twenty-one days of their filing, of permits for which applications 31772
are pending. 31773

(E) A well shall be drilled and operated in accordance with 31774

the plans, sworn statements, and other information submitted in 31775
the approved application. 31776

it that will present an imminent danger to public health or safety 31780
or damage to the environment, provided that where the chief finds 31781
that terms or conditions to the permit can reasonably be expected 31782
to prevent such violations, the chief shall issue the permit 31783
subject to those terms or conditions, including, if applicable, 31784
terms and conditions regarding subjects identified in rules 31785
adopted under section 1509.03 of the Revised Code. The issuance of 31786
a permit shall not be considered an order of the chief. 31787

(G) Each application for a permit required by section 1509.05 31788
of the Revised Code, except an application to plug back an 31789
existing well that is required by that section and an application 31790

the Revised Code, also shall be accompanied by a nonrefundable fee 31792
as follows: 31793

(1) Five hundred dollars for a permit to conduct activities 31794
in a township with a population of fewer than ten thousand; 31795

(2) Seven hundred fifty dollars for a permit to conduct 31796
activities in a township with a population of ten thousand or 31797

determined using the most recent federal decennial census. 31806

Each application for the revision or reissuance of a permit 31807

site-specific terms and conditions that may be attached to the 31813
permit. At the site review, a representative of the division shall 31814
consider fencing, screening, and landscaping requirements, if any, 31815
for similar structures in the community in which the well is 31816
proposed to be located. The terms and conditions that are attached 31817
to the permit shall include the establishment of fencing, 31818
screening, and landscaping requirements for the surface facilities 31819
of the proposed well, including a tank battery of the well. 31820

(I) A permit shall be issued by the chief in accordance with 31821
this chapter. A permit issued under this section for a well that 31822
is or is to be located in an urbanized area shall be valid for 31823

or plugback operations. 31831

Sec. 1509.061. An owner of a well who has been issued a 31832
permit under section 1509.06 of the Revised Code may submit to the 31833
chief of the division of ~~mineral~~ oil and gas resources management, 31834
on a form prescribed by the chief, a request to revise an existing 31835

tract upon which exists a producing or idle well. The chief shall 31836
adopt, and may amend and rescind, rules under section 1509.03 of 31837
the Revised Code that are necessary for the administration of this 31838
section. The rules at least shall stipulate the information to be 31839
included on the request form and shall establish a fee to be paid 31840
by the person submitting the request, which fee shall not exceed 31841

The chief shall approve a request submitted under this 31843
section unless it would result in a violation of this chapter or 31844
rules adopted under it, including provisions establishing spacing 31845
or minimum acreage requirements. 31846

Sec. 1509.062. (A)(1) The owner of a well that has not been 31847

this section, or perform another activity regarding the well that 31854
is approved by the chief of the division of ~~mineral~~ oil and gas 31855
resources management. 31856

(2) If a well has a reported annual production that is less 31857
than one hundred thousand cubic feet of natural gas or fifteen 31858
barrels of crude oil, or a combination thereof, the chief may 31859
require the owner of the well to submit an application for 31860
temporary inactive well status under this section for the well. 31861

(B) In order for the owner of a well to submit an application 31862

corporation, the name and address of the corporation's statutory 31871
agent; 31872

(2) The signature of the owner or of the owner's authorized 31873
agent. When an authorized agent signs an application, the 31874
application shall be accompanied by a certified copy of the 31875
appointment as such agent. 31876

(3) The permit number assigned to the well. If the well has 31877
not been assigned a permit number, the chief shall assign a permit 31878
number to the well. 31879

(4) A map, on a scale not smaller than four hundred feet to 31880
the inch, that shows the location of the well and the tank 31881
battery, that includes the latitude and longitude of the well, and 31882
that contains all other data that are required by the chief; 31883

(5) A demonstration that the well is of future utility and 31884
that the applicant has a viable plan to utilize the well within a 31885
reasonable period of time; 31886

(6) A demonstration that the well poses no threat to the 31887
health or safety of persons, property, or the environment; 31888

(7) Any other relevant information that the chief prescribes 31889
by rule. 31890

The chief may waive any of the requirements established in 31891
divisions (B)(1) to (6) of this section if the division of ~~mineral~~ 31892
oil and gas resources management possesses a current copy of the 31893
information or document that is required in the applicable 31894
division. 31895

(C) Upon receipt of an application for temporary inactive 31896

well status, the chief shall review the application and shall 31897
either deny the application by issuing an order or approve the 31898
application. The chief shall approve the application only if the 31899
chief determines that the well that is the subject of the 31900
application poses no threat to the health or safety of persons, 31901
property, or the environment. If the chief approves the 31902
application, the chief shall notify the applicant of the chief's 31903
approval. Upon receipt of the chief's approval, the owner shall 31904
shut in the well and empty all liquids and gases from all storage 31905
tanks, pipelines, and other equipment associated with the well. In 31906
addition, the owner shall maintain the well, other equipment 31907
associated with the well, and the surface location of the well in 31908
a manner that prevents hazards to the health and safety of people 31909
and the environment. The owner shall inspect the well at least 31910
every six months and submit to the chief within fourteen days 31911
after the inspection a record of inspection on a form prescribed 31912
and provided by the chief. 31913

(D) Not later than thirty days prior to the expiration of 31914
temporary inactive well status or a renewal of temporary inactive 31915
well status approved by the chief for a well, the owner of the 31916
well may submit to the chief an application for renewal of the 31917
temporary inactive well status on a form prescribed and provided 31918
by the chief. The application shall include a detailed plan that 31919
describes the ultimate disposition of the well, the time frames 31920
for that disposition, and any other information that the chief 31921
determines is necessary. The chief shall either deny an 31922
application by order or approve the application. If the chief 31923
approves the application, the chief shall notify the owner of the 31924
well of the chief's approval. 31925

(E) An application for temporary inactive well status shall 31926
be accompanied by a nonrefundable fee of one hundred dollars. An 31927
application for a renewal of temporary inactive well status shall 31928

be accompanied by a nonrefundable fee of two hundred fifty dollars 31929
for the first renewal and five hundred dollars for each subsequent 31930
renewal. 31931

(F) After a third renewal, the chief may require an owner to 31932
provide a surety bond in an amount not to exceed ten thousand 31933
dollars for each of the owner's wells that has been approved by 31934
the chief for temporary inactive well status. 31935

(G) Temporary inactive well status approved by the chief 31936
expires one year after the date of approval of the application for 31937
temporary inactive well status or production from the well 31938
commences, whichever occurs sooner. In addition, a renewal of a 31939
temporary inactive well status expires one year after the 31940
expiration date of the initial temporary inactive well status or 31941
one year after the expiration date of the previous renewal of the 31942
temporary inactive well status, as applicable, or production from 31943
the well commences, whichever occurs sooner. 31944

(H) The owner of a well that has been approved by the chief 31945
for temporary inactive well status may commence production from 31946
the well at any time. Not later than sixty days after the 31947
commencement of production from such a well, the owner shall 31948
notify the chief of the commencement of production. 31949

(I) This chapter and rules adopted under it, any terms and 31950
conditions of the permit for a well, and applicable orders issued 31951
by the chief apply to a well that has been approved by the chief 31952
for temporary inactive well status or renewal of that status. 31953

Sec. 1509.07. An owner of any well, except an exempt 31954
Mississippian well or an exempt domestic well, shall obtain 31955
liability insurance coverage from a company authorized to do 31956
business in this state in an amount of not less than one million 31957
dollars bodily injury coverage and property damage coverage to pay 31958
damages for injury to persons or damage to property caused by the 31959

drilling, operation, or plugging of all the owner's wells in this 31960
state. However, if any well is located within an urbanized area, 31961
the owner shall obtain liability insurance coverage in an amount 31962
of not less than three million dollars for bodily injury coverage 31963
and property damage coverage to pay damages for injury to persons 31964
or damage to property caused by the drilling, operation, or 31965
plugging of all of the owner's wells in this state. The owner 31966
shall maintain the coverage until all the owner's wells are 31967
plugged and abandoned or are transferred to an owner who has 31968
obtained insurance as required under this section and who is not 31969
under a notice of material and substantial violation or under a 31970
suspension order. The owner shall provide proof of liability 31971
insurance coverage to the chief of the division of ~~mineral oil and~~ 31972
gas resources management upon request. Upon failure of the owner 31973
to provide that proof when requested, the chief may order the 31974
suspension of any outstanding permits and operations of the owner 31975
until the owner provides proof of the required insurance coverage. 31976

Except as otherwise provided in this section, an owner of any 31977
well, before being issued a permit under section 1509.06 of the 31978
Revised Code or before operating or producing from a well, shall 31979
execute and file with the division of ~~mineral oil and gas~~ 31980
resources management a surety bond conditioned on compliance with 31981
the restoration requirements of section 1509.072, the plugging 31982
requirements of section 1509.12, the permit provisions of section 31983
1509.13 of the Revised Code, and all rules and orders of the chief 31984
relating thereto, in an amount set by rule of the chief. 31985

The owner may deposit with the chief, instead of a surety 31986
bond, cash in an amount equal to the surety bond as prescribed 31987
pursuant to this section or negotiable certificates of deposit or 31988
irrevocable letters of credit, issued by any bank organized or 31989
transacting business in this state or by any savings and loan 31990
association as defined in section 1151.01 of the Revised Code, 31991

having a cash value equal to or greater than the amount of the 31992
surety bond as prescribed pursuant to this section. Cash or 31993
certificates of deposit shall be deposited upon the same terms as 31994
those upon which surety bonds may be deposited. If certificates of 31995
deposit are deposited with the chief instead of a surety bond, the 31996
chief shall require the bank or savings and loan association that 31997
issued any such certificate to pledge securities of a cash value 31998
equal to the amount of the certificate that is in excess of the 31999
amount insured by any of the agencies and instrumentalities 32000
created under the "Federal Deposit Insurance Act," 64 Stat. 873 32001
(1950), 12 U.S.C. 1811, as amended, and regulations adopted under 32002
it, including at least the federal deposit insurance corporation, 32003
bank insurance fund, and savings association insurance fund. The 32004
securities shall be security for the repayment of the certificate 32005
of deposit. 32006

Immediately upon a deposit of cash, certificates of deposit, 32007
or letters of credit with the chief, the chief shall deliver them 32008
to the treasurer of state who shall hold them in trust for the 32009
purposes for which they have been deposited. 32010

Instead of a surety bond, the chief may accept proof of 32011
financial responsibility consisting of a sworn financial statement 32012
showing a net financial worth within this state equal to twice the 32013
amount of the bond for which it substitutes and, as may be 32014
required by the chief, a list of producing properties of the owner 32015
within this state or other evidence showing ability and intent to 32016
comply with the law and rules concerning restoration and plugging 32017
that may be required by rule of the chief. The owner of an exempt 32018
Mississippian well is not required to file scheduled updates of 32019
the financial documents, but shall file updates of those documents 32020
if requested to do so by the chief. The owner of a nonexempt 32021
Mississippian well shall file updates of the financial documents 32022
in accordance with a schedule established by rule of the chief. 32023

The chief, upon determining that an owner for whom the chief has
accepted proof of financial responsibility instead of bond cannot
demonstrate financial responsibility, shall order that the owner
execute and file a bond or deposit cash, certificates of deposit,
or irrevocable letters of credit as required by this section for
the wells specified in the order within ten days of receipt of the
order. If the order is not complied with, all wells of the owner
that are specified in the order and for which no bond is filed or
cash, certificates of deposit, or letters of credit are deposited
shall be plugged. No owner shall fail or refuse to plug such a
well. Each day on which such a well remains unplugged thereafter
constitutes a separate offense.

The surety bond provided for in this section shall be
executed by a surety company authorized to do business in this
state.

The chief shall not approve any bond until it is personally
signed and acknowledged by both principal and surety, or as to
either by the principal's or surety's attorney in fact, with a
certified copy of the power of attorney attached thereto. The
chief shall not approve a bond unless there is attached a
certificate of the superintendent of insurance that the company is
authorized to transact a fidelity and surety business in this
state.

All bonds shall be given in a form to be prescribed by the
chief and shall run to the state as obligee.

An owner of an exempt Mississippian well or an exempt
domestic well, in lieu of filing a surety bond, cash in an amount
equal to the surety bond, certificates of deposit, irrevocable
letters of credit, or a sworn financial statement, may file a
one-time fee of fifty dollars, which shall be deposited in the oil
and gas well plugging fund created in section 1509.071 of the
Revised Code.

An owner, operator, producer, or other person shall not 32056
operate a well or produce from a well at any time if the owner, 32057
operator, producer, or other person has not satisfied the 32058
requirements established in this section. 32059

Sec. 1509.071. (A) When the chief of the division of ~~mineral~~ 32060
oil and gas resources management finds that an owner has failed to 32061
comply with a final nonappealable order issued or compliance 32062
agreement entered into under section 1509.04, the restoration 32063
requirements of section 1509.072, plugging requirements of section 32064
1509.12, or permit provisions of section 1509.13 of the Revised 32065
Code, or rules and orders relating thereto, the chief shall make a 32066
finding of that fact and declare any surety bond filed to ensure 32067
compliance with those sections and rules forfeited in the amount 32068
set by rule of the chief. The chief thereupon shall certify the 32069
total forfeiture to the attorney general, who shall proceed to 32070
collect the amount of the forfeiture. In addition, the chief may 32071
require an owner, operator, producer, or other person who 32072
forfeited a surety bond to post a new surety bond in the amount of 32073
fifteen thousand dollars for a single well, thirty thousand 32074
dollars for two wells, or fifty thousand dollars for three or more 32075
wells. 32076

In lieu of total forfeiture, the surety or owner, at the 32077
surety's or owner's option, may cause the well to be properly 32078
plugged and abandoned and the area properly restored or pay to the 32079
treasurer of state the cost of plugging and abandonment. 32080

(B) All moneys collected because of forfeitures of bonds as 32081
provided in this section shall be deposited in the state treasury 32082
to the credit of the oil and gas well fund created in section 32083
1509.02 of the Revised Code. 32084

The chief annually shall spend not less than fourteen per 32085
cent of the revenue credited to the fund during the previous 32086

fiscal year for the following purposes: 32087

(1) In accordance with division (D) of this section, to plug 32088
idle and orphaned wells or to restore the land surface properly as 32089
required in section 1509.072 of the Revised Code; 32090

(2) In accordance with division (E) of this section, to 32091
correct conditions that the chief reasonably has determined are 32092
causing imminent health or safety risks at an idle and orphaned 32093
well or a well for which the owner cannot be contacted in order to 32094
initiate a corrective action within a reasonable period of time as 32095
determined by the chief. 32096

Expenditures from the fund shall be made only for lawful 32097
purposes. In addition, expenditures from the fund shall not be 32098
made to purchase real property or to remove a dwelling in order to 32099
access a well. 32100

(C)(1) Upon determining that the owner of a well has failed 32101
to properly plug and abandon it or to properly restore the land 32102
surface at the well site in compliance with the applicable 32103
requirements of this chapter and applicable rules adopted and 32104
orders issued under it or that a well is an abandoned well for 32105
which no funds are available to plug the well in accordance with 32106
this chapter, the chief shall do all of the following: 32107

(a) Determine from the records in the office of the county 32108
recorder of the county in which the well is located the identity 32109
of the owner of the land on which the well is located, the 32110
identity of the owner of the oil or gas lease under which the well 32111
was drilled or the identity of each person owning an interest in 32112
the lease, and the identities of the persons having legal title 32113
to, or a lien upon, any of the equipment appurtenant to the well; 32114

(b) Mail notice to the owner of the land on which the well is 32115
located informing the landowner that the well is to be plugged. If 32116
the owner of the oil or gas lease under which the well was drilled 32117

is different from the owner of the well or if any persons other 32118
than the owner of the well own interests in the lease, the chief 32119
also shall mail notice that the well is to be plugged to the owner 32120
of the lease or to each person owning an interest in the lease, as 32121
appropriate. 32122

(c) Mail notice to each person having legal title to, or a 32123
lien upon, any equipment appurtenant to the well, informing the 32124
person that the well is to be plugged and offering the person the 32125
opportunity to plug the well and restore the land surface at the 32126
well site at the person's own expense in order to avoid forfeiture 32127
of the equipment to this state. 32128

(2) If none of the persons described in division (C)(1)(c) of 32129
this section plugs the well within sixty days after the mailing of 32130
the notice required by that division, all equipment appurtenant to 32131
the well is hereby declared to be forfeited to this state without 32132
compensation and without the necessity for any action by the state 32133
for use to defray the cost of plugging and abandoning the well and 32134
restoring the land surface at the well site. 32135

(D) Expenditures from the fund for the purpose of division 32136
(B)(1) of this section shall be made in accordance with either of 32137
the following: 32138

(1) The expenditures may be made pursuant to contracts 32139
entered into by the chief with persons who agree to furnish all of 32140
the materials, equipment, work, and labor as specified and 32141
provided in such a contract for activities associated with the 32142
restoration or plugging of a well as determined by the chief. The 32143
activities may include excavation to uncover a well, geophysical 32144
methods to locate a buried well when clear evidence of leakage 32145
from the well exists, cleanout of wellbores to remove material 32146
from a failed plugging of a well, plugging operations, 32147
installation of vault and vent systems, including associated 32148
engineering certifications and permits, restoration of property, 32149

and repair of damage to property that is caused by such 32150
activities. Expenditures shall not be used for salaries, 32151
maintenance, equipment, or other administrative purposes, except 32152
for costs directly attributed to the plugging of an idle and 32153
orphaned well. Agents or employees of persons contracting with the 32154
chief for a restoration or plugging project may enter upon any 32155
land, public or private, on which the well is located for the 32156
purpose of performing the work. Prior to such entry, the chief 32157
shall give to the following persons written notice of the 32158
existence of a contract for a project to restore or plug a well, 32159
the names of the persons with whom the contract is made, and the 32160
date that the project will commence: the owner of the well, the 32161
owner of the land upon which the well is located, the owner or 32162
agents of adjoining land, and, if the well is located in the same 32163
township as or in a township adjacent to the excavations and 32164
workings of a mine and the owner or lessee of that mine has 32165
provided written notice identifying those townships to the chief 32166
at any time during the immediately preceding three years, the 32167
owner or lessee of the mine. 32168

(2)(a) The owner of the land on which a well is located who 32169
has received notice under division (C)(1)(b) of this section may 32170
plug the well and be reimbursed by the division of oil and gas 32171
resources management for the reasonable cost of plugging the well. 32172
In order to plug the well, the landowner shall submit an 32173
application to the chief on a form prescribed by the chief and 32174
approved by the technical advisory council on oil and gas created 32175
in section 1509.38 of the Revised Code. The application, at a 32176
minimum, shall require the landowner to provide the same 32177
information as is required to be included in the application for a 32178
permit to plug and abandon under section 1509.13 of the Revised 32179
Code. The application shall be accompanied by a copy of a proposed 32180
contract to plug the well prepared by a contractor regularly 32181
engaged in the business of plugging oil and gas wells. The 32182

proposed contract shall require the contractor to furnish all of 32183
the materials, equipment, work, and labor necessary to plug the 32184
well properly and shall specify the price for doing the work, 32185
including a credit for the equipment appurtenant to the well that 32186
was forfeited to the state through the operation of division 32187
(C)(2) of this section. Expenditures under division (D)(2)(a) of 32188
this section shall be consistent with the expenditures for 32189
activities described in division (D)(1) of this section. The 32190
application also shall be accompanied by the permit fee required 32191
by section 1509.13 of the Revised Code unless the chief, in the 32192
chief's discretion, waives payment of the permit fee. The 32193
application constitutes an application for a permit to plug and 32194
abandon the well for the purposes of section 1509.13 of the 32195
Revised Code. 32196

(b) Within thirty days after receiving an application and 32197
accompanying proposed contract under division (D)(2)(a) of this 32198
section, the chief shall determine whether the plugging would 32199
comply with the applicable requirements of this chapter and 32200
applicable rules adopted and orders issued under it and whether 32201
the cost of the plugging under the proposed contract is 32202
reasonable. If the chief determines that the proposed plugging 32203
would comply with those requirements and that the proposed cost of 32204
the plugging is reasonable, the chief shall notify the landowner 32205
of that determination and issue to the landowner a permit to plug 32206
and abandon the well under section 1509.13 of the Revised Code. 32207
Upon approval of the application and proposed contract, the chief 32208
shall transfer ownership of the equipment appurtenant to the well 32209
to the landowner. The chief may disapprove an application 32210
submitted under division (D)(2)(a) of this section if the chief 32211
determines that the proposed plugging would not comply with the 32212
applicable requirements of this chapter and applicable rules 32213
adopted and orders issued under it, that the cost of the plugging 32214
under the proposed contract is unreasonable, or that the proposed 32215

contract is not a bona fide, ~~arms~~ arm's length contract. 32216

(c) After receiving the chief's notice of the approval of the 32217
application and permit to plug and abandon a well under division 32218
(D)(2)(b) of this section, the landowner shall enter into the 32219
proposed contract to plug the well. 32220

(d) Upon determining that the plugging has been completed in 32221
compliance with the applicable requirements of this chapter and 32222
applicable rules adopted and orders issued under it, the chief 32223
shall reimburse the landowner for the cost of the plugging as set 32224
forth in the proposed contract approved by the chief. The 32225
reimbursement shall be paid from the oil and gas well fund. If the 32226
chief determines that the plugging was not completed in accordance 32227
with the applicable requirements, the chief shall not reimburse 32228
the landowner for the cost of the plugging, and the landowner or 32229
the contractor, as applicable, promptly shall transfer back to 32230
this state title to and possession of the equipment appurtenant to 32231
the well that previously was transferred to the landowner under 32232
division (D)(2)(b) of this section. If any such equipment was 32233
removed from the well during the plugging and sold, the landowner 32234
shall pay to the chief the proceeds from the sale of the 32235
equipment, and the chief promptly shall pay the moneys so received 32236
to the treasurer of state for deposit into the oil and gas well 32237
fund. 32238

The chief may establish an annual limit on the number of 32239
wells that may be plugged under division (D)(2) of this section or 32240
an annual limit on the expenditures to be made under that 32241
division. 32242

As used in division (D)(2) of this section, "plug" and 32243
"plugging" include the plugging of the well and the restoration of 32244
the land surface disturbed by the plugging. 32245

(E) Expenditures from the oil and gas well fund for the 32246

purpose of division (B)(2) of this section may be made pursuant to 32247
contracts entered into by the chief with persons who agree to 32248
furnish all of the materials, equipment, work, and labor as 32249
specified and provided in such a contract. The competitive bidding 32250
requirements of Chapter 153. of the Revised Code do not apply if 32251
the chief reasonably determines that correction of the applicable 32252
health or safety risk requires immediate action. The chief, 32253
designated representatives of the chief, and agents or employees 32254
of persons contracting with the chief under this division may 32255
enter upon any land, public or private, for the purpose of 32256
performing the work. 32257

(F) Contracts entered into by the chief under this section 32258
are not subject to either of the following: 32259

(1) Chapter 4115. of the Revised Code; 32260

(2) Section 153.54 of the Revised Code, except that the 32261
contractor shall obtain and provide to the chief as a bid guaranty 32262
a surety bond or letter of credit in an amount equal to ten per 32263
cent of the amount of the contract. 32264

(G) The owner of land on which a well is located who has 32265
received notice under division (C)(1)(b) of this section, in lieu 32266
of plugging the well in accordance with division (D)(2) of this 32267
section, may cause ownership of the well to be transferred to an 32268
owner who is lawfully doing business in this state and who has met 32269
the financial responsibility requirements established under 32270
section 1509.07 of the Revised Code, subject to the approval of 32271
the chief. The transfer of ownership also shall be subject to the 32272
landowner's filing the appropriate forms required under section 32273
1509.31 of the Revised Code and providing to the chief sufficient 32274
information to demonstrate the landowner's or owner's right to 32275
produce a formation or formations. That information may include a 32276
deed, a lease, or other documentation of ownership or property 32277
rights. 32278

The chief shall approve or disapprove the transfer of ownership of the well. If the chief approves the transfer, the owner is responsible for operating the well in accordance with this chapter and rules adopted under it, including, without limitation, all of the following:

(1) Filing an application with the chief under section 1509.06 of the Revised Code if the owner intends to drill deeper or produce a formation that is not listed in the records of the division for that well;

(2) Taking title to and possession of the equipment appurtenant to the well that has been identified by the chief as having been abandoned by the former owner;

(3) Complying with all applicable requirements that are necessary to drill deeper, plug the well, or plug back the well.

(H) The chief shall issue an order that requires the owner of a well to pay the actual documented costs of a corrective action that is described in division (B)(2) of this section concerning the well. The chief shall transmit the money so recovered to the treasurer of state who shall deposit the money in the state treasury to the credit of the oil and gas well fund.

Sec. 1509.072. No oil or gas well owner or agent of an oil or gas well owner shall fail to restore the land surface within the area disturbed in siting, drilling, completing, and producing the well as required in this section.

(A) Within fourteen days after the date upon which the drilling of a well is completed to total depth in an urbanized area and within two months after the date upon which the drilling of a well is completed in all other areas, the owner or the owner's agent, in accordance with the restoration plan filed under division (A)(10) of section 1509.06 of the Revised Code, shall

fill all the pits for containing brine and other waste substances 32309
resulting, obtained, or produced in connection with exploration or 32310
drilling for oil or gas that are not required by other state or 32311
federal law or regulation, and remove all drilling supplies and 32312
drilling equipment. Unless the chief of the division of ~~mineral~~ 32313
oil and gas resources management approves a longer time period, 32314
within three months after the date upon which the surface drilling 32315
of a well is commenced in an urbanized area and within six months 32316
after the date upon which the surface drilling of a well is 32317
commenced in all other areas, the owner or the owner's agent shall 32318
grade or terrace and plant, seed, or sod the area disturbed that 32319
is not required in production of the well where necessary to bind 32320
the soil and prevent substantial erosion and sedimentation. If the 32321
chief finds that a pit used for containing brine, other waste 32322
substances, or oil is in violation of section 1509.22 of the 32323
Revised Code or rules adopted or orders issued under it, the chief 32324
may require the pit to be emptied and closed before expiration of 32325
the fourteen-day or three-month restoration period. 32326

(B) Within three months after a well that has produced oil or 32327
gas is plugged in an urbanized area and within six months after a 32328
well that has produced oil or gas is plugged in all other areas, 32329
or after the plugging of a dry hole, unless the chief approves a 32330
longer time period, the owner or the owner's agent shall remove 32331
all production and storage structures, supplies, and equipment, 32332
and any oil, salt water, and debris, and fill any remaining 32333
excavations. Within that period the owner or the owner's agent 32334
shall grade or terrace and plant, seed, or sod the area disturbed 32335
where necessary to bind the soil and prevent substantial erosion 32336
and sedimentation. 32337

The owner shall be released from responsibility to perform 32338
any or all restoration requirements of this section on any part or 32339
all of the area disturbed upon the filing of a request for a 32340

waiver with and obtaining the written approval of the chief, which 32341
request shall be signed by the surface owner to certify the 32342
approval of the surface owner of the release sought. The chief 32343
shall approve the request unless the chief finds upon inspection 32344
that the waiver would be likely to result in substantial damage to 32345
adjoining property, substantial contamination of surface or 32346
underground water, or substantial erosion or sedimentation. 32347

The chief, by order, may shorten the time periods provided 32348
for under division (A) or (B) of this section if failure to 32349
shorten the periods would be likely to result in damage to public 32350
health or the waters or natural resources of the state. 32351

The chief, upon written application by an owner or an owner's 32352
agent showing reasonable cause, may extend the period within which 32353
restoration shall be completed under divisions (A) and (B) of this 32354
section, but not to exceed a further six-month period, except 32355
under extraordinarily adverse weather conditions or when essential 32356
equipment, fuel, or labor is unavailable to the owner or the 32357
owner's agent. 32358

If the chief refuses to approve a request for waiver or 32359
extension, the chief shall do so by order. 32360

Sec. 1509.073. A person that is issued a permit under this 32361
chapter to drill a new well or drill an existing well deeper in an 32362
urbanized area shall establish fluid drilling conditions prior to 32363
penetration of the Onondaga limestone and continue to use fluid 32364
drilling until total depth of the well is achieved unless the 32365
chief of the division of ~~mineral~~ oil and gas resources management 32366
authorizes such drilling without using fluid. 32367

Sec. 1509.08. Upon receipt of an application for a permit 32368
required by section 1509.05 of the Revised Code, or upon receipt 32369
of an application for a permit to plug and abandon under section 32370

1509.13 of the Revised Code, the chief of the division of ~~mineral~~ 32371
oil and gas resources management shall determine whether the well 32372
is or is to be located in a coal bearing township. 32373

Whether or not the well is or is to be located in a coal 32374
bearing township, the chief, by order, may refuse to issue a 32375
permit required by section 1509.05 of the Revised Code to any 32376
applicant who at the time of applying for the permit is in 32377
material or substantial violation of this chapter or rules adopted 32378
or orders issued under it. The chief shall refuse to issue a 32379
permit to any applicant who at the time of applying for the permit 32380
has been found liable by a final nonappealable order of a court of 32381
competent jurisdiction for damage to streets, roads, highways, 32382
bridges, culverts, or drainways pursuant to section 4513.34 or 32383
5577.12 of the Revised Code until the applicant provides the chief 32384
with evidence of compliance with the order. No applicant shall 32385
attempt to circumvent this provision by applying for a permit 32386
under a different name or business organization name, by 32387
transferring responsibility to another person or entity, by 32388
abandoning the well or lease, or by any other similar act. 32389

If the well is not or is not to be located in a coal bearing 32390
township, or if it is to be located in a coal bearing township, 32391
but the landowner submits an affidavit attesting to ownership of 32392
the property in fee simple, including the coal, and has no 32393
objection to the well, the chief shall issue the permit. 32394

If the application to drill, reopen, or convert concerns a 32395
well that is or is to be located in a coal bearing township, the 32396
chief shall transmit to the chief of the division of mineral 32397
resources management two copies of the application and three 32398
copies of the map required in section 1509.06 of the Revised Code, 32399
except that, when the affidavit with the waiver of objection 32400
described above is submitted, the chief of the division of oil and 32401
gas resources management shall not transmit the copies. 32402

The chief of the division of mineral resources management 32403
immediately shall notify the owner or lessee of any affected mine 32404
that the application has been filed and send to the owner or 32405
lessee two copies of the map accompanying the application setting 32406
forth the location of the well. 32407

If the owner or lessee objects to the location of the well or 32408
objects to any location within fifty feet of the original location 32409
as a possible site for relocation of the well, the owner or lessee 32410
shall notify the chief of the division of mineral resources 32411
management of the objection, giving the reasons for the objection 32412
and, if applicable, indicating on a copy of the map the particular 32413
location or locations within fifty feet of the original location 32414
to which the owner or lessee objects as a site for possible 32415
relocation of the well, within six days after the receipt of the 32416
notice. If the chief receives no objections from the owner or 32417
lessee of the mine within ten days after the receipt of the notice 32418
by the owner or lessee, or if in the opinion of the chief the 32419
objections offered by the owner or lessee are not sufficiently 32420
well founded, the chief immediately shall notify the owner or 32421
lessee of those findings. The owner or lessee may appeal the 32422
decision of the chief to the reclamation commission under section 32423
1513.13 of the Revised Code. The appeal shall be filed within 32424
fifteen days, notwithstanding provisions in divisions (A)(1) of 32425
section 1513.13 of the Revised Code, to the contrary, from the 32426
date on which the owner or lessee receives the notice. If the 32427
appeal is not filed within that time, the chief immediately shall 32428
approve the application and, retain a copy of the application and 32429
map, and return a copy of the application to the chief of the 32430
division of oil and gas resources management with the approval 32431
noted on it. The chief of the division of oil and gas resources 32432
management then shall issue the permit if the provisions of this 32433
chapter pertaining to the issuance of such a permit have been 32434
complied with. 32435

If the chief of the division of mineral resources management 32436
receives an objection from the owner or lessee of the mine as to 32437
the location of the well within ten days after receipt of the 32438
notice by the owner or lessee, and if in the opinion of the chief 32439
the objection is well founded, the chief shall disapprove the 32440
application and ~~suggest~~ immediately return it to the chief of the 32441
division of oil and gas resources management together with the 32442
reasons for disapproval and a suggestion for a new location for 32443
the well, provided that the suggested new location shall not be a 32444
location within fifty feet of the original location to which the 32445
owner or lessee has objected as a site for possible relocation of 32446
the well if the chief of the division of mineral resources 32447
management has determined that the objection is well founded. The 32448
chief of the division of oil and gas resources management 32449
immediately shall notify the applicant for the permit of the 32450
disapproval and any suggestion made by the chief of the division 32451
of mineral resources management as to a new location for the well. 32452
The applicant may withdraw the application or amend the 32453
application to drill the well at the location suggested by the 32454
chief, or the applicant may appeal the disapproval of the 32455
application by the chief to the reclamation commission. 32456

If the chief of the division of mineral resources management 32457
receives no objection from the owner or lessee of a mine as to the 32458
location of the well, but does receive an objection from the owner 32459
or lessee as to one or more locations within fifty feet of the 32460
original location as possible sites for relocation of the well 32461
within ten days after receipt of the notice by the owner or 32462
lessee, and if in the opinion of the chief the objection is well 32463
founded, the chief nevertheless shall approve the application and 32464
shall return it immediately to the chief of the division of oil 32465
and gas resources management together with the reasons for 32466
disapproving any of the locations to which the owner or lessee 32467
objects as possible sites for the relocation of the well. The 32468

chief of the division of oil and gas resources management then 32469
shall issue a permit if the provisions of this chapter pertaining 32470
to the issuance of such a permit have been complied with, 32471
incorporating as a term or condition of the permit that the 32472
applicant is prohibited from commencing drilling at any location 32473
within fifty feet of the original location that has been 32474
disapproved by the chief of the division of mineral resources 32475
management. The applicant may appeal to the reclamation commission 32476
the terms and conditions of the permit prohibiting the 32477
commencement of drilling at any such location disapproved by the 32478
chief of the division of mineral resources management. 32479

Any such appeal shall be filed within fifteen days, 32480
notwithstanding provisions in division (A)(1) of section 1513.13 32481
of the Revised Code to the contrary, from the date the applicant 32482
receives notice of the disapproval of the application, any other 32483
location within fifty feet of the original location, or terms or 32484
conditions of the permit, or the owner or lessee receives notice 32485
of the chief's decision. No approval or disapproval of an 32486
application shall be delayed by the chief of the division of 32487
mineral resources management for more than fifteen days from the 32488
date of sending the notice of the application to the mine owner or 32489
lessee as required by this section. 32490

All appeals provided for in this section shall be treated as 32491
expedited appeals. The reclamation commission shall hear any such 32492
appeal in accordance with section 1513.13 of the Revised Code and 32493
issue a decision within thirty days of the filing of the notice of 32494
appeal. 32495

The chief of the division of oil and gas resources management 32496
shall not issue a permit to drill a new well or reopen a well that 32497
is or is to be located within three hundred feet of any opening of 32498
any mine used as a means of ingress, egress, or ventilation for 32499
persons employed in the mine, nor within one hundred feet of any 32500

building or inflammable structure connected with the mine and 32501
actually used as a part of the operating equipment of the mine, 32502
unless the chief of the division of mineral resources management 32503
determines that life or property will not be endangered by 32504
drilling and operating the well in that location. 32505

The chief of the division of mineral resources management may 32506
suspend the drilling or reopening of a well in a coal bearing 32507
township after determining that the drilling or reopening 32508
activities present an imminent and substantial threat to public 32509
health or safety or to miners' health or safety and having been 32510
unable to contact the chief of the division of oil and gas 32511
resources management to request an order of suspension under 32512
section 1509.06 of the Revised Code. Before issuing a suspension 32513
order for that purpose, the chief of the division of mineral 32514
resources management shall notify the owner in a manner that in 32515
the chief's judgment would provide reasonable notification that 32516
the chief intends to issue a suspension order. The chief may issue 32517
such an order without prior notification if reasonable attempts to 32518
notify the owner have failed, but in that event notification shall 32519
be given as soon thereafter as practical. Within five calendar 32520
days after the issuance of the order, the chief shall provide the 32521
owner an opportunity to be heard and to present evidence that the 32522
activities do not present an imminent and substantial threat to 32523
public health or safety or to miners' health or safety. If, after 32524
considering the evidence presented by the owner, the chief 32525
determines that the activities do not present such a threat, the 32526
chief shall revoke the suspension order. An owner may appeal a 32527
suspension order issued by the chief of the division of mineral 32528
resources management under this section to the reclamation 32529
commission in accordance with section 1513.13 of the Revised Code 32530
or may appeal the order directly to the court of common pleas of 32531
the county in which the well is located. 32532

Sec. 1509.09. A well may be drilled under a permit only at 32533
the location designated on the map required in section 1509.06 of 32534
the Revised Code. The location of a well may be changed after the 32535
issuance of a permit only with the approval of the chief of the 32536
division of ~~mineral~~ oil and gas resources management and, if the 32537
well is located in a coal bearing township, with the approval of 32538
the chief of the division of mineral resources management using 32539
the procedures required in section 1509.08 of the Revised Code for 32540
a permit to drill a well unless the permit holder requests the 32541
issuance of an emergency drilling permit under this section due to 32542
a lost hole under such circumstances that completion of the well 32543
is not feasible at the original location. If a permit holder 32544
requests a change of location, the permit holder shall return the 32545
original permit and file an amended map indicating the proposed 32546
new location. 32547

Drilling shall not be commenced at a new location until the 32548
original permit bearing a notation of approval by the chief or 32549
chiefs is posted at the well site. However, a permit holder may 32550
commence drilling at a new location without first receiving the 32551
prior approval required by this section, if all of the following 32552
conditions are met: 32553

(A) Within one working day after spudding the new well, the 32554
permit holder files a request for an emergency drilling permit and 32555
submits to the chief of the division of oil and gas resources 32556
management an application for a permit that meets the requirements 32557
of section 1509.06 of the Revised Code, including the permit fee 32558
required by that section, with an amended map showing the new 32559
location~~+~~. 32560

(B) ~~A mineral~~ An oil and gas resources inspector is present 32561
before spudding operations are commenced at the location~~+~~. 32562

(C) The original well is plugged prior to the skidding of the 32563

drilling rig to the new location, and the plugging is witnessed or 32564
verified by ~~a mineral~~ an oil and gas resources inspector or, if 32565
the well is located in a coal bearing township, both a deputy mine 32566
inspector and ~~a mineral~~ an oil and gas resources inspector unless 32567
the chief or the chief's authorized representative temporarily 32568
waives the requirement, but in any event the original well shall 32569
be plugged before the drilling rig is moved from the location~~;~~. 32570

(D) The new location is within fifty feet of the original 32571
location unless, upon request of the permit holder, the chief~~,~~, 32572
with the approval of the chief of the division of mineral 32573
resources management if the well is located in a coal bearing 32574
township, agrees to a new location farther than fifty feet from 32575
the original location~~;~~. 32576

(E) The new location meets all the distance and spacing 32577
requirements prescribed by rules adopted under sections 1509.23 32578
and 1509.24 of the Revised Code~~;~~. 32579

(F) If the well is located in a coal bearing township, use of 32580
the new well location has not been disapproved by the chief of the 32581
division of mineral resources management and has not been 32582
prohibited as a term or condition of the permit under section 32583
1509.08 of the Revised Code. 32584

If the chief of the division of oil and gas resources 32585
management approves the change of location, the chief shall issue 32586
an emergency permit within two working days after the filing of 32587
the request for the emergency permit. If the chief disapproves the 32588
change of location, the chief shall, by order, deny the request 32589
and may issue an appropriate enforcement order under section 32590
1509.03 of the Revised Code. 32591

Sec. 1509.10. (A) Any person drilling within the state shall, 32592
within sixty days after the completion of drilling operations to 32593
the proposed total depth or after a determination that a well is a 32594

dry or lost hole, file with the division of ~~mineral~~ oil and gas resources management all wireline electric logs and an accurate well completion record on a form that is approved by the chief of the division of ~~mineral~~ oil and gas resources management that designates:

(1) The purpose for which the well was drilled;

(2) The character, depth, and thickness of geological units encountered, including coal seams, mineral beds, associated fluids such as fresh water, brine, and crude oil, natural gas, and sour gas, if such seams, beds, fluids, or gases are known;

(3) The dates on which drilling operations were commenced and completed;

(4) The types of drilling tools used and the name of the person that drilled the well;

(5) The length in feet of the various sizes of casing and tubing used in drilling the well, the amount removed after completion, the type and setting depth of each packer, all other data relating to cementing in the annular space behind such casing or tubing, and data indicating completion as a dry, gas, oil, combination oil and gas, brine injection, or artificial brine well or a stratigraphic test;

(6) The number of perforations in the casing and the intervals of the perforations;

(7) The elevation above mean sea level of the point from which the depth measurements were made, stating also the height of the point above ground level at the well, the total depth of the well, and the deepest geological unit that was penetrated in the drilling of the well;

(8) If applicable, the type, volume, and concentration of acid, and the date on which acid was used in acidizing the well;

(9) If applicable, the type and volume of fluid used to stimulate the reservoir of the well, the reservoir breakdown pressure, the method used for the containment of fluids recovered from the fracturing of the well, the methods used for the containment of fluids when pulled from the wellbore from swabbing the well, the average pumping rate of the well, and the name of the person that performed the well stimulation. In addition, the owner shall include a copy of the log from the stimulation of the well, a copy of the invoice for each of the procedures and methods described in division (A)(9) of this section that were used on a well, and a copy of the pumping pressure and rate graphs. However, the owner may redact from the copy of each invoice that is required to be included under division (A)(9) of this section the costs of and charges for the procedures and methods described in division (A)(9) of this section that were used on a well.

(10) The name of the company that performed the logging of the well and the types of wireline electric logs performed on the well.

The well completion record shall be submitted in duplicate. The first copy shall be retained as a permanent record in the files of the division, and the second copy shall be transmitted by the chief to the division of geological survey.

(B)(1) Not later than sixty days after the completion of the drilling operations to the proposed total depth, the owner shall file all wireline electric logs with the division of ~~mineral oil~~ and gas resources management and the chief shall transmit such logs electronically, if available, to the division of geological survey. Such logs may be retained by the owner for a period of not more than six months, or such additional time as may be granted by the chief in writing, after the completion of the well substantially to the depth shown in the application required by section 1509.06 of the Revised Code.

(2) If a well is not completed within sixty days after the completion of drilling operations, the owner shall file with the division of oil and gas resources management a supplemental well completion record that includes all of the information required under this section within sixty days after the completion of the well.

(C) Upon request in writing by the chief of the division of geological survey prior to the beginning of drilling of the well, the person drilling the well shall make available a complete set of cuttings accurately identified as to depth.

(D) The form of the well completion record required by this section shall be one that has been approved by the chief of the division of ~~mineral~~ oil and gas resources management and the chief of the division of geological survey. The filing of a log as required by this section fulfills the requirement of filing a log with the chief of the division of geological survey in section 1505.04 of the Revised Code.

(E) If there is a material listed on the invoice that is required by division (A)(9) of this section for which the division of ~~mineral~~ oil and gas resources management does not have a material safety data sheet, the chief shall obtain a copy of the material safety data sheet for the material and post a copy of the material safety data sheet on the division's web site.

Sec. 1509.11. The owner of any well producing or capable of producing oil or gas shall file with the chief of the division of ~~mineral~~ oil and gas resources management, on or before the thirty-first day of March, a statement of production of oil, gas, and brine for the last preceding calendar year in such form as the chief may prescribe. An owner that has more than one hundred wells in this state shall submit electronically the statement of production in a format that is approved by the chief. The chief

shall include on the form, at the minimum, a request for the 32688
submittal of the information that a person who is regulated under 32689
this chapter is required to submit under the "Emergency Planning 32690
and Community Right-To-Know Act of 1986," 100 Stat. 1728, 42 32691
U.S.C.A. 11001, and regulations adopted under it, and that the 32692
division does not obtain through other reporting mechanisms. 32693

Sec. 1509.12. (A) No owner of any well shall construct a 32694
well, or permit defective casing in a well to leak fluids or 32695
gases, that causes damage to other permeable strata, underground 32696
sources of drinking water, or the surface of the land or that 32697
threatens the public health and safety or the environment. Upon 32698
the discovery that the casing in a well is defective or that a 32699
well was not adequately constructed, the owner of the well shall 32700
notify the chief of the division of ~~mineral~~ oil and gas resources 32701
management within twenty-four hours of the discovery, and the 32702
owner shall immediately repair the casing, correct the 32703
construction inadequacies, or plug and abandon the well. 32704

(B) When the chief finds that a well should be plugged, the 32705
chief shall notify the owner to that effect by order in writing 32706
and shall specify in the order a reasonable time within which to 32707
comply. No owner shall fail or refuse to plug a well within the 32708
time specified in the order. Each day on which such a well remains 32709
unplugged thereafter constitutes a separate offense. 32710

Where the plugging method prescribed by rules adopted 32711
pursuant to section 1509.15 of the Revised Code cannot be applied 32712
or if applied would be ineffective in carrying out the protection 32713
that the law is meant to give, the chief may designate a different 32714
method of plugging. The abandonment report shall show the manner 32715
in which the well was plugged. 32716

(C) In case of oil or gas wells abandoned prior to September 32717
1, 1978, the board of county commissioners of the county in which 32718

the wells are located may submit to the electors of the county the 32719
question of establishing a special fund, by general levy, by 32720
general bond issue, or out of current funds, which shall be 32721
approved by a majority of the electors voting upon that question 32722
for the purpose of plugging the wells. The fund shall be 32723
administered by the board and the plugging of oil and gas wells 32724
shall be under the supervision of the chief, and the board shall 32725
let contracts for that purpose, provided that the fund shall not 32726
be used for the purpose of plugging oil and gas wells that were 32727
abandoned subsequent to September 1, 1978. 32728

Sec. 1509.13. (A) No person shall plug and abandon a well 32729
without having a permit to do so issued by the chief of the 32730
division of ~~mineral~~ oil and gas resources management. The permit 32731
shall be issued by the chief in accordance with this chapter and 32732
shall be valid for a period of twenty-four months from the date of 32733
issue. 32734

(B) Application by the owner for a permit to plug and abandon 32735
shall be filed as many days in advance as will be necessary for a 32736
~~mineral~~ an oil and gas resources inspector or, if the well is 32737
located in a coal bearing township, both a deputy mine inspector 32738
and a ~~mineral~~ an oil and gas resources inspector to be present at 32739
the plugging. The application shall be filed with the chief upon a 32740
form that the chief prescribes and shall contain the following 32741
information: 32742

(1) The name and address of the owner; 32743

(2) The signature of the owner or the owner's authorized 32744
agent. When an authorized agent signs an application, it shall be 32745
accompanied by a certified copy of the appointment as that agent. 32746

(3) The location of the well identified by section or lot 32747
number, city, village, township, and county; 32748

(4) Designation of well by name and number;	32749
(5) The total depth of the well to be plugged;	32750
(6) The date and amount of last production from the well;	32751
(7) Other data that the chief may require.	32752
(C) If oil or gas has been produced from the well, the	32753
application shall be accompanied by a fee of two hundred fifty	32754
dollars. If a well has been drilled in accordance with law and the	32755
permit is still valid, the permit holder may receive approval to	32756
plug the well from a mineral <u>an oil and gas</u> resources inspector so	32757
that the well can be plugged and abandoned without undue delay.	32758
Unless waived by a mineral <u>an oil and gas</u> resources inspector, the	32759
owner of a well or the owner's authorized representative shall	32760
notify a mineral <u>an oil and gas</u> resources inspector at least	32761
twenty-four hours prior to the commencement of the plugging of a	32762
well. No well shall be plugged and abandoned without a mineral <u>an</u>	32763
<u>oil and gas</u> resources inspector present unless permission has been	32764
granted by the chief. The owner of a well that has produced oil or	32765
gas shall give written notice at the same time to the owner of the	32766
land upon which the well is located and to all lessors that	32767
receive gas from the well pursuant to a lease agreement. If the	32768
well penetrates or passes within one hundred feet of the	32769
excavations and workings of a mine, the owner of the well shall	32770
give written notice to the owner or lessee of that mine, of the	32771
well owner's intention to abandon the well and of the time when	32772
the well owner will be prepared to commence plugging it.	32773
(D) An applicant may file a request with the chief for	32774
expedited review of an application for a permit to plug and	32775
abandon a well. The chief may refuse to accept a request for	32776
expedited review if, in the chief's judgment, acceptance of the	32777
request will prevent the issuance, within twenty-one days of	32778
filing, of permits for which applications filed under section	32779

1509.06 of the Revised Code are pending. In addition to a complete 32780
application for a permit that meets the requirements of this 32781
section and the permit fee prescribed by this section, if 32782
applicable, a request shall be accompanied by a nonrefundable 32783
filing fee of five hundred dollars unless the chief has ordered 32784
the applicant to plug and abandon the well. When a request for 32785
expedited review is filed, the chief shall immediately begin to 32786
process the application and shall issue a permit within seven days 32787
of the filing of the request unless the chief, by order, denies 32788
the application. 32789

(E) This section does not apply to a well plugged or 32790
abandoned in compliance with section 1571.05 of the Revised Code. 32791

Sec. 1509.14. Any person who abandons a well, when written 32792
permission has been granted by the chief of the division of 32793
~~mineral oil and gas~~ resources management to abandon and plug the 32794
well without an inspector being present to supervise the plugging, 32795
shall make a written report of the abandonment to the chief. The 32796
report shall be submitted not later than thirty days after the 32797
date of abandonment and shall include all of the following: 32798

(A) The date of abandonment; 32799

(B) The name of the owner or operator of the well at the time 32800
of abandonment and the post-office address of the owner or 32801
operator; 32802

(C) The location of the well as to township and county and 32803
the name of the owner of the surface upon which the well is 32804
drilled, with the address thereof; 32805

(D) The date of the permit to drill; 32806

(E) The date when drilled; 32807

(F) The depth of the well; 32808

(G) The depth of the top of the formation to which the well 32809

was drilled; 32810

(H) The depth of each seam of coal drilled through, if known; 32811

(I) A detailed report as to how the well was plugged, giving 32812
in particular the manner in which the coal and various formations 32813
were plugged, and the date of the plugging of the well, including 32814
the names of those who witnessed the plugging of the well. 32815

The report shall be signed by the owner or operator, or the 32816
agent of the owner or operator, who abandons and plugs the well 32817
and verified by the oath of the party so signing. For the purposes 32818
of this section, the ~~mineral oil and gas~~ resources inspectors may 32819
take acknowledgments and administer oaths to the parties signing 32820
the report. 32821

Sec. 1509.15. When any well is to be abandoned, it shall 32822
first be plugged in accordance with a method of plugging adopted 32823
by rule by the chief of the division of ~~mineral oil and gas~~ 32824
resources management. The abandonment report shall show the manner 32825
in which the well was plugged. 32826

Sec. 1509.17. (A) A well shall be constructed in a manner 32827
that is approved by the chief of the division of ~~mineral oil and~~ 32828
~~gas~~ resources management as specified in the permit using 32829
materials that comply with industry standards for the type and 32830
depth of the well and the anticipated fluid pressures that are 32831
associated with the well. In addition, a well shall be constructed 32832
using sufficient steel or conductor casing in a manner that 32833
supports unconsolidated sediments, that protects and isolates all 32834
underground sources of drinking water as defined by the Safe 32835
Drinking Water Act, and that provides a base for a blowout 32836
preventer or other well control equipment that is necessary to 32837
control formation pressures and fluids during the drilling of the 32838
well and other operations to complete the well. Using steel 32839

production casing with sufficient cement, an oil and gas reservoir 32840
shall be isolated during well stimulation and during the 32841
productive life of the well. In addition, sour gas zones and gas 32842
bearing zones that have sufficient pressure and volume to 32843
over-pressurize the surface production casing annulus resulting in 32844
annular overpressurization shall be isolated using approved 32845
cementing, casing, and well construction practices. However, 32846
isolating an oil and gas reservoir shall not exclude open-hole 32847
completion. A well shall not be perforated for purposes of well 32848
stimulation in any zone that is located around casing that 32849
protects underground sources of drinking water without written 32850
authorization from the chief in accordance with division (D) of 32851
this section. When the well penetrates the excavations of a mine, 32852
the casing shall remain intact as provided in section 1509.18 of 32853
the Revised Code and be plugged and abandoned in accordance with 32854
section 1509.15 of the Revised Code. 32855

(B) The chief may adopt rules in accordance with Chapter 119. 32856
of the Revised Code that are consistent with division (A) of this 32857
section and that establish standards for constructing a well, for 32858
evaluating the quality of well construction materials, and for 32859
completing remedial cementing. In addition, the standards 32860
established in the rules shall consider local geology and various 32861
drilling conditions and shall require the use of reasonable 32862
methods that are based on sound engineering principles. 32863

(C) An owner or an owner's authorized representative shall 32864
notify ~~a mineral~~ an oil and gas resources inspector each time that 32865
the owner or the authorized representative notifies a person to 32866
perform the cementing of the conductor casing, the surface casing, 32867
or the production casing. In addition, not later than sixty days 32868
after the completion of the cementing of the production casing, an 32869
owner shall submit to the chief a copy of the cement tickets for 32870
each cemented string of casing and a copy of all logs that were 32871

used to evaluate the quality of the cementing. 32872

(D) The chief shall grant an exemption from this section and 32873
rules adopted under it for a well if the chief determines that a 32874
cement bond log confirms zonal isolation and there is a minimum of 32875
five hundred feet between the uppermost perforation of the casing 32876
and the lowest depth of an underground source of drinking water. 32877

Sec. 1509.181. (A) The chief of the division of mineral 32878
resources management may order the immediate suspension of the 32879
drilling or reopening of a well in a coal bearing township after 32880
determining that the drilling or reopening activities present an 32881
imminent and substantial threat to public health or safety or to a 32882
miner's health or safety. 32883

(B) Before issuing an order under division (A) of this 32884
section, the chief shall notify the chief of the division of oil 32885
and gas resources management and the owner in any manner that the 32886
chief of the division of mineral resources management determines 32887
would provide reasonable notification of the chief's intent to 32888
issue a suspension order. However, the chief may order the 32889
immediate suspension of the drilling or reopening of a well in a 32890
coal bearing township without prior notification to the owner if 32891
the chief has made reasonable attempts to notify the owner and the 32892
attempts have failed. If the chief orders the immediate suspension 32893
of such drilling or reopening, the chief shall provide the chief 32894
of the division of oil and gas resources management and the owner 32895
notice of the order as soon as practical. 32896

(C) Not later than five days after the issuance of an order 32897
under division (A) of this section to immediately suspend the 32898
drilling or reopening of a well in a coal bearing township, the 32899
chief of the division of mineral resources management shall 32900
provide the owner an opportunity to be heard and to present 32901
evidence that the drilling or reopening activities will not likely 32902

result in an imminent and substantial threat to public health or 32903
safety or to a miner's health or safety, as applicable. If the 32904
chief, after considering all evidence presented by the owner, 32905
determines that the activities do not present such a threat, the 32906
chief shall revoke the suspension order. 32907

(D) Notwithstanding any other provision of this chapter, an 32908
owner may appeal a suspension order issued under this section to 32909
the reclamation commission in accordance with section 1513.13 of 32910
the Revised Code. 32911

Sec. 1509.19. An owner who elects to stimulate a well shall 32912
stimulate the well in a manner that will not endanger underground 32913
sources of drinking water. Not later than twenty-four hours before 32914
commencing the stimulation of a well, the owner or the owner's 32915
authorized representative shall notify ~~a mineral~~ an oil and gas 32916
resources inspector. If during the stimulation of a well damage to 32917
the production casing or cement occurs and results in the 32918
circulation of fluids from the annulus of the surface production 32919
casing, the owner shall immediately terminate the stimulation of 32920
the well and notify the chief of the division of ~~mineral~~ oil and 32921
gas resources management. If the chief determines that the casing 32922
and the cement may be remediated in a manner that isolates the oil 32923
and gas bearing zones of the well, the chief may authorize the 32924
completion of the stimulation of the well. If the chief determines 32925
that the stimulation of a well resulted in irreparable damage to 32926
the well, the chief shall order that the well be plugged and 32927
abandoned within thirty days of the issuance of the order. 32928

For purposes of determining the integrity of the remediation 32929
of the casing or cement of a well that was damaged during the 32930
stimulation of the well, the chief may require the owner of the 32931
well to submit cement evaluation logs, temperature surveys, 32932
pressure tests, or a combination of such logs, surveys, and tests. 32933

Sec. 1509.21. No person shall, without first having obtained 32934
a permit from the chief of the division of ~~mineral~~ oil and gas 32935
resources management, conduct secondary or additional recovery 32936
operations, including any underground injection of fluids or 32937
carbon dioxide for the secondary or tertiary recovery of oil or 32938
natural gas or for the storage of hydrocarbons that are liquid at 32939
standard temperature or pressure, unless a rule of the chief 32940
expressly authorizes such operations without a permit. The permit 32941
shall be in addition to any permit required by section 1509.05 of 32942
the Revised Code. Secondary or additional recovery operations 32943
shall be conducted in accordance with rules and orders of the 32944
chief and any terms or conditions of the permit authorizing such 32945
operations. In addition, the chief may authorize tests to evaluate 32946
whether fluids or carbon dioxide may be injected in a reservoir 32947
and to determine the maximum allowable injection pressure. The 32948
tests shall be conducted in accordance with methods prescribed in 32949
rules of the chief or conditions of the permit. Rules adopted 32950
under this section shall include provisions regarding applications 32951
for and the issuance of permits; the terms and conditions of 32952
permits; entry to conduct inspections and to examine records to 32953
ascertain compliance with this section and rules, orders, and 32954
terms and conditions of permits adopted or issued thereunder; the 32955
provision and maintenance of information through monitoring, 32956
recordkeeping, and reporting; and other provisions in furtherance 32957
of the goals of this section and the Safe Drinking Water Act. To 32958
implement the goals of the Safe Drinking Water Act, the chief 32959
shall not issue a permit for the underground injection of fluids 32960
for the secondary or tertiary recovery of oil or natural gas or 32961
for the storage of hydrocarbons that are liquid at standard 32962
temperature and pressure, unless the chief concludes that the 32963
applicant has demonstrated that the injection will not result in 32964
the presence of any contaminant in underground water that supplies 32965

or can be reasonably expected to supply any public water system, 32966
such that the presence of any such contaminant may result in the 32967
system's not complying with any national primary drinking water 32968
regulation or may otherwise adversely affect the health of 32969
persons. Rules, orders, and terms or conditions of permits adopted 32970
or issued under this section shall be construed to be no more 32971
stringent than required for compliance with the Safe Drinking 32972
Water Act, unless essential to ensure that underground sources of 32973
drinking water will not be endangered. 32974

Sec. 1509.22. (A) Except when acting in accordance with 32975
section 1509.226 of the Revised Code, no person shall place or 32976
cause to be placed brine, crude oil, natural gas, or other fluids 32977
associated with the exploration or development of oil and gas 32978
resources in surface or ground water or in or on the land in such 32979
quantities or in such manner as actually causes or could 32980
reasonably be anticipated to cause either of the following: 32981

(1) Water used for consumption by humans or domestic animals 32982
to exceed the standards of the Safe Drinking Water Act; 32983

(2) Damage or injury to public health or safety or the 32984
environment. 32985

(B) No person shall store or dispose of brine in violation of 32986
a plan approved under division (A) of section 1509.222 or section 32987
1509.226 of the Revised Code, in violation of a resolution 32988
submitted under section 1509.226 of the Revised Code, or in 32989
violation of rules or orders applicable to those plans or 32990
resolutions. 32991

(C) The chief of the division of ~~mineral~~ oil and gas 32992
resources management shall adopt rules and issue orders regarding 32993
storage and disposal of brine and other waste substances; however, 32994
the storage and disposal of brine and other waste substances and 32995
the chief's rules relating to storage and disposal are subject to 32996

all of the following standards: 32997

(1) Brine from any well except an exempt Mississippian well 32998
shall be disposed of only by injection into an underground 32999
formation, including annular disposal if approved by rule of the 33000
chief, which injection shall be subject to division (D) of this 33001
section; by surface application in accordance with section 33002
1509.226 of the Revised Code; in association with a method of 33003
enhanced recovery as provided in section 1509.21 of the Revised 33004
Code; or by other methods approved by the chief for testing or 33005
implementing a new technology or method of disposal. Brine from 33006
exempt Mississippian wells shall not be discharged directly into 33007
the waters of the state. 33008

(2) Muds, cuttings, and other waste substances shall not be 33009
disposed of in violation of any rule. 33010

(3) Pits or steel tanks shall be used as authorized by the 33011
chief for containing brine and other waste substances resulting 33012
from, obtained from, or produced in connection with drilling, well 33013
stimulation, reworking, reconditioning, plugging back, or plugging 33014
operations. The pits and steel tanks shall be constructed and 33015
maintained to prevent the escape of brine and other waste 33016
substances. 33017

(4) A dike or pit may be used for spill prevention and 33018
control. A dike or pit so used shall be constructed and maintained 33019
to prevent the escape of brine and crude oil, and the reservoir 33020
within such a dike or pit shall be kept reasonably free of brine, 33021
crude oil, and other waste substances. 33022

(5) Earthen impoundments constructed pursuant to the 33023
division's specifications may be used for the temporary storage of 33024
fluids used in the stimulation of a well. 33025

(6) No pit, earthen impoundment, or dike shall be used for 33026
the temporary storage of brine or other substances except in 33027

accordance with divisions (C)(3) to (5) of this section. 33028

(7) No pit or dike shall be used for the ultimate disposal of 33029
brine or other liquid waste substances. 33030

