home maintains, in addition to a nursing home or 61349  
residential care facility, a separate and discrete part or unit 61350  
that provides accommodations to individuals who do not require or 61351  
receive skilled nursing care and do not receive personal care 61352  
services from the home, in which case the individuals in the 61353  
separate and discrete part or unit shall not be considered in 61354  
determining the number of residents in the home if the separate 61355  
and discrete part or unit is in compliance with the Ohio basic 61356  
building code established by the board of building standards under 61357  
Chapters 3781. and 3791. of the Revised Code and the home permits 61358  
the director, on request, to inspect the separate and discrete 61359  
part or unit and speak with the individuals residing there, if 61360  
they consent, to determine whether the separate and discrete part 61361  
or unit meets the requirements of this division. 61362

(D)(1) The director of health shall charge the following 61363  
application fee and annual renewal licensing and inspection fee 61364

enforcing this chapter and rules adopted under it. 61375

(E)(1) Except as otherwise provided in this section, the 61376  
results of an inspection or investigation of a home that is 61377  
conducted under this section, including any statement of 61378  
deficiencies and all findings and deficiencies cited in the 61379  
statement on the basis of the inspection or investigation, shall 61380  
be used solely to determine the home's compliance with this 61381  
chapter or another chapter of the Revised Code in any action or 61382  
proceeding other than an action commenced under division (I) of 61383  
section 3721.17 of the Revised Code. Those results of an 61384  
inspection or investigation, that statement of deficiencies, and 61385  
the findings and deficiencies cited in that statement shall not be 61386  
used in any court or in any action or proceeding that is pending 61387  
in any court and are not admissible in evidence in any action or 61388

action by the department of health under this chapter or is an 61390  
action by any department or agency of the state to enforce this 61391  
chapter or another chapter of the Revised Code. 61392

(2) Nothing in division (E)(1) of this section prohibits the 61393

section from being used in a criminal investigation or 61395  
prosecution. 61396

registration for the facility to the director in accordance with 62037  
rules adopted under divisions (A) and (N)(3) of this section. 62038

This division does not apply to an infectious waste treatment 62039  
facility that meets any of the following conditions: 62040

(1) Is owned or operated by the generator of the wastes and 62041  
exclusively treats, by methods, techniques, and practices 62042  
established by rules adopted under division (C)(1) or (3) of 62043  
section 3734.021 of the Revised Code, wastes that are generated at 62044  
any premises owned or operated by that generator regardless of 62045  
whether the wastes are generated on the premises where the 62046  
generator's treatment facility is located or, if the generator is 62047  
a hospital as defined in section 3727.01 of the Revised Code, 62048  
infectious wastes that are described in division (A)(1)(g), (h), 62049  
or (i) of section 3734.021 of the Revised Code; 62050

(2) Holds a license or renewal of a license to operate a 62051  
crematory facility issued under Chapter 4717. and a permit issued 62052  
under Chapter 3704. of the Revised Code; 62053

(3) Treats or disposes of dead animals or parts thereof, or 62054  
the blood of animals, and is subject to any of the following: 62055

(a) Inspection under the "Federal Meat Inspection Act," 81 62056  
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 62057

(b) Chapter 918. of the Revised Code; 62058

(c) Chapter 953. of the Revised Code. 62059

(D) Neither this chapter nor any rules adopted under it apply 62060  
to single-family residential premises; to infectious wastes 62061  
generated by individuals for purposes of their own care or 62062  
treatment that are disposed of with solid wastes from the 62063  
individual's residence; to the temporary storage of solid wastes, 62064  
other than scrap tires, prior to their collection for disposal; to 62065  
the storage of one hundred or fewer scrap tires unless they are 62066  
stored in such a manner that, in the judgment of the director or 62067  
the board of health of the health district in which the scrap 62068  
tires are stored, the storage causes a nuisance, a hazard to 62069  
public health or safety, or a fire hazard; or to the collection of 62070  
solid wastes, other than scrap tires, by a political subdivision 62071

or a person holding a franchise or license from a political subdivision of the state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.

(E)(1) As used in this division:

(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.

(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.

(c) "Satellite facility" means any of the following:

(i) An on-site facility that also receives hazardous waste from other premises owned by the same person who generates the waste on the facility premises;

(ii) An off-site facility operated so that all of the hazardous waste it receives is generated on one or more premises owned by the person who owns the facility;

(iii) An on-site facility that also receives hazardous waste that is transported uninterruptedly and directly to the facility through a pipeline from a generator who is not the owner of the facility.

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility installation and operation permit issued in accordance with

section 3734.05 of the Revised Code and subject to the payment of 62102  
an application fee not to exceed one thousand five hundred 62103  
dollars, payable upon application for a hazardous waste facility 62104  
installation and operation permit and upon application for a 62105  
renewal permit issued under division (H) of section 3734.05 of the 62106  
Revised Code, to be credited to the hazardous waste facility 62107  
management fund created in section 3734.18 of the Revised Code. 62108  
The term of a hazardous waste facility installation and operation 62109  
permit shall not exceed ten years. 62110

In addition to the application fee, there is hereby levied an 62111  
annual permit fee to be paid by the permit holder upon the 62112  
anniversaries of the date of issuance of the hazardous waste 62113  
facility installation and operation permit and of any subsequent 62114  
renewal permits and to be credited to the hazardous waste facility 62115  
management fund. Annual permit fees totaling forty thousand 62116  
dollars or more for any one facility may be paid on a quarterly 62117  
basis with the first quarterly payment each year being due on the 62118  
anniversary of the date of issuance of the hazardous waste 62119  
facility installation and operation permit and of any subsequent 62120  
renewal permits. The annual permit fee shall be determined for 62121  
each permit holder by the director in accordance with the 62122  
following schedule: 62123

A hazardous waste disposal facility that disposes of hazardous waste by deep well injection and that pays the annual permit fee established in section 6111.046 of the Revised Code is not subject to the permit fee established in this division for disposal facilities using deep well injection unless the director determines that the facility is not in compliance with applicable requirements established under this chapter and rules adopted under it.

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage,

treatment, or disposal shall pay the permit fee indicated by the 62167  
schedule for each such method. 62168

The director shall not require the payment of that portion of 62169  
an annual permit fee of any permit holder that would apply to a 62170  
hazardous waste management unit for which a permit has been 62171  
issued, but for which construction has not yet commenced. Once 62172  
construction has commenced, the director shall require the payment 62173  
of a part of the appropriate fee indicated by the schedule that 62174  
bears the same relationship to the total fee that the number of 62175  
days remaining until the next anniversary date at which payment of 62176  
the annual permit fee is due bears to three hundred sixty-five. 62177

The director, by rules adopted in accordance with Chapters 62178  
119. and 3745. of the Revised Code, shall prescribe procedures for 62179  
collecting the annual permit fee established by this division and 62180  
may prescribe other requirements necessary to carry out this 62181  
division. 62182

(3) The prohibition against establishing or operating a 62183  
hazardous waste facility without a hazardous waste facility 62184  
installation and operation permit does not apply to either of the 62185  
following: 62186

(a) A facility that is operating in accordance with a permit 62187  
renewal issued under division (H) of section 3734.05 of the 62188  
Revised Code, a revision issued under division (I) of that section 62189  
as it existed prior to August 20, 1996, or a modification issued 62190  
by the director under division (I) of that section on and after 62191  
August 20, 1996; 62192

(b) Except as provided in division (J) of section 3734.05 of 62193  
the Revised Code, a facility that will operate or is operating in 62194  
accordance with a permit by rule, or that is not subject to permit 62195  
requirements, under rules adopted by the director. In accordance 62196  
with Chapter 119. of the Revised Code, the director shall adopt, 62197

and subsequently may amend, suspend, or rescind, rules for the 62198  
purposes of division (E)(3)(b) of this section. Any rules so 62199  
adopted shall be consistent with and equivalent to regulations 62200  
pertaining to interim status adopted under the "Resource 62201  
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 62202  
6921, as amended, except as otherwise provided in this chapter. 62203

If a modification is requested or proposed for a facility 62204  
described in division (E)(3)(a) or (b) of this section, division 62205  
(I)(7) of section 3734.05 of the Revised Code applies. 62206

(F) No person shall store, treat, or dispose of hazardous 62207  
waste identified or listed under this chapter and rules adopted 62208  
under it, regardless of whether generated on or off the premises 62209  
where the waste is stored, treated, or disposed of, or transport 62210  
or cause to be transported any hazardous waste identified or 62211  
listed under this chapter and rules adopted under it to any other 62212  
premises, except at or to any of the following: 62213

(1) A hazardous waste facility operating under a permit 62214  
issued in accordance with this chapter; 62215

(2) A facility in another state operating under a license or 62216  
permit issued in accordance with the "Resource Conservation and 62217  
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 62218  
amended; 62219

(3) A facility in another nation operating in accordance with 62220  
the laws of that nation; 62221

(4) A facility holding a permit issued pursuant to Title I of 62222  
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 62223  
Stat. 1052, 33 U.S.C.A. 1401, as amended; 62224

(5) A hazardous waste facility as described in division 62225  
(E)(3)(a) or (b) of this section. 62226

(G) The director, by order, may exempt any person generating, 62227

collecting, storing, treating, disposing of, or transporting solid 62228  
wastes, infectious wastes, or hazardous waste, or processing solid 62229  
wastes that consist of scrap tires, in such quantities or under 62230  
such circumstances that, in the determination of the director, are 62231  
unlikely to adversely affect the public health or safety or the 62232  
environment from any requirement to obtain a registration 62233  
certificate, permit, or license or comply with the manifest system 62234  
or other requirements of this chapter. Such an exemption shall be 62235  
consistent with and equivalent to any regulations adopted by the 62236  
administrator of the United States environmental protection agency 62237  
under the "Resource Conservation and Recovery Act of 1976," 90 62238  
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 62239  
provided in this chapter. 62240

(H) No person shall engage in filling, grading, excavating, 62241  
building, drilling, or mining on land where a hazardous waste 62242  
facility, or a solid waste facility, was operated without prior 62243  
authorization from the director, who shall establish the procedure 62244  
for granting such authorization by rules adopted in accordance 62245  
with Chapter 119. of the Revised Code. 62246

A public utility that has main or distribution lines above or 62247  
below the land surface located on an easement or right-of-way 62248  
across land where a solid waste facility was operated may engage 62249  
in any such activity within the easement or right-of-way without 62250  
prior authorization from the director for purposes of performing 62251  
emergency repair or emergency replacement of its lines; of the 62252  
poles, towers, foundations, or other structures supporting or 62253  
sustaining any such lines; or of the appurtenances to those 62254  
structures, necessary to restore or maintain existing public 62255  
utility service. A public utility may enter upon any such easement 62256  
or right-of-way without prior authorization from the director for 62257  
purposes of performing necessary or routine maintenance of those 62258  
portions of its existing lines; of the existing poles, towers, 62259

foundations, or other structures sustaining or supporting its 62260  
lines; or of the appurtenances to any such supporting or 62261  
sustaining structure, located on or above the land surface on any 62262  
such easement or right-of-way. Within twenty-four hours after 62263  
commencing any such emergency repair, replacement, or maintenance 62264  
work, the public utility shall notify the director or the 62265  
director's authorized representative of those activities and shall 62266  
provide such information regarding those activities as the 62267  
director or the director's representative may request. Upon 62268  
completion of the emergency repair, replacement, or maintenance 62269  
activities, the public utility shall restore any land of the solid 62270  
waste facility disturbed by those activities to the condition 62271  
existing prior to the commencement of those activities. 62272

(I) No owner or operator of a hazardous waste facility, in 62273  
the operation of the facility, shall cause, permit, or allow the 62274  
emission therefrom of any particulate matter, dust, fumes, gas, 62275  
mist, smoke, vapor, or odorous substance that, in the opinion of 62276  
the director, unreasonably interferes with the comfortable 62277  
enjoyment of life or property by persons living or working in the 62278  
vicinity of the facility, or that is injurious to public health. 62279  
Any such action is hereby declared to be a public nuisance. 62280

(J) Notwithstanding any other provision of this chapter, in 62281  
the event the director finds an imminent and substantial danger to 62282  
public health or safety or the environment that creates an 62283  
emergency situation requiring the immediate treatment, storage, or 62284  
disposal of hazardous waste, the director may issue a temporary 62285  
emergency permit to allow the treatment, storage, or disposal of 62286  
the hazardous waste at a facility that is not otherwise authorized 62287  
by a hazardous waste facility installation and operation permit to 62288  
treat, store, or dispose of the waste. The emergency permit shall 62289  
not exceed ninety days in duration and shall not be renewed. The 62290  
director shall adopt, and may amend, suspend, or rescind, rules in 62291

accordance with Chapter 119. of the Revised Code governing the 62292  
issuance, modification, revocation, and denial of emergency 62293  
permits. 62294

(K) No owner or operator of a sanitary landfill shall 62295  
knowingly accept for disposal, or dispose of, any infectious 62296  
wastes, other than those subject to division (A)(1)(c) of section 62297  
3734.021 of the Revised Code, that have not been treated to render 62298  
them noninfectious. For the purposes of this division, 62299  
certification by the owner or operator of the treatment facility 62300  
where the wastes were treated on the shipping paper required by 62301  
rules adopted under division (D)(2) of that section creates a 62302  
rebuttable presumption that the wastes have been so treated. 62303

(L) The director, in accordance with Chapter 119. of the 62304  
Revised Code, shall adopt, and may amend, suspend, or rescind, 62305  
rules having uniform application throughout the state establishing 62306  
a training and certification program that shall be required for 62307  
employees of boards of health who are responsible for enforcing 62308  
the solid waste and infectious waste provisions of this chapter 62309  
and rules adopted under them and for persons who are responsible 62310  
for the operation of solid waste facilities or infectious waste 62311  
treatment facilities. The rules shall provide all of the 62312  
following, without limitation: 62313

(1) The program shall be administered by the director and 62314  
shall consist of a course on new solid waste and infectious waste 62315  
technologies, enforcement procedures, and rules; 62316

(2) The course shall be offered on an annual basis; 62317

(3) Those persons who are required to take the course under 62318  
division (L) of this section shall do so triennially; 62319

(4) Persons who successfully complete the course shall be 62320  
certified by the director; 62321

(5) Certification shall be required for all employees of 62322

boards of health who are responsible for enforcing the solid waste 62323  
or infectious waste provisions of this chapter and rules adopted 62324  
under them and for all persons who are responsible for the 62325  
operation of solid waste facilities or infectious waste treatment 62326  
facilities; 62327

(6)(a) All employees of a board of health who, on the 62328  
effective date of the rules adopted under this division, are 62329  
responsible for enforcing the solid waste or infectious waste 62330  
provisions of this chapter and the rules adopted under them shall 62331  
complete the course and be certified by the director not later 62332  
than January 1, 1995; 62333

(b) All employees of a board of health who, after the 62334  
effective date of the rules adopted under division (L) of this 62335  
section, become responsible for enforcing the solid waste or 62336  
infectious waste provisions of this chapter and rules adopted 62337  
under them and who do not hold a current and valid certification 62338  
from the director at that time shall complete the course and be 62339  
certified by the director within two years after becoming 62340  
responsible for performing those activities. 62341

No person shall fail to obtain the certification required 62342  
under this division. 62343

(M) The director shall not issue a permit under section 62344  
3734.05 of the Revised Code to establish a solid waste facility, 62345  
or to modify a solid waste facility operating on December 21, 62346  
1988, in a manner that expands the disposal capacity or geographic 62347  
area covered by the facility, that is or is to be located within 62348  
the boundaries of a state park established or dedicated under 62349  
Chapter 1541. of the Revised Code, a state park purchase area 62350  
established under section 1541.02 of the Revised Code, any unit of 62351  
the national park system, or any property that lies within the 62352  
boundaries of a national park or recreation area, but that has not 62353  
been acquired or is not administered by the secretary of the 62354

United States department of the interior, located in this state, 62355  
or any candidate area located in this state and identified for 62356  
potential inclusion in the national park system in the edition of 62357  
the "national park system plan" submitted under paragraph (b) of 62358  
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 62359  
U.S.C.A. 1a-5, as amended, current at the time of filing of the 62360  
application for the permit, unless the facility or proposed 62361  
facility is or is to be used exclusively for the disposal of solid 62362  
wastes generated within the park or recreation area and the 62363  
director determines that the facility or proposed facility will 62364  
not degrade any of the natural or cultural resources of the park 62365  
or recreation area. The director shall not issue a variance under 62366  
division (A) of this section and rules adopted under it, or issue 62367  
an exemption order under division (G) of this section, that would 62368  
authorize any such establishment or expansion of a solid waste 62369  
facility within the boundaries of any such park or recreation 62370  
area, state park purchase area, or candidate area, other than a 62371  
solid waste facility exclusively for the disposal of solid wastes 62372  
generated within the park or recreation area when the director 62373  
determines that the facility will not degrade any of the natural 62374  
or cultural resources of the park or recreation area. 62375

(N)(1) The rules adopted under division (A) of this section, 62376  
other than those governing variances, do not apply to scrap tire 62377  
collection, storage, monocell, monofill, and recovery facilities. 62378  
Those facilities are subject to and governed by rules adopted 62379  
under sections 3734.70 to 3734.73 of the Revised Code, as 62380  
applicable. 62381

(2) Division (C) of this section does not apply to scrap tire 62382  
collection, storage, monocell, monofill, and recovery facilities. 62383  
The establishment and modification of those facilities are subject 62384  
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 62385  
Code, as applicable. 62386

(3) The director may adopt, amend, suspend, or rescind rules 62387  
under division (A) of this section creating an alternative system 62388  
for authorizing the establishment, operation, or modification of a 62389  
solid waste compost facility in lieu of the requirement that a 62390  
person seeking to establish, operate, or modify a solid waste 62391  
compost facility apply for and receive a permit under division (C) 62392  
of this section and section 3734.05 of the Revised Code and a 62393  
license under division (A)(1) of that section. The rules may 62394  
include requirements governing, without limitation, the 62395  
classification of solid waste compost facilities, the submittal of 62396  
operating records for solid waste compost facilities, and the 62397  
creation of a registration or notification system in lieu of the 62398  
issuance of permits and licenses for solid waste compost 62399  
facilities. The rules shall specify the applicability of divisions 62400  
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 62401  
Code to a solid waste compost facility. 62402

**Sec. 3734.05.** (A)(1) Except as provided in divisions (A)(4), 62403  
(8), and (9) of this section, no person shall operate or maintain 62404  
a solid waste facility without a license issued under this 62405  
division by the board of health of the health district in which 62406  
the facility is located or by the director of environmental 62407  
protection when the health district in which the facility is 62408  
located is not on the approved list under section 3734.08 of the 62409  
Revised Code. 62410

During the month of December, but before the first day of 62411  
January of the next year, every person proposing to continue to 62412  
operate an existing solid waste facility shall procure a license 62413  
under this division to operate the facility for that year from the 62414  
board of health of the health district in which the facility is 62415  
located or, if the health district is not on the approved list 62416  
under section 3734.08 of the Revised Code, from the director. The 62417  
application for such a license shall be submitted to the board of 62418

health or to the director, as appropriate, on or before the last 62419  
day of September of the year preceding that for which the license 62420  
is sought. In addition to the application fee prescribed in 62421  
division (A)(2) of this section, a person who submits an 62422  
application after that date shall pay an additional ten per cent 62423  
of the amount of the application fee for each week that the 62424  
application is late. Late payment fees accompanying an application 62425  
submitted to the board of health shall be credited to the special 62426  
fund of the health district created in division (B) of section 62427  
3734.06 of the Revised Code, and late payment fees accompanying an 62428  
application submitted to the director shall be credited to the 62429  
general revenue fund. A person who has received a license, upon 62430  
sale or disposition of a solid waste facility, and upon consent of 62431  
the board of health and the director, may have the license 62432  
transferred to another person. The board of health or the director 62433  
may include such terms and conditions in a license or revision to 62434  
a license as are appropriate to ensure compliance with this 62435  
chapter and rules adopted under it. The terms and conditions may 62436  
establish the authorized maximum daily waste receipts for the 62437  
facility. Limitations on maximum daily waste receipts shall be 62438  
specified in cubic yards of volume for the purpose of regulating 62439  
the design, construction, and operation of solid waste facilities. 62440  
Terms and conditions included in a license or revision to a 62441  
license by a board of health shall be consistent with, and pertain 62442  
only to the subjects addressed in, the rules adopted under 62443  
division (A) of section 3734.02 and division (D) of section 62444  
3734.12 of the Revised Code. 62445

(2)(a) Except as provided in divisions (A)(2)(b), (8), and 62446  
(9) of this section, each person proposing to open a new solid 62447  
waste facility or to modify an existing solid waste facility shall 62448  
submit an application for a permit with accompanying detail plans 62449  
and specifications to the environmental protection agency for 62450  
required approval under the rules adopted by the director pursuant 62451

to division (A) of section 3734.02 of the Revised Code and 62452  
applicable rules adopted under division (D) of section 3734.12 of 62453  
the Revised Code at least two hundred seventy days before proposed 62454  
operation of the facility and shall concurrently make application 62455  
for the issuance of a license under division (A)(1) of this 62456  
section with the board of health of the health district in which 62457  
the proposed facility is to be located. 62458

(b) On and after the effective date of the rules adopted 62459  
under division (A) of section 3734.02 of the Revised Code and 62460  
division (D) of section 3734.12 of the Revised Code governing 62461  
solid waste transfer facilities, each person proposing to open a 62462  
new solid waste transfer facility or to modify an existing solid 62463  
waste transfer facility shall submit an application for a permit 62464  
with accompanying engineering detail plans, specifications, and 62465  
information regarding the facility and its method of operation to 62466  
the environmental protection agency for required approval under 62467  
those rules at least two hundred seventy days before commencing 62468  
proposed operation of the facility and concurrently shall make 62469  
application for the issuance of a license under division (A)(1) of 62470  
this section with the board of health of the health district in 62471  
which the facility is located or proposed. 62472

(c) Each application for a permit under division (A)(2)(a) or 62473  
(b) of this section shall be accompanied by a nonrefundable 62474  
application fee of four hundred dollars that shall be credited to 62475  
the general revenue fund. Each application for an annual license 62476  
under division (A)(1) or (2) of this section shall be accompanied 62477  
by a nonrefundable application fee of one hundred dollars. If the 62478  
application for an annual license is submitted to a board of 62479  
health on the approved list under section 3734.08 of the Revised 62480  
Code, the application fee shall be credited to the special fund of 62481  
the health district created in division (B) of section 3734.06 of 62482  
the Revised Code. If the application for an annual license is 62483

submitted to the director, the application fee shall be credited 62484  
to the general revenue fund. If a permit or license is issued, the 62485  
amount of the application fee paid shall be deducted from the 62486  
amount of the permit fee due under division (Q) of section 3745.11 62487  
of the Revised Code or the amount of the license fee due under 62488  
division (A)(1), (2), (3), ~~or (4)~~, or (5) of section 3734.06 of 62489  
the Revised Code. 62490

(d) As used in divisions (A)(2)(d), (e), and (f) of this 62491  
section, "modify" means any of the following: 62492

(i) Any increase of more than ten per cent in the total 62493  
capacity of a solid waste facility; 62494

(ii) Any expansion of the limits of solid waste placement at 62495  
a solid waste facility; 62496

(iii) Any increase in the depth of excavation at a solid 62497  
waste facility; 62498

(iv) Any change in the technique of waste receipt or type of 62499  
waste received at a solid waste facility that may endanger human 62500  
health, as determined by the director by rules adopted in 62501  
accordance with Chapter 119. of the Revised Code. 62502

Not later than ~~thirty-five~~ forty-five days after submitting 62503  
an application under division (A)(2)(a) or (b) of this section for 62504  
a permit to open a new or modify an existing solid waste facility, 62505  
the applicant, in conjunction with an officer or employee of the 62506  
environmental protection agency, shall hold a public meeting on 62507  
the application within the county in which the new or modified 62508  
solid waste facility is or is proposed to be located or within a 62509  
contiguous county. Not less than thirty days before holding the 62510  
public meeting on the application, the applicant shall publish 62511  
notice of the meeting in each newspaper of general circulation 62512  
that is published in the county in which the facility is or is 62513  
proposed to be located. If no newspaper of general circulation is 62514

published in the county, the applicant shall publish the notice in 62515  
a newspaper of general circulation in the county. The notice shall 62516  
contain the date, time, and location of the public meeting and a 62517  
general description of the proposed new or modified facility. Not 62518  
later than five days after publishing the notice, the applicant 62519  
shall send by certified mail a copy of the notice and the date the 62520  
notice was published to the director and the legislative authority 62521  
of each municipal corporation, township, and county, and to the 62522  
chief executive officer of each municipal corporation, in which 62523  
the facility is or is proposed to be located. At the public 62524  
meeting, the applicant shall provide information and describe the 62525  
application and respond to comments or questions concerning the 62526  
application, and the officer or employee of the agency shall 62527  
describe the permit application process. At the public meeting, 62528  
any person may submit written or oral comments on or objections to 62529  
the application. Not more than thirty days after the public 62530  
meeting, the applicant shall provide the director with a copy of a 62531  
transcript of the full meeting, copies of any exhibits, displays, 62532  
or other materials presented by the applicant at the meeting, and 62533  
the original copy of any written comments submitted at the 62534  
meeting. 62535

(e) Except as provided in division (A)(2)(f) of this section, 62536  
prior to taking an action, other than a proposed or final denial, 62537  
upon an application submitted under division (A)(2)(a) of this 62538  
section for a permit to open a new or modify an existing solid 62539  
waste facility, the director shall hold a public information 62540  
session and a public hearing on the application within the county 62541  
in which the new or modified solid waste facility is or is 62542  
proposed to be located or within a contiguous county. If the 62543  
application is for a permit to open a new solid waste facility, 62544  
the director shall hold the hearing not less than fourteen days 62545  
after the information session. If the application is for a permit 62546  
to modify an existing solid waste facility, the director may hold 62547

both the information session and the hearing on the same day 62548  
unless any individual affected by the application requests in 62549  
writing that the information session and the hearing not be held 62550  
on the same day, in which case the director shall hold the hearing 62551  
not less than fourteen days after the information session. The 62552  
director shall publish notice of the public information session or 62553  
public hearing not less than thirty days before holding the 62554  
information session or hearing, as applicable. The notice shall be 62555  
published in each newspaper of general circulation that is 62556  
published in the county in which the facility is or is proposed to 62557  
be located. If no newspaper of general circulation is published in 62558  
the county, the director shall publish the notice in a newspaper 62559  
of general circulation in the county. The notice shall contain the 62560  
date, time, and location of the information session or hearing, as 62561  
applicable, and a general description of the proposed new or 62562  
modified facility. At the public information session, an officer 62563  
or employee of the environmental protection agency shall describe 62564  
the status of the permit application and be available to respond 62565  
to comments or questions concerning the application. At the public 62566  
hearing, any person may submit written or oral comments on or 62567  
objections to the approval of the application. The applicant, or a 62568  
representative of the applicant who has knowledge of the location, 62569  
construction, and operation of the facility, shall attend the 62570  
information session and public hearing to respond to comments or 62571  
questions concerning the facility directed to the applicant or 62572  
representative by the officer or employee of the environmental 62573  
protection agency presiding at the information session and 62574  
hearing. 62575

(f) The solid waste management policy committee of a county 62576  
or joint solid waste management district may adopt a resolution 62577  
requesting expeditious consideration of a specific application 62578  
submitted under division (A)(2)(a) of this section for a permit to 62579  
modify an existing solid waste facility within the district. The 62580

resolution shall make the finding that expedited consideration of 62581  
the application without the public information session and public 62582  
hearing under division (A)(2)(e) of this section is in the public 62583  
interest and will not endanger human health, as determined by the 62584  
director by rules adopted in accordance with Chapter 119. of the 62585  
Revised Code. Upon receiving such a resolution, the director, at 62586  
the director's discretion, may issue a final action upon the 62587  
application without holding a public information session or public 62588  
hearing pursuant to division (A)(2)(e) of this section. 62589

(3) Except as provided in division (A)(10) of this section, 62590  
and unless the owner or operator of any solid waste facility, 62591  
other than a solid waste transfer facility or a compost facility 62592  
that accepts exclusively source separated yard wastes, that 62593  
commenced operation on or before July 1, 1968, has obtained an 62594  
exemption from the requirements of division (A)(3) of this section 62595  
in accordance with division (G) of section 3734.02 of the Revised 62596  
Code, the owner or operator shall submit to the director an 62597  
application for a permit with accompanying engineering detail 62598  
plans, specifications, and information regarding the facility and 62599  
its method of operation for approval under rules adopted under 62600  
division (A) of section 3734.02 of the Revised Code and applicable 62601  
rules adopted under division (D) of section 3734.12 of the Revised 62602  
Code in accordance with the following schedule: 62603

(a) Not later than September 24, 1988, if the facility is 62604  
located in the city of Garfield Heights or Parma in Cuyahoga 62605  
county; 62606

(b) Not later than December 24, 1988, if the facility is 62607  
located in Delaware, Greene, Guernsey, Hamilton, Madison, 62608  
Mahoning, Ottawa, or Vinton county; 62609

(c) Not later than March 24, 1989, if the facility is located 62610  
in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or 62611  
Washington county, or is located in the city of Brooklyn or 62612

Cuyahoga Heights in Cuyahoga county; 62613

(d) Not later than June 24, 1989, if the facility is located 62614  
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 62615  
Summit county or is located in Cuyahoga county outside the cities 62616  
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 62617

(e) Not later than September 24, 1989, if the facility is 62618  
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 62619  
county; 62620

(f) Not later than December 24, 1989, if the facility is 62621  
located in a county not listed in divisions (A)(3)(a) to (e) of 62622  
this section; 62623

(g) Notwithstanding divisions (A)(3)(a) to (f) of this 62624  
section, not later than December 31, 1990, if the facility is a 62625  
solid waste facility owned by a generator of solid wastes when the 62626  
solid waste facility exclusively disposes of solid wastes 62627  
generated at one or more premises owned by the generator 62628  
regardless of whether the facility is located on a premises where 62629  
the wastes are generated and if the facility disposes of more than 62630  
one hundred thousand tons of solid wastes per year, provided that 62631  
any such facility shall be subject to division (A)(5) of this 62632  
section. 62633

(4) Except as provided in divisions (A)(8), (9), and (10) of 62634  
this section, unless the owner or operator of any solid waste 62635  
facility for which a permit was issued after July 1, 1968, but 62636  
before January 1, 1980, has obtained an exemption from the 62637  
requirements of division (A)(4) of this section under division (G) 62638  
of section 3734.02 of the Revised Code, the owner or operator 62639  
shall submit to the director an application for a permit with 62640  
accompanying engineering detail plans, specifications, and 62641  
information regarding the facility and its method of operation for 62642  
approval under those rules. 62643

(5) The director may issue an order in accordance with 62644  
Chapter 3745. of the Revised Code to the owner or operator of a 62645  
solid waste facility requiring the person to submit to the 62646  
director updated engineering detail plans, specifications, and 62647  
information regarding the facility and its method of operation for 62648  
approval under rules adopted under division (A) of section 3734.02 62649  
of the Revised Code and applicable rules adopted under division 62650  
(D) of section 3734.12 of the Revised Code if, in the director's 62651  
judgment, conditions at the facility constitute a substantial 62652  
threat to public health or safety or are causing or contributing 62653  
to or threatening to cause or contribute to air or water pollution 62654  
or soil contamination. Any person who receives such an order shall 62655  
submit the updated engineering detail plans, specifications, and 62656  
information to the director within one hundred eighty days after 62657  
the effective date of the order. 62658

(6) The director shall act upon an application submitted 62659  
under division (A)(3) or (4) of this section and any updated 62660  
engineering plans, specifications, and information submitted under 62661  
division (A)(5) of this section within one hundred eighty days 62662  
after receiving them. If the director denies any such permit 62663  
application, the order denying the application or disapproving the 62664  
plans shall include the requirements that the owner or operator 62665  
submit a plan for closure and post-closure care of the facility to 62666  
the director for approval within six months after issuance of the 62667  
order, cease accepting solid wastes for disposal or transfer at 62668  
the facility, and commence closure of the facility not later than 62669  
one year after issuance of the order. If the director determines 62670  
that closure of the facility within that one-year period would 62671  
result in the unavailability of sufficient solid waste management 62672  
facility capacity within the county or joint solid waste 62673  
management district in which the facility is located to dispose of 62674  
or transfer the solid waste generated within the district, the 62675  
director in the order of denial or disapproval may postpone 62676

commencement of closure of the facility for such period of time as 62677  
the director finds necessary for the board of county commissioners 62678  
or directors of the district to secure access to or for there to 62679  
be constructed within the district sufficient solid waste 62680  
management facility capacity to meet the needs of the district, 62681  
provided that the director shall certify in the director's order 62682  
that postponing the date for commencement of closure will not 62683  
endanger ground water or any property surrounding the facility, 62684  
allow methane gas migration to occur, or cause or contribute to 62685  
any other type of environmental damage. 62686

If an emergency need for disposal capacity that may affect 62687  
public health and safety exists as a result of closure of a 62688  
facility under division (A)(6) of this section, the director may 62689  
issue an order designating another solid waste facility to accept 62690  
the wastes that would have been disposed of at the facility to be 62691  
closed. 62692

(7) If the director determines that standards more stringent 62693  
than those applicable in rules adopted under division (A) of 62694  
section 3734.02 of the Revised Code and division (D) of section 62695  
3734.12 of the Revised Code, or standards pertaining to subjects 62696  
not specifically addressed by those rules, are necessary to ensure 62697  
that a solid waste facility constructed at the proposed location 62698  
will not cause a nuisance, cause or contribute to water pollution, 62699  
or endanger public health or safety, the director may issue a 62700  
permit for the facility with such terms and conditions as the 62701  
director finds necessary to protect public health and safety and 62702  
the environment. If a permit is issued, the director shall state 62703  
in the order issuing it the specific findings supporting each such 62704  
term or condition. 62705

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 62706  
not apply to a solid waste compost facility that accepts 62707  
exclusively source separated yard wastes and that is registered 62708

under division (C) of section 3734.02 of the Revised Code or, 62709  
unless otherwise provided in rules adopted under division (N)(3) 62710  
of section 3734.02 of the Revised Code, to a solid waste compost 62711  
facility if the director has adopted rules establishing an 62712  
alternative system for authorizing the establishment, operation, 62713  
or modification of a solid waste compost facility under that 62714  
division. 62715

(9) Divisions (A)(1) to (7) of this section do not apply to 62716  
scrap tire collection, storage, monocell, monofill, and recovery 62717  
facilities. The approval of plans and specifications, as 62718  
applicable, and the issuance of registration certificates, 62719  
permits, and licenses for those facilities are subject to sections 62720  
3734.75 to 3734.78 of the Revised Code, as applicable, and section 62721  
3734.81 of the Revised Code. 62722

(10) Divisions (A)(3) and (4) of this section do not apply to 62723  
a solid waste incinerator that was placed into operation on or 62724  
before October 12, 1994, and that is not authorized to accept and 62725  
treat infectious wastes pursuant to division (B) of this section. 62726

(B)(1) Each person who is engaged in the business of treating 62727  
infectious wastes for profit at a treatment facility located off 62728  
the premises where the wastes are generated that is in operation 62729  
on August 10, 1988, and who proposes to continue operating the 62730  
facility shall submit to the board of health of the health 62731  
district in which the facility is located an application for a 62732  
license to operate the facility. 62733

Thereafter, no person shall operate or maintain an infectious 62734  
waste treatment facility without a license issued by the board of 62735  
health of the health district in which the facility is located or 62736  
by the director when the health district in which the facility is 62737  
located is not on the approved list under section 3734.08 of the 62738  
Revised Code. 62739

(2)(a) During the month of December, but before the first day 62740  
of January of the next year, every person proposing to continue to 62741  
operate an existing infectious waste treatment facility shall 62742  
procure a license to operate the facility for that year from the 62743  
board of health of the health district in which the facility is 62744  
located or, if the health district is not on the approved list 62745  
under section 3734.08 of the Revised Code, from the director. The 62746  
application for such a license shall be submitted to the board of 62747  
health or to the director, as appropriate, on or before the last 62748  
day of September of the year preceding that for which the license 62749  
is sought. In addition to the application fee prescribed in 62750  
division (B)(2)(c) of this section, a person who submits an 62751  
application after that date shall pay an additional ten per cent 62752  
of the amount of the application fee for each week that the 62753  
application is late. Late payment fees accompanying an application 62754  
submitted to the board of health shall be credited to the special 62755  
infectious waste fund of the health district created in division 62756  
(C) of section 3734.06 of the Revised Code, and late payment fees 62757  
accompanying an application submitted to the director shall be 62758  
credited to the general revenue fund. A person who has received a 62759  
license, upon sale or disposition of an infectious waste treatment 62760  
facility and upon consent of the board of health and the director, 62761  
may have the license transferred to another person. The board of 62762  
health or the director may include such terms and conditions in a 62763  
license or revision to a license as are appropriate to ensure 62764  
compliance with the infectious waste provisions of this chapter 62765  
and rules adopted under them. 62766

(b) Each person proposing to open a new infectious waste 62767  
treatment facility or to modify an existing infectious waste 62768  
treatment facility shall submit an application for a permit with 62769  
accompanying detail plans and specifications to the environmental 62770  
protection agency for required approval under the rules adopted by 62771  
the director pursuant to section 3734.021 of the Revised Code two 62772

hundred seventy days before proposed operation of the facility and 62773  
concurrently shall make application for a license with the board 62774  
of health of the health district in which the facility is or is 62775  
proposed to be located. Not later than ninety days after receiving 62776  
a completed application under division (B)(2)(b) of this section 62777  
for a permit to open a new infectious waste treatment facility or 62778  
modify an existing infectious waste treatment facility to expand 62779  
its treatment capacity, or receiving a completed application under 62780  
division (A)(2)(a) of this section for a permit to open a new 62781  
solid waste incineration facility, or modify an existing solid 62782  
waste incineration facility to also treat infectious wastes or to 62783  
increase its infectious waste treatment capacity, that pertains to 62784  
a facility for which a notation authorizing infectious waste 62785  
treatment is included or proposed to be included in the solid 62786  
waste incineration facility's license pursuant to division (B)(3) 62787  
of this section, the director shall hold a public hearing on the 62788  
application within the county in which the new or modified 62789  
infectious waste or solid waste facility is or is proposed to be 62790  
located or within a contiguous county. Not less than thirty days 62791  
before holding the public hearing on the application, the director 62792  
shall publish notice of the hearing in each newspaper that has 62793  
general circulation and that is published in the county in which 62794  
the facility is or is proposed to be located. If there is no 62795  
newspaper that has general circulation and that is published in 62796  
the county, the director shall publish the notice in a newspaper 62797  
of general circulation in the county. The notice shall contain the 62798  
date, time, and location of the public hearing and a general 62799  
description of the proposed new or modified facility. At the 62800  
public hearing, any person may submit written or oral comments on 62801  
or objections to the approval or disapproval of the application. 62802  
The applicant, or a representative of the applicant who has 62803  
knowledge of the location, construction, and operation of the 62804  
facility, shall attend the public hearing to respond to comments 62805

or questions concerning the facility directed to the applicant or 62806  
representative by the officer or employee of the environmental 62807  
protection agency presiding at the hearing. 62808

(c) Each application for a permit under division (B)(2)(b) of 62809  
this section shall be accompanied by a nonrefundable application 62810  
fee of four hundred dollars that shall be credited to the general 62811  
revenue fund. Each application for an annual license under 62812  
division (B)(2)(a) of this section shall be accompanied by a 62813  
nonrefundable application fee of one hundred dollars. If the 62814  
application for an annual license is submitted to a board of 62815  
health on the approved list under section 3734.08 of the Revised 62816  
Code, the application fee shall be credited to the special 62817  
infectious waste fund of the health district created in division 62818  
(C) of section 3734.06 of the Revised Code. If the application for 62819  
an annual license is submitted to the director, the application 62820  
fee shall be credited to the general revenue fund. If a permit or 62821  
license is issued, the amount of the application fee paid shall be 62822  
deducted from the amount of the permit fee due under division (Q) 62823  
of section 3745.11 of the Revised Code or the amount of the 62824  
license fee due under division (C) of section 3734.06 of the 62825  
Revised Code. 62826

(d) The owner or operator of any infectious waste treatment 62827  
facility that commenced operation on or before July 1, 1968, shall 62828  
submit to the director an application for a permit with 62829  
accompanying engineering detail plans, specifications, and 62830  
information regarding the facility and its method of operation for 62831  
approval under rules adopted under section 3734.021 of the Revised 62832  
Code in accordance with the following schedule: 62833

(i) Not later than December 24, 1988, if the facility is 62834  
located in Delaware, Greene, Guernsey, Hamilton, Madison, 62835  
Mahoning, Ottawa, or Vinton county; 62836

(ii) Not later than March 24, 1989, if the facility is 62837

located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, 62838  
or Washington county, or is located in the city of Brooklyn, 62839  
Cuyahoga Heights, or Parma in Cuyahoga county; 62840

(iii) Not later than June 24, 1989, if the facility is 62841  
located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, 62842  
Lucas, or Summit county or is located in Cuyahoga county outside 62843  
the cities of Brooklyn, Cuyahoga Heights, and Parma; 62844

(iv) Not later than September 24, 1989, if the facility is 62845  
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 62846  
county; 62847

(v) Not later than December 24, 1989, if the facility is 62848  
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 62849  
of this section. 62850

The owner or operator of an infectious waste treatment 62851  
facility required to submit a permit application under division 62852  
(B)(2)(d) of this section is not required to pay any permit 62853  
application fee under division (B)(2)(c) of this section, or 62854  
permit fee under division (Q) of section 3745.11 of the Revised 62855  
Code, with respect thereto unless the owner or operator also 62856  
proposes to modify the facility. 62857

(e) The director may issue an order in accordance with 62858  
Chapter 3745. of the Revised Code to the owner or operator of an 62859  
infectious waste treatment facility requiring the person to submit 62860  
to the director updated engineering detail plans, specifications, 62861  
and information regarding the facility and its method of operation 62862  
for approval under rules adopted under section 3734.021 of the 62863  
Revised Code if, in the director's judgment, conditions at the 62864  
facility constitute a substantial threat to public health or 62865  
safety or are causing or contributing to or threatening to cause 62866  
or contribute to air or water pollution or soil contamination. Any 62867  
person who receives such an order shall submit the updated 62868

engineering detail plans, specifications, and information to the 62869  
director within one hundred eighty days after the effective date 62870  
of the order. 62871

(f) The director shall act upon an application submitted 62872  
under division (B)(2)(d) of this section and any updated 62873  
engineering plans, specifications, and information submitted under 62874  
division (B)(2)(e) of this section within one hundred eighty days 62875  
after receiving them. If the director denies any such permit 62876  
application or disapproves any such updated engineering plans, 62877  
specifications, and information, the director shall include in the 62878  
order denying the application or disapproving the plans the 62879  
requirement that the owner or operator cease accepting infectious 62880  
wastes for treatment at the facility. 62881

(3) Division (B) of this section does not apply to an 62882  
infectious waste treatment facility that meets any of the 62883  
following conditions: 62884

(a) Is owned or operated by the generator of the wastes and 62885  
exclusively treats, by methods, techniques, and practices 62886  
established by rules adopted under division (C)(1) or (3) of 62887  
section 3734.021 of the Revised Code, wastes that are generated at 62888  
any premises owned or operated by that generator regardless of 62889  
whether the wastes are generated on the same premises where the 62890  
generator's treatment facility is located or, if the generator is 62891  
a hospital as defined in section 3727.01 of the Revised Code, 62892  
infectious wastes that are described in division (A)(1)(g), (h), 62893  
or (i) of section 3734.021 of the Revised Code; 62894

(b) Holds a license or renewal of a license to operate a 62895  
crematory facility issued under Chapter 4717. and a permit issued 62896  
under Chapter 3704. of the Revised Code; 62897

(c) Treats or disposes of dead animals or parts thereof, or 62898  
the blood of animals, and is subject to any of the following: 62899

(i) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 62900  
62901

(ii) Chapter 918. of the Revised Code; 62902

(iii) Chapter 953. of the Revised Code. 62903

Nothing in division (B) of this section requires a facility that holds a license issued under division (A) of this section as a solid waste facility and that also treats infectious wastes by the same method, technique, or process to obtain a license under division (B) of this section as an infectious waste treatment facility. However, the solid waste facility license for the facility shall include the notation that the facility also treats infectious wastes. 62904  
62905  
62906  
62907  
62908  
62909  
62910  
62911

On and after the effective date of the amendments to the rules adopted under division (C)(2) of section 3734.021 of the Revised Code that are required by Section 6 of Substitute House Bill No. 98 of the 120th General Assembly, the director shall not issue a permit to open a new solid waste incineration facility unless the proposed facility complies with the requirements for the location of new infectious waste incineration facilities established in the required amendments to those rules. 62912  
62913  
62914  
62915  
62916  
62917  
62918  
62919

(C) Except for a facility or activity described in division (E)(3) of section 3734.02 of the Revised Code, a person who proposes to establish or operate a hazardous waste facility shall submit a complete application for a hazardous waste facility installation and operation permit and accompanying detail plans, specifications, and such information as the director may require to the environmental protection agency at least one hundred eighty days before the proposed beginning of operation of the facility. The applicant shall notify by certified mail the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located of the submission of 62920  
62921  
62922  
62923  
62924  
62925  
62926  
62927  
62928  
62929  
62930

the application within ten days after the submission or at such 62931  
earlier time as the director may establish by rule. If the 62932  
application is for a proposed new hazardous waste disposal or 62933  
thermal treatment facility, the applicant also shall give actual 62934  
notice of the general design and purpose of the facility to the 62935  
legislative authority of each municipal corporation, township, and 62936  
county in which the facility is proposed to be located at least 62937  
ninety days before the permit application is submitted to the 62938  
environmental protection agency. 62939

In accordance with rules adopted under section 3734.12 of the 62940  
Revised Code, prior to the submission of a complete application 62941  
for a hazardous waste facility installation and operation permit, 62942  
the applicant shall hold at least one meeting in the township or 62943  
municipal corporation in which the facility is proposed to be 62944  
located, whichever is geographically closer to the proposed 62945  
location of the facility. The meeting shall be open to the public 62946  
and shall be held to inform the community of the proposed 62947  
hazardous waste management activities and to solicit questions 62948  
from the community concerning the activities. 62949

(D)(1) Except as provided in section 3734.123 of the Revised 62950  
Code, upon receipt of a complete application for a hazardous waste 62951  
facility installation and operation permit under division (C) of 62952  
this section, the director shall consider the application and 62953  
accompanying information to determine whether the application 62954  
complies with agency rules and the requirements of division (D)(2) 62955  
of this section. After making a determination, the director shall 62956  
issue either a draft permit or a notice of intent to deny the 62957  
permit. The director, in accordance with rules adopted under 62958  
section 3734.12 of the Revised Code or with rules adopted to 62959  
implement Chapter 3745. of the Revised Code, shall provide public 62960  
notice of the application and the draft permit or the notice of 62961  
intent to deny the permit, provide an opportunity for public 62962

comments, and, if significant interest is shown, schedule a public meeting in the county in which the facility is proposed to be located and give public notice of the date, time, and location of the public meeting in a newspaper of general circulation in that county.

(2) The director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I)(3) of this section unless the director finds and determines as follows:

(a) The nature and volume of the waste to be treated, stored, or disposed of at the facility;

(b) That the facility complies with the director's hazardous waste standards adopted pursuant to section 3734.12 of the Revised Code;

(c) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of various alternatives, and other pertinent considerations;

(d) That the facility represents the minimum risk of all of the following:

(i) Fires or explosions from treatment, storage, or disposal methods;

(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility;

(iii) Adverse impact on the public health and safety.

