of the Revised Code without regard to division (A) of that 125424
section. 125425

If the allocation and apportionment of a trust's income under 125426
divisions (BB)(4)(a) and (c) of this section do not fairly 125427
represent the modified Ohio taxable income of the trust in this 125428
state, the alternative methods described in division (C) of 125429
section 5747.21 of the Revised Code may be applied in the manner 125430
and to the same extent provided in that section. 125431

(5)(a) Except as set forth in division (BB)(5)(b) of this 125432
section, "qualifying investee" means a person in which a trust has 125433
an equity or ownership interest, or a person or unit of government 125434
the debt obligations of either of which are owned by a trust. For 125435
the purposes of division (BB)(2)(a) of this section and for the 125436
purpose of computing the fraction described in division (BB)(4)(b) 125437
of this section, all of the following apply: 125438

(i) If the qualifying investee is a member of a qualifying 125439
controlled group on the last day of the qualifying investee's 125440
fiscal or calendar year ending immediately prior to the date on 125441
which the trust recognizes the gain or loss, then "qualifying 125442
investee" includes all persons in the qualifying controlled group 125443
on such last day. 125444

(ii) If the qualifying investee, or if the qualifying 125445

investee and any members of the qualifying controlled group of 125446
which the qualifying investee is a member on the last day of the 125447
qualifying investee's fiscal or calendar year ending immediately 125448
prior to the date on which the trust recognizes the gain or loss, 125449
separately or cumulatively own, directly or indirectly, on the 125450
last day of the qualifying investee's fiscal or calendar year 125451
ending immediately prior to the date on which the trust recognizes 125452
the qualifying trust amount, more than fifty per cent of the 125453
equity of a pass-through entity, then the qualifying investee and 125454
the other members are deemed to own the proportionate share of the 125455
pass-through entity's physical assets which the pass-through 125456
entity directly or indirectly owns on the last day of the 125457
pass-through entity's calendar or fiscal year ending within or 125458
with the last day of the qualifying investee's fiscal or calendar 125459
year ending immediately prior to the date on which the trust 125460
recognizes the qualifying trust amount. 125461

(iii) For the purposes of division (BB)(5)(a)(iii) of this 125462
section, "upper level pass-through entity" means a pass-through 125463
entity directly or indirectly owning any equity of another 125464
pass-through entity, and "lower level pass-through entity" means 125465
that other pass-through entity. 125466

An upper level pass-through entity, whether or not it is also 125467
a qualifying investee, is deemed to own, on the last day of the 125468
upper level pass-through entity's calendar or fiscal year, the 125469
proportionate share of the lower level pass-through entity's 125470
physical assets that the lower level pass-through entity directly 125471
or indirectly owns on the last day of the lower level pass-through 125472
entity's calendar or fiscal year ending within or with the last 125473
day of the upper level pass-through entity's fiscal or calendar 125474
year. If the upper level pass-through entity directly and 125475
indirectly owns less than fifty per cent of the equity of the 125476
lower level pass-through entity on each day of the upper level 125477

pass-through entity's calendar or fiscal year in which or with 125478
which ends the calendar or fiscal year of the lower level 125479
pass-through entity and if, based upon clear and convincing 125480
evidence, complete information about the location and cost of the 125481
physical assets of the lower pass-through entity is not available 125482
to the upper level pass-through entity, then solely for purposes 125483
of ascertaining if a gain or loss constitutes a qualifying trust 125484
amount, the upper level pass-through entity shall be deemed as 125485
owning no equity of the lower level pass-through entity for each 125486
day during the upper level pass-through entity's calendar or 125487
fiscal year in which or with which ends the lower level 125488
pass-through entity's calendar or fiscal year. Nothing in division 125489
(BB)(5)(a)(iii) of this section shall be construed to provide for 125490
any deduction or exclusion in computing any trust's Ohio taxable 125491
income. 125492

(b) With respect to a trust that is not a resident for the 125493
taxable year and with respect to a part of a trust that is not a 125494
resident for the taxable year, "qualifying investee" for that 125495
taxable year does not include a C corporation if both of the 125496
following apply: 125497

(i) During the taxable year the trust or part of the trust 125498
recognizes a gain or loss from the sale, exchange, or other 125499
disposition of equity or ownership interests in, or debt 125500
obligations of, the C corporation. 125501

(ii) Such gain or loss constitutes nonbusiness income. 125502

(6) "Available" means information is such that a person is 125503
able to learn of the information by the due date plus extensions, 125504
if any, for filing the return for the taxable year in which the 125505
trust recognizes the gain or loss. 125506

(CC) "Qualifying controlled group" has the same meaning as in 125507
section 5733.04 of the Revised Code. 125508

(DD) "Related member" has the same meaning as in section 125509
5733.042 of the Revised Code. 125510

(EE)(1) For the purposes of division (EE) of this section: 125511

(a) "Qualifying person" means any person other than a 125512
qualifying corporation. 125513

(b) "Qualifying corporation" means any person classified for 125514
federal income tax purposes as an association taxable as a 125515
corporation, except either of the following: 125516

(i) A corporation that has made an election under subchapter 125517
S, chapter one, subtitle A, of the Internal Revenue Code for its 125518
taxable year ending within, or on the last day of, the investor's 125519
taxable year; 125520

(ii) A subsidiary that is wholly owned by any corporation 125521
that has made an election under subchapter S, chapter one, 125522
subtitle A of the Internal Revenue Code for its taxable year 125523
ending within, or on the last day of, the investor's taxable year. 125524

(2) For the purposes of this chapter, unless expressly stated 125525
otherwise, no qualifying person indirectly owns any asset directly 125526
or indirectly owned by any qualifying corporation. 125527

(FF) For purposes of this chapter and Chapter 5751. of the 125528
Revised Code: 125529

(1) "Trust" does not include a qualified pre-income tax 125530
trust. 125531

(2) A "qualified pre-income tax trust" is any pre-income tax 125532
trust that makes a qualifying pre-income tax trust election as 125533
described in division (FF)(3) of this section. 125534

(3) A "qualifying pre-income tax trust election" is an 125535
election by a pre-income tax trust to subject to the tax imposed 125536
by section 5751.02 of the Revised Code the pre-income tax trust 125537
and all pass-through entities of which the trust owns or controls, 125538

directly, indirectly, or constructively through related interests, 125539
five per cent or more of the ownership or equity interests. The 125540
trustee shall notify the tax commissioner in writing of the 125541
election on or before April 15, 2006. The election, if timely 125542
made, shall be effective on and after January 1, 2006, and shall 125543
apply for all tax periods and tax years until revoked by the 125544
trustee of the trust. 125545

(4) A "pre-income tax trust" is a trust that satisfies all of 125546
the following requirements: 125547

(a) The document or instrument creating the trust was 125548
executed by the grantor before January 1, 1972; 125549

(b) The trust became irrevocable upon the creation of the 125550
trust; and 125551

(c) The grantor was domiciled in this state at the time the 125552
trust was created. 125553

Sec. 5747.058. (A) A refundable income tax credit granted by 125554
the tax credit authority under section 122.17 or division (B)(2) 125555
or (3) of section 122.171 of the Revised Code may be claimed under 125556
this chapter, in the order required under section 5747.98 of the 125557
Revised Code. For purposes of making tax payments under this 125558
chapter, taxes equal to the amount of the refundable credit shall 125559
be considered to be paid to this state on the first day of the 125560
taxable year. The refundable credit shall not be claimed for any 125561
taxable years ending with or following the calendar year in which 125562
a relocation of employment positions occurs in violation of an 125563
agreement entered into under section 122.171 of the Revised Code. 125564

(B) A nonrefundable income tax credit granted by the tax 125565
credit authority under division (B)(1) of section 122.171 of the 125566
Revised Code may be claimed under this chapter, in the order 125567
required under section 5747.98 of the Revised Code. 125568

Sec. 5747.113. (A) Any taxpayer claiming a refund under 125569
section 5747.11 of the Revised Code ~~for taxable years ending on or~~ 125570
~~after October 14, 1983,~~ who wishes to contribute any part of the 125571
taxpayer's refund to the natural areas and preserves fund created 125572
in section 1517.11 of the Revised Code, the nongame and endangered 125573
wildlife fund created in section 1531.26 of the Revised Code, the 125574
military injury relief fund created in section 5101.98 of the 125575
Revised Code, the Ohio historical society income tax contribution 125576
fund created in section 149.308 of the Revised Code, or all of 125577
those funds, may designate on the taxpayer's income tax return the 125578
amount that the taxpayer wishes to contribute to the fund or 125579
funds. A designated contribution is irrevocable upon the filing of 125580
the return and shall be made in the full amount designated if the 125581
refund found due the taxpayer upon the initial processing of the 125582
taxpayer's return, after any deductions including those required 125583
by section 5747.12 of the Revised Code, is greater than or equal 125584
to the designated contribution. If the refund due as initially 125585
determined is less than the designated contribution, the 125586
contribution shall be made in the full amount of the refund. The 125587
tax commissioner shall subtract the amount of the contribution 125588
from the amount of the refund initially found due the taxpayer and 125589
shall certify the difference to the director of budget and 125590
management and treasurer of state for payment to the taxpayer in 125591
accordance with section 5747.11 of the Revised Code. For the 125592
purpose of any subsequent determination of the taxpayer's net tax 125593
payment, the contribution shall be considered a part of the refund 125594
paid to the taxpayer. 125595

(B) The tax commissioner shall provide a space on the income 125596
tax return form in which a taxpayer may indicate that the taxpayer 125597
wishes to make a donation in accordance with this section. The tax 125598
commissioner shall also print in the instructions accompanying the 125599
income tax return form a description of the purposes for which the 125600

natural areas and preserves fund, the nongame and endangered 125601
wildlife fund, ~~and~~ the military injury relief fund, and the Ohio 125602
historical society income tax contribution fund were created and 125603
the use of moneys from the income tax refund contribution system 125604
established in this section. No person shall designate on the 125605
person's income tax return any part of a refund claimed under 125606
section 5747.11 of the Revised Code as a contribution to any fund 125607
other than the natural areas and preserves fund, the nongame and 125608
endangered wildlife fund, the military injury relief fund, ~~or all~~ 125609
~~of these funds~~ the Ohio historical society income tax contribution 125610
fund. 125611

(C) The money collected under the income tax refund 125612
contribution system established in this section shall be deposited 125613
by the tax commissioner into the natural areas and preserves fund, 125614
the nongame and endangered wildlife fund, ~~and~~ the military injury 125615
relief fund, and the Ohio historical society income tax 125616
contribution fund in the amounts designated on the tax returns. 125617

(D) No later than the thirtieth day of September each year, 125618
the tax commissioner shall determine the total amount contributed 125619
to each fund under this section during the preceding eight months, 125620
any adjustments to prior months, and the cost to the department of 125621
taxation of administering the income tax refund contribution 125622
system during that eight-month period. The commissioner shall make 125623
an additional determination no later than the thirty-first day of 125624
January of each year of the total amount contributed to each fund 125625
under this section during the preceding four calendar months, any 125626
adjustments to prior years made during that four-month period, and 125627
the cost to the department of taxation of administering the income 125628
tax contribution system during that period. The cost of 125629
administering the income tax contribution system shall be 125630
certified by the tax commissioner to the director of budget and 125631
management, who shall transfer an amount equal to ~~one-third~~ 125632

one-fourth of such administrative costs from the natural areas and preserves fund, ~~one-third~~ one-fourth of such costs from the nongame and endangered wildlife fund, ~~and one-third~~ one-fourth of such costs from the military injury relief fund, and one-fourth of such costs from the Ohio historical society income tax contribution fund to the litter control and natural resource tax administration fund, which is hereby created, provided that the moneys that the department receives to pay the cost of administering the income tax refund contribution system in any year shall not exceed two and one-half per cent of the total amount contributed under that system during that year.

(E)(1) The director of natural resources, in January of every odd-numbered year, shall report to the general assembly on the effectiveness of the income tax refund contribution system as it pertains to the natural areas and preserves fund and the nongame and endangered wildlife fund. The report shall include the amount of money contributed to each fund in each of the previous five years, the amount of money contributed directly to each fund in addition to or independently of the income tax refund contribution system in each of the previous five years, and the purposes for which the money was expended.

(2) The director of job and family services and the director of the Ohio historical society, in January of every odd-numbered year, each shall report to the general assembly on the effectiveness of the income tax refund contribution system as it pertains to the military injury relief fund and the Ohio historical society income tax contribution fund, respectively. The report shall include the amount of money contributed to the fund in each of the previous five years, the amount of money contributed directly to the fund in addition to or independently of the income tax refund contribution system in each of the previous five years, and the purposes for which the money was

expended. 125665

Sec. 5747.451. (A) The mere retirement from business or 125666
voluntary dissolution of a domestic or foreign qualifying entity 125667
does not exempt it from the requirements to make reports as 125668
required under sections 5747.42 to 5747.44 or to pay the taxes 125669
imposed under section 5733.41 or 5747.41 of the Revised Code. If 125670
any qualifying entity subject to the taxes imposed under section 125671
5733.41 or 5747.41 of the Revised Code sells its business or stock 125672
of merchandise or quits its business, the taxes required to be 125673
paid prior to that time, together with any interest or penalty 125674
thereon, become due and payable immediately, and the qualifying 125675
entity shall make a final return within fifteen days after the 125676
date of selling or quitting business. The successor of the 125677
qualifying entity shall withhold a sufficient amount of the 125678
purchase money to cover the amount of such taxes, interest, and 125679
penalties due and unpaid until the qualifying entity produces a 125680
receipt from the tax commissioner showing that the taxes, 125681
interest, and penalties have been paid, or a certificate 125682
indicating that no taxes are due. If the purchaser of the business 125683
or stock of goods fails to withhold purchase money, the purchaser 125684
is personally liable for the payment of the taxes, interest, and 125685
penalties accrued and unpaid during the operation of the business 125686
by the qualifying entity. If the amount of those taxes, interest, 125687
and penalty unpaid at the time of the purchase exceeds the total 125688
purchase money, the tax commissioner may adjust the qualifying 125689
entity's liability for those taxes, interest, and penalty, or 125690
adjust the responsibility of the purchaser to pay that liability, 125691
in a manner calculated to maximize the collection of those 125692
liabilities. 125693

(B) Annually, on the last day of each qualifying taxable year 125694
of a qualifying entity, the taxes imposed under section 5733.41 or 125695
5747.41 of the Revised Code, together with any penalties 125696

subsequently accruing thereon, become a lien on all property in 125697
this state of the qualifying entity, whether such property is 125698
employed by the qualifying entity in the prosecution of its 125699
business or is in the hands of an assignee, trustee, or receiver 125700
for the benefit of the qualifying entity's creditors and 125701
investors. The lien shall continue until those taxes, together 125702
with any penalties subsequently accruing, are paid. 125703

Upon failure of such a qualifying entity to pay those taxes 125704
on the day fixed for payment, the treasurer of state shall 125705
thereupon notify the tax commissioner, and the commissioner may 125706
file in the office of the county recorder in each county in this 125707
state in which the qualifying entity owns or has a beneficial 125708
interest in real estate, notice of the lien containing a brief 125709
description of such real estate. No fee shall be charged for such 125710
a filing. The lien is not valid as against any mortgagee, 125711
purchaser, or judgment creditor whose rights have attached prior 125712
to the time the notice is so filed in the county in which the real 125713
estate which is the subject of such mortgage, purchase, or 125714
judgment lien is located. The notice shall be recorded in a book 125715
kept by the recorder, called the qualifying entity tax lien 125716
record, and indexed under the name of the qualifying entity 125717
charged with the tax. When the tax, together with any penalties 125718
subsequently accruing thereon, have been paid, the tax 125719
commissioner shall furnish to the qualifying entity an 125720
acknowledgment of such payment that the qualifying entity may 125721
record with the recorder of each county in which notice of such 125722
lien has been filed, for which recording the recorder shall charge 125723
and receive a fee of two dollars. 125724

(C) In addition to all other remedies for the collection of 125725
any taxes or penalties due under law, whenever any taxes, 125726
interest, or penalties due from any qualifying entity under 125727
section 5733.41 of the Revised Code or this chapter have remained 125728

unpaid for a period of ninety days, or whenever any qualifying 125729
entity has failed for a period of ninety days to make any report 125730
or return required by law, or to pay any penalty for failure to 125731
make or file such report or return, the attorney general, upon the 125732
request of the tax commissioner, shall file a petition in the 125733
court of common pleas in the county of the state in which such 125734
qualifying entity has its principal place of business for a 125735
judgment for the amount of the taxes, interest, or penalties 125736
appearing to be due, the enforcement of any lien in favor of the 125737
state, and an injunction to restrain such qualifying entity and 125738
its officers, directors, and managing agents from the transaction 125739
of any business within this state, other than such acts as are 125740
incidental to liquidation or winding up, until the payment of such 125741
taxes, interest, and penalties, and the costs of the proceeding 125742
fixed by the court, or the making and filing of such report or 125743
return. 125744

The petition shall be in the name of the state. Any of the 125745
qualifying entities having its principal places of business in the 125746
county may be joined in one suit. On the motion of the attorney 125747
general, the court of common pleas shall enter an order requiring 125748
all defendants to answer by a day certain, and may appoint a 125749
special master commissioner to take testimony, with such other 125750
power and authority as the court confers, and permitting process 125751
to be served by registered mail and by publication in a newspaper 125752
of general circulation ~~published~~ in the county, which publication 125753
need not be made more than once, setting forth the name of each 125754
delinquent qualifying entity, the matter in which the qualifying 125755
entity is delinquent, the names of its officers, directors, and 125756
managing agents, if set forth in the petition, and the amount of 125757
any taxes, fees, or penalties claimed to be owing by the 125758
qualifying entity. 125759

All or any of the trustees or other fiduciaries, officers, 125760

directors, investors, beneficiaries, or managing agents of any 125761
qualifying entity may be joined as defendants with the qualifying 125762
entity. 125763

If it appears to the court upon hearing that any qualifying 125764
entity that is a party to the proceeding is indebted to the state 125765
for taxes imposed under section 5733.41 or 5747.41 of the Revised 125766
Code, or interest or penalties thereon, judgment shall be entered 125767
therefor with interest; and if it appears that any qualifying 125768
entity has failed to make or file any report or return, a 125769
mandatory injunction may be issued against the qualifying entity, 125770
its trustees or other fiduciaries, officers, directors, and 125771
managing agents, enjoining them from the transaction of any 125772
business within this state, other than acts incidental to 125773
liquidation or winding up, until the making and filing of all 125774
proper reports or returns and until the payment in full of all 125775
taxes, interest, and penalties. 125776

If the trustees or other fiduciaries, officers, directors, 125777
investors, beneficiaries, or managing agents of a qualifying 125778
entity are not made parties in the first instance, and a judgment 125779
or an injunction is rendered or issued against the qualifying 125780
entity, those officers, directors, investors, or managing agents 125781
may be made parties to such proceedings upon the motion of the 125782
attorney general, and, upon notice to them of the form and terms 125783
of such injunction, they shall be bound thereby as fully as if 125784
they had been made parties in the first instance. 125785

In any action authorized by this division, a statement of the 125786
tax commissioner, or the secretary of state, when duly certified, 125787
shall be prima-facie evidence of the amount of taxes, interest, or 125788
penalties due from any qualifying entity, or of the failure of any 125789
qualifying entity to file with the commissioner or the secretary 125790
of state any report required by law, and any such certificate of 125791
the commissioner or the secretary of state may be required in 125792

evidence in any such proceeding. 125793

On the application of any defendant and for good cause shown, 125794
the court may order a separate hearing of the issues as to any 125795
defendant. 125796

The costs of the proceeding shall be apportioned among the 125797
parties as the court deems proper. 125798

The court in such proceeding may make, enter, and enforce 125799
such other judgments and orders and grant such other relief as is 125800
necessary or incidental to the enforcement of the claims and lien 125801
of the state. 125802

In the performance of the duties enjoined upon the attorney 125803
general by this division, the attorney general may direct any 125804
prosecuting attorney to bring an action, as authorized by this 125805
division, in the name of the state with respect to any delinquent 125806
qualifying entities within the prosecuting attorney's county, and 125807
like proceedings and orders shall be had as if such action were 125808
instituted by the attorney general. 125809

(D) If any qualifying entity fails to make and file the 125810
reports or returns required under this chapter, or to pay the 125811
penalties provided by law for failure to make and file such 125812
reports or returns for a period of ninety days after the time 125813
prescribed by this chapter, the attorney general, on the request 125814
of the tax commissioner, shall commence an action in quo warranto 125815
in the court of appeals of the county in which that qualifying 125816
entity has its principal place of business to forfeit and annul 125817
its privileges and franchises. If the court is satisfied that any 125818
such qualifying entity is in default, it shall render judgment 125819
ousting such qualifying entity from the exercise of its privileges 125820
and franchises within this state, and shall otherwise proceed as 125821
provided in sections 2733.02 to 2733.39 of the Revised Code. 125822

Sec. 5747.46. As used in sections 5747.46 and 5747.47 of the	125823
Revised Code:	125824
(A) "Year's fund balance" means the amount credited to the	125825
public library fund during a calendar year.	125826
(B) "Distribution year" means the calendar year during which	125827
a year's fund balance is distributed under section 5747.47 of the	125828
Revised Code.	125829
(C) "CPI" means the consumer price index for all urban	125830
consumers (United States city average, all items), prepared by the	125831
United States department of labor, bureau of labor statistics.	125832
(D) "Inflation factor" means the quotient obtained by	125833
dividing the CPI for May of the year preceding the distribution	125834
year by the CPI for May of the second preceding year. If the	125835
quotient so obtained is less than one, the inflation factor shall	125836
equal one.	125837
(E) "Population" means whichever of the following has most	125838
recently been issued, as of the first day of June preceding the	125839
distribution year:	125840
(1) The most recent decennial census figures that include	125841
population figures for each county in the state;	125842
(2) The most current issue of "Current Population Reports:	125843
Local Population Estimates" issued by the United States bureau of	125844
the census that contains population estimates for each county in	125845
the state and the state.	125846
(F) "County's equalization ratio for a distribution year"	125847
means a percentage computed for that county as follows:	125848
(1) Square the per cent that the county's population is of	125849
the state's population;	125850
(2) Divide the product so obtained by the per cent that the	125851

county's total entitlement for the preceding year is of all 125852
counties' total entitlements for the preceding year; 125853

(3) Divide the quotient so obtained by the sum of the 125854
quotients so obtained for all counties. 125855

(G) "Total entitlement" means, with respect to a distribution 125856
year, the sum of a county's guaranteed share plus its share of the 125857
excess. For the 2012 distribution year, "total entitlement" equals 125858
the sum of payments made to a county public library fund during 125859
that year. 125860

(1) "Guaranteed share" means, for a distribution year, the 125861
product obtained by multiplying a county's total entitlement for 125862
the preceding distribution year by the ~~inflaction~~ inflation 125863
factor. If the sum of the guaranteed shares for all counties 125864
exceeds the year's fund balance, the guaranteed shares of all 125865
counties shall be reduced by a percentage that will result in the 125866
sum of such guaranteed shares being equal to the year's fund 125867
balance. 125868

(2) "Share of excess" means, for a distribution year, the 125869
product obtained by multiplying a county's equalization ratio by 125870
the difference between the year's fund balance and the sum of the 125871
guaranteed shares for all counties. If the sum of the guaranteed 125872
shares for all counties exceeds the year's fund balance the share 125873
of the excess for all counties is zero. 125874

(H) "Net distribution" means the sum of the payments made to 125875
a county's public library fund during a distribution year, 125876
adjusted as follows: 125877

(1) If the county received an overpayment during the 125878
preceding distribution year, add the amount of the overpayment; 125879

(2) If the county received an underpayment during the 125880
preceding distribution year, deduct the amount of the 125881
underpayment. 125882

(I) "Overpayment" or "underpayment" for a distribution year 125883
means the amount by which the net distribution to a county's 125884
public library fund during that distribution year exceeded or was 125885
less than the county's total entitlement for that year. 125886

All computations made under this section shall be rounded to 125887
the nearest one-hundredth of one per cent. 125888

Sec. 5747.51. ~~(A)~~ On or before the twenty-fifth day of July 125889
of each year, the tax commissioner shall make and certify to the 125890
county auditor of each county an estimate of the amount of the 125891
local government fund to be allocated to the undivided local 125892
government fund of each county for the ensuing calendar year ~~and~~ 125893
~~the estimated amount to be received by the undivided local~~ 125894
~~government fund of each county from the taxes levied pursuant to~~ 125895
~~section 5707.03 of the Revised Code for the ensuing calendar year.~~ 125896
Upon the auditor's receipt of the estimate, the county budget 125897
commission shall determine the amount that shall be distributed 125898
from the undivided local government fund to each subdivision under 125899
section 5747.52 or 5747.53 of the Revised Code. The commission's 125900
determination is final and may not be appealed unless the 125901
commission failed to comply with the formula under section 5747.52 125902
or 5747.53 of the Revised Code. 125903

~~(B)~~ At each annual regular session of the county budget 125904
commission convened pursuant to section 5705.27 of the Revised 125905
Code, each auditor shall present to the commission the certificate 125906
of the commissioner, the annual tax budget and estimates, and the 125907
records showing the action of the commission in its last preceding 125908
regular session. The estimates shown on the certificate of the 125909
commissioner of the amount to be allocated from the local 125910
government fund and the amount to be received from taxes levied 125911
pursuant to section 5707.03 of the Revised Code shall be combined 125912
into one total comprising the estimate of the undivided local 125913

~~government fund of the county. The commission, after extending to 125914
the representatives of each subdivision an opportunity to be 125915
heard, under oath administered by any member of the commission, 125916
and considering all the facts and information presented to it by 125917
the auditor, shall determine the amount of the undivided local 125918
government fund needed by and to be apportioned to each 125919
subdivision for current operating expenses, as shown in the tax 125920
budget of the subdivision. This determination shall be made 125921
pursuant to divisions (C) to (I) of this section, unless the 125922
commission has provided for a formula pursuant to section 5747.53 125923
of the Revised Code. 125924~~

~~Nothing in this section prevents the budget commission, for 125925
the purpose of apportioning the undivided local government fund, 125926
from inquiring into the claimed needs of any subdivision as stated 125927
in its tax budget, or from adjusting claimed needs to reflect 125928
actual needs. For the purposes of this section, "current operating 125929
expenses" means the lawful expenditures of a subdivision, except 125930
those for permanent improvements and except payments for interest, 125931
sinking fund, and retirement of bonds, notes, and certificates of 125932
indebtedness of the subdivision. 125933~~

~~(C) The commission shall determine the combined total of the 125934
estimated expenditures, including transfers, from the general fund 125935
and any special funds other than special funds established for 125936

state highway improvement; and gas, water, sewer, and electric 125938
public utilities operated by a subdivision, as shown in the 125939
subdivision's tax budget for the ensuing calendar year. 125940~~

~~(D) From the combined total of expenditures calculated 125941
pursuant to division (C) of this section, the commission shall 125942
deduct the following expenditures, if included in these funds in 125943
the tax budget: 125944~~

division (E) of section 5705.01 of the Revised Code;	125946

	125949
	125950
(3) Expenditures for the payment of debt charges;	125951
(4) Expenditures for the payment of judgments.	125952
(E) In addition to the deductions made pursuant to division (D) of this section, revenues accruing to the general fund and any special fund considered under division (C) of this section from the following sources shall be deducted from the combined total of expenditures calculated pursuant to division (C) of this section:	125953

 Sec. 5747.53. (A) As used in this section:	126200
(1) "City, located wholly or partially in the county, with the greatest population" means the city, located wholly or partially in the county, with the greatest population residing in the county; however, if the county budget commission on or before January 1, 1998, adopted an alternative method of apportionment that was approved by the legislative authority of the city, located partially in the county, with the greatest population but not the greatest population residing in the county, "city, located wholly or partially in the county, with the greatest population" means the city, located wholly or partially in the county, with the greatest population whether residing in the county or not, if this alternative meaning is adopted by action of the board of county commissioners and a majority of the boards of township trustees and legislative authorities of municipal corporations located wholly or partially in the county.	126201 126202 126203 126204 126205 126206 126207 126208 126209 126210 126211 126212 126213 126214 126215
(2) "Participating political subdivision" means a municipal corporation or township that satisfies all of the following:	126216 126217
(a) It is located wholly or partially in the county.	126218
(b) It is not the city, located wholly or partially in the county, with the greatest population.	126219 126220

~~(c) Undivided local government fund moneys are apportioned to it under the county's alternative method or formula of apportionment in the current calendar year.~~

~~(B) In lieu of the method of apportionment of the undivided local government fund of the county provided by section 5747.51 of the Revised Code, upon the approval of seventy-five per cent or more of the subdivisions located wholly or partially in the county acting by motion adopted after July 1, 2011, the county budget commission may provide for the apportionment of the fund under an alternative method or on a formula basis as authorized by this section.~~

~~Except as otherwise provided in division (C) of this section, the alternative method of apportionment shall have first been approved by all of the following governmental units: the board of county commissioners; the legislative authority of the city, located wholly or partially in the county, with the greatest population; and a majority of the boards of township trustees and legislative authorities of municipal corporations, located wholly or partially in the county, excluding the legislative authority of the city, located wholly or partially in the county, with the greatest population. In granting or denying approval for an alternative method of apportionment, the board of county commissioners, boards of township trustees, and legislative authorities of municipal corporations shall act by motion. A motion to approve shall be passed upon a majority vote of the members of a board of county commissioners, board of township trustees, or legislative authority of a municipal corporation, shall take effect immediately, and need not be published.~~

Any alternative method of apportionment adopted and approved under this ~~division~~ section may be revised, amended, or repealed in the same manner as it may be adopted and approved. If an alternative method of apportionment adopted and approved under

this ~~division section~~ is repealed, the undivided local government 126253
fund of the county shall be apportioned among the subdivisions 126254
eligible to participate in the fund, commencing in the ensuing 126255
calendar year, under the apportionment provided in section 5747.52 126256
of the Revised Code, ~~unless the repeal occurs by operation of~~ 126257
~~division (C) of this section or a new method for apportionment of~~ 126258
~~the fund is provided in the action of repeal.~~ 126259

~~(C) This division applies only in counties in which the city,~~ 126260
~~located wholly or partially in the county, with the greatest~~ 126261
~~population has a population of twenty thousand or less and a~~ 126262
~~population that is less than fifteen per cent of the total~~ 126263
~~population of the county. In such a county, the legislative~~ 126264
~~authorities or boards of township trustees of two or more~~ 126265
~~participating political subdivisions, which together have a~~ 126266
~~population residing in the county that is a majority of the total~~ 126267
~~population of the county, each may adopt a resolution to exclude~~ 126268
~~the approval otherwise required of the legislative authority of~~ 126269
~~the city, located wholly or partially in the county, with the~~ 126270
~~greatest population. All of the resolutions to exclude that~~ 126271
~~approval shall be adopted not later than the first Monday of~~ 126272
~~August of the year preceding the calendar year in which~~ 126273
~~distributions are to be made under an alternative method of~~ 126274
~~apportionment.~~ 126275

~~A motion granting or denying approval of an alternative~~ 126276
~~method of apportionment under this division shall be adopted by a~~ 126277
~~majority vote of the members of the board of county commissioners~~ 126278
~~and by a majority vote of a majority of the boards of township~~ 126279
~~trustees and legislative authorities of the municipal corporations~~ 126280
~~located wholly or partially in the county, other than the city,~~ 126281
~~located wholly or partially in the county, with the greatest~~ 126282
~~population, shall take effect immediately, and need not be~~ 126283
~~published. The alternative method of apportionment under this~~ 126284

~~division shall be adopted and approved annually, not later than 126285
the first Monday of August of the year preceding the calendar year 126286
in which distributions are to be made under it. A motion granting 126287
approval of an alternative method of apportionment under this 126288
division repeals any existing alternative method of apportionment, 126289
effective with distributions to be made from the fund in the 126290
ensuing calendar year. An alternative method of apportionment 126291
under this division shall not be revised or amended after the 126292
first Monday of August of the year preceding the calendar year in 126293
which distributions are to be made under it. 126294~~

~~(D) In determining an alternative method of apportionment 126295
authorized by this section, the county budget commission may 126296
include in the method any factor considered to be appropriate and 126297
reliable, in the sole discretion of the county budget commission. 126298~~

~~(E) The limitations set forth in section 5747.51 of the 126299
Revised Code, stating the maximum amount that the county may 126300
receive from the undivided local government fund and the minimum 126301
amount the townships in counties having a population of less than 126302
one hundred thousand may receive from the fund, are applicable to 126303
any alternative method of apportionment authorized under this 126304
section. 126305~~

~~(F) On the basis of any alternative method of apportionment 126306
adopted and approved as authorized by this section, as certified 126307
by the auditor to the county treasurer, the county treasurer shall 126308
make distribution of the money in the undivided local government 126309
fund to each subdivision eligible to participate in the fund, and 126310
the auditor, when the amount of those shares is in the custody of 126311
the treasurer in the amounts so computed to be due the respective 126312
subdivisions, shall at the same time certify to the tax 126313
commissioner the percentage share of the county as a subdivision. 126314
All money received into the treasury of a subdivision from the 126315
undivided local government fund in a county treasury shall be paid 126316~~

into the general fund and used for the current operating expenses 126317
of the subdivision. If a municipal corporation maintains a 126318
municipal university, the university, when the board of trustees 126319
so requests the legislative authority of the municipal 126320
corporation, shall participate in the money apportioned to the 126321
municipal corporation from the total local government fund, 126322
however created and constituted, in the amount requested by the 126323
board of trustees, provided that amount does not exceed nine per 126324
cent of the total amount paid to the municipal corporation. 126325

~~(G)~~ The actions of the county budget commission taken 126326
pursuant to this section are final and may not be appealed to the 126327
board of tax appeals, except on the issues of abuse of discretion 126328
and failure to comply with the formula. 126329

by resolution, the necessity of raising annually a specified 126393

that section. A copy of the resolution shall be certified to the 126399
tax commissioner no later than one hundred days prior to the date 126400
of the election at which the board intends to propose a levy under 126401
this section. Upon receipt of the copy of the resolution, the tax 126402
commissioner shall estimate both of the following: 126403

(1) The property tax rate that would have to be imposed in 126404
the current year by the district to produce an equivalent amount 126405
of money; 126406

126407
126408
126409

Within ten days of receiving the copy of the board's resolution, the commissioner shall prepare these estimates and certify them to the board. Upon receipt of the certification, the board may adopt a resolution proposing an income tax under division (B) of this section at the estimated rate contained in the certification rounded to the nearest one-fourth of one per cent. The commissioner's certification applies only to the board's proposal to levy an income tax at the election for which the board requested the certification. If the board intends to submit a proposal to levy an income tax at any other election, it shall request another certification for that election in the manner prescribed in this division.

