charges on that obligation. 62713

If the department confirms or determines that the district 62714
will be unable to make such payment and payment will not be made 62715
pursuant to a credit enhancement facility, the department shall 62716
promptly pay to the applicable primary paying agent or fiscal 62717
agent the lesser of the amount due for debt charges or the amount 62718
due the district for the remainder of the fiscal year under 62719
Chapter 3317. of the Revised Code. If this amount is insufficient 62720
to pay the total amount then due the agent for the payment of debt 62721
charges, the department shall pay to the agent each fiscal year 62722
thereafter, and until the full amount due the agent for unpaid 62723
debt charges is paid in full, the lesser of the remaining amount 62724
due the agent for debt charges or the amount due the district for 62725
the fiscal year under Chapter 3317. of the Revised Code. 62726

(E) The state department may make any payments under this 62727
division by direct deposit of funds by electronic transfer. 62728

Any amount received by a paying agent or fiscal agent under 62729
this section shall be applied only to the payment of debt charges 62730
on the securities of the school district subject to this section 62731
or to the reimbursement to the provider of a credit enhancement 62732
facility that has paid such debt charges. 62733

(F) To the extent a school district whose securities are 62734
subject to this section is unable to pay applicable debt charges 62735
because of the failure to collect property taxes levied for the 62736
payment of those debt charges, the district may transfer to or 62737
deposit into any fund that would have received payments under 62738
~~3306.~~ Chapter 3317. of the Revised Code that were withheld 62739
under this section any such delinquent property taxes when later 62740
collected, provided that transfer or deposit shall be limited to 62741
the amounts withheld from that fund under this section. 62742

(G) The department may make payments under this section to 62743

paying agents or fiscal agents only from and to the extent that 62744
money is appropriated by the general assembly for Chapter 3317. of 62745
the Revised Code or for the purposes of this section. No 62746
securities of a school district to which this section is made 62747
applicable constitute an obligation or a debt or a pledge of the 62748
faith, credit, or taxing power of the state, and the holders or 62749
owners of such securities have no right to have taxes levied or 62750
appropriations made by the general assembly for the payment of 62751
debt charges on those securities, and those securities, if the 62752
department requires, shall contain a statement to that effect. The 62753
agreement for or the actual withholding and payment of moneys 62754
under this section does not constitute the assumption by the state 62755
of any debt of a school district. 62756

(H) In the case of securities subject to the withholding 62757
provisions of this section, the issuing board of education shall 62758
appoint a paying agent or fiscal agent who is not an officer or 62759
employee of the school district. 62760

(I) The department of education, with the advice of the 62761
office of budget and management, may adopt reasonable rules not 62762
inconsistent with this section for the implementation of this 62763
section and division (B) of section 133.25 of the Revised Code as 62764
it relates to the withholding and depositing of payments under 62765
~~Chapters 3306. and Chapter~~ 3317. of the Revised Code to secure 62766
payment of debt charges on school district securities. Those rules 62767
shall include criteria for the evaluation and approval or denial 62768
of school district requests for withholding under this section and 62769
limits on the obligation for the purpose of paying debt charges or 62770
reimbursing credit enhancement facilities of funds otherwise to be 62771
paid to school districts under Chapter 3317. of the Revised Code. 62772

(J) The authority granted by this section is in addition to 62773
and not a limitation on any other authorizations granted by or 62774
pursuant to law for the same or similar purposes. 62775

(2) Fifteen per cent of the total computed under division (A)(1) of this section;

(3) The total of the unit operating allowances for all approved units. The amount of each allowance shall equal one of the following:

(b) Two thousand one hundred thirty-two dollars times the number of units or fraction thereof approved for the year under division (C) of section 3317.05 of the Revised Code.

(B) The state board of education shall compute and distribute to each cooperative education school district for each fiscal year an amount equal to the sum of the following:

(1) An amount equal to the total of the amounts credited to the cooperative education school district pursuant to division ~~(K)~~(H) of section 3317.023 of the Revised Code;

(2) The total unit allowance;

(3) An amount for assisting in providing free lunches to

needy children and an amount for assisting needy school districts 62806
in purchasing necessary equipment for food preparation pursuant to 62807
division ~~(H)~~(D) of section 3317.024 of the Revised Code. 62808

(C) If a cooperative education school district has had 62809
additional special education units approved for the year under 62810
division (F)(2) of section 3317.03 of the Revised Code, the 62811
district shall receive an additional amount during the last half 62812
of the fiscal year. For each unit, the additional amount shall 62813
equal fifty per cent of the amount computed under division (A) of 62814
this section for a unit approved under division (B) of section 62815
3317.05 of the Revised Code. 62816

under division (B) of this section for the number of children 62837
exceeding the number placed in fiscal year 1998. The department 62838
instead shall deduct from the district's payments under this 62839
chapter ~~and Chapter 3306. of the Revised Code~~, and pay to the 62840

(2) The product of the quotient calculated under division 62851
(D)(1) of this section times the number of children for whom 62852
payments are made under divisions (B) and (C) of this section. 62853

If the amount calculated under division (D)(2) of this 62854
section is greater than the total amount calculated under 62855
divisions (B) and (C) of this section, the department shall pay 62856
the county DD board one hundred per cent of the difference in 62857
addition to the payments under divisions (B) and (C) of this 62858
section. 62859

(E) Each county DD board shall report to the department, in 62860
the manner specified by the department, the name of each child for 62861
whom the county DD board provides special education and related 62862

If the child has not been assigned a code, the district shall assign a code to that child and submit the code to the department by a date specified by the department. If the district does not assign a code to the child by the specified date, the department shall assign a code to the child. 62872
62873
62874
62875
62876
62877
62878
62879
62880

The department annually shall submit to each school district the name and data verification code of each child residing in the district for whom the department has assigned a code under this division. 62881
62882
62883
62884

(3) The department shall not release any data verification code that it receives under division (F) of this section to any person except as provided by law. 62885
62886
62887

(G) Any document relative to special education and related services provided by a county DD board that the department holds in its files that contains both a student's name or other personally identifiable information and the student's data verification code shall not be a public record under section 149.43 of the Revised Code. 62888

(1) The formula amount times the institution's total special education weight;

Sec. 3318.011. For purposes of providing assistance under sections 3318.01 to 3318.20 of the Revised Code, the department of education shall annually do all of the following:

(A) Calculate the adjusted valuation per pupil of each city, local, and exempted village school district according to the following formula:

The district's valuation per pupil -
[\$30,000 X (1 - the district's income factor)].

For purposes of this calculation:

(1) Except for a district with an open enrollment net gain that is ten per cent or more of its formula ADM, "valuation per pupil" for a district means its average taxable value, divided by its formula ADM for the previous fiscal year. "Valuation per pupil," for a district with an open enrollment net gain that is ten per cent or more of its formula ADM, means its average taxable value, divided by the sum of its formula ADM for the previous fiscal year plus its open enrollment net gain for the previous fiscal year.

(2) ~~Average~~ Except for a tangible personal property

phase-out impacted district, "average taxable value" means the 62958
average of the sum of the amounts certified for a district under 62959
divisions (A)(1) and (2) of section 3317.021 of the Revised Code 62960
in the second, third, and fourth preceding fiscal years. For a 62961
tangible personal property phase-out impacted district, "average 62962
taxable value" means the average of the sum of the amounts 62963
certified for the district under division (A)(1) and as public 62964
utility personal property under division (A)(2) of section 62965
3317.021 of the Revised Code in the second, third, and fourth 62966
preceding fiscal years. 62967

(3) "Entitled to attend school" means entitled to attend 62968
school in a city, local, or exempted village school district under 62969
section 3313.64 or 3313.65 of the Revised Code. 62970

(4) "Formula ADM" and "income factor" have the same meanings 62971
as in section 3317.02 of the Revised Code. 62972

(5) "Native student" has the same meaning as in section 62973
3313.98 of the Revised Code. 62974

(6) "Open enrollment net gain" for a district means (a) the 62975
number of the students entitled to attend school in another 62976
district but who are enrolled in the schools of the district under 62977
its open enrollment policy minus (b) the number of the district's 62978
native students who are enrolled in the schools of another 62979
district under the other district's open enrollment policy, both 62980
numbers as certified to the department under section 3313.981 of 62981
the Revised Code. If the difference is a negative number, the 62982
district's "open enrollment net gain" is zero. 62983

(7) "Open enrollment policy" means an interdistrict open 62984
enrollment policy adopted under section 3313.98 of the Revised 62985
Code. 62986

(8) "Tangible personal property phase-out impacted district" 62987
means a school district for which the taxable value of its 62988

tangible personal property certified under division (A)(2) of 62989
section 3317.021 of the Revised Code for tax year 2005, excluding 62990
the taxable value of public utility personal property, made up 62991
eighteen per cent or more of its total taxable value for tax year 62992
2005 as certified under that section. 62993

(B) Calculate for each district the three-year average of the 62994
adjusted valuations per pupil calculated for the district for the 62995
current and two preceding fiscal years; 62996

(C) Rank all such districts in order of adjusted valuation 62997
per pupil from the district with the lowest three-year average 62998
adjusted valuation per pupil to the district with the highest 62999
three-year average adjusted valuation per pupil; 63000

(D) Divide such ranking into percentiles with the first 63001
percentile containing the one per cent of school districts having 63002
the lowest three-year average adjusted valuations per pupil and 63003
the one-hundredth percentile containing the one per cent of school 63004
districts having the highest three-year average adjusted 63005
valuations per pupil; 63006

(E) Determine the school districts that have three-year 63007
average adjusted valuations per pupil that are greater than the 63008
median three-year average adjusted valuation per pupil for all 63009
school districts in the state; 63010

(F) On or before the first day of September, certify the 63011
information described in divisions (A) to (E) of this section to 63012
the Ohio school facilities commission. 63013

Sec. 3318.032. (A) Except as otherwise provided in divisions 63014
(C) and (D) of this section, the portion of the basic project cost 63015
supplied by the school district shall be the greater of: 63016

(1) The required percentage of the basic project costs; 63017

(2)(a) For all districts except a district that opts to 63018

divide its entire classroom facilities needs into segments to be 63019
completed separately as authorized by section 3318.034 of the 63020
Revised Code, an amount necessary to raise the school district's 63021
net bonded indebtedness, as of the date the controlling board 63022
approved the project, to within five thousand dollars of the 63023
required level of indebtedness; 63024

(b) For a district that opts to divide its entire classroom 63025
facilities needs into segments to be completed separately as 63026
authorized by section 3318.034 of the Revised Code, an amount 63027
necessary to raise the school district's net bonded indebtedness, 63028
as of the date the controlling board approved the project, to 63029
within five thousand dollars of the following: 63030

The required level of indebtedness X (the basic 63031
project cost of the segment as approved 63032
by the controlling board / the estimated basic 63033
project cost of the district's entire classroom facilities 63034
needs as determined jointly by the staff of the Ohio 63035
school facilities commission and the district) 63036

(B) The amount of the district's share determined under this 63037
section shall be calculated only as of the date the controlling 63038
board approved the project, and that amount applies throughout the 63039
~~one-year~~ thirteen-month period permitted under section 3318.05 of 63040
the Revised Code for the district's electors to approve the 63041
propositions described in that section. If the amount reserved and 63042
encumbered for a project is released because the electors do not 63043
approve those propositions within that ~~year~~ period, and the school 63044
district later receives the controlling board's approval for the 63045
project, subject to a new project scope and estimated costs under 63046
section 3318.054 of the Revised Code, the district's portion shall 63047
be recalculated in accordance with this section as of the date of 63048
the controlling board's subsequent approval. 63049

(C) At no time shall a school district's portion of the basic 63050

project cost be greater than ninety-five per cent of the total 63051
basic project cost. 63052

(D) If the controlling board approves a project under 63053
sections 3318.01 to 3318.20 of the Revised Code for a school 63054
district that previously received assistance under those sections 63055
or section 3318.37 of the Revised Code within the twenty-year 63056
period prior to the date on which the controlling board approves 63057
the new project, the district's portion of the basic project cost 63058
for the new project shall be the lesser of the following: 63059

(1) The portion calculated under division (A) of this 63060
section; 63061

(2) The greater of the following: 63062

(a) The required percentage of the basic project costs for 63063
the new project; 63064

(b) The percentage of the basic project cost paid by the 63065
district for the previous project. 63066

Sec. 3318.034. (A) This section applies to both of the 63067
following: 63068

(1) Any school district that has not executed an agreement 63069
for a project under sections 3318.01 to 3318.20 of the Revised 63070
Code prior to ~~the effective date of this section~~ June 24, 2008; 63071

(2) Any school district that is eligible for additional 63072
assistance under sections 3318.01 to 3318.20 of the Revised Code 63073
pursuant to division (B)(2) of section 3318.04 of the Revised 63074
Code. 63075

Notwithstanding any provision of this chapter to the 63076
contrary, with the approval of the Ohio school facilities 63077
commission, any school district to which this section applies may 63078
opt to divide the district's entire classroom facilities needs, as 63079
those needs are jointly determined by the staff of the commission 63080

and the school district, into discrete segments and shall comply 63081
with all of the provisions of those sections unless otherwise 63082
provided in this section. 63083

(B) ~~Each~~ Except as provided in division (C) of this section, 63084
each segment shall comply with all of the following: 63085

(1) The segment shall consist of the new construction of one 63086
or more entire buildings or the complete renovation of one or more 63087
entire existing buildings, with any necessary additions to that 63088
building. 63089

(2) The segment shall not include any construction of or 63090
renovation or repair to any building that does not complete the 63091
needs of the district with respect to that particular building at 63092
the time the segment is completed. 63093

(3) The segment shall consist of new construction, 63094
renovations, additions, reconstruction, or repair of classroom 63095
facilities to the extent that the school district portion, as 63096
determined under section 3318.032 of the Revised Code, is an 63097
amount not less than the product of 0.040 times the district's 63098
valuation at the time the agreement for the segment is executed, 63099
unless the district previously has undertaken a segment under this 63100
section and the district's portion of the estimated basic project 63101
cost of the remainder of its entire classroom facilities needs, as 63102
determined jointly by the staff of the commission and the 63103
district, is less than the amount otherwise required by this 63104
division. 63105

(C) A district described in division (A)(2) of this section 63106
that has not received the additional assistance authorized under 63107
division (B)(2) of section 3318.04 of the Revised Code may 63108
undertake a segment, with commission approval, for the purpose of 63109
renovating or replacing work performed on a facility under the 63110
district's prior project. The commission may approve that segment 63111

if the commission determines that the renovation or replacement is necessary to protect the facility. The basic project cost of the segment shall be allocated between the state and the district in accordance with section 3318.032 of the Revised Code. However, the requirements of division (B) of this section shall not apply to a segment undertaken under this division.

(D) The commission shall conditionally approve and seek controlling board approval in accordance with division (A) of section 3318.04 of the Revised Code of each segment.

~~(D)~~(E) The school district's maintenance levy requirement, as defined in section 3318.18 of the Revised Code, shall run for twenty-three years from the date the first segment is undertaken; however, the maintenance levy requirement does not apply to a segment undertaken under division (C) of this section.

Sec. 3318.05. The conditional approval of the Ohio school facilities commission for a project shall lapse and the amount reserved and encumbered for such project shall be released unless the school district board accepts such conditional approval within one hundred twenty days following the date of certification of the conditional approval to the school district board and the electors of the school district vote favorably on both of the propositions described in divisions (A) and (B) of this section within ~~one year~~ thirteen months of the date of such certification, except that a school district described in division (C) of this section does not need to submit the proposition described in division (B) of this section. The propositions described in divisions (A) and (B) of this section shall be combined in a single proposal. If the district board or the district's electors fail to meet such requirements and the amount reserved and encumbered for the district's project is released, the district shall be given first priority for project funding as such funds become available.

subject to section 3318.054 of the Revised Code. 63143

(A) On the question of issuing bonds of the school district 63144
board, for the school district's portion of the basic project 63145
cost, in an amount equal to the school district's portion of the 63146
basic project cost less the amount of the proceeds of any 63147
securities authorized or to be authorized under division (J) of 63148
section 133.06 of the Revised Code and dedicated by the school 63149
district board to payment of the district's portion of the basic 63150
project cost; and 63151

(B) On the question of levying a tax the proceeds of which 63152
shall be used to pay the cost of maintaining the classroom 63153
facilities included in the project. Such tax shall be at the rate 63154
of not less than one-half mill for each dollar of valuation for a 63155
period of twenty-three years, subject to any extension approved 63156
under section 3318.061 of the Revised Code. 63157

(C) If a school district has in place a tax levied under 63158
section 5705.21 of the Revised Code for general permanent 63159
improvements for a continuing period of time and the proceeds of 63160
such tax can be used for maintenance, or if a district agrees to 63161
the transfers described in section 3318.051 of the Revised Code, 63162
the school district need not levy the additional tax required 63163
under division (B) of this section, provided the school district 63164
board includes in the agreement entered into under section 3318.08 63165
of the Revised Code provisions either: 63166

(1) Earmarking an amount from the proceeds of that permanent 63167
improvement tax for maintenance of classroom facilities equivalent 63168
to the amount of the additional tax and for the equivalent number 63169
of years otherwise required under this section; 63170

(2) Requiring the transfer of money in accordance with 63171
section 3318.051 of the Revised Code. 63172

The district board subsequently may rescind the agreement to 63173

make the transfers under section 3318.051 of the Revised Code only 63174
so long as the electors of the district have approved, in 63175
accordance with section 3318.063 of the Revised Code, the levy of 63176
a tax for the maintenance of the classroom facilities acquired 63177
under the district's project and that levy continues to be 63178
collected as approved by the electors. 63179

(D) Proceeds of the tax to be used for maintenance of the 63180
classroom facilities under either division (B) or (C)(1) of this 63181
section, and transfers of money in accordance with section 63182
3318.051 of the Revised Code shall be deposited into a separate 63183
fund established by the school district for such purpose. 63184

Sec. 3318.051. (A) Any city, exempted village, or local 63185
school district that commences a project under sections 3318.01 to 63186
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 63187
after September 5, 2006, need not levy the tax otherwise required 63188
under division (B) of section 3318.05 of the Revised Code, if the 63189
district board of education adopts a resolution petitioning the 63190
Ohio school facilities commission to approve the transfer of money 63191
in accordance with this section and the commission approves that 63192
transfer. If so approved, the commission and the district board 63193
shall enter into an agreement under which the board, in each of 63194
twenty-three consecutive years beginning in the year in which the 63195
board and the commission enter into the project agreement under 63196
section 3318.08 of the Revised Code, shall transfer into the 63197
maintenance fund required by division (D) of section 3318.05 of 63198
the Revised Code not less than an amount equal to one-half mill 63199
for each dollar of the district's valuation unless and until the 63200
agreement to make those transfers is rescinded by the district 63201
board pursuant to division (F) of this section. 63202

(B) On the first day of July each year, or on an alternative 63203
date prescribed by the commission, the district treasurer shall 63204

certify to the commission and the auditor of state that the amount 63205
required for the year has been transferred. The auditor of state 63206
shall include verification of the transfer as part of any audit of 63207
the district under section 117.11 of the Revised Code. If the 63208
auditor of state finds that less than the required amount has been 63209
deposited into a district's maintenance fund, the auditor of state 63210
shall notify the district board of education in writing of that 63211
fact and require the board to deposit into the fund, within ninety 63212
days after the date of the notice, the amount by which the fund is 63213
deficient for the year. If the district board fails to demonstrate 63214
to the auditor of state's satisfaction that the board has made the 63215
deposit required in the notice, the auditor of state shall notify 63216
the department of education. At that time, the department shall 63217
withhold an amount equal to ten per cent of the district's funds 63218
calculated for the current fiscal year under ~~Chapters 3306.~~ and 63219
Chapter 3317. of the Revised Code until the auditor of state 63220
notifies the department that the auditor of state is satisfied 63221
that the board has made the required transfer. 63222

(C) Money transferred to the maintenance fund shall be used 63223
for the maintenance of the facilities acquired under the 63224
district's project. 63225

(D) The transfers to the maintenance fund under this section 63226
does not affect a district's obligation to establish and maintain 63227
a capital and maintenance fund under section 3315.18 of the 63228
Revised Code. 63229

(E) Any decision by the commission to approve or not approve 63230
the transfer of money under this section is final and not subject 63231
to appeal. The commission shall not be responsible for errors or 63232
miscalculations made in deciding whether to approve a petition to 63233
make transfers under this section. 63234

(F) If the district board determines that it no longer can 63235
continue making the transfers agreed to under this section, the 63236

board may rescind the agreement only so long as the electors of 63237
the district have approved, in accordance with section 3318.063 of 63238
the Revised Code, the levy of a tax for the maintenance of the 63239
classroom facilities acquired under the district's project and 63240
that levy continues to be collected as approved by the electors. 63241
That levy shall be for a number of years that is equal to the 63242
difference between twenty-three years and the number of years that 63243
the district made transfers under this section and shall be at the 63244
rate of not less than one-half mill for each dollar of the 63245
district's valuation. The district board shall continue to make 63246
the transfers agreed to under this section until that levy has 63247
been approved by the electors. 63248

Sec. 3318.054. (A) If conditional approval of a city, 63249
exempted village, or local school district's project lapses as 63250
provided in section 3318.05 of the Revised Code, or if conditional 63251
approval of a joint vocational school district's project lapses as 63252
provided in division (D) of section 3318.41 of the Revised Code, 63253
because the district's electors have not approved the ballot 63254
measures necessary to generate the district's portion of the basic 63255
project cost, and if the district board desires to seek a new 63256
conditional approval of the project, the district board shall 63257
request that the Ohio school facilities commission set the scope, 63258
basic project cost, and school district portion of the basic 63259
project cost prior to resubmitting the ballot measures to the 63260
electors. To do so, the commission shall use the district's 63261
current assessed tax valuation and the district's percentile for 63262
the prior fiscal year. For a district that has entered into an 63263
agreement under section 3318.36 of the Revised Code and desires to 63264
proceed with a project under sections 3318.01 to 3318.20 of the 63265
Revised Code, the district's portion of the basic project cost 63266
shall be the percentage specified in that agreement. The project 63267
scope and basic costs established under this division shall be 63268

valid for one year from the date the commission approves them. 63269

(B) Upon the commission's approval under division (A) of this section, the district board may submit the ballot measures to the district's electors for approval of the project based on the new project scope and estimated costs. Upon electoral approval of those measures, the district shall be given first priority for project funding as such funds become available. 63270
63271
63272
63273
63274
63275

(C) When the commission determines that funds are available for the district's project, the commission shall do all of the following: 63276
63277
63278

(1) Determine the school district portion of the basic project cost under section 3318.032 of the Revised Code, in the case of a city, exempted village, or local school district, or under section 3318.42 of the Revised Code, in the case of a joint vocational school district; 63279
63280
63281
63282
63283

(2) Conditionally approve the project and submit it to the controlling board for approval pursuant to section 3318.04 of the Revised Code; 63284
63285
63286

(3) Encumber funds for the project under section 3318.11 of the Revised Code; 63287
63288

(4) Enter into an agreement with the district board under section 3318.08 of the Revised Code. 63289
63290

Sec. 3318.08. Except in the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the requisite favorable vote on the election is obtained, or if the school district board has resolved to apply the proceeds of a property tax levy or the proceeds of an income tax, or a combination of proceeds from such taxes, as authorized in section 3318.052 of the Revised Code, the Ohio school facilities commission, upon certification to it of 63291
63292
63293
63294
63295
63296
63297
63298

either the results of the election or the resolution under section 63299
3318.052 of the Revised Code, shall enter into a written agreement 63300
with the school district board for the construction and sale of 63301
the project. In the case of a joint vocational school district 63302
that receives assistance under sections 3318.40 to 3318.45 of the 63303
Revised Code, if the school district board of education and the 63304
school district electors have satisfied the conditions prescribed 63305
in division (D)(1) of section 3318.41 of the Revised Code, the 63306
commission shall enter into an agreement with the school district 63307
board for the construction and sale of the project. In either 63308
case, the agreement shall include, but need not be limited to, the 63309
following provisions: 63310

(A) The sale and issuance of bonds or notes in anticipation 63311
thereof, as soon as practicable after the execution of the 63312
agreement, in an amount equal to the school district's portion of 63313
the basic project cost, including any securities authorized under 63314
division (J) of section 133.06 of the Revised Code and dedicated 63315
by the school district board to payment of the district's portion 63316
of the basic project cost of the project; provided, that if at 63317
that time the county treasurer of each county in which the school 63318
district is located has not commenced the collection of taxes on 63319
the general duplicate of real and public utility property for the 63320
year in which the controlling board approved the project, the 63321
school district board shall authorize the issuance of a first 63322
installment of bond anticipation notes in an amount specified by 63323
the agreement, which amount shall not exceed an amount necessary 63324
to raise the net bonded indebtedness of the school district as of 63325
the date of the controlling board's approval to within five 63326
thousand dollars of the required level of indebtedness for the 63327
preceding year. In the event that a first installment of bond 63328
anticipation notes is issued, the school district board shall, as 63329
soon as practicable after the county treasurer of each county in 63330
which the school district is located has commenced the collection 63331

of taxes on the general duplicate of real and public utility 63332
property for the year in which the controlling board approved the 63333
project, authorize the issuance of a second and final installment 63334
of bond anticipation notes or a first and final issue of bonds. 63335

The combined value of the first and second installment of 63336
bond anticipation notes or the value of the first and final issue 63337
of bonds shall be equal to the school district's portion of the 63338
basic project cost. The proceeds of any such bonds shall be used 63339
first to retire any bond anticipation notes. Otherwise, the 63340
proceeds of such bonds and of any bond anticipation notes, except 63341
the premium and accrued interest thereon, shall be deposited in 63342
the school district's project construction fund. In determining 63343
the amount of net bonded indebtedness for the purpose of fixing 63344
the amount of an issue of either bonds or bond anticipation notes, 63345
gross indebtedness shall be reduced by moneys in the bond 63346
retirement fund only to the extent of the moneys therein on the 63347
first day of the year preceding the year in which the controlling 63348
board approved the project. Should there be a decrease in the tax 63349
valuation of the school district so that the amount of 63350
indebtedness that can be incurred on the tax duplicates for the 63351
year in which the controlling board approved the project is less 63352
than the amount of the first installment of bond anticipation 63353
notes, there shall be paid from the school district's project 63354
construction fund to the school district's bond retirement fund to 63355
be applied against such notes an amount sufficient to cause the 63356
net bonded indebtedness of the school district, as of the first 63357
day of the year following the year in which the controlling board 63358
approved the project, to be within five thousand dollars of the 63359
required level of indebtedness for the year in which the 63360
controlling board approved the project. The maximum amount of 63361
indebtedness to be incurred by any school district board as its 63362
share of the cost of the project is either an amount that will 63363
cause its net bonded indebtedness, as of the first day of the year 63364

following the year in which the controlling board approved the 63365
project, to be within five thousand dollars of the required level 63366
of indebtedness, or an amount equal to the required percentage of 63367
the basic project costs, whichever is greater. All bonds and bond 63368
anticipation notes shall be issued in accordance with Chapter 133. 63369
of the Revised Code, and notes may be renewed as provided in 63370
section 133.22 of the Revised Code. 63371

available for the project, together with the proceeds of the sale 63373
of the bonds or notes, except premium, accrued interest, and 63374
interest included in the amount of the issue, to the school 63375
district's project construction fund; 63376

(C) For all school districts except joint vocational school 63377

the Revised Code; 63391

(2) If section 3318.052 of the Revised Code does not apply, 63392

approved the transfer of money to the maintenance fund in 63405
accordance with section 3318.051 of the Revised Code, a 63406
requirement that the district board comply with the provisions 63407
that section. The district board may rescind the provision 63408
prescribed under division (C)(2)(c) of this section only so long 63409
as the electors of the district have approved, in accordance with 63410
section 3318.063 of the Revised Code, the levy of a tax for the 63411
maintenance of the classroom facilities acquired under the 63412
district's project and that levy continues to be collected as 63413

section 3318.05 of the Revised Code as required under division 63424
(D)(2) of section 3318.084 of the Revised Code; 63425

the Revised Code are no longer outstanding; 63432

related to the project as provided under section 3318.086 of the 63526
Revised Code; 63527

(U) Provision stipulating that for continued release of 63528
project funds the school district board shall comply with section 63529
3313.41 of the Revised Code throughout the project and shall 63530
notify the department of education and the Ohio community school 63531
association when the board plans to dispose of facilities by sale 63532
under that section; 63533

(V) Provision that the commission shall not approve a 63534
contract for demolition of a facility until the school district 63535
board has complied with section 3313.41 of the Revised Code 63536
relative to that facility, unless demolition of that facility is 63537
to clear a site for construction of a replacement facility 63538
included in the district's project. 63539

Sec. 3318.12. (A) The Ohio school facilities commission shall 63540
cause to be transferred to the school district's project 63541
construction fund the necessary amounts from amounts appropriated 63542
by the general assembly and set aside for such purpose, from time 63543
to time as may be necessary to pay obligations chargeable to such 63544
fund when due. All investment earnings of a school district's 63545
project construction fund shall be credited to the fund. 63546

(B)(1) The treasurer of the school district board shall 63547
disburse funds from the school district's project construction 63548
fund, including investment earnings credited to the fund, only 63549
upon the approval of the commission or the commission's designated 63550
representative. The commission or the commission's designated 63551

representative shall issue vouchers against such fund, in such 63552
amounts, and at such times as required by the contracts for 63553
construction of the project. 63554

(2) Notwithstanding anything to the contrary in division 63555
(B)(1) of this section, the school district board may, by a duly 63556
adopted resolution, choose to use all or part of the investment 63557
earnings of the district's project construction fund that are 63558
attributable to the district's contribution to the fund to pay the 63559
cost of classroom facilities or portions or components of 63560
classroom facilities that are not included in the district's basic 63561
project cost but that are related to the district's project. If 63562
the district board adopts a resolution in favor of using those 63563
investment earnings as authorized under division (B)(2) of this 63564
section, the treasurer shall disburse the amount as designated and 63565
directed by the board. However, if the district board chooses to 63566
use any part of the investment earnings for classroom facilities 63567
or portions or components of classroom facilities that are not 63568
included in the basic project cost, as authorized under division 63569
(B)(2) of this section, and, subsequently, the cost of the project 63570
exceeds the amount in the project construction fund, the district 63571
board shall restore to the project construction fund the full 63572
amount of the investment earnings used under division (B)(2) of 63573
this section before any additional state moneys shall be released 63574
for the project. 63575

(C) After ~~the~~ a certificate of completion has been issued for 63576
a project has been completed under section 3318.48 of the Revised 63577
Code: 63578

(1) At the discretion of the school district board, any 63579
investment earnings remaining in the project construction fund 63580
that are attributable to the school district's contribution to the 63581
fund shall be: 63582

(a) Retained in the project construction fund for future 63583

projects; 63584

(b) Transferred to the district's maintenance fund required 63585
by division (B) of section 3318.05 or section 3318.43 of the 63586
Revised Code, and the money so transferred shall be used solely 63587
for maintaining the classroom facilities included in the project; 63588

(c) Transferred to the district's permanent improvement fund. 63589

(2) Any investment earnings remaining in the project 63590
construction fund that are attributable to the state's 63591
contribution to the fund shall be transferred to the commission 63592
for expenditure pursuant to sections 3318.01 to 3318.20 or 63593
sections 3318.40 to 3318.45 of the Revised Code. 63594

(3) Any other surplus remaining in the school district's 63595
project construction fund ~~after the project has been completed~~ 63596
shall be transferred to the commission and the school district 63597
board in proportion to their respective contributions to the fund. 63598
The commission shall use the money transferred to it under this 63599
division for expenditure pursuant to sections 3318.01 to 3318.20 63600
or sections 3318.40 to 3318.45 of the Revised Code. 63601

(D) Pursuant to appropriations of the general assembly, any 63602
moneys transferred to the commission under division (C)(2) or (3) 63603
of this section from a project construction fund for a project 63604
under sections 3318.40 to 3318.45 of the Revised Code may be used 63605
for future expenditures for projects under sections 3318.40 to 63606
3318.45 of the Revised Code, notwithstanding the two per cent 63607
annual limit specified in division (B) of section 3318.40 of the 63608
Revised Code. 63609

Sec. 3318.31. (A) The Ohio school facilities commission may 63610
perform any act and ensure the performance of any function 63611
necessary or appropriate to carry out the purposes of, and 63612
exercise the powers granted under, Chapter 3318. of the Revised 63613

Code, including any of the following: 63614

(1) Adopt, amend, and rescind, pursuant to section 111.15 of 63615
the Revised Code, rules for the administration of programs 63616

(2) Contract with, retain the services of, or designate, and 63618
fix the compensation of, such agents, accountants, consultants, 63619
advisers, and other independent contractors as may be necessary or 63620
desirable to carry out the programs authorized under Chapter 3318. 63621
of the Revised Code, or authorize the executive director to 63622
perform such powers and duties. 63623

(3) Receive and accept any gifts, grants, donations, and 63624
pledges, and receipts therefrom, to be used for the programs 63625
authorized under Chapter 3318. of the Revised Code. 63626

(4) Make and enter into all contracts, commitments, and 63627
agreements, and execute all instruments, necessary or incidental 63628
to the performance of its duties and the execution of its rights 63629
and powers under Chapter 3318. of the Revised Code, or authorize 63630
the executive director to perform such powers and duties. 63631

(5) Request the director of administrative services to debar 63632
a contractor as provided in section 153.02 of the Revised Code. 63633

(B) The commission shall appoint and fix the compensation of 63634
an executive director who shall serve at the pleasure of the 63635
commission. The executive director shall supervise the operations 63636
of the commission and perform such other duties as delegated by 63637
the commission. The executive director also shall employ and fix 63638
the compensation of such employees as will facilitate the 63639
activities and purposes of the commission, who shall serve at the 63640
pleasure of the executive director. The employees of the 63641
commission shall be exempt from Chapter 4117. of the Revised Code 63642
and shall not be public employees as defined in section 4117.01 of 63643
the Revised Code. 63644

(C) The attorney general shall serve as the legal 63645
representative for the commission and may appoint other counsel as 63646
necessary for that purpose in accordance with section 109.07 of 63647
the Revised Code. 63648

Sec. 3318.36. (A)(1) As used in this section: 63649

(a) "Ohio school facilities commission," "classroom 63650
facilities," "school district," "school district board," "net 63651
bonded indebtedness," "required percentage of the basic project 63652
costs," "basic project cost," "valuation," and "percentile" have 63653
the same meanings as in section 3318.01 of the Revised Code. 63654

(b) "Required level of indebtedness" means five per cent of 63655
the school district's valuation for the year preceding the year in 63656
which the commission and school district enter into an agreement 63657
under division (B) of this section, plus [two one-hundredths of 63658
one per cent multiplied by (the percentile in which the district 63659
ranks minus one)]. 63660

(c) "Local resources" means any moneys generated in any 63661
manner permitted for a school district board to raise the school 63662
district portion of a project undertaken with assistance under 63663
sections 3318.01 to 3318.20 of the Revised Code. 63664

(d) "Tangible personal property phase-out impacted district" 63665
has the same meaning as in section 3318.11 of the Revised Code. 63666

(2) For purposes of determining the required level of 63667
indebtedness, the required percentage of the basic project costs 63668
under division (C)(1) of this section, and priority for assistance 63669
under sections 3318.01 to 3318.20 of the Revised Code, the 63670
percentile ranking of a school district with which the commission 63671
has entered into an agreement under this section between the first 63672
day of July and the thirty-first day of August in each fiscal year 63673
is the percentile ranking calculated for that district for the 63674

immediately preceding fiscal year, and the percentile ranking of a 63675
school district with which the commission has entered into such 63676
agreement between the first day of September and the thirtieth day 63677
of June in each fiscal year is the percentile ranking calculated 63678
for that district for the current fiscal year. However, in the 63679
case of a tangible personal property phase-out impacted district, 63680
the district's priority for assistance under sections 3318.01 to 63681
3318.20 of the Revised Code and its portion of the basic project 63682
cost under those sections shall be determined in the manner 63683
prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 63684
this section. 63685

(B)(1) There is hereby established the school building 63686
assistance expedited local partnership program. Under the program, 63687
the Ohio school facilities commission may enter into an agreement 63688
with the school district board of any school district under which 63689
the school district board may proceed with the new construction or 63690
major repairs of a part of the school district's classroom 63691
facilities needs, as determined under sections 3318.01 to 3318.20 63692
of the Revised Code, through the expenditure of local resources 63693
prior to the school district's eligibility for state assistance 63694
under those sections and may apply that expenditure toward meeting 63695
the school district's portion of the basic project cost of the 63696
total of the school district's classroom facilities needs, as 63697
determined under sections 3318.01 to 3318.20 of the Revised Code 63698
and as recalculated under division (E) of this section, that are 63699
eligible for state assistance under sections 3318.01 to 3318.20 of 63700
the Revised Code when the school district becomes eligible for 63701
that assistance. Any school district that is reasonably expected 63702
to receive assistance under sections 3318.01 to 3318.20 of the 63703
Revised Code within two fiscal years from the date the school 63704
district adopts its resolution under division (B) of this section 63705
shall not be eligible to participate in the program established 63706
under this section. 63707

(2) To participate in the program, a school district board 63708
shall first adopt a resolution certifying to the commission the 63709
board's intent to participate in the program. 63710

The resolution shall specify the approximate date that the 63711
board intends to seek elector approval of any bond or tax measures 63712
or to apply other local resources to use to pay the cost of 63713
classroom facilities to be constructed under this section. The 63714
resolution may specify the application of local resources or 63715
elector-approved bond or tax measures after the resolution is 63716
adopted by the board, and in such case the board may proceed with 63717
a discrete portion of its project under this section as soon as 63718
the commission and the controlling board have approved the basic 63719
project cost of the district's classroom facilities needs as 63720
specified in division (D) of this section. The board shall submit 63721
its resolution to the commission not later than ten days after the 63722
date the resolution is adopted by the board. 63723

The commission shall not consider any resolution that is 63724
submitted pursuant to division (B)(2) of this section, as amended 63725
by this amendment, sooner than September 14, 2000. 63726

(3) For purposes of determining when a district that enters 63727
into an agreement under this section becomes eligible for 63728
assistance under sections 3318.01 to 3318.20 of the Revised Code, 63729
the commission shall use one of the following as applicable: 63730

(a) Except for a tangible personal property phase-out 63731
impacted district, the district's percentile ranking determined at 63732
the time the district entered into the agreement under this 63733
section, as prescribed by division (A)(2) of this section; 63734

(b) For a tangible personal property phase-out impacted 63735
district, the least of (i) the district's percentile ranking 63736
determined at the time the district entered into the agreement 63737
under this section, as prescribed by division (A)(2) of this 63738

section, (ii) the district's current percentile ranking under 63739
section 3318.011 of the Revised Code, or (iii) for a project 63740
approved for fiscal year 2012, the district's percentile ranking 63741
under the alternate equity list prescribed by Section of 63742
H.B. 153 of the 129th general assembly. 63743

(4) Any project under this section shall comply with section 63744
3318.03 of the Revised Code and with any specifications for plans 63745
and materials for classroom facilities adopted by the commission 63746
under section 3318.04 of the Revised Code. 63747

(5) If a school district that enters into an agreement under 63748
this section has not begun a project applying local resources as 63749
provided for under that agreement at the time the district is 63750
notified by the commission that it is eligible to receive state 63751
assistance under sections 3318.01 to 3318.20 of the Revised Code, 63752
all assessment and agreement documents entered into under this 63753
section are void. 63754

(6) Only construction of or repairs to classroom facilities 63755
that have been approved by the commission and have been therefore 63756
included as part of a district's basic project cost qualify for 63757
application of local resources under this section. 63758

(C) Based on the results of on-site visits and assessment, 63759
the commission shall determine the basic project cost of the 63760
school district's classroom facilities needs. The commission shall 63761
determine the school district's portion of such basic project 63762
cost, which shall be the greater of: 63763

(1) The required percentage of the basic project costs, 63764
determined based on the school district's percentile ranking; 63765

(2) An amount necessary to raise the school district's net 63766
bonded indebtedness, as of the fiscal year the commission and the 63767
school district enter into the agreement under division (B) of 63768
this section, to within five thousand dollars of the required 63769

level of indebtedness. 63770

(D)(1) When the commission determines the basic project cost 63771
of the classroom facilities needs of a school district and the 63772
school district's portion of that basic project cost under 63773
division (C) of this section, the project shall be conditionally 63774
approved. Such conditional approval shall be submitted to the 63775
controlling board for approval thereof. The controlling board 63776
shall forthwith approve or reject the commission's determination, 63777
conditional approval, and the amount of the state's portion of the 63778
basic project cost; however, no state funds shall be encumbered 63779
under this section. Upon approval by the controlling board, the 63780
school district board may identify a discrete part of its 63781
classroom facilities needs, which shall include only new 63782
construction of or additions or major repairs to a particular 63783
building, to address with local resources. Upon identifying a part 63784
of the school district's basic project cost to address with local 63785
resources, the school district board may allocate any available 63786
school district moneys to pay the cost of that identified part, 63787
including the proceeds of an issuance of bonds if approved by the 63788
electors of the school district. 63789

All local resources utilized under this division shall first 63790
be deposited in the project construction account required under 63791
section 3318.08 of the Revised Code. 63792

(2) Unless the school district board exercises its option 63793
under division (D)(3) of this section, for a school district to 63794
qualify for participation in the program authorized under this 63795
section, one of the following conditions shall be satisfied: 63796

(a) The electors of the school district by a majority vote 63797
shall approve the levy of taxes outside the ten-mill limitation 63798
for a period of twenty-three years at the rate of not less than 63799
one-half mill for each dollar of valuation to be used to pay the 63800
cost of maintaining the classroom facilities included in the basic 63801

project cost as determined by the commission. The form of the 63802
ballot to be used to submit the question whether to approve the 63803
tax required under this division to the electors of the school 63804
district shall be the form for an additional levy of taxes 63805
prescribed in section 3318.361 of the Revised Code, which may be 63806
combined in a single ballot question with the questions prescribed 63807
under section 5705.218 of the Revised Code. 63808

(b) As authorized under division (C) of section 3318.05 of 63809
the Revised Code, the school district board shall earmark from the 63810
proceeds of a permanent improvement tax levied under section 63811
5705.21 of the Revised Code, an amount equivalent to the 63812
additional tax otherwise required under division (D)(2)(a) of this 63813
section for the maintenance of the classroom facilities included 63814
in the basic project cost as determined by the commission. 63815

(c) As authorized under section 3318.051 of the Revised Code, 63816
the school district board shall, if approved by the commission, 63817
annually transfer into the maintenance fund required under section 63818
3318.05 of the Revised Code the amount prescribed in section 63819
3318.051 of the Revised Code in lieu of the tax otherwise required 63820
under division (D)(2)(a) of this section for the maintenance of 63821
the classroom facilities included in the basic project cost as 63822
determined by the commission. 63823

(d) If the school district board has rescinded the agreement 63824
to make transfers under section 3318.051 of the Revised Code, as 63825
provided under division (F) of that section, the electors of the 63826
school district, in accordance with section 3318.063 of the 63827
Revised Code, first shall approve the levy of taxes outside the 63828
ten-mill limitation for the period specified in that section at a 63829
rate of not less than one-half mill for each dollar of valuation. 63830

(e) The school district board shall apply the proceeds of a 63831
tax to leverage bonds as authorized under section 3318.052 of the 63832
Revised Code or dedicate a local donated contribution in the 63833

manner described in division (B) of section 3318.084 of the Revised Code in an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(3) A school district board may opt to delay taking any of the actions described in division (D)(2) of this section until the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code. In order to exercise this option, the board shall certify to the commission a resolution indicating the board's intent to do so prior to entering into an agreement under division (B) of this section.

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section.

Any amount required for maintenance under division (D)(2) of this section shall be deposited into a separate fund as specified in division (B) of section 3318.05 of the Revised Code.

(E)(1) If the school district becomes eligible for state

assistance under sections 3318.01 to 3318.20 of the Revised Code 63865
based on its percentile ranking under division (B)(3) of this 63866
section, the commission shall conduct a new assessment of the 63867
school district's classroom facilities needs and shall recalculate 63868
the basic project cost based on this new assessment. The basic 63869
project cost recalculated under this division shall include the 63870
amount of expenditures made by the school district board under 63871
division (D)(1) of this section. The commission shall then 63872
recalculate the school district's portion of the new basic project 63873
cost, which shall be one of the following as applicable: 63874

(a) Except for a tangible personal property phase-out 63875
impacted district, the percentage of the original basic project 63876
cost assigned to the school district as its portion under division 63877
(C) of this section; 63878

(b) For a tangible personal property phase-out impacted 63879
district, the least of (i) the percentage of the original basic 63880
project cost assigned to the school district as its portion under 63881
division (C) of this section, (ii) the percentage of the new basic 63882
project cost determined under section 3318.032 of the Revised Code 63883
using the district's current percentile ranking under section 63884
3318.011 of the Revised Code, or (iii) for a project approved for 63885
fiscal year 2012, the percentage of the new basic project cost 63886
determined under section 3318.032 of the Revised Code using the 63887
district's percentile ranking under the alternate equity list 63888
prescribed by Section of H.B. 153 of the 129th general 63889
assembly. The 63890

The commission shall deduct the expenditure of school 63891
district moneys made under division (D)(1) of this section from 63892
the school district's portion of the basic project cost as 63893
recalculated under this division. If the amount of school district 63894
resources applied by the school district board to the school 63895
district's portion of the basic project cost under this section is 63896

less than the total amount of such portion as recalculated under 63897
this division, the school district board by a majority vote of all 63898
of its members shall, if it desires to seek state assistance under 63899
sections 3318.01 to 3318.20 of the Revised Code, adopt a 63900
resolution as specified in section 3318.06 of the Revised Code to 63901
submit to the electors of the school district the question of 63902
approval of a bond issue in order to pay any additional amount of 63903
school district portion required for state assistance. Any tax 63904
levy approved under division (D) of this section satisfies the 63905
requirements to levy the additional tax under section 3318.06 of 63906
the Revised Code. 63907

(2) If the amount of school district resources applied by the 63908
school district board to the school district's portion of the 63909
basic project cost under this section is more than the total 63910
amount of such portion as recalculated under ~~this~~ division (E)(1) 63911
of this section, within one year after the school district's 63912
portion is so recalculated ~~under division (E)(1) of this section~~ 63913
the commission may grant to the school district the difference 63914
between the two calculated portions, but at no time shall the 63915
commission expend any state funds on a project in an amount 63916
greater than the state's portion of the basic project cost as 63917
recalculated under ~~this~~ division (E)(1) of this section. 63918

Any reimbursement under this division shall be only for local 63919
resources the school district has applied toward construction cost 63920
expenditures for the classroom facilities approved by the 63921
commission, which shall not include any financing costs associated 63922
with that construction. 63923

The school district board shall use any moneys reimbursed to 63924
the district under this division to pay off any debt service the 63925
district owes for classroom facilities constructed under its 63926
project under this section before such moneys are applied to any 63927
other purpose. However, the district board first may deposit 63928

moneys reimbursed under this division into the district's general 63929
fund or a permanent improvement fund to replace local resources 63930
the district withdrew from those funds, as long as, and to the 63931
extent that, those local resources were used by the district for 63932
constructing classroom facilities included in the district's basic 63933
project cost. 63934

(3) A tangible personal property phase-out impacted district 63935
shall receive credit under division (E) of this section for the 63936
expenditure of local resources pursuant to any prior agreement 63937
authorized by this section, notwithstanding any recalculation of 63938

~~satisfies the conditions prescribed in divisions (A)(3)(a) and (b)~~ 63960
~~of this section.~~ 63961

~~(3)~~ No school district that participates in the school 63962
building assistance expedited local partnership program under 63963
section 3318.36 of the Revised Code shall receive assistance under 63964
the program established under this section unless the following 63965
conditions are satisfied: 63966

(a) The district board adopted a resolution certifying its 63967
intent to participate in the school building assistance expedited 63968
local partnership program under section 3318.36 of the Revised 63969

(b) The district was selected by the Ohio school facilities 63971

expedited local partnership program under section 3318.36 of the 63973
Revised Code in the manner prescribed by the commission under that 63974
section as it existed prior to September 14, 2000. 63975

(B)(1) There is hereby established the exceptional needs 63976

school facilities commission may set aside from the moneys 63978
annually appropriated to it for classroom facilities assistance 63979
projects up to twenty-five per cent for assistance to school 63980
districts with exceptional needs for immediate classroom 63981
facilities assistance. 63982

(2)(a) After consulting with education and construction 63983
experts, the commission shall adopt guidelines for identifying 63984
school districts with an exceptional need for immediate classroom 63985

(b) The guidelines shall include application forms and 63987

(3) The commission shall evaluate the classroom facilities, 63990

applications received under this section. The commission, 63992
utilizing the guidelines adopted under division (B)(2)(a) of this 63993
section, shall prioritize the school districts to be assessed. 63994

Notwithstanding section 3318.02 of the Revised Code, the 63995
commission may conduct on-site evaluation of the school districts 63996
prioritized under this section and approve and award funds until 63997
such time as all funds set aside under division (B)(1) of this 63998
section have been encumbered. However, the commission need not 63999
conduct the evaluation of facilities if the commission determines 64000
that a district's assessment conducted under section 3318.36 of 64001
the Revised Code is sufficient for purposes of this section. 64002

(4) Notwithstanding division (A) of section 3318.05 of the 64003
Revised Code, the school district's portion of the basic project 64004
cost under this section shall be the "required percentage of the 64005
basic project costs," as defined in division (K) of section 64006
3318.01 of the Revised Code. 64007

(5) Except as otherwise specified in this section, any 64008
project undertaken with assistance under this section shall comply 64009
with all provisions of sections 3318.01 to 3318.20 of the Revised 64010
Code. A school district may receive assistance under sections 64011
3318.01 to 3318.20 of the Revised Code for the remainder of the 64012
district's classroom facilities needs as assessed under this 64013
section when the district is eligible for such assistance pursuant 64014
to section 3318.02 of the Revised Code, but any classroom facility 64015
constructed with assistance under this section shall not be 64016
included in a district's project at that time unless the 64017
commission determines the district has experienced the increased 64018
enrollment specified in division (B)(1) of section 3318.04 of the 64019
Revised Code. 64020

(C) No school district shall receive assistance under this 64021

section for a classroom facility that has been included in the 64022
discrete part of the district's classroom facilities needs 64023
identified and addressed in the district's project pursuant to an 64024
agreement entered into under section 3318.36 of the Revised Code, 64025
unless the district's entire classroom facilities plan consists of 64026
only a single building designed to house grades kindergarten 64027
through twelve. 64028

Sec. 3318.371. The Ohio school facilities commission may 64029
provide assistance under the exceptional needs school facilities 64030
program established by section 3318.37 of the Revised Code to any 64031
school district for the purpose of the relocation or replacement 64032
of classroom facilities required as a result of any contamination 64033
of air, soil, or water that impacts the occupants of the facility. 64034
Assistance under this section is not limited to school districts 64035
in the first through seventy-fifth percentiles as determined under 64036
section 3318.011 of the Revised Code. 64037

The commission shall make a determination in accordance with 64038
guidelines adopted by the commission regarding eligibility and 64039
funding for projects under this section. The commission may 64040
contract with an independent environmental consultant to conduct a 64041
study to assist the commission in making the determination. 64042

If the federal government or other public or private entity 64043
provides funds for restitution of costs incurred by the state or 64044
school district in the relocation or replacement of the classroom 64045
facilities, the school district shall use such funds in excess of 64046
the school district's share to refund the state for the state's 64047
contribution to the environmental contamination portion of the 64048
project. The school district may apply an amount of such 64049
restitution funds up to an amount equal to the school district's 64050
portion of the project, as defined by the commission, toward 64051
paying its portion of that project to reduce the amount of bonds 64052

the school district otherwise must issue to receive state 64053
assistance under sections 3318.01 to 3318.20 of the Revised Code. 64054

Sec. 3318.38. (A) As used in this section, "big-eight school 64055
district" has the same meaning as in section 3314.02 of the 64056
Revised Code. 64057

(B) There is hereby established the accelerated urban school 64058
building assistance program. Under the program, notwithstanding 64059
section 3318.02 of the Revised Code, any big-eight school district 64060
that has not been approved to receive assistance under sections 64061
3318.01 to 3318.20 of the Revised Code by July 1, 2002, may 64062
beginning on that date apply for approval of and be approved for 64063
such assistance. Except as otherwise provided in this section, any 64064
project approved and undertaken pursuant to this section shall 64065
comply with all provisions of sections 3318.01 to 3318.20 of the 64066
Revised Code. 64067

The Ohio school facilities commission shall provide 64068
assistance to any big-eight school district eligible for 64069
assistance under this section in the following manner: 64070

(1) Notwithstanding section 3318.02 of the Revised Code: 64071

(a) Not later than June 30, 2002, the commission shall 64072
conduct an on-site visit and shall assess the classroom facilities 64073
needs of each big-eight school district eligible for assistance 64074
under this section; 64075

(b) Beginning July 1, 2002, any big-eight school district 64076
eligible for assistance under this section may apply to the 64077
commission for conditional approval of its project as determined 64078
by the assessment conducted under division (B)(1)(a) of this 64079
section. The commission may conditionally approve that project and 64080
submit it to the controlling board for approval pursuant to 64081
section 3318.04 of the Revised Code. 64082

(2) If the controlling board approves the project of a big-eight school district eligible for assistance under this section, the commission and the school district shall enter into an agreement as prescribed in section 3318.08 of the Revised Code. Any agreement executed pursuant to this division shall include any applicable segmentation provisions as approved by the commission under division (B)(3) of this section.

(3) Notwithstanding any provision to the contrary in sections 3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight school district eligible for assistance under this section may with the approval of the commission opt to divide the project as approved under division (B)(1)(b) of this section into discrete segments to be completed sequentially. Any project divided into segments shall comply with all other provisions of sections 3318.05, 3318.06, and 3318.08 of the Revised Code except as otherwise specified in this division.

If a project is divided into segments under this division:

(b) The state's proportionate share, as determined under section 3318.032 of the Revised Code, of only the segment which has been approved by the school district electors or for which the district has applied a local donated contribution under section 3318.084 of the Revised Code shall be encumbered in accordance with section 3318.11 of the Revised Code. Encumbrance of additional amounts to cover the state's proportionate share of later segments shall be approved separately as they are approved by the school district electors or as the district applies a local donated contribution to the segments under section 3318.084 of the Revised Code.