(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them;

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from

which the person may influence the installation and operation of 62993  
the facility has been involved in any prior activity involving 62994  
transportation, treatment, storage, or disposal of hazardous 62995  
waste, that person has a history of compliance with this chapter 62996  
and Chapters 3704. and 6111. of the Revised Code and all rules and 62997  
standards adopted under them, the "Resource Conservation and 62998  
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 62999  
amended, and all regulations adopted under it, and similar laws 63000  
and rules of other states if any such prior operation was located 63001  
in another state that demonstrates sufficient reliability, 63002  
expertise, and competency to operate a hazardous waste facility 63003  
under the applicable provisions of this chapter and Chapters 3704. 63004  
and 6111. of the Revised Code, the applicable rules and standards 63005  
adopted under them, and terms and conditions of a hazardous waste 63006  
facility installation and operation permit, given the potential 63007  
for harm to the public health and safety and the environment that 63008  
could result from the irresponsible operation of the facility. For 63009  
off-site facilities, as defined in section 3734.41 of the Revised 63010  
Code, the director may use the investigative reports of the 63011  
attorney general prepared pursuant to section 3734.42 of the 63012  
Revised Code as a basis for making a finding and determination 63013  
under division (D)(2)(f) of this section. 63014

(g) That the active areas within a new hazardous waste 63015  
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 63016  
(e), as amended, or organic waste that is toxic and is listed 63017  
under 40 C.F.R. 261, as amended, is being stored, treated, or 63018  
disposed of and where the aggregate of the storage design capacity 63019  
and the disposal design capacity of all hazardous waste in those 63020  
areas is greater than two hundred fifty thousand gallons, are not 63021  
located or operated within any of the following: 63022

(i) Two thousand feet of any residence, school, hospital, 63023  
jail, or prison; 63024

(ii) Any naturally occurring wetland; 63025

(iii) Any flood hazard area if the applicant cannot show that 63026  
the facility will be designed, constructed, operated, and 63027  
maintained to prevent washout by a one-hundred-year flood. 63028

Division (D)(2)(g) of this section does not apply to the 63029  
facility of any applicant who demonstrates to the director that 63030  
the limitations specified in that division are not necessary 63031  
because of the nature or volume of the waste and the manner of 63032  
management applied, the facility will impose no substantial danger 63033  
to the health and safety of persons occupying the structures 63034  
listed in division (D)(2)(g)(i) of this section, and the facility 63035  
is to be located or operated in an area where the proposed 63036  
hazardous waste activities will not be incompatible with existing 63037  
land uses in the area. 63038

(h) That the facility will not be located within the 63039  
boundaries of a state park established or dedicated under Chapter 63040  
1541. of the Revised Code, a state park purchase area established 63041  
under section 1541.02 of the Revised Code, any unit of the 63042  
national park system, or any property that lies within the 63043  
boundaries of a national park or recreation area, but that has not 63044  
been acquired or is not administered by the secretary of the 63045  
United States department of the interior, located in this state, 63046  
or any candidate area located in this state identified for 63047  
potential inclusion in the national park system in the edition of 63048  
the "national park system plan" submitted under paragraph (b) of 63049  
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 63050  
U.S.C.A. 1a-5, as amended, current at the time of filing of the 63051  
application for the permit, unless the facility will be used 63052  
exclusively for the storage of hazardous waste generated within 63053  
the park or recreation area in conjunction with the operation of 63054  
the park or recreation area. Division (D)(2)(h) of this section 63055  
does not apply to the facility of any applicant for modification 63056

of a permit unless the modification application proposes to 63057  
increase the land area included in the facility or to increase the 63058  
quantity of hazardous waste that will be treated, stored, or 63059  
disposed of at the facility. 63060

(3) Not later than one hundred eighty days after the end of 63061  
the public comment period, the director, without prior hearing, 63062  
shall issue or deny the permit in accordance with Chapter 3745. of 63063  
the Revised Code. If the director approves an application for a 63064  
hazardous waste facility installation and operation permit, the 63065  
director shall issue the permit, upon such terms and conditions as 63066  
the director finds are necessary to ensure the construction and 63067  
operation of the hazardous waste facility in accordance with the 63068  
standards of this section. 63069

(E) No political subdivision of this state shall require any 63070  
additional zoning or other approval, consent, permit, certificate, 63071  
or condition for the construction or operation of a hazardous 63072  
waste facility authorized by a hazardous waste facility 63073  
installation and operation permit issued pursuant to this chapter, 63074  
nor shall any political subdivision adopt or enforce any law, 63075  
ordinance, or rule that in any way alters, impairs, or limits the 63076  
authority granted in the permit. 63077

(F) The director may issue a single hazardous waste facility 63078  
installation and operation permit to a person who operates two or 63079  
more adjoining facilities where hazardous waste is stored, 63080  
treated, or disposed of if the application includes detail plans, 63081  
specifications, and information on all facilities. For the 63082  
purposes of this section, "adjoining" means sharing a common 63083  
boundary, separated only by a public road, or in such proximity 63084  
that the director determines that the issuance of a single permit 63085  
will not create a hazard to the public health or safety or the 63086  
environment. 63087

(G) No person shall falsify or fail to keep or submit any 63088

plans, specifications, data, reports, records, manifests, or other 63089  
information required to be kept or submitted to the director by 63090  
this chapter or the rules adopted under it. 63091

(H)(1) Each person who holds an installation and operation 63092  
permit issued under this section and who wishes to obtain a permit 63093  
renewal shall submit a completed application for an installation 63094  
and operation permit renewal and any necessary accompanying 63095  
general plans, detail plans, specifications, and such information 63096  
as the director may require to the director no later than one 63097  
hundred eighty days prior to the expiration date of the existing 63098  
permit or upon a later date prior to the expiration of the 63099  
existing permit if the permittee can demonstrate good cause for 63100  
the late submittal. The director shall consider the application 63101  
and accompanying information, inspection reports of the facility, 63102  
results of performance tests, a report regarding the facility's 63103  
compliance or noncompliance with the terms and conditions of its 63104  
permit and rules adopted by the director under this chapter, and 63105  
such other information as is relevant to the operation of the 63106  
facility and shall issue a draft renewal permit or a notice of 63107  
intent to deny the renewal permit. The director, in accordance 63108  
with rules adopted under this section or with rules adopted to 63109  
implement Chapter 3745. of the Revised Code, shall give public 63110  
notice of the application and draft renewal permit or notice of 63111  
intent to deny the renewal permit, provide for the opportunity for 63112  
public comments within a specified time period, schedule a public 63113  
meeting in the county in which the facility is located if 63114  
significant interest is shown, and give public notice of the 63115  
public meeting. 63116

(2) Within sixty days after the public meeting or close of 63117  
the public comment period, the director, without prior hearing, 63118  
shall issue or deny the renewal permit in accordance with Chapter 63119  
3745. of the Revised Code. The director shall not issue a renewal 63120

permit unless the director determines that the facility under the 63121  
existing permit has a history of compliance with this chapter, 63122  
rules adopted under it, the existing permit, or orders entered to 63123  
enforce such requirements that demonstrates sufficient 63124  
reliability, expertise, and competency to operate the facility 63125  
henceforth under this chapter, rules adopted under it, and the 63126  
renewal permit. If the director approves an application for a 63127  
renewal permit, the director shall issue the permit subject to the 63128  
payment of the annual permit fee required under division (E) of 63129  
section 3734.02 of the Revised Code and upon such terms and 63130  
conditions as the director finds are reasonable to ensure that 63131  
continued operation, maintenance, closure, and post-closure care 63132  
of the hazardous waste facility are in accordance with the rules 63133  
adopted under section 3734.12 of the Revised Code. 63134

(3) An installation and operation permit renewal application 63135  
submitted to the director that also contains or would constitute 63136  
an application for a modification shall be acted upon by the 63137  
director in accordance with division (I) of this section in the 63138  
same manner as an application for a modification. In approving or 63139  
disapproving the renewal portion of a permit renewal application 63140  
containing an application for a modification, the director shall 63141  
apply the criteria established under division (H)(2) of this 63142  
section. 63143

(4) An application for renewal or modification of a permit 63144  
that does not contain an application for a modification as 63145  
described in divisions (I)(3)(a) to (d) of this section shall not 63146  
be subject to division (D)(2) of this section. 63147

(I)(1) As used in this section, "modification" means a change 63148  
or alteration to a hazardous waste facility or its operations that 63149  
is inconsistent with or not authorized by its existing permit or 63150  
authorization to operate. Modifications shall be classified as 63151  
Class 1, 2, or 3 modifications in accordance with rules adopted 63152

under division (K) of this section. Modifications classified as 63153  
Class 3 modifications, in accordance with rules adopted under that 63154  
division, shall be further classified by the director as either 63155  
Class 3 modifications that are to be approved or disapproved by 63156  
the director under divisions (I)(3)(a) to (d) of this section or 63157  
as Class 3 modifications that are to be approved or disapproved by 63158  
the director under division (I)(5) of this section. Not later than 63159  
thirty days after receiving a request for a modification under 63160  
division (I)(4) of this section that is not listed in Appendix I 63161  
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 63162  
section, the director shall classify the modification and shall 63163  
notify the owner or operator of the facility requesting the 63164  
modification of the classification. Notwithstanding any other law 63165  
to the contrary, a modification that involves the transfer of a 63166  
hazardous waste facility installation and operation permit to a 63167  
new owner or operator for any off-site facility as defined in 63168  
section 3734.41 of the Revised Code shall be classified as a Class 63169  
3 modification. The transfer of a hazardous waste facility 63170  
installation and operation permit to a new owner or operator for a 63171  
facility that is not an off-site facility shall be classified as a 63172  
Class 1 modification requiring prior approval of the director. 63173

(2) Except as provided in section 3734.123 of the Revised 63174  
Code, a hazardous waste facility installation and operation permit 63175  
may be modified at the request of the director or upon the written 63176  
request of the permittee only if any of the following applies: 63177

(a) The permittee desires to accomplish alterations, 63178  
additions, or deletions to the permitted facility or to undertake 63179  
alterations, additions, deletions, or activities that are 63180

permit; 63189

(d) The permittee proposes to transfer the permit to another 63190  
person. 63191

the proposed category of treatment, storage, or disposal activity 63198  
by the facility's permit; 63199

(b) Modification or addition of a hazardous waste management 63200  
unit, as defined in rules adopted under section 3734.12 of the 63201

capacity of more than twenty-five per cent over the capacity 63203  
authorized by the facility's permit, an increase in a facility's 63204  
treatment rate of more than twenty-five per cent over the rate so 63205  
authorized, or an increase in a facility's disposal capacity over 63206  
the capacity so authorized. The authorized disposal capacity for a 63207  
facility shall be calculated from the approved design plans for 63208  
the disposal units at that facility. In no case during a five-year 63209  
period shall a facility's storage capacity or treatment rate be 63210  
modified to increase by more than twenty-five per cent in the 63211  
aggregate without the director's approval in accordance with 63212  
division (D)(2) of this section. Notwithstanding any provision of 63213

is limited to wastes that no longer exhibit characteristics 63238  
meeting the criteria for listing or characterization as reactive 63239  
or explosive wastes, or for listing as acute hazardous waste, but 63240

thousand dollars, and the maximum annual fee for an on-site 63580  
facility that disposes of more than one hundred thousand tons of 63581  
hazardous waste in a year by deep well injection is one hundred 63582  
thousand dollars. The maximum annual disposal fee for a satellite 63583  
facility that disposes of one hundred thousand tons or less of 63584  
hazardous waste in a year is thirty-seven thousand five hundred 63585  
dollars, and the maximum annual disposal fee for a satellite 63586  
facility that disposes of more than one hundred thousand tons of 63587  
hazardous waste in a year is seventy-five thousand dollars, except 63588  
that a satellite facility defined under division (A)(3)(b) of this 63589  
section that receives hazardous waste from a single generation 63590  
site is subject to the same maximum annual disposal fees as an 63591  
on-site disposal facility. The owner or operator shall pay the fee 63592  
to the director each year upon the anniversary of the date of 63593  
issuance of the owner's or operator's installation and operation 63594  
permit during the term of that permit and any renewal permit 63595

issued under division (H) of section 3734.05 of the Revised Code 63596  
or on the anniversary of the date of a permit by rule. If payment 63597  
is late, the owner or operator shall pay an additional ten per 63598  
cent of the amount of the fee for each month that it is late. 63599

(D) There are hereby levied fees at the rate of two dollars 63600  
per ton on hazardous waste that is treated at treatment facilities 63601  
that are not on-site or satellite facilities to which a hazardous 63602  
waste facility installation and operation permit or renewal of a 63603  
permit has been issued under this chapter, whose owner or operator 63604  
is operating in accordance with a permit by rule under rules 63605  
adopted by the director, or that are not subject to the hazardous 63606  
waste facility installation and operation permit requirements 63607  
under rules adopted by the director. 63608

(E) There are hereby levied additional fees on the treatment 63609  
and disposal of hazardous waste at the rate of ten per cent of the 63610  
applicable fees prescribed in division (C) or (D) of this section 63611  
for the purposes of paying the costs of municipal corporations and 63612  
counties for conducting reviews of applications for hazardous 63613  
waste facility installation and operation permits for proposed new 63614  
or modified hazardous waste landfills within their boundaries, 63615  
emergency response actions with respect to releases of hazardous 63616  
waste from hazardous waste facilities within their boundaries, 63617  
monitoring the operation of such hazardous waste facilities, and 63618  
local waste management planning programs. The owner or operator of 63619  
a facility located within a municipal corporation, as a trustee 63620  
for the municipal corporation, shall collect the fees levied by 63621  
this division and forward them to the treasurer of the municipal 63622  
corporation or such officer as, by virtue of the charter, has the 63623  
duties of the treasurer in accordance with rules adopted under 63624  
this section. The owner or operator of a facility located in an 63625  
unincorporated area, as a trustee of the county in which the 63626  
facility is located, shall collect the fees levied by this 63627

division and forward them to the county treasurer of that county 63628  
in accordance with rules adopted under this section. The owner or 63629  
operator shall pay the fees levied by this division to the 63630  
treasurer or such other officer of the municipal corporation or to 63631  
the county treasurer each year upon the anniversary of the date of 63632  
issuance of the owner's or operator's installation and operation 63633  
permit during the term of that permit and any renewal permit 63634  
issued under division (H) of section 3734.05 of the Revised Code 63635  
or on the anniversary of the date of a permit by rule or the date 63636  
on which the facility became exempt from hazardous waste facility 63637  
installation and operation permit requirements under rules adopted 63638  
by the director. If payment is late, the owner or operator shall 63639  
pay an additional ten per cent of the amount of the fee for each 63640  
month that the payment is late. 63641

Moneys received by a municipal corporation under this 63642  
division shall be paid into a special fund of the municipal 63643  
corporation and used exclusively for the purposes of conducting 63644  
reviews of applications for hazardous waste facility installation 63645  
and operation permits for new or modified hazardous waste 63646  
landfills located or proposed within the municipal corporation, 63647  
conducting emergency response actions with respect to releases of 63648  
hazardous waste from facilities located within the municipal 63649  
corporation, monitoring operation of such hazardous waste 63650  
facilities, and conducting waste management planning programs 63651  
within the municipal corporation through employees of the 63652  
municipal corporation or pursuant to contracts entered into with 63653  
persons or political subdivisions. Moneys received by a board of 63654  
county commissioners under this division shall be paid into a 63655  
special fund of the county and used exclusively for those purposes 63656  
within the unincorporated area of the county through employees of 63657  
the county or pursuant to contracts entered into with persons or 63658  
political subdivisions. 63659

(F) As used in this section, "treatment" or "treated" does not include any method, technique, or process designed to recover energy or material resources from the waste or to render the waste amenable for recovery. The fees levied by division (D) of this section do not apply to hazardous waste that is treated and disposed of on the same premises or by the same person.

(G) The director, by rules adopted in accordance with Chapters 119. and 3745. of the Revised Code, shall prescribe any dates not specified in this section and procedures for collecting and forwarding the fees prescribed by this section and may prescribe other requirements that are necessary to carry out this section.

The director shall deposit the moneys collected under divisions (C) and (D) of this section ~~into one or more minority banks, as "minority bank" is defined in division (F)(1) of section 135.04 of the Revised Code,~~ to the credit of the hazardous waste facility management fund, which is hereby created in the state treasury, except that the director shall deposit to the credit of the underground injection control fund created in section 6111.046 of the Revised Code moneys in excess of fifty thousand dollars that are collected during a fiscal year under division (C)(2) of this section from the fee levied on the disposal of hazardous waste by deep well injection at an on-site disposal facility that disposes of more than one hundred thousand tons of hazardous waste in a year.

The environmental protection agency may use moneys in the hazardous waste facility management fund for administration of the hazardous waste program established under this chapter and, in accordance with this section, may request approval by the controlling board on an annual basis for that use ~~on an annual basis. In addition, the agency may use and pledge moneys in that fund for repayment of and for interest on any loans made by the~~

~~Ohio water development authority to the agency for the hazardous waste program established under this chapter without the necessity of requesting approval by the controlling board, which use and pledge shall have priority over any other use of the moneys in the fund and for the purposes specified in sections 3734.19 to 3734.27 of the Revised Code.~~

~~Until September 28, 1996, the director also may use moneys in the fund to pay the start up costs of administering Chapter 3746. of the Revised Code.~~

If moneys in the fund that the agency uses in accordance with this chapter are reimbursed by grants or other moneys from the United States government, the grants or other moneys shall be placed in the fund.

Before the agency makes any expenditure from the fund other than for repayment of and interest on any loan made by the Ohio water development authority to the agency ~~in accordance with this section~~, the controlling board shall approve the expenditure.

**Sec. 3734.19.** (A) If the legislative or executive authority of a municipal corporation, county, or township has evidence to indicate that locations within its boundaries once served as hazardous waste facilities or that significant quantities of hazardous waste were disposed of in solid waste facilities within its boundaries, it may file a formal written request with the director of environmental protection, accompanied by supporting evidence, to survey the locations or facilities.

Upon receipt of a request and a review of the evidence submitted with the request, the director shall conduct an investigation to determine if hazardous waste was actually treated, stored, or disposed of at the locations or facilities and, if so, to determine the nature and approximate quantity and types of the waste treated, stored, or disposed of at the

particular locations or facilities. In addition, the director 63723  
shall determine whether the locations or facilities, because of 63724  
their present condition and the nature and quantities of waste 63725  
treated, stored, or disposed of therein, result or are likely to 63726  
result in air pollution, pollution of the waters of the state, or 63727  
soil contamination or constitute a present or imminent and 63728  
substantial threat to public health or safety. The director shall 63729  
report the findings of ~~his~~ the investigation to the municipal 63730  
corporation, county, or township requesting the survey. 63731

For the purpose of conducting investigations under this 63732  
section, the director or ~~his~~ the director's authorized 63733  
representative may enter upon any public or private property. The 63734  
director or ~~his~~ the director's authorized representative may apply 63735  
for, and any judge of a court of common pleas shall issue, an 63736  
appropriate search warrant necessary to achieve the purposes of 63737  
this section within the court's territorial jurisdiction. When 63738  
conducting investigations under this section, the director shall 63739  
cause no unnecessary damage to any property. The director may 63740  
expend moneys from the hazardous waste facility management fund 63741  
created in section 3734.18 of the Revised Code, the hazardous 63742  
waste clean-up fund created in section 3734.28 of the Revised 63743  
Code, or the environmental protection remediation fund created in 63744  
section 3734.281 of the Revised Code for conducting 63745  
investigations. 63746

(B) As used in this section and in sections 3734.20, 3734.21, 63747  
3734.23, 3734.25, and 3734.26 of the Revised Code, "soil 63748  
contamination" means the presence in or on the soil of any 63749  
hazardous waste or hazardous waste residue resulting from the 63750  
discharge, deposit, injection, dumping, spilling, leaking, 63751  
emitting, or placing into or on the soil of hazardous waste or 63752  
hazardous waste residue, or any material that when discharged, 63753  
deposited, injected, dumped, spilled, leaked, emitted, or placed 63754

into or on the soil becomes a hazardous waste, in any quantity or 63755  
having any characteristics that are or threaten to be injurious to 63756  
public health or safety, plant or animal life, or the environment 63757  
or that unreasonably interfere with the comfortable enjoyment of 63758  
life or property. 63759

**Sec. 3734.20.** (A) If the director of environmental protection 63760  
has reason to believe that hazardous waste was treated, stored, or 63761  
disposed of at any location within the state, the director may 63762  
conduct such investigations and make such inquiries, including 63763  
obtaining samples and examining and copying records, as are 63764  
reasonable or necessary to determine if conditions at a hazardous 63765  
waste facility, solid waste facility, or other location where the 63766  
director has reason to believe hazardous waste was treated, 63767  
stored, or disposed of constitute a substantial threat to public 63768  
health or safety or are causing or contributing to or threatening 63769  
to cause or contribute to air or water pollution or soil 63770  
contamination. The director or the director's authorized 63771  
representative may apply for, and any judge of a court of common 63772  
pleas shall issue, an appropriate search warrant necessary to 63773  
achieve the purposes of this section within the court's 63774  
territorial jurisdiction. The director may expend moneys from the 63775  
hazardous waste facility management fund created in section 63776  
3734.18 of the Revised Code, the hazardous waste clean-up fund 63777  
created in section 3734.28 of the Revised Code, or the 63778  
environmental protection remediation fund created in section 63779  
3734.281 of the Revised Code for conducting investigations under 63780  
this section. 63781

(B) If the director determines that conditions at a hazardous 63782  
waste facility, solid waste facility, or other location where 63783  
hazardous waste was treated, stored, or disposed of constitute a 63784  
substantial threat to public health or safety or are causing or 63785  
contributing to or threatening to cause or contribute to air or 63786

water pollution or soil contamination, the director shall initiate 63787  
appropriate action under this chapter or Chapter 3704. or 6111. of 63788  
the Revised Code or seek any other appropriate legal or equitable 63789  
remedies to abate the pollution or contamination or to protect 63790  
public health or safety. 63791

If an order of the director to abate or prevent air or water 63792  
pollution or soil contamination or to remedy a threat to public 63793  
health or safety caused by conditions at such a facility issued 63794  
pursuant to this chapter or Chapter 3704. or 6111. of the Revised 63795  
Code is not wholly complied with within the time prescribed in the 63796  
order, the director may, through officers or employees of the 63797  
environmental protection agency or through contractors employed 63798  
for that purpose in accordance with the bidding procedure 63799  
established in division (C) of section 3734.23 of the Revised 63800  
Code, enter upon the facility and perform those measures necessary 63801  
to abate or prevent air or water pollution or soil contamination 63802  
from the facility or to protect public health or safety, 63803  
including, but not limited to, measures prescribed in division (B) 63804  
of section 3734.23 of the Revised Code. The director shall keep an 63805  
itemized record of the cost of the investigation and measures 63806  
performed, including costs for labor, materials, and any contract 63807  
services required. Upon completion of the investigation or 63808  
measures, the director shall record the cost of performing those 63809  
measures at the office of the county recorder of the county in 63810  
which the facility is located. The cost so recorded constitutes a 63811  
lien against the property on which the facility is located until 63812  
discharged. Upon written request of the director, the attorney 63813  
general shall institute a civil action to recover the cost. Any 63814  
moneys so received shall be credited to the hazardous waste 63815  
facility management fund, the hazardous waste clean-up fund, or 63816  
the environmental protection remediation fund, as applicable. 63817

When entering upon a facility under this division, the 63818

director shall perform or cause to be performed only those 63819  
measures necessary to abate or prevent air or water pollution or 63820  
soil contamination caused by conditions at the facility or to 63821  
abate threats to public health or safety caused by conditions at 63822  
the facility. For this purpose the director may expend moneys from 63823  
~~either the hazardous waste facility management fund, the hazardous~~ 63824  
waste clean-up fund, or the environmental protection remediation 63825  
fund and may expend moneys from loans from the Ohio water 63826  
development authority to the environmental protection agency that 63827  
pledge moneys from ~~either the hazardous waste facility management~~ 63828  
fund, the hazardous waste clean-up fund, or the environmental 63829  
protection remediation fund for the repayment of and for the 63830  
interest on such loans. 63831

**Sec. 3734.21.** (A) The director of environmental protection 63832  
may expend moneys credited to the hazardous waste facility 63833  
management fund created in section 3734.18 of the Revised Code, 63834  
the hazardous waste clean-up fund created in section 3734.28 of 63835  
the Revised Code, or the environmental protection remediation fund 63836  
created in section 3734.281 of the Revised Code for the payment of 63837  
the cost of measures necessary for the proper closure of hazardous 63838  
waste facilities or any solid waste facilities containing 63839  
significant quantities of hazardous waste, for the payment of 63840  
costs of the development and construction of suitable hazardous 63841  
waste facilities required by division (B) of section 3734.23 of 63842  
the Revised Code to the extent the director determines that such 63843  
facilities are not available, and for the payment of costs that 63844  
are necessary to abate conditions thereon that are causing or 63845  
contributing to or threatening to cause or contribute to air or 63846  
water pollution or soil contamination or that constitute a 63847  
substantial threat to public health or safety. In addition, the 63848  
director may expend and pledge moneys credited to ~~either the~~ 63849  
hazardous waste facility management fund, the hazardous waste 63850

clean-up fund, or the environmental protection remediation fund 63851  
for repayment of and for interest on any loan made by the Ohio 63852  
water development authority to the environmental protection agency 63853  
for the payment of such costs. 63854

(B) Before beginning to clean up any facility under this 63855  
section, the director shall develop a plan for the cleanup and an 63856  
estimate of the cost thereof. The plan shall include only those 63857  
measures necessary to abate conditions thereon that are causing or 63858  
contributing to or threatening to cause or contribute to air or 63859  
water pollution or soil contamination or that constitute a 63860  
substantial threat to public health or safety, including, but not 63861  
limited to, establishment and maintenance of an adequate cover of 63862  
soil and vegetation on any facility for the burial of hazardous 63863  
waste to prevent the infiltration of water into cells where 63864  
hazardous waste is buried, the accumulation or runoff of 63865  
contaminated surface water, the production of leachate, and air 63866  
emissions of hazardous waste; the collection and treatment of 63867  
contaminated surface water runoff; the collection and treatment of 63868  
leachate; or, if conditions so require, the removal of hazardous 63869  
waste from the facility and the treatment or disposal of the waste 63870  
at a suitable hazardous waste facility. The plan or any part of 63871  
the plan for the cleanup of the facility shall be carried out by 63872  
entering into contracts therefor in accordance with the procedures 63873  
established in division (C) of section 3734.23 of the Revised 63874  
Code. 63875

**Sec. 3734.22.** Before beginning to clean up any facility under 63876  
section 3734.21 of the Revised Code, the director of environmental 63877  
protection shall endeavor to enter into an agreement with the 63878  
owner of the land on which the facility is located, or with the 63879  
owner of the facility, specifying the measures to be performed and 63880  
authorizing the director, employees of the agency, or contractors 63881  
retained by the director to enter upon the land and perform the 63882

specified measures. 63883

Each agreement may contain provisions for the reimbursement 63884  
of the state for the costs of the cleanup. 63885

All reimbursements and payments shall be credited to the 63886  
hazardous waste facility management fund created in section 63887  
3734.18 of the Revised Code, the hazardous waste clean-up fund 63888  
created in section 3734.28 of the Revised Code, or the 63889  
environmental protection remediation fund created in section 63890  
3734.281 of the Revised Code, as applicable. 63891

The agreement may require the owner to execute an easement 63892  
whereby the director, an authorized employee of the agency, or a 63893  
contractor employed by the agency in accordance with the bidding 63894  
procedure established in division (C) of section 3734.23 of the 63895  
Revised Code may enter upon the facility to sample, repair, or 63896  
reconstruct air and water quality monitoring equipment constructed 63897  
under the agreement. Such easements shall be for a specified 63898  
period of years and may be extinguished by agreement between the 63899  
owner and the director. When necessary to protect the public 63900  
health or safety, the agreement may require the owner to enter 63901  
into an environmental covenant with the director in accordance 63902  
with sections 5301.80 to 5301.92 of the Revised Code. 63903

Upon a breach of the reimbursement provisions of the 63904  
agreement by the owner of the land or facility, or upon 63905  
notification to the director by the owner that the owner is unable 63906  
to perform the duties under the reimbursement provisions of the 63907  
agreement, the director may record the unreimbursed portion of the 63908  
costs of cleanup at the office of the county recorder of the 63909  
county in which the facility is located. The costs so recorded 63910  
constitute a lien against the property on which the facility is 63911  
located until discharged. Upon written request of the director, 63912  
the attorney general shall institute a civil action to recover the 63913  
unreimbursed portion of the costs of cleanup. Any moneys so 63914

recovered shall be credited to the hazardous waste facility management fund, the hazardous waste clean-up fund, or the environmental protection remediation fund, as applicable.

**Sec. 3734.23.** (A) The director of environmental protection may acquire by purchase, gift, donation, contribution, or appropriation in accordance with sections 163.01 to 163.21 of the Revised Code any hazardous waste facility or any solid waste facility containing significant quantities of hazardous waste that, because of its condition and the types and quantities of hazardous waste contained in the facility, constitutes an imminent and substantial threat to public health or safety or results in air pollution, pollution of the waters of the state, or soil contamination. For this purpose and for the purposes of division (B) of this section, the director may expend moneys from the hazardous waste facility management fund created in section 3734.18 of the Revised Code, the hazardous waste clean-up fund created in section 3734.28 of the Revised Code, or the environmental protection remediation fund created in section 3734.281 of the Revised Code and may expend moneys from loans from the Ohio water development authority to the environmental protection agency that pledge moneys from ~~either~~ the hazardous waste facility management fund, the hazardous waste clean-up fund, or the environmental protection remediation fund for the repayment of and for the interest on such loans. Any lands or facilities purchased or acquired under this section shall be deeded to the state, but no deed shall be accepted or the purchase price paid until the title has been approved by the attorney general.

(B) The director shall, with respect to any land or facility acquired under this section or cleaned up under section 3734.20 of the Revised Code, perform closure or other measures necessary to abate conditions thereon that are causing or contributing to or threatening to cause or contribute to air or water pollution or

soil contamination or that constitute a substantial threat to 63947  
public health or safety, including, but not limited to, 63948  
establishment and maintenance of an adequate cover of soil and 63949  
vegetation on any facility for the burial of hazardous waste to 63950  
prevent the infiltration of water into cells where hazardous waste 63951  
is buried, the accumulation or runoff of contaminated surface 63952  
water, the production of leachate, and air emissions of hazardous 63953  
waste; the collection and treatment of contaminated surface water 63954  
runoff; the collection and treatment of leachate; or, if 63955  
conditions so require, the removal of hazardous waste from the 63956  
facility and the treatment or disposal of the waste at a suitable 63957  
hazardous waste facility. After performing these measures, the 63958  
director shall provide for the post-closure care, maintenance, and 63959  
monitoring of facilities cleaned up under this section. 63960

(C) Before proceeding to clean up any facility under this 63961  
section or section 3734.20 or 3734.21 of the Revised Code, the 63962  
director shall develop a plan for the cleanup of the facility and 63963  
an estimate of the cost thereof. The director may carry out the 63964  
plan or any part of the plan by contracting for the services, 63965  
construction, and repair necessary therefor. The director shall 63966  
award each such contract to the lowest responsible bidder after 63967  
sealed bids therefor are received, opened, and published at the 63968  
time fixed by the director and notice of the time and place at 63969  
which the sealed bids will be received, opened, and published has 63970  
been published by the director in a newspaper of general 63971  
circulation in the county in which the facility to be cleaned up 63972  
under the contract is located at least once within the ten days 63973  
before the opening of the bids. However, if after advertising for 63974  
bids for the contract, no bids are received by the director at the 63975  
time and place fixed for receiving them, the director may 63976  
advertise again for bids, or the director may, if the director 63977  
considers the public interest will best be served thereby, enter 63978  
into a contract for the cleanup of the facility without further 63979

advertisement for bids. The director may reject any or all bids 63980  
received and fix and publish again notice of the time and place at 63981  
which bids for the contracts will be received, opened, and 63982  
published. 63983

(D) The director shall keep an itemized record of the costs 63984  
of any acquisition under division (A) of this section and the 63985  
costs of cleanup under division (B) of this section. 63986

**Sec. 3734.24.** After the cleanup of a solid waste facility or 63987  
a hazardous waste facility acquired and cleaned up under section 63988  
3734.23 of the Revised Code, the director of environmental 63989  
protection may, if the facility is suitable for use by any other 63990  
state department, agency, office, or institution and if the 63991  
proposed use of the facility is compatible with the condition of 63992  
the facility as cleaned up, transfer the facility to that state 63993  
department, agency, office, or institution. The director shall 63994  
continue to provide for the post-closure care, maintenance, and 63995  
monitoring of any such cleaned-up facility as required by section 63996  
3734.23 of the Revised Code. 63997

If the director determines that any facility so cleaned up is 63998  
suitable, because of its condition as cleaned up, for restricted 63999  
or unrestricted use, the director may, with the approval of the 64000  
attorney general, sell the facility if the sale is advantageous to 64001  
the state. Prior to selling the cleaned-up facility, the director 64002  
shall, when necessary to protect public health or safety, enter 64003  
into an environmental covenant in accordance with sections 5301.80 64004  
to 5301.92 of the Revised Code. When selling any such cleaned-up 64005  
facility, the director shall retain the right to enter upon the 64006  
facility, in person or by an authorized agent, to provide for the 64007  
post-closure care, maintenance, and monitoring of the facility. 64008  
The director shall provide for the post-closure care, maintenance, 64009  
and monitoring of any such facility sold as required by section 64010

3734.23 of the Revised Code. 64011

With the approval of the attorney general, the director may 64012  
grant easements or leases on any such cleaned-up facility if the 64013  
director determines that the use of the facility under the 64014  
easement or lease is compatible with its condition as cleaned up. 64015

Any moneys derived from the sale of such cleaned-up 64016  
facilities or from payments from easements or leases shall be 64017  
credited to the hazardous waste facility management fund created 64018  
in section 3734.18 of the Revised Code, the hazardous waste 64019  
clean-up fund created in section 3734.28 of the Revised Code, or 64020  
the environmental protection remediation fund created in section 64021  
3734.281 of the Revised Code, as applicable. 64022

**Sec. 3734.25.** (A) The director of environmental protection 64023  
may make grants of moneys from the hazardous waste facility 64024  
management fund created in section 3734.18 of the Revised Code or 64025  
the hazardous waste clean-up fund created in section 3734.28 of 64026  
the Revised Code for payment by the state of up to two-thirds of 64027  
the reasonable and necessary expenses incurred by a municipal 64028  
corporation, county, or township for the proper closure of or 64029  
abatement of air or water pollution or soil contamination from a 64030  
solid waste facility in which significant quantities of hazardous 64031  
waste were disposed of and that the political subdivision owns and 64032  
once operated. 64033

(B) A municipal corporation, county, or township shall submit 64034  
an application for a grant on forms provided by the director, 64035  
together with detail plans and specifications indicating the 64036  
measures to be performed, an itemized estimate of the project's 64037  
cost, a description of the project's benefits, and such other 64038  
information as the director prescribes. The plan for closure or 64039  
abatement of air or water pollution or soil contamination may be 64040  
prepared in consultation with the director or the board of health 64041

of the city or general health district in which the facility is 64042  
located. The director may award the applicant a grant only if the 64043  
director finds that the proposed measures will provide for the 64044  
proper closure of the facility and will abate or prevent air or 64045  
water pollution or soil contamination, including, but not limited 64046  
to, those measures necessary or desirable to: 64047

(1) In the case of a facility at which land burial of 64048  
hazardous waste occurred, establish and maintain a suitable cover 64049  
of soil and vegetation over the cells in which waste is buried in 64050  
order to minimize erosion, the infiltration of surface water into 64051  
the cells, the production of leachate, and the accumulation or 64052  
runoff of contaminated surface waters and to prevent air emissions 64053  
of hazardous waste from the facility; 64054

(2) Collect and treat contaminated surface water runoff from 64055  
the facility; 64056

(3) Collect and treat leachate produced at the facility; 64057

(4) Install test wells and other equipment or facilities to 64058  
monitor the quality of surface waters receiving runoff from the 64059  
facility or to monitor air emissions of hazardous waste from the 64060  
facility; 64061

(5) Regularly monitor and analyze surface water runoff from 64062  
the facility, the quality of waters receiving the runoff, and 64063  
ground water quality in the vicinity of the facility, and 64064  
regularly monitor leachate collection and treatment systems 64065  
installed under the grant and analyze samples from them; 64066

(6) Remove and dispose of hazardous waste from the facility 64067  
at a suitable hazardous waste disposal facility where necessary to 64068  
protect public health or safety or to prevent or abate air or 64069  
water pollution or soil contamination. 64070

(C) The director shall determine the amount of the grant 64071  
based upon the director's determination of what constitutes 64072

reasonable and necessary expenses for the proper closure of the 64073  
facility or for the prevention or elimination of air or water 64074  
pollution or soil contamination from the facility. In making a 64075  
grant, the director shall enter into a contract with the municipal 64076  
corporation, county, or township that owns the facility to ensure 64077  
that the moneys granted are used for the purposes of this section 64078  
and that measures performed are properly done. The final payment 64079  
under a grant may not be made until the director inspects and 64080  
approves the completed cleanup. 64081

The contract shall require the municipal corporation, county, 64082  
or township to execute an easement whereby the director, an 64083  
authorized employee of the agency, or a contractor employed by the 64084  
director may enter upon the facility to sample, repair, or 64085  
reconstruct air and water quality monitoring equipment constructed 64086  
under the contract. Such easements shall be for a specified period 64087  
of years and may be extinguished by agreement between the 64088  
political subdivision and the director. 64089

When necessary to protect public health or safety, the 64090  
contract may require the municipal corporation, county, or 64091  
township to enter into an environmental covenant with the director 64092  
in accordance with sections 5301.80 to 5301.92 of the Revised 64093  
Code. 64094

**Sec. 3734.26.** (A) The director of environmental protection 64095  
may make grants of moneys from the hazardous waste facility 64096  
management fund created in section 3734.18 of the Revised Code or 64097  
the hazardous waste clean-up fund created in section 3734.28 of 64098  
the Revised Code to the owner, other than a political subdivision, 64099  
of a solid waste facility in which significant quantities of 64100  
hazardous waste were disposed of or a hazardous waste facility for 64101  
up to fifty per cent of the cost of the reasonable and necessary 64102  
expenses incurred for the proper closure of or abatement or 64103

prevention of air or water pollution or soil contamination from 64104  
the facility and for developing the land on which it was located 64105  
for use in industry, commerce, distribution, or research. 64106

The director shall not make grants to the owner of any land 64107  
on which such facilities are located if the owner at any time 64108  
owned or operated the facility located thereon for profit or in 64109  
conjunction with any profit-making enterprise located in this 64110  
state or to any person who at any time owned or operated a 64111  
facility concerning which the director has taken action under 64112  
section 3734.20, 3734.22, or 3734.23 of the Revised Code. However, 64113  
the director may make grants under this section to any subsequent 64114  
owner of the land, provided that the person has no affiliation 64115  
with any person who owned or operated the facility located on the 64116  
land for profit or in conjunction with any profit-making 64117  
enterprise located in this state or who owned or operated a 64118  
facility concerning which the director has taken action under 64119  
section 3734.20, 3734.22, or 3734.23 of the Revised Code. 64120

(B) The owner shall submit an application for a grant on 64121  
forms furnished by the director, together with detail plans and 64122  
specifications for the measures to be performed to close the 64123  
facility properly or to abate or prevent air or water pollution or 64124  
soil contamination from the facility, an itemized estimate of the 64125  
project's cost, a description of the project's estimated benefits, 64126  
and such other information as the director prescribes. The plan 64127  
may be prepared in consultation with the director or with the 64128  
board of health of the city or general health district in which 64129  
the facility is located. The director may award the applicant a 64130  
grant only after finding that the proposed measures will provide 64131  
for the proper closure of the facility or will abate or prevent 64132  
air or water pollution or soil contamination from the facility, 64133  
including, but not limited to, those measures necessary or 64134  
desirable to: 64135

(1) In the case of a facility for the land burial of hazardous waste, establish and maintain a suitable cover of soil and vegetation over the cells in which waste is buried in order to minimize erosion, the infiltration of surface water into the cells, the production of leachate, and the accumulation or runoff of contaminated surface water and to prevent air emissions of hazardous waste from the facility;

(2) Collect and treat contaminated surface water runoff from the facility;

(3) Collect and treat leachate produced at the facility;

(4) Install test wells and other equipment or facilities to monitor the quality of surface waters receiving runoff from the facility or to monitor air emissions of hazardous waste from the facility;

(5) Regularly monitor and analyze surface water runoff from the facility, the quality of waters receiving the runoff, and ground water quality in the vicinity of the facility, and regularly monitor leachate collection and treatment systems installed under the grant and analyze samples from them;

(6) Remove and dispose of hazardous waste from the facility at a suitable hazardous waste disposal facility where necessary to protect public health or safety or to abate or prevent air or water pollution or soil contamination.

(C) The director shall determine the amount of the grant based upon the director's determination of what constitutes reasonable and necessary expenses for the proper closure of the facility or for the abatement or prevention of air or water pollution or soil contamination from the facility. The amount of the grant shall not exceed one-half of the total, as determined by the director, of what constitutes reasonable and necessary expenses actually incurred for the proper closure of or abatement

or prevention of air or water pollution or soil contamination from 64167  
the facility. 64168

In making a grant, the director shall enter into a contract 64169  
for funding with each applicant awarded a grant to ensure that the 64170  
moneys granted are used for the purpose of this section and that 64171  
the measures performed are properly performed. The final payment 64172  
under a grant may not be made until the director inspects and 64173  
approves the completed cleanup and the plans for developing the 64174  
land for use in industry, commerce, distribution, or research. 64175

Each contract for funding shall contain provisions for the 64176  
reimbursement of the state of a portion of the costs of the 64177  
cleanup that is commensurate with the increase in the market value 64178  
of the property attributable to the cleanup thereon, as determined 64179  
by appraisals made before and after cleanup in the manner stated 64180  
in the contract. For reimbursement of that portion, the contract 64181  
may include provisions for: 64182

(1) Payment to the state of the share of the income derived 64183  
from the productive use of the land; 64184

(2) Imposition of a lien in the amount of the increase in 64185  
fair market value payable upon the transfer or conveyance to a new 64186  
owner; 64187

(3) Waiver of all reimbursement if the determination 64188  
discloses an increase in value that is insubstantial in comparison 64189  
to the benefits to the public from the abatement of threats to 64190  
public health or safety or from the abatement or prevention of 64191  
pollution or contamination, considering the applicant's share of 64192  
the cleanup cost. 64193

All reimbursements and payments shall be credited to the 64194  
hazardous waste facility management fund or the hazardous waste 64195  
clean-up fund ~~created in section 3734.28 of the Revised Code, as~~ 64196  
applicable. 64197

(D) The contract shall require the owner to execute an easement whereby the director, an authorized employee of the agency, or a contractor employed by the agency may enter upon the facility to sample, repair, or reconstruct air and water quality monitoring equipment constructed under the contract. Such easements shall be for a specified period of years and may be extinguished by agreement between the owner and the director. When necessary to protect the public health or safety, the contract may require the owner to enter into an environmental covenant with the director in accordance with sections 5301.80 to 5301.92 of the Revised Code.

(E) As used in this section, "commerce" includes, but is not limited to, agriculture, forestry, and housing.

**Sec. 3734.27.** Before making grants from the hazardous waste facility management fund created in section 3734.18 of the Revised Code or the hazardous waste clean-up fund created in section 3734.28 of the Revised Code, the director of environmental protection shall consider each project application submitted by a political subdivision under section 3734.25 of the Revised Code, each application submitted by the owner of a facility under section 3734.26 of the Revised Code, and each facility surveyed under section 3734.19 of the Revised Code and, based upon the feasibility, cost, and public benefits of restoring the particular land and the availability of federal or other financial assistance for restoration, establish priorities for awarding grants from the fund.

In the case of solid wastes that are taken to a solid waste 64330  
transfer facility located in this state prior to being transported 64331  
for disposal at a solid waste disposal facility located in this 64332  
state or outside of this state, the fees levied under this 64333  
division shall be collected by the owner or operator of the 64334  
transfer facility as a trustee for the state. The amount of fees 64335  
required to be collected under this division at such a transfer 64336  
facility shall equal the total tonnage of solid wastes received at 64337  
the facility multiplied by the fees levied under this division. In 64338  
the case of solid wastes that are not taken to a solid waste 64339  
transfer facility located in this state prior to being transported 64340  
to a solid waste disposal facility, the fees shall be collected by 64341  
the owner or operator of the solid waste disposal facility as a 64342  
trustee for the state. The amount of fees required to be collected 64343  
under this division at such a disposal facility shall equal the 64344  
total tonnage of solid wastes received at the facility that was 64345  
not previously taken to a solid waste transfer facility located in 64346  
this state multiplied by the fees levied under this division. Fees 64347  
levied under this division do not apply to materials separated 64348  
from a mixed waste stream for recycling by a generator or 64349  
materials removed from the solid waste stream through recycling, 64350  
as "recycling" is defined in rules adopted under section 3734.02 64351  
of the Revised Code. 64352

The owner or operator of a solid waste transfer facility or 64353  
disposal facility, as applicable, shall prepare and file with the 64354

director of environmental protection each month a return 64355  
indicating the total tonnage of solid wastes received at the 64356  
facility during that month and the total amount of the fees 64357  
required to be collected under this division during that month. In 64358  
addition, the owner or operator of a solid waste disposal facility 64359  
shall indicate on the return the total tonnage of solid wastes 64360  
received from transfer facilities located in this state during 64361  
that month for which the fees were required to be collected by the 64362  
transfer facilities. The monthly returns shall be filed on a form 64363  
prescribed by the director. Not later than thirty days after the 64364  
last day of the month to which a return applies, the owner or 64365  
operator shall mail to the director the return for that month 64366  
together with the fees required to be collected under this 64367  
division during that month as indicated on the return or may 64368  
submit the return and fees electronically in a manner approved by 64369  
the director. If the return is filed and the amount of the fees 64370  
due is paid in a timely manner as required in this division, the 64371  
owner or operator may retain a discount of three-fourths of one 64372  
per cent of the total amount of the fees that are required to be 64373  
paid as indicated on the return. 64374

The owner or operator may request an extension of not more 64375  
than thirty days for filing the return and remitting the fees, 64376  
provided that the owner or operator has submitted such a request 64377  
in writing to the director together with a detailed description of 64378  
why the extension is requested, the director has received the 64379  
request not later than the day on which the return is required to 64380  
be filed, and the director has approved the request. If the fees 64381  
are not remitted within thirty days after the last day of the 64382  
month to which the return applies or are not remitted by the last 64383  
day of an extension approved by the director, the owner or 64384  
operator shall not retain the three-fourths of one per cent 64385  
discount and shall pay an additional ten per cent of the amount of 64386  
the fees for each month that they are late. For purposes of 64387

calculating the late fee, the first month in which fees are late 64388  
begins on the first day after the deadline has passed for timely 64389  
submitting the return and fees, and one additional month shall be 64390  
counted every thirty days thereafter. 64391

The owner or operator of a solid waste facility may request a 64392  
refund or credit of fees levied under this division and remitted 64393  
to the director that have not been paid to the owner or operator. 64394  
Such a request shall be made only if the fees have not been 64395  
collected by the owner or operator, have become a debt that has 64396  
become worthless or uncollectable for a period of six months or 64397  
more, and may be claimed as a deduction, including a deduction 64398  
claimed if the owner or operator keeps accounts on an accrual 64399  
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 64400  
U.S.C. 166, as amended, and regulations adopted under it. Prior to 64401  
making a request for a refund or credit, an owner or operator 64402  
shall make reasonable efforts to collect the applicable fees. A 64403  
request for a refund or credit shall not include any costs 64404  
resulting from those efforts to collect unpaid fees. 64405

A request for a refund or credit of fees shall be made in 64406  
writing, on a form prescribed by the director, and shall be 64407  
supported by evidence that may be required in rules adopted by the 64408  
director under this chapter. After reviewing the request, and if 64409  
the request and evidence submitted with the request indicate that 64410  
a refund or credit is warranted, the director shall grant a refund 64411  
to the owner or operator or shall permit a credit to be taken by 64412  
the owner or operator on a subsequent monthly return submitted by 64413  
the owner or operator. The amount of a refund or credit shall not 64414  
exceed an amount that is equal to ninety days' worth of fees owed 64415  
to an owner or operator by a particular debtor of the owner or 64416  
operator. A refund or credit shall not be granted by the director 64417  
to an owner or operator more than once in any twelve-month period 64418  
for fees owed to the owner or operator by a particular debtor. 64419

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or allow such payment regardless of whether the contract was entered prior to or after the effective date of this amendment. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the following activities:

(1) The disposal at a solid waste disposal facility located 64452  
in the district of solid wastes generated within the district; 64453

(2) The disposal at a solid waste disposal facility within 64454  
the district of solid wastes generated outside the boundaries of 64455  
the district, but inside this state; 64456

(3) The disposal at a solid waste disposal facility within 64457  
the district of solid wastes generated outside the boundaries of 64458  
this state. 64459

The solid waste management plan of the county or joint 64460  
district approved under section 3734.521 or 3734.55 of the Revised 64461  
Code and any amendments to it, or the resolution adopted under 64462  
this division, as appropriate, shall establish the rates of the 64463  
fees levied under divisions (B)(1), (2), and (3) of this section, 64464  
if any, and shall specify whether the fees are levied on the basis 64465  
of tons or cubic yards as the unit of measurement. A solid waste 64466  
management district that levies fees under this division on the 64467  
basis of cubic yards shall do so in accordance with division (A) 64468  
of this section. 64469

The fee levied under division (B)(1) of this section shall be 64470  
not less than one dollar per ton nor more than two dollars per 64471  
ton, the fee levied under division (B)(2) of this section shall be 64472  
not less than two dollars per ton nor more than four dollars per 64473  
ton, and the fee levied under division (B)(3) of this section 64474  
shall be not more than the fee levied under division (B)(1) of 64475  
this section. 64476

Prior to the approval of the solid waste management plan of a 64477  
district under section 3734.55 of the Revised Code, the solid 64478  
waste management policy committee of a district may levy fees 64479  
under this division by adopting a resolution establishing the 64480  
proposed amount of the fees. Upon adopting the resolution, the 64481  
committee shall deliver a copy of the resolution to the board of 64482

county commissioners of each county forming the district and to 64483  
the legislative authority of each municipal corporation and 64484  
township under the jurisdiction of the district and shall prepare 64485  
and publish the resolution and a notice of the time and location 64486  
where a public hearing on the fees will be held. Upon adopting the 64487  
resolution, the committee shall deliver written notice of the 64488  
adoption of the resolution; of the amount of the proposed fees; 64489  
and of the date, time, and location of the public hearing to the 64490  
director and to the fifty industrial, commercial, or institutional 64491  
generators of solid wastes within the district that generate the 64492  
largest quantities of solid wastes, as determined by the 64493  
committee, and to their local trade associations. The committee 64494  
shall make good faith efforts to identify those generators within 64495  
the district and their local trade associations, but the 64496  
nonprovision of notice under this division to a particular 64497  
generator or local trade association does not invalidate the 64498  
proceedings under this division. The publication shall occur at 64499  
least thirty days before the hearing. After the hearing, the 64500  
committee may make such revisions to the proposed fees as it 64501  
considers appropriate and thereafter, by resolution, shall adopt 64502  
the revised fee schedule. Upon adopting the revised fee schedule, 64503  
the committee shall deliver a copy of the resolution doing so to 64504  
the board of county commissioners of each county forming the 64505  
district and to the legislative authority of each municipal 64506  
corporation and township under the jurisdiction of the district. 64507  
Within sixty days after the delivery of a copy of the resolution 64508  
adopting the proposed revised fees by the policy committee, each 64509  
such board and legislative authority, by ordinance or resolution, 64510  
shall approve or disapprove the revised fees and deliver a copy of 64511  
the ordinance or resolution to the committee. If any such board or 64512  
legislative authority fails to adopt and deliver to the policy 64513  
committee an ordinance or resolution approving or disapproving the 64514  
revised fees within sixty days after the policy committee 64515

delivered its resolution adopting the proposed revised fees, it 64516  
shall be conclusively presumed that the board or legislative 64517  
authority has approved the proposed revised fees. The committee 64518  
shall determine if the resolution has been ratified in the same 64519  
manner in which it determines if a draft solid waste management 64520  
plan has been ratified under division (B) of section 3734.55 of 64521  
the Revised Code. 64522

