request for an informal hearing before the chief within that 31456
thirty-day period. At the hearing the person may present evidence 31457
as to why the preliminary order should be revoked or modified. 31458
Based upon the findings from the informal hearing, the chief shall 31459
revoke, issue, or modify and issue the preliminary order as a 31460
final order. A final order may be appealed under sections 1509.36 31461
and 1509.37 of the Revised Code. 31462

Sec. 1509.225. (A) Before being issued a registration 31463
certificate under section 1509.222 of the Revised Code, an 31464
applicant shall execute and file with the division of ~~mineral oil~~ 31465
and gas resources management a surety bond for fifteen thousand 31466

dollars to provide compensation for damage and injury resulting 31467
from transporters' violations of sections 1509.22, 1509.222, and 31468
1509.223 of the Revised Code, all rules and orders of the chief of 31469
the division of ~~mineral resource~~ oil and gas resources management 31470
relating thereto, and all terms and conditions of the registration 31471
certificate imposed thereunder. The applicant may deposit with the 31472
chief, in lieu of a surety bond, cash in an amount equal to the 31473
surety bond as prescribed in this section, or negotiable 31474
certificates of deposit issued by any bank organized or 31475
transacting business in this state, or certificates of deposit 31476
issued by any building and loan association as defined in section 31477
1151.01 of the Revised Code, having a cash value equal to or 31478
greater than the amount of the surety bond as prescribed in this 31479
section. Cash or certificates of deposit shall be deposited upon 31480
the same terms as those upon which surety bonds may be deposited. 31481
If certificates of deposit are deposited with the chief in lieu of 31482
a surety bond, the chief shall require the bank or building and 31483
loan association that issued any such certificate to pledge 31484
securities of a cash value equal to the amount of the certificate 31485
that is in excess of the amount insured by any of the agencies and 31486
instrumentalities created under the "Federal Deposit Insurance 31487
Act," 64 Stat. 873 (1950), 12 U.S.C. 1811, as amended, and 31488
regulations adopted under it, including at least the federal 31489
deposit insurance corporation, bank insurance fund, and savings 31490
association insurance fund. 31491

Such securities shall be security for the repayment of the 31492
certificate of deposit. Immediately upon a deposit of cash or 31493
certificates with the chief, the chief shall deliver it to the 31494
treasurer of state who shall hold it in trust for the purposes for 31495
which it has been deposited. 31496

(B) The surety bond provided for in this section shall be 31497
executed by a surety company authorized to do business in this 31498

state. The chief shall not approve any bond until it is personally 31499
signed and acknowledged by both principal and surety, or as to 31500
either by an attorney in fact, with a certified copy of the power 31501
of attorney attached thereto. The chief shall not approve the bond 31502
unless there is attached a certificate of the superintendent of 31503
insurance that the company is authorized to transact a fidelity 31504
and surety business in this state. All bonds shall be given in a 31505
form to be prescribed by the chief. 31506

(C) If a registered transporter is found liable for a 31507
violation of section 1509.22, 1509.222, or 1509.223 of the Revised 31508
Code or a rule, order, or term or condition of a certificate 31509
involving, in any case, damage or injury to persons or property, 31510
or both, the court may order the forfeiture of any portion of the 31511
bond, cash, or other securities required by this section in full 31512
or partial payment of damages to the person to whom the damages 31513
are due. The treasurer of state and the chief shall deliver the 31514
bond or any cash or other securities deposited in lieu of bond, as 31515
specified in the court's order, to the person to whom the damages 31516
are due; however, execution against the bond, cash, or other 31517
securities, if necessary, is the responsibility of the person to 31518
whom the damages are due. The chief shall not release the bond, 31519
cash, or securities required by this section except by court order 31520
or until the registration is terminated. 31521

Sec. 1509.226. (A) If a board of county commissioners, a 31522
board of township trustees, or the legislative authority of a 31523
municipal corporation wishes to permit the surface application of 31524
brine to roads, streets, highways, and other similar land surfaces 31525
it owns or has the right to control for control of dust or ice, it 31526
may adopt a resolution permitting such application as provided in 31527
this section. If a board or legislative authority does not adopt 31528
such a resolution, then no such surface application of brine is 31529
permitted on such roads, streets, highways, and other similar 31530

surfaces. If a board or legislative authority votes on a proposed 31531
resolution to permit such surface application of brine, but the 31532
resolution fails to receive the affirmative vote of a majority of 31533
the board or legislative authority, the board or legislative 31534
authority shall not adopt such a resolution for one year following 31535
the date on which the vote was taken. A board or legislative 31536
authority shall hold at least one public hearing on any proposal 31537
to permit surface application of brine under this division and may 31538
hold additional hearings. The board or legislative authority shall 31539
publish notice of the time and place of each such public hearing 31540
in a newspaper of general circulation in the political subdivision 31541
at least five days before the day on which the hearing is to be 31542
held. 31543

(B) If a board or legislative authority adopts a resolution 31544
permitting the surface application of brine to roads, streets, 31545
highways, and other similar land surfaces under division (A) of 31546
this section, the board or legislative authority shall, within 31547
thirty days after the adoption of the resolution, prepare and 31548
submit to the chief of the division of ~~mineral~~ oil and gas 31549
resources management a copy of the resolution. Any department, 31550
agency, or instrumentality of this state or the United States that 31551
wishes to permit the surface application of brine to roads, 31552
streets, highways, and other similar land surfaces it owns or has 31553
a right to control shall prepare and submit guidelines for such 31554
application, but need not adopt a resolution under division (A) of 31555
this section permitting such surface application. 31556

All resolutions and guidelines shall be subject to the 31557
following standards: 31558

- (1) Brine shall not be applied: 31559
 - (a) To a water-saturated surface; 31560
 - (b) Directly to vegetation near or adjacent to surfaces being 31561

treated;	31562
(c) Within twelve feet of structures crossing bodies of water or crossing drainage ditches;	31563 31564
(d) Between sundown and sunrise, except for ice control.	31565
(2) The discharge of brine through the spreader bar shall stop when the application stops.	31566 31567
(3) The applicator vehicle shall be moving at least five miles per hour at all times while the brine is being applied.	31568 31569
(4) The maximum spreader bar nozzle opening shall be three-quarters of an inch in diameter.	31570 31571
(5) The maximum uniform application rate of brine shall be three thousand gallons per mile on a twelve-foot-wide road or three gallons per sixty square feet on unpaved lots.	31572 31573 31574
(6) The applicator vehicle discharge valve shall be closed between the brine collection point and the specific surfaces that have been approved for brine application.	31575 31576 31577
(7) Any valves that provide for tank draining other than through the spreader bar shall be closed during the brine application and transport.	31578 31579 31580
(8) The angle of discharge from the applicator vehicle spreader bar shall not be greater than sixty degrees from the perpendicular to the unpaved surface.	31581 31582 31583
(9) Only the last twenty-five per cent of an applicator vehicle's contents shall be allowed to have a pressure greater than atmospheric pressure; therefore, the first seventy-five per cent of the applicator vehicle's contents shall be discharged under atmospheric pressure.	31584 31585 31586 31587 31588
(10) Only brine that is produced from a well shall be allowed to be spread on a road. Fluids from the drilling of a well, flowback from the stimulation of a well, and other fluids used to	31589 31590 31591

treat a well shall not be spread on a road. 31592

If a resolution or guidelines contain only the standards 31593
listed in ~~division~~ divisions (B)(1) to (10) of this section, 31594
without addition or qualification, the resolution or guidelines 31595
shall be deemed effective when submitted to the chief without 31596
further action by the chief. All other resolutions and guidelines 31597
shall comply with and be no less stringent than this chapter, 31598
rules concerning surface application that the chief shall adopt 31599
under division (C) of section 1509.22 of the Revised Code, and 31600
other rules of the chief. Within fifteen days after receiving such 31601
other resolutions and guidelines, the chief shall review them for 31602
compliance with the law and rules and disapprove them if they do 31603
not comply. 31604

The board, legislative authority, or department, agency, or 31605
instrumentality may revise and resubmit any resolutions or 31606
guidelines that the chief disapproves after each disapproval, and 31607
the chief shall again review and approve or disapprove them within 31608
fifteen days after receiving them. The board, legislative 31609
authority, or department, agency, or instrumentality may amend any 31610
resolutions or guidelines previously approved by the chief and 31611
submit them, as amended, to the chief. The chief shall receive, 31612
review, and approve or disapprove the amended resolutions or 31613
guidelines on the same basis and in the same time as original 31614
resolutions or guidelines. The board, legislative authority, or 31615
department, agency, or instrumentality shall not implement amended 31616
resolutions or guidelines until they are approved by the chief 31617
under this division. 31618

(C) Any person, other than a political subdivision required 31619
to adopt a resolution under division (A) of this section or a 31620
department, agency, or instrumentality of this state or the United 31621
States, who owns or has a legal right or obligation to maintain a 31622
road, street, highway, or other similar land surface may file with 31623

the board of county commissioners a written plan for the 31624
application of brine to the road, street, highway, or other 31625
surface. The board need not approve any such plans, but if it 31626
approves a plan, the plan shall comply with this chapter, rules 31627
adopted thereunder, and the board's resolutions, if any. 31628
Disapproved plans may be revised and resubmitted for the board's 31629
approval. Approved plans may also be revised and submitted to the 31630
board. A plan or revised plan shall do all of the following: 31631

(1) Identify the sources of brine to be used under the plan; 31632

(2) Identify by name, address, and registration certificate, 31633
if applicable, any transporters of the brine; 31634

(3) Specifically identify the places to which the brine will 31635
be applied; 31636

(4) Specifically describe the method, rate, and frequency of 31637
application. 31638

(D) The board may attach terms and conditions to approval of 31639
a plan, or revised plan, and may revoke approval for any violation 31640
of this chapter, rules adopted thereunder, resolutions adopted by 31641
the board, or terms or conditions attached by the board. The board 31642
shall conduct at least one public hearing before approving a plan 31643
or revised plan, publishing notice of the time and place of each 31644
such public hearing in a newspaper of general circulation in the 31645
county at least five days before the day on which the hearing is 31646
to be held. The board shall record the filings of all plans and 31647
revised plans in its journal. The board shall approve, disapprove, 31648
or revoke approval of a plan or revised plan by the adoption of a 31649
resolution. Upon approval of a plan or revised plan, the board 31650
shall send a copy of the plan to the chief. Upon revoking approval 31651
of a plan or revised plan, the board shall notify the chief of the 31652
revocation. 31653

(E) No person shall: 31654

(1) Apply brine to a water-saturated surface; 31655

(2) Apply brine directly to vegetation adjacent to the 31656
surface of roads, streets, highways, and other surfaces to which 31657
brine may be applied. 31658

(F) Each political subdivision that adopts a resolution under 31659
divisions (A) and (B) of this section, each department, agency, or 31660
instrumentality of this state or the United States that submits 31661
guidelines under division (B) of this section, and each person who 31662
files a plan under divisions (C) and (D) of this section shall, on 31663
or before the fifteenth day of April of each year, file a report 31664
with the chief concerning brine applied within the person's or 31665
governmental entity's jurisdiction, including the quantities 31666
transported and the sources and application points during the last 31667
preceding calendar year and such other information in such form as 31668
the chief requires. 31669

(G) Any political subdivision or department, agency, or 31670
instrumentality of this state or the United States that applies 31671
brine under this section may do so with its own personnel, 31672
vehicles, and equipment without registration under or compliance 31673
with section 1509.222 or 1509.223 of the Revised Code and without 31674
the necessity for filing the surety bond or other security 31675
required by section 1509.225 of the Revised Code. However, each 31676
such entity shall legibly identify vehicles used to apply brine 31677
with reflective paint in letters no less than four inches in 31678
height, indicating the word "brine" and that the vehicle is a 31679
vehicle of the political subdivision, department, agency, or 31680
instrumentality. Except as stated in this division, such entities 31681
shall transport brine in accordance with sections 1509.22 to 31682
1509.226 of the Revised Code. 31683

(H) A surface application plan filed for approval under 31684
division (C) of this section shall be accompanied by a 31685
nonrefundable fee of fifty dollars, which shall be credited to the 31686

general fund of the county. An approved plan is valid for one year 31687
from the date of its approval unless it is revoked before that 31688
time. An approved revised plan is valid for the remainder of the 31689
term of the plan it supersedes unless it is revoked before that 31690
time. Any person who has filed such a plan or revised plan and had 31691
it approved may renew it by refiling it in accordance with 31692
divisions (C) and (D) of this section within thirty days before 31693
any anniversary of the date on which the original plan was 31694
approved. The board shall notify the chief of renewals and 31695
nonrenewals of plans. Even if a renewed plan is approved under 31696
those divisions, the plan is not effective until notice is 31697
received by the chief, and until notice is received, the chief 31698
shall enforce this chapter and rules adopted thereunder with 31699
regard to the affected roads, streets, highways, and other similar 31700
land surfaces as if the plan had not been renewed. 31701

(I) A resolution adopted under division (A) of this section 31702
by a board or legislative authority shall be effective for one 31703
year following the date of its adoption and from month to month 31704
thereafter until the board or legislative authority, by 31705
resolution, terminates the authority granted in the original 31706
resolution. The termination shall be effective not less than seven 31707
days after enactment of the resolution, and a copy of the 31708
resolution shall be sent to the chief. 31709

Sec. 1509.23. (A) Rules of the chief of the division of 31710
~~mineral oil and gas~~ resources management may specify practices to 31711
be followed in the drilling and treatment of wells, production of 31712
oil and gas, and plugging of wells for protection of public health 31713
or safety or to prevent damage to natural resources, including 31714
specification of the following: 31715

(1) Appropriate devices; 31716

(2) Minimum distances that wells and other excavations, 31717

structures, and equipment shall be located from water wells, 31718
streets, roads, highways, rivers, lakes, streams, ponds, other 31719
bodies of water, railroad tracks, public or private recreational 31720
areas, zoning districts, and buildings or other structures. Rules 31721
adopted under division (A)(2) of this section shall not conflict 31722
with section 1509.021 of the Revised Code. 31723

(3) Other methods of operation; 31724

(4) Procedures, methods, and equipment and other requirements 31725
for equipment to prevent and contain discharges of oil and brine 31726
from oil production facilities and oil drilling and workover 31727
facilities consistent with and equivalent in scope, content, and 31728
coverage to section 311(j)(1)(c) of the "Federal Water Pollution 31729
Control Act Amendments of 1972," 86 Stat. 886, 33 U.S.C.A. 1251, 31730
as amended, and regulations adopted under it. In addition, the 31731
rules may specify procedures, methods, and equipment and other 31732
requirements for equipment to prevent and contain surface and 31733
subsurface discharges of fluids, condensates, and gases. 31734

(5) Notifications. 31735

(B) The chief, in consultation with the emergency response 31736
commission created in section 3750.02 of the Revised Code, shall 31737
adopt rules in accordance with Chapter 119. of the Revised Code 31738
that specify the information that shall be included in an 31739
electronic database that the chief shall create and host. The 31740
information shall be that which the chief considers to be 31741
appropriate for the purpose of responding to emergency situations 31742
that pose a threat to public health or safety or the environment. 31743
At the minimum, the information shall include that which a person 31744
who is regulated under this chapter is required to submit under 31745
the "Emergency Planning and Community Right-To-Know Act of 1986," 31746
100 Stat. 1728, 42 U.S.C.A. 11001, and regulations adopted under 31747
it. 31748

In addition, the rules shall specify whether and to what extent the database and the information that it contains will be made accessible to the public. The rules shall ensure that the database will be made available via the internet or a system of computer disks to the emergency response commission and to every local emergency planning committee and fire department in this state.

Sec. 1509.24. (A) The chief of the division of ~~mineral oil~~ and gas resources management, with the approval of the technical advisory council on oil and gas created in section 1509.38 of the Revised Code, may adopt, amend, or rescind rules relative to minimum acreage requirements for drilling units and minimum distances from which a new well may be drilled or an existing well deepened, plugged back, or reopened to a source of supply different from the existing pool from boundaries of tracts, drilling units, and other wells for the purpose of conserving oil and gas reserves. The rules relative to minimum acreage requirements for drilling units shall require a drilling unit to be compact and composed of contiguous land.

(B) Rules adopted under this section and special orders made under section 1509.25 of the Revised Code shall apply only to new wells to be drilled or existing wells to be deepened, plugged back, or reopened to a source of supply different from the existing pool for the purpose of extracting oil or gas in their natural state.

Sec. 1509.25. The chief of the division of ~~mineral oil~~ and gas resources management, upon the chief's own motion or upon application of an owner, may hold a hearing to consider the need or desirability of adopting a special order for drilling unit requirements in a particular pool different from those established under section 1509.24 of the Revised Code. The chief shall notify

every owner of land within the area proposed to be included within 31780
the order, of the date, time, and place of the hearing and the 31781
nature of the order being considered at least thirty days prior to 31782
the date of the hearing. Each application for such an order shall 31783
be accompanied by such information as the chief may request. If 31784
the chief finds that the pool can be defined with reasonable 31785
certainty, that the pool is in the initial state of development, 31786
and that the establishment of such different requirements for 31787
drilling a well on a tract or drilling unit in ~~such~~ the pool is 31788
reasonably necessary to protect correlative rights or to provide 31789
effective development, use, or conservation of oil and gas, the 31790
chief, with the written approval of the technical advisory council 31791
on oil and gas created in section 1509.38 of the Revised Code, 31792
shall make a special order designating the area covered by the 31793
order, and specifying the acreage requirements for drilling a well 31794
on a tract or drilling unit in ~~such~~ the area, which acreage 31795
requirements shall be uniform for the entire pool. The order shall 31796
specify minimum distances from the boundary of the tract or 31797
drilling unit for the drilling of wells and minimum distances from 31798
other wells and allow exceptions for wells drilled or drilling in 31799
a particular pool at the time of the filing of the application. 31800
The chief may exempt the discovery well from minimum acreage and 31801
distance requirements in the order. After the date of the notice 31802
for a hearing called to make ~~such~~ the order, no additional well 31803
shall be commenced in the pool for a period of sixty days or until 31804
an order has been made pursuant to the application, whichever is 31805
earlier. The chief, upon the chief's own motion or upon 31806
application of an owner, after a hearing and with the approval of 31807
the technical advisory council on oil and gas, may include 31808
additional lands determined to be underlaid by a particular pool 31809
or to exclude lands determined not to be underlaid by a particular 31810
pool, and may modify the spacing and acreage requirements of the 31811
order. 31812

Nothing in this section permits the chief to establish 31813
drilling units in a pool by requiring the use of a survey grid 31814
coordinate system with fixed or established unit boundaries. 31815

Sec. 1509.26. The owners of adjoining tracts may agree to 31816
pool ~~such~~ the tracts to form a drilling unit that conforms to the 31817
minimum acreage and distance requirements of the division of 31818
~~mineral oil and gas~~ resources management under section 1509.24 or 31819
1509.25 of the Revised Code. ~~Such~~ The agreement shall be in 31820
writing, a copy of which shall be submitted to the division with 31821
the application for a permit required by section 1509.05 of the 31822
Revised Code. Parties to the agreement shall designate one of 31823
their number as the applicant for ~~such~~ the permit. 31824

Sec. 1509.27. If a tract of land is of insufficient size or 31825
shape to meet the requirements for drilling a well thereon as 31826
provided in section 1509.24 or 1509.25 of the Revised Code, 31827
whichever is applicable, and the owner of the tract who also is 31828
the owner of the mineral interest has been unable to form a 31829
drilling unit under agreement as provided in section 1509.26 of 31830
the Revised Code, on a just and equitable basis, such an owner may 31831
make application to the division of ~~mineral oil and gas~~ resources 31832
management for a mandatory pooling order. 31833

The application shall include information as shall be 31834
reasonably required by the chief of the division of ~~mineral oil~~ 31835
and gas resources management and shall be accompanied by an 31836
application for a permit as required by section 1509.05 of the 31837
Revised Code. The chief shall notify all owners of land within the 31838
area proposed to be included within the drilling unit of the 31839
filing of the application and of their right to a hearing. After 31840
the hearing or after the expiration of thirty days from the date 31841
notice of application was mailed to such owners, the chief, if 31842
satisfied that the application is proper in form and that 31843

mandatory pooling is necessary to protect correlative rights and 31844
to provide effective development, use, and conservation of oil and 31845
gas, shall issue a drilling permit and a mandatory pooling order 31846
complying with the requirements for drilling a well as provided in 31847
section 1509.24 or 1509.25 of the Revised Code, whichever is 31848
applicable. The mandatory pooling order shall: 31849

(A) Designate the boundaries of the drilling unit within 31850
which the well shall be drilled; 31851

(B) Designate the proposed production site; 31852

(C) Describe each separately owned tract or part thereof 31853
pooled by the order; 31854

(D) Allocate on a surface acreage basis a pro rata portion of 31855
the production to the owner of each tract pooled by the order. The 31856
pro rata portion shall be in the same proportion that the 31857
percentage of the owner's acreage is to the state minimum acreage 31858
requirements established in rules adopted under this chapter for a 31859
drilling unit unless the applicant demonstrates to the chief using 31860
geological evidence that the geologic structure containing the oil 31861
or gas is larger than the minimum acreage requirement in which 31862
case the pro rata portion shall be in the same proportion that the 31863
percentage of the owner's acreage is to the geologic structure. 31864

(E) Specify the basis upon which each owner of a tract pooled 31865
by the order shall share all reasonable costs and expenses of 31866
drilling and producing if the owner elects to participate in the 31867
drilling and operation of the well; 31868

(F) Designate the person to whom the permit shall be issued. 31869

A person shall not submit more than five applications for 31870
mandatory pooling orders per year under this section unless 31871
otherwise approved by the chief. 31872

No surface operations or disturbances to the surface of the 31873

land shall occur on a tract pooled by an order without the written 31874
consent of or a written agreement with the owner of the tract that 31875
approves the operations or disturbances. 31876

If an owner of a tract pooled by the order does not elect to 31877
participate in the risk and cost of the drilling and operation of 31878
a well, the owner shall be designated as a nonparticipating owner 31879
in the drilling and operation of the well on a limited or carried 31880
basis and is subject to terms and conditions determined by the 31881
chief to be just and reasonable. In addition, if an owner is 31882
designated as a nonparticipating owner, the owner is not liable 31883
for actions or conditions associated with the drilling or 31884
operation of the well. If the applicant bears the costs of 31885
drilling, equipping, and operating a well for the benefit of a 31886
nonparticipating owner, as provided for in the pooling order, then 31887
the applicant shall be entitled to the share of production from 31888
the drilling unit accruing to the interest of that 31889
nonparticipating owner, exclusive of the nonparticipating owner's 31890
proportionate share of the royalty interest until there has been 31891
received the share of costs charged to that nonparticipating owner 31892
plus such additional percentage of the share of costs as the chief 31893
shall determine. The total amount receivable hereunder shall in no 31894
event exceed two hundred per cent of the share of costs charged to 31895
that nonparticipating owner. After receipt of that share of costs 31896
by such an applicant, a nonparticipating owner shall receive a 31897
proportionate share of the working interest in the well in 31898
addition to a proportionate share of the royalty interest, if any. 31899

If there is a dispute as to costs of drilling, equipping, or 31900
operating a well, the chief shall determine those costs. 31901

Sec. 1509.28. (A) The chief of the division of ~~mineral oil~~ 31902
and gas resources management, upon the chief's own motion or upon 31903
application by the owners of sixty-five per cent of the land area 31904

overlying the pool, shall hold a hearing to consider the need for 31905
the operation as a unit of an entire pool or part thereof. An 31906
application by owners shall be accompanied by such information as 31907
the chief may request. 31908

The chief shall make an order providing for the unit 31909
operation of a pool or part thereof if the chief finds that such 31910
operation is reasonably necessary to increase substantially the 31911
ultimate recovery of oil and gas, and the value of the estimated 31912
additional recovery of oil or gas exceeds the estimated additional 31913
cost incident to conducting ~~such~~ the operation. The order shall be 31914
upon terms and conditions that are just and reasonable and shall 31915
prescribe a plan for unit operations that shall include: 31916

(1) A description of the unitized area, termed the unit area; 31917

(2) A statement of the nature of the operations contemplated; 31918

(3) An allocation to the separately owned tracts in the unit 31919
area of all the oil and gas that is produced from the unit area 31920
and is saved, being the production that is not used in the conduct 31921
of operations on the unit area or not unavoidably lost. The 31922
allocation shall be in accord with the agreement, if any, of the 31923
interested parties. If there is no such agreement, the chief shall 31924
determine the value, from the evidence introduced at the hearing, 31925
of each separately owned tract in the unit area, exclusive of 31926
physical equipment, for development of oil and gas by unit 31927
operations, and the production allocated to each tract shall be 31928
the proportion that the value of each tract so determined bears to 31929
the value of all tracts in the unit area. 31930

(4) A provision for the credits and charges to be made in the 31931
adjustment among the owners in the unit area for their respective 31932
investments in wells, tanks, pumps, machinery, materials, and 31933
equipment contributed to the unit operations; 31934

(5) A provision providing how the expenses of unit 31935

operations, including capital investment, shall be determined and 31936
charged to the separately owned tracts and how the expenses shall 31937
be paid; 31938

(6) A provision, if necessary, for carrying or otherwise 31939
financing any person who is unable to meet the person's financial 31940
obligations in connection with the unit, allowing a reasonable 31941
interest charge for such service; 31942

(7) A provision for the supervision and conduct of the unit 31943
operations, in respect to which each person shall have a vote with 31944
a value corresponding to the percentage of the expenses of unit 31945
operations chargeable against the interest of ~~such~~ that person; 31946

(8) The time when the unit operations shall commence, and the 31947
manner in which, and the circumstances under which, the unit 31948
operations shall terminate; 31949

(9) Such additional provisions as are found to be appropriate 31950
for carrying on the unit operations, and for the protection or 31951
adjustment of correlative rights. 31952

(B) No order of the chief providing for unit operations shall 31953
become effective unless and until the plan for unit operations 31954
prescribed by the chief has been approved in writing by those 31955
owners who, under the chief's order, will be required to pay at 31956
least sixty-five per cent of the costs of the unit operation, and 31957
also by the royalty or, with respect to unleased acreage, fee 31958
owners of sixty-five per cent of the acreage to be included in the 31959
unit. If the plan for unit operations has not been so approved by 31960
owners and royalty owners at the time the order providing for unit 31961
operations is made, the chief shall upon application and notice 31962
hold such supplemental hearings as may be required to determine if 31963
and when the plan for unit operations has been so approved. If the 31964
owners and royalty owners, or either, owning the required 31965
percentage of interest in the unit area do not approve the plan 31966

for unit operations within a period of six months from the date on 31967
which the order providing for unit operations is made, ~~such the~~ 31968
order shall cease to be of force and shall be revoked by the 31969
chief. 31970

An order providing for unit operations may be amended by an 31971
order made by the chief, in the same manner and subject to the 31972
same conditions as an original order providing for unit 31973
operations, provided that: 31974

(1) If such an amendment affects only the rights and 31975
interests of the owners, the approval of the amendment by the 31976
royalty owners shall not be required. 31977

(2) No such order of amendment shall change the percentage 31978
for allocation of oil and gas as established for any separately 31979
owned tract by the original order, except with the consent of all 31980
persons owning interest in ~~such the~~ tract. 31981

The chief, by an order, may provide for the unit operation of 31982
a pool or a part thereof that embraces a unit area established by 31983
a previous order of the chief. Such an order, in providing for the 31984
allocation of unit production, shall first treat the unit area 31985
previously established as a single tract, and the portion of the 31986
unit production so allocated thereto shall then be allocated among 31987
the separately owned tracts included in ~~such the~~ previously 31988
established unit area in the same proportions as those specified 31989
in the previous order. 31990

Oil and gas allocated to a separately owned tract shall be 31991
deemed, for all purposes, to have been actually produced from ~~such~~ 31992
the tract, and all operations, including, but not limited to, the 31993
commencement, drilling, operation of, or production from a well 31994
upon any portion of the unit area shall be deemed for all purposes 31995
the conduct of such operations and production from any lease or 31996
contract for lands any portion of which is included in the unit 31997

area. The operations conducted pursuant to the order of the chief 31998
shall constitute a fulfillment of all the express or implied 31999
obligations of each lease or contract covering lands in the unit 32000
area to the extent that compliance with such obligations cannot be 32001
had because of the order of the chief. 32002

Oil and gas allocated to any tract, and the proceeds from the 32003
sale thereof, shall be the property and income of the several 32004
persons to whom, or to whose credit, the same are allocated or 32005
payable under the order providing for unit operations. 32006

No order of the chief or other contract relating to the sale 32007
or purchase of production from a separately owned tract shall be 32008
terminated by the order providing for unit operations, but shall 32009
remain in force and apply to oil and gas allocated to ~~such~~ the 32010
tract until terminated in accordance with the provisions thereof. 32011

Except to the extent that the parties affected so agree, no 32012
order providing for unit operations shall be construed to result 32013
in a transfer of all or any part of the title of any person to the 32014
oil and gas rights in any tract in the unit area. All property, 32015
whether real or personal, that may be acquired for the account of 32016
the owners within the unit area shall be the property of such 32017
owners in the proportion that the expenses of unit operations are 32018
charged. 32019

Sec. 1509.29. Upon application by an owner of a tract for 32020
which a drilling permit may not be issued, and a showing by the 32021
owner that the owner is unable to enter a voluntary pooling 32022
agreement and that the owner would be unable to participate under 32023
a mandatory pooling order, the chief of the division of ~~mineral~~ 32024
oil and gas resources management shall issue a permit and order 32025
establishing the tract as an exception tract if the chief finds 32026
that ~~such~~ the owner would otherwise be precluded from producing 32027
oil or gas from the owner's tract because of minimum acreage or 32028

distance requirements. The order shall set a percentage of the 32029
maximum daily potential production at which the well may be 32030
produced. The percentage shall be the same as the percentage that 32031
the number of acres in the tract bears to the number of acres in 32032
the minimum acreage requirement that has been established under 32033
section 1509.24 or 1509.25 of the Revised Code, whichever is 32034
applicable, but if the well drilled on ~~such~~ the tract is located 32035
nearer to the boundary of the tract than the required minimum 32036
distance, the percentage may not exceed the percentage determined 32037
by dividing the distance from the well to the boundary by the 32038
minimum distance requirement. Within ten days after completion of 32039
the well, the maximum daily potential production of the well shall 32040
be determined by such drill stem, open flow, or other tests as may 32041
be required by the chief. The chief shall require such tests, at 32042
least once every three months, as are necessary to determine the 32043
maximum daily potential production at that time. 32044

Sec. 1509.31. (A) Whenever the entire interest of an oil and 32045
gas lease is assigned or otherwise transferred, the assignor or 32046
transferor shall notify the holders of the royalty interests, and, 32047
if a well or wells exist on the lease, the division of ~~mineral oil~~ 32048
and gas resources management, of the name and address of the 32049
assignee or transferee by certified mail, return receipt 32050
requested, not later than thirty days after the date of the 32051
assignment or transfer. When notice of any such assignment or 32052
transfer is required to be provided to the division, it shall be 32053
provided on a form prescribed and provided by the division and 32054
verified by both the assignor or transferor and by the assignee or 32055
transferee and shall be accompanied by a nonrefundable fee of one 32056
hundred dollars for each well. The notice form applicable to 32057
assignments or transfers of a well to the owner of the surface 32058
estate of the tract on which the well is located shall contain a 32059
statement informing the landowner that the well may require 32060

periodic servicing to maintain its productivity; that, upon 32061
assignment or transfer of the well to the landowner, the landowner 32062
becomes responsible for compliance with the requirements of this 32063
chapter and rules adopted under it, including, without limitation, 32064
the proper disposal of brine obtained from the well, the plugging 32065
of the well when it becomes incapable of producing oil or gas, and 32066
the restoration of the well site; and that, upon assignment or 32067
transfer of the well to the landowner, the landowner becomes 32068
responsible for the costs of compliance with the requirements of 32069
this chapter and rules adopted under it and the costs for 32070
operating and servicing the well. 32071

(B) When the entire interest of a well is proposed to be 32072
assigned or otherwise transferred to the landowner for use as an 32073
exempt domestic well, the owner who has been issued a permit under 32074
this chapter for the well shall submit to the chief of the 32075
division of oil and gas resources management an application for 32076
the assignment or transfer that contains all documents that the 32077
chief requires and a nonrefundable fee of one hundred dollars. The 32078
application for such an assignment or transfer shall be prescribed 32079
and provided by the chief. The chief may approve the application 32080
if the application is accompanied by a release of all of the oil 32081
and gas leases that are included in the applicable formation of 32082
the drilling unit, the release is in a form such that the well 32083
ownership merges with the fee simple interest of the surface 32084
tract, and the release is in a form that may be recorded. However, 32085
if the owner of the well does not release the oil and gas leases 32086
associated with the well that is proposed to be assigned or 32087
otherwise transferred or if the fee simple tract that results from 32088
the merger of the well ownership with the fee simple interest of 32089
the surface tract is less than five acres, the proposed exempt 32090
domestic well owner shall post a five thousand dollar bond with 32091
the division ~~of mineral resources management~~ prior to the 32092
assignment or transfer of the well to ensure that the well will be 32093

properly plugged. The chief, for good cause, may modify the 32094
requirements of this section governing the assignment or transfer 32095
of the interests of a well to the landowner. Upon the assignment 32096
or transfer of the well, the owner of an exempt domestic well is 32097
not subject to the severance tax levied under section 5749.02 of 32098
the Revised Code, but is subject to all applicable fees 32099
established in this chapter. 32100

(C) The owner holding a permit under section 1509.05 of the 32101
Revised Code is responsible for all obligations and liabilities 32102
imposed by this chapter and any rules, orders, and terms and 32103
conditions of a permit adopted or issued under it, and no 32104
assignment or transfer by the owner relieves the owner of the 32105
obligations and liabilities until and unless the assignee or 32106
transferee files with the division the information described in 32107
divisions (A)(1), (2), (3), (4), (5), (10), (11), and (12) of 32108
section 1509.06 of the Revised Code; obtains liability insurance 32109
coverage required by section 1509.07 of the Revised Code, except 32110
when none is required by that section; and executes and files a 32111
surety bond, negotiable certificates of deposit or irrevocable 32112
letters of credit, or cash, as described in that section. Instead 32113
of a bond, but only upon acceptance by the chief ~~of the division~~ 32114
~~of mineral resources management~~, the assignee or transferee may 32115
file proof of financial responsibility, described in section 32116
1509.07 of the Revised Code. Section 1509.071 of the Revised Code 32117
applies to the surety bond, cash, and negotiable certificates of 32118
deposit and irrevocable letters of credit described in this 32119
section. Unless the chief approves a modification, each assignee 32120
or transferee shall operate in accordance with the plans and 32121
information filed by the permit holder pursuant to section 1509.06 32122
of the Revised Code. 32123

(D) If a mortgaged property that is being foreclosed is 32124
subject to an oil or gas lease, pipeline agreement, or other 32125

instrument related to the production or sale of oil or natural gas 32126
and the lease, agreement, or other instrument was recorded 32127
subsequent to the mortgage, and if the lease, agreement, or other 32128
instrument is not in default, the oil or gas lease, pipeline 32129
agreement, or other instrument, as applicable, has priority over 32130
all other liens, claims, or encumbrances on the property so that 32131
the oil or gas lease, pipeline agreement, or other instrument is 32132
not terminated or extinguished upon the foreclosure sale of the 32133
mortgaged property. If the owner of the mortgaged property was 32134
entitled to oil and gas royalties before the foreclosure sale, the 32135
oil or gas royalties shall be paid to the purchaser of the 32136
foreclosed property. 32137

Sec. 1509.32. Any person adversely affected may file with the 32138
chief of the division of ~~mineral~~ oil and gas resources management 32139
a written complaint alleging failure to restore disturbed land 32140
surfaces in violation of section 1509.072 or 1509.22 of the 32141
Revised Code or a rule adopted thereunder. 32142

Upon receipt of a complaint, the chief shall cause an 32143
investigation to be made of the lands where the alleged violation 32144
has occurred and send copies of the investigation report to the 32145
person who filed the complaint and to the owner. Upon finding a 32146
violation the chief shall order the owner to eliminate the 32147
violation within a specified time. If the owner fails to eliminate 32148
the violation within the time specified, the chief may request the 32149
prosecuting attorney of the county in which the violation occurs 32150
or the attorney general to bring appropriate action to secure 32151
compliance with ~~such~~ those sections. If the chief fails to bring 32152
an appropriate action to secure compliance with ~~such~~ those 32153
sections within twenty days after the time specified, the person 32154
filing the complaint may request the prosecuting attorney of the 32155
county in which the violation occurs to bring an appropriate 32156
action to secure compliance with ~~such~~ those sections. The division 32157

of ~~mineral~~ oil and gas resources management may cooperate with any 32158
state or local agency to provide technical advice or minimum 32159
standards for the restoration of various soils and land surfaces 32160
or to assist in any investigation. 32161

Sec. 1509.33. (A) Whoever violates sections 1509.01 to 32162
1509.31 of the Revised Code, or any rules adopted or orders or 32163
terms or conditions of a permit or registration certificate issued 32164
pursuant to these sections for which no specific penalty is 32165
provided in this section, shall pay a civil penalty of not more 32166
than four thousand dollars for each offense. 32167

(B) Whoever violates section 1509.221 of the Revised Code or 32168
any rules adopted or orders or terms or conditions of a permit 32169
issued thereunder shall pay a civil penalty of not more than two 32170
thousand five hundred dollars for each violation. 32171

(C) Whoever violates division (D) of section 1509.22 or 32172
division (A)(1) of section 1509.222 of the Revised Code shall pay 32173
a civil penalty of not less than two thousand five hundred dollars 32174
nor more than twenty thousand dollars for each violation. 32175

(D) Whoever violates division (A) of section 1509.22 of the 32176
Revised Code shall pay a civil penalty of not less than two 32177
thousand five hundred dollars nor more than ten thousand dollars 32178
for each violation. 32179

(E) Whoever violates division (A) of section 1509.223 of the 32180
Revised Code shall pay a civil penalty of not more than ten 32181
thousand dollars for each violation. 32182

(F) Whoever violates section 1509.072 of the Revised Code or 32183
any rules adopted or orders issued to administer, implement, or 32184
enforce that section shall pay a civil penalty of not more than 32185
five thousand dollars for each violation. 32186

(G) In addition to any other penalties provided in this 32187

chapter, whoever violates division (B) of section 1509.22 or 32188
division (A)(1) of section 1509.222 or knowingly violates division 32189
(A) of section 1509.223 of the Revised Code is liable for any 32190
damage or injury caused by the violation and for the cost of 32191
rectifying the violation and conditions caused by the violation. 32192
If two or more persons knowingly violate one or more of ~~such~~ those 32193
divisions in connection with the same event, activity, or 32194
transaction, they are jointly and severally liable under this 32195
division. 32196

(H) The attorney general, upon the request of the chief of 32197
the division of ~~mineral oil and gas~~ resources management, shall 32198
commence an action under this section against any person who 32199
violates sections 1509.01 to 1509.31 of the Revised Code, or any 32200
rules adopted or orders or terms or conditions of a permit or 32201
registration certificate issued pursuant to these sections. Any 32202
action under this section is a civil action, governed by the Rules 32203
of Civil Procedure and other rules of practice and procedure 32204
applicable to civil actions. The remedy provided in this division 32205
is cumulative and concurrent with any other remedy provided in 32206
this chapter, and the existence or exercise of one remedy does not 32207
prevent the exercise of any other, except that no person shall be 32208
subject to both a civil penalty under division (A), (B), (C), or 32209
(D) of this section and a criminal penalty under section 1509.99 32210
of the Revised Code for the same offense. 32211

Sec. 1509.34. (A)(1) If an owner fails to pay the fees 32212
imposed by this chapter, or if the chief of the division of 32213
~~mineral oil and gas~~ resources management incurs costs under 32214
division (E) of section 1509.071 of the Revised Code to correct 32215
conditions associated with the owner's well that the chief 32216
reasonably has determined are causing imminent health or safety 32217
risks, the division of ~~mineral oil and gas~~ resources management 32218
shall have a priority lien against that owner's interest in the 32219

applicable well in front of all other creditors for the amount of 32220
any such unpaid fees and costs incurred. The chief shall file a 32221
statement in the office of the county recorder of the county in 32222
which the applicable well is located of the amount of the unpaid 32223
fees and costs incurred as described in this division. The 32224
statement shall constitute a lien on the owner's interest in the 32225
well as of the date of the filing. The lien shall remain in force 32226
so long as any portion of the lien remains unpaid or until the 32227
chief issues a certificate of release of the lien. If the chief 32228
issues a certificate of release of the lien, the chief shall file 32229
the certificate of release in the office of the applicable county 32230
recorder. 32231

(2) A lien imposed under division (A)(1) of this section 32232
shall be in addition to any lien imposed by the attorney general 32233
for failure to pay the assessment imposed by section 1509.50 of 32234
the Revised Code or the tax levied under division (A)(5) or (6) of 32235
section 5749.02 of the Revised Code, as applicable. 32236

(3) If the attorney general cannot collect from a severer or 32237
an owner for an outstanding balance of amounts due under section 32238
1509.50 of the Revised Code or of unpaid taxes levied under 32239
division (A)(5) or (6) of section 5749.02 of the Revised Code, as 32240
applicable, the tax commissioner may request the chief to impose a 32241
priority lien against the owner's interest in the applicable well. 32242
Such a lien has priority in front of all other creditors. 32243

(B) The chief promptly shall issue a certificate of release 32244
of a lien under either of the following circumstances: 32245

(1) Upon the repayment in full of the amount of unpaid fees 32246
imposed by this chapter or costs incurred by the chief under 32247
division (E) of section 1509.071 of the Revised Code to correct 32248
conditions associated with the owner's well that the chief 32249
reasonably has determined are causing imminent health or safety 32250

risks; 32251

(2) Any other circumstance that the chief determines to be in 32252
the best interests of the state. 32253

(C) The chief may modify the amount of a lien under this 32254
section. If the chief modifies a lien, the chief shall file a 32255
statement in the office of the county recorder of the applicable 32256
county of the new amount of the lien. 32257

(D) An owner regarding which the division has recorded a lien 32258
against the owner's interest in a well in accordance with this 32259
section shall not transfer a well, lease, or mineral rights to 32260
another owner or person until the chief issues a certificate of 32261
release for each lien against the owner's interest in the well. 32262

(E) All money from the collection of liens under this section 32263
shall be deposited in the state treasury to the credit of the oil 32264
and gas well fund created in section 1509.02 of the Revised Code. 32265

Sec. 1509.36. Any person adversely affected by an order by 32266
the chief of the division of ~~mineral~~ oil and gas resources 32267
management may appeal to the oil and gas commission for an order 32268
vacating or modifying the order. 32269

The person so appealing to the commission shall be known as 32270
appellant and the chief shall be known as appellee. Appellant and 32271
appellee shall be deemed to be parties to the appeal. 32272

The appeal shall be in writing and shall set forth the order 32273

suspend or stay the execution pending determination of the appeal 32290
upon such terms as the commission considers proper. 32291

The record shall include all of the testimony and other evidence 32327
and the rulings on the admissibility thereof presented at the 32328
hearing. The commission shall pass upon the admissibility of 32329
evidence, but any party may at the time object to the admission of 32330
any evidence and except to the rulings of the commission thereon, 32331
and if the commission refuses to admit evidence the party offering 32332
same may make a proffer thereof, and such proffer shall be made a 32333
part of the record of the hearing. 32334

If upon completion of the hearing the commission finds that 32335
the order appealed from was lawful and reasonable, it shall make a 32336
written order affirming the order appealed from; if the commission 32337
finds that the order was unreasonable or unlawful, it shall make a 32338

that any person who believes the person's rights to be unlawfully 32352
affected by those sections or any official action taken thereunder 32353
must pursue in order to protect and preserve those rights, nor do 32354

before that person may lawfully appeal to the courts to protect 32356
and preserve those rights. 32357

certified by the supervisors, as necessary to pay the cost of 32742
construction of the improvement not otherwise funded and to repay 32743

the parcel may experience as a result of the improvement and also 32750
to give consideration to the amount of water disposed of, the 32751
location of the property relative to the project, the value of the 32752

improvement. In making such a determination, the director shall 32772
consider the purposes for which the land is owned and managed and 32773
any relevant articles of dedication or existing management plans 32774

the method used to determine the necessity for and the amount of 32792
the proposed assessment, a description of any easement on the 32793
property that is necessary for purposes of the improvement, and a 32794
statement that the addressee may file an objection in writing at 32795
the office of the board of county commissioners within thirty days 32796

within thirty days to the court of common pleas of the county in 32819
which the property is located. 32820

county commissioners that funds are not otherwise available for 32843
maintenance or repair of the improvement, the board shall levy on 32844
the property within the project area an assessment for maintenance 32845
at a uniform percentage of all construction costs based upon the 32846
assessment schedule used in determining the construction 32847
assessment. The assessment is not subject to the provisions 32848
concerning notice and petition contained in this section. An 32849
assessment for maintenance shall not be levied in any year in 32850

turkeys, or fur-bearing animals in this state shall procure, 33093
respectively, a deer or wild turkey permit as provided in section 33094
1533.11 of the Revised Code or a fur taker permit as provided in 33095
section 1533.111 of the Revised Code in addition to a nonresident 33096
hunting license, an apprentice nonresident hunting license, a 33097
special youth hunting license, or an apprentice youth hunting 33098
license, as applicable, as provided in this section. 33099

No person shall procure or attempt to procure a hunting 33100
license by fraud, deceit, misrepresentation, or any false 33101
statement. 33102

This section does not authorize the taking and possessing of 33103
deer or wild turkeys without first having obtained, in addition to 33104
the hunting license required by this section, a deer or wild 33105
turkey permit as provided in section 1533.11 of the Revised Code 33106
or the taking and possessing of ducks, geese, or brant without 33107
first having obtained, in addition to the hunting license required 33108
by this section, a wetlands habitat stamp as provided in section 33109
1533.112 of the Revised Code. 33110

This section does not authorize the hunting or trapping of 33111
fur-bearing animals without first having obtained, in addition to 33112
a hunting license required by this section, a fur taker permit as 33113
provided in section 1533.111 of the Revised Code. 33114

No hunting license shall be issued unless it is accompanied 33115
by a written explanation of the law in section 1533.17 of the 33116
Revised Code and the penalty for its violation, including a 33117
description of terms of imprisonment and fines that may be 33118
imposed. 33119

No hunting license, other than an apprentice hunting license, 33120

shall be issued unless the applicant presents to the agent 33121
authorized to issue the license a previously held hunting license 33122
or evidence of having held such a license in content and manner 33123
approved by the chief, a certificate of completion issued upon 33124
completion of a hunter education and conservation course approved 33125
by the chief, or evidence of equivalent training in content and 33126
manner approved by the chief. A previously held apprentice hunting 33127
license does not satisfy the requirement concerning the 33128
presentation of a previously held hunting license or evidence of 33129
it. 33130

No person shall issue a hunting license, except an apprentice 33131
hunting license, to any person who fails to present the evidence 33132
required by this section. No person shall purchase or obtain a 33133
hunting license, other than an apprentice hunting license, without 33134
presenting to the issuing agent the evidence required by this 33135
section. Issuance of a hunting license in violation of the 33136
requirements of this section is an offense by both the purchaser 33137
of the illegally obtained hunting license and the clerk or agent 33138
who issued the hunting license. Any hunting license issued in 33139
violation of this section is void. 33140

The chief, with approval of the wildlife council, shall adopt 33141
rules prescribing a hunter education and conservation course for 33142
first-time hunting license buyers, other than buyers of apprentice 33143
hunting licenses, and for volunteer instructors. The course shall 33144
consist of subjects including, but not limited to, hunter safety 33145
and health, use of hunting implements, hunting tradition and 33146
ethics, the hunter and conservation, the law in section 1533.17 of 33147
the Revised Code along with the penalty for its violation, 33148
including a description of terms of imprisonment and fines that 33149
may be imposed, and other law relating to hunting. Authorized 33150
personnel of the division or volunteer instructors approved by the 33151
chief shall conduct such courses with such frequency and at such 33152

locations throughout the state as to reasonably meet the needs of 33153
license applicants. The chief shall issue a certificate of 33154
completion to each person who successfully completes the course 33155
and passes an examination prescribed by the chief. 33156

Sec. 1533.11. (A) Except as provided in this section, no 33157
person shall hunt deer on lands of another without first obtaining 33158
an annual deer permit. Except as provided in this section, no 33159
person shall hunt wild turkeys on lands of another without first 33160
obtaining an annual wild turkey permit. Each applicant for a deer 33161
or wild turkey permit shall pay an annual fee of twenty-three 33162
dollars for each permit unless the rules adopted under division 33163
(B) of section 1533.12 of the Revised Code provide for issuance of 33164
a deer or wild turkey permit to the applicant free of charge. 33165
Except as provided in rules adopted under division (B)(2) of that 33166
section, each applicant who is a resident of this state and who at 33167
the time of application is sixty-six years of age or older shall 33168
procure a senior deer or wild turkey permit, the fee for which 33169
shall be one-half of the regular deer or wild turkey permit fee. 33170
Each applicant who is under the age of eighteen years shall 33171
procure a youth deer or wild turkey permit, the fee for which 33172
shall be one-half of the regular deer or wild turkey permit fee. 33173
Except as provided in division (A)(2) of section 1533.12 of the 33174
Revised Code, a deer or wild turkey permit shall run concurrently 33175
with the hunting license. The money received shall be paid into 33176
the state treasury to the credit of the wildlife fund, created in 33177
section 1531.17 of the Revised Code, exclusively for the use of 33178
the division of wildlife in the acquisition and development of 33179
land for deer or wild turkey management, for investigating deer or 33180
wild turkey problems, and for the stocking, management, and 33181
protection of deer or wild turkey. Every person, while hunting 33182
deer or wild turkey on lands of another, shall carry the person's 33183
deer or wild turkey permit and exhibit it to any enforcement 33184

officer so requesting. Failure to so carry and exhibit such a 33185
permit constitutes an offense under this section. The chief of the 33186
division of wildlife shall adopt any additional rules the chief 33187
considers necessary to carry out this section and section 1533.10 33188
of the Revised Code. 33189