(B)(1) Upon the receipt of a certification from the tax commissioner under division (A) of this section, a majority of the members of a board of education may adopt a resolution proposing the levy of an annual tax for school district purposes on school district income. The proposed levy may be for a continuing period of time or for a specified number of years. The resolution shall set forth the purpose for which the tax is to be imposed, the rate of the tax, which shall be the rate set forth in the commissioner's certification rounded to the nearest one-fourth of one per cent, the number of years the tax will be levied or that it will be levied for a continuing period of time, the date on which the tax shall take effect, which shall be the first day of January of any year following the year in which the question is submitted, and the date of the election at which the proposal shall be submitted to the electors of the district, which shall be on the date of a primary, general, or special election the date of which is consistent with section 3501.01 of the Revised Code. resolution shall specify whether the income that is to be subject 126439
to the tax is taxable income of individuals and estates as defined 126440
in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised 126441
Code or taxable income of individuals as defined in division 126442
(E)(1)(b) of that section. The specification shall be the same as 126443
the specification in the resolution adopted and certified under 126444
division (A) of this section. 126445

If the tax is to be levied for current expenses and permanent 126446
improvements, the resolution shall apportion the annual rate of 126447
the tax. The apportionment may be the same or different for each 126448
year the tax is levied, but the respective portions of the rate 126449
actually levied each year for current expenses and for permanent 126450
improvements shall be limited by the apportionment. 126451

If the board of education currently imposes an income tax 126452
pursuant to this chapter that is due to expire and a question is 126453
submitted under this section for a proposed income tax to take 126454
effect upon the expiration of the existing tax, the board may 126455
specify in the resolution that the proposed tax renews the 126456
expiring tax. Two or more expiring income taxes may be renewed 126457
under this paragraph if the taxes are due to expire on the same 126458
date. If the tax rate being proposed is no higher than the total 126459
tax rate imposed by the expiring tax or taxes, the resolution may 126460
state that the proposed tax is not an additional income tax. 126461

(2) A board of education adopting a resolution under division 126462
(B)(1) of this section proposing a school district income tax for 126463
a continuing period of time and limited to the purpose of current 126464
expenses may propose in that resolution to reduce the rate or 126465
rates of one or more of the school district's property taxes 126466
levied for a continuing period of time in excess of the ten-mill 126467
limitation for the purpose of current expenses. The reduction in 126468
the rate of a property tax may be any amount, expressed in mills 126469
per one dollar in valuation, not exceeding the rate at which the 126470

tax is authorized to be levied. The reduction in the rate of a tax 126471
shall first take effect for the tax year that includes the day on 126472
which the school district income tax first takes effect, and shall 126473
continue for each tax year that both the school district income 126474
tax and the property tax levy are in effect. 126475

In addition to the matters required to be set forth in the 126476
resolution under division (B)(1) of this section, a resolution 126477
containing a proposal to reduce the rate of one or more property 126478
taxes shall state for each such tax the maximum rate at which it 126479
currently may be levied and the maximum rate at which the tax 126480
could be levied after the proposed reduction, expressed in mills 126481
per one dollar in valuation, and that the tax is levied for a 126482
continuing period of time. 126483

If a board of education proposes to reduce the rate of one or 126484
more property taxes under division (B)(2) of this section, the 126485
board, when it makes the certification required under division (A) 126486
of this section, shall designate the specific levy or levies to be 126487
reduced, the maximum rate at which each levy currently is 126488
authorized to be levied, and the rate by which each levy is 126489
proposed to be reduced. The tax commissioner, when making the 126490
certification to the board under division (A) of this section, 126491
also shall certify the reduction in the total effective tax rate 126492
for current expenses for each class of property that would have 126493
resulted if the proposed reduction in the rate or rates had been 126494
in effect the previous tax year. As used in this paragraph, 126495
"effective tax rate" has the same meaning as in section 323.08 of 126496
the Revised Code. 126497

(C) A resolution adopted under division (B) of this section 126498
shall go into immediate effect upon its passage, and no 126499
publication of the resolution shall be necessary other than that 126500
provided for in the notice of election. Immediately after its 126501
adoption and at least ninety days prior to the election at which 126502

the question will appear on the ballot, a copy of the resolution 126503
shall be certified to the board of elections of the proper county, 126504
which shall submit the proposal to the electors on the date 126505
specified in the resolution. The form of the ballot shall be as 126506
provided in section 5748.03 of the Revised Code. Publication of 126507
notice of the election shall be made in ~~one or more newspapers~~ a 126508
newspaper of general circulation in the county once a week for two 126509
consecutive weeks, or as provided in section 7.16 of the Revised 126510
Code, prior to the election, ~~and, if.~~ If the board of elections 126511
operates and maintains a web site, the board of elections shall 126512
post notice of the election on its web site for thirty days prior 126513
to the election. The notice shall contain the time and place of 126514
the election and the question to be submitted to the electors. The 126515
question covered by the resolution shall be submitted as a 126516
separate proposition, but may be printed on the same ballot with 126517
any other proposition submitted at the same election, other than 126518
the election of officers. 126519

(D) No board of education shall submit the question of a tax 126520
on school district income to the electors of the district more 126521
than twice in any calendar year. If a board submits the question 126522
twice in any calendar year, one of the elections on the question 126523
shall be held on the date of the general election. 126524

(E)(1) No board of education may submit to the electors of 126525
the district the question of a tax on school district income on 126526
the taxable income of individuals as defined in division (E)(1)(b) 126527
of section 5748.01 of the Revised Code if that tax would be in 126528
addition to an existing tax on the taxable income of individuals 126529
and estates as defined in divisions (E)(1)(a) and (2) of that 126530
section. 126531

(2) No board of education may submit to the electors of the 126532
district the question of a tax on school district income on the 126533
taxable income of individuals and estates as defined in divisions 126534

(E)(1)(a) and (2) of section 5748.01 of the Revised Code if that 126535
tax would be in addition to an existing tax on the taxable income 126536
of individuals as defined in division (E)(1)(b) of that section. 126537

Sec. 5748.021. A board of education that levies a tax under 126538
section 5748.02 of the Revised Code on the school district income 126539
of individuals and estates as defined in divisions (G) and 126540
(E)(1)(a) and (2) of section 5748.01 of the Revised Code may 126541
declare, at any time, by a resolution adopted by a majority of its 126542
members, the necessity of raising annually a specified amount of 126543
money for school district purposes by replacing the existing tax 126544
with a tax on the school district income of individuals as defined 126545
in divisions (G)(1) and (E)(1)(b) of section 5748.01 of the 126546
Revised Code. The specified amount of money to be raised annually 126547
may be the same as, or more or less than, the amount of money 126548
raised annually by the existing tax. 126549

The board shall certify a copy of the resolution to the tax 126550
commissioner not later than the eighty-fifth day before the date 126551
of the election at which the board intends to propose the 126552
replacement to the electors of the school district. Not later than 126553
the tenth day after receiving the resolution, the tax commissioner 126554
shall estimate the tax rate that would be required in the school 126555
district annually to raise the amount of money specified in the 126556
resolution. The tax commissioner shall certify the estimate to the 126557
board. 126558

Upon receipt of the tax commissioner's estimate, the board 126559
may propose, by a resolution adopted by a majority of its members, 126560
to replace the existing tax on the school district income of 126561
individuals and estates as defined in divisions (G) and (E)(1)(a) 126562
and (2) of section 5748.01 of the Revised Code with the levy of an 126563
annual tax on the school district income of individuals as defined 126564
in divisions (G)(1) and (E)(1)(b) of section 5748.01 of the 126565

Revised Code. In the resolution, the board shall specify the rate 126566
of the replacement tax, whether the replacement tax is to be 126567
levied for a specified number of years or for a continuing time, 126568
the specific school district purposes for which the replacement 126569
tax is to be levied, the date on which the replacement tax will 126570
begin to be levied, the date of the election at which the question 126571
of the replacement is to be submitted to the electors of the 126572
school district, that the existing tax will cease to be levied and 126573
the replacement tax will begin to be levied if the replacement is 126574
approved by a majority of the electors voting on the replacement, 126575
and that if the replacement is not approved by a majority of the 126576
electors voting on the replacement the existing tax will remain in 126577
effect under its original authority for the remainder of its 126578
previously approved term. The resolution goes into immediate 126579
effect upon its adoption. Publication of the resolution is not 126580
necessary, and the information that will be provided in the notice 126581
of election is sufficient notice. At least seventy-five days 126582
before the date of the election at which the question of the 126583
replacement will be submitted to the electors of the school 126584
district, the board shall certify a copy of the resolution to the 126585
board of elections. 126586

The replacement tax shall have the same specific school 126587
district purposes as the existing tax, and its rate shall be the 126588
same as the tax commissioner's estimate rounded to the nearest 126589

day of January of a later year, as specified in the resolution. 126594
The date of the election shall be the date of an otherwise 126595

The board of elections shall make arrangements to submit the 126597

question of the replacement to the electors of the school district 126598
 on the date specified in the resolution. The board of elections 126599
 shall publish notice of the election on the question of the 126600

 the electors and the time and place of the election thereon. 126605

The question shall be submitted to the electors of the school 126606
 district as a separate proposition, but may be printed on the same 126607
 ballot with other propositions that are submitted at the same 126608
 election, other than the election of officers. The form of the 126609
 ballot shall be substantially as follows: 126610

 a continuing time), beginning (state the date the new tax 126617
 will take effect), for the purpose of (state the specific 126618
 school district purposes of the tax)? If the new tax is not 126619
 approved, the existing tax will remain in effect under its 126620
 original authority, for the remainder of its previously approved 126621
 term. 126622

	For replacing the existing tax with the new tax	
	Against replacing the existing tax with the new tax	

126623
 " 126624

The board of elections shall conduct and canvass the election 126625
 in the same manner as regular elections in the school district for 126626
 the election of county officers. The board shall certify the 126627

results of the election to the board of education and to the tax commissioner. If a majority of the electors voting on the question vote in favor of the replacement, the existing tax shall cease to be levied, and the replacement tax shall begin to be levied, on the date specified in the ballot question. If a majority of the electors voting on the question vote against the replacement, the existing tax shall continue to be levied under its original authority, for the remainder of its previously approved term.

A board of education may not submit the question of replacing a tax more than twice in a calendar year. If a board submits the question more than once, one of the elections at which the question is submitted shall be on the date of a general election.

If a board of education later intends to renew a replacement tax levied under this section, it shall repeat the procedure outlined in this section to do so, the replacement tax then being levied being the "existing tax" and the renewed replacement tax being the "replacement tax."

Sec. 5748.04. (A) The question of the repeal of a school district income tax levied for more than five years may be initiated not more than once in any five-year period by filing with the board of elections of the appropriate counties not later than ninety days before the general election in any year after the year in which it is approved by the electors a petition requesting that an election be held on the question. The petition shall be signed by qualified electors residing in the school district levying the income tax equal in number to ten per cent of those voting for governor at the most recent gubernatorial election.

The board of elections shall determine whether the petition is valid, and if it so determines, it shall submit the question to the electors of the district at the next general election. The election shall be conducted, canvassed, and certified in the same

manner as regular elections for county offices in the county. 126659
Notice of the election shall be published in a newspaper of 126660
general circulation in the district once a week for two 126661
consecutive weeks, or as provided in section 7.16 of the Revised 126662
Code, prior to the election, ~~and, if~~. If the board of elections 126663

place of the election. The form of the ballot cast at the election 126667
shall be as follows: 126668

"Shall the annual income tax of per cent, currently 126669
levied on the school district income of individuals and estates by 126670
..... (state the name of the school district) for the purpose 126671
of (state purpose of the tax), be repealed? 126672

	For repeal of the income tax	
	Against repeal of the income tax	"

126673

126674

126675

126676

(B)(1) If the tax is imposed on taxable income as defined in 126677
division (E)(1)(b) of section 5748.01 of the Revised Code, the 126678
form of the ballot shall be modified by stating that the tax 126679
currently is levied on the "earned income of individuals residing 126680
in the school district" in lieu of the "school district income of 126681
individuals and estates." 126682

(2) If the rate of one or more property tax levies was 126683
reduced for the duration of the income tax levy pursuant to 126684
division (B)(2) of section 5748.02 of the Revised Code, the form 126685
of the ballot shall be modified by adding the following language 126686
immediately after "repealed": ", and shall the rate of an existing 126687
tax on property for the purpose of current expenses, which rate 126688
was reduced for the duration of the income tax, be INCREASED from 126689

..... mills to mills per one dollar of valuation beginning 126690
in (state the first year for which the rate of the property 126691
tax will increase)." In lieu of "for repeal of the income tax" and 126692
"against repeal of the income tax," the phrases "for the issue" 126693
and "against the issue," respectively, shall be substituted. 126694

(3) If the rate of more than one property tax was reduced for 126695
the duration of the income tax, the ballot language shall be 126696
modified accordingly to express the rates at which those taxes 126697
currently are levied and the rates to which the taxes would be 126698
increased. 126699

(C) The question covered by the petition shall be submitted 126700
as a separate proposition, but it may be printed on the same 126701
ballot with any other proposition submitted at the same election 126702
other than the election of officers. If a majority of the 126703
qualified electors voting on the question vote in favor of it, the 126704
result shall be certified immediately after the canvass by the 126705
board of elections to the board of education of the school 126706
district and the tax commissioner, who shall thereupon, after the 126707
current year, cease to levy the tax, except that if notes have 126708
been issued pursuant to section 5748.05 of the Revised Code the 126709
tax commissioner shall continue to levy and collect under 126710
authority of the election authorizing the levy an annual amount, 126711
rounded upward to the nearest one-fourth of one per cent, as will 126712
be sufficient to pay the debt charges on the notes as they fall 126713
due. 126714

(D) If a school district income tax repealed pursuant to this 126715
section was approved in conjunction with a reduction in the rate 126716
of one or more school district property taxes as provided in 126717
division (B)(2) of section 5748.02 of the Revised Code, then each 126718
such property tax may be levied after the current year at the rate 126719
at which it could be levied prior to the reduction, subject to any 126720
adjustments required by the county budget commission pursuant to 126721

Chapter 5705. of the Revised Code. Upon the repeal of a school 126722
district income tax under this section, the board of education may 126723
resume levying a property tax, the rate of which has been reduced 126724
pursuant to a question approved under section 5748.02 of the 126725
Revised Code, at the rate the board originally was authorized to 126726
levy the tax. A reduction in the rate of a property tax under 126727
section 5748.02 of the Revised Code is a reduction in the rate at 126728
which a board of education may levy that tax only for the period 126729
during which a school district income tax is levied prior to any 126730
repeal pursuant to this section. The resumption of the authority 126731
to levy the tax upon such a repeal does not constitute a tax 126732
levied in excess of the one per cent limitation prescribed by 126733
Section 2 of Article XII, Ohio Constitution, or in excess of the 126734
ten-mill limitation. 126735

(E) This section does not apply to school district income tax 126736
levies that are levied for five or fewer years. 126737

Sec. 5748.05. After the approval by the electors of a 126738
resolution under section 5748.03 ~~or~~, 5748.08, or 5748.09 of the 126739
Revised Code to impose a school district income tax to provide an 126740
increase in current operating revenues or in current revenues for 126741
permanent improvements and prior to the time when the first 126742
payment to the district from the tax can be made, a board of 126743
education may anticipate a fraction of the proceeds of the tax and 126744
issue anticipation notes in an amount not exceeding fifty per cent 126745
of the total estimated proceeds of the tax to be collected for its 126746
first year of collection as estimated by the tax commissioner. The 126747
anticipation notes are Chapter 133. securities and shall be issued 126748
as provided in section 133.24 of the Revised Code as if property 126749
tax anticipation notes. The notes shall have principal payments 126750
during each year after their year of issuance over a period not to 126751
exceed five years and, if determined by the board of education, 126752
during the year of their issuance. The legislation authorizing 126753

issuance of the notes may also provide for the annual levy and 126754
collection of voted ad valorem property taxes levied for the 126755
applicable purpose for which the notes are issued and for the 126756
application of the proceeds of the levy to the extent necessary to 126757
pay annual debt charges on the notes. 126758

Sec. 5748.08. (A) The board of education of a city, local, or 126759
exempted village school district, at any time by a vote of 126760
two-thirds of all its members, may declare by resolution that it 126761
may be necessary for the school district to do all of the 126762

Revised Code or taxable income of individuals as defined in 126778
division (E)(1)(b) of that section. 126779

On adoption of the resolution, the board shall certify a copy 126780
of it to the tax commissioner and the county auditor no later than 126781
one hundred five days prior to the date of the special election at 126782

Immediately after its adoption and at least ninety days prior to the election at which the question will appear on the ballot, the board of education shall certify a copy of the resolution, along with copies of the auditor's estimate and its resolution under division (A) of this section, to the board of elections of the proper county. The board of education shall make the arrangements for the submission of the question to the electors of the school district, and the election shall be conducted, canvassed, and certified in the same manner as regular elections in the district for the election of county officers.

The resolution shall be put before the electors as one ballot question, with a majority vote indicating approval of the school district income tax, the bond issue, and the levy to pay debt charges on the bonds and any anticipatory securities. defined in that section, to another motor vehicle dealer for the 127466
purpose of resale by the transferee motor vehicle dealer, but only 127467
if the sale or other transfer was based upon the transferee's need 127468
to meet a specific customer's preference for a motor vehicle; 127469

(u) Receipts from a financial institution described in 127470
division (E)(3) of this section for services provided to the 127471

have the same meanings as in section 1322.01 of the Revised Code, 127486
except "mortgage broker" means a person assisting a buyer in 127487
obtaining a mortgage loan for a fee or other consideration paid by 127488

(z) Qualifying distribution center receipts.

(i) For purposes of division (F)(2)(z) of this section:

(I) "Qualifying distribution center receipts" means receipts of a supplier from qualified property that is delivered to a qualified distribution center, multiplied by a quantity that equals one minus the Ohio delivery percentage.

(II) "Qualified property" means tangible personal property delivered to a qualified distribution center that is shipped to that qualified distribution center solely for further shipping by the qualified distribution center to another location in this state or elsewhere. "Further shipping" includes storing and repackaging such property into smaller or larger bundles, so long as such property is not subject to further manufacturing or processing.

(III) "Qualified distribution center" means a warehouse or other similar facility in this state that, for the qualifying year, is operated by a person that is not part of a combined taxpayer group and that has a qualifying certificate. However, all warehouses or other similar facilities that are operated by persons in the same taxpayer group and that are located within one mile of each other shall be treated as one qualified distribution

center. 127523

(IV) "Qualifying year" means the calendar year to which the 127524
qualifying certificate applies. 127525

(V) "Qualifying period" means the period of the first day of 127526
July of the second year preceding the qualifying year through the 127527
thirtieth day of June of the year preceding the qualifying year. 127528

(VI) "Qualifying certificate" means the certificate issued by 127529
the tax commissioner after the operator of a distribution center 127530
files an annual application with the commissioner. The application 127531
and annual fee shall be filed and paid for each qualified 127532
distribution center on or before the first day of September before 127533
the qualifying year or within forty-five days after the 127534
distribution center opens, whichever is later. 127535

The applicant must substantiate to the commissioner's 127536
satisfaction that, for the qualifying period, all persons 127537
operating the distribution center have more than fifty per cent of 127538
the cost of the qualified property shipped to a location such that 127539
it would be situated outside this state under the provisions of 127540
division (E) of section 5751.033 of the Revised Code. The 127541
applicant must also substantiate that the distribution center 127542
cumulatively had costs from its suppliers equal to or exceeding 127543
five hundred million dollars during the qualifying period. (For 127544
purposes of division (F)(2)(z)(i)(VI) of this section, "supplier" 127545
excludes any person that is part of the consolidated elected 127546
taxpayer group, if applicable, of the operator of the qualified 127547
distribution center.) The commissioner may require the applicant 127548
to have an independent certified public accountant certify that 127549
the calculation of the minimum thresholds required for a qualified 127550
distribution center by the operator of a distribution center has 127551
been made in accordance with generally accepted accounting 127552
principles. The commissioner shall issue or deny the issuance of a 127553
certificate within sixty days after the receipt of the 127554

application. A denial is subject to appeal under section 5717.02 127555
of the Revised Code. If the operator files a timely appeal under 127556
section 5717.02 of the Revised Code, the operator shall be granted 127557
a qualifying certificate, provided that the operator is liable for 127558
any tax, interest, or penalty upon amounts claimed as qualifying 127559
distribution center receipts, other than those receipts exempt 127560
under division (C)(1) of section 5751.011 of the Revised Code, 127561
that would have otherwise not been owed by its suppliers if the 127562
qualifying certificate was valid. 127563

(VII) "Ohio delivery percentage" means the proportion of the 127564
total property delivered to a destination inside Ohio from the 127565
qualified distribution center during the qualifying period 127566
compared with total deliveries from such distribution center 127567
everywhere during the qualifying period. 127568

(ii) If the distribution center is new and was not open for 127569
the entire qualifying period, the operator of the distribution 127570
center may request that the commissioner grant a qualifying 127571
certificate. If the certificate is granted and it is later 127572
determined that more than fifty per cent of the qualified property 127573
during that year was not shipped to a location such that it would 127574
be situated outside of this state under the provisions of division 127575
(E) of section 5751.033 of the Revised Code or if it is later 127576
determined that the person that operates the distribution center 127577
had average monthly costs from its suppliers of less than forty 127578
million dollars during that year, then the operator of the 127579
distribution center shall be liable for any tax, interest, or 127580
penalty upon amounts claimed as qualifying distribution center 127581
receipts, other than those receipts exempt under division (C)(1) 127582
of section 5751.011 of the Revised Code, that would have not 127583
otherwise been owed by its suppliers during the qualifying year if 127584
the qualifying certificate was valid. (For purposes of division 127585
(F)(2)(z)(ii) of this section, "supplier" excludes any person that 127586

is part of the consolidated elected taxpayer group, if applicable, 127587
of the operator of the qualified distribution center.) 127588

(iii) When filing an application for a qualifying certificate 127589
under division (F)(2)(z)(i)(VI) of this section, the operator of a 127590
qualified distribution center also shall provide documentation, as 127591
the commissioner requires, for the commissioner to ascertain the 127592
Ohio delivery percentage. The commissioner, upon issuing the 127593
qualifying certificate, also shall certify the Ohio delivery 127594
percentage. The operator of the qualified distribution center may 127595
appeal the commissioner's certification of the Ohio delivery 127596
percentage in the same manner as an appeal is taken from the 127597
denial of a qualifying certificate under division (F)(2)(z)(i)(VI) 127598
of this section. 127599

Within thirty days after all appeals have been exhausted, the 127600
operator of the qualified distribution center shall notify the 127601
affected suppliers of qualified property that such suppliers are 127602
required to file, within sixty days after receiving notice from 127603
the operator of the qualified distribution center, amended reports 127604
for the impacted calendar quarter or quarters or calendar year, 127605
whichever the case may be. Any additional tax liability or tax 127606
overpayment shall be subject to interest but shall not be subject 127607
to the imposition of any penalty so long as the amended returns 127608
are timely filed. The supplier of tangible personal property 127609
delivered to the qualified distribution center shall include in 127610
its report of taxable gross receipts the receipts from the total 127611
sales of property delivered to the qualified distribution center 127612
for the calendar quarter or calendar year, whichever the case may 127613
be, multiplied by the Ohio delivery percentage for the qualifying 127614
year. Nothing in division (F)(2)(z)(iii) of this section shall be 127615
construed as imposing liability on the operator of a qualified 127616
distribution center for the tax imposed by this chapter arising 127617
from any change to the Ohio delivery percentage. 127618

(iv) In the case where the distribution center is new and not open for the entire qualifying period, the operator shall make a good faith estimate of an Ohio delivery percentage for use by suppliers in their reports of taxable gross receipts for the remainder of the qualifying period. The operator of the facility shall disclose to the suppliers that such Ohio delivery percentage is an estimate and is subject to recalculation. By the due date of the next application for a qualifying certificate, the operator shall determine the actual Ohio delivery percentage for the estimated qualifying period and proceed as provided in division (F)(2)(z)(iii) of this section with respect to the calculation and recalculation of the Ohio delivery percentage. The supplier is required to file, within sixty days after receiving notice from the operator of the qualified distribution center, amended reports for the impacted calendar quarter or quarters or calendar year, whichever the case may be. Any additional tax liability or tax overpayment shall be subject to interest but shall not be subject to the imposition of any penalty so long as the amended returns are timely filed.

(v) Qualifying certificates and Ohio delivery percentages issued by the commissioner shall be open to public inspection and shall be timely published by the commissioner. A supplier relying in good faith on a certificate issued under this division shall not be subject to tax on the qualifying distribution center receipts under division (F)(2)(z) of this section. A person receiving a qualifying certificate is responsible for paying the tax, interest, and penalty upon amounts claimed as qualifying distribution center receipts that would not otherwise have been owed by the supplier if the qualifying certificate were available when it is later determined that the qualifying certificate should not have been issued because the statutory requirements were in fact not met.

(vi) The annual fee for a qualifying certificate shall be one hundred thousand dollars for each qualified distribution center. If a qualifying certificate is not issued, the annual fee is subject to refund after the exhaustion of all appeals provided for in division (F)(2)(z)(i)(VI) of this section. The fee imposed under this division may be assessed in the same manner as the tax imposed under this chapter. The first one hundred thousand dollars of the annual application fees collected each calendar year shall be credited to the commercial activity tax administrative fund. The remainder of the annual application fees collected shall be distributed in the same manner required under section 5751.20 of the Revised Code.

(vii) The tax commissioner may require that adequate security be posted by the operator of the distribution center on appeal when the commissioner disagrees that the applicant has met the minimum thresholds for a qualified distribution center as set forth in divisions (F)(2)(z)(i)(VI) and (F)(2)(z)(ii) of this section.