The committee may amend the schedule of fees levied pursuant 64523  
to a resolution adopted and ratified under this division by 64524  
adopting a resolution establishing the proposed amount of the 64525  
amended fees. The committee may repeal the fees levied pursuant to 64526  
such a resolution by adopting a resolution proposing to repeal 64527  
them. Upon adopting such a resolution, the committee shall proceed 64528  
to obtain ratification of the resolution in accordance with this 64529  
division. 64530

Not later than fourteen days after declaring the new fees to 64531  
be ratified or the fees to be repealed under this division, the 64532  
committee shall notify by certified mail the owner or operator of 64533  
each solid waste disposal facility that is required to collect the 64534  
fees of the ratification and the amount of the fees or of the 64535  
repeal of the fees. Collection of any fees shall commence or 64536  
collection of repealed fees shall cease on the first day of the 64537  
second month following the month in which notification is sent to 64538  
the owner or operator. 64539

Fees levied under this division also may be established, 64540  
amended, or repealed by a solid waste management policy committee 64541  
through the adoption of a new district solid waste management 64542  
plan, the adoption of an amended plan, or the amendment of the 64543  
plan or amended plan in accordance with sections 3734.55 and 64544  
3734.56 of the Revised Code or the adoption or amendment of a 64545  
district plan in connection with a change in district composition 64546  
under section 3734.521 of the Revised Code. 64547

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees

or amended fees levied under divisions (B)(1) to (3) of this 64581  
section pursuant to the district's initial or amended plan as so 64582  
approved or, if appropriate, the repeal of the district's fees by 64583  
that initial or amended plan. Collection of any fees set forth in 64584  
such a plan or amended plan shall commence on the first day of 64585  
January immediately following the issuance of the notice. If such 64586  
an initial or amended plan repeals a schedule of fees, collection 64587  
of the fees shall cease on that first day of January. 64588

If, in the case of a change in district composition involving 64589  
the withdrawal of a county from a joint district, the director 64590  
completes the actions required under division (G)(1) or (3) of 64591  
section 3734.521 of the Revised Code, as appropriate, less than 64592  
forty-five days before the beginning of a calendar year, the 64593  
director, on behalf of each of the districts resulting from the 64594  
change that obtained the director's approval of an initial or 64595  
amended plan in connection with the change proceedings, shall 64596  
notify by certified mail the owner or operator of each solid waste 64597  
disposal facility that is required to collect the district's fees 64598  
that the change is to take effect on the first day of January 64599  
immediately following the mailing of the notice and of the amount 64600  
of the fees or amended fees levied under divisions (B)(1) to (3) 64601  
of this section pursuant to the district's initial or amended plan 64602  
as so approved or, if appropriate, the repeal of the district's 64603  
fees by that initial or amended plan. Collection of any fees set 64604  
forth in such a plan or amended plan shall commence on the first 64605  
day of the second month following the month in which notification 64606  
is sent to the owner or operator. If such an initial or amended 64607  
plan repeals a schedule of fees, collection of the fees shall 64608  
cease on the first day of the second month following the month in 64609  
which notification is sent to the owner or operator. 64610

If the schedule of fees that a solid waste management 64611  
district is levying under divisions (B)(1) to (3) of this section 64612

is amended or repealed, the fees in effect immediately prior to 64613  
the amendment or repeal shall continue to be collected until 64614  
collection of the amended fees commences or collection of the 64615  
repealed fees ceases, as applicable, as specified in this 64616  
division. In the case of a change in district composition, money 64617  
so received from the collection of the fees of the former 64618  
districts shall be divided among the resulting districts in 64619  
accordance with division (B) of section 343.012 of the Revised 64620  
Code and the agreements entered into under division (B) of section 64621  
343.01 of the Revised Code to establish the former and resulting 64622  
districts and any amendments to those agreements. 64623

For the purposes of the provisions of division (B) of this 64624  
section establishing the times when newly established or amended 64625  
fees levied by a district are required to commence and the 64626  
collection of fees that have been amended or repealed is required 64627  
to cease, "fees" or "schedule of fees" includes, in addition to 64628  
fees levied under divisions (B)(1) to (3) of this section, those 64629  
levied under section 3734.573 or 3734.574 of the Revised Code. 64630

(C) For the purposes of defraying the added costs to a 64631  
municipal corporation or township of maintaining roads and other 64632  
public facilities and of providing emergency and other public 64633  
services, and compensating a municipal corporation or township for 64634  
reductions in real property tax revenues due to reductions in real 64635  
property valuations resulting from the location and operation of a 64636  
solid waste disposal facility within the municipal corporation or 64637  
township, a municipal corporation or township in which such a 64638  
solid waste disposal facility is located may levy a fee of not 64639  
more than twenty-five cents per ton on the disposal of solid 64640  
wastes at a solid waste disposal facility located within the 64641  
boundaries of the municipal corporation or township regardless of 64642  
where the wastes were generated. 64643

The legislative authority of a municipal corporation or 64644

township may levy fees under this division by enacting an 64645  
ordinance or adopting a resolution establishing the amount of the 64646  
fees. Upon so doing the legislative authority shall mail a 64647  
certified copy of the ordinance or resolution to the board of 64648  
county commissioners or directors of the county or joint solid 64649  
waste management district in which the municipal corporation or 64650  
township is located or, if a regional solid waste management 64651  
authority has been formed under section 343.011 of the Revised 64652  
Code, to the board of trustees of that regional authority, the 64653  
owner or operator of each solid waste disposal facility in the 64654  
municipal corporation or township that is required to collect the 64655  
fee by the ordinance or resolution, and the director of 64656  
environmental protection. Although the fees levied under this 64657  
division are levied on the basis of tons as the unit of 64658  
measurement, the legislative authority, in its ordinance or 64659  
resolution levying the fees under this division, may direct that 64660  
the fees be levied on the basis of cubic yards as the unit of 64661  
measurement based upon a conversion factor of three cubic yards 64662  
per ton generally or one cubic yard per ton for baled wastes. 64663

Not later than five days after enacting an ordinance or 64664  
adopting a resolution under this division, the legislative 64665  
authority shall so notify by certified mail the owner or operator 64666  
of each solid waste disposal facility that is required to collect 64667  
the fee. Collection of any fee levied on or after March 24, 1992, 64668  
shall commence on the first day of the second month following the 64669  
month in which notification is sent to the owner or operator. 64670

(D)(1) The fees levied under divisions (A), (B), and (C) of 64671  
this section do not apply to the disposal of solid wastes that: 64672

(a) Are disposed of at a facility owned by the generator of 64673  
the wastes when the solid waste facility exclusively disposes of 64674  
solid wastes generated at one or more premises owned by the 64675  
generator regardless of whether the facility is located on a 64676

premises where the wastes are generated; 64677

(b) ~~Are disposed of at facilities that exclusively dispose of~~ 64678  
~~wastes that are~~ generated from the combustion of coal, or from the 64679  
combustion of primarily coal in combination with scrap tires, ~~that~~ 64680  
~~is not combined in any way with garbage at one or more~~ regardless 64681  
of whether the disposal facility is located on the premises owned 64682  
by the generator where the wastes are generated. 64683

(2) Except as provided in section 3734.571 of the Revised 64684  
Code, any fees levied under division (B)(1) of this section apply 64685  
to solid wastes originating outside the boundaries of a county or 64686  
joint district that are covered by an agreement for the joint use 64687  
of solid waste facilities entered into under section 343.02 of the 64688  
Revised Code by the board of county commissioners or board of 64689  
directors of the county or joint district where the wastes are 64690  
generated and disposed of. 64691

(3) When solid wastes, other than solid wastes that consist 64692  
of scrap tires, are burned in a disposal facility that is an 64693  
incinerator or energy recovery facility, the fees levied under 64694  
divisions (A), (B), and (C) of this section shall be levied upon 64695  
the disposal of the fly ash and bottom ash remaining after burning 64696  
of the solid wastes and shall be collected by the owner or 64697  
operator of the sanitary landfill where the ash is disposed of. 64698

(4) When solid wastes are delivered to a solid waste transfer 64699  
facility, the fees levied under divisions (B) and (C) of this 64700  
section shall be levied upon the disposal of solid wastes 64701  
transported off the premises of the transfer facility for disposal 64702  
and shall be collected by the owner or operator of the solid waste 64703  
disposal facility where the wastes are disposed of. 64704

(5) The fees levied under divisions (A), (B), and (C) of this 64705  
section do not apply to sewage sludge that is generated by a waste 64706  
water treatment facility holding a national pollutant discharge 64707

elimination system permit and that is disposed of through 64708  
incineration, land application, or composting or at another 64709  
resource recovery or disposal facility that is not a landfill. 64710

(6) The fees levied under divisions (A), (B), and (C) of this 64711  
section do not apply to solid wastes delivered to a solid waste 64712  
composting facility for processing. When any unprocessed solid 64713  
waste or compost product is transported off the premises of a 64714  
composting facility and disposed of at a landfill, the fees levied 64715  
under divisions (A), (B), and (C) of this section shall be 64716  
collected by the owner or operator of the landfill where the 64717  
unprocessed waste or compost product is disposed of. 64718

(7) When solid wastes that consist of scrap tires are 64719  
processed at a scrap tire recovery facility, the fees levied under 64720  
divisions (A), (B), and (C) of this section shall be levied upon 64721  
the disposal of the fly ash and bottom ash or other solid wastes 64722  
remaining after the processing of the scrap tires and shall be 64723  
collected by the owner or operator of the solid waste disposal 64724  
facility where the ash or other solid wastes are disposed of. 64725

(8) The director of environmental protection may issue an 64726  
order exempting from the fees levied under this section solid 64727  
wastes, including, but not limited to, scrap tires, that are 64728  
generated, transferred, or disposed of as a result of a contract 64729  
providing for the expenditure of public funds entered into by the 64730  
administrator or regional administrator of the United States 64731  
environmental protection agency, the director of environmental 64732  
protection, or the director of administrative services on behalf 64733  
of the director of environmental protection for the purpose of 64734  
remediating conditions at a hazardous waste facility, solid waste 64735  
facility, or other location at which the administrator or regional 64736  
administrator or the director of environmental protection has 64737  
reason to believe that there is a substantial threat to public 64738  
health or safety or the environment or that the conditions are 64739

causing or contributing to air or water pollution or soil 64740  
contamination. An order issued by the director of environmental 64741  
protection under division (D)(8) of this section shall include a 64742  
determination that the amount of the fees not received by a solid 64743  
waste management district as a result of the order will not 64744  
adversely impact the implementation and financing of the 64745  
district's approved solid waste management plan and any approved 64746  
amendments to the plan. Such an order is a final action of the 64747  
director of environmental protection. 64748

(E) The fees levied under divisions (B) and (C) of this 64749  
section shall be collected by the owner or operator of the solid 64750  
waste disposal facility where the wastes are disposed of as a 64751  
trustee for the county or joint district and municipal corporation 64752  
or township where the wastes are disposed of. Moneys from the fees 64753  
levied under division (B) of this section shall be forwarded to 64754  
the board of county commissioners or board of directors of the 64755  
district in accordance with rules adopted under division (H) of 64756  
this section. Moneys from the fees levied under division (C) of 64757  
this section shall be forwarded to the treasurer or such other 64758  
officer of the municipal corporation as, by virtue of the charter, 64759  
has the duties of the treasurer or to the fiscal officer of the 64760  
township, as appropriate, in accordance with those rules. 64761

(F) Moneys received by the treasurer or other officer of the 64762  
municipal corporation under division (E) of this section shall be 64763  
paid into the general fund of the municipal corporation. Moneys 64764  
received by the fiscal officer of the township under that division 64765  
shall be paid into the general fund of the township. The treasurer 64766  
or other officer of the municipal corporation or the township 64767  
fiscal officer, as appropriate, shall maintain separate records of 64768  
the moneys received from the fees levied under division (C) of 64769  
this section. 64770

(G) Moneys received by the board of county commissioners or 64771

board of directors under division (E) of this section or section 64772  
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 64773  
shall be paid to the county treasurer, or other official acting in 64774  
a similar capacity under a county charter, in a county district or 64775  
to the county treasurer or other official designated by the board 64776  
of directors in a joint district and kept in a separate and 64777  
distinct fund to the credit of the district. If a regional solid 64778  
waste management authority has been formed under section 343.011 64779  
of the Revised Code, moneys received by the board of trustees of 64780  
that regional authority under division (E) of this section shall 64781  
be kept by the board in a separate and distinct fund to the credit 64782  
of the district. Moneys in the special fund of the county or joint 64783  
district arising from the fees levied under division (B) of this 64784  
section and the fee levied under division (A) of section 3734.573 64785  
of the Revised Code shall be expended by the board of county 64786  
commissioners or directors of the district in accordance with the 64787  
district's solid waste management plan or amended plan approved 64788

Prior to the approval of the district's solid waste 64856

in the special fund of the district arising from the fees shall be 64858  
expended for those purposes in the manner prescribed by the solid 64859  
waste management policy committee by resolution. 64860

Notwithstanding division (G)(6) of this section as it existed 64861  
prior to October 29, 1993, or any provision in a district's solid 64862  
waste management plan prepared in accordance with division 64863  
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 64864  
prior to that date, any moneys arising from the fees levied under 64865  
division (B)(3) of this section prior to January 1, 1994, may be 64866

expended for any of the purposes authorized in divisions (G)(1) to 64867  
(10) of this section. 64868

(H) The director shall adopt rules in accordance with Chapter 64869  
119. of the Revised Code prescribing procedures for collecting and 64870  
forwarding the fees levied under divisions (B) and (C) of this 64871  
section to the boards of county commissioners or directors of 64872  
county or joint solid waste management districts and to the 64873  
treasurers or other officers of municipal corporations and the 64874  
fiscal officers of townships. The rules also shall prescribe the 64875  
dates for forwarding the fees to the boards and officials and may 64876  
prescribe any other requirements the director considers necessary 64877  
or appropriate to implement and administer divisions (A), (B), and 64878  
(C) of this section. 64879

**Sec. 3734.85.** (A) On and after the effective date of the 64880  
rules adopted under sections 3734.70, 3734.71, 3734.72, and 64881  
3734.73 of the Revised Code, the director of environmental 64882  
protection may take action under this section to abate 64883  
accumulations of scrap tires. If the director determines that an 64884  
accumulation of scrap tires constitutes a danger to the public 64885  
health or safety or to the environment, the director shall issue 64886  
an order under section 3734.13 of the Revised Code to the person 64887  
responsible for the accumulation of scrap tires directing that 64888  
person, within one hundred twenty days after the issuance of the 64889  
order, to remove the accumulation of scrap tires from the premises 64890  
on which it is located and transport the tires to a scrap tire 64891  
storage, monocell, monofill, or recovery facility licensed under 64892  
section 3734.81 of the Revised Code, to such a facility in another 64893  
state operating in compliance with the laws of the state in which 64894  
it is located, or to any other solid waste disposal facility in 64895  
another state that is operating in compliance with the laws of 64896  
that state. If the person responsible for causing the accumulation 64897  
of scrap tires is a person different from the owner of the land on 64898

which the accumulation is located, the director may issue such an order to the landowner. 64899  
64900

If the director is unable to ascertain immediately the identity of the person responsible for causing the accumulation of scrap tires, the director shall examine the records of the applicable board of health and law enforcement agencies to ascertain that person's identity. Before initiating any enforcement or removal actions under this division against the owner of the land on which the accumulation is located, the director shall initiate any such actions against the person that the director has identified as responsible for causing the accumulation of scrap tires. Failure of the director to make diligent efforts to ascertain the identity of the person responsible for causing the accumulation of scrap tires or to initiate an action against the person responsible for causing the accumulation shall not constitute an affirmative defense by a landowner to an enforcement action initiated by the director under this division requiring immediate removal of any accumulation of scrap tires. 64901

Upon the written request of the recipient of an order issued under this division, the director may extend the time for compliance with the order if the request demonstrates that the recipient has acted in good faith to comply with the order. If the recipient of an order issued under this division fails to comply with the order within one hundred twenty days after the issuance of the order or, if the time for compliance with the order was so extended, within that time, the director shall take such actions as the director considers reasonable and necessary to remove and properly manage the scrap tires located on the land named in the order. The director, through employees of the environmental protection agency or a contractor, may enter upon the land on which the accumulation of scrap tires is located and remove and 64918

transport them to a scrap tire recovery facility for processing, 64931  
to a scrap tire storage facility for storage, or to a scrap tire 64932  
monocell or monofill facility for storage or disposal. 64933

The director shall enter into contracts ~~with the owners or~~ 64934  
~~operators of scrap tire storage, monocell, monofill, or recovery~~ 64935  
~~facilities~~ for the storage, disposal, or processing of scrap tires 64936  
removed through removal operations conducted under this section. 64937  
~~In doing so, the director shall give preference to scrap tire~~ 64938  
~~recovery facilities.~~ 64939

If a person to whom a removal order is issued under this 64940  
division fails to comply with the order and if the director 64941  
performs a removal action under this section, the person to whom 64942  
the removal order is issued is liable to the director for the 64943  
costs incurred by the director for conducting the removal 64944  
operation, storage at a scrap tire storage facility, storage or 64945  
disposal at a scrap tire monocell or monofill facility, or 64946  
processing of the scrap tires so removed, the transportation of 64947  
the scrap tires from the site of the accumulation to the scrap 64948  
tire storage, monocell, monofill, or recovery facility where the 64949  
scrap tires were stored, disposed of, or processed, and the 64950  
administrative and legal expenses incurred by the director in 64951  
connection with the removal operation. The director shall keep an 64952  
itemized record of those costs. Upon completion of the actions for 64953  
which the costs were incurred, the director shall record the costs 64954  
at the office of the county recorder of the county in which the 64955  
accumulation of scrap tires was located. The costs so recorded 64956  
constitute a lien on the property on which the accumulation of 64957  
scrap tires was located until discharged. Upon the written request 64958  
of the director, the attorney general shall bring a civil action 64959  
against the person responsible for the accumulation of the scrap 64960  
tires that were the subject of the removal operation to recover 64961  
the costs for which the person is liable under this division. Any 64962

money so received or recovered shall be credited to the scrap tire 64963  
management fund created in section 3734.82 of the Revised Code. 64964

If, in a civil action brought under this division, an owner 64965  
of real property is ordered to pay to the director the costs of a 64966  
removal action that removed an accumulation of scrap tires from 64967  
the person's land or if a lien is placed on the person's land for 64968  
the costs of such a removal action, and, in either case, if the 64969  
landowner was not the person responsible for causing the 64970  
accumulation of scrap tires so removed, the landowner may bring a 64971  
civil action against the person who was responsible for causing 64972  
the accumulation to recover the amount of the removal costs that 64973  
the court ordered the landowner to pay to the director or the 64974  
amount of the removal costs certified to the county recorder as a 64975  
lien on the landowner's property, whichever is applicable. If the 64976  
landowner prevails in the civil action against the person who was 64977  
responsible for causing the accumulation of scrap tires, the 64978  
court, as it considers appropriate, may award to the landowner the 64979  
reasonable attorney's fees incurred by the landowner for bringing 64980  
the action, court costs, and other reasonable expenses incurred by 64981  
the landowner in connection with the civil action. A landowner 64982  
shall bring such a civil action within two years after making the 64983  
final payment of the removal costs to the director pursuant to the 64984  
judgment rendered against the landowner in the civil action 64985  
brought under this division upon the director's request or within 64986  
two years after the director certified the costs of the removal 64987  
action to the county recorder, as appropriate. A person who, at 64988  
the time that a removal action was conducted under this division, 64989  
owned the land on which the removal action was performed may bring 64990  
an action under this division to recover the costs of the removal 64991  
action from the person responsible for causing the accumulation of 64992  
scrap tires so removed regardless of whether the person owns the 64993  
land at the time of bringing the action. 64994

Subject to the limitations set forth in division (G) of 64995  
section 3734.82 of the Revised Code, the director may use moneys 64996  
in the scrap tire management fund for conducting removal actions 64997  
under this division. Any moneys recovered under this division 64998  
shall be credited to the scrap tire management fund. 64999

(B) The director shall initiate enforcement and removal 65000  
actions under division (A) of this section in accordance with the 65001

political subdivision in which the project is to be developed. The 65119  
contract shall be awarded to the lowest and best bidder. 65120

**Sec. 3735.66.** The legislative authorities of municipal 65121

describing the boundaries of community reinvestment areas which 65124

whether a structure or remodeling composed of multiple units is 65142  
classified as commercial or residential shall be determined by 65143  
resolution or ordinance of the legislative authority or, in the 65144  
absence of such a determination, by the classification of the use 65145

a percentage, not to exceed one hundred per cent, of the assessed 65150  
valuation of such property to be exempted. The percentage 65151  
specified shall apply to all residential construction or 65152  
remodeling for which exemption is granted. 65153

The resolution adopted pursuant to this section shall be 65154

circulation in the county, if the resolution is adopted by the 65158  
legislative authority of the county, once a week for two 65159

Code, immediately following its adoption. 65161

Each legislative authority adopting a resolution pursuant to 65162  
this section shall designate a housing officer. In addition, each 65163  
such legislative authority, not later than fifteen days after the 65164

~~shorthand~~ reporter. The record shall include all of the testimony 65576  
and other evidence and the rulings on the admissibility thereof 65577  
presented at the hearing. The commission shall pass upon the 65578

admissibility of evidence, but any party may at the time object to 65579  
the admission of any evidence and except to the rulings of the 65580  
commission thereon, and if the commission refuses to admit 65581  
evidence the party offering same may make a proffer thereof, and 65582  
such proffer shall be made a part of the record of such hearing. 65583

Any party may request the stenographic or electronic record 65584  
of the hearing. Promptly after receiving such a request, the 65585  
commission shall prepare and provide the stenographic or 65586  
electronic record of the hearing to the party who requested it. 65587  
The commission may charge a fee to the party who requested the 65588  
stenographic or electronic record that does not exceed the cost to 65589  
the commission for preparing and transcribing or transmitting it. 65590

(F) If, upon completion of the hearing, the commission finds 65591  
that the action appealed from was lawful and reasonable, it shall 65592  
make a written order affirming the action, or if the commission 65593  
finds that the action was unreasonable or unlawful, it shall make 65594  
a written order vacating or modifying the action appealed from. 65595

The commission shall issue a written order affirming, 65596  
vacating, or modifying an action pursuant to the following 65597  
schedule: 65598

(2) For all other appeals that have been filed with the 65602  
commission as of October 15, 2009, the commission shall issue a 65603  
written order not later than July 15, 2010. 65604

(3) For an appeal that is filed with the commission after 65605  
October 15, 2009, the commission shall issue a written order not 65606  
later than twelve months after the filing of the appeal with the 65607  
commission. 65608

(G) Every order made by the commission shall contain a 65609

written finding by the commission of the facts upon which the 65610  
order is based. Notice of the making of the order shall be given 65611  
forthwith to each party to the appeal by mailing a certified copy 65612  
thereof to each party by certified mail, with a statement of the 65613

(C)(1) Except as otherwise provided in division (C)(2) of 65705  
this section, beginning July 1, 1994, each person who owns or 65706  
operates an air contaminant source and who is required to apply 65707  
for and obtain a Title V permit under section 3704.036 of the 65708  
Revised Code shall pay the fees set forth in division (C)(1) of 65709  
this section. For the purposes of that division, total emissions 65710  
of air contaminants may be calculated using engineering 65711  
calculations, emissions factors, material balance calculations, or 65712  
performance testing procedures, as authorized by the director. 65713

The following fees shall be assessed on the total actual 65714  
emissions from a source in tons per year of the regulated 65715  
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 65716  
organic compounds, and lead: 65717

(a) Fifteen dollars per ton on the total actual emissions of 65718  
each such regulated pollutant during the period July through 65719  
December 1993, to be collected no sooner than July 1, 1994; 65720

(b) Twenty dollars per ton on the total actual emissions of 65721  
each such regulated pollutant during calendar year 1994, to be 65722  
collected no sooner than April 15, 1995; 65723

(c) Twenty-five dollars per ton on the total actual emissions 65724  
of each such regulated pollutant in calendar year 1995, and each 65725  
subsequent calendar year, to be collected no sooner than the 65726  
fifteenth day of April of the year next succeeding the calendar 65727  
year in which the emissions occurred. 65728

The fees levied under division (C)(1) of this section do not 65729  
apply to that portion of the emissions of a regulated pollutant at 65730  
a facility that exceed four thousand tons during a calendar year. 65731

(2) The fees assessed under division (C)(1) of this section 65732  
are for the purpose of providing funding for the Title V permit 65733  
program. 65734

(3) The fees assessed under division (C)(1) of this section 65735  
do not apply to emissions from any electric generating unit 65736  
designated as a Phase I unit under Title IV of the federal Clean 65737  
Air Act prior to calendar year 2000. Those fees shall be assessed 65738  
on the emissions from such a generating unit commencing in 65739  
calendar year 2001 based upon the total actual emissions from the 65740  
generating unit during calendar year 2000 and shall continue to be 65741  
assessed each subsequent calendar year based on the total actual 65742  
emissions from the generating unit during the preceding calendar 65743  
year. 65744

(4) The director shall issue invoices to owners or operators 65745  
of air contaminant sources who are required to pay a fee assessed 65746  
under division (C) or (D) of this section. Any such invoice shall 65747  
be issued no sooner than the applicable date when the fee first 65748  
may be collected in a year under the applicable division, shall 65749  
identify the nature and amount of the fee assessed, and shall 65750  
indicate that the fee is required to be paid within thirty days 65751  
after the issuance of the invoice. 65752

(D)(1) Except as provided in division (D)(3) of this section, 65753  
from January 1, 1994, through December 31, 2003, each person who 65754  
owns or operates an air contaminant source; who is required to 65755  
apply for a permit to operate pursuant to rules adopted under 65756  
division (G), or a variance pursuant to division (H), of section 65757  
3704.03 of the Revised Code; and who is not required to apply for 65758  
and obtain a Title V permit under section 3704.036 of the Revised 65759  
Code shall pay a single fee based upon the sum of the actual 65760  
annual emissions from the facility of the regulated pollutants 65761  
particulate matter, sulfur dioxide, nitrogen oxides, organic 65762  
compounds, and lead in accordance with the following schedule: 65763

(2) Except as provided in division (D)(3) of this section, 65770  
beginning January 1, 2004, each person who owns or operates an air 65771  
contaminant source; who is required to apply for a permit to 65772  
operate pursuant to rules adopted under division (G), or a 65773  
variance pursuant to division (H), of section 3704.03 of the 65774  
Revised Code; and who is not required to apply for and obtain a 65775  
Title V permit under section 3704.03 of the Revised Code shall pay 65776  
a single fee based upon the sum of the actual annual emissions 65777  
from the facility of the regulated pollutants particulate matter, 65778  
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 65779  
accordance with the following schedule: 65780

(3)(a) As used in division (D) of this section, "synthetic 65788  
minor facility" means a facility for which one or more permits to 65789  
install or permits to operate have been issued for the air 65790  
contaminant sources at the facility that include terms and 65791  
conditions that lower the facility's potential to emit air 65792  
contaminants below the major source thresholds established in 65793  
rules adopted under section 3704.036 of the Revised Code. 65794

(b) Beginning January 1, 2000, through June 30, ~~2012~~ 2014, 65795

each person who owns or operates a synthetic minor facility shall 65796  
pay an annual fee based on the sum of the actual annual emissions 65797  
from the facility of particulate matter, sulfur dioxide, nitrogen 65798  
dioxide, organic compounds, and lead in accordance with the 65799  
following schedule: 65800

(4) The fees assessed under division (D)(1) of this section 65815  
shall be collected annually no sooner than the fifteenth day of 65816  
April, commencing in 1995. The fees assessed under division (D)(2) 65817  
of this section shall be collected annually no sooner than the 65818  
fifteenth day of April, commencing in 2005. The fees assessed 65819  
under division (D)(3) of this section shall be collected no sooner 65820  
than the fifteenth day of April, commencing in 2000. The fees 65821  
assessed under division (D) of this section in a calendar year 65822  
shall be based upon the sum of the actual emissions of those 65823  
regulated pollutants during the preceding calendar year. For the 65824  
purpose of division (D) of this section, emissions of air 65825  
contaminants may be calculated using engineering calculations, 65826  
emission factors, material balance calculations, or performance 65827  
testing procedures, as authorized by the director. The director, 65828

by rule, may require persons who are required to pay the fees 65829  
assessed under division (D) of this section to pay those fees 65830  
biennially rather than annually. 65831

(E)(1) Consistent with the need to cover the reasonable costs 65832  
of the Title V permit program, the director annually shall 65833  
increase the fees prescribed in division (C)(1) of this section by 65834  
the percentage, if any, by which the consumer price index for the 65835  
most recent calendar year ending before the beginning of a year 65836  
exceeds the consumer price index for calendar year 1989. Upon 65837  
calculating an increase in fees authorized by division (E)(1) of 65838  
this section, the director shall compile revised fee schedules for 65839  
the purposes of division (C)(1) of this section and shall make the 65840  
revised schedules available to persons required to pay the fees 65841  
assessed under that division and to the public. 65842

(2) For the purposes of division (E)(1) of this section: 65843

(a) The consumer price index for any year is the average of 65844  
the consumer price index for all urban consumers published by the 65845  
United States department of labor as of the close of the 65846  
twelve-month period ending on the thirty-first day of August of 65847  
that year. 65848

(b) If the 1989 consumer price index is revised, the director 65849  
shall use the revision of the consumer price index that is most 65850  
consistent with that for calendar year 1989. 65851

(F) Each person who is issued a permit to install pursuant to 65852  
rules adopted under division (F) of section 3704.03 of the Revised 65853  
Code on or after July 1, 2003, shall pay the fees specified in the 65854  
following schedules: 65855

thereafter, the director shall issue invoices to persons who are 66704  
required to pay the annual sludge fee. The invoice shall identify 66705

the nature and amount of the annual sludge fee assessed and state 66706  
the first day of May as the deadline for receipt by the director 66707  
of objections regarding the amount of the fee and the first day of 66708  
July as the deadline for payment of the fee. 66709

Not later than the first day of May following receipt of an 66710  
invoice, a person required to pay the annual sludge fee may submit 66711  
objections to the director concerning the accuracy of information 66712  
regarding the number of dry tons of sewage sludge used to 66713  
calculate the amount of the annual sludge fee or regarding whether 66714  
the sewage sludge qualifies for the exceptional quality sludge 66715  
discount established in division (Y)(2)(b) of this section. The 66716  
director may consider the objections and adjust the amount of the 66717  
fee to ensure that it is accurate. 66718

If the director does not adjust the amount of the annual 66719  
sludge fee in response to a person's objections, the person may 66720  
appeal the director's determination in accordance with Chapter 66721  
119. of the Revised Code. 66722

Not later than the first day of June, the director shall 66723  
notify the objecting person regarding whether the director has 66724  
found the objections to be valid and the reasons for the finding. 66725  
If the director finds the objections to be valid and adjusts the 66726  
amount of the annual sludge fee accordingly, the director shall 66727  
issue with the notification a new invoice to the person 66728  
identifying the amount of the annual sludge fee assessed and 66729  
stating the first day of July as the deadline for payment. 66730

Not later than the first day of July, any person who is 66731  
required to do so shall pay the annual sludge fee. Any person who 66732  
is required to pay the fee, but who fails to do so on or before 66733  
that date shall pay an additional amount that equals ten per cent 66734  
of the required annual sludge fee. 66735

(6) The director shall transmit all moneys collected under 66736

division (Y) of this section to the treasurer of state for deposit 66737  
into the surface water protection fund created in section 6111.038 66738  
of the Revised Code. The moneys shall be used to defray the costs 66739  
of administering and enforcing provisions in Chapter 6111. of the 66740  
Revised Code and rules adopted under it that govern the use, 66741  
storage, treatment, or disposal of sewage sludge. 66742

(7) Beginning in fiscal year 2001, and every two years 66743  
thereafter, the director shall review the total amount of moneys 66744  
generated by the annual sludge fees to determine if that amount 66745  
exceeded six hundred thousand dollars in either of the two 66746  
preceding fiscal years. If the total amount of moneys in the fund 66747  
exceeded six hundred thousand dollars in either fiscal year, the 66748  
director, after review of the fee structure and consultation with 66749  
affected persons, shall issue an order reducing the amount of the 66750  
fees levied under division (Y) of this section so that the 66751  
estimated amount of moneys resulting from the fees will not exceed 66752  
six hundred thousand dollars in any fiscal year. 66753

If, upon review of the fees under division (Y)(7) of this 66754  
section and after the fees have been reduced, the director 66755  
determines that the total amount of moneys collected and 66756  
accumulated is less than six hundred thousand dollars, the 66757  
director, after review of the fee structure and consultation with 66758  
affected persons, may issue an order increasing the amount of the 66759  
fees levied under division (Y) of this section so that the 66760  
estimated amount of moneys resulting from the fees will be 66761  
approximately six hundred thousand dollars. Fees shall never be 66762  
increased to an amount exceeding the amount specified in division 66763  
(Y)(7) of this section. 66764

Notwithstanding section 119.06 of the Revised Code, the 66765  
director may issue an order under division (Y)(7) of this section 66766  
without the necessity to hold an adjudicatory hearing in 66767  
connection with the order. The issuance of an order under this 66768

division is not an act or action for purposes of section 3745.04 66769  
of the Revised Code. 66770

located more than twenty-five miles from a track located in this 66925  
state where a light harness horse-racing meeting, other than a 66926  
light harness horse-racing meeting at a county fair or independent 66927

horse racing at a county fair shall authorize live horse racing to 66930  
begin at nine a.m. 66931

No permit shall be granted for the holding or conducting of a 66932

racing days granted as a result of a winterized facility, and 66953  
except that the commission may issue a second permit for a maximum 66954  
of fifty-six racing days for any one track, place, or enclosure, 66955  
if the commission determines that the issuance of such second 66956  
permit is not against the public interest. No such second permit 66957  
shall be issued: 66958

(A) For the operation of racing in any county with a 66959  
population of less than seven hundred thousand or for the 66960  
operation of racing in any county which has more than one race 66961  
track at which a racing meet has been authorized, except as 66962  
provided in this division and in sections 3769.071 and 3769.13 of 66963  
the Revised Code, in the same year by the commission. A second 66964  
permit issued pursuant to this division may be issued at either or 66965  
both race tracks in a county that has only two race tracks if a 66966  
racing meet has been authorized at both race tracks in the same 66967  
year by the commission and one race track has been authorized to 66968  
conduct thoroughbred racing meets and the other race track has 66969  
been authorized to conduct harness racing meets. When such second 66970  
permit is issued pursuant to this division for racing at the one 66971  
race track, racing shall not be conducted at that race track on 66972  
the same day that racing is conducted at the other race track in 66973  
the county except by mutual agreement of the two race tracks. 66974

(B) To any corporation having one or more shareholders owning 66975  
an interest in any other permit issued by the commission for the 66976  
operation of racing, in the same year, at any other race track, 66977  
place, or enclosure in this state; 66978

(C) To any person, association, or trust which owns, or which 66979  
has any members owning, an interest in any other permit issued by 66980  
the commission for the operation of racing, in the same year, at 66981  
any other race track, place, or enclosure in this state. 66982

No permit shall be issued so as to permit live racing 66983  
programs on the same hour at more than one track in one county or 66984

on tracks in operation in 1975 within fifty miles of each other, 66985  
nor shall any other form of pari-mutuel wagering other than horse 66986  
racing be permitted within seventy-five miles of a track where 66987  
horse racing is being conducted, except that this provision shall 66988  
not apply to a horse-racing meeting held at the state fair or at a 66989  
fair conducted by a county agricultural society or at a fair 66990  
conducted by an independent agricultural society. Distribution of 66991  
days shall not apply to fairs or horse shows not required to 66992  
secure a permit under such section. Notwithstanding any other 66993  
provision of this chapter, a person, association, trust, or 66994  
corporation may own or operate two separate facilities in this 66995  
state that are conducting horse-racing meetings. 66996

A permit, granted under sections 3769.01 to 3769.14 of the 66997  
Revised Code, shall be conspicuously displayed during the 66998  
horse-racing meeting in the principal office at such race track 66999  
and at all reasonable times shall be exhibited to any authorized 67000  
person requesting to see the same. 67001

**Sec. 3769.08.** (A) Any person holding a permit to conduct a 67002  
horse-racing meeting may provide a place in the race meeting 67003  
grounds or enclosure at which the permit holder may conduct and 67004  
supervise the pari-mutuel system of wagering by patrons of legal 67005  
age on the live racing programs and simulcast racing programs 67006  
conducted by the permit holder. 67007

The pari-mutuel method of wagering upon the live racing 67008  
programs and simulcast racing programs held at or conducted within 67009  
such race track, and at the time of such horse-racing meeting, or 67010  
at other times authorized by the state racing commission, shall 67011  
not be unlawful. No other place, except that provided and 67012  
designated by the permit holder and except as provided in section 67013  
3769.26 of the Revised Code, nor any other method or system of 67014  
betting or wagering, except the pari-mutuel system, shall be used 67015

or permitted by the permit holder; nor, except as provided in 67016  
section 3769.089 or 3769.26 of the Revised Code, shall the 67017  
pari-mutuel system of wagering be conducted by the permit holder 67018  
on any races except the races at the race track, grounds, or 67019  
enclosure for which the person holds a permit. Each permit holder 67020  
may retain as a commission an amount not to exceed eighteen per 67021  
cent of the total of all moneys wagered. 67022

The pari-mutuel wagering authorized by this section is 67023  
subject to sections 3769.25 to 3769.28 of the Revised Code. 67024

(B) At the close of each racing day, each permit holder 67025  
authorized to conduct thoroughbred racing, out of the amount 67026  
retained on that day by the permit holder, shall pay by check, 67027  
draft, or money order to the tax commissioner, as a tax, a sum 67028  
equal to the following percentages of the total of all moneys 67029  
wagered on live racing programs on that day and shall separately 67030  
compute and pay by check, draft, or money order to the tax 67031  
commissioner, as a tax, a sum equal to the following percentages 67032  
of the total of all money wagered on simulcast racing programs on 67033  
that day: 67034

(1) One per cent of the first two hundred thousand dollars 67035  
wagered, or any part of that amount; 67036

(2) Two per cent of the next one hundred thousand dollars 67037  
wagered, or any part of that amount; 67038

(3) Three per cent of the next one hundred thousand dollars 67039  
wagered, or any part of that amount; 67040

(4) Four per cent of all sums over four hundred thousand 67041  
dollars wagered. 67042

Except as otherwise provided in section 3769.089 of the 67043  
Revised Code, each permit holder authorized to conduct 67044  
thoroughbred racing shall use for purse money a sum equal to fifty 67045  
per cent of the pari-mutuel revenues retained by the permit holder 67046

as a commission after payment of the state tax. This fifty per 67047  
cent payment shall be in addition to the purse distribution from 67048  
breakage specified in this section. 67049

Subject to division (M) of this section, from the moneys paid 67050  
to the tax commissioner by thoroughbred racing permit holders, 67051  
one-half of one per cent of the total of all moneys so wagered on 67052  
a racing day shall be paid into the Ohio fairs fund created by 67053  
section 3769.082 of the Revised Code, one and one-eighth per cent 67054  
of the total of all moneys so wagered on a racing day shall be 67055  
paid into the Ohio thoroughbred race fund created by section 67056  
3769.083 of the Revised Code, and one-quarter of one per cent of 67057  
the total of all moneys wagered on a racing day by each permit 67058  
holder shall be paid into the state racing commission operating 67059  
fund created by section 3769.03 of the Revised Code. The required 67060  
payment to the state racing commission operating fund does not 67061  
apply to county and independent fairs and agricultural societies. 67062  
The remaining moneys may be retained by the permit holder, except 67063  
as provided in this section with respect to the odd cents 67064  
redistribution. Amounts paid into the PASSPORT nursing home 67065  
franchise permit fee fund pursuant to this section and section 67066  
3769.26 of the Revised Code shall be used solely for the support 67067  
of the PASSPORT program as determined in appropriations made by 67068  
the general assembly. If the PASSPORT program is abolished, the 67069  
amount that would have been paid to the PASSPORT nursing home 67070  
franchise permit fee fund under this chapter shall be paid to the 67071  
general revenue fund of the state. As used in this chapter, 67072  
"PASSPORT program" means the PASSPORT program created under 67073  
section 173.40 of the Revised Code. 67074

The total amount paid to the Ohio thoroughbred race fund 67075  
under this section and division (A) of section 3769.087 of the 67076  
Revised Code shall not exceed by more than six per cent the total 67077  
amount paid to this fund under this section and that section 67078

during the immediately preceding calendar year. 67079

Each year, the total amount calculated for payment into the 67080  
Ohio fairs fund under this division, division (C) of this section, 67081  
and division (A) of section 3769.087 of the Revised Code shall be 67082  
an amount calculated using the percentages specified in this 67083  
division, division (C) of this section, and division (A) of 67084  
section 3769.087 of the Revised Code. 67085

A permit holder may contract with a thoroughbred horsemen's 67086  
organization for the organization to act as a representative of 67087  
all thoroughbred owners and trainers participating in a 67088  
horse-racing meeting conducted by the permit holder. A 67089  
"thoroughbred horsemen's organization" is any corporation or 67090  
association that represents, through membership or otherwise, more 67091  
than one-half of the aggregate of all thoroughbred owners and 67092  
trainers who were licensed and actively participated in racing 67093  
within this state during the preceding calendar year. Except as 67094  
otherwise provided in this paragraph, any moneys received by a 67095  
thoroughbred horsemen's organization shall be used exclusively for 67096  
the benefit of thoroughbred owners and trainers racing in this 67097  
state through the administrative purposes of the organization, 67098  
benevolent activities on behalf of the horsemen, promotion of the 67099  
horsemen's rights and interests, and promotion of equine research. 67100  
A thoroughbred horsemen's organization may expend not more than an 67101  
aggregate of five per cent of its annual gross receipts, or a 67102  
larger amount as approved by the organization, for dues, 67103  
assessments, and other payments to all other local, national, or 67104  
international organizations having as their primary purposes the 67105  
promotion of thoroughbred horse racing, thoroughbred horsemen's 67106  
rights, and equine research. 67107

(C) Except as otherwise provided in division (B) of this 67108  
section, at the close of each racing day, each permit holder 67109  
authorized to conduct harness or quarter horse racing, out of the 67110

amount retained that day by the permit holder, shall pay by check, 67111  
draft, or money order to the tax commissioner, as a tax, a sum 67112  
equal to the following percentages of the total of all moneys 67113  
wagered on live racing programs and shall separately compute and 67114  
pay by check, draft, or money order to the tax commissioner, as a 67115  
tax, a sum equal to the following percentages of the total of all 67116  
money wagered on simulcast racing programs on that day: 67117

(1) One per cent of the first two hundred thousand dollars 67118  
wagered, or any part of that amount; 67119

(2) Two per cent of the next one hundred thousand dollars 67120  
wagered, or any part of that amount; 67121

(3) Three per cent of the next one hundred thousand dollars 67122  
wagered, or any part of that amount; 67123

(4) Four per cent of all sums over four hundred thousand 67124  
dollars wagered. 67125

Except as otherwise provided in division (B) and subject to 67126  
division (M) of this section, from the moneys paid to the tax 67127  
commissioner by permit holders authorized to conduct harness or 67128  
quarter horse racing, one-half of one per cent of all moneys 67129  
wagered on that racing day shall be paid into the Ohio fairs fund; 67130  
from the moneys paid to the tax commissioner by permit holders 67131  
authorized to conduct harness racing, five-eighths of one per cent 67132  
of all moneys wagered on that racing day shall be paid into the 67133  
Ohio standardbred development fund; and from the moneys paid to 67134  
the tax commissioner by permit holders authorized to conduct 67135  
quarter horse racing, five-eighths of one per cent of all moneys 67136  
wagered on that racing day shall be paid into the Ohio quarter 67137  
horse development fund. 67138

(D) In addition, subject to division (M) of this section, 67139  
beginning on January 1, 1996, from the money paid to the tax 67140  
commissioner as a tax under this section and division (A) of 67141

section 3769.087 of the Revised Code by harness horse permit holders, one-half of one per cent of the amount wagered on a racing day shall be paid into the Ohio standardbred development fund. Beginning January 1, 1998, the payment to the Ohio standardbred development fund required under this division does not apply to county agricultural societies or independent agricultural societies.

The total amount paid to the Ohio standardbred development fund under this division, division (C) of this section, and division (A) of section 3769.087 of the Revised Code and the total amount paid to the Ohio quarter horse development fund under this division and division (A) of that section shall not exceed by more than six per cent the total amount paid into the fund under this division, division (C) of this section, and division (A) of section 3769.087 of the Revised Code in the immediately preceding calendar year.

(E) Subject to division (M) of this section, from the money paid as a tax under this chapter by harness and quarter horse permit holders, one-quarter of one per cent of the total of all moneys wagered on a racing day by each permit holder shall be paid into the state racing commission operating fund created by section 3769.03 of the Revised Code. This division does not apply to county and independent fairs and agricultural societies.

(F) Except as otherwise provided in section 3769.089 of the Revised Code, each permit holder authorized to conduct harness racing shall pay to the harness horsemen's purse pool a sum equal to fifty per cent of the pari-mutuel revenues retained by the permit holder as a commission after payment of the state tax. This fifty per cent payment is to be in addition to the purse distribution from breakage specified in this section.