(c) The school district's maintenance levy requirement, as 64115
defined in section 3318.18 of the Revised Code, shall run for 64116
twenty-three years from the date the first segment is undertaken. 64117

~~(4) For any project under this section~~ (C) In accordance with 64118
division (R) of section 3318.08 of the Revised Code, the state 64119
funds reserved and encumbered and the funds provided by the school 64120
district to pay the basic project cost of any segment of the 64121
project under this section, or of the entire project if it is not 64122
divided into segments, shall be spent on the construction and 64123
acquisition of the project simultaneously in proportion to the 64124
state's and the school district's respective shares of that basic 64125
project cost as determined under section 3318.032 of the Revised 64126
Code. 64127

Sec. 3318.41. (A)(1) The Ohio school facilities commission 64128
annually shall assess the classroom facilities needs of the number 64129
of joint vocational school districts that the commission 64130
reasonably expects to be able to provide assistance to in a fiscal 64131
year, based on the amount set aside for that fiscal year under 64132
division (B) of section 3318.40 of the Revised Code and the order 64133
of priority prescribed in division (B) of section 3318.42 of the 64134
Revised Code, except that in fiscal year 2004 the commission shall 64135
conduct at least the five assessments prescribed in division (E) 64136
of section 3318.40 of the Revised Code. 64137

Upon conducting an assessment of the classroom facilities 64138
needs of a school district, the commission shall make a 64139
determination of all of the following: 64140

(a) The number of classroom facilities to be included in a 64141
project and the basic project cost of acquiring the classroom 64142
facilities included in the project. The number of facilities and 64143
basic project cost shall be determined in accordance with the 64144
specifications adopted under section 3318.311 of the Revised Code 64145

except to the extent that compliance with such specifications is 64146
waived by the commission pursuant to the rule of the commission 64147
adopted under division (F) of section 3318.40 of the Revised Code. 64148

(b) The school district's portion of the basic project cost 64149
as determined under division (C) of section 3318.42 of the Revised 64150
Code; 64151

(c) The remaining portion of the basic project cost that 64152
shall be supplied by the state; 64153

(d) The amount of the state's portion of the basic project 64154
cost to be encumbered in accordance with section 3318.11 of the 64155
Revised Code in the current and subsequent fiscal years from funds 64156
set aside under division (B) of section 3318.40 of the Revised 64157
Code. 64158

(2) Divisions (A), (C), and (D) of section 3318.03 of the 64159
Revised Code apply to any project under sections 3318.40 to 64160
3318.45 of the Revised Code. 64161

(B)(1) If the commission makes a determination under division 64162
(A) of this section in favor of the acquisition of classroom 64163
facilities for a project under sections 3318.40 to 3318.45 of the 64164
Revised Code, such project shall be conditionally approved. Such 64165
conditional approval shall be submitted to the controlling board 64166
for approval. The controlling board shall immediately approve or 64167
reject the commission's determination, conditional approval, the 64168
amount of the state's portion of the basic project cost, and the 64169
amount of the state's portion of the basic project cost to be 64170
encumbered in the current fiscal year. In the event of approval by 64171
the controlling board, the commission shall certify the 64172
conditional approval to the joint vocational school district board 64173
of education and shall encumber the approved funds for the current 64174
fiscal year. 64175

(2) No school district that receives assistance under 64176

sections 3318.40 to 3318.45 of the Revised Code shall have another 64177
such project conditionally approved until the expiration of twenty 64178
years after the school district's prior project was conditionally 64179
approved, unless the school district board demonstrates to the 64180
satisfaction of the commission that the school district has 64181
experienced since conditional approval of its prior project an 64182
exceptional increase in enrollment or program requirements 64183
significantly above the school district's design capacity under 64184
that prior project as determined by rule of the commission. Any 64185
rule adopted by the commission to implement this division shall be 64186
tailored to address the classroom facilities needs of joint 64187
vocational school districts. 64188

(C) In addition to generating the amount of the school 64189
district's portion of the basic project cost as determined under 64190
division (C) of section 3318.42 of the Revised Code, in order for 64191
a school district to receive assistance under sections 3318.40 to 64192
3318.45 of the Revised Code, the school district board shall set 64193
aside school district moneys for the maintenance of the classroom 64194
facilities included in the school district's project in the amount 64195
and manner prescribed in section 3318.43 of the Revised Code. 64196

(D)(1) The conditional approval for a project certified under 64197
division (B)(1) of this section shall lapse and the amount 64198
reserved and encumbered for such project shall be released unless 64199
both of the following conditions are satisfied: 64200

(a) Within one hundred twenty days following the date of 64201
certification of the conditional approval to the joint vocational 64202
school district board, the school district board accepts the 64203
conditional approval and certifies to the commission the school 64204
district board's plan to generate the school district's portion of 64205
the basic project cost, as determined under division (C) of 64206
section 3318.42 of the Revised Code, and to set aside moneys for 64207
maintenance of the classroom facilities acquired under the 64208

project, as prescribed in section 3318.43 of the Revised Code. 64209

(b) Within ~~one year~~ thirteen months following the date of 64210
certification of the conditional approval to the school district 64211
board, the electors of the school district vote favorably on any 64212
ballot measures proposed by the school district board to generate 64213
the school district's portion of the basic project cost. 64214

(2) If the school district board or electors fail to satisfy 64215
the conditions prescribed in division (D)(1) of this section and 64216
the amount reserved and encumbered for the school district's 64217
project is released, the school district shall be given first 64218
priority over other joint vocational school districts for project 64219
funding under sections 3318.40 to 3318.45 of the Revised Code as 64220
such funds become available, subject to section 3318.054 of the 64221
Revised Code. 64222

(E) If the conditions prescribed in division (D)(1) of this 64223
section are satisfied, the commission and the school district 64224
board shall enter into an agreement as prescribed in section 64225
3318.08 of the Revised Code and shall proceed with the development 64226
of plans, cost estimates, designs, drawings, and specifications as 64227
prescribed in section 3318.091 of the Revised Code. 64228

(F) Costs in excess of those approved by the commission under 64229
section 3318.091 of the Revised Code shall be payable only as 64230
provided in sections 3318.042 and 3318.083 of the Revised Code. 64231

(G) Advertisement for bids and the award of contracts for 64232
construction of any project under sections 3318.40 to 3318.45 of 64233
the Revised Code shall be conducted in accordance with section 64234
3318.10 of the Revised Code. 64235

(H) ~~The~~ In accordance with division (R) of section 3318.08 of 64236
the Revised Code, the state funds reserved and encumbered and the 64237
funds provided by the school district to pay the basic project 64238
cost of a project under sections 3318.40 to 3318.45 of the Revised 64239

Code shall be spent simultaneously in proportion to the state's 64240
and the school district's respective portions of that basic 64241
project cost. 64242

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised 64243
Code apply to projects under sections 3318.40 to 3318.45 of the 64244
Revised Code. 64245

Sec. 3318.48. (A) When all of the following have occurred, a 64246
project undertaken by a school district pursuant to this chapter 64247
shall be considered complete and the Ohio school facilities 64248
commission shall issue a certificate of completion to the district 64249
board of education: 64250

(1) All facilities to be constructed under the project, as 64251
specified in the project agreement entered into under section 64252
3318.08 of the Revised Code, have been completed and the board has 64253
received a permanent certificate of occupancy for each of those 64254
facilities. 64255

(2) The commission has issued certificates of contract 64256

board under section 3318.10 of the Revised Code. 64258

(3) The commission has completed a final accounting of the 64259

of the commission. 64262

(4) Any litigation concerning the project has been finally 64263
resolved with no chance of appeal. 64264

(5) All construction management services typically provided 64265
by the commission to school districts have been delivered and the 64266
commission has canceled any remaining encumbrance of funds for 64267
those services. 64268

(B) The commission may issue a certificate of completion to a 64269

district board prior to all of the conditions described in 64270
division (A) of this section being satisfied, if the commission 64271
determines that the circumstances preventing the conditions from 64272
being satisfied are so minor in nature that the project should be 64273
considered complete. When issuing a certificate of completion 64274
under this division, the commission may specify any of the 64275
following: 64276

(1) Any construction or work that has yet to be completed and 64277
the manner in which the board shall oversee its completion, which 64278
may include procedures for reporting progress to the commission 64279
and for accounting of expenditures; 64280

(2) Terms and conditions for the resolution of any pending 64281
litigation; 64282

(3) Any remaining responsibilities of the construction 64283
manager regarding the project. 64284

(C) The commission may issue a certificate of completion to a 64285

process of closing out the district's project, if the construction 64287
manager for the project verifies that all facilities to be 64288
constructed under the project, as specified in the project 64289
agreement entered into under section 3318.08 of the Revised Code, 64290

facilities have been occupied for at least one year. In that case, 64292
all funds due to the commission under division (C) of section 64293
3318.12 of the Revised Code shall be returned to the commission 64294
not later than thirty days after receipt of the certificate of 64295
completion. If the funds due to the commission have not been 64296
returned within sixty days after receipt of the certificate of 64297
completion, the auditor of state shall issue a finding for 64298
recovery against the school district and shall request legal 64299
action under section 117.42 of the Revised Code. 64300

(D) Upon issuance of a certificate of completion under this section, the commission's ownership of and interest in the project, as specified in division (F) of section 3318.08 of the Revised Code, shall cease. This cessation shall not alter or otherwise affect the state's or commission's interest in the project or any limitations on the use of the project as specified in the project agreement pursuant to divisions (G), (M), and (N) of that section or as specified in section 3318.16 of the Revised Code. 64301

Sec. 3319.081. Except as otherwise provided in division (G) of this section, in all school districts wherein the provisions of Chapter 124. of the Revised Code do not apply, the following 64389
64390
64391

employment contract system shall control for employees whose 64392
contracts of employment are not otherwise provided by law: 64393

(A) Newly hired regular nonteaching school employees, 64394
including regular hourly rate and per diem employees, shall enter 64395
into written contracts for their employment which shall be for a 64396
period of not more than one year. If such employees are rehired, 64397
their subsequent contract shall be for a period of two years. 64398

(B) After the termination of the two-year contract provided 64399
in division (A) of this section, if the contract of a nonteaching 64400
employee is renewed, the employee shall be continued in 64401
employment, and the salary provided in the contract may be 64402
increased but not reduced unless such reduction is a part of a 64403
uniform plan affecting the nonteaching employees of the entire 64404
district. 64405

(C) The contracts as provided for in this section may be 64406
terminated by a majority vote of the board of education. Except as 64407
provided in ~~section~~ sections 3319.0810 and 3319.172 of the Revised 64408
Code, the contracts may be terminated only for violation of 64409

drunkenness, immoral conduct, insubordination, discourteous 64412
treatment of the public, neglect of duty, or any other acts of 64413
misfeasance, malfeasance, or nonfeasance. In addition to the right 64414
of the board of education to terminate the contract of an 64415
employee, the board may suspend an employee for a definite period 64416
of time or demote the employee for the reasons set forth in this 64417
division. The action of the board of education terminating the 64418
contract of an employee or suspending or demoting the employee 64419
shall be served upon the employee by certified mail. Within ten 64420
days following the receipt of such notice by the employee, the 64421
employee may file an appeal, in writing, with the court of common 64422
pleas of the county in which such school board is situated. After 64423

hearing the appeal the common pleas court may affirm, disaffirm, 64424
or modify the action of the school board. 64425

A violation of division (A)(7) of section 2907.03 of the 64426
Revised Code is grounds for termination of employment of a 64427
nonteaching employee under this division. 64428

(D) All employees who have been employed by a school district 64429
where the provisions of Chapter 124. of the Revised Code do not 64430
apply, for a period of at least three years on November 24, 1967, 64431
shall hold continuing contracts of employment pursuant to this 64432
section. 64433

(E) Any nonteaching school employee may terminate the 64434
nonteaching school employee's contract of employment thirty days 64435
subsequent to the filing of a written notice of such termination 64436
with the treasurer of the board. 64437

(F) A person hired exclusively for the purpose of replacing a 64438
nonteaching school employee while such employee is on leave of 64439
absence granted under section 3319.13 of the Revised Code is not a 64440
regular nonteaching school employee under this section. 64441

(G) All nonteaching employees employed pursuant to this 64442
section and Chapter 124. of the Revised Code shall be paid for all 64443
time lost when the schools in which they are employed are closed 64444
owing to an epidemic or other public calamity. Nothing in this 64445
division shall be construed as requiring payment in excess of an 64446
employee's regular wage rate or salary for any time worked while 64447
the school in which the employee is employed is officially closed 64448
for the reasons set forth in this division. 64449

Sec. 3319.0810. (A) The board of education of any school 64450
district wherein the provisions of Chapter 124. of the Revised 64451
Code do not apply may terminate any of its transportation staff 64452
positions for reasons of economy and efficiency if the board 64453

instead of employing its own staff to transport some or all of the 64454
students enrolled in the district schools enters into a contract 64455
with an independent agent for the provision of transportation 64456
services for such students. Such a contract may be entered into 64457
only if all of the following conditions are satisfied: 64458

(1) Any collective bargaining agreement between the employee 64459
organization representing the employees whose positions are 64460
terminated under this section and the board has expired or will 64461
expire within sixty days and has not been renewed in conformance 64462
with provisions of that agreement and with Chapter 4117. of the 64463
Revised Code, or the agreement contains provisions permitting the 64464
termination of positions for reasons of economy and efficiency 64465
while the agreement is in force and the board is in conformance 64466
with those provisions. 64467

(2) The board permits any employee whose position is 64468
terminated under this section to fill any vacancy within the 64469
district's organization for which the employee is qualified. The 64470
board shall select from among similarly qualified employees to 64471
fill such vacancies pursuant to procedures established under any 64472
collective bargaining agreement between the employee organization 64473
representing the terminated employees and the board that is in 64474
force at the time of the termination, or in absence of such 64475
provisions on the basis of seniority of employment by the board 64476
with the employee with the greatest seniority having highest 64477
priority. 64478

(3) Unless a collective bargaining agreement between the 64479
employee organization representing the terminated employees and 64480
the board that is in force at the time of the termination provides 64481
otherwise, the board permits any employee whose position is 64482
terminated under this section to fill the employee's former 64483
position in the event that the board reinstates that position 64484
within one year after the date the position is terminated under 64485

this section. 64486

(4) The board permits any employee whose position is 64487
terminated under this section to appeal in accordance with section 64488
119.12 of the Revised Code the board's decision to terminate the 64489
employee's position, not to hire that employee for another 64490
position pursuant to division (A)(2) of this section, or not to 64491
rehire that employee for the position if it is reinstated within 64492
one year after the position is terminated pursuant to division 64493
(A)(3) of this section. 64494

(5) The contract entered into by the board and an independent 64495
agent for the provision of transportation services contains a 64496
stipulation requiring the agent to consider hiring any employees 64497
of the school district whose positions are terminated under this 64498
section for similar positions within the agent's organization. 64499

(6) The contract entered into by the board and an independent 64500
agent for the provision of transportation services contains a 64501
stipulation requiring the agent to recognize for purposes of 64502
employee representation in collective bargaining any employee 64503
organization that represented the employees whose positions are 64504
terminated under this section in collective bargaining with the 64505
board at the time of the termination provided: 64506

(a) A majority of all employees in the bargaining unit agree 64507
to such representation; 64508

(b) Such representation is not prohibited by federal law, 64509
including any ruling of the national labor relations board; 64510

(c) The employee organization is not prohibited from 64511
representing nonpublic employees by other provisions of law or its 64512
own governing instruments. 64513

However, any employee whose position is terminated under this 64514
section shall not be compelled to be included in such bargaining 64515
unit if there is another bargaining unit within the agent's 64516

organization that is applicable to the employee. 64517

(B) If after terminating any positions of employment under this section the board fails to comply with any condition prescribed in division (A) of this section or fails to enforce on the agent its contractual obligations prescribed in divisions (A)(5) and (6) of this section, the terminations shall be void and the board shall reinstate the positions and fill them with the employees who filled those positions just prior to the terminations. Such employees shall be compensated at a rate equal to their rate of compensation in those positions just prior to the terminations plus any increases paid since the terminations to other nonteaching employees. The employees shall also be entitled to back pay at such rate for the period from the date of the terminations to the date of the reinstatements minus any pay received by the employees during any time the board was in compliance with such conditions or during any time the board enforced those obligations. 64518

64528
64529
64530
64531
64532
64533

Any employee aggrieved by the failure of the board to comply with any condition prescribed in division (A) of this section or to enforce on the agent its contractual obligations prescribed in divisions (A)(5) and (6) of this section shall have the right to sue the board for reinstatement of the employee's former position as provided for in this division in the court of common pleas for the county in which the school district is located or, if the school district is located in more than one county, in the court of common pleas for the county in which the majority of the territory of the school district is located. 64534

Sec. 3319.17. (A) As used in this section, "interdistrict contract" means any contract or agreement entered into by an educational service center governing board and another board or other public entity pursuant to section 3313.17, 3313.841, 64544
64545
64546
64547

3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the Revised Code, including any such contract or agreement for the provision of services funded under division ~~(I)~~(E) of section 3317.024 of the Revised Code or provided in any unit approved under section 3317.05 of the Revised Code.

(B) When, for any of the following reasons that apply to any city, exempted village, local, or joint vocational school district or any educational service center, the board decides that it will be necessary to reduce the number of teachers it employs, it may make a reasonable reduction:

(1) In the case of any district or service center, return to duty of regular teachers after leaves of absence including ~~leaves provided pursuant to division (B) of section 3314.10 of the Revised Code,~~ suspension of schools, territorial changes affecting the district or center, or financial reasons;

(2) In the case of any city, exempted village, local, or joint vocational school district, decreased enrollment of pupils in the district;

(3) In the case of any governing board of a service center providing any particular service directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total number of pupils the governing board is required to provide with the service under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these interdistrict contracts;

(4) In the case of any governing board providing any particular service that it does not provide directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total level of the service the governing board is required to provide under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these

interdistrict contracts. 64579

(C) In making any such reduction, ~~any city, exempted village,~~ 64580
~~local, or joint vocational school~~ the district board or service 64581
center governing board shall proceed to suspend contracts in 64582
accordance with the recommendation of the superintendent of 64583
schools who shall, within each teaching field affected, give 64584
preference first to teachers on continuing contracts and then to 64585
teachers who have greater seniority. In making any such reduction, 64586
any governing board of a service center shall proceed to suspend 64587
contracts in accordance with the recommendation of the 64588
superintendent who shall, within each teaching field or service 64589
area affected, give preference first to teachers on continuing 64590
contracts and then to teachers who have greater seniority. 64591

On a case-by-case basis, in lieu of suspending a contract in 64592
whole, a board may suspend a contract in part, so that an 64593
individual is required to work a percentage of the time the 64594
employee otherwise is required to work under the contract and 64595
receives a commensurate percentage of the full compensation the 64596
employee otherwise would receive under the contract. 64597

The teachers whose continuing contracts are suspended by any 64598
board pursuant to this section shall have the right of restoration 64599
to continuing service status by that board in the order of 64600
seniority of service in the district or service center if and when 64601
teaching positions become vacant or are created for which any of 64602
such teachers are or become qualified. No teacher whose continuing 64603
contract has been suspended pursuant to this section shall lose 64604
that right of restoration to continuing service status by reason 64605
of having declined recall to a position that is less than 64606
full-time or, if the teacher was not employed full-time just prior 64607
to suspension of the teacher's continuing contract, to a position 64608
requiring a lesser percentage of full-time employment than the 64609
position the teacher last held while employed in the district or 64610

service center. 64611

(D) Notwithstanding any provision to the contrary in Chapter 64612
4117. of the Revised Code, the requirements of this section 64613
prevail over any conflicting provisions of agreements between 64614
employee organizations and public employers entered into after 64615
September 29, 2005. 64616

Sec. 3319.19. (A) Except as provided in division (D) of this 64617
section or division (A)(2) of section 3313.37 of the Revised Code, 64618
upon request, the board of county commissioners shall provide and 64619
equip offices in the county for the use of the superintendent of 64620
an educational service center, and shall provide heat, light, 64621
water, and janitorial services for such offices. Such offices 64622
shall be the permanent headquarters of the superintendent and 64623
shall be used by the governing board of the service center when it 64624
is in session. Except as provided in division (B) of this section, 64625
such offices shall be located in the county seat or, upon the 64626
approval of the governing board, may be located outside of the 64627
county seat. 64628

(B) In the case of a service center formed under section 64629
3311.053 ~~or 3311.059~~ of the Revised Code, the governing board 64630
shall designate the site of its offices. Except as provided in 64631
division (D) of this section or division (A)(2) of section 3313.37 64632
of the Revised Code, the board of county commissioners of the 64633
county in which the designated site is located shall provide and 64634
equip the offices as under division (A) of this section, but the 64635
costs of such offices and equipment shall be apportioned among the 64636
boards of county commissioners of all counties having any 64637
territory in the area under the control of the governing board, 64638
according to the proportion of local school district pupils under 64639
the supervision of such board residing in the respective counties. 64640
Where there is a dispute as to the amount any board of county 64641

commissioners is required to pay, the probate judge of the county 64642
in which the greatest number of pupils under the supervision of 64643
the governing board reside shall apportion such costs among the 64644
boards of county commissioners and notify each such board of its 64645
share of the costs. 64646

(C) As used in division (C) of this section, in the case of a 64647
building, facility, or office space that a board of county 64648
commissioners leases or rents, "actual cost per square foot" means 64649
all cost on a per square foot basis incurred by the board under 64650
the lease or rental agreement. In the case of a building, 64651
facility, or office space that the board owns in fee simple, 64652
"actual cost per square foot" means the fair rental value on a per 64653
square foot basis of the building, facility, or office space 64654
either as compared to a similarly situated building, facility, or 64655
office space in the general vicinity or as calculated under a 64656
formula that accounts for depreciation, amortization of 64657
improvements, and other reasonable factors, including, but not 64658
limited to, parking space and other amenities. 64659

Not later than the thirty-first day of March of 2002, 2003, 64660
2004, and 2005 a board of county commissioners required to provide 64661
or equip offices pursuant to division (A) or (B) of this section 64662
shall make a written estimate of the total cost it will incur for 64663
the ensuing fiscal year to provide and equip the offices and to 64664
provide heat, light, water, and janitorial services for such 64665
offices. The total estimate of cost shall include: 64666

(1) The total square feet of space to be utilized by the 64667
educational service center; 64668

(2) The total square feet of any common areas that should be 64669
reasonably allocated to the center and the methodology for making 64670
this allocation; 64671

(3) The actual cost per square foot for both the space 64672

utilized by and the common area allocated to the center; 64673

(4) An explanation of the methodology used to determine the 64674
actual cost per square foot; 64675

(5) The estimated cost of providing heat, light, and water, 64676
including an explanation of how these costs were determined; 64677

(6) The estimated cost of providing janitorial services 64678
including an explanation of the methodology used to determine this 64679
cost; 64680

(7) Any other estimated costs that the board anticipates it 64681
will ~~occur~~ incur and a detailed explanation of the costs and the 64682
rationale used to determine such costs. 64683

A copy of the total estimate of costs under this division 64684
shall be sent to the superintendent of the educational service 64685
center not later than the fifth day of April. The superintendent 64686
shall review the total estimate and shall notify the board of 64687
county commissioners not later than twenty days after receipt of 64688
the estimate of either agreement with the estimate or any specific 64689
objections to the estimates and the reasons for the objections. If 64690
the superintendent agrees with the estimate, it shall become the 64691
final total estimate of cost. Failure of the superintendent to 64692
make objections to the estimate by the twentieth day after receipt 64693
of it shall be deemed to mean that the superintendent is in 64694
agreement with the estimate. 64695

If the superintendent provides specific objections to the 64696
board of county commissioners, the board shall review the 64697
objections and may modify the original estimate and shall send a 64698
revised total estimate to the superintendent within ten days after 64699
the receipt of the superintendent's objections. The superintendent 64700
shall respond to the revised estimate within ten days after its 64701
receipt. If the superintendent agrees with it, it shall become the 64702
final total estimated cost. If the superintendent fails to respond 64703

within the required time, the superintendent shall be deemed to 64704
have agreed with the revised estimate. If the superintendent 64705
disagrees with the revised estimate, the superintendent shall send 64706
specific objections to the county commissioners. 64707

If a superintendent has sent specific objections to the 64708
revised estimate within the required time, the probate judge of 64709
the county which has the greatest number of resident local school 64710
district pupils under the supervision of the educational service 64711
center shall determine the final estimated cost and certify this 64712
amount to the superintendent and the board of county commissioners 64713
prior to the first day of July. 64714

(D)(1) A board of county commissioners shall be responsible 64715
for the following percentages of the final total estimated cost 64716
established by division (C) of this section: 64717

(a) Eighty per cent for fiscal year 2003; 64718

(b) Sixty per cent for fiscal year 2004; 64719

(c) Forty per cent for fiscal year 2005; 64720

(d) Twenty per cent for fiscal year 2006. 64721

In fiscal years 2003, 2004, 2005, and 2006 the educational 64722
service center shall be responsible for the remainder of any costs 64723
in excess of the amounts specified in division (D)(1)(a), (b), (c), 64724
or (d) of this section, as applicable, associated with the 64725
provision and equipment of offices for the educational service 64726
center and for provision of heat, light, water, and janitorial 64727
services for such offices, including any unanticipated or 64728
unexpected increases in the costs beyond the final estimated cost 64729
amount. 64730

Beginning in fiscal year 2007, no board of county 64731
commissioners shall have any obligation to provide and equip 64732
offices for an educational service center or to provide heat, 64733

light, water, or janitorial services for such offices. 64734

(2) Nothing in this section shall prohibit the board of 64735
county commissioners and the governing board of an educational 64736
service center from entering into a contract for providing and 64737
equipping offices for the use of an educational service center and 64738
for providing heat, light, water, and janitorial services for such 64739
offices. The term of any such contract shall not exceed a period 64740
of four years and may be renewed for additional periods not to 64741
exceed four years. Any such contract shall supersede the 64742
provisions of division (D)(1) of this section and no educational 64743
service center may be charged, at any time, any additional amount 64744
for the county's provision of an office and equipment, heat, 64745
light, water, and janitorial services beyond the amount specified 64746
in such contract. 64747

(3) No contract entered into under division (D)(2) of this 64748
section in any year prior to fiscal year 2007 between an 64749
educational service center formed under section 3311.053 ~~or~~ 64750
~~3311.059~~ of the Revised Code and the board of county commissioners 64751
required to provide and equip its office pursuant to division (B) 64752
of this section shall take effect unless the boards of county 64753
commissioners of all other counties required to participate in the 64754
funding for such offices pursuant to division (B) of this section 64755
adopt resolutions approving the contract. 64756

Sec. 3319.227. (A) Notwithstanding any other provision of the 64757
Revised Code or any rule adopted by the state board of education 64758
to the contrary, the state board shall issue a resident educator 64759
license under section 3319.22 of the Revised Code to each person 64760
who is assigned to teach in this state as a participant in the 64761
teach for America program and who meets the following conditions: 64762
64763

(1) Holds a bachelor's degree from an accredited institution 64764

of higher education; 64765

(2) Maintained a cumulative undergraduate grade point average 64766
of at least 2.5 out of 4.0, or its equivalent; 64767

to the superintendent of public instruction under section 3328.19 66424
of the Revised Code, be kept in the employee's personnel file. If, 66425
after an investigation under division (A) of section 3319.311 of 66426

the Revised Code, the superintendent of public instruction 66427
determines that the results of that investigation do not warrant 66428
initiating action under section 3319.31 of the Revised Code, the 66429
board shall require the reports of the investigation to be moved 66430
from the employee's personnel file to a separate public file. 66431

Sec. 3328.192. Notwithstanding any provision to the contrary 66432
in Chapter 4117. of the Revised Code, the provisions of sections 66433
3328.19 and 3328.191 of the Revised Code prevail over any 66434
conflicting provisions of a collective bargaining agreement or 66435
contract for employment entered into on or after the effective 66436
date of this section. 66437

Sec. 3328.193. (A) As used in this section, "license" has the 66438
same meaning as in section 3319.31 of the Revised Code. 66439

(B) No employee of a college-preparatory boarding school 66440
established under this chapter or its operator shall do either of 66441
the following: 66442

(1) Knowingly make a false report to the chief administrator 66443

misconduct by another employee of the school or its operator; 66445

(2) Knowingly cause the chief administrator, or the chief 66446
administrator's designee, to make a false report of the alleged 66447
misconduct to the superintendent of public instruction or the 66448
state board of education. 66449

(C) Any employee of a college-preparatory boarding school 66450
established under this chapter or its operator who in good faith 66451
reports to the chief administrator of the school, or the chief 66452
administrator's designee, information about alleged misconduct 66453
committed by another employee of the school or operator shall be 66454
immune from any civil liability that otherwise might be incurred 66455

or imposed for injury, death, or loss to person or property as a 66456
result of the reporting of that information. 66457

If the alleged misconduct involves a person who holds a 66458
license but the chief administrator is not required to submit a 66459
report to the superintendent of public instruction under section 66460
3328.19 of the Revised Code and the chief administrator, or the 66461
chief administrator's designee, in good faith reports the alleged 66462
misconduct to the superintendent of public instruction or the 66463
state board, the chief administrator, or the chief administrator's 66464
designee, shall be immune from any civil liability that otherwise 66465
might be incurred or imposed for injury, death, or loss to person 66466
or property as a result of the reporting of that information. 66467

(D)(1) In any civil action brought against a person in which 66468
it is alleged and proved that the person violated division (B) of 66469
this section, the court shall award the prevailing party 66470
reasonable attorney's fees and costs that the prevailing party 66471
incurred in the civil action or as a result of the false report 66472
that was the basis of the violation. 66473

(2) If a person is convicted of or pleads guilty to a 66474
violation of division (B) of this section, if the subject of the 66475
false report that was the basis of the violation was charged with 66476
any violation of a law or ordinance as a result of the false 66477
report, and if the subject of the false report is found not to be 66478
guilty of the charges brought against the subject as a result of 66479
the false report or those charges are dismissed, the court that 66480
sentences the person for the violation of division (B) of this 66481
section, as part of the sentence, shall order the person to pay 66482
restitution to the subject of the false report, in an amount equal 66483
to reasonable attorney's fees and costs that the subject of the 66484
false report incurred as a result of or in relation to the 66485
charges. 66486

66492
66493
66494
66495
66496
66497

(3) "License" has the same meaning as in section 3319.31 of the Revised Code. 66498
66499

(B) This section applies to any person who is an employee of a private company under contract with a college-preparatory boarding school established under this chapter to provide essential school services and who will work in the school in a position that does not require a license issued by the state board of education, is not for the operation of a vehicle for pupil transportation, and that involves routine interaction with a child or regular responsibility for the care, custody, or control of a child. 66500
66501
66502
66503
66504
66505
66506
66507
66508

(C) No college-preparatory boarding school established under this chapter shall permit a person to whom this section applies to work in the school, unless one of the following applies to the person: 66509

66516

section within the five-year period immediately prior to the date 66517
on which the person will begin working in the school; 66518

(b) That the criminal records check indicates that the person 66519
has not been convicted of or pleaded guilty to any offense 66520

Code. 66522

(2) During any period of time in which the person will have 66523
routine interaction with a child or regular responsibility for the 66524
care, custody, or control of a child, the designated official has 66525
arranged for an employee of the school to be present in the same 66526

(D) Any private company that has been hired or seeks to be 66529
hired by a college-preparatory boarding school established under 66530
this chapter to provide essential school services may request the 66531
bureau of criminal identification and investigation to conduct a 66532
criminal records check of any of its employees for the purpose of 66533
complying with division (C)(1) of this section. Each request for a 66534
criminal records check under this division shall be made to the 66535

that grade level to the extent the student's admission is within 66551
the capacity of the school as established by the school's board of 66552
trustees, subject to division (B) of this section. If more 66553
eligible students apply for admission than the number of students 66554
permitted by the capacity established by the board of trustees, 66555
admission shall be by lot. 66556

(B) In the first year of operation, each school established 66557

comply with Chapter 3323. of the Revised Code as if the school 66581
were a school district. For each child with a disability enrolled 66582
in the school for whom an IEP has been developed, the school and 66583
its operator shall verify in the manner prescribed by the 66584
department of education that the school is providing the services 66585
required under the child's IEP. 66586

(B) The school district in which a child with a disability 66587

66619
66620
66621

(ii) Has satisfied the alternative conditions prescribed in section 3313.615 of the Revised Code. 66622
66623

subject to the Ohio core curriculum prescribed in division (C) of 66666
section 3313.603 of the Revised Code but elects the option of 66667

division (D) or (F) of that section. No honors diploma shall be granted to anyone failing to comply with this division, and not more than one honors diploma shall be granted to any student under this division. 66668
66669
66670
66671

(C) A diploma or honors diploma awarded under this section shall be signed by the presiding officer of the board of trustees. Each diploma shall bear the date of its issue and be in such form as the board of trustees prescribes. 66672

66678
66679
66680
66681
66682

Sec. 3328.26. (A) The department of education shall issue an annual report card for each college-preparatory boarding school established under this chapter that includes all information applicable to school buildings under section 3302.03 of the Revised Code. 66683
66684
66685
66686
66687

(B) For each student enrolled in the school, the department shall combine data regarding the academic performance of that student with comparable data from the school district in which the student is entitled to attend school for the purpose of calculating the performance of the district as a whole on the report card issued for the district under section 3302.03 of the Revised Code. 66688
66689
66690
66691
66692

(C) Each college-preparatory boarding school and its operator shall comply with sections 3302.04 and 3302.041 of the Revised Code, except that any action required to be taken by a school district pursuant to those sections shall be taken by the school. 66695
66696
66697
66698

Sec. 3328.31. Each college-preparatory boarding school 66699
established under this chapter shall report to the department of 66700
education, in the form and manner prescribed by the department, 66701
the following information: 66702

(A) The total number of students enrolled in the school; 66703

(B) The number of students enrolled in the school who are 66704
receiving special education and related services pursuant to an 66705
IEP; 66706

(C) The city, exempted village, or local school district in 66707
which each student reported under division (A) of this section is 66708
entitled to attend school; 66709

(D) Any additional information the department determines 66710
necessary to make payments to the school under this chapter. 66711

Sec. 3328.32. The city, exempted village, or local school 66712
district in which each child enrolled in a college-preparatory 66713
boarding school established under this chapter is entitled to 66714
attend school shall count that child in the district's average 66715
daily membership and in the district's category one through six 66716
special education ADM, as appropriate, as reported under divisions 66717
(A) and (B)(5) to (10) of section 3317.03 of the Revised Code. 66718

The department of education shall count that child in the 66719
district's formula ADM. 66720

Sec. 3328.33. For each child enrolled in a 66721
college-preparatory boarding school, as reported under section 66722
3328.31 of the Revised Code, the department of education shall 66723
deduct from the state education aid and, if necessary, from the 66724
payment under sections 321.24 and 323.156 of the Revised Code, for 66725
the city, exempted village, or local school district in which the 66726
child is entitled to attend school an amount equal to eighty-five 66727

per cent of the operating expenditure per pupil of that district. 66728

As used in this section, a district's "operating expenditure 66729
per pupil" is the total amount of state payments and other 66730
nonfederal revenue spent by the district for operating expenses 66731
during the previous fiscal year, divided by the district's formula 66732
ADM for the previous fiscal year. 66733

Sec. 3328.34. (A) For each child enrolled in a 66734
college-preparatory boarding school, as reported under section 66735
3328.31 of the Revised Code, the department of education shall pay 66736
to the school the sum of the amount deducted from a participating 66737
school district's account for that child under section 3328.33 of 66738
the Revised Code plus the per-pupil boarding amount specified in 66739
division (B) of this section. 66740

(B) For the first fiscal year in which a college-preparatory 66741
boarding school may be established under this chapter, the 66742
"per-pupil boarding amount" is twenty-five thousand dollars. For 66743
each fiscal year thereafter, that amount shall be adjusted by the 66744
rate of inflation, as measured by the consumer price index (all 66745
urban consumers, all items) prepared by the bureau of labor 66746
statistics of the United States department of labor, for the 66747
previous twelve-month period. 66748

(C) The state board of education may accept funds from 66749
federal and state noneducation support services programs for the 66750
purpose of funding the per pupil boarding amount prescribed in 66751
division (B) of this section. Notwithstanding any other provision 66752
of the Revised Code, the state board shall coordinate and 66753
streamline any noneducation program requirements in order to 66754
eliminate redundant or conflicting requirements, licensing 66755
provisions, and oversight by government programs or agencies. The 66756
applicable regulatory entities shall, to the maximum extent 66757

possible, use independent reports and financial audits provided by 66758
the operator and coordinated by the department of education to 66759
eliminate or reduce contract and administrative reviews. 66760
Regulatory entities other than the state board may suggest 66761
reasonable additional items to be included in such independent 66762
reports and financial audits to meet any requirements of federal 66763
law. Reporting paperwork prepared for the state board shall be 66764
shared with and accepted by other state and local entities to the 66765
maximum extent feasible. 66766

(D)(1) Notwithstanding division (A) of this section, if, in 66767
any fiscal year, the operator of a college-preparatory boarding 66768
school receives federal funds for the purpose of supporting the 66769
school's operations, the amount of those federal funds shall be 66770
deducted from the total per-pupil boarding amount for all enrolled 66771
students paid by the department to the school for that fiscal 66772
year, unless the operator and the department determine otherwise 66773
in a written agreement. Any portion of the total per-pupil 66774
boarding amount for all enrolled students remaining after the 66775
deduction of the federal funds shall be paid by the department to 66776
the school from state funds appropriated to the department. 66777

(2) Notwithstanding division (A) of this section, if, in any 66778
fiscal year, the department receives federal funds for the purpose 66779
of supporting the operations of a college-preparatory boarding 66780
school, the department shall use those federal funds first to pay 66781
the school the total per-pupil boarding amount for all enrolled 66782
students for that fiscal year. Any portion of the total per-pupil 66783
boarding amount for all enrolled students remaining after the use 66784
of the federal funds shall be paid by the department to the school 66785
from state funds appropriated to the department. 66786

(3) If any federal funds are used for the purpose prescribed 66787
in division (D)(1) or (2) of this section, the department shall 66788
comply with all requirements upon which the acceptance of the 66789

federal funds is conditioned, including any requirements set forth 66790
in the funding application submitted by the operator or the 66791
department and, to the extent sufficient funds are appropriated by 66792
the general assembly, any requirements regarding maintenance of 66793
effort in expenditures. 66794

Sec. 3328.35. To the extent permitted by federal law, the 66795
department of education shall include college-preparatory boarding 66796
schools established under this chapter in its annual allocation of 66797
federal moneys under Title I of the "Elementary and Secondary 66798
Education Act of 1965," 20 U.S.C. 6301, et seq. The department may 66799
apply for any other federal moneys that may be used to support the 66800
operations of college-preparatory boarding schools established 66801
under this chapter. 66802

Sec. 3328.36. A college-preparatory boarding school 66803
established under this chapter shall be considered a school 66804
district and its board of trustees, on behalf of the school's 66805
operator, shall be considered a board of education for the purpose 66806
of applying to any state or federal agency for grants that a 66807
school district or public school may receive under federal or 66808
state law or any appropriations act of the general assembly. The 66809
college-preparatory boarding school and its operator may apply to 66810
any private entity to receive and accept funds. 66811

Sec. 3328.41. Each participating school district shall be 66812
responsible for providing transportation on a weekly basis for 66813
each student enrolled in a college-preparatory boarding school 66814
established under this chapter who is entitled to attend school in 66815
the district to and from that college-preparatory boarding school. 66816

Sec. 3328.45. (A) If the state board of education determines 66817
that a college-preparatory boarding school established under this 66818

chapter is not in compliance with any provision of this chapter or 66819
the terms of the contract entered into under section 3328.12 of 66820
the Revised Code, or that the school has failed to meet the 66821
academic goals or performance standards specified in that 66822
contract, the state board may initiate the termination procedures 66823
specified in the contract. No termination shall take effect prior 66824

division (A) of this section. 66940

(C) The chancellor is responsible for appointing and fixing 66941

receives a notice pursuant to division (C) of this section. 66966

(2) "Community service" has the same meaning as in section 66967

(B)(1) The board of trustees or other governing entity of 66969
each institution of higher education shall encourage and promote 66970

participation of students in community service through a program 66971

incorporate community service into students' academic experiences 66977
wherever appropriate to the curriculum; encouraging recognized 66978
student organizations to undertake community service projects as 66979
part of their purposes; and establishing advisory committees of 66980
students, faculty members, and community and business leaders to 66981

design so as to permit participation by the greatest possible 66984
number of students, including part-time students and students for 66985
whom participation may be difficult due to financial, academic, 66986
personal, or other considerations. The program shall emphasize 66987
community service opportunities that can most effectively use the 66988
skills of students, such as tutoring or literacy programs. The 66989
programs shall encourage students to perform services that will 66990
not supplant the hiring of, result in the displacement of, or 66991
impair any existing employment contracts of any particular 66992
employee of any private or governmental entity for which services 66993
are performed. 66994

(2) The chancellor of the Ohio board of regents shall 66995
encourage all institutions of higher education in the development 66996

materials for possible use by institutions of higher education in 67005
their programs. The chancellor shall encourage institutions of 67006
higher education to jointly coordinate higher education community 67007
service programs through consortia of institutions or other 67008
appropriate means of coordination. 67009

(C) The board of trustees of any nonprofit institution with a 67010
certificate of authorization issued pursuant to Chapter 1713. of 67011
the Revised Code or the governing authority of a private 67012
institution exempt from regulation under Chapter 3332. of the 67013
Revised Code as prescribed in section 3333.046 of the Revised Code 67014

divisions (A) and (B) of this section. Upon receipt of such a 67016
notice, these divisions shall apply to that institution. 67017

Sec. 3333.0411. Not later than December 31, 2012, and 67018

section 3333.048 of the Revised Code who teach English language 67022
arts or mathematics in any of grades four to eight in a public 67023
school in Ohio. For this purpose, the chancellor shall use the 67024
value-added progress dimension prescribed by section 3302.021 of 67025
the Revised Code. The chancellor shall aggregate the data by 67026
graduating class for each approved teacher preparation program, 67027
except that if a particular class has ten or fewer graduates to 67028
which this section applies, the chancellor shall report the data 67029

the report identify any individual graduate. The department of 67031
education shall share any data necessary for the report with the 67032
chancellor. 67033

Sec. 3333.31. (A) For state subsidy and tuition surcharge 67034

purposes, status as a resident of Ohio shall be defined by the 67035
chancellor of the Ohio board of regents by rule promulgated 67036
pursuant to Chapter 119. of the Revised Code. No adjudication as 67037
to the status of any person under such rule, however, shall be 67038
required to be made pursuant to Chapter 119. of the Revised Code. 67039
The term "resident" for these purposes shall not be equated with 67040
the definition of that term as it is employed elsewhere under the 67041
laws of this state and other states, and shall not carry with it 67042
any of the legal connotations appurtenant thereto. Rather, except 67043
as provided in ~~division~~ divisions (B) and (D) of this section, for 67044
such purposes, the rule promulgated under this section shall have 67045
the objective of excluding from treatment as residents those who 67046
are present in the state primarily for the purpose of attending a 67047
state-supported or state-assisted institution of higher education, 67048
and may prescribe presumptive rules, rebuttable or conclusive, as 67049
to such purpose based upon the source or sources of support of the 67050
student, residence prior to first enrollment, evidence of 67051
intention to remain in the state after completion of studies, or 67052
such other factors as the chancellor deems relevant. 67053

(B) The rules of the chancellor for determining student 67054
residency shall grant residency status to a veteran and to the 67055
veteran's spouse and any dependent of the veteran, if both of the 67056
following conditions are met: 67057

(1) The veteran either: 67058

honorably discharged or received a medical discharge that was 67060
related to the military service; 67061

(b) Was killed while serving on active military duty or has 67062
been declared to be missing in action or a prisoner of war. 67063

(2) If the veteran seeks residency status for tuition 67064
surcharge purposes, the veteran has established domicile in this 67065

state as of the first day of a term of enrollment in an 67066
institution of higher education. If the spouse or a dependent of 67067
the veteran seeks residency status for tuition surcharge purposes, 67068
the veteran and the spouse or dependent seeking residency status 67069
have established domicile in this state as of the first day of a 67070
term of enrollment in an institution of higher education, except 67071
that if the veteran was killed while serving on active military 67072
duty or has been declared to be missing in action or a prisoner of 67073
war, only the spouse or dependent seeking residency status shall 67074
be required to have established domicile in accordance with this 67075
division. 67076

(C) The rules of the chancellor for determining student 67077
residency shall not deny residency status to a student who is 67078
either a dependent child of a parent, or the spouse of a person 67079
who, as of the first day of a term of enrollment in an institution 67080
of higher education, has accepted full-time employment and 67081
established domicile in this state for reasons other than gaining 67082
the benefit of favorable tuition rates. 67083

Documentation of full-time employment and domicile shall 67084
include both of the following documents: 67085

(1) A sworn statement from the employer or the employer's 67086
representative on the letterhead of the employer or the employer's 67087
representative certifying that the parent or spouse of the student 67088
is employed full-time in Ohio; 67089

(2) A copy of the lease under which the parent or spouse is 67090
the lessee and occupant of rented residential property in the 67091
state, a copy of the closing statement on residential real 67092
property of which the parent or spouse is the owner and occupant 67093
in this state or, if the parent or spouse is not the lessee or 67094
owner of the residence in which the parent or spouse has 67095
established domicile, a letter from the owner of the residence 67096
certifying that the parent or spouse resides at that residence. 67097

Residency officers may also evaluate, in accordance with the 67098
chancellor's rule, requests for immediate residency status from 67099
dependent students whose parents are not living and whose domicile 67100
follows that of a legal guardian who has accepted full-time 67101
employment and established domicile in the state for reasons other 67102
than gaining the benefit of favorable tuition rates. 67103

(D) The rules of the chancellor for determining student 67104
residency shall grant residency status to a person who, while a 67105
resident of this state for state subsidy and tuition surcharge 67106
purposes, graduated from a high school in this state, if the 67107
person enrolls in an institution of higher education and 67108
establishes domicile in this state within ten years after 67109
graduating from high school, regardless of the student's residence 67110
prior to that enrollment. 67111

(E) "Dependent," "domicile," "institution of higher 67112
education," and "residency officer" have the meanings ascribed in 67113
the chancellor's rules adopted under this section. 67114

Sec. 3333.38. (A) As used in this section: 67115

(B) The chancellor of the Ohio board of regents shall prescribe the manner in which the fee for a course shall be collected or deducted from the school district, school, college or university, or individual subscribing to the course and in which manner the fee shall be paid to the course provider.

(C) The chancellor may retain a percentage of the fee charged for a course to offset the cost of maintaining and operating the clearinghouse, including the payment of compensation for an entity or a private entity that is under contract with the chancellor

under division (F) of section 3333.82 of the Revised Code. The 67433
percentage retained shall be determined by the chancellor. 67434

(D) Nothing in this section shall be construed to require the 67435
school district, community school, or STEM school in which a 67436
student is enrolled to pay the fee charged for a course taken by 67437
the student. 67438

Sec. 3333.85. (A) The grade for a student enrolled in a 67439

any student's access to or participation in courses offered 67451

fulfilling curriculum requirements, including the requirements for 67453
a high school diploma under section 3313.603 of the Revised Code. 67454

Sec. 3333.87. The chancellor of the Ohio board of regents and 67455
the state board of education jointly, and in consultation with the 67456

prescribing procedures for the implementation of sections 3333.81 67459

(B) The board of trustees of any community or technical 67496

community or technical college district under this section. The 67515

(2) The chancellor and the office of budget and management, 67522

and the issuing authority in the case of obligations to be issued 67523
by the issuing authority, have no reason to believe the requesting 67524
community or technical college district or the community or 67525
technical college it operates will be unable to pay when due the 67526
bond service charges on the obligations for which the request is 67527
made, and bond service charges on those obligations are therefore 67528
not anticipated to be paid pursuant to this section from the 67529
allocated state share of instruction for purposes of Section 17 of 67530
Article VIII, Ohio Constitution. 67531

(3) Any other pertinent conditions established in rules 67532

(C) If the chancellor approves the request of a community or 67534

to this section, the chancellor shall enter into a written 67536
agreement with the district and the primary paying agent or fiscal 67537
agent for the obligations, which agreement shall provide for the 67538
withholding of funds pursuant to this section for the payment of 67539

include both of the following: 67541

(1) Provisions for certification by the district to the 67542

agent for the obligations prior to the date on which the bond 67550
service charges are due to the owners or holders of the 67551
obligations. 67552

(D) Whenever a district or the community or technical college 67553

it operates notifies the chancellor that it will not be able to 67554
pay the bond service charges when they are due, subject to the 67555
withholding provisions of this section, or whenever the applicable 67556
paying agent or fiscal agent notifies the chancellor that it has 67557
not timely received from a district or from the college it 67558
operates the full amount needed for payment of the bond service 67559
charges when due to the holders or owners of such obligations, the 67560
chancellor shall immediately contact the district or college and 67561
the paying agent or fiscal agent to confirm that the district and 67562
the college are not able to make the required payment by the date 67563

If the chancellor confirms that the district and the college 67565
are not able to make the payment and the payment will not be made 67566
pursuant to a credit enhancement facility, the chancellor shall 67567
promptly pay to the applicable primary paying agent or fiscal 67568
agent the lesser of the amount due for bond service charges or the 67569
amount of the next periodic distribution scheduled to be made to 67570
the district or to the college in respect of its allocated state 67571
share of instruction. If this amount is insufficient to pay the 67572
total amount then due the agent for the payment of bond service 67573
charges, the chancellor shall continue to pay to the agent from 67574
each periodic distribution thereafter, and until the full amount 67575
due the agent for unpaid bond service charges is paid in full, the 67576
lesser of the remaining amount due the agent for bond service 67577
charges or the amount of the next periodic distribution scheduled 67578
to be made to the district or college in respect of its allocated 67579
state share of instruction. 67580

charges on the obligations of the community or technical college 67585

district or community or technical college subject to this section 67586
or to the reimbursement of the provider of a credit enhancement 67587
facility that has paid the bond service charges. 67588

(F) The chancellor may make payments under this section to 67589
paying agents or fiscal agents during any fiscal biennium of the 67590
state only from and to the extent that money is appropriated to 67591
the board of regents by the general assembly for distribution 67592
during such biennium for the state share of instruction and only 67593
to the extent that a portion of the state share of instruction has 67594
been allocated to the community or technical college district or 67595
community or technical college. Obligations of the issuing 67596
authority or of a community or technical college district to which 67597
this section is made applicable do not constitute an obligation or 67598
a debt or a pledge of the faith, credit, or taxing power of the 67599
state, and the holders or owners of those obligations have no 67600
right to have excises or taxes levied or appropriations made by 67601
the general assembly for the payment of bond service charges on 67602
the obligations, and the obligations shall contain a statement to 67603
that effect. The agreement for or the actual withholding and 67604
payment of money under this section does not constitute the 67605
assumption by the state of any debt of a community or technical 67606
college district or a community or technical college, and bond 67607
service charges on the related obligations are not anticipated to 67608
be paid from the state general revenue fund for purposes of 67609
Section 17 of Article VIII, Ohio Constitution. 67610

(G) In the case of obligations subject to the withholding 67611
provisions of this section, the issuing community or technical 67612
college district, or the issuing authority in the case of 67613
obligations issued by the issuing authority, shall appoint a 67614
paying agent or fiscal agent who is not an officer or employee of 67615
the district or college. 67616

(H) The chancellor, with the advice and consent of the office 67617

of budget and management, may adopt reasonable rules not 67618
inconsistent with this section for the implementation of this 67619
section to secure payment of bond service charges on obligations 67620
issued by a community or technical college district or by the 67621
issuing authority for the benefit of a community or technical 67622
college district or the community or technical college it 67623
operates. Those rules shall include criteria for the evaluation 67624
and approval or denial of community or technical college district 67625
requests for withholding under this section. 67626

(I) The authority granted by this section is in addition to 67627
and not a limitation on any other authorizations granted by or 67628
pursuant to law for the same or similar purposes. 67629

board of regents shall defer payment of the out-of-state tuition 67632

year of employment and residency in the state after graduation, at 67641
which time the remaining amount owed shall be forgiven under 67642
division (C) of section 3333.94 of the Revised Code. 67643

(B) The chancellor shall adopt rules in accordance with 67644
Chapter 119. of the Revised Code to establish and administer the 67645
program. Such rules shall include, but not be limited to, all of 67646
the following: 67647

(1) Student eligibility to receive a deferment, and any 67648

<u>academic requirements to continue receiving the deferment;</u>	67649

<u>The chancellor shall require that all applicants to the</u>	67660
<u>deferment program shall file a statement of selective service</u>	67661
<u>status in compliance with section 3345.32 of the Revised Code, if</u>	67662
<u>applicable, and that all applicants have not been convicted of,</u>	67663
<u>plead guilty to, or adjudicated a delinquent child for any</u>	67664
<u>violation listed in section 3333.38 of the Revised Code.</u>	67665
<u>(C)(1) Tuition surcharge deferment recipients shall reside</u>	67666
<u>and work in the state for not less than five years immediately</u>	67667
<u>subsequent to receiving a degree from a state institution of</u>	67668
<u>higher education.</u>	67669
<u>(2) If a student who receives a deferral under this section</u>	67670
<u>as an undergraduate enrolls in a graduate program at a state</u>	67671
<u>institution of higher education in the academic year subsequent to</u>	67672
<u>graduation, division (C)(1) of this section shall not apply until</u>	67673
<u>the student graduates from the graduate program in which that</u>	67674
<u>student is enrolled.</u>	67675
<u>(D) The board of trustees of any state institution of higher</u>	67676
<u>education may do either of the following:</u>	67677
<u>(1) Limit the number of nonresident students enrolled in that</u>	67678

state institution who may participate in the program established 67679
in this section; 67680

(2) Establish eligibility standards for students enrolled in 67681
that state institution to qualify for and to continue 67682
participating in the program established under this section. 67683

Sec. 3333.94. (A) Each recipient who accepts an out-of-state 67684
tuition surcharge payment deferment under section 3333.93 of the 67685
Revised Code, or the recipient's parent if the recipient is 67686
younger than eighteen years of age, shall sign a promissory note 67687
payable to the state in the event the recipient does not satisfy 67688
the requirements of division (C) of section 3333.93 of the Revised 67689
Code or the deferment is terminated. The amount payable under the 67690
note shall be the amount of deferred total out-of-state tuition 67691
surcharge accrued by the recipient. The period of repayment under 67692
the note shall be determined by the chancellor of the Ohio board 67693
of regents. The note shall stipulate that the obligation to make 67694
payments under the note is canceled after the recipient has lived 67695
and worked in the state for five years after graduation in 67696
accordance with division (C) of section 3333.93 of the Revised 67697
Code, or if the recipient dies or becomes totally and permanently 67698
disabled. 67699

(B) Repayment of the principal amount of the deferred 67700

because of additions to such valuation that have resulted from 68403
improvements added to the tax list and duplicate. 68404

Sec. 3354.16. (A) When the board of trustees of a community 68405

time of the adjustment. Notwithstanding division (A) of this 68436
section, the limit adjusted under this division shall be used 68437
thereafter in lieu of the limit in division (A) of this section. 68438

no contract for the entire job, or for a greater portion thereof 68456
than is embraced in one such branch or class of work shall be 68457
awarded, unless the separate bids do not cover all the work and 68458
materials required or the bids for the whole or for two or more 68459
kinds of work or materials are lower than the separate bids in the 68460
aggregate. The board of trustees need not award separate contracts 68461
for a branch or class of work entering into an improvement if the 68462
estimated cost for that branch or class of work is less than ~~five~~ 68463

during the life of such levy, issue anticipation notes in an 68502
amount not to exceed seventy-five per cent of the estimated 68503

the technical college district may let such contract to the lowest 68525
responsive and responsible bidder, in accordance with section 68526
9.312 of the Revised Code, who meets the requirements of section 68527
153.54 of the Revised Code. Such contract shall be in writing and 68528
shall be accompanied by or shall refer to plans and specifications 68529
for the work to be done. Such contract shall be approved by the 68530
board of trustees and signed by the president of the board and by 68531

an alternative if the federal government ceases to publish this 68542
metric, provided that no increase or decrease for any year shall 68543
exceed three per cent of the contract limit in existence at the 68544
time of the adjustment. Notwithstanding division (A) of this 68545
section, the limit adjusted under this division shall be used 68546

thereafter in lieu of the limit in division (A) of this section. 68547

(C) Before entering into an improvement pursuant to division 68548
(A) of this section, and except for contracts made with a 68549
construction manager at risk or a design-build firm, as those 68550
terms are defined in section 153.50 of the Revised Code, the board 68551
of trustees of a technical college district shall require separate 68552
and distinct proposals to be made for furnishing materials or 68553
doing work on the improvement, or both, in the board's discretion, 68554
for each separate and distinct branch or class of work entering 68555
into the improvement. The board of trustees also may require a 68556
single, combined proposal for the entire project for materials or 68557
doing work, or both, in the board's discretion, that includes each 68558
separate and distinct branch or class of work entering into the 68559

proposals for a branch or class of work for an improvement if the 68561
estimate cost for that branch or class of work is less than ~~five~~ 68562

amounts appropriated by the general assembly to the secretary of 68862
state. If a primary election is also being conducted in the 68863
subdivision, the costs shall be apportioned as otherwise provided 68864

such bidder to the board of any excess of cost over the bid which 68938
it may be obliged to pay for such work by reason of the failure of 68939
the bidder to complete the contract. No bid unaccompanied by such 68940
bond shall be considered by the board. The board may, however, 68941
waive the requirement that each bid be accompanied by a bond if 68942
the cost of the contract is ten thousand dollars or less. The 68943

shall be accompanied by a fee of ~~eighteen~~ two thousand four 69011
hundred dollars and a detailed explanation of the construction and 69012

method of operation of the equipment, a full statement of its 69013
advantages, and a list of the patents and copyrights used in 69014
operations essential to the processes of vote recording and 69015
tabulating, vote storage, system security, and other crucial 69016

section shall be deposited into the state treasury to the credit 69025
of the board of voting machine examiners fund, which is hereby 69026
created. All moneys credited to this fund shall be used solely for 69027
the purpose of paying for the services and expenses of each member 69028
of the board or for other expenses incurred relating to the 69029
examination, testing, reporting, or certification of voting 69030
machine devices, the performance of any related duties as required 69031
by the secretary of state, or the reimbursement of any person 69032
submitting an examination fee as provided in this chapter. 69033

(D) Within sixty days after the submission of the equipment 69034
and payment of the fee, or as soon thereafter as is reasonably 69035
practicable, but in any event within not more than ninety days 69036
after the submission and payment, the board of voting machine 69037
examiners shall examine the equipment and file with the secretary 69038
of state a written report on the equipment with its 69039
recommendations and its determination or condition of approval 69040
regarding whether the equipment, manual, and other related 69041
materials or arrangements meet the criteria set forth in sections 69042
3506.07 and 3506.10 of the Revised Code and can be safely used by 69043
the voters at elections under the conditions prescribed in Title 69044

XXXV of the Revised Code, or a written statement of reasons for 69045
which testing requires a longer period. The board may grant 69046
temporary approval for the purpose of allowing experimental use of 69047
equipment. If the board finds that the equipment meets the 69048
criteria set forth in sections 3506.06, 3506.07, and 3506.10 of 69049
the Revised Code, can be used safely and can be depended upon to 69050
record and count accurately and continuously the votes of 69051
electors, and has the capacity to be warranted, maintained, and 69052
serviced, it shall approve the equipment and recommend that the 69053
secretary of state certify the equipment. The secretary of state 69054
shall notify all boards of elections of any such certification. 69055
Equipment of the same model and make, if it provides for recording 69056
of voter intent, system security, voter privacy, retention of 69057
vote, and communication of voting records in an identical manner, 69058
may then be adopted for use at elections. 69059

(E) The vendor shall notify the secretary of state, who shall 69060
then notify the board of voting machine examiners, of any 69061
enhancement and any significant adjustment to the hardware or 69062
software that could result in a patent or copyright change or that 69063
significantly alters the methods of recording voter intent, system 69064
security, voter privacy, retention of the vote, communication of 69065
voting records, and connections between the system and other 69066
systems. The vendor shall provide the secretary of state with an 69067
updated operations manual for the equipment, and the secretary of 69068
state shall forward the manual to the board. Upon receiving such a 69069
notification and manual, the board may require the vendor to 69070
submit the equipment to an examination and test in order for the 69071
equipment to remain certified. The board or the secretary of state 69072
shall periodically examine, test, and inspect certified equipment 69073
to determine continued compliance with the requirements of this 69074
chapter and the initial certification. Any examination, test, or 69075
inspection conducted for the purpose of continuing certification 69076
of any equipment in which a significant problem has been uncovered 69077

or in which a record of continuing problems exists shall be performed pursuant to divisions (C) and (D) of this section, in the same manner as the examination, test, or inspection is performed for initial approval and certification.

(F) If, at any time after the certification of equipment, the board of voting machine examiners or the secretary of state is notified by a board of elections of any significant problem with the equipment or determines that the equipment fails to meet the requirements necessary for approval or continued compliance with the requirements of this chapter, or if the board of voting machine examiners determines that there are significant enhancements or adjustments to the hardware or software, or if notice of such enhancements or adjustments has not been given as required by division (E) of this section, the secretary of state shall notify the users and vendors of that equipment that certification of the equipment may be withdrawn.

(G)(1) The notice given by the secretary of state under division (F) of this section shall be in writing and shall specify both of the following:

(a) The reasons why the certification may be withdrawn;

(b) The date on which certification will be withdrawn unless the vendor takes satisfactory corrective measures or explains why there are no problems with the equipment or why the enhancements or adjustments to the equipment are not significant.

(2) A vendor who receives a notice under division (F) of this section shall, within thirty days after receiving it, submit to the board of voting machine examiners in writing a description of the corrective measures taken and the date on which they were taken, or the explanation required under division (G)(1)(b) of this section.

(3) Not later than fifteen days after receiving a written

description or explanation under division (G)(2) of this section 69109
from a vendor, the board shall determine whether the corrective 69110
measures taken or the explanation is satisfactory to allow 69111
continued certification of the equipment, and the secretary of 69112
state shall send the vendor a written notice of the board's 69113
determination, specifying the reasons for it. If the board has 69114
determined that the measures taken or the explanation given is 69115
unsatisfactory, the notice shall include the effective date of 69116
withdrawal of the certification. This date may be different from 69117
the date originally specified in division (G)(1)(b) of this 69118
section. 69119

(4) A vendor who receives a notice under division (G)(3) of 69120
this section indicating a decision to withdraw certification may, 69121
within thirty days after receiving it, request in writing that the 69122
board hold a hearing to reconsider its decision. Any interested 69123
party shall be given the opportunity to submit testimony or 69124
documentation in support of or in opposition to the board's 69125
recommendation to withdraw certification. Failure of the vendor to 69126
take appropriate steps as described in division (G)(1)(b) or to 69127
comply with division (G)(2) of this section results in a waiver of 69128
the vendor's rights under division (G)(4) of this section. 69129

(H)(1) The secretary of state, in consultation with the board 69130
of voting machine examiners, shall establish, by rule, guidelines 69131
for the approval, certification, and continued certification of 69132
the voting machines, marking devices, and tabulating equipment to 69133
be used under Title XXXV of the Revised Code. The guidelines shall 69134
establish procedures requiring vendors or computer software 69135
developers to place in escrow with an independent escrow agent 69136
approved by the secretary of state a copy of all source code and 69137
related documentation, together with periodic updates as they 69138
become known or available. The secretary of state shall require 69139
that the documentation include a system configuration and that the 69140

source code include all relevant program statements in low- or 69141
high-level languages. As used in this division, "source code" does 69142
not include variable codes created for specific elections. 69143

(2) Nothing in any rule adopted under division (H) of this 69144
section shall be construed to limit the ability of the secretary 69145
of state to follow or adopt, or to preclude the secretary of state 69146
from following or adopting, any guidelines proposed by the federal 69147
election commission, any entity authorized by the federal election 69148
commission to propose guidelines, the election assistance 69149
commission, or any entity authorized by the election assistance 69150
commission to propose guidelines. 69151

(3)(a) Before the initial certification of any direct 69152
recording electronic voting machine with a voter verified paper 69153
audit trail, and as a condition for the continued certification 69154
and use of those machines, the secretary of state shall establish, 69155
by rule, standards for the certification of those machines. Those 69156
standards shall include, but are not limited to, all of the 69157
following: 69158

(i) A definition of a voter verified paper audit trail as a 69159
paper record of the voter's choices that is verified by the voter 69160
prior to the casting of the voter's ballot and that is securely 69161
retained by the board of elections; 69162

(ii) Requirements that the voter verified paper audit trail 69163
shall not be retained by any voter and shall not contain 69164
individual voter information; 69165

(iii) A prohibition against the production by any direct 69166

or voter confirmation; 69169

(iv) A requirement that paper used in producing a voter 69170
verified paper audit trail be sturdy, clean, and resistant to 69171

degradation; 69172

(v) A requirement that the voter verified paper audit trail 69173
shall be capable of being optically scanned for the purpose of 69174
conducting a recount or other audit of the voting machine and 69175
shall be readable in a manner that makes the voter's ballot 69176
choices obvious to the voter without the use of computer or 69177
electronic codes; 69178

(vi) A requirement, for office-type ballots, that the voter 69179
verified paper audit trail include the name of each candidate 69180
selected by the voter; 69181

(vii) A requirement, for questions and issues ballots, that 69182
the voter verified paper audit trail include the title of the 69183
question or issue, the name of the entity that placed the question 69184
or issue on the ballot, and the voter's ballot selection on that 69185
question or issue, but not the entire text of the question or 69186
issue. 69187

(b) The secretary of state, by rule adopted under Chapter 69188
119. of the Revised Code, may waive the requirement under division 69189
(H)(3)(a)(v) of this section, if the secretary of state determines 69190
that the requirement is cost prohibitive. 69191

(4)(a) Except as otherwise provided in division (H)(4)(c) of 69192
this section, any voting machine, marking device, or automatic 69193
tabulating equipment initially certified or acquired on or after 69194
December 1, 2008, shall have the most recent federal certification 69195
number issued by the election assistance commission. 69196

(b) Any voting machine, marking device, or automatic 69197

~~effective date of this amendment~~ September 12, 2008, shall meet, 69199
as a condition of continued certification and use, the voting 69200

2002. 69202

(c) A county that acquires additional voting machines, marking devices, or automatic tabulating equipment on or after December 1, 2008, shall not be considered to have acquired those machines, devices, or equipment on or after December 1, 2008, for the purpose of division (H)(4)(a) of this section if all of the following apply:

(ii) The acquisition of the voting machines, marking devices, or automatic tabulating equipment does not replace or change the primary voting system used in that county.