(D) No person, without first having obtained a permit from 33031
the chief, shall inject brine or other waste substances resulting 33032
from, obtained from, or produced in connection with oil or gas 33033
drilling, exploration, or production into an underground formation 33034
unless a rule of the chief expressly authorizes the injection 33035
without a permit. The permit shall be in addition to any permit 33036
required by section 1509.05 of the Revised Code, and the permit 33037
application shall be accompanied by a permit fee of one thousand 33038
dollars. The chief shall adopt rules in accordance with Chapter 33039
119. of the Revised Code regarding the injection into wells of 33040
brine and other waste substances resulting from, obtained from, or 33041
produced in connection with oil or gas drilling, exploration, or 33042
production. The rules may authorize tests to evaluate whether 33043
fluids or carbon dioxide may be injected in a reservoir and to 33044
determine the maximum allowable injection pressure, which shall be 33045
conducted in accordance with methods prescribed in the rules or in 33046
accordance with conditions of the permit. In addition, the rules 33047
shall include provisions regarding applications for and issuance 33048
of the permits required by this division; entry to conduct 33049
inspections and to examine and copy records to ascertain 33050
compliance with this division and rules, orders, and terms and 33051
conditions of permits adopted or issued under it; the provision 33052
and maintenance of information through monitoring, recordkeeping, 33053
and reporting; and other provisions in furtherance of the goals of 33054
this section and the Safe Drinking Water Act. To implement the 33055
goals of the Safe Drinking Water Act, the chief shall not issue a 33056
permit for the injection of brine or other waste substances 33057
resulting from, obtained from, or produced in connection with oil 33058
or gas drilling, exploration, or production unless the chief 33059

concludes that the applicant has demonstrated that the injection 33060
will not result in the presence of any contaminant in ground water 33061
that supplies or can reasonably be expected to supply any public 33062
water system, such that the presence of the contaminant may result 33063
in the system's not complying with any national primary drinking 33064
water regulation or may otherwise adversely affect the health of 33065
persons. This division and rules, orders, and terms and conditions 33066
of permits adopted or issued under it shall be construed to be no 33067
more stringent than required for compliance with the Safe Drinking 33068
Water Act unless essential to ensure that underground sources of 33069
drinking water will not be endangered. 33070

(E) The owner holding a permit, or an assignee or transferee 33071
who has assumed the obligations and liabilities imposed by this 33072
chapter and any rules adopted or orders issued under it pursuant 33073
to section 1509.31 of the Revised Code, and the operator of a well 33074
shall be liable for a violation of this section or any rules 33075
adopted or orders or terms or conditions of a permit issued under 33076
it. 33077

(F) An owner shall replace the water supply of the holder of 33078
an interest in real property who obtains all or part of the 33079
holder's supply of water for domestic, agricultural, industrial, 33080
or other legitimate use from an underground or surface source 33081
where the supply has been substantially disrupted by 33082
contamination, diminution, or interruption proximately resulting 33083
from the owner's oil or gas operation, or the owner may elect to 33084
compensate the holder of the interest in real property for the 33085
difference between the fair market value of the interest before 33086
the damage occurred to the water supply and the fair market value 33087
after the damage occurred if the cost of replacing the water 33088
supply exceeds this difference in fair market values. However, 33089
during the pendency of any order issued under this division, the 33090
owner shall obtain for the holder or shall reimburse the holder 33091

for the reasonable cost of obtaining a water supply from the time 33092
of the contamination, diminution, or interruption by the operation 33093
until the owner has complied with an order of the chief for 33094
compliance with this division or such an order has been revoked or 33095
otherwise becomes not effective. If the owner elects to pay the 33096
difference in fair market values, but the owner and the holder 33097
have not agreed on the difference within thirty days after the 33098
chief issues an order for compliance with this division, within 33099
ten days after the expiration of that thirty-day period, the owner 33100
and the chief each shall appoint an appraiser to determine the 33101
difference in fair market values, except that the holder of the 33102
interest in real property may elect to appoint and compensate the 33103
holder's own appraiser, in which case the chief shall not appoint 33104
an appraiser. The two appraisers appointed shall appoint a third 33105
appraiser, and within thirty days after the appointment of the 33106
third appraiser, the three appraisers shall hold a hearing to 33107
determine the difference in fair market values. Within ten days 33108
after the hearing, the appraisers shall make their determination 33109
by majority vote and issue their final determination of the 33110
difference in fair market values. The chief shall accept a 33111
determination of the difference in fair market values made by 33112
agreement of the owner and holder or by appraisers under this 33113
division and shall make and dissolve orders accordingly. This 33114
division does not affect in any way the right of any person to 33115
enforce or protect, under applicable law, the person's interest in 33116
water resources affected by an oil or gas operation. 33117

(G) In any action brought by the state for a violation of 33118
division (A) of this section involving any well at which annular 33119
disposal is used, there shall be a rebuttable presumption 33120
available to the state that the annular disposal caused the 33121
violation if the well is located within a one-quarter-mile radius 33122
of the site of the violation. 33123

Sec. 1509.221. (A) No person, without first having obtained a 33124
permit from the chief of the division of ~~mineral oil and gas~~ 33125
resources management, shall drill a well or inject a substance 33126
into a well for the exploration for or extraction of minerals or 33127
energy, other than oil or natural gas, including, but not limited 33128
to, the mining of sulfur by the Frasch process, the solution 33129
mining of minerals, the in situ combustion of fossil fuel, or the 33130
recovery of geothermal energy to produce electric power, unless a 33131
rule of the chief expressly authorizes the activity without a 33132
permit. The permit shall be in addition to any permit required by 33133
section 1509.05 of the Revised Code. The chief shall adopt rules 33134
in accordance with Chapter 119. of the Revised Code governing the 33135
issuance of permits under this section. The rules shall include 33136
provisions regarding the matters the applicant for a permit shall 33137
demonstrate to establish eligibility for a permit; the form and 33138
content of applications for permits; the terms and conditions of 33139
permits; entry to conduct inspections and to examine and copy 33140
records to ascertain compliance with this section and rules, 33141
orders, and terms and conditions of permits adopted or issued 33142
thereunder; provision and maintenance of information through 33143
monitoring, recordkeeping, and reporting; and other provisions in 33144
furtherance of the goals of this section and the Safe Drinking 33145
Water Act. To implement the goals of the Safe Drinking Water Act, 33146
the chief shall not issue a permit under this section, unless the 33147
chief concludes that the applicant has demonstrated that the 33148
drilling, injection of a substance, and extraction of minerals or 33149
energy will not result in the presence of any contaminant in 33150
underground water that supplies or can reasonably be expected to 33151
supply any public water system, such that the presence of the 33152
contaminant may result in the system's not complying with any 33153
national primary drinking water regulation or may otherwise 33154
adversely affect the health of persons. The chief may issue, 33155

without a prior adjudication hearing, orders requiring compliance 33156
with this section and rules, orders, and terms and conditions of 33157
permits adopted or issued thereunder. This section and rules, 33158
orders, and terms and conditions of permits adopted or issued 33159
thereunder shall be construed to be no more stringent than 33160
required for compliance with the Safe Drinking Water Act, unless 33161
essential to ensure that underground sources of drinking water 33162
will not be endangered. 33163

(B)(1) There is levied on the owner of an injection well who 33164
has been issued a permit under division (D) of section 1509.22 of 33165
the Revised Code the following fees: 33166

(a) Five cents per barrel of each substance that is delivered 33167
to a well to be injected in the well when the substance is 33168
produced within the division of ~~mineral~~ oil and gas resources 33169
management regulatory district in which the well is located or 33170
within an adjoining ~~mineral~~ oil and gas resources management 33171
regulatory district; 33172

(b) Twenty cents per barrel of each substance that is 33173
delivered to a well to be injected in the well when the substance 33174
is not produced within the division of ~~mineral~~ oil and gas 33175
resources management regulatory district in which the well is 33176
located or within an adjoining ~~mineral~~ oil and gas resources 33177
management regulatory district. 33178

(2) The maximum number of barrels of substance per injection 33179
well in a calendar year on which a fee may be levied under 33180
division (B) of this section is five hundred thousand. If in a 33181
calendar year the owner of an injection well receives more than 33182
five hundred thousand barrels of substance to be injected in the 33183
owner's well and if the owner receives at least one substance that 33184
is produced within the division's regulatory district in which the 33185
well is located or within an adjoining regulatory district and at 33186
least one substance that is not produced within the division's 33187

regulatory district in which the well is located or within an 33188
adjoining regulatory district, the fee shall be calculated first 33189
on all of the barrels of substance that are not produced within 33190
the division's regulatory district in which the well is located or 33191
within an adjoining district at the rate established in division 33192
(B)(2) of this section. The fee then shall be calculated on the 33193
barrels of substance that are produced within the division's 33194
regulatory district in which the well is located or within an 33195
adjoining district at the rate established in division (B)(1) of 33196
this section until the maximum number of barrels established in 33197
division (B)(2) of this section has been attained. 33198

(3) The owner of an injection well who is issued a permit 33199
under division (D) of section 1509.22 of the Revised Code shall 33200
collect the fee levied by division (B) of this section on behalf 33201
of the division of ~~mineral oil and gas~~ resources management and 33202
forward the fee to the division. The chief shall transmit all 33203
money received under division (B) of this section to the treasurer 33204
of state who shall deposit the money in the state treasury to the 33205
credit of the oil and gas well fund created in section 1509.02 of 33206
the Revised Code. The owner of an injection well who collects the 33207
fee levied by this division may retain up to three per cent of the 33208
amount that is collected. 33209

(4) The chief shall adopt rules in accordance with Chapter 33210
119. of the Revised Code establishing requirements and procedures 33211
for collection of the fee levied by division (B) of this section. 33212

(C) In an action under section 1509.04 or 1509.33 of the 33213
Revised Code to enforce this section, the court shall grant 33214
preliminary and permanent injunctive relief and impose a civil 33215
penalty upon the showing that the person against whom the action 33216
is brought has violated, is violating, or will violate this 33217
section or rules, orders, or terms or conditions of permits 33218
adopted or issued thereunder. The court shall not require, prior 33219

to granting such preliminary and permanent injunctive relief or 33220
imposing a civil penalty, proof that the violation was, is, or 33221
will be the result of intentional conduct or negligence. In any 33222
such action, any person may intervene as a plaintiff upon the 33223
demonstration that the person has an interest that is or may be 33224
adversely affected by the activity for which injunctive relief or 33225
a civil penalty is sought. 33226

Sec. 1509.222. (A)(1) Except as provided in section 1509.226 33227
of the Revised Code, no person shall transport brine by vehicle in 33228
this state unless the business entity that employs the person 33229
first registers with and obtains a registration certificate and 33230
identification number from the chief of the division of ~~mineral~~ 33231
oil and gas resources management. 33232

(2) No more than one registration certificate shall be 33233
required of any business entity. Registration certificates issued 33234
under this section are not transferable. An applicant shall file 33235
an application with the chief, containing such information in such 33236
form as the chief prescribes, but including a plan for disposal 33237
that provides for compliance with the requirements of this chapter 33238
and rules of the chief pertaining to the transportation of brine 33239
by vehicle and the disposal of brine so transported and that lists 33240
all disposal sites that the applicant intends to use, the bond 33241
required by section 1509.225 of the Revised Code, and a 33242
certificate issued by an insurance company authorized to do 33243
business in this state certifying that the applicant has in force 33244
a liability insurance policy in an amount not less than three 33245
hundred thousand dollars bodily injury coverage and three hundred 33246
thousand dollars property damage coverage to pay damages for 33247
injury to persons or property caused by the collecting, handling, 33248
transportation, or disposal of brine. The policy shall be 33249
maintained in effect during the term of the registration 33250
certificate. The policy or policies providing the coverage shall 33251

require the insurance company to give notice to the chief if the 33252
policy or policies lapse for any reason. Upon such termination of 33253
the policy, the chief may suspend the registration certificate 33254
until proper insurance coverage is obtained. Each application for 33255
a registration certificate shall be accompanied by a nonrefundable 33256
fee of five hundred dollars. 33257

(3) If a business entity that has been issued a registration 33258
certificate under this section changes its name due to a business 33259
reorganization or merger, the business entity shall revise the 33260
bond or certificates of deposit required by section 1509.225 of 33261
the Revised Code and obtain a new certificate from an insurance 33262
company in accordance with division (A)(2) of this section to 33263
reflect the change in the name of the business entity. 33264

(B) The chief shall issue an order denying an application for 33265
a registration certificate if the chief finds that either of the 33266
following applies: 33267

(1) The applicant, at the time of applying for the 33268
registration certificate, has been found liable by a final 33269
nonappealable order of a court of competent jurisdiction for 33270
damage to streets, roads, highways, bridges, culverts, or 33271
drainways pursuant to section 4513.34 or 5577.12 of the Revised 33272
Code until the applicant provides the chief with evidence of 33273
compliance with the order. 33274

(2) The applicant's plan for disposal does not provide for 33275
compliance with the requirements of this chapter and rules of the 33276
chief pertaining to the transportation of brine by vehicle and the 33277
disposal of brine so transported. 33278

(C) No applicant shall attempt to circumvent division (B) of 33279
this section by applying for a registration certificate under a 33280
different name or business organization name, by transferring 33281
responsibility to another person or entity, or by any similar act. 33282

(D) A registered transporter shall apply to revise a disposal 33283
plan under procedures that the chief shall prescribe by rule. 33284
However, at a minimum, an application for a revision shall list 33285
all sources and disposal sites of brine currently transported. The 33286
chief shall deny any application for a revision of a plan under 33287
this division if the chief finds that the proposed revised plan 33288
does not provide for compliance with the requirements of this 33289
chapter and rules of the chief pertaining to the transportation of 33290
brine by vehicle and the disposal of brine so transported. 33291
Approvals and denials of revisions shall be by order of the chief. 33292

(E) The chief may adopt rules, issue orders, and attach terms 33293
and conditions to registration certificates as may be necessary to 33294
administer, implement, and enforce sections 1509.222 to 1509.226 33295
of the Revised Code for protection of public health or safety or 33296
conservation of natural resources. 33297

Sec. 1509.223. (A) No permit holder or owner of a well shall 33298
enter into an agreement with or permit any person to transport 33299
brine produced from the well who is not registered pursuant to 33300
section 1509.222 of the Revised Code or exempt from registration 33301
under section 1509.226 of the Revised Code. 33302

(B) Each registered transporter shall file with the chief of 33303
the division of ~~mineral~~ oil and gas resources management, on or 33304
before the fifteenth day of April, a statement concerning brine 33305
transported, including quantities transported and source and 33306
delivery points, during the last preceding calendar year, and such 33307
other information in such form as the chief may prescribe. 33308

(C) Each registered transporter shall keep on each vehicle 33309
used to transport brine a daily log and have it available upon the 33310
request of the chief or an authorized representative of the chief 33311
or a peace officer. The log shall, at a minimum, include all of 33312
the following information: 33313

(1) The name of the owner or owners of the well or wells producing the brine to be transported;	33314 33315
(2) The date and time the brine is loaded;	33316
(3) The name of the driver;	33317
(4) The amount of brine loaded at each collection point;	33318
(5) The disposal location;	33319
(6) The date and time the brine is disposed of and the amount of brine disposed of at each location.	33320 33321
No registered transporter shall falsify or fail to keep or submit the log required by this division.	33322 33323
(D) Each registered transporter shall legibly identify with reflective paints all vehicles employed in transporting or disposing of brine. Letters shall be no less than four inches in height and shall indicate the identification number issued by the chief, the word "brine," and the name and telephone number of the transporter.	33324 33325 33326 33327 33328 33329
(E) The chief shall maintain and keep a current list of persons registered to transport brine under section 1509.222 of the Revised Code. The list shall be open to public inspection. It is an affirmative defense to a charge under division (A) of this section that at the time the permit holder or owner of a well entered into an agreement with or permitted a person to transport brine, the person was shown on the list as currently registered to transport brine.	33330 33331 33332 33333 33334 33335 33336 33337
Sec. 1509.224. (A) In addition to any other remedies provided in this chapter, if the chief of the division of mineral oil and gas resources management has reason to believe that a pattern of the same or similar violations of any requirements of sections <u>section</u> 1509.22, 1509.222, or 1509.223 of the Revised Code, or any rule adopted thereunder or term or condition of the registration	33338 33339 33340 33341 33342 33343

certificate issued thereunder exists or has existed, and the 33344
violations are caused by the transporter's indifference, lack of 33345
diligence, or lack of reasonable care, or are willfully caused by 33346
the transporter, the chief shall immediately issue an order to the 33347
transporter to show cause why the certificate should not be 33348
suspended or revoked. After the issuance of the order, the chief 33349
shall provide the transporter an opportunity to be heard and to 33350
present evidence at an informal hearing conducted by the chief. 33351
If, at the conclusion of the hearing, the chief finds that such a 33352
pattern of violations exists or has existed, the chief shall issue 33353
an order suspending or revoking the transporter's registration 33354
certificate. An order suspending or revoking a certificate under 33355
this section may be appealed under sections 1509.36 and 1509.37 of 33356
the Revised Code, or notwithstanding any other provision of this 33357
chapter, may be appealed directly to the court of common pleas of 33358
Franklin county. 33359

(B) Before issuing an order denying a registration 33360
certificate; approving or denying approval of an application for 33361
revision of a registered transporter's plan for disposal; or to 33362
implement, administer, or enforce section 1509.22, 1509.222, 33363
1509.223, 1509.225, or 1509.226 of the Revised Code and rules and 33364
terms and conditions of registration certificates adopted or 33365
issued thereunder pertaining to the transportation of brine by 33366
vehicle and the disposal of brine so transported, the chief shall 33367
issue a preliminary order indicating the chief's intent to issue a 33368
final order. The preliminary order shall clearly state the nature 33369
of the chief's proposed action and the findings on which it is 33370
based and shall state that the preliminary order becomes a final 33371
order thirty days after its issuance unless the person to whom the 33372
preliminary order is directed submits to the chief a written 33373
request for an informal hearing before the chief within that 33374
thirty-day period. At the hearing the person may present evidence 33375
as to why the preliminary order should be revoked or modified. 33376

Based upon the findings from the informal hearing, the chief shall 33377
revoke, issue, or modify and issue the preliminary order as a 33378
final order. A final order may be appealed under sections 1509.36 33379
and 1509.37 of the Revised Code. 33380

Sec. 1509.225. (A) Before being issued a registration 33381
certificate under section 1509.222 of the Revised Code, an 33382
applicant shall execute and file with the division of ~~mineral oil~~ 33383
and gas resources management a surety bond for fifteen thousand 33384
dollars to provide compensation for damage and injury resulting 33385
from transporters' violations of sections 1509.22, 1509.222, and 33386
1509.223 of the Revised Code, all rules and orders of the chief of 33387
the division of ~~mineral resource~~ oil and gas resources management 33388
relating thereto, and all terms and conditions of the registration 33389
certificate imposed thereunder. The applicant may deposit with the 33390
chief, in lieu of a surety bond, cash in an amount equal to the 33391
surety bond as prescribed in this section, or negotiable 33392
certificates of deposit issued by any bank organized or 33393
transacting business in this state, or certificates of deposit 33394
issued by any building and loan association as defined in section 33395
1151.01 of the Revised Code, having a cash value equal to or 33396
greater than the amount of the surety bond as prescribed in this 33397
section. Cash or certificates of deposit shall be deposited upon 33398
the same terms as those upon which surety bonds may be deposited. 33399
If certificates of deposit are deposited with the chief in lieu of 33400
a surety bond, the chief shall require the bank or building and 33401
loan association that issued any such certificate to pledge 33402
securities of a cash value equal to the amount of the certificate 33403
that is in excess of the amount insured by any of the agencies and 33404
instrumentalities created under the "Federal Deposit Insurance 33405
Act," 64 Stat. 873 (1950), 12 U.S.C. 1811, as amended, and 33406
regulations adopted under it, including at least the federal 33407
deposit insurance corporation, bank insurance fund, and savings 33408

association insurance fund. 33409

Such securities shall be security for the repayment of the 33410
certificate of deposit. Immediately upon a deposit of cash or 33411
certificates with the chief, the chief shall deliver it to the 33412
treasurer of state who shall hold it in trust for the purposes for 33413
which it has been deposited. 33414

(B) The surety bond provided for in this section shall be 33415
executed by a surety company authorized to do business in this 33416
state. The chief shall not approve any bond until it is personally 33417
signed and acknowledged by both principal and surety, or as to 33418
either by an attorney in fact, with a certified copy of the power 33419
of attorney attached thereto. The chief shall not approve the bond 33420
unless there is attached a certificate of the superintendent of 33421
insurance that the company is authorized to transact a fidelity 33422
and surety business in this state. All bonds shall be given in a 33423
form to be prescribed by the chief. 33424

(C) If a registered transporter is found liable for a 33425
violation of section 1509.22, 1509.222, or 1509.223 of the Revised 33426
Code or a rule, order, or term or condition of a certificate 33427
involving, in any case, damage or injury to persons or property, 33428
or both, the court may order the forfeiture of any portion of the 33429
bond, cash, or other securities required by this section in full 33430
or partial payment of damages to the person to whom the damages 33431
are due. The treasurer of state and the chief shall deliver the 33432
bond or any cash or other securities deposited in lieu of bond, as 33433
specified in the court's order, to the person to whom the damages 33434
are due; however, execution against the bond, cash, or other 33435
securities, if necessary, is the responsibility of the person to 33436
whom the damages are due. The chief shall not release the bond, 33437
cash, or securities required by this section except by court order 33438
or until the registration is terminated. 33439

Sec. 1509.226. (A) If a board of county commissioners, a 33440
board of township trustees, or the legislative authority of a 33441
municipal corporation wishes to permit the surface application of 33442
brine to roads, streets, highways, and other similar land surfaces 33443
it owns or has the right to control for control of dust or ice, it 33444
may adopt a resolution permitting such application as provided in 33445
this section. If a board or legislative authority does not adopt 33446
such a resolution, then no such surface application of brine is 33447
permitted on such roads, streets, highways, and other similar 33448
surfaces. If a board or legislative authority votes on a proposed 33449
resolution to permit such surface application of brine, but the 33450
resolution fails to receive the affirmative vote of a majority of 33451
the board or legislative authority, the board or legislative 33452
authority shall not adopt such a resolution for one year following 33453
the date on which the vote was taken. A board or legislative 33454
authority shall hold at least one public hearing on any proposal 33455
to permit surface application of brine under this division and may 33456
hold additional hearings. The board or legislative authority shall 33457
publish notice of the time and place of each such public hearing 33458
in a newspaper of general circulation in the political subdivision 33459
at least five days before the day on which the hearing is to be 33460
held. 33461

(B) If a board or legislative authority adopts a resolution 33462
permitting the surface application of brine to roads, streets, 33463
highways, and other similar land surfaces under division (A) of 33464
this section, the board or legislative authority shall, within 33465
thirty days after the adoption of the resolution, prepare and 33466
submit to the chief of the division of ~~mineral~~ oil and gas 33467
resources management a copy of the resolution. Any department, 33468
agency, or instrumentality of this state or the United States that 33469
wishes to permit the surface application of brine to roads, 33470
streets, highways, and other similar land surfaces it owns or has 33471

a right to control shall prepare and submit guidelines for such application, but need not adopt a resolution under division (A) of this section permitting such surface application.

All resolutions and guidelines shall be subject to the following standards:

(1) Brine shall not be applied:

(a) To a water-saturated surface;

(b) Directly to vegetation near or adjacent to surfaces being treated;

(c) Within twelve feet of structures crossing bodies of water or crossing drainage ditches;

(d) Between sundown and sunrise, except for ice control.

(2) The discharge of brine through the spreader bar shall stop when the application stops.

(3) The applicator vehicle shall be moving at least five miles per hour at all times while the brine is being applied.

(4) The maximum spreader bar nozzle opening shall be three-quarters of an inch in diameter.

(5) The maximum uniform application rate of brine shall be three thousand gallons per mile on a twelve-foot-wide road or three gallons per sixty square feet on unpaved lots.

(6) The applicator vehicle discharge valve shall be closed between the brine collection point and the specific surfaces that have been approved for brine application.

(7) Any valves that provide for tank draining other than through the spreader bar shall be closed during the brine application and transport.

(8) The angle of discharge from the applicator vehicle spreader bar shall not be greater than sixty degrees from the

perpendicular to the unpaved surface. 33501

(9) Only the last twenty-five per cent of an applicator 33502
vehicle's contents shall be allowed to have a pressure greater 33503
than atmospheric pressure; therefore, the first seventy-five per 33504
cent of the applicator vehicle's contents shall be discharged 33505
under atmospheric pressure. 33506

(10) Only brine that is produced from a well shall be allowed 33507
to be spread on a road. Fluids from the drilling of a well, 33508
flowback from the stimulation of a well, and other fluids used to 33509
treat a well shall not be spread on a road. 33510

If a resolution or guidelines contain only the standards 33511
listed in ~~division~~ divisions (B)(1) to (10) of this section, 33512
without addition or qualification, the resolution or guidelines 33513
shall be deemed effective when submitted to the chief without 33514
further action by the chief. All other resolutions and guidelines 33515
shall comply with and be no less stringent than this chapter, 33516
rules concerning surface application that the chief shall adopt 33517
under division (C) of section 1509.22 of the Revised Code, and 33518
other rules of the chief. Within fifteen days after receiving such 33519
other resolutions and guidelines, the chief shall review them for 33520
compliance with the law and rules and disapprove them if they do 33521
not comply. 33522

The board, legislative authority, or department, agency, or 33523
instrumentality may revise and resubmit any resolutions or 33524
guidelines that the chief disapproves after each disapproval, and 33525
the chief shall again review and approve or disapprove them within 33526
fifteen days after receiving them. The board, legislative 33527
authority, or department, agency, or instrumentality may amend any 33528
resolutions or guidelines previously approved by the chief and 33529
submit them, as amended, to the chief. The chief shall receive, 33530
review, and approve or disapprove the amended resolutions or 33531
guidelines on the same basis and in the same time as original 33532

resolutions or guidelines. The board, legislative authority, or 33533
department, agency, or instrumentality shall not implement amended 33534
resolutions or guidelines until they are approved by the chief 33535
under this division. 33536

(C) Any person, other than a political subdivision required 33537
to adopt a resolution under division (A) of this section or a 33538
department, agency, or instrumentality of this state or the United 33539
States, who owns or has a legal right or obligation to maintain a 33540
road, street, highway, or other similar land surface may file with 33541
the board of county commissioners a written plan for the 33542
application of brine to the road, street, highway, or other 33543
surface. The board need not approve any such plans, but if it 33544
approves a plan, the plan shall comply with this chapter, rules 33545
adopted thereunder, and the board's resolutions, if any. 33546
Disapproved plans may be revised and resubmitted for the board's 33547
approval. Approved plans may also be revised and submitted to the 33548
board. A plan or revised plan shall do all of the following: 33549

(1) Identify the sources of brine to be used under the plan; 33550

(2) Identify by name, address, and registration certificate, 33551
if applicable, any transporters of the brine; 33552

(3) Specifically identify the places to which the brine will 33553
be applied; 33554

(4) Specifically describe the method, rate, and frequency of 33555
application. 33556

(D) The board may attach terms and conditions to approval of 33557
a plan, or revised plan, and may revoke approval for any violation 33558
of this chapter, rules adopted thereunder, resolutions adopted by 33559
the board, or terms or conditions attached by the board. The board 33560
shall conduct at least one public hearing before approving a plan 33561
or revised plan, publishing notice of the time and place of each 33562
such public hearing in a newspaper of general circulation in the 33563

county at least five days before the day on which the hearing is 33564
to be held. The board shall record the filings of all plans and 33565
revised plans in its journal. The board shall approve, disapprove, 33566
or revoke approval of a plan or revised plan by the adoption of a 33567
resolution. Upon approval of a plan or revised plan, the board 33568
shall send a copy of the plan to the chief. Upon revoking approval 33569
of a plan or revised plan, the board shall notify the chief of the 33570
revocation. 33571

(E) No person shall: 33572

(1) Apply brine to a water-saturated surface; 33573

(2) Apply brine directly to vegetation adjacent to the 33574
surface of roads, streets, highways, and other surfaces to which 33575
brine may be applied. 33576

(F) Each political subdivision that adopts a resolution under 33577
divisions (A) and (B) of this section, each department, agency, or 33578
instrumentality of this state or the United States that submits 33579
guidelines under division (B) of this section, and each person who 33580
files a plan under divisions (C) and (D) of this section shall, on 33581
or before the fifteenth day of April of each year, file a report 33582
with the chief concerning brine applied within the person's or 33583
governmental entity's jurisdiction, including the quantities 33584
transported and the sources and application points during the last 33585
preceding calendar year and such other information in such form as 33586
the chief requires. 33587

(G) Any political subdivision or department, agency, or 33588
instrumentality of this state or the United States that applies 33589
brine under this section may do so with its own personnel, 33590
vehicles, and equipment without registration under or compliance 33591
with section 1509.222 or 1509.223 of the Revised Code and without 33592
the necessity for filing the surety bond or other security 33593
required by section 1509.225 of the Revised Code. However, each 33594

such entity shall legibly identify vehicles used to apply brine 33595
with reflective paint in letters no less than four inches in 33596
height, indicating the word "brine" and that the vehicle is a 33597
vehicle of the political subdivision, department, agency, or 33598
instrumentality. Except as stated in this division, such entities 33599
shall transport brine in accordance with sections 1509.22 to 33600
1509.226 of the Revised Code. 33601

(H) A surface application plan filed for approval under 33602
division (C) of this section shall be accompanied by a 33603
nonrefundable fee of fifty dollars, which shall be credited to the 33604
general fund of the county. An approved plan is valid for one year 33605
from the date of its approval unless it is revoked before that 33606
time. An approved revised plan is valid for the remainder of the 33607
term of the plan it supersedes unless it is revoked before that 33608
time. Any person who has filed such a plan or revised plan and had 33609
it approved may renew it by refileing it in accordance with 33610
divisions (C) and (D) of this section within thirty days before 33611
any anniversary of the date on which the original plan was 33612
approved. The board shall notify the chief of renewals and 33613
nonrenewals of plans. Even if a renewed plan is approved under 33614
those divisions, the plan is not effective until notice is 33615
received by the chief, and until notice is received, the chief 33616
shall enforce this chapter and rules adopted thereunder with 33617
regard to the affected roads, streets, highways, and other similar 33618
land surfaces as if the plan had not been renewed. 33619

(I) A resolution adopted under division (A) of this section 33620
by a board or legislative authority shall be effective for one 33621
year following the date of its adoption and from month to month 33622
thereafter until the board or legislative authority, by 33623
resolution, terminates the authority granted in the original 33624
resolution. The termination shall be effective not less than seven 33625
days after enactment of the resolution, and a copy of the 33626

resolution shall be sent to the chief. 33627

Sec. 1509.23. (A) Rules of the chief of the division of 33628
~~mineral oil and gas~~ resources management may specify practices to 33629
be followed in the drilling and treatment of wells, production of 33630
oil and gas, and plugging of wells for protection of public health 33631
or safety or to prevent damage to natural resources, including 33632
specification of the following: 33633

(1) Appropriate devices; 33634

(2) Minimum distances that wells and other excavations, 33635
structures, and equipment shall be located from water wells, 33636
streets, roads, highways, rivers, lakes, streams, ponds, other 33637
bodies of water, railroad tracks, public or private recreational 33638
areas, zoning districts, and buildings or other structures. Rules 33639
adopted under division (A)(2) of this section shall not conflict 33640
with section 1509.021 of the Revised Code. 33641

(3) Other methods of operation; 33642

(4) Procedures, methods, and equipment and other requirements 33643
for equipment to prevent and contain discharges of oil and brine 33644
from oil production facilities and oil drilling and workover 33645
facilities consistent with and equivalent in scope, content, and 33646
coverage to section 311(j)(1)(c) of the "Federal Water Pollution 33647
Control Act Amendments of 1972," 86 Stat. 886, 33 U.S.C.A. 1251, 33648
as amended, and regulations adopted under it. In addition, the 33649
rules may specify procedures, methods, and equipment and other 33650
requirements for equipment to prevent and contain surface and 33651
subsurface discharges of fluids, condensates, and gases. 33652

(5) Notifications. 33653

(B) The chief, in consultation with the emergency response 33654
commission created in section 3750.02 of the Revised Code, shall 33655
adopt rules in accordance with Chapter 119. of the Revised Code 33656

that specify the information that shall be included in an 33657
electronic database that the chief shall create and host. The 33658
information shall be that which the chief considers to be 33659
appropriate for the purpose of responding to emergency situations 33660
that pose a threat to public health or safety or the environment. 33661
At the minimum, the information shall include that which a person 33662
who is regulated under this chapter is required to submit under 33663
the "Emergency Planning and Community Right-To-Know Act of 1986," 33664
100 Stat. 1728, 42 U.S.C.A. 11001, and regulations adopted under 33665
it. 33666

In addition, the rules shall specify whether and to what 33667
extent the database and the information that it contains will be 33668
made accessible to the public. The rules shall ensure that the 33669
database will be made available via the internet or a system of 33670
computer disks to the emergency response commission and to every 33671
local emergency planning committee and fire department in this 33672
state. 33673

Sec. 1509.24. (A) The chief of the division of ~~mineral oil~~ 33674
and gas resources management, with the approval of the technical 33675
advisory council on oil and gas created in section 1509.38 of the 33676
Revised Code, may adopt, amend, or rescind rules relative to 33677
minimum acreage requirements for drilling units and minimum 33678
distances from which a new well may be drilled or an existing well 33679
deepened, plugged back, or reopened to a source of supply 33680
different from the existing pool from boundaries of tracts, 33681
drilling units, and other wells for the purpose of conserving oil 33682
and gas reserves. The rules relative to minimum acreage 33683
requirements for drilling units shall require a drilling unit to 33684
be compact and composed of contiguous land. 33685

(B) Rules adopted under this section and special orders made 33686
under section 1509.25 of the Revised Code shall apply only to new 33687

wells to be drilled or existing wells to be deepened, plugged 33688
back, or reopened to a source of supply different from the 33689
existing pool for the purpose of extracting oil or gas in their 33690
natural state. 33691

Sec. 1509.25. The chief of the division of ~~mineral oil and~~ 33692
gas resources management, upon the chief's own motion or upon 33693
application of an owner, may hold a hearing to consider the need 33694
or desirability of adopting a special order for drilling unit 33695
requirements in a particular pool different from those established 33696
under section 1509.24 of the Revised Code. The chief shall notify 33697
every owner of land within the area proposed to be included within 33698
the order, of the date, time, and place of the hearing and the 33699
nature of the order being considered at least thirty days prior to 33700
the date of the hearing. Each application for such an order shall 33701
be accompanied by such information as the chief may request. If 33702
the chief finds that the pool can be defined with reasonable 33703
certainty, that the pool is in the initial state of development, 33704
and that the establishment of such different requirements for 33705
drilling a well on a tract or drilling unit in ~~such the~~ pool is 33706
reasonably necessary to protect correlative rights or to provide 33707
effective development, use, or conservation of oil and gas, the 33708
chief, with the written approval of the technical advisory council 33709
on oil and gas created in section 1509.38 of the Revised Code, 33710
shall make a special order designating the area covered by the 33711
order, and specifying the acreage requirements for drilling a well 33712
on a tract or drilling unit in ~~such the~~ area, which acreage 33713
requirements shall be uniform for the entire pool. The order shall 33714
specify minimum distances from the boundary of the tract or 33715
drilling unit for the drilling of wells and minimum distances from 33716
other wells and allow exceptions for wells drilled or drilling in 33717
a particular pool at the time of the filing of the application. 33718
The chief may exempt the discovery well from minimum acreage and 33719

distance requirements in the order. After the date of the notice 33720
for a hearing called to make ~~such~~ the order, no additional well 33721
shall be commenced in the pool for a period of sixty days or until 33722
an order has been made pursuant to the application, whichever is 33723
earlier. The chief, upon the chief's own motion or upon 33724
application of an owner, after a hearing and with the approval of 33725
the technical advisory council on oil and gas, may include 33726
additional lands determined to be underlaid by a particular pool 33727
or to exclude lands determined not to be underlaid by a particular 33728
pool, and may modify the spacing and acreage requirements of the 33729
order. 33730

Nothing in this section permits the chief to establish 33731
drilling units in a pool by requiring the use of a survey grid 33732
coordinate system with fixed or established unit boundaries. 33733

Sec. 1509.26. The owners of adjoining tracts may agree to 33734
pool ~~such~~ the tracts to form a drilling unit that conforms to the 33735
minimum acreage and distance requirements of the division of 33736
~~mineral oil and gas~~ resources management under section 1509.24 or 33737
1509.25 of the Revised Code. ~~Such~~ The agreement shall be in 33738
writing, a copy of which shall be submitted to the division with 33739
the application for a permit required by section 1509.05 of the 33740
Revised Code. Parties to the agreement shall designate one of 33741
their number as the applicant for ~~such~~ the permit. 33742

Sec. 1509.27. If a tract of land is of insufficient size or 33743
shape to meet the requirements for drilling a well thereon as 33744
provided in section 1509.24 or 1509.25 of the Revised Code, 33745
whichever is applicable, and the owner of the tract who also is 33746
the owner of the mineral interest has been unable to form a 33747
drilling unit under agreement as provided in section 1509.26 of 33748
the Revised Code, on a just and equitable basis, such an owner may 33749
make application to the division of ~~mineral~~ oil and gas resources 33750

management for a mandatory pooling order. 33751

The application shall include information as shall be 33752
reasonably required by the chief of the division of ~~mineral oil~~ 33753
and gas resources management and shall be accompanied by an 33754
application for a permit as required by section 1509.05 of the 33755
Revised Code. The chief shall notify all owners of land within the 33756
area proposed to be included within the drilling unit of the 33757
filing of the application and of their right to a hearing. After 33758
the hearing or after the expiration of thirty days from the date 33759
notice of application was mailed to such owners, the chief, if 33760
satisfied that the application is proper in form and that 33761
mandatory pooling is necessary to protect correlative rights and 33762
to provide effective development, use, and conservation of oil and 33763
gas, shall issue a drilling permit and a mandatory pooling order 33764
complying with the requirements for drilling a well as provided in 33765
section 1509.24 or 1509.25 of the Revised Code, whichever is 33766
applicable. The mandatory pooling order shall: 33767

(A) Designate the boundaries of the drilling unit within 33768
which the well shall be drilled; 33769

(B) Designate the proposed production site; 33770

(C) Describe each separately owned tract or part thereof 33771
pooled by the order; 33772

(D) Allocate on a surface acreage basis a pro rata portion of 33773
the production to the owner of each tract pooled by the order. The 33774
pro rata portion shall be in the same proportion that the 33775
percentage of the owner's acreage is to the state minimum acreage 33776
requirements established in rules adopted under this chapter for a 33777
drilling unit unless the applicant demonstrates to the chief using 33778
geological evidence that the geologic structure containing the oil 33779
or gas is larger than the minimum acreage requirement in which 33780
case the pro rata portion shall be in the same proportion that the 33781

percentage of the owner's acreage is to the geologic structure. 33782

(E) Specify the basis upon which each owner of a tract pooled 33783
by the order shall share all reasonable costs and expenses of 33784
drilling and producing if the owner elects to participate in the 33785
drilling and operation of the well; 33786

(F) Designate the person to whom the permit shall be issued. 33787

A person shall not submit more than five applications for 33788
mandatory pooling orders per year under this section unless 33789
otherwise approved by the chief. 33790

No surface operations or disturbances to the surface of the 33791
land shall occur on a tract pooled by an order without the written 33792
consent of or a written agreement with the owner of the tract that 33793
approves the operations or disturbances. 33794

If an owner of a tract pooled by the order does not elect to 33795
participate in the risk and cost of the drilling and operation of 33796
a well, the owner shall be designated as a nonparticipating owner 33797
in the drilling and operation of the well on a limited or carried 33798
basis and is subject to terms and conditions determined by the 33799
chief to be just and reasonable. In addition, if an owner is 33800
designated as a nonparticipating owner, the owner is not liable 33801
for actions or conditions associated with the drilling or 33802
operation of the well. If the applicant bears the costs of 33803
drilling, equipping, and operating a well for the benefit of a 33804
nonparticipating owner, as provided for in the pooling order, then 33805
the applicant shall be entitled to the share of production from 33806
the drilling unit accruing to the interest of that 33807
nonparticipating owner, exclusive of the nonparticipating owner's 33808
proportionate share of the royalty interest until there has been 33809
received the share of costs charged to that nonparticipating owner 33810
plus such additional percentage of the share of costs as the chief 33811
shall determine. The total amount receivable hereunder shall in no 33812

event exceed two hundred per cent of the share of costs charged to 33813
that nonparticipating owner. After receipt of that share of costs 33814
by such an applicant, a nonparticipating owner shall receive a 33815
proportionate share of the working interest in the well in 33816
addition to a proportionate share of the royalty interest, if any. 33817

If there is a dispute as to costs of drilling, equipping, or 33818
operating a well, the chief shall determine those costs. 33819

Sec. 1509.28. (A) The chief of the division of ~~mineral oil~~ oil 33820
and gas resources management, upon the chief's own motion or upon 33821
application by the owners of sixty-five per cent of the land area 33822
overlying the pool, shall hold a hearing to consider the need for 33823
the operation as a unit of an entire pool or part thereof. An 33824
application by owners shall be accompanied by such information as 33825
the chief may request. 33826

The chief shall make an order providing for the unit 33827
operation of a pool or part thereof if the chief finds that such 33828
operation is reasonably necessary to increase substantially the 33829
ultimate recovery of oil and gas, and the value of the estimated 33830
additional recovery of oil or gas exceeds the estimated additional 33831
cost incident to conducting ~~such~~ the operation. The order shall be 33832
upon terms and conditions that are just and reasonable and shall 33833
prescribe a plan for unit operations that shall include: 33834

(1) A description of the unitized area, termed the unit area; 33835

(2) A statement of the nature of the operations contemplated; 33836

(3) An allocation to the separately owned tracts in the unit 33837
area of all the oil and gas that is produced from the unit area 33838
and is saved, being the production that is not used in the conduct 33839
of operations on the unit area or not unavoidably lost. The 33840
allocation shall be in accord with the agreement, if any, of the 33841
interested parties. If there is no such agreement, the chief shall 33842

determine the value, from the evidence introduced at the hearing, 33843
of each separately owned tract in the unit area, exclusive of 33844
physical equipment, for development of oil and gas by unit 33845
operations, and the production allocated to each tract shall be 33846
the proportion that the value of each tract so determined bears to 33847
the value of all tracts in the unit area. 33848

(4) A provision for the credits and charges to be made in the 33849
adjustment among the owners in the unit area for their respective 33850
investments in wells, tanks, pumps, machinery, materials, and 33851
equipment contributed to the unit operations; 33852

(5) A provision providing how the expenses of unit 33853
operations, including capital investment, shall be determined and 33854
charged to the separately owned tracts and how the expenses shall 33855
be paid; 33856

(6) A provision, if necessary, for carrying or otherwise 33857
financing any person who is unable to meet the person's financial 33858
obligations in connection with the unit, allowing a reasonable 33859
interest charge for such service; 33860

(7) A provision for the supervision and conduct of the unit 33861
operations, in respect to which each person shall have a vote with 33862
a value corresponding to the percentage of the expenses of unit 33863
operations chargeable against the interest of ~~such~~ that person; 33864

(8) The time when the unit operations shall commence, and the 33865
manner in which, and the circumstances under which, the unit 33866
operations shall terminate; 33867

(9) Such additional provisions as are found to be appropriate 33868
for carrying on the unit operations, and for the protection or 33869
adjustment of correlative rights. 33870

(B) No order of the chief providing for unit operations shall 33871
become effective unless and until the plan for unit operations 33872
prescribed by the chief has been approved in writing by those 33873

owners who, under the chief's order, will be required to pay at 33874
least sixty-five per cent of the costs of the unit operation, and 33875
also by the royalty or, with respect to unleased acreage, fee 33876
owners of sixty-five per cent of the acreage to be included in the 33877
unit. If the plan for unit operations has not been so approved by 33878
owners and royalty owners at the time the order providing for unit 33879
operations is made, the chief shall upon application and notice 33880
hold such supplemental hearings as may be required to determine if 33881
and when the plan for unit operations has been so approved. If the 33882
owners and royalty owners, or either, owning the required 33883
percentage of interest in the unit area do not approve the plan 33884
for unit operations within a period of six months from the date on 33885
which the order providing for unit operations is made, ~~such~~ the 33886
order shall cease to be of force and shall be revoked by the 33887
chief. 33888

An order providing for unit operations may be amended by an 33889
order made by the chief, in the same manner and subject to the 33890
same conditions as an original order providing for unit 33891
operations, provided that: 33892

(1) If such an amendment affects only the rights and 33893
interests of the owners, the approval of the amendment by the 33894
royalty owners shall not be required. 33895

(2) No such order of amendment shall change the percentage 33896
for allocation of oil and gas as established for any separately 33897
owned tract by the original order, except with the consent of all 33898
persons owning interest in ~~such~~ the tract. 33899

The chief, by an order, may provide for the unit operation of 33900
a pool or a part thereof that embraces a unit area established by 33901
a previous order of the chief. Such an order, in providing for the 33902
allocation of unit production, shall first treat the unit area 33903
previously established as a single tract, and the portion of the 33904
unit production so allocated thereto shall then be allocated among 33905

the separately owned tracts included in ~~such~~ the previously 33906
established unit area in the same proportions as those specified 33907
in the previous order. 33908

Oil and gas allocated to a separately owned tract shall be 33909
deemed, for all purposes, to have been actually produced from ~~such~~ 33910
the tract, and all operations, including, but not limited to, the 33911
commencement, drilling, operation of, or production from a well 33912
upon any portion of the unit area shall be deemed for all purposes 33913
the conduct of such operations and production from any lease or 33914
contract for lands any portion of which is included in the unit 33915
area. The operations conducted pursuant to the order of the chief 33916
shall constitute a fulfillment of all the express or implied 33917
obligations of each lease or contract covering lands in the unit 33918
area to the extent that compliance with such obligations cannot be 33919
had because of the order of the chief. 33920

Oil and gas allocated to any tract, and the proceeds from the 33921
sale thereof, shall be the property and income of the several 33922
persons to whom, or to whose credit, the same are allocated or 33923
payable under the order providing for unit operations. 33924

No order of the chief or other contract relating to the sale 33925
or purchase of production from a separately owned tract shall be 33926
terminated by the order providing for unit operations, but shall 33927
remain in force and apply to oil and gas allocated to ~~such~~ the 33928
tract until terminated in accordance with the provisions thereof. 33929

Except to the extent that the parties affected so agree, no 33930
order providing for unit operations shall be construed to result 33931
in a transfer of all or any part of the title of any person to the 33932
oil and gas rights in any tract in the unit area. All property, 33933
whether real or personal, that may be acquired for the account of 33934
the owners within the unit area shall be the property of such 33935
owners in the proportion that the expenses of unit operations are 33936
charged. 33937

Sec. 1509.29. Upon application by an owner of a tract for 33938
which a drilling permit may not be issued, and a showing by the 33939
owner that the owner is unable to enter a voluntary pooling 33940
agreement and that the owner would be unable to participate under 33941
a mandatory pooling order, the chief of the division of ~~mineral~~ 33942
oil and gas resources management shall issue a permit and order 33943
establishing the tract as an exception tract if the chief finds 33944
that ~~such~~ the owner would otherwise be precluded from producing 33945
oil or gas from the owner's tract because of minimum acreage or 33946
distance requirements. The order shall set a percentage of the 33947
maximum daily potential production at which the well may be 33948
produced. The percentage shall be the same as the percentage that 33949
the number of acres in the tract bears to the number of acres in 33950
the minimum acreage requirement that has been established under 33951
section 1509.24 or 1509.25 of the Revised Code, whichever is 33952
applicable, but if the well drilled on ~~such~~ the tract is located 33953
nearer to the boundary of the tract than the required minimum 33954
distance, the percentage may not exceed the percentage determined 33955
by dividing the distance from the well to the boundary by the 33956
minimum distance requirement. Within ten days after completion of 33957
the well, the maximum daily potential production of the well shall 33958
be determined by such drill stem, open flow, or other tests as may 33959
be required by the chief. The chief shall require such tests, at 33960
least once every three months, as are necessary to determine the 33961
maximum daily potential production at that time. 33962

Sec. 1509.31. (A) Whenever the entire interest of an oil and 33963
gas lease is assigned or otherwise transferred, the assignor or 33964
transferor shall notify the holders of the royalty interests, and, 33965
if a well or wells exist on the lease, the division of ~~mineral~~ oil 33966
and gas resources management, of the name and address of the 33967
assignee or transferee by certified mail, return receipt 33968

requested, not later than thirty days after the date of the 33969
assignment or transfer. When notice of any such assignment or 33970
transfer is required to be provided to the division, it shall be 33971
provided on a form prescribed and provided by the division and 33972
verified by both the assignor or transferor and by the assignee or 33973
transferee and shall be accompanied by a nonrefundable fee of one 33974
hundred dollars for each well. The notice form applicable to 33975
assignments or transfers of a well to the owner of the surface 33976
estate of the tract on which the well is located shall contain a 33977
statement informing the landowner that the well may require 33978
periodic servicing to maintain its productivity; that, upon 33979
assignment or transfer of the well to the landowner, the landowner 33980
becomes responsible for compliance with the requirements of this 33981
chapter and rules adopted under it, including, without limitation, 33982
the proper disposal of brine obtained from the well, the plugging 33983
of the well when it becomes incapable of producing oil or gas, and 33984
the restoration of the well site; and that, upon assignment or 33985
transfer of the well to the landowner, the landowner becomes 33986
responsible for the costs of compliance with the requirements of 33987
this chapter and rules adopted under it and the costs for 33988
operating and servicing the well. 33989

(B) When the entire interest of a well is proposed to be 33990
assigned or otherwise transferred to the landowner for use as an 33991
exempt domestic well, the owner who has been issued a permit under 33992
this chapter for the well shall submit to the chief of the 33993
division of oil and gas resources management an application for 33994
the assignment or transfer that contains all documents that the 33995
chief requires and a nonrefundable fee of one hundred dollars. The 33996
application for such an assignment or transfer shall be prescribed 33997
and provided by the chief. The chief may approve the application 33998
if the application is accompanied by a release of all of the oil 33999
and gas leases that are included in the applicable formation of 34000
the drilling unit, the release is in a form such that the well 34001

ownership merges with the fee simple interest of the surface 34002
tract, and the release is in a form that may be recorded. However, 34003
if the owner of the well does not release the oil and gas leases 34004
associated with the well that is proposed to be assigned or 34005
otherwise transferred or if the fee simple tract that results from 34006
the merger of the well ownership with the fee simple interest of 34007
the surface tract is less than five acres, the proposed exempt 34008
domestic well owner shall post a five thousand dollar bond with 34009
the division ~~of mineral resources management~~ prior to the 34010
assignment or transfer of the well to ensure that the well will be 34011
properly plugged. The chief, for good cause, may modify the 34012
requirements of this section governing the assignment or transfer 34013
of the interests of a well to the landowner. Upon the assignment 34014
or transfer of the well, the owner of an exempt domestic well is 34015
not subject to the severance tax levied under section 5749.02 of 34016
the Revised Code, but is subject to all applicable fees 34017
established in this chapter. 34018

(C) The owner holding a permit under section 1509.05 of the 34019
Revised Code is responsible for all obligations and liabilities 34020
imposed by this chapter and any rules, orders, and terms and 34021
conditions of a permit adopted or issued under it, and no 34022
assignment or transfer by the owner relieves the owner of the 34023
obligations and liabilities until and unless the assignee or 34024
transferee files with the division the information described in 34025
divisions (A)(1), (2), (3), (4), (5), (10), (11), and (12) of 34026
section 1509.06 of the Revised Code; obtains liability insurance 34027
coverage required by section 1509.07 of the Revised Code, except 34028
when none is required by that section; and executes and files a 34029
surety bond, negotiable certificates of deposit or irrevocable 34030
letters of credit, or cash, as described in that section. Instead 34031
of a bond, but only upon acceptance by the chief ~~of the division~~ 34032
~~of mineral resources management~~, the assignee or transferee may 34033
file proof of financial responsibility, described in section 34034

1509.07 of the Revised Code. Section 1509.071 of the Revised Code 34035
applies to the surety bond, cash, and negotiable certificates of 34036
deposit and irrevocable letters of credit described in this 34037
section. Unless the chief approves a modification, each assignee 34038
or transferee shall operate in accordance with the plans and 34039
information filed by the permit holder pursuant to section 1509.06 34040
of the Revised Code. 34041

(D) If a mortgaged property that is being foreclosed is 34042
subject to an oil or gas lease, pipeline agreement, or other 34043
instrument related to the production or sale of oil or natural gas 34044
and the lease, agreement, or other instrument was recorded 34045
subsequent to the mortgage, and if the lease, agreement, or other 34046
instrument is not in default, the oil or gas lease, pipeline 34047
agreement, or other instrument, as applicable, has priority over 34048
all other liens, claims, or encumbrances on the property so that 34049
the oil or gas lease, pipeline agreement, or other instrument is 34050
not terminated or extinguished upon the foreclosure sale of the 34051
mortgaged property. If the owner of the mortgaged property was 34052
entitled to oil and gas royalties before the foreclosure sale, the 34053
oil or gas royalties shall be paid to the purchaser of the 34054
foreclosed property. 34055

Sec. 1509.32. Any person adversely affected may file with the 34056
chief of the division of ~~mineral~~ oil and gas resources management 34057
a written complaint alleging failure to restore disturbed land 34058
surfaces in violation of section 1509.072 or 1509.22 of the 34059
Revised Code or a rule adopted thereunder. 34060

Upon receipt of a complaint, the chief shall cause an 34061
investigation to be made of the lands where the alleged violation 34062
has occurred and send copies of the investigation report to the 34063
person who filed the complaint and to the owner. Upon finding a 34064
violation the chief shall order the owner to eliminate the 34065

violation within a specified time. If the owner fails to eliminate 34066
the violation within the time specified, the chief may request the 34067
prosecuting attorney of the county in which the violation occurs 34068
or the attorney general to bring appropriate action to secure 34069
compliance with ~~such~~ those sections. If the chief fails to bring 34070
an appropriate action to secure compliance with ~~such~~ those 34071
sections within twenty days after the time specified, the person 34072
filing the complaint may request the prosecuting attorney of the 34073
county in which the violation occurs to bring an appropriate 34074
action to secure compliance with ~~such~~ those sections. The division 34075
of ~~mineral~~ oil and gas resources management may cooperate with any 34076
state or local agency to provide technical advice or minimum 34077
standards for the restoration of various soils and land surfaces 34078
or to assist in any investigation. 34079

34114

(H) The attorney general, upon the request of the chief of the division of ~~mineral~~ oil and gas resources management, shall commence an action under this section against any person who violates sections 1509.01 to 1509.31 of the Revised Code, or any rules adopted or orders or terms or conditions of a permit or registration certificate issued pursuant to these sections. Any action under this section is a civil action, governed by the Rules of Civil Procedure and other rules of practice and procedure applicable to civil actions. The remedy provided in this division is cumulative and concurrent with any other remedy provided in this chapter, and the existence or exercise of one remedy does not prevent the exercise of any other, except that no person shall be subject to both a civil penalty under division (A), (B), (C), or (D) of this section and a criminal penalty under section 1509.99 34115

Sec. 1509.34. (A)(1) If an owner fails to pay the fees 34130
imposed by this chapter, or if the chief of the division of 34131
~~mineral oil and gas~~ resources management incurs costs under 34132
division (E) of section 1509.071 of the Revised Code to correct 34133
conditions associated with the owner's well that the chief 34134
reasonably has determined are causing imminent health or safety 34135
risks, the division of ~~mineral oil and gas~~ resources management 34136
shall have a priority lien against that owner's interest in the 34137
applicable well in front of all other creditors for the amount of 34138
any such unpaid fees and costs incurred. The chief shall file a 34139
statement in the office of the county recorder of the county in 34140
which the applicable well is located of the amount of the unpaid 34141
fees and costs incurred as described in this division. The 34142
statement shall constitute a lien on the owner's interest in the 34143
well as of the date of the filing. The lien shall remain in force 34144
so long as any portion of the lien remains unpaid or until the 34145
chief issues a certificate of release of the lien. If the chief 34146
issues a certificate of release of the lien, the chief shall file 34147
the certificate of release in the office of the applicable county 34148
recorder. 34149

(2) A lien imposed under division (A)(1) of this section 34150
shall be in addition to any lien imposed by the attorney general 34151
for failure to pay the assessment imposed by section 1509.50 of 34152
the Revised Code or the tax levied under division (A)(5) or (6) of 34153
section 5749.02 of the Revised Code, as applicable. 34154

(3) If the attorney general cannot collect from a severer or 34155
an owner for an outstanding balance of amounts due under section 34156
1509.50 of the Revised Code or of unpaid taxes levied under 34157
division (A)(5) or (6) of section 5749.02 of the Revised Code, as 34158
applicable, the tax commissioner may request the chief to impose a 34159

priority lien against the owner's interest in the applicable well.	34160
Such a lien has priority in front of all other creditors.	34161
(B) The chief promptly shall issue a certificate of release	34162
of a lien under either of the following circumstances:	34163
(1) Upon the repayment in full of the amount of unpaid fees	34164
imposed by this chapter or costs incurred by the chief under	34165
division (E) of section 1509.071 of the Revised Code to correct	34166
conditions associated with the owner's well that the chief	34167
reasonably has determined are causing imminent health or safety	34168
risks;	34169
(2) Any other circumstance that the chief determines to be in	34170
the best interests of the state.	34171
(C) The chief may modify the amount of a lien under this	34172
section. If the chief modifies a lien, the chief shall file a	34173
statement in the office of the county recorder of the applicable	34174
county of the new amount of the lien.	34175
(D) An owner regarding which the division has recorded a lien	34176
against the owner's interest in a well in accordance with this	34177
section shall not transfer a well, lease, or mineral rights to	34178
another owner or person until the chief issues a certificate of	34179
release for each lien against the owner's interest in the well.	34180
(E) All money from the collection of liens under this section	34181
shall be deposited in the state treasury to the credit of the oil	34182
and gas well fund created in section 1509.02 of the Revised Code.	34183
Sec. 1509.36. Any person adversely affected by an order by	34184
the chief of the division of mineral oil and gas resources	34185
management may appeal to the oil and gas commission for an order	34186
vacating or modifying the order.	34187
The person so appealing to the commission shall be known as	34188
appellant and the chief shall be known as appellee. Appellant and	34189

appellee shall be deemed to be parties to the appeal. 34190

The appeal shall be in writing and shall set forth the order 34191
complained of and the grounds upon which the appeal is based. The 34192
appeal shall be filed with the commission within thirty days after 34193
the date upon which the appellant received notice by certified 34194
mail and, for all other persons adversely affected by the order, 34195
within thirty days after the date of the order complained of. 34196
Notice of the filing of the appeal shall be filed with the chief 34197
within three days after the appeal is filed with the commission. 34198

Upon the filing of the appeal the commission promptly shall 34199
fix the time and place at which the hearing on the appeal will be 34200
held, and shall give the appellant and the chief at least ten 34201
days' written notice thereof by mail. The commission may postpone 34202
or continue any hearing upon its own motion or upon application of 34203
the appellant or of the chief. 34204

The filing of an appeal provided for in this section does not 34205
automatically suspend or stay execution of the order appealed 34206
from, but upon application by the appellant the commission may 34207
suspend or stay the execution pending determination of the appeal 34208
upon such terms as the commission considers proper. 34209

Either party to the appeal or any interested person who, 34210
pursuant to commission rules has been granted permission to 34211
appear, may submit such evidence as the commission considers 34212
admissible. 34213

For the purpose of conducting a hearing on an appeal, the 34214
commission may require the attendance of witnesses and the 34215
production of books, records, and papers, and it may, and at the 34216
request of any party it shall, issue subpoenas for witnesses or 34217
subpoenas duces tecum to compel the production of any books, 34218
records, or papers, directed to the sheriffs of the counties where 34219
the witnesses are found. The subpoenas shall be served and 34220

returned in the same manner as subpoenas in criminal cases are 34221
served and returned. The fees of sheriffs shall be the same as 34222
those allowed by the court of common pleas in criminal cases. 34223
Witnesses shall be paid the fees and mileage provided for under 34224
section 119.094 of the Revised Code. Such fees and mileage 34225
expenses incurred at the request of appellant shall be paid in 34226
advance by the appellant, and the remainder of those expenses 34227
shall be paid out of funds appropriated for the expenses of the 34228
division of ~~mineral~~ oil and gas resources management. 34229

In case of disobedience or neglect of any subpoena served on 34230
any person, or the refusal of any witness to testify to any matter 34231
regarding which the witness may be lawfully interrogated, the 34232
court of common pleas of the county in which the disobedience, 34233
neglect, or refusal occurs, or any judge thereof, on application 34234
of the commission or any member thereof, shall compel obedience by 34235
attachment proceedings for contempt as in the case of disobedience 34236
of the requirements of a subpoena issued from that court or a 34237
refusal to testify therein. Witnesses at such hearings shall 34238
testify under oath, and any member of the commission may 34239
administer oaths or affirmations to persons who so testify. 34240

At the request of any party to the appeal, a stenographic 34241
record of the testimony and other evidence submitted shall be 34242
taken by an official court shorthand reporter at the expense of 34243
the party making the request therefor. The record shall include 34244
all of the testimony and other evidence and the rulings on the 34245
admissibility thereof presented at the hearing. The commission 34246
shall pass upon the admissibility of evidence, but any party may 34247
at the time object to the admission of any evidence and except to 34248
the rulings of the commission thereon, and if the commission 34249
refuses to admit evidence the party offering same may make a 34250
proffer thereof, and such proffer shall be made a part of the 34251
record of the hearing. 34252

If upon completion of the hearing the commission finds that 34253
the order appealed from was lawful and reasonable, it shall make a 34254
written order affirming the order appealed from; if the commission 34255
finds that the order was unreasonable or unlawful, it shall make a 34256
written order vacating the order appealed from and making the 34257
order that it finds the chief should have made. Every order made 34258
by the commission shall contain a written finding by the 34259
commission of the facts upon which the order is based. 34260