(G) In addition, each permit holder authorized to conduct harness racing shall be allowed to retain the odd cents of all

redistribution to be made on all mutual contributions exceeding a 67174  
sum equal to the next lowest multiple of ten. 67175

Forty per cent of that portion of that total sum of such odd 67176  
cents shall be used by the permit holder for purse money for Ohio 67177  
sired, bred, and owned colts, for purse money for Ohio bred 67178  
horses, and for increased purse money for horse races. Upon the 67179  
formation of the corporation described in section 3769.21 of the 67180  
Revised Code to establish a harness horsemen's health and 67181  
retirement fund, twenty-five per cent of that portion of that 67182  
total sum of odd cents shall be paid at the close of each racing 67183  
day by the permit holder to that corporation to establish and fund 67184  
the health and retirement fund. Until that corporation is formed, 67185  
that twenty-five per cent shall be paid at the close of each 67186  
racing day by the permit holder to the tax commissioner or the tax 67187  
commissioner's agent in the county seat of the county in which the 67188  
permit holder operates race meetings. The remaining thirty-five 67189  
per cent of that portion of that total sum of odd cents shall be 67190  
retained by the permit holder. 67191

(H) In addition, each permit holder authorized to conduct 67192  
thoroughbred racing shall be allowed to retain the odd cents of 67193  
all redistribution to be made on all mutual contributions 67194  
exceeding a sum equal to the next lowest multiple of ten. Twenty 67195  
per cent of that portion of that total sum of such odd cents shall 67196  
be used by the permit holder for increased purse money for horse 67197  
races. Upon the formation of the corporation described in section 67198  
3769.21 of the Revised Code to establish a thoroughbred horsemen's 67199  
health and retirement fund, forty-five per cent of that portion of 67200  
that total sum of odd cents shall be paid at the close of each 67201  
racing day by the permit holder to that corporation to establish 67202  
and fund the health and retirement fund. Until that corporation is 67203  
formed, that forty-five per cent shall be paid by the permit 67204  
holder to the tax commissioner or the tax commissioner's agent in 67205

the county seat of the county in which the permit holder operates 67206  
race meetings, at the close of each racing day. The remaining 67207  
thirty-five per cent of that portion of that total sum of odd 67208  
cents shall be retained by the permit holder. 67209

(I) In addition, each permit holder authorized to conduct 67210  
quarter horse racing shall be allowed to retain the odd cents of 67211  
all redistribution to be made on all mutuel contributions 67212  
exceeding a sum equal to the next lowest multiple of ten, subject 67213  
to a tax of twenty-five per cent on that portion of the total sum 67214  
of such odd cents that is in excess of two thousand dollars during 67215  
a calendar year, which tax shall be paid at the close of each 67216  
racing day by the permit holder to the tax commissioner or the tax 67217  
commissioner's agent in the county seat of the county within which 67218  
the permit holder operates race meetings. Forty per cent of that 67219  
portion of that total sum of such odd cents shall be used by the 67220  
permit holder for increased purse money for horse races. The 67221  
remaining thirty-five per cent of that portion of that total sum 67222  
of odd cents shall be retained by the permit holder. 67223

(J)(1) To encourage the improvement of racing facilities for 67224  
the benefit of the public, breeders, and horse owners, and to 67225  
increase the revenue to the state from the increase in pari-mutuel 67226  
wagering resulting from those improvements, the taxes paid by a 67227  
permit holder to the state as provided for in this chapter shall 67228  
be reduced by three-fourths of one per cent of the total amount 67229  
wagered for those permit holders who make capital improvements to 67230  
existing race tracks or construct new race tracks. The percentage 67231  
of the reduction that may be taken each racing day shall equal 67232  
seventy-five per cent of the taxes levied under divisions (B) and 67233  
(C) of this section and section 3769.087 of the Revised Code, and 67234  
division (F)(2) of section 3769.26 of the Revised Code, as 67235  
applicable, divided by the calculated amount each fund should 67236  
receive under divisions (B) and (C) of this section and section 67237

3769.087 of the Revised Code, and division (F)(2) of section 67238  
3769.26 of the Revised Code and the reduction provided for in this 67239  
division. If the resulting percentage is less than one, that 67240  
percentage shall be multiplied by the amount of the reduction 67241  
provided for in this division. Otherwise, the permit holder shall 67242  
receive the full reduction provided for in this division. The 67243  
amount of the allowable reduction not received shall be carried 67244  
forward and applied against future tax liability. After any 67245  
reductions expire, any reduction carried forward shall be treated 67246  
as a reduction as provided for in this division. 67247

If more than one permit holder is authorized to conduct 67248  
racing at the facility that is being built or improved, the cost 67249  
of the new race track or capital improvement shall be allocated 67250  
between or among all the permit holders in the ratio that the 67251  
permit holders' number of racing days bears to the total number of 67252  
racing days conducted at the facility. 67253

A reduction for a new race track or a capital improvement 67254  
shall start from the day racing is first conducted following the 67255  
date actual construction of the new race track or each capital 67256  
improvement is completed and the construction cost has been 67257  
approved by the racing commission, unless otherwise provided in 67258  
this section. A reduction for a new race track or a capital 67259  
improvement shall continue for a period of twenty-five years for 67260  
new race tracks and for fifteen years for capital improvements if 67261  
the construction of the capital improvement or new race track 67262  
commenced prior to March 29, 1988, and for a period of ten years 67263  
for new race tracks or capital improvements if the construction of 67264  
the capital improvement or new race track commenced on or after 67265  
March 29, 1988, but before ~~the effective date of this amendment~~ 67266  
June 6, 2001, or until the total tax reduction reaches seventy per 67267  
cent of the approved cost of the new race track or capital 67268  
improvement, as allocated to each permit holder, whichever occurs 67269

first. A reduction for a new race track or a capital improvement 67270  
approved after ~~the effective date of this amendment~~ June 6, 2001, 67271  
shall continue until the total tax reduction reaches one hundred 67272  
per cent of the approved cost of the new race track or capital 67273  
improvement, as allocated to each permit holder. 67274

A reduction granted for a new race track or a capital 67275  
improvement, the application for which was approved by the racing 67276  
commission after March 29, 1988, but before ~~the effective date of~~ 67277  
~~this amendment~~ June 6, 2001, shall not commence nor shall the 67278  
ten-year period begin to run until all prior tax reductions with 67279  
respect to the same race track have ended. The total tax reduction 67280  
because of capital improvements shall not during any one year 67281  
exceed for all permit holders using any one track three-fourths of 67282  
one per cent of the total amount wagered, regardless of the number 67283  
of capital improvements made. Several capital improvements to a 67284  
race track may be consolidated in an application if the racing 67285  
commission approved the application prior to March 29, 1988. No 67286  
permit holder may receive a tax reduction for a capital 67287  
improvement approved by the racing commission on or after March 67288  
29, 1988, at a race track until all tax reductions have ended for 67289  
all prior capital improvements approved by the racing commission 67290  
under this section or section 3769.20 of the Revised Code at that 67291  
race track. If there are two or more permit holders operating 67292  
meetings at the same track, they may consolidate their 67293  
applications. The racing commission shall notify the tax 67294  
commissioner when the reduction of tax begins and when it ends. 67295

Each fiscal year the racing commission shall submit a report 67296  
to the tax commissioner, the office of budget and management, and 67297  
the legislative service commission. The report shall identify each 67298  
capital improvement project undertaken under this division and in 67299  
progress at each race track, indicate the total cost of each 67300  
project, state the tax reduction that resulted from each project 67301

during the immediately preceding fiscal year, estimate the tax 67302  
reduction that will result from each project during the current 67303  
fiscal year, state the total tax reduction that resulted from all 67304  
such projects at all race tracks during the immediately preceding 67305  
fiscal year, and estimate the total tax reduction that will result 67306  
from all such projects at all race tracks during the current 67307  
fiscal year. 67308

(2) In order to qualify for the reduction in tax, a permit 67309  
holder shall apply to the racing commission in such form as the 67310  
commission may require and shall provide full details of the new 67311  
race track or capital improvement, including a schedule for its 67312  
construction and completion, and set forth the costs and expenses 67313  
incurred in connection with it. The racing commission shall not 67314  
approve an application unless the permit holder shows that a 67315  
contract for the new race track or capital improvement has been 67316  
let under an unrestricted competitive bidding procedure, unless 67317  
the contract is exempted by the controlling board because of its 67318  
unusual nature. In determining whether to approve an application, 67319  
the racing commission shall consider whether the new race track or 67320  
capital improvement will promote the safety, convenience, and 67321  
comfort of the racing public and horse owners and generally tend 67322  
towards the improvement of racing in this state. 67323

(3) If a new race track or capital improvement is approved by 67324  
the racing commission and construction has started, the tax 67325  
reduction may be authorized by the commission upon presentation of 67326  
copies of paid bills in excess of one hundred thousand dollars or 67327  
ten per cent of the approved cost, whichever is greater. After the 67328  
initial authorization, the permit holder shall present copies of 67329  
paid bills. If the permit holder is in substantial compliance with 67330  
the schedule for construction and completion of the new race track 67331  
or capital improvement, the racing commission may authorize the 67332  
continuation of the tax reduction upon the presentation of the 67333

additional paid bills. The total amount of the tax reduction 67334  
authorized shall not exceed the percentage of the approved cost of 67335  
the new race track or capital improvement specified in division 67336  
(J)(1) of this section. The racing commission may terminate any 67337  
tax reduction immediately if a permit holder fails to complete the 67338  
new race track or capital improvement, or to substantially comply 67339  
with the schedule for construction and completion of the new race 67340  
track or capital improvement. If a permit holder fails to complete 67341  
a new race track or capital improvement, the racing commission 67342  
shall order the permit holder to repay to the state the total 67343  
amount of tax reduced. The normal tax paid by the permit holder 67344  
shall be increased by three-fourths of one per cent of the total 67345  
amount wagered until the total amount of the additional tax 67346  
collected equals the total amount of tax reduced. 67347

(4) As used in this section: 67348

(a) "Capital improvement" means an addition, replacement, or 67349  
remodeling of a structural unit of a race track facility costing 67350  
at least one hundred thousand dollars, including, but not limited 67351  
to, the construction of barns used exclusively for the race track 67352  
facility, backstretch facilities for horsemen, paddock facilities, 67353  
new pari-mutuel and totalizator equipment and appurtenances to 67354  
that equipment purchased by the track, new access roads, new 67355  
parking areas, the complete reconstruction, reshaping, and 67356  
leveling of the racing surface and appurtenances, the installation 67357  
of permanent new heating or air conditioning, roof replacement or 67358  
restoration, installations of a permanent nature forming a part of 67359  
the track structure, and construction of buildings that are 67360  
located on a permit holder's premises. "Capital improvement" does 67361  
not include the cost of replacement of equipment that is not 67362  
permanently installed, ordinary repairs, painting, and maintenance 67363  
required to keep a race track facility in ordinary operating 67364  
condition. 67365

(b) "New race track" includes the reconstruction of a race track damaged by fire or other cause that has been declared by the racing commission, as a result of the damage, to be an inadequate facility for the safe operation of horse racing.

(c) "Approved cost" includes all debt service and interest costs that are associated with a capital improvement or new race track and that the racing commission approves for a tax reduction under division (J) of this section.

(5) The racing commission shall not approve an application for a tax reduction under this section if it has reasonable cause to believe that the actions or negligence of the permit holder substantially contributed to the damage suffered by the track due to fire or other cause. The racing commission shall obtain any data or information available from a fire marshal, law enforcement official, or insurance company concerning any fire or other damage suffered by a track, prior to approving an application for a tax reduction.

(6) The approved cost to which a tax reduction applies shall be determined by generally accepted accounting principles and verified by an audit of the permit holder's records upon completion of the project by the racing commission, or by an independent certified public accountant selected by the permit holder and approved by the commission.

(K) No other license or excise tax or fee, except as provided in sections 3769.01 to 3769.14 of the Revised Code, shall be assessed or collected from such licensee by any county, township, district, municipal corporation, or other body having power to assess or collect a tax or fee. That portion of the tax paid under this section by permit holders for racing conducted at and during the course of an agricultural exposition or fair, and that portion of the tax that would have been paid by eligible permit holders into the ~~PASSPORT~~ nursing home franchise permit fee fund as a

result of racing conducted at and during the course of an 67398  
agricultural exposition or fair, shall be deposited into the state 67399  
treasury to the credit of the horse racing tax fund, which is 67400  
hereby created for the use of the agricultural societies of the 67401  
several counties in which the taxes originate. The state racing 67402  
commission shall determine eligible permit holders for purposes of 67403  
the preceding sentence, taking into account the breed of horse, 67404  
the racing dates, the geographic proximity to the fair, and the 67405  
best interests of Ohio racing. On the first day of any month on 67406  
which there is money in the fund, the tax commissioner shall 67407  
provide for payment to the treasurer of each agricultural society 67408  
the amount of the taxes collected under this section upon racing 67409  
conducted at and during the course of any exposition or fair 67410  
conducted by the society. 67411

(L) From the tax paid under this section by harness track 67412  
permit holders, the tax commissioner shall pay into the Ohio 67413  
thoroughbred race fund a sum equal to a percentage of the amount 67414  
wagered upon which the tax is paid. The percentage shall be 67415  
determined by the tax commissioner and shall be rounded to the 67416  
nearest one-hundredth. The percentage shall be such that, when 67417  
multiplied by the amount wagered upon which tax was paid by the 67418  
harness track permit holders in the most recent year for which 67419  
final figures are available, it results in a sum that 67420  
substantially equals the same amount of tax paid by the tax 67421  
commissioner during that year into the Ohio fairs fund from taxes 67422  
paid by thoroughbred permit holders. This division does not apply 67423  
to county and independent fairs and agricultural societies. 67424

(M) Twenty-five per cent of the taxes levied on thoroughbred 67425  
racing permit holders, harness racing permit holders, and quarter 67426  
horse racing permit holders under this section, division (A) of 67427  
section 3769.087 of the Revised Code, and division (F)(2) of 67428  
section 3769.26 of the Revised Code shall be paid into the 67429

~~PASSPORT~~ nursing home franchise permit fee fund. The tax 67430  
commissioner shall pay any money remaining, after the payment into 67431  
the ~~PASSPORT~~ nursing home franchise permit fee fund and the 67432  
reductions provided for in division (J) of this section and in 67433  
section 3769.20 of the Revised Code, into the Ohio fairs fund, 67434  
Ohio thoroughbred race fund, Ohio standardbred development fund, 67435  
Ohio quarter horse fund, and state racing commission operating 67436  
fund as prescribed in this section and division (A) of section 67437  
3769.087 of the Revised Code. The tax commissioner shall 67438  
thereafter use and apply the balance of the money paid as a tax by 67439  
any permit holder to cover any shortage in the accounts of such 67440  
funds resulting from an insufficient payment as a tax by any other 67441  
permit holder. The moneys received by the tax commissioner shall 67442  
be deposited weekly and paid by the tax commissioner into the 67443  
funds to cover the total aggregate amount due from all permit 67444  
holders to the funds, as calculated under this section and 67445  
division (A) of section 3769.087 of the Revised Code, as 67446  
applicable. If, after the payment into the ~~PASSPORT~~ nursing home 67447  
franchise permit fee fund, sufficient funds are not available from 67448  
the tax deposited by the tax commissioner to pay the required 67449  
amounts into the Ohio fairs fund, Ohio standardbred development 67450  
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 67451  
the state racing commission operating fund, the tax commissioner 67452  
shall prorate on a proportional basis the amount paid to each of 67453  
the funds. Any shortage to the funds as a result of a proration 67454  
shall be applied against future deposits for the same calendar 67455  
year when funds are available. After this application, the tax 67456  
commissioner shall pay any remaining money paid as a tax by all 67457  
permit holders into the ~~PASSPORT~~ nursing home franchise permit fee 67458  
fund. This division does not apply to permit holders conducting 67459  
racing at the course of an agricultural exposition or fair as 67460  
described in division (K) of this section. 67461

**Sec. 3769.20.** (A) To encourage the renovation of existing racing facilities for the benefit of the public, breeders, and horse owners and to increase the revenue to the state from the increase in pari-mutuel wagering resulting from such improvement, the taxes paid by a permit holder to the state, in excess of the amount paid into the ~~PASSPORT~~ nursing home franchise permit fee fund, shall be reduced by one per cent of the total amount wagered for those permit holders who carry out a major capital improvement project. The percentage of the reduction that may be taken each racing day shall equal seventy-five per cent of the amount of the taxes levied under divisions (B) and (C) of section 3769.08, section 3769.087, and division (F)(2) of section 3769.26 of the Revised Code, as applicable, divided by the calculated amount each fund should receive under divisions (B) and (C) of section 3769.08, section 3769.087, and division (F)(2) of section 3769.26 of the Revised Code and the reduction provided for in this section. If the resulting percentage is less than one, that percentage shall be multiplied by the amount of the reduction provided for in this section. Otherwise, the permit holder shall receive the full reduction provided for in this section. The amount of the allowable reduction not received shall be carried forward and added to any other reduction balance and applied against future tax liability. After any reductions expire, any reduction carried forward shall be treated as a reduction as provided for in this section. If the amount of allowable reduction exceeds the amount of taxes derived from a permit holder, the amount of the allowable reduction not used may be carried forward and applied against future tax liability.

If more than one permit holder is authorized to conduct racing at the facility that is being improved, the cost of the major capital improvement project shall be allocated between or among all the permit holders in the ratio that each permit

holder's number of racing days bears to the total number of racing 67494  
days conducted at the facility. 67495

A reduction for a major capital improvement project shall 67496  
start from the day racing is first conducted following the date on 67497  
which the major capital improvement project is completed and the 67498  
construction cost has been approved by the state racing 67499  
commission, except as otherwise provided in division (E) of this 67500  
section, and shall continue until the total tax reduction equals 67501  
the cost of the major capital improvement project plus debt 67502  
service applicable to the project. In no event, however, shall any 67503  
tax reduction, excluding any reduction balances, be permitted 67504  
under this section after December 31, ~~2014~~ 2017. The total tax 67505  
reduction because of the major capital improvement project shall 67506  
not during any one year exceed for all permit holders using any 67507  
one track one per cent of the total amount wagered. The racing 67508  
commission shall notify the tax commissioner when the reduction of 67509  
tax begins and when it ends. 67510

(B) Each fiscal year, the racing commission shall submit a 67511  
report to the tax commissioner, the office of budget and 67512  
management, and the legislative service commission. The report 67513  
shall identify each capital improvement project undertaken under 67514  
this section and in progress at each race track, indicate the 67515  
total cost of each project, state the tax reduction that resulted 67516  
from each project during the immediately preceding fiscal year, 67517  
estimate the tax reduction that will result from each project 67518  
during the current fiscal year, state the total tax reduction that 67519  
resulted from all such projects at all race tracks during the 67520  
immediately preceding fiscal year, and estimate the total tax 67521  
reduction that will result from all such projects at all race 67522  
tracks during the current fiscal year. 67523

(C) The tax reduction granted pursuant to this section shall 67524  
be in addition to any tax reductions for capital improvements and 67525

new race tracks provided for in section 3769.08 of the Revised Code and approved by the racing commission. 67526  
67527

(D) In order to qualify for the reduction in tax, a permit holder shall apply to the racing commission in such form as the commission may require and shall provide full details of the major capital improvement project, including plans and specifications, a schedule for the project's construction and completion, and a breakdown of proposed costs. In addition, the permit holder shall have commenced construction of the major capital improvement project or shall have had the application for the project approved by the racing commission prior to March 29, 1988. The racing commission shall not approve an application unless the permit holder shows that a contract for the major capital improvement project has been let under an unrestricted competitive bidding procedure, unless the contract is exempted by the controlling board because of its unusual nature. In determining whether to approve an application, the racing commission shall consider whether the major capital improvement project will promote the safety, convenience, and comfort of the racing public and horse owners and generally tend toward the improvement of racing in this state. 67528

(E) If the major capital improvement project is approved by the racing commission and construction has started, the tax reduction may be authorized by the commission upon presentation of copies of paid bills in excess of five hundred thousand dollars. After the initial authorization, the permit holder shall present copies of paid bills in the amount of not less than five hundred thousand dollars. If the permit holder is in substantial compliance with the schedule for construction and completion of the major capital improvement project, the racing commission may authorize the continuance of the tax reduction upon the presentation of the additional paid bills in increments of five 67547

hundred thousand dollars. The racing commission may terminate the 67558  
tax reduction if a permit holder fails to complete the major 67559  
capital improvement project or fails to comply substantially with 67560  
the schedule for construction and completion of the major capital 67561  
improvement project. If the time for completion of the major 67562  
capital improvement project is delayed by acts of God, strikes, or 67563  
the unavailability of labor or materials, the time for completion 67564  
as set forth in the schedule shall be extended by the period of 67565  
the delay. If a permit holder fails to complete the major capital 67566  
improvement project, the racing commission shall order the permit 67567  
holder to repay to the state the total amount of tax reduced, 67568  
unless the permit holder has spent at least six million dollars on 67569  
the project. The normal tax paid by the permit holder under 67570  
section 3769.08 of the Revised Code shall be increased by one per 67571  
cent of the total amount wagered until the total amount of the 67572  
additional tax collected equals the total amount of tax reduced. 67573  
Any action taken by the racing commission pursuant to this section 67574  
in terminating the tax adjustment or requiring repayment of the 67575  
amount of tax reduced shall be subject to Chapter 119. of the 67576  
Revised Code. 67577

(F) As used in this section, "major capital improvement 67578  
project" means the renovation, reconstruction, or remodeling, 67579  
costing at least six million dollars, of a race track facility, 67580  
including, but not limited to, the construction of barns used 67581  
exclusively for that race track facility, backstretch facilities 67582  
for horsemen, paddock facilities, pari-mutuel and totalizator 67583  
equipment and appurtenances to that equipment purchased by the 67584  
track, new access roads, new parking areas, the complete 67585  
reconstruction, reshaping, and leveling of the racing surface and 67586  
appurtenances, grandstand enclosure, installation of permanent new 67587  
heating or air conditioning, roof replacement, and installations 67588  
of a permanent nature forming a part of the track structure. 67589

(G) The cost and expenses to which the tax reduction granted 67590  
under this section applies shall be determined by generally 67591  
accepted accounting principles and be verified by an audit of the 67592  
permit holder's records, upon completion of the major capital 67593  
improvement project, either by the racing commission or by an 67594  
independent certified public accountant selected by the permit 67595  
holder and approved by the commission. 67596

(H) This section and section 3769.201 of the Revised Code 67597  
govern any tax reduction granted to a permit holder for the cost 67598  
to the permit holder of any cleanup, repair, or improvement 67599  
required as a result of damage caused by the 1997 Ohio river flood 67600  
to the place, track, or enclosure for which the permit is issued. 67601

**Sec. 3769.26.** (A)(1) Except as otherwise provided in division 67602  
(B) of this section, each track in existence on September 27, 67603  
1994, regardless of the number of permit holders authorized to 67604  
conduct race meetings at the track, may establish, with the 67605  
approval of the state racing commission and the appropriate local 67606  
legislative authority, not more than two satellite facilities at 67607  
which it may conduct pari-mutuel wagering on horse races conducted 67608  
either inside or outside this state and simulcast by a simulcast 67609  
host to the satellite facilities. 67610

(2) Prior to a track's establishing satellite facilities 67611  
under this section, the permit holders at that track shall agree 67612  
among themselves regarding their respective rights and obligations 67613  
with respect to those satellite facilities. 67614

(3)(a) Any track that desires to establish a satellite 67615  
facility shall provide written notification of its intent to the 67616  
state racing commission and to the appropriate local legislative 67617  
authority that is required to approve the satellite facility, 67618  
together with detailed plans and specifications for the satellite 67619  
facility. The commission shall deliver copies of this notification 67620

to all other tracks in this state, and the commission shall, 67621  
within forty-five days after receiving the notification, hold a 67622  
hearing on the track's intent to establish a satellite facility. 67623  
At this hearing the commission shall consider the evidence 67624  
presented and determine whether the request for establishment of a 67625  
satellite facility shall be approved. 67626

The commission shall not approve a track's request to 67627  
establish a satellite facility if the owner of the premises where 67628  
the satellite facility is proposed to be located or if the 67629  
proposed operator of the satellite facility has been convicted of 67630  
or has pleaded guilty to a gambling offense that is a felony or 67631  
any other felony under the laws of this state, any other state, or 67632  
the United States that the commission determines to be related to 67633  
fitness to be the owner of such a premises or to be the operator 67634  
of a satellite facility. As used in division (A)(3)(a) of this 67635  
section, "gambling offense" has the same meaning as in section 67636  
2915.01 of the Revised Code and "operator" means the individual 67637  
who is responsible for the day-to-day operations of a satellite 67638  
facility. The commission shall conduct a background investigation 67639  
on each person who is the owner of a premises where a satellite 67640  
facility is proposed to be located or who is proposed to be the 67641  
operator or an employee of a satellite facility. The commission 67642  
shall adopt rules in accordance with Chapter 119. of the Revised 67643  
Code that specify the specific information the commission shall 67644  
collect in conducting such a background investigation. 67645

No track shall knowingly contract with a person as the owner 67646  
of the premises where a satellite facility is located, or 67647  
knowingly employ a person as the operator or an employee of a 67648  
satellite facility, who has been convicted of or pleaded guilty to 67649  
a gambling offense that is a felony or any other felony under the 67650  
laws of this state, any other state, or the United States that the 67651  
commission determines to be related to fitness to be the owner of 67652

such a premises or to be the operator or an employee of a 67653  
satellite facility. The commission may impose a fine in an amount 67654  
not to exceed ten thousand dollars on any track that violates any 67655  
of these prohibitions. 67656

(b) Each track that receives the notification described in 67657  
division (A)(3)(a) of this section shall notify the commission and 67658  
the track that desires to establish the satellite facility, within 67659  
thirty days after receiving the notification from the commission, 67660  
indicating whether or not it desires to participate in the joint 67661  
ownership of the facility. Ownership shall be distributed equally 67662  
among the tracks that choose to participate in the joint ownership 67663  
of the facility unless the participating tracks agree to and 67664  
contract otherwise. Tracks that fail to respond to the commission 67665  
and the track that desires to establish the satellite facility 67666  
within this thirty-day period regarding the ownership of the 67667  
particular satellite facility are not eligible to participate in 67668  
its ownership. 67669

(B) If, within three years after September 27, 1994, a track 67670  
in existence on September 27, 1994, does not establish both of the 67671  
satellite facilities it is authorized to establish under division 67672  
(A) of this section, another track, with the approval of the 67673  
racing commission, may establish in accordance with this section a 67674  
number of additional satellite facilities that does not exceed the 67675  
number of satellite facilities that the first track did not 67676  
establish. However, no more than fourteen satellite facilities may 67677  
be established in this state. 67678

(C) Except as otherwise provided in this division, each 67679  
permit holder in this state shall allow the races that it 67680  
conducts, and the races conducted outside this state that it 67681  
receives as a simulcast host, to be simulcast to all satellite 67682  
facilities operating in this state and shall take all action 67683  
necessary to supply its simulcast and wagering information to 67684

these satellite facilities. A permit holder at a track where the average daily amount wagered for all race meetings during calendar year 1990 did not exceed two hundred fifty thousand dollars may elect not to simulcast its races to the satellite facilities. If a permit holder at such a track chooses to simulcast its races to satellite facilities, it shall allow its races to be simulcast to all satellite facilities operating in this state. Except as otherwise provided in this division, each satellite facility shall receive simulcasts of and conduct pari-mutuel wagering on all live racing programs being conducted at any track in this state and on all agreed simulcast racing programs, as provided in division (D) of section 3769.089 of the Revised Code, conducted in other states that are received by simulcast in this state, without regard to the breed of horse competing in the race or the time of day of the race.

No satellite facility may receive simulcasts of horse races during the same hours that a county fair or independent fair located within the same county as the satellite facility is conducting pari-mutuel wagering on horse races at that county or independent fair.

Except as otherwise provided in this division, the commission shall not approve the establishment of a satellite facility within a radius of fifty miles of any track. The commission may approve the establishment of a satellite facility at a location within a radius of at least thirty-five but not more than fifty miles from one or more tracks if all of the holders of permits issued for those tracks consent in writing to the establishment of the satellite facility. The commission may approve the establishment of a satellite facility at a location within a radius of thirty-five miles of more than one race track if all holders of permits issued for those tracks consent in writing to the establishment of the satellite facility and, if the tracks are

located completely within one county and the proposed satellite 67717  
facility will be located within that county, if both the 67718  
legislative authority of the municipal corporation in that county 67719  
with the largest population, and the appropriate legislative 67720  
authority that is required to approve the satellite facility under 67721  
division (A)(1) of this section, approve the establishment of the 67722  
new satellite facility. The commission may approve the 67723  
establishment of a satellite facility at a location within a 67724  
radius of less than twenty miles from an existing satellite 67725  
facility if the owner of the existing satellite facility consents 67726  
in writing to the establishment of the new satellite facility. 67727

A satellite facility shall not receive simulcasts of horse 67728  
races conducted outside this state on any day when no simulcast 67729  
host is operating. 67730

(D) Each simulcast host is responsible for paying all costs 67731  
associated with the up-link for simulcasts. Each satellite 67732  
facility is responsible for paying all costs associated with the 67733  
reception of simulcasts and the operation of the satellite 67734  
facility. 67735

(E) All money wagered at the simulcast host, and all money 67736  
wagered at all satellite facilities on races simulcast from the 67737  
simulcast host, shall be included in a common pari-mutuel pool at 67738  
the simulcast host. Except as otherwise provided in division 67739  
(F)(6) of this section, the payment shall be the same for all 67740  
winning tickets whether a wager is placed at a simulcast host or a 67741  
satellite facility. Wagers placed at a satellite facility shall 67742  
conform in denomination, character, terms, conditions, and in all 67743  
other respects to wagers placed at the simulcast host for the same 67744  
race. 67745

(F)(1) As used in division (F) of this section, "effective 67746  
rate" means the effective gross tax percentage applicable at the 67747  
simulcast host, determined in accordance with sections 3769.08 and 67748

3769.087 of the Revised Code, after combining the money wagered at 67749  
the simulcast host with the money wagered at satellite facilities 67750  
on races simulcast from the host track. 67751

(2) For the purposes of calculating the amount of taxes to be 67752  
paid and the amount of commissions to be retained by permit 67753  
holders, fifty per cent of the amount wagered at satellite 67754  
facilities on a live racing program simulcast from a simulcast 67755  
host shall be allocated to the permit holder's live race wagering 67756  
at that simulcast host that conducts the live racing program, and 67757  
fifty per cent of the amount wagered at satellite facilities on 67758  
simulcast racing programs conducted outside this state shall be 67759  
allocated to, and apportioned equally among, the permit holders 67760  
acting as simulcast hosts for the out-of-state simulcast racing 67761  
programs. The remainder of the amount wagered at a satellite 67762  
facility on races simulcast from a simulcast host shall be 67763  
allocated to the satellite facility. In computing the tax due on 67764  
the amount allocated to the satellite facility, if there is more 67765  
than one simulcast host for out-of-state simulcast racing 67766  
programs, the effective rate applied by the satellite facility 67767  
shall be the tax rate applicable to the simulcast host that pays 67768  
the highest effective rate under section 3769.08 of the Revised 67769  
Code on such simulcast racing programs. 67770

(3) The portion of the amount wagered that is allocated to a 67771  
simulcast host under division (F)(2) of this section shall be 67772  
treated, for the purposes of calculating the amount of taxes to be 67773  
paid and commissions to be retained, as having been wagered at the 67774  
simulcast host on a live racing program or on a simulcast racing 67775  
program. The permit holder at the simulcast host shall pay, by 67776  
check, draft, or money order to the state tax commissioner, as a 67777  
tax, the tax specified in sections 3769.08 and 3769.087 of the 67778  
Revised Code, as applicable, except that the tax shall be 67779  
calculated using the effective rate, and the permit holder may 67780

retain as a commission the percentage of the amount wagered as 67781  
specified in those sections. From the tax collected, the tax 67782  
commissioner shall make distributions to the respective funds, and 67783  
in the proper amounts, as required by sections 3769.08 and 67784  
3769.087 of the Revised Code, as applicable. 67785

(4) From the portion of the amount wagered that is allocated 67786  
to a satellite facility under division (F)(2) of this section, the 67787  
satellite facility may retain as a commission the amount specified 67788  
in section 3769.08 or 3769.087 of the Revised Code, as applicable. 67789  
The portion of the amount wagered that is allocated to a satellite 67790  
facility shall be subject to tax at the effective rate as follows: 67791

(a) One per cent of such amount allocated to the satellite 67792  
facility shall be paid as a tax each racing day to the tax 67793  
commissioner for deposit into the ~~PASSPORT~~ nursing home franchise  
permit fee fund. 67794  
67795

(b) The remaining balance of the taxes calculated at the 67796  
effective rate, after payment of the tax specified in division 67797  
(F)(4)(a) of this section, shall be retained by the satellite 67798  
facility to pay for those costs associated with the reception of 67799  
the simulcasts. 67800

(5) From the commission retained by a satellite facility 67801  
after the deduction of the tax paid at the effective rate under 67802  
division (F)(4) of this section, the satellite facility shall 67803  
retain an amount equal to two and three-eighths per cent of the 67804  
amount wagered that day on simulcast racing programs and the 67805  
balance shall be divided as follows: 67806

(a) One-half shall be paid to the owner of the satellite 67807  
facility; 67808

(b) One-half shall be paid to the state racing commission for 67809  
deposit into the Ohio combined simulcast horse racing purse fund. 67810

(6) In addition to the commission retained under this 67811

section, a satellite facility shall retain two and one-half per 67812  
cent of the amount that would otherwise be paid on each winning 67813  
wager unless the retention of this amount would either cause or 67814  
add to a minus pool. As used in division (F)(6) of this section, 67815  
"minus pool" means a wagering pool in which a winning wager is 67816  
paid off at less than one hundred ten per cent of the amount of 67817  
the wager. The amount retained shall be paid each racing day to 67818  
the tax commissioner for deposit into the ~~PASSPORT~~ nursing home  
franchise permit fee fund. 67819  
67820

(7) At the close of each day, each satellite facility shall 67821  
pay, by check, draft, or money order, or by wire transfer of 67822  
funds, out of the money retained on that day to the collection and 67823  
settlement agent the required fee to be paid by the simulcast host 67824  
to the tracks, racing associations, or state regulatory agencies 67825  
located outside this state for simulcasts into this state computed 67826  
and based on one-half of the amount wagered at the satellite 67827  
facility that day on interstate simulcast racing programs. 67828

(G) No license, fee, or excise tax, other than as specified 67829  
in division (F)(6) of this section, shall be assessed upon or 67830  
collected from a satellite facility, the owners of a satellite 67831  
facility, or the holders of permits issued for a track that has 67832  
established a satellite facility by any county, township, 67833  
municipal corporation, district, or other body having the 67834  
authority to assess or collect a tax or fee. 67835

(H) In no case shall that portion of the commissions 67836  
designated for purses from satellite facilities be less than that 67837  
portion of those commissions designated for purses at the 67838  
simulcast host. 67839

(I) It is the intention of the general assembly in enacting 67840  
this section not to adversely affect the amounts paid into the 67841  
Ohio thoroughbred race fund created under section 3769.083 of the 67842  
Revised Code. Therefore, each track that acts as a simulcast host 67843

under this section shall calculate, on a semi-annual basis during 67844  
calendar years 1994, 1995, and 1996, its average daily 67845  
contribution to the Ohio thoroughbred race fund created under 67846  
section 3769.083 of the Revised Code on those days on which the 67847  
track conducted live horse racing. If this average daily 67848  
contribution to the fund is less than the average daily 67849  
contribution from the same track to the fund during the same 67850  
six-month period of calendar year 1992, there shall be contributed 67851  
to the fund an amount equal to the average daily shortfall 67852  
multiplied by the number of days of live racing conducted during 67853  
the six-month period in calendar year 1994, 1995, or 1996, as 67854  
applicable. The amount of such contribution shall be allocated 67855  
among the simulcast host, the purse program at the simulcast host, 67856  
and the satellite facilities for which the track served as the 67857  
simulcast host, on a pro rata basis in proportion to the amounts 67858  
contributed by them to the fund during such six-month period in 67859  
calendar year 1994, 1995, or 1996, as applicable. 67860

**Sec. 3770.03.** (A) The state lottery commission shall 67861  
promulgate rules under which a statewide lottery may be conducted, 67862  
which includes, and since the original enactment of this section 67863  
has included, the authority for the commission to operate video 67864  
lottery terminal games. Any reference in this chapter to tickets 67865  
shall not be construed to in any way limit the authority of the 67866  
commission to operate video lottery terminal games. Nothing in 67867  
this chapter shall restrict the authority of the commission to 67868  
promulgate rules related to the operation of games utilizing video 67869  
lottery terminals as described in section 3770.21 of the Revised 67870  
Code. The rules shall be promulgated pursuant to Chapter 119. of 67871  
the Revised Code, except that instant game rules shall be 67872  
promulgated pursuant to section 111.15 of the Revised Code but are 67873  
not subject to division (D) of that section. Subjects covered in 67874  
these rules shall include, but need not be limited to, the 67875

following: 67876

(1) The type of lottery to be conducted; 67877

party may appeal the decision to the court of common pleas of the 69986  
county where the violation is alleged to have occurred. 69987

(B) ~~If the director has not ruled on the merits of the~~ 69988  
~~complaint within sixty days after its filing, the interested party~~ 69989  
~~may file a complaint in the court of common pleas of the county in~~ 69990  
~~which the violation is alleged to have occurred. The complaint may~~ 69991

occurred, the court may award court costs and attorney fees to the 70022  
prevailing party, other than to the director or the public 70023  
authority, where the court finds the action brought was 70024

municipal corporation. An application relating to an area located 71091  
in the unincorporated area of a township shall be addressed and 71092  
submitted to the board of township trustees of the township in 71093  
whose unincorporated area the area described in the application is 71094  
located. The application is a public record for purposes of 71095  
section 149.43 of the Revised Code upon its receipt by the mayor 71096  
or board of township trustees. 71097

Within thirty days after it receives the application and the 71098  
mayor's recommendations relating to the application, the 71099  
legislative authority of the municipal corporation, by notice 71100  
published once a week for two consecutive weeks in ~~at least~~ one 71101  
newspaper of general circulation in the municipal corporation or 71102  
as provided in section 7.16 of the Revised Code, shall notify the 71103  
public that the application is on file in the office of the clerk 71104  
of the municipal corporation and is available for inspection by 71105  
the public during regular business hours. Within thirty days after 71106  
it receives the application, the board of township trustees, by 71107

notice published once a week for two consecutive weeks in ~~at least~~ 71108  
one newspaper of general circulation in the township or as 71109  
provided in section 7.16 of the Revised Code, shall notify the 71110  
public that the application is on file in the office of the 71111  
township fiscal officer and is available for inspection by the 71112  
public during regular business hours. The notice shall also 71113  
indicate the date and time of any public hearing by the municipal 71114  
legislative authority or board of township trustees on the 71115  
application. 71116

Within seventy-five days after the date the application is 71117  
filed with the mayor of a municipal corporation, the legislative 71118  
authority of the municipal corporation by ordinance or resolution 71119  
shall approve or disapprove the application based on whether the 71120  
proposed revitalization district does or will substantially 71121  
contribute to entertainment, retail, educational, sporting, 71122  
social, cultural, or arts opportunities for the community. The 71123  
community considered shall at a minimum include the municipal 71124  
corporation in which the community is located. Any approval of an 71125  
application shall be by an affirmative majority vote of the 71126  
legislative authority. Not more than one revitalization district 71127

Within seventy-five days after the date the application is 71129  
filed with a board of township trustees, the board by resolution 71130  
shall approve or disapprove the application based on whether the 71131  
proposed revitalization district does or will substantially 71132  
contribute to entertainment, retail, educational, sporting, 71133  
social, cultural, or arts opportunities for the community. The 71134  
community considered shall at a minimum include the township in 71135  
which the community is located. Any approval of an application 71136  
shall be by an affirmative majority vote of the board of township 71137  
trustees. Not more than one revitalization district shall be 71138  
designated within the unincorporated area of the township. 71139

If the municipal legislative authority or board of township trustees disapproves the application, the applicant may make changes in the application to secure its approval by the legislative authority or board of township trustees. Any area approved by the legislative authority or board of township trustees constitutes a revitalization district, and a local option election may be conducted in the district, as a type of community facility, under section 4301.356 of the Revised Code.

(D) All or part of an area designated as a revitalization district may lose this designation as provided in this division. In addition, an A-1 permit holder may sell beer and beer products at retail, by individual drink in a glass or from a container, for consumption on the premises where sold. The fee for this permit is

three thousand nine hundred six dollars for each plant during the 71172  
year covered by the permit. 71173

Sec. 4303.209. (A)(1) The division of liquor control may 71174  
issue an F-9 permit to a nonprofit corporation that operates a 71175  
park on property leased from a municipal corporation or a 71176  
nonprofit corporation that provides or manages entertainment 71177  
programming pursuant to an agreement with a nonprofit corporation 71178  
that operates a park on property leased from a municipal 71179  
corporation to sell beer or intoxicating liquor by the individual 71180  
drink at specific events conducted within the park property and 71181  
appurtenant streets, but only if, and only at times at which, the 71182  
sale of beer and intoxicating liquor on the premises is otherwise 71183  
permitted by law. Additionally, an F-9 permit may be issued only 71184  
if the park property is located in a county that has a population 71185  
of between one million one hundred thousand and one million two 71186  
hundred thousand on the effective date of this section. 71187

(2) The division may issue separate F-9 permits to a 71188  
nonprofit corporation that operates a park on property leased from 71189  
a municipal corporation and a nonprofit corporation that provides 71190  
or manages entertainment programming pursuant to an agreement with 71191  
a nonprofit corporation that operates a park on property leased 71192  
from a municipal corporation to be effective during the same time 71193  
period. However, the permit privileges may be exercised by only 71194  
one of the holders of an F-9 permit at specific events. The other 71195  
holder of an F-9 permit shall certify to the division that it will 71196  
not exercise its permit privileges during that specific event. 71197

(3) The premises on which an F-9 permit will be used shall be 71198  
clearly defined and sufficiently restricted to allow proper 71199  
supervision of the permit's use by state and local law enforcement 71200  
officers. Sales under an F-9 permit shall be confined to the same 71201  
hours permitted to the holder of a D-3 permit. 71202

(4) The fee for an F-9 permit is one thousand seven hundred 71203  
dollars. An F-9 permit is effective for a period not to exceed 71204  
nine months as specified in the permit. An F-9 permit is not 71205  
transferable or renewable. However, the holder of an F-9 permit 71206  
may apply for a new F-9 permit at any time. The holder of an F-9 71207  
permit shall make sales only at those specific events about which 71208  
the permit holder has notified in advance the division of liquor 71209  
control, the department of public safety, and the chief, sheriff, 71210  
or other principal peace officer of the local law enforcement 71211  
agencies having jurisdiction over the premises. 71212

(2) The liquor control commission shall adopt rules under 71216  
Chapter 119. of the Revised Code necessary to administer this 71217  
section. 71218

(C) No F-9 permit holder shall sell beer or intoxicating 71219  
liquor beyond the hours of sale allowed by the permit. This 71220  
division imposes strict liability on the holder of an F-9 permit 71221  
and on any officer, agent, or employee of that permit holder. 71222

section 187.01 of the Revised Code and includes any subsidiary of 71240  
that corporation unless otherwise specified or clearly implied 71241  
from the context, together with any successor or assignee of that 71242  
corporation or any such subsidiary if and to the extent permitted 71243  
by the transfer agreement or Chapter 187. of the Revised Code. 71244

(C) "Spirituous liquor profits" means all receipts 71245  
representing the gross profit on the sale of spirituous liquor, as 71246  
referred to in division (B)(4) of section 4301.10 of the Revised 71247  
Code, less the costs, expenses, and working capital provided for 71248  
therein, but excluding the sum required by the second paragraph of 71249  
section 4301.12 of the Revised Code, as in effect on May 2, 1980, 71250  
to be paid into the state treasury, provided that from and after 71251  
the initial transfer of the enterprise acquisition project to 71252  
JobsOhio and until the transfer back to the state under division 71253  
(D) of section 4313.02 of the Revised Code, the reference in 71254  
division (B)(4) of section 4301.10 of the Revised Code to all 71255  
costs and expenses of the division and also an adequate working 71256  
capital reserve for the division shall be to all costs and 71257  
expenses of JobsOhio and providing an adequate working capital 71258

Sec. 4313.02. (A) The state may transfer to JobsOhio, and 71266  
JobsOhio may accept the transfer of, all or a portion of the 71267  
enterprise acquisition project for a transfer price payable by 71268  
JobsOhio to the state. Any such transfer shall be treated as an 71269  
absolute conveyance and true sale of the interest in the 71270  
enterprise acquisition project purported to be conveyed for all 71271  
purposes, and not as a pledge or other security interest. The 71272  
characterization of any such transfer as a true sale and absolute 71273  
conveyance shall not be negated or adversely affected by the 71274  
acquisition or retention by the state of a residual interest in 71275  
the enterprise acquisition project, the participation of any state 71276  
officer or employee as a member or officer of, or provision of 71277  
staff support to, JobsOhio, any responsibility an officer or 71278

by JobsOhio from the enterprise acquisition project, or the 71280  
retention of the state of any legal title to or interest in any 71281  
portion of the enterprise acquisition project for the purpose of 71282  
these collection activities, or any characterization of JobsOhio 71283  
or obligations of JobsOhio under accounting, taxation, or 71284  
securities regulations, or any other reason whatsoever. An 71285  
absolute conveyance and true sale or lease shall exist under this 71286  
section regardless of whether JobsOhio has any recourse against 71287  
the state or the treatment or characterization of the transfer as 71288  
a financing for any purpose. Upon and following the transfer, the 71289  
state shall not have any right, title, or interest in the 71290  
enterprise acquisition project so transferred other than any 71291  
residual interest that may be described in the transfer agreement 71292  
pursuant to the following paragraph and division (D) of this 71293  
section. Any determination of the fair market value of the 71294  
enterprise acquisition project reflected in the transfer agreement 71295  
shall be conclusive and binding on the state and JobsOhio. 71296

Any transfer of the enterprise acquisition project that is a 71297

lease or grant of a franchise shall be for a term not to exceed 71298  
twenty-five years. Any transfer of the enterprise acquisition 71299  
project that is an assignment and sale, conveyance, or other 71300  
transfer shall contain a provision that the state shall have the 71301  
option to have conveyed or transferred back to it, at no cost, the 71302  
enterprise acquisition project, as it then exists, no later than 71303  
twenty-five years after the original transfer authorized in the 71304  
transfer agreement on such other terms as shall be provided in the 71305  
transfer agreement. 71306

The exercise of the powers granted by this section will be 71307  
for the benefit of the people of the state. As the services 71308  
performed by JobsOhio will constitute the performance of essential 71309  
government functions, all or any portion of the enterprise 71310  
acquisition project transferred pursuant to the transfer agreement 71311  
that would be exempt from real property taxes or assessments or 71312  
real property taxes or assessments in the absence of such transfer 71313  
shall, as it may from time to time exist thereafter, remain exempt 71314  
from real property taxes or assessments levied by the state and 71315  
its subdivisions to the same extent as if not transferred. The 71316  
gross receipts and income of JobsOhio derived from the enterprise 71317  
acquisition project shall be exempt from taxation levied by the 71318  
state and its subdivisions, including, but not limited to, the 71319  
taxes levied pursuant to Chapters 718., 5739., 5741., 5747., and 71320  
5751. of the Revised Code. Any transfer from the state to JobsOhio 71321  
of the enterprise acquisition project, or item included or to be 71322  
included in the project, shall be exempt from the taxes levied 71323  
pursuant to Chapters 5739. and 5741. of the Revised Code. 71324

(B) The proceeds of any transfer under division (A) of this 71325  
section may be expended as provided in the transfer agreement for 71326  
any one or more of the following purposes: 71327

(1) Funding, payment, or defeasance of outstanding bonds 71328  
issued pursuant to Chapters 151. and 166. of the Revised Code and 71329

secured by pledged liquor profits as defined in section 151.40 of 71330  
the Revised Code; 71331

(2) Deposit into the general revenue fund; 71332

(3) Deposit into the clean Ohio revitalization fund created 71333  
pursuant to section 122.658 of the Revised Code, the innovation 71334  
Ohio loan fund created pursuant to section 166.16 of the Revised 71335  
Code, the research and development loan fund created pursuant to 71336  
section 166.20 of the Revised Code, the logistics and distribution 71337  
infrastructure fund created pursuant to section 166.26 of the 71338  
Revised Code, the advanced energy research and development fund 71339  
created pursuant to section 3706.27 of the Revised Code, and the 71340  
advanced energy research and development taxable fund created 71341  
pursuant to section 3706.27 of the Revised Code; 71342

(4) Conveyance to JobsOhio for the purposes for which it was 71343  
created. 71344

(C)(1) The state may covenant, pledge, and agree in the 71345  
transfer agreement, with and for the benefit of JobsOhio, that it 71346  
shall maintain statutory authority for the enterprise acquisition 71347  
project and the revenues of the enterprise acquisition project and 71348  
not otherwise materially impair any obligations supported by a 71349  
pledge of revenues of the enterprise acquisition project. The 71350  
transfer agreement may provide or authorize the manner for 71351  
determining material impairment of the security for any such 71352  
outstanding obligations, including by assessing and evaluating the 71353  
revenues of the enterprise acquisition project. 71354

(2) The governor, director of development, director of 71355  
commerce, and director of budget and management may, without need 71356  
for any other approval take any action and execute any documents, 71357  
including any transfer agreements, necessary to effect the 71358  
transfer and the acceptance of the transfer of the enterprise 71359  
acquisition project. The director of budget and management, 71360

director of commerce, and director of development may also, 71361  
without need for any other approval, retain or contract for the 71362  
services of commercial appraisers, underwriters, investment 71363  
bankers, and financial advisers, as are necessary in their 71364  
judgment to effect the transfer agreement. Any transfer agreement 71365  
may contain terms and conditions established by the state to carry 71366  
out and effectuate the purposes of this section, including, 71367  
without limitation, covenants binding the state in favor of 71368  
JobsOhio. Any such transfer agreement shall be sufficient to 71369  
effectuate the transfer without regard to any other laws governing 71370  
other property sales or financial transactions by the state. The 71371  
director of budget and management may create any funds or 71372  
accounts, within or without the state treasury, as are needed for 71373  
the transactions and activities authorized by this section. 71374

(3) The transfer agreement may authorize JobsOhio to sell, 71375  
lease, release, or otherwise dispose of real and personal property 71376  
or interests therein, or a combination thereof, acquired by 71377  
JobsOhio under this section and no longer needed for the purposes 71378  
of this chapter, the enterprise acquisition project, or JobsOhio, 71379  
and to grant such easements and other interests and rights in, 71380  
over, under, or across all or a portion of the enterprise 71381  
acquisition project as will not interfere with its use of such 71382  
property. Such sale, lease, release, disposition, or grant may be 71383  
made without competitive bidding and in such manner and for such 71384  
consideration as JobsOhio in its judgment deems appropriate. 71385  
Subject to the provisions of the first sentence of this paragraph, 71386  
ownership of the interest in the enterprise acquisition project 71387  
that is transferred to JobsOhio under this section and the 71388  
transfer agreement shall be maintained in JobsOhio or a nonprofit 71389  
entity the sole member of which is JobsOhio until the enterprise 71390  
acquisition project is transferred back to the state pursuant to 71391  
the second paragraph of division (A) and division (D) of this 71392  
section. 71393

(D) The transfer agreement may authorize JobsOhio to fix, 71394  
alter, and collect rentals and other charges for the use and 71395  
occupancy of all or any portion of the enterprise acquisition 71396  
project and to lease any portion of the enterprise acquisition 71397  
project to others, and shall include a contract with, or the 71398  
granting of an option to, the state to have the enterprise 71399  
acquisition project, as it then exists, transferred back to it 71400  
without charge in accordance with the terms of the transfer 71401  
agreement after retirement or redemption, or provision therefor, 71402  
of all obligations supported by a pledge of spirituous liquor 71403  
profits. 71404

(E) JobsOhio, the director of budget and management, the 71405  
director of commerce, and the director of development may also, 71406  
without need for any other approval, enter into a contract, which 71407  
may be part of the transfer agreement, for the continuing 71408  
operation by the division of liquor control of spirituous liquor 71409  
distribution and merchandising subject to standards for 71410  
performance provided in that contract that may relate to or 71411  
support division (C)(1) of this section. The contract may 71412  
establish other terms and conditions for the assignment of duties 71413  
to, and the provision of advice, services, and other assistance 71414  
by, the division of liquor control, including providing for the 71415  
necessary staffing and payment by JobsOhio of appropriate 71416  
compensation to the division for the performance of such duties 71417  
and the provision of such advice, services, and other assistance. 71418  
The provisions of, and activities under, any such contract are 71419  
subject to the requirements of, and limitations established under, 71420  
divisions (A)(1), (3), and (5) and (B)(4) of section 4301.10 and 71421  
section 4301.17 of the Revised Code. 71422

(F) The transfer agreement shall require JobsOhio to pay for 71423  
the operations of the division of liquor control with regard to 71424  
the spirituous liquor merchandising operations of the division. 71425

The payments from JobsOhio shall be deposited into the state treasury to the credit of the liquor control fund created in section 4301.12 of the Revised Code.

tax rate of the taxing district in which the home has its situs, 71497  
and deducting from the product thus obtained any reduction 71498  
authorized under section 4503.065 of the Revised Code. The tax 71499  
levied under this formula shall not be less than thirty-six 71500

year. 71526

(ii) If the cost to the owner, or market value at the time of 71527  
purchase, whichever is greater, of the home does not include the 71528

(2) On a home in which ownership was transferred or that 71547  
first acquired situs in this state on or after January 1, 2000: 71548

(a) By multiplying the assessable value of the home by the 71549  
effective tax rate, as defined in section 323.08 of the Revised 71550  
Code, for residential real property of the taxing district in 71551  
which the home has its situs, and deducting from the product thus 71552  
obtained the reductions required or authorized under section 71553  
319.302, division (B) of section 323.152, or section 4503.065 of 71554  
the Revised Code. 71555

(b) The assessable value of the home shall be thirty-five per 71556  
cent of its true value as determined under division (L) of this 71557  
section. 71558

(3) On or before the fifteenth day of January each year, the 71559  
county auditor shall record the assessable value and the amount of 71560  
tax on the manufactured or mobile home on the tax list and deliver 71561  
a duplicate of the list to the county treasurer. In the case of an 71562  
emergency as defined in section 323.17 of the Revised Code, the 71563  
tax commissioner, by journal entry, may extend the times for 71564  
delivery of the duplicate for an additional fifteen days upon 71565  
receiving a written application from the county auditor regarding 71566  
an extension for the delivery of the duplicate, or from the county 71567  
treasurer regarding an extension of the time for the billing and 71568  
collection of taxes. The application shall contain a statement 71569  
describing the emergency that will cause the unavoidable delay and 71570  
must be received by the tax commissioner on or before the last day 71571  
of the month preceding the day delivery of the duplicate is 71572  
otherwise required. When an extension is granted for delivery of 71573  
the duplicate, the time period for payment of taxes shall be 71574  
extended for a like period of time. When a delay in the closing of 71575  
a tax collection period becomes unavoidable, the tax commissioner, 71576  
upon application by the county auditor and county treasurer, may 71577  
order the time for payment of taxes to be extended if the tax 71578  
commissioner determines that penalties have accrued or would 71579  
otherwise accrue for reasons beyond the control of the taxpayers 71580

of the county. The order shall prescribe the final extended date 71581  
for payment of taxes for that collection period. 71582