(aa) Receipts of an employer from payroll deductions relating to the reimbursement of the employer for advancing moneys to an unrelated third party on an employee's behalf;

(bb) Cash discounts allowed and taken;

(cc) Returns and allowances;

(dd) Bad debts from receipts on the basis of which the tax imposed by this chapter was paid in a prior quarterly tax payment period. For the purpose of this division, "bad debts" means any debts that have become worthless or uncollectible between the preceding and current quarterly tax payment periods, have been uncollected for at least six months, and that may be claimed as a deduction under section 166 of the Internal Revenue Code and the regulations adopted under that section, or that could be claimed

as such if the taxpayer kept its accounts on the accrual basis. 127682
"Bad debts" does not include repossessed property, uncollectible 127683
amounts on property that remains in the possession of the taxpayer 127684
until the full purchase price is paid, or expenses in attempting 127685
to collect any account receivable or for any portion of the debt 127686
recovered; 127687

(ee) Any amount realized from the sale of an account 127688
receivable to the extent the receipts from the underlying 127689
transaction giving rise to the account receivable were included in 127690
the gross receipts of the taxpayer; 127691

(ff) Any receipts directly attributed to providing public 127692
services pursuant to sections 126.60 to 126.605 of the Revised 127693
Code, or any receipts directly attributed to a transfer agreement 127694
or to the enterprise transferred under that agreement under 127695
section 4313.02 of the Revised Code. 127696

(gg) Any receipts for which the tax imposed by this chapter 127697
is prohibited by the Constitution or laws of the United States or 127698
the Constitution of Ohio. 127699

~~(gg)~~(hh) Amounts realized by licensed motor fuel dealers or 127700
licensed permissive motor fuel dealers from the exchange of 127701
petroleum products, including motor fuel, between such dealers, 127702
provided that delivery of the petroleum products occurs at a 127703
refinery, terminal, pipeline, or marine vessel and that the 127704
exchanging dealers agree neither dealer shall require monetary 127705
compensation from the other for the value of the exchanged 127706
petroleum products other than such compensation for differences in 127707
product location or grade. Division (F)(2)~~(gg)~~(hh) of this section 127708
does not apply to amounts realized as a result of differences in 127709
location or grade of exchanged petroleum products or from 127710
handling, lubricity, dye, or other additive injections fees, 127711
pipeline security fees, or similar fees. As used in this division, 127712
"motor fuel," "licensed motor fuel dealer," "licensed permissive 127713

motor fuel dealer," and "terminal" have the same meanings as in 127714
section 5735.01 of the Revised Code. 127715

(ii) Qualified uranium receipts qualifying for exclusion 127716
under section 5751.41 of the Revised Code. 127717

(3) In the case of a taxpayer when acting as a real estate 127718
broker, "gross receipts" includes only the portion of any fee for 127719
the service of a real estate broker, or service of a real estate 127720
salesperson associated with that broker, that is retained by the 127721
broker and not paid to an associated real estate salesperson or 127722
another real estate broker. For the purposes of this division, 127723
"real estate broker" and "real estate salesperson" have the same 127724
meanings as in section 4735.01 of the Revised Code. 127725

(4) A taxpayer's method of accounting for gross receipts for 127726
a tax period shall be the same as the taxpayer's method of 127727
accounting for federal income tax purposes for the taxpayer's 127728
federal taxable year that includes the tax period. If a taxpayer's 127729
method of accounting for federal income tax purposes changes, its 127730
method of accounting for gross receipts under this chapter shall 127731
be changed accordingly. 127732

of the following applies. The person: 127736

liabilities and to receive all legal notices with respect to
matters under this chapter, or, for the purposes of section
5751.04 of the Revised Code, a separate taxpayer that is not a
member of such a group.

Sec. 5751.011. (A) A group of two or more persons may elect
to be a consolidated elected taxpayer for the purposes of this
chapter if the group satisfies all of the following requirements:

(1) The group elects to include all persons, including
persons enumerated in divisions (E)(2) to (10) of section 5751.01
of the Revised Code, having at least eighty per cent, or having at
least fifty per cent, of the value of their ownership interests
owned or controlled, directly or constructively through related
interests, by common owners during all or any portion of the tax
period, together with the common owners.

A group making its initial election on the basis of the
eighty per cent ownership test may change its election so that its
consolidated elected taxpayer group is formed on the basis of the
fifty per cent ownership test if all of the following are
satisfied:

(a) When the initial election was made, the group did not
have any persons satisfying the fifty per cent ownership test;

(b) One or more of the persons in the initial group
subsequently acquires ownership interests in a person such that
the fifty per cent ownership test is satisfied, the eighty per
cent ownership test is not satisfied, and the acquired person
would be required to be included in a combined taxpayer group
under section 5751.012 of the Revised Code;

(c) The group requests the change in a written request to the tax commissioner on or before the due date for filing the first return due under section 5751.051 of the Revised Code after the date of the acquisition;

(d) The group has not previously changed its election.

At the election of the group, all entities that are not incorporated or formed under the laws of a state or of the United States and that meet the consolidated elected ownership test shall either be included in the group or all shall be excluded from the group. If, at the time of registration, the group does not include any such entities that meet the consolidated elected ownership test, the group shall elect to either include or exclude the newly acquired entities before the due date of the first return due after the date of the acquisition.

Each group shall notify the tax commissioner of the foregoing elections before the due date of the return for the period in which the election becomes binding. If fifty per cent of the value of a person's ownership interests is owned or controlled by each of two consolidated elected taxpayer groups formed under the fifty per cent ownership or control test, that person is a member of each group for the purposes of this section, and each group shall include in the group's taxable gross receipts fifty per cent of that person's taxable gross receipts. Otherwise, all of that person's taxable gross receipts shall be included in the taxable gross receipts of the consolidated elected taxpayer group of which the person is a member. In no event shall the ownership or control of fifty per cent of the value of a person's ownership interests by two otherwise unrelated groups form the basis for consolidating the groups into a single consolidated elected taxpayer group or permit any exclusion under division (C) of this section of taxable gross receipts between members of the two groups. Division (A)(3) of this section applies with respect to the elections described in

this division. 127866

(2) The group makes the election to be treated as a 127867
consolidated elected taxpayer in the manner prescribed under 127868
division (D) of this section. 127869

(3) Subject to review and audit by the tax commissioner, the 127870
group agrees that all of the following apply: 127871

(a) The group shall file reports as a single taxpayer for at 127872
least the next eight calendar quarters following the election so 127873
long as at least two or more of the members of the group meet the 127874
requirements of division (A)(1) of this section. 127875

(b) Before the expiration of the eighth such calendar 127876
quarter, the group shall notify the commissioner if it elects to 127877
cancel its designation as a consolidated elected taxpayer. If the 127878
group does not so notify the tax commissioner, the election 127879
remains in effect for another eight calendar quarters. 127880

(c) If, at any time during any of those eight calendar 127881
quarters following the election, a former member of the group no 127882
longer meets the requirements under division (A)(1) of this 127883
section, that member shall report and pay the tax imposed under 127884
this chapter separately, as a member of a combined taxpayer, or, 127885
if the former member satisfies such requirements with respect to 127886
another consolidated elected group, as a member of that 127887
consolidated elected group. 127888

(d) The group agrees to the application of division (B) of 127889
this section. 127890

(B) A group of persons making the election under this section 127891
shall report and pay tax on all of the group's taxable gross 127892
receipts even if substantial nexus with this state does not exist 127893
for one or more persons in the group. 127894

(C)(1)(a) Members of a consolidated elected taxpayer group 127895

shall exclude gross receipts among persons included in the 127896
consolidated elected taxpayer group. 127897

(b) Subject to divisions (C)(1)(c) and (C)(2) of this 127898
section, nothing in this section shall have the effect of 127899
requiring a consolidated elected taxpayer group to include gross 127900
receipts received by a person enumerated in divisions (E)(2) to 127901
(10) of section 5751.01 of the Revised Code if that person is a 127902
member of the group pursuant to the elections made by the group 127903
under division (A)(1) of this section. 127904

In computing the fixed-rate levy losses under divisions 128450
(D)(1), (2), and (3) of this section for any school district, 128451

for tax year 2000 shall be substituted for the taxable value of 128455
such property as reported by taxpayers for tax year 2004, in the 128456

taxing unit its machinery and equipment, inventory, and furniture 128475
and fixtures fixed-rate levy losses, and for each tax year from 128476

2006 through 2011 its telephone property fixed-rate levy loss. 128477
Except as provided in division (F) of this section, such losses 128478
are the applicable amounts described in divisions (D)(1), (2), 128479
(3), and (4) of this section: 128480

(1) The machinery and equipment fixed-rate levy loss is the 128481
machinery and equipment property tax value loss multiplied by the 128482
sum of the tax rates of fixed-rate qualifying levies. 128483

(2) The inventory fixed-rate loss is the inventory property 128484
tax value loss multiplied by the sum of the tax rates of 128485
fixed-rate qualifying levies. 128486

(3) The furniture and fixtures fixed-rate levy loss is the 128487
furniture and fixture property tax value loss multiplied by the 128488
sum of the tax rates of fixed-rate qualifying levies. 128489

(4) The telephone property fixed-rate levy loss is the 128490
telephone property tax value loss multiplied by the sum of the tax 128491
rates of fixed-rate qualifying levies. 128492

(E) Not later than September 15, 2005, the tax commissioner 128493
shall determine for each school district, joint vocational school 128494
district, and local taxing unit its fixed-sum levy loss. The 128495
fixed-sum levy loss is the amount obtained by subtracting the 128496
amount described in division (E)(2) of this section from the 128497
amount described in division (E)(1) of this section: 128498

(1) The sum of the machinery and equipment property tax value 128499
loss, the inventory property tax value loss, and the furniture and 128500
fixtures property tax value loss, and, for 2008 through ~~2017~~ 2010, 128501
the telephone property tax value loss of the district or unit 128502
multiplied by the sum of the fixed-sum tax rates of qualifying 128503
levies. For 2006 through 2010, this computation shall include all 128504
qualifying levies remaining in effect for the current tax year and 128505
any school district levies imposed under section 5705.194 or 128506
5705.213 of the Revised Code that are qualifying levies not 128507

remaining in effect for the current year. For 2011 through 2017 in 128508
the case of school district levies imposed under section 5705.194 128509
or 5705.213 of the Revised Code and for all years after 2010 in 128510
the case of other fixed-sum levies, this computation shall include 128511
only qualifying levies remaining in effect for the current year. 128512
For purposes of this computation, a qualifying school district 128513
levy imposed under section 5705.194 or 5705.213 of the Revised 128514
Code remains in effect in a year after 2010 only if, for that 128515
year, the board of education levies a school district levy imposed 128516
under section 5705.194, 5705.199, 5705.213, or 5705.219 of the 128517
Revised Code for an annual sum at least equal to the annual sum 128518
levied by the board in tax year 2004 less the amount of the 128519
payment certified under this division for 2006. 128520

(2) The total taxable value in tax year 2004 less the sum of 128521
the machinery and equipment, inventory, furniture and fixtures, 128522
and telephone property tax value losses in each school district, 128523
joint vocational school district, and local taxing unit multiplied 128524
by one-half of one mill per dollar. 128525

(3) For the calculations in divisions (E)(1) and (2) of this 128526
section, the tax value losses are those that would be calculated 128527
for tax year 2009 under divisions (C)(1), (2), and (3) of this 128528
section and for tax year 2011 under division (C)(4) of this 128529
section. 128530

(4) To facilitate the calculation under divisions (D) and (E) 128531
of this section, not later than September 1, 2005, any school 128532
district, joint vocational school district, or local taxing unit 128533
that has a qualifying levy that was approved at an election 128534
conducted during 2005 before September 1, 2005, shall certify to 128535
the tax commissioner a copy of the county auditor's certificate of 128536
estimated property tax millage for such levy as required under 128537
division (B) of section 5705.03 of the Revised Code, which is the 128538
rate that shall be used in the calculations under such divisions. 128539

If the amount determined under division (E) of this section 128540
for any school district, joint vocational school district, or 128541
local taxing unit is greater than zero, that amount shall equal 128542
the reimbursement to be paid pursuant to division (E) of section 128543
5751.21 or division (A)(3) of section 5751.22 of the Revised Code, 128544
and the one-half of one mill that is subtracted under division 128545
(E)(2) of this section shall be apportioned among all contributing 128546
fixed-sum levies in the proportion that each levy bears to the sum 128547
of all fixed-sum levies within each school district, joint 128548
vocational school district, or local taxing unit. 128549

(F) If a school district levies a tax under section 5705.219 128550
of the Revised Code, the fixed-rate levy loss for qualifying 128551
levies, to the extent repealed under that section, shall equal the 128552
sum of the following amounts in lieu of the amounts computed for 128553
such levies under division (D) of this section: 128554

(1) The sum of the rates of qualifying levies to the extent 128555
so repealed multiplied by the sum of the machinery and equipment, 128556
inventory, and furniture and fixtures tax value losses for 2009 as 128557
determined under that division; 128558

(2) The sum of the rates of qualifying levies to the extent 128559
so repealed multiplied by the telephone property tax value loss 128560
for 2011 as determined under that division. 128561

The fixed-rate levy losses for qualifying levies to the 128562
extent not repealed under section 5705.219 of the Revised Code 128563
shall be as determined under division (D) of this section. The 128564
revised fixed-rate levy losses determined under this division and 128565
division (D) of this section first apply in the year following the 128566
first year the district levies the tax under section 5705.219 of 128567
the Revised Code. 128568

(G) Not later than October 1, 2005, the tax commissioner 128569
shall certify to the department of education for every school 128570

district and joint vocational school district the machinery and 128571
equipment, inventory, furniture and fixtures, and telephone 128572
property tax value losses determined under division (C) of this 128573
section, the machinery and equipment, inventory, furniture and 128574
fixtures, and telephone fixed-rate levy losses determined under 128575
division (D) of this section, and the fixed-sum levy losses 128576
calculated under division (E) of this section. The calculations 128577
under divisions (D) and (E) of this section shall separately 128578
display the levy loss for each levy eligible for reimbursement. 128579

(H) Not later than October 1, 2005, the tax commissioner 128580
shall certify the amount of the fixed-sum levy losses to the 128581
county auditor of each county in which a school district, joint 128582
vocational school district, or local taxing unit with a fixed-sum 128583
levy loss reimbursement has territory. 128584

(I) Not later than the twenty-eighth day of February each 128585
year beginning in 2011 and ending in 2014, the tax commissioner 128586
shall certify to the department of education for each school 128587
district first levying a tax under section 5705.219 of the Revised 128588
Code in the preceding year the revised fixed-rate levy losses 128589

approved by the board and signed by the president of the board and 129318
by the contractor and shall be executed in duplicate. In case of 129319
sudden emergency when it is necessary in order to protect the 129320
district, the advertising of contracts may be waived upon the 129321
consent of the board, with the approval of the court or a judge of 129322
the court of common pleas of the county in which the office of the 129323

acquired or completed, or previously acquired or completed, 129339
including the right to establish rules and rates and charges for 129340
the use of, and connections to, the improvements. The 129341

maintenance, or operation of any water supply improvements within 129346
the area, or the validity of any assessments levied or to be 129347

Sec. 6103.05. (A) After the establishment of any county sewer 129378
district, the board of county commissioners, if a water supply 129379

improvement is to be undertaken, may have the county sanitary 129380
engineer prepare, or otherwise cause to be prepared, for the 129381
district, or revise as needed, a general plan of water supply that 129382
is as complete as can be developed at the time. After the general 129383
plan, in original or revised form, has been approved by the board, 129384
it may adopt a resolution generally describing the water supply 129385
improvement that is necessary to be acquired or constructed in 129386
accordance with the plan, declaring that the improvement is 129387
necessary for the preservation and promotion of the public health 129388
and welfare, and determining whether or not special assessments 129389
are to be levied and collected to pay any part of the cost of the 129390
improvement. 129391

(B) If special assessments are not to be levied and collected 129392
to pay any part of the cost of the improvement, the board, in the 129393
resolution provided for in division (A) of this section or in a 129394
subsequent resolution, including a resolution authorizing the 129395
issuance or incurrence of public obligations for the improvement, 129396
may authorize the improvement and the expenditure of the funds 129397
required for its acquisition or construction and may proceed with 129398
the improvement without regard to the procedures otherwise 129399
required by divisions (C), (D), and (E) of this section and by 129400
sections 6103.06, 6103.07, and 6117.09 to 6117.24 of the Revised 129401
Code. Those procedures shall be required only for improvements for 129402
which special assessments are to be levied and collected. 129403

(C) If special assessments are to be levied and collected 129404
pursuant to a determination made in the resolution provided for in 129405
division (A) of this section or in a subsequent resolution, the 129406
procedures referred to in division (B) of this section as being 129407
required for that purpose shall apply, and the board may have the 129408
county sanitary engineer prepare, or otherwise cause to be 129409
prepared, detailed plans, specifications, and an estimate of cost 129410
for the improvement, together with a tentative assessment of the 129411

cost based on the estimate. The tentative assessment shall be for 129412
the information of property owners and shall not be levied or 129413
certified to the county auditor for collection. The detailed 129414
plans, specifications, estimate of cost, and tentative assessment, 129415
if approved by the board, shall be carefully preserved in the 129416
office of the board or the county sanitary engineer and shall be 129417
open to the inspection of all persons interested in the 129418
improvement. 129419

(D) After the board's approval of the detailed plans, 129420
specifications, estimate of cost, and tentative assessment, and at 129421
least twenty-four days before adopting a resolution pursuant to 129422
division (E) of this section, the board, except to the extent that 129423
appropriate waivers of notice are obtained from affected owners, 129424
shall cause to be sent a notice of its intent to adopt a 129425
resolution to each owner of property proposed to be assessed that 129426
is listed on the records of the county auditor for current 129427
agricultural use value taxation pursuant to section 5713.31 of the 129428
Revised Code and that is not located in an agricultural district 129429
established under section 929.02 of the Revised Code. The notice 129430
shall satisfy all of the following: 129431

(1) Be sent by first class or certified mail; 129432

(2) Specify the proposed date of the adoption of the 129433
resolution; 129434

(3) Contain a statement that the improvement will be financed 129435
in whole or in part by special assessments and that all properties 129436
not located in an agricultural district established pursuant to 129437
section 929.02 of the Revised Code may be subject to a special 129438
assessment; 129439

(4) Contain a statement that an agricultural district may be 129440
established by filing an application with the county auditor. 129441

If it appears, by the return of the mailed notices or by 129442

other means, that one or more of the affected owners cannot be 129443
found or are not served by the mailed notice, the board shall 129444
cause the notice to be published once in a newspaper of general 129445
circulation in the county not later than ten days before the 129446
adoption of the resolution. 129447

(E) After complying with divisions (A), (C), and (D) of this 129448
section, the board may adopt a resolution declaring that the 129449
improvement, which shall be described as to its nature and its 129450
location, route, and termini, is necessary for the preservation 129451
and promotion of the public health and welfare, referring to the 129452
plans, specifications, estimate of cost, and tentative assessment, 129453
stating the place where they are on file and may be examined, and 129454
providing that the entire cost or a lesser designated part of the 129455
cost will be specially assessed against the benefited properties 129456
within the district and that any balance will be paid by the 129457
county at large from other available funds. The resolution also 129458
shall contain a description of the boundaries of that part of the 129459
district to be assessed and shall designate a time and place for 129460
objections to the improvement, to the tentative assessment, or to 129461
the boundaries of the assessment district to be heard by the 129462
board. The date of that hearing shall be not less than twenty-four 129463
days after the date of the first publication of the notice of the 129464
hearing required by this division. 129465

The board shall cause a notice of the hearing to be published 129466
once a week for two consecutive weeks in a newspaper of general 129467
circulation in the county or as provided in section 7.16 of the 129468
Revised Code, and on or before the date of the second publication, 129469
it shall cause to be sent by first class or certified mail a copy 129470
of the notice to every owner of property to be assessed for the 129471
improvement whose address is known. 129472

The notice shall set forth the time and place of the hearing, 129473
a summary description of the proposed improvement, including its 129474

general route and termini, a summary description of the area 129475
constituting the assessment district, and the place where the 129476
plans, specifications, estimate of cost, and tentative assessment 129477
are on file and may be examined. Each mailed notice also shall 129478
include a statement that the property of the addressee will be 129479
assessed for the improvement. The notice also shall be sent by 129480
first class or certified mail, on or before the date of the second 129481
publication, to the clerk, or the official discharging the duties 129482
of a clerk, of any municipal corporation any part of which lies 129483
within the assessment district and shall state whether or not any 129484
property belonging to the municipal corporation is to be assessed 129485
and, if so, shall identify that property. 129486

At the hearing, or at any adjournment of the hearing, of 129487
which no further published or mailed notice need be given, the 129488
board shall hear all parties whose properties are proposed to be 129489
assessed. Written objections to or endorsements of the proposed 129490
improvement, its character and termini, the boundaries of the 129491
assessment district, or the tentative assessment shall be received 129492
by the board for a period of five days after the completion of the 129493
hearing, and no action shall be taken by the board in the matter 129494
until after that period has elapsed. The minutes of the hearing 129495
shall be entered on the journal of the board showing the persons 129496
who appear in person or by attorney, and all written objections 129497
shall be preserved and filed in the office of the board. 129498

Sec. 6103.06. After the expiration of the period of five days 129499
provided in section 6103.05 of the Revised Code for the filing of 129500
written objections, the board of county commissioners shall 129501
determine whether it will proceed with the construction of the 129502
proposed improvement. If it decides to proceed therewith, the 129503
board shall ratify or amend the plans for the improvement, the 129504
character and termini thereof, the boundaries of the assessment 129505
district, and the tentative assessment, and may cause such 129506

revision of plans, boundaries, or assessments as is necessary to 129507
be made by the county sanitary engineer. If the boundaries of the 129508
assessment district are amended so as to include any property not 129509
included within the boundaries as established by the resolution of 129510
necessity, provided for in section 6103.05 of the Revised Code, 129511
the owners of all such property shall be notified by mail if their 129512
addresses are known, and notice shall be published once a week for 129513
two consecutive weeks in a newspaper of general circulation within 129514
the county or as provided in section 7.16 of the Revised Code, 129515
that such amendments have been adopted and that a hearing will be 129516
given by the board at a time and place stated in such notice at 129517
which all persons interested will be heard by the board. The date 129518
of such hearing shall be not less than twenty-four days after the 129519
first publication of such notice, and the hearing shall be 129520
conducted and records kept in the same manner as the first 129521
hearing. Five days shall be allowed for the filing of written 129522
objections as provided in section 6103.05 of the Revised Code for 129523
the first hearing and after the expiration of such five day period 129524
the board shall ratify the plans for the improvement, the 129525
character and termini thereof, the boundaries of the assessment 129526
district, and the tentative assessment, or shall further amend the 129527
same. If the boundaries of the assessment district are amended so 129528
as to include any property not included in the assessment district 129529
as originally established or previously amended, further notice 129530
and hearing shall be given to the owners of such property in the 129531
same manner as for the first amendment of such boundaries, and the 129532
same procedure shall be repeated until all property owners 129533
affected have been given an opportunity to be heard. If the owners 129534
of all property added to an assessment district by amendment of 129535
the original boundaries thereof waive objection to such amendment 129536
in writing, no further notice or hearing shall be given. After the 129537
board has ratified the plans for the improvement, the character 129538
and termini thereof, the boundaries of the assessment district, 129539

and the tentative assessment, either as originally presented or as amended, and if it decides to proceed therewith, the board shall adopt a resolution, to be known as the improvement resolution. Said improvement resolution shall declare the determination of such board to proceed with the construction of the improvement provided for in the resolution of necessity, in accordance with the plans and specification provided for such improvement, as ratified or amended, and whether bonds or certificates of indebtedness shall be issued in anticipation of the collection of special assessments, or that money in the county treasury unappropriated for any other purpose shall be appropriated to pay for said improvement.

Sec. 6103.081. (A) After the establishment of any county sewer district, the board of county commissioners may determine by resolution that it is necessary to provide water supply improvements and to maintain and operate the improvements within the district or a designated portion of the district, that the improvements, which shall be generally described in the resolution, shall be constructed, that funds are required to pay the preliminary costs of the improvements to be incurred prior to the commencement of the proceedings for their construction, and that those funds shall be provided in accordance with this section.

(B) Prior to the adoption of the resolution, the board shall give notice of its pendency and of the proposed determination of the necessity of the improvements generally described in the resolution. The notice shall set forth a description of the properties to be benefited by the improvements and the time and place of a hearing of objections to and endorsements of the improvements. The notice shall be given either by publication in a newspaper of general circulation in the county once a week for two consecutive weeks, by publication as provided in section 7.16 of

the Revised Code, or by mailing a copy of the notice by first class or certified mail to the owners of the properties proposed to be assessed at their respective tax mailing addresses, or by ~~both~~ a combination of these manners, the first publication to be made or the mailing to occur at least two weeks prior to the date set for the hearing. At the hearing, or at any adjournment of the hearing, of which no further published or mailed notice need be given, the board shall hear all persons whose properties are proposed to be assessed and the evidence it considers to be necessary. The board then shall determine the necessity of the proposed improvements and whether the improvements shall be made by the board and, if they are to be made, shall direct the preparation of tentative assessments upon the benefited properties and by whom they shall be prepared.

(C) In order to obtain funds for the preparation of a general or revised general plan of water supply for the district or part of the district, for the preparation of the detailed plans, specifications, estimate of cost, and tentative assessment for the proposed improvements, and for the cost of financing and legal services incident to the preparation of all of those plans and a plan of financing the proposed improvements, the board may levy upon the properties to be benefited in the district a preliminary assessment apportioned according to benefits or to tax valuation or partly by one method and partly by the other method as the board may determine. The assessments shall be in the amount determined to be necessary to obtain funds for the general and detailed plans and the cost of financing and legal services and shall be payable in the number of years that the board shall determine, not to exceed twenty years, together with interest on any public obligations that may be issued or incurred in anticipation of the collection of the assessments.

(D) The board shall have power at any time to levy additional

assessments according to benefits or to tax valuation or partly by 129604
one method and partly by the other method as the board may 129605
determine for the purposes described in division (C) of this 129606
section upon the benefited properties to complete the payment of 129607
the costs described in division (C) of this section or to pay the 129608
cost of any additional plans, specifications, estimate of cost, or 129609
tentative assessment and the cost of financing and legal services 129610
incident to the preparation of those plans and the plan of 129611
financing, which additional assessments shall be payable in the 129612
number of years that the board shall determine, not to exceed 129613
twenty years, together with interest on any public obligations 129614
that may be issued or incurred in anticipation of the collection 129615
of the additional assessments. 129616

(E) Prior to the adoption of a resolution levying assessments 129617
under this section, the board shall give notice either by one 129618
publication in a newspaper of general circulation in the county, 129619
or by mailing a copy of the notice by first class or certified 129620
mail to the owners of the properties proposed to be assessed at 129621
their respective tax mailing addresses, or by both manners, the 129622
publication to be made or the mailing to occur at least ten days 129623
prior to the date of the meeting at which the resolution shall be 129624
taken up for consideration; that notice shall state the time and 129625
place of the meeting at which the resolution is to be considered. 129626
At the time and place of the meeting, or at any adjournment of the 129627
meeting, of which no further published or mailed notice need be 129628
given, the board shall hear all persons whose properties are 129629
proposed to be assessed, shall correct any errors and make any 129630
revisions that appear to be necessary or just, and then may adopt 129631
a resolution levying upon the properties determined to be 129632
benefited the assessments as so corrected and revised. 129633

The assessments levied by the resolution shall be certified 129634
to the county auditor for collection in the same manner as taxes 129635

in the year or years in which they are payable. 129636

(F) Upon the adoption of the resolution described in division 129637
(E) of this section, no further action shall be taken or work done 129638
until ten days have elapsed. If, at the expiration of that period, 129639
no appeal has been effected by any property owner as provided in 129640
this division, the action of the board shall be final. If, at the 129641
end of that ten days, any owner of property to be assessed for the 129642
improvements has effected an appeal, no further action shall be 129643
taken and no work done in connection with the improvements under 129644
the resolution until the matters appealed from have been disposed 129645
of in court. 129646

Any owner of property to be assessed may appeal as provided 129647
and upon the grounds stated in sections 6117.09 to 6117.24 of the 129648
Revised Code. 129649

If no appeal has been perfected or if on appeal the 129650
resolution of the board is sustained, the board may authorize and 129651
enter into contracts to carry out the purpose for which the 129652
assessments have been levied without the prior issuance of notes, 129653
provided that the payments under those contracts do not fall due 129654
prior to the time by which the assessments are to be collected. 129655
The board may issue and sell bonds with a maximum maturity of 129656
twenty years in anticipation of the collection of the assessments 129657
and may issue notes in anticipation of the issuance of the bonds, 129658
which notes and bonds, as public obligations, shall be issued and 129659
sold as provided in Chapter 133. of the Revised Code. 129660

Sec. 6103.31. (A) If the board of county commissioners 129661
determines by resolution that the best interests of the county and 129662
the users of water supply facilities of the county serving a sewer 129663
district so require, the board may sell or otherwise dispose of 129664
the facilities to another public agency or a person. The 129665
resolution declaring the necessity of that disposition shall 129666

recite the reasons for the sale or other disposition and shall 129667
establish any conditions or terms that the board may impose, 129668
including, but not limited to, a minimum sales price if a sale is 129669
proposed, a requirement for the submission by bidders of the 129670
schedule of water rates and charges initially proposed to be paid 129671
by the users of the facilities, and other pertinent conditions or 129672
terms relating to the sale or other disposition. The resolution 129673
also shall designate a time and place for the hearing of 129674
objections to the sale or other disposition by the board. Notice 129675
of the adoption of the resolution and the time and place of the 129676
hearing shall be published as provided in section 7.16 of the 129677
Revised Code, or once a week for two consecutive weeks, in a 129678
newspaper of general circulation in the sewer district and in the 129679
county. The public hearing on the sale or other disposition shall 129680
be held not less than twenty-four days following the date of first 129681
publication of the notice. A copy of the notice also shall be sent 129682
by first class or certified mail, on or before the date of the 129683
second publication, to any public agency within the area served by 129684
the facilities. At the public hearing, or at any adjournment of 129685
it, of which no further published or mailed notice need be given, 129686
the board shall hear all interested parties. A period of five days 129687
shall be given following the completion of the hearing for the 129688
filing of written objections by any interested persons or public 129689
agencies to the sale or other disposition, after which the board 129690
shall consider any objections and by resolution determine whether 129691
or not to proceed with the sale or other disposition. If the board 129692
determines to proceed with the sale or other disposition, it shall 129693
receive bids after advertising once a week for four consecutive 129694
weeks in a newspaper of general circulation in the county or as 129695
provided in section 7.16 of the Revised Code and, subject to the 129696
right of the board to reject any or all bids, may make an award to 129697
a responsible bidder whose proposal is determined by the board to 129698

be in the best interests of the county and the users of the 129699
facilities. 129700

(B) A conveyance of water supply facilities by a county to a 129701
municipal corporation, in accordance with division (B) of section 129702
6103.04 of the Revised Code, may be made without regard to 129703
division (A) of this section. 129704

Sec. 6105.131. The board of directors of a watershed district 129705
may designate a specific reach in the channel of any watercourse 129706
within the territorial boundaries of the district as a restricted 129707
channel, when the construction or alteration of structures or 129708
obstructions within such channel will restrict its capacity so as 129709
to constitute an unreasonable hazard to the safety of life and 129710
property in times of flood, or designate any area outside the 129711
banks of a restricted channel as a restricted floodway when such 129712
area is reasonably necessary to the efficiency of a restricted 129713
channel as a means of carrying off flood waters. Such designation 129714
of a restricted channel or restricted floodway shall be made in 129715
the following manner: 129716

(A) The board shall adopt a resolution stating its intent to 129717
designate a specific reach in a channel of a watercourse as a 129718
restricted channel or a specific area as a restricted floodway. 129719
Such resolution shall contain a description of the reach of the 129720
channel to be designated as a restricted channel or description of 129721
the area to be designated as a restricted floodway and the reasons 129722
of the board for making such designation. 129723