(iii) The acquisition of the voting machines, marking devices, or automatic tabulating equipment is for the purpose of replacing inoperable machines, devices, or equipment or for the purpose providing additional machines, devices, or equipment required to meet the allocation requirements established pursuant to division (I) of section 3501.11 of the Revised Code.

providing personal care services. 70816

(6) "Nursing home" means a home used for the reception and 70817

mental impairment. 70839

The part or unit of a home for the aging that provides 70840

of how the facility holds itself out to the public. 70851

(C) For purposes of this chapter, personal care services or 70852
skilled nursing care shall be considered to be provided by a 70853

nor the resident's sponsor is a party. 70857

construed to permit skilled nursing care to be imposed on an 70859
individual who does not require skilled nursing care. 70860

Nothing in division (A)(5) of this section shall be construed 70861

from seeking licensure under sections 3721.01 to 3721.09 of the 70867
Revised Code or certification under Title XVIII or XIX of the 70868

requirements of those sections or titles and the rules adopted 70871
under them and obtain a certificate of need from the director of 70872
health under section 3702.52 of the Revised Code. 70873

(F) Nothing in this chapter, or rules adopted pursuant to it, 70874
shall be construed as authorizing the supervision, regulation, or 70875

the "Social Security Act," 79 Stat. 620 (1965), 42 U.S.C.A. 1395, 70911
as amended; a hospice care program licensed under Chapter 3712. of 70912

requested by the director. A home does not have to be inspected 71018
prior to issuance of a license by the director, state fire 71019
marshal, or a fire department if ownership of the home is assigned 71020
or transferred to a different person and the home was licensed 71021

that the part or unit to be licensed as a nursing home can be 71037
maintained separate and discrete from the part or unit to be 71038
licensed as an adult care facility. 71039

(C) In determining the number of residents in a home for the 71040
purpose of licensing, the director shall consider all the 71041
individuals for whom the home provides accommodations as one group 71042
unless one of the following is the case: 71043

(1) The home is a home for the aging, in which case all the 71044
individuals in the part or unit licensed as a nursing home shall 71045
be considered as one group, and all the individuals in the part or 71046
unit licensed as a rest home shall be considered as another group. 71047

(2) The home is both a nursing home and an adult care facility. In that case, all the individuals in the part or unit licensed as a nursing home shall be considered as one group, and all the individuals in the part or unit licensed as an adult care facility shall be considered as another group.

(3) The home maintains, in addition to a nursing home or residential care facility, a separate and discrete part or unit that provides accommodations to individuals who do not require or receive skilled nursing care and do not receive personal care services from the home, in which case the individuals in the separate and discrete part or unit shall not be considered in determining the number of residents in the home if the separate and discrete part or unit is in compliance with the Ohio basic building code established by the board of building standards under Chapters 3781. and 3791. of the Revised Code and the home permits the director, on request, to inspect the separate and discrete part or unit and speak with the individuals residing there, if they consent, to determine whether the separate and discrete part or unit meets the requirements of this division.

(2) All fees collected by the director for the issuance or renewal of licenses shall be deposited into the state treasury to the credit of the general operations fund created in section 3701.83 of the Revised Code for use only in administering and

enforcing this chapter and rules adopted under it. 71079

(E)(1) Except as otherwise provided in this section, the 71080
results of an inspection or investigation of a home that is 71081
conducted under this section, including any statement of 71082
deficiencies and all findings and deficiencies cited in the 71083
statement on the basis of the inspection or investigation, shall 71084
be used solely to determine the home's compliance with this 71085
chapter or another chapter of the Revised Code in any action or 71086
proceeding other than an action commenced under division (I) of 71087
section 3721.17 of the Revised Code. Those results of an 71088
inspection or investigation, that statement of deficiencies, and 71089
the findings and deficiencies cited in that statement shall not be 71090
used in any court or in any action or proceeding that is pending 71091

action by the department of health under this chapter or is an 71094
action by any department or agency of the state to enforce this 71095
chapter or another chapter of the Revised Code. 71096

(2) Nothing in division (E)(1) of this section prohibits the 71097
results of an inspection or investigation conducted under this 71098
section from being used in a criminal investigation or 71099
prosecution. 71100

Sec. 3721.031. (A) The director of health may investigate any 71101
complaint the director receives concerning a home. If the director 71102
investigates a complaint, the director shall conduct an initial 71103
investigation of a complaint as a desk audit. If pursuant to the 71104
desk audit the director determines sufficient cause exists for an 71105
on-site examination, the director shall continue the investigation 71106
with an on-site examination. 71107

(B)(1) Except as required by court order, as necessary for 71108

about a home; 71116

(c) The identity of any individual who provides the director 71117

statute relating to homes, to release information described in 71124
division ~~(A)~~(B)(1) of this section shall not release the 71125

legal representative, unless the agency or individual is required 71128
to release it by division ~~(C)~~(D) of this section, by court order, 71129
or for the administration or enforcement of a statute relating to 71130
homes. 71131

to identify such an individual is not a public record for the 71135
purposes of section 149.43 of the Revised Code, and is not subject 71136

~~(D)~~(E) No person shall knowingly register a false complaint 71151
about a home with the director, or knowingly swear or affirm the 71152
truth of a false complaint, when the complaint is made for the 71153

Sec. 3733.42. A board of health within whose jurisdiction an 71640
agricultural labor camp is located may adopt rules governing the 71641
inspection of and issuance of licenses for agricultural labor 71642
camps. The rules may include provisions for the levying of a fee 71643
for an agricultural labor camp license. The fee shall be 71644
established in accordance with section 3709.09 of the Revised 71645
Code. 71646

Sec. ~~3733.49~~ 3733.43. (A) There is hereby established under 71647
the authority of the director of job and family services the 71648
office of the migrant agricultural ombudsperson. The director 71649
shall appoint the ombudsperson. No person shall serve as 71650
ombudsperson who has a fiduciary or pecuniary interest in an 71651
agricultural labor camp. The ombudsperson shall have recognized 71652
ability and experience in migrant labor issues and shall speak 71653

both English and Spanish fluently. The ombudsperson shall be a 71654
member of the classified civil service and shall be subject to an 71655
annual job evaluation by the director. The ombudsperson's salary 71656
shall be established in a pay range fixed by the director. 71657

(B) The migrant agricultural ombudsperson shall: 71658

(1) Collect and compile available data, statistics, and 71659
information concerning migrant agricultural laborers and 71660
agricultural labor camps published by any agency of this state, 71661
any agency of the federal government, and private organizations, 71662
including, but not limited to, churches and Hispanic 71663

information about the supply and quality of housing for migrant 71667
agricultural laborers in both licensed and unlicensed camps; 71668

(3) Become familiar with state and federal laws and rules 71669
concerning migrant agricultural laborers and agricultural labor 71670
camps and especially with state and federal programs for which 71671
migrant agricultural laborers might qualify; 71672

(4) Establish a toll-free telephone number that: 71673

(a) Camp owners and farmers who employ migrant agricultural 71674
laborers may use to seek clarification of laws and rules 71675
applicable to camps and for registering complaints; and 71676

(b) Migrant agricultural laborers may use for the purpose of 71677
obtaining information described in divisions (B)(1) and (2) of 71678
this section and for registering complaints. 71679

(5) Refer problems, complaints, or questions brought to the 71680
ombudsperson's attention to the appropriate state or federal 71681
agency or the attorney general; 71682

(6) Serve as an advocate for migrant agricultural laborers in 71683

social service matters; 71684

(7) Submit an annual report to the president of the senate, 71685
the speaker of the house of representatives, and the members of 71686
the minority leadership of the senate and house of representatives 71687
on or before the thirtieth day of June of each year describing 71688
migrant agricultural labor conditions found by the ombudsperson's 71689
office, along with an assessment of the effect of existing law on 71690
migrant agricultural labor and labor camps and any recommendations 71691
for change. The report shall contain a compilation of the kinds of 71692
complaints received and recommendations for any changes in the 71693
laws or rules that the ombudsperson considers necessary or 71694
desirable. 71695

(8) Develop and recommend to the general assembly definitions 71696
of "migrant agricultural laborer" and "migrant farmworker child" 71697
to be used consistently by all state agencies, including, but not 71698
limited to, boards, departments, divisions, commissions, bureaus, 71699
societies, councils, and institutions; and 71700

(9) Conduct a peak-period census of migrant agricultural 71701
laborers in this state, by county, so that the ombudsperson can 71702
properly assess the need for housing for those laborers. The 71703
department of health shall assist the ombudsperson by providing 71704
information on the peak occupancy of agricultural labor camps and 71705
other additional information obtained through inspections of 71706
agricultural labor camps. 71707

Sec. 3734.02. (A) The director of environmental protection, 71708
in accordance with Chapter 119. of the Revised Code, shall adopt 71709
and may amend, suspend, or rescind rules having uniform 71710
application throughout the state governing solid waste facilities 71711
and the inspections of and issuance of permits and licenses for 71712
all solid waste facilities in order to ensure that the facilities 71713
will be located, maintained, and operated, and will undergo 71714

closure and post-closure care, in a sanitary manner so as not to 71715
create a nuisance, cause or contribute to water pollution, create 71716
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 71717
257.3-8, as amended. The rules may include, without limitation, 71718
financial assurance requirements for closure and post-closure care 71719
and corrective action and requirements for taking corrective 71720
action in the event of the surface or subsurface discharge or 71721
migration of explosive gases or leachate from a solid waste 71722
facility, or of ground water contamination resulting from the 71723
transfer or disposal of solid wastes at a facility, beyond the 71724
boundaries of any area within a facility that is operating or is 71725
undergoing closure or post-closure care where solid wastes were 71726
disposed of or are being disposed of. The rules shall not concern 71727
or relate to personnel policies, salaries, wages, fringe benefits, 71728
or other conditions of employment of employees of persons owning 71729
or operating solid waste facilities. The director, in accordance 71730
with Chapter 119. of the Revised Code, shall adopt and may amend, 71731
suspend, or rescind rules governing the issuance, modification, 71732
revocation, suspension, or denial of variances from the director's 71733
solid waste rules, including, without limitation, rules adopted 71734
under this chapter governing the management of scrap tires. 71735

Variances shall be issued, modified, revoked, suspended, or 71736
rescinded in accordance with this division, rules adopted under 71737
it, and Chapter 3745. of the Revised Code. The director may order 71738
the person to whom a variance is issued to take such action within 71739
such time as the director may determine to be appropriate and 71740
reasonable to prevent the creation of a nuisance or a hazard to 71741
the public health or safety or the environment. Applications for 71742
variances shall contain such detail plans, specifications, and 71743
information regarding objectives, procedures, controls, and other 71744
pertinent data as the director may require. The director shall 71745
grant a variance only if the applicant demonstrates to the 71746
director's satisfaction that construction and operation of the 71747

solid waste facility in the manner allowed by the variance and any 71748
terms or conditions imposed as part of the variance will not 71749
create a nuisance or a hazard to the public health or safety or 71750
the environment. In granting any variance, the director shall 71751
state the specific provision or provisions whose terms are to be 71752
varied and also shall state specific terms or conditions imposed 71753
upon the applicant in place of the provision or provisions. The 71754
director may hold a public hearing on an application for a 71755
variance or renewal of a variance at a location in the county 71756
where the operations that are the subject of the application for 71757
the variance are conducted. The director shall give not less than 71758
twenty days' notice of the hearing to the applicant by certified 71759
mail and shall publish at least one notice of the hearing in a 71760
newspaper with general circulation in the county where the hearing 71761
is to be held. The director shall make available for public 71762
inspection at the principal office of the environmental protection 71763
agency a current list of pending applications for variances and a 71764
current schedule of pending variance hearings. The director shall 71765
make a complete stenographic record of testimony and other 71766
evidence submitted at the hearing. Within ten days after the 71767
hearing, the director shall make a written determination to issue, 71768
renew, or deny the variance and shall enter the determination and 71769
the basis for it into the record of the hearing. The director 71770
shall issue, renew, or deny an application for a variance or 71771
renewal of a variance within six months of the date upon which the 71772
director receives a complete application with all pertinent 71773
information and data required. No variance shall be issued, 71774
revoked, modified, or denied until the director has considered the 71775
relative interests of the applicant, other persons and property 71776
affected by the variance, and the general public. Any variance 71777
granted under this division shall be for a period specified by the 71778
director and may be renewed from time to time on such terms and 71779
for such periods as the director determines to be appropriate. No 71780

application shall be denied and no variance shall be revoked or 71781
modified without a written order stating the findings upon which 71782
the denial, revocation, or modification is based. A copy of the 71783
order shall be sent to the applicant or variance holder by 71784
certified mail. 71785

(B) The director shall prescribe and furnish the forms 71786
necessary to administer and enforce this chapter. The director may 71787
cooperate with and enter into agreements with other state, local, 71788
or federal agencies to carry out the purposes of this chapter. The 71789
director may exercise all incidental powers necessary to carry out 71790
the purposes of this chapter. 71791

The director may use moneys in the infectious waste 71792
management fund created in section 3734.021 of the Revised Code 71793
exclusively for administering and enforcing the provisions of this 71794
chapter governing the management of infectious wastes. Of each 71795
registration and renewal fee collected under rules adopted under 71796
division (A)(2)(a) of section 3734.021 or under section 3734.022 71797
of the Revised Code, the director, within forty-five days of its 71798
receipt, shall remit from the fund one-half of the fee received to 71799
the board of health of the health district in which the registered 71800
premises is located, or, in the instance of an infectious wastes 71801
transporter, to the board of health of the health district in 71802
which the transporter's principal place of business is located. 71803
However, if the board of health having jurisdiction over a 71804
registrant's premises or principal place of business is not on the 71805
approved list under section 3734.08 of the Revised Code, the 71806
director shall not make that payment to the board of health. 71807

(C) Except as provided in this division and divisions (N)(2) 71808
and (3) of this section, no person shall establish a new solid 71809
waste facility or infectious waste treatment facility, or modify 71810
an existing solid waste facility or infectious waste treatment 71811
facility, without submitting an application for a permit with 71812

accompanying detail plans, specifications, and information 71813
regarding the facility and method of operation and receiving a 71814
permit issued by the director, except that no permit shall be 71815
required under this division to install or operate a solid waste 71816
facility for sewage sludge treatment or disposal when the 71817
treatment or disposal is authorized by a current permit issued 71818
under Chapter 3704. or 6111. of the Revised Code. 71819

No person shall continue to operate a solid waste facility 71820
for which the director has denied a permit for which an 71821
application was required under division (A)(3) of section 3734.05 71822
of the Revised Code, or for which the director has disapproved 71823
plans and specifications required to be filed by an order issued 71824
under division (A)(5) of that section, after the date prescribed 71825
for commencement of closure of the facility in the order issued 71826
under division (A)(6) of section 3734.05 of the Revised Code 71827
denying the permit application or approval. 71828

On and after the effective date of the rules adopted under 71829
division (A) of this section and division (D) of section 3734.12 71830
of the Revised Code governing solid waste transfer facilities, no 71831
person shall establish a new, or modify an existing, solid waste 71832
transfer facility without first submitting an application for a 71833
permit with accompanying engineering detail plans, specifications, 71834
and information regarding the facility and its method of operation 71835
to the director and receiving a permit issued by the director. 71836

No person shall establish a new compost facility or continue 71837
to operate an existing compost facility that accepts exclusively 71838
source separated yard wastes without submitting a completed 71839
registration for the facility to the director in accordance with 71840
rules adopted under divisions (A) and (N)(3) of this section. 71841

This division does not apply to an infectious waste treatment 71842
facility that meets any of the following conditions: 71843

(1) Is owned or operated by the generator of the wastes and 71844
exclusively treats, by methods, techniques, and practices 71845
established by rules adopted under division (C)(1) or (3) of 71846
section 3734.021 of the Revised Code, wastes that are generated at 71847
any premises owned or operated by that generator regardless of 71848
whether the wastes are generated on the premises where the 71849
generator's treatment facility is located or, if the generator is 71850
a hospital as defined in section 3727.01 of the Revised Code, 71851
infectious wastes that are described in division (A)(1)(g), (h), 71852
or (i) of section 3734.021 of the Revised Code; 71853

(2) Holds a license or renewal of a license to operate a 71854
crematory facility issued under Chapter 4717. and a permit issued 71855
under Chapter 3704. of the Revised Code; 71856

(3) Treats or disposes of dead animals or parts thereof, or 71857
the blood of animals, and is subject to any of the following: 71858

(a) Inspection under the "Federal Meat Inspection Act," 81 71859
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 71860

(b) Chapter 918. of the Revised Code; 71861

(c) Chapter 953. of the Revised Code. 71862

(D) Neither this chapter nor any rules adopted under it apply 71863
to single-family residential premises; to infectious wastes 71864
generated by individuals for purposes of their own care or 71865
treatment that are disposed of with solid wastes from the 71866
individual's residence; to the temporary storage of solid wastes, 71867
other than scrap tires, prior to their collection for disposal; to 71868
the storage of one hundred or fewer scrap tires unless they are 71869
stored in such a manner that, in the judgment of the director or 71870
the board of health of the health district in which the scrap 71871
tires are stored, the storage causes a nuisance, a hazard to 71872
public health or safety, or a fire hazard; or to the collection of 71873
solid wastes, other than scrap tires, by a political subdivision 71874

or a person holding a franchise or license from a political subdivision of the state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.

(E)(1) As used in this division:

(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.

(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.

(c) "Satellite facility" means any of the following:

(i) An on-site facility that also receives hazardous waste from other premises owned by the same person who generates the waste on the facility premises;

(ii) An off-site facility operated so that all of the hazardous waste it receives is generated on one or more premises owned by the person who owns the facility;

(iii) An on-site facility that also receives hazardous waste that is transported uninterruptedly and directly to the facility through a pipeline from a generator who is not the owner of the facility.

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility installation and operation permit issued in accordance with

section 3734.05 of the Revised Code and subject to the payment of 71905
an application fee not to exceed one thousand five hundred 71906
dollars, payable upon application for a hazardous waste facility 71907
installation and operation permit and upon application for a 71908
renewal permit issued under division (H) of section 3734.05 of the 71909
Revised Code, to be credited to the hazardous waste facility 71910
management fund created in section 3734.18 of the Revised Code. 71911
The term of a hazardous waste facility installation and operation 71912
permit shall not exceed ten years. 71913

In addition to the application fee, there is hereby levied an 71914
annual permit fee to be paid by the permit holder upon the 71915
anniversaries of the date of issuance of the hazardous waste 71916
facility installation and operation permit and of any subsequent 71917
renewal permits and to be credited to the hazardous waste facility 71918
management fund. Annual permit fees totaling forty thousand 71919
dollars or more for any one facility may be paid on a quarterly 71920
basis with the first quarterly payment each year being due on the 71921
anniversary of the date of issuance of the hazardous waste 71922
facility installation and operation permit and of any subsequent 71923
renewal permits. The annual permit fee shall be determined for 71924
each permit holder by the director in accordance with the 71925
following schedule: 71926

A hazardous waste disposal facility that disposes of hazardous waste by deep well injection and that pays the annual permit fee established in section 6111.046 of the Revised Code is not subject to the permit fee established in this division for disposal facilities using deep well injection unless the director determines that the facility is not in compliance with applicable requirements established under this chapter and rules adopted under it.

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage,

treatment, or disposal shall pay the permit fee indicated by the 71970
schedule for each such method. 71971

The director shall not require the payment of that portion of 71972
an annual permit fee of any permit holder that would apply to a 71973
hazardous waste management unit for which a permit has been 71974
issued, but for which construction has not yet commenced. Once 71975
construction has commenced, the director shall require the payment 71976
of a part of the appropriate fee indicated by the schedule that 71977
bears the same relationship to the total fee that the number of 71978
days remaining until the next anniversary date at which payment of 71979
the annual permit fee is due bears to three hundred sixty-five. 71980

The director, by rules adopted in accordance with Chapters 71981
119. and 3745. of the Revised Code, shall prescribe procedures for 71982
collecting the annual permit fee established by this division and 71983
may prescribe other requirements necessary to carry out this 71984
division. 71985

(3) The prohibition against establishing or operating a 71986
hazardous waste facility without a hazardous waste facility 71987
installation and operation permit does not apply to either of the 71988
following: 71989

(a) A facility that is operating in accordance with a permit 71990
renewal issued under division (H) of section 3734.05 of the 71991
Revised Code, a revision issued under division (I) of that section 71992
as it existed prior to August 20, 1996, or a modification issued 71993
by the director under division (I) of that section on and after 71994
August 20, 1996; 71995

(b) Except as provided in division (J) of section 3734.05 of 71996
the Revised Code, a facility that will operate or is operating in 71997
accordance with a permit by rule, or that is not subject to permit 71998
requirements, under rules adopted by the director. In accordance 71999
with Chapter 119. of the Revised Code, the director shall adopt, 72000

and subsequently may amend, suspend, or rescind, rules for the 72001
purposes of division (E)(3)(b) of this section. Any rules so 72002
adopted shall be consistent with and equivalent to regulations 72003
pertaining to interim status adopted under the "Resource 72004
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 72005
6921, as amended, except as otherwise provided in this chapter. 72006

If a modification is requested or proposed for a facility 72007
described in division (E)(3)(a) or (b) of this section, division 72008
(I)(7) of section 3734.05 of the Revised Code applies. 72009

(F) No person shall store, treat, or dispose of hazardous 72010
waste identified or listed under this chapter and rules adopted 72011
under it, regardless of whether generated on or off the premises 72012
where the waste is stored, treated, or disposed of, or transport 72013
or cause to be transported any hazardous waste identified or 72014
listed under this chapter and rules adopted under it to any other 72015
premises, except at or to any of the following: 72016

(1) A hazardous waste facility operating under a permit 72017
issued in accordance with this chapter; 72018

(2) A facility in another state operating under a license or 72019
permit issued in accordance with the "Resource Conservation and 72020
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 72021
amended; 72022

(3) A facility in another nation operating in accordance with 72023
the laws of that nation; 72024

(4) A facility holding a permit issued pursuant to Title I of 72025
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 72026
Stat. 1052, 33 U.S.C.A. 1401, as amended; 72027

(5) A hazardous waste facility as described in division 72028
(E)(3)(a) or (b) of this section. 72029

(G) The director, by order, may exempt any person generating, 72030

collecting, storing, treating, disposing of, or transporting solid 72031
wastes, infectious wastes, or hazardous waste, or processing solid 72032
wastes that consist of scrap tires, in such quantities or under 72033
such circumstances that, in the determination of the director, are 72034
unlikely to adversely affect the public health or safety or the 72035
environment from any requirement to obtain a registration 72036
certificate, permit, or license or comply with the manifest system 72037
or other requirements of this chapter. Such an exemption shall be 72038
consistent with and equivalent to any regulations adopted by the 72039
administrator of the United States environmental protection agency 72040
under the "Resource Conservation and Recovery Act of 1976," 90 72041
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 72042
provided in this chapter. 72043

(H) No person shall engage in filling, grading, excavating, 72044
building, drilling, or mining on land where a hazardous waste 72045
facility, or a solid waste facility, was operated without prior 72046
authorization from the director, who shall establish the procedure 72047
for granting such authorization by rules adopted in accordance 72048
with Chapter 119. of the Revised Code. 72049

A public utility that has main or distribution lines above or 72050
below the land surface located on an easement or right-of-way 72051
across land where a solid waste facility was operated may engage 72052
in any such activity within the easement or right-of-way without 72053
prior authorization from the director for purposes of performing 72054
emergency repair or emergency replacement of its lines; of the 72055
poles, towers, foundations, or other structures supporting or 72056
sustaining any such lines; or of the appurtenances to those 72057
structures, necessary to restore or maintain existing public 72058
utility service. A public utility may enter upon any such easement 72059
or right-of-way without prior authorization from the director for 72060
purposes of performing necessary or routine maintenance of those 72061
portions of its existing lines; of the existing poles, towers, 72062

foundations, or other structures sustaining or supporting its 72063
lines; or of the appurtenances to any such supporting or 72064
sustaining structure, located on or above the land surface on any 72065
such easement or right-of-way. Within twenty-four hours after 72066
commencing any such emergency repair, replacement, or maintenance 72067
work, the public utility shall notify the director or the 72068
director's authorized representative of those activities and shall 72069
provide such information regarding those activities as the 72070
director or the director's representative may request. Upon 72071
completion of the emergency repair, replacement, or maintenance 72072
activities, the public utility shall restore any land of the solid 72073
waste facility disturbed by those activities to the condition 72074
existing prior to the commencement of those activities. 72075

(I) No owner or operator of a hazardous waste facility, in 72076
the operation of the facility, shall cause, permit, or allow the 72077
emission therefrom of any particulate matter, dust, fumes, gas, 72078
mist, smoke, vapor, or odorous substance that, in the opinion of 72079
the director, unreasonably interferes with the comfortable 72080
enjoyment of life or property by persons living or working in the 72081
vicinity of the facility, or that is injurious to public health. 72082
Any such action is hereby declared to be a public nuisance. 72083

(J) Notwithstanding any other provision of this chapter, in 72084
the event the director finds an imminent and substantial danger to 72085
public health or safety or the environment that creates an 72086
emergency situation requiring the immediate treatment, storage, or 72087
disposal of hazardous waste, the director may issue a temporary 72088
emergency permit to allow the treatment, storage, or disposal of 72089
the hazardous waste at a facility that is not otherwise authorized 72090
by a hazardous waste facility installation and operation permit to 72091
treat, store, or dispose of the waste. The emergency permit shall 72092
not exceed ninety days in duration and shall not be renewed. The 72093
director shall adopt, and may amend, suspend, or rescind, rules in 72094

accordance with Chapter 119. of the Revised Code governing the 72095
issuance, modification, revocation, and denial of emergency 72096
permits. 72097

(K) No owner or operator of a sanitary landfill shall 72098
knowingly accept for disposal, or dispose of, any infectious 72099
wastes, other than those subject to division (A)(1)(c) of section 72100
3734.021 of the Revised Code, that have not been treated to render 72101
them noninfectious. For the purposes of this division, 72102
certification by the owner or operator of the treatment facility 72103
where the wastes were treated on the shipping paper required by 72104
rules adopted under division (D)(2) of that section creates a 72105
rebuttable presumption that the wastes have been so treated. 72106

(L) The director, in accordance with Chapter 119. of the 72107
Revised Code, shall adopt, and may amend, suspend, or rescind, 72108
rules having uniform application throughout the state establishing 72109
a training and certification program that shall be required for 72110
employees of boards of health who are responsible for enforcing 72111
the solid waste and infectious waste provisions of this chapter 72112
and rules adopted under them and for persons who are responsible 72113
for the operation of solid waste facilities or infectious waste 72114
treatment facilities. The rules shall provide all of the 72115
following, without limitation: 72116

(1) The program shall be administered by the director and 72117
shall consist of a course on new solid waste and infectious waste 72118
technologies, enforcement procedures, and rules; 72119

(2) The course shall be offered on an annual basis; 72120

(3) Those persons who are required to take the course under 72121
division (L) of this section shall do so triennially; 72122

(4) Persons who successfully complete the course shall be 72123
certified by the director; 72124

(5) Certification shall be required for all employees of 72125

boards of health who are responsible for enforcing the solid waste 72126
or infectious waste provisions of this chapter and rules adopted 72127
under them and for all persons who are responsible for the 72128
operation of solid waste facilities or infectious waste treatment 72129
facilities; 72130

(6)(a) All employees of a board of health who, on the 72131
effective date of the rules adopted under this division, are 72132
responsible for enforcing the solid waste or infectious waste 72133
provisions of this chapter and the rules adopted under them shall 72134
complete the course and be certified by the director not later 72135
than January 1, 1995; 72136

(b) All employees of a board of health who, after the 72137
effective date of the rules adopted under division (L) of this 72138
section, become responsible for enforcing the solid waste or 72139
infectious waste provisions of this chapter and rules adopted 72140
under them and who do not hold a current and valid certification 72141
from the director at that time shall complete the course and be 72142
certified by the director within two years after becoming 72143
responsible for performing those activities. 72144

No person shall fail to obtain the certification required 72145
under this division. 72146

(M) The director shall not issue a permit under section 72147
3734.05 of the Revised Code to establish a solid waste facility, 72148
or to modify a solid waste facility operating on December 21, 72149
1988, in a manner that expands the disposal capacity or geographic 72150
area covered by the facility, that is or is to be located within 72151
the boundaries of a state park established or dedicated under 72152
Chapter 1541. of the Revised Code, a state park purchase area 72153
established under section 1541.02 of the Revised Code, any unit of 72154
the national park system, or any property that lies within the 72155
boundaries of a national park or recreation area, but that has not 72156
been acquired or is not administered by the secretary of the 72157

United States department of the interior, located in this state, 72158
or any candidate area located in this state and identified for 72159
potential inclusion in the national park system in the edition of 72160
the "national park system plan" submitted under paragraph (b) of 72161
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 72162
U.S.C.A. 1a-5, as amended, current at the time of filing of the 72163
application for the permit, unless the facility or proposed 72164
facility is or is to be used exclusively for the disposal of solid 72165
wastes generated within the park or recreation area and the 72166
director determines that the facility or proposed facility will 72167
not degrade any of the natural or cultural resources of the park 72168
or recreation area. The director shall not issue a variance under 72169
division (A) of this section and rules adopted under it, or issue 72170
an exemption order under division (G) of this section, that would 72171
authorize any such establishment or expansion of a solid waste 72172
facility within the boundaries of any such park or recreation 72173
area, state park purchase area, or candidate area, other than a 72174
solid waste facility exclusively for the disposal of solid wastes 72175
generated within the park or recreation area when the director 72176
determines that the facility will not degrade any of the natural 72177
or cultural resources of the park or recreation area. 72178

(N)(1) The rules adopted under division (A) of this section, 72179
other than those governing variances, do not apply to scrap tire 72180
collection, storage, monocell, monofill, and recovery facilities. 72181
Those facilities are subject to and governed by rules adopted 72182
under sections 3734.70 to 3734.73 of the Revised Code, as 72183
applicable. 72184

(2) Division (C) of this section does not apply to scrap tire 72185
collection, storage, monocell, monofill, and recovery facilities. 72186
The establishment and modification of those facilities are subject 72187
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 72188
Code, as applicable. 72189

(3) The director may adopt, amend, suspend, or rescind rules 72190
under division (A) of this section creating an alternative system 72191
for authorizing the establishment, operation, or modification of a 72192
solid waste compost facility in lieu of the requirement that a 72193
person seeking to establish, operate, or modify a solid waste 72194
compost facility apply for and receive a permit under division (C) 72195
of this section and section 3734.05 of the Revised Code and a 72196
license under division (A)(1) of that section. The rules may 72197
include requirements governing, without limitation, the 72198
classification of solid waste compost facilities, the submittal of 72199
operating records for solid waste compost facilities, and the 72200
creation of a registration or notification system in lieu of the 72201
issuance of permits and licenses for solid waste compost 72202
facilities. The rules shall specify the applicability of divisions 72203
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 72204
Code to a solid waste compost facility. 72205

Sec. 3734.05. (A)(1) Except as provided in divisions (A)(4), 72206
(8), and (9) of this section, no person shall operate or maintain 72207
a solid waste facility without a license issued under this 72208
division by the board of health of the health district in which 72209
the facility is located or by the director of environmental 72210
protection when the health district in which the facility is 72211
located is not on the approved list under section 3734.08 of the 72212
Revised Code. 72213

During the month of December, but before the first day of 72214
January of the next year, every person proposing to continue to 72215
operate an existing solid waste facility shall procure a license 72216
under this division to operate the facility for that year from the 72217
board of health of the health district in which the facility is 72218
located or, if the health district is not on the approved list 72219
under section 3734.08 of the Revised Code, from the director. The 72220
application for such a license shall be submitted to the board of 72221

health or to the director, as appropriate, on or before the last 72222
day of September of the year preceding that for which the license 72223
is sought. In addition to the application fee prescribed in 72224
division (A)(2) of this section, a person who submits an 72225
application after that date shall pay an additional ten per cent 72226
of the amount of the application fee for each week that the 72227
application is late. Late payment fees accompanying an application 72228
submitted to the board of health shall be credited to the special 72229
fund of the health district created in division (B) of section 72230
3734.06 of the Revised Code, and late payment fees accompanying an 72231
application submitted to the director shall be credited to the 72232
general revenue fund. A person who has received a license, upon 72233
sale or disposition of a solid waste facility, and upon consent of 72234
the board of health and the director, may have the license 72235
transferred to another person. The board of health or the director 72236
may include such terms and conditions in a license or revision to 72237
a license as are appropriate to ensure compliance with this 72238
chapter and rules adopted under it. The terms and conditions may 72239
establish the authorized maximum daily waste receipts for the 72240
facility. Limitations on maximum daily waste receipts shall be 72241
specified in cubic yards of volume for the purpose of regulating 72242
the design, construction, and operation of solid waste facilities. 72243
Terms and conditions included in a license or revision to a 72244
license by a board of health shall be consistent with, and pertain 72245
only to the subjects addressed in, the rules adopted under 72246
division (A) of section 3734.02 and division (D) of section 72247
3734.12 of the Revised Code. 72248

(2)(a) Except as provided in divisions (A)(2)(b), (8), and 72249
(9) of this section, each person proposing to open a new solid 72250
waste facility or to modify an existing solid waste facility shall 72251
submit an application for a permit with accompanying detail plans 72252
and specifications to the environmental protection agency for 72253
required approval under the rules adopted by the director pursuant 72254

to division (A) of section 3734.02 of the Revised Code and 72255
applicable rules adopted under division (D) of section 3734.12 of 72256
the Revised Code at least two hundred seventy days before proposed 72257
operation of the facility and shall concurrently make application 72258
for the issuance of a license under division (A)(1) of this 72259
section with the board of health of the health district in which 72260
the proposed facility is to be located. 72261

(b) On and after the effective date of the rules adopted 72262
under division (A) of section 3734.02 of the Revised Code and 72263
division (D) of section 3734.12 of the Revised Code governing 72264
solid waste transfer facilities, each person proposing to open a 72265
new solid waste transfer facility or to modify an existing solid 72266
waste transfer facility shall submit an application for a permit 72267
with accompanying engineering detail plans, specifications, and 72268
information regarding the facility and its method of operation to 72269
the environmental protection agency for required approval under 72270
those rules at least two hundred seventy days before commencing 72271
proposed operation of the facility and concurrently shall make 72272
application for the issuance of a license under division (A)(1) of 72273
this section with the board of health of the health district in 72274
which the facility is located or proposed. 72275

(c) Each application for a permit under division (A)(2)(a) or 72276
(b) of this section shall be accompanied by a nonrefundable 72277
application fee of four hundred dollars that shall be credited to 72278
the general revenue fund. Each application for an annual license 72279
under division (A)(1) or (2) of this section shall be accompanied 72280
by a nonrefundable application fee of one hundred dollars. If the 72281
application for an annual license is submitted to a board of 72282
health on the approved list under section 3734.08 of the Revised 72283
Code, the application fee shall be credited to the special fund of 72284
the health district created in division (B) of section 3734.06 of 72285
the Revised Code. If the application for an annual license is 72286

submitted to the director, the application fee shall be credited 72287
to the general revenue fund. If a permit or license is issued, the 72288
amount of the application fee paid shall be deducted from the 72289
amount of the permit fee due under division (Q) of section 3745.11 72290
of the Revised Code or the amount of the license fee due under 72291
division (A)(1), (2), (3), ~~or (4)~~, or (5) of section 3734.06 of 72292
the Revised Code. 72293

(d) As used in divisions (A)(2)(d), (e), and (f) of this 72294
section, "modify" means any of the following: 72295

(i) Any increase of more than ten per cent in the total 72296
capacity of a solid waste facility; 72297

(ii) Any expansion of the limits of solid waste placement at 72298
a solid waste facility; 72299

(iii) Any increase in the depth of excavation at a solid 72300
waste facility; 72301

(iv) Any change in the technique of waste receipt or type of 72302
waste received at a solid waste facility that may endanger human 72303
health, as determined by the director by rules adopted in 72304
accordance with Chapter 119. of the Revised Code. 72305

Not later than ~~thirty-five~~ forty-five days after submitting 72306
an application under division (A)(2)(a) or (b) of this section for 72307
a permit to open a new or modify an existing solid waste facility, 72308
the applicant, in conjunction with an officer or employee of the 72309
environmental protection agency, shall hold a public meeting on 72310
the application within the county in which the new or modified 72311
solid waste facility is or is proposed to be located or within a 72312
contiguous county. Not less than thirty days before holding the 72313
public meeting on the application, the applicant shall publish 72314
notice of the meeting in each newspaper of general circulation 72315
that is published in the county in which the facility is or is 72316
proposed to be located. If no newspaper of general circulation is 72317

published in the county, the applicant shall publish the notice in 72318
a newspaper of general circulation in the county. The notice shall 72319
contain the date, time, and location of the public meeting and a 72320
general description of the proposed new or modified facility. Not 72321
later than five days after publishing the notice, the applicant 72322
shall send by certified mail a copy of the notice and the date the 72323
notice was published to the director and the legislative authority 72324
of each municipal corporation, township, and county, and to the 72325
chief executive officer of each municipal corporation, in which 72326
the facility is or is proposed to be located. At the public 72327
meeting, the applicant shall provide information and describe the 72328
application and respond to comments or questions concerning the 72329
application, and the officer or employee of the agency shall 72330
describe the permit application process. At the public meeting, 72331
any person may submit written or oral comments on or objections to 72332
the application. Not more than thirty days after the public 72333
meeting, the applicant shall provide the director with a copy of a 72334
transcript of the full meeting, copies of any exhibits, displays, 72335
or other materials presented by the applicant at the meeting, and 72336
the original copy of any written comments submitted at the 72337
meeting. 72338

(e) Except as provided in division (A)(2)(f) of this section, 72339
prior to taking an action, other than a proposed or final denial, 72340
upon an application submitted under division (A)(2)(a) of this 72341
section for a permit to open a new or modify an existing solid 72342
waste facility, the director shall hold a public information 72343
session and a public hearing on the application within the county 72344
in which the new or modified solid waste facility is or is 72345
proposed to be located or within a contiguous county. If the 72346
application is for a permit to open a new solid waste facility, 72347
the director shall hold the hearing not less than fourteen days 72348
after the information session. If the application is for a permit 72349
to modify an existing solid waste facility, the director may hold 72350

both the information session and the hearing on the same day 72351
unless any individual affected by the application requests in 72352
writing that the information session and the hearing not be held 72353
on the same day, in which case the director shall hold the hearing 72354
not less than fourteen days after the information session. The 72355
director shall publish notice of the public information session or 72356
public hearing not less than thirty days before holding the 72357
information session or hearing, as applicable. The notice shall be 72358
published in each newspaper of general circulation that is 72359
published in the county in which the facility is or is proposed to 72360
be located. If no newspaper of general circulation is published in 72361
the county, the director shall publish the notice in a newspaper 72362
of general circulation in the county. The notice shall contain the 72363
date, time, and location of the information session or hearing, as 72364
applicable, and a general description of the proposed new or 72365
modified facility. At the public information session, an officer 72366
or employee of the environmental protection agency shall describe 72367
the status of the permit application and be available to respond 72368
to comments or questions concerning the application. At the public 72369
hearing, any person may submit written or oral comments on or 72370
objections to the approval of the application. The applicant, or a 72371
representative of the applicant who has knowledge of the location, 72372
construction, and operation of the facility, shall attend the 72373
information session and public hearing to respond to comments or 72374
questions concerning the facility directed to the applicant or 72375
representative by the officer or employee of the environmental 72376
protection agency presiding at the information session and 72377
hearing. 72378

(f) The solid waste management policy committee of a county 72379
or joint solid waste management district may adopt a resolution 72380
requesting expeditious consideration of a specific application 72381
submitted under division (A)(2)(a) of this section for a permit to 72382
modify an existing solid waste facility within the district. The 72383

resolution shall make the finding that expedited consideration of 72384
the application without the public information session and public 72385
hearing under division (A)(2)(e) of this section is in the public 72386
interest and will not endanger human health, as determined by the 72387
director by rules adopted in accordance with Chapter 119. of the 72388
Revised Code. Upon receiving such a resolution, the director, at 72389
the director's discretion, may issue a final action upon the 72390
application without holding a public information session or public 72391
hearing pursuant to division (A)(2)(e) of this section. 72392

(3) Except as provided in division (A)(10) of this section, 72393
and unless the owner or operator of any solid waste facility, 72394
other than a solid waste transfer facility or a compost facility 72395
that accepts exclusively source separated yard wastes, that 72396
commenced operation on or before July 1, 1968, has obtained an 72397
exemption from the requirements of division (A)(3) of this section 72398
in accordance with division (G) of section 3734.02 of the Revised 72399
Code, the owner or operator shall submit to the director an 72400
application for a permit with accompanying engineering detail 72401
plans, specifications, and information regarding the facility and 72402
its method of operation for approval under rules adopted under 72403
division (A) of section 3734.02 of the Revised Code and applicable 72404
rules adopted under division (D) of section 3734.12 of the Revised 72405
Code in accordance with the following schedule: 72406

(a) Not later than September 24, 1988, if the facility is 72407
located in the city of Garfield Heights or Parma in Cuyahoga 72408
county; 72409

(b) Not later than December 24, 1988, if the facility is 72410
located in Delaware, Greene, Guernsey, Hamilton, Madison, 72411
Mahoning, Ottawa, or Vinton county; 72412

(c) Not later than March 24, 1989, if the facility is located 72413

Washington county, or is located in the city of Brooklyn or 72415

Cuyahoga Heights in Cuyahoga county; 72416

(d) Not later than June 24, 1989, if the facility is located 72417
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 72418
Summit county or is located in Cuyahoga county outside the cities 72419
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 72420

(e) Not later than September 24, 1989, if the facility is 72421
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 72422
county; 72423

(f) Not later than December 24, 1989, if the facility is 72424
located in a county not listed in divisions (A)(3)(a) to (e) of 72425
this section; 72426

(g) Notwithstanding divisions (A)(3)(a) to (f) of this 72427
section, not later than December 31, 1990, if the facility is a 72428
solid waste facility owned by a generator of solid wastes when the 72429
solid waste facility exclusively disposes of solid wastes 72430
generated at one or more premises owned by the generator 72431
regardless of whether the facility is located on a premises where 72432
the wastes are generated and if the facility disposes of more than 72433
one hundred thousand tons of solid wastes per year, provided that 72434
any such facility shall be subject to division (A)(5) of this 72435
section. 72436

(4) Except as provided in divisions (A)(8), (9), and (10) of 72437
this section, unless the owner or operator of any solid waste 72438
facility for which a permit was issued after July 1, 1968, but 72439
before January 1, 1980, has obtained an exemption from the 72440
requirements of division (A)(4) of this section under division (G) 72441
of section 3734.02 of the Revised Code, the owner or operator 72442
shall submit to the director an application for a permit with 72443
accompanying engineering detail plans, specifications, and 72444
information regarding the facility and its method of operation for 72445
approval under those rules. 72446

(5) The director may issue an order in accordance with 72447
Chapter 3745. of the Revised Code to the owner or operator of a 72448
solid waste facility requiring the person to submit to the 72449
director updated engineering detail plans, specifications, and 72450
information regarding the facility and its method of operation for 72451
approval under rules adopted under division (A) of section 3734.02 72452
of the Revised Code and applicable rules adopted under division 72453
(D) of section 3734.12 of the Revised Code if, in the director's 72454
judgment, conditions at the facility constitute a substantial 72455
threat to public health or safety or are causing or contributing 72456
to or threatening to cause or contribute to air or water pollution 72457
or soil contamination. Any person who receives such an order shall 72458
submit the updated engineering detail plans, specifications, and 72459
information to the director within one hundred eighty days after 72460
the effective date of the order. 72461

(6) The director shall act upon an application submitted 72462
under division (A)(3) or (4) of this section and any updated 72463
engineering plans, specifications, and information submitted under 72464
division (A)(5) of this section within one hundred eighty days 72465
after receiving them. If the director denies any such permit 72466
application, the order denying the application or disapproving the 72467
plans shall include the requirements that the owner or operator 72468
submit a plan for closure and post-closure care of the facility to 72469
the director for approval within six months after issuance of the 72470
order, cease accepting solid wastes for disposal or transfer at 72471
the facility, and commence closure of the facility not later than 72472
one year after issuance of the order. If the director determines 72473
that closure of the facility within that one-year period would 72474
result in the unavailability of sufficient solid waste management 72475
facility capacity within the county or joint solid waste 72476
management district in which the facility is located to dispose of 72477
or transfer the solid waste generated within the district, the 72478
director in the order of denial or disapproval may postpone 72479

commencement of closure of the facility for such period of time as 72480
the director finds necessary for the board of county commissioners 72481
or directors of the district to secure access to or for there to 72482
be constructed within the district sufficient solid waste 72483
management facility capacity to meet the needs of the district, 72484
provided that the director shall certify in the director's order 72485
that postponing the date for commencement of closure will not 72486
endanger ground water or any property surrounding the facility, 72487
allow methane gas migration to occur, or cause or contribute to 72488
any other type of environmental damage. 72489

If an emergency need for disposal capacity that may affect 72490
public health and safety exists as a result of closure of a 72491
facility under division (A)(6) of this section, the director may 72492
issue an order designating another solid waste facility to accept 72493
the wastes that would have been disposed of at the facility to be 72494
closed. 72495

(7) If the director determines that standards more stringent 72496
than those applicable in rules adopted under division (A) of 72497
section 3734.02 of the Revised Code and division (D) of section 72498
3734.12 of the Revised Code, or standards pertaining to subjects 72499
not specifically addressed by those rules, are necessary to ensure 72500
that a solid waste facility constructed at the proposed location 72501
will not cause a nuisance, cause or contribute to water pollution, 72502
or endanger public health or safety, the director may issue a 72503
permit for the facility with such terms and conditions as the 72504
director finds necessary to protect public health and safety and 72505
the environment. If a permit is issued, the director shall state 72506
in the order issuing it the specific findings supporting each such 72507
term or condition. 72508

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 72509
not apply to a solid waste compost facility that accepts 72510
exclusively source separated yard wastes and that is registered 72511

under division (C) of section 3734.02 of the Revised Code or, 72512
unless otherwise provided in rules adopted under division (N)(3) 72513
of section 3734.02 of the Revised Code, to a solid waste compost 72514
facility if the director has adopted rules establishing an 72515
alternative system for authorizing the establishment, operation, 72516
or modification of a solid waste compost facility under that 72517
division. 72518

(9) Divisions (A)(1) to (7) of this section do not apply to 72519
scrap tire collection, storage, monocell, monofill, and recovery 72520
facilities. The approval of plans and specifications, as 72521
applicable, and the issuance of registration certificates, 72522
permits, and licenses for those facilities are subject to sections 72523
3734.75 to 3734.78 of the Revised Code, as applicable, and section 72524
3734.81 of the Revised Code. 72525

(10) Divisions (A)(3) and (4) of this section do not apply to 72526
a solid waste incinerator that was placed into operation on or 72527
before October 12, 1994, and that is not authorized to accept and 72528
treat infectious wastes pursuant to division (B) of this section. 72529

(B)(1) Each person who is engaged in the business of treating 72530
infectious wastes for profit at a treatment facility located off 72531
the premises where the wastes are generated that is in operation 72532
on August 10, 1988, and who proposes to continue operating the 72533
facility shall submit to the board of health of the health 72534
district in which the facility is located an application for a 72535
license to operate the facility. 72536

Thereafter, no person shall operate or maintain an infectious 72537
waste treatment facility without a license issued by the board of 72538
health of the health district in which the facility is located or 72539
by the director when the health district in which the facility is 72540
located is not on the approved list under section 3734.08 of the 72541
Revised Code. 72542

(2)(a) During the month of December, but before the first day 72543
of January of the next year, every person proposing to continue to 72544
operate an existing infectious waste treatment facility shall 72545
procure a license to operate the facility for that year from the 72546
board of health of the health district in which the facility is 72547
located or, if the health district is not on the approved list 72548
under section 3734.08 of the Revised Code, from the director. The 72549
application for such a license shall be submitted to the board of 72550
health or to the director, as appropriate, on or before the last 72551
day of September of the year preceding that for which the license 72552
is sought. In addition to the application fee prescribed in 72553
division (B)(2)(c) of this section, a person who submits an 72554
application after that date shall pay an additional ten per cent 72555
of the amount of the application fee for each week that the 72556
application is late. Late payment fees accompanying an application 72557
submitted to the board of health shall be credited to the special 72558
infectious waste fund of the health district created in division 72559
(C) of section 3734.06 of the Revised Code, and late payment fees 72560
accompanying an application submitted to the director shall be 72561
credited to the general revenue fund. A person who has received a 72562
license, upon sale or disposition of an infectious waste treatment 72563
facility and upon consent of the board of health and the director, 72564
may have the license transferred to another person. The board of 72565
health or the director may include such terms and conditions in a 72566
license or revision to a license as are appropriate to ensure 72567
compliance with the infectious waste provisions of this chapter 72568
and rules adopted under them. 72569

(b) Each person proposing to open a new infectious waste 72570
treatment facility or to modify an existing infectious waste 72571
treatment facility shall submit an application for a permit with 72572
accompanying detail plans and specifications to the environmental 72573
protection agency for required approval under the rules adopted by 72574
the director pursuant to section 3734.021 of the Revised Code two 72575

hundred seventy days before proposed operation of the facility and 72576
concurrently shall make application for a license with the board 72577
of health of the health district in which the facility is or is 72578
proposed to be located. Not later than ninety days after receiving 72579
a completed application under division (B)(2)(b) of this section 72580
for a permit to open a new infectious waste treatment facility or 72581
modify an existing infectious waste treatment facility to expand 72582
its treatment capacity, or receiving a completed application under 72583
division (A)(2)(a) of this section for a permit to open a new 72584
solid waste incineration facility, or modify an existing solid 72585
waste incineration facility to also treat infectious wastes or to 72586
increase its infectious waste treatment capacity, that pertains to 72587
a facility for which a notation authorizing infectious waste 72588
treatment is included or proposed to be included in the solid 72589
waste incineration facility's license pursuant to division (B)(3) 72590
of this section, the director shall hold a public hearing on the 72591
application within the county in which the new or modified 72592
infectious waste or solid waste facility is or is proposed to be 72593
located or within a contiguous county. Not less than thirty days 72594
before holding the public hearing on the application, the director 72595
shall publish notice of the hearing in each newspaper that has 72596
general circulation and that is published in the county in which 72597
the facility is or is proposed to be located. If there is no 72598
newspaper that has general circulation and that is published in 72599
the county, the director shall publish the notice in a newspaper 72600
of general circulation in the county. The notice shall contain the 72601
date, time, and location of the public hearing and a general 72602
description of the proposed new or modified facility. At the 72603
public hearing, any person may submit written or oral comments on 72604
or objections to the approval or disapproval of the application. 72605
The applicant, or a representative of the applicant who has 72606
knowledge of the location, construction, and operation of the 72607
facility, shall attend the public hearing to respond to comments 72608

or questions concerning the facility directed to the applicant or 72609
representative by the officer or employee of the environmental 72610
protection agency presiding at the hearing. 72611

(c) Each application for a permit under division (B)(2)(b) of 72612
this section shall be accompanied by a nonrefundable application 72613
fee of four hundred dollars that shall be credited to the general 72614
revenue fund. Each application for an annual license under 72615
division (B)(2)(a) of this section shall be accompanied by a 72616
nonrefundable application fee of one hundred dollars. If the 72617
application for an annual license is submitted to a board of 72618
health on the approved list under section 3734.08 of the Revised 72619
Code, the application fee shall be credited to the special 72620
infectious waste fund of the health district created in division 72621
(C) of section 3734.06 of the Revised Code. If the application for 72622
an annual license is submitted to the director, the application 72623
fee shall be credited to the general revenue fund. If a permit or 72624
license is issued, the amount of the application fee paid shall be 72625
deducted from the amount of the permit fee due under division (Q) 72626
of section 3745.11 of the Revised Code or the amount of the 72627
license fee due under division (C) of section 3734.06 of the 72628
Revised Code. 72629

(d) The owner or operator of any infectious waste treatment 72630
facility that commenced operation on or before July 1, 1968, shall 72631
submit to the director an application for a permit with 72632
accompanying engineering detail plans, specifications, and 72633
information regarding the facility and its method of operation for 72634
approval under rules adopted under section 3734.021 of the Revised 72635
Code in accordance with the following schedule: 72636

(i) Not later than December 24, 1988, if the facility is 72637
located in Delaware, Greene, Guernsey, Hamilton, Madison, 72638
Mahoning, Ottawa, or Vinton county; 72639

(ii) Not later than March 24, 1989, if the facility is 72640

located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, 72641
or Washington county, or is located in the city of Brooklyn, 72642
Cuyahoga Heights, or Parma in Cuyahoga county; 72643

(iii) Not later than June 24, 1989, if the facility is 72644
located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, 72645
Lucas, or Summit county or is located in Cuyahoga county outside 72646
the cities of Brooklyn, Cuyahoga Heights, and Parma; 72647

(iv) Not later than September 24, 1989, if the facility is 72648
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 72649
county; 72650

(v) Not later than December 24, 1989, if the facility is 72651
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 72652
of this section. 72653

The owner or operator of an infectious waste treatment 72654
facility required to submit a permit application under division 72655
(B)(2)(d) of this section is not required to pay any permit 72656
application fee under division (B)(2)(c) of this section, or 72657
permit fee under division (Q) of section 3745.11 of the Revised 72658
Code, with respect thereto unless the owner or operator also 72659
proposes to modify the facility. 72660

(e) The director may issue an order in accordance with 72661
Chapter 3745. of the Revised Code to the owner or operator of an 72662
infectious waste treatment facility requiring the person to submit 72663
to the director updated engineering detail plans, specifications, 72664
and information regarding the facility and its method of operation 72665
for approval under rules adopted under section 3734.021 of the 72666
Revised Code if, in the director's judgment, conditions at the 72667
facility constitute a substantial threat to public health or 72668
safety or are causing or contributing to or threatening to cause 72669
or contribute to air or water pollution or soil contamination. Any 72670
person who receives such an order shall submit the updated 72671

engineering detail plans, specifications, and information to the 72672
director within one hundred eighty days after the effective date 72673
of the order. 72674

(f) The director shall act upon an application submitted 72675
under division (B)(2)(d) of this section and any updated 72676
engineering plans, specifications, and information submitted under 72677
division (B)(2)(e) of this section within one hundred eighty days 72678
after receiving them. If the director denies any such permit 72679
application or disapproves any such updated engineering plans, 72680
specifications, and information, the director shall include in the 72681
order denying the application or disapproving the plans the 72682
requirement that the owner or operator cease accepting infectious 72683
wastes for treatment at the facility. 72684

(3) Division (B) of this section does not apply to an 72685
infectious waste treatment facility that meets any of the 72686
following conditions: 72687

(a) Is owned or operated by the generator of the wastes and 72688
exclusively treats, by methods, techniques, and practices 72689
established by rules adopted under division (C)(1) or (3) of 72690
section 3734.021 of the Revised Code, wastes that are generated at 72691
any premises owned or operated by that generator regardless of 72692
whether the wastes are generated on the same premises where the 72693
generator's treatment facility is located or, if the generator is 72694
a hospital as defined in section 3727.01 of the Revised Code, 72695
infectious wastes that are described in division (A)(1)(g), (h), 72696
or (i) of section 3734.021 of the Revised Code; 72697

(b) Holds a license or renewal of a license to operate a 72698
crematory facility issued under Chapter 4717. and a permit issued 72699
under Chapter 3704. of the Revised Code; 72700

(c) Treats or disposes of dead animals or parts thereof, or 72701
the blood of animals, and is subject to any of the following: 72702

(i) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 72703
72704

(ii) Chapter 918. of the Revised Code; 72705

(iii) Chapter 953. of the Revised Code. 72706

Nothing in division (B) of this section requires a facility that holds a license issued under division (A) of this section as a solid waste facility and that also treats infectious wastes by the same method, technique, or process to obtain a license under division (B) of this section as an infectious waste treatment facility. However, the solid waste facility license for the facility shall include the notation that the facility also treats infectious wastes. 72707
72708
72709
72710
72711
72712
72713
72714

On and after the effective date of the amendments to the rules adopted under division (C)(2) of section 3734.021 of the Revised Code that are required by Section 6 of Substitute House Bill No. 98 of the 120th General Assembly, the director shall not issue a permit to open a new solid waste incineration facility unless the proposed facility complies with the requirements for the location of new infectious waste incineration facilities established in the required amendments to those rules. 72715
72716
72717
72718
72719
72720
72721
72722

(C) Except for a facility or activity described in division (E)(3) of section 3734.02 of the Revised Code, a person who proposes to establish or operate a hazardous waste facility shall submit a complete application for a hazardous waste facility installation and operation permit and accompanying detail plans, specifications, and such information as the director may require to the environmental protection agency at least one hundred eighty days before the proposed beginning of operation of the facility. The applicant shall notify by certified mail the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located of the submission of 72723
72724
72725
72726
72727
72728
72729
72730
72731
72732
72733

the application within ten days after the submission or at such 72734
earlier time as the director may establish by rule. If the 72735
application is for a proposed new hazardous waste disposal or 72736
thermal treatment facility, the applicant also shall give actual 72737
notice of the general design and purpose of the facility to the 72738
legislative authority of each municipal corporation, township, and 72739
county in which the facility is proposed to be located at least 72740
ninety days before the permit application is submitted to the 72741
environmental protection agency. 72742

In accordance with rules adopted under section 3734.12 of the 72743
Revised Code, prior to the submission of a complete application 72744
for a hazardous waste facility installation and operation permit, 72745
the applicant shall hold at least one meeting in the township or 72746
municipal corporation in which the facility is proposed to be 72747
located, whichever is geographically closer to the proposed 72748
location of the facility. The meeting shall be open to the public 72749
and shall be held to inform the community of the proposed 72750
hazardous waste management activities and to solicit questions 72751
from the community concerning the activities. 72752

(D)(1) Except as provided in section 3734.123 of the Revised 72753
Code, upon receipt of a complete application for a hazardous waste 72754
facility installation and operation permit under division (C) of 72755
this section, the director shall consider the application and 72756
accompanying information to determine whether the application 72757
complies with agency rules and the requirements of division (D)(2) 72758
of this section. After making a determination, the director shall 72759
issue either a draft permit or a notice of intent to deny the 72760
permit. The director, in accordance with rules adopted under 72761
section 3734.12 of the Revised Code or with rules adopted to 72762
implement Chapter 3745. of the Revised Code, shall provide public 72763
notice of the application and the draft permit or the notice of 72764
intent to deny the permit, provide an opportunity for public 72765

comments, and, if significant interest is shown, schedule a public meeting in the county in which the facility is proposed to be located and give public notice of the date, time, and location of the public meeting in a newspaper of general circulation in that county.