Notice of the making of the order shall be given forthwith to 34261
each party to the appeal by mailing a certified copy thereof to 34262
each such party by certified mail. 34263

The order of the commission is final unless vacated by the 34264
court of common pleas of Franklin county in an appeal as provided 34265
for in section 1509.37 of the Revised Code. Sections 1509.01 to 34266
1509.37 of the Revised Code, providing for appeals relating to 34267
orders by the chief or by the commission, or relating to rules 34268
adopted by the chief, do not constitute the exclusive procedure 34269
that any person who believes the person's rights to be unlawfully 34270
affected by those sections or any official action taken thereunder 34271
must pursue in order to protect and preserve those rights, nor do 34272
those sections constitute a procedure that that person must pursue 34273
before that person may lawfully appeal to the courts to protect 34274
and preserve those rights. 34275

Sec. 1509.38. There is hereby created in the division of 34276
~~mineral oil and gas~~ resources management a technical advisory 34277
council on oil and gas, which shall consist of eight members to be 34278
appointed by the governor with the advice and consent of the 34279
senate. Three members shall be independent oil or gas producers, 34280
operators, or their representatives, operating and producing 34281

other state, one member shall represent the public, and one member 34285
shall represent persons having landowners' royalty interests in 34286
oil and gas production. All members shall be residents of this 34287
state, and all members, except the members representing the public 34288
and persons having landowners' royalty interests, shall have at 34289
least five years of practical or technical experience in oil or 34290
gas drilling and production. Not more than one member may 34291
represent any one company, producer, or operator. 34292

Terms of office shall be for three years, commencing on the 34293
first day of February and ending on the thirty-first day of 34294
January. Each member shall hold office from the date of 34295
appointment until the end of the term for which the member was 34296
appointed. A vacancy in the office of a member shall be filled by 34297
the governor, with the advice and consent of the senate. Any 34298
member appointed to fill a vacancy occurring prior to the 34299
expiration of the term for which the member's predecessor was 34300
appointed shall hold office for the remainder of that term. Any 34301
member shall continue in office subsequent to the expiration date 34302
of the member's term until the member's successor takes office, or 34303
until a period of sixty days has elapsed, whichever occurs first. 34304

The council shall select from among its members a 34305
chairperson, a vice-chairperson, and a secretary. All members are 34306
entitled to their actual and necessary expenses incurred in the 34307
performance of their duties as members, payable from the 34308
appropriations for the division. 34309

The governor may remove any member for inefficiency, neglect 34310
of duty, or malfeasance in office. 34311

The council shall hold at least one regular meeting in each 34312
quarter of a calendar year and shall keep a record of its 34313
proceedings. Special meetings may be called by the chairperson and 34314
shall be called by the chairperson upon receipt of a written 34315

request signed by two or more members of the council. A written 34316
notice of the time and place of each meeting shall be sent to each 34317
member of the council. Five members constitute a quorum, and no 34318
action of the council is valid unless five members concur. 34319

The council, when requested by the chief of the division of 34320
~~mineral oil and gas~~ resources management, shall consult with and 34321
advise the chief and perform other duties that may be lawfully 34322
delegated to it by the chief. The council may participate in 34323
hearings held by the chief under this chapter and has powers of 34324
approval as provided in sections 1509.24 and 1509.25 of the 34325
Revised Code. The council shall conduct the activities required, 34326
and exercise the authority granted, under Chapter 1510. of the 34327
Revised Code. 34328

The council, upon receiving a request from the chairperson of 34329
the oil and gas commission under division (C) of section 1509.35 34330
of the Revised Code, immediately shall prepare and provide to the 34331
chairperson a list of its members who may serve as temporary 34332
members of the oil and gas commission as provided in that 34333
division. 34334

Sec. 1509.40. Except as provided in section 1509.29 of the 34335
Revised Code, no authority granted in this chapter shall be 34336
construed as authorizing a limitation on the amount that any well, 34337
leasehold, or field is permitted to produce under proration orders 34338
of the division of ~~mineral oil and gas~~ resources management. 34339

Sec. 1509.50. (A) An oil and gas regulatory cost recovery 34340
assessment is hereby imposed by this section on an owner. An owner 34341
shall pay the assessment in the same manner as a severer who is 34342
required to file a return under section 5749.06 of the Revised 34343
Code. However, an owner may designate a severer who shall pay the 34344
owner's assessment on behalf of the owner on the return that the 34345

severer is required to file under that section. If a severer so 34346
pays an owner's assessment, the severer may recoup from the owner 34347
the amount of the assessment. Except for an exempt domestic well, 34348
the assessment imposed shall be in addition to the taxes levied on 34349
the severance of oil and gas under section 5749.02 of the Revised 34350
Code. 34351

(B)(1) Except for an exempt domestic well, the oil and gas 34352
regulatory cost recovery assessment shall be calculated on a 34353
quarterly basis and shall be one of the following: 34354

(a) If the sum of ten cents per barrel of oil for all of the 34355
wells of the owner, one-half of one cent per one thousand cubic 34356
feet of natural gas for all of the wells of the owner, and the 34357
amount of the severance tax levied on each severer for all of the 34358
wells of the owner under divisions (A)(5) and (6) of section 34359
5749.02 of the Revised Code, as applicable, is greater than the 34360
sum of fifteen dollars for each well owned by the owner, the 34361
amount of the assessment is the sum of ten cents per barrel of oil 34362
for all of the wells of the owner and one-half of one cent per one 34363
thousand cubic feet of natural gas for all of the wells of the 34364
owner. 34365

by the owner less the amount of the tax levied on each severer for 34374
all of the wells of the owner under divisions (A)(5) and (6) of 34375
section 5749.02 of the Revised Code, as applicable. 34376

section and to operate in accordance with that plan or to operate 34589

in accordance with a previously prepared plan, as applicable; 34590

(3) In accordance with rules adopted under division (E)(8)(c) 34591

same meaning as in section 1511.01 of the Revised Code. 34597

(R) With regard to conservation activities that are conducted 34598
in conjunction with agricultural operations, to assist the county 34599
auditor, upon request, in determining whether a conservation 34600

or sections 5713.30 to 5713.37 and 5715.01 of the Revised Code. 34602

funded in whole or in part by moneys authorized under section 34611
1515.16 of the Revised Code and shall disapprove any such project 34612
that the director finds will adversely affect the environment 34613
without equal or greater benefit to the public. The director's 34614
disapproval or recommendations, upon the request of the district 34615
filed in accordance with rules adopted by the Ohio soil and water 34616
conservation commission, shall be reviewed by the commission, 34617
which may confirm the director's decision, modify it, or add 34618
recommendations to or approve a project the director has 34619
disapproved. 34620

Any instrument by which real property is acquired pursuant to 34621
this section shall identify the agency of the state that has the 34622

department of natural resources and the soil and water 34626
conservation district assistance fund created in this section, 34627
there shall be paid in each calendar year to each local soil and 34628
water conservation district an amount not to exceed one dollar for 34629
each one dollar received in accordance with section 1515.10 of the 34630
Revised Code, received from tax levies in excess of the ten-mill 34631
levy limitation approved for the benefit of local soil and water 34632
conservation districts, or received from an appropriation by a 34633
municipal corporation or a township to a maximum of eight thousand 34634
dollars, provided that the Ohio soil and water conservation 34635
commission may approve payment to a district in an amount in 34636
excess of eight thousand dollars in any calendar year upon receipt 34637
of a request and justification from the district. The county 34638
auditor shall credit such payments to the special fund established 34639
pursuant to section 1515.10 of the Revised Code for the local soil 34640
and water conservation district. The department may make advances 34641
at least quarterly to each district on the basis of the estimated 34642
contribution of the state to each district. Moneys received by 34643
each district shall be expended for the purposes of the district. 34644

For the purpose of providing money to soil and water 34645
conservation districts under this section, there is hereby created 34646

by the supervisors of a soil and water conservation district 34652
pursuant to section 1515.19 of the Revised Code together with 34653
receipt of all plans, specifications, and estimates submitted 34654
under that section and upon completion of a schedule of estimated 34655
assessments in accordance with section 1515.211 of the Revised 34656
Code, the board of county commissioners may adopt a resolution 34657
levying upon the property within the project area an assessment at 34658
a uniform or varied rate based upon the benefit to the area 34659
certified by the supervisors, as necessary to pay the cost of 34660
construction of the improvement not otherwise funded and to repay 34661
advances made for purposes of the improvement from the fund 34662
created by section 1515.15 of the Revised Code. The board of 34663
county commissioners shall direct the person or authority 34664
preparing assessments to give primary consideration, in 34665
determining a parcel's estimated assessments relating to the 34666
disposal of water, to the potential increase in productivity that 34667
the parcel may experience as a result of the improvement and also 34668
to give consideration to the amount of water disposed of, the 34669
location of the property relative to the project, the value of the 34670
project to the watershed, and benefits. The part of the assessment 34671
that is found to benefit state, county, or township roads or 34672
highways or municipal streets shall be assessed against the state, 34673
county, township, or municipal corporation, respectively, payable 34674

and by the county auditor to the county treasurer. The collection 34683

of the assessment shall conform in all matters to Chapter 323. of 34684
the Revised Code. 34685

(C) Any land owned and managed by the department of natural 34686
resources for wildlife, recreation, nature preserve, or forestry 34687
purposes is exempt from assessments if the director of natural 34688
resources determines that the land derives no benefit from the 34689
improvement. In making such a determination, the director shall 34690
consider the purposes for which the land is owned and managed and 34691
any relevant articles of dedication or existing management plans 34692
for the land. If the director determines that the land derives no 34693
benefit from the improvement, the director shall notify the board 34694
of county commissioners, within thirty days after receiving the 34695
assessment notification required by this section, indicating that 34696
the director has determined that the land is to be exempt and 34697
explaining the specific reason for making this determination. The 34698
board of county commissioners, within thirty days after receiving 34699
the director's exemption notification, may appeal the 34700
determination to the court of common pleas. If the court of common 34701
pleas finds in favor of the board of county commissioners, the 34702
department of natural resources shall pay all court costs and 34703
legal fees. 34704

(D)(1) The board shall give notice by first class mail to 34705
every public and private property owner whose property is subject 34706
to assessment, at the tax mailing or other known address of the 34707
owner. The notice shall contain a statement of the amount to be 34708
assessed against the property of the addressee, a description of 34709
the method used to determine the necessity for and the amount of 34710
the proposed assessment, a description of any easement on the 34711
property that is necessary for purposes of the improvement, and a 34712
statement that the addressee may file an objection in writing at 34713
the office of the board of county commissioners within thirty days 34714
after the mailing of notice. If the residence of any owner cannot 34715

be ascertained, or if any mailed notice is returned undelivered, 34716
the board shall publish the notice to all such owners in a 34717
newspaper of general circulation within the project area, ~~at least~~ 34718
once each week for three weeks, ~~which~~ or as provided in section 34719
7.16 of the Revised Code. The notice shall include the information 34720
contained in the mailed notice, but shall state that the owner may 34721
file an objection in writing at the office of the board of county 34722
commissioners within thirty days after the last publication of the 34723
notice. 34724

(2) Upon receipt of objections as provided in this section, 34725
the board shall proceed within thirty days to hold a final hearing 34726
on the objections by fixing a date and giving notice by first 34727
class mail to the objectors at the address provided in filing the 34728
objection. If any mailed notice is returned undelivered, the board 34729
shall give due notice to the objectors in a newspaper of general 34730
circulation in the project area or as provided in section 7.16 of 34731
the Revised Code, stating the time, place, and purpose of the 34732
hearing. Upon hearing the objectors, the board may adopt a 34733
resolution amending and approving the final schedule of 34734
assessments and shall enter it in the journal. 34735

(3) Any owner whose objection is not allowed may appeal 34736
within thirty days to the court of common pleas of the county in 34737
which the property is located. 34738

(4) The board of county commissioners shall make an order 34739
approving the levying of the assessment and shall proceed under 34740
section 6131.23 of the Revised Code after one of the following has 34741
occurred, as applicable: 34742

(a) Final notice is provided by mail or publication. 34743

(b) The imposition of assessments is upheld in the final 34744
disposition of an appeal that is filed pursuant to division (D)(3) 34745
of this section. 34746

(c) The resolution levying the assessments is approved in a referendum that is held pursuant to section 305.31 of the Revised Code.

(5) The county treasurer shall deposit the proceeds of the assessment in the fund designated by the board and shall report to the county auditor the amount of money from the assessment that is collected by the treasurer. Moneys shall be expended from the fund for purposes of the improvement.

(E) Any moneys collected in excess of the amount needed for construction of the improvement and the subsequent first year's maintenance may be maintained in a fund to be used for maintenance of the improvement. In any year subsequent to a year in which an assessment for construction of an improvement levied under this section has been collected, and upon determination by the board of county commissioners that funds are not otherwise available for maintenance or repair of the improvement, the board shall levy on the property within the project area an assessment for maintenance at a uniform percentage of all construction costs based upon the assessment schedule used in determining the construction assessment. The assessment is not subject to the provisions concerning notice and petition contained in this section. An assessment for maintenance shall not be levied in any year in which the unencumbered balance of funds available for maintenance of the improvement exceeds twenty per cent of the cost of construction of the improvement, except that the board may adjust the level of assessment within the twenty per cent limitation, or suspend temporarily the levying of an assessment, for maintenance purposes as maintenance funds are needed.

For the purpose of levying an assessment for maintenance of an improvement, a board may use the procedures established in Chapter 6137. of the Revised Code regarding maintenance of improvements as defined in section 6131.01 of the Revised Code in

lieu of using the procedures established under this section. 34779

(F) The board of county commissioners may issue bonds and 34780

shall encourage landowners to dedicate areas of unusual 34796
significance as nature preserves, and shall establish and maintain 34797
a registry of natural areas of unusual significance. 34798

The chief may participate in watershed planning activities 34799

hunting license or the apprentice nonresident hunting license, a 35005
wetlands habitat stamp as provided in section 1533.112 of the 35006
Revised Code. A small game hunting license or an apprentice 35007
nonresident hunting license does not authorize the taking or 35008

nonresident of the state who wishes to take or possess deer, wild 35010
turkeys, or fur-bearing animals in this state shall procure, 35011

No person shall procure or attempt to procure a hunting 35018
license by fraud, deceit, misrepresentation, or any false 35019
statement. 35020

This section does not authorize the taking and possessing of 35021
deer or wild turkeys without first having obtained, in addition to 35022
the hunting license required by this section, a deer or wild 35023
turkey permit as provided in section 1533.11 of the Revised Code 35024
or the taking and possessing of ducks, geese, or brant without 35025

fur-bearing animals without first having obtained, in addition to 35030
a hunting license required by this section, a fur taker permit as 35031
provided in section 1533.111 of the Revised Code. 35032

No hunting license shall be issued unless it is accompanied 35033
by a written explanation of the law in section 1533.17 of the 35034
Revised Code and the penalty for its violation, including a 35035
description of terms of imprisonment and fines that may be 35036
imposed. 35037

approved by the chief, a certificate of completion issued upon 35042
completion of a hunter education and conservation course approved 35043
by the chief, or evidence of equivalent training in content and 35044
manner approved by the chief. A previously held apprentice hunting 35045
license does not satisfy the requirement concerning the 35046
presentation of a previously held hunting license or evidence of 35047
it. 35048

No person shall issue a hunting license, except an apprentice 35049
hunting license, to any person who fails to present the evidence 35050
required by this section. No person shall purchase or obtain a 35051
hunting license, other than an apprentice hunting license, without 35052
presenting to the issuing agent the evidence required by this 35053
section. Issuance of a hunting license in violation of the 35054
requirements of this section is an offense by both the purchaser 35055
of the illegally obtained hunting license and the clerk or agent 35056
who issued the hunting license. Any hunting license issued in 35057
violation of this section is void. 35058

The chief, with approval of the wildlife council, shall adopt 35059
rules prescribing a hunter education and conservation course for 35060
first-time hunting license buyers, other than buyers of apprentice 35061

including a description of terms of imprisonment and fines that 35067
may be imposed, and other law relating to hunting. Authorized 35068
personnel of the division or volunteer instructors approved by the 35069
chief shall conduct such courses with such frequency and at such 35070
locations throughout the state as to reasonably meet the needs of 35071
license applicants. The chief shall issue a certificate of 35072
completion to each person who successfully completes the course 35073
and passes an examination prescribed by the chief. 35074

Sec. 1533.11. (A) Except as provided in this section, no 35075
person shall hunt deer on lands of another without first obtaining 35076
an annual deer permit. Except as provided in this section, no 35077
person shall hunt wild turkeys on lands of another without first 35078
obtaining an annual wild turkey permit. Each applicant for a deer 35079
or wild turkey permit shall pay an annual fee of twenty-three 35080
dollars for each permit unless the rules adopted under division 35081
(B) of section 1533.12 of the Revised Code provide for issuance of 35082
a deer or wild turkey permit to the applicant free of charge. 35083
Except as provided in rules adopted under division (B)(2) of that 35084
section, each applicant who is a resident of this state and who at 35085
the time of application is sixty-six years of age or older shall 35086

procure a youth deer or wild turkey permit, the fee for which 35090

shall be one-half of the regular deer or wild turkey permit fee. 35091
Except as provided in division (A)(2) of section 1533.12 of the 35092
Revised Code, a deer or wild turkey permit shall run concurrently 35093
with the hunting license. The money received shall be paid into 35094
the state treasury to the credit of the wildlife fund, created in 35095
section 1531.17 of the Revised Code, exclusively for the use of 35096
the division of wildlife in the acquisition and development of 35097
land for deer or wild turkey management, for investigating deer or 35098
wild turkey problems, and for the stocking, management, and 35099
protection of deer or wild turkey. Every person, while hunting 35100
deer or wild turkey on lands of another, shall carry the person's 35101
deer or wild turkey permit and exhibit it to any enforcement 35102
officer so requesting. Failure to so carry and exhibit such a 35103
permit constitutes an offense under this section. The chief of the 35104
division of wildlife shall adopt any additional rules the chief 35105
considers necessary to carry out this section and section 1533.10 35106
of the Revised Code. 35107

The An owner who is a resident of this state and the children 35108
of the owner of lands in this state may hunt deer or wild turkey 35109
thereon without a deer or wild turkey permit. If the owner of land 35110

liability partnership that consists of three or fewer individual 35112
members or partners, as applicable, an individual member or 35113
partner who is a resident of this state and the member's or 35114
partner's children of any age may hunt deer or wild turkey on the 35115
land owned by the limited liability company or limited liability 35116
partnership without a deer or wild turkey permit. In addition, if 35117
the owner of land in this state is a trust that has a total of 35118
three or fewer trustees and beneficiaries, an individual who is a 35119
trustee or beneficiary and who is a resident of this state and the 35120
individual's children of any age may hunt deer or wild turkey on 35121
the land owned by the trust without a deer or wild turkey permit. 35122
The tenant and children of the tenant may hunt deer or wild turkey 35123

on lands where they reside without a deer or wild turkey permit. 35124

(B) A deer or wild turkey permit is not transferable. No 35125
person shall carry a deer or wild turkey permit issued in the name 35126
of another person. 35127

(C) The wildlife refunds fund is hereby created in the state 35128
treasury. The fund shall consist of money received from 35129
application fees for deer permits that are not issued. Money in 35130
the fund shall be used to make refunds of such application fees. 35131

(D) If the division establishes a system for the electronic 35132
submission of information regarding deer or wild turkey that are 35133
taken, the division shall allow the owner and the children of the 35134
owner of lands in this state to use the owner's name or address 35135
for purposes of submitting that information electronically via 35136
that system. 35137

Sec. 1533.111. Except as provided in this section or division 35138
(A)(2) of section 1533.12 of the Revised Code, no person shall 35139
hunt or trap fur-bearing animals on land of another without first 35140
obtaining some type of an annual fur taker permit. Each applicant 35141
for a fur taker permit or an apprentice fur taker permit shall pay 35142
an annual fee of fourteen dollars for the permit, except as 35143
otherwise provided in this section or unless the rules adopted 35144
under division (B) of section 1533.12 of the Revised Code provide 35145
for issuance of a fur taker permit to the applicant free of 35146
charge. Except as provided in rules adopted under division (B)(2) 35147
of that section, each applicant who is a resident of this state 35148
and who at the time of application is sixty-six years of age or 35149
older shall procure a special senior fur taker permit, the fee for 35150
which shall be one-half of the regular fur taker permit fee. Each 35151
applicant under the age of eighteen years shall procure a special 35152
youth fur taker permit or an apprentice youth fur taker permit, 35153
the fee for which shall be one-half of the regular fur taker 35154

permit fee. Each type of fur taker permit shall run concurrently 35155
with the hunting license. The money received shall be paid into 35156
the state treasury to the credit of the fund established in 35157
section 1533.15 of the Revised Code. Apprentice fur taker permits 35158
and apprentice youth fur taker permits are subject to the 35159
requirements established under section 1533.102 of the Revised 35160
Code and rules adopted pursuant to it. 35161

No fur taker permit shall be issued unless it is accompanied 35162
by a written explanation of the law in section 1533.17 of the 35163
Revised Code and the penalty for its violation, including a 35164
description of terms of imprisonment and fines that may be 35165
imposed. 35166

No fur taker permit, other than an apprentice fur taker 35167
permit or an apprentice youth fur taker permit, shall be issued 35168

permit in content and manner approved by the chief of the division 35172
of wildlife, a certificate of completion issued upon completion of 35173
a trapper education course approved by the chief, or evidence of 35174
equivalent training in content and manner approved by the chief. A 35175
previously held apprentice hunting license, apprentice fur taker 35176
permit, or apprentice youth fur taker permit does not satisfy the 35177
requirement concerning the presentation of a previously held 35178
hunting license or fur taker permit or evidence of such a license 35179
or permit. 35180

No person shall issue a fur taker permit, other than an 35181
apprentice fur taker permit or an apprentice youth fur taker 35182
permit, to any person who fails to present the evidence required 35183
by this section. No person shall purchase or obtain a fur taker 35184
permit, other than an apprentice fur taker permit or an apprentice 35185
youth fur taker permit, without presenting to the issuing agent 35186

the evidence required by this section. Issuance of a fur taker 35187
permit in violation of the requirements of this section is an 35188
offense by both the purchaser of the illegally obtained permit and 35189
the clerk or agent who issued the permit. Any fur taker permit 35190
issued in violation of this section is void. 35191

The chief, with approval of the wildlife council, shall adopt 35192
rules prescribing a trapper education course for first-time fur 35193
taker permit buyers, other than buyers of apprentice fur taker 35194
permits or apprentice youth fur taker permits, and for volunteer 35195
instructors. The course shall consist of subjects that include, 35196
but are not limited to, trapping techniques, animal habits and 35197
identification, trapping tradition and ethics, the trapper and 35198

with the penalty for its violation, including a description of 35200
terms of imprisonment and fines that may be imposed, and other law 35201
relating to trapping. Authorized personnel of the division of 35202
wildlife or volunteer instructors approved by the chief shall 35203
conduct the courses with such frequency and at such locations 35204
throughout the state as to reasonably meet the needs of permit 35205
applicants. The chief shall issue a certificate of completion to 35206
each person who successfully completes the course and passes an 35207
examination prescribed by the chief. 35208

Every person, while hunting or trapping fur-bearing animals 35209
on lands of another, shall carry the person's fur taker permit 35210
with the person's signature written on the permit. Failure to 35211
carry such a signed permit constitutes an offense under this 35212
section. The chief shall adopt any additional rules the chief 35213
considers necessary to carry out this section. 35214

The An owner who is a resident of this state and the children 35215

members or partners, as applicable, an individual member or 35220
partner who is a resident of this state and the member's or 35221
partner's children of any age may hunt or trap fur-bearing animals 35222
on the land owned by the limited liability company or limited 35223
liability partnership without a fur taker permit. In addition, if 35224
the owner of land in this state is a trust that has a total of 35225
three or fewer trustees and beneficiaries, an individual who is a 35226
trustee or beneficiary and who is a resident of this state and the 35227
individual's children of any age may hunt or trap fur-bearing 35228
animals on the land owned by the trust without a fur taker permit. 35229
The tenant and children of the tenant may hunt or trap fur-bearing 35230
animals on lands where they reside without a fur taker permit. 35231

A fur taker permit is not transferable. No person shall carry 35232
a fur taker permit issued in the name of another person. 35233

A fur taker permit entitles a nonresident to take from this 35234
state fur-bearing animals taken and possessed by the nonresident 35235
as provided by law or division rule. 35236

Sec. 1533.32. Except as provided in this section or division 35237
(A)(2) or (C) of section 1533.12 of the Revised Code, no person, 35238
including nonresidents, shall take or catch any fish by angling in 35239
any of the waters in the state or engage in fishing in those 35240

public, or upon or within the right-of-way of any waterway, road, 36049
or highway, for forty-eight hours or longer without notification 36050
to the sheriff of the county, chief of police of the municipal 36051
corporation, township, ~~or~~ township police district, or joint 36052
police district, or other chief of a law enforcement agency, 36053
having territorial jurisdiction with respect to the location of 36054
the vessel or motor, of the reasons for leaving the vessel or 36055
motor in any such place or condition. 36056

For purposes of this section, the fact that an abandoned junk 36057
vessel or outboard motor has been so left without permission or 36058
notification is prima-facie evidence of abandonment. 36059

Nothing in sections 1547.30, 1547.301, and 1547.303 of the Revised Code invalidates the provisions of any ordinance of a municipal corporation regulating or prohibiting the abandonment of vessels or outboard motors on waterways, beaches, docks, streets, highways, public property, or private property within the boundaries of the municipal corporation.

Sec. 1551.311. coal research and development bond service fund as may be provided 36509
in the bond proceedings, shall as provided in the bond proceedings 36510
be deposited in the coal research and development fund. The 36511
commissioners of the sinking fund may appoint trustees, paying 36512
agents, and transfer agents and may retain the services of 36513

and administrative agents, other consultants, and independent 36516
contractors, including printing services, as are necessary in 36517
their judgment to carry out this section. 36518

(B) The full faith and credit of the state of Ohio is hereby 36519
pledged to obligations issued under this section. The right of the 36520
holders and owners to payment of bond service charges is limited 36521
to all or that portion of the moneys pledged thereto pursuant to 36522
the bond proceedings in accordance with this section, and each 36523
such obligation shall bear on its face a statement to that effect. 36524

(C) Obligations shall be authorized by resolution of the 36525
commissioners of the sinking fund on request of the director of 36526

purpose of such obligations may be stated in the bond proceedings 36538
in terms describing the general purpose or purposes to be served. 36539
The bond proceedings shall also provide, subject to the provisions 36540

other expenses, claims, or payments and may be made to secure the 36546
obligations on a parity with obligations theretofore or thereafter 36547
issued, if and to the extent provided in the bond proceedings. The 36548
moneys so pledged and thereafter received by the state are 36549
immediately subject to the lien of such pledge without any 36550
physical delivery thereof or further act, and the lien of any such 36551
pledges is valid and binding against all parties having claims of 36552
any kind against the state or any governmental agency of the 36553
state, irrespective of whether such parties have notice thereof, 36554
and shall create a perfected security interest for all purposes of 36555
Chapter 1309. of the Revised Code, without the necessity for 36556
separation or delivery of funds or for the filing or recording of 36557
the bond proceedings by which such pledge is created or any 36558
certificate, statement, or other document with respect thereto; 36559
and the pledge of such moneys is effective and the money therefrom 36560
and thereof may be applied to the purposes for which pledged 36561

every covenant and agreement made with respect thereto, made in 36563
the bond proceedings may therein be extended to the benefit of the 36564
owners and holders of obligations authorized by this section, and 36565

to any trustee therefor, for the further security of the payment 36566
of the bond service charges. 36567

(D) The bond proceedings may contain additional provisions as 36568
to: 36569

this chapter, with respect to particular moneys; provided, that 36582
any bank or trust company which acts as depository of any moneys 36583
in the fund may furnish such indemnifying bonds or may pledge such 36584
securities as required by the commissioners of the sinking fund; 36585

(6) Any other provision of the bond proceedings being binding 36586
upon the commissioners of the sinking fund, or such other body or 36587

of the duty required by such provision; 36590

(7) Any provision which may be made in a trust agreement or 36591
indenture; 36592

although on the date of such coupons the person was not the 36609
treasurer of state. In case any officer or commissioner whose 36610
signature or a facsimile of whose signature appears on any such 36611
obligations or any coupons ceases to be such officer or 36612
commissioner before delivery thereof, such signature or facsimile 36613
is nevertheless valid and sufficient for all purposes as if the 36614
individual had remained such officer or commissioner until such 36615
delivery; and in case the seal to be affixed to obligations has 36616
been changed after a facsimile of the seal has been imprinted on 36617
such obligations, such facsimile seal shall continue to be 36618
sufficient as to such obligations and obligations issued in 36619
substitution or exchange therefor. 36620

(F) All obligations except loan guarantees are negotiable 36621
instruments and securities under Chapter 1308. of the Revised 36622
Code, subject to the provisions of the bond proceedings as to 36623

charges for such registration, exchange, conversion, and 36632
reconversion. 36633

(G) Obligations may be sold at public sale or at private 36634
sale, as determined in the bond proceedings. 36635

(H) Pending preparation of definitive obligations, the 36636
commissioners of the sinking fund may issue interim receipts or 36637
certificates which shall be exchanged for such definitive 36638
obligations. 36639

(I) In the discretion of the commissioners of the sinking 36640
fund, obligations may be secured additionally by a trust agreement 36641
or indenture between the commissioners and a corporate trustee, 36642
which may be any trust company or bank having a place of business 36643

obligations secured thereby, or provision therefor has been made; 36652

(2) In the event of default in any payments required to be 36653
made by the bond proceedings, or any other agreement of the 36654

limitations, conditions, or qualifications relating to any of the 36668
foregoing. 36669

(J) Any holder of obligations or a trustee under the bond 36670
proceedings, except to the extent that the holder's rights are 36671
restricted by the bond proceedings, may by any suitable form of 36672
legal proceedings protect and enforce any rights under the laws of 36673
this state or granted by such bond proceedings. Such rights 36674
include the right to compel the performance of all duties of the 36675
commissioners of the sinking fund, the ~~Ohio air quality department~~ 36676
of development authority, or the Ohio coal development office 36677

such principal and interest and excluding the power to take 36695
possession of, mortgage, or cause the sale or otherwise dispose of 36696
any project. 36697

Each duty of the commissioners of the sinking fund and their 36698
employees, and of each governmental agency and its officers, 36699

or any grant, loan, or loan guarantee agreement made under 36701
authority of this chapter, and in every agreement by or with the 36702
commissioners, is hereby established as a duty of the 36703
commissioners, and of each such officer, member, or employee 36704
having authority to perform such duty, specifically enjoined by 36705

States, unless expressly prohibited by the instrument, such moneys 36730
also may be invested in no-front-end-load money market mutual 36731
funds consisting exclusively of obligations of the United States 36732

determine, and such investments may be sold at such times as the 36741
commissioners determine or authorize. 36742

(M) Provision may be made in the applicable bond proceedings 36743

maintenance of any reserves, as provided in the bond proceedings, 36757
and make other provisions therein with respect to pledged receipts 36758
as authorized by this chapter, which provisions control 36759
notwithstanding any other provisions of law pertaining thereto. 36760

the bond proceedings, and, as necessary, to meet covenants 36770
contained in any loan guarantees made under this chapter; 36771

would impair the exemption from federal income taxation of the 36773
interest on the obligations. 36774

(P) All moneys received by or on account of the state and 36775
required by the applicable bond proceedings, consistent with this 36776
section, to be deposited, transferred, or credited to the coal 36777
research and development bond service fund, and all other moneys 36778
transferred or allocated to or received for the purposes of the 36779
fund, shall be credited to such fund and to any separate accounts 36780

but without necessity for any act of appropriation. During the 36782
period beginning with the date of the first issuance of 36783
obligations and continuing during such time as any such 36784
obligations are outstanding, and so long as moneys in the bond 36785
service fund are insufficient to pay all bond service charges on 36786

such obligations becoming due in each year, a sufficient amount of 36787
moneys of the state are committed and shall be paid to the bond 36788
service fund in each year for the purpose of paying the bond 36789

service charges to the extent provided in the applicable bond 36793
proceedings, and payment thereof from such fund shall be made or 36794
provided for by the treasurer of state in accordance with such 36795
bond proceedings without necessity for any act of appropriation. 36796
All investment earnings of the fund shall be credited to the fund. 36797

(Q) For purposes of establishing the limitations contained in 36798
Section 15 of Article VIII, Ohio Constitution, the "principal 36799
amount" refers to the aggregate of the offering price of the bonds 36800
or notes. "Principal amount" does not refer to the aggregate value 36801
at maturity or redemption of the bonds or notes. 36802

(R) This section applies only with respect to obligations 36803

37312
37313

Sec. 1571.014. The chief of the division of oil and gas resources management shall appoint a gas storage well inspector from the eligible list of candidates for that position that is prepared under section 124.24 of the Revised Code. If a vacancy occurs in the position of gas storage well inspector, the chief shall fill the position by selecting a person from that list. 37314
37315
37316
37317
37318
37319

The chief shall adopt rules in accordance with Chapter 119. of the Revised Code that are necessary for conducting examinations for the position of gas storage well inspector. 37320
37321
37322

Sec. 1571.02. (A) Any reservoir operator who, on September 9, 1957, is injecting gas into, storing gas in, or removing gas from a reservoir shall within sixty days after such date file with the division of ~~mineral~~ oil and gas resources management a map thereof as described in division (C) of this section, provided that if a reservoir operator is, on September 9, 1957, injecting gas into or storing gas in a reservoir solely for testing, the reservoir operator shall at once file such map with the division. 37323
37324
37325
37326
37327
37328
37329
37330

(B) If the injection of gas into or storage of gas in a gas storage reservoir is begun after September 9, 1957, the operator of such reservoir shall file with the division a map thereof as described in division (C) of this section, on the same day and not less than three months prior to beginning such injection or storage. 37331
37332
37333
37334
37335
37336

(C) Each map filed with the division pursuant to this section 37337

shall be prepared by a registered surveyor, registered engineer, 37338
or competent geologist. It shall show both of the following: 37339

(1) The location of the boundary of such reservoir and the 37340
boundary of such reservoir's protective area, and the known fixed 37341
monuments, corner stones, or other permanent markers in such 37342
boundary lines; 37343

(2) The boundary lines of the counties, townships, and 37344
sections or lots that are within the limits of such map, and the 37345
name of each such county and township and the number of each such 37346
section or lot clearly indicated thereon. The legend of the map 37347
shall indicate the stratum or strata in which the gas storage 37348
reservoir is located. 37349

The location of the boundary of the gas storage reservoir as 37350
shown on the map shall be defined by the location of those wells 37351
around the periphery of such reservoir that had no gas production 37352
when drilled into the storage stratum of such reservoir, provided 37353
that if the operator of such reservoir, upon taking into 37354
consideration the number and nature of such wells, the geological 37355
and production knowledge of the storage stratum, its character, 37356
permeability, and distribution, and operating experience, 37357
determines that the location of the boundary of such reservoir 37358
should be differently defined, the reservoir operator may, on such 37359
map, show the boundary of such reservoir to be located at a 37360
location different than the location defined by the location of 37361
those wells around the periphery of such reservoir that had no gas 37362
production when drilled into the storage stratum. 37363

Whenever the operator of a gas storage reservoir determines 37364
that the location of the boundary of such reservoir as shown on 37365
the most recent map thereof on file in the division pursuant to 37366
this section is incorrect, the reservoir operator shall file with 37367
the division an amended map showing the boundary of such reservoir 37368
to be located at the location that the reservoir operator then 37369

considers to be correct. 37370

(D) Each operator of a gas storage reservoir who files with 37371
the division a map as required by this section shall, at the end 37372
of each six-month period following the date of such filing, file 37373
with the division an amended map showing changes, if any, in the 37374
boundary line of such reservoir or of such reservoir's protective 37375
area that have occurred in the six-month period. Nothing in this 37376
division shall be construed to require such a reservoir operator 37377
to file an amended map at the end of any such six-month period if 37378
no such boundary changes have occurred in such period. 37379

An operator of a gas storage reservoir who is required by 37380
this section to file an amended map with the division shall not be 37381
required to so file such an amended map after such time when the 37382
reservoir operator files with the division a map pertaining to 37383
such reservoir, as provided in section 1571.04 of the Revised 37384
Code. 37385

Sec. 1571.03. (A) Every operator of a coal mine who is 37386
required by sections 1563.03 to 1563.05 of the Revised Code, to 37387
file maps of such mine, shall cause to be shown on each of such 37388
maps, in addition to the boundary lines of each tract under which 37389
excavations are likely to be made during the ensuing year, as 37390
referred to in section 1563.03 of the Revised Code: 37391

(1) The boundary of such coal mine in accordance with the 37392
meaning of the term "boundary" ~~when used in referring to the~~ 37393
~~boundary of a coal mine, and the term "coal mine" as those terms~~ 37394
~~are defined~~ in section 1571.01 of the Revised Code; 37395

(2) The boundary of the mine protective area of such mine. 37396

This division shall not be construed to amend or repeal any 37397
provisions of sections 1563.03 to 1563.05 of the Revised Code, 37398
either by implication or otherwise. 37399

This division is intended only to add to existing statutory requirements pertaining to the filing of coal mine maps with the division of mineral resources management, the requirements established in this division.

(B) Every operator of a coal mine who believes that any part of the boundary of such mine is within two thousand linear feet of a well that is drilled through the horizon of such coal mine and into or through the storage stratum or strata of a gas storage reservoir within the boundary of such reservoir or within its protective area, shall at once send notice to that effect by registered mail to the operator of such reservoir, the division of mineral resources management, and ~~to~~ the division of oil and gas resources management.

(C) Every operator of a coal mine who expects that any part of the boundary of such mine will, on a date after September 9, 1957, be extended beyond its location on such date to a point within two thousand linear feet of a well that is drilled through the horizon of such mine and into or through the stratum or strata of a gas storage reservoir within the boundary of such reservoir or within its protective area, shall send at least nine months' notice of such date and of the location of such well by registered mail to the operator of such reservoir, the division of mineral resources management, and ~~to~~ the division of oil and gas resources management. If at the end of three years after the date stated in the notice by an operator of a coal mine to an operator of a storage reservoir as the date upon which part of the boundary of such coal mine is expected to be extended to a point within two thousand linear feet of such well, no part of such coal mine is so extended, the operator of such coal mine shall be liable to the operator of such storage reservoir for all expenses incurred by such reservoir operator in doing the plugging or reconditioning of such well as the reservoir operator is required to do in such

cases as provided in section 1571.05 of the Revised Code. Such 37432
mine operator shall in no event be liable to such reservoir 37433
operator: 37434

(1) For expenses of plugging or reconditioning such well 37435
incurred prior to receipt by such reservoir operator from such 37436
mine operator of a notice as provided for in this division; 37437

(2) For any expenses of plugging or reconditioning such well 37438
if any part of the work of plugging or reconditioning was 37439
commenced prior to receipt by such reservoir operator from such 37440
mine operator of a notice as provided for in this division. 37441

(D) If a person intends to open a new coal mine after 37442
September 9, 1957, and if at the time of its opening any part of 37443
the boundary of such mine will be within two thousand linear feet 37444
of a well that is drilled through the horizon of such mine and 37445
into or through the storage stratum or strata of a gas storage 37446
reservoir within the boundary of such reservoir or within its 37447
protective area, such person shall send by registered mail to the 37448
operator of such storage reservoir, the division of mineral 37449
resources management, and ~~to~~ the division of oil and gas resources 37450
management at least nine months' notice of the date upon which the 37451
person intends to open such mine, and of the location of such 37452
well. If at the end of nine months after the date stated in the 37453
notice by an operator of a coal mine to an operator of a storage 37454
reservoir, the division of mineral resources management, and ~~to~~ 37455
the division of oil and gas resources management, as the date upon 37456
which such coal mine operator intends to open such new mine, such 37457
new mine is not opened, the operator of such coal mine shall be 37458
liable to the operator of such storage reservoir for all expenses 37459
incurred by such reservoir operator in doing the plugging or 37460
reconditioning of such well as the reservoir operator is required 37461
to do in such cases as provided in section 1571.05 of the Revised 37462
Code, provided: 37463

(1) That such mine operator may, prior to the end of nine 37464
months after the date stated in such mine operator's notice to 37465
such reservoir operator, the division of mineral resources 37466
management, and the division of oil and gas resources management 37467
as the date upon which the mine operator intended to open such new 37468
mine, notify such reservoir operator, the division of mineral 37469
resources management, and the division of oil and gas resources 37470
management in writing by registered mail, that the opening of such 37471
new mine will be delayed beyond the end of such nine-month period 37472
of time, and that the mine operator requests that a conference be 37473
held as provided in section 1571.10 of the Revised Code for the 37474
purpose of endeavoring to reach an agreement establishing a date 37475
subsequent to the end of such nine-month period of time, on or 37476
before which such mine operator may open such new mine without 37477
being liable to pay such reservoir operator expenses incurred by 37478
such reservoir operator in plugging or reconditioning such well as 37479
in this division provided; 37480

(2) That if such mine operator sends to such reservoir 37481
operator, the division of mineral resources management, and ~~to~~ the 37482
division of oil and gas resources management a notice and request 37483
for a conference as provided in division (D)(1) of this section, 37484
such mine operator shall not be liable to pay such reservoir 37485
operator for expenses incurred by such reservoir operator in 37486
plugging and reconditioning such well, unless such mine operator 37487
fails to open such new mine within the period of time fixed by an 37488
approved agreement reached in such conference, or fixed by an 37489
order by the chief of the division of ~~mineral~~ oil and gas 37490
resources management upon a hearing held in the matter in the 37491
event of failure to reach an approved agreement in the 37492
conference~~r~~. After issuing an order under this division, the chief 37493
shall notify the chief of the division of mineral resources 37494
management and send a copy of the order to the chief. 37495

(3) That such mine operator shall in no event be liable to 37496
such reservoir operator: 37497

(a) For expense of plugging or reconditioning such well 37498
incurred prior to the receipt by such reservoir operator from such 37499
mine operator of the notice of the date upon which such mine 37500
operator intends to open such new mine; 37501

(b) For any expense of plugging or reconditioning such well 37502
if any part of the work of plugging or reconditioning was 37503
commenced prior to receipt by such reservoir operator from such 37504
mine operator of such notice. 37505

Sec. 1571.04. (A) Upon the filing of each map or amended map 37506
with the division of mineral oil and gas resources management by 37507
operators of gas storage reservoirs as required by this chapter, 37508
and each coal mine map with the division of mineral resources 37509
management as required by sections 1563.03 to 1563.05 and division 37510
(A) of section 1571.03 of the Revised Code, the gas storage well 37511
inspector shall cause an examination to be made of all maps on 37512
file in ~~the division~~ those divisions as the gas storage well 37513
inspector may deem necessary to ascertain whether any part of a 37514
reservoir protective area as shown on any such map is within ten 37515
thousand linear feet of any part of the boundary of a coal mine as 37516
shown on any such map. If, upon making that examination, the gas 37517
storage well inspector finds that any part of such a reservoir 37518
protective area is within ten thousand linear feet of any part of 37519
the boundary of such a coal mine, the gas storage well inspector 37520
shall promptly send by registered mail notice to that effect to 37521
the operator of the reservoir and to the operator of the coal 37522
mine. 37523

(B) Within sixty days after receipt by an operator of a gas 37524
storage reservoir of a notice from the gas storage well inspector 37525
under division (A) of this section, such operator shall file on 37526

the same day with both the division ~~a map~~ of mineral resources 37527
management and the division of oil and gas resources management 37528
identical maps prepared by a registered surveyor, registered 37529
engineer, or competent geologist, which shall do all of the 37530
following: 37531

(1) Indicate the stratum or strata in which such gas storage 37532
reservoir is located; 37533

(2) Show the location of the boundary of the reservoir and 37534
the boundary of its protective area, and the known fixed 37535
monuments, corner stones, or other permanent markers in such 37536
boundary lines; 37537

(3) Show the boundary lines of the counties, townships, and 37538
sections or lots that are within the limits of such maps, and the 37539
name of each such county and township and the number of each such 37540
section or lot clearly indicated thereon; 37541

(4) Show the location of all oil or gas wells known to the 37542
operator of such reservoir that have been drilled within the 37543
boundary of the reservoir or within its protective area, and 37544
indicate which of such wells, if any, have been or are to be 37545
plugged or reconditioned for use in the operation of such 37546
reservoir. 37547

The location of the boundary of the gas storage reservoir as 37548
shown on the maps shall be defined by the location of those wells 37549
around the periphery of the reservoir that had no gas production 37550
when drilled into the storage stratum of the reservoir, provided 37551
that, if the operator of the reservoir, upon taking into 37552
consideration the number and nature of such wells, the geological 37553
and production knowledge of the storage stratum, its character, 37554
permeability, and distribution, and operating experience, 37555
determines that the location of the boundary of the reservoir 37556
should be differently defined, the reservoir operator may, on the 37557

maps, show the boundary of the reservoir to be located at a 37558
location different from the location defined by the location of 37559
those wells around the periphery of the reservoir that had no gas 37560
production when drilled into the storage stratum. 37561

(C) Any coal mine operator who receives from the gas storage 37562
well inspector a copy of a map as provided by division (E) of this 37563
section may request the gas storage well inspector to furnish the 37564
coal mine operator with: 37565

(1) The name of the original operator of any well shown on 37566
such map; 37567

(2) The date drilling of such well was completed; 37568

(3) The total depth of such well; 37569

(4) The depth at which oil or gas was encountered in such 37570
well if it was productive of oil or gas; 37571

(5) The initial rock pressure of such well; 37572

(6) A copy of the log of the driller of such well or other 37573
similar data; 37574

(7) The location of such well in respect to the property 37575
lines of the tract of land on which it is located; 37576

(8) A statement as to whether the well is inactive or active: 37577

(a) If inactive, the date of plugging and other pertinent 37578
data; 37579

(b) If active, whether it is being used for test purposes or 37580
storage purposes; 37581

(9) A statement of the maximum injection pressure 37582
contemplated by the operator of the reservoir shown on such map. 37583

Upon receipt of such a request, the gas storage well 37584
inspector shall promptly furnish the coal mine operator the 37585
information requested. If the information is not ascertainable 37586

from the files in the division of oil and gas resources 37587
management, the gas storage well inspector shall request the 37588
reservoir operator to furnish the division with such information 37589
to the extent that the reservoir operator has knowledge thereof. 37590
Upon receipt of such a request, the reservoir operator shall 37591
promptly furnish such information to the division. Thereupon the 37592
gas storage well inspector shall promptly transmit such 37593
information to the mine operator who requested it. 37594

Whenever the operator of a gas storage reservoir determines 37595
that the location of the boundary of the reservoir as shown on the 37596
most recent map thereof on file in the division pursuant to this 37597
section is incorrect, the reservoir operator shall file with the 37598
division an amended map showing the boundary of the reservoir to 37599
be located at the location that the reservoir operator then 37600
considers to be correct. 37601

(D) Each operator of a gas storage reservoir who files a ~~map~~ 37602
with the division of mineral resources management and the division 37603
of oil and gas resources management maps as required by this 37604
section shall, at the end of each six-month period following the 37605
date of such filing, file with ~~the~~ each division ~~an~~ identical 37606
amended ~~map~~ maps showing changes in the boundary line of the 37607
reservoir or of the reservoir's protective area that have occurred 37608
in the six-month period, and further showing or describing any 37609
other occurrences within that six-month period that cause the most 37610
recent ~~map~~ maps on file and pertaining to the reservoir to no 37611
longer be correct. Nothing in this division shall be construed to 37612
require such a reservoir operator to file an amended map at the 37613
end of any such six-month period if no boundary changes or other 37614
occurrences have occurred in that period. The operator of the 37615
reservoir shall also file with the division of mineral resources 37616
management and the division of oil and gas resources management, 37617
subsequent to the filing of a ~~map~~ maps as provided for in division 37618

(B) of this section, a statement whenever changing the maximum 37619
injection pressure is contemplated, stating for each affected well 37620
within the boundary of the reservoir or its protective area, the 37621
amount of change of injection pressure contemplated. The location 37622
or drilling of new wells or the abandonment or reconditioning of 37623
wells shall not be considered to be occurrences requiring the 37624
filing of an amended map or statement. 37625

(E) Promptly upon the filing with the division of oil and gas 37626
resources management of a map or an amended map pertaining to a 37627
gas storage reservoir under this section, the gas storage well 37628
inspector shall send by registered mail to the operator of the 37629
coal mine a part of the boundary of which is within ten thousand 37630
linear feet of any part of the boundary of the reservoir or of the 37631
outside boundary of the reservoir's protective area, notice of the 37632
filing together with a copy of the map. 37633

(F) When the operator of a gas storage reservoir files with 37634
the division ~~a map~~ of mineral resources management and the 37635
division of oil and gas resources management maps or ~~an~~ amended 37636
~~map~~ maps under this section, the reservoir operator shall file as 37637
many copies of the ~~map~~ maps as ~~the~~ each division may require for 37638
its files and as are needed for sending a copy to each coal mine 37639
operator under division (E) of this section. 37640

Sec. 1571.05. (A) Whenever any part of a gas storage 37641
reservoir or any part of its protective area underlies any part of 37642
a coal mine, or is, or within nine months is expected or intended 37643
to be, within two thousand linear feet of the boundary of a coal 37644
mine that is operating in a coal seam any part of which extends 37645
over any part of the storage reservoir or its protective area, the 37646
operator of the reservoir, if the reservoir operator or some other 37647
reservoir operator has not theretofore done so, shall: 37648

(1) Use every known method that is reasonable under the 37649

circumstance for discovering and locating all wells drilled within 37650
the area of the reservoir or its protective area that underlie any 37651
part of the coal mine or its protective area; 37652

(2) Plug or recondition all known wells drilled within the 37653
area of the reservoir or its protective area that underlie any 37654
part of the coal mine. 37655

(B) Whenever an operator of a gas storage reservoir is 37656
notified by the operator of a coal mine, as provided in division 37657
(B) of section 1571.03 of the Revised Code, that the coal mine 37658
operator believes that part of the boundary of the mine is within 37659
two thousand linear feet of a well that is drilled through the 37660
horizon of the coal mine and into or through the storage stratum 37661
or strata of the reservoir within the boundary of the reservoir or 37662
within its protective area, the reservoir operator shall plug or 37663
recondition the well as in this section prescribed, unless it is 37664
agreed in a conference or is ordered by the chief of the division 37665
of ~~mineral~~ oil and gas resources management after a hearing, as 37666
provided in section 1571.10 of the Revised Code, that the well 37667
referred to in the notice is not such a well as is described in 37668
division (B) of section 1571.03 of the Revised Code. 37669

Whenever an operator of a gas storage reservoir is notified 37670
by the operator of a coal mine as provided in division (C) or (D) 37671
of section 1571.03 of the Revised Code, that part of the boundary 37672
of the mine is, or within nine months is intended or expected to 37673
be, within two thousand linear feet of a well that is drilled 37674
through the horizon of the mine and into or through the storage 37675
stratum or strata of the reservoir within the boundary of the 37676
reservoir or within its protective area, the reservoir operator 37677
shall plug or recondition the well as in this section prescribed. 37678

Whenever the operator of a coal mine considers that the use 37679
of a well such as in this section described, if used for injecting 37680
gas into, or storing gas in, or removing gas from, a gas storage 37681

reservoir, would be hazardous to the safety of persons or property 37682
on or in the vicinity of the premises of the coal mine or the 37683
reservoir or well, the coal mine operator may file with the 37684
division objections to the use of the well for such purposes, and 37685
a request that a conference be held as provided in section 1571.10 37686
of the Revised Code, to discuss and endeavor to resolve by mutual 37687
agreement whether or not the well shall or shall not be used for 37688
such purposes, and whether or not the well shall be reconditioned, 37689
inactivated, or plugged. The request shall set forth the mine 37690
operator's reasons for such objections. If no approved agreement 37691
is reached in the conference, the gas storage well inspector shall 37692
within ten days after the termination of the conference, file with 37693
the chief a request that the chief hear and determine the matters 37694
considered at the conference as provided in section 1571.10 of the 37695
Revised Code. Upon conclusion of the hearing, the chief shall find 37696
and determine whether or not the safety of persons or of the 37697
property on or in the vicinity of the premises of the coal mine, 37698
or the reservoir, or the well requires that the well be 37699
reconditioned, inactivated, or plugged, and shall make an order 37700
consistent with that determination, provided that the chief shall 37701
not order a well plugged unless the chief first finds that there 37702
is underground leakage of gas therefrom. 37703

The plugging or reconditioning of each well described in a 37704
notice from a coal mine operator to a reservoir operator as 37705
provided in division (B) of section 1571.03 of the Revised Code, 37706
which must be plugged or reconditioned, shall be completed within 37707
such time as the gas storage well inspector may fix in the case of 37708
each such well. The plugging or reconditioning of each well 37709
described in a notice from a coal mine operator to a reservoir 37710
operator as provided in division (C) of section 1571.03 of the 37711
Revised Code, which must be plugged or reconditioned, shall be 37712
completed by the time the well, by reason of the extension of the 37713
boundary of the coal mine, is within two thousand linear feet of 37714

any part of the boundary of the mine. The plugging or 37715
reconditioning of each well described in a notice from a coal mine 37716
operator to a reservoir operator, as provided in division (D) of 37717
section 1571.03 of the Revised Code, which must be plugged or 37718
reconditioned, shall be completed by the time the well, by reason 37719
of the opening of the new mine, is within two thousand linear feet 37720
of any part of the boundary of the new mine. A reservoir operator 37721
who is required to complete the plugging or reconditioning of a 37722
well within a period of time fixed as in this division prescribed, 37723
may prior to the end of that period of time, notify the division 37724
and the mine operator from whom the reservoir operator received a 37725
notice as provided in division (B), (C), or (D) of section 1571.03 37726
of the Revised Code, in writing by registered mail, that the 37727
completion of the plugging or reconditioning of the well referred 37728
to in the notice will be delayed beyond the end of the period of 37729
time fixed therefor as in this section provided, and that the 37730
reservoir operator requests that a conference be held for the 37731
purpose of endeavoring to reach an agreement establishing a date 37732
subsequent to the end of that period of time, on or before which 37733
the reservoir operator may complete the plugging or reconditioning 37734
without incurring any penalties for failure to do so as provided 37735
in this chapter. If such a reservoir operator sends to such a mine 37736
operator and to the division a notice and request for a conference 37737
as in this division provided, the reservoir operator shall not 37738
incur any penalties for failure to complete the plugging or 37739
reconditioning of the well within the period of time fixed as in 37740
this division prescribed, unless the reservoir operator fails to 37741
complete the plugging or reconditioning of the well within the 37742
period of time fixed by an approved agreement reached in the 37743
conference, or fixed by an order by the chief upon a hearing held 37744
in the matter in the event of failure to reach an approved 37745
agreement in the conference. 37746

Whenever, in compliance with this division, a well is to be 37747

plugged by a reservoir operator, the operator shall give to the 37748
division notice thereof, as many days in advance as will be 37749
necessary for the gas storage well inspector or a deputy mine 37750
inspector to be present at the plugging. The notification shall be 37751
made on blanks furnished by the division and shall show the 37752
following information: 37753

(1) Name and address of the applicant; 37754

(2) The location of the well identified by section or lot 37755
number, city or village, and township and county; 37756

(3) The well name and number of each well to be plugged. 37757

(C) The operator shall give written notice at the same time 37758
to the owner of the land upon which the well is located, the 37759
owners or agents of the adjoining land, and adjoining well owners 37760
or agents of the operator's intention to abandon the well, and of 37761
the time when the operator will be prepared to commence plugging 37762
and filling the same. In addition to giving such notices, the 37763
reservoir operator shall also at the same time send a copy of the 37764
notice by registered mail to the coal mine operator, if any, who 37765
sent to the reservoir operator the notice as provided in division 37766
(B), (C), or (D) of section 1571.03 of the Revised Code, in order 37767
that the coal mine operator or the coal mine operator's designated 37768
representative may attend and observe the manner in which the 37769
plugging of the well is done. 37770

If the reservoir operator plugs the well without ~~an~~ the gas 37771
storage well inspector ~~from the division~~ or a deputy mine 37772
inspector being present to supervise the plugging, the reservoir 37773
operator shall send to the division and to the coal mine operator 37774
a copy of the report of the plugging of the well, including in the 37775
report: 37776

(1) The date of abandonment; 37777

(2) The name of the owner or operator of the well at the time 37778

of abandonment and the well owner's or operator's post office	37779
address;	37780
(3) The location of the well as to township and county and	37781
the name of the owner of the surface upon which the well is	37782
drilled, with the address thereof;	37783
(4) The date of the permit to drill;	37784
(5) The date when drilled;	37785
(6) Whether the well has been mapped;	37786
(7) The depth of the well;	37787
(8) The depth of the top of the sand to which the well was	37788
drilled;	37789
(9) The depth of each seam of coal drilled through;	37790
(10) A detailed report as to how the well was plugged, giving	37791
in particular the manner in which the coal and various sands were	37792
plugged, and the date of the plugging of the well, including	37793
therein the names of those who witnessed the plugging of the well.	37794
The report shall be signed by the operator or the operator's	37795
agent who plugged the well and verified by the oath of the party	37796
so signing. For the purposes of this section, a deputy mine	37797
inspector may take acknowledgements and administer oaths to the	37798
parties signing the report.	37799
Whenever, in compliance with this division, a well is to be	37800
reconditioned by a reservoir operator, the operator shall give to	37801
the division notice thereof as many days before the reconditioning	37802
is begun as will be necessary for the gas storage well inspector,	37803
or a deputy mine inspector, to be present at the reconditioning.	37804
No well shall be reconditioned if an inspector of the division is	37805
not present unless permission to do so has been granted by the	37806
chief. The reservoir operator, at the time of giving notice to the	37807
division as in this section required, also shall send a copy of	37808

the notice by registered mail to the coal mine operator, if any, 37809
who sent to the reservoir operator the notice as provided in 37810
division (B), (C), or (D) of section 1571.03 of the Revised Code, 37811
in order that the coal mine operator or the coal mine operator's 37812
designated representative may attend and observe the manner in 37813
which the reconditioning of the well is done. 37814

If the reservoir operator reconditions the well when ~~no~~ the 37815
gas storage well inspector ~~of the division~~ or a deputy mine 37816
inspector is not present to supervise the reconditioning, the 37817
reservoir operator shall make written report to the division 37818
describing the manner in which the reconditioning was done, and 37819
shall send to the coal mine operator a copy of the report by 37820
registered mail. 37821

(D) Wells that are required by this section to be plugged 37822
shall be plugged in the manner specified in sections 1509.13 to 37823
1509.17 of the Revised Code, and the operator shall give the 37824
notifications and reports required by divisions (B) and (C) of 37825
this section. No such well shall be plugged or abandoned without 37826
the written approval of the division, and no such well shall be 37827
mudded, plugged, or abandoned without the gas storage well 37828
inspector or a deputy mine inspector present unless written 37829
permission has been granted by the chief or the gas storage well 37830
inspector. For purposes of this section, the chief of the division 37831
of mineral resources management has the authority given the chief 37832
of the division of oil and gas resources management in sections 37833
1509.15 and 1509.17 of the Revised Code. If such a well has been 37834
plugged prior to the time plugging thereof is required by this 37835
section, and, on the basis of the data, information, and other 37836
evidence available it is determined that the plugging was done in 37837
the manner required by this section, or was done in accordance 37838
with statutes prescribing the manner of plugging wells in effect 37839
at the time the plugging was done, and that there is no evidence 37840

of leakage of gas from the well either at or below the surface, 37841
and that the plugging is sufficiently effective to prevent the 37842
leakage of gas from the well, the obligations imposed upon the 37843
reservoir operator by this section as to plugging the well shall 37844
be considered fully satisfied. The operator of a coal mine any 37845
part of the boundary of which is, or within nine months is 37846
expected or intended to be, within two thousand linear feet of the 37847
well may at any time raise a question as to whether the plugging 37848
of the well is sufficiently effective to prevent the leakage of 37849
gas therefrom, and the issue so made shall be determined by a 37850
conference or hearing as provided in section 1571.10 of the 37851
Revised Code. 37852

(E) Wells that are to be reconditioned as required by this 37853
section shall be, or shall be made to be: 37854

(1) Cased in accordance with the statutes of this state in 37855
effect at the time the wells were drilled, with the casing being, 37856
or made to be, sufficiently effective in that there is no evidence 37857
of any leakage of gas therefrom; 37858

(2) Equipped with a producing string and well head composed 37859
of new pipe, or pipe as good as new, and fittings designed to 37860
operate with safety and to contain the stored gas at maximum 37861
pressures contemplated. 37862

When a well that is to be reconditioned as required by this 37863
section has been reconditioned for use in the operation of the 37864
reservoir prior to the time prescribed in this section, and on the 37865
basis of the data, information, and other evidence available it is 37866
determined that at the time the well was so reconditioned the 37867
requirements prescribed in this division were met, and that there 37868
is no evidence of underground leakage of gas from the well, and 37869
that the reconditioning is sufficiently effective to prevent 37870
underground leakage from the well, the obligations imposed upon 37871
the reservoir operator by this section as to reconditioning the 37872

well shall be considered fully satisfied. Any operator of a coal 37873
mine any part of the boundary of which is, or within nine months 37874
is expected or intended to be, within two thousand linear feet of 37875
the well may at any time raise a question as to whether the 37876
reconditioning of the well is sufficiently effective to prevent 37877
underground leakage of gas therefrom, and the issue so made shall 37878
be determined by a conference or hearing as provided in section 37879
1571.10 of the Revised Code. 37880

If the gas storage well inspector at any time finds that a 37881
well that is drilled through the horizon of a coal mine and into 37882
or through the storage stratum or strata of a reservoir within the 37883
boundary of the reservoir or within its protective area is located 37884
within the boundary of the coal mine or within two thousand linear 37885
feet of the mine boundary, and was drilled prior to the time the 37886
statutes of this state required that wells be cased, and that the 37887
well fails to meet the casing and equipping requirements 37888
prescribed in this division, the gas storage well inspector shall 37889
promptly notify the operator of the reservoir thereof in writing, 37890
and the reservoir operator upon receipt of the notice shall 37891
promptly recondition the well in the manner prescribed in this 37892
division for reconditioning wells, unless, in a conference or 37893
hearing as provided in section 1571.10 of the Revised Code, a 37894
different course of action is agreed upon or ordered. 37895

(F)(1) When a well within the boundary of a gas storage 37896
reservoir or within the reservoir's protective area penetrates the 37897
storage stratum or strata of the reservoir, but does not penetrate 37898
the coal seam within the boundary of a coal mine, the gas storage 37899
well inspector may, upon application of the operator of the 37900
storage reservoir, exempt the well from the requirements of this 37901
section. Either party affected by the action of the gas storage 37902
well inspector may request a conference and hearing with respect 37903
to the exemption. 37904

(2) When a well located within the boundary of a storage reservoir or a reservoir's protective area is a producing well in a stratum above or below the storage stratum, the obligations imposed by this section shall not begin until the well ceases to be a producing well.

