For the purpose of determining average daily membership, the membership figure of any school shall not include any pupils except those pupils described by division (A) of this section. The record of membership for each school shall be maintained in such manner that no pupil shall be counted as in membership prior to the actual date of entry in the school and also in such manner that where for any cause a pupil permanently withdraws from the school that pupil shall not be counted as in membership from and after the date of such withdrawal. excused pursuant to division (C)(1) or (3) of that section; 62815

(4) Any pupil who has attained the age of twenty-two years, 62816

armed forces and who apply for reenrollment in the public school 62820
system of their residence not later than four years after 62821
termination of war or their honorable discharge. 62822

If, however, any veteran described by division (E)(4) of this 62823
section elects to enroll in special courses organized for veterans 62824
for whom tuition is paid under the provisions of federal laws, or 62825
otherwise, that veteran shall not be included in average daily 62826
membership. 62827

Notwithstanding division (E)(3) of this section, the 62828
membership of any school may include a pupil who did not take an 62829

the superintendent of public instruction grants a waiver from the 62831
requirement to take the assessment to the specific pupil and a 62832
parent is not paying tuition for the pupil pursuant to section 62833
3313.6410 of the Revised Code. The superintendent may grant such a 62834
waiver only for good cause in accordance with rules adopted by the 62835

determined by dividing the figure representing the sum of the 62840
number of pupils enrolled during each day the school of attendance 62841
is actually open for instruction during the week for which the 62842
average daily membership is being certified by the total number of 62843
days the school was actually open for instruction during that 62844

week. For purposes of state funding, "enrolled" persons are only 62845
those pupils who are attending school, those who have attended 62846
school during the current school year and are absent for 62847
authorized reasons, and those children with disabilities currently 62848
receiving home instruction. 62849

The average daily membership figure of any cooperative 62850

superintendent of schools of any city, exempted village, or joint 62856
vocational school district or educational service center shall 62857
certify such increase to the superintendent of public instruction. 62858
Such certification shall be submitted no later than the fifteenth 62859
day of February. For the balance of the fiscal year, beginning 62860
with the February payments, the superintendent of public 62861
instruction shall use the increased formula ADM in calculating or 62862
recalculating the amounts to be allocated in accordance with 62863
section 3317.022 or 3317.16 of the Revised Code. In no event shall 62864
the superintendent use an increased membership certified to the 62865
superintendent after the fifteenth day of February. Division 62866
(F)(1) of this section does not apply after fiscal year 2006. 62867

(2) If on the first school day of April the total number of 62868
classes or units for preschool children with disabilities that are 62869
eligible for approval under division (B) of section 3317.05 of the 62870
Revised Code exceeds the number of units that have been approved 62871
for the year under that division, the superintendent of schools of 62872
any city, exempted village, or cooperative education school 62873
district or educational service center shall make the 62874
certifications required by this section for that day. If the 62875
department determines additional units can be approved for the 62876

fiscal year within any limitations set forth in the acts 62877
appropriating moneys for the funding of such units, the department 62878
shall approve additional units for the fiscal year on the basis of 62879
such average daily membership. For each unit so approved, the 62880
department shall pay an amount computed in the manner prescribed 62881
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 62882
Code. 62883

school established under Chapter 3326., or a college-preparatory 62886
boarding school established under Chapter 3328. of the Revised 62887
Code is not included in the formula ADM certified for the school 62888
district in which the student is entitled to attend school under 62889
section 3313.64 or 3313.65 of the Revised Code, the department of 62890
education shall adjust the formula ADM of that school district to 62891
include the student in accordance with division (C)(2) of this 62892
section, and shall recalculate the school district's payments 62893
under this chapter ~~and Chapter 3306.~~ of the Revised Code for the 62894
entire fiscal year on the basis of that adjusted formula ADM. This 62895
requirement applies regardless of whether the student was 62896
enrolled, as defined in division (E) of this section, in the 62897
community school ~~or~~, the science, technology, engineering, and 62898
mathematics school, or the college-preparatory boarding school 62899
during the week for which the formula ADM is being certified. 62900

(4) If a student awarded an educational choice scholarship is 62901
not included in the formula ADM of the school district from which 62902
the department deducts funds for the scholarship under section 62903
3310.08 of the Revised Code, the department shall adjust the 62904
formula ADM of that school district to include the student to the 62905
extent necessary to account for the deduction, and shall 62906
recalculate the school district's payments under this chapter ~~and~~ 62907
~~Chapter 3306.~~ of the Revised Code for the entire fiscal year on 62908

the basis of that adjusted formula ADM. This requirement applies 62909
regardless of whether the student was enrolled, as defined in 62910
division (E) of this section, in the chartered nonpublic school, 62911
the school district, or a community school during the week for 62912
which the formula ADM is being certified. 62913

(5) If a student awarded a scholarship under the Jon Peterson 62914
special needs scholarship program is not included in the formula 62915
ADM of the school district from which the department deducts funds 62916
for the scholarship under section 3310.55 of the Revised Code, the 62917
department shall adjust the formula ADM of that school district to 62918
include the student to the extent necessary to account for the 62919
deduction, and shall recalculate the school district's payments 62920
under this chapter for the entire fiscal year on the basis of that 62921
adjusted formula ADM. This requirement applies regardless of 62922
whether the student was enrolled, as defined in division (E) of 62923
this section, in an alternative public provider, a registered 62924
private provider, or the school district during the week for which 62925
the formula ADM is being certified. 62926

(G)(1)(a) The superintendent of an institution operating a 62927

(b) The superintendent of an institution with vocational 62942
education units approved under division (A) of section 3317.05 of 62943
the Revised Code shall, for the units under the superintendent's 62944
supervision, certify to the state board of education the average 62945

disabilities by the county DD board that are eligible for approval 62963
under division (B) of section 3317.05 of the Revised Code is 62964
greater than the number of units approved for the year under that 62965
division, the superintendent shall make the certification required 62966
by this section for that day. 62967

(b) If the department determines that additional classes or 62968
units can be approved for the fiscal year within any limitations 62969
set forth in the acts appropriating moneys for the funding of the 62970
classes and units described in division (G)(3)(a) of this section, 62971

the department shall approve and fund additional units for the 62972

Revised Code. The reporting official shall report separately the 62985
average daily membership of all pupils whose attendance in the 62986
district is unauthorized attendance, and the membership of each 62987

(K) If the superintendent of public instruction determines 63016
that a component of the average daily membership certified or 63017

"general obligation," "legislation," "public obligations," and 64014
"securities" have the same meanings as in section 133.01 of the 64015
Revised Code. 64016

(B) The board of education of any school district authorizing 64017
the issuance of securities under section 133.10, 133.301, or 64018
3313.372 of the Revised Code or general obligation Chapter 133. 64019
securities may adopt legislation requesting the state department 64020
of education to approve, and enter into an agreement with the 64021
school district and the primary paying agent or fiscal agent for 64022
such securities providing for, the withholding and deposit of 64023
funds, otherwise due the district under ~~Chapters 3306.~~ and Chapter 64024
3317. of the Revised Code, for the payment of debt service charges 64025
on such securities. 64026

The board of education shall deliver to the state department 64027
a copy of such resolution and any additional pertinent information 64028
the state department may require. 64029

The department of education and the office of budget and 64030
management shall evaluate each request received from a school 64031

district under this section and the department, with the advice 64032
and consent of the director of budget and management, shall 64033
approve or deny each request based on all of the following: 64034

(1) Whether approval of the request will enhance the 64035
marketability of the securities for which the request is made; 64036

(2) Any other pertinent factors or limitations established in 64037
rules made under division (I) of this section, including: 64038

(a) Current and projected obligations of funds due to the 64039
requesting school district under ~~Chapters 3306.~~ and Chapter 3317. 64040
of the Revised Code including obligations of those funds to public 64041
obligations or relevant credit enhancement facilities under this 64042
section, Chapter 133. and section 3313.483 of the Revised Code, 64043
and under any other similar provisions of law; 64044

(b) Whether the department of education or the office of 64045
budget and management has any reason to believe the requesting 64046
school district will be unable to pay when due the debt charges on 64047
the securities for which the request is made. 64048

The department may require a school district to establish 64049
schedules for the payment of all debt charges that take into 64050
account the amount and timing of anticipated distributions of 64051
funds to the district under Chapter 3317. of the Revised Code. 64052

(C) If the department approves the request of a school 64053
district to withhold and deposit funds pursuant to this section, 64054
the department shall enter into a written agreement with the 64055
district and the primary paying agent or fiscal agent for the 64056
securities which shall provide for the withholding of funds 64057
pursuant to this section for the payment of debt charges on those 64058
securities, and may include both of the following: 64059

(1) Provisions for certification by the district to the 64060
department, at a time prior to any date for the payment of 64061
applicable debt charges, whether the district is able to pay those 64062

debt charges when due; 64063

(2) Requirements that the district deposit amounts for the 64064
payment of debt charges on the securities with the primary paying 64065
agent or fiscal agent for the securities prior to the date on 64066
which those debt charge payments are due to the owners or holders 64067
of the securities. 64068

(D) Whenever a district notifies the department of education 64069
that it will be unable to pay debt charges when they are due, 64070
subject to the withholding provisions of this section, or whenever 64071
the applicable paying agent or fiscal agent notifies the 64072
department that it has not timely received from a school district 64073
the full amount needed for the payment when due of those debt 64074
charges to the holders or owners of such securities, the 64075
department shall immediately contact the school district and the 64076
paying agent or fiscal agent to confirm or determine whether the 64077
district is unable to make the required payment by the date on 64078
which it is due. 64079

Upon demand of the treasurer of state while holding a school 64080
district obligation purchased under division (G)(1) of section 64081
135.143 of the Revised Code, the state department of education, 64082
without a request of the school district, shall withhold and 64083
deposit funds pursuant to this section for payment of debt service 64084
charges on that obligation. 64085

If the department confirms or determines that the district 64086
will be unable to make such payment and payment will not be made 64087
pursuant to a credit enhancement facility, the department shall 64088
promptly pay to the applicable primary paying agent or fiscal 64089
agent the lesser of the amount due for debt charges or the amount 64090
due the district for the remainder of the fiscal year under 64091
Chapter 3317. of the Revised Code. If this amount is insufficient 64092
to pay the total amount then due the agent for the payment of debt 64093
charges, the department shall pay to the agent each fiscal year 64094

thereafter, and until the full amount due the agent for unpaid 64095
debt charges is paid in full, the lesser of the remaining amount 64096
due the agent for debt charges or the amount due the district for 64097
the fiscal year under Chapter 3317. of the Revised Code. 64098

(E) The state department may make any payments under this 64099
division by direct deposit of funds by electronic transfer. 64100

Any amount received by a paying agent or fiscal agent under 64101
this section shall be applied only to the payment of debt charges 64102
on the securities of the school district subject to this section 64103
or to the reimbursement to the provider of a credit enhancement 64104
facility that has paid such debt charges. 64105

(F) To the extent a school district whose securities are 64106
subject to this section is unable to pay applicable debt charges 64107
because of the failure to collect property taxes levied for the 64108
payment of those debt charges, the district may transfer to or 64109
deposit into any fund that would have received payments under 64110
~~3306.~~ Chapter 3317. of the Revised Code that were withheld 64111
under this section any such delinquent property taxes when later 64112
collected, provided that transfer or deposit shall be limited to 64113
the amounts withheld from that fund under this section. 64114

(G) The department may make payments under this section to 64115
paying agents or fiscal agents only from and to the extent that 64116
money is appropriated by the general assembly for Chapter 3317. of 64117
the Revised Code or for the purposes of this section. No 64118
securities of a school district to which this section is made 64119
applicable constitute an obligation or a debt or a pledge of the 64120
faith, credit, or taxing power of the state, and the holders or 64121
owners of such securities have no right to have taxes levied or 64122
appropriations made by the general assembly for the payment of 64123
debt charges on those securities, and those securities, if the 64124
department requires, shall contain a statement to that effect. The 64125
agreement for or the actual withholding and payment of moneys 64126

under this section does not constitute the assumption by the state 64127
of any debt of a school district. 64128

(H) In the case of securities subject to the withholding 64129
provisions of this section, the issuing board of education shall 64130
appoint a paying agent or fiscal agent who is not an officer or 64131
employee of the school district. 64132

(I) The department of education, with the advice of the 64133
office of budget and management, may adopt reasonable rules not 64134
inconsistent with this section for the implementation of this 64135
section and division (B) of section 133.25 of the Revised Code as 64136
it relates to the withholding and depositing of payments under 64137
~~Chapters 3306.~~ and Chapter 3317. of the Revised Code to secure 64138
payment of debt charges on school district securities. Those rules 64139
shall include criteria for the evaluation and approval or denial 64140
of school district requests for withholding under this section and 64141
limits on the obligation for the purpose of paying debt charges or 64142
reimbursing credit enhancement facilities of funds otherwise to be 64143
paid to school districts under Chapter 3317. of the Revised Code. 64144

(J) The authority granted by this section is in addition to 64145
and not a limitation on any other authorizations granted by or 64146
pursuant to law for the same or similar purposes. 64147

(C) If a cooperative education school district has had	64181
additional special education units approved for the year under	64182
division (F)(2) of section 3317.03 of the Revised Code, the	64183

equal fifty per cent of the amount computed under division (A) of	64186
this section for a unit approved under division (B) of section	64187

3317.05 of the Revised Code. 64188

under division (B) of this section for the number of children 64209
exceeding the number placed in fiscal year 1998. The department 64210

the name and data verification code of each child residing in the 64255
district for whom the department has assigned a code under this 64256
division. 64257

For purposes of this calculation: 64320

(1) Except for a district with an open enrollment net gain 64321
that is ten per cent or more of its formula ADM, "valuation per 64322

its formula ADM for the previous fiscal year. "Valuation per 64324
pupil," for a district with an open enrollment net gain that is 64325
ten per cent or more of its formula ADM, means its average taxable 64326
value, divided by the sum of its formula ADM for the previous 64327
fiscal year plus its open enrollment net gain for the previous 64328
fiscal year. 64329

(2) "Average Except for a tangible personal property 64330

taxable value" means the average of the sum of the amounts 64336
certified for the district under division (A)(1) and as public 64337
utility personal property under division (A)(2) of section 64338
3317.021 of the Revised Code in the second, third, and fourth 64339

preceding fiscal years. 64340

(3) "Entitled to attend school" means entitled to attend 64341
school in a city, local, or exempted village school district under 64342
section 3313.64 or 3313.65 of the Revised Code. 64343

(4) "Formula ADM" and "income factor" have the same meanings 64344
as in section 3317.02 of the Revised Code. 64345

(5) "Native student" has the same meaning as in section 64346
3313.98 of the Revised Code. 64347

(6) "Open enrollment net gain" for a district means (a) the 64348
number of the students entitled to attend school in another 64349
district but who are enrolled in the schools of the district under 64350
its open enrollment policy minus (b) the number of the district's 64351
native students who are enrolled in the schools of another 64352
district under the other district's open enrollment policy, both 64353
numbers as certified to the department under section 3313.981 of 64354
the Revised Code. If the difference is a negative number, the 64355
district's "open enrollment net gain" is zero. 64356

tangible personal property certified under division (A)(2) of 64362
section 3317.021 of the Revised Code for tax year 2005, excluding 64363
the taxable value of public utility personal property, made up 64364
eighteen per cent or more of its total taxable value for tax year 64365
2005 as certified under that section. 64366

(B) Calculate for each district the three-year average of the 64367
adjusted valuations per pupil calculated for the district for the 64368
current and two preceding fiscal years; 64369

(C) Rank all such districts in order of adjusted valuation per pupil from the district with the lowest three-year average adjusted valuation per pupil to the district with the highest three-year average adjusted valuation per pupil;

(D) Divide such ranking into percentiles with the first percentile containing the one per cent of school districts having the lowest three-year average adjusted valuations per pupil and the one-hundredth percentile containing the one per cent of school districts having the highest three-year average adjusted valuations per pupil;

(E) Determine the school districts that have three-year average adjusted valuations per pupil that are greater than the median three-year average adjusted valuation per pupil for all school districts in the state;

(F) On or before the first day of September, certify the information described in divisions (A) to (E) of this section to the Ohio school facilities commission.

Sec. 3318.032. (A) Except as otherwise provided in divisions (C) and (D) of this section, the portion of the basic project cost supplied by the school district shall be the greater of:

(1) The required percentage of the basic project costs;

(2)(a) For all districts except a district that opts to divide its entire classroom facilities needs into segments to be completed separately as authorized by section 3318.034 of the Revised Code, an amount necessary to raise the school district's net bonded indebtedness, as of the date the controlling board approved the project, to within five thousand dollars of the required level of indebtedness;

(b) For a district that opts to divide its entire classroom facilities needs into segments to be completed separately as

authorized by section 3318.034 of the Revised Code, an amount 64400
necessary to raise the school district's net bonded indebtedness, 64401
as of the date the controlling board approved the project, to 64402
within five thousand dollars of the following: 64403

The required level of indebtedness X (the basic 64404
project cost of the segment as approved 64405
by the controlling board / the estimated basic 64406
project cost of the district's entire classroom facilities 64407
needs as determined jointly by the staff of the Ohio 64408
school facilities commission and the district) 64409

(B) The amount of the district's share determined under this 64410
section shall be calculated only as of the date the controlling 64411
board approved the project, and that amount applies throughout the 64412
~~one-year~~ thirteen-month period permitted under section 3318.05 of 64413
the Revised Code for the district's electors to approve the 64414
propositions described in that section. If the amount reserved and 64415
encumbered for a project is released because the electors do not 64416
approve those propositions within that ~~year~~ period, and the school 64417
district later receives the controlling board's approval for the 64418
project, subject to a new project scope and estimated costs under 64419
section 3318.054 of the Revised Code, the district's portion shall 64420
be recalculated in accordance with this section as of the date of 64421
the controlling board's subsequent approval. 64422

(C) At no time shall a school district's portion of the basic 64423

district that previously received assistance under those sections 64428
or section 3318.37 of the Revised Code within the twenty-year 64429
period prior to the date on which the controlling board approves 64430
the new project, the district's portion of the basic project cost 64431

for the new project shall be the lesser of the following: 64432

(1) The portion calculated under division (A) of this 64433

(2) The greater of the following: 64435

(a) The required percentage of the basic project costs for 64436
the new project; 64437

(b) The percentage of the basic project cost paid by the 64438
district for the previous project. 64439

Sec. 3318.034. (A) This section applies to both of the 64440
following: 64441

Code. 64448

Notwithstanding any provision of this chapter to the 64449
contrary, with the approval of the Ohio school facilities 64450
commission, any school district to which this section applies may 64451
opt to divide the district's entire classroom facilities needs, as 64452
those needs are jointly determined by the staff of the commission 64453
and the school district, into discrete segments and shall comply 64454

64464
64465
64466

(3) The segment shall consist of new construction, renovations, additions, reconstruction, or repair of classroom facilities to the extent that the school district portion, as determined under section 3318.032 of the Revised Code, is an amount not less than the product of 0.040 times the district's valuation at the time the agreement for the segment is executed, unless the district previously has undertaken a segment under this section and the district's portion of the estimated basic project cost of the remainder of its entire classroom facilities needs, as determined jointly by the staff of the commission and the district, is less than the amount otherwise required by this division. 64467

64478

(C) A district described in division (A)(2) of this section that has not received the additional assistance authorized under division (B)(2) of section 3318.04 of the Revised Code may undertake a segment, with commission approval, for the purpose of renovating or replacing work performed on a facility under the district's prior project. The commission may approve that segment if the commission determines that the renovation or replacement is necessary to protect the facility. (D) The commission shall conditionally approve and seek controlling board approval in accordance with division (A) of 64491
64492

section 3318.04 of the Revised Code of each segment. 64493

~~(D)~~(E) The school district's maintenance levy requirement, as 64494
defined in section 3318.18 of the Revised Code, shall run for 64495

however, the maintenance levy requirement does not apply to a 64497
segment undertaken under division (C) of this section. 64498

Sec. 3318.05. The conditional approval of the Ohio school 64499
facilities commission for a project shall lapse and the amount 64500
reserved and encumbered for such project shall be released unless 64501
the school district board accepts such conditional approval within 64502
one hundred twenty days following the date of certification of the 64503
conditional approval to the school district board and the electors 64504
of the school district vote favorably on both of the propositions 64505
described in divisions (A) and (B) of this section within ~~one year~~ 64506
thirteen months of the date of such certification, except that a 64507
school district described in division (C) of this section does not 64508
need to submit the proposition described in division (B) of this 64509
section. The propositions described in divisions (A) and (B) of 64510
this section shall be combined in a single proposal. If the 64511
district board or the district's electors fail to meet such 64512
requirements and the amount reserved and encumbered for the 64513
district's project is released, the district shall be given first 64514
priority for project funding as such funds become available, 64515
subject to section 3318.054 of the Revised Code. 64516

(A) On the question of issuing bonds of the school district 64517
board, for the school district's portion of the basic project 64518

basic project cost less the amount of the proceeds of any 64520
securities authorized or to be authorized under division (J) of 64521
section 133.06 of the Revised Code and dedicated by the school 64522
district board to payment of the district's portion of the basic 64523

project cost; and 64524

(B) On the question of levying a tax the proceeds of which 64525
shall be used to pay the cost of maintaining the classroom 64526
facilities included in the project. Such tax shall be at the rate 64527
of not less than one-half mill for each dollar of valuation for a 64528
period of twenty-three years, subject to any extension approved 64529
under section 3318.061 of the Revised Code. 64530

(C) If a school district has in place a tax levied under 64531
section 5705.21 of the Revised Code for general permanent 64532
improvements for a continuing period of time and the proceeds of 64533
such tax can be used for maintenance, or if a district agrees to 64534
the transfers described in section 3318.051 of the Revised Code, 64535
the school district need not levy the additional tax required 64536
under division (B) of this section, provided the school district 64537
board includes in the agreement entered into under section 3318.08 64538
of the Revised Code provisions either: 64539

(1) Earmarking an amount from the proceeds of that permanent 64540
improvement tax for maintenance of classroom facilities equivalent 64541
to the amount of the additional tax and for the equivalent number 64542
of years otherwise required under this section; 64543

(2) Requiring the transfer of money in accordance with 64544
section 3318.051 of the Revised Code. 64545

The district board subsequently may rescind the agreement to 64546
make the transfers under section 3318.051 of the Revised Code only 64547
so long as the electors of the district have approved, in 64548
accordance with section 3318.063 of the Revised Code, the levy of 64549
a tax for the maintenance of the classroom facilities acquired 64550
under the district's project and that levy continues to be 64551
collected as approved by the electors. 64552

(D) Proceeds of the tax to be used for maintenance of the 64553
classroom facilities under either division (B) or (C)(1) of this 64554

section, and transfers of money in accordance with section 64555
3318.051 of the Revised Code shall be deposited into a separate 64556
fund established by the school district for such purpose. 64557

Sec. 3318.051. (A) Any city, exempted village, or local 64558
school district that commences a project under sections 3318.01 to 64559
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 64560
after September 5, 2006, need not levy the tax otherwise required 64561
under division (B) of section 3318.05 of the Revised Code, if the 64562
district board of education adopts a resolution petitioning the 64563
Ohio school facilities commission to approve the transfer of money 64564
in accordance with this section and the commission approves that 64565
transfer. If so approved, the commission and the district board 64566
shall enter into an agreement under which the board, in each of 64567
twenty-three consecutive years beginning in the year in which the 64568
board and the commission enter into the project agreement under 64569
section 3318.08 of the Revised Code, shall transfer into the 64570
maintenance fund required by division (D) of section 3318.05 of 64571
the Revised Code not less than an amount equal to one-half mill 64572
for each dollar of the district's valuation unless and until the 64573
agreement to make those transfers is rescinded by the district 64574
board pursuant to division (F) of this section. 64575

(B) On the first day of July each year, or on an alternative 64576
date prescribed by the commission, the district treasurer shall 64577
certify to the commission and the auditor of state that the amount 64578
required for the year has been transferred. The auditor of state 64579
shall include verification of the transfer as part of any audit of 64580
the district under section 117.11 of the Revised Code. If the 64581
auditor of state finds that less than the required amount has been 64582
deposited into a district's maintenance fund, the auditor of state 64583
shall notify the district board of education in writing of that 64584
fact and require the board to deposit into the fund, within ninety 64585
days after the date of the notice, the amount by which the fund is 64586

deficient for the year. If the district board fails to demonstrate 64587
to the auditor of state's satisfaction that the board has made the 64588
deposit required in the notice, the auditor of state shall notify 64589
the department of education. At that time, the department shall 64590
withhold an amount equal to ten per cent of the district's funds 64591
calculated for the current fiscal year under ~~Chapters 3306. and~~ 64592
Chapter 3317. of the Revised Code until the auditor of state 64593
notifies the department that the auditor of state is satisfied 64594
that the board has made the required transfer. 64595

(C) Money transferred to the maintenance fund shall be used 64596
for the maintenance of the facilities acquired under the 64597
district's project. 64598

(D) The transfers to the maintenance fund under this section 64599
does not affect a district's obligation to establish and maintain 64600
a capital and maintenance fund under section 3315.18 of the 64601
Revised Code. 64602

(E) Any decision by the commission to approve or not approve 64603
the transfer of money under this section is final and not subject 64604
to appeal. The commission shall not be responsible for errors or 64605
miscalculations made in deciding whether to approve a petition to 64606
make transfers under this section. 64607

(F) If the district board determines that it no longer can 64608
continue making the transfers agreed to under this section, the 64609
board may rescind the agreement only so long as the electors of 64610
the district have approved, in accordance with section 3318.063 of 64611
the Revised Code, the levy of a tax for the maintenance of the 64612
classroom facilities acquired under the district's project and 64613
that levy continues to be collected as approved by the electors. 64614
That levy shall be for a number of years that is equal to the 64615
difference between twenty-three years and the number of years that 64616
the district made transfers under this section and shall be at the 64617
rate of not less than one-half mill for each dollar of the 64618

district's valuation. The district board shall continue to make 64619
the transfers agreed to under this section until that levy has 64620
been approved by the electors. 64621

Sec. 3318.054. (A) If conditional approval of a city, 64622
exempted village, or local school district's project lapses as 64623
provided in section 3318.05 of the Revised Code, or if conditional 64624
approval of a joint vocational school district's project lapses as 64625
provided in division (D) of section 3318.41 of the Revised Code, 64626
because the district's electors have not approved the ballot 64627
measures necessary to generate the district's portion of the basic 64628
project cost, and if the district board desires to seek a new 64629
conditional approval of the project, the district board shall 64630
request that the Ohio school facilities commission set the scope, 64631
basic project cost, and school district portion of the basic 64632
project cost prior to resubmitting the ballot measures to the 64633
electors. To do so, the commission shall use the district's 64634
current assessed tax valuation and the district's percentile for 64635
the prior fiscal year. For a district that has entered into an 64636
agreement under section 3318.36 of the Revised Code and desires to 64637
proceed with a project under sections 3318.01 to 3318.20 of the 64638
Revised Code, the district's portion of the basic project cost 64639
shall be the percentage specified in that agreement. The project 64640
scope and basic costs established under this division shall be 64641
valid for one year from the date the commission approves them. 64642

(B) Upon the commission's approval under division (A) of this 64643
section, the district board may submit the ballot measures to the 64644
district's electors for approval of the project based on the new 64645
project scope and estimated costs. Upon electoral approval of 64646
those measures, the district shall be given first priority for 64647
project funding as such funds become available. 64648

(C) When the commission determines that funds are available 64649

for the district's project, the commission shall do all of the following: 64650
64651

(1) Determine the school district portion of the basic project cost under section 3318.032 of the Revised Code, in the case of a city, exempted village, or local school district, or under section 3318.42 of the Revised Code, in the case of a joint vocational school district; 64652
64653
64654
64655
64656

(2) Conditionally approve the project and submit it to the controlling board for approval pursuant to section 3318.04 of the Revised Code; 64657
64658
64659

(3) Encumber funds for the project under section 3318.11 of the Revised Code; 64660
64661

(4) Enter into an agreement with the district board under section 3318.08 of the Revised Code. 64662
64663

Sec. 3318.08. Except in the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the requisite favorable vote on the election is obtained, or if the school district board has resolved to apply the proceeds of a property tax levy or the proceeds of an income tax, or a combination of proceeds from such taxes, as authorized in section 3318.052 of the Revised Code, the Ohio school facilities commission, upon certification to it of either the results of the election or the resolution under section 3318.052 of the Revised Code, shall enter into a written agreement with the school district board for the construction and sale of the project. In the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the school district board of education and the school district electors have satisfied the conditions prescribed in division (D)(1) of section 3318.41 of the Revised Code, the commission shall enter into an agreement with the school district 64664

board for the construction and sale of the project. In either 64681
case, the agreement shall include, but need not be limited to, the 64682
following provisions: 64683

(A) The sale and issuance of bonds or notes in anticipation 64684
thereof, as soon as practicable after the execution of the 64685
agreement, in an amount equal to the school district's portion of 64686
the basic project cost, including any securities authorized under 64687
division (J) of section 133.06 of the Revised Code and dedicated 64688
by the school district board to payment of the district's portion 64689
of the basic project cost of the project; provided, that if at 64690
that time the county treasurer of each county in which the school 64691
district is located has not commenced the collection of taxes on 64692
the general duplicate of real and public utility property for the 64693
year in which the controlling board approved the project, the 64694
school district board shall authorize the issuance of a first 64695
installment of bond anticipation notes in an amount specified by 64696
the agreement, which amount shall not exceed an amount necessary 64697
to raise the net bonded indebtedness of the school district as of 64698
the date of the controlling board's approval to within five 64699
thousand dollars of the required level of indebtedness for the 64700
preceding year. In the event that a first installment of bond 64701
anticipation notes is issued, the school district board shall, as 64702
soon as practicable after the county treasurer of each county in 64703
which the school district is located has commenced the collection 64704
of taxes on the general duplicate of real and public utility 64705
property for the year in which the controlling board approved the 64706
project, authorize the issuance of a second and final installment 64707
of bond anticipation notes or a first and final issue of bonds. 64708

The combined value of the first and second installment of 64709
bond anticipation notes or the value of the first and final issue 64710
of bonds shall be equal to the school district's portion of the 64711
basic project cost. The proceeds of any such bonds shall be used 64712

first to retire any bond anticipation notes. Otherwise, the 64713
proceeds of such bonds and of any bond anticipation notes, except 64714
the premium and accrued interest thereon, shall be deposited in 64715
the school district's project construction fund. In determining 64716
the amount of net bonded indebtedness for the purpose of fixing 64717
the amount of an issue of either bonds or bond anticipation notes, 64718
gross indebtedness shall be reduced by moneys in the bond 64719
retirement fund only to the extent of the moneys therein on the 64720
first day of the year preceding the year in which the controlling 64721
board approved the project. Should there be a decrease in the tax 64722
valuation of the school district so that the amount of 64723
indebtedness that can be incurred on the tax duplicates for the 64724
year in which the controlling board approved the project is less 64725
than the amount of the first installment of bond anticipation 64726
notes, there shall be paid from the school district's project 64727
construction fund to the school district's bond retirement fund to 64728
be applied against such notes an amount sufficient to cause the 64729
net bonded indebtedness of the school district, as of the first 64730
day of the year following the year in which the controlling board 64731
approved the project, to be within five thousand dollars of the 64732
required level of indebtedness for the year in which the 64733
controlling board approved the project. The maximum amount of 64734
indebtedness to be incurred by any school district board as its 64735
share of the cost of the project is either an amount that will 64736
cause its net bonded indebtedness, as of the first day of the year 64737
following the year in which the controlling board approved the 64738
project, to be within five thousand dollars of the required level 64739
of indebtedness, or an amount equal to the required percentage of 64740
the basic project costs, whichever is greater. All bonds and bond 64741
anticipation notes shall be issued in accordance with Chapter 133. 64742
of the Revised Code, and notes may be renewed as provided in 64743
section 133.22 of the Revised Code. 64744

(B) The transfer of such funds of the school district board 64745

available for the project, together with the proceeds of the sale 64746
of the bonds or notes, except premium, accrued interest, and 64747
interest included in the amount of the issue, to the school 64748
district's project construction fund; 64749

(C) For all school districts except joint vocational school 64750
districts that receive assistance under sections 3318.40 to 64751
3318.45 of the Revised Code, the following provisions as 64752
applicable: 64753

(1) If section 3318.052 of the Revised Code applies, the 64754
earmarking of the proceeds of a tax levied under section 5705.21 64755
of the Revised Code for general permanent improvements or under 64756
section 5705.218 of the Revised Code for the purpose of permanent 64757
improvements, or the proceeds of a school district income tax 64758
levied under Chapter 5748. of the Revised Code, or the proceeds 64759
from a combination of those two taxes, in an amount to pay all or 64760
part of the service charges on bonds issued to pay the school 64761
district portion of the project and an amount equivalent to all or 64762
part of the tax required under division (B) of section 3318.05 of 64763
the Revised Code; 64764

(2) If section 3318.052 of the Revised Code does not apply, 64765
one of the following: 64766

(a) The levy of the tax authorized at the election for the 64767
payment of maintenance costs, as specified in division (B) of 64768
section 3318.05 of the Revised Code; 64769

(b) If the school district electors have approved a 64770
continuing tax for general permanent improvements under section 64771
5705.21 of the Revised Code and that tax can be used for 64772
maintenance, the earmarking of an amount of the proceeds from such 64773
tax for maintenance of classroom facilities as specified in 64774
division (B) of section 3318.05 of the Revised Code; 64775

(c) If, in lieu of the tax otherwise required under division 64776

(B) of section 3318.05 of the Revised Code, the commission has 64777
approved the transfer of money to the maintenance fund in 64778
accordance with section 3318.051 of the Revised Code, a 64779
requirement that the district board comply with the provisions 64780
that section. The district board may rescind the provision 64781
prescribed under division (C)(2)(c) of this section only so long 64782
as the electors of the district have approved, in accordance with 64783
section 3318.063 of the Revised Code, the levy of a tax for the 64784
maintenance of the classroom facilities acquired under the 64785
district's project and that levy continues to be collected as 64786
approved by the electors. 64787

(D) For joint vocational school districts that receive 64788
assistance under sections 3318.40 to 3318.45 of the Revised Code, 64789
provision for deposit of school district moneys dedicated to 64790
maintenance of the classroom facilities acquired under those 64791
sections as prescribed in section 3318.43 of the Revised Code; 64792

(E) Dedication of any local donated contribution as provided 64793
for under section 3318.084 of the Revised Code, including a 64794
schedule for depositing such moneys applied as an offset of the 64795
district's obligation to levy the tax described in division (B) of 64796
section 3318.05 of the Revised Code as required under division 64797
(D)(2) of section 3318.084 of the Revised Code; 64798

(F) Ownership of or interest in the project during the period 64799
of construction, which shall be divided between the commission and 64800
the school district board in proportion to their respective 64801
contributions to the school district's project construction fund; 64802

(G) Maintenance of the state's interest in the project until 64803
any obligations issued for the project under section 3318.26 of 64804
the Revised Code are no longer outstanding; 64805

(H) The insurance of the project by the school district from 64806
the time there is an insurable interest therein and so long as the 64807

state retains any ownership or interest in the project pursuant to 64808
division (F) of this section, in such amounts and against such 64809
risks as the commission shall require; provided, that the cost of 64810
any required insurance until the project is completed shall be a 64811
part of the basic project cost; 64812

(I) The certification by the director of budget and 64813
management that funds are available and have been set aside to 64814
meet the state's share of the basic project cost as approved by 64815

Sec. 3318.36. (A)(1) As used in this section: 65033

(a) "Ohio school facilities commission," "classroom 65034
facilities," "school district," "school district board," "net 65035
bonded indebtedness," "required percentage of the basic project 65036
costs," "basic project cost," "valuation," and "percentile" have 65037
the same meanings as in section 3318.01 of the Revised Code. 65038

(b) "Required level of indebtedness" means five per cent of 65039
the school district's valuation for the year preceding the year in 65040
which the commission and school district enter into an agreement 65041
under division (B) of this section, plus [two one-hundredths of 65042
one per cent multiplied by (the percentile in which the district 65043
ranks minus one)]. 65044

(c) "Local resources" means any moneys generated in any 65045
manner permitted for a school district board to raise the school 65046
district portion of a project undertaken with assistance under 65047
sections 3318.01 to 3318.20 of the Revised Code. 65048

(d) "Tangible personal property phase-out impacted district" 65049
has the same meaning as in section 3318.11 of the Revised Code. 65050

(2) For purposes of determining the required level of 65051
indebtedness, the required percentage of the basic project costs 65052
under division (C)(1) of this section, and priority for assistance 65053

under sections 3318.01 to 3318.20 of the Revised Code, the 65054
percentile ranking of a school district with which the commission 65055
has entered into an agreement under this section between the first 65056
day of July and the thirty-first day of August in each fiscal year 65057
is the percentile ranking calculated for that district for the 65058
immediately preceding fiscal year, and the percentile ranking of a 65059
school district with which the commission has entered into such 65060
agreement between the first day of September and the thirtieth day 65061
of June in each fiscal year is the percentile ranking calculated 65062
for that district for the current fiscal year. However, in the 65063
case of a tangible personal property phase-out impacted district, 65064
the district's priority for assistance under sections 3318.01 to 65065
3318.20 of the Revised Code and its portion of the basic project 65066
cost under those sections shall be determined in the manner 65067
prescribed, respectively, in divisions (B)(3)(b) and (E)(1)(b) of 65068
this section. 65069

(B)(1) There is hereby established the school building 65070
assistance expedited local partnership program. Under the program, 65071
the Ohio school facilities commission may enter into an agreement 65072
with the school district board of any school district under which 65073
the school district board may proceed with the new construction or 65074
major repairs of a part of the school district's classroom 65075
facilities needs, as determined under sections 3318.01 to 3318.20 65076
of the Revised Code, through the expenditure of local resources 65077
prior to the school district's eligibility for state assistance 65078
under those sections and may apply that expenditure toward meeting 65079
the school district's portion of the basic project cost of the 65080
total of the school district's classroom facilities needs, as 65081
determined under sections 3318.01 to 3318.20 of the Revised Code 65082
and as recalculated under division (E) of this section, that are 65083
eligible for state assistance under sections 3318.01 to 3318.20 of 65084
the Revised Code when the school district becomes eligible for 65085
that assistance. Any school district that is reasonably expected 65086

to receive assistance under sections 3318.01 to 3318.20 of the Revised Code within two fiscal years from the date the school district adopts its resolution under division (B) of this section shall not be eligible to participate in the program established under this section.

(2) To participate in the program, a school district board shall first adopt a resolution certifying to the commission the board's intent to participate in the program.

The resolution shall specify the approximate date that the board intends to seek elector approval of any bond or tax measures or to apply other local resources to use to pay the cost of classroom facilities to be constructed under this section. The resolution may specify the application of local resources or elector-approved bond or tax measures after the resolution is adopted by the board, and in such case the board may proceed with a discrete portion of its project under this section as soon as the commission and the controlling board have approved the basic project cost of the district's classroom facilities needs as specified in division (D) of this section. The board shall submit its resolution to the commission not later than ten days after the date the resolution is adopted by the board.

The commission shall not consider any resolution that is submitted pursuant to division (B)(2) of this section, as amended by this amendment, sooner than September 14, 2000.

(3) For purposes of determining when a district that enters into an agreement under this section becomes eligible for assistance under sections 3318.01 to 3318.20 of the Revised Code, the commission shall use one of the following as applicable:

(a) Except for a tangible personal property phase-out impacted district, the district's percentile ranking determined at the time the district entered into the agreement under this

section, as prescribed by division (A)(2) of this section; 65118

(b) For a tangible personal property phase-out impacted 65119
district, the least of (i) the district's percentile ranking 65120
determined at the time the district entered into the agreement 65121
under this section, as prescribed by division (A)(2) of this 65122
section, (ii) the district's current percentile ranking under 65123
section 3318.011 of the Revised Code, or (iii) for a project 65124
approved for fiscal year 2012, the district's percentile ranking 65125
under the alternate equity list prescribed by Section 387.70 of 65126
H.B. 153 of the 129th general assembly. 65127

(4) Any project under this section shall comply with section 65128
3318.03 of the Revised Code and with any specifications for plans 65129
and materials for classroom facilities adopted by the commission 65130
under section 3318.04 of the Revised Code. 65131

(5) If a school district that enters into an agreement under 65132
this section has not begun a project applying local resources as 65133
provided for under that agreement at the time the district is 65134
notified by the commission that it is eligible to receive state 65135
assistance under sections 3318.01 to 3318.20 of the Revised Code, 65136
all assessment and agreement documents entered into under this 65137
section are void. 65138

(6) Only construction of or repairs to classroom facilities 65139
that have been approved by the commission and have been therefore 65140
included as part of a district's basic project cost qualify for 65141
application of local resources under this section. 65142

(C) Based on the results of on-site visits and assessment, 65143
the commission shall determine the basic project cost of the 65144
school district's classroom facilities needs. The commission shall 65145
determine the school district's portion of such basic project 65146
cost, which shall be the greater of: 65147

(1) The required percentage of the basic project costs, 65148

determined based on the school district's percentile ranking; 65149

(2) An amount necessary to raise the school district's net 65150
bonded indebtedness, as of the fiscal year the commission and the 65151
school district enter into the agreement under division (B) of 65152
this section, to within five thousand dollars of the required 65153
level of indebtedness. 65154

(D)(1) When the commission determines the basic project cost 65155
of the classroom facilities needs of a school district and the 65156
school district's portion of that basic project cost under 65157
division (C) of this section, the project shall be conditionally 65158
approved. Such conditional approval shall be submitted to the 65159
controlling board for approval thereof. The controlling board 65160
shall forthwith approve or reject the commission's determination, 65161
conditional approval, and the amount of the state's portion of the 65162
basic project cost; however, no state funds shall be encumbered 65163
under this section. Upon approval by the controlling board, the 65164
school district board may identify a discrete part of its 65165
classroom facilities needs, which shall include only new 65166
construction of or additions or major repairs to a particular 65167
building, to address with local resources. Upon identifying a part 65168
of the school district's basic project cost to address with local 65169
resources, the school district board may allocate any available 65170
school district moneys to pay the cost of that identified part, 65171
including the proceeds of an issuance of bonds if approved by the 65172
electors of the school district. 65173

All local resources utilized under this division shall first 65174
be deposited in the project construction account required under 65175
section 3318.08 of the Revised Code. 65176

(2) Unless the school district board exercises its option 65177
under division (D)(3) of this section, for a school district to 65178
qualify for participation in the program authorized under this 65179
section, one of the following conditions shall be satisfied: 65180

(a) The electors of the school district by a majority vote 65181
shall approve the levy of taxes outside the ten-mill limitation 65182
for a period of twenty-three years at the rate of not less than 65183
one-half mill for each dollar of valuation to be used to pay the 65184
cost of maintaining the classroom facilities included in the basic 65185
project cost as determined by the commission. The form of the 65186
ballot to be used to submit the question whether to approve the 65187
tax required under this division to the electors of the school 65188
district shall be the form for an additional levy of taxes 65189
prescribed in section 3318.361 of the Revised Code, which may be 65190
combined in a single ballot question with the questions prescribed 65191
under section 5705.218 of the Revised Code. 65192

(b) As authorized under division (C) of section 3318.05 of 65193
the Revised Code, the school district board shall earmark from the 65194
proceeds of a permanent improvement tax levied under section 65195
5705.21 of the Revised Code, an amount equivalent to the 65196
additional tax otherwise required under division (D)(2)(a) of this 65197
section for the maintenance of the classroom facilities included 65198
in the basic project cost as determined by the commission. 65199

(c) As authorized under section 3318.051 of the Revised Code, 65200
the school district board shall, if approved by the commission, 65201
annually transfer into the maintenance fund required under section 65202
3318.05 of the Revised Code the amount prescribed in section 65203
3318.051 of the Revised Code in lieu of the tax otherwise required 65204
under division (D)(2)(a) of this section for the maintenance of 65205
the classroom facilities included in the basic project cost as 65206
determined by the commission. 65207

(d) If the school district board has rescinded the agreement 65208
to make transfers under section 3318.051 of the Revised Code, as 65209
provided under division (F) of that section, the electors of the 65210
school district, in accordance with section 3318.063 of the 65211
Revised Code, first shall approve the levy of taxes outside the 65212

ten-mill limitation for the period specified in that section at a 65213
rate of not less than one-half mill for each dollar of valuation. 65214

(e) The school district board shall apply the proceeds of a 65215
tax to leverage bonds as authorized under section 3318.052 of the 65216
Revised Code or dedicate a local donated contribution in the 65217
manner described in division (B) of section 3318.084 of the 65218
Revised Code in an amount equivalent to the additional tax 65219
otherwise required under division (D)(2)(a) of this section for 65220
the maintenance of the classroom facilities included in the basic 65221
project cost as determined by the commission. 65222

(3) A school district board may opt to delay taking any of 65223
the actions described in division (D)(2) of this section until the 65224
school district becomes eligible for state assistance under 65225
sections 3318.01 to 3318.20 of the Revised Code. In order to 65226
exercise this option, the board shall certify to the commission a 65227
resolution indicating the board's intent to do so prior to 65228
entering into an agreement under division (B) of this section. 65229

(4) If pursuant to division (D)(3) of this section a district 65230
board opts to delay levying an additional tax until the district 65231
becomes eligible for state assistance, it shall submit the 65232
question of levying that tax to the district electors as follows: 65233

(a) In accordance with section 3318.06 of the Revised Code if 65234
it will also be necessary pursuant to division (E) of this section 65235
to submit a proposal for approval of a bond issue; 65236

(b) In accordance with section 3318.361 of the Revised Code 65237
if it is not necessary to also submit a proposal for approval of a 65238
bond issue pursuant to division (E) of this section. 65239

(5) No state assistance under sections 3318.01 to 3318.20 of 65240
the Revised Code shall be released until a school district board 65241
that adopts and certifies a resolution under division (D) of this 65242
section also demonstrates to the satisfaction of the commission 65243

compliance with the provisions of division (D)(2) of this section. 65244

Any amount required for maintenance under division (D)(2) of 65245
this section shall be deposited into a separate fund as specified 65246
in division (B) of section 3318.05 of the Revised Code. 65247

(E)(1) If the school district becomes eligible for state 65248
assistance under sections 3318.01 to 3318.20 of the Revised Code 65249
based on its percentile ranking under division (B)(3) of this 65250
section, the commission shall conduct a new assessment of the 65251
school district's classroom facilities needs and shall recalculate 65252
the basic project cost based on this new assessment. The basic 65253
project cost recalculated under this division shall include the 65254
amount of expenditures made by the school district board under 65255
division (D)(1) of this section. The commission shall then 65256
recalculate the school district's portion of the new basic project 65257
cost, which shall be one of the following as applicable: 65258

(a) Except for a tangible personal property phase-out 65259
impacted district, the percentage of the original basic project 65260
cost assigned to the school district as its portion under division 65261
(C) of this section; 65262

(b) For a tangible personal property phase-out impacted 65263
district, the least of (i) the percentage of the original basic 65264
project cost assigned to the school district as its portion under 65265
division (C) of this section, (ii) the percentage of the new basic 65266
project cost determined under section 3318.032 of the Revised Code 65267
using the district's current percentile ranking under section 65268
3318.011 of the Revised Code, or (iii) for a project approved for 65269
fiscal year 2012, the percentage of the new basic project cost 65270
determined under section 3318.032 of the Revised Code using the 65271
district's percentile ranking under the alternate equity list 65272
prescribed by Section 387.70 of H.B. 153 of the 129th general 65273
assembly. The 65274

The commission shall deduct the expenditure of school 65275
district moneys made under division (D)(1) of this section from 65276
the school district's portion of the basic project cost as 65277
recalculated under this division. If the amount of school district 65278
resources applied by the school district board to the school 65279
district's portion of the basic project cost under this section is 65280
less than the total amount of such portion as recalculated under 65281
this division, the school district board by a majority vote of all 65282
of its members shall, if it desires to seek state assistance under 65283
sections 3318.01 to 3318.20 of the Revised Code, adopt a 65284
resolution as specified in section 3318.06 of the Revised Code to 65285
submit to the electors of the school district the question of 65286
approval of a bond issue in order to pay any additional amount of 65287
school district portion required for state assistance. Any tax 65288
levy approved under division (D) of this section satisfies the 65289
requirements to levy the additional tax under section 3318.06 of 65290
the Revised Code. 65291

(2) If the amount of school district resources applied by the 65292
school district board to the school district's portion of the 65293
basic project cost under this section is more than the total 65294
amount of such portion as recalculated under ~~this~~ division (E)(1) 65295
of this section, within one year after the school district's 65296
portion is so recalculated ~~under division (E)(1) of this section~~ 65297
the commission may grant to the school district the difference 65298
between the two calculated portions, but at no time shall the 65299
commission expend any state funds on a project in an amount 65300
greater than the state's portion of the basic project cost as 65301
recalculated under ~~this~~ division (E)(1) of this section. 65302

Any reimbursement under this division shall be only for local 65303
resources the school district has applied toward construction cost 65304
expenditures for the classroom facilities approved by the 65305
commission, which shall not include any financing costs associated 65306

with that construction. 65307

The school district board shall use any moneys reimbursed to 65308
the district under this division to pay off any debt service the 65309
district owes for classroom facilities constructed under its 65310
project under this section before such moneys are applied to any 65311
other purpose. However, the district board first may deposit 65312
moneys reimbursed under this division into the district's general 65313
fund or a permanent improvement fund to replace local resources 65314
the district withdrew from those funds, as long as, and to the 65315
extent that, those local resources were used by the district for 65316
constructing classroom facilities included in the district's basic 65317
project cost. 65318

(3) A tangible personal property phase-out impacted district 65319
shall receive credit under division (E) of this section for the 65320
expenditure of local resources pursuant to any prior agreement 65321
authorized by this section, notwithstanding any recalculation of 65322
its average taxable value. 65323

Sec. 3318.37. (A)(1) As used in this section: 65324

(a) "Large land area school district" means a school district 65325
with a territory of greater than three hundred square miles in any 65326
percentile as determined under section 3318.011 of the Revised 65327
Code. 65328

(b) "Low wealth school district" means a school district in 65329
the first through seventy-fifth percentiles as determined under 65330
section 3318.011 of the Revised Code. 65331

(c) A "school district with an exceptional need for immediate 65332
classroom facilities assistance" means a low wealth or large land 65333
area school district with an exceptional need for new facilities 65334
in order to protect the health and safety of all or a portion of 65335
its students. 65336

~~(2) No school district reasonably expected to be eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code within three fiscal years after the year of the application for assistance under this section shall be eligible for assistance under this section, unless the district's entire classroom facilities plan consists of only a single building designed to house grades kindergarten through twelve and the district satisfies the conditions prescribed in divisions (A)(3)(a) and (b) of this section.~~

~~(3)~~ No school district that participates in the school building assistance expedited local partnership program under section 3318.36 of the Revised Code shall receive assistance under the program established under this section unless the following conditions are satisfied:

(a) The district board adopted a resolution certifying its intent to participate in the school building assistance expedited local partnership program under section 3318.36 of the Revised Code prior to September 14, 2000.

(b) The district was selected by the Ohio school facilities commission for participation in the school building assistance expedited local partnership program under section 3318.36 of the Revised Code in the manner prescribed by the commission under that section as it existed prior to September 14, 2000.

(B)(1) There is hereby established the exceptional needs school facilities assistance program. Under the program, the Ohio school facilities commission may set aside from the moneys annually appropriated to it for classroom facilities assistance projects up to twenty-five per cent for assistance to school districts with exceptional needs for immediate classroom facilities assistance.

(2)(a) After consulting with education and construction

experts, the commission shall adopt guidelines for identifying 65368
school districts with an exceptional need for immediate classroom 65369
facilities assistance. 65370

(b) The guidelines shall include application forms and 65371
instructions for school districts to use in applying for 65372
assistance under this section. 65373

(3) The commission shall evaluate the classroom facilities, 65374
and the need for replacement classroom facilities from the 65375
applications received under this section. The commission, 65376
utilizing the guidelines adopted under division (B)(2)(a) of this 65377
section, shall prioritize the school districts to be assessed. 65378

Notwithstanding section 3318.02 of the Revised Code, the 65379
commission may conduct on-site evaluation of the school districts 65380
prioritized under this section and approve and award funds until 65381
such time as all funds set aside under division (B)(1) of this 65382
section have been encumbered. However, the commission need not 65383
conduct the evaluation of facilities if the commission determines 65384
that a district's assessment conducted under section 3318.36 of 65385
the Revised Code is sufficient for purposes of this section. 65386

(4) Notwithstanding division (A) of section 3318.05 of the 65387
Revised Code, the school district's portion of the basic project 65388
cost under this section shall be the "required percentage of the 65389
basic project costs," as defined in division (K) of section 65390
3318.01 of the Revised Code. 65391

(5) Except as otherwise specified in this section, any 65392
project undertaken with assistance under this section shall comply 65393
with all provisions of sections 3318.01 to 3318.20 of the Revised 65394
Code. A school district may receive assistance under sections 65395
3318.01 to 3318.20 of the Revised Code for the remainder of the 65396
district's classroom facilities needs as assessed under this 65397
section when the district is eligible for such assistance pursuant 65398

to section 3318.02 of the Revised Code, but any classroom facility 65399
constructed with assistance under this section shall not be 65400
included in a district's project at that time unless the 65401
commission determines the district has experienced the increased 65402
enrollment specified in division (B)(1) of section 3318.04 of the 65403
Revised Code. 65404

(C) No school district shall receive assistance under this 65405
section for a classroom facility that has been included in the 65406
discrete part of the district's classroom facilities needs 65407
identified and addressed in the district's project pursuant to an 65408
agreement entered into under section 3318.36 of the Revised Code, 65409
unless the district's entire classroom facilities plan consists of 65410
only a single building designed to house grades kindergarten 65411
through twelve. 65412

Sec. 3318.371. The Ohio school facilities commission may 65413
provide assistance under the exceptional needs school facilities 65414
program established by section 3318.37 of the Revised Code to any 65415
school district for the purpose of the relocation or replacement 65416
of classroom facilities required as a result of any contamination 65417
of air, soil, or water that impacts the occupants of the facility. 65418
Assistance under this section is not limited to school districts 65419
in the first through seventy-fifth percentiles as determined under 65420
section 3318.011 of the Revised Code. 65421

The commission shall make a determination in accordance with 65422
guidelines adopted by the commission regarding eligibility and 65423
funding for projects under this section. The commission may 65424
contract with an independent environmental consultant to conduct a 65425
study to assist the commission in making the determination. 65426

If the federal government or other public or private entity 65427
provides funds for restitution of costs incurred by the state or 65428
school district in the relocation or replacement of the classroom 65429

facilities, the school district shall use such funds in excess of 65430
the school district's share to refund the state for the state's 65431
contribution to the environmental contamination portion of the 65432
project. The school district may apply an amount of such 65433
restitution funds up to an amount equal to the school district's 65434
portion of the project, as defined by the commission, toward 65435
paying its portion of that project to reduce the amount of bonds 65436
the school district otherwise must issue to receive state 65437
assistance under sections 3318.01 to 3318.20 of the Revised Code. 65438

Sec. 3318.38. (A) As used in this section, "big-eight school 65439
district" has the same meaning as in section 3314.02 of the 65440
Revised Code. 65441

(B) There is hereby established the accelerated urban school 65442
building assistance program. Under the program, notwithstanding 65443
section 3318.02 of the Revised Code, any big-eight school district 65444
that has not been approved to receive assistance under sections 65445
3318.01 to 3318.20 of the Revised Code by July 1, 2002, may 65446
beginning on that date apply for approval of and be approved for 65447
such assistance. Except as otherwise provided in this section, any 65448
project approved and undertaken pursuant to this section shall 65449
comply with all provisions of sections 3318.01 to 3318.20 of the 65450
Revised Code. 65451

The Ohio school facilities commission shall provide 65452
assistance to any big-eight school district eligible for 65453
assistance under this section in the following manner: 65454

(1) Notwithstanding section 3318.02 of the Revised Code: 65455

(a) Not later than June 30, 2002, the commission shall 65456
conduct an on-site visit and shall assess the classroom facilities 65457
needs of each big-eight school district eligible for assistance 65458
under this section; 65459

(b) Beginning July 1, 2002, any big-eight school district 65460
eligible for assistance under this section may apply to the 65461
commission for conditional approval of its project as determined 65462
by the assessment conducted under division (B)(1)(a) of this 65463
section. The commission may conditionally approve that project and 65464
submit it to the controlling board for approval pursuant to 65465
section 3318.04 of the Revised Code. 65466

(2) If the controlling board approves the project of a 65467
big-eight school district eligible for assistance under this 65468
section, the commission and the school district shall enter into 65469
an agreement as prescribed in section 3318.08 of the Revised Code. 65470
Any agreement executed pursuant to this division shall include any 65471
applicable segmentation provisions as approved by the commission 65472
under division (B)(3) of this section. 65473

(3) Notwithstanding any provision to the contrary in sections 65474
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 65475
school district eligible for assistance under this section may 65476
with the approval of the commission opt to divide the project as 65477
approved under division (B)(1)(b) of this section into discrete 65478
segments to be completed sequentially. Any project divided into 65479
segments shall comply with all other provisions of sections 65480
3318.05, 3318.06, and 3318.08 of the Revised Code except as 65481
otherwise specified in this division. 65482

If a project is divided into segments under this division: 65483

(a) The school district need raise only the amount equal to 65484
its proportionate share, as determined under section 3318.032 of 65485
the Revised Code, of each segment at any one time and may seek 65486
voter approval of each segment separately; 65487

(b) The state's proportionate share, as determined under 65488
section 3318.032 of the Revised Code, of only the segment which 65489
has been approved by the school district electors or for which the 65490

district has applied a local donated contribution under section 65491
3318.084 of the Revised Code shall be encumbered in accordance 65492
with section 3318.11 of the Revised Code. Encumbrance of 65493
additional amounts to cover the state's proportionate share of 65494
later segments shall be approved separately as they are approved 65495
by the school district electors or as the district applies a local 65496
donated contribution to the segments under section 3318.084 of the 65497
Revised Code. 65498

(c) The school district's maintenance levy requirement, as 65499
defined in section 3318.18 of the Revised Code, shall run for 65500
twenty-three years from the date the first segment is undertaken. 65501

~~(4) For any project under this section~~ (C) In accordance with 65502
division (R) of section 3318.08 of the Revised Code, the state 65503
funds reserved and encumbered and the funds provided by the school 65504
district to pay the basic project cost of any segment of the 65505
project under this section, or of the entire project if it is not 65506
divided into segments, shall be spent on the construction and 65507
acquisition of the project simultaneously in proportion to the 65508
state's and the school district's respective shares of that basic 65509
project cost as determined under section 3318.032 of the Revised 65510
Code. 65511

Sec. 3318.41. (A)(1) The Ohio school facilities commission 65512
annually shall assess the classroom facilities needs of the number 65513
of joint vocational school districts that the commission 65514
reasonably expects to be able to provide assistance to in a fiscal 65515
year, based on the amount set aside for that fiscal year under 65516
division (B) of section 3318.40 of the Revised Code and the order 65517
of priority prescribed in division (B) of section 3318.42 of the 65518
Revised Code, except that in fiscal year 2004 the commission shall 65519
conduct at least the five assessments prescribed in division (E) 65520
of section 3318.40 of the Revised Code. 65521

Upon conducting an assessment of the classroom facilities 65522
needs of a school district, the commission shall make a 65523
determination of all of the following: 65524

(a) The number of classroom facilities to be included in a 65525
project and the basic project cost of acquiring the classroom 65526
facilities included in the project. The number of facilities and 65527
basic project cost shall be determined in accordance with the 65528
specifications adopted under section 3318.311 of the Revised Code 65529
except to the extent that compliance with such specifications is 65530
waived by the commission pursuant to the rule of the commission 65531
adopted under division (F) of section 3318.40 of the Revised Code. 65532

(b) The school district's portion of the basic project cost 65533
as determined under division (C) of section 3318.42 of the Revised 65534
Code; 65535

(c) The remaining portion of the basic project cost that 65536
shall be supplied by the state; 65537

(d) The amount of the state's portion of the basic project 65538
cost to be encumbered in accordance with section 3318.11 of the 65539
Revised Code in the current and subsequent fiscal years from funds 65540
set aside under division (B) of section 3318.40 of the Revised 65541
Code. 65542

(2) Divisions (A), (C), and (D) of section 3318.03 of the 65543
Revised Code apply to any project under sections 3318.40 to 65544
3318.45 of the Revised Code. 65545

(B)(1) If the commission makes a determination under division 65546
(A) of this section in favor of the acquisition of classroom 65547
facilities for a project under sections 3318.40 to 3318.45 of the 65548
Revised Code, such project shall be conditionally approved. Such 65549
conditional approval shall be submitted to the controlling board 65550
for approval. The controlling board shall immediately approve or 65551
reject the commission's determination, conditional approval, the 65552

amount of the state's portion of the basic project cost, and the 65553
amount of the state's portion of the basic project cost to be 65554
encumbered in the current fiscal year. In the event of approval by 65555
the controlling board, the commission shall certify the 65556
conditional approval to the joint vocational school district board 65557
of education and shall encumber the approved funds for the current 65558
fiscal year. 65559

(2) No school district that receives assistance under 65560
sections 3318.40 to 3318.45 of the Revised Code shall have another 65561
such project conditionally approved until the expiration of twenty 65562
years after the school district's prior project was conditionally 65563
approved, unless the school district board demonstrates to the 65564
satisfaction of the commission that the school district has 65565
experienced since conditional approval of its prior project an 65566
exceptional increase in enrollment or program requirements 65567
significantly above the school district's design capacity under 65568
that prior project as determined by rule of the commission. Any 65569
rule adopted by the commission to implement this division shall be 65570
tailored to address the classroom facilities needs of joint 65571
vocational school districts. 65572

(C) In addition to generating the amount of the school 65573
district's portion of the basic project cost as determined under 65574
division (C) of section 3318.42 of the Revised Code, in order for 65575
a school district to receive assistance under sections 3318.40 to 65576
3318.45 of the Revised Code, the school district board shall set 65577
aside school district moneys for the maintenance of the classroom 65578
facilities included in the school district's project in the amount 65579
and manner prescribed in section 3318.43 of the Revised Code. 65580

(D)(1) The conditional approval for a project certified under 65581
division (B)(1) of this section shall lapse and the amount 65582
reserved and encumbered for such project shall be released unless 65583
both of the following conditions are satisfied: 65584

(a) Within one hundred twenty days following the date of certification of the conditional approval to the joint vocational school district board, the school district board accepts the conditional approval and certifies to the commission the school district board's plan to generate the school district's portion of the basic project cost, as determined under division (C) of section 3318.42 of the Revised Code, and to set aside moneys for maintenance of the classroom facilities acquired under the project, as prescribed in section 3318.43 of the Revised Code.