(2) The director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I)(3) of this section unless the director finds and determines as follows:

(a) The nature and volume of the waste to be treated, stored, or disposed of at the facility;

(b) That the facility complies with the director's hazardous waste standards adopted pursuant to section 3734.12 of the Revised Code;

(c) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of various alternatives, and other pertinent considerations;

(d) That the facility represents the minimum risk of all of the following:

(i) Fires or explosions from treatment, storage, or disposal methods;

(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility;

(iii) Adverse impact on the public health and safety.

(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them;

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from

which the person may influence the installation and operation of 72796
the facility has been involved in any prior activity involving 72797
transportation, treatment, storage, or disposal of hazardous 72798
waste, that person has a history of compliance with this chapter 72799
and Chapters 3704. and 6111. of the Revised Code and all rules and 72800
standards adopted under them, the "Resource Conservation and 72801
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 72802
amended, and all regulations adopted under it, and similar laws 72803
and rules of other states if any such prior operation was located 72804
in another state that demonstrates sufficient reliability, 72805
expertise, and competency to operate a hazardous waste facility 72806
under the applicable provisions of this chapter and Chapters 3704. 72807
and 6111. of the Revised Code, the applicable rules and standards 72808
adopted under them, and terms and conditions of a hazardous waste 72809
facility installation and operation permit, given the potential 72810
for harm to the public health and safety and the environment that 72811
could result from the irresponsible operation of the facility. For 72812
off-site facilities, as defined in section 3734.41 of the Revised 72813
Code, the director may use the investigative reports of the 72814
attorney general prepared pursuant to section 3734.42 of the 72815
Revised Code as a basis for making a finding and determination 72816
under division (D)(2)(f) of this section. 72817

(g) That the active areas within a new hazardous waste 72818
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 72819
(e), as amended, or organic waste that is toxic and is listed 72820
under 40 C.F.R. 261, as amended, is being stored, treated, or 72821
disposed of and where the aggregate of the storage design capacity 72822
and the disposal design capacity of all hazardous waste in those 72823
areas is greater than two hundred fifty thousand gallons, are not 72824
located or operated within any of the following: 72825

(i) Two thousand feet of any residence, school, hospital, 72826
jail, or prison; 72827

(ii) Any naturally occurring wetland; 72828

(iii) Any flood hazard area if the applicant cannot show that 72829
the facility will be designed, constructed, operated, and 72830
maintained to prevent washout by a one-hundred-year flood. 72831

Division (D)(2)(g) of this section does not apply to the 72832
facility of any applicant who demonstrates to the director that 72833
the limitations specified in that division are not necessary 72834
because of the nature or volume of the waste and the manner of 72835
management applied, the facility will impose no substantial danger 72836
to the health and safety of persons occupying the structures 72837
listed in division (D)(2)(g)(i) of this section, and the facility 72838
is to be located or operated in an area where the proposed 72839
hazardous waste activities will not be incompatible with existing 72840
land uses in the area. 72841

(h) That the facility will not be located within the 72842
boundaries of a state park established or dedicated under Chapter 72843
1541. of the Revised Code, a state park purchase area established 72844
under section 1541.02 of the Revised Code, any unit of the 72845
national park system, or any property that lies within the 72846
boundaries of a national park or recreation area, but that has not 72847
been acquired or is not administered by the secretary of the 72848
United States department of the interior, located in this state, 72849
or any candidate area located in this state identified for 72850
potential inclusion in the national park system in the edition of 72851
the "national park system plan" submitted under paragraph (b) of 72852
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 72853
U.S.C.A. 1a-5, as amended, current at the time of filing of the 72854
application for the permit, unless the facility will be used 72855
exclusively for the storage of hazardous waste generated within 72856
the park or recreation area in conjunction with the operation of 72857
the park or recreation area. Division (D)(2)(h) of this section 72858
does not apply to the facility of any applicant for modification 72859

of a permit unless the modification application proposes to 72860
increase the land area included in the facility or to increase the 72861
quantity of hazardous waste that will be treated, stored, or 72862
disposed of at the facility. 72863

(3) Not later than one hundred eighty days after the end of 72864
the public comment period, the director, without prior hearing, 72865
shall issue or deny the permit in accordance with Chapter 3745. of 72866
the Revised Code. If the director approves an application for a 72867
hazardous waste facility installation and operation permit, the 72868
director shall issue the permit, upon such terms and conditions as 72869
the director finds are necessary to ensure the construction and 72870
operation of the hazardous waste facility in accordance with the 72871
standards of this section. 72872

(E) No political subdivision of this state shall require any 72873
additional zoning or other approval, consent, permit, certificate, 72874
or condition for the construction or operation of a hazardous 72875
waste facility authorized by a hazardous waste facility 72876
installation and operation permit issued pursuant to this chapter, 72877
nor shall any political subdivision adopt or enforce any law, 72878
ordinance, or rule that in any way alters, impairs, or limits the 72879
authority granted in the permit. 72880

(F) The director may issue a single hazardous waste facility 72881
installation and operation permit to a person who operates two or 72882
more adjoining facilities where hazardous waste is stored, 72883
treated, or disposed of if the application includes detail plans, 72884
specifications, and information on all facilities. For the 72885
purposes of this section, "adjoining" means sharing a common 72886
boundary, separated only by a public road, or in such proximity 72887
that the director determines that the issuance of a single permit 72888
will not create a hazard to the public health or safety or the 72889
environment. 72890

(G) No person shall falsify or fail to keep or submit any 72891

plans, specifications, data, reports, records, manifests, or other 72892
information required to be kept or submitted to the director by 72893
this chapter or the rules adopted under it. 72894

(H)(1) Each person who holds an installation and operation 72895
permit issued under this section and who wishes to obtain a permit 72896
renewal shall submit a completed application for an installation 72897
and operation permit renewal and any necessary accompanying 72898
general plans, detail plans, specifications, and such information 72899
as the director may require to the director no later than one 72900
hundred eighty days prior to the expiration date of the existing 72901
permit or upon a later date prior to the expiration of the 72902
existing permit if the permittee can demonstrate good cause for 72903
the late submittal. The director shall consider the application 72904
and accompanying information, inspection reports of the facility, 72905
results of performance tests, a report regarding the facility's 72906
compliance or noncompliance with the terms and conditions of its 72907
permit and rules adopted by the director under this chapter, and 72908
such other information as is relevant to the operation of the 72909
facility and shall issue a draft renewal permit or a notice of 72910
intent to deny the renewal permit. The director, in accordance 72911
with rules adopted under this section or with rules adopted to 72912
implement Chapter 3745. of the Revised Code, shall give public 72913
notice of the application and draft renewal permit or notice of 72914
intent to deny the renewal permit, provide for the opportunity for 72915
public comments within a specified time period, schedule a public 72916
meeting in the county in which the facility is located if 72917
significant interest is shown, and give public notice of the 72918
public meeting. 72919

(2) Within sixty days after the public meeting or close of 72920
the public comment period, the director, without prior hearing, 72921
shall issue or deny the renewal permit in accordance with Chapter 72922
3745. of the Revised Code. The director shall not issue a renewal 72923

permit unless the director determines that the facility under the 72924
existing permit has a history of compliance with this chapter, 72925
rules adopted under it, the existing permit, or orders entered to 72926
enforce such requirements that demonstrates sufficient 72927
reliability, expertise, and competency to operate the facility 72928
henceforth under this chapter, rules adopted under it, and the 72929
renewal permit. If the director approves an application for a 72930
renewal permit, the director shall issue the permit subject to the 72931
payment of the annual permit fee required under division (E) of 72932
section 3734.02 of the Revised Code and upon such terms and 72933
conditions as the director finds are reasonable to ensure that 72934
continued operation, maintenance, closure, and post-closure care 72935
of the hazardous waste facility are in accordance with the rules 72936
adopted under section 3734.12 of the Revised Code. 72937

(3) An installation and operation permit renewal application 72938
submitted to the director that also contains or would constitute 72939
an application for a modification shall be acted upon by the 72940
director in accordance with division (I) of this section in the 72941
same manner as an application for a modification. In approving or 72942
disapproving the renewal portion of a permit renewal application 72943
containing an application for a modification, the director shall 72944
apply the criteria established under division (H)(2) of this 72945
section. 72946

(4) An application for renewal or modification of a permit 72947
that does not contain an application for a modification as 72948
described in divisions (I)(3)(a) to (d) of this section shall not 72949
be subject to division (D)(2) of this section. 72950

(I)(1) As used in this section, "modification" means a change 72951
or alteration to a hazardous waste facility or its operations that 72952
is inconsistent with or not authorized by its existing permit or 72953
authorization to operate. Modifications shall be classified as 72954
Class 1, 2, or 3 modifications in accordance with rules adopted 72955

under division (K) of this section. Modifications classified as 72956
Class 3 modifications, in accordance with rules adopted under that 72957
division, shall be further classified by the director as either 72958
Class 3 modifications that are to be approved or disapproved by 72959
the director under divisions (I)(3)(a) to (d) of this section or 72960
as Class 3 modifications that are to be approved or disapproved by 72961
the director under division (I)(5) of this section. Not later than 72962
thirty days after receiving a request for a modification under 72963
division (I)(4) of this section that is not listed in Appendix I 72964
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 72965
section, the director shall classify the modification and shall 72966
notify the owner or operator of the facility requesting the 72967
modification of the classification. Notwithstanding any other law 72968
to the contrary, a modification that involves the transfer of a 72969
hazardous waste facility installation and operation permit to a 72970
new owner or operator for any off-site facility as defined in 72971
section 3734.41 of the Revised Code shall be classified as a Class 72972
3 modification. The transfer of a hazardous waste facility 72973
installation and operation permit to a new owner or operator for a 72974
facility that is not an off-site facility shall be classified as a 72975
Class 1 modification requiring prior approval of the director. 72976

(2) Except as provided in section 3734.123 of the Revised 72977
Code, a hazardous waste facility installation and operation permit 72978
may be modified at the request of the director or upon the written 72979
request of the permittee only if any of the following applies: 72980

(a) The permittee desires to accomplish alterations, 72981
additions, or deletions to the permitted facility or to undertake 72982
alterations, additions, deletions, or activities that are 72983
inconsistent with or not authorized by the existing permit; 72984

(b) New information or data justify permit conditions in 72985
addition to or different from those in the existing permit; 72986

(c) The standards, criteria, or rules upon which the existing 72987

permit is based have been changed by new, amended, or rescinded 72988
standards, criteria, or rules, or by judicial decision after the 72989
existing permit was issued, and the change justifies permit 72990
conditions in addition to or different from those in the existing 72991
permit; 72992

(d) The permittee proposes to transfer the permit to another 72993
person. 72994

(3) The director shall approve or disapprove an application 72995
for a modification in accordance with division (D)(2) of this 72996
section and rules adopted under division (K) of this section for 72997
all of the following categories of Class 3 modifications: 72998

(a) Authority to conduct treatment, storage, or disposal at a 72999
site, location, or tract of land that has not been authorized for 73000
the proposed category of treatment, storage, or disposal activity 73001
by the facility's permit; 73002

(b) Modification or addition of a hazardous waste management 73003
unit, as defined in rules adopted under section 3734.12 of the 73004
Revised Code, that results in an increase in a facility's storage 73005
capacity of more than twenty-five per cent over the capacity 73006
authorized by the facility's permit, an increase in a facility's 73007
treatment rate of more than twenty-five per cent over the rate so 73008
authorized, or an increase in a facility's disposal capacity over 73009
the capacity so authorized. The authorized disposal capacity for a 73010
facility shall be calculated from the approved design plans for 73011
the disposal units at that facility. In no case during a five-year 73012
period shall a facility's storage capacity or treatment rate be 73013
modified to increase by more than twenty-five per cent in the 73014
aggregate without the director's approval in accordance with 73015
division (D)(2) of this section. Notwithstanding any provision of 73016
division (I) of this section to the contrary, a request for 73017
modification of a facility's annual total waste receipt limit 73018
shall be classified and approved or disapproved by the director 73019

under division (I)(5) of this section. 73020

(c) Authority to add any of the following categories of 73021
regulated activities not previously authorized at a facility by 73022
the facility's permit: storage at a facility not previously 73023
authorized to store hazardous waste, treatment at a facility not 73024
previously authorized to treat hazardous waste, or disposal at a 73025
facility not previously authorized to dispose of hazardous waste; 73026
or authority to add a category of hazardous waste management unit 73027
not previously authorized at the facility by the facility's 73028
permit. Notwithstanding any provision of division (I) of this 73029
section to the contrary, a request for authority to add or to 73030
modify an activity or a hazardous waste management unit for the 73031
purposes of performing a corrective action shall be classified and 73032
approved or disapproved by the director under division (I)(5) of 73033
this section. 73034

(d) Authority to treat, store, or dispose of waste types 73035
listed or characterized as reactive or explosive, in rules adopted 73036
under section 3734.12 of the Revised Code, or any acute hazardous 73037
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 73038
previously authorized to treat, store, or dispose of those types 73039
of wastes by the facility's permit unless the requested authority 73040
is limited to wastes that no longer exhibit characteristics 73041
meeting the criteria for listing or characterization as reactive 73042
or explosive wastes, or for listing as acute hazardous waste, but 73043
still are required to carry those waste codes as established in 73044
rules adopted under section 3734.12 of the Revised Code because of 73045
the requirements established in 40 C.F.R. 261(a) and (e), as 73046
amended, that is, the "mixture," "derived-from," or "contained-in" 73047
regulations. 73048

(4) A written request for a modification from the permittee 73049
shall be submitted to the director and shall contain such 73050
information as is necessary to support the request. Requests for 73051

modifications shall be acted upon by the director in accordance 73052
with this section and rules adopted under it. 73053

(5) Class 1 modification applications that require prior 73054
approval of the director, as provided in division (I)(1) of this 73055
section or as determined in accordance with rules adopted under 73056
division (K) of this section, Class 2 modification applications, 73057
and Class 3 modification applications that are not described in 73058
divisions (I)(3)(a) to (d) of this section shall be approved or 73059
disapproved by the director in accordance with rules adopted under 73060
division (K) of this section. The board of county commissioners of 73061
the county, the board of township trustees of the township, and 73062
the city manager or mayor of the municipal corporation in which a 73063
hazardous waste facility is located shall receive notification of 73064
any application for a modification for that facility and shall be 73065
considered as interested persons with respect to the director's 73066
consideration of the application. 73067

As used in division (I) of this section: 73068

(a) "Owner" means the person who owns a majority or 73069
controlling interest in a facility. 73070

(b) "Operator" means the person who is responsible for the 73071
overall operation of a facility. 73072

The director shall approve or disapprove an application for a 73073
Class 1 modification that requires the director's approval within 73074
sixty days after receiving the request for modification. The 73075
director shall approve or disapprove an application for a Class 2 73076
modification within three hundred days after receiving the request 73077
for modification. The director shall approve or disapprove an 73078
application for a Class 3 modification within three hundred 73079
sixty-five days after receiving the request for modification. 73080

(6) The approval or disapproval by the director of a Class 1 73081
modification application is not a final action that is appealable 73082

under Chapter 3745. of the Revised Code. The approval or 73083
disapproval by the director of a Class 2 modification or a Class 3 73084
modification is a final action that is appealable under that 73085
chapter. In approving or disapproving a request for a 73086
modification, the director shall consider all comments pertaining 73087
to the request that are received during the public comment period 73088
and the public meetings. The administrative record for appeal of a 73089
final action by the director in approving or disapproving a 73090
request for a modification shall include all comments received 73091
during the public comment period relating to the request for 73092
modification, written materials submitted at the public meetings 73093
relating to the request, and any other documents related to the 73094
director's action. 73095

(7) Notwithstanding any other provision of law to the 73096
contrary, a change or alteration to a hazardous waste facility 73097
described in division (E)(3)(a) or (b) of section 3734.02 of the 73098
Revised Code, or its operations, is a modification for the 73099
purposes of this section. An application for a modification at 73100
such a facility shall be submitted, classified, and approved or 73101
disapproved in accordance with divisions (I)(1) to (6) of this 73102
section in the same manner as a modification to a hazardous waste 73103
facility installation and operation permit. 73104

(J)(1) Except as provided in division (J)(2) of this section, 73105
an owner or operator of a hazardous waste facility that is 73106
operating in accordance with a permit by rule under rules adopted 73107
by the director under division (E)(3)(b) of section 3734.02 of the 73108
Revised Code shall submit either a hazardous waste facility 73109
installation and operation permit application for the facility or 73110
a modification application, whichever is required under division 73111
(J)(1)(a) or (b) of this section, within one hundred eighty days 73112
after the director has requested the application or upon a later 73113
date if the owner or operator demonstrates to the director good 73114

cause for the late submittal. 73115

(a) If the owner or operator does not have a hazardous waste 73116
facility installation and operation permit for any hazardous waste 73117
treatment, storage, or disposal activities at the facility, the 73118
owner or operator shall submit an application for such a permit to 73119
the director for the activities authorized by the permit by rule. 73120
Notwithstanding any other provision of law to the contrary, the 73121
director shall approve or disapprove the application for the 73122
permit in accordance with the procedures governing the approval or 73123
disapproval of permit renewals under division (H) of this section. 73124

cause for the late submittal. The application shall be accompanied 73149
by information necessary to support the request. The director 73150
shall approve or disapprove an application for a hazardous waste 73151
facility installation and operation permit in accordance with 73152

of this section, except that the director shall not disapprove an 73155
application for the thermal treatment activities on the basis of 73156
the criteria set forth in division (D)(2)(g) or (h) of this 73157
section. 73158

(3) As used in division (J) of this section: 73159

(a) "Modification application" means a request for a 73160

governing hazardous waste facility permitting and permit 73173
modifications adopted under the "Resource Conservation and 73174
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 73175
amended. 73176

For the purpose of determining the applicable license fee 73189
under divisions (A)(1) ~~and (2)~~, and (3) of this section, the 73190
authorized maximum daily waste receipt shall be the maximum amount 73191
of wastes the facility is authorized to receive daily that is 73192
established in the permit for the facility, and any modifications 73193
to that permit, issued under division (A)(2) or (3) of section 73194
3734.05 of the Revised Code; the annual license for the facility, 73195

operation of a solid waste facility. For the purpose of 73211
determining applicable license fees under this section, the 73212
authorized maximum daily waste receipt so stated shall be 73213
converted from cubic yards to tons as the unit of measurement 73214
based upon a conversion factor of three cubic yards per ton for 73215

license. 73270

(B) The board of health shall retain two thousand five 73271
hundred dollars of each license fee collected by the board under 73272

divisions (A)(1), (2), ~~and (3)~~, and (4) of this section or the 73273
entire amount of any such fee that is less than two thousand five 73274
hundred dollars. The moneys retained shall be paid into a special 73275
fund, which is hereby created in each health district, and used 73276
solely to administer and enforce the solid waste provisions of 73277
this chapter and the rules adopted under them, excluding the 73278
provisions governing scrap tires. The remainder of each license 73279
fee collected by the board shall be transmitted to the director 73280
within forty-five days after receipt of the fee. The director 73281
shall transmit these moneys to the treasurer of state to be 73282
credited to the general revenue fund. The board of health shall 73283
retain the entire amount of each fee collected under division 73284
(A)~~(4)~~(5) of this section, which moneys shall be paid into the 73285
special fund of the health district. 73286

(C)(1) Except as provided in divisions (C)(2) and (3) of this 73287
section, the annual fee for an infectious waste treatment facility 73288
license shall be in accordance with the following schedule: 73289

AVERAGE	ANNUAL	73290
DAILY WASTE	LICENSE	73291
RECEIPT (TONS)	FEE	73292
100 or less	\$ 5,000	73293
101 to 200	12,500	73294
201 to 500	30,000	73295
501 or more	60,000	73296

For the purpose of determining the applicable license fee 73297
under divisions (C)(1) and (2) of this section, the average daily 73298
waste receipt shall be the average amount of infectious wastes the 73299
facility is authorized to receive daily that is established in the 73300
permit for the facility, and any modifications to that permit, 73301
issued under division (B)(2)(b) or (d) of section 3734.05 of the 73302
Revised Code; or the annual license for the facility, and any 73303
revisions to that license, issued under division (B)(2)(a) of 73304

section 3734.05 of the Revised Code. If no average daily waste receipt is so established, the annual license fee is sixty thousand dollars under division (C)(1) of this section and thirty thousand dollars under division (C)(2) of this section.

(2) The annual license fee for an infectious waste treatment facility that is an incinerator is one-half the amount shown in division (C)(1) of this section.

(3) Fees levied under divisions (C)(1) and (2) of this section shall apply to private operators and to the state and its political subdivisions and shall be paid within thirty days after issuance of a license. The fee includes the cost of licensing, all inspections, and other costs associated with the administration of the infectious waste provisions of this chapter and rules adopted under them. Each such license shall specify that it is conditioned upon payment of the applicable fee to the board of health or the director, as appropriate, within thirty days after issuance of the license.

(4) The board of health shall retain two thousand five hundred dollars of each license fee collected by the board under divisions (C)(1) and (2) of this section. The moneys retained shall be paid into a special infectious waste fund, which is hereby created in each health district, and used solely to administer and enforce the infectious waste provisions of this chapter and the rules adopted under them. The remainder of each license fee collected by the board shall be transmitted to the director within forty-five days after receipt of the fee. The director shall transmit these moneys to the treasurer of state to be credited to the general revenue fund.

Sec. 3734.18. (A) As used in this section:

(1) "On-site facility" means a facility that treats or disposes of hazardous waste that is generated on the premises of

the facility. 73336

(2) "Off-site facility" means a facility that treats or 73337
disposes of hazardous waste that is generated off the premises of 73338
the facility. 73339

(3) "Satellite facility" means any of the following: 73340

(a) An on-site facility that also receives hazardous waste 73341
from other premises owned by the same person who generates the 73342
waste on the facility premises; 73343

(b) An off-site facility operated so that all of the 73344
hazardous waste it receives is generated on one or more premises 73345
owned by the person who owns the facility; 73346

(c) An on-site facility that also receives hazardous waste 73347
that is transported uninterruptedly and directly to the facility 73348
through a pipeline from a generator who is not the owner of the 73349
facility. 73350

(B) A treatment or disposal facility that is subject to the 73351
fees that are levied under this section may be both an on-site 73352
facility and an off-site facility. The determination of whether an 73353
on-site facility fee or an off-site facility fee is to be paid for 73354
a hazardous waste that is treated or disposed of at the facility 73355
shall be based on whether that hazardous waste was generated on or 73356
off the premises of the facility. 73357

(C) There are hereby levied fees on the disposal of hazardous 73358
waste to be collected according to the following schedule at each 73359
disposal facility to which a hazardous waste facility installation 73360
and operation permit or renewal of a permit has been issued under 73361
this chapter or that is operating in accordance with a permit by 73362
rule under rules adopted by the director of environmental 73363
protection: 73364

(1) For disposal facilities that are off-site facilities, 73365

fees shall be levied at the rate of four dollars and fifty cents 73366
per ton for hazardous waste disposed of by deep well injection and 73367
nine dollars per ton for hazardous waste disposed of by land 73368
application or landfilling. The owner or operator of the facility, 73369
as a trustee for the state, shall collect the fees and forward 73370
them to the director in accordance with rules adopted under this 73371
section. 73372

(2) For disposal facilities that are on-site or satellite 73373
facilities, fees shall be levied at the rate of two dollars per 73374
ton for hazardous waste disposed of by deep well injection and 73375
four dollars per ton for hazardous waste disposed of by land 73376
application or landfilling. The maximum annual disposal fee for an 73377
on-site disposal facility that disposes of one hundred thousand 73378
tons or less of hazardous waste in a year is twenty-five thousand 73379
dollars. The maximum annual disposal fee for an on-site facility 73380
that disposes of more than one hundred thousand tons of hazardous 73381
waste in a year by land application or landfilling is fifty 73382
thousand dollars, and the maximum annual fee for an on-site 73383
facility that disposes of more than one hundred thousand tons of 73384
hazardous waste in a year by deep well injection is one hundred 73385
thousand dollars. The maximum annual disposal fee for a satellite 73386
facility that disposes of one hundred thousand tons or less of 73387
hazardous waste in a year is thirty-seven thousand five hundred 73388
dollars, and the maximum annual disposal fee for a satellite 73389
facility that disposes of more than one hundred thousand tons of 73390
hazardous waste in a year is seventy-five thousand dollars, except 73391
that a satellite facility defined under division (A)(3)(b) of this 73392
section that receives hazardous waste from a single generation 73393
site is subject to the same maximum annual disposal fees as an 73394
on-site disposal facility. The owner or operator shall pay the fee 73395
to the director each year upon the anniversary of the date of 73396
issuance of the owner's or operator's installation and operation 73397
permit during the term of that permit and any renewal permit 73398

issued under division (H) of section 3734.05 of the Revised Code 73399
or on the anniversary of the date of a permit by rule. If payment 73400
is late, the owner or operator shall pay an additional ten per 73401
cent of the amount of the fee for each month that it is late. 73402

(D) There are hereby levied fees at the rate of two dollars 73403
per ton on hazardous waste that is treated at treatment facilities 73404
that are not on-site or satellite facilities to which a hazardous 73405
waste facility installation and operation permit or renewal of a 73406
permit has been issued under this chapter, whose owner or operator 73407
is operating in accordance with a permit by rule under rules 73408
adopted by the director, or that are not subject to the hazardous 73409
waste facility installation and operation permit requirements 73410
under rules adopted by the director. 73411

(E) There are hereby levied additional fees on the treatment 73412
and disposal of hazardous waste at the rate of ten per cent of the 73413
applicable fees prescribed in division (C) or (D) of this section 73414
for the purposes of paying the costs of municipal corporations and 73415
counties for conducting reviews of applications for hazardous 73416
waste facility installation and operation permits for proposed new 73417
or modified hazardous waste landfills within their boundaries, 73418
emergency response actions with respect to releases of hazardous 73419
waste from hazardous waste facilities within their boundaries, 73420
monitoring the operation of such hazardous waste facilities, and 73421
local waste management planning programs. The owner or operator of 73422
a facility located within a municipal corporation, as a trustee 73423
for the municipal corporation, shall collect the fees levied by 73424
this division and forward them to the treasurer of the municipal 73425
corporation or such officer as, by virtue of the charter, has the 73426
duties of the treasurer in accordance with rules adopted under 73427
this section. The owner or operator of a facility located in an 73428
unincorporated area, as a trustee of the county in which the 73429
facility is located, shall collect the fees levied by this 73430

division and forward them to the county treasurer of that county 73431
in accordance with rules adopted under this section. The owner or 73432
operator shall pay the fees levied by this division to the 73433
treasurer or such other officer of the municipal corporation or to 73434
the county treasurer each year upon the anniversary of the date of 73435
issuance of the owner's or operator's installation and operation 73436
permit during the term of that permit and any renewal permit 73437
issued under division (H) of section 3734.05 of the Revised Code 73438
or on the anniversary of the date of a permit by rule or the date 73439
on which the facility became exempt from hazardous waste facility 73440
installation and operation permit requirements under rules adopted 73441
by the director. If payment is late, the owner or operator shall 73442
pay an additional ten per cent of the amount of the fee for each 73443
month that the payment is late. 73444

Moneys received by a municipal corporation under this 73445
division shall be paid into a special fund of the municipal 73446
corporation and used exclusively for the purposes of conducting 73447
reviews of applications for hazardous waste facility installation 73448
and operation permits for new or modified hazardous waste 73449
landfills located or proposed within the municipal corporation, 73450
conducting emergency response actions with respect to releases of 73451
hazardous waste from facilities located within the municipal 73452
corporation, monitoring operation of such hazardous waste 73453
facilities, and conducting waste management planning programs 73454
within the municipal corporation through employees of the 73455
municipal corporation or pursuant to contracts entered into with 73456
persons or political subdivisions. Moneys received by a board of 73457
county commissioners under this division shall be paid into a 73458
special fund of the county and used exclusively for those purposes 73459
within the unincorporated area of the county through employees of 73460
the county or pursuant to contracts entered into with persons or 73461
political subdivisions. 73462

(F) As used in this section, "treatment" or "treated" does not include any method, technique, or process designed to recover energy or material resources from the waste or to render the waste amenable for recovery. The fees levied by division (D) of this section do not apply to hazardous waste that is treated and disposed of on the same premises or by the same person.

(G) The director, by rules adopted in accordance with Chapters 119. and 3745. of the Revised Code, shall prescribe any dates not specified in this section and procedures for collecting and forwarding the fees prescribed by this section and may prescribe other requirements that are necessary to carry out this section.

The director shall deposit the moneys collected under divisions (C) and (D) of this section ~~into one or more minority banks, as "minority bank" is defined in division (F)(1) of section 135.04 of the Revised Code,~~ to the credit of the hazardous waste facility management fund, which is hereby created in the state treasury, except that the director shall deposit to the credit of the underground injection control fund created in section 6111.046 of the Revised Code moneys in excess of fifty thousand dollars that are collected during a fiscal year under division (C)(2) of this section from the fee levied on the disposal of hazardous waste by deep well injection at an on-site disposal facility that disposes of more than one hundred thousand tons of hazardous waste in a year.

The environmental protection agency may use moneys in the hazardous waste facility management fund for administration of the hazardous waste program established under this chapter and, in accordance with this section, may request approval by the controlling board on an annual basis for that use ~~on an annual basis. In addition, the agency may use and pledge moneys in that fund for repayment of and for interest on any loans made by the~~

~~Ohio water development authority to the agency for the hazardous waste program established under this chapter without the necessity of requesting approval by the controlling board, which use and pledge shall have priority over any other use of the moneys in the fund and for the purposes specified in sections 3734.19 to 3734.27 of the Revised Code.~~

~~Until September 28, 1996, the director also may use moneys in the fund to pay the start up costs of administering Chapter 3746. of the Revised Code.~~

If moneys in the fund that the agency uses in accordance with this chapter are reimbursed by grants or other moneys from the United States government, the grants or other moneys shall be placed in the fund.

Before the agency makes any expenditure from the fund other than for repayment of and interest on any loan made by the Ohio water development authority to the agency ~~in accordance with this section~~, the controlling board shall approve the expenditure.

Sec. 3734.19. (A) If the legislative or executive authority of a municipal corporation, county, or township has evidence to indicate that locations within its boundaries once served as hazardous waste facilities or that significant quantities of hazardous waste were disposed of in solid waste facilities within its boundaries, it may file a formal written request with the director of environmental protection, accompanied by supporting evidence, to survey the locations or facilities.

Upon receipt of a request and a review of the evidence submitted with the request, the director shall conduct an investigation to determine if hazardous waste was actually treated, stored, or disposed of at the locations or facilities and, if so, to determine the nature and approximate quantity and types of the waste treated, stored, or disposed of at the

particular locations or facilities. In addition, the director 73526
shall determine whether the locations or facilities, because of 73527
their present condition and the nature and quantities of waste 73528
treated, stored, or disposed of therein, result or are likely to 73529
result in air pollution, pollution of the waters of the state, or 73530
soil contamination or constitute a present or imminent and 73531
substantial threat to public health or safety. The director shall 73532
report the findings of ~~his~~ the investigation to the municipal 73533
corporation, county, or township requesting the survey. 73534

For the purpose of conducting investigations under this 73535
section, the director or ~~his~~ the director's authorized 73536
representative may enter upon any public or private property. The 73537
director or ~~his~~ the director's authorized representative may apply 73538
for, and any judge of a court of common pleas shall issue, an 73539
appropriate search warrant necessary to achieve the purposes of 73540
this section within the court's territorial jurisdiction. When 73541
conducting investigations under this section, the director shall 73542
cause no unnecessary damage to any property. The director may 73543
expend moneys from the hazardous waste facility management fund 73544
created in section 3734.18 of the Revised Code, the hazardous 73545
waste clean-up fund created in section 3734.28 of the Revised 73546
Code, or the environmental protection remediation fund created in 73547
section 3734.281 of the Revised Code for conducting 73548
investigations. 73549

(B) As used in this section and in sections 3734.20, 3734.21, 73550
3734.23, 3734.25, and 3734.26 of the Revised Code, "soil 73551
contamination" means the presence in or on the soil of any 73552
hazardous waste or hazardous waste residue resulting from the 73553
discharge, deposit, injection, dumping, spilling, leaking, 73554
emitting, or placing into or on the soil of hazardous waste or 73555
hazardous waste residue, or any material that when discharged, 73556
deposited, injected, dumped, spilled, leaked, emitted, or placed 73557

into or on the soil becomes a hazardous waste, in any quantity or 73558
having any characteristics that are or threaten to be injurious to 73559
public health or safety, plant or animal life, or the environment 73560
or that unreasonably interfere with the comfortable enjoyment of 73561
life or property. 73562

Sec. 3734.20. (A) If the director of environmental protection 73563
has reason to believe that hazardous waste was treated, stored, or 73564
disposed of at any location within the state, the director may 73565
conduct such investigations and make such inquiries, including 73566
obtaining samples and examining and copying records, as are 73567
reasonable or necessary to determine if conditions at a hazardous 73568
waste facility, solid waste facility, or other location where the 73569
director has reason to believe hazardous waste was treated, 73570
stored, or disposed of constitute a substantial threat to public 73571
health or safety or are causing or contributing to or threatening 73572
to cause or contribute to air or water pollution or soil 73573
contamination. The director or the director's authorized 73574
representative may apply for, and any judge of a court of common 73575
pleas shall issue, an appropriate search warrant necessary to 73576
achieve the purposes of this section within the court's 73577
territorial jurisdiction. The director may expend moneys from the 73578
hazardous waste facility management fund created in section 73579
3734.18 of the Revised Code, the hazardous waste clean-up fund 73580
created in section 3734.28 of the Revised Code, or the 73581
environmental protection remediation fund created in section 73582
3734.281 of the Revised Code for conducting investigations under 73583
this section. 73584

(B) If the director determines that conditions at a hazardous 73585
waste facility, solid waste facility, or other location where 73586
hazardous waste was treated, stored, or disposed of constitute a 73587
substantial threat to public health or safety or are causing or 73588
contributing to or threatening to cause or contribute to air or 73589

water pollution or soil contamination, the director shall initiate 73590
appropriate action under this chapter or Chapter 3704. or 6111. of 73591
the Revised Code or seek any other appropriate legal or equitable 73592
remedies to abate the pollution or contamination or to protect 73593
public health or safety. 73594

If an order of the director to abate or prevent air or water 73595
pollution or soil contamination or to remedy a threat to public 73596
health or safety caused by conditions at such a facility issued 73597
pursuant to this chapter or Chapter 3704. or 6111. of the Revised 73598
Code is not wholly complied with within the time prescribed in the 73599
order, the director may, through officers or employees of the 73600
environmental protection agency or through contractors employed 73601
for that purpose in accordance with the bidding procedure 73602
established in division (C) of section 3734.23 of the Revised 73603
Code, enter upon the facility and perform those measures necessary 73604
to abate or prevent air or water pollution or soil contamination 73605
from the facility or to protect public health or safety, 73606
including, but not limited to, measures prescribed in division (B) 73607
of section 3734.23 of the Revised Code. The director shall keep an 73608
itemized record of the cost of the investigation and measures 73609
performed, including costs for labor, materials, and any contract 73610
services required. Upon completion of the investigation or 73611
measures, the director shall record the cost of performing those 73612
measures at the office of the county recorder of the county in 73613
which the facility is located. The cost so recorded constitutes a 73614
lien against the property on which the facility is located until 73615
discharged. Upon written request of the director, the attorney 73616
general shall institute a civil action to recover the cost. Any 73617
moneys so received shall be credited to the hazardous waste 73618
facility management fund, the hazardous waste clean-up fund, or 73619
the environmental protection remediation fund, as applicable. 73620

When entering upon a facility under this division, the 73621

director shall perform or cause to be performed only those 73622
measures necessary to abate or prevent air or water pollution or 73623
soil contamination caused by conditions at the facility or to 73624
abate threats to public health or safety caused by conditions at 73625
the facility. For this purpose the director may expend moneys from 73626
~~either the hazardous waste facility management fund, the hazardous~~ 73627
~~waste clean-up fund, or the environmental protection remediation~~ 73628
fund and may expend moneys from loans from the Ohio water 73629
development authority to the environmental protection agency that 73630
pledge moneys from ~~either the hazardous waste facility management~~ 73631
~~fund, the hazardous waste clean-up fund, or the environmental~~ 73632
~~protection remediation~~ fund for the repayment of and for the 73633
interest on such loans. 73634

Sec. 3734.21. (A) The director of environmental protection 73635
may expend moneys credited to the hazardous waste facility 73636
management fund created in section 3734.18 of the Revised Code, 73637
the hazardous waste clean-up fund created in section 3734.28 of 73638
the Revised Code, or the environmental protection remediation fund 73639
created in section 3734.281 of the Revised Code for the payment of 73640
the cost of measures necessary for the proper closure of hazardous 73641
waste facilities or any solid waste facilities containing 73642
significant quantities of hazardous waste, for the payment of 73643
costs of the development and construction of suitable hazardous 73644
waste facilities required by division (B) of section 3734.23 of 73645
the Revised Code to the extent the director determines that such 73646
facilities are not available, and for the payment of costs that 73647
are necessary to abate conditions thereon that are causing or 73648
contributing to or threatening to cause or contribute to air or 73649
water pollution or soil contamination or that constitute a 73650
substantial threat to public health or safety. In addition, the 73651
director may expend and pledge moneys credited to ~~either the~~ 73652
hazardous waste facility management fund, the hazardous waste 73653

clean-up fund, or the environmental protection remediation fund 73654
for repayment of and for interest on any loan made by the Ohio 73655
water development authority to the environmental protection agency 73656
for the payment of such costs. 73657

(B) Before beginning to clean up any facility under this 73658
section, the director shall develop a plan for the cleanup and an 73659
estimate of the cost thereof. The plan shall include only those 73660
measures necessary to abate conditions thereon that are causing or 73661
contributing to or threatening to cause or contribute to air or 73662
water pollution or soil contamination or that constitute a 73663
substantial threat to public health or safety, including, but not 73664
limited to, establishment and maintenance of an adequate cover of 73665
soil and vegetation on any facility for the burial of hazardous 73666
waste to prevent the infiltration of water into cells where 73667
hazardous waste is buried, the accumulation or runoff of 73668
contaminated surface water, the production of leachate, and air 73669
emissions of hazardous waste; the collection and treatment of 73670
contaminated surface water runoff; the collection and treatment of 73671
leachate; or, if conditions so require, the removal of hazardous 73672
waste from the facility and the treatment or disposal of the waste 73673
at a suitable hazardous waste facility. The plan or any part of 73674
the plan for the cleanup of the facility shall be carried out by 73675
entering into contracts therefor in accordance with the procedures 73676
established in division (C) of section 3734.23 of the Revised 73677
Code. 73678

Sec. 3734.22. Before beginning to clean up any facility under 73679
section 3734.21 of the Revised Code, the director of environmental 73680
protection shall endeavor to enter into an agreement with the 73681
owner of the land on which the facility is located, or with the 73682
owner of the facility, specifying the measures to be performed and 73683
authorizing the director, employees of the agency, or contractors 73684
retained by the director to enter upon the land and perform the 73685

specified measures. 73686

Each agreement may contain provisions for the reimbursement 73687
of the state for the costs of the cleanup. 73688

All reimbursements and payments shall be credited to the 73689
hazardous waste facility management fund created in section 73690
3734.18 of the Revised Code, the hazardous waste clean-up fund 73691
created in section 3734.28 of the Revised Code, or the 73692
environmental protection remediation fund created in section 73693
3734.281 of the Revised Code, as applicable. 73694

The agreement may require the owner to execute an easement 73695
whereby the director, an authorized employee of the agency, or a 73696
contractor employed by the agency in accordance with the bidding 73697
procedure established in division (C) of section 3734.23 of the 73698
Revised Code may enter upon the facility to sample, repair, or 73699
reconstruct air and water quality monitoring equipment constructed 73700
under the agreement. Such easements shall be for a specified 73701
period of years and may be extinguished by agreement between the 73702
owner and the director. When necessary to protect the public 73703
health or safety, the agreement may require the owner to enter 73704
into an environmental covenant with the director in accordance 73705
with sections 5301.80 to 5301.92 of the Revised Code. 73706

Upon a breach of the reimbursement provisions of the 73707
agreement by the owner of the land or facility, or upon 73708
notification to the director by the owner that the owner is unable 73709
to perform the duties under the reimbursement provisions of the 73710
agreement, the director may record the unreimbursed portion of the 73711
costs of cleanup at the office of the county recorder of the 73712
county in which the facility is located. The costs so recorded 73713
constitute a lien against the property on which the facility is 73714
located until discharged. Upon written request of the director, 73715
the attorney general shall institute a civil action to recover the 73716
unreimbursed portion of the costs of cleanup. Any moneys so 73717

recovered shall be credited to the hazardous waste facility management fund, the hazardous waste clean-up fund, or the environmental protection remediation fund, as applicable.

Sec. 3734.23. (A) The director of environmental protection may acquire by purchase, gift, donation, contribution, or appropriation in accordance with sections 163.01 to 163.21 of the Revised Code any hazardous waste facility or any solid waste facility containing significant quantities of hazardous waste that, because of its condition and the types and quantities of hazardous waste contained in the facility, constitutes an imminent and substantial threat to public health or safety or results in air pollution, pollution of the waters of the state, or soil contamination. For this purpose and for the purposes of division (B) of this section, the director may expend moneys from the hazardous waste facility management fund created in section 3734.18 of the Revised Code, the hazardous waste clean-up fund created in section 3734.28 of the Revised Code, or the environmental protection remediation fund created in section 3734.281 of the Revised Code and may expend moneys from loans from the Ohio water development authority to the environmental protection agency that pledge moneys from ~~either~~ the hazardous waste facility management fund, the hazardous waste clean-up fund, or the environmental protection remediation fund for the repayment of and for the interest on such loans. Any lands or facilities purchased or acquired under this section shall be deeded to the state, but no deed shall be accepted or the purchase price paid until the title has been approved by the attorney general.

(B) The director shall, with respect to any land or facility acquired under this section or cleaned up under section 3734.20 of the Revised Code, perform closure or other measures necessary to abate conditions thereon that are causing or contributing to or threatening to cause or contribute to air or water pollution or

soil contamination or that constitute a substantial threat to 73750
public health or safety, including, but not limited to, 73751
establishment and maintenance of an adequate cover of soil and 73752
vegetation on any facility for the burial of hazardous waste to 73753
prevent the infiltration of water into cells where hazardous waste 73754
is buried, the accumulation or runoff of contaminated surface 73755
water, the production of leachate, and air emissions of hazardous 73756
waste; the collection and treatment of contaminated surface water 73757
runoff; the collection and treatment of leachate; or, if 73758
conditions so require, the removal of hazardous waste from the 73759
facility and the treatment or disposal of the waste at a suitable 73760
hazardous waste facility. After performing these measures, the 73761
director shall provide for the post-closure care, maintenance, and 73762
monitoring of facilities cleaned up under this section. 73763

(C) Before proceeding to clean up any facility under this 73764
section or section 3734.20 or 3734.21 of the Revised Code, the 73765
director shall develop a plan for the cleanup of the facility and 73766
an estimate of the cost thereof. The director may carry out the 73767
plan or any part of the plan by contracting for the services, 73768
construction, and repair necessary therefor. The director shall 73769
award each such contract to the lowest responsible bidder after 73770
sealed bids therefor are received, opened, and published at the 73771
time fixed by the director and notice of the time and place at 73772
which the sealed bids will be received, opened, and published has 73773
been published by the director in a newspaper of general 73774
circulation in the county in which the facility to be cleaned up 73775
under the contract is located at least once within the ten days 73776
before the opening of the bids. However, if after advertising for 73777
bids for the contract, no bids are received by the director at the 73778
time and place fixed for receiving them, the director may 73779
advertise again for bids, or the director may, if the director 73780
considers the public interest will best be served thereby, enter 73781
into a contract for the cleanup of the facility without further 73782

advertisement for bids. The director may reject any or all bids 73783
received and fix and publish again notice of the time and place at 73784
which bids for the contracts will be received, opened, and 73785
published. 73786

(D) The director shall keep an itemized record of the costs 73787
of any acquisition under division (A) of this section and the 73788
costs of cleanup under division (B) of this section. 73789

Sec. 3734.24. After the cleanup of a solid waste facility or 73790
a hazardous waste facility acquired and cleaned up under section 73791
3734.23 of the Revised Code, the director of environmental 73792
protection may, if the facility is suitable for use by any other 73793
state department, agency, office, or institution and if the 73794
proposed use of the facility is compatible with the condition of 73795
the facility as cleaned up, transfer the facility to that state 73796
department, agency, office, or institution. The director shall 73797
continue to provide for the post-closure care, maintenance, and 73798
monitoring of any such cleaned-up facility as required by section 73799
3734.23 of the Revised Code. 73800

If the director determines that any facility so cleaned up is 73801
suitable, because of its condition as cleaned up, for restricted 73802
or unrestricted use, the director may, with the approval of the 73803
attorney general, sell the facility if the sale is advantageous to 73804
the state. Prior to selling the cleaned-up facility, the director 73805
shall, when necessary to protect public health or safety, enter 73806
into an environmental covenant in accordance with sections 5301.80 73807
to 5301.92 of the Revised Code. When selling any such cleaned-up 73808
facility, the director shall retain the right to enter upon the 73809
facility, in person or by an authorized agent, to provide for the 73810
post-closure care, maintenance, and monitoring of the facility. 73811
The director shall provide for the post-closure care, maintenance, 73812
and monitoring of any such facility sold as required by section 73813

3734.23 of the Revised Code. 73814

With the approval of the attorney general, the director may 73815
grant easements or leases on any such cleaned-up facility if the 73816
director determines that the use of the facility under the 73817
easement or lease is compatible with its condition as cleaned up. 73818

Any moneys derived from the sale of such cleaned-up 73819
facilities or from payments from easements or leases shall be 73820
credited to the hazardous waste facility management fund created 73821
in section 3734.18 of the Revised Code, the hazardous waste 73822
clean-up fund created in section 3734.28 of the Revised Code, or 73823
the environmental protection remediation fund created in section 73824
3734.281 of the Revised Code, as applicable. 73825

Sec. 3734.25. (A) The director of environmental protection 73826
may make grants of moneys from the hazardous waste facility 73827
management fund created in section 3734.18 of the Revised Code or 73828
the hazardous waste clean-up fund created in section 3734.28 of 73829
the Revised Code for payment by the state of up to two-thirds of 73830
the reasonable and necessary expenses incurred by a municipal 73831
corporation, county, or township for the proper closure of or 73832
abatement of air or water pollution or soil contamination from a 73833
solid waste facility in which significant quantities of hazardous 73834
waste were disposed of and that the political subdivision owns and 73835
once operated. 73836

(B) A municipal corporation, county, or township shall submit 73837
an application for a grant on forms provided by the director, 73838
together with detail plans and specifications indicating the 73839
measures to be performed, an itemized estimate of the project's 73840
cost, a description of the project's benefits, and such other 73841
information as the director prescribes. The plan for closure or 73842
abatement of air or water pollution or soil contamination may be 73843
prepared in consultation with the director or the board of health 73844

of the city or general health district in which the facility is 73845
located. The director may award the applicant a grant only if the 73846
director finds that the proposed measures will provide for the 73847
proper closure of the facility and will abate or prevent air or 73848
water pollution or soil contamination, including, but not limited 73849
to, those measures necessary or desirable to: 73850

(1) In the case of a facility at which land burial of 73851
hazardous waste occurred, establish and maintain a suitable cover 73852
of soil and vegetation over the cells in which waste is buried in 73853
order to minimize erosion, the infiltration of surface water into 73854
the cells, the production of leachate, and the accumulation or 73855
runoff of contaminated surface waters and to prevent air emissions 73856
of hazardous waste from the facility; 73857

(2) Collect and treat contaminated surface water runoff from 73858
the facility; 73859

(3) Collect and treat leachate produced at the facility; 73860

(4) Install test wells and other equipment or facilities to 73861
monitor the quality of surface waters receiving runoff from the 73862
facility or to monitor air emissions of hazardous waste from the 73863
facility; 73864

(5) Regularly monitor and analyze surface water runoff from 73865
the facility, the quality of waters receiving the runoff, and 73866
ground water quality in the vicinity of the facility, and 73867
regularly monitor leachate collection and treatment systems 73868
installed under the grant and analyze samples from them; 73869

(6) Remove and dispose of hazardous waste from the facility 73870
at a suitable hazardous waste disposal facility where necessary to 73871
protect public health or safety or to prevent or abate air or 73872
water pollution or soil contamination. 73873

(C) The director shall determine the amount of the grant 73874
based upon the director's determination of what constitutes 73875

reasonable and necessary expenses for the proper closure of the 73876
facility or for the prevention or elimination of air or water 73877
pollution or soil contamination from the facility. In making a 73878
grant, the director shall enter into a contract with the municipal 73879
corporation, county, or township that owns the facility to ensure 73880
that the moneys granted are used for the purposes of this section 73881
and that measures performed are properly done. The final payment 73882
under a grant may not be made until the director inspects and 73883
approves the completed cleanup. 73884

The contract shall require the municipal corporation, county, 73885
or township to execute an easement whereby the director, an 73886
authorized employee of the agency, or a contractor employed by the 73887
director may enter upon the facility to sample, repair, or 73888
reconstruct air and water quality monitoring equipment constructed 73889
under the contract. Such easements shall be for a specified period 73890
of years and may be extinguished by agreement between the 73891
political subdivision and the director. 73892

When necessary to protect public health or safety, the 73893
contract may require the municipal corporation, county, or 73894
township to enter into an environmental covenant with the director 73895
in accordance with sections 5301.80 to 5301.92 of the Revised 73896
Code. 73897

Sec. 3734.26. (A) The director of environmental protection 73898
may make grants of moneys from the hazardous waste facility 73899
management fund created in section 3734.18 of the Revised Code or 73900
the hazardous waste clean-up fund created in section 3734.28 of 73901
the Revised Code to the owner, other than a political subdivision, 73902
of a solid waste facility in which significant quantities of 73903
hazardous waste were disposed of or a hazardous waste facility for 73904
up to fifty per cent of the cost of the reasonable and necessary 73905
expenses incurred for the proper closure of or abatement or 73906

prevention of air or water pollution or soil contamination from 73907
the facility and for developing the land on which it was located 73908
for use in industry, commerce, distribution, or research. 73909

The director shall not make grants to the owner of any land 73910
on which such facilities are located if the owner at any time 73911
owned or operated the facility located thereon for profit or in 73912
conjunction with any profit-making enterprise located in this 73913
state or to any person who at any time owned or operated a 73914
facility concerning which the director has taken action under 73915
section 3734.20, 3734.22, or 3734.23 of the Revised Code. However, 73916
the director may make grants under this section to any subsequent 73917
owner of the land, provided that the person has no affiliation 73918
with any person who owned or operated the facility located on the 73919
land for profit or in conjunction with any profit-making 73920
enterprise located in this state or who owned or operated a 73921
facility concerning which the director has taken action under 73922
section 3734.20, 3734.22, or 3734.23 of the Revised Code. 73923

(B) The owner shall submit an application for a grant on 73924
forms furnished by the director, together with detail plans and 73925
specifications for the measures to be performed to close the 73926
facility properly or to abate or prevent air or water pollution or 73927
soil contamination from the facility, an itemized estimate of the 73928
project's cost, a description of the project's estimated benefits, 73929
and such other information as the director prescribes. The plan 73930
may be prepared in consultation with the director or with the 73931
board of health of the city or general health district in which 73932
the facility is located. The director may award the applicant a 73933
grant only after finding that the proposed measures will provide 73934
for the proper closure of the facility or will abate or prevent 73935
air or water pollution or soil contamination from the facility, 73936
including, but not limited to, those measures necessary or 73937
desirable to: 73938

(1) In the case of a facility for the land burial of hazardous waste, establish and maintain a suitable cover of soil and vegetation over the cells in which waste is buried in order to minimize erosion, the infiltration of surface water into the cells, the production of leachate, and the accumulation or runoff of contaminated surface water and to prevent air emissions of hazardous waste from the facility;

(2) Collect and treat contaminated surface water runoff from the facility;

(3) Collect and treat leachate produced at the facility;

(4) Install test wells and other equipment or facilities to monitor the quality of surface waters receiving runoff from the facility or to monitor air emissions of hazardous waste from the facility;

(5) Regularly monitor and analyze surface water runoff from the facility, the quality of waters receiving the runoff, and ground water quality in the vicinity of the facility, and regularly monitor leachate collection and treatment systems installed under the grant and analyze samples from them;

(6) Remove and dispose of hazardous waste from the facility at a suitable hazardous waste disposal facility where necessary to protect public health or safety or to abate or prevent air or water pollution or soil contamination.

(C) The director shall determine the amount of the grant based upon the director's determination of what constitutes reasonable and necessary expenses for the proper closure of the facility or for the abatement or prevention of air or water pollution or soil contamination from the facility. The amount of the grant shall not exceed one-half of the total, as determined by the director, of what constitutes reasonable and necessary expenses actually incurred for the proper closure of or abatement

or prevention of air or water pollution or soil contamination from 73970
the facility. 73971

In making a grant, the director shall enter into a contract 73972
for funding with each applicant awarded a grant to ensure that the 73973
moneys granted are used for the purpose of this section and that 73974
the measures performed are properly performed. The final payment 73975
under a grant may not be made until the director inspects and 73976
approves the completed cleanup and the plans for developing the 73977
land for use in industry, commerce, distribution, or research. 73978

Each contract for funding shall contain provisions for the 73979
reimbursement of the state of a portion of the costs of the 73980
cleanup that is commensurate with the increase in the market value 73981
of the property attributable to the cleanup thereon, as determined 73982
by appraisals made before and after cleanup in the manner stated 73983
in the contract. For reimbursement of that portion, the contract 73984
may include provisions for: 73985

(1) Payment to the state of the share of the income derived 73986
from the productive use of the land; 73987

(2) Imposition of a lien in the amount of the increase in 73988
fair market value payable upon the transfer or conveyance to a new 73989
owner; 73990

(3) Waiver of all reimbursement if the determination 73991
discloses an increase in value that is insubstantial in comparison 73992
to the benefits to the public from the abatement of threats to 73993
public health or safety or from the abatement or prevention of 73994
pollution or contamination, considering the applicant's share of 73995
the cleanup cost. 73996

All reimbursements and payments shall be credited to the 73997
hazardous waste facility management fund or the hazardous waste 73998
clean-up fund ~~created in section 3734.28 of the Revised Code, as~~ 73999
applicable. 74000

(D) The contract shall require the owner to execute an easement whereby the director, an authorized employee of the agency, or a contractor employed by the agency may enter upon the facility to sample, repair, or reconstruct air and water quality monitoring equipment constructed under the contract. Such easements shall be for a specified period of years and may be extinguished by agreement between the owner and the director. When necessary to protect the public health or safety, the contract may require the owner to enter into an environmental covenant with the director in accordance with sections 5301.80 to 5301.92 of the Revised Code.

(E) As used in this section, "commerce" includes, but is not limited to, agriculture, forestry, and housing.