The An owner who is a resident of this state and the children 33190
of the owner of lands in this state may hunt deer or wild turkey 33191
thereon without a deer or wild turkey permit. If the owner of land 33192
in this state is a limited liability company or a limited 33193
liability partnership that consists of three or fewer individual 33194
members or partners, as applicable, an individual member or 33195
partner who is a resident of this state and the member's or 33196
partner's children of any age may hunt deer or wild turkey on the 33197
land owned by the limited liability company or limited liability 33198
partnership without a deer or wild turkey permit. In addition, if 33199
the owner of land in this state is a trust that has a total of 33200
three or fewer trustees and beneficiaries, an individual who is a 33201
trustee or beneficiary and who is a resident of this state and the 33202
individual's children of any age may hunt deer or wild turkey on 33203
the land owned by the trust without a deer or wild turkey permit. 33204
The tenant and children of the tenant may hunt deer or wild turkey 33205
on lands where they reside without a deer or wild turkey permit. 33206

(B) A deer or wild turkey permit is not transferable. No 33207
person shall carry a deer or wild turkey permit issued in the name 33208
of another person. 33209

(C) The wildlife refunds fund is hereby created in the state 33210
treasury. The fund shall consist of money received from 33211
application fees for deer permits that are not issued. Money in 33212
the fund shall be used to make refunds of such application fees. 33213

(D) If the division establishes a system for the electronic 33214
submission of information regarding deer or wild turkey that are 33215
taken, the division shall allow the owner and the children of the 33216

owner of lands in this state to use the owner's name or address 33217
for purposes of submitting that information electronically via 33218
that system. 33219

Sec. 1533.111. Except as provided in this section or division 33220
(A)(2) of section 1533.12 of the Revised Code, no person shall 33221
hunt or trap fur-bearing animals on land of another without first 33222
obtaining some type of an annual fur taker permit. Each applicant 33223
for a fur taker permit or an apprentice fur taker permit shall pay 33224
an annual fee of fourteen dollars for the permit, except as 33225
otherwise provided in this section or unless the rules adopted 33226
under division (B) of section 1533.12 of the Revised Code provide 33227
for issuance of a fur taker permit to the applicant free of 33228
charge. Except as provided in rules adopted under division (B)(2) 33229
of that section, each applicant who is a resident of this state 33230
and who at the time of application is sixty-six years of age or 33231
older shall procure a special senior fur taker permit, the fee for 33232
which shall be one-half of the regular fur taker permit fee. Each 33233
applicant under the age of eighteen years shall procure a special 33234
youth fur taker permit or an apprentice youth fur taker permit, 33235
the fee for which shall be one-half of the regular fur taker 33236
permit fee. Each type of fur taker permit shall run concurrently 33237
with the hunting license. The money received shall be paid into 33238
the state treasury to the credit of the fund established in 33239
section 1533.15 of the Revised Code. Apprentice fur taker permits 33240
and apprentice youth fur taker permits are subject to the 33241
requirements established under section 1533.102 of the Revised 33242
Code and rules adopted pursuant to it. 33243

No fur taker permit shall be issued unless it is accompanied 33244
by a written explanation of the law in section 1533.17 of the 33245
Revised Code and the penalty for its violation, including a 33246
description of terms of imprisonment and fines that may be 33247
imposed. 33248

No fur taker permit, other than an apprentice fur taker 33249
permit or an apprentice youth fur taker permit, shall be issued 33250
unless the applicant presents to the agent authorized to issue a 33251
fur taker permit a previously held hunting license or trapping or 33252
fur taker permit or evidence of having held such a license or 33253
permit in content and manner approved by the chief of the division 33254
of wildlife, a certificate of completion issued upon completion of 33255
a trapper education course approved by the chief, or evidence of 33256
equivalent training in content and manner approved by the chief. A 33257
previously held apprentice hunting license, apprentice fur taker 33258
permit, or apprentice youth fur taker permit does not satisfy the 33259
requirement concerning the presentation of a previously held 33260
hunting license or fur taker permit or evidence of such a license 33261
or permit. 33262

No person shall issue a fur taker permit, other than an 33263
apprentice fur taker permit or an apprentice youth fur taker 33264
permit, to any person who fails to present the evidence required 33265
by this section. No person shall purchase or obtain a fur taker 33266
permit, other than an apprentice fur taker permit or an apprentice 33267
youth fur taker permit, without presenting to the issuing agent 33268
the evidence required by this section. Issuance of a fur taker 33269
permit in violation of the requirements of this section is an 33270
offense by both the purchaser of the illegally obtained permit and 33271
the clerk or agent who issued the permit. Any fur taker permit 33272
issued in violation of this section is void. 33273

The chief, with approval of the wildlife council, shall adopt 33274
rules prescribing a trapper education course for first-time fur 33275
taker permit buyers, other than buyers of apprentice fur taker 33276
permits or apprentice youth fur taker permits, and for volunteer 33277
instructors. The course shall consist of subjects that include, 33278
but are not limited to, trapping techniques, animal habits and 33279
identification, trapping tradition and ethics, the trapper and 33280

conservation, the law in section 1533.17 of the Revised Code along 33281
with the penalty for its violation, including a description of 33282
terms of imprisonment and fines that may be imposed, and other law 33283
relating to trapping. Authorized personnel of the division of 33284
wildlife or volunteer instructors approved by the chief shall 33285
conduct the courses with such frequency and at such locations 33286
throughout the state as to reasonably meet the needs of permit 33287
applicants. The chief shall issue a certificate of completion to 33288
each person who successfully completes the course and passes an 33289
examination prescribed by the chief. 33290

Every person, while hunting or trapping fur-bearing animals 33291
on lands of another, shall carry the person's fur taker permit 33292
with the person's signature written on the permit. Failure to 33293
carry such a signed permit constitutes an offense under this 33294
section. The chief shall adopt any additional rules the chief 33295
considers necessary to carry out this section. 33296

The An owner who is a resident of this state and the children 33297
of the owner of lands in this state may hunt or trap fur-bearing 33298
animals thereon without a fur taker permit. If the owner of land 33299
in this state is a limited liability company or a limited 33300
liability partnership that consists of three or fewer individual 33301
members or partners, as applicable, an individual member or 33302
partner who is a resident of this state and the member's or 33303
partner's children of any age may hunt or trap fur-bearing animals 33304
on the land owned by the limited liability company or limited 33305
liability partnership without a fur taker permit. In addition, if 33306
the owner of land in this state is a trust that has a total of 33307
three or fewer trustees and beneficiaries, an individual who is a 33308
trustee or beneficiary and who is a resident of this state and the 33309
individual's children of any age may hunt or trap fur-bearing 33310
animals on the land owned by the trust without a fur taker permit. 33311
The tenant and children of the tenant may hunt or trap fur-bearing 33312

animals on lands where they reside without a fur taker permit. 33313

A fur taker permit is not transferable. No person shall carry 33314
a fur taker permit issued in the name of another person. 33315

A fur taker permit entitles a nonresident to take from this 33316
state fur-bearing animals taken and possessed by the nonresident 33317
as provided by law or division rule. 33318

Sec. 1533.32. Except as provided in this section or division 33319
(A)(2) or (C) of section 1533.12 of the Revised Code, no person, 33320
including nonresidents, shall take or catch any fish by angling in 33321
any of the waters in the state or engage in fishing in those 33322
waters without a license. No person shall take or catch frogs or 33323
turtles without a valid fishing license, except as provided in 33324
this section. Persons fishing in privately owned ponds, lakes, or 33325
reservoirs to or from which fish are not accustomed to migrate are 33326
exempt from the license requirements set forth in this section. 33327
Persons fishing in privately owned ponds, lakes, or reservoirs 33328
that are open to public fishing through an agreement or lease with 33329
the division of wildlife shall comply with the license 33330
requirements set forth in this section. 33331

The fee for an annual license shall be thirty-nine dollars 33332
for a resident of a state that is not a party to an agreement 33333
under section 1533.91 of the Revised Code. The fee for an annual 33334
license shall be eighteen dollars for a resident of a state that 33335
is a party to such an agreement. The fee for an annual license for 33336
residents of this state shall be eighteen dollars unless the rules 33337
adopted under division (B) of section 1533.12 of the Revised Code 33338
provide for issuance of a resident fishing license to the 33339
applicant free of charge. Except as provided in rules adopted 33340
under division (B)(2) of that section, each applicant who is a 33341
resident of this state and who at the time of application is 33342
sixty-six years of age or older shall procure a special senior 33343

fishing license, the fee for which shall be one-half of the annual 33344
resident fishing license fee. 33345

Any person under the age of sixteen years may take or catch 33346
frogs and turtles and take or catch fish by angling without a 33347
license. 33348

The chief of the division of wildlife may issue a tourist's 33349
license expiring three days from the effective date of the license 33350
to a resident of a state that is not a party to an agreement under 33351
section 1533.91 of the Revised Code. The fee for a tourist's 33352
license shall be eighteen dollars. 33353

The chief shall adopt rules under section 1531.10 of the 33354
Revised Code providing for the issuance of a one-day fishing 33355
license to a resident of this state or of any other state. The fee 33356
for such a license shall be fifty-five per cent of the amount 33357
established under this section for a tourist's license, rounded up 33358
to the nearest whole dollar. A one-day fishing license shall allow 33359
the holder to take or catch fish by angling in the waters in the 33360
state, engage in fishing in those waters, or take or catch frogs 33361
or turtles in those waters for one day without obtaining an annual 33362
license or a tourist's license under this section. At the request 33363
of a holder of a one-day fishing license who wishes to obtain an 33364
annual license, a clerk or agent authorized to issue licenses 33365
under section 1533.13 of the Revised Code, not later than the last 33366
day on which the one-day license would be valid if it were an 33367
annual license, shall credit the amount of the fee paid for the 33368
one-day license toward the fee charged for the annual license if 33369
so authorized by the chief. The clerk or agent shall issue the 33370
annual license upon presentation of the one-day license and 33371

license shall begin on the first day of March of the current year 33375

and expire on the last day of February of the following year. 33376

No person shall alter a fishing license or possess a fishing 33377

owners, may take frogs and turtles and may take or catch fish of 33386
the kind permitted to be taken or caught therefrom without 33387
procuring a license provided for in this section. This exemption 33388
extends to tenants actually residing upon such lands and to the 33389
members of the immediate families of the tenants. If the owner of 33390
such land in this state is a limited liability company or a 33391

section. In addition, if the owner of such land in this state is a 33398
trust that has a total of three or fewer trustees and 33399
beneficiaries, an individual who is a trustee or beneficiary and 33400
who is a resident of this state and the individual's children of 33401

the kind permitted to be taken or caught therefrom without 33403
procuring a license provided for in this section. Residents of 33404
state or county institutions, charitable institutions, and 33405
military homes in this state may take frogs and turtles without 33406
procuring the required license, provided that a member of the 33407

institution or home has an identification card, which shall be 33408
carried on that person when fishing. 33409

Every fisher required to be licensed, while fishing or taking 33410

if either of the following applies: 34010

(i) The vessel or outboard motor is disabled due to a 34011

motors under division (B) of this section that normally is 34037
assessed by the person who has prepared the vessel or motor for 34038
removal, in order to obtain release of the vessel or motor. Upon 34039
payment of that fee, the vessel or motor shall be released to the 34040
owner or operator, and upon its release, the owner or operator 34041
immediately shall move it so that it is not on the private 34042

recovered, and the address of the place to which it has been taken 34057

and from which it may be recovered. Any information in the record 34058

any person who, pursuant to a statement the person makes either in 34060
person or by telephone, is identified as the owner or operator of 34061
the vessel or motor and requests information pertaining to its 34062
location. 34063

vessel or outboard motor under division (B)(1) of this section 34066

the owner for thirty days, the procedures established by sections 34085
1547.301 and 1547.302 of the Revised Code shall apply. 34086

(3) If a vessel or outboard motor ordered into storage under 34087
division (B)(2) of this section remains unclaimed for seventy-two 34088

storage reservoir is begun after September 9, 1957, the operator 35575
of such reservoir shall file with the division a map thereof as 35576
described in division (C) of this section, on the same day and not 35577
less than three months prior to beginning such injection or 35578
storage. 35579

(C) Each map filed with the division pursuant to this section 35580
shall be prepared by a registered surveyor, registered engineer, 35581
or competent geologist. It shall show both of the following: 35582

(1) The location of the boundary of such reservoir and the 35583
boundary of such reservoir's protective area, and the known fixed 35584

monuments, corner stones, or other permanent markers in such 35585
boundary lines; 35586

(2) The boundary lines of the counties, townships, and 35587
sections or lots that are within the limits of such map, and the 35588
name of each such county and township and the number of each such 35589
section or lot clearly indicated thereon. The legend of the map 35590
shall indicate the stratum or strata in which the gas storage 35591
reservoir is located. 35592

The location of the boundary of the gas storage reservoir as 35593
shown on the map shall be defined by the location of those wells 35594
around the periphery of such reservoir that had no gas production 35595
when drilled into the storage stratum of such reservoir, provided 35596
that if the operator of such reservoir, upon taking into 35597
consideration the number and nature of such wells, the geological 35598
and production knowledge of the storage stratum, its character, 35599
permeability, and distribution, and operating experience, 35600
determines that the location of the boundary of such reservoir 35601
should be differently defined, the reservoir operator may, on such 35602
map, show the boundary of such reservoir to be located at a 35603
location different than the location defined by the location of 35604
those wells around the periphery of such reservoir that had no gas 35605
production when drilled into the storage stratum. 35606

Whenever the operator of a gas storage reservoir determines 35607
that the location of the boundary of such reservoir as shown on 35608
the most recent map thereof on file in the division pursuant to 35609
this section is incorrect, the reservoir operator shall file with 35610
the division an amended map showing the boundary of such reservoir 35611
to be located at the location that the reservoir operator then 35612
considers to be correct. 35613

(D) Each operator of a gas storage reservoir who files with 35614
the division a map as required by this section shall, at the end 35615
of each six-month period following the date of such filing, file 35616

with the division an amended map showing changes, if any, in the 35617
boundary line of such reservoir or of such reservoir's protective 35618
area that have occurred in the six-month period. Nothing in this 35619
division shall be construed to require such a reservoir operator 35620
to file an amended map at the end of any such six-month period if 35621
no such boundary changes have occurred in such period. 35622

An operator of a gas storage reservoir who is required by 35623
this section to file an amended map with the division shall not be 35624
required to so file such an amended map after such time when the 35625
reservoir operator files with the division a map pertaining to 35626
such reservoir, as provided in section 1571.04 of the Revised 35627
Code. 35628

Sec. 1571.03. (A) Every operator of a coal mine who is 35629
required by sections 1563.03 to 1563.05 of the Revised Code, to 35630
file maps of such mine, shall cause to be shown on each of such 35631
maps, in addition to the boundary lines of each tract under which 35632
excavations are likely to be made during the ensuing year, as 35633
referred to in section 1563.03 of the Revised Code: 35634

(1) The boundary of such coal mine in accordance with the 35635
meaning of the term "boundary" ~~when used in referring to the~~ 35636
~~boundary of a coal mine, and the term "coal mine" as those terms~~ 35637
~~are defined~~ in section 1571.01 of the Revised Code; 35638

(2) The boundary of the mine protective area of such mine. 35639

This division shall not be construed to amend or repeal any 35640
provisions of sections 1563.03 to 1563.05 of the Revised Code, 35641
either by implication or otherwise. 35642

This division is intended only to add to existing statutory 35643
requirements pertaining to the filing of coal mine maps with the 35644
division of mineral resources management, the requirements 35645
established in this division. 35646

(B) Every operator of a coal mine who believes that any part of the boundary of such mine is within two thousand linear feet of a well that is drilled through the horizon of such coal mine and into or through the storage stratum or strata of a gas storage reservoir within the boundary of such reservoir or within its protective area, shall at once send notice to that effect by registered mail to the operator of such reservoir, the division of mineral resources management, and ~~to~~ the division of oil and gas resources management.

(C) Every operator of a coal mine who expects that any part of the boundary of such mine will, on a date after September 9, 1957, be extended beyond its location on such date to a point within two thousand linear feet of a well that is drilled through the horizon of such mine and into or through the stratum or strata of a gas storage reservoir within the boundary of such reservoir or within its protective area, shall send at least nine months' notice of such date and of the location of such well by registered mail to the operator of such reservoir, the division of mineral resources management, and ~~to~~ the division of oil and gas resources management. If at the end of three years after the date stated in the notice by an operator of a coal mine to an operator of a storage reservoir as the date upon which part of the boundary of such coal mine is expected to be extended to a point within two thousand linear feet of such well, no part of such coal mine is so extended, the operator of such coal mine shall be liable to the operator of such storage reservoir for all expenses incurred by such reservoir operator in doing the plugging or reconditioning of such well as the reservoir operator is required to do in such cases as provided in section 1571.05 of the Revised Code. Such mine operator shall in no event be liable to such reservoir operator:

(1) For expenses of plugging or reconditioning such well

incurred prior to receipt by such reservoir operator from such 35679
mine operator of a notice as provided for in this division; 35680

(2) For any expenses of plugging or reconditioning such well 35681
if any part of the work of plugging or reconditioning was 35682
commenced prior to receipt by such reservoir operator from such 35683
mine operator of a notice as provided for in this division. 35684

(D) If a person intends to open a new coal mine after 35685
September 9, 1957, and if at the time of its opening any part of 35686
the boundary of such mine will be within two thousand linear feet 35687
of a well that is drilled through the horizon of such mine and 35688
into or through the storage stratum or strata of a gas storage 35689
reservoir within the boundary of such reservoir or within its 35690
protective area, such person shall send by registered mail to the 35691
operator of such storage reservoir, the division of mineral 35692
resources management, and ~~to~~ the division of oil and gas resources 35693
management at least nine months' notice of the date upon which the 35694
person intends to open such mine, and of the location of such 35695
well. If at the end of nine months after the date stated in the 35696
notice by an operator of a coal mine to an operator of a storage 35697
reservoir, the division of mineral resources management, and ~~to~~ 35698
the division of oil and gas resources management, as the date upon 35699
which such coal mine operator intends to open such new mine, such 35700
new mine is not opened, the operator of such coal mine shall be 35701
liable to the operator of such storage reservoir for all expenses 35702
incurred by such reservoir operator in doing the plugging or 35703
reconditioning of such well as the reservoir operator is required 35704
to do in such cases as provided in section 1571.05 of the Revised 35705
Code, provided: 35706

(1) That such mine operator may, prior to the end of nine 35707
months after the date stated in such mine operator's notice to 35708
such reservoir operator, the division of mineral resources 35709
management, and the division of oil and gas resources management 35710

as the date upon which the mine operator intended to open such new 35711
mine, notify such reservoir operator, the division of mineral 35712
resources management, and the division of oil and gas resources 35713
management in writing by registered mail, that the opening of such 35714
new mine will be delayed beyond the end of such nine-month period 35715
of time, and that the mine operator requests that a conference be 35716
held as provided in section 1571.10 of the Revised Code for the 35717
purpose of endeavoring to reach an agreement establishing a date 35718
subsequent to the end of such nine-month period of time, on or 35719
before which such mine operator may open such new mine without 35720
being liable to pay such reservoir operator expenses incurred by 35721
such reservoir operator in plugging or reconditioning such well as 35722
in this division provided; 35723

(2) That if such mine operator sends to such reservoir 35724
operator, the division of mineral resources management, and ~~to~~ the 35725
division of oil and gas resources management a notice and request 35726
for a conference as provided in division (D)(1) of this section, 35727
such mine operator shall not be liable to pay such reservoir 35728
operator for expenses incurred by such reservoir operator in 35729
plugging and reconditioning such well, unless such mine operator 35730
fails to open such new mine within the period of time fixed by an 35731
approved agreement reached in such conference, or fixed by an 35732
order by the chief of the division of ~~mineral~~ oil and gas 35733
resources management upon a hearing held in the matter in the 35734
event of failure to reach an approved agreement in the 35735
conference~~r~~. After issuing an order under this division, the chief 35736
shall notify the chief of the division of mineral resources 35737
management and send a copy of the order to the chief. 35738

(3) That such mine operator shall in no event be liable to 35739
such reservoir operator: 35740

(a) For expense of plugging or reconditioning such well 35741
incurred prior to the receipt by such reservoir operator from such 35742

mine operator of the notice of the date upon which such mine 35743
operator intends to open such new mine; 35744

(b) For any expense of plugging or reconditioning such well 35745
if any part of the work of plugging or reconditioning was 35746
commenced prior to receipt by such reservoir operator from such 35747
mine operator of such notice. 35748

Sec. 1571.04. (A) Upon the filing of each map or amended map 35749
with the division of ~~mineral~~ oil and gas resources management by 35750
operators of gas storage reservoirs as required by this chapter, 35751
and each coal mine map with the division of mineral resources 35752
management as required by sections 1563.03 to 1563.05 and division 35753
(A) of section 1571.03 of the Revised Code, the gas storage well 35754
inspector shall cause an examination to be made of all maps on 35755
file in ~~the division~~ those divisions as the gas storage well 35756
inspector may deem necessary to ascertain whether any part of a 35757
reservoir protective area as shown on any such map is within ten 35758
thousand linear feet of any part of the boundary of a coal mine as 35759
shown on any such map. If, upon making that examination, the gas 35760
storage well inspector finds that any part of such a reservoir 35761
protective area is within ten thousand linear feet of any part of 35762
the boundary of such a coal mine, the gas storage well inspector 35763
shall promptly send by registered mail notice to that effect to 35764
the operator of the reservoir and to the operator of the coal 35765
mine. 35766

(B) Within sixty days after receipt by an operator of a gas 35767
storage reservoir of a notice from the gas storage well inspector 35768
under division (A) of this section, such operator shall file on 35769
the same day with both the division ~~a map~~ of mineral resources 35770
management and the division of oil and gas resources management 35771
identical maps prepared by a registered surveyor, registered 35772
engineer, or competent geologist, which shall do all of the 35773

following: 35774

(1) Indicate the stratum or strata in which such gas storage 35775
reservoir is located; 35776

(2) Show the location of the boundary of the reservoir and 35777
the boundary of its protective area, and the known fixed 35778
monuments, corner stones, or other permanent markers in such 35779
boundary lines; 35780

(3) Show the boundary lines of the counties, townships, and 35781
sections or lots that are within the limits of such maps, and the 35782
name of each such county and township and the number of each such 35783
section or lot clearly indicated thereon; 35784

(4) Show the location of all oil or gas wells known to the 35785
operator of such reservoir that have been drilled within the 35786
boundary of the reservoir or within its protective area, and 35787
indicate which of such wells, if any, have been or are to be 35788
plugged or reconditioned for use in the operation of such 35789
reservoir. 35790

The location of the boundary of the gas storage reservoir as 35791
shown on the maps shall be defined by the location of those wells 35792
around the periphery of the reservoir that had no gas production 35793
when drilled into the storage stratum of the reservoir, provided 35794
that, if the operator of the reservoir, upon taking into 35795
consideration the number and nature of such wells, the geological 35796
and production knowledge of the storage stratum, its character, 35797
permeability, and distribution, and operating experience, 35798
determines that the location of the boundary of the reservoir 35799
should be differently defined, the reservoir operator may, on the 35800
maps, show the boundary of the reservoir to be located at a 35801
location different from the location defined by the location of 35802
those wells around the periphery of the reservoir that had no gas 35803
production when drilled into the storage stratum. 35804

(C) Any coal mine operator who receives from the gas storage well inspector a copy of a map as provided by division (E) of this section may request the gas storage well inspector to furnish the coal mine operator with:	35805 35806 35807 35808
(1) The name of the original operator of any well shown on such map;	35809 35810
(2) The date drilling of such well was completed;	35811
(3) The total depth of such well;	35812
(4) The depth at which oil or gas was encountered in such well if it was productive of oil or gas;	35813 35814
(5) The initial rock pressure of such well;	35815
(6) A copy of the log of the driller of such well or other similar data;	35816 35817
(7) The location of such well in respect to the property lines of the tract of land on which it is located;	35818 35819
(8) A statement as to whether the well is inactive or active:	35820
(a) If inactive, the date of plugging and other pertinent data;	35821 35822
(b) If active, whether it is being used for test purposes or storage purposes + ;	35823 35824
(9) A statement of the maximum injection pressure contemplated by the operator of the reservoir shown on such map.	35825 35826
Upon receipt of such a request, the gas storage well inspector shall promptly furnish the coal mine operator the information requested. If the information is not ascertainable from the files in the division <u>of oil and gas resources management</u> , the gas storage well inspector shall request the reservoir operator to furnish the division with such information to the extent that the reservoir operator has knowledge thereof.	35827 35828 35829 35830 35831 35832 35833

Upon receipt of such a request, the reservoir operator shall 35834
promptly furnish such information to the division. Thereupon the 35835
gas storage well inspector shall promptly transmit such 35836
information to the mine operator who requested it. 35837

Whenever the operator of a gas storage reservoir determines 35838
that the location of the boundary of the reservoir as shown on the 35839
most recent map thereof on file in the division pursuant to this 35840
section is incorrect, the reservoir operator shall file with the 35841
division an amended map showing the boundary of the reservoir to 35842
be located at the location that the reservoir operator then 35843
considers to be correct. 35844

(D) Each operator of a gas storage reservoir who files a ~~map~~ 35845
with the division of mineral resources management and the division 35846
of oil and gas resources management maps as required by this 35847
section shall, at the end of each six-month period following the 35848
date of such filing, file with ~~the~~ each division ~~an~~ identical 35849
amended ~~map~~ maps showing changes in the boundary line of the 35850
reservoir or of the reservoir's protective area that have occurred 35851
in the six-month period, and further showing or describing any 35852
other occurrences within that six-month period that cause the most 35853
recent ~~map~~ maps on file and pertaining to the reservoir to no 35854
longer be correct. Nothing in this division shall be construed to 35855
require such a reservoir operator to file an amended map at the 35856
end of any such six-month period if no boundary changes or other 35857
occurrences have occurred in that period. The operator of the 35858
reservoir shall also file with the division of mineral resources 35859
management and the division of oil and gas resources management, 35860
subsequent to the filing of a ~~map~~ maps as provided for in division 35861
(B) of this section, a statement whenever changing the maximum 35862
injection pressure is contemplated, stating for each affected well 35863
within the boundary of the reservoir or its protective area, the 35864
amount of change of injection pressure contemplated. The location 35865

or drilling of new wells or the abandonment or reconditioning of 35866
wells shall not be considered to be occurrences requiring the 35867
filing of an amended map or statement. 35868

(E) Promptly upon the filing with the division of oil and gas 35869
resources management of a map or an amended map pertaining to a 35870
gas storage reservoir under this section, the gas storage well 35871
inspector shall send by registered mail to the operator of the 35872
coal mine a part of the boundary of which is within ten thousand 35873
linear feet of any part of the boundary of the reservoir or of the 35874
outside boundary of the reservoir's protective area, notice of the 35875
filing together with a copy of the map. 35876

(F) When the operator of a gas storage reservoir files with 35877
the division ~~a map~~ of mineral resources management and the 35878
division of oil and gas resources management maps or ~~an~~ amended 35879
~~map~~ maps under this section, the reservoir operator shall file as 35880
many copies of the ~~map~~ maps as the each division may require for 35881
its files and as are needed for sending a copy to each coal mine 35882
operator under division (E) of this section. 35883

Sec. 1571.05. (A) Whenever any part of a gas storage 35884
reservoir or any part of its protective area underlies any part of 35885
a coal mine, or is, or within nine months is expected or intended 35886
to be, within two thousand linear feet of the boundary of a coal 35887
mine that is operating in a coal seam any part of which extends 35888
over any part of the storage reservoir or its protective area, the 35889
operator of the reservoir, if the reservoir operator or some other 35890
reservoir operator has not theretofore done so, shall: 35891

(1) Use every known method that is reasonable under the 35892
circumstance for discovering and locating all wells drilled within 35893
the area of the reservoir or its protective area that underlie any 35894
part of the coal mine or its protective area; 35895

(2) Plug or recondition all known wells drilled within the 35896

area of the reservoir or its protective area that underlie any 35897
part of the coal mine. 35898

(B) Whenever an operator of a gas storage reservoir is 35899
notified by the operator of a coal mine, as provided in division 35900
(B) of section 1571.03 of the Revised Code, that the coal mine 35901
operator believes that part of the boundary of the mine is within 35902
two thousand linear feet of a well that is drilled through the 35903
horizon of the coal mine and into or through the storage stratum 35904
or strata of the reservoir within the boundary of the reservoir or 35905
within its protective area, the reservoir operator shall plug or 35906
recondition the well as in this section prescribed, unless it is 35907
agreed in a conference or is ordered by the chief of the division 35908
of ~~mineral~~ oil and gas resources management after a hearing, as 35909
provided in section 1571.10 of the Revised Code, that the well 35910
referred to in the notice is not such a well as is described in 35911
division (B) of section 1571.03 of the Revised Code. 35912

Whenever an operator of a gas storage reservoir is notified 35913
by the operator of a coal mine as provided in division (C) or (D) 35914
of section 1571.03 of the Revised Code, that part of the boundary 35915
of the mine is, or within nine months is intended or expected to 35916
be, within two thousand linear feet of a well that is drilled 35917
through the horizon of the mine and into or through the storage 35918
stratum or strata of the reservoir within the boundary of the 35919
reservoir or within its protective area, the reservoir operator 35920
shall plug or recondition the well as in this section prescribed. 35921

Whenever the operator of a coal mine considers that the use 35922
of a well such as in this section described, if used for injecting 35923
gas into, or storing gas in, or removing gas from, a gas storage 35924
reservoir, would be hazardous to the safety of persons or property 35925
on or in the vicinity of the premises of the coal mine or the 35926
reservoir or well, the coal mine operator may file with the 35927
division objections to the use of the well for such purposes, and 35928

a request that a conference be held as provided in section 1571.10 35929
of the Revised Code, to discuss and endeavor to resolve by mutual 35930
agreement whether or not the well shall or shall not be used for 35931
such purposes, and whether or not the well shall be reconditioned, 35932
inactivated, or plugged. The request shall set forth the mine 35933
operator's reasons for such objections. If no approved agreement 35934
is reached in the conference, the gas storage well inspector shall 35935
within ten days after the termination of the conference, file with 35936
the chief a request that the chief hear and determine the matters 35937
considered at the conference as provided in section 1571.10 of the 35938
Revised Code. Upon conclusion of the hearing, the chief shall find 35939
and determine whether or not the safety of persons or of the 35940
property on or in the vicinity of the premises of the coal mine, 35941
or the reservoir, or the well requires that the well be 35942
reconditioned, inactivated, or plugged, and shall make an order 35943
consistent with that determination, provided that the chief shall 35944
not order a well plugged unless the chief first finds that there 35945
is underground leakage of gas therefrom. 35946

The plugging or reconditioning of each well described in a 35947
notice from a coal mine operator to a reservoir operator as 35948
provided in division (B) of section 1571.03 of the Revised Code, 35949
which must be plugged or reconditioned, shall be completed within 35950
such time as the gas storage well inspector may fix in the case of 35951
each such well. The plugging or reconditioning of each well 35952
described in a notice from a coal mine operator to a reservoir 35953
operator as provided in division (C) of section 1571.03 of the 35954
Revised Code, which must be plugged or reconditioned, shall be 35955
completed by the time the well, by reason of the extension of the 35956
boundary of the coal mine, is within two thousand linear feet of 35957
any part of the boundary of the mine. The plugging or 35958
reconditioning of each well described in a notice from a coal mine 35959
operator to a reservoir operator, as provided in division (D) of 35960
section 1571.03 of the Revised Code, which must be plugged or 35961

reconditioned, shall be completed by the time the well, by reason 35962
of the opening of the new mine, is within two thousand linear feet 35963
of any part of the boundary of the new mine. A reservoir operator 35964
who is required to complete the plugging or reconditioning of a 35965
well within a period of time fixed as in this division prescribed, 35966
may prior to the end of that period of time, notify the division 35967
and the mine operator from whom the reservoir operator received a 35968
notice as provided in division (B), (C), or (D) of section 1571.03 35969
of the Revised Code, in writing by registered mail, that the 35970
completion of the plugging or reconditioning of the well referred 35971
to in the notice will be delayed beyond the end of the period of 35972
time fixed therefor as in this section provided, and that the 35973
reservoir operator requests that a conference be held for the 35974
purpose of endeavoring to reach an agreement establishing a date 35975
subsequent to the end of that period of time, on or before which 35976
the reservoir operator may complete the plugging or reconditioning 35977
without incurring any penalties for failure to do so as provided 35978
in this chapter. If such a reservoir operator sends to such a mine 35979
operator and to the division a notice and request for a conference 35980
as in this division provided, the reservoir operator shall not 35981
incur any penalties for failure to complete the plugging or 35982
reconditioning of the well within the period of time fixed as in 35983
this division prescribed, unless the reservoir operator fails to 35984
complete the plugging or reconditioning of the well within the 35985
period of time fixed by an approved agreement reached in the 35986
conference, or fixed by an order by the chief upon a hearing held 35987
in the matter in the event of failure to reach an approved 35988
agreement in the conference. 35989

Whenever, in compliance with this division, a well is to be 35990
plugged by a reservoir operator, the operator shall give to the 35991
division notice thereof, as many days in advance as will be 35992
necessary for the gas storage well inspector or a deputy mine 35993
inspector to be present at the plugging. The notification shall be 35994

made on blanks furnished by the division and shall show the following information:

- (1) Name and address of the applicant;
- (2) The location of the well identified by section or lot number, city or village, and township and county;
- (3) The well name and number of each well to be plugged.

(C) The operator shall give written notice at the same time to the owner of the land upon which the well is located, the owners or agents of the adjoining land, and adjoining well owners or agents of the operator's intention to abandon the well, and of the time when the operator will be prepared to commence plugging and filling the same. In addition to giving such notices, the reservoir operator shall also at the same time send a copy of the notice by registered mail to the coal mine operator, if any, who sent to the reservoir operator the notice as provided in division (B), (C), or (D) of section 1571.03 of the Revised Code, in order that the coal mine operator or the coal mine operator's designated representative may attend and observe the manner in which the plugging of the well is done.

If the reservoir operator plugs the well without an the gas storage well inspector ~~from the division~~ or a deputy mine inspector being present to supervise the plugging, the reservoir operator shall send to the division and to the coal mine operator a copy of the report of the plugging of the well, including in the report:

- (1) The date of abandonment;
- (2) The name of the owner or operator of the well at the time of abandonment and the well owner's or operator's post office address;
- (3) The location of the well as to township and county and

the name of the owner of the surface upon which the well is drilled, with the address thereof; 36025
36026

(4) The date of the permit to drill; 36027

(5) The date when drilled; 36028

(6) Whether the well has been mapped; 36029

(7) The depth of the well; 36030

(8) The depth of the top of the sand to which the well was drilled; 36031
36032

(9) The depth of each seam of coal drilled through; 36033

(10) A detailed report as to how the well was plugged, giving 36034
in particular the manner in which the coal and various sands were 36035
plugged, and the date of the plugging of the well, including 36036
therein the names of those who witnessed the plugging of the well. 36037

The report shall be signed by the operator or the operator's 36038
agent who plugged the well and verified by the oath of the party 36039
so signing. For the purposes of this section, a deputy mine 36040
inspector may take acknowledgements and administer oaths to the 36041
parties signing the report. 36042

Whenever, in compliance with this division, a well is to be 36043
reconditioned by a reservoir operator, the operator shall give to 36044
the division notice thereof as many days before the reconditioning 36045
is begun as will be necessary for the gas storage well inspector, 36046
or a deputy mine inspector, to be present at the reconditioning. 36047
No well shall be reconditioned if an inspector of the division is 36048
not present unless permission to do so has been granted by the 36049
chief. The reservoir operator, at the time of giving notice to the 36050
division as in this section required, also shall send a copy of 36051
the notice by registered mail to the coal mine operator, if any, 36052
who sent to the reservoir operator the notice as provided in 36053
division (B), (C), or (D) of section 1571.03 of the Revised Code, 36054

in order that the coal mine operator or the coal mine operator's 36055
designated representative may attend and observe the manner in 36056
which the reconditioning of the well is done. 36057

If the reservoir operator reconditions the well when ~~no~~ the 36058
gas storage well inspector ~~of the division~~ or a deputy mine 36059
inspector is not present to supervise the reconditioning, the 36060
reservoir operator shall make written report to the division 36061
describing the manner in which the reconditioning was done, and 36062
shall send to the coal mine operator a copy of the report by 36063
registered mail. 36064

(D) Wells that are required by this section to be plugged 36065
shall be plugged in the manner specified in sections 1509.13 to 36066
1509.17 of the Revised Code, and the operator shall give the 36067
notifications and reports required by divisions (B) and (C) of 36068
this section. No such well shall be plugged or abandoned without 36069
the written approval of the division, and no such well shall be 36070
mudded, plugged, or abandoned without the gas storage well 36071
inspector or a deputy mine inspector present unless written 36072
permission has been granted by the chief or the gas storage well 36073
inspector. For purposes of this section, the chief of the division 36074
of mineral resources management has the authority given the chief 36075
of the division of oil and gas resources management in sections 36076
1509.15 and 1509.17 of the Revised Code. If such a well has been 36077
plugged prior to the time plugging thereof is required by this 36078
section, and, on the basis of the data, information, and other 36079
evidence available it is determined that the plugging was done in 36080
the manner required by this section, or was done in accordance 36081
with statutes prescribing the manner of plugging wells in effect 36082
at the time the plugging was done, and that there is no evidence 36083
of leakage of gas from the well either at or below the surface, 36084
and that the plugging is sufficiently effective to prevent the 36085
leakage of gas from the well, the obligations imposed upon the 36086

reservoir operator by this section as to plugging the well shall 36087
be considered fully satisfied. The operator of a coal mine any 36088
part of the boundary of which is, or within nine months is 36089
expected or intended to be, within two thousand linear feet of the 36090
well may at any time raise a question as to whether the plugging 36091
of the well is sufficiently effective to prevent the leakage of 36092
gas therefrom, and the issue so made shall be determined by a 36093
conference or hearing as provided in section 1571.10 of the 36094
Revised Code. 36095

(E) Wells that are to be reconditioned as required by this 36096
section shall be, or shall be made to be: 36097

(1) Cased in accordance with the statutes of this state in 36098
effect at the time the wells were drilled, with the casing being, 36099
or made to be, sufficiently effective in that there is no evidence 36100
of any leakage of gas therefrom; 36101

(2) Equipped with a producing string and well head composed 36102
of new pipe, or pipe as good as new, and fittings designed to 36103
operate with safety and to contain the stored gas at maximum 36104
pressures contemplated. 36105

When a well that is to be reconditioned as required by this 36106
section has been reconditioned for use in the operation of the 36107
reservoir prior to the time prescribed in this section, and on the 36108
basis of the data, information, and other evidence available it is 36109
determined that at the time the well was so reconditioned the 36110
requirements prescribed in this division were met, and that there 36111
is no evidence of underground leakage of gas from the well, and 36112
that the reconditioning is sufficiently effective to prevent 36113
underground leakage from the well, the obligations imposed upon 36114
the reservoir operator by this section as to reconditioning the 36115
well shall be considered fully satisfied. Any operator of a coal 36116
mine any part of the boundary of which is, or within nine months 36117
is expected or intended to be, within two thousand linear feet of 36118

the well may at any time raise a question as to whether the 36119
reconditioning of the well is sufficiently effective to prevent 36120
underground leakage of gas therefrom, and the issue so made shall 36121
be determined by a conference or hearing as provided in section 36122
1571.10 of the Revised Code. 36123

If the gas storage well inspector at any time finds that a 36124
well that is drilled through the horizon of a coal mine and into 36125
or through the storage stratum or strata of a reservoir within the 36126
boundary of the reservoir or within its protective area is located 36127
within the boundary of the coal mine or within two thousand linear 36128
feet of the mine boundary, and was drilled prior to the time the 36129
statutes of this state required that wells be cased, and that the 36130
well fails to meet the casing and equipping requirements 36131
prescribed in this division, the gas storage well inspector shall 36132
promptly notify the operator of the reservoir thereof in writing, 36133
and the reservoir operator upon receipt of the notice shall 36134
promptly recondition the well in the manner prescribed in this 36135
division for reconditioning wells, unless, in a conference or 36136
hearing as provided in section 1571.10 of the Revised Code, a 36137
different course of action is agreed upon or ordered. 36138

(F)(1) When a well within the boundary of a gas storage 36139
reservoir or within the reservoir's protective area penetrates the 36140
storage stratum or strata of the reservoir, but does not penetrate 36141
the coal seam within the boundary of a coal mine, the gas storage 36142
well inspector may, upon application of the operator of the 36143
storage reservoir, exempt the well from the requirements of this 36144
section. Either party affected by the action of the gas storage 36145
well inspector may request a conference and hearing with respect 36146
to the exemption. 36147

(2) When a well located within the boundary of a storage 36148
reservoir or a reservoir's protective area is a producing well in 36149
a stratum above or below the storage stratum, the obligations 36150

imposed by this section shall not begin until the well ceases to 36151
be a producing well. 36152

(G) When retreat mining reaches a point in a coal mine when 36153
the operator of the mine expects that within ninety days retreat 36154
work will be at the location of a pillar surrounding an active 36155
storage reservoir well, the operator of the mine shall promptly 36156
send by registered mail notice to that effect to the operator of 36157
the reservoir. Thereupon the operators may by agreement determine 36158
whether it is necessary or advisable to temporarily inactivate the 36159
well. If inactivated, the well shall not be reactivated until a 36160
reasonable period of time has elapsed, such period of time to be 36161
determined by agreement by the operators. In the event that the 36162
parties cannot agree upon either of the foregoing matters, the 36163
question shall be submitted to the gas storage well inspector for 36164
a conference in accordance with section 1571.10 of the Revised 36165
Code. 36166

(H)(1) The provisions of this section that require the 36167
plugging or reconditioning of wells shall not apply to such wells 36168
as are used to inject gas into, store gas in, or remove gas from a 36169
gas storage reservoir when the sole purpose of the injection, 36170
storage, or removal is testing. The operator of a gas storage 36171
reservoir who injects gas into, stores gas in, or removes gas from 36172
a reservoir for the sole purpose of testing shall be subject to 36173
all other provisions of this chapter that are applicable to 36174
operators of reservoirs. 36175

(2) If the injection of gas into, or storage of gas in, a gas 36176
storage reservoir any part of which, or of the protective area of 36177
which, is within the boundary of a coal mine is begun after 36178
September 9, 1957, and if the injection or storage of gas is for 36179
the sole purpose of testing, the operator of the reservoir shall 36180
send by registered mail to the operator of the coal mine, the 36181
division of oil and gas resources management, and ~~to~~ the division 36182

of mineral resources management at least sixty days' notice of the 36183
date upon which the testing will be begun. 36184

If at any time within the period of time during which testing 36185
of a reservoir is in progress, any part of the reservoir or of its 36186
protective area comes within any part of the boundary of a coal 36187
mine, the operator of the reservoir shall promptly send notice to 36188
that effect by registered mail to the operator of the mine, the 36189
division of oil and gas resources management, and ~~to~~ the division 36190
of mineral resources management. 36191

(3) Any coal mine operator who receives a notice as provided 36192
for in division (H)(2) of this section may within thirty days of 36193
the receipt thereof file with the division objections to the 36194
testing. The gas storage well inspector also may, within the time 36195
within which a coal mine operator may file an objection, place in 36196
the files of the division objections to the testing. The reservoir 36197
operator shall comply throughout the period of the testing 36198
operations with all conditions and requirements agreed upon and 36199
approved in the conference on such objections conducted as 36200
provided in section 1571.10 of the Revised Code, or in an order 36201
made by the chief following a hearing in the matter as provided in 36202
section 1571.10 of the Revised Code. If in complying with the 36203
agreement or order either the reservoir operator or the coal mine 36204
operator encounters or discovers conditions that were not known to 36205
exist at the time of the conference or hearing and that materially 36206
affect the agreement or order, or the ability of the reservoir 36207
operator to comply therewith, either operator may apply for a 36208
rehearing or modification of the order. 36209

(I) In addition to complying with all other provisions of 36210
this chapter and any lawful orders issued thereunder, the operator 36211
of each gas storage reservoir shall keep all wells drilled into or 36212
through the storage stratum or strata within the boundary of the 36213
operator's reservoir or within the reservoir's protective area in 36214

such condition, and operate the same in such manner, as to prevent 36215
the escape of gas therefrom into any coal mine, and shall operate 36216
and maintain the storage reservoir and its facilities in such 36217
manner and at such pressures as will prevent gas from escaping 36218
from the reservoir or its facilities into any coal mine. 36219

Sec. 1571.06. (A) Distances between boundaries of gas storage 36220
reservoirs, reservoir protective areas, coal mines, coal mine 36221
protective areas, and wells, as shown on the most recent maps of 36222
storage reservoirs and of coal mines filed with the division of 36223
oil and gas resources management or the division of mineral 36224
resources management as required by this chapter and sections 36225
1563.03 to 1563.05 of the Revised Code, may be accepted and relied 36226
upon as being accurate and correct, by operators of coal mines and 36227
operators of reservoirs. Data, statements, and reports filed with 36228
~~the~~ either division as required by this chapter and sections 36229
1563.03 to 1563.05 of the Revised Code may be likewise accepted 36230
and relied upon. However, the gas storage well inspector or any 36231
reservoir operator or coal mine operator, or any other person 36232
having a direct interest in the matter, may at any time question 36233
the accuracy or correctness of any map, data, statement, or report 36234
so filed, with ~~the~~ either division by notifying ~~the division~~ both 36235
divisions thereof in writing. Such notice shall state the reasons 36236
why the question is raised. When any such notice is so filed, the 36237
gas storage well inspector shall proceed promptly to hold a 36238
conference on the question thus raised, as provided in section 36239
1571.10 of the Revised Code. 36240

(B) If, in any proceeding under this chapter, the accuracy or 36241
correctness of any map, data, statement, or report, filed by any 36242
person pursuant to the requirements of this chapter is in 36243
question, the person so filing the same shall have the burden of 36244
proving the accuracy or correctness thereof. 36245

(C) The operator of a gas storage reservoir shall, at all 36246
reasonable times, be permitted to inspect the premises and 36247
facilities of any coal mine any part of the boundary of which is 36248
within any part of the boundary of such gas storage reservoir or 36249
within its protective area, and the operator of a coal mine shall, 36250
at all reasonable times, be permitted to inspect the premises and 36251
facilities of any gas storage reservoir any part of the boundary 36252
of which or any part of the protective area of which is within the 36253
boundary of such coal mine. In the event that either such 36254
reservoir operator or such coal mine operator denies permission to 36255
make any such inspection, the chief of the division of ~~mineral oil~~ 36256
and gas resources management on the chief's own motion, or on an 36257
application by the operator desiring to make such inspection, upon 36258
a hearing thereon if requested by either operator, after 36259
reasonable notice of such hearing, may make an order providing for 36260
such inspection. 36261

Sec. 1571.08. (A) Whenever in this chapter, the method or 36262
material to be used in discharging any obligations imposed by this 36263
chapter is specified, an alternative method or material may be 36264
used if approved by the gas storage well inspector or the chief of 36265
the division of ~~mineral oil and gas~~ resources management. A person 36266
desiring to use such alternative method or material shall file 36267
with the division of ~~mineral oil and gas~~ resources management an 36268
application for permission to do so. Such application shall 36269
describe such alternative method or material in reasonable detail. 36270
The gas storage well inspector shall promptly send by registered 36271
mail notice of the filing of such application to any coal mine 36272
operator or reservoir operator whose mine or reservoir may be 36273
directly affected thereby. Any such coal mine operator or 36274
reservoir operator may within ten days following receipt of such 36275
notice, file with the division objections to such application. The 36276
gas storage well inspector may also file with the division an 36277

objection to such application at any time during which coal mine operators or reservoir operators are permitted to file objections. If no objections are filed within the ten-day period of time, the gas storage well inspector shall thereupon issue a permit approving the use of such alternative method or material. If any such objections are filed by any coal mine operator or reservoir operator, or by the gas storage well inspector, the question as to whether or not the use of such alternative method or material, or a modification thereof is approved, shall be determined by a conference or hearing as provided in section 1571.10 of the Revised Code.

(B) Whenever in this chapter, provision is made for the filing of objections with the division, such objections shall be in writing and shall state as definitely as is reasonably possible the reasons for such objections. Upon the filing of any such objection the gas storage well inspector shall promptly fix the time and place for holding a conference for the purpose of discussing and endeavoring to resolve by mutual agreement the issue raised by such objection. The gas storage well inspector shall send written notice thereof by registered mail to each person having a direct interest therein. Thereupon the issue made by such objection shall be determined by a conference or hearing in accordance with the procedures for conferences and hearings as provided in section 1571.10 of the Revised Code.