(B) The board shall cause such resolution to be published as 129724
provided in section 7.16 of the Revised Code or once a week for 129725
two consecutive weeks in a newspaper of general circulation in the 129726
county or counties in which such restricted channel or restricted 129727
floodway is located, together with a notice of the time and place 129728

where a hearing will be held by the board on the question of 129729
designating such channel as a restricted channel or such area as a 129730
restricted floodway ~~and~~. The board also shall give not less than 129731
ten days notice of said hearing by first class mail to all owners 129732
of property within the area proposed to be designated as a 129733
restricted floodway. The date of such hearing shall be not less 129734
than ten days after the completion of the publication provided for 129735
by this division. 129736

(C) The board shall hold a hearing at the time and place 129737
designated in the notice published under division (B) of this 129738
section at which time indorsements of and objections to the 129739
designation of such channel as a restricted channel or such area 129740
as a restricted floodway shall be heard. 129741

(D) The board may, after the completion of the hearing under 129742
division (C) of this section and after finding that the 129743
construction or alteration of structures or obstructions or 129744
relocation, alteration, restriction, deposit, or encroachment 129745
within the designated reach of such channel will restrict its 129746
capacity so as to constitute an unreasonable hazard to the safety 129747
of life and property in times of flood, adopt a resolution 129748
designating the reach of the channel described in the resolution 129749
of intent adopted under division (A) of this section or any 129750
modification thereof as a restricted channel. 129751

(E) In like manner the board may, after completion of a 129752
hearing under division (C) of this section and after finding that 129753
the construction or alteration of structures or obstructions or 129754
change of grade within a designated floodway area will restrict 129755
its capacity or efficiency as a means of carrying off flood water 129756
so as to constitute an unreasonable hazard to the safety of life 129757
and property in times of flood, adopt a resolution designating the 129758
area described in the resolution of intent adopted under division 129759
(A) of this section, or any modification thereof, as a restricted 129760

floodway. 129761

Sec. 6109.21. (A) Except as provided in divisions (D) and (E) 129762
of this section, on and after January 1, 1994, no person shall 129763
operate or maintain a public water system in this state without a 129764
license issued by the director of environmental protection. A 129765
person who operates or maintains a public water system on January 129766
1, 1994, shall obtain an initial license under this section in 129767
accordance with the following schedule: 129768

(1) If the public water system is a community water system, 129769
not later than January 31, 1994; 129770

(2) If the public water system is not a community water 129771
system and serves a nontransient population, not later than 129772
January 31, 1994; 129773

(3) If the public water system is not a community water 129774
system and serves a transient population, not later than January 129775
31, 1995. 129776

A person proposing to operate or maintain a new public water 129777
system after January 1, 1994, in addition to complying with 129778
section 6109.07 of the Revised Code and rules adopted under it, 129779
shall submit an application for an initial license under this 129780
section to the director prior to commencing operation of the 129781
system. 129782

A license or license renewal issued under this section shall 129783
be renewed annually. Such a license or license renewal shall 129784
expire on the thirtieth day of January in the year following its 129785
issuance. A license holder that proposes to continue operating the 129786
public water system for which the license or license renewal was 129787
issued shall apply for a license renewal at least thirty days 129788
prior to that expiration date. 129789

The director shall adopt, and may amend and rescind, rules in 129790

accordance with Chapter 119. of the Revised Code establishing 129791
procedures governing and information to be included on 129792
applications for licenses and license renewals under this section. 129793
Through June 30, ~~2012~~ 2014, each application shall be accompanied 129794
by the appropriate fee established under division (M) of section 129795
3745.11 of the Revised Code, provided that an applicant for an 129796
initial license who is proposing to operate or maintain a new 129797
public water system after January 1, 1994, shall submit a fee that 129798
equals a prorated amount of the appropriate fee established under 129799
that division for the remainder of the licensing year. 129800

(B) Not later than thirty days after receiving a completed 129801
application and the appropriate license fee for an initial license 129802
under division (A) of this section, the director shall issue the 129803
license for the public water system. Not later than thirty days 129804
after receiving a completed application and the appropriate 129805
license fee for a license renewal under division (A) of this 129806
section, the director shall do one of the following: 129807

(1) Issue the license renewal for the public water system; 129808

(2) Issue the license renewal subject to terms and conditions 129809
that the director determines are necessary to ensure compliance 129810
with this chapter and rules adopted under it; 129811

(3) Deny the license renewal if the director finds that the 129812
public water system was not operated in substantial compliance 129813
with this chapter and rules adopted under it. 129814

(C) The director may suspend or revoke a license or license 129815
renewal issued under this section if the director finds that the 129816
public water system was not operated in substantial compliance 129817
with this chapter and rules adopted under it. The director shall 129818
adopt, and may amend and rescind, rules in accordance with Chapter 129819
119. of the Revised Code governing such suspensions and 129820
revocations. 129821

(D)(1) As used in division (D) of this section, "church" 129822
means a fellowship of believers, congregation, society, 129823
corporation, convention, or association that is formed primarily 129824
or exclusively for religious purposes and that is not formed or 129825
operated for the private profit of any person. 129826

(2) This section does not apply to a church that operates or 129827
maintains a public water system solely to provide water for that 129828
church or for a campground that is owned by the church and 129829
operated primarily or exclusively for members of the church and 129830
their families. A church that, on or before March 5, 1996, has 129831
obtained a license under this section for such a public water 129832
system need not obtain a license renewal under this section. 129833

(E) This section does not apply to any public or nonpublic 129834
school that meets minimum standards of the state board of 129835
education that operates or maintains a public water system solely 129836
to provide water for that school. 129837

(F) The environmental protection agency shall collect well 129838
log filing fees on behalf of the division of soil and water 129839
resources in the department of natural resources in accordance 129840
with section 1521.05 of the Revised Code and rules adopted under 129841
it. The fees shall be submitted to the division quarterly as 129842
provided in those rules. 129843

Sec. 6111.038. There is hereby created in the state treasury 129844
the surface water protection fund, consisting of moneys 129845
distributed to it. The director of environmental protection shall 129846
use moneys in the fund solely for administration and 129847
implementation of surface water protection programs, including at 129848
least programs required under the "Federal Water Pollution Control 129849
Act" and programs necessary to carry out the purposes of this 129850
chapter. Those programs shall include at least the development of 129851
water quality standards; the development of wasteload allocations; 129852

the establishment of water quality-based effluent limits; the 129853
monitoring and analysis of chemical, physical, and biological 129854
surface water quality; the issuance, modification, and renewal of 129855
NPDES permits and permits to install; the ensurance of compliance 129856
with permit conditions; the management and oversight of 129857
pretreatment programs; the provision of technical assistance to 129858
publicly owned treatment works; and the administration of the 129859
water pollution control loan fund created in section 6111.036 of 129860
the Revised Code. 129861

~~Moneys in the fund shall not be used to meet any state 129862
matching requirements that are necessary to obtain federal grants. 129863~~

Sec. 6111.044. Upon receipt of an application for an 129864
injection well drilling permit, an injection well operating 129865
permit, a renewal of an injection well operating permit, or a 129866
modification of an injection well drilling permit, operating 129867
permit, or renewal of an operating permit, the director of 129868
environmental protection shall determine whether the application 129869
is complete and demonstrates that the activities for which the 129870
permit, renewal permit, or modification is requested will comply 129871
with the Federal Water Pollution Control Act and regulations 129872
adopted under it; the "Safe Drinking Water Act," 88 Stat. 1661 129873
(1974), 42 U.S.C.A. 300(f), as amended, and regulations adopted 129874
under it; and this chapter and the rules adopted under it. If the 129875
application demonstrates that the proposed activities will not 129876
comply or will pose an unreasonable risk of inducing seismic 129877
activity, inducing geologic fracturing, or contamination of an 129878
underground source of drinking water, the director shall deny the 129879
application. If the application does not make the required 129880
demonstrations, the director shall return it to the applicant with 129881
an indication of those matters about which a required 129882
demonstration was not made. If the director determines that the 129883
application makes the required demonstrations, the director shall 129884

transmit copies of the application and all of the accompanying 129885
maps, data, samples, and information to the chief of the division 129886
of ~~mineral~~ oil and gas resources management, the chief of the 129887
division of geological survey, ~~and~~ the chief of the division of 129888
soil and water resources, and, if the well is or is to be located 129889
in a coal bearing township designated under section 1561.06 of the 129890
Revised Code, the chief of the division of mineral resources 129891
management in the department of natural resources. 129892

The chief of the division of geological survey shall comment 129893
upon the application if the chief determines that the proposed 129894
well or injection will present an unreasonable risk of loss or 129895
damage to valuable mineral resources. If the chief submits 129896
comments on the application, those comments shall be accompanied 129897
by an evaluation of the geological factors upon which the comments 129898
are based, including fractures, faults, earthquake potential, and 129899
the porosity and permeability of the injection zone and confining 129900
zone, and by the documentation supporting the evaluation. The 129901
director shall take into consideration the chief's comments, and 129902
the accompanying evaluation of geologic factors and supporting 129903
documentation, when considering the application. The director 129904
shall provide written notice to the chief of the director's 129905
decision on the application and, if the chief's comments are not 129906
included in the permit, renewal permit, or modification, of the 129907
director's rationale for not including them. 129908

The chief of the division of ~~mineral~~ oil and gas resources 129909
management shall comment upon the application if the chief 129910
determines that the proposed well or injection will present an 129911
unreasonable risk that waste or contamination of recoverable oil 129912
or gas in the earth will occur. If the chief submits comments on 129913
the application, those comments shall be accompanied by an 129914
evaluation of the oil or gas reserves that, in the best 129915
professional judgment of the chief, are recoverable and will be 129916

adversely affected by the proposed well or injection, and by the documentation supporting the evaluation. The director shall take into consideration the chief's comments, and the accompanying evaluation and supporting documentation, when considering the application. The director shall provide written notice to the chief of the director's decision on the application and, if the chief's comments are not included in the permit, renewal permit, or modification, of the director's rationale for not including them.

The chief of the division of soil and water resources shall assist the director in determining whether all underground sources of drinking water in the area of review of the proposed well or injection have been identified and correctly delineated in the application. If the application fails to identify or correctly delineate an underground source of drinking water, the chief shall provide written notice of that fact to the director.

The chief of the division of mineral resources management ~~also~~ shall review the application as follows:

If the application concerns the drilling or conversion of a well or the injection into a well that is not or is not to be located within five thousand feet of the excavation and workings of a mine, the chief of the division of mineral resources management shall note upon the application that it has been examined by the division of mineral resources management, retain a copy of the application and map, and immediately return a copy of the application to the director.

If the application concerns the drilling or conversion of a well or the injection into a well that is or is to be located within five thousand feet, but more than five hundred feet from the surface excavations and workings of a mine, the chief of the division of mineral resources management immediately shall notify the owner or lessee of the mine that the application has been

filed and send to the owner or lessee a copy of the map 129949
accompanying the application setting forth the location of the 129950
well. The chief of the division of mineral resources management 129951
shall note on the application that the notice has been sent to the 129952
owner or lessee of the mine, retain a copy of the application and 129953
map, and immediately return a copy of the application to the 129954
director with the chief's notation on it. 129955

If the application concerns the drilling or conversion of a 129956
well or the injection into a well that is or is to be located 129957
within five thousand feet of the underground excavations and 129958
workings of a mine or within five hundred feet of the surface 129959
excavations and workings of a mine, the chief of the division of 129960
mineral resources management immediately shall notify the owner or 129961
lessee of the mine that the application has been filed and send to 129962
the owner or lessee a copy of the map accompanying the application 129963
setting forth the location of the well. If the owner or lessee 129964
objects to the application, the owner or lessee shall notify the 129965
chief of the division of mineral resources management of the 129966
objection, giving the reasons, within six days after the receipt 129967
of the notice. If the chief of the division of mineral resources 129968
management receives no objections from the owner or lessee of the 129969
mine within ten days after the receipt of the notice by the owner 129970
or lessee, or if in the opinion of the chief of the division of 129971
mineral resources management the objections offered by the owner 129972
or lessee are not sufficiently well founded, the chief shall 129973
retain a copy of the application and map and return a copy of the 129974
application to the director with any applicable notes concerning 129975
it. 129976

If the chief of the division of mineral resources management 129977
receives an objection from the owner or lessee of the mine as to 129978
the application, within ten days after receipt of the notice by 129979
the owner or lessee, and if in the opinion of the chief the 129980

objection is well founded, the chief shall disapprove the 129981
application and immediately return it to the director together 129982
with the chief's reasons for the disapproval. The director 129983
promptly shall notify the applicant for the permit, renewal 129984
permit, or modification of the disapproval. The applicant may 129985
appeal the disapproval of the application by the chief of the 129986
division of mineral resources management to the reclamation 129987
commission created under section 1513.05 of the Revised Code, and 129988
the commission shall hear the appeal in accordance with section 129989
1513.13 of the Revised Code. The appeal shall be filed within 129990
thirty days from the date the applicant receives notice of the 129991
disapproval. No comments concerning or disapproval of an 129992
application shall be delayed by the chief of the division of 129993
mineral resources management for more than fifteen days from the 129994
date of sending of notice to the mine owner or lessee as required 129995
by this section. 129996

The director shall not approve an application for an 129997
injection well drilling permit, an injection well operating 129998
permit, a renewal of an injection well operating permit, or a 129999
modification of an injection well drilling permit, operating 130000
permit, or renewal of an operating permit for a well that is or is 130001
to be located within three hundred feet of any opening of any mine 130002
used as a means of ingress, egress, or ventilation for persons 130003
employed in the mine, nor within one hundred feet of any building 130004
or flammable structure connected with the mine and actually used 130005
as a part of the operating equipment of the mine, unless the chief 130006
of the division of mineral resources management determines that 130007
life or property will not be endangered by drilling and operating 130008
the well in that location. 130009

Upon review by the chief of the division of ~~mineral oil and~~ 130010
gas resources management, the chief of the division of geological 130011
survey, and the chief of the division of soil and water resources, 130012

and if the chief of the division of mineral resources management 130013
has not disapproved the application, the director shall issue a 130014
permit, renewal permit, or modification with any terms and 130015
conditions that may be necessary to comply with the Federal Water 130016
Pollution Control Act and regulations adopted under it; the "Safe 130017
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f) as 130018
amended, and regulations adopted under it; and this chapter and 130019
the rules adopted under it. The director shall not issue a permit, 130020
renewal permit, or modification to an applicant if the applicant 130021
or persons associated with the applicant have engaged in or are 130022
engaging in a substantial violation of this chapter that is 130023
endangering or may endanger human health or the environment or if, 130024
in the case of an applicant for an injection well drilling permit, 130025
the applicant, at the time of applying for the permit, did not 130026
hold an injection well operating permit or renewal of an injection 130027
well drilling permit and failed to demonstrate sufficient 130028
expertise and competency to operate the well in compliance with 130029
the applicable provisions of this chapter. 130030

If the director receives a disapproval from the chief of the 130031
division of mineral resources management regarding an application 130032
for an injection well drilling or operating permit, renewal 130033
permit, or modification, if required, the director shall issue an 130034
order denying the application. 130035

The director need not issue a proposed action under section 130036
3745.07 of the Revised Code or hold an adjudication hearing under 130037
that section and Chapter 119. of the Revised Code before issuing 130038
or denying a permit, renewal permit, or modification of a permit 130039
or renewal permit. Before issuing or renewing a permit to drill or 130040
operate a class I injection well or a modification of it, the 130041
director shall propose the permit, renewal permit, or modification 130042
in draft form and shall hold a public hearing to receive public 130043
comment on the draft permit, renewal permit, or modification. At 130044

least fifteen days before the public hearing on a draft permit, 130045
renewal permit, or modification, the director shall publish notice 130046
of the date, time, and location of the public hearing in at least 130047
one newspaper of general circulation serving the area where the 130048
well is or is to be located. The proposing of such a draft permit, 130049
renewal permit, or modification does not constitute the issuance 130050
of a proposed action under section 3745.07 of the Revised Code, 130051
and the holding of the public hearing on such a draft permit, 130052
renewal permit, or modification does not constitute the holding of 130053
an adjudication hearing under that section and Chapter 119. of the 130054
Revised Code. Appeals of orders other than orders of the chief of 130055
the division of mineral resources management shall be taken under 130056
sections 3745.04 to 3745.08 of the Revised Code. 130057

The director may order that an injection well drilling permit 130058
or an injection well operating permit or renewal permit be 130059
suspended and that activities under it cease after determining 130060
that those activities are occurring in violation of law, rule, 130061
order, or term or condition of the permit. Upon service of a copy 130062
of the order upon the permit holder or the permit holder's 130063
authorized agent or assignee, the permit and activities under it 130064
shall be suspended immediately without prior hearing and shall 130065
remain suspended until the violation is corrected and the order of 130066
suspension is lifted. If a violation is the second within a 130067
one-year period, the director, after a hearing, may revoke the 130068
permit. 130069

The director may order that an injection well drilling permit 130070
or an injection well operating permit or renewal permit be 130071
suspended and that activities under it cease if the director has 130072
reasonable cause to believe that the permit would not have been 130073
issued if the information available at the time of suspension had 130074
been available at the time a determination was made by one of the 130075
agencies acting under authority of this section. Upon service of a 130076

copy of the order upon the permit holder or the permit holder's 130077
authorized agent or assignee, the permit and activities under it 130078
shall be suspended immediately without prior hearing, but a permit 130079
may not be suspended for that reason without prior hearing unless 130080
immediate suspension is necessary to prevent waste or 130081
contamination of oil or gas, comply with the Federal Water 130082
Pollution Control Act and regulations adopted under it; the "Safe 130083
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as 130084
amended, and regulations adopted under it; and this chapter and 130085
the rules adopted under it, or prevent damage to valuable mineral 130086
resources, prevent contamination of an underground source of 130087
drinking water, or prevent danger to human life or health. If 130088
after a hearing the director determines that the permit would not 130089
have been issued if the information available at the time of the 130090
hearing had been available at the time a determination was made by 130091
one of the agencies acting under authority of this section, the 130092
director shall revoke the permit. 130093

When a permit has been revoked, the permit holder or other 130094
person responsible for it immediately shall plug the well in the 130095
manner required by the director. 130096

The director may issue orders to prevent or require cessation 130097
of violations of this section, section 6111.043, 6111.045, 130098
6111.046, or 6111.047 of the Revised Code, rules adopted under any 130099
of those sections, and terms or conditions of permits issued under 130100
any of them. The orders may require the elimination of conditions 130101
caused by the violation. 130102

Sec. 6111.46. (A) The environmental protection agency shall 130103
exercise general supervision of the treatment and disposal of 130104
sewage and industrial wastes and the operation and maintenance of 130105
works or means installed for the collection, treatment, and 130106
disposal of sewage and industrial wastes. Such general supervision 130107

shall apply to all features of construction, operation, and 130108
maintenance of the works or means that do or may affect the proper 130109
treatment and disposal of sewage and industrial wastes. 130110

(B)(1) The agency shall investigate the works or means 130111
employed in the collection, treatment, and disposal of sewage and 130112
industrial wastes whenever considered necessary or whenever 130113
requested to do so by local health officials and may issue and 130114
enforce orders and shall adopt rules governing the operation and 130115
maintenance of the works or means of treatment and disposal of 130116
such sewage and industrial wastes. In adopting rules under this 130117
section, the agency shall establish standards governing the 130118
construction, operation, and maintenance of the works or means of 130119
collection, treatment, and disposal of sewage that is generated at 130120
recreational vehicle parks, recreation camps, combined park-camps, 130121
and temporary park-camps that are separate from such standards 130122
relative to manufactured home parks. 130123

(2) As used in division (B)(1) of this section: 130124

(a) "Manufactured home parks" has the same meaning as in 130125
section ~~3733.01~~ 4781.01 of the Revised Code. 130126

(b) "Recreational vehicle parks," "recreation camps," 130127
"combined park-camps," and "temporary park-camps" have the same 130128
meanings as in section 3729.01 of the Revised Code. 130129

(C) The agency may require the submission of records and data 130130
of construction, operation, and maintenance, including plans and 130131
descriptions of existing works or means of treatment and disposal 130132
of such sewage and industrial wastes. When the agency requires the 130133
submission of such records or information, the public officials or 130134
person, firm, or corporation having the works in charge shall 130135
comply promptly with that order. 130136

Sec. 6115.01. As used in sections 6115.01 to 6115.79 of the 130137

Revised Code: 130138

(A) "Publication" means once a week for three consecutive 130139

as for the first amendment of such boundaries, and the same 130554

After the board has ratified the plans for the improvement 130560
and the character and termini thereof, the boundaries of the 130561
assessment district, and the tentative assessment, either as 130562
originally presented or as amended, and if it decides to proceed 130563
therewith, the board shall adopt a resolution to be known as the 130564
improvement resolution. Said improvement resolution shall declare 130565
the determination of such board to proceed with the construction 130566
of the improvement provided for in the resolution of necessity, in 130567
accordance with the plans and specifications provided for such 130568
improvement as ratified or amended, and whether bonds or 130569
certificates of indebtedness shall be issued in anticipation of 130570
the collection of special assessments, as provided in section 130571
6117.08 to 6117.45, inclusive, of the Revised Code, or that money 130572
in the county treasury unappropriated for any other purpose shall 130573
be appropriated to pay for said improvement. 130574

Sec. 6117.251. (A) After the establishment of any county 130575
sewer district, the board of county commissioners may determine by 130576
resolution that it is necessary to provide sanitary or drainage 130577
facility improvements or prevention or replacement facility 130578
improvements and to maintain and operate the improvements within 130579

the district or a designated portion of the district, that the 130580
improvements, which shall be generally described in the 130581
resolution, shall be constructed, that funds are required to pay 130582
the preliminary costs of the improvements to be incurred prior to 130583
the commencement of the proceedings for their construction, and 130584
that those funds shall be provided in accordance with this 130585
section. 130586

(B) Prior to the adoption of the resolution, the board shall 130587
give notice of its pendency and of the proposed determination of 130588
the necessity of the improvements generally described in the 130589
resolution. The notice shall set forth a description of the 130590
properties to be benefited by the improvements and the time and 130591
place of a hearing of objections to and endorsements of the 130592
improvements. The notice shall be given ~~either~~ by publication in a 130593
newspaper of general circulation in the county once a week for two 130594
consecutive weeks, ~~or~~ by publication as provided in section 7.16 130595
of the Revised Code, by mailing a copy of the notice by first 130596
class or certified mail to the owners of the properties proposed 130597
to be assessed at their respective tax mailing addresses, or by 130598
~~both~~ a combination of these manners, the first publication to be 130599
made or the mailing to occur at least two weeks prior to the date 130600
set for the hearing. At the hearing, or at any adjournment of the 130601
hearing, of which no further published or mailed notice need be 130602
given, the board shall hear all persons whose properties are 130603
proposed to be assessed and the evidence it considers to be 130604
necessary. The board then shall determine the necessity of the 130605
proposed improvements and whether the improvements shall be made 130606
by the board and, if they are to be made, shall direct the 130607
preparation of tentative assessments upon the benefited properties 130608
and by whom they shall be prepared. 130609

(C) In order to obtain funds for the preparation of a general 130610
or revised general plan of sewerage or drainage for the district 130611

or part of the district, for the preparation of the detailed 130612
plans, specifications, estimate of cost, and tentative assessment 130613
for the proposed improvements, and for the cost of financing and 130614
legal services incident to the preparation of all of those plans 130615
and a plan of financing the proposed improvements, the board may 130616
levy upon the properties to be benefited in the district a 130617
preliminary assessment apportioned according to benefits or to tax 130618
valuation or partly by one method and partly by the other method 130619
as the board may determine. The assessments shall be in the amount 130620
determined to be necessary to obtain funds for the general and 130621
detailed plans and the cost of financing and legal services and 130622
shall be payable in the number of years that the board shall 130623
determine, not to exceed twenty years, together with interest on 130624
any public obligations that may be issued or incurred in 130625
anticipation of the collection of the assessments. 130626

(D) The board shall have power at any time to levy additional 130627
assessments according to benefits or to tax valuation or partly by 130628
one method and partly by the other method as the board may 130629
determine for the purposes described in division (C) of this 130630
section upon the benefited properties to complete the payment of 130631
the costs described in division (C) of this section or to pay the 130632
cost of any additional plans, specifications, estimate of cost, or 130633
tentative assessment and the cost of financing and legal services 130634
incident to the preparation of those plans and the plan of 130635
financing, which additional assessments shall be payable in the 130636
number of years that the board shall determine, not to exceed 130637
twenty years, together with interest on any public obligations 130638
that may be issued or incurred in anticipation of the collection 130639
of the additional assessments. 130640

(E) Prior to the adoption of a resolution levying assessments 130641
under this section, the board shall give notice either by one 130642
publication in a newspaper of general circulation in the county, 130643

or by mailing a copy of the notice by first class or certified 130644
mail to the owners of the properties proposed to be assessed at 130645
their respective tax mailing addresses, or by both manners, the 130646
publication to be made or the mailing to occur at least ten days 130647
prior to the date of the meeting at which the resolution shall be 130648
taken up for consideration; that notice shall state the time and 130649
place of the meeting at which the resolution is to be considered. 130650
At the time and place of the meeting, or at any adjournment of the 130651
meeting, of which no further published or mailed notice need be 130652
given, the board shall hear all persons whose properties are 130653
proposed to be assessed, shall correct any errors and make any 130654
revisions that appear to be necessary or just, and then may adopt 130655
a resolution levying upon the properties determined to be 130656
benefited the assessments as so corrected and revised. 130657

The assessments levied by the resolution shall be certified 130658
to the county auditor for collection in the same manner as taxes 130659
in the year or years in which they are payable. 130660

(F) Upon the adoption of the resolution described in division 130661
(E) of this section, no further action shall be taken or work done 130662
until ten days have elapsed. If, at the expiration of that period, 130663
no appeal has been effected by any property owner as provided in 130664
this division, the action of the board shall be final. If, at the 130665
end of that ten days, any owner of property to be assessed for the 130666
improvements has effected an appeal, no further action shall be 130667
taken and no work done in connection with the improvements under 130668
the resolution until the matters appealed from have been disposed 130669
of in court. 130670

Any owner of property to be assessed may appeal as provided 130671
and upon the grounds stated in sections 6117.09 to 6117.24 of the 130672
Revised Code. 130673

If no appeal has been perfected or if on appeal the 130674
resolution of the board is sustained, the board may authorize and 130675

enter into contracts to carry out the purposes for which the 130676
assessments have been levied without the prior issuance of notes, 130677
provided that the payments under those contracts do not fall due 130678
prior to the time by which the assessments are to be collected. 130679
The board may issue and sell bonds with a maximum maturity of 130680
twenty years in anticipation of the collection of the assessments 130681
and may issue notes in anticipation of the issuance of the bonds, 130682
which notes and bonds, as public obligations, shall be issued and 130683
sold as provided in Chapter 133. of the Revised Code. 130684

Sec. 6117.49. (A) If the board of county commissioners 130685
determines by resolution that the best interests of the county and 130686
those served by the sanitary or drainage facilities or the 130687
prevention or replacement facilities of a county sewer district so 130688
require, the board may sell or otherwise dispose of the facilities 130689
to another public agency or a person. The resolution declaring the 130690
necessity of that disposition shall recite the reasons for the 130691
sale or other disposition and shall establish any conditions or 130692
terms that the board may impose, including, but not limited to, a 130693
minimum sales price if a sale is proposed, a requirement for the 130694
submission by bidders of the schedule of rates and charges 130695
initially proposed to be paid for the services of the facilities, 130696
and other pertinent conditions or terms relating to the sale or 130697
other disposition. The resolution also shall designate a time and 130698
place for the hearing of objections to the sale or other 130699
disposition by the board. Notice of the adoption of the resolution 130700
and the time and place of the hearing shall be published as 130701
provided in section 7.16 of the Revised Code or once a week for 130702
two consecutive weeks, in a newspaper of general circulation in 130703
the sewer district and in the county. The public hearing on the 130704
sale or other disposition shall be held not less than twenty-four 130705
days following the date of first publication of the notice. A copy 130706
of the notice also shall be sent by first class or certified mail, 130707

on or before the date of the second publication, to any public 130708
agency within the area served by the facilities. At the public 130709
hearing, or at any adjournment of it, of which no further 130710
published or mailed notice need be given, the board shall hear all 130711
interested parties. A period of five days shall be given following 130712
the completion of the hearing for the filing of written objections 130713
by any interested persons or public agencies to the sale or other 130714
disposition, after which the board shall consider any objections 130715
and by resolution determine whether or not to proceed with the 130716
sale or other disposition. If the board determines to proceed with 130717
the sale or other disposition, it shall receive bids after 130718
advertising once a week for four consecutive weeks or as provided 130719
in section 7.16 of the Revised Code, in a newspaper of general 130720
circulation in the county and, subject to the right of the board 130721
to reject any or all bids, may make an award to a responsible 130722
bidder whose proposal is determined by the board to be in the best 130723
interests of the county and those served by the facilities. 130724

(B) A conveyance of sanitary or drainage facilities or of 130725
prevention or replacement facilities by a county to a municipal 130726
corporation in accordance with division (B) of section 6117.05 of 130727
the Revised Code may be made without regard to division (A) of 130728
this section. 130729

Sec. 6119.061. (A) Whenever any portion of a regional water 130730
and sewer district is incorporated as, or annexed to, a municipal 130731
corporation, the area so incorporated or annexed shall remain 130732
under the jurisdiction of the district for purposes of the 130733
acquisition, construction, or operation of a water resource 130734
project until the water resource project has been acquired or 130735
completed or until the project is abandoned by the district. The 130736
board of trustees of the district, unless and until a conveyance 130737
is made to a municipal corporation in accordance with division (B) 130738
of this section, shall continue to have jurisdiction in the area 130739

so incorporated or annexed with respect to the management, 130740
maintenance, and operation of all water resource projects so 130741
acquired or completed or previously acquired or completed, 130742
including the right to establish rules and rates and charges for 130743
the use of, and connections to, the projects. The incorporation or 130744
annexation of any part of a district shall not affect the legality 130745
or enforceability of any public obligations issued or incurred by 130746
the district for purposes of this chapter to provide for the 130747
payment of the cost of acquisition, construction, maintenance, or 130748
operation of any water resource project or the validity of any 130749
assessments levied or to be levied on properties within the area 130750
to provide for the payment of the cost of acquisition, 130751
construction, maintenance, or operation of the project. 130752

(B) The board of trustees of a regional water and sewer 130753
district may convey, by mutual agreement, to a municipal 130754
corporation any completed water resource project acquired or 130755
constructed under this chapter for the use of, or service of 130756
property located in, the regional water and sewer district, or any 130757
part of that project to which any of the following applies: 130758

(1) The project is located within the municipal corporation 130759
or within any area that is incorporated as, or annexed to, the 130760
municipal corporation. 130761

(2) The project serves the municipal corporation or any area 130762
that is located within or that is incorporated as, or annexed to, 130763
the municipal corporation. 130764

(3) The project is connected to water supply or sanitary, 130765
drainage, prevention, or replacement facilities of the municipal 130766
corporation. 130767

The conveyance shall be completed with terms and for 130768
consideration as may be negotiated. Upon and after the conveyance, 130769
the municipal corporation shall manage, maintain, and operate the 130770

water resource project in accordance with the agreement. The board 130771
of trustees may retain the right to the joint use of all or part 130772
of any project so conveyed for the benefit of the district. 130773
Neither the validity of any assessment levied or to be levied, nor 130774
the legality or enforceability of any public obligations issued or 130775
incurred, to provide for the payment of the cost of the 130776
acquisition, construction, maintenance, or operation of the 130777
project or any part of the project shall be affected by the 130778
conveyance. 130779

Sec. 6119.10. The board of trustees of a regional water and 130780
sewer district or any officer or employee designated by the board 130781
may make any contract for the purchase of supplies or material or 130782
for labor for any work, under the supervision of the board, the 130783
cost of which shall not exceed twenty-five thousand dollars. When 130784
an expenditure, other than for the acquisition of real estate and 130785
interests in real estate, the discharge of noncontractual claims, 130786
personal services, the joint use of facilities or the exercise of 130787
powers with other political subdivisions, or the product or 130788
services of public utilities, exceeds twenty-five thousand 130789
dollars, the expenditures shall be made only after a notice 130790
calling for bids has been published ~~not less than~~ two consecutive 130791
weeks in ~~at least~~ one newspaper ~~having a~~ of general circulation 130792
within the district or as provided in section 7.16 of the Revised 130793
Code. If the bids are for a contract for the construction, 130794
demolition, alteration, repair, or reconstruction of an 130795
improvement, the board may let the contract to the lowest and best 130796
bidder who meets the requirements of section 153.54 of the Revised 130797
Code. If the bids are for a contract for any other work relating 130798
to the improvements for which a regional water and sewer district 130799
was established, the board of trustees of the regional water and 130800
sewer district may let the contract to the lowest or best bidder 130801
who gives a good and approved bond with ample security conditioned 130802

on the carrying out of the contract. The contract shall be in 130803
writing and shall be accompanied by or shall refer to plans and 130804
specifications for the work to be done, approved by the board. The 130805
plans and specifications shall at all times be made and considered 130806
part of the contract. The contract shall be approved by the board 130807
and signed by its president or other duly authorized officer and 130808
by the contractor. In case of a real and present emergency, the 130809
board of trustees of the district, by two-thirds vote of all 130810
members, may authorize the president or other duly authorized 130811
officer to enter into a contract for work to be done or for the 130812
purchase of supplies or materials without formal bidding or 130813
advertising. All contracts shall have attached the certificate 130814
required by section 5705.41 of the Revised Code duly executed by 130815
the secretary of the board of trustees of the district. The 130816
district may make improvements by force account or direct labor, 130817
provided that, if the estimated cost of supplies or material for 130818
any such improvement exceeds twenty-five thousand dollars, bids 130819
shall be received as provided in this section. For the purposes of 130820
the competitive bidding requirements of this section, the board 130821
shall not sever a contract for supplies or materials and labor 130822
into separate contracts for labor, supplies, or materials if the 130823
contracts are in fact a part of a single contract required to be 130824
bid competitively under this section. 130825

Sec. 6119.18. The board of trustees of a regional water and 130826
sewer district, by a vote of two-thirds of all its members, may 130827
declare by resolution that it is necessary to levy a tax in excess 130828
of the ten-mill limitation for the purpose of providing funds to 130829
pay current expenses of the district or for the purpose of paying 130830
any portion of the cost of one or more water resource projects or 130831
parts thereof or for both of such purposes, and that the question 130832
of such tax levy shall be submitted to the electors of the 130833
district at a general or primary election. Such resolution shall 130834

conform to the requirements of section 5705.19 of the Revised Code, except as otherwise permitted by this section and except that such levy may be for a period not longer than ten years. The resolution shall go into immediate effect upon its passage and no publication of the resolution is necessary other than that provided for in the notice of election. A copy of such resolution shall, immediately after its passage, be certified to the board of elections of the proper county or counties in the manner provided by section 5705.25 of the Revised Code, and such section shall govern the arrangements for the submission of such question and other matters with respect to such election to which such section refers. Publication of the notice of that election shall be made in one ~~or more newspapers having a~~ newspaper of general circulation in the district once a week for two consecutive weeks prior to the election, ~~and, if~~ or as provided in section 7.16 of the Revised Code. If the board of elections operates and maintains a web site, the board of elections shall post notice of the election on its web site for thirty days prior to the election.