Sec. 3734.27. Before making grants from the hazardous waste facility management fund created in section 3734.18 of the Revised Code or the hazardous waste clean-up fund created in section 3734.28 of the Revised Code, the director of environmental protection shall consider each project application submitted by a political subdivision under section 3734.25 of the Revised Code, each application submitted by the owner of a facility under section 3734.26 of the Revised Code, and each facility surveyed under section 3734.19 of the Revised Code and, based upon the feasibility, cost, and public benefits of restoring the particular land and the availability of federal or other financial assistance for restoration, establish priorities for awarding grants from the fund.

trustee for the state. The amount of fees required to be collected 74146
under this division at such a disposal facility shall equal the 74147
total tonnage of solid wastes received at the facility that was 74148
not previously taken to a solid waste transfer facility located in 74149
this state multiplied by the fees levied under this division. Fees 74150
levied under this division do not apply to materials separated 74151
from a mixed waste stream for recycling by a generator or 74152
materials removed from the solid waste stream through recycling, 74153
as "recycling" is defined in rules adopted under section 3734.02 74154
of the Revised Code. 74155

The owner or operator of a solid waste transfer facility or 74156
disposal facility, as applicable, shall prepare and file with the 74157

director of environmental protection each month a return 74158
indicating the total tonnage of solid wastes received at the 74159
facility during that month and the total amount of the fees 74160
required to be collected under this division during that month. In 74161
addition, the owner or operator of a solid waste disposal facility 74162
shall indicate on the return the total tonnage of solid wastes 74163
received from transfer facilities located in this state during 74164
that month for which the fees were required to be collected by the 74165
transfer facilities. The monthly returns shall be filed on a form 74166
prescribed by the director. Not later than thirty days after the 74167
last day of the month to which a return applies, the owner or 74168
operator shall mail to the director the return for that month 74169
together with the fees required to be collected under this 74170
division during that month as indicated on the return or may 74171
submit the return and fees electronically in a manner approved by 74172
the director. If the return is filed and the amount of the fees 74173
due is paid in a timely manner as required in this division, the 74174
owner or operator may retain a discount of three-fourths of one 74175
per cent of the total amount of the fees that are required to be 74176
paid as indicated on the return. 74177

The owner or operator may request an extension of not more 74178
than thirty days for filing the return and remitting the fees, 74179
provided that the owner or operator has submitted such a request 74180
in writing to the director together with a detailed description of 74181
why the extension is requested, the director has received the 74182
request not later than the day on which the return is required to 74183
be filed, and the director has approved the request. If the fees 74184
are not remitted within thirty days after the last day of the 74185
month to which the return applies or are not remitted by the last 74186
day of an extension approved by the director, the owner or 74187
operator shall not retain the three-fourths of one per cent 74188
discount and shall pay an additional ten per cent of the amount of 74189
the fees for each month that they are late. For purposes of 74190

calculating the late fee, the first month in which fees are late 74191
begins on the first day after the deadline has passed for timely 74192
submitting the return and fees, and one additional month shall be 74193
counted every thirty days thereafter. 74194

The owner or operator of a solid waste facility may request a 74195
refund or credit of fees levied under this division and remitted 74196
to the director that have not been paid to the owner or operator. 74197
Such a request shall be made only if the fees have not been 74198
collected by the owner or operator, have become a debt that has 74199
become worthless or uncollectable for a period of six months or 74200
more, and may be claimed as a deduction, including a deduction 74201
claimed if the owner or operator keeps accounts on an accrual 74202
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 74203
U.S.C. 166, as amended, and regulations adopted under it. Prior to 74204
making a request for a refund or credit, an owner or operator 74205
shall make reasonable efforts to collect the applicable fees. A 74206
request for a refund or credit shall not include any costs 74207
resulting from those efforts to collect unpaid fees. 74208

A request for a refund or credit of fees shall be made in 74209
writing, on a form prescribed by the director, and shall be 74210
supported by evidence that may be required in rules adopted by the 74211
director under this chapter. After reviewing the request, and if 74212
the request and evidence submitted with the request indicate that 74213
a refund or credit is warranted, the director shall grant a refund 74214
to the owner or operator or shall permit a credit to be taken by 74215
the owner or operator on a subsequent monthly return submitted by 74216
the owner or operator. The amount of a refund or credit shall not 74217
exceed an amount that is equal to ninety days' worth of fees owed 74218
to an owner or operator by a particular debtor of the owner or 74219
operator. A refund or credit shall not be granted by the director 74220
to an owner or operator more than once in any twelve-month period 74221
for fees owed to the owner or operator by a particular debtor. 74222

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or allow such payment regardless of whether the contract was entered prior to or after the effective date of this amendment. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the following activities:

(1) The disposal at a solid waste disposal facility located 74255
in the district of solid wastes generated within the district; 74256

(2) The disposal at a solid waste disposal facility within 74257
the district of solid wastes generated outside the boundaries of 74258
the district, but inside this state; 74259

(3) The disposal at a solid waste disposal facility within 74260
the district of solid wastes generated outside the boundaries of 74261
this state. 74262

The solid waste management plan of the county or joint 74263
district approved under section 3734.521 or 3734.55 of the Revised 74264
Code and any amendments to it, or the resolution adopted under 74265
this division, as appropriate, shall establish the rates of the 74266
fees levied under divisions (B)(1), (2), and (3) of this section, 74267
if any, and shall specify whether the fees are levied on the basis 74268
of tons or cubic yards as the unit of measurement. A solid waste 74269
management district that levies fees under this division on the 74270
basis of cubic yards shall do so in accordance with division (A) 74271
of this section. 74272

The fee levied under division (B)(1) of this section shall be 74273
not less than one dollar per ton nor more than two dollars per 74274
ton, the fee levied under division (B)(2) of this section shall be 74275
not less than two dollars per ton nor more than four dollars per 74276
ton, and the fee levied under division (B)(3) of this section 74277
shall be not more than the fee levied under division (B)(1) of 74278
this section. 74279

Prior to the approval of the solid waste management plan of a 74280
district under section 3734.55 of the Revised Code, the solid 74281
waste management policy committee of a district may levy fees 74282
under this division by adopting a resolution establishing the 74283
proposed amount of the fees. Upon adopting the resolution, the 74284
committee shall deliver a copy of the resolution to the board of 74285

county commissioners of each county forming the district and to 74286
the legislative authority of each municipal corporation and 74287
township under the jurisdiction of the district and shall prepare 74288
and publish the resolution and a notice of the time and location 74289
where a public hearing on the fees will be held. Upon adopting the 74290
resolution, the committee shall deliver written notice of the 74291
adoption of the resolution; of the amount of the proposed fees; 74292
and of the date, time, and location of the public hearing to the 74293
director and to the fifty industrial, commercial, or institutional 74294
generators of solid wastes within the district that generate the 74295
largest quantities of solid wastes, as determined by the 74296
committee, and to their local trade associations. The committee 74297
shall make good faith efforts to identify those generators within 74298
the district and their local trade associations, but the 74299
nonprovision of notice under this division to a particular 74300
generator or local trade association does not invalidate the 74301
proceedings under this division. The publication shall occur at 74302
least thirty days before the hearing. After the hearing, the 74303
committee may make such revisions to the proposed fees as it 74304
considers appropriate and thereafter, by resolution, shall adopt 74305
the revised fee schedule. Upon adopting the revised fee schedule, 74306
the committee shall deliver a copy of the resolution doing so to 74307
the board of county commissioners of each county forming the 74308
district and to the legislative authority of each municipal 74309
corporation and township under the jurisdiction of the district. 74310
Within sixty days after the delivery of a copy of the resolution 74311
adopting the proposed revised fees by the policy committee, each 74312
such board and legislative authority, by ordinance or resolution, 74313
shall approve or disapprove the revised fees and deliver a copy of 74314
the ordinance or resolution to the committee. If any such board or 74315
legislative authority fails to adopt and deliver to the policy 74316
committee an ordinance or resolution approving or disapproving the 74317
revised fees within sixty days after the policy committee 74318

delivered its resolution adopting the proposed revised fees, it 74319
shall be conclusively presumed that the board or legislative 74320
authority has approved the proposed revised fees. The committee 74321
shall determine if the resolution has been ratified in the same 74322
manner in which it determines if a draft solid waste management 74323
plan has been ratified under division (B) of section 3734.55 of 74324
the Revised Code. 74325

The committee may amend the schedule of fees levied pursuant 74326
to a resolution adopted and ratified under this division by 74327
adopting a resolution establishing the proposed amount of the 74328
amended fees. The committee may repeal the fees levied pursuant to 74329
such a resolution by adopting a resolution proposing to repeal 74330
them. Upon adopting such a resolution, the committee shall proceed 74331
to obtain ratification of the resolution in accordance with this 74332
division. 74333

Not later than fourteen days after declaring the new fees to 74334
be ratified or the fees to be repealed under this division, the 74335
committee shall notify by certified mail the owner or operator of 74336
each solid waste disposal facility that is required to collect the 74337
fees of the ratification and the amount of the fees or of the 74338
repeal of the fees. Collection of any fees shall commence or 74339
collection of repealed fees shall cease on the first day of the 74340
second month following the month in which notification is sent to 74341
the owner or operator. 74342

Fees levied under this division also may be established, 74343
amended, or repealed by a solid waste management policy committee 74344
through the adoption of a new district solid waste management 74345
plan, the adoption of an amended plan, or the amendment of the 74346
plan or amended plan in accordance with sections 3734.55 and 74347
3734.56 of the Revised Code or the adoption or amendment of a 74348
district plan in connection with a change in district composition 74349
under section 3734.521 of the Revised Code. 74350

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees

or amended fees levied under divisions (B)(1) to (3) of this 74384
section pursuant to the district's initial or amended plan as so 74385
approved or, if appropriate, the repeal of the district's fees by 74386
that initial or amended plan. Collection of any fees set forth in 74387
such a plan or amended plan shall commence on the first day of 74388
January immediately following the issuance of the notice. If such 74389
an initial or amended plan repeals a schedule of fees, collection 74390
of the fees shall cease on that first day of January. 74391

If, in the case of a change in district composition involving 74392
the withdrawal of a county from a joint district, the director 74393
completes the actions required under division (G)(1) or (3) of 74394
section 3734.521 of the Revised Code, as appropriate, less than 74395
forty-five days before the beginning of a calendar year, the 74396
director, on behalf of each of the districts resulting from the 74397
change that obtained the director's approval of an initial or 74398
amended plan in connection with the change proceedings, shall 74399
notify by certified mail the owner or operator of each solid waste 74400
disposal facility that is required to collect the district's fees 74401
that the change is to take effect on the first day of January 74402
immediately following the mailing of the notice and of the amount 74403
of the fees or amended fees levied under divisions (B)(1) to (3) 74404
of this section pursuant to the district's initial or amended plan 74405
as so approved or, if appropriate, the repeal of the district's 74406
fees by that initial or amended plan. Collection of any fees set 74407
forth in such a plan or amended plan shall commence on the first 74408
day of the second month following the month in which notification 74409
is sent to the owner or operator. If such an initial or amended 74410
plan repeals a schedule of fees, collection of the fees shall 74411
cease on the first day of the second month following the month in 74412
which notification is sent to the owner or operator. 74413

If the schedule of fees that a solid waste management 74414
district is levying under divisions (B)(1) to (3) of this section 74415

is amended or repealed, the fees in effect immediately prior to 74416
the amendment or repeal shall continue to be collected until 74417
collection of the amended fees commences or collection of the 74418
repealed fees ceases, as applicable, as specified in this 74419
division. In the case of a change in district composition, money 74420
so received from the collection of the fees of the former 74421
districts shall be divided among the resulting districts in 74422
accordance with division (B) of section 343.012 of the Revised 74423
Code and the agreements entered into under division (B) of section 74424
343.01 of the Revised Code to establish the former and resulting 74425
districts and any amendments to those agreements. 74426

For the purposes of the provisions of division (B) of this 74427
section establishing the times when newly established or amended 74428
fees levied by a district are required to commence and the 74429
collection of fees that have been amended or repealed is required 74430
to cease, "fees" or "schedule of fees" includes, in addition to 74431
fees levied under divisions (B)(1) to (3) of this section, those 74432
levied under section 3734.573 or 3734.574 of the Revised Code. 74433

(C) For the purposes of defraying the added costs to a 74434
municipal corporation or township of maintaining roads and other 74435
public facilities and of providing emergency and other public 74436
services, and compensating a municipal corporation or township for 74437
reductions in real property tax revenues due to reductions in real 74438
property valuations resulting from the location and operation of a 74439
solid waste disposal facility within the municipal corporation or 74440
township, a municipal corporation or township in which such a 74441
solid waste disposal facility is located may levy a fee of not 74442
more than twenty-five cents per ton on the disposal of solid 74443
wastes at a solid waste disposal facility located within the 74444
boundaries of the municipal corporation or township regardless of 74445
where the wastes were generated. 74446

The legislative authority of a municipal corporation or 74447

township may levy fees under this division by enacting an 74448
ordinance or adopting a resolution establishing the amount of the 74449
fees. Upon so doing the legislative authority shall mail a 74450
certified copy of the ordinance or resolution to the board of 74451
county commissioners or directors of the county or joint solid 74452
waste management district in which the municipal corporation or 74453
township is located or, if a regional solid waste management 74454
authority has been formed under section 343.011 of the Revised 74455
Code, to the board of trustees of that regional authority, the 74456
owner or operator of each solid waste disposal facility in the 74457
municipal corporation or township that is required to collect the 74458
fee by the ordinance or resolution, and the director of 74459
environmental protection. Although the fees levied under this 74460
division are levied on the basis of tons as the unit of 74461
measurement, the legislative authority, in its ordinance or 74462
resolution levying the fees under this division, may direct that 74463
the fees be levied on the basis of cubic yards as the unit of 74464
measurement based upon a conversion factor of three cubic yards 74465
per ton generally or one cubic yard per ton for baled wastes. 74466

Not later than five days after enacting an ordinance or 74467
adopting a resolution under this division, the legislative 74468
authority shall so notify by certified mail the owner or operator 74469
of each solid waste disposal facility that is required to collect 74470
the fee. Collection of any fee levied on or after March 24, 1992, 74471
shall commence on the first day of the second month following the 74472
month in which notification is sent to the owner or operator. 74473

(D)(1) The fees levied under divisions (A), (B), and (C) of 74474
this section do not apply to the disposal of solid wastes that: 74475

(a) Are disposed of at a facility owned by the generator of 74476
the wastes when the solid waste facility exclusively disposes of 74477
solid wastes generated at one or more premises owned by the 74478
generator regardless of whether the facility is located on a 74479

premises where the wastes are generated; 74480

~~(b) Are disposed of at facilities that exclusively dispose of 74481
wastes that are generated from the combustion of coal, or from the 74482
combustion of primarily coal in combination with scrap tires, that 74483
is not combined in any way with garbage at one or more regardless 74484
of whether the disposal facility is located on the premises owned 74485
by the generator where the wastes are generated. 74486~~

(2) Except as provided in section 3734.571 of the Revised 74487
Code, any fees levied under division (B)(1) of this section apply 74488
to solid wastes originating outside the boundaries of a county or 74489
joint district that are covered by an agreement for the joint use 74490
of solid waste facilities entered into under section 343.02 of the 74491
Revised Code by the board of county commissioners or board of 74492
directors of the county or joint district where the wastes are 74493
generated and disposed of. 74494

(3) When solid wastes, other than solid wastes that consist 74495
of scrap tires, are burned in a disposal facility that is an 74496
incinerator or energy recovery facility, the fees levied under 74497
divisions (A), (B), and (C) of this section shall be levied upon 74498
the disposal of the fly ash and bottom ash remaining after burning 74499
of the solid wastes and shall be collected by the owner or 74500
operator of the sanitary landfill where the ash is disposed of. 74501

(4) When solid wastes are delivered to a solid waste transfer 74502
facility, the fees levied under divisions (B) and (C) of this 74503
section shall be levied upon the disposal of solid wastes 74504
transported off the premises of the transfer facility for disposal 74505
and shall be collected by the owner or operator of the solid waste 74506
disposal facility where the wastes are disposed of. 74507

(5) The fees levied under divisions (A), (B), and (C) of this 74508
section do not apply to sewage sludge that is generated by a waste 74509
water treatment facility holding a national pollutant discharge 74510

elimination system permit and that is disposed of through 74511
incineration, land application, or composting or at another 74512
resource recovery or disposal facility that is not a landfill. 74513

(6) The fees levied under divisions (A), (B), and (C) of this 74514
section do not apply to solid wastes delivered to a solid waste 74515
composting facility for processing. When any unprocessed solid 74516
waste or compost product is transported off the premises of a 74517
composting facility and disposed of at a landfill, the fees levied 74518
under divisions (A), (B), and (C) of this section shall be 74519
collected by the owner or operator of the landfill where the 74520
unprocessed waste or compost product is disposed of. 74521

(7) When solid wastes that consist of scrap tires are 74522
processed at a scrap tire recovery facility, the fees levied under 74523
divisions (A), (B), and (C) of this section shall be levied upon 74524
the disposal of the fly ash and bottom ash or other solid wastes 74525
remaining after the processing of the scrap tires and shall be 74526
collected by the owner or operator of the solid waste disposal 74527
facility where the ash or other solid wastes are disposed of. 74528

(8) The director of environmental protection may issue an 74529
order exempting from the fees levied under this section solid 74530
wastes, including, but not limited to, scrap tires, that are 74531
generated, transferred, or disposed of as a result of a contract 74532
providing for the expenditure of public funds entered into by the 74533
administrator or regional administrator of the United States 74534
environmental protection agency, the director of environmental 74535
protection, or the director of administrative services on behalf 74536
of the director of environmental protection for the purpose of 74537
remediating conditions at a hazardous waste facility, solid waste 74538
facility, or other location at which the administrator or regional 74539
administrator or the director of environmental protection has 74540
reason to believe that there is a substantial threat to public 74541
health or safety or the environment or that the conditions are 74542

causing or contributing to air or water pollution or soil 74543
contamination. An order issued by the director of environmental 74544
protection under division (D)(8) of this section shall include a 74545
determination that the amount of the fees not received by a solid 74546
waste management district as a result of the order will not 74547
adversely impact the implementation and financing of the 74548
district's approved solid waste management plan and any approved 74549
amendments to the plan. Such an order is a final action of the 74550
director of environmental protection. 74551

(E) The fees levied under divisions (B) and (C) of this 74552
section shall be collected by the owner or operator of the solid 74553
waste disposal facility where the wastes are disposed of as a 74554
trustee for the county or joint district and municipal corporation 74555
or township where the wastes are disposed of. Moneys from the fees 74556
levied under division (B) of this section shall be forwarded to 74557
the board of county commissioners or board of directors of the 74558
district in accordance with rules adopted under division (H) of 74559
this section. Moneys from the fees levied under division (C) of 74560
this section shall be forwarded to the treasurer or such other 74561
officer of the municipal corporation as, by virtue of the charter, 74562
has the duties of the treasurer or to the fiscal officer of the 74563
township, as appropriate, in accordance with those rules. 74564

(F) Moneys received by the treasurer or other officer of the 74565
municipal corporation under division (E) of this section shall be 74566
paid into the general fund of the municipal corporation. Moneys 74567
received by the fiscal officer of the township under that division 74568
shall be paid into the general fund of the township. The treasurer 74569
or other officer of the municipal corporation or the township 74570
fiscal officer, as appropriate, shall maintain separate records of 74571
the moneys received from the fees levied under division (C) of 74572
this section. 74573

(G) Moneys received by the board of county commissioners or 74574

board of directors under division (E) of this section or section 74575
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 74576
shall be paid to the county treasurer, or other official acting in 74577
a similar capacity under a county charter, in a county district or 74578
to the county treasurer or other official designated by the board 74579
of directors in a joint district and kept in a separate and 74580
distinct fund to the credit of the district. If a regional solid 74581
waste management authority has been formed under section 343.011 74582
of the Revised Code, moneys received by the board of trustees of 74583
that regional authority under division (E) of this section shall 74584
be kept by the board in a separate and distinct fund to the credit 74585
of the district. Moneys in the special fund of the county or joint 74586
district arising from the fees levied under division (B) of this 74587
section and the fee levied under division (A) of section 3734.573 74588
of the Revised Code shall be expended by the board of county 74589
commissioners or directors of the district in accordance with the 74590

exclusively for the following purposes: 74593

(1) Preparation of the solid waste management plan of the 74594
district under section 3734.54 of the Revised Code, monitoring 74595

Code by the solid waste management policy committee; 74598

(2) Implementation of the approved solid waste management 74599

limitation, the development and implementation of solid waste 74601
recycling or reduction programs; 74602

(3) Providing financial assistance to boards of health within 74603
the district, if solid waste facilities are located within the 74604
district, for enforcement of this chapter and rules, orders, and 74605
terms and conditions of permits, licenses, and variances adopted 74606

or issued under it, other than the hazardous waste provisions of 74607
this chapter and rules adopted and orders and terms and conditions 74608
of permits issued under those provisions; 74609

(4) Providing financial assistance to each county within the 74610
district to defray the added costs of maintaining roads and other 74611
public facilities and of providing emergency and other public 74612
services resulting from the location and operation of a solid 74613
waste facility within the county under the district's approved 74614
solid waste management plan or amended plan; 74615

(5) Pursuant to contracts entered into with boards of health 74616
within the district, if solid waste facilities contained in the 74617
district's approved plan or amended plan are located within the 74618

district's approved solid waste management plan or amended plan; 74625

(7) Providing financial assistance to boards of health within 74626
the district for the enforcement of section 3734.03 of the Revised 74627
Code or to local law enforcement agencies having jurisdiction 74628
within the district for enforcing anti-littering laws and 74629
ordinances; 74630

(8) Providing financial assistance to boards of health of 74631
health districts within the district that are on the approved list 74632
under section 3734.08 of the Revised Code to defray the costs to 74633
the health districts for the participation of their employees 74634
responsible for enforcement of the solid waste provisions of this 74635
chapter and rules adopted and orders and terms and conditions of 74636
permits, licenses, and variances issued under those provisions in 74637

the training and certification program as required by rules 74638
adopted under division (L) of section 3734.02 of the Revised Code; 74639

(9) Providing financial assistance to individual municipal 74640
corporations and townships within the district to defray their 74641
added costs of maintaining roads and other public facilities and 74642
of providing emergency and other public services resulting from 74643
the location and operation within their boundaries of a 74644
composting, energy or resource recovery, incineration, or 74645
recycling facility that either is owned by the district or is 74646
furnishing solid waste management facility or recycling services 74647
to the district pursuant to a contract or agreement with the board 74648
of county commissioners or directors of the district; 74649

(10) Payment of any expenses that are agreed to, awarded, or 74650
ordered to be paid under section 3734.35 of the Revised Code and 74651
of any administrative costs incurred pursuant to that section. In 74652
the case of a joint solid waste management district, if the board 74653
of county commissioners of one of the counties in the district is 74654
negotiating on behalf of affected communities, as defined in that 74655
section, in that county, the board shall obtain the approval of 74656
the board of directors of the district in order to expend moneys 74657
for administrative costs incurred. 74658

Prior to the approval of the district's solid waste 74659
management plan under section 3734.55 of the Revised Code, moneys 74660
in the special fund of the district arising from the fees shall be 74661
expended for those purposes in the manner prescribed by the solid 74662
waste management policy committee by resolution. 74663

Notwithstanding division (G)(6) of this section as it existed 74664
prior to October 29, 1993, or any provision in a district's solid 74665
waste management plan prepared in accordance with division 74666
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 74667
prior to that date, any moneys arising from the fees levied under 74668
division (B)(3) of this section prior to January 1, 1994, may be 74669

expended for any of the purposes authorized in divisions (G)(1) to 74670
(10) of this section. 74671

(H) The director shall adopt rules in accordance with Chapter 74672
119. of the Revised Code prescribing procedures for collecting and 74673
forwarding the fees levied under divisions (B) and (C) of this 74674
section to the boards of county commissioners or directors of 74675
county or joint solid waste management districts and to the 74676
treasurers or other officers of municipal corporations and the 74677
fiscal officers of townships. The rules also shall prescribe the 74678
dates for forwarding the fees to the boards and officials and may 74679
prescribe any other requirements the director considers necessary 74680
or appropriate to implement and administer divisions (A), (B), and 74681
(C) of this section. 74682

Sec. 3734.577. Notwithstanding any section of the Revised 74683
Code to the contrary, no solid waste management district shall 74684
exempt a public sector commercial licensed hauler from a fee that 74685
is charged to private sector commercial licensed haulers by the 74686
solid waste management district. 74687

Sec. 3734.85. (A) On and after the effective date of the 74688
rules adopted under sections 3734.70, 3734.71, 3734.72, and 74689
3734.73 of the Revised Code, the director of environmental 74690
protection may take action under this section to abate 74691
accumulations of scrap tires. If the director determines that an 74692
accumulation of scrap tires constitutes a danger to the public 74693
health or safety or to the environment, the director shall issue 74694
an order under section 3734.13 of the Revised Code to the person 74695
responsible for the accumulation of scrap tires directing that 74696
person, within one hundred twenty days after the issuance of the 74697
order, to remove the accumulation of scrap tires from the premises 74698
on which it is located and transport the tires to a scrap tire 74699
storage, monocell, monofill, or recovery facility licensed under 74700

section 3734.81 of the Revised Code, to such a facility in another 74701
state operating in compliance with the laws of the state in which 74702
it is located, or to any other solid waste disposal facility in 74703
another state that is operating in compliance with the laws of 74704
that state. If the person responsible for causing the accumulation 74705
of scrap tires is a person different from the owner of the land on 74706
which the accumulation is located, the director may issue such an 74707
order to the landowner. 74708

If the director is unable to ascertain immediately the 74709
identity of the person responsible for causing the accumulation of 74710
scrap tires, the director shall examine the records of the 74711
applicable board of health and law enforcement agencies to 74712
ascertain that person's identity. Before initiating any 74713
enforcement or removal actions under this division against the 74714
owner of the land on which the accumulation is located, the 74715
director shall initiate any such actions against the person that 74716
the director has identified as responsible for causing the 74717
accumulation of scrap tires. Failure of the director to make 74718
diligent efforts to ascertain the identity of the person 74719
responsible for causing the accumulation of scrap tires or to 74720
initiate an action against the person responsible for causing the 74721
accumulation shall not constitute an affirmative defense by a 74722
landowner to an enforcement action initiated by the director under 74723
this division requiring immediate removal of any accumulation of 74724
scrap tires. 74725

Upon the written request of the recipient of an order issued 74726
under this division, the director may extend the time for 74727
compliance with the order if the request demonstrates that the 74728
recipient has acted in good faith to comply with the order. If the 74729
recipient of an order issued under this division fails to comply 74730
with the order within one hundred twenty days after the issuance 74731
of the order or, if the time for compliance with the order was so 74732

extended, within that time, the director shall take such actions 74733
as the director considers reasonable and necessary to remove and 74734
properly manage the scrap tires located on the land named in the 74735
order. The director, through employees of the environmental 74736
protection agency or a contractor, may enter upon the land on 74737
which the accumulation of scrap tires is located and remove and 74738
transport them to a scrap tire recovery facility for processing, 74739
to a scrap tire storage facility for storage, or to a scrap tire 74740
monocell or monofill facility for storage or disposal. 74741

The director shall enter into contracts ~~with the owners or~~ 74742
~~operators of scrap tire storage, monocell, monofill, or recovery~~ 74743
~~facilities~~ for the storage, disposal, or processing of scrap tires 74744
removed through removal operations conducted under this section. 74745
~~In doing so, the director shall give preference to scrap tire~~ 74746
~~recovery facilities.~~ 74747

If a person to whom a removal order is issued under this 74748
division fails to comply with the order and if the director 74749
performs a removal action under this section, the person to whom 74750
the removal order is issued is liable to the director for the 74751
costs incurred by the director for conducting the removal 74752
operation, storage at a scrap tire storage facility, storage or 74753
disposal at a scrap tire monocell or monofill facility, or 74754
processing of the scrap tires so removed, the transportation of 74755
the scrap tires from the site of the accumulation to the scrap 74756
tire storage, monocell, monofill, or recovery facility where the 74757
scrap tires were stored, disposed of, or processed, and the 74758
administrative and legal expenses incurred by the director in 74759
connection with the removal operation. The director shall keep an 74760
itemized record of those costs. Upon completion of the actions for 74761
which the costs were incurred, the director shall record the costs 74762
at the office of the county recorder of the county in which the 74763
accumulation of scrap tires was located. The costs so recorded 74764

constitute a lien on the property on which the accumulation of 74765
scrap tires was located until discharged. Upon the written request 74766
of the director, the attorney general shall bring a civil action 74767
against the person responsible for the accumulation of the scrap 74768
tires that were the subject of the removal operation to recover 74769
the costs for which the person is liable under this division. Any 74770
money so received or recovered shall be credited to the scrap tire 74771
management fund created in section 3734.82 of the Revised Code. 74772

If, in a civil action brought under this division, an owner 74773
of real property is ordered to pay to the director the costs of a 74774
removal action that removed an accumulation of scrap tires from 74775
the person's land or if a lien is placed on the person's land for 74776
the costs of such a removal action, and, in either case, if the 74777
landowner was not the person responsible for causing the 74778
accumulation of scrap tires so removed, the landowner may bring a 74779
civil action against the person who was responsible for causing 74780
the accumulation to recover the amount of the removal costs that 74781
the court ordered the landowner to pay to the director or the 74782
amount of the removal costs certified to the county recorder as a 74783
lien on the landowner's property, whichever is applicable. If the 74784
landowner prevails in the civil action against the person who was 74785
responsible for causing the accumulation of scrap tires, the 74786
court, as it considers appropriate, may award to the landowner the 74787
reasonable attorney's fees incurred by the landowner for bringing 74788
the action, court costs, and other reasonable expenses incurred by 74789
the landowner in connection with the civil action. A landowner 74790
shall bring such a civil action within two years after making the 74791
final payment of the removal costs to the director pursuant to the 74792
judgment rendered against the landowner in the civil action 74793
brought under this division upon the director's request or within 74794
two years after the director certified the costs of the removal 74795
action to the county recorder, as appropriate. A person who, at 74796
the time that a removal action was conducted under this division, 74797

owned the land on which the removal action was performed may bring 74798
an action under this division to recover the costs of the removal 74799
action from the person responsible for causing the accumulation of 74800
scrap tires so removed regardless of whether the person owns the 74801
land at the time of bringing the action. 74802

Subject to the limitations set forth in division (G) of 74803
section 3734.82 of the Revised Code, the director may use moneys 74804
in the scrap tire management fund for conducting removal actions 74805
under this division. Any moneys recovered under this division 74806
shall be credited to the scrap tire management fund. 74807

(B) The director shall initiate enforcement and removal 74808
actions under division (A) of this section in accordance with the 74809
following descending listing of priorities: 74810

(1) Accumulations of scrap tires that the director finds 74811

(5) Any other accumulations of scrap tires present on 74819
premises operating without a valid license issued under section 74820
3734.05 or 3734.81 of the Revised Code. 74821

(C) The director shall not take enforcement and removal 74822

Revised Code that collects and holds scrap tires in a covered 74860

(D) Nothing in this section restricts any right any person 74863
may have under statute or common law to enforce or seek 74864
enforcement of any law applicable to the management of scrap 74865
tires, abate a nuisance, or seek any other appropriate relief. 74866

(E) An owner of real property upon which there is located an 74867
accumulation of not more than two thousand scrap tires is not 74868
liable under division (A) of this section for the cost of the 74869
removal of the scrap tires, and no lien shall attach to the 74870
property under this section, if all of the following conditions 74871
are met: 74872

(1) The tires were placed on the property after the owner 74873

Sec. 3734.901. (A)(1) For the purpose of providing revenue to 74892
defray the cost of administering and enforcing the scrap tire 74893
provisions of this chapter, rules adopted under those provisions, 74894

under those provisions; to abate accumulations of scrap tires; to 74896

tires and synthetic rubber from tire manufacturing processes and 74898
tire recycling processes and to support scrap tire amnesty and 74899
cleanup events; to make loans to promote the recycling or recovery 74900
of energy from scrap tires; and to defray the costs of 74901
administering and enforcing sections 3734.90 to 3734.9014 of the 74902
Revised Code, a fee of fifty cents per tire is hereby levied on 74903
the sale of tires. The proceeds of the fee shall be deposited in 74904
the state treasury to the credit of the scrap tire management fund 74905
created in section 3734.82 of the Revised Code. The fee is levied 74906
from the first day of the calendar month that begins next after 74907
thirty days from October 29, 1993, through June 30, ~~2011~~ 2013. 74908

(2) Beginning on ~~September 5, 2001~~ July 1, 2011, and ending 74909

shall be deposited in the state treasury to the credit of the 74912
~~scrap tire management fund and be used exclusively for the~~ 74913
~~purposes specified in division (C)(3) of that section until July~~ 74914
~~1, 2010, whereupon the proceeds shall be deposited in the state~~ 74915
~~treasury to the credit of the~~ soil and water conservation district 74916

(B) Only one sale of the same article shall be used in 74918

computing the amount of the fee due. 74919

Sec. 3735.36. When a metropolitan housing authority has 74920
acquired the property necessary for any project, it shall proceed 74921
to make plans and specifications for carrying out such project, 74922
and shall advertise for bids for all work ~~which~~ that it desires to 74923
have done by contract, such advertisements to be published as 74924
provided in section 7.16 of the Revised Code or once a week for 74925
two consecutive weeks in a newspaper of general circulation in the 74926
political subdivision in which the project is to be developed. The 74927
contract shall be awarded to the lowest and best bidder. 74928

Sec. 3735.66. The legislative authorities of municipal 74929
corporations and counties may survey the housing within their 74930
jurisdictions and, after the survey, may adopt resolutions 74931
describing the boundaries of community reinvestment areas which 74932
contain the conditions required for the finding under division (B) 74933
of section 3735.65 of the Revised Code. The findings resulting 74934
from the survey shall be incorporated in the resolution describing 74935
the boundaries of an area. The legislative authority may stipulate 74936
in the resolution that only new structures or remodeling 74937
classified as to use as commercial, industrial, or residential, or 74938
some combination thereof, and otherwise satisfying the 74939
requirements of section 3735.67 of the Revised Code are eligible 74940
for exemption from taxation under that section. If the resolution 74941
does not include such a stipulation, all new structures and 74942
remodeling satisfying the requirements of section 3735.67 of the 74943
Revised Code are eligible for exemption from taxation regardless 74944
of classification. Whether or not the resolution includes such a 74945
stipulation, the classification of the structures or remodeling 74946
eligible for exemption in the area shall at all times be 74947
consistent with zoning restrictions applicable to the area. For 74948
the purposes of sections 3735.65 to 3735.70 of the Revised Code, 74949

whether a structure or remodeling composed of multiple units is 74950
classified as commercial or residential shall be determined by 74951
resolution or ordinance of the legislative authority or, in the 74952
absence of such a determination, by the classification of the use 74953
of the structure or remodeling under the applicable zoning 74954
regulations. 74955

If construction or remodeling classified as residential is 74956
eligible for exemption from taxation, the resolution shall specify 74957
a percentage, not to exceed one hundred per cent, of the assessed 74958
valuation of such property to be exempted. The percentage 74959
specified shall apply to all residential construction or 74960
remodeling for which exemption is granted. 74961

The resolution adopted pursuant to this section shall be 74962
published in a newspaper of general circulation in the municipal 74963
corporation, if the resolution is adopted by the legislative 74964
authority of a municipal corporation, or in a newspaper of general 74965
circulation in the county, if the resolution is adopted by the 74966
legislative authority of the county, once a week for two 74967
consecutive weeks or as provided in section 7.16 of the Revised 74968
Code, immediately following its adoption. 74969

Each legislative authority adopting a resolution pursuant to 74970
this section shall designate a housing officer. In addition, each 74971
such legislative authority, not later than fifteen days after the 74972
adoption of the resolution, shall petition the director of 74973
development for the director to confirm the findings described in 74974
the resolution. The petition shall be accompanied by a copy of the 74975
resolution and by a map of the community reinvestment area in 74976
sufficient detail to denote the specific boundaries of the area 74977
and to indicate zoning restrictions applicable to the area. The 74978
director shall determine whether the findings contained in the 74979
resolution are valid, and whether the classification of structures 74980
or remodeling eligible for exemption under the resolution is 74981

consistent with zoning restrictions applicable to the area as 74982
indicated on the map. Within thirty days of receiving the 74983
petition, the director shall forward the director's determination 74984
to the legislative authority. The legislative authority or housing 74985
officer shall not grant any exemption from taxation under section 74986
3735.67 of the Revised Code until the director forwards the 74987
director's determination to the legislative authority. The 74988
director shall assign to each community reinvestment area a unique 74989
designation by which the area shall be identified for purposes of 74990

(E)(1) Each permit for a fireworks exhibition issued by a 75927

shall require the certified fire safety inspector, fire chief, or 75961
fire prevention officer to inspect the premises where the 75962
exhibition is to take place and determine whether the exhibition 75963
is in compliance with this chapter. 75964

(G) Notwithstanding any provision of the Revised Code to the 75965

including the use of pyrotechnic materials that do not meet the 75970
definition of fireworks as described in section 3743.01 of the 75971
Revised Code. Such licenses and permits and the fees for such 75972
licenses and permits shall be described in rules adopted by the 75973
fire marshal under Chapter 119. of the Revised Code. Such rules 75974
may provide for different standards for exhibitor licensure and 75975
the permitting and conducting of a fireworks exhibition than the 75976

the Revised Code or to comply with divisions (C) and (D) of that 75997
section. 75998

(D) No licensed exhibitor of fireworks shall conduct a 75999
fireworks exhibition unless a permit has been secured for the 76000

another person to, dismantle, reposition, or otherwise disturb any 76022
fireworks, associated equipment or materials, or other items 76023

the director or the board of health, as applicable. The commission 76056
may grant a request for the admission of additional evidence when 76057
satisfied that such additional evidence is newly discovered and 76058
could not with reasonable diligence have been ascertained prior to 76059
the hearing before the director or the board, as applicable. If no 76060
adjudication hearing was conducted in accordance with sections 76061
119.09 and 119.10 of the Revised Code or conducted by a board of 76062
health, the commission shall conduct a hearing de novo on the 76063
appeal. 76064

For the purpose of conducting a de novo hearing, or where the 76065
commission has granted a request for the admission of additional 76066
evidence, the commission may require the attendance of witnesses 76067
and the production of written or printed materials. 76068

the admission of any evidence and except to the rulings of the 76108
commission thereon, and if the commission refuses to admit 76109
evidence the party offering same may make a proffer thereof, and 76110
such proffer shall be made a part of the record of such hearing. 76111

Any party may request the stenographic or electronic record 76112
of the hearing. Promptly after receiving such a request, the 76113
commission shall prepare and provide the stenographic or 76114
electronic record of the hearing to the party who requested it. 76115
The commission may charge a fee to the party who requested the 76116
stenographic or electronic record that does not exceed the cost to 76117
the commission for preparing and transcribing or transmitting it. 76118

that the action appealed from was lawful and reasonable, it shall 76120
make a written order affirming the action, or if the commission 76121
finds that the action was unreasonable or unlawful, it shall make 76122
a written order vacating or modifying the action appealed from. 76123

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air

contaminant sources at the facility that include terms and 76319
conditions that lower the facility's potential to emit air 76320
contaminants below the major source thresholds established in 76321
rules adopted under section 3704.036 of the Revised Code. 76322

(b) Beginning January 1, 2000, through June 30, ~~2012~~ 2014, 76323
each person who owns or operates a synthetic minor facility shall 76324
pay an annual fee based on the sum of the actual annual emissions 76325
from the facility of particulate matter, sulfur dioxide, nitrogen 76326

(4) The fees assessed under division (D)(1) of this section 76343
shall be collected annually no sooner than the fifteenth day of 76344
April, commencing in 1995. The fees assessed under division (D)(2) 76345
of this section shall be collected annually no sooner than the 76346
fifteenth day of April, commencing in 2005. The fees assessed 76347
under division (D)(3) of this section shall be collected no sooner 76348
than the fifteenth day of April, commencing in 2000. The fees 76349
assessed under division (D) of this section in a calendar year 76350

shall be based upon the sum of the actual emissions of those 76351
regulated pollutants during the preceding calendar year. For the 76352
purpose of division (D) of this section, emissions of air 76353
contaminants may be calculated using engineering calculations, 76354
emission factors, material balance calculations, or performance 76355
testing procedures, as authorized by the director. The director, 76356
by rule, may require persons who are required to pay the fees 76357
assessed under division (D) of this section to pay those fees 76358
biennially rather than annually. 76359

(E)(1) Consistent with the need to cover the reasonable costs 76360
of the Title V permit program, the director annually shall 76361
increase the fees prescribed in division (C)(1) of this section by 76362
the percentage, if any, by which the consumer price index for the 76363
most recent calendar year ending before the beginning of a year 76364
exceeds the consumer price index for calendar year 1989. Upon 76365
calculating an increase in fees authorized by division (E)(1) of 76366
this section, the director shall compile revised fee schedules for 76367
the purposes of division (C)(1) of this section and shall make the 76368
revised schedules available to persons required to pay the fees 76369
assessed under that division and to the public. 76370

(2) For the purposes of division (E)(1) of this section: 76371

(a) The consumer price index for any year is the average of 76372
the consumer price index for all urban consumers published by the 76373
United States department of labor as of the close of the 76374
twelve-month period ending on the thirty-first day of August of 76375
that year. 76376

(b) If the 1989 consumer price index is revised, the director 76377
shall use the revision of the consumer price index that is most 76378
consistent with that for calendar year 1989. 76379

(F) Each person who is issued a permit to install pursuant to 76380
rules adopted under division (F) of section 3704.03 of the Revised 76381

Code on or after July 1, 2003, shall pay the fees specified in the following schedules:

division only applies to sources for which actual construction of 76513
the source begins on or after July 1, 1993. The imposition or 76514
payment of the fee established in this division does not preclude 76515
the director from taking any administrative or judicial 76516

discharge during a billing year, the director shall reduce the 76596
annual discharge fee, including the surcharge applicable to 76597
certain industrial facilities pursuant to division (L)(5)(c) of 76598
this section, by one-twelfth for each full month during the 76599

billing year that the source was not discharging, but only if the 76600
person holding the NPDES discharge permit for the source notifies 76601
the director in writing, not later than the first day of October 76602
of the billing year, of the circumstances causing the cessation of 76603
discharge. 76604

(iii) The annual discharge fee established in division 76605
(L)(5)(a)(i) of this section, except for the surcharge applicable 76606
to certain industrial facilities pursuant to division (L)(5)(c) of 76607

in gallons per day calculated using first day of May through 76609
thirty-first day of October flow data for the period two years 76610
prior to the date on which the fee is due. In the case of NPDES 76611
discharge permits for new sources, the fee shall be calculated 76612
using the average daily design flow of the facility until actual 76613
average daily discharge flow values are available for the time 76614
period specified in division (L)(5)(a)(iii) of this section. The 76615
annual discharge fee may be prorated for a new source as described 76616

(Y)(1) Except as provided in divisions (Y)(2), (3), and (4) 77151
of this section, each sewage sludge facility shall pay a 77152
nonrefundable annual sludge fee equal to three dollars and fifty 77153
cents per dry ton of sewage sludge, including the dry tons of 77154
sewage sludge in materials derived from sewage sludge, that the 77155
sewage sludge facility treats or disposes of in this state. The 77156
annual volume of sewage sludge treated or disposed of by a sewage 77157
sludge facility shall be calculated using the first day of January 77158
through the thirty-first day of December of the calendar year 77159
preceding the date on which payment of the fee is due. 77160

(2)(a) Except as provided in division (Y)(2)(d) of this 77161

section, each sewage sludge facility shall pay a minimum annual
sewage sludge fee of one hundred dollars. 77162
77163

(b) The annual sludge fee required to be paid by a sewage
sludge facility that treats or disposes of exceptional quality
sludge in this state shall be thirty-five per cent less per dry
ton of exceptional quality sludge than the fee assessed under
division (Y)(1) of this section, subject to the following
exceptions: 77164
77165
77166
77167
77168
77169

(i) Except as provided in division (Y)(2)(d) of this section,
a sewage sludge facility that treats or disposes of exceptional
quality sludge shall pay a minimum annual sewage sludge fee of one
hundred dollars. 77170
77171
77172
77173

(ii) A sewage sludge facility that treats or disposes of
exceptional quality sludge shall not be required to pay the annual
sludge fee for treatment or disposal in this state of exceptional
quality sludge generated outside of this state and contained in
bags or other containers not greater than one hundred pounds in
capacity. 77174
77175
77176
77177
77178
77179

A thirty-five per cent reduction for exceptional quality
sludge applies to the maximum annual fees established under
division (Y)(3) of this section. 77180
77181
77182

(c) A sewage sludge facility that transfers sewage sludge to
another sewage sludge facility in this state for further treatment
prior to disposal in this state shall not be required to pay the
annual sludge fee for the tons of sewage sludge that have been
transferred. In such a case, the sewage sludge facility that
disposes of the sewage sludge shall pay the annual sludge fee.
However, the facility transferring the sewage sludge shall pay the
one-hundred-dollar minimum fee required under division (Y)(2)(a)
of this section. 77183
77184
77185
77186
77187
77188
77189
77190
77191

In the case of a sewage sludge facility that treats sewage 77192

sludge in this state and transfers it out of this state to another 77193
entity for disposal, the sewage sludge facility in this state 77194
shall be required to pay the annual sludge fee for the tons of 77195
sewage sludge that have been transferred. 77196

(d) A sewage sludge facility that generates sewage sludge 77197
resulting from an average daily discharge flow of less than five 77198
thousand gallons per day is not subject to the fees assessed under 77199
division (Y) of this section. 77200

(3) No sewage sludge facility required to pay the annual 77201
sludge fee shall be required to pay more than the maximum annual 77202
fee for each disposal method that the sewage sludge facility uses. 77203
The maximum annual fee does not include the additional amount that 77204
may be charged under division (Y)(5) of this section for late 77205
payment of the annual sludge fee. The maximum annual fee for the 77206
following methods of disposal of sewage sludge is as follows: 77207

(a) Incineration: five thousand dollars; 77208

(b) Preexisting land reclamation project or disposal in a 77209
landfill: five thousand dollars; 77210

any other disposal method not specified in division (Y)(3)(a) or 77212
(b) of this section: twenty thousand dollars. 77213

(4)(a) In the case of an entity that generates sewage sludge 77214
or a sewage sludge facility that treats sewage sludge and 77215
transfers the sewage sludge to an incineration facility for 77216
disposal, the incineration facility, and not the entity generating 77217
the sewage sludge or the sewage sludge facility treating the 77218
sewage sludge, shall pay the annual sludge fee for the tons of 77219
sewage sludge that are transferred. However, the entity or 77220
facility generating or treating the sewage sludge shall pay the 77221
one-hundred-dollar minimum fee required under division (Y)(2)(a) 77222

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall

issue with the notification a new invoice to the person 77256
identifying the amount of the annual sludge fee assessed and 77257
stating the first day of July as the deadline for payment. 77258

Not later than the first day of July, any person who is 77259
required to do so shall pay the annual sludge fee. Any person who 77260
is required to pay the fee, but who fails to do so on or before 77261
that date shall pay an additional amount that equals ten per cent 77262
of the required annual sludge fee. 77263

(6) The director shall transmit all moneys collected under 77264
division (Y) of this section to the treasurer of state for deposit 77265
into the surface water protection fund created in section 6111.038 77266
of the Revised Code. The moneys shall be used to defray the costs 77267
of administering and enforcing provisions in Chapter 6111. of the 77268
Revised Code and rules adopted under it that govern the use, 77269
storage, treatment, or disposal of sewage sludge. 77270

(7) Beginning in fiscal year 2001, and every two years 77271
thereafter, the director shall review the total amount of moneys 77272
generated by the annual sludge fees to determine if that amount 77273
exceeded six hundred thousand dollars in either of the two 77274
preceding fiscal years. If the total amount of moneys in the fund 77275
exceeded six hundred thousand dollars in either fiscal year, the 77276
director, after review of the fee structure and consultation with 77277
affected persons, shall issue an order reducing the amount of the 77278
fees levied under division (Y) of this section so that the 77279
estimated amount of moneys resulting from the fees will not exceed 77280
six hundred thousand dollars in any fiscal year. 77281

If, upon review of the fees under division (Y)(7) of this 77282
section and after the fees have been reduced, the director 77283
determines that the total amount of moneys collected and 77284
accumulated is less than six hundred thousand dollars, the 77285
director, after review of the fee structure and consultation with 77286
affected persons, may issue an order increasing the amount of the 77287

fees levied under division (Y) of this section so that the 77288
estimated amount of moneys resulting from the fees will be 77289
approximately six hundred thousand dollars. Fees shall never be 77290
increased to an amount exceeding the amount specified in division 77291
(Y)(7) of this section. 77292

Notwithstanding section 119.06 of the Revised Code, the 77293
director may issue an order under division (Y)(7) of this section 77294
without the necessity to hold an adjudicatory hearing in 77295
connection with the order. The issuance of an order under this 77296
division is not an act or action for purposes of section 3745.04 77297
of the Revised Code. 77298

franchise permit fee fund under this chapter shall be paid to the 77564
general revenue fund of the state. As used in this chapter, 77566
"PASSPORT program" means the PASSPORT program created under 77567
section 173.40 of the Revised Code. 77568

The total amount paid to the Ohio thoroughbred race fund 77569
under this section and division (A) of section 3769.087 of the 77570
Revised Code shall not exceed by more than six per cent the total 77571
amount paid to this fund under this section and that section 77572
during the immediately preceding calendar year. 77573

Each year, the total amount calculated for payment into the 77574
Ohio fairs fund under this division, division (C) of this section, 77575
and division (A) of section 3769.087 of the Revised Code shall be 77576
an amount calculated using the percentages specified in this 77577
division, division (C) of this section, and division (A) of 77578
section 3769.087 of the Revised Code. 77579

A permit holder may contract with a thoroughbred horsemen's 77580
organization for the organization to act as a representative of 77581
all thoroughbred owners and trainers participating in a 77582
horse-racing meeting conducted by the permit holder. A 77583
"thoroughbred horsemen's organization" is any corporation or 77584
association that represents, through membership or otherwise, more 77585
than one-half of the aggregate of all thoroughbred owners and 77586
trainers who were licensed and actively participated in racing 77587
within this state during the preceding calendar year. Except as 77588
otherwise provided in this paragraph, any moneys received by a 77589
thoroughbred horsemen's organization shall be used exclusively for 77590
the benefit of thoroughbred owners and trainers racing in this 77591
state through the administrative purposes of the organization, 77592

benevolent activities on behalf of the horsemen, promotion of the horsemen's rights and interests, and promotion of equine research. A thoroughbred horsemen's organization may expend not more than an aggregate of five per cent of its annual gross receipts, or a larger amount as approved by the organization, for dues, assessments, and other payments to all other local, national, or international organizations having as their primary purposes the promotion of thoroughbred horse racing, thoroughbred horsemen's rights, and equine research.

(C) Except as otherwise provided in division (B) of this section, at the close of each racing day, each permit holder authorized to conduct harness or quarter horse racing, out of the amount retained that day by the permit holder, shall pay by check, draft, or money order to the tax commissioner, as a tax, a sum equal to the following percentages of the total of all moneys wagered on live racing programs and shall separately compute and pay by check, draft, or money order to the tax commissioner, as a tax, a sum equal to the following percentages of the total of all money wagered on simulcast racing programs on that day:

(1) One per cent of the first two hundred thousand dollars wagered, or any part of that amount;

(2) Two per cent of the next one hundred thousand dollars wagered, or any part of that amount;

(3) Three per cent of the next one hundred thousand dollars wagered, or any part of that amount;

(4) Four per cent of all sums over four hundred thousand dollars wagered.

Except as otherwise provided in division (B) and subject to division (M) of this section, from the moneys paid to the tax commissioner by permit holders authorized to conduct harness or quarter horse racing, one-half of one per cent of all moneys

wagered on that racing day shall be paid into the Ohio fairs fund; 77624
from the moneys paid to the tax commissioner by permit holders 77625
authorized to conduct harness racing, five-eighths of one per cent 77626
of all moneys wagered on that racing day shall be paid into the 77627
Ohio standardbred development fund; and from the moneys paid to 77628
the tax commissioner by permit holders authorized to conduct 77629
quarter horse racing, five-eighths of one per cent of all moneys 77630
wagered on that racing day shall be paid into the Ohio quarter 77631
horse development fund. 77632

(D) In addition, subject to division (M) of this section, 77633
beginning on January 1, 1996, from the money paid to the tax 77634
commissioner as a tax under this section and division (A) of 77635
section 3769.087 of the Revised Code by harness horse permit 77636
holders, one-half of one per cent of the amount wagered on a 77637
racing day shall be paid into the Ohio standardbred development 77638
fund. Beginning January 1, 1998, the payment to the Ohio 77639
standardbred development fund required under this division does 77640
not apply to county agricultural societies or independent 77641
agricultural societies. 77642

The total amount paid to the Ohio standardbred development 77643
fund under this division, division (C) of this section, and 77644
division (A) of section 3769.087 of the Revised Code and the total 77645
amount paid to the Ohio quarter horse development fund under this 77646
division and division (A) of that section shall not exceed by more 77647
than six per cent the total amount paid into the fund under this 77648
division, division (C) of this section, and division (A) of 77649
section 3769.087 of the Revised Code in the immediately preceding 77650
calendar year. 77651

(E) Subject to division (M) of this section, from the money 77652
paid as a tax under this chapter by harness and quarter horse 77653
permit holders, one-quarter of one per cent of the total of all 77654
moneys wagered on a racing day by each permit holder shall be paid 77655

into the state racing commission operating fund created by section 77656
3769.03 of the Revised Code. This division does not apply to 77657
county and independent fairs and agricultural societies. 77658

(F) Except as otherwise provided in section 3769.089 of the 77659
Revised Code, each permit holder authorized to conduct harness 77660
racing shall pay to the harness horsemen's purse pool a sum equal 77661
to fifty per cent of the pari-mutuel revenues retained by the 77662
permit holder as a commission after payment of the state tax. This 77663
fifty per cent payment is to be in addition to the purse 77664
distribution from breakage specified in this section. 77665

(G) In addition, each permit holder authorized to conduct 77666
harness racing shall be allowed to retain the odd cents of all 77667
redistribution to be made on all mutual contributions exceeding a 77668
sum equal to the next lowest multiple of ten. 77669

Forty per cent of that portion of that total sum of such odd 77670
cents shall be used by the permit holder for purse money for Ohio 77671
sired, bred, and owned colts, for purse money for Ohio bred 77672
horses, and for increased purse money for horse races. Upon the 77673
formation of the corporation described in section 3769.21 of the 77674
Revised Code to establish a harness horsemen's health and 77675
retirement fund, twenty-five per cent of that portion of that 77676
total sum of odd cents shall be paid at the close of each racing 77677
day by the permit holder to that corporation to establish and fund 77678
the health and retirement fund. Until that corporation is formed, 77679
that twenty-five per cent shall be paid at the close of each 77680
racing day by the permit holder to the tax commissioner or the tax 77681
commissioner's agent in the county seat of the county in which the 77682
permit holder operates race meetings. The remaining thirty-five 77683
per cent of that portion of that total sum of odd cents shall be 77684
retained by the permit holder. 77685

(H) In addition, each permit holder authorized to conduct 77686
thoroughbred racing shall be allowed to retain the odd cents of 77687

all redistribution to be made on all mutuel contributions 77688
exceeding a sum equal to the next lowest multiple of ten. Twenty 77689
per cent of that portion of that total sum of such odd cents shall 77690
be used by the permit holder for increased purse money for horse 77691
races. Upon the formation of the corporation described in section 77692
3769.21 of the Revised Code to establish a thoroughbred horsemen's 77693
health and retirement fund, forty-five per cent of that portion of 77694
that total sum of odd cents shall be paid at the close of each 77695
racing day by the permit holder to that corporation to establish 77696
and fund the health and retirement fund. Until that corporation is 77697
formed, that forty-five per cent shall be paid by the permit 77698
holder to the tax commissioner or the tax commissioner's agent in 77699
the county seat of the county in which the permit holder operates 77700
race meetings, at the close of each racing day. The remaining 77701
thirty-five per cent of that portion of that total sum of odd 77702
cents shall be retained by the permit holder. 77703

(I) In addition, each permit holder authorized to conduct 77704
quarter horse racing shall be allowed to retain the odd cents of 77705
all redistribution to be made on all mutuel contributions 77706
exceeding a sum equal to the next lowest multiple of ten, subject 77707
to a tax of twenty-five per cent on that portion of the total sum 77708
of such odd cents that is in excess of two thousand dollars during 77709
a calendar year, which tax shall be paid at the close of each 77710
racing day by the permit holder to the tax commissioner or the tax 77711
commissioner's agent in the county seat of the county within which 77712
the permit holder operates race meetings. Forty per cent of that 77713
portion of that total sum of such odd cents shall be used by the 77714
permit holder for increased purse money for horse races. The 77715
remaining thirty-five per cent of that portion of that total sum 77716
of odd cents shall be retained by the permit holder. 77717

(J)(1) To encourage the improvement of racing facilities for 77718
the benefit of the public, breeders, and horse owners, and to 77719

increase the revenue to the state from the increase in pari-mutuel 77720
wagering resulting from those improvements, the taxes paid by a 77721
permit holder to the state as provided for in this chapter shall 77722
be reduced by three-fourths of one per cent of the total amount 77723
wagered for those permit holders who make capital improvements to 77724
existing race tracks or construct new race tracks. The percentage 77725
of the reduction that may be taken each racing day shall equal 77726
seventy-five per cent of the taxes levied under divisions (B) and 77727
(C) of this section and section 3769.087 of the Revised Code, and 77728
division (F)(2) of section 3769.26 of the Revised Code, as 77729
applicable, divided by the calculated amount each fund should 77730
receive under divisions (B) and (C) of this section and section 77731
3769.087 of the Revised Code, and division (F)(2) of section 77732
3769.26 of the Revised Code and the reduction provided for in this 77733
division. If the resulting percentage is less than one, that 77734
percentage shall be multiplied by the amount of the reduction 77735
provided for in this division. Otherwise, the permit holder shall 77736
receive the full reduction provided for in this division. The 77737
amount of the allowable reduction not received shall be carried 77738
forward and applied against future tax liability. After any 77739
reductions expire, any reduction carried forward shall be treated 77740
as a reduction as provided for in this division. 77741

If more than one permit holder is authorized to conduct 77742
racing at the facility that is being built or improved, the cost 77743
of the new race track or capital improvement shall be allocated 77744
between or among all the permit holders in the ratio that the 77745
permit holders' number of racing days bears to the total number of 77746
racing days conducted at the facility. 77747

A reduction for a new race track or a capital improvement 77748
shall start from the day racing is first conducted following the 77749
date actual construction of the new race track or each capital 77750
improvement is completed and the construction cost has been 77751

approved by the racing commission, unless otherwise provided in 77752
this section. A reduction for a new race track or a capital 77753
improvement shall continue for a period of twenty-five years for 77754
new race tracks and for fifteen years for capital improvements if 77755
the construction of the capital improvement or new race track 77756
commenced prior to March 29, 1988, and for a period of ten years 77757
for new race tracks or capital improvements if the construction of 77758
the capital improvement or new race track commenced on or after 77759
March 29, 1988, but before ~~the effective date of this amendment~~ 77760
June 6, 2001, or until the total tax reduction reaches seventy per 77761
cent of the approved cost of the new race track or capital 77762
improvement, as allocated to each permit holder, whichever occurs 77763
first. A reduction for a new race track or a capital improvement 77764
approved after ~~the effective date of this amendment~~ June 6, 2001, 77765
shall continue until the total tax reduction reaches one hundred 77766
per cent of the approved cost of the new race track or capital 77767
improvement, as allocated to each permit holder. 77768

A reduction granted for a new race track or a capital 77769
improvement, the application for which was approved by the racing 77770
commission after March 29, 1988, but before ~~the effective date of~~ 77771
~~this amendment~~ June 6, 2001, shall not commence nor shall the 77772
ten-year period begin to run until all prior tax reductions with 77773
respect to the same race track have ended. The total tax reduction 77774
because of capital improvements shall not during any one year 77775
exceed for all permit holders using any one track three-fourths of 77776
one per cent of the total amount wagered, regardless of the number 77777
of capital improvements made. Several capital improvements to a 77778
race track may be consolidated in an application if the racing 77779
commission approved the application prior to March 29, 1988. No 77780
permit holder may receive a tax reduction for a capital 77781
improvement approved by the racing commission on or after March 77782
29, 1988, at a race track until all tax reductions have ended for 77783
all prior capital improvements approved by the racing commission 77784

under this section or section 3769.20 of the Revised Code at that 77785
race track. If there are two or more permit holders operating 77786
meetings at the same track, they may consolidate their 77787
applications. The racing commission shall notify the tax 77788
commissioner when the reduction of tax begins and when it ends. 77789

Each fiscal year the racing commission shall submit a report 77790
to the tax commissioner, the office of budget and management, and 77791
the legislative service commission. The report shall identify each 77792
capital improvement project undertaken under this division and in 77793
progress at each race track, indicate the total cost of each 77794
project, state the tax reduction that resulted from each project 77795
during the immediately preceding fiscal year, estimate the tax 77796
reduction that will result from each project during the current 77797
fiscal year, state the total tax reduction that resulted from all 77798
such projects at all race tracks during the immediately preceding 77799
fiscal year, and estimate the total tax reduction that will result 77800
from all such projects at all race tracks during the current 77801
fiscal year. 77802

(2) In order to qualify for the reduction in tax, a permit 77803
holder shall apply to the racing commission in such form as the 77804
commission may require and shall provide full details of the new 77805
race track or capital improvement, including a schedule for its 77806
construction and completion, and set forth the costs and expenses 77807
incurred in connection with it. The racing commission shall not 77808
approve an application unless the permit holder shows that a 77809
contract for the new race track or capital improvement has been 77810
let under an unrestricted competitive bidding procedure, unless 77811
the contract is exempted by the controlling board because of its 77812
unusual nature. In determining whether to approve an application, 77813
the racing commission shall consider whether the new race track or 77814
capital improvement will promote the safety, convenience, and 77815
comfort of the racing public and horse owners and generally tend 77816

towards the improvement of racing in this state. 77817

(3) If a new race track or capital improvement is approved by 77818
the racing commission and construction has started, the tax 77819
reduction may be authorized by the commission upon presentation of 77820
copies of paid bills in excess of one hundred thousand dollars or 77821
ten per cent of the approved cost, whichever is greater. After the 77822
initial authorization, the permit holder shall present copies of 77823
paid bills. If the permit holder is in substantial compliance with 77824
the schedule for construction and completion of the new race track 77825
or capital improvement, the racing commission may authorize the 77826
continuation of the tax reduction upon the presentation of the 77827
additional paid bills. The total amount of the tax reduction 77828
authorized shall not exceed the percentage of the approved cost of 77829
the new race track or capital improvement specified in division 77830
(J)(1) of this section. The racing commission may terminate any 77831
tax reduction immediately if a permit holder fails to complete the 77832
new race track or capital improvement, or to substantially comply 77833
with the schedule for construction and completion of the new race 77834
track or capital improvement. If a permit holder fails to complete 77835
a new race track or capital improvement, the racing commission 77836
shall order the permit holder to repay to the state the total 77837
amount of tax reduced. The normal tax paid by the permit holder 77838
shall be increased by three-fourths of one per cent of the total 77839
amount wagered until the total amount of the additional tax 77840
collected equals the total amount of tax reduced. 77841

(4) As used in this section: 77842

(a) "Capital improvement" means an addition, replacement, or 77843
remodeling of a structural unit of a race track facility costing 77844
at least one hundred thousand dollars, including, but not limited 77845
to, the construction of barns used exclusively for the race track 77846
facility, backstretch facilities for horsemen, paddock facilities, 77847
new pari-mutuel and totalizator equipment and appurtenances to 77848

that equipment purchased by the track, new access roads, new 77849
parking areas, the complete reconstruction, reshaping, and 77850
leveling of the racing surface and appurtenances, the installation 77851
of permanent new heating or air conditioning, roof replacement or 77852
restoration, installations of a permanent nature forming a part of 77853
the track structure, and construction of buildings that are 77854
located on a permit holder's premises. "Capital improvement" does 77855
not include the cost of replacement of equipment that is not 77856
permanently installed, ordinary repairs, painting, and maintenance 77857
required to keep a race track facility in ordinary operating 77858
condition. 77859