Sec. 1571.09. (A) The chief of the division of ~~mineral oil~~ and gas resources management or any officer or employee of the division thereunto duly authorized by the chief may investigate, inspect, or examine records and facilities of any coal mine operator or reservoir operator, for the purpose of determining the accuracy or correctness of any map, data, statement, report, or other item or article, filed with or otherwise received by the division pursuant to this chapter. When a material question is

raised by any reservoir operator or coal mine operator as to the 36310
accuracy or correctness of any such map, data, statement, report, 36311
or other item or article, which may directly affect the reservoir 36312
operator or coal mine operator, the matter shall be determined by 36313
a conference or hearing as provided in section 1571.10 of the 36314
Revised Code. 36315

(B) The division of ~~mineral~~ oil and gas resources management 36316
shall keep all maps, data, statements, reports, well logs, 36317
notices, or other items or articles filed with or otherwise 36318
received by it pursuant to this chapter in a safe place and 36319
conveniently accessible to persons entitled to examine them. It 36320
shall maintain indexes of all such items and articles so that any 36321
of them may be promptly located. None of such items or articles 36322
shall be open to public inspection, but: (1) any of such items or 36323
articles pertaining to a mine may be examined by: the operator, 36324
owner, lessee, or agent of such mine; persons financially 36325
interested in such mine; owners of land adjoining such mine; the 36326
operator, owner, lessee, or agent of a mine adjoining such mine; 36327
authorized representatives of the persons employed to work in such 36328
mine; the operator of a gas storage reservoir any part of the 36329
boundary of which or of the boundary of its protective area is 36330
within ten thousand linear feet of the boundary of such mine, or 36331
the agent of such reservoir operator thereunto authorized by such 36332
reservoir operator; or any employee of the division of geological 36333
survey in the department of natural resources thereunto duly 36334
authorized by the chief of that division; and (2) any of such 36335
items or articles pertaining to a gas storage reservoir may be 36336
examined by: the operator of such reservoir; the operator of a 36337
coal mine any part of the boundary of which is within ten thousand 36338
linear feet of the boundary of a gas storage reservoir or of the 36339
boundary of its protective area, or the agent of such mine 36340
operator thereunto authorized by such mine operator, or the 36341
authorized representatives of the persons employed to work in such 36342

mine; or any employee of the division of geological survey 36343
thereunto duly authorized by the chief of that division. The 36344
division of ~~mineral~~ oil and gas resources management shall not 36345
permit any of such items or articles to be removed from its 36346
office, and it shall not furnish copies of any such items or 36347
articles to any person other than as provided in this chapter. 36348

The division shall keep a docket of all proceedings arising 36349
under this chapter, in which shall be entered the dates of any 36350
notice received or issued, the names of all persons to whom it 36351
sends a notice, and the address of each, the dates of conferences 36352
and hearings, and all findings, determinations, decisions, 36353
rulings, and orders, or other actions by the division. 36354

(C) Whenever any provision of this chapter requires the 36355
division to give notice to the operator of a coal mine of any 36356
proceeding to be held pursuant to this chapter, the division shall 36357
simultaneously give a copy of such notice to the authorized 36358
representatives of the persons employed to work in such mine. 36359

Sec. 1571.10. (A) The gas storage well inspector or any 36360
person having a direct interest in the administration of this 36361
chapter may at any time file with the division of ~~mineral~~ oil and 36362
gas resources management a written request that a conference be 36363
held for the purpose of discussing and endeavoring to resolve by 36364
mutual agreement any question or issue relating to the 36365
administration of this chapter, or to compliance with its 36366
provisions, or to any violation thereof. Such request shall 36367
describe the matter concerning which the conference is requested. 36368
Thereupon the gas storage well inspector shall promptly fix the 36369
time and place for the holding of such conference and shall send 36370
written notice thereof to each person having a direct interest 36371
therein. At such conference the gas storage well inspector or a 36372
representative of the division designated by the gas storage well 36373

inspector shall be in attendance, and shall preside at the 36374
conference, and the gas storage well inspector or designated 36375
representative may make such recommendations as the gas storage 36376
well inspector or designated representative deems proper. Any 36377
agreement reached at such conference shall be consistent with the 36378
requirements of this chapter and, if approved by the gas storage 36379
well inspector, it shall be reduced to writing and shall be 36380
effective. Any such agreement approved by the gas storage well 36381
inspector shall be kept on file in the division and a copy thereof 36382
shall be furnished to each of the persons having a direct interest 36383
therein. The conference shall be deemed terminated as of the date 36384
an approved agreement is reached or when any person having a 36385
direct interest therein refuses to confer thereafter. Such a 36386
conference shall be held in all cases prior to the holding of a 36387
hearing as provided in this section. 36388

(B) Within ten days after the termination of a conference at 36389
which no approved agreement is reached, any person who 36390
participated in such conference and who has a direct interest in 36391
the subject matter thereof, or the gas storage well inspector, may 36392
file with the chief of the division of ~~mineral~~ oil and gas 36393
resources management a request that the chief hear and determine 36394
the matter or matters, or any part thereof considered at the 36395
conference. Thereupon the chief shall promptly fix the time and 36396
place for the holding of such hearing and shall send written 36397
notice thereof to each person having a direct interest therein. 36398
The form of the request for such hearing and the conduct of the 36399
hearing shall be in accordance with rules that the chief adopts 36400
under section 1571.11 of the Revised Code. Consistent with the 36401
requirement for reasonable notice each such hearing shall be held 36402
promptly after the filing of the request therefor. Any person 36403
having a direct interest in the matter to be heard shall be 36404
entitled to appear and be heard in person or by attorney. The 36405
division may present at such hearing any evidence that is material 36406

to the matter being heard and that has come to the division's 36407
attention in any investigation or inspection made pursuant to this 36408
chapter. 36409

(C) For the purpose of conducting such a hearing the chief 36410
may require the attendance of witnesses and the production of 36411
books, records, and papers, and the chief may, and at the request 36412
of any person having a direct interest in the matter being heard, 36413
the chief shall, issue subpoenas for witnesses or subpoenas duces 36414
tecum to compel the production of any books, records, or papers, 36415
directed to the sheriffs of the counties where such witnesses are 36416
found, which subpoenas shall be served and returned in the same 36417
manner as subpoenas in criminal cases are served and returned. The 36418
fees of sheriffs shall be the same as those allowed by the court 36419
of common pleas in criminal cases. Witnesses shall be paid the 36420
fees and mileage provided for under section 119.094 of the Revised 36421

year. 37422

from an independent member of the American academy of actuaries to 37424
the superintendent of insurance opining that the increase in costs 37425

premiums or rates charged by the health insuring corporation for 37428
the coverage of basic health care services. 37429

(c) The superintendent of insurance makes the following 37430

superintendent determines that the applicant does not meet these 37698
requirements, the superintendent shall specify in what respects it 37699
is deficient. However, the superintendent shall not deny an 37700

nonpharmacy claims, the designation "Rx" is required to be 37906

(D) Each health insuring corporation described in division 37911

the expiration of sixty days after their filing unless the 37939
superintendent sooner gives approval. The filing shall be 37940
accompanied by an actuarial certification in the form prescribed 37941
by the superintendent. The superintendent shall disapprove the 37942
filing, if the superintendent determines within the sixty-day 37943
period that the contractual periodic prepayment or premium rate, 37944
or amendment, is not in accordance with sound actuarial principles 37945
or is not reasonably related to the applicable coverage and 37946
characteristics of the applicable class of enrollees. The 37947
superintendent shall notify the health insuring corporation of the 37948

shall be accompanied by an actuarial certification in the form 37955
prescribed by the superintendent. The superintendent may reject a 37956
filing made under division (A)(2) of this section at any time, 37957
with at least thirty days' written notice to a health insuring 37958
corporation, if the contractual periodic prepayment is not in 37959
accordance with sound actuarial principles or is not reasonably 37960
related to the applicable coverage and characteristics of the 37961
applicable class of enrollees. 37962

(3) At any time, the superintendent, upon at least thirty 37963
days' written notice to a health insuring corporation, may 37964
withdraw the approval given under division (A)(1) of this section, 37965
deemed or actual, of any contractual periodic prepayment or 37966
premium rate, or amendment, based on information that either of 37967

(a) The contractual periodic prepayment or premium rate, or 37969
amendment, is not in accordance with sound actuarial principles. 37970

(b) The contractual periodic prepayment or premium rate, or 37971
amendment, is not reasonably related to the applicable coverage 37972
and characteristics of the applicable class of enrollees. 37973

(4) Any disapproval under division (A)(1) of this section, 37974
any rejection of a filing made under division (A)(2) of this 37975
section, or any withdrawal of approval under division (A)(3) of 37976
this section, shall be effected by a written notice, which shall 37977
state the specific basis for the disapproval, rejection, or 37978
withdrawal and shall be issued in accordance with Chapter 119. of 37979
the Revised Code. 37980

(B) Notwithstanding division (A) of this section, a health 37981
insuring corporation may use a contractual periodic prepayment or 37982
premium rate for policies used for the coverage of beneficiaries 37983
enrolled in medicare pursuant to a medicare risk contract or 37984
medicare cost contract, or for policies used for the coverage of 37985

beneficiaries enrolled in the federal employees health benefits 37986
program pursuant to 5 U.S.C.A. 8905, or for policies used for the 37987
coverage of medicaid recipients, ~~or for policies used for coverage~~ 37988
~~of participants of the children's buy in program,~~ or for policies 37989
used for the coverage of beneficiaries under any other federal 37990
health care program regulated by a federal regulatory body, or for 37991
policies used for the coverage of beneficiaries under any contract 37992
covering officers or employees of the state that has been entered 37993
into by the department of administrative services, if both of the 37994
following apply: 37995

(1) The contractual periodic prepayment or premium rate has 37996
been approved by the United States department of health and human 37997
services, the United States office of personnel management, the 37998
department of job and family services, or the department of 37999
administrative services. 38000

(2) The contractual periodic prepayment or premium rate is 38001
filed with the superintendent prior to use and is accompanied by 38002
documentation of approval from the United States department of 38003
health and human services, the United States office of personnel 38004
management, the department of job and family services, or the 38005
department of administrative services. 38006

(C) The administrative expense portion of all contractual 38007
periodic prepayment or premium rate filings submitted to the 38008
superintendent for review must reflect the actual cost of 38009
administering the product. The superintendent may require that the 38010
administrative expense portion of the filings be itemized and 38011
supported. 38012

(D)(1) Copayments must be reasonable and must not be a 38013
barrier to the necessary utilization of services by enrollees. 38014

(2) A health insuring corporation, in order to ensure that 38015
copayments are reasonable and not a barrier to the necessary 38016

utilization of basic health care services by enrollees, may do one 38017
of the following: 38018

(a) Impose copayment charges on any single covered basic 38019
health care service that does not exceed forty per cent of the 38020
average cost to the health insuring corporation of providing the 38021
service; 38022

(b) Impose copayment charges that annually do not exceed 38023
twenty per cent of the total annual cost to the health insuring 38024
corporation of providing all covered basic health care services, 38025
including physician office visits, urgent care services, and 38026
emergency health services, when aggregated as to all persons 38027
covered under the filed product in question. In addition, annual 38028
copayment charges as to each enrollee shall not exceed twenty per 38029
cent of the total annual cost to the health insuring corporation 38030
of providing all covered basic health care services, including 38031
physician office visits, urgent care services, and emergency 38032
health services, as to such enrollee. The total annual cost of 38033
providing a health care service is the cost to the health insuring 38034
corporation of providing the health care service to its enrollees 38035
as reduced by any applicable provider discount. 38036

(3) To ensure that copayments are reasonable and not a 38037
barrier to the utilization of basic health care services, a health 38038
insuring corporation may not impose, in any contract year, on any 38039
subscriber or enrollee, copayments that exceed two hundred per 38040
cent of the average annual premium rate to subscribers or 38041
enrollees. 38042

(4) For purposes of division (D) of this section, both of the 38043
following apply: 38044

(a) Copayments imposed by health insuring corporations in 38045
connection with a high deductible health plan that is linked to a 38046
health savings account are reasonable and are not a barrier to the 38047

necessary utilization of services by enrollees. 38048

(b) Divisions (D)(2) and (3) of this section do not apply to 38049
a high deductible health plan that is linked to a health savings 38050
account. 38051

(E) A health insuring corporation shall not impose lifetime 38052
maximums on basic health care services. However, a health insuring 38053
corporation may establish a benefit limit for inpatient hospital 38054
services that are provided pursuant to a policy, contract, 38055
certificate, or agreement for supplemental health care services. 38056

(F) A health insuring corporation may require that an 38057
enrollee pay an annual deductible that does not exceed one 38058
thousand dollars per enrollee or two thousand dollars per family, 38059
except that: 38060

(1) A health insuring corporation may impose higher 38061
deductibles for high deductible health plans that are linked to 38062
health savings accounts; 38063

(2) The superintendent may adopt rules allowing different 38064
annual deductible amounts for plans with a medical savings 38065
account, health reimbursement arrangement, flexible spending 38066
account, or similar account; 38067

(3) A health insuring corporation may impose higher 38068
deductibles under health plans if requested by the group contract, 38069
policy, certificate, or agreement holder, or an individual seeking 38070
coverage under an individual health plan. This shall not be 38071
construed as requiring the health insuring corporation to create 38072
customized health plans for group contract holders or individuals. 38073

(G) As used in this section, "health savings account" and 38074
"high deductible health plan" have the same meanings as in the 38075
"Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 223, as 38076
amended. 38077

Sec. 1751.13. (A)(1)(a) A health insuring corporation shall, 38078
either directly or indirectly, enter into contracts for the 38079
provision of health care services with a sufficient number and 38080
types of providers and health care facilities to ensure that all 38081
covered health care services will be accessible to enrollees from 38082
a contracted provider or health care facility. 38083

(b) A health insuring corporation shall not refuse to 38084
contract with a physician for the provision of health care 38085
services or refuse to recognize a physician as a specialist on the 38086
basis that the physician attended an educational program or a 38087
residency program approved or certified by the American 38088
osteopathic association. A health insuring corporation shall not 38089
refuse to contract with a health care facility for the provision 38090
of health care services on the basis that the health care facility 38091
is certified or accredited by the American osteopathic association 38092
or that the health care facility is an osteopathic hospital as 38093
defined in section 3702.51 of the Revised Code. 38094

(c) Nothing in division (A)(1)(b) of this section shall be 38095
construed to require a health insuring corporation to make a 38096
benefit payment under a closed panel plan to a physician or health 38097
care facility with which the health insuring corporation does not 38098
have a contract, provided that none of the bases set forth in that 38099
division are used as a reason for failing to make a benefit 38100
payment. 38101

(2) When a health insuring corporation is unable to provide a 38102
covered health care service from a contracted provider or health 38103
care facility, the health insuring corporation must provide that 38104
health care service from a noncontracted provider or health care 38105
facility consistent with the terms of the enrollee's policy, 38106
contract, certificate, or agreement. The health insuring 38107
corporation shall either ensure that the health care service be 38108

provided at no greater cost to the enrollee than if the enrollee 38109
had obtained the health care service from a contracted provider or 38110
health care facility, or make other arrangements acceptable to the 38111
superintendent of insurance. 38112

(3) Nothing in this section shall prohibit a health insuring 38113
corporation from entering into contracts with out-of-state 38114
providers or health care facilities that are licensed, certified, 38115
accredited, or otherwise authorized in that state. 38116

(B)(1) A health insuring corporation shall, either directly 38117
or indirectly, enter into contracts with all providers and health 38118
care facilities through which health care services are provided to 38119
its enrollees. 38120

(2) A health insuring corporation, upon written request, 38121
shall assist its contracted providers in finding stop-loss or 38122
reinsurance carriers. 38123

(C) A health insuring corporation shall file an annual 38124
certificate with the superintendent certifying that all provider 38125
contracts and contracts with health care facilities through which 38126
health care services are being provided contain the following: 38127

(1) A description of the method by which the provider or 38128
health care facility will be notified of the specific health care 38129
services for which the provider or health care facility will be 38130
responsible, including any limitations or conditions on such 38131
services; 38132

(2) The specific hold harmless provision specifying 38133
protection of enrollees set forth as follows: 38134

"[Provider/Health Care Facility] agrees that in no event, 38135
including but not limited to nonpayment by the health insuring 38136
corporation, insolvency of the health insuring corporation, or 38137
breach of this agreement, shall [Provider/Health Care Facility] 38138
bill, charge, collect a deposit from, seek remuneration or 38139

reimbursement from, or have any recourse against, a subscriber, 38140
enrollee, person to whom health care services have been provided, 38141
or person acting on behalf of the covered enrollee, for health 38142
care services provided pursuant to this agreement. This does not 38143
prohibit [Provider/Health Care Facility] from collecting 38144
co-insurance, deductibles, or copayments as specifically provided 38145
in the evidence of coverage, or fees for uncovered health care 38146
services delivered on a fee-for-service basis to persons 38147
referenced above, nor from any recourse against the health 38148
insuring corporation or its successor." 38149

(3) Provisions requiring the provider or health care facility 38150
to continue to provide covered health care services to enrollees 38151
in the event of the health insuring corporation's insolvency or 38152
discontinuance of operations. The provisions shall require the 38153
provider or health care facility to continue to provide covered 38154
health care services to enrollees as needed to complete any 38155
medically necessary procedures commenced but unfinished at the 38156
time of the health insuring corporation's insolvency or 38157
discontinuance of operations. The completion of a medically 38158
necessary procedure shall include the rendering of all covered 38159
health care services that constitute medically necessary follow-up 38160
care for that procedure. If an enrollee is receiving necessary 38161
inpatient care at a hospital, the provisions may limit the 38162
required provision of covered health care services relating to 38163
that inpatient care in accordance with division (D)(3) of section 38164
1751.11 of the Revised Code, and may also limit such required 38165
provision of covered health care services to the period ending 38166
thirty days after the health insuring corporation's insolvency or 38167
discontinuance of operations. 38168

The provisions required by division (C)(3) of this section 38169
shall not require any provider or health care facility to continue 38170
to provide any covered health care service after the occurrence of 38171

any of the following:	38172
(a) The end of the thirty-day period following the entry of a liquidation order under Chapter 3903. of the Revised Code;	38173 38174
(b) The end of the enrollee's period of coverage for a contractual prepayment or premium;	38175 38176
(c) The enrollee obtains equivalent coverage with another health insuring corporation or insurer, or the enrollee's employer obtains such coverage for the enrollee;	38177 38178 38179
(d) The enrollee or the enrollee's employer terminates coverage under the contract;	38180 38181
(e) A liquidator effects a transfer of the health insuring corporation's obligations under the contract under division (A)(8) of section 3903.21 of the Revised Code.	38182 38183 38184
(4) A provision clearly stating the rights and responsibilities of the health insuring corporation, and of the contracted providers and health care facilities, with respect to administrative policies and programs, including, but not limited to, payments systems, utilization review, quality assurance, assessment, and improvement programs, credentialing, confidentiality requirements, and any applicable federal or state programs;	38185 38186 38187 38188 38189 38190 38191 38192
(5) A provision regarding the availability and confidentiality of those health records maintained by providers and health care facilities to monitor and evaluate the quality of care, to conduct evaluations and audits, and to determine on a concurrent or retrospective basis the necessity of and appropriateness of health care services provided to enrollees. The provision shall include terms requiring the provider or health care facility to make these health records available to appropriate state and federal authorities involved in assessing the quality of care or in investigating the grievances or	38193 38194 38195 38196 38197 38198 38199 38200 38201 38202

responsibilities may not be assigned or delegated by the provider 38207
or health care facility without the prior written consent of the 38208
health insuring corporation; 38209

(7) A provision requiring the provider or health care 38210
facility to maintain adequate professional liability and 38211
malpractice insurance. The provision shall also require the 38212
provider or health care facility to notify the health insuring 38213
corporation not more than ten days after the provider's or health 38214
care facility's receipt of notice of any reduction or cancellation 38215
of such coverage. 38216

(8) A provision requiring the provider or health care 38217
facility to observe, protect, and promote the rights of enrollees 38218
as patients; 38219

(9) A provision requiring the provider or health care 38220
facility to provide health care services without discrimination on 38221
the basis of a patient's participation in the health care plan, 38222
age, sex, ethnicity, religion, sexual preference, health status, 38223
or disability, and without regard to the source of payments made 38224
for health care services rendered to a patient. This requirement 38225
shall not apply to circumstances when the provider or health care 38226
facility appropriately does not render services due to limitations 38227
arising from the provider's or health care facility's lack of 38228
training, experience, or skill, or due to licensing restrictions. 38229

(10) A provision containing the specifics of any obligation 38230
on the primary care provider to provide, or to arrange for the 38231

38237
38238
38239
38240
38241

(13) A provision requiring those terms that are used in the contract and that are defined by this chapter, be used in the contract in a manner consistent with those definitions. 38242

(c) A provision that limits or otherwise restricts the	38267

section, to any enrollee covered by the contract. 38438

(F) Benefits otherwise payable to an enrollee under a direct 38439
payment contract shall be reduced by the amount of any benefits 38440

the health insuring corporation. 38467

(D) No solicitation document or advertisement used by a 38468
health insuring corporation shall contain any words, symbols, or 38469

entered into by the department of administrative services. 38491

Sec. 1751.31. (A) Any changes in a health insuring 38492
corporation's solicitation document shall be filed with the 38493
superintendent of insurance. The superintendent, within sixty days 38494
of filing, may disapprove any solicitation document or amendment 38495
to it on any of the grounds stated in this section. Such 38496
disapproval shall be effected by written notice to the health 38497
insuring corporation. The notice shall state the grounds for 38498
disapproval and shall be issued in accordance with Chapter 119. of 38499
the Revised Code. 38500

(B) The solicitation document shall contain all information 38501

care services to be available and the approximate number and type 38505
of full-time equivalent medical practitioners. The information 38506
shall be presented in the solicitation document in a manner that 38507
is clear, concise, and intelligible to prospective applicants in 38508
the proposed service area. 38509

otherwise available to revoke an offer, may cancel such agreement 38546
within seventy-two hours after having signed the agreement or 38547

cancellation is given to the health insuring corporation or its 38549
agents or other representatives. A notice of cancellation mailed 38550
to the health insuring corporation shall be considered to have 38551
been filed on its postmark date. 38552

(G) Nothing in this section shall prohibit healthy lifestyle 38553

an action under this division, notice shall be given to the tenant 39668
and compliance secured with section 5321.11 of the Revised Code. 39669

(9) Against tenants who have breached an obligation imposed upon them by a written rental agreement;	39670 39671

39707
39708
39709
39710

(15) Against any tenant who permits any person to occupy residential premises located within one thousand feet of any school premises or preschool or child day-care center premises if both of the following apply to the person: 39711

39719
39720
39721
39722

(B) If a tenant or manufactured home park resident holding under an oral tenancy is in default in the payment of rent, the tenant or resident forfeits the right of occupancy, and the landlord may, at the landlord's option, terminate the tenancy by notifying the tenant or resident, as provided in section 1923.04 of the Revised Code, to leave the premises, for the restitution of which an action may then be brought under this chapter. 39723
39724
39725
39726
39727
39728
39729

(C)(1) If a tenant or any other person with the tenant's permission resides in or occupies residential premises that are 39730

tenancy for those residential premises by notifying the tenant and 39738
all other occupants, as provided in section 1923.04 of the Revised 39739
Code, to leave the premises. 39740

(2) If a landlord is authorized to terminate a rental 39741

landlord is not liable in a tort or other civil action in damages 39744
for any injury, death, or loss to person or property that 39745
allegedly result from that decision. 39746

(D) This chapter does not apply to a student tenant as 39747

Sec. 1923.061. (A) Any defense in an action under this 39751
chapter may be asserted at trial. 39752

(B) In an action for possession of residential premises based 39753
upon nonpayment of the rent or in an action for rent when the 39754
tenant or manufactured home park resident is in possession, the 39755
tenant or resident may counterclaim for any amount ~~he~~ the tenant 39756

the court from time to time may order the tenant or resident to 39759
pay into court all or part of the past due rent and rent becoming 39760
due during the pendency of the action. After trial and judgment, 39761
the party to whom a net judgment is owed shall be paid first from 39762

the money paid into court, and any balance shall be satisfied as 39763
any other judgment. If no rent remains due after application of 39764
this division, judgment shall be entered for the tenant or 39765
resident in the action for possession. If the tenant or resident 39766
has paid into court an amount greater than that necessary to 39767
satisfy a judgment obtained by the landlord, the balance shall be 39768
returned by the court to the tenant or resident. 39769

Sec. 1923.15. During any proceeding involving residential 39770
premises under this chapter, the court may order an appropriate 39771
governmental agency to inspect the residential premises. If the 39772
agency determines and the court finds conditions which constitute 39773
a violation of section ~~3733.10~~ 4781.38 or 5321.04 of the Revised 39774
Code, and if the premises have been vacated or are to be restored 39775
to the landlord, the court may issue an order forbidding the 39776
re-rental of the property until such conditions are corrected. If 39777
the agency determines and the court finds such conditions, and if 39778
the court finds that the tenant or manufactured home park resident 39779
may remain in possession, the court may order such conditions 39780
corrected. If such conditions have been caused by the tenant or 39781
resident, the court may award damages to the landlord equal to the 39782
reasonable cost of correcting such conditions. 39783

Sec. 2101.08. The probate judge may appoint a ~~stenographic~~ 39784
reporter and fix ~~his~~ the reporter's compensation in the manner 39785
provided for the court of common pleas in sections 2301.18 to 39786

Sec. 2101.162. (A)(1) The probate judge may determine that, 39788
for the efficient operation of the probate court, additional funds 39789
are required to computerize the court, make available computerized 39790
legal research services, or to do both. Upon making a 39791
determination that additional funds are required for either or 39792

(72) of section 2101.16 of the Revised Code, the fee adopted 39799
pursuant to division (F) of that section, and the fee charged in 39800

section shall be paid to the county treasurer. The treasurer shall 39803

the actual cost to the court of procuring and maintaining 39807
computerization of the court, computerized legal research 39808
services, or both. 39809

(3) If the court determines that the funds in the fund 39810
described in division (A)(2) of this section are more than 39811
sufficient to satisfy the purpose for which the additional fee 39812
described in division (A)(1) of this section was imposed, the 39813
court may declare a surplus in the fund and, subject to an 39814
appropriation by the board of county commissioners, expend those 39815
surplus funds for other appropriate technological expenses of the 39816
court. 39817

(B)(1) The probate judge may determine that, for the 39818
efficient operation of ~~his~~ the probate court, additional funds are 39819
required to computerize the office of the clerk of the court and, 39820
upon that determination, may charge a fee, not to exceed ten 39821
dollars, or authorize and direct a deputy clerk of the probate 39822
court to charge a fee, not to exceed ten dollars, in addition to 39823
the fees specified in divisions (A)(1), (3), (4), (6), (14) to 39824

(17), (20) to (25), (27), (30) to (32), (34), (35), (37) to (48), 39825
(50) to (55), (59) to (61), (63) to (66), (69), and (72) of 39826
section 2101.16 of the Revised Code, the fee adopted pursuant to 39827
division (F) of that section, and the fee charged in connection 39828
with the docketing and indexing of an appeal. Subject to division 39829
(B)(2) of this section, all moneys collected under this division 39830
shall be paid to the county treasurer to be disbursed, upon an 39831
order of the probate judge and subject to appropriation by the 39832
board of county commissioners, in an amount no greater than the 39833
actual cost to the probate court of procuring and maintaining 39834
computer systems for the office of the clerk of the court. 39835

(2) If the probate judge makes the determination described in 39836
division (B)(1) of this section, the board of county commissioners 39837
may issue one or more general obligation bonds for the purpose of 39838
procuring and maintaining the computer systems for the office of 39839
the clerk of the probate court. In addition to the purposes stated 39840
in division (B)(1) of this section for which the moneys collected 39841
under that division may be expended, the moneys additionally may 39842
be expended to pay debt charges on and financing costs related to 39843
any general obligation bonds issued pursuant to this division as 39844
they become due. General obligation bonds issued pursuant to this 39845
division are Chapter 133. securities. 39846

city. The auditor shall take possession in the name of the state 39851
and sell the property at public auction, at the county seat of the 39852
county, to the highest bidder, after having given thirty days' 39853
notice of the intended sale in a newspaper ~~published within of~~ 39854
general circulation in the county or as provided in section 7.16 39855
of the Revised Code. 39856

On the application of the auditor, the court of common pleas shall appoint three disinterested freeholders of the county to appraise the real property. The freeholders shall be governed by the same rule as appraisers in sheriffs' or administrators' sales. The auditor shall sell the property at not less than two thirds of its appraised value and may sell it for cash, or for one-third cash and the balance in equal annual payments, the deferred payments to be amply secured. Upon payment of the whole consideration, the auditor shall execute a deed to the purchaser, in the name and on behalf of the state. The proceeds of the sale shall be paid by the auditor to the county treasurer.

custodian of the child, are bound by the terms of the journalized 40379
case plan. A party that fails to comply with the terms of the 40380
journalized case plan may be held in contempt of court. 40381

(2) Any party may propose a change to a substantive part of 40382

after the hearing, if the court approves it. The agency shall not 40397
implement the proposed change unless it is approved by the court. 40398

(b) If it does not receive a timely request for a hearing, 40399
the court may approve the proposed change without a hearing. If 40400
the court approves the proposed change without a hearing, it shall 40401

submitted to the court. 40413

(3) If an agency has reasonable cause to believe that a child 40414
is suffering from illness or injury and is not receiving proper 40415
care and that an appropriate change in the child's case plan is 40416
necessary to prevent immediate or threatened physical or emotional 40417
harm, to believe that a child is in immediate danger from the 40418
child's surroundings and that an immediate change in the child's 40419
case plan is necessary to prevent immediate or threatened physical 40420
or emotional harm to the child, or to believe that a parent, 40421
guardian, custodian, or other member of the child's household has 40422
abused or neglected the child and that the child is in danger of 40423
immediate or threatened physical or emotional harm from that 40424
person unless the agency makes an appropriate change in the 40425
child's case plan, it may implement the change without prior 40426
agreement or a court hearing and, before the end of the next day 40427
after the change is made, give all parties, the guardian ad litem 40428
of the child, and the court notice of the change. Before the end 40429
of the third day after implementing the change in the case plan, 40430
the agency shall file a statement of the change with the court and 40431
give notice of the filing accompanied by a copy of the statement 40432
to all parties and the guardian ad litem. All parties and the 40433
guardian ad litem shall have ten days from the date the notice is 40434
sent to object to and request a hearing on the change. 40435

(a) If it receives a timely request for a hearing, the court 40436
shall schedule a hearing pursuant to section 2151.417 of the 40437
Revised Code to be held no later than thirty days after the 40438

request is received by the court. The court shall give notice of 40439
the date, time, and location of the hearing to all parties and the 40440
guardian ad litem. The agency shall continue to administer the 40441
case plan with the change after the hearing, if the court approves 40442
the change. If the court does not approve the change, the court 40443
shall make appropriate changes to the case plan and shall 40444
journalize the case plan. 40445

(b) If it does not receive a timely request for a hearing, 40446
the court may approve the change without a hearing. If the court 40447
approves the change without a hearing, it shall journalize the 40448
case plan with the change within fourteen days after receipt of 40449
the change. If the court does not approve the change to the case 40450
plan, it shall schedule a hearing under section 2151.417 of the 40451
Revised Code to be held no later than thirty days after the 40452
expiration of the fourteen-day time period and give notice of the 40453
date, time, and location of the hearing to all parties and the 40454
guardian ad litem of the child. 40455

~~(F)~~(G)(1) All case plans for children in temporary custody 40456
shall have the following general goals: 40457

restrictive, most family-like setting available and in close 40460
proximity to the home from which the child was removed or the home 40461
in which the child will be permanently placed; 40462

(b) To eliminate with all due speed the need for the 40463
out-of-home placement so that the child can safely return home. 40464

(2) The director of job and family services shall adopt rules 40465
pursuant to Chapter 119. of the Revised Code setting forth the 40466
general goals of case plans for children subject to dispositional 40467
orders for protective supervision, a planned permanent living 40468
arrangement, or permanent custody. 40469

~~(G)~~(H) In the agency's development of a case plan and the 40470
court's review of the case plan, the child's health and safety 40471
shall be the paramount concern. The agency and the court shall be 40472
guided by the following general priorities: 40473

(1) A child who is residing with or can be placed with the 40474
child's parents within a reasonable time should remain in their 40475
legal custody even if an order of protective supervision is 40476
required for a reasonable period of time; 40477

(2) If both parents of the child have abandoned the child, 40478
have relinquished custody of the child, have become incapable of 40479
supporting or caring for the child even with reasonable 40480
assistance, or have a detrimental effect on the health, safety, 40481
and best interest of the child, the child should be placed in the 40482
legal custody of a suitable member of the child's extended family; 40483

(3) If a child described in division ~~(G)~~(H)(2) of this 40484
section has no suitable member of the child's extended family to 40485
accept legal custody, the child should be placed in the legal 40486
custody of a suitable nonrelative who shall be made a party to the 40487
proceedings after being given legal custody of the child; 40488

(4) If the child has no suitable member of the child's 40489
extended family to accept legal custody of the child and no 40490
suitable nonrelative is available to accept legal custody of the 40491
child and, if the child temporarily cannot or should not be placed 40492
with the child's parents, guardian, or custodian, the child should 40493
be placed in the temporary custody of a public children services 40494
agency or a private child placing agency; 40495

(5) If the child cannot be placed with either of the child's 40496
parents within a reasonable period of time or should not be placed 40497
with either, if no suitable member of the child's extended family 40498
or suitable nonrelative is available to accept legal custody of 40499
the child, and if the agency has a reasonable expectation of 40500

placing the child for adoption, the child should be committed to 40501
the permanent custody of the public children services agency or 40502
private child placing agency; 40503

(6) If the child is to be placed for adoption or foster care, 40504
the placement shall not be delayed or denied on the basis of the 40505
child's or adoptive or foster family's race, color, or national 40506
origin. 40507

~~(H)~~(I) The case plan for a child in temporary custody shall 40508
include at a minimum the following requirements if the child is or 40509

(2) A requirement that the child's parents, guardian, or 40516
custodian participate in any supportive services that are required 40517
by or provided pursuant to the child's case plan. 40518

~~(I)~~(J) A case plan may include, as a supplement, a plan for 40519
locating a permanent family placement. The supplement shall not be 40520
considered part of the case plan for purposes of division ~~(D)~~(E) 40521

(b) Notwithstanding section 4731.22 of the Revised Code, the 40801

proceeding resulting from a report submitted pursuant to this 40805
section. 40806

(2) In any civil or criminal action or proceeding in which it 40807

(H)(1) Except as provided in divisions (H)(4) and (N) of this 40816

section, a report made under this section is confidential. The 40817

guilty of a violation of section 2921.14 of the Revised Code. 40840

(4) If a report is made pursuant to division (A) or (B) of 40841
this section and the child who is the subject of the report dies 40842
for any reason at any time after the report is made, but before 40843
the child attains eighteen years of age, the public children 40844
services agency or municipal or county peace officer to which the 40845
report was made or referred, on the request of the child fatality 40846
review board, shall submit a summary sheet of information 40847

the center as being within the center's jurisdiction, the agency 40856
or center shall perform the duties and functions specified in this 40857

The agency shall not provide to the person any information that 40868
identifies the person who made the report, statements of 40869
witnesses, or police or other investigative reports. 40870

(I) Any report that is required by this section, other than a 40871
report that is made to the state highway patrol as described in 40872
section 5120.173 of the Revised Code, shall result in protective 40873
services and emergency supportive services being made available by 40874
the public children services agency on behalf of the children 40875
about whom the report is made, in an effort to prevent further 40876
neglect or abuse, to enhance their welfare, and, whenever 40877

to provide the services shall be the agency conducting the 40879

rights or any grounds for appeal or post-conviction relief to any 40924
person. 40925

(3) A memorandum of understanding shall include all of the 40926

written notice of the allegations contained in and the person 41035

named as the alleged perpetrator in the report to the 41036
administrator, director, or other chief administrative officer of 41037
the out-of-home care entity that is the subject of the report 41038
unless the administrator, director, or other chief administrative 41039
officer is named as an alleged perpetrator in the report. If the 41040
administrator, director, or other chief administrative officer of 41041
an out-of-home care entity is named as an alleged perpetrator in a 41042
report of alleged child abuse or child neglect, or a report of an 41043

may determine that for the efficient operation of the court 42887
additional funds are required to computerize the court, to make 42888
available computerized legal research services, or to do both. 42889
Upon making a determination that additional funds are required for 42890
either or both of those purposes, the court shall authorize and 42891
direct the clerk of the court of common pleas to charge one 42892
additional fee, not to exceed three dollars, on the filing of each 42893
cause of action or appeal under divisions (A), (Q), and (U) of 42894
section 2303.20 of the Revised Code. 42895

(2) All fees collected under division (A)(1) of this section 42896
shall be paid to the county treasurer. The treasurer shall place 42897
the funds from the fees in a separate fund to be disbursed, upon 42898
an order of the court, subject to an appropriation by the board of 42899
county commissioners, in an amount not greater than the actual 42900
cost to the court of procuring and maintaining computerization of 42901
the court, computerized legal research services, or both. 42902

(3) If the court determines that the funds in the fund 42903
described in division (A)(2) of this section are more than 42904
sufficient to satisfy the purpose for which the additional fee 42905
described in division (A)(1) of this section was imposed, the 42906
court may declare a surplus in the fund and, subject to an 42907

appropriation by the board of county commissioners, expend those 42908
surplus funds for other appropriate technological expenses of the 42909
court. 42910

(B)(1) The court of common pleas of any county may determine 42911
that, for the efficient operation of the court, additional funds 42912
are required to computerize the office of the clerk of the court 42913
of common pleas and, upon that determination, authorize and direct 42914
the clerk of the court of common pleas to charge an additional 42915
fee, not to exceed ten dollars, on the filing of each cause of 42916
action or appeal, on the filing, docketing, and endorsing of each 42917
certificate of judgment, or on the docketing and indexing of each 42918
aid in execution or petition to vacate, revive, or modify a 42919
judgment under divisions (A), (P), (Q), (T), and (U) of section 42920
2303.20 of the Revised Code. Subject to division (B)(2) of this 42921
section, all moneys collected under division (B)(1) of this 42922
section shall be paid to the county treasurer to be disbursed, 42923
upon an order of the court of common pleas and subject to 42924
appropriation by the board of county commissioners, in an amount 42925
no greater than the actual cost to the court of procuring and 42926
maintaining computer systems for the office of the clerk of the 42927
court of common pleas. 42928

(2) If the court of common pleas of a county makes the 42929
determination described in division (B)(1) of this section, the 42930
board of county commissioners of that county may issue one or more 42931
general obligation bonds for the purpose of procuring and 42932
maintaining the computer systems for the office of the clerk of 42933
the court of common pleas. In addition to the purposes stated in 42934
division (B)(1) of this section for which the moneys collected 42935
under that division may be expended, the moneys additionally may 42936
be expended to pay debt charges on and financing costs related to 42937
any general obligation bonds issued pursuant to division (B)(2) of 42938
this section as they become due. General obligation bonds issued 42939

pursuant to division (B)(2) of this section are Chapter 133. 42940
securities. 42941

(C) The court of common pleas shall collect the sum of 42942
twenty-six dollars as additional filing fees in each new civil 42943
action or proceeding for the charitable public purpose of 42944
providing financial assistance to legal aid societies that operate 42945
within the state and to support the office of the state public 42946
defender. This division does not apply to proceedings concerning 42947
annulments, dissolutions of marriage, divorces, legal separation, 42948
spousal support, marital property or separate property 42949
distribution, support, or other domestic relations matters; to a 42950
juvenile division of a court of common pleas; to a probate 42951
division of a court of common pleas, except that the additional 42952
filing fees shall apply to name change, guardianship, adoption, 42953
and decedents' estate proceedings; or to an execution on a 42954
judgment, proceeding in aid of execution, or other post-judgment 42955
proceeding arising out of a civil action. The filing fees required 42956
to be collected under this division shall be in addition to any 42957
other filing fees imposed in the action or proceeding and shall be 42958
collected at the time of the filing of the action or proceeding. 42959
The court shall not waive the payment of the additional filing 42960
fees in a new civil action or proceeding unless the court waives 42961
the advanced payment of all filing fees in the action or 42962
proceeding. All such moneys collected during a month except for an 42963
amount equal to up to one per cent of those moneys retained to 42964
cover administrative costs shall be transmitted on or before the 42965
twentieth day of the following month by the clerk of the court to 42966
the treasurer of state in a manner prescribed by the treasurer of 42967
state or by the Ohio legal assistance foundation. The treasurer of 42968
state shall deposit four per cent of the funds collected under 42969
this division to the credit of the civil case filing fee fund 42970
established under section 120.07 of the Revised Code and 42971
ninety-six per cent of the funds collected under this division to 42972

the credit of the legal aid fund established under section 120.52 42973
of the Revised Code. 42974

The court may retain up to one per cent of the moneys it 42975
collects under this division to cover administrative costs, 42976
including the hiring of any additional personnel necessary to 42977
implement this division. If the court fails to transmit to the 42978
treasurer of state the moneys the court collects under this 42979
division in a manner prescribed by the treasurer of state or by 42980
the Ohio legal assistance foundation, the court shall forfeit the 42981
moneys the court retains under this division to cover 42982
administrative costs, including the hiring of any additional 42983
personnel necessary to implement this division, and shall transmit 42984
to the treasurer of state all moneys collected under this 42985
division, including the forfeited amount retained for 42986
administrative costs, for deposit in the legal aid fund. 42987

(D) On and after the thirtieth day after December 9, 1994, 42988
the court of common pleas shall collect the sum of thirty-two 42989
dollars as additional filing fees in each new action or proceeding 42990
for annulment, divorce, or dissolution of marriage for the purpose 42991
of funding shelters for victims of domestic violence pursuant to 42992
sections 3113.35 to 3113.39 of the Revised Code. The filing fees 42993
required to be collected under this division shall be in addition 42994
to any other filing fees imposed in the action or proceeding and 42995
shall be collected at the time of the filing of the action or 42996
proceeding. The court shall not waive the payment of the 42997
additional filing fees in a new action or proceeding for 42998
annulment, divorce, or dissolution of marriage unless the court 42999
waives the advanced payment of all filing fees in the action or 43000
proceeding. On or before the twentieth day of each month, all 43001
moneys collected during the immediately preceding month pursuant 43002
to this division shall be deposited by the clerk of the court into 43003
the county treasury in the special fund used for deposit of 43004

additional marriage license fees as described in section 3113.34 43005
of the Revised Code. Upon their deposit into the fund, the moneys 43006
shall be retained in the fund and expended only as described in 43007
section 3113.34 of the Revised Code. 43008

(E)(1) The court of common pleas may determine that, for the 43009
efficient operation of the court, additional funds are necessary 43010
to acquire and pay for special projects of the court, including, 43011
but not limited to, the acquisition of additional facilities or 43012
the rehabilitation of existing facilities, the acquisition of 43013
equipment, the hiring and training of staff, community service 43014
programs, mediation or dispute resolution services, the employment 43015
of magistrates, the training and education of judges, acting 43016
judges, and magistrates, and other related services. Upon that 43017
determination, the court by rule may charge a fee, in addition to 43018
all other court costs, on the filing of each criminal cause, civil 43019
action or proceeding, or judgment by confession. 43020

If the court of common pleas offers a special program or 43021
service in cases of a specific type, the court by rule may assess 43022
an additional charge in a case of that type, over and above court 43023
costs, to cover the special program or service. The court shall 43024
adjust the special assessment periodically, but not retroactively, 43025
so that the amount assessed in those cases does not exceed the 43026
actual cost of providing the service or program. 43027

All moneys collected under division (E) of this section shall 43028
be paid to the county treasurer for deposit into either a general 43029
special projects fund or a fund established for a specific special 43030
project. Moneys from a fund of that nature shall be disbursed upon 43031
an order of the court, subject to an appropriation by the board of 43032
county commissioners, in an amount no greater than the actual cost 43033
to the court of a project. If a specific fund is terminated 43034
because of the discontinuance of a program or service established 43035
under division (E) of this section, the court may order, subject 43036

to an appropriation by the board of county commissioners, that 43037
moneys remaining in the fund be transferred to an account 43038
established under this division for a similar purpose. 43039

(2) As used in division (E) of this section: 43040

(a) "Criminal cause" means a charge alleging the violation of 43041
a statute or ordinance, or subsection of a statute or ordinance, 43042
that requires a separate finding of fact or a separate plea before 43043
disposition and of which the defendant may be found guilty, 43044
whether filed as part of a multiple charge on a single summons, 43045
citation, or complaint or as a separate charge on a single 43046
summons, citation, or complaint. "Criminal cause" does not include 43047
separate violations of the same statute or ordinance, or 43048
subsection of the same statute or ordinance, unless each charge is 43049
filed on a separate summons, citation, or complaint. 43050

(b) "Civil action or proceeding" means any civil litigation 43051
that must be determined by judgment entry. 43052

Sec. 2305.01. Except as otherwise provided by this section or 43053
section 2305.03 of the Revised Code, the court of common pleas has 43054
original jurisdiction in all civil cases in which the sum or 43055
matter in dispute exceeds the exclusive original jurisdiction of 43056
county courts and appellate jurisdiction from the decisions of 43057
boards of county commissioners. The court of common pleas shall 43058
not have jurisdiction, in any tort action to which the amounts 43059
apply, to award punitive or exemplary damages that exceed the 43060
amounts set forth in section 2315.21 of the Revised Code. The 43061
court of common pleas shall not have jurisdiction in any tort 43062
action to which the limits apply to enter judgment on an award of 43063
compensatory damages for noneconomic loss in excess of the limits 43064
set forth in section 2315.18 of the Revised Code. 43065

The court of common pleas may on its own motion transfer for 43066
trial any action in the court to any municipal court in the county 43067

having concurrent jurisdiction of the subject matter of, and the parties to, the action, if the amount sought by the plaintiff does not exceed one thousand dollars and if the judge or presiding judge of the municipal court concurs in the proposed transfer. Upon the issuance of an order of transfer, the clerk of courts shall remove to the designated municipal court the entire case file. Any untaxed portion of the common pleas deposit for court costs shall be remitted to the municipal court by the clerk of courts to be applied in accordance with section 1901.26 of the Revised Code, and the costs taxed by the municipal court shall be added to any costs taxed in the common pleas court.

The court of common pleas has jurisdiction in any action brought pursuant to division (I) of section ~~3733.11~~ 4781.40 of the Revised Code if the residential premises that are the subject of the action are located within the territorial jurisdiction of the court.

The courts of common pleas of Adams, Athens, Belmont, Brown, Clermont, Columbiana, Gallia, Hamilton, Jefferson, Lawrence, Meigs, Monroe, Scioto, and Washington counties have jurisdiction beyond the north or northwest shore of the Ohio river extending to the opposite shore line, between the extended boundary lines of any adjacent counties or adjacent state. Each of those courts of common pleas has concurrent jurisdiction on the Ohio river with any adjacent court of common pleas that borders on that river and with any court of Kentucky or of West Virginia that borders on the Ohio river and that has jurisdiction on the Ohio river under the law of Kentucky or the law of West Virginia, whichever is applicable, or under federal law.