(4) After January 1, 1999, the owner of a manufactured or 71583  
mobile home taxed pursuant to division (D)(1) of this section may 71584  
elect to have the home taxed pursuant to division (D)(2) of this 71585  
section by filing a written request with the county auditor of the 71586  
taxing district in which the home is located on or before the 71587  
first day of December of any year. Upon the filing of the request, 71588  
the county auditor shall determine whether all taxes levied under 71589  
division (D)(1) of this section have been paid, and if those taxes 71590  
have been paid, the county auditor shall tax the manufactured or 71591  
mobile home pursuant to division (D)(2) of this section commencing 71592  
in the next tax year. 71593

(5) A manufactured or mobile home that acquired situs in this 71594  
state prior to January 1, 2000, shall be taxed pursuant to 71595  
division (D)(2) of this section if no manufactured home tax had 71596  
been paid for the home and the home was not exempted from taxation 71597  
pursuant to division (E) of this section for the year for which 71598  
the taxes were not paid. 71599

(6)(a) Immediately upon receipt of any manufactured home tax 71600  
duplicate from the county auditor, but not less than twenty days 71601  
prior to the last date on which the first one-half taxes may be 71602  
paid without penalty as prescribed in division (F) of this 71603  
section, the county treasurer shall cause to be prepared and 71604  
mailed or delivered to each person charged on that duplicate with 71605  
taxes, or to an agent designated by such person, the tax bill 71606  
prescribed by the tax commissioner under division (D)(7) of this 71607  
section. When taxes are paid by installments, the county treasurer 71608  
shall mail or deliver to each person charged on such duplicate or 71609  
the agent designated by that person a second tax bill showing the 71610  
amount due at the time of the second tax collection. The second 71611  
half tax bill shall be mailed or delivered at least twenty days 71612

prior to the close of the second half tax collection period. A 71613  
change in the mailing address of any tax bill shall be made in 71614  
writing to the county treasurer. Failure to receive a bill 71615  
required by this section does not excuse failure or delay to pay 71616  
any taxes shown on the bill or, except as provided in division 71617  
(B)(1) of section 5715.39 of the Revised Code, avoid any penalty, 71618  
interest, or charge for such delay. 71619

(b) After delivery of the copy of the delinquent manufactured 71620  
home tax list under division (H) of this section, the county 71621  
treasurer may prepare and mail to each person in whose name a home 71622  
is listed an additional tax bill showing the total amount of 71623  
delinquent taxes charged against the home as shown on the list. 71624  
The tax bill shall include a notice that the interest charge 71625  
prescribed by division (G) of this section has begun to accrue. 71626

(7) Each tax bill prepared and mailed or delivered under 71627  
division (D)(6) of this section shall be in the form and contain 71628  
the information required by the tax commissioner. The commissioner 71629  
may prescribe different forms for each county and may authorize 71630  
the county auditor to make up tax bills and tax receipts to be 71631  
used by the county treasurer. The tax bill shall not contain or be 71632  
mailed or delivered with any information or material that is not 71633  
required by this section or that is not authorized by section 71634  
321.45 of the Revised Code or by the tax commissioner. In addition 71635  
to the information required by the commissioner, each tax bill 71636  
shall contain the following information: 71637

(a) The taxes levied and the taxes charged and payable 71638  
against the manufactured or mobile home; 71639

(b) The following notice: "Notice: If the taxes are not paid 71640  
within sixty days after the county auditor delivers the delinquent 71641  
manufactured home tax list to the county treasurer, you and your 71642  
home may be subject to collection proceedings for tax 71643  
delinquency." Failure to provide such notice has no effect upon 71644

the validity of any tax judgment to which a home may be subjected. 71645

(c) In the case of manufactured or mobile homes taxed under 71646  
division (D)(2) of this section, the following additional 71647  
information: 71648

(i) The effective tax rate. The words "effective tax rate" 71649  
shall appear in boldface type. 71650

(ii) The following notice: "Notice: If the taxes charged 71651  
against this home have been reduced by the 2-1/2 per cent tax 71652  
reduction for residences occupied by the owner but the home is not 71653  
a residence occupied by the owner, the owner must notify the 71654  
county auditor's office not later than March 31 of the year for 71655  
which the taxes are due. Failure to do so may result in the owner 71656  
being convicted of a fourth degree misdemeanor, which is 71657  
punishable by imprisonment up to 30 days, a fine up to \$250, or 71658  
both, and in the owner having to repay the amount by which the 71659  
taxes were erroneously or illegally reduced, plus any interest 71660  
that may apply. 71661

If the taxes charged against this home have not been reduced 71662  
by the 2-1/2 per cent tax reduction and the home is a residence 71663  
occupied by the owner, the home may qualify for the tax reduction. 71664  
To obtain an application for the tax reduction or further 71665  
information, the owner may contact the county auditor's office at 71666  
..... (insert the address and telephone number of the county 71667  
auditor's office)." 71668

(E)(1) A manufactured or mobile home is not subject to this 71669  
section when any of the following applies: 71670

(a) It is taxable as personal property pursuant to section 71671  
5709.01 of the Revised Code. Any manufactured or mobile home that 71672  
is used as a residence shall be subject to this section and shall 71673  
not be taxable as personal property pursuant to section 5709.01 of 71674  
the Revised Code. 71675

(b) It bears a license plate issued by any state other than 71676  
this state unless the home is in this state in excess of an 71677  
accumulative period of thirty days in any calendar year. 71678

(c) The annual tax has been paid on the home in this state 71679  
for the current year. 71680

(d) The tax commissioner has determined, pursuant to section 71681  
5715.27 of the Revised Code, that the property is exempt from 71682  
taxation, or would be exempt from taxation under Chapter 5709. of 71683  
the Revised Code if it were classified as real property. 71684

(2) A travel trailer or park trailer, as these terms are 71685  
defined in section 4501.01 of the Revised Code, is not subject to 71686  
this section if it is unused or unoccupied and stored at the 71687  
owner's normal place of residence or at a recognized storage 71688  
facility. 71689

(3) A travel trailer or park trailer, as these terms are 71690  
defined in section 4501.01 of the Revised Code, is subject to this 71691  
section and shall be taxed as a manufactured or mobile home if it 71692  
has a situs longer than thirty days in one location and is 71693  
connected to existing utilities, unless either of the following 71694  
applies: 71695

(a) The situs is in a state facility or a camping or park 71696  
area as defined in division (C), (Q), (S), or (V) of section 71697  
3729.01 of the Revised Code. 71698

(b) The situs is in a camping or park area that is a tract of 71699  
land that has been limited to recreational use by deed or zoning 71700  
restrictions and subdivided for sale of five or more individual 71701  
lots for the express or implied purpose of occupancy by either 71702  
self-contained recreational vehicles as defined in division (T) of 71703  
section 3729.01 of the Revised Code or by dependent recreational 71704  
vehicles as defined in division (D) of section 3729.01 of the 71705  
Revised Code. 71706

(F) Except as provided in division (D)(3) of this section, 71707  
the manufactured home tax is due and payable as follows: 71708

(1) When a manufactured or mobile home has a situs in this 71709  
state, as provided in this section, on the first day of January, 71710  
one-half of the amount of the tax is due and payable on or before 71711  
the first day of March and the balance is due and payable on or 71712  
before the thirty-first day of July. At the option of the owner of 71713  
the home, the tax for the entire year may be paid in full on the 71714  
first day of March. 71715

(2) When a manufactured or mobile home first acquires a situs 71716  
in this state after the first day of January, no tax is due and 71717  
payable for that year. 71718

(G)(1)(a) Except as otherwise provided in division (G)(1)(b) 71719  
of this section, if one-half of the current taxes charged under 71720  
this section against a manufactured or mobile home, together with 71721  
the full amount of any delinquent taxes, are not paid on or before 71722  
the first day of March in that year, or on or before the last day 71723  
for such payment as extended pursuant to section 4503.063 of the 71724  
Revised Code, a penalty of ten per cent shall be charged against 71725  
the unpaid balance of such half of the current taxes. If the total 71726  
amount of all such taxes is not paid on or before the thirty-first 71727  
day of July, next thereafter, or on or before the last day for 71728  
payment as extended pursuant to section 4503.063 of the Revised 71729  
Code, a like penalty shall be charged on the balance of the total 71730  
amount of the unpaid current taxes. 71731

(b) After a valid delinquent tax contract that includes 71732  
unpaid current taxes from a first-half collection period described 71733  
in division (F) of this section has been entered into under 71734  
section 323.31 of the Revised Code, no ten per cent penalty shall 71735  
be charged against such taxes after the second-half collection 71736  
period while the delinquent tax contract remains in effect. On the 71737  
day a delinquent tax contract becomes void, the ten per cent 71738

penalty shall be charged against such taxes and shall equal the amount of penalty that would have been charged against unpaid current taxes outstanding on the date on which the second-half penalty would have been charged thereon under division (G)(1)(a) of this section if the contract had not been in effect.

(2)(a) On the first day of the month following the last day the second installment of taxes may be paid without penalty beginning in 2000, interest shall be charged against and computed on all delinquent taxes other than the current taxes that became delinquent taxes at the close of the last day such second installment could be paid without penalty. The charge shall be for interest that accrued during the period that began on the preceding first day of December and ended on the last day of the month that included the last date such second installment could be paid without penalty. The interest shall be computed at the rate per annum prescribed by section 5703.47 of the Revised Code and shall be entered as a separate item on the delinquent manufactured home tax list compiled under division (H) of this section.

(b) On the first day of December beginning in 2000, the interest shall be charged against and computed on all delinquent taxes. The charge shall be for interest that accrued during the period that began on the first day of the month following the last date prescribed for the payment of the second installment of taxes in the current year and ended on the immediately preceding last day of November. The interest shall be computed at the rate per annum prescribed by section 5703.47 of the Revised Code and shall be entered as a separate item on the delinquent manufactured home tax list.

(c) After a valid undertaking has been entered into for the payment of any delinquent taxes, no interest shall be charged against such delinquent taxes while the undertaking remains in effect in compliance with section 323.31 of the Revised Code. If a

valid undertaking becomes void, interest shall be charged against 71771  
the delinquent taxes for the periods that interest was not 71772  
permitted to be charged while the undertaking was in effect. The 71773  
interest shall be charged on the day the undertaking becomes void 71774  
and shall equal the amount of interest that would have been 71775  
charged against the unpaid delinquent taxes outstanding on the 71776  
dates on which interest would have been charged thereon under 71777  
divisions (G)(1) and (2) of this section had the undertaking not 71778  
been in effect. 71779

(3) If the full amount of the taxes due at either of the 71780  
times prescribed by division (F) of this section is paid within 71781  
ten days after such time, the county treasurer shall waive the 71782  
collection of and the county auditor shall remit one-half of the 71783  
penalty provided for in this division for failure to make that 71784  
payment by the prescribed time. 71785

(4) The treasurer shall compile and deliver to the county 71786  
auditor a list of all tax payments the treasurer has received as 71787  
provided in division (G)(3) of this section. The list shall 71788  
include any information required by the auditor for the remission 71789  
of the penalties waived by the treasurer. The taxes so collected 71790  
shall be included in the settlement next succeeding the settlement 71791  
then in process. 71792

(H)(1) ~~Beginning in 2000, the~~ The county auditor shall 71793  
compile annually a "delinquent manufactured home tax list" 71794  
consisting of homes the county treasurer's records indicate have 71795  
taxes that were not paid within the time prescribed by divisions 71796  
(D)(3) and (F) of this section, have taxes that remain unpaid from 71797  
prior years, or have unpaid tax penalties or interest that have 71798  
been assessed. 71799

(2) Within thirty days after the settlement under division 71800  
(H)(2) of section 321.24 of the Revised Code ~~beginning in 2000,~~ 71801  
the county auditor shall deliver a copy of the delinquent 71802

manufactured home tax list to the county treasurer. The auditor 71803  
shall update and publish the delinquent manufactured home tax list 71804  
annually in the same manner as delinquent real property tax lists 71805  
are published. The county auditor ~~shall~~ may apportion the cost of 71806  
publishing the list among taxing districts in proportion to the 71807  
amount of delinquent manufactured home taxes so published that 71808  
each taxing district is entitled to receive upon collection of 71809  
those taxes, or the county auditor may charge the owner of a home 71810  
on the list a flat fee established under section 319.54 of the 71811  
Revised Code for the cost of publishing the list and, if the fee 71812  
is not paid, may place the fee upon the delinquent manufactured 71813  
home tax list as a lien on the listed home, to be collected as 71814  
other manufactured home taxes. 71815

(3) When taxes, penalties, or interest are charged against a 71816  
person on the delinquent manufactured home tax list and are not 71817  
paid within sixty days after the list is delivered to the county 71818  
treasurer, the county treasurer shall, in addition to any other 71819  
remedy provided by law for the collection of taxes, penalties, and 71820  
interest, enforce collection of such taxes, penalties, and 71821  
interest by civil action in the name of the treasurer against the 71822  
owner for the recovery of the unpaid taxes following the 71823  
procedures for the recovery of delinquent real property taxes in 71824  
sections 323.25 to 323.28 of the Revised Code. The action may be 71825  
brought in municipal or county court, provided the amount charged 71826  
does not exceed the monetary limitations for original jurisdiction 71827  
for civil actions in those courts. 71828

It is sufficient, having made proper parties to the suit, for 71829  
the county treasurer to allege in the treasurer's bill of 71830  
particulars or petition that the taxes stand chargeable on the 71831  
books of the county treasurer against such person, that they are 71832  
due and unpaid, and that such person is indebted in the amount of 71833  
taxes appearing to be due the county. The treasurer need not set 71834

forth any other matter relating thereto. If it is found on the 71835  
trial of the action that the person is indebted to the state, 71836  
judgment shall be rendered in favor of the county treasurer 71837  
prosecuting the action. The judgment debtor is not entitled to the 71838  
benefit of any law for stay of execution or exemption of property 71839  
from levy or sale on execution in the enforcement of the judgment. 71840

Upon the filing of an entry of confirmation of sale or an 71841  
order of forfeiture in a proceeding brought under this division, 71842  
title to the manufactured or mobile home shall be in the 71843  
purchaser. The clerk of courts shall issue a certificate of title 71844  
to the purchaser upon presentation of proof of filing of the entry 71845  
of confirmation or order and, in the case of a forfeiture, 71846  
presentation of the county auditor's certificate of sale. 71847

(I) The total amount of taxes collected shall be distributed 71848  
in the following manner: four per cent shall be allowed as 71849  
compensation to the county auditor for the county auditor's 71850  
service in assessing the taxes; two per cent shall be allowed as 71851  
compensation to the county treasurer for the services the county 71852  
treasurer renders as a result of the tax levied by this section. 71853  
Such amounts shall be paid into the county treasury, to the credit 71854  
of the county general revenue fund, on the warrant of the county 71855  
auditor. Fees to be paid to the credit of the real estate 71856  
assessment fund shall be collected pursuant to division (C) of 71857  
section 319.54 of the Revised Code and paid into the county 71858  
treasury, on the warrant of the county auditor. The balance of the 71859  
taxes collected shall be distributed among the taxing subdivisions 71860  
of the county in which the taxes are collected and paid in the 71861  
same ratio as those taxes were collected for the benefit of the 71862  
taxing subdivision. The taxes levied and revenues collected under 71863  
this section shall be in lieu of any general property tax and any 71864  
tax levied with respect to the privilege of using or occupying a 71865  
manufactured or mobile home in this state except as provided in 71866

sections 4503.04 and 5741.02 of the Revised Code. 71867

(J) An agreement to purchase or a bill of sale for a 71868  
manufactured home shall show whether or not the furnishings and 71869  
equipment are included in the purchase price. 71870

(K) If the county treasurer and the county prosecuting 71871  
attorney agree that an item charged on the delinquent manufactured 71872  
home tax list is uncollectible, they shall certify that 71873  
determination and the reasons to the county board of revision. If 71874  
the board determines the amount is uncollectible, it shall certify 71875  
its determination to the county auditor, who shall strike the item 71876  
from the list. 71877

(L)(1) The county auditor shall appraise at its true value 71878  
any manufactured or mobile home in which ownership is transferred 71879  
or which first acquires situs in this state on or after January 1, 71880  
2000, and any manufactured or mobile home the owner of which has 71881  
elected, under division (D)(4) of this section, to have the home 71882  
taxed under division (D)(2) of this section. The true value shall 71883  
include the value of the home, any additions, and any fixtures, 71884  
but not any furnishings in the home. In determining the true value 71885  
of a manufactured or mobile home, the auditor shall consider all 71886  
facts and circumstances relating to the value of the home, 71887  
including its age, its capacity to function as a residence, any 71888  
obsolete characteristics, and other factors that may tend to prove 71889  
its true value. 71890

(2)(a) If a manufactured or mobile home has been the subject 71891  
of an arm's length sale between a willing seller and a willing 71892  
buyer within a reasonable length of time prior to the 71893  
determination of true value, the county auditor shall consider the 71894  
sale price of the home to be the true value for taxation purposes. 71895

(b) The sale price in an arm's length transaction between a 71896  
willing seller and a willing buyer shall not be considered the 71897

true value of the home if either of the following occurred after 71898  
the sale: 71899

(i) The home has lost value due to a casualty. 71900

(ii) An addition or fixture has been added to the home. 71901

(3) The county auditor shall have each home viewed and 71902  
appraised at least once in each six-year period in the same year 71903  
in which real property in the county is appraised pursuant to 71904  
Chapter 5713. of the Revised Code, and shall update the appraised 71905  
values in the third calendar year following the appraisal. The 71906  
person viewing or appraising a home may enter the home to 71907  
determine by actual view any additions or fixtures that have been 71908  
added since the last appraisal. In conducting the appraisals and 71909  
establishing the true value, the auditor shall follow the 71910  
procedures set forth for appraising real property in sections 71911  
5713.01 and 5713.03 of the Revised Code. 71912

(4) The county auditor shall place the true value of each 71913  
home on the manufactured home tax list upon completion of an 71914  
appraisal. 71915

(5)(a) If the county auditor changes the true value of a 71916  
home, the auditor shall notify the owner of the home in writing, 71917  
delivered by mail or in person. The notice shall be given at least 71918  
thirty days prior to the issuance of any tax bill that reflects 71919  
the change. Failure to receive the notice does not invalidate any 71920  
proceeding under this section. 71921

(b) Any owner of a home or any other person or party listed 71922  
in division (A)(1) of section 5715.19 of the Revised Code may file 71923  
a complaint against the true value of the home as appraised under 71924  
this section. The complaint shall be filed with the county auditor 71925  
on or before the thirty-first day of March of the current tax year 71926  
or the date of closing of the collection for the first half of 71927  
manufactured home taxes for the current tax year, whichever is 71928

later. The auditor shall present to the county board of revision 71929  
all complaints filed with the auditor under this section. The 71930  
board shall hear and investigate the complaint and may take action 71931  
on it as provided under sections 5715.11 to 5715.19 of the Revised 71932  
Code. 71933

(c) If the county board of revision determines, pursuant to a 71934  
complaint against the valuation of a manufactured or mobile home 71935  
filed under this section, that the amount of taxes, assessments, 71936  
or other charges paid was in excess of the amount due based on the 71937  
valuation as finally determined, then the overpayment shall be 71938  
refunded in the manner prescribed in section 5715.22 of the 71939  
Revised Code. 71940

(d) Payment of all or part of a tax under this section for 71941  
any year for which a complaint is pending before the county board 71942  
of revision does not abate the complaint or in any way affect the 71943  
hearing and determination thereof. 71944

(M) If the county auditor determines that any tax or other 71945  
charge or any part thereof has been erroneously charged as a 71946  
result of a clerical error as defined in section 319.35 of the 71947  
Revised Code, the county auditor shall call the attention of the 71948  
county board of revision to the erroneous charges. If the board 71949  
finds that the taxes or other charges have been erroneously 71950  
charged or collected, it shall certify the finding to the auditor. 71951  
Upon receipt of the certification, the auditor shall remove the 71952  
erroneous charges on the manufactured home tax list or delinquent 71953  
manufactured home tax list in the same manner as is prescribed in 71954  
section 319.35 of the Revised Code for erroneous charges against 71955  
real property, and refund any erroneous charges that have been 71956  
collected, with interest, in the same manner as is prescribed in 71957  
section 319.36 of the Revised Code for erroneous charges against 71958  
real property. 71959

(N) As used in this section and section 4503.061 of the 71960

71965

(2) "Current taxes" means all manufactured home taxes charged against a manufactured or mobile home that have not appeared on the manufactured home tax list for any prior year. 71968  
71969  
71970  
71971

71978

(b) Any current manufactured home taxes charged against a manufactured or mobile home that remain unpaid after the last day prescribed for payment of the second installment of current taxes without penalty, whether or not they have been certified delinquent, including any penalties or interest and the costs of publication under division (H)(2) of this section. 71979

71984

**Sec. 4503.061.** (A) All manufactured and mobile homes shall be listed on either the real property tax list or the manufactured home tax list of the county in which the home has situs. Each owner shall follow the procedures in this section to identify the home to the county auditor of the county containing the taxing district in which the home has situs so that the auditor may place 71985  
71986  
71987  
71988  
71989  
71990

the home on the appropriate tax list. 71991

(B) When a manufactured or mobile home first acquires situs 71992  
in this state and is subject to real property taxation pursuant to 71993  
division (B)(1) or (2) of section 4503.06 of the Revised Code, the 71994  
owner shall present to the auditor of the county containing the 71995  
taxing district in which the home has its situs the certificate of 71996  
title for the home, together with proof that all taxes due have 71997  
been paid and proof that a relocation notice was obtained for the 71998  
home if required under this section. Upon receiving the 71999  
certificate of title and the required proofs, the auditor shall 72000  
place the home on the real property tax list and proceed to treat 72001  
the home as other properties on that list. After the auditor has 72002  
placed the home on the tax list of real and public utility 72003  
property, the auditor shall deliver the certificate of title to 72004  
the clerk of the court of common pleas that issued it pursuant to 72005  
section 4505.11 of the Revised Code, and the clerk shall 72006  
inactivate the certificate of title. 72007

(C)(1) When a manufactured or mobile home subject to a 72008  
manufactured home tax is relocated to or first acquires situs in 72009  
any county that has adopted a permanent manufactured home 72010  
registration system, as provided in division (F) of this section, 72011  
the owner, within thirty days after the home is relocated or first 72012  
acquires situs under section 4503.06 of the Revised Code, shall 72013  
register the home with the county auditor of the county containing 72014  
the taxing district in which the home has its situs. For the first 72015  
registration in each county of situs, the owner or vendee in 72016  
possession shall present to the county auditor an Ohio certificate 72017  
of title, certified copy of the certificate of title, or 72018  
memorandum certificate of title as such are required by law, and 72019  
proof, as required by the county auditor, that the home, if it has 72020  
previously been occupied and is being relocated, has been 72021  
previously registered, that all taxes due and required to be paid 72022

under division (H)(1) of this section before a relocation notice 72023  
may be issued have been paid, and that a relocation notice was 72024  
obtained for the home if required by division (H) of this section. 72025  
If the owner or vendee does not possess the Ohio certificate of 72026  
title, certified copy of the certificate of title, or memorandum 72027  
certificate of title at the time the owner or vendee first 72028  
registers the home in a county, the county auditor shall register 72029  
the home without presentation of the document, but the owner or 72030  
vendee shall present the certificate of title, certified copy of 72031  
the certificate of title, or memorandum certificate of title to 72032  
the county auditor within fourteen days after the owner or vendee 72033  
obtains possession of the document. 72034

(2) When a manufactured or mobile home is registered for the 72035  
first time in a county and when the total tax due has been paid as 72036  
required by division (F) of section 4503.06 of the Revised Code or 72037  
divisions (E) and (H) of this section, the county treasurer shall 72038  
note by writing or by a stamp on the certificate of title, 72039  
certified copy of certificate of title, or memorandum certificate 72040  
of title that the home has been registered and that the taxes due, 72041  
if any, have been paid for the preceding five years and for the 72042  
current year. The treasurer shall then issue a certificate 72043  
evidencing registration and a decal to be displayed on the street 72044  
side of the home. The certificate is valid in any county in this 72045  
state during the year for which it is issued. 72046

(3) For each year thereafter, the county treasurer shall 72047  
issue a tax bill stating the amount of tax due under section 72048  
4503.06 of the Revised Code, as provided in division (D)(6) of 72049  
that section. When the total tax due has been paid as required by 72050  
division (F) of that section, the county treasurer shall issue a 72051  
certificate evidencing registration that shall be valid in any 72052  
county in this state during the year for which the certificate is 72053  
issued. 72054

(4) The permanent decal issued under this division is valid 72055  
during the period of ownership, except that when a manufactured 72056  
home is relocated in another county the owner shall apply for a 72057  
new registration as required by this section and section 4503.06 72058  
of the Revised Code. 72059

(D)(1) All owners of manufactured or mobile homes subject to 72060  
the manufactured home tax being relocated to or having situs in a 72061  
county that has not adopted a permanent registration system, as 72062  
provided in division (F) of this section, shall register the home 72063  
within thirty days after the home is relocated or first acquires 72064  
situs under section 4503.06 of the Revised Code and thereafter 72065  
shall annually register the home with the county auditor of the 72066  
county containing the taxing district in which the home has its 72067  
situs. 72068

(2) Upon the annual registration, the county treasurer shall 72069  
issue a tax bill stating the amount of annual manufactured home 72070  
tax due under section 4503.06 of the Revised Code, as provided in 72071  
division (D)(6) of that section. When a manufactured or mobile 72072  
home is registered and when the tax for the current one-half year 72073  
has been paid as required by division (F) of that section, the 72074  
county treasurer shall issue a certificate evidencing registration 72075  
and a decal. The certificate and decal are valid in any county in 72076  
this state during the year for which they are issued. The decal 72077  
shall be displayed on the street side of the home. 72078

(3) For the first annual registration in each county of 72079  
situs, the county auditor shall require the owner or vendee to 72080  
present an Ohio certificate of title, certified copy of the 72081  
certificate of title, or memorandum certificate of title as such 72082  
are required by law, and proof, as required by the county auditor, 72083  
that the manufactured or mobile home has been previously 72084  
registered, if such registration was required, that all taxes due 72085  
and required to be paid under division (H)(1) of this section 72086

before a relocation notice may be issued have been paid, and that 72087  
a relocation notice was obtained for the home if required by 72088  
division (H) of this section. If the owner or vendee does not 72089  
possess the Ohio certificate of title, certified copy of the 72090  
certificate of title, or memorandum certificate of title at the 72091  
time the owner or vendee first registers the home in a county, the 72092  
county auditor shall register the home without presentation of the 72093  
document, but the owner or vendee shall present the certificate of 72094  
title, certified copy of the certificate of title, or memorandum 72095  
certificate of title to the county auditor within fourteen days 72096  
after the owner or vendee obtains possession of the document. When 72097  
the county treasurer receives the tax payment, the county 72098  
treasurer shall note by writing or by a stamp on the certificate 72099  
of title, certified copy of the certificate of title, or 72100  
memorandum certificate of title that the home has been registered 72101  
for the current year and that the manufactured home taxes due, if 72102  
any, have been paid for the preceding five years and for the 72103  
current year. 72104

(4) For subsequent annual registrations, the auditor may 72105  
require the owner or vendee in possession to present an Ohio 72106  
certificate of title, certified copy of the certificate of title, 72107  
or memorandum certificate of title to the county treasurer upon 72108  
payment of the manufactured home tax that is due. 72109

(E)(1) Upon the application to transfer ownership of a 72110  
manufactured or mobile home for which manufactured home taxes are 72111  
paid pursuant to division (C) of section 4503.06 of the Revised 72112  
Code the clerk of the court of common pleas shall not issue any 72113  
certificate of title that does not contain or have attached both 72114  
of the following: 72115

(a) An endorsement of the county treasurer stating that the 72116  
home has been registered for each year of ownership and that all 72117  
manufactured home taxes imposed pursuant to section 4503.06 of the 72118

Revised Code have been paid or that no tax is due; 72119

(b) An endorsement of the county auditor that the 72120  
manufactured home transfer tax imposed pursuant to section 322.06 72121  
of the Revised Code and any fees imposed under division (G) of 72122  
section 319.54 of the Revised Code have been paid. 72123

(2) If all the taxes have not been paid, the clerk shall 72124  
notify the vendee to contact the county treasurer of the county 72125  
containing the taxing district in which the home has its situs at 72126  
the time of the proposed transfer. The county treasurer shall then 72127  
collect all the taxes that are due for the year of the transfer 72128  
and all previous years not exceeding a total of five years. The 72129  
county treasurer shall distribute that part of the collection owed 72130  
to the county treasurer of other counties if the home had its 72131  
situs in another county during a particular year when the unpaid 72132  
tax became due and payable. The burden to prove the situs of the 72133  
home in the years that the taxes were not paid is on the 72134  
transferor of the home. Upon payment of the taxes, the county 72135  
auditor shall remove all remaining taxes from the manufactured 72136  
home tax list and the delinquent manufactured home tax list, and 72137  
the county treasurer shall release all liens for such taxes. The 72138  
clerk of courts shall issue a certificate of title, free and clear 72139  
of all liens for manufactured home taxes, to the transferee of the 72140  
home. 72141

(3) Once the transfer is complete and the certificate of 72142  
title has been issued, the transferee shall register the 72143  
manufactured or mobile home pursuant to division (C) or (D) of 72144  
this section with the county auditor of the county containing the 72145  
taxing district in which the home remains after the transfer or, 72146  
if the home is relocated to another county, with the county 72147  
auditor of the county to which the home is relocated. The 72148  
transferee need not pay the annual tax for the year of acquisition 72149  
if the original owner has already paid the annual tax for that 72150

year. 72151

(F) The county auditor may adopt a permanent registration 72152  
system and issue a permanent decal with the first registration as 72153  
prescribed by the tax commissioner. 72154

(G) When any manufactured or mobile home required to be 72155  
registered by this section is not registered, the county auditor 72156  
shall impose a penalty of one hundred dollars upon the owner and 72157  
deposit the amount to the credit of the county real estate 72158  
assessment fund to be used to pay the costs of administering this 72159  
section and section 4503.06 of the Revised Code. If unpaid, the 72160  
penalty shall constitute a lien on the home and shall be added by 72161  
the county auditor to the manufactured home tax list for 72162  
collection. 72163

(H)(1) Except as otherwise provided in this division, before 72164  
moving a manufactured or mobile home on public roads from one 72165  
address within this state to another address within or outside 72166  
this state, the owner of the home shall obtain a relocation 72167  
notice, as provided by this section, from the auditor of the 72168  
county in which the home is located if the home is currently 72169  
subject to taxation pursuant to section 4503.06 of the Revised 72170  
Code. The auditor shall charge five dollars for the notice, and 72171  
deposit the amount to the credit of the county real estate 72172  
assessment fund to be used to pay the costs of administering this 72173  
section and section 4503.06 of the Revised Code. The auditor shall 72174  
not issue a relocation notice unless all taxes owed on the home 72175  
under section 4503.06 of the Revised Code that were first charged 72176  
to the home during the period of ownership of the owner seeking 72177  
the relocation notice have been paid. If the home is being moved 72178  
by a new owner of the home or by a party taking repossession of 72179  
the home, the auditor shall not issue a relocation notice unless 72180  
all of the taxes due for the preceding five years and for the 72181  
current year have been paid. A relocation notice issued by a 72182

county auditor is valid until the last day of December of the year 72183  
in which it was issued. 72184

If the home is being moved by a sheriff, police officer, 72185  
constable, bailiff, or manufactured home park operator, as defined 72186  
in section ~~3733.01~~ 4781.01 of the Revised Code, or any agent of 72187  
any of these persons, for purposes of removal from a manufactured 72188  
home park and storage, sale, or destruction under section 1923.14 72189  
of the Revised Code, the auditor shall issue a relocation notice 72190  
without requiring payment of any taxes owed on the home under 72191  
section 4503.06 of the Revised Code. 72192

(2) If a manufactured or mobile home is not yet subject to 72193  
taxation under section 4503.06 of the Revised Code, the owner of 72194  
the home shall obtain a relocation notice from the dealer of the 72195  
home. Within thirty days after the manufactured or mobile home is 72196  
purchased, the dealer of the home shall provide the auditor of the 72197  
county in which the home is to be located written notice of the 72198  
name of the purchaser of the home, the registration number or 72199  
vehicle identification number of the home, and the address or 72200  
location to which the home is to be moved. The county auditor 72201  
shall provide to each manufactured and mobile home dealer, without 72202  
charge, a supply of relocation notices to be distributed to 72203  
purchasers pursuant to this section. 72204

(3) The notice shall be in the form of a one-foot square 72205  
yellow sign with the words "manufactured home relocation notice" 72206  
printed prominently on it. The name of the owner of the home, the 72207  
home's registration number or vehicle identification number, the 72208  
county and the address or location to which the home is being 72209  
moved, and the county in which the notice is issued shall also be 72210  
entered on the notice. 72211

(4) The relocation notice must be attached to the rear of the 72212  
home when the home is being moved on a public road. Except as 72213  
provided in divisions (H)(1) and (5) of this section, no person 72214

shall drive a motor vehicle moving a manufactured or mobile home 72215  
on a public road from one address to another address within this 72216  
state unless a relocation notice is attached to the rear of the 72217  
home. 72218

(5) If the county auditor determines that a manufactured or 72219  
mobile home has been moved without a relocation notice as required 72220  
under this division, the auditor shall impose a penalty of one 72221  
hundred dollars upon the owner of the home and upon the person who 72222  
moved the home and deposit the amount to the credit of the county 72223  
real estate assessment fund to pay the costs of administering this 72224  
section and section 4503.06 of the Revised Code. If the home was 72225  
relocated from one county in this state to another county in this 72226  
state and the county auditor of the county to which the home was 72227  
relocated imposes the penalty, that county auditor, upon 72228  
collection of the penalty, shall cause an amount equal to the 72229  
penalty to be transmitted from the county real estate assessment 72230  
fund to the county auditor of the county from which the home was 72231  
relocated, who shall deposit the amount to the credit of the 72232  
county real estate assessment fund. If the penalty on the owner is 72233  
unpaid, the penalty shall constitute a lien on the home and the 72234  
auditor shall add the penalty to the manufactured home tax list 72235  
for collection. If the county auditor determines that a dealer 72236  
that has sold a manufactured or mobile home has failed to timely 72237  
provide the information required under this division, the auditor 72238  
shall impose a penalty upon the dealer in the amount of one 72239  
hundred dollars. The penalty shall be credited to the county real 72240  
estate assessment fund and used to pay the costs of administering 72241  
this section and section 4503.06 of the Revised Code. 72242

(I) Whoever violates division (H)(4) of this section is 72243  
guilty of a minor misdemeanor. 72244

**Sec. 4503.062.** (A) Every operator of a manufactured home 72245

court, or manufactured home park, as defined in section ~~3733.01~~ 72246  
4781.01 of the Revised Code, or when there is no operator, every 72247  
owner of property used for such purposes on which three or more 72248  
manufactured or mobile homes are located, shall keep a register of 72249

The warning letter shall list the reported violations that are the basis of the points charged, list the number of points charged for each violation, and outline the suspension provisions of this section.

(B) When the registrar determines that the total points charged against any person under section 4510.036 of the Revised Code within any two-year period beginning on the date of the first conviction within the two-year period is equal to twelve or more,

the registrar shall send a written notice to the person at the 72811

the reported violations that are the basis of the points charged, 72813  
list the number of points charged for each violation, and state 72814  
that, because the total number of points charged against the 72815  
person within the applicable two-year period is equal to twelve or 72816  
more, the registrar is imposing a class D suspension of the 72817  
person's driver's or commercial driver's license or permit or 72818  
nonresident operating privileges for the period of time specified 72819  
in division (B)(4) of section 4510.02 of the Revised Code. The 72820  
notice also shall state that the suspension is effective on the 72821  
twentieth day after the mailing of the notice, unless the person 72822  
files a petition appealing the determination and suspension in the 72823  
municipal court, county court, or, if the person is under the age 72824  
of eighteen, the juvenile division of the court of common pleas in 72825  
whose jurisdiction the person resides or, if the person is not a 72826  
resident of this state, in the Franklin county municipal court or 72827  
juvenile division of the Franklin county court of common pleas. By 72828  
filing the appeal of the determination and suspension, the person 72829  
agrees to pay the cost of the proceedings in the appeal of the 72830  
determination and suspension and alleges that the person can show 72831  
cause why the person's driver's or commercial driver's license or 72832  
permit or nonresident operating privileges should not be 72833  
suspended. 72834

(C)(1) Any person against whom at least two but less than 72835  
twelve points have been charged under section 4510.036 of the 72836  
Revised Code may enroll in a course of remedial driving 72837  
instruction that is approved by the director of public safety. 72838  
Upon the person's completion of an approved course of remedial 72839  
driving instruction, the person may apply to the registrar on a 72840  
form prescribed by the registrar for a credit of two points on the 72841  
person's driving record. Upon receipt of the application and proof 72842  
of completion of the approved remedial driving course, the 72843

registrar shall approve the two-point credit. The registrar shall 72844  
not approve any credits for a person who completes an approved 72845  
course of remedial driving instruction pursuant to a judge's order 72846  
under section 4510.02 of the Revised Code. 72847

(2) In any three-year period, the registrar shall approve 72848  
only one two-point credit on a person's driving record under 72849  
division (C)(1) of this section. The registrar shall approve not 72850  
more than five two-point credits on a person's driving record 72851  
under division (C)(1) of this section during that person's 72852  
lifetime. 72853

(D) When a judge of a court of record suspends a person's 72854  
driver's or commercial driver's license or permit or nonresident 72855  
operating privilege and charges points against the person under 72856  
section 4510.036 of the Revised Code for the offense that resulted 72857  
in the suspension, the registrar shall credit that period of 72858  
suspension against the time of any subsequent suspension imposed 72859  
under this section for which those points were used to impose the 72860  
subsequent suspension. When a United States district court that 72861  
has jurisdiction within this state suspends a person's driver's or 72862  
commercial driver's license or permit or nonresident operating 72863  
privileges pursuant to the "Assimilative Crimes Act," 102 Stat. 72864  
4381 (1988), 18 U.S.C.A. 13, as amended, the district court 72865  
prepares an abstract pursuant to section 4510.031 of the Revised 72866  
Code, and the district court charges points against the person 72867  
under section 4510.036 of the Revised Code for the offense that 72868  
resulted in the suspension, the registrar shall credit the period 72869  
of suspension imposed by the district court against the time of 72870  
any subsequent suspension imposed under this section for which the 72871  
points were used to impose the subsequent suspension. 72872

(E) The registrar, upon the written request of a licensee who 72873  
files a petition under division (B) of this section, shall furnish 72874  
the licensee a certified copy of the registrar's record of the 72875

convictions and bond forfeitures of the person. This record shall 72876  
include the name, address, and date of birth of the licensee; the 72877  
name of the court in which each conviction or bail forfeiture took 72878  
place; the nature of the offense that was the basis of the 72879  
conviction or bond forfeiture; and any other information that the 72880  
registrar considers necessary. If the record indicates that twelve 72881  
points or more have been charged against the person within a 72882  
two-year period, it is prima-facie evidence that the person is a 72883  
repeat traffic offender, and the registrar shall suspend the 72884  
person's driver's or commercial driver's license or permit or 72885  
nonresident operating privilege pursuant to division (B) of this 72886  
section. 72887

In hearing the petition and determining whether the person 72888  
filing the petition has shown cause why the person's driver's or 72889  
commercial driver's license or permit or nonresident operating 72890  
privilege should not be suspended, the court shall decide the 72891  
issue on the record certified by the registrar and any additional 72892  
relevant, competent, and material evidence that either the 72893  
registrar or the person whose license is sought to be suspended 72894  
submits. 72895

(F) If a petition is filed under division (B) of this section 72896  
in a county court, the prosecuting attorney of the county in which 72897  
the case is pending shall represent the registrar in the 72898  
proceedings, except that, if the petitioner resides in a municipal 72899  
corporation within the jurisdiction of the county court, the city 72900  
director of law, village solicitor, or other chief legal officer 72901  
of the municipal corporation shall represent the registrar in the 72902  
proceedings. If a petition is filed under division (B) of this 72903  
section in a municipal court, the registrar shall be represented 72904  
in the resulting proceedings as provided in section 1901.34 of the 72905  
Revised Code. 72906

(G) If the court determines from the evidence submitted that 72907

a person who filed a petition under division (B) of this section 72908  
has failed to show cause why the person's driver's or commercial 72909  
driver's license or permit or nonresident operating privileges 72910  
should not be suspended, the court shall assess against the person 72911  
the cost of the proceedings in the appeal of the determination and 72912  
suspension and shall impose the applicable suspension under this 72913  
section or suspend all or a portion of the suspension and impose 72914  
any conditions upon the person that the court considers proper or 72915  
impose upon the person a community control sanction pursuant to 72916  
section 2929.15 or 2929.25 of the Revised Code. If the court 72917  
determines from the evidence submitted that a person who filed a 72918  
petition under division (B) of this section has shown cause why 72919  
the person's driver's or commercial driver's license or permit or 72920  
nonresident operating privileges should not be suspended, the 72921  
costs of the appeal proceeding shall be paid out of the county 72922  
treasury of the county in which the proceedings were held. 72923

(H) Any person whose driver's or commercial driver's license 72924  
or permit or nonresident operating privileges are suspended under 72925  
this section is not entitled to apply for or receive a new 72926  
driver's or commercial driver's license or permit or to request or 72927  
be granted nonresident operating privileges during the effective 72928  
period of the suspension. 72929

(I) Upon the termination of any suspension or other penalty 72930  
imposed under this section involving the surrender of license or 72931  
permit and upon the request of the person whose license or permit 72932  
was suspended or surrendered, the registrar shall return the 72933  
license or permit to the person upon determining that the person 72934  
has complied with all provisions of section 4510.038 of the 72935  
Revised Code or, if the registrar destroyed the license or permit 72936  
pursuant to section 4510.52 of the Revised Code, shall reissue the 72937  
person's license or permit. 72938

(J) Any person whose driver's or commercial driver's license 72939

or permit or nonresident operating privileges are suspended as a 72940  
repeat traffic offender under this section and who, during the 72941  
suspension, operates any motor vehicle upon any public roads and 72942  
highways is guilty of a misdemeanor of the first degree, and the 72943  
court shall sentence the offender to a minimum term of three days 72944  
in jail. No court shall suspend the first three days of jail time 72945  
imposed pursuant to this division. 72946

(K) The registrar, in accordance with specific statutory 72947  
authority, may suspend the privilege of driving a motor vehicle on 72948  
the public roads and highways of this state that is granted to 72949  
nonresidents by section 4507.04 of the Revised Code. 72950

(L) Any (1) Except as provided in division (L)(2) of this 72951  
section, any course of remedial driving instruction the director 72952  
of public safety approves under this section shall require its 72953  
students to attend at least fifty per cent of the course in 72954  
person. ~~The~~ and the director shall not approve any course of 72955  
remedial driving instruction that permits its students to take 72956  
more than fifty per cent of the course in any other manner, 72957

The park operator shall offer the minimum one-year rental agreement to the owner prior to installation of the home in the manufactured home park or, if the home is in the manufactured home park, prior to the expiration of the owner's

existing rental agreement. 76408

(2) The park operator shall deliver the offer to the owner by 76409  
certified mail, return receipt requested, or in person. If the 76410  
park operator delivers the offer to the owner in person, the owner 76411  
shall complete a return showing receipt of the offer. If the owner 76412  
does not accept the offer, the park operator is discharged from 76413  
any obligation to make any further such offers. If the owner 76414  
accepts the offer, the park operator shall, at the expiration of 76415  
each successive rental agreement, offer the owner another rental 76416  
agreement, for a term that is mutually agreed upon, and that 76417  
contains terms essentially the same as the alternative 76418  
month-to-month agreement. The park operator shall deliver 76419  
subsequent rental offers by ordinary mail or personal delivery. If 76420  
the park operator sells the manufactured home park to another 76421  
manufactured home park operator, the purchaser is bound by the 76422  
rental agreements entered into by the purchaser's predecessor. 76423

(3) If the park operator sells the manufactured home park for 76424  
a use other than as a manufactured home park, the park operator 76425  
shall give each tenant and owner a written notification by 76426  
certified mail, return receipt requested, or by handing it to the 76427  
tenant or owner in person. If the park operator delivers the 76428  
notification in person, the recipient shall complete a return 76429  
showing receipt of the notification. This notification shall 76430  
contain notice of the sale of the manufactured home park, and 76431  
notice of the date by which the tenant or owner shall vacate. The 76432  
date by which the tenant shall vacate shall be at least one 76433  
hundred twenty days after receipt of the written notification, and 76434  
the date by which the owner shall vacate shall be at least one 76435  
hundred eighty days after receipt of the written notification. 76436

(B) A park operator shall fully disclose in writing all fees, 76437  
charges, assessments, including rental fees, and rules prior to a 76438  
tenant or owner executing a rental agreement and assuming 76439

occupancy in the manufactured home park. No fees, charges, 76440  
assessments, or rental fees so disclosed may be increased nor 76441  
rules changed by a park operator without specifying the date of 76442  
implementation of the changed fees, charges, assessments, rental 76443  
fees, or rules, which date shall be not less than thirty days 76444  
after written notice of the change and its effective date to all 76445  
tenants or owners in the manufactured home park, and no fee, 76446  
charge, assessment, or rental fee shall be increased during the 76447  
term of any tenant's or owner's rental agreement. Failure on the 76448  
part of the park operator to fully disclose all fees, charges, or 76449  
assessments shall prevent the park operator from collecting the 76450  
undisclosed fees, charges, or assessments. If a tenant or owner 76451  
refuses to pay any undisclosed fees, charges, or assessments, the 76452  
refusal shall not be used by the park operator as a cause for 76453  
eviction in any court. 76454

(C) A park operator shall promulgate rules governing the 76455  
rental or occupancy of a lot in the manufactured home park. The 76456  
rules shall not be unreasonable, arbitrary, or capricious. A copy 76457  
of the rules and any amendments to them shall be delivered by the 76458  
park operator to the tenant or owner prior to signing the rental 76459  
agreement. A copy of the rules and any amendments to them shall be 76460  
posted in a conspicuous place upon the manufactured home park 76461  
grounds. 76462

(D) No park operator shall require an owner to purchase from 76463  
the park operator any personal property. The park operator may 76464  
determine by rule the style or quality of skirting, equipment for 76465  
tying down homes, manufactured or mobile home accessories, or 76466  
other equipment to be purchased by an owner from a vendor of the 76467  
owner's choosing, provided that the equipment is readily available 76468  
to the owner. Any such equipment shall be installed in accordance 76469  
with the manufactured home park rules. 76470

(E) No park operator shall charge any owner who chooses to 76471

install an electric or gas appliance in a home an additional fee 76472  
solely on the basis of the installation, unless the installation 76473  
is performed by the park operator at the request of the owner, nor 76474  
shall the park operator restrict the installation, service, or 76475  
maintenance of the appliance, restrict the ingress or egress of 76476  
repairpersons to the manufactured home park for the purpose of 76477  
installation, service, or maintenance of the appliance, nor 76478  
restrict the making of any interior improvement in a home, if the 76479  
installation or improvement is in compliance with applicable 76480  
building codes and other provisions of law and if adequate utility 76481  
services are available for the installation or improvement. 76482

(F) No park operator shall require a tenant to lease or an 76483  
owner to purchase a manufactured or mobile home from the park 76484  
operator or any specific person as a condition of or prerequisite 76485  
to entering into a rental agreement. 76486

(G) No park operator shall require an owner to use the 76487  
services of the park operator or any other specific person for 76488  
installation of the manufactured or mobile home on the residential 76489  
premises or for the performance of any service. 76490

(H) No park operator shall: 76491

(1) Deny any owner the right to sell the owner's manufactured 76492  
home within the manufactured home park if the owner gives the park 76493  
operator ten days' notice of the intention to sell the home; 76494

(2) Require the owner to remove the home from the 76495  
manufactured home park solely on the basis of the sale of the 76496  
home; 76497

(3) Unreasonably refuse to enter into a rental agreement with 76498  
a purchaser of a home located within the operator's manufactured 76499  
home park; 76500

(4) Charge any tenant or owner any fee, charge, or 76501  
assessment, including a rental fee, that is not set forth in the 76502

rental agreement or, if the rental agreement is oral, is not set 76503  
forth in a written disclosure given to the tenant or owner prior 76504  
to the tenant or owner entering into a rental agreement; 76505

(5) Charge any owner any fee, charge, or assessment because 76506  
of the transfer of ownership of a home or because a home is moved 76507  
out of or into the manufactured home park, except a charge for the 76508  
actual costs and expenses that are incurred by the park operator 76509  
in moving the home out of or into the manufactured home park, or 76510  
in installing the home in the manufactured home park and that have 76511  
not been reimbursed by another tenant or owner. 76512

(I) If the park operator violates any provision of divisions 76513  
(A) to (H) of this section, the tenant or owner may recover actual 76514  
damages resulting from the violation, and, if the tenant or owner 76515  
obtains a judgment, reasonable attorneys' fees, or terminate the 76516  
rental agreement. 76517

(J) No rental agreement shall require a tenant or owner to 76518  
sell, lease, or sublet the tenant's or owner's interest in the 76519  
rental agreement or the manufactured or mobile home that is or 76520  
will be located on the lot that is the subject of the rental 76521  
agreement to any specific person or through any specific person as 76522  
the person's agent. 76523

(K) No park operator shall enter into a rental agreement with 76524  
the owner of a manufactured or mobile home for the use of 76525  
residential premises, if the rental agreement requires the owner 76526  
of the home, as a condition to the owner's renting, occupying, or 76527  
remaining on the residential premises, to pay the park operator or 76528  
any other person specified in the rental agreement a fee or any 76529  
sum of money based on the sale of the home, unless the owner of 76530  
the home uses the park operator or other person as the owner's 76531  
agent in the sale of the home. 76532

(L) A park operator and a tenant or owner may include in a 76533

rental agreement any terms and conditions, including any term 76534  
relating to rent, the duration of an agreement, and any other 76535  
provisions governing the rights and obligations of the parties 76536  
that are not inconsistent with or prohibited by sections 3733.09 76537  
to 3733.20 of the Revised Code or any other rule of law. 76538

(M) Notwithstanding any other provision of the Revised Code, 76539  
the owner of a manufactured or mobile home ~~that was previously~~ 76540  
~~titled by a dealer~~ may utilize the services of a manufactured home 76541  
housing dealer or broker licensed under ~~Chapter 4517. of the~~ 76542  
~~Revised Code~~ this chapter or a person properly licensed under 76543  
Chapter 4735. of the Revised Code to sell or lease the home. 76544

**Sec. ~~3733.12~~ 4781.41.** (A) If a park operator fails to fulfill 76545  
any obligation imposed upon ~~him~~ the park operator by section 76546  
~~3733.10~~ 4781.38 of the Revised Code or by the rental agreement, or 76547  
the conditions of the premises are such that the resident 76548  
reasonably believes that a park operator has failed to fulfill any 76549  
such obligations, or a governmental agency has found that the 76550  
premises are not in compliance with building, housing, health, or 76551  
safety codes which apply to any condition of the residential 76552  
premises that could materially affect the health and safety of an 76553  
occupant, the resident may give notice in writing to the park 76554  
operator specifying the acts, omissions, or code violations that 76555  
constitute noncompliance with such provisions. The notice shall be 76556  
sent to the person or place where rent is normally paid. 76557

(B) If a park operator receives the notice described in 76559  
division (A) of this section and after receipt of the notice fails 76560  
to remedy the condition within a reasonable time, considering the 76561  
severity of the condition and the time necessary to remedy such 76562  
condition, or within thirty days, whichever is sooner, and if the 76563  
resident is current in rent payments due under the rental 76564

agreement, the resident may do one of the following: 76565

(1) Deposit all rent that is due and thereafter becomes due 76566  
the park operator with the clerk of court of the municipal or 76567  
county court having jurisdiction in the territory in which the 76568

(2) Apply to the court for an order directing the park 76570  
operator to remedy the condition. As part thereof, the resident 76571  
may deposit rent pursuant to division (B)(1) of this section, and 76572  
may apply for an order reducing the periodic rent due the park 76573  
operator until such time as the park operator does remedy the 76574  
condition, and may apply for an order to use the rent deposited to 76575  
remedy the condition. In any order issued pursuant to this 76576  
division, the court may require the resident to deposit rent with 76577  
the clerk of court as provided in division (B)(1) of this section. 76578

**Sec. ~~3733.121~~ 4781.42.** (A) Whenever a resident deposits rent 76579  
with the clerk of a court as provided in section ~~3733.12~~ 4781.41 76580  
of the Revised Code, the clerk shall give written notice of this 76581

(B) The clerk shall place all rent deposited with ~~him~~ the 76584

(C) The clerk shall keep in a separate docket an account of 76588  
each deposit, with the name and address of the resident, and the 76589  
name and address of the park operator and of ~~his~~ the park 76590  
operator's agent, if any. 76591

(D) For ~~his~~ the clerk's costs, the clerk may charge a fee of 76592  
one per cent of the amount of the rent deposited, which shall be 76593  
assessed as court costs. 76594

(E) All interest that has accrued on the rent deposited by the clerk of a county court under division (B) of this section shall be paid into the treasury of the political subdivision for which the clerk performs ~~his~~ the clerk's duties. All interest that has accrued on the rent deposited by the clerk of a municipal court under division (B) of this section shall be paid into the city treasury as defined in division (B) of section 1901.03 of the Revised Code.