(b) "New race track" includes the reconstruction of a race 77860
track damaged by fire or other cause that has been declared by the 77861
racing commission, as a result of the damage, to be an inadequate 77862
facility for the safe operation of horse racing. 77863

(c) "Approved cost" includes all debt service and interest 77864
costs that are associated with a capital improvement or new race 77865
track and that the racing commission approves for a tax reduction 77866
under division (J) of this section. 77867

(5) The racing commission shall not approve an application 77868
for a tax reduction under this section if it has reasonable cause 77869
to believe that the actions or negligence of the permit holder 77870
substantially contributed to the damage suffered by the track due 77871
to fire or other cause. The racing commission shall obtain any 77872
data or information available from a fire marshal, law enforcement 77873
official, or insurance company concerning any fire or other damage 77874
suffered by a track, prior to approving an application for a tax 77875
reduction. 77876

(6) The approved cost to which a tax reduction applies shall 77877
be determined by generally accepted accounting principles and 77878
verified by an audit of the permit holder's records upon 77879
completion of the project by the racing commission, or by an 77880

independent certified public accountant selected by the permit holder and approved by the commission. 77881
77882

(K) No other license or excise tax or fee, except as provided in sections 3769.01 to 3769.14 of the Revised Code, shall be assessed or collected from such licensee by any county, township, district, municipal corporation, or other body having power to assess or collect a tax or fee. That portion of the tax paid under this section by permit holders for racing conducted at and during the course of an agricultural exposition or fair, and that portion of the tax that would have been paid by eligible permit holders into the ~~PASSPORT~~ nursing home franchise permit fee fund as a result of racing conducted at and during the course of an agricultural exposition or fair, shall be deposited into the state treasury to the credit of the horse racing tax fund, which is hereby created for the use of the agricultural societies of the several counties in which the taxes originate. The state racing commission shall determine eligible permit holders for purposes of the preceding sentence, taking into account the breed of horse, the racing dates, the geographic proximity to the fair, and the best interests of Ohio racing. On the first day of any month on which there is money in the fund, the tax commissioner shall provide for payment to the treasurer of each agricultural society the amount of the taxes collected under this section upon racing conducted at and during the course of any exposition or fair conducted by the society. 77883

(L) From the tax paid under this section by harness track permit holders, the tax commissioner shall pay into the Ohio thoroughbred race fund a sum equal to a percentage of the amount wagered upon which the tax is paid. The percentage shall be determined by the tax commissioner and shall be rounded to the nearest one-hundredth. The percentage shall be such that, when multiplied by the amount wagered upon which tax was paid by the 77906

harness track permit holders in the most recent year for which 77913
final figures are available, it results in a sum that 77914
substantially equals the same amount of tax paid by the tax 77915
commissioner during that year into the Ohio fairs fund from taxes 77916
paid by thoroughbred permit holders. This division does not apply 77917
to county and independent fairs and agricultural societies. 77918

(M) Twenty-five per cent of the taxes levied on thoroughbred 77919
racing permit holders, harness racing permit holders, and quarter 77920
horse racing permit holders under this section, division (A) of 77921
section 3769.087 of the Revised Code, and division (F)(2) of 77922
section 3769.26 of the Revised Code shall be paid into the 77923
~~PASSPORT~~ nursing home franchise permit fee fund. The tax 77924
commissioner shall pay any money remaining, after the payment into 77925
the ~~PASSPORT~~ nursing home franchise permit fee fund and the 77926
reductions provided for in division (J) of this section and in 77927
section 3769.20 of the Revised Code, into the Ohio fairs fund, 77928
Ohio thoroughbred race fund, Ohio standardbred development fund, 77929
Ohio quarter horse fund, and state racing commission operating 77930
fund as prescribed in this section and division (A) of section 77931
3769.087 of the Revised Code. The tax commissioner shall 77932
thereafter use and apply the balance of the money paid as a tax by 77933
any permit holder to cover any shortage in the accounts of such 77934
funds resulting from an insufficient payment as a tax by any other 77935
permit holder. The moneys received by the tax commissioner shall 77936
be deposited weekly and paid by the tax commissioner into the 77937
funds to cover the total aggregate amount due from all permit 77938
holders to the funds, as calculated under this section and 77939
division (A) of section 3769.087 of the Revised Code, as 77940
applicable. If, after the payment into the ~~PASSPORT~~ nursing home 77941
franchise permit fee fund, sufficient funds are not available from 77942
the tax deposited by the tax commissioner to pay the required 77943
amounts into the Ohio fairs fund, Ohio standardbred development 77944
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 77945

the state racing commission operating fund, the tax commissioner 77946
shall prorate on a proportional basis the amount paid to each of 77947
the funds. Any shortage to the funds as a result of a proration 77948
shall be applied against future deposits for the same calendar 77949
year when funds are available. After this application, the tax 77950
commissioner shall pay any remaining money paid as a tax by all 77951
permit holders into the ~~PASSPORT~~ nursing home franchise permit fee 77952
fund. This division does not apply to permit holders conducting 77953
racing at the course of an agricultural exposition or fair as 77954
described in division (K) of this section. 77955

Sec. 3769.20. (A) To encourage the renovation of existing 77956
racing facilities for the benefit of the public, breeders, and 77957
horse owners and to increase the revenue to the state from the 77958
increase in pari-mutuel wagering resulting from such improvement, 77959
the taxes paid by a permit holder to the state, in excess of the 77960
amount paid into the ~~PASSPORT~~ nursing home franchise permit fee 77961
fund, shall be reduced by one per cent of the total amount wagered 77962
for those permit holders who carry out a major capital improvement 77963
project. The percentage of the reduction that may be taken each 77964
racing day shall equal seventy-five per cent of the amount of the 77965
taxes levied under divisions (B) and (C) of section 3769.08, 77966
section 3769.087, and division (F)(2) of section 3769.26 of the 77967
Revised Code, as applicable, divided by the calculated amount each 77968
fund should receive under divisions (B) and (C) of section 77969
3769.08, section 3769.087, and division (F)(2) of section 3769.26 77970
of the Revised Code and the reduction provided for in this 77971
section. If the resulting percentage is less than one, that 77972
percentage shall be multiplied by the amount of the reduction 77973
provided for in this section. Otherwise, the permit holder shall 77974
receive the full reduction provided for in this section. The 77975
amount of the allowable reduction not received shall be carried 77976
forward and added to any other reduction balance and applied 77977

against future tax liability. After any reductions expire, any 77978
reduction carried forward shall be treated as a reduction as 77979
provided for in this section. If the amount of allowable reduction 77980
exceeds the amount of taxes derived from a permit holder, the 77981
amount of the allowable reduction not used may be carried forward 77982
and applied against future tax liability. 77983

If more than one permit holder is authorized to conduct 77984
racing at the facility that is being improved, the cost of the 77985
major capital improvement project shall be allocated between or 77986
among all the permit holders in the ratio that each permit 77987
holder's number of racing days bears to the total number of racing 77988
days conducted at the facility. 77989

A reduction for a major capital improvement project shall 77990
start from the day racing is first conducted following the date on 77991
which the major capital improvement project is completed and the 77992
construction cost has been approved by the state racing 77993
commission, except as otherwise provided in division (E) of this 77994
section, and shall continue until the total tax reduction equals 77995
the cost of the major capital improvement project plus debt 77996
service applicable to the project. In no event, however, shall any 77997
tax reduction, excluding any reduction balances, be permitted 77998
under this section after December 31, ~~2014~~ 2017. The total tax 77999
reduction because of the major capital improvement project shall 78000
not during any one year exceed for all permit holders using any 78001
one track one per cent of the total amount wagered. The racing 78002
commission shall notify the tax commissioner when the reduction of 78003
tax begins and when it ends. 78004

(B) Each fiscal year, the racing commission shall submit a 78005
report to the tax commissioner, the office of budget and 78006
management, and the legislative service commission. The report 78007
shall identify each capital improvement project undertaken under 78008

this section and in progress at each race track, indicate the 78009
total cost of each project, state the tax reduction that resulted 78010
from each project during the immediately preceding fiscal year, 78011
estimate the tax reduction that will result from each project 78012
during the current fiscal year, state the total tax reduction that 78013
resulted from all such projects at all race tracks during the 78014
immediately preceding fiscal year, and estimate the total tax 78015
reduction that will result from all such projects at all race 78016
tracks during the current fiscal year. 78017

(C) The tax reduction granted pursuant to this section shall 78018
be in addition to any tax reductions for capital improvements and 78019
new race tracks provided for in section 3769.08 of the Revised 78020
Code and approved by the racing commission. 78021

(D) In order to qualify for the reduction in tax, a permit 78022
holder shall apply to the racing commission in such form as the 78023
commission may require and shall provide full details of the major 78024
capital improvement project, including plans and specifications, a 78025
schedule for the project's construction and completion, and a 78026
breakdown of proposed costs. In addition, the permit holder shall 78027
have commenced construction of the major capital improvement 78028
project or shall have had the application for the project approved 78029
by the racing commission prior to March 29, 1988. The racing 78030
commission shall not approve an application unless the permit 78031
holder shows that a contract for the major capital improvement 78032
project has been let under an unrestricted competitive bidding 78033
procedure, unless the contract is exempted by the controlling 78034
board because of its unusual nature. In determining whether to 78035
approve an application, the racing commission shall consider 78036
whether the major capital improvement project will promote the 78037
safety, convenience, and comfort of the racing public and horse 78038
owners and generally tend toward the improvement of racing in this 78039
state. 78040

(E) If the major capital improvement project is approved by 78041
the racing commission and construction has started, the tax 78042
reduction may be authorized by the commission upon presentation of 78043
copies of paid bills in excess of five hundred thousand dollars. 78044
After the initial authorization, the permit holder shall present 78045
copies of paid bills in the amount of not less than five hundred 78046
thousand dollars. If the permit holder is in substantial 78047
compliance with the schedule for construction and completion of 78048
the major capital improvement project, the racing commission may 78049
authorize the continuance of the tax reduction upon the 78050
presentation of the additional paid bills in increments of five 78051
hundred thousand dollars. The racing commission may terminate the 78052
tax reduction if a permit holder fails to complete the major 78053
capital improvement project or fails to comply substantially with 78054
the schedule for construction and completion of the major capital 78055
improvement project. If the time for completion of the major 78056
capital improvement project is delayed by acts of God, strikes, or 78057
the unavailability of labor or materials, the time for completion 78058
as set forth in the schedule shall be extended by the period of 78059
the delay. If a permit holder fails to complete the major capital 78060
improvement project, the racing commission shall order the permit 78061
holder to repay to the state the total amount of tax reduced, 78062
unless the permit holder has spent at least six million dollars on 78063
the project. The normal tax paid by the permit holder under 78064
section 3769.08 of the Revised Code shall be increased by one per 78065
cent of the total amount wagered until the total amount of the 78066
additional tax collected equals the total amount of tax reduced. 78067
Any action taken by the racing commission pursuant to this section 78068
in terminating the tax adjustment or requiring repayment of the 78069
amount of tax reduced shall be subject to Chapter 119. of the 78070
Revised Code. 78071

(F) As used in this section, "major capital improvement 78072
project" means the renovation, reconstruction, or remodeling, 78073

costing at least six million dollars, of a race track facility, 78074
including, but not limited to, the construction of barns used 78075
exclusively for that race track facility, backstretch facilities 78076
for horsemen, paddock facilities, pari-mutuel and totalizator 78077
equipment and appurtenances to that equipment purchased by the 78078
track, new access roads, new parking areas, the complete 78079
reconstruction, reshaping, and leveling of the racing surface and 78080
appurtenances, grandstand enclosure, installation of permanent new 78081
heating or air conditioning, roof replacement, and installations 78082
of a permanent nature forming a part of the track structure. 78083

(G) The cost and expenses to which the tax reduction granted 78084
under this section applies shall be determined by generally 78085
accepted accounting principles and be verified by an audit of the 78086
permit holder's records, upon completion of the major capital 78087
improvement project, either by the racing commission or by an 78088
independent certified public accountant selected by the permit 78089
holder and approved by the commission. 78090

(H) This section and section 3769.201 of the Revised Code 78091
govern any tax reduction granted to a permit holder for the cost 78092
to the permit holder of any cleanup, repair, or improvement 78093
required as a result of damage caused by the 1997 Ohio river flood 78094
to the place, track, or enclosure for which the permit is issued. 78095

Sec. 3769.26. (A)(1) Except as otherwise provided in division 78096
(B) of this section, each track in existence on September 27, 78097
1994, regardless of the number of permit holders authorized to 78098
conduct race meetings at the track, may establish, with the 78099
approval of the state racing commission and the appropriate local 78100
legislative authority, not more than two satellite facilities at 78101
which it may conduct pari-mutuel wagering on horse races conducted 78102
either inside or outside this state and simulcast by a simulcast 78103
host to the satellite facilities. 78104

(2) Prior to a track's establishing satellite facilities 78105
under this section, the permit holders at that track shall agree 78106
among themselves regarding their respective rights and obligations 78107
with respect to those satellite facilities. 78108

(3)(a) Any track that desires to establish a satellite 78109
facility shall provide written notification of its intent to the 78110
state racing commission and to the appropriate local legislative 78111
authority that is required to approve the satellite facility, 78112
together with detailed plans and specifications for the satellite 78113
facility. The commission shall deliver copies of this notification 78114
to all other tracks in this state, and the commission shall, 78115
within forty-five days after receiving the notification, hold a 78116
hearing on the track's intent to establish a satellite facility. 78117
At this hearing the commission shall consider the evidence 78118
presented and determine whether the request for establishment of a 78119
satellite facility shall be approved. 78120

The commission shall not approve a track's request to 78121
establish a satellite facility if the owner of the premises where 78122
the satellite facility is proposed to be located or if the 78123
proposed operator of the satellite facility has been convicted of 78124
or has pleaded guilty to a gambling offense that is a felony or 78125
any other felony under the laws of this state, any other state, or 78126
the United States that the commission determines to be related to 78127
fitness to be the owner of such a premises or to be the operator 78128
of a satellite facility. As used in division (A)(3)(a) of this 78129
section, "gambling offense" has the same meaning as in section 78130
2915.01 of the Revised Code and "operator" means the individual 78131
who is responsible for the day-to-day operations of a satellite 78132
facility. The commission shall conduct a background investigation 78133
on each person who is the owner of a premises where a satellite 78134
facility is proposed to be located or who is proposed to be the 78135
operator or an employee of a satellite facility. The commission 78136

shall adopt rules in accordance with Chapter 119. of the Revised 78137
Code that specify the specific information the commission shall 78138
collect in conducting such a background investigation. 78139

No track shall knowingly contract with a person as the owner 78140
of the premises where a satellite facility is located, or 78141
knowingly employ a person as the operator or an employee of a 78142
satellite facility, who has been convicted of or pleaded guilty to 78143
a gambling offense that is a felony or any other felony under the 78144
laws of this state, any other state, or the United States that the 78145
commission determines to be related to fitness to be the owner of 78146
such a premises or to be the operator or an employee of a 78147
satellite facility. The commission may impose a fine in an amount 78148
not to exceed ten thousand dollars on any track that violates any 78149
of these prohibitions. 78150

(b) Each track that receives the notification described in 78151
division (A)(3)(a) of this section shall notify the commission and 78152
the track that desires to establish the satellite facility, within 78153
thirty days after receiving the notification from the commission, 78154
indicating whether or not it desires to participate in the joint 78155
ownership of the facility. Ownership shall be distributed equally 78156
among the tracks that choose to participate in the joint ownership 78157
of the facility unless the participating tracks agree to and 78158
contract otherwise. Tracks that fail to respond to the commission 78159
and the track that desires to establish the satellite facility 78160
within this thirty-day period regarding the ownership of the 78161
particular satellite facility are not eligible to participate in 78162
its ownership. 78163

(B) If, within three years after September 27, 1994, a track 78164
in existence on September 27, 1994, does not establish both of the 78165
satellite facilities it is authorized to establish under division 78166
(A) of this section, another track, with the approval of the 78167
racing commission, may establish in accordance with this section a 78168

number of additional satellite facilities that does not exceed the 78169
number of satellite facilities that the first track did not 78170
establish. However, no more than fourteen satellite facilities may 78171
be established in this state. 78172

(C) Except as otherwise provided in this division, each 78173
permit holder in this state shall allow the races that it 78174
conducts, and the races conducted outside this state that it 78175
receives as a simulcast host, to be simulcast to all satellite 78176
facilities operating in this state and shall take all action 78177
necessary to supply its simulcast and wagering information to 78178
these satellite facilities. A permit holder at a track where the 78179
average daily amount wagered for all race meetings during calendar 78180
year 1990 did not exceed two hundred fifty thousand dollars may 78181
elect not to simulcast its races to the satellite facilities. If a 78182
permit holder at such a track chooses to simulcast its races to 78183
satellite facilities, it shall allow its races to be simulcast to 78184
all satellite facilities operating in this state. Except as 78185
otherwise provided in this division, each satellite facility shall 78186
receive simulcasts of and conduct pari-mutuel wagering on all live 78187
racing programs being conducted at any track in this state and on 78188
all agreed simulcast racing programs, as provided in division (D) 78189
of section 3769.089 of the Revised Code, conducted in other states 78190
that are received by simulcast in this state, without regard to 78191
the breed of horse competing in the race or the time of day of the 78192
race. 78193

No satellite facility may receive simulcasts of horse races 78194
during the same hours that a county fair or independent fair 78195
located within the same county as the satellite facility is 78196
conducting pari-mutuel wagering on horse races at that county or 78197
independent fair. 78198

Except as otherwise provided in this division, the commission 78199
shall not approve the establishment of a satellite facility within 78200

a radius of fifty miles of any track. The commission may approve 78201
the establishment of a satellite facility at a location within a 78202
radius of at least thirty-five but not more than fifty miles from 78203
one or more tracks if all of the holders of permits issued for 78204
those tracks consent in writing to the establishment of the 78205
satellite facility. The commission may approve the establishment 78206
of a satellite facility at a location within a radius of 78207
thirty-five miles of more than one race track if all holders of 78208
permits issued for those tracks consent in writing to the 78209
establishment of the satellite facility and, if the tracks are 78210
located completely within one county and the proposed satellite 78211
facility will be located within that county, if both the 78212
legislative authority of the municipal corporation in that county 78213
with the largest population, and the appropriate legislative 78214
authority that is required to approve the satellite facility under 78215
division (A)(1) of this section, approve the establishment of the 78216
new satellite facility. The commission may approve the 78217
establishment of a satellite facility at a location within a 78218
radius of less than twenty miles from an existing satellite 78219
facility if the owner of the existing satellite facility consents 78220
in writing to the establishment of the new satellite facility. 78221

A satellite facility shall not receive simulcasts of horse 78222
races conducted outside this state on any day when no simulcast 78223
host is operating. 78224

(D) Each simulcast host is responsible for paying all costs 78225
associated with the up-link for simulcasts. Each satellite 78226
facility is responsible for paying all costs associated with the 78227
reception of simulcasts and the operation of the satellite 78228
facility. 78229

(E) All money wagered at the simulcast host, and all money 78230
wagered at all satellite facilities on races simulcast from the 78231
simulcast host, shall be included in a common pari-mutuel pool at 78232

the simulcast host. Except as otherwise provided in division 78233
(F)(6) of this section, the payment shall be the same for all 78234
winning tickets whether a wager is placed at a simulcast host or a 78235
satellite facility. Wagers placed at a satellite facility shall 78236
conform in denomination, character, terms, conditions, and in all 78237
other respects to wagers placed at the simulcast host for the same 78238
race. 78239

(F)(1) As used in division (F) of this section, "effective 78240
rate" means the effective gross tax percentage applicable at the 78241
simulcast host, determined in accordance with sections 3769.08 and 78242
3769.087 of the Revised Code, after combining the money wagered at 78243
the simulcast host with the money wagered at satellite facilities 78244
on races simulcast from the host track. 78245

(2) For the purposes of calculating the amount of taxes to be 78246
paid and the amount of commissions to be retained by permit 78247
holders, fifty per cent of the amount wagered at satellite 78248
facilities on a live racing program simulcast from a simulcast 78249
host shall be allocated to the permit holder's live race wagering 78250
at that simulcast host that conducts the live racing program, and 78251
fifty per cent of the amount wagered at satellite facilities on 78252
simulcast racing programs conducted outside this state shall be 78253
allocated to, and apportioned equally among, the permit holders 78254
acting as simulcast hosts for the out-of-state simulcast racing 78255
programs. The remainder of the amount wagered at a satellite 78256
facility on races simulcast from a simulcast host shall be 78257
allocated to the satellite facility. In computing the tax due on 78258
the amount allocated to the satellite facility, if there is more 78259
than one simulcast host for out-of-state simulcast racing 78260
programs, the effective rate applied by the satellite facility 78261
shall be the tax rate applicable to the simulcast host that pays 78262
the highest effective rate under section 3769.08 of the Revised 78263
Code on such simulcast racing programs. 78264

(3) The portion of the amount wagered that is allocated to a simulcast host under division (F)(2) of this section shall be treated, for the purposes of calculating the amount of taxes to be paid and commissions to be retained, as having been wagered at the simulcast host on a live racing program or on a simulcast racing program. The permit holder at the simulcast host shall pay, by check, draft, or money order to the state tax commissioner, as a tax, the tax specified in sections 3769.08 and 3769.087 of the Revised Code, as applicable, except that the tax shall be calculated using the effective rate, and the permit holder may retain as a commission the percentage of the amount wagered as specified in those sections. From the tax collected, the tax commissioner shall make distributions to the respective funds, and in the proper amounts, as required by sections 3769.08 and 3769.087 of the Revised Code, as applicable.

(4) From the portion of the amount wagered that is allocated to a satellite facility under division (F)(2) of this section, the satellite facility may retain as a commission the amount specified in section 3769.08 or 3769.087 of the Revised Code, as applicable. The portion of the amount wagered that is allocated to a satellite facility shall be subject to tax at the effective rate as follows:

(a) One per cent of such amount allocated to the satellite facility shall be paid as a tax each racing day to the tax commissioner for deposit into the ~~PASSPORT~~ nursing home franchise permit fee fund.

(b) The remaining balance of the taxes calculated at the effective rate, after payment of the tax specified in division (F)(4)(a) of this section, shall be retained by the satellite facility to pay for those costs associated with the reception of the simulcasts.

(5) From the commission retained by a satellite facility after the deduction of the tax paid at the effective rate under

division (F)(4) of this section, the satellite facility shall 78297
retain an amount equal to two and three-eighths per cent of the 78298
amount wagered that day on simulcast racing programs and the 78299
balance shall be divided as follows: 78300

(a) One-half shall be paid to the owner of the satellite 78301
facility; 78302

(b) One-half shall be paid to the state racing commission for 78303
deposit into the Ohio combined simulcast horse racing purse fund. 78304

(6) In addition to the commission retained under this 78305
section, a satellite facility shall retain two and one-half per 78306
cent of the amount that would otherwise be paid on each winning 78307
wager unless the retention of this amount would either cause or 78308
add to a minus pool. As used in division (F)(6) of this section, 78309
"minus pool" means a wagering pool in which a winning wager is 78310
paid off at less than one hundred ten per cent of the amount of 78311
the wager. The amount retained shall be paid each racing day to 78312
the tax commissioner for deposit into the ~~PASSPORT~~ nursing home
franchise permit fee fund. 78313
78314

(7) At the close of each day, each satellite facility shall 78315
pay, by check, draft, or money order, or by wire transfer of 78316
funds, out of the money retained on that day to the collection and 78317
settlement agent the required fee to be paid by the simulcast host 78318
to the tracks, racing associations, or state regulatory agencies 78319
located outside this state for simulcasts into this state computed 78320
and based on one-half of the amount wagered at the satellite 78321
facility that day on interstate simulcast racing programs. 78322

(G) No license, fee, or excise tax, other than as specified 78323
in division (F)(6) of this section, shall be assessed upon or 78324
collected from a satellite facility, the owners of a satellite 78325
facility, or the holders of permits issued for a track that has 78326
established a satellite facility by any county, township, 78327

municipal corporation, district, or other body having the 78328
authority to assess or collect a tax or fee. 78329

(H) In no case shall that portion of the commissions 78330
designated for purses from satellite facilities be less than that 78331
portion of those commissions designated for purses at the 78332
simulcast host. 78333

(I) It is the intention of the general assembly in enacting 78334
this section not to adversely affect the amounts paid into the 78335
Ohio thoroughbred race fund created under section 3769.083 of the 78336
Revised Code. Therefore, each track that acts as a simulcast host 78337
under this section shall calculate, on a semi-annual basis during 78338
calendar years 1994, 1995, and 1996, its average daily 78339
contribution to the Ohio thoroughbred race fund created under 78340
section 3769.083 of the Revised Code on those days on which the 78341
track conducted live horse racing. If this average daily 78342
contribution to the fund is less than the average daily 78343
contribution from the same track to the fund during the same 78344
six-month period of calendar year 1992, there shall be contributed 78345
to the fund an amount equal to the average daily shortfall 78346
multiplied by the number of days of live racing conducted during 78347
the six-month period in calendar year 1994, 1995, or 1996, as 78348
applicable. The amount of such contribution shall be allocated 78349
among the simulcast host, the purse program at the simulcast host, 78350
and the satellite facilities for which the track served as the 78351
simulcast host, on a pro rata basis in proportion to the amounts 78352
contributed by them to the fund during such six-month period in 78353
calendar year 1994, 1995, or 1996, as applicable. 78354

Sec. 3770.02. (A) Subject to the advice and consent of the 78355
senate, the governor shall appoint a director of the state lottery 78356
commission who shall serve at the pleasure of the governor. The 78357
director shall devote full time to the duties of the office and 78358

shall hold no other office or employment. The director shall meet 78359
all requirements for appointment as a member of the commission and 78360
shall, by experience and training, possess management skills that 78361
equip the director to administer an enterprise of the nature of a 78362
state lottery. The director shall receive an annual salary in 78363
accordance with pay range 48 of section 124.152 of the Revised 78364
Code. 78365

(B)(1) The director shall attend all meetings of the 78366
commission and shall act as its secretary. The director shall keep 78367
a record of all commission proceedings and shall keep the 78368
commission's records, files, and documents at the commission's 78369
principal office. All records of the commission's meetings shall 78370
be available for inspection by any member of the public, upon a 78371
showing of good cause and prior notification to the director. 78372

(2) The director shall be the commission's executive officer 78373
and shall be responsible for keeping all commission records and 78374
supervising and administering the state lottery in accordance with 78375
this chapter, and carrying out all commission rules adopted under 78376
section 3770.03 of the Revised Code. 78377

(C)(1) The director ~~shall~~ may appoint an assistant director, 78378
deputy directors of marketing, operations, sales, finance, public 78379
relations, security, and administration, and as many regional 78380
managers as are required. The director may also appoint necessary 78381
professional, technical, and clerical assistants. All such 78382
officers and employees shall be appointed and compensated pursuant 78383
to Chapter 124. of the Revised Code. Regional and assistant 78384
regional managers, sales representatives, and any lottery 78385
executive account representatives shall remain in the unclassified 78386
service. 78387

(2) The director, in consultation with the director of 78388
administrative services, may establish standards of proficiency 78389
and productivity for commission field representatives. 78390

(D) The director shall request the bureau of criminal 78391
identification and investigation, the department of public safety, 78392
or any other state, local, or federal agency to supply the 78393
director with the criminal records of any job applicant and may 78394
periodically request the criminal records of commission employees. 78395
At or prior to the time of making such a request, the director 78396
shall require a job applicant or commission employee to obtain 78397
fingerprint cards prescribed by the superintendent of the bureau 78398
of criminal identification and investigation at a qualified law 78399

institution, to perform functions and services in connection with 78445
the operation of the lottery as the director may consider 78446
necessary to carry out this chapter, and to the extent not 78447
inconsistent with the execution of a private lottery management 78448
agreement under section 3770.15 of the Revised Code. 78449

(2) If the governor directs the director to do so, the 78455
director shall enter into an agreement with other lottery 78456

governor signs the agreement personally or by means of an 78458

the program provided pursuant to the agreement. 78472

(2) As used in this section, "gambling addiction services" 78473
has the same meaning as in section 3793.01 of the Revised Code. 78474

Sec. 3770.03. (A) The state lottery commission ~~shall~~ may 78475
promulgate rules under which a statewide lottery may be conducted, 78476
which includes, and since the original enactment of this section 78477

lottery terminal games. Any reference in this chapter to tickets 78479
shall not be construed to in any way limit the authority of the 78480
commission to operate video lottery terminal games. Nothing in 78481
this chapter shall restrict the authority of the commission to 78482
promulgate rules related to the operation of games utilizing video 78483

lottery terminals as described in section 3770.21 of the Revised Code. The rules shall be promulgated pursuant to Chapter 119. of the Revised Code, except that instant game rules shall be promulgated pursuant to section 111.15 of the Revised Code but are not subject to division (D) of that section. Subjects covered in these rules shall include, ~~but need not be limited to, the following:~~

Subjects covered in these rules shall include, but not be limited to, the following:

(1) The locations at which lottery tickets may be sold and the manner in which they are to be sold. These rules may authorize the sale of lottery tickets by commission personnel or other licensed individuals from traveling show wagons at the state fair, and at any other expositions the director of the commission considers acceptable. These rules shall prohibit commission personnel or other licensed individuals from soliciting from an exposition the right to sell lottery tickets at that exposition,

but shall allow commission personnel or other licensed individuals 78515
to sell lottery tickets at an exposition if the exposition 78516
requests commission personnel or licensed individuals to do so. 78517
These rules may also address the accessibility of sales agent 78518

suspend a license without affording an opportunity for a prior 78535
hearing under section 119.07 of the Revised Code. 78536

~~(5)~~(4) Special game rules to implement any agreements signed 78537
by the governor that the director enters into with other lottery 78538
jurisdictions under division (J) of section 3770.02 of the Revised 78539
Code to conduct statewide joint lottery games. The rules shall 78540
require that the entire net proceeds of those games that remain, 78541
after associated operating expenses, prize disbursements, lottery 78542
sales agent bonuses, commissions, and reimbursements, and any 78543
other expenses necessary to comply with the agreements or the 78544

described in divisions (A) and (B) of this section, that establish 78555
standards governing the display of advertising and celebrity 78556
images on lottery tickets and on other items that are used in the 78557
conduct of, or to promote, the statewide lottery and statewide 78558
joint lottery games. Any revenue derived from the sale of 78559
advertising displayed on lottery tickets and on those other items 78560
shall be considered, for purposes of section 3770.06 of the 78561
Revised Code, to be related proceeds in connection with the 78562
statewide lottery or gross proceeds from statewide joint lottery 78563
games, as applicable. 78564

(E)(1) The commission shall meet with the director at least 78565
once each month and shall convene other meetings at the request of 78566
the chairperson or any five of the members. No action taken by the 78567
commission shall be binding unless at least five of the members 78568
present vote in favor of the action. A written record shall be 78569
made of the proceedings of each meeting and shall be transmitted 78570

commission shall prepare and transmit to the governor and the 78578
general assembly a report of lottery revenues, prize 78579
disbursements, and operating expenses for the preceding fiscal 78580
year and any recommendations for legislation considered necessary 78581

established by rule or order of the state lottery commission. 78589

(B) The director of the state lottery commission may license 78590
any person as a lottery sales agent. No license shall be issued to 78591

section, the director of the state lottery commission shall refuse 78606
to grant, or shall suspend or revoke, a license if the applicant 78607

78625

(2) It appears to the director of the state lottery commission that, due to the experience, character, or general fitness of any director, officer, or controlling shareholder of the corporation, the granting of a license as a lottery sales agent would be inconsistent with the public interest, convenience, or trust; 78626

78634

(4) Any person, firm, association, or corporation other than the applicant or licensee shares or will share in the profits of the applicant or licensee, other than receiving dividends or 78635
78636
78637

distributions as a shareholder, or participates or will 78638
participate in the management of the affairs of the applicant or 78639
licensee. 78640

(E)(1) The director of the state lottery commission shall 78641
refuse to grant a license to an applicant for a lottery sales 78642
agent license and shall revoke a lottery sales agent license if 78643
the applicant or licensee is or has been convicted of a violation 78644
of division (A) or (C)(1) of section 2913.46 of the Revised Code. 78645

(2) The director shall refuse to grant a license to an 78646
applicant for a lottery sales agent license that is a corporation 78647

if the corporation is or has been convicted of a violation of 78649
division (A) or (C)(1) of section 2913.46 of the Revised Code. 78650

(F) The director of the state lottery commission shall 78651
request the bureau of criminal identification and investigation, 78652
the department of public safety, or any other state, local, or 78653
federal agency to supply the director with the criminal records of 78654
any applicant for a lottery sales agent license, and may 78655
periodically request the criminal records of any person to whom a 78656
lottery sales agent license has been issued. At or prior to the 78657
time of making such a request, the director shall require an 78658
applicant or licensee to obtain fingerprint impressions on 78659
fingerprint cards prescribed by the superintendent of the bureau 78660
of criminal identification and investigation at a qualified law 78661
enforcement agency, and the director shall cause those fingerprint 78662
cards to be forwarded to the bureau of criminal identification and 78663
investigation, to the federal bureau of investigation, or to both 78664
bureaus. The commission shall assume the cost of obtaining the 78665
fingerprint cards. 78666

The director shall pay to each agency supplying criminal 78667
records for each investigation a reasonable fee, as determined by 78668
the agency. 78669

The commission may adopt uniform rules specifying time 78670
periods after which the persons described in divisions (C)(1) to 78671
(5) and (D)(1) to (4) of this section may be issued a license and 78672
establishing requirements for those persons to seek a court order 78673
to have records sealed in accordance with law. 78674

(G)(1) Each applicant for a lottery sales agent license shall 78675
do both of the following: 78676

(a) Pay fees to the state lottery commission, ~~at the time the~~ 78677
~~application is submitted, a fee in an amount that the director of~~ 78678
~~the state lottery commission determines if required~~ by rule 78679
adopted by the director under Chapter 119. of the Revised Code and 78680
~~that~~ the controlling board approves the fees; 78681

(b) Prior to approval of the application, obtain a surety 78682
bond in an amount the director determines by rule adopted under 78683
Chapter 119. of the Revised Code or, alternatively, with the 78684
director's approval, deposit the same amount into a dedicated 78685
account for the benefit of the state lottery. The director also 78686
may approve the obtaining of a surety bond to cover part of the 78687
amount required, together with a dedicated account deposit to 78688
cover the remainder of the amount required. 78689

A surety bond may be with any company that complies with the 78690
bonding and surety laws of this state and the requirements 78691
established by rules of the commission pursuant to this chapter. A 78692
dedicated account deposit shall be conducted in accordance with 78693
policies and procedures the director establishes. 78694

A surety bond, dedicated account, or both, as applicable, may 78695
be used to pay for the lottery sales agent's failure to make 78696
prompt and accurate payments for lottery ticket sales, for missing 78697
or stolen lottery tickets, ~~or~~ for damage to equipment or materials 78698
issued to the lottery sales agent, or to pay for expenses the 78699
commission incurs in connection with the lottery sales agent's 78700

(2) A lottery sales agent license is effective for one year. 78702

A licensed lottery sales agent, on or before the date 78703
established by the director, shall renew the agent's license and 78704
provide at that time evidence to the director that the surety 78705
bond, dedicated account deposit, or both, required under division 78706

applies. 78708

Before the commission renews a lottery sales agent license, 78709
the lottery sales agent shall submit a renewal fee to the 78710
commission ~~in an amount that the director determines, if one is~~ 78711
required by rule adopted by the director under Chapter 119. of the 78712
Revised Code and ~~that~~ the controlling board approves the renewal 78713
fee. The renewal fee shall not exceed the actual cost of 78714
administering the license renewal and processing changes reflected 78715
in the renewal application. The renewal of the license is 78716
effective for up to one year. 78717

(3) A lottery sales agent license shall be complete, 78718
accurate, and current at all times during the term of the license. 78719
Any changes to an original license application or a renewal 78720
application may subject the applicant or lottery sales agent, as 78721
applicable, to paying an administrative fee that shall be in an 78722
amount that the director determines by rule adopted under Chapter 78723
119. of the Revised Code, that the controlling board approves, and 78724
that shall not exceed the actual cost of administering and 78725
processing the changes to an application. 78726

(4) The relationship between the commission and a lottery 78727
sales agent is one of trust. A lottery sales agent collects funds 78728
on behalf of the commission through the sale of lottery tickets 78729
for which the agent receives a compensation. 78730

(H) Pending a final resolution of any question arising under 78731

this section, the director of the state lottery commission may 78732
issue a temporary lottery sales agent license, subject to the 78733
terms and conditions the director considers appropriate. 78734

(I) If a lottery sales agent's rental payments for the 78735
lottery sales agent's premises are determined, in whole or in 78736
part, by the amount of retail sales the lottery sales agent makes, 78737
and if the rental agreement does not expressly provide that the 78738
amount of those retail sales includes the amounts the lottery 78739
sales agent receives from lottery ticket sales, only the amounts 78740
the lottery sales agent receives as compensation from the state 78741
lottery commission for selling lottery tickets shall be considered 78742
to be amounts the lottery sales agent receives from the retail 78743
sales the lottery sales agent makes, for the purpose of computing 78744
the lottery sales agent's rental payments. 78745

Sec. 3770.06. (A) There is hereby created the state lottery 78746
gross revenue fund, which shall be in the custody of the treasurer 78747
of state but shall not be part of the state treasury. All gross 78748
revenues received from sales of lottery tickets, fines, fees, and 78749
related proceeds in connection with the statewide lottery and all 78750
gross proceeds from statewide joint lottery games shall be 78751
deposited into the fund. The treasurer of state shall invest any 78752
portion of the fund not needed for immediate use in the same 78753
manner as, and subject to all provisions of law with respect to 78754
the investment of, state funds. The treasurer of state shall 78755
disburse money from the fund on order of the director of the state 78756
lottery commission or the director's designee. 78757

Except for gross proceeds from statewide joint lottery games, 78758
all revenues of the state lottery gross revenue fund that are not 78759
paid to holders of winning lottery tickets, that are not required 78760
to meet short-term prize liabilities, that are not credited to 78761
lottery sales agents in the form of bonuses, commissions, or 78762

reimbursements, that are not paid to financial institutions to 78763
reimburse those institutions for sales agent nonsufficient funds, 78764
that are not paid to a private lottery manager, and that are 78765
collected from sales agents for remittance to insurers under 78766
contract to provide sales agent bonding services shall be 78767
transferred to the state lottery fund, which is hereby created in 78768
the state treasury. In addition, all revenues of the state lottery 78769
gross revenue fund that represent the gross proceeds from the 78770
statewide joint lottery games and that are not paid to holders of 78771
winning lottery tickets, that are not required to meet short-term 78772
prize liabilities, that are not credited to lottery sales agents 78773
in the form of bonuses, commissions, or reimbursements, that are 78774
not paid to a private lottery manager, and that are not necessary 78775
to cover operating expenses associated with those games or to 78776
otherwise comply with the agreements signed by the governor that 78777
the director enters into under division (J) of section 3770.02 of 78778
the Revised Code or the rules the commission adopts under division 78779
(B)~~(5)~~(4) of section 3770.03 of the Revised Code shall be 78780
transferred to the state lottery fund. All investment earnings of 78781
the fund shall be credited to the fund. Moneys shall be disbursed 78782
from the fund pursuant to vouchers approved by the director or the 78783
private lottery manager. Total disbursements for monetary prize 78784
awards to holders of winning lottery tickets in connection with 78785
the statewide lottery and purchases of goods and services awarded 78786
as prizes to holders of winning lottery tickets shall be of an 78787
amount equal to at least fifty per cent of the total revenue 78788
accruing from the sale of lottery tickets. 78789

(B) Pursuant to Section 6 of Article XV, Ohio Constitution, 78790
there is hereby established in the state treasury the lottery 78791
profits education fund. Whenever, in the judgment of the director 78792
of budget and management, the amount to the credit of the state 78793
lottery fund that does not represent proceeds from statewide joint 78794
lottery games is in excess of that needed to meet the maturing 78795

obligations of the commission and as working capital for its 78796
further operations, the director shall transfer the excess to the 78797
lottery profits education fund in connection with the statewide 78798
lottery. In addition, whenever, in the judgment of the director of 78799
budget and management, the amount to the credit of the state 78800
lottery fund that represents proceeds from statewide joint lottery 78801
games equals the entire net proceeds of those games as described 78802
in division (B)~~(5)~~(4) of section 3770.03 of the Revised Code and 78803
the rules adopted under that division, the director shall transfer 78804
those proceeds to the lottery profits education fund. There shall 78805
also be credited to the fund any repayments of moneys loaned from 78806
the educational excellence investment fund. Investment earnings of 78807
the lottery profits education fund shall be credited to the fund. 78808

The lottery profits education fund shall be used solely for 78809
the support of elementary, secondary, vocational, and special 78810
education programs as determined in appropriations made by the 78811
general assembly, or as provided in applicable bond proceedings 78812
for the payment of debt service on obligations issued to pay costs 78813
of capital facilities, including those for a system of common 78814
schools throughout the state pursuant to section 2n of Article 78815
VIII, Ohio Constitution. When determining the availability of 78816
money in the lottery profits education fund, the director of 78817
budget and management may consider all balances and estimated 78818
revenues of the fund. 78819

(C) There is hereby established in the state treasury the 78820
deferred prizes trust fund. With the approval of the director of 78821
budget and management, an amount sufficient to fund annuity prizes 78822
shall be transferred from the state lottery fund and credited to 78823
the trust fund. The treasurer of state shall credit all earnings 78824
arising from investments purchased under this division to the 78825
trust fund. Within sixty days after the end of each fiscal year, 78826
the treasurer of state shall certify to the director of budget and 78827

management whether the actuarial amount of the trust fund is 78828
sufficient over the fund's life for continued funding of all 78829

worked for each day worked" for individuals for whom the employer 80688
is not required to keep those records under the Fair Labor 80689
Standards Act and its regulations or individuals who are not 80690

occupation, pay rate, hours worked for each day worked, or each 80707
amount paid of any other employee of the employer. "Such 80708
information" does not include hours worked for each day worked by 80709
individuals for whom an employer is not required to keep that 80710
information under the Fair Labor Standards Act and its regulations 80711

(3) "Provide" means that an employer shall provide the 80725
requested information within thirty business days after the date 80726
the employer receives the request, unless either of the following 80727
occurs: 80728

(a) The employer and the employee or person acting on behalf 80729
of the employee agree to some alternative time period for 80730
providing the information. 80731

(b) The thirty-day period would cause a hardship on the 80732
employer under the circumstances, in which case the employer must 80733
provide the requested information as soon as practicable. 80734

(4) A "request" made by an employee or a person acting on 80735

behalf of an employee means a request by an employee or a person 80736
acting on behalf of an employee for the employee's own 80737
information. The employer may require that the employee provide 80738
the employer with a written request that has been signed by the 80739
employee and notarized and that reasonably specifies the 80740
particular information being requested. The employer may require 80741
that the person acting on behalf of an employee provide the 80742
employer with a written request that has been signed by the 80743
employee whose information is being requested and notarized and 80744
that reasonably specifies the particular information being 80745
requested. 80746

(H) In accordance with Section 34a of Article II, Ohio 80747
Constitution, an employee, person acting on behalf of one or more 80748
employees, and any other interested party may file a complaint 80749
with the state for a violation of any provision of Section 34a of 80750
Article II, Ohio Constitution, or any law or regulation 80751
implementing its provisions. Such complaint shall be promptly 80752
investigated and resolved by the state. The employee's name shall 80753

division (H) of this section: 80756

(1) "Complaint" means a complaint of an alleged violation 80757
pertaining to harm suffered by the employee filing the complaint, 80758
by a person acting on behalf of one or more employees, or by an 80759
interested party. 80760

(2) "Acting on behalf of one or more employees" has the same 80761
meaning as "acting on behalf of an employee" in division (G)(2) of 80762
this section. Each employee must provide a separate written and 80763
notarized authorization before the person acting on that 80764
employee's or those employees' behalf may request the name, 80765
address, occupation, pay rate, hours worked for each day worked, 80766
and each amount paid for the particular employee. 80767

(3) "Interested party" means a party who alleges to be 80768
injured by the alleged violation and who has standing to file a 80769

resolved to the satisfaction of the state. 80772

employer's compliance with Section 34a of Article II, Ohio 80778
Constitution, and any law or regulation implementing Section 34a 80779
of Article II, Ohio Constitution. The employer shall make 80780
available to the state any records related to such investigation 80781
and other information required for enforcement of Section 34a of 80782
Article II, Ohio Constitution or any law or regulation 80783
implementing Section 34a of Article II, Ohio Constitution. The 80784
state shall investigate an employer's compliance with this section 80785
in accordance with the procedures described in section 4111.04 of 80786
the Revised Code. All records and information related to 80787
investigations by the state are confidential and are not a public 80788
record subject to section 149.43 of the Revised Code. This 80789
division does not prevent the state from releasing to or 80790
exchanging with other state and federal wage and hour regulatory 80791
authorities information related to investigations. 80792

(J) In accordance with Section 34a of Article II, Ohio 80793
Constitution, damages shall be calculated as an additional two 80794
times the amount of the back wages and in the case of a violation 80795
of an anti-retaliation provision an amount set by the state or 80796
court sufficient to compensate the employee and deter future 80797
violations, but not less than one hundred fifty dollars for each 80798

Constitution, an action for equitable and monetary relief may be 80804
brought against an employer by the attorney general and/or an 80805
employee or person acting on behalf of an employee or all 80806
similarly situated employees in any court of competent 80807
jurisdiction, including the court of common pleas of an employee's 80808
county of residence, for any violation of Section 34a of Article 80809
II, Ohio Constitution, or any law or regulation implementing its 80810
provisions within three years of the violation or of when the 80811
violation ceased if it was of a continuing nature, or within one 80812
year after notification to the employee of final disposition by 80813
the state of a complaint for the same violation, whichever is 80814

first gives written consent to become such a party plaintiff and 80823
that consent is filed with the court in which the action is 80824
brought. 80825

(3) A civil action regarding an alleged violation of this 80826
section shall be maintained only under division (K) of this 80827
section. This division does not preclude the joinder in a single 80828
civil action of an action under this division and an action under 80829

Nothing in division (L) of this section affects the right of an employer and employee to agree to submit a dispute under this section to alternative dispute resolution, including, but not limited to, arbitration, in lieu of maintaining the civil suit specified in division (K) of this section. Nothing in this division limits the state's ability to investigate or enforce this section.

(M) An employer who provides such information specified in Section 34a of Article II, Ohio Constitution, shall be immune from any civil liability for injury, death, or loss to person or property that otherwise might be incurred or imposed as a result of providing that information to an employee or person acting on behalf of an employee in response to a request by the employee or person, and the employer shall not be subject to the provisions of Chapters 1347. and 1349. of the Revised Code to the extent that such provisions would otherwise apply. lower tier subcontractor, or lower tier material supplier shall 81064
pay the lower tier subcontractor or lower tier material supplier, 81065
in addition to the retainage due, interest in the amount of 81066

~~director. Upon receipt thereof, the director shall cease~~ 81507

injured persons the remedies specified under sections 4115.03 to 81518

appeal or action pursuant to under this section all files, 81523

shall not be construed as affecting any employee for whom the 82272
state employment relations board has established an appropriate 82273
bargaining unit under section 4117.06 of the Revised Code. All 82274
positions of employment in the bureau are in the classified civil 82275

pursuant to this division to a position in the unclassified 82289
service shall retain the right to resume the position and status 82290
held by the person in the classified service immediately prior to 82291
the person's appointment in the unclassified service, regardless 82292
of the number of positions the person held in the unclassified 82293
service. An employee's right to resume a position in the 82294
classified service may only be exercised when the administrator 82295

service or is otherwise unavailable, the person shall be appointed 82315
to a position in the classified service within the bureau that the 82316
director of administrative services certifies is comparable in 82317
compensation to the position the person previously held in the 82318
classified service. Service in the position in the unclassified 82319

service shall be counted as service in the position in the 82320
classified service held by the person immediately prior to the 82321
person's appointment in the unclassified service. When a person is 82322
reinstated to a position in the classified service as provided in 82323

not affected by this section. Personnel employed by the bureau or 82339
the commission who are subject to Chapter 4117. of the Revised 82340

pursuant to that chapter as it presently exists or is hereafter 82342
amended and nothing in this chapter or Chapter 4123. of the 82343
Revised Code shall be construed as eliminating or interfering with 82344

the employer, the amount of which premium to be paid by each 83028
employer to be determined by the classifications, rules, and rates 83029
made and published by the administrator. The employer shall pay 83030
semiannually a further sum of money into the state insurance fund 83031
as may be ascertained to be due from the employer by applying the 83032
rules of the administrator, and a receipt or certificate 83033
certifying that payment has been made, along with a written notice 83034
as is required in section 4123.54 of the Revised Code, shall be 83035
mailed immediately to the employer by the bureau of workers' 83036

of the payment of the premium, and the proper posting of the 83038
notice constitutes the employer's compliance with the notice 83039

requirement mandated in section 4123.54 of the Revised Code. 83040

The bureau of workers' compensation shall verify with the 83041
secretary of state the existence of all corporations and 83042
organizations making application for workers' compensation 83043
coverage and shall require every such application to include the 83044
employer's federal identification number. 83045

An employer as defined in division (B)(2) of section 4123.01 83046
of the Revised Code who has contracted with a subcontractor is 83047
liable for the unpaid premium due from any subcontractor with 83048
respect to that part of the payroll of the subcontractor that is 83049
for work performed pursuant to the contract with the employer. 83050

be paid by those employers from time to time upon the expiration 83056
of the respective periods for which payments into the fund have 83057
been made by them. 83058

The administrator shall adopt rules to permit employers to 83059
make periodic payments of the semiannual premium due under this 83060
division. The rules shall include provisions for the assessment of 83061
interest charges, where appropriate, and for the assessment of 83062
penalties when an employer fails to make timely premium payments. 83063
An employer who timely pays the amounts due under this division is 83064
entitled to all of the benefits and protections of this chapter. 83065
Upon receipt of payment, the bureau immediately shall mail a 83066
receipt or certificate to the employer certifying that payment has 83067
been made, which receipt is prima-facie evidence of payment. 83068
Workers' compensation coverage under this chapter continues 83069
uninterrupted upon timely receipt of payment under this division. 83070

Every public employer, except public employers that are 83071
self-insuring employers under this section, shall comply with 83072
sections 4123.38 to 4123.41, and 4123.48 of the Revised Code in 83073

(B) Employers who will abide by the rules of the 83075
administrator and who may be of sufficient financial ability to 83076

provided for in sections 4123.52, 4123.55 to 4123.62, and 4123.64 83081
to 4123.67 of the Revised Code, and who do not desire to insure 83082
the payment thereof or indemnify themselves against loss sustained 83083
by the direct payment thereof, upon a finding of such facts by the 83084
administrator, may be granted the privilege to pay individually 83085
compensation, and furnish medical, surgical, nursing, and hospital 83086
services and attention and funeral expenses directly to injured 83087
employees or the dependents of killed employees, thereby being 83088
granted status as a self-insuring employer. The administrator may 83089
charge employers who apply for the status as a self-insuring 83090
employer a reasonable application fee to cover the bureau's costs 83091
in connection with processing and making a determination with 83092
respect to an application. 83093

All employers granted status as self-insuring employers shall 83094
demonstrate sufficient financial and administrative ability to 83095
assure that all obligations under this section are promptly met. 83096
The administrator shall deny the privilege where the employer is 83097
unable to demonstrate the employer's ability to promptly meet all 83098
the obligations imposed on the employer by this section. 83099

(1) The administrator shall consider, but is not limited to, 83100
the following factors, where applicable, in determining the 83101
employer's ability to meet all of the obligations imposed on the 83102

employer by this section:	83103
(a) The employer employs a minimum of five hundred employees in this state;	83104 83105
(b) The employer has operated in this state for a minimum of two years, provided that an employer who has purchased, acquired, or otherwise succeeded to the operation of a business, or any part thereof, situated in this state that has operated for at least two years in this state, also shall qualify;	83106 83107 83108 83109 83110
(c) Where the employer previously contributed to the state insurance fund or is a successor employer as defined by bureau rules, the amount of the buyout, as defined by bureau rules;	83111 83112 83113
(d) The sufficiency of the employer's assets located in this state to insure the employer's solvency in paying compensation directly;	83114 83115 83116
(e) The financial records, documents, and data, certified by a certified public accountant, necessary to provide the employer's full financial disclosure. The records, documents, and data include, but are not limited to, balance sheets and profit and loss history for the current year and previous four years.	83117 83118 83119 83120 83121
(f) The employer's organizational plan for the administration of the workers' compensation law;	83122 83123
(g) The employer's proposed plan to inform employees of the change from a state fund insurer to a self-insuring employer, the procedures the employer will follow as a self-insuring employer, and the employees' rights to compensation and benefits; and	83124 83125 83126 83127
(h) The employer has either an account in a financial institution in this state, or if the employer maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the employer clearly indicates that payment will	83128 83129 83130 83131 83132

be honored by a financial institution in this state. 83133

The administrator may waive the requirements of divisions 83134
(B)(1)(a) and (b) of this section and the requirement of division 83135
(B)(1)(e) of this section that the financial records, documents, 83136
and data be certified by a certified public accountant. The 83137
administrator shall adopt rules establishing the criteria that an 83138
employer shall meet in order for the administrator to waive the 83139
requirement of division (B)(1)(e) of this section. Such rules may 83140
require additional security of that employer pursuant to division 83141
(E) of section 4123.351 of the Revised Code. 83142

The administrator shall not grant the status of self-insuring 83143
employer to the state, except that the administrator may grant the 83144
status of self-insuring employer to a state institution of higher 83145
education, excluding its hospitals, that meets the requirements of 83146
division (B)(2) of this section. 83147

(2) When considering the application of a public employer, 83148
except for a board of county commissioners described in division 83149
(G) of section 4123.01 of the Revised Code, a board of a county 83150
hospital, or a publicly owned utility, the administrator shall 83151
verify that the public employer satisfies all of the following 83152
requirements as the requirements apply to that public employer: 83153

(a) For the two-year period preceding application under this 83154
section, the public employer has maintained an unvoted debt 83155
capacity equal to at least two times the amount of the current 83156
annual premium established by the administrator under this chapter 83157
for that public employer for the year immediately preceding the 83158
year in which the public employer makes application under this 83159
section. 83160

(b) For each of the two fiscal years preceding application 83161
under this section, the unreserved and undesignated year-end fund 83162
balance in the public employer's general fund is equal to at least 83163

five per cent of the public employer's general fund revenues for 83164
the fiscal year computed in accordance with generally accepted 83165
accounting principles. 83166

(c) For the five-year period preceding application under this 83167
section, the public employer, to the extent applicable, has 83168
complied fully with the continuing disclosure requirements 83169
established in rules adopted by the United States securities and 83170
exchange commission under 17 C.F.R. 240.15c 2-12. 83171

(d) For the five-year period preceding application under this 83172
section, the public employer has not had its local government fund 83173
distribution withheld on account of the public employer being 83174
indebted or otherwise obligated to the state. 83175

(e) For the five-year period preceding application under this 83176
section, the public employer has not been under a fiscal watch or 83177
fiscal emergency pursuant to section 118.023, 118.04, or 3316.03 83178
of the Revised Code. 83179

(f) For the public employer's fiscal year preceding 83180
application under this section, the public employer has obtained 83181
an annual financial audit as required under section 117.10 of the 83182
Revised Code, which has been released by the auditor of state 83183
within seven months after the end of the public employer's fiscal 83184
year. 83185

(g) On the date of application, the public employer holds a 83186
debt rating of Aa3 or higher according to Moody's investors 83187
service, inc., or a comparable rating by an independent rating 83188
agency similar to Moody's investors service, inc. 83189

(h) The public employer agrees to generate an annual 83190
accumulating book reserve in its financial statements reflecting 83191
an actuarially generated reserve adequate to pay projected claims 83192
under this chapter for the applicable period of time, as 83193
determined by the administrator. 83194

(i) For a public employer that is a hospital, the public employer shall submit audited financial statements showing the hospital's overall liquidity characteristics, and the administrator shall determine, on an individual basis, whether the public employer satisfies liquidity standards equivalent to the liquidity standards of other public employers.

(j) Any additional criteria that the administrator adopts by rule pursuant to division (E) of this section.

The administrator may adopt rules establishing the criteria that a public employer shall satisfy in order for the administrator to waive any of the requirements listed in divisions (B)(2)(a) to (j) of this section. The rules may require additional security from that employer pursuant to division (E) of section 4123.351 of the Revised Code. The administrator shall not waive any of the requirements listed in divisions (B)(2)(a) to (j) of this section for a public employer who does not satisfy the criteria established in the rules the administrator adopts.

(C) A board of county commissioners described in division (G) of section 4123.01 of the Revised Code, as an employer, that will abide by the rules of the administrator and that may be of sufficient financial ability to render certain the payment of compensation to injured employees or the dependents of killed employees, and the furnishing of medical, surgical, nursing, and hospital attention and services and medicines, and funeral expenses, equal to or greater than is provided for in sections 4123.52, 4123.55 to 4123.62, and 4123.64 to 4123.67 of the Revised Code, and that does not desire to insure the payment thereof or indemnify itself against loss sustained by the direct payment thereof, upon a finding of such facts by the administrator, may be granted the privilege to pay individually compensation, and furnish medical, surgical, nursing, and hospital services and attention and funeral expenses directly to injured employees or

the dependents of killed employees, thereby being granted status 83227
as a self-insuring employer. The administrator may charge a board 83228
of county commissioners described in division (G) of section 83229
4123.01 of the Revised Code that applies for the status as a 83230
self-insuring employer a reasonable application fee to cover the 83231
bureau's costs in connection with processing and making a 83232
determination with respect to an application. All employers 83233
granted such status shall demonstrate sufficient financial and 83234
administrative ability to assure that all obligations under this 83235
section are promptly met. The administrator shall deny the 83236
privilege where the employer is unable to demonstrate the 83237
employer's ability to promptly meet all the obligations imposed on 83238
the employer by this section. The administrator shall consider, 83239
but is not limited to, the following factors, where applicable, in 83240
determining the employer's ability to meet all of the obligations 83241
imposed on the board as an employer by this section: 83242

(1) The board as an employer employs a minimum of five 83243
hundred employees in this state; 83244

(2) The board has operated in this state for a minimum of two 83245

directly; 83252

(5) The financial records, documents, and data, certified by 83253
a certified public accountant, necessary to provide the board's 83254
full financial disclosure. The records, documents, and data 83255
include, but are not limited to, balance sheets and profit and 83256
loss history for the current year and previous four years. 83257

(6) The board's organizational plan for the administration of the workers' compensation law; 83258
83259

(7) The board's proposed plan to inform employees of the proposed self-insurance, the procedures the board will follow as a self-insuring employer, and the employees' rights to compensation and benefits; 83260
83261
83262
83263

(8) The board has either an account in a financial institution in this state, or if the board maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the board clearly indicates that payment will be honored by a financial institution in this state; 83264

83266
83267
83268

(9) The board shall provide the administrator a surety bond in an amount equal to one hundred twenty-five per cent of the projected losses as determined by the administrator. 83270
83271
83272

(D) The administrator shall require a surety bond from all self-insuring employers, issued pursuant to section 4123.351 of the Revised Code, that is sufficient to compel, or secure to injured employees, or to the dependents of employees killed, the payment of compensation and expenses, which shall in no event be less than that paid or furnished out of the state insurance fund in similar cases to injured employees or to dependents of killed employees whose employers contribute to the fund, except when an employee of the employer, who has suffered the loss of a hand, arm, foot, leg, or eye prior to the injury for which compensation is to be paid, and thereafter suffers the loss of any other of the members as the result of any injury sustained in the course of and arising out of the employee's employment, the compensation to be paid by the self-insuring employer is limited to the disability suffered in the subsequent injury, additional compensation, if any, to be paid by the bureau out of the surplus created by section 4123.34 of the Revised Code. 83273

(E) In addition to the requirements of this section, the administrator shall make and publish rules governing the manner of making application and the nature and extent of the proof required to justify a finding of fact by the administrator as to granting the status of a self-insuring employer, which rules shall be general in their application, one of which rules shall provide that all self-insuring employers shall pay into the state insurance fund such amounts as are required to be credited to the surplus fund in division (B) of section 4123.34 of the Revised Code. The administrator may adopt rules establishing requirements in addition to the requirements described in division (B)(2) of this section that a public employer shall meet in order to qualify for self-insuring status.