If a majority of the electors voting on the question vote in favor thereof, the board may make the necessary levy within the district at the additional rate or at any lesser rate on the tax list and duplicate for the purpose or purposes stated in the resolution.

The taxes realized from such levy shall be collected at the same time and in the same manner as other taxes on such tax list and duplicate and such taxes, when collected, shall be paid to the district and deposited by it in a special fund which shall be established by the district for all revenues derived from such levy and for the proceeds of anticipation notes which shall be deposited in such fund.

After the approval of such levy, the district may anticipate a fraction of the proceeds of such levy and, from time to time,

during the life of such levy, issue anticipation notes in an amount not exceeding fifty per cent of the estimated proceeds of such levy to be collected in each year up to a period of five years after the date of issuance of such notes, less an amount equal to the proceeds of such levy previously obligated for each year by the issuance of anticipation notes, provided that the total amount maturing in any one year shall not exceed fifty per cent of the anticipated proceeds of such levy for that year. Each issue of notes shall be sold as provided in Chapter 133. of the Revised Code, and shall, except for such limitation that the total amount of such notes maturing in any one year shall not exceed fifty per cent of the anticipated proceeds of such levy for that year, mature serially in substantially equal installments during each year over a period not to exceed five years after their issuance.

Sec. 6119.22. When a plan of sewerage devised in accordance with section 6119.19 of the Revised Code has been prepared, the board of trustees of the regional water and sewer district shall give at least ten days' notice in one newspaper of general circulation in such area or give notice as provided in section 7.16 of the Revised Code, stating that such plans have been prepared and are filed in the office of the secretary of the board for examination and inspection by the parties interested.

Any objection to such plan shall then be made to the board and it may amend or correct such plan, and shall thereupon file it as amended, or if no amendments are made, it shall file the original plan in the office of the secretary.

Sec. 6119.25. When the board of trustees of a regional water and sewer district deems it necessary to construct all or a part of the sewers provided for in the plan devised in accordance with section 6119.19 of the Revised Code, the board shall declare by

resolution the necessity thereof. Such resolution shall contain a 130898
declaration of the necessity of such improvement, a statement of 130899
the districts, areas, or parts thereof proposed to be constructed, 130900
the character of the materials to be used, a reference to the 130901
plans and specifications, where they are on file, and the mode of 130902
payment therefor, and shall publish the resolution once a week for 130903
not less than two nor more than four consecutive weeks in one 130904
newspaper of general circulation in the area or as provided in 130905
section 7.16 of the Revised Code. 130906

Sec. 6119.58. In order to obtain funds for the preparation of 130907
plans, specifications, estimates of cost, tentative assessments, 130908
and a plan of financing for any water resource project or part 130909
thereof, the board of trustees of a regional water and sewer 130910
district may levy upon the property in such district to be 130911
benefited by such project assessments apportioned in accordance 130912
with one or more of the methods set forth in section 6119.42 of 130913
the Revised Code. The aggregate of such assessments shall not 130914
exceed the amount determined by the board of trustees to be 130915
necessary for such purpose, including costs of financing, legal 130916
services, and other incidental costs, and shall be payable in such 130917
number of annual installments, not less than one, as the board of 130918
trustees prescribes, together with interest on any water resource 130919
revenue notes and bonds which may be issued in anticipation of the 130920
collection of such assessments. 130921

If the board of trustees proposes to obtain funds in 130922
accordance with this section, it shall determine by resolution 130923
that it is necessary to construct the water resource project and 130924
to maintain and operate the same on behalf of the district. 130925

Prior to the adoption of the resolution making such 130926
determination, the board of trustees shall give notice of the 130927
pendency thereof and of the proposed determination of the 130928

necessity of the construction of such project therein generally 130929
described, and such notice shall set forth a description of the 130930
properties to be benefited by such project and the time and place 130931
of a hearing of objections to, and endorsements of, such project. 130932
Such notice shall be given by publication in ~~at least~~ one 130933
newspaper ~~having a~~ of general circulation in the district once a 130934
week for two consecutive weeks or as provided in section 7.16 of 130935
the Revised Code, the first publication to be at least two weeks 130936
prior to the date set for the hearing, provided that the board of 130937
trustees may give, or cause to be given, such alternative or 130938
further notice of such hearing as it finds to be necessary or 130939
appropriate. At such hearing, or at any adjournment thereof, of 130940
which no further notice need be given, the board of trustees shall 130941
hear all owners whose properties are proposed to be assessed and 130942
such other evidence as is considered to be necessary, and may then 130943
adopt its resolution determining that the proposed project is 130944
necessary and should be undertaken by the district. In such 130945
resolution, the board of trustees shall direct the preparation of 130946
the estimated assessments upon the benefited properties and by 130947
whom they shall be prepared. 130948

After such assessments have been prepared and filed in the 130949
office of the secretary of the board of trustees and prior to the 130950
adoption of the resolution levying such assessments, the board of 130951
trustees shall give notice of the pendency of such resolution and 130952
of the proposed determination to levy such assessments, and such 130953
notice shall set forth the time and place of a hearing of 130954
objections to such assessments. Such notice shall be given by 130955
publication once in ~~at least~~ one newspaper ~~having a~~ of general 130956
circulation in the district, such publication to be made at least 130957
ten days prior to the date set for the hearing, provided that the 130958
board of trustees may give or cause to be given, such alternative 130959
of further notice of such hearing as it finds to be necessary or 130960
appropriate. At such hearing, or at any adjournment thereof, of 130961

which no further notice need be given, the board of trustees shall 130962
hear all persons whose properties are proposed to be assessed, 130963
shall correct any errors and make any revisions in the estimated 130964
assessments that appear to be necessary or just, and may then 130965
adopt a resolution levying upon the properties determined to be 130966
benefited the assessments as originally prepared or as so 130967
corrected and revised. 130968

The board of trustees shall have the power at any time to 130969
levy additional assessments upon such properties to complete the 130970
payment of the costs for which the original assessments were 130971
levied or to provide funds for any additional plans, 130972
specifications, estimates of cost, tentative assessments, and 130973
other incidental costs, provided that the board shall first have 130974
held a hearing on objections to such additional assessments in the 130975
same manner as required by this section with respect to such 130976
original assessments. Such additional assessments shall be payable 130977

surgery, in writing, without court approval. If the surgery is 131868

members shall be persons who are not providers of mental 132210
retardation services. Each council shall include parents or other 132211
relatives of residents of institutions under the control of the 132212
department, community leaders, professional persons in relevant 132213
fields, and persons who have an interest in or knowledge of mental 132214
retardation. The managing officer of the institution shall be a 132215
nonvoting member of the council. 132216

(B) The director of developmental disabilities shall be the 132217
appointing authority for the voting members of each citizen's 132218
advisory council. Each time the term of a voting member expires, 132219
the remaining members of the council shall recommend to the 132220
director one or more persons to serve on the council. The director 132221

may accept a nominee of the council or reject the nominee or 132222

remaining members of the advisory council shall further recommend 132224
to the director one or more other persons to serve on the advisory 132225
council. This procedure shall continue until a member is appointed 132226
to the advisory council. 132227

Each advisory council shall elect from its appointed members 132228
a chairperson, vice-chairperson, and a secretary to serve for 132229

ending on the same day of the same month of the year as did the 132234
term which it succeeds. No member shall serve more than two 132235
consecutive terms, except that any former member may be appointed 132236
if one year or longer has elapsed since the member served two 132237
consecutive terms. Each member shall hold office from the date of 132238
appointment until the end of the term for which the member was 132239
appointed. Any vacancy shall be filled in the same manner in which 132240
the original appointment was made, and the appointee to a vacancy 132241
in an unexpired term shall serve the balance of the term of the 132242

successor takes office, or until a period of sixty days has 132245
elapsed, whichever occurs first. 132246

(D) Members shall be expected to attend all meetings of the 132247
advisory council. Unexcused absence from two successive regularly 132248
scheduled meetings shall be considered prima-facie evidence of 132249

shall, after a member has been absent for two successive regularly 132251
scheduled meetings, direct a letter to the member asking if the 132252
member wishes to remain in membership. If an affirmative reply is 132253

received, the member shall be retained as a member except that, 132254
if, after having expressed a desire to remain a member, the member 132255
then misses a third successive regularly scheduled meeting without 132256
being excused, the chairperson shall terminate the member's 132257
membership. 132258

(E) A citizen's advisory council shall meet six times 132259
annually, or more frequently if three council members request the 132260
chairperson to call a meeting. The council shall keep minutes of 132261
each meeting and shall submit them to the managing officer of the 132262
institution with which the council is associated, and the 132263
department of developmental disabilities, ~~and the legal rights~~ 132264

reimbursed for their actual and necessary expenses incurred in the 132268
performance of their official duties by the institution with which 132269
they are associated from funds allocated to it, provided that 132270
reimbursement for those expenses shall not exceed limits imposed 132271
upon the department of developmental disabilities by 132272
administrative rules regulating travel within this state. 132273

(G) The councils shall have reasonable access to all patient 132274
treatment and living areas and records of the institution, except 132275
those records of a strictly personal or confidential nature. The 132276
councils shall have access to a patient's personal records with 132277
the consent of the patient or the patient's legal guardian or, if 132278
the patient is a minor, with the consent of the parent or legal 132279
guardian of the patient. 132280

the Revised Code: 132286

(1)(a) "Residential facility" means a home or facility in 132287

provision of residential services for mentally retarded or 132307

governmental agency by a provider of residential services. 132310

(4) "Licensee" means the person or government agency that has 132311
applied for a license to operate a residential facility and to 132312
which the license was issued under this section. 132313

(5) "Related party" has the same meaning as in section 132314

5123.16 of the Revised Code except that "provider" as used in the 132315
definition of "related party" means a person or government entity 132316
that held or applied for a license to operate a residential 132317
facility, rather than a person or government entity certified to 132318
provide supported living. 132319

(B) Every person or government agency desiring to operate a 132320
residential facility shall apply for licensure of the facility to 132321
the director of developmental disabilities unless the residential 132322
facility is subject to section 3721.02, 5119.73, 5103.03, or 132323

director of developmental disabilities shall license the operation 132332
of residential facilities. An initial license shall be issued for 132333
a period that does not exceed one year, unless the director denies 132334
the license under division (D) of this section. A license shall be 132335
renewed for a period that does not exceed three years, unless the 132336
director refuses to renew the license under division (D) of this 132337
section. The director, when issuing or renewing a license, shall 132338
specify the period for which the license is being issued or 132339
renewed. A license remains valid for the length of the licensing 132340
period specified by the director, unless the license is 132341
terminated, revoked, or voluntarily surrendered. 132342

(D) If it is determined that an applicant or licensee is not 132343
in compliance with a provision of this chapter that applies to 132344
residential facilities or the rules adopted under such a 132345
provision, the director may deny issuance of a license, refuse to 132346

renew a license, terminate a license, revoke a license, issue an order for the suspension of admissions to a facility, issue an order for the placement of a monitor at a facility, issue an order for the immediate removal of residents, or take any other action the director considers necessary consistent with the director's authority under this chapter regarding residential facilities. In the director's selection and administration of the sanction to be imposed, all of the following apply:

(1) The director may deny, refuse to renew, or revoke a license, if the director determines that the applicant or licensee has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of residents of a residential facility.

(2) The director may terminate a license if more than twelve consecutive months have elapsed since the residential facility was last occupied by a resident or a notice required by division (K) of this section is not given.

(3) The director may issue an order for the suspension of admissions to a facility for any violation that may result in sanctions under division (D)(1) of this section and for any other violation specified in rules adopted under division (H)(2) of this section. If the suspension of admissions is imposed for a violation that may result in sanctions under division (D)(1) of this section, the director may impose the suspension before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift an order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(4) The director may order the placement of a monitor at a residential facility for any violation specified in rules adopted under division (H)(2) of this section. The director shall lift the order when the director determines that the violation that formed

the basis for the order has been corrected. 132379

(5) If the director determines that two or more residential 132380
facilities owned or operated by the same person or government 132381
entity are not being operated in compliance with a provision of 132382
this chapter that applies to residential facilities or the rules 132383
adopted under such a provision, and the director's findings are 132384
based on the same or a substantially similar action, practice, 132385
circumstance, or incident that creates a substantial risk to the 132386
health and safety of the residents, the director shall conduct a 132387
survey as soon as practicable at each residential facility owned 132388
or operated by that person or government entity. The director may 132389
take any action authorized by this section with respect to any 132390
facility found to be operating in violation of a provision of this 132391
chapter that applies to residential facilities or the rules 132392
adopted under such a provision. 132393

(6) When the director initiates license revocation 132394
proceedings, no opportunity for submitting a plan of correction 132395
shall be given. The director shall notify the licensee by letter 132396
of the initiation of the proceedings. The letter shall list the 132397
deficiencies of the residential facility and inform the licensee 132398
that no plan of correction will be accepted. The director shall 132399
also send a copy of the letter to the county board of 132400
developmental disabilities. The county board shall send a copy of 132401
the letter to each of the following: 132402

(b) The guardian of each resident who receives services from 132404
the licensee if the resident has a guardian; 132405

(c) The parent or guardian of each resident who receives 132406
services from the licensee if the resident is a minor. 132407

(7) Pursuant to rules which shall be adopted in accordance 132408
with Chapter 119. of the Revised Code, the director may order the 132409

immediate removal of residents from a residential facility 132410
whenever conditions at the facility present an immediate danger of 132411
physical or psychological harm to the residents. 132412

(8) In determining whether a residential facility is being 132413
operated in compliance with a provision of this chapter that 132414
applies to residential facilities or the rules adopted under such 132415
a provision, or whether conditions at a residential facility 132416
present an immediate danger of physical or psychological harm to 132417
the residents, the director may rely on information obtained by a 132418
county board of developmental disabilities or other governmental 132419
agencies. 132420

(9) In proceedings initiated to deny, refuse to renew, or 132421
revoke licenses, the director may deny, refuse to renew, or revoke 132422
a license regardless of whether some or all of the deficiencies 132423
that prompted the proceedings have been corrected at the time of 132424
the hearing. 132425

(E) The director shall establish a program under which public 132426
notification may be made when the director has initiated license 132427
revocation proceedings or has issued an order for the suspension 132428
of admissions, placement of a monitor, or removal of residents. 132429
The director shall adopt rules in accordance with Chapter 119. of 132430
the Revised Code to implement this division. The rules shall 132431
establish the procedures by which the public notification will be 132432
made and specify the circumstances for which the notification must 132433
be made. The rules shall require that public notification be made 132434
if the director has taken action against the facility in the 132435
eighteen-month period immediately preceding the director's latest 132436
action against the facility and the latest action is being taken 132437
for the same or a substantially similar violation of a provision 132438
of this chapter that applies to residential facilities or the 132439
rules adopted under such a provision. The rules shall specify a 132440
method for removing or amending the public notification if the 132441

director's action is found to have been unjustified or the 132442
violation at the residential facility has been corrected. 132443

(F)(1) Except as provided in division (F)(2) of this section, 132444
appeals from proceedings initiated to impose a sanction under 132445
division (D) of this section shall be conducted in accordance with 132446
Chapter 119. of the Revised Code. 132447

(2) Appeals from proceedings initiated to order the 132448
suspension of admissions to a facility shall be conducted in 132449
accordance with Chapter 119. of the Revised Code, unless the order 132450
was issued before providing an opportunity for an adjudication, in 132451
which case all of the following apply: 132452

(a) The licensee may request a hearing not later than ten 132453
days after receiving the notice specified in section 119.07 of the 132454
Revised Code. 132455

(b) If a timely request for a hearing that includes the 132456
licensee's current address is made, the hearing shall commence not 132457
later than thirty days after the department receives the request. 132458

(c) After commencing, the hearing shall continue 132459
uninterrupted, except for Saturdays, Sundays, and legal holidays, 132460
unless other interruptions are agreed to by the licensee and the 132461
director. 132462

(d) If the hearing is conducted by a hearing examiner, the 132463
hearing examiner shall file a report and recommendations not later 132464
than ten days after the last of the following: 132465

(i) The close of the hearing; 132466

(ii) If a transcript of the proceedings is ordered, the 132467
hearing examiner receives the transcript; 132468

(iii) If post-hearing briefs are timely filed, the hearing 132469
examiner receives the briefs. 132470

(e) A copy of the written report and recommendation of the 132471

hearing examiner shall be sent, by certified mail, to the licensee 132472
and the licensee's attorney, if applicable, not later than five 132473
days after the report is filed. 132474

(f) Not later than five days after the hearing examiner files 132475
the report and recommendations, the licensee may file objections 132476
to the report and recommendations. 132477

(g) Not later than fifteen days after the hearing examiner 132478
files the report and recommendations, the director shall issue an 132479
order approving, modifying, or disapproving the report and 132480
recommendations. 132481

(h) Notwithstanding the pendency of the hearing, the director 132482
shall lift the order for the suspension of admissions when the 132483
director determines that the violation that formed the basis for 132484
the order has been corrected. 132485

(G) Neither a person or government agency whose application 132486
for a license to operate a residential facility is denied nor a 132487
related party of the person or government agency may apply for a 132488
license to operate a residential facility before the date that is 132489
one year after the date of the denial. Neither a licensee whose 132490
residential facility license is revoked nor a related party of the 132491
licensee may apply for a residential facility license before the 132492
date that is five years after the date of the revocation. 132493

(H) In accordance with Chapter 119. of the Revised Code, the 132494
director shall adopt and may amend and rescind rules for licensing 132495
and regulating the operation of residential facilities, including 132496
intermediate care facilities for the mentally retarded. The rules 132497
for intermediate care facilities for the mentally retarded may 132498
differ from those for other residential facilities. The rules 132499
shall establish and specify the following: 132500

(1) Procedures and criteria for issuing and renewing 132501
licenses, including procedures and criteria for determining the 132502

length of the licensing period that the director must specify for	132503
each license when it is issued or renewed;	132504
(2) Procedures and criteria for denying, refusing to renew,	132505
terminating, and revoking licenses and for ordering the suspension	132506
of admissions to a facility, placement of a monitor at a facility,	132507
and the immediate removal of residents from a facility;	132508
(3) Fees for issuing and renewing licenses, which shall be	132509
deposited into the program fee fund created under section 5123.033	132510
of the Revised Code;	132511
(4) Procedures for surveying residential facilities;	132512
(5) Requirements for the training of residential facility	132513
personnel;	132514
(6) Classifications for the various types of residential	132515
facilities;	132516
(7) Certification procedures for licensees and management	132517
contractors that the director determines are necessary to ensure	132518
that they have the skills and qualifications to properly operate	132519
or manage residential facilities;	132520
(8) The maximum number of persons who may be served in a	132521
particular type of residential facility;	132522
(9) Uniform procedures for admission of persons to and	132523
transfers and discharges of persons from residential facilities;	132524
(10) Other standards for the operation of residential	132525
facilities and the services provided at residential facilities;	132526
(11) Procedures for waiving any provision of any rule adopted	132527
under this section.	132528
(I) Before issuing a license, the director of the department	132529
or the director's designee shall conduct a survey of the	132530
residential facility for which application is made. The director	132531
or the director's designee shall conduct a survey of each licensed	132532

residential facility at least once during the period the license 132533
is valid and may conduct additional inspections as needed. A 132534
survey includes but is not limited to an on-site examination and 132535
evaluation of the residential facility, its personnel, and the 132536
services provided there. 132537

In conducting surveys, the director or the director's 132538
designee shall be given access to the residential facility; all 132539
records, accounts, and any other documents related to the 132540
operation of the facility; the licensee; the residents of the 132541
facility; and all persons acting on behalf of, under the control 132542
of, or in connection with the licensee. The licensee and all 132543
persons on behalf of, under the control of, or in connection with 132544
the licensee shall cooperate with the director or the director's 132545
designee in conducting the survey. 132546

Following each survey, unless the director initiates a 132547
license revocation proceeding, the director or the director's 132548
designee shall provide the licensee with a report listing any 132549
deficiencies, specifying a timetable within which the licensee 132550
shall submit a plan of correction describing how the deficiencies 132551
will be corrected, and, when appropriate, specifying a timetable 132552
within which the licensee must correct the deficiencies. After a 132553
plan of correction is submitted, the director or the director's 132554
designee shall approve or disapprove the plan. A copy of the 132555
report and any approved plan of correction shall be provided to 132556
any person who requests it. 132557

The director shall initiate disciplinary action against any 132558
department employee who notifies or causes the notification to any 132559
unauthorized person of an unannounced survey of a residential 132560
facility by an authorized representative of the department. 132561

(J) In addition to any other information which may be 132562
required of applicants for a license pursuant to this section, the 132563
director shall require each applicant to provide a copy of an 132564

approved plan for a proposed residential facility pursuant to 132565
section 5123.042 of the Revised Code. This division does not apply 132566
to renewal of a license or to an applicant for an initial or 132567
modified license who meets the requirements of section 5123.193 or 132568
5123.197 of the Revised Code. 132569

(K) A licensee shall notify the owner of the building in 132570
which the licensee's residential facility is located of any 132571
significant change in the identity of the licensee or management 132572
contractor before the effective date of the change if the licensee 132573
is not the owner of the building. 132574

Pursuant to rules which shall be adopted in accordance with 132575
Chapter 119. of the Revised Code, the director may require 132576
notification to the department of any significant change in the 132577
ownership of a residential facility or in the identity of the 132578
licensee or management contractor. If the director determines that 132579
a significant change of ownership is proposed, the director shall 132580
consider the proposed change to be an application for development 132581
by a new operator pursuant to section 5123.042 of the Revised Code 132582
and shall advise the applicant within sixty days of the 132583
notification that the current license shall continue in effect or 132584
a new license will be required pursuant to this section. If the 132585
director requires a new license, the director shall permit the 132586
facility to continue to operate under the current license until 132587
the new license is issued, unless the current license is revoked, 132588
refused to be renewed, or terminated in accordance with Chapter 132589
119. of the Revised Code. 132590

(L) A county board of developmental disabilities, ~~the legal~~ 132591
~~rights service,~~ and any interested person may file complaints 132592
alleging violations of statute or department rule relating to 132593
residential facilities with the department. All complaints shall 132594
be in writing and shall state the facts constituting the basis of 132595
the allegation. The department shall not reveal the source of any 132596

complaint unless the complainant agrees in writing to waive the right to confidentiality or until so ordered by a court of competent jurisdiction.

The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures for the receipt, referral, investigation, and disposition of complaints filed with the department under this division.

(M) The department shall establish procedures for the notification of interested parties of the transfer or interim care of residents from residential facilities that are closing or are losing their license.

(N) Before issuing a license under this section to a residential facility that will accommodate at any time more than one mentally retarded or developmentally disabled individual, the director shall, by first class mail, notify the following:

(1) If the facility will be located in a municipal corporation, the clerk of the legislative authority of the municipal corporation;

(2) If the facility will be located in unincorporated territory, the clerk of the appropriate board of county commissioners and the fiscal officer of the appropriate board of township trustees.

The director shall not issue the license for ten days after mailing the notice, excluding Saturdays, Sundays, and legal holidays, in order to give the notified local officials time in which to comment on the proposed issuance.