(G) When retreat mining reaches a point in a coal mine when the operator of the mine expects that within ninety days retreat work will be at the location of a pillar surrounding an active storage reservoir well, the operator of the mine shall promptly send by registered mail notice to that effect to the operator of the reservoir. Thereupon the operators may by agreement determine whether it is necessary or advisable to temporarily inactivate the well. If inactivated, the well shall not be reactivated until a reasonable period of time has elapsed, such period of time to be determined by agreement by the operators. In the event that the parties cannot agree upon either of the foregoing matters, the question shall be submitted to the gas storage well inspector for a conference in accordance with section 1571.10 of the Revised Code.

(H)(1) The provisions of this section that require the plugging or reconditioning of wells shall not apply to such wells as are used to inject gas into, store gas in, or remove gas from a gas storage reservoir when the sole purpose of the injection, storage, or removal is testing. The operator of a gas storage reservoir who injects gas into, stores gas in, or removes gas from a reservoir for the sole purpose of testing shall be subject to all other provisions of this chapter that are applicable to operators of reservoirs.

(2) If the injection of gas into, or storage of gas in, a gas storage reservoir any part of which, or of the protective area of which, is within the boundary of a coal mine is begun after September 9, 1957, and if the injection or storage of gas is for

the sole purpose of testing, the operator of the reservoir shall 37937
send by registered mail to the operator of the coal mine, the 37938
division of oil and gas resources management, and ~~to~~ the division 37939
of mineral resources management at least sixty days' notice of the 37940
date upon which the testing will be begun. 37941

If at any time within the period of time during which testing 37942
of a reservoir is in progress, any part of the reservoir or of its 37943
protective area comes within any part of the boundary of a coal 37944
mine, the operator of the reservoir shall promptly send notice to 37945
that effect by registered mail to the operator of the mine, the 37946
division of oil and gas resources management, and ~~to~~ the division 37947
of mineral resources management. 37948

(3) Any coal mine operator who receives a notice as provided 37949
for in division (H)(2) of this section may within thirty days of 37950
the receipt thereof file with the division objections to the 37951
testing. The gas storage well inspector also may, within the time 37952
within which a coal mine operator may file an objection, place in 37953
the files of the division objections to the testing. The reservoir 37954
operator shall comply throughout the period of the testing 37955
operations with all conditions and requirements agreed upon and 37956
approved in the conference on such objections conducted as 37957
provided in section 1571.10 of the Revised Code, or in an order 37958
made by the chief following a hearing in the matter as provided in 37959
section 1571.10 of the Revised Code. If in complying with the 37960
agreement or order either the reservoir operator or the coal mine 37961
operator encounters or discovers conditions that were not known to 37962
exist at the time of the conference or hearing and that materially 37963
affect the agreement or order, or the ability of the reservoir 37964
operator to comply therewith, either operator may apply for a 37965
rehearing or modification of the order. 37966

(I) In addition to complying with all other provisions of 37967
this chapter and any lawful orders issued thereunder, the operator 37968

of each gas storage reservoir shall keep all wells drilled into or 37969
through the storage stratum or strata within the boundary of the 37970
operator's reservoir or within the reservoir's protective area in 37971
such condition, and operate the same in such manner, as to prevent 37972
the escape of gas therefrom into any coal mine, and shall operate 37973
and maintain the storage reservoir and its facilities in such 37974
manner and at such pressures as will prevent gas from escaping 37975
from the reservoir or its facilities into any coal mine. 37976

Sec. 1571.06. (A) Distances between boundaries of gas storage 37977
reservoirs, reservoir protective areas, coal mines, coal mine 37978
protective areas, and wells, as shown on the most recent maps of 37979
storage reservoirs and of coal mines filed with the division of 37980
oil and gas resources management or the division of mineral 37981
resources management as required by this chapter and sections 37982
1563.03 to 1563.05 of the Revised Code, may be accepted and relied 37983
upon as being accurate and correct, by operators of coal mines and 37984
operators of reservoirs. Data, statements, and reports filed with 37985
~~the~~ either division as required by this chapter and sections 37986
1563.03 to 1563.05 of the Revised Code may be likewise accepted 37987
and relied upon. However, the gas storage well inspector or any 37988
reservoir operator or coal mine operator, or any other person 37989
having a direct interest in the matter, may at any time question 37990
the accuracy or correctness of any map, data, statement, or report 37991
so filed, with ~~the~~ either division by notifying ~~the division~~ both 37992
divisions thereof in writing. Such notice shall state the reasons 37993
why the question is raised. When any such notice is so filed, the 37994
gas storage well inspector shall proceed promptly to hold a 37995
conference on the question thus raised, as provided in section 37996
1571.10 of the Revised Code. 37997

(B) If, in any proceeding under this chapter, the accuracy or 37998
correctness of any map, data, statement, or report, filed by any 37999
person pursuant to the requirements of this chapter is in 38000

question, the person so filing the same shall have the burden of 38001
proving the accuracy or correctness thereof. 38002

(C) The operator of a gas storage reservoir shall, at all 38003
reasonable times, be permitted to inspect the premises and 38004
facilities of any coal mine any part of the boundary of which is 38005
within any part of the boundary of such gas storage reservoir or 38006
within its protective area, and the operator of a coal mine shall, 38007
at all reasonable times, be permitted to inspect the premises and 38008
facilities of any gas storage reservoir any part of the boundary 38009
of which or any part of the protective area of which is within the 38010
boundary of such coal mine. In the event that either such 38011
reservoir operator or such coal mine operator denies permission to 38012
make any such inspection, the chief of the division of ~~mineral~~ oil 38013
and gas resources management on the chief's own motion, or on an 38014
application by the operator desiring to make such inspection, upon 38015
a hearing thereon if requested by either operator, after 38016
reasonable notice of such hearing, may make an order providing for 38017
such inspection. 38018

Sec. 1571.08. (A) Whenever in this chapter, the method or 38019
material to be used in discharging any obligations imposed by this 38020
chapter is specified, an alternative method or material may be 38021
used if approved by the gas storage well inspector or the chief of 38022
the division of ~~mineral~~ oil and gas resources management. A person 38023
desiring to use such alternative method or material shall file 38024
with the division of ~~mineral~~ oil and gas resources management an 38025
application for permission to do so. Such application shall 38026
describe such alternative method or material in reasonable detail. 38027
The gas storage well inspector shall promptly send by registered 38028
mail notice of the filing of such application to any coal mine 38029
operator or reservoir operator whose mine or reservoir may be 38030
directly affected thereby. Any such coal mine operator or 38031
reservoir operator may within ten days following receipt of such 38032

notice, file with the division objections to such application. The 38033
gas storage well inspector may also file with the division an 38034
objection to such application at any time during which coal mine 38035
operators or reservoir operators are permitted to file objections. 38036
If no objections are filed within the ten-day period of time, the 38037
gas storage well inspector shall thereupon issue a permit 38038
approving the use of such alternative method or material. If any 38039
such objections are filed by any coal mine operator or reservoir 38040
operator, or by the gas storage well inspector, the question as to 38041
whether or not the use of such alternative method or material, or 38042
a modification thereof is approved, shall be determined by a 38043
conference or hearing as provided in section 1571.10 of the 38044
Revised Code. 38045

(B) Whenever in this chapter, provision is made for the 38046
filing of objections with the division, such objections shall be 38047
in writing and shall state as definitely as is reasonably possible 38048
the reasons for such objections. Upon the filing of any such 38049
objection the gas storage well inspector shall promptly fix the 38050
time and place for holding a conference for the purpose of 38051
discussing and endeavoring to resolve by mutual agreement the 38052
issue raised by such objection. The gas storage well inspector 38053
shall send written notice thereof by registered mail to each 38054
person having a direct interest therein. Thereupon the issue made 38055
by such objection shall be determined by a conference or hearing 38056
in accordance with the procedures for conferences and hearings as 38057
provided in section 1571.10 of the Revised Code. 38058

Sec. 1571.09. (A) The chief of the division of mineral oil 38059
and gas resources management or any officer or employee of the 38060
division thereunto duly authorized by the chief may investigate, 38061
inspect, or examine records and facilities of any coal mine 38062
operator or reservoir operator, for the purpose of determining the 38063
accuracy or correctness of any map, data, statement, report, or 38064

other item or article, filed with or otherwise received by the 38065
division pursuant to this chapter. When a material question is 38066
raised by any reservoir operator or coal mine operator as to the 38067
accuracy or correctness of any such map, data, statement, report, 38068
or other item or article, which may directly affect the reservoir 38069
operator or coal mine operator, the matter shall be determined by 38070
a conference or hearing as provided in section 1571.10 of the 38071
Revised Code. 38072

(B) The division of ~~mineral~~ oil and gas resources management 38073
shall keep all maps, data, statements, reports, well logs, 38074
notices, or other items or articles filed with or otherwise 38075
received by it pursuant to this chapter in a safe place and 38076
conveniently accessible to persons entitled to examine them. It 38077
shall maintain indexes of all such items and articles so that any 38078
of them may be promptly located. None of such items or articles 38079
shall be open to public inspection, but: (1) any of such items or 38080
articles pertaining to a mine may be examined by: the operator, 38081
owner, lessee, or agent of such mine; persons financially 38082
interested in such mine; owners of land adjoining such mine; the 38083
operator, owner, lessee, or agent of a mine adjoining such mine; 38084
authorized representatives of the persons employed to work in such 38085
mine; the operator of a gas storage reservoir any part of the 38086
boundary of which or of the boundary of its protective area is 38087
within ten thousand linear feet of the boundary of such mine, or 38088
the agent of such reservoir operator thereunto authorized by such 38089
reservoir operator; or any employee of the division of geological 38090
survey in the department of natural resources thereunto duly 38091
authorized by the chief of that division; and (2) any of such 38092
items or articles pertaining to a gas storage reservoir may be 38093
examined by: the operator of such reservoir; the operator of a 38094
coal mine any part of the boundary of which is within ten thousand 38095
linear feet of the boundary of a gas storage reservoir or of the 38096
boundary of its protective area, or the agent of such mine 38097

operator thereunto authorized by such mine operator, or the 38098
authorized representatives of the persons employed to work in such 38099
mine; or any employee of the division of geological survey 38100
thereunto duly authorized by the chief of that division. The 38101
division of ~~mineral~~ oil and gas resources management shall not 38102
permit any of such items or articles to be removed from its 38103
office, and it shall not furnish copies of any such items or 38104
articles to any person other than as provided in this chapter. 38105

The division shall keep a docket of all proceedings arising 38106
under this chapter, in which shall be entered the dates of any 38107
notice received or issued, the names of all persons to whom it 38108
sends a notice, and the address of each, the dates of conferences 38109
and hearings, and all findings, determinations, decisions, 38110
rulings, and orders, or other actions by the division. 38111

(C) Whenever any provision of this chapter requires the 38112
division to give notice to the operator of a coal mine of any 38113
proceeding to be held pursuant to this chapter, the division shall 38114
simultaneously give a copy of such notice to the authorized 38115
representatives of the persons employed to work in such mine. 38116

Sec. 1571.10. (A) The gas storage well inspector or any 38117
person having a direct interest in the administration of this 38118
chapter may at any time file with the division of ~~mineral~~ oil and 38119
gas resources management a written request that a conference be 38120
held for the purpose of discussing and endeavoring to resolve by 38121
mutual agreement any question or issue relating to the 38122
administration of this chapter, or to compliance with its 38123
provisions, or to any violation thereof. Such request shall 38124
describe the matter concerning which the conference is requested. 38125
Thereupon the gas storage well inspector shall promptly fix the 38126
time and place for the holding of such conference and shall send 38127
written notice thereof to each person having a direct interest 38128

therein. At such conference the gas storage well inspector or a 38129
representative of the division designated by the gas storage well 38130
inspector shall be in attendance, and shall preside at the 38131
conference, and the gas storage well inspector or designated 38132
representative may make such recommendations as the gas storage 38133
well inspector or designated representative deems proper. Any 38134
agreement reached at such conference shall be consistent with the 38135
requirements of this chapter and, if approved by the gas storage 38136
well inspector, it shall be reduced to writing and shall be 38137
effective. Any such agreement approved by the gas storage well 38138
inspector shall be kept on file in the division and a copy thereof 38139
shall be furnished to each of the persons having a direct interest 38140
therein. The conference shall be deemed terminated as of the date 38141
an approved agreement is reached or when any person having a 38142

health care services to increase by more than one per cent per 39178
year. 39179

(b) The health insuring corporation submits a signed letter 39180

premiums or rates charged by the health insuring corporation for 39185
the coverage of basic health care services. 39186

(c) The superintendent of insurance makes the following 39187

requirements, the superintendent shall specify in what respects it 39456
is deficient. However, the superintendent shall not deny an 39457

on that issue. 39460

(C) If the applicant requests a hearing, the superintendent 39461
shall hold a hearing before denying an application because the 39462

utilization review as described in the evidence of coverage. 39560

(c) The enrollee's reaching the limit for contractual 39561

(d) The effective date of any new coverage. 39563

prepayment and premium rate, or amendment, have been filed with 39694
the superintendent of insurance, and shall not be effective until 39695
the expiration of sixty days after their filing unless the 39696
superintendent sooner gives approval. The filing shall be 39697
accompanied by an actuarial certification in the form prescribed 39698
by the superintendent. The superintendent shall disapprove the 39699
filing, if the superintendent determines within the sixty-day 39700
period that the contractual periodic prepayment or premium rate, 39701
or amendment, is not in accordance with sound actuarial principles 39702
or is not reasonably related to the applicable coverage and 39703
characteristics of the applicable class of enrollees. The 39704
superintendent shall notify the health insuring corporation of the 39705

premium rate, or amendment. 39708

(2) No contractual periodic prepayment for group policies for 39709
health care services shall be used until the contractual periodic 39710

shall be accompanied by an actuarial certification in the form 39712
prescribed by the superintendent. The superintendent may reject a 39713
filing made under division (A)(2) of this section at any time, 39714

corporation, if the contractual periodic prepayment is not in 39716
accordance with sound actuarial principles or is not reasonably 39717
related to the applicable coverage and characteristics of the 39718
applicable class of enrollees. 39719

(3) At any time, the superintendent, upon at least thirty 39720
days' written notice to a health insuring corporation, may 39721
withdraw the approval given under division (A)(1) of this section, 39722

(a) The contractual periodic prepayment or premium rate, or 39726
amendment, is not in accordance with sound actuarial principles. 39727

(b) The contractual periodic prepayment or premium rate, or 39728

and characteristics of the applicable class of enrollees. 39730

(4) Any disapproval under division (A)(1) of this section, 39731
any rejection of a filing made under division (A)(2) of this 39732
section, or any withdrawal of approval under division (A)(3) of 39733
this section, shall be effected by a written notice, which shall 39734
state the specific basis for the disapproval, rejection, or 39735
withdrawal and shall be issued in accordance with Chapter 119. of 39736
the Revised Code. 39737

(B) Notwithstanding division (A) of this section, a health 39738
insuring corporation may use a contractual periodic prepayment or 39739
premium rate for policies used for the coverage of beneficiaries 39740
enrolled in medicare pursuant to a medicare risk contract or 39741
medicare cost contract, or for policies used for the coverage of 39742

beneficiaries enrolled in the federal employees health benefits 39743
program pursuant to 5 U.S.C.A. 8905, or for policies used for the 39744
coverage of medicaid recipients, ~~or for policies used for coverage~~ 39745
~~of participants of the children's buy in program,~~ or for policies 39746
used for the coverage of beneficiaries under any other federal 39747
health care program regulated by a federal regulatory body, or for 39748
policies used for the coverage of beneficiaries under any contract 39749
covering officers or employees of the state that has been entered 39750
into by the department of administrative services, if both of the 39751
following apply: 39752

(1) The contractual periodic prepayment or premium rate has 39753
been approved by the United States department of health and human 39754
services, the United States office of personnel management, the 39755
department of job and family services, or the department of 39756
administrative services. 39757

(2) The contractual periodic prepayment or premium rate is 39758
filed with the superintendent prior to use and is accompanied by 39759
documentation of approval from the United States department of 39760
health and human services, the United States office of personnel 39761
management, the department of job and family services, or the 39762
department of administrative services. 39763

(C) The administrative expense portion of all contractual 39764
periodic prepayment or premium rate filings submitted to the 39765
superintendent for review must reflect the actual cost of 39766
administering the product. The superintendent may require that the 39767
administrative expense portion of the filings be itemized and 39768
supported. 39769

(D)(1) Copayments must be reasonable and must not be a 39770
barrier to the necessary utilization of services by enrollees. 39771

(2) A health insuring corporation, in order to ensure that 39772
copayments are reasonable and not a barrier to the necessary 39773

utilization of basic health care services by enrollees, may do one 39774
of the following: 39775

(a) Impose copayment charges on any single covered basic 39776
health care service that does not exceed forty per cent of the 39777
average cost to the health insuring corporation of providing the 39778
service; 39779

(b) Impose copayment charges that annually do not exceed 39780
twenty per cent of the total annual cost to the health insuring 39781
corporation of providing all covered basic health care services, 39782
including physician office visits, urgent care services, and 39783
emergency health services, when aggregated as to all persons 39784
covered under the filed product in question. In addition, annual 39785
copayment charges as to each enrollee shall not exceed twenty per 39786
cent of the total annual cost to the health insuring corporation 39787
of providing all covered basic health care services, including 39788
physician office visits, urgent care services, and emergency 39789
health services, as to such enrollee. The total annual cost of 39790
providing a health care service is the cost to the health insuring 39791
corporation of providing the health care service to its enrollees 39792
as reduced by any applicable provider discount. 39793

(3) To ensure that copayments are reasonable and not a 39794
barrier to the utilization of basic health care services, a health 39795
insuring corporation may not impose, in any contract year, on any 39796
subscriber or enrollee, copayments that exceed two hundred per 39797
cent of the average annual premium rate to subscribers or 39798
enrollees. 39799

(4) For purposes of division (D) of this section, both of the 39800
following apply: 39801

(a) Copayments imposed by health insuring corporations in 39802
connection with a high deductible health plan that is linked to a 39803
health savings account are reasonable and are not a barrier to the 39804

necessary utilization of services by enrollees. 39805

(b) Divisions (D)(2) and (3) of this section do not apply to 39806
a high deductible health plan that is linked to a health savings 39807
account. 39808

(E) A health insuring corporation shall not impose lifetime 39809
maximums on basic health care services. However, a health insuring 39810
corporation may establish a benefit limit for inpatient hospital 39811
services that are provided pursuant to a policy, contract, 39812
certificate, or agreement for supplemental health care services. 39813

(F) A health insuring corporation may require that an 39814
enrollee pay an annual deductible that does not exceed one 39815
thousand dollars per enrollee or two thousand dollars per family, 39816
except that: 39817

(1) A health insuring corporation may impose higher 39818
deductibles for high deductible health plans that are linked to 39819
health savings accounts; 39820

(2) The superintendent may adopt rules allowing different 39821
annual deductible amounts for plans with a medical savings 39822
account, health reimbursement arrangement, flexible spending 39823
account, or similar account; 39824

(3) A health insuring corporation may impose higher 39825
deductibles under health plans if requested by the group contract, 39826
policy, certificate, or agreement holder, or an individual seeking 39827
coverage under an individual health plan. This shall not be 39828
construed as requiring the health insuring corporation to create 39829
customized health plans for group contract holders or individuals. 39830

(G) As used in this section, "health savings account" and 39831
"high deductible health plan" have the same meanings as in the 39832
"Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 223, as 39833
amended. 39834

Sec. 1751.13. (A)(1)(a) A health insuring corporation shall, 39835
either directly or indirectly, enter into contracts for the 39836
provision of health care services with a sufficient number and 39837
types of providers and health care facilities to ensure that all 39838
covered health care services will be accessible to enrollees from 39839
a contracted provider or health care facility. 39840

(b) A health insuring corporation shall not refuse to 39841
contract with a physician for the provision of health care 39842
services or refuse to recognize a physician as a specialist on the 39843
basis that the physician attended an educational program or a 39844
residency program approved or certified by the American 39845
osteopathic association. A health insuring corporation shall not 39846
refuse to contract with a health care facility for the provision 39847
of health care services on the basis that the health care facility 39848
is certified or accredited by the American osteopathic association 39849
or that the health care facility is an osteopathic hospital as 39850
defined in section 3702.51 of the Revised Code. 39851

(c) Nothing in division (A)(1)(b) of this section shall be 39852
construed to require a health insuring corporation to make a 39853
benefit payment under a closed panel plan to a physician or health 39854
care facility with which the health insuring corporation does not 39855
have a contract, provided that none of the bases set forth in that 39856
division are used as a reason for failing to make a benefit 39857
payment. 39858

(2) When a health insuring corporation is unable to provide a 39859
covered health care service from a contracted provider or health 39860
care facility, the health insuring corporation must provide that 39861
health care service from a noncontracted provider or health care 39862
facility consistent with the terms of the enrollee's policy, 39863
contract, certificate, or agreement. The health insuring 39864
corporation shall either ensure that the health care service be 39865

provided at no greater cost to the enrollee than if the enrollee 39866
had obtained the health care service from a contracted provider or 39867
health care facility, or make other arrangements acceptable to the 39868
superintendent of insurance. 39869

(3) Nothing in this section shall prohibit a health insuring 39870
corporation from entering into contracts with out-of-state 39871
providers or health care facilities that are licensed, certified, 39872
accredited, or otherwise authorized in that state. 39873

(B)(1) A health insuring corporation shall, either directly 39874
or indirectly, enter into contracts with all providers and health 39875
care facilities through which health care services are provided to 39876
its enrollees. 39877

(2) A health insuring corporation, upon written request, 39878
shall assist its contracted providers in finding stop-loss or 39879
reinsurance carriers. 39880

(C) A health insuring corporation shall file an annual 39881
certificate with the superintendent certifying that all provider 39882
contracts and contracts with health care facilities through which 39883
health care services are being provided contain the following: 39884

(1) A description of the method by which the provider or 39885
health care facility will be notified of the specific health care 39886
services for which the provider or health care facility will be 39887
responsible, including any limitations or conditions on such 39888
services; 39889

(2) The specific hold harmless provision specifying 39890
protection of enrollees set forth as follows: 39891

"[Provider/Health Care Facility] agrees that in no event, 39892
including but not limited to nonpayment by the health insuring 39893
corporation, insolvency of the health insuring corporation, or 39894
breach of this agreement, shall [Provider/Health Care Facility] 39895
bill, charge, collect a deposit from, seek remuneration or 39896

reimbursement from, or have any recourse against, a subscriber, 39897
enrollee, person to whom health care services have been provided, 39898
or person acting on behalf of the covered enrollee, for health 39899
care services provided pursuant to this agreement. This does not 39900
prohibit [Provider/Health Care Facility] from collecting 39901
co-insurance, deductibles, or copayments as specifically provided 39902
in the evidence of coverage, or fees for uncovered health care 39903
services delivered on a fee-for-service basis to persons 39904
referenced above, nor from any recourse against the health 39905
insuring corporation or its successor." 39906

(3) Provisions requiring the provider or health care facility 39907
to continue to provide covered health care services to enrollees 39908
in the event of the health insuring corporation's insolvency or 39909
discontinuance of operations. The provisions shall require the 39910
provider or health care facility to continue to provide covered 39911
health care services to enrollees as needed to complete any 39912
medically necessary procedures commenced but unfinished at the 39913
time of the health insuring corporation's insolvency or 39914
discontinuance of operations. The completion of a medically 39915
necessary procedure shall include the rendering of all covered 39916
health care services that constitute medically necessary follow-up 39917
care for that procedure. If an enrollee is receiving necessary 39918
inpatient care at a hospital, the provisions may limit the 39919
required provision of covered health care services relating to 39920
that inpatient care in accordance with division (D)(3) of section 39921
1751.11 of the Revised Code, and may also limit such required 39922
provision of covered health care services to the period ending 39923
thirty days after the health insuring corporation's insolvency or 39924
discontinuance of operations. 39925

The provisions required by division (C)(3) of this section 39926
shall not require any provider or health care facility to continue 39927
to provide any covered health care service after the occurrence of 39928

section, to any enrollee covered by the contract. 40195

(F) Benefits otherwise payable to an enrollee under a direct 40196

disapproval shall be effected by written notice to the health 40254
insuring corporation. The notice shall state the grounds for 40255
disapproval and shall be issued in accordance with Chapter 119. of 40256

division (B)(1) of this section, the board of county commissioners 41541
of that county may issue one or more general obligation bonds for 41542
the purpose of procuring and maintaining the computer systems for 41543
the office of the clerk of the county court. In addition to the 41544
purposes stated in division (B)(1) of this section for which the 41545
moneys collected under that division may be expended, the moneys 41546
additionally may be expended to pay debt charges and financing 41547
costs related to any general obligation bonds issued pursuant to 41548

division, the court may include in the court's schedule of fees 41556
and costs under section 1907.24 of the Revised Code a reasonable 41557
fee, that is to be collected on the filing of each civil or 41558
criminal action or proceeding, and that is to be used to implement 41559
the procedures, and the court shall direct the clerk of the court 41560
to charge the fee. 41561

(B) All fees collected under division (A) of this section 41562
shall be paid to the county treasurer. The treasurer shall place 41563
the funds from the fees in a separate fund to be disbursed upon an 41564
order of the court, subject to an appropriation by the board of 41565
county commissioners. 41566

(C) If the court determines that the amount of the moneys in 41567
the fund described in division (B) of this section is more than 41568
the amount sufficient to satisfy the purpose for which the 41569
additional fee described in division (A) of this section was 41570
imposed, the court may declare a surplus in the fund and, subject 41571
to an appropriation by the board of county commissioners, expend 41572
the surplus moneys for other appropriate expenses of the court. 41573

convicted of, or has been determined to be a delinquent child for 41734
an act that, if committed by an adult, would be a violation as 41735

warrant was properly executed by a law enforcement officer and any 41753
controlled substance described in the affidavit was found by that 41754

division (C) of section 5321.17 of the Revised Code. 41762

(b) The court determines, by a preponderance of the evidence, 41763
that the tenant, any person in the tenant's household, or any 41764
person on the premises with the consent of the tenant previously 41765
has or presently is engaged in a violation as described in 41766
division (A)(6)(a)(i) of this section. 41767

Code. In those cases, the court has the authority to declare a 41769
forfeiture of the vendee's rights under a land installment 41770

contract and to grant any other claims arising out of the 41771
contract. 41772

(8) Against tenants who have breached an obligation that is 41773
imposed by section 5321.05 of the Revised Code, other than the 41774

and compliance secured with section 5321.11 of the Revised Code. 41778

(9) Against tenants who have breached an obligation imposed 41779
upon them by a written rental agreement; 41780

(10) Against manufactured home park residents who have 41781
defaulted in the payment of rent or breached the terms of a rental 41782
agreement with a park operator. Nothing in this division precludes 41783
the commencement of an action under division (A)(12) of this 41784
section when the additional circumstances described in that 41785
division apply. 41786

(11) Against manufactured home park residents who have 41787
committed two material violations of the rules of the manufactured 41788
home park, of the ~~public health council~~ manufactured homes 41789
commission, or of applicable state and local health and safety 41790
codes and who have been notified of the violations in compliance 41791
with section ~~3733.13~~ 4781.45 of the Revised Code; 41792

otherwise has been absent from the manufactured home park for a 41795
period of thirty consecutive days prior to the commencement of an 41796
action under this division and whose manufactured home or mobile 41797
home, or recreational vehicle that is parked in the manufactured 41798
home park, has been left unoccupied for that thirty-day period, 41799
without notice to the park operator and without payment of rent 41800
due under the rental agreement with the park operator; 41801

(13) Against occupants of self-service storage facilities, as 41802
defined in division (A) of section 5322.01 of the Revised Code, 41803
who have breached the terms of a rental agreement or violated 41804
section 5322.04 of the Revised Code; 41805

(14) Against any resident or occupant who, pursuant to a 41806
rental agreement, resides in or occupies residential premises 41807
located within one thousand feet of any school premises or 41808
preschool or child day-care center premises and to whom both of 41809
the following apply: 41810

(a) The resident's or occupant's name appears on the state 41811
registry of sex offenders and child-victim offenders maintained 41812
under section 2950.13 of the Revised Code. 41813

(b) The state registry of sex offenders and child-victim 41814
offenders indicates that the resident or occupant was convicted of 41815
or pleaded guilty to a sexually oriented offense or a child-victim 41816
oriented offense in a criminal prosecution and was not sentenced 41817
to a serious youthful offender dispositional sentence for that 41818
offense. 41819

(15) Against any tenant who permits any person to occupy 41820
residential premises located within one thousand feet of any 41821
school premises or preschool or child day-care center premises if 41822
both of the following apply to the person: 41823

(a) The person's name appears on the state registry of sex 41824
offenders and child-victim offenders maintained under section 41825
2950.13 of the Revised Code. 41826

(b) The state registry of sex offenders and child-victim 41827
offenders indicates that the person was convicted of or pleaded 41828
guilty to a sexually oriented offense or a child-victim oriented 41829
offense in a criminal prosecution and was not sentenced to a 41830
serious youthful offender dispositional sentence for that offense. 41831

(B) If a tenant or manufactured home park resident holding 41832

under an oral tenancy is in default in the payment of rent, the 41833
tenant or resident forfeits the right of occupancy, and the 41834
landlord may, at the landlord's option, terminate the tenancy by 41835
notifying the tenant or resident, as provided in section 1923.04 41836
of the Revised Code, to leave the premises, for the restitution of 41837
which an action may then be brought under this chapter. 41838

(C)(1) If a tenant or any other person with the tenant's 41839
permission resides in or occupies residential premises that are 41840
located within one thousand feet of any school premises and is a 41841
resident or occupant of the type described in division (A)(14) of 41842
this section or a person of the type described in division (A)(15) 41843
of this section, the landlord for those residential premises, upon 41844
discovery that the tenant or other person is a resident, occupant, 41845
or person of that nature, may terminate the rental agreement or 41846
tenancy for those residential premises by notifying the tenant and 41847
all other occupants, as provided in section 1923.04 of the Revised 41848
Code, to leave the premises. 41849

(2) If a landlord is authorized to terminate a rental 41850
agreement or tenancy pursuant to division (C)(1) of this section 41851
but does not so terminate the rental agreement or tenancy, the 41852
landlord is not liable in a tort or other civil action in damages 41853
for any injury, death, or loss to person or property that 41854
allegedly result from that decision. 41855

(D) This chapter does not apply to a student tenant as 41856
defined by division (H) of section 5321.01 of the Revised Code 41857
when the college or university proceeds to terminate a rental 41858
agreement pursuant to section 5321.031 of the Revised Code. 41859

Sec. 1923.061. (A) Any defense in an action under this 41860
chapter may be asserted at trial. 41861

(B) In an action for possession of residential premises based 41862
upon nonpayment of the rent or in an action for rent when the 41863

tenant or manufactured home park resident is in possession, the 41864

or resident may recover under the rental agreement or under 41866
Chapter ~~3733-~~ 4781. or 5321. of the Revised Code. In that event, 41867
the court from time to time may order the tenant or resident to 41868
pay into court all or part of the past due rent and rent becoming 41869
due during the pendency of the action. After trial and judgment, 41870
the party to whom a net judgment is owed shall be paid first from 41871
the money paid into court, and any balance shall be satisfied as 41872
any other judgment. If no rent remains due after application of 41873
this division, judgment shall be entered for the tenant or 41874
resident in the action for possession. If the tenant or resident 41875
has paid into court an amount greater than that necessary to 41876
satisfy a judgment obtained by the landlord, the balance shall be 41877
returned by the court to the tenant or resident. 41878

Sec. 1923.15. During any proceeding involving residential 41879
premises under this chapter, the court may order an appropriate 41880
governmental agency to inspect the residential premises. If the 41881
agency determines and the court finds conditions which constitute 41882
a violation of section ~~3733.10~~ 4781.38 or 5321.04 of the Revised 41883
Code, and if the premises have been vacated or are to be restored 41884
to the landlord, the court may issue an order forbidding the 41885
re-rental of the property until such conditions are corrected. If 41886
the agency determines and the court finds such conditions, and if 41887
the court finds that the tenant or manufactured home park resident 41888
may remain in possession, the court may order such conditions 41889
corrected. If such conditions have been caused by the tenant or 41890
resident, the court may award damages to the landlord equal to the 41891
reasonable cost of correcting such conditions. 41892

Sec. 2105.09. (A) The county auditor, unless ~~he~~ the auditor 41893
acts pursuant to division (C) of this section, shall take 41894

notice of the intended sale in a newspaper ~~published within of~~ 41900
general circulation in the county or as provided in section 7.16 41901
of the Revised Code. 41902

shall appoint three disinterested freeholders of the county to 41904
appraise the real property. The freeholders shall be governed by 41905
the same rule as appraisers in sheriffs' or administrators' sales. 41906

its appraised value and may sell it for cash, or for one-third 41908
cash and the balance in equal annual payments, the deferred 41909
payments to be amply secured. Upon payment of the whole 41910
consideration, the auditor shall execute a deed to the purchaser, 41911
in the name and on behalf of the state. The proceeds of the sale 41912
shall be paid by the auditor to the county treasurer. 41913

If there is a regularly organized agricultural society within 41914
the county, the treasurer shall pay the greater of six hundred 41915
dollars or five per cent of the proceeds, in any case, to the 41916
society. The excess of the proceeds, or the whole thereof if there 41917
is no regularly organized agricultural society within the county, 41918
shall be distributed as follows: 41919

city, and the title to the lands shall vest in the city. The city 41931
shall use the premises primarily for health, welfare, or 41932
recreational purposes, or may lease them at such prices and for 41933
such purposes as it considers proper. With the approval of the tax 41934
commissioner, the city may sell the lands or any undivided 41935
interest in the lands, in the same manner as is provided in the 41936
sale of land not needed for any municipal purposes; provided, that 41937
the net proceeds from the rent or sale of the premises shall be 41938
devoted to health, welfare, or recreational purposes. 41939

(C) As an alternative to the procedure prescribed in 41940
divisions (A) and (B) of this section, the county auditor, or if 41941
the real property is located within the incorporated area of a 41942
city, the legislative authority of that city by an affirmative 41943
vote of at least a majority of its members, may request the 41944
probate court to direct the administrator or executor of the 41945
estate that contains the escheated property to commence an action 41946
in the probate court for authority to sell the real property in 41947
the manner provided in Chapter 2127. of the Revised Code. The 41948
proceeds from the sale of real property that is located outside 41949
the incorporated area of a city shall be distributed by the court 41950
in the same manner as the proceeds are distributed under division 41951
(A) of this section. The proceeds from the sale of real property 41952
that is located within the incorporated area of a city shall be 41953
distributed by the court in the same manner as the proceeds are 41954

adjudicatory hearing to complete any part of the case plan, the 42402

parties agree to the content of the case plan and the court 42414
approves it, the court shall journalize it as part of its 42415
dispositional order. If the agency cannot obtain an agreement upon 42416
the contents of the case plan or the court does not approve it, 42417
the parties shall present evidence on the contents of the case 42418
plan at the dispositional hearing. The court, based upon the 42419
evidence presented at the dispositional hearing and the best 42420

~~(E)~~(F)(1) All parties, including the parents, guardian, or 42424
custodian of the child, are bound by the terms of the journalized 42425
case plan. A party that fails to comply with the terms of the 42426
journalized case plan may be held in contempt of court. 42427

(2) Any party may propose a change to a substantive part of 42428
the case plan, including, but not limited to, the child's 42429
placement and the visitation rights of any party. A party 42430
proposing a change to the case plan shall file the proposed change 42431
with the court and give notice of the proposed change in writing 42432
before the end of the day after the day of filing it to all 42433
parties and the child's guardian ad litem. All parties and the 42434
guardian ad litem shall have seven days from the date the notice 42435
is sent to object to and request a hearing on the proposed change. 42436

(a) If it receives a timely request for a hearing, the court 42437
shall schedule a hearing pursuant to section 2151.417 of the 42438
Revised Code to be held no later than thirty days after the 42439
request is received by the court. The court shall give notice of 42440
the date, time, and location of the hearing to all parties and the 42441
guardian ad litem. The agency may implement the proposed change 42442
after the hearing, if the court approves it. The agency shall not 42443
implement the proposed change unless it is approved by the court. 42444

(b) If it does not receive a timely request for a hearing, 42445
the court may approve the proposed change without a hearing. If 42446
the court approves the proposed change without a hearing, it shall 42447
journalize the case plan with the change not later than fourteen 42448
days after the change is filed with the court. If the court does 42449
not approve the proposed change to the case plan, it shall 42450
schedule a hearing to be held pursuant to section 2151.417 of the 42451
Revised Code no later than thirty days after the expiration of the 42452
fourteen-day time period and give notice of the date, time, and 42453

of the child. If, despite the requirements of division ~~(E)~~(F)(2) 42455
of this section, the court neither approves and journalizes the 42456
proposed change nor conducts a hearing, the agency may implement 42457
the proposed change not earlier than fifteen days after it is 42458
submitted to the court. 42459

(3) If an agency has reasonable cause to believe that a child 42460
is suffering from illness or injury and is not receiving proper 42461
care and that an appropriate change in the child's case plan is 42462
necessary to prevent immediate or threatened physical or emotional 42463
harm, to believe that a child is in immediate danger from the 42464
child's surroundings and that an immediate change in the child's 42465
case plan is necessary to prevent immediate or threatened physical 42466
or emotional harm to the child, or to believe that a parent, 42467
guardian, custodian, or other member of the child's household has 42468
abused or neglected the child and that the child is in danger of 42469
immediate or threatened physical or emotional harm from that 42470
person unless the agency makes an appropriate change in the 42471
child's case plan, it may implement the change without prior 42472
agreement or a court hearing and, before the end of the next day 42473
after the change is made, give all parties, the guardian ad litem 42474
of the child, and the court notice of the change. Before the end 42475
of the third day after implementing the change in the case plan, 42476
the agency shall file a statement of the change with the court and 42477

give notice of the filing accompanied by a copy of the statement 42478
to all parties and the guardian ad litem. All parties and the 42479
guardian ad litem shall have ten days from the date the notice is 42480
sent to object to and request a hearing on the change. 42481

(a) If it receives a timely request for a hearing, the court 42482
shall schedule a hearing pursuant to section 2151.417 of the 42483
Revised Code to be held no later than thirty days after the 42484
request is received by the court. The court shall give notice of 42485
the date, time, and location of the hearing to all parties and the 42486
guardian ad litem. The agency shall continue to administer the 42487
case plan with the change after the hearing, if the court approves 42488
the change. If the court does not approve the change, the court 42489
shall make appropriate changes to the case plan and shall 42490
journalize the case plan. 42491

(b) If it does not receive a timely request for a hearing, 42492
the court may approve the change without a hearing. If the court 42493
approves the change without a hearing, it shall journalize the 42494
case plan with the change within fourteen days after receipt of 42495
the change. If the court does not approve the change to the case 42496
plan, it shall schedule a hearing under section 2151.417 of the 42497
Revised Code to be held no later than thirty days after the 42498
expiration of the fourteen-day time period and give notice of the 42499

in which the child will be permanently placed; 42508

(b) To eliminate with all due speed the need for the 42509

arrangement, or permanent custody. 42515

~~(G)~~(H) In the agency's development of a case plan and the 42516

guided by the following general priorities: 42519

(1) A child who is residing with or can be placed with the 42520
child's parents within a reasonable time should remain in their 42521
legal custody even if an order of protective supervision is 42522

(2) If both parents of the child have abandoned the child, 42524
have relinquished custody of the child, have become incapable of 42525
supporting or caring for the child even with reasonable 42526

accept legal custody, the child should be placed in the legal 42532
custody of a suitable nonrelative who shall be made a party to the 42533
proceedings after being given legal custody of the child; 42534

(4) If the child has no suitable member of the child's 42535
extended family to accept legal custody of the child and no 42536
suitable nonrelative is available to accept legal custody of the 42537
child and, if the child temporarily cannot or should not be placed 42538
with the child's parents, guardian, or custodian, the child should 42539

be placed in the temporary custody of a public children services 42540
agency or a private child placing agency; 42541

(5) If the child cannot be placed with either of the child's 42542
parents within a reasonable period of time or should not be placed 42543
with either, if no suitable member of the child's extended family 42544
or suitable nonrelative is available to accept legal custody of 42545
the child, and if the agency has a reasonable expectation of 42546
placing the child for adoption, the child should be committed to 42547
the permanent custody of the public children services agency or 42548
private child placing agency; 42549

(6) If the child is to be placed for adoption or foster care, 42550
the placement shall not be delayed or denied on the basis of the 42551
child's or adoptive or foster family's race, color, or national 42552

by or provided pursuant to the child's case plan. 42564

~~(I)~~(J) A case plan may include, as a supplement, a plan for 42565

(E) No township, municipal, or county peace officer shall 42786
remove a child about whom a report is made pursuant to this 42787
section from the child's parents, stepparents, or guardian or any 42788
other persons having custody of the child without consultation 42789
with the public children services agency, unless, in the judgment 42790
of the officer, and, if the report was made by physician, the 42791

the child from further abuse or neglect. The agency that must be 42793
consulted shall be the agency conducting the investigation of the 42794
report as determined pursuant to section 2151.422 of the Revised 42795
Code. 42796

(F)(1) Except as provided in section 2151.422 of the Revised 42797
Code or in an interagency agreement entered into under section 42798
2151.428 of the Revised Code that applies to the particular 42799
report, the public children services agency shall investigate, 42800
within twenty-four hours, each report of child abuse or child 42801
neglect that is known or reasonably suspected or believed to have 42802
occurred and of a threat of child abuse or child neglect that is 42803
known or reasonably suspected or believed to exist that is 42804
referred to it under this section to determine the circumstances 42805
surrounding the injuries, abuse, or neglect or the threat of 42806

understanding prepared under division (J) of this section. A 42811
representative of the public children services agency shall, at 42812
the time of initial contact with the person subject to the 42813
investigation, inform the person of the specific complaints or 42814
allegations made against the person. The information shall be 42815
given in a manner that is consistent with division (H)(1) of this 42816
section and protects the rights of the person making the report 42817
under this section. 42818

A failure to make the investigation in accordance with the 42819
memorandum is not grounds for, and shall not result in, the 42820
dismissal of any charges or complaint arising from the report or 42821
the suppression of any evidence obtained as a result of the report 42822
and does not give, and shall not be construed as giving, any 42823
rights or any grounds for appeal or post-conviction relief to any 42824

person. The public children services agency shall report each case 42825
to the uniform statewide automated child welfare information 42826
system that the department of job and family services shall 42827
maintain in accordance with section 5101.13 of the Revised Code. 42828
The public children services agency shall submit a report of its 42829

children that are brought to its attention. 42834

(G)(1)(a) Except as provided in division (H)(3) of this 42835
section, anyone or any hospital, institution, school, health 42836
department, or agency participating in the making of reports under 42837
division (A) of this section, anyone or any hospital, institution, 42838

anyone participating in good faith in a judicial proceeding 42841
resulting from the reports, shall be immune from any civil or 42842
criminal liability for injury, death, or loss to person or 42843
property that otherwise might be incurred or imposed as a result 42844
of the making of the reports or the participation in the judicial 42845
proceeding. 42846

(b) Notwithstanding section 4731.22 of the Revised Code, the 42847
physician-patient privilege shall not be a ground for excluding 42848
evidence regarding a child's injuries, abuse, or neglect, or the 42849
cause of the injuries, abuse, or neglect in any judicial 42850
proceeding resulting from a report submitted pursuant to this 42851
section. 42852

(2) In any civil or criminal action or proceeding in which it 42853
is alleged and proved that participation in the making of a report 42854
under this section was not in good faith or participation in a 42855
judicial proceeding resulting from a report made under this 42856

section was not in good faith, the court shall award the 42857
prevailing party reasonable attorney's fees and costs and, if a 42858
civil action or proceeding is voluntarily dismissed, may award 42859
reasonable attorney's fees and costs to the party against whom the 42860
civil action or proceeding is brought. 42861

(H)(1) Except as provided in divisions (H)(4) and (N) of this 42862
section, a report made under this section is confidential. The 42863
information provided in a report made pursuant to this section and 42864
the name of the person who made the report shall not be released 42865
for use, and shall not be used, as evidence in any civil action or 42866
proceeding brought against the person who made the report. Nothing 42867
in this division shall preclude the use of reports of other 42868
incidents of known or suspected abuse or neglect in a civil action 42869
or proceeding brought pursuant to division (M) of this section 42870
against a person who is alleged to have violated division (A)(1) 42871
of this section, provided that any information in a report that 42872
would identify the child who is the subject of the report or the 42873
maker of the report, if the maker of the report is not the 42874
defendant or an agent or employee of the defendant, has been 42875
redacted. In a criminal proceeding, the report is admissible in 42876
evidence in accordance with the Rules of Evidence and is subject 42877
to discovery in accordance with the Rules of Criminal Procedure. 42878

(2) No person shall permit or encourage the unauthorized 42879
dissemination of the contents of any report made under this 42880
section. 42881

(3) A person who knowingly makes or causes another person to 42882
make a false report under division (B) of this section that 42883
alleges that any person has committed an act or omission that 42884
resulted in a child being an abused child or a neglected child is 42885
guilty of a violation of section 2921.14 of the Revised Code. 42886

(4) If a report is made pursuant to division (A) or (B) of 42887
this section and the child who is the subject of the report dies 42888

for any reason at any time after the report is made, but before 42889
the child attains eighteen years of age, the public children 42890
services agency or municipal or county peace officer to which the 42891
report was made or referred, on the request of the child fatality 42892
review board, shall submit a summary sheet of information 42893
providing a summary of the report to the review board of the 42894
county in which the deceased child resided at the time of death. 42895
On the request of the review board, the agency or peace officer 42896
may, at its discretion, make the report available to the review 42897
board. If the county served by the public children services agency 42898
is also served by a children's advocacy center and the report of 42899
alleged sexual abuse of a child or another type of abuse of a 42900
child is specified in the memorandum of understanding that creates 42901
the center as being within the center's jurisdiction, the agency 42902
or center shall perform the duties and functions specified in this 42903
division in accordance with the interagency agreement entered into 42904
under section 2151.428 of the Revised Code relative to that 42905
advocacy center. 42906

(5) A public children services agency shall advise a person 42907
alleged to have inflicted abuse or neglect on a child who is the 42908
subject of a report made pursuant to this section, including a 42909

of a child referred to a children's advocacy center pursuant to an 42911
interagency agreement entered into under section 2151.428 of the 42912
Revised Code, in writing of the disposition of the investigation. 42913
The agency shall not provide to the person any information that 42914
identifies the person who made the report, statements of 42915
witnesses, or police or other investigative reports. 42916

(I) Any report that is required by this section, other than a 42917
report that is made to the state highway patrol as described in 42918
section 5120.173 of the Revised Code, shall result in protective 42919
services and emergency supportive services being made available by 42920

the public children services agency on behalf of the children 42921
about whom the report is made, in an effort to prevent further 42922
neglect or abuse, to enhance their welfare, and, whenever 42923
possible, to preserve the family unit intact. The agency required 42924
to provide the services shall be the agency conducting the 42925
investigation of the report pursuant to section 2151.422 of the 42926
Revised Code. 42927

(J)(1) Each public children services agency shall prepare a 42928

center, each participating member of the children's advocacy center established by the memorandum. 42951
42952

(2) A memorandum of understanding shall set forth the normal operating procedure to be employed by all concerned officials in the execution of their respective responsibilities under this section and division (C) of section 2919.21, division (B)(1) of section 2919.22, division (B) of section 2919.23, and section 2919.24 of the Revised Code and shall have as two of its primary goals the elimination of all unnecessary interviews of children who are the subject of reports made pursuant to division (A) or (B) of this section and, when feasible, providing for only one interview of a child who is the subject of any report made pursuant to division (A) or (B) of this section. the person's name, address, and telephone number in the report. 43027

Each request is subject to verification of the identity of 43028

the report other than the information described in those 43034
divisions. 43035

(3) A request made pursuant to division (K)(1) of this 43036

court may declare a surplus in the fund and, subject to an 43186

that, for the efficient operation of the court, additional funds 43484
are required to computerize the office of the clerk of the court 43485
of common pleas and, upon that determination, authorize and direct 43486
the clerk of the court of common pleas to charge an additional 43487
fee, not to exceed ten dollars, on the filing of each cause of 43488
action or appeal, on the filing, docketing, and endorsing of each 43489

maintaining the computer systems for the office of the clerk of 43505
the court of common pleas. In addition to the purposes stated in 43506
division (B)(1) of this section for which the moneys collected 43507

All moneys collected under division (E) of this section shall 43600

not have jurisdiction, in any tort action to which the amounts 43631
apply, to award punitive or exemplary damages that exceed the 43632
amounts set forth in section 2315.21 of the Revised Code. The 43633

not exceed one thousand dollars and if the judge or presiding 43642
judge of the municipal court concurs in the proposed transfer. 43643
Upon the issuance of an order of transfer, the clerk of courts 43644
shall remove to the designated municipal court the entire case 43645

costs shall be remitted to the municipal court by the clerk of 43647
courts to be applied in accordance with section 1901.26 of the 43648
Revised Code, and the costs taxed by the municipal court shall be 43649

The court of common pleas has jurisdiction in any action 43651
brought pursuant to division (I) of section ~~3733.11~~ 4781.40 of the 43652

any adjacent court of common pleas that borders on that river and 43663
with any court of Kentucky or of West Virginia that borders on the 43664
Ohio river and that has jurisdiction on the Ohio river under the 43665
law of Kentucky or the law of West Virginia, whichever is 43666

(6) The person giving the aid or advice notified the 43703
emergency response section of the environmental protection agency 43704

accordance with the Rules of Evidence, of a patient's medical or 43805
dental records or other communications between a patient and the 43806
physician or dentist that are related to the action and obtained 43807

statement to a health care provider that states that an official 43851
criminal investigation has begun regarding a specified person or 43852
that a criminal action or proceeding has been commenced against a 43853
specified person, that requests the provider to supply to the 43854
officer copies of any records the provider possesses that pertain 43855
to any test or the results of any test administered to the 43856

specified person to determine the presence or concentration of 43857
alcohol, a drug of abuse, a combination of them, a controlled 43858
substance, or a metabolite of a controlled substance in the 43859

certified copy of the records, and, upon its submission, the 43875
certified copy is qualified as authentic evidence and may be 43876
admitted as evidence in accordance with the Rules of Evidence. 43877

requested order. If the offender does not request a hearing within 46012
the prescribed time or if the court conducts a hearing but does 46013

there is good cause for the order not to be issued, the court 46015

In any such case, it is unnecessary to find and return the exact amount of the controlled substance involved, and it is sufficient if the finding and return is to the effect that the amount of the controlled substance involved is the requisite amount, or that the amount of the controlled substance involved is less than the requisite amount.

(F)(1) Notwithstanding any contrary provision of section 3719.21 of the Revised Code and except as provided in division (H) of this section, the clerk of the court shall pay any mandatory fine imposed pursuant to division (D)(1) of this section and any fine other than a mandatory fine that is imposed for a violation of this section pursuant to division (A) or (B)(5) of section 2929.18 of the Revised Code to the county, township, municipal corporation, park district, as created pursuant to section 511.18 or 1545.04 of the Revised Code, or state law enforcement agencies in this state that primarily were responsible for or involved in making the arrest of, and in prosecuting, the offender. However, the clerk shall not pay a mandatory fine so imposed to a law

enforcement agency unless the agency has adopted a written 46625
internal control policy under division (F)(2) of this section that 46626
addresses the use of the fine moneys that it receives. Each agency 46627
shall use the mandatory fines so paid to subsidize the agency's 46628
law enforcement efforts that pertain to drug offenses, in 46629
accordance with the written internal control policy adopted by the 46630
recipient agency under division (F)(2) of this section. 46631

(2)(a) Prior to receiving any fine moneys under division 46632
(F)(1) of this section or division (B) of section 2925.42 of the 46633
Revised Code, a law enforcement agency shall adopt a written 46634
internal control policy that addresses the agency's use and 46635

the keeping of detailed financial records of the receipts of those 46637
fine moneys, the general types of expenditures made out of those 46638
fine moneys, and the specific amount of each general type of 46639
expenditure. The policy shall not provide for or permit the 46640
identification of any specific expenditure that is made in an 46641
ongoing investigation. All financial records of the receipts of 46642
those fine moneys, the general types of expenditures made out of 46643
those fine moneys, and the specific amount of each general type of 46644
expenditure by an agency are public records open for inspection 46645
under section 149.43 of the Revised Code. Additionally, a written 46646
internal control policy adopted under this division is such a 46647
public record, and the agency that adopted it shall comply with 46648
it. 46649

(b) Each law enforcement agency that receives in any calendar 46650
year any fine moneys under division (F)(1) of this section or 46651
division (B) of section 2925.42 of the Revised Code shall prepare 46652
a report covering the calendar year that cumulates all of the 46653
information contained in all of the public financial records kept 46654
by the agency pursuant to division (F)(2)(a) of this section for 46655
that calendar year, and shall send a copy of the cumulative 46656

report, no later than the first day of March in the calendar year 46657
following the calendar year covered by the report, to the attorney 46658
general. Each report received by the attorney general is a public 46659
record open for inspection under section 149.43 of the Revised 46660
Code. Not later than the fifteenth day of April in the calendar 46661
year in which the reports are received, the attorney general shall 46662
send to the president of the senate and the speaker of the house 46663
of representatives a written notification that does all of the 46664
following: 46665

(i) Indicates that the attorney general has received from law 46666
enforcement agencies reports of the type described in this 46667
division that cover the previous calendar year and indicates that 46668
the reports were received under this division; 46669

(ii) Indicates that the reports are open for inspection under 46670
section 149.43 of the Revised Code; 46671

(iii) Indicates that the attorney general will provide a copy 46672
of any or all of the reports to the president of the senate or the 46673
speaker of the house of representatives upon request. 46674

(3) As used in division (F) of this section: 46675

to, the state board of pharmacy and the office of a prosecutor. 46677

(b) "Prosecutor" has the same meaning as in section 2935.01 46678
of the Revised Code. 46679

(G) When required under division (D)(2) of this section or 46680
any other provision of this chapter, the court shall suspend for 46681
not less than six months or more than five years the driver's or 46682
commercial driver's license or permit of any person who is 46683
convicted of or pleads guilty to any violation of this section or 46684
any other specified provision of this chapter. If an offender's 46685
driver's or commercial driver's license or permit is suspended 46686
pursuant to this division, the offender, at any time after the 46687

expiration of two years from the day on which the offender's 46688
sentence was imposed or from the day on which the offender finally 46689
was released from a prison term under the sentence, whichever is 46690
later, may file a motion with the sentencing court requesting 46691
termination of the suspension; upon the filing of such a motion 46692
and the court's finding of good cause for the termination, the 46693
court may terminate the suspension. 46694

(H)(1) In addition to any prison term authorized or required 46695
by division (C) of this section and sections 2929.13 and 2929.14 46696
of the Revised Code, in addition to any other penalty or sanction 46697
imposed for the offense under this section or sections 2929.11 to 46698
2929.18 of the Revised Code, and in addition to the forfeiture of 46699
property in connection with the offense as prescribed in Chapter 46700
2981. of the Revised Code, the court that sentences an offender 46701
who is convicted of or pleads guilty to a violation of division 46702
(A) of this section may impose upon the offender an additional 46703
fine specified for the offense in division (B)(4) of section 46704
2929.18 of the Revised Code. A fine imposed under division (H)(1) 46705
of this section is not subject to division (F) of this section and 46706
shall be used solely for the support of one or more eligible 46707
alcohol and drug addiction programs in accordance with divisions 46708
(H)(2) and (3) of this section. 46709

(2) The court that imposes a fine under division (H)(1) of 46710
this section shall specify in the judgment that imposes the fine 46711
one or more eligible alcohol and drug addiction programs for the 46712
support of which the fine money is to be used. No alcohol and drug 46713
addiction program shall receive or use money paid or collected in 46714
satisfaction of a fine imposed under division (H)(1) of this 46715
section unless the program is specified in the judgment that 46716
imposes the fine. No alcohol and drug addiction program shall be 46717
specified in the judgment unless the program is an eligible 46718
alcohol and drug addiction program and, except as otherwise 46719

provided in division (H)(2) of this section, unless the program is 46720
located in the county in which the court that imposes the fine is 46721
located or in a county that is immediately contiguous to the 46722
county in which that court is located. If no eligible alcohol and 46723
drug addiction program is located in any of those counties, the 46724
judgment may specify an eligible alcohol and drug addiction 46725
program that is located anywhere within this state. 46726

(3) Notwithstanding any contrary provision of section 3719.21 46727
of the Revised Code, the clerk of the court shall pay any fine 46728
imposed under division (H)(1) of this section to the eligible 46729
alcohol and drug addiction program specified pursuant to division 46730
(H)(2) of this section in the judgment. The eligible alcohol and 46731
drug addiction program that receives the fine moneys shall use the 46732
moneys only for the alcohol and drug addiction services identified 46733
in the application for certification under section 3793.06 of the 46734
Revised Code or in the application for a license under section 46735
3793.11 of the Revised Code filed with the department of alcohol 46736
and drug addiction services by the alcohol and drug addiction 46737
program specified in the judgment. 46738

(4) Each alcohol and drug addiction program that receives in 46739
a calendar year any fine moneys under division (H)(3) of this 46740
section shall file an annual report covering that calendar year 46741
with the court of common pleas and the board of county 46742
commissioners of the county in which the program is located, with 46743
the court of common pleas and the board of county commissioners of 46744
each county from which the program received the moneys if that 46745
county is different from the county in which the program is 46746
located, and with the attorney general. The alcohol and drug 46747
addiction program shall file the report no later than the first 46748
day of March in the calendar year following the calendar year in 46749
which the program received the fine moneys. The report shall 46750
include statistics on the number of persons served by the alcohol 46751

and drug addiction program, identify the types of alcohol and drug 46752
addiction services provided to those persons, and include a 46753
specific accounting of the purposes for which the fine moneys 46754
received were used. No information contained in the report shall 46755
identify, or enable a person to determine the identity of, any 46756
person served by the alcohol and drug addiction program. Each 46757
report received by a court of common pleas, a board of county 46758
commissioners, or the attorney general is a public record open for 46759
inspection under section 149.43 of the Revised Code. 46760

of resources used or expended by the agency on that case. 46798

(B) Prior to the sentencing of an offender, the court shall 46799
enter an order that directs agencies that wish to be reimbursed by 46800
the offender for the costs they incurred in the investigation or 46801
prosecution of the offender or in the investigation of the fire or 46802
explosion involved in the case, to file with the court within a 46803
specified time an itemized statement of those costs. The order 46804
also shall require that a copy of the itemized statement be given 46805
to the offender or offender's attorney within the specified time. 46806
Only itemized statements so filed and given shall be considered at 46807
the hearing described in division (C) of this section. 46808

(C) The court shall set a date for a hearing on all the 46809

offender's attorney in accordance with division (B) of this 46811

Notice of the hearing date shall be given to the offender or the 46814

or prosecution of the offender or in the investigation of the fire 46819
or explosion involved in the case, and of establishing by a 46820

the hearing. The offender shall submit, in writing, a request to 46841
an agency as described in this division to ascertain whether the 46842
agency intends to present various personnel as witnesses or to use 46843
particular documentation. The request shall indicate that the 46844

offender is considering issuing subpoenas to personnel of the 46845
agency who are specifically named or identified by title or 46846
position, or for documentation of the agency that is specifically 46847
described or generally identified, and shall request the agency to 46848
indicate, in writing, whether it intends to present such personnel 46849
as witnesses or to use such documentation at the hearing. The 46850
agency shall promptly reply to the request of the offender. An 46851
agency is prohibited from presenting personnel as witnesses or 46852
from using documentation at the hearing if it indicates to the 46853
offender it does not intend to do so in response to a request of 46854
the offender under this division, or if it fails to reply or 46855
promptly reply to such a request. 46856

(D) Following the hearing, the court shall determine which of 46857
the agencies established by a preponderance of the evidence that 46858
costs set forth in their itemized statements were incurred as 46859
described in division (C) of this section and that the offender 46860
has assets available for reimbursement purposes. The court also 46861
shall determine whether the offender has assets available to 46862
reimburse all such agencies, in whole or in part, for their 46863
established costs, and if it determines that the assets are 46864
available, it shall order the offender, as part of the offender's 46865

Sec. 2945.371. (A) If the issue of a defendant's competence to stand trial is raised or if a defendant enters a plea of not guilty by reason of insanity, the court may order one or more evaluations of the defendant's present mental condition or, in the case of a plea of not guilty by reason of insanity, of the defendant's mental condition at the time of the offense charged. An examiner shall conduct the evaluation.