(b) Within ~~one year~~ thirteen months following the date of certification of the conditional approval to the school district board, the electors of the school district vote favorably on any ballot measures proposed by the school district board to generate the school district's portion of the basic project cost.

(2) If the school district board or electors fail to satisfy the conditions prescribed in division (D)(1) of this section and the amount reserved and encumbered for the school district's project is released, the school district shall be given first priority over other joint vocational school districts for project funding under sections 3318.40 to 3318.45 of the Revised Code as such funds become available, subject to section 3318.054 of the Revised Code.

(E) If the conditions prescribed in division (D)(1) of this section are satisfied, the commission and the school district board shall enter into an agreement as prescribed in section 3318.08 of the Revised Code and shall proceed with the development of plans, cost estimates, designs, drawings, and specifications as prescribed in section 3318.091 of the Revised Code.

(F) Costs in excess of those approved by the commission under section 3318.091 of the Revised Code shall be payable only as provided in sections 3318.042 and 3318.083 of the Revised Code.

(G) Advertisement for bids and the award of contracts for construction of any project under sections 3318.40 to 3318.45 of the Revised Code shall be conducted in accordance with section 3318.10 of the Revised Code.

(H) ~~The~~ In accordance with division (R) of section 3318.08 of the Revised Code, the state funds reserved and encumbered and the funds provided by the school district to pay the basic project cost of a project under sections 3318.40 to 3318.45 of the Revised Code shall be spent simultaneously in proportion to the state's and the school district's respective portions of that basic project cost.

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised Code apply to projects under sections 3318.40 to 3318.45 of the Revised Code.

Sec. 3318.44. (A) A joint vocational school district board of education may generate the school district's portion of the basic project cost of its project under sections 3318.40 to 3318.45 of the Revised Code using any combination of the following means if lawfully employed for the acquisition of classroom facilities:

(1) The issuance of securities in accordance with Chapter 133. and section 3311.20 of the Revised Code;

(2) Local donated contributions as authorized under section 3318.084 of the Revised Code;

(3) A levy for permanent improvements under section 3311.21 or 5705.21 of the Revised Code;

(4) Bonds issued pursuant to division (B) of this section.

(B) By resolution adopted by a majority of all its members, a school district board, in order to pay all or part of the school district's portion of its basic project cost, or portions or components of classroom facilities that are not included in the

school district's basic project cost but that are related to the 65646
school district's project, may apply the proceeds of a tax levied 65647
under either section 3311.21 of the Revised Code for ten years or 65648
section 5705.21 of the Revised Code for ~~general permanent~~ 65649
~~improvements~~ a continuing period of time, if the proceeds of that 65650
levy lawfully may be used for general construction, renovation, 65651
repair, or maintenance of classroom facilities to pay debt charges 65652
on and financing costs related to bonds issued to pay all or part 65653
of the school district portion of the basic project cost of the 65654
school district's project under sections 3318.40 to 3318.45 of the 65655
Revised Code, or portions or components of classroom facilities 65656
that are not included in the school district's basic project cost 65657
but that are related to the school district's project, or to 65658
generate an amount equivalent to all or part of the amount 65659
required under section 3318.43 of the Revised Code to be used for 65660
maintenance of classroom facilities acquired under the project. 65661
Bonds issued under this division shall be Chapter 133. securities, 65662
and may be issued as general obligation securities, but the 65663
issuance of the bonds shall not be subject to a vote of the 65664
electors of the school district as long as the tax proceeds 65665
earmarked for payment of the debt charges on the bonds may 65666
lawfully be used for that purpose. Such bonds shall not be 65667
included in the calculation of net indebtedness under section 65668
133.06 of the Revised Code if the resolution authorizing their 65669
issuance includes covenants to appropriate annually, from lawfully 65670
available proceeds of a property tax levied under either section 65671
3311.21 or 5705.21 of the Revised Code, and to continue to levy 65672
that tax in amounts necessary to pay the debt charges on and 65673
financing costs related to the bonds as they become due. No 65674
property tax levied under section 5705.21 of the Revised Code that 65675
is pledged, or that the school district has covenanted to levy, 65676
collect, and appropriate annually to pay the debt charges on and 65677
financing costs related to the bonds under this section may be 65678

repealed while those bonds are outstanding. If such a tax is 65679
reduced by electors of the district or by the board of education 65680
while the bonds are outstanding, the board of education shall 65681
continue to levy and collect the tax under the authority of the 65682
original election authorizing the tax at a rate in each year that 65683
the board reasonably estimates will produce an amount in that year 65684
equal to the debt charges on the bonds in that year. 65685

No state moneys shall be released for a project to which this 65686
division applies until the proceeds of any bonds issued under this 65687
division that are dedicated for payment of the school district's 65688
portion of the basic project cost are first deposited into the 65689
school district's project construction fund. 65690

(C) A school district board of education may adopt a 65691
resolution proposing that any of the following questions be 65692
combined with a question specified in section 3318.45 of the 65693
Revised Code: 65694

(1) A bond issue question under section 133.18 of the Revised 65695
Code; 65696

(2) A tax levy question under section 3311.21 of the Revised 65697
Code; 65698

(3) A tax levy question under either section 3311.21 or 65699
5705.21 of the Revised Code. 65700

Any question described in divisions (C)(1) to (3) of this 65701
section that is combined with a question proposed under section 65702
3318.45 of the Revised Code shall be for the purpose of either 65703
paying for any permanent improvement, as defined in section 133.01 65704
of the Revised Code, or generating operating revenue specifically 65705
for the facilities acquired under the school district's project 65706
under Chapter 3318. of the Revised Code or for both to the extent 65707
such purposes are permitted by the sections of law under which 65708
each is proposed. 65709

(D) The board of education of a joint vocational school 65710
district that receives assistance under this section may enter 65711
into an agreement for joint issuance of bonds as provided for in 65712
section 3318.085 of the Revised Code. 65713

Sec. 3318.48. (A) When all of the following have occurred, a 65714
project undertaken by a school district pursuant to this chapter 65715
shall be considered complete and the Ohio school facilities 65716
commission shall issue a certificate of completion to the district 65717
board of education: 65718

(1) All facilities to be constructed under the project, as 65719
specified in the project agreement entered into under section 65720
3318.08 of the Revised Code, have been completed and the board has 65721
received a permanent certificate of occupancy for each of those 65722
facilities. 65723

(2) The commission has issued certificates of contract 65724
completion on all prime construction contracts entered into by the 65725
board under section 3318.10 of the Revised Code. 65726

(3) The commission has completed a final accounting of the 65727
district's project construction fund and has determined that all 65728
payments from the fund were made in compliance with all policies 65729
of the commission. 65730

(4) Any litigation concerning the project has been finally 65731
resolved with no chance of appeal. 65732

(5) All construction management services typically provided 65733
by the commission to school districts have been delivered and the 65734
commission has canceled any remaining encumbrance of funds for 65735
those services. 65736

(B) The commission may issue a certificate of completion to a 65737
district board prior to all of the conditions described in 65738
division (A) of this section being satisfied, if the commission 65739

determines that the circumstances preventing the conditions from 65740
being satisfied are so minor in nature that the project should be 65741
considered complete. When issuing a certificate of completion 65742
under this division, the commission may specify any of the 65743
following: 65744

(1) Any construction or work that has yet to be completed and 65745
the manner in which the board shall oversee its completion, which 65746
may include procedures for reporting progress to the commission 65747
and for accounting of expenditures; 65748

(2) Terms and conditions for the resolution of any pending 65749
litigation; 65750

(3) Any remaining responsibilities of the construction 65751
manager regarding the project. 65752

(C) The commission may issue a certificate of completion to a 65753
district board that does not voluntarily participate in the 65754
process of closing out the district's project, if the construction 65755
manager for the project verifies that all facilities to be 65756
constructed under the project, as specified in the project 65757
agreement entered into under section 3318.08 of the Revised Code, 65758
have been completed and the commission determines that those 65759
facilities have been occupied for at least one year. In that case, 65760
all funds due to the commission under division (C) of section 65761
3318.12 of the Revised Code shall be returned to the commission 65762
not later than thirty days after receipt of the certificate of 65763
completion. If the funds due to the commission have not been 65764
returned within sixty days after receipt of the certificate of 65765
completion, the auditor of state shall issue a finding for 65766
recovery against the school district and shall request legal 65767
action under section 117.42 of the Revised Code. 65768

(D) Upon issuance of a certificate of completion under this 65769
section, the commission's ownership of and interest in the 65770

project, as specified in division (F) of section 3318.08 of the 65771
Revised Code, shall cease. This cessation shall not alter or 65772
otherwise affect the state's or commission's interest in the 65773
project or any limitations on the use of the project as specified 65774
in the project agreement pursuant to divisions (G), (M), and (N) 65775
of that section or as specified in section 3318.16 of the Revised 65776
Code. 65777

Sec. 3318.49. (A) The corrective action program is hereby 65778
established to provide funding for the correction of work, in 65779
connection with a project funded under sections 3318.01 to 3318.20 65780
or sections 3318.40 to 3318.45 of the Revised Code, that is found 65781
after occupancy of the facility to be defective or to have been 65782
omitted. 65783

(B) The Ohio school facilities commission may provide funding 65784
under this section only if the school district notifies the 65785
executive director of the commission of the defective or omitted 65786
work within five years after occupancy of the facility for which 65787
the district seeks the funding. 65788

(C) The commission shall establish procedures and deadlines 65789
for school districts to follow in applying for assistance under 65790
this section. The procedures shall include definitions of 65791
"defective" and "omitted," and shall require that remediation 65792
efforts focus first on engaging the respective contractors that 65793
designed and constructed the areas that have design or 65794
construction-related issues. The commission shall consider 65795
applications on a case-by-case basis, taking into account the 65796
amount of money appropriated and available for purposes of this 65797
section. 65798

(D) The commission may provide funding assistance necessary 65799
to take corrective measures after evaluating the defective or 65800
omitted work. 65801

(1) If the work to be corrected or remediated is part of a project not yet completed, the commission may amend the project agreement to increase the project budget and use corrective action funding to provide the state portion of the amendment. If the work to be corrected or remediated is part of a completed project and funds were retained or transferred pursuant to division (C) of section 3318.12 of the Revised Code, the commission may enter into a new agreement to address the corrective action. 65802
65803
65804
65805
65806
65807
65808
65809

(2) Whether or not the project is completed, the district shall contribute a portion of the cost of the corrective action, to be determined in accordance with section 3318.032 of the Revised Code or, if the district is a joint vocational school district, section 3318.42 of the Revised Code. A district that is unable to provide its portion so that remediation can proceed may apply to the commission for additional assistance under section 3318.042 of the Revised Code. 65810
65811
65812
65813
65814
65815
65816
65817

(E) The commission shall assess responsibility for the defective or omitted work and seek cost recovery from responsible parties, if applicable. Any recovery of the expense of remediation shall be applied first to the district portion of the cost of the corrective action. Any remaining funds shall be applied to the state portion and deposited into the school building program assistance fund established under section 3318.25 of the Revised Code. 65818

65829

(2) "Ohio school facilities commission" and "classroom facilities" have the same meanings as in section 3318.01 of the Revised Code. 65830
65831
65832

(B) There is hereby established the college-preparatory boarding school facilities program. Under the program, the Ohio school facilities commission shall provide assistance to the boards of trustees of college-preparatory boarding schools established under Chapter 3328. of the Revised Code for the acquisition of classroom facilities. 65833

65835
65836
65837
65838

(C) To be eligible for assistance under this program, a board of trustees shall secure at least twenty million dollars of private money to satisfy its share of facilities acquisition. A board of trustees that receives assistance under the program shall fund the acquisition of residential facilities and any other facilities other than classroom facilities through private means. 65839
65840
65841
65842
65843
65844

(D) The lease payments made by the boards of trustees of college-preparatory boarding schools receiving assistance under the program shall be deposited into the state treasury and credited to the common schools capital facilities bond service fund created in section 151.03 of the Revised Code. 65845

Sec. 3319.081. Except as otherwise provided in division (G) of this section, in all school districts wherein the provisions of Chapter 124. of the Revised Code do not apply, the following employment contract system shall control for employees whose contracts of employment are not otherwise provided by law: 65857
65858
65859
65860
65861

(A) Newly hired regular nonteaching school employees, 65862

including regular hourly rate and per diem employees, shall enter 65863
into written contracts for their employment which shall be for a 65864
period of not more than one year. If such employees are rehired, 65865
their subsequent contract shall be for a period of two years. 65866

(B) After the termination of the two-year contract provided 65867
in division (A) of this section, if the contract of a nonteaching 65868
employee is renewed, the employee shall be continued in 65869
employment, and the salary provided in the contract may be 65870
increased but not reduced unless such reduction is a part of a 65871
uniform plan affecting the nonteaching employees of the entire 65872
district. 65873

(C) The contracts as provided for in this section may be 65874
terminated by a majority vote of the board of education. Except as 65875

drunkenness, immoral conduct, insubordination, discourteous 65880
treatment of the public, neglect of duty, or any other acts of 65881
misfeasance, malfeasance, or nonfeasance. In addition to the right 65882
of the board of education to terminate the contract of an 65883
employee, the board may suspend an employee for a definite period 65884
of time or demote the employee for the reasons set forth in this 65885
division. The action of the board of education terminating the 65886
contract of an employee or suspending or demoting the employee 65887
shall be served upon the employee by certified mail. Within ten 65888
days following the receipt of such notice by the employee, the 65889
employee may file an appeal, in writing, with the court of common 65890
pleas of the county in which such school board is situated. After 65891
hearing the appeal the common pleas court may affirm, disaffirm, 65892
or modify the action of the school board. 65893

A violation of division (A)(7) of section 2907.03 of the 65894

Revised Code is grounds for termination of employment of a nonteaching employee under this division. 65895
65896

(D) All employees who have been employed by a school district where the provisions of Chapter 124. of the Revised Code do not apply, for a period of at least three years on November 24, 1967, shall hold continuing contracts of employment pursuant to this section. 65897

65903
65904
65905

Sec. 3319.0810. (A) The board of education of any school district wherein the provisions of Chapter 124. of the Revised Code do not apply may terminate any of its transportation staff positions for reasons of economy and efficiency if the board instead of employing its own staff to transport some or all of the students enrolled in the district schools enters into a contract with an independent agent for the provision of transportation services for such students. Such a contract may be entered into 65918
65919
65920
65921
65922
65923
65924
65925

only if all of the following conditions are satisfied: 65926

(1) Any collective bargaining agreement between the employee organization representing the employees whose positions are terminated under this section and the board has expired or will expire within sixty days and has not been renewed in conformance with provisions of that agreement and with Chapter 4117. of the Revised Code, or the agreement contains provisions permitting the termination of positions for reasons of economy and efficiency while the agreement is in force and the board is in conformance with those provisions. 65927
65928
65929
65930
65931
65932
65933
65934
65935

(2) The board permits any employee whose position is terminated under this section to fill any vacancy within the district's organization for which the employee is qualified. The board shall select from among similarly qualified employees to fill such vacancies pursuant to procedures established under any collective bargaining agreement between the employee organization representing the terminated employees and the board that is in force at the time of the termination, or in absence of such provisions on the basis of seniority of employment by the board with the employee with the greatest seniority having highest priority. 65936
65937
65938
65939
65940
65941
65942
65943
65944
65945
65946

(3) Unless a collective bargaining agreement between the employee organization representing the terminated employees and the board that is in force at the time of the termination provides otherwise, the board permits any employee whose position is terminated under this section to fill the employee's former position in the event that the board reinstates that position within one year after the date the position is terminated under this section. 65947
65948
65949
65950
65951
65952
65953
65954

(4) The board permits any employee whose position is terminated under this section to appeal in accordance with section 119.12 of the Revised Code the board's decision to terminate the 65955
65956
65957

employee's position, not to hire that employee for another 65958
position pursuant to division (A)(2) of this section, or not to 65959
rehire that employee for the position if it is reinstated within 65960
one year after the position is terminated pursuant to division 65961
(A)(3) of this section. 65962

(5) The contract entered into by the board and an independent 65963
agent for the provision of transportation services contains a 65964
stipulation requiring the agent to consider hiring any employees 65965
of the school district whose positions are terminated under this 65966
section for similar positions within the agent's organization. 65967

(6) The contract entered into by the board and an independent 65968
agent for the provision of transportation services contains a 65969
stipulation requiring the agent to recognize for purposes of 65970
employee representation in collective bargaining any employee 65971
organization that represented the employees whose positions are 65972
terminated under this section in collective bargaining with the 65973
board at the time of the termination provided: 65974

(a) A majority of all employees in the bargaining unit agree 65975
to such representation; 65976

(b) Such representation is not prohibited by federal law, 65977
including any ruling of the national labor relations board; 65978

(c) The employee organization is not prohibited from 65979
representing nonpublic employees by other provisions of law or its 65980
own governing instruments. 65981

However, any employee whose position is terminated under this 65982
section shall not be compelled to be included in such bargaining 65983
unit if there is another bargaining unit within the agent's 65984
organization that is applicable to the employee. 65985

(B) If after terminating any positions of employment under 65986
this section the board fails to comply with any condition 65987
prescribed in division (A) of this section or fails to enforce on 65988

the agent its contractual obligations prescribed in divisions 65989
(A)(5) and (6) of this section, the terminations shall be void and 65990
the board shall reinstate the positions and fill them with the 65991
employees who filled those positions just prior to the 65992
terminations. Such employees shall be compensated at a rate equal 65993
to their rate of compensation in those positions just prior to the 65994
terminations plus any increases paid since the terminations to 65995
other nonteaching employees. The employees shall also be entitled 65996
to back pay at such rate for the period from the date of the 65997
terminations to the date of the reinstatements minus any pay 65998
received by the employees during any time the board was in 65999
compliance with such conditions or during any time the board 66000
enforced those obligations. 66001

Any employee aggrieved by the failure of the board to comply 66002
with any condition prescribed in division (A) of this section or 66003
to enforce on the agent its contractual obligations prescribed in 66004
divisions (A)(5) and (6) of this section shall have the right to 66005
sue the board for reinstatement of the employee's former position 66006
as provided for in this division in the court of common pleas for 66007
the county in which the school district is located or, if the 66008
school district is located in more than one county, in the court 66009
of common pleas for the county in which the majority of the 66010
territory of the school district is located. 66011

Sec. 3319.17. (A) As used in this section, "interdistrict 66012
contract" means any contract or agreement entered into by an 66013
educational service center governing board and another board or 66014
other public entity pursuant to section 3313.17, 3313.841, 66015
3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the 66016
Revised Code, including any such contract or agreement for the 66017
provision of services funded under division ~~(I)~~(E) of section 66018
3317.024 of the Revised Code or provided in any unit approved 66019
under section 3317.05 of the Revised Code. 66020

(B) When, for any of the following reasons that apply to any city, exempted village, local, or joint vocational school district or any educational service center, the board decides that it will be necessary to reduce the number of teachers it employs, it may make a reasonable reduction:

(1) In the case of any district or service center, return to duty of regular teachers after leaves of absence including ~~leaves provided pursuant to division (B) of section 3314.10 of the Revised Code,~~ suspension of schools, territorial changes affecting the district or center, or financial reasons;

(2) In the case of any city, exempted village, local, or joint vocational school district, decreased enrollment of pupils in the district;

(3) In the case of any governing board of a service center providing any particular service directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total number of pupils the governing board is required to provide with the service under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these interdistrict contracts;

(4) In the case of any governing board providing any particular service that it does not provide directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total level of the service the governing board is required to provide under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these interdistrict contracts.

(C) In making any such reduction, ~~any city, exempted village, local, or joint vocational school~~ the district board or service center governing board shall proceed to suspend contracts in accordance with the recommendation of the superintendent of

schools who shall, within each teaching field affected, give 66052
preference first to teachers on continuing contracts and then to 66053
teachers who have greater seniority. In making any such reduction, 66054
any governing board of a service center shall proceed to suspend 66055
contracts in accordance with the recommendation of the 66056
superintendent who shall, within each teaching field or service 66057
area affected, give preference first to teachers on continuing 66058
contracts and then to teachers who have greater seniority. 66059

On a case-by-case basis, in lieu of suspending a contract in 66060
whole, a board may suspend a contract in part, so that an 66061
individual is required to work a percentage of the time the 66062
employee otherwise is required to work under the contract and 66063
receives a commensurate percentage of the full compensation the 66064
employee otherwise would receive under the contract. 66065

The teachers whose continuing contracts are suspended by any 66066
board pursuant to this section shall have the right of restoration 66067
to continuing service status by that board in the order of 66068
seniority of service in the district or service center if and when 66069
teaching positions become vacant or are created for which any of 66070
such teachers are or become qualified. No teacher whose continuing 66071
contract has been suspended pursuant to this section shall lose 66072
that right of restoration to continuing service status by reason 66073
of having declined recall to a position that is less than 66074
full-time or, if the teacher was not employed full-time just prior 66075
to suspension of the teacher's continuing contract, to a position 66076
requiring a lesser percentage of full-time employment than the 66077
position the teacher last held while employed in the district or 66078
service center. 66079

(D) Notwithstanding any provision to the contrary in Chapter 66080
4117. of the Revised Code, the requirements of this section 66081
prevail over any conflicting provisions of agreements between 66082
employee organizations and public employers entered into after 66083

September 29, 2005. 66084

Sec. 3319.19. (A) Except as provided in division (D) of this 66085
section or division (A)(2) of section 3313.37 of the Revised Code, 66086
upon request, the board of county commissioners shall provide and 66087
equip offices in the county for the use of the superintendent of 66088
an educational service center, and shall provide heat, light, 66089
water, and janitorial services for such offices. Such offices 66090
shall be the permanent headquarters of the superintendent and 66091
shall be used by the governing board of the service center when it 66092
is in session. Except as provided in division (B) of this section, 66093
such offices shall be located in the county seat or, upon the 66094
approval of the governing board, may be located outside of the 66095
county seat. 66096

(B) In the case of a service center formed under section 66097
3311.053 ~~or 3311.059~~ of the Revised Code, the governing board 66098
shall designate the site of its offices. Except as provided in 66099
division (D) of this section or division (A)(2) of section 3313.37 66100
of the Revised Code, the board of county commissioners of the 66101
county in which the designated site is located shall provide and 66102
equip the offices as under division (A) of this section, but the 66103
costs of such offices and equipment shall be apportioned among the 66104
boards of county commissioners of all counties having any 66105
territory in the area under the control of the governing board, 66106
according to the proportion of local school district pupils under 66107
the supervision of such board residing in the respective counties. 66108
Where there is a dispute as to the amount any board of county 66109
commissioners is required to pay, the probate judge of the county 66110
in which the greatest number of pupils under the supervision of 66111
the governing board reside shall apportion such costs among the 66112
boards of county commissioners and notify each such board of its 66113
share of the costs. 66114

(C) As used in division (C) of this section, in the case of a building, facility, or office space that a board of county commissioners leases or rents, "actual cost per square foot" means all cost on a per square foot basis incurred by the board under the lease or rental agreement. In the case of a building, facility, or office space that the board owns in fee simple, "actual cost per square foot" means the fair rental value on a per square foot basis of the building, facility, or office space either as compared to a similarly situated building, facility, or office space in the general vicinity or as calculated under a formula that accounts for depreciation, amortization of improvements, and other reasonable factors, including, but not limited to, parking space and other amenities.

Not later than the thirty-first day of March of 2002, 2003, 2004, and 2005 a board of county commissioners required to provide or equip offices pursuant to division (A) or (B) of this section shall make a written estimate of the total cost it will incur for the ensuing fiscal year to provide and equip the offices and to provide heat, light, water, and janitorial services for such offices. The total estimate of cost shall include:

(1) The total square feet of space to be utilized by the educational service center;

(2) The total square feet of any common areas that should be reasonably allocated to the center and the methodology for making this allocation;

(3) The actual cost per square foot for both the space utilized by and the common area allocated to the center;

(4) An explanation of the methodology used to determine the actual cost per square foot;

(5) The estimated cost of providing heat, light, and water, including an explanation of how these costs were determined;

(6) The estimated cost of providing janitorial services 66146
including an explanation of the methodology used to determine this 66147
cost; 66148

(7) Any other estimated costs that the board anticipates it 66149
will ~~occur~~ incur and a detailed explanation of the costs and the 66150
rationale used to determine such costs. 66151

A copy of the total estimate of costs under this division 66152
shall be sent to the superintendent of the educational service 66153
center not later than the fifth day of April. The superintendent 66154
shall review the total estimate and shall notify the board of 66155
county commissioners not later than twenty days after receipt of 66156
the estimate of either agreement with the estimate or any specific 66157
objections to the estimates and the reasons for the objections. If 66158
the superintendent agrees with the estimate, it shall become the 66159
final total estimate of cost. Failure of the superintendent to 66160
make objections to the estimate by the twentieth day after receipt 66161
of it shall be deemed to mean that the superintendent is in 66162
agreement with the estimate. 66163

If the superintendent provides specific objections to the 66164
board of county commissioners, the board shall review the 66165
objections and may modify the original estimate and shall send a 66166
revised total estimate to the superintendent within ten days after 66167
the receipt of the superintendent's objections. The superintendent 66168
shall respond to the revised estimate within ten days after its 66169
receipt. If the superintendent agrees with it, it shall become the 66170
final total estimated cost. If the superintendent fails to respond 66171
within the required time, the superintendent shall be deemed to 66172
have agreed with the revised estimate. If the superintendent 66173
disagrees with the revised estimate, the superintendent shall send 66174
specific objections to the county commissioners. 66175

If a superintendent has sent specific objections to the 66176
revised estimate within the required time, the probate judge of 66177

the county which has the greatest number of resident local school 66178
district pupils under the supervision of the educational service 66179
center shall determine the final estimated cost and certify this 66180
amount to the superintendent and the board of county commissioners 66181
prior to the first day of July. 66182

(D)(1) A board of county commissioners shall be responsible 66183
for the following percentages of the final total estimated cost 66184

(d) Twenty per cent for fiscal year 2006. 66189

In fiscal years 2003, 2004, 2005, and 2006 the educational 66190

or (d) of this section, as applicable, associated with the 66193
provision and equipment of offices for the educational service 66194
center and for provision of heat, light, water, and janitorial 66195
services for such offices, including any unanticipated or 66196
unexpected increases in the costs beyond the final estimated cost 66197
amount. 66198

Beginning in fiscal year 2007, no board of county 66199

offices for an educational service center or to provide heat, 66201
light, water, or janitorial services for such offices. 66202

county commissioners and the governing board of an educational 66204
service center from entering into a contract for providing and 66205
equipping offices for the use of an educational service center and 66206
for providing heat, light, water, and janitorial services for such 66207

offices. The term of any such contract shall not exceed a period 66208
of four years and may be renewed for additional periods not to 66209

provisions of division (D)(1) of this section and no educational 66211
service center may be charged, at any time, any additional amount 66212

in such contract. 66215

responsible for tuition with the educational costs in excess of 67171

(E) The per pupil amounts paid to a school district under sections 3317.029 and 3317.0217 of the Revised Code shall be deemed to be the respective per pupil amounts paid under those sections to that district for fiscal year 2009.

(3) The cost of providing transportation in terms of equipment, maintenance, personnel, and administration;	67418 67419
(4) Whether similar or equivalent service is provided to other pupils eligible for transportation;	67420 67421
(5) Whether and to what extent the additional service unavoidably disrupts current transportation schedules;	67422 67423
(6) Whether other reimbursable types of transportation are available.	67424 67425
(B)(1) Based on its consideration of the factors established in division (A) of this section, the board may pass a resolution declaring the impracticality of transportation. The resolution shall include each pupil's name and the reason for impracticality.	67426 67427 67428 67429
(2) The board shall report its determination to the state board of education in a manner determined by the state board.	67430 67431
(3) The board of education of a local school district additionally shall submit the resolution for concurrence to the educational service center that contains the local district's territory. If the educational service center governing board considers transportation by school conveyance practicable, it shall so inform the local board and transportation shall be provided by such local board. If the educational service center board agrees with the view of the local board, the local board may offer payment in lieu of transportation as provided in this section.	67432 67433 67434 67435 67436 67437 67438 67439 67440 67441
(C) After passing the resolution declaring the impracticality of transportation, the district board shall offer to provide	67442 67443

payment in lieu of transportation by doing the following: 67444

(1) In accordance with guidelines established by the 67445

(2) Issuing the pupil's parent, guardian, or other person in 67453
charge of the pupil a contract or other form on which the parent, 67454
guardian, or other person in charge of the pupil is given the 67455
option to accept or reject the board's offer of payment in lieu of 67456
transportation. 67457

(D) If the parent, guardian, or other person in charge of the 67458
pupil accepts the offer of payment in lieu of providing 67459
transportation, the board shall pay the parent, guardian, or other 67460
person in charge of the ~~child~~ pupil an amount that shall be not 67461
less than the amount determined by the department of education as 67462
the minimum for payment in lieu of transportation, and not more 67463
than the amount determined by the department as the average cost 67464
of pupil transportation for the previous school year. Payment may 67465
be prorated if the time period involved is only a part of the 67466
school year. 67467

(E)(1)(a) Upon the request of a parent, guardian, or other 67468
person in charge of the pupil who rejected the payment in lieu of 67469
transportation, the department shall conduct mediation procedures. 67470

(b) If the mediation does not resolve the dispute, the state 67471
board of education shall conduct a hearing in accordance with 67472
Chapter 119. of the Revised Code. The state board may approve the 67473
payment in lieu of transportation or may order the board of 67474

education to provide transportation. The decision of the state 67475
board is binding in subsequent years and on future parties in 67476
interest provided the facts of the determination remain 67477
comparable. 67478

(2) The school district shall provide transportation for the 67479
pupil from the time the parent, guardian, or other person in 67480
charge of the pupil requests mediation until the matter is 67481
resolved under division (E)(1)(a) or (b) of this section. 67482

(F)(1) If the department determines that a school district 67483
board has failed or is failing to provide transportation as 67484
required by division (E)(2) of this section or as ordered by the 67485
state board under division (E)(1)(b) of this section, the 67486
department shall order the school district board to pay to the 67487
pupil's parent, guardian, or other person in charge of the pupil, 67488
an amount equal to the state average daily cost of transportation 67489
as determined by the state board of education for the previous 67490
year. The school district board shall make payments on a schedule 67491
ordered by the department. 67492

(2) If the department subsequently finds that a school 67493
district board is not in compliance with an order issued under 67494
division (F)(1) of this section and the affected pupils are 67495
enrolled in a nonpublic or community school, the department shall 67496
deduct the amount that the board is required to pay under that 67497
order from any pupil transportation payments the department makes 67498
to the school district board under section ~~3306.12~~ 3317.0212 of 67499
the Revised Code or other provisions of law. The department shall 67500
use the moneys so deducted to make payments to the nonpublic or 67501
community school attended by the pupil. The department shall 67502
continue to make the deductions and payments required under this 67503
division until the school district board either complies with the 67504
department's order issued under division (F)(1) of this section or 67505
begins providing transportation. 67506

(G) A nonpublic or community school that receives payments 67507
from the department under division (F)(2) of this section shall do 67508
either of the following: 67509

(1) Disburse the entire amount of the payments to the parent, 67510
guardian, or other person in ~~control~~ charge of the pupil affected 67511
by the failure of the school district of residence to provide 67512
transportation; 67513

(2) Use the entire amount of the payments to provide 67514
acceptable transportation for the affected pupil. 67515

Sec. 3327.04. (A) The board of education of any city, 67516
exempted village, or local school district may contract with the 67517
board of another district for the admission or transportation, or 67518
both, of pupils into any school in such other district, on terms 67519
agreed upon by such boards. 67520

(B) The boards of two school districts may enter into a 67521
contract under this section to share the provision of 67522
transportation to a child who resides in one school district and 67523
attends school in the other district. Under such an agreement, one 67524
district may claim the total transportation subsidy available for 67525
such child under section ~~3306.12~~ 3317.0212 of the Revised Code or 67526
other provisions of law and may agree to pay any portion of such 67527
subsidy to the other district sharing the provision of 67528
transportation to that child. The contract shall delineate the 67529
transportation responsibilities of each district. 67530

A school district that enters into a contract under this 67531
section is not liable for any injury, death, or loss to the person 67532
or property of a student that may occur while the student is being 67533
furnished transportation by the other school district that is a 67534
party to the contract. 67535

(C) Whenever a board not maintaining a high school enters 67536

into an agreement with one or more boards maintaining such school 67537
for the schooling of all its high school pupils, the board making 67538
such agreement is exempt from the payment of tuition at other high 67539
schools of pupils living within three miles of the school 67540
designated in the agreement. In case no such agreement is entered 67541
into, the high school to be attended can be selected by the pupil 67542
holding an eighth grade diploma, and the tuition shall be paid by 67543
the board of the district of school residence. 67544

Sec. 3327.05. (A) Except as provided in division (B) of this 67545
section, no board of education of any school district shall 67546
provide transportation for any pupil who is a school resident of 67547
another school district unless the pupil is enrolled pursuant to 67548
section 3313.98 of the Revised Code or the board of the other 67549
district has given its written consent thereto. If the board of 67550
any school district files with the state board of education a 67551
written complaint that transportation for resident pupils is being 67552
provided by the board of another school district contrary to this 67553
division, the state board of education shall make an investigation 67554
of such complaint. If the state board of education finds that 67555
transportation is being provided contrary to this section, it may 67556
withdraw from state funds due the offending district any part of 67557
the amount that has been approved for transportation pursuant to 67558
section ~~3306.12~~ 3317.0212 of the Revised Code or other provisions 67559
of law. 67560

(B) Notwithstanding division (D) of section 3311.19 and 67561
division (D) of section 3311.52 of the Revised Code, this division 67562
does not apply to any joint vocational or cooperative education 67563
school district. 67564

A board of education may provide transportation to and from 67565
the nonpublic school of attendance if both of the following apply: 67566

pupil agrees to pay the board for all costs incurred in providing 67568
the transportation that are not reimbursed pursuant to Chapter 67569

(2) The pupil's school district of residence does not provide 67571
transportation for public school pupils of the same grade as the 67572
pupil being transported under this division, or that district is 67573
not required under section 3327.01 of the Revised Code to 67574
transport the pupil to and from the nonpublic school because the 67575
direct travel time to the nonpublic school is more than thirty 67576
minutes. 67577

Upon receipt of the request to provide transportation, the 67578
board shall review the request and determine whether the board 67579
will accommodate the request. If the board agrees to transport the 67580
pupil, the board may transport the pupil to and from the nonpublic 67581
school and a collection point in the district, as determined by 67582
the board. If the board transports the pupil, the board may 67583
include the pupil in the district's transportation ADM reported to 67584
the department of education under section 3317.03 of the Revised 67585
Code and, accordingly, may receive a state payment under section 67586
~~3306.12~~ 3317.0212 of the Revised Code or other provisions of law 67587
for transporting the pupil. 67588

If the board declines to transport the pupil, the board, in a 67589
written communication to the parent, guardian, or other person in 67590
charge of the pupil, shall state the reasons for declining the 67591
request. 67592

Sec. 3328.26. (A) The department of education shall issue an 68168

annual report card for each college-preparatory boarding school 68169
established under this chapter that includes all information 68170

Revised Code. 68172

(B) For each student enrolled in the school, the department 68173
shall combine data regarding the academic performance of that 68174
student with comparable data from the school district in which the 68175
student is entitled to attend school for the purpose of 68176
calculating the performance of the district as a whole on the 68177
report card issued for the district under section 3302.03 of the 68178
Revised Code. 68179

(C) Each college-preparatory boarding school and its operator 68180
shall comply with sections 3302.04 and 3302.041 of the Revised 68181
Code, except that any action required to be taken by a school 68182
district pursuant to those sections shall be taken by the school. 68183

Sec. 3328.31. Each college-preparatory boarding school 68184
established under this chapter shall report to the department of 68185
education, in the form and manner prescribed by the department, 68186
the following information: 68187

(A) The total number of students enrolled in the school; 68188

which each student reported under division (A) of this section is 68193
entitled to attend school; 68194

(D) Any additional information the department determines 68195
necessary to make payments to the school under this chapter. 68196

Sec. 3328.32. The city, exempted village, or local school 68197

district in which each child enrolled in a college-preparatory 68198
boarding school established under this chapter is entitled to 68199
attend school shall count that child in the district's average 68200
daily membership and in the district's category one through six 68201
special education ADM, as appropriate, as reported under divisions 68202
(A) and (B)(5) to (10) of section 3317.03 of the Revised Code. 68203

The department of education shall count that child in the 68204
district's formula ADM. 68205

Sec. 3328.33. For each child enrolled in a 68206
college-preparatory boarding school, as reported under section 68207
3328.31 of the Revised Code, the department of education shall 68208
deduct from the state education aid and, if necessary, from the 68209
payment under sections 321.24 and 323.156 of the Revised Code, for 68210
the city, exempted village, or local school district in which the 68211
child is entitled to attend school an amount equal to eighty-five 68212
per cent of the operating expenditure per pupil of that district. 68213

As used in this section, a district's "operating expenditure 68214
per pupil" is the total amount of state payments and other 68215
nonfederal revenue spent by the district for operating expenses 68216
during the previous fiscal year, divided by the district's formula 68217
ADM for the previous fiscal year. 68218

Sec. 3328.34. (A) For each child enrolled in a 68219
college-preparatory boarding school, as reported under section 68220
3328.31 of the Revised Code, the department of education shall pay 68221
to the school the sum of the amount deducted from a participating 68222
school district's account for that child under section 3328.33 of 68223
the Revised Code plus the per-pupil boarding amount specified in 68224
division (B) of this section. 68225

(B) For the first fiscal year in which a college-preparatory 68226
boarding school may be established under this chapter, the 68227

"per-pupil boarding amount" is twenty-five thousand dollars. For 68228
each fiscal year thereafter, that amount shall be adjusted by the 68229
rate of inflation, as measured by the consumer price index (all 68230
urban consumers, all items) prepared by the bureau of labor 68231
statistics of the United States department of labor, for the 68232
previous twelve-month period. 68233

(C) The state board of education may accept funds from 68234
federal and state noneducation support services programs for the 68235
purpose of funding the per pupil boarding amount prescribed in 68236
division (B) of this section. Notwithstanding any other provision 68237
of the Revised Code, the state board shall coordinate and 68238
streamline any noneducation program requirements in order to 68239
eliminate redundant or conflicting requirements, licensing 68240
provisions, and oversight by government programs or agencies. The 68241
applicable regulatory entities shall, to the maximum extent 68242
possible, use independent reports and financial audits provided by 68243
the operator and coordinated by the department of education to 68244
eliminate or reduce contract and administrative reviews. 68245
Regulatory entities other than the state board may suggest 68246
reasonable additional items to be included in such independent 68247
reports and financial audits to meet any requirements of federal 68248
law. Reporting paperwork prepared for the state board shall be 68249
shared with and accepted by other state and local entities to the 68250
maximum extent feasible. 68251

(D)(1) Notwithstanding division (A) of this section, if, in 68252
any fiscal year, the operator of a college-preparatory boarding 68253
school receives federal funds for the purpose of supporting the 68254
school's operations, the amount of those federal funds shall be 68255
deducted from the total per-pupil boarding amount for all enrolled 68256
students paid by the department to the school for that fiscal 68257
year, unless the operator and the department determine otherwise 68258
in a written agreement. Any portion of the total per-pupil 68259

boarding amount for all enrolled students remaining after the 68260
deduction of the federal funds shall be paid by the department to 68261
the school from state funds appropriated to the department. 68262

(2) Notwithstanding division (A) of this section, if, in any 68263
fiscal year, the department receives federal funds for the purpose 68264
of supporting the operations of a college-preparatory boarding 68265
school, the department shall use those federal funds first to pay 68266
the school the total per-pupil boarding amount for all enrolled 68267
students for that fiscal year. Any portion of the total per-pupil 68268
boarding amount for all enrolled students remaining after the use 68269
of the federal funds shall be paid by the department to the school 68270
from state funds appropriated to the department. 68271

(3) If any federal funds are used for the purpose prescribed 68272
in division (D)(1) or (2) of this section, the department shall 68273
comply with all requirements upon which the acceptance of the 68274
federal funds is conditioned, including any requirements set forth 68275
in the funding application submitted by the operator or the 68276
department and, to the extent sufficient funds are appropriated by 68277
the general assembly, any requirements regarding maintenance of 68278
effort in expenditures. 68279

Sec. 3328.35. To the extent permitted by federal law, the 68280
department of education shall include college-preparatory boarding 68281
schools established under this chapter in its annual allocation of 68282
federal moneys under Title I of the "Elementary and Secondary 68283
Education Act of 1965," 20 U.S.C. 6301, et seq. The department may 68284
apply for any other federal moneys that may be used to support the 68285
operations of college-preparatory boarding schools established 68286
under this chapter. 68287

Sec. 3328.36. A college-preparatory boarding school 68288
established under this chapter shall be considered a school 68289

district and its board of trustees, on behalf of the school's 68290
operator, shall be considered a board of education for the purpose 68291
of applying to any state or federal agency for grants that a 68292
school district or public school may receive under federal or 68293
state law or any appropriations act of the general assembly. The 68294
college-preparatory boarding school and its operator may apply to 68295
any private entity to receive and accept funds. 68296

Sec. 3328.41. Each participating school district shall be 68297
responsible for providing transportation on a weekly basis for 68298
each student enrolled in a college-preparatory boarding school 68299
established under this chapter who is entitled to attend school in 68300
the district to and from that college-preparatory boarding school. 68301

Sec. 3328.45. (A) If the state board of education determines 68302
that a college-preparatory boarding school established under this 68303
chapter is not in compliance with any provision of this chapter or 68304
the terms of the contract entered into under section 3328.12 of 68305
the Revised Code, or that the school has failed to meet the 68306
academic goals or performance standards specified in that 68307
contract, the state board may initiate the termination procedures 68308
specified in the contract. No termination shall take effect prior 68309
to the end of a school year. Upon the effective date of a 68310
termination, the school shall close. 68311

(B) If a college-preparatory boarding school is required to 68312
close under division (A) of this section or closes for any other 68313
reason, the school's board of trustees shall execute the closing 68314
as provided in the contract under section 3328.12 of the Revised 68315
Code. 68316

Sec. 3328.50. The state board of education shall adopt rules 68317
in accordance with Chapter 119. of the Revised Code prescribing 68318

procedures necessary for the implementation of this chapter. 68319

68321

certifying that the parent or spouse resides at that residence. 68582

Residency officers may also evaluate, in accordance with the 68583
chancellor's rule, requests for immediate residency status from 68584
dependent students whose parents are not living and whose domicile 68585
follows that of a legal guardian who has accepted full-time 68586

The chancellor and the office of budget and management, and the issuing authority in the case of obligations to be issued by the issuing authority, shall evaluate each request received from a community or technical college district under this section. The chancellor, with the advice and consent of the director of budget and management and the issuing authority in the case of obligations to be issued by the issuing authority, shall approve each request if all of the following conditions are met: 69010

69014
69015
69016
69017

(1) Approval of the request will enhance the marketability of 69018

the obligations for which the request is made; 69019

(2) The chancellor and the office of budget and management, 69020
and the issuing authority in the case of obligations to be issued 69021
by the issuing authority, have no reason to believe the requesting 69022
community or technical college district or the community or 69023
technical college it operates will be unable to pay when due the 69024
bond service charges on the obligations for which the request is 69025
made, and bond service charges on those obligations are therefore 69026
not anticipated to be paid pursuant to this section from the 69027
allocated state share of instruction for purposes of Section 17 of 69028
Article VIII, Ohio Constitution. 69029

(3) Any other pertinent conditions established in rules 69030
adopted under division (H) of this section. 69031

(C) If the chancellor approves the request of a community or 69032
technical college district to withhold and deposit funds pursuant 69033
to this section, the chancellor shall enter into a written 69034
agreement with the district and the primary paying agent or fiscal 69035
agent for the obligations, which agreement shall provide for the 69036
withholding of funds pursuant to this section for the payment of 69037
bond service charges on those obligations. The agreement may also 69038
include both of the following: 69039

(1) Provisions for certification by the district to the 69040
chancellor, prior to the deadline for payment of the applicable 69041
bond service charges, whether the district and the community or 69042
technical college it operates are able to pay those bond service 69043
charges when due; 69044

(2) Requirements that the district or the community or 69045
technical college it operates deposits amounts for the payment of 69046
those bond service charges with the primary paying agent or fiscal 69047
agent for the obligations prior to the date on which the bond 69048
service charges are due to the owners or holders of the 69049

obligations. 69050

(D) Whenever a district or the community or technical college 69051
it operates notifies the chancellor that it will not be able to 69052
pay the bond service charges when they are due, subject to the 69053
withholding provisions of this section, or whenever the applicable 69054
paying agent or fiscal agent notifies the chancellor that it has 69055
not timely received from a district or from the college it 69056
operates the full amount needed for payment of the bond service 69057
charges when due to the holders or owners of such obligations, the 69058
chancellor shall immediately contact the district or college and 69059
the paying agent or fiscal agent to confirm that the district and 69060
the college are not able to make the required payment by the date 69061
on which it is due. 69062

If the chancellor confirms that the district and the college 69063
are not able to make the payment and the payment will not be made 69064
pursuant to a credit enhancement facility, the chancellor shall 69065
promptly pay to the applicable primary paying agent or fiscal 69066
agent the lesser of the amount due for bond service charges or the 69067
amount of the next periodic distribution scheduled to be made to 69068
the district or to the college in respect of its allocated state 69069
share of instruction. If this amount is insufficient to pay the 69070
total amount then due the agent for the payment of bond service 69071
charges, the chancellor shall continue to pay to the agent from 69072
each periodic distribution thereafter, and until the full amount 69073
due the agent for unpaid bond service charges is paid in full, the 69074
lesser of the remaining amount due the agent for bond service 69075
charges or the amount of the next periodic distribution scheduled 69076
to be made to the district or college in respect of its allocated 69077
state share of instruction. 69078

(E) The chancellor may make any payments under this section 69079

district or community or technical college subject to this section 69084
or to the reimbursement of the provider of a credit enhancement 69085
facility that has paid the bond service charges. 69086

(F) The chancellor may make payments under this section to 69087
paying agents or fiscal agents during any fiscal biennium of the 69088
state only from and to the extent that money is appropriated to 69089
the board of regents by the general assembly for distribution 69090
during such biennium for the state share of instruction and only 69091
to the extent that a portion of the state share of instruction has 69092
been allocated to the community or technical college district or 69093
community or technical college. Obligations of the issuing 69094
authority or of a community or technical college district to which 69095
this section is made applicable do not constitute an obligation or 69096
a debt or a pledge of the faith, credit, or taxing power of the 69097
state, and the holders or owners of those obligations have no 69098
right to have excises or taxes levied or appropriations made by 69099
the general assembly for the payment of bond service charges on 69100
the obligations, and the obligations shall contain a statement to 69101
that effect. The agreement for or the actual withholding and 69102
payment of money under this section does not constitute the 69103
assumption by the state of any debt of a community or technical 69104
college district or a community or technical college, and bond 69105
service charges on the related obligations are not anticipated to 69106
be paid from the state general revenue fund for purposes of 69107
Section 17 of Article VIII, Ohio Constitution. 69108

(G) In the case of obligations subject to the withholding 69109
provisions of this section, the issuing community or technical 69110
college district, or the issuing authority in the case of 69111
obligations issued by the issuing authority, shall appoint a 69112
paying agent or fiscal agent who is not an officer or employee of 69113

the district or college. 69114

(H) The chancellor, with the advice and consent of the office 69115
of budget and management, may adopt reasonable rules not 69116
inconsistent with this section for the implementation of this 69117
section to secure payment of bond service charges on obligations 69118
issued by a community or technical college district or by the 69119
issuing authority for the benefit of a community or technical 69120
college district or the community or technical college it 69121
operates. Those rules shall include criteria for the evaluation 69122
and approval or denial of community or technical college district 69123
requests for withholding under this section. 69124

(I) The authority granted by this section is in addition to 69125
and not a limitation on any other authorizations granted by or 69126
pursuant to law for the same or similar purposes. 69127

for the program. In order to receive such a deferment, nonresident 69133

year of employment and residency in the state after graduation, at 69139
which time the remaining amount owed shall be forgiven under 69140
division (C) of section 3333.94 of the Revised Code. 69141

(B) The chancellor shall adopt rules in accordance with 69142
Chapter 119. of the Revised Code to establish and administer the 69143
program. Such rules shall include, but not be limited to, all of 69144

<u>(5) A procedure for recipients who transfer to other state institutions of higher education;</u>	69151
<u>(6) Conditions under which a deferment shall be canceled.</u>	69152
<u>The chancellor shall require that all applicants to the deferment program shall file a statement of selective service status in compliance with section 3345.32 of the Revised Code, if applicable, and that all applicants have not been convicted of, plead guilty to, or adjudicated a delinquent child for any violation listed in section 3333.38 of the Revised Code.</u>	69153
<u>(C)(1) Tuition surcharge deferment recipients shall reside and work in the state for not less than five years immediately subsequent to receiving a degree from a state institution of higher education.</u>	69154
<u>(2) If a student who receives a deferral under this section as an undergraduate enrolls in a graduate program at a state institution of higher education in the academic year subsequent to graduation, division (C)(1) of this section shall not apply until the student graduates from the graduate program in which that student is enrolled.</u>	69155
<u>(D) The board of trustees of any state institution of higher</u>	69156

education may do either of the following: 69175

(1) Limit the number of nonresident students enrolled in that state institution who may participate in the program established in this section; 69176
69177
69178

(2) Establish eligibility standards for students enrolled in that state institution to qualify for and to continue participating in the program established under this section. 69179
69180
69181

Sec. 3333.94. (A) Each recipient who accepts an out-of-state tuition surcharge payment deferment under section 3333.93 of the Revised Code, or the recipient's parent if the recipient is younger than eighteen years of age, shall sign a promissory note payable to the state in the event the recipient does not satisfy the requirements of division (C) of section 3333.93 of the Revised Code or the deferment is terminated. The amount payable under the note shall be the amount of deferred total out-of-state tuition surcharge accrued by the recipient. The period of repayment under the note shall be determined by the chancellor of the Ohio board of regents. The note shall stipulate that the obligation to make payments under the note is canceled after the recipient has lived and worked in the state for five years after graduation in accordance with division (C) of section 3333.93 of the Revised Code, or if the recipient dies or becomes totally and permanently disabled. 69182

credited to either the variable operating fund or the index 69289
operating fund at the discretion of the authority. These funds are 69290
hereby created in the state treasury. Expenses incurred in the 69291
administration of the variable college savings program, as well as 69292

leased by the district and the only source of supply for such 70314
supplies, part, or parts is limited to a single supplier; 70315

(C) The lease is a renewal of a lease for electronic data 70316

processing equipment, services, or systems; 70317

(D) Services or supplies are available from a qualified 70318

~~such county, then in a newspaper of general circulation therein.~~ 70329

The board shall have authority to publicize information 70330
relative to registration or elections. 70331

Sec. 3501.17. (A) The expenses of the board of elections 70332
shall be paid from the county treasury, in pursuance of 70333
appropriations by the board of county commissioners, in the same 70334
manner as other county expenses are paid. If the board of county 70335
commissioners fails to appropriate an amount sufficient to provide 70336
for the necessary and proper expenses of the board of elections 70337
pertaining to the conduct of elections, the board of elections may 70338

The board of elections shall not incur any obligation 70345
involving the expenditure of money unless there are moneys 70346

sufficient in the funds appropriated therefor to meet the 70347
obligation. If the board of elections requests a transfer of funds 70348
from one of its appropriation items to another, the board of 70349
county commissioners shall adopt a resolution providing for the 70350
transfer except as otherwise provided in section 5705.40 of the 70351
Revised Code. The expenses of the board of elections shall be 70352
apportioned among the county and the various subdivisions as 70353
provided in this section, and the amount chargeable to each 70354
subdivision shall be withheld by the county auditor from the 70355
moneys payable thereto at the time of the next tax settlement. At 70356
the time of submitting budget estimates in each year, the board of 70357
elections shall submit to the taxing authority of each 70358
subdivision, upon the request of the subdivision, an estimate of 70359
the amount to be withheld from the subdivision during the next 70360
fiscal year. 70361

A board of township trustees may, by resolution, request that 70362
the county auditor withhold expenses charged to the township from 70363
a specified township fund that is to be credited with revenue at a 70364
tax settlement. The resolution shall specify the tax levy ballot 70365
issue, the date of the election on the levy issue, and the 70366
township fund from which the expenses the board of elections 70367
incurs related to that ballot issue shall be withheld. 70368

(B) Except as otherwise provided in division (F) of this 70369
section, the compensation of the members of the board of elections 70370
and of the director, deputy director, and regular employees in the 70371
board's offices, other than compensation for overtime worked; the 70372
expenditures for the rental, furnishing, and equipping of the 70373
office of the board and for the necessary office supplies for the 70374
use of the board; the expenditures for the acquisition, repair, 70375
care, and custody of the polling places, booths, guardrails, and 70376
other equipment for polling places; the cost of tally sheets, 70377
maps, flags, ballot boxes, and all other permanent records and 70378

equipment; the cost of all elections held in and for the state and 70379
county; and all other expenses of the board which are not 70380
chargeable to a political subdivision in accordance with this 70381
section shall be paid in the same manner as other county expenses 70382
are paid. 70383

(C) The compensation of judges of elections and intermittent 70384
employees in the board's offices; the cost of renting, moving, 70385
heating, and lighting polling places and of placing and removing 70386
ballot boxes and other fixtures and equipment thereof, including 70387
voting machines, marking devices, and automatic tabulating 70388
equipment; the cost of printing and delivering ballots, cards of 70389
instructions, registration lists required under section 3503.23 of 70390

supplies required to comply with division (H) of section 3506.01 70392
of the Revised Code; the cost of contractors engaged by the board 70393
to prepare, program, test, and operate voting machines, marking 70394
devices, and automatic tabulating equipment; and all other 70395
expenses of conducting primaries and elections in the odd-numbered 70396
years shall be charged to the subdivisions in and for which such 70397
primaries or elections are held. The charge for each primary or 70398
general election in odd-numbered years for each subdivision shall 70399
be determined in the following manner: first, the total cost of 70400
all chargeable items used in conducting such elections shall be 70401
ascertained; second, the total charge shall be divided by the 70402
number of precincts participating in such election, in order to 70403
fix the cost per precinct; third, the cost per precinct shall be 70404
prorated by the board of elections to the subdivisions conducting 70405
elections for the nomination or election of offices in such 70406
precinct; fourth, the total cost for each subdivision shall be 70407
determined by adding the charges prorated to it in each precinct 70408
within the subdivision. 70409

(D) The entire cost of special elections held on a day other 70410

than the day of a primary or general election, both in 70411
odd-numbered or in even-numbered years, shall be charged to the 70412
subdivision. Where a special election is held on the same day as a 70413
primary or general election in an even-numbered year, the 70414
subdivision submitting the special election shall be charged only 70415
for the cost of ballots and advertising. Where a special election 70416
is held on the same day as a primary or general election in an 70417
odd-numbered year, the subdivision submitting the special election 70418
shall be charged for the cost of ballots and advertising for such 70419
special election, in addition to the charges prorated to such 70420
subdivision for the election or nomination of candidates in each 70421
precinct within the subdivision, as set forth in the preceding 70422
paragraph. 70423

(E) Where a special election is held on the day specified by 70424
division (E) of section 3501.01 of the Revised Code for the 70425
holding of a primary election, for the purpose of submitting to 70426
the voters of the state constitutional amendments proposed by the 70427
general assembly, and a subdivision conducts a special election on 70428
the same day, the entire cost of the special election shall be 70429
divided proportionally between the state and the subdivision based 70430
upon a ratio determined by the number of issues placed on the 70431
ballot by each, except as otherwise provided in division (G) of 70432
this section. Such proportional division of cost shall be made 70433
only to the extent funds are available for such purpose from 70434
amounts appropriated by the general assembly to the secretary of 70435
state. If a primary election is also being conducted in the 70436
subdivision, the costs shall be apportioned as otherwise provided 70437
in this section. 70438

(F) When a precinct is open during a general, primary, or 70439
special election solely for the purpose of submitting to the 70440
voters a statewide ballot issue, the state shall bear the entire 70441
cost of the election in that precinct and shall reimburse the 70442

county for all expenses incurred in opening the precinct. 70443

(G)(1) The state shall bear the entire cost of advertising in 70444
newspapers statewide ballot issues, explanations of those issues, 70445
and arguments for or against those issues, as required by Section 70446
1g of Article II and Section 1 of Article XVI, Ohio Constitution, 70447
and any other section of law. Appropriations made to the 70448
controlling board shall be used to reimburse the secretary of 70449
state for all expenses the secretary of state incurs for such 70450
advertising under division (G) of section 3505.062 of the Revised 70451
Code. 70452