Any legislative authority of a municipal corporation, board of county commissioners, or board of township trustees that receives notice under this division of the proposed issuance of a license for a residential facility may comment on it in writing to the director within ten days after the director mailed the notice,

excluding Saturdays, Sundays, and legal holidays. If the director 132628
receives written comments from any notified officials within the 132629
specified time, the director shall make written findings 132630
concerning the comments and the director's decision on the 132631
issuance of the license. If the director does not receive written 132632
comments from any notified local officials within the specified 132633
time, the director shall continue the process for issuance of the 132634
license. 132635

(O) Any person may operate a licensed residential facility 132636
that provides room and board, personal care, habilitation 132637
services, and supervision in a family setting for at least six but 132638
not more than eight persons with mental retardation or a 132639
developmental disability as a permitted use in any residential 132640
district or zone, including any single-family residential district 132641
or zone, of any political subdivision. These residential 132642
facilities may be required to comply with area, height, yard, and 132643
architectural compatibility requirements that are uniformly 132644
imposed upon all single-family residences within the district or 132645
zone. 132646

(P) Any person may operate a licensed residential facility 132647
that provides room and board, personal care, habilitation 132648
services, and supervision in a family setting for at least nine 132649
but not more than sixteen persons with mental retardation or a 132650
developmental disability as a permitted use in any multiple-family 132651
residential district or zone of any political subdivision, except 132652
that a political subdivision that has enacted a zoning ordinance 132653
or resolution establishing planned unit development districts may 132654
exclude these residential facilities from those districts, and a 132655
political subdivision that has enacted a zoning ordinance or 132656
resolution may regulate these residential facilities in 132657
multiple-family residential districts or zones as a conditionally 132658
permitted use or special exception, in either case, under 132659

reasonable and specific standards and conditions set out in the 132660
zoning ordinance or resolution to: 132661

(1) Require the architectural design and site layout of the 132662
residential facility and the location, nature, and height of any 132663
walls, screens, and fences to be compatible with adjoining land 132664
uses and the residential character of the neighborhood; 132665

(2) Require compliance with yard, parking, and sign 132666
regulation; 132667

(3) Limit excessive concentration of these residential 132668
facilities. 132669

(Q) This section does not prohibit a political subdivision 132670
from applying to residential facilities nondiscriminatory 132671
regulations requiring compliance with health, fire, and safety 132672
regulations and building standards and regulations. 132673

(R) Divisions (O) and (P) of this section are not applicable 132674
to municipal corporations that had in effect on June 15, 1977, an 132675
ordinance specifically permitting in residential zones licensed 132676
residential facilities by means of permitted uses, conditional 132677
uses, or special exception, so long as such ordinance remains in 132678
effect without any substantive modification. 132679

(S)(1) The director may issue an interim license to operate a 132680
residential facility to an applicant for a license under this 132681
section if either of the following is the case: 132682

(a) The director determines that an emergency exists 132683
requiring immediate placement of persons in a residential 132684
facility, that insufficient licensed beds are available, and that 132685
the residential facility is likely to receive a permanent license 132686
under this section within thirty days after issuance of the 132687
interim license. 132688

(b) The director determines that the issuance of an interim 132689

license is necessary to meet a temporary need for a residential facility. 132690
132691

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license. 132692
132693
132694
132695
132696

(3) An interim license shall be valid for thirty days and may be renewed by the director for a period not to exceed one hundred fifty days. 132697
132698
132699

(4) The director shall adopt rules in accordance with Chapter 119. of the Revised Code as the director considers necessary to administer the issuance of interim licenses. 132700
132701
132702

(T) Notwithstanding rules adopted pursuant to this section establishing the maximum number of persons who may be served in a particular type of residential facility, a residential facility shall be permitted to serve the same number of persons being served by the facility on the effective date of the rules or the number of persons for which the facility is authorized pursuant to a current application for a certificate of need with a letter of support from the department of developmental disabilities and which is in the review process prior to April 4, 1986. 132703
132704
132705
132706
132707
132708
132709
132710
132711

(U) The director or the director's designee may enter at any time, for purposes of investigation, any home, facility, or other structure that has been reported to the director or that the director has reasonable cause to believe is being operated as a residential facility without a license issued under this section. 132712
132713
132714
132715
132716

The director may petition the court of common pleas of the county in which an unlicensed residential facility is located for an order enjoining the person or governmental agency operating the facility from continuing to operate without a license. The court 132717
132718
132719
132720

may grant the injunction on a showing that the person or 132721
governmental agency named in the petition is operating a 132722
residential facility without a license. The court may grant the 132723
injunction, regardless of whether the residential facility meets 132724
the requirements for receiving a license under this section. 132725

Sec. 5123.191. (A) The court of common pleas or a judge 132726
thereof in the judge's county, or the probate court, may appoint a 132727
receiver to take possession of and operate a residential facility 132728
licensed by the department of developmental disabilities, in 132729
causes pending in such courts respectively, when conditions 132730
existing at the facility present a substantial risk of physical or 132731
mental harm to residents and no other remedies at law are adequate 132732
to protect the health, safety, and welfare of the residents. 132733
Conditions at the facility that may present such risk of harm 132734
include, but are not limited to, instances when any of the 132735
following occur: 132736

(1) The residential facility is in violation of state or 132737
federal law or regulations. 132738

(2) The facility has had its license revoked or procedures 132739
for revocation have been initiated, or the facility is closing or 132740
intends to cease operations. 132741

(3) Arrangements for relocating residents need to be made. 132742

(4) Insolvency of the operator, licensee, or landowner 132743
threatens the operation of the facility. 132744

(5) The facility or operator has demonstrated a pattern and 132745
practice of repeated violations of state or federal laws or 132746
regulations. 132747

(B) A court in which a petition is filed pursuant to this 132748
section shall notify the person holding the license for the 132749
facility and the department of developmental disabilities of the 132750

filing. The court shall order the department to notify the ~~legal~~ 132751
~~rights service,~~ facility owner, facility operator, county board of 132752
developmental disabilities, facility residents, and residents' 132753
parents and guardians of the filing of the petition. 132754

The court shall provide a hearing on the petition within five 132755
court days of the time it was filed, except that the court may 132756
appoint a receiver prior to that time if it determines that the 132757
circumstances necessitate such action. Following a hearing on the 132758
petition, and upon a determination that the appointment of a 132759
receiver is warranted, the court shall appoint a receiver and 132760
notify the department of developmental disabilities and 132761
appropriate persons of this action. 132762

(C) A residential facility for which a receiver has been 132763
named is deemed to be in compliance with section 5123.19 and 132764
Chapter 3721. of the Revised Code for the duration of the 132765
receivership. 132766

(D) When the operating revenue of a residential facility in 132767
receivership is insufficient to meet its operating expenses, 132768
including the cost of bringing the facility into compliance with 132769
state or federal laws or regulations, the court may order the 132770
state to provide necessary funding, except as provided in division 132771
(K) of this section. The state shall provide such funding, subject 132772
to the approval of the controlling board. The court may also order 132773
the appropriate authorities to expedite all inspections necessary 132774
for the issuance of licenses or the certification of a facility, 132775
and order a facility to be closed if it determines that reasonable 132776
efforts cannot bring the facility into substantial compliance with 132777
the law. 132778

(E) In establishing a receivership, the court shall set forth 132779
the powers and duties of the receiver. The court may generally 132780
authorize the receiver to do all that is prudent and necessary to 132781
safely and efficiently operate the residential facility within the 132782

requirements of state and federal law, but shall require the receiver to obtain court approval prior to making any single expenditure of more than five thousand dollars to correct deficiencies in the structure or furnishings of a facility. The court shall closely review the conduct of the receiver it has appointed and shall require regular and detailed reports. The receivership shall be reviewed at least every sixty days.

(F) A receivership established pursuant to this section shall be terminated, following notification of the appropriate parties and a hearing, if the court determines either of the following:

(1) The residential facility has been closed and the former residents have been relocated to an appropriate facility.

(2) Circumstances no longer exist at the facility that present a substantial risk of physical or mental harm to residents, and there is no deficiency in the facility that is likely to create a future risk of harm.

Notwithstanding division (F)(2) of this section, the court shall not terminate a receivership for a residential facility that has previously operated under another receivership unless the responsibility for the operation of the facility is transferred to an operator approved by the court and the department of developmental disabilities.

(G) The department of developmental disabilities may, upon its own initiative or at the request of an owner, operator, or resident of a residential facility, or at the request of a resident's guardian or relative, or a county board of developmental disabilities, ~~or the legal rights service~~, petition the court to appoint a receiver to take possession of and operate a residential facility. When the department has been requested to file a petition by any of the parties listed above, it shall, within forty-eight hours of such request, either file such a

petition or notify the requesting party of its decision not to 132814
file. If the department refuses to file, the requesting party may 132815
file a petition with the court requesting the appointment of a 132816
receiver to take possession of and operate a residential facility. 132817

Petitions filed pursuant to this division shall include the 132818
following: 132819

(1) A description of the specific conditions existing at the 132820
facility which present a substantial risk of physical or mental 132821
harm to residents; 132822

(2) A statement of the absence of other adequate remedies at 132823
law; 132824

(3) The number of individuals residing at the facility; 132825

(4) A statement that the facts have been brought to the 132826
attention of the owner or licensee and that conditions have not 132827
been remedied within a reasonable period of time or that the 132828
conditions, though remedied periodically, habitually exist at the 132829
facility as a pattern or practice; 132830

(5) The name and address of the person holding the license 132831
for the facility and the address of the department of 132832
developmental disabilities. 132833

The court may award to an operator appropriate costs and 132834
expenses, including reasonable attorney's fees, if it determines 132835
that a petitioner has initiated a proceeding in bad faith or 132836
merely for the purpose of harassing or embarrassing the operator. 132837

(H) Except for the department of developmental disabilities 132838
or a county board of developmental disabilities, no party or 132839
person interested in an action shall be appointed a receiver 132840
pursuant to this section. 132841

To assist the court in identifying persons qualified to be 132842
named as receivers, the director of developmental disabilities or 132843

the director's designee shall maintain a list of the names of such persons. The director shall, in accordance with Chapter 119. of the Revised Code, establish standards for evaluating persons desiring to be included on such a list.

(I) Before a receiver enters upon the duties of that person, the receiver must be sworn to perform the duties of receiver faithfully, and, with surety approved by the court, judge, or clerk, execute a bond to such person, and in such sum as the court or judge directs, to the effect that such receiver will faithfully discharge the duties of receiver in the action, and obey the orders of the court therein.

(J) Under the control of the appointing court, a receiver may bring and defend actions in the receiver's own name as receiver and take and keep possession of property.

The court shall authorize the receiver to do the following:

(1) Collect payment for all goods and services provided to the residents or others during the period of the receivership at the same rate as was charged by the licensee at the time the petition for receivership was filed, unless a different rate is set by the court;

(2) Honor all leases, mortgages, and secured transactions governing all buildings, goods, and fixtures of which the receiver has taken possession and continues to use, subject to the following conditions:

(a) In the case of a rental agreement, only to the extent of payments that are for the use of the property during the period of the receivership;

(b) In the case of a purchase agreement only to the extent of payments that come due during the period of the receivership.

(3) If transfer of residents is necessary, provide for the

orderly transfer of residents by doing the following:	132874
(a) Cooperating with all appropriate state and local agencies in carrying out the transfer of residents to alternative community placements;	132875 132876 132877
(b) Providing for the transportation of residents' belongings and records;	132878 132879
(c) Helping to locate alternative placements and develop discharge plans;	132880 132881
(d) Preparing residents for the trauma of discharge;	132882
(e) Permitting residents or guardians to participate in transfer or discharge planning except when an emergency exists and immediate transfer is necessary.	132883 132884 132885
(4) Make periodic reports on the status of the residential program to the appropriate state agency, county board of developmental disabilities, parents, guardians, and residents;	132886 132887 132888
(5) Compromise demands or claims;	132889
(6) Generally do such acts respecting the residential facility as the court authorizes.	132890 132891
(K) Neither the receiver nor the department of developmental disabilities is liable for debts incurred by the owner or operator of a residential facility for which a receiver has been appointed.	132892 132893 132894
(L) The department of developmental disabilities may contract for the operation of a residential facility in receivership. The department shall establish the conditions of a contract. Notwithstanding any other provision of law, contracts that are necessary to carry out the powers and duties of the receiver need not be competitively bid.	132895 132896 132897 132898 132899 132900
(M) The department of developmental disabilities, the department of job and family services, and the department of health shall provide technical assistance to any receiver	132901 132902 132903

appointed pursuant to this section. 132904

Sec. 5123.35. (A) There is hereby created the Ohio 132905
developmental disabilities council, which shall serve as an 132906
advocate for all persons with developmental disabilities. The 132907
council shall act in accordance with the "Developmental 132908
Disabilities Assistance and Bill of Rights Act," 98 Stat. 2662 132909
(1984), 42 U.S.C. 6001, as amended. The governor shall appoint the 132910
members of the council in accordance with 42 U.S.C. 6024. 132911

(B) The Ohio developmental disabilities council shall develop 132912
the state plan required by federal law as a condition of receiving 132913
federal assistance under 42 U.S.C. 6021 to 6030. The department of 132914
developmental disabilities, as the state agency selected by the 132915
governor for purposes of receiving the federal assistance, shall 132916
receive, account for, and disburse funds based on the state plan 132917
and shall provide assurances and other administrative support 132918
services required as a condition of receiving the federal 132919
assistance. 132920

(C) The federal funds may be disbursed through grants to or 132921
contracts with persons and government agencies for the provision 132922
of necessary or useful goods and services for developmentally 132923
disabled persons. The Ohio developmental disabilities council may 132924
award the grants or enter into the contracts. 132925

(D) The Ohio developmental disabilities council may award 132926
grants to or enter into contracts with a member of the council or 132927

superintendent of the board or an employee of the board the 133406
superintendent designates shall attempt a face-to-face contact 133407
with the person with mental retardation or a developmental 133408

(H) The superintendent of the board may designate an 133411

office which shall be maintained by the department, whether prior 133431

reports have been made concerning an adult with mental retardation 133432
or a developmental disability or other principals in the case. If 133433
the department finds that the report involves action or inaction 133434
that may constitute a crime under federal law or the law of this 133435
state, it shall submit a report of its investigation, in writing, 133436
to the law enforcement agency. If the person with mental 133437

made a report under this section. This division does not preclude 133464
an employer or person with authority from taking action with 133465

there is another reasonable basis for the action. 133467

defined in section 149.43 of the Revised Code. Information 133469
contained in the reports on request shall be made available to the 133470

counsel, and to agencies authorized to receive information in the 133472

disabilities. 133474

(N) Notwithstanding section 4731.22 of the Revised Code, the 133475
physician-patient privilege shall not be a ground for excluding 133476
evidence regarding the injuries or physical neglect of a person 133477
with mental retardation or a developmental disability or the cause 133478
thereof in any judicial proceeding resulting from a report 133479

The individual receiving services or the parent, guardian, or 133496
advocate of the individual shall sign an acknowledgement of 133497

familiar with the rights enumerated in section 5123.62 of the 133514
Revised Code and observe those rights in their contacts with 133515
persons receiving services. Any policy, procedure, or rule of the 133516

null and void. Every provider shall establish written procedures 133518
for resolving complaints of violations of those rights. A copy of 133519
the procedures shall be provided to any person receiving services 133520
or to any parent, guardian, or advocate of a person receiving 133521

defined to mean appropriate services provided to a person with 133582
mental retardation for no more than fourteen consecutive days and 133583
for no more than forty-two days in a fiscal year. When 133584
circumstances warrant, the fourteen-day period may be extended at 133585
the discretion of the managing officer. Short-term care is 133586
provided in a developmental center to meet the family's or 133587

caretaker's needs for separation from the person with mental 133588

Sec. 5123.86. (A) Except as provided in divisions (C), (D), 133624
(E), and (F) of this section, the chief medical officer shall 133625
provide all information, including expected physical and medical 133626
consequences, necessary to enable any resident of an institution 133627
for the mentally retarded to give a fully informed, intelligent, 133628

(2) Convulsive therapy; 133632

(3) Major aversive interventions; 133633

(4) Sterilization; 133634

(5) Experimental procedures; 133635

(6) Any unusual or hazardous treatment procedures. 133636

(B) No resident shall be subjected to any of the procedures 133637
listed in division (A)(4), (5), or (6) of this section without the 133638
resident's informed consent. 133639

(C) If a resident is physically or mentally unable to receive 133640
the information required for surgery under division (A)(1) of this 133641
section, or has been adjudicated incompetent, the information may 133642
be provided to the resident's natural or court-appointed guardian, 133643
including an agency providing guardianship services under contract 133644
with the department of developmental disabilities under sections 133645
5123.55 to 5123.59 of the Revised Code, who may give the informed, 133646
intelligent, and knowing written consent for surgery. Consent for 133647
surgery shall not be provided by a guardian who is an officer or 133648

employee of the department of mental health or the department of 133649
developmental disabilities. 133650

If a resident is physically or mentally unable to receive the 133651
information required for surgery under division (A)(1) of this 133652
section and has no guardian, then the information, the 133653
recommendation of the chief medical officer, and the concurring 133654
judgment of a licensed physician who is not a full-time employee 133655
of the state may be provided to the court in the county in which 133656
the institution is located, which may approve the surgery. Before 133657

5123.60 of the Revised Code, and shall notify the resident of the 133660
resident's rights to consult with counsel, to have counsel 133661
appointed by the court if the resident is indigent, and to contest 133662
the recommendation of the chief medical officer. 133663

(D) If, in the judgment of two licensed physicians, delay in 133664
obtaining consent for surgery would create a grave danger to the 133665
health of a resident, emergency surgery may be performed without 133666
the consent of the resident if the necessary information is 133667
provided to the resident's guardian, including an agency providing 133668
guardianship services under contract with the department of 133669
developmental disabilities under sections 5123.55 to 5123.59 of 133670
the Revised Code, or to the resident's spouse or next of kin to 133671
enable that person or agency to give an informed, intelligent, and 133672
knowing written consent. 133673

If the guardian, spouse, or next of kin cannot be contacted 133674
through exercise of reasonable diligence, or if the guardian, 133675
spouse, or next of kin is contacted, but refuses to consent, then 133676
the emergency surgery may be performed upon the written 133677
authorization of the chief medical officer and after court 133678
approval has been obtained. However, if delay in obtaining court 133679
approval would create a grave danger to the life of the resident, 133680

the chief medical officer may authorize surgery, in writing, 133681
without court approval. If the surgery is authorized without court 133682
approval, the chief medical officer who made the authorization and 133683
the physician who performed the surgery shall each execute an 133684
affidavit describing the circumstances constituting the emergency 133685
and warranting the surgery and the circumstances warranting their 133686
not obtaining prior court approval. The affidavit shall be filed 133687
with the court with which the request for prior approval would 133688
have been filed within five court days after the surgery, and a 133689
copy of the affidavit shall be placed in the resident's file and 133690
shall be given to the guardian, spouse, or next of kin of the 133691
resident, to the hospital at which the surgery was performed, and 133692
to the ~~legal rights service~~ Ohio protection and advocacy system 133693
created by section 5123.60 of the Revised Code. 133694

(E)(1) If it is the judgment of two licensed physicians, as 133695
described in division (E)(2) of this section, that a medical 133696
emergency exists and delay in obtaining convulsive therapy creates 133697
a grave danger to the life of a resident who is both mentally 133698
retarded and mentally ill, convulsive therapy may be administered 133699
without the consent of the resident if the resident is physically 133700
or mentally unable to receive the information required for 133701
convulsive therapy and if the necessary information is provided to 133702
the resident's natural or court-appointed guardian, including an 133703
agency providing guardianship services under contract with the 133704
department of developmental disabilities under sections 5123.55 to 133705
5123.59 of the Revised Code, or to the resident's spouse or next 133706
of kin to enable that person or agency to give an informed, 133707
intelligent, and knowing written consent. If neither the 133708
resident's guardian, spouse, nor next of kin can be contacted 133709
through exercise of reasonable diligence, or if the guardian, 133710
spouse, or next of kin is contacted, but refuses to consent, then 133711
convulsive therapy may be performed upon the written authorization 133712
of the chief medical officer and after court approval has been 133713

obtained. 133714

(2) The two licensed physicians referred to in division 133715
(E)(1) of this section shall not be associated with each other in 133716
the practice of medicine or surgery by means of a partnership or 133717
corporate arrangement, other business arrangement, or employment. 133718
At least one of the physicians shall be a psychiatrist as defined 133719
in division (E) of section 5122.01 of the Revised Code. 133720

(F) Major aversive interventions shall not be used unless a 133721
resident continues to engage in behavior destructive to self or 133722
others after other forms of therapy have been attempted. ~~The~~ 133723
~~director of the legal rights service created by section 5123.60 of~~ 133724
~~the Revised Code shall be notified of any proposed major aversive~~ 133725
~~intervention.~~ Major aversive interventions shall not be applied to 133726
a voluntary resident without the informed, intelligent, and 133727
knowing written consent of the resident or the resident's 133728
guardian, including an agency providing guardianship services 133729
under contract with the department of developmental disabilities 133730
under sections 5123.55 to 5123.59 of the Revised Code. 133731

(G)(1) This chapter does not authorize any form of compulsory 133732
medical or psychiatric treatment of any resident who is being 133733
treated by spiritual means through prayer alone in accordance with 133734
a recognized religious method of healing. 133735

developmental disability resides for an order authorizing the 133761
board to arrange services described in division (C) of section 133762

The complaint shall include: 133766

(1) The name, age, and address of the adult; 133767

(2) Facts describing the nature of the abuse, neglect, or 133768
exploitation and supporting the board's belief that services are 133769

(3) The types of services proposed by the board, as set forth 133771

133775

(B) The board shall give the adult notice of the filing of the complaint and in simple and clear language shall inform the adult of the adult's rights in the hearing under division (C) of this section and explain the consequences of a court order. This notice shall be personally served upon all parties, and also shall be given to the adult's legal counsel, if any, ~~and the legal rights service~~. The notice shall be given at least twenty-four hours prior to the hearing, although the court may waive this requirement upon a showing that there is a substantial risk that the adult will suffer immediate physical harm in the twenty-four hour period and that the board has made reasonable attempts to give the notice required by this division. 133776

(D)(1) The court shall issue an order authorizing the board to arrange the protective services if it finds, on the basis of clear and convincing evidence, all of the following: 133801
133802
133803

(a) The adult has been abused, neglected, or exploited; 133804

(b) The adult is incapacitated; 133805

(c) There is a substantial risk to the adult of immediate 133806
physical harm or death; 133807

(d) The adult is in need of the services; 133808

(e) No person authorized by law or court order to give 133809
consent for the adult is available or willing to consent to the 133810
services. 133811

(2) The board shall develop a detailed protective service 133812
plan describing the services that the board will provide, or 133813
arrange for the provision of, to the adult to prevent further 133814
abuse, neglect, or exploitation. The board shall submit the plan 133815
to the court for approval. The protective service plan may be 133816
changed only by court order. 133817

(3) In formulating the order, the court shall consider the 133818
individual protective service plan and shall specifically 133819
designate the services that are necessary to deal with the abuse, 133820
neglect, or exploitation or condition resulting from abuse, 133821
neglect, or exploitation and that are available locally, and 133822
authorize the board to arrange for these services only. The court 133823
shall limit the provision of these services to a period not 133824
exceeding six months, renewable for an additional six-month period 133825
on a showing by the board that continuation of the order is 133826
necessary. 133827

(E) If the court finds that all other options for meeting the 133828
adult's needs have been exhausted, it may order that the adult be 133829
removed from the adult's place of residence and placed in another 133830
residential setting. Before issuing that order, the court shall 133831
consider the adult's choice of residence and shall determine that 133832
the new residential setting is the least restrictive alternative 133833
available for meeting the adult's needs and is a place where the 133834
adult can obtain the necessary requirements for daily living in 133835

safety. The court shall not order an adult to a hospital or public hospital as defined in section 5122.01 or a state institution as defined in section 5123.01 of the Revised Code.

(F) The court shall not authorize a change in an adult's placement ordered under division (E) of this section unless it finds compelling reasons to justify a change. The parties to whom notice was given in division (B) of this section shall be given notice of a proposed change at least five working days prior to the change.

(G) The adult, the board, or any other person who received notice of the petition may file a motion for modification of the court order at any time.

(H) The county board shall pay court costs incurred in proceedings brought pursuant to this section. The adult shall not be required to pay for court-ordered services.

(I)(1) After the filing of a complaint for an order under this section, the court, prior to the final disposition, may enter any temporary order that the court finds necessary to protect the adult with mental retardation or a developmental disability from abuse, neglect, or exploitation including, but not limited to, the following:

(a) A temporary protection order;

(b) An order requiring the evaluation of the adult;

(c) An order requiring a party to vacate the adult's place of residence or legal settlement, provided that, subject to division (K)(1)(d) of this section, no operator of a residential facility licensed by the department may be removed under this division;

(d) In the circumstances described in, and in accordance with the procedures set forth in, section 5123.191 of the Revised Code, an order of the type described in that section that appoints a

receiver to take possession of and operate a residential facility 133866
licensed by the department. 133867

(2) The court may grant an ex parte order pursuant to this 133868
division on its own motion or if a party files a written motion or 133869
makes an oral motion requesting the issuance of the order and 133870
stating the reasons for it if it appears to the court that the 133871
best interest and the welfare of the adult require that the court 133872
issue the order immediately. The court, if acting on its own 133873
motion, or the person requesting the granting of an ex parte 133874
order, to the extent possible, shall give notice of its intent or 133875
of the request to all parties, the adult's legal counsel, if any, 133876
~~and the legal rights service.~~ If the court issues an ex parte 133877
order, the court shall hold a hearing to review the order within 133878
seventy-two hours after it is issued or before the end of the next 133879
day after the day on which it is issued, whichever occurs first. 133880
The court shall give written notice of the hearing to all parties 133881
to the action. 133882

Notwithstanding section 5126.18 of the Revised Code, the 136002
foregoing appropriation item 322503, Tax Equity, may be used to 136003
distribute funds to county boards of developmental disabilities to 136004

The Director shall determine, in consultation with representatives 136006
of county boards, the amount of funds to distribute for these 136007
purposes and the criteria for distributing the funds. 136008

Section 263.10.70. MEDICAID WAIVER - STATE MATCH 136009

The foregoing appropriation item 322604, Medicaid Waiver - 136010
State Match (Fund 4K80), shall be used as state matching funds for 136011
home and community-based waivers. 136012

Section 263.10.80. ICF/MR CONVERSION 136013

(A) As used in this section, "home and community-based 136014
services" has the same meaning as in section 5123.01 of the 136015
Revised Code. 136016

(B) For each quarter of the biennium, the Director of 136017
Developmental Disabilities shall certify to the Director of Budget 136018
and Management the estimated amount needed to fund the provision 136019
of home and community-based services made available by the slots 136020
sought under section 5111.877 of the Revised Code. On receipt of 136021
certification, the Director of Budget and Management shall 136022
transfer the estimated amount in cash from the General Revenue 136023
Fund to the Home and Community-Based Services Fund (Fund 4K80), 136024
used by the Department of Developmental Disabilities. Upon 136025
completion of the transfer, appropriation item 600525, Health 136026
Care/Medicaid, is hereby reduced by the amount transferred under 136027
this section plus the corresponding federal share. The amount 136028
transferred to Fund 4K80 is hereby appropriated to appropriation 136029
item 322604, Medicaid Waiver - State Match. 136030

(C) If receipts credited to the Medicaid Waiver Fund (Fund 136031
3G60) exceed the amounts appropriated from the fund, the Director 136032
of Developmental Disabilities may request the Director of Budget 136033
and Management to authorize expenditures from the fund in excess 136034

of the amounts appropriated. Upon the approval of the Director of 136035
Budget and Management, the additional amounts are hereby 136036
appropriated. 136037

(D) If receipts credited to the Interagency Reimbursement 136038
Fund (Fund 3G50) exceed the amounts appropriated from the fund, 136039
the Director of Job and Family Services may request the Director 136040
of Budget and Management to authorize expenditures from the fund 136041
in excess of the amounts appropriated. Upon approval of the 136042
Director of Budget and Management, the additional amounts are 136043
hereby appropriated. 136044

Section 263.10.90. TARGETED CASE MANAGEMENT SERVICES 136045

County boards of developmental disabilities shall pay the 136046
nonfederal portion of targeted case management costs to the 136047
Department of Developmental Disabilities. 136048

The Directors of Developmental Disabilities and Job and 136049
Family Services may enter into an interagency agreement under 136050
which the Department of Developmental Disabilities shall transfer 136051
cash from the Targeted Case Management Fund (Fund 5DJ0) to the 136052
Medicaid Program Support - State Fund (Fund 5C90) used by the 136053
Department of Job and Family Services in an amount equal to the 136054
nonfederal portion of the cost of targeted case management 136055
services paid by county boards, and the Department of Job and 136056
Family Services shall pay the total cost of targeted case 136057
management claims. The transfer shall be made using an intrastate 136058
transfer voucher. 136059

Section 263.20.10. WITHHOLDING OF FUNDS OWED THE DEPARTMENT 136060

If a county board of developmental disabilities does not 136061
fully pay any amount owed to the Department of Developmental 136062
Disabilities by the due date established by the Department, the 136063
Director of Developmental Disabilities may withhold the amount the 136064

county board did not pay from any amounts due to the county board. 136065
The Director may use any appropriation item or fund used by the 136066
Department to transfer cash to any other fund used by the 136067
Department in an amount equal to the amount owed the Department 136068
that the county board did not pay. Transfers under this section 136069
shall be made using an intrastate transfer voucher. 136070

Section 263.20.20. TRANSFER TO MEDICAID REPAYMENT FUND 136071

On July 1, 2011, or as soon as possible thereafter, the 136072
Director of Developmental Disabilities shall request that the 136073
Director of Budget and Management transfer the cash balance in the 136074
Purchase of Service Fund (Fund 4880) to the Medicaid Repayment 136075
Fund (Fund 5H00). Upon completion of the transfer, Fund 4880 is 136076
hereby abolished. The Director of Developmental Disabilities shall 136077
cancel any existing encumbrances against appropriation item 136078
322603, Provider Audit Refunds, and re-establish them against 136079
appropriation item 322619, Medicaid Repayment. The re-established 136080
encumbrances are hereby appropriated. 136081

Section 263.20.30. DEVELOPMENTAL CENTER BILLING FOR SERVICES 136082

Developmental centers of the Department of Developmental 136083
Disabilities may provide services to persons with mental 136084
retardation or developmental disabilities living in the community 136085
or to providers of services to these persons. The Department may 136086
develop a method for recovery of all costs associated with the 136087
provisions of these services. 136088

Section 263.20.40. TRANSFER OF FUNDS FOR DEVELOPMENTAL CENTER 136089
PHARMACY PROGRAMS 136090

The Director of Developmental Disabilities shall quarterly 136091
transfer cash from the Medicaid - Medicare Fund (Fund 3A40) to the 136092
Medicaid Program Support - State Fund (Fund 5C90) used by the 136093

Department of Job and Family Services, in an amount equal to the 136094
nonfederal share of Medicaid prescription drug claim costs for all 136095
developmental centers paid by the Department of Job and Family 136096
Services. The quarterly transfer shall be made using an intrastate 136097
transfer voucher. 136098

Section 263.20.50. NONFEDERAL MATCH FOR ACTIVE TREATMENT 136099
SERVICES 136100

Any county funds received by the Department of Developmental 136101
Disabilities from county boards for active treatment shall be 136102
deposited in the Developmental Disabilities Operating Fund (Fund 136103
4890). 136104

Section 263.20.60. NONFEDERAL SHARE OF NEW ICF/MR BEDS 136105

(A) As used in this section, "intermediate care facility for 136106
the mentally retarded" has the same meaning as in section 5111.20 136107
of the Revised Code. 136108

(B) If the Department of Developmental Disabilities is 136109
required by section 5111.211 of the Revised Code to pay the 136110
nonfederal share of claims submitted for services that are covered 136111
by the Medicaid program and provided to an eligible Medicaid 136112
recipient by an intermediate care facility for the mentally 136113
retarded, the Director of Developmental Disabilities shall 136114
transfer cash to the Department of Job and Family Services to pay 136115
the nonfederal share of the claims. The transfer shall be made 136116
using an intrastate transfer voucher. Except as otherwise provided 136117
in section 5123.0416 of the Revised Code, the Director shall use 136118
only the following appropriation items for the transfer: 136119

(1) Appropriation item 322407, Medicaid State Match; 136120

(2) Appropriation item 322501, County Boards Subsidies. 136121

(C) If the intermediate care facility for the mentally 136122

retarded is located in a county served by a county board of 136123
developmental disabilities that initiates or supports the 136124
facility's certification as an intermediate care facility for the 136125
mentally retarded by the Director of Health, the cash that the 136126
Director transfers under division (B) of this section shall be 136127
moneys that the Director has allocated to the county board serving 136128
the county in which the facility is located unless the amount of 136129
the allocation is insufficient to pay the entire nonfederal share 136130
of the claims submitted by the facility. If the allocation is 136131
insufficient, the Director shall use as much of such moneys 136132
allocated to other counties as is needed to make up the 136133
difference. 136134

Section 263.20.70. RATE INCREASE FOR WAIVER PROVIDERS SERVING 136135
FORMER RESIDENTS OF DEVELOPMENTAL CENTERS 136136

Subject to approval by the Centers for Medicare and Medicaid 136137
Services, the Department of Job and Family Services shall increase 136138
the rate paid to a provider under the Individual Options Waiver by 136139
fifty-two cents for each fifteen minutes of routine 136140
homemaker/personal care provided to an individual for up to a year 136141
if all of the following apply: 136142

(A) The individual was a resident of a developmental center 136143
immediately prior to enrollment in the waiver; 136144

(B) The provider begins serving the individual on or after 136145
July 1, 2011; 136146

(C) The Director of Developmental Disabilities determines 136147
that the increased rate is warranted by the individual's special 136148
circumstances, including the individual's diagnosis, service 136149
needs, or length of stay at the developmental center, and that 136150
serving the individual through the Individual Options Waiver is 136151
fiscally prudent for the Medicaid program. 136152