(b) The owner or manufacturer of the hazardous material, an 43115
association of manufacturers of the hazardous material, or a 43116
hazardous material mutual aid group. 43117

anticipating remuneration for self or the person's employer from 43119
the governmental official, authority, or agency that requested the 43120
aid or advice; 43121

(3) The person giving the aid or advice was specially 43122
qualified by training or experience to give the aid or advice; 43123

(5) The person giving the aid or advice did not engage in 43128
willful, wanton, or reckless misconduct or grossly negligent 43129

(6) The person giving the aid or advice notified the 43131
emergency response section of the environmental protection agency 43132
prior to giving the aid or advice. 43133

(B) The immunity conferred by this section does not limit the 43134
liability of any person whose action caused or contributed to the 43135
release of hazardous material. That person is liable for any 43136
enhancement of damages caused by the person giving aid or advice 43137

conduct of the person giving aid or advice. 43140

(C) This section does not apply to any person rendering care, 43141

as being in compliance with the standards established under 45339
division ~~(I)~~(H) of section 5119.01 of the Revised Code or division 45340
(C) of section 5123.04 of the Revised Code. 45341

designated by the department of mental health or the department of 45343
developmental disabilities, as described in division (A)(2)(a) of 45344
this section, to conduct the evaluation and preceding examination 45345
of the mental condition of the defendant. 45346

Whether the court acts pursuant to division (A)(2)(a) or (b) 45347

of this section, the court may designate examiners other than the 45348
personnel of the center, program, facility, or department involved 45349
to make the evaluation and preceding examination of the mental 45350
condition of the defendant. 45351

(B) If the court considers that additional evaluations of the 45352
mental condition of a defendant are necessary following the 45353
evaluation authorized by division (A) of this section, the court 45354
may order up to two additional similar evaluations. These 45355
evaluations shall be completed no later than thirty days from the 45356
date the applicable court order is entered. If more than one 45357
evaluation of the mental condition of the defendant is ordered 45358
under this division, the prosecutor and the defendant may 45359
recommend to the court an examiner whom each prefers to perform 45360
one of the evaluations and preceding examinations. 45361

(C)(1) The court may order a defendant who has been released 45362
on bail to submit to an examination under division (A) or (B) of 45363
this section. The examination shall be conducted either at the 45364
detention facility in which the defendant would have been confined 45365
if the defendant had not been released on bail, or, if so 45366
specified by the center, program, facility, or examiners involved, 45367
at the premises of the center, program, or facility. Additionally, 45368
the examination shall be conducted at the times established by the 45369
examiners involved. If such a defendant refuses to submit to an 45370
examination or a complete examination as required by the court or 45371
the center, program, facility, or examiners involved, the court 45372
may amend the conditions of the bail of the defendant and order 45373
the sheriff to take the defendant into custody and deliver the 45374
defendant to the detention facility in which the defendant would 45375
have been confined if the defendant had not been released on bail, 45376
or, if so specified by the center, program, facility, or examiners 45377
involved, to the premises of the center, program, or facility, for 45378
purposes of the examination. 45379

(2) A defendant who has not been released on bail shall be 45380
examined at the detention facility in which the defendant is 45381
confined or, if so specified by the center, program, facility, or 45382
examiners involved, at the premises of the center, program, or 45383
facility. 45384

(D) The examiner of the mental condition of a defendant under 45385
division (A) or (B) of this section shall file a written report 45386
with the court within thirty days after the entry of an order for 45387
the evaluation of the mental condition of the defendant. The 45388
report shall contain the findings of the examiner; the facts in 45389
reasonable detail on which the findings are based; the opinion of 45390
the examiner as to the mental condition of the defendant; the 45391
opinion of the examiner as to whether the defendant represents a 45392
substantial risk of physical harm to other persons as manifested 45393
by evidence of recent homicidal or other violent behavior, 45394
evidence of recent threats that placed other persons in reasonable 45395
fear of violent behavior and serious physical harm, or evidence of 45396
present dangerousness; and the opinion of the examiner as to the 45397
types of treatment or counseling that the defendant needs. The 45398
court shall provide copies of the report to the prosecutor and 45399
defense counsel. 45400

(E) The costs of any evaluation and preceding examination of 45401
a defendant that is ordered pursuant to division (A) or (B) of 45402
this section shall be taxed as court costs in the criminal case. 45403

(F) If the examiner considers it necessary in order to make 45404
an accurate evaluation of the mental condition of a defendant, an 45405
examiner under division (A) or (B) of this section may request any 45406
family or household member of the defendant to provide the 45407
examiner with information. A family or household member may, but 45408
is not required to, provide information to the examiner upon 45409
receipt of the request. 45410

the Revised Code. A motion described in this division may be filed 45525
at any time subsequent to the conviction of the offender or entry 45526

court in which the motion is filed shall notify the offender, the 45528
specified retirement system, the specified provider under the 45529
alternative retirement plan, or the specified deferred 45530
compensation program, or, if more than one is specified in the 45531
motion, the applicable combination of these, in writing, of all of 45532

be granted a hearing on the issuance of the requested order if the 45534
offender files a written request for a hearing with the clerk 45535
prior to the expiration of thirty days after the offender receives 45536
the notice; that, if a hearing is requested, the court will 45537
schedule a hearing as soon as possible and notify the offender, 45538
any specified retirement system, any specified provider under an 45539

alternative retirement plan, and any specified deferred 45540
compensation program of the date, time, and place of the hearing; 45541
that, if a hearing is conducted, it will be limited only to a 45542
consideration of whether the offender can show good cause why the 45543
requested order should not be issued; that, if a hearing is 45544
conducted, the court will not issue the requested order if the 45545
court determines, based on evidence presented at the hearing by 45546
the offender, that there is good cause for the requested order not 45547
to be issued; that the court will issue the requested order if a 45548
hearing is not requested or if a hearing is conducted but the 45549
court does not determine, based on evidence presented at the 45550
hearing by the offender, that there is good cause for the 45551
requested order not to be issued; and that, if the requested order 45552
is issued, any retirement system, any provider under an 45553
alternative retirement plan, and any deferred compensation program 45554
specified in the motion will be required to withhold the amount 45555
required as restitution from payments to the offender. 45556

(ii) In any case in which a sentencing court is required to 45557
order restitution under division (C)(2)(a) of this section and in 45558
which a motion requesting the issuance of a withholding order as 45559
described in division (C)(2)(b)(i) of this section is filed, the 45560
offender may receive a hearing on the motion by delivering a 45561
written request for a hearing to the court prior to the expiration 45562
of thirty days after the offender's receipt of the notice provided 45563
pursuant to division (C)(2)(b)(i) of this section. If a request 45564
for a hearing is made by the offender within the prescribed time, 45565
the court shall schedule a hearing as soon as possible after the 45566
request is made and shall notify the offender, the specified 45567
retirement system, the specified provider under the alternative 45568
retirement plan, or the specified deferred compensation program, 45569
or, if more than one is specified in the motion, the applicable 45570
combination of these, of the date, time, and place of the hearing. 45571
A hearing scheduled under this division shall be limited to a 45572

consideration of whether there is good cause, based on evidence 45573
presented by the offender, for the requested order not to be 45574
issued. If the court determines, based on evidence presented by 45575
the offender, that there is good cause for the order not to be 45576
issued, the court shall deny the motion and shall not issue the 45577
requested order. If the offender does not request a hearing within 45578
the prescribed time or if the court conducts a hearing but does 45579
not determine, based on evidence presented by the offender, that 45580
there is good cause for the order not to be issued, the court 45581
shall order the specified retirement system, the specified 45582
provider under the alternative retirement plan, or the specified 45583
deferred compensation program, or, if more than one is specified 45584
in the motion, the applicable combination of these, to withhold 45585
the amount required as restitution under division (C)(2)(a) of 45586
this section from any payments to be made under a pension, 45587
annuity, or allowance, under a participant account, as defined in 45588
section 148.01 of the Revised Code, under an option in the 45589
alternative retirement plan, or under any other type of benefit, 45590
other than a survivorship benefit, that has been or is in the 45591
future granted to the offender, from any payment of accumulated 45592
employee contributions standing to the offender's credit with that 45593
retirement system, that provider under the alternative retirement 45594
plan, or that deferred compensation program, or, if more than one 45595
is specified in the motion, the applicable combination of these, 45596
and from any payment of any other amounts to be paid to the 45597
offender upon the offender's withdrawal of the offender's 45598
contributions pursuant to Chapter 145., 148., 742., 3307., 3309., 45599
or 5505. of the Revised Code, and to continue the withholding for 45600
that purpose, in accordance with the order, out of each payment to 45601
be made on or after the date of issuance of the order, until 45602
further order of the court. Upon receipt of an order issued under 45603
this division, the public employees retirement system, the Ohio 45604
police and fire pension fund, the state teachers retirement 45605

system, the school employees retirement system, the state highway 45606
patrol retirement system, a municipal corporation retirement 45607
system, the provider under the alternative retirement plan, and 45608
the deferred compensation program offered by the Ohio public 45609
employees deferred compensation board, treasurer of state, a 45610
municipal corporation, or a government unit, as defined in section 45611
148.06 of the Revised Code, whichever are applicable, shall 45612
withhold the amount required as restitution, in accordance with 45613
the order, from any such payments and immediately shall forward 45614
the amount withheld to the clerk of the court in which the order 45615
was issued for payment to the entity to which restitution is to be 45616
made. 45617

(iii) Service of a notice required by division (C)(2)(b)(i) 45618
or (ii) of this section shall be effected in the same manner as 45619
provided in the Rules of Civil Procedure for the service of 45620
process. 45621

(D) Upon the filing of charges against a person under this 45622
section, the prosecutor, as defined in section 2935.01 of the 45623
Revised Code, who is assigned the case shall send written notice 45624
that charges have been filed against that person to the public 45625
employees retirement system, the Ohio police and fire pension 45626
fund, the state teachers retirement system, the school employees 45627
retirement system, the state highway patrol retirement system, the 45628
provider under an alternative retirement plan, any municipal 45629
corporation retirement system in this state, and the deferred 45630
compensation program offered by the Ohio public employees deferred 45631
compensation board, treasurer of state, a municipal corporation, 45632
or a government unit, as defined in section 148.06 of the Revised 45633
Code. The written notice shall specifically identify the person 45634
charged. 45635

Sec. 2929.71. (A) As used in this section: 45636

(1) "Agency" means any law enforcement agency, other public agency, or public official involved in the investigation or prosecution of the offender or in the investigation of the fire or explosion in an aggravated arson, arson, or criminal damaging or endangering case. An "agency" includes, but is not limited to, a sheriff's office, a municipal corporation, township, or township or joint police district police department, the office of a prosecuting attorney, city director of law, village solicitor, or similar chief legal officer of a municipal corporation, the fire marshal's office, a municipal corporation, township, or township fire district fire department, the office of a fire prevention officer, and any state, county, or municipal corporation crime laboratory.

(2) "Assets" includes all forms of real or personal property.

(3) "Itemized statement" means the statement of costs described in division (B) of this section.

(4) "Offender" means the person who has been convicted of or pleaded guilty to committing, attempting to commit, or complicity in committing a violation of section 2909.02 or 2909.03 of the Revised Code, or, when the means used are fire or explosion, division (A)(2) of section 2909.06 of the Revised Code.

(5) "Costs" means the reasonable value of the time spent by an officer or employee of an agency on the aggravated arson, arson, or criminal damaging or endangering case, any moneys spent by the agency on that case, and the reasonable fair market value of resources used or expended by the agency on that case.

(B) Prior to the sentencing of an offender, the court shall enter an order that directs agencies that wish to be reimbursed by the offender for the costs they incurred in the investigation or prosecution of the offender or in the investigation of the fire or explosion involved in the case, to file with the court within a

specified time an itemized statement of those costs. The order 45668
also shall require that a copy of the itemized statement be given 45669
to the offender or offender's attorney within the specified time. 45670
Only itemized statements so filed and given shall be considered at 45671
the hearing described in division (C) of this section. 45672

(C) The court shall set a date for a hearing on all the 45673
itemized statements filed with it and given to the offender or the 45674
offender's attorney in accordance with division (B) of this 45675
section. The hearing shall be held prior to the sentencing of the 45676
offender, but may be held on the same day as the sentencing. 45677
Notice of the hearing date shall be given to the offender or the 45678
offender's attorney and to the agencies whose itemized statements 45679
are involved. At the hearing, each agency has the burden of 45680
establishing by a preponderance of the evidence that the costs set 45681
forth in its itemized statement were incurred in the investigation 45682
or prosecution of the offender or in the investigation of the fire 45683
or explosion involved in the case, and of establishing by a 45684
preponderance of the evidence that the offender has assets 45685
available for the reimbursement of all or a portion of the costs. 45686

The offender may cross-examine all witnesses and examine all 45687
documentation presented by the agencies at the hearing, and the 45688
offender may present at the hearing witnesses and documentation 45689
the offender has obtained without a subpoena or a subpoena duces 45690
tecum or, in the case of documentation, that belongs to the 45691
offender. The offender also may issue subpoenas and subpoenas 45692
duces tecum for, and present and examine at the hearing, witnesses 45693
and documentation, subject to the following applying to the 45694
witnesses or documentation subpoenaed: 45695

(1) The testimony of witnesses subpoenaed or documentation 45696
subpoenaed is material to the preparation or presentation by the 45697
offender of the offender's defense to the claims of the agencies 45698
for a reimbursement of costs; 45699

(2) If witnesses to be subpoenaed are personnel of an agency 45700
or documentation to be subpoenaed belongs to an agency, the 45701
personnel or documentation may be subpoenaed only if the agency 45702
involved has indicated, pursuant to this division, that it intends 45703
to present the personnel as witnesses or use the documentation at 45704
the hearing. The offender shall submit, in writing, a request to 45705
an agency as described in this division to ascertain whether the 45706
agency intends to present various personnel as witnesses or to use 45707
particular documentation. The request shall indicate that the 45708
offender is considering issuing subpoenas to personnel of the 45709
agency who are specifically named or identified by title or 45710
position, or for documentation of the agency that is specifically 45711
described or generally identified, and shall request the agency to 45712
indicate, in writing, whether it intends to present such personnel 45713
as witnesses or to use such documentation at the hearing. The 45714
agency shall promptly reply to the request of the offender. An 45715
agency is prohibited from presenting personnel as witnesses or 45716
from using documentation at the hearing if it indicates to the 45717
offender it does not intend to do so in response to a request of 45718
the offender under this division, or if it fails to reply or 45719
promptly reply to such a request. 45720

(D) Following the hearing, the court shall determine which of 45721
the agencies established by a preponderance of the evidence that 45722
costs set forth in their itemized statements were incurred as 45723
described in division (C) of this section and that the offender 45724
has assets available for reimbursement purposes. The court also 45725
shall determine whether the offender has assets available to 45726
reimburse all such agencies, in whole or in part, for their 45727
established costs, and if it determines that the assets are 45728
available, it shall order the offender, as part of the offender's 45729
sentence, to reimburse the agencies from the offender's assets for 45730
all or a specified portion of their established costs. 45731

Sec. 2945.371. (A) If the issue of a defendant's competence 46300
to stand trial is raised or if a defendant enters a plea of not 46301
guilty by reason of insanity, the court may order one or more 46302
evaluations of the defendant's present mental condition or, in the 46303
case of a plea of not guilty by reason of insanity, of the 46304

defendant's mental condition at the time of the offense charged. 46305
An examiner shall conduct the evaluation. 46306

(B) If the court orders more than one evaluation under 46307
division (A) of this section, the prosecutor and the defendant may 46308
recommend to the court an examiner whom each prefers to perform 46309
one of the evaluations. If a defendant enters a plea of not guilty 46310
by reason of insanity and if the court does not designate an 46311
examiner recommended by the defendant, the court shall inform the 46312
defendant that the defendant may have independent expert 46313
evaluation and that, if the defendant is unable to obtain 46314
independent expert evaluation, it will be obtained for the 46315
defendant at public expense if the defendant is indigent. 46316

(C) If the court orders an evaluation under division (A) of 46317
this section, the defendant shall be available at the times and 46318
places established by the examiners who are to conduct the 46319
evaluation. The court may order a defendant who has been released 46320
on bail or recognizance to submit to an evaluation under this 46321
section. If a defendant who has been released on bail or 46322
recognizance refuses to submit to a complete evaluation, the court 46323
may amend the conditions of bail or recognizance and order the 46324
sheriff to take the defendant into custody and deliver the 46325
defendant to a center, program, or facility operated or certified 46326
by the department of mental health or the department of 46327
developmental disabilities where the defendant may be held for 46328
evaluation for a reasonable period of time not to exceed twenty 46329
days. 46330

(D) A defendant who has not been released on bail or 46331
recognizance may be evaluated at the defendant's place of 46332
detention. Upon the request of the examiner, the court may order 46333
the sheriff to transport the defendant to a program or facility 46334
operated or certified by the department of mental health or the 46335
department of developmental disabilities, where the defendant may 46336

be held for evaluation for a reasonable period of time not to exceed twenty days, and to return the defendant to the place of detention after the evaluation. A municipal court may make an order under this division only upon the request of a certified forensic center examiner.

(E) If a court orders the evaluation to determine a defendant's mental condition at the time of the offense charged, the court shall inform the examiner of the offense with which the defendant is charged.

(F) In conducting an evaluation of a defendant's mental condition at the time of the offense charged, the examiner shall consider all relevant evidence. If the offense charged involves the use of force against another person, the relevant evidence to be considered includes, but is not limited to, any evidence that the defendant suffered, at the time of the commission of the offense, from the "battered woman syndrome."

(G) The examiner shall file a written report with the court within thirty days after entry of a court order for evaluation, and the court shall provide copies of the report to the prosecutor and defense counsel. The report shall include all of the following:

(1) The examiner's findings;

(2) The facts in reasonable detail on which the findings are based;

(3) If the evaluation was ordered to determine the defendant's competence to stand trial, all of the following findings or recommendations that are applicable:

(a) Whether the defendant is capable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense;

(b) If the examiner's opinion is that the defendant is 46367
incapable of understanding the nature and objective of the 46368
proceedings against the defendant or of assisting in the 46369
defendant's defense, whether the defendant presently is mentally 46370
ill or mentally retarded and, if the examiner's opinion is that 46371
the defendant presently is mentally retarded, whether the 46372
defendant appears to be a mentally retarded person subject to 46373
institutionalization by court order; 46374

(c) If the examiner's opinion is that the defendant is 46375
incapable of understanding the nature and objective of the 46376
proceedings against the defendant or of assisting in the 46377
defendant's defense, the examiner's opinion as to the likelihood 46378
of the defendant becoming capable of understanding the nature and 46379
objective of the proceedings against the defendant and of 46380
assisting in the defendant's defense within one year if the 46381
defendant is provided with a course of treatment; 46382

(d) If the examiner's opinion is that the defendant is 46383
incapable of understanding the nature and objective of the 46384
proceedings against the defendant or of assisting in the 46385
defendant's defense and that the defendant presently is mentally 46386
ill or mentally retarded, the examiner's recommendation as to the 46387
least restrictive ~~treatment~~ placement or commitment alternative, 46388
consistent with the defendant's treatment needs for restoration to 46389
competency and with the safety of the community; 46390

(e) If the defendant is charged with a misdemeanor offense 46391
that is not an offense of violence and the examiner's opinion is 46392
that the defendant is incapable of understanding the nature and 46393
objective of the proceedings against the defendant or of assisting 46394
in the defendant's defense and that the defendant is presently 46395
mentally ill or mentally retarded, the examiner's recommendation 46396
as to whether the defendant is amenable to engagement in mental 46397
health treatment or developmental disability services. 46398

(4) If the evaluation was ordered to determine the defendant's mental condition at the time of the offense charged, the examiner's findings as to whether the defendant, at the time of the offense charged, did not know, as a result of a severe mental disease or defect, the wrongfulness of the defendant's acts charged.

(H) If the examiner's report filed under division (G) of this section indicates that in the examiner's opinion the defendant is incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense and that in the examiner's opinion the defendant appears to be a mentally retarded person subject to institutionalization by court order, the court shall order the defendant to undergo a separate mental retardation evaluation conducted by a psychologist designated by the director of developmental disabilities. Divisions (C) to (F) of this section apply in relation to a separate mental retardation evaluation conducted under this division. The psychologist appointed under this division to conduct the separate mental retardation evaluation shall file a written report with the court within thirty days after the entry of the court order requiring the separate mental retardation evaluation, and the court shall provide copies of the report to the prosecutor and defense counsel. The report shall include all of the information described in divisions (G)(1) to (4) of this section. If the court orders a separate mental retardation evaluation of a defendant under this division, the court shall not conduct a hearing under divisions (B) to (H) of section 2945.37 of the Revised Code regarding that defendant until a report of the separate mental retardation evaluation conducted under this division has been filed. Upon the filing of that report, the court shall conduct the hearing within the period of time specified in division (C) of section 2945.37 of the Revised Code.

(I) An examiner appointed under divisions (A) and (B) of this section or under division (H) of this section to evaluate a defendant to determine the defendant's competence to stand trial also may be appointed to evaluate a defendant who has entered a plea of not guilty by reason of insanity, but an examiner of that nature shall prepare separate reports on the issue of competence to stand trial and the defense of not guilty by reason of insanity.

(J) No statement that a defendant makes in an evaluation or hearing under divisions (A) to (H) of this section relating to the defendant's competence to stand trial or to the defendant's mental condition at the time of the offense charged shall be used against the defendant on the issue of guilt in any criminal action or proceeding, but, in a criminal action or proceeding, the prosecutor or defense counsel may call as a witness any person who evaluated the defendant or prepared a report pursuant to a referral under this section. Neither the appointment nor the testimony of an examiner appointed under this section precludes the prosecutor or defense counsel from calling other witnesses or presenting other evidence on competency or insanity issues.

(K) Persons appointed as examiners under divisions (A) and (B) of this section or under division (H) of this section shall be paid a reasonable amount for their services and expenses, as certified by the court. The certified amount shall be paid by the county in the case of county courts and courts of common pleas and by the legislative authority, as defined in section 1901.03 of the Revised Code, in the case of municipal courts.

Sec. 2945.38. (A) If the issue of a defendant's competence to stand trial is raised and if the court, upon conducting the hearing provided for in section 2945.37 of the Revised Code, finds that the defendant is competent to stand trial, the defendant

shall be proceeded against as provided by law. If the court finds 46463
the defendant competent to stand trial and the defendant is 46464
receiving psychotropic drugs or other medication, the court may 46465
authorize the continued administration of the drugs or medication 46466
or other appropriate treatment in order to maintain the 46467
defendant's competence to stand trial, unless the defendant's 46468
attending physician advises the court against continuation of the 46469
drugs, other medication, or treatment. 46470

(B)(1)(a) If, after taking into consideration all relevant 46471
reports, information, and other evidence, the court finds that the 46472
defendant is incompetent to stand trial and that there is a 46473
substantial probability that the defendant will become competent 46474
to stand trial within one year if the defendant is provided with a 46475
course of treatment, the court shall order the defendant to 46476
undergo treatment. If the defendant has been charged with a felony 46477
offense and if, after taking into consideration all relevant 46478
reports, information, and other evidence, the court finds that the 46479
defendant is incompetent to stand trial, but the court is unable 46480
at that time to determine whether there is a substantial 46481
probability that the defendant will become competent to stand 46482
trial within one year if the defendant is provided with a course 46483
of treatment, the court shall order continuing evaluation and 46484
treatment of the defendant for a period not to exceed four months 46485
to determine whether there is a substantial probability that the 46486
defendant will become competent to stand trial within one year if 46487
the defendant is provided with a course of treatment. 46488

(b) The court order for the defendant to undergo treatment or 46489
continuing evaluation and treatment under division (B)(1)(a) of 46490
this section shall specify that the defendant, if determined to 46491
require mental health treatment or continuing evaluation and 46492
treatment, shall be committed to the department of mental health 46493
for treatment or continuing evaluation and treatment shall occur 46494

at a hospital, facility, or agency, as determined to be clinically 46495
appropriate by the department of mental health and, if determined 46496
to require treatment or continuing evaluation and treatment for a 46497
developmental disability, shall receive treatment or continuing 46498
evaluation and treatment at an institution or facility operated by 46499
the department of ~~mental health or the department of~~ developmental 46500
disabilities, at a facility certified by ~~either of those~~ 46501
~~departments~~ the department of developmental disabilities as being 46502
qualified to treat ~~mental illness or~~ mental retardation, at a 46503
public or private community mental ~~health or mental~~ retardation 46504
facility, or by a ~~psychiatrist or another~~ mental health or mental 46505
retardation professional. The order may restrict the defendant's 46506
freedom of movement as the court considers necessary. The 46507
prosecutor in the defendant's case shall send to the chief 46508
clinical officer of the hospital ~~or~~, facility, or agency where the 46509
defendant is placed by the department of mental health, or to the 46510
managing officer of the institution, the director of the ~~program~~ 46511
facility, or the person to which the defendant is committed, 46512
copies of relevant police reports and other background information 46513
that pertains to the defendant and is available to the prosecutor 46514
unless the prosecutor determines that the release of any of the 46515
information in the police reports or any of the other background 46516
information to unauthorized persons would interfere with the 46517
effective prosecution of any person or would create a substantial 46518
risk of harm to any person. 46519

In committing the defendant to the department of mental 46520
health, the court shall consider the extent to which the person is 46521
a danger to the person and to others, the need for security, and 46522
the type of crime involved and, if the court finds that 46523
restrictions on the defendant's freedom of movement are necessary, 46524
shall specify the least restrictive limitations on the person's 46525
freedom of movement determined to be necessary to protect public 46526
safety. In determining ~~placement~~ commitment alternatives for 46527

defendants determined to require treatment or continuing 46528
evaluation and treatment for developmental disabilities, the court 46529
shall consider the extent to which the person is a danger to the 46530
person and to others, the need for security, and the type of crime 46531
involved and shall order the least restrictive alternative 46532
available that is consistent with public safety and treatment 46533
goals. In weighing these factors, the court shall give preference 46534
to protecting public safety. 46535

(c) If the defendant is found incompetent to stand trial, if 46536
the chief clinical officer of the hospital ~~or~~, facility, or agency 46537
where the defendant is placed, or the managing officer of the 46538
institution, the director of the ~~program~~ facility, or the person 46539
to which the defendant is committed for treatment or continuing 46540
evaluation and treatment under division (B)(1)(b) of this section 46541
determines that medication is necessary to restore the defendant's 46542
competency to stand trial, and if the defendant lacks the capacity 46543
to give informed consent or refuses medication, the chief clinical 46544
officer of the hospital, facility, or agency where the defendant 46545
is placed, or the managing officer of the institution, the 46546
director of the facility, or the person to which the defendant is 46547
committed for treatment or continuing evaluation and treatment may 46548
petition the court for authorization for the involuntary 46549
administration of medication. The court shall hold a hearing on 46550
the petition within five days of the filing of the petition if the 46551
petition was filed in a municipal court or a county court 46552
regarding an incompetent defendant charged with a misdemeanor or 46553
within ten days of the filing of the petition if the petition was 46554
filed in a court of common pleas regarding an incompetent 46555
defendant charged with a felony offense. Following the hearing, 46556
the court may authorize the involuntary administration of 46557
medication or may dismiss the petition. 46558

(d) If the defendant is charged with a misdemeanor offense 46559

that is not an offense of violence, the prosecutor may hold the charges in abeyance while the defendant engages in mental health treatment or developmental disability services.

(2) If the court finds that the defendant is incompetent to stand trial and that, even if the defendant is provided with a course of treatment, there is not a substantial probability that the defendant will become competent to stand trial within one year, the court shall order the discharge of the defendant, unless upon motion of the prosecutor or on its own motion, the court either seeks to retain jurisdiction over the defendant pursuant to section 2945.39 of the Revised Code or files an affidavit in the probate court for the civil commitment of the defendant pursuant to Chapter 5122. or 5123. of the Revised Code alleging that the defendant is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order. If an affidavit is filed in the probate court, the trial court shall send to the probate court copies of all written reports of the defendant's mental condition that were prepared pursuant to section 2945.371 of the Revised Code.

The trial court may issue the temporary order of detention that a probate court may issue under section 5122.11 or 5123.71 of the Revised Code, to remain in effect until the probable cause or initial hearing in the probate court. this section informs the court that the treatment or continuing 46626

the defendant and of assisting in the defendant's defense; 46651

(2) For a felony offense, fourteen days before expiration of 46652

understanding the nature and objective of the proceedings against 46664
the defendant or of assisting in the defendant's defense even if 46665
the defendant is provided with a course of treatment. 46666

(G) A report under division (F) of this section shall contain 46667

defendant's defense. If, in the examiner's opinion, the defendant 46672
remains incapable of understanding the nature and objective of the 46673
proceedings against the defendant and of assisting in the 46674
defendant's defense and there is a substantial probability that 46675
the defendant will become capable of understanding the nature and 46676
objective of the proceedings against the defendant and of 46677
assisting in the defendant's defense if the defendant is provided 46678
with a course of treatment, if in the examiner's opinion the 46679
defendant remains mentally ill or mentally retarded, and if the 46680
maximum time for treatment as specified in division (C) of this 46681
section has not expired, the report also shall contain the 46682
examiner's recommendation as to the least restrictive ~~treatment~~ 46683
placement or commitment alternative that is consistent with the 46684
defendant's treatment needs for restoration to competency and with 46685
the safety of the community. The court shall provide copies of the 46686

report to the prosecutor and defense counsel. 46687

of this section, within ten days after the treating physician of 46689
the defendant or the examiner of the defendant who is employed or 46690
retained by the treating facility advises that there is not a 46691
substantial probability that the defendant will become capable of 46692
understanding the nature and objective of the proceedings against 46693
the defendant or of assisting in the defendant's defense even if 46694
the defendant is provided with a course of treatment, within ten 46695
days after the expiration of the maximum time for treatment as 46696
specified in division (C) of this section, within ten days after 46697
the expiration of the maximum time for continuing evaluation and 46698
treatment as specified in division (B)(1)(a) of this section, 46699
within thirty days after a defendant's request for a hearing that 46700
is made after six months of treatment, or within thirty days after 46701
being advised by the treating physician or examiner that the 46702
defendant is competent to stand trial, whichever is the earliest, 46703
the court shall conduct another hearing to determine if the 46704
defendant is competent to stand trial and shall do whichever of 46705
the following is applicable: 46706

(1) If the court finds that the defendant is competent to 46707
stand trial, the defendant shall be proceeded against as provided 46708
by law. 46709

(2) If the court finds that the defendant is incompetent to 46710
stand trial, but that there is a substantial probability that the 46711
defendant will become competent to stand trial if the defendant is 46712
provided with a course of treatment, and the maximum time for 46713
treatment as specified in division (C) of this section has not 46714
expired, the court, after consideration of the examiner's 46715
recommendation, shall order that treatment be continued, may 46716
change the ~~facility or program at which the treatment is to be~~ 46717
~~continued~~ least restrictive limitations on the defendant's freedom 46718

of movement, and, if applicable, shall specify whether the 46719
treatment for developmental disabilities is to be continued at the 46720
same or a different facility or ~~program~~ institution. 46721

(3) If the court finds that the defendant is incompetent to 46722
stand trial, if the defendant is charged with an offense listed in 46723
division (C)(1) of this section, and if the court finds that there 46724
is not a substantial probability that the defendant will become 46725
competent to stand trial even if the defendant is provided with a 46726
course of treatment, or if the maximum time for treatment relative 46727
to that offense as specified in division (C) of this section has 46728
expired, further proceedings shall be as provided in sections 46729
2945.39, 2945.401, and 2945.402 of the Revised Code. 46730

(4) If the court finds that the defendant is incompetent to 46731
stand trial, if the most serious offense with which the defendant 46732
is charged is a misdemeanor or a felony other than a felony listed 46733
in division (C)(1) of this section, and if the court finds that 46734
there is not a substantial probability that the defendant will 46735
become competent to stand trial even if the defendant is provided 46736
with a course of treatment, or if the maximum time for treatment 46737
relative to that offense as specified in division (C) of this 46738
section has expired, the court shall dismiss the indictment, 46739
information, or complaint against the defendant. A dismissal under 46740
this division is not a bar to further prosecution based on the 46741
same conduct. The court shall discharge the defendant unless the 46742
court or prosecutor files an affidavit in probate court for civil 46743
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 46744
If an affidavit for civil commitment is filed, the court may 46745
detain the defendant for ten days pending civil commitment. All of 46746
the following provisions apply to persons charged with a 46747
misdemeanor or a felony other than a felony listed in division 46748
(C)(1) of this section who are committed by the probate court 46749
subsequent to the court's or prosecutor's filing of an affidavit 46750

for civil commitment under authority of this division: 46751

(a) The chief clinical officer of the entity, hospital, or 46752
facility, the managing officer of the institution, ~~the director of~~ 46753
~~the program~~, or the person to which the defendant is committed or 46754
admitted shall do all of the following: 46755

(i) Notify the prosecutor, in writing, of the discharge of 46756
the defendant, send the notice at least ten days prior to the 46757
discharge unless the discharge is by the probate court, and state 46758
in the notice the date on which the defendant will be discharged; 46759

(ii) Notify the prosecutor, in writing, when the defendant is 46760
absent without leave or is granted unsupervised, off-grounds 46761
movement, and send this notice promptly after the discovery of the 46762
absence without leave or prior to the granting of the 46763
unsupervised, off-grounds movement, whichever is applicable; 46764

(iii) Notify the prosecutor, in writing, of the change of the 46765
defendant's commitment or admission to voluntary status, send the 46766
notice promptly upon learning of the change to voluntary status, 46767
and state in the notice the date on which the defendant was 46768
committed or admitted on a voluntary status. 46769

(b) Upon receiving notice that the defendant will be granted 46770
unsupervised, off-grounds movement, the prosecutor either shall 46771
re-indict the defendant or promptly notify the court that the 46772
prosecutor does not intend to prosecute the charges against the 46773
defendant. 46774

(I) If a defendant is convicted of a crime and sentenced to a 46775
jail or workhouse, the defendant's sentence shall be reduced by 46776
the total number of days the defendant is confined for evaluation 46777
to determine the defendant's competence to stand trial or 46778
treatment under this section and sections 2945.37 and 2945.371 of 46779
the Revised Code or by the total number of days the defendant is 46780
confined for evaluation to determine the defendant's mental 46781

condition at the time of the offense charged. 46782

Sec. 2945.39. (A) If a defendant who is charged with an 46783
offense described in division (C)(1) of section 2945.38 of the 46784
Revised Code is found incompetent to stand trial, after the 46785
expiration of the maximum time for treatment as specified in 46786
division (C) of that section or after the court finds that there 46787
is not a substantial probability that the defendant will become 46788
competent to stand trial even if the defendant is provided with a 46789
course of treatment, one of the following applies: 46790

(1) The court or the prosecutor may file an affidavit in 46791
probate court for civil commitment of the defendant in the manner 46792
provided in Chapter 5122. or 5123. of the Revised Code. If the 46793
court or prosecutor files an affidavit for civil commitment, the 46794
court may detain the defendant for ten days pending civil 46795
commitment. If the probate court commits the defendant subsequent 46796
to the court's or prosecutor's filing of an affidavit for civil 46797
commitment, the chief clinical officer of the entity, hospital, or 46798
facility, the managing officer of the institution, ~~the director of~~ 46799
~~the program~~, or the person to which the defendant is committed or 46800
admitted shall send to the prosecutor the notices described in 46801
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 46802
Code within the periods of time and under the circumstances 46803
specified in those divisions. 46804

(2) On the motion of the prosecutor or on its own motion, the 46805
court may retain jurisdiction over the defendant if, at a hearing, 46806
the court finds both of the following by clear and convincing 46807
evidence: 46808

(a) The defendant committed the offense with which the 46809
defendant is charged. 46810

(b) The defendant is a mentally ill person subject to 46811
hospitalization by court order or a mentally retarded person 46812

subject to institutionalization by court order. 46813

(B) In making its determination under division (A)(2) of this 46814
section as to whether to retain jurisdiction over the defendant, 46815
the court may consider all relevant evidence, including, but not 46816
limited to, any relevant psychiatric, psychological, or medical 46817
testimony or reports, the acts constituting the offense charged, 46818
and any history of the defendant that is relevant to the 46819
defendant's ability to conform to the law. 46820

(C) If the court conducts a hearing as described in division 46821
(A)(2) of this section and if the court does not make both 46822
findings described in divisions (A)(2)(a) and (b) of this section 46823
by clear and convincing evidence, the court shall dismiss the 46824
indictment, information, or complaint against the defendant. Upon 46825
the dismissal, the court shall discharge the defendant unless the 46826
court or prosecutor files an affidavit in probate court for civil 46827
commitment of the defendant pursuant to Chapter 5122. or 5123. of 46828
the Revised Code. If the court or prosecutor files an affidavit 46829
for civil commitment, the court may order that the defendant be 46830
detained for up to ten days pending the civil commitment. If the 46831
probate court commits the defendant subsequent to the court's or 46832
prosecutor's filing of an affidavit for civil commitment, the 46833
chief clinical officer of the entity, hospital, or facility, the 46834
managing officer of the institution, ~~the director of the program,~~ 46835
or the person to which the defendant is committed or admitted 46836
shall send to the prosecutor the notices described in divisions 46837
(H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 46838
within the periods of time and under the circumstances specified 46839
in those divisions. A dismissal of charges under this division is 46840
not a bar to further criminal proceedings based on the same 46841
conduct. 46842

(D)(1) If the court conducts a hearing as described in 46843
division (A)(2) of this section and if the court makes the 46844

findings described in divisions (A)(2)(a) and (b) of this section 46845
by clear and convincing evidence, the court shall commit the 46846
defendant, if determined to require mental health treatment, to a 46847
~~hospital operated by~~ the department of mental health for treatment 46848
at a hospital, facility, or agency as determined clinically 46849
appropriate by the department of mental health or, if determined 46850
to require treatment for developmental disabilities, to a facility 46851
operated by the department of developmental disabilities, or 46852
another ~~medical or psychiatric~~ facility, as appropriate. In 46853
committing the defendant to the department of mental health, the 46854
court shall specify the least restrictive limitations on the 46855
defendant's freedom of movement determined to be necessary to 46856
protect public safety. In determining the place and nature of the 46857
commitment to a facility operated by the department of 46858
developmental disabilities or another facility for treatment of 46859
developmental disabilities, the court shall order the least 46860
restrictive commitment alternative available that is consistent 46861
with public safety and the welfare of the defendant. In weighing 46862
these factors, the court shall give preference to protecting 46863
public safety. 46864

(2) If a court makes a commitment of a defendant under 46865
division (D)(1) of this section, the prosecutor shall send to the 46866
hospital, facility, or agency where the defendant is placed by the 46867
department of mental health or to the defendant's place of 46868
commitment all reports of the defendant's current mental condition 46869
and, except as otherwise provided in this division, any other 46870
relevant information, including, but not limited to, a transcript 46871
of the hearing held pursuant to division (A)(2) of this section, 46872
copies of relevant police reports, and copies of any prior arrest 46873
and conviction records that pertain to the defendant and that the 46874
prosecutor possesses. The prosecutor shall send the reports of the 46875
defendant's current mental condition in every case of commitment, 46876
and, unless the prosecutor determines that the release of any of 46877

the other relevant information to unauthorized persons would 46878
interfere with the effective prosecution of any person or would 46879
create a substantial risk of harm to any person, the prosecutor 46880
also shall send the other relevant information. ~~Upon admission of~~ 46881
~~a defendant committed under division (D)(1) of this section, the~~ 46882
~~place of commitment shall send to the board of alcohol, drug~~ 46883
~~addiction, and mental health services or the community mental~~ 46884
~~health board serving the county in which the charges against the~~ 46885
~~defendant were filed a copy of all reports of the defendant's~~ 46886
~~current mental condition and a copy of the other relevant~~ 46887
~~information provided by the prosecutor under this division,~~ 46888
~~including, if provided, a transcript of the hearing held pursuant~~ 46889
~~to division (A)(2) of this section, the relevant police reports,~~ 46890
~~and the prior arrest and conviction records that pertain to the~~ 46891
~~defendant and that the prosecutor possesses.~~ 46892

(3) If a court makes a commitment under division (D)(1) of 46893
this section, all further proceedings shall be in accordance with 46894
sections 2945.401 and 2945.402 of the Revised Code. 46895

Sec. 2945.40. (A) If a person is found not guilty by reason 46896
of insanity, the verdict shall state that finding, and the trial 46897
court shall conduct a full hearing to determine whether the person 46898
is a mentally ill person subject to hospitalization by court order 46899
or a mentally retarded person subject to institutionalization by 46900
court order. Prior to the hearing, if the trial judge believes 46901
that there is probable cause that the person found not guilty by 46902
reason of insanity is a mentally ill person subject to 46903
hospitalization by court order or mentally retarded person subject 46904
to institutionalization by court order, the trial judge may issue 46905
a temporary order of detention for that person to remain in effect 46906
for ten court days or until the hearing, whichever occurs first. 46907

Any person detained pursuant to a temporary order of 46908

detention issued under this division shall be held in a suitable facility, taking into consideration the place and type of confinement prior to and during trial.

(B) The court shall hold the hearing under division (A) of this section to determine whether the person found not guilty by reason of insanity is a mentally ill person subject to hospitalization by court order or a mentally retarded person subject to institutionalization by court order within ten court days after the finding of not guilty by reason of insanity. Failure to conduct the hearing within the ten-day period shall cause the immediate discharge of the respondent, unless the judge grants a continuance for not longer than ten court days for good cause shown or for any period of time upon motion of the respondent.

(C) If a person is found not guilty by reason of insanity, the person has the right to attend all hearings conducted pursuant to sections 2945.37 to 2945.402 of the Revised Code. At any hearing conducted pursuant to one of those sections, the court shall inform the person that the person has all of the following rights:

(1) The right to be represented by counsel and to have that counsel provided at public expense if the person is indigent, with the counsel to be appointed by the court under Chapter 120. of the Revised Code or under the authority recognized in division (C) of section 120.06, division (E) of section 120.16, division (E) of section 120.26, or section 2941.51 of the Revised Code;

(2) The right to have independent expert evaluation and to have that independent expert evaluation provided at public expense if the person is indigent;

(3) The right to subpoena witnesses and documents, to present evidence on the person's behalf, and to cross-examine witnesses

against the person; 46940

(4) The right to testify in the person's own behalf and to 46941
not be compelled to testify; 46942

(5) The right to have copies of any relevant medical or 46943
mental health document in the custody of the state or of any place 46944
of commitment other than a document for which the court finds that 46945
the release to the person of information contained in the document 46946
would create a substantial risk of harm to any person. 46947

(D) The hearing under division (A) of this section shall be 46948
open to the public, and the court shall conduct the hearing in 46949
accordance with the Rules of Civil Procedure. The court shall make 46950
and maintain a full transcript and record of the hearing 46951
proceedings. The court may consider all relevant evidence, 46952
including, but not limited to, any relevant psychiatric, 46953
psychological, or medical testimony or reports, the acts 46954
constituting the offense in relation to which the person was found 46955
not guilty by reason of insanity, and any history of the person 46956
that is relevant to the person's ability to conform to the law. 46957

(E) Upon completion of the hearing under division (A) of this 46958
section, if the court finds there is not clear and convincing 46959
evidence that the person is a mentally ill person subject to 46960
hospitalization by court order or a mentally retarded person 46961
subject to institutionalization by court order, the court shall 46962
discharge the person, unless a detainer has been placed upon the 46963
person by the department of rehabilitation and correction, in 46964
which case the person shall be returned to that department. 46965

(F) If, at the hearing under division (A) of this section, 46966
the court finds by clear and convincing evidence that the person 46967
is a mentally ill person subject to hospitalization by court order 46968
~~or~~, the court shall commit the person to the department of mental 46969
health for placement in a hospital, facility, or agency as 46970

determined clinically appropriate by the department of mental 46971
health. If, at the hearing under division (A) of this section, the 46972
court finds by clear and convincing evidence that the person is a 46973
mentally retarded person subject to institutionalization by court 46974
order, it shall commit the person to a ~~hospital operated by the~~ 46975
~~department of mental health,~~ a facility operated by the department 46976
of developmental disabilities, ~~or another medical or psychiatric~~ 46977
facility, as appropriate, ~~and further.~~ Further proceedings shall 46978
be in accordance with sections 2945.401 and 2945.402 of the 46979
Revised Code. In committing the person to the department of mental 46980
health, the court shall specify the least restrictive limitations 46981
to the defendant's freedom of movement determined to be necessary 46982
to protect public safety. In determining the place and nature of 46983
the commitment of a mentally retarded person subject to 46984
institutionalization by court order, the court shall order the 46985
least restrictive commitment alternative available that is 46986
consistent with public safety and the welfare of the person. In 46987
weighing these factors, the court shall give preference to 46988
protecting public safety. 46989

(G) If a court makes a commitment of a person under division 46990
(F) of this section, the prosecutor shall send to the hospital, 46991
facility, or agency where the person is placed by the department 46992
of mental health or to the defendant's place of commitment all 46993
reports of the person's current mental condition, and, except as 46994
otherwise provided in this division, any other relevant 46995
information, including, but not limited to, a transcript of the 46996
hearing held pursuant to division (A) of this section, copies of 46997
relevant police reports, and copies of any prior arrest and 46998
conviction records that pertain to the person and that the 46999
prosecutor possesses. The prosecutor shall send the reports of the 47000
person's current mental condition in every case of commitment, 47001
and, unless the prosecutor determines that the release of any of 47002
the other relevant information to unauthorized persons would 47003

interfere with the effective prosecution of any person or would 47004
create a substantial risk of harm to any person, the prosecutor 47005
also shall send the other relevant information. ~~Upon admission of~~ 47006
~~a person committed under division (F) of this section, the place~~ 47007
~~of commitment shall send to the board of alcohol, drug addiction,~~ 47008
~~and mental health services or the community mental health board~~ 47009

~~filed a copy of all reports of the person's current mental~~ 47011
~~condition and a copy of the other relevant information provided by~~ 47012
~~the prosecutor under this division, including, if provided, a~~ 47013
~~transcript of the hearing held pursuant to division (A) of this~~ 47014
~~section, the relevant police reports, and the prior arrest and~~ 47015
~~conviction records that pertain to the person and that the~~ 47016
~~prosecutor possesses.~~ 47017

(H) A person who is committed pursuant to this section shall 47018
not voluntarily admit the person or be voluntarily admitted to a 47019
hospital or institution pursuant to section 5122.02, 5122.15, 47020
5123.69, or 5123.76 of the Revised Code. 47021

Sec. 2945.401. (A) A defendant found incompetent to stand 47022
trial and committed pursuant to section 2945.39 of the Revised 47023
Code or a person found not guilty by reason of insanity and 47024
committed pursuant to section 2945.40 of the Revised Code shall 47025
remain subject to the jurisdiction of the trial court pursuant to 47026
that commitment, and to the provisions of this section, until the 47027
final termination of the commitment as described in division 47028
(J)(1) of this section. If the jurisdiction is terminated under 47029
this division because of the final termination of the commitment 47030
resulting from the expiration of the maximum prison term or term 47031
of imprisonment described in division (J)(1)(b) of this section, 47032
the court or prosecutor may file an affidavit for the civil 47033
commitment of the defendant or person pursuant to Chapter 5122. or 47034
5123. of the Revised Code. 47035

(B) A hearing conducted under any provision of sections 47036
2945.37 to 2945.402 of the Revised Code shall not be conducted in 47037
accordance with Chapters 5122. and 5123. of the Revised Code. Any 47038
person who is committed pursuant to section 2945.39 or 2945.40 of 47039
the Revised Code shall not voluntarily admit the person or be 47040
voluntarily admitted to a hospital or institution pursuant to 47041
section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 47042
All other provisions of Chapters 5122. and 5123. of the Revised 47043
Code regarding hospitalization or institutionalization shall apply 47044
to the extent they are not in conflict with this chapter. A 47045
commitment under section 2945.39 or 2945.40 of the Revised Code 47046
shall not be terminated and the conditions of the commitment shall 47047
not be changed except as otherwise provided in division (D)(2) of 47048
this section with respect to a mentally retarded person subject to 47049
institutionalization by court order or except by order of the 47050
trial court. 47051

(C) The ~~hospital, department of mental health or the~~ 47052
institution or facility, or program to which a defendant or person 47053
has been committed under section 2945.39 or 2945.40 of the Revised 47054
Code shall report in writing to the trial court, at the times 47055
specified in this division, as to whether the defendant or person 47056
remains a mentally ill person subject to hospitalization by court 47057
order or a mentally retarded person subject to 47058
institutionalization by court order and, in the case of a 47059
defendant committed under section 2945.39 of the Revised Code, as 47060
to whether the defendant remains incompetent to stand trial. The 47061
~~hospital department, institution, or facility, or program~~ shall 47062
make the reports after the initial six months of treatment and 47063
every two years after the initial report is made. The trial court 47064
shall provide copies of the reports to the prosecutor and to the 47065
counsel for the defendant or person. Within thirty days after its 47066
receipt pursuant to this division of a report from ~~a hospital the~~ 47067
department, institution, or facility, or program, the trial court 47068

shall hold a hearing on the continued commitment of the defendant 47069
or person or on any changes in the conditions of the commitment of 47070
the defendant or person. The defendant or person may request a 47071
change in the conditions of confinement, and the trial court shall 47072
conduct a hearing on that request if six months or more have 47073
elapsed since the most recent hearing was conducted under this 47074
section. 47075

(D)(1) Except as otherwise provided in division (D)(2) of 47076
this section, when a defendant or person has been committed under 47077
section 2945.39 or 2945.40 of the Revised Code, at any time after 47078
evaluating the risks to public safety and the welfare of the 47079
defendant or person, the ~~chief clinical officer~~ designee of the 47080
department of mental health or the managing officer of the 47081
institution or director of the ~~hospital, facility, or program~~ to 47082
which the defendant or person is committed may recommend a 47083
termination of the defendant's or person's commitment or a change 47084
in the conditions of the defendant's or person's commitment. 47085

Except as otherwise provided in division (D)(2) of this 47086
section, if the ~~chief clinical officer~~ designee of the department 47087
of mental health recommends on-grounds unsupervised movement, 47088
off-grounds supervised movement, or nonsecured status for the 47089
defendant or person or termination of the defendant's or person's 47090
commitment, the following provisions apply: 47091

(a) If the ~~chief clinical officer~~ department's designee 47092
recommends on-grounds unsupervised movement or off-grounds 47093
supervised movement, the ~~chief clinical officer~~ department's 47094
designee shall file with the trial court an application for 47095
approval of the movement and shall send a copy of the application 47096
to the prosecutor. Within fifteen days after receiving the 47097
application, the prosecutor may request a hearing on the 47098
application and, if a hearing is requested, shall so inform the 47099
~~chief clinical officer~~ department's designee. If the prosecutor 47100

does not request a hearing within the fifteen-day period, the 47101
trial court shall approve the application by entering its order 47102
approving the requested movement or, within five days after the 47103
expiration of the fifteen-day period, shall set a date for a 47104
hearing on the application. If the prosecutor requests a hearing 47105
on the application within the fifteen-day period, the trial court 47106
shall hold a hearing on the application within thirty days after 47107
the hearing is requested. If the trial court, within five days 47108
after the expiration of the fifteen-day period, sets a date for a 47109
hearing on the application, the trial court shall hold the hearing 47110
within thirty days after setting the hearing date. At least 47111
fifteen days before any hearing is held under this division, the 47112
trial court shall give the prosecutor written notice of the date, 47113
time, and place of the hearing. At the conclusion of each hearing 47114
conducted under this division, the trial court either shall 47115
approve or disapprove the application and shall enter its order 47116
accordingly. 47117

(b) If the ~~chief clinical officer~~ department's designee 47118
recommends termination of the defendant's or person's commitment 47119
at any time or if the ~~chief clinical officer~~ department's designee 47120
recommends the first of any nonsecured status for the defendant or 47121
person, the ~~chief clinical officer~~ department's designee shall 47122
send written notice of this recommendation to the trial court and 47123
to the local forensic center. The local forensic center shall 47124
evaluate the committed defendant or person and, within thirty days 47125
after its receipt of the written notice, shall submit to the trial 47126
court and the ~~chief clinical officer~~ department's designee a 47127
written report of the evaluation. The trial court shall provide a 47128
copy of the ~~chief clinical officer's~~ department's designee's 47129
written notice and of the local forensic center's written report 47130
to the prosecutor and to the counsel for the defendant or person. 47131
Upon the local forensic center's submission of the report to the 47132
trial court and the ~~chief clinical officer~~ department's designee, 47133

all of the following apply: 47134

(i) If the forensic center disagrees with the recommendation 47135
of the ~~chief clinical officer~~ department's designee, it shall 47136
inform the ~~chief clinical officer~~ department's designee and the 47137
trial court of its decision and the reasons for the decision. The 47138
~~chief clinical officer~~ department's designee, after consideration 47139
of the forensic center's decision, shall either withdraw, proceed 47140
with, or modify and proceed with the recommendation. If the ~~chief~~ 47141
~~clinical officer~~ department's designee proceeds with, or modifies 47142
and proceeds with, the recommendation, the ~~chief clinical officer~~ 47143
department's designee shall proceed in accordance with division 47144
(D)(1)(b)(iii) of this section. 47145

(ii) If the forensic center agrees with the recommendation of 47146
the ~~chief clinical officer~~ department's designee, it shall inform 47147
the ~~chief clinical officer~~ department's designee and the trial 47148
court of its decision and the reasons for the decision, and the 47149
~~chief clinical officer~~ department's designee shall proceed in 47150
accordance with division (D)(1)(b)(iii) of this section. 47151