(2) There is hereby created in the state treasury the 70453
statewide ballot advertising fund. The fund shall receive 70454
transfers approved by the controlling board, and shall be used by 70455
the secretary of state to pay the costs of advertising state 70456
ballot issues as required under division (G)(1) of this section. 70457
Any such transfers may be requested from and approved by the 70458
controlling board prior to placing the advertising, in order to 70459
facilitate timely provision of the required advertising. 70460

(H) The cost of renting, heating, and lighting registration 70461
places; the cost of the necessary books, forms, and supplies for 70462
the conduct of registration; and the cost of printing and posting 70463
precinct registration lists shall be charged to the subdivision in 70464
which such registration is held. 70465

(I) At the request of a majority of the members of the board 70466
of elections, the board of county commissioners may, by 70467
resolution, establish an elections revenue fund. Except as 70468
otherwise provided in this division, the purpose of the fund shall 70469
be to accumulate revenue withheld by or paid to the county under 70470
this section for the payment of any expense related to the duties 70471
of the board of elections specified in section 3501.11 of the 70472
Revised Code, upon approval of a majority of the members of the 70473
board of elections. The fund shall not accumulate any revenue 70474

withheld by or paid to the county under this section for the 70475
compensation of the members of the board of elections or of the 70476
director, deputy director, or other regular employees in the 70477
board's offices, other than compensation for overtime worked. 70478

Notwithstanding sections 5705.14, 5705.15, and 5705.16 of the 70479
Revised Code, the board of county commissioners may, by 70480
resolution, transfer money to the elections revenue fund from any 70481
other fund of the political subdivision from which such payments 70482
lawfully may be made. Following an affirmative vote of a majority 70483
of the members of the board of elections, the board of county 70484
commissioners may, by resolution, rescind an elections revenue 70485
fund established under this division. If an elections revenue fund 70486
is rescinded, money that has accumulated in the fund shall be 70487
transferred to the county general fund. 70488

(J) As used in this section: 70489

(1) "Political subdivision" and "subdivision" mean any board 70490
of county commissioners, board of township trustees, legislative 70491
authority of a municipal corporation, board of education, or any 70492
other board, commission, district, or authority that is empowered 70493
to levy taxes or permitted to receive the proceeds of a tax levy, 70494
regardless of whether the entity receives tax settlement moneys as 70495
described in division (A) of this section; 70496

(2) "Statewide ballot issue" means any ballot issue, whether 70497
proposed by the general assembly or by initiative or referendum, 70498
that is submitted to the voters throughout the state. 70499

Sec. 3505.13. A contract for the printing of ballots 70500
involving a cost in excess of ten thousand dollars shall not be 70501
let until after five days' notice published once in a ~~leading~~ 70502
newspaper ~~published~~ of general circulation in the county or upon 70503
notice given by mail by the board of elections, addressed to the 70504
responsible printing offices within the state. Except as otherwise 70505

provided in this section, each bid for such printing must be 70506
accompanied by a bond with at least two sureties, or a surety 70507
company, satisfactory to the board, in a sum double the amount of 70508
the bid, conditioned upon the faithful performance of the contract 70509
for such printing as is awarded and for the payment as damages by 70510
such bidder to the board of any excess of cost over the bid which 70511
it may be obliged to pay for such work by reason of the failure of 70512
the bidder to complete the contract. No bid unaccompanied by such 70513
bond shall be considered by the board. The board may, however, 70514
waive the requirement that each bid be accompanied by a bond if 70515
the cost of the contract is ten thousand dollars or less. The 70516
contract shall be let to the lowest responsible bidder in the 70517
state. All ballots shall be printed within the state. 70518

Sec. 3506.05. (A) As used in this section, except when used 70519
as part of the phrase "tabulating equipment" or "automatic 70520
tabulating equipment": 70521

(1) "Equipment" means a voting machine, marking device, 70522
automatic tabulating equipment, or software. 70523

(2) "Vendor" means the person that owns, manufactures, 70524
distributes, or has the legal right to control the use of 70525
equipment, or the person's agent. 70526

(B) No voting machine, marking device, automatic tabulating 70527
equipment, or software for the purpose of casting or tabulating 70528
votes or for communications among systems involved in the 70529
tabulation, storage, or casting of votes shall be purchased, 70530
leased, put in use, or continued to be used, except for 70531
experimental use as provided in division (B) of section 3506.04 of 70532
the Revised Code, unless it, a manual of procedures governing its 70533
use, and training materials, service, and other support 70534
arrangements have been certified by the secretary of state and 70535
unless the board of elections of each county where the equipment 70536

will be used has assured that a demonstration of the use of the 70537
equipment has been made available to all interested electors. The 70538
secretary of state shall appoint a board of voting machine 70539
examiners to examine and approve equipment and its related manuals 70540
and support arrangements. The board shall consist of four members, 70541
who shall be appointed as follows: 70542

(1) Two members appointed by the secretary of state. 70543

(2) One member appointed by either the speaker of the house 70544
of representatives or the minority leader of the house of 70545
representatives, whichever is a member of the opposite political 70546
party from the one to which the secretary of state belongs. 70547

(3) One member appointed by either the president of the 70548
senate or the minority leader of the senate, whichever is a member 70549
of the opposite political party from the one to which the 70550
secretary of state belongs. 70551

In all cases of a tie vote or a disagreement in the board, if 70552
no decision can be arrived at, the board shall submit the matter 70553
in controversy to the secretary of state, who shall summarily 70554
decide the question, and the secretary of state's decision shall 70555
be final. Each member of the board shall be a competent and 70556
experienced election officer or a person who is knowledgeable 70557
about the operation of voting equipment and shall serve during the 70558
secretary of state's term. Any vacancy on the board shall be 70559
filled in the same manner as the original appointment. The 70560
secretary of state shall provide staffing assistance to the board, 70561
at the board's request. 70562

For the member's service, each member of the board shall 70563
receive three hundred dollars per day for each combination of 70564
marking device, tabulating equipment, and voting machine examined 70565
and reported, but in no event shall a member receive more than six 70566
hundred dollars to examine and report on any one marking device, 70567

item of tabulating equipment, or voting machine. Each member of 70568
the board shall be reimbursed for expenses the member incurs 70569
during an examination or during the performance of any related 70570
duties that may be required by the secretary of state. 70571
Reimbursement of these expenses shall be made in accordance with, 70572
and shall not exceed, the rates provided for under section 126.31 70573
of the Revised Code. 70574

Neither the secretary of state nor the board, nor any public 70575
officer who participates in the authorization, examination, 70576
testing, or purchase of equipment, shall have any pecuniary 70577
interest in the equipment or any affiliation with the vendor. 70578

(C)(1) A vendor who desires to have the secretary of state 70579
certify equipment shall first submit the equipment, all current 70580
related procedural manuals, and a current description of all 70581
related support arrangements to the board of voting machine 70582
examiners for examination, testing, and approval. The submission 70583
shall be accompanied by a fee of ~~eighteen~~ two thousand four 70584
hundred dollars and a detailed explanation of the construction and 70585
method of operation of the equipment, a full statement of its 70586
advantages, and a list of the patents and copyrights used in 70587
operations essential to the processes of vote recording and 70588
tabulating, vote storage, system security, and other crucial 70589
operations of the equipment as may be determined by the board. An 70590
additional fee, in an amount to be set by rules promulgated by the 70591
board, may be imposed to pay for the costs of alternative testing 70592
or testing by persons other than board members, record-keeping, 70593
and other extraordinary costs incurred in the examination process. 70594
Moneys not used shall be returned to the person or entity 70595
submitting the equipment for examination. 70596

(2) Fees collected by the secretary of state under this 70597
section shall be deposited into the state treasury to the credit 70598
of the board of voting machine examiners fund, which is hereby 70599

created. All moneys credited to this fund shall be used solely for 70600
the purpose of paying for the services and expenses of each member 70601
of the board or for other expenses incurred relating to the 70602
examination, testing, reporting, or certification of voting 70603
machine devices, the performance of any related duties as required 70604
by the secretary of state, or the reimbursement of any person 70605
submitting an examination fee as provided in this chapter. 70606

(D) Within sixty days after the submission of the equipment 70607
and payment of the fee, or as soon thereafter as is reasonably 70608
practicable, but in any event within not more than ninety days 70609
after the submission and payment, the board of voting machine 70610
examiners shall examine the equipment and file with the secretary 70611
of state a written report on the equipment with its 70612
recommendations and its determination or condition of approval 70613
regarding whether the equipment, manual, and other related 70614
materials or arrangements meet the criteria set forth in sections 70615
3506.07 and 3506.10 of the Revised Code and can be safely used by 70616
the voters at elections under the conditions prescribed in Title 70617
XXXV of the Revised Code, or a written statement of reasons for 70618
which testing requires a longer period. The board may grant 70619
temporary approval for the purpose of allowing experimental use of 70620
equipment. If the board finds that the equipment meets the 70621
criteria set forth in sections 3506.06, 3506.07, and 3506.10 of 70622
the Revised Code, can be used safely and can be depended upon to 70623
record and count accurately and continuously the votes of 70624
electors, and has the capacity to be warranted, maintained, and 70625
serviced, it shall approve the equipment and recommend that the 70626
secretary of state certify the equipment. The secretary of state 70627
shall notify all boards of elections of any such certification. 70628
Equipment of the same model and make, if it provides for recording 70629
of voter intent, system security, voter privacy, retention of 70630
vote, and communication of voting records in an identical manner, 70631
may then be adopted for use at elections. 70632

(E) The vendor shall notify the secretary of state, who shall then notify the board of voting machine examiners, of any enhancement and any significant adjustment to the hardware or software that could result in a patent or copyright change or that significantly alters the methods of recording voter intent, system security, voter privacy, retention of the vote, communication of voting records, and connections between the system and other systems. The vendor shall provide the secretary of state with an updated operations manual for the equipment, and the secretary of state shall forward the manual to the board. Upon receiving such a notification and manual, the board may require the vendor to submit the equipment to an examination and test in order for the equipment to remain certified. The board or the secretary of state shall periodically examine, test, and inspect certified equipment to determine continued compliance with the requirements of this chapter and the initial certification. Any examination, test, or inspection conducted for the purpose of continuing certification of any equipment in which a significant problem has been uncovered or in which a record of continuing problems exists shall be performed pursuant to divisions (C) and (D) of this section, in the same manner as the examination, test, or inspection is performed for initial approval and certification.

(F) If, at any time after the certification of equipment, the board of voting machine examiners or the secretary of state is notified by a board of elections of any significant problem with the equipment or determines that the equipment fails to meet the requirements necessary for approval or continued compliance with the requirements of this chapter, or if the board of voting machine examiners determines that there are significant enhancements or adjustments to the hardware or software, or if notice of such enhancements or adjustments has not been given as required by division (E) of this section, the secretary of state shall notify the users and vendors of that equipment that

certification of the equipment may be withdrawn. 70666

(G)(1) The notice given by the secretary of state under 70667
division (F) of this section shall be in writing and shall specify 70668
both of the following: 70669

(a) The reasons why the certification may be withdrawn; 70670

(b) The date on which certification will be withdrawn unless 70671
the vendor takes satisfactory corrective measures or explains why 70672
there are no problems with the equipment or why the enhancements 70673
or adjustments to the equipment are not significant. 70674

(2) A vendor who receives a notice under division (F) of this 70675
section shall, within thirty days after receiving it, submit to 70676
the board of voting machine examiners in writing a description of 70677
the corrective measures taken and the date on which they were 70678
taken, or the explanation required under division (G)(1)(b) of 70679
this section. 70680

(3) Not later than fifteen days after receiving a written 70681
description or explanation under division (G)(2) of this section 70682
from a vendor, the board shall determine whether the corrective 70683
measures taken or the explanation is satisfactory to allow 70684
continued certification of the equipment, and the secretary of 70685
state shall send the vendor a written notice of the board's 70686
determination, specifying the reasons for it. If the board has 70687
determined that the measures taken or the explanation given is 70688
unsatisfactory, the notice shall include the effective date of 70689
withdrawal of the certification. This date may be different from 70690
the date originally specified in division (G)(1)(b) of this 70691
section. 70692

(4) A vendor who receives a notice under division (G)(3) of 70693
this section indicating a decision to withdraw certification may, 70694
within thirty days after receiving it, request in writing that the 70695
board hold a hearing to reconsider its decision. Any interested 70696

party shall be given the opportunity to submit testimony or 70697
documentation in support of or in opposition to the board's 70698
recommendation to withdraw certification. Failure of the vendor to 70699
take appropriate steps as described in division (G)(1)(b) or to 70700
comply with division (G)(2) of this section results in a waiver of 70701
the vendor's rights under division (G)(4) of this section. 70702

(H)(1) The secretary of state, in consultation with the board 70703
of voting machine examiners, shall establish, by rule, guidelines 70704
for the approval, certification, and continued certification of 70705
the voting machines, marking devices, and tabulating equipment to 70706
be used under Title XXXV of the Revised Code. The guidelines shall 70707
establish procedures requiring vendors or computer software 70708
developers to place in escrow with an independent escrow agent 70709
approved by the secretary of state a copy of all source code and 70710
related documentation, together with periodic updates as they 70711
become known or available. The secretary of state shall require 70712
that the documentation include a system configuration and that the 70713
source code include all relevant program statements in low- or 70714
high-level languages. As used in this division, "source code" does 70715
not include variable codes created for specific elections. 70716

(2) Nothing in any rule adopted under division (H) of this 70717
section shall be construed to limit the ability of the secretary 70718
of state to follow or adopt, or to preclude the secretary of state 70719
from following or adopting, any guidelines proposed by the federal 70720
election commission, any entity authorized by the federal election 70721
commission to propose guidelines, the election assistance 70722
commission, or any entity authorized by the election assistance 70723
commission to propose guidelines. 70724

(3)(a) Before the initial certification of any direct 70725
recording electronic voting machine with a voter verified paper 70726
audit trail, and as a condition for the continued certification 70727
and use of those machines, the secretary of state shall establish, 70728

by rule, standards for the certification of those machines. Those 70729
standards shall include, but are not limited to, all of the 70730
following: 70731

(i) A definition of a voter verified paper audit trail as a 70732
paper record of the voter's choices that is verified by the voter 70733
prior to the casting of the voter's ballot and that is securely 70734
retained by the board of elections; 70735

(ii) Requirements that the voter verified paper audit trail 70736
shall not be retained by any voter and shall not contain 70737
individual voter information; 70738

be removed by the voter from the polling place, such as a receipt 70741
or voter confirmation; 70742

(iv) A requirement that paper used in producing a voter 70743
verified paper audit trail be sturdy, clean, and resistant to 70744
degradation; 70745

(v) A requirement that the voter verified paper audit trail 70746
shall be capable of being optically scanned for the purpose of 70747
conducting a recount or other audit of the voting machine and 70748
shall be readable in a manner that makes the voter's ballot 70749
choices obvious to the voter without the use of computer or 70750
electronic codes; 70751

(vi) A requirement, for office-type ballots, that the voter 70752
verified paper audit trail include the name of each candidate 70753
selected by the voter; 70754

(vii) A requirement, for questions and issues ballots, that 70755
the voter verified paper audit trail include the title of the 70756
question or issue, the name of the entity that placed the question 70757
or issue on the ballot, and the voter's ballot selection on that 70758
question or issue, but not the entire text of the question or 70759

issue. 70760

(b) The secretary of state, by rule adopted under Chapter 70761
119. of the Revised Code, may waive the requirement under division 70762
(H)(3)(a)(v) of this section, if the secretary of state determines 70763
that the requirement is cost prohibitive. 70764

(4)(a) Except as otherwise provided in division (H)(4)(c) of 70765
this section, any voting machine, marking device, or automatic 70766
tabulating equipment initially certified or acquired on or after 70767

as a condition of continued certification and use, the voting 70773
system standards adopted by the federal election commission in 70774
2002. 70775

(c) A county that acquires additional voting machines, 70776
marking devices, or automatic tabulating equipment on or after 70777
December 1, 2008, shall not be considered to have acquired those 70778
machines, devices, or equipment on or after December 1, 2008, for 70779
the purpose of division (H)(4)(a) of this section if all of the 70780
following apply: 70781

(i) The voting machines, marking devices, or automatic 70782
tabulating equipment acquired are the same as the machines, 70783
devices, or equipment currently used in that county. 70784

services is not made through third-party benefits. When a third 70945
party fails to act on an application or claim for benefits by a 70946

medically handicapped child or the child's parent or guardian, the 70947

Third-party benefits received shall be applied to the amount 70951
determined under division (E) of this section. Third-party 70952

appeals under this division and to serve as children's, parents', 70979
or guardians' advocates in matters pertaining to the 70980
administration of the program for medically handicapped children 70981
and eligibility for program services. The ombudspersons shall 70982
receive no compensation but shall be reimbursed by the department, 70983
in accordance with rules of the office of budget and management, 70984
for their actual and necessary travel expenses incurred in the 70985

the department to provide a discount on the price of the drug or 70996

of the discount. 71004

(3) In lieu of establishing a discount program as described 71005
in division (J)(1) of this section, the department and a 71006
manufacturer of a drug or nutritional formula may discuss a 71007
donation of drugs, nutritional formulas, or money by the 71008
manufacturer to the department. 71009

chapter or another chapter of the Revised Code in any action or 73324
proceeding other than an action commenced under division (I) of 73325
section 3721.17 of the Revised Code. Those results of an 73326

chapter or another chapter of the Revised Code. 73334

(2) Nothing in division (E)(1) of this section prohibits the 73335

the purposes of this chapter. 74030

The director may use moneys in the infectious waste 74031
management fund created in section 3734.021 of the Revised Code 74032
exclusively for administering and enforcing the provisions of this 74033
chapter governing the management of infectious wastes. Of each 74034
registration and renewal fee collected under rules adopted under 74035
division (A)(2)(a) of section 3734.021 or under section 3734.022 74036
of the Revised Code, the director, within forty-five days of its 74037
receipt, shall remit from the fund one-half of the fee received to 74038
the board of health of the health district in which the registered 74039
premises is located, or, in the instance of an infectious wastes 74040
transporter, to the board of health of the health district in 74041
which the transporter's principal place of business is located. 74042
However, if the board of health having jurisdiction over a 74043
registrant's premises or principal place of business is not on the 74044
approved list under section 3734.08 of the Revised Code, the 74045
director shall not make that payment to the board of health. 74046

(C) Except as provided in this division and divisions (N)(2) 74047
and (3) of this section, no person shall establish a new solid 74048
waste facility or infectious waste treatment facility, or modify 74049
an existing solid waste facility or infectious waste treatment 74050

facility, without submitting an application for a permit with 74051
accompanying detail plans, specifications, and information 74052
regarding the facility and method of operation and receiving a 74053
permit issued by the director, except that no permit shall be 74054
required under this division to install or operate a solid waste 74055
facility for sewage sludge treatment or disposal when the 74056
treatment or disposal is authorized by a current permit issued 74057
under Chapter 3704. or 6111. of the Revised Code. 74058

No person shall continue to operate a solid waste facility 74059
for which the director has denied a permit for which an 74060
application was required under division (A)(3) of section 3734.05 74061
of the Revised Code, or for which the director has disapproved 74062
plans and specifications required to be filed by an order issued 74063
under division (A)(5) of that section, after the date prescribed 74064
for commencement of closure of the facility in the order issued 74065
under division (A)(6) of section 3734.05 of the Revised Code 74066
denying the permit application or approval. 74067

On and after the effective date of the rules adopted under 74068
division (A) of this section and division (D) of section 3734.12 74069
of the Revised Code governing solid waste transfer facilities, no 74070
person shall establish a new, or modify an existing, solid waste 74071
transfer facility without first submitting an application for a 74072
permit with accompanying engineering detail plans, specifications, 74073
and information regarding the facility and its method of operation 74074
to the director and receiving a permit issued by the director. 74075

No person shall establish a new compost facility or continue 74076
to operate an existing compost facility that accepts exclusively 74077
source separated yard wastes without submitting a completed 74078
registration for the facility to the director in accordance with 74079
rules adopted under divisions (A) and (N)(3) of this section. 74080

This division does not apply to an infectious waste treatment 74081
facility that meets any of the following conditions: 74082

(1) Is owned or operated by the generator of the wastes and 74083
exclusively treats, by methods, techniques, and practices 74084
established by rules adopted under division (C)(1) or (3) of 74085
section 3734.021 of the Revised Code, wastes that are generated at 74086
any premises owned or operated by that generator regardless of 74087
whether the wastes are generated on the premises where the 74088
generator's treatment facility is located or, if the generator is 74089
a hospital as defined in section 3727.01 of the Revised Code, 74090
infectious wastes that are described in division (A)(1)(g), (h), 74091
or (i) of section 3734.021 of the Revised Code; 74092

(2) Holds a license or renewal of a license to operate a 74093
crematory facility issued under Chapter 4717. and a permit issued 74094
under Chapter 3704. of the Revised Code; 74095

(3) Treats or disposes of dead animals or parts thereof, or 74096
the blood of animals, and is subject to any of the following: 74097

(a) Inspection under the "Federal Meat Inspection Act," 81 74098
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 74099

(b) Chapter 918. of the Revised Code; 74100

(c) Chapter 953. of the Revised Code. 74101

(D) Neither this chapter nor any rules adopted under it apply 74102
to single-family residential premises; to infectious wastes 74103
generated by individuals for purposes of their own care or 74104
treatment that are disposed of with solid wastes from the 74105
individual's residence; to the temporary storage of solid wastes, 74106
other than scrap tires, prior to their collection for disposal; to 74107
the storage of one hundred or fewer scrap tires unless they are 74108
stored in such a manner that, in the judgment of the director or 74109
the board of health of the health district in which the scrap 74110
tires are stored, the storage causes a nuisance, a hazard to 74111
public health or safety, or a fire hazard; or to the collection of 74112
solid wastes, other than scrap tires, by a political subdivision 74113

or a person holding a franchise or license from a political subdivision of the state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.

(E)(1) As used in this division:

(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.

(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.

(c) "Satellite facility" means any of the following:

(i) An on-site facility that also receives hazardous waste from other premises owned by the same person who generates the waste on the facility premises;

(ii) An off-site facility operated so that all of the hazardous waste it receives is generated on one or more premises owned by the person who owns the facility;

(iii) An on-site facility that also receives hazardous waste that is transported uninterruptedly and directly to the facility through a pipeline from a generator who is not the owner of the facility.

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility installation and operation permit issued in accordance with

section 3734.05 of the Revised Code and subject to the payment of 74144
 an application fee not to exceed one thousand five hundred 74145
 dollars, payable upon application for a hazardous waste facility 74146
 installation and operation permit and upon application for a 74147
 renewal permit issued under division (H) of section 3734.05 of the 74148
 Revised Code, to be credited to the hazardous waste facility 74149
 management fund created in section 3734.18 of the Revised Code. 74150
 The term of a hazardous waste facility installation and operation 74151
 permit shall not exceed ten years. 74152

In addition to the application fee, there is hereby levied an 74153
 annual permit fee to be paid by the permit holder upon the 74154
 anniversaries of the date of issuance of the hazardous waste 74155
 facility installation and operation permit and of any subsequent 74156
 renewal permits and to be credited to the hazardous waste facility 74157
 management fund. Annual permit fees totaling forty thousand 74158
 dollars or more for any one facility may be paid on a quarterly 74159
 basis with the first quarterly payment each year being due on the 74160
 anniversary of the date of issuance of the hazardous waste 74161
 facility installation and operation permit and of any subsequent 74162
 renewal permits. The annual permit fee shall be determined for 74163
 each permit holder by the director in accordance with the 74164
 following schedule: 74165

A hazardous waste disposal facility that disposes of hazardous waste by deep well injection and that pays the annual permit fee established in section 6111.046 of the Revised Code is not subject to the permit fee established in this division for disposal facilities using deep well injection unless the director determines that the facility is not in compliance with applicable requirements established under this chapter and rules adopted under it.

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage,

treatment, or disposal shall pay the permit fee indicated by the 74209
schedule for each such method. 74210

The director shall not require the payment of that portion of 74211
an annual permit fee of any permit holder that would apply to a 74212
hazardous waste management unit for which a permit has been 74213
issued, but for which construction has not yet commenced. Once 74214
construction has commenced, the director shall require the payment 74215
of a part of the appropriate fee indicated by the schedule that 74216
bears the same relationship to the total fee that the number of 74217
days remaining until the next anniversary date at which payment of 74218
the annual permit fee is due bears to three hundred sixty-five. 74219

The director, by rules adopted in accordance with Chapters 74220
119. and 3745. of the Revised Code, shall prescribe procedures for 74221
collecting the annual permit fee established by this division and 74222
may prescribe other requirements necessary to carry out this 74223
division. 74224

(3) The prohibition against establishing or operating a 74225
hazardous waste facility without a hazardous waste facility 74226
installation and operation permit does not apply to either of the 74227
following: 74228

(a) A facility that is operating in accordance with a permit 74229
renewal issued under division (H) of section 3734.05 of the 74230
Revised Code, a revision issued under division (I) of that section 74231
as it existed prior to August 20, 1996, or a modification issued 74232
by the director under division (I) of that section on and after 74233
August 20, 1996; 74234

(b) Except as provided in division (J) of section 3734.05 of 74235
the Revised Code, a facility that will operate or is operating in 74236
accordance with a permit by rule, or that is not subject to permit 74237
requirements, under rules adopted by the director. In accordance 74238
with Chapter 119. of the Revised Code, the director shall adopt, 74239

and subsequently may amend, suspend, or rescind, rules for the 74240
purposes of division (E)(3)(b) of this section. Any rules so 74241
adopted shall be consistent with and equivalent to regulations 74242
pertaining to interim status adopted under the "Resource 74243
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 74244
6921, as amended, except as otherwise provided in this chapter. 74245

If a modification is requested or proposed for a facility 74246
described in division (E)(3)(a) or (b) of this section, division 74247
(I)(7) of section 3734.05 of the Revised Code applies. 74248

(F) No person shall store, treat, or dispose of hazardous 74249
waste identified or listed under this chapter and rules adopted 74250
under it, regardless of whether generated on or off the premises 74251
where the waste is stored, treated, or disposed of, or transport 74252
or cause to be transported any hazardous waste identified or 74253
listed under this chapter and rules adopted under it to any other 74254
premises, except at or to any of the following: 74255

(1) A hazardous waste facility operating under a permit 74256
issued in accordance with this chapter; 74257

(2) A facility in another state operating under a license or 74258
permit issued in accordance with the "Resource Conservation and 74259
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 74260
amended; 74261

(3) A facility in another nation operating in accordance with 74262
the laws of that nation; 74263

(4) A facility holding a permit issued pursuant to Title I of 74264
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 74265
Stat. 1052, 33 U.S.C.A. 1401, as amended; 74266

(5) A hazardous waste facility as described in division 74267
(E)(3)(a) or (b) of this section. 74268

(G) The director, by order, may exempt any person generating, 74269

collecting, storing, treating, disposing of, or transporting solid 74270
wastes, infectious wastes, or hazardous waste, or processing solid 74271
wastes that consist of scrap tires, in such quantities or under 74272
such circumstances that, in the determination of the director, are 74273
unlikely to adversely affect the public health or safety or the 74274
environment from any requirement to obtain a registration 74275
certificate, permit, or license or comply with the manifest system 74276
or other requirements of this chapter. Such an exemption shall be 74277
consistent with and equivalent to any regulations adopted by the 74278
administrator of the United States environmental protection agency 74279
under the "Resource Conservation and Recovery Act of 1976," 90 74280
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 74281
provided in this chapter. 74282

(H) No person shall engage in filling, grading, excavating, 74283
building, drilling, or mining on land where a hazardous waste 74284
facility, or a solid waste facility, was operated without prior 74285
authorization from the director, who shall establish the procedure 74286
for granting such authorization by rules adopted in accordance 74287
with Chapter 119. of the Revised Code. 74288

A public utility that has main or distribution lines above or 74289
below the land surface located on an easement or right-of-way 74290
across land where a solid waste facility was operated may engage 74291
in any such activity within the easement or right-of-way without 74292
prior authorization from the director for purposes of performing 74293
emergency repair or emergency replacement of its lines; of the 74294
poles, towers, foundations, or other structures supporting or 74295
sustaining any such lines; or of the appurtenances to those 74296
structures, necessary to restore or maintain existing public 74297
utility service. A public utility may enter upon any such easement 74298
or right-of-way without prior authorization from the director for 74299
purposes of performing necessary or routine maintenance of those 74300
portions of its existing lines; of the existing poles, towers, 74301

foundations, or other structures sustaining or supporting its 74302
lines; or of the appurtenances to any such supporting or 74303
sustaining structure, located on or above the land surface on any 74304
such easement or right-of-way. Within twenty-four hours after 74305
commencing any such emergency repair, replacement, or maintenance 74306
work, the public utility shall notify the director or the 74307
director's authorized representative of those activities and shall 74308
provide such information regarding those activities as the 74309
director or the director's representative may request. Upon 74310
completion of the emergency repair, replacement, or maintenance 74311
activities, the public utility shall restore any land of the solid 74312
waste facility disturbed by those activities to the condition 74313
existing prior to the commencement of those activities. 74314

(I) No owner or operator of a hazardous waste facility, in 74315
the operation of the facility, shall cause, permit, or allow the 74316
emission therefrom of any particulate matter, dust, fumes, gas, 74317
mist, smoke, vapor, or odorous substance that, in the opinion of 74318
the director, unreasonably interferes with the comfortable 74319
enjoyment of life or property by persons living or working in the 74320
vicinity of the facility, or that is injurious to public health. 74321
Any such action is hereby declared to be a public nuisance. 74322

(J) Notwithstanding any other provision of this chapter, in 74323
the event the director finds an imminent and substantial danger to 74324
public health or safety or the environment that creates an 74325
emergency situation requiring the immediate treatment, storage, or 74326
disposal of hazardous waste, the director may issue a temporary 74327
emergency permit to allow the treatment, storage, or disposal of 74328
the hazardous waste at a facility that is not otherwise authorized 74329
by a hazardous waste facility installation and operation permit to 74330
treat, store, or dispose of the waste. The emergency permit shall 74331
not exceed ninety days in duration and shall not be renewed. The 74332
director shall adopt, and may amend, suspend, or rescind, rules in 74333

accordance with Chapter 119. of the Revised Code governing the 74334
issuance, modification, revocation, and denial of emergency 74335
permits. 74336

(K) No owner or operator of a sanitary landfill shall 74337
knowingly accept for disposal, or dispose of, any infectious 74338
wastes, other than those subject to division (A)(1)(c) of section 74339
3734.021 of the Revised Code, that have not been treated to render 74340
them noninfectious. For the purposes of this division, 74341
certification by the owner or operator of the treatment facility 74342
where the wastes were treated on the shipping paper required by 74343
rules adopted under division (D)(2) of that section creates a 74344
rebuttable presumption that the wastes have been so treated. 74345

(L) The director, in accordance with Chapter 119. of the 74346
Revised Code, shall adopt, and may amend, suspend, or rescind, 74347
rules having uniform application throughout the state establishing 74348
a training and certification program that shall be required for 74349
employees of boards of health who are responsible for enforcing 74350
the solid waste and infectious waste provisions of this chapter 74351
and rules adopted under them and for persons who are responsible 74352
for the operation of solid waste facilities or infectious waste 74353
treatment facilities. The rules shall provide all of the 74354
following, without limitation: 74355

(1) The program shall be administered by the director and 74356
shall consist of a course on new solid waste and infectious waste 74357
technologies, enforcement procedures, and rules; 74358

(2) The course shall be offered on an annual basis; 74359

(3) Those persons who are required to take the course under 74360
division (L) of this section shall do so triennially; 74361

(4) Persons who successfully complete the course shall be 74362
certified by the director; 74363

(5) Certification shall be required for all employees of 74364

boards of health who are responsible for enforcing the solid waste 74365
or infectious waste provisions of this chapter and rules adopted 74366
under them and for all persons who are responsible for the 74367
operation of solid waste facilities or infectious waste treatment 74368
facilities; 74369

(6)(a) All employees of a board of health who, on the 74370
effective date of the rules adopted under this division, are 74371
responsible for enforcing the solid waste or infectious waste 74372
provisions of this chapter and the rules adopted under them shall 74373
complete the course and be certified by the director not later 74374
than January 1, 1995; 74375

(b) All employees of a board of health who, after the 74376
effective date of the rules adopted under division (L) of this 74377
section, become responsible for enforcing the solid waste or 74378
infectious waste provisions of this chapter and rules adopted 74379
under them and who do not hold a current and valid certification 74380
from the director at that time shall complete the course and be 74381
certified by the director within two years after becoming 74382
responsible for performing those activities. 74383

No person shall fail to obtain the certification required 74384
under this division. 74385

(M) The director shall not issue a permit under section 74386
3734.05 of the Revised Code to establish a solid waste facility, 74387
or to modify a solid waste facility operating on December 21, 74388
1988, in a manner that expands the disposal capacity or geographic 74389
area covered by the facility, that is or is to be located within 74390
the boundaries of a state park established or dedicated under 74391
Chapter 1541. of the Revised Code, a state park purchase area 74392
established under section 1541.02 of the Revised Code, any unit of 74393
the national park system, or any property that lies within the 74394
boundaries of a national park or recreation area, but that has not 74395
been acquired or is not administered by the secretary of the 74396

United States department of the interior, located in this state, 74397
or any candidate area located in this state and identified for 74398
potential inclusion in the national park system in the edition of 74399
the "national park system plan" submitted under paragraph (b) of 74400
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 74401
U.S.C.A. 1a-5, as amended, current at the time of filing of the 74402
application for the permit, unless the facility or proposed 74403
facility is or is to be used exclusively for the disposal of solid 74404
wastes generated within the park or recreation area and the 74405
director determines that the facility or proposed facility will 74406
not degrade any of the natural or cultural resources of the park 74407
or recreation area. The director shall not issue a variance under 74408
division (A) of this section and rules adopted under it, or issue 74409
an exemption order under division (G) of this section, that would 74410
authorize any such establishment or expansion of a solid waste 74411
facility within the boundaries of any such park or recreation 74412
area, state park purchase area, or candidate area, other than a 74413
solid waste facility exclusively for the disposal of solid wastes 74414
generated within the park or recreation area when the director 74415
determines that the facility will not degrade any of the natural 74416
or cultural resources of the park or recreation area. 74417

(N)(1) The rules adopted under division (A) of this section, 74418
other than those governing variances, do not apply to scrap tire 74419
collection, storage, monocell, monofill, and recovery facilities. 74420
Those facilities are subject to and governed by rules adopted 74421
under sections 3734.70 to 3734.73 of the Revised Code, as 74422
applicable. 74423

(2) Division (C) of this section does not apply to scrap tire 74424
collection, storage, monocell, monofill, and recovery facilities. 74425
The establishment and modification of those facilities are subject 74426
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 74427
Code, as applicable. 74428

(3) The director may adopt, amend, suspend, or rescind rules 74429
under division (A) of this section creating an alternative system 74430
for authorizing the establishment, operation, or modification of a 74431
solid waste compost facility in lieu of the requirement that a 74432
person seeking to establish, operate, or modify a solid waste 74433
compost facility apply for and receive a permit under division (C) 74434
of this section and section 3734.05 of the Revised Code and a 74435
license under division (A)(1) of that section. The rules may 74436
include requirements governing, without limitation, the 74437
classification of solid waste compost facilities, the submittal of 74438
operating records for solid waste compost facilities, and the 74439
creation of a registration or notification system in lieu of the 74440
issuance of permits and licenses for solid waste compost 74441
facilities. The rules shall specify the applicability of divisions 74442
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 74443
Code to a solid waste compost facility. 74444

Sec. 3734.05. (A)(1) Except as provided in divisions (A)(4), 74445
(8), and (9) of this section, no person shall operate or maintain 74446
a solid waste facility without a license issued under this 74447
division by the board of health of the health district in which 74448
the facility is located or by the director of environmental 74449
protection when the health district in which the facility is 74450
located is not on the approved list under section 3734.08 of the 74451
Revised Code. 74452

During the month of December, but before the first day of 74453
January of the next year, every person proposing to continue to 74454
operate an existing solid waste facility shall procure a license 74455
under this division to operate the facility for that year from the 74456
board of health of the health district in which the facility is 74457
located or, if the health district is not on the approved list 74458
under section 3734.08 of the Revised Code, from the director. The 74459
application for such a license shall be submitted to the board of 74460

health or to the director, as appropriate, on or before the last 74461
day of September of the year preceding that for which the license 74462
is sought. In addition to the application fee prescribed in 74463
division (A)(2) of this section, a person who submits an 74464
application after that date shall pay an additional ten per cent 74465
of the amount of the application fee for each week that the 74466
application is late. Late payment fees accompanying an application 74467
submitted to the board of health shall be credited to the special 74468
fund of the health district created in division (B) of section 74469
3734.06 of the Revised Code, and late payment fees accompanying an 74470
application submitted to the director shall be credited to the 74471
general revenue fund. A person who has received a license, upon 74472
sale or disposition of a solid waste facility, and upon consent of 74473
the board of health and the director, may have the license 74474
transferred to another person. The board of health or the director 74475
may include such terms and conditions in a license or revision to 74476
a license as are appropriate to ensure compliance with this 74477
chapter and rules adopted under it. The terms and conditions may 74478
establish the authorized maximum daily waste receipts for the 74479
facility. Limitations on maximum daily waste receipts shall be 74480
specified in cubic yards of volume for the purpose of regulating 74481
the design, construction, and operation of solid waste facilities. 74482
Terms and conditions included in a license or revision to a 74483
license by a board of health shall be consistent with, and pertain 74484
only to the subjects addressed in, the rules adopted under 74485
division (A) of section 3734.02 and division (D) of section 74486
3734.12 of the Revised Code. 74487

(2)(a) Except as provided in divisions (A)(2)(b), (8), and 74488
(9) of this section, each person proposing to open a new solid 74489
waste facility or to modify an existing solid waste facility shall 74490
submit an application for a permit with accompanying detail plans 74491
and specifications to the environmental protection agency for 74492
required approval under the rules adopted by the director pursuant 74493

to division (A) of section 3734.02 of the Revised Code and 74494
applicable rules adopted under division (D) of section 3734.12 of 74495
the Revised Code at least two hundred seventy days before proposed 74496
operation of the facility and shall concurrently make application 74497
for the issuance of a license under division (A)(1) of this 74498
section with the board of health of the health district in which 74499
the proposed facility is to be located. 74500

(b) On and after the effective date of the rules adopted 74501
under division (A) of section 3734.02 of the Revised Code and 74502
division (D) of section 3734.12 of the Revised Code governing 74503
solid waste transfer facilities, each person proposing to open a 74504
new solid waste transfer facility or to modify an existing solid 74505
waste transfer facility shall submit an application for a permit 74506
with accompanying engineering detail plans, specifications, and 74507
information regarding the facility and its method of operation to 74508
the environmental protection agency for required approval under 74509
those rules at least two hundred seventy days before commencing 74510
proposed operation of the facility and concurrently shall make 74511
application for the issuance of a license under division (A)(1) of 74512
this section with the board of health of the health district in 74513
which the facility is located or proposed. 74514

(c) Each application for a permit under division (A)(2)(a) or 74515
(b) of this section shall be accompanied by a nonrefundable 74516
application fee of four hundred dollars that shall be credited to 74517
the general revenue fund. Each application for an annual license 74518
under division (A)(1) or (2) of this section shall be accompanied 74519
by a nonrefundable application fee of one hundred dollars. If the 74520
application for an annual license is submitted to a board of 74521
health on the approved list under section 3734.08 of the Revised 74522
Code, the application fee shall be credited to the special fund of 74523
the health district created in division (B) of section 3734.06 of 74524
the Revised Code. If the application for an annual license is 74525

submitted to the director, the application fee shall be credited 74526
to the general revenue fund. If a permit or license is issued, the 74527
amount of the application fee paid shall be deducted from the 74528
amount of the permit fee due under division (Q) of section 3745.11 74529
of the Revised Code or the amount of the license fee due under 74530
division (A)(1), (2), (3), ~~or (4)~~, or (5) of section 3734.06 of 74531
the Revised Code. 74532

(d) As used in divisions (A)(2)(d), (e), and (f) of this 74533
section, "modify" means any of the following: 74534

(i) Any increase of more than ten per cent in the total 74535
capacity of a solid waste facility; 74536

(ii) Any expansion of the limits of solid waste placement at 74537
a solid waste facility; 74538

(iii) Any increase in the depth of excavation at a solid 74539
waste facility; 74540

(iv) Any change in the technique of waste receipt or type of 74541
waste received at a solid waste facility that may endanger human 74542
health, as determined by the director by rules adopted in 74543
accordance with Chapter 119. of the Revised Code. 74544

Not later than ~~thirty-five~~ forty-five days after submitting 74545
an application under division (A)(2)(a) or (b) of this section for 74546
a permit to open a new or modify an existing solid waste facility, 74547
the applicant, in conjunction with an officer or employee of the 74548
environmental protection agency, shall hold a public meeting on 74549
the application within the county in which the new or modified 74550
solid waste facility is or is proposed to be located or within a 74551
contiguous county. Not less than thirty days before holding the 74552
public meeting on the application, the applicant shall publish 74553
notice of the meeting in each newspaper of general circulation 74554
that is published in the county in which the facility is or is 74555
proposed to be located. If no newspaper of general circulation is 74556

published in the county, the applicant shall publish the notice in 74557
a newspaper of general circulation in the county. The notice shall 74558
contain the date, time, and location of the public meeting and a 74559
general description of the proposed new or modified facility. Not 74560
later than five days after publishing the notice, the applicant 74561
shall send by certified mail a copy of the notice and the date the 74562
notice was published to the director and the legislative authority 74563
of each municipal corporation, township, and county, and to the 74564
chief executive officer of each municipal corporation, in which 74565
the facility is or is proposed to be located. At the public 74566
meeting, the applicant shall provide information and describe the 74567
application and respond to comments or questions concerning the 74568
application, and the officer or employee of the agency shall 74569
describe the permit application process. At the public meeting, 74570
any person may submit written or oral comments on or objections to 74571
the application. Not more than thirty days after the public 74572
meeting, the applicant shall provide the director with a copy of a 74573
transcript of the full meeting, copies of any exhibits, displays, 74574
or other materials presented by the applicant at the meeting, and 74575
the original copy of any written comments submitted at the 74576
meeting. 74577

(e) Except as provided in division (A)(2)(f) of this section, 74578
prior to taking an action, other than a proposed or final denial, 74579
upon an application submitted under division (A)(2)(a) of this 74580
section for a permit to open a new or modify an existing solid 74581
waste facility, the director shall hold a public information 74582
session and a public hearing on the application within the county 74583
in which the new or modified solid waste facility is or is 74584
proposed to be located or within a contiguous county. If the 74585
application is for a permit to open a new solid waste facility, 74586
the director shall hold the hearing not less than fourteen days 74587
after the information session. If the application is for a permit 74588
to modify an existing solid waste facility, the director may hold 74589

both the information session and the hearing on the same day 74590
unless any individual affected by the application requests in 74591
writing that the information session and the hearing not be held 74592
on the same day, in which case the director shall hold the hearing 74593
not less than fourteen days after the information session. The 74594
director shall publish notice of the public information session or 74595
public hearing not less than thirty days before holding the 74596
information session or hearing, as applicable. The notice shall be 74597
published in each newspaper of general circulation that is 74598
published in the county in which the facility is or is proposed to 74599
be located. If no newspaper of general circulation is published in 74600
the county, the director shall publish the notice in a newspaper 74601
of general circulation in the county. The notice shall contain the 74602
date, time, and location of the information session or hearing, as 74603
applicable, and a general description of the proposed new or 74604
modified facility. At the public information session, an officer 74605
or employee of the environmental protection agency shall describe 74606
the status of the permit application and be available to respond 74607
to comments or questions concerning the application. At the public 74608
hearing, any person may submit written or oral comments on or 74609
objections to the approval of the application. The applicant, or a 74610
representative of the applicant who has knowledge of the location, 74611
construction, and operation of the facility, shall attend the 74612
information session and public hearing to respond to comments or 74613
questions concerning the facility directed to the applicant or 74614
representative by the officer or employee of the environmental 74615
protection agency presiding at the information session and 74616
hearing. 74617

(f) The solid waste management policy committee of a county 74618
or joint solid waste management district may adopt a resolution 74619
requesting expeditious consideration of a specific application 74620
submitted under division (A)(2)(a) of this section for a permit to 74621
modify an existing solid waste facility within the district. The 74622

resolution shall make the finding that expedited consideration of 74623
the application without the public information session and public 74624
hearing under division (A)(2)(e) of this section is in the public 74625
interest and will not endanger human health, as determined by the 74626
director by rules adopted in accordance with Chapter 119. of the 74627
Revised Code. Upon receiving such a resolution, the director, at 74628
the director's discretion, may issue a final action upon the 74629
application without holding a public information session or public 74630
hearing pursuant to division (A)(2)(e) of this section. 74631

(3) Except as provided in division (A)(10) of this section, 74632
and unless the owner or operator of any solid waste facility, 74633
other than a solid waste transfer facility or a compost facility 74634
that accepts exclusively source separated yard wastes, that 74635
commenced operation on or before July 1, 1968, has obtained an 74636
exemption from the requirements of division (A)(3) of this section 74637
in accordance with division (G) of section 3734.02 of the Revised 74638
Code, the owner or operator shall submit to the director an 74639
application for a permit with accompanying engineering detail 74640
plans, specifications, and information regarding the facility and 74641
its method of operation for approval under rules adopted under 74642
division (A) of section 3734.02 of the Revised Code and applicable 74643
rules adopted under division (D) of section 3734.12 of the Revised 74644
Code in accordance with the following schedule: 74645

(a) Not later than September 24, 1988, if the facility is 74646
located in the city of Garfield Heights or Parma in Cuyahoga 74647
county; 74648

(b) Not later than December 24, 1988, if the facility is 74649
located in Delaware, Greene, Guernsey, Hamilton, Madison, 74650
Mahoning, Ottawa, or Vinton county; 74651

(c) Not later than March 24, 1989, if the facility is located 74652
in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or 74653
Washington county, or is located in the city of Brooklyn or 74654

Cuyahoga Heights in Cuyahoga county; 74655

(d) Not later than June 24, 1989, if the facility is located 74656
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 74657
Summit county or is located in Cuyahoga county outside the cities 74658
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 74659

(e) Not later than September 24, 1989, if the facility is 74660
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 74661
county; 74662

(f) Not later than December 24, 1989, if the facility is 74663
located in a county not listed in divisions (A)(3)(a) to (e) of 74664
this section; 74665

(g) Notwithstanding divisions (A)(3)(a) to (f) of this 74666
section, not later than December 31, 1990, if the facility is a 74667
solid waste facility owned by a generator of solid wastes when the 74668
solid waste facility exclusively disposes of solid wastes 74669
generated at one or more premises owned by the generator 74670
regardless of whether the facility is located on a premises where 74671
the wastes are generated and if the facility disposes of more than 74672
one hundred thousand tons of solid wastes per year, provided that 74673
any such facility shall be subject to division (A)(5) of this 74674
section. 74675

(4) Except as provided in divisions (A)(8), (9), and (10) of 74676
this section, unless the owner or operator of any solid waste 74677
facility for which a permit was issued after July 1, 1968, but 74678
before January 1, 1980, has obtained an exemption from the 74679
requirements of division (A)(4) of this section under division (G) 74680
of section 3734.02 of the Revised Code, the owner or operator 74681
shall submit to the director an application for a permit with 74682
accompanying engineering detail plans, specifications, and 74683
information regarding the facility and its method of operation for 74684
approval under those rules. 74685

(5) The director may issue an order in accordance with 74686
Chapter 3745. of the Revised Code to the owner or operator of a 74687
solid waste facility requiring the person to submit to the 74688
director updated engineering detail plans, specifications, and 74689
information regarding the facility and its method of operation for 74690
approval under rules adopted under division (A) of section 3734.02 74691
of the Revised Code and applicable rules adopted under division 74692
(D) of section 3734.12 of the Revised Code if, in the director's 74693
judgment, conditions at the facility constitute a substantial 74694
threat to public health or safety or are causing or contributing 74695
to or threatening to cause or contribute to air or water pollution 74696
or soil contamination. Any person who receives such an order shall 74697
submit the updated engineering detail plans, specifications, and 74698
information to the director within one hundred eighty days after 74699
the effective date of the order. 74700

(6) The director shall act upon an application submitted 74701
under division (A)(3) or (4) of this section and any updated 74702
engineering plans, specifications, and information submitted under 74703
division (A)(5) of this section within one hundred eighty days 74704
after receiving them. If the director denies any such permit 74705
application, the order denying the application or disapproving the 74706
plans shall include the requirements that the owner or operator 74707
submit a plan for closure and post-closure care of the facility to 74708
the director for approval within six months after issuance of the 74709
order, cease accepting solid wastes for disposal or transfer at 74710
the facility, and commence closure of the facility not later than 74711
one year after issuance of the order. If the director determines 74712
that closure of the facility within that one-year period would 74713
result in the unavailability of sufficient solid waste management 74714
facility capacity within the county or joint solid waste 74715
management district in which the facility is located to dispose of 74716
or transfer the solid waste generated within the district, the 74717
director in the order of denial or disapproval may postpone 74718

commencement of closure of the facility for such period of time as 74719
the director finds necessary for the board of county commissioners 74720
or directors of the district to secure access to or for there to 74721
be constructed within the district sufficient solid waste 74722
management facility capacity to meet the needs of the district, 74723
provided that the director shall certify in the director's order 74724
that postponing the date for commencement of closure will not 74725
endanger ground water or any property surrounding the facility, 74726
allow methane gas migration to occur, or cause or contribute to 74727
any other type of environmental damage. 74728

If an emergency need for disposal capacity that may affect 74729
public health and safety exists as a result of closure of a 74730
facility under division (A)(6) of this section, the director may 74731
issue an order designating another solid waste facility to accept 74732
the wastes that would have been disposed of at the facility to be 74733
closed. 74734

(7) If the director determines that standards more stringent 74735
than those applicable in rules adopted under division (A) of 74736
section 3734.02 of the Revised Code and division (D) of section 74737
3734.12 of the Revised Code, or standards pertaining to subjects 74738
not specifically addressed by those rules, are necessary to ensure 74739
that a solid waste facility constructed at the proposed location 74740
will not cause a nuisance, cause or contribute to water pollution, 74741
or endanger public health or safety, the director may issue a 74742
permit for the facility with such terms and conditions as the 74743
director finds necessary to protect public health and safety and 74744
the environment. If a permit is issued, the director shall state 74745
in the order issuing it the specific findings supporting each such 74746
term or condition. 74747

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 74748
not apply to a solid waste compost facility that accepts 74749
exclusively source separated yard wastes and that is registered 74750

under division (C) of section 3734.02 of the Revised Code or, 74751
unless otherwise provided in rules adopted under division (N)(3) 74752
of section 3734.02 of the Revised Code, to a solid waste compost 74753
facility if the director has adopted rules establishing an 74754
alternative system for authorizing the establishment, operation, 74755
or modification of a solid waste compost facility under that 74756
division. 74757

(9) Divisions (A)(1) to (7) of this section do not apply to 74758
scrap tire collection, storage, monocell, monofill, and recovery 74759
facilities. The approval of plans and specifications, as 74760
applicable, and the issuance of registration certificates, 74761
permits, and licenses for those facilities are subject to sections 74762
3734.75 to 3734.78 of the Revised Code, as applicable, and section 74763
3734.81 of the Revised Code. 74764

(10) Divisions (A)(3) and (4) of this section do not apply to 74765
a solid waste incinerator that was placed into operation on or 74766
before October 12, 1994, and that is not authorized to accept and 74767
treat infectious wastes pursuant to division (B) of this section. 74768

(B)(1) Each person who is engaged in the business of treating 74769
infectious wastes for profit at a treatment facility located off 74770
the premises where the wastes are generated that is in operation 74771
on August 10, 1988, and who proposes to continue operating the 74772
facility shall submit to the board of health of the health 74773
district in which the facility is located an application for a 74774
license to operate the facility. 74775

Thereafter, no person shall operate or maintain an infectious 74776
waste treatment facility without a license issued by the board of 74777
health of the health district in which the facility is located or 74778
by the director when the health district in which the facility is 74779
located is not on the approved list under section 3734.08 of the 74780
Revised Code. 74781

(2)(a) During the month of December, but before the first day 74782
of January of the next year, every person proposing to continue to 74783
operate an existing infectious waste treatment facility shall 74784
procure a license to operate the facility for that year from the 74785
board of health of the health district in which the facility is 74786
located or, if the health district is not on the approved list 74787
under section 3734.08 of the Revised Code, from the director. The 74788
application for such a license shall be submitted to the board of 74789
health or to the director, as appropriate, on or before the last 74790
day of September of the year preceding that for which the license 74791
is sought. In addition to the application fee prescribed in 74792
division (B)(2)(c) of this section, a person who submits an 74793
application after that date shall pay an additional ten per cent 74794
of the amount of the application fee for each week that the 74795
application is late. Late payment fees accompanying an application 74796
submitted to the board of health shall be credited to the special 74797
infectious waste fund of the health district created in division 74798
(C) of section 3734.06 of the Revised Code, and late payment fees 74799
accompanying an application submitted to the director shall be 74800
credited to the general revenue fund. A person who has received a 74801
license, upon sale or disposition of an infectious waste treatment 74802
facility and upon consent of the board of health and the director, 74803
may have the license transferred to another person. The board of 74804
health or the director may include such terms and conditions in a 74805
license or revision to a license as are appropriate to ensure 74806
compliance with the infectious waste provisions of this chapter 74807
and rules adopted under them. 74808

(b) Each person proposing to open a new infectious waste 74809
treatment facility or to modify an existing infectious waste 74810
treatment facility shall submit an application for a permit with 74811
accompanying detail plans and specifications to the environmental 74812
protection agency for required approval under the rules adopted by 74813
the director pursuant to section 3734.021 of the Revised Code two 74814

hundred seventy days before proposed operation of the facility and 74815
concurrently shall make application for a license with the board 74816
of health of the health district in which the facility is or is 74817
proposed to be located. Not later than ninety days after receiving 74818
a completed application under division (B)(2)(b) of this section 74819
for a permit to open a new infectious waste treatment facility or 74820
modify an existing infectious waste treatment facility to expand 74821
its treatment capacity, or receiving a completed application under 74822
division (A)(2)(a) of this section for a permit to open a new 74823
solid waste incineration facility, or modify an existing solid 74824
waste incineration facility to also treat infectious wastes or to 74825
increase its infectious waste treatment capacity, that pertains to 74826
a facility for which a notation authorizing infectious waste 74827
treatment is included or proposed to be included in the solid 74828
waste incineration facility's license pursuant to division (B)(3) 74829
of this section, the director shall hold a public hearing on the 74830
application within the county in which the new or modified 74831
infectious waste or solid waste facility is or is proposed to be 74832
located or within a contiguous county. Not less than thirty days 74833
before holding the public hearing on the application, the director 74834
shall publish notice of the hearing in each newspaper that has 74835
general circulation and that is published in the county in which 74836
the facility is or is proposed to be located. If there is no 74837
newspaper that has general circulation and that is published in 74838
the county, the director shall publish the notice in a newspaper 74839
of general circulation in the county. The notice shall contain the 74840
date, time, and location of the public hearing and a general 74841
description of the proposed new or modified facility. At the 74842
public hearing, any person may submit written or oral comments on 74843
or objections to the approval or disapproval of the application. 74844
The applicant, or a representative of the applicant who has 74845
knowledge of the location, construction, and operation of the 74846
facility, shall attend the public hearing to respond to comments 74847

or questions concerning the facility directed to the applicant or 74848
representative by the officer or employee of the environmental 74849
protection agency presiding at the hearing. 74850

(c) Each application for a permit under division (B)(2)(b) of 74851
this section shall be accompanied by a nonrefundable application 74852
fee of four hundred dollars that shall be credited to the general 74853
revenue fund. Each application for an annual license under 74854
division (B)(2)(a) of this section shall be accompanied by a 74855
nonrefundable application fee of one hundred dollars. If the 74856
application for an annual license is submitted to a board of 74857
health on the approved list under section 3734.08 of the Revised 74858
Code, the application fee shall be credited to the special 74859
infectious waste fund of the health district created in division 74860
(C) of section 3734.06 of the Revised Code. If the application for 74861
an annual license is submitted to the director, the application 74862
fee shall be credited to the general revenue fund. If a permit or 74863
license is issued, the amount of the application fee paid shall be 74864
deducted from the amount of the permit fee due under division (Q) 74865
of section 3745.11 of the Revised Code or the amount of the 74866
license fee due under division (C) of section 3734.06 of the 74867
Revised Code. 74868

(d) The owner or operator of any infectious waste treatment 74869
facility that commenced operation on or before July 1, 1968, shall 74870
submit to the director an application for a permit with 74871
accompanying engineering detail plans, specifications, and 74872
information regarding the facility and its method of operation for 74873
approval under rules adopted under section 3734.021 of the Revised 74874
Code in accordance with the following schedule: 74875

(i) Not later than December 24, 1988, if the facility is 74876
located in Delaware, Greene, Guernsey, Hamilton, Madison, 74877
Mahoning, Ottawa, or Vinton county; 74878

(ii) Not later than March 24, 1989, if the facility is 74879

located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, 74880
or Washington county, or is located in the city of Brooklyn, 74881
Cuyahoga Heights, or Parma in Cuyahoga county; 74882

(iii) Not later than June 24, 1989, if the facility is 74883
located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, 74884
Lucas, or Summit county or is located in Cuyahoga county outside 74885
the cities of Brooklyn, Cuyahoga Heights, and Parma; 74886

(iv) Not later than September 24, 1989, if the facility is 74887
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 74888
county; 74889

(v) Not later than December 24, 1989, if the facility is 74890
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 74891
of this section. 74892

The owner or operator of an infectious waste treatment 74893
facility required to submit a permit application under division 74894
(B)(2)(d) of this section is not required to pay any permit 74895
application fee under division (B)(2)(c) of this section, or 74896
permit fee under division (Q) of section 3745.11 of the Revised 74897
Code, with respect thereto unless the owner or operator also 74898
proposes to modify the facility. 74899

(e) The director may issue an order in accordance with 74900
Chapter 3745. of the Revised Code to the owner or operator of an 74901
infectious waste treatment facility requiring the person to submit 74902
to the director updated engineering detail plans, specifications, 74903
and information regarding the facility and its method of operation 74904
for approval under rules adopted under section 3734.021 of the 74905
Revised Code if, in the director's judgment, conditions at the 74906
facility constitute a substantial threat to public health or 74907
safety or are causing or contributing to or threatening to cause 74908
or contribute to air or water pollution or soil contamination. Any 74909
person who receives such an order shall submit the updated 74910

engineering detail plans, specifications, and information to the 74911
director within one hundred eighty days after the effective date 74912
of the order. 74913

(f) The director shall act upon an application submitted 74914
under division (B)(2)(d) of this section and any updated 74915
engineering plans, specifications, and information submitted under 74916
division (B)(2)(e) of this section within one hundred eighty days 74917
after receiving them. If the director denies any such permit 74918
application or disapproves any such updated engineering plans, 74919
specifications, and information, the director shall include in the 74920
order denying the application or disapproving the plans the 74921
requirement that the owner or operator cease accepting infectious 74922
wastes for treatment at the facility. 74923

(3) Division (B) of this section does not apply to an 74924
infectious waste treatment facility that meets any of the 74925
following conditions: 74926

(a) Is owned or operated by the generator of the wastes and 74927
exclusively treats, by methods, techniques, and practices 74928
established by rules adopted under division (C)(1) or (3) of 74929
section 3734.021 of the Revised Code, wastes that are generated at 74930
any premises owned or operated by that generator regardless of 74931
whether the wastes are generated on the same premises where the 74932
generator's treatment facility is located or, if the generator is 74933
a hospital as defined in section 3727.01 of the Revised Code, 74934
infectious wastes that are described in division (A)(1)(g), (h), 74935
or (i) of section 3734.021 of the Revised Code; 74936

(b) Holds a license or renewal of a license to operate a 74937
crematory facility issued under Chapter 4717. and a permit issued 74938
under Chapter 3704. of the Revised Code; 74939

(c) Treats or disposes of dead animals or parts thereof, or 74940
the blood of animals, and is subject to any of the following: 74941

(i) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 74942
74943

(ii) Chapter 918. of the Revised Code; 74944

(iii) Chapter 953. of the Revised Code. 74945

Nothing in division (B) of this section requires a facility that holds a license issued under division (A) of this section as a solid waste facility and that also treats infectious wastes by the same method, technique, or process to obtain a license under division (B) of this section as an infectious waste treatment facility. However, the solid waste facility license for the facility shall include the notation that the facility also treats infectious wastes. 74946
74947
74948
74949
74950
74951
74952
74953

On and after the effective date of the amendments to the rules adopted under division (C)(2) of section 3734.021 of the Revised Code that are required by Section 6 of Substitute House Bill No. 98 of the 120th General Assembly, the director shall not issue a permit to open a new solid waste incineration facility unless the proposed facility complies with the requirements for the location of new infectious waste incineration facilities established in the required amendments to those rules. 74954
74955
74956
74957
74958
74959
74960
74961

(C) Except for a facility or activity described in division (E)(3) of section 3734.02 of the Revised Code, a person who proposes to establish or operate a hazardous waste facility shall submit a complete application for a hazardous waste facility installation and operation permit and accompanying detail plans, specifications, and such information as the director may require to the environmental protection agency at least one hundred eighty days before the proposed beginning of operation of the facility. The applicant shall notify by certified mail the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located of the submission of 74962
74963
74964
74965
74966
74967
74968
74969
74970
74971
74972

the application within ten days after the submission or at such 74973
earlier time as the director may establish by rule. If the 74974
application is for a proposed new hazardous waste disposal or 74975
thermal treatment facility, the applicant also shall give actual 74976
notice of the general design and purpose of the facility to the 74977
legislative authority of each municipal corporation, township, and 74978
county in which the facility is proposed to be located at least 74979
ninety days before the permit application is submitted to the 74980
environmental protection agency. 74981

In accordance with rules adopted under section 3734.12 of the 74982
Revised Code, prior to the submission of a complete application 74983
for a hazardous waste facility installation and operation permit, 74984
the applicant shall hold at least one meeting in the township or 74985
municipal corporation in which the facility is proposed to be 74986
located, whichever is geographically closer to the proposed 74987
location of the facility. The meeting shall be open to the public 74988
and shall be held to inform the community of the proposed 74989
hazardous waste management activities and to solicit questions 74990
from the community concerning the activities. 74991

(D)(1) Except as provided in section 3734.123 of the Revised 74992
Code, upon receipt of a complete application for a hazardous waste 74993
facility installation and operation permit under division (C) of 74994
this section, the director shall consider the application and 74995
accompanying information to determine whether the application 74996
complies with agency rules and the requirements of division (D)(2) 74997
of this section. After making a determination, the director shall 74998
issue either a draft permit or a notice of intent to deny the 74999
permit. The director, in accordance with rules adopted under 75000
section 3734.12 of the Revised Code or with rules adopted to 75001
implement Chapter 3745. of the Revised Code, shall provide public 75002
notice of the application and the draft permit or the notice of 75003
intent to deny the permit, provide an opportunity for public 75004

comments, and, if significant interest is shown, schedule a public meeting in the county in which the facility is proposed to be located and give public notice of the date, time, and location of the public meeting in a newspaper of general circulation in that county.