Employers shall secure directly from the bureau central offices application forms upon which the bureau shall stamp a designating number. Prior to submission of an application, an employer shall make available to the bureau, and the bureau shall review, the information described in division (B)(1) of this section, and public employers shall make available, and the bureau shall review, the information necessary to verify whether the public employer meets the requirements listed in division (B)(2) of this section. An employer shall file the completed application forms with an application fee, which shall cover the costs of processing the application, as established by the administrator, by rule, with the bureau at least ninety days prior to the effective date of the employer's new status as a self-insuring employer. The application form is not deemed complete until all the required information is attached thereto. The bureau shall only accept applications that contain the required information.

(F) The bureau shall review completed applications within a reasonable time. If the bureau determines to grant an employer the status as a self-insuring employer, the bureau shall issue a

statement, containing its findings of fact, that is prepared by 83322
the bureau and signed by the administrator. If the bureau 83323
determines not to grant the status as a self-insuring employer, 83324
the bureau shall notify the employer of the determination and 83325
require the employer to continue to pay its full premium into the 83326
state insurance fund. The administrator also shall adopt rules 83327
establishing a minimum level of performance as a criterion for 83328
granting and maintaining the status as a self-insuring employer 83329
and fixing time limits beyond which failure of the self-insuring 83330
employer to provide for the necessary medical examinations and 83331
evaluations may not delay a decision on a claim. 83332

(G) The administrator shall adopt rules setting forth 83333
procedures for auditing the program of self-insuring employers. 83334
The bureau shall conduct the audit upon a random basis or whenever 83335
the bureau has grounds for believing that a self-insuring employer 83336
is not in full compliance with bureau rules or this chapter. 83337

The administrator shall monitor the programs conducted by 83338
self-insuring employers, to ensure compliance with bureau 83339
requirements and for that purpose, shall develop and issue to 83340
self-insuring employers standardized forms for use by the 83341
self-insuring employer in all aspects of the self-insuring 83342
employers' direct compensation program and for reporting of 83343
information to the bureau. 83344

The bureau shall receive and transmit to the self-insuring 83345
employer all complaints concerning any self-insuring employer. In 83346
the case of a complaint against a self-insuring employer, the 83347
administrator shall handle the complaint through the 83348
self-insurance division of the bureau. The bureau shall maintain a 83349
file by employer of all complaints received that relate to the 83350
employer. The bureau shall evaluate each complaint and take 83351
appropriate action. 83352

The administrator shall adopt as a rule a prohibition against 83353

any self-insuring employer from harassing, dismissing, or 83354
otherwise disciplining any employee making a complaint, which rule 83355
shall provide for a financial penalty to be levied by the 83356
administrator payable by the offending self-insuring employer. 83357

(H) For the purpose of making determinations as to whether to 83358
grant status as a self-insuring employer, the administrator may 83359
subscribe to and pay for a credit reporting service that offers 83360
financial and other business information about individual 83361
employers. The costs in connection with the bureau's subscription 83362
or individual reports from the service about an applicant may be 83363
included in the application fee charged employers under this 83364
section. 83365

(I) The administrator, notwithstanding other provisions of 83366
this chapter, may permit a self-insuring employer to resume 83367
payment of premiums to the state insurance fund with appropriate 83368
credit modifications to the employer's basic premium rate as such 83369
rate is determined pursuant to section 4123.29 of the Revised 83370
Code. 83371

(J) On the first day of July of each year, the administrator 83372
shall calculate separately each self-insuring employer's 83373
assessments for the safety and hygiene fund, administrative costs 83374
pursuant to section 4123.342 of the Revised Code, and for the 83375
portion of the surplus fund under division (B) of section 4123.34 83376
of the Revised Code that is not used for handicapped 83377
reimbursement, on the basis of the paid compensation attributable 83378
to the individual self-insuring employer according to the 83379
following calculation: 83380

(1) The total assessment against all self-insuring employers 83381
as a class for each fund and for the administrative costs for the 83382
year that the assessment is being made, as determined by the 83383
administrator, divided by the total amount of paid compensation 83384
for the previous calendar year attributable to all amenable 83385

self-insuring employers; 83386

(2) Multiply the quotient in division (J)(1) of this section 83387
by the total amount of paid compensation for the previous calendar 83388
year that is attributable to the individual self-insuring employer 83389
for whom the assessment is being determined. Each self-insuring 83390
employer shall pay the assessment that results from this 83391
calculation, unless the assessment resulting from this calculation 83392
falls below a minimum assessment, which minimum assessment the 83393
administrator shall determine on the first day of July of each 83394
year with the advice and consent of the bureau of workers' 83395
compensation board of directors, in which event, the self-insuring 83396
employer shall pay the minimum assessment. 83397

In determining the total amount due for the total assessment 83398
against all self-insuring employers as a class for each fund and 83399
the administrative assessment, the administrator shall reduce 83400
proportionately the total for each fund and assessment by the 83401
amount of money in the self-insurance assessment fund as of the 83402
date of the computation of the assessment. 83403

The administrator shall calculate the assessment for the 83404
portion of the surplus fund under division (B) of section 4123.34 83405
of the Revised Code that is used for handicapped reimbursement in 83406
the same manner as set forth in divisions (J)(1) and (2) of this 83407
section except that the administrator shall calculate the total 83408
assessment for this portion of the surplus fund only on the basis 83409
of those self-insuring employers that retain participation in the 83410
handicapped reimbursement program and the individual self-insuring 83411
employer's proportion of paid compensation shall be calculated 83412
only for those self-insuring employers who retain participation in 83413
the handicapped reimbursement program. The administrator, as the 83414
administrator determines appropriate, may determine the total 83415
assessment for the handicapped portion of the surplus fund in 83416
accordance with sound actuarial principles. 83417

The administrator shall calculate the assessment for the 83418
portion of the surplus fund under division (B) of section 4123.34 83419
of the Revised Code that under division (D) of section 4121.66 of 83420
the Revised Code is used for rehabilitation costs in the same 83421
manner as set forth in divisions (J)(1) and (2) of this section, 83422
except that the administrator shall calculate the total assessment 83423
for this portion of the surplus fund only on the basis of those 83424
self-insuring employers who have not made the election to make 83425
payments directly under division (D) of section 4121.66 of the 83426
Revised Code and an individual self-insuring employer's proportion 83427
of paid compensation only for those self-insuring employers who 83428
have not made that election. 83429

The administrator shall calculate the assessment for the 83430
portion of the surplus fund under division (B) of section 4123.34 83431
of the Revised Code that is used for reimbursement to a 83432
self-insuring employer under division (H) of section 4123.512 of 83433
the Revised Code in the same manner as set forth in divisions 83434
(J)(1) and (2) of this section except that the administrator shall 83435
calculate the total assessment for this portion of the surplus 83436
fund only on the basis of those self-insuring employers that 83437
retain participation in reimbursement to the self-insuring 83438
employer under division (H) of section 4123.512 of the Revised 83439
Code and the individual self-insuring employer's proportion of 83440
paid compensation shall be calculated only for those self-insuring 83441
employers who retain participation in reimbursement to the 83442
self-insuring employer under division (H) of section 4123.512 of 83443
the Revised Code. 83444

An employer who no longer is a self-insuring employer in this 83445
state or who no longer is operating in this state, shall continue 83446
to pay assessments for administrative costs and for the portion of 83447
the surplus fund under division (B) of section 4123.34 of the 83448
Revised Code that is not used for handicapped reimbursement, based 83449

upon paid compensation attributable to claims that occurred while 83450
the employer was a self-insuring employer within this state. 83451

~~(K) The administrator shall deposit any moneys received from 83452
a self-insuring employer for the self-insuring employer's 83453
assessment to pay the costs solely attributable to the workers' 83454
compensation council into the administrative assessment account 83455
described in division (B) of section 4123.342 of the Revised Code 83456
for the administrative cost assessment collected by the 83457
administrator for the council. There is hereby created in the 83458
state treasury the self-insurance assessment fund. All investment 83459
earnings of the fund shall be deposited in the fund. The 83460
administrator shall use the money in the self-insurance assessment 83461
fund only for administrative costs as specified in section 83462
4123.341 of the Revised Code. 83463~~

(L) Every self-insuring employer shall certify, in affidavit 83464
form subject to the penalty for perjury, to the bureau the amount 83465
of the self-insuring employer's paid compensation for the previous 83466
calendar year. In reporting paid compensation paid for the 83467
previous year, a self-insuring employer shall exclude from the 83468
total amount of paid compensation any reimbursement the 83469
self-insuring employer receives in the previous calendar year from 83470
the surplus fund pursuant to section 4123.512 of the Revised Code 83471
for any paid compensation. The self-insuring employer also shall 83472
exclude from the paid compensation reported any amount recovered 83473
under section 4123.931 of the Revised Code and any amount that is 83474
determined not to have been payable to or on behalf of a claimant 83475
in any final administrative or judicial proceeding. The 83476
self-insuring employer shall exclude such amounts from the paid 83477
compensation reported in the reporting period subsequent to the 83478
date the determination is made. The administrator shall adopt 83479
rules, in accordance with Chapter 119. of the Revised Code, that 83480
provide for all of the following: 83481

(1) Establishing the date by which self-insuring employers 83482
must submit such information and the amount of the assessments 83483
provided for in division (J) of this section for employers who 83484
have been granted self-insuring status within the last calendar 83485
year; 83486

(2) If an employer fails to pay the assessment when due, the 83487
administrator may add a late fee penalty of not more than five 83488
hundred dollars to the assessment plus an additional penalty 83489
amount as follows: 83490

(a) For an assessment from sixty-one to ninety days past due, 83491
the prime interest rate, multiplied by the assessment due; 83492

(b) For an assessment from ninety-one to one hundred twenty 83493
days past due, the prime interest rate plus two per cent, 83494
multiplied by the assessment due; 83495

(c) For an assessment from one hundred twenty-one to one 83496
hundred fifty days past due, the prime interest rate plus four per 83497
cent, multiplied by the assessment due; 83498

(d) For an assessment from one hundred fifty-one to one 83499
hundred eighty days past due, the prime interest rate plus six per 83500
cent, multiplied by the assessment due; 83501

(e) For an assessment from one hundred eighty-one to two 83502
hundred ten days past due, the prime interest rate plus eight per 83503
cent, multiplied by the assessment due; 83504

(f) For each additional thirty-day period or portion thereof 83505
that an assessment remains past due after it has remained past due 83506
for more than two hundred ten days, the prime interest rate plus 83507
eight per cent, multiplied by the assessment due. 83508

(3) An employer may appeal a late fee penalty and penalty 83509
assessment to the administrator. 83510

For purposes of division (L)(2) of this section, "prime 83511

interest rate" means the average bank prime rate, and the 83512
administrator shall determine the prime interest rate in the same 83513
manner as a county auditor determines the average bank prime rate 83514
under section 929.02 of the Revised Code. 83515

The administrator shall include any assessment and penalties 83516
that remain unpaid for previous assessment periods in the 83517
calculation and collection of any assessments due under this 83518
division or division (J) of this section. 83519

(M) As used in this section, "paid compensation" means all 83520
amounts paid by a self-insuring employer for living maintenance 83521
benefits, all amounts for compensation paid pursuant to sections 83522
4121.63, 4121.67, 4123.56, 4123.57, 4123.58, 4123.59, 4123.60, and 83523
4123.64 of the Revised Code, all amounts paid as wages in lieu of 83524
such compensation, all amounts paid in lieu of such compensation 83525
under a nonoccupational accident and sickness program fully funded 83526
by the self-insuring employer, and all amounts paid by a 83527
self-insuring employer for a violation of a specific safety 83528
standard pursuant to Section 35 of Article II, Ohio Constitution 83529
and section 4121.47 of the Revised Code. 83530

(N) Should any section of this chapter or Chapter 4121. of 83531
the Revised Code providing for self-insuring employers' 83532
assessments based upon compensation paid be declared 83533
unconstitutional by a final decision of any court, then that 83534
section of the Revised Code declared unconstitutional shall revert 83535
back to the section in existence prior to November 3, 1989, 83536
providing for assessments based upon payroll. 83537

(O) The administrator may grant a self-insuring employer the 83538
privilege to self-insure a construction project entered into by 83539
the self-insuring employer that is scheduled for completion within 83540
six years after the date the project begins, and the total cost of 83541
which is estimated to exceed one hundred million dollars or, for 83542
employers described in division (R) of this section, if the 83543

construction project is estimated to exceed twenty-five million 83544
dollars. The administrator may waive such cost and time criteria 83545
and grant a self-insuring employer the privilege to self-insure a 83546
construction project regardless of the time needed to complete the 83547
construction project and provided that the cost of the 83548
construction project is estimated to exceed fifty million dollars. 83549
A self-insuring employer who desires to self-insure a construction 83550
project shall submit to the administrator an application listing 83551
the dates the construction project is scheduled to begin and end, 83552
the estimated cost of the construction project, the contractors 83553
and subcontractors whose employees are to be self-insured by the 83554
self-insuring employer, the provisions of a safety program that is 83555
specifically designed for the construction project, and a 83556
statement as to whether a collective bargaining agreement 83557
governing the rights, duties, and obligations of each of the 83558
parties to the agreement with respect to the construction project 83559
exists between the self-insuring employer and a labor 83560
organization. 83561

A self-insuring employer may apply to self-insure the 83562
employees of either of the following: 83563

(1) All contractors and subcontractors who perform labor or 83564
work or provide materials for the construction project; 83565

(2) All contractors and, at the administrator's discretion, a 83566
substantial number of all the subcontractors who perform labor or 83567
work or provide materials for the construction project. 83568

Upon approval of the application, the administrator shall 83569
mail a certificate granting the privilege to self-insure the 83570
construction project to the self-insuring employer. The 83571
certificate shall contain the name of the self-insuring employer 83572
and the name, address, and telephone number of the self-insuring 83573
employer's representatives who are responsible for administering 83574
workers' compensation claims for the construction project. The 83575

self-insuring employer shall post the certificate in a conspicuous place at the site of the construction project. 83576
83577

Any such transfer shall be treated as an absolute conveyance and true sale of the interest in the enterprise acquisition project purported to be conveyed for all purposes, and not as a pledge or other security interest. The characterization of any such transfer as a true sale and absolute conveyance shall not be negated or adversely affected by the acquisition or retention by the state of a residual interest in the enterprise acquisition project, the participation of any state officer or employee as a member or officer of, or provision of staff support to, JobsOhio, any responsibility an officer or employee of the state may have to collect amounts to be received by JobsOhio from the enterprise acquisition project, or the retention of the state of any legal title to or interest in any portion of the enterprise acquisition project for the purpose of these collection activities, or any characterization of JobsOhio or obligations of JobsOhio under accounting, taxation, or securities regulations, or any other reason whatsoever. An absolute conveyance and true sale or lease shall exist under this section regardless of whether JobsOhio has any recourse against the state or the treatment or characterization of the transfer as a financing for any purpose. acquisition project as will not interfere with its use of such 84965
property. Such sale, lease, release, disposition, or grant may be 84966
made without competitive bidding and in such manner and for such 84967

the second paragraph of division (A) and division (D) of this 84975
section. 84976

(D) The transfer agreement may authorize JobsOhio to fix, 84977
alter, and collect rentals and other charges for the use and 84978
occupancy of all or any portion of the enterprise acquisition 84979
project and to lease any portion of the enterprise acquisition 84980
project to others, and shall include a contract with, or the 84981

(E) JobsOhio, the director of budget and management, the 84988
director of commerce, and the director of development may also, 84989
without need for any other approval, enter into a contract, which 84990
may be part of the transfer agreement, for the continuing 84991
operation by the division of liquor control of spirituous liquor 84992
distribution and merchandising subject to standards for 84993
performance provided in that contract that may relate to or 84994
support division (C)(1) of this section. The contract may 84995
establish other terms and conditions for the assignment of duties 84996
to, and the provision of advice, services, and other assistance 84997
by, the division of liquor control, including providing for the 84998
necessary staffing and payment by JobsOhio of appropriate 84999
compensation to the division for the performance of such duties 85000
and the provision of such advice, services, and other assistance. 85001
The provisions of, and activities under, any such contract are 85002

subject to the requirements of, and limitations established under, 85003
divisions (A)(1), (3), and (5) and (B)(4) of section 4301.10 and 85004
section 4301.17 of the Revised Code. 85005

(F) The transfer agreement shall require JobsOhio to pay for 85006

Sec. 4503.03. (A)(1)(a) The registrar of motor vehicles may 85012
designate the county auditor in each county a deputy registrar. If 85013
the population of a county is forty thousand or less according to 85014
the last federal census and if the county auditor is designated by 85015
the registrar as a deputy registrar, no other person need be 85016
designated in the county to act as a deputy registrar. 85017

(b) The registrar may designate a clerk of a court of common 85018
pleas as a deputy registrar if the population of the county is 85019
forty thousand or less according to the last federal census. In a 85020
county with a population greater than forty thousand but not more 85021
than fifty thousand according to the last federal census, the 85022
clerk of a court of common pleas is eligible to act as a deputy 85023
registrar and may participate in the competitive selection process 85024
for the award of a deputy registrar contract by applying in the 85025
same manner as any other person. All fees collected and retained 85026
by a clerk for conducting deputy registrar services shall be paid 85027
into the county treasury to the credit of the certificate of title 85028
administration fund created under section 325.33 of the Revised 85029
Code. 85030

(c) In all other instances, the registrar shall contract with 85031
one or more other persons in each county to act as deputy 85032
registrars. Notwithstanding the county population restrictions in 85033

division (A)(1)(b) of this section, if no person applies to act 85034
under contract as a deputy registrar in a county and the county 85035
auditor is not designated as a deputy registrar, the registrar may 85036
ask the clerk of a court of common pleas to serve as the deputy 85037
registrar for that county. 85038

(2) Deputy registrars shall accept applications for the 85039
annual license tax for any vehicle not taxed under section 4503.63 85040
of the Revised Code and shall assign distinctive numbers in the 85041
same manner as the registrar. Such deputies shall be located in 85042
such locations in the county as the registrar sees fit. There 85043
shall be at least one deputy registrar in each county. 85044

Deputy registrar contracts are subject to the provisions of 85045
division (B) of section 125.081 of the Revised Code. 85046

(B) The registrar shall not contract with any person to act 85047
as a deputy registrar if the person or, where applicable, the 85048
person's spouse or a member of the person's immediate family has 85049
made, within the current calendar year or any one of the previous 85050
three calendar years, one or more contributions totaling in excess 85051
of one hundred dollars to any person or entity included in 85052
division (A)(2) of section 4503.033 of the Revised Code. As used 85053
in this division, "immediate family" has the same meaning as in 85054
division (D) of section 102.01 of the Revised Code, and "entity" 85055
includes any political party and any "continuing association" as 85056
defined in division (B)(4) of section 3517.01 of the Revised Code 85057
or "political action committee" as defined in division (B)(8) of 85058
that section that is primarily associated with that political 85059
party. For purposes of this division, contributions to any 85060
continuing association or any political action committee that is 85061
primarily associated with a political party shall be aggregated 85062
with contributions to that political party. 85063

The contribution limitations contained in this division do 85064
not apply to any county auditor or clerk of a court of common 85065

pleas. A county auditor or clerk of a court of common pleas is not 85066
required to file the disclosure statement or pay the filing fee 85067
required under section 4503.033 of the Revised Code. The 85068
limitations of this division also do not apply to a deputy 85069
registrar who, subsequent to being awarded a deputy registrar 85070
contract, is elected to an office of a political subdivision. 85071

The registrar shall not contract with either of the following 85072
to act as a deputy registrar: 85073

(1) Any elected public official other than a county auditor 85074
or, as authorized by division (A)(1)(b) of this section, a clerk 85075
of a court of common pleas, acting in an official capacity, except 85076
that, the registrar shall continue and may renew a contract with 85077
any deputy registrar who, subsequent to being awarded a deputy 85078
registrar contract, is elected to an office of a political 85079
subdivision; 85080

(2) Any person holding a current, valid contract to conduct 85081
motor vehicle inspections under section 3704.14 of the Revised 85082
Code. 85083

As used in division (B) of this section, "political 85084
subdivision" has the same meaning as in section 3501.01 of the 85085
Revised Code. 85086

(C)(1) Except as provided in division (C)(2) of this section, 85087
deputy registrars are independent contractors and neither they nor 85088
their employees are employees of this state, except that nothing 85089
in this section shall affect the status of county auditors or 85090
clerks of courts of common pleas as public officials, nor the 85091
status of their employees as employees of any of the counties of 85092
this state, which are political subdivisions of this state. Each 85093
deputy registrar shall be responsible for the payment of all 85094
unemployment compensation premiums, all workers' compensation 85095
premiums, social security contributions, and any and all taxes for 85096

which the deputy registrar is legally responsible. Each deputy registrar shall comply with all applicable federal, state, and local laws requiring the withholding of income taxes or other taxes from the compensation of the deputy registrar's employees. Each deputy registrar shall maintain during the entire term of the deputy registrar's contract a policy of business liability insurance satisfactory to the registrar and shall hold the department of public safety, the director of public safety, the bureau of motor vehicles, and the registrar harmless upon any and all claims for damages arising out of the operation of the deputy registrar agency.

(2) For purposes of Chapter 4141. of the Revised Code, determinations concerning the employment of deputy registrars and their employees shall be made under Chapter 4141. of the Revised Code.

(D)(1) With the approval of the director, the registrar shall adopt rules governing the terms of the contract between the registrar and each deputy registrar and specifications for the services to be performed. The rules shall include specifications relating to the amount of bond to be given as provided in this section; the size and location of the deputy's office; and the leasing of equipment necessary to conduct the vision screenings required under section 4507.12 of the Revised Code and training in the use of the equipment. The specifications shall permit and encourage every deputy registrar to inform the public of the location of the deputy registrar's office and hours of operation by means of public service announcements and allow any deputy registrar to advertise in regard to the operation of the deputy registrar's office. The rules also shall include specifications for the hours the deputy's office is to be open to the public and shall require as a minimum that one deputy's office in each county be open to the public for at least four hours each weekend,

provided that if only one deputy's office is located within the 85129
boundary of the county seat, that office is the office that shall 85130
be open for the four-hour period each weekend, and that every 85131
deputy's office in each county shall be open to the public until 85132
six-thirty p.m. on at least one weeknight each week. The rules 85133
also shall include specifications providing that every deputy in 85134
each county, upon request, provide any person with information 85135
about the location and office hours of all deputy registrars in 85136
the county and that every deputy prominently display within the 85137
deputy's office, the toll-free telephone number of the bureau. The 85138
rules shall not prohibit the award of a deputy registrar contract 85139
to a nonprofit corporation formed under the laws of this state. 85140
The rules shall prohibit any deputy registrar from operating more 85141
than one such office at any time, except that the rules may permit 85142
a nonprofit corporation formed for the purposes of providing 85143
automobile-related services to its members or the public and that 85144
provides such services from more than one location in this state 85145
to operate a deputy registrar office at any such location, 85146
provided that the nonprofit corporation operates no more than one 85147
deputy registrar office in any one county. The rules may include 85148
such other specifications as the registrar and director consider 85149
necessary to provide a high level of service. 85150

~~The rules shall establish procedures for a deputy registrar 85151
who requests such authority to collect reinstatement fees under 85152
sections 4507.1612, 4507.45, 4509.101, 4509.81, 4510.10, 4510.22, 85153
4510.72, and 4511.191 of the Revised Code and to transmit the 85154
reinstatement fees and two dollars of the service fee collected 85155
under those sections. The registrar shall ensure that, not later 85156
than January 1, 2012, at least one deputy registrar in each county 85157
has the necessary equipment and is able to accept reinstatement 85158
fees. The registrar shall deposit the service fees received from a 85159
deputy registrar under those sections into the state bureau of 85160
motor vehicles fund created in section 4501.25 of the Revised Code 85161~~

~~and shall use the money for deputy registrar equipment necessary~~ 85162
~~in connection with accepting reinstatement fees.~~ 85163

(2) As a daily adjustment, the bureau of motor vehicles shall 85164
credit to a deputy registrar three dollars and fifty cents for 85165
each damaged license plate or validation sticker the deputy 85166
registrar replaces as a service to a member of the public. 85167

(3) With the prior approval of the registrar, each deputy 85168
registrar may conduct at the location of the deputy registrar's 85169
office any business that is consistent with the functions of a 85170
deputy registrar and that is not specifically mandated or 85171
authorized by this or another chapter of the Revised Code or by 85172
implementing rules of the registrar. 85173

In accordance with guidelines the director of public safety 85174
shall establish, a deputy registrar may operate or contract for 85175
the operation of a vending machine at a deputy registrar location 85176
if products of the vending machine are consistent with the 85177
functions of a deputy registrar. 85178

(4) As used in this section and in section 4507.01 of the 85179
Revised Code, "nonprofit corporation" has the same meaning as in 85180
section 1702.01 of the Revised Code. 85181

(E) Unless otherwise terminated and except for interim 85182
contracts of less than one year, contracts with deputy registrars 85183
shall be for a term of at least two years, but no more than three 85184
years, and all contracts effective on or after July 1, 1996, shall 85185
be for a term of more than two years, but not more than three 85186
years. All contracts with deputy registrars shall expire on the 85187
last Saturday of June in the year of their expiration. The auditor 85188
of state may examine the accounts, reports, systems, and other 85189
data of each deputy registrar at least every two years. The 85190
registrar, with the approval of the director, shall immediately 85191
remove a deputy who violates any provision of the Revised Code 85192

related to the duties as a deputy, any rule adopted by the registrar, or a term of the deputy's contract with the registrar. The registrar also may remove a deputy who, in the opinion of the registrar, has engaged in any conduct that is either unbecoming to one representing this state or is inconsistent with the efficient operation of the deputy's office.

If the registrar, with the approval of the director, determines that there is good cause to believe that a deputy registrar or a person proposing for a deputy registrar contract has engaged in any conduct that would require the denial or termination of the deputy registrar contract, the registrar may require the production of books, records, and papers as the registrar determines are necessary, and may take the depositions of witnesses residing within or outside the state in the same manner as is prescribed by law for the taking of depositions in civil actions in the court of common pleas, and for that purpose the registrar may issue a subpoena for any witness or a subpoena duces tecum to compel the production of any books, records, or papers, directed to the sheriff of the county where the witness resides or is found. Such a subpoena shall be served and returned in the same manner as a subpoena in a criminal case is served and returned. The fees of the sheriff shall be the same as that allowed in the court of common pleas in criminal cases. Witnesses shall be paid the fees and mileage provided for under section 119.094 of the Revised Code. The fees and mileage shall be paid from the fund in the state treasury for the use of the agency in the same manner as other expenses of the agency are paid.

In any case of disobedience or neglect of any subpoena served on any person or the refusal of any witness to testify to any matter regarding which the witness lawfully may be interrogated, the court of common pleas of any county where the disobedience, neglect, or refusal occurs or any judge of that court, on

application by the registrar, shall compel obedience by attachment 85225
proceedings for contempt, as in the case of disobedience of the 85226
requirements of a subpoena issued from that court, or a refusal to 85227
testify in that court. 85228

Nothing in this division shall be construed to require a 85229
hearing of any nature prior to the termination of any deputy 85230
registrar contract by the registrar, with the approval of the 85231
director, for cause. 85232

(F) Except as provided in section 2743.03 of the Revised 85233
Code, no court, other than the court of common pleas of Franklin 85234
county, has jurisdiction of any action against the department of 85235
public safety, the director, the bureau, or the registrar to 85236
restrain the exercise of any power or authority, or to entertain 85237
any action for declaratory judgment, in the selection and 85238
appointment of, or contracting with, deputy registrars. Neither 85239
the department, the director, the bureau, nor the registrar is 85240
liable in any action at law for damages sustained by any person 85241
because of any acts of the department, the director, the bureau, 85242
or the registrar, or of any employee of the department or bureau, 85243
in the performance of official duties in the selection and 85244
appointment of, and contracting with, deputy registrars. 85245

(G) The registrar shall assign to each deputy registrar a 85246
series of numbers sufficient to supply the demand at all times in 85247
the area the deputy registrar serves, and the registrar shall keep 85248
a record in the registrar's office of the numbers within the 85249
series assigned. Each deputy shall be required to give bond in the 85250
amount of at least twenty-five thousand dollars, or in such higher 85251
amount as the registrar determines necessary, based on a uniform 85252
schedule of bond amounts established by the registrar and 85253
determined by the volume of registrations handled by the deputy. 85254
The form of the bond shall be prescribed by the registrar. The 85255
bonds required of deputy registrars, in the discretion of the 85256

registrar, may be individual or schedule bonds or may be included 85257
in any blanket bond coverage carried by the department. 85258

(H) Each deputy registrar shall keep a file of each 85259
application received by the deputy and shall register that motor 85260
vehicle with the name and address of its owner. 85261

(I) Upon request, a deputy registrar shall make the physical 85262
inspection of a motor vehicle and issue the physical inspection 85263
certificate required in section 4505.061 of the Revised Code. 85264

(d) The county auditor has placed the home on the real property tax list and delivered the certificate of title to the clerk of the court of common pleas that issued it and the clerk has inactivated the certificate.

(C)(1) Any mobile or manufactured home that is not taxed as real property as provided in division (B) of this section is subject to an annual manufactured home tax, payable by the owner, for locating the home in this state. The tax as levied in this section is for the purpose of supplementing the general revenue funds of the local subdivisions in which the home has its situs pursuant to this section.

(2) The year for which the manufactured home tax is levied commences on the first day of January and ends on the following thirty-first day of December. in which the home has its situs as follows: 85335

(1) On a home that acquired situs in this state prior to 85336

authorized under section 4503.065 of the Revised Code. The tax 85341
levied under this formula shall not be less than thirty-six 85342
dollars, unless the home qualifies for a reduction in assessable 85343
value under section 4503.065 of the Revised Code, in which case 85344
there shall be no minimum tax and the tax shall be the amount 85345
calculated under this division. 85346

(b) The assessable value of the home shall be forty per cent 85347
of the amount arrived at by the following computation: 85348

(i) If the cost to the owner, or market value at time of purchase, whichever is greater, of the home includes the furnishings and equipment, such cost or market value shall be multiplied according to the following schedule:

(2) On a home in which ownership was transferred or that 85389
first acquired situs in this state on or after January 1, 2000: 85390

Code, for residential real property of the taxing district in 85393
which the home has its situs, and deducting from the product thus 85394
obtained the reductions required or authorized under section 85395
319.302, division (B) of section 323.152, or section 4503.065 of 85396
the Revised Code. 85397

(b) The assessable value of the home shall be thirty-five per 85398
cent of its true value as determined under division (L) of this 85399
section. 85400

(3) On or before the fifteenth day of January each year, the 85401
county auditor shall record the assessable value and the amount of 85402
tax on the manufactured or mobile home on the tax list and deliver 85403
a duplicate of the list to the county treasurer. In the case of an 85404
emergency as defined in section 323.17 of the Revised Code, the 85405
tax commissioner, by journal entry, may extend the times for 85406
delivery of the duplicate for an additional fifteen days upon 85407
receiving a written application from the county auditor regarding 85408
an extension for the delivery of the duplicate, or from the county 85409
treasurer regarding an extension of the time for the billing and 85410
collection of taxes. The application shall contain a statement 85411
describing the emergency that will cause the unavoidable delay and 85412

must be received by the tax commissioner on or before the last day 85413
of the month preceding the day delivery of the duplicate is 85414
otherwise required. When an extension is granted for delivery of 85415
the duplicate, the time period for payment of taxes shall be 85416
extended for a like period of time. When a delay in the closing of 85417
a tax collection period becomes unavoidable, the tax commissioner, 85418
upon application by the county auditor and county treasurer, may 85419
order the time for payment of taxes to be extended if the tax 85420
commissioner determines that penalties have accrued or would 85421
otherwise accrue for reasons beyond the control of the taxpayers 85422
of the county. The order shall prescribe the final extended date 85423
for payment of taxes for that collection period. 85424

(4) After January 1, 1999, the owner of a manufactured or 85425
mobile home taxed pursuant to division (D)(1) of this section may 85426
elect to have the home taxed pursuant to division (D)(2) of this 85427
section by filing a written request with the county auditor of the 85428
taxing district in which the home is located on or before the 85429
first day of December of any year. Upon the filing of the request, 85430
the county auditor shall determine whether all taxes levied under 85431
division (D)(1) of this section have been paid, and if those taxes 85432
have been paid, the county auditor shall tax the manufactured or 85433
mobile home pursuant to division (D)(2) of this section commencing 85434
in the next tax year. 85435

(5) A manufactured or mobile home that acquired situs in this 85436
state prior to January 1, 2000, shall be taxed pursuant to 85437
division (D)(2) of this section if no manufactured home tax had 85438
been paid for the home and the home was not exempted from taxation 85439
pursuant to division (E) of this section for the year for which 85440
the taxes were not paid. 85441

(6)(a) Immediately upon receipt of any manufactured home tax 85442
duplicate from the county auditor, but not less than twenty days 85443
prior to the last date on which the first one-half taxes may be 85444

paid without penalty as prescribed in division (F) of this 85445
section, the county treasurer shall cause to be prepared and 85446
mailed or delivered to each person charged on that duplicate with 85447
taxes, or to an agent designated by such person, the tax bill 85448
prescribed by the tax commissioner under division (D)(7) of this 85449
section. When taxes are paid by installments, the county treasurer 85450
shall mail or deliver to each person charged on such duplicate or 85451
the agent designated by that person a second tax bill showing the 85452
amount due at the time of the second tax collection. The second 85453
half tax bill shall be mailed or delivered at least twenty days 85454
prior to the close of the second half tax collection period. A 85455
change in the mailing address of any tax bill shall be made in 85456
writing to the county treasurer. Failure to receive a bill 85457
required by this section does not excuse failure or delay to pay 85458
any taxes shown on the bill or, except as provided in division 85459
(B)(1) of section 5715.39 of the Revised Code, avoid any penalty, 85460
interest, or charge for such delay. 85461

(b) After delivery of the copy of the delinquent manufactured 85462
home tax list under division (H) of this section, the county 85463
treasurer may prepare and mail to each person in whose name a home 85464
is listed an additional tax bill showing the total amount of 85465
delinquent taxes charged against the home as shown on the list. 85466
The tax bill shall include a notice that the interest charge 85467
prescribed by division (G) of this section has begun to accrue. 85468

(7) Each tax bill prepared and mailed or delivered under 85469
division (D)(6) of this section shall be in the form and contain 85470
the information required by the tax commissioner. The commissioner 85471
may prescribe different forms for each county and may authorize 85472
the county auditor to make up tax bills and tax receipts to be 85473
used by the county treasurer. The tax bill shall not contain or be 85474
mailed or delivered with any information or material that is not 85475
required by this section or that is not authorized by section 85476

321.45 of the Revised Code or by the tax commissioner. In addition 85477
to the information required by the commissioner, each tax bill 85478
shall contain the following information: 85479

(a) The taxes levied and the taxes charged and payable 85480
against the manufactured or mobile home; 85481

(b) The following notice: "Notice: If the taxes are not paid 85482
within sixty days after the county auditor delivers the delinquent 85483
manufactured home tax list to the county treasurer, you and your 85484
home may be subject to collection proceedings for tax 85485
delinquency." Failure to provide such notice has no effect upon 85486
the validity of any tax judgment to which a home may be subjected. 85487

(c) In the case of manufactured or mobile homes taxed under 85488
division (D)(2) of this section, the following additional 85489
information: 85490

(i) The effective tax rate. The words "effective tax rate" 85491
shall appear in boldface type. 85492

(ii) The following notice: "Notice: If the taxes charged 85493
against this home have been reduced by the 2-1/2 per cent tax 85494
reduction for residences occupied by the owner but the home is not 85495
a residence occupied by the owner, the owner must notify the 85496
county auditor's office not later than March 31 of the year for 85497
which the taxes are due. Failure to do so may result in the owner 85498
being convicted of a fourth degree misdemeanor, which is 85499
punishable by imprisonment up to 30 days, a fine up to \$250, or 85500
both, and in the owner having to repay the amount by which the 85501
taxes were erroneously or illegally reduced, plus any interest 85502
that may apply. 85503

If the taxes charged against this home have not been reduced 85504
by the 2-1/2 per cent tax reduction and the home is a residence 85505
occupied by the owner, the home may qualify for the tax reduction. 85506
To obtain an application for the tax reduction or further 85507

information, the owner may contact the county auditor's office at 85508
..... (insert the address and telephone number of the county 85509
auditor's office)." 85510

not be taxable as personal property pursuant to section 5709.01 of 85516
the Revised Code. 85517

facility. 85531

(3) A travel trailer or park trailer, as these terms are 85532
defined in section 4501.01 of the Revised Code, is subject to this 85533
section and shall be taxed as a manufactured or mobile home if it 85534
has a situs longer than thirty days in one location and is 85535
connected to existing utilities, unless either of the following 85536
applies: 85537

At the option of the owner of the home, the tax for the entire year may be paid in full on the first day of March. 85551

in division (F) of this section has been entered into under 85576
section 323.31 of the Revised Code, no ten per cent penalty shall 85577

interest that accrued during the period that began on the 85592
preceding first day of December and ended on the last day of the 85593
month that included the last date such second installment could be 85594
paid without penalty. The interest shall be computed at the rate 85595
per annum prescribed by section 5703.47 of the Revised Code and 85596
shall be entered as a separate item on the delinquent manufactured 85597
home tax list compiled under division (H) of this section. 85598

in the current year and ended on the immediately preceding last 85604
day of November. The interest shall be computed at the rate per 85605
annum prescribed by section 5703.47 of the Revised Code and shall 85606
be entered as a separate item on the delinquent manufactured home 85607
tax list. 85608

payment of any delinquent taxes, no interest shall be charged 85610
against such delinquent taxes while the undertaking remains in 85611
effect in compliance with section 323.31 of the Revised Code. If a 85612

permitted to be charged while the undertaking was in effect. The 85615
interest shall be charged on the day the undertaking becomes void 85616
and shall equal the amount of interest that would have been 85617

dates on which interest would have been charged thereon under 85619
divisions (G)(1) and (2) of this section had the undertaking not 85620
been in effect. 85621

(3) If the full amount of the taxes due at either of the 85622
times prescribed by division (F) of this section is paid within 85623
ten days after such time, the county treasurer shall waive the 85624
collection of and the county auditor shall remit one-half of the 85625

auditor a list of all tax payments the treasurer has received as 85629
provided in division (G)(3) of this section. The list shall 85630
include any information required by the auditor for the remission 85631
of the penalties waived by the treasurer. The taxes so collected 85632

shall be included in the settlement next succeeding the settlement 85633
then in process. 85634

(H)(1) ~~Beginning in 2000, the~~ The county auditor shall 85635
compile annually a "delinquent manufactured home tax list" 85636

(D)(3) and (F) of this section, have taxes that remain unpaid from 85639
prior years, or have unpaid tax penalties or interest that have 85640
been assessed. 85641

(2) Within thirty days after the settlement under division 85642
(H)(2) of section 321.24 of the Revised Code ~~beginning in 2000,~~ 85643
the county auditor shall deliver a copy of the delinquent 85644
manufactured home tax list to the county treasurer. The auditor 85645

publishing the list among taxing districts in proportion to the 85649
amount of delinquent manufactured home taxes so published that 85650
each taxing district is entitled to receive upon collection of 85651
those taxes, or the county auditor may charge the owner of a home 85652
on the list a flat fee established under section 319.54 of the 85653
Revised Code for the cost of publishing the list and, if the fee 85654
is not paid, may place the fee upon the delinquent manufactured 85655
home tax list as a lien on the listed home, to be collected as 85656
other manufactured home taxes. 85657

(3) When taxes, penalties, or interest are charged against a 85658
person on the delinquent manufactured home tax list and are not 85659
paid within sixty days after the list is delivered to the county 85660
treasurer, the county treasurer shall, in addition to any other 85661
remedy provided by law for the collection of taxes, penalties, and 85662
interest, enforce collection of such taxes, penalties, and 85663
interest by civil action in the name of the treasurer against the 85664

owner for the recovery of the unpaid taxes following the 85665
procedures for the recovery of delinquent real property taxes in 85666
sections 323.25 to 323.28 of the Revised Code. The action may be 85667
brought in municipal or county court, provided the amount charged 85668
does not exceed the monetary limitations for original jurisdiction 85669
for civil actions in those courts. 85670

It is sufficient, having made proper parties to the suit, for 85671
the county treasurer to allege in the treasurer's bill of 85672
particulars or petition that the taxes stand chargeable on the 85673
books of the county treasurer against such person, that they are 85674
due and unpaid, and that such person is indebted in the amount of 85675
taxes appearing to be due the county. The treasurer need not set 85676
forth any other matter relating thereto. If it is found on the 85677
trial of the action that the person is indebted to the state, 85678
judgment shall be rendered in favor of the county treasurer 85679
prosecuting the action. The judgment debtor is not entitled to the 85680
benefit of any law for stay of execution or exemption of property 85681
from levy or sale on execution in the enforcement of the judgment. 85682

Upon the filing of an entry of confirmation of sale or an 85683
order of forfeiture in a proceeding brought under this division, 85684
title to the manufactured or mobile home shall be in the 85685
purchaser. The clerk of courts shall issue a certificate of title 85686
to the purchaser upon presentation of proof of filing of the entry 85687
of confirmation or order and, in the case of a forfeiture, 85688
presentation of the county auditor's certificate of sale. 85689

(I) The total amount of taxes collected shall be distributed 85690
in the following manner: four per cent shall be allowed as 85691
compensation to the county auditor for the county auditor's 85692
service in assessing the taxes; two per cent shall be allowed as 85693
compensation to the county treasurer for the services the county 85694
treasurer renders as a result of the tax levied by this section. 85695
Such amounts shall be paid into the county treasury, to the credit 85696

of the county general revenue fund, on the warrant of the county auditor. Fees to be paid to the credit of the real estate assessment fund shall be collected pursuant to division (C) of section 319.54 of the Revised Code and paid into the county treasury, on the warrant of the county auditor. The balance of the taxes collected shall be distributed among the taxing subdivisions of the county in which the taxes are collected and paid in the same ratio as those taxes were collected for the benefit of the taxing subdivision. The taxes levied and revenues collected under this section shall be in lieu of any general property tax and any tax levied with respect to the privilege of using or occupying a manufactured or mobile home in this state except as provided in sections 4503.04 and 5741.02 of the Revised Code.

(J) An agreement to purchase or a bill of sale for a manufactured home shall show whether or not the furnishings and equipment are included in the purchase price.

(K) If the county treasurer and the county prosecuting attorney agree that an item charged on the delinquent manufactured home tax list is uncollectible, they shall certify that determination and the reasons to the county board of revision. If the board determines the amount is uncollectible, it shall certify its determination to the county auditor, who shall strike the item from the list.

(L)(1) The county auditor shall appraise at its true value any manufactured or mobile home in which ownership is transferred or which first acquires situs in this state on or after January 1, 2000, and any manufactured or mobile home the owner of which has elected, under division (D)(4) of this section, to have the home taxed under division (D)(2) of this section. The true value shall include the value of the home, any additions, and any fixtures, but not any furnishings in the home. In determining the true value of a manufactured or mobile home, the auditor shall consider all

facts and circumstances relating to the value of the home, 85729
including its age, its capacity to function as a residence, any 85730
obsolete characteristics, and other factors that may tend to prove 85731
its true value. 85732

(2)(a) If a manufactured or mobile home has been the subject 85733
of an arm's length sale between a willing seller and a willing 85734
buyer within a reasonable length of time prior to the 85735
determination of true value, the county auditor shall consider the 85736
sale price of the home to be the true value for taxation purposes. 85737

(b) The sale price in an arm's length transaction between a 85738
willing seller and a willing buyer shall not be considered the 85739
true value of the home if either of the following occurred after 85740
the sale: 85741

(i) The home has lost value due to a casualty. 85742

(ii) An addition or fixture has been added to the home. 85743

(3) The county auditor shall have each home viewed and 85744
appraised at least once in each six-year period in the same year 85745
in which real property in the county is appraised pursuant to 85746
Chapter 5713. of the Revised Code, and shall update the appraised 85747
values in the third calendar year following the appraisal. The 85748
person viewing or appraising a home may enter the home to 85749
determine by actual view any additions or fixtures that have been 85750
added since the last appraisal. In conducting the appraisals and 85751
establishing the true value, the auditor shall follow the 85752
procedures set forth for appraising real property in sections 85753
5713.01 and 5713.03 of the Revised Code. 85754

(4) The county auditor shall place the true value of each 85755
home on the manufactured home tax list upon completion of an 85756
appraisal. 85757

(5)(a) If the county auditor changes the true value of a 85758
home, the auditor shall notify the owner of the home in writing, 85759

delivered by mail or in person. The notice shall be given at least 85760
thirty days prior to the issuance of any tax bill that reflects 85761
the change. Failure to receive the notice does not invalidate any 85762
proceeding under this section. 85763

(b) Any owner of a home or any other person or party listed 85764
in division (A)(1) of section 5715.19 of the Revised Code may file 85765
a complaint against the true value of the home as appraised under 85766
this section. The complaint shall be filed with the county auditor 85767
on or before the thirty-first day of March of the current tax year 85768
or the date of closing of the collection for the first half of 85769
manufactured home taxes for the current tax year, whichever is 85770
later. The auditor shall present to the county board of revision 85771
all complaints filed with the auditor under this section. The 85772
board shall hear and investigate the complaint and may take action 85773
on it as provided under sections 5715.11 to 5715.19 of the Revised 85774
Code. 85775

(c) If the county board of revision determines, pursuant to a 85776
complaint against the valuation of a manufactured or mobile home 85777
filed under this section, that the amount of taxes, assessments, 85778
or other charges paid was in excess of the amount due based on the 85779
valuation as finally determined, then the overpayment shall be 85780
refunded in the manner prescribed in section 5715.22 of the 85781
Revised Code. 85782

(d) Payment of all or part of a tax under this section for 85783
any year for which a complaint is pending before the county board 85784
of revision does not abate the complaint or in any way affect the 85785
hearing and determination thereof. 85786

(M) If the county auditor determines that any tax or other 85787
charge or any part thereof has been erroneously charged as a 85788
result of a clerical error as defined in section 319.35 of the 85789
Revised Code, the county auditor shall call the attention of the 85790
county board of revision to the erroneous charges. If the board 85791

finds that the taxes or other charges have been erroneously 85792
charged or collected, it shall certify the finding to the auditor. 85793
Upon receipt of the certification, the auditor shall remove the 85794
erroneous charges on the manufactured home tax list or delinquent 85795
manufactured home tax list in the same manner as is prescribed in 85796
section 319.35 of the Revised Code for erroneous charges against 85797
real property, and refund any erroneous charges that have been 85798
collected, with interest, in the same manner as is prescribed in 85799
section 319.36 of the Revised Code for erroneous charges against 85800
real property. 85801

(N) As used in this section and section 4503.061 of the 85802
Revised Code: 85803

(1) "Manufactured home taxes" includes taxes, penalties, and 85804
interest charged under division (C) or (G) of this section and any 85805
penalties charged under division (G) or (H)(5) of section 4503.061 85806
of the Revised Code. 85807

(2) "Current taxes" means all manufactured home taxes charged 85808
against a manufactured or mobile home that have not appeared on 85809
the manufactured home tax list for any prior year. Current taxes 85810
become delinquent taxes if they remain unpaid after the last day 85811
prescribed for payment of the second installment of current taxes 85812
without penalty, whether or not they have been certified 85813
delinquent. 85814

(3) "Delinquent taxes" means: 85815

(a) Any manufactured home taxes that were charged against a 85816
manufactured or mobile home for a prior year, including any 85817
penalties or interest charged for a prior year and the costs of 85818
publication under division (H)(2) of this section, and that remain 85819
unpaid; 85820

(b) Any current manufactured home taxes charged against a 85821
manufactured or mobile home that remain unpaid after the last day 85822

prescribed for payment of the second installment of current taxes 85823
without penalty, whether or not they have been certified 85824
delinquent, including any penalties or interest and the costs of 85825
publication under division (H)(2) of this section. 85826

Sec. 4503.061. (A) All manufactured and mobile homes shall be 85827
listed on either the real property tax list or the manufactured 85828
home tax list of the county in which the home has situs. Each 85829
owner shall follow the procedures in this section to identify the 85830
home to the county auditor of the county containing the taxing 85831
district in which the home has situs so that the auditor may place 85832
the home on the appropriate tax list. 85833

(B) When a manufactured or mobile home first acquires situs 85834
in this state and is subject to real property taxation pursuant to 85835
division (B)(1) or (2) of section 4503.06 of the Revised Code, the 85836
owner shall present to the auditor of the county containing the 85837
taxing district in which the home has its situs the certificate of 85838
title for the home, together with proof that all taxes due have 85839
been paid and proof that a relocation notice was obtained for the 85840
home if required under this section. Upon receiving the 85841
certificate of title and the required proofs, the auditor shall 85842
place the home on the real property tax list and proceed to treat 85843
the home as other properties on that list. After the auditor has 85844
placed the home on the tax list of real and public utility 85845
property, the auditor shall deliver the certificate of title to 85846
the clerk of the court of common pleas that issued it pursuant to 85847
section 4505.11 of the Revised Code, and the clerk shall 85848
inactivate the certificate of title. 85849

(C)(1) When a manufactured or mobile home subject to a 85850
manufactured home tax is relocated to or first acquires situs in 85851
any county that has adopted a permanent manufactured home 85852
registration system, as provided in division (F) of this section, 85853

the owner, within thirty days after the home is relocated or first 85854
acquires situs under section 4503.06 of the Revised Code, shall 85855
register the home with the county auditor of the county containing 85856
the taxing district in which the home has its situs. For the first 85857
registration in each county of situs, the owner or vendee in 85858
possession shall present to the county auditor an Ohio certificate 85859
of title, certified copy of the certificate of title, or 85860
memorandum certificate of title as such are required by law, and 85861
proof, as required by the county auditor, that the home, if it has 85862
previously been occupied and is being relocated, has been 85863
previously registered, that all taxes due and required to be paid 85864
under division (H)(1) of this section before a relocation notice 85865
may be issued have been paid, and that a relocation notice was 85866
obtained for the home if required by division (H) of this section. 85867
If the owner or vendee does not possess the Ohio certificate of 85868
title, certified copy of the certificate of title, or memorandum 85869
certificate of title at the time the owner or vendee first 85870
registers the home in a county, the county auditor shall register 85871
the home without presentation of the document, but the owner or 85872
vendee shall present the certificate of title, certified copy of 85873
the certificate of title, or memorandum certificate of title to 85874
the county auditor within fourteen days after the owner or vendee 85875
obtains possession of the document. 85876

(2) When a manufactured or mobile home is registered for the 85877
first time in a county and when the total tax due has been paid as 85878
required by division (F) of section 4503.06 of the Revised Code or 85879
divisions (E) and (H) of this section, the county treasurer shall 85880
note by writing or by a stamp on the certificate of title, 85881
certified copy of certificate of title, or memorandum certificate 85882
of title that the home has been registered and that the taxes due, 85883
if any, have been paid for the preceding five years and for the 85884
current year. The treasurer shall then issue a certificate 85885
evidencing registration and a decal to be displayed on the street 85886

side of the home. The certificate is valid in any county in this 85887
state during the year for which it is issued. 85888

(3) For each year thereafter, the county treasurer shall 85889
issue a tax bill stating the amount of tax due under section 85890
4503.06 of the Revised Code, as provided in division (D)(6) of 85891
that section. When the total tax due has been paid as required by 85892
division (F) of that section, the county treasurer shall issue a 85893
certificate evidencing registration that shall be valid in any 85894
county in this state during the year for which the certificate is 85895
issued. 85896

(4) The permanent decal issued under this division is valid 85897
during the period of ownership, except that when a manufactured 85898
home is relocated in another county the owner shall apply for a 85899
new registration as required by this section and section 4503.06 85900
of the Revised Code. 85901

(D)(1) All owners of manufactured or mobile homes subject to 85902
the manufactured home tax being relocated to or having situs in a 85903
county that has not adopted a permanent registration system, as 85904
provided in division (F) of this section, shall register the home 85905
within thirty days after the home is relocated or first acquires 85906
situs under section 4503.06 of the Revised Code and thereafter 85907
shall annually register the home with the county auditor of the 85908
county containing the taxing district in which the home has its 85909
situs. 85910

(2) Upon the annual registration, the county treasurer shall 85911
issue a tax bill stating the amount of annual manufactured home 85912
tax due under section 4503.06 of the Revised Code, as provided in 85913
division (D)(6) of that section. When a manufactured or mobile 85914
home is registered and when the tax for the current one-half year 85915
has been paid as required by division (F) of that section, the 85916
county treasurer shall issue a certificate evidencing registration 85917
and a decal. The certificate and decal are valid in any county in 85918

this state during the year for which they are issued. The decal 85919
shall be displayed on the street side of the home. 85920

(3) For the first annual registration in each county of 85921
situs, the county auditor shall require the owner or vendee to 85922
present an Ohio certificate of title, certified copy of the 85923
certificate of title, or memorandum certificate of title as such 85924
are required by law, and proof, as required by the county auditor, 85925
that the manufactured or mobile home has been previously 85926
registered, if such registration was required, that all taxes due 85927
and required to be paid under division (H)(1) of this section 85928
before a relocation notice may be issued have been paid, and that 85929
a relocation notice was obtained for the home if required by 85930
division (H) of this section. If the owner or vendee does not 85931
possess the Ohio certificate of title, certified copy of the 85932
certificate of title, or memorandum certificate of title at the 85933
time the owner or vendee first registers the home in a county, the 85934
county auditor shall register the home without presentation of the 85935
document, but the owner or vendee shall present the certificate of 85936
title, certified copy of the certificate of title, or memorandum 85937
certificate of title to the county auditor within fourteen days 85938
after the owner or vendee obtains possession of the document. When 85939
the county treasurer receives the tax payment, the county 85940
treasurer shall note by writing or by a stamp on the certificate 85941
of title, certified copy of the certificate of title, or 85942
memorandum certificate of title that the home has been registered 85943
for the current year and that the manufactured home taxes due, if 85944
any, have been paid for the preceding five years and for the 85945
current year. 85946

(4) For subsequent annual registrations, the auditor may 85947
require the owner or vendee in possession to present an Ohio 85948
certificate of title, certified copy of the certificate of title, 85949
or memorandum certificate of title to the county treasurer upon 85950

payment of the manufactured home tax that is due. 85951

(E)(1) Upon the application to transfer ownership of a 85952
manufactured or mobile home for which manufactured home taxes are 85953
paid pursuant to division (C) of section 4503.06 of the Revised 85954
Code the clerk of the court of common pleas shall not issue any 85955
certificate of title that does not contain or have attached both 85956
of the following: 85957

(a) An endorsement of the county treasurer stating that the 85958
home has been registered for each year of ownership and that all 85959
manufactured home taxes imposed pursuant to section 4503.06 of the 85960
Revised Code have been paid or that no tax is due; 85961

(b) An endorsement of the county auditor that the 85962
manufactured home transfer tax imposed pursuant to section 322.06 85963
of the Revised Code and any fees imposed under division (G) of 85964
section 319.54 of the Revised Code have been paid. 85965

(2) If all the taxes have not been paid, the clerk shall 85966
notify the vendee to contact the county treasurer of the county 85967
containing the taxing district in which the home has its situs at 85968
the time of the proposed transfer. The county treasurer shall then 85969
collect all the taxes that are due for the year of the transfer 85970
and all previous years not exceeding a total of five years. The 85971
county treasurer shall distribute that part of the collection owed 85972
to the county treasurer of other counties if the home had its 85973
situs in another county during a particular year when the unpaid 85974
tax became due and payable. The burden to prove the situs of the 85975
home in the years that the taxes were not paid is on the 85976
transferor of the home. Upon payment of the taxes, the county 85977
auditor shall remove all remaining taxes from the manufactured 85978
home tax list and the delinquent manufactured home tax list, and 85979
the county treasurer shall release all liens for such taxes. The 85980
clerk of courts shall issue a certificate of title, free and clear 85981
of all liens for manufactured home taxes, to the transferee of the 85982

home. 85983

(3) Once the transfer is complete and the certificate of 85984
title has been issued, the transferee shall register the 85985
manufactured or mobile home pursuant to division (C) or (D) of 85986
this section with the county auditor of the county containing the 85987
taxing district in which the home remains after the transfer or, 85988
if the home is relocated to another county, with the county 85989
auditor of the county to which the home is relocated. The 85990
transferee need not pay the annual tax for the year of acquisition 85991
if the original owner has already paid the annual tax for that 85992
year. 85993

(F) The county auditor may adopt a permanent registration 85994
system and issue a permanent decal with the first registration as 85995
prescribed by the tax commissioner. 85996

(G) When any manufactured or mobile home required to be 85997
registered by this section is not registered, the county auditor 85998
shall impose a penalty of one hundred dollars upon the owner and 85999
deposit the amount to the credit of the county real estate 86000
assessment fund to be used to pay the costs of administering this 86001
section and section 4503.06 of the Revised Code. If unpaid, the 86002
penalty shall constitute a lien on the home and shall be added by 86003
the county auditor to the manufactured home tax list for 86004
collection. 86005

(H)(1) Except as otherwise provided in this division, before 86006
moving a manufactured or mobile home on public roads from one 86007
address within this state to another address within or outside 86008
this state, the owner of the home shall obtain a relocation 86009
notice, as provided by this section, from the auditor of the 86010
county in which the home is located if the home is currently 86011
subject to taxation pursuant to section 4503.06 of the Revised 86012
Code. The auditor shall charge five dollars for the notice, and 86013
deposit the amount to the credit of the county real estate 86014

assessment fund to be used to pay the costs of administering this 86015
section and section 4503.06 of the Revised Code. The auditor shall 86016
not issue a relocation notice unless all taxes owed on the home 86017
under section 4503.06 of the Revised Code that were first charged 86018
to the home during the period of ownership of the owner seeking 86019
the relocation notice have been paid. If the home is being moved 86020
by a new owner of the home or by a party taking repossession of 86021
the home, the auditor shall not issue a relocation notice unless 86022
all of the taxes due for the preceding five years and for the 86023
current year have been paid. A relocation notice issued by a 86024
county auditor is valid until the last day of December of the year 86025
in which it was issued. 86026

If the home is being moved by a sheriff, police officer, 86027
constable, bailiff, or manufactured home park operator, as defined 86028
in section ~~3733.01~~ 4781.01 of the Revised Code, or any agent of 86029
any of these persons, for purposes of removal from a manufactured 86030
home park and storage, sale, or destruction under section 1923.14 86031
of the Revised Code, the auditor shall issue a relocation notice 86032
without requiring payment of any taxes owed on the home under 86033
section 4503.06 of the Revised Code. 86034

(2) If a manufactured or mobile home is not yet subject to 86035
taxation under section 4503.06 of the Revised Code, the owner of 86036
the home shall obtain a relocation notice from the dealer of the 86037
home. Within thirty days after the manufactured or mobile home is 86038
purchased, the dealer of the home shall provide the auditor of the 86039
county in which the home is to be located written notice of the 86040
name of the purchaser of the home, the registration number or 86041
vehicle identification number of the home, and the address or 86042
location to which the home is to be moved. The county auditor 86043
shall provide to each manufactured and mobile home dealer, without 86044
charge, a supply of relocation notices to be distributed to 86045
purchasers pursuant to this section. 86046

(3) The notice shall be in the form of a one-foot square yellow sign with the words "manufactured home relocation notice" printed prominently on it. The name of the owner of the home, the home's registration number or vehicle identification number, the county and the address or location to which the home is being moved, and the county in which the notice is issued shall also be entered on the notice.