(iii) If the forensic center disagrees with the 47152
recommendation of the ~~chief clinical officer~~ department's designee 47153
and the ~~chief clinical officer~~ department's designee proceeds 47154
with, or modifies and proceeds with, the recommendation or if the 47155
forensic center agrees with the recommendation of the ~~chief~~ 47156
~~clinical officer~~ department's designee, the ~~chief clinical officer~~ 47157
department's designee shall work with ~~the board~~ community mental 47158
health agencies, programs, facilities, or boards of alcohol, drug 47159
addiction, and mental health services ~~or community mental health~~ 47160
~~board serving the area, as appropriate,~~ to develop a plan to 47161
implement the recommendation. If the defendant or person is on 47162
medication, the plan shall include, but shall not be limited to, a 47163
system to monitor the defendant's or person's compliance with the 47164
prescribed medication treatment plan. The system shall include a 47165

schedule that clearly states when the defendant or person shall 47166
report for a medication compliance check. The medication 47167
compliance checks shall be based upon the effective duration of 47168
the prescribed medication, taking into account the route by which 47169
it is taken, and shall be scheduled at intervals sufficiently 47170
close together to detect a potential increase in mental illness 47171
symptoms that the medication is intended to prevent. 47172
47173

~~The chief clinical officer, after consultation with the board~~ 47174
~~of alcohol, drug addiction, and mental health services or the~~ 47175
~~community mental health board serving the area, department's~~ 47176
designee shall send the recommendation and plan developed under 47177
division (D)(1)(b)(iii) of this section, in writing, to the trial 47178
court, the prosecutor and the counsel for the committed defendant 47179
or person. The trial court shall conduct a hearing on the 47180
recommendation and plan developed under division (D)(1)(b)(iii) of 47181
this section. Divisions (D)(1)(c) and (d) and (E) to (J) of this 47182
section apply regarding the hearing. 47183

(c) If the ~~chief clinical officer's~~ department's designee's 47184
recommendation is for nonsecured status or termination of 47185
commitment, the prosecutor may obtain an independent expert 47186
evaluation of the defendant's or person's mental condition, and 47187
the trial court may continue the hearing on the recommendation for 47188
a period of not more than thirty days to permit time for the 47189
evaluation. 47190

The prosecutor may introduce the evaluation report or present 47191
other evidence at the hearing in accordance with the Rules of 47192
Evidence. 47193

(d) The trial court shall schedule the hearing on a ~~chief~~ 47194
~~clinical officer's~~ department's designee's recommendation for 47195
nonsecured status or termination of commitment and shall give 47196
reasonable notice to the prosecutor and the counsel for the 47197

defendant or person. Unless continued for independent evaluation 47198
at the prosecutor's request or for other good cause, the hearing 47199
shall be held within thirty days after the trial court's receipt 47200
of the recommendation and plan. 47201

(2)(a) Division (D)(1) of this section does not apply to 47202
on-grounds unsupervised movement of a defendant or person who has 47203
been committed under section 2945.39 or 2945.40 of the Revised 47204
Code, who is a mentally retarded person subject to 47205
institutionalization by court order, and who is being provided 47206
residential habilitation, care, and treatment in a facility 47207
operated by the department of developmental disabilities. 47208

(b) If, pursuant to section 2945.39 of the Revised Code, the 47209
trial court commits a defendant who is found incompetent to stand 47210
trial and who is a mentally retarded person subject to 47211
institutionalization by court order, if the defendant is being 47212
provided residential habilitation, care, and treatment in a 47213
facility operated by the department of developmental disabilities, 47214
if an individual who is conducting a survey for the department of 47215
health to determine the facility's compliance with the 47216
certification requirements of the medicaid program under Chapter 47217
5111. of the Revised Code and Title XIX of the "Social Security 47218
Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, cites the 47219
defendant's receipt of the residential habilitation, care, and 47220
treatment in the facility as being inappropriate under the 47221
certification requirements, if the defendant's receipt of the 47222
residential habilitation, care, and treatment in the facility 47223
potentially jeopardizes the facility's continued receipt of 47224
federal medicaid moneys, and if as a result of the citation the 47225
chief clinical officer of the facility determines that the 47226
conditions of the defendant's commitment should be changed, the 47227
department of developmental disabilities may cause the defendant 47228
to be removed from the particular facility and, after evaluating 47229

the risks to public safety and the welfare of the defendant and 47230
after determining whether another type of placement is consistent 47231
with the certification requirements, may place the defendant in 47232
another facility that the department selects as an appropriate 47233
facility for the defendant's continued receipt of residential 47234
habilitation, care, and treatment and that is a no less secure 47235
setting than the facility in which the defendant had been placed 47236
at the time of the citation. Within three days after the 47237
defendant's removal and alternative placement under the 47238
circumstances described in division (D)(2)(b) of this section, the 47239
department of developmental disabilities shall notify the trial 47240
court and the prosecutor in writing of the removal and alternative 47241
placement. 47242

The trial court shall set a date for a hearing on the removal 47243
and alternative placement, and the hearing shall be held within 47244
twenty-one days after the trial court's receipt of the notice from 47245
the department of developmental disabilities. At least ten days 47246
before the hearing is held, the trial court shall give the 47247
prosecutor, the department of developmental disabilities, and the 47248
counsel for the defendant written notice of the date, time, and 47249
place of the hearing. At the hearing, the trial court shall 47250
consider the citation issued by the individual who conducted the 47251
survey for the department of health to be prima-facie evidence of 47252
the fact that the defendant's commitment to the particular 47253
facility was inappropriate under the certification requirements of 47254
the medicaid program under Chapter 5111. of the Revised Code and 47255
Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 47256
U.S.C.A. 301, as amended, and potentially jeopardizes the 47257
particular facility's continued receipt of federal medicaid 47258
moneys. At the conclusion of the hearing, the trial court may 47259
approve or disapprove the defendant's removal and alternative 47260
placement. If the trial court approves the defendant's removal and 47261
alternative placement, the department of developmental 47262

disabilities may continue the defendant's alternative placement. 47263
If the trial court disapproves the defendant's removal and 47264
alternative placement, it shall enter an order modifying the 47265
defendant's removal and alternative placement, but that order 47266
shall not require the department of developmental disabilities to 47267
replace the defendant for purposes of continued residential 47268
habilitation, care, and treatment in the facility associated with 47269
the citation issued by the individual who conducted the survey for 47270
the department of health. 47271

(E) In making a determination under this section regarding 47272
nonsecured status or termination of commitment, the trial court 47273
shall consider all relevant factors, including, but not limited 47274
to, all of the following: 47275

(1) Whether, in the trial court's view, the defendant or 47276
person currently represents a substantial risk of physical harm to 47277
the defendant or person or others; 47278

(2) Psychiatric and medical testimony as to the current 47279
mental and physical condition of the defendant or person; 47280

(3) Whether the defendant or person has insight into the 47281
defendant's or person's condition so that the defendant or person 47282
will continue treatment as prescribed or seek professional 47283
assistance as needed; 47284

(4) The grounds upon which the state relies for the proposed 47285
commitment; 47286

(5) Any past history that is relevant to establish the 47287
defendant's or person's degree of conformity to the laws, rules, 47288
regulations, and values of society; 47289

(6) If there is evidence that the defendant's or person's 47290
mental illness is in a state of remission, the medically suggested 47291
cause and degree of the remission and the probability that the 47292
defendant or person will continue treatment to maintain the 47293

remissive state of the defendant's or person's illness should the 47294
defendant's or person's commitment conditions be altered. 47295

(F) At any hearing held pursuant to division (C) or (D)(1) or 47296
(2) of this section, the defendant or the person shall have all 47297
the rights of a defendant or person at a commitment hearing as 47298
described in section 2945.40 of the Revised Code. 47299

(G) In a hearing held pursuant to division (C) or (D)(1) of 47300
this section, the prosecutor has the burden of proof as follows: 47301

(1) For a recommendation of termination of commitment, to 47302
show by clear and convincing evidence that the defendant or person 47303
remains a mentally ill person subject to hospitalization by court 47304
order or a mentally retarded person subject to 47305
institutionalization by court order; 47306

(2) For a recommendation for a change in the conditions of 47307
the commitment to a less restrictive status, to show by clear and 47308
convincing evidence that the proposed change represents a threat 47309
to public safety or a threat to the safety of any person. 47310

(H) In a hearing held pursuant to division (C) or (D)(1) or 47311
(2) of this section, the prosecutor shall represent the state or 47312
the public interest. 47313

(I) At the conclusion of a hearing conducted under division 47314
(D)(1) of this section regarding a recommendation from the ~~chief~~ 47315
~~clinical officer~~ designee of the department of mental health, 47316
managing officer of the institution, or director of a ~~hospital,~~ 47317
~~program, or~~ facility, the trial court may approve, disapprove, or 47318
modify the recommendation and shall enter an order accordingly. 47319

(J)(1) A defendant or person who has been committed pursuant 47320
to section 2945.39 or 2945.40 of the Revised Code continues to be 47321
under the jurisdiction of the trial court until the final 47322
termination of the commitment. For purposes of division (J) of 47323
this section, the final termination of a commitment occurs upon 47324

the earlier of one of the following: 47325

(a) The defendant or person no longer is a mentally ill 47326
person subject to hospitalization by court order or a mentally 47327
retarded person subject to institutionalization by court order, as 47328
determined by the trial court; 47329

(b) The expiration of the maximum prison term or term of 47330
imprisonment that the defendant or person could have received if 47331
the defendant or person had been convicted of the most serious 47332
offense with which the defendant or person is charged or in 47333
relation to which the defendant or person was found not guilty by 47334
reason of insanity; 47335

(c) The trial court enters an order terminating the 47336
commitment under the circumstances described in division 47337
(J)(2)(a)(ii) of this section. 47338

(2)(a) If a defendant is found incompetent to stand trial and 47339
committed pursuant to section 2945.39 of the Revised Code, if 47340
neither of the circumstances described in divisions (J)(1)(a) and 47341
(b) of this section applies to that defendant, and if a report 47342
filed with the trial court pursuant to division (C) of this 47343
section indicates that the defendant presently is competent to 47344
stand trial or if, at any other time during the period of the 47345
defendant's commitment, the prosecutor, the counsel for the 47346
defendant, or the ~~chief clinical officer~~ designee of the 47347
department of mental health or the managing officer of the 47348
institution or director of the ~~hospital, facility, or program~~ to 47349
which the defendant is committed files an application with the 47350
trial court alleging that the defendant presently is competent to 47351
stand trial and requesting a hearing on the competency issue or 47352
the trial court otherwise has reasonable cause to believe that the 47353
defendant presently is competent to stand trial and determines on 47354
its own motion to hold a hearing on the competency issue, the 47355
trial court shall schedule a hearing on the competency of the 47356

defendant to stand trial, shall give the prosecutor, the counsel 47357
for the defendant, and the ~~chief clinical officer~~ department's 47358
designee or the managing officer of the institution or the 47359
director of the facility to which the defendant is committed 47360
notice of the date, time, and place of the hearing at least 47361
fifteen days before the hearing, and shall conduct the hearing 47362
within thirty days of the filing of the application or of its own 47363
motion. If, at the conclusion of the hearing, the trial court 47364
determines that the defendant presently is capable of 47365
understanding the nature and objective of the proceedings against 47366
the defendant and of assisting in the defendant's defense, the 47367
trial court shall order that the defendant is competent to stand 47368
trial and shall be proceeded against as provided by law with 47369
respect to the applicable offenses described in division (C)(1) of 47370
section 2945.38 of the Revised Code and shall enter whichever of 47371
the following additional orders is appropriate: 47372

(i) If the trial court determines that the defendant remains 47373
a mentally ill person subject to hospitalization by court order or 47374
a mentally retarded person subject to institutionalization by 47375
court order, the trial court shall order that the defendant's 47376
commitment to the ~~hospital,~~ department of mental health or to an 47377
institution or facility, ~~or program for the treatment of~~ 47378
developmental disabilities be continued during the pendency of the 47379
trial on the applicable offenses described in division (C)(1) of 47380
section 2945.38 of the Revised Code. 47381

(ii) If the trial court determines that the defendant no 47382
longer is a mentally ill person subject to hospitalization by 47383
court order or a mentally retarded person subject to 47384
institutionalization by court order, the trial court shall order 47385
that the defendant's commitment to the ~~hospital,~~ department of 47386
mental health or to an institution or facility, ~~or program for the~~ 47387
treatment of developmental disabilities shall not be continued 47388

during the pendency of the trial on the applicable offenses 47389
described in division (C)(1) of section 2945.38 of the Revised 47390
Code. This order shall be a final termination of the commitment 47391
for purposes of division (J)(1)(c) of this section. 47392

(b) If, at the conclusion of the hearing described in 47393
division (J)(2)(a) of this section, the trial court determines 47394
that the defendant remains incapable of understanding the nature 47395
and objective of the proceedings against the defendant or of 47396
assisting in the defendant's defense, the trial court shall order 47397
that the defendant continues to be incompetent to stand trial, 47398
that the defendant's commitment to the ~~hospital, department of~~ 47399
mental health or to an institution or facility, or program for the 47400
treatment of developmental disabilities shall be continued, and 47401
that the defendant remains subject to the jurisdiction of the 47402
trial court pursuant to that commitment, and to the provisions of 47403
this section, until the final termination of the commitment as 47404
described in division (J)(1) of this section. 47405

Sec. 2945.402. (A) In approving a conditional release, the 47406
trial court may set any conditions on the release with respect to 47407
the treatment, evaluation, counseling, or control of the defendant 47408
or person that the court considers necessary to protect the public 47409
safety and the welfare of the defendant or person. The trial court 47410
may revoke a defendant's or person's conditional release and order 47411
~~rehospitalization~~ reinstatement of the previous placement or 47412
reinstitutionalization at any time the conditions of the release 47413
have not been satisfied, provided that the revocation shall be in 47414
accordance with this section. 47415

(B) A conditional release is a commitment. The hearings on 47416
continued commitment as described in section 2945.401 of the 47417
Revised Code apply to a defendant or person on conditional 47418
release. 47419

(C) A person, agency, or facility that is assigned to monitor a defendant or person on conditional release immediately shall notify the trial court on learning that the defendant or person being monitored has violated the terms of the conditional release. Upon learning of any violation of the terms of the conditional release, the trial court may issue a temporary order of detention or, if necessary, an arrest warrant for the defendant or person. Within ten court days after the defendant's or person's detention or arrest, the trial court shall conduct a hearing to determine whether the conditional release should be modified or terminated. At the hearing, the defendant or person shall have the same rights as are described in division (C) of section 2945.40 of the Revised Code. The trial court may order a continuance of the ten-court-day period for no longer than ten days for good cause shown or for any period on motion of the defendant or person. If the trial court fails to conduct the hearing within the ten-court-day period and does not order a continuance in accordance with this division, the defendant or person shall be restored to the prior conditional release status.

(D) The trial court shall give all parties reasonable notice of a hearing conducted under this section. At the hearing, the prosecutor shall present the case demonstrating that the defendant or person violated the terms of the conditional release. If the court finds by a preponderance of the evidence that the defendant or person violated the terms of the conditional release, the court may continue, modify, or terminate the conditional release and shall enter its order accordingly.

Sec. 2949.14. Upon conviction of a nonindigent person for a felony, the clerk of the court of common pleas shall make and certify under ~~his~~ the clerk's hand and seal of the court, a complete itemized bill of the costs made in such prosecution, including the sum paid by the board of county commissioners,

certified by the county auditor, for the arrest and return of the 47452

the governor to the president of the United States, or on the 47454
return of the fugitive by a designated agent pursuant to a waiver 47455
of extradition except in cases of parole violation. ~~Such bill of~~ 47456
~~costs shall be presented by such clerk to the prosecuting~~ 47457
~~attorney, who shall examine each item therein charged and certify~~ 47458
~~to it if correct and legal. Upon certification by the prosecuting~~ 47459
~~attorney, the~~ The clerk shall attempt to collect the costs from 47460
the person convicted. 47461

Sec. 2953.08. (A) In addition to any other right to appeal 47462
and except as provided in division (D) of this section, a 47463
defendant who is convicted of or pleads guilty to a felony may 47464
appeal as a matter of right the sentence imposed upon the 47465
defendant on one of the following grounds: 47466

(1) The sentence consisted of or included the maximum prison 47467
term allowed for the offense by division (A) of section 2929.14 or 47468
section 2929.142 of the Revised Code, the sentence was not imposed 47469
pursuant to division (D)(3)(b) of section 2929.14 of the Revised 47470
Code, the maximum prison term was not required for the offense 47471
pursuant to Chapter 2925. or any other provision of the Revised 47472
Code, and the court imposed the sentence under one of the 47473
following circumstances: 47474

(a) The sentence was imposed for only one offense. 47475

(b) The sentence was imposed for two or more offenses arising 47476
out of a single incident, and the court imposed the maximum prison 47477
term for the offense of the highest degree. 47478

(2) The sentence consisted of or included a prison term, the 47479
offense for which it was imposed is a felony of the fourth or 47480
fifth degree or is a felony drug offense that is a violation of a 47481
provision of Chapter 2925. of the Revised Code and that is 47482

specified as being subject to division (B) of section 2929.13 of 47483
the Revised Code for purposes of sentencing, and the court did not 47484
specify at sentencing that it found one or more factors specified 47485
in divisions (B)(1)(a) to (i) of section 2929.13 of the Revised 47486
Code to apply relative to the defendant. If the court specifies 47487
that it found one or more of those factors to apply relative to 47488
the defendant, the defendant is not entitled under this division 47489
to appeal as a matter of right the sentence imposed upon the 47490
offender. 47491

(3) The person was convicted of or pleaded guilty to a 47492
violent sex offense or a designated homicide, assault, or 47493
kidnapping offense, was adjudicated a sexually violent predator in 47494
relation to that offense, and was sentenced pursuant to division 47495
(A)(3) of section 2971.03 of the Revised Code, if the minimum term 47496
of the indefinite term imposed pursuant to division (A)(3) of 47497
section 2971.03 of the Revised Code is the longest term available 47498
for the offense from among the range of terms listed in section 47499
2929.14 of the Revised Code. As used in this division, "designated 47500
homicide, assault, or kidnapping offense" and "violent sex 47501
offense" have the same meanings as in section 2971.01 of the 47502
Revised Code. As used in this division, "adjudicated a sexually 47503
violent predator" has the same meaning as in section 2929.01 of 47504
the Revised Code, and a person is "adjudicated a sexually violent 47505
predator" in the same manner and the same circumstances as are 47506
described in that section. 47507

(4) The sentence is contrary to law. 47508

(5) The sentence consisted of an additional prison term of 47509
ten years imposed pursuant to division (D)(2)(a) of section 47510
2929.14 of the Revised Code. 47511

(6) The sentence consisted of an additional prison term of 47512
ten years imposed pursuant to division (D)(3)(b) of section 47513
2929.14 of the Revised Code. 47514

(B) In addition to any other right to appeal and except as provided in division (D) of this section, a prosecuting attorney, a city director of law, village solicitor, or similar chief legal officer of a municipal corporation, or the attorney general, if one of those persons prosecuted the case, may appeal as a matter of right a sentence imposed upon a defendant who is convicted of or pleads guilty to a felony or, in the circumstances described in division (B)(3) of this section the modification of a sentence imposed upon such a defendant, on any of the following grounds:

(1) The sentence did not include a prison term despite a presumption favoring a prison term for the offense for which it was imposed, as set forth in section 2929.13 or Chapter 2925. of the Revised Code.

(2) The sentence is contrary to law.

(3) The sentence is a modification under section 2929.20 of the Revised Code of a sentence that was imposed for a felony of the first or second degree.

(C)(1) In addition to the right to appeal a sentence granted under division (A) or (B) of this section, a defendant who is convicted of or pleads guilty to a felony may seek leave to appeal a sentence imposed upon the defendant on the basis that the sentencing judge has imposed consecutive sentences under division (E)(3) or (4) of section 2929.14 of the Revised Code and that the consecutive sentences exceed the maximum prison term allowed by division (A) of that section for the most serious offense of which the defendant was convicted. Upon the filing of a motion under this division, the court of appeals may grant leave to appeal the sentence if the court determines that the allegation included as the basis of the motion is true.

(2) A defendant may seek leave to appeal an additional sentence imposed upon the defendant pursuant to division (D)(2)(a)

or (b) of section 2929.14 of the Revised Code if the additional 47546
sentence is for a definite prison term that is longer than five 47547
years. 47548

(D)(1) A sentence imposed upon a defendant is not subject to 47549
review under this section if the sentence is authorized by law, 47550
has been recommended jointly by the defendant and the prosecution 47551
in the case, and is imposed by a sentencing judge. 47552

(2) Except as provided in division (C)(2) of this section, a 47553
sentence imposed upon a defendant is not subject to review under 47554
this section if the sentence is imposed pursuant to division 47555
(D)(2)(b) of section 2929.14 of the Revised Code. Except as 47556
otherwise provided in this division, a defendant retains all 47557
rights to appeal as provided under this chapter or any other 47558
provision of the Revised Code. A defendant has the right to appeal 47559
under this chapter or any other provision of the Revised Code the 47560
court's application of division (D)(2)(c) of section 2929.14 of 47561
the Revised Code. 47562

(3) A sentence imposed for aggravated murder or murder 47563
pursuant to sections 2929.02 to 2929.06 of the Revised Code is not 47564
subject to review under this section. 47565

(E) A defendant, prosecuting attorney, city director of law, 47566
village solicitor, or chief municipal legal officer shall file an 47567
appeal of a sentence under this section to a court of appeals 47568
within the time limits specified in Rule 4(B) of the Rules of 47569
Appellate Procedure, provided that if the appeal is pursuant to 47570
division (B)(3) of this section, the time limits specified in that 47571
rule shall not commence running until the court grants the motion 47572
that makes the sentence modification in question. A sentence 47573
appeal under this section shall be consolidated with any other 47574
appeal in the case. If no other appeal is filed, the court of 47575
appeals may review only the portions of the trial record that 47576
pertain to sentencing. 47577

(F) On the appeal of a sentence under this section, the 47578
record to be reviewed shall include all of the following, as 47579
applicable: 47580

(1) Any presentence, psychiatric, or other investigative 47581
report that was submitted to the court in writing before the 47582
sentence was imposed. An appellate court that reviews a 47583
presentence investigation report prepared pursuant to section 47584
2947.06 or 2951.03 of the Revised Code or Criminal Rule 32.2 in 47585
connection with the appeal of a sentence under this section shall 47586
comply with division (D)(3) of section 2951.03 of the Revised Code 47587
when the appellate court is not using the presentence 47588
investigation report, and the appellate court's use of a 47589
presentence investigation report of that nature in connection with 47590
the appeal of a sentence under this section does not affect the 47591
otherwise confidential character of the contents of that report as 47592
described in division (D)(1) of section 2951.03 of the Revised 47593
Code and does not cause that report to become a public record, as 47594
defined in section 149.43 of the Revised Code, following the 47595
appellate court's use of the report. 47596

(2) The trial record in the case in which the sentence was 47597
imposed; 47598

(3) Any oral or written statements made to or by the court at 47599
the sentencing hearing at which the sentence was imposed; 47600

(4) Any written findings that the court was required to make 47601
in connection with the modification of the sentence pursuant to a 47602
judicial release under division (I) of section 2929.20 of the 47603
Revised Code. 47604

(G)(1) If the sentencing court was required to make the 47605
findings required by division (B) or (D) of section 2929.13, 47606
division (D)(2)(e) or (E)(4) of section 2929.14, or division (I) 47607
of section 2929.20 of the Revised Code relative to the imposition 47608

or modification of the sentence, and if the sentencing court 47609
failed to state the required findings on the record, the court 47610
hearing an appeal under division (A), (B), or (C) of this section 47611
shall remand the case to the sentencing court and instruct the 47612
sentencing court to state, on the record, the required findings. 47613

(2) The court hearing an appeal under division (A), (B), or 47614
(C) of this section shall review the record, including the 47615
findings underlying the sentence or modification given by the 47616
sentencing court. 47617

The appellate court may increase, reduce, or otherwise modify 47618
a sentence that is appealed under this section or may vacate the 47619
sentence and remand the matter to the sentencing court for 47620
resentencing. The appellate court's standard for review is not 47621
whether the sentencing court abused its discretion. The appellate 47622
court may take any action authorized by this division if it 47623
clearly and convincingly finds either of the following: 47624

(a) That the record does not support the sentencing court's 47625
findings under division (B) or (D) of section 2929.13, division 47626
(D)(2)(e) or (E)(4) of section 2929.14, or division (I) of section 47627
2929.20 of the Revised Code, whichever, if any, is relevant; 47628

(b) That the sentence is otherwise contrary to law. 47629

(H) A judgment or final order of a court of appeals under 47630
this section may be appealed, by leave of court, to the supreme 47631
court. 47632

(I)(1) There is hereby established the felony sentence appeal 47633
cost oversight committee, consisting of eight members. One member 47634
shall be the chief justice of the supreme court or a 47635
representative of the court designated by the chief justice, one 47636
member shall be a member of the senate appointed by the president 47637
of the senate, one member shall be a member of the house of 47638
representatives appointed by the speaker of the house of 47639

representatives, one member shall be the director of budget and 47640
management or a representative of the office of budget and 47641
management designated by the director, one member shall be a judge 47642
of a court of appeals, court of common pleas, municipal court, or 47643
county court appointed by the chief justice of the supreme court, 47644
one member shall be the state public defender or a representative 47645
of the office of the state public defender designated by the state 47646
public defender, one member shall be a prosecuting attorney 47647
appointed by the Ohio prosecuting attorneys association, and one 47648
member shall be a county commissioner appointed by the county 47649
commissioners association of Ohio. No more than three of the 47650
appointed members of the committee may be members of the same 47651
political party. 47652

The president of the senate, the speaker of the house of 47653
representatives, the chief justice of the supreme court, the Ohio 47654
prosecuting attorneys association, and the county commissioners 47655
association of Ohio shall make the initial appointments to the 47656
committee of the appointed members no later than ninety days after 47657
July 1, 1996. Of those initial appointments to the committee, the 47658
members appointed by the speaker of the house of representatives 47659
and the Ohio prosecuting attorneys association shall serve a term 47660
ending two years after July 1, 1996, the member appointed by the 47661
chief justice of the supreme court shall serve a term ending three 47662
years after July 1, 1996, and the members appointed by the 47663
president of the senate and the county commissioners association 47664
of Ohio shall serve terms ending four years after July 1, 1996. 47665
Thereafter, terms of office of the appointed members shall be for 47666
four years, with each term ending on the same day of the same 47667
month as did the term that it succeeds. Members may be 47668
reappointed. Vacancies shall be filled in the same manner provided 47669
for original appointments. A member appointed to fill a vacancy 47670
occurring prior to the expiration of the term for which that 47671
member's predecessor was appointed shall hold office as a member 47672

for the remainder of the predecessor's term. An appointed member 47673
shall continue in office subsequent to the expiration date of that 47674
member's term until that member's successor takes office or until 47675
a period of sixty days has elapsed, whichever occurs first. 47676

If the chief justice of the supreme court, the director of 47677
the office of budget and management, or the state public defender 47678
serves as a member of the committee, that person's term of office 47679
as a member shall continue for as long as that person holds office 47680
as chief justice, director of the office of budget and management, 47681
or state public defender. If the chief justice of the supreme 47682
court designates a representative of the court to serve as a 47683
member, the director of budget and management designates a 47684
representative of the office of budget and management to serve as 47685
a member, or the state public defender designates a representative 47686
of the office of the state public defender to serve as a member, 47687
the person so designated shall serve as a member of the commission 47688
for as long as the official who made the designation holds office 47689
as chief justice, director of the office of budget and management, 47690
or state public defender or until that official revokes the 47691
designation. 47692

The chief justice of the supreme court or the representative 47693
of the supreme court appointed by the chief justice shall serve as 47694
chairperson of the committee. The committee shall meet within two 47695
weeks after all appointed members have been appointed and shall 47696
organize as necessary. Thereafter, the committee shall meet at 47697
least once every six months or more often upon the call of the 47698
chairperson or the written request of three or more members, 47699
provided that the committee shall not meet unless moneys have been 47700
appropriated to the judiciary budget administered by the supreme 47701
court specifically for the purpose of providing financial 47702
assistance to counties under division (I)(2) of this section and 47703
the moneys so appropriated then are available for that purpose. 47704

The members of the committee shall serve without 47705
compensation, but, if moneys have been appropriated to the 47706
judiciary budget administered by the supreme court specifically 47707
for the purpose of providing financial assistance to counties 47708
under division (I)(2) of this section, each member shall be 47709
reimbursed out of the moneys so appropriated that then are 47710
available for actual and necessary expenses incurred in the 47711
performance of official duties as a committee member. 47712

(2) ~~The state criminal sentencing commission periodically~~ 47713
~~shall provide to the felony sentence appeal cost oversight~~ 47714
~~committee all data the commission collects pursuant to division~~ 47715
~~(A)(5) of section 181.25 of the Revised Code. Upon receipt of the~~ 47716
~~data from the state criminal sentencing commission, the felony~~ 47717
sentence appeal cost oversight committee periodically shall review 47718
~~the data;~~ determine whether any money has been appropriated to the 47719
judiciary budget administered by the supreme court specifically 47720
for the purpose of providing state financial assistance to 47721
counties in accordance with this division for the increase in 47722
expenses the counties experience as a result of the felony 47723
sentence appeal provisions set forth in this section or as a 47724
result of a postconviction relief proceeding brought under 47725
division (A)(2) of section 2953.21 of the Revised Code or an 47726
appeal of a judgment in that proceeding; if it determines that any 47727
money has been so appropriated, determine the total amount of 47728
moneys that have been so appropriated specifically for that 47729
purpose and that then are available for that purpose; and develop 47730
a recommended method of distributing those moneys to the counties. 47731
The committee shall send a copy of its recommendation to the 47732
supreme court. Upon receipt of the committee's recommendation, the 47733
supreme court shall distribute to the counties, based upon that 47734
recommendation, the moneys that have been so appropriated 47735
specifically for the purpose of providing state financial 47736
assistance to counties under this division and that then are 47737

available for that purpose. 47738

Sec. 2981.11. (A)(1) Any property that has been lost, 47739
abandoned, stolen, seized pursuant to a search warrant, or 47740
otherwise lawfully seized or forfeited and that is in the custody 47741
of a law enforcement agency shall be kept safely by the agency, 47742
pending the time it no longer is needed as evidence or for another 47743
lawful purpose, and shall be disposed of pursuant to sections 47744
2981.12 and 2981.13 of the Revised Code. 47745

(2) This chapter does not apply to the custody and disposal 47746
of any of the following: 47747

(a) Vehicles subject to forfeiture under Title XLV of the 47748
Revised Code, except as provided in division (A)(6) of section 47749
2981.12 of the Revised Code; 47750

negligible value; 47752

(c) Property held by a department of rehabilitation and 47753
correction institution that is unclaimed, that does not have an 47754
identified owner, that the owner agrees to dispose of, or that is 47755
identified by the department as having little value; 47756

(d) Animals taken, and devices used in unlawfully taking 47757
animals, under section 1531.20 of the Revised Code; 47758

performance of the officer's official duties under section 47760
3719.141 of the Revised Code; 47761

(f) Property recovered by a township law enforcement agency 47762
under sections 505.105 to 505.109 of the Revised Code; 47763

(g) Property held and disposed of under an ordinance of the 47764
municipal corporation or under sections 737.29 to 737.33 of the 47765
Revised Code, except that a municipal corporation that has 47766
received notice of a citizens' reward program as provided in 47767

division (F) of section 2981.12 of the Revised Code and disposes 47768
of property under an ordinance shall pay twenty-five per cent of 47769
any moneys acquired from any sale or auction to the citizens' 47770
reward program. 47771

(B)(1) Each law enforcement agency that has custody of any 47772
property that is subject to this section shall adopt and comply 47773
with a written internal control policy that does all of the 47774
following: 47775

(a) Provides for keeping detailed records as to the amount of 47776
property acquired by the agency and the date property was 47777
acquired; 47778

(b) Provides for keeping detailed records of the disposition 47779
of the property, which shall include, but not be limited to, both 47780

(ii) The general types of expenditures made with amounts that 47787
are gained from the sale of the property and that are retained by 47788
the agency, including the specific amount expended on each general 47789

or permit the identification of any specific expenditure that is 47791
made in an ongoing investigation. 47792

(c) Complies with section 2981.13 of the Revised Code if the 47793
agency has a law enforcement trust fund or similar fund created 47794
under that section. 47795

(2) Each law enforcement agency that during any calendar year 47796
has any seized or forfeited property covered by this section in 47797
its custody, including amounts distributed under section 2981.13 47798

of the Revised Code to its law enforcement trust fund or a similar 47799
fund created for the state highway patrol, department of public 47800
safety, department of taxation, or state board of pharmacy, shall 47801
prepare a report covering the calendar year that cumulates all of 47802
the information contained in all of the public records kept by the 47803
agency pursuant to this section for that calendar year. The agency 47804
shall send a copy of the cumulative report to the attorney general 47805
not later than the first day of March in the calendar year 47806
following the calendar year covered by the report. 47807

(3) The records kept under the internal control policy shall 47808
be open to public inspection during the agency's regular business 47809
hours. The policy adopted under this section and each report 47810
received by the attorney general is a public record open for 47811
inspection under section 149.43 of the Revised Code. 47812

(4) Not later than the fifteenth day of April in each 47813
calendar year in which reports are sent to the attorney general 47814
under division (B)(2) of this section, the attorney general shall 47815
send to the president of the senate and the speaker of the house 47816
of representatives a written notice that indicates that the 47817
attorney general received reports that cover the previous calendar 47818
year, that the reports are open for inspection under section 47819
149.43 of the Revised Code, and that the attorney general will 47820

the assessment. 49064

(b) Any alternate assessment approved by the department for a 49065
student under this division shall produce measurable results 49066
comparable to those produced by the assessment it replaces in 49067
order to allow for the student's results to be included in the 49068
data compiled for a school district or building under section 49069
3302.03 of the Revised Code. 49070

(c) Any student enrolled in a chartered nonpublic school who 49071
has been identified, based on an evaluation conducted in 49072
accordance with section 3323.03 of the Revised Code or section 504 49073
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 49074
794, as amended, as a child with a disability shall be excused 49075
from taking any particular assessment required to be administered 49076
under this section if a plan developed for the student pursuant to 49077
rules adopted by the state board excuses the student from taking 49078
that assessment. In the case of any student so excused from taking 49079
an assessment, the chartered nonpublic school shall not prohibit 49080
the student from taking the assessment. 49081

(2) A district board may, for medical reasons or other good 49082
cause, excuse a student from taking an assessment administered 49083
under this section on the date scheduled, but that assessment 49084
shall be administered to the excused student not later than nine 49085
days following the scheduled date. The district board shall 49086
annually report the number of students who have not taken one or 49087
more of the assessments required by this section to the state 49088
board of education not later than the thirtieth day of June. 49089

(3) As used in this division, "limited English proficient 49090
student" has the same meaning as in 20 U.S.C. 7801. 49091

No school district board shall excuse any limited English 49092
proficient student from taking any particular assessment required 49093
to be administered under this section, except that any limited 49094
English proficient student who has been enrolled in United States 49095
schools for less than one full school year shall not be required 49096
to take any reading, writing, or English language arts assessment. 49097
However, no board shall prohibit a limited English proficient 49098
student who is not required to take an assessment under this 49099
division from taking the assessment. A board may permit any 49100
limited English proficient student to take an assessment required 49101
to be administered under this section with appropriate 49102

accommodations, as determined by the department. For each limited 49103
English proficient student, each school district shall annually 49104
assess that student's progress in learning English, in accordance 49105
with procedures approved by the department. 49106

The governing authority of a chartered nonpublic school may 49107
excuse a limited English proficient student from taking any 49108
assessment administered under this section. However, no governing 49109
authority shall prohibit a limited English proficient student from 49110
taking the assessment. 49111

(D)(1) In the school year next succeeding the school year in 49112
which the assessments prescribed by division (A)(1) or (B)(1) of 49113
section 3301.0710 of the Revised Code or former division (A)(1), 49114
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 49115
existed prior to September 11, 2001, are administered to any 49116
student, the board of education of any school district in which 49117
the student is enrolled in that year shall provide to the student 49118
intervention services commensurate with the student's performance, 49119
including any intensive intervention required under section 49120
3313.608 of the Revised Code, in any skill in which the student 49121
failed to demonstrate at least a score at the proficient level on 49122
the assessment. 49123

(2) Following any administration of the assessments 49124
prescribed by division (D) of section 3301.0710 of the Revised 49125
Code to ninth grade students, each school district that has a 49126
three-year average graduation rate of not more than seventy-five 49127
per cent shall determine for each high school in the district 49128
whether the school shall be required to provide intervention 49129
services to any students who took the assessments. In determining 49130
which high schools shall provide intervention services based on 49131
the resources available, the district shall consider each school's 49132
graduation rate and scores on the practice assessments. The 49133
district also shall consider the scores received by ninth grade 49134

students on the English language arts and mathematics assessments 49135
prescribed under division (A)(1)(f) of section 3301.0710 of the 49136
Revised Code in the eighth grade in determining which high schools 49137
shall provide intervention services. 49138

Each high school selected to provide intervention services 49139
under this division shall provide intervention services to any 49140
student whose results indicate that the student is failing to make 49141
satisfactory progress toward being able to attain scores at the 49142
proficient level on the Ohio graduation tests. Intervention 49143
services shall be provided in any skill in which a student 49144
demonstrates unsatisfactory progress and shall be commensurate 49145
with the student's performance. Schools shall provide the 49146
intervention services prior to the end of the school year, during 49147
the summer following the ninth grade, in the next succeeding 49148
school year, or at any combination of those times. 49149

(E) Except as provided in section 3313.608 of the Revised 49150
Code and division (M) of this section, no school district board of 49151
education shall utilize any student's failure to attain a 49152
specified score on an assessment administered under this section 49153
as a factor in any decision to deny the student promotion to a 49154
higher grade level. However, a district board may choose not to 49155
promote to the next grade level any student who does not take an 49156
assessment administered under this section or make up an 49157
assessment as provided by division (C)(2) of this section and who 49158
is not exempt from the requirement to take the assessment under 49159
division (C)(3) of this section. 49160

(F) No person shall be charged a fee for taking any 49161
assessment administered under this section. 49162

(G)(1) Each school district board shall designate one 49163
location for the collection of assessments administered in the 49164
spring under division (B)(1) of this section and those 49165
administered under divisions (B)(2) to (7) of this section. Each 49166

district board shall submit the assessments to the entity with 49167
which the department contracts for the scoring of the assessments 49168
as follows: 49169

(a) If the district's total enrollment in grades kindergarten 49170
through twelve during the first full school week of October was 49171
less than two thousand five hundred, not later than the Friday 49172
after all of the assessments have been administered; 49173

(b) If the district's total enrollment in grades kindergarten 49174
through twelve during the first full school week of October was 49175
two thousand five hundred or more, but less than seven thousand, 49176
not later than the Monday after all of the assessments have been 49177
administered; 49178

(c) If the district's total enrollment in grades kindergarten 49179
through twelve during the first full school week of October was 49180
seven thousand or more, not later than the Tuesday after all of 49181
the assessments have been administered. 49182

However, any assessment that a student takes during the 49183
make-up period described in division (C)(2) of this section shall 49184
be submitted not later than the Friday following the day the 49185
student takes the assessment. 49186

(2) The department or an entity with which the department 49187
contracts for the scoring of the assessment shall send to each 49188
school district board a list of the individual scores of all 49189
persons taking an assessment prescribed by division (A)(1) or 49190
(B)(1) of section 3301.0710 of the Revised Code within sixty days 49191
after its administration, but in no case shall the scores be 49192
returned later than the fifteenth day of June following the 49193
administration. For assessments administered under this section by 49194
a joint vocational school district, the department or entity shall 49195
also send to each city, local, or exempted village school district 49196
a list of the individual scores of any students of such city, 49197

local, or exempted village school district who are attending 49198
school in the joint vocational school district. 49199

(H) Individual scores on any assessments administered under 49200
this section shall be released by a district board only in 49201
accordance with section 3319.321 of the Revised Code and the rules 49202
adopted under division (A) of this section. No district board or 49203
its employees shall utilize individual or aggregate results in any 49204
manner that conflicts with rules for the ethical use of 49205
assessments adopted pursuant to division (A) of this section. 49206

(I) Except as provided in division (G) of this section, the 49207
department or an entity with which the department contracts for 49208
the scoring of the assessment shall not release any individual 49209
scores on any assessment administered under this section. The 49210
state board of education shall adopt rules to ensure the 49211
protection of student confidentiality at all times. The rules may 49212
require the use of the data verification codes assigned to 49213
students pursuant to division (D)(2) of section 3301.0714 of the 49214
Revised Code to protect the confidentiality of student scores. 49215

(J) Notwithstanding division (D) of section 3311.52 of the 49216
Revised Code, this section does not apply to the board of 49217
education of any cooperative education school district except as 49218
provided under rules adopted pursuant to this division. 49219

(1) In accordance with rules that the state board of 49220
education shall adopt, the board of education of any city, 49221
exempted village, or local school district with territory in a 49222
cooperative education school district established pursuant to 49223
divisions (A) to (C) of section 3311.52 of the Revised Code may 49224
enter into an agreement with the board of education of the 49225
cooperative education school district for administering any 49226
assessment prescribed under this section to students of the city, 49227
exempted village, or local school district who are attending 49228
school in the cooperative education school district. 49229

(2) In accordance with rules that the state board of education shall adopt, the board of education of any city, exempted village, or local school district with territory in a cooperative education school district established pursuant to section 3311.521 of the Revised Code shall enter into an agreement with the cooperative district that provides for the administration of any assessment prescribed under this section to both of the following:

(a) Students who are attending school in the cooperative district and who, if the cooperative district were not established, would be entitled to attend school in the city, local, or exempted village school district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(b) Persons described in division (B)(8)(b) of this section.

Any assessment of students pursuant to such an agreement shall be in lieu of any assessment of such students or persons pursuant to this section.

(K)(1) As a condition of compliance with section 3313.612 of the Revised Code, each chartered nonpublic school that educates students in grades nine through twelve shall administer the assessments prescribed by divisions (B)(1) and (2) of section 3301.0710 of the Revised Code. Any chartered nonpublic school may participate in the assessment program by administering any of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The chief administrator of the school shall specify which assessments the school will administer. Such specification shall be made in writing to the superintendent of public instruction prior to the first day of August of any school year in which assessments are administered and shall include a pledge that the nonpublic school will administer the specified assessments in the same manner as public schools are required to do under this section and rules adopted by the department.

(2) The department of education shall furnish the assessments 49262
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 49263
to each chartered nonpublic school that participates under this 49264
division. 49265

(L)(1) The superintendent of the state school for the blind 49266
and the superintendent of the state school for the deaf shall 49267
administer the assessments described by sections 3301.0710 and 49268
3301.0712 of the Revised Code. Each superintendent shall 49269
administer the assessments in the same manner as district boards 49270
are required to do under this section and rules adopted by the 49271
department of education and in conformity with division (C)(1)(a) 49272
of this section. 49273

(2) The department of education shall furnish the assessments 49274
described by sections 3301.0710 and 3301.0712 of the Revised Code 49275
to each superintendent. 49276

(M) Notwithstanding division (E) of this section, a school 49277
district may use a student's failure to attain a score in at least 49278
the proficient range on the mathematics assessment described by 49279
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 49280
an assessment described by division (A)(1)(b), (c), (d), (e), or 49281
(f) of section 3301.0710 of the Revised Code as a factor in 49282
retaining that student in the current grade level. 49283

(N)(1) In the manner specified in divisions (N)(3) and (4) of 49284
this section, the assessments required by division (A)(1) of 49285
section 3301.0710 of the Revised Code shall become public records 49286
pursuant to section 149.43 of the Revised Code on the first day of 49287
July following the school year that the assessments were 49288
administered. 49289

(2) The department may field test proposed questions with 49290
samples of students to determine the validity, reliability, or 49291
appropriateness of questions for possible inclusion in a future 49292

year's assessment. The department also may use anchor questions on 49293
assessments to ensure that different versions of the same 49294
assessment are of comparable difficulty. 49295

Field test questions and anchor questions shall not be 49296
considered in computing scores for individual students. Field test 49297
questions and anchor questions may be included as part of the 49298
administration of any assessment required by division (A)(1) or 49299
(B)(1) of section 3301.0710 of the Revised Code. 49300

(3) Any field test question or anchor question administered 49301
under division (N)(2) of this section shall not be a public 49302
record. Such field test questions and anchor questions shall be 49303
redacted from any assessments which are released as a public 49304
record pursuant to division (N)(1) of this section. 49305

(4) This division applies to the assessments prescribed by 49306
division (A) of section 3301.0710 of the Revised Code. 49307

(a) The first administration of each assessment, as specified 49308
in former section 3301.0712 of the Revised Code, shall be a public 49309
record. 49310

(b) For subsequent administrations of each assessment prior 49311
to the 2011-2012 school year, not less than forty per cent of the 49312
questions on the assessment that are used to compute a student's 49313
score shall be a public record. The department shall determine 49314
which questions will be needed for reuse on a future assessment 49315
and those questions shall not be public records and shall be 49316
redacted from the assessment prior to its release as a public 49317
record. However, for each redacted question, the department shall 49318
inform each city, local, and exempted village school district of 49319
the statewide academic standard adopted by the state board of 49320
education under section 3301.079 of the Revised Code and the 49321
corresponding benchmark to which the question relates. The 49322
preceding sentence does not apply to field test questions that are 49323

redacted under division (N)(3) of this section. 49324

(c) The administrations of each assessment in the 2011-2012 49325
school year and later shall not be a public record. 49326

(5) Each assessment prescribed by division (B)(1) of section 49327
3301.0710 of the Revised Code shall not be a public record. 49328

consecutive three school years of data. 49331

(2) "Dropout" means a student who withdraws from school 49332
before completing course requirements for graduation and who is 49333

does not include a student who has departed the country. 49336

(3) "Graduation rate" means the ratio of students receiving a 49337
diploma to the number of students who entered ninth grade four 49338
years earlier. Students who transfer into the district are added 49339
to the calculation. Students who transfer out of the district for 49340
reasons other than dropout are subtracted from the calculation. If 49341
a student who was a dropout in any previous year returns to the 49342
same school district, that student shall be entered into the 49343
calculation as if the student had entered ninth grade four years 49344
before the graduation year of the graduating class that the 49345
student joins. 49346

section. 49358

rules for a statewide education management information system. The 49454
rules shall require the state board to establish guidelines for 49455
the establishment and maintenance of the system in accordance with 49456
this section and the rules adopted under this section. The 49457

required individual student data for that student utilizing such 49682
code. The guidelines shall also provide for assigning data 49683
verification codes to all students enrolled in districts or 49684
community schools on the effective date of the guidelines 49685
established under this section. 49686

except as provided in sections 3310.11, 3310.42, 3313.978, 49689
3310.63, and 3317.20 of the Revised Code, at no time shall the 49690
state board or the department have access to information that 49691
would enable any data verification code to be matched to 49692
personally identifiable student data. 49693

Each school district shall ensure that the data verification 49694
code is included in the student's records reported to any 49695

subsequent school district, community school, or state institution 49696

of this section for the purpose of complying with other reporting 49708
requirements established in the Revised Code. The other data, 49709
information, or reports may be maintained in the education 49710
management information system but are not required to be compiled 49711

shall design formats for profiling each school district as a whole 49724
and each school building within each district and shall compile 49725

(3) Copies of the reports received from the state board under divisions (H)(1) and (2) of this section shall be made available to the general public at each school district's offices. (K) Any person who removes data from the information system 49774
established under this section for the purpose of releasing it to 49775
any person not entitled under law to have access to such 49776
information is subject to section 2913.42 of the Revised Code 49777
prohibiting tampering with data. 49778

(L)(1) In accordance with division (L)(2) of this section and 49779
the rules adopted under division (L)(10) of this section, the 49780

conform to data requirements and descriptions published by the 49783
department, fails to report data in a timely manner, or otherwise 49784
does not make a good faith effort to report data as required by 49785
this section. 49786

(2) If the department decides to sanction a school district 49787
under this division, the department shall take the following 49788
sequential actions: 49789

(a) Notify the district in writing that the department has 49790
determined that data has not been reported as required under this 49791
section and require the district to review its data submission and 49792
submit corrected data by a deadline established by the department. 49793
The department also may require the district to develop a 49794
corrective action plan, which shall include provisions for the 49795
district to provide mandatory staff training on data reporting 49796
procedures. 49797

the total amount of state funds due to the district for the 49804
current fiscal year; 49805

division (N) of this section; 49821

(vii) If the district is issued a report card under section 49822
3302.03 of the Revised Code, indicate on the report card that the 49823
district has been sanctioned for failing to report data as 49824
required by this section; 49825

(viii) If the district is issued a report card under section 49826
3302.03 of the Revised Code and incomplete or inaccurate data 49827
submitted by the district likely caused the district to receive a 49828
higher performance rating than it deserved under that section, 49829
issue a revised report card for the district; 49830

(ix) Any other action designed to correct the district's data 49831

district under division (L)(2) of this section, the department 49834
shall make a report of the circumstances that prompted the action. 49835
The department shall send a copy of the report to the district 49836
superintendent or chief administrator and maintain a copy of the 49837
report in its files. 49838

(4) If any action taken under division (L)(2) of this section 49839
resolves a school district's data reporting problems to the 49840
department's satisfaction, the department shall not take any 49841
further actions described by that division. If the department 49842
withheld funds from the district under that division, the 49843
department may release those funds to the district, except that if 49844
the department withheld funding under division (L)(2)(c) of this 49845
section, the department shall not release the funds withheld under 49846
division (L)(2)(b) of this section and, if the department withheld 49847

shall not release the funds withheld under division (L)(2)(b) or 49849
(c) of this section. 49850

(5) Notwithstanding anything in this section to the contrary, 49851
the department may use its own staff or an outside entity to 49852
conduct an audit of a school district's data reporting practices 49853
any time the department has reason to believe the district has not 49854
made a good faith effort to report data as required by this 49855
section. If any audit conducted by an outside entity under 49856
division (L)(2)(d)(i) or (5) of this section confirms that a 49857
district has not made a good faith effort to report data as 49858
required by this section, the district shall reimburse the 49859
department for the full cost of the audit. The department may 49860
withhold state funds due to the district for this purpose. 49861

(6) Prior to issuing a revised report card for a school 49862
district under division (L)(2)(d)(viii) of this section, the 49863
department may hold a hearing to provide the district with an 49864
opportunity to demonstrate that it made a good faith effort to 49865
report data as required by this section. The hearing shall be 49866
conducted by a referee appointed by the department. Based on the 49867
information provided in the hearing, the referee shall recommend 49868
whether the department should issue a revised report card for the 49869
district. If the referee affirms the department's contention that 49870
the district did not make a good faith effort to report data as 49871
required by this section, the district shall bear the full cost of 49872
conducting the hearing and of issuing any revised report card. 49873

(7) If the department determines that any inaccurate data 49874
reported under this section caused a school district to receive 49875
excess state funds in any fiscal year, the district shall 49876
reimburse the department an amount equal to the excess funds, in 49877
accordance with a payment schedule determined by the department. 49878
The department may withhold state funds due to the district for 49879
this purpose. 49880

(8) Any school district that has funds withheld under 49881
division (L)(2) of this section may appeal the withholding in 49882

accordance with Chapter 119. of the Revised Code. 49883

(9) In all cases of a disagreement between the department and 49884
a school district regarding the appropriateness of an action taken 49885
under division (L)(2) of this section, the burden of proof shall 49886
be on the district to demonstrate that it made a good faith effort 49887
to report data as required by this section. 49888

(10) The state board of education shall adopt rules under 49889
Chapter 119. of the Revised Code to implement division (L) of this 49890
section. 49891

(M) No information technology center or school district shall 49892
acquire, change, or update its student administration software 49893
package to manage and report data required to be reported to the 49894
department unless it converts to a student software package that 49895
is certified by the department. 49896

(N) The state board of education, in accordance with sections 49897
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 49898
license as defined under division (A) of section 3319.31 of the 49899
Revised Code that has been issued to any school district employee 49900
found to have willfully reported erroneous, inaccurate, or 49901
incomplete data to the education management information system. 49902

(O) No person shall release or maintain any information about 49903
any student in violation of this section. Whoever violates this 49904
division is guilty of a misdemeanor of the fourth degree. 49905

(P) The department shall disaggregate the data collected 49906
under division (B)(1)(n) of this section according to the race and 49907
socioeconomic status of the students assessed. No data collected 49908
under that division shall be included on the report cards required 49909
by section 3302.03 of the Revised Code. 49910

(Q) If the department cannot compile any of the information 49911
required by division (C)(5) of section 3302.03 of the Revised Code 49912
based upon the data collected under this section, the department 49913

shall develop a plan and a reasonable timeline for the collection 49914
of any data necessary to comply with that division. 49915

Sec. 3301.16. Pursuant to standards prescribed by the state 49916
board of education as provided in division (D) of section 3301.07 49917
of the Revised Code, the state board shall classify and charter 49918
school districts and individual schools within each district 49919
except that no charter shall be granted to a nonpublic school 49920
unless the school complies with section 3313.612 of the Revised 49921
Code. 49922

In the course of considering the charter of a new school 49923
district created under section 3311.26 or 3311.38 of the Revised 49924
Code, the state board shall require the party proposing creation 49925
of the district to submit to the board a map, certified by the 49926
county auditor of the county in which the proposed new district is 49927
located, showing the boundaries of the proposed new district. In 49928
the case of a proposed new district located in more than one 49929
county, the map shall be certified by the county auditor of each 49930
county in which the proposed district is located. 49931

The state board shall revoke the charter of any school 49932
district or school which fails to meet the standards for 49933
elementary and high schools as prescribed by the board. The state 49934
board shall also revoke the charter of any nonpublic school that 49935

In that case, the state board shall review the innovation plan and, within sixty days after the request, recommend to the district board any changes or additions that the state board believes will improve the plan, which may include further innovations or measures to increase the likelihood that the innovations will result in higher academic achievement. The district board may revise the innovation plan prior to making formal application for designation as a school district of innovation.