(2) The director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I)(3) of this section unless the director finds and determines as follows:

(a) The nature and volume of the waste to be treated, stored, or disposed of at the facility;

(b) That the facility complies with the director's hazardous waste standards adopted pursuant to section 3734.12 of the Revised Code;

(c) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of various alternatives, and other pertinent considerations;

(d) That the facility represents the minimum risk of all of the following:

(i) Fires or explosions from treatment, storage, or disposal methods;

(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility;

(iii) Adverse impact on the public health and safety.

(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them;

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from

which the person may influence the installation and operation of 75035
the facility has been involved in any prior activity involving 75036
transportation, treatment, storage, or disposal of hazardous 75037
waste, that person has a history of compliance with this chapter 75038
and Chapters 3704. and 6111. of the Revised Code and all rules and 75039
standards adopted under them, the "Resource Conservation and 75040
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 75041
amended, and all regulations adopted under it, and similar laws 75042
and rules of other states if any such prior operation was located 75043
in another state that demonstrates sufficient reliability, 75044
expertise, and competency to operate a hazardous waste facility 75045
under the applicable provisions of this chapter and Chapters 3704. 75046
and 6111. of the Revised Code, the applicable rules and standards 75047
adopted under them, and terms and conditions of a hazardous waste 75048
facility installation and operation permit, given the potential 75049
for harm to the public health and safety and the environment that 75050
could result from the irresponsible operation of the facility. For 75051
off-site facilities, as defined in section 3734.41 of the Revised 75052
Code, the director may use the investigative reports of the 75053
attorney general prepared pursuant to section 3734.42 of the 75054
Revised Code as a basis for making a finding and determination 75055
under division (D)(2)(f) of this section. 75056

(g) That the active areas within a new hazardous waste 75057
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 75058
(e), as amended, or organic waste that is toxic and is listed 75059
under 40 C.F.R. 261, as amended, is being stored, treated, or 75060
disposed of and where the aggregate of the storage design capacity 75061
and the disposal design capacity of all hazardous waste in those 75062
areas is greater than two hundred fifty thousand gallons, are not 75063
located or operated within any of the following: 75064

(i) Two thousand feet of any residence, school, hospital, 75065
jail, or prison; 75066

(ii) Any naturally occurring wetland; 75067

(iii) Any flood hazard area if the applicant cannot show that 75068
the facility will be designed, constructed, operated, and 75069
maintained to prevent washout by a one-hundred-year flood. 75070

Division (D)(2)(g) of this section does not apply to the 75071
facility of any applicant who demonstrates to the director that 75072
the limitations specified in that division are not necessary 75073
because of the nature or volume of the waste and the manner of 75074
management applied, the facility will impose no substantial danger 75075
to the health and safety of persons occupying the structures 75076
listed in division (D)(2)(g)(i) of this section, and the facility 75077
is to be located or operated in an area where the proposed 75078
hazardous waste activities will not be incompatible with existing 75079
land uses in the area. 75080

(h) That the facility will not be located within the 75081
boundaries of a state park established or dedicated under Chapter 75082
1541. of the Revised Code, a state park purchase area established 75083
under section 1541.02 of the Revised Code, any unit of the 75084
national park system, or any property that lies within the 75085
boundaries of a national park or recreation area, but that has not 75086
been acquired or is not administered by the secretary of the 75087
United States department of the interior, located in this state, 75088
or any candidate area located in this state identified for 75089
potential inclusion in the national park system in the edition of 75090
the "national park system plan" submitted under paragraph (b) of 75091
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 75092
U.S.C.A. 1a-5, as amended, current at the time of filing of the 75093
application for the permit, unless the facility will be used 75094
exclusively for the storage of hazardous waste generated within 75095
the park or recreation area in conjunction with the operation of 75096
the park or recreation area. Division (D)(2)(h) of this section 75097
does not apply to the facility of any applicant for modification 75098

of a permit unless the modification application proposes to 75099
increase the land area included in the facility or to increase the 75100
quantity of hazardous waste that will be treated, stored, or 75101
disposed of at the facility. 75102

(3) Not later than one hundred eighty days after the end of 75103
the public comment period, the director, without prior hearing, 75104
shall issue or deny the permit in accordance with Chapter 3745. of 75105
the Revised Code. If the director approves an application for a 75106
hazardous waste facility installation and operation permit, the 75107
director shall issue the permit, upon such terms and conditions as 75108
the director finds are necessary to ensure the construction and 75109
operation of the hazardous waste facility in accordance with the 75110
standards of this section. 75111

(E) No political subdivision of this state shall require any 75112
additional zoning or other approval, consent, permit, certificate, 75113
or condition for the construction or operation of a hazardous 75114
waste facility authorized by a hazardous waste facility 75115
installation and operation permit issued pursuant to this chapter, 75116
nor shall any political subdivision adopt or enforce any law, 75117
ordinance, or rule that in any way alters, impairs, or limits the 75118
authority granted in the permit. 75119

(F) The director may issue a single hazardous waste facility 75120
installation and operation permit to a person who operates two or 75121
more adjoining facilities where hazardous waste is stored, 75122
treated, or disposed of if the application includes detail plans, 75123
specifications, and information on all facilities. For the 75124
purposes of this section, "adjoining" means sharing a common 75125
boundary, separated only by a public road, or in such proximity 75126
that the director determines that the issuance of a single permit 75127
will not create a hazard to the public health or safety or the 75128
environment. 75129

(G) No person shall falsify or fail to keep or submit any 75130

plans, specifications, data, reports, records, manifests, or other 75131
information required to be kept or submitted to the director by 75132
this chapter or the rules adopted under it. 75133

(H)(1) Each person who holds an installation and operation 75134
permit issued under this section and who wishes to obtain a permit 75135
renewal shall submit a completed application for an installation 75136
and operation permit renewal and any necessary accompanying 75137
general plans, detail plans, specifications, and such information 75138
as the director may require to the director no later than one 75139
hundred eighty days prior to the expiration date of the existing 75140
permit or upon a later date prior to the expiration of the 75141
existing permit if the permittee can demonstrate good cause for 75142
the late submittal. The director shall consider the application 75143
and accompanying information, inspection reports of the facility, 75144
results of performance tests, a report regarding the facility's 75145
compliance or noncompliance with the terms and conditions of its 75146
permit and rules adopted by the director under this chapter, and 75147
such other information as is relevant to the operation of the 75148
facility and shall issue a draft renewal permit or a notice of 75149
intent to deny the renewal permit. The director, in accordance 75150
with rules adopted under this section or with rules adopted to 75151
implement Chapter 3745. of the Revised Code, shall give public 75152
notice of the application and draft renewal permit or notice of 75153
intent to deny the renewal permit, provide for the opportunity for 75154
public comments within a specified time period, schedule a public 75155
meeting in the county in which the facility is located if 75156
significant interest is shown, and give public notice of the 75157
public meeting. 75158

(2) Within sixty days after the public meeting or close of 75159
the public comment period, the director, without prior hearing, 75160
shall issue or deny the renewal permit in accordance with Chapter 75161
3745. of the Revised Code. The director shall not issue a renewal 75162

permit unless the director determines that the facility under the 75163
existing permit has a history of compliance with this chapter, 75164
rules adopted under it, the existing permit, or orders entered to 75165
enforce such requirements that demonstrates sufficient 75166
reliability, expertise, and competency to operate the facility 75167
henceforth under this chapter, rules adopted under it, and the 75168
renewal permit. If the director approves an application for a 75169
renewal permit, the director shall issue the permit subject to the 75170
payment of the annual permit fee required under division (E) of 75171
section 3734.02 of the Revised Code and upon such terms and 75172
conditions as the director finds are reasonable to ensure that 75173
continued operation, maintenance, closure, and post-closure care 75174
of the hazardous waste facility are in accordance with the rules 75175
adopted under section 3734.12 of the Revised Code. 75176

(3) An installation and operation permit renewal application 75177
submitted to the director that also contains or would constitute 75178
an application for a modification shall be acted upon by the 75179
director in accordance with division (I) of this section in the 75180
same manner as an application for a modification. In approving or 75181
disapproving the renewal portion of a permit renewal application 75182
containing an application for a modification, the director shall 75183
apply the criteria established under division (H)(2) of this 75184
section. 75185

(4) An application for renewal or modification of a permit 75186
that does not contain an application for a modification as 75187
described in divisions (I)(3)(a) to (d) of this section shall not 75188
be subject to division (D)(2) of this section. 75189

(I)(1) As used in this section, "modification" means a change 75190
or alteration to a hazardous waste facility or its operations that 75191
is inconsistent with or not authorized by its existing permit or 75192
authorization to operate. Modifications shall be classified as 75193
Class 1, 2, or 3 modifications in accordance with rules adopted 75194

under division (K) of this section. Modifications classified as 75195
Class 3 modifications, in accordance with rules adopted under that 75196
division, shall be further classified by the director as either 75197
Class 3 modifications that are to be approved or disapproved by 75198
the director under divisions (I)(3)(a) to (d) of this section or 75199
as Class 3 modifications that are to be approved or disapproved by 75200
the director under division (I)(5) of this section. Not later than 75201
thirty days after receiving a request for a modification under 75202
division (I)(4) of this section that is not listed in Appendix I 75203
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 75204
section, the director shall classify the modification and shall 75205
notify the owner or operator of the facility requesting the 75206
modification of the classification. Notwithstanding any other law 75207
to the contrary, a modification that involves the transfer of a 75208
hazardous waste facility installation and operation permit to a 75209
new owner or operator for any off-site facility as defined in 75210
section 3734.41 of the Revised Code shall be classified as a Class 75211
3 modification. The transfer of a hazardous waste facility 75212
installation and operation permit to a new owner or operator for a 75213
facility that is not an off-site facility shall be classified as a 75214
Class 1 modification requiring prior approval of the director. 75215

(2) Except as provided in section 3734.123 of the Revised 75216
Code, a hazardous waste facility installation and operation permit 75217
may be modified at the request of the director or upon the written 75218
request of the permittee only if any of the following applies: 75219

(a) The permittee desires to accomplish alterations, 75220
additions, or deletions to the permitted facility or to undertake 75221
alterations, additions, deletions, or activities that are 75222
inconsistent with or not authorized by the existing permit; 75223

(b) New information or data justify permit conditions in 75224
addition to or different from those in the existing permit; 75225

(c) The standards, criteria, or rules upon which the existing 75226

permit is based have been changed by new, amended, or rescinded 75227
standards, criteria, or rules, or by judicial decision after the 75228
existing permit was issued, and the change justifies permit 75229
conditions in addition to or different from those in the existing 75230
permit; 75231

(d) The permittee proposes to transfer the permit to another 75232
person. 75233

(3) The director shall approve or disapprove an application 75234
for a modification in accordance with division (D)(2) of this 75235
section and rules adopted under division (K) of this section for 75236
all of the following categories of Class 3 modifications: 75237

(a) Authority to conduct treatment, storage, or disposal at a 75238
site, location, or tract of land that has not been authorized for 75239
the proposed category of treatment, storage, or disposal activity 75240
by the facility's permit; 75241

(b) Modification or addition of a hazardous waste management 75242
unit, as defined in rules adopted under section 3734.12 of the 75243
Revised Code, that results in an increase in a facility's storage 75244
capacity of more than twenty-five per cent over the capacity 75245
authorized by the facility's permit, an increase in a facility's 75246
treatment rate of more than twenty-five per cent over the rate so 75247
authorized, or an increase in a facility's disposal capacity over 75248
the capacity so authorized. The authorized disposal capacity for a 75249
facility shall be calculated from the approved design plans for 75250
the disposal units at that facility. In no case during a five-year 75251
period shall a facility's storage capacity or treatment rate be 75252
modified to increase by more than twenty-five per cent in the 75253
aggregate without the director's approval in accordance with 75254
division (D)(2) of this section. Notwithstanding any provision of 75255
division (I) of this section to the contrary, a request for 75256
modification of a facility's annual total waste receipt limit 75257
shall be classified and approved or disapproved by the director 75258

under division (I)(5) of this section. 75259

(c) Authority to add any of the following categories of 75260
regulated activities not previously authorized at a facility by 75261
the facility's permit: storage at a facility not previously 75262
authorized to store hazardous waste, treatment at a facility not 75263
previously authorized to treat hazardous waste, or disposal at a 75264
facility not previously authorized to dispose of hazardous waste; 75265
or authority to add a category of hazardous waste management unit 75266
not previously authorized at the facility by the facility's 75267

waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 75277
previously authorized to treat, store, or dispose of those types 75278
of wastes by the facility's permit unless the requested authority 75279
is limited to wastes that no longer exhibit characteristics 75280
meeting the criteria for listing or characterization as reactive 75281
or explosive wastes, or for listing as acute hazardous waste, but 75282
still are required to carry those waste codes as established in 75283
rules adopted under section 3734.12 of the Revised Code because of 75284
the requirements established in 40 C.F.R. 261(a) and (e), as 75285

the city manager or mayor of the municipal corporation in which a 75302
hazardous waste facility is located shall receive notification of 75303
any application for a modification for that facility and shall be 75304
considered as interested persons with respect to the director's 75305
consideration of the application. 75306

installation and operation permit application for the facility or 75349
a modification application, whichever is required under division 75350
(J)(1)(a) or (b) of this section, within one hundred eighty days 75351

treatment, storage, or disposal activities at the facility, the 75357
owner or operator shall submit an application for such a permit to 75358
the director for the activities authorized by the permit by rule. 75359

disposes of hazardous waste that is generated off the premises of 75577
the facility. 75578

(3) "Satellite facility" means any of the following: 75579

(a) An on-site facility that also receives hazardous waste 75580
from other premises owned by the same person who generates the 75581
waste on the facility premises; 75582

(b) An off-site facility operated so that all of the 75583
hazardous waste it receives is generated on one or more premises 75584
owned by the person who owns the facility; 75585

(c) An on-site facility that also receives hazardous waste 75586
that is transported uninterruptedly and directly to the facility 75587
through a pipeline from a generator who is not the owner of the 75588
facility. 75589

(B) A treatment or disposal facility that is subject to the 75590
fees that are levied under this section may be both an on-site 75591
facility and an off-site facility. The determination of whether an 75592
on-site facility fee or an off-site facility fee is to be paid for 75593
a hazardous waste that is treated or disposed of at the facility 75594
shall be based on whether that hazardous waste was generated on or 75595
off the premises of the facility. 75596

(C) There are hereby levied fees on the disposal of hazardous 75597
waste to be collected according to the following schedule at each 75598
disposal facility to which a hazardous waste facility installation 75599
and operation permit or renewal of a permit has been issued under 75600
this chapter or that is operating in accordance with a permit by 75601
rule under rules adopted by the director of environmental 75602
protection: 75603

(1) For disposal facilities that are off-site facilities, 75604

fees shall be levied at the rate of four dollars and fifty cents 75605
per ton for hazardous waste disposed of by deep well injection and 75606
nine dollars per ton for hazardous waste disposed of by land 75607
application or landfilling. The owner or operator of the facility, 75608
as a trustee for the state, shall collect the fees and forward 75609
them to the director in accordance with rules adopted under this 75610
section. 75611

(2) For disposal facilities that are on-site or satellite 75612
facilities, fees shall be levied at the rate of two dollars per 75613
ton for hazardous waste disposed of by deep well injection and 75614
four dollars per ton for hazardous waste disposed of by land 75615
application or landfilling. The maximum annual disposal fee for an 75616
on-site disposal facility that disposes of one hundred thousand 75617
tons or less of hazardous waste in a year is twenty-five thousand 75618
dollars. The maximum annual disposal fee for an on-site facility 75619
that disposes of more than one hundred thousand tons of hazardous 75620
waste in a year by land application or landfilling is fifty 75621
thousand dollars, and the maximum annual fee for an on-site 75622
facility that disposes of more than one hundred thousand tons of 75623
hazardous waste in a year by deep well injection is one hundred 75624
thousand dollars. The maximum annual disposal fee for a satellite 75625
facility that disposes of one hundred thousand tons or less of 75626
hazardous waste in a year is thirty-seven thousand five hundred 75627
dollars, and the maximum annual disposal fee for a satellite 75628
facility that disposes of more than one hundred thousand tons of 75629
hazardous waste in a year is seventy-five thousand dollars, except 75630
that a satellite facility defined under division (A)(3)(b) of this 75631
section that receives hazardous waste from a single generation 75632
site is subject to the same maximum annual disposal fees as an 75633
on-site disposal facility. The owner or operator shall pay the fee 75634
to the director each year upon the anniversary of the date of 75635
issuance of the owner's or operator's installation and operation 75636
permit during the term of that permit and any renewal permit 75637

issued under division (H) of section 3734.05 of the Revised Code 75638
or on the anniversary of the date of a permit by rule. If payment 75639
is late, the owner or operator shall pay an additional ten per 75640
cent of the amount of the fee for each month that it is late. 75641

(D) There are hereby levied fees at the rate of two dollars 75642
per ton on hazardous waste that is treated at treatment facilities 75643
that are not on-site or satellite facilities to which a hazardous 75644
waste facility installation and operation permit or renewal of a 75645
permit has been issued under this chapter, whose owner or operator 75646
is operating in accordance with a permit by rule under rules 75647
adopted by the director, or that are not subject to the hazardous 75648
waste facility installation and operation permit requirements 75649
under rules adopted by the director. 75650

(E) There are hereby levied additional fees on the treatment 75651
and disposal of hazardous waste at the rate of ten per cent of the 75652
applicable fees prescribed in division (C) or (D) of this section 75653
for the purposes of paying the costs of municipal corporations and 75654
counties for conducting reviews of applications for hazardous 75655
waste facility installation and operation permits for proposed new 75656
or modified hazardous waste landfills within their boundaries, 75657
emergency response actions with respect to releases of hazardous 75658
waste from hazardous waste facilities within their boundaries, 75659
monitoring the operation of such hazardous waste facilities, and 75660
local waste management planning programs. The owner or operator of 75661
a facility located within a municipal corporation, as a trustee 75662
for the municipal corporation, shall collect the fees levied by 75663
this division and forward them to the treasurer of the municipal 75664
corporation or such officer as, by virtue of the charter, has the 75665
duties of the treasurer in accordance with rules adopted under 75666
this section. The owner or operator of a facility located in an 75667
unincorporated area, as a trustee of the county in which the 75668
facility is located, shall collect the fees levied by this 75669

division and forward them to the county treasurer of that county 75670
in accordance with rules adopted under this section. The owner or 75671
operator shall pay the fees levied by this division to the 75672
treasurer or such other officer of the municipal corporation or to 75673
the county treasurer each year upon the anniversary of the date of 75674
issuance of the owner's or operator's installation and operation 75675
permit during the term of that permit and any renewal permit 75676
issued under division (H) of section 3734.05 of the Revised Code 75677
or on the anniversary of the date of a permit by rule or the date 75678
on which the facility became exempt from hazardous waste facility 75679
installation and operation permit requirements under rules adopted 75680
by the director. If payment is late, the owner or operator shall 75681
pay an additional ten per cent of the amount of the fee for each 75682
month that the payment is late. 75683

Moneys received by a municipal corporation under this 75684
division shall be paid into a special fund of the municipal 75685
corporation and used exclusively for the purposes of conducting 75686
reviews of applications for hazardous waste facility installation 75687
and operation permits for new or modified hazardous waste 75688
landfills located or proposed within the municipal corporation, 75689
conducting emergency response actions with respect to releases of 75690
hazardous waste from facilities located within the municipal 75691
corporation, monitoring operation of such hazardous waste 75692
facilities, and conducting waste management planning programs 75693
within the municipal corporation through employees of the 75694
municipal corporation or pursuant to contracts entered into with 75695
persons or political subdivisions. Moneys received by a board of 75696
county commissioners under this division shall be paid into a 75697
special fund of the county and used exclusively for those purposes 75698
within the unincorporated area of the county through employees of 75699
the county or pursuant to contracts entered into with persons or 75700
political subdivisions. 75701

(F) As used in this section, "treatment" or "treated" does not include any method, technique, or process designed to recover energy or material resources from the waste or to render the waste amenable for recovery. The fees levied by division (D) of this section do not apply to hazardous waste that is treated and disposed of on the same premises or by the same person.

(G) The director, by rules adopted in accordance with Chapters 119. and 3745. of the Revised Code, shall prescribe any dates not specified in this section and procedures for collecting and forwarding the fees prescribed by this section and may prescribe other requirements that are necessary to carry out this section.

The director shall deposit the moneys collected under divisions (C) and (D) of this section ~~into one or more minority banks, as "minority bank" is defined in division (F)(1) of section 135.04 of the Revised Code,~~ to the credit of the hazardous waste facility management fund, which is hereby created in the state treasury, except that the director shall deposit to the credit of the underground injection control fund created in section 6111.046 of the Revised Code moneys in excess of fifty thousand dollars that are collected during a fiscal year under division (C)(2) of this section from the fee levied on the disposal of hazardous waste by deep well injection at an on-site disposal facility that disposes of more than one hundred thousand tons of hazardous waste in a year.

The environmental protection agency may use moneys in the hazardous waste facility management fund for administration of the hazardous waste program established under this chapter and, in accordance with this section, may request approval by the controlling board on an annual basis for that use ~~on an annual basis. In addition, the agency may use and pledge moneys in that fund for repayment of and for interest on any loans made by the~~

~~Ohio water development authority to the agency for the hazardous waste program established under this chapter without the necessity of requesting approval by the controlling board, which use and pledge shall have priority over any other use of the moneys in the fund and for the purposes specified in sections 3734.19 to 3734.27 of the Revised Code.~~

~~Until September 28, 1996, the director also may use moneys in the fund to pay the start up costs of administering Chapter 3746. of the Revised Code.~~

If moneys in the fund that the agency uses in accordance with this chapter are reimbursed by grants or other moneys from the United States government, the grants or other moneys shall be placed in the fund.

Before the agency makes any expenditure from the fund other than for repayment of and interest on any loan made by the Ohio water development authority to the agency ~~in accordance with this section~~, the controlling board shall approve the expenditure.

Sec. 3734.19. (A) If the legislative or executive authority of a municipal corporation, county, or township has evidence to indicate that locations within its boundaries once served as hazardous waste facilities or that significant quantities of hazardous waste were disposed of in solid waste facilities within its boundaries, it may file a formal written request with the director of environmental protection, accompanied by supporting evidence, to survey the locations or facilities.

Upon receipt of a request and a review of the evidence submitted with the request, the director shall conduct an investigation to determine if hazardous waste was actually treated, stored, or disposed of at the locations or facilities and, if so, to determine the nature and approximate quantity and types of the waste treated, stored, or disposed of at the

particular locations or facilities. In addition, the director 75765
shall determine whether the locations or facilities, because of 75766
their present condition and the nature and quantities of waste 75767
treated, stored, or disposed of therein, result or are likely to 75768
result in air pollution, pollution of the waters of the state, or 75769
soil contamination or constitute a present or imminent and 75770
substantial threat to public health or safety. The director shall 75771
report the findings of ~~his~~ the investigation to the municipal 75772
corporation, county, or township requesting the survey. 75773

For the purpose of conducting investigations under this 75774
section, the director or ~~his~~ the director's authorized 75775
representative may enter upon any public or private property. The 75776
director or ~~his~~ the director's authorized representative may apply 75777
for, and any judge of a court of common pleas shall issue, an 75778
appropriate search warrant necessary to achieve the purposes of 75779
this section within the court's territorial jurisdiction. When 75780
conducting investigations under this section, the director shall 75781
cause no unnecessary damage to any property. The director may 75782
expend moneys from the hazardous waste facility management fund 75783
created in section 3734.18 of the Revised Code, the hazardous 75784
waste clean-up fund created in section 3734.28 of the Revised 75785
Code, or the environmental protection remediation fund created in 75786
section 3734.281 of the Revised Code for conducting 75787
investigations. 75788

(B) As used in this section and in sections 3734.20, 3734.21, 75789
3734.23, 3734.25, and 3734.26 of the Revised Code, "soil 75790
contamination" means the presence in or on the soil of any 75791
hazardous waste or hazardous waste residue resulting from the 75792
discharge, deposit, injection, dumping, spilling, leaking, 75793
emitting, or placing into or on the soil of hazardous waste or 75794
hazardous waste residue, or any material that when discharged, 75795
deposited, injected, dumped, spilled, leaked, emitted, or placed 75796

into or on the soil becomes a hazardous waste, in any quantity or 75797
having any characteristics that are or threaten to be injurious to 75798
public health or safety, plant or animal life, or the environment 75799
or that unreasonably interfere with the comfortable enjoyment of 75800
life or property. 75801

Sec. 3734.20. (A) If the director of environmental protection 75802
has reason to believe that hazardous waste was treated, stored, or 75803
disposed of at any location within the state, the director may 75804
conduct such investigations and make such inquiries, including 75805
obtaining samples and examining and copying records, as are 75806
reasonable or necessary to determine if conditions at a hazardous 75807
waste facility, solid waste facility, or other location where the 75808
director has reason to believe hazardous waste was treated, 75809
stored, or disposed of constitute a substantial threat to public 75810
health or safety or are causing or contributing to or threatening 75811
to cause or contribute to air or water pollution or soil 75812
contamination. The director or the director's authorized 75813
representative may apply for, and any judge of a court of common 75814
pleas shall issue, an appropriate search warrant necessary to 75815
achieve the purposes of this section within the court's 75816
territorial jurisdiction. The director may expend moneys from the 75817
hazardous waste facility management fund created in section 75818
3734.18 of the Revised Code, the hazardous waste clean-up fund 75819
created in section 3734.28 of the Revised Code, or the 75820
environmental protection remediation fund created in section 75821
3734.281 of the Revised Code for conducting investigations under 75822
this section. 75823

(B) If the director determines that conditions at a hazardous 75824
waste facility, solid waste facility, or other location where 75825
hazardous waste was treated, stored, or disposed of constitute a 75826
substantial threat to public health or safety or are causing or 75827
contributing to or threatening to cause or contribute to air or 75828

water pollution or soil contamination, the director shall initiate 75829
appropriate action under this chapter or Chapter 3704. or 6111. of 75830
the Revised Code or seek any other appropriate legal or equitable 75831
remedies to abate the pollution or contamination or to protect 75832
public health or safety. 75833

If an order of the director to abate or prevent air or water 75834
pollution or soil contamination or to remedy a threat to public 75835
health or safety caused by conditions at such a facility issued 75836
pursuant to this chapter or Chapter 3704. or 6111. of the Revised 75837
Code is not wholly complied with within the time prescribed in the 75838
order, the director may, through officers or employees of the 75839
environmental protection agency or through contractors employed 75840
for that purpose in accordance with the bidding procedure 75841
established in division (C) of section 3734.23 of the Revised 75842
Code, enter upon the facility and perform those measures necessary 75843
to abate or prevent air or water pollution or soil contamination 75844
from the facility or to protect public health or safety, 75845
including, but not limited to, measures prescribed in division (B) 75846
of section 3734.23 of the Revised Code. The director shall keep an 75847
itemized record of the cost of the investigation and measures 75848
performed, including costs for labor, materials, and any contract 75849
services required. Upon completion of the investigation or 75850
measures, the director shall record the cost of performing those 75851
measures at the office of the county recorder of the county in 75852
which the facility is located. The cost so recorded constitutes a 75853
lien against the property on which the facility is located until 75854
discharged. Upon written request of the director, the attorney 75855
general shall institute a civil action to recover the cost. Any 75856
moneys so received shall be credited to the hazardous waste 75857
facility management fund, the hazardous waste clean-up fund, or 75858
the environmental protection remediation fund, as applicable. 75859

When entering upon a facility under this division, the 75860

director shall perform or cause to be performed only those 75861
measures necessary to abate or prevent air or water pollution or 75862
soil contamination caused by conditions at the facility or to 75863
abate threats to public health or safety caused by conditions at 75864
the facility. For this purpose the director may expend moneys from 75865
~~either the hazardous waste facility management fund, the hazardous~~ 75866
~~waste clean-up fund, or the environmental protection remediation~~ 75867
fund and may expend moneys from loans from the Ohio water 75868
development authority to the environmental protection agency that 75869
pledge moneys from ~~either the hazardous waste facility management~~ 75870
~~fund, the hazardous waste clean-up fund, or the environmental~~ 75871
~~protection remediation~~ fund for the repayment of and for the 75872
interest on such loans. 75873

Sec. 3734.21. (A) The director of environmental protection 75874
may expend moneys credited to the hazardous waste facility 75875
management fund created in section 3734.18 of the Revised Code, 75876
the hazardous waste clean-up fund created in section 3734.28 of 75877
the Revised Code, or the environmental protection remediation fund 75878
created in section 3734.281 of the Revised Code for the payment of 75879
the cost of measures necessary for the proper closure of hazardous 75880
waste facilities or any solid waste facilities containing 75881
significant quantities of hazardous waste, for the payment of 75882
costs of the development and construction of suitable hazardous 75883
waste facilities required by division (B) of section 3734.23 of 75884
the Revised Code to the extent the director determines that such 75885
facilities are not available, and for the payment of costs that 75886
are necessary to abate conditions thereon that are causing or 75887
contributing to or threatening to cause or contribute to air or 75888
water pollution or soil contamination or that constitute a 75889
substantial threat to public health or safety. In addition, the 75890
director may expend and pledge moneys credited to ~~either the~~ 75891
hazardous waste facility management fund, the hazardous waste 75892

clean-up fund, or the environmental protection remediation fund 75893
for repayment of and for interest on any loan made by the Ohio 75894
water development authority to the environmental protection agency 75895
for the payment of such costs. 75896

(B) Before beginning to clean up any facility under this 75897
section, the director shall develop a plan for the cleanup and an 75898
estimate of the cost thereof. The plan shall include only those 75899
measures necessary to abate conditions thereon that are causing or 75900
contributing to or threatening to cause or contribute to air or 75901
water pollution or soil contamination or that constitute a 75902
substantial threat to public health or safety, including, but not 75903
limited to, establishment and maintenance of an adequate cover of 75904
soil and vegetation on any facility for the burial of hazardous 75905
waste to prevent the infiltration of water into cells where 75906
hazardous waste is buried, the accumulation or runoff of 75907
contaminated surface water, the production of leachate, and air 75908
emissions of hazardous waste; the collection and treatment of 75909
contaminated surface water runoff; the collection and treatment of 75910
leachate; or, if conditions so require, the removal of hazardous 75911
waste from the facility and the treatment or disposal of the waste 75912
at a suitable hazardous waste facility. The plan or any part of 75913
the plan for the cleanup of the facility shall be carried out by 75914
entering into contracts therefor in accordance with the procedures 75915
established in division (C) of section 3734.23 of the Revised 75916
Code. 75917

Sec. 3734.22. Before beginning to clean up any facility under 75918
section 3734.21 of the Revised Code, the director of environmental 75919
protection shall endeavor to enter into an agreement with the 75920
owner of the land on which the facility is located, or with the 75921
owner of the facility, specifying the measures to be performed and 75922
authorizing the director, employees of the agency, or contractors 75923
retained by the director to enter upon the land and perform the 75924

specified measures. 75925

Each agreement may contain provisions for the reimbursement 75926
of the state for the costs of the cleanup. 75927

All reimbursements and payments shall be credited to the 75928
hazardous waste facility management fund created in section 75929
3734.18 of the Revised Code, the hazardous waste clean-up fund 75930
created in section 3734.28 of the Revised Code, or the 75931
environmental protection remediation fund created in section 75932
3734.281 of the Revised Code, as applicable. 75933

The agreement may require the owner to execute an easement 75934
whereby the director, an authorized employee of the agency, or a 75935
contractor employed by the agency in accordance with the bidding 75936
procedure established in division (C) of section 3734.23 of the 75937
Revised Code may enter upon the facility to sample, repair, or 75938
reconstruct air and water quality monitoring equipment constructed 75939
under the agreement. Such easements shall be for a specified 75940
period of years and may be extinguished by agreement between the 75941
owner and the director. When necessary to protect the public 75942
health or safety, the agreement may require the owner to enter 75943
into an environmental covenant with the director in accordance 75944
with sections 5301.80 to 5301.92 of the Revised Code. 75945

Upon a breach of the reimbursement provisions of the 75946
agreement by the owner of the land or facility, or upon 75947
notification to the director by the owner that the owner is unable 75948
to perform the duties under the reimbursement provisions of the 75949
agreement, the director may record the unreimbursed portion of the 75950
costs of cleanup at the office of the county recorder of the 75951
county in which the facility is located. The costs so recorded 75952
constitute a lien against the property on which the facility is 75953
located until discharged. Upon written request of the director, 75954
the attorney general shall institute a civil action to recover the 75955
unreimbursed portion of the costs of cleanup. Any moneys so 75956

recovered shall be credited to the hazardous waste facility management fund, the hazardous waste clean-up fund, or the environmental protection remediation fund, as applicable.

Sec. 3734.23. (A) The director of environmental protection may acquire by purchase, gift, donation, contribution, or appropriation in accordance with sections 163.01 to 163.21 of the Revised Code any hazardous waste facility or any solid waste facility containing significant quantities of hazardous waste that, because of its condition and the types and quantities of hazardous waste contained in the facility, constitutes an imminent and substantial threat to public health or safety or results in air pollution, pollution of the waters of the state, or soil contamination. For this purpose and for the purposes of division (B) of this section, the director may expend moneys from the hazardous waste facility management fund created in section 3734.18 of the Revised Code, the hazardous waste clean-up fund created in section 3734.28 of the Revised Code, or the environmental protection remediation fund created in section 3734.281 of the Revised Code and may expend moneys from loans from the Ohio water development authority to the environmental protection agency that pledge moneys from ~~either~~ the hazardous waste facility management fund, the hazardous waste clean-up fund, or the environmental protection remediation fund for the repayment of and for the interest on such loans. Any lands or facilities purchased or acquired under this section shall be deeded to the state, but no deed shall be accepted or the purchase price paid until the title has been approved by the attorney general.

(B) The director shall, with respect to any land or facility acquired under this section or cleaned up under section 3734.20 of the Revised Code, perform closure or other measures necessary to abate conditions thereon that are causing or contributing to or threatening to cause or contribute to air or water pollution or

soil contamination or that constitute a substantial threat to 75989
public health or safety, including, but not limited to, 75990
establishment and maintenance of an adequate cover of soil and 75991
vegetation on any facility for the burial of hazardous waste to 75992
prevent the infiltration of water into cells where hazardous waste 75993
is buried, the accumulation or runoff of contaminated surface 75994
water, the production of leachate, and air emissions of hazardous 75995
waste; the collection and treatment of contaminated surface water 75996
runoff; the collection and treatment of leachate; or, if 75997
conditions so require, the removal of hazardous waste from the 75998
facility and the treatment or disposal of the waste at a suitable 75999
hazardous waste facility. After performing these measures, the 76000
director shall provide for the post-closure care, maintenance, and 76001
monitoring of facilities cleaned up under this section. 76002

(C) Before proceeding to clean up any facility under this 76003
section or section 3734.20 or 3734.21 of the Revised Code, the 76004
director shall develop a plan for the cleanup of the facility and 76005
an estimate of the cost thereof. The director may carry out the 76006
plan or any part of the plan by contracting for the services, 76007
construction, and repair necessary therefor. The director shall 76008
award each such contract to the lowest responsible bidder after 76009
sealed bids therefor are received, opened, and published at the 76010
time fixed by the director and notice of the time and place at 76011
which the sealed bids will be received, opened, and published has 76012
been published by the director in a newspaper of general 76013
circulation in the county in which the facility to be cleaned up 76014
under the contract is located at least once within the ten days 76015
before the opening of the bids. However, if after advertising for 76016
bids for the contract, no bids are received by the director at the 76017
time and place fixed for receiving them, the director may 76018
advertise again for bids, or the director may, if the director 76019
considers the public interest will best be served thereby, enter 76020
into a contract for the cleanup of the facility without further 76021

advertisement for bids. The director may reject any or all bids 76022
received and fix and publish again notice of the time and place at 76023
which bids for the contracts will be received, opened, and 76024
published. 76025

(D) The director shall keep an itemized record of the costs 76026
of any acquisition under division (A) of this section and the 76027
costs of cleanup under division (B) of this section. 76028

Sec. 3734.24. After the cleanup of a solid waste facility or 76029
a hazardous waste facility acquired and cleaned up under section 76030
3734.23 of the Revised Code, the director of environmental 76031
protection may, if the facility is suitable for use by any other 76032
state department, agency, office, or institution and if the 76033
proposed use of the facility is compatible with the condition of 76034
the facility as cleaned up, transfer the facility to that state 76035
department, agency, office, or institution. The director shall 76036
continue to provide for the post-closure care, maintenance, and 76037
monitoring of any such cleaned-up facility as required by section 76038
3734.23 of the Revised Code. 76039

If the director determines that any facility so cleaned up is 76040
suitable, because of its condition as cleaned up, for restricted 76041
or unrestricted use, the director may, with the approval of the 76042
attorney general, sell the facility if the sale is advantageous to 76043
the state. Prior to selling the cleaned-up facility, the director 76044
shall, when necessary to protect public health or safety, enter 76045
into an environmental covenant in accordance with sections 5301.80 76046
to 5301.92 of the Revised Code. When selling any such cleaned-up 76047
facility, the director shall retain the right to enter upon the 76048
facility, in person or by an authorized agent, to provide for the 76049
post-closure care, maintenance, and monitoring of the facility. 76050
The director shall provide for the post-closure care, maintenance, 76051
and monitoring of any such facility sold as required by section 76052

3734.23 of the Revised Code. 76053

With the approval of the attorney general, the director may 76054
grant easements or leases on any such cleaned-up facility if the 76055
director determines that the use of the facility under the 76056
easement or lease is compatible with its condition as cleaned up. 76057

Any moneys derived from the sale of such cleaned-up 76058
facilities or from payments from easements or leases shall be 76059
credited to the hazardous waste facility management fund created 76060
in section 3734.18 of the Revised Code, the hazardous waste 76061
clean-up fund created in section 3734.28 of the Revised Code, or 76062
the environmental protection remediation fund created in section 76063
3734.281 of the Revised Code, as applicable. 76064

Sec. 3734.25. (A) The director of environmental protection 76065
may make grants of moneys from the hazardous waste facility 76066
management fund created in section 3734.18 of the Revised Code or 76067
the hazardous waste clean-up fund created in section 3734.28 of 76068
the Revised Code for payment by the state of up to two-thirds of 76069
the reasonable and necessary expenses incurred by a municipal 76070
corporation, county, or township for the proper closure of or 76071
abatement of air or water pollution or soil contamination from a 76072
solid waste facility in which significant quantities of hazardous 76073
waste were disposed of and that the political subdivision owns and 76074
once operated. 76075

(B) A municipal corporation, county, or township shall submit 76076
an application for a grant on forms provided by the director, 76077
together with detail plans and specifications indicating the 76078
measures to be performed, an itemized estimate of the project's 76079
cost, a description of the project's benefits, and such other 76080
information as the director prescribes. The plan for closure or 76081
abatement of air or water pollution or soil contamination may be 76082
prepared in consultation with the director or the board of health 76083

of the city or general health district in which the facility is 76084
located. The director may award the applicant a grant only if the 76085
director finds that the proposed measures will provide for the 76086
proper closure of the facility and will abate or prevent air or 76087
water pollution or soil contamination, including, but not limited 76088
to, those measures necessary or desirable to: 76089

(1) In the case of a facility at which land burial of 76090
hazardous waste occurred, establish and maintain a suitable cover 76091
of soil and vegetation over the cells in which waste is buried in 76092
order to minimize erosion, the infiltration of surface water into 76093
the cells, the production of leachate, and the accumulation or 76094
runoff of contaminated surface waters and to prevent air emissions 76095
of hazardous waste from the facility; 76096

(2) Collect and treat contaminated surface water runoff from 76097
the facility; 76098

(3) Collect and treat leachate produced at the facility; 76099

(4) Install test wells and other equipment or facilities to 76100
monitor the quality of surface waters receiving runoff from the 76101
facility or to monitor air emissions of hazardous waste from the 76102
facility; 76103

(5) Regularly monitor and analyze surface water runoff from 76104
the facility, the quality of waters receiving the runoff, and 76105
ground water quality in the vicinity of the facility, and 76106
regularly monitor leachate collection and treatment systems 76107
installed under the grant and analyze samples from them; 76108

(6) Remove and dispose of hazardous waste from the facility 76109
at a suitable hazardous waste disposal facility where necessary to 76110
protect public health or safety or to prevent or abate air or 76111
water pollution or soil contamination. 76112

(C) The director shall determine the amount of the grant 76113
based upon the director's determination of what constitutes 76114

reasonable and necessary expenses for the proper closure of the 76115
facility or for the prevention or elimination of air or water 76116
pollution or soil contamination from the facility. In making a 76117
grant, the director shall enter into a contract with the municipal 76118
corporation, county, or township that owns the facility to ensure 76119
that the moneys granted are used for the purposes of this section 76120
and that measures performed are properly done. The final payment 76121
under a grant may not be made until the director inspects and 76122
approves the completed cleanup. 76123

The contract shall require the municipal corporation, county, 76124
or township to execute an easement whereby the director, an 76125
authorized employee of the agency, or a contractor employed by the 76126
director may enter upon the facility to sample, repair, or 76127
reconstruct air and water quality monitoring equipment constructed 76128
under the contract. Such easements shall be for a specified period 76129
of years and may be extinguished by agreement between the 76130
political subdivision and the director. 76131

When necessary to protect public health or safety, the 76132
contract may require the municipal corporation, county, or 76133
township to enter into an environmental covenant with the director 76134
in accordance with sections 5301.80 to 5301.92 of the Revised 76135
Code. 76136

Sec. 3734.26. (A) The director of environmental protection 76137
may make grants of moneys from the hazardous waste facility 76138
management fund created in section 3734.18 of the Revised Code or 76139
the hazardous waste clean-up fund created in section 3734.28 of 76140
the Revised Code to the owner, other than a political subdivision, 76141
of a solid waste facility in which significant quantities of 76142
hazardous waste were disposed of or a hazardous waste facility for 76143
up to fifty per cent of the cost of the reasonable and necessary 76144
expenses incurred for the proper closure of or abatement or 76145

prevention of air or water pollution or soil contamination from 76146
the facility and for developing the land on which it was located 76147
for use in industry, commerce, distribution, or research. 76148

The director shall not make grants to the owner of any land 76149
on which such facilities are located if the owner at any time 76150
owned or operated the facility located thereon for profit or in 76151
conjunction with any profit-making enterprise located in this 76152
state or to any person who at any time owned or operated a 76153
facility concerning which the director has taken action under 76154
section 3734.20, 3734.22, or 3734.23 of the Revised Code. However, 76155
the director may make grants under this section to any subsequent 76156
owner of the land, provided that the person has no affiliation 76157
with any person who owned or operated the facility located on the 76158
land for profit or in conjunction with any profit-making 76159
enterprise located in this state or who owned or operated a 76160
facility concerning which the director has taken action under 76161
section 3734.20, 3734.22, or 3734.23 of the Revised Code. 76162

(B) The owner shall submit an application for a grant on 76163
forms furnished by the director, together with detail plans and 76164
specifications for the measures to be performed to close the 76165
facility properly or to abate or prevent air or water pollution or 76166
soil contamination from the facility, an itemized estimate of the 76167
project's cost, a description of the project's estimated benefits, 76168
and such other information as the director prescribes. The plan 76169
may be prepared in consultation with the director or with the 76170
board of health of the city or general health district in which 76171
the facility is located. The director may award the applicant a 76172
grant only after finding that the proposed measures will provide 76173
for the proper closure of the facility or will abate or prevent 76174
air or water pollution or soil contamination from the facility, 76175
including, but not limited to, those measures necessary or 76176
desirable to: 76177

- (1) In the case of a facility for the land burial of hazardous waste, establish and maintain a suitable cover of soil and vegetation over the cells in which waste is buried in order to minimize erosion, the infiltration of surface water into the cells, the production of leachate, and the accumulation or runoff of contaminated surface water and to prevent air emissions of hazardous waste from the facility;
- (2) Collect and treat contaminated surface water runoff from the facility;
- (3) Collect and treat leachate produced at the facility;
- (4) Install test wells and other equipment or facilities to monitor the quality of surface waters receiving runoff from the facility or to monitor air emissions of hazardous waste from the facility;
- (5) Regularly monitor and analyze surface water runoff from the facility, the quality of waters receiving the runoff, and ground water quality in the vicinity of the facility, and regularly monitor leachate collection and treatment systems installed under the grant and analyze samples from them;
- (6) Remove and dispose of hazardous waste from the facility at a suitable hazardous waste disposal facility where necessary to protect public health or safety or to abate or prevent air or water pollution or soil contamination.
- (C) The director shall determine the amount of the grant based upon the director's determination of what constitutes reasonable and necessary expenses for the proper closure of the facility or for the abatement or prevention of air or water pollution or soil contamination from the facility. The amount of the grant shall not exceed one-half of the total, as determined by the director, of what constitutes reasonable and necessary expenses actually incurred for the proper closure of or abatement

or prevention of air or water pollution or soil contamination from 76209
the facility. 76210

In making a grant, the director shall enter into a contract 76211
for funding with each applicant awarded a grant to ensure that the 76212
moneys granted are used for the purpose of this section and that 76213
the measures performed are properly performed. The final payment 76214
under a grant may not be made until the director inspects and 76215
approves the completed cleanup and the plans for developing the 76216
land for use in industry, commerce, distribution, or research. 76217

Each contract for funding shall contain provisions for the 76218
reimbursement of the state of a portion of the costs of the 76219
cleanup that is commensurate with the increase in the market value 76220
of the property attributable to the cleanup thereon, as determined 76221
by appraisals made before and after cleanup in the manner stated 76222
in the contract. For reimbursement of that portion, the contract 76223
may include provisions for: 76224

(1) Payment to the state of the share of the income derived 76225
from the productive use of the land; 76226

(2) Imposition of a lien in the amount of the increase in 76227
fair market value payable upon the transfer or conveyance to a new 76228
owner; 76229

(3) Waiver of all reimbursement if the determination 76230
discloses an increase in value that is insubstantial in comparison 76231
to the benefits to the public from the abatement of threats to 76232
public health or safety or from the abatement or prevention of 76233
pollution or contamination, considering the applicant's share of 76234
the cleanup cost. 76235

All reimbursements and payments shall be credited to the 76236
hazardous waste facility management fund or the hazardous waste 76237
clean-up fund ~~created in section 3734.28 of the Revised Code, as~~ 76238
applicable. 76239

(D) The contract shall require the owner to execute an easement whereby the director, an authorized employee of the agency, or a contractor employed by the agency may enter upon the facility to sample, repair, or reconstruct air and water quality monitoring equipment constructed under the contract. Such easements shall be for a specified period of years and may be extinguished by agreement between the owner and the director. When necessary to protect the public health or safety, the contract may require the owner to enter into an environmental covenant with the director in accordance with sections 5301.80 to 5301.92 of the Revised Code.

(E) As used in this section, "commerce" includes, but is not limited to, agriculture, forestry, and housing.

Sec. 3734.27. Before making grants from the hazardous waste facility management fund created in section 3734.18 of the Revised Code or the hazardous waste clean-up fund created in section 3734.28 of the Revised Code, the director of environmental protection shall consider each project application submitted by a political subdivision under section 3734.25 of the Revised Code, each application submitted by the owner of a facility under section 3734.26 of the Revised Code, and each facility surveyed under section 3734.19 of the Revised Code and, based upon the feasibility, cost, and public benefits of restoring the particular land and the availability of federal or other financial assistance for restoration, establish priorities for awarding grants from the fund.

Sec. 3734.28. Except as otherwise provided in ~~section~~ sections 3734.281 and 3734.282 of the Revised Code, moneys collected under sections 3734.122, 3734.13, 3734.20, 3734.22, 3734.24, and 3734.26 of the Revised Code and under the "Comprehensive Environmental Response, Compensation, and Liability

and Chapter 3746. of the Revised Code, including any related 76294
enforcement expenses. In addition, the agency shall use the moneys 76295
in the fund to pay the state's long-term operation and maintenance 76296
costs or matching share for actions taken under the "Comprehensive 76297
Environmental Response, Compensation, and Liability Act of 1980," 76298
as amended. If those moneys are reimbursed by grants or other 76299
moneys from the United States or any other person, the moneys 76300
shall be placed in the fund and not in the general revenue fund. 76301

The director of environmental protection may enter into 76302

director of environmental protection shall use money in the fund 76321
only in accordance with the purposes of and the limitations on 76322
natural resources damages set forth in the "Comprehensive 76323
Environmental Response, Compensation, and Liability Act of 1980," 76324

Sec. 3734.57. (A) The following fees are hereby levied on the 76334
transfer or disposal of solid wastes in this state: 76335

(1) One dollar per ton ~~on and after July 1, 2003,~~ through 76336
June 30, ~~2012~~ 2014, one-half of the proceeds of which shall be 76337

Revised Code and one-half of the proceeds of which shall be 76340

fund, which is hereby created. The environmental protection agency 76347
shall use money in the solid waste fund to pay the costs of 76348
administering and enforcing the laws pertaining to solid wastes, 76349
infectious wastes, and construction and demolition debris, 76350
including, without limitation, ground water evaluations related to 76351
solid wastes, infectious wastes, and construction and demolition 76352
debris, under this chapter and Chapter 3714. of the Revised Code 76353
and any rules adopted under them, providing compliance assistance 76354
to small businesses, and paying a share of the administrative 76355
costs of the environmental protection agency pursuant to section 76356
3745.014 of the Revised Code. 76357

~~(5) An additional twenty-five cents per ton on and after~~ 76367
~~August 1, 2009,~~ through June 30, ~~2012~~ 2013, the proceeds of which 76368
shall be deposited in the state treasury to the credit of the soil 76369
and water conservation district assistance fund created in section 76370
1515.14 of the Revised Code. 76371

In the case of solid wastes that are taken to a solid waste 76372
transfer facility located in this state prior to being transported 76373
for disposal at a solid waste disposal facility located in this 76374
state or outside of this state, the fees levied under this 76375
division shall be collected by the owner or operator of the 76376
transfer facility as a trustee for the state. The amount of fees 76377
required to be collected under this division at such a transfer 76378
facility shall equal the total tonnage of solid wastes received at 76379
the facility multiplied by the fees levied under this division. In 76380
the case of solid wastes that are not taken to a solid waste 76381
transfer facility located in this state prior to being transported 76382
to a solid waste disposal facility, the fees shall be collected by 76383
the owner or operator of the solid waste disposal facility as a 76384
trustee for the state. The amount of fees required to be collected 76385
under this division at such a disposal facility shall equal the 76386
total tonnage of solid wastes received at the facility that was 76387
not previously taken to a solid waste transfer facility located in 76388
this state multiplied by the fees levied under this division. Fees 76389
levied under this division do not apply to materials separated 76390
from a mixed waste stream for recycling by a generator or 76391
materials removed from the solid waste stream through recycling, 76392
as "recycling" is defined in rules adopted under section 3734.02 76393
of the Revised Code. 76394

The owner or operator of a solid waste transfer facility or 76395
disposal facility, as applicable, shall prepare and file with the 76396

director of environmental protection each month a return 76397
indicating the total tonnage of solid wastes received at the 76398
facility during that month and the total amount of the fees 76399
required to be collected under this division during that month. In 76400
addition, the owner or operator of a solid waste disposal facility 76401
shall indicate on the return the total tonnage of solid wastes 76402
received from transfer facilities located in this state during 76403
that month for which the fees were required to be collected by the 76404
transfer facilities. The monthly returns shall be filed on a form 76405
prescribed by the director. Not later than thirty days after the 76406
last day of the month to which a return applies, the owner or 76407
operator shall mail to the director the return for that month 76408
together with the fees required to be collected under this 76409
division during that month as indicated on the return or may 76410
submit the return and fees electronically in a manner approved by 76411
the director. If the return is filed and the amount of the fees 76412
due is paid in a timely manner as required in this division, the 76413
owner or operator may retain a discount of three-fourths of one 76414
per cent of the total amount of the fees that are required to be 76415
paid as indicated on the return. 76416

The owner or operator may request an extension of not more 76417
than thirty days for filing the return and remitting the fees, 76418
provided that the owner or operator has submitted such a request 76419
in writing to the director together with a detailed description of 76420
why the extension is requested, the director has received the 76421
request not later than the day on which the return is required to 76422
be filed, and the director has approved the request. If the fees 76423
are not remitted within thirty days after the last day of the 76424
month to which the return applies or are not remitted by the last 76425
day of an extension approved by the director, the owner or 76426
operator shall not retain the three-fourths of one per cent 76427
discount and shall pay an additional ten per cent of the amount of 76428
the fees for each month that they are late. For purposes of 76429

calculating the late fee, the first month in which fees are late 76430
begins on the first day after the deadline has passed for timely 76431
submitting the return and fees, and one additional month shall be 76432
counted every thirty days thereafter. 76433

The owner or operator of a solid waste facility may request a 76434
refund or credit of fees levied under this division and remitted 76435
to the director that have not been paid to the owner or operator. 76436
Such a request shall be made only if the fees have not been 76437
collected by the owner or operator, have become a debt that has 76438
become worthless or uncollectable for a period of six months or 76439
more, and may be claimed as a deduction, including a deduction 76440
claimed if the owner or operator keeps accounts on an accrual 76441
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 76442
U.S.C. 166, as amended, and regulations adopted under it. Prior to 76443
making a request for a refund or credit, an owner or operator 76444
shall make reasonable efforts to collect the applicable fees. A 76445
request for a refund or credit shall not include any costs 76446
resulting from those efforts to collect unpaid fees. 76447

A request for a refund or credit of fees shall be made in 76448
writing, on a form prescribed by the director, and shall be 76449
supported by evidence that may be required in rules adopted by the 76450
director under this chapter. After reviewing the request, and if 76451
the request and evidence submitted with the request indicate that 76452
a refund or credit is warranted, the director shall grant a refund 76453
to the owner or operator or shall permit a credit to be taken by 76454
the owner or operator on a subsequent monthly return submitted by 76455
the owner or operator. The amount of a refund or credit shall not 76456
exceed an amount that is equal to ninety days' worth of fees owed 76457
to an owner or operator by a particular debtor of the owner or 76458
operator. A refund or credit shall not be granted by the director 76459
to an owner or operator more than once in any twelve-month period 76460
for fees owed to the owner or operator by a particular debtor. 76461

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or allow such payment regardless of whether the contract was entered prior to or after the effective date of this amendment. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the following activities:

(1) The disposal at a solid waste disposal facility located 76494
in the district of solid wastes generated within the district; 76495

(2) The disposal at a solid waste disposal facility within 76496
the district of solid wastes generated outside the boundaries of 76497
the district, but inside this state; 76498

(3) The disposal at a solid waste disposal facility within 76499
the district of solid wastes generated outside the boundaries of 76500
this state. 76501

The solid waste management plan of the county or joint 76502
district approved under section 3734.521 or 3734.55 of the Revised 76503
Code and any amendments to it, or the resolution adopted under 76504
this division, as appropriate, shall establish the rates of the 76505
fees levied under divisions (B)(1), (2), and (3) of this section, 76506
if any, and shall specify whether the fees are levied on the basis 76507
of tons or cubic yards as the unit of measurement. A solid waste 76508
management district that levies fees under this division on the 76509
basis of cubic yards shall do so in accordance with division (A) 76510
of this section. 76511

The fee levied under division (B)(1) of this section shall be 76512
not less than one dollar per ton nor more than two dollars per 76513
ton, the fee levied under division (B)(2) of this section shall be 76514
not less than two dollars per ton nor more than four dollars per 76515
ton, and the fee levied under division (B)(3) of this section 76516
shall be not more than the fee levied under division (B)(1) of 76517
this section. 76518