(B) If the court orders more than one evaluation under division (A) of this section, the prosecutor and the defendant may recommend to the court an examiner whom each prefers to perform one of the evaluations. If a defendant enters a plea of not guilty by reason of insanity and if the court does not designate an examiner recommended by the defendant, the court shall inform the defendant that the defendant may have independent expert evaluation and that, if the defendant is unable to obtain independent expert evaluation, it will be obtained for the defendant at public expense if the defendant is indigent.

(C) If the court orders an evaluation under division (A) of this section, the defendant shall be available at the times and places established by the examiners who are to conduct the evaluation. The court may order a defendant who has been released on bail or recognizance to submit to an evaluation under this section. If a defendant who has been released on bail or recognizance refuses to submit to a complete evaluation, the court may amend the conditions of bail or recognizance and order the sheriff to take the defendant into custody and deliver the defendant to a center, program, or facility operated or certified by the department of mental health or the department of

(D) A defendant who has not been released on bail or 47452

the sheriff to transport the defendant to a program or facility 47455
operated or certified by the department of mental health or the 47456
department of developmental disabilities, where the defendant may 47457
be held for evaluation for a reasonable period of time not to 47458
exceed twenty days, and to return the defendant to the place of 47459
detention after the evaluation. A municipal court may make an 47460
order under this division only upon the request of a certified 47461
forensic center examiner. 47462

(E) If a court orders the evaluation to determine a 47463
defendant's mental condition at the time of the offense charged, 47464
the court shall inform the examiner of the offense with which the 47465
defendant is charged. 47466

(F) In conducting an evaluation of a defendant's mental 47467
condition at the time of the offense charged, the examiner shall 47468
consider all relevant evidence. If the offense charged involves 47469
the use of force against another person, the relevant evidence to 47470
be considered includes, but is not limited to, any evidence that 47471
the defendant suffered, at the time of the commission of the 47472
offense, from the "battered woman syndrome." 47473

(G) The examiner shall file a written report with the court 47474
within thirty days after entry of a court order for evaluation, 47475
and the court shall provide copies of the report to the prosecutor 47476
and defense counsel. The report shall include all of the 47477
following: 47478

(1) The examiner's findings; 47479

47481

(3) If the evaluation was ordered to determine the defendant's competence to stand trial, all of the following findings or recommendations that are applicable: 47482
47483
47484

(a) Whether the defendant is capable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense; 47485
47486
47487

(b) If the examiner's opinion is that the defendant is incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense, whether the defendant presently is mentally ill or mentally retarded and, if the examiner's opinion is that the defendant presently is mentally retarded, whether the defendant appears to be a mentally retarded person subject to institutionalization by court order; 47488
47489
47490
47491
47492
47493
47494
47495

(c) If the examiner's opinion is that the defendant is incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense, the examiner's opinion as to the likelihood of the defendant becoming capable of understanding the nature and objective of the proceedings against the defendant and of assisting in the defendant's defense within one year if the defendant is provided with a course of treatment; 47496

47499
47500
47501
47502
47503

(d) If the examiner's opinion is that the defendant is incapable of understanding the nature and objective of the proceedings against the defendant or of assisting in the defendant's defense and that the defendant presently is mentally ill or mentally retarded, the examiner's recommendation as to the least restrictive ~~treatment~~ placement or commitment alternative, consistent with the defendant's treatment needs for restoration to 47504

47508
47509
47510

competency and with the safety of the community; 47511

(e) If the defendant is charged with a misdemeanor offense 47512
that is not an offense of violence and the examiner's opinion is 47513
that the defendant is incapable of understanding the nature and 47514
objective of the proceedings against the defendant or of assisting 47515
in the defendant's defense and that the defendant is presently 47516
mentally ill or mentally retarded, the examiner's recommendation 47517
as to whether the defendant is amenable to engagement in mental 47518
health treatment or developmental disability services. 47519

(4) If the evaluation was ordered to determine the 47520
defendant's mental condition at the time of the offense charged, 47521
the examiner's findings as to whether the defendant, at the time 47522
of the offense charged, did not know, as a result of a severe 47523
mental disease or defect, the wrongfulness of the defendant's acts 47524
charged. 47525

(H) If the examiner's report filed under division (G) of this 47526
section indicates that in the examiner's opinion the defendant is 47527
incapable of understanding the nature and objective of the 47528
proceedings against the defendant or of assisting in the 47529
defendant's defense and that in the examiner's opinion the 47530
defendant appears to be a mentally retarded person subject to 47531
institutionalization by court order, the court shall order the 47532
defendant to undergo a separate mental retardation evaluation 47533
conducted by a psychologist designated by the director of 47534
developmental disabilities. Divisions (C) to (F) of this section 47535
apply in relation to a separate mental retardation evaluation 47536
conducted under this division. The psychologist appointed under 47537
this division to conduct the separate mental retardation 47538
evaluation shall file a written report with the court within 47539
thirty days after the entry of the court order requiring the 47540
separate mental retardation evaluation, and the court shall 47541
provide copies of the report to the prosecutor and defense 47542

counsel. The report shall include all of the information described 47543
in divisions (G)(1) to (4) of this section. If the court orders a 47544
separate mental retardation evaluation of a defendant under this 47545
division, the court shall not conduct a hearing under divisions 47546
(B) to (H) of section 2945.37 of the Revised Code regarding that 47547
defendant until a report of the separate mental retardation 47548
evaluation conducted under this division has been filed. Upon the 47549
filing of that report, the court shall conduct the hearing within 47550
the period of time specified in division (C) of section 2945.37 of 47551
the Revised Code. 47552

(I) An examiner appointed under divisions (A) and (B) of this 47553
section or under division (H) of this section to evaluate a 47554
defendant to determine the defendant's competence to stand trial 47555
also may be appointed to evaluate a defendant who has entered a 47556
plea of not guilty by reason of insanity, but an examiner of that 47557
nature shall prepare separate reports on the issue of competence 47558
to stand trial and the defense of not guilty by reason of 47559
insanity. 47560

(J) No statement that a defendant makes in an evaluation or 47561
hearing under divisions (A) to (H) of this section relating to the 47562
defendant's competence to stand trial or to the defendant's mental 47563
condition at the time of the offense charged shall be used against 47564
the defendant on the issue of guilt in any criminal action or 47565
proceeding, but, in a criminal action or proceeding, the 47566
prosecutor or defense counsel may call as a witness any person who 47567
evaluated the defendant or prepared a report pursuant to a 47568
referral under this section. Neither the appointment nor the 47569
testimony of an examiner appointed under this section precludes 47570
the prosecutor or defense counsel from calling other witnesses or 47571
presenting other evidence on competency or insanity issues. 47572

(K) Persons appointed as examiners under divisions (A) and 47573
(B) of this section or under division (H) of this section shall be 47574

paid a reasonable amount for their services and expenses, as 47575
certified by the court. The certified amount shall be paid by the 47576
county in the case of county courts and courts of common pleas and 47577
by the legislative authority, as defined in section 1901.03 of the 47578
Revised Code, in the case of municipal courts. 47579

Sec. 2945.38. (A) If the issue of a defendant's competence to 47580
stand trial is raised and if the court, upon conducting the 47581
hearing provided for in section 2945.37 of the Revised Code, finds 47582
that the defendant is competent to stand trial, the defendant 47583
shall be proceeded against as provided by law. If the court finds 47584
the defendant competent to stand trial and the defendant is 47585
receiving psychotropic drugs or other medication, the court may 47586
authorize the continued administration of the drugs or medication 47587
or other appropriate treatment in order to maintain the 47588
defendant's competence to stand trial, unless the defendant's 47589
attending physician advises the court against continuation of the 47590
drugs, other medication, or treatment. 47591

(B)(1)(a) If, after taking into consideration all relevant 47592
reports, information, and other evidence, the court finds that the 47593
defendant is incompetent to stand trial and that there is a 47594
substantial probability that the defendant will become competent 47595
to stand trial within one year if the defendant is provided with a 47596
course of treatment, the court shall order the defendant to 47597
undergo treatment. If the defendant has been charged with a felony 47598
offense and if, after taking into consideration all relevant 47599
reports, information, and other evidence, the court finds that the 47600
defendant is incompetent to stand trial, but the court is unable 47601
at that time to determine whether there is a substantial 47602
probability that the defendant will become competent to stand 47603
trial within one year if the defendant is provided with a course 47604
of treatment, the court shall order continuing evaluation and 47605
treatment of the defendant for a period not to exceed four months 47606

to determine whether there is a substantial probability that the 47607
defendant will become competent to stand trial within one year if 47608
the defendant is provided with a course of treatment. 47609

(b) The court order for the defendant to undergo treatment or 47610
continuing evaluation and treatment under division (B)(1)(a) of 47611
this section shall specify that the defendant, if determined to 47612
require mental health treatment or continuing evaluation and 47613
treatment, shall be committed to the department of mental health 47614
for treatment or continuing evaluation and treatment shall occur 47615
at a hospital, facility, or agency, as determined to be clinically 47616
appropriate by the department of mental health and, if determined 47617
to require treatment or continuing evaluation and treatment for a 47618
developmental disability, shall receive treatment or continuing 47619
evaluation and treatment at an institution or facility operated by 47620
the department of ~~mental health or the department of~~ developmental 47621
disabilities, at a facility certified by ~~either of those~~ 47622
~~departments~~ the department of developmental disabilities as being 47623
qualified to treat ~~mental illness or~~ mental retardation, at a 47624
public or private community mental ~~health or mental~~ retardation 47625
facility, or by a ~~psychiatrist or another~~ mental health or mental 47626
retardation professional. The order may restrict the defendant's 47627
freedom of movement as the court considers necessary. The 47628
prosecutor in the defendant's case shall send to the chief 47629
clinical officer of the hospital ~~or~~ facility, or agency where the 47630
defendant is placed by the department of mental health, or to the 47631
managing officer of the institution, the director of the ~~program~~ 47632
facility, or the person to which the defendant is committed, 47633
copies of relevant police reports and other background information 47634
that pertains to the defendant and is available to the prosecutor 47635
unless the prosecutor determines that the release of any of the 47636
information in the police reports or any of the other background 47637
information to unauthorized persons would interfere with the 47638
effective prosecution of any person or would create a substantial 47639

risk of harm to any person. 47640

In committing the defendant to the department of mental 47641
health, the court shall consider the extent to which the person is 47642
a danger to the person and to others, the need for security, and 47643
the type of crime involved and, if the court finds that 47644
restrictions on the defendant's freedom of movement are necessary, 47645
shall specify the least restrictive limitations on the person's 47646
freedom of movement determined to be necessary to protect public 47647
safety. In determining ~~placement~~ commitment alternatives for 47648
defendants determined to require treatment or continuing 47649
evaluation and treatment for developmental disabilities, the court 47650
shall consider the extent to which the person is a danger to the 47651
person and to others, the need for security, and the type of crime 47652
involved and shall order the least restrictive alternative 47653
available that is consistent with public safety and treatment 47654
goals. In weighing these factors, the court shall give preference 47655
to protecting public safety. 47656

(c) If the defendant is found incompetent to stand trial, if 47657
the chief clinical officer of the hospital ~~or~~, facility, or agency 47658
where the defendant is placed, or the managing officer of the 47659
institution, the director of the ~~program~~ facility, or the person 47660
to which the defendant is committed for treatment or continuing 47661
evaluation and treatment under division (B)(1)(b) of this section 47662
determines that medication is necessary to restore the defendant's 47663
competency to stand trial, and if the defendant lacks the capacity 47664
to give informed consent or refuses medication, the chief clinical 47665
officer of the hospital, facility, or agency where the defendant 47666
is placed, or the managing officer of the institution, the 47667
director of the facility, or the person to which the defendant is 47668
committed for treatment or continuing evaluation and treatment may 47669
petition the court for authorization for the involuntary 47670
administration of medication. The court shall hold a hearing on 47671

the petition within five days of the filing of the petition if the 47672
petition was filed in a municipal court or a county court 47673
regarding an incompetent defendant charged with a misdemeanor or 47674
within ten days of the filing of the petition if the petition was 47675
filed in a court of common pleas regarding an incompetent 47676
defendant charged with a felony offense. Following the hearing, 47677
the court may authorize the involuntary administration of 47678
medication or may dismiss the petition. 47679

(d) If the defendant is charged with a misdemeanor offense 47680
that is not an offense of violence, the prosecutor may hold the 47681
charges in abeyance while the defendant engages in mental health 47682
treatment or developmental disability services. 47683

(2) If the court finds that the defendant is incompetent to 47684
stand trial and that, even if the defendant is provided with a 47685
course of treatment, there is not a substantial probability that 47686
the defendant will become competent to stand trial within one 47687
year, the court shall order the discharge of the defendant, unless 47688
upon motion of the prosecutor or on its own motion, the court 47689
either seeks to retain jurisdiction over the defendant pursuant to 47690
section 2945.39 of the Revised Code or files an affidavit in the 47691
probate court for the civil commitment of the defendant pursuant 47692
to Chapter 5122. or 5123. of the Revised Code alleging that the 47693
defendant is a mentally ill person subject to hospitalization by 47694
court order or a mentally retarded person subject to 47695
institutionalization by court order. If an affidavit is filed in 47696
the probate court, the trial court shall send to the probate court 47697
copies of all written reports of the defendant's mental condition 47698
that were prepared pursuant to section 2945.371 of the Revised 47699
Code. 47700

The trial court may issue the temporary order of detention 47701
that a probate court may issue under section 5122.11 or 5123.71 of 47702
the Revised Code, to remain in effect until the probable cause or 47703

initial hearing in the probate court. Further proceedings in the 47704
probate court are civil proceedings governed by Chapter 5122. or 47705
5123. of the Revised Code. 47706

(C) No defendant shall be required to undergo treatment, 47707
including any continuing evaluation and treatment, under division 47708
(B)(1) of this section for longer than whichever of the following 47709
periods is applicable: 47710

(1) One year, if the most serious offense with which the 47711
defendant is charged is one of the following offenses: 47712

(a) Aggravated murder, murder, or an offense of violence for 47713
which a sentence of death or life imprisonment may be imposed; 47714

(b) An offense of violence that is a felony of the first or 47715
second degree; 47716

(c) A conspiracy to commit, an attempt to commit, or 47717
complicity in the commission of an offense described in division 47718
(C)(1)(a) or (b) of this section if the conspiracy, attempt, or 47719
complicity is a felony of the first or second degree. 47720

(2) Six months, if the most serious offense with which the 47721
defendant is charged is a felony other than a felony described in 47722
division (C)(1) of this section; 47723

(3) Sixty days, if the most serious offense with which the 47724
defendant is charged is a misdemeanor of the first or second 47725
degree; 47726

(4) Thirty days, if the most serious offense with which the 47727
defendant is charged is a misdemeanor of the third or fourth 47728
degree, a minor misdemeanor, or an unclassified misdemeanor. 47729

(D) Any defendant who is committed pursuant to this section 47730
shall not voluntarily admit the defendant or be voluntarily 47731
admitted to a hospital or institution pursuant to section 5122.02, 47732
5122.15, 5123.69, or 5123.76 of the Revised Code. 47733

(E) Except as otherwise provided in this division, a 47734
defendant who is charged with an offense and is committed by the 47735
court under this section to ~~a hospital~~ the department of mental 47736
health with restrictions on the defendant's freedom of movement or 47737

section or facility for the treatment of developmental 47739
disabilities shall not be granted unsupervised on-grounds 47740
movement, supervised off-grounds movement, or nonsecured status 47741
except in accordance with the court order. The court may grant a 47742
defendant supervised off-grounds movement to obtain medical 47743
treatment or specialized habilitation treatment services if the 47744
person who supervises the treatment or the continuing evaluation 47745
and treatment of the defendant ordered under division (B)(1)(a) of 47746
this section informs the court that the treatment or continuing 47747
evaluation and treatment cannot be provided at the hospital or 47748
facility where the defendant is placed by the department of mental 47749
health or the institution or facility to which the defendant is 47750
committed. The chief clinical officer of the hospital or facility 47751
where the defendant is placed by the department of mental health 47752
or the managing officer of the institution or director of the 47753
facility to which the defendant is committed, or a designee of 47754
~~either~~ any of those persons, may grant a defendant movement to a 47755
medical facility for an emergency medical situation with 47756
appropriate supervision to ensure the safety of the defendant, 47757
staff, and community during that emergency medical situation. The 47758

defendant is placed by the department of mental health or the 47760
managing officer of the institution or director of the facility to 47761
which the defendant is committed shall notify the court within 47762
twenty-four hours of the defendant's movement to the medical 47763
facility for an emergency medical situation under this division. 47764

(F) The person who supervises the treatment or continuing 47765
evaluation and treatment of a defendant ordered to undergo 47766

treatment or continuing evaluation and treatment under division 47767
(B)(1)(a) of this section shall file a written report with the 47768
court at the following times: 47769

(1) Whenever the person believes the defendant is capable of 47770
understanding the nature and objective of the proceedings against 47771
the defendant and of assisting in the defendant's defense; 47772

(2) For a felony offense, fourteen days before expiration of 47773
the maximum time for treatment as specified in division (C) of 47774
this section and fourteen days before the expiration of the 47775
maximum time for continuing evaluation and treatment as specified 47776
in division (B)(1)(a) of this section, and, for a misdemeanor 47777

treatment, as specified in division (C) of this section; 47779

(3) At a minimum, after each six months of treatment; 47780

(4) Whenever the person who supervises the treatment or 47781
continuing evaluation and treatment of a defendant ordered under 47782
division (B)(1)(a) of this section believes that there is not a 47783
substantial probability that the defendant will become capable of 47784
understanding the nature and objective of the proceedings against 47785
the defendant or of assisting in the defendant's defense even if 47786
the defendant is provided with a course of treatment. 47787

(G) A report under division (F) of this section shall contain 47788
the examiner's findings, the facts in reasonable detail on which 47789
the findings are based, and the examiner's opinion as to the 47790
defendant's capability of understanding the nature and objective 47791

defendant's defense. If, in the examiner's opinion, the defendant 47793
remains incapable of understanding the nature and objective of the 47794
proceedings against the defendant and of assisting in the 47795
defendant's defense and there is a substantial probability that 47796
the defendant will become capable of understanding the nature and 47797

objective of the proceedings against the defendant and of 47798
assisting in the defendant's defense if the defendant is provided 47799
with a course of treatment, if in the examiner's opinion the 47800
defendant remains mentally ill or mentally retarded, and if the 47801
maximum time for treatment as specified in division (C) of this 47802
section has not expired, the report also shall contain the 47803
examiner's recommendation as to the least restrictive ~~treatment~~ 47804

the safety of the community. The court shall provide copies of the 47807
report to the prosecutor and defense counsel. 47808

of this section, within ten days after the treating physician of 47810
the defendant or the examiner of the defendant who is employed or 47811
retained by the treating facility advises that there is not a 47812
substantial probability that the defendant will become capable of 47813
understanding the nature and objective of the proceedings against 47814
the defendant or of assisting in the defendant's defense even if 47815
the defendant is provided with a course of treatment, within ten 47816
days after the expiration of the maximum time for treatment as 47817
specified in division (C) of this section, within ten days after 47818
the expiration of the maximum time for continuing evaluation and 47819
treatment as specified in division (B)(1)(a) of this section, 47820
within thirty days after a defendant's request for a hearing that 47821
is made after six months of treatment, or within thirty days after 47822
being advised by the treating physician or examiner that the 47823
defendant is competent to stand trial, whichever is the earliest, 47824
the court shall conduct another hearing to determine if the 47825
defendant is competent to stand trial and shall do whichever of 47826
the following is applicable: 47827

(1) If the court finds that the defendant is competent to 47828
stand trial, the defendant shall be proceeded against as provided 47829

by law. 47830

(2) If the court finds that the defendant is incompetent to 47831
stand trial, but that there is a substantial probability that the 47832
defendant will become competent to stand trial if the defendant is 47833
provided with a course of treatment, and the maximum time for 47834
treatment as specified in division (C) of this section has not 47835
expired, the court, after consideration of the examiner's 47836
recommendation, shall order that treatment be continued, may 47837

of movement, and, if applicable, shall specify whether the 47840
treatment for developmental disabilities is to be continued at the 47841
same or a different facility or ~~program~~ institution. 47842

(3) If the court finds that the defendant is incompetent to 47843
stand trial, if the defendant is charged with an offense listed in 47844
division (C)(1) of this section, and if the court finds that there 47845
is not a substantial probability that the defendant will become 47846
competent to stand trial even if the defendant is provided with a 47847
course of treatment, or if the maximum time for treatment relative 47848
to that offense as specified in division (C) of this section has 47849
expired, further proceedings shall be as provided in sections 47850
2945.39, 2945.401, and 2945.402 of the Revised Code. 47851

(4) If the court finds that the defendant is incompetent to 47852
stand trial, if the most serious offense with which the defendant 47853
is charged is a misdemeanor or a felony other than a felony listed 47854
in division (C)(1) of this section, and if the court finds that 47855
there is not a substantial probability that the defendant will 47856
become competent to stand trial even if the defendant is provided 47857
with a course of treatment, or if the maximum time for treatment 47858
relative to that offense as specified in division (C) of this 47859
section has expired, the court shall dismiss the indictment, 47860
information, or complaint against the defendant. A dismissal under 47861

this division is not a bar to further prosecution based on the 47862
same conduct. The court shall discharge the defendant unless the 47863
court or prosecutor files an affidavit in probate court for civil 47864
commitment pursuant to Chapter 5122. or 5123. of the Revised Code. 47865
If an affidavit for civil commitment is filed, the court may 47866
detain the defendant for ten days pending civil commitment. All of 47867
the following provisions apply to persons charged with a 47868
misdemeanor or a felony other than a felony listed in division 47869
(C)(1) of this section who are committed by the probate court 47870
subsequent to the court's or prosecutor's filing of an affidavit 47871
for civil commitment under authority of this division: 47872

(a) The chief clinical officer of the entity, hospital, or 47873
facility, the managing officer of the institution, ~~the director of~~ 47874
~~the program~~, or the person to which the defendant is committed or 47875
admitted shall do all of the following: 47876

(i) Notify the prosecutor, in writing, of the discharge of 47877
the defendant, send the notice at least ten days prior to the 47878
discharge unless the discharge is by the probate court, and state 47879
in the notice the date on which the defendant will be discharged; 47880

(ii) Notify the prosecutor, in writing, when the defendant is 47881
absent without leave or is granted unsupervised, off-grounds 47882
movement, and send this notice promptly after the discovery of the 47883
absence without leave or prior to the granting of the 47884
unsupervised, off-grounds movement, whichever is applicable; 47885

(iii) Notify the prosecutor, in writing, of the change of the 47886
defendant's commitment or admission to voluntary status, send the 47887
notice promptly upon learning of the change to voluntary status, 47888
and state in the notice the date on which the defendant was 47889
committed or admitted on a voluntary status. 47890

(b) Upon receiving notice that the defendant will be granted 47891
unsupervised, off-grounds movement, the prosecutor either shall 47892

re-indict the defendant or promptly notify the court that the 47893
prosecutor does not intend to prosecute the charges against the 47894
defendant. 47895

(I) If a defendant is convicted of a crime and sentenced to a 47896
jail or workhouse, the defendant's sentence shall be reduced by 47897
the total number of days the defendant is confined for evaluation 47898
to determine the defendant's competence to stand trial or 47899
treatment under this section and sections 2945.37 and 2945.371 of 47900
the Revised Code or by the total number of days the defendant is 47901
confined for evaluation to determine the defendant's mental 47902
condition at the time of the offense charged. 47903

Sec. 2945.39. (A) If a defendant who is charged with an 47904
offense described in division (C)(1) of section 2945.38 of the 47905
Revised Code is found incompetent to stand trial, after the 47906
expiration of the maximum time for treatment as specified in 47907
division (C) of that section or after the court finds that there 47908
is not a substantial probability that the defendant will become 47909
competent to stand trial even if the defendant is provided with a 47910
course of treatment, one of the following applies: 47911

(1) The court or the prosecutor may file an affidavit in 47912
probate court for civil commitment of the defendant in the manner 47913
provided in Chapter 5122. or 5123. of the Revised Code. If the 47914
court or prosecutor files an affidavit for civil commitment, the 47915
court may detain the defendant for ten days pending civil 47916
commitment. If the probate court commits the defendant subsequent 47917
to the court's or prosecutor's filing of an affidavit for civil 47918
commitment, the chief clinical officer of the entity, hospital, or 47919
facility, the managing officer of the institution, ~~the director of~~ 47920
~~the program,~~ or the person to which the defendant is committed or 47921
admitted shall send to the prosecutor the notices described in 47922
divisions (H)(4)(a)(i) to (iii) of section 2945.38 of the Revised 47923

Code within the periods of time and under the circumstances 47924
specified in those divisions. 47925

(2) On the motion of the prosecutor or on its own motion, the 47926
court may retain jurisdiction over the defendant if, at a hearing, 47927
the court finds both of the following by clear and convincing 47928
evidence: 47929

(a) The defendant committed the offense with which the 47930
defendant is charged. 47931

(b) The defendant is a mentally ill person subject to 47932
hospitalization by court order or a mentally retarded person 47933
subject to institutionalization by court order. 47934

(B) In making its determination under division (A)(2) of this 47935
section as to whether to retain jurisdiction over the defendant, 47936
the court may consider all relevant evidence, including, but not 47937
limited to, any relevant psychiatric, psychological, or medical 47938
testimony or reports, the acts constituting the offense charged, 47939
and any history of the defendant that is relevant to the 47940
defendant's ability to conform to the law. 47941

(C) If the court conducts a hearing as described in division 47942
(A)(2) of this section and if the court does not make both 47943
findings described in divisions (A)(2)(a) and (b) of this section 47944
by clear and convincing evidence, the court shall dismiss the 47945
indictment, information, or complaint against the defendant. Upon 47946
the dismissal, the court shall discharge the defendant unless the 47947
court or prosecutor files an affidavit in probate court for civil 47948
commitment of the defendant pursuant to Chapter 5122. or 5123. of 47949
the Revised Code. If the court or prosecutor files an affidavit 47950
for civil commitment, the court may order that the defendant be 47951
detained for up to ten days pending the civil commitment. If the 47952
probate court commits the defendant subsequent to the court's or 47953
prosecutor's filing of an affidavit for civil commitment, the 47954

chief clinical officer of the entity, hospital, or facility, the 47955
managing officer of the institution, ~~the director of the program,~~ 47956
or the person to which the defendant is committed or admitted 47957
shall send to the prosecutor the notices described in divisions 47958
(H)(4)(a)(i) to (iii) of section 2945.38 of the Revised Code 47959
within the periods of time and under the circumstances specified 47960
in those divisions. A dismissal of charges under this division is 47961
not a bar to further criminal proceedings based on the same 47962
conduct. 47963

(D)(1) If the court conducts a hearing as described in 47964
division (A)(2) of this section and if the court makes the 47965
findings described in divisions (A)(2)(a) and (b) of this section 47966
by clear and convincing evidence, the court shall commit the 47967
defendant, if determined to require mental health treatment, to a 47968
~~hospital operated by~~ the department of mental health for treatment 47969
at a hospital, facility, or agency as determined clinically 47970
appropriate by the department of mental health or, if determined 47971
to require treatment for developmental disabilities, to a facility 47972
operated by the department of developmental disabilities, or 47973
another ~~medical or psychiatric~~ facility, as appropriate. In 47974
committing the defendant to the department of mental health, the 47975
court shall specify the least restrictive limitations on the 47976
defendant's freedom of movement determined to be necessary to 47977
protect public safety. In determining the place and nature of the 47978
commitment to a facility operated by the department of 47979
developmental disabilities or another facility for treatment of 47980
developmental disabilities, the court shall order the least 47981
restrictive commitment alternative available that is consistent 47982
with public safety and the welfare of the defendant. In weighing 47983
these factors, the court shall give preference to protecting 47984
public safety. 47985

(2) If a court makes a commitment of a defendant under 47986

division (D)(1) of this section, the prosecutor shall send to the 47987
hospital, facility, or agency where the defendant is placed by the 47988
department of mental health or to the defendant's place of 47989
commitment all reports of the defendant's current mental condition 47990
and, except as otherwise provided in this division, any other 47991
relevant information, including, but not limited to, a transcript 47992
of the hearing held pursuant to division (A)(2) of this section, 47993
copies of relevant police reports, and copies of any prior arrest 47994
and conviction records that pertain to the defendant and that the 47995
prosecutor possesses. The prosecutor shall send the reports of the 47996
defendant's current mental condition in every case of commitment, 47997
and, unless the prosecutor determines that the release of any of 47998
the other relevant information to unauthorized persons would 47999
interfere with the effective prosecution of any person or would 48000
create a substantial risk of harm to any person, the prosecutor 48001
also shall send the other relevant information. ~~Upon admission of~~ 48002
~~a defendant committed under division (D)(1) of this section, the~~ 48003
~~place of commitment shall send to the board of alcohol, drug~~ 48004
~~addiction, and mental health services or the community mental~~ 48005
~~health board serving the county in which the charges against the~~ 48006
~~defendant were filed a copy of all reports of the defendant's~~ 48007
~~current mental condition and a copy of the other relevant~~ 48008
~~information provided by the prosecutor under this division,~~ 48009
~~including, if provided, a transcript of the hearing held pursuant~~ 48010
~~to division (A)(2) of this section, the relevant police reports,~~ 48011
~~and the prior arrest and conviction records that pertain to the~~ 48012
~~defendant and that the prosecutor possesses.~~ 48013

(3) If a court makes a commitment under division (D)(1) of 48014
this section, all further proceedings shall be in accordance with 48015
sections 2945.401 and 2945.402 of the Revised Code. 48016

Sec. 2945.40. (A) If a person is found not guilty by reason 48017
of insanity, the verdict shall state that finding, and the trial 48018

court shall conduct a full hearing to determine whether the person 48019
is a mentally ill person subject to hospitalization by court order 48020
or a mentally retarded person subject to institutionalization by 48021
court order. Prior to the hearing, if the trial judge believes 48022
that there is probable cause that the person found not guilty by 48023
reason of insanity is a mentally ill person subject to 48024
hospitalization by court order or mentally retarded person subject 48025
to institutionalization by court order, the trial judge may issue 48026
a temporary order of detention for that person to remain in effect 48027
for ten court days or until the hearing, whichever occurs first. 48028

Any person detained pursuant to a temporary order of 48029
detention issued under this division shall be held in a suitable 48030
facility, taking into consideration the place and type of 48031
confinement prior to and during trial. 48032

(B) The court shall hold the hearing under division (A) of 48033
this section to determine whether the person found not guilty by 48034
reason of insanity is a mentally ill person subject to 48035
hospitalization by court order or a mentally retarded person 48036
subject to institutionalization by court order within ten court 48037
days after the finding of not guilty by reason of insanity. 48038
Failure to conduct the hearing within the ten-day period shall 48039
cause the immediate discharge of the respondent, unless the judge 48040
grants a continuance for not longer than ten court days for good 48041
cause shown or for any period of time upon motion of the 48042
respondent. 48043

(C) If a person is found not guilty by reason of insanity, 48044
the person has the right to attend all hearings conducted pursuant 48045
to sections 2945.37 to 2945.402 of the Revised Code. At any 48046
hearing conducted pursuant to one of those sections, the court 48047
shall inform the person that the person has all of the following 48048
rights: 48049

(1) The right to be represented by counsel and to have that 48050

counsel provided at public expense if the person is indigent, with 48051
the counsel to be appointed by the court under Chapter 120. of the 48052
Revised Code or under the authority recognized in division (C) of 48053
section 120.06, division (E) of section 120.16, division (E) of 48054
section 120.26, or section 2941.51 of the Revised Code; 48055

(2) The right to have independent expert evaluation and to 48056
have that independent expert evaluation provided at public expense 48057
if the person is indigent; 48058

(3) The right to subpoena witnesses and documents, to present 48059
evidence on the person's behalf, and to cross-examine witnesses 48060
against the person; 48061

(4) The right to testify in the person's own behalf and to 48062
not be compelled to testify; 48063

(5) The right to have copies of any relevant medical or 48064
mental health document in the custody of the state or of any place 48065
of commitment other than a document for which the court finds that 48066
the release to the person of information contained in the document 48067
would create a substantial risk of harm to any person. 48068

(D) The hearing under division (A) of this section shall be 48069
open to the public, and the court shall conduct the hearing in 48070
accordance with the Rules of Civil Procedure. The court shall make 48071
and maintain a full transcript and record of the hearing 48072
proceedings. The court may consider all relevant evidence, 48073
including, but not limited to, any relevant psychiatric, 48074
psychological, or medical testimony or reports, the acts 48075
constituting the offense in relation to which the person was found 48076
not guilty by reason of insanity, and any history of the person 48077
that is relevant to the person's ability to conform to the law. 48078

(E) Upon completion of the hearing under division (A) of this 48079
section, if the court finds there is not clear and convincing 48080
evidence that the person is a mentally ill person subject to 48081

hospitalization by court order or a mentally retarded person 48082
subject to institutionalization by court order, the court shall 48083
discharge the person, unless a detainer has been placed upon the 48084
person by the department of rehabilitation and correction, in 48085
which case the person shall be returned to that department. 48086

(F) If, at the hearing under division (A) of this section, 48087
the court finds by clear and convincing evidence that the person 48088
is a mentally ill person subject to hospitalization by court order 48089
~~or, the court shall commit the person to the department of mental~~ 48090
~~health for placement in a hospital, facility, or agency as~~ 48091
~~determined clinically appropriate by the department of mental~~ 48092
~~health. If, at the hearing under division (A) of this section, the~~ 48093
~~court finds by clear and convincing evidence that the person is a~~ 48094
mentally retarded person subject to institutionalization by court 48095
order, it shall commit the person to a ~~hospital operated by the~~ 48096
~~department of mental health, a~~ facility operated by the department 48097
of developmental disabilities, ~~or another medical or psychiatric~~ 48098
facility, as appropriate, ~~and further. Further~~ proceedings shall 48099
be in accordance with sections 2945.401 and 2945.402 of the 48100
Revised Code. In committing the person to the department of mental 48101
health, the court shall specify the least restrictive limitations 48102
to the defendant's freedom of movement determined to be necessary 48103
to protect public safety. In determining the place and nature of 48104
the commitment of a mentally retarded person subject to 48105
institutionalization by court order, the court shall order the 48106
least restrictive commitment alternative available that is 48107
consistent with public safety and the welfare of the person. In 48108
weighing these factors, the court shall give preference to 48109
protecting public safety. 48110

(G) If a court makes a commitment of a person under division 48111
(F) of this section, the prosecutor shall send to the hospital, 48112
facility, or agency where the person is placed by the department 48113

~~of mental health or to the defendant's place of commitment all 48114
reports of the person's current mental condition, and, except as 48115
otherwise provided in this division, any other relevant 48116
information, including, but not limited to, a transcript of the 48117
hearing held pursuant to division (A) of this section, copies of 48118
relevant police reports, and copies of any prior arrest and 48119
conviction records that pertain to the person and that the 48120
prosecutor possesses. The prosecutor shall send the reports of the 48121
person's current mental condition in every case of commitment, 48122
and, unless the prosecutor determines that the release of any of 48123
the other relevant information to unauthorized persons would 48124
interfere with the effective prosecution of any person or would 48125
create a substantial risk of harm to any person, the prosecutor 48126
also shall send the other relevant information. ~~Upon admission of 48127
a person committed under division (F) of this section, the place 48128
of commitment shall send to the board of alcohol, drug addiction, 48129
and mental health services or the community mental health board 48130
serving the county in which the charges against the person were 48131
filed a copy of all reports of the person's current mental 48132
condition and a copy of the other relevant information provided by 48133
the prosecutor under this division, including, if provided, a 48134
transcript of the hearing held pursuant to division (A) of this 48135
section, the relevant police reports, and the prior arrest and 48136
conviction records that pertain to the person and that the 48137
prosecutor possesses.~~ 48138~~

(H) A person who is committed pursuant to this section shall 48139
not voluntarily admit the person or be voluntarily admitted to a 48140
hospital or institution pursuant to section 5122.02, 5122.15, 48141
5123.69, or 5123.76 of the Revised Code. 48142

Sec. 2945.401. (A) A defendant found incompetent to stand 48143
trial and committed pursuant to section 2945.39 of the Revised 48144

remain subject to the jurisdiction of the trial court pursuant to 48147
that commitment, and to the provisions of this section, until the 48148
final termination of the commitment as described in division 48149
(J)(1) of this section. If the jurisdiction is terminated under 48150
this division because of the final termination of the commitment 48151
resulting from the expiration of the maximum prison term or term 48152
of imprisonment described in division (J)(1)(b) of this section, 48153
the court or prosecutor may file an affidavit for the civil 48154
commitment of the defendant or person pursuant to Chapter 5122. or 48155
5123. of the Revised Code. 48156

the Revised Code shall not voluntarily admit the person or be 48161
voluntarily admitted to a hospital or institution pursuant to 48162
section 5122.02, 5122.15, 5123.69, or 5123.76 of the Revised Code. 48163
All other provisions of Chapters 5122. and 5123. of the Revised 48164
Code regarding hospitalization or institutionalization shall apply 48165
to the extent they are not in conflict with this chapter. A 48166
commitment under section 2945.39 or 2945.40 of the Revised Code 48167
shall not be terminated and the conditions of the commitment shall 48168
not be changed except as otherwise provided in division (D)(2) of 48169
this section with respect to a mentally retarded person subject to 48170
institutionalization by court order or except by order of the 48171
trial court. 48172

(C) The ~~hospital, department of mental health or the~~ 48173
institution or facility, or program to which a defendant or person 48174
has been committed under section 2945.39 or 2945.40 of the Revised 48175
Code shall report in writing to the trial court, at the times 48176
specified in this division, as to whether the defendant or person 48177

order or a mentally retarded person subject to 48179
institutionalization by court order and, in the case of a 48180

shall hold a hearing on the continued commitment of the defendant 48190
or person or on any changes in the conditions of the commitment of 48191
the defendant or person. The defendant or person may request a 48192
change in the conditions of confinement, and the trial court shall 48193
conduct a hearing on that request if six months or more have 48194
elapsed since the most recent hearing was conducted under this 48195
section. 48196

(D)(1) Except as otherwise provided in division (D)(2) of 48197
this section, when a defendant or person has been committed under 48198
section 2945.39 or 2945.40 of the Revised Code, at any time after 48199

Except as otherwise provided in division (D)(2) of this 48207
section, if the ~~chief clinical officer~~ designee of the department 48208

designee shall file with the trial court an application for 48216
approval of the movement and shall send a copy of the application 48217

application, the prosecutor may request a hearing on the 48219
application and, if a hearing is requested, shall so inform the 48220

on the application within the fifteen-day period, the trial court 48227
shall hold a hearing on the application within thirty days after 48228
the hearing is requested. If the trial court, within five days 48229
after the expiration of the fifteen-day period, sets a date for a 48230
hearing on the application, the trial court shall hold the hearing 48231
within thirty days after setting the hearing date. At least 48232
fifteen days before any hearing is held under this division, the 48233

accordingly. 48238

(b) If the ~~chief clinical officer~~ department's designee 48239

at any time or if the ~~chief clinical officer~~ department's designee 48241

recommends the first of any nonsecured status for the defendant or 48242
person, the ~~chief clinical officer~~ department's designee shall 48243
send written notice of this recommendation to the trial court and 48244
to the local forensic center. The local forensic center shall 48245
evaluate the committed defendant or person and, within thirty days 48246
after its receipt of the written notice, shall submit to the trial 48247
court and the ~~chief clinical officer~~ department's designee a 48248
written report of the evaluation. The trial court shall provide a 48249
copy of the ~~chief clinical officer's~~ department's designee's 48250
written notice and of the local forensic center's written report 48251
to the prosecutor and to the counsel for the defendant or person. 48252
Upon the local forensic center's submission of the report to the 48253
trial court and the ~~chief clinical officer~~ department's designee, 48254
all of the following apply: 48255

(i) If the forensic center disagrees with the recommendation 48256
of the ~~chief clinical officer~~ department's designee, it shall 48257
inform the ~~chief clinical officer~~ department's designee and the 48258
trial court of its decision and the reasons for the decision. The 48259
~~chief clinical officer~~ department's designee, after consideration 48260
of the forensic center's decision, shall either withdraw, proceed 48261
with, or modify and proceed with the recommendation. If the ~~chief~~ 48262
~~clinical officer~~ department's designee proceeds with, or modifies 48263
and proceeds with, the recommendation, the ~~chief clinical officer~~ 48264
department's designee shall proceed in accordance with division 48265
(D)(1)(b)(iii) of this section. 48266

(ii) If the forensic center agrees with the recommendation of 48267
the ~~chief clinical officer~~ department's designee, it shall inform 48268
the ~~chief clinical officer~~ department's designee and the trial 48269
court of its decision and the reasons for the decision, and the 48270
~~chief clinical officer~~ department's designee shall proceed in 48271
accordance with division (D)(1)(b)(iii) of this section. 48272

(iii) If the forensic center disagrees with the 48273

recommendation of the ~~chief clinical officer~~ department's designee 48274
and the ~~chief clinical officer~~ department's designee proceeds 48275
with, or modifies and proceeds with, the recommendation or if the 48276
forensic center agrees with the recommendation of the ~~chief~~ 48277
~~clinical officer~~ department's designee, the ~~chief clinical officer~~ 48278
department's designee shall work with ~~the board~~ community mental 48279
health agencies, programs, facilities, or boards of alcohol, drug 48280
addiction, and mental health services ~~or community mental health~~ 48281
~~board serving the area, as appropriate,~~ to develop a plan to 48282
implement the recommendation. If the defendant or person is on 48283
medication, the plan shall include, but shall not be limited to, a 48284
system to monitor the defendant's or person's compliance with the 48285
prescribed medication treatment plan. The system shall include a 48286
schedule that clearly states when the defendant or person shall 48287
report for a medication compliance check. The medication 48288
compliance checks shall be based upon the effective duration of 48289
the prescribed medication, taking into account the route by which 48290
it is taken, and shall be scheduled at intervals sufficiently 48291
close together to detect a potential increase in mental illness 48292
symptoms that the medication is intended to prevent. 48293

48294
The ~~chief clinical officer, after consultation with the board~~ 48295
~~of alcohol, drug addiction, and mental health services or the~~ 48296
~~community mental health board serving the area,~~ department's 48297
designee shall send the recommendation and plan developed under 48298
division (D)(1)(b)(iii) of this section, in writing, to the trial 48299

or person. The trial court shall conduct a hearing on the 48301
recommendation and plan developed under division (D)(1)(b)(iii) of 48302
this section. Divisions (D)(1)(c) and (d) and (E) to (J) of this 48303
section apply regarding the hearing. 48304

(c) If the ~~chief clinical officer's~~ department's designee's 48305

recommendation is for nonsecured status or termination of 48306
commitment, the prosecutor may obtain an independent expert 48307
evaluation of the defendant's or person's mental condition, and 48308
the trial court may continue the hearing on the recommendation for 48309
a period of not more than thirty days to permit time for the 48310

Evidence. 48314

(d) The trial court shall schedule the hearing on a ~~chief~~ 48315
~~clinical officer's~~ department's designee's recommendation for 48316
nonsecured status or termination of commitment and shall give 48317
reasonable notice to the prosecutor and the counsel for the 48318
defendant or person. Unless continued for independent evaluation 48319
at the prosecutor's request or for other good cause, the hearing 48320
shall be held within thirty days after the trial court's receipt 48321
of the recommendation and plan. 48322

(2)(a) Division (D)(1) of this section does not apply to 48323
on-grounds unsupervised movement of a defendant or person who has 48324
been committed under section 2945.39 or 2945.40 of the Revised 48325
Code, who is a mentally retarded person subject to 48326
institutionalization by court order, and who is being provided 48327
residential habilitation, care, and treatment in a facility 48328
operated by the department of developmental disabilities. 48329

(b) If, pursuant to section 2945.39 of the Revised Code, the 48330
trial court commits a defendant who is found incompetent to stand 48331
trial and who is a mentally retarded person subject to 48332
institutionalization by court order, if the defendant is being 48333
provided residential habilitation, care, and treatment in a 48334
facility operated by the department of developmental disabilities, 48335
if an individual who is conducting a survey for the department of 48336
health to determine the facility's compliance with the 48337

certification requirements of the medicaid program under Chapter 48338
5111. of the Revised Code and Title XIX of the "Social Security 48339
Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, cites the 48340
defendant's receipt of the residential habilitation, care, and 48341
treatment in the facility as being inappropriate under the 48342
certification requirements, if the defendant's receipt of the 48343
residential habilitation, care, and treatment in the facility 48344
potentially jeopardizes the facility's continued receipt of 48345
federal medicaid moneys, and if as a result of the citation the 48346
chief clinical officer of the facility determines that the 48347
conditions of the defendant's commitment should be changed, the 48348
department of developmental disabilities may cause the defendant 48349
to be removed from the particular facility and, after evaluating 48350
the risks to public safety and the welfare of the defendant and 48351
after determining whether another type of placement is consistent 48352
with the certification requirements, may place the defendant in 48353
another facility that the department selects as an appropriate 48354
facility for the defendant's continued receipt of residential 48355
habilitation, care, and treatment and that is a no less secure 48356
setting than the facility in which the defendant had been placed 48357
at the time of the citation. Within three days after the 48358
defendant's removal and alternative placement under the 48359
circumstances described in division (D)(2)(b) of this section, the 48360
department of developmental disabilities shall notify the trial 48361
court and the prosecutor in writing of the removal and alternative 48362
placement. 48363

The trial court shall set a date for a hearing on the removal 48364
and alternative placement, and the hearing shall be held within 48365
twenty-one days after the trial court's receipt of the notice from 48366
the department of developmental disabilities. At least ten days 48367
before the hearing is held, the trial court shall give the 48368
prosecutor, the department of developmental disabilities, and the 48369
counsel for the defendant written notice of the date, time, and 48370

place of the hearing. At the hearing, the trial court shall 48371
consider the citation issued by the individual who conducted the 48372
survey for the department of health to be prima-facie evidence of 48373
the fact that the defendant's commitment to the particular 48374
facility was inappropriate under the certification requirements of 48375
the medicaid program under Chapter 5111. of the Revised Code and 48376
Title XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 48377
U.S.C.A. 301, as amended, and potentially jeopardizes the 48378
particular facility's continued receipt of federal medicaid 48379
moneys. At the conclusion of the hearing, the trial court may 48380
approve or disapprove the defendant's removal and alternative 48381
placement. If the trial court approves the defendant's removal and 48382
alternative placement, the department of developmental 48383
disabilities may continue the defendant's alternative placement. 48384
If the trial court disapproves the defendant's removal and 48385
alternative placement, it shall enter an order modifying the 48386
defendant's removal and alternative placement, but that order 48387
shall not require the department of developmental disabilities to 48388
replace the defendant for purposes of continued residential 48389
habilitation, care, and treatment in the facility associated with 48390
the citation issued by the individual who conducted the survey for 48391
the department of health. 48392

(E) In making a determination under this section regarding 48393
nonsecured status or termination of commitment, the trial court 48394
shall consider all relevant factors, including, but not limited 48395
to, all of the following: 48396

(1) Whether, in the trial court's view, the defendant or 48397
person currently represents a substantial risk of physical harm to 48398
the defendant or person or others; 48399

(2) Psychiatric and medical testimony as to the current 48400
mental and physical condition of the defendant or person; 48401

(3) Whether the defendant or person has insight into the 48402

defendant's or person's condition so that the defendant or person 48403
will continue treatment as prescribed or seek professional 48404
assistance as needed; 48405

(4) The grounds upon which the state relies for the proposed 48406
commitment; 48407

(5) Any past history that is relevant to establish the 48408
defendant's or person's degree of conformity to the laws, rules, 48409
regulations, and values of society; 48410

(6) If there is evidence that the defendant's or person's 48411
mental illness is in a state of remission, the medically suggested 48412
cause and degree of the remission and the probability that the 48413
defendant or person will continue treatment to maintain the 48414
remissive state of the defendant's or person's illness should the 48415
defendant's or person's commitment conditions be altered. 48416

(F) At any hearing held pursuant to division (C) or (D)(1) or 48417
(2) of this section, the defendant or the person shall have all 48418
the rights of a defendant or person at a commitment hearing as 48419
described in section 2945.40 of the Revised Code. 48420

(G) In a hearing held pursuant to division (C) or (D)(1) of 48421
this section, the prosecutor has the burden of proof as follows: 48422

(1) For a recommendation of termination of commitment, to 48423
show by clear and convincing evidence that the defendant or person 48424
remains a mentally ill person subject to hospitalization by court 48425
order or a mentally retarded person subject to 48426
institutionalization by court order; 48427

(2) For a recommendation for a change in the conditions of 48428
the commitment to a less restrictive status, to show by clear and 48429
convincing evidence that the proposed change represents a threat 48430
to public safety or a threat to the safety of any person. 48431

(H) In a hearing held pursuant to division (C) or (D)(1) or 48432

(2) of this section, the prosecutor shall represent the state or the public interest. 48433
48434

(I) At the conclusion of a hearing conducted under division 48435
(D)(1) of this section regarding a recommendation from the ~~chief~~ 48436
~~clinical officer~~ designee of the department of mental health, 48437
managing officer of the institution, or director of a hospital, 48438
~~program, or facility,~~ the trial court may approve, disapprove, or 48439
modify the recommendation and shall enter an order accordingly. 48440

(J)(1) A defendant or person who has been committed pursuant 48441
to section 2945.39 or 2945.40 of the Revised Code continues to be 48442
under the jurisdiction of the trial court until the final 48443
termination of the commitment. For purposes of division (J) of 48444
this section, the final termination of a commitment occurs upon 48445
the earlier of one of the following: 48446

(a) The defendant or person no longer is a mentally ill 48447
person subject to hospitalization by court order or a mentally 48448
retarded person subject to institutionalization by court order, as 48449
determined by the trial court; 48450

(b) The expiration of the maximum prison term or term of 48451
imprisonment that the defendant or person could have received if 48452
the defendant or person had been convicted of the most serious 48453
offense with which the defendant or person is charged or in 48454
relation to which the defendant or person was found not guilty by 48455
reason of insanity; 48456

(c) The trial court enters an order terminating the 48457
commitment under the circumstances described in division 48458
(J)(2)(a)(ii) of this section. 48459

(2)(a) If a defendant is found incompetent to stand trial and 48460
committed pursuant to section 2945.39 of the Revised Code, if 48461
neither of the circumstances described in divisions (J)(1)(a) and 48462
(b) of this section applies to that defendant, and if a report 48463

filed with the trial court pursuant to division (C) of this 48464
section indicates that the defendant presently is competent to 48465
stand trial or if, at any other time during the period of the 48466
defendant's commitment, the prosecutor, the counsel for the 48467
defendant, or the ~~chief clinical officer~~ designee of the 48468
department of mental health or the managing officer of the 48469
institution or director of the ~~hospital, facility, or program~~ to 48470
which the defendant is committed files an application with the 48471
trial court alleging that the defendant presently is competent to 48472
stand trial and requesting a hearing on the competency issue or 48473

defendant presently is competent to stand trial and determines on 48475
its own motion to hold a hearing on the competency issue, the 48476
trial court shall schedule a hearing on the competency of the 48477
defendant to stand trial, shall give the prosecutor, the counsel 48478

notice of the date, time, and place of the hearing at least 48482
fifteen days before the hearing, and shall conduct the hearing 48483
within thirty days of the filing of the application or of its own 48484
motion. If, at the conclusion of the hearing, the trial court 48485
determines that the defendant presently is capable of 48486
understanding the nature and objective of the proceedings against 48487
the defendant and of assisting in the defendant's defense, the 48488
trial court shall order that the defendant is competent to stand 48489
trial and shall be proceeded against as provided by law with 48490

Code. This order shall be a final termination of the commitment 48512
for purposes of division (J)(1)(c) of this section. 48513

(b) If, at the conclusion of the hearing described in 48514
division (J)(2)(a) of this section, the trial court determines 48515
that the defendant remains incapable of understanding the nature 48516
and objective of the proceedings against the defendant or of 48517
assisting in the defendant's defense, the trial court shall order 48518
that the defendant continues to be incompetent to stand trial, 48519

trial court may set any conditions on the release with respect to 48528
the treatment, evaluation, counseling, or control of the defendant 48529
or person that the court considers necessary to protect the public 48530
safety and the welfare of the defendant or person. The trial court 48531

(B) A conditional release is a commitment. The hearings on 48537
continued commitment as described in section 2945.401 of the 48538

Code. The trial court may order a continuance of the ten-court-day 48553
period for no longer than ten days for good cause shown or for any 48554
period on motion of the defendant or person. If the trial court 48555
fails to conduct the hearing within the ten-court-day period and 48556
does not order a continuance in accordance with this division, the 48557
defendant or person shall be restored to the prior conditional 48558
release status. 48559

or person violated the terms of the conditional release. If the 48563
court finds by a preponderance of the evidence that the defendant 48564
or person violated the terms of the conditional release, the court 48565
may continue, modify, or terminate the conditional release and 48566
shall enter its order accordingly. 48567

defendant on one of the following grounds: 48587

(1) The sentence consisted of or included the maximum prison 48588
term allowed for the offense by division (A) of section 2929.14 or 48589

If the court specifies that it found one or more of those factors to apply relative to the defendant, the defendant is not entitled under this division to appeal as a matter of right the sentence imposed upon the offender.

(6) The sentence consisted of an additional prison term of ten years imposed pursuant to division (D)(3)(b) of section 2929.14 of the Revised Code.

(B) In addition to any other right to appeal and except as provided in division (D) of this section, a prosecuting attorney, a city director of law, village solicitor, or similar chief legal officer of a municipal corporation, or the attorney general, if one of those persons prosecuted the case, may appeal as a matter of right a sentence imposed upon a defendant who is convicted of or pleads guilty to a felony or, in the circumstances described in division (B)(3) of this section the modification of a sentence imposed upon such a defendant, on any of the following grounds:

(1) The sentence did not include a prison term despite a presumption favoring a prison term for the offense for which it was imposed, as set forth in section 2929.13 or Chapter 2925. of the Revised Code.

(2) The sentence is contrary to law.

(3) The sentence is a modification under section 2929.20 of the Revised Code of a sentence that was imposed for a felony of the first or second degree.