The clerk shall forthwith release the rent, less costs, to the park operator if the resident gives written notice to the clerk that the condition has been remedied.

(2) Apply to the court for release of the rent on the grounds that the resident did not comply with the notice requirement of division (A) of section ~~3733.12~~ 4781.41 of the Revised Code, or that the resident was not current in rent payments due under the rental agreement at the time the resident initiated rent deposits with the clerk of courts under division (B)(1) of section ~~3733.12~~ 4781.41 of the Revised Code;

(3) Apply to the court for release of the rent on the grounds that there was no violation of any obligation imposed upon the park operator by section ~~3733.10~~ 4781.38 of the Revised Code or by the rental agreement, or by any building, housing, health, or safety code, or that the condition contained in the notice given pursuant to division (A) of section ~~3733.12~~ 4781.41 of the Revised

Code has been remedied. 76626

(B) The resident shall be named as a party to any action 76627  
filed by the park operator under this section, and shall have the 76628  
right to file an answer and counterclaim, as in other civil cases. 76629  
A trial shall be held within sixty days of the date of filing of 76630  
the park operator's complaint, unless for good cause shown the 76631  
court grants a continuance. 76632

(C) If the court finds that there was no violation of any 76633  
obligation imposed upon the park operator by section ~~3733.10~~ 76634  
4781.38 of the Revised Code or by the rental agreement, or by any 76635  
building, housing, health, or safety code, or that the condition 76636  
contained in the notice given pursuant to division (A) of section 76637  
~~3733.12~~ 4781.41 of the Revised Code has been remedied, or that the 76638  
resident did not comply with the notice requirement of division 76639  
(A) of section ~~3733.12~~ 4781.41 of the Revised Code, or that the 76640  
resident was not current in rent payments at the time the resident 76641  
initiated rent deposits with the clerk of court under division 76642  
(B)(1) of section ~~3733.12~~ 4781.41 of the Revised Code, the court 76643  
shall order the release to the park operator of rent on deposit 76644  
with the clerk, less costs. 76645

(D) If the court finds that the condition contained in the 76646  
notice given pursuant to division (A) of section ~~3733.12~~ 4781.41 76647  
of the Revised Code was the result of an act or omission of the 76648  
resident, or that the resident intentionally acted in bad faith in 76649  
proceeding under section ~~3733.12~~ 4781.41 of the Revised Code, the 76650  
resident shall be liable for damages caused to the park operator, 76651  
and for costs, together with reasonable attorneys' fees if the 76652  
resident intentionally acted in bad faith. 76653

**Sec. ~~3733.123~~ 4781.44.** (A) If a park operator brings an 76654  
action for the release of rent deposited with a clerk of court, 76655

payment of the periodic interest on a mortgage on the premises, 76658  
the periodic principal payments on a mortgage on the premises, the 76659  
insurance premiums for the premises, real estate taxes on the 76660  
premises, utility services, repairs, and other customary and usual 76661  
costs of operating the premises. 76662

(B) In determining whether to release rent for the payments 76663  
described in division (A) of this section, the court shall 76664  
consider the amount of rent the park operator receives from other 76665  
lots, the cost of operating these lots, and the costs which may be 76666  
required to remedy the condition contained in the notice given 76667  
pursuant to division (A) of section ~~3733.12~~ 4781.41 of the Revised 76668  
Code. 76669

**Sec. ~~3733.13~~ 4781.45.** If a resident commits a material 76670  
violation of the rules of the manufactured home park, of the 76671

operator may deliver a written notification of the violation to 76674  
the resident. The notification shall contain all of the following: 76675

(A) A description of the violation; 76676

(B) A statement that the rental agreement will terminate upon 76677  
a date specified in the written notice not less than thirty days 76678  
after receipt of the notice unless the resident remedies the 76679  
violation; 76680

(C) A statement that the violation was material and that if a 76681  
second material violation of any park or ~~public health council~~ 76682  
commission rule, or any health and safety code, occurs within six 76683  
months after the date of this notice, the rental agreement will 76684  
terminate immediately; 76685

(D) A statement that a defense available to termination of 76686

the rental agreement for two material violations of park or ~~public~~ 76687  
~~health council~~ commission rules, or of health and safety codes, is 76688  
that the park rule is unreasonable, or that the park or ~~public~~ 76689  
~~health council~~ rule commission, or health or safety code, is not 76690  
being enforced against other manufactured home park residents, or 76691  
that the two violations were not willful and not committed in bad 76692  
faith. 76693

If the resident remedies the condition described in the 76694  
notice, whether by repair, the payment of damages, or otherwise, 76695  
the rental agreement shall not terminate. The park operator may 76696  
terminate the rental agreement immediately if the resident commits 76697  
a second material violation of the park or ~~public health council~~ 76698  
commission rules, or of applicable state and local health and 76699  
safety codes, subject to the defense that the park rule is 76700  
unreasonable, that the park or ~~public health council~~ commission 76701  
rule, or health or safety code, is not being enforced against 76702  
other manufactured home park residents, or that the two violations 76703  
were not willful and not committed in bad faith. 76704

**Sec. ~~3733.14~~ 4781.46.** In any action under sections ~~3733.09~~ 76705  
~~4781.36~~ to ~~3733.20~~ 4781.52 of the Revised Code, any party may 76706  
recover damages for the breach of contract or the breach of any 76707

division (F) of this section. 76712

(B) No warrant of attorney to confess judgment shall be 76713

(F) The park operator may agree to assume responsibility for fulfilling any duty or obligation imposed on a resident by section ~~3733.101~~ 4781.39 of the Revised Code.

**Sec. ~~3733.16~~ 4781.48.** (A) If the court as a matter of law finds a rental agreement, or any clause of it, to have been unconscionable at the time it was made, it may refuse to enforce the rental agreement or it may enforce the remainder of the rental agreement without the unconscionable clause, or it may so limit the application of any unconscionable clause as to avoid any unconscionable result.

(B) When it is claimed or appears to the court that the rental agreement, or any clause of it, may be unconscionable, the parties shall be afforded a reasonable opportunity to present evidence as to its setting, purpose, and effect to aid the court in making the determination.

(C) A park operator who violates this section is liable in a 76758  
civil action for all damages caused to a resident, or to a 76759

**Sec. ~~3733.18~~ 4781.50.** (A) Any security deposit in excess of 76762  
fifty dollars or one month's periodic rent, whichever is greater, 76763

six months or more, and shall be computed and paid annually by the 76766  
park operator to the resident. 76767

(B) Upon termination of the rental agreement any property or 76768

**Sec. 4909.15.** (A) The public utilities commission, when fixing and determining just and reasonable rates, fares, tolls, rentals, and charges, shall determine: 76942  
76943  
76944

(1) The valuation as of the date certain of the property of the public utility used and useful in rendering the public utility service for which rates are to be fixed and determined. The valuation so determined shall be the total value as set forth in division (J) of section 4909.05 of the Revised Code, and a reasonable allowance for materials and supplies and cash working capital, as determined by the commission. 76945  
76946  
76947  
76948  
76949  
76950  
76951

The commission, in its discretion, may include in the valuation a reasonable allowance for construction work in progress but, in no event, may such an allowance be made by the commission 76952  
76953  
76954

until it has determined that the particular construction project 76955  
is at least seventy-five per cent complete. 76956

In determining the percentage completion of a particular 76957  
construction project, the commission shall consider, among other 76958  
relevant criteria, the per cent of time elapsed in construction; 76959  
the per cent of construction funds, excluding allowance for funds 76960  
used during construction, expended, or obligated to such 76961  
construction funds budgeted where all such funds are adjusted to 76962  
reflect current purchasing power; and any physical inspection 76963  
performed by or on behalf of any party, including the commission's 76964  
staff. 76965

A reasonable allowance for construction work in progress 76966  
shall not exceed ten per cent of the total valuation as stated in 76967  
this division, not including such allowance for construction work 76968  
in progress. 76969

Where the commission permits an allowance for construction 76970  
work in progress, the dollar value of the project or portion 76971  
thereof included in the valuation as construction work in progress 76972  
shall not be included in the valuation as plant in service until 76973  
such time as the total revenue effect of the construction work in 76974  
progress allowance is offset by the total revenue effect of the 76975  
plant in service exclusion. Carrying charges calculated in a 76976  
manner similar to allowance for funds used during construction 76977  
shall accrue on that portion of the project in service but not 76978  
reflected in rates as plant in service, and such accrued carrying 76979  
charges shall be included in the valuation of the property at the 76980  
conclusion of the offset period for purposes of division (J) of 76981  
section 4909.05 of the Revised Code. 76982

From and after April 10, 1985, no allowance for construction 76983  
work in progress as it relates to a particular construction 76984  
project shall be reflected in rates for a period exceeding 76985  
forty-eight consecutive months commencing on the date the initial 76986

rates reflecting such allowance become effective, except as 76987  
otherwise provided in this division. 76988

The applicable maximum period in rates for an allowance for 76989  
construction work in progress as it relates to a particular 76990  
construction project shall be tolled if, and to the extent, a 76991  
delay in the in-service date of the project is caused by the 76992  
action or inaction of any federal, state, county, or municipal 76993  
agency having jurisdiction, where such action or inaction relates 76994  
to a change in a rule, standard, or approval of such agency, and 76995  
where such action or inaction is not the result of the failure of 76996  
the utility to reasonably endeavor to comply with any rule, 76997  
standard, or approval prior to such change. 76998

In the event that such period expires before the project goes 76999  
into service, the commission shall exclude, from the date of 77000  
expiration, the allowance for the project as construction work in 77001  
progress from rates, except that the commission may extend the 77002  
expiration date up to twelve months for good cause shown. 77003

In the event that a utility has permanently canceled, 77004  
abandoned, or terminated construction of a project for which it 77005  
was previously permitted a construction work in progress 77006  
allowance, the commission immediately shall exclude the allowance 77007  
for the project from the valuation. 77008

In the event that a construction work in progress project 77009  
previously included in the valuation is removed from the valuation 77010  
pursuant to this division, any revenues collected by the utility 77011  
from its customers after April 10, 1985, that resulted from such 77012  
prior inclusion shall be offset against future revenues over the 77013  
same period of time as the project was included in the valuation 77014  
as construction work in progress. The total revenue effect of such 77015  
offset shall not exceed the total revenues previously collected. 77016

In no event shall the total revenue effect of any offset or 77017

offsets provided under division (A)(1) of this section exceed the 77018  
total revenue effect of any construction work in progress 77019  
allowance. 77020

(2) A fair and reasonable rate of return to the utility on 77021  
the valuation as determined in division (A)(1) of this section; 77022

(3) The dollar annual return to which the utility is entitled 77023  
by applying the fair and reasonable rate of return as determined 77024  
under division (A)(2) of this section to the valuation of the 77025  
utility determined under division (A)(1) of this section; 77026

(4) The cost to the utility of rendering the public utility 77027  
service for the test period less the total of any interest on cash 77028  
or credit refunds paid, pursuant to section 4909.42 of the Revised 77029  
Code, by the utility during the test period. 77030

(a) Federal, state, and local taxes imposed on or measured by 77031  
net income may, in the discretion of the commission, be computed 77032  
by the normalization method of accounting, provided the utility 77033  
maintains accounting reserves that reflect differences between 77034  
taxes actually payable and taxes on a normalized basis, provided 77035  
that no determination as to the treatment in the rate-making 77036  
process of such taxes shall be made that will result in loss of 77037  
any tax depreciation or other tax benefit to which the utility 77038  
would otherwise be entitled, and further provided that such tax 77039  
benefit as redounds to the utility as a result of such a 77040  
computation may not be retained by the company, used to fund any 77041  
dividend or distribution, or utilized for any purpose other than 77042  
the defrayal of the operating expenses of the utility and the 77043  
defrayal of the expenses of the utility in connection with 77044  
construction work. 77045

(b) The amount of any tax credits granted to an electric 77046  
light company under section 5727.391 of the Revised Code for Ohio 77047  
coal burned prior to January 1, 2000, shall not be retained by the 77048

company, used to fund any dividend or distribution, or utilized 77049  
for any purposes other than the defrayal of the allowable 77050  
operating expenses of the company and the defrayal of the 77051  
allowable expenses of the company in connection with the 77052  
installation, acquisition, construction, or use of a compliance 77053  
facility. The amount of the tax credits granted to an electric 77054  
light company under that section for Ohio coal burned prior to 77055  
January 1, 2000, shall be returned to its customers within three 77056  
years after initially claiming the credit through an offset to the 77057  
company's rates or fuel component, as determined by the 77058  
commission, as set forth in schedules filed by the company under 77059  
section 4905.30 of the Revised Code. As used in division 77060  
(A)(4)~~(e)~~(b) of this section, "compliance facility" has the same 77061  
meaning as in section 5727.391 of the Revised Code. 77062

(B) The commission shall compute the gross annual revenues to 77063  
which the utility is entitled by adding the dollar amount of 77064  
return under division (A)(3) of this section to the cost of 77065  
rendering the public utility service for the test period under 77066  
division (A)(4) of this section. 77067

(C) The test period, unless otherwise ordered by the 77068  
commission, shall be the twelve-month period beginning six months 77069  
prior to the date the application is filed and ending six months 77070  
subsequent to that date. In no event shall the test period end 77071  
more than nine months subsequent to the date the application is 77072  
filed. The revenues and expenses of the utility shall be 77073  
determined during the test period. The date certain shall be not 77074  
later than the date of filing. 77075

(D) ~~When the~~ (1) The commission shall fix and determine the 77076

utility without the order of the commission, and any other rate, 77152  
fare, toll, charge, rental, classification, or service is 77153  
prohibited. 77154

(E) Upon application of any person or any public utility, and 77155  
after notice to the parties in interest and opportunity to be 77156

4921., and 4923. of the Revised Code for other hearings, has been 77158  
given, the commission may rescind, alter, or amend an order fixing 77159  
any rate, fare, toll, charge, rental, classification, or service, 77160  
or any other order made by the commission. Certified copies of 77161  
such orders shall be served and take effect as provided for 77162  
original orders. 77163

duties granted ~~him~~ the counsel under this chapter, and all 77168  
necessary powers to carry out the purposes of this chapter. 77169

(2) Without limitation because of enumeration, the counsel: 77170

(C) The counsel shall not advocate or otherwise promote any 77185

state, including any position contrary to natural gas retail 77187  
auctions, merchant-function exit, or the policies of this state 77188  
relating to competitive natural gas markets as set forth in 77189  
Chapter 4929. of the Revised Code. 77190

Sec. 4911.021. The consumers' counsel shall not operate a 77191  
telephone call center for consumer complaints. Any calls received 77192  
by the consumers' counsel concerning consumer complaints shall be 77193  
forwarded to the public utilities commission's call center. 77194

**Sec. 4927.17.** (A) Except as provided in sections 4927.07 and 77195  
4927.12 of the Revised Code and, if applicable, under rules 77196  
adopted by the public utilities commission for the pilot program 77197  
for community-voicemail service created in S.B. 162 of the 128th 77198

(B) A telephone company shall inform its customers of the 77204

~~all residential bills and disconnection notices.~~ 77208

**Sec. 4928.10.** For the protection of consumers in this state, 77209  
the public utilities commission shall adopt rules under division 77210  
(A) of section 4928.06 of the Revised Code specifying the 77211  
necessary minimum service requirements, on or after the starting 77212  
date of competitive retail electric service, of an electric 77213  
utility, electric services company, electric cooperative, or 77214  
governmental aggregator subject to certification under section 77215  
4928.08 of the Revised Code regarding the provision directly or 77216  
through its billing and collection agent of competitive retail 77217  
electric services for which it is subject to certification. Rules 77218  
adopted under this section shall include a prohibition against 77219  
unfair, deceptive, and unconscionable acts and practices in the 77220  
marketing, solicitation, and sale of such a competitive retail 77221  
electric service and in the administration of any contract for 77222  
service, and also shall include additional consumer protections 77223  
concerning all of the following: 77224

(A) Contract disclosure. The rules shall include requirements 77225  
that an electric utility, electric services company, electric 77226  
cooperative, or governmental aggregator subject to certification 77227  
under section 4928.08 of the Revised Code do both of the 77228  
following: 77229

(1) Provide consumers with adequate, accurate, and 77230  
understandable pricing and terms and conditions of service, 77231  
including any switching fees, and with a document containing the 77232  
terms and conditions of pricing and service before the consumer 77233  
enters into the contract for service; 77234

(2) Disclose the conditions under which a customer may  
rescind a contract without penalty.

(B) Service termination. The rules shall include disclosure  
of the terms identifying how customers may switch or terminate  
service, including any required notice and any penalties.

(C) Minimum content of customer bills. The rules shall  
include all of the following requirements, which shall be  
standardized:

(1) Price disclosure and disclosures of total billing units  
for the billing period and historical annual usage;

(2) To the maximum extent practicable, separate listing of  
each service component to enable a customer to recalculate its  
bill for accuracy;

(3) Identification of the supplier of each service;

(4) Statement of where and how payment may be made and  
provision of a toll-free or local customer assistance and  
complaint number for the electric utility, electric services  
company, electric cooperative, or governmental aggregator, as well  
as a consumer assistance telephone number or numbers for state  
agencies, such as the commission, ~~the office of the consumers'~~  
~~counsel,~~ and the attorney general's office, with the available  
hours noted;

(5) Other than for the first billing after the starting date  
of competitive retail electric service, highlighting and clear  
explanation on each customer bill, for two consecutive billing  
periods, of any changes in the rates, terms, and conditions of  
service.

(D) Disconnection and service termination, including  
requirements with respect to master-metered buildings. The rules  
shall include policies and procedures that are consistent with

sections 4933.121 and 4933.122 of the Revised Code and the 77265  
commission's rules adopted under those sections, and that provide 77266  
for all of the following: 77267

(1) Coordination between suppliers for the purpose of 77268  
maintaining service; 77269

(2) The allocation of partial payments between suppliers when 77270  
service components are jointly billed; 77271

(3) A prohibition against blocking, or authorizing the 77272  
blocking of, customer access to a noncompetitive retail electric 77273  
service when a customer is delinquent in payments to the electric 77274  
utility or electric services company for a competitive retail 77275  
electric service; 77276

(4) A prohibition against switching, or authorizing the 77277  
switching of, a customer's supplier of competitive retail electric 77278  
service without the prior consent of the customer in accordance 77279  
with appropriate confirmation practices, which may include 77280  
independent, third-party verification procedures. 77281

(5) A requirement of disclosure of the conditions under which 77282  
a customer may rescind a decision to switch its supplier without 77283  
penalty; 77284

(6) Specification of any required notice and any penalty for 77285  
early termination of contract. 77286

(E) Minimum service quality, safety, and reliability. 77287  
However, service quality, safety, and reliability requirements for 77288  
electric generation service shall be determined primarily through 77289  
market expectations and contractual relationships. 77290

(F) Generation resource mix and environmental characteristics 77291  
of power supplies. The rules shall include requirements for 77292  
determination of the approximate generation resource mix and 77293  
environmental characteristics of the power supplies and disclosure 77294

to the customer prior to the customer entering into a contract to 77295  
purchase and four times per year under the contract. The rules 77296  
also shall require that the electric utility, electric services 77297  
company, electric cooperative, or governmental aggregator provide, 77298  
or cause its billing and collection agent to provide, a customer 77299  
with standardized information comparing the projected, with the 77300  
actual and verifiable, resource mix and environmental 77301  
characteristics. This disclosure shall occur not less than 77302  
annually or not less than once during the contract period if the 77303  
contract period is less than one year, and prior to any renewal of 77304  
a contract. 77305

(G) Customer information. The rules shall include 77306  
requirements that the electric utility, electric services company, 77307  
electric cooperative, or governmental aggregator make generic 77308  
customer load pattern information available to other electric 77309  
light companies on a comparable and nondiscriminatory basis, and 77310  
make customer-specific information available to other electric 77311  
light companies on a comparable and nondiscriminatory basis 77312  
unless, as to customer-specific information, the customer objects. 77313  
The rules shall ensure that each such utility, company, 77314  
cooperative, or aggregator provide clear and frequent notice to 77315  
its customers of the right to object and of applicable procedures. 77316  
The rules shall establish the exact language that shall be used in 77317  
all such notices. 77318

**Sec. 4928.18.** (A) Notwithstanding division (D)(2)~~(a)~~(b)(i) of 77319  
section 4909.15 of the Revised Code, nothing in this chapter 77320  
prevents the public utilities commission from exercising its 77321  
authority under Title XLIX of the Revised Code to protect 77322  
customers of retail electric service supplied by an electric 77323  
utility from any adverse effect of the utility's provision of a 77324  
product or service other than retail electric service. 77325

(B) The commission has jurisdiction under section 4905.26 of 77326  
the Revised Code, upon complaint of any person or upon complaint 77327  
or initiative of the commission on or after the starting date of 77328  
competitive retail electric service, to determine whether an 77329  
electric utility or its affiliate has violated any provision of 77330  
section 4928.17 of the Revised Code or an order issued or rule 77331  
adopted under that section. For this purpose, the commission may 77332  
examine such books, accounts, or other records kept by an electric 77333  
utility or its affiliate as may relate to the businesses for which 77334  
corporate separation is required under section 4928.17 of the 77335  
Revised Code, and may investigate such utility or affiliate 77336  
operations as may relate to those businesses and investigate the 77337  
interrelationship of those operations. Any such examination or 77338  
investigation by the commission shall be governed by Chapter 4903. 77339  
of the Revised Code. 77340

(C) In addition to any remedies otherwise provided by law, 77341  
the commission, regarding a determination of a violation pursuant 77342  
to division (B) of this section, may do any of the following: 77343

(1) Issue an order directing the utility or affiliate to 77344  
comply; 77345

(2) Modify an order as the commission finds reasonable and 77346  
appropriate and order the utility or affiliate to comply with the 77347  
modified order; 77348

(3) Suspend or abrogate an order, in whole or in part; 77349

(4) Issue an order that the utility or affiliate pay 77350  
restitution to any person injured by the violation or failure to 77351  
comply; 77352

(D) In addition to any remedies otherwise provided by law, 77353  
the commission, regarding a determination of a violation pursuant 77354  
to division (B) of this section and commensurate with the severity 77355  
of the violation, the source of the violation, any pattern of 77356

violations, or any monetary damages caused by the violation, may 77357  
do either of the following: 77358

(1) Impose a forfeiture on the utility or affiliate of up to 77359  
twenty-five thousand dollars per day per violation. The recovery 77360  
and deposit of any such forfeiture shall be subject to sections 77361  
4905.57 and 4905.59 of the Revised Code. 77362

(2) Regarding a violation by an electric utility relating to 77363  
a corporate separation plan involving competitive retail electric 77364  
service, suspend or abrogate all or part of an order, to the 77365  
extent it is in effect, authorizing an opportunity for the utility 77366  
to receive transition revenues under a transition plan approved by 77367  
the commission under section 4928.33 of the Revised Code. 77368

Corporate separation under this section does not prohibit the 77369  
common use of employee benefit plans, facilities, equipment, or 77370  
employees, subject to proper accounting and the code of conduct 77371  
ordered by the commission as provided in division (A)(1) of this 77372  
section. 77373

(E) Section 4905.61 of the Revised Code applies in the case 77374  
of any violation of section 4928.17 of the Revised Code or of any 77375  
rule adopted or order issued under that section. 77376

**Sec. 4928.20.** (A) The legislative authority of a municipal 77377  
corporation may adopt an ordinance, or the board of township 77378  
trustees of a township or the board of county commissioners of a 77379  
county may adopt a resolution, under which, on or after the 77380  
starting date of competitive retail electric service, it may 77381  
aggregate in accordance with this section the retail electrical 77382  
loads located, respectively, within the municipal corporation, 77383  
township, or unincorporated area of the county and, for that 77384  
purpose, may enter into service agreements to facilitate for those 77385  
loads the sale and purchase of electricity. The legislative 77386  
authority or board also may exercise such authority jointly with 77387

any other such legislative authority or board. For customers that 77388  
are not mercantile customers, an ordinance or resolution under 77389  
this division shall specify whether the aggregation will occur 77390  
only with the prior, affirmative consent of each person owning, 77391  
occupying, controlling, or using an electric load center proposed 77392  
to be aggregated or will occur automatically for all such persons 77393  
pursuant to the opt-out requirements of division (D) of this 77394  
section. The aggregation of mercantile customers shall occur only 77395  
with the prior, affirmative consent of each such person owning, 77396  
occupying, controlling, or using an electric load center proposed 77397  
to be aggregated. Nothing in this division, however, authorizes 77398  
the aggregation of the retail electric loads of an electric load 77399  
center, as defined in section 4933.81 of the Revised Code, that is 77400  
located in the certified territory of a nonprofit electric 77401  
supplier under sections 4933.81 to 4933.90 of the Revised Code or 77402  
an electric load center served by transmission or distribution 77403  
facilities of a municipal electric utility. 77404

(B) If an ordinance or resolution adopted under division (A) 77405  
of this section specifies that aggregation of customers that are 77406  
not mercantile customers will occur automatically as described in 77407  
that division, the ordinance or resolution shall direct the board 77408  
of elections to submit the question of the authority to aggregate 77409  
to the electors of the respective municipal corporation, township, 77410  
or unincorporated area of a county at a special election on the 77411  
day of the next primary or general election in the municipal 77412  
corporation, township, or county. The legislative authority or 77413  
board shall certify a copy of the ordinance or resolution to the 77414  
board of elections not less than ninety days before the day of the 77415  
special election. No ordinance or resolution adopted under 77416  
division (A) of this section that provides for an election under 77417  
this division shall take effect unless approved by a majority of 77418  
the electors voting upon the ordinance or resolution at the 77419  
election held pursuant to this division. 77420

(C) Upon the applicable requisite authority under divisions 77421  
(A) and (B) of this section, the legislative authority or board 77422  
shall develop a plan of operation and governance for the 77423  
aggregation program so authorized. Before adopting a plan under 77424  
this division, the legislative authority or board shall hold at 77425  
least two public hearings on the plan. Before the first hearing, 77426  
the legislative authority or board shall publish notice of the 77427  
hearings once a week for two consecutive weeks in a newspaper of 77428  
general circulation in the jurisdiction or as provided in section 77429  
7.16 of the Revised Code. The notice shall summarize the plan and 77430  
state the date, time, and location of each hearing. 77431

(D) No legislative authority or board, pursuant to an 77432  
ordinance or resolution under divisions (A) and (B) of this 77433  
section that provides for automatic aggregation of customers that 77434  
are not mercantile customers as described in division (A) of this 77435  
section, shall aggregate the electrical load of any electric load 77436  
center located within its jurisdiction unless it in advance 77437  
clearly discloses to the person owning, occupying, controlling, or 77438  
using the load center that the person will be enrolled 77439  
automatically in the aggregation program and will remain so 77440  
enrolled unless the person affirmatively elects by a stated 77441  
procedure not to be so enrolled. The disclosure shall state 77442  
prominently the rates, charges, and other terms and conditions of 77443  
enrollment. The stated procedure shall allow any person enrolled 77444  
in the aggregation program the opportunity to opt out of the 77445  
program every three years, without paying a switching fee. Any 77446  
such person that opts out before the commencement of the 77447  
aggregation program pursuant to the stated procedure shall default 77448  
to the standard service offer provided under section 4928.14 or 77449  
division (D) of section 4928.35 of the Revised Code until the 77450  
person chooses an alternative supplier. 77451

(E)(1) With respect to a governmental aggregation for a 77452

municipal corporation that is authorized pursuant to divisions (A) 77453  
to (D) of this section, resolutions may be proposed by initiative 77454  
or referendum petitions in accordance with sections 731.28 to 77455  
731.41 of the Revised Code. 77456

(2) With respect to a governmental aggregation for a township 77457  
or the unincorporated area of a county, which aggregation is 77458  
authorized pursuant to divisions (A) to (D) of this section, 77459  
resolutions may be proposed by initiative or referendum petitions 77460  
in accordance with sections 731.28 to 731.40 of the Revised Code, 77461  
except that: 77462

(a) The petitions shall be filed, respectively, with the 77463  
township fiscal officer or the board of county commissioners, who 77464  
shall perform those duties imposed under those sections upon the 77465  
city auditor or village clerk. 77466

(b) The petitions shall contain the signatures of not less 77467  
than ten per cent of the total number of electors in, 77468  
respectively, the township or the unincorporated area of the 77469  
county who voted for the office of governor at the preceding 77470  
general election for that office in that area. 77471

(F) A governmental aggregator under division (A) of this 77472  
section is not a public utility engaging in the wholesale purchase 77473  
and resale of electricity, and provision of the aggregated service 77474  
is not a wholesale utility transaction. A governmental aggregator 77475  
shall be subject to supervision and regulation by the public 77476  
utilities commission only to the extent of any competitive retail 77477  
electric service it provides and commission authority under this 77478  
chapter. 77479

(G) This section does not apply in the case of a municipal 77480  
corporation that supplies such aggregated service to electric load 77481  
centers to which its municipal electric utility also supplies a 77482  
noncompetitive retail electric service through transmission or 77483

distribution facilities the utility singly or jointly owns or 77484  
operates. 77485

(H) A governmental aggregator shall not include in its 77486  
aggregation the accounts of any of the following: 77487

(1) A customer that has opted out of the aggregation; 77488

(2) A customer in contract with a certified electric services 77489  
company; 77490

(3) A customer that has a special contract with an electric 77491  
distribution utility; 77492

(4) A customer that is not located within the governmental 77493  
aggregator's governmental boundaries; 77494

(5) Subject to division (C) of section 4928.21 of the Revised 77495  
Code, a customer who appears on the "do not aggregate" list 77496  
maintained under that section. 77497

(I) Customers that are part of a governmental aggregation 77498  
under this section shall be responsible only for such portion of a 77499  
surcharge under section 4928.144 of the Revised Code that is 77500  
proportionate to the benefits, as determined by the commission, 77501  
that electric load centers within the jurisdiction of the 77502  
governmental aggregation as a group receive. The proportionate 77503  
surcharge so established shall apply to each customer of the 77504  
governmental aggregation while the customer is part of that 77505  
aggregation. If a customer ceases being such a customer, the 77506  
otherwise applicable surcharge shall apply. Nothing in this 77507  
section shall result in less than full recovery by an electric 77508  
distribution utility of any surcharge authorized under section 77509  
4928.144 of the Revised Code. 77510

(J) On behalf of the customers that are part of a 77511  
governmental aggregation under this section and by filing written 77512  
notice with the public utilities commission, the legislative 77513

authority that formed or is forming that governmental aggregation 77514  
may elect not to receive standby service within the meaning of 77515  
division (B)(2)(d) of section 4928.143 of the Revised Code from an 77516  
electric distribution utility in whose certified territory the 77517  
governmental aggregation is located and that operates under an 77518  
approved electric security plan under that section. Upon the 77519  
filing of that notice, the electric distribution utility shall not 77520  
charge any such customer to whom competitive retail electric 77521  
generation service is provided by another supplier under the 77522  
governmental aggregation for the standby service. Any such 77523  
consumer that returns to the utility for competitive retail 77524  
electric service shall pay the market price of power incurred by 77525  
the utility to serve that consumer plus any amount attributable to 77526  
the utility's cost of compliance with the alternative energy 77527  
resource provisions of section 4928.64 of the Revised Code to 77528  
serve the consumer. Such market price shall include, but not be 77529  
limited to, capacity and energy charges; all charges associated 77530  
with the provision of that power supply through the regional 77531  
transmission organization, including, but not limited to, 77532  
transmission, ancillary services, congestion, and settlement and 77533  
administrative charges; and all other costs incurred by the 77534  
utility that are associated with the procurement, provision, and 77535  
administration of that power supply, as such costs may be approved 77536  
by the commission. The period of time during which the market 77537  
price and alternative energy resource amount shall be so assessed 77538  
on the consumer shall be from the time the consumer so returns to 77539  
the electric distribution utility until the expiration of the 77540  
electric security plan. However, if that period of time is 77541  
expected to be more than two years, the commission may reduce the 77542  
time period to a period of not less than two years. 77543

(K) The commission shall adopt rules to encourage and promote 77544  
large-scale governmental aggregation in this state. For that 77545  
purpose, the commission shall conduct an immediate review of any 77546

rules it has adopted for the purpose of this section that are in 77547  
effect on the effective date of the amendment of this section by 77548

corporation may adopt an ordinance, or the board of township 77663  
trustees of a township or the board of county commissioners of a 77664  
county may adopt a resolution, under which, in accordance with 77665  
this section and except as otherwise provided in division (A)(2) 77666  
of this section, the legislative authority or board may aggregate 77667  
automatically, subject to the opt-out requirements of division (D) 77668  
of this section, competitive retail natural gas service for the 77669

retail natural gas loads that are located, respectively, within 77670  
the municipal corporation, township, or unincorporated area of the 77671  
county and for which there is a choice of supplier of that service 77672  
as a result of revised schedules approved under division (C) of 77673  
section 4929.29 of the Revised Code, a rule or order adopted or 77674  
issued by the commission under Chapter 4905. of the Revised Code, 77675  
or an exemption granted by the commission under sections 4929.04 77676  
to 4929.08 of the Revised Code. An ordinance or a resolution 77677  
adopted under this section shall expressly state that it is 77678  
adopted pursuant to the authority conferred by this section. The 77679  
legislative authority or board also may exercise its authority 77680  
under this section jointly with any other such legislative 77681  
authority or board. For the purpose of the aggregation, the 77682  
legislative authority or board may enter into service agreements 77683  
to facilitate the sale and purchase of the service for the retail 77684  
natural gas loads. 77685

(2)(a) No aggregation under an ordinance or resolution 77686  
adopted under division (A)(1) of this section shall include the 77687  
retail natural gas load of any person that meets any of the 77688  
following criteria: 77689

(i) The person is both a distribution service customer and a 77690  
mercantile customer on the date of commencement of service to the 77691  
aggregated load, or the person becomes a distribution service 77692  
customer after that date and also is a mercantile customer. 77693

(ii) The person is supplied with commodity sales service 77694  
pursuant to a contract with a retail natural gas supplier that is 77695  
in effect on the effective date of the ordinance or resolution. 77696

(iii) The person is supplied with commodity sales service as 77697  
part of a retail natural gas load aggregation provided for 77698  
pursuant to a rule or order adopted or issued by the commission 77699  
under this chapter or Chapter 4905. of the Revised Code. 77700

(b) Nothing in division (A)(2)(a) of this section precludes a governmental aggregation under this section from permitting the retail natural gas load of a person described in division (A)(2)(a) of this section from being included in the aggregation upon the expiration of any contract or aggregation as described in division (A)(2)(a)(ii) or (iii) of this section or upon the person no longer being a customer as described in division (A)(2)(a)(i) of this section or qualifying to be included in an aggregation described under division (A)(2)(a)(iii) of this section.

(B) An ordinance or resolution adopted under division (A) of this section shall direct the board of elections to submit the question of the authority to aggregate to the electors of the respective municipal corporation, township, or unincorporated area of a county at a special election on the day of the next primary or general election in the municipal corporation, township, or county. The legislative authority or board shall certify a copy of the ordinance or resolution to the board of elections not less than ninety days before the day of the special election. No ordinance or resolution adopted under division (A) of this section that provides for an election under this division shall take effect unless approved by a majority of the electors voting upon the ordinance or resolution at the election held pursuant to this division.

(C) Upon the applicable requisite authority under divisions (A) and (B) of this section, the legislative authority or board shall develop a plan of operation and governance for the aggregation program so authorized. Before adopting a plan under this division, the legislative authority or board shall hold at least two public hearings on the plan. Before the first hearing, the legislative authority or board shall publish notice of the hearings once a week for two consecutive weeks in a newspaper of general circulation in the jurisdiction or as provided in section

7.16 of the Revised Code. The notice shall summarize the plan and 77733  
state the date, time, and location of each hearing. 77734

(D) No legislative authority or board, pursuant to an 77735  
ordinance or resolution under divisions (A) and (B) of this 77736  
section, shall aggregate any retail natural gas load located 77737  
within its jurisdiction unless it in advance clearly discloses to 77738  
the person whose retail natural gas load is to be so aggregated 77739  
that the person will be enrolled automatically in the aggregation 77740  
and will remain so enrolled unless the person affirmatively elects 77741  
by a stated procedure not to be so enrolled. The disclosure shall 77742  
state prominently the rates, charges, and other terms and 77743  
conditions of enrollment. The stated procedure shall allow any 77744  
person enrolled in the aggregation the opportunity to opt out of 77745  
the aggregation every two years, without paying a switching fee. 77746  
Any such person that opts out of the aggregation pursuant to the 77747  
stated procedure shall default to the natural gas company 77748  
providing distribution service for the person's retail natural gas 77749  
load, until the person chooses an alternative supplier. 77750

(E)(1) With respect to a governmental aggregation for a 77751  
municipal corporation that is authorized pursuant to divisions (A) 77752  
to (D) of this section, resolutions may be proposed by initiative 77753  
or referendum petitions in accordance with sections 731.28 to 77754  
731.41 of the Revised Code. 77755

(2) With respect to a governmental aggregation for a township 77756  
or the unincorporated area of a county, which aggregation is 77757  
authorized pursuant to divisions (A) to (D) of this section, 77758  
resolutions may be proposed by initiative or referendum petitions 77759  
in accordance with sections 731.28 to 731.40 of the Revised Code, 77760  
except that: 77761

(a) The petitions shall be filed, respectively, with the 77762  
township fiscal officer or the board of county commissioners, who 77763  
shall perform those duties imposed under those sections upon the 77764

city auditor or village clerk. 77765

(b) The petitions shall contain the signatures of not less 77766  
than ten per cent of the total number of electors in the township 77767  
or the unincorporated area of the county, respectively, who voted 77768  
for the office of governor at the preceding general election for 77769  
that office in that area. 77770

(F) A governmental aggregator under division (A) of this 77771  
section is not a public utility engaging in the wholesale purchase 77772  
and resale of natural gas, and provision of the aggregated service 77773  
is not a wholesale utility transaction. A governmental aggregator 77774  
shall be subject to supervision and regulation by the public 77775  
utilities commission only to the extent of any competitive retail 77776  
natural gas service it provides and commission authority under 77777  
this chapter. 77778

**Sec. 4929.27.** (A)(1) The legislative authority of a municipal 77779  
corporation may adopt an ordinance, or the board of township 77780  
trustees of a township or the board of county commissioners of a 77781  
county may adopt a resolution, under which, in accordance with 77782  
this section and except as otherwise provided in division (A)(2) 77783  
of this section, the legislative authority or board may aggregate, 77784  
with the prior consent of each person whose retail natural gas 77785  
load is proposed to be aggregated, competitive retail natural gas 77786  
service for any such retail natural gas load that is located, 77787  
respectively, within the municipal corporation, township, or 77788  
unincorporated area of the county and for which there is a choice 77789  
of supplier of that service as a result of revised schedules 77790  
approved under division (C) of section 4929.29 of the Revised 77791  
Code, a rule or order adopted or issued by the commission under 77792  
Chapter 4905. of the Revised Code, or an exemption granted by the 77793  
commission under sections 4929.04 to 4929.08 of the Revised Code. 77794  
An ordinance or a resolution adopted under this section shall 77795

expressly state that it is adopted pursuant to the authority 77796  
conferred by this section. The legislative authority or board also 77797  
may exercise such authority jointly with any other such 77798  
legislative authority or board. For the purpose of the 77799  
aggregation, the legislative authority or board may enter into 77800  
service agreements to facilitate the sale and purchase of the 77801  
service for the retail natural gas loads. 77802

(2)(a) No aggregation under an ordinance or resolution 77803  
adopted under division (A)(1) of this section shall include the 77804  
retail natural gas load of any person that meets either of the 77805  
following criteria: 77806

(i) The person is supplied with commodity sales service 77807  
pursuant to a contract with a retail natural gas supplier that is 77808  
in effect on the effective date of the ordinance or resolution. 77809

(ii) The person is supplied with commodity sales service as 77810  
part of a retail natural gas load aggregation provided for 77811  
pursuant to a rule or order adopted or issued by the commission 77812  
under this chapter or Chapter 4905. of the Revised Code. 77813

(b) Nothing in division (A)(2)(a) of this section precludes a 77814  
governmental aggregation under this section from permitting the 77815  
retail natural gas load of a person described in division 77816  
(A)(2)(a) of this section from being included in the aggregation 77817  
upon the expiration of any contract or aggregation as described in 77818  
division (A)(2)(a)(i) or (ii) of this section or upon the person 77819  
no longer qualifying to be included in an aggregation. 77820

(B) Upon the applicable requisite authority under division 77821  
(A) of this section, the legislative authority or board shall 77822  
develop a plan of operation and governance for the aggregation 77823  
program so authorized. Before adopting a plan under this division, 77824  
the legislative authority or board shall hold at least two public 77825  
hearings on the plan. Before the first hearing, the legislative 77826

authority or board shall publish notice of the hearings once a 77827  
week for two consecutive weeks in a newspaper of general 77828  
circulation in the jurisdiction or as provided in section 7.16 of 77829  
the Revised Code. The notice shall summarize the plan and state 77830  
the date, time, and location of each hearing. 77831

(C)(1) With respect to a governmental aggregation for a 77832  
municipal corporation that is authorized pursuant to division (A) 77833  
of this section, resolutions may be proposed by initiative or 77834  
referendum petitions in accordance with sections 731.28 to 731.41 77835  
of the Revised Code. 77836

(2) With respect to a governmental aggregation for a township 77837  
or the unincorporated area of a county, which aggregation is 77838  
authorized pursuant to division (A) of this section, resolutions 77839  
may be proposed by initiative or referendum petitions in 77840  
accordance with sections 731.28 to 731.40 of the Revised Code, 77841  
except that: 77842

(a) The petitions shall be filed, respectively, with the 77843  
township fiscal officer or the board of county commissioners, who 77844  
shall perform those duties imposed under those sections upon the 77845  
city auditor or village clerk. 77846

(b) The petitions shall contain the signatures of not less 77847  
than ten per cent of the total number of electors in the township 77848  
or the unincorporated area of the county, respectively, who voted 77849  
for the office of governor at the preceding general election for 77850  
that office in that area. 77851

(D) A governmental aggregator under division (A) of this 77852  
section is not a public utility engaging in the wholesale purchase 77853  
and resale of natural gas, and provision of the aggregated service 77854  
is not a wholesale utility transaction. A governmental aggregator 77855  
shall be subject to supervision and regulation by the public 77856  
utilities commission only to the extent of any competitive retail 77857

natural gas service it provides and commission authority under 77858  
this chapter. 77859

**Sec. 4931.51.** (A)(1) For the purpose of paying the costs of 77860  
establishing, equipping, and furnishing one or more public safety 77861  
answering points as part of a countywide 9-1-1 system effective 77862  
under division (B) of section 4931.44 of the Revised Code and 77863  
paying the expense of administering and enforcing this section, 77864  
the board of county commissioners of a county, in accordance with 77865  
this section, may fix and impose, on each lot or parcel of real 77866  
property in the county that is owned by a person, municipal 77867  
corporation, township, or other political subdivision and is 77868  
improved, or is in the process of being improved, reasonable 77869  
charges to be paid by each such owner. The charges shall be 77870  
sufficient to pay only the estimated allowed costs and shall be 77871  
equal in amount for all such lots or parcels. 77872

(2) For the purpose of paying the costs of operating and 77873  
maintaining the answering points and paying the expense of 77874  
administering and enforcing this section, the board, in accordance 77875  
with this section, may fix and impose reasonable charges to be 77876  
paid by each owner, as provided in division (A)(1) of this 77877  
section, that shall be sufficient to pay only the estimated 77878  
allowed costs and shall be equal in amount for all such lots or 77879  
parcels. The board may fix and impose charges under this division 77880  
pursuant to a resolution adopted for the purposes of both 77881  
divisions (A)(1) and (2) of this section or pursuant to a 77882  
resolution adopted solely for the purpose of division (A)(2) of 77883  
this section, and charges imposed under division (A)(2) of this 77884  
section may be separately imposed or combined with charges imposed 77885  
under division (A)(1) of this section. 77886

(B) Any board adopting a resolution under this section 77887  
pursuant to a final plan initiating the establishment of a 9-1-1 77888

system or pursuant to an amendment to a final plan shall adopt the 77889  
resolution within sixty days after the board receives the final 77890  
plan for the 9-1-1 system pursuant to division (C) of section 77891  
4931.43 of the Revised Code. The board by resolution may change 77892  
any charge imposed under this section whenever the board considers 77893  
it advisable. Any resolution adopted under this section shall 77894  
declare whether securities will be issued under Chapter 133. of 77895  
the Revised Code in anticipation of the collection of unpaid 77896  
special assessments levied under this section. 77897

(C) The board shall adopt a resolution under this section at 77898  
a public meeting held in accordance with section 121.22 of the 77899  
Revised Code. Additionally, the board, before adopting any such 77900  
resolution, shall hold at least two public hearings on the 77901  
proposed charges. Prior to the first hearing, the board shall 77902  
publish notice of the hearings once a week for two consecutive 77903  
weeks in a newspaper of general circulation in the county or as 77904  
provided in section 7.16 of the Revised Code. The notice shall 77905  
include a listing of the charges proposed in the resolution and 77906  
the date, time, and location of each of the hearings. The board 77907  
shall hear any person who wishes to testify on the charges or the 77908  
resolution. 77909

(D) No resolution adopted under this section shall be 77910  
effective sooner than thirty days following its adoption nor shall 77911  
any such resolution be adopted as an emergency measure. The 77912  
resolution is subject to a referendum in accordance with sections 77913  
305.31 to 305.41 of the Revised Code unless, in the resolution, 77914  
the board of county commissioners directs the board of elections 77915  
of the county to submit the question of imposing the charges to 77916  
the electors of the county at the next primary or general election 77917  
in the county occurring not less than ninety days after the 77918  
resolution is certified to the board. No resolution shall go into 77919  
effect unless approved by a majority of those voting upon it in 77920

any election allowed under this division. 77921

(E) To collect charges imposed under division (A) of this 77922  
section, the board of county commissioners shall certify them to 77923  
the county auditor of the county who then shall place them upon 77924  
the real property duplicate against the properties to be assessed, 77925  
as provided in division (A) of this section. Each assessment shall 77926  
bear interest at the same rate that securities issued in 77927  
anticipation of the collection of the assessments bear, is a lien 77928  
on the property assessed from the date placed upon the real 77929  
property duplicate by the auditor, and shall be collected in the 77930  
same manner as other taxes. 77931

(F) All money collected by or on behalf of a county under 77932  
this section shall be paid to the county treasurer of the county 77933  
and kept in a separate and distinct fund to the credit of the 77934  
county. The fund shall be used to pay the costs allowed in 77935  
division (A) of this section and specified in the resolution 77936  
adopted under that division. In no case shall any surplus so 77937  
collected be expended for other than the use and benefit of the 77938  
county. 77939