Prior to the approval of the solid waste management plan of a 76519
district under section 3734.55 of the Revised Code, the solid 76520
waste management policy committee of a district may levy fees 76521
under this division by adopting a resolution establishing the 76522
proposed amount of the fees. Upon adopting the resolution, the 76523
committee shall deliver a copy of the resolution to the board of 76524

county commissioners of each county forming the district and to 76525
the legislative authority of each municipal corporation and 76526
township under the jurisdiction of the district and shall prepare 76527
and publish the resolution and a notice of the time and location 76528
where a public hearing on the fees will be held. Upon adopting the 76529
resolution, the committee shall deliver written notice of the 76530
adoption of the resolution; of the amount of the proposed fees; 76531
and of the date, time, and location of the public hearing to the 76532
director and to the fifty industrial, commercial, or institutional 76533
generators of solid wastes within the district that generate the 76534
largest quantities of solid wastes, as determined by the 76535
committee, and to their local trade associations. The committee 76536
shall make good faith efforts to identify those generators within 76537
the district and their local trade associations, but the 76538
nonprovision of notice under this division to a particular 76539
generator or local trade association does not invalidate the 76540
proceedings under this division. The publication shall occur at 76541
least thirty days before the hearing. After the hearing, the 76542
committee may make such revisions to the proposed fees as it 76543
considers appropriate and thereafter, by resolution, shall adopt 76544
the revised fee schedule. Upon adopting the revised fee schedule, 76545
the committee shall deliver a copy of the resolution doing so to 76546
the board of county commissioners of each county forming the 76547
district and to the legislative authority of each municipal 76548
corporation and township under the jurisdiction of the district. 76549
Within sixty days after the delivery of a copy of the resolution 76550
adopting the proposed revised fees by the policy committee, each 76551
such board and legislative authority, by ordinance or resolution, 76552
shall approve or disapprove the revised fees and deliver a copy of 76553
the ordinance or resolution to the committee. If any such board or 76554
legislative authority fails to adopt and deliver to the policy 76555
committee an ordinance or resolution approving or disapproving the 76556
revised fees within sixty days after the policy committee 76557

delivered its resolution adopting the proposed revised fees, it 76558
shall be conclusively presumed that the board or legislative 76559
authority has approved the proposed revised fees. The committee 76560
shall determine if the resolution has been ratified in the same 76561
manner in which it determines if a draft solid waste management 76562
plan has been ratified under division (B) of section 3734.55 of 76563
the Revised Code. 76564

The committee may amend the schedule of fees levied pursuant 76565
to a resolution adopted and ratified under this division by 76566
adopting a resolution establishing the proposed amount of the 76567
amended fees. The committee may repeal the fees levied pursuant to 76568
such a resolution by adopting a resolution proposing to repeal 76569
them. Upon adopting such a resolution, the committee shall proceed 76570
to obtain ratification of the resolution in accordance with this 76571
division. 76572

Not later than fourteen days after declaring the new fees to 76573
be ratified or the fees to be repealed under this division, the 76574
committee shall notify by certified mail the owner or operator of 76575
each solid waste disposal facility that is required to collect the 76576
fees of the ratification and the amount of the fees or of the 76577
repeal of the fees. Collection of any fees shall commence or 76578
collection of repealed fees shall cease on the first day of the 76579
second month following the month in which notification is sent to 76580
the owner or operator. 76581

Fees levied under this division also may be established, 76582
amended, or repealed by a solid waste management policy committee 76583
through the adoption of a new district solid waste management 76584
plan, the adoption of an amended plan, or the amendment of the 76585
plan or amended plan in accordance with sections 3734.55 and 76586
3734.56 of the Revised Code or the adoption or amendment of a 76587
district plan in connection with a change in district composition 76588
under section 3734.521 of the Revised Code. 76589

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees

or amended fees levied under divisions (B)(1) to (3) of this 76623
section pursuant to the district's initial or amended plan as so 76624
approved or, if appropriate, the repeal of the district's fees by 76625
that initial or amended plan. Collection of any fees set forth in 76626
such a plan or amended plan shall commence on the first day of 76627
January immediately following the issuance of the notice. If such 76628
an initial or amended plan repeals a schedule of fees, collection 76629
of the fees shall cease on that first day of January. 76630

If, in the case of a change in district composition involving 76631
the withdrawal of a county from a joint district, the director 76632
completes the actions required under division (G)(1) or (3) of 76633
section 3734.521 of the Revised Code, as appropriate, less than 76634
forty-five days before the beginning of a calendar year, the 76635
director, on behalf of each of the districts resulting from the 76636
change that obtained the director's approval of an initial or 76637
amended plan in connection with the change proceedings, shall 76638
notify by certified mail the owner or operator of each solid waste 76639
disposal facility that is required to collect the district's fees 76640
that the change is to take effect on the first day of January 76641
immediately following the mailing of the notice and of the amount 76642
of the fees or amended fees levied under divisions (B)(1) to (3) 76643
of this section pursuant to the district's initial or amended plan 76644
as so approved or, if appropriate, the repeal of the district's 76645
fees by that initial or amended plan. Collection of any fees set 76646
forth in such a plan or amended plan shall commence on the first 76647
day of the second month following the month in which notification 76648
is sent to the owner or operator. If such an initial or amended 76649
plan repeals a schedule of fees, collection of the fees shall 76650
cease on the first day of the second month following the month in 76651
which notification is sent to the owner or operator. 76652

If the schedule of fees that a solid waste management 76653
district is levying under divisions (B)(1) to (3) of this section 76654

is amended or repealed, the fees in effect immediately prior to 76655
the amendment or repeal shall continue to be collected until 76656
collection of the amended fees commences or collection of the 76657
repealed fees ceases, as applicable, as specified in this 76658
division. In the case of a change in district composition, money 76659
so received from the collection of the fees of the former 76660
districts shall be divided among the resulting districts in 76661
accordance with division (B) of section 343.012 of the Revised 76662
Code and the agreements entered into under division (B) of section 76663
343.01 of the Revised Code to establish the former and resulting 76664
districts and any amendments to those agreements. 76665

For the purposes of the provisions of division (B) of this 76666
section establishing the times when newly established or amended 76667
fees levied by a district are required to commence and the 76668
collection of fees that have been amended or repealed is required 76669
to cease, "fees" or "schedule of fees" includes, in addition to 76670
fees levied under divisions (B)(1) to (3) of this section, those 76671
levied under section 3734.573 or 3734.574 of the Revised Code. 76672

(C) For the purposes of defraying the added costs to a 76673
municipal corporation or township of maintaining roads and other 76674
public facilities and of providing emergency and other public 76675
services, and compensating a municipal corporation or township for 76676
reductions in real property tax revenues due to reductions in real 76677
property valuations resulting from the location and operation of a 76678
solid waste disposal facility within the municipal corporation or 76679
township, a municipal corporation or township in which such a 76680
solid waste disposal facility is located may levy a fee of not 76681
more than twenty-five cents per ton on the disposal of solid 76682
wastes at a solid waste disposal facility located within the 76683
boundaries of the municipal corporation or township regardless of 76684
where the wastes were generated. 76685

The legislative authority of a municipal corporation or 76686

township may levy fees under this division by enacting an 76687
ordinance or adopting a resolution establishing the amount of the 76688
fees. Upon so doing the legislative authority shall mail a 76689
certified copy of the ordinance or resolution to the board of 76690
county commissioners or directors of the county or joint solid 76691
waste management district in which the municipal corporation or 76692
township is located or, if a regional solid waste management 76693
authority has been formed under section 343.011 of the Revised 76694
Code, to the board of trustees of that regional authority, the 76695
owner or operator of each solid waste disposal facility in the 76696
municipal corporation or township that is required to collect the 76697
fee by the ordinance or resolution, and the director of 76698
environmental protection. Although the fees levied under this 76699
division are levied on the basis of tons as the unit of 76700
measurement, the legislative authority, in its ordinance or 76701
resolution levying the fees under this division, may direct that 76702
the fees be levied on the basis of cubic yards as the unit of 76703
measurement based upon a conversion factor of three cubic yards 76704
per ton generally or one cubic yard per ton for baled wastes. 76705

Not later than five days after enacting an ordinance or 76706
adopting a resolution under this division, the legislative 76707
authority shall so notify by certified mail the owner or operator 76708
of each solid waste disposal facility that is required to collect 76709
the fee. Collection of any fee levied on or after March 24, 1992, 76710
shall commence on the first day of the second month following the 76711
month in which notification is sent to the owner or operator. 76712

(D)(1) The fees levied under divisions (A), (B), and (C) of 76713
this section do not apply to the disposal of solid wastes that: 76714

(a) Are disposed of at a facility owned by the generator of 76715
the wastes when the solid waste facility exclusively disposes of 76716
solid wastes generated at one or more premises owned by the 76717
generator regardless of whether the facility is located on a 76718

premises where the wastes are generated; 76719

~~(b) Are disposed of at facilities that exclusively dispose of 76720
wastes that are generated from the combustion of coal, or from the 76721
combustion of primarily coal in combination with scrap tires, that 76722
is not combined in any way with garbage at one or more regardless 76723
of whether the disposal facility is located on the premises owned 76724
by the generator where the wastes are generated. 76725~~

(2) Except as provided in section 3734.571 of the Revised 76726
Code, any fees levied under division (B)(1) of this section apply 76727
to solid wastes originating outside the boundaries of a county or 76728
joint district that are covered by an agreement for the joint use 76729
of solid waste facilities entered into under section 343.02 of the 76730
Revised Code by the board of county commissioners or board of 76731
directors of the county or joint district where the wastes are 76732
generated and disposed of. 76733

(3) When solid wastes, other than solid wastes that consist 76734
of scrap tires, are burned in a disposal facility that is an 76735
incinerator or energy recovery facility, the fees levied under 76736
divisions (A), (B), and (C) of this section shall be levied upon 76737
the disposal of the fly ash and bottom ash remaining after burning 76738
of the solid wastes and shall be collected by the owner or 76739
operator of the sanitary landfill where the ash is disposed of. 76740

(4) When solid wastes are delivered to a solid waste transfer 76741
facility, the fees levied under divisions (B) and (C) of this 76742
section shall be levied upon the disposal of solid wastes 76743
transported off the premises of the transfer facility for disposal 76744
and shall be collected by the owner or operator of the solid waste 76745
disposal facility where the wastes are disposed of. 76746

(5) The fees levied under divisions (A), (B), and (C) of this 76747
section do not apply to sewage sludge that is generated by a waste 76748
water treatment facility holding a national pollutant discharge 76749

elimination system permit and that is disposed of through 76750
incineration, land application, or composting or at another 76751
resource recovery or disposal facility that is not a landfill. 76752

(6) The fees levied under divisions (A), (B), and (C) of this 76753
section do not apply to solid wastes delivered to a solid waste 76754
composting facility for processing. When any unprocessed solid 76755
waste or compost product is transported off the premises of a 76756
composting facility and disposed of at a landfill, the fees levied 76757
under divisions (A), (B), and (C) of this section shall be 76758
collected by the owner or operator of the landfill where the 76759
unprocessed waste or compost product is disposed of. 76760

(7) When solid wastes that consist of scrap tires are 76761
processed at a scrap tire recovery facility, the fees levied under 76762
divisions (A), (B), and (C) of this section shall be levied upon 76763
the disposal of the fly ash and bottom ash or other solid wastes 76764
remaining after the processing of the scrap tires and shall be 76765
collected by the owner or operator of the solid waste disposal 76766
facility where the ash or other solid wastes are disposed of. 76767

(8) The director of environmental protection may issue an 76768
order exempting from the fees levied under this section solid 76769
wastes, including, but not limited to, scrap tires, that are 76770
generated, transferred, or disposed of as a result of a contract 76771
providing for the expenditure of public funds entered into by the 76772
administrator or regional administrator of the United States 76773
environmental protection agency, the director of environmental 76774
protection, or the director of administrative services on behalf 76775
of the director of environmental protection for the purpose of 76776
remediating conditions at a hazardous waste facility, solid waste 76777
facility, or other location at which the administrator or regional 76778
administrator or the director of environmental protection has 76779
reason to believe that there is a substantial threat to public 76780
health or safety or the environment or that the conditions are 76781

causing or contributing to air or water pollution or soil 76782
contamination. An order issued by the director of environmental 76783
protection under division (D)(8) of this section shall include a 76784
determination that the amount of the fees not received by a solid 76785
waste management district as a result of the order will not 76786
adversely impact the implementation and financing of the 76787
district's approved solid waste management plan and any approved 76788
amendments to the plan. Such an order is a final action of the 76789
director of environmental protection. 76790

(E) The fees levied under divisions (B) and (C) of this 76791
section shall be collected by the owner or operator of the solid 76792
waste disposal facility where the wastes are disposed of as a 76793
trustee for the county or joint district and municipal corporation 76794
or township where the wastes are disposed of. Moneys from the fees 76795
levied under division (B) of this section shall be forwarded to 76796
the board of county commissioners or board of directors of the 76797
district in accordance with rules adopted under division (H) of 76798
this section. Moneys from the fees levied under division (C) of 76799
this section shall be forwarded to the treasurer or such other 76800
officer of the municipal corporation as, by virtue of the charter, 76801
has the duties of the treasurer or to the fiscal officer of the 76802
township, as appropriate, in accordance with those rules. 76803

(F) Moneys received by the treasurer or other officer of the 76804
municipal corporation under division (E) of this section shall be 76805
paid into the general fund of the municipal corporation. Moneys 76806

shall be paid into the general fund of the township. The treasurer 76808
or other officer of the municipal corporation or the township 76809
fiscal officer, as appropriate, shall maintain separate records of 76810
the moneys received from the fees levied under division (C) of 76811
this section. 76812

(G) Moneys received by the board of county commissioners or 76813

board of directors under division (E) of this section or section 76814

shall be paid to the county treasurer, or other official acting in 76816
a similar capacity under a county charter, in a county district or 76817
to the county treasurer or other official designated by the board 76818
of directors in a joint district and kept in a separate and 76819
distinct fund to the credit of the district. If a regional solid 76820
waste management authority has been formed under section 343.011 76821
of the Revised Code, moneys received by the board of trustees of 76822
that regional authority under division (E) of this section shall 76823
be kept by the board in a separate and distinct fund to the credit 76824
of the district. Moneys in the special fund of the county or joint 76825
district arising from the fees levied under division (B) of this 76826
section and the fee levied under division (A) of section 3734.573 76827
of the Revised Code shall be expended by the board of county 76828
commissioners or directors of the district in accordance with the 76829
district's solid waste management plan or amended plan approved 76830
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 76831

(1) Preparation of the solid waste management plan of the 76833
district under section 3734.54 of the Revised Code, monitoring 76834
implementation of the plan, and conducting the periodic review and 76835
amendment of the plan required by section 3734.56 of the Revised 76836
Code by the solid waste management policy committee; 76837

(2) Implementation of the approved solid waste management 76838
plan or amended plan of the district, including, without 76839
limitation, the development and implementation of solid waste 76840
recycling or reduction programs; 76841

(3) Providing financial assistance to boards of health within 76842
the district, if solid waste facilities are located within the 76843
district, for enforcement of this chapter and rules, orders, and 76844
terms and conditions of permits, licenses, and variances adopted 76845

or issued under it, other than the hazardous waste provisions of 76846
this chapter and rules adopted and orders and terms and conditions 76847
of permits issued under those provisions; 76848

(4) Providing financial assistance to each county within the 76849
district to defray the added costs of maintaining roads and other 76850
public facilities and of providing emergency and other public 76851
services resulting from the location and operation of a solid 76852
waste facility within the county under the district's approved 76853
solid waste management plan or amended plan; 76854

(5) Pursuant to contracts entered into with boards of health 76855
within the district, if solid waste facilities contained in the 76856
district's approved plan or amended plan are located within the 76857
district, for paying the costs incurred by those boards of health 76858
for collecting and analyzing samples from public or private water 76859
wells on lands adjacent to those facilities; 76860

(6) Developing and implementing a program for the inspection 76861
of solid wastes generated outside the boundaries of this state 76862
that are disposed of at solid waste facilities included in the 76863
district's approved solid waste management plan or amended plan; 76864

(7) Providing financial assistance to boards of health within 76865
the district for the enforcement of section 3734.03 of the Revised 76866
Code or to local law enforcement agencies having jurisdiction 76867

ordinances; 76869

(8) Providing financial assistance to boards of health of 76870
health districts within the district that are on the approved list 76871
under section 3734.08 of the Revised Code to defray the costs to 76872
the health districts for the participation of their employees 76873
responsible for enforcement of the solid waste provisions of this 76874
chapter and rules adopted and orders and terms and conditions of 76875
permits, licenses, and variances issued under those provisions in 76876

the training and certification program as required by rules 76877
adopted under division (L) of section 3734.02 of the Revised Code; 76878

(9) Providing financial assistance to individual municipal 76879
corporations and townships within the district to defray their 76880
added costs of maintaining roads and other public facilities and 76881
of providing emergency and other public services resulting from 76882
the location and operation within their boundaries of a 76883
composting, energy or resource recovery, incineration, or 76884
recycling facility that either is owned by the district or is 76885
furnishing solid waste management facility or recycling services 76886
to the district pursuant to a contract or agreement with the board 76887
of county commissioners or directors of the district; 76888

(10) Payment of any expenses that are agreed to, awarded, or 76889
ordered to be paid under section 3734.35 of the Revised Code and 76890
of any administrative costs incurred pursuant to that section. In 76891
the case of a joint solid waste management district, if the board 76892
of county commissioners of one of the counties in the district is 76893
negotiating on behalf of affected communities, as defined in that 76894
section, in that county, the board shall obtain the approval of 76895
the board of directors of the district in order to expend moneys 76896
for administrative costs incurred. 76897

Prior to the approval of the district's solid waste 76898
management plan under section 3734.55 of the Revised Code, moneys 76899
in the special fund of the district arising from the fees shall be 76900
expended for those purposes in the manner prescribed by the solid 76901
waste management policy committee by resolution. 76902

Notwithstanding division (G)(6) of this section as it existed 76903
prior to October 29, 1993, or any provision in a district's solid 76904
waste management plan prepared in accordance with division 76905
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 76906
prior to that date, any moneys arising from the fees levied under 76907
division (B)(3) of this section prior to January 1, 1994, may be 76908

expended for any of the purposes authorized in divisions (G)(1) to 76909
(10) of this section. 76910

(H) The director shall adopt rules in accordance with Chapter 76911
119. of the Revised Code prescribing procedures for collecting and 76912
forwarding the fees levied under divisions (B) and (C) of this 76913
section to the boards of county commissioners or directors of 76914
county or joint solid waste management districts and to the 76915
treasurers or other officers of municipal corporations and the 76916
fiscal officers of townships. The rules also shall prescribe the 76917
dates for forwarding the fees to the boards and officials and may 76918
prescribe any other requirements the director considers necessary 76919
or appropriate to implement and administer divisions (A), (B), and 76920
(C) of this section. 76921

Sec. 3734.577. Notwithstanding any section of the Revised 76922
Code to the contrary, no solid waste management district shall 76923
exempt a public sector commercial licensed hauler from a fee that 76924
is charged to private sector commercial licensed haulers by the 76925
solid waste management district. 76926

Sec. 3734.85. (A) On and after the effective date of the 76927
rules adopted under sections 3734.70, 3734.71, 3734.72, and 76928
3734.73 of the Revised Code, the director of environmental 76929
protection may take action under this section to abate 76930
accumulations of scrap tires. If the director determines that an 76931
accumulation of scrap tires constitutes a danger to the public 76932
health or safety or to the environment, the director shall issue 76933
an order under section 3734.13 of the Revised Code to the person 76934
responsible for the accumulation of scrap tires directing that 76935
person, within one hundred twenty days after the issuance of the 76936
order, to remove the accumulation of scrap tires from the premises 76937
on which it is located and transport the tires to a scrap tire 76938
storage, monocell, monofill, or recovery facility licensed under 76939

section 3734.81 of the Revised Code, to such a facility in another 76940
state operating in compliance with the laws of the state in which 76941
it is located, or to any other solid waste disposal facility in 76942
another state that is operating in compliance with the laws of 76943
that state. If the person responsible for causing the accumulation 76944
of scrap tires is a person different from the owner of the land on 76945
which the accumulation is located, the director may issue such an 76946
order to the landowner. 76947

If the director is unable to ascertain immediately the 76948
identity of the person responsible for causing the accumulation of 76949
scrap tires, the director shall examine the records of the 76950
applicable board of health and law enforcement agencies to 76951
ascertain that person's identity. Before initiating any 76952
enforcement or removal actions under this division against the 76953
owner of the land on which the accumulation is located, the 76954
director shall initiate any such actions against the person that 76955
the director has identified as responsible for causing the 76956
accumulation of scrap tires. Failure of the director to make 76957
diligent efforts to ascertain the identity of the person 76958
responsible for causing the accumulation of scrap tires or to 76959
initiate an action against the person responsible for causing the 76960
accumulation shall not constitute an affirmative defense by a 76961
landowner to an enforcement action initiated by the director under 76962
this division requiring immediate removal of any accumulation of 76963
scrap tires. 76964

Upon the written request of the recipient of an order issued 76965
under this division, the director may extend the time for 76966
compliance with the order if the request demonstrates that the 76967
recipient has acted in good faith to comply with the order. If the 76968
recipient of an order issued under this division fails to comply 76969
with the order within one hundred twenty days after the issuance 76970
of the order or, if the time for compliance with the order was so 76971

extended, within that time, the director shall take such actions 76972
as the director considers reasonable and necessary to remove and 76973
properly manage the scrap tires located on the land named in the 76974
order. The director, through employees of the environmental 76975
protection agency or a contractor, may enter upon the land on 76976
which the accumulation of scrap tires is located and remove and 76977
transport them to a scrap tire recovery facility for processing, 76978

monocell or monofill facility for storage or disposal. 76980

The director shall enter into contracts ~~with the owners or~~ 76981
~~operators of scrap tire storage, monocell, monofill, or recovery~~ 76982

~~In doing so, the director shall give preference to scrap tire~~ 76985
~~recovery facilities.~~ 76986

If a person to whom a removal order is issued under this 76987
division fails to comply with the order and if the director 76988
performs a removal action under this section, the person to whom 76989
the removal order is issued is liable to the director for the 76990
costs incurred by the director for conducting the removal 76991
operation, storage at a scrap tire storage facility, storage or 76992
disposal at a scrap tire monocell or monofill facility, or 76993
processing of the scrap tires so removed, the transportation of 76994
the scrap tires from the site of the accumulation to the scrap 76995
tire storage, monocell, monofill, or recovery facility where the 76996
scrap tires were stored, disposed of, or processed, and the 76997
administrative and legal expenses incurred by the director in 76998
connection with the removal operation. The director shall keep an 76999
itemized record of those costs. Upon completion of the actions for 77000
which the costs were incurred, the director shall record the costs 77001
at the office of the county recorder of the county in which the 77002
accumulation of scrap tires was located. The costs so recorded 77003

constitute a lien on the property on which the accumulation of 77004
scrap tires was located until discharged. Upon the written request 77005
of the director, the attorney general shall bring a civil action 77006
against the person responsible for the accumulation of the scrap 77007
tires that were the subject of the removal operation to recover 77008
the costs for which the person is liable under this division. Any 77009

If, in a civil action brought under this division, an owner 77012
of real property is ordered to pay to the director the costs of a 77013
removal action that removed an accumulation of scrap tires from 77014
the person's land or if a lien is placed on the person's land for 77015
the costs of such a removal action, and, in either case, if the 77016
landowner was not the person responsible for causing the 77017
accumulation of scrap tires so removed, the landowner may bring a 77018
civil action against the person who was responsible for causing 77019
the accumulation to recover the amount of the removal costs that 77020
the court ordered the landowner to pay to the director or the 77021
amount of the removal costs certified to the county recorder as a 77022
lien on the landowner's property, whichever is applicable. If the 77023
landowner prevails in the civil action against the person who was 77024
responsible for causing the accumulation of scrap tires, the 77025
court, as it considers appropriate, may award to the landowner the 77026
reasonable attorney's fees incurred by the landowner for bringing 77027
the action, court costs, and other reasonable expenses incurred by 77028
the landowner in connection with the civil action. A landowner 77029
shall bring such a civil action within two years after making the 77030
final payment of the removal costs to the director pursuant to the 77031
judgment rendered against the landowner in the civil action 77032
brought under this division upon the director's request or within 77033
two years after the director certified the costs of the removal 77034
action to the county recorder, as appropriate. A person who, at 77035
the time that a removal action was conducted under this division, 77036

owned the land on which the removal action was performed may bring 77037
an action under this division to recover the costs of the removal 77038
action from the person responsible for causing the accumulation of 77039
scrap tires so removed regardless of whether the person owns the 77040
land at the time of bringing the action. 77041

Subject to the limitations set forth in division (G) of 77042
section 3734.82 of the Revised Code, the director may use moneys 77043
in the scrap tire management fund for conducting removal actions 77044
under this division. Any moneys recovered under this division 77045
shall be credited to the scrap tire management fund. 77046

contract shall be awarded to the lowest and best bidder. 77167

Sec. 3735.66. The legislative authorities of municipal 77168
corporations and counties may survey the housing within their 77169
jurisdictions and, after the survey, may adopt resolutions 77170
describing the boundaries of community reinvestment areas which 77171
contain the conditions required for the finding under division (B) 77172
of section 3735.65 of the Revised Code. The findings resulting 77173
from the survey shall be incorporated in the resolution describing 77174
the boundaries of an area. The legislative authority may stipulate 77175
in the resolution that only new structures or remodeling 77176

does not include such a stipulation, all new structures and 77181
remodeling satisfying the requirements of section 3735.67 of the 77182
Revised Code are eligible for exemption from taxation regardless 77183
of classification. Whether or not the resolution includes such a 77184
stipulation, the classification of the structures or remodeling 77185
eligible for exemption in the area shall at all times be 77186
consistent with zoning restrictions applicable to the area. For 77187
the purposes of sections 3735.65 to 3735.70 of the Revised Code, 77188

whether a structure or remodeling composed of multiple units is 77189

resolution or ordinance of the legislative authority or, in the 77191
absence of such a determination, by the classification of the use 77192
of the structure or remodeling under the applicable zoning 77193
regulations. 77194

If construction or remodeling classified as residential is 77195
eligible for exemption from taxation, the resolution shall specify 77196
a percentage, not to exceed one hundred per cent, of the assessed 77197
valuation of such property to be exempted. The percentage 77198
specified shall apply to all residential construction or 77199
remodeling for which exemption is granted. 77200

The resolution adopted pursuant to this section shall be 77201
published in a newspaper of general circulation in the municipal 77202
corporation, if the resolution is adopted by the legislative 77203
authority of a municipal corporation, or in a newspaper of general 77204

this section shall designate a housing officer. In addition, each 77210
such legislative authority, not later than fifteen days after the 77211
adoption of the resolution, shall petition the director of 77212
development for the director to confirm the findings described in 77213
the resolution. The petition shall be accompanied by a copy of the 77214
resolution and by a map of the community reinvestment area in 77215
sufficient detail to denote the specific boundaries of the area 77216
and to indicate zoning restrictions applicable to the area. The 77217
director shall determine whether the findings contained in the 77218
resolution are valid, and whether the classification of structures 77219
or remodeling eligible for exemption under the resolution is 77220

consistent with zoning restrictions applicable to the area as 77221
indicated on the map. Within thirty days of receiving the 77222
petition, the director shall forward the director's determination 77223
to the legislative authority. The legislative authority or housing 77224
officer shall not grant any exemption from taxation under section 77225
3735.67 of the Revised Code until the director forwards the 77226
director's determination to the legislative authority. The 77227
director shall assign to each community reinvestment area a unique 77228
designation by which the area shall be identified for purposes of 77229
sections 3735.65 to 3735.70 of the Revised Code. 77230

If zoning restrictions in any part of a community 77231
reinvestment area are changed at any time after the legislative 77232
authority petitions the director under this section, the 77233
legislative authority shall notify the director and shall submit a 77234
map of the area indicating the new zoning restrictions in the 77235
area. 77236

the fire chief or fire prevention officer, and by the police chief 78179
or other similar chief law enforcement officer, or the designee of 78180
the police chief or other similar chief law enforcement officer, 78181
issuing it to the fire marshal, who shall keep a record of the 78182
permits received. A permit is not transferable or assignable. 78183

including the use of pyrotechnic materials that do not meet the 78209
definition of fireworks as described in section 3743.01 of the 78210
Revised Code. Such licenses and permits and the fees for such 78211
licenses and permits shall be described in rules adopted by the 78212

another person to, dismantle, reposition, or otherwise disturb any 78261
fireworks, associated equipment or materials, or other items 78262
within a fireworks incident site, or any evidence related to a 78263

For the purposes of that division, total emissions of air contaminants may be calculated using engineering calculations, emissions factors, material balance calculations, or performance testing procedures, as authorized by the director.		78378 78379 78380 78381 78382 78383 78384 78385 78386
The following fees shall be assessed on the total actual emissions from a source in tons per year of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead:		78387 78388 78389 78390
(a) Fifteen dollars per ton on the total actual emissions of each such regulated pollutant during the period July through December 1993, to be collected no sooner than July 1, 1994;		78391 78392 78393

year in which the emissions occurred. 78401

The fees levied under division (C)(1) of this section do not 78402
apply to that portion of the emissions of a regulated pollutant at 78403
a facility that exceed four thousand tons during a calendar year. 78404

(2) The fees assessed under division (C)(1) of this section 78405
are for the purpose of providing funding for the Title V permit 78406
program. 78407

(3) The fees assessed under division (C)(1) of this section 78408
do not apply to emissions from any electric generating unit 78409
designated as a Phase I unit under Title IV of the federal Clean 78410
Air Act prior to calendar year 2000. Those fees shall be assessed 78411
on the emissions from such a generating unit commencing in 78412
calendar year 2001 based upon the total actual emissions from the 78413
generating unit during calendar year 2000 and shall continue to be 78414
assessed each subsequent calendar year based on the total actual 78415
emissions from the generating unit during the preceding calendar 78416
year. 78417

(4) The director shall issue invoices to owners or operators 78418
of air contaminant sources who are required to pay a fee assessed 78419
under division (C) or (D) of this section. Any such invoice shall 78420
be issued no sooner than the applicable date when the fee first 78421
may be collected in a year under the applicable division, shall 78422
identify the nature and amount of the fee assessed, and shall 78423
indicate that the fee is required to be paid within thirty days 78424
after the issuance of the invoice. 78425

(D)(1) Except as provided in division (D)(3) of this section, 78426
from January 1, 1994, through December 31, 2003, each person who 78427
owns or operates an air contaminant source; who is required to 78428
apply for a permit to operate pursuant to rules adopted under 78429
division (G), or a variance pursuant to division (H), of section 78430
3704.03 of the Revised Code; and who is not required to apply for 78431

and obtain a Title V permit under section 3704.036 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

Total tons per year of regulated pollutants emitted	Annual fee per facility	
More than 0, but less than 50	\$ 75	78440

50 or more, but less than 100	300	78459
100 or more	700	78460

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air

contaminant sources at the facility that include terms and 78464
conditions that lower the facility's potential to emit air 78465
contaminants below the major source thresholds established in 78466
rules adopted under section 3704.036 of the Revised Code. 78467

(b) Beginning January 1, 2000, through June 30, ~~2012~~ 2014, 78468
each person who owns or operates a synthetic minor facility shall 78469
pay an annual fee based on the sum of the actual annual emissions 78470
from the facility of particulate matter, sulfur dioxide, nitrogen 78471
dioxide, organic compounds, and lead in accordance with the 78472
following schedule: 78473

(4) The fees assessed under division (D)(1) of this section 78488
shall be collected annually no sooner than the fifteenth day of 78489
April, commencing in 1995. The fees assessed under division (D)(2) 78490
of this section shall be collected annually no sooner than the 78491
fifteenth day of April, commencing in 2005. The fees assessed 78492
under division (D)(3) of this section shall be collected no sooner 78493
than the fifteenth day of April, commencing in 2000. The fees 78494
assessed under division (D) of this section in a calendar year 78495

shall be based upon the sum of the actual emissions of those 78496
regulated pollutants during the preceding calendar year. For the 78497
purpose of division (D) of this section, emissions of air 78498
contaminants may be calculated using engineering calculations, 78499
emission factors, material balance calculations, or performance 78500
testing procedures, as authorized by the director. The director, 78501
by rule, may require persons who are required to pay the fees 78502
assessed under division (D) of this section to pay those fees 78503
biennially rather than annually. 78504

(E)(1) Consistent with the need to cover the reasonable costs 78505
of the Title V permit program, the director annually shall 78506
increase the fees prescribed in division (C)(1) of this section by 78507
the percentage, if any, by which the consumer price index for the 78508
most recent calendar year ending before the beginning of a year 78509
exceeds the consumer price index for calendar year 1989. Upon 78510
calculating an increase in fees authorized by division (E)(1) of 78511
this section, the director shall compile revised fee schedules for 78512
the purposes of division (C)(1) of this section and shall make the 78513
revised schedules available to persons required to pay the fees 78514
assessed under that division and to the public. 78515

(2) For the purposes of division (E)(1) of this section: 78516

(a) The consumer price index for any year is the average of 78517
the consumer price index for all urban consumers published by the 78518
United States department of labor as of the close of the 78519
twelve-month period ending on the thirty-first day of August of 78520
that year. 78521

(b) If the 1989 consumer price index is revised, the director 78522
shall use the revision of the consumer price index that is most 78523
consistent with that for calendar year 1989. 78524

(F) Each person who is issued a permit to install pursuant to 78525
rules adopted under division (F) of section 3704.03 of the Revised 78526

Code on or after July 1, 2003, shall pay the fees specified in the following schedules:

For purposes of this division, "unit" means any combination of		78634
linear feet or square feet equal to fifty.		78635
(H) A person who is issued an extension of time for a permit		78636
to install an air contaminant source pursuant to rules adopted		78637
under division (F) of section 3704.03 of the Revised Code shall		78638
pay a fee equal to one-half the fee originally assessed for the		78639
permit to install under this section, except that the fee for such		78640
an extension shall not exceed two hundred dollars.		78641
(I) A person who is issued a modification to a permit to		78642
install an air contaminant source pursuant to rules adopted under		78643

obtain a permit to install the source. The fee assessed by this		78646
division only applies to modifications that are initiated by the		78647
owner or operator of the source and shall not exceed two thousand		78648

dollars. 78649

(J) Notwithstanding division (B) or (F) of this section, a 78650
person who applies for or obtains a permit to install pursuant to 78651
rules adopted under division (F) of section 3704.03 of the Revised 78652
Code after the date actual construction of the source began shall 78653
pay a fee for the permit to install that is equal to twice the fee 78654
that otherwise would be assessed under the applicable division 78655
unless the applicant received authorization to begin construction 78656
under division (W) of section 3704.03 of the Revised Code. This 78657
division only applies to sources for which actual construction of 78658
the source begins on or after July 1, 1993. The imposition or 78659
payment of the fee established in this division does not preclude 78660
the director from taking any administrative or judicial 78661
enforcement action under this chapter, Chapter 3704., 3714., 78662
3734., or 6111. of the Revised Code, or a rule adopted under any 78663
of them, in connection with a violation of rules adopted under 78664
division (F) of section 3704.03 of the Revised Code. 78665

As used in this division, "actual construction of the source" 78666
means the initiation of physical on-site construction activities 78667
in connection with improvements to the source that are permanent 78668
in nature, including, without limitation, the installation of 78669
building supports and foundations and the laying of underground 78670

cents per dry ton of sewage sludge, including the dry tons of 79299
sewage sludge in materials derived from sewage sludge, that the 79300
sewage sludge facility treats or disposes of in this state. The 79301
annual volume of sewage sludge treated or disposed of by a sewage 79302
sludge facility shall be calculated using the first day of January 79303
through the thirty-first day of December of the calendar year 79304
preceding the date on which payment of the fee is due. 79305

(2)(a) Except as provided in division (Y)(2)(d) of this 79306

section, each sewage sludge facility shall pay a minimum annual
sewage sludge fee of one hundred dollars. 79307
79308

(b) The annual sludge fee required to be paid by a sewage
sludge facility that treats or disposes of exceptional quality
sludge in this state shall be thirty-five per cent less per dry
ton of exceptional quality sludge than the fee assessed under
division (Y)(1) of this section, subject to the following
exceptions: 79309

79317
79318

(ii) A sewage sludge facility that treats or disposes of
exceptional quality sludge shall not be required to pay the annual
sludge fee for treatment or disposal in this state of exceptional
quality sludge generated outside of this state and contained in
bags or other containers not greater than one hundred pounds in
capacity. 79319
79320
79321
79322
79323
79324

A thirty-five per cent reduction for exceptional quality
sludge applies to the maximum annual fees established under
division (Y)(3) of this section. 79325
79326
79327

(c) A sewage sludge facility that transfers sewage sludge to
another sewage sludge facility in this state for further treatment
prior to disposal in this state shall not be required to pay the
annual sludge fee for the tons of sewage sludge that have been
transferred. In such a case, the sewage sludge facility that
disposes of the sewage sludge shall pay the annual sludge fee.
However, the facility transferring the sewage sludge shall pay the
one-hundred-dollar minimum fee required under division (Y)(2)(a)
of this section. 79328
79329
79330
79331
79332
79333
79334
79335
79336

In the case of a sewage sludge facility that treats sewage 79337

sludge in this state and transfers it out of this state to another 79338
entity for disposal, the sewage sludge facility in this state 79339
shall be required to pay the annual sludge fee for the tons of 79340
sewage sludge that have been transferred. 79341

(d) A sewage sludge facility that generates sewage sludge 79342
resulting from an average daily discharge flow of less than five 79343
thousand gallons per day is not subject to the fees assessed under 79344
division (Y) of this section. 79345

(3) No sewage sludge facility required to pay the annual 79346
sludge fee shall be required to pay more than the maximum annual 79347
fee for each disposal method that the sewage sludge facility uses. 79348
The maximum annual fee does not include the additional amount that 79349
may be charged under division (Y)(5) of this section for late 79350
payment of the annual sludge fee. The maximum annual fee for the 79351
following methods of disposal of sewage sludge is as follows: 79352

(b) of this section: twenty thousand dollars. 79358

(4)(a) In the case of an entity that generates sewage sludge 79359
or a sewage sludge facility that treats sewage sludge and 79360

disposal, the incineration facility, and not the entity generating 79362
the sewage sludge or the sewage sludge facility treating the 79363
sewage sludge, shall pay the annual sludge fee for the tons of 79364
sewage sludge that are transferred. However, the entity or 79365
facility generating or treating the sewage sludge shall pay the 79366
one-hundred-dollar minimum fee required under division (Y)(2)(a) 79367

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall

issue with the notification a new invoice to the person 79401
identifying the amount of the annual sludge fee assessed and 79402
stating the first day of July as the deadline for payment. 79403

Not later than the first day of July, any person who is 79404
required to do so shall pay the annual sludge fee. Any person who 79405
is required to pay the fee, but who fails to do so on or before 79406
that date shall pay an additional amount that equals ten per cent 79407
of the required annual sludge fee. 79408

(6) The director shall transmit all moneys collected under 79409
division (Y) of this section to the treasurer of state for deposit 79410
into the surface water protection fund created in section 6111.038 79411
of the Revised Code. The moneys shall be used to defray the costs 79412
of administering and enforcing provisions in Chapter 6111. of the 79413
Revised Code and rules adopted under it that govern the use, 79414
storage, treatment, or disposal of sewage sludge. 79415

(7) Beginning in fiscal year 2001, and every two years 79416
thereafter, the director shall review the total amount of moneys 79417
generated by the annual sludge fees to determine if that amount 79418
exceeded six hundred thousand dollars in either of the two 79419
preceding fiscal years. If the total amount of moneys in the fund 79420
exceeded six hundred thousand dollars in either fiscal year, the 79421
director, after review of the fee structure and consultation with 79422
affected persons, shall issue an order reducing the amount of the 79423
fees levied under division (Y) of this section so that the 79424
estimated amount of moneys resulting from the fees will not exceed 79425
six hundred thousand dollars in any fiscal year. 79426

If, upon review of the fees under division (Y)(7) of this 79427
section and after the fees have been reduced, the director 79428
determines that the total amount of moneys collected and 79429
accumulated is less than six hundred thousand dollars, the 79430
director, after review of the fee structure and consultation with 79431
affected persons, may issue an order increasing the amount of the 79432

fees levied under division (Y) of this section so that the 79433
estimated amount of moneys resulting from the fees will be 79434
approximately six hundred thousand dollars. Fees shall never be 79435
increased to an amount exceeding the amount specified in division 79436
(Y)(7) of this section. 79437

Notwithstanding section 119.06 of the Revised Code, the 79438
director may issue an order under division (Y)(7) of this section 79439
without the necessity to hold an adjudicatory hearing in 79440
connection with the order. The issuance of an order under this 79441
division is not an act or action for purposes of section 3745.04 79442
of the Revised Code. 79443

The pari-mutuel method of wagering upon the live racing programs and simulcast racing programs held at or conducted within such race track, and at the time of such horse-racing meeting, or at other times authorized by the state racing commission, shall not be unlawful. No other place, except that provided and designated by the permit holder and except as provided in section 3769.26 of the Revised Code, nor any other method or system of betting or wagering, except the pari-mutuel system, shall be used or permitted by the permit holder; nor, except as provided in section 3769.089 or 3769.26 of the Revised Code, shall the pari-mutuel system of wagering be conducted by the permit holder on any races except the races at the race track, grounds, or enclosure for which the person holds a permit. a racing day shall be paid into the Ohio fairs fund created by 79692
section 3769.082 of the Revised Code, one and one-eighth per cent 79693
of the total of all moneys so wagered on a racing day shall be 79694
paid into the Ohio thoroughbred race fund created by section 79695
3769.083 of the Revised Code, and one-quarter of one per cent of 79696
the total of all moneys wagered on a racing day by each permit 79697
holder shall be paid into the state racing commission operating 79698
fund created by section 3769.03 of the Revised Code. The required 79699
payment to the state racing commission operating fund does not 79700
apply to county and independent fairs and agricultural societies. 79701
The remaining moneys may be retained by the permit holder, except 79702

3769.26 of the Revised Code shall be used solely for the support 79706
of the PASSPORT program as determined in appropriations made by 79707
the general assembly. If the PASSPORT program is abolished, the 79708
amount that would have been paid to the PASSPORT nursing home
franchise permit fee fund under this chapter shall be paid to the 79709
general revenue fund of the state. As used in this chapter, 79710
"PASSPORT program" means the PASSPORT program created under 79711
section 173.40 of the Revised Code. 79712
79713

Revised Code shall not exceed by more than six per cent the total 79716
amount paid to this fund under this section and that section 79717
during the immediately preceding calendar year. 79718

Each year, the total amount calculated for payment into the 79719
Ohio fairs fund under this division, division (C) of this section, 79720
and division (A) of section 3769.087 of the Revised Code shall be 79721
an amount calculated using the percentages specified in this 79722
division, division (C) of this section, and division (A) of 79723
section 3769.087 of the Revised Code. 79724

A permit holder may contract with a thoroughbred horsemen's 79725
organization for the organization to act as a representative of 79726
all thoroughbred owners and trainers participating in a 79727
horse-racing meeting conducted by the permit holder. A 79728
"thoroughbred horsemen's organization" is any corporation or 79729
association that represents, through membership or otherwise, more 79730
than one-half of the aggregate of all thoroughbred owners and 79731
trainers who were licensed and actively participated in racing 79732
within this state during the preceding calendar year. Except as 79733
otherwise provided in this paragraph, any moneys received by a 79734
thoroughbred horsemen's organization shall be used exclusively for 79735
the benefit of thoroughbred owners and trainers racing in this 79736
state through the administrative purposes of the organization, 79737

benevolent activities on behalf of the horsemen, promotion of the horsemen's rights and interests, and promotion of equine research. A thoroughbred horsemen's organization may expend not more than an aggregate of five per cent of its annual gross receipts, or a larger amount as approved by the organization, for dues, assessments, and other payments to all other local, national, or international organizations having as their primary purposes the promotion of thoroughbred horse racing, thoroughbred horsemen's rights, and equine research.

(C) Except as otherwise provided in division (B) of this section, at the close of each racing day, each permit holder authorized to conduct harness or quarter horse racing, out of the amount retained that day by the permit holder, shall pay by check, draft, or money order to the tax commissioner, as a tax, a sum equal to the following percentages of the total of all moneys wagered on live racing programs and shall separately compute and pay by check, draft, or money order to the tax commissioner, as a tax, a sum equal to the following percentages of the total of all money wagered on simulcast racing programs on that day:

(1) One per cent of the first two hundred thousand dollars wagered, or any part of that amount;

(2) Two per cent of the next one hundred thousand dollars wagered, or any part of that amount;

(3) Three per cent of the next one hundred thousand dollars wagered, or any part of that amount;

(4) Four per cent of all sums over four hundred thousand dollars wagered.

Except as otherwise provided in division (B) and subject to division (M) of this section, from the moneys paid to the tax commissioner by permit holders authorized to conduct harness or quarter horse racing, one-half of one per cent of all moneys

wagered on that racing day shall be paid into the Ohio fairs fund; 79769
from the moneys paid to the tax commissioner by permit holders 79770
authorized to conduct harness racing, five-eighths of one per cent 79771
of all moneys wagered on that racing day shall be paid into the 79772
Ohio standardbred development fund; and from the moneys paid to 79773
the tax commissioner by permit holders authorized to conduct 79774
quarter horse racing, five-eighths of one per cent of all moneys 79775
wagered on that racing day shall be paid into the Ohio quarter 79776
horse development fund. 79777

(D) In addition, subject to division (M) of this section, 79778
beginning on January 1, 1996, from the money paid to the tax 79779
commissioner as a tax under this section and division (A) of 79780
section 3769.087 of the Revised Code by harness horse permit 79781
holders, one-half of one per cent of the amount wagered on a 79782
racing day shall be paid into the Ohio standardbred development 79783
fund. Beginning January 1, 1998, the payment to the Ohio 79784
standardbred development fund required under this division does 79785
not apply to county agricultural societies or independent 79786
agricultural societies. 79787

The total amount paid to the Ohio standardbred development 79788
fund under this division, division (C) of this section, and 79789
division (A) of section 3769.087 of the Revised Code and the total 79790
amount paid to the Ohio quarter horse development fund under this 79791
division and division (A) of that section shall not exceed by more 79792
than six per cent the total amount paid into the fund under this 79793
division, division (C) of this section, and division (A) of 79794
section 3769.087 of the Revised Code in the immediately preceding 79795
calendar year. 79796

(E) Subject to division (M) of this section, from the money 79797
paid as a tax under this chapter by harness and quarter horse 79798
permit holders, one-quarter of one per cent of the total of all 79799
moneys wagered on a racing day by each permit holder shall be paid 79800

into the state racing commission operating fund created by section 79801
3769.03 of the Revised Code. This division does not apply to 79802
county and independent fairs and agricultural societies. 79803

(F) Except as otherwise provided in section 3769.089 of the 79804
Revised Code, each permit holder authorized to conduct harness 79805
racing shall pay to the harness horsemen's purse pool a sum equal 79806
to fifty per cent of the pari-mutuel revenues retained by the 79807
permit holder as a commission after payment of the state tax. This 79808
fifty per cent payment is to be in addition to the purse 79809
distribution from breakage specified in this section. 79810

(G) In addition, each permit holder authorized to conduct 79811
harness racing shall be allowed to retain the odd cents of all 79812
redistribution to be made on all mutual contributions exceeding a 79813
sum equal to the next lowest multiple of ten. 79814

Forty per cent of that portion of that total sum of such odd 79815
cents shall be used by the permit holder for purse money for Ohio 79816
sired, bred, and owned colts, for purse money for Ohio bred 79817
horses, and for increased purse money for horse races. Upon the 79818
formation of the corporation described in section 3769.21 of the 79819
Revised Code to establish a harness horsemen's health and 79820
retirement fund, twenty-five per cent of that portion of that 79821
total sum of odd cents shall be paid at the close of each racing 79822
day by the permit holder to that corporation to establish and fund 79823
the health and retirement fund. Until that corporation is formed, 79824
that twenty-five per cent shall be paid at the close of each 79825
racing day by the permit holder to the tax commissioner or the tax 79826
commissioner's agent in the county seat of the county in which the 79827
permit holder operates race meetings. The remaining thirty-five 79828
per cent of that portion of that total sum of odd cents shall be 79829
retained by the permit holder. 79830

(H) In addition, each permit holder authorized to conduct 79831
thoroughbred racing shall be allowed to retain the odd cents of 79832

all redistribution to be made on all mutuel contributions 79833
exceeding a sum equal to the next lowest multiple of ten. Twenty 79834
per cent of that portion of that total sum of such odd cents shall 79835
be used by the permit holder for increased purse money for horse 79836
races. Upon the formation of the corporation described in section 79837
3769.21 of the Revised Code to establish a thoroughbred horsemen's 79838
health and retirement fund, forty-five per cent of that portion of 79839
that total sum of odd cents shall be paid at the close of each 79840
racing day by the permit holder to that corporation to establish 79841
and fund the health and retirement fund. Until that corporation is 79842
formed, that forty-five per cent shall be paid by the permit 79843
holder to the tax commissioner or the tax commissioner's agent in 79844
the county seat of the county in which the permit holder operates 79845
race meetings, at the close of each racing day. The remaining 79846
thirty-five per cent of that portion of that total sum of odd 79847
cents shall be retained by the permit holder. 79848

(I) In addition, each permit holder authorized to conduct 79849
quarter horse racing shall be allowed to retain the odd cents of 79850
all redistribution to be made on all mutuel contributions 79851
exceeding a sum equal to the next lowest multiple of ten, subject 79852
to a tax of twenty-five per cent on that portion of the total sum 79853
of such odd cents that is in excess of two thousand dollars during 79854
a calendar year, which tax shall be paid at the close of each 79855
racing day by the permit holder to the tax commissioner or the tax 79856
commissioner's agent in the county seat of the county within which 79857
the permit holder operates race meetings. Forty per cent of that 79858
portion of that total sum of such odd cents shall be used by the 79859
permit holder for increased purse money for horse races. The 79860
remaining thirty-five per cent of that portion of that total sum 79861
of odd cents shall be retained by the permit holder. 79862

(J)(1) To encourage the improvement of racing facilities for 79863
the benefit of the public, breeders, and horse owners, and to 79864

increase the revenue to the state from the increase in pari-mutuel 79865
wagering resulting from those improvements, the taxes paid by a 79866
permit holder to the state as provided for in this chapter shall 79867
be reduced by three-fourths of one per cent of the total amount 79868
wagered for those permit holders who make capital improvements to 79869
existing race tracks or construct new race tracks. The percentage 79870
of the reduction that may be taken each racing day shall equal 79871
seventy-five per cent of the taxes levied under divisions (B) and 79872
(C) of this section and section 3769.087 of the Revised Code, and 79873
division (F)(2) of section 3769.26 of the Revised Code, as 79874
applicable, divided by the calculated amount each fund should 79875
receive under divisions (B) and (C) of this section and section 79876
3769.087 of the Revised Code, and division (F)(2) of section 79877
3769.26 of the Revised Code and the reduction provided for in this 79878
division. If the resulting percentage is less than one, that 79879
percentage shall be multiplied by the amount of the reduction 79880
provided for in this division. Otherwise, the permit holder shall 79881
receive the full reduction provided for in this division. The 79882
amount of the allowable reduction not received shall be carried 79883
forward and applied against future tax liability. After any 79884
reductions expire, any reduction carried forward shall be treated 79885
as a reduction as provided for in this division. 79886

If more than one permit holder is authorized to conduct 79887
racing at the facility that is being built or improved, the cost 79888
of the new race track or capital improvement shall be allocated 79889
between or among all the permit holders in the ratio that the 79890
permit holders' number of racing days bears to the total number of 79891
racing days conducted at the facility. 79892

A reduction for a new race track or a capital improvement 79893
shall start from the day racing is first conducted following the 79894
date actual construction of the new race track or each capital 79895
improvement is completed and the construction cost has been 79896

approved by the racing commission, unless otherwise provided in 79897
this section. A reduction for a new race track or a capital 79898
improvement shall continue for a period of twenty-five years for 79899
new race tracks and for fifteen years for capital improvements if 79900
the construction of the capital improvement or new race track 79901
commenced prior to March 29, 1988, and for a period of ten years 79902
for new race tracks or capital improvements if the construction of 79903
the capital improvement or new race track commenced on or after 79904
March 29, 1988, but before ~~the effective date of this amendment~~ 79905
June 6, 2001, or until the total tax reduction reaches seventy per 79906
cent of the approved cost of the new race track or capital 79907
improvement, as allocated to each permit holder, whichever occurs 79908
first. A reduction for a new race track or a capital improvement 79909
approved after ~~the effective date of this amendment~~ June 6, 2001, 79910
shall continue until the total tax reduction reaches one hundred 79911
per cent of the approved cost of the new race track or capital 79912
improvement, as allocated to each permit holder. 79913

A reduction granted for a new race track or a capital 79914
improvement, the application for which was approved by the racing 79915
commission after March 29, 1988, but before ~~the effective date of~~ 79916
~~this amendment~~ June 6, 2001, shall not commence nor shall the 79917
ten-year period begin to run until all prior tax reductions with 79918
respect to the same race track have ended. The total tax reduction 79919
because of capital improvements shall not during any one year 79920
exceed for all permit holders using any one track three-fourths of 79921
one per cent of the total amount wagered, regardless of the number 79922
of capital improvements made. Several capital improvements to a 79923
race track may be consolidated in an application if the racing 79924
commission approved the application prior to March 29, 1988. No 79925
permit holder may receive a tax reduction for a capital 79926
improvement approved by the racing commission on or after March 79927
29, 1988, at a race track until all tax reductions have ended for 79928
all prior capital improvements approved by the racing commission 79929

under this section or section 3769.20 of the Revised Code at that 79930
race track. If there are two or more permit holders operating 79931
meetings at the same track, they may consolidate their 79932
applications. The racing commission shall notify the tax 79933
commissioner when the reduction of tax begins and when it ends. 79934

Each fiscal year the racing commission shall submit a report 79935
to the tax commissioner, the office of budget and management, and 79936
the legislative service commission. The report shall identify each 79937
capital improvement project undertaken under this division and in 79938
progress at each race track, indicate the total cost of each 79939
project, state the tax reduction that resulted from each project 79940
during the immediately preceding fiscal year, estimate the tax 79941
reduction that will result from each project during the current 79942
fiscal year, state the total tax reduction that resulted from all 79943
such projects at all race tracks during the immediately preceding 79944
fiscal year, and estimate the total tax reduction that will result 79945
from all such projects at all race tracks during the current 79946
fiscal year. 79947

(2) In order to qualify for the reduction in tax, a permit 79948
holder shall apply to the racing commission in such form as the 79949
commission may require and shall provide full details of the new 79950
race track or capital improvement, including a schedule for its 79951
construction and completion, and set forth the costs and expenses 79952
incurred in connection with it. The racing commission shall not 79953
approve an application unless the permit holder shows that a 79954
contract for the new race track or capital improvement has been 79955
let under an unrestricted competitive bidding procedure, unless 79956
the contract is exempted by the controlling board because of its 79957
unusual nature. In determining whether to approve an application, 79958
the racing commission shall consider whether the new race track or 79959
capital improvement will promote the safety, convenience, and 79960
comfort of the racing public and horse owners and generally tend 79961

towards the improvement of racing in this state. 79962

(3) If a new race track or capital improvement is approved by 79963
the racing commission and construction has started, the tax 79964
reduction may be authorized by the commission upon presentation of 79965
copies of paid bills in excess of one hundred thousand dollars or 79966
ten per cent of the approved cost, whichever is greater. After the 79967
initial authorization, the permit holder shall present copies of 79968
paid bills. If the permit holder is in substantial compliance with 79969
the schedule for construction and completion of the new race track 79970
or capital improvement, the racing commission may authorize the 79971
continuation of the tax reduction upon the presentation of the 79972
additional paid bills. The total amount of the tax reduction 79973
authorized shall not exceed the percentage of the approved cost of 79974
the new race track or capital improvement specified in division 79975
(J)(1) of this section. The racing commission may terminate any 79976
tax reduction immediately if a permit holder fails to complete the 79977
new race track or capital improvement, or to substantially comply 79978
with the schedule for construction and completion of the new race 79979
track or capital improvement. If a permit holder fails to complete 79980
a new race track or capital improvement, the racing commission 79981
shall order the permit holder to repay to the state the total 79982
amount of tax reduced. The normal tax paid by the permit holder 79983
shall be increased by three-fourths of one per cent of the total 79984
amount wagered until the total amount of the additional tax 79985
collected equals the total amount of tax reduced. 79986

(4) As used in this section: 79987

(a) "Capital improvement" means an addition, replacement, or 79988
remodeling of a structural unit of a race track facility costing 79989
at least one hundred thousand dollars, including, but not limited 79990
to, the construction of barns used exclusively for the race track 79991
facility, backstretch facilities for horsemen, paddock facilities, 79992
new pari-mutuel and totalizator equipment and appurtenances to 79993

that equipment purchased by the track, new access roads, new 79994
parking areas, the complete reconstruction, reshaping, and 79995
leveling of the racing surface and appurtenances, the installation 79996
of permanent new heating or air conditioning, roof replacement or 79997
restoration, installations of a permanent nature forming a part of 79998
the track structure, and construction of buildings that are 79999
located on a permit holder's premises. "Capital improvement" does 80000
not include the cost of replacement of equipment that is not 80001
permanently installed, ordinary repairs, painting, and maintenance 80002
required to keep a race track facility in ordinary operating 80003
condition. 80004

(b) "New race track" includes the reconstruction of a race 80005
track damaged by fire or other cause that has been declared by the 80006
racing commission, as a result of the damage, to be an inadequate 80007
facility for the safe operation of horse racing. 80008

(c) "Approved cost" includes all debt service and interest 80009
costs that are associated with a capital improvement or new race 80010
track and that the racing commission approves for a tax reduction 80011
under division (J) of this section. 80012

(5) The racing commission shall not approve an application 80013
for a tax reduction under this section if it has reasonable cause 80014
to believe that the actions or negligence of the permit holder 80015
substantially contributed to the damage suffered by the track due 80016
to fire or other cause. The racing commission shall obtain any 80017
data or information available from a fire marshal, law enforcement 80018
official, or insurance company concerning any fire or other damage 80019
suffered by a track, prior to approving an application for a tax 80020
reduction. 80021

(6) The approved cost to which a tax reduction applies shall 80022
be determined by generally accepted accounting principles and 80023
verified by an audit of the permit holder's records upon 80024
completion of the project by the racing commission, or by an 80025

independent certified public accountant selected by the permit holder and approved by the commission. 80026
80027

(K) No other license or excise tax or fee, except as provided in sections 3769.01 to 3769.14 of the Revised Code, shall be assessed or collected from such licensee by any county, township, district, municipal corporation, or other body having power to assess or collect a tax or fee. That portion of the tax paid under this section by permit holders for racing conducted at and during the course of an agricultural exposition or fair, and that portion of the tax that would have been paid by eligible permit holders into the ~~PASSPORT~~ nursing home franchise permit fee fund as a result of racing conducted at and during the course of an agricultural exposition or fair, shall be deposited into the state treasury to the credit of the horse racing tax fund, which is hereby created for the use of the agricultural societies of the several counties in which the taxes originate. The state racing commission shall determine eligible permit holders for purposes of the preceding sentence, taking into account the breed of horse, the racing dates, the geographic proximity to the fair, and the best interests of Ohio racing. On the first day of any month on which there is money in the fund, the tax commissioner shall provide for payment to the treasurer of each agricultural society the amount of the taxes collected under this section upon racing conducted at and during the course of any exposition or fair conducted by the society. 80028

(L) From the tax paid under this section by harness track permit holders, the tax commissioner shall pay into the Ohio thoroughbred race fund a sum equal to a percentage of the amount wagered upon which the tax is paid. The percentage shall be determined by the tax commissioner and shall be rounded to the nearest one-hundredth. The percentage shall be such that, when multiplied by the amount wagered upon which tax was paid by the 80051

harness track permit holders in the most recent year for which 80058
final figures are available, it results in a sum that 80059
substantially equals the same amount of tax paid by the tax 80060
commissioner during that year into the Ohio fairs fund from taxes 80061
paid by thoroughbred permit holders. This division does not apply 80062
to county and independent fairs and agricultural societies. 80063

(M) Twenty-five per cent of the taxes levied on thoroughbred 80064
racing permit holders, harness racing permit holders, and quarter 80065
horse racing permit holders under this section, division (A) of 80066
section 3769.087 of the Revised Code, and division (F)(2) of 80067
section 3769.26 of the Revised Code shall be paid into the 80068
~~PASSPORT~~ nursing home franchise permit fee fund. The tax 80069
commissioner shall pay any money remaining, after the payment into 80070
the ~~PASSPORT~~ nursing home franchise permit fee fund and the 80071
reductions provided for in division (J) of this section and in 80072
section 3769.20 of the Revised Code, into the Ohio fairs fund, 80073
Ohio thoroughbred race fund, Ohio standardbred development fund, 80074
Ohio quarter horse fund, and state racing commission operating 80075
fund as prescribed in this section and division (A) of section 80076
3769.087 of the Revised Code. The tax commissioner shall 80077
thereafter use and apply the balance of the money paid as a tax by 80078
any permit holder to cover any shortage in the accounts of such 80079
funds resulting from an insufficient payment as a tax by any other 80080
permit holder. The moneys received by the tax commissioner shall 80081
be deposited weekly and paid by the tax commissioner into the 80082
funds to cover the total aggregate amount due from all permit 80083
holders to the funds, as calculated under this section and 80084
division (A) of section 3769.087 of the Revised Code, as 80085
applicable. If, after the payment into the ~~PASSPORT~~ nursing home 80086
franchise permit fee fund, sufficient funds are not available from 80087
the tax deposited by the tax commissioner to pay the required 80088
amounts into the Ohio fairs fund, Ohio standardbred development 80089
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 80090

the state racing commission operating fund, the tax commissioner 80091
shall prorate on a proportional basis the amount paid to each of 80092
the funds. Any shortage to the funds as a result of a proration 80093
shall be applied against future deposits for the same calendar 80094
year when funds are available. After this application, the tax 80095
commissioner shall pay any remaining money paid as a tax by all 80096
permit holders into the ~~PASSPORT~~ nursing home franchise permit fee 80097
fund. This division does not apply to permit holders conducting 80098
racing at the course of an agricultural exposition or fair as 80099
described in division (K) of this section. 80100

Sec. 3769.20. (A) To encourage the renovation of existing 80101
racing facilities for the benefit of the public, breeders, and 80102
horse owners and to increase the revenue to the state from the 80103
increase in pari-mutuel wagering resulting from such improvement, 80104
the taxes paid by a permit holder to the state, in excess of the 80105
amount paid into the ~~PASSPORT~~ nursing home franchise permit fee 80106
fund, shall be reduced by one per cent of the total amount wagered 80107
for those permit holders who carry out a major capital improvement 80108
project. The percentage of the reduction that may be taken each 80109
racing day shall equal seventy-five per cent of the amount of the 80110
taxes levied under divisions (B) and (C) of section 3769.08, 80111
section 3769.087, and division (F)(2) of section 3769.26 of the 80112
Revised Code, as applicable, divided by the calculated amount each 80113
fund should receive under divisions (B) and (C) of section 80114
3769.08, section 3769.087, and division (F)(2) of section 3769.26 80115
of the Revised Code and the reduction provided for in this 80116
section. If the resulting percentage is less than one, that 80117
percentage shall be multiplied by the amount of the reduction 80118
provided for in this section. Otherwise, the permit holder shall 80119
receive the full reduction provided for in this section. The 80120
amount of the allowable reduction not received shall be carried 80121
forward and added to any other reduction balance and applied 80122

against future tax liability. After any reductions expire, any 80123
reduction carried forward shall be treated as a reduction as 80124
provided for in this section. If the amount of allowable reduction 80125
exceeds the amount of taxes derived from a permit holder, the 80126
amount of the allowable reduction not used may be carried forward 80127
and applied against future tax liability. 80128

If more than one permit holder is authorized to conduct 80129
racing at the facility that is being improved, the cost of the 80130
major capital improvement project shall be allocated between or 80131
among all the permit holders in the ratio that each permit 80132
holder's number of racing days bears to the total number of racing 80133
days conducted at the facility. 80134

A reduction for a major capital improvement project shall 80135
start from the day racing is first conducted following the date on 80136
which the major capital improvement project is completed and the 80137
construction cost has been approved by the state racing 80138
commission, except as otherwise provided in division (E) of this 80139
section, and shall continue until the total tax reduction equals 80140
the cost of the major capital improvement project plus debt 80141
service applicable to the project. In no event, however, shall any 80142
tax reduction, excluding any reduction balances, be permitted 80143
under this section after December 31, ~~2014~~ 2017. The total tax 80144
reduction because of the major capital improvement project shall 80145
not during any one year exceed for all permit holders using any 80146
one track one per cent of the total amount wagered. The racing 80147
commission shall notify the tax commissioner when the reduction of 80148
tax begins and when it ends. 80149

(B) Each fiscal year, the racing commission shall submit a 80150
report to the tax commissioner, the office of budget and 80151
management, and the legislative service commission. The report 80152
shall identify each capital improvement project undertaken under 80153

this section and in progress at each race track, indicate the 80154
total cost of each project, state the tax reduction that resulted 80155
from each project during the immediately preceding fiscal year, 80156
estimate the tax reduction that will result from each project 80157
during the current fiscal year, state the total tax reduction that 80158
resulted from all such projects at all race tracks during the 80159
immediately preceding fiscal year, and estimate the total tax 80160
reduction that will result from all such projects at all race 80161
tracks during the current fiscal year. 80162

(C) The tax reduction granted pursuant to this section shall 80163
be in addition to any tax reductions for capital improvements and 80164
new race tracks provided for in section 3769.08 of the Revised 80165
Code and approved by the racing commission. 80166

(D) In order to qualify for the reduction in tax, a permit 80167
holder shall apply to the racing commission in such form as the 80168
commission may require and shall provide full details of the major 80169
capital improvement project, including plans and specifications, a 80170
schedule for the project's construction and completion, and a 80171
breakdown of proposed costs. In addition, the permit holder shall 80172
have commenced construction of the major capital improvement 80173
project or shall have had the application for the project approved 80174
by the racing commission prior to March 29, 1988. The racing 80175
commission shall not approve an application unless the permit 80176
holder shows that a contract for the major capital improvement 80177
project has been let under an unrestricted competitive bidding 80178
procedure, unless the contract is exempted by the controlling 80179
board because of its unusual nature. In determining whether to 80180
approve an application, the racing commission shall consider 80181
whether the major capital improvement project will promote the 80182
safety, convenience, and comfort of the racing public and horse 80183
owners and generally tend toward the improvement of racing in this 80184
state. 80185

(E) If the major capital improvement project is approved by the racing commission and construction has started, the tax reduction may be authorized by the commission upon presentation of copies of paid bills in excess of five hundred thousand dollars. After the initial authorization, the permit holder shall present copies of paid bills in the amount of not less than five hundred thousand dollars. If the permit holder is in substantial compliance with the schedule for construction and completion of the major capital improvement project, the racing commission may authorize the continuance of the tax reduction upon the presentation of the additional paid bills in increments of five hundred thousand dollars. The racing commission may terminate the tax reduction if a permit holder fails to complete the major capital improvement project or fails to comply substantially with the schedule for construction and completion of the major capital improvement project. If the time for completion of the major capital improvement project is delayed by acts of God, strikes, or the unavailability of labor or materials, the time for completion as set forth in the schedule shall be extended by the period of the delay. If a permit holder fails to complete the major capital improvement project, the racing commission shall order the permit holder to repay to the state the total amount of tax reduced, unless the permit holder has spent at least six million dollars on the project. The normal tax paid by the permit holder under section 3769.08 of the Revised Code shall be increased by one per cent of the total amount wagered until the total amount of the additional tax collected equals the total amount of tax reduced. Any action taken by the racing commission pursuant to this section in terminating the tax adjustment or requiring repayment of the amount of tax reduced shall be subject to Chapter 119. of the Revised Code.