(4) The relocation notice must be attached to the rear of the home when the home is being moved on a public road. Except as provided in divisions (H)(1) and (5) of this section, no person shall drive a motor vehicle moving a manufactured or mobile home on a public road from one address to another address within this state unless a relocation notice is attached to the rear of the home.

(5) If the county auditor determines that a manufactured or mobile home has been moved without a relocation notice as required under this division, the auditor shall impose a penalty of one hundred dollars upon the owner of the home and upon the person who moved the home and deposit the amount to the credit of the county real estate assessment fund to pay the costs of administering this section and section 4503.06 of the Revised Code. If the home was relocated from one county in this state to another county in this state and the county auditor of the county to which the home was relocated imposes the penalty, that county auditor, upon collection of the penalty, shall cause an amount equal to the penalty to be transmitted from the county real estate assessment fund to the county auditor of the county from which the home was relocated, who shall deposit the amount to the credit of the county real estate assessment fund. If the penalty on the owner is unpaid, the penalty shall constitute a lien on the home and the auditor shall add the penalty to the manufactured home tax list for collection. If the county auditor determines that a dealer

that has sold a manufactured or mobile home has failed to timely 86079
provide the information required under this division, the auditor 86080
shall impose a penalty upon the dealer in the amount of one 86081
hundred dollars. The penalty shall be credited to the county real 86082
estate assessment fund and used to pay the costs of administering 86083
this section and section 4503.06 of the Revised Code. 86084

(I) Whoever violates division (H)(4) of this section is 86085
guilty of a minor misdemeanor. 86086

Sec. 4503.062. (A) Every operator of a manufactured home 86087
court, or manufactured home park, as defined in section ~~3733.01~~ 86088
4781.01 of the Revised Code, or when there is no operator, every 86089
owner of property used for such purposes on which three or more 86090
manufactured or mobile homes are located, shall keep a register of 86091
all manufactured and mobile homes that make use of the court, 86092
park, or property. The register shall contain all of the 86093
following: 86094

(1) The name of the owner and all inhabitants of each home; 86095

(2) The ages of all inhabitants of each home; 86096

(3) The permanent and temporary post office addresses of all 86097
inhabitants of each home; 86098

(4) The license number of each home; 86099

(5) The state issuing each such license; 86100

(6) The date of arrival and of departure of each home; 86101

(7) The make and model of each home, if known and if either 86102
of the following applies: 86103

(a) The home enters the court, park, or property on or after 86104
January 1, 2003. 86105

(b) Ownership of the home in the court or park, or on the 86106
property, is transferred on or after January 1, 2003. 86107

question covered by such petition shall be submitted as a separate 86368
proposition, but it may be printed on the same ballot with any 86369
other proposition submitted at the same election other than the 86370

voting on the question of repeal approve the repeal, the result of 86372
the election shall be certified immediately after the canvass by 86373
the board of elections to the county commissioners, who shall 86374
thereupon, after the current year, cease to levy the tax. 86375

Sec. 4504.15. For the purpose of paying the costs of 86376
enforcing and administering the tax provided for in this section; 86377
for the various purposes stated in section 4504.02 of the Revised 86378
Code; and to supplement revenue already available for those 86379
purposes, any county may, by resolution adopted by its board of 86380
county commissioners, levy an annual license tax, that shall be in 86381
addition to the tax levied by sections 4503.02, 4503.07, and 86382

4503.41, and 4503.43 of the Revised Code. 86394

Prior to the adoption of any resolution under this section, 86395
the board of county commissioners shall conduct two public 86396
hearings thereon, the second hearing to be not less than three nor 86397
more than ten days after the first. Notice of the date, time, and 86398
place of such hearings shall be given by publication in a 86399

sooner than thirty days following its adoption, and such 86405
resolution is subject to a referendum as provided in sections 86406
305.31 to 305.41 of the Revised Code, unless the resolution is 86407
adopted as an emergency measure necessary for the immediate 86408
preservation of the public peace, health, or safety, in which case 86409
it shall go into immediate effect. The emergency measure must 86410
receive an affirmative vote of all of the members of the board of 86411

submit the question of levying the tax to the electors of the 86414
county at the next primary or general election occurring not less 86415
than ninety days after the resolution is certified to the board; 86416
no such resolution shall go into effect unless approved by a 86417
majority of those voting upon it. A county is not required to 86418
enact the tax authorized by section 4504.02 of the Revised Code in 86419
order to levy the tax authorized by this section, but no county 86420

enforcing and administering the tax provided for in this section; 86425
for the various purposes stated in section 4504.02 of the Revised 86426
Code; and to supplement revenue already available for those 86427
purposes, any county that currently levies the tax authorized by 86428
section 4504.15 of the Revised Code may, by resolution adopted by 86429
its board of county commissioners, levy an annual license tax, 86430
that shall be in addition to the tax levied by that section and by 86431
sections 4503.02, 4503.07, and 4503.18 of the Revised Code, upon 86432
the operation of motor vehicles upon the public roads and 86433
highways. The tax shall be at the rate of five dollars per motor 86434
vehicle on all motor vehicles the district of registration of 86435
which, as defined in section 4503.10 of the Revised Code, is 86436
located in the county levying the tax but is not located within 86437
any municipal corporation levying the tax authorized by section 86438
4504.171 of the Revised Code, and shall be in addition to the 86439
taxes at the rates specified in sections 4503.04 and 4503.16 of 86440
the Revised Code, subject to reductions in the manner provided in 86441

sections 4503.16, 4503.17, 4503.171, 4503.41, and 4503.43 of the 86443
Revised Code. 86444

Prior to the adoption of any resolution under this section, 86445
the board of county commissioners shall conduct two public 86446
hearings thereon, the second hearing to be not less than three nor 86447
more than ten days after the first. Notice of the date, time, and 86448
place of such hearings shall be given by publication in a 86449
newspaper of general circulation in the county, or as provided in 86450
section 7.16 of the Revised Code, once a week for two consecutive 86451
weeks, ~~the~~. The second publication ~~being~~ shall be not less than 86452
ten nor more than thirty days prior to the first hearing. 86453

No resolution under this section shall become effective 86454
sooner than thirty days following its adoption, and such 86455

resolution is subject to a referendum as provided in sections 86456
305.31 to 305.41 of the Revised Code, unless the resolution is 86457
adopted as an emergency measure necessary for the immediate 86458
preservation of the public peace, health, or safety, in which case 86459
it shall go into immediate effect. The emergency measure must 86460
receive an affirmative vote of all of the members of the board of 86461
county commissioners, and shall state the reasons for the 86462
necessity. A resolution may direct the board of elections to 86463
submit the question of levying the tax to the electors of the 86464
county at the next primary or general election occurring not less 86465
than ninety days after the resolution is certified to the board; 86466
no such resolution shall go into effect unless approved by a 86467
majority of those voting upon it. 86468

Nothing in this section or in section 4504.15 of the Revised 86469
Code shall be interpreted as preventing a county from levying the 86470
county motor vehicle license taxes authorized by such sections in 86471
a single resolution. 86472

Sec. 4504.18. For the purpose of paying the costs and 86473
expenses of enforcing and administering the tax provided for in 86474
this section; for the construction, reconstruction, improvement, 86475

and planning, constructing, and maintaining suitable buildings to 86479
house such equipment; for paying any costs apportioned to the 86480
township under section 4907.47 of the Revised Code; and to 86481
supplement revenue already available for such purposes, the board 86482
of township trustees may levy an annual license tax, in addition 86483
to the tax levied by sections 4503.02, 4503.07, and 4503.18 of the 86484
Revised Code, upon the operation of motor vehicles on the public 86485

whose license is under an order of suspension, or whose 86885
certificate of registration and license plates are under an order 86886
of impoundment resulting from failure to respond to a financial 86887
responsibility random verification, shall not, for that reason, 86888
arrest the owner or operator or seize the vehicle or license 86889
plates. Instead, the peace officer shall issue a citation for a 86890
violation of section 4510.16 of the Revised Code specifying the 86891
circumstances as failure to respond to a financial responsibility 86892
random verification. 86893

(2) A peace officer shall request the owner or operator of a 86894

motor vehicle to produce proof of financial responsibility in a 86895
manner described in division (G) of this section at the time the 86896
peace officer acts to enforce the traffic laws of this state and 86897
during motor vehicle inspections conducted pursuant to section 86898
4513.02 of the Revised Code. 86899

(3) A peace officer shall indicate on every traffic ticket 86900
whether the person receiving the traffic ticket produced proof of 86901
the maintenance of financial responsibility in response to the 86902
officer's request under division (D)(2) of this section. The peace 86903
officer shall inform every person who receives a traffic ticket 86904
and who has failed to produce proof of the maintenance of 86905
financial responsibility that the person must submit proof to the 86906
traffic violations bureau with any payment of a fine and costs for 86907
the ticketed violation or, if the person is to appear in court for 86908
the violation, the person must submit proof to the court. 86909

(4)(a) If a person who has failed to produce proof of the 86910
maintenance of financial responsibility appears in court for a 86911
ticketed violation, the court may permit the defendant to present 86912
evidence of proof of financial responsibility to the court at such 86913
time and in such manner as the court determines to be necessary or 86914
appropriate. In a manner prescribed by the registrar, the clerk of 86915
courts shall provide the registrar with the identity of any person 86916
who fails to submit proof of the maintenance of financial 86917
responsibility pursuant to division (D)(3) of this section. 86918

(b) If a person who has failed to produce proof of the 86919
maintenance of financial responsibility also fails to submit that 86920
proof to the traffic violations bureau with payment of a fine and 86921
costs for the ticketed violation, the traffic violations bureau, 86922
in a manner prescribed by the registrar, shall notify the 86923
registrar of the identity of that person. 86924

(5)(a) Upon receiving notice from a clerk of courts or 86925
traffic violations bureau pursuant to division (D)(4) of this 86926

section, the registrar shall order the suspension of the license 86927
of the person required under division (A)(2)(a), (b), or (c) of 86928
this section and the impoundment of the person's certificate of 86929
registration and license plates required under division (A)(2)(d) 86930
of this section, effective thirty days after the date of the 86931
mailing of notification. The registrar also shall notify the 86932
person that the person must present the registrar with proof of 86933
financial responsibility in accordance with this section, 86934
surrender to the registrar the person's certificate of 86935
registration, license plates, and license, or submit a statement 86936
subject to section 2921.13 of the Revised Code that the person did 86937
not operate or permit the operation of the motor vehicle at the 86938
time of the offense. Notification shall be in writing and shall be 86939
sent to the person at the person's last known address as shown on 86940
the records of the bureau of motor vehicles. The person, within 86941
fifteen days after the date of the mailing of notification, shall 86942
present proof of financial responsibility, surrender the 86943
certificate of registration, license plates, and license to the 86944
registrar in a manner set forth in division (A)(4) of this 86945
section, or submit the statement required under this section 86946
together with other information the person considers appropriate. 86947

If the registrar does not receive proof or the person does 86948
not surrender the certificate of registration, license plates, and 86949
license, in accordance with this division, the registrar shall 86950
permit the order for the suspension of the license of the person 86951
and the impoundment of the person's certificate of registration 86952
and license plates to take effect. 86953

(b) In the case of a person who presents, within the 86954
fifteen-day period, documents to show proof of financial 86955
responsibility, the registrar shall terminate the order of 86956
suspension and the impoundment of the registration and license 86957
plates required under division (A)(2)(d) of this section and shall 86958

send written notification to the person, at the person's last 86959
known address as shown on the records of the bureau. 86960

(c) Any person adversely affected by the order of the 86961
registrar under division (D)(5)(a) or (b) of this section, within 86962
ten days after the issuance of the order, may request an 86963
administrative hearing before the registrar, who shall provide the 86964
person with an opportunity for a hearing in accordance with this 86965
paragraph. A request for a hearing does not operate as a 86966
suspension of the order. The scope of the hearing shall be limited 86967
to whether, at the time of the hearing, the person presents proof 86968
of financial responsibility covering the vehicle and whether the 86969
person is eligible for an exemption in accordance with this 86970
section or any rule adopted under it. The registrar shall 86971
determine the date, time, and place of any hearing; provided, that 86972
the hearing shall be held, and an order issued or findings made, 86973
within thirty days after the registrar receives a request for a 86974
hearing. If requested by the person in writing, the registrar may 86975
designate as the place of hearing the county seat of the county in 86976
which the person resides or a place within fifty miles of the 86977
person's residence. Such person shall pay the cost of the hearing 86978
before the registrar, if the registrar's order of suspension or 86979
impoundment under division (D)(5)(a) or (b) of this section is 86980
upheld. 86981

(6) A peace officer may charge an owner or operator of a 86982
motor vehicle with a violation of section 4510.16 of the Revised 86983
Code when the owner or operator fails to show proof of the 86984
maintenance of financial responsibility pursuant to a peace 86985
officer's request under division (D)(2) of this section, if a 86986
check of the owner or operator's driving record indicates that the 86987
owner or operator, at the time of the operation of the motor 86988
vehicle, is required to file and maintain proof of financial 86989
responsibility under section 4509.45 of the Revised Code for a 86990

previous violation of this chapter. 86991

(7) Any forms used by law enforcement agencies in 86992
administering this section shall be prescribed, supplied, and paid 86993
for by the registrar. 86994

(8) No peace officer, law enforcement agency employing a 86995
peace officer, or political subdivision or governmental agency 86996
that employs a peace officer shall be liable in a civil action for 86997
damages or loss to persons arising out of the performance of any 86998
duty required or authorized by this section. 86999

to the credit of the financial responsibility compliance fund. The 87007
financial responsibility compliance fund shall be used exclusively 87008
to cover costs incurred by the bureau in the administration of 87009
this section and sections 4503.20, 4507.212, and 4509.81 of the 87010
Revised Code, and by any law enforcement agency employing any 87011
peace officer who returns any license, certificate of 87012
registration, and license plates to the registrar pursuant to 87013
division (C) of this section, except that the director of budget 87014
and management may transfer excess money from the financial 87015
responsibility compliance fund to the state bureau of motor 87016
vehicles fund if the registrar determines that the amount of money 87017
in the financial responsibility compliance fund exceeds the amount 87018
required to cover such costs incurred by the bureau or a law 87019
enforcement agency and requests the director to make the transfer. 87020

Of each financial responsibility reinstatement fee the 87021

registrar collects pursuant to division (A)(5)(a) of this section 87022
~~or receives from a deputy registrar under division (A)(5)(d) of~~ 87023
~~this section~~, the registrar shall deposit twenty-five dollars of 87024
each one-hundred-dollar reinstatement fee, fifty dollars of each 87025

to the credit of the indigent defense support fund created by 87028
section 120.08 of the Revised Code. 87029

All investment earnings of the financial responsibility 87030
compliance fund shall be credited to the fund. 87031

(F) Chapter 119. of the Revised Code applies to this section 87032
only to the extent that any provision in that chapter is not 87033
clearly inconsistent with this section. 87034

(G)(1) The registrar, court, traffic violations bureau, or 87035
peace officer may require proof of financial responsibility to be 87036
demonstrated by use of a standard form prescribed by the 87037

Nothing in this section or in section 4509.51 of the Revised Code shall be construed to prohibit a motor vehicle renting dealer from 87110
87111
87112
87113
87114
87115

entering into a contractual agreement with a person whereby the 87116

for maintaining proof of financial responsibility, in accordance 87118
with this section, with respect to the operation, maintenance, or 87119
use of the motor vehicle during the period of the motor vehicle's 87120
rental. 87121

(J) The purpose of this section is to require the maintenance 87122
of proof of financial responsibility with respect to the operation 87123
of motor vehicles on the highways of this state, so as to minimize 87124
those situations in which persons are not compensated for injuries 87125
and damages sustained in motor vehicle accidents. The general 87126
assembly finds that this section contains reasonable civil 87127
penalties and procedures for achieving this purpose. 87128

(K) Nothing in this section shall be construed to be subject 87129

(L)(1) The registrar may terminate any suspension imposed 87131
under this section and not require the owner to comply with 87132
divisions (A)(5)(a), (b), and (c) of this section if the registrar 87133
with or without a hearing determines that the owner of the vehicle 87134
has established by clear and convincing evidence that all of the 87135
following apply: 87136

(a) The owner customarily maintains proof of financial 87137
responsibility. 87138

(b) Proof of financial responsibility was not in effect for 87139
the vehicle on the date in question for one of the following 87140

question was outside the season of operation. 87144

(iii) A person other than the vehicle owner or driver was at 87145

fault for the lapse of proof of financial responsibility through 87146
no fault of the owner or driver. 87147

(iv) The lapse of proof of financial responsibility was 87148
caused by excusable neglect under circumstances that are not 87149
likely to recur and do not suggest a purpose to evade the 87150
requirements of this chapter. 87151

(2) The registrar may grant an owner or driver relief for a 87152
reason specified in division (L)(1)(b)(i) or (ii) of this section 87153
whenever the owner or driver is randomly selected to verify the 87154
existence of proof of financial responsibility for such a vehicle. 87155
However, the registrar may grant an owner or driver relief for a 87156
reason specified in division (L)(1)(b)(iii) or (iv) of this 87157
section only if the owner or driver has not previously been 87158
granted relief under division (L)(1)(b)(iii) or (iv) of this 87159
section. 87160

(M) The registrar shall adopt rules in accordance with 87161
Chapter 119. of the Revised Code that are necessary to administer 87162
and enforce this section. The rules shall include procedures for 87163
the surrender of license plates upon failure to maintain proof of 87164
financial responsibility and provisions relating to reinstatement 87165

responsibility during the period of registration. 87168

Sec. 4509.81. (A) Upon receipt of a notification of violation 87169
as provided in division (C) of section 4509.80 of the Revised 87170
Code; upon failure of a timely surrender of the livery license 87171
plate sticker as required by division (D) of section 4509.80 of 87172
the Revised Code; or if the registrar of motor vehicles, upon 87173
receipt of notification from an insurer of the imminent 87174
cancellation or termination of coverage required by section 87175
4509.80 of the Revised Code, fails to receive evidence of a 87176

continuation or substitution of coverage prior to the cancellation 87177
or termination date, the registrar shall order the immediate 87178
suspension of the rights of the owner of the chauffeured limousine 87179
described in the notice to register the limousine and the 87180
impoundment of the certificate of registration and registration 87181
plates for the limousine. The registrar shall notify the owner 87182
that the owner must surrender the certificate of registration and 87183
registration plates to the registrar. The notification shall be in 87184
writing and sent to the owner at the owner's last known address as 87185
shown in the records of the bureau of motor vehicles. Proceedings 87186
under this section are deemed special, summary statutory 87187
proceedings. 87188

(B) The order of suspension and impoundment of a registration 87189
shall state the date on or before which the owner of the 87190
chauffeured limousine involved is required to surrender the 87191
certificate of registration and registration plates to the 87192
registrar. The owner shall be deemed to have surrendered the 87193
certificate of registration and registration plates if the owner 87194
causes the items to be delivered to the registrar on or before the 87195
date specified in the order or mails the items to the registrar in 87196
an envelope or container bearing a postmark showing a date no 87197
later than the date specified in the order. 87198

(C) The registrar shall not restore any registration rights 87199
suspended under this section, return any certificate of 87200
registration or registration plates impounded under this section, 87201
or reissue registration plates under section 4503.232 of the 87202
Revised Code, if the registrar destroyed the impounded 87203
registration plates under that section, unless those rights are 87204
not subject to suspension under any other law and unless the owner 87205
complies with both of the following: 87206

(1) Pays to the registrar ~~or an eligible deputy registrar~~ a 87207

financial responsibility reinstatement fee of thirty dollars. The 87208

under section 4509.80 of the Revised Code. 87218

(D) Any owner adversely affected by the order of the 87219
registrar under this section ~~may~~, within ten days after the 87220
issuance of the order, may request an administrative hearing 87221
before the registrar, who shall provide the owner with an 87222
opportunity for a hearing in accordance with this division. A 87223
request for a hearing does not operate as a suspension of the 87224
order unless the owner establishes to the satisfaction of the 87225
registrar that the operation of the owner's chauffeured limousine 87226
will be covered by proof of financial responsibility during the 87227
pendency of the appeal. The scope of the hearing shall be limited 87228
to whether the owner in fact demonstrated to the registrar proof 87229
of financial responsibility in accordance with section 4509.80 of 87230
the Revised Code. The registrar shall determine the date, time, 87231
and place of any hearing, provided that the hearing shall be held 87232
and an order issued or findings made within thirty days after the 87233
registrar receives a request for a hearing. If requested by the 87234
owner in writing, the registrar may designate as the place of 87235
hearing the county seat of the county in which the owner resides 87236
or a place within fifty miles of the owner's residence. The owner 87237
shall pay the cost of the hearing before the registrar, if the 87238
registrar's order of suspension or impoundment is upheld. 87239

(E) Any order of suspension or impoundment issued under this 87240
section may be terminated at any time if the registrar determines 87241
upon a showing of proof of financial responsibility that the owner 87242
of the limousine was in compliance with section 4509.80 of the 87243
Revised Code at the time of the incident that resulted in the 87244
order against the owner. Such a determination may be made without 87245
a hearing. 87246

(F) All fees ~~except the two dollar service fee transmitted to~~ 87247
~~the registrar by a deputy registrar,~~ that are collected by the 87248
registrar ~~or transmitted to the registrar~~ under this section shall 87249
be paid into the state treasury to the credit of the financial 87250
responsibility compliance fund created by section 4509.101 of the 87251
Revised Code. 87252

(G) Chapter 119. of the Revised Code applies to this section 87253
only to the extent that any provision in that chapter is not 87254
clearly inconsistent with this section. 87255

(H)(1) Proof of financial responsibility may be demonstrated 87256
by any of the methods authorized in section 4509.80 of the Revised 87257
Code. 87258

(2) Divisions (G)(4)(a) and (b) of section 4509.101 of the 87259
Revised Code apply to any finding by the registrar under this 87260
section that an owner is covered by proof of financial 87261
responsibility. 87262

Sec. 4510.10. (A) As used in this section, "reinstatement 87263
fees" means the fees that are required under section 4507.1612, 87264

provision of the Revised Code, or under a schedule established by 87266
the bureau of motor vehicles, in order to reinstate a driver's or 87267
commercial driver's license or permit or nonresident operating 87268
privilege of an offender under a suspension. 87269

(B) Reinstatement fees are those fees that compensate the bureau of motor vehicles for suspensions, cancellations, or disqualifications of a person's driving privileges and to compensate the bureau and other agencies in their administration of programs intended to reduce and eliminate threats to public safety through education, treatment, and other activities. The registrar of motor vehicles shall not reinstate a driver's or commercial driver's license or permit or nonresident operating privilege of a person until the person has paid all reinstatement fees and has complied with all conditions for each suspension, cancellation, or disqualification incurred by that person.

(C) When a municipal court or county court determines in a pending case involving an offender that the offender cannot reasonably pay reinstatement fees due and owing by the offender relative to one or more suspensions that have been or will be imposed by the bureau of motor vehicles or by a court of this state, the court, by order, may undertake an installment payment plan or a payment extension plan for the payment of reinstatement fees due and owing to the bureau in that pending case. The court shall establish an installment payment plan or a payment extension plan under this division in accordance with the requirements of divisions (D)(1) and (2) of this section.

(D) Independent of the provisions of division (C) of this section, an offender who cannot reasonably pay reinstatement fees due and owing by the offender relative to a suspension that has been imposed on the offender may file a petition in the municipal court, county court, or, if the person is under the age of eighteen, the juvenile division of the court of common pleas in whose jurisdiction the person resides or, if the person is not a resident of this state, in the Franklin county municipal court or juvenile division of the Franklin county court of common pleas for an order that does either of the following, in order of

preference: 87302

(1) Establishes a reasonable payment plan of not less than 87303
fifty dollars per month, to be paid by the offender to the 87304
registrar of motor vehicles ~~or an eligible deputy registrar~~, in 87305
all succeeding months until all reinstatement fees required of the 87306
offender are paid in full. ~~If the person is making payments to a~~ 87307
~~deputy registrar, the deputy registrar shall collect a service fee~~ 87308
~~of ten dollars each time the deputy registrar collects a payment~~ 87309
~~to compensate the deputy registrar for services performed under~~ 87310
~~this section. The deputy registrar shall retain eight dollars of~~ 87311
~~the service fee and shall transmit the reinstatement payments,~~ 87312
~~plus two dollars of each service fee, to the registrar in the~~ 87313
~~manner the registrar shall determine.~~ 87314

(2) If the offender, but for the payment of the reinstatement 87315
fees, otherwise would be entitled to operate a vehicle in this 87316
state or to obtain reinstatement of the offender's operating 87317
privileges, permits the offender to operate a motor vehicle, as 87318
authorized by the court, until a future date upon which date all 87319
reinstatement fees must be paid in full. A payment extension 87320
granted under this division shall not exceed one hundred eighty 87321
days, and any operating privileges granted under this division 87322
shall be solely for the purpose of permitting the offender 87323
occupational or "family necessity" privileges in order to enable 87324
the offender to reasonably acquire the delinquent reinstatement 87325
fees due and owing. 87326

(E) If a municipal court, county court, or juvenile division 87327
enters an order of the type described in division (C) or division 87328
(D)(1) or (2) of this section, the court, at any time after the 87329
issuance of the order, may determine that a change of 87330
circumstances has occurred and may amend the order as justice 87331
requires, provided that the amended order also shall be an order 87332
that is permitted under division (C) or division (D)(1) or (2) of 87333

this section. 87334

(F) If a court enters an order of the type described in 87335
division (C), (D)(1), (D)(2), or (E) of this section, during the 87336
pendency of the order, the offender in relation to whom it applies 87337
is not subject to prosecution for failing to pay the reinstatement 87338
fees covered by the order. 87339

(G) Reinstatement fees are debts that may be discharged in 87340
bankruptcy. 87341

(H)(1)(a) The registrar, in accordance with Chapter 119. of 87342
the Revised Code, shall adopt rules establishing a reinstatement 87343
fee payment pilot program not later than January 1, 2013. The 87344
pilot program shall permit the registrar, with the approval of the 87345
director of public safety, to designate at least one but not more 87346
than three clerks of a municipal court or county court to collect 87347
reinstatement fees and processing fees on behalf of the registrar. 87348
The rules shall specify all of the following: 87349

(i) The reinstatement and processing fees that the clerk may 87350
collect under the program; 87351

(ii) Minimum standards the clerk is required to meet and 87352
maintain; 87353

(iii) Terms of the contract between the registrar and the 87354
clerk; 87355

(iv) The amount of bond that will be required of the clerk; 87356

(v) Requirements for employees and facilities of the clerk; 87357

(vi) Any other requirements as the registrar may prescribe. 87358

(b) In addition to the reinstatement and processing fees the 87359
clerk collects on behalf of the registrar, the clerk may collect a 87360
service fee of ten dollars. If the clerk collects such a service 87361
fee, the clerk shall collect only one service fee irrespective of 87362
the number of reinstatement and processing fees the clerk collects 87363

at any one time relative to one person. The clerk shall retain 87364
eight dollars of each service fee for the clerk's services and 87365
shall transmit the reinstatement and processing fees and the 87366
remaining two dollars of each service fee to the registrar. The 87367
registrar shall deposit the two dollars of each service fee the 87368
registrar receives from a clerk under division (H)(1)(b) of this 87369
section into the state bureau of motor vehicles fund created in 87370
section 4501.25 of the Revised Code. The rules may require a clerk 87371
who collects a reinstatement or processing fee also to collect any 87372
other valid reinstatement documents or other evidence that is 87373
submitted with the payment of the reinstatement or processing fee. 87374
The rules shall specify the time and manner in which the clerk 87375
shall transmit the fees, documents, and evidence to the registrar 87376
for final approval and clearance, as appropriate. 87377

(2) The registrar shall evaluate the effectiveness of the 87378
reinstatement fee payment pilot program for a period not to exceed 87379
one year. After completion of the evaluation, if the registrar 87380
determines that the pilot program was a success, the registrar, 87381
with the approval of the director, shall adopt any amendments to 87382
the rules adopted under division (H)(1)(a) of this section based 87383
on the evaluation that are necessary to make the pilot program 87384
permanent and to expand the pilot program as described in division 87385
(H)(2) of this section. At a minimum, the amended rules shall 87386
require the registrar to make reasonable attempts to contract with 87387
at least one clerk of a municipal or county court in each county 87388
to collect reinstatement, processing, and service fees on behalf 87389
of the registrar unless a reinstatement office already exists in 87390
that county or the registrar determines that it is not practical 87391
to enter into such a contract with a clerk of a municipal or 87392
county court in a particular county. 87393

(3) A clerk of a municipal or county court who collects 87394
reinstatement fees, processing fees, service fees, and 87395

reinstatement documents or evidence under division (H) of this 87396
section and the applicable rules may issue an order that permits a 87397
person to operate a motor vehicle for a period not exceeding 87398
thirty days pending the registrar's final determination of whether 87399
all reinstatement requirements have been met or if additional 87400
reinstatement requirements must be met before the suspension may 87401
be terminated or the reinstatement may be entered. The registrar 87402
shall send a written notice of the registrar's final determination 87403
to the person at the person's last known address as shown in the 87404
records of the bureau. 87405

Sec. 4510.22. (A) If a person who has a current valid Ohio 87406
driver's, commercial driver's license, or temporary instruction 87407
permit is charged with a violation of any provision in sections 87408
4511.01 to 4511.76, 4511.84, 4513.01 to 4513.65, or 4549.01 to 87409
4549.65 of the Revised Code that is classified as a misdemeanor of 87410
the first, second, third, or fourth degree or with a violation of 87411
any substantially equivalent municipal ordinance and if the person 87412
either fails to appear in court at the required time and place to 87413
answer the charge or pleads guilty to or is found guilty of the 87414
violation and fails within the time allowed by the court to pay 87415
the fine imposed by the court, the court shall declare the 87416
forfeiture of the person's license. Thirty days after the 87417
declaration of forfeiture, the court shall inform the registrar of 87418
motor vehicles of the forfeiture by entering information relative 87419
to the forfeiture on a form approved and furnished by the 87420
registrar and sending the form to the registrar. The court also 87421
shall forward the person's license, if it is in the possession of 87422
the court, to the registrar. 87423

The registrar shall impose a class F suspension of the 87424
person's driver's or commercial driver's license, or temporary 87425
instruction permit for the period of time specified in division 87426
(B)(6) of section 4510.02 of the Revised Code on any person who is 87427

named in a declaration received by the registrar under this 87428
section. The registrar shall send written notification of the 87429
suspension to the person at the person's last known address and, 87430
if the person is in possession of the license, order the person to 87431
surrender the person's license or permit to the registrar within 87432
forty-eight hours. 87433

No valid driver's or commercial driver's license shall be 87434
granted to the person after the suspension, unless the court 87435
having jurisdiction of the offense that led to the suspension 87436
orders that the forfeiture be terminated. The court shall order 87437
the termination of the forfeiture if the person thereafter appears 87438
to answer the charge and pays any fine imposed by the court or 87439
pays the fine originally imposed by the court. The court shall 87440
inform the registrar of the termination of the forfeiture by 87441
entering information relative to the termination on a form 87442
approved and furnished by the registrar and sending the form to 87443
the registrar. The person shall pay to the registrar of motor 87444
vehicles ~~or an eligible deputy registrar~~ a twenty-five-dollar 87445
reinstatement fee. ~~In addition, each deputy registrar shall~~ 87446
~~collect a service fee of ten dollars to compensate the deputy~~ 87447
~~registrar for services performed under this section. The deputy~~ 87448
~~registrar shall retain eight dollars of the service fee and shall~~ 87449
~~transmit the reinstatement fee, plus two dollars of the service~~ 87450
~~fee, to the registrar in the manner the registrar shall determine.~~ 87451
The registrar shall deposit fifteen dollars of the reinstatement 87452
fee into the state treasury to the credit of the state bureau of 87453
motor vehicles fund created by section 4501.25 of the Revised Code 87454
to cover the costs of the bureau in administering this section and 87455
shall deposit ten dollars of the fee into the state treasury to 87456
the credit of the indigent defense support fund created by section 87457
120.08 of the Revised Code. 87458

(B) In addition to suspending the driver's or commercial 87459

driver's license or permit of the person named in a declaration of 87460
forfeiture, the registrar, upon receipt from the court of the copy 87461
of the declaration of forfeiture, shall take any measures that may 87462
be necessary to ensure that neither the registrar nor any deputy 87463
registrar accepts any application for the registration or transfer 87464
of registration of any motor vehicle owned or leased by the person 87465
named in the declaration of forfeiture. However, for a motor 87466
vehicle leased by a person named in a declaration of forfeiture, 87467
the registrar shall not implement the preceding sentence until the 87468
registrar adopts procedures for that implementation under section 87469
4503.39 of the Revised Code. The period of denial of registration 87470
or transfer shall continue until such time as the court having 87471
jurisdiction of the offense that led to the suspension orders the 87472
forfeiture be terminated. Upon receipt by the registrar of an 87473
order terminating the forfeiture, the registrar also shall take 87474
any measures that may be necessary to permit the person to 87475
register a motor vehicle owned or leased by the person or to 87476
transfer the registration of such a motor vehicle, if the person 87477
later makes application to take such action and otherwise is 87478
eligible to register the motor vehicle or to transfer its 87479
registration. 87480

The registrar shall not be required to give effect to any 87481
declaration of forfeiture or order terminating a forfeiture 87482
provided by a court under this section unless the information 87483
contained in the declaration or order is transmitted to the 87484
registrar by means of an electronic transfer system. The registrar 87485
shall not restore the person's driving or vehicle registration 87486
privileges until the person pays the reinstatement fee as provided 87487
in this section. 87488

The period of denial relating to the issuance or transfer of 87489
a certificate of registration for a motor vehicle imposed pursuant 87490
to this division remains in effect until the person pays any fine 87491

imposed by the court relative to the offense. 87492

Sec. 4510.72. (A) A fee of thirty dollars shall be charged by 87493
the registrar of motor vehicles ~~or an eligible deputy registrar~~ 87494
for the reinstatement of any driver's license suspended pursuant 87495
to division (A) of Article IV of the compact enacted in section 87496
4510.71 of the Revised Code. ~~In addition, each deputy registrar~~ 87497
~~shall collect a service fee of ten dollars to compensate the~~ 87498
~~deputy registrar for services performed under this section. The~~ 87499
~~deputy registrar shall retain eight dollars of the service fee and~~ 87500
~~shall transmit the reinstatement fee, plus two dollars of the~~ 87501
~~service fee, to the registrar in the manner the registrar shall~~ 87502
~~determine.~~ 87503

(B) Pursuant to division (A) of Article VI of the nonresident 87504
violin compact of 1977 enacted in section 4510.71 of the Revised 87505
Code, the director of public safety shall serve as the compact 87506
administrator for Ohio. 87507

Sec. 4511.191. (A)(1) As used in this section: 87508

4511.194 of the Revised Code. 87510

(b) "Alcohol monitoring device" means any device that 87511
provides for continuous alcohol monitoring, any ignition interlock 87512
device, any immobilizing or disabling device other than an 87513
ignition interlock device that is constantly available to monitor 87514
the concentration of alcohol in a person's system, or any other 87515
device that provides for the automatic testing and periodic 87516
reporting of alcohol consumption by a person and that a court 87517
orders a person to use as a sanction imposed as a result of the 87518
person's conviction of or plea of guilty to an offense. 87519

(2) Any person who operates a vehicle, streetcar, or 87520
trackless trolley upon a highway or any public or private property 87521

used by the public for vehicular travel or parking within this 87522
state or who is in physical control of a vehicle, streetcar, or 87523
trackless trolley shall be deemed to have given consent to a 87524
chemical test or tests of the person's whole blood, blood serum or 87525
plasma, breath, or urine to determine the alcohol, drug of abuse, 87526
controlled substance, metabolite of a controlled substance, or 87527
combination content of the person's whole blood, blood serum or 87528
plasma, breath, or urine if arrested for a violation of division 87529
(A) or (B) of section 4511.19 of the Revised Code, section 87530
4511.194 of the Revised Code or a substantially equivalent 87531
municipal ordinance, or a municipal OVI ordinance. 87532

(3) The chemical test or tests under division (A)(2) of this 87533
section shall be administered at the request of a law enforcement 87534
officer having reasonable grounds to believe the person was 87535
operating or in physical control of a vehicle, streetcar, or 87536
trackless trolley in violation of a division, section, or 87537
ordinance identified in division (A)(2) of this section. The law 87538
enforcement agency by which the officer is employed shall 87539
designate which of the tests shall be administered. 87540

(4) Any person who is dead or unconscious, or who otherwise 87541
is in a condition rendering the person incapable of refusal, shall 87542
be deemed to have consented as provided in division (A)(2) of this 87543
section, and the test or tests may be administered, subject to 87544
sections 313.12 to 313.16 of the Revised Code. 87545

(5)(a) If a law enforcement officer arrests a person for a 87546
violation of division (A) or (B) of section 4511.19 of the Revised 87547
Code, section 4511.194 of the Revised Code or a substantially 87548
equivalent municipal ordinance, or a municipal OVI ordinance and 87549
if the person if convicted would be required to be sentenced under 87550
division (G)(1)(c), (d), or (e) of section 4511.19 of the Revised 87551

controlled substance, metabolite of a controlled substance, or 87556
combination content of the person's whole blood, blood serum or 87557
plasma, breath, or urine. A law enforcement officer who makes a 87558
request pursuant to this division that a person submit to a 87559
chemical test or tests is not required to advise the person of the 87560
consequences of submitting to, or refusing to submit to, the test 87561
or tests and is not required to give the person the form described 87562
in division (B) of section 4511.192 of the Revised Code, but the 87563
officer shall advise the person at the time of the arrest that if 87564
the person refuses to take a chemical test the officer may employ 87565
whatever reasonable means are necessary to ensure that the person 87566
submits to a chemical test of the person's whole blood or blood 87567
serum or plasma. The officer shall also advise the person at the 87568
time of the arrest that the person may have an independent 87569
chemical test taken at the person's own expense. Divisions (A)(3) 87570
and (4) of this section apply to the administration of a chemical 87571
test or tests pursuant to this division. 87572

(b) If a person refuses to submit to a chemical test upon a 87573
request made pursuant to division (A)(5)(a) of this section, the 87574
law enforcement officer who made the request may employ whatever 87575
reasonable means are necessary to ensure that the person submits 87576
to a chemical test of the person's whole blood or blood serum or 87577

division to ensure that a person submits to a chemical test of the 87579
person's whole blood or blood serum or plasma is immune from 87580
criminal and civil liability based upon a claim for assault and 87581
battery or any other claim for the acts, unless the officer so 87582
acted with malicious purpose, in bad faith, or in a wanton or 87583
reckless manner. 87584

(B)(1) Upon receipt of the sworn report of a law enforcement 87585

officer who arrested a person for a violation of division (A) or 87586

section 4511.192 of the Revised Code in regard to a person who 87591
refused to take the designated chemical test, the registrar shall 87592
enter into the registrar's records the fact that the person's 87593
driver's or commercial driver's license or permit or nonresident 87594
operating privilege was suspended by the arresting officer under 87595
this division and that section and the period of the suspension, 87596
as determined under this section. The suspension shall be subject 87597
to appeal as provided in section 4511.197 of the Revised Code. The 87598
suspension shall be for whichever of the following periods 87599
applies: 87600

section applies and specifies a different class or length of 87602

of division (A) or (B) of section 4511.19 of the Revised Code or 87610
one other equivalent offense, the suspension shall be a class B 87611
suspension imposed for the period of time specified in division 87612

consent to a chemical test and also had been convicted of or 87620
pleaded guilty to one violation of division (A) or (B) of section 87621
4511.19 of the Revised Code or other equivalent offenses, which 87622
violation or offense arose from an incident other than the 87623
incident that led to the refusal, the suspension shall be a class 87624
A suspension imposed for the period of time specified in division 87625
(B)(1) of section 4510.02 of the Revised Code. 87626

(d) If the arrested person, within six years of the date on 87627
which the person refused the request to consent to the chemical 87628
test, had refused three or more previous requests to consent to a 87629

been convicted of or pleaded guilty to a number of violations of 87634
division (A) or (B) of section 4511.19 of the Revised Code or 87635
other equivalent offenses that cumulatively total three or more 87636
such refusals, convictions, and guilty pleas, the suspension shall 87637
be for five years. 87638

(2) The registrar shall terminate a suspension of the 87639
driver's or commercial driver's license or permit of a resident or 87640
of the operating privilege of a nonresident, or a denial of a 87641

pursuant to division (B)(1) of this section upon receipt of notice 87643
that the person has entered a plea of guilty to, or that the 87644
person has been convicted after entering a plea of no contest to, 87645
operating a vehicle in violation of section 4511.19 of the Revised 87646
Code or in violation of a municipal OVI ordinance, if the offense 87647
for which the conviction is had or the plea is entered arose from 87648
the same incident that led to the suspension or denial. 87649

The registrar shall credit against any judicial suspension of a person's driver's or commercial driver's license or permit or nonresident operating privilege imposed pursuant to section 4511.19 of the Revised Code, or pursuant to section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance, any time during which the person serves a related suspension imposed pursuant to division (B)(1) of this section.

The suspension shall be subject to appeal as provided in section 4511.197 of the Revised Code. The suspension described in this division does not apply to, and shall not be imposed upon, a person arrested for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance who submits to a designated chemical test. The suspension shall be for whichever of the following periods applies:

(d) If, within six years of the date the test was conducted, the person has been convicted of or pleaded guilty to more than two violations of a statute or ordinance described in division (C)(1)(b) of this section, the suspension shall be a class A suspension imposed for the period of time specified in division (B)(1) of section 4510.02 of the Revised Code.

(2) The registrar shall terminate a suspension of the driver's or commercial driver's license or permit of a resident or of the operating privilege of a nonresident, or a denial of a driver's or commercial driver's license or permit, imposed pursuant to division (C)(1) of this section upon receipt of notice that the person has entered a plea of guilty to, or that the person has been convicted after entering a plea of no contest to, operating a vehicle in violation of section 4511.19 of the Revised Code or in violation of a municipal OVI ordinance, if the offense

for which the conviction is had or the plea is entered arose from 87714
the same incident that led to the suspension or denial. 87715

The registrar shall credit against any judicial suspension of 87716

examination or issuing a license. 91582

Sec. 4735.13. (A) Every real estate broker licensed under 91583
this chapter shall have and maintain a definite place of business 91584
in this state. A post office box address is not a definite place 91585
of business for purposes of this section. The license of a real 91586
estate broker shall be prominently displayed in the office or 91587
place of business of the broker, and no license shall authorize 91588
the licensee to do business except from the location specified in 91589

(B) The license of each real estate salesperson shall be 91596

whom the salesperson is or is to be associated until the licensee 91598
places the license on inactive, voluntary hold, or resigned status 91599
or until the salesperson leaves the brokerage or is terminated. 91600
The broker shall keep each salesperson's license in a way that it 91601
can, and shall on request, be made immediately available for 91602
public inspection at the office or place of business of the 91603
broker. Except as provided in divisions (G) and (H) of this 91604
section, immediately upon the salesperson's leaving the 91605
association or termination of the association of a real estate 91606
salesperson with the broker, the broker shall return the 91607
salesperson's license to the superintendent of real estate. 91608

The failure of a broker to return the license of a real 91609
estate salesperson or broker who leaves or who is terminated, via 91610

certified mail return receipt requested, within three business 91611
days of the receipt of a written request from the superintendent 91612
for the return of the license, is prima-facie evidence of 91613
misconduct under division (A)(6) of section 4735.18 of the Revised 91614
Code. 91615

(C) Any licensee ~~who~~ shall notify the superintendent in 91616
writing within fifteen days of any of the following occurrences: 91617

(1) The licensee is convicted of a felony ~~or~~. 91618

(2) The licensee is convicted of a crime involving moral 91619
turpitude ~~or of violating~~. 91620

(4) The licensee is found to have engaged in a discriminatory 91624

(5) The licensee ~~of a violation of~~ is found to have violated 91628
any municipal civil rights law pertaining to housing 91629

~~or finding within fifteen days. If~~. 91631

(6) The licensee is the subject of an order by the department 91632
of commerce, the department of insurance, or the department of 91633
agriculture revoking or permanently surrendering any professional 91634
license, certificate, or registration. 91635

(7) The licensee is the subject of an order by any government 91636
agency concerning real estate, financial matters, or the 91637
performance of fiduciary duties with respect to any license, 91638
certificate, or registration. 91639

If a licensee fails to notify the superintendent within the 91640

required time, the superintendent immediately may ~~revoke~~ suspend 91641
the license of the licensee. 91642

Any court that convicts a licensee of a violation of any 91643
municipal civil rights law pertaining to housing discrimination 91644
also shall notify the Ohio civil rights commission within fifteen 91645
days of the conviction. 91646

(D) In case of any change of business location, a broker 91647
shall give notice ~~in writing~~ to the superintendent, on a form 91648
prescribed by the superintendent, within thirty days after the 91649
change of location, whereupon the superintendent shall issue new 91650
licenses for the unexpired period without charge. If a broker 91651
changes a business location without giving the required notice and 91652
without receiving new licenses that action is prima-facie evidence 91653
of misconduct under division (A)(6) of section 4735.18 of the 91654
Revised Code. 91655

(E) If a real estate broker desires to associate with another 91656
real estate broker in the capacity of a real estate salesperson, 91657
the broker shall apply to the superintendent to deposit the 91658
broker's real estate broker's license with the superintendent and 91659
for the issuance of a real estate salesperson's license. The 91660
application shall be made on a form prescribed by the 91661
superintendent and shall be accompanied by the recommendation of 91662
the real estate broker with whom the applicant intends to become 91663
associated and a fee of twenty-five dollars for the real estate 91664
salesperson's license. One dollar of the fee shall be credited to 91665
the real estate education and research fund. If the superintendent 91666
is satisfied that the applicant is honest, truthful, and of good 91667
reputation, has not been convicted of a felony or a crime 91668
involving moral turpitude, and has not been finally adjudged by a 91669
court to have violated any municipal, state, or federal civil 91670
rights laws relevant to the protection of purchasers or sellers of 91671
real estate, and that the association of the real estate broker 91672

and the applicant will be in the public interest, the 91673
superintendent shall grant the application and issue a real estate 91674
salesperson's license to the applicant. Any license so deposited 91675
with the superintendent shall be subject to this chapter. A broker 91676
who intends to deposit the broker's license with the 91677
superintendent, as provided in this section, shall give written 91678
notice of this fact in a format prescribed by the superintendent 91679
to all salespersons associated with the broker when applying to 91680
place the broker's license on deposit. 91681

(F) If a real estate broker desires to become a member or 91682
officer of a partnership, association, limited liability company, 91683
limited liability partnership, or corporation that is or intends 91684
to become a licensed real estate broker, the broker shall notify 91685
the superintendent of the broker's intentions. The notice of 91686
intention shall be on a form prescribed by the superintendent and 91687
shall be accompanied by a fee of twenty-five dollars. One dollar 91688
of the fee shall be credited to the real estate education and 91689
research fund. 91690

~~No~~ A licensed real estate broker who is a member or officer 91691
of a partnership, association, limited liability company, limited 91692
liability partnership, or corporation ~~that is a licensed real~~ 91693
~~estate broker~~ shall ~~perform any acts~~ only act as a real estate 91694
broker ~~other than as the agent of the~~ for such partnership, 91695
association, limited liability company, limited liability 91696
partnership, or corporation, ~~and such broker shall not have any~~ 91697
~~real estate salespersons associated with the broker.~~ 91698

(G) If a real estate broker or salesperson enters the armed 91699
forces, the broker or salesperson may place the broker's or 91700
salesperson's license on deposit with the Ohio real estate 91701
commission. The licensee shall not be required to renew the 91702
license until the renewal date that follows the date of discharge 91703
from the armed forces. Any license deposited with the commission 91704

shall be subject to this chapter. Any licensee whose license is on deposit under this division and who fails to meet the continuing education requirements of section 4735.141 of the Revised Code because the licensee is in the armed forces shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months of the licensee's first birthday after discharge. The ~~commission~~ superintendent shall notify the licensee of the licensee's obligations under section 4735.141 of the Revised Code at the time the licensee applies for reactivation of the licensee's license.

(H) If a licensed real estate salesperson submits an application to the superintendent to leave the association of one broker to associate with a different broker, the broker possessing the licensee's license need not return the salesperson's license to the superintendent. The superintendent may process the application regardless of whether the licensee's license is returned to the superintendent.

Sec. 4735.14. (A) Each license issued under this chapter, shall be valid without further recommendation or examination until it is placed in an inactive, voluntary hold, or resigned status, is revoked or suspended, or such license expires by operation of law.

(B) Except for a licensee who has placed the licensee's license on voluntary hold or resigned status pursuant to section 4735.142 of the Revised Code, each licensed broker, brokerage, or salesperson shall file, on or before the date the Ohio real estate commission has adopted by rule for that licensee in accordance with division (A)(2)(f) of section 4735.10 of the Revised Code, a notice of renewal on a form prescribed by the superintendent of real estate. The notice of renewal shall be mailed by the superintendent two months prior to the filing deadline to the ~~most~~

~~current~~ personal residence address of each broker or salesperson 91736
~~as filed with the superintendent by the licensee and the place of~~ 91737
~~business address of the brokerage that is on file with the~~ 91738
division. If the licensee is a partnership, association, limited 91739
liability company, limited liability partnership, or corporation, 91740
the notice of renewal shall be mailed by the superintendent two 91741
months prior to the filing deadline to the brokerage's business 91742
address on file with the division. A licensee shall not renew the 91743
licensee's license any earlier than two months prior to the filing 91744
deadline. 91745

(C) Except as otherwise provided in division (B) of this 91746
section, the license of any real estate broker, brokerage, or 91747
salesperson that fails to file a notice of renewal on or before 91748
the filing deadline of each ensuing year shall be suspended 91749
automatically without the taking of any action by the 91750
superintendent. A suspended license may be reactivated within 91751
twelve months of the date of suspension, provided that the renewal 91752
fee plus a penalty fee of fifty per cent of the renewal fee is 91753
paid to the superintendent. Failure to reactivate the license as 91754
provided in this division shall result in automatic revocation of 91755
the license without the taking of any action by the 91756
superintendent. No person, partnership, association, corporation, 91757
limited liability company, or limited partnership shall engage in 91758
any act or acts for which a real estate license is required while 91759
that entity's license is placed in an inactive, voluntary hold, or 91760
resigned status, or is suspended, or revoked. The commission shall 91761
adopt rules in accordance with Chapter 119. of the Revised Code to 91762
provide to licensees notice of suspension or revocation or both. 91763

(D) Each licensee shall notify the commission of a change in 91764
personal residence address. A licensee's failure to notify the 91765
commission of a change in personal residence address does not 91766
negate the requirement to file the license renewal by the required 91767

deadline established by the commission by rule under division 91768
(A)(2)(f) of section 4735.10 of the Revised Code. 91769

(E) The superintendent shall not renew a license if the 91770
licensee fails to comply with section 4735.141 of the Revised Code 91771
or is otherwise not in compliance with this chapter. 91772

(F) The superintendent shall make notice of successful 91773
renewal available electronically to licensees as soon as 91774
practicable, but not later than thirty days after receipt by the 91775
division of a complete application and renewal fee. This notice 91776
shall serve as a notice of renewal for purposes of section 4745.02 91777
of the Revised Code. 91778

Sec. 4735.141. (A) Except as otherwise provided in this 91779
division and except for a licensee who has placed the licensee's 91780
license on voluntary hold or resigned status pursuant to section 91781
4735.142 of the Revised Code, each person licensed under section 91782
4735.07 or 4735.09 of the Revised Code shall submit proof 91783
satisfactory to the superintendent of real estate that the 91784
licensee has satisfactorily completed thirty hours of continuing 91785
education, as prescribed by the Ohio real estate commission 91786
pursuant to section 4735.10 of the Revised Code, on or before the 91787
licensee's birthday occurring three years after the licensee's 91788
date of initial licensure, and on or before the licensee's 91789
birthday every three years thereafter. 91790

Persons licensed as real estate salespersons who subsequently 91791
become licensed real estate brokers shall continue to submit proof 91792
of continuing education in accordance with the time period 91793
established in this section. 91794

The requirements of this section shall not apply to any 91795
~~physically handicapped~~ disabled licensee as provided in division 91796
(E) of this section. 91797

Each licensee who is seventy years of age or older, within a continuing education reporting period, shall submit proof satisfactory to the superintendent of real estate that the licensee has satisfactorily completed a total of nine classroom hours of continuing education, including instruction in Ohio real estate law; recently enacted state and federal laws affecting the real estate industry; municipal, state, and federal civil rights law; and canons of ethics for the real estate industry as adopted by the commission. The required proof of completion shall be submitted on or before the licensee's birthday that falls in the third year of that continuing education reporting period. A licensee who is seventy years of age or older whose license is in an inactive status is exempt from the continuing education requirements specified in this section. The commission shall adopt reasonable rules in accordance with Chapter 119. of the Revised Code to carry out the purposes of this paragraph.

(B) The continuing education requirements of this section shall be completed in schools, seminars, and educational institutions approved by the commission. Such approval shall be given according to rules established by the commission under the procedures of Chapter 119. of the Revised Code, and shall not be limited to institutions providing two-year or four-year degrees. Each school, seminar, or educational institution approved under this division shall be open to all licensees on an equal basis.

(C) If the requirements of this section are not met by a licensee within the period specified, the licensee's license shall be suspended automatically without the taking of any action by the superintendent. The superintendent shall notify the licensee of the license suspension, and such notification shall be sent by regular mail to the personal residence address of the licensee that is on file with the division. Any license so suspended shall remain suspended until it is reactivated by the superintendent. No

such license shall be reactivated until it is established, to the 91830
satisfaction of the superintendent, that the requirements of this 91831
section have been met. If the requirements of this section are not 91832
met within twelve months from the date the license was suspended, 91833
the license shall be revoked automatically without the taking of 91834
any action by the superintendent. 91835

(D) If the license of a real estate broker is suspended 91836
pursuant to division (C) of this section, the license of a real 91837
estate salesperson associated with that broker correspondingly is 91838
suspended pursuant to division (H) of section 4735.20 of the 91839
Revised Code. ~~However, the~~ A sole broker shall notify affiliated 91840
salespersons of the suspension in writing within three days of 91841
receiving the notice required by division (C) of this section. 91842

(1) The suspended license of the associated real estate 91843
salesperson shall be reactivated and no fee shall be charged or 91844
collected for that reactivation if ~~all of the following occur:~~ 91845

~~(1) That~~ that broker subsequently submits proof to the 91846
superintendent that the broker has complied with the requirements 91847
of this section and requests that the broker's license as a real 91848
estate broker be reactivated. 91849

~~(2) The, and the~~ superintendent then reactivates the broker's 91850
license as a real estate broker. 91851

~~(3) The associated real estate salesperson intends to~~ 91852
~~continue to be associated with that broker, has complied with the~~ 91853
~~requirements of this section, and otherwise is in compliance with~~ 91854
~~this chapter.~~ 91855

(2) If the real estate salesperson submits an application to 91856
leave the association of the suspended broker in order to 91857
associate with a different broker, the suspended license of the 91858
associated real estate salesperson shall be reactivated and no fee 91859
shall be charged or collected for that reactivation. The 91860

superintendent may process the application regardless of whether 91861
the licensee's license is returned to the superintendent. 91862

Any person whose license is reactivated pursuant to this 91863
division shall ~~submit proof satisfactory to the superintendent~~ 91864
~~that the person has completed thirty hours of continuing~~ 91865
~~education, as prescribed by the Ohio real estate commission, on or~~ 91866
~~before the third year following the licensee's birthday occurring~~ 91867
~~immediately after reactivation~~ comply with the requirements of 91868
this section and otherwise be in compliance with this chapter. 91869

(E) Any licensee who is a ~~physically handicapped~~ disabled 91870
licensee at any time during the last three months of the third 91871
year of the licensee's continuing education reporting period may 91872
receive an extension of time as deemed appropriate by the 91873
superintendent to submit proof to the superintendent that the 91874
licensee has satisfactorily completed the required thirty hours of 91875
continuing education. To receive an extension of time, the 91876
licensee shall submit a request to the division of real estate for 91877
the extension and proof satisfactory to the commission that the 91878
licensee was a ~~physically handicapped~~ disabled licensee at some 91879
time during the last three months of the three-year reporting 91880
period. The proof shall include, but is not limited to, a signed 91881
statement by the licensee's attending physician describing the 91882
~~physical~~ disability, certifying that the licensee's disability is 91883
of such a nature as to prevent the licensee from attending any 91884
instruction lasting at least three hours in duration, and stating 91885
the expected duration of the ~~physical~~ disability. The licensee 91886
shall request the extension and provide the physician's statement 91887
to the division no later than one month prior to the end of the 91888
licensee's three-year continuing education reporting period, 91889
unless the ~~physical~~ disability did not arise until the last month 91890
of the three-year reporting period, in which event the licensee 91891
shall request the extension and provide the physician's statement 91892

as soon as practical after the occurrence of the ~~physical~~ 91893
disability. A licensee granted an extension pursuant to this 91894
division who is no longer a ~~physically handicapped~~ disabled 91895
licensee and who submits proof of completion of the continuing 91896
education during the extension period, shall submit, for future 91897
continuing education reporting periods, proof of completion of the 91898
continuing education requirements according to the schedule 91899
established in division (A) of this section. 91900

(F) The superintendent shall not renew a license if the 91901
licensee fails to comply with this section, and the licensee shall 91902
be required to pay the penalty fee provided in section 4735.14 of 91903
the Revised Code. 91904

(G) A licensee shall submit proof of completion of the 91905
required continuing education with the licensee's notice of 91906
renewal. The proof shall be submitted in the manner provided by 91907
the superintendent. 91908

Sec. 4735.142. (A) Any person licensed under section 4735.07 91909
or 4735.09 of the Revised Code, at any time prior to the date the 91910
licensee is required to file a notice of renewal pursuant to 91911
division (B) of section 4735.14 of the Revised Code may apply to 91912
the superintendent of real estate and professional licensing to 91913
place the licensee's license on voluntary hold or a resigned 91914
status. 91915

(B) If the superintendent has placed a license on voluntary 91916
hold pursuant to a request made under division (A) of this 91917
section, the licensee who requested that the licensee's license be 91918
placed on voluntary hold may apply to the superintendent to 91919
reactivate that license within twelve months after the date the 91920
license is placed on voluntary hold. The superintendent shall 91921
reactivate that license if the licensee complies with the 91922
requirements for such reactivation that are specified in rules 91923

adopted by the Ohio real estate commission pursuant to division 91924
(A) of section 4735.10 of the Revised Code and satisfies all of 91925
the following requirements: 91926

requirements specified in section 4735.141 of the Revised Code; 91931

(3) The licensee renews the licensee's license in accordance 91932
with section 4735.14 of the Revised Code and, if applicable, pays 91933
the annual brokerage assessment fee in accordance with the 91934
requirements specified in rules adopted by the commission. 91935

(C) If a licensee does not apply to reactivate a license on 91936
voluntary hold pursuant to division (B) of this section during the 91937
twelve-month time period specified in that division or does not 91938
satisfy the requirements specified in that division during that 91939
twelve-month period, the superintendent shall consider that 91940
license to be in a resigned status. The superintendent shall not 91941
reactivate a resigned license. The resignation of a license is 91942
considered to be final without the taking of any action by the 91943
superintendent. If a person whose license is in a resigned status 91944
pursuant to this division wishes to obtain an active license, the 91945
person shall apply for an active license in accordance with the 91946
requirements specified in section 4735.07 or 4735.09 of the 91947
Revised Code, as applicable. 91948

(D) A licensee, at any time during which a license has been 91949
suspended pursuant to division (G) of section 4735.07, division 91950