Sec. 3302.063. (A) Except as provided in division (B) of this section, upon designation of a school district of innovation under section 3302.062 of the Revised Code, the state board of education shall waive any laws in Title XXXIII of the Revised Code or rules adopted by the state board that are specified in the innovation plan submitted by the district board of education as needing to be waived to implement the plan. The waiver shall apply only to the school or schools participating in the innovation plan and shall not apply to the district as a whole, unless each of the district's schools is a participating school. The waiver shall cease to apply to a school if the school's designation as an innovation school is revoked or the innovation school zone in which the school participates has its designation revoked under section 3302.065 of the Revised Code, or if the school is removed from an innovation school zone under that section or section 3302.064 of the Revised Code.

(B) The state board shall not waive any law or rule regarding the following:

(1) Funding for school districts under Chapter 3317. of the

<u>Revised Code;</u>	50496

<u>Sec. 3302.064. (A) Each collective bargaining agreement entered into by a school district board of education under Chapter 4117. of the Revised Code on or after the effective date of this section shall allow for the waiver of any provision of the</u>	50521 50522 50523 50524

agreement specified in the innovation plan approved or created 50525
under section 3302.061 of the Revised Code as needing to be waived 50526
to implement the plan, in the event the district is designated as 50527
a school district of innovation. 50528

(B)(1) In the case of an innovation school, waiver of the 50529
provisions specified in the innovation plan shall be contingent 50530
upon at least sixty per cent of the members of the bargaining unit 50531
covered by the collective bargaining agreement who work in the 50532
school voting, by secret ballot, to approve the waiver. 50533

(2) In the case of an innovation school zone, waiver of the 50534
provisions specified in the innovation plan shall be contingent 50535
upon, in each participating school, at least sixty per cent of the 50536
members of the bargaining unit covered by the collective 50537
bargaining agreement who work in that school voting, by secret 50538
ballot, to approve the waiver. If at least sixty per cent of the 50539
members of the bargaining unit in a participating school do not 50540
vote to approve the waiver, the board may revise the innovation 50541
plan to remove that school from the innovation school zone. 50542

(3) If a board's revisions to an innovation plan under 50543
section 3302.066 of the Revised Code require a waiver of 50544
additional provisions of the collective bargaining agreement, that 50545
waiver shall be contingent upon approval under division (B)(1) or 50546
(2) of this section in the same manner as the initial waiver. 50547

(C) A waiver approved under division (B) of this section 50548
shall continue to apply relative to any substantially similar 50549
provision of a collective bargaining agreement entered into after 50550
the approval of the waiver. 50551

(D) A waiver approved under division (B) of this section 50552
shall cease to apply to a school if the school's designation as an 50553
innovation school is revoked or the innovation school zone in 50554
which the school participates has its designation revoked under 50555

section 3302.065 of the Revised Code, or if the school is removed 50556
from an innovation school zone under that section. 50557

(E) An employee working in an innovation school or a school 50558
participating in an innovation school zone who is a member of a 50559
bargaining unit that approves a waiver under division (B) of this 50560
section may request the board to transfer the employee to another 50561
school of the district. The board shall make every reasonable 50562
effort to accommodate the employee's request. 50563

Sec. 3302.065. Not later than three years after obtaining 50564
designation as a school district of innovation under section 50565
3302.062 of the Revised Code, and every three years thereafter, 50566
the district board of education shall review the performance of 50567
the innovation school or innovation school zone and determine if 50568
it is achieving, or making sufficient progress toward achieving, 50569
the improvements in student academic performance that were 50570
described in its innovation plan. If the board finds that an 50571
innovation school is not achieving, or not making sufficient 50572
progress toward achieving, those improvements in student academic 50573
performance, the board may revoke the designation as an innovation 50574
school. If the board finds that a school participating in an 50575
innovation school zone is not achieving, or not making sufficient 50576
progress toward achieving, those improvements in student academic 50577
performance, the board may remove that school from the innovation 50578
school zone or may revoke the designation of all participating 50579
schools as an innovation school zone. 50580

Sec. 3302.066. A school district board of education may 50581
revise an innovation plan approved or created under section 50582
3302.061 of the Revised Code, in collaboration with the school or 50583
schools participating in the plan, to further improve student 50584
academic performance. The revisions may include identifying 50585
additional laws in Title XXXIII of the Revised Code, rules adopted 50586

by the state board of education, requirements enacted by the 50587
district board, or provisions of a collective bargaining agreement 50588
that need to be waived. Any revisions to an innovation plan shall 50589
require the consent, in each school participating in the plan, of 50590
a majority of the administrators assigned to that school and a 50591
majority of the teachers assigned to that school. 50592

Sec. 3302.067. The board of education of any district 50593
designated as a school district of innovation or any school 50594
participating in an innovation plan may accept, receive, and 50595
expend gifts, grants, or donations from any public or private 50596
entity to support the implementation of the plan. 50597

Sec. 3302.068. Not later than the first day of July each 50598
year, the department of education shall issue, and post on its web 50599
site, a report on school districts of innovation. The report shall 50600
include the following information: 50601

(A) The number of districts designated as school districts of 50602
innovation in the preceding school year and the total number of 50603
school districts of innovation statewide; 50604

(B) The number of innovation schools in each school district 50605
of innovation and the number of district students served by the 50606
schools, expressed as a total number and as a percentage of the 50607
district's total student population; 50608

(C) The number of innovation school zones in each school 50609
district of innovation, the number of schools participating in 50610
each zone, and the number of district students served by the 50611
participating schools, expressed as a total number and as a 50612
percentage of the district's total student population; 50613

(D) An overview of the innovations implemented in innovation 50614
schools and innovation school zones; 50615

(E) Data on the academic performance of the students enrolled 50616
in an innovation school or an innovation school zone in each 50617
school district of innovation, including a comparison of the 50618
students' academic performance before and after the district's 50619
designation as a school district of innovation; 50620

(F) Recommendations for legislative changes based on the 50621
innovations implemented or to enhance the ability of schools and 50622
districts to implement innovations. 50623

Sec. 3302.07. (A) The board of education of any school 50624
district, the governing board of any educational service center, 50625
or the administrative authority of any chartered nonpublic school 50626
may submit to the state board of education an application 50627
proposing an innovative education pilot program the implementation 50628
of which requires exemptions from specific statutory provisions or 50629
rules. If a district or service center board employs teachers 50630
under a collective bargaining agreement adopted pursuant to 50631
Chapter 4117. of the Revised Code, any application submitted under 50632
this division shall include the written consent of the teachers' 50633
employee representative designated under division (B) of section 50634
4117.04 of the Revised Code. The exemptions requested in the 50635
application shall be limited to any requirement of Title XXXVIII of 50636
the Revised Code or of any rule of the state board adopted 50637
pursuant to that title except that the application may not propose 50638
an exemption from any requirement of or rule adopted pursuant to 50639
~~section 3306.09~~, Chapter 3307. or 3309., sections 3319.07 to 50640
3319.21, or Chapter 3323. of the Revised Code. Furthermore, an 50641
exemption from any operating standard adopted under division 50642
(B)(2) or (D)(3) of section 3301.07 of the Revised Code shall be 50643
granted only pursuant to a waiver granted by the superintendent of 50644
public instruction under division (O) of that section. 50645

(B) The state board of education shall accept any application 50646

submitted in accordance with division (A) of this section. The 50647
superintendent of public instruction shall approve or disapprove 50648
the application in accordance with standards for approval, which 50649
shall be adopted by the state board. 50650

(C) The superintendent of public instruction shall exempt 50651
each district or service center board or chartered nonpublic 50652
school administrative authority with an application approved under 50653
division (B) of this section for a specified period from the 50654
statutory provisions or rules specified in the approved 50655
application. The period of exemption shall not exceed the period 50656
during which the pilot program proposed in the application is 50657
being implemented and a reasonable period to allow for evaluation 50658
of the effectiveness of the program. 50659

Sec. 3302.12. (A) For any school building that is ranked 50660
according to performance index score under section 3302.21 of the 50661
Revised Code in the lowest five per cent of all school district 50662
buildings statewide for three consecutive years and is declared to 50663
be under an academic watch or in a state of academic emergency 50664
under section 3302.03 of the Revised Code, the district board of 50665
education shall do one of the following at the conclusion of the 50666
school year in which the building first becomes subject to this 50667
division: 50668

(1) Close the school and direct the district superintendent 50669
to reassign the students enrolled in the school to other school 50670
buildings that demonstrate higher academic achievement; 50671

(2) Contract with another school district or a nonprofit or 50672
for-profit entity with a demonstrated record of effectiveness to 50673
operate the school; 50674

(3) Replace the principal and all teaching staff of the 50675
school and, upon request from the new principal, exempt the school 50676
from all requested policies and regulations of the board regarding 50677

curriculum and instruction. The board also shall distribute 50678
funding to the school in an amount that is at least equal to the 50679
product of the per pupil amount of state and local revenues 50680
received by the district multiplied by the student population of 50681
the school. 50682

(4) Reopen the school as a conversion community school under 50683
Chapter 3314. of the Revised Code. 50684

(B) If an action taken by the board under division (A) of 50685
this section causes the district to no longer maintain all grades 50686
kindergarten through twelve, as required by section 3311.29 of the 50687
Revised Code, the board shall enter into a contract with another 50688
school district pursuant to section 3327.04 of the Revised Code 50689
for enrollment of students in the schools of that other district 50690
to the extent necessary to comply with the requirement of section 50691
3311.29 of the Revised Code. Notwithstanding any provision of the 50692
Revised Code to the contrary, if the board enters into and 50693
maintains a contract under section 3327.04 of the Revised Code, 50694
the district shall not be considered to have failed to comply with 50695
the requirement of section 3311.29 of the Revised Code. If, 50696
however, the district board fails to or is unable to enter into or 50697
maintain such a contract, the state board of education shall take 50698
all necessary actions to dissolve the district as provided in 50699
division (A) of section 3311.29 of the Revised Code. 50700

Sec. 3302.20. (A) The department of education shall develop 50701
standards for determining, from the existing data reported in 50702
accordance with sections 3301.0714 and 3314.17 of the Revised 50703
Code, the amount of annual operating expenditures for classroom 50704
instructional purposes and for nonclassroom purposes for each 50705

than January 1, 2012, the department shall present those standards 50711
to the state board of education for consideration. In developing 50712
the standards, the department shall adapt existing standards used 50713
by professional organizations, research organizations, and other 50714
state governments. 50715

The state board shall consider the proposed standards and 50716
adopt a final set of standards not later than July 1, 2012. 50717

(B)(1) The department shall categorize all city, exempted 50718
village, and local school districts into not less than three nor 50719
more than five groups based primarily on average daily student 50720
enrollment as reported on the most recent report card issued for 50721
each district under section 3302.03 of the Revised Code. 50722

(2) The department shall categorize all joint vocational 50723
school districts into not less than three nor more than five 50724

to the nearest whole number. 50727

(3) The department shall categorize all community schools 50728
that are not internet- or computer-based community schools into 50729

computer-based community schools into a single category. 50735

resigned in lieu of dismissal for dishonesty, misfeasance, 51168
malfeasance, or conviction of a felony. 51169

A disability benefit shall terminate if the disability 51170
benefit recipient becomes employed as a teacher in any public or 51171
private school or institution in this state or elsewhere. An 51172
individual receiving a disability benefit from the system shall be 51173
ineligible for any employment as a teacher and it shall be 51174
unlawful for any employer to employ the individual as a teacher. 51175
If any employer should employ or reemploy the individual prior to 51176
the termination of a disability benefit, the employer shall file 51177
notice of employment with the board designating the date of the 51178
employment. If the individual should be paid both a disability 51179
benefit and also compensation for teaching service for all or any 51180
part of the same month, the secretary of the board shall certify 51181
to the employer or to the superintendent of public instruction the 51182
amount of the disability benefit received by the individual during 51183
the employment, which amount shall be deducted from any amount due 51184
the employing district under ~~Chapters 3306.~~ and Chapter 3317. of 51185
the Revised Code or shall be paid by the employer to the annuity 51186
and pension reserve fund. 51187

Each disability benefit recipient shall file with the board 51188
an annual statement of earnings, current medical information on 51189
the recipient's condition, and any other information required in 51190
rules adopted by the board. The board may waive the requirement 51191
that a disability benefit recipient file an annual statement of 51192
earnings or current medical information if the board's physician 51193
certifies that the recipient's disability is ongoing. 51194

The board shall annually examine the information submitted by 51195

the recipient. If a disability benefit recipient refuses to file 51196
the statement or information, the disability benefit shall be 51197
suspended until the statement and information are filed. If the 51198
refusal continues for one year, the recipient's right to the 51199
disability benefit shall be terminated as of the effective date of 51200
the original suspension. 51201

A disability benefit also may be terminated by the board at 51202
the request of the disability benefit recipient. 51203

If disability retirement under section 3307.63 of the Revised 51204
Code is terminated for any reason, the annuity and pension 51205
reserves at that time in the annuity and pension reserve fund 51206
shall be transferred to the teachers' savings fund and the 51207
employers' trust fund, respectively. If the total disability 51208
benefit paid was less than the amount of the accumulated 51209
contributions of the member transferred to the annuity and pension 51210
reserve fund at the time of the member's disability retirement, 51211
then the difference shall be transferred from the annuity and 51212
pension reserve fund to another fund as required. In determining 51213
the amount of a member's account following the termination of 51214
disability retirement for any reason, the total amount paid shall 51215
be charged against the member's refundable account. 51216

If a disability allowance paid under section 3307.631 of the 51217
Revised Code is terminated for any reason, the reserve on the 51218
allowance at that time in the annuity and pension reserve fund 51219
shall be transferred from that fund to the employers' trust fund. 51220

If a former disability benefit recipient again becomes a 51221
contributor, other than as an other system retirant under section 51222
3307.35 of the Revised Code, to this retirement system, the school 51223
employees retirement system, or the public employees retirement 51224
system, and completes at least two additional years of service 51225
credit, the former disability benefit recipient shall receive 51226
credit for the period as a disability benefit recipient. 51227

Sec. 3309.22. (A)(1) As used in this division, "personal history record" means information maintained by the board on an individual who is a member, former member, contributor, former contributor, retirant, or beneficiary that includes the address, telephone number, social security number, record of contributions, correspondence with the system, and other information the board determines to be confidential.

(2) The records of the board shall be open to public inspection, except for the following, which shall be excluded, except with the written authorization of the individual concerned:

(2) Documentation required by section 2929.193 of the Revised Code shall be provided to a court holding a hearing under that section.

(C) Any person who is a contributor of the system shall be furnished, on written request, with a statement of the amount to the credit of the person's account. The board need not answer more

than one such request of a person in any one year. 51258

(D) Notwithstanding the exceptions to public inspection in 51259
division (A)(2) of this section, the board may furnish the 51260
following information: 51261

(1) If a member, former member, contributor, former 51262
contributor, or retirant is subject to an order issued under 51263
section 2907.15 of the Revised Code or an order issued under 51264
division (A) or (B) of section 2929.192 of the Revised Code or is 51265
convicted of or pleads guilty to a violation of section 2921.41 of 51266
the Revised Code, on written request of a prosecutor as defined in 51267
section 2935.01 of the Revised Code, the board shall furnish to 51268
the prosecutor the information requested from the individual's 51269
personal history record. 51270

(2) Pursuant to a court or administrative order issued under 51271
section 3119.80, 3119.81, 3121.02, 3121.03, or 3123.06 of the 51272
Revised Code, the board shall furnish to a court or child support 51273
enforcement agency the information required under that section. 51274

(3) At the written request of any person, the board shall 51275
provide to the person a list of the names and addresses of 51276
members, former members, retirants, contributors, former 51277
contributors, or beneficiaries. The costs of compiling, copying, 51278
and mailing the list shall be paid by such person. 51279

(4) Within fourteen days after receiving from the director of 51280
job and family services a list of the names and social security 51281
numbers of recipients of public assistance pursuant to section 51282
5101.181 of the Revised Code, the board shall inform the auditor 51283
of state of the name, current or most recent employer address, and 51284
social security number of each contributor whose name and social 51285
security number are the same as that of a person whose name or 51286
social security number was submitted by the director. The board 51287
and its employees shall, except for purposes of furnishing the 51288

auditor of state with information required by this section, 51289
preserve the confidentiality of recipients of public assistance in 51290
compliance with ~~division (A)~~ of section 5101.181 of the Revised 51291
Code. 51292

(5) The system shall comply with orders issued under section 51293
3105.87 of the Revised Code. 51294

On the written request of an alternate payee, as defined in 51295
section 3105.80 of the Revised Code, the system shall furnish to 51296
the alternate payee information on the amount and status of any 51297
amounts payable to the alternate payee under an order issued under 51298
section 3105.171 or 3105.65 of the Revised Code. 51299

(6) At the request of any person, the board shall make 51300
available to the person copies of all documents, including 51301
resumes, in the board's possession regarding filling a vacancy of 51302
an employee member or retirant member of the board. The person who 51303
made the request shall pay the cost of compiling, copying, and 51304
mailing the documents. The information described in this division 51305
is a public record. 51306

(7) The system shall provide the notice required by section 51307
3309.673 of the Revised Code to the prosecutor assigned to the 51308
case. 51309

(E) A statement that contains information obtained from the 51310
system's records that is signed by an officer of the retirement 51311
system and to which the system's official seal is affixed, or 51312
copies of the system's records to which the signature and seal are 51313
attached, shall be received as true copies of the system's records 51314
in any court or before any officer of this state. 51315

Sec. 3309.41. (A) A disability benefit recipient shall retain 51316
membership status and shall be considered on leave of absence from 51317
employment during the first five years following the effective 51318

date of a disability benefit, notwithstanding any contrary 51319
provisions in Chapter 124. or 3319. of the Revised Code. 51320

(B) The school employees retirement board shall require a 51321
disability benefit recipient to undergo an annual medical 51322
examination, except that the board may waive the medical 51323
examination if the board's physician or physicians certify that 51324
the recipient's disability is ongoing. Should any disability 51325
benefit recipient refuse to submit to a medical examination, the 51326
recipient's disability benefit shall be suspended until withdrawal 51327
of the refusal. Should the refusal continue for one year, all the 51328
recipient's rights in and to the disability benefit shall be 51329
terminated as of the effective date of the original suspension. 51330

(C) On completion of the examination by an examining 51331
physician or physicians selected by the board, the physician or 51332
physicians shall report and certify to the board whether the 51333
disability benefit recipient is no longer physically and mentally 51334
incapable of resuming the service from which the recipient was 51335
found disabled. If the board concurs in the report that the 51336
disability benefit recipient is no longer incapable, the payment 51337
of the disability benefit shall be terminated not later than three 51338
months after the date of the board's concurrence or upon 51339
employment as an employee. If the leave of absence has not 51340
expired, the retirement board shall certify to the disability 51341
benefit recipient's last employer before being found disabled that 51342
the recipient is no longer physically and mentally incapable of 51343
resuming service that is the same or similar to that from which 51344
the recipient was found disabled. The employer shall restore the 51345
recipient to the recipient's previous position and salary or to a 51346
position and salary similar thereto not later than the first day 51347
of the first month following termination of the disability 51348
benefit, unless the recipient was dismissed or resigned in lieu of 51349
dismissal for dishonesty, misfeasance, malfeasance, or conviction 51350

of a felony. 51351

(D) Each disability benefit recipient shall file with the 51352
board an annual statement of earnings, current medical information 51353
on the recipient's condition, and any other information required 51354
in rules adopted by the board. The board may waive the requirement 51355
that a disability benefit recipient file an annual statement of 51356
earnings or current medical information on the recipient's 51357
condition if the board's physician or physicians certify that the 51358
recipient's disability is ongoing. 51359

The board shall annually examine the information submitted by 51360
the recipient. If a disability benefit recipient refuses to file 51361
the statement or information, the disability benefit shall be 51362
suspended until the statement and information are filed. If the 51363
refusal continues for one year, the recipient's right to the 51364
disability benefit shall be terminated as of the effective date of 51365
the original suspension. 51366

(E) If a disability benefit recipient is employed by an 51367
employer covered by this chapter, the recipient's disability 51368
benefit shall cease. 51369

(F) If disability retirement under section 3309.40 of the 51370
Revised Code is terminated for any reason, the annuity and pension 51371
reserves at that time in the annuity and pension reserve fund 51372
shall be transferred to the employees' savings fund and the 51373
employers' trust fund, respectively. If the total disability 51374
benefit paid is less than the amount of the accumulated 51375
contributions of the member transferred into the annuity and 51376
pension reserve fund at the time of the member's disability 51377
retirement, the difference shall be transferred from the annuity 51378
and pension reserve fund to another fund as may be required. In 51379
determining the amount of a member's account following the 51380
termination of disability retirement for any reason, the amount 51381
paid shall be charged against the member's refundable account. 51382

If a disability allowance paid under section 3309.401 of the Revised Code is terminated for any reason, the reserve on the allowance at that time in the annuity and pension reserve fund shall be transferred from that fund to the employers' trust fund.

The board may terminate a disability benefit at the request of the recipient.

(G) If a disability benefit is terminated and a former disability benefit recipient again becomes a contributor, other than as an other system retirant as defined in section 3309.341 of the Revised Code, to this system, the public employees retirement system, or the state teachers retirement system, and completes an additional two years of service credit after the termination of the disability benefit, the former disability benefit recipient shall be entitled to full service credit for the period as a disability benefit recipient.

(H) If any employer employs any member who is receiving a disability benefit, the employer shall file notice of employment with the retirement board, designating the date of employment. In case the notice is not filed, the total amount of the benefit paid during the period of employment prior to notice shall be paid from amounts allocated under ~~Chapters 3306. and Chapter~~ Chapter 3317. of the Revised Code prior to its distribution to the school district in which the disability benefit recipient was so employed.

Sec. 3309.48. Any employee who left the service of an employer after attaining age sixty-five or over and such employer had failed or refused to deduct and transmit to the school employees retirement system the employee contributions as required by section 3309.47 of the Revised Code during any year for which membership was compulsory as determined by the school employees retirement board, shall be granted service credit without cost, which shall be considered as total service credit for the purposes

of meeting the qualifications for service retirement provided by 51414
the law in effect on and retroactive to the first eligible 51415
retirement date following the date such employment terminated, but 51416
shall not be paid until formal application for such allowance on a 51417
form provided by the retirement board is received in the office of 51418
the retirement system. The total service credit granted under this 51419
section shall not exceed ten years for any such employee. 51420

The liability incurred by the retirement board because of the 51421
service credit granted under this section shall be determined by 51422
the retirement board, the cost of which shall be equal to an 51423
amount that is determined by applying the combined employee and 51424
employer rates of contribution against the compensation of such 51425
employee at the rates of contribution and maximum salary 51426
provisions in effect during such employment for each year for 51427
which credit is granted, together with interest at the rate to be 51428
credited accumulated contributions at retirement, compounded 51429
annually from the first day of the month payment was due the 51430
retirement system to and including the month of deposit, the total 51431
amount of which shall be collected from the employer. Such amounts 51432
shall be certified by the retirement board to the superintendent 51433
of public instruction, who shall deduct the amount due the system 51434
from any funds due the affected school district under ~~Chapters~~ 51435
~~3306.~~ and Chapter 3317. of the Revised Code. The superintendent 51436
shall certify to the director of budget and management the amount 51437
due the system for payment. The total amount paid shall be 51438
deposited into the employers' trust fund, and shall not be 51439
considered as accumulated contributions of the employee in the 51440
event of the employee's death or withdrawal of funds. 51441

Sec. 3309.51. (A) Each employer shall pay annually into the 51442
employers' trust fund, in such monthly or less frequent 51443
installments as the school employees retirement board requires, an 51444
amount certified by the school employees retirement board, which 51445

shall be as required by Chapter 3309. of the Revised Code. 51446

Payments by school district boards of education to the 51447
employers' trust fund of the school employees retirement system 51448
may be made from the amounts allocated under ~~Chapters 3306. and~~ 51449
Chapter 3317. of the Revised Code prior to their distribution to 51450
the individual school districts. The amount due from each school 51451
district may be certified by the secretary of the system to the 51452
superintendent of public instruction monthly, or at such times as 51453
is determined by the school employees retirement board. 51454

Payments by governing authorities of community schools to the 51455
employers' trust fund of the school employees retirement system 51456
shall be made from the amounts allocated under section 3314.08 of 51457
the Revised Code prior to their distribution to the individual 51458
community schools. The amount due from each community school shall 51459
be certified by the secretary of the system to the superintendent 51460
of public instruction monthly, or at such times as determined by 51461
the school employees retirement board. 51462

Payments by a science, technology, engineering, and 51463
mathematics school to the employers' trust fund of the school 51464
employees retirement system shall be made from the amounts 51465
allocated under section 3326.33 of the Revised Code prior to their 51466
distribution to the school. The amount due from a science, 51467
technology, engineering, and mathematics school shall be certified 51468
by the secretary of the school employees retirement system to the 51469
superintendent of public instruction monthly, or at such times as 51470
determined by the school employees retirement board. 51471

(B) The superintendent shall deduct from the amount allocated 51472
to each community school under section 3314.08 of the Revised 51473
Code, to each school district under ~~Chapters 3306. and~~ Chapter 51474
3317. of the Revised Code, or to each science, technology, 51475
engineering, and mathematics school under section 3326.33 of the 51476
Revised Code the entire amounts due to the school employees 51477

retirement system from such school or school district upon the 51478
certification to the superintendent by the secretary thereof. 51479

(C) Where an employer fails or has failed or refuses to make 51480
payments to the employers' trust fund, as provided for under 51481
Chapter 3309. of the Revised Code, the secretary of the school 51482
employees retirement system may certify to the state 51483
superintendent of public instruction, monthly or at such times as 51484
is determined by the school employees retirement board, the amount 51485
due from such employer, and the superintendent shall deduct from 51486
the amount allocated to the employer under section 3314.08 or 51487

eligible applicant has been informed of those rights. Upon receipt 52076

constitutes the eligible applicant's informed consent to the 52078

<u>(F) The school or entity agrees to retain on file</u>	52184
<u>documentation as required by the department of education.</u>	52185
<u>(G) The school or entity agrees to provide a record of the</u>	52186

<u>child's progress, to the school district in which the child is</u>	52190
<u>entitled to attend school, in the form and manner prescribed by</u>	52191
<u>the department.</u>	52192
<u>(H) The school or entity agrees that, if it declines to</u>	52193
<u>enroll a particular qualified special education child, it will</u>	52194
<u>notify in writing the eligible applicant of its reasons for</u>	52195
<u>declining to enroll the child.</u>	52196
<u>Sec. 3310.59. The superintendent of public instruction shall</u>	52197
<u>revoke the registration of any school or entity if, after a</u>	52198
<u>hearing, the superintendent determines that the school or entity</u>	52199
<u>is in violation of any provision of section 3310.58 of the Revised</u>	52200
<u>Code.</u>	52201
<u>Sec. 3310.60. A qualified special education child attending a</u>	52202

<u>Sec. 3310.61. An eligible applicant on behalf of a child who</u>	52208
<u>currently attends a public special education program under a</u>	52209
<u>contract, compact, or other bilateral agreement, or on behalf of a</u>	52210
<u>child who currently attends a community school, shall not be</u>	52211

prohibited from applying for and accepting a scholarship so that 52212
the applicant may withdraw the child from that program or 52213
community school and use the scholarship for the child to attend a 52214
special education program operated by an alternative public 52215
provider or a registered private provider. 52216

Sec. 3310.62. (A) A scholarship under the special education 52217
scholarship program shall not be awarded for the first time to an 52218
eligible applicant on behalf of a qualified special education 52219
child while the child's individualized education program is being 52220
developed by the school district in which the child is entitled to 52221
attend school, or by the child's school district of residence if 52222
different, or while any administrative or judicial mediation or 52223
proceedings with respect to the content of that individualized 52224
education program are pending. 52225

(B) Development of individualized education programs 52226
subsequent to the one developed for the child the first time a 52227
scholarship was awarded on behalf of the child and the 52228
prosecuting, by the eligible applicant on behalf of the child, of 52229
administrative or judicial mediation or proceedings with respect 52230

not affect the applicant's and the child's continued eligibility 52232
for scholarship payments. 52233

(C) In the case of any child for whom a scholarship has been 52234
awarded, if the school district in which the child is entitled to 52235
attend school has agreed to provide some services for the child 52236
under an agreement entered into with the eligible applicant or 52237
with the alternative public provider or registered private 52238

services for the child, including transportation services under 52241
sections 3310.60 and 3327.01 of the Revised Code, the district 52242

shall not discontinue the services it is providing pending 52243
completion of any administrative proceedings regarding those 52244
services. The prosecuting, by the eligible applicant on behalf of 52245
the child, of administrative proceedings regarding the services 52246
provided by the district does not affect the applicant's and the 52247
child's continued eligibility for scholarship payments. 52248

(D) The department of education shall continue to make 52249
payments to the eligible applicant under section 3310.57 of the 52250

education child or a request by the eligible applicant for the 52271
child for that code, the school district or community school shall 52272

submit that code to the department or applicant in the manner 52273
specified by the department. If the child has not been assigned a 52274
code, because the child will be entering kindergarten during the 52275
school year for which the scholarship is sought, the district 52276
shall assign a code to that child and submit the code to the 52277
department or applicant by a date specified by the department. If 52278
the district does not assign a code to the child by the specified 52279
date, the department shall assign a code to the child. 52280

The department annually shall submit to each school district 52281
the name and data verification code of each child residing in the 52282
district who is entering kindergarten, who has been awarded a 52283

(D) Any document relative to the special education 52289
scholarship program that the department holds in its files that 52290
contains both a qualified special education child's name or other 52291
personally identifiable information and the child's data 52292
verification code shall not be a public record under section 52293
149.43 of the Revised Code. 52294

Sec. 3310.64. The state board of education shall adopt rules 52295
in accordance with Chapter 119. of the Revised Code prescribing 52296
procedures necessary to implement sections 3310.51 to 3310.63 of 52297
the Revised Code including, but not limited to, procedures for 52298

~~either~~ section 3311.053 ~~or 3311.059~~ of the Revised Code, exclusive 52304

therefrom for school purposes and including the territory attached 52307
thereto for school purposes constitutes an educational service 52308
center. 52309

(B) A county school financing district created under section 52310
3311.50 of the Revised Code is not the school district described 52311
in division (A) of this section or any other school district but 52312
is a taxing district. 52313

Sec. 3311.054. (A) The initial members of any new governing 52314
board of an educational service center established in accordance 52315
with this section shall be all of the members of the governing 52316
boards of the former educational service centers whose territory 52317
comprises the new educational service center. The initial members 52318
of any such governing board shall serve until the first Monday of 52319
January immediately following the first election of governing 52320
board members conducted under division (C) of this section. 52321

Notwithstanding section 3313.11 of the Revised Code, that 52322
section shall not apply to the filling of any vacancy among the 52323
initial members of any governing board established in accordance 52324
with this section. Any such vacancy shall be filled for the 52325
remainder of the term by a majority vote of all the remaining 52326
members of the governing board. 52327

(B) Prior to the next first day of April in an odd-numbered 52328
year that occurs at least ninety days after the date on which any 52329
new governing board of an educational service center is initially 52330
established in accordance with this section, the governing board 52331

(2) Divide the educational service center into a number of 52338
subdistricts equal to the number of governing board members 52339
designated under division (B)(1) of this section and number the 52340
subdistricts. Each subdistrict shall be as nearly equal in 52341
population as possible and shall be composed of adjacent and 52342
compact territory. To the extent possible, each subdistrict shall 52343
be composed only of territory located in one county. In addition, 52344
the subdistricts shall be bounded as far as possible by 52345
corporation lines, streets, alleys, avenues, public grounds, 52346
canals, watercourses, ward boundaries, voting precinct boundaries, 52347
or school district boundaries. 52348

If the new governing board fails to divide the territory of 52349
the educational service center in accordance with this division, 52350
the superintendent of public instruction shall establish the 52351
subdistricts within thirty days. 52352

(C) At the next regular municipal election following the 52353
deadline for creation of the subdistricts of an educational 52354
service center under division (B) of this section, an entire new 52355
governing board shall be elected. All members of such governing 52356
board shall be elected from those subdistricts. 52357

(D) Within ninety days after the official announcement of the 52358
results of each successive federal decennial census, each 52359

accordance with this section shall redistrict the educational 52361
service center's territory into a number of subdistricts equal to 52362
the number of board members designated under division (B)(1) of 52363
this section and number the subdistricts. Each such redistricting 52364

shall be done in accordance with the standards for subdistricts in 52365
division (B)(2) of this section. At the next regular municipal 52366
election following the announcement of the results of each such 52367
successive census, all elected governing board members shall again 52368
be elected from the subdistricts most recently created under this 52369
division. 52370

If a governing board fails to redistrict the territory of its 52371
educational service center in accordance with this division, the 52372
superintendent of public instruction shall redistrict the service 52373
center within thirty days. 52374

(E) All members elected pursuant to this section shall take 52375
office on the first Monday of January immediately following the 52376
election. Whenever all elected governing board members are elected 52377
at one election under division (C) or (D) of this section, the 52378
terms of each of the members elected from even-numbered 52379
subdistricts shall be for two years and the terms of each of the 52380
members elected from odd-numbered subdistricts shall be for four 52381
years. Thereafter, successors shall be elected for four-year terms 52382
in the same manner as is provided by law for the election of 52383
members of school boards except that any successor elected at a 52384
regular municipal election immediately preceding any election at 52385
which an entire new governing board is elected shall be elected 52386
for a two-year term. 52387

Sec. 3311.056. After at least one election of board members 52388
has occurred under division (B) of section 3313.053, division (C) 52389
of section 3311.054, or section 3311.057 of the Revised Code, the 52390
elected governing board members of an educational service center 52391
created under division (A) of section 3311.053 of the Revised Code 52392
may by resolution adopt a plan for adding appointed members to 52393
that governing board. A plan may provide for adding to the board a 52394
number of appointed members that is up to one less than the number 52395

of elected members on the board except that the total number of 52396
elected and appointed board members shall be an odd number. A plan 52397
shall provide for the terms of the appointed board members. The 52398
appointed board members in each plan shall be appointed by a 52399
majority vote of the full number of elected members on the board 52400
and vacancies shall be filled as provided in the plan. Each plan 52401
shall specify the qualifications for the appointed board members 52402
of an educational service center ~~and shall at least require~~ 52403
~~appointed board members to be electors residing in the service~~ 52404
~~center. Appointed members may be representative of the client~~ 52405
school districts of the service center. As used in this section, 52406
"client school district" has the same meaning as in section 52407
3317.11 of the Revised Code. 52408

A governing board adopting a plan under this section shall 52409
submit the plan to the state board of education for approval. The 52410
state board may approve or disapprove a plan or make 52411
recommendations for modifications in a plan. A plan shall take 52412
effect thirty days after approval by the state board and, when 52413
effective, appointments to the board shall be made in accordance 52414
with the plan. 52415

The elected members of the governing board of an educational 52416
service center with a plan in effect under this section may adopt, 52417
by unanimous vote of all the elected members, a resolution to 52418
revise or rescind the plan in effect under this section. All 52419
revisions shall comply with the requirements in this section for 52420
appointed board members. A resolution revising or rescinding a 52421
plan shall specify the dates and manner in which the revision or 52422
rescission is to take place. The revision or rescission of a plan 52423
shall be submitted to the state board of education for approval. 52424
The state board may approve or disapprove a revision or rescission 52425
of a plan or make recommendations for modifications. Upon approval 52426
of a revision or rescission by the state board, the revised plan 52427

or rescission of the plan shall go into effect as provided in the 52428
revision or rescission. 52429

Sec. 3311.0510. (A) If all of the local school districts that 52430
make up the territory of an educational service center have 52431
severed from the territory of that service center, upon the 52432
effective date of the severance of the last remaining local school 52433
district to make up the territory of the service center, the 52434
governing board of that service center shall be abolished and such 52435
service center shall be dissolved by order of the superintendent 52436
of public instruction. The superintendent's order shall provide 52437
for the equitable division and disposition of the assets, 52438
property, debts, and obligations of the service center among the 52439
local school districts, of which the territory of the service 52440
center is or previously was made up, and the city and exempted 52441
village school districts with which the service center had 52442
agreements under section 3313.843 of the Revised Code for the 52443
service center's last fiscal year of operation. The 52444
superintendent's order shall provide that the tax duplicate of 52445
each of those school districts shall be bound for and assume the 52446
district's equitable share of the outstanding indebtedness of the 52447
service center. The superintendent's order is final and is not 52448
appealable. 52449

Immediately upon the abolishment of the service center 52450
governing board pursuant to this section, the superintendent of 52451
public instruction shall appoint a qualified individual to 52452
administer the dissolution of the service center and to implement 52453
the terms of the superintendent's dissolution order. 52454

Prior to distributing assets to any school district under 52455
this section, but after paying in full other debts and obligations 52456
of the service center under this section, the superintendent of 52457
public instruction may assess against the remaining assets of the 52458

service center the amount of the costs incurred by the department 52459
of education in performing the superintendent's duties under this 52460
division, including the fees, if any, owed to the individual 52461
appointed to administer the superintendent's dissolution order. 52462
Any excess cost incurred by the department under this division 52463
shall be divided equitably among the local school districts, of 52464
which the territory of the service center is or previously was 52465
made up, and the city and exempted village school districts with 52466
which the service center had agreements under section 3313.843 of 52467
the Revised Code for the service center's last fiscal year of 52468
operation. Each district's share of that excess cost shall be 52469
bound against the tax duplicate of that district. 52470

(B) A final audit of the former service center shall be 52471
performed in accordance with procedures established by the auditor 52472
of state. 52473

(C) The public records of an educational service center that 52474
is dissolved under this section shall be transferred in accordance 52475
with this division. Public records maintained by the service 52476
center in connection with services provided by the service center 52477
to local school districts shall be transferred to each of the 52478
respective local school districts. Public records maintained by 52479
the service center in connection with services provided under an 52480
agreement with a city or exempted village school district pursuant 52481
to section 3313.843 of the Revised Code shall be transferred to 52482
each of the respective city or exempted village school districts. 52483
All other public records maintained by the service center at the 52484
time the service center ceases operations shall be transferred to 52485
the Ohio historical society for analysis and disposition by the 52486
society in its capacity as archives administrator for the state 52487
and its political subdivisions pursuant to division (C) of section 52488
149.30 and section 149.31 of the Revised Code. 52489

Sec. 3311.06. (A) As used in this section:	52490
(1) "Annexation" and "annexed" mean annexation for municipal purposes under sections 709.02 to 709.37 of the Revised Code.	52491 52492
(2) "Annexed territory" means territory that has been annexed for municipal purposes to a city served by an urban school district, but on September 24, 1986, has not been transferred to the urban school district.	52493 52494 52495 52496
(3) "Urban school district" means a city school district with an average daily membership for the 1985-1986 school year in excess of twenty thousand that is the school district of a city that contains annexed territory.	52497 52498 52499 52500
(4) "Annexation agreement" means an agreement entered into under division (F) of this section that has been approved by the state board of education or an agreement entered into prior to September 24, 1986, that meets the requirements of division (F) of this section and has been filed with the state board.	52501 52502 52503 52504 52505
(B) The territory included within the boundaries of a city, local, exempted village, or joint vocational school district shall be contiguous except where a natural island forms an integral part of the district, where the state board of education authorizes a noncontiguous school district, as provided in division (E)(1) of this section, or where a local school district is created pursuant to section 3311.26 of the Revised Code from one or more local school districts, one of which has entered into an agreement under section 3313.42 of the Revised Code.	52506 52507 52508 52509 52510 52511 52512 52513 52514
(C)(1) When all of the territory of a school district is annexed to a city or village, such territory thereby becomes a part of the city school district or the school district of which the village is a part, and the legal title to school property in such territory for school purposes shall be vested in the board of	52515 52516 52517 52518 52519

education of the city school district or the school district of 52520
which the village is a part. 52521

(2) When the territory so annexed to a city or village 52522
comprises part but not all of the territory of a school district, 52523
the said territory becomes part of the city school district or the 52524
school district of which the village is a part only upon approval 52525
by the state board of education, unless the district in which the 52526
territory is located is a party to an annexation agreement with 52527
the city school district. 52528

Any urban school district that has not entered into an 52529
annexation agreement with any other school district whose 52530
territory would be affected by any transfer under this division 52531
and that desires to negotiate the terms of transfer with any such 52532
district shall conduct any negotiations under division (F) of this 52533
section as part of entering into an annexation agreement with such 52534
a district. 52535

Any school district, except an urban school district, 52536
desiring state board approval of a transfer under this division 52537
shall make a good faith effort to negotiate the terms of transfer 52538
with any other school district whose territory would be affected 52539
by the transfer. Before the state board may approve any transfer 52540
of territory to a school district, except an urban school 52541
district, under this section, it must receive the following: 52542

(a) A resolution requesting approval of the transfer, passed 52543
by at least one of the school districts whose territory would be 52544
affected by the transfer; 52545

(b) Evidence determined to be sufficient by the state board 52546
to show that good faith negotiations have taken place or that the 52547
district requesting the transfer has made a good faith effort to 52548
hold such negotiations; 52549

(c) If any negotiations took place, a statement signed by all 52550

boards that participated in the negotiations, listing the terms 52551
agreed on and the points on which no agreement could be reached. 52552

(D) The state board of education shall adopt rules governing 52553
negotiations held by any school district except an urban school 52554
district pursuant to division (C)(2) of this section. The rules 52555
shall encourage the realization of the following goals: 52556

(1) A discussion by the negotiating districts of the present 52557
and future educational needs of the pupils in each district; 52558

(2) The educational, financial, and territorial stability of 52559
each district affected by the transfer; 52560

(3) The assurance of appropriate educational programs, 52561
services, and opportunities for all the pupils in each 52562
participating district, and adequate planning for the facilities 52563
needed to provide these programs, services, and opportunities. 52564

Districts involved in negotiations under such rules may agree 52565
to share revenues from the property included in the territory to 52566
be transferred, establish cooperative programs between the 52567
participating districts, and establish mechanisms for the 52568
settlement of any future boundary disputes. 52569

(E)(1) If territory annexed after September 24, 1986, is part 52570
of a school district that is a party to an annexation agreement 52571
with the urban school district serving the annexing city, the 52572
transfer of such territory shall be governed by the agreement. If 52573
the agreement does not specify how the territory is to be dealt 52574
with, the boards of education of the district in which the 52575
territory is located and the urban school district shall negotiate 52576
with regard to the transfer of the territory which shall be 52577
transferred to the urban school district unless, not later than 52578
ninety days after the effective date of municipal annexation, the 52579
boards of education of both districts, by resolution adopted by a 52580
majority of the members of each board, agree that the territory 52581

will not be transferred and so inform the state board of 52582
education. 52583

If territory is transferred under this division the transfer 52584
shall take effect on the first day of July occurring not sooner 52585
than ninety-one days after the effective date of the municipal 52586
annexation. Territory transferred under this division need not be 52587
contiguous to the district to which it is transferred. 52588

(2) Territory annexed prior to September 24, 1986, by a city 52589
served by an urban school district shall not be subject to 52590
transfer under this section if the district in which the territory 52591
is located is a party to an annexation agreement or becomes a 52592
party to such an agreement not later than ninety days after 52593
September 24, 1986. If the district does not become a party to an 52594
annexation agreement within the ninety-day period, transfer of 52595
territory shall be governed by division (C)(2) of this section. If 52596
the district subsequently becomes a party to an agreement, 52597
territory annexed prior to September 24, 1986, other than 52598
territory annexed under division (C)(2) of this section prior to 52599
the effective date of the agreement, shall not be subject to 52600
transfer under this section. 52601

(F) An urban school district may enter into a comprehensive 52602
agreement with one or more school districts under which transfers 52603
of territory annexed by the city served by the urban school 52604
district after September 24, 1986, shall be governed by the 52605
agreement. Such agreement must provide for the establishment of a 52606
cooperative education program under section 3313.842 of the 52607
Revised Code in which all the parties to the agreement are 52608
participants and must be approved by resolution of the majority of 52609
the members of each of the boards of education of the school 52610
districts that are parties to it. An agreement may provide for 52611
interdistrict payments based on local revenue growth resulting 52612
from development in any territory annexed by the city served by 52613

the urban school district. 52614

An agreement entered into under this division may be altered, 52615
modified, or terminated only by agreement, by resolution approved 52616
by the majority of the members of each board of education, of all 52617
school districts that are parties to the agreement, except that 52618
with regard to any provision that affects only the urban school 52619
district and one of the other districts that is a party, that 52620
district and the urban district may modify or alter the agreement 52621
by resolution approved by the majority of the members of the board 52622
of that district and the urban district. Alterations, 52623
modifications, terminations, and extensions of an agreement 52624
entered into under this division do not require approval of the 52625
state board of education, but shall be filed with the board after 52626
approval and execution by the parties. 52627

If an agreement provides for interdistrict payments, each 52628
party to the agreement, except any school district specifically 52629
exempted by the agreement, shall agree to make an annual payment 52630
to the urban school district with respect to any of its territory 52631
that is annexed territory in an amount not to exceed the amount 52632
certified for that year under former section 3317.029 of the 52633
Revised Code as that section existed prior to July 1, 1998; except 52634
that such limitation of annual payments to amounts certified under 52635
former section 3317.029 of the Revised Code does not apply to 52636
agreements or extensions of agreements entered into on or after 52637
June 1, 1992, unless such limitation is expressly agreed to by the 52638
parties. The agreement may provide that all or any part of the 52639
payment shall be waived if the urban school district receives its 52640
payment with respect to such annexed territory under former 52641
section 3317.029 of the Revised Code and that all or any part of 52642
such payment may be waived if the urban school district does not 52643
receive its payment with respect to such annexed territory under 52644
such section. 52645

With respect to territory that is transferred to the urban school district after September 24, 1986, the agreement may provide for annual payments by the urban school district to the school district whose territory is transferred to the urban school district subsequent to annexation by the city served by the urban school district.