(F) As used in this section, "major capital improvement project" means the renovation, reconstruction, or remodeling,

costing at least six million dollars, of a race track facility, 80219
including, but not limited to, the construction of barns used 80220
exclusively for that race track facility, backstretch facilities 80221
for horsemen, paddock facilities, pari-mutuel and totalizator 80222
equipment and appurtenances to that equipment purchased by the 80223
track, new access roads, new parking areas, the complete 80224
reconstruction, reshaping, and leveling of the racing surface and 80225
appurtenances, grandstand enclosure, installation of permanent new 80226
heating or air conditioning, roof replacement, and installations 80227
of a permanent nature forming a part of the track structure. 80228

(G) The cost and expenses to which the tax reduction granted 80229
under this section applies shall be determined by generally 80230
accepted accounting principles and be verified by an audit of the 80231
permit holder's records, upon completion of the major capital 80232
improvement project, either by the racing commission or by an 80233
independent certified public accountant selected by the permit 80234
holder and approved by the commission. 80235

(H) This section and section 3769.201 of the Revised Code 80236
govern any tax reduction granted to a permit holder for the cost 80237
to the permit holder of any cleanup, repair, or improvement 80238
required as a result of damage caused by the 1997 Ohio river flood 80239
to the place, track, or enclosure for which the permit is issued. 80240

Sec. 3769.26. (A)(1) Except as otherwise provided in division 80241
(B) of this section, each track in existence on September 27, 80242
1994, regardless of the number of permit holders authorized to 80243
conduct race meetings at the track, may establish, with the 80244
approval of the state racing commission and the appropriate local 80245
legislative authority, not more than two satellite facilities at 80246
which it may conduct pari-mutuel wagering on horse races conducted 80247
either inside or outside this state and simulcast by a simulcast 80248
host to the satellite facilities. 80249

(2) Prior to a track's establishing satellite facilities 80250
under this section, the permit holders at that track shall agree 80251
among themselves regarding their respective rights and obligations 80252
with respect to those satellite facilities. 80253

(3)(a) Any track that desires to establish a satellite 80254
facility shall provide written notification of its intent to the 80255
state racing commission and to the appropriate local legislative 80256
authority that is required to approve the satellite facility, 80257
together with detailed plans and specifications for the satellite 80258
facility. The commission shall deliver copies of this notification 80259
to all other tracks in this state, and the commission shall, 80260
within forty-five days after receiving the notification, hold a 80261
hearing on the track's intent to establish a satellite facility. 80262
At this hearing the commission shall consider the evidence 80263
presented and determine whether the request for establishment of a 80264
satellite facility shall be approved. 80265

The commission shall not approve a track's request to 80266
establish a satellite facility if the owner of the premises where 80267
the satellite facility is proposed to be located or if the 80268
proposed operator of the satellite facility has been convicted of 80269
or has pleaded guilty to a gambling offense that is a felony or 80270
any other felony under the laws of this state, any other state, or 80271
the United States that the commission determines to be related to 80272
fitness to be the owner of such a premises or to be the operator 80273
of a satellite facility. As used in division (A)(3)(a) of this 80274
section, "gambling offense" has the same meaning as in section 80275
2915.01 of the Revised Code and "operator" means the individual 80276
who is responsible for the day-to-day operations of a satellite 80277
facility. The commission shall conduct a background investigation 80278
on each person who is the owner of a premises where a satellite 80279
facility is proposed to be located or who is proposed to be the 80280
operator or an employee of a satellite facility. The commission 80281

shall adopt rules in accordance with Chapter 119. of the Revised 80282
Code that specify the specific information the commission shall 80283
collect in conducting such a background investigation. 80284

No track shall knowingly contract with a person as the owner 80285
of the premises where a satellite facility is located, or 80286
knowingly employ a person as the operator or an employee of a 80287
satellite facility, who has been convicted of or pleaded guilty to 80288
a gambling offense that is a felony or any other felony under the 80289
laws of this state, any other state, or the United States that the 80290
commission determines to be related to fitness to be the owner of 80291
such a premises or to be the operator or an employee of a 80292
satellite facility. The commission may impose a fine in an amount 80293
not to exceed ten thousand dollars on any track that violates any 80294
of these prohibitions. 80295

(b) Each track that receives the notification described in 80296
division (A)(3)(a) of this section shall notify the commission and 80297
the track that desires to establish the satellite facility, within 80298
thirty days after receiving the notification from the commission, 80299
indicating whether or not it desires to participate in the joint 80300
ownership of the facility. Ownership shall be distributed equally 80301
among the tracks that choose to participate in the joint ownership 80302
of the facility unless the participating tracks agree to and 80303
contract otherwise. Tracks that fail to respond to the commission 80304
and the track that desires to establish the satellite facility 80305
within this thirty-day period regarding the ownership of the 80306
particular satellite facility are not eligible to participate in 80307
its ownership. 80308

(B) If, within three years after September 27, 1994, a track 80309
in existence on September 27, 1994, does not establish both of the 80310
satellite facilities it is authorized to establish under division 80311
(A) of this section, another track, with the approval of the 80312
racing commission, may establish in accordance with this section a 80313

number of additional satellite facilities that does not exceed the 80314
number of satellite facilities that the first track did not 80315
establish. However, no more than fourteen satellite facilities may 80316
be established in this state. 80317

(C) Except as otherwise provided in this division, each 80318
permit holder in this state shall allow the races that it 80319
conducts, and the races conducted outside this state that it 80320
receives as a simulcast host, to be simulcast to all satellite 80321
facilities operating in this state and shall take all action 80322
necessary to supply its simulcast and wagering information to 80323
these satellite facilities. A permit holder at a track where the 80324
average daily amount wagered for all race meetings during calendar 80325
year 1990 did not exceed two hundred fifty thousand dollars may 80326
elect not to simulcast its races to the satellite facilities. If a 80327
permit holder at such a track chooses to simulcast its races to 80328
satellite facilities, it shall allow its races to be simulcast to 80329
all satellite facilities operating in this state. Except as 80330
otherwise provided in this division, each satellite facility shall 80331
receive simulcasts of and conduct pari-mutuel wagering on all live 80332
racing programs being conducted at any track in this state and on 80333
all agreed simulcast racing programs, as provided in division (D) 80334
of section 3769.089 of the Revised Code, conducted in other states 80335
that are received by simulcast in this state, without regard to 80336
the breed of horse competing in the race or the time of day of the 80337
race. 80338

No satellite facility may receive simulcasts of horse races 80339
during the same hours that a county fair or independent fair 80340
located within the same county as the satellite facility is 80341
conducting pari-mutuel wagering on horse races at that county or 80342
independent fair. 80343

Except as otherwise provided in this division, the commission 80344
shall not approve the establishment of a satellite facility within 80345

a radius of fifty miles of any track. The commission may approve 80346
the establishment of a satellite facility at a location within a 80347
radius of at least thirty-five but not more than fifty miles from 80348
one or more tracks if all of the holders of permits issued for 80349
those tracks consent in writing to the establishment of the 80350
satellite facility. The commission may approve the establishment 80351
of a satellite facility at a location within a radius of 80352
thirty-five miles of more than one race track if all holders of 80353
permits issued for those tracks consent in writing to the 80354
establishment of the satellite facility and, if the tracks are 80355
located completely within one county and the proposed satellite 80356
facility will be located within that county, if both the 80357
legislative authority of the municipal corporation in that county 80358
with the largest population, and the appropriate legislative 80359
authority that is required to approve the satellite facility under 80360
division (A)(1) of this section, approve the establishment of the 80361
new satellite facility. The commission may approve the 80362
establishment of a satellite facility at a location within a 80363
radius of less than twenty miles from an existing satellite 80364
facility if the owner of the existing satellite facility consents 80365
in writing to the establishment of the new satellite facility. 80366

A satellite facility shall not receive simulcasts of horse 80367
races conducted outside this state on any day when no simulcast 80368
host is operating. 80369

(D) Each simulcast host is responsible for paying all costs 80370
associated with the up-link for simulcasts. Each satellite 80371
facility is responsible for paying all costs associated with the 80372
reception of simulcasts and the operation of the satellite 80373
facility. 80374

(E) All money wagered at the simulcast host, and all money 80375
wagered at all satellite facilities on races simulcast from the 80376
simulcast host, shall be included in a common pari-mutuel pool at 80377

the simulcast host. Except as otherwise provided in division 80378
(F)(6) of this section, the payment shall be the same for all 80379
winning tickets whether a wager is placed at a simulcast host or a 80380
satellite facility. Wagers placed at a satellite facility shall 80381
conform in denomination, character, terms, conditions, and in all 80382
other respects to wagers placed at the simulcast host for the same 80383
race. 80384

(F)(1) As used in division (F) of this section, "effective 80385
rate" means the effective gross tax percentage applicable at the 80386
simulcast host, determined in accordance with sections 3769.08 and 80387
3769.087 of the Revised Code, after combining the money wagered at 80388
the simulcast host with the money wagered at satellite facilities 80389
on races simulcast from the host track. 80390

(2) For the purposes of calculating the amount of taxes to be 80391
paid and the amount of commissions to be retained by permit 80392
holders, fifty per cent of the amount wagered at satellite 80393
facilities on a live racing program simulcast from a simulcast 80394
host shall be allocated to the permit holder's live race wagering 80395
at that simulcast host that conducts the live racing program, and 80396
fifty per cent of the amount wagered at satellite facilities on 80397
simulcast racing programs conducted outside this state shall be 80398
allocated to, and apportioned equally among, the permit holders 80399
acting as simulcast hosts for the out-of-state simulcast racing 80400
programs. The remainder of the amount wagered at a satellite 80401
facility on races simulcast from a simulcast host shall be 80402
allocated to the satellite facility. In computing the tax due on 80403
the amount allocated to the satellite facility, if there is more 80404
than one simulcast host for out-of-state simulcast racing 80405
programs, the effective rate applied by the satellite facility 80406
shall be the tax rate applicable to the simulcast host that pays 80407
the highest effective rate under section 3769.08 of the Revised 80408
Code on such simulcast racing programs. 80409

(3) The portion of the amount wagered that is allocated to a simulcast host under division (F)(2) of this section shall be treated, for the purposes of calculating the amount of taxes to be paid and commissions to be retained, as having been wagered at the simulcast host on a live racing program or on a simulcast racing program. The permit holder at the simulcast host shall pay, by check, draft, or money order to the state tax commissioner, as a tax, the tax specified in sections 3769.08 and 3769.087 of the Revised Code, as applicable, except that the tax shall be calculated using the effective rate, and the permit holder may retain as a commission the percentage of the amount wagered as specified in those sections. From the tax collected, the tax commissioner shall make distributions to the respective funds, and in the proper amounts, as required by sections 3769.08 and 3769.087 of the Revised Code, as applicable.

(4) From the portion of the amount wagered that is allocated to a satellite facility under division (F)(2) of this section, the satellite facility may retain as a commission the amount specified in section 3769.08 or 3769.087 of the Revised Code, as applicable. The portion of the amount wagered that is allocated to a satellite facility shall be subject to tax at the effective rate as follows:

(a) One per cent of such amount allocated to the satellite facility shall be paid as a tax each racing day to the tax commissioner for deposit into the ~~PASSPORT~~ nursing home franchise permit fee fund.

(b) The remaining balance of the taxes calculated at the effective rate, after payment of the tax specified in division (F)(4)(a) of this section, shall be retained by the satellite facility to pay for those costs associated with the reception of the simulcasts.

(5) From the commission retained by a satellite facility after the deduction of the tax paid at the effective rate under

division (F)(4) of this section, the satellite facility shall 80442
retain an amount equal to two and three-eighths per cent of the 80443
amount wagered that day on simulcast racing programs and the 80444
balance shall be divided as follows: 80445

(a) One-half shall be paid to the owner of the satellite 80446
facility; 80447

(b) One-half shall be paid to the state racing commission for 80448
deposit into the Ohio combined simulcast horse racing purse fund. 80449

(6) In addition to the commission retained under this 80450
section, a satellite facility shall retain two and one-half per 80451
cent of the amount that would otherwise be paid on each winning 80452
wager unless the retention of this amount would either cause or 80453
add to a minus pool. As used in division (F)(6) of this section, 80454
"minus pool" means a wagering pool in which a winning wager is 80455
paid off at less than one hundred ten per cent of the amount of 80456
the wager. The amount retained shall be paid each racing day to 80457
the tax commissioner for deposit into the ~~PASSPORT~~ nursing home
franchise permit fee fund. 80458
80459

(7) At the close of each day, each satellite facility shall 80460
pay, by check, draft, or money order, or by wire transfer of 80461
funds, out of the money retained on that day to the collection and 80462
settlement agent the required fee to be paid by the simulcast host 80463
to the tracks, racing associations, or state regulatory agencies 80464
located outside this state for simulcasts into this state computed 80465
and based on one-half of the amount wagered at the satellite 80466
facility that day on interstate simulcast racing programs. 80467

(G) No license, fee, or excise tax, other than as specified 80468
in division (F)(6) of this section, shall be assessed upon or 80469
collected from a satellite facility, the owners of a satellite 80470
facility, or the holders of permits issued for a track that has 80471
established a satellite facility by any county, township, 80472

municipal corporation, district, or other body having the 80473
authority to assess or collect a tax or fee. 80474

(H) In no case shall that portion of the commissions 80475
designated for purses from satellite facilities be less than that 80476
portion of those commissions designated for purses at the 80477
simulcast host. 80478

(I) It is the intention of the general assembly in enacting 80479
this section not to adversely affect the amounts paid into the 80480
Ohio thoroughbred race fund created under section 3769.083 of the 80481
Revised Code. Therefore, each track that acts as a simulcast host 80482
under this section shall calculate, on a semi-annual basis during 80483
calendar years 1994, 1995, and 1996, its average daily 80484
contribution to the Ohio thoroughbred race fund created under 80485
section 3769.083 of the Revised Code on those days on which the 80486
track conducted live horse racing. If this average daily 80487
contribution to the fund is less than the average daily 80488
contribution from the same track to the fund during the same 80489
six-month period of calendar year 1992, there shall be contributed 80490
to the fund an amount equal to the average daily shortfall 80491
multiplied by the number of days of live racing conducted during 80492
the six-month period in calendar year 1994, 1995, or 1996, as 80493
applicable. The amount of such contribution shall be allocated 80494
among the simulcast host, the purse program at the simulcast host, 80495
and the satellite facilities for which the track served as the 80496
simulcast host, on a pro rata basis in proportion to the amounts 80497
contributed by them to the fund during such six-month period in 80498
calendar year 1994, 1995, or 1996, as applicable. 80499

(C) Except as otherwise provided in division (F) of this 80522
section, the director of the state lottery commission shall refuse 80523
to grant, or shall suspend or revoke, a license if the applicant 80524
or licensee: 80525

(1) Has been convicted of a felony or has been convicted of a 80526
crime involving moral turpitude; 80527

activities specified in divisions (C)(1) to (5) of this section; 80542

(2) It appears to the director of the state lottery 80543
commission that, due to the experience, character, or general 80544
fitness of any director, officer, or controlling shareholder of 80545

agent would be inconsistent with the public interest, convenience, 80547
or trust; 80548

(3) The corporation is not the owner or lessee of the 80549
business at which it would conduct a lottery sales agency pursuant 80550
to the license applied for; 80551

(4) Any person, firm, association, or corporation other than 80552
the applicant or licensee shares or will share in the profits of 80553
the applicant or licensee, other than receiving dividends or 80554
distributions as a shareholder, or participates or will 80555
participate in the management of the affairs of the applicant or 80556
licensee. 80557

(E)(1) The director of the state lottery commission shall 80558
refuse to grant a license to an applicant for a lottery sales 80559
agent license and shall revoke a lottery sales agent license if 80560
the applicant or licensee is or has been convicted of a violation 80561

(2) The director shall refuse to grant a license to an applicant for a lottery sales agent license that is a corporation and shall revoke the lottery sales agent license of a corporation if the corporation is or has been convicted of a violation of division (A) or (C)(1) of section 2913.46 of the Revised Code.

(F) The director of the state lottery commission shall request the bureau of criminal identification and investigation, the department of public safety, or any other state, local, or federal agency to supply the director with the criminal records of any applicant for a lottery sales agent license, and may periodically request the criminal records of any person to whom a lottery sales agent license has been issued. At or prior to the time of making such a request, the director shall require an applicant or licensee to obtain fingerprint impressions on fingerprint cards prescribed by the superintendent of the bureau of criminal identification and investigation at a qualified law enforcement agency, and the director shall cause those fingerprint cards to be forwarded to the bureau of criminal identification and investigation, to the federal bureau of investigation, or to both bureaus. The commission shall assume the cost of obtaining the fingerprint cards.

The director shall pay to each agency supplying criminal records for each investigation a reasonable fee, as determined by the agency.

The commission may adopt uniform rules specifying time periods after which the persons described in divisions (C)(1) to (5) and (D)(1) to (4) of this section may be issued a license and establishing requirements for those persons to seek a court order to have records sealed in accordance with law.

(G)(1) Each applicant for a lottery sales agent license shall do both of the following:

(a) Pay fees to the state lottery commission, ~~at the time the~~ 80594
~~application is submitted, a fee in an amount that the director of~~ 80595

(b) Prior to approval of the application, obtain a surety 80599
bond in an amount the director determines by rule adopted under 80600
Chapter 119. of the Revised Code or, alternatively, with the 80601
director's approval, deposit the same amount into a dedicated 80602
account for the benefit of the state lottery. The director also 80603
may approve the obtaining of a surety bond to cover part of the 80604
amount required, together with a dedicated account deposit to 80605
cover the remainder of the amount required. 80606

A surety bond may be with any company that complies with the 80607
bonding and surety laws of this state and the requirements 80608
established by rules of the commission pursuant to this chapter. A 80609
dedicated account deposit shall be conducted in accordance with 80610
policies and procedures the director establishes. 80611

A surety bond, dedicated account, or both, as applicable, may 80612
be used to pay for the lottery sales agent's failure to make 80613
prompt and accurate payments for lottery ticket sales, for missing 80614
or stolen lottery tickets, ~~or~~ for damage to equipment or materials 80615
issued to the lottery sales agent, or to pay for expenses the 80616
commission incurs in connection with the lottery sales agent's 80617
license. 80618

(2) A lottery sales agent license is effective for one year. 80619

A licensed lottery sales agent, on or before the date 80620
established by the director, shall renew the agent's license and 80621
provide at that time evidence to the director that the surety 80622
bond, dedicated account deposit, or both, required under division 80623
(G)(1)(b) of this section has been renewed or is active, whichever 80624

applies. 80625

Before the commission renews a lottery sales agent license, 80626
the lottery sales agent shall submit a renewal fee to the 80627
commission ~~in an amount that the director determines, if one is~~ 80628

(H) Pending a final resolution of any question arising under 80648
this section, the director of the state lottery commission may 80649

and if the rental agreement does not expressly provide that the 80655

amount of those retail sales includes the amounts the lottery 80656
sales agent receives from lottery ticket sales, only the amounts 80657
the lottery sales agent receives as compensation from the state 80658
lottery commission for selling lottery tickets shall be considered 80659
to be amounts the lottery sales agent receives from the retail 80660

being performed, under collective bargaining agreements or 82649
understandings, between employers and bona fide organizations of 82650

days in any thirty-day period shall not be found in violation of 82675
this provision with regard to that excess number of apprentices. 82676

For purposes of establishing the prevailing rate of wages, a 82677
labor organization that is a party to a collective bargaining 82678

agreement, contract, or understanding filed under this section 82691
contains, in full, all provisions of the agreement, contract, or 82692
understanding concerning wages paid to persons and the apprentice 82693
to skilled worker ratio under the agreement, contract, or 82694
understanding. 82695

In the event there is no such collective bargaining agreement 82696

prevailing rate of wages, in such locality, for the various 82700
occupations covered by sections 4115.03 to 4115.16 of the Revised 82701
Code. 82702

The prevailing rate of wages to be paid for a legal day's 82703
work, to laborers, workers, or mechanics, upon any material to be 82704
used in or in connection with a public work, shall be not less 82705
than the prevailing rate of wages payable for a day's work in the 82706

final or completed form is to be situated, erected, or used. 82709

Every contract for a public work shall contain a provision 82710
that each laborer, worker, or mechanic, employed by such 82711
contractor, subcontractor, or other person about or upon such 82712

specifically authorized to do so by the contract. 82717

Where contracts are not awarded or construction undertaken 82718
within ninety days from the date of the establishment of the 82719
prevailing rate of wages, there shall be a redetermination of the 82720

~~receipt from the director of commerce of a notice of a change in~~ 82722
~~prevailing wage rates, a~~ A public authority shall, within seven 82723

notice of a change in the prevailing wage rate, notify all 82725
affected contractors and subcontractors with whom the public 82726
authority has contracts for a public improvement of the changes 82727
and require the contractors to make the necessary adjustments in 82728
the prevailing wage rates. 82729

If, upon receipt of the relevant portions of a collective 82730
bargaining agreement, contract, or understanding, the director 82731
determines that the prevailing wage rate has changed in the 82732
locality in which an ongoing project is being constructed, any 82733
change in that rate shall take effect two weeks after the director 82734
receives the relevant portions of the agreement, contract, or 82735
understanding showing that the prevailing wage rate has changed. 82736

If the director determines that a contractor or subcontractor 82737
has violated sections 4115.03 to 4115.16 of the Revised Code 82738
because the public authority has not notified the contractor or 82739
subcontractor as required by this section, the public authority is 82740
liable for any back wages, fines, damages, court costs, and 82741
attorney's fees associated with the enforcement of said sections 82742
by the director for the period of time running until the public 82743
authority gives the required notice to the contractor or 82744

subcontractor. 82745

On the occasion of the first pay date under a contract, the 82746
contractor or subcontractor shall furnish each employee not 82747
covered by a collective bargaining agreement or understanding 82748
between employers and bona fide organizations of labor with 82749
individual written notification of the job classification to which 82750
the employee is assigned, the prevailing wage determined to be 82751
applicable to that classification, separated into the hourly rate 82752
of pay and the fringe payments, and the identity of the prevailing 82753
wage coordinator appointed by the public authority. The contractor 82754
or subcontractor shall furnish the same notification to each 82755
affected employee every time the job classification of the 82756
employee is changed. 82757

Sec. 4115.10. (A) No person, firm, corporation, or public 82758
authority that constructs a public improvement with its own 82759

~~or (2)~~ of section 4115.03 of the Revised Code, adjusted biennially 82762

wages so fixed, or violate the provisions of section 4115.07 of 82767
the Revised Code. Any employee upon any public improvement, except 82768
an employee to whom or on behalf of whom restitution is made 82769
pursuant to division (C) of section 4115.13 of the Revised Code, 82770
who is paid less than the fixed rate of wages applicable thereto 82771
may recover from such person, firm, corporation, or public 82772
authority that constructs a public improvement with its own forces 82773
the difference between the fixed rate of wages and the amount paid 82774
to the employee and in addition thereto a sum equal to twenty-five 82775

public authority who fails to pay the rate of wages so fixed also 82777
shall pay a penalty to the director of seventy-five per cent of 82778
the difference between the fixed rate of wages and the amount paid 82779
to the employees on the public improvement. The director shall 82780
deposit all moneys received from penalties paid to the director 82781
pursuant to this section into the ~~penalty enforcement~~ labor 82782
operating fund, ~~which is hereby created in the state treasury~~. The 82783
director shall use the fund for the enforcement of sections 82784
4115.03 to 4115.16 of the Revised Code. The employee may file suit 82785
for recovery within ninety days of the director's determination of 82786
a violation of sections 4115.03 to 4115.16 of the Revised Code or 82787

than the prevailing rate of wages applicable thereto may file a 82792
complaint in writing with the director upon a form furnished by 82793
the director. The complaint shall include documented evidence to 82794
demonstrate that the employee was paid less than the prevailing 82795
wage in violation of this chapter. Upon receipt of a properly 82796
completed written complaint of any employee paid less than the 82797
prevailing rate of wages applicable, the director shall take an 82798
assignment of a claim in trust for the assigning employee and 82799
bring any legal action necessary to collect the claim. The 82800
employer shall pay the costs and reasonable attorney's fees 82801
allowed by the court if the employer is found in violation of 82802
sections 4115.03 to 4115.16 of the Revised Code. 82803

(C) If after investigation pursuant to section 4115.13 of the 82804
Revised Code, the director determines there is a violation of 82805
sections 4115.03 to 4115.16 of the Revised Code and a period of 82806
sixty days has elapsed from the date of the determination, and if: 82807

(1) No employee has brought suit pursuant to division (A) of 82808

this section; 82809

(2) No employee has requested that the director take an 82810
assignment of a wage claim pursuant to division (B) of this 82811
section. 82812

The director shall bring any legal action necessary to 82813
collect any amounts owed to employees and the director. The 82814
director shall pay over to the affected employees the amounts 82815
collected to which the affected employees are entitled under 82816
division (A) of this section. In any action in which the director 82817
prevails, the employer shall pay the costs and reasonable 82818
attorney's fees allowed by the court. 82819

(D) Where persons are employed and their rate of wages has 82820
been determined as provided in section 4115.04 of the Revised 82821
Code, no person, either for self or any other person, shall 82822
request, demand, or receive, either before or after the person is 82823
engaged, that the person so engaged pay back, return, donate, 82824
contribute, or give any part or all of the person's wages, salary, 82825
or thing of value, to any person, upon the statement, 82826
representation, or understanding that failure to comply with such 82827
request or demand will prevent the procuring or retaining of 82828
employment, and no person shall, directly or indirectly, aid, 82829
request, or authorize any other person to violate this section. 82830
This division does not apply to any agent or representative of a 82831
duly constituted labor organization acting in the collection of 82832
dues or assessments of such organization. 82833

(E) The director shall enforce sections 4115.03 to 4115.16 of 82834
the Revised Code. 82835

(F) For the purpose of supplementing existing resources and 82836

may contract with a person registered as a public accountant under 82838
Chapter 4701. of the Revised Code to conduct an audit of a person, 82839

firm, corporation, or public authority. 82840

(G) No contractor or subcontractor shall be responsible for 82841
the payment of the penalties provided in division (A) of this 82842
section resulting from a violation of sections 4115.03 to 4115.16 82843
of the Revised Code by its subcontractor, provided that the 82844
contractor or subcontractor has made a good faith effort to ensure 82845
that its subcontractor complied with the requirements of sections 82846
4115.03 to 4115.16 of the Revised Code. 82847

Sec. 4115.101. There is hereby created the prevailing wage 82848

the director that are held in trust for employees to whom 82852
prevailing wages are due and owing. The director shall make 82853

employees affected by violations of this chapter. If the director 82855
determines that any funds in the prevailing wage custodial fund 82856
are not returnable to employees as required under this section, 82857
then the director shall certify to the treasurer of state the 82858
amount of the funds that are not returnable. Upon the receipt of a 82859
certification from the director in accordance with this section, 82860
the treasurer of state shall transfer the certified amount of the 82861
funds from the prevailing wage custodial fund to the labor 82862
operating fund. 82863

Sec. 4115.13. (A) Upon the director's own motion or within 82864

investigate any alleged violation of sections 4115.03 to 4115.16 82868
of the Revised Code. 82869

(B) At the conclusion of the investigation, the director or a 82870
designated representative shall make a ~~recommendation~~ 82871
determination as to whether the alleged violation was committed. 82872
If the director or designated representative ~~recommends~~ determines 82873

director or designated representative shall give written notice by 82875
certified mail of that ~~recommendation~~ determination to the 82876
contractor, subcontractor, or officer of the contractor or 82877
subcontractor which also shall state that the contractor, 82878
subcontractor, or officer of the contractor or subcontractor may 82879
file with the director an appeal of the ~~recommendation~~ 82880
determination within thirty days after the date the notice was 82881
received. If the contractor, subcontractor, or officer of the 82882
contractor or subcontractor timely appeals the ~~recommendation~~ 82883
determination, within sixty days of the filing of the appeal, the 82884
director or designated representative shall schedule the appeal 82885
for a hearing. If the contractor, subcontractor, or officer of the 82886
contractor or subcontractor fails to timely appeal the 82887
~~recommendation~~ determination, the director or designated 82888
representative shall adopt the ~~recommendation~~ determination as a 82889
finding of fact for purposes of division (D) of this section. The 82890
director or designated representative, in the performance of any 82891
duty or execution of any power prescribed by sections 4115.03 to 82892
4115.16 of the Revised Code, may hold hearings, and such hearings 82893

4115.03 to 4115.16 of the Revised Code is alleged to have been 82895

alleged to have committed the violation chooses. For the purpose 82897
of the hearing, the director may designate a hearing examiner who 82898
shall, after notice to all interested parties, conduct a hearing 82899
and make findings of fact and recommendations to the director. The 82900
director shall make a decision, which shall be sent to the 82901

(C) If any underpayment by a contractor or subcontractor was 82906
the result of a misinterpretation of the statute, or an erroneous 82907
preparation of the payroll documents, the director or designated 82908
representative may make a decision ordering the employer to make 82909
restitution to the employees, or on their behalf, the plans, 82910
funds, or programs for any type of fringe benefits described in 82911
the applicable wage determination. In accordance with the finding 82912
of the director that any underpayment was the result of a 82913
misinterpretation of the statute, or an erroneous preparation of 82914
the payroll documents, employers who make restitution are not 82915
subject to any further proceedings pursuant to sections 4115.03 to 82916
4115.16 of the Revised Code. 82917

If a contractor's or subcontractor's underpayment to an 82918
employee is less than one thousand dollars, the contractor or 82919
subcontractor is not subject to any further proceedings under 82920
sections 4115.03 to 4115.16 of the Revised Code for that 82921
underpayment if the contractor or subcontractor makes full 82922
restitution to the affected employee. 82923

(D) If the director or designated representative makes a 82924
decision, based upon findings of fact, that a contractor, 82925
subcontractor, or officer of a contractor or subcontractor has 82926
intentionally violated sections 4115.03 to 4115.16 of the Revised 82927
Code, the contractor, subcontractor, or officer of a contractor or 82928
subcontractor is prohibited from contracting directly or 82929
indirectly with any public authority for the construction of a 82930
public improvement or from performing any work on the same as 82931
provided in section 4115.133 of the Revised Code. A contractor, 82932
subcontractor, or officer of a contractor or subcontractor may 82933
appeal the decision, within sixty days after the decision, to the 82934

court of common pleas of the county in which the first hearing 82935
involving the violation was heard. If the contractor, 82936
subcontractor, or officer of a contractor or subcontractor does 82937
not timely appeal the ~~recommendation~~ determination of the director 82938
or designated representative under division (B) of this section, 82939
the contractor, subcontractor, or officer of a contractor or 82940
subcontractor may appeal the findings of fact, within sixty days 82941
after the ~~recommendations~~ determinations are adopted as findings 82942
of fact, to the court of common pleas within the county in which 82943
the violation of sections 4115.03 to 4115.16 of the Revised Code 82944
is alleged to have been committed or in Franklin county, whichever 82945
county the person alleged to have committed the violation chooses. 82946

(E) No appeal to the court from the decision of the director 82947
may be had by the contractor or subcontractor unless the 82948
contractor or subcontractor files a bond with the court in the 82949
amount of the restitution, conditioned upon payment should the 82950
decision of the director be upheld. 82951

(F) No statement of a contractor, subcontractor, or officer 82952
of a contractor or subcontractor and no determination, 82953
recommendation, or finding of fact issued under this section is 82954
admissible as evidence in a criminal action brought under this 82955
chapter against the contractor, subcontractor, or officer of a 82956
contractor or subcontractor. 82957

(G) In determining whether a contractor, subcontractor, or 82958
officer of a contractor or subcontractor intentionally violated 82959
sections 4115.03 to 4115.16 of the Revised Code, the director may 82960
consider as evidence either of the following: 82961

(1) The fact that the director, prior to the commission of 82962
the violation under consideration, issued notification to the 82963
contractor, subcontractor, or officer of a contractor or 82964
subcontractor of the same or a similar violation, provided that 82965
the commission of the same or a similar violation of sections 82966

4115.03 to 4115.16 of the Revised Code at a subsequent time does 82967
not create a presumption that the subsequent violation was 82968
intentional; 82969

(2) The fact that, prior to the commission of the violation, 82970
the contractor, subcontractor, or officer of a contractor or 82971
subcontractor used reasonable efforts to ascertain the correct 82972
interpretation of sections 4115.03 to 4115.16 of the Revised Code 82973
from the director or 4115.04 or 4115.131 of the Revised Code, 82974
provided that a violation is presumed not to be intentional where 82975
a contractor, subcontractor, or officer of a contractor or 82976
subcontractor complies with a decision the director or designated 82977
representative issues pursuant to a request made under section 82978
4115.131 of the Revised Code. 82979

(H) As used in this section, "intentional violation" means a 82980
willful, knowing, or deliberate failure to comply with any 82981
provision of sections 4115.03 to 4115.16 of the Revised Code, and 82982
includes, but is not limited to, the following actions when 82983
conducted in the manner described in this division: 82984

under division (C) of section 4115.071 of the Revised Code or 82986

independent contractors or as apprentices; 82991

(4) An intentional failure to pay the prevailing wage; 82992

Sec. 4115.16. (A) An interested party may file a complaint with the director of commerce alleging a specific violation of sections 4115.03 to 4115.16 of the Revised Code by a specific contractor or subcontractor. The complaint shall be in writing on a form furnished by the director and shall include sufficient evidence to justify the complaint. The director, upon receipt of a properly completed complaint, shall investigate pursuant to section 4115.13 of the Revised Code. The director shall not investigate any complaint filed under this section that fails to allege a specific violation or that lacks sufficient evidence to justify the complaint. If the director determines that no violation has occurred or that the violation was not intentional, the interested party may appeal the decision to the court of common pleas of the county where the violation is alleged to have occurred.

(B) ~~If~~ Except as otherwise provided in this section, the director or the designated representative shall conclude the investigation conducted under section 4115.13 of the Revised Code and make a determination not later than one hundred twenty days after the complaint is filed. The director or the designated representative may take additional time, of up to ninety days, to conclude the investigation and make a determination if the parties to the complaint are given notice of the extension before the initial one-hundred-twenty-day period expires. The director or the designated representative may take more time than that which is provided in this section to conclude the investigation and make a

determination if the director, or the designated representative, 83029
and all parties to the complaint agree to a different time frame. 83030

authority a party to the action, but not the director. 83036
Contemporaneous with service of the complaint, the interested 83037
party shall deliver a copy of the complaint to the director. Upon 83038
receipt thereof, the director shall cease investigating or 83039
otherwise acting upon the complaint filed pursuant to division (A) 83040
of this section. The court in which the complaint is filed 83041
pursuant to this division shall hear and decide the case, and upon 83042
finding that a violation has occurred, shall make such orders as 83043
will prevent further violation and afford to injured persons the 83044
relief specified under sections 4115.03 to 4115.16 of the Revised 83045
Code. The court's finding that a violation has occurred shall have 83046
the same consequences as a like determination by the director. The 83047
court may order the director to take such action as will prevent 83048
further violation and afford to injured persons the remedies 83049
specified under sections 4115.03 to 4115.16 of the Revised Code. 83050
Upon receipt of any order of the court pursuant to this section, 83051
the director shall undertake enforcement action without further 83052
investigation or hearings. 83053

(C) The director shall make available to the parties to any 83054
appeal or action pursuant to this section all files, documents, 83055

pertain to the matter. The rules generally applicable to civil 83057
actions in the courts of this state shall govern all appeals or 83058
actions under this section. Any determination of a court under 83059
this section is subject to appellate review. 83060

(D) Where, pursuant to this section, a court finds a violation of sections 4115.03 to 4115.16 of the Revised Code, the court shall award attorney fees and court costs to the prevailing party. In the event the court finds that no violation has occurred, the court may award court costs and ~~attorney~~ fees to the prevailing party, other than to the director or the public authority, where the court finds the action brought was unreasonable or without foundation, even though not brought in subjective bad faith.

establish job classification plans and compensation for all 83801
employees of the bureau provided that this grant of authority 83802
shall not be construed as affecting any employee for whom the 83803
state employment relations board has established an appropriate 83804
bargaining unit under section 4117.06 of the Revised Code. All 83805
positions of employment in the bureau are in the classified civil 83806
service except those employees the administrator may appoint to 83807
serve at the administrator's pleasure in the unclassified civil 83808
service pursuant to section 124.11 of the Revised Code. The 83809

pursuant to this division to a position in the unclassified 83820
service shall retain the right to resume the position and status 83821
held by the person in the classified service immediately prior to 83822
the person's appointment in the unclassified service, regardless 83823
of the number of positions the person held in the unclassified 83824
service. An employee's right to resume a position in the 83825
classified service may only be exercised when the administrator 83826

Reinstatement to a position in the classified service shall 83841

classified service held previously, as certified by the department 83843

compensation to the position the person previously held in the 83849
classified service. Service in the position in the unclassified 83850
service shall be counted as service in the position in the 83851
classified service held by the person immediately prior to the 83852
person's appointment in the unclassified service. When a person is 83853
reinstated to a position in the classified service as provided in 83854

determines to be in the interest of efficient administration. The 83868
civil service status of any person employed by the commission is 83869
not affected by this section. Personnel employed by the bureau or 83870
the commission who are subject to Chapter 4117. of the Revised 83871
Code shall retain all of their rights and benefits conferred 83872
pursuant to that chapter as it presently exists or is hereafter 83873
amended and nothing in this chapter or Chapter 4123. of the 83874
Revised Code shall be construed as eliminating or interfering with 83875

conferred under that chapter to public employees or to any 83877
bargaining unit. 83878

the payment thereof or indemnify themselves against loss sustained 84614
by the direct payment thereof, upon a finding of such facts by the 84615
administrator, may be granted the privilege to pay individually 84616
compensation, and furnish medical, surgical, nursing, and hospital 84617
services and attention and funeral expenses directly to injured 84618
employees or the dependents of killed employees, thereby being 84619

granted status as a self-insuring employer. The administrator may 84620
charge employers who apply for the status as a self-insuring 84621
employer a reasonable application fee to cover the bureau's costs 84622
in connection with processing and making a determination with 84623
respect to an application. 84624

All employers granted status as self-insuring employers shall 84625
demonstrate sufficient financial and administrative ability to 84626
assure that all obligations under this section are promptly met. 84627
The administrator shall deny the privilege where the employer is 84628
unable to demonstrate the employer's ability to promptly meet all 84629
the obligations imposed on the employer by this section. 84630

(1) The administrator shall consider, but is not limited to, 84631
the following factors, where applicable, in determining the 84632
employer's ability to meet all of the obligations imposed on the 84633
employer by this section: 84634

(a) The employer employs a minimum of five hundred employees 84635
in this state; 84636

(b) The employer has operated in this state for a minimum of 84637
two years, provided that an employer who has purchased, acquired, 84638
or otherwise succeeded to the operation of a business, or any part 84639
thereof, situated in this state that has operated for at least two 84640
years in this state, also shall qualify; 84641

(c) Where the employer previously contributed to the state 84642
insurance fund or is a successor employer as defined by bureau 84643
rules, the amount of the buyout, as defined by bureau rules; 84644

(d) The sufficiency of the employer's assets located in this 84645
state to insure the employer's solvency in paying compensation 84646
directly; 84647

(e) The financial records, documents, and data, certified by 84648
a certified public accountant, necessary to provide the employer's 84649
full financial disclosure. The records, documents, and data 84650

include, but are not limited to, balance sheets and profit and 84651
loss history for the current year and previous four years. 84652

(f) The employer's organizational plan for the administration 84653
of the workers' compensation law; 84654

(g) The employer's proposed plan to inform employees of the 84655
change from a state fund insurer to a self-insuring employer, the 84656
procedures the employer will follow as a self-insuring employer, 84657
and the employees' rights to compensation and benefits; and 84658

(h) The employer has either an account in a financial 84659
institution in this state, or if the employer maintains an account 84660
with a financial institution outside this state, ensures that 84661

payroll checks or the employer clearly indicates that payment will 84663
be honored by a financial institution in this state. 84664

The administrator may waive the requirements of divisions 84665
(B)(1)(a) and (b) of this section and the requirement of division 84666
(B)(1)(e) of this section that the financial records, documents, 84667
and data be certified by a certified public accountant. The 84668
administrator shall adopt rules establishing the criteria that an 84669
employer shall meet in order for the administrator to waive the 84670
requirement of division (B)(1)(e) of this section. Such rules may 84671
require additional security of that employer pursuant to division 84672
(E) of section 4123.351 of the Revised Code. 84673

The administrator shall not grant the status of self-insuring 84674
employer to the state, except that the administrator may grant the 84675
status of self-insuring employer to a state institution of higher 84676
education, excluding its hospitals, that meets the requirements of 84677
division (B)(2) of this section. 84678

(2) When considering the application of a public employer, 84679
except for a board of county commissioners described in division 84680
(G) of section 4123.01 of the Revised Code, a board of a county 84681

hospital, or a publicly owned utility, the administrator shall 84682
verify that the public employer satisfies all of the following 84683
requirements as the requirements apply to that public employer: 84684

(a) For the two-year period preceding application under this 84685
section, the public employer has maintained an unvoted debt 84686
capacity equal to at least two times the amount of the current 84687
annual premium established by the administrator under this chapter 84688
for that public employer for the year immediately preceding the 84689
year in which the public employer makes application under this 84690
section. 84691

(b) For each of the two fiscal years preceding application 84692
under this section, the unreserved and undesignated year-end fund 84693
balance in the public employer's general fund is equal to at least 84694
five per cent of the public employer's general fund revenues for 84695
the fiscal year computed in accordance with generally accepted 84696
accounting principles. 84697

(c) For the five-year period preceding application under this 84698
section, the public employer, to the extent applicable, has 84699
complied fully with the continuing disclosure requirements 84700
established in rules adopted by the United States securities and 84701
exchange commission under 17 C.F.R. 240.15c 2-12. 84702

(d) For the five-year period preceding application under this 84703
section, the public employer has not had its local government fund 84704
distribution withheld on account of the public employer being 84705
indebted or otherwise obligated to the state. 84706

(e) For the five-year period preceding application under this 84707
section, the public employer has not been under a fiscal watch or 84708
fiscal emergency pursuant to section 118.023, 118.04, or 3316.03 84709
of the Revised Code. 84710

(f) For the public employer's fiscal year preceding 84711
application under this section, the public employer has obtained 84712

an annual financial audit as required under section 117.10 of the Revised Code, which has been released by the auditor of state within seven months after the end of the public employer's fiscal year.

(g) On the date of application, the public employer holds a debt rating of Aa3 or higher according to Moody's investors service, inc., or a comparable rating by an independent rating agency similar to Moody's investors service, inc.

(h) The public employer agrees to generate an annual accumulating book reserve in its financial statements reflecting an actuarially generated reserve adequate to pay projected claims under this chapter for the applicable period of time, as determined by the administrator.

(i) For a public employer that is a hospital, the public employer shall submit audited financial statements showing the hospital's overall liquidity characteristics, and the administrator shall determine, on an individual basis, whether the public employer satisfies liquidity standards equivalent to the liquidity standards of other public employers.

(j) Any additional criteria that the administrator adopts by rule pursuant to division (E) of this section.

The administrator may adopt rules establishing the criteria that a public employer shall satisfy in order for the administrator to waive any of the requirements listed in divisions (B)(2)(a) to (j) of this section. The rules may require additional security from that employer pursuant to division (E) of section 4123.351 of the Revised Code. The administrator shall not waive any of the requirements listed in divisions (B)(2)(a) to (j) of this section for a public employer who does not satisfy the criteria established in the rules the administrator adopts.

(C) A board of county commissioners described in division (G)

of section 4123.01 of the Revised Code, as an employer, that will 84744
abide by the rules of the administrator and that may be of 84745
sufficient financial ability to render certain the payment of 84746
compensation to injured employees or the dependents of killed 84747
employees, and the furnishing of medical, surgical, nursing, and 84748
hospital attention and services and medicines, and funeral 84749
expenses, equal to or greater than is provided for in sections 84750
4123.52, 4123.55 to 4123.62, and 4123.64 to 4123.67 of the Revised 84751
Code, and that does not desire to insure the payment thereof or 84752
indemnify itself against loss sustained by the direct payment 84753
thereof, upon a finding of such facts by the administrator, may be 84754
granted the privilege to pay individually compensation, and 84755
furnish medical, surgical, nursing, and hospital services and 84756
attention and funeral expenses directly to injured employees or 84757
the dependents of killed employees, thereby being granted status 84758
as a self-insuring employer. The administrator may charge a board 84759
of county commissioners described in division (G) of section 84760
4123.01 of the Revised Code that applies for the status as a 84761
self-insuring employer a reasonable application fee to cover the 84762
bureau's costs in connection with processing and making a 84763
determination with respect to an application. All employers 84764
granted such status shall demonstrate sufficient financial and 84765
administrative ability to assure that all obligations under this 84766
section are promptly met. The administrator shall deny the 84767
privilege where the employer is unable to demonstrate the 84768
employer's ability to promptly meet all the obligations imposed on 84769
the employer by this section. The administrator shall consider, 84770
but is not limited to, the following factors, where applicable, in 84771
determining the employer's ability to meet all of the obligations 84772
imposed on the board as an employer by this section: 84773

(1) The board as an employer employs a minimum of five 84774
hundred employees in this state; 84775

(2) The board has operated in this state for a minimum of two years;	84776 84777
(3) Where the board previously contributed to the state insurance fund or is a successor employer as defined by bureau rules, the amount of the buyout, as defined by bureau rules;	84778 84779 84780
(4) The sufficiency of the board's assets located in this state to insure the board's solvency in paying compensation directly;	84781 84782 84783
(5) The financial records, documents, and data, certified by a certified public accountant, necessary to provide the board's full financial disclosure. The records, documents, and data include, but are not limited to, balance sheets and profit and loss history for the current year and previous four years.	84784 84785 84786 84787 84788
(6) The board's organizational plan for the administration of the workers' compensation law;	84789 84790
(7) The board's proposed plan to inform employees of the proposed self-insurance, the procedures the board will follow as a self-insuring employer, and the employees' rights to compensation and benefits;	84791 84792 84793 84794
(8) The board has either an account in a financial institution in this state, or if the board maintains an account with a financial institution outside this state, ensures that workers' compensation checks are drawn from the same account as payroll checks or the board clearly indicates that payment will be honored by a financial institution in this state;	84795 84796 84797 84798 84799 84800
(9) The board shall provide the administrator a surety bond in an amount equal to one hundred twenty-five per cent of the projected losses as determined by the administrator.	84801 84802 84803
(D) The administrator shall require a surety bond from all self-insuring employers, issued pursuant to section 4123.351 of	84804 84805

the Revised Code, that is sufficient to compel, or secure to 84806
injured employees, or to the dependents of employees killed, the 84807
payment of compensation and expenses, which shall in no event be 84808
less than that paid or furnished out of the state insurance fund 84809
in similar cases to injured employees or to dependents of killed 84810
employees whose employers contribute to the fund, except when an 84811
employee of the employer, who has suffered the loss of a hand, 84812
arm, foot, leg, or eye prior to the injury for which compensation 84813
is to be paid, and thereafter suffers the loss of any other of the 84814
members as the result of any injury sustained in the course of and 84815
arising out of the employee's employment, the compensation to be 84816
paid by the self-insuring employer is limited to the disability 84817
suffered in the subsequent injury, additional compensation, if 84818
any, to be paid by the bureau out of the surplus created by 84819
section 4123.34 of the Revised Code. 84820

(E) In addition to the requirements of this section, the 84821
administrator shall make and publish rules governing the manner of 84822
making application and the nature and extent of the proof required 84823
to justify a finding of fact by the administrator as to granting 84824
the status of a self-insuring employer, which rules shall be 84825
general in their application, one of which rules shall provide 84826
that all self-insuring employers shall pay into the state 84827
insurance fund such amounts as are required to be credited to the 84828
surplus fund in division (B) of section 4123.34 of the Revised 84829
Code. The administrator may adopt rules establishing requirements 84830
in addition to the requirements described in division (B)(2) of 84831
this section that a public employer shall meet in order to qualify 84832
for self-insuring status. 84833

Employers shall secure directly from the bureau central 84834
offices application forms upon which the bureau shall stamp a 84835
designating number. Prior to submission of an application, an 84836
employer shall make available to the bureau, and the bureau shall 84837

review, the information described in division (B)(1) of this 84838
section, and public employers shall make available, and the bureau 84839
shall review, the information necessary to verify whether the 84840
public employer meets the requirements listed in division (B)(2) 84841
of this section. An employer shall file the completed application 84842
forms with an application fee, which shall cover the costs of 84843
processing the application, as established by the administrator, 84844
by rule, with the bureau at least ninety days prior to the 84845
effective date of the employer's new status as a self-insuring 84846
employer. The application form is not deemed complete until all 84847
the required information is attached thereto. The bureau shall 84848
only accept applications that contain the required information. 84849

(F) The bureau shall review completed applications within a 84850
reasonable time. If the bureau determines to grant an employer the 84851
status as a self-insuring employer, the bureau shall issue a 84852
statement, containing its findings of fact, that is prepared by 84853
the bureau and signed by the administrator. If the bureau 84854
determines not to grant the status as a self-insuring employer, 84855
the bureau shall notify the employer of the determination and 84856
require the employer to continue to pay its full premium into the 84857
state insurance fund. The administrator also shall adopt rules 84858
establishing a minimum level of performance as a criterion for 84859
granting and maintaining the status as a self-insuring employer 84860
and fixing time limits beyond which failure of the self-insuring 84861
employer to provide for the necessary medical examinations and 84862
evaluations may not delay a decision on a claim. 84863

(G) The administrator shall adopt rules setting forth 84864
procedures for auditing the program of self-insuring employers. 84865
The bureau shall conduct the audit upon a random basis or whenever 84866
the bureau has grounds for believing that a self-insuring employer 84867
is not in full compliance with bureau rules or this chapter. 84868

The administrator shall monitor the programs conducted by 84869

self-insuring employers, to ensure compliance with bureau 84870
requirements and for that purpose, shall develop and issue to 84871
self-insuring employers standardized forms for use by the 84872
self-insuring employer in all aspects of the self-insuring 84873
employers' direct compensation program and for reporting of 84874
information to the bureau. 84875

The bureau shall receive and transmit to the self-insuring 84876
employer all complaints concerning any self-insuring employer. In 84877
the case of a complaint against a self-insuring employer, the 84878
administrator shall handle the complaint through the 84879
self-insurance division of the bureau. The bureau shall maintain a 84880
file by employer of all complaints received that relate to the 84881
employer. The bureau shall evaluate each complaint and take 84882
appropriate action. 84883

The administrator shall adopt as a rule a prohibition against 84884
any self-insuring employer from harassing, dismissing, or 84885
otherwise disciplining any employee making a complaint, which rule 84886
shall provide for a financial penalty to be levied by the 84887
administrator payable by the offending self-insuring employer. 84888

(H) For the purpose of making determinations as to whether to 84889
grant status as a self-insuring employer, the administrator may 84890
subscribe to and pay for a credit reporting service that offers 84891
financial and other business information about individual 84892
employers. The costs in connection with the bureau's subscription 84893
or individual reports from the service about an applicant may be 84894
included in the application fee charged employers under this 84895
section. 84896

(I) The administrator, notwithstanding other provisions of 84897
this chapter, may permit a self-insuring employer to resume 84898
payment of premiums to the state insurance fund with appropriate 84899
credit modifications to the employer's basic premium rate as such 84900
rate is determined pursuant to section 4123.29 of the Revised 84901

Code. 84902

(J) On the first day of July of each year, the administrator 84903
shall calculate separately each self-insuring employer's 84904
assessments for the safety and hygiene fund, administrative costs 84905
pursuant to section 4123.342 of the Revised Code, and for the 84906
portion of the surplus fund under division (B) of section 4123.34 84907
of the Revised Code that is not used for handicapped 84908
reimbursement, on the basis of the paid compensation attributable 84909
to the individual self-insuring employer according to the 84910
following calculation: 84911

(1) The total assessment against all self-insuring employers 84912
as a class for each fund and for the administrative costs for the 84913
year that the assessment is being made, as determined by the 84914
administrator, divided by the total amount of paid compensation 84915
for the previous calendar year attributable to all amenable 84916
self-insuring employers; 84917

(2) Multiply the quotient in division (J)(1) of this section 84918
by the total amount of paid compensation for the previous calendar 84919
year that is attributable to the individual self-insuring employer 84920
for whom the assessment is being determined. Each self-insuring 84921
employer shall pay the assessment that results from this 84922
calculation, unless the assessment resulting from this calculation 84923
falls below a minimum assessment, which minimum assessment the 84924
administrator shall determine on the first day of July of each 84925
year with the advice and consent of the bureau of workers' 84926
compensation board of directors, in which event, the self-insuring 84927
employer shall pay the minimum assessment. 84928