Section 263.20.80. ODODD INNOVATIVE PILOT PROJECTS 136153

(A) In fiscal year 2012 and fiscal year 2013, the Director of 136154
Developmental Disabilities may authorize the implementation of one 136155
or more innovative pilot projects that, in the judgment of the 136156
Director, are likely to assist in promoting the objectives of 136157
Chapter 5123. or 5126. of the Revised Code. Subject to division 136158
(B) of this section and notwithstanding any provision of Chapters 136159
5123. and 5126. of the Revised Code and any rule adopted under 136160
either chapter, a pilot project authorized by the Director may be 136161
implemented in a manner inconsistent with one or more provisions 136162
of Chapter 5123. or 5126. of the Revised Code or one or more rules 136163
adopted under either chapter. Before authorizing a pilot program, 136164
the Director shall consult with entities interested in the issue 136165
of developmental disabilities, including the Ohio Provider 136166
Resource Association, the Ohio Association of County Boards of 136167
Developmental Disabilities, and the ARC of Ohio. 136168

(B) The Director may not authorize a pilot project to be 136169
implemented in a manner that would cause the state to be out of 136170
compliance with any requirements for a program funded in whole or 136171
in part with federal funds. 136172

Section 263.20.90. OHIO DEVELOPMENTAL DISABILITIES COUNCIL 136173
REMOTE ATTENDANCE PILOT PROGRAM 136174

(A) The Ohio Developmental Disabilities Council may establish 136175
a pilot program to allow Council members to attend a public 136176
Council meeting by teleconference or video conference in lieu of 136177
physically attending the meeting. If the pilot program is 136178
established, it shall be operated until five years after the 136179
effective date of this section. 136180

A member who attends a Council meeting by teleconference or 136181
video conference shall be counted for purposes of determining 136182

whether a quorum is present for the transaction of business. The 136183
member shall be permitted to vote at the meeting. 136184

At each Council meeting that includes members in attendance 136185
by teleconference or video conference, at least three Council 136186
members shall be physically present. Any Council meeting may be 136187
held with members in attendance by teleconference or video 136188
conference, except that the Council shall hold at least one 136189
meeting during each year of the pilot program at which members are 136190
not permitted to attend by teleconference or video conference. 136191

(B)(1) If the pilot program is established, the Council shall 136192
submit a report to the General Assembly not later than four years 136193
after the effective date of this section to assist the recipients 136194
in determining whether legislation establishing remote attendance 136195
by teleconference or video conference for the meetings of other 136196
public bodies would be beneficial. The report shall be submitted 136197
in accordance with section 101.68 of the Revised Code. The report 136198
shall include all of the following: 136199

(a) A description of the effect of teleconferencing or video 136200
conferencing on the operation of the Council meetings; 136201

(b) An accounting of any costs incurred or savings realized 136202
by the Council through the use of teleconferencing or video 136203
conferencing; 136204

(c) For each Council meeting held during the pilot program, 136205
all of the following: 136206

(i) The notice of each meeting; 136207

(ii) Attendance records for all Council members; 136208

(iii) A description of public and media attendance; 136209

(iv) A summary or copy of any comments made by the public or 136210
media regarding the use of teleconferencing or video conferencing; 136211

(v) A copy of the minutes for each meeting; 136212

(vi) An accounting of the costs incurred for each meeting;	136213
(vii) A description of any local media coverage of a teleconference or video conference meeting.	136214 136215
(2) Upon submission of the report under division (B)(1) of this section, the pilot program shall cease to exist.	136216 136217
(C) The Ohio Developmental Disabilities Council may adopt any rules the Council considers necessary to implement this section. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.	136218 136219 136220 136221
At a minimum, the rules shall do the following:	136222
(1) Allow Council members to remotely attend a public Council meeting by teleconference or video conference in lieu of physically attending the meeting;	136223 136224 136225
(2) Establish a method for verifying the identity of a member who remotely attends a meeting by teleconference or video conference;	136226 136227 136228
(3) Establish a policy for distributing and circulating necessary documents to Council members, the public, and the media in advance of a meeting where members attend by teleconference or video conference.	136229 136230 136231 136232

Section 267.10.10. EARLY CHILDHOOD EDUCATION 136345

The Department of Education shall distribute the foregoing 136346
appropriation item 200408, Early Childhood Education, to pay the 136347
costs of early childhood education programs. 136348

(A) As used in this section: 136349

(1) "Provider" means a city, local, exempted village, or 136350
joint vocational school district, or an educational service 136351
center. 136352

(2) In the case of a city, local, or exempted village school 136353
district, "new eligible provider" means a district that did not 136354
receive state funding for Early Childhood Education in the 136355
previous fiscal year or demonstrates a need for early childhood 136356
programs as defined in division (D) of this section. 136357

(3) "Eligible child" means a child who is at least three 136358
years of age as of the district entry date for kindergarten, is 136359
not of the age to be eligible for kindergarten, and whose family 136360
earns not more than two hundred per cent of the federal poverty 136361
guidelines as defined in division (A)(3) of section 5101.46 of the 136362
Revised Code. Children with an Individualized Education Program 136363
and where the Early Childhood Education program is the least 136364
restrictive environment may be enrolled on their third birthday. 136365

(B) In each fiscal year, up to two per cent of the total 136366

appropriation may be used by the Department for program support 136367
and technical assistance. The Department shall distribute the 136368
remainder of the appropriation in each fiscal year to serve 136369
eligible children. 136370

(C) The Department shall provide an annual report to the 136371
Governor, the Speaker of the House of Representatives, and the 136372
President of the Senate and post the report to the Department's 136373
web site, regarding early childhood education programs operated 136374
under this section and the early learning program guidelines. 136375

(D) After setting aside the amounts to make payments due from 136376
the previous fiscal year, in fiscal year 2012, the Department 136377
shall distribute funds first to recipients of funds for early 136378
childhood education programs under Section 265.10.20 of Am. Sub. 136379
H.B. 1 of the 128th General Assembly in the previous fiscal year 136380
and the balance to new eligible providers of early childhood 136381
education programs under this section or to existing providers to 136382
serve more eligible children or for purposes of program expansion, 136383
improvement, or special projects to promote quality and 136384
innovation. 136385

After setting aside the amounts to make payments due from the 136386
previous fiscal year, in fiscal year 2013, the Department shall 136387
distribute funds first to providers of early childhood education 136388
programs under this section in the previous fiscal year and the 136389
balance to new eligible providers or to existing providers to 136390
serve more eligible children or for purposes of program expansion, 136391
improvement, or special projects to promote quality and 136392
innovation. 136393

Awards under this section shall be distributed on a per-pupil 136394
basis, and in accordance with division (H) of this section. The 136395
Department may adjust the per-pupil amount so that the per-pupil 136396
amount multiplied by the number of eligible children enrolled and 136397
receiving services on the first day of December or the business 136398

day closest to that date equals the amount allocated under this 136399
section. 136400

(E) Costs for developing and administering an early childhood 136401
education program may not exceed fifteen per cent of the total 136402
approved costs of the program. 136403

All providers shall maintain such fiscal control and 136404
accounting procedures as may be necessary to ensure the 136405
disbursement of, and accounting for, these funds. The control of 136406
funds provided in this program, and title to property obtained, 136407
shall be under the authority of the approved provider for purposes 136408
provided in the program unless, as described in division (J) of 136409
this section, the program waives its right for funding or a 136410
program's funding is eliminated or reduced due to its inability to 136411
meet financial or early learning program guidelines. The approved 136412
provider shall administer and use such property and funds for the 136413
purposes specified. 136414

(F) The Department may examine a provider's financial and 136415
program records. If the financial practices of the program are not 136416
in accordance with standard accounting principles or do not meet 136417
financial standards outlined under division (E) of this section, 136418
or if the program fails to substantially meet the early learning 136419
program guidelines or exhibits below average performance as 136420
measured against the guidelines, the early childhood education 136421
program shall propose and implement a corrective action plan that 136422
has been approved by the Department. The approved corrective 136423
action plan shall be signed by the chief executive officer and the 136424
executive of the official governing body of the provider. The 136425
corrective action plan shall include a schedule for monitoring by 136426
the Department. Such monitoring may include monthly reports, 136427
inspections, a timeline for correction of deficiencies, and 136428
technical assistance to be provided by the Department or obtained 136429
by the early childhood education program. The Department may 136430

withhold funding pending corrective action. If an early childhood 136431
education program fails to satisfactorily complete a corrective 136432
action plan, the Department may deny expansion funding to the 136433
program or withdraw all or part of the funding to the program and 136434
establish a new eligible provider through a selection process 136435
established by the Department. 136436

(G) Each early childhood education program shall do all of 136437
the following: 136438

(1) Meet teacher qualification requirements prescribed by 136439
section 3301.311 of the Revised Code; 136440

(2) Align curriculum to the early learning content standards 136441
developed by the Department; 136442

(3) Meet any child or program assessment requirements 136443
prescribed by the Department; 136444

(4) Require teachers, except teachers enrolled and working to 136445
obtain a degree pursuant to section 3301.311 of the Revised Code, 136446
to attend a minimum of twenty hours every two years of 136447
professional development as prescribed by the Department; 136448

(5) Document and report child progress as prescribed by the 136449
Department; 136450

(6) Meet and report compliance with the early learning 136451
program guidelines as prescribed by the Department. 136452

(H) Per-pupil funding for programs subject to this section 136453
shall be sufficient to provide eligible children with services for 136454
a standard early childhood schedule which shall be defined in this 136455
section as a minimum of twelve and one-half hours per school week 136456
as defined in section 3313.62 of the Revised Code for the minimum 136457
school year as defined in sections 3313.48, 3313.481, and 3313.482 136458
of the Revised Code. Nothing in this section shall be construed to 136459
prohibit program providers from utilizing other funds to serve 136460

eligible children in programs that exceed the twelve and one-half 136461
hours per week or that exceed the minimum school year. For any 136462
provider for which a standard early childhood education schedule 136463
creates a hardship or for which the provider shows evidence that 136464
the provider is working in collaboration with a preschool special 136465
education program, the provider may submit a waiver to the 136466
Department requesting an alternate schedule. If the Department 136467
approves a waiver for an alternate schedule that provides services 136468
for less time than the standard early childhood education 136469
schedule, the Department may reduce the provider's annual 136470
allocation proportionately. Under no circumstances shall an annual 136471
allocation be increased because of the approval of an alternate 136472
schedule. 136473

(I) Each provider shall develop a sliding fee scale based on 136474
family incomes and shall charge families who earn more than two 136475
hundred per cent of the federal poverty guidelines, as defined in 136476
division (A)(3) of section 5101.46 of the Revised Code, for the 136477
early childhood education program. 136478

The Department shall conduct an annual survey of each 136479
provider to determine whether the provider charges families 136480
tuition or fees, the amount families are charged relative to 136481
family income levels, and the number of families and students 136482
charged tuition and fees for the early childhood program. 136483

(J) If an early childhood education program voluntarily 136484
waives its right for funding, or has its funding eliminated for 136485
not meeting financial standards or the early learning program 136486
guidelines, the provider shall transfer control of title to 136487
property, equipment, and remaining supplies obtained through the 136488
program to providers designated by the Department and return any 136489
unexpended funds to the Department along with any reports 136490
prescribed by the Department. The funding made available from a 136491
program that waives its right for funding or has its funding 136492

eliminated or reduced may be used by the Department for new grant 136493
awards or expansion grants. The Department may award new grants or 136494
expansion grants to eligible providers who apply. The eligible 136495
providers who apply must do so in accordance with the selection 136496
process established by the Department. 136497

(K) As used in this section, "early learning program 136498
guidelines" means the guidelines established by the Department 136499
pursuant to division (C)(3) of Section 206.09.54 of Am. Sub. H.B. 136500
66 of the 126th General Assembly. 136501

(L) Eligible expenditures for the Early Childhood Education 136502
program shall be claimed each fiscal year to help meet the state's 136503
TANF maintenance of effort requirement. The Superintendent of 136504
Public Instruction and the Director of Job and Family Services 136505
shall enter into an interagency agreement to carry out the 136506
requirements under this division, which shall include developing 136507
reporting guidelines for these expenditures. 136508

Section 267.10.20. CAREER-TECHNICAL EDUCATION MATCH 136509

The foregoing appropriation item 200416, Career-Technical 136510
Education Match, shall be used by the Department of Education to 136511
provide vocational administration matching funds under 20 U.S.C. 136512
2311. 136513

COMPUTER/APPLICATION/NETWORK DEVELOPMENT 136514

The foregoing appropriation item 200420, 136515
Computer/Application/Network Development, shall be used to support 136516
the development and implementation of information technology 136517
solutions designed to improve the performance and services of the 136518
Department of Education. Funds may be used for personnel, 136519
maintenance, and equipment costs related to the development and 136520
implementation of these technical system projects. Implementation 136521
of these systems shall allow the Department to provide greater 136522

levels of assistance to school districts and to provide more 136523
timely information to the public, including school districts, 136524
administrators, and legislators. Funds may also be used to support 136525
data-driven decision-making and differentiated instruction, as 136526
well as to communicate academic content standards and curriculum 136527
models to schools through web-based applications. 136528

Section 267.10.30. ALTERNATIVE EDUCATION PROGRAMS 136529

The foregoing appropriation item 200421, Alternative 136530
Education Programs, shall be used for the renewal of successful 136531
implementation grants and for competitive matching grants to 136532
school districts for alternative educational programs for existing 136533
and new at-risk and delinquent youth. Programs shall be focused on 136534
youth in one or more of the following categories: those who have 136535
been expelled or suspended, those who have dropped out of school 136536
or who are at risk of dropping out of school, those who are 136537
habitually truant or disruptive, or those on probation or on 136538
parole from a Department of Youth Services facility. Grants shall 136539
be awarded according to the criteria established by the 136540
Alternative Education Advisory Council in 1999. Grants shall be 136541
awarded only to programs in which the grant will not serve as the 136542
program's primary source of funding. These grants shall be 136543
administered by the Department of Education. 136544

The Department of Education may waive compliance with any 136545
minimum education standard established under section 3301.07 of 136546
the Revised Code for any alternative school that receives a grant 136547
under this section on the grounds that the waiver will enable the 136548
program to more effectively educate students enrolled in the 136549
alternative school. 136550

Of the foregoing appropriation item 200421, Alternative 136551
Education Programs, a portion may be used for program 136552
administration, monitoring, technical assistance, support, 136553

research, and evaluation. 136554

Section 267.10.40. SCHOOL MANAGEMENT ASSISTANCE 136555

Of the foregoing appropriation item 200422, School Management 136556
Assistance, \$1,000,000 in fiscal year 2012 and \$1,300,000 in 136557
fiscal year 2013 shall be used by the Auditor of State in 136558
consultation with the Department of Education for expenses 136559
incurred in the Auditor of State's role relating to fiscal 136560
caution, fiscal watch, and fiscal emergency activities as defined 136561
in Chapter 3316. of the Revised Code and may also be used by the 136562
Auditor of State to conduct performance audits of other school 136563
districts with priority given to districts in fiscal distress. 136564
Districts in fiscal distress shall be determined by the Auditor of 136565
State and shall include districts that the Auditor of State, in 136566
consultation with the Department of Education, determines are 136567
employing fiscal practices or experiencing budgetary conditions 136568
that could produce a state of fiscal watch or fiscal emergency. 136569

The remainder of appropriation item 200422, School Management 136570
Assistance, shall be used by the Department of Education to 136571
provide fiscal technical assistance and inservice education for 136572
school district management personnel and to administer, monitor, 136573
and implement the fiscal caution, fiscal watch, and fiscal 136574
emergency provisions under Chapter 3316. of the Revised Code. 136575

Section 267.10.50. POLICY ANALYSIS 136576

The foregoing appropriation item 200424, Policy Analysis, 136577
shall be used by the Department of Education to support a system 136578
of administrative, statistical, and legislative education 136579
information to be used for policy analysis. Staff supported by 136580
this appropriation shall administer the development of reports, 136581
analyses, and briefings to inform education policymakers of 136582
current trends in education practice, efficient and effective use 136583

of resources, and evaluation of programs to improve education 136584
results. The database shall be kept current at all times. These 136585
research efforts shall be used to supply information and analysis 136586
of data to the General Assembly and other state policymakers, 136587
including the Office of Budget and Management, the Governor's 136588
Office of 21st Century Education, and the Legislative Service 136589
Commission. 136590

The Department of Education may use funding from this 136591
appropriation item to purchase or contract for the development of 136592
software systems or contract for policy studies that will assist 136593
in the provision and analysis of policy-related information. 136594
Funding from this appropriation item also may be used to monitor 136595
and enhance quality assurance for research-based policy analysis 136596
and program evaluation to enhance the effective use of education 136597
information to inform education policymakers. 136598

A portion of the foregoing appropriation item 200424, Policy 136599
Analysis, may be used in conjunction with appropriation item 136600
200439, Accountability/Report Cards, to support a fiscal reporting 136601
dimension that shall contain fiscal data reported for the prior 136602
fiscal year. The fiscal information contained therein shall be 136603
updated and reported annually in a form and in a manner as 136604
determined by the Department. 136605

TECH PREP CONSORTIA SUPPORT 136606

The foregoing appropriation item 200425, Tech Prep Consortia 136607
Support, shall be used by the Department of Education to support 136608
state-level activities designed to support, promote, and expand 136609
tech prep programs. Use of these funds shall include, but not be 136610
limited to, administration of grants, program evaluation, 136611
professional development, curriculum development, assessment 136612
development, program promotion, communications, and statewide 136613
coordination of tech prep consortia. 136614

Section 267.10.60. OHIO EDUCATIONAL COMPUTER NETWORK 136615

The foregoing appropriation item 200426, Ohio Educational 136616
Computer Network, shall be used by the Department of Education to 136617
maintain a system of information technology throughout Ohio and to 136618
provide technical assistance for such a system in support of the 136619
P-16 State Education Technology Plan developed under section 136620
3353.09 of the Revised Code. 136621

Of the foregoing appropriation item 200426, Ohio Educational 136622
Computer Network, up to \$10,705,569 in each fiscal year shall be 136623
used by the Department of Education to support connection of all 136624
public school buildings and participating chartered nonpublic 136625
schools to the state's education network, to each other, and to 136626
the Internet. In each fiscal year the Department of Education 136627
shall use these funds to assist information technology centers or 136628
school districts with the operational costs associated with this 136629
connectivity. The Department of Education shall develop a formula 136630
and guidelines for the distribution of these funds to information 136631
technology centers or individual school districts. As used in this 136632
section, "public school building" means a school building of any 136633
city, local, exempted village, or joint vocational school 136634
district, any community school established under Chapter 3314. of 136635
the Revised Code, any STEM school established under Chapter 3326. 136636
of the Revised Code, any educational service center building used 136637
for instructional purposes, the Ohio School for the Deaf and the 136638
Ohio School for the Blind, high schools chartered by the Ohio 136639
Department of Youth Services, or high schools operated by Ohio 136640
Department of Rehabilitation and Corrections' Ohio Central School 136641
System. 136642

Of the foregoing appropriation item 200426, Ohio Educational 136643
Computer Network, up to \$1,440,000 in each fiscal year shall be 136644
used for the Union Catalog and InfOhio Network and to support the 136645

provision of electronic resources with priority given to resources 136646
that support the teaching of state academic content standards in 136647
all public schools. Consideration shall be given by the Department 136648
of Education to coordinating the allocation of these moneys with 136649
the efforts of Libraries Connect Ohio, whose members include 136650
OhioLINK, the Ohio Public Information Network, and the State 136651
Library of Ohio. 136652

Of the foregoing appropriation item 200426, Ohio Educational 136653
Computer Network, up to \$5,220,000 in each fiscal year shall be 136654
used, through a formula and guidelines devised by the Department, 136655
to subsidize the activities of designated information technology 136656
centers, as defined by State Board of Education rules, to provide 136657
school districts and chartered nonpublic schools with 136658
computer-based student and teacher instructional and 136659

by the Superintendent of Public Instruction and adjusted if so 137129
ordered under division (K) of that section, and as further 137130
adjusted by the Department, as follows: 137131

If the computation made under division (A) of this section results in a negative number, the district's funding under this section shall be zero. 137144
137145
137146

(B) To make the computation required by division (A) of this section, the Department shall determine all of the following: 137147
137148

(1) Each district's charge-off valuation per pupil, which shall be the valuation used to determine the district's state share of the adequacy amount for fiscal year 2011, under former section 3306.13 of the Revised Code, divided by the district's recalculated fiscal year 2011 formula ADM; 137149

allocated to career-technical education, and the amount allocated 137171
to gifted education. The amounts allocated for special education 137172
and career-technical education shall be the amounts indicated on 137173

The overall funding levels calculated under division (A) of this 137186

division shall be adjusted accordingly. The Department shall first 137188
allocate the funds to school districts within the original school 137189
district's vocational education planning district that have growth 137190
in career-technical enrollment from the previous fiscal year. If 137191
there are no such districts, the Department shall allocate the 137192

according to each district's growth in career-technical enrollment 137194
from the previous fiscal year. The amounts allocated to gifted 137195
education shall be the amounts districts received for gifted unit 137196

centers. The Department shall require each school district to 137199
report data annually so that the Department may monitor and 137200
enforce the district's compliance with the requirements regarding 137201
the manner in which allocations for career-technical education and 137202

gifted education may be spent. 137203

required or permitted to participate in the Medicaid care 139068
management system. 139069

(B) The Department of Job and Family Services shall submit to the United States Secretary of Health and Human Services a Medicaid state plan amendment to do both of the following:

(1) Continue the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program that was established pursuant to Section 309.30.17 of Am. Sub. H.B. 1 of the 128th General Assembly, with any modifications necessary to implement the program as described under division (D) of this section;

(2) Create the Medicaid Managed Care Hospital Incentive Payment Program, as described under division (E) of this section.

(C) Of the amounts deposited into the Hospital Assessment Fund in fiscal year 2012 and fiscal year 2013:

(1) Up to \$432,432,725 (state and federal) in fiscal year 2012 and up to \$415,162,388 (state and federal) in fiscal year 2013 shall be used for the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program;

(2) Up to \$162,000,000 (state and federal) in each fiscal year shall be used for the Medicaid Managed Care Hospital Incentive Payment Program;

(3) Up to \$176,021,111 (state and federal) in fiscal year 2012 and up to \$195,158,394 (state and federal) in fiscal year 2013 shall be used for the program authorized by the section of this act titled "CONTINUATION OF MEDICAID RATES FOR HOSPITAL INPATIENT AND OUTPATIENT SERVICES."

(D)(1) If the Medicaid state plan amendment submitted under division (B)(1) of this section is approved, the Department shall implement the Hospital Inpatient and Outpatient Supplemental Upper Payment Limit Program during fiscal year 2012 and fiscal year 2013. Under the Program, subject to division (D)(2) of this section, supplemental Medicaid payments shall be made to hospitals for Medicaid-covered inpatient and outpatient services. The

Department shall make the payments through amounts that are made 139101
available for the Program under division (C) of this section and 139102
any federal financial participation available for the Program. 139103

(2) The Department shall take all actions necessary to cease 139104
implementation of the Program if the United States Secretary 139105
determines that the assessment imposed under section 5112.41 of 139106
the Revised Code is an impermissible healthcare-related tax under 139107
section 1903(w) of the "Social Security Act," 105 Stat. 1793 139108
(1991), 42 U.S.C. 1396b(w), as amended. 139109

(E)(1) If the Medicaid state plan amendment submitted under 139110
division (B)(2) of this section is approved, the Department shall 139111
implement the Medicaid Managed Care Hospital Incentive Payment 139112
Program. The purpose of the Program is to increase access to 139113
hospital services for Medicaid recipients who are enrolled in 139114
Medicaid managed care organizations. 139115

Under the Program, subject to division (E)(3) of this 139116
section, funds shall be provided to Medicaid managed care 139117
organizations, which shall use the funds to increase payments to 139118
hospitals for providing services to Medicaid recipients who are 139119
enrolled in the organizations. The Department shall provide the 139120
funds through amounts that are made available for the Program 139121
under division (C) of this section and any federal financial 139122
participation available for the Program. 139123

(2) Not later than July 1, 2012, the Department shall select 139124
an actuary to conduct a study of the contracted reimbursement 139125
rates between Medicaid managed care organizations and hospitals. 139126
The actuary shall determine if a reduction in the capitation rates 139127
paid to Medicaid managed care organizations in fiscal year 2013 is 139128
appropriate as a result of the contracted reimbursement rates 139129
between the organizations and hospitals. The actuary shall notify 139130
the Department of its determination. 139131

If the actuary determines that a reduction in the capitation rates paid to Medicaid managed care organizations in fiscal year 2013 will not achieve \$22 million in state savings in fiscal year 2013, the state shall receive the difference between what the actuary determines the state will save and \$22 million. The Department, in consultation with the Ohio Association of Health Plans and the Ohio Hospital Association, shall establish a methodology under which the difference is paid equally by Medicaid managed care organizations and hospitals in this state.

Notwithstanding anything to the contrary specified in division (E)(3)(b) or (c) of this section, the Medicaid managed care organizations and hospitals shall pay the amounts determined under the methodology, unless the Department waives the requirement to make the payments. The requirement may be waived if spending for the Medicaid program in fiscal year 2013 is less than the amount that is budgeted for that fiscal year. If payments are made, the amount received by the Department shall be deposited into the state treasury to the credit of the Health Care Compliance Fund created under section 5111.171 of the Revised Code.

(3)(a) The Department shall not provide funds to Medicaid managed care organizations under the Program unless an actuary selected by the Department certifies that the Program would not violate the actuarial soundness of the capitation rates paid to Medicaid managed care organizations.

(b) The Department shall not implement the Program in a manner that causes a hospital to receive less money from the Hospital Assessment Fund than the hospital would have received if the Program were not implemented.

(c) The Department shall not implement the Program in a manner that causes a Medicaid managed care organization to receive a lower capitation payment rate solely because funds are made

available to the organization under the Program. 139164

(d) The Department shall take all necessary actions to cease 139165
implementation of the Program if the United States Secretary 139166
determines that the assessment imposed under section 5112.41 of 139167
the Revised Code is an impermissible healthcare-related tax under 139168
section 1903(w) of the "Social Security Act," 105 Stat. 1793 139169
(1991), 42 U.S.C. 1396b(w), as amended. 139170

(F) The Director of Budget and Management may authorize 139171
additional expenditures from appropriation item 600623, Health 139172
Care Federal, and appropriation item 600656, Medicaid-Hospital, in 139173
order to implement the programs authorized by this section. Any 139174
amounts authorized are hereby appropriated. 139175

(G) Nothing in this section reduces payments authorized under 139176
appropriation line item 600537 for children's hospitals. 139177

Section 309.30.35. CONTINUATION OF MEDICAID RATES FOR 139178
HOSPITAL INPATIENT AND OUTPATIENT SERVICES 139179

The Director of Job and Family Services shall amend rules 139180
adopted under section 5111.02 of the Revised Code as necessary to 139181
continue, for the period beginning July 1, 2011, through June 30, 139182
2013, the Medicaid reimbursement rates in effect from October 1, 139183
2009, through June 30, 2011, for Medicaid-covered hospital 139184
inpatient services and hospital outpatient services that are paid 139185
under the prospective payment system established in those rules. 139186
The rates shall continue to be in effect, notwithstanding any 139187
policies or rules the Director adopts or amends pursuant to the 139188
section of this act titled "Reduction of Medicaid Expenditures." 139189

Section 309.30.40. MANAGED CARE PERFORMANCE PAYMENT PROGRAM 139190

At the beginning of each quarter, or as soon as possible 139191
thereafter, the Director of Job and Family Services shall certify 139192
to the Director of Budget and Management the amount withheld in 139193

accordance with section 5111.1711 of the Revised Code for purposes 139194
of the Managed Care Performance Payment Program. Upon receiving 139195
certification, the Director of Budget and Management shall 139196
transfer cash in the amount certified from the General Revenue 139197
Fund to the Managed Care Performance Payment Fund. The transferred 139198
cash is hereby appropriated. Appropriation item 600525, Health 139199
Care/Medicaid, is hereby reduced by the amount of the transfer. 139200

**Section 309.30.50. COORDINATION OF CARE FOR COVERED FAMILIES 139201
AND CHILDREN PENDING MEDICAID MANAGED CARE ENROLLMENT 139202**

(A) As used in this section, "Medicaid managed care" means 139203
the care management system established under section 5111.16 of 139204
the Revised Code. 139205

(B) The departments of Job and Family Services and Health 139206
shall work together on the issue of achieving efficiencies in the 139207
delivery of medical assistance provided under Medicaid to families 139208
and children. 139209

(C) As part of their work under division (B) of this section, 139210
the departments shall develop a proposal for coordinating medical 139211
assistance provided to families and children under Medicaid while 139212
they wait to be enrolled in Medicaid managed care. In developing 139213
the proposal, the departments may do the following: 139214

(1) Conduct research on the status of families and children 139215
waiting to be enrolled in Medicaid managed care, including 139216
research on the reasons for the wait and the utilization of 139217
medical assistance during the waiting period; 139218

(2) Conduct a review of ways to help families and children 139219
receive medical assistance in the most appropriate setting while 139220
they wait to be enrolled in Medicaid managed care; 139221

(3) Develop recommendations for a coordinated, cost-effective 139222
system of helping families and children waiting to be enrolled in 139223

Medicaid managed care find the medical assistance they need during 139224
the waiting period; 139225

(4) For the purpose of reducing the waiting period for 139226
enrollment in Medicaid managed care, develop recommendations for 139227
improving the enrollment processes. 139228

(D) As part of the work that is done under division (B) of 139229
this section, the Department of Job and Family Services may submit 139230
to the United States Secretary of Health and Human Services a 139231
request for a Medicaid state plan amendment to authorize payment 139232
for Medicaid-reimbursable targeted case management services that 139233
are provided in connection with the Help Me Grow Program and for 139234
services provided under the Program. Each quarter during fiscal 139235
year 2012 and fiscal year 2013 following approval of the Medicaid 139236
state plan amendment, the Department of Job and Family Services 139237
shall certify to the Director of Budget and Management the state 139238
and federal share of the amount the Department of Job and Family 139239
Services has expended that quarter for services under this 139240
section. On receipt of each quarterly certification to the 139241
Director of Budget and Management shall decrease appropriation 139242
from appropriation item 440459, Help Me Grow, an amount equal to 139243
the state share of the certified expenditures and increase 139244
appropriation item 600525, Health Care/Medicaid by an equal amount 139245
and adjust the Federal share accordingly. This transfer is not 139246
intended to reduce General Revenue Funds appropriated for the Help 139247
Me Grow Program, but is done solely for the purpose of drawing 139248
down the federal share of Medicaid reimbursement. 139249

shall be allocated to universities in proportion to their share of 141829
the total number of Doctoral I equivalent FTEs as calculated on an 141830
institutional basis using the greater of the two-year or five-year 141831
FTEs for the period fiscal year 1994 through fiscal year 1998 with 141832
annualized FTEs for fiscal years 1994 through 1997 and all-term 141833
FTEs for fiscal year 1998 as adjusted to reflect the effects of 141834
doctoral review and subsequent changes in Doctoral I equivalent 141835
enrollments. For the purposes of this calculation, Doctoral I 141836
equivalent FTEs shall equal the sum of Doctoral I FTEs plus 1.5 141837
times the sum of Doctoral II FTEs. 141838

(b) 15 per cent of the doctoral set-aside in fiscal year 2012 141839
and 20 per cent of the doctoral set-aside in fiscal year 2013 141840
shall be allocated to universities in proportion to each campus's 141841
share of the total statewide doctoral degrees, weighted by the 141842
cost of the doctoral discipline. In calculating each campus's 141843
doctoral degrees the Chancellor of the Board of Regents shall use 141844
the three-year average doctoral degrees awarded for the three-year 141845
period ending in the prior year. 141846

(c) 7.5 per cent of the doctoral set-aside in fiscal year 141847
2012 and 10 per cent of the doctoral set-aside in fiscal year 2013 141848
shall be allocated to universities in proportion to their share of 141849
research grant activity, using a data collection method that is 141850
reviewed and approved by the presidents of Ohio's doctoral degree 141851
granting universities. In the event that the data collection 141852
method is not available, funding for this component shall be 141853
allocated to universities in proportion to their share of research 141854

grant activity published by the National Science Foundation. Grant 141855
awards from the Department of Health and Human Services shall be 141856
weighted at 50 per cent. 141857

(d) 7.5 per cent of the doctoral set-aside in fiscal year 141858
2012 and 10 per cent of the doctoral set-aside in fiscal year 2013 141859
shall be allocated to universities based on other quality measures 141860
that contribute to the advancement of quality doctoral programs. 141861
These other quality measures shall be identified by the Chancellor 141862
in consultation with universities. If for any reason metrics for 141863
distributing the quality component of the doctoral set-aside are 141864
not identified prior to the fiscal year allocation process, this 141865
portion of the doctoral set-aside funds shall be allocated to 141866
universities based on division (D)(2)(a) of this section. 141867

(3) Of the foregoing appropriation item 235501, State Share 141868
of Instruction, 7.01 per cent of the appropriation for university 141869
main campuses in each fiscal year shall be reserved for support of 141870
Medical II FTEs. The amount so reserved shall be referred to as 141871
the medical II set-aside. 141872

The medical II set-aside shall be allocated to universities 141873
in proportion to their share of the total number of Medical II 141874
FTEs as calculated in division (A) of this section, weighted by 141875
model cost. 141876

The Northeast Ohio Medical University may use funds from the 141877
addition of 35 medical students resulting from its partnership 141878
with Cleveland State University to establish the Northeast Ohio 141879
Medical University academic campus at Cleveland State University 141880
to enable 50 per cent or more of the medical curriculum to be 141881
based in Cleveland at Cleveland State University, local hospitals, 141882
and community- and neighborhood-based primary care clinics. 141883
Cleveland State University shall not receive state capital 141884
appropriations to pay for facilities for the academic campus. 141885

(4) Of the foregoing appropriation item 235501, State Share 141886
of Instruction, 1.61 per cent of the appropriation for university 141887
main campuses in each fiscal year shall be reserved for support of 141888
Medical I FTEs. The amount so reserved shall be referred to as the 141889
medical I set-aside. 141890

The medical I set-aside shall be allocated to universities in 141891
proportion to their share of the total number of Medical I FTEs as 141892
calculated in division (A) of this section. 141893

(5) Of the foregoing appropriation item 235501, State Share 141894
of Instruction, 15 per cent of the fiscal year 2012 appropriation 141895
for university main campuses and 20 per cent of the fiscal year 141896
2013 appropriation for university main campuses shall be reserved 141897
for support of associate, baccalaureate, master's, and 141898
professional level degree attainment. 141899

The degree attainment funding shall be allocated to 141900
universities in proportion to each campus's share of the total 141901
statewide degrees granted, weighted by the cost of the degree 141902
programs. 141903

In calculating the subsidy entitlements for degree attainment 141904
at university main campuses, the Chancellor of the Board of 141905
Regents shall use the following count of degrees and degree costs: 141906

(a) For those associate degrees awarded by a state-supported 141907
university, the subsidy eligible degrees granted are defined as 141908
only those earned by students attending a university that received 141909
funding under GRF appropriation item 235418, Access Challenge, in 141910
fiscal year 2009. 141911

(b) For professional law and legal studies degrees awarded by 141912
a state-supported university, the subsidy-eligible degrees at each 141913
institution shall equal no more than the following: 141914

University of Akron	132	141915
University of Cincinnati	90	141916

Cleveland State University	192	141917
The Ohio State University	149	141918
University of Toledo	134	141919

(c) In calculating each campus's count of degrees, the
Chancellor of the Board of Regents shall use the three-year
average associate, baccalaureate, master's, and professional
degrees awarded for the three-year period ending in the prior
year.