(C)(1) In addition to the right to appeal a sentence granted 48653
under division (A) or (B) of this section, a defendant who is 48654
convicted of or pleads guilty to a felony may seek leave to appeal 48655
a sentence imposed upon the defendant on the basis that the 48656
sentencing judge has imposed consecutive sentences under division 48657
(E)(3) or (4) of section 2929.14 of the Revised Code and that the 48658
consecutive sentences exceed the maximum prison term allowed by 48659
division (A) of that section for the most serious offense of which 48660
the defendant was convicted. Upon the filing of a motion under 48661
this division, the court of appeals may grant leave to appeal the 48662
sentence if the court determines that the allegation included as 48663
the basis of the motion is true. 48664

(2) A defendant may seek leave to appeal an additional 48665
sentence imposed upon the defendant pursuant to division (D)(2)(a) 48666
or (b) of section 2929.14 of the Revised Code if the additional 48667
sentence is for a definite prison term that is longer than five 48668
years. 48669

(D)(1) A sentence imposed upon a defendant is not subject to 48670
review under this section if the sentence is authorized by law, 48671
has been recommended jointly by the defendant and the prosecution 48672
in the case, and is imposed by a sentencing judge. 48673

(2) Except as provided in division (C)(2) of this section, a 48674
sentence imposed upon a defendant is not subject to review under 48675
this section if the sentence is imposed pursuant to division 48676
(D)(2)(b) of section 2929.14 of the Revised Code. Except as 48677
otherwise provided in this division, a defendant retains all 48678
rights to appeal as provided under this chapter or any other 48679
provision of the Revised Code. A defendant has the right to appeal 48680
under this chapter or any other provision of the Revised Code the 48681
court's application of division (D)(2)(c) of section 2929.14 of 48682
the Revised Code. 48683

(3) A sentence imposed for aggravated murder or murder 48684

pursuant to sections 2929.02 to 2929.06 of the Revised Code is not 48685
subject to review under this section. 48686

(E) A defendant, prosecuting attorney, city director of law, 48687
village solicitor, or chief municipal legal officer shall file an 48688
appeal of a sentence under this section to a court of appeals 48689
within the time limits specified in Rule 4(B) of the Rules of 48690
Appellate Procedure, provided that if the appeal is pursuant to 48691
division (B)(3) of this section, the time limits specified in that 48692
rule shall not commence running until the court grants the motion 48693
that makes the sentence modification in question. A sentence 48694
appeal under this section shall be consolidated with any other 48695
appeal in the case. If no other appeal is filed, the court of 48696
appeals may review only the portions of the trial record that 48697
pertain to sentencing. 48698

(F) On the appeal of a sentence under this section, the 48699
record to be reviewed shall include all of the following, as 48700
applicable: 48701

(1) Any presentence, psychiatric, or other investigative 48702
report that was submitted to the court in writing before the 48703
sentence was imposed. An appellate court that reviews a 48704
presentence investigation report prepared pursuant to section 48705
2947.06 or 2951.03 of the Revised Code or Criminal Rule 32.2 in 48706
connection with the appeal of a sentence under this section shall 48707
comply with division (D)(3) of section 2951.03 of the Revised Code 48708
when the appellate court is not using the presentence 48709
investigation report, and the appellate court's use of a 48710
presentence investigation report of that nature in connection with 48711
the appeal of a sentence under this section does not affect the 48712
otherwise confidential character of the contents of that report as 48713
described in division (D)(1) of section 2951.03 of the Revised 48714
Code and does not cause that report to become a public record, as 48715
defined in section 149.43 of the Revised Code, following the 48716

appellate court's use of the report. 48717

(2) The trial record in the case in which the sentence was 48718
imposed; 48719

(3) Any oral or written statements made to or by the court at 48720
the sentencing hearing at which the sentence was imposed; 48721

(4) Any written findings that the court was required to make 48722
in connection with the modification of the sentence pursuant to a 48723
judicial release under division (I) of section 2929.20 of the 48724
Revised Code. 48725

(G)(1) If the sentencing court was required to make the 48726
findings required by division (B) or (D) of section 2929.13, 48727
division (D)(2)(e) or (E)(4) of section 2929.14, or division (I) 48728
of section 2929.20 of the Revised Code relative to the imposition 48729
or modification of the sentence, and if the sentencing court 48730
failed to state the required findings on the record, the court 48731
hearing an appeal under division (A), (B), or (C) of this section 48732
shall remand the case to the sentencing court and instruct the 48733
sentencing court to state, on the record, the required findings. 48734

(2) The court hearing an appeal under division (A), (B), or 48735
(C) of this section shall review the record, including the 48736
findings underlying the sentence or modification given by the 48737
sentencing court. 48738

The appellate court may increase, reduce, or otherwise modify 48739
a sentence that is appealed under this section or may vacate the 48740
sentence and remand the matter to the sentencing court for 48741
resentencing. The appellate court's standard for review is not 48742
whether the sentencing court abused its discretion. The appellate 48743
court may take any action authorized by this division if it 48744
clearly and convincingly finds either of the following: 48745

(a) That the record does not support the sentencing court's 48746
findings under division (B) or (D) of section 2929.13, division 48747

(D)(2)(e) or (E)(4) of section 2929.14, or division (I) of section 2929.20 of the Revised Code, whichever, if any, is relevant; 48748
48749

(b) That the sentence is otherwise contrary to law. 48750

(H) A judgment or final order of a court of appeals under 48751
this section may be appealed, by leave of court, to the supreme 48752
court. 48753

(I)(1) There is hereby established the felony sentence appeal 48754
cost oversight committee, consisting of eight members. One member 48755
shall be the chief justice of the supreme court or a 48756
representative of the court designated by the chief justice, one 48757
member shall be a member of the senate appointed by the president 48758
of the senate, one member shall be a member of the house of 48759
representatives appointed by the speaker of the house of 48760
representatives, one member shall be the director of budget and 48761
management or a representative of the office of budget and 48762
management designated by the director, one member shall be a judge 48763
of a court of appeals, court of common pleas, municipal court, or 48764
county court appointed by the chief justice of the supreme court, 48765
one member shall be the state public defender or a representative 48766
of the office of the state public defender designated by the state 48767
public defender, one member shall be a prosecuting attorney 48768
appointed by the Ohio prosecuting attorneys association, and one 48769
member shall be a county commissioner appointed by the county 48770
commissioners association of Ohio. No more than three of the 48771
appointed members of the committee may be members of the same 48772
political party. 48773

The president of the senate, the speaker of the house of 48774
representatives, the chief justice of the supreme court, the Ohio 48775
prosecuting attorneys association, and the county commissioners 48776
association of Ohio shall make the initial appointments to the 48777
committee of the appointed members no later than ninety days after 48778
July 1, 1996. Of those initial appointments to the committee, the 48779

members appointed by the speaker of the house of representatives 48780
and the Ohio prosecuting attorneys association shall serve a term 48781
ending two years after July 1, 1996, the member appointed by the 48782
chief justice of the supreme court shall serve a term ending three 48783
years after July 1, 1996, and the members appointed by the 48784
president of the senate and the county commissioners association 48785
of Ohio shall serve terms ending four years after July 1, 1996. 48786
Thereafter, terms of office of the appointed members shall be for 48787
four years, with each term ending on the same day of the same 48788
month as did the term that it succeeds. Members may be 48789
reappointed. Vacancies shall be filled in the same manner provided 48790
for original appointments. A member appointed to fill a vacancy 48791
occurring prior to the expiration of the term for which that 48792
member's predecessor was appointed shall hold office as a member 48793
for the remainder of the predecessor's term. An appointed member 48794
shall continue in office subsequent to the expiration date of that 48795
member's term until that member's successor takes office or until 48796
a period of sixty days has elapsed, whichever occurs first. 48797

If the chief justice of the supreme court, the director of 48798
the office of budget and management, or the state public defender 48799
serves as a member of the committee, that person's term of office 48800
as a member shall continue for as long as that person holds office 48801
as chief justice, director of the office of budget and management, 48802
or state public defender. If the chief justice of the supreme 48803
court designates a representative of the court to serve as a 48804
member, the director of budget and management designates a 48805
representative of the office of budget and management to serve as 48806
a member, or the state public defender designates a representative 48807
of the office of the state public defender to serve as a member, 48808
the person so designated shall serve as a member of the commission 48809
for as long as the official who made the designation holds office 48810
as chief justice, director of the office of budget and management, 48811
or state public defender or until that official revokes the 48812

designation. 48813

The chief justice of the supreme court or the representative 48814
of the supreme court appointed by the chief justice shall serve as 48815
chairperson of the committee. The committee shall meet within two 48816
weeks after all appointed members have been appointed and shall 48817
organize as necessary. Thereafter, the committee shall meet at 48818
least once every six months or more often upon the call of the 48819
chairperson or the written request of three or more members, 48820
provided that the committee shall not meet unless moneys have been 48821
appropriated to the judiciary budget administered by the supreme 48822
court specifically for the purpose of providing financial 48823
assistance to counties under division (I)(2) of this section and 48824
the moneys so appropriated then are available for that purpose. 48825

The members of the committee shall serve without 48826
compensation, but, if moneys have been appropriated to the 48827
judiciary budget administered by the supreme court specifically 48828
for the purpose of providing financial assistance to counties 48829
under division (I)(2) of this section, each member shall be 48830
reimbursed out of the moneys so appropriated that then are 48831
available for actual and necessary expenses incurred in the 48832
performance of official duties as a committee member. 48833

(2) ~~The state criminal sentencing commission periodically~~ 48834
~~shall provide to the felony sentence appeal cost oversight~~ 48835
~~committee all data the commission collects pursuant to division~~ 48836
~~(A)(5) of section 181.25 of the Revised Code. Upon receipt of the~~ 48837
~~data from the state criminal sentencing commission, the felony~~ 48838
sentence appeal cost oversight committee periodically shall review 48839
~~the data;~~ determine whether any money has been appropriated to the 48840
judiciary budget administered by the supreme court specifically 48841
for the purpose of providing state financial assistance to 48842
counties in accordance with this division for the increase in 48843
expenses the counties experience as a result of the felony 48844

sentence appeal provisions set forth in this section or as a 48845
result of a postconviction relief proceeding brought under 48846
division (A)(2) of section 2953.21 of the Revised Code or an 48847
appeal of a judgment in that proceeding; if it determines that any 48848
money has been so appropriated, determine the total amount of 48849
moneys that have been so appropriated specifically for that 48850
purpose and that then are available for that purpose; and develop 48851
a recommended method of distributing those moneys to the counties. 48852
The committee shall send a copy of its recommendation to the 48853
supreme court. Upon receipt of the committee's recommendation, the 48854
supreme court shall distribute to the counties, based upon that 48855
recommendation, the moneys that have been so appropriated 48856
specifically for the purpose of providing state financial 48857
assistance to counties under this division and that then are 48858
available for that purpose. 48859

otherwise lawfully seized or forfeited and that is in the custody 48862
of a law enforcement agency shall be kept safely by the agency, 48863
pending the time it no longer is needed as evidence or for another 48864
lawful purpose, and shall be disposed of pursuant to sections 48865
2981.12 and 2981.13 of the Revised Code. 48866

(2) This chapter does not apply to the custody and disposal 48867
of any of the following: 48868

48886
48887
48888
48889
48890
48891
48892

(B)(1) Each law enforcement agency that has custody of any property that is subject to this section shall adopt and comply with a written internal control policy that does all of the following: 48893

(ii) The general types of expenditures made with amounts that 48908
are gained from the sale of the property and that are retained by 48909

or permit the identification of any specific expenditure that is 48912
made in an ongoing investigation. 48913

(c) Complies with section 2981.13 of the Revised Code if the 48914
agency has a law enforcement trust fund or similar fund created 48915
under that section. 48916

(2) Each law enforcement agency that during any calendar year 48917
has any seized or forfeited property covered by this section in 48918
its custody, including amounts distributed under section 2981.13 48919
of the Revised Code to its law enforcement trust fund or a similar 48920
fund created for the state highway patrol, department of public 48921
safety, department of taxation, or state board of pharmacy, shall 48922
prepare a report covering the calendar year that cumulates all of 48923
the information contained in all of the public records kept by the 48924
agency pursuant to this section for that calendar year. The agency 48925
shall send a copy of the cumulative report to the attorney general 48926

following the calendar year covered by the report. 48928

(3) The records kept under the internal control policy shall 48929
be open to public inspection during the agency's regular business 48930

inspection under section 149.43 of the Revised Code. 48933

(4) Not later than the fifteenth day of April in each 48934

under division (B)(2) of this section, the attorney general shall 48936

send to the president of the senate and the speaker of the house 48937
of representatives a written notice that indicates that the 48938
attorney general received reports that cover the previous calendar 48939

149.43 of the Revised Code, and that the attorney general will 48941
provide a copy of any or all of the reports to the president of 48942
the senate or the speaker of the house of representatives upon 48943
request. 48944

shall make a reasonable effort to locate persons entitled to 48947
possession of the property, to notify them of when and where it 48948
may be claimed, and to return the property to them at the earliest 48949
possible time. In the absence of evidence identifying persons 48950
entitled to possession, it is sufficient notice to advertise in a 48951
newspaper of general circulation in the county and to briefly 48952
describe the nature of the property in custody and inviting 48953
persons to view and establish their right to it. 48954

(D) As used in sections 2981.11 to 2981.13 of the Revised 48955

(3) "Township law enforcement agency" means an organized 48961
police department of a township, a township police district, a 48962
joint ~~township~~ police district, or the office of a township 48963
constable. 48964

Sec. 2981.13. (A) Except as otherwise provided in this 48965
section, property ordered forfeited as contraband, proceeds, or an 48966

instrumentality pursuant to this chapter shall be disposed of, 48967
used, or sold pursuant to section 2981.12 of the Revised Code. If 48968
the property is to be sold under that section, the prosecutor 48969
shall cause notice of the proposed sale to be given in accordance 48970
with law. 48971

(B) If the contraband or instrumentality forfeited under this 48972
chapter is sold, any moneys acquired from a sale and any proceeds 48973
forfeited under this chapter shall be applied in the following 48974
order: 48975

(1) First, to pay costs incurred in the seizure, storage, 48976
maintenance, security, and sale of the property and in the 48977
forfeiture proceeding; 48978

(2) Second, in a criminal forfeiture case, to satisfy any 48979
restitution ordered to the victim of the offense or, in a civil 48980
forfeiture case, to satisfy any recovery ordered for the person 48981
harmed, unless paid from other assets; 48982

(3) Third, to pay the balance due on any security interest 48983
preserved under this chapter; 48984

(4) Fourth, apply the remaining amounts as follows: 48985

(a) If the forfeiture was ordered by a juvenile court, ten 48986
per cent to one or more certified alcohol and drug addiction 48987
treatment programs as provided in division (D) of section 2981.12 48988
of the Revised Code; 48989

(b) If the forfeiture was ordered in a juvenile court, ninety 48990
per cent, and if the forfeiture was ordered in a court other than 48991
a juvenile court, one hundred per cent to the law enforcement 48992
trust fund of the prosecutor and to the following fund supporting 48993
the law enforcement agency that substantially conducted the 48994
investigation: the law enforcement trust fund of the county 48995
sheriff, municipal corporation, township, or park district created 48996
under section 511.18 or 1545.01 of the Revised Code; the state 48997

highway patrol contraband, forfeiture, and other fund; the 48998
department of public safety investigative unit contraband, 48999
forfeiture, and other fund; the department of taxation enforcement 49000
fund; the board of pharmacy drug law enforcement fund created by 49001
division (B)(1) of section 4729.65 of the Revised Code; the 49002
medicaid fraud investigation and prosecution fund; or the 49003
treasurer of state for deposit into the peace officer training 49004
commission fund if any other state law enforcement agency 49005
substantially conducted the investigation. In the case of property 49006
forfeited for medicaid fraud, any remaining amount shall be used 49007
by the attorney general to investigate and prosecute medicaid 49008
fraud offenses. 49009

If the prosecutor declines to accept any of the remaining 49010
amounts, the amounts shall be applied to the fund of the agency 49011
that substantially conducted the investigation. 49012

(c) If more than one law enforcement agency is substantially 49013
involved in the seizure of property forfeited under this chapter, 49014
the court ordering the forfeiture shall equitably divide the 49015
amounts, after calculating any distribution to the law enforcement 49016
trust fund of the prosecutor pursuant to division (B)(4) of this 49017
section, among the entities that the court determines were 49018
substantially involved in the seizure. 49019

(C)(1) A law enforcement trust fund shall be established by 49020
the prosecutor of each county who intends to receive any remaining 49021
amounts pursuant to this section, by the sheriff of each county, 49022
by the legislative authority of each municipal corporation, by the 49023
board of township trustees of each township that has a township 49024
police department, township or joint police district police force, 49025
or office of the constable, and by the board of park commissioners 49026
of each park district created pursuant to section 511.18 or 49027
1545.01 of the Revised Code that has a park district police force 49028
or law enforcement department, for the purposes of this section. 49029

There is hereby created in the state treasury the state 49030
highway patrol contraband, forfeiture, and other fund, the 49031
department of public safety investigative unit contraband, 49032
forfeiture, and other fund, the medicaid fraud investigation and 49033
prosecution fund, the department of taxation enforcement fund, and 49034
the peace officer training commission fund, for the purposes of 49035
this section. 49036

Amounts distributed to any municipal corporation, township, 49037
or park district law enforcement trust fund shall be allocated 49038
from the fund by the legislative authority only to the police 49039
department of the municipal corporation, by the board of township 49040
trustees only to the township police department, township police 49041
district police force, or office of the constable, by the joint 49042
police district board only to the joint police district, and by 49043
the board of park commissioners only to the park district police 49044
force or law enforcement department. 49045

(2)(a) No amounts shall be allocated to a fund created under 49046
this section or used by an agency unless the agency has adopted a 49047
written internal control policy that addresses the use of moneys 49048
received from the appropriate fund. The appropriate fund shall be 49049

of the probable percentage of students who would score in each of 50060
the ranges established under division (A)(2) of this section on 50061
the assessments if the committee's recommendations are adopted by 50062
the state board. To the extent possible, these percentages shall 50063

beginning in the school year that starts July 1, 2005. 50151

Except as provided in section 3313.614 of the Revised Code 50152

division (D) of that section and required to be administered under 50158
divisions (B)(8), (9), and (10) of this section shall not be 50159

(B)(2) of section 3301.0710 and section 3301.0712 of the Revised 50161
Code is implemented under rule of the state board adopted under 50162

assessments prescribed by rule of the state board adopted under 50167
division ~~(E)~~(D)(1) of section 3301.0712 of the Revised Code. 50168

(C)(1)(a) ~~Any~~ In the case of a student receiving special 50169

participate in the assessments administered under this section. 50173
The individualized education program may be ~~excused~~ excuse the 50174
student from taking any particular assessment required to be 50175
administered under this section if ~~the individualized education~~ 50176

~~the Revised Code excuses the student from taking that assessment~~ 50178
~~and it~~ instead specifies an alternate assessment method approved 50179
by the department of education as conforming to requirements of 50180
federal law for receipt of federal funds for disadvantaged pupils. 50181
To the extent possible, the individualized education program shall 50182
not excuse the student from taking an assessment unless no 50183
reasonable accommodation can be made to enable the student to take 50184
the assessment. 50185

(b) Any alternate assessment approved by the department for a 50186
student under this division shall produce measurable results 50187
comparable to those produced by the assessment it replaces in 50188
order to allow for the student's results to be included in the 50189
data compiled for a school district or building under section 50190
3302.03 of the Revised Code. 50191

(c) Any student enrolled in a chartered nonpublic school who 50192

from taking any particular assessment required to be administered 50197
under this section if a plan developed for the student pursuant to 50198
rules adopted by the state board excuses the student from taking 50199
that assessment. In the case of any student so excused from taking 50200
an assessment, the chartered nonpublic school shall not prohibit 50201
the student from taking the assessment. 50202

(2) A district board may, for medical reasons or other good 50203
cause, excuse a student from taking an assessment administered 50204

schools for less than one full school year shall not be required 50217
to take any reading, writing, or English language arts assessment. 50218
However, no board shall prohibit a limited English proficient 50219
student who is not required to take an assessment under this 50220
division from taking the assessment. A board may permit any 50221
limited English proficient student to take an assessment required 50222
to be administered under this section with appropriate 50223
accommodations, as determined by the department. For each limited 50224
English proficient student, each school district shall annually 50225
assess that student's progress in learning English, in accordance 50226
with procedures approved by the department. 50227

The governing authority of a chartered nonpublic school may 50228
excuse a limited English proficient student from taking any 50229
assessment administered under this section. However, no governing 50230
authority shall prohibit a limited English proficient student from 50231
taking the assessment. 50232

(A)(2), or (B) of section 3301.0710 of the Revised Code as it 50236

student, the board of education of any school district in which 50238
the student is enrolled in that year shall provide to the student 50239
intervention services commensurate with the student's performance, 50240
including any intensive intervention required under section 50241

3313.608 of the Revised Code, in any skill in which the student 50242
failed to demonstrate at least a score at the proficient level on 50243
the assessment. 50244

(2) Following any administration of the assessments 50245
prescribed by division (D) of section 3301.0710 of the Revised 50246
Code to ninth grade students, each school district that has a 50247
three-year average graduation rate of not more than seventy-five 50248
per cent shall determine for each high school in the district 50249
whether the school shall be required to provide intervention 50250
services to any students who took the assessments. In determining 50251
which high schools shall provide intervention services based on 50252
the resources available, the district shall consider each school's 50253
graduation rate and scores on the practice assessments. The 50254
district also shall consider the scores received by ninth grade 50255
students on the English language arts and mathematics assessments 50256
prescribed under division (A)(1)(f) of section 3301.0710 of the 50257
Revised Code in the eighth grade in determining which high schools 50258
shall provide intervention services. 50259

Each high school selected to provide intervention services 50260
under this division shall provide intervention services to any 50261
student whose results indicate that the student is failing to make 50262
satisfactory progress toward being able to attain scores at the 50263
proficient level on the Ohio graduation tests. Intervention 50264
services shall be provided in any skill in which a student 50265
demonstrates unsatisfactory progress and shall be commensurate 50266
with the student's performance. Schools shall provide the 50267
intervention services prior to the end of the school year, during 50268
the summer following the ninth grade, in the next succeeding 50269
school year, or at any combination of those times. 50270

(E) Except as provided in section 3313.608 of the Revised 50271
Code and division (M) of this section, no school district board of 50272
education shall utilize any student's failure to attain a 50273

specified score on an assessment administered under this section 50274
as a factor in any decision to deny the student promotion to a 50275
higher grade level. However, a district board may choose not to 50276
promote to the next grade level any student who does not take an 50277
assessment administered under this section or make up an 50278
assessment as provided by division (C)(2) of this section and who 50279
is not exempt from the requirement to take the assessment under 50280
division (C)(3) of this section. 50281

(F) No person shall be charged a fee for taking any 50282
assessment administered under this section. 50283

(G)(1) Each school district board shall designate one 50284
location for the collection of assessments administered in the 50285
spring under division (B)(1) of this section and those 50286
administered under divisions (B)(2) to (7) of this section. Each 50287
district board shall submit the assessments to the entity with 50288
which the department contracts for the scoring of the assessments 50289
as follows: 50290

(a) If the district's total enrollment in grades kindergarten 50291
through twelve during the first full school week of October was 50292
less than two thousand five hundred, not later than the Friday 50293
after all of the assessments have been administered; 50294

(b) If the district's total enrollment in grades kindergarten 50295
through twelve during the first full school week of October was 50296
two thousand five hundred or more, but less than seven thousand, 50297
not later than the Monday after all of the assessments have been 50298
administered; 50299

(c) If the district's total enrollment in grades kindergarten 50300
through twelve during the first full school week of October was 50301
seven thousand or more, not later than the Tuesday after all of 50302
the assessments have been administered. 50303

However, any assessment that a student takes during the 50304

make-up period described in division (C)(2) of this section shall 50305
be submitted not later than the Friday following the day the 50306
student takes the assessment. 50307

(2) The department or an entity with which the department 50308
contracts for the scoring of the assessment shall send to each 50309
school district board a list of the individual scores of all 50310
persons taking an assessment prescribed by division (A)(1) or 50311
(B)(1) of section 3301.0710 of the Revised Code within sixty days 50312
after its administration, but in no case shall the scores be 50313
returned later than the fifteenth day of June following the 50314
administration. For assessments administered under this section by 50315
a joint vocational school district, the department or entity shall 50316
also send to each city, local, or exempted village school district 50317
a list of the individual scores of any students of such city, 50318
local, or exempted village school district who are attending 50319
school in the joint vocational school district. 50320

(H) Individual scores on any assessments administered under 50321
this section shall be released by a district board only in 50322
accordance with section 3319.321 of the Revised Code and the rules 50323
adopted under division (A) of this section. No district board or 50324
its employees shall utilize individual or aggregate results in any 50325
manner that conflicts with rules for the ethical use of 50326
assessments adopted pursuant to division (A) of this section. 50327

(I) Except as provided in division (G) of this section, the 50328
department or an entity with which the department contracts for 50329
the scoring of the assessment shall not release any individual 50330
scores on any assessment administered under this section. The 50331
state board of education shall adopt rules to ensure the 50332
protection of student confidentiality at all times. The rules may 50333
require the use of the data verification codes assigned to 50334
students pursuant to division (D)(2) of section 3301.0714 of the 50335
Revised Code to protect the confidentiality of student scores. 50336

(J) Notwithstanding division (D) of section 3311.52 of the Revised Code, this section does not apply to the board of education of any cooperative education school district except as provided under rules adopted pursuant to this division.

(1) In accordance with rules that the state board of education shall adopt, the board of education of any city, exempted village, or local school district with territory in a cooperative education school district established pursuant to divisions (A) to (C) of section 3311.52 of the Revised Code may enter into an agreement with the board of education of the cooperative education school district for administering any assessment prescribed under this section to students of the city, exempted village, or local school district who are attending school in the cooperative education school district.

(2) In accordance with rules that the state board of education shall adopt, the board of education of any city, exempted village, or local school district with territory in a cooperative education school district established pursuant to section 3311.521 of the Revised Code shall enter into an agreement with the cooperative district that provides for the administration of any assessment prescribed under this section to both of the following:

(a) Students who are attending school in the cooperative district and who, if the cooperative district were not established, would be entitled to attend school in the city, local, or exempted village school district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(b) Persons described in division (B)(8)(b) of this section.

Any assessment of students pursuant to such an agreement shall be in lieu of any assessment of such students or persons pursuant to this section.

required by this section, the district shall bear the full cost of 50989
conducting the hearing and of issuing any revised report card. 50990

(7) If the department determines that any inaccurate data 50991
reported under this section caused a school district to receive 50992

under section 3302.061 of the Revised Code as needing to be waived 51643
to implement the plan, in the event the district is designated as 51644
a school district of innovation. 51645

(B)(1) In the case of an innovation school, waiver of the 51646
provisions specified in the innovation plan shall be contingent 51647
upon at least sixty per cent of the members of the bargaining unit 51648
covered by the collective bargaining agreement who work in the 51649

(2) In the case of an innovation school zone, waiver of the 51651
provisions specified in the innovation plan shall be contingent 51652
upon, in each participating school, at least sixty per cent of the 51653
members of the bargaining unit covered by the collective 51654

members of the bargaining unit in a participating school do not 51657
vote to approve the waiver, the board may revise the innovation 51658
plan to remove that school from the innovation school zone. 51659

(3) If a board's revisions to an innovation plan under 51660

section 3302.066 of the Revised Code require a waiver of 51661
additional provisions of the collective bargaining agreement, that 51662
waiver shall be contingent upon approval under division (B)(1) or 51663
(2) of this section in the same manner as the initial waiver. 51664

(C) A waiver approved under division (B) of this section 51665
shall continue to apply relative to any substantially similar 51666
provision of a collective bargaining agreement entered into after 51667
the approval of the waiver. 51668

(D) A waiver approved under division (B) of this section 51669
shall cease to apply to a school if the school's designation as an 51670
innovation school is revoked or the innovation school zone in 51671
which the school participates has its designation revoked under 51672
section 3302.065 of the Revised Code, or if the school is removed 51673
from an innovation school zone under that section. 51674

(E) An employee working in an innovation school or a school 51675
participating in an innovation school zone who is a member of a 51676

school of the district. The board shall make every reasonable 51679
effort to accommodate the employee's request. 51680

Sec. 3302.065. Not later than three years after obtaining 51681
designation as a school district of innovation under section 51682
3302.062 of the Revised Code, and every three years thereafter, 51683
the district board of education shall review the performance of 51684
the innovation school or innovation school zone and determine if 51685
it is achieving, or making sufficient progress toward achieving, 51686
the improvements in student academic performance that were 51687
described in its innovation plan. If the board finds that an 51688
innovation school is not achieving, or not making sufficient 51689
progress toward achieving, those improvements in student academic 51690
performance, the board may revoke the designation as an innovation 51691

school. If the board finds that a school participating in an 51692
innovation school zone is not achieving, or not making sufficient 51693
progress toward achieving, those improvements in student academic 51694
performance, the board may remove that school from the innovation 51695
school zone or may revoke the designation of all participating 51696
schools as an innovation school zone. 51697

Sec. 3302.066. A school district board of education may 51698
revise an innovation plan approved or created under section 51699
3302.061 of the Revised Code, in collaboration with the school or 51700
schools participating in the plan, to further improve student 51701
academic performance. The revisions may include identifying 51702
additional laws in Title XXXIII of the Revised Code, rules adopted 51703
by the state board of education, requirements enacted by the 51704
district board, or provisions of a collective bargaining agreement 51705
that need to be waived. Any revisions to an innovation plan shall 51706
require the consent, in each school participating in the plan, of 51707
a majority of the administrators assigned to that school and a 51708
majority of the teachers assigned to that school. 51709

Sec. 3302.067. The board of education of any district 51710
designated as a school district of innovation or any school 51711
participating in an innovation plan may accept, receive, and 51712

the state teachers retirement system and shall be considered on 52253
leave of absence during the first five years following the 52254
effective date of a disability benefit. 52255

The state teachers retirement board shall require any 52256
disability benefit recipient to submit to an annual medical 52257
examination by a physician selected by the board, except that the 52258
board may waive the medical examination if the board's physician 52259
certifies that the recipient's disability is ongoing. If a 52260
disability benefit recipient refuses to submit to a medical 52261
examination, the recipient's disability benefit shall be suspended 52262
until the recipient withdraws the refusal. If the refusal 52263
continues for one year, all the recipient's rights under and to 52264
the disability benefit shall be terminated as of the effective 52265
date of the original suspension. 52266

After the examination, the examiner shall report and certify 52267
to the board whether the disability benefit recipient is no longer 52268
physically and mentally incapable of resuming the service from 52269

which the recipient was found disabled. If the board concurs in a 52270
report by the examining physician that the disability benefit 52271
recipient is no longer incapable, the payment of a disability 52272
benefit shall be terminated not later than the following 52273
thirty-first day of August or upon employment as a teacher prior 52274
thereto. If the leave of absence has not expired, the board shall 52275
so certify to the disability benefit recipient's last employer 52276
before being found disabled that the recipient is no longer 52277
physically and mentally incapable of resuming service that is the 52278
same or similar to that from which the recipient was found 52279
disabled. If the recipient was under contract at the time the 52280
recipient was found disabled, the employer by the first day of the 52281
next succeeding year shall restore the recipient to the 52282
recipient's previous position and salary or to a position and 52283
salary similar thereto, unless the recipient was dismissed or 52284

benefit recipient becomes employed as a teacher in any public or 52288
private school or institution in this state or elsewhere. An 52289
individual receiving a disability benefit from the system shall be 52290
ineligible for any employment as a teacher and it shall be 52291
unlawful for any employer to employ the individual as a teacher. 52292
If any employer should employ or reemploy the individual prior to 52293
the termination of a disability benefit, the employer shall file 52294
notice of employment with the board designating the date of the 52295
employment. If the individual should be paid both a disability 52296
benefit and also compensation for teaching service for all or any 52297
part of the same month, the secretary of the board shall certify 52298
to the employer or to the superintendent of public instruction the 52299
amount of the disability benefit received by the individual during 52300
the employment, which amount shall be deducted from any amount due 52301
the employing district under ~~Chapters 3306.~~ and Chapter 3317. of 52302

the Revised Code or shall be paid by the employer to the annuity and pension reserve fund. 52303
52304

Each disability benefit recipient shall file with the board an annual statement of earnings, current medical information on the recipient's condition, and any other information required in rules adopted by the board. The board may waive the requirement that a disability benefit recipient file an annual statement of earnings or current medical information if the board's physician certifies that the recipient's disability is ongoing. 52305
52306
52307
52308
52309
52310
52311

The board shall annually examine the information submitted by the recipient. If a disability benefit recipient refuses to file the statement or information, the disability benefit shall be suspended until the statement and information are filed. If the refusal continues for one year, the recipient's right to the disability benefit shall be terminated as of the effective date of the original suspension. 52312
52313
52314
52315
52316
52317
52318

A disability benefit also may be terminated by the board at the request of the disability benefit recipient. 52319
52320

If disability retirement under section 3307.63 of the Revised Code is terminated for any reason, the annuity and pension reserves at that time in the annuity and pension reserve fund shall be transferred to the teachers' savings fund and the employers' trust fund, respectively. If the total disability benefit paid was less than the amount of the accumulated contributions of the member transferred to the annuity and pension reserve fund at the time of the member's disability retirement, then the difference shall be transferred from the annuity and pension reserve fund to another fund as required. In determining the amount of a member's account following the termination of disability retirement for any reason, the total amount paid shall be charged against the member's refundable account. 52321
52322
52323
52324
52325
52326
52327
52328
52329
52330
52331
52332
52333

If a disability allowance paid under section 3307.631 of the Revised Code is terminated for any reason, the reserve on the allowance at that time in the annuity and pension reserve fund shall be transferred from that fund to the employers' trust fund.

If a former disability benefit recipient again becomes a contributor, other than as an other system retirant under section 3307.35 of the Revised Code, to this retirement system, the school employees retirement system, or the public employees retirement system, and completes at least two additional years of service credit, the former disability benefit recipient shall receive credit for the period as a disability benefit recipient.

Sec. 3309.22. (2) Pursuant to a court or administrative order issued under section 3119.80, 3119.81, 3121.02, 3121.03, or 3123.06 of the Revised Code, the board shall furnish to a court or child support enforcement agency the information required under that section.

(3) At the written request of any person, the board shall provide to the person a list of the names and addresses of members, former members, retirants, contributors, former

5101.181 of the Revised Code, the board shall inform the auditor 52400
of state of the name, current or most recent employer address, and 52401
social security number of each contributor whose name and social 52402
security number are the same as that of a person whose name or 52403
social security number was submitted by the director. The board 52404
and its employees shall, except for purposes of furnishing the 52405
auditor of state with information required by this section, 52406
preserve the confidentiality of recipients of public assistance in 52407
compliance with ~~division (A)~~ of section 5101.181 of the Revised 52408
Code. 52409

(5) The system shall comply with orders issued under section 52410
3105.87 of the Revised Code. 52411

On the written request of an alternate payee, as defined in 52412
section 3105.80 of the Revised Code, the system shall furnish to 52413
the alternate payee information on the amount and status of any 52414
amounts payable to the alternate payee under an order issued under 52415
section 3105.171 or 3105.65 of the Revised Code. 52416

(6) At the request of any person, the board shall make 52417
available to the person copies of all documents, including 52418
resumes, in the board's possession regarding filling a vacancy of 52419
an employee member or retirant member of the board. The person who 52420
made the request shall pay the cost of compiling, copying, and 52421
mailing the documents. The information described in this division 52422
is a public record. 52423

(7) The system shall provide the notice required by section 52424
3309.673 of the Revised Code to the prosecutor assigned to the 52425

case. 52426

(E) A statement that contains information obtained from the 52427
system's records that is signed by an officer of the retirement 52428
system and to which the system's official seal is affixed, or 52429
copies of the system's records to which the signature and seal are 52430
attached, shall be received as true copies of the system's records 52431
in any court or before any officer of this state. 52432

Sec. 3309.41. (A) A disability benefit recipient shall retain 52433
membership status and shall be considered on leave of absence from 52434
employment during the first five years following the effective 52435
date of a disability benefit, notwithstanding any contrary 52436
provisions in Chapter 124. or 3319. of the Revised Code. 52437

(B) The school employees retirement board shall require a 52438
disability benefit recipient to undergo an annual medical 52439
examination, except that the board may waive the medical 52440
examination if the board's physician or physicians certify that 52441
the recipient's disability is ongoing. Should any disability 52442
benefit recipient refuse to submit to a medical examination, the 52443
recipient's disability benefit shall be suspended until withdrawal 52444
of the refusal. Should the refusal continue for one year, all the 52445
recipient's rights in and to the disability benefit shall be 52446
terminated as of the effective date of the original suspension. 52447

(C) On completion of the examination by an examining 52448
physician or physicians selected by the board, the physician or 52449
physicians shall report and certify to the board whether the 52450
disability benefit recipient is no longer physically and mentally 52451
incapable of resuming the service from which the recipient was 52452
found disabled. If the board concurs in the report that the 52453
disability benefit recipient is no longer incapable, the payment 52454
of the disability benefit shall be terminated not later than three 52455
months after the date of the board's concurrence or upon 52456

employment as an employee. If the leave of absence has not 52457
expired, the retirement board shall certify to the disability 52458
benefit recipient's last employer before being found disabled that 52459
the recipient is no longer physically and mentally incapable of 52460
resuming service that is the same or similar to that from which 52461
the recipient was found disabled. The employer shall restore the 52462
recipient to the recipient's previous position and salary or to a 52463
position and salary similar thereto not later than the first day 52464
of the first month following termination of the disability 52465
benefit, unless the recipient was dismissed or resigned in lieu of 52466
dismissal for dishonesty, misfeasance, malfeasance, or conviction 52467
of a felony. 52468

(D) Each disability benefit recipient shall file with the 52469
board an annual statement of earnings, current medical information 52470
on the recipient's condition, and any other information required 52471
in rules adopted by the board. The board may waive the requirement 52472
that a disability benefit recipient file an annual statement of 52473
earnings or current medical information on the recipient's 52474
condition if the board's physician or physicians certify that the 52475
recipient's disability is ongoing. 52476

The board shall annually examine the information submitted by 52477
the recipient. If a disability benefit recipient refuses to file 52478
the statement or information, the disability benefit shall be 52479
suspended until the statement and information are filed. If the 52480
refusal continues for one year, the recipient's right to the 52481
disability benefit shall be terminated as of the effective date of 52482
the original suspension. 52483

(E) If a disability benefit recipient is employed by an 52484
employer covered by this chapter, the recipient's disability 52485
benefit shall cease. 52486

(F) If disability retirement under section 3309.40 of the 52487
Revised Code is terminated for any reason, the annuity and pension 52488

reserves at that time in the annuity and pension reserve fund 52489
shall be transferred to the employees' savings fund and the 52490
employers' trust fund, respectively. If the total disability 52491
benefit paid is less than the amount of the accumulated 52492
contributions of the member transferred into the annuity and 52493
pension reserve fund at the time of the member's disability 52494
retirement, the difference shall be transferred from the annuity 52495
and pension reserve fund to another fund as may be required. In 52496
determining the amount of a member's account following the 52497
termination of disability retirement for any reason, the amount 52498
paid shall be charged against the member's refundable account. 52499

If a disability allowance paid under section 3309.401 of the 52500
Revised Code is terminated for any reason, the reserve on the 52501
allowance at that time in the annuity and pension reserve fund 52502
shall be transferred from that fund to the employers' trust fund. 52503

The board may terminate a disability benefit at the request 52504
of the recipient. 52505

(G) If a disability benefit is terminated and a former 52506
disability benefit recipient again becomes a contributor, other 52507
than as an other system retirant as defined in section 3309.341 of 52508
the Revised Code, to this system, the public employees retirement 52509
system, or the state teachers retirement system, and completes an 52510
additional two years of service credit after the termination of 52511
the disability benefit, the former disability benefit recipient 52512
shall be entitled to full service credit for the period as a 52513
disability benefit recipient. 52514

(H) If any employer employs any member who is receiving a 52515
disability benefit, the employer shall file notice of employment 52516
with the retirement board, designating the date of employment. In 52517
case the notice is not filed, the total amount of the benefit paid 52518
during the period of employment prior to notice shall be paid from 52519

with the alternative public provider or registered private 53358
provider implementing the child's individualized education 53359
program, or if the district is required by law to provide some 53360
services for the child, including transportation services under 53361
sections 3310.60 and 3327.01 of the Revised Code, the district 53362
shall not discontinue the services it is providing pending 53363
completion of any administrative proceedings regarding those 53364
services. The prosecuting, by the eligible applicant on behalf of 53365
the child, of administrative proceedings regarding the services 53366
provided by the district does not affect the applicant's and the 53367
child's continued eligibility for scholarship payments. 53368

(D) The department of education shall continue to make 53369
payments to the eligible applicant under section 3310.57 of the 53370
Revised Code while either of the following are pending: 53371

(1) Administrative or judicial mediation or proceedings with 53372
respect to a subsequent individualized education program for the 53373
child referred to in division (B) of this section; 53374

(2) Administrative proceedings regarding services provided by 53375
the district under division (C) of this section. 53376

Sec. 3310.63. (A) Only for the purpose of administering the 53377

3301.0714 of the Revised Code to any qualified special education 53381
child for whom a scholarship is sought under the program: 53382

(1) The school district in which the child is entitled to 53383
attend school; 53384

(2) If applicable, the community school in which the child is 53385

this section for the data verification code of a qualified special 53390
education child or a request by the eligible applicant for the 53391
child for that code, the school district or community school shall 53392
submit that code to the department or applicant in the manner 53393
specified by the department. If the child has not been assigned a 53394
code, because the child will be entering kindergarten during the 53395
school year for which the scholarship is sought, the district 53396
shall assign a code to that child and submit the code to the 53397
department or applicant by a date specified by the department. If 53398
the district does not assign a code to the child by the specified 53399
date, the department shall assign a code to the child. 53400

The department annually shall submit to each school district 53401
the name and data verification code of each child residing in the 53402
district who is entering kindergarten, who has been awarded a 53403
scholarship under the program, and for whom the department has 53404
assigned a code under this division. 53405

(C) The department shall not release any data verification 53406
code that it receives under this section to any person except as 53407
provided by law. 53408

(D) Any document relative to the Jon Peterson special needs 53409

scholarship program that the department holds in its files that 53410
contains both a qualified special education child's name or other 53411
personally identifiable information and the child's data 53412
verification code shall not be a public record under section 53413
149.43 of the Revised Code. 53414

Sec. 3310.64. The state board of education shall adopt rules 53415
in accordance with Chapter 119. of the Revised Code prescribing 53416
procedures necessary to implement sections 3310.51 to 3310.63 of 53417
the Revised Code including, but not limited to, procedures for 53418
parents to apply for scholarships, standards for registered 53419
private providers, and procedures for registration of private 53420
providers. 53421

Sec. 3311.05. (A) The territory within the territorial limits 53422
of a county, or the territory included in a district formed under 53423
~~either~~ section 3311.053 ~~or 3311.059~~ of the Revised Code, exclusive 53424
of the territory embraced in any city school district or exempted 53425
village school district, and excluding the territory detached 53426
therefrom for school purposes and including the territory attached 53427
thereto for school purposes constitutes an educational service 53428
center. 53429

(B) A county school financing district created under section 53430
3311.50 of the Revised Code is not the school district described 53431
in division (A) of this section or any other school district but 53432
is a taxing district. 53433

Sec. 3311.054. (A) The initial members of any new governing 53434
board of an educational service center established in accordance 53435
with this section shall be all of the members of the governing 53436
boards of the former educational service centers whose territory 53437
comprises the new educational service center. The initial members 53438
of any such governing board shall serve until the first Monday of 53439

January immediately following the first election of governing board members conducted under division (C) of this section. 53440
53441

Notwithstanding section 3313.11 of the Revised Code, that section shall not apply to the filling of any vacancy among the initial members of any governing board established in accordance with this section. Any such vacancy shall be filled for the remainder of the term by a majority vote of all the remaining members of the governing board. 53442
53443
53444
53445
53446
53447

(B) Prior to the next first day of April in an odd-numbered year that occurs at least ninety days after the date on which any new governing board of an educational service center is initially established in accordance with this section, the governing board or, at the governing board's option, an executive committee of the governing board appointed by the governing board shall do both of the following: 53448
53449
53450
53451
53452
53453
53454

(1) Designate the number of elected members comprising all subsequent governing boards of the educational service center, which number shall be an odd number not to exceed nine. 53455
53456
53457

(2) Divide the educational service center into a number of subdistricts equal to the number of governing board members designated under division (B)(1) of this section and number the subdistricts. Each subdistrict shall be as nearly equal in population as possible and shall be composed of adjacent and compact territory. To the extent possible, each subdistrict shall be composed only of territory located in one county. In addition, the subdistricts shall be bounded as far as possible by corporation lines, streets, alleys, avenues, public grounds, canals, watercourses, ward boundaries, voting precinct boundaries, or school district boundaries. 53458
53459
53460
53461
53462
53463
53464
53465
53466
53467
53468

If the new governing board fails to divide the territory of the educational service center in accordance with this division, 53469
53470

the superintendent of public instruction shall establish the 53471
subdistricts within thirty days. 53472

(C) At the next regular municipal election following the 53473
deadline for creation of the subdistricts of an educational 53474
service center under division (B) of this section, an entire new 53475
governing board shall be elected. All members of such governing 53476
board shall be elected from those subdistricts. 53477

(D) Within ninety days after the official announcement of the 53478
results of each successive federal decennial census, each 53479
governing board of an educational service center established in 53480
accordance with this section shall redistrict the educational 53481
service center's territory into a number of subdistricts equal to 53482
the number of board members designated under division (B)(1) of 53483
this section and number the subdistricts. Each such redistricting 53484
shall be done in accordance with the standards for subdistricts in 53485
division (B)(2) of this section. At the next regular municipal 53486
election following the announcement of the results of each such 53487
successive census, all elected governing board members shall again 53488
be elected from the subdistricts most recently created under this 53489
division. 53490

If a governing board fails to redistrict the territory of its 53491
educational service center in accordance with this division, the 53492
superintendent of public instruction shall redistrict the service 53493
center within thirty days. 53494

(E) All members elected pursuant to this section shall take 53495
office on the first Monday of January immediately following the 53496
election. Whenever all elected governing board members are elected 53497
at one election under division (C) or (D) of this section, the 53498
terms of each of the members elected from even-numbered 53499
subdistricts shall be for two years and the terms of each of the 53500
members elected from odd-numbered subdistricts shall be for four 53501
years. Thereafter, successors shall be elected for four-year terms 53502

in the same manner as is provided by law for the election of 53503
members of school boards except that any successor elected at a 53504
regular municipal election immediately preceding any election at 53505
which an entire new governing board is elected shall be elected 53506
for a two-year term. 53507

Sec. 3311.056. After at least one election of board members 53508
has occurred under division (B) of section 3313.053, division (C) 53509
of section 3311.054, or section 3311.057 of the Revised Code, the 53510
elected governing board members of an educational service center 53511
created under division (A) of section 3311.053 of the Revised Code 53512
may by resolution adopt a plan for adding appointed members to 53513
that governing board. A plan may provide for adding to the board a 53514
number of appointed members that is up to one less than the number 53515
of elected members on the board except that the total number of 53516
elected and appointed board members shall be an odd number. A plan 53517
shall provide for the terms of the appointed board members. The 53518
appointed board members in each plan shall be appointed by a 53519
majority vote of the full number of elected members on the board 53520
and vacancies shall be filled as provided in the plan. Each plan 53521
shall specify the qualifications for the appointed board members 53522
of an educational service center ~~and shall at least require~~ 53523
~~appointed board members to be electors residing in the service~~ 53524
~~center. Appointed members may be representative of the client~~ 53525
~~school districts of the service center. As used in this section,~~ 53526
~~"client school district" has the same meaning as in section~~ 53527
~~3317.11 of the Revised Code.~~ 53528

A governing board adopting a plan under this section shall 53529
submit the plan to the state board of education for approval. The 53530
state board may approve or disapprove a plan or make 53531
recommendations for modifications in a plan. A plan shall take 53532
effect thirty days after approval by the state board and, when 53533
effective, appointments to the board shall be made in accordance 53534

with the plan. 53535

The elected members of the governing board of an educational 53536
service center with a plan in effect under this section may adopt, 53537
by unanimous vote of all the elected members, a resolution to 53538
revise or rescind the plan in effect under this section. All 53539
revisions shall comply with the requirements in this section for 53540
appointed board members. A resolution revising or rescinding a 53541
plan shall specify the dates and manner in which the revision or 53542
rescission is to take place. The revision or rescission of a plan 53543
shall be submitted to the state board of education for approval. 53544
The state board may approve or disapprove a revision or rescission 53545
of a plan or make recommendations for modifications. Upon approval 53546
of a revision or rescission by the state board, the revised plan 53547
or rescission of the plan shall go into effect as provided in the 53548
revision or rescission. 53549

Sec. 3311.0510. (A) If all of the local school districts that 53550
make up the territory of an educational service center have 53551
severed from the territory of that service center, upon the 53552
effective date of the severance of the last remaining local school 53553
district to make up the territory of the service center, the 53554
governing board of that service center shall be abolished and such 53555
service center shall be dissolved by order of the superintendent 53556
of public instruction. The superintendent's order shall provide 53557
for the equitable division and disposition of the assets, 53558
property, debts, and obligations of the service center among the 53559
local school districts, of which the territory of the service 53560
center is or previously was made up, and the city and exempted 53561
village school districts with which the service center had 53562
agreements under section 3313.843 of the Revised Code for the 53563
service center's last fiscal year of operation. The 53564
superintendent's order shall provide that the tax duplicate of 53565
each of those school districts shall be bound for and assume the 53566

district's equitable share of the outstanding indebtedness of the 53567
service center. The superintendent's order is final and is not 53568
appealable. 53569

Immediately upon the abolishment of the service center 53570
governing board pursuant to this section, the superintendent of 53571
public instruction shall appoint a qualified individual to 53572
administer the dissolution of the service center and to implement 53573
the terms of the superintendent's dissolution order. 53574

Prior to distributing assets to any school district under 53575
this section, but after paying in full other debts and obligations 53576
of the service center under this section, the superintendent of 53577
public instruction may assess against the remaining assets of the 53578
service center the amount of the costs incurred by the department 53579
of education in performing the superintendent's duties under this 53580
division, including the fees, if any, owed to the individual 53581
appointed to administer the superintendent's dissolution order. 53582
Any excess cost incurred by the department under this division 53583
shall be divided equitably among the local school districts, of 53584
which the territory of the service center is or previously was 53585
made up, and the city and exempted village school districts with 53586
which the service center had agreements under section 3313.843 of 53587
the Revised Code for the service center's last fiscal year of 53588
operation. Each district's share of that excess cost shall be 53589
bound against the tax duplicate of that district. 53590

(B) A final audit of the former service center shall be 53591
performed in accordance with procedures established by the auditor 53592
of state. 53593

(C) The public records of an educational service center that 53594
is dissolved under this section shall be transferred in accordance 53595
with this division. Public records maintained by the service 53596
center in connection with services provided by the service center 53597

to local school districts shall be transferred to each of the 53598
respective local school districts. Public records maintained by 53599
the service center in connection with services provided under an 53600
agreement with a city or exempted village school district pursuant 53601
to section 3313.843 of the Revised Code shall be transferred to 53602
each of the respective city or exempted village school districts. 53603
All other public records maintained by the service center at the 53604
time the service center ceases operations shall be transferred to 53605
the Ohio historical society for analysis and disposition by the 53606
society in its capacity as archives administrator for the state 53607
and its political subdivisions pursuant to division (C) of section 53608
149.30 and section 149.31 of the Revised Code. 53609

Sec. 3311.06. (A) As used in this section: 53610

(1) "Annexation" and "annexed" mean annexation for municipal 53611
purposes under sections 709.02 to 709.37 of the Revised Code. 53612

(2) "Annexed territory" means territory that has been annexed 53613
for municipal purposes to a city served by an urban school 53614
district, but on September 24, 1986, has not been transferred to 53615
the urban school district. 53616

(3) "Urban school district" means a city school district with 53617
an average daily membership for the 1985-1986 school year in 53618
excess of twenty thousand that is the school district of a city 53619
that contains annexed territory. 53620

(4) "Annexation agreement" means an agreement entered into 53621
under division (F) of this section that has been approved by the 53622
state board of education or an agreement entered into prior to 53623
September 24, 1986, that meets the requirements of division (F) of 53624
this section and has been filed with the state board. 53625

(B) The territory included within the boundaries of a city, 53626
local, exempted village, or joint vocational school district shall 53627

be contiguous except where a natural island forms an integral part 53628
of the district, where the state board of education authorizes a 53629
noncontiguous school district, as provided in division (E)(1) of 53630
this section, or where a local school district is created pursuant 53631
to section 3311.26 of the Revised Code from one or more local 53632
school districts, one of which has entered into an agreement under 53633
section 3313.42 of the Revised Code. 53634

(C)(1) When all of the territory of a school district is 53635
annexed to a city or village, such territory thereby becomes a 53636
part of the city school district or the school district of which 53637
the village is a part, and the legal title to school property in 53638
such territory for school purposes shall be vested in the board of 53639
education of the city school district or the school district of 53640
which the village is a part. 53641

(2) When the territory so annexed to a city or village 53642
comprises part but not all of the territory of a school district, 53643
the said territory becomes part of the city school district or the 53644
school district of which the village is a part only upon approval 53645
by the state board of education, unless the district in which the 53646
territory is located is a party to an annexation agreement with 53647
the city school district. 53648

Any urban school district that has not entered into an 53649
annexation agreement with any other school district whose 53650
territory would be affected by any transfer under this division 53651
and that desires to negotiate the terms of transfer with any such 53652
district shall conduct any negotiations under division (F) of this 53653
section as part of entering into an annexation agreement with such 53654
a district. 53655

Any school district, except an urban school district, 53656
desiring state board approval of a transfer under this division 53657
shall make a good faith effort to negotiate the terms of transfer 53658
with any other school district whose territory would be affected 53659

by the transfer. Before the state board may approve any transfer 53660
of territory to a school district, except an urban school 53661
district, under this section, it must receive the following: 53662

(a) A resolution requesting approval of the transfer, passed 53663
by at least one of the school districts whose territory would be 53664
affected by the transfer; 53665

(b) Evidence determined to be sufficient by the state board 53666
to show that good faith negotiations have taken place or that the 53667
district requesting the transfer has made a good faith effort to 53668
hold such negotiations; 53669

(c) If any negotiations took place, a statement signed by all 53670
boards that participated in the negotiations, listing the terms 53671
agreed on and the points on which no agreement could be reached. 53672

(D) The state board of education shall adopt rules governing 53673
negotiations held by any school district except an urban school 53674
district pursuant to division (C)(2) of this section. The rules 53675
shall encourage the realization of the following goals: 53676

(1) A discussion by the negotiating districts of the present 53677
and future educational needs of the pupils in each district; 53678

(2) The educational, financial, and territorial stability of 53679
each district affected by the transfer; 53680

(3) The assurance of appropriate educational programs, 53681
services, and opportunities for all the pupils in each 53682
participating district, and adequate planning for the facilities 53683
needed to provide these programs, services, and opportunities. 53684

Districts involved in negotiations under such rules may agree 53685
to share revenues from the property included in the territory to 53686
be transferred, establish cooperative programs between the 53687
participating districts, and establish mechanisms for the 53688
settlement of any future boundary disputes. 53689

(E)(1) If territory annexed after September 24, 1986, is part of a school district that is a party to an annexation agreement with the urban school district serving the annexing city, the transfer of such territory shall be governed by the agreement. If the agreement does not specify how the territory is to be dealt with, the boards of education of the district in which the territory is located and the urban school district shall negotiate with regard to the transfer of the territory which shall be transferred to the urban school district unless, not later than ninety days after the effective date of municipal annexation, the boards of education of both districts, by resolution adopted by a majority of the members of each board, agree that the territory will not be transferred and so inform the state board of education.

If territory is transferred under this division the transfer shall take effect on the first day of July occurring not sooner than ninety-one days after the effective date of the municipal annexation. Territory transferred under this division need not be contiguous to the district to which it is transferred.

(2) Territory annexed prior to September 24, 1986, by a city served by an urban school district shall not be subject to transfer under this section if the district in which the territory is located is a party to an annexation agreement or becomes a party to such an agreement not later than ninety days after September 24, 1986. If the district does not become a party to an annexation agreement within the ninety-day period, transfer of territory shall be governed by division (C)(2) of this section. If the district subsequently becomes a party to an agreement, territory annexed prior to September 24, 1986, other than territory annexed under division (C)(2) of this section prior to the effective date of the agreement, shall not be subject to transfer under this section.

(F) An urban school district may enter into a comprehensive agreement with one or more school districts under which transfers of territory annexed by the city served by the urban school district after September 24, 1986, shall be governed by the agreement. Such agreement must provide for the establishment of a cooperative education program under section 3313.842 of the Revised Code in which all the parties to the agreement are participants and must be approved by resolution of the majority of the members of each of the boards of education of the school districts that are parties to it. An agreement may provide for interdistrict payments based on local revenue growth resulting from development in any territory annexed by the city served by the urban school district.

An agreement entered into under this division may be altered, modified, or terminated only by agreement, by resolution approved by the majority of the members of each board of education, of all school districts that are parties to the agreement, except that with regard to any provision that affects only the urban school district and one of the other districts that is a party, that district and the urban district may modify or alter the agreement by resolution approved by the majority of the members of the board of that district and the urban district. Alterations, modifications, terminations, and extensions of an agreement entered into under this division do not require approval of the state board of education, but shall be filed with the board after approval and execution by the parties.

If an agreement provides for interdistrict payments, each party to the agreement, except any school district specifically exempted by the agreement, shall agree to make an annual payment to the urban school district with respect to any of its territory that is annexed territory in an amount not to exceed the amount certified for that year under former section 3317.029 of the

Revised Code as that section existed prior to July 1, 1998; except 53754
that such limitation of annual payments to amounts certified under 53755
former section 3317.029 of the Revised Code does not apply to 53756
agreements or extensions of agreements entered into on or after 53757
June 1, 1992, unless such limitation is expressly agreed to by the 53758
parties. The agreement may provide that all or any part of the 53759
payment shall be waived if the urban school district receives its 53760
payment with respect to such annexed territory under former 53761
section 3317.029 of the Revised Code and that all or any part of 53762
such payment may be waived if the urban school district does not 53763
receive its payment with respect to such annexed territory under 53764
such section. 53765

With respect to territory that is transferred to the urban 53766
school district after September 24, 1986, the agreement may 53767
provide for annual payments by the urban school district to the 53768
school district whose territory is transferred to the urban school 53769
district subsequent to annexation by the city served by the urban 53770
school district. 53771

(G) In the event territory is transferred from one school 53772
district to another under this section, an equitable division of 53773
the funds and indebtedness between the districts involved shall be 53774
made under the supervision of the state board of education and 53775
that board's decision shall be final. Such division shall not 53776
include funds payable to or received by a school district under 53777
Chapter ~~3306.~~ or 3317. of the Revised Code or payable to or 53778
received by a school district from the United States or any 53779
department or agency thereof. In the event such transferred 53780
territory includes real property owned by a school district, the 53781
state board of education, as part of such division of funds and 53782
indebtedness, shall determine the true value in money of such real 53783
property and all buildings or other improvements thereon. The 53784
board of education of the school district receiving such territory 53785

shall forthwith pay to the board of education of the school 53786
district losing such territory such true value in money of such 53787
real property, buildings, and improvements less such percentage of 53788
the true value in money of each school building located on such 53789
real property as is represented by the ratio of the total 53790
enrollment in day classes of the pupils residing in the territory 53791
transferred enrolled at such school building in the school year in 53792
which such annexation proceedings were commenced to the total 53793
enrollment in day classes of all pupils residing in the school 53794
district losing such territory enrolled at such school building in 53795
such school year. The school district receiving such payment shall 53796
place the proceeds thereof in its sinking fund or bond retirement 53797
fund. 53798

(H) The state board of education, before approving such 53799
transfer of territory, shall determine that such payment has been 53800
made and shall apportion to the acquiring school district such 53801
percentage of the indebtedness of the school district losing the 53802
territory as is represented by the ratio that the assessed 53803
valuation of the territory transferred bears to the total assessed 53804
valuation of the entire school district losing the territory as of 53805
the effective date of the transfer, provided that in ascertaining 53806
the indebtedness of the school district losing the territory the 53807
state board of education shall disregard such percentage of the 53808
par value of the outstanding and unpaid bonds and notes of said 53809
school district issued for construction or improvement of the 53810
school building or buildings for which payment was made by the 53811
acquiring district as is equal to the percentage by which the true 53812
value in money of such building or buildings was reduced in fixing 53813
the amount of said payment. 53814

(I) No transfer of school district territory or division of 53815
funds and indebtedness incident thereto, pursuant to the 53816
annexation of territory to a city or village shall be completed in 53817

any other manner than that prescribed by this section regardless 53818
of the date of the commencement of such annexation proceedings, 53819
and this section applies to all proceedings for such transfers and 53820
divisions of funds and indebtedness pending or commenced on or 53821
after October 2, 1959. 53822

Sec. 3311.19. (A) The management and control of a joint 53823
vocational school district shall be vested in the joint vocational 53824
school district board of education. Where a joint vocational 53825
school district is composed only of two or more local school 53826
districts located in one county, or when all the participating 53827
districts are in one county and the boards of such participating 53828
districts so choose, the educational service center governing 53829
board of the county in which the joint vocational school district 53830
is located shall serve as the joint vocational school district 53831
board of education. Where a joint vocational school district is 53832
composed of local school districts of more than one county, or of 53833
any combination of city, local, or exempted village school 53834
districts or educational service centers, unless administration by 53835
the educational service center governing board has been chosen by 53836
all the participating districts in one county pursuant to this 53837
section, the board of education of the joint vocational school 53838
district shall be composed of one or more persons who are members 53839
of the boards of education from each of the city or exempted 53840
village school districts or members of the educational service 53841
centers' governing boards affected to be appointed by the boards 53842
of education or governing boards of such school districts and 53843
educational service centers. In such joint vocational school 53844
districts the number and terms of members of the joint vocational 53845
school district board of education and the allocation of a given 53846
number of members to each of the city and exempted village 53847
districts and educational service centers shall be determined in 53848
the plan for such district, provided that each such joint 53849

vocational school district board of education shall be composed of 53850
an odd number of members. 53851

(B) Notwithstanding division (A) of this section, a governing 53852
board of an educational service center that has members of its 53853
governing board serving on a joint vocational school district 53854
board of education may make a request to the joint vocational 53855
district board that the joint vocational school district plan be 53856
revised to provide for one or more members of boards of education 53857
of local school districts that are within the territory of the 53858
educational service district and within the joint vocational 53859
school district to serve in the place of or in addition to its 53860
educational service center governing board members. If agreement 53861
is obtained among a majority of the boards of education and 53862
governing boards that have a member serving on the joint 53863
vocational school district board of education and among a majority 53864
of the local school district boards of education included in the 53865
district and located within the territory of the educational 53866
service center whose board requests the substitution or addition, 53867
the state board of education may revise the joint vocational 53868
school district plan to conform with such agreement. 53869

(C) If the board of education of any school district or 53870
educational service center governing board included within a joint 53871
vocational district that has had its board or governing board 53872
membership revised under division (B) of this section requests the 53873
joint vocational school district board to submit to the state 53874
board of education a revised plan under which one or more joint 53875
vocational board members chosen in accordance with a plan revised 53876
under such division would again be chosen in the manner prescribed 53877
by division (A) of this section, the joint vocational board shall 53878
submit the revised plan to the state board of education, provided 53879
the plan is agreed to by a majority of the boards of education 53880
represented on the joint vocational board, a majority of the local 53881

school district boards included within the joint vocational 53882
district, and each educational service center governing board 53883
affected by such plan. The state board of education may revise the 53884
joint vocational school district plan to conform with the revised 53885
plan. 53886

(D) The vocational schools in such joint vocational school 53887
district shall be available to all youth of school age within the 53888
joint vocational school district subject to the rules adopted by 53889
the joint vocational school district board of education in regard 53890
to the standards requisite to admission. A joint vocational school 53891
district board of education shall have the same powers, duties, 53892
and authority for the management and operation of such joint 53893
vocational school district as is granted by law, except by this 53894
chapter and Chapters 124., ~~3306.7~~, 3317., 3323., and 3331. of the 53895
Revised Code, to a board of education of a city school district, 53896
and shall be subject to all the provisions of law that apply to a 53897
city school district, except such provisions in this chapter and 53898
Chapters 124., ~~3306.7~~, 3317., 3323., and 3331. of the Revised Code. 53899

(E) Where a governing board of an educational service center 53900
has been designated to serve as the joint vocational school 53901
district board of education, the educational service center 53902
superintendent shall be the executive officer for the joint 53903
vocational school district, and the governing board may provide 53904
for additional compensation to be paid to the educational service 53905
center superintendent by the joint vocational school district, but 53906
the educational service center superintendent shall have no 53907
continuing tenure other than that of educational service center 53908
superintendent. The superintendent of schools of a joint 53909
vocational school district shall exercise the duties and authority 53910
vested by law in a superintendent of schools pertaining to the 53911
operation of a school district and the employment and supervision 53912
of its personnel. The joint vocational school district board of 53913

education shall appoint a treasurer of the joint vocational school 53914
district who shall be the fiscal officer for such district and who 53915
shall have all the powers, duties, and authority vested by law in 53916
a treasurer of a board of education. Where a governing board of an 53917
educational service center has been designated to serve as the 53918
joint vocational school district board of education, such board 53919
may appoint the educational service center superintendent as the 53920
treasurer of the joint vocational school district. 53921

(F) Each member of a joint vocational school district board 53922
of education may be paid such compensation as the board provides 53923
by resolution, but it shall not exceed one hundred twenty-five 53924
dollars per member for each meeting attended plus mileage, at the 53925
rate per mile provided by resolution of the board, to and from 53926
meetings of the board. 53927

The board may provide by resolution for the deduction of 53928
amounts payable for benefits under section 3313.202 of the Revised 53929
Code. 53930

Each member of a joint vocational school district board may 53931
be paid such compensation as the board provides by resolution for 53932
attendance at an approved training program, provided that such 53933
compensation shall not exceed sixty dollars per day for attendance 53934
at a training program three hours or fewer in length and one 53935
hundred twenty-five dollars a day for attendance at a training 53936
program longer than three hours in length. However, no board 53937
member shall be compensated for the same training program under 53938
this section and section 3313.12 of the Revised Code. 53939

Sec. 3311.21. (A) In addition to the resolutions authorized 53940
by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of 53941
the Revised Code, the board of education of a joint vocational or 53942
cooperative education school district by a vote of two-thirds of 53943
its full membership may at any time adopt a resolution declaring 53944

the necessity to levy a tax in excess of the ten-mill limitation 53945
for a period not to exceed ten years to provide funds for any one 53946
or more of the following purposes, which may be stated in the 53947
following manner in such resolution, the ballot, and the notice of 53948
election: purchasing a site or enlargement thereof and for the 53949
erection and equipment of buildings; for the purpose of enlarging, 53950
improving, or rebuilding thereof; for the purpose of providing for 53951
the current expenses of the joint vocational or cooperative school 53952
district; or for a continuing period for the purpose of providing 53953
for the current expenses of the joint vocational or cooperative 53954
education school district. The resolution shall specify the amount 53955
of the proposed rate and, if a renewal, whether the levy is to 53956
renew all, or a portion of, the existing levy, and shall specify 53957
the first year in which the levy will be imposed. If the levy 53958
provides for but is not limited to current expenses, the 53959
resolution shall apportion the annual rate of the levy between 53960
current expenses and the other purpose or purposes. Such 53961
apportionment may but need not be the same for each year of the 53962
levy, but the respective portions of the rate actually levied each 53963
year for current expenses and the other purpose or purposes shall 53964
be limited by such apportionment. The portion of any such rate 53965
actually levied for current expenses of a joint vocational or 53966
cooperative education school district shall be used in applying 53967
~~division (A)(1) of section 3306.01 and~~ division (A) of section 53968
3317.01 of the Revised Code. The portion of any such rate not 53969
apportioned to the current expenses of a joint vocational or 53970
cooperative education school district shall be used in applying 53971
division (B) of this section. On the adoption of such resolution, 53972
the joint vocational or cooperative education school district 53973
board of education shall certify the resolution to the board of 53974
elections of the county containing the most populous portion of 53975
the district, which board shall receive resolutions for filing and 53976
send them to the boards of elections of each county in which 53977

territory of the district is located, furnish all ballots for the 53978
election as provided in section 3505.071 of the Revised Code, and 53979
prepare the election notice; and the board of elections of each 53980
county in which the territory of such district is located shall 53981
make the other necessary arrangements for the submission of the 53982
question to the electors of the joint vocational or cooperative 53983
education school district at the next primary or general election 53984
occurring not less than ninety days after the resolution was 53985
received from the joint vocational or cooperative education school 53986
district board of education, or at a special election to be held 53987
at a time designated by the district board of education consistent 53988
with the requirements of section 3501.01 of the Revised Code, 53989
which date shall not be earlier than ninety days after the 53990
adoption and certification of the resolution. 53991