In determining the total amount due for the total assessment 84929
against all self-insuring employers as a class for each fund and 84930
the administrative assessment, the administrator shall reduce 84931
proportionately the total for each fund and assessment by the 84932
amount of money in the self-insurance assessment fund as of the 84933

date of the computation of the assessment. 84934

The administrator shall calculate the assessment for the 84935
portion of the surplus fund under division (B) of section 4123.34 84936
of the Revised Code that is used for handicapped reimbursement in 84937
the same manner as set forth in divisions (J)(1) and (2) of this 84938
section except that the administrator shall calculate the total 84939
assessment for this portion of the surplus fund only on the basis 84940
of those self-insuring employers that retain participation in the 84941
handicapped reimbursement program and the individual self-insuring 84942
employer's proportion of paid compensation shall be calculated 84943
only for those self-insuring employers who retain participation in 84944
the handicapped reimbursement program. The administrator, as the 84945
administrator determines appropriate, may determine the total 84946
assessment for the handicapped portion of the surplus fund in 84947
accordance with sound actuarial principles. 84948

The administrator shall calculate the assessment for the 84949
portion of the surplus fund under division (B) of section 4123.34 84950
of the Revised Code that under division (D) of section 4121.66 of 84951
the Revised Code is used for rehabilitation costs in the same 84952
manner as set forth in divisions (J)(1) and (2) of this section, 84953
except that the administrator shall calculate the total assessment 84954
for this portion of the surplus fund only on the basis of those 84955
self-insuring employers who have not made the election to make 84956
payments directly under division (D) of section 4121.66 of the 84957
Revised Code and an individual self-insuring employer's proportion 84958
of paid compensation only for those self-insuring employers who 84959
have not made that election. 84960

The administrator shall calculate the assessment for the 84961
portion of the surplus fund under division (B) of section 4123.34 84962
of the Revised Code that is used for reimbursement to a 84963
self-insuring employer under division (H) of section 4123.512 of 84964
the Revised Code in the same manner as set forth in divisions 84965

(J)(1) and (2) of this section except that the administrator shall 84966
calculate the total assessment for this portion of the surplus 84967
fund only on the basis of those self-insuring employers that 84968
retain participation in reimbursement to the self-insuring 84969
employer under division (H) of section 4123.512 of the Revised 84970
Code and the individual self-insuring employer's proportion of 84971
paid compensation shall be calculated only for those self-insuring 84972
employers who retain participation in reimbursement to the 84973
self-insuring employer under division (H) of section 4123.512 of 84974
the Revised Code. 84975

An employer who no longer is a self-insuring employer in this 84976
state or who no longer is operating in this state, shall continue 84977
to pay assessments for administrative costs and for the portion of 84978
the surplus fund under division (B) of section 4123.34 of the 84979
Revised Code that is not used for handicapped reimbursement, based 84980
upon paid compensation attributable to claims that occurred while 84981
the employer was a self-insuring employer within this state. 84982

~~(K) The administrator shall deposit any moneys received from 84983
a self-insuring employer for the self-insuring employer's 84984
assessment to pay the costs solely attributable to the workers' 84985
compensation council into the administrative assessment account 84986
described in division (B) of section 4123.342 of the Revised Code 84987
for the administrative cost assessment collected by the 84988
administrator for the council. There is hereby created in the 84989
state treasury the self-insurance assessment fund. All investment 84990
earnings of the fund shall be deposited in the fund. The 84991
administrator shall use the money in the self-insurance assessment 84992
fund only for administrative costs as specified in section 84993
4123.341 of the Revised Code. 84994~~

(L) Every self-insuring employer shall certify, in affidavit 84995
form subject to the penalty for perjury, to the bureau the amount 84996
of the self-insuring employer's paid compensation for the previous 84997

calendar year. In reporting paid compensation paid for the 84998
previous year, a self-insuring employer shall exclude from the 84999
total amount of paid compensation any reimbursement the 85000
self-insuring employer receives in the previous calendar year from 85001
the surplus fund pursuant to section 4123.512 of the Revised Code 85002
for any paid compensation. The self-insuring employer also shall 85003
exclude from the paid compensation reported any amount recovered 85004
under section 4123.931 of the Revised Code and any amount that is 85005
determined not to have been payable to or on behalf of a claimant 85006
in any final administrative or judicial proceeding. The 85007
self-insuring employer shall exclude such amounts from the paid 85008
compensation reported in the reporting period subsequent to the 85009
date the determination is made. The administrator shall adopt 85010
rules, in accordance with Chapter 119. of the Revised Code, that 85011
provide for all of the following: 85012

(1) Establishing the date by which self-insuring employers 85013
must submit such information and the amount of the assessments 85014
provided for in division (J) of this section for employers who 85015
have been granted self-insuring status within the last calendar 85016
year; 85017

(2) If an employer fails to pay the assessment when due, the 85018
administrator may add a late fee penalty of not more than five 85019
hundred dollars to the assessment plus an additional penalty 85020
amount as follows: 85021

(a) For an assessment from sixty-one to ninety days past due, 85022
the prime interest rate, multiplied by the assessment due; 85023

(b) For an assessment from ninety-one to one hundred twenty 85024
days past due, the prime interest rate plus two per cent, 85025
multiplied by the assessment due; 85026

(c) For an assessment from one hundred twenty-one to one 85027
hundred fifty days past due, the prime interest rate plus four per 85028

cent, multiplied by the assessment due; 85029

(d) For an assessment from one hundred fifty-one to one 85030
hundred eighty days past due, the prime interest rate plus six per 85031
cent, multiplied by the assessment due; 85032

(e) For an assessment from one hundred eighty-one to two 85033
hundred ten days past due, the prime interest rate plus eight per 85034
cent, multiplied by the assessment due; 85035

(f) For each additional thirty-day period or portion thereof 85036
that an assessment remains past due after it has remained past due 85037
for more than two hundred ten days, the prime interest rate plus 85038
eight per cent, multiplied by the assessment due. 85039

(3) An employer may appeal a late fee penalty and penalty 85040
assessment to the administrator. 85041

For purposes of division (L)(2) of this section, "prime 85042
interest rate" means the average bank prime rate, and the 85043
administrator shall determine the prime interest rate in the same 85044
manner as a county auditor determines the average bank prime rate 85045
under section 929.02 of the Revised Code. 85046

The administrator shall include any assessment and penalties 85047
that remain unpaid for previous assessment periods in the 85048
calculation and collection of any assessments due under this 85049
division or division (J) of this section. 85050

(M) As used in this section, "paid compensation" means all 85051
amounts paid by a self-insuring employer for living maintenance 85052
benefits, all amounts for compensation paid pursuant to sections 85053
4121.63, 4121.67, 4123.56, 4123.57, 4123.58, 4123.59, 4123.60, and 85054
4123.64 of the Revised Code, all amounts paid as wages in lieu of 85055
such compensation, all amounts paid in lieu of such compensation 85056
under a nonoccupational accident and sickness program fully funded 85057
by the self-insuring employer, and all amounts paid by a 85058
self-insuring employer for a violation of a specific safety 85059

standard pursuant to Section 35 of Article II, Ohio Constitution 85060
and section 4121.47 of the Revised Code. 85061

(N) Should any section of this chapter or Chapter 4121. of 85062
the Revised Code providing for self-insuring employers' 85063
assessments based upon compensation paid be declared 85064
unconstitutional by a final decision of any court, then that 85065
section of the Revised Code declared unconstitutional shall revert 85066
back to the section in existence prior to November 3, 1989, 85067
providing for assessments based upon payroll. 85068

(O) The administrator may grant a self-insuring employer the 85069
privilege to self-insure a construction project entered into by 85070
the self-insuring employer that is scheduled for completion within 85071
six years after the date the project begins, and the total cost of 85072
which is estimated to exceed one hundred million dollars or, for 85073
employers described in division (R) of this section, if the 85074
construction project is estimated to exceed twenty-five million 85075
dollars. The administrator may waive such cost and time criteria 85076
and grant a self-insuring employer the privilege to self-insure a 85077
construction project regardless of the time needed to complete the 85078
construction project and provided that the cost of the 85079
construction project is estimated to exceed fifty million dollars. 85080
A self-insuring employer who desires to self-insure a construction 85081
project shall submit to the administrator an application listing 85082
the dates the construction project is scheduled to begin and end, 85083
the estimated cost of the construction project, the contractors 85084
and subcontractors whose employees are to be self-insured by the 85085
self-insuring employer, the provisions of a safety program that is 85086
specifically designed for the construction project, and a 85087
statement as to whether a collective bargaining agreement 85088
governing the rights, duties, and obligations of each of the 85089
parties to the agreement with respect to the construction project 85090
exists between the self-insuring employer and a labor 85091

organization. 85092

A self-insuring employer may apply to self-insure the 85093
employees of either of the following: 85094

(1) All contractors and subcontractors who perform labor or 85095
work or provide materials for the construction project; 85096

(2) All contractors and, at the administrator's discretion, a 85097
substantial number of all the subcontractors who perform labor or 85098
work or provide materials for the construction project. 85099

Upon approval of the application, the administrator shall 85100
mail a certificate granting the privilege to self-insure the 85101
construction project to the self-insuring employer. The 85102
certificate shall contain the name of the self-insuring employer 85103
and the name, address, and telephone number of the self-insuring 85104
employer's representatives who are responsible for administering 85105
workers' compensation claims for the construction project. The 85106
self-insuring employer shall post the certificate in a conspicuous 85107
place at the site of the construction project. 85108

The administrator shall maintain a record of the contractors 85109
and subcontractors whose employees are covered under the 85110
certificate issued to the self-insured employer. A self-insuring 85111
employer immediately shall notify the administrator when any 85112
contractor or subcontractor is added or eliminated from inclusion 85113
under the certificate. 85114

Upon approval of the application, the self-insuring employer 85115
is responsible for the administration and payment of all claims 85116
under this chapter and Chapter 4121. of the Revised Code for the 85117
employees of the contractor and subcontractors covered under the 85118
certificate who receive injuries or are killed in the course of 85119
and arising out of employment on the construction project, or who 85120
contract an occupational disease in the course of employment on 85121
the construction project. For purposes of this chapter and Chapter 85122

4121. of the Revised Code, a claim that is administered and paid 85123
in accordance with this division is considered a claim against the 85124
self-insuring employer listed in the certificate. A contractor or 85125
subcontractor included under the certificate shall report to the 85126
self-insuring employer listed in the certificate, all claims that 85127
arise under this chapter and Chapter 4121. of the Revised Code in 85128
connection with the construction project for which the certificate 85129
is issued. 85130

A self-insuring employer who complies with this division is 85131
entitled to the protections provided under this chapter and 85132
Chapter 4121. of the Revised Code with respect to the employees of 85133
the contractors and subcontractors covered under a certificate 85134
issued under this division for death or injuries that arise out 85135
of, or death, injuries, or occupational diseases that arise in the 85136
course of, those employees' employment on that construction 85137
project, as if the employees were employees of the self-insuring 85138
employer, provided that the self-insuring employer also complies 85139
with this section. No employee of the contractors and 85140
subcontractors covered under a certificate issued under this 85141
division shall be considered the employee of the self-insuring 85142
employer listed in that certificate for any purposes other than 85143
this chapter and Chapter 4121. of the Revised Code. Nothing in 85144
this division gives a self-insuring employer authority to control 85145
the means, manner, or method of employment of the employees of the 85146
contractors and subcontractors covered under a certificate issued 85147
under this division. 85148

The contractors and subcontractors included under a 85149
certificate issued under this division are entitled to the 85150
protections provided under this chapter and Chapter 4121. of the 85151
Revised Code with respect to the contractor's or subcontractor's 85152
employees who are employed on the construction project which is 85153
the subject of the certificate, for death or injuries that arise 85154

out of, or death, injuries, or occupational diseases that arise in 85155
the course of, those employees' employment on that construction 85156
project. 85157

The contractors and subcontractors included under a 85158
certificate issued under this division shall identify in their 85159
payroll records the employees who are considered the employees of 85160
the self-insuring employer listed in that certificate for purposes 85161
of this chapter and Chapter 4121. of the Revised Code, and the 85162
amount that those employees earned for employment on the 85163
construction project that is the subject of that certificate. 85164
Notwithstanding any provision to the contrary under this chapter 85165
and Chapter 4121. of the Revised Code, the administrator shall 85166
exclude the payroll that is reported for employees who are 85167
considered the employees of the self-insuring employer listed in 85168
that certificate, and that the employees earned for employment on 85169
the construction project that is the subject of that certificate, 85170
when determining those contractors' or subcontractors' premiums or 85171
assessments required under this chapter and Chapter 4121. of the 85172
Revised Code. A self-insuring employer issued a certificate under 85173
this division shall include in the amount of paid compensation it 85174
reports pursuant to division (L) of this section, the amount of 85175
paid compensation the self-insuring employer paid pursuant to this 85176
division for the previous calendar year. 85177

Nothing in this division shall be construed as altering the 85178
rights of employees under this chapter and Chapter 4121. of the 85179
Revised Code as those rights existed prior to September 17, 1996. 85180
Nothing in this division shall be construed as altering the rights 85181
devolved under sections 2305.31 and 4123.82 of the Revised Code as 85182
those rights existed prior to September 17, 1996. 85183

As used in this division, "privilege to self-insure a 85184
construction project" means privilege to pay individually 85185
compensation, and to furnish medical, surgical, nursing, and 85186

hospital services and attention and funeral expenses directly to 85187
injured employees or the dependents of killed employees. 85188

(P) A self-insuring employer whose application is granted 85189
under division (O) of this section shall designate a safety 85190
professional to be responsible for the administration and 85191
enforcement of the safety program that is specifically designed 85192
for the construction project that is the subject of the 85193
application. 85194

A self-insuring employer whose application is granted under 85195
division (O) of this section shall employ an ombudsperson for the 85196
construction project that is the subject of the application. The 85197
ombudsperson shall have experience in workers' compensation or the 85198
construction industry, or both. The ombudsperson shall perform all 85199
of the following duties: 85200

(1) Communicate with and provide information to employees who 85201
are injured in the course of, or whose injury arises out of 85202
employment on the construction project, or who contract an 85203
occupational disease in the course of employment on the 85204
construction project; 85205

(2) Investigate the status of a claim upon the request of an 85206
employee to do so; 85207

(3) Provide information to claimants, third party 85208
administrators, employers, and other persons to assist those 85209
persons in protecting their rights under this chapter and Chapter 85210
4121. of the Revised Code. 85211

A self-insuring employer whose application is granted under 85212
division (O) of this section shall post the name of the safety 85213
professional and the ombudsperson and instructions for contacting 85214
the safety professional and the ombudsperson in a conspicuous 85215
place at the site of the construction project. 85216

(Q) The administrator may consider all of the following when 85217

deciding whether to grant a self-insuring employer the privilege	85218
to self-insure a construction project as provided under division	85219
(O) of this section:	85220
(1) Whether the self-insuring employer has an organizational	85221
plan for the administration of the workers' compensation law;	85222
(2) Whether the safety program that is specifically designed	85223
for the construction project provides for the safety of employees	85224
employed on the construction project, is applicable to all	85225
contractors and subcontractors who perform labor or work or	85226
provide materials for the construction project, and has as a	85227
component, a safety training program that complies with standards	85228
adopted pursuant to the "Occupational Safety and Health Act of	85229
1970," 84 Stat. 1590, 29 U.S.C.A. 651, and provides for continuing	85230
management and employee involvement;	85231
(3) Whether granting the privilege to self-insure the	85232

project;	85234
(4) Whether the self-insuring employer has employed an	85235
ombudsperson as required under division (P) of this section;	85236
(5) Whether the self-insuring employer has sufficient surety	85237
to secure the payment of claims for which the self-insuring	85238
employer would be responsible pursuant to the granting of the	85239
privilege to self-insure a construction project under division (O)	85240
of this section.	85241
(R) As used in divisions (O), (P), and (Q), "self-insuring	85242
employer" includes the following employers, whether or not they	85243

(A) The director of job and family services ~~with the approval~~ 85394
~~of the unemployment compensation advisory council~~ whenever it 85395
appears that such use is necessary for: 85396

(1) The proper administration of this chapter and no federal 85397
funds are available for the specific purpose for which the 85398
expenditure is to be made, provided the moneys are not substituted 85399
for appropriations from federal funds, which in the absence of 85400

such moneys would be available; 85401

(2) The proper administration of this chapter for which 85402

to have seasonal employment in a seasonal industry may file with 85444
the director a written application for classification of such 85445
employment as seasonal. Whenever in any industry it is customary 85446
to operate because of climatic conditions or because of the 85447
seasonal nature of such industry only during regularly recurring 85448
periods of forty weeks or less duration, benefits shall be payable 85449
only during the longest seasonal periods which the best practice 85450
of such industry will reasonably permit. The director shall 85451
determine, after investigation, hearing, and due notice, whether 85452
the industry is seasonal and, if seasonal, establish seasonal 85453
periods for such seasonal employer. Until such determination by 85454
the director, no industry or employment shall be deemed seasonal. 85455

(B) When the director has determined such seasonal periods, 85456
the director shall also establish the proportionate number of 85457

entered into as well as any additional requirements imposed by the 85772
division in rules adopted by the superintendent of liquor control. 85773

to be located. 85787

agent of its intention to do so. Any agency contract may include a 85792
clause requiring the agent to report to the appropriate law 85793

permits, notwithstanding the population quota restrictions 85801
contained in section 4303.29 of the Revised Code or in any rule of 85802

development to implement a minority loan program to provide 85810
low-interest loans to minority business enterprises, as defined in 85811
section 122.71 of the Revised Code, that are awarded liquor agency 85812
contracts or assignments. 85813

(D) If the division closes a state liquor store and replaces 85814
that store with an agency store, any employees of the division 85815
employed at that state liquor store who lose their jobs at that 85816
store as a result shall be given preference by the agent who 85817
operates the agency store in filling any vacancies that occur 85818
among the agent's employees, if that preference does not conflict 85819
with the agent's obligations pursuant to a collective bargaining 85820
agreement. 85821

If the division closes a state liquor store and replaces the 85822
store with an agency store, any employees of the division employed 85823
at the state liquor store who lose their jobs at that store as a 85824
result may displace other employees as provided in sections 85825
124.321 to 124.328 of the Revised Code. If an employee cannot 85826
displace other employees and is laid off, the employee shall be 85827
reinstated in another job as provided in sections 124.321 to 85828

shall apply to jobs at state liquor stores located in the 85832
employee's layoff jurisdiction and any layoff jurisdiction 85833

surety to the satisfaction of the division, in the amount the 85836
division fixes, conditioned for the faithful performance of the 85837
agent's duties as prescribed by the division. 85838

Sec. 4303.209. (A)(1) The division of liquor control may 86289
issue an F-9 permit to a nonprofit corporation that operates a 86290
park on property leased from a municipal corporation or a 86291
nonprofit corporation that provides or manages entertainment 86292
programming pursuant to an agreement with a nonprofit corporation 86293
that operates a park on property leased from a municipal 86294
corporation to sell beer or intoxicating liquor by the individual 86295
drink at specific events conducted within the park property and 86296
appurtenant streets, but only if, and only at times at which, the 86297
sale of beer and intoxicating liquor on the premises is otherwise 86298
permitted by law. Additionally, an F-9 permit may be issued only 86299
if the park property is located in a county that has a population 86300
of between one million one hundred thousand and one million two 86301

hundred thousand on the effective date of this section. 86302

(2) The division may issue separate F-9 permits to a 86303
nonprofit corporation that operates a park on property leased from 86304
a municipal corporation and a nonprofit corporation that provides 86305
or manages entertainment programming pursuant to an agreement with 86306
a nonprofit corporation that operates a park on property leased 86307
from a municipal corporation to be effective during the same time 86308
period. However, the permit privileges may be exercised by only 86309
one of the holders of an F-9 permit at specific events. The other 86310
holder of an F-9 permit shall certify to the division that it will 86311
not exercise its permit privileges during that specific event. 86312

(3) The premises on which an F-9 permit will be used shall be 86313
clearly defined and sufficiently restricted to allow proper 86314
supervision of the permit's use by state and local law enforcement 86315
officers. Sales under an F-9 permit shall be confined to the same 86316
hours permitted to the holder of a D-3 permit. 86317

(4) The fee for an F-9 permit is one thousand seven hundred 86318
dollars. An F-9 permit is effective for a period not to exceed 86319
nine months as specified in the permit. An F-9 permit is not 86320
transferable or renewable. However, the holder of an F-9 permit 86321
may apply for a new F-9 permit at any time. The holder of an F-9 86322
permit shall make sales only at those specific events about which 86323
the permit holder has notified in advance the division of liquor 86324
control, the department of public safety, and the chief, sheriff, 86325
or other principal peace officer of the local law enforcement 86326
agencies having jurisdiction over the premises. 86327

(B)(1) An application for the issuance of an F-9 permit is 86328
subject to the notice and hearing requirements established in 86329
division (A) of section 4303.26 of the Revised Code. 86330

(2) The liquor control commission shall adopt rules under 86331
Chapter 119. of the Revised Code necessary to administer this 86332

section. 86333

(C) No F-9 permit holder shall sell beer or intoxicating liquor beyond the hours of sale allowed by the permit. This division imposes strict liability on the holder of an F-9 permit and on any officer, agent, or employee of that permit holder. 86334

(C) "Spirituous liquor profits" means all receipts representing the gross profit on the sale of spirituous liquor, as referred to in division (B)(4) of section 4301.10 of the Revised Code, less the costs, expenses, and working capital provided for 86360

section 4301.12 of the Revised Code, as in effect on May 2, 1980, 86365
to be paid into the state treasury, provided that from and after 86366

Sec. 4313.02. (A) The state may transfer to JobsOhio, and 86381
JobsOhio may accept the transfer of, all or a portion of the 86382
enterprise acquisition project for a transfer price payable by 86383
JobsOhio to the state. Any such transfer shall be treated as an 86384
absolute conveyance and true sale of the interest in the 86385
enterprise acquisition project purported to be conveyed for all 86386
purposes, and not as a pledge or other security interest. The 86387
characterization of any such transfer as a true sale and absolute 86388
conveyance shall not be negated or adversely affected by the 86389
acquisition or retention by the state of a residual or 86390
reversionary interest in the enterprise acquisition project, the 86391
participation of any state officer or employee as a member or 86392
officer of JobsOhio or any subsidiary of JobsOhio, any regulatory 86393

the authority to collect amounts to be received in connection 86395
therewith, or the retention of the state of any legal title to or 86396
interest in any portion of the enterprise acquisition project for 86397
the purpose of regulatory activities. An absolute conveyance and 86398
true sale or lease shall exist under this section regardless of 86399
whether JobsOhio has any recourse against the state or the 86400
treatment or characterization of the transfer as a financing for 86401
any purpose. Upon and following the transfer, the state shall not 86402
have any right, title, or interest in the enterprise acquisition 86403
project so transferred other than any residual interest that may 86404
be described in the transfer agreement pursuant to the following 86405
paragraph and division (D) of this section. Any determination of 86406
the fair market value of the enterprise acquisition project 86407
reflected in the transfer agreement shall be conclusive and 86408
binding on the state and JobsOhio. 86409

Any transfer of the enterprise acquisition project that is a 86410
lease or grant of a franchise shall be for a term not to exceed 86411
twenty-five years. Any transfer of the enterprise acquisition 86412
project that is an assignment and sale, conveyance, or other 86413
transfer shall contain a provision that the state shall have the 86414
option to have conveyed or transferred back to it, at no cost, the 86415
enterprise acquisition project, as it then exists, no later than 86416
twenty-five years after the original transfer authorized in the 86417
transfer agreement on such other terms as shall be provided in the 86418
transfer agreement. 86419

The exercise of the powers granted by this section will be 86420
for the benefit of the people of the state. All or any portion of 86421
the enterprise acquisition project transferred pursuant to the 86422
transfer agreement that would be exempt from real property taxes 86423
or assessments or real property taxes or assessments in the 86424
absence of such transfer shall, as it may from time to time exist 86425
thereafter, remain exempt from real property taxes or assessments 86426

levied by the state and its subdivisions to the same extent as if 86427
not transferred. The gross receipts and income of JobsOhio derived 86428
from the enterprise acquisition project shall be exempt from 86429
taxation levied by the state and its subdivisions, including, but 86430
not limited to, the taxes levied pursuant to Chapters 718., 5739., 86431
5741., 5747., and 5751. of the Revised Code. Any transfer from the 86432
state to JobsOhio of the enterprise acquisition project, or item 86433
included or to be included in the project, shall be exempt from 86434
the taxes levied pursuant to Chapters 5739. and 5741. of the 86435
Revised Code. 86436

(B) The proceeds of any transfer under division (A) of this 86437
section may be expended as provided in the transfer agreement for 86438
any one or more of the following purposes: 86439

(1) Funding, payment, or defeasance of outstanding bonds 86440
issued pursuant to Chapters 151. and 166. of the Revised Code and 86441
secured by pledged liquor profits as defined in section 151.40 of 86442
the Revised Code; 86443

(2) Deposit into the general revenue fund; 86444

(3) Deposit into the clean Ohio revitalization fund created 86445
pursuant to section 122.658 of the Revised Code, the innovation 86446

Code, the research and development loan fund created pursuant to 86448

infrastructure fund created pursuant to section 166.26 of the 86450
Revised Code, the advanced energy research and development fund 86451
created pursuant to section 3706.27 of the Revised Code, and the 86452
advanced energy research and development taxable fund created 86453
pursuant to section 3706.27 of the Revised Code; 86454

(4) Conveyance to JobsOhio for the purposes for which it was 86455
created. 86456

(C)(1) The state may covenant, pledge, and agree in the 86457

transfer agreement, with and for the benefit of JobsOhio, that it 86458
shall maintain statutory authority for the enterprise acquisition 86459
project and the revenues of the enterprise acquisition project and 86460
not otherwise materially impair any obligations supported by a 86461
pledge of revenues of the enterprise acquisition project. The 86462
transfer agreement may provide or authorize the manner for 86463
determining material impairment of the security for any such 86464
outstanding obligations, including by assessing and evaluating the 86465
revenues of the enterprise acquisition project. 86466

(2) The director of budget and management, in consultation 86467
with the director of commerce, may, without need for any other 86468
approval, negotiate terms of any documents, including the transfer 86469
agreement, necessary to effect the transfer and the acceptance of 86470
the transfer of the enterprise acquisition project. The director 86471
of commerce shall execute the transfer agreement on behalf of the 86472
state. The director of budget and management may also, without 86473
need for any other approval, retain or contract for the services 86474
of commercial appraisers, underwriters, investment bankers, and 86475
financial advisers, as are necessary in the judgment of the 86476
director of budget and management to effect the transfer 86477
agreement. Any transfer agreement may contain terms and conditions 86478
established by the state to carry out and effectuate the purposes 86479
of this section, including, without limitation, covenants binding 86480
the state in favor of JobsOhio. Any such transfer agreement shall 86481
be sufficient to effectuate the transfer without regard to any 86482
other laws governing other property sales or financial 86483
transactions by the state. The director of budget and management 86484
may create any funds or accounts, within or without the state 86485
treasury, as are needed for the transactions and activities 86486
authorized by this section. 86487

(3) The transfer agreement may authorize JobsOhio, in the 86488
ordinary course of doing business, to convey, lease, release, or 86489

otherwise dispose of any regular inventory or tangible personal property. Ownership of the interest in the enterprise acquisition project that is transferred to JobsOhio under this section and the transfer agreement shall be maintained in JobsOhio or a nonprofit entity the sole member of which is JobsOhio until the enterprise acquisition project is transferred back to the state pursuant to the second paragraph of division (A) and division (D) of this section. 86490

(E) JobsOhio, the director of budget and management, and the director of commerce shall, subject to approval by the controlling board, enter into a contract, which may be part of the transfer agreement, for the continuing operation by the division of liquor control of spirituous liquor distribution and merchandising subject to standards for performance provided in that contract that may relate to or support division (C)(1) of this section. The contract shall establish other terms and conditions for the assignment of duties to, and the provision of advice, services, and other assistance by, the division of liquor control, including providing for the necessary staffing and payment by JobsOhio of appropriate compensation to the division for the performance of such duties and the provision of such advice, services, and other 86509

assistance. The division of liquor control shall manage and 86522
actively supervise the activities required or authorized under 86523
sections 4301.10 and 4301.17 of the Revised Code as those sections 86524
exist on the effective date of this section, including, but not 86525
limited to, controlling the traffic in beer and intoxicating 86526
liquor in this state and fixing the wholesale and retail prices at 86527
which the various classes, varieties, and brands of spirituous 86528
liquor are sold. 86529

(F) The transfer agreement shall require JobsOhio to pay for 86530
the operations of the division of liquor control with regard to 86531
the spirituous liquor merchandising operations of the division. 86532
The payments from JobsOhio shall be deposited into the state 86533
treasury to the credit of the liquor control fund created in 86534
section 4301.12 of the Revised Code. 86535

(G) The transaction and transfer provided for under this 86536
section shall comply with all applicable provisions of the Ohio 86537
Constitution. 86538

Sec. 4503.03. (A)(1)(a) The registrar of motor vehicles may 86539
designate the county auditor in each county a deputy registrar. If 86540
the population of a county is forty thousand or less according to 86541
the last federal census and if the county auditor is designated by 86542
the registrar as a deputy registrar, no other person need be 86543
designated in the county to act as a deputy registrar. 86544

(b) The registrar may designate a clerk of a court of common 86545
pleas as a deputy registrar if the population of the county is 86546
forty thousand or less according to the last federal census. In a 86547
county with a population greater than forty thousand but not more 86548
than fifty thousand according to the last federal census, the 86549
clerk of a court of common pleas is eligible to act as a deputy 86550
registrar and may participate in the competitive selection process 86551
for the award of a deputy registrar contract by applying in the 86552

same manner as any other person. All fees collected and retained 86553
by a clerk for conducting deputy registrar services shall be paid 86554
into the county treasury to the credit of the certificate of title 86555
administration fund created under section 325.33 of the Revised 86556
Code. 86557

(c) In all other instances, the registrar shall contract with 86558
one or more other persons in each county to act as deputy 86559
registrars. Notwithstanding the county population restrictions in 86560
division (A)(1)(b) of this section, if no person applies to act 86561
under contract as a deputy registrar in a county and the county 86562
auditor is not designated as a deputy registrar, the registrar may 86563
ask the clerk of a court of common pleas to serve as the deputy 86564
registrar for that county. 86565

(2) Deputy registrars shall accept applications for the 86566
annual license tax for any vehicle not taxed under section 4503.63 86567
of the Revised Code and shall assign distinctive numbers in the 86568
same manner as the registrar. Such deputies shall be located in 86569
such locations in the county as the registrar sees fit. There 86570
shall be at least one deputy registrar in each county. 86571

Deputy registrar contracts are subject to the provisions of 86572
division (B) of section 125.081 of the Revised Code. 86573

(B) The registrar shall not contract with any person to act 86574
as a deputy registrar if the person or, where applicable, the 86575
person's spouse or a member of the person's immediate family has 86576
made, within the current calendar year or any one of the previous 86577
three calendar years, one or more contributions totaling in excess 86578
of one hundred dollars to any person or entity included in 86579
division (A)(2) of section 4503.033 of the Revised Code. As used 86580
in this division, "immediate family" has the same meaning as in 86581
division (D) of section 102.01 of the Revised Code, and "entity" 86582
includes any political party and any "continuing association" as 86583
defined in division (B)(4) of section 3517.01 of the Revised Code 86584

or "political action committee" as defined in division (B)(8) of 86585
that section that is primarily associated with that political 86586
party. For purposes of this division, contributions to any 86587
continuing association or any political action committee that is 86588
primarily associated with a political party shall be aggregated 86589
with contributions to that political party. 86590

The contribution limitations contained in this division do 86591
not apply to any county auditor or clerk of a court of common 86592
pleas. A county auditor or clerk of a court of common pleas is not 86593
required to file the disclosure statement or pay the filing fee 86594
required under section 4503.033 of the Revised Code. The 86595
limitations of this division also do not apply to a deputy 86596
registrar who, subsequent to being awarded a deputy registrar 86597
contract, is elected to an office of a political subdivision. 86598

The registrar shall not contract with either of the following 86599
to act as a deputy registrar: 86600

(1) Any elected public official other than a county auditor 86601
or, as authorized by division (A)(1)(b) of this section, a clerk 86602
of a court of common pleas, acting in an official capacity, except 86603
that, the registrar shall continue and may renew a contract with 86604
any deputy registrar who, subsequent to being awarded a deputy 86605
registrar contract, is elected to an office of a political 86606
subdivision; 86607

(2) Any person holding a current, valid contract to conduct 86608
motor vehicle inspections under section 3704.14 of the Revised 86609
Code. 86610

As used in division (B) of this section, "political 86611
subdivision" has the same meaning as in section 3501.01 of the 86612
Revised Code. 86613

(C)(1) Except as provided in division (C)(2) of this section, 86614
deputy registrars are independent contractors and neither they nor 86615

their employees are employees of this state, except that nothing 86616
in this section shall affect the status of county auditors or 86617
clerks of courts of common pleas as public officials, nor the 86618
status of their employees as employees of any of the counties of 86619
this state, which are political subdivisions of this state. Each 86620
deputy registrar shall be responsible for the payment of all 86621
unemployment compensation premiums, all workers' compensation 86622
premiums, social security contributions, and any and all taxes for 86623
which the deputy registrar is legally responsible. Each deputy 86624
registrar shall comply with all applicable federal, state, and 86625
local laws requiring the withholding of income taxes or other 86626
taxes from the compensation of the deputy registrar's employees. 86627
Each deputy registrar shall maintain during the entire term of the 86628
deputy registrar's contract a policy of business liability 86629
insurance satisfactory to the registrar and shall hold the 86630
department of public safety, the director of public safety, the 86631
bureau of motor vehicles, and the registrar harmless upon any and 86632
all claims for damages arising out of the operation of the deputy 86633
registrar agency. 86634

(2) For purposes of Chapter 4141. of the Revised Code, 86635
determinations concerning the employment of deputy registrars and 86636
their employees shall be made under Chapter 4141. of the Revised 86637
Code. 86638

(D)(1) With the approval of the director, the registrar shall 86639
adopt rules governing the terms of the contract between the 86640
registrar and each deputy registrar and specifications for the 86641
services to be performed. The rules shall include specifications 86642
relating to the amount of bond to be given as provided in this 86643
section; the size and location of the deputy's office; and the 86644
leasing of equipment necessary to conduct the vision screenings 86645
required under section 4507.12 of the Revised Code and training in 86646
the use of the equipment. The specifications shall permit and 86647

encourage every deputy registrar to inform the public of the 86648
location of the deputy registrar's office and hours of operation 86649
by means of public service announcements and allow any deputy 86650
registrar to advertise in regard to the operation of the deputy 86651
registrar's office. The rules also shall include specifications 86652
for the hours the deputy's office is to be open to the public and 86653
shall require as a minimum that one deputy's office in each county 86654
be open to the public for at least four hours each weekend, 86655
provided that if only one deputy's office is located within the 86656
boundary of the county seat, that office is the office that shall 86657
be open for the four-hour period each weekend, and that every 86658
deputy's office in each county shall be open to the public until 86659
six-thirty p.m. on at least one weeknight each week. The rules 86660
also shall include specifications providing that every deputy in 86661
each county, upon request, provide any person with information 86662
about the location and office hours of all deputy registrars in 86663
the county and that every deputy prominently display within the 86664
deputy's office, the toll-free telephone number of the bureau. The 86665
rules shall not prohibit the award of a deputy registrar contract 86666
to a nonprofit corporation formed under the laws of this state. 86667
The rules shall prohibit any deputy registrar from operating more 86668
than one such office at any time, except that the rules may permit 86669
a nonprofit corporation formed for the purposes of providing 86670
automobile-related services to its members or the public and that 86671
provides such services from more than one location in this state 86672
to operate a deputy registrar office at any such location, 86673
provided that the nonprofit corporation operates no more than one 86674
deputy registrar office in any one county. The rules may include 86675
such other specifications as the registrar and director consider 86676
necessary to provide a high level of service. 86677

~~The rules shall establish procedures for a deputy registrar 86678
who requests such authority to collect reinstatement fees under 86679
sections 4507.1612, 4507.45, 4509.101, 4509.81, 4510.10, 4510.22, 86680~~

~~4510.72, and 4511.191 of the Revised Code and to transmit the 86681
reinstatement fees and two dollars of the service fee collected 86682
under those sections. The registrar shall ensure that, not later 86683
than January 1, 2012, at least one deputy registrar in each county 86684
has the necessary equipment and is able to accept reinstatement 86685
fees. The registrar shall deposit the service fees received from a 86686
deputy registrar under those sections into the state bureau of 86687
motor vehicles fund created in section 4501.25 of the Revised Code 86688
and shall use the money for deputy registrar equipment necessary 86689
in connection with accepting reinstatement fees. 86690~~

(2) As a daily adjustment, the bureau of motor vehicles shall 86691
credit to a deputy registrar three dollars and fifty cents for 86692
each damaged license plate or validation sticker the deputy 86693
registrar replaces as a service to a member of the public. 86694

(3) With the prior approval of the registrar, each deputy 86695
registrar may conduct at the location of the deputy registrar's 86696
office any business that is consistent with the functions of a 86697
deputy registrar and that is not specifically mandated or 86698
authorized by this or another chapter of the Revised Code or by 86699
implementing rules of the registrar. 86700

In accordance with guidelines the director of public safety 86701
shall establish, a deputy registrar may operate or contract for 86702
the operation of a vending machine at a deputy registrar location 86703
if products of the vending machine are consistent with the 86704
functions of a deputy registrar. 86705

(4) As used in this section and in section 4507.01 of the 86706
Revised Code, "nonprofit corporation" has the same meaning as in 86707
section 1702.01 of the Revised Code. 86708

(E) Unless otherwise terminated and except for interim 86709
contracts of less than one year, contracts with deputy registrars 86710
shall be for a term of at least two years, but no more than three 86711

years, and all contracts effective on or after July 1, 1996, shall 86712
be for a term of more than two years, but not more than three 86713
years. All contracts with deputy registrars shall expire on the 86714
last Saturday of June in the year of their expiration. The auditor 86715
of state may examine the accounts, reports, systems, and other 86716
data of each deputy registrar at least every two years. The 86717
registrar, with the approval of the director, shall immediately 86718
remove a deputy who violates any provision of the Revised Code 86719
related to the duties as a deputy, any rule adopted by the 86720
registrar, or a term of the deputy's contract with the registrar. 86721
The registrar also may remove a deputy who, in the opinion of the 86722
registrar, has engaged in any conduct that is either unbecoming to 86723
one representing this state or is inconsistent with the efficient 86724
operation of the deputy's office. 86725

If the registrar, with the approval of the director, 86726
determines that there is good cause to believe that a deputy 86727
registrar or a person proposing for a deputy registrar contract 86728
has engaged in any conduct that would require the denial or 86729
termination of the deputy registrar contract, the registrar may 86730
require the production of books, records, and papers as the 86731
registrar determines are necessary, and may take the depositions 86732
of witnesses residing within or outside the state in the same 86733
manner as is prescribed by law for the taking of depositions in 86734
civil actions in the court of common pleas, and for that purpose 86735
the registrar may issue a subpoena for any witness or a subpoena 86736
duces tecum to compel the production of any books, records, or 86737
papers, directed to the sheriff of the county where the witness 86738
resides or is found. Such a subpoena shall be served and returned 86739
in the same manner as a subpoena in a criminal case is served and 86740
returned. The fees of the sheriff shall be the same as that 86741
allowed in the court of common pleas in criminal cases. Witnesses 86742
shall be paid the fees and mileage provided for under section 86743
119.094 of the Revised Code. The fees and mileage shall be paid 86744

from the fund in the state treasury for the use of the agency in 86745
the same manner as other expenses of the agency are paid. 86746

In any case of disobedience or neglect of any subpoena served 86747
on any person or the refusal of any witness to testify to any 86748
matter regarding which the witness lawfully may be interrogated, 86749
the court of common pleas of any county where the disobedience, 86750
neglect, or refusal occurs or any judge of that court, on 86751
application by the registrar, shall compel obedience by attachment 86752
proceedings for contempt, as in the case of disobedience of the 86753
requirements of a subpoena issued from that court, or a refusal to 86754
testify in that court. 86755

Nothing in this division shall be construed to require a 86756
hearing of any nature prior to the termination of any deputy 86757
registrar contract by the registrar, with the approval of the 86758
director, for cause. 86759

(F) Except as provided in section 2743.03 of the Revised 86760
Code, no court, other than the court of common pleas of Franklin 86761
county, has jurisdiction of any action against the department of 86762
public safety, the director, the bureau, or the registrar to 86763
restrain the exercise of any power or authority, or to entertain 86764
any action for declaratory judgment, in the selection and 86765
appointment of, or contracting with, deputy registrars. Neither 86766
the department, the director, the bureau, nor the registrar is 86767
liable in any action at law for damages sustained by any person 86768
because of any acts of the department, the director, the bureau, 86769
or the registrar, or of any employee of the department or bureau, 86770
in the performance of official duties in the selection and 86771
appointment of, and contracting with, deputy registrars. 86772

(G) The registrar shall assign to each deputy registrar a 86773
series of numbers sufficient to supply the demand at all times in 86774
the area the deputy registrar serves, and the registrar shall keep 86775
a record in the registrar's office of the numbers within the 86776

series assigned. Each deputy shall be required to give bond in the amount of at least twenty-five thousand dollars, or in such higher amount as the registrar determines necessary, based on a uniform schedule of bond amounts established by the registrar and determined by the volume of registrations handled by the deputy. The form of the bond shall be prescribed by the registrar. The bonds required of deputy registrars, in the discretion of the registrar, may be individual or schedule bonds or may be included in any blanket bond coverage carried by the department.

(H) Each deputy registrar shall keep a file of each application received by the deputy and shall register that motor vehicle with the name and address of its owner.

(I) Upon request, a deputy registrar shall make the physical inspection of a motor vehicle and issue the physical inspection certificate required in section 4505.061 of the Revised Code.

(J) Each deputy registrar shall file a report ~~semi-annually~~ semiannually with the registrar of motor vehicles listing the number of applicants for licenses the deputy has served, the number of voter registration applications the deputy has completed and transmitted to the board of elections, and the number of voter registration applications declined.

the home. 86810

(c) The certificate of title has been inactivated by the 86811

division (H) of section 4505.11 of the Revised Code. 86813

(2) The manufactured or mobile home acquired situs in the 86814

the home. 86820

(c) The owner of the home has elected to have the home taxed 86821
as real property and, pursuant to section 4505.11 of the Revised 86822
Code, has surrendered the certificate of title to the auditor of 86823
the county containing the taxing district in which the home has 86824
its situs, together with proof that all taxes have been paid. 86825

(d) The county auditor has placed the home on the real 86826
property tax list and delivered the certificate of title to the 86827
clerk of the court of common pleas that issued it and the clerk 86828
has inactivated the certificate. 86829

(C)(1) Any mobile or manufactured home that is not taxed as 86830
real property as provided in division (B) of this section is 86831
subject to an annual manufactured home tax, payable by the owner, 86832
for locating the home in this state. The tax as levied in this 86833
section is for the purpose of supplementing the general revenue 86834
funds of the local subdivisions in which the home has its situs 86835
pursuant to this section. 86836

(2) The year for which the manufactured home tax is levied 86837
commences on the first day of January and ends on the following 86838
thirty-first day of December. The state shall have the first lien 86839
on any manufactured or mobile home on the list for the amount of 86840
taxes, penalties, and interest charged against the owner of the 86841
home under this section. The lien of the state for the tax for a 86842
year shall attach on the first day of January to a home that has 86843
acquired situs on that date. The lien for a home that has not 86844
acquired situs on the first day of January, but that acquires 86845
situs during the year, shall attach on the next first day of 86846
January. The lien shall continue until the tax, including any 86847
penalty or interest, is paid. 86848

(3)(a) The situs of a manufactured or mobile home located in 86849
this state on the first day of January is the local taxing 86850
district in which the home is located on that date. 86851

(b) The situs of a manufactured or mobile home not located in 86852
this state on the first day of January, but located in this state 86853
subsequent to that date, is the local taxing district in which the 86854
home is located thirty days after it is acquired or first enters 86855
this state. 86856

(4) The tax is collected by and paid to the county treasurer 86857
of the county containing the taxing district in which the home has 86858
its situs. 86859

(D) The manufactured home tax shall be computed and assessed 86860
by the county auditor of the county containing the taxing district 86861
in which the home has its situs as follows: 86862

(1) On a home that acquired situs in this state prior to 86863
January 1, 2000: 86864

(a) By multiplying the assessable value of the home by the 86865
tax rate of the taxing district in which the home has its situs, 86866
and deducting from the product thus obtained any reduction 86867

authorized under section 4503.065 of the Revised Code. The tax 86868
levied under this formula shall not be less than thirty-six 86869
dollars, unless the home qualifies for a reduction in assessable 86870
value under section 4503.065 of the Revised Code, in which case 86871
there shall be no minimum tax and the tax shall be the amount 86872
calculated under this division. 86873

(b) The assessable value of the home shall be forty per cent 86874
of the amount arrived at by the following computation: 86875

(i) If the cost to the owner, or market value at time of 86876
purchase, whichever is greater, of the home includes the 86877
furnishings and equipment, such cost or market value shall be 86878
multiplied according to the following schedule: 86879

For the first calendar year			86880
in which the			86881
home is owned by the			86882
current owner	x	80%	86883
2nd calendar year	x	75%	86884

8th "	x	45%	86890
9th "	x	40%	86891
10th and each year thereafter	x	35%	86892

The first calendar year means any period between the first 86893
day of January and the thirty-first day of December of the first 86894
year. 86895

(ii) If the cost to the owner, or market value at the time of 86896
purchase, whichever is greater, of the home does not include the 86897
furnishings and equipment, such cost or market value shall be 86898
multiplied according to the following schedule: 86899

For the first calendar year			86900

8th "	x	60%	86910
9th "	x	55%	86911
10th and each year thereafter	x	50%	86912

The first calendar year means any period between the first 86913
day of January and the thirty-first day of December of the first 86914
year. 86915

(2) On a home in which ownership was transferred or that 86916
first acquired situs in this state on or after January 1, 2000: 86917

(a) By multiplying the assessable value of the home by the 86918
effective tax rate, as defined in section 323.08 of the Revised 86919
Code, for residential real property of the taxing district in 86920
which the home has its situs, and deducting from the product thus 86921
obtained the reductions required or authorized under section 86922
319.302, division (B) of section 323.152, or section 4503.065 of 86923
the Revised Code. 86924

(b) The assessable value of the home shall be thirty-five per 86925
cent of its true value as determined under division (L) of this 86926
section. 86927

(3) On or before the fifteenth day of January each year, the 86928
county auditor shall record the assessable value and the amount of 86929
tax on the manufactured or mobile home on the tax list and deliver 86930
a duplicate of the list to the county treasurer. In the case of an 86931

emergency as defined in section 323.17 of the Revised Code, the 86932
tax commissioner, by journal entry, may extend the times for 86933
delivery of the duplicate for an additional fifteen days upon 86934
receiving a written application from the county auditor regarding 86935
an extension for the delivery of the duplicate, or from the county 86936
treasurer regarding an extension of the time for the billing and 86937
collection of taxes. The application shall contain a statement 86938
describing the emergency that will cause the unavoidable delay and 86939
must be received by the tax commissioner on or before the last day 86940
of the month preceding the day delivery of the duplicate is 86941
otherwise required. When an extension is granted for delivery of 86942
the duplicate, the time period for payment of taxes shall be 86943
extended for a like period of time. When a delay in the closing of 86944
a tax collection period becomes unavoidable, the tax commissioner, 86945
upon application by the county auditor and county treasurer, may 86946
order the time for payment of taxes to be extended if the tax 86947
commissioner determines that penalties have accrued or would 86948
otherwise accrue for reasons beyond the control of the taxpayers 86949
of the county. The order shall prescribe the final extended date 86950
for payment of taxes for that collection period. 86951

(4) After January 1, 1999, the owner of a manufactured or 86952
mobile home taxed pursuant to division (D)(1) of this section may 86953
elect to have the home taxed pursuant to division (D)(2) of this 86954
section by filing a written request with the county auditor of the 86955
taxing district in which the home is located on or before the 86956
first day of December of any year. Upon the filing of the request, 86957
the county auditor shall determine whether all taxes levied under 86958
division (D)(1) of this section have been paid, and if those taxes 86959
have been paid, the county auditor shall tax the manufactured or 86960
mobile home pursuant to division (D)(2) of this section commencing 86961
in the next tax year. 86962

(5) A manufactured or mobile home that acquired situs in this 86963

state prior to January 1, 2000, shall be taxed pursuant to 86964
division (D)(2) of this section if no manufactured home tax had 86965
been paid for the home and the home was not exempted from taxation 86966
pursuant to division (E) of this section for the year for which 86967
the taxes were not paid. 86968

(6)(a) Immediately upon receipt of any manufactured home tax 86969
duplicate from the county auditor, but not less than twenty days 86970
prior to the last date on which the first one-half taxes may be 86971
paid without penalty as prescribed in division (F) of this 86972
section, the county treasurer shall cause to be prepared and 86973
mailed or delivered to each person charged on that duplicate with 86974
taxes, or to an agent designated by such person, the tax bill 86975
prescribed by the tax commissioner under division (D)(7) of this 86976
section. When taxes are paid by installments, the county treasurer 86977
shall mail or deliver to each person charged on such duplicate or 86978
the agent designated by that person a second tax bill showing the 86979
amount due at the time of the second tax collection. The second 86980
half tax bill shall be mailed or delivered at least twenty days 86981
prior to the close of the second half tax collection period. A 86982
change in the mailing address of any tax bill shall be made in 86983
writing to the county treasurer. Failure to receive a bill 86984
required by this section does not excuse failure or delay to pay 86985
any taxes shown on the bill or, except as provided in division 86986
(B)(1) of section 5715.39 of the Revised Code, avoid any penalty, 86987
interest, or charge for such delay. 86988

(b) After delivery of the copy of the delinquent manufactured 86989
home tax list under division (H) of this section, the county 86990
treasurer may prepare and mail to each person in whose name a home 86991
is listed an additional tax bill showing the total amount of 86992
delinquent taxes charged against the home as shown on the list. 86993
The tax bill shall include a notice that the interest charge 86994
prescribed by division (G) of this section has begun to accrue. 86995

(7) Each tax bill prepared and mailed or delivered under 86996
division (D)(6) of this section shall be in the form and contain 86997
the information required by the tax commissioner. The commissioner 86998
may prescribe different forms for each county and may authorize 86999
the county auditor to make up tax bills and tax receipts to be 87000
used by the county treasurer. The tax bill shall not contain or be 87001
mailed or delivered with any information or material that is not 87002
required by this section or that is not authorized by section 87003
321.45 of the Revised Code or by the tax commissioner. In addition 87004
to the information required by the commissioner, each tax bill 87005
shall contain the following information: 87006

(a) The taxes levied and the taxes charged and payable 87007
against the manufactured or mobile home; 87008

(b) The following notice: "Notice: If the taxes are not paid 87009
within sixty days after the county auditor delivers the delinquent 87010
manufactured home tax list to the county treasurer, you and your 87011
home may be subject to collection proceedings for tax 87012
delinquency." Failure to provide such notice has no effect upon 87013
the validity of any tax judgment to which a home may be subjected. 87014

(c) In the case of manufactured or mobile homes taxed under 87015
division (D)(2) of this section, the following additional 87016
information: 87017

(i) The effective tax rate. The words "effective tax rate" 87018
shall appear in boldface type. 87019

(ii) The following notice: "Notice: If the taxes charged 87020
against this home have been reduced by the 2-1/2 per cent tax 87021
reduction for residences occupied by the owner but the home is not 87022
a residence occupied by the owner, the owner must notify the 87023
county auditor's office not later than March 31 of the year for 87024
which the taxes are due. Failure to do so may result in the owner 87025
being convicted of a fourth degree misdemeanor, which is 87026

punishable by imprisonment up to 30 days, a fine up to \$250, or 87027
both, and in the owner having to repay the amount by which the 87028
taxes were erroneously or illegally reduced, plus any interest 87029
that may apply. 87030

If the taxes charged against this home have not been reduced 87031
by the 2-1/2 per cent tax reduction and the home is a residence 87032
occupied by the owner, the home may qualify for the tax reduction. 87033
To obtain an application for the tax reduction or further 87034
information, the owner may contact the county auditor's office at 87035
..... (insert the address and telephone number of the county 87036
auditor's office)." 87037

(E)(1) A manufactured or mobile home is not subject to this 87038
section when any of the following applies: 87039

(a) It is taxable as personal property pursuant to section 87040
5709.01 of the Revised Code. Any manufactured or mobile home that 87041
is used as a residence shall be subject to this section and shall 87042
not be taxable as personal property pursuant to section 5709.01 of 87043
the Revised Code. 87044

(b) It bears a license plate issued by any state other than 87045
this state unless the home is in this state in excess of an 87046
accumulative period of thirty days in any calendar year. 87047

(c) The annual tax has been paid on the home in this state 87048
for the current year. 87049

(d) The tax commissioner has determined, pursuant to section 87050
5715.27 of the Revised Code, that the property is exempt from 87051
taxation, or would be exempt from taxation under Chapter 5709. of 87052
the Revised Code if it were classified as real property. 87053

(2) A travel trailer or park trailer, as these terms are 87054
defined in section 4501.01 of the Revised Code, is not subject to 87055
this section if it is unused or unoccupied and stored at the 87056
owner's normal place of residence or at a recognized storage 87057

facility. 87058

(3) A travel trailer or park trailer, as these terms are 87059
defined in section 4501.01 of the Revised Code, is subject to this 87060
section and shall be taxed as a manufactured or mobile home if it 87061
has a situs longer than thirty days in one location and is 87062
connected to existing utilities, unless either of the following 87063
applies: 87064

(a) The situs is in a state facility or a camping or park 87065
area as defined in division (C), (Q), (S), or (V) of section 87066
3729.01 of the Revised Code. 87067

(b) The situs is in a camping or park area that is a tract of 87068
land that has been limited to recreational use by deed or zoning 87069
restrictions and subdivided for sale of five or more individual 87070
lots for the express or implied purpose of occupancy by either 87071
self-contained recreational vehicles as defined in division (T) of 87072
section 3729.01 of the Revised Code or by dependent recreational 87073
vehicles as defined in division (D) of section 3729.01 of the 87074
Revised Code. 87075

(F) Except as provided in division (D)(3) of this section, 87076
the manufactured home tax is due and payable as follows: 87077

(1) When a manufactured or mobile home has a situs in this 87078
state, as provided in this section, on the first day of January, 87079
one-half of the amount of the tax is due and payable on or before 87080
the first day of March and the balance is due and payable on or 87081
before the thirty-first day of July. At the option of the owner of 87082
the home, the tax for the entire year may be paid in full on the 87083
first day of March. 87084

(2) When a manufactured or mobile home first acquires a situs 87085
in this state after the first day of January, no tax is due and 87086
payable for that year. 87087

(G)(1)(a) Except as otherwise provided in division (G)(1)(b) 87088

of this section, if one-half of the current taxes charged under 87089
this section against a manufactured or mobile home, together with 87090
the full amount of any delinquent taxes, are not paid on or before 87091
the first day of March in that year, or on or before the last day 87092
for such payment as extended pursuant to section 4503.063 of the 87093
Revised Code, a penalty of ten per cent shall be charged against 87094
the unpaid balance of such half of the current taxes. If the total 87095
amount of all such taxes is not paid on or before the thirty-first 87096
day of July, next thereafter, or on or before the last day for 87097
payment as extended pursuant to section 4503.063 of the Revised 87098
Code, a like penalty shall be charged on the balance of the total 87099
amount of the unpaid current taxes. 87100

(b) After a valid delinquent tax contract that includes 87101
unpaid current taxes from a first-half collection period described 87102
in division (F) of this section has been entered into under 87103
section 323.31 of the Revised Code, no ten per cent penalty shall 87104
be charged against such taxes after the second-half collection 87105
period while the delinquent tax contract remains in effect. On the 87106
day a delinquent tax contract becomes void, the ten per cent 87107
penalty shall be charged against such taxes and shall equal the 87108
amount of penalty that would have been charged against unpaid 87109
current taxes outstanding on the date on which the second-half 87110
penalty would have been charged thereon under division (G)(1)(a) 87111
of this section if the contract had not been in effect. 87112

(2)(a) On the first day of the month following the last day 87113
the second installment of taxes may be paid without penalty 87114
beginning in 2000, interest shall be charged against and computed 87115
on all delinquent taxes other than the current taxes that became 87116
delinquent taxes at the close of the last day such second 87117
installment could be paid without penalty. The charge shall be for 87118
interest that accrued during the period that began on the 87119
preceding first day of December and ended on the last day of the 87120

month that included the last date such second installment could be 87121
paid without penalty. The interest shall be computed at the rate 87122
per annum prescribed by section 5703.47 of the Revised Code and 87123
shall be entered as a separate item on the delinquent manufactured 87124
home tax list compiled under division (H) of this section. 87125

(b) On the first day of December beginning in 2000, the 87126
interest shall be charged against and computed on all delinquent 87127
taxes. The charge shall be for interest that accrued during the 87128
period that began on the first day of the month following the last 87129
date prescribed for the payment of the second installment of taxes 87130
in the current year and ended on the immediately preceding last 87131
day of November. The interest shall be computed at the rate per 87132
annum prescribed by section 5703.47 of the Revised Code and shall 87133
be entered as a separate item on the delinquent manufactured home 87134
tax list. 87135

(c) After a valid undertaking has been entered into for the 87136
payment of any delinquent taxes, no interest shall be charged 87137
against such delinquent taxes while the undertaking remains in 87138
effect in compliance with section 323.31 of the Revised Code. If a 87139
valid undertaking becomes void, interest shall be charged against 87140
the delinquent taxes for the periods that interest was not 87141
permitted to be charged while the undertaking was in effect. The 87142
interest shall be charged on the day the undertaking becomes void 87143
and shall equal the amount of interest that would have been 87144
charged against the unpaid delinquent taxes outstanding on the 87145
dates on which interest would have been charged thereon under 87146
divisions (G)(1) and (2) of this section had the undertaking not 87147
been in effect. 87148

(3) If the full amount of the taxes due at either of the 87149
times prescribed by division (F) of this section is paid within 87150
ten days after such time, the county treasurer shall waive the 87151
collection of and the county auditor shall remit one-half of the 87152

penalty provided for in this division for failure to make that 87153
payment by the prescribed time. 87154

(4) The treasurer shall compile and deliver to the county 87155
auditor a list of all tax payments the treasurer has received as 87156
provided in division (G)(3) of this section. The list shall 87157
include any information required by the auditor for the remission 87158
of the penalties waived by the treasurer. The taxes so collected 87159
shall be included in the settlement next succeeding the settlement 87160
then in process. 87161

(H)(1) ~~Beginning in 2000, the~~ The county auditor shall 87162
compile annually a "delinquent manufactured home tax list" 87163
consisting of homes the county treasurer's records indicate have 87164
taxes that were not paid within the time prescribed by divisions 87165
(D)(3) and (F) of this section, have taxes that remain unpaid from 87166
prior years, or have unpaid tax penalties or interest that have 87167
been assessed. 87168

(2) Within thirty days after the settlement under division 87169
(H)(2) of section 321.24 of the Revised Code ~~beginning in 2000,~~ 87170
the county auditor shall deliver a copy of the delinquent 87171
manufactured home tax list to the county treasurer. The auditor 87172
shall update and publish the delinquent manufactured home tax list 87173
annually in the same manner as delinquent real property tax lists 87174
are published. The county auditor ~~shall~~ may apportion the cost of 87175
publishing the list among taxing districts in proportion to the 87176
amount of delinquent manufactured home taxes so published that 87177
each taxing district is entitled to receive upon collection of 87178
those taxes, or the county auditor may charge the owner of a home 87179
on the list a flat fee established under section 319.54 of the 87180
Revised Code for the cost of publishing the list and, if the fee 87181
is not paid, may place the fee upon the delinquent manufactured 87182
home tax list as a lien on the listed home, to be collected as 87183
other manufactured home taxes. 87184

(3) When taxes, penalties, or interest are charged against a person on the delinquent manufactured home tax list and are not paid within sixty days after the list is delivered to the county treasurer, the county treasurer shall, in addition to any other remedy provided by law for the collection of taxes, penalties, and interest, enforce collection of such taxes, penalties, and interest by civil action in the name of the treasurer against the owner for the recovery of the unpaid taxes following the procedures for the recovery of delinquent real property taxes in sections 323.25 to 323.28 of the Revised Code. The action may be brought in municipal or county court, provided the amount charged does not exceed the monetary limitations for original jurisdiction for civil actions in those courts.