**Sec. 4931.52.** (A) This section applies only to a county that 77940  
meets both of the following conditions: 77941

(1) A final plan for a countywide 9-1-1 system either has not 77942  
been approved in the county under section 4931.44 of the Revised 77943  
Code or has been approved but has not been put into operation 77944  
because of a lack of funding; 77945

(2) The board of county commissioners, at least once, has 77946  
submitted to the electors of the county the question of raising 77947  
funds for a 9-1-1 system under section 4931.51, 5705.19, or 77948  
5739.026 of the Revised Code, and a majority of the electors has 77949  
disapproved the question each time it was submitted. 77950

(B) A board of county commissioners may adopt a resolution 77951  
imposing a monthly charge on telephone access lines to pay for the 77952  
equipment costs of establishing and maintaining no more than three 77953  
public safety answering points of a countywide 9-1-1 system, which 77954  
public safety answering points shall be only twenty-four-hour 77955  
dispatching points already existing in the county. The resolution 77956  
shall state the amount of the charge, which shall not exceed fifty 77957  
cents per month, and the month the charge will first be imposed, 77958  
which shall be no earlier than four months after the special 77959  
election held pursuant to this section. Each residential and 77960  
business telephone company customer within the area served by the 77961  
9-1-1 system shall pay the monthly charge for each of its 77962  
residential or business customer access lines or their equivalent. 77963

Before adopting a resolution under this division, the board 77964  
of county commissioners shall hold at least two public hearings on 77965  
the proposed charge. Before the first hearing, the board shall 77966  
publish notice of the hearings once a week for two consecutive 77967  
weeks in a newspaper of general circulation in the county or as 77968  
provided in section 7.16 of the Revised Code. The notice shall 77969  
state the amount of the proposed charge, an explanation of the 77970  
necessity for the charge, and the date, time, and location of each 77971  
of the hearings. 77972

(C) A resolution adopted under division (B) of this section 77973  
shall direct the board of elections to submit the question of 77974  
imposing the charge to the electors of the county at a special 77975  
election on the day of the next primary or general election in the 77976  
county. The board of county commissioners shall certify a copy of 77977  
the resolution to the board of elections not less than ninety days 77978  
before the day of the special election. No resolution adopted 77979  
under division (B) of this section shall take effect unless 77980  
approved by a majority of the electors voting upon the resolution 77981  
at an election held pursuant to this section. 77982

In any year, the board of county commissioners may impose a 77983  
lesser charge than the amount originally approved by the electors. 77984  
The board may change the amount of the charge no more than once a 77985  
year. The board may not impose a charge greater than the amount 77986  
approved by the electors without first holding an election on the 77987  
question of the greater charge. 77988

(D) Money raised from a monthly charge on telephone access 77989  
lines under this section shall be deposited into a special fund 77990  
created in the county treasury by the board of county 77991  
commissioners pursuant to section 5705.12 of the Revised Code, to 77992  
be used only for the necessary equipment costs of establishing and 77993  
maintaining no more than three public safety answering points of a 77994  
countywide 9-1-1 system pursuant to a resolution adopted under 77995  
division (B) of this section. In complying with this division, any 77996  
county may seek the assistance of the public utilities commission 77997  
with regard to operating and maintaining a 9-1-1 system. 77998

(E) Pursuant to the voter approval required by division (C) 77999  
of this section, the final plan for a countywide 9-1-1 system that 78000  
will be funded through a monthly charge imposed in accordance with 78001  
this section shall be amended by the existing 9-1-1 planning 78002  
committee, and the amendment of such a final plan is not an 78003  
amendment of a final plan for the purpose of division (A) of 78004  
section 4931.45 of the Revised Code. 78005

**Sec. 4931.53.** (A) This section applies only to a county that 78006  
has a final plan for a countywide 9-1-1 system that either has not 78007  
been approved in the county under section 4931.44 of the Revised 78008  
Code or has been approved but has not been put into operation 78009  
because of a lack of funding. 78010

(B) A board of county commissioners may adopt a resolution 78011  
imposing a monthly charge on telephone access lines to pay for the 78012  
operating and equipment costs of establishing and maintaining no 78013

more than one public safety answering point of a countywide 9-1-1 78014  
system. The resolution shall state the amount of the charge, which 78015  
shall not exceed fifty cents per month, and the month the charge 78016  
will first be imposed, which shall be no earlier than four months 78017  
after the special election held pursuant to this section. Each 78018  
residential and business telephone company customer within the 78019  
area of the county served by the 9-1-1 system shall pay the 78020  
monthly charge for each of its residential or business customer 78021  
access lines or their equivalent. 78022

Before adopting a resolution under this division, the board 78023  
of county commissioners shall hold at least two public hearings on 78024  
the proposed charge. Before the first hearing, the board shall 78025  
publish notice of the hearings once a week for two consecutive 78026  
weeks in a newspaper of general circulation in the county or as 78027  
provided in section 7.16 of the Revised Code. The notice shall 78028  
state the amount of the proposed charge, an explanation of the 78029  
necessity for the charge, and the date, time, and location of each 78030  
of the hearings. 78031

(C) A resolution adopted under division (B) of this section 78032  
shall direct the board of elections to submit the question of 78033  
imposing the charge to the electors of the county at a special 78034  
election on the day of the next primary or general election in the 78035  
county. The board of county commissioners shall certify a copy of 78036  
the resolution to the board of elections not less than ninety days 78037  
before the day of the special election. No resolution adopted 78038  
under division (B) of this section shall take effect unless 78039  
approved by a majority of the electors voting upon the resolution 78040  
at an election held pursuant to this section. 78041

In any year, the board of county commissioners may impose a 78042  
lesser charge than the amount originally approved by the electors. 78043  
The board may change the amount of the charge no more than once a 78044  
year. The board shall not impose a charge greater than the amount 78045

approved by the electors without first holding an election on the 78046  
question of the greater charge. 78047

(D) Money raised from a monthly charge on telephone access 78048  
lines under this section shall be deposited into a special fund 78049  
created in the county treasury by the board of county 78050  
commissioners pursuant to section 5705.12 of the Revised Code, to 78051  
be used only for the necessary operating and equipment costs of 78052  
establishing and maintaining no more than one public safety 78053  
answering point of a countywide 9-1-1 system pursuant to a 78054  
resolution adopted under division (B) of this section. In 78055  
complying with this division, any county may seek the assistance 78056  
of the public utilities commission with regard to operating and 78057  
maintaining a 9-1-1 system. 78058

(E) Nothing in sections 4931.40 to 4931.53 of the Revised 78059  
Code precludes a final plan adopted in accordance with those 78060  
sections from being amended to provide that, by agreement included 78061  
in the plan, a public safety answering point of another countywide 78062  
9-1-1 system is the public safety answering point of a countywide 78063  
9-1-1 system funded through a monthly charge imposed in accordance 78064  
with this section. In that event, the county for which the public 78065  
safety answering point is provided shall be deemed the subdivision 78066  
operating the public safety answering point for purposes of 78067  
sections 4931.40 to 4931.53 of the Revised Code, except that, for 78068  
the purpose of division (D) of section 4931.41 of the Revised 78069  
Code, the county shall pay only so much of the costs associated 78070  
with establishing, equipping, furnishing, operating, or 78071  
maintaining the public safety answering point specified in the 78072  
agreement included in the final plan. 78073

(F) Pursuant to the voter approval required by division (C) 78074  
of this section, the final plan for a countywide 9-1-1 system that 78075  
will be funded through a monthly charge imposed in accordance with 78076  
this section, or that will be amended to include an agreement 78077

described in division (E) of this section, shall be amended by the 78078  
existing 9-1-1 planning committee, and the amendment of such a 78079  
final plan is not an amendment of a final plan for the purpose of 78080  
division (A) of section 4931.45 of the Revised Code. 78081

Except as provided in division (C) of this section, a county's share of public assistance expenditures is the sum of all of the following for state fiscal year 1998 and each state fiscal year thereafter: 781111  
781112  
781113

The department of job 781130  
781131  
781132  
781133  
781134  
781135  
781136

and family services shall determine the actual amount of the 78137  
county share from expenditure reports submitted to the United 78138  
States department of health and human services. The percentage 78139  
shall be the percentage established in rules adopted under 78140  
division (F) of this section. 78141

(C)(1) If a county's share of public assistance expenditures 78142  
determined under division (B) of this section for a state fiscal 78143  
year exceeds one hundred ~~ten~~ five per cent of the county's share 78144  
for those expenditures for the immediately preceding state fiscal 78145  
year, the department of job and family services shall reduce the 78146  
county's share for expenditures under divisions (B)(1) and (2) of 78147  
this section so that the total of the county's share for 78148  
expenditures under division (B) of this section equals one hundred 78149  
~~ten~~ five per cent of the county's share of those expenditures for 78150  
the immediately preceding state fiscal year. 78151

(2) A county's share of public assistance expenditures 78152  
determined under division (B) of this section may be increased 78153  
pursuant to section 5101.163 of the Revised Code and a sanction 78154  
under section 5101.24 of the Revised Code. An increase made 78155  
pursuant to section 5101.163 of the Revised Code may cause the 78156  
county's share to exceed the limit established by division (C)(1) 78157  
of this section. 78158

(D)(1) If the per capita tax duplicate of a county is less 78159  
than the per capita tax duplicate of the state as a whole and 78160  
division (D)(2) of this section does not apply to the county, the 78161  
percentage to be used for the purpose of division (B)(2) of this 78162  
section is the product of ten multiplied by a fraction of which 78163  
the numerator is the per capita tax duplicate of the county and 78164  
the denominator is the per capita tax duplicate of the state as a 78165  
whole. The department of job and family services shall compute the 78166  
per capita tax duplicate for the state and for each county by 78167  
dividing the tax duplicate for the most recent available year by 78168

the current estimate of population prepared by the department of 78169  
development. 78170

(2) If the percentage of families in a county with an annual 78171  
income of less than three thousand dollars is greater than the 78172  
percentage of such families in the state and division (D)(1) of 78173  
this section does not apply to the county, the percentage to be 78174  
used for the purpose of division (B)(2) of this section is the 78175  
product of ten multiplied by a fraction of which the numerator is 78176  
the percentage of families in the state with an annual income of 78177  
less than three thousand dollars a year and the denominator is the 78178  
percentage of such families in the county. The department of job 78179  
and family services shall compute the percentage of families with 78180  
an annual income of less than three thousand dollars for the state 78181  
and for each county by multiplying the most recent estimate of 78182  
such families published by the department of development, by a 78183  
fraction, the numerator of which is the estimate of average annual 78184  
personal income published by the bureau of economic analysis of 78185  
the United States department of commerce for the year on which the 78186  
census estimate is based and the denominator of which is the most 78187  
recent such estimate published by the bureau. 78188

(3) If the per capita tax duplicate of a county is less than 78189  
the per capita tax duplicate of the state as a whole and the 78190  
percentage of families in the county with an annual income of less 78191  
than three thousand dollars is greater than the percentage of such 78192  
families in the state, the percentage to be used for the purpose 78193  
of division (B)(2) of this section shall be determined as follows: 78194

(a) Multiply ten by the fraction determined under division 78195  
(D)(1) of this section; 78196

(b) Multiply the product determined under division (D)(3)(a) 78197  
of this section by the fraction determined under division (D)(2) 78198  
of this section. 78199

(4) The department of job and family services shall 78200  
determine, for each county, the percentage to be used for the 78201  
purpose of division (B)(2) of this section not later than the 78202  
first day of July of the year preceding the state fiscal year for 78203  
which the percentage is used. 78204

(E) The department of job and family services shall credit to 78205  
a county the amount of federal reimbursement the department 78206  
receives from the United States departments of agriculture and 78207  
health and human services for the county's expenditures for 78208  
administration of the supplemental nutrition assistance program 78209  
and medicaid that the department determines are allowable 78210  
administrative expenditures. 78211

(F)(1) The director of job and family services shall adopt 78212  
rules in accordance with section 111.15 of the Revised Code to 78213  
establish all of the following: 78214

(a) The method the department is to use to change a county's 78215  
share of public assistance expenditures determined under division 78216  
(B) of this section as provided in division (C) of this section; 78217

(b) The allocation methodology and formula the department 78218  
will use to determine the amount of funds to credit to a county 78219  
under this section; 78220

(c) The method the department will use to change the payment 78221  
of the county share of public assistance expenditures from a 78222  
calendar-year basis to a state fiscal year basis; 78223

(d) The percentage to be used for the purpose of division 78224  
(B)(3) of this section, which shall, except as provided in section 78225  
5101.163 of the Revised Code, meet both of the following 78226  
requirements: 78227

(i) The percentage shall not be less than seventy-five per 78228  
cent nor more than eighty-two per cent; 78229

(ii) The percentage shall not exceed the percentage that the state's qualified state expenditures is of the state's historic state expenditures as those terms are defined in 42 U.S.C. 609(a)(7).

(e) Other procedures and requirements necessary to implement this section.

(2) The director of job and family services may amend the rule adopted under division (F)(1)(d) of this section to modify the percentage on determination that the amount the general assembly appropriates for Title IV-A programs makes the modification necessary. The rule shall be adopted and amended as if an internal management rule and in consultation with the director of budget and management.

an automatic right of recovery to the department of job and family 79295  
services and a county department of job and family services 79296  
against the liability of a third party for the cost of medical 79297  
assistance paid on behalf of the public assistance recipient or 79298  
participant. When an action or claim is brought against a third 79299  
party by a public assistance recipient or participant, any 79300

payment, settlement or compromise of the action or claim, or any 79301  
court award or judgment, is subject to the recovery right of the 79302  
department of job and family services or county department of job 79303  
and family services. Except in the case of a recipient or 79304  
participant who receives medical assistance through a managed care 79305  
organization, the department's or county department's claim shall 79306  
not exceed the amount of medical assistance paid by a department 79307  
on behalf of the recipient or participant. A payment, settlement, 79308  
compromise, judgment, or award that excludes the cost of medical 79309  
assistance paid for by a department shall not preclude a 79310  
department from enforcing its rights under this section. 79311

(B) In the case of a recipient or participant who receives 79312  
medical assistance through a managed care organization, the amount 79313  
of the department's or county department's claim shall be the 79314  
amount the managed care organization pays for medical assistance 79315  
rendered to the recipient or participant, even if that amount is 79316  
more than the amount a department pays to the managed care 79317  
organization for the recipient's or participant's medical 79318  
assistance. 79319

(C) A recipient or participant, and the recipient's or 79320  
participant's attorney, if any, shall cooperate with the 79321  
departments. In furtherance of this requirement, the recipient or 79322  
participant, or the recipient's or participant's attorney, if any, 79323  
shall, not later than thirty days after initiating informal 79324  
recovery activity or filing a legal recovery action against a 79325  
third party, provide written notice of the activity or action to 79326  
the department of job and family services when medical assistance 79327  
under medicaid ~~or the children's buy in program~~ has been paid. 79328

(D) The written notice that must be given under division (C) 79329  
of this section shall disclose the identity and address of any 79330  
third party against whom the recipient or participant has or may 79331  
have a right of recovery. 79332

(E) No settlement, compromise, judgment, or award or any recovery in any action or claim by a recipient or participant where the departments have a right of recovery shall be made final without first giving the appropriate departments written notice as described in division (C) of this section and a reasonable opportunity to perfect their rights of recovery. If the departments are not given the appropriate written notice, the recipient or participant and, if there is one, the recipient's or participant's attorney, are liable to reimburse the departments for the recovery received to the extent of medical payments made by the departments.

(F) The departments shall be permitted to enforce their recovery rights against the third party even though they accepted prior payments in discharge of their rights under this section if, at the time the departments received such payments, they were not aware that additional medical expenses had been incurred but had not yet been paid by the departments. The third party becomes liable to the department of job and family services or county department of job and family services as soon as the third party is notified in writing of the valid claims for recovery under this section.

(G)(1) Subject to division (G)(2) of this section, the right of recovery of a department does not apply to that portion of any judgment, award, settlement, or compromise of a claim, to the extent of attorneys' fees, costs, or other expenses incurred by a recipient or participant in securing the judgment, award, settlement, or compromise, or to the extent of medical, surgical, and hospital expenses paid by such recipient or participant from the recipient's or participant's own resources.

(2) Reasonable attorneys' fees, not to exceed one-third of the total judgment, award, settlement, or compromise, plus costs and other expenses incurred by the recipient or participant in

securing the judgment, award, settlement, or compromise, shall 79365  
first be deducted from the total judgment, award, settlement, or 79366  
compromise. After fees, costs, and other expenses are deducted 79367  
from the total judgment, award, settlement, or compromise, the 79368  
department of job and family services or appropriate county 79369  
department of job and family services shall receive no less than 79370  
one-half of the remaining amount, or the actual amount of medical 79371  
assistance paid, whichever is less. 79372

(H) A right of recovery created by this section may be 79373  
enforced separately or jointly by the department of job and family 79374  
services or the appropriate county department of job and family 79375  
services. To enforce their recovery rights, the departments may do 79376  
any of the following: 79377

(1) Intervene or join in any action or proceeding brought by 79378  
the recipient or participant or on the recipient's or 79379  
participant's behalf against any third party who may be liable for 79380  
the cost of medical assistance paid; 79381

(2) Institute and pursue legal proceedings against any third 79382  
party who may be liable for the cost of medical assistance paid; 79383

(3) Initiate legal proceedings in conjunction with any 79384  
injured, diseased, or disabled recipient or participant or the 79385  
recipient's or participant's attorney or representative. 79386

(I) A recipient or participant shall not assess attorney 79387  
fees, costs, or other expenses against the department of job and 79388  
family services or a county department of job and family services 79389  
when the department or county department enforces its right of 79390  
recovery created by this section. 79391

(J) The right of recovery given to the department under this 79392  
section does not include rights to support from any other person 79393  
assigned to the state under sections 5107.20 and 5115.07 of the 79394  
Revised Code, but includes payments made by a third party under 79395

| (F)(1) "Date of licensure," for a facility originally                                                                                                                                                                                                                   | 83278                                     |

licensed as a nursing home under Chapter 3721. of the Revised 83279  
Code, means the date specific beds were originally licensed as 83280  
nursing home beds under that chapter, regardless of whether they 83281  
were subsequently licensed as residential facility beds under 83282  
section 5123.19 of the Revised Code. For a facility originally 83283  
licensed as a residential facility under section 5123.19 of the 83284  
Revised Code, "date of licensure" means the date specific beds 83285

residential facility services, "date of licensure" means the date 83292  
the beds first were used to provide nursing home or residential 83293  
facility services, regardless of the date the present provider 83294  
obtained licensure. 83295

If a facility adds nursing home beds or residential facility 83296  
beds or extensively renovates all or part of the facility after 83297  
its original date of licensure, it will have a different date of 83298  
licensure for the additional beds or extensively renovated portion 83299  
of the facility, unless the beds are added in a space that was 83300  
constructed at the same time as the previously licensed beds but 83301  
was not licensed under Chapter 3721. or section 5123.19 of the 83302  
Revised Code at that time. 83303

(2) The definition of "date of licensure" in this section 83304  
applies in determinations of the medicaid reimbursement rate for a 83305  
nursing facility or intermediate care facility for the mentally 83306

Sec. 5111.225. (A) As used in this section: 83694

"Dual eligible individual" has the same meaning as in section 83695  
1915(h)(2)(B) of the "Social Security Act," 124 Stat. 315 (2010), 83696

(B) The department of job and family services shall pay the 83700  
provider of a nursing facility the lesser of the following for 83701

nursing facility services the nursing facility provides on or 83702

**Sec. 5111.23.** (A) The department of job and family services 83711  
shall pay a provider for each of the provider's eligible 83712  
intermediate care facilities for the mentally retarded a per 83713  
resident per day rate for direct care costs established 83714  
prospectively for each facility. The department shall establish 83715  
each facility's rate for direct care costs quarterly. 83716

(B) Each facility's rate for direct care costs shall be based 83717  
on the facility's cost per case-mix unit, subject to the maximum 83718  
costs per case-mix unit established under division (B)(2) of this 83719  
section, from the calendar year preceding the fiscal year in which 83720  
the rate is paid. To determine the rate, the department shall do 83721  
all of the following: 83722

(1) Determine each facility's cost per case-mix unit for the 83723  
calendar year preceding the fiscal year in which the rate will be 83724  
paid by dividing the facility's desk-reviewed, actual, allowable, 83725  
per diem direct care costs for that year by its average case-mix 83726  
score determined under section 5111.232 of the Revised Code for 83727  
the same calendar year. 83728

(2)(a) Set the maximum cost per case-mix unit for each peer 83729  
group of intermediate care facilities for the mentally retarded 83730  
with more than eight beds specified in rules adopted under 83731

division ~~(E)~~(F) of this section at a percentage above the cost per 83732  
case-mix unit of the facility in the group that has the group's 83733  
median medicaid inpatient day for the calendar year preceding the 83734  
fiscal year in which the rate will be paid, as calculated under 83735  
division (B)(1) of this section, that is no less than the 83736  
percentage calculated under division ~~(D)~~(E)(2) of this section. 83737

(b) Set the maximum cost per case-mix unit for each peer 83738  
group of intermediate care facilities for the mentally retarded 83739  
with eight or fewer beds specified in rules adopted under division 83740  
~~(E)~~(F) of this section at a percentage above the cost per case-mix 83741  
unit of the facility in the group that has the group's median 83742  
medicaid inpatient day for the calendar year preceding the fiscal 83743  
year in which the rate will be paid, as calculated under division 83744  
(B)(1) of this section, that is no less than the percentage 83745  
calculated under division ~~(D)~~(E)(3) of this section. 83746

(c) In calculating the maximum cost per case-mix unit under 83747  
divisions (B)(2)(a) ~~to~~ and (b) of this section for each peer 83748  
group, the department shall exclude from its calculations the cost 83749  
per case-mix unit of any facility in the group that participated 83750  
in the medicaid program under the same operator for less than 83751  
twelve months during the calendar year preceding the fiscal year 83752  
in which the rate will be paid. 83753

(3) Estimate the rate of inflation for the eighteen-month 83754  
period beginning on the first day of July of the calendar year 83755  
preceding the fiscal year in which the rate will be paid and 83756  
ending on the thirty-first day of December of the fiscal year in 83757  
which the rate will be paid, using the ~~employment cost index for~~ 83758  
~~total compensation, health services component, published by the~~ 83759  
~~United States bureau of labor statistics~~ specified in division (C) 83760  
of this section. If the estimated inflation rate for the 83761  
eighteen-month period is different from the actual inflation rate 83762  
for that period, as measured using the same index, the difference 83763

shall be added to or subtracted from the inflation rate estimated 83764  
under division (B)(3) of this section for the following fiscal 83765  
year. 83766

(4) The department shall not recalculate a maximum cost per 83767  
case-mix unit under division (B)(2) of this section or a 83768  
percentage under division ~~(D)~~(E) of this section based on 83769  
additional information that it receives after the maximum costs 83770  
per case-mix unit or percentages are set. The department shall 83771  
recalculate a maximum cost per case-mix units or percentage only 83772  
if it made an error in computing the maximum cost per case-mix 83773  
unit or percentage based on information available at the time of 83774  
the original calculation. 83775

(C) The department shall use the following index for the 83776  
purpose of division (B)(3) of this section: 83777

(1) The employment cost index for total compensation, health 83778  
services component, published by the United States bureau of labor 83779  
statistics; 83780

(2) If the United States bureau of labor statistics ceases to 83781  
publish the index specified in division (C)(1) of this section, 83782  
the index that is subsequently published by the bureau and covers 83783  
nursing facilities' staff costs. 83784

(D) Each facility's rate for direct care costs shall be 83785  
determined as follows for each calendar quarter within a fiscal 83786  
year: 83787

(1) Multiply the lesser of the following by the facility's 83788  
average case-mix score determined under section 5111.232 of the 83789  
Revised Code for the calendar quarter that preceded the 83790  
immediately preceding calendar quarter: 83791

(a) The facility's cost per case-mix unit for the calendar 83792  
year preceding the fiscal year in which the rate will be paid, as 83793  
determined under division (B)(1) of this section; 83794

(b) The maximum cost per case-mix unit established for the 83795  
fiscal year in which the rate will be paid for the facility's peer 83796  
group under division (B)(2) of this section; 83797

(2) Adjust the product determined under division ~~(C)~~(D)(1) of 83798  
this section by the inflation rate estimated under division (B)(3) 83799  
of this section. 83800

~~(D)~~(E)(1) The department shall calculate the percentage above 83801  
the median cost per case-mix unit determined under division (B)(1) 83802  
of this section for the facility that has the median medicaid 83803  
inpatient day for calendar year 1992 for all intermediate care 83804  
facilities for the mentally retarded with more than eight beds 83805  
that would result in payment of all desk-reviewed, actual, 83806  
allowable direct care costs for eighty and one-half per cent of 83807  
the medicaid inpatient days for such facilities for calendar year 83808  
1992. 83809

(2) The department shall calculate the percentage above the 83810  
median cost per case-mix unit determined under division (B)(1) of 83811  
this section for the facility that has the median medicaid 83812  
inpatient day for calendar year 1992 for all intermediate care 83813  
facilities for the mentally retarded with eight or fewer beds that 83814  
would result in payment of all desk-reviewed, actual, allowable 83815  
direct care costs for eighty and one-half per cent of the medicaid 83816  
inpatient days for such facilities for calendar year 1992. 83817

~~(E)~~(F) The director of job and family services shall adopt 83818  
rules under section 5111.02 of the Revised Code that specify peer 83819  
groups of intermediate care facilities for the mentally retarded 83820  
with more than eight beds and intermediate care facilities for the 83821  
mentally retarded with eight or fewer beds, based on findings of 83822  
significant per diem direct care cost differences due to geography 83823  
and facility bed-size. The rules also may specify peer groups 83824  
based on findings of significant per diem direct care cost 83825  
differences due to other factors which may include case-mix. 83826

~~(F)~~(G) The department, in accordance with division (D) of 83827  
section 5111.232 of the Revised Code and rules adopted under 83828  
division ~~(E)~~(F) of that section, may assign case-mix scores or 83829  
costs per case-mix unit if a provider fails to submit assessment 83830  
data necessary to calculate an intermediate care facility for the 83831  
mentally retarded's case-mix score in accordance with that 83832  
section. 83833

this section of each peer groups' cost per case-mix unit using 83844  
information from cost reports for an applicable calendar year that 83845  
is later than the applicable calendar year used for the previous 83846  
determination of such costs. 83847

(B) The department of job and family services shall pay a 83848  
provider for each of the provider's eligible nursing facilities a 83849

semiannually by multiplying the cost per case-mix unit determined 83851

facilities for the mentally retarded with eight or fewer beds, 84238  
based on findings of significant per diem indirect care cost 84239  
differences due to geography and facility bed-size. The rules also 84240  
may specify peer groups based on findings of significant per diem 84241  
indirect care cost differences due to other factors, including 84242

in calendar year 2010. 84294

(D) The department shall cease to award points to nursing 84295  
facilities under division (C) of this section on the earlier of 84296  
the effective date of the rules adopted under division (E) of this 84297  
section establishing new accountability measures and July 1, 2012. 84298  
If the effective date of the rules establishing the new 84299  
accountability measures is after July 1, 2012, the department 84300  
shall not award any points, and therefore not pay quality 84301  
incentive payments, for the period beginning July 1, 2012, and 84302  
ending on the effective date of the rules. Once the rules are in 84303  
effect, the department shall award each nursing facility 84304  
participating in the medicaid program points in accordance with 84305  
the new accountability measures established in the rules. 84306

(E) The director of job and family services shall adopt rules 84307  
under section 5111.02 of the Revised Code as necessary to 84308  
implement this section. The rules shall include, including rules 84309  
governing the methodology for converting points awarded under this 84310  
section into quality incentive payments and rules establishing the 84311  
system for awarding points under division (C) of this section. The 84312  
director shall strive to have in effect not later than July 1, 84313  
2012, rules establishing new accountability measures for the 84314  
purpose of division (D) of this section. In adopting those rules, 84315  
the director shall collaborate with persons interested in the 84316  
issue of medicaid coverage of nursing facility services. The new 84317  
accountability measures shall include measures relating to the 84318  
quality of care that nursing facilities provide their residents 84319  
and the residents' quality of life. 84320

determination of such rates. 84335

(B) The department of job and family services shall pay a 84336  
provider for each of the provider's eligible nursing facilities a 84337

(D)(1) ~~At least once every ten years, the~~ The department 84376  
shall determine the ~~median~~ rate for capital costs for each peer 84377  
group established under division (C) of this section. The ~~median~~ 84378  
department is not required to conduct a rebasing more than once 84379  
every ten years. Except as necessary to implement the amendments 84380  
made by this act to this section, the rate for capital costs 84381  
determined under this division for a peer group shall be used for 84382

subsequent years until the department ~~redetermines it~~ conducts a 84383  
rebasing. ~~To determine a~~ A peer group's median rate for capital 84384  
costs shall be the rate for capital costs determined for the 84385  
nursing facility in the peer group that is at the twenty-fifth 84386  
percentile of the rate for capital costs for the applicable 84387  
calendar year. In identifying that nursing facility, the 84388  
department shall do both of the following: 84389

(a) Subject to division (D)(2) of this section, use the 84390  
greater of each nursing facility's actual inpatient days for the 84391  
applicable calendar year or the inpatient days the nursing 84392  
facility would have had for the applicable calendar year if its 84393  
occupancy rate had been one hundred per cent-; 84394

(b) Exclude both of the following: 84395

(i) Nursing facilities that participated in the medicaid 84396  
program under the same provider for less than twelve months in the 84397  
applicable calendar year; 84398

(ii) Nursing facilities whose capital costs are more than one 84399  
standard deviation from the mean desk-reviewed, actual, allowable, 84400  
per diem capital cost for all nursing facilities in the nursing 84401  
facility's peer group for the applicable calendar year. 84402

(2) For the purpose of determining a nursing facility's 84403  
occupancy rate under division (D)(1)(a) of this section, the 84404  
department shall include any beds that the nursing facility 84405  
removes from its medicaid-certified capacity after June 30, 2005, 84406  
unless the nursing facility also removes the beds from its 84407  
licensed bed capacity. 84408

(3) The department shall not redetermine a peer group's rate 84409  
for capital costs under this division based on additional 84410  
information that it receives after the rate is determined. The 84411  
department shall redetermine a peer group's rate for capital costs 84412  
only if the department made an error in determining the rate based 84413

on information available to the department at the time of the 84414  
original determination. 84415

(E) Buildings shall be depreciated using the straight line 84416  
method over forty years or over a different period approved by the 84417  
department. Components and equipment shall be depreciated using 84418  
the straight-line method over a period designated in rules adopted 84419  
under section 5111.02 of the Revised Code, consistent with the 84420  
guidelines of the American hospital association, or over a 84421  
different period approved by the department. Any rules authorized 84422  
by this division that specify useful lives of buildings, 84423  
components, or equipment apply only to assets acquired on or after 84424  
July 1, 1993. Depreciation for costs paid or reimbursed by any 84425  
government agency shall not be included in capital costs unless 84426  
that part of the payment under sections 5111.20 to 5111.33 of the 84427  
Revised Code is used to reimburse the government agency. 84428

(F) The capital cost basis of nursing facility assets shall 84429  
be determined in the following manner: 84430

(1) Except as provided in division (F)(3) of this section, 84431  
for purposes of calculating the rates to be paid for facilities 84432  
with dates of licensure on or before June 30, 1993, the capital 84433  
cost basis of each asset shall be equal to the desk-reviewed, 84434  
actual, allowable, capital cost basis that is listed on the 84435  
facility's cost report for the calendar year preceding the fiscal 84436  
year during which the rate will be paid. 84437

(2) For facilities with dates of licensure after June 30, 84438  
1993, the capital cost basis shall be determined in accordance 84439  
with the principles of the medicare program established under 84440  
Title XVIII, except as otherwise provided in sections 5111.20 to 84441  
5111.33 of the Revised Code. 84442

(3) Except as provided in division (F)(4) of this section, if 84443  
a provider transfers an interest in a facility to another provider 84444

after June 30, 1993, there shall be no increase in the capital 84445  
cost basis of the asset if the providers are related parties or 84446  
the provider to which the interest is transferred authorizes the 84447  
provider that transferred the interest to continue to operate the 84448  
facility under a lease, management agreement, or other 84449  
arrangement. If the previous sentence does not prohibit the 84450  
adjustment of the capital cost basis under this division, the 84451  
basis of the asset shall be adjusted by ~~the lesser of the~~ 84452  
~~following:~~ 84453

~~(a) One half of the change in construction costs during the 84454  
time that the transferor held the asset, as calculated by the 84455  
department of job and family services using the "Dodge building 84456  
cost indexes, northeastern and north central states," published by 84457  
Marshall and Swift;~~ 84458

~~(b) One-half one-half of the change in the consumer price 84459  
index for all items for all urban consumers, as published by the 84460  
United States bureau of labor statistics, during the time that the 84461  
transferor held the asset.~~ 84462

(4) If a provider transfers an interest in a facility to 84463  
another provider who is a related party, the capital cost basis of 84464  
the asset shall be adjusted as specified in division (F)(3) of 84465  
this section if all of the following conditions are met: 84466

(a) The related party is a relative of owner; 84467

(b) Except as provided in division (F)(4)(c)(ii) of this 84468  
section, the provider making the transfer retains no ownership 84469  
interest in the facility; 84470

(c) The department of job and family services determines that 84471  
the transfer is an arm's length transaction pursuant to rules 84472  
adopted under section 5111.02 of the Revised Code. The rules shall 84473  
provide that a transfer is an arm's length transaction if all of 84474  
the following apply: 84475

(i) Once the transfer goes into effect, the provider that 84476  
made the transfer has no direct or indirect interest in the 84477  
provider that acquires the facility or the facility itself, 84478  
including interest as an owner, officer, director, employee, 84479  
independent contractor, or consultant, but excluding interest as a 84480  
creditor. 84481

(ii) The provider that made the transfer does not reacquire 84482  
an interest in the facility except through the exercise of a 84483  
creditor's rights in the event of a default. If the provider 84484  
reacquires an interest in the facility in this manner, the 84485  
department shall treat the facility as if the transfer never 84486  
occurred when the department calculates its reimbursement rates 84487  
for capital costs. 84488

(iii) The transfer satisfies any other criteria specified in 84489  
the rules. 84490

(d) Except in the case of hardship caused by a catastrophic 84491  
event, as determined by the department, or in the case of a 84492  
provider making the transfer who is at least sixty-five years of 84493  
age, not less than twenty years have elapsed since, for the same 84494  
facility, the capital cost basis was adjusted most recently under 84495  
division (F)(4) of this section or actual, allowable cost of 84496  
ownership was determined most recently under division (G)(9) of 84497  
this section. 84498

(G) As used in this division: 84499

"Imputed interest" means the lesser of the prime rate plus 84500  
two per cent or ten per cent. 84501

"Lease expense" means lease payments in the case of an 84502  
operating lease and depreciation expense and interest expense in 84503  
the case of a capital lease. 84504

"New lease" means a lease, to a different lessee, of a 84505  
nursing facility that previously was operated under a lease. 84506

(1) Subject to division (B) of this section, for a lease of a facility that was effective on May 27, 1992, the entire lease expense is an actual, allowable capital cost during the term of the existing lease. The entire lease expense also is an actual, allowable capital cost if a lease in existence on May 27, 1992, is renewed under either of the following circumstances:

(a) The renewal is pursuant to a renewal option that was in existence on May 27, 1992;

(b) The renewal is for the same lease payment amount and between the same parties as the lease in existence on May 27, 1992.

(2) Subject to division (B) of this section, for a lease of a facility that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis, adjusted by ~~the lesser of the following amounts:~~

~~(a) One half of the change in construction costs during the time the lessor held each asset until the beginning of the lease, as calculated by the department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift;~~

~~(b) one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.~~

(3) Subject to division (B) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that is initially operated under a lease, actual, allowable capital

costs shall include the annual lease expense if there was a 84538  
substantial commitment of money for construction of the facility 84539  
after December 22, 1992, and before July 1, 1993. If there was not 84540  
a substantial commitment of money after December 22, 1992, and 84541  
before July 1, 1993, actual, allowable capital costs shall include 84542  
the lesser of the annual lease expense or the sum of the 84543  
following: 84544

(a) The annual depreciation expense that would be calculated 84545  
at the inception of the lease using the lessor's entire historical 84546  
capital asset cost basis; 84547

(b) The greater of the lessor's actual annual amortization of 84548  
financing costs and interest expense at the inception of the lease 84549  
or the imputed interest expense calculated at the inception of the 84550  
lease using seventy per cent of the lessor's historical capital 84551  
asset cost basis. 84552

(4) Subject to division (B) of this section, for a lease of a 84553  
facility with a date of licensure on or after May 27, 1992, that 84554  
was not initially operated under a lease and has been in existence 84555  
for ten years, actual, allowable capital costs shall include the 84556  
lesser of the annual lease expense or the annual depreciation 84557  
expense and imputed interest expense that would be calculated at 84558  
the inception of the lease using the entire historical capital 84559  
asset cost basis of the lessor, ~~adjusted by the lesser of the~~ 84560  
~~following:~~ 84561

~~(a) One half of the change in construction costs during the 84562  
time the lessor held each asset until the beginning of the lease, 84563  
as calculated by the department using the "Dodge building cost 84564  
indexes, northeastern and north central states," published by 84565  
Marshall and Swift;~~ 84566

~~(b) One half one-half of the change in the consumer price 84567  
index for all items for all urban consumers, as published by the 84568~~

United States bureau of labor statistics, during the time the 84569  
lessor held each asset until the beginning of the lease. 84570

(5) Subject to division (B) of this section, for a new lease 84571  
of a facility that was operated under a lease on May 27, 1992, 84572  
actual, allowable capital costs shall include the lesser of the 84573  
annual new lease expense or the annual old lease payment. If the 84574  
old lease was in effect for ten years or longer, the old lease 84575  
payment from the beginning of the old lease shall be adjusted by 84576  
~~the lesser of the following:~~ 84577

~~(a) One half of the change in construction costs from the 84578  
beginning of the old lease to the beginning of the new lease, as 84579  
calculated by the department using the "Dodge building cost 84580  
indexes, northeastern and north central states," published by 84581  
Marshall and Swift;~~ 84582

~~(b) One half one-half of the change in the consumer price 84583  
index for all items for all urban consumers, as published by the 84584  
United States bureau of labor statistics, from the beginning of 84585  
the old lease to the beginning of the new lease. 84586~~

(6) Subject to division (B) of this section, for a new lease 84587  
of a facility that was not in existence or that was in existence 84588  
but not operated under a lease on May 27, 1992, actual, allowable 84589  
capital costs shall include the lesser of annual new lease expense 84590  
or the annual amount calculated for the old lease under division 84591  
(G)(2), (3), (4), or (6) of this section, as applicable. If the 84592  
old lease was in effect for ten years or longer, the lessor's 84593  
historical capital asset cost basis shall be ~~adjusted by the 84594  
lesser of the following,~~ for purposes of calculating the annual 84595  
amount under division (G)(2), (3), (4), or (6) of this section. 84596

~~(a) One half of the change in construction costs from the 84597  
beginning of the old lease to the beginning of the new lease, as 84598  
calculated by the department using the "Dodge building cost 84599~~

~~indexes, northeastern and north central states," published by~~ 84600  
~~Marshall and Swift;~~ 84601

~~(b) One-half, adjusted by one-half~~ of the change in the 84602  
consumer price index for all items for all urban consumers, as 84603  
published by the United States bureau of labor statistics, from 84604  
the beginning of the old lease to the beginning of the new lease. 84605

In the case of a lease under division (G)(3) of this section 84606  
of a facility for which a substantial commitment of money was made 84607  
after December 22, 1992, and before July 1, 1993, the old lease 84608  
payment shall be adjusted for the purpose of determining the 84609  
annual amount. 84610

(7) For any revision of a lease described in division (G)(1), 84611  
(2), (3), (4), (5), or (6) of this section, or for any subsequent 84612  
lease of a facility operated under such a lease, other than 84613  
execution of a new lease, the portion of actual, allowable capital 84614  
costs attributable to the lease shall be the same as before the 84615  
revision or subsequent lease. 84616

(8) Except as provided in division (G)(9) of this section, if 84617  
a provider leases an interest in a facility to another provider 84618  
who is a related party or previously operated the facility, the 84619  
related party's or previous operator's actual, allowable capital 84620  
costs shall include the lesser of the annual lease expense or the 84621  
reasonable cost to the lessor. 84622

(9) If a provider leases an interest in a facility to another 84623  
provider who is a related party, regardless of the date of the 84624  
lease, the related party's actual, allowable capital costs shall 84625  
include the annual lease expense, subject to the limitations 84626  
specified in divisions (G)(1) to (7) of this section, if all of 84627  
the following conditions are met: 84628

(a) The related party is a relative of owner; 84629

(b) If the lessor retains an ownership interest, it is, 84630

except as provided in division (G)(9)(c)(ii) of this section, in 84631  
only the real property and any improvements on the real property; 84632

(c) The department of job and family services determines that 84633  
the lease is an arm's length transaction pursuant to rules adopted 84634  
under section 5111.02 of the Revised Code. The rules shall provide 84635  
that a lease is an arm's length transaction if all of the 84636  
following apply: 84637

(i) Once the lease goes into effect, the lessor has no direct 84638  
or indirect interest in the lessee or, except as provided in 84639  
division (G)(9)(b) of this section, the facility itself, including 84640  
interest as an owner, officer, director, employee, independent 84641  
contractor, or consultant, but excluding interest as a lessor. 84642

(ii) The lessor does not reacquire an interest in the 84643  
facility except through the exercise of a lessor's rights in the 84644  
event of a default. If the lessor reacquires an interest in the 84645  
facility in this manner, the department shall treat the facility 84646  
as if the lease never occurred when the department calculates its 84647  
reimbursement rates for capital costs. 84648

(iii) The lease satisfies any other criteria specified in the 84649  
rules. 84650

(d) Except in the case of hardship caused by a catastrophic 84651  
event, as determined by the department, or in the case of a lessor 84652  
who is at least sixty-five years of age, not less than twenty 84653  
years have elapsed since, for the same facility, the capital cost 84654  
basis was adjusted most recently under division (F)(4) of this 84655  
section or actual, allowable capital costs were determined most 84656  
recently under division (G)(9) of this section. 84657

(10) This division does not apply to leases of specific items 84658  
of equipment. 84659

**Sec. 5111.251.** (A) The department of job and family services 84660

shall pay a provider for each of the provider's eligible 84661  
intermediate care facilities for the mentally retarded for its 84662  
reasonable capital costs, a per resident per day rate established 84663  
prospectively each fiscal year for each intermediate care facility 84664  
for the mentally retarded. Except as otherwise provided in 84665  
sections 5111.20 to 5111.33 of the Revised Code, the rate shall be 84666  
based on the facility's capital costs for the calendar year 84667  
preceding the fiscal year in which the rate will be paid. The rate 84668  
shall equal the sum of the following: 84669

(1) The facility's desk-reviewed, actual, allowable, per diem 84670  
cost of ownership for the preceding cost reporting period, limited 84671  
as provided in divisions (C) and (F) of this section; 84672

(2) Any efficiency incentive determined under division (B) of 84673  
this section; 84674

(3) Any amounts for renovations determined under division (D) 84675  
of this section; 84676

(4) Any amounts for return on equity determined under 84677  
division ~~(I)~~(H) of this section. 84678

Buildings shall be depreciated using the straight line method 84679  
over forty years or over a different period approved by the 84680  
department. Components and equipment shall be depreciated using 84681  
the straight line method over a period designated by the director 84682  
of job and family services in rules adopted under section 5111.02 84683  
of the Revised Code, consistent with the guidelines of the 84684  
American hospital association, or over a different period approved 84685  
by the department of job and family services. Any rules authorized 84686  
by this division that specify useful lives of buildings, 84687  
components, or equipment apply only to assets acquired on or after 84688  
July 1, 1993. Depreciation for costs paid or reimbursed by any 84689  
government agency shall not be included in costs of ownership or 84690  
renovation unless that part of the payment under sections 5111.20 84691

to 5111.33 of the Revised Code is used to reimburse the government 84692  
agency. 84693

(B) The department of job and family services shall pay to a 84694  
provider for each of the provider's eligible intermediate care 84695  
facilities for the mentally retarded an efficiency incentive equal 84696  
to fifty per cent of the difference between any desk-reviewed, 84697  
actual, allowable cost of ownership and the applicable limit on 84698  
cost of ownership payments under division (C) of this section. For 84699  
purposes of computing the efficiency incentive, depreciation for 84700  
costs paid or reimbursed by any government agency shall be 84701  
considered as a cost of ownership, and the applicable limit under 84702  
division (C) of this section shall apply both to facilities with 84703  
more than eight beds and facilities with eight or fewer beds. The 84704  
efficiency incentive paid to a provider for a facility with eight 84705  
or fewer beds shall not exceed three dollars per patient day, 84706  
adjusted annually for the inflation rate for the twelve-month 84707  
period beginning on the first day of July of the calendar year 84708  
preceding the calendar year that precedes the fiscal year for 84709  
which the efficiency incentive is determined and ending on the 84710  
thirtieth day of the following June, using the consumer price 84711  
index for shelter costs for all urban consumers for the north 84712  
central region, as published by the United States bureau of labor 84713  
statistics. 84714

(C) Cost of ownership payments for intermediate care 84715  
facilities for the mentally retarded with more than eight beds 84716  
shall not exceed the following limits: 84717

(1) For facilities with dates of licensure prior to January 84718  
1, 1958, not exceeding two dollars and fifty cents per patient 84719  
day; 84720

(2) For facilities with dates of licensure after December 31, 84721  
1957, but prior to January 1, 1968, not exceeding: 84722

dollars and forty-six cents per patient day; 84843

(16) For facilities with dates of licensure after December 84844  
31, 1989, but prior to January 1, 1991, not exceeding thirteen 84845  
dollars and sixty cents per patient day; 84846

(17) For facilities with dates of licensure after December 84847  
31, 1990, but prior to January 1, 1992, not exceeding thirteen 84848  
dollars and forty-nine cents per patient day; 84849

(18) For facilities with dates of licensure after December 84850  
31, 1991, but prior to January 1, 1993, not exceeding thirteen 84851  
dollars and sixty-seven cents per patient day; 84852

(19) For facilities with dates of licensure after December 84853  
31, 1992, not exceeding fourteen dollars and twenty-eight cents 84854  
per patient day. 84855

(D) Beginning January 1, 1981, regardless of the original 84856  
date of licensure, the department of job and family services shall 84857  
pay a rate for the per diem capitalized costs of renovations to 84858  
intermediate care facilities for the mentally retarded made after 84859  
January 1, 1981, not exceeding six dollars per patient day using 84860  
1980 as the base year and adjusting the amount annually until June 84861  
30, 1993, for fluctuations in construction costs calculated by the 84862  
department using the "Dodge building cost indexes, northeastern 84863  
and north central states," published by Marshall and Swift. The 84864  
payment provided for in this division is the only payment that 84865  
shall be made for the capitalized costs of a nonextensive 84866  
renovation of an intermediate care facility for the mentally 84867  
retarded. Nonextensive renovation costs shall not be included in 84868  
cost of ownership, and a nonextensive renovation shall not affect 84869  
the date of licensure for purposes of division (C) of this 84870  
section. This division applies to nonextensive renovations 84871  
regardless of whether they are made by an owner or a lessee. If 84872  
the tenancy of a lessee that has made renovations ends before the 84873

depreciation expense for the renovation costs has been fully 84874  
reported, the former lessee shall not report the undepreciated 84875  
balance as an expense. 84876

For a nonextensive renovation to qualify for payment under 84877  
this division, both of the following conditions must be met: 84878

(1) At least five years have elapsed since the date of 84879  
licensure or date of an extensive renovation of the portion of the 84880  
facility that is proposed to be renovated, except that this 84881  
condition does not apply if the renovation is necessary to meet 84882  
the requirements of federal, state, or local statutes, ordinances, 84883  
rules, or policies. 84884

(2) The provider has obtained prior approval from the 84885  
department of job and family services. The provider shall submit a 84886  
plan that describes in detail the changes in capital assets to be 84887  
accomplished by means of the renovation and the timetable for 84888  
completing the project. The time for completion of the project 84889  
shall be no more than eighteen months after the renovation begins. 84890  
The director of job and family services shall adopt rules under 84891  
section 5111.02 of the Revised Code that specify criteria and 84892  
procedures for prior approval of renovation projects. No provider 84893  
shall separate a project with the intent to evade the 84894  
characterization of the project as a renovation or as an extensive 84895  
renovation. No provider shall increase the scope of a project 84896  
after it is approved by the department of job and family services 84897  
unless the increase in scope is approved by the department. 84898

(E) The amounts specified in divisions (C) and (D) of this 84899  
section shall be adjusted beginning July 1, 1993, for the 84900  
estimated inflation for the twelve-month period beginning on the 84901  
first day of July of the calendar year preceding the calendar year 84902  
that precedes the fiscal year for which rate will be paid and 84903  
ending on the thirtieth day of the following June, using the 84904  
consumer price index for shelter costs for all urban consumers for 84905

the north central region, as published by the United States bureau of labor statistics. 84906  
84907

(F)(1) For facilities of eight or fewer beds that have dates of licensure or have been granted project authorization by the department of developmental disabilities before July 1, 1993, and for facilities of eight or fewer beds that have dates of licensure or have been granted project authorization after that date if the providers of the facilities demonstrate that they made substantial commitments of funds on or before that date, cost of ownership shall not exceed eighteen dollars and thirty cents per resident per day. The eighteen-dollar and thirty-cent amount shall be increased by the change in the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift, during the period beginning June 30, 1990, and ending July 1, 1993, and by the change in the consumer price index for shelter costs for all urban consumers for the north central region, as published by the United States bureau of labor statistics, annually thereafter. 84908

(2) For facilities with eight or fewer beds that have dates of licensure or have been granted project authorization by the department of developmental disabilities on or after July 1, 1993, for which substantial commitments of funds were not made before that date, cost of ownership payments shall not exceed the applicable amount calculated under division (F)(1) of this section, if the department of job and family services gives prior approval for construction of the facility. If the department does not give prior approval, cost of ownership payments shall not exceed the amount specified in division (C) of this section. 84924

retarded with eight or fewer beds shall not exceed the sum of the 84938  
limitations specified in divisions (C) and (D) of this section. 84939