The board of elections of the county or counties in which 53992
territory of the joint vocational or cooperative education school 53993
district is located shall cause to be published in ~~one or more~~ 53994
~~newspapers~~ a newspaper of general circulation in that district an 53995
advertisement of the proposed tax levy question, together with a 53996
statement of the amount of the proposed levy once a week for two 53997
consecutive weeks or as provided in section 7.16 of the Revised 53998
Code, prior to the election at which the question is to appear on 53999
the ballot, ~~and, if,~~ If the board of elections operates and 54000
maintains a web site, the board also shall post ~~a similar~~ the 54001
advertisement on its web site for thirty days prior to that 54002
election. 54003

If a majority of the electors voting on the question of 54004
levying such tax vote in favor of the levy, the joint vocational 54005
or cooperative education school district board of education shall 54006
annually make the levy within the district at the rate specified 54007
in the resolution and ballot or at any lesser rate, and the county 54008
auditor of each affected county shall annually place the levy on 54009

the tax list and duplicate of each school district in the county 54010
having territory in the joint vocational or cooperative education 54011
school district. The taxes realized from the levy shall be 54012
collected at the same time and in the same manner as other taxes 54013
on the duplicate, and the taxes, when collected, shall be paid to 54014
the treasurer of the joint vocational or cooperative education 54015
school district and deposited to a special fund, which shall be 54016
established by the joint vocational or cooperative education 54017
school district board of education for all revenue derived from 54018
any tax levied pursuant to this section and for the proceeds of 54019
anticipation notes which shall be deposited in such fund. After 54020
the approval of the levy, the joint vocational or cooperative 54021
education school district board of education may anticipate a 54022
fraction of the proceeds of the levy and from time to time, during 54023
the life of the levy, but in any year prior to the time when the 54024
tax collection from the levy so anticipated can be made for that 54025
year, issue anticipation notes in an amount not exceeding fifty 54026
per cent of the estimated proceeds of the levy to be collected in 54027
each year up to a period of five years after the date of the 54028
issuance of the notes, less an amount equal to the proceeds of the 54029
levy obligated for each year by the issuance of anticipation 54030
notes, provided that the total amount maturing in any one year 54031
shall not exceed fifty per cent of the anticipated proceeds of the 54032
levy for that year. Each issue of notes shall be sold as provided 54033
in Chapter 133. of the Revised Code, and shall, except for such 54034
limitation that the total amount of such notes maturing in any one 54035
year shall not exceed fifty per cent of the anticipated proceeds 54036
of the levy for that year, mature serially in substantially equal 54037
installments, during each year over a period not to exceed five 54038
years after their issuance. 54039

(B) Prior to the application of section 319.301 of the 54040
Revised Code, the rate of a levy that is limited to, or to the 54041
extent that it is apportioned to, purposes other than current 54042

expenses shall be reduced in the same proportion in which the 54043
district's total valuation increases during the life of the levy 54044
because of additions to such valuation that have resulted from 54045
improvements added to the tax list and duplicate. 54046

(C) The form of ballot cast at an election under division (A) 54047
of this section shall be as prescribed by section 5705.25 of the 54048
Revised Code. 54049

Sec. 3311.213. (A) With the approval of the board of 54050
education of a joint vocational school district ~~which~~ that is in 54051
existence, any school district in the county or counties 54052
comprising the joint vocational school district or any school 54053
district in a county adjacent to a county comprising part of a 54054
joint vocational school district may become a part of the joint 54055
vocational school district. On the adoption of a resolution of 54056
approval by the board of education of the joint vocational school 54057
district, it shall advertise a copy of such resolution in a 54058
newspaper of general circulation in the school district proposing 54059
to become a part of such joint vocational school district once 54060
each week for ~~at least~~ two weeks, or as provided in section 7.16 54061
of the Revised Code, immediately following the date of the 54062
adoption of such resolution. Such resolution shall not become 54063
effective until the later of the sixty-first day after its 54064
adoption or until the board of elections certifies the results of 54065
an election in favor of joining of the school district to the 54066
joint vocational school district if such an election is held under 54067
division (B) of this section. 54068

(B) During the sixty-day period following the date of the 54069
adoption of a resolution to join a school district to a joint 54070
vocational school district under division (A) of this section, the 54071
electors of the school district that proposes joining the joint 54072
vocational school district may petition for a referendum vote on 54073

the resolution. The question whether to approve or disapprove the 54074
resolution shall be submitted to the electors of such school 54075
district if a number of qualified electors equal to twenty per 54076
cent of the number of electors in the school district who voted 54077
for the office of governor at the most recent general election for 54078
that office sign a petition asking that the question of whether 54079
the resolution shall be disapproved be submitted to the electors. 54080
The petition shall be filed with the board of elections of the 54081
county in which the school district is located. If the school 54082
district is located in more than one county, the petition shall be 54083
filed with the board of elections of the county in which the 54084
majority of the territory of the school district is located. The 54085
board shall certify the validity and sufficiency of the signatures 54086
on the petition. 54087

The board of elections shall immediately notify the board of 54088
education of the joint vocational school district and the board of 54089
education of the school district that proposes joining the joint 54090
vocational school district that the petition has been filed. 54091

The effect of the resolution shall be stayed until the board 54092
of elections certifies the validity and sufficiency of the 54093
signatures on the petition. If the board of elections determines 54094
that the petition does not contain a sufficient number of valid 54095
signatures and sixty days have passed since the adoption of the 54096
resolution, the resolution shall become effective. 54097

If the board of elections certifies that the petition 54098
contains a sufficient number of valid signatures, the board shall 54099
submit the question to the qualified electors of the school 54100
district on the day of the next general or primary election held 54101
at least ninety days after but no later than six months after the 54102
board of elections certifies the validity and sufficiency of 54103
signatures on the petition. If there is no general or primary 54104
election held at least ninety days after but no later than six 54105

months after the board of elections certifies the validity and 54106
sufficiency of signatures on the petition, the board shall submit 54107
the question to the electors at a special election to be held on 54108
the next day specified for special elections in division (D) of 54109
section 3501.01 of the Revised Code that occurs at least ninety 54110
days after the board certifies the validity and sufficiency of 54111
signatures on the petition. The election shall be conducted and 54112
canvassed and the results shall be certified in the same manner as 54113
in regular elections for the election of members of a board of 54114
education. 54115

If a majority of the electors voting on the question 54116
disapprove the resolution, the resolution shall not become 54117
effective. 54118

(C) If the resolution becomes effective, the board of 54119
education of the joint vocational school district shall notify the 54120
county auditor of the county in which the school district becoming 54121
a part of the joint vocational school district is located, who 54122
shall thereupon have any outstanding levy for building purposes, 54123
bond retirement, or current expenses in force in the joint 54124
vocational school district spread over the territory of the school 54125
district becoming a part of the joint vocational school district. 54126
On the addition of a city or exempted village school district or 54127
an educational service center to the joint vocational school 54128
district, pursuant to this section, the board of education of such 54129
joint vocational school district shall submit to the state board 54130
of education a proposal to enlarge the membership of such board by 54131
the addition of one or more persons at least one of whom shall be 54132
a member of the board of education or governing board of such 54133
additional school district or educational service center, and the 54134
term of each such additional member. On the addition of a local 54135
school district to the joint vocational school district, pursuant 54136
to this section, the board of education of such joint vocational 54137

school district may submit to the state board of education a 54138
proposal to enlarge the membership of such board by the addition 54139
of one or more persons who are members of the educational service 54140
center governing board of such additional local school district. 54141
On approval by the state board of education additional members 54142
shall be added to such joint vocational school district board of 54143
education. 54144

Sec. 3311.214. (A) With the approval of the state board of 54145
education, the boards of education of any two or more joint 54146
vocational school districts may, by the adoption of identical 54147
resolutions by a majority of the members of each such board, 54148
propose that one new joint vocational school district be created 54149
by adding together all of the territory of each of the districts 54150
and dissolving such districts. A copy of each resolution shall be 54151
filed with the state board of education for its approval or 54152
disapproval. The resolutions shall include a provision that the 54153
board of education of the new district shall be composed of the 54154
members from the same boards of education that composed the 54155
membership of the board of each of the districts to be dissolved, 54156
except that, if an even number of districts are to be dissolved, 54157
one additional member shall be added, who may be from any school 54158
district included in the territory of any of the districts to be 54159
dissolved as designated in the resolutions. The members of the new 54160
board shall have the same terms of office as they had under the 54161
respective plans of the districts adopting the resolutions, except 54162
that, if the new board has an additional member, ~~he~~ the additional 54163
member shall have a term as specified in the resolutions. 54164

If the state board approves the resolutions, the board of 54165
education of each district to be dissolved shall advertise a copy 54166
of the resolution in a newspaper of general circulation in its 54167
district once each week for ~~at least~~ two weeks, or as provided in 54168
section 7.16 of the Revised Code, immediately following the date 54169

the resolutions are approved by the state board. The resolutions 54170
shall become effective on the first day of July next succeeding 54171
the sixtieth day following approval by the state board unless 54172
prior to the expiration of such sixty-day period, qualified 54173
electors residing in one of the districts to be dissolved equal in 54174
number to a majority of the qualified electors of that district 54175
voting at the last general election file with the state board a 54176
petition of remonstrance against creation of the proposed new 54177
district. 54178

(B) When a resolution becomes effective under division (A) of 54179
this section, each district in which a resolution was adopted and 54180
the board of each such district are dissolved. The territory of 54181
each dissolved district becomes a part of the new joint vocational 54182
school district. The net indebtedness of each dissolved district 54183
shall be assumed in full by the new district and the funds and 54184
property of each dissolved district shall become in full the funds 54185
and property of the new district. All existing contracts of each 54186
dissolved board shall be honored by the board of the new district 54187
until their expiration dates. The board of the new district shall 54188
notify the county auditor of each county in which each dissolved 54189
district was located that a resolution has become effective and a 54190
new district has been created and shall certify to each auditor 54191
any changes that might be required in the tax rate as a result of 54192
the creation of the new district. 54193

(C) As used in this section, "net indebtedness" means the 54194
difference between the par value of the outstanding and unpaid 54195
bonds and notes of the school district and the amount held in the 54196
sinking fund and other indebtedness retirement funds for their 54197
redemption. 54198

Sec. 3311.29. (A) Except as provided under division (B) or 54199
(C) of this section, no school district shall be created and no 54200

school district shall exist which does not maintain within such 54201
district public schools consisting of grades kindergarten through 54202
twelve and any such existing school district not maintaining such 54203
schools shall be dissolved and its territory joined with another 54204
school district or districts by order of the state board of 54205
education if no agreement is made among the surrounding districts 54206
voluntarily, which order shall provide an equitable division of 54207
the funds, property, and indebtedness of the dissolved school 54208
district among the districts receiving its territory. The state 54209
board of education may authorize exceptions to school districts 54210
where topography, sparsity of population, and other factors make 54211
compliance impracticable. 54212

The superintendent of public instruction is without authority 54213
to distribute funds under Chapter ~~3306.~~ or 3317. of the Revised 54214
Code to any school district that does not maintain schools with 54215
grades kindergarten through twelve and to which no exception has 54216
been granted by the state board of education. 54217

following territory: 54256

(1) The territory that constitutes the educational service 54257
center on the date that the governing board of that educational 54258
service center adopts a resolution under division (B) of this 54259
section declaring that the territory of the educational service 54260
center is a county school financing district, exclusive of any 54261
territory subsequently withdrawn from the district under division 54262

(D) of this section; 54263

(2) Any territory that has been added to the county school financing district under this section. 54264
54265

A county school financing district may include the territory of a city, local, or exempted village school district whose territory also is included in the territory of one or more other county school financing districts. 54266
54267
54268
54269

(B) The governing board of any educational service center may, by resolution, declare that the territory of the educational service center is a county school financing district. The resolution shall state the purpose for which the county school financing district is created which may be for any one or more of the following purposes: 54270

54272
54273
54274
54275

54277
54278

(2) To levy taxes for the provision of specified educational programs and services by the school districts that are a part of the district, as identified in the resolution creating the district, including the levying of taxes for permanent improvements for those programs and services; 54279

54285

The governing board of the educational service center that creates a county school financing district shall serve as the taxing authority of the district and may use educational service center governing board employees to perform any of the functions necessary in the performance of its duties as a taxing authority. 54286
54287
54288
54289
54290
A county school financing district shall not employ any personnel. 54291

With the approval of a majority of the members of the board 54292

county school financing district, the taxing authority of the 54294
financing district may amend the resolution creating the district 54295
to broaden or narrow the purposes for which it was created. 54296

A governing board of an educational service center may create 54297
more than one county school financing district. If a governing 54298
board of an educational service center creates more than one such 54299
district, it shall clearly distinguish among the districts it 54300
creates by including a designation of each district's purpose in 54301
the district's name. 54302

(C) A majority of the members of a board of education of a 54303

question of whether to accept the school district's territory as 54311
part of the county school financing district. If a majority of the 54312
members of the taxing authority vote to accept the territory, the 54313
school district's territory shall thereupon become a part of the 54314
county school financing district unless the county school 54315
financing district has in effect a tax imposed under section 54316
5705.211 of the Revised Code. If the county school financing 54317
district has such a tax in effect, the taxing authority shall 54318
certify a copy of its resolution accepting the school district's 54319
territory to the school district's board of education, which may 54320
then adopt a resolution, with the affirmative vote of a majority 54321
of its members, proposing the submission to the electors of the 54322
question of whether the district's territory shall become a part 54323
of the county school financing district and subject to the taxes 54324

imposed by the financing district. The resolution shall set forth 54325
the date on which the question shall be submitted to the electors, 54326
which shall be at a special election held on a date specified in 54327
the resolution, which shall not be earlier than ninety days after 54328
the adoption and certification of the resolution. A copy of the 54329
resolution shall immediately be certified to the board of 54330
elections of the proper county, which shall make arrangements for 54331
the submission of the proposal to the electors of the school 54332

election. Additionally, if the board of elections operates and 54337
maintains a web site, the board of elections shall post notice of 54338
the election on its web site for thirty days prior to the 54339
election. The question appearing on the ballot shall read: 54340

district proposing to join the county school financing district) 54342
..... be added to (name) county school 54343
financing district, and a property tax for the purposes of 54344
..... (here insert purposes) at a rate of taxation 54345

..... be in effect for (here insert the number of 54347
years the tax is to be in effect or "a continuing period of time," 54348
as applicable)?" 54349

If the proposal is approved by a majority of the electors 54350
voting on it, the joinder shall take effect on the first day of 54351
July following the date of the election, and the county board of 54352

financing district is located. 54355

(D) The board of any city, local, or exempted village school 54356

district whose territory is part of a county school financing 54357
district may withdraw its territory from the county school 54358
financing district thirty days after submitting to the governing 54359
board that is the taxing authority of the district and the state 54360
board a resolution proclaiming such withdrawal, adopted by a 54361
majority vote of its members, but any county school financing 54362
district tax levied in such territory on the effective date of the 54363
withdrawal shall remain in effect in such territory until such tax 54364
expires or is renewed. No board may adopt a resolution withdrawing 54365
from a county school financing district that would take effect 54366
during the forty-five days preceding the date of an election at 54367
which a levy proposed under section 5705.215 of the Revised Code 54368
is to be voted upon. 54369

(E) A city, local, or exempted village school district does 54370
not lose its separate identity or legal existence by reason of 54371
joining its territory to a county school financing district under 54372
this section and an educational service center does not lose its 54373
separate identity or legal existence by reason of creating a 54374
county school financing district that accepts or loses territory 54375
under this section. 54376

district that is within the territory of a county school financing 54384
district. 54385

A copy of each resolution shall be filed with the governing 54386
board of the educational service center which created the county 54387

resolution, the educational service center governing board shall 54389
immediately notify each board of education filing such a 54390

par value of the outstanding and unpaid bonds and notes of the 54414
dissolved district and the amount held in the sinking fund and 54415
other indebtedness retirement funds for their redemption. 54416

When a county school financing district is dissolved and a 54417
cooperative education school district is established under this 54418

section, the governing board of the educational service center 54419
that created the dissolved district shall give written notice of 54420
this fact to the county auditor and the board of elections of each 54421
county having any territory in the new district. 54422

education school district; 54467

(5) Provision for adopting amendments to the provisions of 54468

section provide for a board of education of the cooperative 54471
education school district that is not the governing board of the 54472
educational service center that created the county school 54473

school district. All members of the board of education of a 54634
municipal school district appointed pursuant to division (B) of 54635
section 3311.71 of the Revised Code shall continue to serve after 54636
the end of the terms to which they were appointed until their 54637
successors are qualified and assume office in accordance with 54638
section 3313.09 of the Revised Code. 54639

Sec. 3311.76. (A) Notwithstanding Chapters 3302., ~~3306.~~, and 3317. of the Revised Code, upon written request of the district chief executive officer the state superintendent of public instruction may exempt a municipal school district from any rules adopted under Title XXXIII of the Revised Code except for any rule adopted under Chapter 3307. or 3309., sections 3319.07 to 3319.21, or Chapter 3323. of the Revised Code, and may authorize a municipal school district to apply funds allocated to the district under ~~Chapters 3306. and Chapter~~ Chapter 3317. of the Revised Code, except those specifically allocated to purposes other than current expenses, to the payment of debt charges on the district's public obligations. The request must specify the provisions from which the district is seeking exemption or the application requested and the reasons for the request. The state superintendent shall approve the request if the superintendent finds the requested exemption or application is in the best interest of the district's students. The superintendent shall approve or disapprove the request within thirty days and shall notify the district board and the district chief executive officer of approval or reasons for disapproving the request.

(B) In addition to the rights, authority, and duties conferred upon a municipal school district and its board of education in sections 3311.71 to 3311.76 of the Revised Code, a municipal school district and its board shall have all of the rights, authority, and duties conferred upon a city school district and its board by law that are not inconsistent with sections 3311.71 to 3311.76 of the Revised Code.

Sec. 3313.29. The treasurer of each board of education shall keep an account of all school funds of the district. The treasurer shall receive all vouchers for payments and disbursements made to and by the board and preserve such vouchers for a period of ten

years unless copied or reproduced according to the procedure 54671
prescribed in section 9.01 of the Revised Code. Thereafter, such 54672
vouchers may be destroyed by the treasurer upon applying to and 54673
obtaining an order from the school district records commission in 54674
the manner prescribed by section ~~149.41~~ 149.381 of the Revised 54675
Code, except that it shall not be necessary to copy or reproduce 54676
such vouchers before their destruction. The treasurer shall render 54677
a statement to the board and to the superintendent of the school 54678
district, monthly, or more often if required, showing the revenues 54679
and receipts from whatever sources derived, the various 54680
appropriations made by the board, the expenditures and 54681
disbursements therefrom, the purposes thereof, the balances 54682
remaining in each appropriation, and the assets and liabilities of 54683
the school district. At the end of the fiscal year such statement 54684
shall be a complete exhibit of the financial affairs of the school 54685
district which may be published and distributed with the approval 54686
of the board. All monthly and yearly statements as required in 54687
this section shall be available for examination by the public. 54688

On request of the principal or other chief administrator of 54689
any nonpublic school located within the school district's 54690
territory, the treasurer shall provide such principal or 54691
administrator with an account of the moneys received by the 54692
district under division ~~(I)~~(E) of section 3317.024 of the Revised 54693
Code as reported to the district's board in the treasurer's most 54694
recent monthly statement. 54695

Sec. 3313.372. (A) As used in this section, "energy 54696
conservation measure" means an installation or modification of an 54697
installation in, or remodeling of, a building, to reduce energy 54698
consumption. It includes: 54699

(1) Insulation of the building structure and systems within 54700
the building; 54701

(2) Storm windows and doors, multiglazed windows and doors,	54702
heat absorbing or heat reflective glazed and coated window and	54703

consumption;	54706
(3) Automatic energy control systems;	54707
(4) Heating, ventilating, or air conditioning system	54708
modifications or replacements;	54709
(5) Caulking and weatherstripping;	54710
(6) Replacement or modification of lighting fixtures to	54711
increase the energy efficiency of the system without increasing	54712
the overall illumination of a facility, unless such increase in	54713
illumination is necessary to conform to the applicable state or	54714
local building code for the proposed lighting system;	54715
(7) Energy recovery systems;	54716
(8) Cogeneration systems that produce steam or forms of	54717
energy such as heat, as well as electricity, for use primarily	54718
within a building or complex of buildings;	54719
(9) Any other modification, installation, or remodeling	54720
approved by the Ohio school facilities commission as an energy	54721
conservation measure.	54722
(B) A board of education of a city, exempted village, local,	54723
or joint vocational school district may enter into an installment	54724
payment contract for the purchase and installation of energy	54725
conservation measures. The provisions of such installment payment	54726
contracts dealing with interest charges and financing terms shall	54727
not be subject to the competitive bidding requirements of section	54728
3313.46 of the Revised Code, and shall be on the following terms:	54729
(1) Not less than one-fifteenth of the costs thereof shall be	54730
paid within two years from the date of purchase.	54731

(2) The remaining balance of the costs thereof shall be paid 54732
within fifteen years from the date of purchase. 54733

An installment payment contract entered into by a board of 54734
education under this section shall require the board to contract 54735
in accordance with division (A) of section 3313.46 of the Revised 54736
Code for the installation, modification, or remodeling of energy 54737
conservation measures unless division (A) of section 3313.46 of 54738
the Revised Code does not apply pursuant to division (B)(3) of 54739
that section. 54740

(C) The board may issue the notes of the school district 54741
signed by the president and the treasurer of the board and 54742
specifying the terms of the purchase and securing the deferred 54743
payments provided in this section, payable at the times provided 54744
and bearing interest at a rate not exceeding the rate determined 54745
as provided in section 9.95 of the Revised Code. The notes may 54746
contain an option for prepayment and shall not be subject to 54747
Chapter 133. of the Revised Code. In the resolution authorizing 54748
the notes, the board may provide, without the vote of the electors 54749
of the district, for annually levying and collecting taxes in 54750
amounts sufficient to pay the interest on and retire the notes, 54751
except that the total net indebtedness of the district without a 54752
vote of the electors incurred under this and all other sections of 54753
the Revised Code, except section 3318.052 of the Revised Code, 54754
shall not exceed one per cent of the district's tax valuation. 54755
Revenues derived from local taxes or otherwise, for the purpose of 54756
conserving energy or for defraying the current operating expenses 54757
of the district, may be applied to the payment of interest and the 54758
retirement of such notes. The notes may be sold at private sale or 54759
given to the contractor under the installment payment contract 54760
authorized by division (B) of this section. 54761

(D) Debt incurred under this section shall not be included in 54762
the calculation of the net indebtedness of a school district under 54763

section 133.06 of the Revised Code. 54764

(E) No school district board shall enter into an installment 54765
payment contract under division (B) of this section unless it 54766
first obtains a report of the costs of the energy conservation 54767
measures and the savings thereof as described under division (G) 54768
of section 133.06 of the Revised Code as a requirement for issuing 54769
energy securities, makes a finding that the amount spent on such 54770
measures is not likely to exceed the amount of money it would save 54771
in energy costs and resultant operational and maintenance costs as 54772
described in that division, except that that finding shall cover 54773
the ensuing fifteen years, and the Ohio school facilities 54774
commission determines that the district board's findings are 54775
reasonable and approves the contract as described in that 54776
division. 54777

The district board shall monitor the savings and maintain a 54778
report of those savings, which shall be available submitted to the 54779
commission in the same manner as required by division (G) of 54780
section 133.06 of the Revised Code in the case of energy 54781
securities. 54782

Sec. 3313.41. (A) Except as provided in divisions (C), (D), 54783
(F), and (G) of this section, when a board of education decides to 54784
dispose of real or personal property that it owns in its corporate 54785
capacity and that exceeds in value ten thousand dollars, it shall 54786
sell the property at public auction, after giving at least thirty 54787
days' notice of the auction by publication in a newspaper of 54788
general circulation in the school district, by publication as 54789
provided in section 7.16 of the Revised Code, or by posting 54790
notices in five of the most public places in the school district 54791
in which the property, if it is real property, is situated, or, if 54792
it is personal property, in the school district of the board of 54793
education that owns the property. The board may offer real 54794

property for sale as an entire tract or in parcels. 54795

(B) When the board of education has offered real or personal 54796
property for sale at public auction at least once pursuant to 54797
division (A) of this section, and the property has not been sold, 54798
the board may sell it at a private sale. Regardless of how it was 54799
offered at public auction, at a private sale, the board shall, as 54800
it considers best, sell real property as an entire tract or in 54801
parcels, and personal property in a single lot or in several lots. 54802

(C) If a board of education decides to dispose of real or 54803
personal property that it owns in its corporate capacity and that 54804
exceeds in value ten thousand dollars, it may sell the property to 54805
the adjutant general; to any subdivision or taxing authority as 54806
respectively defined in divisions (A) and (C) of section 5705.01 54807
of the Revised Code, township park district, board of park 54808
commissioners established under Chapter 755. of the Revised Code, 54809
or park district established under Chapter 1545. of the Revised 54810
Code; to a wholly or partially tax-supported university, 54811
university branch, or college; or to the board of trustees of a 54812
school district library, upon such terms as are agreed upon. The 54813
sale of real or personal property to the board of trustees of a 54814
school district library is limited, in the case of real property, 54815
to a school district library within whose boundaries the real 54816
property is situated, or, in the case of personal property, to a 54817
school district library whose boundaries lie in whole or in part 54818
within the school district of the selling board of education. 54819

(D) When a board of education decides to trade as a part or 54820
an entire consideration, an item of personal property on the 54821
purchase price of an item of similar personal property, it may 54822
trade the same upon such terms as are agreed upon by the parties 54823
to the trade. 54824

(E) The president and the treasurer of the board of education 54825
shall execute and deliver deeds or other necessary instruments of 54826

conveyance to complete any sale or trade under this section. 54827

(F) When a board of education has identified a parcel of real 54828
property that it determines is needed for school purposes, the 54829
board may, upon a majority vote of the members of the board, 54830
acquire that property by exchanging real property that the board 54831
owns in its corporate capacity for the identified real property or 54832
by using real property that the board owns in its corporate 54833
capacity as part or an entire consideration for the purchase price 54834
of the identified real property. Any exchange or acquisition made 54835
pursuant to this division shall be made by a conveyance executed 54836
by the president and the treasurer of the board. 54837

(G)~~(1)~~ When a school district board of education decides to 54838
dispose of real property suitable for use as classroom space, 54839
prior to disposing of that property under divisions (A) to (F) of 54840
this section, it shall first offer that property for sale to the 54841
governing authorities of the start-up community schools 54842
established under Chapter 3314. of the Revised Code located within 54843
the territory of the school district, at a price that is not 54844
higher than the appraised fair market value of that property. If 54845
more than one community school governing authority accepts the 54846
offer made by the school district board, the board shall sell the 54847
property to the governing authority that accepted the offer first 54848
in time. If no community school governing authority accepts the 54849
offer within sixty days after the offer is made by the school 54850
district board, the board may dispose of the property in the 54851
applicable manner prescribed under divisions (A) to (F) of this 54852
section. 54853

~~(2) When a school district board of education has not used 54854
real property suitable for classroom space for academic 54855
instruction, administration, storage, or any other educational 54856
purpose for one full school year and has not adopted a resolution 54857
outlining a plan for using that property for any of those purposes 54858~~

~~within the next three school years, it shall offer that property 54859
for sale to the governing authorities of the start up community 54860
schools established under Chapter 3314. of the Revised Code 54861
located within the territory of the school district, at a price 54862
that is not higher than the appraised fair market value of that 54863
property. If more than one community school governing authority 54864
accepts the offer made by the school district board, the board 54865
shall sell the property to the governing authority that accepted 54866
the offer first in time. 54867~~

(H) When a school district board of education has property 54868
that the board, by resolution, finds is not needed for school 54869
district use, is obsolete, or is unfit for the use for which it 54870
was acquired, the board may donate that property in accordance 54871
with this division if the fair market value of the property is, in 54872
the opinion of the board, two thousand five hundred dollars or 54873
less. 54874

The property may be donated to an eligible nonprofit 54875
organization that is located in this state and is exempt from 54876
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 54877
Before donating any property under this division, the board shall 54878
adopt a resolution expressing its intent to make unneeded, 54879
obsolete, or unfit-for-use school district property available to 54880
these organizations. The resolution shall include guidelines and 54881
procedures the board considers to be necessary to implement the 54882
donation program and shall indicate whether the school district 54883
will conduct the donation program or the board will contract with 54884
a representative to conduct it. If a representative is known when 54885
the resolution is adopted, the resolution shall provide contact 54886
information such as the representative's name, address, and 54887
telephone number. 54888

The resolution shall include within its procedures a 54889
requirement that any nonprofit organization desiring to obtain 54890

donated property under this division shall submit a written notice 54891
to the board or its representative. The written notice shall 54892
include evidence that the organization is a nonprofit organization 54893
that is located in this state and is exempt from federal income 54894
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 54895
the organization's primary purpose; a description of the type or 54896
types of property the organization needs; and the name, address, 54897
and telephone number of a person designated by the organization's 54898
governing board to receive donated property and to serve as its 54899
agent. 54900

After adoption of the resolution, the board shall publish, in 54901
a newspaper of general circulation in the school district or as 54902
provided in section 7.16 of the Revised Code, notice of its intent 54903
to donate unneeded, obsolete, or unfit-for-use school district 54904
property to eligible nonprofit organizations. The notice shall 54905
include a summary of the information provided in the resolution 54906
and shall be published ~~at least~~ twice. The second ~~and any~~ 54907
~~subsequent~~ notice shall be published not less than ten nor more 54908
than twenty days after the previous notice. A similar notice also 54909
shall be posted continually in the board's office, ~~and, if.~~ If the 54910
school district maintains a web site on the internet, the notice 54911
shall be posted continually at that web site. 54912

The board or its representatives shall maintain a list of all 54913
nonprofit organizations that notify the board or its 54914
representative of their desire to obtain donated property under 54915
this division and that the board or its representative determines 54916
to be eligible, in accordance with the requirements set forth in 54917
this section and in the donation program's guidelines and 54918
procedures, to receive donated property. 54919

The board or its representative also shall maintain a list of 54920
all school district property the board finds to be unneeded, 54921
obsolete, or unfit for use and to be available for donation under 54922

this division. The list shall be posted continually in a 54923
conspicuous location in the board's office, and, if the school 54924
district maintains a web site on the internet, the list shall be 54925
posted continually at that web site. An item of property on the 54926
list shall be donated to the eligible nonprofit organization that 54927
first declares to the board or its representative its desire to 54928
obtain the item unless the board previously has established, by 54929
resolution, a list of eligible nonprofit organizations that shall 54930
be given priority with respect to the item's donation. Priority 54931
may be given on the basis that the purposes of a nonprofit 54932
organization have a direct relationship to specific school 54933
district purposes of programs provided or administered by the 54934
board. A resolution giving priority to certain nonprofit 54935
organizations with respect to the donation of an item of property 54936
shall specify the reasons why the organizations are given that 54937
priority. 54938

Members of the board shall consult with the Ohio ethics 54939
commission, and comply with Chapters 102. and 2921. of the Revised 54940
Code, with respect to any donation under this division to a 54941
nonprofit organization of which a board member, any member of a 54942
board member's family, or any business associate of a board member 54943
is a trustee, officer, board member, or employee. 54944

Sec. 3313.411. (A) As used in this section, "unused school 54945
facilities" means any real property that has been used by a school 54946
district for school operations, including, but not limited to, 54947
academic instruction or administration, since July 1, 1998, but 54948
has not been used in that capacity for two years. 54949

(B) On and after the effective date of this section, any 54950
school district board of education shall offer any unused school 54951
facilities it owns in its corporate capacity for lease to the 54952
governing authorities of community schools established under 54953

Chapter 3314. of the Revised Code that are located within the 54954
territory of the school district. If more than one community 54955
school governing authority accepts the offer to lease that 54956
property, the district board shall lease the property to the 54957
governing authority of the community school with the highest 54958
ranking according to performance index score, as defined in 54959
section 3302.01 of the Revised Code. 54960

The price offered by the district board shall be as follows: 54961

(1) For community schools ranked in the top fifty per cent of 54962
all school district buildings, community schools, and STEM schools 54963
statewide, one dollar; 54964

(2) For all other community schools, an amount not higher 54965
than the fair market value of the leasehold in the neighborhood 54966
and community. 54967

If no community school governing authority accepts the offer 54968
to lease the property within sixty days after the offer is made, 54969
the district board may offer the property for lease to any other 54970
entity. 54971

(C) Notwithstanding division (B) of this section, a school 54972
district board may renew any agreement it originally entered into 54973
prior to the effective date of this section to lease real property 54974
to an entity other than a community school. Nothing in this 54975
section shall affect the leasehold arrangements between the 54976
district board and that other entity. 54977

Sec. 3313.46. (A) In addition to any other law governing the 54978
bidding for contracts by the board of education of any school 54979
district, when any such board determines to build, repair, 54980
enlarge, improve, or demolish any school building, the cost of 54981
which will exceed twenty-five thousand dollars, except in cases of 54982
urgent necessity, or for the security and protection of school 54983

property, and except as otherwise provided in division (D) of 54984
section 713.23 and in section 125.04 of the Revised Code, all of 54985
the following shall apply: 54986

(1) The board shall cause to be prepared the plans, 54987
specifications, and related information as required in divisions 54988
(A), ~~(B)(1)~~, (2), and ~~(D)(4)~~ of section 153.01 of the Revised Code 54989
unless the board determines that other information is sufficient 54990
to inform any bidders of the board's requirements. However, if the 54991
board determines that such other information is sufficient for 54992
bidding a project, the board shall not engage in the construction 54993
of any such project involving the practice of professional 54994
engineering, professional surveying, or architecture, for which 54995
plans, specifications, and estimates have not been made by, and 54996
the construction thereof inspected by, a licensed professional 54997
engineer, licensed professional surveyor, or registered architect. 54998

(2) The board shall advertise for bids once each week for a 54999
period of not less than two consecutive weeks, or as provided in 55000
section 7.16 of the Revised Code, in a newspaper of general 55001
circulation in the district before the date specified by the board 55002
for receiving bids. The board may also cause notice to be inserted 55003
in trade papers or other publications designated by it or to be 55004
distributed by electronic means, including posting the notice on 55005
the board's internet web site. If the board posts the notice on 55006
its web site, it may eliminate the second notice otherwise 55007
required to be published in a newspaper of general circulation 55008
within the school district, provided that the first notice 55009
published in such newspaper meets all of the following 55010
requirements: 55011

(a) It is published at least two weeks before the opening of 55012
bids. 55013

(b) It includes a statement that the notice is posted on the 55014
board of education's internet web site. 55015

(c) It includes the internet address of the board's internet web site. 55016
55017

(d) It includes instructions describing how the notice may be accessed on the board's internet web site. 55018
55019

(3) Unless the board extends the time for the opening of bids they shall be opened at the time and place specified by the board in the advertisement for the bids. 55020
55021
55022

(4) Each bid shall contain the name of every person interested therein. Each bid shall meet the requirements of section 153.54 of the Revised Code. 55023
55024
55025

(5) When both labor and materials are embraced in the work bid for, the board may require that each be separately stated in the bid, with the price thereof, or may require that bids be submitted without such separation. 55026
55027
55028
55029

(6) None but the lowest responsible bid shall be accepted. The board may reject all the bids, or accept any bid for both labor and material for such improvement or repair, which is the lowest in the aggregate. In all other respects, the award of contracts for improvement or repair, but not for purchases made under section 3327.08 of the Revised Code, shall be pursuant to section 153.12 of the Revised Code. 55030
55031
55032
55033
55034
55035
55036

(7) The contract shall be between the board and the bidders. The board shall pay the contract price for the work pursuant to sections 153.13 and 153.14 of the Revised Code. The board shall approve and retain the estimates referred to in section 153.13 of the Revised Code and make them available to the auditor of state upon request. 55037
55038
55039
55040
55041
55042

(8) When two or more bids are equal, in the whole, or in any part thereof, and are lower than any others, either may be accepted, but in no case shall the work be divided between such bidders. 55043
55044
55045
55046

(9) When there is reason to believe there is collusion or combination among the bidders, or any number of them, the bids of those concerned therein shall be rejected. 55047
55048
55049

(B) Division (A) of this section does not apply to the board of education of any school district in any of the following situations: 55050
55051
55052

(1) The acquisition of educational materials used in teaching. 55053
55054

(2) If the board determines and declares by resolution adopted by two-thirds of all its members that any item is available and can be acquired only from a single source. 55055

entrepreneurship adopted under division (A)(2) of that section,	55496
into one or more existing social studies credits required under	55497
division (C)(6) of this section, or into the content of another	55498
class, so that every high school student receives instruction in	55499
those concepts. In developing the curriculum required by this	55500
paragraph, schools shall use available public-private partnerships	55501
and resources and materials that exist in business, industry, and	55502
through the centers for economics education at institutions of	55503
higher education in the state.	55504

(7) Five units consisting of one or any combination of 55505
foreign language, fine arts, business, career-technical education, 55506
family and consumer sciences, technology, agricultural education, 55507
a junior reserve officer training corps (JROTC) program approved 55508
by the congress of the United States under title 10 of the United 55509
States Code, or English language arts, mathematics, science, or 55510
social studies courses not otherwise required under division (C) 55511
of this section. 55512

Ohioans must be prepared to apply increased knowledge and 55513
skills in the workplace and to adapt their knowledge and skills 55514
quickly to meet the rapidly changing conditions of the 55515
twenty-first century. National studies indicate that all high 55516
school graduates need the same academic foundation, regardless of 55517
the opportunities they pursue after graduation. The goal of Ohio's 55518
system of elementary and secondary education is to prepare all 55519
students for and seamlessly connect all students to success in 55520
life beyond high school graduation, regardless of whether the next 55521
step is entering the workforce, beginning an apprenticeship, 55522
engaging in post-secondary training, serving in the military, or 55523
pursuing a college degree. 55524

The Ohio core curriculum is the standard expectation for all 55525
students entering ninth grade for the first time at a public or 55526
chartered nonpublic high school on or after July 1, 2010. A 55527
student may satisfy this expectation through a variety of methods, 55528
including, but not limited to, integrated, applied, 55529
career-technical, and traditional coursework. 55530

Whereas teacher quality is essential for student success in 55531
completing the Ohio core curriculum, the general assembly shall 55532
appropriate funds for strategic initiatives designed to strengthen 55533
schools' capacities to hire and retain highly qualified teachers 55534
in the subject areas required by the curriculum. Such initiatives 55535
are expected to require an investment of \$120,000,000 over five 55536

years. 55537

Stronger coordination between high schools and institutions 55538
of higher education is necessary to prepare students for more 55539
challenging academic endeavors and to lessen the need for academic 55540
remediation in college, thereby reducing the costs of higher 55541
education for Ohio's students, families, and the state. The state 55542
board and the chancellor of the Ohio board of regents shall 55543
develop policies to ensure that only in rare instances will 55544
students who complete the Ohio core curriculum require academic 55545
remediation after high school. 55546

School districts, community schools, and chartered nonpublic 55547
schools shall integrate technology into learning experiences 55548
~~whenever practicable~~ across the curriculum in order to maximize 55549
efficiency, enhance learning, and prepare students for success in 55550
the technology-driven twenty-first century. Districts and schools 55551
~~may~~ shall use distance and web-based course delivery as a method 55552
of providing or augmenting all instruction required under this 55553
division, including laboratory experience in science. Districts 55554
and schools shall ~~whenever practicable~~ utilize technology access 55555
and electronic learning opportunities provided by the eTech Ohio 55556
commission, the Ohio learning network, education technology 55557
centers, public television stations, and other public and private 55558
providers. 55559

(D) Except as provided in division (E) of this section, a 55560
student who enters ninth grade on or after July 1, 2010, and 55561
before July 1, 2014, may qualify for graduation from a public or 55562
chartered nonpublic high school even though the student has not 55563
completed the Ohio core curriculum prescribed in division (C) of 55564
this section if all of the following conditions are satisfied: 55565

(1) After the student has attended high school for two years, 55566
as determined by the school, the student and the student's parent, 55567
guardian, or custodian sign and file with the school a written 55568

statement asserting the parent's, guardian's, or custodian's 55569
consent to the student's graduating without completing the Ohio 55570
core curriculum and acknowledging that one consequence of not 55571
completing the Ohio core curriculum is ineligibility to enroll in 55572
most state universities in Ohio without further coursework. 55573

(2) The student and parent, guardian, or custodian fulfill 55574
any procedural requirements the school stipulates to ensure the 55575
student's and parent's, guardian's, or custodian's informed 55576
consent and to facilitate orderly filing of statements under 55577
division (D)(1) of this section. 55578

(3) The student and the student's parent, guardian, or 55579
custodian and a representative of the student's high school 55580
jointly develop an individual career plan for the student that 55581
specifies the student matriculating to a two-year degree program, 55582
acquiring a business and industry credential, or entering an 55583
apprenticeship. 55584

(4) The student's high school provides counseling and support 55585
for the student related to the plan developed under division 55586
(D)(3) of this section during the remainder of the student's high 55587
school experience. 55588

(5) The student successfully completes, at a minimum, the 55589
curriculum prescribed in division (B) of this section. 55590

The department of education, in collaboration with the 55591
chancellor, shall analyze student performance data to determine if 55592
there are mitigating factors that warrant extending the exception 55593
permitted by division (D) of this section to high school classes 55594
beyond those entering ninth grade before July 1, 2014. The 55595
department shall submit its findings and any recommendations not 55596
later than August 1, 2014, to the speaker and minority leader of 55597
the house of representatives, the president and minority leader of 55598
the senate, the chairpersons and ranking minority members of the 55599

standing committees of the house of representatives and the senate 55600
that consider education legislation, the state board of education, 55601
and the superintendent of public instruction. 55602

(E) Each school district and chartered nonpublic school 55603
retains the authority to require an even more rigorous minimum 55604
curriculum for high school graduation than specified in division 55605
(B) or (C) of this section. A school district board of education, 55606
through the adoption of a resolution, or the governing authority 55607
of a chartered nonpublic school may stipulate any of the 55608
following: 55609

(1) A minimum high school curriculum that requires more than 55610
twenty units of academic credit to graduate; 55611

(2) An exception to the district's or school's minimum high 55612
school curriculum that is comparable to the exception provided in 55613
division (D) of this section but with additional requirements, 55614
which may include a requirement that the student successfully 55615
complete more than the minimum curriculum prescribed in division 55616
(B) of this section; 55617

(3) That no exception comparable to that provided in division 55618
(D) of this section is available. 55619

(F) A student enrolled in a dropout prevention and recovery 55620
program, which program has received a waiver from the department, 55621
may qualify for graduation from high school by successfully 55622
completing a competency-based instructional program administered 55623
by the dropout prevention and recovery program in lieu of 55624
completing the Ohio core curriculum prescribed in division (C) of 55625
this section. The department shall grant a waiver to a dropout 55626
prevention and recovery program, within sixty days after the 55627
program applies for the waiver, if the program meets all of the 55628
following conditions: 55629

(1) The program serves only students not younger than sixteen 55630

years of age and not older than twenty-one years of age. 55631

(2) The program enrolls students who, at the time of their 55632
initial enrollment, either, or both, are at least one grade level 55633
behind their cohort age groups or experience crises that 55634
significantly interfere with their academic progress such that 55635
they are prevented from continuing their traditional programs. 55636

(3) The program requires students to attain at least the 55637
applicable score designated for each of the assessments prescribed 55638
under division (B)(1) of section 3301.0710 of the Revised Code or, 55639
to the extent prescribed by rule of the state board under division 55640
~~(E)~~(D)(6) of section 3301.0712 of the Revised Code, division 55641
(B)(2) of that section. 55642

(4) The program develops an individual career plan for the 55643
student that specifies the student's matriculating to a two-year 55644
degree program, acquiring a business and industry credential, or 55645
entering an apprenticeship. 55646

(5) The program provides counseling and support for the 55647
student related to the plan developed under division (F)(4) of 55648
this section during the remainder of the student's high school 55649
experience. 55650

(6) The program requires the student and the student's 55651
parent, guardian, or custodian to sign and file, in accordance 55652
with procedural requirements stipulated by the program, a written 55653
statement asserting the parent's, guardian's, or custodian's 55654
consent to the student's graduating without completing the Ohio 55655
core curriculum and acknowledging that one consequence of not 55656
completing the Ohio core curriculum is ineligibility to enroll in 55657
most state universities in Ohio without further coursework. 55658

(7) Prior to receiving the waiver, the program has submitted 55659
to the department an instructional plan that demonstrates how the 55660
academic content standards adopted by the state board under 55661

section 3301.079 of the Revised Code will be taught and assessed. 55662

If the department does not act either to grant the waiver or 55663
to reject the program application for the waiver within sixty days 55664
as required under this section, the waiver shall be considered to 55665
be granted. 55666

(G) Every high school may permit students below the ninth 55667
grade to take advanced work. If a high school so permits, it shall 55668
award high school credit for successful completion of the advanced 55669
work and shall count such advanced work toward the graduation 55670
requirements of division (B) or (C) of this section if the 55671
advanced work was both: 55672

(1) Taught by a person who possesses a license or certificate 55673
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 55674
Code that is valid for teaching high school; 55675

(2) Designated by the board of education of the city, local, 55676
or exempted village school district, the board of the cooperative 55677
education school district, or the governing authority of the 55678
chartered nonpublic school as meeting the high school curriculum 55679
requirements. 55680

Each high school shall record on the student's high school 55681
transcript all high school credit awarded under division (G) of 55682
this section. In addition, if the student completed a seventh- or 55683
eighth-grade fine arts course described in division (K) of this 55684
section and the course qualified for high school credit under that 55685
division, the high school shall record that course on the 55686
student's high school transcript. 55687

(H) The department shall make its individual academic career 55688
plan available through its Ohio career information system web site 55689
for districts and schools to use as a tool for communicating with 55690
and providing guidance to students and families in selecting high 55691
school courses. 55692

(I) Units earned in English language arts, mathematics, 55693
science, and social studies that are delivered through integrated 55694
academic and career-technical instruction are eligible to meet the 55695
graduation requirements of division (B) or (C) of this section. 55696

(J) The state board, in consultation with the chancellor, 55697
shall adopt a statewide plan implementing methods for students to 55698
earn units of high school credit based on a demonstration of 55699
subject area competency, instead of or in combination with 55700
completing hours of classroom instruction. The state board shall 55701
adopt the plan not later than March 31, 2009, and commence phasing 55702
in the plan during the 2009-2010 school year. The plan shall 55703
include a standard method for recording demonstrated proficiency 55704
on high school transcripts. Each school district, and community 55705
~~school, and chartered nonpublic school~~ shall comply with the state 55706
board's plan adopted under this division and award units of high 55707
school credit in accordance with the plan. The state board may 55708
adopt existing methods for earning high school credit based on a 55709
demonstration of subject area competency as necessary prior to the 55710
2009-2010 school year. 55711

(K) This division does not apply to students who qualify for 55712
graduation from high school under division (D) or (F) of this 55713
section, or to students pursuing a career-technical instructional 55714
track as determined by the school district board of education or 55715
the chartered nonpublic school's governing authority. 55716
Nevertheless, the general assembly encourages such students to 55717
consider enrolling in a fine arts course as an elective. 55718

Beginning with students who enter ninth grade for the first 55719
time on or after July 1, 2010, each student enrolled in a public 55720
or chartered nonpublic high school shall complete two semesters or 55721
the equivalent of fine arts to graduate from high school. The 55722
coursework may be completed in any of grades seven to twelve. Each 55723
student who completes a fine arts course in grade seven or eight 55724

may elect to count that course toward the five units of electives 55725
required for graduation under division (C)(7) of this section, if 55726
the course satisfied the requirements of division (G) of this 55727
section. In that case, the high school shall award the student 55728
high school credit for the course and count the course toward the 55729
five units required under division (C)(7) of this section. If the 55730
course in grade seven or eight did not satisfy the requirements of 55731
division (G) of this section, the high school shall not award the 55732
student high school credit for the course but shall count the 55733
course toward the two semesters or the equivalent of fine arts 55734
required by this division. 55735

(L) Notwithstanding anything to the contrary in this section, 55736
the board of education of each school district and the governing 55737
authority of each chartered nonpublic school may adopt a policy to 55738
excuse from the high school physical education requirement each 55739
student who, during high school, has participated in 55740
interscholastic athletics, marching band, or cheerleading for at 55741
least two full seasons or in the junior reserve officer training 55742
corps for at least two full school years. If the board or 55743
authority adopts such a policy, the board or authority shall not 55744
require the student to complete any physical education course as a 55745
condition to graduate. However, the student shall be required to 55746
complete one-half unit, consisting of at least sixty hours of 55747
instruction, in another course of study. In the case of a student 55748
who has participated in the junior reserve officer training corps 55749
for at least two full school years, credit received for that 55750
participation may be used to satisfy the requirement to complete 55751
one-half unit in another course of study. 55752

Sec. 3313.61. (A) A diploma shall be granted by the board of 55753
education of any city, exempted village, or local school district 55754
that operates a high school to any person to whom all of the 55755
following apply: 55756

section 3313.603 of the Revised Code, provided that no school 55761

under division (B)(1) of section 3301.0710 of the Revised Code on 55773
all the assessments required by that division unless the person 55774
was excused from taking any such assessment pursuant to section 55775
3313.532 of the Revised Code or unless division (H) or (L) of this 55776
section applies to the person; 55777

(ii) Has satisfied the alternative conditions prescribed in 55778
section 3313.615 of the Revised Code. 55779

~~designated under division (C)(1) of section 3301.0712 of the~~ 55786

some portion of that assessment system pursuant to section 55788
3313.532 of the Revised Code or division (H) or (L) of this 55789
section. 55790

(3) The person is not eligible to receive an honors diploma 55791
granted pursuant to division (B) of this section. 55792

Except as provided in divisions (C), (E), (J), and (L) of 55793
this section, no diploma shall be granted under this division to 55794
anyone except as provided under this division. 55795

(B) In lieu of a diploma granted under division (A) of this 55796
section, an honors diploma shall be granted, in accordance with 55797
rules of the state board, by any such district board to anyone who 55798
accomplishes all of the following: 55799

under division (B)(1) of section 3301.0710 of the Revised Code on 55812
all the assessments required by that division; 55813

(3) Has met additional criteria established by the state 55824

section 3313.603 of the Revised Code but elects the option of 55828
division (D) or (F) of that section. Except as provided in 55829
divisions (C), (E), and (J) of this section, no honors diploma 55830
shall be granted to anyone failing to comply with this division 55831
and no more than one honors diploma shall be granted to any 55832
student under this division. 55833

The state board shall adopt rules prescribing the granting of 55834
honors diplomas under this division. These rules may prescribe the 55835
granting of honors diplomas that recognize a student's achievement 55836
as a whole or that recognize a student's achievement in one or 55837
more specific subjects or both. The rules may prescribe the 55838
granting of an honors diploma recognizing technical expertise for 55839
a career-technical student. In any case, the rules shall designate 55840
two or more criteria for the granting of each type of honors 55841
diploma the board establishes under this division and the number 55842
of such criteria that must be met for the granting of that type of 55843
diploma. The number of such criteria for any type of honors 55844
diploma shall be at least one less than the total number of 55845
criteria designated for that type and no one or more particular 55846
criteria shall be required of all persons who are to be granted 55847
that type of diploma. 55848

(C) Any district board administering any of the assessments 55849

3313.532 of the Revised Code. 55861

(D) Each diploma awarded under this section shall be signed 55862

state board of education minimum standards to receive a high 55869

an inmate of a correctional institution operated by the state or 55871
any political subdivision thereof, shall be granted such diploma 55872
by the correctional institution operating the programs in which 55873
such credits were earned, and by the board of education of the 55874
school district in which the inmate resided immediately prior to 55875
the inmate's placement in the institution. The diploma granted by 55876
the correctional institution shall be signed by the director of 55877
the institution, and by the person serving as principal of the 55878
institution's high school and shall bear the date of issue. 55879

(F) Persons who are not residents of Ohio but who are inmates 55880
of correctional institutions operated by the state or any 55881

political subdivision thereof, and who are eligible under state 55882
board of education minimum standards to receive a high school 55883
diploma based in whole or in part on credits earned while an 55884
inmate of the correctional institution, shall be granted a diploma 55885
by the correctional institution offering the program in which the 55886
credits were earned. The diploma granted by the correctional 55887
institution shall be signed by the director of the institution and 55888
by the person serving as principal of the institution's high 55889
school and shall bear the date of issue. 55890

(G) The state board of education shall provide by rule for 55891
the administration of the assessments required by section 55892
3301.0710 of the Revised Code to inmates of correctional 55893

social studies designated under division (B)(1) of section 55897
3301.0710 of the Revised Code, any social studies end-of-course 55898
examination required under division (B)(2) of that section if such 55899
an exemption is prescribed by rule of the state board under 55900
division ~~(E)~~(D)(4) of section 3301.0712 of the Revised Code, or 55901
the test in citizenship designated under former division (B) of 55902
section 3301.0710 of the Revised Code as it existed prior to 55903

Sec. 3313.614. (A) As used in this section, a person "fulfills the curriculum requirement for a diploma" at the time one of the following conditions is satisfied: 56077
56078

condition to receiving a diploma once the person has passed the 56102
ninth grade proficiency test in the same subject, so long as the 56103

prescribed by the state board of education under division 56128

~~(E)~~(D)(5) of section 3301.0712 of the Revised Code is not 56129

enrolled in high school, except for a person who qualifies for 56144
graduation from high school under either division (D) or (F) of 56145
section 3313.603 of the Revised Code. 56146

(2) Once a person fulfills the curriculum requirement for a 56147
diploma, the person is never required, as a condition of receiving 56148
a diploma, to meet any different curriculum requirements that take 56149
effect pending the person's passage of proficiency tests or 56150
achievement tests or assessments, including changes mandated by 56151
section 3313.603 of the Revised Code, the state board, a school 56152
district board of education, or a governing authority of a 56153
community school or chartered nonpublic school. 56154

(c) If a school district cannot be established under division 56287
(C)(2)(a) or (b) of this section, tuition shall be paid by the 56288
district determined as required by section 2151.362 of the Revised 56289
Code by the court at the time it vests custody of the child in the 56290
person or government agency; 56291

(d) If at the time the court removed the child from home or 56292
vested legal or permanent custody of the child in the person or 56293
government agency, whichever occurred first, one parent was in a 56294
residential or correctional facility or a juvenile residential 56295
placement and the other parent, if living and not in such a 56296
facility or placement, was not known to reside in this state, 56297
tuition shall be paid by the district determined under division 56298
(D) of section 3313.65 of the Revised Code as the district 56299
required to pay any tuition while the parent was in such facility 56300
or placement; 56301

(e) If the department of education has determined, pursuant 56302
to division (A)(2) of section 2151.362 of the Revised Code, that a 56303
school district other than the one named in the court's initial 56304
order, or in a prior determination of the department, is 56305
responsible to bear the cost of educating the child, the district 56306
so determined shall be responsible for that cost. 56307

(3) If the child is not in the permanent or legal custody of 56308
a government agency or person other than the child's parent and 56309
the child resides in a home, tuition shall be paid by one of the 56310
following: 56311

(a) The school district in which the child's parent resides; 56312

(b) If the child's parent is not a resident of this state, 56313
the home in which the child resides. 56314

(4) Division (C)(4) of this section applies to any child who 56315
is admitted to a school district under division (B)(2) of this 56316
section, resides in a home that is not a foster home or a home 56317
maintained by the department of youth services, receives 56318
educational services at the home in which the child resides 56319
pursuant to a contract between the home and the school district 56320
providing those services, and does not receive special education. 56321

In the case of a child to which division (C)(4) of this 56322
section applies, the total educational cost to be paid for the 56323
child shall be determined by a formula approved by the department 56324
of education, which formula shall be designed to calculate a per 56325
diem cost for the educational services provided to the child for 56326
each day the child is served and shall reflect the total actual 56327
cost incurred in providing those services. The department shall 56328
certify the total educational cost to be paid for the child to 56329
both the school district providing the educational services and, 56330
if different, the school district that is responsible to pay 56331
tuition for the child. The department shall deduct the certified 56332
amount from the state basic aid funds payable under Chapter 3317. 56333
of the Revised Code to the district responsible to pay tuition and 56334
shall pay that amount to the district providing the educational 56335
services to the child. 56336

(D) Tuition required to be paid under divisions (C)(2) and 56337
(3)(a) of this section shall be computed in accordance with 56338
section 3317.08 of the Revised Code. Tuition required to be paid 56339
under division (C)(3)(b) of this section shall be computed in 56340
accordance with section 3317.081 of the Revised Code. If a home 56341
fails to pay the tuition required by division (C)(3)(b) of this 56342
section, the board of education providing the education may 56343
recover in a civil action the tuition and the expenses incurred in 56344

prosecuting the action, including court costs and reasonable attorney's fees. If the prosecuting attorney or city director of law represents the board in such action, costs and reasonable attorney's fees awarded by the court, based upon the prosecuting attorney's, director's, or one of their designee's time spent preparing and presenting the case, shall be deposited in the county or city general fund.

(E) A board of education may enroll a child free of any tuition obligation for a period not to exceed sixty days, on the sworn statement of an adult resident of the district that the resident has initiated legal proceedings for custody of the child.

(F) In the case of any individual entitled to attend school under this division, no tuition shall be charged by the school district of attendance and no other school district shall be required to pay tuition for the individual's attendance. Notwithstanding division (B), (C), or (E) of this section:

(1) All persons at least eighteen but under twenty-two years of age who live apart from their parents, support themselves by their own labor, and have not successfully completed the high school curriculum or the individualized education program developed for the person by the high school pursuant to section 3323.08 of the Revised Code, are entitled to attend school in the district in which they reside.

(2) Any child under eighteen years of age who is married is entitled to attend school in the child's district of residence.

(3) A child is entitled to attend school in the district in which either of the child's parents is employed if the child has a medical condition that may require emergency medical attention. The parent of a child entitled to attend school under division (F)(3) of this section shall submit to the board of education of the district in which the parent is employed a statement from the

child's physician certifying that the child's medical condition 56376
may require emergency medical attention. The statement shall be 56377
supported by such other evidence as the board may require. 56378

(4) Any child residing with a person other than the child's 56379
parent is entitled, for a period not to exceed twelve months, to 56380
attend school in the district in which that person resides if the 56381
child's parent files an affidavit with the superintendent of the 56382
district in which the person with whom the child is living resides 56383
stating all of the following: 56384

(a) That the parent is serving outside of the state in the 56385
armed services of the United States; 56386

(b) That the parent intends to reside in the district upon 56387
returning to this state; 56388

(c) The name and address of the person with whom the child is 56389
living while the parent is outside the state. 56390

(5) Any child under the age of twenty-two years who, after 56391
the death of a parent, resides in a school district other than the 56392
district in which the child attended school at the time of the 56393
parent's death is entitled to continue to attend school in the 56394
district in which the child attended school at the time of the 56395
parent's death for the remainder of the school year, subject to 56396
approval of that district board. 56397

(6) A child under the age of twenty-two years who resides 56398
with a parent who is having a new house built in a school district 56399
outside the district where the parent is residing is entitled to 56400
attend school for a period of time in the district where the new 56401
house is being built. In order to be entitled to such attendance, 56402
the parent shall provide the district superintendent with the 56403
following: 56404

(a) A sworn statement explaining the situation, revealing the 56405
location of the house being built, and stating the parent's 56406

intention to reside there upon its completion; 56407

(b) A statement from the builder confirming that a new house 56408
is being built for the parent and that the house is at the 56409
location indicated in the parent's statement. 56410

(7) A child under the age of twenty-two years residing with a 56411
parent who has a contract to purchase a house in a school district 56412
outside the district where the parent is residing and who is 56413
waiting upon the date of closing of the mortgage loan for the 56414
purchase of such house is entitled to attend school for a period 56415
of time in the district where the house is being purchased. In 56416
order to be entitled to such attendance, the parent shall provide 56417
the district superintendent with the following: 56418

(a) A sworn statement explaining the situation, revealing the 56419
location of the house being purchased, and stating the parent's 56420
intent to reside there; 56421

(b) A statement from a real estate broker or bank officer 56422
confirming that the parent has a contract to purchase the house, 56423
that the parent is waiting upon the date of closing of the 56424
mortgage loan, and that the house is at the location indicated in 56425
the parent's statement. 56426

The district superintendent shall establish a period of time 56427
not to exceed ninety days during which the child entitled to 56428
attend school under division (F)(6) or (7) of this section may 56429
attend without tuition obligation. A student attending a school 56430
under division (F)(6) or (7) of this section shall be eligible to 56431
participate in interscholastic athletics under the auspices of 56432
that school, provided the board of education of the school 56433
district where the student's parent resides, by a formal action, 56434
releases the student to participate in interscholastic athletics 56435
at the school where the student is attending, and provided the 56436
student receives any authorization required by a public agency or 56437

private organization of which the school district is a member 56438
exercising authority over interscholastic sports. 56439

(8) A child whose parent is a full-time employee of a city, 56440
local, or exempted village school district, or of an educational 56441
service center, may be admitted to the schools of the district 56442
where the child's parent is employed, or in the case of a child 56443
whose parent is employed by an educational service center, in the 56444
district that serves the location where the parent's job is 56445
primarily located, provided the district board of education 56446
establishes such an admission policy by resolution adopted by a 56447
majority of its members. Any such policy shall take effect on the 56448
first day of the school year and the effective date of any 56449
amendment or repeal may not be prior to the first day of the 56450
subsequent school year. The policy shall be uniformly applied to 56451
all such children and shall provide for the admission of any such 56452
child upon request of the parent. No child may be admitted under 56453
this policy after the first day of classes of any school year. 56454

(9) A child who is with the child's parent under the care of 56455
a shelter for victims of domestic violence, as defined in section 56456
3113.33 of the Revised Code, is entitled to attend school free in 56457
the district in which the child is with the child's parent, and no 56458
other school district shall be required to pay tuition for the 56459
child's attendance in that school district. 56460

The enrollment of a child in a school district under this 56461
division shall not be denied due to a delay in the school 56462
district's receipt of any records required under section 3313.672 56463
of the Revised Code or any other records required for enrollment. 56464
Any days of attendance and any credits earned by a child while 56465
enrolled in a school district under this division shall be 56466
transferred to and accepted by any school district in which the 56467
child subsequently enrolls. The state board of education shall 56468
adopt rules to ensure compliance with this division. 56469

(10) Any child under the age of twenty-two years whose parent has moved out of the school district after the commencement of classes in the child's senior year of high school is entitled, subject to the approval of that district board, to attend school in the district in which the child attended school at the time of the parental move for the remainder of the school year and for one additional semester or equivalent term. A district board may also adopt a policy specifying extenuating circumstances under which a student may continue to attend school under division (F)(10) of this section for an additional period of time in order to successfully complete the high school curriculum for the individualized education program developed for the student by the high school pursuant to section 3323.08 of the Revised Code.