It is sufficient, having made proper parties to the suit, for the county treasurer to allege in the treasurer's bill of particulars or petition that the taxes stand chargeable on the books of the county treasurer against such person, that they are due and unpaid, and that such person is indebted in the amount of taxes appearing to be due the county. The treasurer need not set forth any other matter relating thereto. If it is found on the trial of the action that the person is indebted to the state, judgment shall be rendered in favor of the county treasurer prosecuting the action. The judgment debtor is not entitled to the benefit of any law for stay of execution or exemption of property from levy or sale on execution in the enforcement of the judgment.

Upon the filing of an entry of confirmation of sale or an order of forfeiture in a proceeding brought under this division, title to the manufactured or mobile home shall be in the purchaser. The clerk of courts shall issue a certificate of title to the purchaser upon presentation of proof of filing of the entry of confirmation or order and, in the case of a forfeiture, presentation of the county auditor's certificate of sale.

(I) The total amount of taxes collected shall be distributed 87217
in the following manner: four per cent shall be allowed as 87218
compensation to the county auditor for the county auditor's 87219
service in assessing the taxes; two per cent shall be allowed as 87220
compensation to the county treasurer for the services the county 87221
treasurer renders as a result of the tax levied by this section. 87222
Such amounts shall be paid into the county treasury, to the credit 87223
of the county general revenue fund, on the warrant of the county 87224
auditor. Fees to be paid to the credit of the real estate 87225
assessment fund shall be collected pursuant to division (C) of 87226
section 319.54 of the Revised Code and paid into the county 87227
treasury, on the warrant of the county auditor. The balance of the 87228
taxes collected shall be distributed among the taxing subdivisions 87229
of the county in which the taxes are collected and paid in the 87230
same ratio as those taxes were collected for the benefit of the 87231
taxing subdivision. The taxes levied and revenues collected under 87232
this section shall be in lieu of any general property tax and any 87233
tax levied with respect to the privilege of using or occupying a 87234
manufactured or mobile home in this state except as provided in 87235
sections 4503.04 and 5741.02 of the Revised Code. 87236

(J) An agreement to purchase or a bill of sale for a 87237
manufactured home shall show whether or not the furnishings and 87238
equipment are included in the purchase price. 87239

(K) If the county treasurer and the county prosecuting 87240
attorney agree that an item charged on the delinquent manufactured 87241
home tax list is uncollectible, they shall certify that 87242
determination and the reasons to the county board of revision. If 87243
the board determines the amount is uncollectible, it shall certify 87244
its determination to the county auditor, who shall strike the item 87245
from the list. 87246

(L)(1) The county auditor shall appraise at its true value 87247
any manufactured or mobile home in which ownership is transferred 87248

or which first acquires situs in this state on or after January 1, 87249
2000, and any manufactured or mobile home the owner of which has 87250
elected, under division (D)(4) of this section, to have the home 87251
taxed under division (D)(2) of this section. The true value shall 87252
include the value of the home, any additions, and any fixtures, 87253
but not any furnishings in the home. In determining the true value 87254
of a manufactured or mobile home, the auditor shall consider all 87255
facts and circumstances relating to the value of the home, 87256
including its age, its capacity to function as a residence, any 87257
obsolete characteristics, and other factors that may tend to prove 87258
its true value. 87259

(2)(a) If a manufactured or mobile home has been the subject 87260
of an arm's length sale between a willing seller and a willing 87261
buyer within a reasonable length of time prior to the 87262
determination of true value, the county auditor shall consider the 87263
sale price of the home to be the true value for taxation purposes. 87264

(b) The sale price in an arm's length transaction between a 87265
willing seller and a willing buyer shall not be considered the 87266
true value of the home if either of the following occurred after 87267
the sale: 87268

(i) The home has lost value due to a casualty. 87269

(ii) An addition or fixture has been added to the home. 87270

(3) The county auditor shall have each home viewed and 87271
appraised at least once in each six-year period in the same year 87272
in which real property in the county is appraised pursuant to 87273
Chapter 5713. of the Revised Code, and shall update the appraised 87274
values in the third calendar year following the appraisal. The 87275
person viewing or appraising a home may enter the home to 87276
determine by actual view any additions or fixtures that have been 87277
added since the last appraisal. In conducting the appraisals and 87278
establishing the true value, the auditor shall follow the 87279

procedures set forth for appraising real property in sections 87280
5713.01 and 5713.03 of the Revised Code. 87281

(4) The county auditor shall place the true value of each 87282
home on the manufactured home tax list upon completion of an 87283
appraisal. 87284

(5)(a) If the county auditor changes the true value of a 87285
home, the auditor shall notify the owner of the home in writing, 87286
delivered by mail or in person. The notice shall be given at least 87287
thirty days prior to the issuance of any tax bill that reflects 87288
the change. Failure to receive the notice does not invalidate any 87289
proceeding under this section. 87290

(b) Any owner of a home or any other person or party listed 87291
in division (A)(1) of section 5715.19 of the Revised Code may file 87292
a complaint against the true value of the home as appraised under 87293
this section. The complaint shall be filed with the county auditor 87294
on or before the thirty-first day of March of the current tax year 87295
or the date of closing of the collection for the first half of 87296
manufactured home taxes for the current tax year, whichever is 87297
later. The auditor shall present to the county board of revision 87298
all complaints filed with the auditor under this section. The 87299
board shall hear and investigate the complaint and may take action 87300
on it as provided under sections 5715.11 to 5715.19 of the Revised 87301
Code. 87302

(c) If the county board of revision determines, pursuant to a 87303
complaint against the valuation of a manufactured or mobile home 87304
filed under this section, that the amount of taxes, assessments, 87305
or other charges paid was in excess of the amount due based on the 87306
valuation as finally determined, then the overpayment shall be 87307
refunded in the manner prescribed in section 5715.22 of the 87308
Revised Code. 87309

(d) Payment of all or part of a tax under this section for 87310

any year for which a complaint is pending before the county board 87311
of revision does not abate the complaint or in any way affect the 87312
hearing and determination thereof. 87313

(M) If the county auditor determines that any tax or other 87314
charge or any part thereof has been erroneously charged as a 87315
result of a clerical error as defined in section 319.35 of the 87316
Revised Code, the county auditor shall call the attention of the 87317
county board of revision to the erroneous charges. If the board 87318
finds that the taxes or other charges have been erroneously 87319
charged or collected, it shall certify the finding to the auditor. 87320
Upon receipt of the certification, the auditor shall remove the 87321
erroneous charges on the manufactured home tax list or delinquent 87322
manufactured home tax list in the same manner as is prescribed in 87323
section 319.35 of the Revised Code for erroneous charges against 87324
real property, and refund any erroneous charges that have been 87325
collected, with interest, in the same manner as is prescribed in 87326
section 319.36 of the Revised Code for erroneous charges against 87327
real property. 87328

(N) As used in this section and section 4503.061 of the 87329
Revised Code: 87330

(1) "Manufactured home taxes" includes taxes, penalties, and 87331
interest charged under division (C) or (G) of this section and any 87332
penalties charged under division (G) or (H)(5) of section 4503.061 87333
of the Revised Code. 87334

(2) "Current taxes" means all manufactured home taxes charged 87335
against a manufactured or mobile home that have not appeared on 87336
the manufactured home tax list for any prior year. Current taxes 87337
become delinquent taxes if they remain unpaid after the last day 87338
prescribed for payment of the second installment of current taxes 87339
without penalty, whether or not they have been certified 87340
delinquent. 87341

(3) "Delinquent taxes" means: 87342

(a) Any manufactured home taxes that were charged against a 87343
manufactured or mobile home for a prior year, including any 87344
penalties or interest charged for a prior year and the costs of 87345
publication under division (H)(2) of this section, and that remain 87346
unpaid; 87347

(b) Any current manufactured home taxes charged against a 87348
manufactured or mobile home that remain unpaid after the last day 87349
prescribed for payment of the second installment of current taxes 87350
without penalty, whether or not they have been certified 87351
delinquent, including any penalties or interest and the costs of 87352
publication under division (H)(2) of this section. 87353

Sec. 4503.061. (A) All manufactured and mobile homes shall be 87354
listed on either the real property tax list or the manufactured 87355
home tax list of the county in which the home has situs. Each 87356
owner shall follow the procedures in this section to identify the 87357
home to the county auditor of the county containing the taxing 87358
district in which the home has situs so that the auditor may place 87359
the home on the appropriate tax list. 87360

(B) When a manufactured or mobile home first acquires situs 87361
in this state and is subject to real property taxation pursuant to 87362
division (B)(1) or (2) of section 4503.06 of the Revised Code, the 87363
owner shall present to the auditor of the county containing the 87364
taxing district in which the home has its situs the certificate of 87365
title for the home, together with proof that all taxes due have 87366
been paid and proof that a relocation notice was obtained for the 87367
home if required under this section. Upon receiving the 87368
certificate of title and the required proofs, the auditor shall 87369
place the home on the real property tax list and proceed to treat 87370
the home as other properties on that list. After the auditor has 87371
placed the home on the tax list of real and public utility 87372

property, the auditor shall deliver the certificate of title to 87373
the clerk of the court of common pleas that issued it pursuant to 87374
section 4505.11 of the Revised Code, and the clerk shall 87375
inactivate the certificate of title. 87376

(C)(1) When a manufactured or mobile home subject to a 87377
manufactured home tax is relocated to or first acquires situs in 87378
any county that has adopted a permanent manufactured home 87379
registration system, as provided in division (F) of this section, 87380
the owner, within thirty days after the home is relocated or first 87381
acquires situs under section 4503.06 of the Revised Code, shall 87382
register the home with the county auditor of the county containing 87383
the taxing district in which the home has its situs. For the first 87384
registration in each county of situs, the owner or vendee in 87385
possession shall present to the county auditor an Ohio certificate 87386
of title, certified copy of the certificate of title, or 87387
memorandum certificate of title as such are required by law, and 87388
proof, as required by the county auditor, that the home, if it has 87389
previously been occupied and is being relocated, has been 87390
previously registered, that all taxes due and required to be paid 87391
under division (H)(1) of this section before a relocation notice 87392
may be issued have been paid, and that a relocation notice was 87393
obtained for the home if required by division (H) of this section. 87394
If the owner or vendee does not possess the Ohio certificate of 87395
title, certified copy of the certificate of title, or memorandum 87396
certificate of title at the time the owner or vendee first 87397
registers the home in a county, the county auditor shall register 87398
the home without presentation of the document, but the owner or 87399
vendee shall present the certificate of title, certified copy of 87400
the certificate of title, or memorandum certificate of title to 87401
the county auditor within fourteen days after the owner or vendee 87402
obtains possession of the document. 87403

(2) When a manufactured or mobile home is registered for the 87404

first time in a county and when the total tax due has been paid as 87405
required by division (F) of section 4503.06 of the Revised Code or 87406
divisions (E) and (H) of this section, the county treasurer shall 87407
note by writing or by a stamp on the certificate of title, 87408
certified copy of certificate of title, or memorandum certificate 87409
of title that the home has been registered and that the taxes due, 87410
if any, have been paid for the preceding five years and for the 87411
current year. The treasurer shall then issue a certificate 87412
evidencing registration and a decal to be displayed on the street 87413
side of the home. The certificate is valid in any county in this 87414
state during the year for which it is issued. 87415

(3) For each year thereafter, the county treasurer shall 87416
issue a tax bill stating the amount of tax due under section 87417
4503.06 of the Revised Code, as provided in division (D)(6) of 87418
that section. When the total tax due has been paid as required by 87419
division (F) of that section, the county treasurer shall issue a 87420
certificate evidencing registration that shall be valid in any 87421
county in this state during the year for which the certificate is 87422
issued. 87423

(4) The permanent decal issued under this division is valid 87424
during the period of ownership, except that when a manufactured 87425
home is relocated in another county the owner shall apply for a 87426
new registration as required by this section and section 4503.06 87427
of the Revised Code. 87428

(D)(1) All owners of manufactured or mobile homes subject to 87429
the manufactured home tax being relocated to or having situs in a 87430
county that has not adopted a permanent registration system, as 87431
provided in division (F) of this section, shall register the home 87432
within thirty days after the home is relocated or first acquires 87433
situs under section 4503.06 of the Revised Code and thereafter 87434
shall annually register the home with the county auditor of the 87435
county containing the taxing district in which the home has its 87436

situs. 87437

(2) Upon the annual registration, the county treasurer shall 87438
issue a tax bill stating the amount of annual manufactured home 87439
tax due under section 4503.06 of the Revised Code, as provided in 87440
division (D)(6) of that section. When a manufactured or mobile 87441
home is registered and when the tax for the current one-half year 87442
has been paid as required by division (F) of that section, the 87443
county treasurer shall issue a certificate evidencing registration 87444
and a decal. The certificate and decal are valid in any county in 87445
this state during the year for which they are issued. The decal 87446
shall be displayed on the street side of the home. 87447

(3) For the first annual registration in each county of 87448
situs, the county auditor shall require the owner or vendee to 87449
present an Ohio certificate of title, certified copy of the 87450
certificate of title, or memorandum certificate of title as such 87451
are required by law, and proof, as required by the county auditor, 87452
that the manufactured or mobile home has been previously 87453
registered, if such registration was required, that all taxes due 87454
and required to be paid under division (H)(1) of this section 87455
before a relocation notice may be issued have been paid, and that 87456
a relocation notice was obtained for the home if required by 87457
division (H) of this section. If the owner or vendee does not 87458
possess the Ohio certificate of title, certified copy of the 87459
certificate of title, or memorandum certificate of title at the 87460
time the owner or vendee first registers the home in a county, the 87461
county auditor shall register the home without presentation of the 87462
document, but the owner or vendee shall present the certificate of 87463
title, certified copy of the certificate of title, or memorandum 87464
certificate of title to the county auditor within fourteen days 87465
after the owner or vendee obtains possession of the document. When 87466
the county treasurer receives the tax payment, the county 87467
treasurer shall note by writing or by a stamp on the certificate 87468

of title, certified copy of the certificate of title, or 87469
memorandum certificate of title that the home has been registered 87470
for the current year and that the manufactured home taxes due, if 87471
any, have been paid for the preceding five years and for the 87472
current year. 87473

(4) For subsequent annual registrations, the auditor may 87474
require the owner or vendee in possession to present an Ohio 87475
certificate of title, certified copy of the certificate of title, 87476
or memorandum certificate of title to the county treasurer upon 87477
payment of the manufactured home tax that is due. 87478

(E)(1) Upon the application to transfer ownership of a 87479
manufactured or mobile home for which manufactured home taxes are 87480
paid pursuant to division (C) of section 4503.06 of the Revised 87481
Code the clerk of the court of common pleas shall not issue any 87482
certificate of title that does not contain or have attached both 87483
of the following: 87484

(a) An endorsement of the county treasurer stating that the 87485
home has been registered for each year of ownership and that all 87486
manufactured home taxes imposed pursuant to section 4503.06 of the 87487
Revised Code have been paid or that no tax is due; 87488

(b) An endorsement of the county auditor that the 87489
manufactured home transfer tax imposed pursuant to section 322.06 87490
of the Revised Code and any fees imposed under division (G) of 87491
section 319.54 of the Revised Code have been paid. 87492

(2) If all the taxes have not been paid, the clerk shall 87493
notify the vendee to contact the county treasurer of the county 87494
containing the taxing district in which the home has its situs at 87495
the time of the proposed transfer. The county treasurer shall then 87496
collect all the taxes that are due for the year of the transfer 87497
and all previous years not exceeding a total of five years. The 87498
county treasurer shall distribute that part of the collection owed 87499

to the county treasurer of other counties if the home had its 87500
situs in another county during a particular year when the unpaid 87501
tax became due and payable. The burden to prove the situs of the 87502
home in the years that the taxes were not paid is on the 87503
transferor of the home. Upon payment of the taxes, the county 87504
auditor shall remove all remaining taxes from the manufactured 87505
home tax list and the delinquent manufactured home tax list, and 87506
the county treasurer shall release all liens for such taxes. The 87507
clerk of courts shall issue a certificate of title, free and clear 87508
of all liens for manufactured home taxes, to the transferee of the 87509
home. 87510

(3) Once the transfer is complete and the certificate of 87511
title has been issued, the transferee shall register the 87512
manufactured or mobile home pursuant to division (C) or (D) of 87513
this section with the county auditor of the county containing the 87514
taxing district in which the home remains after the transfer or, 87515
if the home is relocated to another county, with the county 87516
auditor of the county to which the home is relocated. The 87517
transferee need not pay the annual tax for the year of acquisition 87518
if the original owner has already paid the annual tax for that 87519
year. 87520

(F) The county auditor may adopt a permanent registration 87521
system and issue a permanent decal with the first registration as 87522
prescribed by the tax commissioner. 87523

(G) When any manufactured or mobile home required to be 87524
registered by this section is not registered, the county auditor 87525
shall impose a penalty of one hundred dollars upon the owner and 87526
deposit the amount to the credit of the county real estate 87527

to the home during the period of ownership of the owner seeking 87546
the relocation notice have been paid. If the home is being moved 87547
by a new owner of the home or by a party taking repossession of 87548
the home, the auditor shall not issue a relocation notice unless 87549
all of the taxes due for the preceding five years and for the 87550

taxation under section 4503.06 of the Revised Code, the owner of 87563

the home shall obtain a relocation notice from the dealer of the 87564
home. Within thirty days after the manufactured or mobile home is 87565

charge, a supply of relocation notices to be distributed to 87572
purchasers pursuant to this section. 87573

(3) The notice shall be in the form of a one-foot square 87574

hundred dollars upon the owner of the home and upon the person who 87591
moved the home and deposit the amount to the credit of the county 87592
real estate assessment fund to pay the costs of administering this 87593
section and section 4503.06 of the Revised Code. If the home was 87594
relocated from one county in this state to another county in this 87595

state and the county auditor of the county to which the home was 87596
relocated imposes the penalty, that county auditor, upon 87597
collection of the penalty, shall cause an amount equal to the 87598
penalty to be transmitted from the county real estate assessment 87599
fund to the county auditor of the county from which the home was 87600
relocated, who shall deposit the amount to the credit of the 87601
county real estate assessment fund. If the penalty on the owner is 87602

peace officer acts to enforce the traffic laws of this state and 88691
during motor vehicle inspections conducted pursuant to section 88692
4513.02 of the Revised Code. 88693

(3) A peace officer shall indicate on every traffic ticket 88694
whether the person receiving the traffic ticket produced proof of 88695
the maintenance of financial responsibility in response to the 88696
officer's request under division (D)(2) of this section. The peace 88697
officer shall inform every person who receives a traffic ticket 88698
and who has failed to produce proof of the maintenance of 88699
financial responsibility that the person must submit proof to the 88700
traffic violations bureau with any payment of a fine and costs for 88701
the ticketed violation or, if the person is to appear in court for 88702
the violation, the person must submit proof to the court. 88703

(4)(a) If a person who has failed to produce proof of the 88704
maintenance of financial responsibility appears in court for a 88705
ticketed violation, the court may permit the defendant to present 88706
evidence of proof of financial responsibility to the court at such 88707
time and in such manner as the court determines to be necessary or 88708
appropriate. In a manner prescribed by the registrar, the clerk of 88709
courts shall provide the registrar with the identity of any person 88710
who fails to submit proof of the maintenance of financial 88711
responsibility pursuant to division (D)(3) of this section. 88712

(b) If a person who has failed to produce proof of the 88713
maintenance of financial responsibility also fails to submit that 88714
proof to the traffic violations bureau with payment of a fine and 88715
costs for the ticketed violation, the traffic violations bureau, 88716
in a manner prescribed by the registrar, shall notify the 88717
registrar of the identity of that person. 88718

(5)(a) Upon receiving notice from a clerk of courts or 88719
traffic violations bureau pursuant to division (D)(4) of this 88720
section, the registrar shall order the suspension of the license 88721
of the person required under division (A)(2)(a), (b), or (c) of 88722
this section and the impoundment of the person's certificate of 88723
registration and license plates required under division (A)(2)(d) 88724
of this section, effective thirty days after the date of the 88725

mailing of notification. The registrar also shall notify the 88726
person that the person must present the registrar with proof of 88727
financial responsibility in accordance with this section, 88728
surrender to the registrar the person's certificate of 88729
registration, license plates, and license, or submit a statement 88730
subject to section 2921.13 of the Revised Code that the person did 88731
not operate or permit the operation of the motor vehicle at the 88732
time of the offense. Notification shall be in writing and shall be 88733
sent to the person at the person's last known address as shown on 88734
the records of the bureau of motor vehicles. The person, within 88735
fifteen days after the date of the mailing of notification, shall 88736
present proof of financial responsibility, surrender the 88737
certificate of registration, license plates, and license to the 88738
registrar in a manner set forth in division (A)(4) of this 88739
section, or submit the statement required under this section 88740
together with other information the person considers appropriate. 88741

If the registrar does not receive proof or the person does 88742
not surrender the certificate of registration, license plates, and 88743
license, in accordance with this division, the registrar shall 88744
permit the order for the suspension of the license of the person 88745
and the impoundment of the person's certificate of registration 88746
and license plates to take effect. 88747

(b) In the case of a person who presents, within the 88748
fifteen-day period, documents to show proof of financial 88749
responsibility, the registrar shall terminate the order of 88750
suspension and the impoundment of the registration and license 88751
plates required under division (A)(2)(d) of this section and shall 88752
send written notification to the person, at the person's last 88753
known address as shown on the records of the bureau. 88754

(c) Any person adversely affected by the order of the 88755
registrar under division (D)(5)(a) or (b) of this section, within 88756
ten days after the issuance of the order, may request an 88757

administrative hearing before the registrar, who shall provide the 88758
person with an opportunity for a hearing in accordance with this 88759
paragraph. A request for a hearing does not operate as a 88760
suspension of the order. The scope of the hearing shall be limited 88761
to whether, at the time of the hearing, the person presents proof 88762
of financial responsibility covering the vehicle and whether the 88763
person is eligible for an exemption in accordance with this 88764
section or any rule adopted under it. The registrar shall 88765
determine the date, time, and place of any hearing; provided, that 88766
the hearing shall be held, and an order issued or findings made, 88767
within thirty days after the registrar receives a request for a 88768
hearing. If requested by the person in writing, the registrar may 88769
designate as the place of hearing the county seat of the county in 88770
which the person resides or a place within fifty miles of the 88771
person's residence. Such person shall pay the cost of the hearing 88772
before the registrar, if the registrar's order of suspension or 88773
impoundment under division (D)(5)(a) or (b) of this section is 88774
upheld. 88775

(6) A peace officer may charge an owner or operator of a 88776
motor vehicle with a violation of section 4510.16 of the Revised 88777
Code when the owner or operator fails to show proof of the 88778
maintenance of financial responsibility pursuant to a peace 88779
officer's request under division (D)(2) of this section, if a 88780
check of the owner or operator's driving record indicates that the 88781
owner or operator, at the time of the operation of the motor 88782
vehicle, is required to file and maintain proof of financial 88783
responsibility under section 4509.45 of the Revised Code for a 88784
previous violation of this chapter. 88785

(7) Any forms used by law enforcement agencies in 88786
administering this section shall be prescribed, supplied, and paid 88787
for by the registrar. 88788

(8) No peace officer, law enforcement agency employing a 88789

peace officer, or political subdivision or governmental agency 88790
that employs a peace officer shall be liable in a civil action for 88791
damages or loss to persons arising out of the performance of any 88792
duty required or authorized by this section. 88793

(9) As used in this division and divisions (E) and (G) of 88794
this section, "peace officer" has the meaning set forth in section 88795
2935.01 of the Revised Code. 88796

(E) All fees, except court costs, ~~fees paid to a deputy~~ 88797
~~registrar,~~ and those portions of the financial responsibility 88798
reinstatement fees as otherwise specified in this division, 88799
collected under this section shall be paid into the state treasury 88800
to the credit of the financial responsibility compliance fund. The 88801
financial responsibility compliance fund shall be used exclusively 88802
to cover costs incurred by the bureau in the administration of 88803
this section and sections 4503.20, 4507.212, and 4509.81 of the 88804
Revised Code, and by any law enforcement agency employing any 88805
peace officer who returns any license, certificate of 88806
registration, and license plates to the registrar pursuant to 88807
division (C) of this section, except that the director of budget 88808
and management may transfer excess money from the financial 88809
responsibility compliance fund to the state bureau of motor 88810
vehicles fund if the registrar determines that the amount of money 88811
in the financial responsibility compliance fund exceeds the amount 88812
required to cover such costs incurred by the bureau or a law 88813
enforcement agency and requests the director to make the transfer. 88814

Of each financial responsibility reinstatement fee the 88815
registrar collects pursuant to division (A)(5)(a) of this section 88816
~~or receives from a deputy registrar under division (A)(5)(d) of~~ 88817
~~this section,~~ the registrar shall deposit twenty-five dollars of 88818
each one-hundred-dollar reinstatement fee, fifty dollars of each 88819
three-hundred-dollar reinstatement fee, and one hundred dollars of 88820
each six-hundred-dollar reinstatement fee into the state treasury 88821

to the credit of the indigent defense support fund created by 88822
section 120.08 of the Revised Code. 88823

All investment earnings of the financial responsibility 88824
compliance fund shall be credited to the fund. 88825

(F) Chapter 119. of the Revised Code applies to this section 88826
only to the extent that any provision in that chapter is not 88827
clearly inconsistent with this section. 88828

(G)(1) The registrar, court, traffic violations bureau, or 88829
peace officer may require proof of financial responsibility to be 88830
demonstrated by use of a standard form prescribed by the 88831
registrar. If the use of a standard form is not required, a person 88832
may demonstrate proof of financial responsibility under this 88833
section by presenting to the traffic violations bureau, court, 88834
registrar, or peace officer any of the following documents or a 88835

Revised Code; 88842

(c) A policy of liability insurance, a declaration page of a 88843
policy of liability insurance, or liability bond, if the policy or 88844

of the Revised Code; 88846

(d) A bond or certification of the issuance of a bond as 88847

(2) If a person fails to demonstrate proof of financial 88853
responsibility in a manner described in division (G)(1) of this 88854
section, the person may demonstrate proof of financial 88855
responsibility under this section by any other method that the 88856
court or the bureau, by reason of circumstances in a particular 88857
case, may consider appropriate. 88858

(3) A motor carrier certificated by the interstate commerce 88859
commission or by the public utilities commission may demonstrate 88860
proof of financial responsibility by providing a statement 88861
designating the motor carrier's operating authority and averring 88862
that the insurance coverage required by the certificating 88863
authority is in full force and effect. 88864

(4)(a) A finding by the registrar or court that a person is 88865
covered by proof of financial responsibility in the form of an 88866

representatives and has no legal effect except for the purpose of 88869
administering this section. 88870

(b) The preparation and delivery of a financial 88871
responsibility identification card or any other document 88872
authorized to be used as proof of financial responsibility under 88873
this division does not do any of the following: 88874

action alleged to have arisen under an insurance policy or surety 88883
bond or by reason of the preparation and delivery of a document 88884
for use as proof of financial responsibility. 88885

(c) Whenever it is determined by a final judgment in a 88886
judicial proceeding that an insurer or surety, which has been 88887
named on a document accepted by a court or the registrar as proof 88888
of financial responsibility covering the operation of a motor 88889
vehicle at the time of an accident or offense, is not liable to 88890
pay a judgment for injuries or damages resulting from such 88891
operation, the registrar, notwithstanding any previous contrary 88892
finding, shall forthwith suspend the operating privileges and 88893
registration rights of the person against whom the judgment was 88894
rendered as provided in division (A)(2) of this section. 88895

(H) In order for any document described in division (G)(1)(b) 88896
of this section to be used for the demonstration of proof of 88897
financial responsibility under this section, the document shall 88898
state the name of the insured or obligor, the name of the insurer 88899
or surety company, and the effective and expiration dates of the 88900
financial responsibility, and designate by explicit description or 88901
by appropriate reference all motor vehicles covered which may 88902
include a reference to fleet insurance coverage. 88903

(I) For purposes of this section, "owner" does not include a 88904
licensed motor vehicle leasing dealer as defined in section 88905
4517.01 of the Revised Code, but does include a motor vehicle 88906
renting dealer as defined in section 4549.65 of the Revised Code. 88907
Nothing in this section or in section 4509.51 of the Revised Code 88908
shall be construed to prohibit a motor vehicle renting dealer from 88909
entering into a contractual agreement with a person whereby the 88910
person renting the motor vehicle agrees to be solely responsible 88911
for maintaining proof of financial responsibility, in accordance 88912
with this section, with respect to the operation, maintenance, or 88913
use of the motor vehicle during the period of the motor vehicle's 88914

rental. 88915

(J) The purpose of this section is to require the maintenance 88916
of proof of financial responsibility with respect to the operation 88917
of motor vehicles on the highways of this state, so as to minimize 88918
those situations in which persons are not compensated for injuries 88919
and damages sustained in motor vehicle accidents. The general 88920
assembly finds that this section contains reasonable civil 88921
penalties and procedures for achieving this purpose. 88922

(K) Nothing in this section shall be construed to be subject 88923
to section 4509.78 of the Revised Code. 88924

(L)(1) The registrar may terminate any suspension imposed 88925
under this section and not require the owner to comply with 88926
divisions (A)(5)(a), (b), and (c) of this section if the registrar 88927
with or without a hearing determines that the owner of the vehicle 88928
has established by clear and convincing evidence that all of the 88929
following apply: 88930

(a) The owner customarily maintains proof of financial 88931
responsibility. 88932

(b) Proof of financial responsibility was not in effect for 88933
the vehicle on the date in question for one of the following 88934
reasons: 88935

(i) The vehicle was inoperable. 88936

(ii) The vehicle is operated only seasonally, and the date in 88937
question was outside the season of operation. 88938

(iii) A person other than the vehicle owner or driver was at 88939
fault for the lapse of proof of financial responsibility through 88940
no fault of the owner or driver. 88941

(iv) The lapse of proof of financial responsibility was 88942
caused by excusable neglect under circumstances that are not 88943
likely to recur and do not suggest a purpose to evade the 88944

requirements of this chapter. 88945

(2) The registrar may grant an owner or driver relief for a 88946
reason specified in division (L)(1)(b)(i) or (ii) of this section 88947
whenever the owner or driver is randomly selected to verify the 88948
existence of proof of financial responsibility for such a vehicle. 88949
However, the registrar may grant an owner or driver relief for a 88950
reason specified in division (L)(1)(b)(iii) or (iv) of this 88951
section only if the owner or driver has not previously been 88952
granted relief under division (L)(1)(b)(iii) or (iv) of this 88953
section. 88954

(M) The registrar shall adopt rules in accordance with 88955
Chapter 119. of the Revised Code that are necessary to administer 88956
and enforce this section. The rules shall include procedures for 88957
the surrender of license plates upon failure to maintain proof of 88958
financial responsibility and provisions relating to reinstatement 88959
of registration rights, acceptable forms of proof of financial 88960
responsibility, and verification of the existence of financial 88961
responsibility during the period of registration. 88962

Sec. 4509.81. (A) Upon receipt of a notification of violation 88963
as provided in division (C) of section 4509.80 of the Revised 88964
Code; upon failure of a timely surrender of the livery license 88965
plate sticker as required by division (D) of section 4509.80 of 88966
the Revised Code; or if the registrar of motor vehicles, upon 88967
receipt of notification from an insurer of the imminent 88968
cancellation or termination of coverage required by section 88969
4509.80 of the Revised Code, fails to receive evidence of a 88970
continuation or substitution of coverage prior to the cancellation 88971
or termination date, the registrar shall order the immediate 88972
suspension of the rights of the owner of the chauffeured limousine 88973
described in the notice to register the limousine and the 88974
impoundment of the certificate of registration and registration 88975

plates for the limousine. The registrar shall notify the owner 88976
that the owner must surrender the certificate of registration and 88977
registration plates to the registrar. The notification shall be in 88978
writing and sent to the owner at the owner's last known address as 88979
shown in the records of the bureau of motor vehicles. Proceedings 88980
under this section are deemed special, summary statutory 88981
proceedings. 88982

(B) The order of suspension and impoundment of a registration 88983
shall state the date on or before which the owner of the 88984
chauffeured limousine involved is required to surrender the 88985
certificate of registration and registration plates to the 88986
registrar. The owner shall be deemed to have surrendered the 88987
certificate of registration and registration plates if the owner 88988
causes the items to be delivered to the registrar on or before the 88989
date specified in the order or mails the items to the registrar in 88990
an envelope or container bearing a postmark showing a date no 88991
later than the date specified in the order. 88992

(C) The registrar shall not restore any registration rights 88993
suspended under this section, return any certificate of 88994
registration or registration plates impounded under this section, 88995
or reissue registration plates under section 4503.232 of the 88996
Revised Code, if the registrar destroyed the impounded 88997
registration plates under that section, unless those rights are 88998
not subject to suspension under any other law and unless the owner 88999
complies with both of the following: 89000

(1) Pays to the registrar ~~or an eligible deputy registrar~~ a 89001
financial responsibility reinstatement fee of thirty dollars. The 89002
reinstatement fee may be increased, upon approval of the 89003
controlling board, up to an amount not exceeding fifty dollars. ~~In~~ 89004
~~addition, pays a service fee of ten dollars to each deputy~~ 89005
~~registrar to compensate the deputy registrar for services~~ 89006

~~performed under this section. The deputy registrar shall retain 89007
eight dollars of the service fee and shall transmit the 89008
reinstatement fee and two dollars of the service fee to the 89009
registrar in the manner the registrar shall determine. 89010~~

(2) Files and maintains proof of financial responsibility 89011
under section 4509.80 of the Revised Code. 89012

(D) Any owner adversely affected by the order of the 89013
registrar under this section ~~may~~, within ten days after the 89014
issuance of the order, may request an administrative hearing 89015
before the registrar, who shall provide the owner with an 89016
opportunity for a hearing in accordance with this division. A 89017
request for a hearing does not operate as a suspension of the 89018
order unless the owner establishes to the satisfaction of the 89019
registrar that the operation of the owner's chauffeured limousine 89020
will be covered by proof of financial responsibility during the 89021
pendency of the appeal. The scope of the hearing shall be limited 89022
to whether the owner in fact demonstrated to the registrar proof 89023
of financial responsibility in accordance with section 4509.80 of 89024
the Revised Code. The registrar shall determine the date, time, 89025
and place of any hearing, provided that the hearing shall be held 89026
and an order issued or findings made within thirty days after the 89027
registrar receives a request for a hearing. If requested by the 89028
owner in writing, the registrar may designate as the place of 89029
hearing the county seat of the county in which the owner resides 89030
or a place within fifty miles of the owner's residence. The owner 89031
shall pay the cost of the hearing before the registrar, if the 89032
registrar's order of suspension or impoundment is upheld. 89033

(E) Any order of suspension or impoundment issued under this 89034
section may be terminated at any time if the registrar determines 89035
upon a showing of proof of financial responsibility that the owner 89036
of the limousine was in compliance with section 4509.80 of the 89037
Revised Code at the time of the incident that resulted in the 89038

order against the owner. Such a determination may be made without 89039
a hearing. 89040

(F) All fees ~~except the two dollar service fee transmitted to~~ 89041
~~the registrar by a deputy registrar,~~ that are collected by the 89042
registrar ~~or transmitted to the registrar~~ under this section shall 89043
be paid into the state treasury to the credit of the financial 89044
responsibility compliance fund created by section 4509.101 of the 89045
Revised Code. 89046

(G) Chapter 119. of the Revised Code applies to this section 89047
only to the extent that any provision in that chapter is not 89048
clearly inconsistent with this section. 89049

(H)(1) Proof of financial responsibility may be demonstrated 89050
by any of the methods authorized in section 4509.80 of the Revised 89051
Code. 89052

(2) Divisions (G)(4)(a) and (b) of section 4509.101 of the 89053
Revised Code apply to any finding by the registrar under this 89054
section that an owner is covered by proof of financial 89055
responsibility. 89056

Sec. 4510.10. (A) As used in this section, "reinstatement 89057
fees" means the fees that are required under section 4507.1612, 89058
4507.45, 4509.101, 4509.81, 4511.191, 4511.951, or any other 89059
provision of the Revised Code, or under a schedule established by 89060
the bureau of motor vehicles, in order to reinstate a driver's or 89061
commercial driver's license or permit or nonresident operating 89062
privilege of an offender under a suspension. 89063

(B) Reinstatement fees are those fees that compensate the 89064
bureau of motor vehicles for suspensions, cancellations, or 89065
disqualifications of a person's driving privileges and to 89066
compensate the bureau and other agencies in their administration 89067
of programs intended to reduce and eliminate threats to public 89068

safety through education, treatment, and other activities. The 89069
registrar of motor vehicles shall not reinstate a driver's or 89070
commercial driver's license or permit or nonresident operating 89071
privilege of a person until the person has paid all reinstatement 89072
fees and has complied with all conditions for each suspension, 89073
cancellation, or disqualification incurred by that person. 89074

(C) When a municipal court or county court determines in a 89075
pending case involving an offender that the offender cannot 89076
reasonably pay reinstatement fees due and owing by the offender 89077
relative to one or more suspensions that have been or will be 89078
imposed by the bureau of motor vehicles or by a court of this 89079
state, the court, by order, may undertake an installment payment 89080
plan or a payment extension plan for the payment of reinstatement 89081
fees due and owing to the bureau in that pending case. The court 89082
shall establish an installment payment plan or a payment extension 89083
plan under this division in accordance with the requirements of 89084
divisions (D)(1) and (2) of this section. 89085

(D) Independent of the provisions of division (C) of this 89086
section, an offender who cannot reasonably pay reinstatement fees 89087
due and owing by the offender relative to a suspension that has 89088
been imposed on the offender may file a petition in the municipal 89089
court, county court, or, if the person is under the age of 89090
eighteen, the juvenile division of the court of common pleas in 89091
whose jurisdiction the person resides or, if the person is not a 89092
resident of this state, in the Franklin county municipal court or 89093
juvenile division of the Franklin county court of common pleas for 89094
an order that does either of the following, in order of 89095
preference: 89096

(1) Establishes a reasonable payment plan of not less than 89097
fifty dollars per month, to be paid by the offender to the 89098
registrar of motor vehicles ~~or an eligible deputy registrar~~, in 89099
all succeeding months until all reinstatement fees required of the 89100

~~offender are paid in full. If the person is making payments to a 89101
deputy registrar, the deputy registrar shall collect a service fee 89102

(E) If a municipal court, county court, or juvenile division 89121
enters an order of the type described in division (C) or division 89122

issuance of the order, may determine that a change of 89124
circumstances has occurred and may amend the order as justice 89125
requires, provided that the amended order also shall be an order 89126
that is permitted under division (C) or division (D)(1) or (2) of 89127
this section. 89128

(F) If a court enters an order of the type described in 89129
division (C), (D)(1), (D)(2), or (E) of this section, during the 89130
pendency of the order, the offender in relation to whom it applies 89131
is not subject to prosecution for failing to pay the reinstatement 89132

fees covered by the order. 89133

(G) Reinstatement fees are debts that may be discharged in 89134
bankruptcy. 89135

(H)(1)(a) The registrar, in accordance with Chapter 119. of 89136
the Revised Code, shall adopt rules establishing a reinstatement 89137
fee payment pilot program not later than January 1, 2013. The 89138

director of public safety, to designate at least one but not more 89140
than three clerks of a municipal court or county court to collect 89141
reinstatement fees and processing fees on behalf of the registrar. 89142
The rules shall specify all of the following: 89143

(i) The reinstatement and processing fees that the clerk may 89144
collect under the program; 89145

(ii) Minimum standards the clerk is required to meet and 89146

fee, the clerk shall collect only one service fee irrespective of 89156
the number of reinstatement and processing fees the clerk collects 89157
at any one time relative to one person. The clerk shall retain 89158
eight dollars of each service fee for the clerk's services and 89159
shall transmit the reinstatement and processing fees and the 89160
remaining two dollars of each service fee to the registrar. The 89161
registrar shall deposit the two dollars of each service fee the 89162

registrar receives from a clerk under division (H)(1)(b) of this 89163
section into the state bureau of motor vehicles fund created in 89164
section 4501.25 of the Revised Code. The rules may require a clerk 89165
who collects a reinstatement or processing fee also to collect any 89166
other valid reinstatement documents or other evidence that is 89167
submitted with the payment of the reinstatement or processing fee. 89168
The rules shall specify the time and manner in which the clerk 89169
shall transmit the fees, documents, and evidence to the registrar 89170
for final approval and clearance, as appropriate. 89171

(2) The registrar shall evaluate the effectiveness of the 89172
reinstatement fee payment pilot program for a period not to exceed 89173

with the approval of the director, shall adopt any amendments to 89176
the rules adopted under division (H)(1)(a) of this section based 89177
on the evaluation that are necessary to make the pilot program 89178
permanent and to expand the pilot program as described in division 89179
(H)(2) of this section. At a minimum, the amended rules shall 89180
require the registrar to make reasonable attempts to contract with 89181
at least one clerk of a municipal or county court in each county 89182
to collect reinstatement, processing, and service fees on behalf 89183
of the registrar unless a reinstatement office already exists in 89184
that county or the registrar determines that it is not practical 89185
to enter into such a contract with a clerk of a municipal or 89186
county court in a particular county. 89187

(3) A clerk of a municipal or county court who collects 89188
reinstatement fees, processing fees, service fees, and 89189
reinstatement documents or evidence under division (H) of this 89190
section and the applicable rules may issue an order that permits a 89191
person to operate a motor vehicle for a period not exceeding 89192
thirty days pending the registrar's final determination of whether 89193
all reinstatement requirements have been met or if additional 89194

reinstatement requirements must be met before the suspension may 89195

the fine imposed by the court, the court shall declare the 89210
forfeiture of the person's license. Thirty days after the 89211
declaration of forfeiture, the court shall inform the registrar of 89212
motor vehicles of the forfeiture by entering information relative 89213
to the forfeiture on a form approved and furnished by the 89214
registrar and sending the form to the registrar. The court also 89215

(B)(6) of section 4510.02 of the Revised Code on any person who is 89221
named in a declaration received by the registrar under this 89222
section. The registrar shall send written notification of the 89223
suspension to the person at the person's last known address and, 89224
if the person is in possession of the license, order the person to 89225
surrender the person's license or permit to the registrar within 89226

forty-eight hours. 89227

No valid driver's or commercial driver's license shall be 89228
granted to the person after the suspension, unless the court 89229
having jurisdiction of the offense that led to the suspension 89230
orders that the forfeiture be terminated. The court shall order 89231
the termination of the forfeiture if the person thereafter appears 89232
to answer the charge and pays any fine imposed by the court or 89233
pays the fine originally imposed by the court. The court shall 89234
inform the registrar of the termination of the forfeiture by 89235

approved and furnished by the registrar and sending the form to 89237
the registrar. The person shall pay to the registrar of motor 89238

(B) In addition to suspending the driver's or commercial 89253
driver's license or permit of the person named in a declaration of 89254
forfeiture, the registrar, upon receipt from the court of the copy 89255
of the declaration of forfeiture, shall take any measures that may 89256
be necessary to ensure that neither the registrar nor any deputy 89257
registrar accepts any application for the registration or transfer 89258

of registration of any motor vehicle owned or leased by the person 89259
named in the declaration of forfeiture. However, for a motor 89260
vehicle leased by a person named in a declaration of forfeiture, 89261
the registrar shall not implement the preceding sentence until the 89262
registrar adopts procedures for that implementation under section 89263

or transfer shall continue until such time as the court having 89265
jurisdiction of the offense that led to the suspension orders the 89266
forfeiture be terminated. Upon receipt by the registrar of an 89267
order terminating the forfeiture, the registrar also shall take 89268
any measures that may be necessary to permit the person to 89269
register a motor vehicle owned or leased by the person or to 89270

registration. 89274

The registrar shall not be required to give effect to any 89275
declaration of forfeiture or order terminating a forfeiture 89276

contained in the declaration or order is transmitted to the 89278
registrar by means of an electronic transfer system. The registrar 89279
shall not restore the person's driving or vehicle registration 89280

in this section. 89282

The period of denial relating to the issuance or transfer of 89283
a certificate of registration for a motor vehicle imposed pursuant 89284

conjunction with a treatment program approved by the department of 89840
alcohol and drug addiction services, when the use of the device is 89841

assistance to the applicant. If the interested program withdraws 89897
the certification application, the department must notify the 89898

Sec. 4735.13. (A) Every real estate broker licensed under 93406

this chapter shall have and maintain a definite place of business 93407
in this state. A post office box address is not a definite place 93408
of business for purposes of this section. The license of a real 93409
estate broker shall be prominently displayed in the office or 93410
place of business of the broker, and no license shall authorize 93411
the licensee to do business except from the location specified in 93412

whom the salesperson is or is to be associated until the licensee 93421
places the license on inactive, voluntary hold, or resigned status 93422
or until the salesperson leaves the brokerage or is terminated. 93423
The broker shall keep each salesperson's license in a way that it 93424
can, and shall on request, be made immediately available for 93425
public inspection at the office or place of business of the 93426
broker. Except as provided in divisions (G) and (H) of this 93427
section, immediately upon the salesperson's leaving the 93428
association or termination of the association of a real estate 93429
salesperson with the broker, the broker shall return the 93430
salesperson's license to the superintendent of real estate. 93431

The failure of a broker to return the license of a real 93432
estate salesperson or broker who leaves or who is terminated, via 93433
certified mail return receipt requested, within three business 93434
days of the receipt of a written request from the superintendent 93435
for the return of the license, is prima-facie evidence of 93436
misconduct under division (A)(6) of section 4735.18 of the Revised 93437
Code. 93438

(C) Any licensee ~~who~~ shall notify the superintendent in 93439
writing within fifteen days of any of the following occurrences: 93440

(1) The licensee is convicted of a felony ~~or~~. 93441

(2) The licensee is convicted of a crime involving moral 93442
turpitude ~~or of violating~~. 93443

(4) The licensee is found to have engaged in a discriminatory 93447
practice pertaining to housing accommodations described in 93448
division (H) of section 4112.02 of the Revised Code ~~or that~~ 93449

~~or finding within fifteen days. If~~. 93454

(6) The licensee is the subject of an order by the department 93455
of commerce, the department of insurance, or the department of 93456
agriculture revoking or permanently surrendering any professional 93457
license, certificate, or registration. 93458

(7) The licensee is the subject of an order by any government 93459
agency concerning real estate, financial matters, or the 93460
performance of fiduciary duties with respect to any license, 93461
certificate, or registration. 93462

If a licensee fails to notify the superintendent within the 93463
required time, the superintendent immediately may ~~revoke~~ suspend 93464
the license of the licensee. 93465

Any court that convicts a licensee of a violation of any 93466
municipal civil rights law pertaining to housing discrimination 93467
also shall notify the Ohio civil rights commission within fifteen 93468

days of the conviction. 93469

(D) In case of any change of business location, a broker 93470
shall give notice ~~in writing~~ to the superintendent, on a form 93471
prescribed by the superintendent, within thirty days after the 93472
change of location, whereupon the superintendent shall issue new 93473
licenses for the unexpired period without charge. If a broker 93474
changes a business location without giving the required notice and 93475
without receiving new licenses that action is prima-facie evidence 93476
of misconduct under division (A)(6) of section 4735.18 of the 93477
Revised Code. 93478

(E) If a real estate broker desires to associate with another 93479
real estate broker in the capacity of a real estate salesperson, 93480
the broker shall apply to the superintendent to deposit the 93481
broker's real estate broker's license with the superintendent and 93482
for the issuance of a real estate salesperson's license. The 93483
application shall be made on a form prescribed by the 93484
superintendent and shall be accompanied by the recommendation of 93485
the real estate broker with whom the applicant intends to become 93486
associated and a fee of twenty-five dollars for the real estate 93487
salesperson's license. One dollar of the fee shall be credited to 93488
the real estate education and research fund. If the superintendent 93489
is satisfied that the applicant is honest, truthful, and of good 93490
reputation, has not been convicted of a felony or a crime 93491
involving moral turpitude, and has not been finally adjudged by a 93492
court to have violated any municipal, state, or federal civil 93493
rights laws relevant to the protection of purchasers or sellers of 93494
real estate, and that the association of the real estate broker 93495
and the applicant will be in the public interest, the 93496
superintendent shall grant the application and issue a real estate 93497
salesperson's license to the applicant. Any license so deposited 93498
with the superintendent shall be subject to this chapter. A broker 93499
who intends to deposit the broker's license with the 93500

superintendent, as provided in this section, shall give written 93501
notice of this fact in a format prescribed by the superintendent 93502
to all salespersons associated with the broker when applying to 93503
place the broker's license on deposit. 93504

(F) If a real estate broker desires to become a member or 93505
officer of a partnership, association, limited liability company, 93506
limited liability partnership, or corporation that is or intends 93507
to become a licensed real estate broker, the broker shall notify 93508
the superintendent of the broker's intentions. The notice of 93509
intention shall be on a form prescribed by the superintendent and 93510
shall be accompanied by a fee of twenty-five dollars. One dollar 93511
of the fee shall be credited to the real estate education and 93512
research fund. 93513

~~No A licensed real estate broker who is a member or officer 93514
of a partnership, association, limited liability company, limited 93515
liability partnership, or corporation ~~that is a licensed real 93516
estate broker~~ shall ~~perform any acts~~ only act as a real estate 93517
broker ~~other than as the agent of the~~ for such partnership, 93518
association, limited liability company, limited liability 93519
partnership, or corporation, ~~and such broker shall not have any 93520
real estate salespersons associated with the broker.~~ 93521~~

(G) If a real estate broker or salesperson enters the armed 93522
forces, the broker or salesperson may place the broker's or 93523
salesperson's license on deposit with the Ohio real estate 93524
commission. The licensee shall not be required to renew the 93525
license until the renewal date that follows the date of discharge 93526
from the armed forces. Any license deposited with the commission 93527
shall be subject to this chapter. Any licensee whose license is on 93528
deposit under this division and who fails to meet the continuing 93529
education requirements of section 4735.141 of the Revised Code 93530
because the licensee is in the armed forces shall satisfy the 93531
commission that the licensee has complied with the continuing 93532

education requirements within twelve months of the licensee's 93533
first birthday after discharge. The ~~commission~~ superintendent 93534
shall notify the licensee of the licensee's obligations under 93535
section 4735.141 of the Revised Code at the time the licensee 93536
applies for reactivation of the licensee's license. 93537

(H) If a licensed real estate salesperson submits an 93538
application to the superintendent to leave the association of one 93539
broker to associate with a different broker, the broker possessing 93540
the licensee's license need not return the salesperson's license 93541
to the superintendent. The superintendent may process the 93542
application regardless of whether the licensee's license is 93543
returned to the superintendent. 93544

Sec. 4735.14. (A) Each license issued under this chapter, 93545
shall be valid without further recommendation or examination until 93546
it is placed in an inactive, voluntary hold, or resigned status, 93547
is revoked or suspended, or such license expires by operation of 93548
law. 93549

(B) Except for a licensee who has placed the licensee's 93550
license on voluntary hold or resigned status pursuant to section 93551
4735.142 of the Revised Code, each licensed broker, brokerage, or 93552
salesperson shall file, on or before the date the Ohio real estate 93553
commission has adopted by rule for that licensee in accordance 93554
with division (A)(2)(f) of section 4735.10 of the Revised Code, a 93555
notice of renewal on a form prescribed by the superintendent of 93556
real estate. The notice of renewal shall be mailed by the 93557
superintendent two months prior to the filing deadline to the ~~most~~ 93558
~~current~~ personal residence address of each broker or salesperson 93559
~~as filed with the superintendent by the licensee and the place of~~ 93560
~~business address of the brokerage~~ that is on file with the 93561
division. If the licensee is a partnership, association, limited 93562
liability company, limited liability partnership, or corporation, 93563

the notice of renewal shall be mailed by the superintendent two 93564
months prior to the filing deadline to the brokerage's business 93565
address on file with the division. A licensee shall not renew the 93566
licensee's license any earlier than two months prior to the filing 93567
deadline. 93568

(C) Except as otherwise provided in division (B) of this 93569
section, the license of any real estate broker, brokerage, or 93570
salesperson that fails to file a notice of renewal on or before 93571
the filing deadline of each ensuing year shall be suspended 93572
automatically without the taking of any action by the 93573
superintendent. A suspended license may be reactivated within 93574
twelve months of the date of suspension, provided that the renewal 93575
fee plus a penalty fee of fifty per cent of the renewal fee is 93576
paid to the superintendent. Failure to reactivate the license as 93577
provided in this division shall result in automatic revocation of 93578
the license without the taking of any action by the 93579
superintendent. No person, partnership, association, corporation, 93580
limited liability company, or limited partnership shall engage in 93581
any act or acts for which a real estate license is required while 93582
that entity's license is placed in an inactive, voluntary hold, or 93583
resigned status, or is suspended, or revoked. The commission shall 93584
adopt rules in accordance with Chapter 119. of the Revised Code to 93585
provide to licensees notice of suspension or revocation or both. 93586

(D) Each licensee shall notify the commission of a change in 93587
personal residence address. A licensee's failure to notify the 93588
commission of a change in personal residence address does not 93589
negate the requirement to file the license renewal by the required 93590
deadline established by the commission by rule under division 93591
(A)(2)(f) of section 4735.10 of the Revised Code. 93592

(E) The superintendent shall not renew a license if the 93593
licensee fails to comply with section 4735.141 of the Revised Code 93594
or is otherwise not in compliance with this chapter. 93595

(F) The superintendent shall make notice of successful renewal available electronically to licensees as soon as practicable, but not later than thirty days after receipt by the division of a complete application and renewal fee. This notice shall serve as a notice of renewal for purposes of section 4745.02 of the Revised Code.

Sec. 4735.141. (A) Except as otherwise provided in this division and except for a licensee who has placed the licensee's license on voluntary hold or resigned status pursuant to section 4735.142 of the Revised Code, each person licensed under section 4735.07 or 4735.09 of the Revised Code shall submit proof satisfactory to the superintendent of real estate that the licensee has satisfactorily completed thirty hours of continuing education, as prescribed by the Ohio real estate commission pursuant to section 4735.10 of the Revised Code, on or before the licensee's birthday occurring three years after the licensee's date of initial licensure, and on or before the licensee's birthday every three years thereafter.

Persons licensed as real estate salespersons who subsequently become licensed real estate brokers shall continue to submit proof of continuing education in accordance with the time period established in this section.

The requirements of this section shall not apply to any ~~physically handicapped~~ disabled licensee as provided in division (E) of this section.

Each licensee who is seventy years of age or older, within a continuing education reporting period, shall submit proof satisfactory to the superintendent of real estate that the licensee has satisfactorily completed a total of nine classroom hours of continuing education, including instruction in Ohio real estate law; recently enacted state and federal laws affecting the

real estate industry; municipal, state, and federal civil rights 93627
law; and canons of ethics for the real estate industry as adopted 93628
by the commission. The required proof of completion shall be 93629
submitted on or before the licensee's birthday that falls in the 93630
third year of that continuing education reporting period. A 93631
licensee who is seventy years of age or older whose license is in 93632
an inactive status is exempt from the continuing education 93633
requirements specified in this section. The commission shall adopt 93634
reasonable rules in accordance with Chapter 119. of the Revised 93635
Code to carry out the purposes of this paragraph. 93636

(B) The continuing education requirements of this section 93637
shall be completed in schools, seminars, and educational 93638
institutions approved by the commission. Such approval shall be 93639
given according to rules established by the commission under the 93640
procedures of Chapter 119. of the Revised Code, and shall not be 93641
limited to institutions providing two-year or four-year degrees. 93642
Each school, seminar, or educational institution approved under 93643
this division shall be open to all licensees on an equal basis. 93644

(C) If the requirements of this section are not met by a 93645
licensee within the period specified, the licensee's license shall 93646
be suspended automatically without the taking of any action by the 93647
superintendent. The superintendent shall notify the licensee of 93648
the license suspension, and such notification shall be sent by 93649
regular mail to the personal residence address of the licensee 93650
that is on file with the division. Any license so suspended shall 93651
remain suspended until it is reactivated by the superintendent. No 93652
such license shall be reactivated until it is established, to the 93653
satisfaction of the superintendent, that the requirements of this 93654
section have been met. If the requirements of this section are not 93655
met within twelve months from the date the license was suspended, 93656
the license shall be revoked automatically without the taking of 93657
any action by the superintendent. 93658

(D) If the license of a real estate broker is suspended 93659
pursuant to division (C) of this section, the license of a real 93660
estate salesperson associated with that broker correspondingly is 93661
suspended pursuant to division (H) of section 4735.20 of the 93662
Revised Code. ~~However, the A sole broker shall notify affiliated~~ 93663
~~salespersons of the suspension in writing within three days of~~ 93664
~~receiving the notice required by division (C) of this section.~~ 93665

(1) The suspended license of the associated real estate 93666
salesperson shall be reactivated and no fee shall be charged or 93667
collected for that reactivation if ~~all of the following occur:~~ 93668

~~(1) That that~~ that broker subsequently submits proof to the 93669
superintendent that the broker has complied with the requirements 93670
of this section and requests that the broker's license as a real 93671
estate broker be reactivated. 93672

~~(2) The, and the~~ superintendent then reactivates the broker's 93673
license as a real estate broker. 93674

~~(3) The associated real estate salesperson intends to~~ 93675
~~continue to be associated with that broker, has complied with the~~ 93676
~~requirements of this section, and otherwise is in compliance with~~ 93677
~~this chapter.~~ 93678

(2) If the real estate salesperson submits an application to 93679
leave the association of the suspended broker in order to 93680
associate with a different broker, the suspended license of the 93681
associated real estate salesperson shall be reactivated and no fee 93682
shall be charged or collected for that reactivation. The 93683
superintendent may process the application regardless of whether 93684
the licensee's license is returned to the superintendent. 93685

Any person whose license is reactivated pursuant to this 93686
division shall ~~submit proof satisfactory to the superintendent~~ 93687
~~that the person has completed thirty hours of continuing~~ 93688
~~education, as prescribed by the Ohio real estate commission, on or~~ 93689

~~before the third year following the licensee's birthday occurring~~ 93690
~~immediately after reactivation~~ comply with the requirements of 93691
this section and otherwise be in compliance with this chapter. 93692

(E) Any licensee who is a ~~physically handicapped~~ disabled 93693
licensee at any time during the last three months of the third 93694
year of the licensee's continuing education reporting period may 93695
receive an extension of time as deemed appropriate by the 93696
superintendent to submit proof to the superintendent that the 93697
licensee has satisfactorily completed the required thirty hours of 93698
continuing education. To receive an extension of time, the 93699
licensee shall submit a request to the division of real estate for 93700
the extension and proof satisfactory to the commission that the 93701
licensee was a ~~physically handicapped~~ disabled licensee at some 93702
time during the last three months of the three-year reporting 93703