(G) In the event territory is transferred from one school district to another under this section, an equitable division of the funds and indebtedness between the districts involved shall be made under the supervision of the state board of education and that board's decision shall be final. Such division shall not include funds payable to or received by a school district under Chapter ~~3306~~ ~~or~~ 3317. of the Revised Code or payable to or received by a school district from the United States or any department or agency thereof. In the event such transferred territory includes real property owned by a school district, the state board of education, as part of such division of funds and indebtedness, shall determine the true value in money of such real property and all buildings or other improvements thereon. The board of education of the school district receiving such territory shall forthwith pay to the board of education of the school district losing such territory such true value in money of such real property, buildings, and improvements less such percentage of the true value in money of each school building located on such real property as is represented by the ratio of the total enrollment in day classes of the pupils residing in the territory transferred enrolled at such school building in the school year in which such annexation proceedings were commenced to the total enrollment in day classes of all pupils residing in the school district losing such territory enrolled at such school building in such school year. The school district receiving such payment shall place the proceeds thereof in its sinking fund or bond retirement fund.

(H) The state board of education, before approving such 52679
transfer of territory, shall determine that such payment has been 52680
made and shall apportion to the acquiring school district such 52681
percentage of the indebtedness of the school district losing the 52682
territory as is represented by the ratio that the assessed 52683
valuation of the territory transferred bears to the total assessed 52684
valuation of the entire school district losing the territory as of 52685
the effective date of the transfer, provided that in ascertaining 52686
the indebtedness of the school district losing the territory the 52687
state board of education shall disregard such percentage of the 52688
par value of the outstanding and unpaid bonds and notes of said 52689
school district issued for construction or improvement of the 52690
school building or buildings for which payment was made by the 52691
acquiring district as is equal to the percentage by which the true 52692
value in money of such building or buildings was reduced in fixing 52693
the amount of said payment. 52694

(I) No transfer of school district territory or division of 52695
funds and indebtedness incident thereto, pursuant to the 52696
annexation of territory to a city or village shall be completed in 52697
any other manner than that prescribed by this section regardless 52698
of the date of the commencement of such annexation proceedings, 52699
and this section applies to all proceedings for such transfers and 52700
divisions of funds and indebtedness pending or commenced on or 52701
after October 2, 1959. 52702

Sec. 3311.19. (A) The management and control of a joint 52703
vocational school district shall be vested in the joint vocational 52704
school district board of education. Where a joint vocational 52705
school district is composed only of two or more local school 52706
districts located in one county, or when all the participating 52707
districts are in one county and the boards of such participating 52708
districts so choose, the educational service center governing 52709
board of the county in which the joint vocational school district 52710

is located shall serve as the joint vocational school district 52711
board of education. Where a joint vocational school district is 52712
composed of local school districts of more than one county, or of 52713
any combination of city, local, or exempted village school 52714
districts or educational service centers, unless administration by 52715
the educational service center governing board has been chosen by 52716
all the participating districts in one county pursuant to this 52717
section, the board of education of the joint vocational school 52718
district shall be composed of one or more persons who are members 52719
of the boards of education from each of the city or exempted 52720
village school districts or members of the educational service 52721
centers' governing boards affected to be appointed by the boards 52722
of education or governing boards of such school districts and 52723
educational service centers. In such joint vocational school 52724
districts the number and terms of members of the joint vocational 52725
school district board of education and the allocation of a given 52726
number of members to each of the city and exempted village 52727
districts and educational service centers shall be determined in 52728
the plan for such district, provided that each such joint 52729
vocational school district board of education shall be composed of 52730
an odd number of members. 52731

(B) Notwithstanding division (A) of this section, a governing 52732
board of an educational service center that has members of its 52733
governing board serving on a joint vocational school district 52734
board of education may make a request to the joint vocational 52735
district board that the joint vocational school district plan be 52736
revised to provide for one or more members of boards of education 52737
of local school districts that are within the territory of the 52738
educational service district and within the joint vocational 52739
school district to serve in the place of or in addition to its 52740
educational service center governing board members. If agreement 52741
is obtained among a majority of the boards of education and 52742
governing boards that have a member serving on the joint 52743

vocational school district board of education and among a majority 52744
of the local school district boards of education included in the 52745
district and located within the territory of the educational 52746
service center whose board requests the substitution or addition, 52747
the state board of education may revise the joint vocational 52748
school district plan to conform with such agreement. 52749

(C) If the board of education of any school district or 52750
educational service center governing board included within a joint 52751
vocational district that has had its board or governing board 52752
membership revised under division (B) of this section requests the 52753
joint vocational school district board to submit to the state 52754
board of education a revised plan under which one or more joint 52755
vocational board members chosen in accordance with a plan revised 52756
under such division would again be chosen in the manner prescribed 52757
by division (A) of this section, the joint vocational board shall 52758
submit the revised plan to the state board of education, provided 52759
the plan is agreed to by a majority of the boards of education 52760
represented on the joint vocational board, a majority of the local 52761
school district boards included within the joint vocational 52762
district, and each educational service center governing board 52763
affected by such plan. The state board of education may revise the 52764
joint vocational school district plan to conform with the revised 52765
plan. 52766

(D) The vocational schools in such joint vocational school 52767
district shall be available to all youth of school age within the 52768
joint vocational school district subject to the rules adopted by 52769
the joint vocational school district board of education in regard 52770
to the standards requisite to admission. A joint vocational school 52771
district board of education shall have the same powers, duties, 52772
and authority for the management and operation of such joint 52773
vocational school district as is granted by law, except by this 52774
chapter and Chapters 124., ~~3306.~~ 3317., 3323., and 3331. of the 52775

Revised Code, to a board of education of a city school district, 52776
and shall be subject to all the provisions of law that apply to a 52777
city school district, except such provisions in this chapter and 52778
Chapters 124., ~~3306.7~~ 3317., 3323., and 3331. of the Revised Code. 52779

(E) Where a governing board of an educational service center 52780
has been designated to serve as the joint vocational school 52781
district board of education, the educational service center 52782
superintendent shall be the executive officer for the joint 52783
vocational school district, and the governing board may provide 52784
for additional compensation to be paid to the educational service 52785
center superintendent by the joint vocational school district, but 52786
the educational service center superintendent shall have no 52787
continuing tenure other than that of educational service center 52788
superintendent. The superintendent of schools of a joint 52789
vocational school district shall exercise the duties and authority 52790
vested by law in a superintendent of schools pertaining to the 52791
operation of a school district and the employment and supervision 52792
of its personnel. The joint vocational school district board of 52793
education shall appoint a treasurer of the joint vocational school 52794
district who shall be the fiscal officer for such district and who 52795
shall have all the powers, duties, and authority vested by law in 52796
a treasurer of a board of education. Where a governing board of an 52797
educational service center has been designated to serve as the 52798
joint vocational school district board of education, such board 52799
may appoint the educational service center superintendent as the 52800
treasurer of the joint vocational school district. 52801

(F) Each member of a joint vocational school district board 52802
of education may be paid such compensation as the board provides 52803
by resolution, but it shall not exceed one hundred twenty-five 52804
dollars per member for each meeting attended plus mileage, at the 52805
rate per mile provided by resolution of the board, to and from 52806
meetings of the board. 52807

The board may provide by resolution for the deduction of 52808
amounts payable for benefits under section 3313.202 of the Revised 52809
Code. 52810

Each member of a joint vocational school district board may 52811
be paid such compensation as the board provides by resolution for 52812
attendance at an approved training program, provided that such 52813
compensation shall not exceed sixty dollars per day for attendance 52814
at a training program three hours or fewer in length and one 52815
hundred twenty-five dollars a day for attendance at a training 52816
program longer than three hours in length. However, no board 52817
member shall be compensated for the same training program under 52818
this section and section 3313.12 of the Revised Code. 52819

Sec. 3311.21. (A) In addition to the resolutions authorized 52820
by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of 52821
the Revised Code, the board of education of a joint vocational or 52822
cooperative education school district by a vote of two-thirds of 52823
its full membership may at any time adopt a resolution declaring 52824
the necessity to levy a tax in excess of the ten-mill limitation 52825
for a period not to exceed ten years to provide funds for any one 52826
or more of the following purposes, which may be stated in the 52827
following manner in such resolution, the ballot, and the notice of 52828
election: purchasing a site or enlargement thereof and for the 52829
erection and equipment of buildings; for the purpose of enlarging, 52830
improving, or rebuilding thereof; for the purpose of providing for 52831
the current expenses of the joint vocational or cooperative school 52832
district; or for a continuing period for the purpose of providing 52833
for the current expenses of the joint vocational or cooperative 52834
education school district. The resolution shall specify the amount 52835
of the proposed rate and, if a renewal, whether the levy is to 52836
renew all, or a portion of, the existing levy, and shall specify 52837
the first year in which the levy will be imposed. If the levy 52838
provides for but is not limited to current expenses, the 52839

resolution shall apportion the annual rate of the levy between 52840
current expenses and the other purpose or purposes. Such 52841
apportionment may but need not be the same for each year of the 52842
levy, but the respective portions of the rate actually levied each 52843
year for current expenses and the other purpose or purposes shall 52844
be limited by such apportionment. The portion of any such rate 52845
actually levied for current expenses of a joint vocational or 52846
cooperative education school district shall be used in applying 52847
~~division (A)(1) of section 3306.01 and~~ division (A) of section 52848

by adding together all of the territory of each of the districts 53030
and dissolving such districts. A copy of each resolution shall be 53031
filed with the state board of education for its approval or 53032

education if no agreement is made among the surrounding districts 53086
voluntarily, which order shall provide an equitable division of 53087
the funds, property, and indebtedness of the dissolved school 53088

section declaring that the territory of the educational service 53140
center is a county school financing district, exclusive of any 53141
territory subsequently withdrawn from the district under division 53142
(D) of this section; 53143

(2) Any territory that has been added to the county school 53144
financing district under this section. 53145

A county school financing district may include the territory 53146

or park district established under Chapter 1545. of the Revised 53690

Code; to a wholly or partially tax-supported university, 53691
university branch, or college; or to the board of trustees of a 53692
school district library, upon such terms as are agreed upon. The 53693
sale of real or personal property to the board of trustees of a 53694
school district library is limited, in the case of real property, 53695
to a school district library within whose boundaries the real 53696
property is situated, or, in the case of personal property, to a 53697
school district library whose boundaries lie in whole or in part 53698
within the school district of the selling board of education. 53699

(D) When a board of education decides to trade as a part or 53700
an entire consideration, an item of personal property on the 53701
purchase price of an item of similar personal property, it may 53702

to the trade. 53704

(E) The president and the treasurer of the board of education 53705
shall execute and deliver deeds or other necessary instruments of 53706
conveyance to complete any sale or trade under this section. 53707

(F) When a board of education has identified a parcel of real 53708
property that it determines is needed for school purposes, the 53709
board may, upon a majority vote of the members of the board, 53710
acquire that property by exchanging real property that the board 53711
owns in its corporate capacity for the identified real property or 53712
by using real property that the board owns in its corporate 53713
capacity as part or an entire consideration for the purchase price 53714
of the identified real property. Any exchange or acquisition made 53715
pursuant to this division shall be made by a conveyance executed 53716
by the president and the treasurer of the board. 53717

(G)~~(1)~~ When a school district board of education decides to 53718
dispose of real property suitable for use as classroom space, 53719
prior to disposing of that property under divisions (A) to (F) of 53720
this section, it shall first offer that property for sale to the 53721
governing authorities of the start-up community schools 53722

established under Chapter 3314. of the Revised Code located within 53723
the territory of the school district, at a price that is not 53724
higher than the appraised fair market value of that property. If 53725
more than one community school governing authority accepts the 53726
offer made by the school district board, the board shall sell the 53727
property to the governing authority that accepted the offer first 53728
in time. If no community school governing authority accepts the 53729
offer within sixty days after the offer is made by the school 53730
district board, the board may dispose of the property in the 53731
applicable manner prescribed under divisions (A) to (F) of this 53732
section. 53733

~~(2) When a school district board of education has not used 53734
real property suitable for classroom space for academic 53735
instruction, administration, storage, or any other educational 53736
purpose for one full school year and has not adopted a resolution 53737
outlining a plan for using that property for any of those purposes 53738
within the next three school years, it shall offer that property 53739
for sale to the governing authorities of the start up community 53740
schools established under Chapter 3314. of the Revised Code 53741
located within the territory of the school district, at a price 53742
that is not higher than the appraised fair market value of that 53743
property. If more than one community school governing authority 53744
accepts the offer made by the school district board, the board 53745
shall sell the property to the governing authority that accepted 53746
the offer first in time. 53747~~

(H) When a school district board of education has property 53748
that the board, by resolution, finds is not needed for school 53749
district use, is obsolete, or is unfit for the use for which it 53750
was acquired, the board may donate that property in accordance 53751
with this division if the fair market value of the property is, in 53752
the opinion of the board, two thousand five hundred dollars or 53753
less. 53754

The property may be donated to an eligible nonprofit organization that is located in this state and is exempt from federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). Before donating any property under this division, the board shall adopt a resolution expressing its intent to make unneeded, obsolete, or unfit-for-use school district property available to these organizations. The resolution shall include guidelines and procedures the board considers to be necessary to implement the donation program and shall indicate whether the school district will conduct the donation program or the board will contract with a representative to conduct it. If a representative is known when the resolution is adopted, the resolution shall provide contact information such as the representative's name, address, and telephone number.

The resolution shall include within its procedures a requirement that any nonprofit organization desiring to obtain donated property under this division shall submit a written notice to the board or its representative. The written notice shall include evidence that the organization is a nonprofit organization that is located in this state and is exempt from federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of the organization's primary purpose; a description of the type or types of property the organization needs; and the name, address, and telephone number of a person designated by the organization's governing board to receive donated property and to serve as its agent.

After adoption of the resolution, the board shall publish, in a newspaper of general circulation in the school district or as provided in section 7.16 of the Revised Code, notice of its intent to donate unneeded, obsolete, or unfit-for-use school district property to eligible nonprofit organizations. The notice shall include a summary of the information provided in the resolution

and shall be published ~~at least~~ twice. The second ~~and any~~ 53787
~~subsequent~~ notice shall be published not less than ten nor more 53788
than twenty days after the previous notice. A similar notice also 53789
shall be posted continually in the board's office, ~~and, if.~~ If the 53790
school district maintains a web site on the internet, the notice 53791
shall be posted continually at that web site. 53792

The board or its representatives shall maintain a list of all 53793
nonprofit organizations that notify the board or its 53794
representative of their desire to obtain donated property under 53795
this division and that the board or its representative determines 53796
to be eligible, in accordance with the requirements set forth in 53797
this section and in the donation program's guidelines and 53798
procedures, to receive donated property. 53799

The board or its representative also shall maintain a list of 53800
all school district property the board finds to be unneeded, 53801
obsolete, or unfit for use and to be available for donation under 53802
this division. The list shall be posted continually in a 53803
conspicuous location in the board's office, and, if the school 53804
district maintains a web site on the internet, the list shall be 53805
posted continually at that web site. An item of property on the 53806
list shall be donated to the eligible nonprofit organization that 53807
first declares to the board or its representative its desire to 53808
obtain the item unless the board previously has established, by 53809
resolution, a list of eligible nonprofit organizations that shall 53810
be given priority with respect to the item's donation. Priority 53811
may be given on the basis that the purposes of a nonprofit 53812
organization have a direct relationship to specific school 53813
district purposes of programs provided or administered by the 53814
board. A resolution giving priority to certain nonprofit 53815
organizations with respect to the donation of an item of property 53816
shall specify the reasons why the organizations are given that 53817
priority. 53818

Members of the board shall consult with the Ohio ethics 53819
commission, and comply with Chapters 102. and 2921. of the Revised 53820
Code, with respect to any donation under this division to a 53821
nonprofit organization of which a board member, any member of a 53822
board member's family, or any business associate of a board member 53823
is a trustee, officer, board member, or employee. 53824

Sec. 3313.411. (A) As used in this section, "unused school 53825

facilities it owns in its corporate capacity for lease to the 53832
governing authorities of community schools established under 53833
Chapter 3314. of the Revised Code that are located within the 53834
territory of the school district. If more than one community 53835
school governing authority accepts the offer to lease that 53836
property, the district board shall lease the property to the 53837
governing authority of the community school with the highest 53838
ranking according to performance index score, as defined in 53839
section 3302.01 of the Revised Code. 53840

The price offered by the district board shall be as follows: 53841

the district board may offer the property for lease to any other 53850
entity. 53851

(C) Notwithstanding division (B) of this section, a school 53852
district board may renew any agreement it originally entered into 53853
prior to the effective date of this section to lease real property 53854
to an entity other than a community school. Nothing in this 53855
section shall affect the leasehold arrangements between the 53856
district board and that other entity. 53857

section 713.23 and in section 125.04 of the Revised Code, all of 53865

unless the board determines that other information is sufficient 53870
to inform any bidders of the board's requirements. However, if the 53871
board determines that such other information is sufficient for 53872
bidding a project, the board shall not engage in the construction 53873
of any such project involving the practice of professional 53874
engineering, professional surveying, or architecture, for which 53875
plans, specifications, and estimates have not been made by, and 53876
the construction thereof inspected by, a licensed professional 53877
engineer, licensed professional surveyor, or registered architect. 53878

(2) The board shall advertise for bids once each week for a 53879
period of not less than two consecutive weeks, or as provided in 53880
section 7.16 of the Revised Code, in a newspaper of general 53881
circulation in the district before the date specified by the board 53882
for receiving bids. The board may also cause notice to be inserted 53883
in trade papers or other publications designated by it or to be 53884
distributed by electronic means, including posting the notice on 53885
the board's internet web site. If the board posts the notice on 53886
its web site, it may eliminate the second notice otherwise 53887
required to be published in a newspaper of general circulation 53888
within the school district, provided that the first notice 53889

(4) Each bid shall contain the name of every person 53903

the bid, with the price thereof, or may require that bids be 53908
submitted without such separation. 53909

(6) None but the lowest responsible bid shall be accepted. 53910
The board may reject all the bids, or accept any bid for both 53911
labor and material for such improvement or repair, which is the 53912
lowest in the aggregate. In all other respects, the award of 53913
contracts for improvement or repair, but not for purchases made 53914
under section 3327.08 of the Revised Code, shall be pursuant to 53915
section 153.12 of the Revised Code. 53916

(7) The contract shall be between the board and the bidders. 53917
The board shall pay the contract price for the work pursuant to 53918
sections 153.13 and 153.14 of the Revised Code. The board shall 53919
approve and retain the estimates referred to in section 153.13 of 53920
the Revised Code and make them available to the auditor of state 53921

part thereof, and are lower than any others, either may be 53924
accepted, but in no case shall the work be divided between such 53925
bidders. 53926

(9) When there is reason to believe there is collusion or 53927
combination among the bidders, or any number of them, the bids of 53928
those concerned therein shall be rejected. 53929

(2) If the board determines and declares by resolution 53935
adopted by two-thirds of all its members that any item is 53936
available and can be acquired only from a single source. 53937

(3) If the board declares by resolution adopted by two-thirds 53938
of all its members that division (A) of this section does not 53939
apply to any installation, modification, or remodeling involved in 53940

(A) The state board of education shall adopt rules requiring 53955
school districts with a total student count of over five thousand, 53956
as determined pursuant to section 3317.03 of the Revised Code, to 53957
designate one school building to be operated by a site-based 53958
management council. The rules shall specify the composition of the 53959
council and the manner in which members of the council are to be 53960
selected and removed. 53961

(B) The rules adopted under division (A) of this section 53962

board and the council. The district's proposal shall comply 53980
substantially with the rules adopted under division (A) of this 53981

section to the contrary, the characteristics of students who may 54131
be assigned to an alternative school to which division (G) of this 54132
section applies shall include only disruptive and low-performing 54133
students. 54134

(H) When any district board of education determines to 54135
contract with a nonprofit or for profit entity to operate an 54136
alternative school under this section, the board shall use the 54137
procedure set forth in this division. 54138

(1) The board shall publish notice of a request for proposals 54139
in a newspaper of general circulation in the district once each 54140
week for a period of ~~at least~~ two consecutive weeks, or as 54141
provided in section 7.16 of the Revised Code, prior to the date 54142
specified by the board for receiving proposals. Notices of 54143

(2) After the date specified for receiving proposals, the 54167
board shall evaluate the submitted proposals and may hold 54168
discussions with any respondent to ensure a complete understanding 54169
of the proposal and the qualifications of such respondent to 54170
execute the proposed contract. Such qualifications shall include, 54171
but are not limited to, all of the following: 54172

(a) Demonstrated competence in performance of the required 54173

proposals from respondents the board considers qualified to 54186

operate the alternative school in the best interests of the 54187
students and the district. If fewer than three proposals are 54188
submitted, the board shall select each proposal submitted. The 54189
board may cancel a request for proposals or reject all proposals 54190
at any time prior to the execution of a contract. 54191

The board may hold discussions with any of the three selected 54192
respondents to clarify or revise the provisions of a proposal or 54193
the proposed contract to ensure complete understanding between the 54194
board and the respondent of the terms under which a contract will 54195
be entered. Respondents shall be accorded fair and equal treatment 54196
with respect to any opportunity for discussion regarding 54197
clarifications or revisions. The board may terminate or 54198
discontinue any further discussion with a respondent upon written 54199
notice. 54200

(4) Upon further review of the three proposals selected by 54201
the board, the board shall award a contract to the respondent the 54202
board considers to have the most merit, taking into consideration 54203
the scope, complexity, and nature of the services to be performed 54204
by the respondent under the contract. 54205

(5) Except as provided in division (H)(6) of this section, 54206

contained in the proposal submitted by the respondent to the 54212
board. Any such request shall be accompanied by an offer of 54213
indemnification from the respondent to the board. The board shall 54214
determine whether to agree to the request and shall inform the 54215
respondent in writing of its decision. If the board agrees to 54216
nondisclosure of specified information in a proposal, such 54217
information shall not become a public record under section 149.43 54218

of the Revised Code. If the respondent withdraws its proposal at 54219
any time prior to the execution of a contract, the proposal shall 54220
not be a public record under section 149.43 of the Revised Code. 54221

(I) Upon a recommendation from the department and in 54222
accordance with section 3301.16 of the Revised Code, the state 54223
board of education may revoke the charter of any alternative 54224
school operated by a school district that violates this section. 54225

Sec. 3313.538. (A) No student who attends school in this 54226
state shall be denied the opportunity to participate in 54227
interscholastic athletics solely because the student's parents do 54228
not reside in this state, if the student resides in this state 54229
with the student's grandparent, uncle, aunt, or sibling who has 54230
legal or temporary custody of the student or is the guardian of 54231
the student. 54232

(B) No school district, school, interscholastic conference, 54233
or organization that regulates interscholastic conferences or 54234
events shall have a rule, bylaw, or other regulation that 54235
conflicts with this section. 54236

(C) As used in this section, "legal custody," "temporary 54237
custody," and "guardian" have the same meanings as in section 54238
2151.011 of the Revised Code. 54239

Sec. 3313.55. The board of education of any school district 54240
in which is located a state, district, county, or municipal 54241
hospital for children with epilepsy or any public institution, 54242
except state institutions for the care and treatment of 54243
delinquent, unstable, or socially maladjusted children, shall make 54244
provision for the education of all educable children therein; 54245
except that in the event another school district within the same 54246
county or an adjoining county is the source of sixty per cent or 54247
more of the children in said hospital or institution, the board of 54248

that school district shall make provision for the education of all 54249
the children therein. In any case in which a board provides 54250
educational facilities under this section, the board that provides 54251
the facilities shall be entitled to all moneys authorized for the 54252
attendance of pupils as provided in Chapter ~~3306.~~ or 3317. of the 54253
Revised Code, tuition as provided in section 3317.08 of the 54254
Revised Code, and such additional compensation as is provided for 54255
crippled children in sections 3323.01 to 3323.12 of the Revised 54256
Code. Any board that provides the educational facilities for 54257
children in county or municipal institutions established for the 54258
care and treatment of children who are delinquent, unstable, or 54259
socially maladjusted shall not be entitled to any moneys provided 54260
for crippled children in sections 3323.01 to 3323.12 of the 54261
Revised Code. 54262

Sec. 3313.603. (A) As used in this section: 54263

(1) "One unit" means a minimum of one hundred twenty hours of 54264

content standards adopted by the state board of education under	54327
division (A)(1) of section 3301.079 of the Revised Code and the	54328
academic content standards for financial literacy and	54329
entrepreneurship adopted under division (A)(2) of that section,	54330
into one or more existing social studies credits required under	54331
division (C)(6) of this section, or into the content of another	54332
class, so that every high school student receives instruction in	54333
those concepts. In developing the curriculum required by this	54334
paragraph, schools shall use available public-private partnerships	54335
and resources and materials that exist in business, industry, and	54336

(7) Five units consisting of one or any combination of 54339

States Code, or English language arts, mathematics, science, or 54344
social studies courses not otherwise required under division (C) 54345
of this section. 54346

Ohioans must be prepared to apply increased knowledge and 54347
skills in the workplace and to adapt their knowledge and skills 54348
quickly to meet the rapidly changing conditions of the 54349
twenty-first century. National studies indicate that all high 54350
school graduates need the same academic foundation, regardless of 54351
the opportunities they pursue after graduation. The goal of Ohio's 54352
system of elementary and secondary education is to prepare all 54353
students for and seamlessly connect all students to success in 54354
life beyond high school graduation, regardless of whether the next 54355
step is entering the workforce, beginning an apprenticeship, 54356
engaging in post-secondary training, serving in the military, or 54357
pursuing a college degree. 54358

The Ohio core curriculum is the standard expectation for all 54359
students entering ninth grade for the first time at a public or 54360
chartered nonpublic high school on or after July 1, 2010. A 54361
student may satisfy this expectation through a variety of methods, 54362
including, but not limited to, integrated, applied, 54363
career-technical, and traditional coursework. 54364

Whereas teacher quality is essential for student success in 54365
completing the Ohio core curriculum, the general assembly shall 54366
appropriate funds for strategic initiatives designed to strengthen 54367
schools' capacities to hire and retain highly qualified teachers 54368
in the subject areas required by the curriculum. Such initiatives 54369

are expected to require an investment of \$120,000,000 over five 54370
years. 54371

Stronger coordination between high schools and institutions 54372
of higher education is necessary to prepare students for more 54373
challenging academic endeavors and to lessen the need for academic 54374
remediation in college, thereby reducing the costs of higher 54375
education for Ohio's students, families, and the state. The state 54376
board and the chancellor of the Ohio board of regents shall 54377
develop policies to ensure that only in rare instances will 54378
students who complete the Ohio core curriculum require academic 54379
remediation after high school. 54380

School districts, community schools, and chartered nonpublic 54381
schools shall integrate technology into learning experiences 54382
~~whenever practicable~~ across the curriculum in order to maximize 54383
efficiency, enhance learning, and prepare students for success in 54384
the technology-driven twenty-first century. Districts and schools 54385
~~may~~ shall use distance and web-based course delivery as a method 54386
of providing or augmenting all instruction required under this 54387
division, including laboratory experience in science. Districts 54388
and schools shall ~~whenever practicable~~ utilize technology access 54389
and electronic learning opportunities provided by the eTech Ohio 54390
commission, the Ohio learning network, education technology 54391
centers, public television stations, and other public and private 54392
providers. 54393

(D) Except as provided in division (E) of this section, a 54394
student who enters ninth grade on or after July 1, 2010, and 54395
before July 1, 2014, may qualify for graduation from a public or 54396
chartered nonpublic high school even though the student has not 54397
completed the Ohio core curriculum prescribed in division (C) of 54398
this section if all of the following conditions are satisfied: 54399

(1) After the student has attended high school for two years, 54400
as determined by the school, the student and the student's parent, 54401

guardian, or custodian sign and file with the school a written 54402
statement asserting the parent's, guardian's, or custodian's 54403
consent to the student's graduating without completing the Ohio 54404
core curriculum and acknowledging that one consequence of not 54405
completing the Ohio core curriculum is ineligibility to enroll in 54406
most state universities in Ohio without further coursework. 54407

(2) The student and parent, guardian, or custodian fulfill 54408
any procedural requirements the school stipulates to ensure the 54409
student's and parent's, guardian's, or custodian's informed 54410
consent and to facilitate orderly filing of statements under 54411
division (D)(1) of this section. 54412

(3) The student and the student's parent, guardian, or 54413
custodian and a representative of the student's high school 54414
jointly develop an individual career plan for the student that 54415
specifies the student matriculating to a two-year degree program, 54416
acquiring a business and industry credential, or entering an 54417
apprenticeship. 54418

(4) The student's high school provides counseling and support 54419
for the student related to the plan developed under division 54420
(D)(3) of this section during the remainder of the student's high 54421
school experience. 54422

(5) The student successfully completes, at a minimum, the 54423
curriculum prescribed in division (B) of this section. 54424

The department of education, in collaboration with the 54425
chancellor, shall analyze student performance data to determine if 54426
there are mitigating factors that warrant extending the exception 54427
permitted by division (D) of this section to high school classes 54428
beyond those entering ninth grade before July 1, 2014. The 54429
department shall submit its findings and any recommendations not 54430
later than August 1, 2014, to the speaker and minority leader of 54431
the house of representatives, the president and minority leader of 54432

the senate, the chairpersons and ranking minority members of the 54433
standing committees of the house of representatives and the senate 54434
that consider education legislation, the state board of education, 54435
and the superintendent of public instruction. 54436

(E) Each school district and chartered nonpublic school 54437
retains the authority to require an even more rigorous minimum 54438
curriculum for high school graduation than specified in division 54439
(B) or (C) of this section. A school district board of education, 54440
through the adoption of a resolution, or the governing authority 54441
of a chartered nonpublic school may stipulate any of the 54442
following: 54443

(1) A minimum high school curriculum that requires more than 54444
twenty units of academic credit to graduate; 54445

(2) An exception to the district's or school's minimum high 54446
school curriculum that is comparable to the exception provided in 54447
division (D) of this section but with additional requirements, 54448
which may include a requirement that the student successfully 54449
complete more than the minimum curriculum prescribed in division 54450
(B) of this section; 54451

(3) That no exception comparable to that provided in division 54452
(D) of this section is available. 54453

(F) A student enrolled in a dropout prevention and recovery 54454
program, which program has received a waiver from the department, 54455
may qualify for graduation from high school by successfully 54456
completing a competency-based instructional program administered 54457
by the dropout prevention and recovery program in lieu of 54458
completing the Ohio core curriculum prescribed in division (C) of 54459
this section. The department shall grant a waiver to a dropout 54460
prevention and recovery program, within sixty days after the 54461
program applies for the waiver, if the program meets all of the 54462
following conditions: 54463

- (1) The program serves only students not younger than sixteen years of age and not older than twenty-one years of age. 54464
54465
- (2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs. 54466
54467
54468
54469
54470
- (3) The program requires students to attain at least the applicable score designated for each of the assessments prescribed under division (B)(1) of section 3301.0710 of the Revised Code or, to the extent prescribed by rule of the state board under division ~~(E)~~(D)(6) of section 3301.0712 of the Revised Code, division (B)(2) of that section. 54471
54472
54473
54474
54475
54476
- (4) The program develops an individual career plan for the student that specifies the student's matriculating to a two-year degree program, acquiring a business and industry credential, or entering an apprenticeship. 54477
54478
54479
54480
- (5) The program provides counseling and support for the student related to the plan developed under division (F)(4) of this section during the remainder of the student's high school experience. 54481
54482
54483
54484
- (6) The program requires the student and the student's parent, guardian, or custodian to sign and file, in accordance with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework. 54485
54486
54487
54488
54489
54490
54491
54492
- (7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the 54493
54494

academic content standards adopted by the state board under 54495
section 3301.079 of the Revised Code will be taught and assessed. 54496

If the department does not act either to grant the waiver or 54497
to reject the program application for the waiver within sixty days 54498
as required under this section, the waiver shall be considered to 54499
be granted. 54500

(G) Every high school may permit students below the ninth 54501
grade to take advanced work. If a high school so permits, it shall 54502
award high school credit for successful completion of the advanced 54503
work and shall count such advanced work toward the graduation 54504
requirements of division (B) or (C) of this section if the 54505
advanced work was both: 54506

(1) Taught by a person who possesses a license or certificate 54507
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 54508
Code that is valid for teaching high school; 54509

(2) Designated by the board of education of the city, local, 54510
or exempted village school district, the board of the cooperative 54511
education school district, or the governing authority of the 54512
chartered nonpublic school as meeting the high school curriculum 54513
requirements. 54514

Each high school shall record on the student's high school 54515
transcript all high school credit awarded under division (G) of 54516
this section. In addition, if the student completed a seventh- or 54517
eighth-grade fine arts course described in division (K) of this 54518
section and the course qualified for high school credit under that 54519
division, the high school shall record that course on the 54520
student's high school transcript. 54521

(H) The department shall make its individual academic career 54522
plan available through its Ohio career information system web site 54523
for districts and schools to use as a tool for communicating with 54524
and providing guidance to students and families in selecting high 54525

school courses. 54526

(I) Units earned in English language arts, mathematics, 54527
science, and social studies that are delivered through integrated 54528
academic and career-technical instruction are eligible to meet the 54529
graduation requirements of division (B) or (C) of this section. 54530

(J) The state board, in consultation with the chancellor, 54531
shall adopt a statewide plan implementing methods for students to 54532
earn units of high school credit based on a demonstration of 54533
subject area competency, instead of or in combination with 54534
completing hours of classroom instruction. The state board shall 54535
adopt the plan not later than March 31, 2009, and commence phasing 54536
in the plan during the 2009-2010 school year. The plan shall 54537
include a standard method for recording demonstrated proficiency 54538
on high school transcripts. Each school district, and community 54539
school, ~~and chartered nonpublic school~~ shall comply with the state 54540
board's plan adopted under this division and award units of high 54541
school credit in accordance with the plan. The state board may 54542
adopt existing methods for earning high school credit based on a 54543
demonstration of subject area competency as necessary prior to the 54544
2009-2010 school year. 54545

(K) This division does not apply to students who qualify for 54546
graduation from high school under division (D) or (F) of this 54547
section, or to students pursuing a career-technical instructional 54548
track as determined by the school district board of education or 54549
the chartered nonpublic school's governing authority. 54550
Nevertheless, the general assembly encourages such students to 54551
consider enrolling in a fine arts course as an elective. 54552

Beginning with students who enter ninth grade for the first 54553
time on or after July 1, 2010, each student enrolled in a public 54554
or chartered nonpublic high school shall complete two semesters or 54555
the equivalent of fine arts to graduate from high school. The 54556
coursework may be completed in any of grades seven to twelve. Each 54557

student who completes a fine arts course in grade seven or eight 54558
may elect to count that course toward the five units of electives 54559
required for graduation under division (C)(7) of this section, if 54560
the course satisfied the requirements of division (G) of this 54561
section. In that case, the high school shall award the student 54562
high school credit for the course and count the course toward the 54563
five units required under division (C)(7) of this section. If the 54564
course in grade seven or eight did not satisfy the requirements of 54565
division (G) of this section, the high school shall not award the 54566
student high school credit for the course but shall count the 54567
course toward the two semesters or the equivalent of fine arts 54568
required by this division. 54569

(L) Notwithstanding anything to the contrary in this section, 54570
the board of education of each school district and the governing 54571
authority of each chartered nonpublic school may adopt a policy to 54572
excuse from the high school physical education requirement each 54573
student who, during high school, has participated in 54574
interscholastic athletics, marching band, or cheerleading for at 54575
least two full seasons or in the junior reserve officer training 54576
corps for at least two full school years. If the board or 54577
authority adopts such a policy, the board or authority shall not 54578
require the student to complete any physical education course as a 54579
condition to graduate. However, the student shall be required to 54580
complete one-half unit, consisting of at least sixty hours of 54581
instruction, in another course of study. In the case of a student 54582
who has participated in the junior reserve officer training corps 54583
for at least two full school years, credit received for that 54584
participation may be used to satisfy the requirement to complete 54585
one-half unit in another course of study. 54586

sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 55334

Code. Upon request, the grandparent shall complete any consent 55335
form required by the district. A school district shall not incur 55336
any liability solely because of its receipt of a consent form from 55337
a grandparent in lieu of a parent. 55338

Division (F)(11) of this section does not create, and shall 55339
not be construed as creating, a new cause of action or substantive 55340
legal right against a school district, a member of a board of 55341
education, or an employee of a school district. This section does 55342
not affect, and shall not be construed as affecting, any 55343
immunities from defenses to tort liability created or recognized 55344
by Chapter 2744. of the Revised Code for a school district, 55345

(12) A child under the age of twenty-two years is entitled to 55347

(C), or (E) of this section provided that, prior to such 55350
attendance in any school year, both of the following occur: 55351

entitled to attend school under division (B), (C), or (E) of this 55353
section contacts the superintendent of another district for 55354
purposes of this division; 55355

(b) The superintendents of both districts enter into a 55356
written agreement that consents to the attendance and specifies 55357
that the purpose of such attendance is to protect the student's 55358
physical or mental well-being or to deal with other extenuating 55359
circumstances deemed appropriate by the superintendents. 55360

While an agreement is in effect under this division for a 55361
student who is not receiving special education under Chapter 3323. 55362
of the Revised Code and notwithstanding Chapter 3327. of the 55363
Revised Code, the board of education of neither school district 55364
involved in the agreement is required to provide transportation 55365

for the student to and from the school where the student attends. 55366

A student attending a school of a district pursuant to this 55367
division shall be allowed to participate in all student 55368
activities, including interscholastic athletics, at the school 55369
where the student is attending on the same basis as any student 55370

compulsory school age. 55372

(13) All school districts shall comply with the 55373
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 55374

and exempted village school district shall comply with the 55376
requirements of that act governing the provision of a free, 55377
appropriate public education, including public preschool, to each 55378
homeless child. 55379

When a child loses permanent housing and becomes a homeless 55380
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 55381
such a homeless person changes temporary living arrangements, the 55382
child's parent or guardian shall have the option of enrolling the 55383
child in either of the following: 55384

(a) The child's school of origin, as defined in 42 U.S.C.A. 55385
11432(g)(3)(C); 55386

(b) The school that is operated by the school district in 55387
which the shelter where the child currently resides is located and 55388
that serves the geographic area in which the shelter is located. 55389

(14) A child under the age of twenty-two years who resides 55390
with a person other than the child's parent is entitled to attend 55391
school in the school district in which that person resides if both 55392
of the following apply: 55393

(a) That person has been appointed, through a military power 55394
of attorney executed under section 574(a) of the "National Defense 55395
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 55396

U.S.C. 1044b, or through a comparable document necessary to 55397
complete a family care plan, as the parent's agent for the care, 55398
custody, and control of the child while the parent is on active 55399
duty as a member of the national guard or a reserve unit of the 55400
armed forces of the United States or because the parent is a 55401
member of the armed forces of the United States and is on a duty 55402
assignment away from the parent's residence. 55403

(b) The military power of attorney or comparable document 55404
includes at least the authority to enroll the child in school. 55405

The entitlement to attend school in the district in which the 55406
parent's agent under the military power of attorney or comparable 55407
document resides applies until the end of the school year in which 55408
the military power of attorney or comparable document expires. 55409

(G) A board of education, after approving admission, may 55410
waive tuition for students who will temporarily reside in the 55411

request admission as foreign exchange students; 55414

(2) Residents or domiciliaries of the United States but not 55415
of Ohio who request admission as participants in an exchange 55416
program operated by a student exchange organization. 55417

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 55418
3327.04, and 3327.06 of the Revised Code, a child may attend 55419
school or participate in a special education program in a school 55420
district other than in the district where the child is entitled to 55421
attend school under division (B) of this section. 55422

(I)(1) Notwithstanding anything to the contrary in this 55423
section or section 3313.65 of the Revised Code, a child under 55424
twenty-two years of age may attend school in the school district 55425
in which the child, at the end of the first full week of October 55426
of the school year, was entitled to attend school as otherwise 55427

provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall continue to owe such tuition to the district for the child's attendance under division (I)(1) of this section for the lesser of the balance of the school year or the balance of the time that the child attends school in the district under division (I)(1) of this section.

(4) A pupil who may attend school in the district under 55460
division (I)(1) of this section shall be entitled to 55461
transportation services pursuant to an agreement between the 55462
district and the district in which the child or child's parent has 55463
relocated unless the districts have not entered into such 55464
agreement, in which case the child shall be entitled to 55465
transportation services in the same manner as a pupil attending 55466
school in the district under interdistrict open enrollment as 55467
described in division (H) of section 3313.981 of the Revised Code, 55468
regardless of whether the district has adopted an open enrollment 55469
policy as described in division (B)(1)(b) or (c) of section 55470
3313.98 of the Revised Code. 55471

(J) This division does not apply to a child receiving special 55472
education. 55473

A school district required to pay tuition pursuant to 55474
division (C)(2) or (3) of this section or section 3313.65 of the 55475
Revised Code shall have an amount deducted under division ~~(F)~~(C) 55476
of section 3317.023 of the Revised Code equal to its own tuition 55477
rate for the same period of attendance. A school district entitled 55478
to receive tuition pursuant to division (C)(2) or (3) of this 55479
section or section 3313.65 of the Revised Code shall have an 55480
amount credited under division ~~(F)~~(C) of section 3317.023 of the 55481
Revised Code equal to its own tuition rate for the same period of 55482
attendance. If the tuition rate credited to the district of 55483
attendance exceeds the rate deducted from the district required to 55484
pay tuition, the department of education shall pay the district of 55485
attendance the difference from amounts deducted from all 55486
districts' payments under division ~~(F)~~(C) of section 3317.023 of 55487
the Revised Code but not credited to other school districts under 55488
such division and from appropriations made for such purpose. The 55489
treasurer of each school district shall, by the fifteenth day of 55490
January and July, furnish the superintendent of public instruction 55491

a report of the names of each child who attended the district's 55492
schools under divisions (C)(2) and (3) of this section or section 55493
3313.65 of the Revised Code during the preceding six calendar 55494
months, the duration of the attendance of those children, the 55495
school district responsible for tuition on behalf of the child, 55496
and any other information that the superintendent requires. 55497

Upon receipt of the report the superintendent, pursuant to 55498
division ~~(F)~~(C) of section 3317.023 of the Revised Code, shall 55499
deduct each district's tuition obligations under divisions (C)(2) 55500
and (3) of this section or section 3313.65 of the Revised Code and 55501
pay to the district of attendance that amount plus any amount 55502
required to be paid by the state. 55503

(K) In the event of a disagreement, the superintendent of 55504
public instruction shall determine the school district in which 55505
the parent resides. 55506

(L) Nothing in this section requires or authorizes, or shall 55507
be construed to require or authorize, the admission to a public 55508
school in this state of a pupil who has been permanently excluded 55509
from public school attendance by the superintendent of public 55510
instruction pursuant to sections 3301.121 and 3313.662 of the 55511
Revised Code. 55512

(M) In accordance with division (B)(1) of this section, a 55513
child whose parent is a member of the national guard or a reserve 55514
unit of the armed forces of the United States and is called to 55515
active duty, or a child whose parent is a member of the armed 55516
forces of the United States and is ordered to a temporary duty 55517
assignment outside of the district, may continue to attend school 55518
in the district in which the child's parent lived before being 55519
called to active duty or ordered to a temporary duty assignment 55520
outside of the district, as long as the child's parent continues 55521
to be a resident of that district, and regardless of where the 55522
child lives as a result of the parent's active duty status or 55523

temporary duty assignment. However, the district is not 55524
responsible for providing transportation for the child if the 55525
child lives outside of the district as a result of the parent's 55526
active duty status or temporary duty assignment. 55527

Sec. 3313.6410. This section applies to any school that is 55528
operated by a school district and in which the enrolled students 55529
work primarily on assignments in nonclassroom-based learning 55530
opportunities provided via an internet- or other computer-based 55531
instructional method. 55532

(A) Any school to which this section applies shall withdraw 55533
from the school any student who, for two consecutive school years, 55534
has failed to participate in the spring administration of any 55535
assessment prescribed under section 3301.0710 or 3301.0712 of the 55536
Revised Code for the student's grade level and was not excused 55537
from the assessment pursuant to division (C)(1) or (3) of section 55538
3301.0711 of the Revised Code, regardless of whether a waiver was 55539
granted for the student under division (E) of section 3317.03 of 55540
the Revised Code. The school shall report any such student's data 55541
verification code, as assigned pursuant to section 3301.0714 of 55542
the Revised Code, to the department of education to be added to 55543
the list maintained by the department under section 3314.26 of the 55544
Revised Code. 55545

(B) No school to which this section applies shall receive any 55546
state funds under Chapter ~~3306.~~^{or} 3317. of the Revised Code for 55547
any enrolled student whose data verification code appears on the 55548
list maintained by the department under section 3314.26 of the 55549
Revised Code. Notwithstanding any provision of the Revised Code to 55550
the contrary, the parent of any such student shall pay tuition to 55551
the school district that operates the school in an amount equal to 55552
the state funds the district otherwise would receive for that 55553
student, as determined by the department. A school to which this 55554

section applies may withdraw any student for whom the parent does 55555
not pay tuition as required by this division. 55556

(2) A student shall be considered to be enrolled in a 57999
community school ~~during a school year~~ for the period of time 58000
beginning on the later of the date on which the school both has 58001
received documentation of the student's enrollment from a parent 58002

opportunities as defined in the contract with the sponsor, or 58004
thirty days prior to the date on which the student is entered into 58005
the education management information system established under 58006

and non-classroom-based learning opportunities and shall be in 58011

student's percentage of full-time equivalency based on the 58027

any period of twenty-four consecutive hours. Whether it reports 58035
hours or days of learning opportunities, each community school 58036
shall offer not less than nine hundred twenty hours of learning 58037

under division (L)(3) of this section, the department shall waive 58040
the number of hours or days of learning opportunities not offered 58041
to a student because the community school was closed during the 58042
school year due to disease epidemic, hazardous weather conditions, 58043
inoperability of school buses or other equipment necessary to the 58044
school's operation, damage to a school building, or other 58045
temporary circumstances due to utility failure rendering the 58046
school building unfit for school use, so long as the school was 58047
actually open for instruction with students in attendance during 58048
that school year for not less than the minimum number of hours 58049
required by this chapter. The department shall treat the school as 58050
if it were open for instruction with students in attendance during 58051
the hours or days waived under this division. 58052

(M) The department of education shall reduce the amounts paid 58053
under division (D) of this section to reflect payments made to 58054

colleges under division (B) of section 3365.07 of the Revised Code 58055
or through alternative funding agreements entered into under rules 58056
adopted under section 3365.12 of the Revised Code. 58057

internet- or computer-based community school or, if applicable to 58059
the student, in any community school that is required to provide 58060
the student with a computer pursuant to division (C) of section 58061
3314.22 of the Revised Code, unless both of the following 58062
conditions are satisfied: 58063

(a) The student possesses or has been provided with all 58064
required hardware and software materials and all such materials 58065
are operational so that the student is capable of fully 58066

contract between the school and the school's sponsor as required 58068
by division (A)(23) of section 3314.03 of the Revised Code; 58069

(b) The school is in compliance with division (A) of section 58070
3314.22 of the Revised Code, relative to such student. 58071

(2) In accordance with policies adopted jointly by the 58072
superintendent of public instruction and the auditor of state, the 58073
department shall reduce the amounts otherwise payable under 58074
division (D) of this section to any community school that includes 58075
in its program the provision of computer hardware and software 58076
materials to any student, if such hardware and software materials 58077
have not been delivered, installed, and activated for each such 58078
student in a timely manner or other educational materials or 58079
services have not been provided according to the contract between 58080
the individual community school and its sponsor. 58081

The superintendent of public instruction and the auditor of 58082
state shall jointly establish a method for auditing any community 58083
school to which this division pertains to ensure compliance with 58084
this section. 58085

The superintendent, auditor of state, and the governor shall jointly make recommendations to the general assembly for legislative changes that may be required to assure fiscal and academic accountability for such schools.

(O)(1) If the department determines that a review of a community school's enrollment is necessary, such review shall be completed and written notice of the findings shall be provided to the governing authority of the community school and its sponsor within ninety days of the end of the community school's fiscal year, unless extended for a period not to exceed thirty additional days for one of the following reasons:

(a) The department and the community school mutually agree to the extension.

(b) Delays in data submission caused by either a community school or its sponsor.