(G) Notwithstanding any provision of this section or section 84940  
5111.241 of the Revised Code, the director of job and family 84941  
services may adopt rules under section 5111.02 of the Revised Code 84942  
that provide for a calculation of a combined maximum payment limit 84943  
for indirect care costs and cost of ownership for intermediate 84944  
care facilities for the mentally retarded with eight or fewer 84945  
beds. 84946

~~(H) After the date on which a transaction of sale is closed, 84947  
the provider shall refund to the department the amount of excess 84948  
depreciation paid to the provider for the facility by the 84949  
department for each year the provider has operated the facility 84950  
under a provider agreement and prorated according to the number of 84951  
medicaid patient days for which the provider has received payment 84952  
for the facility. For the purposes of this division, "depreciation 84953  
paid to the provider for the facility" means the amount paid to 84954  
the provider for the intermediate care facility for the mentally 84955  
retarded for cost of ownership pursuant to this section less any 84956  
amount paid for interest costs. For the purposes of this division, 84957  
"excess depreciation" is the intermediate care facility for the 84958  
mentally retarded's depreciated basis, which is the provider's 84959  
cost less accumulated depreciation, subtracted from the purchase 84960  
price but not exceeding the amount of depreciation paid to the 84961  
provider for the facility. 84962~~

~~(I) The department of job and family services shall pay a 84963  
provider for each of the provider's eligible proprietary 84964  
intermediate care facilities for the mentally retarded a return on 84965  
the facility's net equity computed at the rate of one and one-half 84966  
times the average of interest rates on special issues of public 84967  
debt obligations issued to the federal hospital insurance trust 84968  
fund for the cost reporting period. No facility's return on net 84969~~

equity paid under this division shall exceed one dollar per 84970  
patient day. 84971

In calculating the rate for return on net equity, the 84972  
department shall use the greater of the facility's inpatient days 84973  
during the applicable cost reporting period or the number of 84974  
inpatient days the facility would have had during that period if 84975  
its occupancy rate had been ninety-five per cent. 84976

~~(J)~~(I)(1) Except as provided in division ~~(J)~~(I)(2) of this 84977  
section, if a provider leases or transfers an interest in a 84978  
facility to another provider who is a related party, the related 84979  
party's allowable cost of ownership shall include the lesser of 84980  
the following: 84981

(a) The annual lease expense or actual cost of ownership, 84982  
whichever is applicable; 84983

(b) The reasonable cost to the lessor or provider making the 84984  
transfer. 84985

(2) If a provider leases or transfers an interest in a 84986  
facility to another provider who is a related party, regardless of 84987  
the date of the lease or transfer, the related party's allowable 84988  
cost of ownership shall include the annual lease expense or actual 84989  
cost of ownership, whichever is applicable, subject to the 84990  
limitations specified in divisions (B) to ~~(I)~~(H) of this section, 84991  
if all of the following conditions are met: 84992

(a) The related party is a relative of owner; 84993

(b) In the case of a lease, if the lessor retains any 84994  
ownership interest, it is, except as provided in division 84995  
~~(J)~~(I)(2)(d)(ii) of this section, in only the real property and 84996  
any improvements on the real property; 84997

(c) In the case of a transfer, the provider making the 84998  
transfer retains, except as provided in division ~~(J)~~(I)(2)(d)(iv) 84999

of this section, no ownership interest in the facility; 85000

(d) The department of job and family services determines that 85001  
the lease or transfer is an arm's length transaction pursuant to 85002  
rules adopted under section 5111.02 of the Revised Code. The rules 85003  
shall provide that a lease or transfer is an arm's length 85004  
transaction if all of the following, as applicable, apply: 85005

(i) In the case of a lease, once the lease goes into effect, 85006  
the lessor has no direct or indirect interest in the lessee or, 85007  
except as provided in division ~~(J)~~(I)(2)(b) of this section, the 85008  
facility itself, including interest as an owner, officer, 85009  
director, employee, independent contractor, or consultant, but 85010  
excluding interest as a lessor. 85011

(ii) In the case of a lease, the lessor does not reacquire an 85012  
interest in the facility except through the exercise of a lessor's 85013  
rights in the event of a default. If the lessor reacquires an 85014  
interest in the facility in this manner, the department shall 85015  
treat the facility as if the lease never occurred when the 85016  
department calculates its reimbursement rates for capital costs. 85017

(iii) In the case of a transfer, once the transfer goes into 85018  
effect, the provider that made the transfer has no direct or 85019  
indirect interest in the provider that acquires the facility or 85020  
the facility itself, including interest as an owner, officer, 85021  
director, employee, independent contractor, or consultant, but 85022  
excluding interest as a creditor. 85023

(iv) In the case of a transfer, the provider that made the 85024  
transfer does not reacquire an interest in the facility except 85025  
through the exercise of a creditor's rights in the event of a 85026  
default. If the provider reacquires an interest in the facility in 85027  
this manner, the department shall treat the facility as if the 85028  
transfer never occurred when the department calculates its 85029  
reimbursement rates for capital costs. 85030

(v) The lease or transfer satisfies any other criteria 85031  
specified in the rules. 85032

(e) Except in the case of hardship caused by a catastrophic 85033  
event, as determined by the department, or in the case of a lessor 85034  
or provider making the transfer who is at least sixty-five years 85035  
of age, not less than twenty years have elapsed since, for the 85036  
same facility, allowable cost of ownership was determined most 85037  
recently under this division. 85038

**Sec. 5111.254.** (A) The department of job and family services 85039  
shall establish initial rates for a nursing facility with a first 85040  
date of licensure that is on or after July 1, 2006, including a 85041  
facility that replaces one or more existing facilities, or for a 85042  
nursing facility with a first date of licensure before that date 85043  
that was initially certified for the medicaid program on or after 85044  
that date, in the following manner: 85045

(1) The rate for direct care costs shall be the product of 85046  
the cost per case-mix unit determined under division (D) of 85047  
section 5111.231 of the Revised Code for the facility's peer group 85048  
and the nursing facility's case-mix score. For the purpose of 85049  
division (A)(1) of this section, the nursing facility's case-mix 85050  
score shall be the following: 85051

(a) Unless the nursing facility replaces an existing nursing 85052  
facility that participated in the medicaid program immediately 85053  
before the replacement nursing facility begins participating in 85054  
the medicaid program, the median annual average case-mix score for 85055  
the nursing facility's peer group; 85056

(b) If the nursing facility replaces an existing nursing 85057  
facility that participated in the medicaid program immediately 85058  
before the replacement nursing facility begins participating in 85059  
the medicaid program, the semiannual case-mix score most recently 85060  
determined under section 5111.232 of the Revised Code for the 85061

replaced nursing facility as adjusted, if necessary, to reflect 85062  
any difference in the number of beds in the replaced and 85063  
replacement nursing facilities. 85064

(2) The rate for ancillary and support costs shall be the 85065  
rate for the facility's peer group determined under division (D) 85066  
of section 5111.24 of the Revised Code. 85067

(3) The rate for capital costs shall be the ~~median~~ rate for 85068  
the facility's peer group determined under division (D) of section 85069  
5111.25 of the Revised Code. 85070

(4) The rate for tax costs as defined in section 5111.242 of 85071  
the Revised Code shall be the median rate for tax costs for the 85072  
facility's peer group in which the facility is placed under 85073  
division (C) of section 5111.24 of the Revised Code. 85074

(5) The quality incentive payment, if any, shall be the mean 85075  
payment ~~specified in division (B) of~~ made to nursing facilities 85076  
under section 5111.244 of the Revised Code. 85077

(B) Subject to division (C) of this section, the department 85078  
shall adjust the rates established under division (A) of this 85079  
section effective the first day of July, to reflect new rate 85080  
calculations for all nursing facilities under sections 5111.20 to 85081  
5111.33 of the Revised Code. 85082

(C) If a rate for direct care costs is determined under this 85083  
section for a nursing facility using the median annual average 85084  
case-mix score for the nursing facility's peer group, the rate 85085  
shall be redetermined to reflect the replacement nursing 85086  
facility's actual semiannual case-mix score determined under 85087  
section 5111.232 of the Revised Code after the nursing facility 85088  
submits its first two quarterly assessment data that qualify for 85089  
use in calculating a case-mix score in accordance with rules 85090  
authorized by division (E) of section 5111.232 of the Revised 85091  
Code. If the nursing facility's quarterly submissions do not 85092

qualify for use in calculating a case-mix score, the department 85093  
shall continue to use the median annual average case-mix score for 85094  
the nursing facility's peer group in lieu of the nursing 85095  
facility's semiannual case-mix score until the nursing facility 85096  
submits two consecutive quarterly assessment data that qualify for 85097  
use in calculating a case-mix score. 85098

**Sec. 5111.258.** (A) Notwithstanding sections 5111.20 to 85099  
5111.33 of the Revised Code (except section 5111.259 of the 85100  
Revised Code), the director of job and family services shall adopt 85101  
rules under section 5111.02 of the Revised Code that establish a 85102  
methodology for calculating the prospective rates that will be 85103  
paid each fiscal year to a provider for each of the provider's 85104  
eligible nursing facilities and intermediate care facilities for 85105  
the mentally retarded, and discrete units of the provider's 85106  
nursing facilities or intermediate care facilities for the 85107  
mentally retarded, that serve residents who have diagnoses or 85108  
special care needs that require direct care resources that are not 85109  
measured adequately by the applicable assessment instrument 85110  
specified in rules authorized by section 5111.232 of the Revised 85111  
Code, or who have diagnoses or special care needs specified in the 85112  
rules as otherwise qualifying for consideration under this 85113  
section. The facilities and units of facilities whose rates are 85114  
established under this division may include, but shall not be 85115  
limited to, any of the following: 85116

(1) In the case of nursing facilities, facilities and units 85117  
of facilities that serve medically fragile pediatric residents, 85118  
residents who are dependent on ventilators, or residents who have 85119  
severe traumatic brain injury, end-stage Alzheimer's disease, or 85120  
end-stage acquired immunodeficiency syndrome; 85121

(2) In the case of intermediate care facilities for the 85122  
mentally retarded, facilities and units of facilities that serve 85123

residents who have complex medical conditions or severe behavioral 85124  
problems. 85125

The department shall use the methodology established under 85126  
this division to pay for services rendered by such facilities and 85127  
units after June 30, 1993. 85128

The rules authorized by this division shall specify the 85129  
criteria and procedures the department will apply when designating 85130  
facilities and units that qualify for calculation of rates under 85131  
this division. The criteria shall include consideration of whether 85132  
all of the allowable costs of the facility or unit would be paid 85133  
by rates established under sections 5111.20 to 5111.33 of the 85134  
Revised Code, and shall establish a minimum bed size for a 85135  
facility or unit to qualify to have its rates established under 85136  
this division. The criteria shall not be designed to require that 85137  
residents be served only in facilities located in large cities. 85138  
The methodology established by the rules shall consider the 85139  
historical costs of providing care to the residents of the 85140  
facilities or units. 85141

The rules may require that a facility designated under this 85142  
division or containing a unit designated under this division 85143  
receive authorization from the department to admit or retain a 85144  
resident to the facility or unit and shall specify the criteria 85145  
and procedures the department will apply when granting that 85146  
authorization. 85147

Notwithstanding any other provision of sections 5111.20 to 85148  
5111.33 of the Revised Code (except section 5111.259 of the 85149  
Revised Code), the costs incurred by facilities or units whose 85150  
rates are established under this division shall not be considered 85151  
in establishing payment rates for other facilities or units. 85152

(B) The director may adopt rules under section 5111.02 of the 85153  
Revised Code under which the department, notwithstanding any other 85154

provision of sections 5111.20 to 5111.33 of the Revised Code 85155  
(except section 5111.259 of the Revised Code), may adjust the 85156  
rates determined under sections 5111.20 to 5111.33 of the Revised 85157  
Code for a facility that serves a resident who has a diagnosis or 85158  
special care need that, in the rules authorized by division (A) of 85159  
this section, would qualify a facility or unit of a facility to 85160  
have its rate determined under that division, but who is not in 85161  
such a unit. The rules may require that a facility that qualifies 85162  
for a rate adjustment under this division receive authorization 85163  
from the department to admit or retain a resident who qualifies 85164  
the facility for the rate adjustment and shall specify the 85165  
criteria and procedures the department will apply when granting 85166  
that authorization. 85167

Sec. 5111.259. The director of job and family services may 85168  
submit a request to the United States secretary of health and 85169  
human services for approval to establish a centers of excellence 85170  
component of the medicaid program. The purpose of the centers of 85171  
excellence component is to increase the efficiency and quality of 85172  
nursing facility services provided to medicaid recipients with 85173  
complex nursing facility service needs. If federal approval for 85174  
the centers of excellence component is granted, the director may 85175  
adopt rules under section 5111.02 of the Revised Code governing 85176  
the component, including rules that establish a method of 85177  
determining the medicaid reimbursement rates for nursing 85178  
facilities providing nursing facility services to medicaid 85179  
recipients participating in the component. The rules may specify 85180  
the extent to which, if any, of the provisions of section 5111.258 85181  
of the Revised Code are to apply to the centers of excellence 85182  
component. If such rules are adopted, the nursing facilities that 85183  
provide nursing facility services to medicaid recipients 85184  
participating in the centers of excellence component shall be paid 85185  
for those services in accordance with the method established in 85186

the rules notwithstanding anything to the contrary in sections 85187  
5111.20 to 5111.33 of the Revised Code. 85188

Sec. 5111.261. (A) Except as provided in division (B) of this 85189  
section and not later than three years after a provider files a 85190  
cost report with the department of job and family services under 85191  
section 5111.26 of the Revised Code, the provider may amend the 85192  
cost report if the provider discovers a material error in the cost 85193  
report or additional information to be included in the cost 85194  
report. The department shall review the amended cost report for 85195  
accuracy and notify the provider of its determination. 85196

(B) A provider may not amend a cost report if the department 85197  
has notified the provider that an audit of the cost report or a 85198  
cost report of the provider for a subsequent cost reporting period 85199  
is to be conducted under section 5111.27 of the Revised Code. The 85200  
provider may, however, provide the department information that 85201  
affects the costs included in the cost report. Such information 85202  
may not be provided after the adjudication of the final settlement 85203  
of the cost report. 85204

Sec. ~~5111.261~~ 5111.263. Except as otherwise provided in 85205  
section 5111.264 of the Revised Code, the department of job and 85206  
family services, in determining whether an intermediate care 85207  
facility for the mentally retarded's direct care costs and 85208  
indirect care costs are allowable, shall place no limit on 85209  
specific categories of reasonable costs other than compensation of 85210  
owners, compensation of relatives of owners, and compensation of 85211  
administrators. 85212

Compensation cost limits for owners and relatives of owners 85213  
shall be based on compensation costs for individuals who hold 85214  
comparable positions but who are not owners or relatives of 85215  
owners, as reported on facility cost reports. As used in this 85216

section, "comparable position" means the position that is held by 85217  
the owner or the owner's relative, if that position is listed 85218  
separately on the cost report form, or if the position is not 85219  
listed separately, the group of positions that is listed on the 85220  
cost report form and that includes the position held by the owner 85221  
or the owner's relative. In the case of an owner or owner's 85222  
relative who serves the facility in a capacity such as corporate 85223  
officer, proprietor, or partner for which no comparable position 85224  
or group of positions is listed on the cost report form, the 85225  
compensation cost limit shall be based on civil service 85226  
equivalents and shall be specified in rules adopted under section 85227  
5111.02 of the Revised Code. 85228

Compensation cost limits for administrators shall be based on 85229  
compensation costs for administrators who are not owners or 85230  
relatives of owners, as reported on facility cost reports. 85231  
Compensation cost limits for administrators of four or more 85232  
intermediate care facilities for the mentally retarded shall be 85233  
the same as the limits for administrators of intermediate care 85234  
facilities for the mentally retarded with one hundred fifty or 85235  
more beds. 85236

**Sec. 5111.27.** (A) The department of job and family services 85237  
shall conduct a desk review of each cost report it receives under 85238  
section 5111.26 of the Revised Code. Based on the desk review, the 85239  
department shall make a preliminary determination of whether the 85240  
reported costs are allowable costs. The department shall notify 85241  
each provider of whether any of the reported costs are 85242  
preliminarily determined not to be allowable, the rate calculation 85243  
under sections 5111.20 to 5111.33 of the Revised Code that results 85244  
from that determination, and the reasons for the determination and 85245  
resulting rate. The department shall allow the provider to verify 85246  
the calculation and submit additional information. 85247

(B) The department may conduct an audit, as defined by rule 85248  
adopted under section 5111.02 of the Revised Code, of any cost 85249  
report ~~and shall notify the provider of its findings.~~ 85250

~~Audits shall be conducted by auditors under contract with or 85251  
employed by the department.~~ The decision whether to conduct an 85252  
audit and the scope of the audit, which may be a desk or field 85253  
audit, ~~shall~~ may be determined based on prior performance of the 85254  
provider ~~and may be based on,~~ a risk analysis, or other evidence 85255  
that gives the department reason to believe that the provider has 85256  
reported costs improperly. A desk or field audit may be performed 85257  
annually, but is required whenever a provider does not pass the 85258  
risk analysis tolerance factors. An audit shall be conducted by 85259  
auditors under contract with or employed by the department. The 85260  
department shall notify a provider of the findings of an audit by 85261  
issuing an audit report. The department shall issue the audit 85262  
report no later than three years after the cost report is filed, 85263  
or upon the completion of a desk or field audit on the report or a 85264  
report for a subsequent cost reporting period, whichever is 85265  
earlier. ~~During the time within which the department may issue an 85266  
audit report, the provider may amend the cost report upon 85267  
discovery of a material error or material additional information.~~ 85268  
~~The department shall review the amended cost report for accuracy 85269  
and notify the provider of its determination.~~ 85270

The department may establish a contract for the auditing of 85271  
facilities by outside firms. Each contract entered into by bidding 85272  
shall be effective for one to two years. The department shall 85273  
establish an audit manual and program which shall require that all 85274  
field audits, conducted either pursuant to a contract or by 85275  
department employees: 85276

(1) Comply with the applicable rules prescribed pursuant to 85277  
Titles XVIII and XIX; 85278

(2) Consider generally accepted auditing standards prescribed 85279

by the American institute of certified public accountants; 85280

(3) Include a written summary as to whether the costs 85281  
included in the report examined during the audit are allowable and 85282  
are presented ~~fairly~~ in accordance with ~~generally accepted~~ 85283  
~~accounting principles and department rules~~ state and federal laws 85284  
and regulations, and whether, in all material respects, allowable 85285  
costs are documented, reasonable, and related to patient care; 85286

(4) Are conducted by accounting firms or auditors who, during 85287  
the period of the auditors' professional engagement or employment 85288  
and during the period covered by the cost reports, do not have nor 85289  
are committed to acquire any direct or indirect financial interest 85290  
in the ownership, financing, or operation of a nursing facility or 85291  
intermediate care facility for the mentally retarded in this 85292  
state; 85293

(5) Are conducted by accounting firms or auditors who, as a 85294  
condition of the contract or employment, shall not audit any 85295  
facility that has been a client of the firm or auditor; 85296

(6) Are conducted by auditors who are otherwise independent 85297  
as determined by the standards of independence ~~established by~~ 85298  
included in the American institute of certified public accountants 85299  
government auditing standards produced by the United States 85300  
government accountability office; 85301

(7) Are completed within the time period specified by the 85302  
department; 85303

(8) Provide to the provider complete written interpretations 85304  
that explain in detail the application of all relevant contract 85305  
provisions, regulations, auditing standards, rate formulae, and 85306  
departmental policies, with explanations and examples, that are 85307  
sufficient to permit the provider to calculate with reasonable 85308  
certainty those costs that are allowable and the rate to which the 85309  
provider's facility is entitled. 85310

For the purposes of division (B)(4) of this section, 85311  
employment of a member of an auditor's family by a nursing 85312  
facility or intermediate care facility for the mentally retarded 85313  
that the auditor does not review does not constitute a direct or 85314  
indirect financial interest in the ownership, financing, or 85315  
operation of the facility. 85316

(C) The department, pursuant to rules adopted under section 85317  
5111.02 of the Revised Code, may conduct an exception review of 85318  
assessment data submitted under section 5111.232 of the Revised 85319  
Code. The department may conduct an exception review based on the 85320  
findings of a certification survey conducted by the department of 85321  
health, a risk analysis, or prior performance of the provider. 85322

Exception reviews shall be conducted at the facility by 85323  
appropriate health professionals under contract with or employed 85324  
by the department of job and family services. The professionals 85325  
may review resident assessment forms and supporting documentation, 85326  
conduct interviews, and observe residents to identify any patterns 85327  
or trends of inaccurate assessments and resulting inaccurate 85328  
case-mix scores. 85329

The rules shall establish an exception review program that 85330  
requires that exception reviews do all of the following: 85331

(1) Comply with Titles XVIII and XIX; 85332

(2) Provide a written summary that states whether the 85333  
resident assessment forms have been completed accurately; 85334

(3) Are conducted by health professionals who, during the 85335  
period of their professional engagement or employment with the 85336  
department, neither have nor are committed to acquire any direct 85337  
or indirect financial interest in the ownership, financing, or 85338  
operation of a nursing facility or intermediate care facility for 85339  
the mentally retarded in this state; 85340

(4) Are conducted by health professionals who, as a condition 85341

of their engagement or employment with the department, shall not 85342  
review any provider that has been a client of the professional. 85343

For the purposes of division (C)(3) of this section, 85344  
employment of a member of a health professional's family by a 85345  
nursing facility or intermediate care facility for the mentally 85346  
retarded that the professional does not review does not constitute 85347  
a direct or indirect financial interest in the ownership, 85348  
financing, or operation of the facility. 85349

If an exception review is conducted before the effective date 85350  
of the rate that is based on the case-mix data subject to the 85351  
review and the review results in findings that exceed tolerance 85352  
levels specified in the rules adopted under this division, the 85353  
department, in accordance with those rules, may use the findings 85354  
to recalculate individual resident case-mix scores, quarterly 85355  
average facility case-mix scores, and annual average facility 85356  
case-mix scores. The department may use the recalculated quarterly 85357  
and annual facility average case-mix scores to calculate the 85358  
facility's rate for direct care costs for the appropriate calendar 85359  
quarter or quarters. 85360

(D) The department shall prepare a written summary of any 85361  
audit disallowance or exception review finding that is made after 85362  
the effective date of the rate that is based on the cost or 85363  
case-mix data. Where the provider is pursuing judicial or 85364  
administrative remedies in good faith regarding the disallowance 85365  
or finding, the department shall not withhold from the provider's 85366  
current payments any amounts the department claims to be due from 85367  
the provider pursuant to section 5111.28 of the Revised Code. 85368

(E) The department shall not reduce rates calculated under 85369  
sections 5111.20 to 5111.33 of the Revised Code on the basis that 85370  
the provider charges a lower rate to any resident who is not 85371  
eligible for the medicaid program. 85372

(F) The department shall adjust the rates calculated under 85373  
sections 5111.20 to 5111.33 of the Revised Code to account for 85374  
reasonable additional costs that must be incurred by intermediate 85375  
care facilities for the mentally retarded to comply with 85376  
requirements of federal or state statutes, rules, or policies 85377  
enacted or amended after January 1, 1992, or with orders issued by 85378  
state or local fire authorities. 85379

**Sec. 5111.28.** (A) If a provider properly amends its cost 85380  
report under section ~~5111.27~~ 5111.261 of the Revised Code and the 85381  
amended report shows that the provider received a lower rate under 85382  
the original cost report than it was entitled to receive, the 85383  
department of job and family services shall adjust the provider's 85384  
rate prospectively to reflect the corrected information. The 85385  
department shall pay the adjusted rate beginning two months after 85386  
the first day of the month after the provider files the amended 85387  
cost report. If the department finds, from an exception review of 85388  
resident assessment information conducted after the effective date 85389  
of the rate for direct care costs that is based on the assessment 85390  
information, that inaccurate assessment information resulted in 85391  
the provider receiving a lower rate than it was entitled to 85392  
receive, the department prospectively shall adjust the provider's 85393  
rate accordingly and shall make payments using the adjusted rate 85394  
for the remainder of the calendar quarter for which the assessment 85395  
information is used to determine the rate, beginning one month 85396  
after the first day of the month after the exception review is 85397  
completed. 85398

(B) If the provider properly amends its cost report under 85399  
section ~~5111.27~~ 5111.261 of the Revised Code, the department makes 85400  
a finding based on an audit under ~~that~~ section 5111.27 of the 85401  
Revised Code, or the department makes a finding based on an 85402  
exception review of resident assessment information conducted 85403  
under ~~that~~ section 5111.27 of the Revised Code after the effective 85404

date of the rate for direct care costs that is based on the 85405  
assessment information, any of which results in a determination 85406  
that the provider has received a higher rate than it was entitled 85407  
to receive, the department shall recalculate the provider's rate 85408  
using the revised information. The department shall apply the 85409  
recalculated rate to the periods when the provider received the 85410  
incorrect rate to determine the amount of the overpayment. The 85411  
provider shall refund the amount of the overpayment. 85412

In addition to requiring a refund under this division, the 85413  
department may charge the provider interest at the applicable rate 85414  
specified in this division from the time the overpayment was made. 85415

(1) If the overpayment resulted from costs reported for 85416  
calendar year 1993, the interest shall be no greater than one and 85417  
one-half times the average bank prime rate. 85418

(2) If the overpayment resulted from costs reported for 85419  
subsequent calendar years: 85420

(a) The interest shall be no greater than two times the 85421  
average bank prime rate if the overpayment was equal to or less 85422  
than one per cent of the total medicaid payments to the provider 85423  
for the fiscal year for which the incorrect information was used 85424  
to establish a rate. 85425

(b) The interest shall be no greater than two and one-half 85426  
times the current average bank prime rate if the overpayment was 85427  
greater than one per cent of the total medicaid payments to the 85428  
provider for the fiscal year for which the incorrect information 85429  
was used to establish a rate. 85430

(C) The department also may impose the following penalties: 85431

(1) If a provider does not furnish invoices or other 85432  
documentation that the department requests during an audit within 85433  
sixty days after the request, no more than the greater of one 85434  
thousand dollars per audit or twenty-five per cent of the 85435

cumulative amount by which the costs for which documentation was 85436  
not furnished increased the total medicaid payments to the 85437  
provider during the fiscal year for which the costs were used to 85438  
establish a rate; 85439

(2) If an exiting operator or owner fails to provide notice 85440  
of a facility closure, voluntary termination, or voluntary 85441  
withdrawal of participation in the medicaid program as required by 85442  
section 5111.66 of the Revised Code, or an exiting operator or 85443  
owner and entering operator fail to provide notice of a change of 85444  
operator as required by section 5111.67 of the Revised Code, no 85445  
more than the current average bank prime rate plus four per cent 85446  
of the last two monthly payments. 85447

(D) If the provider continues to participate in the medicaid 85448  
program, the department shall deduct any amount that the provider 85449  
is required to refund under this section, and the amount of any 85450  
interest charged or penalty imposed under this section, from the 85451  
next available payment from the department to the provider. The 85452  
department and the provider may enter into an agreement under 85453  
which the amount, together with interest, is deducted in 85454  
installments from payments from the department to the provider. 85455

(E) The department shall transmit refunds and penalties to 85456  
the treasurer of state for deposit in the general revenue fund. 85457

(F) For the purpose of this section, the department shall 85458  
determine the average bank prime rate using statistical release 85459  
H.15, "selected interest rates," a weekly publication of the 85460  
federal reserve board, or any successor publication. If 85461  
statistical release H.15, or its successor, ceases to contain the 85462  
bank prime rate information or ceases to be published, the 85463  
department shall request a written statement of the average bank 85464  
prime rate from the federal reserve bank of Cleveland or the 85465  
federal reserve board. 85466

~~Sec. 5111.33. (1) In the case of a payment to reserve a bed in a nursing facility for a day during calendar year 2011, set the per diem rate at an amount not exceeding fifty per cent of the per diem rate the provider would be paid if the recipient were not absent from the nursing facility that day;

(E) "Emergency" means either of the following:

(1) A deficiency or cluster of deficiencies that creates a condition of immediate jeopardy;

different residents, staff, or parts of the facility. 85598

(2) The finding or deficiency is cited subsequent to a 85599

(2) A severity level three and scope level four finding, in 85666  
the quality of care provided to residents; 85667

terminating the facility's provider agreement. 85689

(2) If the department of health, acting as a contracting 85690  
agency, is terminating the facility's participation, it shall 85691  
issue an order terminating certification of the facility's 85692

(ii) The partners agree that the change in composition does not constitute a change in operator.

(f) If the operator is a corporation, dissolution of the corporation, a merger of the corporation into another corporation that is the survivor of the merger, or a consolidation of one or more other corporations to form a new corporation.

(e) The individual resided in a residential care facility for 87099  
at least six months immediately before applying for the 87100  
medicaid-funded component of the assisted living program and is at 87101  
risk of imminent admission to a nursing facility because the costs 87102

of residing in the residential care facility have depleted the 87103  
individual's resources such that the individual is unable to 87104  
continue to afford the cost of residing in the residential care 87105  
facility. 87106

(B) Each month, each area agency on aging shall identify 87107

living program than continue or begin to reside in a nursing 87119  
facility. If the administrator determines that the assisted living 87120  
program is appropriate for the individual and the individual would 87121  
rather participate in the assisted living program than continue or 87122  
begin to reside in a nursing facility, the administrator shall so 87123  
notify the ~~state administrative agency~~ department of aging. On 87124

enrollment in the medicaid-funded component of the assisted living 87127  
program regardless of the unified waiting list established under 87128  
section 173.404 of the Revised Code, unless the enrollment would 87129  
cause the ~~assisted living program~~ component to exceed any limit on 87130  
the number of individuals who may participate in the ~~program~~ 87131  
component as set by the United States secretary of health and 87132

such goods and services is considered feasible by the department 87921  
of mental health. 87922

residential facility shall not administer medication to residents, 88052  
all medication taken by residents of a residential facility shall 88053  
be self-administered, and no person shall be admitted to or 88054  
retained by a residential facility unless the person is capable of 88055  
taking the person's own medication and biologicals, as determined 88056

place the container to the mouth of the resident. 88074

(B) Every person operating or desiring to operate a 88075  
residential facility shall apply for licensure of the facility to 88076  
the department of mental health and shall send a copy of the 88077  
application to the board of alcohol, drug addiction, and mental 88078

facility. The board shall review such applications and recommend 88081  
approval or disapproval to the department. Each recommendation 88082  
shall be consistent with the board's community mental health plan. 88083

(C) The department of mental health shall inspect and license 88084

issue full, probationary, and interim licenses. A full license 88088  
shall expire two years after the date of issuance, a probationary 88089  
license shall expire in a shorter period of time as prescribed by 88090  
rule adopted by the director of mental health pursuant to Chapter 88091  
119. of the Revised Code, and an interim license shall expire 88092  
ninety days after the date of issuance. The department may refuse 88093  
to issue or renew and may revoke a license if it finds the 88094  
facility is not in compliance with rules adopted by the department 88095  
pursuant to division (G) of this section or if any facility 88096  
operated by the applicant or licensee has had repeated violations 88097  
of statutes or rules during the period of previous licenses. 88098  
Proceedings initiated to deny applications for full or 88099  
probationary licenses or to revoke such licenses are governed by 88100  
Chapter 119. of the Revised Code. 88101

(D) The department may issue an interim license to operate a residential facility if both of the following conditions are met:

(1) The department determines that the closing of or the need to remove residents from another residential facility has created an emergency situation requiring immediate removal of residents and an insufficient number of licensed beds are available.

(2) The residential facility applying for an interim license meets standards established for interim licenses in rules adopted by the director under Chapter 119. of the Revised Code.

An interim license shall be valid for ninety days and may be renewed by the director no more than twice. Proceedings initiated to deny applications for or to revoke interim licenses under this division are not subject to Chapter 119. of the Revised Code.

(E) The department of mental health may conduct an inspection of a residential facility:

(1) Prior to the issuance of a license to a prospective operator;

(2) Prior to the renewal of any operator's license;

(3) To determine whether a facility has completed a plan of correction required pursuant to this division and corrected deficiencies to the satisfaction of the department and in compliance with this section and rules adopted pursuant to it;

(4) Upon complaint by any individual or agency;

(5) At any time the director considers an inspection to be necessary in order to determine whether a residential facility is in compliance with this section and rules adopted pursuant to this section.

In conducting inspections the department may conduct an on-site examination and evaluation of the residential facility, its personnel, activities, and services. The department shall have

access to examine all records, accounts, and any other documents 88132  
relating to the operation of the residential facility, and shall 88133  
have access to the facility in order to conduct interviews with 88134  
the operator, staff, and residents. Following each inspection and 88135  
review, the department shall complete a report listing any 88136  
deficiencies, and including, when appropriate, a time table within 88137  
which the operator shall correct the deficiencies. The department 88138  
may require the operator to submit a plan of correction describing 88139  
how the deficiencies will be corrected. 88140

(F) No person shall do any of the following: 88141

(1) Operate a residential facility unless the facility holds 88142  
a valid license; 88143

(2) Violate any of the conditions of licensure after having 88144  
been granted a license; 88145

(3) Interfere with a state or local official's inspection or 88146  
investigation of a residential facility; 88147

(4) Violate any of the provisions of this section or any 88148  
rules adopted pursuant to this section. 88149

(G) The director shall adopt and may amend and rescind rules 88150  
pursuant to Chapter 119. of the Revised Code, prescribing minimum 88151  
standards for the health, safety, adequacy, and cultural 88152  
specificity and sensitivity of treatment of and services for 88153  
persons in residential facilities; establishing procedures for the 88154  
issuance, renewal or revocation of the licenses of such 88155  
facilities; establishing the maximum number of residents of a 88156  
facility; establishing the rights of residents and procedures to 88157  
protect such rights; and requiring an affiliation agreement 88158  
approved by the board between a residential facility and a mental 88159  
health agency. Such affiliation agreement must be consistent with 88160  
the residential portion of the community mental health plan 88161  
submitted pursuant to section 340.03 of the Revised Code. 88162

(H) The department may investigate any facility that has been reported to the department or that the department has reasonable cause to believe is operating as a residential facility without a valid license.

(I) The department may withhold the source of any complaint reported as a violation of this act when the department determines that disclosure could be detrimental to the department's purposes or could jeopardize the investigation. The department may disclose the source of any complaint if the complainant agrees in writing to such disclosure and shall disclose the source upon order by a court of competent jurisdiction.

(J) The director of mental health may petition the court of common pleas of the county in which a residential facility is located for an order enjoining any person from operating a residential facility without a license or from operating a licensed facility when, in the director's judgment, there is a real and present danger to the health or safety of any of the occupants of the facility. The court shall have jurisdiction to grant such injunctive relief upon a showing that the respondent named in the petition is operating a facility without a license or there is a real and present danger to the health or safety of any residents of the facility.

(K) Whoever violates division (F) of this section or any rule adopted under this section is liable for a civil penalty of one hundred dollars for the first offense; for each subsequent offense, such violator is liable for a civil penalty of five hundred dollars. If the violator does not pay, the attorney general, upon the request of the director of mental health, shall bring a civil action to collect the penalty. Fines collected pursuant to this section shall be deposited into the state treasury to the credit of the mental health sale of goods and services fund.

**Sec. 5119.221.** (A) Upon petition by the director of mental health, the court of common pleas or the probate court may appoint a receiver to take possession of and operate a residential facility licensed pursuant to section 5119.22 of the Revised Code, when conditions existing at the residential facility present a substantial risk of physical or mental harm to residents and no other remedies at law are adequate to protect the health, safety, and welfare of the residents.

Petitions filed pursuant to this section shall include:

(1) A description of the specific conditions existing at the residential facility which present a substantial risk of physical or mental harm to residents;

(2) A statement of the absence of other adequate remedies at law;

(3) The number of individuals residing at the facility;

(4) A statement that the facts have been brought to the attention of the owner or licensee and that conditions have not been remedied within a reasonable period of time or that the conditions, though remedied periodically, habitually exist at the residential facility as a pattern or practice; and

(5) The name and address of the person holding the license for the residential facility.

(B) A court in which a petition is filed pursuant to this section shall notify the person holding the license for the facility of the filing. The department shall send notice of the filing to the following, as appropriate: ~~the legal rights service created pursuant to~~ Ohio protection and advocacy system as defined in section 5123.60 of the Revised Code; facility owner; facility operator; board of alcohol, drug addiction, and mental health services; board of health; department of developmental

disabilities; department of job and family services; facility 88225  
residents; and residents' families and guardians. The court shall 88226  
provide a hearing on the petition within five court days of the 88227  
time it was filed, except that the court may appoint a receiver 88228  
prior to that time if it determines that the circumstances 88229  
necessitate such action. 88230

Following a hearing on the petition, and upon a determination 88231  
that the appointment of a receiver is warranted, the court shall 88232  
appoint a receiver and notify the department of mental health and 88233  
appropriate persons of this action. 88234

In setting forth the powers of the receiver, the court may 88235  
generally authorize the receiver to do all that is prudent and 88236  
necessary to safely and efficiently operate the residential 88237  
facility within the requirements of state and federal law, but 88238  
shall require the receiver to obtain court approval prior to 88239  
making any single expenditure of more than five thousand dollars 88240  
to correct deficiencies in the structure or furnishings of a 88241  
facility. The court shall closely review the conduct of the 88242  
receiver and shall require regular and detailed reports. 88243

(C) A receivership established pursuant to this section shall 88244  
be terminated, following notification of the appropriate parties 88245  
and a hearing, if the court determines either of the following: 88246

(1) The residential facility has been closed and the former 88247  
residents have been relocated to an appropriate facility; 88248

(2) Circumstances no longer exist at the residential facility 88249  
which present a substantial risk of physical or mental harm to 88250  
residents, and there is no deficiency in the residential facility 88251  
that is likely to create a future risk of harm. 88252

Notwithstanding division (C)(2) of this section, the court 88253  
shall not terminate a receivership for a residential facility that 88254  
has previously operated under another receivership unless the 88255

responsibility for the operation of the facility is transferred to 88256  
an operator approved by the court and the department of mental 88257  
health. 88258

(D) Except for the department of mental health or appropriate 88259  
board of alcohol, drug addiction, and mental health services, no 88260  
party or person interested in an action shall be appointed a 88261  
receiver pursuant to this section. 88262

To assist the court in identifying persons qualified to be 88263  
named as receivers, the director of the department of mental 88264  
health shall maintain a list of the names of such persons. The 88265  
department of mental health, the department of job and family 88266  
services, and the department of health shall provide technical 88267  
assistance to any receiver appointed pursuant to this section. 88268

Before entering upon the duties of receiver, the receiver 88269  
must be sworn to perform the duties faithfully, and, with surety 88270  
approved by the court, judge, or clerk, execute a bond to such 88271  
person, and in such sum as the court or judge directs, to the 88272  
effect that such receiver will faithfully discharge the duties of 88273  
receiver in the action, and obey the orders of the court therein. 88274

(1) Under the control of the appointing court, a receiver may 88275  
do the following: 88276

(a) Bring and defend actions in the appointee's name as 88277  
receiver; 88278

(b) Take and keep possession of property. 88279

(2) The court shall authorize the receiver to do the 88280  
following: 88281

(a) Collect payment for all goods and services provided to 88282  
the residents or others during the period of the receivership at 88283  
the same rate as was charged by the licensee at the time the 88284  
petition for receivership was filed, unless a different rate is 88285

set by the court; 88286

(b) Honor all leases, mortgages, and secured transactions 88287  
governing all buildings, goods, and fixtures of which the receiver 88288  
has taken possession, but, in the case of a rental agreement only 88289  
to the extent of payments that are for the use of the property 88290  
during the period of the receivership, or, in the case of a 88291  
purchase agreement, only to the extent that payments come due 88292  
during the period of the receivership; 88293

(c) If transfer of residents is necessary, provide for the 88294  
orderly transfer of residents by: 88295

(i) Cooperating with all appropriate state and local agencies 88296  
in carrying out the transfer of residents to alternative community 88297  
placements; 88298

(ii) Providing for the transportation of residents' 88299  
belongings and records; 88300

(iii) Helping to locate alternative placements and develop 88301  
plans for transfer; 88302

(iv) Encouraging residents or guardians to participate in 88303  
transfer planning except when an emergency exists and immediate 88304  
transfer is necessary. 88305

(d) Make periodic reports on the status of the residential 88306  
facility to the court; the appropriate state agencies; and the 88307  
board of alcohol, drug addiction, and mental health services. Each 88308  
report shall be made available to residents, their guardians, and 88309  
families. 88310

(e) Compromise demands or claims; and 88311

(f) Generally do such acts respecting the residential 88312  
facility as the court authorizes. 88313

the recommendations of the medical director, the director shall 88460  
issue criteria for determining when a plan is complete, criteria 88461

technical assistance to the board to help it meet the criteria. 88481

If the approval of a plan remains in dispute ~~thirty days~~ 88482

~~current plan is scheduled to expire~~, the board or the director may 88484  
request that the dispute be submitted to a mutually agreed upon 88485  
third-party mediator with the cost to be shared by the board and 88486  
the department. The mediator shall issue to the board and the 88487  
department recommendations for resolution of the dispute. ~~Prior to~~ 88488  
~~the conclusion of the fiscal year in which the current plan is~~ 88489  
~~scheduled to expire, the~~ The director, taking into consideration 88490

director shall determine whether the services of an applicant's 88506  
community mental health agency satisfy the standards for 88507  
certification of the services. 88508~~

If the director determines that a community mental health 88509  
agency's services satisfy the standards for certification and the 88510  
agency has paid the fee required under division ~~(B)~~(D) of this 88511  
section, the director shall certify the services. 88512

~~If (2) If an applicant submits to the director evidence of 88513

standards for certification of the community mental health 88518  
agency's services. The director shall certify or recertify the 88519  
agency's services without any further evaluation of the services. 88520~~

(C) If the director determines that a community mental health 88521  
agency's services do not satisfy the standards for certification, 88522  
the director shall identify the areas of noncompliance, specify 88523  
what action is necessary to satisfy the standards, and offer 88524  
technical assistance to the board of alcohol, drug addiction, and 88525  
mental health services so that the board may assist the agency in 88526  
satisfying the standards. The director shall give the agency a 88527  
reasonable time within which to demonstrate that its services 88528  
satisfy the standards or to bring the services into compliance 88529  
with the standards. If the director concludes that the services 88530  
continue to fail to satisfy the standards, the director may 88531  
request that the board reallocate the funds for the community 88532  
mental health services the agency was to provide to another 88533  
community mental health agency whose community mental health 88534

services satisfy the standards. If the board does not reallocate 88535  
those funds in a reasonable period of time, the director may 88536  
withhold state and federal funds for the community mental health 88537  
services and allocate those funds directly to a community mental 88538  
health agency whose community mental health services satisfy the 88539  
standards. 88540

for any reason other than nonpayment of the license renewal fee, 89377  
unless both of the following conditions are met: 89378

(A) A period of not less than two years has elapsed since the 89379

(2) Require compliance with yard, parking, and sign regulation.

(C) This section does not affect any right of a political subdivision to permit a person to operate an adult group home licensed under this chapter in a single-family residential district or zone under conditions established by the political subdivision.

(D)(1) Notwithstanding divisions (A) and (B) of this section and except as otherwise provided in division (D)(2) of this section, a political subdivision that has enacted a zoning ordinance or resolution may limit the excessive concentration of adult family homes and adult group homes required to be licensed as adult care facilities.

(2) Nothing in division (D)(1) of this section authorizes a political subdivision to prevent or limit the continued existence and operation of adult family homes and adult group homes existing

to be licensed as adult care facilities. A political subdivision 89427  
may consider the existence of such homes for the purpose of 89428  
limiting the excessive concentration of adult family homes or 89429  
adult group homes required to be licensed as adult care facilities 89430  
that are not existing and operating on the effective date of this 89431

that is the owner or manager in operating facilities providing 89443  
care to adults. The director may, in accordance with Chapter 119. 89444  
of the Revised Code, deny a license if the past record indicates 89445  
that the owner or manager is not suitable to own or manage an 89446  
adult care facility. 89447

The license shall contain the name and address of the 89448  
facility for which it was issued, the date of expiration of the 89449  
license, and the maximum number of residents that may be 89450  
accommodated by the facility. A license for an adult care facility 89451

the rules adopted ~~under this chapter~~ pursuant to sections 5119.70 89458  
to 5119.88 of the Revised Code. The owner shall submit a 89459  
nonrefundable license renewal application fee in an amount 89460  
established in rules adopted ~~by the public health council pursuant~~ 89461  
~~to this chapter~~ under section 5119.79 of the Revised Code. Before 89462  
the license of an adult group home is renewed, if any alterations 89463  
have been made to the buildings, a certificate of occupancy for 89464  
the facility shall have been issued by the division of labor in 89465  
the department of commerce or a local certified building 89466  
department. The facility shall have water and sewage system 89467  
approvals, if required by law, and, in the case of an adult group 89468  
home, documentation of continued compliance with the rules adopted 89469  
by the state fire marshal under division (F) of section 3737.83 of 89470  
the Revised Code. 89471

(C)(1) During each licensure period, the director shall make 89472  
at least one unannounced inspection of an adult care facility in 89473  
addition to inspecting the facility to determine whether a license 89474  
should be issued or renewed, and may make additional unannounced 89475  
inspections as the director considers necessary. Other inspections 89476  
may be made at any time that the director considers appropriate. 89477  
Inspections may be conducted as desk audits or on-site 89478  
inspections. 89479

The director shall take all reasonable actions to avoid 89480  
giving notice of an inspection by the manner in which the 89481  
inspection is scheduled or performed. 89482

If an inspection is conducted to investigate an alleged 89483  
violation of the requirements of ~~this chapter~~ sections 5119.70 to 89484  
5119.88 of the Revised Code in a facility with residents referred 89485  
by or receiving services from a mental health agency or ADAMHS 89486  
board or a facility with residents receiving assistance under the 89487  
residential state supplement program administered by the 89488

department of ~~aging~~ mental health pursuant to section ~~173.35~~ 89489  
5119.69 of the Revised Code, the director ~~shall~~ may coordinate the 89490  
inspection with the appropriate mental health agency, ADAMHS 89491  
board, or ~~PASSPORT~~ residential state supplement administrative 89492  
agency designated under section 5119.69 of the Revised Code. ~~As~~ 89493  
~~the director considers appropriate, the~~ The director ~~shall~~ may 89494  
conduct the inspection jointly with the mental health agency, 89495  
ADAMHS board, or ~~PASSPORT~~ residential state supplement 89496  
administrative agency. 89497

Not later than sixty days after the date of an inspection of 89498

(2) The state fire marshal or fire prevention officer of a 89503  
municipal, township, or other legally constituted fire department 89504  
approved by the state fire marshal shall inspect an adult group 89505  
home seeking a license or renewal ~~under this chapter~~ as an adult 89506  
care facility prior to issuance of a license or renewal, at least 89507  
once annually thereafter, and at any other time at the request of 89508  
the director, to determine compliance with the rules adopted under 89509  
division (F) of section 3737.83 of the Revised Code. 89510

(D) The director may waive any of the licensing requirements 89511  
established by rule ~~adopted by the public health council~~ pursuant 89512  
to ~~this chapter~~ sections 5119.70 to 5119.88 of the Revised Code 89513  
upon written request of the facility. The director may grant a 89514  
waiver if the director determines that the strict application of 89515  
the licensing requirement would cause undue hardship to the 89516  
facility and that granting the waiver would not jeopardize the 89517  
health or safety of any resident. The director may provide a 89518  
facility with an informal hearing concerning the denial of a 89519  
waiver request, but the facility shall not be entitled to a 89520

hearing under Chapter 119. of the Revised Code unless the director 89521

or potential harm, and the extent to which the provisions of this chapter or rules adopted under it were violated;

(2) Actions taken by the owner or manager to correct the violation;

(3) The number, if any, of previous violations by the adult care facility.

(B) The director shall give written notice of the order imposing a civil penalty to the adult care facility by certified mail, return receipt requested, or shall provide for delivery of the notice in person. The notice shall specify the classification of the violation as determined by rules adopted ~~by the public health council pursuant to this chapter~~ under section 5119.80 of the Revised Code, the amount of the penalty and the rate of interest, the action that is required to be taken to correct the violation, the time within which it is to be corrected as specified in division (C) of this section, and the procedures for the facility to follow to request a conference on the order imposing a civil penalty. If the facility requests a conference in a letter mailed or delivered not later than two working days after it has received the notice, the director shall hold a conference with representatives of the facility concerning the civil penalty. The conference shall be held not later than seven days after the director receives the request. The conference shall be conducted as prescribed in division (C) of section ~~3722.07~~ 5119.76 of the Revised Code. (C) The director shall order that the condition or practice constituting a class I violation be abated or eliminated within twenty-four hours or any longer period that the director considers

waive the interest payment for the period prior to the conference 89746  
if the director concludes that the conference was necessitated by 89747  
a legitimate dispute. 89748

(E) The director may cancel or reduce the penalty for a class 89749  
I violation if the facility corrects the violation within the time 89750  
specified in the notice, except that the director shall impose the 89751  
penalty even though the facility has corrected the violation if a 89752  
resident suffers physical harm because of the violation or the 89753  
facility has been cited previously for the same violation. The 89754  
director may cancel the penalty for a class II or class III 89755  
violation if the facility corrects the violation within the time 89756  
specified in the notice and the facility has not been cited 89757  
previously for the same violation. Each day of a violation of any 89758  
class, after the date the director sets for abatement or 89759  
elimination, constitutes a separate and additional violation. 89760

(F) If an adult care facility fails to pay a penalty imposed 89761  
under this section, the director may commence a civil action to 89762  
collect the penalty. The license of an adult care facility that 89763  
has failed to pay a penalty imposed under this section shall not 89764  
be renewed until the penalty has been paid. 89765

(G) If a penalty is imposed under this section, a fine shall 89766  
not be imposed under section ~~3722.99~~ 5119.99 of the Revised Code 89767

is operating without a license, the director may petition the 89773  
court of common pleas in the county in which the facility is 89774  
located for appropriate injunctive relief against the facility. If 89775