(11) As used in this division, "grandparent" means a parent of a parent of a child. A child under the age of twenty-two years who is in the custody of the child's parent, resides with a grandparent, and does not require special education is entitled to attend the schools of the district in which the child's grandparent resides, provided that, prior to such attendance in any school year, the board of education of the school district in which the child's grandparent resides and the board of education of the school district in which the child's parent resides enter into a written agreement specifying that good cause exists for such attendance, describing the nature of this good cause, and consenting to such attendance.

In lieu of a consent form signed by a parent, a board of education may request the grandparent of a child attending school in the district in which the grandparent resides pursuant to division (F)(11) of this section to complete any consent form required by the district, including any authorization required by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised Code. Upon request, the grandparent shall complete any consent

form required by the district. A school district shall not incur 56502
any liability solely because of its receipt of a consent form from 56503
a grandparent in lieu of a parent. 56504

Division (F)(11) of this section does not create, and shall 56505
not be construed as creating, a new cause of action or substantive 56506
legal right against a school district, a member of a board of 56507
education, or an employee of a school district. This section does 56508
not affect, and shall not be construed as affecting, any 56509
immunities from defenses to tort liability created or recognized 56510
by Chapter 2744. of the Revised Code for a school district, 56511
member, or employee. 56512

(12) A child under the age of twenty-two years is entitled to 56513
attend school in a school district other than the district in 56514
which the child is entitled to attend school under division (B), 56515
(C), or (E) of this section provided that, prior to such 56516
attendance in any school year, both of the following occur: 56517

(a) The superintendent of the district in which the child is 56518
entitled to attend school under division (B), (C), or (E) of this 56519
section contacts the superintendent of another district for 56520
purposes of this division; 56521

(b) The superintendents of both districts enter into a 56522
written agreement that consents to the attendance and specifies 56523
that the purpose of such attendance is to protect the student's 56524
physical or mental well-being or to deal with other extenuating 56525
circumstances deemed appropriate by the superintendents. 56526

While an agreement is in effect under this division for a 56527
student who is not receiving special education under Chapter 3323. 56528
of the Revised Code and notwithstanding Chapter 3327. of the 56529
Revised Code, the board of education of neither school district 56530
involved in the agreement is required to provide transportation 56531
for the student to and from the school where the student attends. 56532

A student attending a school of a district pursuant to this division shall be allowed to participate in all student activities, including interscholastic athletics, at the school where the student is attending on the same basis as any student who has always attended the schools of that district while of compulsory school age.

(13) All school districts shall comply with the "McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for the education of homeless children. Each city, local, and exempted village school district shall comply with the requirements of that act governing the provision of a free, appropriate public education, including public preschool, to each homeless child.

When a child loses permanent housing and becomes a homeless person, as defined in 42 U.S.C.A. 11481(5), or when a child who is such a homeless person changes temporary living arrangements, the child's parent or guardian shall have the option of enrolling the child in either of the following:

(a) The child's school of origin, as defined in 42 U.S.C.A. 11432(g)(3)(C);

(b) The school that is operated by the school district in which the shelter where the child currently resides is located and that serves the geographic area in which the shelter is located.

(14) A child under the age of twenty-two years who resides with a person other than the child's parent is entitled to attend school in the school district in which that person resides if both of the following apply:

(a) That person has been appointed, through a military power of attorney executed under section 574(a) of the "National Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 U.S.C. 1044b, or through a comparable document necessary to

complete a family care plan, as the parent's agent for the care, 56564
custody, and control of the child while the parent is on active 56565
duty as a member of the national guard or a reserve unit of the 56566
armed forces of the United States or because the parent is a 56567
member of the armed forces of the United States and is on a duty 56568
assignment away from the parent's residence. 56569

(b) The military power of attorney or comparable document 56570
includes at least the authority to enroll the child in school. 56571

The entitlement to attend school in the district in which the 56572
parent's agent under the military power of attorney or comparable 56573
document resides applies until the end of the school year in which 56574
the military power of attorney or comparable document expires. 56575

(G) A board of education, after approving admission, may 56576
waive tuition for students who will temporarily reside in the 56577
district and who are either of the following: 56578

(1) Residents or domiciliaries of a foreign nation who 56579
request admission as foreign exchange students; 56580

(2) Residents or domiciliaries of the United States but not 56581
of Ohio who request admission as participants in an exchange 56582
program operated by a student exchange organization. 56583

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 56584
3327.04, and 3327.06 of the Revised Code, a child may attend 56585
school or participate in a special education program in a school 56586
district other than in the district where the child is entitled to 56587
attend school under division (B) of this section. 56588

(I)(1) Notwithstanding anything to the contrary in this 56589
section or section 3313.65 of the Revised Code, a child under 56590
twenty-two years of age may attend school in the school district 56591
in which the child, at the end of the first full week of October 56592
of the school year, was entitled to attend school as otherwise 56593
provided under this section or section 3313.65 of the Revised 56594

Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall continue to owe such tuition to the district for the child's attendance under division (I)(1) of this section for the lesser of the balance of the school year or the balance of the time that the child attends school in the district under division (I)(1) of this section.

(4) A pupil who may attend school in the district under 56626
division (I)(1) of this section shall be entitled to 56627
transportation services pursuant to an agreement between the 56628
district and the district in which the child or child's parent has 56629
relocated unless the districts have not entered into such 56630
agreement, in which case the child shall be entitled to 56631
transportation services in the same manner as a pupil attending 56632
school in the district under interdistrict open enrollment as 56633
described in division (H) of section 3313.981 of the Revised Code, 56634
regardless of whether the district has adopted an open enrollment 56635
policy as described in division (B)(1)(b) or (c) of section 56636
3313.98 of the Revised Code. 56637

(J) This division does not apply to a child receiving special 56638
education. 56639

A school district required to pay tuition pursuant to 56640
division (C)(2) or (3) of this section or section 3313.65 of the 56641
Revised Code shall have an amount deducted under division ~~(F)~~(C) 56642
of section 3317.023 of the Revised Code equal to its own tuition 56643
rate for the same period of attendance. A school district entitled 56644
to receive tuition pursuant to division (C)(2) or (3) of this 56645
section or section 3313.65 of the Revised Code shall have an 56646
amount credited under division ~~(F)~~(C) of section 3317.023 of the 56647
Revised Code equal to its own tuition rate for the same period of 56648
attendance. If the tuition rate credited to the district of 56649
attendance exceeds the rate deducted from the district required to 56650
pay tuition, the department of education shall pay the district of 56651
attendance the difference from amounts deducted from all 56652
districts' payments under division ~~(F)~~(C) of section 3317.023 of 56653
the Revised Code but not credited to other school districts under 56654
such division and from appropriations made for such purpose. The 56655
treasurer of each school district shall, by the fifteenth day of 56656
January and July, furnish the superintendent of public instruction 56657

a report of the names of each child who attended the district's 56658
schools under divisions (C)(2) and (3) of this section or section 56659
3313.65 of the Revised Code during the preceding six calendar 56660
months, the duration of the attendance of those children, the 56661
school district responsible for tuition on behalf of the child, 56662
and any other information that the superintendent requires. 56663

Upon receipt of the report the superintendent, pursuant to 56664
division ~~(F)~~(C) of section 3317.023 of the Revised Code, shall 56665
deduct each district's tuition obligations under divisions (C)(2) 56666
and (3) of this section or section 3313.65 of the Revised Code and 56667
pay to the district of attendance that amount plus any amount 56668
required to be paid by the state. 56669

(K) In the event of a disagreement, the superintendent of 56670
public instruction shall determine the school district in which 56671
the parent resides. 56672

(L) Nothing in this section requires or authorizes, or shall 56673
be construed to require or authorize, the admission to a public 56674
school in this state of a pupil who has been permanently excluded 56675
from public school attendance by the superintendent of public 56676
instruction pursuant to sections 3301.121 and 3313.662 of the 56677
Revised Code. 56678

(M) In accordance with division (B)(1) of this section, a 56679
child whose parent is a member of the national guard or a reserve 56680
unit of the armed forces of the United States and is called to 56681
active duty, or a child whose parent is a member of the armed 56682
forces of the United States and is ordered to a temporary duty 56683
assignment outside of the district, may continue to attend school 56684
in the district in which the child's parent lived before being 56685
called to active duty or ordered to a temporary duty assignment 56686
outside of the district, as long as the child's parent continues 56687
to be a resident of that district, and regardless of where the 56688
child lives as a result of the parent's active duty status or 56689

temporary duty assignment. However, the district is not 56690
responsible for providing transportation for the child if the 56691
child lives outside of the district as a result of the parent's 56692
active duty status or temporary duty assignment. 56693

Sec. 3313.642. (A) Except as provided in division (B) of this 56694
section and notwithstanding the provisions of sections 3313.48 and 56695
3313.64 of the Revised Code, the board of education of a city, 56696
exempted village, or local school district shall not be required 56697
to furnish, free of charge, to the pupils attending the public 56698
schools any materials used in a course of instruction with the 56699
exception of the necessary textbooks or electronic textbooks 56700
required to be furnished without charge pursuant to section 56701
3329.06 of the Revised Code. The board may, however, make 56702
provision by appropriations transferred from the general fund of 56703
the district or otherwise for furnishing free of charge any 56704
materials used in a course of instruction to such pupils as it 56705
determines are in serious financial need of such materials. 56706

(B) No board of education of a school district shall charge a 56707
fee to a pupil who is eligible for a free lunch under the 56708
"National School Lunch Act," 60 Stat. 230 (1946), 42 U.S.C. 1751, 56709
as amended, and the "Child Nutrition Act of 1966," 80 Stat. 885, 56710
42 U.S.C. 1771, as amended, for any materials needed to enable the 56711
pupil to participate fully in a course of instruction. The 56712
prohibition in this division against charging a fee does not apply 56713
to any fee charged for any of the following: 56714

(1) Any materials needed to enable a pupil to participate 56715
fully in extracurricular activities or in any pupil enrichment 56716
program that is not a course of instruction; 56717

(2) Any tools, equipment, and materials that are necessary 56718
for workforce-readiness training within a career-technical 56719
education program that, to the extent the tools, equipment, and 56720

materials are not consumed, may be retained by the student upon 56721
course completion. 56722

(C) Boards of education may adopt rules and regulations 56723
prescribing a schedule of fees for materials used in a course of 56724
instruction and prescribing a schedule of charges which may be 56725
imposed upon pupils for the loss, damage, or destruction of school 56726
apparatus, equipment, musical instruments, library material, 56727

certification. 57228

Only those qualified electors residing in the district 57229
proposed for assignment to the joint vocational school district 57230
are qualified to vote on the question. If a majority of the 57231
electors voting on the question vote against the assignment, it 57232
shall not take place, and the state board of education shall 57233

school district and the board of education of the joint vocational 57249
school district. Such an agreement may include provisions for a 57250
payment by the assigned school district to the joint vocational 57251
school district of an amount to be contributed toward the cost of 57252

Each policy shall provide for the following:

(3) A requirement that students enrolled in a school building or living in any attendance area of the school building established by the superintendent or board be given preference over applicants;

(1) Any requirement of academic ability, or any level of athletic, artistic, or other extracurricular skills;

preceding the term for which admission is sought, the procedures 57310
may include a provision denying admission of such applicant to an 57311

except as provided in division (D)(2) of this section, a district 57314

student enrolled in an alternative school unless such student can 57316
be picked up and dropped off at a regular school bus stop 57317
designated in accordance with the board's transportation policy or 57318
unless the board is required to provide additional transportation 57319
to the student in accordance with a court-approved desegregation 57320
plan. 57321

(2) A district board shall provide transportation to any 57322

required by division (E) of section 3302.04 of the Revised Code, 57324

school district" or "the district" means any school district 57340
included in the pilot project scholarship program pursuant to this 57341
section. 57342

(A) The superintendent of public instruction shall establish 57343
a pilot project scholarship program and shall include in such 57344
program any school districts that are or have ever been under 57345
federal court order requiring supervision and operational 57346
management of the district by the state superintendent. The 57347
program shall provide for a number of students residing in any 57348
such district to receive scholarships to attend alternative 57349
schools, and for an equal number of students to receive tutorial 57350
assistance grants while attending public school in any such 57351
district. 57352

(B) The state superintendent shall establish an application 57353
process and deadline for accepting applications from students 57354
residing in the district to participate in the scholarship 57355

a scholarship to attend school in grades kindergarten through 57357
third. 57358

The state superintendent shall award as many scholarships and 57359
tutorial assistance grants as can be funded given the amount 57360

fifty per cent of all scholarships awarded be used by students who 57362
were enrolled in a nonpublic school during the school year of 57363
application for a scholarship. 57364

(C)(1) The pilot project program shall continue in effect 57365
each year that the general assembly has appropriated sufficient 57366
money to fund scholarships and tutorial assistance grants. In each 57367
year the program continues, ~~no~~ new students may receive 57368
scholarships ~~unless they are enrolled~~ in grades kindergarten to 57369

attendance as a participant in the pilot project, except that 57392
tuition for all the students enrolled in such school may be 57393
increased by the same percentage. 57394

(D) Notwithstanding sections 124.39, 3307.54, and 3319.17 of 57395
the Revised Code, if the pilot project school district experiences 57396

a decrease in enrollment due to participation in a state-sponsored scholarship program pursuant to sections 3313.974 to 3313.979 of the Revised Code, the district board of education may enter into an agreement with any teacher it employs to provide to that teacher severance pay or early retirement incentives, or both, if the teacher agrees to terminate the employment contract with the district board, provided any collective bargaining agreement in force pursuant to Chapter 4117. of the Revised Code does not prohibit such an agreement for termination of a teacher's employment contract.

~~(5)(E)~~ The per pupil amounts paid to a school district under 59571
sections 3317.029 and 3317.0217 of the Revised Code shall be 59572
deemed to be the respective per pupil amounts paid under those 59573
sections to that district for fiscal year 2009. 59574

~~(6)(F)~~ A community school may receive all-day kindergarten 59575
payments under section 3314.13 of the Revised Code only for 59576
all-day kindergarten students who are entitled to attend school in 59577
school districts that, for fiscal year 2009, met the eligibility 59578
requirements of division (D) of section 3317.029 of the Revised 59579
Code. For students entitled to attend school in such school 59580
districts that actually received payment for all-day kindergarten 59581
for fiscal year 2009, the payments to community schools under 59582
section 3314.13 of the Revised Code shall be deducted from the 59583
school district's state education aid. For students entitled to 59584
attend school in such school districts that did not receive 59585
payment for all-day kindergarten for fiscal year 2009, the 59586
payments to community schools under section 3314.13 of the Revised 59587
Code shall be paid out of the funds appropriated under 59588
appropriation item 200550, foundation funding, ~~as appropriated in~~ 59589

~~section 265.10 of Am. Sub. H.B. 1 of the 128th General Assembly.~~ 59590
As used in this division, "entitled to attend school" has the same 59591
meaning as in section 3314.08 of the Revised Code. 59592

~~(B) For purposes of applying section 3314.085 of the Revised~~ 59593
~~Code to fiscal years 2010 and 2011, the minimum per pupil~~ 59594

~~for fiscal year 2009.~~ 59597

Sec. 3314.091. (A) A school district is not required to 59598
provide transportation for any native student enrolled in a 59599
community school if the district board of education has entered 59600
into an agreement with the community school's governing authority 59601
that designates the community school as responsible for providing 59602
or arranging for the transportation of the district's native 59603
students to and from the community school. For any such agreement 59604
to be effective, it must be certified by the superintendent of 59605
public instruction as having met all of the following 59606
requirements: 59607

(1) It is submitted to the department of education by a 59608
deadline which shall be established by the department. 59609

(2) In accordance with divisions (C)(1) and (2) of this 59610
section, it specifies qualifications, such as residing a minimum 59611
distance from the school, for students to have their 59612
transportation provided or arranged. 59613

(3) The transportation provided by the community school is 59614
subject to all provisions of the Revised Code and all rules 59615
adopted under the Revised Code pertaining to pupil transportation. 59616

(4) The sponsor of the community school also has signed the 59617
agreement. 59618

(B)(1) For the school year that begins on July 1, 2007, a 59619

school district is not required to provide transportation for any 59620
native student enrolled in a community school, if the community 59621
school during the previous school year transported the students 59622
enrolled in the school or arranged for the students' 59623
transportation, even if that arrangement consisted of having 59624
parents transport their children to and from the school, but did 59625
not enter into an agreement to transport or arrange for 59626
transportation for those students under division (A) of this 59627
section, and if the governing authority of the community school by 59628
July 15, 2007, submits written notification to the district board 59629
of education stating that the governing authority is accepting 59630
responsibility for providing or arranging for the transportation 59631
of the district's native students to and from the community 59632
school. 59633

(2) For any school year subsequent to the school year that 59634
begins on July 1, 2007, a school district is not required to 59635
provide transportation for any native student enrolled in a 59636
community school if the governing authority of the community 59637
school, by the thirty-first day of January of the previous school 59638
year, submits written notification to the district board of 59639
education stating that the governing authority is accepting 59640
responsibility for providing or arranging for the transportation 59641
of the district's native students to and from the community 59642
school. If the governing authority of the community school has 59643
previously accepted responsibility for providing or arranging for 59644
the transportation of a district's native students to and from the 59645
community school, under division (B)(1) or (2) of this section, 59646
and has since relinquished that responsibility under division 59647
(B)(3) of this section, the governing authority shall not accept 59648
that responsibility again unless the district board consents to 59649
the governing authority's acceptance of that responsibility. 59650

(3) A governing authority's acceptance of responsibility 59651

under division (B)(1) or (2) of this section shall cover an entire 59652
school year, and shall remain in effect for subsequent school 59653
years unless the governing authority submits written notification 59654
to the district board that the governing authority is 59655
relinquishing the responsibility. However, a governing authority 59656
shall not relinquish responsibility for transportation before the 59657
end of a school year, and shall submit the notice relinquishing 59658
responsibility by the thirty-first day of January, in order to 59659
allow the school district reasonable time to prepare 59660
transportation for its native students enrolled in the school. 59661

(C)(1) A community school governing authority that enters 59662
into an agreement under division (A) of this section, or that 59663
accepts responsibility under division (B) of this section, shall 59664
provide or arrange transportation free of any charge for each of 59665
its enrolled students who is required to be transported under 59666
section 3327.01 of the Revised Code or who would otherwise be 59667
transported by the school district under the district's 59668
transportation policy. The governing authority shall report to the 59669
department of education the number of students transported or for 59670
whom transportation is arranged under this section in accordance 59671
with rules adopted by the state board of education. 59672

(2) The governing authority may provide or arrange 59673
transportation for any other enrolled student who is not eligible 59674
for transportation in accordance with division (C)(1) of this 59675
section and may charge a fee for such service up to the actual 59676
cost of the service. 59677

(3) Notwithstanding anything to the contrary in division 59678
(C)(1) or (2) of this section, a community school governing 59679
authority shall provide or arrange transportation free of any 59680
charge for any disabled student enrolled in the school for whom 59681
the student's individualized education program developed under 59682
Chapter 3323. of the Revised Code specifies transportation. 59683

(D)(1) If a school district board and a community school governing authority elect to enter into an agreement under division (A) of this section, the department of education shall make payments to the community school according to the terms of the agreement for each student actually transported under division (C)(1) of this section.

If a community school governing authority accepts transportation responsibility under division (B) of this section, the department shall make payments to the community school for each student actually transported or for whom transportation is arranged by the community school under division (C)(1) of this section, calculated as follows:

(a) For any fiscal year which the general assembly has specified that transportation payments to school districts be based on an across-the-board percentage of the district's payment for the previous school year, the per pupil payment to the community school shall be the following quotient:

(i) The total amount calculated for the school district in which the child is entitled to attend school for student transportation other than transportation of children with disabilities; divided by

(ii) The number of students included in the district's transportation ADM for the current fiscal year, as reported under division (B)(13) of section 3317.03 of the Revised Code, plus the number of students enrolled in the community school not counted in the district's transportation ADM who are transported under division (B)(1) or (2) of this section.

(b) For any fiscal year which the general assembly has specified that the transportation payments to school districts be calculated in accordance with section ~~3306.12~~ 3317.0212 of the Revised Code and any rules of the state board of education

implementing that section, the payment to the community school 59715
shall be the amount so calculated that otherwise would be paid to 59716
the school district in which the student is entitled to attend 59717
school by the method of transportation the district would have 59718
used. The community school, however, is not required to use the 59719
same method to transport that student. 59720

(c) Divisions (D)(1)(a) and (b) of this section do not apply 59721
to fiscal years 2012 and 2013. Rather, for each of those fiscal 59722
years, the per pupil payment to a community school for 59723
transporting a student shall be the total amount paid under former 59724
section 3306.12 of the Revised Code for fiscal year 2011 to the 59725
school district in which the child is entitled to attend school 59726
divided by that district's "qualifying ridership," as defined in 59727
that section for fiscal year 2011. 59728

As used in this division "entitled to attend school" means 59729
entitled to attend school under section 3313.64 or 3313.65 of the 59730
Revised Code. 59731

(2) The department shall deduct the payment under division 59732
(D)(1) of this section from the state education aid, as defined in 59733
section 3314.08 of the Revised Code, and, if necessary, the 59734
payment under sections 321.14 and 323.156 of the Revised Code, 59735
that is otherwise paid to the school district in which the student 59736
enrolled in the community school is entitled to attend school. The 59737
department shall include the number of the district's native 59738
students for whom payment is made to a community school under 59739
division (D)(1) of this section in the calculation of the 59740
district's transportation payment under section ~~3306.12~~ 3317.0212 59741
of the Revised Code and the operating appropriations act. 59742

(3) A community school shall be paid under division (D)(1) of 59743
this section only for students who are eligible as specified in 59744
section 3327.01 of the Revised Code and division (C)(1) of this 59745
section, and whose transportation to and from school is actually 59746

provided, who actually utilized transportation arranged, or for 59747
whom a payment in lieu of transportation is made by the community 59748
school's governing authority. To qualify for the payments, the 59749
community school shall report to the department, in the form and 59750
manner required by the department, data on the number of students 59751
transported or whose transportation is arranged, the number of 59752
miles traveled, cost to transport, and any other information 59753
requested by the department. 59754

(4) A community school shall use payments received under this 59755
section solely to pay the costs of providing or arranging for the 59756
transportation of students who are eligible as specified in 59757
section 3327.01 of the Revised Code and division (C)(1) of this 59758
section, which may include payments to a parent, guardian, or 59759
other person in charge of a child in lieu of transportation. 59760

(E) Except when arranged through payment to a parent, 59761
guardian, or person in charge of a child, transportation provided 59762
or arranged for by a community school pursuant to an agreement 59763
under this section is subject to all provisions of the Revised 59764
Code, and all rules adopted under the Revised Code, pertaining to 59765
the construction, design, equipment, and operation of school buses 59766
and other vehicles transporting students to and from school. The 59767
drivers and mechanics of the vehicles are subject to all 59768
provisions of the Revised Code, and all rules adopted under the 59769
Revised Code, pertaining to drivers and mechanics of such 59770
vehicles. The community school also shall comply with sections 59771
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 59772
of section 3327.16 of the Revised Code and, subject to division 59773
(C)(1) of this section, sections 3327.01 and 3327.02 of the 59774
Revised Code, as if it were a school district. 59775

Sec. 3314.10. (A)(1) The governing authority of any community 59776
school established under this chapter may employ teachers and 59777

nonteaching employees necessary to carry out its mission and 59778
fulfill its contract. 59779

(2) Except as provided under division (A)(3) of this section, 59780
employees hired under this section may organize and collectively 59781
bargain pursuant to Chapter 4117. of the Revised Code. 59782
Notwithstanding division (D)(1) of section 4117.06 of the Revised 59783
Code, a unit containing teaching and nonteaching employees 59784
employed under this section shall be considered an appropriate 59785
unit. As applicable, employment under this section is subject to 59786
either Chapter 3307. or 3309. of the Revised Code. 59787

(3) If a school is created by converting all or part of an 59788
existing public school rather than by establishment of a new 59789
start-up school, at the time of conversion, the employees of the 59790
governing authority community school shall remain part of any 59791
collective bargaining unit in which they were included immediately 59792
prior to the conversion and shall remain subject to any collective 59793
bargaining agreement for that unit in effect on the first day of 59794
July of the year in which the community school initially begins 59795
operation and shall be subject to any subsequent collective 59796
bargaining agreement for that unit, unless a petition is certified 59797
as sufficient under division (A)(6) of this section with regard to 59798
those employees. Any new employees of the community school 59799
governing authority shall also be included in the unit to which 59800
they would have been assigned had not the conversion taken place 59801
and shall be subject to the collective bargaining agreement for 59802
that unit unless a petition is certified as sufficient under 59803
division (A)(6) of this section with regard to those employees. 59804

Notwithstanding division (B) of section 4117.01 of the 59805
Revised Code, the board of education of a school district and not 59806
the governing authority of a community school shall be regarded, 59807
for purposes of Chapter 4117. of the Revised Code, as the "public 59808
employer" of the employees of a conversion community school 59809

subject to a collective bargaining agreement pursuant to division 59810
(A)(3) of this section unless a petition is certified under 59811
division (A)(6) of this section with regard to those employees. 59812
Only on and after the effective date of a petition certified as 59813
sufficient under division (A)(6) of this section shall division 59814
(A)(2) of this section apply to those employees of that community 59815
school and only on and after the effective date of that petition 59816
shall Chapter 4117. of the Revised Code apply to the governing 59817
authority of that community school with regard to those employees. 59818

(4) Notwithstanding sections 4117.03 to 4117.18 of the 59819
Revised Code and Section 4 of Amended Substitute Senate Bill No. 59820
133 of the 115th general assembly, the employees of a conversion 59821
community school who are subject to a collective bargaining 59822
agreement pursuant to division (A)(3) of this section shall cease 59823
to be subject to that agreement and all subsequent agreements 59824
pursuant to that division and shall cease to be part of the 59825
collective bargaining unit that is subject to that and all 59826
subsequent agreements, if a majority of the employees of that 59827
community school who are subject to that collective bargaining 59828
agreement sign and submit to the state employment relations board 59829
a petition requesting all of the following: 59830

(a) That all the employees of the community school who are 59831
subject to that agreement be removed from the bargaining unit that 59832
is subject to that agreement and be designated by the state 59833
employment relations board as a new and separate bargaining unit 59834
for purposes of Chapter 4117. of the Revised Code; 59835

(b) That the employee organization certified as the exclusive 59836
representative of the employees of the bargaining unit from which 59837
the employees are to be removed be certified as the exclusive 59838
representative of the new and separate bargaining unit for 59839
purposes of Chapter 4117. of the Revised Code; 59840

(c) That the governing authority of the community school be 59841

regarded as the "public employer" of these employees for purposes 59842
of Chapter 4117. of the Revised Code. 59843

(5) Notwithstanding sections 4117.03 to 4117.18 of the 59844
Revised Code and Section 4 of Amended Substitute Senate Bill No. 59845
133 of the 115th general assembly, the employees of a conversion 59846
community school who are subject to a collective bargaining 59847
agreement pursuant to division (A)(3) of this section shall cease 59848
to be subject to that agreement and all subsequent agreements 59849
pursuant to that division, shall cease to be part of the 59850
collective bargaining unit that is subject to that and all 59851
subsequent agreements, and shall cease to be represented by any 59852
exclusive representative of that collective bargaining unit, if a 59853
majority of the employees of the community school who are subject 59854
to that collective bargaining agreement sign and submit to the 59855
state employment relations board a petition requesting all of the 59856
following: 59857

(a) That all the employees of the community school who are 59858
subject to that agreement be removed from the bargaining unit that 59859
is subject to that agreement; 59860

(b) That any employee organization certified as the exclusive 59861
representative of the employees of that bargaining unit be 59862
decertified as the exclusive representative of the employees of 59863
the community school who are subject to that agreement; 59864

(c) That the governing authority of the community school be 59865
regarded as the "public employer" of these employees for purposes 59866
of Chapter 4117. of the Revised Code. 59867

(6) Upon receipt of a petition under division (A)(4) or (5) 59868
of this section, the state employment relations board shall check 59869
the sufficiency of the signatures on the petition. If the 59870
signatures are found sufficient, the board shall certify the 59871
sufficiency of the petition and so notify the parties involved, 59872

including the board of education, the governing authority of the 59873
community school, and any exclusive representative of the 59874
bargaining unit. The changes requested in a certified petition 59875
shall take effect on the first day of the month immediately 59876
following the date on which the sufficiency of the petition is 59877
certified under division (A)(6) of this section. 59878

(B)(1) The board of education of each city, local, and 59879
exempted village school district sponsoring a community school and 59880
the governing board of each educational service center in which a 59881
community school is located shall adopt a policy that provides a 59882
leave of absence of at least three years to each teacher or 59883
nonteaching employee of the district or service center who is 59884
employed by a conversion or new start-up community school 59885
sponsored by the district or located in the district or center for 59886
the period during which the teacher or employee is continuously 59887
employed by the community school. The policy shall also provide 59888
that any teacher or nonteaching employee may return to employment 59889
by the district or service center if the teacher or employee 59890
leaves or is discharged from employment with the community school 59891
for any reason, unless, in the case of a teacher, the board of the 59892
district or service center determines that the teacher was 59893
discharged for a reason for which the board would have sought to 59894
discharge the teacher under section 3319.16 of the Revised Code, 59895
in which case the board may proceed to discharge the teacher 59896
utilizing the procedures of that section. Upon termination of such 59897
a leave of absence, any seniority that is applicable to the person 59898
shall be calculated to include all of the following: all 59899
employment by the district or service center prior to the leave of 59900
absence; all employment by the community school during the leave 59901
of absence; and all employment by the district or service center 59902
after the leave of absence. The policy shall also provide that if 59903
any teacher holding valid certification returns to employment by 59904
the district or service center upon termination of such a leave of 59905

absence, the teacher shall be restored to the previous position 59906
and salary or to a position and salary similar thereto. If, as a 59907
result of teachers returning to employment upon termination of 59908
such leaves of absence, a school district or educational service 59909
center reduces the number of teachers it employs, it shall make 59910
such reductions in accordance with section ~~3319.17~~ or, if 59911
~~applicable,~~ 3319.171 of the Revised Code. 59912

Unless a collective bargaining agreement providing otherwise 59913
is in effect for an employee of a conversion community school 59914
pursuant to division (A)(3) of this section, an employee on a 59915
leave of absence pursuant to this division shall remain eligible 59916
for any benefits that are in addition to benefits under Chapter 59917
3307. or 3309. of the Revised Code provided by the district or 59918
service center to its employees provided the employee pays the 59919
entire cost associated with such benefits, except that personal 59920
leave and vacation leave cannot be accrued for use as an employee 59921
of a school district or service center while in the employ of a 59922
community school unless the district or service center board 59923
adopts a policy expressly permitting this accrual. 59924

(2) While on a leave of absence pursuant to division (B)(1) 59925
of this section, a conversion community school shall permit a 59926
teacher to use sick leave accrued while in the employ of the 59927
school district from which the leave of absence was taken and 59928
prior to commencing such leave. If a teacher who is on such a 59929
leave of absence uses sick leave so accrued, the cost of any 59930
salary paid by the community school to the teacher for that time 59931
shall be reported to the department of education. The cost of 59932
employing a substitute teacher for that time shall be paid by the 59933
community school. The department of education shall add amounts to 59934
the payments made to a community school under this chapter as 59935
necessary to cover the cost of salary reported by a community 59936
school as paid to a teacher using sick leave so accrued pursuant 59937

to this section. The department shall subtract the amounts of any 59938
payments made to community schools under this division from 59939
payments made to such sponsoring school district under ~~Chapters~~ 59940
~~3306.~~ and Chapter 3317. of the Revised Code. 59941

A school district providing a leave of absence and employee 59942
benefits to a person pursuant to this division is not liable for 59943
any action of that person while the person is on such leave and 59944
employed by a community school. 59945

Sec. 3314.13. Payments and deductions under this section for 59946
fiscal years ~~2010~~ 2012 and ~~2011~~ 2013 shall be made in accordance 59947
with section 3314.088 of the Revised Code. 59948

(A) As used in this section: 59949

(1) "All-day kindergarten" has the same meaning as in section 59950
3317.029 of the Revised Code. 59951

(2) "Formula amount" has the same meaning as in section 59952
3317.02 of the Revised Code. 59953

(B) Except as provided in division (C) of this section, the 59954
department of education annually shall pay each community school 59955
established under this chapter one-half of the formula amount for 59956
each student to whom both of the following apply: 59957

(1) The student is entitled to attend school under section 59958
3313.64 or 3313.65 of the Revised Code in a school district that 59959
is eligible to receive a payment under division (D) of section 59960
3317.029 of the Revised Code if it provides all-day kindergarten; 59961

(2) The student is reported by the community school as 59962
enrolled in all-day kindergarten at the community school. 59963

(C) The department shall make no payments under this section 59964
to any internet- or computer-based community school. 59965

(D) If a student for whom payment is made under division (B) 59966

of this section is entitled to attend school in a district that 59967
receives any payment for all-day kindergarten under division (D) 59968
of section 3317.029 of the Revised Code, the department shall 59969
deduct the payment to the community school under this section from 59970
the amount paid that school district under that division. If that 59971
school district does not receive payment for all-day kindergarten 59972
under that division because it does not provide all-day 59973
kindergarten, the department shall pay the community school from 59974
state funds appropriated generally for poverty-based assistance to 59975
school districts. 59976

(E) The department shall adjust the amounts deducted from 59977
school districts and paid to community schools under this section 59978
to reflect any enrollments of students in all-day kindergarten in 59979
community schools for less than the equivalent of a full school 59980
year. 59981

Sec. 3314.19. The sponsor of each community school annually 59982
shall provide the following assurances in writing to the 59983

Sec. 3314.22. (A)(1) Each child enrolled in an internet- or computer-based community school is entitled to a computer supplied by the school; however, the parent of any child enrolled in the school may waive this entitlement in the manner specified in division (A)(3) of this section. In no case shall an internet- or computer-based community school provide a stipend or other	60051 60052 60053 60054 60055 60056

substitute to an enrolled child or the child's parent in lieu of 60057

the preceding sentence is intended to clarify the meaning of this 60059
division as it existed prior to September 29, 2005, and is not 60060
intended to change that meaning in any way. 60061

(2) Notwithstanding division (A)(1) of this section, if more 60062

internet- or computer-based community school, at the option of the 60064
parent of those children, the school may supply less than one 60065
computer per child, as long as at least one computer is supplied 60066

days after the parent notifies the school of such amendment, the 60073
school shall provide any additional computers requested by the 60074
parent up to the number necessary to comply with division (A)(1) 60075
of this section. 60076

(3) The parent of any child enrolled in an internet- or 60077
computer-based community school may waive the entitlement to one 60078
computer per child, and have no computer at all supplied by the 60079

with both parties attesting that there is a computer available to 60081
the child in the child's residence with sufficient hardware, 60082
software, programming, and connectivity so that the child may 60083
fully participate in all of the learning opportunities offered to 60084
the child by the school. The parent may amend the decision to 60085
waive the entitlement at any time during the school year and, in 60086
such case, within thirty days after the parent notifies the school 60087
of that decision, the school shall provide any additional 60088

computers requested by the parent up to the number necessary to 60089

section shall be retained by the internet- or computer-based 60093

department, of any parent's decision under division (A)(2) of this 60101
section to accept less than one computer per child or the parent's 60102
amendment to that decision, and of any parent's decision to amend 60103
the waiver executed under division (A)(3) of this section. 60104

(B) Each internet- or computer-based community school shall 60105
provide to each parent who is considering enrolling the parent's 60106

enrolled in the school a written notice of the provisions 60108
prescribed in division (A) of this section. 60109

(C) If a community school that is not an internet- or 60110
computer-based community school provides any of its enrolled 60111
students with nonclassroom-based learning opportunities provided 60112
via an internet- or other computer-based instructional method and 60113
requires such students to participate in any of those learning 60114
opportunities from their residences, the school shall be subject 60115
to this section and division (C)(1) of section 3314.21 of the 60116
Revised Code relative to each such student in the same manner as 60117

the following conditions apply to the student: 60119

(B) Internet- and computer-based community schools operating on the effective date of this section shall have three years after the initial adoption of rules under division (A) of this section to be in compliance with those rules.

the school district with the moneys of such funds, or missing from 60391
the special funds and not accounted for, if any; 60392

(B) Any financial recovery plan may be amended subsequent to its adoption. Each financial recovery plan shall be updated annually.

(C) Each school district financial planning and supervision commission shall submit the financial recovery plan it adopts or updates under this section to the state superintendent of public instruction for approval immediately following its adoption or updating. The state superintendent shall evaluate the plan and either approve or disapprove it within thirty calendar days from the date of its submission. If the plan is disapproved, the state superintendent shall recommend modifications that will render it acceptable. No financial planning and supervision commission shall implement a financial recovery plan that is adopted or updated on or after April 10, 2001, unless the state superintendent has approved it.

Sec. 3316.08. During a school district's fiscal emergency period, the auditor of state shall determine annually, or at any other time upon request of the financial planning and supervision commission, whether the school district will incur an operating deficit. If the auditor of state determines that a school district will incur an operating deficit, the auditor of state shall certify that determination to the superintendent of public instruction, the financial planning and supervision commission, and the board of education of the school district. Upon receiving the auditor of state's certification, the commission shall adopt a resolution requesting that the board of education work with the county auditor or tax commissioner to estimate the amount and rate of a tax levy that is needed under section 5705.194, 5709.199, or 5705.21 or Chapter 5748. of the Revised Code to produce a positive fund balance not later than the fifth year of the five-year forecast submitted under section 5705.391 of the Revised Code.

The board of education shall recommend to the commission whether the board supports or opposes a tax levy under section 5705.194, 5709.199, or 5705.21 or Chapter 5748. of the Revised Code and shall provide supporting documentation to the commission

of its recommendation. 60490

After considering the board of education's recommendation and 60491
supporting documentation, the commission shall adopt a resolution 60492
to either submit a ballot question proposing a tax levy or not to 60493
submit such a question. 60494

Except as otherwise provided in this division, the tax shall 60495
be levied in the manner prescribed for a tax levied under section 60496
5705.194, 5709.199, or 5705.21 or under Chapter 5748. of the 60497
Revised Code. If the commission decides that a tax should be 60498
levied, the tax shall be levied for the purpose of paying current 60499
operating expenses of the school district. The rate of a property 60500
tax levied under section 5705.194, 5709.199, ~~or~~ 5705.21, or 60501

commission. The commission, in consultation with the board of 60506
education, shall determine the election at which the question of 60507
the tax shall appear on the ballot, and the commission shall 60508
submit a copy of its resolution to the board of elections not 60509

board of elections conducting the election shall certify the 60511
results of the election to the board of education and to the 60512
financial planning and supervision commission. 60513

Sec. 3316.20. (A)(1) The school district solvency assistance 60514
fund is hereby created in the state treasury, to consist of such 60515
amounts designated for the purposes of the fund by the general 60516
assembly. The fund shall be used to provide assistance and grants 60517
to school districts to enable them to remain solvent and to pay 60518
unforeseeable expenses of a temporary or emergency nature that 60519
they are unable to pay from existing resources. 60520

(2) There is hereby created within the fund an account known 60521
as the school district shared resource account, which shall 60522
consist of money appropriated to it by the general assembly. The 60523
money in the account shall be used solely for solvency assistance 60524
to school districts that have been declared under division (B) of 60525
section 3316.03 of the Revised Code to be in a state of fiscal 60526
emergency. 60527

(3) There is hereby created within the fund an account known 60528
as the catastrophic expenditures account, which shall consist of 60529
money appropriated to the account by the general assembly plus all 60530
investment earnings of the fund. Money in the account shall be 60531
used solely for the following: 60532

(a) Solvency assistance to school districts that have been 60533
declared under division (B) of section 3316.03 of the Revised Code 60534
to be in a state of fiscal emergency, in the event that all money 60535
in the shared resource account is utilized for solvency 60536
assistance; 60537

(b) Grants to school districts under division (C) of this 60538
section. 60539

(B) Solvency assistance payments under division (A)(2) or 60540
(3)(a) of this section shall be made from the fund by the 60541
superintendent of public instruction in accordance with rules 60542
adopted by the director of budget and management, after consulting 60543
with the superintendent, specifying approval criteria and 60544
procedures necessary for administering the fund. 60545

The fund shall be reimbursed for any solvency assistance 60546
amounts paid under division (A)(2) or (3)(a) of this section not 60547
later than the end of the ~~second~~ fourth fiscal year following the 60548
fiscal year in which the solvency assistance payment was made, 60549
except that the fund may be reimbursed not later than the end of 60550
the tenth fiscal year following the fiscal year in which the 60551

solvency assistance payment was made upon the approval of the 60552
director of budget and management and the superintendent of public 60553
instruction. If not made directly by the school district, such 60554
reimbursement shall be made by the director of budget and 60555
management from the amounts the school district would otherwise 60556
receive pursuant to Chapter ~~3306.~~ 3317. of the Revised Code, or 60557
from any other funds appropriated for the district by the general 60558
assembly. Reimbursements shall be credited to the respective 60559
account from which the solvency assistance paid to the district 60560
was deducted. 60561

(C) The superintendent of public instruction may make 60562
recommendations, and the controlling board may grant money from 60563
the catastrophic expenditures account to any school district that 60564
suffers an unforeseen catastrophic event that severely depletes 60565
the district's financial resources. The superintendent shall make 60566
recommendations for the grants in accordance with rules adopted by 60567
the director of budget and management, after consulting with the 60568
superintendent. A school district shall not be required to repay 60569
any grant awarded to the district under this division, unless the 60570
district receives money from this state or a third party, 60571
including an agency of the government of the United States, 60572
specifically for the purpose of compensating the district for 60573
revenue lost or expenses incurred as a result of the unforeseen 60574
catastrophic event. If a school district receives a grant from the 60575
catastrophic expenditures account on the basis of the same 60576
circumstances for which an adjustment or recomputation is 60577
authorized under section 3317.025, 3317.026, 3317.027, 3317.028, 60578
3317.0210, or 3317.0211 of the Revised Code, the department of 60579
education shall reduce the adjustment or recomputation by an 60580
amount not to exceed the total amount of the grant, and an amount 60581
equal to the reduction shall be transferred, from the funding 60582
source from which the adjustment or recomputation would be paid, 60583
to the catastrophic expenditures account. Any adjustment or 60584

recomputation under such sections that is in excess of the total 60585
amount of the grant shall be paid to the school district. 60586

Sec. 3316.21. (A) If a school district has been declared to 60587
be in a state of fiscal emergency by the auditor of state under 60588
section 3316.03 of the Revised Code, and if the auditor of state 60589
has further determined upon examination of the district's 60590
financial recovery plan that implementing that plan cannot 60591
reasonably be expected to correct and eliminate all of the 60592
district's fiscal emergency conditions within five fiscal years, 60593
the auditor of state shall notify the superintendent of public 60594
instruction of that determination. 60595

(B) Not later than ninety days after the state superintendent 60596
receives the auditor of state's notification under division (A) of 60597
this section, the state superintendent shall develop an operations 60598
plan for the district and submit that plan to the state board of 60599
education for approval. Upon approval of the plan, the state board 60600
shall suspend the charter of the district and shall take over the 60601
operation of the district. The state board shall continue to 60602
operate the school district until such time as the district's 60603
board and its financial planning and supervision commission submit 60604
an acceptable financial recovery plan to the state superintendent 60605
and the auditor of state has determined that the district does 60606
have a plan that can reasonably be expected to correct and 60607
eliminate the district's fiscal emergency conditions within five 60608
fiscal years. 60609

(C) While the state board is operating the district, all of 60610
the following apply: 60611

(1) The state board shall exercise all powers granted to the 60612
school district board under the Revised Code for management and 60613

the place of the district board. 60617

(2) Subject to approval of the state board, the district 60618
board shall continue to propose tax levies necessary to operate 60619
the district and to resolve the district's fiscal emergency 60620
conditions. 60621

(3) Employees and officers of the district shall be deemed 60622
employees of the state board. 60623

(4) The state board may delegate any management and control 60624
functions of the district to the district's financial planning and 60625
supervision commission. 60626

(5) The state board shall not revoke the charter of the 60627
district or transfer its territory to other districts. 60628

~~the Revised Code,~~ "school district," unless otherwise specified, 60630
means any city, local, exempted village, joint vocational, or 60631
cooperative education school district and any educational service 60632

This chapter shall be administered by the state board of 60634
education. The superintendent of public instruction shall 60635
calculate the amounts payable to each school district and shall 60636
certify the amounts payable to each eligible district to the 60637
treasurer of the district as provided by this chapter. As soon as 60638
possible after such amounts are calculated, the superintendent 60639
shall certify to the treasurer of each school district the 60640
district's adjusted charge-off increase, as defined in section 60641
5705.211 of the Revised Code. No moneys shall be distributed 60642
pursuant to this chapter without the approval of the controlling 60643
board. 60644

The state board of education shall, in accordance with 60645

appropriations made by the general assembly, meet the financial 60646
obligations of this chapter. 60647

Moneys distributed pursuant to this chapter shall be 60648
calculated and paid on a fiscal year basis, beginning with the 60649
first day of July and extending through the thirtieth day of June. 60650
The moneys appropriated for each fiscal year shall be distributed 60651
periodically to each school district unless otherwise provided 60652

~~of the plan to the controlling board in January. Any year end~~ 60656
~~revision of the plan shall be submitted to the controlling board~~ 60657
~~in June. If moneys appropriated for each fiscal year are~~ 60658
~~distributed other than monthly, such distribution shall be on the~~ 60659
~~same basis for each school district~~ the state board's year-end 60660
distributions pursuant to this chapter. 60661

Except as otherwise provided, payments under this chapter 60662
shall be made only to those school districts in which: 60663

(A) The school district, except for any educational service 60664
center and any joint vocational or cooperative education school 60665

mills. Levies for joint vocational or cooperative education school 60667
districts or county school financing districts, limited to or to 60668
the extent apportioned to current expenses, shall be included in 60669
this qualification requirement. School district income tax levies 60670

3317.021 of the Revised Code. 60675

(B) The school year next preceding the fiscal year for which 60676
such payments are authorized meets the requirement of section 60677

minimum number of days or hours school must be open for 60679
instruction with pupils in attendance, for individualized 60680
parent-teacher conference and reporting periods, and for 60681
professional meetings of teachers. This requirement shall be 60682
waived by the superintendent of public instruction if it had been 60683
necessary for a school to be closed because of disease epidemic, 60684
hazardous weather conditions, inoperability of school buses or 60685
other equipment necessary to the school's operation, damage to a 60686
school building, or other temporary circumstances due to utility 60687

A school district shall not be considered to have failed to 60703
comply with this division or section 3313.481 of the Revised Code 60704
because schools were open for instruction but either twelfth grade 60705
students were excused from attendance for up to three days or only 60706

incentive district accruing to the state by reason of improvements 61199
constructed within the district during its existence exceed the 61200
amount the state pays the school district under section 3317.022 61201

of the Revised Code attributable to such property exemption from 61202
the school district's recognized valuation. The analysis shall be 61203
submitted to and approved by the department of development prior 61204
to January 1, 2006, and the department shall not unreasonably 61205
withhold approval. 61206

(g) The portion of school district compensation value that 61207
was exempted from taxation for the preceding tax year under such 61208
an ordinance or resolution, if the ordinance or resolution is 61209
adopted prior to January 1, 2006, and if service payments have 61210
been pledged to be used for mixed-use riverfront entertainment 61211
development in any county with a population that exceeds six 61212
hundred thousand, as shown by the most recent federal decennial 61213
census; 61214

(h) The portion of school district compensation value that 61215
was exempted from taxation for the preceding tax year under such 61216
an ordinance or resolution, if, prior to January 1, 2006, the 61217
legislative authority of a municipal corporation, board of 61218
township trustees, or board of county commissioners has pledged 61219
service payments for a designated transportation capacity project 61220
approved by the transportation review advisory council under 61221
Chapter 5512. of the Revised Code; 61222

(i) The portion of school district compensation value that 61223
was exempted from taxation for the preceding tax year under such 61224
an ordinance or resolution if the legislative authority of a 61225
municipal corporation, board of township trustees, or board of 61226
county commissioners have, by January 1, 2006, pledged proceeds 61227
for designated transportation improvement projects that involve 61228
federal funds for which the proceeds are used to meet a local 61229
share match requirement for such funding. 61230

As used in division (A)(6) of this section, "project" has the 61231
same meaning as in section 5709.40 of the Revised Code. 61232

(7) The aggregate value of real property in the school district for which an exemption from taxation is granted by an ordinance or resolution adopted on or after January 1, 2006, under Chapter 725. or 1728., sections 3735.65 to 3735.70, or section 5709.62, 5709.63, 5709.632, 5709.84, or 5709.88 of the Revised Code, as indicated on the list of exempted property for the preceding tax year under section 5713.08 of the Revised Code and as if such property had been assessed for taxation that year, minus the product determined by multiplying (a) the aggregate value of the real property in the school district exempted from taxation for the preceding tax year under any of the chapters or sections specified in this division, by (b) a fraction, the numerator of which is the difference between (i) the amount of anticipated revenue such school district would have received for the preceding tax year if the real property exempted from taxation had not been exempted from taxation and (ii) the aggregate amount of payments in lieu of taxes on the exempt real property for the preceding tax year and other compensation received for the preceding tax year by the school district pursuant to any agreements entered into on or after January 1, 2006, under section 5709.82 of the Revised Code between the school district and the legislative authority of a political subdivision that acted under the authority of a chapter or statute specified in this division, that were entered into in relation to such exemption, and the denominator of which is the amount of anticipated revenue such school district would have received in the preceding fiscal year if the real property exempted from taxation had not been exempted.

(B) On or before the first day of May each year, the tax commissioner shall certify to the department of education and the office of budget and management the total taxable real property value of railroads and, separately, the total taxable tangible personal property value of all public utilities for the preceding tax year, by school district and by county of location.

(C) If a public utility has properly and timely filed a petition for reassessment under section 5727.47 of the Revised Code with respect to an assessment issued under section 5727.23 of the Revised Code affecting taxable property apportioned by the tax commissioner to a school district, the taxable value of public utility tangible personal property included in the certification under divisions (A)(2) and (B) of this section for the school district shall include only the amount of taxable value on the basis of which the public utility paid tax for the preceding year as provided in division (B)(1) or (2) of section 5727.47 of the Revised Code.

(D) If on the basis of the information certified under division (A) of this section, the department determines that any district fails in any year to meet the qualification requirement specified in ~~division (A)(1) of section 3306.01~~ and division (A) of section 3317.01 of the Revised Code, the department shall immediately request the tax commissioner to determine the extent to which any school district income tax levied by the district under Chapter 5748. of the Revised Code shall be included in meeting that requirement. Within five days of receiving such a request from the department, the tax commissioner shall make the determination required by this division and report the quotient obtained under division (D)(3) of this section to the department and the office of budget and management. This quotient represents the number of mills that the department shall include in determining whether the district meets the qualification requirement of ~~division (A)(1) of section 3306.01~~ and division (A) of section 3317.01 of the Revised Code.

The tax commissioner shall make the determination required by this division as follows:

(1) Multiply one mill times the total taxable value of the district as determined in divisions (A)(1) and (2) of this

section; 61298

(2) Estimate the total amount of tax liability for the 61299
current tax year under taxes levied by Chapter 5748. of the 61300
Revised Code that are apportioned to current operating expenses of 61301
the district, excluding any income tax receipts allocated for the 61302
project cost, debt service, or maintenance set-aside associated 61303
with a state-assisted classroom facilities project as authorized 61304
by section 3318.052 of the Revised Code; 61305

(3) Divide the amount estimated under division (D)(2) of this 61306
section by the product obtained under division (D)(1) of this 61307
section. 61308

(E)(1) On or before June 1, 2006, and the first day of April 61309
of each year thereafter, the director of development shall report 61310
to the department of education, the tax commissioner, and the 61311
director of budget and management the total amounts of payments 61312
received by each city, local, exempted village, or joint 61313
vocational school district for the preceding tax year pursuant to 61314
division (D) of section 5709.40, division (D) of section 5709.73, 61315
division (C) of section 5709.78, or division (B)(1), (B)(2), (C), 61316
or (D) of section 5709.82 of the Revised Code in relation to 61317
exemptions from taxation granted pursuant to an ordinance adopted 61318
by the legislative authority of a municipal corporation under 61319
division (C) of section 5709.40 of the Revised Code, or a 61320
resolution adopted by a board of township trustees or board of 61321
county commissioners under division (C) of section 5709.73 or 61322
division (B) of section 5709.78 of the Revised Code, respectively. 61323
On or before April 1, 2006, and the first day of March of each 61324
year thereafter, the treasurer of each city, local, exempted 61325
village, or joint vocational school district that has entered into 61326
such an agreement shall report to the director of development the 61327
total amounts of such payments the district received for the 61328
preceding tax year as provided in this section. The state board of 61329

education, in accordance with sections 3319.31 and 3319.311 of the Revised Code, may suspend or revoke the license of a treasurer found to have willfully reported erroneous, inaccurate, or incomplete data under this division.

(2) On or before April 1, 2007, and the first day of April of each year thereafter, the director of development shall report to the department of education, the tax commissioner, and the director of budget and management the total amounts of payments received by each city, local, exempted village, or joint vocational school district for the preceding tax year pursuant to divisions (B), (C), and (D) of section 5709.82 of the Revised Code in relation to exemptions from taxation granted pursuant to ordinances or resolutions adopted on or after January 1, 2006, under Chapter 725. or 1728., sections 3735.65 to 3735.70, or section 5709.62, 5709.63, 5709.632, 5709.84, or 5709.88 of the Revised Code. On or before March 1, 2007, and the first day of March of each year thereafter, the treasurer of each city, local, exempted village, or joint vocational school district that has entered into such an agreement shall report to the director of development the total amounts of such payments the district received for the preceding tax year as provided by this section. The state board of education, in accordance with sections 3319.31 and 3319.311 of the Revised Code, may suspend or revoke the license of a treasurer found to have willfully reported erroneous, inaccurate, or incomplete data under this division.

Sec. 3317.022. (A)(1) The department of education shall compute and distribute state base cost funding to each eligible school district for the fiscal year, using the information obtained under section 3317.021 of the Revised Code in the calendar year in which the fiscal year begins, according to the following formula:

{[the formula amount X (formula ADM +
preschool scholarship ADM)] +
the sum of the base funding supplements
prescribed in divisions (C)(1) to (4)
of section 3317.012 of the Revised Code} -
[.023 x (the sum of recognized valuation
and property exemption value)] +
the amounts calculated for the district under
sections 3317.029 and 3317.0217 of the Revised Code

If the difference obtained is a negative number, the
district's computation shall be zero.

(2)(a) For each school district for which the tax exempt
value of the district equals or exceeds twenty-five per cent of
the potential value of the district, the department of education
shall calculate the difference between the district's tax exempt
value and twenty-five per cent of the district's potential value.

(b) For each school district to which division (A)(2)(a) of
this section applies, the department shall adjust the recognized
valuation used in the calculation under division (A)(1) of this
section by subtracting from it the amount calculated under
division (A)(2)(a) of this section.

(B) As used in this section:

(1) The "total special education weight" for a district means

If a district's costs for the fiscal year for a student in its categories two through six special education ADM exceed the threshold catastrophic cost for serving the student, the district 61447
61448
61449
61450
61451
61452

may submit to the superintendent of public instruction 61453
documentation, as prescribed by the superintendent, of all its 61454
costs for that student. Upon submission of documentation for a 61455
student of the type and in the manner prescribed, the department 61456
shall pay to the district an amount equal to the sum of the 61457
following: 61458

(i) One-half of the district's costs for the student in 61459
excess of the threshold catastrophic cost; 61460

(ii) The product of one-half of the district's costs for the 61461
student in excess of the threshold catastrophic cost multiplied by 61462
the district's state share percentage. 61463

(b) For purposes of division (C)(3)(a) of this section, the 61464
threshold catastrophic cost for serving a student equals: 61465

student in accordance with the student's individualized education 61474
program. Any legal fees, court costs, or other costs associated 61475
with any cause of action relating to the student may not be 61476
included in the amount. 61477

(4)(a) As used in this division, the "personnel allowance" 61478
means thirty thousand dollars in fiscal years 2008 and 2009. 61479

(b) For the provision of speech language pathology services 61480
to students, including students who do not have individualized 61481
education programs prepared for them under Chapter 3323. of the 61482

Revised Code, and for no other purpose, the department of 61483
education shall pay each school district an amount calculated 61484
under the following formula: 61485

(formula ADM divided by 2000) X 61486

the personnel allowance X 61487

the state share percentage 61488

(5) In any fiscal year, a school district shall spend for 61489
purposes that the department designates as approved for special 61490
education and related services expenses at least the amount 61491
calculated as follows: 61492

(formula amount X the sum of categories 61493

one through six special education ADM) + 61494

(total special education weight X formula amount) 61495

The purposes approved by the department for special education 61496
expenses shall include, but shall not be limited to, 61497
identification of children with disabilities, compliance with 61498

disabilities, provision of speech language pathology services, and 61501
the portion of the school district's overall administrative and 61502
overhead costs that are attributable to the district's special 61503
education student population. 61504

The scholarships deducted from the school district's account 61505
under section 3310.41 of the Revised Code shall be considered to 61506

governor and the general assembly the amount of money spent by 61513
each school district for special education and related services. 61514

(6) In any fiscal year, a school district shall spend for the provision of speech language pathology services not less than the sum of the amount calculated under division (C)(1) of this section for the students in the district's category one special education ADM and the amount calculated under division (C)(4) of this section.

~~(D)(1) As used in this division:~~

~~(a) "Daily bus miles per student" equals the number of bus miles traveled per day, divided by transportation base.~~

~~(b) "Transportation base" equals total student count as defined in section 3301.011 of the Revised Code, minus the number of students enrolled in units for preschool children with disabilities, plus the number of nonpublic school students included in transportation ADM.~~

~~(c) "Transported student percentage" equals transportation ADM divided by transportation base.~~

~~(d) "Transportation cost per student" equals total operating costs for board owned or contractor operated school buses divided by transportation base.~~

~~(2) Analysis of student transportation cost data has resulted in a finding that an average efficient transportation use cost per student can be calculated by means of a regression formula that has as its two independent variables the number of daily bus miles per student and the transported student percentage. For fiscal year 1998 transportation cost data, the average efficient transportation use cost per student is expressed as follows:~~

$$\begin{aligned} & \del 51.79027 + (139.62626 \times \text{daily bus miles per student}) + \\ & \del (116.25573 \times \text{transported student percentage}) \end{aligned}$$

~~The department of education shall annually determine the average efficient transportation use cost per student in accordance with the principles stated in division (D)(2) of this~~

~~section, updating the intercept and regression coefficients of the regression formula modeled in this division, based on an annual statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported student percentage, and transportation cost per student data, from the prior fiscal year. The department shall notify the office of budget and management of such update by the fifteenth day of February of each year.~~

~~(3) In addition to funds paid under divisions (A), (C), and (E) of this section, each district with a transported student percentage greater than zero shall receive a payment equal to a percentage of the product of the district's transportation base from the prior fiscal year times the annually updated average efficient transportation use cost per student, times an inflation factor of two and eight tenths per cent to account for the one year difference between the data used in updating the formula and calculating the payment and the year in which the payment is made. The percentage shall be the following percentage of that product specified for the corresponding fiscal year:~~

FISCAL YEAR	PERCENTAGE	
2000	52.5%	
2001	55%	
2002	57.5%	
2003 and thereafter	The greater of 60% or the district's state share percentage	

~~The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula.~~

~~(4) In addition to funds paid under divisions (D)(2) and (3)~~

~~of this section, a school district shall receive a rough road
subsidy if both of the following apply:~~ 61576
61577

~~(a) Its county rough road percentage is higher than the
statewide rough road percentage, as those terms are defined in
division (D)(5) of this section;~~ 61578
61579
61580

~~(b) Its district student density is lower than the statewide
student density, as those terms are defined in that division.~~ 61581
61582

~~(5) The rough road subsidy paid to each district meeting the
qualifications of division (D)(4) of this section shall be
calculated in accordance with the following formula:~~ 61583
61584
61585

~~(per rough mile subsidy X total rough road miles)
X density multiplier~~ 61586
61587

~~where:~~ 61588

~~0.75 — {0.75 X [(maximum rough road percentage —
county rough road percentage)/(maximum rough road
percentage — statewide rough road percentage)]}~~ 61591

61593

~~(i) "Maximum rough road percentage" means the highest county
rough road percentage in the state.~~ 61594
61595

~~(ii) "County rough road percentage" equals the percentage of
the mileage of state, municipal, county, and township roads that
is rated by the department of transportation as type A, B, C, E2,

61612
61613
61614

~~(i) "Minimum student density" means the lowest district student density in the state.~~ 61615

(G) If a city, local, ~~and~~ or exempted village school district 62315
offers school bus service to all resident students who are 62316