(d) Eligible associate degrees defined in division (D)(5)(a)
of this section and all bachelor's degrees earned by a student
that either had an expected family contribution less than 2190,
was determined to have been in need of remedial education, is
Native American, African American, or Hispanic, or is at least age
26 at the time of graduation, shall be defined as degrees earned
by an at-risk student and shall be weighted by the following:

(i) A campus-specific degree completion index, where the
index is calculated based on the number of at-risk students
enrolled during a two-year degree cohort beginning in fiscal year
2000 or 2001 and earning a degree in eight years or less; and

(ii) A statewide average at-risk completion weight determined
by calculating the difference between the percentage of
traditional students who earned a degree and the percentage of
at-risk students who earned a degree during the same time period.

(6) Each campus's state share of instruction base formula
earnings shall be determined as follows:

(a) For each campus in each fiscal year, the instructional
costs shall be determined by multiplying the amounts listed above
in divisions (B) and (C) of this section by (i) average
subsidy-eligible FTEs for the two-year period ending in the prior
year for all models except Doctoral I and Doctoral II; and (ii)
average subsidy-eligible FTEs for the five-year period ending in

the prior year for all models except Doctoral I and Doctoral II. 141948

(b) The Chancellor of the Board of Regents shall compute the 141949
two calculations listed in division (D)(6)(a) of this section and 141950
use the greater amount as each campus's instructional costs. 141951

(c) The Chancellor of the Board of Regents shall compute a 141952
uniform state share of instructional costs for each sector. 141953

(i) For the state-supported community colleges, state 141954
community colleges, and technical colleges, the Chancellor of the 141955
Board of Regents shall compute the uniform state share of 141956
instructional costs by dividing the sector level appropriation 141957
total as determined by the Chancellor in division (A)(1) of 141958
Section 371.20.60 of this act and adjusted pursuant to divisions 141959
(B) and (C) of Section 371.20.60 of this act, less the student 141960
college success allocation as described in division (D)(1) of this 141961
section, by the sum of all eligible campuses' instructional costs 141962
as calculated in division (D)(6)(b) of this section. 141963

(ii) For the state-supported university branch campuses, the 141964
Chancellor of the Board of Regents shall compute the uniform state 141965
share of instructional costs by dividing the sector level 141966
appropriation, as determined by the Chancellor in division (A)(2) 141967
of Section 371.20.60 of this act and adjusted pursuant to division 141968
(B) of Section 371.20.60 of this act by the sum of all campuses' 141969
instructional costs as calculated in division (D)(6)(b) of this 141970
section. 141971

(iii) For the state-supported university main campuses, the 141972
Chancellor of the Board of Regents shall compute the uniform state 141973
share of instructional costs by dividing the sector level 141974
appropriation, as determined by the Chancellor in division (A)(3) 141975
of Section 371.20.60 of this act and adjusted pursuant to division 141976
(B) of Section 371.20.60 of this act, less the doctoral set-aside, 141977
less the medical I set-aside, less the medical II set-aside, and 141978

less the degree attainment funding as calculated in divisions 141979
(D)(2) to (5) of this section, by the sum of all campuses' 141980
instructional costs as calculated in division (D)(6)(b) of this 141981
section. 141982

(d) The formula entitlement for each sector's campuses shall 141983
be determined by multiplying the uniform state share of 141984
instructional costs calculated in division (D)(6)(c) of this 141985
section by the campus's instructional cost determined in division 141986
(D)(6)(b) of this section. 141987

(7) In addition to the student success allocation, doctoral 141988
set-aside, medical I set-aside, medical II set-aside, and the 141989
degree attainment allocation determined in divisions (D)(1) to (5) 141990
of this section and the formula entitlement determined in division 141991
(D)(6) of this section, an allocation based on facility-based 141992
plant operations and maintenance (POM) subsidy shall be made. For 141993
each eligible campus, the amount of the POM allocation in each 141994
fiscal year shall be distributed based on what each campus 141995
received in the fiscal year 2009 POM allocation. 141996

Any POM allocations required by this division shall be funded 141997
by proportionately reducing formula entitlement earnings, 141998
including the POM allocations, for all campuses in that sector. 141999

(8) STABILITY IN STATE SHARE OF INSTRUCTION FUNDING 142000

(a) In addition to and after the adjustments noted above, in 142001
fiscal year 2012, no campus shall receive a state share of 142002
instruction allocation that is less than the lesser of the 142003
following two amounts, net of funding for the medical II 142004
set-aside: 142005

(i) The prior year's state share of instruction amount 142006
reduced by 3 per cent, or 142007

(ii) The prior year's state share of instruction amount 142008
reduced by a percentage equal to the percentage change from the 142009

prior year in the campus's sector's state share of instruction 142010
funding minus three percentage points. Funds shall be made 142011
available to support this allocation by proportionately reducing 142012
formula entitlement earnings from those campuses, within each 142013
sector, that are not receiving stability funding. 142014

(b) In fiscal year 2013, in addition to and after the 142015
adjustments noted above, no campus shall receive a state share of 142016
instruction allocation that is less than the lesser of the 142017
following two amounts, net of funding for the medical II 142018
set-aside: 142019

(i) The prior year's state share of instruction amount 142020
reduced by 4 per cent, or 142021

(ii) The prior year's state share of instruction amount 142022
reduced by a percentage equal to the percentage change from the 142023
prior year in the campus's sector's state share of instruction 142024
funding minus four percentage points. Funds shall be made 142025
available to support this allocation by proportionately reducing 142026
formula entitlement earnings from those campuses, within each 142027
sector, that are not receiving stability funding. 142028

(c) For main campus universities that operate a medical 142029
school, in fiscal year 2012 no campus shall receive an allocation 142030
for the medical II set-aside that is less than the lesser of the 142031
following amounts: 142032

(i) The prior year's allocation for the medical II set-aside 142033
reduced by 2 per cent, or 142034

(ii) The prior year's allocation for the medical II set-aside 142035
reduced by a percentage equal to the percentage change from the 142036
prior year in the total medical II set-aside minus two percentage 142037
points. Funds shall be made available to support this allocation 142038
by proportionately reducing formula entitlement earnings from 142039
public medical schools, within each sector, that are not receiving 142040

stability funding. 142041

(d) In fiscal year 2013, no main campus university that 142042
operates a medical school shall receive an allocation for the 142043
medical II set-aside that is less than 97 per cent of the prior 142044
year's allocation for the medical II set-aside. Funds shall be 142045
made available to support this allocation by proportionately 142046
reducing formula entitlement earnings from public medical schools, 142047
within each sector, that are not receiving stability funding. 142048

(9) CAPITAL COMPONENT DEDUCTION 142049

After all other adjustments have been made, state share of 142050
instruction earnings shall be reduced for each campus by the 142051
amount, if any, by which debt service charged in Am. H.B. 748 of 142052
the 121st General Assembly, Am. Sub. H.B. 850 of the 122nd General 142053
Assembly, Am. Sub. H.B. 640 of the 123rd General Assembly, H.B. 142054
675 of the 124th General Assembly, Am. Sub. H.B. 16 of the 126th 142055
General Assembly, Am. Sub. H.B. 699 of the 126th General Assembly, 142056
Am. Sub. H.B. 496 of the 127th General Assembly, and Am. Sub. H.B. 142057
562 of the 127th General Assembly for that campus exceeds that 142058
campus's capital component earnings. The sum of the amounts 142059
deducted shall be transferred to appropriation item 235552, 142060
Capital Component, in each fiscal year. 142061

(E) EXCEPTIONAL CIRCUMSTANCES 142062

Adjustments may be made to the state share of instruction 142063
payments and other subsidies distributed by the Chancellor of the 142064
Board of Regents to state-assisted colleges and universities for 142065
exceptional circumstances. No adjustments for exceptional 142066
circumstances may be made without the recommendation of the 142067
Chancellor and the approval of the Controlling Board. 142068

(F) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF 142069
INSTRUCTION 142070

The standard provisions of the state share of instruction 142071

calculation as described in the preceding sections of temporary law shall apply to any reductions made to appropriation item 235501, State Share of Instruction, before the Chancellor of the Board of Regents has formally approved the final allocation of the state share of instruction funds for any fiscal year.

Any reductions made to appropriation item 235501, State Share of Instruction, after the Chancellor of the Board of Regents has formally approved the final allocation of the state share of instruction funds for any fiscal year, shall be uniformly applied to each campus in proportion to its share of the final allocation.

(G) DISTRIBUTION OF STATE SHARE OF INSTRUCTION

The state share of instruction payments to the institutions shall be in substantially equal monthly amounts during the fiscal year, unless otherwise determined by the Director of Budget and Management pursuant to section 126.09 of the Revised Code. Payments during the first six months of the fiscal year shall be based upon the state share of instruction appropriation estimates made for the various institutions of higher education according to the Chancellor of the Board of Regents enrollment estimates. Payments during the last six months of the fiscal year shall be distributed after approval of the Controlling Board upon the request of the Chancellor.

Section 371.20.65. TRANSFER OF INSTRUCTIONAL SUBSIDIES BETWEEN UNIVERSITIES 142130
142131

Notwithstanding any provision of law to the contrary, in 142132
consultation with the Chancellor of the Board of Regents, a 142133
state-supported university may request to transfer state share of 142134
instruction subsidy allocations of the foregoing appropriation 142135
item 235501, State Share of Instruction, between a university main 142136
campus and any university branch campus for which the university 142137
main campus is affiliated to best accomplish institutional goals 142138
and objectives. At the request of the Chancellor of the Board of 142139
Regents, the Director of Budget and Management may transfer the 142140
requested amounts of state share of instruction appropriation 142141
allocations between affiliated university branch campuses and 142142
university main campuses. 142143

Section 371.20.70. RESTRICTION ON FEE INCREASES 142144

The boards of trustees of state-assisted institutions of 142145
higher education shall restrain increases in in-state 142146
undergraduate instructional and general fees. Each state 142147
university, university branch, and the Northeast Ohio Medical 142148
University shall not increase its in-state undergraduate 142149
instructional and general fees more than 3.5 per cent over what 142150
the institution charged for the preceding academic year. 142151

Each community college, state community college, and 142152
technical college shall not increase its in-state undergraduate 142153
instructional and general fees by more than \$200 more than the 142154
institution charged for the preceding academic year. 142155

These limitations shall not apply to increases required to 142156
comply with institutional covenants related to their obligations 142157
or to meet unfunded legal mandates or legally binding obligations 142158
incurred or commitments made prior to the effective date of this 142159
section with respect to which the institution had identified such 142160
fee increases as the source of funds. Any increase required by 142161
such covenants and any such mandates, obligations, or commitments 142162

shall be reported by the Chancellor of the Board of Regents to the Controlling Board. These limitations may also be modified by the Chancellor of the Board of Regents, with the approval of the Controlling Board, to respond to exceptional circumstances as identified by the Chancellor of the Board of Regents.

Section 371.20.80. HIGHER EDUCATION - BOARD OF TRUSTEES

(A) Funds appropriated for instructional subsidies at colleges and universities may be used to provide such branch or other off-campus undergraduate courses of study and such master's degree courses of study as may be approved by the Chancellor of the Board of Regents.

(B) In providing instructional and other services to students, boards of trustees of state-assisted institutions of higher education shall supplement state subsidies with income from charges to students. Except as otherwise provided in this act, each board shall establish the fees to be charged to all students, including an instructional fee for educational and associated operational support of the institution and a general fee for noninstructional services, including locally financed student services facilities used for the benefit of enrolled students. The instructional fee and the general fee shall encompass all charges for services assessed uniformly to all enrolled students. Each board may also establish special purpose fees, service charges, and fines as required; such special purpose fees and service charges shall be for services or benefits furnished individual students or specific categories of students and shall not be applied uniformly to all enrolled students. A tuition surcharge shall be paid by all students who are not residents of Ohio.

The board of trustees of a state-assisted institution of higher education shall not authorize a waiver or nonpayment of instructional fees or general fees for any particular student or

any class of students other than waivers specifically authorized 142194
by law or approved by the Chancellor. This prohibition is not 142195
intended to limit the authority of boards of trustees to provide 142196
for payments to students for services rendered the institution, 142197
nor to prohibit the budgeting of income for staff benefits or for 142198
student assistance in the form of payment of such instructional 142199
and general fees. 142200

Each state-assisted institution of higher education in its 142201
statement of charges to students shall separately identify the 142202
instructional fee, the general fee, the tuition charge, and the 142203
tuition surcharge. Fee charges to students for instruction shall 142204
not be considered to be a price of service but shall be considered 142205
to be an integral part of the state government financing program 142206
in support of higher educational opportunity for students. 142207

(C) The boards of trustees of state-assisted institutions of 142208
higher education shall ensure that faculty members devote a proper 142209
and judicious part of their work week to the actual instruction of 142210
students. Total class credit hours of production per academic term 142211
per full-time faculty member is expected to meet the standards set 142212
forth in the budget data submitted by the Chancellor of the Board 142213
of Regents. 142214

(D) The authority of government vested by law in the boards 142215
of trustees of state-assisted institutions of higher education 142216
shall in fact be exercised by those boards. Boards of trustees may 142217
consult extensively with appropriate student and faculty groups. 142218
Administrative decisions about the utilization of available 142219
resources, about organizational structure, about disciplinary 142220
procedure, about the operation and staffing of all auxiliary 142221
facilities, and about administrative personnel shall be the 142222
exclusive prerogative of boards of trustees. Any delegation of 142223
authority by a board of trustees in other areas of responsibility 142224
shall be accompanied by appropriate standards of guidance 142225

concerning expected objectives in the exercise of such delegated authority and shall be accompanied by periodic review of the exercise of this delegated authority to the end that the public interest, in contrast to any institutional or special interest, shall be served.

Section 371.20.90. STUDENT SUPPORT SERVICES

The foregoing appropriation item 235502, Student Support Services, shall be distributed by the Chancellor of the Board of Regents to Ohio's state-assisted colleges and universities that incur disproportionate costs in the provision of support services to disabled students.

Section 371.30.10. WAR ORPHANS SCHOLARSHIPS

The foregoing appropriation item 235504, War Orphans Scholarships, shall be used to reimburse state-assisted institutions of higher education for waivers of instructional fees and general fees provided by them, to provide grants to institutions that have received a certificate of authorization from the Chancellor of the Board of Regents under Chapter 1713. of the Revised Code, in accordance with the provisions of section 5910.04 of the Revised Code, and to fund additional scholarship benefits provided by section 5910.032 of the Revised Code.

An amount equal to the unexpended, unencumbered portion of the foregoing appropriation item 235504, War Orphans Scholarships, at the end of fiscal year 2012 is hereby reappropriated to the Board of Regents for the same purpose for fiscal year 2013.

Section 371.30.20. OHIOLINK

The foregoing appropriation item 235507, OhioLINK, shall be used by the Chancellor of the Board of Regents to support OhioLINK, a consortium organized under division (U) of section

Section 387.20. COMMON SCHOOLS GENERAL OBLIGATION DEBT 143187

SERVICE 143188

The foregoing appropriation item 230908, Common Schools 143189
General Obligation Debt Service, shall be used to pay all debt 143190
service and related financing costs at the times they are required 143191
to be made during the period from July 1, 2011, through June 30, 143192
2013, for obligations issued under sections 151.01 and 151.03 of 143193
the Revised Code. 143194

OPERATING EXPENSES 143195

The foregoing appropriation item 230644, Operating Expenses, 143196
shall be used by the Ohio School Facilities Commission to carry 143197
out its responsibilities under this section and Chapter 3318. of 143198
the Revised Code. 143199

In both fiscal years 2012 and 2013, the Executive Director of 143200
the Ohio School Facilities Commission shall certify on a quarterly 143201
basis to the Director of Budget and Management the amount of cash 143202
from interest earnings to be transferred from the School Building 143203
Assistance Fund (Fund 7032), the Public School Building Fund (Fund 143204
7021), and the Educational Facilities Trust Fund (Fund N087) to 143205
the Ohio School Facilities Commission Fund (Fund 5E30). The amount 143206
transferred from the School Building Assistance Fund (Fund 7032) 143207
may not exceed investment earnings credited to the fund, less any 143208
amount required to be paid for federal arbitrage rebate purposes. 143209

If the Executive Director of the Ohio School Facilities 143210
Commission determines that transferring cash from interest 143211
earnings is insufficient to support operations and carry out its 143212
responsibilities under this section and Chapter 3318. of the 143213

Revised Code, the Commission may, with the approval of the 143214
Controlling Board, transfer cash not generated from interest from 143215
the Public School Building Fund (Fund 7021) and the Educational 143216
Trust Fund (Fund N087) to the Ohio School Facilities Commission 143217
Fund (Fund 5E30). 143218

SCHOOL FACILITIES ENCUMBRANCES AND REAPPROPRIATION 143219

At the request of the Executive Director of the Ohio School 143220
Facilities Commission, the Director of Budget and Management may 143221
cancel encumbrances for school district projects from a previous 143222
biennium if the district has not raised its local share of project 143223
costs within thirteen months of receiving Controlling Board 143224
approval under section 3318.05 or 3318.41 of the Revised Code. The 143225
Executive Director of the Ohio School Facilities Commission shall 143226
certify the amounts of the canceled encumbrances to the Director 143227
of Budget and Management on a quarterly basis. The amounts of the 143228
canceled encumbrances are hereby appropriated. 143229

Section 387.30. AMENDMENT TO PROJECT AGREEMENT FOR 143230
MAINTENANCE LEVY 143231

The Ohio School Facilities Commission shall amend the project 143232
agreement between the Commission and a school district that is 143233
participating in the Accelerated Urban School Building Assistance 143234
Program on the effective date of this section, if the Commission 143235
determines that it is necessary to do so in order to comply with 143236
division (B)(3)(c) of section 3318.38 of the Revised Code. 143237

Section 387.40. CANTON CITY SCHOOL DISTRICT PROJECT 143238

(A) The Ohio School Facilities Commission may commit up to 143239
thirty-five million dollars to the Canton City School District for 143240
construction of a facility described in this section, in lieu of a 143241
high school that would otherwise be authorized under Chapter 3318. 143242
of the Revised Code. The Commission shall not commit funds under 143243

this section unless all of the following conditions are met: 143244

(1) The District has entered into a cooperative agreement 143245
with a state-assisted technical college; 143246

(2) The District has received an irrevocable commitment of 143247
additional funding from nonpublic sources; and 143248

(3) The facility is intended to serve both secondary and 143249
postsecondary instructional purposes. 143250

(B) The Commission shall enter into an agreement with the 143251
District for the construction of the facility authorized under 143252
this section that is separate from and in addition to the 143253
agreement required for the District's participation in the 143254
Classroom Facilities Assistance Program under section 3318.08 of 143255
the Revised Code. Notwithstanding that section and sections 143256
3318.03, 3318.04, and 3318.083 of the Revised Code, the additional 143257
agreement shall provide, but not be limited to, the following: 143258

(1) The Commission shall not have any oversight 143259
responsibilities over the construction of the facility. 143260

(2) The facility need not comply with the specifications for 143261
plans and materials for high schools adopted by the Commission. 143262

(3) The Commission may decrease the basic project cost that 143263
would otherwise be calculated for a high school under Chapter 143264
3318. of the Revised Code. 143265

(4) The state shall not share in any increases in the basic 143266
project cost for the facility above the amount authorized under 143267
this section. 143268

All other provisions of Chapter 3318. of the Revised Code 143269
apply to the approval and construction of a facility authorized 143270
under this section. 143271

The state funds committed to the facility authorized by this 143272
section shall be part of the total amount the state commits to the 143273

Canton City School District under Chapter 3318. of the Revised Code. All additional state funds committed to the Canton City School District for classroom facilities assistance shall be subject to all provisions of Chapter 3318. of the Revised Code.

Section 387.50. Notwithstanding any other provision of law to the contrary, the Ohio School Facilities Commission may determine the amount of funding available for disbursement in a given fiscal year for any project approved under sections 3318.01 to 3318.20 of the Revised Code in order to keep aggregate state capital spending within approved limits and may take actions including, but not limited to, determining the schedule for design or bidding of approved projects, to ensure appropriate and supportable cash flow.

Section 387.60. Notwithstanding division (B) of section 3318.40 of the Revised Code, the Ohio School Facilities Commission may provide assistance to at least one joint vocational school district each fiscal year for the acquisition of classroom facilities in accordance with sections 3318.40 to 3318.45 of the Revised Code.

Section 387.70. (A) As used in this section, "equity list" means the school district percentile rankings calculated under section 3318.011 of the Revised Code.

(B) Not later than thirty days after the effective date of this section, the Department of Education shall create an alternate equity list for fiscal year 2011, for use in funding projects for fiscal year 2012, by recalculating each school district's percentile ranking under section 3318.011 of the Revised Code and shall certify the alternate equity list to the Ohio School Facilities Commission. For this purpose, the Department shall recalculate each school district's percentile

ranking using the district's "average taxable value" as that term 143304
is defined in the version of section 3318.011 of the Revised Code, 143305
as it results from the amendments to that section enacted by this 143306
act. 143307

(C) The Commission shall use the alternate equity list 143308
certified under division (B) of this section to determine the 143309
priority for assistance under sections 3318.01 to 3318.20 of the 143310
Revised Code for fiscal year 2012 for each school district that 143311
has not previously been offered funding under those sections. 143312
However, no district that already has been offered assistance 143313
under those sections for fiscal year 2011 prior to the 143314
Commission's receipt of the alternate equity list shall be denied 143315
the opportunity for assistance under those sections for that 143316
fiscal year. 143317

(D) Notwithstanding any provision of Chapter 3318. of the 143318
Revised Code to the contrary, for each school district that 143319
receives the Commission's conditional approval of the district's 143320
project under sections 3318.01 to 3318.20 of the Revised Code for 143321
fiscal year 2012, the district's portion of the basic project cost 143322
shall be the lesser of the following: 143323

(1) The amount required under section 3318.032 of the Revised 143324
Code calculated using the percentile in which the district ranks 143325
on the alternate equity list certified under division (B) of this 143326
section; 143327

(2) The amount required under section 3318.032 of the Revised 143328
Code calculated using the percentile in which the district ranks 143329
on the original equity list for fiscal year 2011. 143330

entered into. Nothing contained in this section is intended to 143894

against it. 143898

Section 503.30. CAPITAL PROJECT SETTLEMENTS 143899

This section specifies an additional and supplemental 143900
procedure to provide for payments of judgments and settlements if 143901
the Director of Budget and Management determines, pursuant to 143902
division (C)(4) of section 2743.19 of the Revised Code, that 143903
sufficient unencumbered moneys do not exist in the fund to support 143904
a particular appropriation to pay the amount of a final judgment 143905
rendered against the state or a state agency, including the 143906
settlement of a claim approved by a court, in an action upon and 143907
arising out of a contractual obligation for the construction or 143908
improvement of a capital facility if the costs under the contract 143909
were payable in whole or in part from a state capital projects 143910
appropriation. In such a case, the Director may either proceed 143911
pursuant to division (C)(4) of section 2743.19 of the Revised Code 143912
or apply to the Controlling Board to increase an appropriation or 143913
create an appropriation out of any unencumbered moneys in the 143914
state treasury to the credit of the capital projects fund from 143915
which the initial state appropriation was made. The amount of an 143916
increase in appropriation or new appropriation approved by the 143917
Controlling Board is hereby appropriated from the applicable 143918
capital projects fund and made available for the payment of the 143919
judgment or settlement. 143920

If the Director does not make the application authorized by 143921
this section or the Controlling Board disapproves the application, 143922
and the Director does not make application under division (C)(4) 143923
of section 2743.19 of the Revised Code, the Director shall for the 143924
purpose of making that payment make a request to the General 143925
Assembly as provided for in division (C)(5) of that section. 143926

Section 503.40. RE-ISSUANCE OF VOIDED WARRANTS 143927

In order to provide funds for the reissuance of voided 143928

warrants under section 126.37 of the Revised Code, there is hereby 143929
appropriated, out of moneys in the state treasury from the fund 143930
credited as provided in section 126.37 of the Revised Code, that 143931
amount sufficient to pay such warrants when approved by the Office 143932
of Budget and Management. 143933

Section 503.50. REAPPROPRIATION OF UNEXPENDED ENCUMBERED 143934
BALANCES OF OPERATING APPROPRIATIONS 143935

(A) An unexpended balance of an operating appropriation or 143936
reappropriation that a state agency lawfully encumbered prior to 143937

it was originally appropriated or reappropriated for the following 143940
period and shall remain available only for the purpose of 143941
discharging the encumbrance: 143942

or in the open market or for reclamation of land or oil and gas 143946
wells, for a period of not more than five months from the end of 143947
the fiscal year; 143948

(2) For an encumbrance for an item of special order 143949
manufacture not available on term contract or in the open market, 143950

fiscal year or, with the written approval of the Director of 143952
Budget and Management, for a period of not more than twelve months 143953
from the end of the fiscal year; 143954

(3) For an encumbrance for reclamation of land or oil and gas 143955

of the Revised Code applies to tax years 2011 and thereafter. 147461

Section 757.90. For the purposes of this section, 147462

319.301, 3305.08, 3307.41, 3309.66, 3316.041, 3316.06, 3316.08, 147466
3317.08, 5505.22, 5705.214, 5705.29, 5748.01, 5748.05, 5748.081, 147467

certified and securities authorized or issued pursuant to those 147475
proceedings, notwithstanding any law, resolution, ordinance, 147476
order, advertisement, notice, or other proceeding in effect before 147477
that effective date. Any proceedings pending or in progress on, or 147478

other respects, if the proceedings are filed with a board of 147487
elections in anticipation of the taking effect of those amendments 147488
and enactments and in a manner that would be valid if the 147489
amendments and enactments took effect on the date they became law, 147490
then that board of elections, so long as it received a 147491
confirmation stating an intention to proceed from or on behalf of 147492
the board of education within five business days after the 147493
effective date of the amendments and enactments shall accept the 147494

amended by this act, or any charter, order, resolution, or 147506
ordinance; and those amendments and enactments shall not be 147507

or ordinances. 147510

Section 759.10. As the terms of members who hold additional 147511
memberships on a veterans service commission under section 147512

membership of the commission shall be constituted only as 147515
prescribed in section 5901.02 of the Revised Code. 147516

items of law contained in this act and their applications that can 147540
be given effect without the invalid item of law or application. 147541

Section 809.10. An item of law, other than an amending, 147542
enacting, or repealing clause, that composes the whole or part of 147543
an uncodified section contained in this act has no effect after 147544
June 30, 2013, unless its context clearly indicates otherwise. 147545