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is 58117
final. 58118

(3) If it is decided that the community school owes moneys to 58119
the state, the department shall deduct such amount from the 58120
school's future payments in accordance with guidelines issued by 58121
the superintendent of public instruction. 58122

(P) The department shall not subtract from a school 58123
district's state aid account under division (C) of this section 58124
and shall not pay to a community school under division (D) of this 58125
section any amount for any of the following: 58126

excused pursuant to division (C)(1) or (3) of that section, unless 58134
the superintendent of public instruction grants the student a 58135
waiver from the requirement to take the assessment and a parent is 58136
not paying tuition for the student pursuant to section 3314.26 of 58137
the Revised Code. The superintendent may grant a waiver only for 58138
good cause in accordance with rules adopted by the state board of 58139
education. 58140

(4) Any student who has attained the age of twenty-two years, 58141
except for veterans of the armed services whose attendance was 58142
interrupted before completing the recognized twelve-year course of 58143
the public schools by reason of induction or enlistment in the 58144
armed forces and who apply for enrollment in a community school 58145

classes described in division (A) or (B) of section 3317.014 of 58155
the Revised Code in which a student is enrolled. 58156

(2) "Formula ADM," "category one or two vocational education 58157
ADM," and "FTE basis" have the same meanings as in section 3317.02 58158
of the Revised Code. 58159

in a community school may simultaneously enroll in the 58166
career-technical program operated by the student's resident school 58167
district. On an FTE basis, the student's resident school district 58168
shall count the student in the category one or two vocational 58169

enrolled in the district's career-technical program and, 58171
accordingly, the department of education shall calculate funds 58172
under ~~Chapters 3306. and Chapter~~ Chapter 3317. for the district 58173
attributable to the student for the proportion of time the student 58174
attends the career-technical program. The community school shall 58175

student attends classes at the community school. "Full-time 58183
equivalency" for a community school student, as defined in 58184
division (L) of section 3314.08 of the Revised Code, does not 58185
apply to the student. 58186

Sec. 3314.088. ~~(A)~~ For purposes of applying sections 3314.08 58187

amount" as used in divisions (C)(2), (3), and (4) of that section. 58203

~~(3)(C)~~ Special education additional weighted funding shall be 58204
calculated by first grouping children with disabilities into the 58205
appropriate disability categories prescribed by section 3317.013 58206
of the Revised Code as amended by H.B. 153 of the 129th general 58207

sections to that district for fiscal year 2009. 58219

~~(6)(F)~~ A community school may receive all-day kindergarten 58220
payments under section 3314.13 of the Revised Code only for 58221

districts that actually received payment for all-day kindergarten 58226
for fiscal year 2009, the payments to community schools under 58227

school district's state education aid. For students entitled to 58229
attend school in such school districts that did not receive 58230
payment for all-day kindergarten for fiscal year 2009, the 58231
payments to community schools under section 3314.13 of the Revised 58232
Code shall be paid out of the funds appropriated under 58233

meaning as in section 3314.08 of the Revised Code. 58237

~~(B)~~ For purposes of applying section 3314.085 of the Revised 58238
Code to fiscal years 2010 and 2011, the minimum per pupil 58239
expenditure required for pupil instruction under that section is 58240
\$2,931, which equals the minimum amount required by that section 58241

~~for fiscal year 2009.~~ 58242

community school if the district board of education has entered 58245
into an agreement with the community school's governing authority 58246
that designates the community school as responsible for providing 58247
or arranging for the transportation of the district's native 58248
students to and from the community school. For any such agreement 58249
to be effective, it must be certified by the superintendent of 58250
public instruction as having met all of the following 58251
requirements: 58252

(1) It is submitted to the department of education by a 58253
deadline which shall be established by the department. 58254

(2) In accordance with divisions (C)(1) and (2) of this 58255
section, it specifies qualifications, such as residing a minimum 58256
distance from the school, for students to have their 58257
transportation provided or arranged. 58258

(3) The transportation provided by the community school is 58259
subject to all provisions of the Revised Code and all rules 58260
adopted under the Revised Code pertaining to pupil transportation. 58261

(4) The sponsor of the community school also has signed the 58262
agreement. 58263

(B)(1) For the school year that begins on July 1, 2007, a 58264
school district is not required to provide transportation for any 58265
native student enrolled in a community school, if the community 58266
school during the previous school year transported the students 58267
enrolled in the school or arranged for the students' 58268
transportation, even if that arrangement consisted of having 58269
parents transport their children to and from the school, but did 58270
not enter into an agreement to transport or arrange for 58271

transportation for those students under division (A) of this 58272
section, and if the governing authority of the community school by 58273
July 15, 2007, submits written notification to the district board 58274
of education stating that the governing authority is accepting 58275
responsibility for providing or arranging for the transportation 58276
of the district's native students to and from the community 58277
school. 58278

(2) For any school year subsequent to the school year that 58279
begins on July 1, 2007, a school district is not required to 58280
provide transportation for any native student enrolled in a 58281
community school if the governing authority of the community 58282
school, by the thirty-first day of January of the previous school 58283
year, submits written notification to the district board of 58284
education stating that the governing authority is accepting 58285
responsibility for providing or arranging for the transportation 58286
of the district's native students to and from the community 58287
school. If the governing authority of the community school has 58288
previously accepted responsibility for providing or arranging for 58289
the transportation of a district's native students to and from the 58290
community school, under division (B)(1) or (2) of this section, 58291
and has since relinquished that responsibility under division 58292
(B)(3) of this section, the governing authority shall not accept 58293
that responsibility again unless the district board consents to 58294
the governing authority's acceptance of that responsibility. 58295

(3) A governing authority's acceptance of responsibility 58296
under division (B)(1) or (2) of this section shall cover an entire 58297
school year, and shall remain in effect for subsequent school 58298
years unless the governing authority submits written notification 58299
to the district board that the governing authority is 58300
relinquishing the responsibility. However, a governing authority 58301
shall not relinquish responsibility for transportation before the 58302
end of a school year, and shall submit the notice relinquishing 58303

responsibility by the thirty-first day of January, in order to 58304
allow the school district reasonable time to prepare 58305
transportation for its native students enrolled in the school. 58306

(C)(1) A community school governing authority that enters 58307
into an agreement under division (A) of this section, or that 58308
accepts responsibility under division (B) of this section, shall 58309
provide or arrange transportation free of any charge for each of 58310
its enrolled students who is required to be transported under 58311
section 3327.01 of the Revised Code or who would otherwise be 58312
transported by the school district under the district's 58313
transportation policy. The governing authority shall report to the 58314
department of education the number of students transported or for 58315
whom transportation is arranged under this section in accordance 58316
with rules adopted by the state board of education. 58317

(2) The governing authority may provide or arrange 58318
transportation for any other enrolled student who is not eligible 58319
for transportation in accordance with division (C)(1) of this 58320
section and may charge a fee for such service up to the actual 58321
cost of the service. 58322

(3) Notwithstanding anything to the contrary in division 58323
(C)(1) or (2) of this section, a community school governing 58324
authority shall provide or arrange transportation free of any 58325
charge for any disabled student enrolled in the school for whom 58326
the student's individualized education program developed under 58327
Chapter 3323. of the Revised Code specifies transportation. 58328

(D)(1) If a school district board and a community school 58329
governing authority elect to enter into an agreement under 58330
division (A) of this section, the department of education shall 58331
make payments to the community school according to the terms of 58332
the agreement for each student actually transported under division 58333
(C)(1) of this section. 58334

If a community school governing authority accepts 58335
transportation responsibility under division (B) of this section, 58336
the department shall make payments to the community school for 58337
each student actually transported or for whom transportation is 58338
arranged by the community school under division (C)(1) of this 58339
section, calculated as follows: 58340

(a) For any fiscal year which the general assembly has 58341
specified that transportation payments to school districts be 58342
based on an across-the-board percentage of the district's payment 58343
for the previous school year, the per pupil payment to the 58344
community school shall be the following quotient: 58345

(i) The total amount calculated for the school district in 58346
which the child is entitled to attend school for student 58347
transportation other than transportation of children with 58348
disabilities; divided by 58349

(ii) The number of students included in the district's 58350
transportation ADM for the current fiscal year, as reported under 58351
division (B)(13) of section 3317.03 of the Revised Code, plus the 58352
number of students enrolled in the community school not counted in 58353
the district's transportation ADM who are transported under 58354
division (B)(1) or (2) of this section. 58355

(b) For any fiscal year which the general assembly has 58356
specified that the transportation payments to school districts be 58357
calculated in accordance with section ~~3306.12~~ 3317.0212 of the 58358
Revised Code and any rules of the state board of education 58359
implementing that section, the payment to the community school 58360
shall be the amount so calculated that otherwise would be paid to 58361
the school district in which the student is entitled to attend 58362
school by the method of transportation the district would have 58363
used. The community school, however, is not required to use the 58364
same method to transport that student. 58365

(c) Divisions (D)(1)(a) and (b) of this section do not apply to fiscal years 2012 and 2013. Rather, for each of those fiscal years, the per pupil payment to a community school for transporting a student shall be the total amount paid under former section 3306.12 of the Revised Code for fiscal year 2011 to the school district in which the child is entitled to attend school divided by that district's "qualifying ridership," as defined in that section for fiscal year 2011.

As used in this division "entitled to attend school" means entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(2) The department shall deduct the payment under division (D)(1) of this section from the state education aid, as defined in section 3314.08 of the Revised Code, and, if necessary, the payment under sections 321.14 and 323.156 of the Revised Code, that is otherwise paid to the school district in which the student enrolled in the community school is entitled to attend school. The department shall include the number of the district's native students for whom payment is made to a community school under division (D)(1) of this section in the calculation of the district's transportation payment under section ~~3306.12~~ 3317.0212 of the Revised Code and the operating appropriations act.

(3) A community school shall be paid under division (D)(1) of this section only for students who are eligible as specified in section 3327.01 of the Revised Code and division (C)(1) of this section, and whose transportation to and from school is actually provided, who actually utilized transportation arranged, or for whom a payment in lieu of transportation is made by the community school's governing authority. To qualify for the payments, the community school shall report to the department, in the form and manner required by the department, data on the number of students transported or whose transportation is arranged, the number of

miles traveled, cost to transport, and any other information 58398
requested by the department. 58399

(4) A community school shall use payments received under this 58400
section solely to pay the costs of providing or arranging for the 58401
transportation of students who are eligible as specified in 58402
section 3327.01 of the Revised Code and division (C)(1) of this 58403
section, which may include payments to a parent, guardian, or 58404
other person in charge of a child in lieu of transportation. 58405

(E) Except when arranged through payment to a parent, 58406
guardian, or person in charge of a child, transportation provided 58407
or arranged for by a community school pursuant to an agreement 58408
under this section is subject to all provisions of the Revised 58409
Code, and all rules adopted under the Revised Code, pertaining to 58410
the construction, design, equipment, and operation of school buses 58411
and other vehicles transporting students to and from school. The 58412
drivers and mechanics of the vehicles are subject to all 58413
provisions of the Revised Code, and all rules adopted under the 58414
Revised Code, pertaining to drivers and mechanics of such 58415
vehicles. The community school also shall comply with sections 58416
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 58417
of section 3327.16 of the Revised Code and, subject to division 58418
(C)(1) of this section, sections 3327.01 and 3327.02 of the 58419
Revised Code, as if it were a school district. 58420

Sec. 3314.10. (A)(1) The governing authority of any community 58421
school established under this chapter may employ teachers and 58422
nonteaching employees necessary to carry out its mission and 58423
fulfill its contract. 58424

(2) Except as provided under division (A)(3) of this section, 58425
employees hired under this section may organize and collectively 58426
bargain pursuant to Chapter 4117. of the Revised Code. 58427
Notwithstanding division (D)(1) of section 4117.06 of the Revised 58428

Code, a unit containing teaching and nonteaching employees 58429
employed under this section shall be considered an appropriate 58430
unit. As applicable, employment under this section is subject to 58431
either Chapter 3307. or 3309. of the Revised Code. 58432

(3) If a school is created by converting all or part of an 58433
existing public school rather than by establishment of a new 58434
start-up school, at the time of conversion, the employees of the 58435
governing authority community school shall remain part of any 58436
collective bargaining unit in which they were included immediately 58437
prior to the conversion and shall remain subject to any collective 58438
bargaining agreement for that unit in effect on the first day of 58439
July of the year in which the community school initially begins 58440
operation and shall be subject to any subsequent collective 58441
bargaining agreement for that unit, unless a petition is certified 58442
as sufficient under division (A)(6) of this section with regard to 58443
those employees. Any new employees of the community school 58444
governing authority shall also be included in the unit to which 58445
they would have been assigned had not the conversion taken place 58446
and shall be subject to the collective bargaining agreement for 58447
that unit unless a petition is certified as sufficient under 58448
division (A)(6) of this section with regard to those employees. 58449

Notwithstanding division (B) of section 4117.01 of the 58450
Revised Code, the board of education of a school district and not 58451
the governing authority of a community school shall be regarded, 58452
for purposes of Chapter 4117. of the Revised Code, as the "public 58453
employer" of the employees of a conversion community school 58454
subject to a collective bargaining agreement pursuant to division 58455
(A)(3) of this section unless a petition is certified under 58456
division (A)(6) of this section with regard to those employees. 58457
Only on and after the effective date of a petition certified as 58458
sufficient under division (A)(6) of this section shall division 58459
(A)(2) of this section apply to those employees of that community 58460

school and only on and after the effective date of that petition 58461
shall Chapter 4117. of the Revised Code apply to the governing 58462
authority of that community school with regard to those employees. 58463

(4) Notwithstanding sections 4117.03 to 4117.18 of the 58464
Revised Code and Section 4 of Amended Substitute Senate Bill No. 58465
133 of the 115th general assembly, the employees of a conversion 58466
community school who are subject to a collective bargaining 58467
agreement pursuant to division (A)(3) of this section shall cease 58468
to be subject to that agreement and all subsequent agreements 58469
pursuant to that division and shall cease to be part of the 58470
collective bargaining unit that is subject to that and all 58471
subsequent agreements, if a majority of the employees of that 58472
community school who are subject to that collective bargaining 58473
agreement sign and submit to the state employment relations board 58474
a petition requesting all of the following: 58475

(a) That all the employees of the community school who are 58476
subject to that agreement be removed from the bargaining unit that 58477
is subject to that agreement and be designated by the state 58478
employment relations board as a new and separate bargaining unit 58479
for purposes of Chapter 4117. of the Revised Code; 58480

(b) That the employee organization certified as the exclusive 58481
representative of the employees of the bargaining unit from which 58482
the employees are to be removed be certified as the exclusive 58483
representative of the new and separate bargaining unit for 58484
purposes of Chapter 4117. of the Revised Code; 58485

(c) That the governing authority of the community school be 58486
regarded as the "public employer" of these employees for purposes 58487
of Chapter 4117. of the Revised Code. 58488

(5) Notwithstanding sections 4117.03 to 4117.18 of the 58489
Revised Code and Section 4 of Amended Substitute Senate Bill No. 58490
133 of the 115th general assembly, the employees of a conversion 58491

community school who are subject to a collective bargaining 58492
agreement pursuant to division (A)(3) of this section shall cease 58493
to be subject to that agreement and all subsequent agreements 58494
pursuant to that division, shall cease to be part of the 58495
collective bargaining unit that is subject to that and all 58496
subsequent agreements, and shall cease to be represented by any 58497
exclusive representative of that collective bargaining unit, if a 58498
majority of the employees of the community school who are subject 58499
to that collective bargaining agreement sign and submit to the 58500
state employment relations board a petition requesting all of the 58501
following: 58502

(a) That all the employees of the community school who are 58503
subject to that agreement be removed from the bargaining unit that 58504
is subject to that agreement; 58505

(b) That any employee organization certified as the exclusive 58506
representative of the employees of that bargaining unit be 58507
decertified as the exclusive representative of the employees of 58508
the community school who are subject to that agreement; 58509

(c) That the governing authority of the community school be 58510
regarded as the "public employer" of these employees for purposes 58511
of Chapter 4117. of the Revised Code. 58512

(6) Upon receipt of a petition under division (A)(4) or (5) 58513
of this section, the state employment relations board shall check 58514
the sufficiency of the signatures on the petition. If the 58515
signatures are found sufficient, the board shall certify the 58516
sufficiency of the petition and so notify the parties involved, 58517
including the board of education, the governing authority of the 58518
community school, and any exclusive representative of the 58519
bargaining unit. The changes requested in a certified petition 58520
shall take effect on the first day of the month immediately 58521
following the date on which the sufficiency of the petition is 58522
certified under division (A)(6) of this section. 58523

(B)(1) The board of education of each city, local, and 58524
exempted village school district sponsoring a community school and 58525
the governing board of each educational service center in which a 58526
community school is located shall adopt a policy that provides a 58527
leave of absence of at least three years to each teacher or 58528
nonteaching employee of the district or service center who is 58529
employed by a conversion or new start-up community school 58530
sponsored by the district or located in the district or center for 58531
the period during which the teacher or employee is continuously 58532
employed by the community school. The policy shall also provide 58533
that any teacher or nonteaching employee may return to employment 58534
by the district or service center if the teacher or employee 58535
leaves or is discharged from employment with the community school 58536
for any reason, unless, in the case of a teacher, the board of the 58537
district or service center determines that the teacher was 58538
discharged for a reason for which the board would have sought to 58539
discharge the teacher under section 3319.16 of the Revised Code, 58540
in which case the board may proceed to discharge the teacher 58541
utilizing the procedures of that section. Upon termination of such 58542
a leave of absence, any seniority that is applicable to the person 58543
shall be calculated to include all of the following: all 58544
employment by the district or service center prior to the leave of 58545
absence; all employment by the community school during the leave 58546
of absence; and all employment by the district or service center 58547
after the leave of absence. The policy shall also provide that if 58548
any teacher holding valid certification returns to employment by 58549
the district or service center upon termination of such a leave of 58550
absence, the teacher shall be restored to the previous position 58551
and salary or to a position and salary similar thereto. If, as a 58552
result of teachers returning to employment upon termination of 58553
such leaves of absence, a school district or educational service 58554
center reduces the number of teachers it employs, it shall make 58555
such reductions in accordance with section ~~3319.17~~ or, if 58556

~~applicable,~~ 3319.171 of the Revised Code. 58557

Unless a collective bargaining agreement providing otherwise 58558
is in effect for an employee of a conversion community school 58559
pursuant to division (A)(3) of this section, an employee on a 58560
leave of absence pursuant to this division shall remain eligible 58561
for any benefits that are in addition to benefits under Chapter 58562
3307. or 3309. of the Revised Code provided by the district or 58563
service center to its employees provided the employee pays the 58564
entire cost associated with such benefits, except that personal 58565
leave and vacation leave cannot be accrued for use as an employee 58566
of a school district or service center while in the employ of a 58567
community school unless the district or service center board 58568
adopts a policy expressly permitting this accrual. 58569

(2) While on a leave of absence pursuant to division (B)(1) 58570
of this section, a conversion community school shall permit a 58571
teacher to use sick leave accrued while in the employ of the 58572
school district from which the leave of absence was taken and 58573
prior to commencing such leave. If a teacher who is on such a 58574
leave of absence uses sick leave so accrued, the cost of any 58575
salary paid by the community school to the teacher for that time 58576
shall be reported to the department of education. The cost of 58577
employing a substitute teacher for that time shall be paid by the 58578
community school. The department of education shall add amounts to 58579
the payments made to a community school under this chapter as 58580
necessary to cover the cost of salary reported by a community 58581
school as paid to a teacher using sick leave so accrued pursuant 58582
to this section. The department shall subtract the amounts of any 58583
payments made to community schools under this division from 58584
payments made to such sponsoring school district under ~~Chapters~~ 58585
~~3306. and Chapter~~ Chapter 3317. of the Revised Code. 58586

A school district providing a leave of absence and employee 58587
benefits to a person pursuant to this division is not liable for 58588

any action of that person while the person is on such leave and 58589
employed by a community school. 58590

Sec. 3314.13. Payments and deductions under this section for 58591
fiscal years ~~2010~~ 2012 and ~~2011~~ 2013 shall be made in accordance 58592
with section 3314.088 of the Revised Code. 58593

(A) As used in this section: 58594

(1) "All-day kindergarten" has the same meaning as in section 58595
3317.029 of the Revised Code. 58596

(2) "Formula amount" has the same meaning as in section 58597
3317.02 of the Revised Code. 58598

(B) Except as provided in division (C) of this section, the 58599
department of education annually shall pay each community school 58600
established under this chapter one-half of the formula amount for 58601
each student to whom both of the following apply: 58602

(1) The student is entitled to attend school under section 58603
3313.64 or 3313.65 of the Revised Code in a school district that 58604
is eligible to receive a payment under division (D) of section 58605
3317.029 of the Revised Code if it provides all-day kindergarten; 58606

(2) The student is reported by the community school as 58607
enrolled in all-day kindergarten at the community school. 58608

(C) The department shall make no payments under this section 58609
to any internet- or computer-based community school. 58610

(D) If a student for whom payment is made under division (B) 58611
of this section is entitled to attend school in a district that 58612
receives any payment for all-day kindergarten under division (D) 58613
of section 3317.029 of the Revised Code, the department shall 58614
deduct the payment to the community school under this section from 58615
the amount paid that school district under that division. If that 58616
school district does not receive payment for all-day kindergarten 58617
under that division because it does not provide all-day 58618

kindergarten, the department shall pay the community school from 58619
state funds appropriated generally for poverty-based assistance to 58620
school districts. 58621

(E) The department shall adjust the amounts deducted from 58622
school districts and paid to community schools under this section 58623
to reflect any enrollments of students in all-day kindergarten in 58624
community schools for less than the equivalent of a full school 58625
year. 58626

Sec. 3314.19. The sponsor of each community school annually 58627
shall provide the following assurances in writing to the 58628
department of education not later than ten business days prior to 58629
the opening of the school: 58630

(A) That a current copy of the contract between the sponsor 58631
and the governing authority of the school entered into under 58632
section 3314.03 of the Revised Code has been filed with the ~~state~~ 58633
~~office of community schools established under section 3314.11 of~~ 58634
~~the Revised Code~~ department and that any subsequent modifications 58635
to that contract will be filed with the ~~office~~ department; 58636

(B) That the school has submitted to the sponsor a plan for 58637
providing special education and related services to students with 58638
disabilities and has demonstrated the capacity to provide those 58639
services in accordance with Chapter 3323. of the Revised Code and 58640
federal law; 58641

(C) That the school has a plan and procedures for 58642
administering the achievement and diagnostic assessments 58643
prescribed by sections 3301.0710, 3301.0712, and 3301.0715 of the 58644
Revised Code; 58645

(D) That school personnel have the necessary training, 58646
knowledge, and resources to properly use and submit information to 58647
all databases maintained by the department for the collection of 58648

education data, including the education management information system established under section 3301.0714 of the Revised Code in accordance with methods and timelines established under section 3314.17 of the Revised Code;

(E) That all required information about the school has been submitted to the Ohio education directory system or any successor system;

In no case shall an internet- or computer-based community school provide a stipend or other substitute to an enrolled child or the child's parent in lieu of supplying a computer to the child. The prohibition contained in the preceding sentence is intended to clarify the meaning of this division as it existed prior to September 29, 2005, and is not intended to change that meaning in any way.	58690 58691 58692 58693 58694 58695 58696 58697 58698 58699 58700

the child in the child's residence with sufficient hardware, 58721
software, programming, and connectivity so that the child may 58722
fully participate in all of the learning opportunities offered to 58723
the child by the school. The parent may amend the decision to 58724

computer-based community school provides any of its enrolled 58750
students with nonclassroom-based learning opportunities provided 58751

opportunities from their residences, the school shall be subject 58754
to this section and division (C)(1) of section 3314.21 of the 58755

financing charges, and other terms of agreements under which the 59072
debt originally was contracted, at the discretion of the 59073
commission, provided that any loans received pursuant to section 59074
3313.483 of the Revised Code shall be paid from funds the district 59075
would otherwise receive under Chapter ~~3306~~. 3317. of the Revised 59076

restructuring or refinancing the debt shall be repaid in equal 59079
payments and at equal intervals over the term of the debt and are 59080
not eligible to be included in any subsequent proposal for the 59081

either approve or disapprove it within thirty calendar days from 59091
the date of its submission. If the plan is disapproved, the state 59092
superintendent shall recommend modifications that will render it 59093
acceptable. No financial planning and supervision commission shall 59094
implement a financial recovery plan that is adopted or updated on 59095
or after April 10, 2001, unless the state superintendent has 59096
approved it. 59097

Sec. 3316.08. During a school district's fiscal emergency 59098
period, the auditor of state shall determine annually, or at any 59099
other time upon request of the financial planning and supervision 59100
commission, whether the school district will incur an operating 59101
deficit. If the auditor of state determines that a school district 59102
will incur an operating deficit, the auditor of state shall 59103
certify that determination to the superintendent of public 59104
instruction, the financial planning and supervision commission, 59105
and the board of education of the school district. Upon receiving 59106
the auditor of state's certification, the commission shall adopt a 59107
resolution requesting that the board of education work with the 59108

county auditor or tax commissioner to estimate the amount and rate 59109
of a tax levy that is needed under section 5705.194, 5709.199, or 59110
5705.21 or Chapter 5748. of the Revised Code to produce a positive 59111
fund balance not later than the fifth year of the five-year 59112
forecast submitted under section 5705.391 of the Revised Code. 59113

The board of education shall recommend to the commission 59114
whether the board supports or opposes a tax levy under section 59115
5705.194, 5709.199, or 5705.21 or Chapter 5748. of the Revised 59116
Code and shall provide supporting documentation to the commission 59117
of its recommendation. 59118

After considering the board of education's recommendation and 59119
supporting documentation, the commission shall adopt a resolution 59120
to either submit a ballot question proposing a tax levy or not to 59121
submit such a question. 59122

Except as otherwise provided in this division, the tax shall 59123
be levied in the manner prescribed for a tax levied under section 59124
5705.194, 5709.199, or 5705.21 or under Chapter 5748. of the 59125
Revised Code. If the commission decides that a tax should be 59126
levied, the tax shall be levied for the purpose of paying current 59127
operating expenses of the school district. The rate of a property 59128
tax levied under section 5705.194, 5709.199, ~~or~~ 5705.21, or 59129
5748.09 of the Revised Code shall be determined by the county 59130

commission. The commission, in consultation with the board of 59134
education, shall determine the election at which the question of 59135
the tax shall appear on the ballot, and the commission shall 59136
submit a copy of its resolution to the board of elections not 59137
later than ninety days prior to the day of that election. The 59138
board of elections conducting the election shall certify the 59139
results of the election to the board of education and to the 59140

financial planning and supervision commission. 59141

Sec. 3316.20. (A)(1) The school district solvency assistance 59142
fund is hereby created in the state treasury, to consist of such 59143
amounts designated for the purposes of the fund by the general 59144
assembly. The fund shall be used to provide assistance and grants 59145
to school districts to enable them to remain solvent and to pay 59146
unforeseeable expenses of a temporary or emergency nature that 59147
they are unable to pay from existing resources. 59148

(2) There is hereby created within the fund an account known 59149
as the school district shared resource account, which shall 59150
consist of money appropriated to it by the general assembly. The 59151
money in the account shall be used solely for solvency assistance 59152
to school districts that have been declared under division (B) of 59153
section 3316.03 of the Revised Code to be in a state of fiscal 59154
emergency. 59155

(3) There is hereby created within the fund an account known 59156
as the catastrophic expenditures account, which shall consist of 59157
money appropriated to the account by the general assembly plus all 59158
investment earnings of the fund. Money in the account shall be 59159
used solely for the following: 59160

(a) Solvency assistance to school districts that have been 59161
declared under division (B) of section 3316.03 of the Revised Code 59162
to be in a state of fiscal emergency, in the event that all money 59163
in the shared resource account is utilized for solvency 59164
assistance; 59165

(b) Grants to school districts under division (C) of this 59166
section. 59167

(B) Solvency assistance payments under division (A)(2) or 59168
(3)(a) of this section shall be made from the fund by the 59169
superintendent of public instruction in accordance with rules 59170

adopted by the director of budget and management, after consulting 59171
with the superintendent, specifying approval criteria and 59172
procedures necessary for administering the fund. 59173

The fund shall be reimbursed for any solvency assistance 59174
amounts paid under division (A)(2) or (3)(a) of this section not 59175
later than the end of the ~~second~~ fourth fiscal year following the 59176
fiscal year in which the solvency assistance payment was made, 59177
except that the fund may be reimbursed not later than the end of 59178
the tenth fiscal year following the fiscal year in which the 59179
solvency assistance payment was made upon the approval of the 59180
director of budget and management and the superintendent of public 59181
instruction. If not made directly by the school district, such 59182
reimbursement shall be made by the director of budget and 59183
management from the amounts the school district would otherwise 59184
receive pursuant to Chapter ~~3306-~~ 3317. of the Revised Code, or 59185
from any other funds appropriated for the district by the general 59186
assembly. Reimbursements shall be credited to the respective 59187
account from which the solvency assistance paid to the district 59188
was deducted. 59189

(C) The superintendent of public instruction may make 59190
recommendations, and the controlling board may grant money from 59191
the catastrophic expenditures account to any school district that 59192
suffers an unforeseen catastrophic event that severely depletes 59193
the district's financial resources. The superintendent shall make 59194
recommendations for the grants in accordance with rules adopted by 59195
the director of budget and management, after consulting with the 59196
superintendent. A school district shall not be required to repay 59197
any grant awarded to the district under this division, unless the 59198
district receives money from this state or a third party, 59199
including an agency of the government of the United States, 59200
specifically for the purpose of compensating the district for 59201
revenue lost or expenses incurred as a result of the unforeseen 59202

catastrophic event. If a school district receives a grant from the 59203
catastrophic expenditures account on the basis of the same 59204
circumstances for which an adjustment or recomputation is 59205
authorized under section 3317.025, 3317.026, 3317.027, 3317.028, 59206
3317.0210, or 3317.0211 of the Revised Code, the department of 59207
education shall reduce the adjustment or recomputation by an 59208
amount not to exceed the total amount of the grant, and an amount 59209
equal to the reduction shall be transferred, from the funding 59210
source from which the adjustment or recomputation would be paid, 59211
to the catastrophic expenditures account. Any adjustment or 59212
recomputation under such sections that is in excess of the total 59213
amount of the grant shall be paid to the school district. 59214

Sec. 3316.21. (A) If a school district has been declared to 59215
be in a state of fiscal emergency by the auditor of state under 59216
section 3316.03 of the Revised Code, and if the auditor of state 59217
has further determined upon examination of the district's 59218
financial recovery plan that implementing that plan cannot 59219
reasonably be expected to correct and eliminate all of the 59220
district's fiscal emergency conditions within five fiscal years,
the auditor of state shall notify the superintendent of public 59221
instruction of that determination. 59222
59223

(B) Not later than ninety days after the state superintendent 59224
receives the auditor of state's notification under division (A) of 59225
this section, the state superintendent shall develop an operations 59226
plan for the district and submit that plan to the state board of 59227
education for approval. Upon approval of the plan, the state board 59228
shall suspend the charter of the district and shall take over the 59229
operation of the district. The state board shall continue to 59230
operate the school district until such time as the district's 59231
board and its financial planning and supervision commission submit 59232
an acceptable financial recovery plan to the state superintendent 59233
and the auditor of state has determined that the district does 59234

have a plan that can reasonably be expected to correct and 59235
eliminate the district's fiscal emergency conditions within five 59236
fiscal years. 59237

(C) While the state board is operating the district, all of 59238
the following apply: 59239

school district board under the Revised Code for management and 59241
control of the schools of the district, except for the power to 59242
propose property tax or school district income tax levies under 59243
Title LVII of the Revised Code, and shall carry out such powers in 59244
the place of the district board. 59245

(2) Subject to approval of the state board, the district 59246
board shall continue to propose tax levies necessary to operate 59247
the district and to resolve the district's fiscal emergency 59248
conditions. 59249

(3) Employees and officers of the district shall be deemed 59250
employees of the state board. 59251

(4) The state board may delegate any management and control 59252
functions of the district to the district's financial planning and 59253
supervision commission. 59254

(5) The state board shall not revoke the charter of the 59255
district or transfer its territory to other districts. 59256

This chapter shall be administered by the state board of 59262
education. The superintendent of public instruction shall 59263
calculate the amounts payable to each school district and shall 59264

certify the amounts payable to each eligible district to the treasurer of the district as provided by this chapter. As soon as possible after such amounts are calculated, the superintendent shall certify to the treasurer of each school district the district's adjusted charge-off increase, as defined in section 5705.211 of the Revised Code. No moneys shall be distributed pursuant to this chapter without the approval of the controlling board.

The state board of education shall, in accordance with appropriations made by the general assembly, meet the financial obligations of this chapter.

Moneys distributed pursuant to this chapter shall be calculated and paid on a fiscal year basis, beginning with the first day of July and extending through the thirtieth day of June. The moneys appropriated for each fiscal year shall be distributed periodically to each school district unless otherwise provided for. ~~The state board, in June of each year, shall submit a yearly distribution plan to the controlling board at its first meeting in July. The state board shall submit any proposed midyear revision of the plan to the controlling board in January. Any year end revision of the plan shall be submitted to the controlling board in June. If moneys appropriated for each fiscal year are distributed other than monthly, such distribution shall be on the same basis for each school district the state board's year-end distributions pursuant to this chapter.~~

3317.021 of the Revised Code. 59303

(B) The school year next preceding the fiscal year for which 59304
such payments are authorized meets the requirement of section 59305
3313.48 or 3313.481 of the Revised Code, with regard to the 59306
minimum number of days or hours school must be open for 59307
instruction with pupils in attendance, for individualized 59308
parent-teacher conference and reporting periods, and for 59309
professional meetings of teachers. This requirement shall be 59310
waived by the superintendent of public instruction if it had been 59311
necessary for a school to be closed because of disease epidemic, 59312
hazardous weather conditions, inoperability of school buses or 59313
other equipment necessary to the school's operation, damage to a 59314
school building, or other temporary circumstances due to utility 59315
failure rendering the school building unfit for school use, 59316

because schools were open for instruction but either twelfth grade 59333
students were excused from attendance for up to three days or only 59334
a portion of the kindergarten students were in attendance for up 59335
to three days in order to allow for the gradual orientation to 59336
school of such students. 59337

withhold approval. 59834

(g) The portion of school district compensation value that 59835
was exempted from taxation for the preceding tax year under such 59836
an ordinance or resolution, if the ordinance or resolution is 59837
adopted prior to January 1, 2006, and if service payments have 59838
been pledged to be used for mixed-use riverfront entertainment 59839
development in any county with a population that exceeds six 59840
hundred thousand, as shown by the most recent federal decennial 59841
census; 59842

(h) The portion of school district compensation value that 59843
was exempted from taxation for the preceding tax year under such 59844
an ordinance or resolution, if, prior to January 1, 2006, the 59845
legislative authority of a municipal corporation, board of 59846
township trustees, or board of county commissioners has pledged 59847

Chapter 5512. of the Revised Code; 59850

(i) The portion of school district compensation value that 59851

was exempted from taxation for the preceding tax year under such 59852
an ordinance or resolution if the legislative authority of a 59853
municipal corporation, board of township trustees, or board of 59854
county commissioners have, by January 1, 2006, pledged proceeds 59855
for designated transportation improvement projects that involve 59856
federal funds for which the proceeds are used to meet a local 59857
share match requirement for such funding. 59858

As used in division (A)(6) of this section, "project" has the 59859
same meaning as in section 5709.40 of the Revised Code. 59860

(7) The aggregate value of real property in the school 59861

preceding tax year under section 5713.08 of the Revised Code and 59867
as if such property had been assessed for taxation that year, 59868
minus the product determined by multiplying (a) the aggregate 59869
value of the real property in the school district exempted from 59870
taxation for the preceding tax year under any of the chapters or 59871
sections specified in this division, by (b) a fraction, the 59872
numerator of which is the difference between (i) the amount of 59873
anticipated revenue such school district would have received for 59874
the preceding tax year if the real property exempted from taxation 59875
had not been exempted from taxation and (ii) the aggregate amount 59876
of payments in lieu of taxes on the exempt real property for the 59877
preceding tax year and other compensation received for the 59878
preceding tax year by the school district pursuant to any 59879
agreements entered into on or after January 1, 2006, under section 59880
5709.82 of the Revised Code between the school district and the 59881
legislative authority of a political subdivision that acted under 59882
the authority of a chapter or statute specified in this division, 59883

that were entered into in relation to such exemption, and the 59884
denominator of which is the amount of anticipated revenue such 59885
school district would have received in the preceding fiscal year 59886
if the real property exempted from taxation had not been exempted. 59887

(B) On or before the first day of May each year, the tax 59888
commissioner shall certify to the department of education and the 59889
office of budget and management the total taxable real property 59890
value of railroads and, separately, the total taxable tangible 59891
personal property value of all public utilities for the preceding 59892
tax year, by school district and by county of location. 59893

(C) If a public utility has properly and timely filed a 59894
petition for reassessment under section 5727.47 of the Revised 59895
Code with respect to an assessment issued under section 5727.23 of 59896
the Revised Code affecting taxable property apportioned by the tax 59897
commissioner to a school district, the taxable value of public 59898
utility tangible personal property included in the certification 59899
under divisions (A)(2) and (B) of this section for the school 59900
district shall include only the amount of taxable value on the 59901

as provided in division (B)(1) or (2) of section 5727.47 of the 59903
Revised Code. 59904

(D) If on the basis of the information certified under 59905
division (A) of this section, the department determines that any 59906
district fails in any year to meet the qualification requirement 59907
specified in ~~division (A)(1) of section 3306.01~~ and division (A) 59908
of section 3317.01 of the Revised Code, the department shall 59909
immediately request the tax commissioner to determine the extent 59910
to which any school district income tax levied by the district 59911
under Chapter 5748. of the Revised Code shall be included in 59912
meeting that requirement. Within five days of receiving such a 59913
request from the department, the tax commissioner shall make the 59914
determination required by this division and report the quotient 59915

obtained under division (D)(3) of this section to the department 59916
and the office of budget and management. This quotient represents 59917
the number of mills that the department shall include in 59918
determining whether the district meets the qualification 59919
requirement of ~~division (A)(1) of section 3306.01~~ and division (A) 59920

The tax commissioner shall make the determination required by 59922
this division as follows: 59923

district as determined in divisions (A)(1) and (2) of this 59925
section; 59926

(2) Estimate the total amount of tax liability for the 59927
current tax year under taxes levied by Chapter 5748. of the 59928

the district, excluding any income tax receipts allocated for the 59930
project cost, debt service, or maintenance set-aside associated 59931
with a state-assisted classroom facilities project as authorized 59932
by section 3318.052 of the Revised Code; 59933

(3) Divide the amount estimated under division (D)(2) of this 59934
section by the product obtained under division (D)(1) of this 59935
section. 59936

(E)(1) On or before June 1, 2006, and the first day of April 59937
of each year thereafter, the director of development shall report 59938
to the department of education, the tax commissioner, and the 59939
director of budget and management the total amounts of payments 59940

division (D) of section 5709.40, division (D) of section 5709.73, 59943
division (C) of section 5709.78, or division (B)(1), (B)(2), (C), 59944

year thereafter, the treasurer of each city, local, exempted 59953
village, or joint vocational school district that has entered into 59954
such an agreement shall report to the director of development the 59955
total amounts of such payments the district received for the 59956
preceding tax year as provided in this section. The state board of 59957
education, in accordance with sections 3319.31 and 3319.311 of the 59958
Revised Code, may suspend or revoke the license of a treasurer 59959
found to have willfully reported erroneous, inaccurate, or 59960
incomplete data under this division. 59961

(2) On or before April 1, 2007, and the first day of April of 59962
each year thereafter, the director of development shall report to 59963
the department of education, the tax commissioner, and the 59964
director of budget and management the total amounts of payments 59965
received by each city, local, exempted village, or joint 59966
vocational school district for the preceding tax year pursuant to 59967
divisions (B), (C), and (D) of section 5709.82 of the Revised Code 59968
in relation to exemptions from taxation granted pursuant to 59969
ordinances or resolutions adopted on or after January 1, 2006, 59970
under Chapter 725. or 1728., sections 3735.65 to 3735.70, or 59971
section 5709.62, 5709.63, 5709.632, 5709.84, or 5709.88 of the 59972
Revised Code. On or before March 1, 2007, and the first day of 59973
March of each year thereafter, the treasurer of each city, local, 59974
exempted village, or joint vocational school district that has 59975
entered into such an agreement shall report to the director of 59976
development the total amounts of such payments the district 59977
received for the preceding tax year as provided by this section. 59978
The state board of education, in accordance with sections 3319.31 59979

and 3319.311 of the Revised Code, may suspend or revoke the 59980

calendar year in which the fiscal year begins, according to the 59987
following formula: 59988

{[the formula amount X (formula ADM + 59989

[.023 x (the sum of recognized valuation 59994
and property exemption value)] + 59995
the amounts calculated for the district under 59996
sections 3317.029 and 3317.0217 of the Revised Code 59997

If the difference obtained is a negative number, the 59998
district's computation shall be zero. 59999

(2)(a) For each school district for which the tax exempt 60000
value of the district equals or exceeds twenty-five per cent of 60001
the potential value of the district, the department of education 60002
shall calculate the difference between the district's tax exempt 60003
value and twenty-five per cent of the district's potential value. 60004

(b) For each school district to which division (A)(2)(a) of 60005
this section applies, the department shall adjust the recognized 60006
valuation used in the calculation under division (A)(1) of this 60007
section by subtracting from it the amount calculated under 60008
division (A)(2)(a) of this section. 60009

section. 60148

~~(D)(1) As used in this division:~~ 60149

~~(a) "Daily bus miles per student" equals the number of bus 60150
miles traveled per day, divided by transportation base. 60151~~

~~(b) "Transportation base" equals total student count as 60152
defined in section 3301.011 of the Revised Code, minus the number 60153
of students enrolled in units for preschool children with 60154
disabilities, plus the number of nonpublic school students 60155

~~(c) "Transported student percentage" equals transportation 60157
ADM divided by transportation base. 60158~~

~~(d) "Transportation cost per student" equals total operating 60159
costs for board owned or contractor operated school buses divided 60160
by transportation base. 60161~~

~~(2) Analysis of student transportation cost data has resulted 60162~~

~~in a finding that an average efficient transportation use cost per student can be calculated by means of a regression formula that has as its two independent variables the number of daily bus miles per student and the transported student percentage. For fiscal year 1998 transportation cost data, the average efficient transportation use cost per student is expressed as follows:~~

$$\begin{aligned} & \del{51.79027 + (139.62626 \times \text{daily bus miles per student}) +} \\ & \del{(116.25573 \times \text{transported student percentage})} \end{aligned}$$

~~The department of education shall annually determine the average efficient transportation use cost per student in accordance with the principles stated in division (D)(2) of this section, updating the intercept and regression coefficients of the regression formula modeled in this division, based on an annual statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported student percentage, and transportation cost per student data, from the prior fiscal year. The department shall notify the office of budget and management of such update by the fifteenth day of February of each year.~~

~~(3) In addition to funds paid under divisions (A), (C), and (E) of this section, each district with a transported student percentage greater than zero shall receive a payment equal to a percentage of the product of the district's transportation base from the prior fiscal year times the annually updated average efficient transportation use cost per student, times an inflation factor of two and eight tenths per cent to account for the one year difference between the data used in updating the formula and calculating the payment and the year in which the payment is made. The percentage shall be the following percentage of that product specified for the corresponding fiscal year:~~

FISCAL YEAR	PERCENTAGE	
2000	52.5%	60196
2001	55%	60197
2002	57.5%	60198
2003 and thereafter	The greater of 60% or the district's state share percentage	60199

~~The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula.~~ 60200
60201
60202

~~(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply:~~ 60203
60204

60207
60208

~~(b) Its district student density is lower than the statewide student density, as those terms are defined in that division.~~ 60209
60210

~~(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula:~~ 60211
60212
60213

~~(per rough mile subsidy X total rough road miles)
X density multiplier~~ 60214
60215

~~where:~~ 60216

~~(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula:~~ 60217
60218

~~$0.75 \times \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$~~ 60219
60220
60221

~~(i) "Maximum rough road percentage" means the highest county rough road percentage in the state.~~ 60222
60223

~~(ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost of doing business factor.~~

~~(iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the department of transportation.~~

~~(b) "Total rough road miles" means a school district's total bus miles traveled in one year times its county rough road percentage.~~

~~(c) "Density multiplier" means a figure calculated in accordance with the following formula:~~

$$1 - \left[\frac{\text{minimum student density} - \text{district student density}}{\text{minimum student density} - \text{statewide student density}} \right]$$

~~(i) "Minimum student density" means the lowest district student density in the state.~~

~~(ii) "District student density" means a school district's transportation base divided by the number of square miles in the district.~~

~~(iii) "Statewide student density" means the sum of the transportation bases for all school districts divided by the sum of the square miles in all school districts.~~

~~(6) In addition to funds paid under divisions (D)(2) to (5) of this section, each district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than board owned or~~

~~contractor operated buses and whose transportation is not funded~~ 60255
~~under division (G) of section 3317.024 of the Revised Code. The~~ 60256
~~rules shall include provisions for school district reporting of~~ 60257
~~such students.~~ 60258

~~(E)(1)~~ The department shall compute and distribute state 60259
vocational education additional weighted costs funds to each 60260
school district in accordance with the following formula: 60261

state share percentage X 60262
the formula amount X 60263
total vocational education weight 60264

In any fiscal year, a school district receiving funds under 60265
division ~~(E)~~(D)(1) of this section shall spend those funds only 60266
for the purposes that the department designates as approved for 60267

fiscal year by the aggregate miles driven for school bus service 60923
in those districts in the previous fiscal year. 60924

(E) The department shall calculate each city, local, and 60925
exempted village school district's transportation base payment as 60926

the district's total number of miles driven for school bus service 60931
in the current fiscal year. 60932

adjustment according to the following formula: 60939

(nontraditional ridership for the current fiscal year / 60940
qualifying ridership for the current fiscal year) X 0.1 X 60941
transportation base payment 60942

(G) If a city, local, ~~and~~ or exempted village school district 60943
offers school bus service to all resident students who are 60944
enrolled in regular education in district schools in grades nine 60945

other districts. The department shall post on the department's web 60964
site each district's target number of qualifying riders per 60965
assigned bus and a description of how the target number was 60966

~~(a) The district qualifies for the calculation of a payment 61014
under division (J) of this section because it transports students 61015
on board owned or contractor owned school buses. 61016~~

prescribed in section 3317.0217 of the Revised Code, is at or 61018
below the median local wealth per pupil of all districts that 61019
qualify for calculation of a payment under division (J) of this 61020
section. 61021~~

~~(c) The district's rider density is at or below the median 61022
rider density of all districts that qualify for calculation of a 61023
payment under division (J) of this section. 61024~~

(E) In each school of each city, local, exempted village, joint vocational, and cooperative education school district there shall be maintained a record of school membership, which record shall accurately show, for each day the school is in session, the actual membership enrolled in regular day classes. For the purpose of determining average daily membership, the membership figure of any school shall not include any pupils except those pupils described by division (A) of this section. The record of membership for each school shall be maintained in such manner that no pupil shall be counted as in membership prior to the actual date of entry in the school and also in such manner that where for

any cause a pupil permanently withdraws from the school that pupil 61432

armed forces and who apply for reenrollment in the public school 61448
system of their residence not later than four years after 61449
termination of war or their honorable discharge. 61450

If, however, any veteran described by division (E)(4) of this 61451
section elects to enroll in special courses organized for veterans 61452
for whom tuition is paid under the provisions of federal laws, or 61453
otherwise, that veteran shall not be included in average daily 61454
membership. 61455

Notwithstanding division (E)(3) of this section, the 61456
membership of any school may include a pupil who did not take an 61457
assessment required by section 3301.0711 of the Revised Code if 61458
the superintendent of public instruction grants a waiver from the 61459
requirement to take the assessment to the specific pupil and a 61460
parent is not paying tuition for the pupil pursuant to section 61461
3313.6410 of the Revised Code. The superintendent may grant such a 61462

waiver only for good cause in accordance with rules adopted by the 61463

section, the average daily membership figure of any local, city, 61466
exempted village, or joint vocational school district shall be 61467
determined by dividing the figure representing the sum of the 61468
number of pupils enrolled during each day the school of attendance 61469
is actually open for instruction during the week for which the 61470
average daily membership is being certified by the total number of 61471
days the school was actually open for instruction during that 61472
week. For purposes of state funding, "enrolled" persons are only 61473
those pupils who are attending school, those who have attended 61474
school during the current school year and are absent for 61475
authorized reasons, and those children with disabilities currently 61476
receiving home instruction. 61477

The average daily membership figure of any cooperative 61478
education school district shall be determined in accordance with 61479
rules adopted by the state board of education. 61480

(F)(1) If the formula ADM for the first full school week in 61481
February is at least three per cent greater than that certified 61482

superintendent of schools of any city, exempted village, or joint 61484
vocational school district or educational service center shall 61485
certify such increase to the superintendent of public instruction. 61486
Such certification shall be submitted no later than the fifteenth 61487
day of February. For the balance of the fiscal year, beginning 61488
with the February payments, the superintendent of public 61489
instruction shall use the increased formula ADM in calculating or 61490
recalculating the amounts to be allocated in accordance with 61491
section 3317.022 or 3317.16 of the Revised Code. In no event shall 61492
the superintendent use an increased membership certified to the 61493
superintendent after the fifteenth day of February. Division 61494

(F)(1) of this section does not apply after fiscal year 2006. 61495

(2) If on the first school day of April the total number of 61496
classes or units for preschool children with disabilities that are 61497
eligible for approval under division (B) of section 3317.05 of the 61498
Revised Code exceeds the number of units that have been approved 61499
for the year under that division, the superintendent of schools of 61500
any city, exempted village, or cooperative education school 61501
district or educational service center shall make the 61502
certifications required by this section for that day. If the 61503
department determines additional units can be approved for the 61504
fiscal year within any limitations set forth in the acts 61505
appropriating moneys for the funding of such units, the department 61506
shall approve additional units for the fiscal year on the basis of 61507
such average daily membership. For each unit so approved, the 61508
department shall pay an amount computed in the manner prescribed 61509
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 61510
Code. 61511

(3) If a student attending a community school under Chapter 61512
3314. ~~or~~, a science, technology, engineering, and mathematics 61513
school established under Chapter 3326., or a college-preparatory 61514
boarding school established under Chapter 3328. of the Revised 61515
Code is not included in the formula ADM certified for the school 61516
district in which the student is entitled to attend school under 61517
section 3313.64 or 3313.65 of the Revised Code, the department of 61518
education shall adjust the formula ADM of that school district to 61519
include the student in accordance with division (C)(2) of this 61520
section, and shall recalculate the school district's payments 61521
under this chapter ~~and Chapter 3306. of the Revised Code~~ for the 61522
entire fiscal year on the basis of that adjusted formula ADM. This 61523
requirement applies regardless of whether the student was 61524
enrolled, as defined in division (E) of this section, in the 61525
community school ~~or~~, the science, technology, engineering, and 61526

mathematics school, or the college-preparatory boarding school 61527
during the week for which the formula ADM is being certified. 61528

(4) If a student awarded an educational choice scholarship is 61529
not included in the formula ADM of the school district from which 61530
the department deducts funds for the scholarship under section 61531
3310.08 of the Revised Code, the department shall adjust the 61532
